You could say that you are going from “milk to meat” or from "babes to being mature" as you progress through Paul’s epistles. From 'babes in Christ'-1 Corinthians 3:1 to coming 'unto a perfect man...the measure of the stature of the fulness of Christ'-Ephesians 4:13. This is where we are supposed to get to.</p> <p>The education proper - contain the doctrine and exhortations for our edification.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Paul's unique apostleship. Three designations:<br>* DESIGNATION 1: Servant of Jesus Christ<br>* DESIGNATION 2: Called to be an apostle: Paul is going to write doctrine for us. More than just doctrine. It's the educational material that we apply ourselves to get an understanding in our souls about what God has done and what He has made us to be so we can be a joint heir with Jesus in eternity.<br>* DESIGNATION 3: Separated unto the Gospel of God (UNIQUE TO PAUL ONLY-God only using Paul in the DOGG)<br>Different apostle, different dispensation, different audience/people, different message/gospel, different program, different commission<br>SEPARATED: Divided off.                                                                                                                                                                                                                                                                                                                                                                                 |

| Romans 1:3      |                                                       | CONCERNING HIS SON JESUS CHRIST: Narrows the possible gospels considerably. The gospel concerns Him.<br>SEED OF DAVID: Think about the Davidic Covenant. Not talking about all 5 mandates. Just the Redeemer. Paul is narrowing down what gospel.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 1:4      |                                                       | DECLARED TO BE THE SON OF GOD WITH POWER...BY THE RESURRECTION FROM THE DEAD: When He successfully functioned as Redeemer, died on the Cross, was buried and rose from the dead, He said in ALL POWER IS GIVEN UNTO ME BOTH IN HEAVEN AND IN EARTH-Matthew 28:18. The only mandate of the Davidic Covenant that was in doubt is the Redeemer. When Jesus was raised with power that was the power to implement the rest of the Davidic Covenant and bestow the benefits of the Davidic covenant.<br>BY THE RESURRECTION FROM THE DEAD: Proof the mandate of the Davidic covenant you are after is the Redeemer - the one mandate that has a death and a resurrection of David's Son in it.<br>SPIRIT OF HOLINESS: Lower case 's'. Talking about a man's human spirit. HOLINESS has to do with your sanctification. Sanctification allows your human spirit to have holiness. The only mandate that deals with that is the Redeemer.                                                                                                                                                                                                                                               |
| Romans 1:5      |                                                       | Paul is writing to everybody. Paul says he is going to go to all nations (Jew and Gentile). Preaching death, burial, and resurrection to the Gentiles apart from Israel (not part of their program) and in spite of Israel. It's not a carryover of Israel's gospel.<br>BY WHOM: Talking about the Lord.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 1:6      |                                                       | THE CALLED OF JESUS CHRIST: "Called of Jesus Christ" is the calling the gospel makes to every man to accept God's free offer of justification unto eternal life. When you heard the gospel, you are being called by the gospel to obtain the glory of the Lord Jesus Christ rather than the wrath.<br>CALLED: Every man is called by the gospel. It's a free offer of justification unto eternal life.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 1:7-15   | Prayer                                                | There is a particular need Paul is obsessed with, the saint's edification. But before you can be edified, you need to be educated. You have to be told something and respond to that thing you were told by believing it. The need that everybody has is a knowledge need. So Paul is thinking about:<br>- who he is talking to<br>- what their circumstance is<br>- what is it they're going through<br>- identifying the need they have<br>After he prays for their ESTABLISHMENT he is going to present them with the doctrine. When you talk to Him about doing something that is needed in someone else's life, that's doing something in your heart. Otherwise, it is just you trying to do good stuff on your own. Your Father needs you to understand this is a joint labor between you and Him.                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 1:7      | Grace facet/definition: is a Power to produce a PEACE | From sinner (SO LOVED-John 3:16) to saint (BELOVED) - God loves you even more now you are saved - GH: MUCH MORE LOVE doctrine in Romans 5:9-10.<br>TO ALL THAT BE IN ROME, BELOVED OF GOD, CALLED TO BE SAINTS: Not talking about every single person in Rome, he is talking to the saints in Rome.<br>BELOVED OF GOD: How God feels about them. Once you get saved, you are not just 'so loved' you are 'beloved'.<br>CALLED TO BE SAINTS: This is a description of saved people.<br>GRACE TO YOU AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER-2 Corinthians 4:7, grace that is sufficient to produce a peace IN your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE IN your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace IN your soul no matter what you are going through. It is sufficient to handle every situation.<br>GRACE: Is going to be defined for us as the goodness of God. |

Not preaching the good news of salvation. v7 says he is writing to SAINTS, so it can't be the good news gospel. It's the good news of your godly edification for those who are already saved. Satan isn't nearly as interested in hiding the gospel of salvation as he is about hiding godly edification. Know that sounds strange.                                                                                                                                                                                                                                                                                                                                                                                                |

| Romans 1:16     | Gospel : Gospel of Christ /<br>Prayer : Inner Man Power :<br>SAVING / Paul's two-fold<br>commission | EVERY ONE THAT BELIEVETH: Who saving power is given to.<br>TO THE JEW FIRST, AND ALSO TO THE GREEK (Gentile): Paul's two-fold commission:<br>1. TO THE JEW FIRST (Paul's ministry - JEW FIRST - start with Israel): When Paul would go to a new city, he would go to the synagogue first and he was informing Israel that they had fallen, they were in a state of diminishing, and God was no longer working His program with Israel. God had to send a message to Israel to let them know He was no longer working with Israel the way He had in the past. Wasn't a popular message with the Jews. THE JEW FIRST commission ends in Acts 28. When Paul goes to prison there's no more of that because he has either directly or indirectly carried that message to the world.<br>2. AND ALSO TO THE GREEK: Working with Gentiles directly by grace.                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 1:16     | Gospel : Gospel of Christ /<br>Prayer : Inner Man Power :<br>SAVING / Paul's two-fold<br>commission | TO THE JEW FIRST: As was Paul's custom, when he came into a city, his first stop was always the Jewish synagogue where Paul would tell them about the dispensational change. He would explain that:<br>1) There has been a dispensational change. Their prophetic program was on hold and God was no longer working with Israel the way He did before. Now, God is working in a different way.<br>2) Jesus the Guy you rejected is the Christ/Messiah. Jesus of Nazareth was the Christ and His death on the Cross provided redemption in that it paid for the sins of the world.<br>3) Gospel of the grace of God/Gospel of grace. In the DBR Jesus paid for the sins of the world and when you trust what He did on the Cross, that satisfies God's justice against you. Your faith is counted for righteousness. The gospel of salvation is faith in the finished work of Christ on the cross to satisfy God's justice against men's sins.<br>4) Israel is no longer a favored nation. Important because since Israel in this dispensation of Gentile grace no longer enjoys favored nation status with God but has been [as a nation] lowered to the status of the Gentiles (that is the "fall of Israel" spoken of in Romans 11), that the gospel of the grace of God is not for Jews only, but also for Gentiles as well. |

God is going to execute His wrath against sin. To make people aware of God's wrath against sin and the need for salvation - making them aware of God's wrath against sin.)<br>JUEL Volitional Testing Point 2: Wrath Consciousness<br>God has charged all of mankind with unrighteousness. As ungodly sinners, we are worthy of God's wrath. Paul described what the nations did when they began to walk in their own ways. We are all under God's wrath and we deserve God's wrath. They don't believe they are under wrath - no need for salvation. Not disagreeing with you, disagreeing with God. God begins to review their sins from the beginning all the way to the dispensation of grace. See mankind's descent into the depths of depravity.                                                                                                                                                                                                                                                                                                                                                                                                       |

| Romans 1:18-32  | VTP : Salvation 1 of 7 - Wrath Consciousness:<br>Man's Worthiness of God's Wrath                                                | Recap:<br>1. Paul declares all men to be worthy of the wrath of God<br>2. Paul describes the ungodliness that makes men worthy of God's wrath, as men followed the course laid out by the adversary, progressing into more and more ungodliness<br>3. Men do not sin in ignorance, but God has showed them their ungodly deeds for what they are; it is "manifest in them"<br>4. Even though men know they are being ungodly, they pursued their ungodliness with gusto<br>5. In time past, God gave men up to walk in their ungodly ways which worked contrary to the design and nature of God and also contrary to the very design of mankind<br>6. The world became saturated with all kinds of unrighteousness of which everyone, past and present, is guilty of some part<br>7. As sinners, we are part of this unrighteous, ungodly world that deserves to have God's wrath poured out upon it                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

He is not talking about they believed there was a God. Lost Gentiles believed in all kinds of gods. This God consciousness is they knew who God was and they knew some things about Him.<br>But they had two problems:<br>1.THEY GLORIFIED HIM NOT AS GOD: They refused to glorify God as being God.<br>2. NEITHER WERE THANKFUL: They were absolutely refusing to be thankful to Him as God for the things that were happening.<br>When those 2 things work together, they're HOLDING THE TRUTH IN UNRIGHTEOUSNESS-v18. Satan using these to bring into being his NIGHT.<br>v21: VAIN IN THEIR IMAGINATIONS, AND THEIR FOOLISH HEART WAS DARKENED: Two things going on here:<br>1. You have the natural sinful condition of men - Satan is taking that sinful condition and he is revving it up. MM says men's sinful condition takes him to the edge of the stairs and Satan gives him a boot off of that landing and now they are flying down the stairs. That's the descent into DARKNESS. When Satan promotes his WORKS OF DARKNESS-Romans 13:12, he is accelerating the already sinful condition of men. He is actually directing that thing. THEIR FOOLISH HEART is a consequence of their sinful condition. Satan and his POE have gotten a hold of this FOOLISH heart and now they made it more dark than would have ever been on its own.<br>2. ??? |

It's no longer a surprise then that you have people who are not God Conscious and people who are no longer Wrath Conscious because untruth has taken the place of the LIGHT and that is exactly the way Satan has detailed that.<br>v24: WHEREFORE GOD ALSO GAVE THEM UP: When you read this, you know this has become a full blown night. It has switched from LIGHT being predominant in the world to DARKNESS being predominant in the world.<br>v25: WHO CHANGED THE TRUTH OF GOD INTO A LIE<br>God does something in response to consigning all of mankind over to the adversary at the tower of Babel. He calls out Abraham out of Ur of the Chaldees and now because of Abraham, He is going to shine a LIGHT or Truth again in the DARKNESS. He gives them what the Bible calls THE ORACLES OF GOD-Romans 3:2, which is the written testimony of the Truth.                                                                                                                                                                                                                                                                                   |

Atheist says they don't want to deal with God. No one is born into this world thinking there is no God. Man has a natural propensity to believe in a deity. Can be blamed if you say you didn't know there was a God. God has manifested the truth of His existence sufficiently that they are without excuse. God is not doing something in such a way that would violate a man's will. If an atheist or agnostic, there are some things you can say. Nobody comes in the world as an atheist.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 1:18     | In Adam Indentity - CONDEMNATION 2 of 3 = ALL UNGODLINESS AND UNRIGTEOUSNESS OF MEN | Every single transgression of the law demands the death penalty. We just look at the big stuff. God looks at everything. Mess up 1 time and your goose is cooked.<br>THE WRATH OF GOD IS REVEALED: True for every single person that comes into the world.<br>WRATH OF GOD: That wrath is still there. In that day, God is going to punish unrighteousness. Paul says that all men are under the wrath of God because of their sinful condition.<br>Every man is a sinner.<br>UNGODLINESS: Ungodly thinking. The antithesis of/contrary to godliness. Instead of doing God's way, doing things the way of the adversary. Laboring against God.<br>WHO HOLD THE TRUTH IN UNRIGHTEOUSNESS: Some people will use the excuse 'well, I didn't know what I was doing was wrong'. You didn't need the law of Moses to show how ungodly you are. God has manifested in you and has showed it, yet you violate those things every day. This phrase said they lied. They did it and then they claimed they didn't know it was unrighteousness. When men are ungodly and unrighteous, it isn't because they don't know they are being unrighteous. They do know.                                                                                                                                                                                                            |

See all the THINKING words - KNEW, THANKFUL, IMAGINATIONS, HEART, WISE, FOOLS. What is being described here is back when Satan was changing the way men were thinking about God. They wound up not wanting to retain God in their knowledge anymore. Satan going to work on the first component of godliness - godly thinking. He wants to produce UNGODLINESS-v18 as a way of thinking and living and labor that is contrary to your Heavenly Father's way. See a progression of things that man goes through to get to idolatry (v23). How to get to a place where you are building idols and going on further than that. As they drop out of idolatry, they lower to worship and serve the sun and the moon and the stars. Then, they lower themselves again to worship little gods - the host of heaven/angelic realm. Look at the progression:</p> <ul style="list-style-type: none"> <li>they knew God</li> <li>neither were thankful - there's a thought process going on here</li> <li>became vain in their imaginations - as a result of not glorifying Him as God</li> <li>their foolish heart was darkened - with a clear conscience, they could profess themselves to be wise, God said they were fools</li> </ul> |

| Romans 1:21     |              | <p>Talking about the time of the Tower of Babel on the Biblical timeline. Even though they knew about God, they refused to give Him the glory (the respect and obedience) due Him. As a result, they allowed themselves to entertain evil thoughts which they dwelt on continually (vain in their imaginations), and this darkened (obscured, blinded) their heart (their mind), so that they could not perceive the truth.</p> <p>WHEN THEY KNEW GOD, THEY GLORIFIED HIM NOT AS GOD: There's a step.</p> <p>THEY GLORIFIED HIM NOT AS GOD: Means:</p> <ol style="list-style-type: none"> <li>1. they didn't acknowledge Him for who He is as God</li> <li>2. they didn't respect Him for being God</li> </ol> <p>It didn't mean a thing to them. They didn't just go from day 1 of saying there is a God to day 2 saying all of a sudden we just don't believe there is a God. It starts with not honoring God for who He is and what He should be to them. People who used to know God. When they knew God, THEY GLORIFIED HIM NOT as God. What this finally produces is a REPROBATE MIND-v28, which today is called deconstructionism. MM tying this to Isaiah 2:10-22-Prideful thinking aspect of THE PRIDE OF LIFE.</p> <p>NEITHER WERE THANKFUL: There's another step.</p>                                                                                                                                                                                                      |
| Romans 1:21     |              | <p>BUT BECAME VAIN IN THEIR IMAGINATIONS: Result of doing the first things in the verse. Lost men naturally (once you are saved, you are not supposed to be this way anymore) are in a condition where the imaginations of their heart are already evil because they were born in sin and have a sin nature. They begin to dwell on these things and entertain thoughts on how to do these things. Their vain imaginations caused them to be led away from the knowledge of God. Today this may take the form of agnosticism or atheism, or the worship of a false god.</p> <p>THEIR FOOLISH HEART WAS DARKENED. PROFESSING THEMSELVES TO BE WISE, THEY BECAME FOOLS: He says this because he has no/lacks understanding. The chief thing people are ignorant of is God Himself. They do not know Him or the truth about Him. They are ignorant of His character, His being, His glory, His purposes, His dispensations, His will and His attributes. The man whose understanding is darkened, the Bible calls foolish. A foolish man is a man who lacks understanding, a man who does something because he does not know better, he blunders into things without thinking.</p> <p>THEIR FOOLISH HEART WAS DARKENED: Their ability to discern the light of the truth is diminished. Similar to Pharaoh's heart being hardened. Same principle here. MM tying to THEIR UNDERSTANDING DARKENED-Ephesians 4:18.</p> <p>FOOLISH: Someone who acts in an area they know nothing about.</p> |
| Romans 1:22-28  |              | <p>When they could no longer comprehend truth:</p> <ol style="list-style-type: none"> <li>1) they deceived themselves about how wise they were and they THE BECAME FOOLS-Romans 1:22...</li> <li>2) ...they gave in to their vile affections to commit immorality/they gave themselves over to all kinds of immorality... [GOD GAVE THEM UP TO UNCLEANNESSTHROUGH THE LUST OF THEIR OWN HEARTS, TO DISHONOUR THEIR OWN BODIES BETWEEN THEMSELVES-v24]</li> <li>3) ...they couldn't understand or were unable to discern truth from error, they rejected the true God to make and worship gods of their own making... [WORSHIPPED AND SERVED THE CREATURE-Romans 1:25]</li> <li>4) ...which led them to purge God from their minds altogether, making them reprobate. [THEY DID NOT LIKE TO RETAIN GOD IN THEIR KNOWLEDGE, GOD GAVE THEM OVER TO A REPROBATE MIND-Romans 1:28]</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 1:22     |              | <p>PROFESSING THEMSELVES TO BE WISE, THEY BECAME FOOLS: There are no atheists born, you become an atheist. While they are FOOLS in the Eyes of God, they think they are WISE. BECAME FOOLS: Became ignorant-Ephesians 4:18.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 1:23     |              | <p>After the progression in v21-22, they created images of worship or idolatry. Another downward progression/spiral - men, birds, four-footed beasts, creeping things.</p> <p>IMAGE MADE LIKE TO CORRUPTIBLE MAN: Acts 14 where they tried to worship Paul and Barnabas and Acts 17. Man continues to go down the 'course of this world'-Ephesians 2:2 path and they participate in what the Scripture calls 'the vanity of idolatries'. See Ecclesiastes 1:2-11.</p> <p>MAN...BIRDS....FOURFOOTED BEASTS(Exodus-golden calf-already there)...CREEPING THINGS (bugs): The list is a devolution. It's degenerating. As they go into idolatry, the first images they made were in the likenesses of people and they worship those images. Then it degenerates to BIRDS and FOURFOOTED BEASTS, etc. This is a downward spiral but there is a further down.</p> <p>CHANGED THE GLORY OF THE UNCORRUPTIBLE GOD: Took what God did and changed it into idol worship, that CHANGED THE GLORY. You can't do that. God is going to hold them all accountable.</p>                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 1:24     |              | <p>GAVE THEM (THE NATIONS) UP TO UNCLEANNES: Acts 14 says He gave the nations up to walk in their own way. Dishonoring themselves among themselves. Violated the very design for which I created you.</p> <p>GOD GAVE THEM UP: The product of v23. MM says He didn't walk away, He assigned them.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 1:25     |              | <p>Satan produced spiritual phenomena to cause the Gentiles to worship (prostrate themselves) and serve (make a sacrifice/offering) the creature more than the Creator.</p> <p>WORSHIPPED AND SERVED CREATURE MORE THAN CREATOR: Where they went after the devolution in v23. This is the lowest man can go. Where God crosses man off and says I AM giving you up. You are not going to recover yourself.</p> <p>WORSHIPPED AND SERVED THE CREATURE: And today, when men deny the Creator but point to evolution as the explanation for all that is, they are trampling on the glory of God. That will not go unpunished because God is perfectly just. No wonder Paul wrote that we, as sinners, come short of the glory of God (Romans 3:23).</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 1:25     |              | <p>THE CREATURE: In your Bible, there is a way this always gets written. EX SUN AND MOON AND STARS AND/or ALL THE HOSTS OF HEAVEN. Find it over and over. Two ways to define CREATURE. Both are right and need to include both into your thinking.</p> <ol style="list-style-type: none"> <li>1. Reference to Satan. He is a creature and in the creature. Not Satan here - see Romans 8:19-23.</li> <li>2. EX SUN AND MOON AND STARS AND/or ALL THE HOSTS OF HEAVEN</li> </ol> <p>Creature is also a building - God talks about laying a foundation, about fastening things up - He uses building terminology to describe what we call the universe. God wants you to begin looking at the sun and the moon and the stars as a creature. Not creation. This is another step down from worshipping MAN...BIRD....FOURFOOTED BEASTS...CREEPING THINGS (bugs)-v23. They didn't make the CREATURE. When they worshipped an image of a man or bird, they made it, carved it out. When they looked up and worshipped the CREATURE, they are now not worshipping something they made with their hands, they're worshipping something that the Creator put there. Exhibiting things of a living entity - waits (Romans 8:19), made subject to vanity (Romans 8:20), not willingly - some One forced that on the creature (Romans 8:20), same One subjected that creature to hope (v20). GH: Creature is celebrating the news because it is going to get a new body too. The EXCELLENCY OF THE POWER-2 Corinthians 4:7 put on display. The power that Satan doesn't possess.</p> |

| Romans 1:28     |              | <p>In time past, God gave men up to walk in their ungodly ways which worked contrary to the design and nature of God and also contrary to the very design of mankind.</p> <p>EVEN AS THEY DID NOT LIKE TO RETAIN GOD IN THEIR KNOWLEDGE, GOD GAVE THEM OVER TO A REPROBATE MIND: Talking about the world before the Flood and at Genesis 11/Babel. They did not want to keep a memory of God - means they wouldn't talk to children or grandchildren about God and you would have whole generations that the whole idea of God would be a foreign concept. That was Satan's goal - where the whole world would reject the knowledge of God. He truly would have possession of the earth.</p> <p>GOD GAVE THEM OVER TO A REPROBATE MIND: God essentially says to Satan, all those people who are out there that love you and don't want to think about Me, you can have them. They're yours. And He calls one man out of the Ur of the Chaldees, a guy called Abraham and He makes an unconditional covenant with him. He promises to not only make you a great nation, but it is through your seed there will be a conduit of blessing to the entire/rest of the earth - IN THEE SHALL ALL THE FAMILIES OF THE EARTH BE BLESSED. It will be through Abraham that I AM going to repossess the earth. Satan knows this and he has to deal with Abraham and his descendants.</p> <p>NOT CONVENIENT: To do those things that God told them NOT to do.</p>                                                                                                                    |

A list that everyone can find themselves on. Not a list of every sin that you can commit, but it represents every category of sin that you can commit. And “rejecting Christ” isn’t in this list. This list has a two-fold purpose.</p> <ol style="list-style-type: none"> <li>1. it demonstrates the reason for God’s wrath to be directed against men</li> <li>2. anyone today can look at the 23 things listed here and find things they have committed</li> </ol> <p>You may not have committed murder, but if you were disobedient to your parents, then you are just as guilty as the guy who committed murder. It isn’t a scale to sort out what is really bad and what is sort of bad; it is a list of things, any of which make you worthy of death. God didn’t have to list them all. When a child is old enough to know good and evil, they can find themselves here - 'disobedient to parents'. God is proving His point that everybody is worthy of God's wrath. Just because you didn't do everything on the list, doesn't mean that you didn't do something on the list. Just need to commit one to be worthy of death.</p> |

All of these things on the list are worth the death penalty.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Romans 2:3-5    |                                                                                                                                                                       | God is dealing with us out of His Goodness to lead us to repentance and that is an issue of His Love. In this DOGG God is LONGSUFFERING but His wrath is still being provoked to the extent that it is being treasured up against the day of wrath. By the time this DOGG is over, it will be worse than what it would have been if that day had burst onto the scene back in the time of Acts 8. God has not had time to mellow out and that is not what the scripture is going to teach us. MM says your attitude towards the ungodliness of this world (GH: MM teaching Romans 13:11-14) has to match your Father's. If it doesn't, you will not CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT-Romans 13:12. MM is not asking you to hate your neighbor. He just taught you to love your neighbor. You are not loving them because they are an ungodly sinner, you love them because you want God to do something with them. He hasn't changed His mind, but He will unleash that Wrath once this DOGG has come to an end.                                                                                                                                                     |
| Romans 2:3      |                                                                                                                                                                       | Do you really think that you are going to get away with it? Draws the conclusion that it is illogical to think that you can commit some things on this list that make you worthy of God’s wrath, while you can do other things on the list and, somehow, you are not. Don't think you will escape the judgment of God if you are unjustified.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

If they despise God's goodness, that will only result in more wrath in the "day of wrath." Paul is presenting doctrine to change people's thinking about receiving the good news of the Gospel. He is trying to change their hard and impenitent heart. If they despise the goodness of God, they will end up in the day of wrath.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 2:4      | Grace Defintion/Facet = THE RICHES OF HIS GOODNESS (GH: The Goodness of God) / GH: RDW | <p>Grace Definition/Facet = THE RICHES OF HIS GOODNESS (GH: The Goodness of God)</p> <p>That wrath, which was spoken of in Romans 1, is being held back in this dispensation of grace by God's goodness, forbearance and longsuffering. Two aspects of the Goodness of God's Grace:</p> <ol style="list-style-type: none"> <li>1. FOREBEARANCE: Means you are holding back what would normally be a response to something. He is suffering some things to happen. Under grace, He is holding back or refraining judgment, His Wrath. God is not happy with the sin and evil in the world but He is holding back Wrath and judgment on that.</li> <li>2. LONGSUFFERING: God is not happy with the evil of men but He is suffering/allowing it. Is allowing under grace things that He did not allow under the law (critical for you to understand). Under grace, He is enduring/putting up with/tolerating some things. The suffering He is going through is not the physical pain and agony like on the Cross.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 2:4      | Grace Defintion/Facet = THE RICHES OF HIS GOODNESS (GH: The Goodness of God) / GH: RDW | <p>Under grace, God is not imputing(?) your sins upon you, He is giving you grace and the opportunity to repent. When you say NO and reject God's Son, you are despising the riches of His goodness and forbearance and long suffering. Called the longsuffering of God because the world was ready for the fifth, the last part of wrath to come upon it. But in His goodness He suspended that and instead of bringing wrath upon the world He introduced the dispensation of grace and is now offering salvation to the Jew and the Gentile as a free gift. That's how good He is.</p> <p>Grace is "the riches of God's goodness." Under grace, God is "forbearing" which means that He is "refraining" and "holding back" His wrath against men. God is "longsuffering" which means that he is "allowing," "enduring," and "tolerating" some things right now. God is suffering some things because of what He has chosen not to do. That is why He is "forbearing" some things. He is "refraining" or "holding back" from doing some things under grace. Even though everything was in place for God to usher in His day of wrath back in Acts 7, He didn't do that. God is dealing with the whole world according to His grace. Today, God is using His Goodness to bring people to Him.</p>                                                                                                                                                                                                                                                                                                                  |
| Romans 2:4      | Grace Defintion/Facet = THE RICHES OF HIS GOODNESS (GH: The Goodness of God) / GH: RDW | <p>There are 3 things that characterize what God is doing today in this DOGG:</p> <ol style="list-style-type: none"> <li>1. GOODNESS: MM says recall Romans 11 and Gentiles being grafted in to the Tree of God's Goodness.</li> <li>2. FORBEARANCE: Means that you are putting up with something.</li> <li>3. LONGSUFFERING: You are not being quick to bring some kind of recompense back to a situation but you're giving people time to repent (REPENTANCE).</li> </ol> <p>FORBEARBANCE AND LONGSUFFERING: Means that God is not punishing people for their sins. He is putting up with it so that by His GOODNESS He can bring people to Him.</p> <p>NOT KNOWING: They are unaware, that showing them about their sin and God's wrath against that sin is actually the "goodness of God."</p> <p>THE RICHES OF HIS GOODNESS AND FORBEARANCE AND LONGSUFFERING: This is the message for the DOGG.</p> <p>THE GOODNESS OF GOD LEADETH THEE TO REPENTENCE: What He is really hoping for.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 2:5      |                                                                                        | <p>Will be called up out of hell and stand at the great White Throne Judgment and then lake of fire. Bible indicates that everyone (GH: not saved) is going through the DAY OF WRATH. He won't resurrect everyone to put them through the tribulation. Hell tells you how bad the DAY OF WRATH will be.</p> <p>TREASUREST UP UNTO THYSELF WRATH AGAINST THE DAY OF WRATH: As you are going along in this DOGG and you are doing what you want to do and you're participating with the POE in creating this WORLD OF THE UNGODLY-2 Peter 2:5, you are provoking the wrath of God. But He is not pouring it out on you now. What's actually happening now is that you are treasuring up unto yourself wrath. It's like it's all being deposited into an account and it's building and there's going to come a time when that account gets paid out and that's going to be against the day of wrath. There is a day of reckoning coming where all of these deeds are going to be imputed back to them. Two ways that people will encounter the day of wrath:</p> <ol style="list-style-type: none"> <li>1. The tribulation is the DAY OF WRATH for everyone that is alive at the time that it happens. If survive, still have the lake of fire to look forward to.</li> <li>2. Hell is the DAY OF WRATH for everyone that is dead. God will impute every one of those sins back to him.</li> </ol> <p>TREASUREST UP: When you "treasure something up" you are accumulating it and keeping it stored for a future time.</p> <p>TREASUREST: When you treasure something up, you are storing it up for a future time.</p> |

Paul is going to explain that what this guy is after is honor, glory, and eternal life-v7. When you realize how sinful you are, you realize God's wrath is what you are going to get.</p> <p>WHO WILL RENDER TO EVERY MAN ACCORDING TO HIS DEEDS: There is a day of reckoning coming where all of these deeds are going to be imputed back to them. God will render to every man according to his deeds – plural! That is the definition of "imputing" a man's sins back to him! That is why Paul can say that while a man is alive under grace, his sins are not being imputed to him. But when his life is over, so is the opportunity for grace. If a man rejected God's goodness, forbearance and longsuffering (v4) then God will impute every one of his "deeds" back to him in the day of wrath.</p>                                                                                                                                                                                                                                                                                                                                                     |

It is living your entire life as one "good work" without a single slip-up of any kind at any time. The standard never has been a comparison with each other. The standard is perfection (a patient continuance is well doing).</p> <p>CONTINUANCE: Means there is no break in the "well doing." This is the only kind of righteousness that is acceptable to God's justice. In other words, the standard is perfection.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 2:8-11   |                                                                                      | Paul is driving home the truth that if a man can match God's perfection his entire life, then he can hope to obtain what he was after all along: eternal life. But if he has ever failed to do what God has done, patient continuance in well doing, then he has no hope of his works benefitting him at all toward eternal life. Neither can he trust in the badness of others.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

Even though they were not given the law, they have, by nature, a law in them that governs what they do. Have a code of conduct in their own heart and mind that contains certain DOs and DON'Ts. Code of conduct is a law unto itself. Gentiles "by nature" do the things contained in the law.                                                                                                                                                                                                                                                                                                                                                                                                                                            |

Violate own code - accuse others, excuse themselves (Like the Jews). When God judges those Gentiles, He will judge them according to their own laws which they have in them "by nature." By that, God will demonstrate that they could not by a "patient continuance in well doing" keep their own laws. And if they couldn't keep their own laws, there is no way they could have kept God's, no matter if they knew them or not. They did know their own laws and they still couldn't keep them. God is going to show them as the sinners they are, on the basis of their own laws. Gentiles will respond to their own laws the way Israel responded to God's law, they will all violate them. That shows us that even without the law, men know the difference between good and evil. Therefore, not having the law is no excuse.                                                                                                      |

| Romans 2:25                                                       |                                                                  | If you were a breaker of the law, your circumcision was made uncircumcision. The most offending thing you could say to a Jew is that they were part and parcel with the Gentiles. If Jews are going to break the law, they have no special circumstance that keeps God's wrath from coming on them.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

God promised some things by His word and the FAITH OF GOD means He will do exactly what He said in His word. If someone says, 'I don't believe it', that doesn't make His faithful performance of none effect. God still did it. It was of an effect because a remnant did believe. Just because they didn't all believe, does not make what God faithfully did of none effect. Paul says GOD FORBID-v4.</p> <p>STAGE 1: UNBELIEF: Does their not believing change anything? NO</p> <p>SHALL THEIR UNBELIEF MAKE THE FAITH OF GOD WITHOUT EFFECT?: The fact that some will not believe does not somehow nullify the faith of God to make provision for them. Paul is asking is some people's unbelief going to nullify what God faithfully did? It doesn't nullify it at all. He did what He did. Whether the accept it or reject it, it doesn't matter. He still faithfully performed that for the nation.</p> <p>FAITH OF GOD: Not talking about God having faith in something or believing in something, it's talking about what God has faithfully accomplished for us. Not faith IN God, FAITH OF GOD. This is the faithful performance of God to do what He said He would do. Is the faithful performance of God to send His Son and provide the Redemption and the ransom for the nation. His faithful performance.</p> <p>Webster's 1928: Faith: faithfulness; fidelity, a strict adherence to duty and fulfillment of promises</p> |

| Romans 3:10-20  |                                                                                | Passages of scripture that proves the thesis point - The whole world is guilty. Paul is citing passages that demonstrate that the Jews are sinners on par with the Gentiles. What Paul is doing here is answering those "last-ditch" attempts to wiggle out of being worthy of God's wrath. These attempts are in the form of accusations against God as being unrighteous for judging men in the first place.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Romans 3:11     |                                                                                | SEEKETH AFTER GOD: very important phrase - God is describing their EXTREME condition of not doing what you are supposed to do. Your Father wants to see this in the extreme. When you understand what God was doing back there in Psalm 14, you have the groundwork to understand what Paul is explaining to us in Romans 5:6.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 3:12     |                                                                                | NONE THAT DOETH GOOD: This is not GOOD in the way the world looks at it, this is GOOD in what is acceptable to God. Those good works are an abomination to Him because they are done out of a life that is absolutely condemned by God. There's nothing GOOD about it. People fool themselves all the time. Because I'm a good person:<br>- I'm doing OK with God.<br>- God likes what I'm doing.<br>- I'm going to heaven.<br>What they don't know will kill them. God says no to this because it is produced in the energy of a life that is without God. It's man producing it for himself and everything about him is at odds with God.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

Their mouths are stopped, in that they have no more excuses to offer up and they acknowledge their guilty condition before God.<br>The Biblical definition of believing in Jesus; Faith in the Gospel of Christ. God is showing you that:<br>- No flesh will be justified by the deeds of the law (nothing you can do (no deeds/works) to be justified) (v20)<br>- Now, the righteousness of God without law has been revealed (God gives us His righteousness without the law) (v21)<br>- The RIGHTEOUSNESS OF GOD, which is what every man needs in order to avoid his DEATH SENTENCE, and which no man can produce on his own, is available to him apart from the performance of the law.<br>- THE LAW testifies to or is 'witness' to the fact that the RIGHTEOUSNESS OF GOD cannot be produced by keeping that law, and therefore, there is no hope of ever getting justified unto eternal life by keeping that law.<br>- God's righteousness is offered to everyone (all) and it will come upon "all them that believe" (v22)<br>- Perfect righteousness is the standard for escaping God's wrath and therefore, the whole world is guilty (God's standard is perfection - everyone is guilty) (v23) |

| Romans 3:20     | JUSTIFICATION #1. JUEL = Justification Unto Eternal Life               | JUSTIFICATION #1. JUEL = Justification Unto Eternal Life (Paul's focus in Romans) = forgiveness of sins + imputation of God's righteousness (to the forgiven sinner)<br>No one can be justified by the deeds of the law. Law gave us the knowledge of sin. The violation of the law is sin.<br>NO FLESH: Is not limiting this to the DOGG. NO FLESH gets saved by keeping the law.<br>The predicament we all find ourselves in after the first 2 parts of the Gospel were given to us is the fact that God's wrath is revealed against all ungodliness and unrighteousness of men and that none of us have an excuse and we're all worthy of the wrath of God. Devastating news:<br>- We have all been put on trial in God's court and found guilty.<br>- All of our excuses have been invalidated.<br>- Received a death sentence because that's what we are worthy of.<br>- We're totally helpless to change our situation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 3:20     | JUSTIFICATION #1. JUEL = Justification Unto Eternal Life               | JUSTIFICATION #1: JUEL (Justification Unto Eternal Life)<br>BY THE DEEDS OF THE LAW SHALL NO FLESH BE JUSTIFIED IN HIS SIGHT: He's not talking about in the eyes of men, which is a justification by works that men are supposed to be able to look at and see. It sets you apart. Point: No one is ever going to get justified unto eternal life by doing the deeds of the law because you can't do that. Remember if you brake the law in one part you are guilty of all. James justification by works is in the sight of men. This justification is unto eternal life and nobody gets that kind of justification doing good works.<br>IN HIS SIGHT: Before God. Added because there is a justification in the sight of men by doing righteous deeds but that's not in the sight of God. Remember, Abraham has 2 justifications: 1. JUEL 2. Eyes of men - works. Paul is talking about the justification 'in God's sight' while James is referring to the justification "in the eyes of men." As far as God's concerned, those works don't justify you unto eternal life. They will justify you before men. They may get you reward out in the kingdom, but they're not going to save you.<br>FOR BY THE LAW IS THE KNOWLEDGE OF SIN: You may think you're doing pretty good, and then you read the law and find out you are not so good after all.<br>BY THE LAW IS THE KNOWLEDGE OF SIN: Paul says that it is by the Law that we know what sin is.                                                                |
| Romans 3:21-26  | VTP : Salvation 8 of 8 - Good news of the Redemption that is IN Christ | <i>Gospel of Christ VTP 7</i> : Good news of the Redemption that is IN Christ<br>Gospel Part 3 - BUT NOW!!!: God has made, through His Son, a provision for full PARDON and JUSTIFICATION/JUEL, freely offered to everyone (Good news of God's offer) - the glorious good news of God's gracious provision for full pardon and justification unto eternal life freely offered to all men who are, by nature, worthy recipients of God's wrath.<br>- No flesh will be justified by the deeds of the law (nothing you can do (no deeds/works) to be justified)-v20<br>- Now, the righteousness of God without law has been revealed (God gives us His righteousness without the law)-v21<br>- God's righteousness is offered to everyone (all) and it will come upon "all them that believe"-v22<br>- Perfect righteousness is the standard for escaping God's wrath and therefore, the whole world is guilty (God's standard is perfection - everyone is guilty)-v23<br>- Through the redemption provided by Jesus Christ, you can be justified (declared righteous) freely by His grace (we don't earn it)-v24<br>- God set Jesus forth to be a propitiation (a full and complete and perfect payment) in order for them (O.T.) to have remission (postponing the judgment) of sinsv25<br>- God's justice, having been so satisfied by Jesus' work on your behalf, can now work for you, declaring you to be righteous since God has imputed His righteousness to your account - because of 'the faith of Christ'-v26 |
| Romans 3:21-26  | VTP : Salvation 8 of 8 - Good news of the Redemption that is IN Christ | Gospel Part 3: BUT NOW!!! - The good news of the Redemption in Christ Jesus - God Himself has provided a Way for men to be saved and He offers it as a free gift of grace. God knows the predicament that people are in and while people don't have the ability to solve that predicament, God Himself has taken steps to do that for them. Doing it at the price of His own Son's death indicates the love that He has for His creation.<br>TWO SIDES to this dilemma:<br>1. The execution of the sentence has to be served and paid in full to the full satisfaction of the Court, with no compromise to His righteous justice. It had to be a full payment and the court of God's Court of Justice has to be fully satisfied with that payment that HE made on the Cross.<br>2. Appropriating a full and unconditional pardon that justifies the offender in the eyes of the Court but with NO CONTRIBUTION from the offender. Conditional: Have to receive by FAITH.<br>The shed blood was the visible proof of the payment.<br>Paul explains a couple things:<br>1. The work of Jesus on the Cross not only forgave us, it makes us positionally righteous with God.<br>2. The only way to obtain that righteousness is to trust Him as your all-sufficient Savior.                                                                                                                                                                                                                                              |

| Romans 3:21-23  |              | <p>Two components to be installed into our thinking:</p> <p>JUSTIFICATION COMPONENT 1: Set forth the glorious good news that God is offering justification to all on account of the faithful performance OF Jesus Christ as our all-sufficient (You don't need anything else other than Him. It is Him and Him alone) Substitute Redeemer. Is the only and NECESSARY CRITERION is set forth to accept this gracious offer (that being faith, and faith alone).</p> <p>Is designed to put on the FIDELITY of the Lord Jesus Christ, so as to first of all impact our thinking concerning His ability to flawlessly execute His duty as our substitute Redeemer, and to cause us to realize that the character of Christ can be totally relied upon to put His Jehovah-ness into effect to produce our redemption for us. It's not believing He did it, it's trusting that what He said He actually accomplished. Get to the place where you realize you are going to Heaven, not because you are so good but He is so perfect.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 3:21-23  |              | <p>Not just believing but trusting what He said He actually accomplished. Have absolute reliance so you can relax in that. Speaks to the fidelity of the Lord Jesus Christ. We can fully depend on what He did.</p> <p>The law and the prophets gave testimony that perfect righteousness was needed all along. God is instituting an amnesty program even though the world is worthy of the wrath being poured out on it. God is willing to postpone that wrath in the time of long suffering and He is offering His righteousness without the law. Needed to be given as a free gift. God will freely give His righteousness to anyone who will trust Jesus as their Savior.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 3:21     |              | <p>Announcing the good news</p> <p>GOOD NEWS: The very RIGHTEOUSNESS OF GOD, that a man needs, and that he CANNOT produce on his own by the works of the law, IS NOW AVAILABLE TO HIM on the basis of what GOD has done FOR him. Not on the basis of what we have done, on the basis of what God has done.</p> <p>Righteousness of God being manifested without the law. Perfect righteousness is the only thing that can get us out of the jam we are in. Why when we receive God's Son as our all-sufficient Savior God not only pardons &amp; forgives our sins but he imputes His righteousness to our account. When God looks at us, He is looking at His norms and standards and thinks OK everything is fine. Good news is there's not a thing you can do to earn it or deserve it or get it or keep it. It is out of your hands and in God's Hands. Condition for getting it but it's not works.</p> <p>BUT NOW: Turns the corner - directs us to a change - to this dispensation of grace. BUT NOW everything that we need is offered to us!</p> <p>THE RIGHTEOUSNESS OF GOD WITHOUT THE LAW IS MANIFESTED: In our new identity IN Christ, God is going to now make us positionally righteous before Him. Happens by grace.</p> <p>RIGHTEOUSNESS: God's norms &amp; standards - He is the same all the time - perfect.</p> <p>WITHOUT THE LAW: The natural tendency of the flesh is to earn it. If the law is in effect for you, you cannot receive imputed righteousness.</p> <p>MANIFESTED: Everyone can see it (righteousness) and is offered to all.</p> <p>THE THINKING: The RIGHTEOUSNESS OF GOD, which is what every man needs in order to avoid his DEATH SENTENCE, and which no man can produce on his own, IS AVAILABLE TO HIM APART FROM THE PERFORMANCE OF THE LAW.</p> |
| Romans 3:21     |              | <p>WITNESSED BY THE LAW &amp; THE PROPHETS: The law and the prophets give testimony to what a guy needed to do to get the righteousness of God. Remember if you offend the law in one point you are guilty of all. Law proves that you can't justify yourself by works.</p> <p>THE PROPHETS: The prophets are the O.T. prophets.</p> <p>THE THINKING: THE PROPHETS then come along and they set forth the fact that God said that He would put His Jehovah-ness into effect for them, and it would become available to them through exactly what the Lord Jesus Christ is - THE REDEEMER! Through His Jehovah-ness, God said whatever you need, I'll supply it. Prophets gave witness to His Jehovah-ness.</p> <p>WITNESS: Means that it was testified - just like in a legal courtroom by some testimony.</p> <p>- Law witness: You can't earn it.</p> <p>- Prophets witness: If God doesn't do it for you it ain't gonna ever get done.</p> <p>THE LAW: Law is the Mosaic law.</p> <p>THE THINKING: THE LAW testifies to or is 'witness' to the fact that the RIGHTEOUSNESS OF GOD CANNOT BE PRODUCED BY KEEPING THAT LAW, and therefore, there is no hope of ever getting justified unto eternal life by keeping that law. The law showed us how guilty we were. It was a measuring stick we all fell short of.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| Romans 3:22     | MoG - 3 of 18 - IN Christ - Justification: (2) Imputed Righteousness = RIGHTEOUSNESS OF GOD | <p>God's righteousness is offered to everyone (all) and it will come upon "all them that believe".</p> <p>EVEN: Is a level or equality, or emphatically, a like manner or degree. When you say EVEN then God's talking about doing something for you that was totally unexpected. Supposed to shock you. God's perfect righteousness is what Jesus produced on the Cross and when you say YES to Him, that's what gets imputed to you.</p> <p>RIGHTEOUSNESS OF GOD: The faithful performance of Jesus and vice versa. What Jesus did on the Cross was of such a sufficient nature that it totally satisfied God's justice. His work on the Cross is what redeemed us.</p> <p>FAITH OF JESUS CHRIST: Most use IN and not OF. You get the righteousness of God by the faith OF Jesus Christ.</p> <ul style="list-style-type: none"> <li>- Faith IN Christ (belief): Our faith/trust directed towards Him. We trust Him, we put our trust IN Him and what He did (His faithful performance).</li> <li>- Ties to IN: belief, the assent of the mind to the truth of what is declared by another</li> <li>- Faith OF Christ (faithfulness fidelity): His faithful performance as our Substitute Redeemer. Is not Christ trusting someone else. Our minds default to one definition of faith. (7x in Bible). Most say this is a bad translation, but all Greek translations have OF. Understanding that FAITH OF (Jesus did it all - His faithful performance) vs. interpreting as FAITH IN (partners in it) is key here.</li> <li>- Ties to OF: faithfulness fidelity - a strict adherence to the fulfillment of promises- talking about His fidelity to something He promised His faithfulness to perform something He promised to do</li> </ul> |
| Romans 3:22     | MoG - 3 of 18 - IN Christ - Justification: (2) Imputed Righteousness = RIGHTEOUSNESS OF GOD | <p>FAITH OF: Faithful performance here. He kept faith/Him being faithful in providing the righteousness of God. We can be JUEL (in God's sight) by faith OF Christ (the faithful performance of Jesus Christ in His death, burial and resurrection to perform everything necessary to redeem and reconcile us to God) provision was made to save us (from the debt and penalty of our sins) and was offered to us by grace (as a free gift) who provided our redemption.</p> <p>Webster's 1928: Faith: faithfulness; fidelity, a strict adherence to duty and fulfillment of promises</p> <p>UNTO ALL: Offered to everybody - that righteousness comes upon all who believe.</p> <p>Saving faith is trusting that "the faith of Christ" (the faithful performance of Jesus Christ) had done everything necessary to save us. We respond positively to the gospel when:</p> <ul style="list-style-type: none"> <li>• We understand it and</li> <li>• Believe it is true</li> </ul> <p>We respond properly to the gospel when:</p> <ul style="list-style-type: none"> <li>• We have faith (we trust it and it alone to save us)</li> </ul> <p>This is why we say, "We trust Jesus as our all-sufficient Savior." Trust Jesus as our only (it's the only provision) and all-sufficient Savior.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 3:22     | MoG - 3 of 18 - IN Christ - Justification: (2) Imputed Righteousness = RIGHTEOUSNESS OF GOD | <p>2 classes - sort of shoots Calvinism in the leg - Calvinists say Jesus didn't call everybody to salvation and when He died on the Cross He only died for those who He knew would be saved</p> <p>1. UNTO ALL: Offered to everyone/For everyone; an ALL without distinction, no limit to this all.</p> <p>2. UPON ALL THEM THAT BELIEVE: If you believe He did it, it has come upon you. There is a limit here. An ALL with a qualification. That righteousness only comes upon those that believe. Not those that do good works/get baptized.</p> <p>THERE IS NO DIFFERENCE: Didn't matter to Paul. Everybody is under sin. There is no difference.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 3:23     | GH: GLORY Definition                                                                        | <p>Why Jesus needed to provide it for us. GH: You come short of God's standard of perfection. Because everybody sinned, Jesus faithfully performed everything that God required to satisfy His justice against our sin. God can't violate His own rules. He can't sweep sin under the rug.</p> <p>CRITICAL EXEGESIS:</p> <p>"For" =- the Conjunction of further explanation and answers the question of "why?"</p> <p>"All" = all of humanity</p> <p>"Sinned" = to miss the mark</p> <p>"Come short" = to need, lack, be in want; to fail to measure up to the norms (of behavior) and standards (of conduct)</p> <p>"Glory" = God's unchanging essence and attributes which, in turn, indicate that God has a character that is absolutely perfect in norms and standards</p> <p>FOR: Tells you that it is a purpose statement. "I did it for this reason".</p> <p>ALL HAVE SINNED: Everyone has sinned, that none of us are perfect.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| Romans 3:24     | JUSTIFICATION #1 - JUEL = Justification Unto Eternal Life / Grace Definition or Perspective = FREELY BY HIS GRACE (GH: Grace is a free gift) / The fulness of our redeemed status / MAN-ward side of our justification | <p>Redemption deals with the MAN-WARD side of our justification - of the cross work of our Substitute-Redeemer in paying our debts in full.</p> <p>We get our justification freely by His grace. What we got when we received Jesus as our Savior.</p> <p>He didn't just buy us off the slave market of sin, He freed us from Satan's possession.</p> <p>JUSTIFICATION #1. JUEL = Justification Unto Eternal Life (Paul's focus in Romans) = forgiveness of sins + imputation of God's righteousness (to the forgiven sinner)</p> <p>JUSTIFIED FREELY BY HIS GRACE: If any of your works enter in it is no longer grace. Now it's works. Can't have it both ways.</p> <p>BEING JUSTIFIED: Refers to the act of God whereby one is DECLARED legally just, right, and as he ought to be in order to attain the divine norms and standards of Righteousness.</p> <p>FREELY: A gift from God, without cost or payment</p> <p>BY: preposition of means - hence this is the MEANS by which God not only can offer pardon and justification to man, but at the same time do it in such a manner that in doing so, it does not compromise any of His unified attributes by involving the lowering of His absolute norms and standards which would involve Him in unrighteousness.</p> |
| Romans 3:24     | JUSTIFICATION #1 - JUEL = Justification Unto Eternal Life / Grace Definition or Perspective = FREELY BY HIS GRACE (GH: Grace is a free gift) / The fulness of our redeemed status / MAN-ward side of our justification | <p>GRACE: God does all the work. Grace is the function of the unified attributes of God to the benefit of mankind, while at the same time never violating the integrity of God Himself.</p> <p>THROUGH: By means of.</p> <p>REDEMPTION THAT IS IN CHRIST JESUS: Christ died for the ungodly - matches to Romans 5:6. In Christ Jesus is a position of standing IN Christ. Doesn't give you the definition, just the position.</p> <p>REDEMPTION: Ties to Romans 6:3 - BAPTIZED INTO JESUS CHRIST - when you took part in redemption, you were baptized into Jesus Christ. REDEMPTION has the idea of an exchange in identities - Jesus takes on the sinner's identity/sin debt of the world the last 3 hours on the Cross until the debt it paid - HE HATH MADE HIM TO BE SIN FOR US-2 Corinthians 5:21 - and we take on His identity as being righteous. He has to take your identity and your sin debt and pay for it. Something that the law could never do. Freedom or deliverance as the result of a PAYMENT.</p>                                                                                                                                                                                                                                                        |

You are identified with the Redeemer in everything He does on your behalf. If He is more than able to pay your debt because you are identified with Him, it's your debt that gets paid. He has to take your identity and your debt and pay for it. When that's done, even though He's the One that made the final payment, you get the benefit, because there was nothing you could do, because you were YET WITHOUT STRENGTH-Romans 5:6. Redemption has in it the idea of an exchange of identities. He takes on the sinner's identity until the debt is paid. MM has heard preachers teach that you become gods. That's not it. But when God looks at you for the process of redemption, He sees a son because that is the identity. You're identified with Him. Now, sanctification is about living every day like He has made you to be. That alone should generate an excitement in your spirit to really want to live that way. He took on the sins of the world at the Cross. Jesus is on the Cross for 6 hours. It is in the last 3 hours when He takes on the sins of the world. He took your identity and your sin debt on Himself and was made to be sin. At the same time He took that on, there was then a provision made that everybody being redeemed was going to take on His identity. |

| Romans 3:25      | GOD-ward side of our justification / JUEL BEFORE the Cross                                 | <p>REMISSION: The penalty is set off until a future time. Postpone the consequences of sin based on your belief and when the sacrifice comes, then I will apply it to your sins and everything is going to be taken care of. A passing over; a suspension of judgment or a withholding of punishment. The context makes it clear that this "remission" is viewing the cross-work of Christ from Israel's "Time Past" program. Hence, the unique use of this word in connection with the "passing over" of the sins that are "past" until the time of the cross. Remission does not mean "forgiveness." Remission is granted by the Judge or Magistrate, in regard to the punishment of a crime. It is CRITICAL to understand and appreciate the flawless accuracy of translating "remission": Remission is that action of the Judge or Court which ARRESTS THE EXECUTION OF JUSTICE!</p> <p>THAT ARE PAST: With reference to sins committed before the death of Christ. Note: THIS IS NOT OUR SINS, BUT THE SINS OF THOSE BELIEVERS BEFORE THE HISTORICAL REALITY OF THE CROSS-WORK OF THE LORD JESUS CHRIST.</p> <p>FOREBEARANCE: To put up with, endure, long suffering. A holding back, patience, toleration, to bear with, to restrain oneself; the holding in abeyance of the execution of judgment in the interest of fairness.</p>                                                                                                                                                                                                                                                                                                                                                                                                                       |

| Romans 3:26      | MoG - 1 of 18 - IN Christ : Justification = JUST, AND THE JUSTIFIER / JUEL AFTER the Cross | <p>JUEL AFTER the Cross</p> <p><i>Romans Mercies 01:</i> JUSTIFICATION/Justification - JUST AND THE JUSTIFIER</p> <p>Second declaration - People after the Cross who believe are forgiven. They get a full pardon. We get a NAME put to that blood: "Jesus"!</p> <p>THIS TIME: Not past - as soon as you believe in Jesus, you get His righteousness. You are not waiting.</p> <p>MIGHT BE JUST, AND THE JUSTIFIER: God had to go through a process. Couldn't just do it. He was JUST in doing this - did not violate His own righteousness in doing this. He did it the right way. No boasting - you didn't get to help. Law of faith is NOT the law of Moses. God has chosen to administer justification, sanctification, forgiveness of sins, etc. through the law of faith.</p> <p>JUST AND THE JUSTIFIER: God</p> <p>JUST: Absolutely righteous and just in that absolutely NO attribute or combination of divine attributes are in any way compromised in God's norms and standards in making provision for and/or justifying mankind unto eternal life.</p> <p>JUSTIFIER: The moniker or appellation of God, who because of being "just" and righteous to begin with, functions as righteous and just Provider of justification unto eternal life for all mankind. God's Justice demands that sin be punished. In the DOGG, God is not imputing sins to men during their lifetime because we are under grace.</p>                                                                                                                                                                                                                                                                                                                                        |
| Romans 3:26      | MoG - 1 of 18 - IN Christ : Justification = JUST, AND THE JUSTIFIER / JUEL AFTER the Cross | <p>BELIEVETH IN JESUS: Scripture that gives us 'believe in Jesus'. Not talking about there really was a man called Jesus. Even the devil believes that. Not talking about believing there really was a Cross. Talking about TRUSTING what Jesus did on that Cross is sufficient to satisfy God's justice against you. Trusting what He did as sufficient to save you and not your own works of any kind. What type of belief is Paul talking about? Existed? Lived a historical life on this earth and real person? Some people are counting on that.</p> <p>BELIEVETH: Non-meritorious positive volition</p> <p>Telling us 3 things:</p> <ol style="list-style-type: none"> <li>1. He says that he's declaring now God's righteousness, he's talking about that righteousness that's going to be imputed to us</li> <li>2. God might be Just in that He is doing this the right way, He is just in what He is doing</li> <li>3. The Justifier of him that believeth in Jesus - the means by which God justifies us is by grace through faith</li> </ol> <p>Jesus as our Substitute Redeemer when He was on the Cross functioned in such a way that He provided complete and absolutely perfect redemption to such an extent that by believing in Him we are pardoned from every sin. Took our place and provided the perfect redemption required by God. Faith in the things listed is believing in Jesus. When we exercise faith, God's justice responds to that faith and now everything that Jesus provided for us is now given to us and imputed to us. You think God knows once we are justified unto eternal life, we are probably going to blow it somewhere along the line? There is built into justification the provision of knowing how we are.</p> |

| Romans 3:27-4:25 | 5 Legal Proofs that JUEL is BGTF without work of any king at any time                | <p><b>5 Legal Proofs/Super Proofs/Evidences that JUEL is BGTF without works of any kind at any time</b></p> <p>Paul not talking about doctrine, talking about presentation of evidence to prove a point. Sort of like a court room. Paul uses legal terminology to make his point. Like a lawyer in a court room, he is about to submit the evidence to show that this is exactly how this goes. Lays out 5 legal proofs or categories of evidence to show us what he is wanting to prove. Paul's 5 PIECES OF EVIDENCE THAT PROVIDE FOR HIS LEGAL "PROOF" THAT JUSTIFICATION UNTO ETERNAL LIFE REALLY IS BY GRACE THROUGH FAITH ALONE IN CHRIST ALONE - anyone of the 5 can stand on their own to prove Paul's point - Paul hammering home a point in different ways.</p> <p>Paul is setting forth 5 different evidences (strongest first) or legal proofs as though he is making a presentation in a court of law and those evidences are proof that justification unto eternal life is really by grace through faith for all/everyone. Justification has been at this present time and always will be through faith alone in Christ alone without works of any kind at any time. Are presented to give the understanding and appreciation in the form of a legal proof, that from the point of view of God our Heavenly Father, justification for any one is accomplished at any time by His grace and bestowed upon the recipient by faith alone without works.</p> |
| Romans 3:27-4:25 | 5 Legal Proofs that JUEL is BGTF without work of any king at any time                | <p>Two particular things about all 5 of these pieces of evidence:</p> <ol style="list-style-type: none"> <li>1. Paul is giving this to use in sort of a legal form, using precise terminology and presenting it just as you would in a court of law with your strongest evidence first. Then moving to direct evidence and then corresponding evidence and then corroborated evidence, etc.</li> <li>2. Every one of these evidence arguments can stand on their own in a court. Anyone by themselves is enough to prove that JUEL is BGTF without works. Your Heavenly Father doesn't want there to be any doubt in your mind that you are JUEL and that is a permanent condition.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

God's justice operates not on the law of works, but only on the law of faith; therefore, works are "excluded".</p> <p>1) Works of any kind are never allowed to be admitted as evidence (1. That doesn't bring glory to God</li> <li>2. Works are offensive to God's justice</li> <li>3. Works condemn us</li> </ol> <p>Not by works. Boasting (evidence) is excluded. Court doesn't recognize. LAW: No works/deeds allowed (negative). Nothing on the works or deeds side of the equation that is allowed in this courtroom as evidence of your justification. Works are OFFENSIVE to God's justice. | Romans 3:27      |                                                                                      | <p>By what law does v27 take place?</p> <p>BOASTING...IS EXCLUDED...LAW OF FAITH 'Two laws in God's Court of Justice'</p> <p>BOASTING: "look what I did!" Evidence of works is excluded - LAW 1: No works allowed</p> <p>BY WHAT LAW: Talking about a legal precedent here. Mentions LAW twice. Not talking about the Mosaic law. Talking about that law by which something operates, like the law of gravity.</p> <p>NAY: Strongest NO possible. It's an emphatic NO. By no means whatsoever. You are 'not ever' going to be justified by your works.</p> <p>BY THE LAW OF FAITH: The only thing you can do is exercise non-meritorious faith. God responds to that faith instantly with a full pardon of sin, imputed righteousness, justified before God, an eternal standing in Jesus Christ - is instantly given to us. That's the law that God's court operates on. If we try and add anything to that, we have violated that law.</p> <p>LAW OF FAITH: NOT the law of Moses. God has chosen to administer justification, sanctification, forgiveness of sins, etc. through the law of faith. Only thing you can exercise is non-meritorious faith. LAW 2: God's courtroom operates on the LAW OF FAITH. Second law of God's courtroom of justice. Tells you what law God's courtroom does operate on - the law of faith (positive).</p> <p>Bottom line: You can't combine faith and works together. You have one OR the other.</p>                              |

| Romans 3:28     |                                                                                             | It's a good thing to not be under the law but under grace.<br>WE CONCLUDE THAT A MAN IS JUSTIFIED BY FAITH WITHOUT THE DEEDS OF THE LAW: Paul thinks that from the beginning of what God was doing with Israel, (Abraham), God had justified them unto eternal life by faith without works.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 3:29-30  |                                                                                             | - Section 2 - HAS ALWAYS BEEN THAT WAY-NOT SOMETHING NEW<br>- Section 2 states that the legal operating force of the court (that of justifying by grace through faith alone in Christ alone) is not something new, nor a late development in the court's legal operating force, but one that HAS ALWAYS AND CONSISTENTLY BEEN IN EFFECT FOR ALL TIME - past, present, and future. Paul presents evidence that this is the way it has always been and this shouldn't be a shock to you. If you go back to the O.T. and you begin following through you'll see this is the way this has always worked.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 3:29     |                                                                                             | POINT: No matter which program you are in, there is only 1 way to be justified unto eternal life - FAITH. Today, whole churches are teaching there's something you need to do. Paul is driving the point home that it has never been that way, it is not that way, and it will never be that way. It has been, is now, and always will be by grace through faith alone.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 3:30     | CIRCUMCISION *BY* FAITH vs. UNCIRCUMCISION *THROUGH* FAITH                                  | Makes it clear God justifies both "the circumcision" (Jew) and "the uncircumcision" (Gentile) on the exact same basis: FAITH.<br>SEEING IT IS ONE GOD, WHICH SHALL JUSTIFY THE CIRCUMCISION BY FAITH, AND UNCIRCUMCISION THROUGH FAITH: He is saying the same way they got saved back there is the same way you are going to get saved out here in the DOGG.<br>* CIRCUMCISM *BY* FAITH vs. UNCIRCUMCISM *THROUGH* FAITH<br>CIRCUMCISION *BY* FAITH vs. UNCIRCUMCISION *THROUGH* FAITH: The BY denotes a choice. They could justify themselves by faith or through the law. Gentiles were not given the law of Moses, there's not a choice for us. One choice - through faith. Talking to two different people groups - lost Jews and saved members of the body of Christ. You are not under the law because you are in Christ. But if you are not in Christ, then you are still under the law.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 3:31     |                                                                                             | At first glance, the verse may look out of place to you. The law still shows people they are guilty. How does being saved by faith even more prove the law? Because faith is the only thing you can do that's not a work/good deed proves the fact you can't be justified by keeping the law. Paul defends the conclusion - we are not making void the law, but what we're doing is we're seeing man is justified by faith without the deeds of the law.<br>- Section 3 - FAITH DOESN'T VIOLATE ANYTHING ELSE GOD IS DOING<br>- Section 3 sets for the fact that in God's court of justification, God's OTHER LAWS are NEITHER VOIDED NOR are they TAMPERED WITH in any way. He is not violating anything else He has done. You can't pass a law in this country if it runs completely opposite to already established law. You can't have competing laws on the books. God has set forth a law that shows complete righteousness. Is God ever going to abandon complete righteousness? No. What He is going to say is that I can give you everything you need by My grace responding to your faith alone. Legal because it does not violate anything else God has put into place. Paul is laying out a legal argument here.                                                                                                                                                                               |
| Romans 4:1-8    | Exhibit B/2 of 5 Legal Proofs that JUEL BGTF : Historical precedent and conclusive evidence | <b>Exhibit B - Legal Proof 2 :</b> (By citing) Historical precedent (There has already been a ruling about this established and it's entered into the court record) and conclusive evidence (Proof justification is by faith without works - that justification is by grace through faith alone in Christ alone). This is the way it has always been in effect - not a deviation from what God has been doing, it's a continuation of what God has been doing. JUEL has been, is and always will be by grace thru faith, proven thru the historical precedents of:<br>1) Abraham, BEFORE the law, is the proof men have only and always been justified unto eternal life by grace through faith - without works of any KIND.<br>2) David, UNDER/DURING the law, is the proof once a man is justified unto eternal life, that status is permanent, as God refuses to impute sin back to the justified sinner - without works at any TIME.<br>3) GH: body of Christ AFTER the law                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 4:1-8    | Exhibit B/2 of 5 Legal Proofs that JUEL BGTF : Historical precedent and conclusive evidence | 2 scriptural proofs that justification allows no works to be saved or to stay saved under the law or not under the law. Cites 2 examples: Abraham and David.<br>* Proof that justification is by grace through faith without works<br>~ JUEL has been, is and always will be only by grace through faith without works – Abraham is permanently JUEL by faith alone before the Law and - David's JUEL is unaffected by sin because God refuses to impute sin back to a justified man (a man whose sins are forgiven and to whom God's perfect righteousness has been imputed on the basis of faith). Shows that we are justified UNTO eternal life BY grace THROUGH faith WITHOUT works of ANY kind (Abraham) at ANY time (David). If David was ever going to be justified by works, then when he sinned with Bathsheba he would have lost his justification. David says blessed is the man who the Lord will not impute sin.<br>Paul takes two examples from Israel's program and he uses those to illustrate our salvation that it is by grace without works - he uses Abraham, who is the father of the nation, and David, who is smack dab in the middle of Israel's program. Will tell you that both Abraham and David are going to be JUEL by faith without works. And then he is going to turn around and say the same way they are justified we are in this DOGG as members of the body of Christ. |

| Romans 4:1      |                                                                                                                                          | <p>Paul starts out by asking a question. The answer to what Abraham pertaining to the flesh found - his flesh had no capacity whatsoever to get himself justified in the eyes of God. The flesh cannot produce anything that God's justice can accept. Abraham is the proof of that. He was justified unto eternal life before the law was given.</p> <p>THEN: Referring you back to the end of Chapter 3. Therefore, in God's court of justice where eternal life is concerned, the "HOW" of justification unto eternal life has always been, is, and always will be THE SAME: FAITH, ALONE WITHOUT WORKS, and the historical case of Abraham will prove that issue.</p> <p>WHAT SHALL WE SAY: MM thinks "speak" has to do more with official teaching, while "say" just has to do with everything else.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 4:2      |                                                                                                                                          | <p>If Abraham were justified by works, he "hath whereof to glory, but not before God." Paul knows that there is more than one kind of justification and he is dealing with the kind before God. Every Israelite under the law has 2 justifications if they are saved. Abraham had 2 justifications. Getting saved doesn't guarantee doing what you are supposed to do. Possible to be justified before God but not justified before the eyes of the world. Possible for Christians as well. Can appear to do all types of good works without saving faith.</p> <p>1. Justification unto eternal life - before God - deals with his salvation - justification by faith (forgiveness of sins and imputed righteousness- salvation unto eternal life) - When he believed God that he would have an heir at old age and it was counted him for righteousness - Genesis 15:6. When he believed God that he would have an heir even when Sarah and him are too old to have children. He is 75 years old when he comes out of Ur of the Chaldees.</p> <p>2. Justification by works - not before God, but in the eyes of men - Abraham who is called friend of God, is also justified in the eyes of men as he conducts his life according to what God tells him - works don't save Abraham) - Genesis 22 - His works (GH: Isaac on the altar) testified to his faith to show men that he was a friend of God and he was willing to do whatever the Lord asked him to do.</p> |
| Romans 4:2      |                                                                                                                                          | <p>First one took place 30 years before the second one. Abraham got justified unto eternal life before he was circumcised (when things changed - was a JUEL Gentile before then). He is 86 when he has Ishmael. He is 100 when Isaac is born. After Isaac was big enough to know what was going on - a scholar debate - 12-30. Probably 20. He knew enough to know, I see the wood and I see the fire, where is the sacrifice? His works testified to his faith to show men that he was a friend of God and he was willing to do whatever the Lord asked him to do.</p> <p>First one took place 30 years before the second one. Don't assign 1 definition to a word. Justification of God doesn't have anything to do with His sins. He'll be proven to be right so He'll be justified when He says this or that. Abraham is never going to be justified in the eyes of God by his works. People will look at James 2:21 and run it back to Genesis 15 and say, 'see, it is not always by faith'. Look to be competing verses.</p> <p>HE HATH WHEREOF TO GLORY: He had something to be proud about.</p> <p>BUT NOT BEFORE GOD: Abraham's justification by works was in the sight of men. That men 'may see your good works and glorify your Father which is in heaven'-Matthew 5:16.</p>                                                                                                                                                                              |
| Romans 4:3      | <p>MoG - 2 of 18 - IN Christ :<br/> Justification 2 of 3 :<br/> Imputed Righteousness =<br/> COUNTED UNTO HIM FOR<br/> RIGHTEOUSNESS</p> | <p>Paul doesn't explain the backstory, he expects you to know it. GH: Why you need to follow a Biblical Theology.</p> <p>FOR WHAT SAITH THE SCRIPTURE?: Paul is pointing them back to the scriptures.</p> <p>ABRAHAM BELIEVED GOD, AND IT WAS COUNTED UNTO HIM FOR RIGHTEOUSNESS: MM says is Justification #1: JUEL. We would call it getting saved. When a person's soul is saved from the debt &amp; penalty of sin, that's the first justification. Justification here means 'to be made righteous'. So ABRAHAM BELIEVED GOD, AND IT WAS COUNTED UNTO HIM FOR RIGHTEOUSNESS. When Abraham believed God, he was JUEL. Belief is NOT a work. Belief is trusting something else, it is not you doing something. Paul quotes 'he believed in the Lord; and he counted it to him for righteousness'-Genesis 15:6. This is his justification unto eternal life in the eyes of God. Abraham was COUNTED for righteous, it is imputed for you. Paul talking about JUEL and Genesis 15:6. Paul quotes Genesis 15:6 as the time when Abraham was JUEL.</p> <p>COUNTED: Up to this point - what happens after that?</p>                                                                                                                                                                                                                                                                                                                                                       |
| Romans 4:4      | <p>Grace facet/definition: As<br/> a free gift</p>                                                                                       | <p>Grace facet/definition: As a free gift (companion verse - Romans 11:6)</p> <p>If it is works it is no more grace. If it is grace it is no more works. Talking about working for your justification, which you can't do. You can't produce your own sanctification either. Legalism would say we can do something that will produce that sanctification. It's not us, it's Him. It's not me emulating Him, it's actually is His life in us. That is a reward reckoned of grace. Legalism would be a reward reckoned of debt. Paul is talking about when you work you are now owed a compensation for that work. If justified by works, then God owes him something. That would be a reward not reckoned of grace. If you are owed it, you're not being given it as a free gift. If justified by works, then grace isn't even in the picture.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 4:5      | <p>MoG - 2 of 18 - IN Christ :<br/> Justification 2 of 3 :<br/> Imputed Righteousness =<br/> FAITH IS COUNTED FOR<br/> RIGHTEOUSNESS</p> | <p>IN CHRIST IDENTITY - JUSTIFICATION STATUS 2 of 3: (Imputed) Righteousness - FAITH IS COUNTED FOR RIGHTEOUSNESS</p> <p>JUSTIFICATION #1. JUEL = Justification Unto Eternal Life (Paul's focus in Romans) = forgiveness of sins + imputation of God's righteousness (to the forgiven sinner)</p> <p>MM loves Paul's characterization - if I guy is going to work, look at how he has already been characterized - ungodly. Tells you right there he doesn't have any works that justify him unto eternal life. An ungodly man cannot somehow justify himself in the eyes of God - won't work.</p> <p>TO HIM THAT WORKETH NOT, BUT BELIEVETH ON HIM THAT JUSTIFIETH THE UNGODLY, HIS FAITH IS COUNTED FOR RIGHTEOUSNESS: What the first justification is about. Paul is saying man is justified by faith and not works. It doesn't contradict JUSTIFIED BY WORKS-James 2:21. Talking about 2 different things. Two different instructions in two different programs but both are JUEL the same way.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

God took the righteousness of His Son and when you had faith, He imputed that righteousness to you and you now have the righteousness of Jesus Christ. That's how you got made righteous. That is your justification. Having established that God imputes righteousness without works in both instances (Abraham & David), but by faith alone, simply believing. That's all that they are doing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Romans 4:9      |              | <p>COMETH THIS BLESSEDNESS THEN UPON THE CIRCUMCISION ONLY, OR UPON THE UNCIRCUMCISION ALSO?: Paul is asking does this work for us Gentiles too? Having established that God imputes righteousness without works in both instances of Abraham and David, Paul then asks the question, does this “blessedness” come upon the circumcision only? Who is “the circumcision?” That is Israel. So, Paul is asking, is Israel the only ones that are justified (made righteous) by faith without works? ANSWER: We also are justified (made righteous) by faith without works. So, our apostle believes that faith alone is reckoned for righteousness in God’s program with Israel. Paul goes on to say that Abraham is the “faith father” not only for those in Israel’s program, but also for us in this DoGG. Paul set this up at the end of Romans IS HE THE GOD OF THE JEWS ONLY? US HE NOT ALSO OF THE GENTILES?-3:29.</p> <p>BLESSEDNESS: Justified unto eternal life</p> <p>CIRCUMCISION: Jews vs. UNCircumcision: Gentiles</p> <p>RIGHTEOUSNESS: God's perfect imputed righteousness</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 4:11-12  |              | <p>2nd section of Exhibit C – The correct doctrinal understanding of the sign of circumcision.</p> <p>When God gave circumcision, He gave that with a very specific reason in mind when He gave it to Abraham in Genesis 17. Later, God is going to expand the meaning of circumcision. In the beginning, when He gave Abraham circumcision, He said it was a SEAL OF THE RIGHTEOUSNESS BY FAITH-Romans 4:11. Seal was a mark of permanent ownership. 14 years later. So that you will remember the righteousness that's been imputed to you by faith. Called it a sign. Later God calls/commands the nation to circumcise every baby that's 8 days old.</p> <p>circumcision - two things or meanings at different time:</p> <ol style="list-style-type: none"> <li>1. A seal of the righteousness by faith (what Romans 4 is talking about) - Originally, circumcision was a sign to say your righteousness is by faith</li> <li>2. Remind them of the covenant that God has made with them - to make them a great nation and to put them in the land and to make them head of all nations - a separate and distinct people - Distinguished them from the nations of the world - made them a peculiar (different/unique) people. <ul style="list-style-type: none"> <li>- When you are under the Israel program, it's not about being chummy with the world, it's about coming out and being separate from the world.</li> <li>- When you are the church/Body of Christ, it's not about hermiting ourself/being reclusive and not associating with the world, it's actually showing something forth.</li> </ul> </li> </ol> |
| Romans 4:11-12  |              | <p>Later after the nation has decided to establish their own righteousness by entering into the law, not establishing righteousness by faith, they're going to try and establish it by works. If you don't understand the context, you can just put verses together and prove about anything you want to prove.</p> <p>Paul establishes a legal timeline of the events as they actually transpired:</p> <ol style="list-style-type: none"> <li>1) God justifies Abraham on the basis of his faith alone in the gospel message presented to him - hence, Abraham is justified by grace through faith alone.</li> <li>2) Then on the basis of Abraham being previously justified, God can now utilize him for His designed plan and purpose, and He begins with having Abraham circumcised to create a “seal” of the fact of his righteous standing in God’s sight as one now qualified to be utilized by Him. | Romans 4:13-16a | Exhibit D/4 of 5 Legal Proofs that JUEL BGTF : Corroborative Evidence   | <p><b>Exhibit D - Legal Proof 4 :</b> Corroborative evidence - Proof from fatherhood of Abraham - accomplished 430 years before the law. Proves/demonstrates JUEL is totally exclusive/apart from the Law (and 613 commandments). It was accomplished 430 years before the Law of Moses was ever given the 'faith-father' example of Abraham (father of them that all that believe - not becoming spiritual Jews). JUEL is totally exclusive from the Law.</p> <p>* Proof from the fatherhood of Abraham</p> <p>~ Paul will prove that JUEL is totally exclusive from the Law: Romans 4:13-16a - Paul demonstrates JUEL is totally exclusive from the Law (and commandments) in that it was accomplished 430 years before the Law of Moses was ever given.</p> <p>Because what Abraham had is what we have:</p> <ul style="list-style-type: none"> <li>- there's no big program difference in the dispensation of grace (remember the number 1 rule of hermenutics - what has Paul been talking about for 4 chapters? - hasn't been talking about the kingdom but how to be JUEL)</li> <li>- We have the exact same inheritance that Abraham and his physical seed have as well (does not mean we will get the land - when you believe that, you have now suddenly robbed the mystery component of this DOGG and you have left God with no way to reconcile the heavenly places)</li> </ul> <p>The law can't do it for you, only faith.</p> <p>Only thing the law did was show you how sinful you were.</p>                                                          |

| Romans 4:16b-25 | Exhibit E/5 of 5 Legal Proofs that JUEL BGTF : Final/Summation Evidence | <p><b>Exhibit E - Legal Proof 5 :</b> Final summation evidence - Tells you the trustworthiness of God. Proof from Abraham's faith as the "faith-father" example; application of those proofs to us.</p> <p>God's definition of "saving faith" is believing/God points to two specific things about His Jehovah-ness::</p> <ul style="list-style-type: none"> <li>- His Power: He has the POWER to do what He says He will do</li> <li>* The First Component of our Faith God Perceives: believe Him because they realize HE'S GOT THE POWER TO DO WHAT HE SAYS HE WILL DO!</li> <li>- The certainty of His counsel: There is CERTAINTY to what God promises (we can count on it)</li> <li>* The Second Component of our Faith God Perceives: This is something that would naturally go along with someone who's got the power to do what he says. And it's more than just having the "will" to do it. This is something ONLY GOD could possess.</li> </ul> <p>~ Paul's final piece of evidence sets forth to prove the certainty of justification by grace through faith based on the power of God and the certainty of His counsel.</p>                                                                                                                                                                                                                                                                                                                                                                                                                             |

Means more than being made alive - rouse to fullness of function. Talking about doing something in the mortal body and quicken tells you what it is.</li> <li>- Paul is referring to Abram's inability to have children. In the sense of bearing offspring, both Abraham and Sarah were "dead" to that function. | Romans 4:19     |                                                                                                             | Abraham believes God. There is something about faith and receiving the message that God looks at and counts so worthy that is it's worth giving you My perfect righteousness in exchange for. Bible calls this 'saving faith'. It is so worthy that He says I can trade you My perfect righteousness. Have to believe God on your justification mercies like Abraham believed - not weak in faith. He believed the Promise even after Sarah and he were too old to have kids.<br>BEING NOT WEAK IN FAITH: Weak is one of 4 adjectives the Bible uses to describe faith.<br>HIS OWN BODY NOW DEAD: Abraham's body was "dead" in the sense of it not having its full function to produce children, as it did when he was younger. This means that Isaac is a miracle. Abraham is 99 and Sarah is 89 years old. God "quickened"/physical way them so they might have the promised seed of Isaac.<br>DEAD: from a fertility perspective.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Romans 4:22     | MoG - 3 of 18 - IN Christ : Justification 2 of 3 : Imputed Righteousness = IMPUTED TO HIM FOR RIGHTEOUSNESS | IMPUTED: First time Paul uses it. Not just counted for (someone else has a bank account & they covered your check), got given to me (we put the money in your account). Paul is revealing this - more than counted in v3. Actually given to you, that's put on your account. A condition you are placed in that never changes. God is putting His righteousness on your account and you are looked at what anyone sees is perfection. vs. COUNTED: Up to this point - what happens after that?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Romans 4:25     | GH: Resurrection verse                                                                                      | The reason you can be justified is that He was raised from the dead. Paul indicates that the forgiveness provided by Jesus' shed blood on the Cross is not effectual to the forgiving of sins on its own; requires justification (which comes by the resurrection.) The resurrection was necessary for our justification. Forgiveness is only applied when a person is justified, which requires the resurrection. Even if Christ shed his blood, if Christ is not raised, we are still in our sins! Evidently, Paul does not think the act of sacrifice alone is enough to provide forgiveness of sins; it requires the resurrection. Forgiveness requires the resurrection because Christ was raised for our justification. In other words, forgiveness of sins requires justification.<br>RAISED AGAIN FOR OUR JUSTIFICATION: A crisper description of Paul's preaching in Acts 13:28-39. When you see that Resurrection, you know that everything that needed to be done to pay for those sins has absolutely been accomplished. His Resurrection is the receipt that your sin debt was paid in full.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Getting this right is the foundation for everything else God wants to build in your life. If you are unsure about this part, you cannot go any further. Nail down that everything about your justified life is permanent and irrevocable and not even God Himself will change it or back out once He has justified you. He is stuck with you no matter how bad you stink up the place. The super proofs of the permanency of justification. God tells you things about your justification that you wouldn't have known otherwise.<br>Comprise your eternally secure justification unto eternal life:<br>1) Your STANDING in salvation by grace through faith alone IN Christ alone (Attack to make you doubt JUEL) (GH: v1-2)<br>2) Your HOPE in connection with being delivered from/escaping the Lord's day of wrath (Tribulation) (Attack to doubt justification is BGTF) (GH: v3-10)<br>* Exchange 1. He took your sin and gave you righteousness - replaced the day of wrath (Romans 2:5) with the exact opposite - the day of glory<br>3) Your HOPE in connection with being delivered from/escaping the day of the righteous judgment of God (lake of fire) (Attack to doubt that works are NOT part of your justification) (GH: v11-21)<br>* Exchange 2. He took your standing and an enemy and reconciled you and gave you peace - replaced the revelation of the righteous judgment of God/lake of fire (Romans 2:5) with the exact opposite - the day of righteous glory<br>He didn't just do away with a bunch of bad stuff and then give you a few new things, He completely exchanged everything. |

| Romans 5:1      | MoG - 4 of 18 - IN Christ :Justification 3 of 3 : Atonement = PEACE WITH GOD | <ul style="list-style-type: none"> <li>Component 1: At Peace with God's Justice - no more wrath directed against us</li> </ul> <b>Romans Mercies 04A</b> : JUSTIFICATION/Atonement (Peace with God) - What is accomplished by your godly response.<br>IN CHRIST IDENTITY - JUSTIFICATION STATUS 3 of 3: Atonement (Peace with God)<br>The v1 conclusion (peace with God through our Lord Jesus Christ) qualifies (doesn't mean you automatically have it) us now to get what is in v2. To get it, you first have to be qualified.<br>THEREFORE: Word of logic - we are about to draw a conclusion based on the things that came before it. GH: Romans 1:16 - 4:25.<br>BEING JUSTIFIED BY FAITH: Still talking about our justification.<br>PEACE WITH GOD: Because you have trusted Christ as your Savior and you are no longer at odds with Him. God will never ever be against us again. These words, grace and peace must go together for there is no peace without grace. But by grace, a man can have peace with God, with himself and with his fellow man. Not only has God given you peace, He has provided for the preservation of peace.<br>PEACE: Now at PEACE implies conflict/opposition previously. Every single thing that was wrong with us and about us got changed when you got JUEL. God no longer sees the old standing. He sees everything He changed it to. What He was displeased with He is now well-pleased with.<br>THRU OUR LORD JESUS CHRIST: Jesus Christ is the agency by which we now have this peace. He's the reason for that. Got it BGTF. |

| Romans 5:2      | MoG - 5 of 18 - Unlimited and unrestricted access to God = ACCESS BY FAITH INTO THIS GRACE / Christ IN You = GLORY OF GOD | <p>BY WHOM: Jesus Christ.</p> <p>ALSO WE HAVE: we get two additional things in justification:</p> <p>(1) ACCESS BY FAITH INTO THIS GRACE WHERE WE STAND: fix to Romans 1 and being under the wrath of God</p> <p>- ACCESS: This is the issue of prayer. In order to get a hearing from God, you've got to have access. God says 'My door is always open'. Access means you can, doesn't mean you automatically go there. You have access to God at any time. That ought to be something to rejoice about.</p> <p>- GRACE: grace is now a standing or position or where we stand. God looks on a new standing to your justification.</p> <p>(2) REJOICE IN THE HOPE OF THE GLORY OF GOD: - fix to Romans 2 and God pouring out His wrath against ungodliness</p> <p>- REJOICE IN THE HOPE OF THE GLORY OF GOD: GH: Ties to the glory in the HEIR OF GOD inheritance in Romans 8:17. OR JHI?</p> <p>- REJOICE IN HOPE: Ties to REJOICING IN HOPE-Romans 12:12a.</p> <p>- REJOICE: Now qualified to be able to rejoice - doesn't mean that you will - have to know about it before you can. When you share with others, it will cause you to rejoice over again.</p> <p>Should be expecting trouble from the adversary - says in v3.</p> <p>- HOPE OF THE GLORY OF GOD: Means you are not automatically CHRIST IN YOU. If it is a HOPE, you don't have it yet. And if you don't have it yet, you didn't get it by being IN CHRIST.</p> <p>- HOPE OF THE GLORY: GH: Ties to HOPE OF GLORY-Colossians 1:27.</p> <p>- HOPE: Confident expectation, not HOPE as 'Well, sure hope it happens. Maybe it will and maybe it won't'. It's the confident expectation of CHRIST IN YOU.</p> |
| Romans 5:2      | MoG - 5 of 18 - Unlimited and unrestricted access to God = ACCESS BY FAITH INTO THIS GRACE / Christ IN You = GLORY OF GOD | <p>- THE GLORY OF GOD: Refers to the full honor and the full magnificence of everything that is going to constitute our completed redemption. This is everything that Christ provided on the Cross. Short description - we rejoice in hope of eternal life. There's your justification. All of God's Character and attributes were in His Son and it wasn't just in His Son but it was in what He was doing at the Cross, where He was redeeming us but you find out He did way more than that. We rejoice in that first hope that we don't worry about where our eternity is.</p> <p>There are three issues in our completed redemption:</p> <p>1) Putting us IN Christ as our permanent standing before God. This is a finished accomplished fact which cannot be altered, diminished or improved upon.</p> <p>2) The forming of Christ IN our inner man. This is our ongoing edification which pertains to bringing our function up to the measure of our standing. And this is a "hope."</p> <p>3) The sure and future redemption of our body; the completion of our adoption.</p> <p>- GLORY: Glory is our exaltation - it is an exalted position that we will occupy out there in the creature. Just like there will be degrees of punishment in hell, there will be degrees of exaltation in the creature. Noun; verb in v3; Christ IN you. First introduction to an aspect of GLORY that shows up in Romans 8:18. Glory is our exaltation - it is an exalted position that we will occupy out there in the creature. Already transitioning to your sanctification.</p>                                                                                                |

| Romans 5:2b     | Christ IN You = GLORY OF GOD | Both aspects of our hope will come under attack by the "tribulations" of the gospel, designed to make us ashamed of ever hoping for such things. The divine antidote from the effects of the tribulations of the gospel is the 'love of God shed abroad in our hearts by the Holy Ghost'-Romans 5:5. The sole motive behind God's promise of deliverance from His wrath is His love, which determined to do everything necessary to deliver us from both aspects of His wrath (determined it based solely on His love). Therefore, the trustworthiness of His promise to deliver us rests entirely upon the integrity of God Himself and has nothing to do with our performance or faith in the matter (talking about hope, not salvation - Paul is talking to people who already are saved).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

Mouthpieces for the policy of evil. These tribulations were intended to:</p> <p>* have an impact on you about your justified position IN Christ</p> <p>* rob you of your joy: Cause us to doubt the truthfulness of what we believe/Rob us of our joy/rejoicing (if you think you are going through 1/2, 2/3, all of the tribulation or lose your salvation and you doubt - can't be as happy as you were because now you are not sure - that's not very joyful)</p> <p>* rob you of your hope</p> <p>* Silence your ambassadorship &amp; make us ashamed of our hope: Give you trouble when you operate as a faithful ambassador (to discourage you and get you stopped/to quit and make us ashamed of the Gospel; wants you to corrupt that message with some kind of work - to get saved or stay saved); silence your proclamation of the gospel by making you ashamed of your hope in your eternally secure justification unto eternal life (3 components):</p> <ol style="list-style-type: none"> <li>1) Your salvation by grace through faith alone IN Christ alone</li> <li>2) Your hope in connection with escaping the Lord's day of wrath (Tribulation)</li> <li>3) Your hope in connection with escaping the day of the righteous judgment of God (lake of fire)</li> </ol> |

| Romans 5:3-10   |                              | Two components to our hope - therefore 2 different attacks. Plenty of ministers to publish this message. Paul breaks down BOTH attacks and shows them to be the lie that they are and show the tremendous permanency of what God has done for you and how that cannot be altered to any degree. Need to prepare for these attacks for they WILL come. There's a 4-step process that you will employ when the attack comes.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Romans 5:3-5    | Christ IN You | CHRIST IN YOU is how we are handling the tribulations. Instead of making us quit and overwhelming us, if these are handled by the doctrine and not our best effort to put up with them, but by truly living out of what is written in the word, they will produce a PATIENCE and an endurance of what we're going through. See that Christ IN you/us is how we are to handle tribulations. And when that happens, those tribulations which are meant to overwhelm us and make us quit, instead produce patience.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 5:3-4    |               | Troubling challenges to our confidence work to produce increased, abounding hope - two things that will make you doubt your eternal justified standing and make you wonder if you are still saved & He is going to solve that for you - how the adversary is going to plant doubt and here is the answer to it:<br>1. Day of Wrath/Tribulation<br>2. Lake of fire/eternity<br>Attacks try to rob you of your joy/rejoicing (that try and tell you this is not so and show God's answer to these attacks)<br><i>Deal with the 1st attack on our hope</i> - No hope you will be delivered from the day of wrath. Will go through the Tribulation and lose your salvation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 5:3-4    |               | 4 STEP PROCESS (GH: to handle the tribulations of the gospel [and other tribulations/sufferings]):<br>1. Take what you have learned - the doctrine contained in the Gospel (GH: of the grace of God) (GH: respond positively)<br>2. Apply it to that particular situation (whatever it is that is meant to make you doubt - the more you apply, the more experience I got - best way to get good is taking care of the very worst of it) (GH: respond properly) - PATIENCE<br>MM was an EMT in college - if you encounter someone who is bleeding, you apply pressure to the wound. You don't think it will work because you don't have enough experience. With experience, you find that it works.<br>3. Build your experience - EXPERIENCE<br>4. Establish your hope (instead of shaming/destroying your hope, it is going to establish your hope [confidence]) - HOPE<br>NOTE: MM says in later Sonship Review series this is actually a 3-step process. Will apply again in Romans 8 and Romans 13. GH: Think No. 4 is really the result and not a step.<br>You can endure tribulations of the gospel because you know better. Attacks produce assurance and allow you to glory in tribulations. Tribulations of the gospel give us the opportunity to:<br>1. Produce PATIENT endurance<br>2. Give EXPERIENCE in confronting Satan's attacks<br>3. Become skilled in utilizing THE DOCTRINE                                                                                                                                                                                                                                                                |
| Romans 5:3-4    | GH: Important | CONCEPT: In this age, I AM not delivering you from/not putting My Hand between you and tribulations. I AM using those tribulations to accomplish something IN you. Come to grips with it. Don't say you didn't have enough faith or you have sin in your life or it wasn't God's will. God's will for everyone in this room is the exact same. Everything about God's will is the same. MM knows it and you do too. Everything else is a Sonship decision. There are things we thought were God's Will be were really a decision He expected you to make as a son. It's God's will for every believer to be educated as a son. It is His Will for us to have a Godly edification so you can act/think like your Heavenly Father so you can labor with Him. Things like what type of car to buy is a Sonship decision. What can I afford is a wise Sonship decision. Want to get rid of your tribulations? Forget about your ambassadorship and you won't have any problems with regard to that. Satan just needs to get us right where he wants us and then he'll take the pressure off. Is there any indications in v3 that He will stand between you and tribulations? What gives God the most glory? For you to live for Him and avoid all of life's difficulties OR for Him to allow all of life's difficulties and yet you glory in them? Tribulations are a result of the 2 hopes in v2 - rob you of your joy and make you quiet about it. There ought to be some time in our life where we just look at what God has done for us and it is beyond rejoicing. It is something we exalt in, that we boast of not because we did it but because He did it. |
| Romans 5:3-4    |               | Aren't these things something worthy of boasting about and glorying in?<br>1. being given a standing where you have peace with God<br>2. being given access to God - an unlimited, unrestricted relationship<br>3a. being given a hope that your delivered from the day of wrath<br>3b. being given a hope that your dellvered from the day of righteous judgment<br>Take the sound doctrine you learned in Romans 1-4 that all dealt with your justification, where you began to think about your justification like your Heavenly Father thinks about it. You are going to apply that doctrine to that tribulation or trouble that made you doubt and that is going to allow you to go through that thing and give you patience. Only way to gain confidence and get the experience to establish the hope is by facing, not being delivered from, by going through that. Put that doctrine to use, you find that it works (EXPERIENCE). Experience produces assurance in your heart that the hope is absolutely true.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Romans 5:3      | Suffering = GLORY IN TRIBULATIONS | <p>Only Paul says this. This will never make the list on how to build churches in America. We have doctrine working in our souls right now, which is able to produce something IN us, IN our inner man, which is so great that our sufferings will pale in comparison to it. We realize that while our sufferings cause pain, at the same time they are working for us. When you understand who you are and what God is doing in the DOGG, you are going to learn that IN EVERY THING that would cause you to be 'ful of care; and anxious and worried and overwhelmed and frustrated, there is a glory that is to be yours in those tribulations MM tying to Philippians 4:6-7. Satan realizes the more things I do to make them quit the more like Christ they become. This is what being MORE THAN A CONQUEROR-Romans 8:37 is. The thing that was supposed to defeat us makes us stronger. Your Father wants you to put that on display. That's why that's the main focus up there. Some men will be impacted but it is really Satan and his realm. Eventually, you will see what He is working in you is way more important than delivering you from the trouble.</p> <p>AND NOT ONLY SO: Means there is something else coming. You have these 3 things (Romans 5:1-2) but not just that.</p> <p>BUT WE GLORY IN TRIBULATIONS ALSO: How in the world do you GLORY IN TRIBULATIONS? First, we know, that when we encounter those tribulations, we know it is not because God is upset with us. Remember, in Israel's program, if they were encountering tribulation, God was upset with them. You are not under the law, you are under grace. This is a reason to glory - God didn't do this to me. Other reasons too.</p> |
| Romans 5:3      | Suffering = GLORY IN TRIBULATIONS | <p>BUT: Corner word.</p> <p>WE GLORY IN TRIBULATIONS ALSO: We realize what is happening in the midst of our sufferings is of greater value than it we didn't suffer in the first place. A greater value than if we were miraculously delivered. There is something more important than this and we have to get it in our minds. Because if He miraculously delivers you from it, you are not suffering with Him-Romans 8:17. This is your joint-heir inheritance stipulation. If we are waiting for deliverance we are not responding properly to our sufferings.</p> <p>GLORY IN TRIBULATIONS ALSO: He didn't say rejoice. What we supposed to glory in. But takes us in a different direction. God says to also glory in the bad stuff (as well as the good stuff). He is about to show you something that will allow you to do that. Going to introduce a very important concept for living in the DOGG. See it over and over again. We grew up praying that God would put a wall of protection around us to keep us from all these bad things. That's what we expected God to do. Notice we sometimes avoided the bad things and sometimes we didn't. When we didn't, did we ever stop and say to ourselves, what happened, God?</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 5:3      | Suffering = GLORY IN TRIBULATIONS | <p>GLORY IN TRIBULATIONS: Sufferings accelerate and move you along faster in your edification. Will be a work of grace going on in your life. You only glory in that which you really place great value in. This is a more excellent way. God wants you to suffer that attack to put all of that doctrine to the test so at the end you know that works. Every obstacle is an opportunity to grow and to put our Sonship life on display. If we try to find our identity, purpose and meaning in our physical, temporal existence, we will be continually frustrated and eventually in the end you will lose it all. Glory you are stuck in traffic and late for your appointment. We GLORY IN TRIBULATIONS because we realize something eternal is being done when we respond to those rightly, that we are being conform to the image of God's Son and when we GLORY in them, it means 'rejoice with triumph'. Bible term for this is MORE THAN CONQUEROR-Romans 8:27. Instead of being discouraged by tribulations, we are going to get them as opportunities.</p> <p>GLORY: Not a noun but a verb; noun in v2; shade of meaning different than rejoice; God says glory in bad stuff (as well as good stuff). Means that we find pleasure, we exalt, we glory. If you GLORY in something, there is something you are very much glad of, that you own and want to be true of you. Not glorying because we like trouble, but because we realize what is happening in the midst of those tribulations.</p> <p>OED: glory: to exalt with triumph, to rejoice proudly.</p>                                                                                                                                                      |
| Romans 5:3      | Suffering = GLORY IN TRIBULATIONS | <p>TRIBULATIONS: These tribulations are not just any tribulations. Need to remember the context. We have been talking about our justification. Part of the Good News of the Gospel is if we believe IN Jesus Christ, we are JUELBGTF without works. These tribulations are in direct response. Could call them tribulations of the Gospel meant to attack these 2 aspects of hope that are given to us as saved people. In church history, whenever in the world the church was going through persecution, the brighter the church's light shined. Glory &amp; tribulations are the same thing. The more tribulation comes, the greater we can glory. Do you see any indications that God will stand between you and TRIBULATIONS? They are designed perversions of the Gospel to make you doubt whether or not you are truly saved from the day of wrath or not and to make you doubt that really and truly you are going to make it (GH: to Heaven) without works. The tribulations are perversions of the gospel that are meant to make you doubt:</p> <ul style="list-style-type: none"> <li>- that you are JUEL</li> <li>- that your justification is by grace through faith</li> <li>- that works are a part of your justification (doubt is 'maybe I need to do something')</li> </ul> <p>TRIBULATIONS: Result of the 2 hopes in v2 - rob you of your joy and make you quiet about it.</p>                                                                                                                                                                                                                                                                                                                             |

| Romans 5:3      | Suffering = GLORY IN TRIBULATIONS                                    | <p>KNOWING: To see or know; to solidly fix in your mind and in your soul when you know something to be true. Paul implying they already know this. When the tribulations bring pressure to make you doubt, it produces more confidence than ever that what you believed was true.</p> <p>TRIBULATION WORKETH PATIENCE: Already being set up for the doctrine in Romans 8:18-25. When tribulations happen, can look at and say oh God, why me? or look at this and say this is my Father's way of building a patient endurance, equipping me for my Sonship vocation.</p> <p>TRIBULATION vs. TROUBLE:</p> <p>TRIBULATION: a condition of great affliction, oppression, or misery; even persecution; distress; vexation; or disturbance of life. It simply means that which causes trouble. Not merely 'trouble,' but trouble that has come upon us, personally. Is trouble that has been brought upon you/directed at you. By you know who.</p> <p>TROUBLE: Bible uses the word trouble. You can get yourself in trouble. Hit your finger with a hammer. You're just a bad shot.</p> <p>Those tribulations we encounter are going to try our faith and produce a patience IN us, and as we get over to Romans 8 we discover they are going to test our Sonship.</p> <p>PATIENCE (better here than endurance): I am not only going through it/enduring it, nobody knows I am going through it. Patience applies only to the evils that actually hang over us.</p>                       |
| Romans 5:4      |                                                                      | <p>The ultimate ground of our hope rests in the unfailing steadfast LOVE OF GOD. The LOVE OF CHRIST-Romans 8:35 is meant to produce something IN you too.</p> <p>PATIENCE, (produces) EXPERIENCE: Patience worketh EXPERIENCE (confidence once you see it work/once you see it work, produces a confidence that hey, this does work). Each time you are less and less scared.</p> <p>AND EXPERIENCE, (produces) HOPE: The confident expectation of what this thing was supposed to do for you, it will do.</p> <p>EXPERIENCE: The action of putting to the test; proof by actual trial; practical demonstration. Something you have found to be true through the doing of it. The action of putting to the test; proof by actual trial; practical demonstration. Other words could be used like trial.</p> <p>HOPE: absolute confidence; assured knowledge; earnest expectation; look forward to.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 5:5-10   | Doctrine: God's MUCH MORE LOVE                                       | <p>Doctrine: God's MUCH MORE LOVE - Declaring it (v5), explaining it (v6-8), and going to make an application (v9-10).</p> <p>The doctrine of God's much more love for us now that we are JUEL than before. After you get saved, God loves you more.</p> <p><i>Deal with the 2nd attack on our hope</i> - try and tell you that you did something wrong and are not justified anymore/not delivered from the Lake of Fire. No security you will be delivered from the lake of fire.</p> <p>Antidote for the tribulations of the Gospel/attacks against our hope: The doctrine of God's much more love for us now that we are JUEL than before. After you get saved, God loves you more. You have been given a rock-solid guarantee from your Heavenly Father that what He promised you is exactly what He accomplished. Never doubt that, never fight that again.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 5:5      | MoG - 6 of 18 - Given the Spirit = HOLY GHOST WHICH IS GIVEN UNTO US | <p>DECLARING God's love - SOLUTION: 'THE LOVE OF GOD IS SHED ABROAD IN OUR HEARTS BY THE HOLY GHOST'</p> <p>The divine antidote from the effects of the tribulations of the gospel is the 'love of God shed abroad in our hearts by the Holy Ghost'.</p> <p>The very first time you are told about the SPIRIT OF GOD conducting any kind of ministry with you - involves this issue of God's love being shed abroad in our hearts. First time in the book of Romans that the Spirit comes on the scene. Structured to see Him not just as the Spirit but as Someone with rank, Someone with dignity. Something more here.</p> <p>HOPE MAKETH NOT ASHAMED: Ties to Romans 1:16. The tribulations of the gospel were designed to shame you on talking about the gospel of grace, to rob you of the joy and the security and the confidence that you are no longer saved. We are not going to be ashamed because the love of God is shed abroad in our hearts. [Why we are not going to be ashamed of that hope].</p> <p>BECAUSE: Now Paul is going to give you the reason - what in it is going to work IN you to cause your hope not to make you ashamed?</p>                                                                                                                                                                                                                                                                                                                          |
| Romans 5:5      | MoG - 6 of 18 - Given the Spirit = HOLY GHOST WHICH IS GIVEN UNTO US | <p>THE LOVE OF GOD IS SHED ABROAD IN OUR HEARTS: The Holy Ghost is going to take a doctrine that contains the love of God being shed abroad in our hearts and He's going to apply that doctrine. The words 'shed abroad' are not just a general descriptive reference. New versions change to 'poured out'. 'Shed abroad' is the more excellent choice because it is something different. Couple things go into that. When you 'pour out' meaning no connection to the container but when you shed something, that's something that is apart. Pour water out of a picture. The water is really something different from the picture. If you shed your blood, that blood that is coming out as a part of you. When you pour something out, that's something that can be done for all manner of reasons but if you talk about something being shed, your usually talking about something detrimental and violent. Not an emotional thing. This is the absolute guarantee that you won't only not go through the day of wrath and the day of righteous judgment, but God has every intention and determination to keep everyone of us from it.</p> <p>LOVE OF GOD: GH: First mention in Paul's epistles? Just as the LOVE OF GOD shed abroad in our hearts is going to handle the tribulations of the gospel that are geared to make you ashamed. Think about Paul coming along with the gospel of grace and people saying you're not preaching what we're used to hearing preached.</p> |

| Romans 5:5      | MoG - 6 of 18 - Given the Spirit = HOLY GHOST WHICH IS GIVEN UNTO US | <p>SHED ABROAD: When the love of God is shed abroad, that is talking about something that is very specific. It's not just I know God loves me, you're already supposed to know that before you got here when you believed the Gospel. Talking to people who are already JUEL. What's happening when they get their hope attacked and the Holy Ghost is going to do something in our hearts with the love of God.</p> <p>ABROAD: could have left this off but when he added, he compounded or intensified it. see these double words, you ought to pay attention to that.</p> <p>WHICH: Supposed to call your attention to something. For when speaking of a person (gender specific), it, itself, and which can be used to indicate ESTATE, RANK, AND DIGNITY. (source: A Grammar of the English Language, by George Curme, Vol. II: Syntax, pg. 553).</p> <p>THE HOLY GHOST WHICH IS GIVEN UNTO US: This is the Spirit of God.</p> <p>IS GIVEN UNTO US: Given the Holy Spirit when you were saved. Have Him from the moment you got saved. Holy Ghost is GIVEN to you. Not the same thing as DWELL IN you in Romans 8.</p> <p>Romans 06 - JUSTIFICATION/Spirit</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Romans 5:5      | MoG - 6 of 18 - Given the Spirit = HOLY GHOST WHICH IS GIVEN UNTO US | <p>1 Corinthians 13/Charity Commentary: The Holy Ghost sheds abroad the love of God in our hearts. The Spirit of God teaches us, through the Scriptures, how much God values and esteems us. With the love of God being "shed abroad in our hearts," we learn to value and esteem the other members of the body of Christ by means of the doctrine beginning in Romans 12. One of the reasons that we are to be "transformed by the renewing of your mind" is so that we can be taught to V&amp;E one another, the same way God does. When the members of an assembly begin to learn the doctrine themselves; that is the evidence that the Spirit of God is at work in them. MM says the first step in getting godly love generated in the saints and members of the body of Christ is by learning how much God values &amp; esteems us. This is really where it starts. If you don't know how much God has done for you, you really don't have a good foundation now to be able to have that love work in you towards others. So Paul starts with THE LOVE OF GOD SHED ABROAD IN OUR HEARTS. He is identifying things in the Book of Romans that tell us how much God loves us, how much H V&amp;Es us. If you know that you can carry this over to someone else. So, the Holy Ghost sheds God's Love abroad in our heart, which means He teaches us through the Scriptures, how much we mean to God, how much He V&amp;Es us. The more you know about these types of things (GH: MERCIES OF GOD-Romans 12:1 &amp; SPIRITUAL BLESSINGS-Ephesians 1:3), the more the love of God is being shed abroad in your heart, and the more basis you have to be able to know how to V&amp;E others, to be able to have that model that's already in you.</p> |

| Romans 5:6-8    |                                                                                    | <p>These 3 verses are laying out a premise upon which an argument is going to be set forth to prove that you will never be able to go into the day of wrath or ever be able to go into the lake of fire.</p> <p>EXPLAINING God's love: Not just talking about 'God loves you'. God loves the little flock and they will go through the Tribulation. Paul narrows it down to a particular aspect of God's love. God said He is determined that you are not going through the day of wrath, that you are not going to the lake of fire, and I AM going to tell you the whole issue behind that determination. Therefore the whole issue:</p> <ul style="list-style-type: none"> <li>- behind the DETERMINATION to save us from the wrath to come (His love determined that)</li> <li>- behind the PROVISION to make it so that we could be saved from the wrath to come (His love provided that)</li> <li>- behind the PROMISE (hope) He's given unto us, that now being justified He will deliver us from the wrath to come (His love promised that) - the PROMISE the way your Father understands it</li> <li>- rests solely upon the PROFOUND LOVE He has for us, and not upon anything in and of us, ourselves. (nothing about us)</li> </ul> <p>Romans 5:6-8</p> <p>The love-motive behind your 'perfectly timed' and 'legally satisfying' redemption rests in the excellent nature and virtue and integrity of God's love, in and of Himself! Comes 100% from Him. And it is not like we don't do anything to turn that off. It's in spite of everything. Rightly condemned by God's justice as the "enemies" of God that we were and in spite of possessing no redeeming value in God's eyes, His love for us was so profound His heart's desire- (more than just willing, but wanting)- was to not only reconcile us back to Himself – but also to deliver us from His "wrath to come". Therefore, out of His sheer love for us, God designed, initiated, facilitated and accomplished all that was necessary to:</p> <ul style="list-style-type: none"> <li>- Justification (Forgive our sins, Impute perfect righteousness to us)</li> <li>- Hope (Deliver us from the day of wrath; Deliver us from the lake of fire)</li> </ul> <p>To produce the absolute confidence that you know and trust implicitly that those things are true. The only thing that has the power to do this is the aspect of God we are about to see. As you begin to understand this, the Holy Ghost is going to begin to effectually work that truth IN your own heart and mind. When that gets done, that is what the love of God being shed abroad is. When you understand that love is not based on anything about us but comes solely from God, the whole motive comes from God. When it comes down to it, the One that crimes were committed against the only One qualified to do the redeeming.</p> |

| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>Christ died for us under a specific condition - we were yet without strength (specific condition) and in due (legal term is required - don't show at the required time, everything changes) time (specific time). It was all required by God's judicial system. If Christ doesn't do what He does in dying for the ungodly at the required time then the sacrifice does not accomplish what it was meant to accomplish. We get the idea that Christ could have died anytime and because He is perfect, He could have just paid for everything like that. Wrong. It's an appointed time because that is the required time. The necessary, non-optional, has to happen time. When you look at the timeline and you see the Cross on the timeline, MM should have put IN DUE TIME because that was the exact required time that sacrifice it had to take place. Before that could happen, we had to be declared yet without strength. These are all structured by that which governs proper redemption, that it be done the right way at the right time for the right reason by the right person. If any of this is off, the redemption is null and void.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>YET: Worried we don't understand how important yet is. Yet, not constantly, not still, not continually. In the legal system, when a redeemer was asked for, there was a specific window of time that the redeemer had to perform the redemption and it had to be performed within that window. Yet carries a shade of meaning that means 'to the extreme extent or uttermost or to the maximum extent'. Means something has been taken as far as it can possibly go.</p> <p>WHEN WE WERE YET: This is how it used to be for us before we were saved.</p> <p>YET WITHOUT STRENGTH: Not physical. A condition indicated we were, to the fullest/extreme extent possible, able to offer nothing to God which could result in a "lighter sentence". No way to exonerate yourself to any degree. Talking about strength with regard to the position you find yourself in as you are guilty before God. You are YET WITHOUT STRENGTH=totally without strength. Is a proclamation/judicial declaration that God the Judge must make about everyone of us. He must make that declaration so that we are in a position to receive something from Him. Is a judicial declaration that says you are totally destitute, bankrupt, unable. It's at this point God the Judge can ask, 'Is there a Redeemer?' Until God could say for when we were yet without strength, He couldn't have His Son die until that got done. You have to be yet without strength, and then at the very precise moment, Christ does what He does but it's in view of those 2 things. You need to be declared yet without strength, that is a judicial declaration that says you are totally destitute, bankrupt, unable.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>YET WITHOUT STRENGTH (cont'd): Why the YET is there. Which means that You are going to take over the entire debt and doing it of your own free will and you have the ability to totally liquidate the debt without doing damage to yourself. Only then do you qualify to be a Redeemer. See the whole judicial thing functioning solely on the basis of God's love. In the legal system, when a redeemer was asked for, there was a specific window of time that the redeemer had to perform the redemption and it had to be performed within that window. I can look across the court room and see Jesus stand up and say I'll redeem it all. When He does that, He is redeeming something. He is not just wiping out my debt, but in that redemption process He is making sure that I understand that I never am going to go through the consequences of my debt. And He is saying because of that, you are never going to have to go through the day of wrath. He's going to cancel all that out.</p> <p>WITHOUT STRENGTH: Not physical - a judicial declaration. God is saying you are in this condition to the extreme condition you can be in it.</p> <ol style="list-style-type: none"> <li>1. Important because you must be found in this condition before God's court of justice can do anything to help you.</li> <li>2. You have to be DECLARED to be without strength because that is something that is declared after you're given an opportunity to do something.</li> </ol> |
| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>IN DUE TIME: Christ had to redeem at the required time so that everything would work out exactly as it was supposed to work. At exactly the required time, the Redeemer steps forward and provides the perfect Redemption. Because that was the exact required time that sacrifice it had to take place. Christ died for the ungodly(that's us) in view of a particular/specific condition (YET WITHOUT STRENGTH: the specific condition) we were in and He had Him do it at a particular/appropriate/required time (DUE TIME: legal term is required - don't show at the required time, everything changes) TIME (specific time). Required time a Redeemer is given to provide redemption was fulfilled perfectly by the Lord. CHRIST DIED FOR THE UNGODLY: The Redemption that is IN Christ Jesus (Romans 3:24). Not just paying back a financial debt, it's the giving of a life. The redemption that is in Christ Jesus (Romans 3:24). He did that. You were declared to be yet without strength. A Redeemer was petitioned for by the court, Jesus Christ. When He dies for the ungodly, He is providing that redemption. He, functioning as our substitute-Redeemer, took, in our stead, the full and just sentence which we deserved upon Himself satisfying the just demands of the court of God's Justice.</p>                                                                                                                                                                    |
| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>Romans 3:24 together with Romans 5:6: There was a time where God gave the Gentiles an opportunity to exonerate themselves, and they could not do it. (Psalm 14 and the Babylonian captivity to days of the Messiah &amp; Romans 3:10). When that time was up; God as the Judge, declared the Gentiles to be 'yet without strength'-Romans 5:6 - when you have absolutely nothing; destitute. You don't get to declare bankruptcy until you can prove you don't have the ability to pay the debt. Then, the relief can be granted to you. In God's court, you have to demonstrate that you are totally to the fullest measure possible without strength. Once a person is declared 'yet without strength', the case was then open for the court to legally summon or bid on the part of the guilty, "Is there a Redeemer?" (Romans 3:24). That is the legal provision for a redeemer to step in. If the redeemer says, 'yes, I will redeem this person', then he has to prove his qualifications to redeem outlined in the law of Moses. Redeemer gets qualified out of the law. Once he has demonstrated that he is qualified in all the areas then the legal arrangements are made for him to actually do the redemption process. He, not owing the debt, stepped in and paid the debt for us. Legal process - Romans 1-5 is based on legal terminology.</p>                                                                                                                              |
| Romans 5:6      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR THE UNGODLY | <p>Romans 3:24 together with Romans 5:6 (cont'd): If the redeemer says YES and the court accepts him as providing redemption, then the benefits get applied to the person who owes the debt. In 'due time' Christ Jesus stepped in as the substitute-Redeemer and 'died for the ungodly'. When you are a sinner, you have a chance to exonerate (time He gave the Gentiles) yourself to tell the court something good about you so when it comes to sentencing it might be lenient. Sentence against you as a sinner is wrath - 2 components. Redeemer has to meet all the qualifications so that no one could come along after and say oh no, this is illegal, that's not allowable. This person has to go to jail. Every i is dotted, every t is crossed, everything is going to be done at the right time in the right way by the right One who meets all the qualifications so no one can come along and say wait a minute. God says I AM going to make sure that the Redeemer meets every single qualification legally and judicially so once He provides the redemption there will be absolutely not way that your deliverance from the 2 components of wrath can ever be overturned.</p> <p>His redemption is so different from anything we have ever seen take place among men - so much further, so much better, so much more than anything than any kind of redemption that's ever been provided.</p>                                                                               |

Gives us an illustration of what God in His magnificent aspect of love has done for us and put on display that makes it completely different from anything else that has ever taken place. Not just paying back a financial debt, it is the giving of a life. God's love is not like any other love. He doesn't love us because there is some connection. We were estranged from God. He didn't love us because we were pretty good. We were pretty bad. No redeeming value there. Would be like a guy committing all matter of crimes worthy of death against you and all you hold dead and you volunteered to die in his place. Now you know why no man does this. God does something no one else can do.</p> <p>SCARCELY FOR A RIGHTEOUS MAN: Scarcely tells you not very often. because the world doesn't place much value on RIGHTEOUSNESS.</p> <p>PERADVENTURE: Hypothetically possible. EX If I get stranded on the side of the road, peradventure, someone I know may come by. Paul says some cases of redemption do exist. Hypothetical case in which for a good man some would even dare to die. That is possible. MM has a very short list.</p> <p>Problems with that:</p> <ol style="list-style-type: none"><li>1. Find someone that's willing to die for the guilty party.</li><li>2. Find someone that's qualified.</li><li>3. Human redemption has all kinds of hurdles to overcome. | Romans 5:8                      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR US / GH: God makes the first move      | <p>The fundamental mercy: "while we yet sinners Christ died for us."</p> <p>God proved that He loved the world when He sent His Son. God loved you before you even came to Christ. He proved that Love by sending His Son to die in your place and pay for your sins. If He loved you when you were a sinner, He loves you MUCH MORE as a saint. You are not going to be separated from the love of Christ. God is saying this person who has actually committed his crime against the One doing the redeeming. This is the aspect of God's Love that makes it different. God's love was so great for you that while you were an ungodly enemy of God deserving of wrath and deserving of hell in the lake of fire, He loved you so much that He offered His grace to you, forgave you of your sin, imputed righteousness, reconciled you to Him - He did all that by the death of His own Son. Indescribable love. He doesn't need to look at us and say there's something righteous/good/desirable. He sees us as yet sinners and I AM loving you just out of myself. Now THAT is a great love.</p> <p>BUT: a corner word - changing direction - from v7: righteous man scarcely would one die for a good man, hypotheically possible, been done (still not good odds, not looking too good) BUT...</p> <p>BUT GOD COMMENDETH HIS LOVE TOWARD US: picks up the love from v5. Going to tell you something about the aspect of that love.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |      |    |      |                                   |           |                  |         |                        |                                 |                                                                                     |                |        |               |               |                 |                   |                   |                                                                                                               |

| Romans 5:8      | GH: MoG - 0 of 18 - IN Christ -The fundamental mercy = CHRIST DIED FOR US / GH: God makes the first move | <p>COMMENDETH: More than demonstrated, proved, showed - has a legal connotation. Where does that love come from? It comes solely out of Him. There is something that makes God's love different, what it does, and sets it apart. What COMMENDETH does has merit to it that the other terms don't. God commendeth His love toward us for while we were yet [to the extreme extent] sinners [against God-crimes worthy of death] Christ died for us [God steps up and says I WILL provide all the necessary redemption]]. God is saying this person who has actually committed his crime against the One doing the redeeming. This is the aspect of God's love that makes it different.</p> <p>WHILE WE WERE YET SINNERS, CHRIST DIED FOR US: Christ even died for the Pharisees, the ones that hated Him. How difficult would that be? Take the people who hate you more than anything in the world and not just make a loan, but give your life. People die for their country and for issues bigger than themselves, but to go and die for those who are opposed to you, that is a different issue. In Redemption, God made the first move. This whole idea of redemption is God's idea first. He planned all of that before He ever created us.</p> <p>WHILE WE WERE YET SINNERS: Another reference to our former offensive position in Adam. God loved us while we were yet sinners, but once we are in Christ, God loves in a different way and to a greater degree than before. Before we were saved, God loved us based on us being His creatures who are made in His image. Therefore, God seeks to reconcile us unto Himself.</p> <p>YET SINNERS: Deserving of God's wrath (both "days" of judgment) and without excuse.</p> <p>CHRIST DIED FOR US: The fundamental mercy. The beginning of all of that.</p> |
| Romans 5:9-10   | Application: GOD'S MUCH MORE LOVE                                                                        | <p>Application: God's MUCH MORE LOVE</p> <p>The sole motive behind God's promise of deliverance from His wrath is His love, which determined to do everything necessary to deliver us from both aspects of His wrath (determined it based solely on His love). APPLICATION of God's love - One-two punch:</p> <ol style="list-style-type: none"> <li>1. MUCH MORE - v9 - saved from wrath - "now" we are justified by his blood. We are now "saved from wrath." That is the wrath of God as it is directed against sin.</li> <li>2. MUCH MORE - v10 - saved by His Life</li> </ol> <p>Paul is going to make the application so that you know God would never allow us to go through the day of wrath. Declaring it (v5), explaining it (v6-8), and going to make an application (v9-10).</p> <p>KEY POINT: If, when we were enemies we could trust Him to do what He said He would do (provide redemption by the death of His Son), now that we are reconciled to God, we can trust Him MUCH MORE to now do what He says He will do – Save us from wrath by His Son who is alive.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 5:9      |                                                                                                          | <p>Once you belong to Him, His love for you is of the "much more" variety. It's that understanding of the love of God that fully persuades us in our mind that this is true and when that happens that has effectually worked IN you to shed abroad God's love in your heart. That is the antidote for all the venomous attacks of the policy of evil. I wanted to save you from your sins when you were no good. Now that you are justified and you have My righteousness on you, My love now says MUCH MORE - I AM not going to allow you to go through wrath. Saved you from the day of wrath by His MUCH MORE love. Not believing is a great insult to what He has done, what He has promised, what He has written, what He has affirmed.</p> <p>MUCH MORE THEN: The THEN takes you back to what you just read. God is about to show you something about His love that takes what you already understood that was really big/glorious and take it to a new level. So profound. See why God will never allow you into the day of wrath.</p> <p>MUCH MORE LOVE: Need to pay attention when you see these intensifiers. MM thinks God's LOVE here is broader and also deeper.</p> <p>MUCH MORE: Verse starts with these 2 amazing words. Can it really get any more than God's indescribable love in v8?</p> <p>THEN: Takes you back to v8.</p> <p>BEING NOW JUSTIFIED BY HIS BLOOD: Came across in Romans 3:25. Reminder of the propitiary death of Jesus Christ on a Cross, providing redemption as our Substitute Redeemer that took our place and bore our sin.</p>                                                                                                                                                                                                                                             |
| Romans 5:9      |                                                                                                          | <p>SHALL: Implies future - there's something that is coming up that we need to be saved from. He saved you from wrath to come by His MUCH MORE love.</p> <p>SAVED FROM WRATH: WRATH comes in two ways:</p> <ol style="list-style-type: none"> <li>1. Tribulation if you are alive when this happens on the timeline</li> <li>2. Hell if you are not alive when this happens on the timeline</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

If the first thing that you know is true, then that will be the basis upon which you can believe that which is to follow. IF the first part is true, what I am about to tell you is MUCH MORE. Not a maybe it will happen or maybe it won't. Paul is setting up the second part of the verse up - if the first part is true, the second part is true.<br>IF WHEN WE WERE ENEMIES WE WERE RECONCILED TO GOD BY THE DEATH OF HIS SON: The justification part.<br>WHEN WE WERE ENEMIES: With God. Before we were saved.<br>WE WERE RECONCILED TO GOD: Reconciliation is a justification issue. We were reconciled to God by the death of His Son.<br>RECONCILED TO GOD BY THE DEATH OF HIS SON: The means by which God did this reconciling. Now you are saved. When you got justified, it was by His Death on the Cross. Now that you are reconciled, you are going to get another salvation, in which you BE SAVED BY HIS LIFE. You will be saved by the Life of Jesus being lived in you. The only people who can have the Life of Jesus living in them is saved/justified people.<br>WE WERE (Standing=)ENEMIES: When we are unsaved. Anyone not JUEL God sees as an (Standing=)enemy. His justice is opposed to them and His wrath is going to be poured out on them.<br>RECONCILED: You are not enemies anymore. By Christ being your Savior. Part of your justification.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

This is the Life that is supposed to be lived in us - SUFL.<br>MUCH MORE: Is pulling back the curtain to our sanctification, which is fully revealed in the next chapter.<br>WE SHALL BE SAVED BY HIS LIFE (being lived in you): Not saved from hell, but saved in the sense of being conformed to His image. The saving life of Christ is His life being lived in us and through us. We shall be saved by His Life IN us. Talking about the ongoing process. Sanctification (present tense of our salvation - Christ in you - Him living His Life in you in the details of your life). There is a present tense in which we are in the process of being saved, but this one has nothing to do with our justification. The life of Christ is what gives us a practical sanctification and we get that life through the doctrine. The sanctification salvation is provided BY HIS LIFE because He lived a perfect and sinless life.<br>WE SHALL BE (as a continuing/ongoing process) SAVED BY HIS LIFE: Saved - Present tense - SUFL (conforming you to the image of God's Son as you respond to the doctrine). Going on right now. Your sanctified life is His Life being lived in you.<br>SAVED BY HIS LIFE: Our sanctification salvation. His life IN us picks up where forgiveness of sins leaves off. The Christian life is His life being lived IN us, because He is the only one capable of living it. This is the good news of the gospel; a complete salvation. This has to do with the practical outworking of our Sanctification. Both aspects of our spiritual fitness are found in this one verse. Justification reconciling us to God (past tense) and being saved by His life, which is a sanctification issue (present, ongoing tense). Gets accomplished by the Spirit taking that word and working in our inner man. This is a conditional thing because not everyone will do that. Justification puts you in Christ. Sanctification puts Christ in you. This is what the JSoC is all going to be about. At the judgment seat of Christ (JSoC) the measure of Christ in us is the issue. The reward of the inheritance is based on the sanctification salvation, the measure of Christ formed in you, in your inner man. |
| Romans 5:10     | In Adam Identity :<br>Condemnation 3 of 3:<br>Enemies of God = WE<br>WERE ENEMIES / GH:<br>Prayer of Thanksgiving | WE SHALL BE SAVED BY HIS LIFE: It is the ongoing, daily process of sanctification which was made possible by the sinlessly, perfect life of Jesus.<br>EXAMPLE: Thanking God for the work He is doing in you to save you in the sense of your sanctified life, which is an ongoing process. MM using Romans 5:10. Be specific for which work of Christ provided for this thing. The sanctification salvation is provided BY HIS LIFE-Romans 5:10. Because He lived a perfect and sinless life. Because if He didn't, He can't offer us a sanctified life. That is provided by the Life of the Lord Jesus where He does the Father's Will, where He is obedient, even unto death. Everything that He did in His Life was so that we could have the middle tense of salvation. So we thank God for that sanctification aspect of our life. Think - if someone you loved needed something and it required you to live a perfect life - thought, word, and deed - would they get it? They wouldn't. But that's what the Lord Jesus did so that we might have the present tense salvation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Romans 5:11     | MoG - 7 of 18 - IN Christ : Justification 3 of 3 : Atonement = WE HAVE NOW RECEIVED THE ATONEMENT | <p><b>Romans Mercies 04B</b> : WE HAVE NOW RECEIVED THE ATONEMENT</p> <p>IN CHRIST IDENTITY - JUSTIFICATION STATUS 3 of 3: Atonement - WE HAVE NOW RECEIVED THE ATONEMENT - To understand the “atonement” think of it as the “at-one-ment.”</p> <p>Begins to talk about the attack against our second hope - against the day of righteous judgment or the day of the revelation of the righteous judgment of God. He is going to say don't be afraid of that, here's how you know, and He's going to solve it for you. After using reconciliation over and over in Romans 5, Paul now uses atonement. Why? Same in the Greek.</p> <p>Now translated atonement. Translators knew the Greek word carried multiple meanings. Not re-iterating what he just told you in v10, he is adding to what he just told you. Why it is a different word here.</p> <p>At-one-ment: When you see -ment, that means something has been established that is ongoing. At one with Him and the -ment is meant to show you that is a permanent condition-think cement. You have been given a permanent at-one-ment with God. You will never be at odds with Him again. The word “atonement” as defined by the OED (Oxford English Dictionary) in its</p> <p>1) “the condition of being at-one with others.”</p> <p>3) “reconciliation or restoration of friendly relations between God and sinners - 1611 Bible, Romans 5:11.”</p> <p>Atonement says things are not only reconciled/patched up, but they've been cemented in that patched up condition so it is never going back. Verse 12 starts proving this to you.</p>                                                                                                                                                                                                                            |
| Romans 5:11     | MoG - 7 of 18 - IN Christ : Justification 3 of 3 : Atonement = WE HAVE NOW RECEIVED THE ATONEMENT | <p>AND NOT ONLY SO: More to come and it's connected to what you just read. Not only will you escape the day of wrath, you will escape the day of the righteous judgment of God.</p> <p>WE ALSO JOY: Already have one thing to rejoice about (escaping the day of wrath) and now He is giving you another (escaping the lake of fire).</p> <p>IN GOD THROUGH OUR LORD JESUS CHRIST: Because we are JUEL, because the work of Jesus, this new identity that we have in Him, we are no longer in Adam but we're IN Christ.</p> <p>Something else we are about to look at that will bring us joy because of something God did through our Lord Jesus Christ. If He did it on the Cross, there's only 1 way you are going to get it as a free gift (NOT earned). Should be working in your mind, whatever this thing is, it is going to be given to you by grace. Stop thinking you don't deserve this - that's why it is a free gift. Not about your works.</p> <p>BY WHOM: Jesus</p> <p>WE HAVE NOW RECEIVED THE ATONEMENT (At-one-ment): First occurrence of atonement in Romans - similar word is reconciled (patched up/differences no longer in the way). See you have been given the Atonement &amp; reconciled to God. Reconciled implies there was something previously wrong (an estrangement/at odds) that needed to be reconciled.</p> <p>Previously we were enemies of God and at odds with Him and deserving of His wrath.</p> <p>ATONEMENT: Atonement says things are not only reconciled/patched up, but they've been cemented in that patched up condition so it is never going back. Romans 5:12 starts proving this to you.</p>                                                                                                                                                                                     |
| Romans 5:12-19  | GH: Doctrine : One Man 'Adam (many made sinners) and Christ (many made righteous)'                | <p>Doctrine: One Man 'Adam (many made sinners) and Christ (many made righteous)'</p> <p>SUMMARY: How sure is it we are not going to the lake of fire? It's a sure as Jesus Christ. How pleased is He with Jesus Christ? Then everybody connected to Him, that's how God feels about them. When He looks at Jesus Christ, how righteous does He see Him? Whose righteousness got put on you so if God is pretty pleased with Jesus, how pleased is He with you? You just got God's guarantee that there is no way on earth you can go to the lake of fire because you are connected with the One Man under eternal life. Jesus is the “One Man” and what happens to Him, happens to you. As long as Jesus Christ is “at-one” with the Father, SO ARE YOU! There was nothing you can do to get in it and there's nothing you can do to get out of it. Just as everybody is a sinner, everybody has a chance at eternal life. If someone says you can lose your salvation, you can say "When did Jesus fall out with God the Father because my position is not based on me, it's based on the one Man". Why there are not names here. As long as Jesus Christ is at one with the Father, so are you because it has never been based on your works. It happened to Adam, and I didn't have a thing to do with that tree in the garden, but I got affected by it. And I didn't have a thing in the world to do with what happened on that Cross but I got affected by it. And there's where the permanent condition comes in. Why He can have a plan for you that's so sure to say that you're as good as in the heavenly places right now. That's how sure He is about it. See how wise God is! After Romans 3 &amp; 4, realize the only person that has anything to do with our salvation is God (all 3 members of the Godhead).</p> |
| Romans 5:12     |                                                                                                   | <p>Paul lays out 2 men - Adam (many made sinners) and Christ (many made righteous).</p> <p>WHEREFORE, AS BY ONE MAN SIN ENTERED INTO THE WORLD: One Man is not just talking about a number, it's a title. Only 2 people in the world have ever been given the title of One Man - Jesus &amp; Adam. Part of what goes with the title of being One Man - when One Man does it, it is now passed down to everyone after Him/him. Because Adam sinned, we all sinned in Adam. When Jesus came, everybody that believed on Him, what He provided for got passed down to all of them.</p> <p>BY ONE MAN SIN ENTERED INTO THE WORLD...DEATH PASSED UPON ALL MEN: We inherited our sin nature from our parents, but ultimately, from Adam and Eve.</p> <p>SO DEATH PASSED UPON ALL MEN: There is going to be a pay day for this.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 5:13     |                                                                                                   | <p>SIN IS NOT IMPUTED WHEN THERE IS NO LAW: God is not imputing sin to anyone before the law. God is not imputing men's sins to them while they are living. It is only after men are dead that their sins will be imputed back to them, if they have not trusted Christ as their Savior. In the DOGG, God is not imputing sins to anybody while they are still alive. But, when they die, all of those sins are imputed back to them.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Romans 5:14     |                                             | <p>DEATH REIGNED FROM ADAM TO MOSES: Sin was producing an effect on everybody - death. Because Adam is the 'one man', what happens to the one man happens to everybody. DEATH REIGNED: They all died.</p> <p>REIGNED: Think king, ruler, a throne - MM pictures death on a throne and it is ruling and having the final say. Even when sin was not being imputed to anybody, the effects of sin were still present. Even today, is death pretty much on the throne? When you get to the law, sin ramps up and gets more powerful (Bible uses the word 'abounded') and reached its zenith when Jesus died on the Cross. When Jesus is on the Cross, He is in a weakened condition and while He is hanging on the Cross, God is not only placing on Him the sins of the whole world, but He is placing it on Him at a time when sin has reached it's greatest strength. At the same time, the adversary is seeking to kill Him while he's burying the sins of the world. While He is still alive, He functions as our Substitute-Redeemer.and has the sins of the world laid on Him to the point where God's justice is satisfied. Only after that does Jesus say 'It is finished' and bows His head and gives up the Ghost. Only one power could reverse the power of sin, the power of grace. When Jesus died on the Cross, He made grace available to you. You are saved by grace in response to your faith. The law was given to show how sinful you were and now you have knowledge of sin, sin can be imputed to you. When you come into the world, God's justice looks at you as a sinner and says you deserve My wrath.God's omniscience doesn't overrule that.</p> <p>FROM ADAM TO MOSES: Even before there was a law.</p> |
| Romans 5:14     |                                             | <p>THE FIGURE OF HIM THAT WAS TO COME: Adam was a figure of Him who was to come (Jesus called the 'Second Man' and the 'Last Adam'). Means there was a certain position that was given to Jesus Christ as the One Man and God gives that same position to Adam and makes him a figure of the One to come. If you have the one man position, what happens to the one man happens to everyone. Because God gave Adam the position of being the one man and as the one man, the status and position is the status and position of everyone connected to him, which is everybody on the planet. Adam was at one with God before he ate of the tree of knowledge of good and evil. You were born in sin before you knew right from wrong. Goes all the way back to Adam because as the one man sin came upon everyone. Adam is essentially giving a status to the whole human race because his 'at one'-ness with God was conditional upon obedience. When God is looking at the human race, He is only looking at 2 people - Adam &amp; Jesus Christ. By the disobedience of one, many were made sinners so that by the obedience of One, many shall be made righteous.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 5:15     | GH: More MUCH MORE / Grace/Facet: FREE GIFT | <p>Grace facet/definition: FREE GIFT</p> <p>Something is being supplied by the one man here, as it got supplied by the other one Man here, is not the same. What God supplied here is not taking you back to what he had, not as the offence, not as it was by one that sinned. You are not going back to how it was with Adam. If it happened with Adam, it happened with everybody. So is the gift.</p> <p>NOT AS THE OFFENCE: Not to take you back to how Adam had it there but the fact that Adam was a one man and he affected everybody so also is the free gift. And everybody connected with Him gets the free gift. If you follow the doctrine through what the verses are telling you and you can see the whole thing.</p> <p>OFFENCE OF ONE: Adam</p> <p>ONE MAN: Jesus Christ</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 5:16     |                                             | <p>What happens to the one man happens to everybody. When Adam sins he is now at odds with God because he has sinned. Made everybody in the world at odds with God. Adam is now an enemy of God and under God's wrath, making everybody connected with Adam under God's wrath. If he is odds, we're all at odds. If he is an enemy of God, we're all enemies. If he is deserving of God's wrath, we all deserve God's wrath. Jesus offers a free gift - not at odds, not an enemy, delivered from wrath. Get all these when you receive Jesus Christ as your Savior. You don't revert back to being 'at one' conditionally. You get these permanently - at peace with God, made at one with Him and He cemented it, delivers you from the wrath.</p> <p>ONE: Adam</p> <p>ONE: Jesus</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Romans 5:19     | MoG - 0 of 18 - IN Christ<br>Identity : Justification 2 of<br>3: Righteousness = THE<br>OBEDIENCE OF ONE SHALL<br>MANY BE MADE<br>RIGHTEOUS      | God is only looking at 2 people on how He views the whole human race - Adam and Jesus. If you are connected to Adam, here is how He sees you. If you are connected to Jesus, here is how He sees you. How sure is your position IN Jesus Christ that you are never going to go to the lake of fire? It's as sure as Jesus Christ not going because the position of the One Man is your position. There is a way for it to be broken - that's for Jesus Christ to be at odds with God. If this happens, we are in trouble and you don't want to be around anyway. As long as Jesus is in good standing with God, we are in good standing. Nothing we can do to get out of good standing. If I could become a sinner before I was born, I'll be made righteous without doing anything about that either. It's totally out of your hands.<br>ONE: Adam<br>ONE: Jesus Christ<br>BY ONE MAN'S DISOBEDIENCE MANY WERE MADE SINNERS: When we are born into this world, nobody has to teach us how to do wrong, we figured that out on our own. We are slaves to sin, unusable by God, we aren't just enemies of God, but we are automatically subject to His Wrath because of what we got from Adam & Eve.                                                                                                                                                                                                                                 |
| Romans 5:20-21  |                                                                                                                                                  | Why the first question in Romans 6 would be the natural question in your mind. If you appreciate grace like you should, you want grace to abound. Remember with the law, sin grew in power and reached its zenith at the Cross. Jesus went to the Cross 'in due time'-v6 or the exact moment. He knocks sin off the throne when it was at its highest. It's not like He said, sin is just getting started, let Me do this now before it really gets rolling. He waited till sin was absolutely a monster and then at His worst condition, He crushes sin and death. End of Romans 5: Got a further understanding of grace. Knew it was a free gift, but learned it is more than that. Grace is also a power, the greatest power the God possesses. Ought to want to get grace more abounding IN us, but the only thing we know is that scripture WHERE SIN ABOUNDED, GRACE DID MUCH MORE ABOUND-v20. Immediately get faced with another way to get grace abounding in your life.                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 5:20     | Grace facet/definition: Is<br>the desire and power to<br>do the Will of God                                                                      | Grace is a position, a standing, and a power. It is the greatest power that God possesses, greater than any other power at His disposal. We should be glad that is the case. Be glad His grace is more powerful than His justice or we just get what we deserved and that would be the final word. God never intended for you to be justified by the law. The law came to show you how sinful you were. As certain as it is that you would suffer the consequences of sin - no exceptions. Can be much more certain that where sin abounded, grace is more powerful than sin. If sin becomes a gorilla, grace becomes Godzilla. However deadly sin is, grace has much more ability to resolve that. Sin brought death but where sin abounded, grace did much more abound. More proof that sin increased when the law was given and reached its zenith at the Cross. Thank God for the rest of the verse. God says 'you want to talk about how big sin and death are, that ain't nothing compared to My grace'.<br>THE LAW ENTERED, THAT THE OFFENCE MIGHT ABOUND: Offence was the sinful acts that were committing before God. God instituted the law, put them under the dominion of sin, to show Israel how sinful they really were. Israel thought they were so righteous. The goal was to show them they were corrupt/unclean. 'Why doesn't sin have dominion over you?', 'because you are not under the law, but under grace'. |
| Romans 5:20     | Grace facet/definition: Is<br>the desire and power to<br>do the Will of God                                                                      | THE LAW ENTERED, THAT THE OFFENCE MIGHT ABOUND (cont'd): When you received Jesus as Savior, the Higher Authority took that dominion away by bringing you out from under the law and He put you under the only thing you can be under, grace. If it is anything to do with the law, you just killed your Christian life. You went back to sin and said 'reign over me'. Because the whole purpose of the law was to reveal how sinful man really was. Israel thought they could produce their own justification, that God would look at them and say you all are so righteous, I AM taking you up to Heaven. Laughable that they are worshipping Baal while they were worshipping God, knowing that those commandments say 'thou shalt not have any other gods before Me'. They think they are intrinsically righteous and can provide their own sanctification. Paul said that just as sin reigned and had dominion over us before we put our faith in Christ as our all-sufficient Savior, now grace is going to reign and have dominion over us.<br>WHERE SIN ABOUNDED, GRACE DID MUCH MORE: Talking about a specific day in history (GH: the Cross?). Not talking about your life. It had to or none of this would have been accomplished.<br>ABOUND: Show in its bigness what it is.                                                                                                                                            |

| Romans 5:20     | Grace facet/definition: Is the desire and power to do the Will of God                                             | <p>WHERE SIN ABOUNDED, GRACE DID MUCH MORE ABOUND: The more men sin, the more wicked they become, the more God can demonstrate the power of His grace to forgive men and change their lives so that they too can receive an eternal weight of glory. Grace isn't just sufficient for a guy who isn't really bad. In fact, the worse sin is the more grace abounds. The power of grace to be able to forgive sin is greater than sin's ability to outstrip grace. Sin can't be so bad that grace can no longer cover it. And God says, if you want to see how great My graces is, look at the very worst sin and grace is sufficient to cover that. MM says if you want to know how strong someone is, you don't watch them lift a marker, watch them lift when the weight is exceedingly heavy. EX Saul of Tarsus, who was absolutely an enemy of God, hunting down and killing members of the church. Point: There was enough grace to take care of Paul. You want to see how much grace can do? Show me the worst and grace can do that. WHERE SIN ABOUNDED: I don't want to do this right thing, I can't do the right thing.</p> <p>GRACE DID MUCH MORE ABOUND: GH: Can choose the right thing and do the right thing. If you can't right now, just means that there's more work to do. EX Do the right thing outwardly but thinking the wrong things inwardly indicates you still have more work to do.</p> <p>GRACE: Is the desire and power to do the Will of God.</p>                                                                                                                                         |
| Romans 5:21     | MoG - 3 of 18 - IN Christ - Justification 2 of 3: Righteousness = RIGHTEOUSNESS UNTO ETERNAL LIFE BY JESUS CHRIST | <p>Springboard to Chapter 6. See grace is not only a free gift, it has the power to do something. Grace is the greatest power God has at His disposal. Given last because this grace is the power you will need to live your sanctified life. If not living in the power of grace, you are living in the energy of the flesh. Only 2 options you have. You can try to do it the best you can or there's a power available to live this Christian life that supersedes anything we can ever conjure up on our own and it just happens to be the greatest power God has at His disposal. If you get to Romans 5:21 and you don't have it firmly settled in your mind that you have been JUEL and that's a permanent status that your going to live in for the rest of eternity and the answer is Romans 1-5, not somewhere else. At the end of Romans 5, MM said you were going to begin to see grace. Grace is like a diamond. A diamond reflects light differently from angles. Grace is a free gift, freely given to us. Saw grace as a free gift. Why Paul kept hammering the idea of no works. If you worked for it, it was wages. You got paid. Talked in a prior session grace wasn't just a free gift but a power. It's a different facet of the same stone. Not just a power, it is the greatest power that God possesses, per the scriptures. Grace is the greatest power in the universe. Have to know this before we look at Romans 6. Has to be firm in your thinking. Grace is the engine of your sanctification.</p>                                                                                    |
| Romans 5:21     | MoG - 3 of 18 - IN Christ - Justification 2 of 3: Righteousness = RIGHTEOUSNESS UNTO ETERNAL LIFE BY JESUS CHRIST | <p>SIN HATH REIGNED UNTO DEATH...GRACE REIGNS...UNTO ETERNAL LIFE: That sin had "reigned unto death," but now "Grace reigns...unto eternal life" When you see grace for what it is you are going to understand it is way/far greater than anything else at His disposal. That's the power in me to run my sanctified life.</p> <p>RIGHTEOUSNESS UNTO ETERNAL LIFE: Justification is you have been declared righteous. Grace is going to reign unto eternal life.</p> <p>RIGHTEOUSNESS UNTO something explains the biq question everybody wants to ask - 'If a lost person does good stuff, what about that? What disqualifies that? Why can't God look at that say that counts for righteousness?'</p> <ul style="list-style-type: none"> <li>- Any righteousness that a lost man does cannot save him</li> <li>- Any righteousness that a lost man does any good thing, he is doing it out of his position in Adam which is under sin and unrighteousness</li> </ul> <p>When a saved man does something right, he does it from a position IN Christ, which he is forgiven of his sins, he's been given imputed righteousness, and he has atonement. Reason why God can look at a lost guy and say I reject what he does is because it is done from a position of Adam, as an enemy of God. The saved guy is doing it from a position of being IN Christ, who has made at One with God. Coming from a whole different place. It's not about the act, it is where the act is coming from. The righteous things a lost man does are not righteous, because they come from the condemned position of being in Adam.</p> |
| Romans 6:1-8:39 |                                                                                                                   | <p><i>Cornerstone 2 of 4: Our SANCTIFICATION (functional life) by Grace</i></p> <p>Title: Establishment in the doctrine of our Sanctification by grace through faith - second cornerstone - Complete knowledge of our sanctified standing before God "IN Christ" which enables us to "live unto God."</p> <p>Goal: That we might perfectly understand our sanctification which allows us to live unto God now that we have trusted Christ as Savior. It's the power (GH: of grace) that allows us to do that.</p> <p>Way SANCTIFICATION is laid out:</p> <ul style="list-style-type: none"> <li>* FOR DOCTRINE: Romans 6:1-13 - Identified with Christ's death, burial, and Resurrection which made you DEAD TO SIN and ALIVE UNTO GOD</li> <li>* FOR REPROOF, FOR CORRECTION: Romans 6:14-7:25 - Deals with the objections of not being under the law but under grace</li> <li>* FOR INSTRUCTION IN RIGHTEOUSNESS: Romans 8:1-13 - How to do it</li> </ul> <p>This is the proper way to get that working IN your inner man. The Bible always lays it out in this fashion. It is always in this order for that reason of edification.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 6:1-8:13 | GH: Covers the LIVING SACRIFICE issue-Romans 12:1 / Doctrine : Sanctification is BGTF                             | <p>You are given the first two components of your sanctification in Romans 6-8:13. The purpose of these is to overcome sin in your life. With sanctification, two issues to have in your mind:</p> <ol style="list-style-type: none"> <li>1. Separateness (no longer ordinary)</li> <li>2. | Romans 6:1-23   |                                                                                                           | Context is how to get grace abounding in your lives. Connected with your sanctification. From this point forward, your Heavenly Father is not going to go back in His word and teach you anything about being JUEL. Closed the book on justification when you open up Chapter 6. He is opening the book on sanctification. God is not hodge-podge. He took us step-by-step-by-step and proof-by-proof-by-proof and then conclusion and conclusion and final statement. Then He is done with it. Not going to come back to it. Goal of your sanctification: Word not used in Romans 6. Describing exactly what sanctification is without using the word. See this in the word over and over. Sanctification is critical leading up to Sonship. Need shows up daily. Justification doesn't mean you have no more problem with sin. Now that you are saved, that's the problem. Your justification doesn't fix you so everyday you always do the right thing. No matter what you do, you are still JUEL. Early on in the Bible, God sanctified certain things and certain people. When we trusted Jesus Christ as our Lord and Savior, we discover He also sanctified us. EX 'sanctifying the vessels in the Temple' = they were no longer ordinary. They were separate from the ordinary stuff, reserved for a special purpose. When you are sanctified, you are no longer ordinary. You have been dedicated to something just as every sanctified thing has only been separated from the ordinary but it's been dedicated to God. The definition of sanctification (no longer ordinary / dedicated to God) hasn't changed over time, so Paul doesn't redefine the word for us or give us a different meaning about it. |

| Romans 6:1-13   | <p>SANCTIFICATION SECTION</p> <p>1 OF 4: BASIC</p> <p>FOUNDATION / Doctrine: Walking After the Spirit</p> | <p>Doctrine: Walking After the Spirit</p> <p>Sanctification Section 1 of 4 - Foundation</p> <p>Teaches the most basic and fundamental issue when it comes to beginning of the doctrine of our sanctification: the doctrine of our being DEAD TO SIN and ALIVE UNTO GOD. What it means to WALK AFTER THE SPIRIT. The sanctified life IN Jesus Christ (get sanctified the same time you get justified when you got saved - allows you to live victorious over sin &amp; unto God). Is to produce your sanctified life, NOT your sanctification. Verses are the WALKING AFTER THE SPIRIT doctrine or 'Walk according to who the Spirit has made you to be'. It is what He made you to be and told you about in these 13 verses. What all the Spirit did so you could have a successful sanctified, functional life. Instead of grabbing the law to try and live for God, grab ahold of Romans 6:1-13 verses of doctrine that told you the only way to successfully do that is to reckon yourself to be DEAD TO SIN and ALIVE UNTO GOD because you have a new identification IN Jesus Christ. DEATH themes/terminology talking about your old man/old identity/Adam when you were born into this world. Notice all the questions being answered - like an obituary.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| Romans 6:1-13   | SANCTIFICATION SECTION<br>1 OF 4: BASIC<br>FOUNDATION / Doctrine:<br>Walking After the Spirit | The doctrine goes into spirit to soul and changes the way you think about it so you are thinking in accordance with that doctrine. Spiritual transaction. But so far in Romans, it doesn't address what is happening to this body. When you got saved, nothing tangible happened to this body. Hair didn't grow back. Eyesight didn't improve. But did anything change in your spirit? You bet. Your soul? Yes. You went from being in Adam to being IN Christ. If you are coming through this material in a Biblical way, you are wondering what is going to happen to my body? You know God is going to have to do something with this body because this body came from Adam. Need a different body that matches your everlasting life. Either that or God would have freed you at whatever point you got saved physically. But He didn't do that. He didn't give you your glorified body yet. Not an oversight. The reason God didn't do anything with your body is because what He desires to do in your sanctification. He wants to put something on display in these earthen vessels that manifest a particular power that grace has. Not only are you going to benefit from that power but He is going to receive glory from that put on display. God puts the greatest power in the universe while you are still in this fleshly body - you are going to get sick/hurt/old/die & He is not going to stop any of that. Instead, what He is going to do is put the power of grace at work in your life so that when you go through those things, you don't go through them like 'oh God, why me?' but instead understanding why he left you in this body when you were JUEL. Soul and spirit saved but body is still a body of corruption that is marching towards death every single day. |
| Romans 6:1-13   | SANCTIFICATION SECTION<br>1 OF 4: BASIC<br>FOUNDATION / Doctrine:<br>Walking After the Spirit | God can take His grace and put within us so that we can not only endure whatever comes its way but bring glory to Him in the midst of the worst adversity that can happen to an individual. If He gave you a glorified body as soon as you were JUEL, there are 2 among many things that would never happen. 1. You would never put this aspect of grace on display/No one would ever see it/You would rob God of glory He gets out of that. If your sanctified life didn't involve this body going through all the temptations and all of the suffering of this present time and the sufferings of Christ, then He should have just given you that glorified body right then and there. God did not change your physical body when you were JUEL but He means for you to get something out of your suffering - not an escape but something far better. Doesn't mean our body can't recover or our body is supposed to die or we don't get medical help - of course not. The verse that says this is IF SO BE WE SUFFER WITH HIM-Romans 8:17. That is why it says that. It's a condition. This means God wants us to appropriate grace which you don't know how to utilize yet/never been through this doctrine (Romans 6:1-13) - going to change your Christian life. If you are going to operate as an adopted son or daughter, this doctrine has to be effectually working IN you. You have to be fully persuaded and the doctrine has to be truly in you.                                                                                                                                                                                                                                                                                                                                    |
| Romans 6:1-13   | SANCTIFICATION SECTION<br>1 OF 4: BASIC<br>FOUNDATION / Doctrine:<br>Walking After the Spirit | MM has realized that he has robbed His Heavenly Father of the glory He was supposed to be getting from all of creation. He gave me something that was better than being delivered from it and he treated it like it was worthless. Not on purpose but just the same. Didn't mean to do it. God gave MM something better and he treated it like the inferior thing and He didn't know what He was doing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Romans 6:1-2    | Exhortation: You are DEAD TO SIN                                                              | EXHORTATION (Mission) : Now that you are DEAD TO SIN-v2, you are to/should WALK IN NEWNESS OF LIFE-v4<br>What he is asking you to do. The mechanical means by which that happened. Old master/slave relationship with sin got destroyed. Old man (old identity in Adam) got crucified and got replaced with a new identity. It's not that I can do anything I want and still be saved. Looking at the wrong way. It's that now I have the power to do what I could never do before. Instead of sin reigning, grace reigns through righteousness until eternal life by Jesus (Romans 5:21). It's not that justification is not important but this is absolutely essential that you get all of this working IN you so when you get over to Romans 8 and learn about your Sonship, all the foundation, the necessary things that you need to have under your feet are in place and working so you just go right into Sonship. Then from then on, at that point onward, everything through the rest of the curriculum is in light of your Sonship position. There's a natural thinking that says, now that I have been saved, the next thing they think is now I have to produce sanctification by living the right kind of life. Your Father is going to say you can't provide it, I have already done it. Only thing you have to do is to learn how what I have given you is supposed to operate in you. Because when it operates in you, it produces something. He will describe all of this in Romans 6:1-13.                                                                                                                                                                                                                                                                                    |

| Romans 6:1-2    | Exhortation: You are DEAD TO SIN                       | Opening 2 verses has 3 questions. These questions are devised to make you think about what's going on. Real easy to just read through without really thinking about what those questions are talking about. Examine the questions to get our thinking going in the right direction these questions are meant to point to. Questions are brilliant teaching tools because the actually change what you might be thinking and cause you to actually focus on the subject matter. The Lord uses questions all the time when He is going to instruct somebody. When you just say some things, people immediately evaluate. But when you ask a question, it starts to make you think. Good way to get your point across to someone. Lots of times, the Lord used questions. Not saying He didn't make pointed accusations at the Pharisees. Questions are formed to make you think about what you are going to be faced with. Reflect there is a need to have your thinking changed. Questions are a perfect transition from taking you from your justification to your sanctification. Point: In view of being JUEL, getting all the (GH: spiritual) things that compose our justification, God did leave us in this body of flesh, so there's a problem about how some things are going to be resolved.                                                                                                                                                                                                                                                                                                                       |
| Romans 6:1-2    | Exhortation: You are DEAD TO SIN                       | Get an explanation of why we do not continue in sin to get grace abounding. Heavenly Father is informing us that we are to live or function everyday in our lives unto Him. We'll do that on the basis of the most fundamental part of our sanctified life.<br>Summary - 3 things:<br>1. The naturalness of the questions that are being raised there. Meant to lead us from talking about our justified life to our sanctified life.<br>2. God did more than just save us from the debt and penalty of sin, He sanctified us and He gave us something we can actually put to work every day.<br>3. First and foremost the most fundamental doctrine of our sanctification is the fact we have been made dead to sin (the hold / dominion / ownership sin had on you has been absolutely broken). Haven't gotten to the mechanical means yet.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 6:1      | MoG - 7 of 18 - IN Christ - Sanctification - v1, 8:1-4 | <i>Romans Mercies 07</i> : SANCTIFICATION<br>In view of Romans 5:20, "where sin abounded, grace did much more abound" and our desire to have grace abounding, are we to think that we have to keep sinning in order for grace to keep abounding?<br>May sound like an absurd question, but it is the logical question coming out of Romans 5. Not being asked sarcastically. That's all you know, that when sin abounded, grace abounded more. Paul says don't think that. He is about to introduce grace in a third facet. Don't have to continue in sin to get grace abounding, now you find out something about grace that you didn't know before and you don't need sin for this to happen.<br>WHAT SHALL WE SAY THEN (Question 1): The THEN refers you back to what you previously had read AND signals the end of a body of information for you. Like saying, what do you say about that?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 6:1      | MoG - 7 of 18 - IN Christ - Sanctification - v1, 8:1-4 | It's not that I can do anything I want and still be saved. Looking at the wrong way. It's that now I have the power to do what I could never do before. Instead of sin reigning, grace reigns through righteousness until eternal life by Jesus (Romans 5:21). It's your natural (GH: fleshly) thinking after reading Romans 5:20-21. The THEN is what MM wants to focus on now. First question - is supposed to get us started thinking some things and in view of what we have just come out of Romans 5. What you will be thinking, even though it is the natural thing to think, is not going to be the correct thinking. By the scripture, get a change in what we are going to be thinking. God knows this, He's anticipated this, He's built it into the curriculum. End of Romans 5, we got absolute assurance of 3 components of our justification (1. we've been forgiven 2. we have imputed righteousness 3. we are permanently 'at one' with our Heavenly Father). With that, what would naturally be in your mind? Word of logic - THEN - points back to these. Basically have all the 'bad news' and 'good news' of the Gospel. What is going through your mind when you say YES to that. 'Now what?'                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 6:1      | MoG - 7 of 18 - IN Christ - Sanctification - v1, 8:1-4 | People will come along and say JUEL can't be true because you are giving people a license to sin. MM says if that is on your mind (you can sin all you want), the doctrine is not effectually working IN you. It's what a preacher or theologian who hates eternal security dreams up because they want to control everybody's actions or keep his congregation under control. That's dishonest. MM wants us to conduct ourselves as the saints we are called to be but he had nothing to hold over your heads and your Heavenly Father is going to let you do it. Will you lose something? Sure, not your salvation but there's going to be some reward you're not going to get in on. Will it mean something to you out there? Absolutely. So it is no small thing but it is not your salvation.<br>THEN: Called a 'word of logic'. MM says logic is something those you work with never use. Logic is the normal progress you make. What I would expect - the normal progression. A word of logic is placed in a sentence to give you an understanding of something. It furthers what you're going to be able to comprehend. It's going to give you some signals. THEN makes a natural connection between what has gone before and what is about to be presented to you now. It's leading you to think something based on what you've just heard. Now you are going to be observing something more than that.<br>SHALL WE CONTINUE IN SIN, THAT GRACE MAY ABOUND(Question 2)? Signals a change in subject matter.<br>Questions are a perfect transition from taking you from your justification to your sanctification. |

A: He has already been replaced with a New Man - a new identity IN Christ.</li> </ol> <p>When you got saved, didn't die physically or emotionally, but something about you did die. A functional death.</p>                                                                             |
| Romans 6:2      | MoG - 8 of 18 - IN Christ - Sanctification 1 of 3: Dead to Sin -DEAD TO SIN<br>"Foundation of your Sanctification' | <p><i>Romans Mercies 08</i> : SANCTIFICATION/Dead to Sin</p> <p>IN CHRIST IDENTITY - SANCTIFICATION STATUS 1 of 3: Dead to Sin - DEAD TO SIN</p> <p>NOTE: SONSHIP (GH: Adoption): Capstone of your sanctification. Looks like a pyramid drawing. DEAD TO SIN is the foundation of your sanctification.</p> <p>Three things:</p> <ol style="list-style-type: none"> <li>1. We do not have to continue in sin in order to get grace abounding.</li> <li>2. On the contrary, we are made to be "dead to sin."</li> <li>3. It matters to God how we live now that we are saved and we are not to continue to live in sin.</li> </ol> <p>Now the subject matter has changed from justification to sanctification. Answer to the v1 question. Natural question is well then, do we continue in sin that we keep grace abounding (Romans 5:20-21)? God forbid that we should continue in sin AND God forbid that you should think that. He doesn't want you thinking this way so now going to do something totally different - the sanctification process. Right off the bat, your Father is going to begin to change the way you are thinking about things. An exciting process. God did not change your physical body when you were JUEL but He provided a means for you to get something out of your suffering - not an escape but something far better. My grace as a particular power that will enable you to live. The power enables you to no longer live under the power of sin, but causes you to find joy and fulfillment in that life.</p> |
| Romans 6:2      | MoG - 8 of 18 - IN Christ - Sanctification 1 of 3: Dead to Sin -DEAD TO SIN<br>"Foundation of your Sanctification' | <p>GOD FORBID: Saying NO in the strongest possible terms. I have a whole different way for you to live. Didn't just say no. The strongest way to say NO in the N.T. - God forbid that you should even think that and God forbid that you would even do that (continue in sin). See GOD FORBID 3x in Justification and will see it 4x in our sanctification.</p> <p>HOW SHALL WE: The WE is about justified people.</p> <p>THAT ARE DEAD TO SIN: This declaration is very very important. The most important 3 words you will learn because it forms the foundation of your sanctified life.</p> <p>DEAD TO SIN: A bolt out of the blue cause you are thinking maybe we continue in sin to keep grace abounding and Paul says, no you are dead to sin. Does NOT mean sin doesn't have any pull on you anymore. It actually means it's supposed to. You are dead to sin, but sin is not dead to you. Means the hold/dominion/ownership/power sin had on you is absolutely broken/the relationship with sin is dead-still have sin in your members. Forms the foundation of the sanctification pyramid of your/to run your sanctified life. Does NOT mean sin is dead/doesn't have any pull on you anymore/still have sin living in your members/body is not redeemed yet-the relationship is dead. It actually means it's supposed to/not an oversight or mistake. He meant for war to break out. You are dead to sin, but sin is not dead to you-it still has an appeal.</p>                                                                    |
| Romans 6:2      | MoG - 8 of 18 - IN Christ - Sanctification 1 of 3: Dead to Sin -DEAD TO SIN<br>"Foundation of your Sanctification' | <p>DEAD TO SIN (cont'd): God means for/designed it that way. He wants to put something on display in these earthen vessels that manifest a particular power that grace has. Not only are you going to benefit from that power but He is going to receive glory from that put on display. God puts the greatest power in the universe while you are still in this fleshly body. He means for you to get something out of that, not just now, but throughout all eternity - He means to get something out of that - that's a weight of glory so that all creation will look at what He has done with us in our sanctified life and praise the God of Heaven. If your sanctified life didn't involve this body going through all the temptations and all of the suffering of this present time and the sufferings of Christ, then He should have just given you that glorified body right then and there. But He didn't. Someone says 'they are dead to me' - means the relationship is dead. Before, sin had dominion over me. Grace destroyed that relationship. Doesn't mean sin doesn't have any appeal to you, means sin has no more authority over you. You have to give sin permission for it to effect you. We'll be using the same weapons of warfare that Jesus Christ put on display when He was on the Cross - the weapons of grace. Need to get skilled in using these weapons in our sanctified life.</p>                                                                                                                           |

| Romans 6:2      | MoG - 8 of 18 - IN Christ - Sanctification 1 of 3: Dead to Sin -DEAD TO SIN "Foundation of your Sanctification' | DEAD TO SIN (cont'd): Need to understand from our Father's perspective. Get used to this, from here through the rest of the curriculum, He is going to tell you things that are true that you have no tangible evidence for whatsoever and you are going to have to take His word for it. Then you are going to have to operate on that word. Dead to sin does not say sin is dead. That's the idea everybody gets when they read this phrase. Don't think sin is dead OR you are dead - it's the relationship. The relationship that you had with sin had now been put to death. When you trusted Jesus as your Savior, that became a reality. But you cannot feel/observe that with any of your senses. So your Father has to come along and teach you that you are dead to sin. Sin still tempted you after you got saved like it did before you got saved. Your Father now has to teach you on what that is and how to put that to work - how grace empowers you to live the sanctified life that He has called you to be. He's going to do that in spite of the fact that you still have sin living in your members. Your body is not redeemed yet. If it was, you wouldn't have this problem. Was not an oversight/mistake. He meant for the war to break out. When He saved us, He started a war. He meant us to join Him in that battle to declare war on sin in US. |
| Romans 6:2      | MoG - 8 of 18 - IN Christ - Sanctification 1 of 3: Dead to Sin -DEAD TO SIN "Foundation of your Sanctification' | DEAD TO SIN (cont'd): This doctrine works to produce something IN you that actually not make you pine away for the old sin habits and causes you to find joy and fulfillment, real joy that fills your heart living that sanctified life, much greater joy than sin ever could. Not talking about 'The Power of Positive Thinking' or 'Self-Depravation', he is talking about the power of grace effectually working IN you. Reckon ourselves to be dead indeed unto sin and alive unto God through Jesus Christ our Lord (Romans 6:9). Reckoning is counting those things to be so true that they are the basis of our reality every day. Something that you believe is so true that it impacts the way you behave and live. Means by which we are going to get grace abounding. Mechanical means is when you were BAPTIZED INTO CHRIST'S DEATH [R 6:3] - the old master/slave relationship got destroyed when your old man got crucified and replaced with a new identity IN Christ.<br>LIVE ANY LONGER THEREIN: Get the clue we are not going to get grace abounding by continuing in sin, we've actually been made dead to sin and not supposed to live any longer therein. Found out grace moved from a power UEL to a power to run our sanctified life (make you dead to sin).                                                                                         |

All got provided in the death, burial, and resurrection. You don't produce any of it, it got produced for you. A free gift that comes with the package of salvation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 6:3      | GH: Baptism  | <p>Three things - dry baptisms - don't have anything to do with water:</p> <ol style="list-style-type: none"> <li>1. Accountability (checkpoint): you were baptized into Jesus Christ</li> <li>2. That baptism gave you a new identity with Him</li> <li>3. As a further identification, you were baptized into His death (should wonder what this means)</li> </ol> <p>Why? Because who you were in Adam made you a servant to sin and it meant that you were unrighteous, and an enemy of God, you were alive unto sin, you were dead to God, you were estranged from Him. And God said I need to be able to break that condition and He says I AM going to have you die in that old in Adam identity and then I can raise you in a different identity in Christ. And so He does that. You had to have this because until He makes you spiritually dead in position, you can't be out from under the yoke of sin.</p> <p>KNOW YE NOT: AKA "Don't you know?" Checkpoint: If you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. Sort of asking the question, there's something about this that you should have already known. Implies something we are supposed to already know - word REDEMPTION in Romans 3:24 - should have/could have known you were baptized (not water) into Jesus Christ from earlier in Romans. Part of the redemption in Romans 3:24 is that I got an identity change. If you know you got an identity change and you know that God always gives you a new identity through a baptism, when you read that you are baptized into Jesus Christ, it is not a shock to you. Jesus had to be born as a human for us to get that identification because that's who He was redeeming, all while still being 100%(GH: divine/God). Sanctification is about living every day like He has made you to be.</p> |
| Romans 6:3      | GH: Baptism  | <p>THAT: Another word of logic - introducing a purpose/reason for what is being done.</p> <p>SO MANY OF US: Folks JUEL. All believers were baptized into Jesus Christ. Is the means by which we are made to be 'dead to sin'/setting you free from sin. That part of you that was a slave to sin, it died when Christ was crucified. Mechanical means is when you were BAPTIZED INTO HIS [CHRIST'S] DEATH [R 6:3] - the old master/slave relationship got destroyed when your old man got crucified and replaced with a new identity IN Christ. Until you have been made spiritually dead you cannot come out of the yoke of sin.</p> <p>AS WERE BAPTIZED: Past tense - already done. Provision was made when He died on the Cross. You don't have to produce your sanctified life. That's already been done. You just have to put it to work. It's a Sonship choice. He provided for it at the Cross and you appropriated it the moment you believed in Jesus.</p> <p>BAPTIZED INTO JESUS CHRIST (ustification: giving you eternal life - takes care of the debt and penalty of your sin - that alone does not enable you to live the sanctified life everyday/overcome sin): Giving you eternal life-Justification/takes care of the debt and penalty of your sin - not a water baptism. Know this comes from the redemption in Romans 3:24. There was something that happened on the Cross that allows you to baptized into Jesus Christ. Dry baptism. You got a new identification because of your redemption from your Redeemer, just as He temporarily took on your identity to assume your sin debt that He paid.</p>                                                                                                                                                                                                                                                       |
| Romans 6:3      | GH: Baptism  | <p>BAPTIZED: Defintion of 'baptism' is 3 technical terms: A PURIFICATION unto SANCTIFICATION that results in a new IDENTIFICATION/identity (God never gives a NEW identification without doing it through some sort of baptism) - Old identity=Adam; New identity=Christ</p> <p>BAPTIZED INTO HIS DEATH (Burial, &amp; Resurrection) (Sanctification: giving you functional life - identification that will affect your ability to deal with sin in this fleshly body-not just left out there on your own-We have been made dead to sin because we were baptized into His death ): Past tense - position. Giving you functional life-Sanctification - made you DEAD TO SIN - OLD MAN died, that old nature/killed the relationship with sin-can say NO to sin. Identified with His death and His Burial. Ties to:</p> <ol style="list-style-type: none"> <li>1. identified as BAPTIZED INTO HIS DEATH</li> <li>2. buried with Him in that baptism into death</li> <li>3. raised to walk in newness of life.</li> </ol> <p>It includes His death, burial, and resurrection. Not a water baptism. Not performed by any man, but by the Spirit of God. Wasn't physical and till you were told it was happening, you would have never known it happened. There was no physical manifestation of that at all. Last half of the verse, find out we got something more than being saved from the debt and penalty of our sins. We know that because of redemption, there's a new identity. We received the new identification as a part of that redemption package we got when He died for our sins and we received Him as our Savior. What He possesses, which is perfect righteousness, is what got imputed to us. Then, as possessor of His righteousness, we got a new identification that required a baptism of some kind to give it to us.</p>                                      |
| Romans 6:3      | GH: Baptism  | <p>WERE BAPTIZED: Past tense - Provision was made when He died on the Cross. It actually took place for you when you received Jesus Christ as your only and all-sufficient Savior.</p> <p>Baptized into Jesus Christ - Justification: giving you eternal life - Spirit of Christ</p> <p>Baptized into His death (burial, &amp; resurrection) - Sanctification: giving you functional life - Spirit of God</p> <p>BAPTIZED INTO HIS DEATH (Burial, &amp; Resurrection) (cont'd):</p> <p>HIS DEATH: This is a single IMPORTANT phrase to encapsulate everything He did when He was on the Cross, when He was in the tomb, and in His Resurrection - all of that in in the phrase HIS DEATH.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 6:4      |              | <p>By His Resurrection, you have the power to enable you to WALK IN NEWNESS OF LIFE. Three Things:</p> <ol style="list-style-type: none"> <li>1. Baptized into His death includes baptism into His death burial and resurrection (he explains and separates these parts but sometimes uses this short cut)</li> <li>2. Therefore (=coming to a conclusion), there is an aspect of our sanctification that is provided for in each part of Christ's redemptive act (know that there was something Jesus did on the Cross that He needed to do so you could live the sanctified life; same with something He did in the tomb &amp; in the resurrection - without any of these parts, wouldn't be able to do this)</li> <li>3. Just as Christ was raised up according to the glorious plan purposed by the Father, to "walk" in a way that was possible only after His redemption was successfully completed, we – through our baptism (identification) in His death, burial and resurrection – we also, according to the glorious plan purposed by the Father, are to "walk" in a way that was previously impossible; we are to "walk in newness of life"</li> </ol> <p>Upon His Resurrection, (He?) was now able to do some things that He could not do until His redemption was completed. There were things that the redemption need completed before they could be done. There is something that the Father is now able to bestow upon the Son by virtue of His redemptive act, that's all power. Most people think Jesus had all power all the time. There were some aspects of His power He had to qualify for by doing the things laid out for Him to do(GH: Matthew 28:18).</p>                                  |
| Romans 6:4      |              | <p>Regeneration is the thing that...eternal life doesn't just start after your body dies. This NEWNESS OF LIFE that we are supposed to have forever was supposed to start after we were JUEL. That's the Resurrection Life of Christ IN us, that's the life that makes us godly, that's His Life IN us. The way we get this is by a process. MM believes Israel is the same way - a process.</p> <p>THEREFORE: Is a word of logic - a word of conclusion. About to be presented a conclusion. Everytime you see a THEREFORE you are about to be presented with a conclusion (introduces a conclusion). You have been given information and are about to see a conclusion to the matter.</p> <p>BURIED WITH HIM: Almost faced with the burial right off the bat. In v3, the BAPTISM INTO HIS DEATH identified us with His death. In v4, we now see that BAPTISM INTO (HIS) DEATH also identified us with His burial. About to see that the death you saw at the end of v3 is now about to be explained as not just His death on the Cross, but His burial in the tomb, and His Resurrection.</p> <p>BY BAPTISM INTO DEATH: There's an identity or new identification with a baptism.</p> <p>THAT: Another word of logic - introducing a purpose/reason for what is being done. EX We open doors so that people can come in (for the purpose of letting people in).</p>                                                                                                                                                                                                                                                                                                                                                  |
| Romans 6:4      |              | <p>LIKE AS CHRIST WAS RAISED UP: The word LIKE tells you there's something similar that's going to happen to us. Like Christ was raised up from the dead by the glory of the Father even so we also should walk in newness of life.</p> <p>ALSO: Him/Christ and us. The other also is Jesus Christ. Something that was happening to Jesus Christ in His Resurrection is going to be happening to us also - that also has to do with walking in the newness of life. That's your sanctified life. A new kind of life. The relationship you used to have with sin is dead. You got baptized into Christ's death and it killed the relationship with sin, but He didn't leave you there, you are now able to walk in newness of life. Also tells you that when Jesus died and rose from the dead, something new was happening with Him because we also will walk in newness of life. There's something happening by grace in the Resurrected Jesus that's supposed to be at work in us too. That's our sanctified life, the very thing Paul is trying to call to our attention here. This is the ability to say no to sin, not because it is dead but because the relationship is dead. BTW, sin will say the relationship is NOT dead. That's how you are going to feel and that's where your education is going to come in.</p> <p>LIKE AS CHRIST: Exact match in which there is no perceptible difference or identical. Could almost put in paranthesis. Just showing you a comparison to something. LIKE in v4 and LIKENESS in v5 2x. Remember the definition of 'godliness' here and thinking LIKE God and acting LIKE God so you can labor with Him to do His will.</p> <p>LIKE/LIKENESS: Identical/Exact match</p> |
| Romans 6:4      |              | <p>RAISED OF FROM THE DEAD BY THE GLORY OF THE FATHER: Says something about how God perceives this aspect of the Resurrection of His Son.</p> <p>GLORY OF THE FATHER: Is NOT about His power. You know He has the power to do that. God knew His Son was going to die on the Cross and He knew every detail of that plan. He knew what that plan would produce and it was His will. Knowing this, that's what your Father refers to here as His glory, that's the phrase GLORY OF THE FATHER. Is to say My Son is resurrected, He was raised from the dead according to the glorious plan that the Father laid down in the very beginning and Jesus stuck to that plan. The Father looks at it and says, 'that's My glory!'. The plan worked perfectly. He was raised from the dead by the glorious pre-planned intention of the Father. This happened just the way it was supposed to happen according to God the Father's plan. The plan worked perfectly. There was never a day where the Father went, Houston, we have a problem. Jesus never said, Father, I AM stumped. Looks like we have to go with Plan B. There was no Plan B. There was ONE plan. The Father's glorious plan.</p> <p>WE ALSO SHOULD WALK IN NEWNESS OF LIFE: Can happen because of our new identity IN Christ that we have been given. The old in Adam part is done away with. We have been raised to WALK IN NEWNESS OF LIFE - that's your functional/sanctified life. Makes you DEAD TO SIN in your everyday life by giving you grace as a power.</p>                                                                                                                                                                                     |

| Romans 6:4      |              | <p>WALK IN NEWNESS OF LIFE: Contrast with IN TIMES PAST, YE WALKED ACCORDING TO THE COURSE OF THIS WORLD-Ephesians 2:2. It says that we no longer live to fulfill the desires of our flesh; we no longer live to please the prince of the power of the air, but we now live to fulfill the desires of the Spirit and please our heavenly Father. This is your functional/sanctified Life: things you do with your hands and your mind and your feet, everyday, day in and day out. That's that further identification. Makes you dead to sin in your everyday life by giving you grace as a power. Before you walked in sin. Now, you are going to walk differently. Just LIKE it happened with Christ, that's the way it is supposed to happen with you when you walk in newness of life.</p> <p>WALK IN NEWNESS OF (functional) LIFE: Old life was SLAVE TO SIN. Different way to live now. How did He walk in NEWNESS OF LIFE if no sin?</p> <ol style="list-style-type: none"> <li>1. On the Cross He was made sin for us</li> <li>2. Now He is raised from the dead, there is a newness with regard to the work that He is going to perform in a finished redemption that He could not perform until the redemption is done. Until the redemption was finished, there are some things He couldn't yet do with us. Once the redemption is finished, now He can. That's the newness. The newness is being able to do something that He couldn't get done until after He had gone to the Cross and died and was buried and then raised on the third day.</li> </ol> <p>Made you dead to sin. Baptize you into the death of My Son. Baptize you into the burial of My Son. He did that for the purpose of making sure we could walk in newness of life. We were baptized unto His death, we were buried with Him by that baptism into death and now like Him, we are going to be raised to walk in newness of life (functional life).</p> |
| Romans 6:5      |              | <p>Starting in v5 and working through, he is going to explain the step-by-step procedure. Two things:</p> <ol style="list-style-type: none"> <li>1. Our further identification IN Christ's death carries an identical match to He Himself possesses (the issue of likeness) - got HIS righteousness and HIS eternal life</li> <li>2. As surely as we are identified in His death (that which provided our justification) we shall be also identified in His burial ("we have been planted together") and (something in His) resurrection</li> </ol> <p>Before you were saved, sin was your master. Now that you are saved, mastership is broken because what enslaved you to sin is what was put to death. The part that was sin's servant got put to death, that's what he is talking about when he said you are dead to sin, it has no more power over you. He didn't just make you dead to sin, but now He has raised you for a purpose.</p> <p>IF: Is a first-class conditional (IF AND it's true, not maybe it is maybe it isn't, THEN the following is just as true).</p> <p>PLANTED: When he used the word buried with Him by baptism unto death, now he changes buried to planted. Means you intend it to come up and bear some kind of fruit. Something put into the ground that will come up and produce fruit. Think of something that is put into the ground that will come up and produce fruit.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 6:5      |              | <p>LIKENESS OF HIS DEATH: Telling you what happened in Christ's death, the identical thing happened with you. You weren't born yet. There was a provision that was made for you. What He provided for you in that death is now made available for your when you have trusted Jesus Christ to be your Savior. What He provided for in His burial and in His resurrection is the exact identity that you now take on and there is no perceivable difference. Need to understand, not physically, but a real death has taken place in you when you trusted Jesus to be your Savior AND a real resurrection. Don't know that unless He tells you.</p> <p>LIKENESS: No perceivable difference between 2 things. They look the same.</p> <p>LIKE/LIKENESS: Identical/Exact match</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Romans 6:6      |              | <p>Five things:</p> <ol style="list-style-type: none"> <li>1. Accountability checkpoint: "knowing this"</li> <li>2. Our old man (Your old identification in Adam/old nature; alive to sin and dead to God) is crucified with Christ</li> <li>3. That was done so that our old relationship to sin (the body of sin) might be destroyed (we are no longer slaves to sin)</li> <li>4. Which in turn was done so that we should no longer serve sin</li> <li>5. We can now, for the first time, produce something that God can accept – fruit unto holiness (purpose of getting 'planted')</li> </ol> <p>God's purpose in crucifying the old man that the body of sin might be destroyed. We still have the ability to sin because sin is not dead to us/still have sin in our members-body not redeemed yet. Can be set free from the power of sin and still commit sin - you didn't get a memory wipe - you have a remembrance of how sin worked. This unredeemed, fleshly body not only had sin dwelling in its members but it is still under the death. This is a body of corruption. Still under the influence of sin and subject to death. Why you keep aging because this body hasn't been taken care of yet. We do not live the way we used to because Christ has put our old man to death. In response to our faith in Jesus Christ, God crucified our old man (which was a servant to sin) and then He raised us to walk in newness of life, giving us the ability to overcome sin by the power of the sanctification which was given to us in Christ. Our new identity gives us the ability to produce the righteousness of God in our mortal bodies. Our mortal bodies are quickened when we live out of who we have been made to be IN Christ.</p>                                                                                                                                                                               |

| Romans 6:6      |              | <p>KNOWING THIS: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Means changing the way you think about things, begin to think like He does. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one.</p> <p>THAT: Purpose statement. In order that; for the purpose of; purpose statement.</p> <p>OLD MAN IS CRUCIFIED WITH HIM: Old man is set in contradiction or contrast with newness of life. If nothing else, you would know that the old man was put to death and you were supposed to walk in newness of life - would know the old man would not walk in newness of life.</p> <p>OLD MAN: Your old identification in Adam/old nature; alive to sin and dead to God. When RAISED, we are given a new identification IN Christ. You are someone different and can live a different way. Before, that's who you were. Now, he is telling you that you can live a different way. That is no longer who you are. You are now someone different.</p> <p>BODY OF SIN: It's that part of you that didn't get redeemed, that still has sin in it, still has the claim of death in it. It's this body of corruption. It's still sin dwelling in its members. It's still going to get old and die. Talking about the part of your flesh that is absolutely under the domination and the mastership or sin. He says, I HAVE to destroy that by nailing it to the Cross. I AM going to destroy the BODY OF SIN now. Body of sin refers to that part of your mortal body that still has sin in it, still has claim of death in it.</p>                                                                                                                   |
| Romans 6:6      |              | <p>Body of sin = Unsaved person = Still in Adam = bonds slave to sin</p> <p>Body of sin in it = Saved person = Now IN Christ = free from sin (all of this got done the moment you trusted Jesus to be your Savior)</p> <p>DESTROYED: A term for war and fighting. Sin didn't get killed but the power of sin to dominate us everyday was broken-destroyed the BODY OF SIN.</p> <p>THAT HENCEFORTH WE SHOULD NOT SERVE SIN: What was going to effectually work to produce something IN you - that you no longer serve sin. SERVE is the root word of SERVANT. This choice is the glory of your Father, because it was not an oversight or accident for Him to NOT redeem this body. He made it this way. He purposely designed this whole process so that sin could be in the flesh. Your body is not redeemed, that's why it is subject to that temptation. Now you have a choice and everytime you say I am going to serve my Father, I am free from my old master of sin. No sin in the soul or spirit. Sin resides in the flesh now that you are saved.</p> <p>SHOULD NOT SERVE SIN: Not a guarantee. Just what you are supposed to do. Tells us we had to be delivered from the law or you would have no way to put your sanctified life into practice. The law will fight against you and oppose you. If you have the doctrine working in your about your position in Jesus Christ that the only way it will ever be put into practice is not under the law but under grace, if you understand that, it will enable you to live your sanctified life every single day in a way that pleases God. And He'll be able to say look at that holiness, that's what I want around Me. That's what I AM pleased with and the power to do that is wrapped up in grace.</p> |
| Romans 6:6      |              | <p>SHOULD NOT SERVE SIN (cont'd): Everytime you do that, you put on display 2 great things that God is glorified from:</p> <ol style="list-style-type: none"> <li>1. His great wisdom in doing this very thing: His wisdom is the doctrine that effectually works IN you to show Satan and everyone else that even a person with an unredeemed body with sin in its members can still choose God (and produce holiness) over sin. That brings Him glory. Is it really glory if God just makes you do the right thing? Sin made you obey. Your Father set you free to make a choice.</li> <li>2. The power of His grace being greater than the power of sin: That brings Him glory. Everyday your Father is saying who wants to step up in front and put on a showcase to all creation what I intended man to be when I put him in the garden? Israel rejected that and went about to establish their own righteousness. Not till the dispensation of grace did the world/creation/angels get to see a man living like a man was supposed to be when God created him. You get the privilege of putting that on display and when your Father sees that, He gets more glory out of that saying look at the whole universe I created.</li> </ol> <p>SHOULD: Ought to - no guarantee.</p> <p>HENCEFORTH: From this time forward.</p> <p>Before: Old Man - Adam - Servant to sin - alive to sin - dead to God</p> <p>Now: New Man - Christ - Free from sin - dead to sin - alive to God (completely different guy)</p>                                                                                                                                                                                                                                                       |
| Romans 6:7      |              | <p>Now that we are "dead," we are no longer under the mastership of sin (when you die, your servanthood is pretty much over).</p> <p>FREED FROM SIN: We are free from sin and no longer/not its servant.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 6:8      |              | <p>Once you understand that you are dead with Christ, then it naturally follows for you to believe you shall "live with Him" - which has to do with your "functional life" in the here and now (a sanctification issue) and not with your "eternal life" (which is a justification issue.).</p> <p>ALSO LIVE: Double verb with one subject.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Romans 6:9      |                                                                                                                                                                           | <p>Since Christ “dieth no more,” everything that needed to be provided for in His death, burial and resurrection has been accomplished - He won't have to die again because everything that needed to be done got done. Death didn't reign over Him. But He did die, but not as a result of sin. He gave His life over, so ONE time by His own volition, death had dominion over Him but when He raised from the dead, death hath no more dominon over Him. It was necessary that He died because when He died, He was nailing something to His Cross, your old man. Had to give death dominion ONE time. That one time settled everything that He needed to settle. Since dominion is always given or taken away by a higher authority, who gave death 1 time dominion over Jesus Christ? The Father, technically speaking.</p> <p>KNOWING THAT: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one. Paul gives you a checklist all along the way so you can't get to the end without touching all the bases to get there. Got to get it all and get it in the order given to you. What the KNOW YEs are all about.</p>                                                                                                                                                                                                                                                                                                                                                  |
| Romans 6:9      |                                                                                                                                                                           | <p>DIETH NO MORE: Because everything He did completed it.</p> <p>DEATH HATH NO MORE DOMINION OVER HIM: Never could get in whatsoever so now that issue is settled forever. Because sin will never have dominion over Him, guess what? When He made you dead to sin, it will never have dominion over you. It can't force its way onto you.</p> <p>DOMINION: Is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion. Can also take it away. Does that strike you as strange, not that death had no more dominion over Him, but that it ever did in the first place? Now, you are seeing death hath no more power over Him. When Jesus raised from the dead, that ended death's dominion and it never has anymore hold over Him and never will.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 6:10     |                                                                                                                                                                           | <p>About Him - about something Jesus did - He DIED UNTO SIN ONCE and LIVETH UNTO GOD. / Jesus' part: Completed back on the Cross.</p> <p>FOR IN THAT HE DIED, HE DIED UNTO SIN ONCE: First part of the verse, was all about dead to sin, here's how He did it, the mechanical means of how it was done. It's a truth, you need to understand it, here's what Jesus had to do to make it a reality.</p> <p>FOR IN THAT HE DIED: Jesus.</p> <p>DIED UNTO SIN ONCE: Jesus.</p> <p>DIED UNTO SIN: When a lost person dies, they die IN sin. Dying UNTO sin means that sin could never have a claim on His body, even when it was lying in an empty tomb. He so broke the power of sin and rendered it powerless to ever do anything again. Why His body with no power on its own had the ability to survive right there. When in that grave, He was making a provision in His burial that allowed for the complete and utter destruction of the power of sin. He did this ONCE. Jesus didn't need to be made DEAD TO SIN, He didn't have sin.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 6:10     |                                                                                                                                                                           | <p>DIED UNTO SIN (cont'd): MM says if there was ever a body that didn't have sin in it, it wouldn't decay. Sounds crazy. Can't prove that. Decay is a by-product of the corruption of the sin that is in the members. It's going to claim this body and death and when this body dies, it's going to decay away. It's all part of a process. If you stop the first part, you stop the next part. Greater was the power of grace than the power of sin to produce corruption/death. When He was in the heart of the earth, there was a victory won by our Savior and He died unto sin and broke that power of sin. The test that proves this as correct is the Resurrection. That body is not corrupted by sin in any way while it's laying in that tomb.</p> <p>BUT IN THAT HE LIVETH, HE LIVETH UNTO GOD: Last half of the verse, didn't just undo the bad (no longer dead to sin), but He now made you alive unto God. If you are dead to sin, you are kind of in limbo. He didn't just forgive our sins. He gave us righteousness. He didn't just make us dead to sin. He made us alive to God.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 6:11-13  | <p>Application: DEAD TO SIN - &gt; WALK IN NEWNESS OF LIFE - If you ever try and put yourself under the law, you are trying to put yourself under the dominion of sin</p> | <p>Application: DEAD TO SIN -&gt; WALK IN NEWNESS OF LIFE</p> <p>Tell you how to take that doctrine and apply it in the everyday affairs of your life so that you take that abstract concept that you are DEAD TO SIN-v2 [the relationship between me and sin is now dead] and by the time you get to v13, it's going to be a concrete reality in your life. To fully persuade you that this is true and tell you everything about it and relieve all of your fears. Take the exhortation and the doctrine that you understand that makes that true so that you are fully persuaded that you are really truly dead to sin, because the sin in your members working in your mind is still going to say no you are not. Show you how to practically use - step by step. Going show how to put it to work. Show you exactly how to apply that so whatever comes along for you, you can make this idea that I am DEAD TO SIN, which is really the relationship between you and sin is now dead. He has to tell you this because there's nothing else that would tell you this. Sin looks attractive before and after so He has to tell you it is different. Progression from saying no and gritting your teeth and holding on to the point you just say no to how did I ever say yes? That process is taking place IN your inner man, is changing you on the inside to make you exactly what He wants you to be. When you got saved, God put you under the power to live moment by moment to bring forth fruit unto holiness, but He has to tell you about it or otherwise there's nothing going on in this world that would clue you in on that.</p> |

| Romans 6:11-13  | Application: DEAD TO SIN -> WALK IN NEWNESS OF LIFE - If you ever try and put yourself under the law, you are trying to put yourself under the dominion of sin                     | <p>Everytime you do one of these things is fruit unto holiness:</p> <ol style="list-style-type: none"> <li>1) Reckon (count that to be such a present reality that it actually impacts your actions) ourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord (Romans 6:11)</li> <li>2) Let not sin reign in our mortal bodies (by taking the doctrine in Romans 6:3-10 and counting it to be your reality).(Romans 6:12)</li> <li>3) Disobey the lustful appeals sin makes to us. [related to #4] (Romans 6:12)</li> <li>4) Refuse to yield our members as instruments of unrighteousness. (Romans 6:13)</li> <li>5) Yield ourselves unto God. [related to #6] (Romans 6:13)</li> <li>6) Yield our members as instruments of righteousness (Romans 6:13).</li> </ol> <p>These are very general but govern lots of things. All these 6 things are produced by a body of information that you given in Romans 6 to operate on. Living according to who He has made you to be by grace IN Christ. We no longer have to yield ourselves as instruments unto sin but we can now yield ourselves unto God. Your Father is telling you something for which there is no tangible evidence for it except He told you. Then He will come along and ask you to reckon that.</p>                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 6:11     | MoG - 8 of 18 - IN Christ Identity : Sanctification 1 of 3: Dead to Sin = DEAD TO SIN / MoG - 9 of 18 - IN Christ Identity : Sanctification 2 of 3 : Alive to God = ALIVE UNTO GOD | <p><a href="#">Romans Mercies 08: SANCTIFICATION/Dead to Sin</a>      <a href="#">IN CHRIST IDENTITY - SANCTIFICATION STATUS 1 of 3: Dead to Sin</a></p> <p><a href="#">Romans Mercies 09: SANCTIFICATION: Alive unto God</a>      <a href="#">IN CHRIST IDENTITY - SANCTIFICATION STATUS 2 of 3: Alive unto God</a></p> <p>About you - asking you to do something. / Your part: To reckon, to be so persuaded that it is true that it actually impacts the way you live. Just as He had something to do (v10), we do too - for us it is called walking in newness of life, because we didn't have His life before. We've been given that and now we can successfully live in the way that God intends for us to live. Gives us the first two elements of our sanctification IN Christ. We are 'dead to sin' and 'alive unto God'. These are the benefits of being identified with Christ in his death, burial, and resurrection. We now can have fruit unto holiness. Because we shared in the death, burial, and resurrection of Jesus, we are dead to sin and alive unto God. We no longer have to yield ourselves as servants to sin. The only power sin now has over us is the power we give it.</p> <p>LIKEWISE RECKON YE ALSO YOURSELVES TO BE DEAD: us.</p> <p>RECKON YE ALSO YOURSELVES TO BE DEAD INDEED UNTO SIN: Live like you have been made to be. Live like what's been done for you. You have a whole new identity. Live that way. You've got something brand new. Live that way. That's not who you are anymore, you're someone different and it starts here. That's going to make you change.</p> <p>RECKON...YOURSELVES: Something you do for yourself(private).</p> |
| Romans 6:11     | MoG - 8 of 18 - IN Christ Identity : Sanctification 1 of 3: Dead to Sin = DEAD TO SIN / MoG - 9 of 18 - IN Christ Identity : Sanctification 2 of 3 : Alive to God = ALIVE UNTO GOD | <p>RECKON: Reckoning is counting those things to be so true that they are the basis of our reality every day. Something that you believe is so true that it impacts the way you behave and live. Count that to be something as true. Reckon means to count something to be true to the extend that the decisions you make and the life you live is based on that reality.</p> <p>Difference between just thinking something and reckoning it to be true. Reckon carries a shade of meaning that this is what I believe to be true or I'm counting this to be true. You can think something is true and not influence your behavior at all (EX Speed Limit 70 mph). Jesus' part: Completed back on the Cross. Your part: To reckon, to be so persuaded that it is true that it actually impacts the way you live. When sin rises up to tempt you, you are so sure that you have been made dead to sin that you are able to say I am going to live dead unto sin because I am dead to it.</p> <p>YOURSELVES TO BE DEAD INDEED UNTO SIN: This is a positional thing that is always supposed to be in your thinking.</p> <p>DEAD INDEED UNTO SIN: us.</p> <p>INDEED: It's so certain and so complete, it acutually show up IN your DEEDs. That thing is so true it actually shows up in what I am going to do.</p> <p>ALIVE UNTO GOD: This is your functional life, functionally alive and producing fruit unto holiness. When you don't, you are functionally dead and you are not producing any fruit unto holiness. Your tree is barren. Can now live in a way that is pleasing to Him.</p>                                                                                              |

The mechanical means by which we no longer live to fulfill the lusts of our flesh. God has given us a new identity in connection with the sanctification that He gave us a free gift of grace when we trusted Jesus Christ as our Savior. By doing so, God has broken the old ties we had to sin so that we no longer are subject to it. We do not overcome the temptations of sin by the best efforts of our flesh. Neither do we yield ourselves to God by the best efforts of our flesh. We do both of those because God has provided those things for us through the death of His Son, and gave them to us as a free gift of grace in response to our faith in Christ.</p>                                                                                                                                                                                                           |

You can only do this by living out of your new identity in Christ and the doctrine that changes the way that you think and the way you live and it equips you to labor. Present tense. When it comes up, you don't have to say YES to it anymore. Have the power to say NO. When you reckon yourself to be dead unto sin, you will understand that you have the power now to let no sin reign in your mortal body. In order for sin to do that, you have to let it. Only thing sin can do now is suggest to you.</p> <p>LET NOT SIN THEREFORE REIGN IN YOUR MORTAL BODY: Don't die functionally, The Spirit is going to give you functional life. Saying we do not obey sin.</p> <p>LET NOT SIN THEREFORE REIGN: The life of Christ IN our inner man transforms us and can change the way we feel about sin. Does this sound to you like He is expecting something less? We should be able to do this all the time/every time you have a decision to make. He has an expectation that we will choose righteousness. Being free from sin being the master in our mortal bodies. The sanctified position we have IN Christ gives us to the power to not let sin reign IN our mortal body any longer.</p>                                                          |

You can produce a perfect righteousness in a body that is yet unredeemed.</p> <p>YIELD: When you yield to something, you are giving it over to someone else. | Romans 6:13      | GH: Edification process to transform=YIELDING OURSELVES TO GOD                      | <p>MEMBERS: You have sin dwelling in your members. The flesh loves sin. When you got saved, God put you under the power to live moment by moment to bring forth fruit unto holiness, but He has to tell you about it or otherwise there's nothing going on in this world that would clue you in on that. Your Father is telling you something for which there is no tangible evidence for it except He told you. Members are:</p> <ol style="list-style-type: none"> <li>1. Feet: where they take you</li> <li>2. Hands: what you do</li> <li>3. Eyes: what you see</li> <li>4. Ears: what you hear</li> <li>5. Mouth: what you say</li> <li>6. Brain: what you think</li> </ol> <p>YIELD YOURSELVES UNTO GOD...AS INSTRUMENTS OF RIGHTEOUSNESS UNTO GOD: The life of Christ IN our inner man transforms us and can change the way we feel about sin. When we make a conscious decision to live out of the doctrine.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 6:14-7:25 | SANCTIFICATION SECTION 2 OF 4: Grace, not the law / Doctrine: Corrective            | <p>Doctrine: Reproof/Correction - Grace, not the Law (corrective) - For reproof, for correction</p> <p>SANCTIFICATION SECTION 2 OF 4: Teaches that the effectual working of our sanctified position "IN Christ" requires that we be "not under the law, but under grace." The law is incapable of restraining sin and promoting good/righteousness (because it gets its power from your flesh and your flesh is weak). Two objections about the law and two misunderstandings/misapplications get straightened out from here to Romans 8. Corrective doctrine: Begins to correct - Natural fleshly tendency is to want to grab hold of the law some way or some variant to live your sanctified life, let me tell you how NOT to do it. Bottom Line: Implementing any part of the law attempting to serve God with the energy of your flesh will be rejected - Serving Him in our flesh can't produce righteousness (law worked in our members to bring FRUIT UNTO DEATH - rejected by/unacceptable to God; will be burned up at the Judgment Seat of Christ) what God's grace/righteousness can (FRUIT UNTO HOLINESS since we are DEAD TO SIN; no longer fear motivation) - The law will kill your sanctified life. Dangerous to make application of the law and pretend it's Christian doctrine. Talks about the error of using the law (or some form of it) to live for God. Just as there are two ways a man can utilize to be saved, there are two ways a man can attempt to live for God; by law (performance) or by grace (what God has done and given as a free gift). We also learned that these two are mutually exclusive; that is, they cannot be combined (Romans 4:4; Romans 11:6). GH: The law and grace are mutually exclusive.</p> |
| Romans 6:14-23   | Objection 1 of 2: I need the law to keep me from sinning and motivate me to do good | <p>Objection 1 of 2: I need the law to keep me from sinning and motivate me to do good (answered in Romans 6:14 - YE ARE NOT UNDER THE LAW, BUT UNDER GRACE)</p> <p>Objection: We have to have the law to live unto God because the law helps restrain us from sinning and promotes good. See this completely done away with in the rest of Romans 6.</p> <p>RESPONSE: The law does not have any power to restrain sin and promote righteousness, it cannot do this and was never intended to do this. God utilizes grace to do that. The law wasn't given for that purpose. What is given to you is grace that allows you now to produce righteousness unto holiness, which not only encompasses what you do but the reason for which you do it. That reason is because what it means to your Father. Why we went back and looked at holiness and what a big deal it was to God. Grace is the only thing that has the power and strength to restrain you from sinning and cause you to do that which is good. The reason why we went back and looked at holiness and what a big deal it is to God. Romans 6:14-23 recap:</p> <ul style="list-style-type: none"> <li>- that SIN SHALL NOT HAVE DOMINION OVER YOU - Romans 6:14</li> <li>- YE ARE NOT UNDER THE LAW, BUT UNDER GRACE - Romans 6:14</li> <li>- that we are not under the law but under grace (Romans 6:14 - set the context for everything after it)</li> <li>- that we can produce fruit unto holiness by grace alone (Romans 6:22 - didn't tell you HOW)</li> <li>- that the law is incapable of restraining sin and promoting good</li> </ul>                                                                                                                                      |
| Romans 6:14-15   |                                                                                     | <p>Grace facet/definition: is a dispensation / 'not under the law, but under grace' - 2x</p> <p>Paul says you are not under the law but under grace in 2 consecutive verses. Like he is seeing if you are awake/paying attention.</p> <p>Declares that we are NOT UNDER THE LAW, BUT UNDER GRACE. Anticipates the objection of our flesh which is: The law is my compelling reason to stop/restrain sinning and do good/promote righteousness. Problems:</p> <ol style="list-style-type: none"> <li>(1) tendency of the flesh to attach itself to a performance system (like the law or a Christianized version of the law) and</li> <li>(2) the misunderstanding about the law [most people think the law was to keep us from sinning AND motivate us to do good].</li> </ol> <p>Similar to v1 but something different:</p> <p>v1 is telling you that there's a different way to get grace abounding.</p> <p>v14-15 is telling you you're not under the law but under grace and that's not a license to sin.</p> <p>Grace is the engine that runs your sanctified life. Dangerous to combine law and grace - Messianic Christianity. You know the law doesn't restrain sin, it makes sin abound and gives it dominion. God never gave Israel the law to make them righteous. He gave them the law to show their sinfulness.</p>                                                                                                                                                                                                                                                                                                                                                                                                                    |

(Romans 6-8:13)</p> <p>2) Because our vocation is different from Israel's. The law can't teach you to govern out in the creature.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 6:14-15  |                                                                                                                     | <p>Sin has 2 kinds of powers - sin does not have these powers over a saved person:</p> <p>1. Power to produce eternal consequences in hell/lake of fire (eternal death)</p> <p>2. Power to make you alive to sin and dead to God (functional death)</p> <p>Since the power of sin to do both of these has been broken. Sin doesn't have this power because we are not under the law, but under grace (v14). The law will stand in your way, it will ambush you, it will stop you dead in your tracks, it will frustrate you, and it will put your functional/sanctified/Christian life to death. People think the law is holy and good and if I can just do this, I can make God happy.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 6:14     | Grace facet/definition: is a dispensation / Doctrine : Corrective - Undoing the natural tendency to utilize the law | <p>God declared a war inside you between your flesh and your spirit, declaring war on that sin dwelling in your members. God means for the pull of sin to be strong. Grace has the ability to produce a power IN you to allow you even though you are living in a body of flesh with sin dwelling in its members that allows you to still live in a way that produces the fruit of holiness. Because I started this war in your members, I AM going to equip you to win this battle every single day. It's only going to be through the power of that grace. GH: KEY POINT: This is how He will receive glory. He wants sin to throw everything it can throw at you while you are still living in the body of flesh that loves sin so He can demonstrate the power of His grace IN you to stand up and say God forbid. Then He puts that on display (won't know this till you get to Ephesians 3:9-10?), He makes every angel in the universe look at that and He says you want to see My Power? Because not even the angels can put that on display. the issue is His glory being reflected to the universe in vessels of clay.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 6:14     | Grace facet/definition: is a dispensation / Doctrine : Corrective - Undoing the natural tendency to utilize the law | <p>The biggest hindrance you will have to your Christian life is the law. Because you have been given a new identity IN Jesus Christ, the last thing He wants is for you to put yourself back under the law to any degree whatsoever. The whole reason God put Israel under that law was so sin would have dominion over them. The reason was there was something wrong with how they viewed themselves. Thought they were automatically righteous because they were from the lineage of Abraham. They were rebellious against God and thought they were OK. God needed sin to have dominion over them so they could finally see how rotten to the core they really were. When the law was given, sin got empowered. Because the people He had chosen to repossess the world through had gotten to a place where they thought because they were the lineage of Abraham, they were automatically righteous. What God wanted them to see is you are as terrible as those Gentiles. No difference. Your heart is just as black and your actions just as bad as their actions. They thought the law was to show Gentiles what dogs they are. God said I AM giving you the law to show you how bad YOU are. So sin had dominion over them. God introduced the law to Israel because it was an operating system designed to give the law dominion. Just as God, who has that authority, gave sin dominion by instituting the law, He has also taken away sin's dominion by now instituting grace, and the law has no dominion over that. Don't ever grab a hold of anything external, the law included, to try and make your sanctification work. Your sanctification is built to operate under grace. For a saved person, the only way sin can reign in your mortal body (not redeemed) is for you to give it permission to do so.</p> |

| Romans 6:14     | Grace facet/definition: is a dispensation / Doctrine :<br>Corrective - Undoing the natural tendency to utilize the law | SIN SHALL NOT HAVE DOMINION OVER YOU FOR YOU ARE NOT UNDER THE LAW BUT UNDER GRACE. Talking about:<br>- how to live this sanctified life.<br>- how putting yourself under the law was to put yourself under functional death.<br>- Corrective doctrine undoing the natural tendency to utilize the law.<br>FOR YE ARE NOT UNDER THE LAW BUT UNDER GRACE: This should be indelibly imprinted in your mind. Presenting a truth and provoking a response. Something in everyone of us would have objection to this and the rest of Chapter 6 dealt with this objection.<br>NOT UNDER THE LAW, BUT UNDER GRACE: It is not enough to know what NOT to do, you have to know what TO DO. Paul never tells us NOT to do something without telling us what to do.<br>NOT: Correcting some kind of wrong understanding.<br>UNDER GRACE: That power of grace produced IN us to be continually “under” its power on a moment by moment basis in every detail of our lives. Greater power than anything in the universe. Is meant to provoke something in our flesh, which would think to use the law in some way. That gets taken away from you. The law actually puts your functional life to death. People think I need to live perfectly to produce sanctification. No, sanctification is that which is given to you so that you actually can do righteousness instead of sin.                                                                                       |
| Romans 6:15     |                                                                                                                        | When you are told you are not under the law but under grace, you should see the law as an operating system that is meant to put you under the dominion of sin. Grace is an operating system designed to do the very opposite - to make the dominion of sin impossible. The flesh sees this just the opposite. The flesh sees the law as a way to please God. There's a flesh-law partnership like sin-death. Flesh naturally gravitates to the law, which puts us back under the dominion of sin. Flesh has a natural tendency to say i you really want to repress sin, do good and follow the law. When you preach a purely grace message, you have almost guaranteed yourself you will never be the largest church in town - because the flesh loves to save face, at least to some degree. When you totally condemn everything about the flesh, it reacts to v14. See a knee jerk reaction of the flesh against what the Bible is saying. People don't have a real picture of real holiness. Flesh doesn't want to believe that. It wants to believe its better than that. It says give me something to do and I will go do it/earn it. That's what Israel was saying - give us the law. We can produce our own righteousness that's our justification and own holiness that's our sanctification. Don't need to give it to us by Your grace. We can earn it. The law was never meant to keep sin to a minimum. It was meant to make the offence abound. |
| Romans 6:15     |                                                                                                                        | If you think you are supposed to live under the law and the dominion of sin, you have it all wrong. Law wasn't supposed to stop you from sinning, it was given to make your sin big. People mistakenly believe (these go hand-in-hand):<br>- The law is the only thing that represses sin.<br>- The law is the only thing that will motivate me to do good.<br>- If I do this, I will please God.<br>THEN: Takes you back to what was just said.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Romans 6:16     |              | <p>Starting with v16, you are going to be told that without the law, you have a very powerful motivator to do good. GH: Understanding everything the Godhead did to put you in all the aspects you have in Christ, especially that you are DEAD TO SIN-v2 and decide to live that way because you know it pleases your heavenly Father. Just as you voluntarily yield to the Gospel message and obeyed that gospel to be saved, now he is going to ask you to believe this message about your sanctification and yield yourself to obey this message. When you yield yourself to grace, what you are going to do is make yourself a servant of obedience unto righteousness. The law couldn't save you. Grace can. Only one aspect of grace can produce this, not the law. Before you trusted Christ, you were in a master/slave relationship - didn't have a choice about it/restricted in your liberty. Now, you are free from sin, your old man got crucified, and you have a choice to whom you will obey. No middle ground here - you will overtly choose to be a servant to one or the other. Sanctification vs. Functional Life: Sanctification makes it POSSIBLE to live unto God, but it doesn't make you. Given sanctification but have to put it into practice. Like being given a car that runs on grace. If you don't know how to drive it, it does you no good. <b>Disobedience to the doctrine is an example of sin.</b></p> <p>KNOW YE NOT: AKA "Don't you know?" Checkpoint. First time we are told this. Why would Paul say this? This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one.</p>                |
| Romans 6:16     |              | <p>SERVANT not slave. Difference. Servant does have obligations but a servant has a will about matters that a slave does not. Slave conjures up someone who is dominated completely and has no choice or will whatsoever. Paul called himself a servant of Jesus Christ in Romans 1:1. But at the same time, he has liberty IN Christ. So the idea of liberty or a certain amount of freedom is not inconsistent with being a servant. Anytime someone yields themselves to be a servant to someone else, there has to be a compelling, necessary reason for obeying someone else, for putting yourself under that.</p> <p>WHOM YE YIELD YOURSELVES...HIS SERVANTS YE ARE: Crux of the verse.</p> <p>YIELD YOURSELVES SERVANTS TO OBEY: Is he saying go out and work really hard to do the best you can or yield/give over yourself?</p> <p>YIELD YOURSELVES: Something you do for yourself(privately).</p> <p>WHETHER SIN UNTO DEATH, OR OF OBEDIENCE UNTO RIGHTEOUSNESS?: You have a choice about who you can yield yourself to. God is not going to twist your arm and make you make the right choice. You are a servant of righteousness, Jesus did that for you. It became a reality when you trusted Him. Even though you have been made a servant of righteousness, you still have a choice about who you will yield yourself to.</p> <p>WHOM YE OBEY; WHETHER OF SIN UNTO DEATH, OR OF OBEDIENCE UNTO RIGHTEOUSNESS. Very different choices - only one of them works:</p> <ol style="list-style-type: none"> <li>1. sin unto death (flesh chooses)</li> <li>2. obedience unto righteousness (your Father tells you to choose)</li> </ol>                                                                                                                                                   |
| Romans 6:16     |              | <p>Analogy for law and grace: Signs don't keep you from speeding, police cars do. Israel knew the law had judgments associated with it and it didn't keep them from sinning or breaking the law. The law has no power to keep us from sinning. Didn't for them either. Let's remove the law and implement grace. Grace would be being taught to drive with certain things in mind and being so totally convinced of the reality of them we reckon them so that it actually affects the way we drive when we get in the car. Remember the RECKON verse. Not only aware of it but it is the basis of your reality. Learning to drive with these things in mind:</p> <ul style="list-style-type: none"> <li>- being safe yourself</li> <li>- safety for the other people on the road</li> <li>- driving with traffic in mind</li> <li>- with the road itself being considered - 2-lane, 4-lane, shoulder to pull off on, coming up on a hill, approaching an intersection or school zone, residential, train crossing, lights ahead, brake lights</li> <li>- the weather</li> <li>- day or night</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 6:16     |              | <p>Analogy (cont'd): If you drive and look at those things - driving with an idea of what is coming up ahead, around you, and behind you. Wouldn't it be wonderful if people actually drove with these things in mind and drove with the proper understanding of what was safe/right and what the circumstances dictated. If they did, you wouldn't need a road sign, would you? But people don't drive that way so you have to post a sign. And you are under the dominion of that. Sign shows how much of a violator you are. He is saying, I don't want to post signs that regulate what you do, I want you to drive in a way that you know pleases Me. I killed off your old speed demon and I gave you a new man that knows how to drive under grace. I've made you to be someone who is not motivated by the enforced law or the threat of a ticket/jail time. Rather, I HAVE made you to be someone who now drives everywhere with a different motive in mind. We have an old identity that loved to break God's traffic laws of righteousness but that old identity got crucified with Christ. In its place we got a whole new identity and this guy runs on grace. He doesn't have to have the law and his identity is perfectly compatible with God's traffic laws of righteousness. If you remove the law, it doesn't mean that nothing is wrong anymore or there is not right or wrong, its just the law dictating to you is not what you are dependent on to do right or wrong. You are being driven by something else in here (your heart?). The law is external and your Father means for you to get changed in here. That's grace that operates in your inner man is what keeps you from sinning and motivates you to do good - that's what your sanctified life is all about.</p> |

| Romans 6:17     | Prayer Aspect :<br>Thankfulness = GOD BE<br>THANKED | We yield ourselves unto God by obeying from the heart the forms of doctrine which our apostle has given us in his epistles. We yield ourselves unto God by making a choice to obey the doctrine and not our flesh, our culture, or sin. Yielding involves action or something that we are doing, not talk or what we are saying. And when you are tempted to follow the world, and instead you follow the doctrine, you are being FILLED WITH THE SPIRIT. Christ lives His life in us as we obey that form of doctrine which is delivered unto us. This was true about your sanctification in Romans 6 and it is going to be true again in your edification unto godliness. Letting the doctrine transform you from the inside out. When people are learning to do things, they're often asked to do very basic things. Nutshell: We have two choices, to obey the form of doctrine we have in our inner man or not to obey it. YE WERE SERVANTS OF SIN: When you were unsaved. Taking you back to your justification. When you were in Adam. Understood you were under God's wrath, under sin, no excuse to get you out, nothing you could do on your own, so you believe the Message and by faith accepted and grace gave you eternal life. Grace is going to do in your sanctification exactly like it did for you in your justification. You are going to have to believe the doctrine presented to you. Here the law couldn't save you but grace could. The law has no power to make you stop sinning. Law is not really about doing good, but not doing evil - THOU SHALT NOT. Grace doesn't major on what NOT to do, grace majors on what to do. It wants help people/edify/build up. Grace is the ONLY motivator to make you stop sinning and to do good. |

| Romans 6:17     | Prayer Aspect :<br>Thankfulness = GOD BE<br>THANKED | <p>FORM OF DOCTRINE (cont'd): Every form of doctrine has power to transform us, power to establish us, power to stabilize us and power to make us stand fast in the face of those things which are designed to make us quit. Means there is a verse or a set of verses that are setting forth a particular doctrine. AKA FORM OF SOUND WORDS-2 Timothy 1:13. What conforms us to the image of His Son. A pattern of edification-godly thinking, godly living, godly labor. When you are taught something, it is meant to edify you this way. Your Father teaches you to think about a particular doctrine or a FORM OF DOCTRINE. Even within a doctrine, there are component parts. He teaches you to think about a particular FORM OF DOCTRINE in a certain way. That thinking is supposed to guide our conduct and behavior (living). Then once we have these down, we're now qualified for Him to reveal to us a specific operation that He's involved in that He wants us to labor with Him in.</p> <p>DOCTRINE: Doctrines do different things, it just depends on what the doctrine is. Every doctrine has a purpose, it's designed to do something. Doctrine that tells you how you are supposed to think and act towards other believers. Doctrine that is supposed to produce comfort in our hearts in the midst of the SoC. Doctrine that teaches us how to function together as a single body.</p>                                                                                                                                                                                                                                                                                                                                                      |

| Romans 6:18     | GH: IN Christ Identity :<br>Justification 2 of 3 :<br>Righteousness =<br>SERVANTS OF<br>RIGHTEOUSNESS | BECAME THE SERVANTS OF RIGHTEOUSNESS (done deal/already done): From 'servants of sin'-v17 to saved here. Your Father is telling you how He sees you now. You became that and He needs you to see that so you understand what grace is going to do in your Christian life. When He says you became servants of righteousness, He is stating a fact about what happened in your new identity IN Christ that you wouldn't know about unless He told you about it. That's who I HAVE made you. You need to have that in your mind. He needs you to see yourself the way He sees you. Describing your new identity IN Jesus Christ. That is WHO you are. Before you were saved, you had an old identity in Adam, alive to sin, dead to God. After you are saved, your new identity IN Christ made you dead to sin, alive to God, and servants of righteousness (and that is under grace, not under the law). Have to reckon yourself to be a servant of righteousness. Not just oh I believe it is true, but it now becomes the basis of your reality. Not that you hope it is true. It IS true, whether you reckon it or not. The only source of power that can run your sanctified life is not the law but grace because only grace can produce what God wants in your sanctified life. That's the truth of it.                                                                                                                                                                                                                                    |
| Romans 6:18     | GH: IN Christ Identity :<br>Justification 2 of 3 :<br>Righteousness =<br>SERVANTS OF<br>RIGHTEOUSNESS | Is what He created man to do when He first created him. Now because you have been made a servant of righteousness, you by grace, now have the ability to instead of yielding your members as servants to sin, now you have the ability to yield your members as servants to righteousness. EX mow the lawn or I get grounded OR mow the lawn to please my parents - two different motivations with two different attitudes attached to them. Grace is the greatest power in the world/universe/in all creation to motivate you to stop sinning and do that which is good. Grace will give you all the motivation that we need. Will produce a certain kind of fruit your Heavenly Father means to bring forth. v19 comes along and tells you now that you know that's who you are IN Jesus Christ, it's now going to point you back in the next verses to that very narrow aspect of grace that you are supposed to look at and go that is what now motivates me to stop sinning and to do good. When you see this, you realize that it is not about the law at all. Whether you call it the law or not, you are still doing this stuff, right? That's all we have ever known/got preached to/got taught/understood. And it worked in perfect combination with what our flesh likes.                                                                                                                                                                                                                                                            |
| Romans 6:19     |                                                                                                       | In this verse, we are talking about righteousness and holiness in their most general terms. Looking for a general understanding of both since he is not mentioning any specific acts about either term. No details or lists.<br>- In our justification, we were made the righteousness of God IN Christ, got that imputed righteousness.<br>- In our sanctification, we were made the holiness of God IN Christ.<br>- In our exaltation, we are going to be made the glory of God IN Christ.<br>- All 3 make up your entire identity in Christ.<br>POE has something to corrupt all 3 of these because that is the total of who you are IN Christ. How you are going to live from now through eternity and it is not going to change/go away. Things that are holy are things that God wants around Him. Isaiah understands this (Is 6:1-5) and understands that is not who he is. Uncleaness is the very opposite of holiness.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 6:19     |                                                                                                       | MANNER: Going to talk to you now about something that is common to everyone/everybody. I speak what is generally true of all men about that infirmity of your flesh.<br>INFIRMITY OF YOUR FLESH: Infirmity is a weakness everyone has to deal with. It's the natural tendency/inclination that your flesh has to partner up with the law/some form of the law/some external performance system/Christianized version of the law to try and please God/justify itself/sanctify itself/natural tendency to follow the law and live for God. The flesh wants to get ahold of the law anyway it can. Flesh is trying to save face. Let me do something. God says you can't keep it - going to give you a whole new identity IN Christ->going to live out of this new identity & if you do that, -> being SPIRITUALLY MINDED-Romans 8. Everybody has to deal with this natural desire to get a hold of the law and misunderstand it to please God. The danger is that 'natural desire of the flesh to utilize the law' + 'the misunderstanding of the law' = 'the death of your functional life'. Exactly what the adversary wants to produce. Your flesh loves the rules. But God doesn't want you to live by a set of rules, He wants you to live by grace.<br>INFIRMITY: Infirmity is a weakness.                                                                                                                                                                                                                                                 |
| Romans 6:19     |                                                                                                       | YE HAVE YIELDED YOUR MEMBERS SERVANTS TO UNCLEANNESS AND TO INIQUITY UNTO INIQUITY. The natural desire to try and get the law. If you try to live your sanctified life according to the law, it leads to iniquity unto iniquity. It just goes further and further, you work yourself in a deeper and deeper hole.<br>INIQUITY UNTO INIQUITY: How we used to live when we were in Adam. Now we can be servants to righteousness unto holiness.<br>NOW YIELD YOUR MEMBERS: Is in line with v16.<br>NOW: Because now we know we have been made DEAD TO SIN and ALIVE UNTO GOD.<br>YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS (what God wants you to do): He is not talking about abiding in some set of laws but he is talking about something which you now know brings your Heavenly Father more pleasure than anything else in the creation. As we yield our members servants to righteousness, as you do that, you are bringing a smile to your Father's Face and His heart leaps with joy. He looks at that and points at it and says to everyone, look at that? That is perfectly compatible with Who I AM and I love it! Why does God love this? Because it is what He created man to do when I first created Him. Now because you have been made a servant OF righteousness, you by grace, now have the ability to instead of yielding your members as servants to sin, now you have the ability to yield your members as servants TO righteousness. When your Father sees that, He just leaps and goes yes, that is good. |

| Romans 6:19     |              | <p>YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS (cont'd): Righteousness is about doing the right thing for the right reason. Why a righteous man cannot produce righteousness unto holiness. He is not doing it for that reason. Holiness is about the reason you are doing the right thing. Not that there's a set of laws that are a club over my head. You are doing it for the sole purpose that you know that is what your Father loves. It's what He wants around Him and that's what He created you to do. That is motivation to stop sinning and to do that which is good because it thrills my Father's heart. It's what He wants out of me. That's totally different from the law and that is what He created you to do. EX mow the lawn or I get grounded OR mow the lawn the please my parents - two different motivations with two different attitudes attached to them. Holiness is compatible with who He is at His essence. That's who He made us to be.</p> <p>YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS (TO: prepositional difference-what you are going to do) UNTO HOLINESS (what God wants you to do -Give yourself over to righteousness): God is saying do that which is in accordance to who I have made you to be. He has made you to be a servant of righteousness so start living like it. You used to be one way and you lived that way. I've made you another way now live this way. Understand who you are. To do this:</p> <ul style="list-style-type: none"> <li>- You needed to be made dead to sin (Romans 6:2)</li> <li>- You needed your to crucify your old man (Romans 6:6)</li> <li>- You needed to be made alive unto God (Romans 6:11)</li> </ul> <p>Everything that needed to be done, He did. My Son did all that on the Cross and the moment you trusted Jesus to be your Savior. Now that you have been made a servant of righteousness, yield your members as servants to righteousness.</p>                                            |
| Romans 6:19     |              | <p>If you are separating UNTO something you are also separating it FROM something.</p> <p>EVEN SO NOW: Now you have come to Christ.</p> <p>NOW YIELD YOUR MEMBERS: Is in line with v16. Will now get into a further issue of righteousness. Getting very close to what is it about grace that motivates me to stop sinning and do that which is right. In v16, the only thing you knew was you could have OBEDIENCE UNTO RIGHTEOUSNESS. Now He is telling you YIELD YOUR MEMBERS AS SERVANTS TO RIGHTEOUSNESS UNTO HOLINESS. Shows righteousness NE holiness - not synonyms. Need to understand UNTO HOLINESS.</p> <p>(YIELD) YOUR MEMBERS AS INSTRUMENTS OF RIGHTEOUSNESS UNTO GOD: Give yourself over to righteousness (explained in Romans 8:10-13?)</p> <p>YIELD YOUR MEMBERS SERVANTS TO RIGHTEOUSNESS: There's no loop hole that says that you cannot do this. He is not giving us an out. Not saying oh don't worry, nobody is perfect. This is something we have to work on to get to. In eternity, God is not limiting our free will. He is not limiting our freedom. He is not manipulating our mind so we think we are making a free will choice but really we're not. And He's not doing anything to make sure we don't sin again as an act of interference in our activities. There's no magic wand, there's no mind wipe, there's no labotomy. God is not going to chaparone us in eternity, He's not sending an angel along that will tap you on the shoulder before you make a mistake. In eternity, God is not going to be dealing with you out of His omnipotence.</p>                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 6:19     |              | <p>YIELD YOUR MEMBERS: Talking about your body/parts.</p> <p>SERVANTS OF RIGHTEOUSNESS: Now that you have been made a servant OF righteousness, yield your members as servants TO righteousness. That's the natural outflow of who you have been made to be.</p> <p>RIGHTEOUSNESS UNTO HOLINESS: GH: KEY POINT: Something explains the biq question everybody wants to ask - 'If a lost person does good stuff, what about that? What disqualifies that? Why can't God look at that say say that counts for righteousness?' -&gt; Any righteousness that a lost man does any good thing, he is doing it out of his position IN Adam which is under sin and unrighteousness. Any righteousness that a lost man does cannot save him. God says there is only one way for that to happen and that is for you to have perfection. If you miss that, you are in big trouble. When a saved man does something right, he does it from a position IN Christ, which he is forgiven of his sins, he's been imputed righteousness, and he has Atonement. Reason why God can look at a lost guy and say I reject what He does is because it is done from a position of Adam, as an enemy of God. The saved guy is doing it from a position of being IN Christ, who is made at one with God. Coming from a whole different place.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 6:19     |              | <p>RIGHTEOUSNESS UNTO HOLINESS (cont'd): Find out that God wasn't just looking for righteousness, He was looking for righteousness that was unto holiness. A lost man can never produce that, it has to do with your sanctification. When God sees the saved man do good things, He goes 'I really like that'. When He sees a lost man do good things, He says 'that means nothing to Me'. It's not about the act, it is where the act is coming from. The righteous things a lost man does are not righteous, because they come from the condemned position of being in Adam.</p> <p>UNTO HOLINESS: Is the necessary reason. Changes the issue of righteousness. First time HOLINESS shows up in the Book of Romans and he doesn't describe it or explain it so you are automatically expected to know something about it. If you are separating UNTO something you are also separating it FROM something.</p> <p>HOLINESS: When God sees something that is holy, He sees something that is compatible with Him in His very essence/at His core/at harmony with Him. When this happens, His heart literally leaps for joy. You are doing it for the sole purpose that you know that is what your Father loves. That is motivation to stop sinning and to do that which is good because it thrills my Father's heart. That's totally different from the law and that is what He created you to do. True that holiness stands in contrast to that which is evil/unclean/sin/wicked. Here we're talking about holiness as that which brings God great pleasure and delight. What would/should thrill your heart more than anything else is understanding what has always thrilled God's heart more than anything else - Holiness. When God sees something that is holy, He sees something that is compatible with Him in His very essence/at His core/at harmony with Him. When this happens, His heart literally leaps for joy. What He wants to surround Himself with. What He wants to be around.</p> |

This is a good thing because it means you have made progress. It means that you're now starting to see those things the way that you ought to have seen them all along.</p> <p>Before: No fruit.</p> <p>END OF THOSE THINGS IS DEATH: God doesn't want that around Him. Saying 'fruit unto righteousness' would not be correct.</p> <p>BUT NOW: Change the subject.</p> <p>FREE FROM SIN: Made free from sin, but that doesn't mean that you can't sin anymore. The status you had in Adam has now been changed. You've been set FREE FROM SIN. You've become SERVANTS TO GOD. This is about your fruit being everlasting like your life. Showing you that the fruit you produce in your sanctified life is going to last as long as your everlasting life. There is a way that fruit will be put on display in your glorified body in eternity that's going to be seen forever and forever. Never going to go away. You could never produce this kind of fruit under the law, it can't produce holiness. Only under grace can you do that. You have the ability to produce fruit unto holiness under grace that you would never be able to produce on your own. You are living in an unredeemed body that still has sin in its members. You can still produce fruit unto holiness in a mortal body. Not forcing you to do it, it'll be your choice. When we exercise that choice, how much glory does that give our Father? So now you have the power to do what I created man to do in the first place so that you can produce what is in total compliance with My Character and Nature and I WILL hold it around me forever. The life we are given by God is everlasting, it has no end. But it did have a beginning. That eternal life you got, you are going to have it forever.</p> <p>EVERLASTING: Everlasting means there will be no end to whatever is being spoken of.</p> |

But it is not what we thought.</li> </ol> <p>When Christ died, He took upon Himself the sins of the world. And because He took upon Himself the sins of the whole world, if He had not paid in full for everyone of those sins, He would not have been able to resurrect from the dead because THE WAGES OF SIN IS DEATH-Romans 6:23. His Resurrection from the dead is the absolute proof that He completely paid in full the entire sin debt for the world.</p>                                            |

| Romans 6:23     |                                                                                                               | <p>Recap:</p> <p>* You now understand, I love my Heavenly Father. I understand that He wants fruit unto holiness, is that which thrills His heart, that He wants around Him, and I do want to please Him.</p> <p>* Two primary reasons for God not putting us under the law, but under grace:</p> <ol style="list-style-type: none"> <li>1) Because you can't live your sanctified life under the law, it puts your functional life to death. (Romans 6-8:13)</li> <li>2) Because our vocation is different from Israel's. The law can't teach you to govern out in the creature.</li> </ol> <p>* The law was given to Israel because it was pointing them towards something - a kingdom that would be set up on the earth. If you were Israel, you could look back at the law and you're going to find a whole lot of information that is going to equip you to function in the kingdom.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 7:1-6    | <p>Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'</p> | <p>Objection 2 of 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'</p> <p>* The law is the permanent, supreme authority of God and has permanent dominion over a man as long as he lives and cannot be set aside or dismissed. The law has no statute of limitations, it never runs out. Paul just can't come along and say you're not under the law but under grace. God can't arbitrarily do away with that and neither can Paul. That the law cannot be set aside or dismissed while someone is still physically alive. May dissolve the old relationship (law) but it does not give you the right to establish a new relationship (grace) - a drastic change in relationship. These 6 verses contain the whole packet of the second objection. Still under the 'you are not under the law but under grace' context. Even if you agree you can't stop sinning by using the law, some are going to say the law is the permanent, supreme authority of God. The law has no statute of limitations (the period of time after an event in which some legal action can be taken). In the minds of those with the second objection, the law has no statute of limitations, it never runs out. Even if you can't use it to stop sinning, you can't just do away with it. We think God can do anything but GH: He can't do things that violate His character.</p> <p>* RESPONSE: You can't be saved by the law, can't be sanctified by the law. It's not just that grace is better, it's the only way.</p> <p>- The untrue part is the law is permanent, because it only has dominion as long as a man liveth. God would be breaking His law if it is permanent. That's the flaw.</p> |
| Romans 7:1-6    | <p>Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God'</p> | <p>Three steps:</p> <ol style="list-style-type: none"> <li>1. Get the objection in v1.</li> <li>2. Then there's going to be corrective doctrine laid out.</li> <li>3. And then he's going to show you how to take that doctrine and apply it/make an application in to your own life.</li> </ol> <p>(1) Objection is tricky because it contains a partial truth. If you hear a story and you know a partial detail is true, it is made to make you think the whole thing is true.</p> <p>(2) Not everyone in this room is going to say yeah I can see that. One day you may run into someone who does see this objection and you won't know how to respond. It's common enough that the scripture has it in there and we can't skip it.</p> <p>Doctrine is meant to teach you about the scope of the law and where it ends using an illustration they can all identify with. Paul says I know how you understand this thing, your objection.</p> <p>* LOOSED-v2...FREED-v3...MADE DEAD-v4...DELIVERED FROM THE LAW-v6</p> <p>* Goal is you see your sanctified life exactly the way He sees your sanctified life.</p> <p>* God is the Author of the law. Nothing wrong with the law intrinsically. It just wasn't built to save you, sanctify you, for you to produce fruit unto holiness. Just built to show you how bad you are.</p> <p>* We get to remain alive physically and we have applied us to the status of death to the law.</p>                                                                                                                                                                                                                                                                                  |

| Romans 7:1-6    | Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God' | <p>This is NOT meant to reteach you about re-marriage or divorce. Marriage provides for a DEATH concept and a NEW RELATIONSHIP concept, which is actually the illustration Paul needs in order to teach you about the law.</p> <p>1. When a woman gets married, things change - she's a wife with the responsibilities and legalities behind it. Legal change. If the husband dies, she is no longer a wife, she is a widow. She is no longer bound to that relationship - the law provides for that.</p> <p>2. Once your old identity in Adam was crucified, you got a whole new identity IN Christ. Your Heavenly Father didn't just free you from an old relationship, He entered you into a new One. He didn't just do away with the bad relationship you had (the law) and leave you hanging, He gave you something that is infinitely better for you than the law could have ever been. God made it a drastic change in relationship that gave you a new legal standing. You are not only 'loosed'-v2 from any previous binding of the law but it set you 'free'-v3 to now enter into this new relationship.</p> <p>3. God went through the very proper steps to take you out from under the law and put you under grace and He did it properly and at no fault to you. The law itself was not offended at any point. God has done everything so the law can't say, you violated the law putting these people under grace. The law will say, wow, the relationship I had with them was totally dissolved. They actually are free now to start a new relationship with grace and all of that was done for you the moment you said I trust Jesus to be my Savior.</p> |
| Romans 7:1-6    | Objection 2: 'You can't just do away with the law for it is the supreme, permanent commandment of God' | <p>Remember, He said 'it is finished'-John 19:30 as far as God's is concerned - His wrath had been totally satisfied against sin. His justice requirements have been met. You think Jesus could come down off of that Cross at that point. Now realize that there's something in dying and being buried and being resurrected that He is providing for that just sufferings for sin didn't do. When He is in the tomb, He is not suffering for sins. That's something that has already happened. He is dying a death so He can identify us with that death to make sure that this new relationship doesn't become an adulterous relationship and put on top of one that we are already in. That old thing with Adam - done away Now you have a new one. The new thing in Christ. The old relationship to sin done away. Now have a new one. The old relationship to the law, done away. Every bit of this is part of the salvation package of things that got taken care of so He could do this without offending the law in any way whatsoever and so we could have a functional life that is in every way different than the way it could ever have been before. If all you did was get justified and still living under Adam, living that sanctified life is a whole different animal. You have to have a functional life that is not under the law but under grace so it can produce something that God is pleased with.</p>                                                                                                                                                                                                                                          |
| Romans 7:1      |                                                                                                        | <p>Those who 'know the law', there are only 2 possibilities and both of them would violate God's own law:</p> <p>1) Our relationship with the law is permanent, with no way out from under it until death/you to die;</p> <p>2) God would have to establish this new relationship – this thing you call grace – even while we are still related to our old, former relationship with the law – and that would be a violation (adultery).</p> <p>God would be breaking his law if it is permanent. That's the flaw. Everything that was connected to the law was your old identity in Adam - I crucified that and now you are loosed and under no further obligation to that, I SET you free to enter into a new relationship. And now you have entered into that new relationship (grace). Used to be married to the law. Now, you are married to grace. Paul will now focus on what God shows that you that you can legally and properly and rightly now say I am NOT under the law AND I am still alive in this body.</p> <p>KNOW YE NOT: AKA "Don't you know?/You should already know" A checkpoint. Why would Paul say this? This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one.</p>                                                                                                                                                                                                                                                                                                          |
| Romans 7:1      |                                                                                                        | <p>BRETHREN: Normally, would define as part of the body of Christ/the Church or Jewish brethren in the flesh or as a king. This brethren is used in a totally different way and you know that by what follows (GH: context). Not just talking to Jews although Jews would know the law.</p> <p>(FOR I SPEAK TO THEM THAT KNOW THE LAW): Pretty broad - He is not just talking to Jews although Jews would be in the category that know the law. Not every Jew knows the law in the way Paul is talking about it. Everybody in Rome he is writing to knows there's a Jewish law. If that was it, he would have just said don't you all know? If it were for every Jew, he would have said something different here (Romans 2:17). Paul doesn't say Jews. There's a part of the Jews that know the law but also a part of Gentiles as well. Because it's the law, it's legal matters. By either Jewish people that knew the law or even a Gentile that had a mindset in a legal framework and understood legal issues.</p> <p>THEM THAT KNOW THE LAW: MM wants you to see what they saw and understand about the law like they understand about the law.</p> <p>KNOW THE LAW: The law was the absolute supreme authority of God that could never be dismissed and never done away with. It has authority or dominion over a man as long as he liveth.</p>                                                                                                                                                                                                                                                                                                                   |
| Romans 7:1      |                                                                                                        | <p>HOW THE LAW HATH DOMINION OVER A MAN FOR AS LONG AS HE LIVETH: Remember you are not under law but under grace (answers first objection). Second objection is but wait, the law has dominion over a man as long as he lives. Objection is you can't just say it and it makes it true. When God established the law, He established that law as a thing with supreme authority that governed the right and wrong actions of men and you can't do away with that. Even if you can't use it to stop sinning, you can't just do away with it. The flaw is thinking that the law is permanent.</p> <p>DOMINION: Dominion is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion. Can also take it away.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

Like you were tied down with ropes and now you are not. Loosed from the law and not further obligation to that law. Death looses you from the law.</p> <p>v3: FREE 'I can do something else now': Free from the law - no strings attached. No longer under that dominion of the law due to the change in relationship. Death frees you to enter a new relationship and that has already happened when you trusted Christ.</p> <p>v4-6: Application section</p> <p>v4: DEAD: Already taken place. | Romans 7:2      |                                        | <p>Not about marriage, divorce, and remarriage. He's talking about a woman married to a man getting married to another man while she is still married to the first one. Shows that someone can be physically alive and out from under the law. Paul starts this marriage illustration (perfect analogy) from the law to dismiss the idea that the law cannot be set aside while someone is still physically alive (second objection). Not just that it is better to take you out from the law and put you under grace, will see in Paul's explanation through this illustration is God HAD to take you out from under the law to show you how impossible it is for you to utilize the law to any degree in your life. You can't be saved by the law, can't be sanctified by the law. It's not just that grace is better, it's the only way. Marriage provides for a DEATH concept and a NEW RELATIONSHIP concept, which is actually the illustration Paul needs in order to teach you about the law. Whether or not the law has the right to operate is dependent upon one thing and that is your relationship to it. Paul is going to tell you how you used to be related to the law. Might say we are in the DPGG and have never been under the law, but there has been a connection to the law in your flesh (Romans 6: INFIRMITY OF YOUR FLESH: the natural tendency to 'follow the law and live for God'). There's an attachment between the flesh and the law.</p>                                                                                                                                                                                                                                                                                               |
| Romans 7:2      |                                        | <p>FOR: Word of logic - can be mean further explanation or introduce additional detail OR when it is stating something, gives the ground of reason for why that was said. Here he is about to give the reason FOR what was said before.</p> <p>BUT IF THE HUSBAND BE DEAD: BUT is a corner word - takes you off in a different direction. The husband is dead. That didn't change her but it changed the relationship. She is still alive. You people Paul is writing to is like the wife. There was a connection that you had through your flesh to the law but then when your old nature in Adam got crucified, that relationship died. You are dead to sin. That relationship died and He replaced it with a whole new relationship IN Christ. He is going to use this illustration to say hey, there is a provision in the law itself that says a woman is bound by the law to her husband and as long as he's living she's under that. But when he dies, she is no longer under that, no longer bound to that law. Within the law, there's a provision that says it is possible for someone to still be alive and no longer be under some provision of the law. He says that's the way it is going to be now for you. There has to be a change in relationship. From a wife to a widow - things changed for her. So a radical change in relationship signals something different. The husband is dead. That didn't change her but it changed the relationship.</p>                                                                                                                                                                                                                                                                                                |
| Romans 7:3      |                                        | <p>Two things at work here:</p> <p>1. Here's a woman who got married and her husband dies. Paul is addressing this in the first part.</p> <p>* Paul is not instructing you on all the issues of marriage. He is pulling something out of the law that is very specific to illustrate no longer being under the law but under grace. Woman gets married. She becomes a wife. While she is a wife (no mention of divorce) and still married to this guy. He's alive and she can't get married to another man. If she does that, she violates the law of her husband and then would carry the title of adultress because she was still married to this husband. You can't be married to both (the second thing Paul is going to bring out here - can't have both the law and grace going for you at the same time). In the marriage situation, an adultress. In the spiritual situation, that would be wrong too. You had this relationship of the law and then something had to change that relationship and for God to put you under grace. You can't have both working at the same time and you can't just arbitrarily throw away the first one and get the second one. Something has to happen.</p> <p>2. He is going to turn around and make the application to the law of Moses that something has happened.</p> <p>* Other/Second part of the objection is that it may dissolve the old relationship (law) but it does not give you the right to establish a new relationship (grace). Your Heavenly Father didn't just free you from an old relationship, He entered you into a new One. He didn't just do away with the bad relationship you had (the law) and leave you hanging, Got something infinitely better for you than the law could have ever been.</p> |

| Romans 7:3      |                              | <p>Paul is saying because you are saved by grace, you can't live your life under the law. When your old Adam got done away with and you got this new thing IN Christ, that whole thing is about grace and any connection to the law got done away with. God didn't just come along and say, 'Well, I AM getting rid of the law and I AM doing grace'. God actually performed a process that made that proper and right for Paul to declare in Romans 6:14 - that you are no longer under the law but under grace. God made it that there was a drastic change in relationship that gave you a new legal standing. You are not only loosed from any previous binding of the law but it set you free to now enter into this new relationship. You died to your former relationship so there is nothing to do with that, through no fault of that. Jesus did that in His death, burial, and resurrection. Why that whole thing is provided for you by grace. Even though Paul doesn't use the word grace, it has grace all through it.</p> <p>ADULTRESS: Married to 2 men at once.</p> <p>BUT: corner word. More than just repeating what v2 says. Something more.</p> <p>FREE: Addressed the other/second part of the objection. LOOSED-v2 vs. FREE-v3: Paul is not repeating himself with a different word. Each word represents part of a process that is taking place here. Loosed has to come first - proper sequence. Argument is being developed here. MM picture: Loosed is you were tied down with ropes and now you are not. LOOSED (no longer tied up) vs. FREE (I can do something else now - law has no strings attached). v2 not a physical loosing. If loosed from the law, she is untied and under no further obligation to that law. No longer obligated to that law. Without any fault of her own (see in v3). Law is saying you have no fault in this (MM jokes unless she killed him). v3 is FREE from the law. No longer under the dominion of the law due to the change in relationship.</p> |
| Romans 7:4-6    | Application: Dead to the Law | <p>Application: dead to the law: Steps in this first application:</p> <ol style="list-style-type: none"> <li>1. You've become dead to the law by the body of Christ</li> <li>2. Death looses you from the law.</li> <li>3. Death frees you to enter a new relationship and that has already happened when you trusted Christ.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 7:4      |                              | <p>Brings us to the APPLICATION section. APPLICATION of who God has made you to be IN Christ when He fully identified you with Christ your Redeemer and His redemption, which allows for the law to be dismissed and a new relationship to get established. (happened when you got baptized into His death-Romans 6:3). God has not arbitrarily canceled the law and said we are under grace. He did the process He legally satisfied all the demands to do it, and deliver us from it, and to put us under grace.</p> <p>WHEREFORE: Word of logic - in view of what we just said. Because of the illustration I gave you my brethren, you are become dead to the law by the body of Christ that you should be married to another. She got married to another. It's a whole new relationship. That's the point.</p> <p>BRETHREN: Jews that know the law or Gentiles with a legal mind. Not the Church, the body of Christ. It's a specialized group. How do we know MM is right here? Because you have yet to be introduced to that terminology - the Church, the body of Christ. Didn't happen in Romans.</p> <p>BECOME DEAD TO THE LAW BY THE BODY OF CHRIST: But the law is nullified for believers.</p> <p>YE ALSO ARE BECOME DEAD TO THE LAW: Every single word of that is important. He is saved when you were in that unsaved, unjustified condition, it's like you are married to the law, you were under its condemnation. But now that you are saved, you are DEAD TO THE LAW. When someone dies the marriage is dissolved. Now, you are married to another, to Him that was raised from the dead = that's Christ. And if you are in Christ, you are dead to the law.</p>                                                                                                                                                                                                                                                                                                                             |
| Romans 7:4      |                              | <p>YE: You plural - all of you.</p> <p>ALSO: He just gave the marriage illustration so he's going to that. ALSO means in the very same way in the very same degree. What happens there is also what happens here.</p> <p>ARE BECOME: Points to a grace process. It is something you didn't do, it was done for you.</p> <p>ARE: Right now. Not WILL become.</p> <p>BECOME DEAD TO THE LAW BY THE BODY OF CHRIST: Not the Church the body of Christ. Paul is making an analogy - just like a woman who is married to a husband. As long as married, she's bound by the law to her husband and can't be married to another. But here's the beauty. If her husband dies, she could be married to another even though she is still alive. If something causes the law to be dead to you, you are now free. No longer bound by that law to be married to another. That's the point he is going to make. It was the law, but now it's grace. He's talking about the marriage illustration and you are going to be married to another. You are no longer bound to this thing about the law. Now, that's going to be under grace.</p> <p>BECOME: You are dead to the law - that is what's happened.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Romans 7:4      |              | <p>DEAD TO THE LAW: The very next thing he tells you. LOOSED (v2) -&gt; FREE (v3) -&gt; DEAD (v4). Already taken place and is a present reality. You are no longer bound to that even though you are still alive. That is our relationship to the law, we are dead to it. EX Gangster saying 'Tony's dead to me.' If your Father tells you that, you can count on it. Asking us to RECKON it to be true, even though that word is not used. To bring forth fruit, you had to be made dead to the law. You had to be made dead to sin. God took everything that you were under sin - unrighteous, enemy of God - and crucified it put it to death. God knows to enter into a new relationship, there has to be the death of the old one. Otherwise, you are going to be married to two at the same time and He said that won't work so I AM killing the old one. Now, we are free to enter the new one. Because we are dead to the law and had to be made that way, the law has ZERO capacity/no power to bring forth fruit unto holiness. Only grace has the ability to so that. Why an unsaved person can't produce fruit unto holiness but produce fruit unto death instead.</p> <p>BODY OF CHRIST: Jesus Himself procured/consummated at His death, burial, and resurrection. We are 'dead to the law' by the Body of Christ. Talking about what Jesus did in His death, burial, and resurrection. When He arises from the dead, He has a whole new relationship with the law. Because he was made a Man and fulfilled the law to every degree, but upon His death, burial, and Resurrection, something changed in that relationship. From that point on, there was a new relationship with grace. You are fully identified with Him so when the Father looks at you, He doesn't see your righteousness/eternal life/sanctification, He sees the perfect righteousness/eternal life/sanctification of Jesus. There's full identification with Him. Because you were baptized into His death, buried with Him in baptism, raised to walk in newness of life - you are fully identified with Him. Identification with Him gave you His righteousness, His eternal life, and His sanctification. Jesus was made of a woman, made under the law to redeem them that are under the law. There is full identification with Him.</p> |
| Romans 7:4      |              | <p>THAT YE SHOULD BE MARRIED TO ANOTHER(phrase 1): How you end up being under grace.</p> <p>SHOULD: Ought to - no guarantee.</p> <p>EVEN TO HIM WHO IS RAISED FROM THE DEAD(phrase 2): Emphasizes who we are IN Christ. Ties back to our being identified with Him in His death, burial, and resurrection. The same thing that happens to Him is going to happen to us. We have a sanctification just like His.</p> <p>THAT WE SHOULD BRING FORTH FRUIT UNTO GOD(phrase 3)</p> <p>SHOULD: Ought to - no guarantee. What you are supposed to be doing, doesn't necessarily mean that you will. . Ties to the SHOULD NOT SERVE SIN-Romans 6:6. The whole doctrine is given unto you so that you can do that which you are supposed to do. What every Christian should be doing, what a minority of Christians are doing.</p> <p>FRUIT UNTO GOD: The only fruit that God can accept is fruit that is produced by His perfect righteousness. Take the commas out - whole reason for making you dead to the law is so you can bring forth fruit unto God.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 7:5-6    |              | <p>10 detrimental things the law does in 2 verses - harsh, offensive, almost insulting things said about the law:</p> <ol style="list-style-type: none"> <li>1. The law operates in connection with our flesh - To be under the law you have to be "in the flesh." - v5</li> <li>2. The law was the mechanical means by which sins were put in motions. The law gave sin motion. THE MOTIONS OF SINS - v5</li> <li>3. The law produced fruit unto death - The law worked in our members, NOT to bring forth fruit of righteousness unto holiness, but to bring forth fruit unto death. The law worked in us to produce FRUIT UNTO DEATH. - v5</li> <li>4. The law was so dangerous to our sanctified, functional life position IN Christ that we had to be delivered from it - So dangerous was that law to your sanctified life that you had to be DELIVERED-v6 from it.</li> <li>5. The law held us in a position of imminent peril and personal danger - Under that law you were HELD-v6 or imprisoned on charges awaiting execution.</li> <li>6. The law will put your sanctified, functional life IN Christ to death.</li> </ol> <p>Your heavenly Father is trying to convince you to not employ the law in any part of your life. Like a plague. Don't come near it. The "oldness of the letter" (needed grace thinking instead) of that law cannot be operating in your spirit, you have to have something new operating there—newness of thinking in your human spirit—grace thinking, instead of old letter law-type thinking.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Romans 7:5      |              | <p>In connection with the law:</p> <p>1) "the motions of sins" - the law was the mechanical means in our flesh by which sin was put in motion—free to move about unshackled.</p> <p>2) "fruit unto death" - the law worked in our members to bring forth fruit unto death.</p> <p>Nutshell: Putting ourselves under the law can only produce fruit unto death. MM said he is not sure he could preach this sermon in a lot of places. Now you understand why God HAD to make you dead to the law. Because there is no way to produce that sanctified life by the law. Preachers will say do you really want to please God? Let's go over to Leviticus...we are no longer going to eat catfish (no scales - unclean). No longer going to eat ham sandwiches because of pork (unclean). God is not pleased by that. That is not what He is looking for from you. Keeping any part of that law because its the law is living for God in the flesh. Implementing any part of the law is attempting to serve God in the energy of your flesh. God will tell you that won't work for your sanctification anymore than it did for Israel's - that's rejected.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 7:5      |              | <p>FURTHER EXPLANATION of that issue with emphasis that the law could never accomplish what it is erroneously thought to accomplish.</p> <p>FOR WHEN WE ARE IN THE FLESH: Still dealing with the second objection. Argument was to undo the idea that the law was permanent. When you read, think - in Adam, sins.</p> <p>WHEN WE WERE IN THE FLESH: Requires explanation. When you read, think - in Adam, sins. The flesh cannot serve God.</p> <p>WHEN WE WERE: Tells you something that is no longer true for you right now.</p> <p>IN THE FLESH: Only the second time this has occurred in Romans and the way it was used the first time was a little different than here. Rest of the verse will help define this. Tendency to view as the way we were in Adam. The Bible says when you are under the law, you are IN THE FLESH. Keeping any part of that law is living for God in the flesh. Implementing any part of the law is attempting to serve God in the energy of your flesh. IN THE FLESH doesn't always mean these things - have to look at the context that it was used. Not talking about before salvation, he is talking about when he tried to live his life according to some rule. Saying when we were working in the energy and capacity of our flesh, doing the best I could do, because the law empowered sin to exceed my efforts and work in my members to produce fruit unto (functional) death.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 7:5      |              | <p>THE FLESH: Not talking about before salvation, he is talking about when he tried to live his life according to some rule.</p> <p>THE MOTIONS OF SINS: Both of these words are plural. It is not 1 sin, it is all kinds of sins. Not just A motion, it is all kinds of motions. Explains why you can do the same thing a lost person does and God counts it as fruit unto holiness for you and nothing for a lost person. It is absolutely fair. The reason people don't see it as fair is that we don't see the whole picture yet. We think it is just about the action and that's not it at all. God's looking at something much more important and much bigger than that. As we live this life according to our sanctification, we're going to do things that please God so much it is impossible to describe how He feels about it. MOTIONS OF SINS are a product of the law. The law produced this thing called the MOTIONS OF SINS. The law is what puts sin into motion. Could say the law gave sin the ability to move around. He is counter-acting the other idea that we have and that is the law restrains sin. It doesn't do that. We mistakenly think the law puts a ball and chain on sin. The law doesn't tie sin up, it gives it motion. Paul is saying when you introduce the law into your sanctified life, you just set sin free, you didn't restrain it. You put it in motion, you didn't fence it in. You left the gate open for it to run wild and go wherever it wants to go. The law does the opposite of what people think it does. Instead of preventing sin, it is the means by which sin goes into motion.</p>                                                                                                                                                                                                                                            |
| Romans 7:5      |              | <p>THE MOTIONS OF SINS (cont'd): There's no way your flesh can produce that which God's own righteousness can produce. The flesh does not have the capacity to do anything equal to what God can do. Giving you all this on why the law won't work. You have been told you are dead to the law and dead to sin and it had to be that way, because that is what gives sin motion. The law frees sin up to have its way.</p> <p>DID WORK IN OUR MEMBERS TO BRING FORTH FRUIT UNTO DEATH: We know we are supposed to bring forth fruit unto holiness.</p> <p>MEMBERS: Are the parts of your body that do things - feet, arms, legs, etc. When the Bible uses the word members, it has the idea of implementing something or putting something into practice. It's not just an idea, it's about actually doing something.</p> <p>FRUIT UNTO DEATH: You do produce fruit, but it is not fruit unto holiness. When we employ the law to live for God, we are attempting to serve Him in our flesh. The result of that is we bring forth fruit unto death. Paul is talking about functional death, not eternal death. We are under the law, operating in the flesh, not restraining sin but giving it freedom to go into motion. And when that happens, your members start producing fruit unto death. Because you have been made dead to sin(Romans 6:2) and dead to the law(Romans 7:4), we have the capacity to bring forth fruit unto holiness that will have everlasting life (Romans 6:22). He HAS appointed a day in which He will get rid of that fruit and separate it from Him - Judgment Seat of Christ, where everything that has been done will be tried by fire - the stuff done in the flesh will be burned up as wood, hay, and stubble. We want to produce fruit unto holiness because God Is HOLY. When you produce fruit unto holiness, God says I want that around Me.</p> |

| Romans 7:5      |              | <p>FRUIT UNTO DEATH (cont'd): The law doesn't produce fruit unto holiness. The law produces fruit unto death. People think if I try really hard, I can produce the equivalent of what God accepts, but you cannot. He is saying I don't need you to invent a way to please Me, I have given you a way to please Me. MM says there is a lot of fruit unto death being produced by saved people. Could call it rotten fruit. Only thing that will survive is that performed under grace, not under the law. MM is sure Cain was sincere and Saul was sincere. But sincerity is not the test.</p> <p>DEATH: Is a separation. Everyone lives forever, it is just a matter of where. If God considers something as death, He doesn't want that around Him. (GH: Because God is LIFE.)</p> <ul style="list-style-type: none"> <li>- Eternal: Separation from the heavenly places and the lake of fire.</li> <li>- Functional: Separation from your sanctified life.</li> </ul> <p>Here Paul is saying we are under the law, operating in the flesh, not restraining sin but giving it freedom to go into motion. And when that happens, your members start producing fruit unto death. Should see the law as dangerous to us. God is saying that thing you produced under the law in your flesh, I want it separated from Me. I want it away from Me. Put that out. God is saying there is nothing about that I want, it was produced in your flesh and you did it under the law which killed your sanctified life. God isn't looking at that and saying you did a bunch of really good stuff. He is looking at that, and saying 'unclean'. Get that out of My presence.</p>                                                                                                                                                       |
| Romans 7:6      |              | <p>The APPLIED CONCLUSION of the corrective doctrine that fully dismisses the 2nd objection as having no valid basis on which to stand; with special emphasis upon the new relationship being now not under the law, but under grace. These are the steps that:</p> <ul style="list-style-type: none"> <li>- Answer the objection about not being under the law but under grace</li> <li>- God, your Heavenly Father Himself, thinks when He sees you under grace and not under the law.</li> <li>- Are expected to operate IN your inner man to think about it the way your Father thinks.</li> </ul> <p>It's more than dealing with objections. It is actually equipping you to live the way you should live your daily life. Now, you will operate a whole different way in your inner man and it is going to be by grace and not in the OLDNESS OF THE LETTER. God wants you to start thinking about this in a whole different way. When you do, you understand that God is not cursing you because you messed up. EX I did this and God wasn't happy. That's why I got a flat tire. If you were Israel, you might have broken a chariot wheel, but you are not under the law but under grace. You don't have fear as your motivation.</p> <p>BUT NOW WE ARE DELIVERED FROM THE LAW: In v4, told DEAD TO THE LAW. Not just repeating what he said, Bible is telling you a little something further. True in what Jesus did in providing our sanctification.</p>                                                                                                                                                                                                                                                                                                                                                          |
| Romans 7:6      |              | <p>BUT NOW: The really good news - you are dead to the law-v4. He has delivered you from that law. The issue that is supposed to be in your thinking now is this and He is going to show you how to do that, it's grace thinking - what He calls 'newness of spirit'. It's the issue of recognizing who you are in Christ by God's grace and being motivated by that. Means you responding in your daily life consistently with who you have been made to be in Christ. Who grace has made you to be. Now being delivered from the law, you can serve in 'newness of life'. It's the only way you will ever serve God properly. He is going to give you new information that will operate in your human spirit that will allow you to do that fruit unto holiness which is going to last forever.</p> <p>DELIVERED: Saved - root word of delivered - to run to a person's assistance in the moment of difficulty to save and make safe. Because there is a real, personal, imminent danger with the utilization of the law in our sanctified life. God is so concerned about how you think you're supposed to live this sanctified/Christian/spiritual life, He wants you to see that the law is dangerous to you. It puts that in peril as far as your sanctification goes. He is trying to say your functional life is going to get put to death over this issue and you are going to produce fruit unto death and all of that is going to be destroyed. He wants us to produce fruit unto holiness and there is only one way to get that done. He delivered us from the fruit unto death, that is the only thing the law could produce. He is trying to say your functional life is going to get put to death over this issue and you are going to produce fruit unto death and all of that is going to be destroyed.</p> |

| Romans 7:6      |                                            | <p>THAT BEING DEAD WHEREIN WE WERE HELD: Dead to the law and dead to sin - being identified with Christ in His death, burial, and resurrection.</p> <p>HELD: The way you were before, you were being imprisoned by this thing. Like being held awaiting my sentence to be carried out. Were held on those charges. This is the very dangerous position Not that you will lose your sanctification - that's impossible. But what you were supposed to accomplish in your sanctification - fruit unto holiness will never be accomplished unless you were made dead to the law, dead to sin.</p> <p>THAT WE SHOULD SERVE IN NEWNESS OF SPIRIT, AND NOT IN THE OLDNESS OF THE LETTER: Begin to get introduced to the concept of flesh vs. spirit. Instead of the flesh, going to serve 'in newness of spirit'. It is a small s. It's your human small 's' spirit.</p> <p>WE SHOULD SERVE IN NEWNESS OF SPIRIT, AND NOT OLDNESS OF THE LETTER: You are told that you won't serve in 'newness of spirit' by keeping the law, but you aren't told too much about how to get that newness generated in you. The only thing you knew about "newness of spirit" was to serve God out of the new identity you were given.</p> <p>SHOULD: What you ought to do, not necessarily what everyone does do.</p> <p>NEWNESS OF SPIRIT: Is 'grace thinking': A furthering of the concepts that you got in NEWNESS OF LIFE-Romans 6:4. Newness of spirit is what you are going to operate on from now on:</p> <ul style="list-style-type: none"> <li>- a new system of thinking</li> <li>- a new operation in your inner man/little s spirit</li> </ul> <p>It's opposed to the law/flesh/etc. In contrast to the performance system of the law.</p> |
| Romans 7:6      |                                            | <p>OLDNESS OF THE LETTER: Ever heard of the letter of the law? Reason he didn't just say 'not in the law'. The "oldness of the letter" (needed grace thinking instead) of that law cannot be operating in your spirit, you have to have something new operating there—newness of thinking in your human spirit—grace thinking, instead of old letter law-type thinking. Even when God gave the law, it was under the motivation of fear (Exodus 19:16-19; Exodus 20:18-20).</p> <p>OLDNESS: Also, notice this he talks about the OLDNESS: 1. The law 2. Old Covenant 3. Now he is giving you something NEW - implies that which is old is going to be done away with. Exactly how you are supposed to see it so you understand you are not going to serve under that law at all. The law can never speak to your human spirit the way grace can. It can never produce in your spirit what grace can. It's impossible for it to do that. Now God wants something inside you and your inner man that the law was never designed to do. The law doesn't give you any information about how to function as a member of the new creation of the body of Christ. Had to have a whole new Sonship curriculum given to use to tell us how we are going to operate. The law doesn't contain any of that. If you were an Israelite, you learned some things on how you will operate in the Kingdom.</p> <p>LETTER: Letter of the law means the way the law went about doing its job. Paul is talking to them that know the law so they know how it was structured to go about doing its job and that's what he's talking about. He doesn't just generically say 'the law'.</p>                                                             |
| Romans 7:7-12   | Misunderstanding 1 of 2: 'Is the law sin?' | <p>Misunderstanding 1 of 2: 'Is the law sin'</p> <p>RESPONSE: No - nothing wrong with the law. The problem is with sin and our members.</p> <p>God gave that law to perfectly function as the exposure factor that it was. Does the law restrain sin and promote righteousness? No but it is not supposed to. Does it show us how sinful we are? Yeah, it's a power screw driver. Two errors here:</p> <ol style="list-style-type: none"> <li>1. Read and say 'I believe the commandment is holy and just and good' therefore in order to live my sanctified life, I am going to use the law. Mistake.</li> <li>2. Go back to verses 5 &amp; 6 and get the idea the law is sin.</li> </ol> <p>Pendulum swing too far in both directions. Reason it is looked at as a bad thing - if anyone saw it that way, they thought it was supposed to produce their sanctified life. When they realize it does not/cannot, they think it is bad. Paul is going to show that the law is good because it does do exactly what it was intended to do.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 7:7-12   | Misunderstanding 1 of 2: 'Is the law sin?' | <p>Does the law restrain sin and promote righteousness? No but it is not supposed to. Does it show us how sinful we are? Yeah, does a great job at that. Wrong interpretation: The law is bad. You can't use it to live for God. The law makes you functionally dead. The law puts you in the flesh. The law gives sin motion. The law produces fruit unto death. Law...Bad.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Romans 7:7      |                                            | <p>IS THE LAW SIN?: First misunderstanding. Would look at v5-6 and have a tendency to say, well, the law was terrible. So terrible you would say the law is sin, because that's what it did.</p> <p>GOD FORBID: Strongest way of saying NO in the N.T.</p> <p>NAY: Paul says there is nothing wrong with the law itself. The problem is, you can't perfectly keep the law, that's the problem. So if are ever going to try and use the law to be justified, you are never going to be justified.</p> <p>I HAD NOT KNOWN SIN, BUT BY THE LAW: You knew what sin was before you knew about the law of Moses. Paul is not saying he didn't know what the word meant. You knew as a kid you had done things wrong without the law telling you. Paul is making a point about the law. He is going to tell you that the law is so good at its job it was showing him that sin that he didn't know was sin when he was doing it. He is not saying I didn't know I had sinned as I was doing things I didn't know were a sin to God. The law came along and told me that. Lust has a bad connotation (not always bad - Galatians 5:17) but bad in this case. Paul is giving you an example here.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 7:7      |              | FOR I HAD NOT KNOWN LUST, EXCEPT THE LAW HAD SAID, THOU SHALT NOT COVET: From this we understand that not just covetousness is sin, but any violation of the righteousness of the Law is sin. Then gives you his sin and the commandment that showed his sin. When I saw something that belonged to someone else and I wanted it. I didn't know that was a sin until the law told me thou shalt not covet. This is an abbreviated form of this commandment (Exodus 20:17). It does not say anything explicitly about lust. THOU SHALT NOT COVET: Paul said there were things he didn't know were sin until he saw it in the law - cites the 10th commandment - covetness.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 7:8      |              | Paul is saying the law showed the very rottenness that was in him and he understood how sinful I was. What I was capable of harboring in my mind, not just doing, and allow that film reel to play itself out. Paul is making something very personal here. Saying let me tell you what happened to me, giving you an example/illustration out of his own personal life. Many times when a preacher preaches, he gives an example out of his own life. He is illustrating it and saying here's what happened to me. Paul is saying here what happened to me. I didn't know lust until I read over there, that 10th commandment, thou shalt not covet (v7). When he read that, the next thing he says, I began to see things that were wrong with me and with what was going on with me and they were terrible/extremely sinful in the sight of God. That's the reason why the law was given. To show people just how sinful/really bad they really are. When you really understand how bad you really are, you understand your need of a Redeemer and that is supposed to bring you to Christ. Clears up when you read the verses that come after this one. Turn the verse around - FOR WITH THE LAW SIN WAS ALIVE. Saw verses that the law gave sin motion and freedom to do what it wanted to do (v5-6). Paul is saying if I don't utilize the law on my functional life, if I say no to the law, sin is dead.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Romans 7:8      |              | You know you have been made dead to sin. As long as you utilize the law, sin is alive. The only way for this truth for you to be dead to sin is to not utilize the law in your functional life. The death Paul is talking about is functional death. Without the law in me, sin is functionally dead. If I am not going to utilize the law, sin doesn't not have power to do the thing it wants to do.<br>Wasn't the commandment that was the problem, it was sin taking occasion by the commandment. Commandment just revealed it. Sin took that thing and wrought all manner of sin in us. Opposite of what most saved people think. All the commandments are made to not just highlight one single area but to highlight lots of areas so we understand just how sinful we really are. Before the law was given, men were aware that they were sinful and aware that they were sinning. Knew they were being ungodly/were not honoring God. Knew what unrighteousness/wickedness was in the sight of God. MM says sin was active enough in the world that God destroyed to world in a flood - down to 8 people.<br>BUT SIN, TAKING OCCASION BY THE COMMANDMENT: Sin took advantage of an opportunity that was there and when it took advantage, it was taking occasion. It did it, it wasn't just a possibility. It was that it was going to. So every time sin gets the opportunity, it acts on it and that's what Paul is talking about. The law began to reveal to him that sin goes to work in a way and shows things to be there that before he did not even know was sin. Similar to FOR SIN, TAKING OCCASION BY THE COMMANDMENT-v11.                                                                                                                                                                                                                                                                               |
| Romans 7:8      |              | OCCASION: More certain than opportunity. Is that which action is taken upon and it is done. EX If you do you took the occasion to go to the grocery store. Compare to an opportunity: May present itself but it doesn't mean you've done anything with it. EX When you leave here, you have an opportunity to go to the grocery store on your way home. Doesn't mean you will. Don't take advantage of every opportunity.<br>WROUGHT IN ME ALL MANNER OF CONCUISCENCE: Purpose of the commandment is to make sin known. Paul reads through the commandment and I find out I don't know.<br>WROUGHT: Formed by hand, like wrought iron. Made. Produced.<br>ALL MANNER: Not just 1 or 2, all kinds of concupiscence.<br>CONCUISCENCE: To lust after, or desire. A word that comes from the mythological Roman god - named after the root of that word - Cupid - chubby guy on Valentine's Day cards. Cupid was a rauchy, debauched god of their own fabrication. Ruled as the son of night and son of hell. He carries 2 kinds of arrows: 1. gold headed arrows were supposed to inspire love 2. lead headed arrows were supposed to inspire hate. Word came to be known for someone with an abnormal sexual appetite. Wholly & totally given over to the desires of sinful lusts. Someone totally overcome in the pursuit of pleasuring their senses. Today's word - hedonism. Someone who has that kind of lifestyle - totally consumed mentally.<br>FOR WITHOUT THE LAW SIN WAS (functionally-without the law, sin has nothing/can't get traction/can't get motion) DEAD: Not before the law sin was dead. That doesn't work. The verse didn't say before, it said WITHOUT. Point: Sin didn't originate with the law.<br>- Functional life: when your sanctified life is being utilized.<br>- Functional death: when you try and take the law and try to live for God under the law, putting your functional life to death. |
| Romans 7:9-11   |              | Paul is talking about a JUEL person trying to put a sanctified life into practice by utilizing the law. God sets him up as an example/ensample.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 7:9      |              | <p>The law has no place in your life now. It doesn't have the power to do anything for you. It just shows you what a sinner you are. You're going to change your thinking from law thinking to grace thinking. Paul is giving a testimony - I WAS (functionally) ALIVE WITHOUT THE LAW. Not even the apostle Paul, a fully educated son, could get ahold of the law and cause it to work. God made Him do that so he'd have first-hand testimony to talk about that. Paul is talking as a saved person who tried to change from grace to the law as an ensample for us. God had Paul experience things and write to us about it so that we wouldn't just have someone's word for it, we would know firsthand this is exactly how it happened. Everything Paul is talking about here is AFTER he is JUEL. AFTER he was saved.</p> <p>FOR I WAS (functionally) ALIVE WITHOUT THE LAW ONCE: Paul giving a testimony. Context - Remember we are in sanctification/functional life &amp; death. There are other kinds - physical life/death, eternal life. Paul talking his functional life, functioning just fine without the law. As soon as he tried to take ahold of the law, sin revived and he died (functionally). Paul gets the revelation of the mystery and all of this revealed to him and then God says here is what I WANT you do do. You know the law has no place in your life now. It doesn't have the power to do anything for you. It just shows you what a sinner you are. You're going to change your thinking from law thinking to grace thinking. To prove this, here is what He is going to say to Paul - I WANT you to try and live this life by implementing the law.</p>                                                                                                                                                                 |
| Romans 7:9      |              | <p>ALIVE: Can't change gears and go from functional life to physical life unless he tells you.</p> <p>BUT WHEN THE COMMANDMENT CAME: When he went back and grabbed ahold of the commandment (the law), sin revived, and he (functionally) died and I couldn't live unto God under that Law. Paul is saying, God made me do this so I can give you first-hand information that I am doing great without the law. I'm alive. Then the Lord said, hey I WANT you to do this, you are going to talk with authority on this, you are going to see it. That's what he was talking about here. Paul goes back and grabs hold of the law - spawns the 'oh wretched man-Romans 7:24' diatribe. The things I didn't want to do, I would up doing. The things I should have done, I didn't. Paul's point is, if you are going to try and grab ahold of the law, that is what it is going to do to you. Why you have to stop thinking about the law and start thinking about grace.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 7:10     |              | <p>Once a person is born and then saved/JUEL (eternal life) and begin living their sanctified life. The natural way a person thinks about living their sanctified life is by finding some sort of performance system of some kind. Some kind of list of to dos and donts. If I do that I'll please God.</p> <p>COMMANDMENT, WHICH WAS ORDAINED TO LIFE: Paul is talking about the way everyone understood the commandment (GH: the law) to be, that the commandment gave you functional life. Wrong thinking. Was actually ordained unto death.</p> <p>I FOUND IT TO BE UNTO DEATH: Paul's experience was different. You can't live your sanctified life under the law.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 7:11     |              | <p>It got you to thinking you were being so spiritual and so godly by trying to serve God by keeping the law and really God is thinking that is ungodly and unholy and I don't want that around Me. Sounds almost too shocking. Can you imagine spending your life observing the law, thinking God was so happy, get up to Heaven and find out you've been carrying an empty sack, no rewards at the JSoc. It's going to feel right in this verse. Why you have to be instructed in this verse that sin taking occasion by the commandment deceived me. Made me feel like everything was good and by it slew me. The trap is you are going to do it and it's going to feel good to your flesh. That's why it's under the law is to be in the flesh. Flesh likes to feel like you have earned it. Start feeling superior. MM says 623 laws and 10 commandments? Becomes an overpowering list. Meant to regulate ever facet of their life, even the material that could be used for clothing. Certain fabrics couldn't be worn together. If you are not careful and you don't know how to rightly divide the word, you fall into this trap. You can't be left to how you feel about it because the truth is, that if you go by feelings, a saved person is going to put themselves under the law every time. God considers that to be ungodly, unholy, deceived and unacceptable in His Eyes. Even if you are reading your Bible and following the law to the best of your ability. He hates that even though it feels so good to the flesh. Most churches have no idea about this. Paul is counting on you to never ever reach out and take a hold of the law or anything like it to try and live your Christian life. The problem is not the law. The problem is sin taking occasion by the law. There's something wrong with our thinking about the law.</p> |
| Romans 7:11     |              | <p>FOR: Word of Logic. Can talk about or introduce purpose. Know it is going to provide instruction to correct this wrong thinking we have had.</p> <p>FOR SIN, TAKING OCCASION BY THE COMMANDMENT: Sin took occasion (is that which absolutely does get done, more certain than opportunity; you don't take advantage of every opportunity).</p> <p>DECEIVED ME: Produced a false impression and made a false conviction or belief in my thinking, and by it SLEW ME. Sin, taking advantage by the commandment, deceives us. Using the law to live your sanctified life is so deceptive that when you do it, you will think:</p> <ul style="list-style-type: none"> <li>- you are honoring God</li> <li>- you are being holy</li> <li>- God is happy</li> <li>- you are making progress</li> </ul> <p>and that's the deception here, because you really put your functional life to death.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Romans 7:11     |                                                               | <p>SLEW ME: Wasn't physical. He was alive physically. His eternal life wasn't slain. What got slain was his functional life. That ability to live for God everyday got killed.</p> <p>SLEW: Pretty strong word. Past tense of the word SLAY. Basically means kill in a very aggressive way. A military term - talk about soldiers being slain in battle. The violent taking of life.</p> <p>Paul uses this type of terminology to say in the strongest possible terms, you have to come to grips with the idea that when you take ahold of that commandment to try and live of God every day, it will not only deceive you but it will be just like it is with you in combat and the moment your back is turned, it pulled its own sword and hacked you to pieces. It slew you while you thought it was on your side. It actually turned against you. When you see this, you will see this like a rattlesnake curled up in the front porch or back yard. You don't want that. That's a dangerous situation. Every single Christian under the law system has had their functional life slain/put to death.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 7:12     |                                                               | <p>The problem here is not the commandment. The problem here is sin. Nothing wrong with the commandment. It's sin in our members that is the problem. The commandment gave motion to sin so you would never make the mistake of thinking you didn't have that problem. You had it before. The commandment makes it obvious. The law doesn't have any fault to it whatsoever. It is not supposed to restrain sin and promote righteousness. It's job is to put sin in motion, to give sin functional life. Paul testified, once he started utilizing that law, it put his sanctified life to death - sin revived and he (functionally) died. Getting to v12 puts an end to what he wants to say about that part.</p> <p>Conclusion stated in this verse. Uses the word HOLY twice He did it two ways:</p> <ol style="list-style-type: none"> <li>1. Gave you the very general example of the law: the law showed me things that are sin that I didn't know were sin</li> <li>2. Gave you a very specific example and uses the commandment to do it</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 7:12     |                                                               | <p>Here he is ending his proof the same way he started it, by including both.</p> <ol style="list-style-type: none"> <li>1. The law as a whole is holy</li> <li>2. The commandment individually is holy</li> </ol> <p>He is just finishing it up the with there's not anything wrong with the law, but he adds 2 more things:</p> <ol style="list-style-type: none"> <li>1. This thing is not sin at all. The commandment itself does exactly what God wanted it to do when He started it.</li> <li>2. The reason he calls it JUST is because even if you know you can't get ahold of the law and live for God, you may be thinking the law is unjust because it gives sin the occasion to do what it does. He is saying that's not a problem with the law, that's the problem with sin.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 7:13-25  | Misunderstanding 2 of 2: 'I must have been OK before the law' | <p>Misunderstanding 2 of 2: 'I must have been OK before the law' - If the law is the thing that makes all this happen, then I must have been OK before the law/must have naturally had a sanctified life/produce it on my own &amp; live unto God and never needed to know about the law. -&gt; Paul replies GOD FORBID. Is a misunderstanding about what we think about ourselves. We think we were functionally alive until the law came along and then we were functionally dead. But the truth is you were functionally dead before the law. You are functionally dead by nature. Most people understand we can never produce our own justification/salvation. Then we come along to our sanctification and somehow there's a thinking that I can do this/handle this part now that I have gotten saved. I was doing pretty good on my own, I was naturally able to have functional life but it was the law that took all that away from me. Paul says, oh no, the law really does want to get in you and motivate you to change. The problem is not the law, the problem is you were already weak. All the law did was expose your weakness.</p> <p>- the kingpin - saving the best for last, deepest rooted of the misunderstandings</p> <p>RESPONSE: We're no better than we were if we grabbed ahold of the law. We are still sinners. Sin is still sin. No matter how you try, it's going to exceed your ability. The law had to come along because you not only can't live for God under the law, you couldn't live for God before the law either.</p> |
| Romans 7:13-25  | Misunderstanding 2 of 2: 'I must have been OK before the law' | <p>Paul switched gears and began to use some personal pronouns using himself as an example and talking about I and MY and ME. Personal Pronouns: MYSELF = 1x; MY = 4x; ME = 9x; I = 27x; Total of 41x!</p> <p>You can't do it:</p> <ol style="list-style-type: none"> <li>1. You can't put your sanctification into practice under the law</li> <li>2. You can't put your sanctification into practice on your own without the law</li> </ol> <p>There is only one way to put your sanctification into practice and that is under grace. The commandment is not the problem. Sin is the problem. | Romans 7:13     | Misunderstanding | <p>Misunderstanding: Hey, if the law is the thing that made me bad, if God had just never given the law, I'd have been alright. I'd naturally got functional life, it's the law that messed me up. If the law is the thing that makes all this happen, then I must have been OK before the law/must have naturally had a sanctified life/produce it on my own &amp; live unto God and never needed to know about the law. Hinge for all the rest of the chapter. The commandment is not the problem. Sin is the problem. When the commandment show us to be sinners that we are, the problems not with the commandment, the problem is with the sin in our members. The law shows you how sinful you are, how functionally dead you are, how incapable you are. This is the objection or misunderstanding.</p> <p>WAS THEN THAT WHICH IS GOOD MADE DEATH UNTO ME?: It does NOT say: 'Was then that which is good the thing that made me functionally dead?' That's what you have in your mind when you read it. It does NOT say: 'Was then that which is good death?' The thing that comes into your mind is - if something makes you dead, how were you before that thing came along? The implication is, I was going OK before that thing came. That is exactly what it is saying. The thing that is good here is the law. Remember the law is good and holy and just. Wrong interpretation: The law is bad. You can't use it to live for God. The law makes you functionally dead. The law puts you in the flesh. The law gives sin motion. The law produces fruit unto death. Law...Bad. Wait a minute, if the law is made death unto me, if I have never heard of the law, I'd be doing OK. Say before you got saved, you didn't know anything about the law.' The law had to come along because you not only can't live for God under the law, you couldn't live for God before the law either. It is not naturally in you to be able to live for God. God had to give you something in order for you to live for Him. And if He doesn't do it, you will never get it done. with the law or without the law.</p> |
| Romans 7:13     | Misunderstanding | <p>We think we were functionally alive until the law came along and then we were functionally dead. But the truth is you were functionally dead before the law. Then you didn't have the ability to live unto God on your own/walk in newness of life/produce fruit unto holiness. There is something that you need from God and that's what it is all pointing to. There is only one way to put your sanctification into practice and that is under grace. There is nothing good in us by nature at all.</p> <p>GOD FORBID: Paul says GOD FORBID. The law showed you how you were naturally. Naturally you don't have functional life. Naturally you're incapable of producing fruit unto holiness or walking in newness of life.</p> <p>SIN, THAT IT MIGHT APPEAR SIN, WORKETH DEATH IN ME...THAT SIN...MIGHT BECOME EXCEEDING SINFUL: Part of the job of the Law was:</p> <ul style="list-style-type: none"> <li>- to make sin appear as sin - let sin appear for what it is</li> <li>- to work death in us (so sin would scare us to death) - it is putting our functional life to death</li> <li>- to make sin appear exceeding sinful - even the 'little sins'. Until sin appears EXCEEDING SINFUL, you will not be able to be turned loose as a Christian.</li> </ul> <p>Something is going to have to happen that you become convinced of the horror of sin so you treat it like the poisonous death that it is.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 7:13     | Misunderstanding | <p>BUT SIN, THAT IT MIGHT APPEAR SIN: So it can be seen for what it really is, not the way it puts itself forth. But for the way it really is. It's an unmistakable reality. It used to be the law is the thing that's bad. He's going to say, no, it's sin that bad and the law is going to show you.</p> <p>BUT SIN: BUT is a corner word - taking you in a different direction. Here's the direction - everything was hunky-dorry till the law came along, that was my problem, the law. Paul is going to say BUT SIN, there's your problem, whether it's under the law or out from under the law. You got a problem with sin that you can't handle. What he is going to drive home because sin is the issue. You are functionally dead under the law. You are functionally dead without the law when you are on your own. It's the law's job clearly that you can't operate on your own.</p> <p>THAT IT MIGHT APPEAR SIN: Here's another word the newer versions like to change up. Use 'seems' or kind of looks like.</p> <p>APPEAR: Tells you I have come to a certain understanding. It's not 'seems' anymore. Now, its 'appears'.</p> <p>WORKING DEATH IN ME BY THAT WHICH IS GOOD: In the context of your sanctified life (not talking about eternal death in hell/physical death, he is talking about functional death=ability to live for God everyday). That law is bringing out what is in you naturally.</p> <p>THAT WHICH IS GOOD: the law.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 7:13     | Misunderstanding | <p>EXCEEDING: Exceeding means its becoming more/going beyond. Sin is going to be shown by the commandment to be able to exceed any ability or power or try as you might as hard as you can, sin is going to exceed your ability or power to restrain it. Sin will outdo every attempt that you will make. You won't be able to resist it or overcome it or defeat it. Everytime I use the law to control sin, the law will give sin more EXCEEDING power and will outdo any of my attempts in the energy of my flesh. See it for the really bad thing it is. He is already told you that. He is not being redundant. Here he's giving you something different. Exceedingly is an adverb-ly. Not comparing it. If you are comparing it, what other words would exchange the word EXCEEDINGLY? VERY. That makes it mean the wrong thing. Paul says that sin is going to be shown by the commandment to be able to exceed any ability ot power or try as you might as hard as you can, sin is going to exceed your ability or power to restrain it. It's EXCEEDING not exceedingly. He is saying however you try to live this thing out, sin is going to exceed your ability to have a sanctified functional life. You don't have the natural ability to have a sanctified functional life. Ability to live unto God = sanctified life, That sin will exceed everything you are trying to do. It'll outdo every attempt that you will make.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Romans 7:14     |              | <p>Start of the corrective doctrine. Short verse but these component parts are very necessary for us to understand what is going on here. Coming on the heels of v13 that gave you the misunderstanding about oh well, you know, I had this functional life on my own until the law came along and then the law spoiled it all. First piece of punctuation is a colon:</p> <ol style="list-style-type: none"> <li>1. First phrase about the law,</li> <li>2. Second phrase about Paul himself.</li> </ol> <p>They are connected. What you are supposed to see in that punctuation is that you've been given the first phrase FOR WE KNOW THE LAW IS SPIRITUAL. Before we move past this colon, you're supposed to be able to look at that and say I not only know that's true, I know why it is true, and he's already told you, you're supposed to know this (FOR WE KNOW). I know it, am fully persuaded. Once you say that, you are able to move to the second phrase past the colon - BUT I AM CARNAL.</p> <p>FOR WE KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. Something we should already know. When you can say, 'I get that', then you can move to the next one. Checkpoint - something we should already know/supposed to be aware of.</p>                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 7:14     |              | <p>FOR: Word of logic - introducing the corrective doctrine.</p> <p>THE LAW IS SPIRITUAL: Applied to a thing instead of a person. Think you could use for your functional life. The word BUT tell you it ain't going to happen that way. When he says the LAW IS SPIRITUAL, it is designed to get into a person's mind and to motivate them and change them. That's the way the law is designed.</p> <p>SPIRITUAL: Lower case s. Has to do with your human spirit at its basic core. If something affects your spirit, it is going to affect your mind. Usually use this term to apply to people. When talking about an inanimate object, now it changes a bit. If something is spiritual, it is something that affects your human spirit. If something affects your spirit, it is going to affect your mind. 3 aspects of something that is spiritual/3-fold quality of spiritual:</p> <ol style="list-style-type: none"> <li>1. It gets in your mind/brain (connection between your human spirit and mind is not separable)</li> <li>2. Motivates you once it is in your head</li> <li>3. Changes you (what that is about - something spiritual is a life changing event - motivates you to produce a change) (in this case, produce functional life)</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 7:14     |              | <p>SPIRITUAL (cont'd): You know the law cannot produce change in you. Law has zero power to make that happen. When he says the LAW IS SPIRITUAL, it is designed to get into a person's mind and to motivate them and change them. That's the way the law is designed. Why so many people think if I grab ahold of the law, it will change me and cause them to live for God. Paul is not repeating LAW IS HOLY and just and good-v12. Not just repeating what he told you 2 verses earlier. He is talking about something else. When we were JUEL, we were not made sinless. Sin was never eradicated for us. It was never done away with. We still have sin in our members in this body of flesh (weak). Law gets in our mind and says use me, this perfect and righteous and just law, to live for God. But the flesh is so weak it can't supply the power. The law has no power to do that on its own. Powerless depending on the energy of our flesh and the flesh is weak. That's the problem. Problem is with us, not the law. Everytime I use the law to control sin, the law will give sin more EXCEEDING power and will outdo any of my attempts in the energy of my flesh.</p> <p>BUT: Is an English word of logic - a corner word. You are getting ready to go off in a whole different direction.</p> <p>BUT I AM CARNAL: As much as the law gets in your mind and it motivates you and tries to change you but it doesn't have the power to do that. Paul says the law is spiritual. The law does get in your mind, it does motivate you, and it does want to change you, but your flesh has to supply the power to make it happen. He says BUT I AM CARNAL. Paul comes along and said that's not good. The law has to rely on you.</p> |
| Romans 7:14     |              | <p>I AM CARNAL: The law 1. does get in your mind, 2. it does motivate you, and 3. it does want to change you, but your flesh has to supply the power to make it happen. The law has no power to make that happen.</p> <p>CARNAL: Flesh. Carnal implies weakness.</p> <p>SOLD UNDER SIN: Kicker at the end of this verse. Sold is past tense of sell. If you sell something you give it over or you are putting it in the possession and under control of someone else. Is a condition of being carnal without strength to produce functional life. Paul says I am under the control/under the dominion of sin. If I grab ahold of the law, because I'm so weak, my flesh doesn't have the power to do that. The law has no power on its own. All it can do is show me how weak I am and I wind up being back under the dominion of sin. Means in your sanctified life, you wind up being under the dominion of sin again, that cycle of try &amp; fail and try &amp; fail. You are under sin's dominion and therefore not producing functional life. Don't have to try and get in this position, it's the default position where this automatically goes.</p> <p>UNDER: When you are UNDER, there's someone who now has dominion. Sin has its way with you.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 7:15-17  |              | After Paul gives his testimony in v14, Paul is giving us his personal testimony as an ensample. I tried to use the law to live unto God and here's what it got me - failure. It's Paul as a JUEL called to be an apostle attempting to utilize the law to produce sanctification. This is his testimony on what happens when he does that. He is not describing a war that goes on between his old nature (that's the thing that wants to do stuff he shouldn't) and his new nature (that's the one that wants to do the right stuff that he winds up not doing). Paul who is a saved justified man but at the same time even though he is saved/JUEL, he is carnal/weak in the flesh. When he tries to utilize the law to put his sanctified life into practice, it doesn't work. People have been taught to get ahold of the law because it's spiritual, get in your mind and motivate you and change you. They want to change and mean business. What they don't understand is, when they grab the law you are sold under sin and that never changes.                                                                                                                                                                                                                              |
| Romans 7:15     |              | This is all under the context of trying to utilize the law. Context is not old nature/new nature. New nature doesn't come up till Romans 8. Why we need grace so badly because it's the only thing that has the power to change all that.<br>FOR THAT WHICH I DO I ALLOW NOT: I end up doing the things I don't want to do. When I grab the law and try to live for God, the things I don't want to do, those are the things I wind up doing.<br>FOR WHAT I WOULD, THAT DO I NOT: He says the things that I want to do turn out to be the very things I don't do. There's a contrast - not old nature/new nature - it's the same guy trying to take the law and live for God. See Paul has no power to give to the law and vice versa. Two powerless entities - one trying to motivate you to change and the other one wants to live for God but neither one has the power to.<br>BUT WHAT I HATE, THAT DO I: The thing you didn't want to do is the very thing you wound up doing.                                                                                                                                                                                                                                                                                                   |
| Romans 7:16     |              | I CONSENT UNTO THE LAW THAT IS GOOD: All things that Paul has said so far about the law are actually the things that are working and all those things are true.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 7:17     |              | Paul is not trying to get out of responsibility. He's not saying OK, so when I do sin, it's not me anymore. It's sin. Not 'the devil made me do it'. The part that Paul is responsible for is the part that he does. He's taken something that he can't utilize to live for God and he has no power to make it happen. The problem isn't really with the law. The real problem is sin in our members. And that sin, if we utilize the law, we're going to get sold under sin and if we get sold under sin, we'll never be able to produce functional life. When you use the law to do that it was never intended to do, you are by default putting yourselves under the dominion of sin. You can't live for God that way, will never be able to produce that functional life. Sin has the greater power. Why it's exceeding sinful. No matter how hard you try, sin will exceed your try/sincerity. When you, as a saved/JUEL person say I am going to grab ahold of the law and live for God, you are saying I don't want God to give it to me by His Power and Grace, I will produce it on my own.<br>SIN THAT DEWELLETH IN ME: We still have SIN IN OUR MEMBERS-Romans 7:23 which is the familiar and comfortable habits of sin which reside in particular members of our body.    |
| Romans 7:18-24  |              | Paul says trying to produce the righteousness of the law by keeping the law results in the WRETCHED MAN-v24 syndrome, which is the frustration that comes from trying to keep the law. This is Paul telling us what was happening when he was trying to keep the law in the power of his own flesh. It was the 'wretched man'-v24 syndrome. We know two things about this:<br>1. There is nothing wrong with the law; it is the spiritual and it represents the righteousness of God (IS THE LAW SIN? GOD FORBID-Romans 7:7, THE LAW IS HOLY-7:12, THE LAW IS SPIRITUAL-7:14 - the problem isn't the law, the problem is we cannot keep the law)<br>2. We are exhorted to produce righteousness that is acceptable to God while we are still living in these fleshly bodies (YIELD...YOUR MEMBERS AS INSTRUMENTS OF RIGHTEOUSNESS-Romans 6:13)<br>The only kind of love that can produce that kind of righteousness is *our Father's love*. It's not the kind of love that we think of when we think about, oh, I love my family, this is generated in us by the doctrine and by the exhortations in the Sonship curriculum. This is everything our Heavenly Father V&Es and why He V&Es it. Remember there is purpose behind this, there are things that He is trying to accomplish. |
| Romans 7:18     |              | FOR I KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Have to know WHAT it means and HOW it applies to you. When you can say, 'I get that', then you can move to the next one.<br>IN MY FLESH), DWELLETH NO GOOD THING: God rejects service in the flesh - God rejects everything about our flesh.<br>FOR TO WILL IS PRESENT WITH ME: I want to do it.<br>BUT HOW TO PERFORM THAT WHICH IS GOOD I FIND NOT: I want it. It's in me. I really desire it but when it comes to the actual doing of it, I find myself failing. It's all a dismal picture so you know to leave the law alone.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 7:20     |              | <p>This verse is not Paul giving himself an alibi for when he does wrong. He is not saying, when I do something bad, it is not me anymore. He is not excusing himself. Not what is going on. It's a statement Paul is making in the context of everything else we've just read that says even though Paul wasn't intending to do these wrong things, sin, that's what he wound up doing. Because sin was greater than his power of flesh.</p> <p>NOW IF I DO THAT I WOULD NOT: If I do the things I don't want to do. It's not that I wanted to do it. It's no more I that do it. I didn't want to do that, I want to do the right thing. I wanted to do righteousness he says, but sin that dwelleth in me, that's the overcoming power of sin and the law. That's the overcoming power of sin and the law gives sin that overcoming power. That sin that is dwelling in him has a greater strength of will than Paul has. No matter how Paul tried, the power of sin was greater. True for him and true for us. Show us that sin exceeds our strength to produce functional life. Sin's will is stronger and it is going to win everytime. You can do nothing about that spiritual deadness on your own. That sin that is dwelling in him has a greater strength of will than Paul has. Show us that sin exceeds our strength to produce functional life.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 7:21-23  |              | <p>The law is depending on the energy of our flesh and the flesh is weak and that's the problem. The problem is with us. 3 Laws of Paul's Law:</p> <ol style="list-style-type: none"> <li>1. 'the law of God' - law of Moses/613 commandments/Mosaic law - which holds out the hopeful prospect of self-produced functional life. – v22 You are not under the law but under grace-Romans 6:14-15.</li> <li>2. 'the law of sin in my members' - wars against and defeats/overpowers the 'the of my mind' and I fail utterly - v23</li> <li>3. 'the law of my mind' (I can use the law to get this done/produce a functional life-feels right-law is spiritual) - which is the unfailing truth that while trying to produce sanctification by means of the law, when I try to utilize the law to do good, all of a sudden, evil is present with me. “when I would do good, evil is present with me.” – v21</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 7:21     |              | <p>Because I found it was true and because I found it to be true, he says I can call it a law because it happens everytime. Like gravity is a law. There's another law I have found that is working in my members THAT WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME. Doesn't matter how much I delight in that law, I can't make it work.</p> <p>I FIND THEN A LAW: What he just got through discussing with you. He's about to give you further detail on this for you, when he tried to put himself under the law of Moses to produce functional life.</p> <p>A LAW: Paul is not refering to the law of Moses. Do you think he just discovered the law of Moses? Of course not. He is saying I found something to be true when I tried it everytime I did it I found that it was true. A generic law that was true every time. Not naming a law, defining it.</p> <p>THEN: In view of my personal testimony of trying to utilize the law to live for God and always failed. This is a place people get tripped up. They think that when Paul says I FIND THEN A LAW, they say see, Paul says we are under the law. He just spent 2 chapters telling you that you are not under the law but under grace. Now, they take this one phrase and negate 2 chapters worth of teaching. Paul is not referring to the law of Moses. He says I FIND THEN A LAW. We do the same kind of things. Law of gravity and dropping a marker. It would work 100 times out of 100 times.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 7:21     |              | <p>WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME: Context of utilizing the law to produce functional life. Could call it the law of the law.</p> <p>WHEN I WOULD DO GOOD: Paul wants to do good and has applied his will to do it and effort. Going to be some kind of desire to utilize the commandment to try to produce righteousness to try and produce functional life and he says everytime I really try and I utilize that commandment, BOOM! Evil is present with me.</p> <p>EVIL: About sin that refers to it in its exceeding-ness. The harder/more Paul tries, the worse it gets, the more sin exceeds his ability to try.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 7:22     |              | <p>Here's another trouble verse. People read and say see, Paul delighted in the law of God. He loves the law. Means there is a natural fleshly tendency to want to utilize the law of God. Remember the context - utilizing the law to produce functional life. Saw this in Roman 6:19 and the INFIRMITY OF OUR FLESH. The flesh loves the law and is drawn to the law automatically.</p> <p>DELIGHT IN THE LAW OF GOD: There's this natural attraction to the law of God. The law is holy and just and good and if you want righteousness, why wouldn't you be attracted to that? The only reason why you are not is he has beat the law into the dirt for 2 chapters. The law doesn't look very good. But for the natural person, the law does look like the very standard of God's righteousness. People think I am going to be able to utilize the law that is good and righteous and produce a sanctification and God is going to be pleased with that. But you already know that is destined for failure because the law is depending on your flesh to energize it and you don't have the ability to do that. Sin is going to overpower that everytime.</p> <p>DELIGHT: Brings great pleasure/real joy and happiness. Something that is attractive. Describes all the natural attractiveness of the law as it appeals to your mind and it works in your mind. Allures him and beckons him. That natural desire people have when they want to change. Paul is saying in my inward man, there is a natural delight for the law. First thing the law does is get in your mind (inner man). It tries to motivate you and change you to produce functional life. What it is trying to do. It is in my mind. It is trying to motivate me. It is trying to get me to use it. DELIGHT works in his mind to make him think that this is something good.</p> <p>INWARD MAN: mind - It is in my mind. It is trying to motivate me. It is trying to get me to use it.</p> |

| Romans 7:23     |              | <p>The law needs energy from somewhere. The only energy source is the flesh but it is weak and has no power. Paul is showing you now this works. You can't see the word law meaning the law of Moses everytime it comes up in these verses. Not only did this other law overpower the 'law of my mind' that said I could do it, I found out I can't. I got killed in action, my functional life got put to death. Kicker: The very thing (the law) you thought you were going to produce functional life is the thing that empowered the other law to kill you, it gives its power to a different law and produces death. Because it is a law, you are going to fail every single time. Paul was doing it every way he can to show you that will not work, that cannot work, that has never worked, that will never work. That is 'the law of sin in our members'.</p> <p>BUT I SEE ANOTHER LAW IN MY MEMBERS: Same as A LAW-v21 and LAW OF SIN WHICH IS IN MY MEMBERS-v23.</p> <p>BUT: I delight in the law of God, it feels good, BUT...</p> <p>LAW OF SIN WHICH IS IN MY MEMBERS: There's another law I have found that is working in my members THAT WHEN I WOULD DO GOOD, EVIL IS PRESENT WITH ME. Doesn't matter how much I delight in that law, I can't make it work.</p> |
| Romans 7:23     |              | <p>CAPTIVITY: You have become a POW of 'the law of sin in my members'. He wants you to see it as a casualty of war. It is taking you captive. If you are taken captive in this battle, than Satan's POE for us in the DOGG is working perfectly because his idea is to keep you from having functional life so he wants you to utilize the law. He wants the law of your mind to be in place and he needs you to entertain the notion that you can use the law. The law needs energy from somewhere. The only energy source is the flesh but it is weak and has no power. Not only did this other law overpower the 'law of my mind' that said I could do it, I found out I can't. I got killed in action, my functional life got put to death. He doesn't want you to see it as a failure, he wants you to see it as a casualty of war. It is taking you captive.</p> <p>SIN WHICH IS IN MY MEMBERS: We still have "sin in our members" which is the familiar and comfortable habits of sin which reside in particular members of our body.</p>                                                                                                                                                                                                                                 |
| Romans 7:24     |              | <p>Read this with the exclamation point on it and it comes across as a cry of frustration.</p> <p>WRETCHED MAN: Any Christian trying to live for God under the law of Moses. What Paul is saying by his own testimony. Wretched man syndrome: Paul talking about when he's trying to put himself under the law and live in the energy of his flesh and produce his own righteousness that God will accept, that's a dangerous proposition. The result is always functional death. Walking after the flesh - We revert back to try and produce it ourselves and get the WRETCHED MAN syndrome. Frustrated. 'I failed again'. Law given to show you what a failure you are. Does its job perfectly.</p> <p>WHO SHALL DELIVER ME FROM THE BODY OF THIS DEATH: Just as it did in justification, deliverance from this can only come from God by grace, just like your justification did. That's why He provided a perfect sanctification for you.</p> <p>WHO: Who not 'What'. A 'What' would imply something like the law. Tells you something very important right there.</p>                                                                                                                                                                                                       |
| Romans 7:25     |              | <p>Answer to the question in v24-WHO SHALL DELIVER ME FROM THE BODY OF THIS DEATH? Jesus Christ our Lord. Should be firm in you mind now and be confident that there is no way you will ever utilize the law to successfully live unto God - the bottom line. If you do, you become the WRETCHED MAN in v24.' Now he has told you what it is not, will learn what it is in Romans 8.</p> <p>WITH THE FLESH THE LAW OF SIN: The flesh cannot serve God. The MOTIONS OF SINS-Romans 7:5 work in us to produce functional death.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 7:25     |              | <p>Romans 7 Learnings:</p> <ul style="list-style-type: none"> <li>- that we are no longer bound by the law, though we yet live (even though we are still alive)</li> <li>- that the law exposed our inability to produce our own sanctification</li> <li>- that the law gave sin the power to exceed all our honest efforts</li> <li>- that the law puts our functional life to death</li> <li>- that we have always been incapable of producing our own sanctification</li> <li>- that to live unto God under the law is to live "in the flesh"</li> <li>- that Paul tried to live unto God by the law and utterly failed</li> <li>- that the law can NEVER be utilized to "walk in newness of life," or "to live unto God" or to put our "sanctification into effect" or "to restrain sin and promote righteousness" or to "please God" (are all phrases that talk about the same thing)</li> <li>- taught how NOT to put your identity in Christ into practice/effect (GH: under the law), you do not live unto God under the law, you do not produce fruit unto holiness under the law</li> </ul>                                                                                                                                                                            |
| Romans 8:1-39   |              | <p>In Romans 8, Paul emphasizes THE WAY or how we fulfill the righteousness of the law - the Spirit.</p> <p>In Romans 13, Paul now emphasizes THE NATURE (the essential properties) of how we fulfill the righteousness of the law - love. (that love is generated in us by the Spirit)</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 8:1-13   | Instruction in Righteousness: Walking in the Spirit | <p>Instruction in Righteousness: Walking in the Spirit</p> <p>Tells you the mechanics/mechanical means/inner workings of HOW your sanctification works. Instruction in Righteousness based on the doctrine from Romans 6:1-13. If you don't understand the doctrine, it will not effectually work IN you the way it is supposed to. See names for things you never saw before but you learned about it back in Romans 6. A full, detailed analysis of how a saint is to functionally live unto God and produce fruit unto holiness under grace. All you need to know about how to put your sanctified position IN Christ into practice. See the details and features properly installed in your mind so that you have absolute confidence in knowing when you're doing it and when you're not and when it's working and when it's not. Full detailed explanation of how we are going to be living for God in our daily lives. The whole thing is not about you but about God. The power to restrain sin and promote righteousness only happens under grace. If you understand that justification is BGTF without works, then your sanctification is BGTF without works.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 8:1-13   | Instruction in Righteousness: Walking in the Spirit | <p>WALKING AFTER THE SPIRIT: To walk or conduct yourself in accordance with who the Spirit has made you to be IN Christ. Walking consistently with who the Spirit of God made you to be when He baptized you and fully identified you with Himself in His death, burial, and Resurrection and made you DEAD TO SIN-Romans 6:2 and ALIVE UNTO GOD-Ephesians 6:11. He broke the old relationship you had with sin, it's no longer your master and all those things. When you do that, you are walking under grace. Two components:</p> <ol style="list-style-type: none"> <li>1. Something has to change in your mind (Romans 8:5-8 - two kinds of mindedness) <ul style="list-style-type: none"> <li>1) CARNALLY MINDED (EMINITY [active state of mutually hostile opposition] AGAINST GOD-why those that are in the flesh cannot please God): I am going to utilize some list of rules to live for God and I am going to do it to the best of my ability.</li> <li>2) SPIRITUALLY MINDED (only method that God will accept for serving Him; NOT about thinking thoughts about religious things/NOT go read by Bible when I get home/NOT bring someone to church to hear the truth/NOT witnessing to someone): thinking about the things/minding the things that the Spirit has done when He gave us a new identity that truly made you DEAD TO SIN and ALIVE UNTO GOD, thinking about who you have been made to be in Jesus Christ. When you are mindful of that and flood your mind with these thoughts, you become spiritually minded. Now you can take this position and walk in a way that pleases God. The only way God accepts.</li> </ul> </li> <li>2. Something has to change in your body (have to act in accordance with 1) (Romans 8:9-13).</li> </ol> |
| Romans 8:1-13   | Instruction in Righteousness: Walking in the Spirit | <p>Overview:</p> <ol style="list-style-type: none"> <li>1. A believer IN Christ is not automatically in the Spirit. (A believer can also be in the flesh)</li> <li>2. The only way a believer IN Christ can be in the Spirit is when the Spirit of God dwells in him. (Key word is DWELL)</li> <li>3. The correct, Biblical, godly term for the permanent/automatic receiving of the Holy Ghost at the point of salvation is: "given;" you were "given" the Holy Ghost the moment you were saved (Romans 5:5); you were not 'indwelt' by Him!</li> <li>4. All believers IN Christ are given the Holy Ghost the moment they are saved/justified unto eternal life.</li> <li>5. Not all believers are "in the Spirit" — you only become "in the Spirit" when the Spirit of God dwells in you. (some believers are IN THE FLESH) <ul style="list-style-type: none"> <li>- Until believers are educated to know what IN THE SPIRIT is, they will never be IN THE SPIRIT.</li> </ul> </li> <li>6. The dwelling of the Spirit of God is not automatic nor permanent. (only dwelling in you when you meet the condition of walking after the Spirit)</li> <li>7. Once you begin "minding the things of the Spirit," the Spirit of God dwells in you! Just as an aside, that is when the believer BEGINS the process of being 'filled with the Spirit.' (the filling of the Spirit is not instantaneous!).</li> </ol>                                                                                                                                                                                                                                                                                                                                                     |
| Romans 8:1-13   |                                                     | <p>MIND PROCESS: How does MINDING THE THINGS OF THE SPIRIT get down to affecting a change in my body? How does that happen?</p> <ol style="list-style-type: none"> <li>1. MIND THE THINGS OF THE SPIRIT: Thinking about the new identity that the Spirit gave you when He baptized you into Jesus Christ. You are a new creature, DEAD TO SIN which means the old relationship you had with sin is gone/no longer your master/can't tell you what to do. Now you are ALIVE UNTO GOD, you really can have this kind of relationship with Him. When you get tempted, think I can't do that be that's not who God made me to be, He made me something different.</li> <li>2. When you think about those things, you become SPIRITUALLY MINDED.</li> <li>3. Then the Spirit DWELLS IN YOU.</li> <li>4. Makes it possible for <ul style="list-style-type: none"> <li>- CHRIST TO LIVE (His Life) IN YOU and</li> <li>- QUICKENING YOUR MORTAL BODY.</li> </ul> </li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Romans 8:1-9    |              | <p>Paul contrasts living for God under the Law with living for God under grace by the use of certain phrases. Those phrases that describe utilizing the Law are: “to walk after the flesh, carnally minded, and in the flesh.” Functional death is brought about by trying to produce your own sanctification under the law, which was working in the capacity of your flesh, which is so weak that sin always exceeded its best efforts.</p> <p>Flesh vs. Spirit References/Comparisons/Contrasts Spirit and flesh:</p> <ul style="list-style-type: none"> <li>- WALK AFTER THE FLESH vs. WALK AFTER THE SPIRIT-v1</li> <li>- LAW OF SIN AND DEATH (YOKE OF BONDAGE) vs.LAW OF SPIRIT OF LIFE IN CHRIST JESUS (Grace)-v2</li> <li>- WEAK THROUGH THE FLESH vs. CONDEMNED SIN IN THE FLESH-v3</li> <li>- WALK AFTER THE FLESH vs. WALK AFTER THE SPIRIT-v4</li> <li>- MIND THE THINGS OF THE FLESH vs. MIND THE THINGS OF THE SPIRIT-v5</li> <li>- CARNALLY MINDED IS DEATH vs. SPIRITUALLY MINDED IS LIFE AND PEACE-v6</li> <li>- IN THE FLESH vs. IN THE SPIRIT-v9</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Romans 8:1      |              | <p>Nutshell - Statement - mechanical means by which our sanctified position in Christ gets put into effect - WALKING AFTER THE SPIRIT. NUTSHELL verse for Romans 8:1-13: Mechanical means of Sanctification/Sanctified Life - opportunity, not automatic - foundation laid in Romans 6:1-13. The condemnation is to your functional life, your behavior, your conduct. Your spiritual life as you live it in the details of your everyday life. That's what's being condemned when you walk after the flesh. IF you walk after the Spirit, you are not condemning your own spiritual life, you are pleasing God with that spiritual life. Christ lives His life in us as we “walk after the Spirit” (after who the Spirit has made us to be in Christ).</p> <p>THERE IS (Not in the Greek) THEREFORE(mini-not final conclusion is coming) NOW (now in your sanctified, functional life). In italics - not in the Greek - relegated the THEREFORE to the 3rd word of the sentence. When you have other things coming ahead of the THEREFORE, you are given a mini-conclusion, not a final conclusion. There are several things to conclude but this is not the end of it. First of several things.</p> <p>THEREFORE: The corrective doctrine that comes out of Romans 7. English Words of Logic - tells you a conclusion is coming. A whole or final conclusion. KJV translators not only understood Greek perfectly but also understood English when the language was at the height of its glory. There is something that came before. Because it is 3rd in the sentence instead of first, it's a mini-conclusion. Not a final conclusion.</p> |
| Romans 8:1      |              | <p>Rest of Romans 8 is about sanctification. He is not wrapping up sanctification. Summary: There is not going to be any condemnation to your functional life to everyone who is IN Christ Jesus and who does not try and employ the law and their flesh to serve Him. But they do it by walking after the Spirit. The whole context of this makes you realize that sanctification is talking to a believer who is trying to live for God and only going to do it one of 2 ways:</p> <ol style="list-style-type: none"> <li>1. Energy of his flesh by trying to obey the law - may not be the law of Moses, may be some preacher's version of righteousness - not doing worldly stuff, it is trying to produce your sanctification by your own works</li> <li>2. Walk after the Spirit</li> </ol> <p>If you try and live for God in the energy of your flesh, God will look you in the face and say you are functionally dead. There is no righteousness I CAN accept being produced from that. Smacks us right between the eyes.</p> <p>Two operating systems for your sanctification:</p> <ol style="list-style-type: none"> <li>1. the flesh</li> <li>2. the Spirit</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 8:1      |              | <p>Verse is saying there is not going to be any condemnation to your functional life to everyone who is IN Christ Jesus and who does not try and employ the law and their flesh to serve Him. But they do it by walking after the Spirit.</p> <p>Could read v1 like this:</p> <p>There is therefore now (now in your sanctified, functional life)</p> <p>no condemnation (no being condemned under the law to functional death)</p> <p>to them which are in Christ Jesus (being fully identified IN and with Christ),</p> <p>who walk (who put their static position IN Christ into progressive practice)</p> <p>not after the flesh (not by getting under the law where the weakness of your flesh only produces functional death),</p> <p>but after the Spirit.</p> <p>NOT about 'fellowship with God' - You cannot be in any more fellowship with God than you are after accepting Jesus as your all-sufficient Savior and understanding all the mercies of God that came with that. Your fellowship is not dependent on your works. We can live in a way that is displeasing to God but that doesn't mean that we are out of fellowship with Him.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 8:1      |              | <p>NOW NO CONDEMNATION: You have been given a perfect sanctification.</p> <p>NOW: Another indication you are talking sanctification and not justification/eternity. You are DEAD TO SIN NOW and ALIVE UNTO GOD NOW and you are supposed to RECKON that to be true. Deals with the condemnation of your functional life. Not about eternal security. When you are under the law, you have that condemnation. Condemnation is not to hell, it is the condemnation of your functional life.</p> <p>NO CONDEMNATION (not being condemned under the law to functional death): When under the law, you were being put to death functionally, you are being taken captive. The law condemned your functional life. Not the type of condemnation in John 3:18 or Romans 8:34. Takes you back to Romans 6 but not further. If you take it back further, you are talking about justification, not your sanctification, and define CONDEMNATION as eternal death. People misread and say if you walk after the flesh, you have lost your salvation. Only makes sense to be still talking sanctification. Talking condemnation of your functional life. If you don't get this right, this will never effectually work IN you.</p> <p>CONDEMNATION: Not condemnation of your eternal life, but condemnation of your functional life, the way you live for God in the details of your life. Refers to the death of our functional life - functional death, not our eternal life. Relates to your sanctified life, not justification. Paul is talking about people who are trying to keep the law to be sanctified before God.</p>                                                                                            |
| Romans 8:1      |              | <p>TO THEM THAT ARE IN CHRIST JESUS: Got into Christ Jesus via baptism. Saved/Justified - being fully identified IN and with Christ - via baptism; Christ first puts focus on His Christness=Messiah/anointed; take our position IN Christ [DEAD TO SIN and ALIVE UNTO GOD] and make it a practical reality in our everyday life.</p> <p>IN CHRIST JESUS: Saved/Justified.</p> <p>CHRIST JESUS: Number times used is way less than Jesus Christ. People get to thinking Christ is His last name. Christ is not a sur Name. Christ is a Title. Christ = Messiah = anointed - focus on His 'Christness'. See this all the time with the title coming before the name - President Bush, General MacArthur. The focus is not just on Jesus who is the Messiah, now it is pointing you to His work as Messiah, something He did as Christ.</p> <p>WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: The qualifier. Happens when you WALK IN NEWNESS OF LIFE-Romans 6:4. Everything we do is either in the flesh or 'after the Spirit.' If it is 'after the Spirit' then it is the doctrine working in us, it is Christ in us, the hope of glory. God rejects the efforts of the flesh. We're going to get grace to operate in our life. This is the mechanical means by which it happens.</p> <p>WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. To the best of his knowledge, MM doesn't believe the NOTs are meant to stand on their own. Can't find where Paul has told us NOT to do something without telling us what to do.</p> |
| Romans 8:1      |              | <p>WHO WALK: Who put their static position IN Christ into progressive practice-go somewhere, make progress, give motion to it; walking is conduct.</p> <p>WALK: When you start to walk, you are taking a static, standing position and then going somewhere, making progress. Process of moving. Standing or position is IN Christ - this is who He made me to be. Reckon that to be true - make that a reality for yourself. Now you are going to walk. Walk with what you understand mentally and put it into effect in your daily functional life. Told to WALK IN NEWNESS OF LIFE-Romans 6:4 but weren't told HOW. Shouldn't have been told yet.</p> <p>WHO WALK...AFTER THE SPIRIT: We are following who the Spirit has made us to be and we're living out of that as we obey the doctrine as we are told in BUT GOD BE THANKED THAT YOU WERE SERVANTS OF SIN BUT YOU HAVE OBEYED FROM THE HEART THAT FORM OF DOCTRINE WHICH WAS DELIVERED TO YOU-Romans 6:17, then we are fill that creature with the Life of Christ which is exactly what God is after. That Life of Christ in us transforms us into the image of God's son. That's the glory that will be revealed in us (GH: Colossians 1:27). This is the HOPE OF GLORY-Colossians 1:27. The glory that will be revealed in you that the sufferings are not worthy to be compared to.</p>                                                                                                                                                                                                                                                                                                                                                            |

| Romans 8:1      |              | <p>WALKING AFTER THE FLESH: Is not living worldly - a sinful, carnal, or worldly thing, watch a movie instead of Bible study, sleeping in instead of going to Sunday school, it is trying to live for God through the law and your flesh.</p> <p>NOT AFTER THE FLESH: Law thinking: by getting under or grabbing the law to live your santified life &amp; have to watch what I do where the weakness of your flesh/can't empower the law &amp; only produces a carnal mind and functional death &amp; cannot please God. Energy of your flesh is trying to produce your own sanctification by obeying the law. The flesh cannot please God. He means for you to be under grace. NOT worldly living.</p> <p>(don't) WALK NOT AFTER THE FLESH: Don't grab ahold of the law to try and live for God. Flesh is weak and can't empower the law.</p> <p>WHO WALK NOT AFTER THE FLESH: God rejects service in the flesh - God rejects everything about our flesh.</p> <p>AFTER THE FLESH: Condemnation is to our functional life - not talking about salvation here. Talking about our ability to live for God. Appears again in v4 and v5.</p> <p>THE FLESH: NOT talking about thinking/doing sinful or worldly stuff. It is addressing the 2 ways you will try and put your sanctified like into practice. One of those ways is IN THE FLESH and if you are IN THE FLESH, that means you're going to be under the law. If you are IN THE SPIRIT, you are going to be thinking about the things that the Spirit has done in that new identity that was given to you by the Spirit when He baptized you into the death, burial, and resurrection of Jesus Christ, that made you DEAD TO SIN and ALIVE UNTO GOD. You are thinking about this is what He did. He really did make me something different and in the Spirit you are now under grace.</p> <p>FLESH: Wants a law to follow. Doesn't have to be the Mosaic law, it can be some preacher's law. MM says they all want to give you one.</p> |
| Romans 8:1      |              | <p>WALK AFTER THE SPIRIT: To comprehend and live in accordance with who the Spirit has made you to be IN Christ. means to conduct (walking is conduct) ourselves in concert with who we have been made to be IN Jesus Christ. Follow after that thing that the Spirit provided (baptized into His death, burial, and resurrection, setting you free from the old relationship, destroying the body of sin and death, sin shall not have dominion over you, etc.)</p> <p>(WALKING) AFTER THE SPIRIT: Walking after what the Spirit did when He gave you a position IN Jesus Christ and baptized you into His death, burial, and resurrection. Means to conduct (walking is conduct) ourselves in concert with who we have been made to be IN Jesus Christ. Is NOT the ENERGY OF YOUR FLESH which is following the law (empowers sin and exceeds your ability - law is depending on your flesh to empower it). Is walking according to who you have been made to be IN Christ. When you got baptized into His death, burial, and resurreccion, that means you were made DEAD TO SIN so you can say NO to sin. The old man was crucified with Him, that the BODY OF SIN might be destroyed. Walking according to who the Spirit has made you to be. Is the way we talk our static position IN Christ and put it into motion. Not told in these first 4 verses HOW to get that done.</p> <p>WALK...AFTER THE SPIRIT: By godly thinking-&gt;godly living-&gt;godly labor. You allow the doctrine in the word to change your thinking, which then impacts your conduct &amp; behavior, when they qualifies you to labor with God in some aspect of His Business. Otherwise, all you are doing is reforming your flesh.</p>                                                                                                                                                                                                                                                                         |
| Romans 8:1      |              | <p>BUT AFTER THE SPIRIT: Grace/Spiritual thinking, not in the energy of your flesh, but energy and capacity of the Spirit: puts you living under grace-comprehend and live in accordance/conduct yourself/walk after what the Spirit has done &amp; who the Spirit made you to be IN Jesus Christ when He baptized you/gave you a new identity in His DBR-say to yourself I have been made DEAD TO SIN/no longer master/no longer have to say YES/raised to WALK IN NEWNESS OF LIFE/old man crucified/BODY OF SIN got destroyed. (Walking) AFTER THE SPIRIT is an unfailing truth/works everytime if you are going to live your functional life according to what the Spirit did for you.</p> <p>BUT (WALK) AFTER THE SPIRIT: Had it explained in Romans 6:1-13. Now, He names it. He's giving you a name for it so you can take that whole doctrine and encapsulate it under a name. Here he is giving you an encapsulated tag for a set of doctrine that he gave you back in Romans 6:1-13. Now, show you how to put it to use where it is not an academic exercise and it actually serves you in your life.</p> <p>(WALK) AFTER THE SPIRIT: If you walk after the Spirit, you're walking in the intercessory work He's already been introducing you to this concept before you get to Romans 8:26-27, which is not a prayer, that's an education, that's an intercession. Romans 6:1-13 give you a complete description on what walking in the Spirit is all about. Is walking according to who you have been made to be in Christ. When you got baptized into His death, burial, and resurreccion, that means you were made DEAD TO SIN so you can say NO to sin. The old man was crucified with Him, that the BODY OF SIN might be destroyed. That henceforth, we should not serve sin. You don't have to say YES to sin anymore, you can say NO because it is no longer your master.</p>                                                                                               |

| Romans 8:1      |                                                               | <p>WALK: Takes the static position IN Christ and now give motion to it. We're going to put it to work. It's going to go somewhere. It's going to do something. This is your sanctified life under grace. This is your sanctified life under grace. When you WALK AFTER THE SPIRIT, you are walking after what the Spirit has done to make this possible. That's what you are walking after, what the Spirit has done. What did He do? He baptized you into Jesus death, that made you DEAD TO SIN. He raised you to WALK IN NEWNESS OF LIFE. There's a power that enables you to do that. Saying do or live the way the Spirit really has made provision for you. It's like having the car in the drive way, full of gas, ready to go, with the keys in front of you, and saying when you go, go according to the provision that I have made for you. Only 2 ways to live your Christian life:</p> <p>1. Say to yourself I am DEAD TO SIN. I don't have to say YES anymore to sin. Sin is no longer my master. I have really been raised to WALK IN NEWNESS OF LIFE. My old man really did get crucified. The BODY OF SIN really did get destroyed. When I get tempted with sin, I have the power to say that's not who I am anymore. I am someone different. I'm not doing that. When you do that, you are walking after who you have been made to be in the Spirit of God.</p> <p>2. Do it by the law or your version of the law. Paul has beat the law to death for you so you know that is not the way to do it.</p> <p>SPIRIT: First time capital S Spirit shows up in the Book of Romans.</p>                                                                                                                                                                                 |
| Romans 8:2      | MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH | <p><a href="#">Romans Mercies 10</a> : Liberty</p> <p>EXPLANATION verse: Fill it in on how it all works. v1 is just giving you details. Explain how to utilize. Henceforth, we should not serve sin. You don't have to say YES to sin anymore, you can say NO because it is no longer your master. Everytime you walk according to what the Spirit did for you and put your postiions IN Jesus Christ, that thing works every time without fail. So much that it is a law.</p> <p>FOR: Explanation - Going to give us more/further detail/further explanation on top of what we got in v1. An English word of logic - v1 told you how to live in a nutshell, v2 starts off with a FOR - tells you I'm giving you further explanation of what you just had. Will explain v1 further.</p> <p>LAW (happens everytime) OF THE SPIRIT (law Author) OF (functional) LIFE IN CHRIST JESUS: It is the never failing truth that what the Spirit has done in identifying us with Christ will always produce functional life.</p> <p>THE LAW OF THE SPIRIT OF LIFE IN CHRIST JESUS: the unfailing truth of that which was performed by the Spirit in connection with our functional life in Christ; i.e., that every time I conduct myself in accordance with who I have been made to be in Christ, I am free from the law and incur no functional death. The long way of saying what happens when you walk after the Spirit - detailed explanation of the previous verse.</p> <p>THE LAW: Is not a reference to the Mosaic Law. Clue: LAW freed me from the law of sin and death - the law didn't free anybody up from anything. Used like the term LAW in Romans 7:21. Something that works everytime like the law of gravity. Everytime it is tested, it produces the same exact thing.</p> |
| Romans 8:2      | MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH | <p>LAW OF THE SPIRIT OF LIFE IN CHRIST JESUS (Grace): Another one of those laws like gravity. The unfailing truth of that which was performed by the Spirit in connection with our functional life IN Christ; i.e., that every time I conduct myself in accordance with who I have been made to be IN Christ, I am free from the law and incur no functional death.</p> <p>LAW (constantly occuring truth/unfailing truth) OF THE SPIRIT OF LIFE (something the Spirit does): What the Spirit did to give us functional life. Happens every time; unfailing truth that every time you test it, it comes out the same way each time. Not a reference to the Mosaic law.</p> <p>THE LAW OF THE SPIRIT: Capital 'S' so you know this is the Holy Spirit. Spirit of God is behind this law. Know the Spirit baptized us into Jesus' death, burial, and resurrection, giving us a full identification by baptizing us with Jesus Christ.</p> <p>OF THE SPIRIT: Law Author; performed by the Spirit (means the Spirit is the One doing it).</p> <p>OF LIFE: Concerning our functional life, not eternal.</p> <p>IN CHRIST JESUS: Grace - with regard to our position or status or standing IN Christ (happened at salvation) it works everytime. Never failing truth that what the Spirit has done in identifying us with Christ will always produce functional life. That's the law (Jeremiah 31:31) that has to be operating IN you.</p>                                                                                                                                                                                                                                                                                                                                                |
| Romans 8:2      | MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH | <p>IN CHRIST JESUS: With regard to our position or status or standing in Christ (happened at salvation) it works everytime. Everytime you put your position in Christ into effect for your functional life, you are acting on that which was done by the Spirit - WALK AFTER THE SPIRIT. Everytime you walk according to what the Spirit did for you and put your postiions in Jesus Christ, that thing works every time without fail. So much that it is a law. Giving you the detail here of what he gave you in v1. Told you to WALK AFTER THE SPIRIT, it's the unfailing truth that if you are going to live your functional life according to what the Spirit did for you when He gave you a position in Jesus Christ, that's going to work every single time.</p> <p>FREE FROM THE LAW OF SIN AND DEATH: Talking about that same YOKE OF BONDAGE in Galatians 5:1.</p> <p>FREE: Liberty is the power to do what you ought to do - why Paul doesn't say we have freedom IN Christ, says we have liberty IN Christ. We have the power to do what we could not do before. Is a cornerstone of Sonship. When you are being told what to do, that's not indicative of an adult son. It's indicative of a child with limited decision making. Compare to FREEDOM: Freedom says I can do anything I want to.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 8:2      | MoG - 10 of 18 - Liberty = FREE FROM THE LAW OF SIN AND DEATH | <p>LAW OF SIN AND DEATH: The law of Moses or cheapened Christianized versions of the law or some preacher's version of the law. It is the Mosaic law and its unfailing ability to bring about functional death for anyone seeking to use to to provide their own sanctification.</p> <ul style="list-style-type: none"> <li>- 'law of sin' because it gives sin the power to exceed our best/greatest efforts</li> <li>- 'law of death' because it never fails to result in functional death. The law could not:</li> <li>- produce sanctification</li> <li>- restrain sin and promote righteousness</li> <li>- produce functional life</li> </ul> <p>The law looks to our flesh for the power it needed to produce the changes it motivates a man to make.</p> <p>LAW OF SIN: Because it gives sin the power to exceed our best/greatest efforts.</p> <p>LAW OF DEATH: Because it never fails to result in functional death.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:3      |                                                               | <p>Notice the verse ends in a colon, which means there's something that has to be added to this. Colon is the next strongest pause other than the period in language. If it's a colon, the 2 phrases/thoughts could stand alone but they're meant to be put together, which tell you as I read v3 and have got to take what is in v4 and this in with it. There's a perfect righteousness that gets imputed to us when we get saved as part of our justification. With our sanctification, there is a righteousness we are able to live by and it's not because we are going to obey the law, but take what the Spirit did and walk after it and produce that righteousness in our daily lives. Something that God is very interested in/wants. When you walk consistent with who He made you to be - sin gets condemned in your flesh. There's a connection here. The law could not condemn sin in the flesh and is unable to condemn sin in the flesh because it is dependent upon the flesh to empower it, and the flesh is too weak. The law has no power of its own. All it does is demand. It looks to the flesh for power but the flesh is inherently weak.</p> <p>Summary: Sin has been put to death with regards to your sanctified life. This opportunity exists - not automatic. If a person chooses NOT who they have been made to be, sin is very much alive.</p> <p>FOR: Further explanation - Another FOR which is going to us detail on v2. Get further details /explanation now of what you were given in v2.</p>                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:3      |                                                               | <p>FOR WHAT THE LAW COULD NOT DO, IN THAT IS WAS WEAK THROUGH THE FLESH: Being carnally minded or being in the flesh is depending on the law to please God and it can't please God because it is weak through the flesh. Why the law can't be obeyed. Our flesh is too weak. The law can't make you holy. The law can't sanctify you. The law can't conform you to the image of God's Son. Because the power source for keeping the law is the flesh and the flesh is weak and carnal.</p> <p>FOR WHAT THE LAW COULD NOT DO: There's a lot of things the law can't do but now Paul is going to give you a single phrase that encapsulates what the law can't do. He is going to wrap it up in a phrase.</p> <p>LAW COULD NOT DO: The Mosaic law. He says the law is righteous. Not anything wrong with the law itself.</p> <p>(the law) WAS WEAK THROUGH THE FLESH: Brings the issue of Romans 7:14 back up again. You already know that you can't get ahold of the law and try and live for God everyday. Only one thing has the power to do that and that is grace. It is not going to be your power because you are weak.</p> <p>AND FOR SIN, CONDEMNED SIN IN THE FLESH: MM translation would have been 'did that what the law could not do'. What the law couldn't do, God sent His Son and did. What is that thing He did? CONDEMNED SIN IN THE FLESH.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:3      |                                                               | <p>CONDEMNED SIN IN THE FLESH: The sin that is in your flesh has been put to death with regard to your sanctified life so that sin cannot operate in you or have dominion over you. Means a provision was made by Jesus Christ that condemned (put to death) sin's ability to have dominion over a man's flesh (his body). God made a provision through His Son Jesus that sin no longer had dominion of our flesh/body and sin is powerless from keeping you from doing righteousness. The sin in your flesh has been put to death with regard to your sanctified life so that sin cannot operate in you or have dominion over you; Jesus condemned sin in the flesh so that the righteousness of the law might be fulfilled in us. When you walk consistent with who He has made you to be, sin gets condemned in the flesh in a moment-by-moment basis. You are not MADE to do, but it is AVAILABLE for it to be done. This is something Jesus provided for our sanctification. When Jesus was buried 3 days &amp; 3 nights in the tomb and sin had no power to corrupt the body of Jesus whatsoever. He totally condemned sin in the flesh. He provided for the sin that dwells in our members to be able to put that to death and to keep/enable us to live the sanctified life that He made possible for us. The very thing people think the law can do is the thing the law cannot do. The law could not condemn sin in the flesh, The law is unable to condemn sin in the flesh because it is dependent upon the flesh to empower it, and the flesh is too weak. The Lord condemned sin in the flesh, that allows us to actually put sin to death on a moment-by-moment basis. When God gave the law in TIMES PAST, He was giving His perfect standard of righteousness. The law did represent that. When we live according to who the Spirit has made us to be in Jesus Christ, we now produce the righteousness of the law.</p> |

| Romans 8:4      |              | <p>Jesus purpose of condemning sin in the flesh (v3) was so that the righteousness of the law might be fulfilled IN us. That we can live righteously in our daily lives. Need to attach v4 to the end of v3 (colon issue). Your flesh can't produce what is needed for the law to do that for you. We are not going to keep the law, we are going to live in such a way that we fulfill the righteousness of the law. Later on he adds without the law. v4 does NOT say the law is fulfilled in you. People want to say, oh, if I live my sanctified life, I fulfill the law. No, it's the righteousness of the law that gets fulfilled in you and there's a difference. Can't read it sloppily or not pay attention and see it. Go to almost every commentary - take v4 and say see we're going to fulfill the law. Bible never says you fulfill the law. It says the righteousness of the law gets fulfilled in you. That's a different issue.</p> <p>THAT: Purpose - THAT: English word of logic - in this case, purpose. MM thinks 'SO THAT'. Group said conclusion, summary. MM says kind of a summary - wraps it all up. NOT a FINAL conclusion or you would have had THEREFORE at the beginning. Word of Logic - Give us purpose statement - tells you WHY everything got done - He did THIS in order to do THAT. THAT THE RIGHTEOUSNESS OF THE LAW MIGHT BE FULFILLED IN US: What God accomplished through His Son was so the righteousness of the law might be fulfilled in us. That is what God expects of us. GH: Introduced here, get all the aspects of godly love to fulfill in Romans 12-16.</p> |
| Romans 8:4      |              | <p>THE RIGHTEOUSNESS OF THE LAW: Is equal to the very righteousness of God Himself; the righteousness that is produced IN us through the sanctification provided for by grace, through Jesus Christ. His perfect standard of righteousness.</p> <p>WHO WALK NOT AFTER THE FLESH, BUT AFTER THE SPIRIT: Everything we do is either in the flesh or 'after the Spirit'. If it is 'after the Spirit' then it is the doctrine working in us, it is Christ in us, the hope of glory. God rejects the efforts of the flesh.</p> <p>WHO WALK NOT AFTER THE FLESH: Not what most people think (carnal, fleshly, sinful, worldly stuff-EX watching TV instead of Bible reading)-change the way you think about this; it means trying to implement the law or some version of it to live for God. This is NOT doing worldly stuff. Way our mind naturally perceives it. Per Romans 8, walking after the flesh has nothing to do with this. Walking after the flesh is trying to live for God by implementing the law. That's the way he is defining it.</p> <p>WHO WALK...AFTER THE SPIRIT: To have the word renew our thinking, transform our conduct &amp; behavior, and equip us to labor with our Father when those things happen with us.</p> <p>WALK AFTER THE FLESH: To produce your own sanctification by keeping the law.</p>                                                                                                                                                                                                                                                                                    |
| Romans 8:5-13   |              | <p>Answers the question at the end of v4 - How do I do this?</p> <ul style="list-style-type: none"> <li>- thinking in a particular way - MINDING THE THINGS OF THE SPIRIT - Romans 8:5/SPIRITUALLY MINDED - Romans 8:6</li> <li>- by thinking of, and being mindful of who the Spirit of God(GH: Sanctification) has made me to be IN Christ - your new identity IN Christ (DEAD TO SIN &amp; ALIVE UNTO GOD)</li> <li>- That thinking determines the steps I take, what I say, where I go, and how I respond to situations and circumstances when I end up in them, based upon my walk</li> <li>- Culmination: WALKING AFTER THE SPIRIT IS ACHIEVED BY MINDING THE THINGS OF THE SPIRIT, AND NOT BY MINDING THE THINGS OF THE FLESH.</li> </ul> <p>These 13 verses are the end of this area of being DEAD UNTO SIN and ALIVE UNTO GOD and how to live that sanctified life everyday. After v13, given the 3rd aspect of your Sanctification - ADOPTION as sons and daughters.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 8:5-13   |              | <p>WALK AFTER THE SPIRIT: Two components:</p> <ol style="list-style-type: none"> <li>1. Something has to change in your mind (Romans 8:5-8 - two kinds of mindedness)</li> <li>1) CARNALLY MINDED (EMINITY [active state of mutually hostile opposition] AGAINST GOD-why those that are in the flesh cannot please God): I am going to utilize some list of rules like the Mosaic law to live for God and I am going to do it to the best of my ability.</li> <li>2) SPIRITUALLY MINDED (only method that God will accept for serving Him; NOT about thinking thoughts about religious things/NOT go read my Bible when I get home/NOT bring someone to church to hear the Truth/NOT witnessing to someone): Thinking about the things/minding the things that the Spirit has done when He gave us a new identity that truly made you DEAD TO SIN and ALIVE UNTO GOD, thinking about who you have been made to be IN Jesus Christ. When you are mindful of that and flood your mind with these thoughts, you become spiritually minded. Now you can take this position and walk in a way that pleases God. The only way God accepts.</li> </ol> <p>* 'Change the way you think' Need to MIND THE THINGS OF THE SPIRIT and be SPIRITUALLY MINDED (your part) - Has to be something happening in your mind (need to MIND THE THINGS OF THE SPIRIT and be SPIRITUALLY MINDED) - How you think isn't all. How do I take what I think and work it out through this body of flesh with sin in its members?</p>                                                                                                        |

| Romans 8:5-13   |              | <p>2. Something has to change in your body (have to act in accordance with 1) (Romans 8:9-13)</p> <p>The whole idea is the SPIRIT IS (functional) LIFE and if you MIND THE THINGS OF THE SPIRIT you are now allowing Him to not just be IN you but to do something IN you about this life that you want to live for God. If you are IN THE SPIRIT, you are going to be thinking about the things that the Spirit has done in that new identity that was given to you by the Spirit when He baptized you into the death, burial, and resurrection of Jesus Christ, that made you DEAD TO SIN and ALIVE UNTO GOD.</p> <p>* 'Change the way you behave' Need your mortal body QUICKENED so CHRIST (can live His Life) IN YOU (His part - He DWELLS IN YOU and then these 2 things happen. Spirit's capacity to give functional life even though are bodies are functionally dead due to sin dwelling in our members. Whole thing is about what the Spirit and He are doing. His effort, not yours. He is going to do it through you.) Have to be something happening in your body (dilemma is your body still has sin dwelling in its members) - God says if you do No. 1, the Spirit will do something in you to cover No. 2 - DWELL IN YOU. Want to live for God but the body won't cooperate with that. Even though you are saved - CHRIST BE IN YOU - the body is dead because of sin - sin dwelling in its members. God says if you do No. 1, the Spirit will do something in your body to cover No. 2 - DWELL IN YOU</p>                                                                                                                                                                                                                                                                                                    |
| Romans 8:5-13   |              | <p>WALKING AFTER THE SPIRIT - Two Parts:</p> <ol style="list-style-type: none"> <li>1. Starts with WHAT you think (why MM teaches detail, changing the way you understand the terms) - What's in your mind - how you are thinking</li> <li>2. HOW you think about it - How your thinking affects your members - what you are now going to do as a result of that</li> </ol> <p>There are only 2 ways to try and please God:</p> <ol style="list-style-type: none"> <li>1. You either try to produce a sanctification-type righteousness under the law by your own works, to such a degree that the fruit of your conduct is agreeable and acceptable to God</li> </ol> <p>OR</p> <p>Long way of saying you are trying to produce it yourself by your own works and that will never succeed</p> <ol style="list-style-type: none"> <li>2. By God's Jehovah-ness producing a sanctification-type righteousness that will make it so that the fruit of our conduct and behavior will be agreeable and acceptable to Him; producing functional life for us; and the only way that can be done is by going under His system of grace. What does it mean to go under that system of grace? Means someone else had to provide this for you.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Romans 8:5-8    |              | <p>HOW we are going to take our position IN Christ (made DEAD TO SIN and ALIVE UNTO GOD - He DID some things to make these true for you) and make it a practical reality in our everyday life. How to put that truth to work so that it produces exactly what it was supposed to produce as you live your everyday life. It produces the righteousness that God is pleased with. They that are in the flesh cannot please God. He means for you to be under grace. The things you possess when you walk after the Spirit are the complete opposite of the things you will possess when you walk after the flesh by trying to put your Christian life into practice under the law.</p> <p>WALKING IN THE FLESH: What you do when you try &amp; live your life under the law in order and do good deeds to please God in the energy of your flesh. Guaranteed to fail because you were already told that sin will exceed your best efforts. Your flesh is always going to be exceeded by the power of sin. God says that you can't produce the kind of righteousness. He says you weren't ever going to be able to do that. I PROVIDED something that will make you DEAD TO SIN and ALIVE UNTO GOD that you are actually going to be able to put into practice under grace. Grace has the power to produce that every single time without fail. The word functional better than spiritual because not everything we do is spiritual.</p> <p>Something has to change in your mind (two kinds of mindedness)</p>                                                                                                                                                                                                                                                                                                                   |
| Romans 8:5      |              | <p>Begins this explanation - Divided into 2 parts, divided by a semi-colon (a very strong pause) - I need to understand the first part so I can understand the second part. People who are thinking that they are going to have to live their sanctified life by the law are thinking about the law and how they are going to perform. But the people who are going to live their sanctified life after the Spirit are going to live this sanctified life under grace are thinking about who the Spirit has made them to be and that's the way they are going to live. You cannot produce righteousness in your flesh (following the law, doing good deeds) that God can accept. Your good works are a product of your sanctification. You are not going to produce your sanctification. Your sanctification is going to produce good works.</p> <p>FOR: English words of logic - gives you a further explanation of things that have come along.</p> <p>THEY THAT ARE AFTER THE FLESH MIND THE THINGS OF THE FLESH: Not worldly/sinful thinking; it is thinking about the things you will do in your own flesh to obey the law/with your own works in attempt to please God.</p> <p>MIND THE THINGS OF THE FLESH: Not a guy thinking about worldly/sinful things, it means to think about, to believe and to fill your mind with thoughts of pleasing God by your own best efforts to keep the law. Thinking about the things you will do in your own flesh to obey the law. Stays right in the context of where we have been. Two ways:</p> <ol style="list-style-type: none"> <li>1. Produce it yourself and fail (carnal mind using the flesh and try to keep the law)</li> <li>2. Realize you can never produce something equal to what God has done and you're going to live out of what He has done instead.</li> </ol> |

| Romans 8:5      |              | <p>MIND: Means to 'think'; to have in mind; to attend or pay attention to; to have a mind-set; to be minded or mindful.</p> <p>BUT THEY THAT ARE AFTER THE SPIRIT (mind) THE THINGS OF THE SPIRIT: WALKING AFTER THE SPIRIT is achieved by (minding) THE THINGS OF THE SPIRIT. (MINDING) THE THINGS OF THE SPIRIT: Not thinking about everything the Spirit has ever done (Genesis 1:1). Think about what the Spirit has done to make me DEAD TO SIN and ALIVE UNTO GOD and my new identity IN Christ. Process in your inner man; Think about, believe, and fill/flood your mind with all the things the Spirit did in His Jehovah-ness and grace to identify you with Christ - DEAD TO SIN, ALIVE TO GOD, old man crucified, baptized into His death - and realize who you have now been made to be/who you are now/new identity/set us free. Thinking this way makes a difference in how you conduct yourself and walk/live accordingly under or live out of the power of grace, which has the power to restrain sin and promote righteousness.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Romans 8:5      |              | <p>MIND THE THINGS OF THE SPIRIT: It means to think about, to believe and to fill your mind with thoughts of who the Spirit has made you to be, the new identity you have IN Christ Jesus (DEAD TO SIN and ALIVE UNTO GOD) and the call to walk in that new identity. The number one thing when it comes to living your sanctified life is that your thought life has to change. Learn to think when you are faced with temptation or decision or whatever it is, who you have been made to be by the Spirit of God when He gave you a new identity IN Jesus Christ. Has to become a default. Then you become SPIRITUALLY MINDED-v6. I used to have a relationship with sin that I did what it wanted and now I don't do that. When you think that way, you become SPIRITUALLY MINDED and the Spirit, He's already in you, He begins to DWELL IN YOU. One of the things He does when He DWELLS IN YOU is He QUICKENS YOUR MORTAL BODY and He gives you the power to say NO in your mind and not take from your neighbor. He is going to make it so that what is produced in your mortal body is the exact righteousness that He Himself would have produced. There is a process going on that you can't see with your eyes, just like you couldn't see righteousness being imputed to you or forgiveness or permanent At-one-ment with God. I MIND THE THINGS OF THE SPIRIT which makes you SPIRITUALLY MINDED. The Spirit of God functioning in our sanctification now dwells in you and the thing He does now is He quickens your mortal body or He makes it fully functionally alive so that what you produce in this body is now the righteousness that God can accept. How Jesus lives His life in you.</p>                                                  |
| Romans 8:6      |              | <p>Continues on the MIND/MINDING/MINDED theme. Driving that you have to change the way you're thinking about things. Mindset is going to have to be different. To this point, it has been the flesh and the Spirit. Changes from flesh and Spirit to CARNALLY MINDED and SPIRITUALLY MINDED. Talking about the same things but there is a little different aspect of it. If the law which is going to be energized by the flesh, if that's what I think is the way to live my Christian life, that is going to influence my mind and that makes my mind carnal. The carnal mind is influenced by the law and the flesh. If your mind is influenced by what the Spirit did (not under the law but under grace), that's going to influence your mind and now you are spiritually minded. Summary: When you walk after the flesh by minding the things of the flesh, your mind becomes carnal and you are functionally dead to God! FOR TO BE CARNALLY MINDED (mind the things of the flesh-think about using the law to please God) IS (functional) DEATH: Carnal and flesh are the same thing - the natural capacity/weakness that you have-your functionally dead by nature. Mind doesn't become the law/flesh, your mind becomes CARNAL. Under the influence of the law and the flesh. This is how God views it. Doesn't matter how you view it. Notice he put functional death on you before you ever did one thing. Hasn't done one single act yet, just be carnally minded. Doesn't matter what he does after that. Two ways:</p> <ol style="list-style-type: none"> <li>1. Produce it yourself and fail</li> <li>2. Realize you can never produce something equal to what God has done and you're going to live out of what He has done instead.</li> </ol>  |
| Romans 8:6      |              | <p>CARNALLY MINDED: Know it is under the influence of the law and the flesh. To mind the things of the flesh (to think about trying to use the law to please God). CARNALLY MINDED always results in (functional) DEATH because the carnal mind is actively engaged in activities as an enemy of God. Thinking I have to keep the law to be right with God. This is (GH: functional) DEATH. Carnal mind influenced by the law and the flesh. Your mind influenced by the flesh becomes carnal. A well motivated guy might love God with all his heart and soul and wants to please God and opens up His Bible and he goes to the Mosaic law - I'm not going to eat pork. As well-meaning/motivated as he is, God says that is being CARNALLY MINDED. Being "after the flesh" and "minding the things of the flesh" and being "carnally minded" all have to do with serving God by the keeping of some law. It is associated with the flesh because the flesh is where the law gets it power. But, as we know, the "flesh is weak-v3."</p> <p>MINDED: The bend, tendency or inclination of the mind; hence, to have a mind-set.</p> <p>DEATH: Functional death.</p> <p>BUT TO BE SPIRITUALLY MINDED: Is under the influence of grace and the Spirit. When you MIND THE THINGS OF THE SPIRIT. Only method that God will accept for serving Him; NOT thinking thoughts about religious things/activities [Bible reading, witnessing] but thinking about the things/minding the things that the Spirit has done when He gave you a new identity, who you have been made to be IN Jesus Christ, and made you DEAD TO SIN and ALIVE UNTO GOD. Flood your mind with these thoughts and you become SPIRITUALLY MINDED and then walk in the only way that pleases God.</p> |

| Romans 8:6      |              | <p>SPIRITUALLY MINDED: Know it is under the influence of grace and the Spirit. To mind the things of the Spirit (to think about the things the Spirit did when He gave you that new identity IN Christ, the things that made us DEAD TO SIN and ALIVE UNTO GOD). Thinking who the Spirit has made me to be IN Jesus Christ. Is LIFE AND PEACE.</p> <p>SPIRITUALLY: Small case 's' - something going on in your spirit. To be spiritual, it is influenced by the Spirit. If the flesh is influencing it, it's carnal.</p> <p>LIFE AND PEACE: Functional life and peace (war going on in your inner man when you try and employ the law to live for God - peace from/cessation of that war that rages in your inner man when trying to utilize the law for sanctification). Characterized that 'war' as the WRETCHED MAN Syndrome (Romans 7:24).</p> <p>PEACE: Not peace in general. Ties to something he told you in Romans 7:23 that was going on that he never resolved back there. He is going to answer it under grace and show you what that is about. Peace here is the absence of war and conflict. That war in Romans 7:23 goes away and there is now peace IN your inner man. Don't have to fight that WRETCHED MAN-v24 syndrome anymore. When you are spiritually mind, you're not only having functional life, there is peace from that conflict that was going on IN your inner man because of the frustration of trying to live it under the law and you can't do it. So when you get out from under that, now all of a sudden now there is a peace because that conflict is no longer raging. No longer trying to fight a battle that you can't win.</p>                                                                |
| Romans 8:7      |              | <p>Divided into 2 parts - has that colon sitting there in the middle. Answers the question 'why is it if I am thinking about the law, before I ever even do anything right or wrong, God said I functionally died/am functionally dead?' Important to answer in your mind so you will never question it again. Why? BECAUSE THE CARNAL MIND IS ENMITY AGAINST GOD.</p> <p>BECAUSE: Answering the question 'Why?' When God deals with you as adult sons, He always explains WHY? Children don't get to ask 'Why?'.</p> <p>BECAUSE THE CARNAL MIND IS ENMITY (more than enemy-an active [happening right now] mutually exclusive hostile relationship) AGAINST GOD: Relationship between God and a carnal mind is one of 'mutual hostility'. Carnal mind will never do what God wants done. Carnal mind=functional death because of the active ongoing hostile relationship against God. Carnal mind cannot:</p> <ol style="list-style-type: none"> <li>1. be influenced by the things of the Spirit/grace</li> <li>2. do what God wants done/please God (because it is weak, gets its energy from the flesh)</li> <li>3. live unto Him in righteousness (impossible)</li> <li>4. restrain sin, it can only accelerate it</li> <li>5. motivate to do good, it can only do evil in God's sight (no matter what a guy does, if he's carnally minded, God said that means zero)</li> <li>6. a living relationship with God, only a hostile one, it can only produce an enmity relationship against God</li> <li>7. functional life, it is death, it is a functional death in God's sight.</li> </ol>                                                                                                                                      |
| Romans 8:7      |              | <p>CARNAL MIND: Is (functional) death because it has an active ongoing hostile relationship against God.</p> <p>ENMITY: Looks close to enemy. Not synonyms. The basic difference between enemy and enmity is that enmity indicates (mutually hostile active) relationship-the fight is happening right now. Telling us that the relationship between God and a carnal mind is one of "mutual hostility." The carnal mind is never going to do things the way God wants it done. Enmity not only describes a relationship of mutual hostility, but "enmity" is always used to describe that relationship as ACTIVE. So, "enmity" is the ACTIVE state of an enemy. Can have an enemy but not an ongoing fight.</p> <p>FOR IT IS NOT SUBJECT TO THE LAW OF GOD: The carnal mind is not interested in or has no respect for that/what the law says to do or not to do. It's not going to be brought under the law as authority and has no regard for what the law says.</p> <p>FOR IT IS NOT SUBJECT (doesn't care) TO THE LAW OF GOD: Carnal mind has no respect for the law.</p> <p>NOT SUBJECT: It doesn't care.</p> <p>NEITHER INDEED CAN BE. These 4 word are supposed to so emphasize and intensify this thing that it drives the point home; intensifies the point he is making. Drives the point home that the carnal mind is not subject to the law of God and it is absolutely impossible for it to be. Can't happen. Can't take place. MM says when a person who is saved picks up their Bible and decides I'm going to take those O.T. verses and live them, I'm going to take those words of Jesus, I'm going to take those Hebrew epistles and live my life, the Bible would say you have zero possibility of success.</p> |

| Romans 8:8      |              | <p>Our sanctification can only be put into practice under grace and not under the law. Your flesh cannot produce what is needed for the law to do that for you. This is not about us trying to mimic godly things to the best of our ability, this really is Christ's Life being made manifest IN our mortal bodies and that is a huge difference. Most of the sermons that we have heard preached have been nothing more really than motivational speeches, asking you to be patient, to love people who are not lovable, to exhibit character traits - patience, endurance, kindness, and all of those things. But nobody ever shows the doctrine to say here's where this gets produced IN you, this is where this come from. This is not the human version of it. It is the godly version of it and that only comes from the doctrine contained in the word. It's not just us trying, but it is Christ actually dwelling IN our hearts by faith and then living His Life IN our mortal flesh. That's the big difference.</p> <p>SO THEN: Sort of a conclusion.</p> <p>THEY THAT ARE IN THE FLESH CANNOT PLEASE GOD: In the flesh trying to live your sanctified life under the law or a preacher's version or your version. They that are in the flesh cannot please God. He means for you to be under grace.</p> <p>THE FLESH THAT CANNOT PLEASE GOD: God rejects service in the flesh - God rejects everything about our flesh.</p> <p>IN THE FLESH CANNOT PLEASE GOD: God rejects the efforts of the flesh.</p> <p>IN THE FLESH: Described anyone who is attempting to live for God, in any manner other than by their new identity under grace.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Romans 8:9      |              | <p>Notice 2 sentences in the verse, meaning you have 2 separate thoughts. Normally, just one sentence in a verse with a comma or semi-colon. Two basic parts in this verse talking to you about 2 things.</p> <p>BUT (corner word-change in direction) YE ARE NOT IN THE FLESH (IN THE FLESH=the energy &amp; capacity of your flesh-cannot produce your sanctification; walk after the flesh-&gt;walking in the flesh-&gt; IN THE FLESH), BUT IN THE SPIRIT (to walk after the Spirit or in the energy and capacity of the Spirit)</p> <p>BUT: Corner word - change in direction. Were talking about the flesh that cannot please God. Now the word tells us you are not going to be talking about the flesh that cannot please God, but you are going to be talking about the Spirit. Give you some information about the Spirit.</p> <p>BUT YE ARE NOT IN THE FLESH: Already talking about what it is to be in the flesh.</p> <p>IN THE FLESH: Operating in the energy and capacity of your flesh (flesh has no capacity to produce your sanctification), which is what you have when you are under the law. Trying to utilize the law or some form of it and your best efforts to keep it. If you WALK AFTER THE FLESH, you are IN THE FLESH. GH: ungodly process: walk after the law-&gt;walking in the flesh-&gt;IN THE FLESH</p> <p>IF SO BE THAT THE SPIRIT OF GOD (Sanctification) DWELL IN YOU: A saved person can be in the flesh. When the Spirit of God is in control of you. Most people read this and think if the Spirit lives in you that you are saved. GH: But given the Spirit and the Spirit DWELLing in you are different.</p> <p>IN THE SPIRIT: To walk after the Spirit. You are IN THE SPIRIT 'IF' the Spirit dwells IN you. Walking in the energy and capacity of the Spirit - your sanctified life. In Romans 8 and the context we are studying. Not the same as John being caught up in the Spirit in Revelation. This phrase in Romans 8 is not referring to anything except you walking after the Spirit in your sanctified life. That's the total context of this. MM can't number the crazy ways this phrase gets interpreted by preachers across this country. Walking in the energy and capacity of the Spirit. Process: WALKING</p> |
| Romans 8:9      |              | <p>AFTER THE SPIRIT: Walking after who the Spirit made you to be IN Christ.</p> <p>IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU. NOW IF ANY MAN HAVE NOT THE SPIRIT OF CHIRST (not even saved/justified), HE IS NONE OF HIS. MM says notice the (GH: IF SO BE) condition. GH: MM proving the IF SO BE-Romans 8:17 is conditional.</p> <p>IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU: The Spirit dwells in us as we live out of the doctrine; as we "mind the things of the Spirit" which are the things given to us in His word.</p> <p>IF SO BE: In the OED, this is always conditional. There's a particular activity that the Spirit does that the Bible calls dwelling in you. Just because you have Him, doesn't mean He is dwelling in you.</p> <p>SPIRIT OF GOD DWELL IN YOU: Which is Him producing the character of God's Son in us. This is not us being in the flesh, which would be our works, but it's not. But we are in the Spirit which makes the works God's works in us. See Romans 8:11.</p> <p>DWELL IN YOU Process (can't see it-like imputed righteousness or permanent At-one-ment): Walk after the Spirit-&gt;Mind the things of the Spirit-&gt;Spiritually minded-&gt;then the Spirit DWELLS IN YOU-&gt; You are 'in the Spirit'-&gt;Then the Spirit can Quicken your Mortal Body (making you functionally alive)-&gt;Allow Christ (to live His Life) IN You, allowing you to produce righteousness.</p> <p>Can't make IN YOU-Romans 5:5 and this the same because you can be saved and live out of your flesh.</p> <p>(Not SPIRIT IN YOU=justification/automatic and permanent; when you got saved/Holy Ghost-Spirit of Christ.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

Have to be SPIRITUALLY MINDED and think about the things He did when He made you a new creation. When you do that, the SPIRIT DWELLS IN YOU. You are IN THE SPIRIT if the SPIRIT DWELLS IN YOU. He is doing something when He dwells IN you.)</p> <p>DWELLS IN YOU: An encapsulation type phrase that covers several things:</p> <ul style="list-style-type: none"> <li>- Spirit was not dwelling in you when you got saved or Paul has been a liar for 1.5 chapters.</li> <li>- Not automatic; not permanent</li> <li>- Happens only when you: WALK AFTER THE SPIRIT-&gt;MIND THE THINGS OF THE SPIRIT-&gt;are SPIRITUALLY MINDED and then the Spirit begins to DWELL IN YOU. Things He does:</li> </ul> <p>QUICKENS YOUR MORTAL BODY (allows the quickening to take place)</p> <p>CHRIST LIVES (His Life) IN YOU, making your mortal body (not just thinking about it) functionally alive</p> <p>When that happens the members of your body are really INSTRUMENTS OF RIGHTEOUSNESS, you have YIELDED them to Him. The Spirit's No. 1 job: to conform us to the Image of God's Son/to edify us to godliness/to form the Life of Christ IN us.</p>                                                                                                                                                                                                                                                                                                                                                                                                 |

If you don't have the SPIRIT OF CHRIST, you don't even belong to Jesus. You are not even saved. Paul removing the confusion between having the Spirit and having the Spirit dwell in you. If you have never been given the Spirit, you never got saved. Don't confuse these issues.</p> <p>SPIRIT OF CHRIST (JUEL/Holy Spirit performing the ministry of justification-to put you into Christ; Spirit of Christ is IN you. - Romans 8:1-IN CHRIST JESUS).</p> <p>Holy Ghost vs. Holy Spirit: Same Person but not the same thing. Different terms. Why the change from SPIRIT OF GOD to the SPIRIT OF CHRIST? All of this is talking about the Holy Ghost. It's the same Person. The Holy Ghost is the one given to you when you got justified.</p> <p>* When the Bible uses the term Holy Ghost, it is talking about the Person of the Spirit. He is the third person of the Godhead - the Father, the Son, and the Holy Ghost.</p> <p>* When the Bible uses the word Spirit, it is not talking about Him as a Person, it is talking about a ministry or work He (the Holy Ghost) is performing. He is saying if you don't have the SPIRIT OF CHRIST, you don't belong to God. If you don't have the Spirit, none of this pertains at all.</p>                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:9      |                                                                                            | <p>It's the same Spirit doing different functions (of many).</p> <p>1. SPIRIT OF CHRIST: Talking about the Holy Ghost performing some ministry. The ministry He is performing is justification/JUEL - to put you into Jesus Christ. To make you justified. Saw this in Romans 8:1 (IN CHRIST JESUS). Paul is saying if you don't have the Spirit of Christ, you have never been justified/saved and you are not His. You don't even belong to Him. Once you have been justified your position is IN Christ. So the work the Spirit did to get you justified, to put you in Christ, He does it as the SPIRIT OF CHRIST.</p> <p>2. SPIRIT OF GOD: When you come to your sanctification where He DWELLS, He is called the SPIRIT OF GOD. It is the relationship of the Father and the son and now he introduces this. You are about to get educated in 3 verses that God as your Father has adopted you and He's going to start this Father-son relationship with you. That's the representation of that relationship - as a Father to a son. It's not that when you got saved, you didn't belong to Him. You did. Now, He is talking about being sanctified. The whole idea about God is, He wants to take what's on His heart and write it on your heart. That's what He is going to do as the Spirit of God.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 8:10     | GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION | <p>Broken into 2 clauses by the semi-colon. Know you have 2 different things that are going on there. The second clause is actually going to give us the first of 2 parts that solve our dilemma. The dilemma is stated on the front-side of the semi-colon.</p> <p>DILEMMA: THE BODY IS DEAD BECAUSE OF SIN -&gt; PART 1 OF SOLUTION: THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS. (the Spirit's capacity to give functional life). The Spirit has the ability to give you life even though your body is functionally dead. Our bodies are functionally dead.</p> <p>AND IF CHRIST BE IN YOU: First time you are told outright that Christ is going to live IN you, living His Life in you. Different than you living for Him. Could have implied it earlier but tells you outright here. The Spirit of God is working to give you functional life so that Christ can live His Life in you, making your body functionally alive even though your body still has sin in its members. Starts in your mind with how you are thinking. Have to think the things that the Spirit did in making you who are fully identified with Christ. That makes the Spirit then DWELL IN YOU. It's not I am going to produce something so good, He is going to like it, it is I am going to yield, and He is going to produce something in me that He accepts. Seems like because the body is dead because of sin we have an impossible situation that we can't get out of. Doesn't matter what I think, I still have sin dwelling in my body. How am I going to fix this? The whole idea is the SPIRIT IS (functional) LIFE and if you MIND THE THINGS OF THE SPIRIT you are now allowing Him to not just be in you but to do something in you about this life that you want to live for God.</p> |

| Romans 8:10     | GH: THE BODY IS DEAD BECAUSE OF SIN = Dependency between SIN and the BONDAGE OF CORRUPTION | <p>THE BODY IS DEAD BECAUSE OF SIN: Paul is interrupting his thought. He is saying if Christ be in you and then he changes and says the body is dead because of sin, but now he is going to complete that thing that goes with the first part. If you would block it out, would read like this. IF CHRIST BE IN YOU, THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS. MM linking the BONDAGE OF CORRUPTION-Romans 8:21 to the entrance of sin. Sin brings physical death and moral/spiritual death.</p> <p>THE BODY IS DEAD: He is not talking about physical death. The body is "dead" spiritually, in that there is nothing of spiritual life by anything the body can do. It is not alive "unto God" and it cannot produce spiritual life.</p> <p>BUT THE SPIRIT IS LIFE BECAUSE OF RIGHTEOUSNESS: Part 1 (GH: or 2?) of the solution. Provision He has made for you even though you have sin in your members. Provision made for the 'body' dilemma. Functional life. He is going to give you functional life even though you have sin dwelling in your members.</p> <p>BUT THE SPIRIT IS LIFE: The Spirit can bring life to our spiritually dead bodies. The Spirit can make it so that these bodies can function in life; in righteousness.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:11     |                                                                                            | <p>You MIND THE THINGS OF THE SPIRIT-&gt;BE SPIRITUALLY MINDED-&gt;the Spirit will DWELL IN YOU, and the result is your mortal body gets QUICKENED. Difference between IN somewhere vs. DWELLING somewhere is the difference between staying in a hotel and dwelling in your home. Analogy of staying at a hotel vs. finishing your home like you want.</p> <p>IF THE SPIRIT OF HIM THAT RAISED UP JESUS FROM THE DEAD DWELL IN YOU: IF says it is not automatic otherwise he would have used AND and not IF. He wants you to understand you have something here that's an option before you.</p> <p>IF: Notice the IF - conditional. Living in an unredeemed body with sin in its members, the Power of God is so great within you, that if you walk after the Spirit, He will QUICKEN your mortal body to produce the very life of His Son in you.</p> <p>DWELL IN YOU: Not the Spirit given at JUEL; Spirit is not dwelling in every believer. He is not just in there but He is doing something in the Will of God. When the Spirit is dwelling in you, He is conforming you to the Image of God's Son. That's what He is working toward.</p> <p>DWELL: Not talking about Him doing something in you - means He is QUICKENING YOUR MORTAL BODIES. MORTAL BODIES is telling you this is right now and your body is not redeemed yet. Your mortal body is already alive - not talking about that.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Romans 8:11     |                                                                                            | <p>IF THE SPIRIT...DWELL IN YOU...QUICKEN YOUR MORTAL BODIES: Spirit is leading or in control, not just taking up residence in you. You are submitting yourselves to what the Spirit is doing in your inner man in connection with the word.</p> <p>DWELLETH: Not just that He is in there. He actually now has the freedom and liberty, because of our positive and proper response to the word to actually now effectually work in our inner man to change us from the inside out. GH: When the Spirit is dwelling in us, He makes those (house decoration) decisions. He is the One in charge and you are doing what the Spirit wants done. The primary job of the Spirit is to quicken us or bring us to fullness of function so that the Life of Chrsit can be lived in us. That's the Life that saves you. MM says it is not I saved you and now you are going to heaven, I don't really care about the rest of it. No, I saved you so I could put the Life of My Son back in you so you really have a life and can live a life that is acceptable to God. How acceptable is the Life of Jesus Christ to the Father?</p> <p>QUICKEN YOUR MORTAL BODIES BY HIS SPIRIT THAT DWELLETH IN YOU: When He is dwelling in you, He is providing now the second part of the solution to your dilemma - change the way you behave. Not YOUR best effort, it is His. He is not talking physically because your physical body is already alive. It is our spirit that needs to be transformed, not our body. It is our heart that needs changing. If all we do is try to change our body, we are trying to make the flesh into something it can never be.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 8:11     |                                                                                            | <p>QUICKEN YOUR MORTAL BODIES: Don't need a glorified body to stop sinning. Causing your unredeemed body to do something that it would never be able to do on its own, only under the power of Grace, under the Spirit is that going to get done. To bring to fullness of function. It is not the best that our flesh can produce, but it is us stepping out of the way and allowing the Life of Christ to be lived in us in response to that doctrine that we have come to understand. Taking a body that is functionally dead and not just giving it life, but the fulness of functional life. It's the Spirit of God that puts your sanctified life into practice when He quickens your mortal body. If we do it in our flesh, God said that is no good to Me. Allows you to produce righteousness that God can accept by the things this body does. Puts your functional life into practice when He quickens your mortal body. Solution to the dilemma that our body still has sin dwelling in its members.</p> <p>QUICKEN: Rouse to fullness of function or activity in the sense of the Spirit dwelling IN you and producing the Life of Christ IN you. Fully function the way you are supposed to; much more than alive [think someone in a coma]. What God needs that body to be able to do. Paul will talk to you about how to counterfeit living under God. You can live unto God/do righteous deeds in the energy of your flesh. Doesn't want you to do that. Wants you to do it in the energy of your spirit. Only happens when the body gets quickened.</p> <p>MORTAL BODIES: Not yet redeemed so they are destined to die. But in that mortal body part the Life of Jesus can be made manifest in. Not because of a wave of a magic wand that God suddenly makes you spirital, it is a result of what has been happening in your inner man that is now being made manifest in our outer man. See verses like 'grieve not the Spirit' and 'quench not the Spirit'. It is possible to have Him but not let Him do what He wants to do. But when He is able to do this, He will QUICKEN that MORTAL BODY by producing the Life of Jesus Christ in us. That's the fullness of function (GH: QUICKENing). Your mortal body can now be quickened to produce righteousness because the Spirit DWELLED in you.</p> |

| Romans 8:11     |              | <p>MORTAL: He could have left this off but when he added, he compounded or intensified it. Pay attention to these double words (MORTAL BODIES).</p> <p>SPIRIT THAT DWELLETH IN YOU: Not talking about when you got saved/you were given the Spirit. The Spirit is not dwelling in every believer, that is something very specific. He is going to do something in your mortal body that will allow you to produce righteousness.</p> <p>Power of the law: it will condemn you.</p> <p>Power of grace: God can take grace working in the spirit of a man whose body is not yet redeemed with sin dwelling in its members and sin will have no power against grace. Grace will shove that aside and say I CAN produce a righteousness on par with God's righteousness in this body. MM said this is the part where we are dancing on tables and throwing confetti in the air. Angels are saying WOW! God is saying that is the power of My Grace. Want to see My Power on display, it is so displaying in us.</p> <p>DWELL: OED: dwell – 8) to occupy as a place of residence; So, what does it mean to “occupy” a place?</p> <p>OED: occupy – 1) to take possession of, to take for one’s own use</p> <p>If the Spirit of God takes possession of you as a place of residence for His own use, then He that raised up Christ from the dead shall quicken your mortal bodies.</p> <p>QUICKEN: OED: quicken - 1a) to give or restore life 1b) in renderings of Biblical passages, with reference to spiritual life 2) to rouse (to fullness of function).</p> <p>To give spiritual life. As we live out of that new identity we were given as part of our sanctification, that is how the Spirit dwells in us and that is how our mortal body is quickened.</p> |
| Romans 8:12-13  |              | <p>Are the conclusion to the information in Romans 8:1-11. Here's the kind of indebtedness or gratification that comes out of your sanctification. Verses have a kick to them before it puts you into the 3rd aspect of your sanctification - DEAD TO SIN, ALIVE UNTO GOD, and now ADOPTION.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Romans 8:12     |              | <p>How we get Him to QUICKEN OUR MORTAL BODIES. (GH: wrong verse?)</p> <p>THEREFORE: Introducing/coming to a conclusion being drawn from the previous information. Here's the conclusion of the first 11 verses. All that came before, we are now about to give a conclusion.</p> <p>WE ARE DEBTORS, NOT TO THE FLESH: You don't owe the flesh anything because the flesh goes kicking and screaming against this. Flesh has natural tendency to grab ahold of the law. You will have to go through this process many many times and remind yourself each time. God won't accept living after the flesh or in the energy of your flesh.</p> <p>WE ARE DEBTORS: That is the sanctification of indebtedness. We are not debtors to live after the flesh, we are debtors to live after the Spirit. To the Spirit to live after the Spirit, not to the flesh but to mortify the deeds of the flesh.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:13     |              | <p>Talking about the PRACTICAL area of your sanctified/functional life. Your POSITIONAL sanctification is in cement. Heartbreaking that people can spend their whole life living for God, win people to Christ, preach sermons, etc. but it is all the best they can do so it is in the energy of your flesh. Get to Heaven and realize all of their serving was with hands of wet mud. God will not cut them slack. They that are IN THE FLESH can not please God. The POE has covered this up so well that what we have operating out there now is the counterfeit system the POE has put in place and it is so pervasive and if you don't do it that way, people look at you like you are a fruit cake or off in left field or some type of cult or some screw ball group. This is the last verse that precedes Sonship. Introduces us to our SO (Romans 8:14-15). Can only be done by a son!</p> <p>FOR: For of further explanation/detail. English word of logic that doesn't always mean further detail but lots of time it does.</p> <p>IF YE LIVE AFTER THE FLESH, YE SHALL DIE: Not literal/physical/eternal death, functional death because you are in sanctification, not justification. The death is you are no longer living like who you have been made to be, that functional life is dead. Knowing that puts you ahead of most Bible college professors. They define this as either physically (God will kill you) or spiritually (you lose your salvation).</p>                                                                                                                                                                                                                                                                             |
| Romans 8:13     |              | <p>IF: Conditional</p> <p>IF YE THROUGH THE SPIRIT DO MORTIFY THE DEEDS OF THE BODY: Natural question is how do I do this? Romans 8:14 begins to explain to you.</p> <p>Get to v13 and realize there are some details you really need filled in.</p> <p>MORTIFY THE DEEDS OF THE BODY: Do this and turn up functional life; power to restrain sin and mortify the deeds of the body is done through the Spirit. Put to death the things that body would do is done through the Spirit. If you live after the flesh and try and live for God in the energy of your flesh, God is going to say there's nothing you're doing that I give you any credit for whatsoever.</p> <p>MORTIFY: Kill, put to death. If you mortify the deeds of the body, you will turn up functional life, not talking about eternal life.</p> <p>DIE: Put your spiritual life to death. Paul insists we live out of grace and not out of the law.</p> <p>Bottom line: Both justification and sanctification are BGTF. Not about flesh or works, it's do you have faith in what your Heavenly Father has told you when you trusted Jesus as your all-sufficient Savior? Dependent on working in your inner man. Have to go through this process many times and remind yourself each time. Summary: Given Holy Ghost when saved. Believer is not automatically IN THE SPIRIT (can be IN THE FLESH). If the Spirit DWELLS IN YOU, you are IN THE SPIRIT. If you live after the flesh and try and live for God in the energy of your flesh, God is going to say there's nothing you're doing that I give you any credit for whatsoever.</p>                                                                                                                                               |

| Romans 8:14 - 2 Thessalonians | Doctrine : Sonship (Student Perspective) | <p>Sonship - Student Perspective: Is the curriculum you need from your Father to function as His adopted son. Sonship is marked by three stages:</p> <p>1) The declaration/pronouncement that you've been adopted (the public announcement that the son is entering into business with the Father) - Romans 8:15 'being declared a son and there is an education that follows'</p> <p>Stage 1 (the declaration/education) took place when you trusted Christ as your Savior. You were, at the point of your being justified unto eternal life, declared by your heavenly Father to be his adopted son.</p> <ul style="list-style-type: none"> <li>- Going to school</li> <li>- Physically: around 12 to 18 years old 'in the real adoption process'</li> <li>- Spiritually: Declaration at the point of salvation - the day you trusted Jesus Christ as your Lord and Savior</li> <li>- Education: Orientation, Establishment, Education - Level 1 - Phase 1 and Phase 2 of the curriculum (Romans, Corinthians, Galatians)</li> <li>- End of Stage 1 - SIMPLE SON</li> </ul>                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:14 - 2 Thessalonians | Doctrine : Sonship (Student Perspective) | <p>2) When the Father and the son begin laboring together (the son is receiving his education; he is not ready to labor all by himself yet.)</p> <p>Stage 2 (the education/apprenticeship) takes place for the duration of your life here on earth and only ends at your death or the rapture</p> <ul style="list-style-type: none"> <li>- apprenticeship/on the job training; Going to school by putting your hands on it and learning; you know you're being guided; here's how you run the machinery; know enough to begin laboring with your Father; need to get more skilled but at least at a place that you can be actually involved in the work; put some things you have learned into practice</li> <li>- Between 18-30, making some pretty important life decisions - get married, start a family, etc. - probably has a 12 year old boy that he will adopt and start the same process with; decisions on marriage, family, in the Jewish culture had children right off the bat</li> <li>- Physically: around 18 or 22 to 30 years</li> <li>- Spritually: during your life till death or the rapture; If God didn't have something more for you here, the smartest thing would have been to take you out when you got saved. The absolute persuasion of trust in our Father &amp; His word as sufficient to deal with any situation or circumstance which threatens our Sonship lives-v38-39</p> <p>These issues should never drop out of our prayer life, for we will constantly be building on and increasing in our godly desire to function as adult sons and daughters. If you don't have a desire for that, then the education is not going to have to work that it's designed to have in you. Companion passage Galatians 4:4-5.</p> <p>You are going to get to do something that doesn't happen much anymore - used to get done all the time - apprenticeship. That's what this life is about. That's why when He saved you He didn't just go ahead and yank you out of here and give you a glorified body and you are up there just waiting for the next person. Apprenticeship is through divine institutions - local assembly, family, marriage, government, labor.</p> <p>HERE IS AN ABSOLUTELY CRITICAL AND ESSENTIAL ISSUE THAT HAS TO BE PROPERLY UNDERSTOOD AND APPRECIATED, OR ELSE YOU WILL HAVE PROBLEMS WITH YOUR CHRISTIAN (Sonship) LIFE: YOU HAVE GOT TO BE ABLE TO SEE THE DIFFERENCE BETWEEN WHO GOD IS (attribute-wise or essence-wise) AND HOW HE DETERMINES TO DEAL WITH YOU! MM cannot overemphasize this. In Sonship, God is not going to deal with you in His omnimnis (MM is not saying God isn't those things, He is or He couldn't but He has chosen NOT to do that), because if He deals with you out of His omnimnis, that is not relational. What this is supposed to do is to force you to communicate with Him like your natural father. Means if He is going to know what is going on in your life, you are going to have to tell Him. It's not that He can't know, it is that He has chosen to do this.</p> |

Compare to Jesus in Matthew 3:17-4:1.<br>In order to accomplish this, He has given us:<br>* Grace – only thing which makes godly edification (adoption) possible (still a child under tutors and governors under the law and God can't utilize adoption)<br>* Spiritual Fitness – which qualifies us to be adopted sons (two components: 1. perfect justification 2. perfect sanctification)<br>* His word – a complete written curriculum of instruction (training ground for when you get to the heavenly places)<br>* His Spirit - to lead us through the curriculum LED BY THE SPIRIT OF GOD-Romans 8:14<br>Our Heavenly Father does the same thing as an earthly father would do. He looks out and says who's willing? Believe it or not. there are plenty believers IN Jesus Christ that when presented the opportunity to actually be educated by their Heavenly Father to labor with Him out in the heavenly places are not interested in that at all. That just defies imagination for MM because MM is going to tell you, no matter what your interest is, no matter your skills are, no matter what your likes and dislikes are, there's not a business in the universe like our Heavenly Father's Business. Nothing holds a candle to His Business. Our Heavenly Father isn't going to make anybody do it so He's looking for somebody that is willing and He's looking for someone that has some character traits as well. |

We were going to have to go back in our Bibles to get a basic understanding about adoption-have to know Genesis 1:1 - Romans 8:13<br>2. God will utilize adoption in both programs to accomplish His purposes in the earth (Israel) & in the heavenly places (the body of Christ)<br>3. While the basic structure of adoption is the same in both programs, the doctrine for Israel's adoption is different from our doctrine<br>Adoption:<br>1. What is the primary characteristic of Childhood? -> He is restricted, under tutors & governors, limited decision-making<br>- no longer children, no longer under tutors & governors, no longer limited decision making<br>2. What is the primary characteristic of Adulthood? -> He has liberty<br>3. Under adoption, how does God deal with you? -> As an adult – He tells you why He does what He does<br>4. The 3 Basic Freedoms the Adopted Son enjoys are:<br>a. Freedom from: fear motivation<br>b. Freedom from: rudiments of the world (law)<br>c. Freedom from: limited decision-making<br>5. You know what he will never know. He is the one that made that great boast about his wisdom. Now, he looks out and sees people whose wisdom exceeds his wisdom. That's very embarrassing. Since God is making Him pay attention, that is humiliating. He never saw that coming. There is a power in this written word to do something in your inner man. Those words are written, they fit IN your inner man perfectly to produce something that not only benefits you but brings glory to God. It redounds to the glory of God through your proper response to the sufferings. Reasons why Satan hates the body of Christ more than the believing remnant - has a specialized hatred for you:<br>1. You are directly effecting his area - you are going to sitting on those thrones up there. Will be taking over his domain/den. We are going to take his place and that's got to sting, got to be embarrassing that earthen vessels are going to, by the Wisdom of our Heavenly Father, have a greater wisdom than Lucifer.<br>2. We are able to do something on this earth that Israel was never able to do.<br>Further you go in the curriculum, the worse it will be (SoC). |

Learn you are an adopted son and there is an instructional, educational, curriculum laid out in your Bible in the exact order you're are supposed to go through. | Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | The apostle Paul's 1-sentence definition of what it means to be a son. Declaring who you have been made to be. First time you see either one of these phrases. A son is led by the Spirit of God. Not separating out who is and who isn't. All it is stating a fact. Starts Sonship. Real work is not listening to MM a hour a week. Real work is what takes place between you and your Heavenly Father at home. MM will just direct you into the next part of the curriculum. Begins to explain how you are going to MORTIFY THE DEEDS OF THE BODY-v13. God is going to treat you as SONS but not just any SON but ADOPTED sons. The solution to getting all of this done in v1-13 is for God to now treat us as sons. MORTIFYing the DEEDS OF THE BODY is how God deals with a son. Find out all the things from Romans 6:1-8:13 can only be done with a son! This is the answer to the question, "How am I going to get my new position IN Christ operating in me?" Answer: as "sons of God"! If you read casually, might get the idea that only the people who are led by the Spirit of God are the ones who are sons. But everybody is a son who receives Jesus as their Savior. Can't look at this verse like some are sons and some are not. How fair would it be for God to ask you to make a choice on something that He hasn't even told you about yet? Now, dealing with you as sons and daughters, not children. He's leading you to go through a curriculum that He set down that will produce Godliness IN you. |
| Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | FOR: English word of logic. About to get an explanation about the things just said to you. God is about to give you an explanation for the questions that are now in our mind. It's a further detailed analysis of how you are to functionally live unto God. The 'for' makes it so that we have a proper, smooth, seamless, connection with v14 to the preceding information sitting in the first 13 verses of chapter 8. Explain in the remainder of Romans 8. Means there is a lot of explaining going on. Not a for of further explanation. Setting this off as new information. Have to read the rest of the verse before you know what the FOR is for. Used the word FOR because there still is a connection. It's connected to v1-13 but it is giving you new information. Tells us we are SONS OF GOD but remember this is in connection with our sanctification, not justification.<br>AS MANY AS: Not only, all of them. Tempted to replace with a synonym. Almost makes you think if you are not led by the Spirit of God, you are not a son. SO MANY OF US-Romans 6:3 - All believers were baptized into Jesus Christ. Don't use this phrase this way much anymore. Directing peoples attention to the importance and reality of what you are about to say. It's an English expression that calls attention to what is about to come up. It wasn't a qualifier back in Romans 6 and neither is it in Romans 8.                                                                                                    |
| Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | BEING LED BY THE SPIRIT OF GOD: Is NOT:<br>- A feeling, emotion or sensation - like I should go witness to this person<br>- A still, small voice<br>- An implanted thought in your head<br>- I think He wants me to go to Lowe's today and not Home Depot<br>These things above, as neat as they look, would short cut your Sonship education and do away with your liberty as a son. God doesn't want to be a tutor & governor to you either. That would just replace the law with Himself. He wants you to make wise Sonship decisions. Doesn't say FILLED with the Spirit. Doesn't say HAVE the Spirit (you do have it). Doesn't say MOTIVATED or TAUGHT by the Spirit. Although that's not completely wrong, you won't have generated in your thinking some that the word lead does that taught can't. Spirit is showing the way. You are following the Spirit. Lead = to bring or take someone to a particular place; to show the way to someone. Implies:<br>- you are following willingly/you trust them<br>- that you can't get their on your own/unfamiliar/new/haven't been told about it<br>- they know the way<br>- care and responsibility<br>- personal association with it<br>- where your supposed to be                                                                                                                                                                                                                                                                                                      |

| Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | <p>BEING LED BY THE SPIRIT OF GOD(cont'd): Person leading you is right there with you every step of the way. Not remote, it's personal. Doesn't say GUIDED by the Spirit either. MapQuest guides but is not leading you. When you get to v14, you have to wonder where is He leading me? To where a son is supposed to be. When the words of the curriculum get written on your hearts, you are being led by the Spirit to where a son needs to go that he can't get to by himself. He is writing godly wisdom on your heart. It's not exactly Him teaching you although you are being taught. Being led of the Spirit of God means that the Spirit of God is taking God's Wisdom which is written on the pages of His word and writing that on your heart. Take the Wisdom of your Heavenly Father and what's in His Heart and writing it on the heart of his sons. Know:</p> <ol style="list-style-type: none"> <li>1. you are a son</li> <li>2. that you are adopted.</li> <li>3. that you have made the cry ABBA FATHER - a stylized way of saying your Heavenly Father, because I know that I am a son and you've adopted me to go to work with you in your business, I say yes, that's what I want.</li> </ol> <p>With these 3 things in our mind, ready to talk the CAPSTONE of our education - our Sonship. Suffix -ship is the English form that you add to another word like this noun son in order to describe something that's happening with the son. The shortened suffix -ship actually comes from the word 'shape'. Sonship is to be shaped as a son. Sonship is a one-word encapsulation for a huge doctrine (Romans 8:14-2 Thessalonians). Need to see this, NOT as an EVENT, (became an adopted son the day you received Jesus as your Savior), think of it as a STATUS that you now live in for the rest of your life. Sonship (son-shaped) is the capstone of your sanctified position in Christ. You need to realize that the rest of your natural life, as well as your eternal life, should be lived out in that framework.</p> |
| Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | <p>LED BY THE SPIRIT OF GOD: Not about a mystical leading going on behind the scenes that we don't see to get us to a certain place or to arrive at a certain point or do a certain thing. He's leading you to go through a curriculum that He set down that will produce Godliness in you. What is being described is way more tangible. When God is leading you by His Spirit, it is altogether different. It's not about the maneuvering of circumstances. When you think you have been maneuvered by circumstances, you have put yourself back under the tutors and governors. When you think like God thinks, you don't have to be maneuvered. Don't need God shoving you this way or pushing you that way. Spirit is going to lead us through a curriculum as a son because we've been adopted whereby we're going to labor with our Father, not only now but also in eternity. The Spirit of God taking that particular body of information that we call the curriculum and putting it in our hearts and IN our minds.</p> <p>LED BY THE SPIRIT: Is NOT I feel like God wants me to go witness to this person or that God wants me to make this phone call. If you are led, Someone is taking you somewhere. The Spirit of God is about to lead you through the Sonship curriculum to be educated as a son. This is a proclamation! You are about to be educated. Doesn't tell you what being LED BY THE SPIRIT is, meaning there should be something that you have already encountered that would tell you what that is. The Spirit of God will take you from wherever you are and lead you through this curriculum.</p>                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:14     | MoG - 11 of 18 - IN Christ Identity : Sanctification 3 of 3: Adopted Sons=SONS OF GOD | <p>SONS OF GOD: Third component of your sanctification. When God says you're a son He is not just talking about you're in My Family, He is talking about an adopted son and what adoption in the Bible has in mind. It's not some little poor orphaned child from a 3rd world country coming to a place with 3 meals a day. Biblical adoption is about the Father looking among His own children and saying who is going to work with Me in My Business? If you are a son of God, your Heavenly Father is now going to begin to educate you as a son or daughter and that education is Romans-2 Thessalonians. We are (adopted) sons of God. Now dealing with you as adult sons/daughters and not children. This changes how you can expect to be treated by your Father. You expect Him to now deal with you as a son. That's a different relationship. This really is a bi-directional Father-son/Father-daughter relationship. Is more than a reference to being part of the family of God, it is in reference to your being given the Spirit of Adoption. Have to understand Biblical adoption. MORTIFYing the DEEDS OF THE BODY-v13 is how God deals with a son. Different than CHILDREN OF GOD in v16.</p> <p>SONS: No longer children, treated as an adult in adoption. The solution to getting all of this done in v1-13 is for God to know treat us as sons.</p> <p>SON: First time in Romans a small case 's'. Us! The prior 5 times was capital 'S'. Find out all the things from Romans 6:1-8:13 can only be done with a son! Being told you are a son is sort of a pronouncement. When you are told you are a SON you are to realize the whole nature of the relationship has now changed. This is the way God always does this. He lays it all out and then gives you a name for it.</p>                                                                                                                                                                                                                                                  |

MM says when a child learns certain things and has certain inputs, he may actually have a spirit of fear and it is manifested in how he conducts himself. When he gets tucked in at night he may ask to leave the light on, don't close the door, can I come and sleep with you. Where it is coming from is something in his spirit. But whatever you sense has its final effect in your spirit and that's what you live out of. This is the difference between man and the animals. There is something different about a spirit of a man because that spirit was meant for things to work in that spirit and produce something. If we think we can see whatever we want or listen to whatever we want and its not going to have an impact on our spirit and produce those things that come from 2 totally different authors and it is not going to effect us we are mistaken. Those things produce one of two kinds of spirits. Come from two totally different authors.<br>YE HAVE NOT RECEIVED...BUT YE HAVE RECEIVED: Everytime a negative gets told to you, he turns right around and tells you what to do. It is not enough to know what NOT to do, you have to know what TO DO. Can't find where Paul has told us NOT to do something without telling us what to do.<br>THE SPIRIT OF BONDAGE AGAIN TO FEAR: When Paul talks about not being under the YOKE OF BONDAGE-Galatians 5:1, he is taking them back here. |

Don't think about as some sort of poltergeist or demon. BONDAGE is the way the law is being described. The cure is not for you to cast that out. The cure is to replace whatever is in your heart with your Father's Wisdom. The fix.<br>SPIRIT OF BONDAGE: The law<br>RECEIVED THE SPIRIT OF ADOPTION: A Holy Spirit ministry/function.<br>SPIRIT OF ADOPTION: Capital S telling you who is involved in that. Is the Holy Spirit functioning in accordance with your adoption as a son. Because you are being dealt with as a son, the Holy Spirit is going to carry on a specialized ministry with you which He is now known as the SPIRIT OF ADOPTION. Something the Spirit has done specifically with regard to your sanctified life. More than an event when you got saved, see it as a status. He takes us through a body of doctrine that produces a certain attitude IN us. The Spirit is leading us to know what the word says. That attitude affects us in several ways:<br>- It generates an enthusiasm about our Father's Business and our part in it<br>- It creates the assurance that no matter what we go through in this life, our Sonship education will be worth it<br>- It equips us to patiently endure 'the sufferings of this present time'-v18<br>- It educates us as to our involvement with the creature<br>- It makes us "groan" for our glorified body for the purpose of accomplishing our Father's Business.                                                                                                                                                                                                                                                                                              |
| Romans 8:15     | MoG - 12; 13; 14 of 18 - Freedom from Fear<br>Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION | SPIRIT OF ADOPTION (cont'd): Means that now the Spirit is going to begin to function in one of those ways that He was meant to function. He will not function until you (GH: CRY ABBA FATHER). Once you make a conscious decision - yes, I am going to engage in this - now the Spirit can begin the process of taking you through the adoption and building you as a son and installing your Heavenly Father's Wisdom IN you. Everyone is given the SPIRIT OF ADOPTION but not everyone responds to it. Something the Spirit has done specifically with regard to your sanctified life. You know if you're adopted the first thing you are going to get out of the box is an education. Learn something about the Father's Business. God adopted you not just to make you part of His Family, He adopted you so that you could labor with Him in His Business. He is going to supervise this whole thing about you being a son. That's the role He's going to take on so you can't just come out of this knowing, oh well, it's just the Holy Spirit but you have got to see Him an a particular Role as it pertains to your adoption. Is involved in the 3 major components:<br>1. MEANS<br>2. RESPONSIBILITIES<br>3. | Romans 8:15     | MoG - 12; 13; 14 of 18 - Freedom from Fear<br>Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION | ADOPTION: Being adopted is the issue of every dispensation. We are worthless unless God can deal with us as sons and daughters. Until that happens, we can't think like Him, act like Him, and we certainly are not educated or have the ability to labor with Him in what He is doing. A child doesn't know these things, has to be told these things. What the law did. Now, I AM going to deal with you as an adult - chastisement. In the DOGG, God is not dealing with us with the rod of correction. Since Paul does not explain adoption, you know that you must already have an understanding of what Biblical adoption is. Only place you can find this is the Interlude of Mercy, where the judgments have been rolled back and God can begin to do some things. Glorious - at the very heart of our sanctification. The specialized process that you have been given (the the believing remnant didn't get - yet) that makes you different. Understand the difference when He talks to you as a:<br>- son<br>- adopted son<br>- when He calls you children<br>ADOPTION: First pronouncement in adoption - CHILD to SON - The offer to be educated/labor with the Father. The specialized process is in the word ADOPTION. God had never done adoption till the DOGG. Adoption does make us more than just members of the family. MM is not saying God didn't want to do it earlier, He did. He wanted to do it with Israel. Something happened that prohibited that. Being an adopted son is a dispensational matter. Presented with the Sonship opportunity and where we made the cry ABBA FATHER which was saying yes I want to labor with my Father. I want His Wisdom installed IN me. I care about that. The critical junction where you decide to do this. Completes your understanding of what it means to be a son. He is saying he is going to take the structure and start adding all the doctrine. Need to understand the structure before we jump off into the doctrine. |

LED BY THE SPIRIT: Not the Spirit is speaking to our heart and giving us some kind of direction. Something very specific your Father is telling you<br>2. RECEIVE THE SPIRIT OF ADOPTION: Makes using the word son in a very specialized way. When the father looks at a son and says I am going to dismiss your tutors and governors and I am now going to personally train you for the business that I've been engaged in. Something further/more than just being in the family. A son can be in the family and not trained by the father to take over the family business.<br>SPIRIT OF ADOPTION: He is not repeating what he told you in Romans 5:5 - HOPE MAKETH NOT ASHAMED BECAUSE THE LOVE OF GOD HAS SPREAD ABROAD IN OUR HEARTS BY THE HOLY GHOST WHICH IS GIVEN UNTO US. You were given the Holy Ghost when you trusted Jesus Christ as your all-sufficient Savior. He is not repeating that. Now, he is talking about the Spirit now functioning in conjunction with your adoption. He was given to you to function as several things and one of those is the Spirit of Adoption. He is leading us through the education that will make us into the sons/daughters that we were made to be. What is being told to us in Romans 8 is an advancement of what was told to us in Romans 5.<br>SPIRIT: Has capital 'S' Spirit - talking about a function of the Holy Spirit. Received the Spirit of Adoption.                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 8:15     | MoG - 12; 13; 14 of 18 - Freedom from Fear Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION | WHEREBY: Another English word of logic. Based on what just took place in v14-15. Based on what you were just told, it is supposed to produce a cry of ABBA FATHER. If that verse is properly working IN you, you will make that cry. You know because what came before that when you cry ABBA FATHER that this verse is really properly working IN you. Reading just what comes before should make you say ABBA FATHER or 'I want this!' Is a YES to your Father. Does not say we WILL cry ABBA FATHER. Until this gets done, we are not ready to go to v16. That has to get done. That's the marker. What you are about to enter into is a real bi-directional relationship between you and your Heavenly Father. You should be talking to your Heavenly Father and saying here's how my day went GH: from an edification standpoint. Start operating out of the real Father-son relationship - it's personal. CRY: Cry of someone intelligently (based on that knowledge of you know some things, you are making that cry-not an emotional outburst). Shows the intimacy of the relationship. Supposed to be the cry of a son who now understands/Is from an adopted son or daughter understanding that:<br>- I know I'm under grace and no longer under the law / tutors & governors and it's limited decision-making<br>- I know I'm given great liberties as a son (i.e. decision-making is one of the greatest liberties)<br>- I know my relationship with God is love motivated (not fear-Israel's was fear motivated under the law)                                                                                                                                                                                                                                                 |

| Romans 8:15     | MoG - 12; 13; 14 of 18 - Freedom from Fear Motivation; Freedom from the bondage of the law; Sonship/Adopted Sons = SPIRIT OF ADOPTION - 'Capstone of your Sanctification' / IN Christ Identity : Sanctification 3 of 3 : Adopted Sons = SPIRIT OF ADOPTION | ABBA, FATHER: The intelligent cry of 'Abba, Father' is the key to the 3rd component of your sanctification, where you realize you Father is offering you the opportunity to have His Wisdom installed in you so that you can think like Him, do things His way, and you are capable of laboring with Him and what He is doing. First checkpoint in the Sonship education. What happens in the first 37 words of v14-15 is supposed to produce the cry of ABBA FATHER. Is the 'I do' to your Heavenly Father concerning your adoption. One of the prime components of being a son is liberty in decision making. Your Father is going to let you make your own choice, He is not going to force you to do it. Aramaic word and a very stylized word that is reserved for a son to use with his Father in a more intimate way/fashion. Wouldn't make the cry unless you saw it had value and it was something worth engaging your life in it. Otherwise, why? This cry starts/formally begins your adoption. Saying 'yes, I want to be educated as your son!' May only say it in our heart but we're saying, yes, I want it all/as much working on me. God has done everything necessary in order to be those adopted sons. More than just a status, He has provided everything we need to really function like sons/daughters are intended to function. Saying yes I want to labor with my Father. I want His Wisdom installed in me. I care about that. The critical junction where you decided to do that. What should be going through your mind when you cry ABBA FATHER. Cry of relief to know that God has dealt with us that way. Grateful for it but not a cry of gratefulness. First time Paul mentions ADOPTION. He hasn't explained it and he hasn't given you any details of it. |

| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <p>SE (Sonship Establishment): What's at stake in living your sanctified life. Essential - the very foundation on which your Sonship education rests. Can't bypass SE. Like building a house without a foundation. We are being established in our Sonship/as sons. To establish in the son the importance of the Business that the Father is offering Him. Not the education proper, but it is the doctrine you need to start the education. Learn about your Sonship establishment and sets your attitude for the education. His Business is so impressive that:</p> <ol style="list-style-type: none"> <li>1. You become as interested in laboring with Him as He is in laboring with you</li> <li>2. You will be willing to devote your whole life to getting educated to labor with Him in His Business</li> </ol> <p>Will tell you what's going to happen when you tell Him/what you should be expecting.</p> <p>You will look at your Father and THE MOST trustworthy individual that you are ever known. Your goal is to appear to Him as THE MOST trustworthy individual that He has ever known. It is not hard to understand, it is just hard to believe. Because the only thing that will tell you that is contained in the Sonship curriculum and folks in this assembly.</p> <p>This section of scripture produces such commitment and such unshakable confidence that when you are called to 'present your body a living sacrifice'-Romans 12:1, you will stand and do it without hesitation. You will be willing to face the Adversary,the COTW-Eph 2:2 and whatever else comes along. That is the kind of confidence our Father wants to produce IN us.</p>                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <p>Two main things SE is designed to do OR accomplishes OR meant to produce IN you before you get the education. Produces an absolute confidence in 2 things / Your attitude/POV/mindset/perspective is meant to produce 2 things in you (GH: produce &amp; install the 3 virtues in you):</p> <ol style="list-style-type: none"> <li>1. TRUST YOUR FATHER: You can trust your Heavenly Father in that what He says He will do. Convince you that your Father has not overlooked anything - what He says is true and what He says is best <ul style="list-style-type: none"> <li>- In what your Heavenly Father and what He says to you can absolutely be trusted without a shadow of a doubt</li> <li>- An absolute confidence in what your Father says - Don't need verification, outside corroboration, who else agrees - when your Father tells you, you just believe, not wavering - no outside proof to verify what He is going to tell you &amp; the POE will try to convince you what you are reading can't be true</li> </ul> </li> </ol> <p>The first thing in this attitude is:</p> <p>NOTHING COMPARES in our lives to our Father's Business - nothing on earth compares to this</p> <p>NOTHING COMPARES with getting the education that we need to labor with Him in His Business</p> <p>NOTHING COMPARES with the vocational training, the experience and all the skill acquisition that goes along with the education</p> <p>NOTHING COMPARES with the practice you will get in the areas of your life - practice in the assembly, in your home, out in public, with family members, with strength all that things that happen in your life. All the things will turn into practice runs that will be happening out in the creature.</p> <ol style="list-style-type: none"> <li>1. Should produce in you an absolute unshakable confidence that if your Father says it, you believe it not just because you're supposed to, you really do believe that, even in the face of what looks like a more attractive and believable truth. You're not going to doubt Him for a moment.</li> </ol> |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <ol style="list-style-type: none"> <li>2. TRUST HIS WORD: Establishing an absolute trust in His word, that the word will produce IN your INNER MAN exactly what it is designed to produce. <ul style="list-style-type: none"> <li>- His word/The curriculum for your Sonship education is able to provide everything you will need.</li> <li>- An absolute confidence in the curriculum to produce everything it says it will produce - Whatever you run into, the doctrine is capable of handling that</li> </ul> </li> </ol> <p>He does these 2 things by installing in you those 3 godly virtues. These are virtues that any father would want instilled in an adopted son. Those virtues are installed in us by way of the attending doctrine. All you have to do is believe.</p> <p>The second thing in this attitude is:</p> <p>You no longer see problems, fears, hindrances, etc. as deterrents or reasons to "throw in the towel". These problems are part of your "Sonship training". You will handle them as part of your Sonship life.</p> <p>Meant to produce an 'attitude'/outlook/view point/way of thinking in you that matches your Heavenly Father's Attitude</p> <ol style="list-style-type: none"> <li>2. You'll understand that the Sonship curriculum contained in this Book is absolutely going to succeed in you. The only thing is you can't quit. As long as you don't quit, it is going to do what it is designed to do. What you will be persuaded of at the end.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <p>These 3 virtues solve potential roadblocks to your Sonship education - possible obstacles to get you to quit and He solved all 3 of them. These 3 virtues are given in a very wise and very precise order - it is put together perfectly. Are given to you in the order you encounter them in your life:</p> <ol style="list-style-type: none"> <li>1. SOPT you experience as early as birth.</li> <li>2. When you begin the education in Romans 12:3.</li> <li>3. POE attack kicks in at Romans 13:12.</li> </ol> <p>All of these components are meant to produce IN you a particular attitude in you that matches your Heavenly Father's Attitude. He wants you to begin thinking about things the way He is thinking about things. He really wants to put what is in His Heart in your heart and that begins to get done in these areas right here. In the end you will have absolute, unwavering confidence in 2 things:</p> <ol style="list-style-type: none"> <li>1. You can absolutely trust your Heavenly Father: You're going to have an absolute confidence that when you read what your Father say, you will be looking at that understanding that there is no doubt in your mind that what He has told you is absolutely true.</li> <li>2. You can trust His word to perform in you what He says it will do: You're going to have an absolute confidence that His curriculum will absolutely succeed in you. It will do everything it is designed to do. By v39, you will know that if you read it, you know it is right, but you know that this curriculum is going to produce it IN me. Giving you a guarantee of success. You have 1 issue to settle - can you believe what He tells you. That's it.</li> </ol> <p>These 3 components of your Sonship establishment shape and form who you are as a son just as much as when you were told about your new identity IN Christ. It's who you have been made to be for all eternity and you need these with you all the time.</p>                                                                                                                                              |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <p>All three components of your Sonship establishment are meant to be ever-present in your thinking. This is not information you can learn and then forget about. You must live out of it every day.</p> <ol style="list-style-type: none"> <li>1) The hope of being a joint-heir with Christ as one who operates, governs and gives functional life to the creature; which produces a salvation from being victimized by the sufferings of this present time</li> <li>2) The confidence that Sonship prayer continues unhindered in order to find the knowledge of God</li> <li>3) The unwavering confidence in our Father and His curriculum whereby all things work together for our good</li> </ol> <p>These 3 components of Sonship Establishment actually shape and form who we are as sons of our Father, just as much as our Identity IN Christ is now who we are forevermore. Why God knows you are going to need this confidence:</p> <ul style="list-style-type: none"> <li>- What you are going to come up against</li> <li>- What we are going to be called upon to do</li> <li>- What this education needs to produce in us to equip us to do the job we will have in eternity</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) | <p>Section 1: Produces the godly virtue of Contentment / *Patient Endurance* of the sufferings of this present time - v16-25 - Promise about the GLORY</p> <p>SE Part 1 (Romans 8:16-25): Virtue: Contentment and Patient Endurance OF Suffering FOR a Glorified Body -(Patience to Wait for your inheritance - produces a hope)/Doctrine of 'Joyful' Hope that we possess as God's heirs in His plan and purpose)</p> <ul style="list-style-type: none"> <li>- Potential Roadblock One: The SOPT and the BONDAGE OF CORRUPTION (no one is exempt and we know that) - if a person doesn't understand what God is doing, is allowing the sufferings to happen, why He is doing what, they will get so caught up in the things going on that it will actually stop their Sonship life.</li> <li>- Learn that you will undergo the SOPT-v18. There are things that are going to happen to you just because you live in a fallen world and God is not going to stop them from happening. Can't avoid them but you learned that by going through that with the right response, there is a glory that is going to be given to you in eternity that is so great that your apostle said that the sufferings are not worthy to be compared to the glory.</li> <li>- Introduced to what you will be doing when you get out there in THE CREATURE in your glorified body. Learn when you look up at night at the moon and the stars that you are really looking at a creature. But it doesn't appear to be living because it is under the BONDAGE OF CORRUPTION. Learned WHY it is under the BONDAGE OF CORRUPTION and who put it that way.</li> </ul> <p>PATIENT ENDURANCE - SE Virtue No. 1: Is knowing you are under the BONDAGE OF CORRUPTION just like THE CREATURE is, you're going to go through SUFFERING in this physical body that you are not going to get away from - all subject to the BONDAGE OF CORRUPTION. You're going to have the REDEMPTION of this body that is promised to you but until that time happens you are going to patiently endure. Means that you don't moan and groan and complain and whine about the sufferings.</p> |

Whatever you think this Book has the Power to do, when you get to v39 and we go through those 5 probing questions, you are going to look at this in a whole new light and be wowed by it. Will look at this Book and say I never dreamed that it had the Power to do this. If you can't discern it, it is going to catch you and end up following a competing wisdom. Will be presented with an alternative truth that is going to appear to be more attractive / believable / desirable than the Truth our Heavenly Father told us. That is a very powerful thing to have to overcome.</li> </ul> <p>Section 4: Dispensational Change - Romans 9-11</p> |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life | <p>MM says there is an issue you need to be aware of. There are statements/boasts that the adversary has made which explain WHY God is doing what He is doing in this DOGG. If you don't know about these things, you will always be wondering why is God allowing this or that. We think if someone who was a really good person who was really serving the Lord and their life is cut short early on and you always wonder. Satan has said he has a superior wisdom to God's Wisdom, that he has a better way of doing things than God does. One of the things he maintains. He also maintains that as far as his power goes, his power is more than sufficient to rule the heaven and the earth and he thinks he has the ability to do that. What your Heavenly Father is doing in this DOGG, He is showing that He possesses a Wisdom that the adversary doesn't have. That your Heavenly Father produces a Power that the adversary not only doesn't have, he didn't know that it existed. Powers we knew He had:</p> <ul style="list-style-type: none"> <li>- Spoke the world into existence - there's a creation Power.</li> <li>- Saw Him part the Red Sea - there's part of His Omnipotent Power.</li> <li>- Saw Him bring water out of the rock and bring manna out of heaven.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life | <p>What they (GH: the angelic realm?) never saw even back in God's Program with Israel, the Power of God's word to produce something that Satan cannot produce. It's impossible for Him to do so. That power is called the EXCELLENCY OF THE POWER-2 Corinthians 4:7. It's the most excellent power that God possesses. It not only excels every other power, it's a power that until God began to put it on display through Paul in the DOGG, Satan didn't even know it existed. When Satan boasts I WILL BE LIKE THE MOST HIGH-Isaiah 14:14, he thinks he has all the power necessary to do that. He thinks he has all the wisdom necessary to do that. Satan's wisdom would never come up with the idea of people going through sufferings, patiently enduring them that they would receive a glory and at the same time it would REDOUND TO THE GLORY OF GOD-2 Corinthians 4:15. God is putting on display a power that Satan never saw. This power of something bad is happening, make it go away - Satan knows that. Satan can even make things better or worse to his whim. Why the prayer is not for deliverance, the prayer is for endurance. Because that is what puts a Power and a Wisdom on display that Satan doesn't possess, only God possesses that Power. When you go back to anything else, you are putting something else on display that Satan himself can do. And that means he is as good at ruling this thing as God is. He can do it.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Romans 8:16-39  | Doctrine : SE (Sonship Establishment) / GH: What's at stake in living your sanctified life                                                                   | <p>But when you are talking about a Power that Satan looks at and goes how do you do that, he has no idea. Talking about a Wisdom that men certainly would not come up with. And when you rightly respond to what Paul writes about responding to those sufferings by patiently enduring them, not only does it bring glory that you know is being built for you, but it brings glory to your Heavenly Father. The third thing it does - it throws it in the face of the adversary - that your wisdom isn't good enough, your power is insufficient. It takes more to rule heaven and earth buddy than are ever thought it did. He thought he could show up and run everything and there are aspects of God's Character and His Essence that you don't even know about. Those didn't get revealed until the DOGG, they were kept secret with the Mystery. MM wants you to see what God did with Israel in the past is not what He is doing with us because Satan can replicate that. God is putting the EXCELLENCY OF THE KNOWLEDGE and THE POWER on display to all creation, but especially to Satan. How demoralizing is it for God to put the Power of His word working IN you when you're under suffering that allows you to patiently endure, with your eyes on your HOPE, knowing what that is doing:</p> <ul style="list-style-type: none"> <li>- building your glory</li> <li>- building glory to God</li> <li>- showing just how inadequate the adversary is.</li> </ul> <p>That's what you're showing, he can't cut it. We want to go back and live the other way (GH: Israel and deliverance), Satan can match every bit of that.</p>                                                            |

Moses threw his rod down and it became a serpent. The sorcerer's did the same thing. Turned water into blood. They did the same thing. You know that Satan has power, he is going to give life to the image of the beast so that it speaks. The O.T. idols had lips carved in them but they never moved. Had to have a medium - a priest or priestess that said the idol talked to me, like they had a special gift because everybody looking at the idol just sitting up there. Why the O.T. prophets said they have eyes but they see not, that have noses but they smell not, they have ears but they hear not, they have lips but they move not, they have hands but they handle not, they have feet but they walk not-Psalms 115:4-8. And you Gentiles got fooled into thinking it was the living God?!?!? Bought into the counterfeit. Satan will create a counterfeit image that will come to life. How many people will buy into that? God says you (GH: Satan) got power, but I HAVE got Power that you never even knew existed. I HAVE Wisdom that you never even knew existed. And if you are going to be the rightful ruler of heaven and earth, you're going to need all of this and this is the part that Satan doesn't own. He can't produce it. He can't replicate it. You know what he does, he keeps us from it. Because it is the thing we put on display that proves him to be inadequate for the job he is trying to steal.</p>                                                                                                                                                                                              |

Patient endurance conforms you to the Image of Christ and that can't be done any other way. Understand why He is allowing you to suffer some things in the DOGG and that He is not going to intervene in it. You will know why and know why He is suffering those things. Think of it as refiner's fire, it goes through the fire but comes out way more valuable that is was when it went in. God knows that there is something that is going to be produced in eternity that is of such value to Him that He is willing to forbear and suffer it and He is calling us to do the same because we are going to have a part in it. If you don't suffer with Him, there's no JHI.</p> <p>You are going to make the entire creation, because of who you have been made to be, you are going to make the entire creation - animate (animals and plants) and inanimate (stars and planets), birds and animals, stars and planets - all that is going to respond to the Glory of God in the way He meant for it to before Satan's fall in the heavens and Adam's fall on the earth. When God created this whole thing, the whole thing was supposed to respond to Him in a particular way. You're going to restore that.</p> |

The first thing it tells us: if we are children of God, then we have an inheritance. Goes on to describe our inheritance by giving it a name. Because the basis for being an heir of God is simply to be a child of God, we can make two conclusions about this "heir of God" inheritance:</p> <ol style="list-style-type: none"> <li>1. Based only on what Christ has done because that is how we became children of God, not by any works of our own, but by the work of Christ alone.</li> <li>2. Is the same for every saint; that is, there are no degrees of variation or difference in this inheritance.</li> </ol> <p>We think that because the work of Christ which justified us unto eternal life and made us to be children of God is the exact same for every believer. If the inheritance is based on the work of Christ and His work is the same for every saint, then the inheritance must be the same as well. Heir of God is automatic - There is nothing we need to do in order to receive it. We receive simply because we were put "in Christ" in response to our saving faith.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 8:16     |                                                                                                                                                              | <p>The Spirit of God is going to tell us, to bear witness with our human spirit what we are God's children. The Spirit will confirm the truth of this in our inner man. Part of our JUEL. We are all heirs of God, based solely on the fact that we are the children of God. Introduces you to something you both know and can agree on and He wants to tell you something you don't know so He starts with something you both agree on. Not talking about eternal security. We know that we are saved because the Spirit of God bears witness to our spirit. Notice upper case S and small case s. Didn't start with a Word of Logic. It's just a plain statement. You know that you are a CHILD OF GOD and because you are a CHILD OF GOD, this will tell you in the next verse (v17) your an HEIR OF GOD, you have an INHERITANCE. Going to introduce a part of your INHERITANCE you never heard before. Just turning your mind to that subject the Spirit is agreeing with you about, something you already know. Because He's going to introduce something further about that that you didn't know. You are a CHILD OF GOD and an HEIR OF GOD. Not only AM I going to agree with you about that, but here's another one, JOINT-HEIR INHERITANCE, a whole different inheritance that you have never heard about. You can get your JOINT HEIR INHERITANCE if you SUFFER WITH HIM. MM says the WITH, not FOR, is vital to understand. It is the reward that can be lost. Became an HEIR OF GOD the moment you received Jesus Christ as your Savior. That inheritance can't be touched.</p> |

Means He is communicating the same thing to all of us. (GH: When we talk to God, we go through His Son to do that). Always the way that happens. The Spirit is bearing witness with our spirit (what we think; our mind) that we are the children of God. Not about how we feel.</p> <p>BEARETH WITNESS: To agree. When you are in agreement with somebody. Spirit is about to tell you something and starts by saying you already know and God agrees with you. It assumes that you already know about whatever it is we are "bearing witness" together. In other words, I can't 'agree with you' about something you don't already know.</p> <p>BEARETH: Testifies or Agrees - If you are bearing witness together that means you are agreeing with something you already know. That we are CHILDREN OF GOD. The Spirit is agreeing with you on something. Means you both have to already know it. You do know that you are a CHILD OF GOD. God is pulling your attention to a subject and He's going to do that by telling you something you already know to get you thinking on that subject. The new subject is the inheritance.</p>                                                                                                                                                      |

| Romans 8:16     |                                                | CHILDREN OF GOD (cont'd): We know that we are the CHILDREN OF GOD because the word tells us that. It's what God thinks, what the Spirit thinks, and They want us thinking about it just like They do. Just came out of v14-15 where we are told we are sons. Why revert back to CHILDREN? He is taking you back to when you became part of the family of God when you trusted Jesus to be your Savior. Why not sons? Look at v17. Uses children again. Even if all you do, because you are in the family of God, you are in the family, you're an heir of God, you have an inheritance. Changing the terminology from SONS to CHILDREN because children have an INHERITANCE. Happened when you trusted Christ as your all-sufficient Savior. Means you are part of the family. Agreeing on something you got back in your justification. Never went anywhere in their Sonship but they are in the family. Didn't go anywhere in their sanctification. Won't get a position in the creature but will be there. Get a glorified body and (GH: base) inheritance. The very least person who makes it to heaven, what is waiting for them is greater than anything that has ever been bestowed on any man in the history of this planet. Would expect SONS of God but he referred back to CHILDREN of God because he is going to show you something. Child of God means you're just part of the family. Learned about in your justification. Every saved person is in the family of God.                                                                                        |
| Romans 8:17-18  | Glory Bookend / Introduction to the Sufferings | <p>• GLORY Book-end / Introduction to the Sufferings - v17 tied to JOINT-HEIR, v18 is SOPT - Your reward in eternity is directly tied to your Sonship.</p> <p>INTRODUCTION TO THE SUFFERINGS: GLORY Bookend - Putting your focus on the GLORY and not the suffering. There is a glory that is grander than what you go through in this life. You are told (vs. 18) that whatever sufferings come your way, they will not compare to the glory which shall be revealed in you! There is a grander glory in going through the sufferings than there is in being delivered from them. First time Paul says anything about suffering in Romans. Get introduced to it.</p> <p>If you look at it from your natural response to suffering, you are going to get it wrong. Because the only way we know is from preachers that taught this wrong and the WISDOM OF MEN. The Wisdom of your Heavenly Father is 180 degrees from that.</p> <p>Delivering you from afflictions or sufferings of any kind, does NOT put the power of His grace on display in your inner man! In this dispensation, God is not putting His Jehovah Power on display in the physical realm, He is putting it on display in the spiritual realm. God isn't doing miracles on the outward man, He is effectually working IN the inner man. God has determined that, in connection with our Sonship in this dispensation of grace, our Sonship inheritance will be determined based upon our present response to the very things the Lord Jesus Christ is doing right now in this dispensation of grace.</p> |
| Romans 8:17-18  | Glory Bookend / Introduction to the Sufferings | <p>Even though His suffering on the Cross is over, Christ is currently suffering at this present time, and we, if we are to be joint-heirs with Him, we are to suffer along with Him. We are to suffer some things, and they are the very things Christ is suffering, too. The Father is telling you:</p> <ol style="list-style-type: none"> <li>1. We have the opportunity for a joint-inheritance with Christ</li> <li>2. We qualify to receive that joint-inheritance if "we suffer with Him"</li> </ol> <p>If this is really working IN you than the SOPT is not going to be able to be compared with the glory that is going to be revealed in you after the redemption of your body. One of these things you just need to trust your Father about. When God tells you that you are going to have suffering, He also tells you that you are going to get a glory that will make those sufferings pale in comparison. The greater the suffering the greater the glory. God means to change the way you look at suffering so that it is not impacting you the way it's supposed to. When the POE attacks your Sonship and you realize you are trading relief for your JOINT-HEIR INHERITANCE, you find out it is not worthy to be compared. There's nothing in this world that offers me anything close to this.</p>                                                                                                                                                                                                                                                     |
| Romans 8:17-18  | Glory Bookend / Introduction to the Sufferings | <p>The wrong response to suffering is ungodliness because:</p> <ol style="list-style-type: none"> <li>1. You are thinking about this just like the world, just like your flesh and just like the PoE is working to produce. You will have rejected your Father's perspective on this subject and you will not be thinking with Him on it. Your mind will not be renewed, but like the Corinthians, you will place the "wisdom of men" above your Heavenly Father's wisdom.</li> <li>2. To ask for deliverance is to fail to do things God's Way. You will not be "living for God" by asking His intervention, for He clearly wants to put something on display about His grace (my grace is sufficient). You will do things Satan's way, for He is the one promoting a response to suffering as in Israel's program.</li> <li>3. Your heavenly Father has a labor that He is doing, right here and now, whenever suffering takes place. By asking Him to intervene and stop that suffering, you are not laboring with Him in what He is doing, you are laboring with the Adversary in what he is doing. You are opposing your heavenly Father's design for grace as it pertains to suffering!</li> </ol>                                                                                                                                                                                                                                                                                                                                                                    |
| Romans 8:17-18  | Glory Bookend / Introduction to the Sufferings | <p>Progression of the Suffering Doctrine:</p> <ul style="list-style-type: none"> <li>- Early in 2 Corinthians: ENDURE SUFFERINGS: Don't panic, just the beginning</li> <li>- 2 Corinthians 12:10: Later in Corinthians: I TAKE PLEASURE IN INFIRMITIES</li> <li>- Ephesians (GH: 4:7?), Philippians, Colossians: GIFT of suffering (once the capacity to endure is in you - an advancement on just enduring those things)</li> <li>- Philippians 3:10: Wanting the FELLOWSHIP OF HIS(Christ's) SUFFERINGS</li> <li>- Philippians 3:10: MADE CONFORMABLE TO HIS DEATH</li> <li>- REJOICING IN SUFFERINGS: Not rejoicing that something bad happened but rejoicing what that is producing. That is way more important than just avoiding the sufferings. Can't jump to Thessalonians without PATIENT ENDURANCE you can't get to the REJOICING.</li> <li>- 2 Thessalonians: the grand privilege of suffering for CHRIST'S SAKE.</li> <li>- Appreciating the calling with regard to suffering</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

Suffering with Him is about our godly response to our sufferings. Our response is His response IN us. Learning to suffer with Him is an important part of becoming a FES/FED. (Fully-Educated Son / Fully-Educated Daughter). That suffering with Christ actually has to do with your suffering because you're a son being educated. EX Proverbs 1:7-9. The world thinks those who see God's Wisdom as valuable as fools. God thinks those that don't see God's Wisdom as valuable as fools. Not just the lost world but your saved brothers and sisters in Christ are going to look at you and they're going to say you're a fool.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 8:17     | MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD; 16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST / Suffering = SUFFER WITH HIM / GH: Suffering Promise | <p>Begins to affect your attitude - this thing really is a big deal, really is important. Notice how God begins by telling you about what you get when it's all over.</p> <p>Continues and tells us that if we are the children of God, we have an inheritance. And we are made to be:</p> <ol style="list-style-type: none"> <li>1. HEIRS OF GOD: inheritance we get solely on the basis that we are CHILDREN OF GOD. It is not dependent upon anything else. Couple things: <ul style="list-style-type: none"> <li>(1) It is based on what Jesus has done and not anything that we do. We don't supply anything to that. We just have to be the children of God.</li> <li>(2) You can't add anything to it. It's the same for everyone/everybody. No degree of difference, whether you are saved 10 seconds or 50 years.</li> <li>(3) It's the product of our justification, our Heir of God inheritance that's based on us being a child of God and it comes out of our justification. Is a product of us being IN Christ/being placed into Jesus Christ in response to our Exaltation in Christ. Based on our 'saving faith'. Faith is a non-meritorious action. It doesn't qualify to be a work. There is no merit to that. It's simply trusting what Someone else has done.</li> <li>(4) This inheritance cannot be a reward because a reward is some kind of recompense for something - some service, some merit or something like that. But we didn't do any of this. It's our inheritance &amp; we got it just because of what Jesus did for us. Because we are part of the family, we get it.</li> </ul> </li> <li>2. JHI: Not everyone is automatically a joint-heir although every child of God can be. Not automatic or you would already be perfectly advanced in the doctrine with nothing left to do. Reward of the inheritance is how we are going to be glorified with Christ. Not out of your justification, it is a product of your sanctification. Not because you were put IN Christ, it is now because Christ can actually now have His Life made manifest in you - that's a different issue. Because it is conditional, it is possible to lose this portion of the reward. Cannot lose the heir of God inheritance because it was all based on what Christ did. Get this by the word AND the Spirit dwelling IN us. This is not our good works, it is His Works in us. It's His Life in us, not us emulating what we think He would do. It is actually Him through the Spirit living His Life in us. It is our job to get out of the way and let Him live in us in. That's really what this life is, that's the life that saves you. It's the life that conforms us to the image of God's Son. When His Life is being lived in us, those are the works being created by grace. When He is living His life in us, those are the works that are accomplished by the effectual working of God's word, not our flesh. You are not mixing your works with grace, you are mixing His works with grace. You are going to be given a privilege of doing something with Christ that ultimately will allow us to be glorified together with Him. Something you don't have/experience right now, but knowing that it is waiting for you gives you/produces in you HOPE (confidently, expectantly waiting). Will change the way you look at your life and the things that are happening to you. There is a motivation that comes from just knowing about your Sonship inheritance. Christ's inheritance will grow with the Business and since you are JOINT-HEIR, yours will grow as well. Get bigger through the ages. Your position won't change but what you earn will.</li> </ol> |

You are being motivated from a standpoint that you didn't have before. Hello inheritance.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

If the first thing I am telling you is true, than the second thing is just as true. If we being CHILDREN OF GOD is true, what follows is just as true. Then HEIRS.<br>CHILDREN OF GOD: Happened when you trusted Christ as your all-sufficient Savior. You are part of the family of God, not like children in the Israel context.<br>CHILDREN: Even if all you do, because you are in the family of God, you are in the family, you're an heir of God, you have an inheritance.<br>HEIRS OF GOD, AND JOINT HEIRS: Notice the comma AND the conjunction (AND). There is a separation being made here. Know there will be some differences to them. MM says the comma sets that off.<br>HEIRS OF GOD: Every saved person. Everybody that gets saved. This inheritance will be astounding. Bigger than anything the world has ever seen. The least in the heavenly places is going to receive more than anything that's ever been bestowed on the best in this world. Because this is dealing with children, means every saved person gets that inheritance. This is part of our exaltation which stems from our JUEL. Because this inheritance is based solely on the work of Christ, this "heir of God" inheritance cannot be a "reward." A reward is some recompense received for some service or merit. Since we performed no meritorious act to be justified before God, we cannot be found to have merit to deserve this inheritance.<br>HEIRS: Semi-colon after HEIRS, acts in a way to say the things that are following after this or a list of the things we just described before we got to the semi-colon. Implies an inheritance. |

This inheritance is not part of our justification, but we receive it because we are justified. Being an heir of God is based on what Christ has done in making us to be children of God, this inheritance is the exact same for everyone. As heirs of God:<br>- Every child of God will inherit a citizenship in Christ's kingdom. This is talking about the overarching kingdom of God, not the kingdom of heaven. Just think what it will be like to inherit a place in God's kingdom where we will live in His light; in His kingdom of righteousness.<br>- Every child of God is made to be part of the ONE NEW MAN-Ephesians 2:15.<br>- Every child of God will get a new glorified body like unto the resurrection body of Christ. An incorruptible body which can function in the heavenlies.<br>- Every child of God will be in the heavenly places (won't necessarily be a place of authority or rulership, won't 'judge angels' 1 Corinthians 6:3 - will be part of the life in the creature)<br>- GH: Eternal life<br>If we take this as a description of the inheritance, then every member of the body of Christ inherits God Himself! Talk about a big inheritance!                                                                                                                                                                                                                                                                                                                                          |

He takes our suffering and connects that to a future glory that will be revealed in us-Romans 8:18. You are going to redeem your suffering for a glory. Understand:<br>* No matter how bad your suffering is it is not comparable to the glory. For every suffering you are going to get a much greater load of glory. Paul is saying the ratio is so out of proportion it is not worth comparing them.<br>* Think about the worst suffering you've ever had to endure. And think about it this way. The WITH is in direct connection to being sons. Because of CHRIST IN YOU, you are going to SUFFER WITH HIM. Know we are both suffering. Qualifies you for a different inheritance, a joint-heir inheritance. Describe the SoC (Sufferings of Christ-what you go through attaining GH: your edification). Is conditional. Know we are both suffering.<br>WITH: Is in direct connection to being sons.<br>IF SO BE: Dependent clause. A caveat is attached to it. IF is a conditional IF. Always introduces a conditional IF. Means there is a contingency for being a joint-heir, something has to be met. Children don't get a joint-heir inheritance, only sons get a joint-heir inheritance. This ONLY has to do with something pertaining to you being an adopted son or daughter, a specific area he will show. The OED says this is always a conditional IF. Can't find anywhere in the Bible where it is not. If you are KJV, you cannot get away from the wording. OED: if so be - 7f (GH: ?). if that it happen that, supposing that; a somewhat rhetorical equivalent of simple "if." If you are suffering with Him, then we may also be glorified together. Suffering because you were being educated. Suffering in a way that is in union with Him. This is the sufferings of Christ. It is truly with Him. There are some things He is suffering in this DOGG. The sufferings are what qualifies you to be a JOINT-HEIR. It is truly with Him. Introduced to that suffering right after SO and at the start of SE.<br>SUFFER WITH HIM: Is the proper response to the doctrine. Means that we are not whining or complaining or questioning God or mad or throwing in the towel or getting frustrated or thinking God is punishing us. Your new identity IN Christ is NOT part of your inheritance because you have it right now. The punctuation forces you to look at this verse carefully. When we SUFFER WITH HIM, we know we will get GLORY out of that. If CHILDREN, then HEIRS OF GOD. Never went anywhere in their Sonship but they are in the family. Reason he goes back to CHILDREN instead of sticking with SONS is there was an inheritance for a child. But there is also an additional inheritance for a SON. There is going to be some suffering that you're going to encounter because and only because you are being educated as a son.                                                                                                                                                                                                                                                                                                                                                                         |

The sufferings are what qualifies you to be a JOINT-HEIR. If you do anything "with" someone, then you are doing it together. In this case, Paul is talking about going through suffering together. Both categories of suffering - SOPT and SoC - are under this umbrella. Both qualify you for a JHI. Is a directive that tells us when we suffer, we are to do it together with Christ in the sense of responding to the suffering by means of His life in you! You see, you are not alone. (That is, unless you do not utilize the doctrine to allow Christ's life to be made manifest in your mortal, suffering body.). If you do anything WITH someone, that means there is a sense in which you are doing it together. Paul is talking about going through these sufferings together. The context of these sufferings are the SOPT. We 'suffer together with Christ' by implementing the doctrine so that He is free to live His life in and through us so that we not only endure the suffering, but we can actually benefit in our inner man by going through the sufferings "with Him." Means to respond to the sufferings in accordance with the doctrine He has given to us today (in this mystery program.) We are not joint-heirs because we suffer, we are joint heirs because we handle our suffering in a particular way which Paul calls "with Him." Christians may suffer every day, but that does not mean they are automatically handling their suffering by allowing the life of Christ to be lived in them. The process is conformity to Christ's image. The process is Christ living His life in us. '<br>HIM: Is a reference to Christ. |

This is not referring to the glorification of your body at the Blessed Hope. There's a "glory" associated with being part of that creature and with being part of the nervecenter in the governmental positions in the creature. Why MM thinks these two inheritances are part of our exaltation, for in that we are made to be "the glory of God in Christ." We will be glorified together with Jesus Christ as "joint-heirs" with Him.<br>GLORIFIED TOGETHER: That's a reward. That "glory" is a reward! We can see a furtherance of the doctrine in 1 Corinthians 3:1-8.<br>GLORIFIED: If you look up the word "glorified" it means "to be invested with glory" or "rendered glorious."<br>Glory: honored, dignified, exalted. Often associate GLORY with events that not only have extraordinary effort but sometimes have great peril attached to them. EX Medal of Honor winner - only one in the Iraq/Afganistan wars.<br>Glorious: to be impelled to extraordinary efforts and to great undertakings, something beyond the normal. MM says we automatically know that when we say something is glorious.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 8:17     | MoG - 15 of 18 -(EP) Heir of God = HEIRS OF GOD;<br>16 of 18 -(EP) Joint Heirs = JOINT HEIRS WITH CHRIST<br>/ Suffering = SUFFER WITH HIM / GH: Suffering Promise | <p>Glory comes in 2 forms/phases - exactly the way it will happen with you - has to be in your mind all the time, not just when you are suffering:</p> <p>1. When the event takes place, that actions that are above and beyond are considered glorious</p> <p>Glory here: Suffering with Christ - to Him that is glorious. For those who "suffer with Christ," your actions of doing so are counted by your heavenly Father as glorious and they will result in a public display of "glory" when you receive your joint-heir inheritance.</p> <p>2. Later when there is a public recognition made for that glorious and galant action, there's a glory in the public declaration of what was done. Public display/acknowledgement that is going to result in a glory.</p> <p>Glory there/later: A part of your JHI that you will have for eternity.</p> <p>Nutshell: You are being offered something so great, that the joy of getting that benefit (your joint-heir inheritance) is greater than any suffering you could ever endure on this earth.</p> <p>Told about the Sufferings of Christ but they can't come on you till ARMOR OF LIGHT-Romans 13:12 (LEVEL 1, PHASE 2: Decision Making Skill #3: Judgment). POE attack bumps up again on the WHOLE ARMOR OF GOD-Ephesians 6:11.</p> <p>Every time we allow Christ to live His life IN us, we are being conformed to His image and we are adding to our joint-heir inheritance by virtue of what He is accomplishing through us.</p> <p>This way, the glory is all His. It is His word working IN us. It is His Spirit that dwells within us. It is His life being made manifest IN us. It is His peace that keeps our hearts and minds.</p> <p>It is His Mind (the mind of Christ-1 Corinthians 2:16) that allows us to have His Wisdom.</p> |

By allowing us to suffer with Christ, we are not worse off<br>2. We are better off than if He were delivering us from troubles and tribulations<br>3. By allowing us to suffer with Christ, our heavenly Father is not indifferent to the sufferings we are going through<br>4. We are not suffering alone, Christ has been “suffering” these things the entire dispensation of grace<br>5. If you ever tell anyone about this doctrine, part of your suffering will be that they will look at you like a heretic<br>6. It is an honor and privilege to suffer with Christ                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

Not just when He is “suffering” something, but constantly. It should also be our mind as well, not just when we are going through some kind of suffering, but all day, every day. You mind is to be on your “hope.”                                                                                                                                                                                                                                                                           |

He is saying we are waiting for the redemption of our body. We are getting a new body. You don't have it yet. That's why HOPE THAT IS SEEN IS NOT HOPE-Romans 8:24. If we know one day we are going to get it and until we do, we with patience wait for it. When v18-25 finds a home IN your inner man, then when you go through things instead of saying oh God, you got to bail me out, you'll understand something else about what He is going and you'll be patiently waiting. STORY: About Christians getting persecuted in China. Sent back - don't pray that the persecution will stop, pray that we will remain faithful under persecution. They knew that something bigger was going on than 'make me comfortable again'. The doctrine of our glorification to come and its capacity to produce patience (the hope of a redeemed body). Doctrine is meant to produce a HOPE that we patiently wait for. Don't worry what is happening to your body. One day, you are going to get a new body.</p> <p>- A glory shall be revealed in us in connection to the sufferings<br/>- The creature is waiting for us<br/>- The redemption of our body is our “hope”</p> |

| Romans 8:18-25  | Doctrine: Patient Endurance / SOPT OR The Glorification to Come and the Redemption of our Body / SOPT Comfort 1 of 4: Doctrine : Our glorification to come and its capacity to produce patience (produce the hope of a redeemed body) | This doctrine is going to produce a HOPE and that HOPE is so great it will make v18 a living reality for you. Be as sure as the apostle Paul was.<br>- Yes, you do have to go through the sufferings of this present time<br>- Yes, those sufferings will be over at the redemption of your body<br>- But no, your desire is not to just get out of the sufferings and that is not the reason you are groaning for a redeemed body<br>You are given grace whereby you can patiently endure anything that comes your way, no matter how long it lasts and to what it degree it occurs – even if that suffering is unto death.<br>Therefore, your earnest desire for a new body is not so you can escape suffering. The earnest desire for your redeemed body is to fulfill your purpose as a son:<br>o to labor with your Father in His Business<br>o to have Satan and his angels removed from their governmental positions<br>o to deliver the creature into the glorious liberty of the children of God (just to name a few)<br>The more you go through sufferings, the more opportunity you have to hone this skill. Change the way you look at suffering to the way your Father looks at them. He is not glad they are happening to you.<br>1. He does know He has constructed a glory that is beyond imagination. In order for you to understand, He is going to have to tell you about it.<br>2. He is using the very things that are awful and hard and hurtful to actually equip you to be fully rounded and experienced son so you don't get up there and say I don't know that that is, or how to do this. That means you are going to have to practice that.                                                                                                                                                                                                                                                                                                                                                                                                                  |

Does not focus on the suffering but the glory at the end of the suffering.</p> <p>Paul says that the sufferings are not worthy to be compared to the glory which awaits us in the heavenly places. He is not saying most sufferings. For every suffering, you're going to get a much greater load of glory so that when you look back, GH: and realize they don't compare. Understand that the worst pain that we suffer in this world, the most intense grief that we ever go through, and the worst possible experiences we face are not worthy to even be compared to that which God has laid up for us? And until we see what is waiting on the other side, we can't make a judgment that our suffering wasn't worth it. But I can say, based on what our apostle says about it, that we will be the very opposite of disappointed. Knowing who God is, and that He is perfectly just and righteous, we can trust what He has told us in His word. The first exhortation that you get as a son in the DoGG. Show you how it starts and ends. God has given you, by the power of His Grace, everything you need to go through the SOPT. That's the part human wisdom can't figure out, which would say what would be better than delivering me/my loved one from this suffering? Why we need godly wisdom, not man's wisdom, not the wisdom of this world. You are still an unredeemed body by design. When your body gets redeemed, your edification is over. Are you ready for it to end? Know about the SOPT - there's a glory that will be revealed IN us - Christ IN you, the hope (confident/certain expectation) of glory(Colosians 1:27). Aspects of that glory now and in eternity.</p> |

| Romans 8:18     |              | <p>The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): Our sufferings will pale in comparison to Christ being formed IN us. Whatever we suffer, it will be counted as insignificant when compared to the glory that will be produced IN us through those sufferings; Christ will be formed IN us! That is the glory. Will get to a place where you say it (GH: the suffering) doesn't matter. The instructions given to us here are the first steps to one day being able to take pleasure in infirmities, etc. FOR I RECKON: He is not saying that you do or telling you to. At this point, you may have a hard time reckoning that for yourself. That doctrine has done the work in Paul. RECKON: To acknowledge the truth of something to such an extent that you conduct yourself in accordance with that truth regardless of feelings and circumstances to the contrary. You don't just think it is true, you are going to conduct yourself according to this truth, even though there are things that will tell you it is not true, you will still conduct yourself according to that truth. The natural tendency of your flesh will not say this. The POE will not say this. But because God has said it, Paul is going to account it to be so true he's going to conduct his life on this truth (GH: Glory &gt;&gt;&gt; SOPT). Not just that you believe that it is true, it's the basis of your reality.</p>                                                                                                                                                                                                            |
| Romans 8:18     |              | <p>SUFFERINGS OF THIS PRESENT TIME: AKA SOPT-first mention. Are the first category of suffering. Sufferings that are a part of living in a sin cursed/sin first world that is under the curse. Are going to result in a revealed glory. The stuff you just go through in life. The BONDAGE OF CORRUPTION of living in a fallen world in an unredeemed body with sin in its members. Includes all the things that happen when you get older. Sufferings that are common to men. Tied to the second law of thermodynamics - entropy. EX spinning top, sun burning away, body falling apart/breaking down under the BONDAGE OF CORRUPTION. Fix everything you can fix, don't be a martyr. There will be a doctrine given to you to patiently endure the things that you can't fix.</p> <p>PRESENT TIME: Not talking about the BUT NOW period. Israel had their own suffering of this present time (EX chopping wood and axe handle flew off and killed someone-&gt;refuge cities). The Gentiles got sick, had accidents. He is not talking about only these things that happened in the dispensation of grace, means the time in which you are living. YOUR present time, not peculiar to the dispensation of grace.</p> <p>(GH: prayer topic) Knowing that God has designed all of this to our greatest benefit both now (on earth) and in eternity (in the heavenly places), knowing that a glory will be revealed in us that is of such a nature that none of the sufferings which we will endure are worthy to be compared to it, and displays the uniqueness of what God is offering us as His sons and daughters.</p>                                                                       |
| Romans 8:18     |              | <p>NOT WORTHY TO BE COMPARED: The value between them is so great that you're not even supposed to look at that. Sufferings will pale compared to the glory. The sufferings are not worthy to be compared with what's going to happen when Christ (is formed) IN you. That's the glory.</p> <p>THE GLORY THAT SHALL BE REVEALED IN US: This GLORY is CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27. Sufferings are an opportunity for the "glory" to be produced IN us. MM says this is the most profound thing. This GLORY that will be REVEALED IN us is CHRIST IN US. Going to be revealed IN you after the redemption of your body. See the future tense because it hasn't occurred yet. Get GLORY THAT SHALL BE REVEALED IN US because of the SOPT. This is the doctrinal part that you are supposed to have in your thinking. Not just when you are suffering, should be in your thinking all the time. This is the joint-heir issue, this is Christ IN you. CHRIST IN YOU doesn't heal you but you don't become overwhelmed by the circumstance. This is what provides the peace that passes understanding in the midst of our tribulations. Just because we are obeying the doctrine doesn't mean that the suffering will go away and that the suffering won't hurt. But it does mean that Christ will be doing something in our inner man that we cannot do ourselves and that we are not only able to endure that suffering but we are able to be strengthened in our inner man so that we are able to endure more and more and see this from God's POV as we go through these things. When Christ (is living His Life) IN you, that is the GLORY THAT WILL BE REVEALED IN US.</p> |
| Romans 8:18     |              | <p>NOT WORTHY: When Paul says that something/the suffering is not worthy to be compared with the glory, then you shouldn't be comparing them. It's not that the glory &gt;&gt;&gt;&gt; suffering, it is you shouldn't be making that comparison. To get that done, don't focus on the suffering, focus on the glory. One of the criteria that indicates when this has effectually worked IN your inner man because if it has, you won't make that comparison. There is something about your Father's Business and the gloriousness of that Business that is supposed to be in your thinking every day. Even on days where you are not suffering with Christ on something. It means the suffering "does not deserve" to be compared with the glory, it is "not fit" to be compared with the glory.</p> <p>THE GLORY: Part of the GLORY that's being referenced in 2 Corinthians (GH: 3:18).</p> <p>GLORY: When you talk about GLORY in the Bible, you are talking about light and about color and about a magnificence - it's going to almost be like a uniform. Your glorified body will emanate with light and color and they will look at you and know (GH: where you got in Sonship). Will be like your rank is seen by everybody. May be hard to do right now but it won't be. Makes you wonder about that glory because if you don't know, you won't be able to RECKON this. Is pointing to not only now but it is also pointing us off into the future.</p>                                                                                                                                                                                                                              |

| Romans 8:18     | GH: The End Game                                                                | GH: The endgame: Only by the effectual working of this word does God demonstrate the greatest Power He possesses that Satan does not possess. Our ability to patiently endure the sufferings in an unredeemmed body without folding to pressure or whining or crying but understanding that our Father is not only allowing us to endure it but there's a glory that is being given to Him and promised to us. The reason you didn't get a glorified body when you got saved is because God wanted all of creation to witness His ultimate Power at work. It is the Power that qualifies Him to be ruler/rightful possessor of Heaven and earth. There is something you have to be able to do to really be ruler of heaven and earth and has to be more than one sitting on 3 thrones(Isaiah 14:12-14). You have to be able to put yourself into your creation just by the extension of your word. The written word of God, it is the doctrine in this word that will enable you to go through every hardship, every suffering, even if it's unto death without complaint and without murmur because v18 is a reality for you. When you go through that suffering with the right response, God not only gives you a JHI but He looks at that and says that's the Power of My word working IN you that changes you from 'oh, poor me' or 'why me God?' or 'this is so unfair' to looking at this from a view that God Himself looks at it. You look at this and say this proves that God has the ability that Satan cannot do. Satan can do all the other stuff - water into blood, rod into a serpent, life to the image of the beast - but he can't do what this Book has the Power to do. God can put His words with ink on paper and they have the power to transform our very lives to make us just like our Father. To see things His way, to response to it the way He responds to it, so that no matter what Satan does to you, you don't run from it and you don't even want to be delivered from it. Because you know that his attack is nothing more than the response that you're in his way. Your Father's giving you everything you need to handle that. He didn't wave a magic wand and say you are strong, He said it is in your weakness that My Strength is shown. The strength comes from the doctrine in the word that we are studying. |
| Romans 8:18     | GH: The End Game                                                                | GH: The endgame (cont'd): When you get to v25, no matter what circumstances come up in your life, you will say I can go through this to the honor and glory of God, I am going to suffer with Christ unto His honor and glory. Not for no reason but for the reason He has chosen to do. That's because in that suffering we prove that not only God is the rightful possessor of heaven and earth, Satan can't do that. There is nothing he can write down that can make that a reality in your life. No one can write anything down that can change you that radically, that now changes who you are on the inside and conforms you to the image of Christ, who going to the Cross, suffered every agony of the Cross. But He could look beyond the Cross to the joy of what it was going to accomplish. Why did He need to suffer? Because the Redeemer needs to pay the full price for those being redeemed. It was't enjoyable to do but the reward on the other side/what was happening was so much greater. And the same thing is happening with us, what is happening on the other side is so much greater. Your body is not yet redeemed but God is going to equip you to go through those not just so you get glory, which you will, and not just so He'll get Glory, which He will, but because it is THEE defining difference between who really is the rightful One to rule heaven and earth. Satan's whole idea is 'I can do a better job than God can'. And God's whole assertion is, you don't have what it takes to do it. Like someone who is not qualified to do a job they are in. The Power of the word to effectually work inside someone is a Power that Satan never possessed, didn't even know it existed. It's the greatest power God possesses. He has vested all of this in His word.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Romans 8:19-23  | Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9 | <ul style="list-style-type: none"> <li>• Doctrine: Patient Endurance</li> </ul> <p>Eternal Vocation: When you get up there, if you are an educated son, it shouldn't take long for you to look around and figure out what you are looking at and what you are supposed to do. The things you are going to do in eternity in those glorified bodies, it's absolutely incredible and the Bible's got it right there. Tells you exactly what it is. Every member of the body of Christ (you have received Jesus as your Savior) is going to be involved in the Father's Business. Wherever you are in the curriculum when you get up there, that's where you are going to function. The impact it makes will also be in your inheritance. When you are put in the heavenly places, part of your job there is going to bring life and intelligence to the creature so the creature really does operate like a body. Right now, when you look up at the heavens at night, don't see anything that suggests you are looking at the body of a creature and that's because the life that creature is not there and the intelligence of that creature is not there because that creature was put under the bondage of corruption. When placed in the heavenly places, your job and your privilege is to bring life and intelligence to that creature, to bring God's intelligence to the creature out there so that body really does begin to function the way that it was supposed to. When God says I AM going to put My Intelligence in that creature, He is relying on us to do that. What the education is for. Because of what we know, we will become the intelligence of the creature. We are going to run that creature. And finally, for the first time, that thing will function the way it is supposed to. Your participation in running the creature is part of the glories.</p> |
| Romans 8:19-23  | Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9 | <p>Verses that describe what is going on in this SOPT. Patient Endurance Doctrine: What is given to you between those bookends is designed to produce something IN you; patient hope. Showing you something to blow your mind so you will understand there is nothing like this anywhere on this earth and nothing this earth can offer me compared to what My Father is offering me. What else your Father is doing by way of the exhortation is to show you His Business. He didn't have to set it up this way. He could run all of His Business without us. Then you would have to ask the question what would we be doing for eternity? He didn't have to make us a part of this, but He did and you and everyone that is involved is going to be glad that He did. All of that was thought through beforehand. All that is happening now is the carrying out of that wise plan. Exhortation that is supposed to make you say there is nothing on this earth I will ever do that is as important as this. It doesn't get any bigger, any grander, any more magnificent, more important, more valuable, more rewarding, more fulfilling. If you say 'what else?' you have missed something. He has given you exactly what you need to effectually work IN you to produce the desire to get this education that matches your Father's desire to give it to you. Replaces the initial excitement of knowing you are an adopted son and have liberty, being out from under tutors &amp; governors. Carries our motivation long-term through our life.</p>                                                                                                                                                                                                                                                                                                                            |
| Romans 8:19-23  | Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9 | <p>The CREATURE is being delivered from 2 different issues:</p> <ol style="list-style-type: none"> <li>1. SUBJECT TO VANITY-v20: What God did - disabled the CREATURE so it couldn't be used by the adversary and his purposes. God did in response to the satanic rebellion in the heavenly places. He "emptied it out, made it useless, disabled its ability to properly function" – all of which are definitions of vanity. God made the creature SUBJECT TO VANITY.</li> <li>2. BONDAGE OF CORRUPTION-v21: Is the result of what Satan did. (GH: strongholds?). The "bondage of corruption" is a by-product of what Satan did when he brought sin into the creation; when he "trafficked his iniquity-Ezekiel 28" and "defiled his sanctuaries." God didn't commit evil and cruelty to the creature. Done by the actions of the adversary. CORRUPTION results in DEATH. When sin came into the heavenly places, it brought consequences with it and it had a real effect on the heavens. Easier to see when you talk about the earth.</li> </ol> <p>SONS OF GOD-v19 vs. CHILDREN OF GOD-v21:<br/>See similarities in the INHERITANCE doctrine-v17</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Romans 8:19-23  | Doctrine: Patient Endurance / Describe what's going on in this SOPT / GH: Exhortation that ties to Proverbs 1:7-9 | You know that when God created the CREATURE, He created it for another purpose than just being SUBJECT TO VANITY. He created that CREATURE to do something. When we are out there, we will be involved in more than just repairing all that the damage Satan has done and making it right again. Then, we'll go back and start doing those things that if there had been no rebellion in the first place, what would have been going on. That's the labor we are going to be involved in. Means when the last part of Satan's strongholds have been torn down and when we've reversed all the effects of the BONDAGE OF CORRUPTION, we are going to be laboring with Him in the AGES TO COME long, long after Satan has passed out of your memory. Because there's going to be a time when he's not going to come to mind anymore. The creature knows about you, it's anticipating you coming. The beings that currently possess the creature neither possess nor practice godly love. This is part of what the creature is waiting on. What you will bring to the creature is something now that is going to give the creature value. This education is so different than the education where you say when am I ever going to use this? But that won't happen in your Sonship education. There is not one piece of this education that you won't have to have to do what you are going to do up there. Therefore you know you can't do without the first piece, godly wisdom.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Romans 8:19-21  |                                                                                                                   | <p>Subject of the passage is the CREATURE. Don't see Paul defining the CREATURE. This is NOT language of accommodation. GH: Means you have already been told about earlier in the Bible and you would have already known what that is. One of the things that will tell you about the glory is wrapped up in the creature. Things that tell you this CREATURE has intelligence. Read the passage and think it is talking about a person. CREATURE means there was a Creator involved. The creature:</p> <ul style="list-style-type: none"> <li>- has an expectation-v19</li> <li>- is waiting and knows what it is waiting for-v19</li> <li>- has a will-v20</li> <li>- has a hope-v20</li> </ul> <p>Creature doesn't look like a creature because it was made subject to vanity, it was emptied out. You know Who did it and when it was done and why it was done. You are going to fix that. Delivering the creature from the bondage of corruption is a task for adopted sons who have been educated in this godly edification.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD                                       | <p>There is a sincere, deeply held, certain expectation that the creature has. That the dilemma it is in, that it is going to be delivered from that circumstance by you. One day, you are manifested and it's waiting for that day. That's what it's counting on. Your Father is going to install you out in that creature and for the first time, that creature is going to suck air back into its lungs, life is going to come back into its limbs, that body is going to start moving, and guess who is running it? Your Father is going to be in His residence on earth. That's the brain. And we are all out there in this creature's body. When the brain says to the hand, pick up the marker, there's stuff going on all through here that knows exactly what to do and that is you. The suffering creature has also been subjected to a hope – just like us! Talk about the creature sounds like a person, like a son. Makes sense that God would want a Father-son relationship with the creature. MM sees God creating a son that will carry out His Father's will.</p> <p>FOR: A FOR is further detail/explanation. Because Paul has made a pretty shocking statement in v18.</p> <p>EARNEST EXPECTATION: They are looking for it. Not exaggerating anything here. There is some emotion to it. This is the excitement that they/the angels are having. Angels are looking for the word to effectually work IN us, that we are going to put it to our use, we are going to purchase spiritual merchandise, we are going to get skilled in it, and when we get out there, they are going to have real confidence that you're going to know what to do. Can't have an EARNEST EXPECTATION unless you are able to think. The creature is waiting for us to be manifested with an EARNEST EXPECTATION. It has an earnest expectation of you. The CREATURE is counting on you and it is serious in its expectation.</p> <p>EARNEST: He could have left this off but when he added, he compounded or intensified it. When you see these double words, you ought to pay attention to that. Something that you really hold to, like earnest money.</p> |

| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD | <p>EXPECTATION: The creature is looking forward to something, waiting for something, expecting something. The creature is saying I am waiting for you all to get up there/here! The Creature has an expectation - It expects to be delivered from that bondage of corruption into the glorious liberty of the children of God. It expects to be delivered from its present predicament and it even knows who to look to for that deliverance! The creature is waiting for those sons of God to be manifested. Creature has an expectation and is waiting on that expectation. Creature knows it's waiting on us. If expecting something...group says you know it is going to happen, you want it to happen, you are watching for it, not much doubt, anticipating, looking forward to. Most think means you wait. That's OK but you have the word wait 4 words away so there is another shade of meaning with regard to that. This is a godly expectation of the creature. Your Father means for that creature to be restored. Your Father will be thrilled to show up to do what He has educated us to do. The creature is in the worst possible condition and it is waiting on us to get this education and to get up there and change all of that so it finally becomes the fully functioning creature that it was made to be. Then for the first time since Satan rebelled, that's going to be a godly run creature. Overwhelming to think how much the creature is counting on us. God could fix the creature Himself but He has chosen to repossess the entire creature through us. That is the plan and that is the only plan. We'll get this done or it won't be done. MM says it will be done and you will be a part of that. Part of what this creature is earnestly expecting. The creature has a serious, profound, sober expectation for you. You need to talk to your Heavenly Father about what that means to you. Understand the repossession of that creature is in your hands. That's got to mean something.</p> |
| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD | <p>THE CREATURE: What God calls His whole creation MINUS the earth - the universe. Second heaven - contains the heavenly places. Right now, this creature is functionally dead. Why it says that the creature groaneth and travaileth waiting for the manifestation of the sons of God - waiting for us. We will bring functional life back to the creature and it will begin to function the way it functioned out there before Adam fell. The Creature is a living creature. May not properly function/be subject to vanity/be paralyzed/may not be able to respond to the rest of the parts of the earth, but it's a living creature. The creature has an expectation. Expects to be delivered from the bondage of corruption (it's present predicament) and is looking to you for deliverance. Since this was a mystery until revealed to Paul, the creature could not have known until it was preached by Paul: the mystery of Christ revealed. The creature is aware of this. Knows who is going to deliver it - adopted sons. Knows when it will take place - when those sons are MANIFESTED. An event in the past happened to this creature that in a manner of speaking, this creature died/ceased to function in the manner it was supposed to. When you look out in the universe, all you are looking at are dead body parts of something that's no longer functioning the way it should. Planets are still moving and galaxies turn, but it is like the creature is in a coma and on life support. That creature's body is made to do something. We are going to be put out into that creature and we're actually going to be the life of that creature again and make that creature start acting like the body it was made to be and do what it was designed to do and that's going to be our job. The creature is enormous.</p>                                                                                                                                                                                      |
| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD | <p>CREATURE: Two ways to view the creature:</p> <ol style="list-style-type: none"> <li>1. As a living organism.</li> <li>2. As a building or structure.</li> </ol> <p>CREATURE: Root word is 'create'. Know it had to have a Creator or it wouldn't be here at all. Is anything besides the Creator. '-ure' added to any word, changes the word from a verb to a noun.</p> <p>Webster's 1828 dictionary: CREATURE, n. 1. That which is created; every being besides the Creator, or every thing not self-existent. The sun, moon and stars(the CREATURE); the earth, animals, plants, light, darkness, air, water, &amp;c., are the creatures of God.</p> <p>Because the heavenly places have creaturely features to them, they are able to respond to things, interact with things, and move about like a creature. The heavenly places are a creature with a soul, spirit and body. That body is meant to function in more than just orbits of planets and the occasional comet passing by. The body of the creature is supposed to function just like any other body you have ever seen – when it has life to it. It is supposed to function as a single body with each member of that body working toward the singular objective of the creature. Presently, the creature is being run by the fallen angels. Your understanding on the GLORY in v18 is going to come out of what he is about to tell you about the creature.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD | <p>CREATURE (cont'd): You will not only be IN the CREATURE, the CREATURE, just like your glorified body, is part of your HEIR OF GOD inheritance. Since every member of the body of Christ is going to be up in the CREATURE and every member of the body of Christ is going to get a glorified body, you know that these are part of the HEIR OF GOD inheritance. The CREATURE is under the BONDAGE OF CORRUPTION/SOPT and under the POE/SoC (that's where Satan's home base is). We should be doing what the creature is doing - patient endurance. We are both waiting for the same thing. Will understand this by the time we get to v25. You will develop an attitude in you where you see things from the Father's perspective. The CREATURE doesn't know what it is waiting for until finally that part of the mystery gets revealed to Paul. At this point, the creature becomes the focal point of the Father's thinking. The creature tied to an inheritance (Heir of God, glorified body - puts you up there) [vs. JHI=position of authority/rulership/judgment]. Seems odd that you (GH: intuitively) know a lot about suffering but not alot about glory that he would now talk about the creature. Talks about the doctrine in the framework of the creature. CREATURE: THE SUN, THE MOON, THE STARS, AND ALL THE HOST OF HEAVEN (Heavenly Places). Heavenly places has a governmental structure.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Romans 8:19     | MoG - 17 of 18 -(EP) A<br>heavenly vocation =<br>MANIFESTATION OF THE<br>SONS OF GOD | <p>CREATURE (cont'd): Paul uses the word CREATURE because he is trying to get you to think of a living thing. What is NOT part of the creature:</p> <ul style="list-style-type: none"> <li>- the angels in the third heaven around the Throne of God</li> <li>- the firmament that holds the creature</li> </ul> <p>There is a HOST OF HEAVEN in the third heaven but they are loyal to the Lord God and carry out His Work. Not part of the creature. The creature is the second heaven. Creature represents the body, the earth is the soul and the spirit, and together the WHOLE CREATION. Two CREATURE definitions - how we have been defining - either list it all or give it a name and Paul called it the CREATURE - two parts:</p> <ol style="list-style-type: none"> <li>1. The sun, moon and stars and the host of heaven (angels) 'visible' "what you see"</li> <li>2. The heavenly places and the structure of the them (thrones, dominions, principalities, powers, mights) 'invisible' "what you don't see"</li> </ol> <p>The part you don't see is a very essential part of the creature, in some ways the biggest [not in size] part. If nobody is sitting out there, then the creature does nothing. That is part of that creature that makes it operate. When the angels were originally installed in that, they were supposed to do that job in the creature. They are part of the CREATURE but we are not delivering them from the BONDAGE OF CORRUPTION. The Creature includes beings that were before the creature. In one sense, they are NOT the creature. They are angels created before the creature.</p>                                                                                                                                                                             |
| Romans 8:19     | MoG - 17 of 18 -(EP) A<br>heavenly vocation =<br>MANIFESTATION OF THE<br>SONS OF GOD | <p>CREATURE (cont'd): GH: MM makes a body of Christ/One new man analogy with the human body and the creature communications system and your central nervous system. We will replace the fallen angels and be the weightiest part of the creature. If your body didnt have a CNS (Central Nervous System), how much could it get done? Unless the nerves send a signal, you don't do a thing. You can have all the bones and muscles and tendons but you are just laying there. This helps you better understand your role in running the creature.</p> <p>WAITETH: The creature is patiently waiting on you, it's enduring until we get there. We are going to have to patiently wait and endure until we get there. That is supposed/meant to impact you.</p> <p>THE MANIFESTATION OF THE SONS OF GOD: See steps of Sonship. The CREATURE is not just waiting for you to be saved and declared a son, not just waiting for you to be educated, he's waiting for the day you get put into your position up there in the creature. That's the day he has expectations for. When that day happens, will be different for both of you. The suffering will be over for the creature and you too.</p> <p>MANIFESTATION OF THE SONS OF GOD: This is talking about something specific. The CREATURE knows about that. There's not a Plan B if we fail. THE SONS OF GOD MANIFESTATION is different than GLORIOUS LIBERTY-v21. Manifestation of the sons of God:</p> <ul style="list-style-type: none"> <li>- Marks the end of your formal education as a son; is the formal stage and completion of your adoption</li> <li>- Have our glorified body so we can breathe</li> <li>- Have our placement in the creature/in your Father's Business</li> <li>- Indicated the degree of your joint-heir inheritance</li> </ul> |
| Romans 8:19     | MoG - 17 of 18 -(EP) A<br>heavenly vocation =<br>MANIFESTATION OF THE<br>SONS OF GOD | <p>MANIFESTATION: Appearance. We are already SONS OF GOD. This is when you show up in the place of your vocation declared a fresh to be a son and now you are taking that over.</p> <p>MANIFEST: Make it right, make it appear - You will be manifested when you get your glorified body. The creature is really waiting on the rapture.</p> <p>MANIFEST: OED: Manifest – to make evident to the eye or to the understanding; to show plainly, disclose, reveal. It puts it on display. Makes it seen/known.</p> <p>Manifest (verb) = to make something known, to put on display, to appear, to make clearly visible to the eye or obvious to the understanding.</p> <p>Manifestation (noun): the disclosure or making public of that which was secret, unseen, private or obscure.</p> <p>When we are “manifested” as the sons of God and occupy the creature as the “new creature.” The manifestation of the sons of God is the last thing that happens before we move into the HP and take up our positions there and begin laboring with our heavenly Father in all His Business requires of us. He is giving you His attitude, His POV, the way He thinks - He is teaching you to think like He thinks. Here is how I AM thinking about the creature and here's how I want you thinking about it. Don't get lost in the data of it or you will forget what it is supposed to be doing in you.</p> <p>SONS OF GOD: Us. Adopted sons that are going to work up there, it's not Israel's deal. The creature is waiting for the sons to be manifested - get your glorified body at the Blessed Hope and can get out in that Creature and function. If you already knew about it, it wouldn't need to be made manifest, it would have already been manifested.</p>                                               |

| Romans 8:19     | MoG - 17 of 18 -(EP) A heavenly vocation = MANIFESTATION OF THE SONS OF GOD | <p>When you read v19, you should have in your mind:</p> <ul style="list-style-type: none"> <li>- This is an attribute of a living organism, not just a bunch of inanimate objects - when you look up at night, need to have in your thinking that you are looking at part of a real creature. That should impact your whole attitude toward it.</li> <li>- Realize that this creature has a deeply held hope and a sincerely held expectation...for you!</li> <li>- It is waiting for us; the "sons of God"</li> <li>- It has fixed its hope on you and me (members of the body of Christ)</li> <li>- The creature has the capacity to think (to have/it has intelligence - have to be able to reason to be able to do this).</li> <li>- It has strong feelings (an earnest expectation)</li> <li>- It has convictions about things (an expectation has no doubts, don't doubt it is going to happen, you know it is going to happen)</li> </ul> <p>Your Role in the CREATURE: You, sitting in those seats of authority, are going to intelligize the CREATURE. Should change your thinking about the CREATURE and your relationship to the CREATURE. Really about your Father's Business and your part in this Business. When this happens, there will be adjustments in your life, not just in the way you think about the creature but in the priorities in your life because you understand what is at stake.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:20     |                                                                             | <p>See the condition the creature is in and that he did not go into that willingly. That's not what he did. After telling you the CREATURE is waiting on you now He is going to tell you about it. The same One who subjected the creature to vanity has also given it a hope. v20 doesn't end with a period, it ends with a comma which means verse 21 is part of the same sentence. Should have a comma at the end of the verse, not a period. Period is a typeset error.</p> <p>FOR THE CREATURE WAS MADE SUBJECT TO VANITY: Initially, you think the bad guy did it.</p> <p>CREATURE WAS MADE SUBJECT TO VANITY, NOT WILLINGLY: Satan did not do this, that's what God did, to keep Satan from having control of the Creature. Only something living can have a will. You have to have a soul to have a will. Creature also has a spirit.</p> <p>MADE SUBJECT TO VANITY: Made useless, disabled, non-functioning. Made of no value or empty. Is NOT the same thing as the BONDAGE OF CORRUPTION or the rebellion - these are 2 different things that are happening. When God made the creature SUBJECT TO VANITY, it was so Satan couldn't connect heaven and earth (GH: like he tried to do at the Tower of Babel). Satan did not make the creature SUBJECT TO VANITY. Is God's response to the rebellion that has already taken place. Otherwise, you don't need to do that to the creature. Not going to snap His Fingers, He'll use educated sons to come and fix this whole thing.</p> <p>MADE SUBJECT: Get the idea that you are a slave to it or controlled by it. Under the control or authority of someone else. Was created to be under the authority of God but it is now under the authority of Satan and the principalities and powers that serve as the CNS of the creature. The creature did not want to be under the authority of the fallen angels. It did put itself under authority. If you are the creature, you don't want to go under the control of Satan or be made subject to vanity or MM says put in an induced coma. For all it knows, once it goes into this condition, it will stay in it forever. It can still hear, still aware, just can't function. Keeps the fallen angels from doing what they want to do with it.</p> |
| Romans 8:20     |                                                                             | <p>SUBJECT TO VANITY: MM doesn't mean things aren't orbiting but it is not able to respond to other parts of itself. GH: Two aspects</p> <ol style="list-style-type: none"> <li>1. The inability of the creature to fully and properly function - God severed any connection between the heaven and the earth. The utilization of the creature by Satan was a "fruitless endeavor," a "vain pursuit," a work which was "worthless or futile."</li> <li>2. The creature was going to come under the dominion of the Adversary and his ungodly hosts (for this the creature was unwilling)</li> </ol> <p>SUBJECT</p> <p>Subject: Emphasis on the first syllable - EX Algebra is a subject.</p> <p>Subject: Emphasis on the second syllable - force one to undergo; or to put them under control, usually by force. Be put under authority.</p> <p>VANITY: empty, emptiness, void - GH: today the creature looks like nothing and not alive. God made him subject to this. MM used to read this and think Satan did that. The same One who made the creature subject to vanity is the same One who has subjected the creature in hope/I AM giving you hope. God did that so Satan couldn't get ahold of the creature and utilize it for his own purposes. Neither the world nor the creature are responding to each other today. And that is because THE CREATURE WAS MADE SUBJECT TO VANITY (emptiness). When something is vain, it is empty, it has nothing in it. It emptied out. When you look up, you have to be told there is a creature because you don't see it with your eyes. The quality of being worthless or futile, want of substance to satisfy desire, fruitless endeavor, untruth, vain pursuit, emptiness. The creature no longer has the capacity or incapacity to fully/properly function. The creature is really going through the same thing you are going through and the creature has a hope to get it through like you have a hope to get you through.</p>                                                                                                                                                                                                                                                                               |

# Aggregated Romans - 1 Corinthians Commentary - v0.596 (May 1, 2026)

| Bk - Ch - Verse | Bible Margin | Subject                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Romans 8:20     |              | <p>NOT WILLINGLY: The creature has a will, one of the 3 components of a soul. The creature has a soul. Only a living creature has a will. If it has a will, it is living. Even our dog has a will. It's not an inanimate thing, it's a single living thing. The creature is different from 'the creation'-v22. The creature acts as a body. It did not want to be made subject to vanity. Made subject to vanity against its own will. The CREATURE didn't want to do that. The creature is kicking and screaming here because he is not created to be in ungodliness and unrighteousness when it is subject to vanity. The creature was made submissive against its will. God is not going to stand between the creature and the fallen angels just like He is not going to stand between you and the POE. Not doing it for the creature, not doing it for you. When we get out in the heavenly places, we're going to be what runs the creature, running the body of the creature. If we are running the body of the creature and you are the body of Christ, IF ANY MAN BE IN CHRIST, HE IS A NEW CREATURE-2 Corinthians 5:17-reference to the Creature. Part of the exhortation to show you how valuable what you are being offered really is/how big a deal it is.</p> <p>WILLINGLY: Know the creature not only has expectation but has a will. What was done to it was not done willingly. Not what the creature wanted. This creature was out there and it is made to function and have movement to do something and the adversary gets 23 of the 24 principalities to join his rebellion. God shut the creature down so the adversary couldn't utilize it.</p>                           |
| Romans 8:20     |              | <p>IN HOPE: The creature also has a hope.</p> <p>HOPE: Creature has a HOPE. The creature's hope is YOU! The creature doesn't have any doubt about this. NOT 'I hope it rains today'. It's the expectation of a sure and a certain good. Every HOPE is about a good thing. If it is a bad thing, you may expect it but you don't hope for it. If the CREATURE knows about you and what you are going to do, you ought to have some confidence that this curriculum is actually going to do everything you're going to get that job done. Because all of that is built together. Definitions:</p> <ul style="list-style-type: none"> <li>- The absolute confidence and certainty that a future good event will take place.</li> <li>- To have a hope is to be fully persuaded of a future certainty which is welcome.</li> <li>- Hope is an attitude – a way of thinking</li> </ul> <p>Five issues:</p> <ol style="list-style-type: none"> <li>1. The creature was forced to submit to vanity (GH: by God - can't be the adversary because he would never give the creature hope)</li> <li>2. This submission was against its will</li> <li>3. There was a reason the creature was made to submit to vanity</li> <li>4. The creature has a hope of deliverance from vanity's dominion</li> <li>5. The One who made the creature submit to vanity is the same One who has given the creature the hope of a future deliverance from it; God - main storyline in this verse. POINT: If the creature was functional, Satan could have held on indefinitely to the heavens and the earth. That's the means by which he would have done that. God is saying I can't allow for you to do that.</li> </ol> |
| Romans 8:21     |              | <p>Creature knows that it will be delivered from the BONDAGE OF CORRUPTION by us. Even the CREATURE is suffering from that. Something addition to the creature will be delivered from the BONDAGE OF CORRUPTION-you. Will happen when we get installed into the heavenly places. Carrot that is being held out in front of you, we are going to deliver the creature from the bondage of corruption. In the dispensation of the fulness of times (Eph 1:10), you will be delivering the creature from the bondage of corruption. Just as your body is made to function in harmony with your soul and spirit, so the creature is made to function in harmony with the earth. The creature is the "body" while the earth will be function as the creature's soul and spirit, and they need to work together before the whole creation can be and do what it was originally created for. The creature had to find out and he couldn't find out until God revealed that thing through Paul. The whole heaven is made to know. What Paul is talking about when he says we will JUDGE THE WORLD and JUDGE ANGELS (1 Corinthians 6:2-3) is delivering the creature from the bondage of corruption. You are bringing liberty to that place. Have to understand how oppressive that realm is (second heaven). Today, it's a place of oppression and danger. Will have our glorified bodies by then.</p>                                                                                                                                                                                                                                                                                                   |
| Romans 8:21     |              | <p>This starts the connection for us (GH: between v18 and this passage). The way your Father has chosen now to get you educated is to tell you not just about His Business, and your part in it, and make it so you can reckon those sufferings are not worthy to be compared is to begin telling you about the CREATURE. This CREATURE knows something but it didn't always know it. When the CREATURE was put under the BONDAGE OF CORRUPTION, it did not know there was any hope of recovery. Then along comes the apostle Paul, who puts it on display, who preaches it, and writes it down. Imagine when the CREATURE, in the worst possible condition, heard this news? When the CREATURE heard this, how thrilled do you think that it was? How thrilled it is knowing there is someone learning how to do that/fix that (GH: deliver it from the bondage of corruption). God is not just throwing us up there going, just wing it, do the best you can. Hope everything turns out. You are actually going to get educated to fix the CREATURE whose lying in this comatose state. What do you think that CREATURE will feel when we show up? MM says can you imagine the glory that is going to be associated with that? MM says there is a purpose out there for us that goes WAY BEYOND anything we have ever been engaged in in this life. When you begin to feel different about this, that is called the effectual working of the word. It adjusts your attitude to match His Attitude.</p>                                                                                                                                                                                         |

| Romans 8:21     |              | <p>BECAUSE: Connected to the word HOPE-v20.</p> <p>THE CREATURE ITSELF: ITSELF brings all the attention/emphasis/spotlight to the CREATURE. Limits the number of subjects being talked about to 1.</p> <p>CREATURE ITSELF: It is within the proper use of the language to use "it" to refer to the Spirit of God. You could leave ITSELF out and it would still make perfect sense. ITSELF is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun.</p> <p>ITSELF: Limits to one subject. Why (GH: add) the word ITSELF? Could leave out and make sense but won't make the same sense. -SELF words always point back to something else that has already been mentioned. Saw this in THE SPIRIT ITSELF-Romans 8:16. When you use "itself, herself, himself, myself, itself," you are excluding any others from the action being described.</p> <p>ALSO BE DELIVERED FROM THE BONDAGE OF CORRUPTION: Not just the creature, something else will ALSO be delivered - you.</p> <p>ALSO SHALL BE DELIVERED: Not the earth because it would have said it. Waiting for you to deliver him from being made SUBJECT TO VANITY-v20. Two different deliverances because these are two different things (GH: and the BONDAGE OF CORRUPTION).</p> <p>ALSO: Brings in an additional element. Attached to the verb. Only 1 subject in this entire passage-the CREATURE, not talking about a second subject. Could leave out and make sense but won't make the same sense. Always identifies the WHAT or WHO that ALSO is referring to. Use ALSO in two ways:</p> <ol style="list-style-type: none"> <li>1. that we are talking about 2 subjects, for example: something else and also the creature shall be delivered from the bondage of corruption, or</li> <li>2. that we are talking about 2 actions involving a single subject EX the creature is going to be delivered from one thing and also from another thing</li> </ol> <p>MM believes that Paul is not talking about 2 things being delivered from the BONDAGE OF CORRUPTION, he's talking about one thing, the creature, being delivered from two things.</p> |
| Romans 8:21     |              | <p>DELIVERED FROM THE BONDAGE OF CORRUPTION: This is an condition the creature is in in addition to being MADE SUBJECT TO VANITY. Means more than the fact that entropy is taking place and everything is winding down - really a statement of the condition the creature finds itself in.</p> <p>DELIVERED: Saved from something. Means it is in a position it is not really supposed to be in. A condition that needs to be changed in order for something to work right or to be right. There is something not right about the creature. You will liberate the creature.</p> <p>DELIVERED: OED: rescued or set free. To deliver can also mean to "hand over" such as in a letter being delivered by your postman. In that case, there is a change of hands from one person to another. The letter is yielded up to another, surrendered to another. In the same sense, "to commit to another person's keeping."</p> <p>George Crabbe: Deliver carries the idea of "to take and save, to keep from evil." "A person is delivered from the hands of an enemy by force or stratagem." Deliverance involves a "taking." That is exactly what should be in your mind when it comes to us delivering the creature. The Adversary is determined and his desire is to hold on to the creature. He will not just give it up without incident.</p> <p>Handing control from one to another. Deliverance implies evil, that there's something happening that you need to be extricated from.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 8:21     |              | <p>BONDAGE OF CORRUPTION: The process that everything is undergoing - in physics, the second law of thermodynamics - the law of entropy where everything is decaying/corrupting/winding down. If you are in bondage, you are restrained. Creature placed in this condition back at the beginning. Creature waited thousands of years before it knew it was going to be delivered...until Paul shows up. It's affecting the CREATURE, the earth, and the people. Even the animal kingdom, in Isaiah, where it talks about the lion and kid and bear and lamb will lie down together and the lion will eat straw like an ox. We have sufferings in our physical bodies because we are also under the BONDAGE OF CORRUPTION. The process that has been created because of sin and the curse that came in because of sin. Recall in Genesis, before the curse it was one way, the earth just brought forth fruit. After, you'll earn your living by the sweat of your brow. There is going to be work involved, pain in child bearing. MM said no children up to that point but wonders if that wasn't a painless process in the beginning. Most people die due to SOPT/old age/BONDAGE OF CORRUPTION. Take a top and spin it - slows after a while, wobbles, and falls. Says everything is winding down. Why you can have a problem with evolution, which says everything is gaining forward. Trees fall and die. We will die, save the rapture. The sun is burning off - nuclear fission. You can see the earth is under this if you look around. A farmer depending on rain. Get rain when the hay is on the ground. Whole creation is under the BONDAGE OF CORRUPTION.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Romans 8:21     |              | <p><b>BONDAGE OF CORRUPTION</b> (cont'd): Bondage of corruption is fixed in Revelation 12:9 where Satan and his angels are cast down to the earth and the creature is no longer under that moral corruption of Satan and his angels. Doesn't mean the physical corruption got fixed yet. Entered at 2 different times:</p> <ol style="list-style-type: none"> <li>1. When Adam and Eve fell in the Book of Genesis and sin came into the world</li> <li>2. After the Flood - some things changed and God furthered some things going on in the world</li> </ol> <p>If it is under the <b>BONDAGE OF CORRUPTION</b>, then it's in the worst state of cruel treatment with the connection to evil. The creature wasn't created to be in this form. These bodies we have today will not last forever in any condition. The organs do not operate at an optimum. It may be that eyesight worsens, muscles shrink, hearing deteriorates, etc. Bondage of corruption is made up of two parts/comes in two forms:</p> <ol style="list-style-type: none"> <li>1. physical deterioration that ends in death (for the material part) brought on by the entrance of sin <ul style="list-style-type: none"> <li>- Physical form/corruption - 2nd law of Thermodynamics - happens over time - It's not enough to just stop the physical corruption because if Satan and his angels are still in charge, the creature is still in trouble.</li> </ul> </li> <li>2. moral corruption (for the invisible part) brought on by the occupation of Satan's angels in the seats of authority in the creature <ul style="list-style-type: none"> <li>- Moral corruption - think of a battle/enemy coming into a country to destroy it and taking over the government: Is as real and impactful as the physical part. Has to do with your impact in the creature. Cause is Satan and his angels. Using the Iraq war analogy, when this regime is toppled, the thing to do is it go back and rebuild the creature because it is going to be in ruins.</li> </ul> </li> </ol> |
| Romans 8:21     |              | <p><b>BONDAGE</b>: Extreme end of slavery. Slavery is bad enough but bondage is more severe than slavery. Has 2 things added to it:</p> <ol style="list-style-type: none"> <li>1. The loss of personal liberty</li> <li>2. Cruel treatment</li> </ol> <p>MM says because the creature is under the dominion of Satan and his minions, it's not only under <b>BONDAGE</b>, there is no <b>KINDNESS</b> (GH: second aspect of Godly Love) being demonstrated in the creature at all. In Satan's realm, there is no <b>SELFLESSNESS</b> (GH: first aspect of Godly Love).</p> <p><b>CORRUPTION</b>: Implies decay. The law of entropy. Everything is winding down. Spin a top, eventually it will lose momentum and will wobble around and fall over. The sun is burning away. You grow up and then things start to go the other way. The creature is under it too. <b>POINT</b>: When <b>CORRUPTION</b> takes over, everything is suffering through pain and discomfort. One of the ways we realize it is through sickness and disease. Looking up, it doesn't look like a creature because it is <b>UNDER THE BONDAGE OF CORRUPTION</b> and it has been made <b>SUBJECT TO VANITY</b>. Will change. Our first job when we get up there is to deliver the creature into the glorious liberty of the children of God.</p> <p><b>Corrupt</b> (OED): evil or morally depraved. Made unreliable by alterations. Rotten or putrid. To infect or contaminate. The process of decay.</p> <p>Crabbe: "Corruption marks the disunion and decomposition of the parts of anything. Corruption implies a dissolution in the component parts of bodies. While depravity is applicable only to mind and heart, corruption is the natural process by which material substances are disorganized. Corruption marks the spoiling of things, the ferment that leads to destruction.</p>                                                                                                                                                                                  |
| Romans 8:21     |              | <p>Summary definitions:</p> <ul style="list-style-type: none"> <li>* Bondage: denotes the state of being bound, that is, slavery in its most aggravated form, in which, to the loss of personal liberty is added cruel treatment.</li> <li>* Corruption: denotes the state that some material object is falling apart, tending toward disorder and dissolution from its original state.</li> </ul> <p>MM's definition: Being irrevocably bound by the most aggravated form of slavery to the very dissolution of one's constitution.</p> <p><b>INTO</b>: Represents a change of condition. From the <b>BONDAGE OF CORRUPTION</b> to the <b>GLORIOUS LIBERTY OF THE CHILDREN OF GOD</b>.</p> <p><b>GLORIOUS</b>: Takes your thinking back to verse 18. An adjective which means that it is describing something else. Could have left <b>GLORIOUS</b> out and it would make sense. When something is "glorious" it: has or brings the element of glory.</p> <p><b>GLORY</b>: The result of success in great achievements. We reserve the word <b>GLORY</b> for a great and monumental undertaking.</p> <p><b>LIBERTY</b>: Not talking about the creature getting Sonship <b>LIBERTY</b> like you have. Talking about in comparison to the condition that it was in. This is the condition that it is going to be in. Not freedom because <b>LIBERTY</b> implies a previous imprisonment. Like liberating POWs. Is <b>NOT</b> a ho-hum event. The creature is waiting to be delivered into our liberty. It is going to benefit from our liberty.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 8:21     |              | <p><b>THE CHILDREN OF GOD</b>: <b>GLORIOUS LIBERTY</b> different than <b>MANIFESTATION-v19</b>.</p> <p><b>CHILDREN OF GOD</b>: Why not <b>SONS</b> like v19? In verse 19, it is educated sons who will deliver the creature from vanity. It will take an educated son to reverse what God did when He disabled the creature. This is not something that everyone (children of God) will be able to accomplish. It is a specialized work that will be turned over to sons who have all the components of godliness at work in them. In verse 21, it now switches to "children of God" because that is who will be occupying the creature once it is delivered. Every member of the body of Christ, regardless of their Sonship education, will get a glorified body and take up their place in the creature.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 8:22-23  |                                                                | <p>Two types of “groaning” that have been presented.</p> <p>v22: There is that involuntary expression of pain (which the creation does)</p> <p>v23: There is that earnest desire to go to work with your Heavenly Father (which we are to have for going to work in the creature). GH: measure of EFFECTUAL WORKING in you.</p> <ul style="list-style-type: none"> <li>- go to work in my Father's Business</li> <li>- deliver the creature from vanity</li> <li>- deliver the creature from the bondage of corruption</li> </ul> <p>Groan for your redeemed body because until you get that redeemed body, you are not going anywhere. The earnest desire is not I don't care what I know, just let me up there right now. It's not do I want to go today or wait till I get my education? That's not the way to look at it. Obviously, you have to have the education before you can do anything good for the creature. The longer you go in Sonship, the greater the GROAN for that redeemed body will be. The EARNEST DESIRE-2 Corinthians 5:2 is going to increase.</p>                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:22-23  |                                                                | <p>The PATIENT WAITING to get prepared and the EARNEST DESIRE to go do it go hand-in-hand together. It is good to want to go to work in the creature, but it is just as good to want to be properly prepared for that work and until you are, to patiently wait. If your EARNEST DESIRE for your redeemed body is to get out of the sufferings, the doctrine is not working in you. Your desire for the redeemed body is for what you're going to go do, not what you're going to get out of, that's the comparison. In the old days, people knew about the redeemed body but this emphasis was no more pain, never get sick, grow old, no BONDAGE OF CORRUPTION, etc. MM says that will be true and he is not saying that won't be enjoyable. Your motivation isn't to get out of your old, beat up body. Your motivation is for you to get up there and do something for your Father's Business in the creature. If you are looking forward to get your glorified body so you can get up there and go to work for your Father for the purpose He has in mind, that shows that effectual working is taking place. That's a spiritual work. There's no physical, visible, tangible way for you to see that. The only people who are groaning for the adoption are the people who have the FIRSTFRUITS OF THE SPIRIT. FIRSTFRUITS are the first thing produced.</p>                                                                                                  |
| Romans 8:22     | Suffering = THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN | <p>That creature is waiting for a people that possess godly loving kindness to get up there, because we will not only treat others with this attribute of love called kindness, but we'll also deal with the creature that way.</p> <p>FOR WE KNOW: Notice Paul says this is something we already did know. He is counting we already have in our mind. We are supposed to know that the “whole creation” (the creature and the earth) is doing two things:</p> <ol style="list-style-type: none"> <li>1. It is, as a living organism, giving an involuntary expression of pain and burden - MM believes this pain is real</li> <li>2. It is travailing in pain</li> </ol> <p>THE WHOLE CREATION: God never calls it the universe. There is something different that God is going to do with the earth and what God is going to do with the heaven.</p> <p>WHOLE CREATION (heaven and the earth) GROANETH and TRAVAILETH: Is under this bondage of corruption. Creature is different than the whole creation or he just would have used the term creature again. Heaven/Creature and the Earth. From the CREATURE to plus the earth. Paul turning our attention in v19-21 from the CREATURE to the WHOLE CREATION.</p>                                                                                                                                                                                                                                              |
| Romans 8:22     | Suffering = THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN | <p>GROANETH and TRAVAILETH: Is describing the effects of being under the bondage of corruption. Sometimes you will be hurting so bad, be so sick something will happen, you will think 'ohhh!' Even though you are groaning within yourself, this doctrine is supposed to work IN you to enable your to put your mind on the hope. The fact that one day this body is not going to experience this anymore. Will be in a position where I will never experience any of this anymore. All of this is going to be gone, all I have to do is patiently wait for that hope to become a reality. Will take however long it takes but if you are 'patiently waiting', you are not going hurry up, hurry up. Patiently waiting is however long it takes.</p> <p>GROANETH: Is groaning because it is under the BONDAGE OF CORRUPTION. Implies pain or anguish. MM says this has to do with something that was done to the creature. To this day, this thing is groaning, waiting for your manifestation.</p> <p>Groan vs. Moan: A groan is an involuntary (not trying to complain) expression of grief, pain; either physical (sickness or injury) or mental (grief). A “moan” is purposefully/voluntarily uttered for the sake of awakening attention or inciting compassion. Not saying that every moan is bad, could be hurt and trying to draw attention to it. Moan carries the idea of whining and complaining, which is dangerous for a son. Is an indiscretion.</p> |

It is involuntary and is the result of deep pain. While moaning always comes from some pain or misery, groaning may come from pain but also from a strong feeling of resistance to what is felt to be burdensome or unjust; hence it is often an expression of indignation.</p> <p>TRAVAILETH IN PAIN: The constant condition of the creature and the earth. The idea this phrase is supposed to convey is that of the whole creation being under bondage (which is the extreme form of slavery), causing great pain and impacting the creation to the extreme.</p> <p>TRAVAILETH: hard work; laborious effort; severe toil; to labor with great difficulty. In your Bible, the word "travail" is often used in the context of a woman in childbirth.</p> <p>IN PAIN: MM takes this as literal pain.</p> <p>UNTIL NOW: MM says he doesn't care how you take this because for our purposes, it doesn't matter. It won't stop till we get up there and fix it.</p> <p>UNTIL: Up to.</p> <p>NOW: Denotes time.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 8:23     | MoG - 18 of 18 -(EP) Redeemed Body = THE REDEMPTION OF OUR BODY / Suffering = GROAN WITHIN OURSELVES / VTP : Sonship 2 of n - Earnestly desire our glorified body = GROAN WITHIN OURSELVES / Second pronouncement of Adoption / GH: Suffering Verse | <p><i>Romans Mercies 18</i> : The redemption of our body - One day, He will redeem our bodies, which will be the eternal vehicle for our soul and spirit. That is our exaltation and the culmination of the adoption process. The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): My suffering is not permanent; one day this body will be redeemed and all the bad things which happen to it now will be over. It may be in this life, it may not be, but it is not going to be permanent forever.</p> <p>Whatever goes on in this body now, it's not going to be forever because one day, this body will get redeemed. Taking everything about the CREATURE and the WHOLE CREATION in v19-22 and make an application for us.</p> <p>• VTP : Sonship 2 of n: Earnestly desire our glorified body = GROAN WITHIN OURSELVES / Second pronouncement of Adoption</p> <p>Saved people will be in the heavenly places, live forever, get a glorified body (differences in the bodies though-will be able to know by looking at them who they were and where they were in the curriculum). Look at some and think they never heard about it and then others and think now that is a fully educated son and others and think that's where they were in the process. You will see the differences in glory. There are differences in the brightness of those bodies as well as the colors that emanate from those bodies. Wear the glorified body that has a rank on the shoulder, like in the military. Glorified body will serve as your uniform.</p> <p>When you die, your soul and spirit go to the third Heaven. When the rapture happens, that soul and spirit are coming back and that body in the casket is going to get reformed into a glorified body. Your soul and spirit is going back into that glorified body and then you are going to the heavenly places. When you get up there, you are going to be placed into a certain position in the heavenly places and the position you are going to be places is commensurate with what you know how to do.</p> |
| Romans 8:23     | MoG - 18 of 18 -(EP) Redeemed Body = THE REDEMPTION OF OUR BODY / Suffering = GROAN WITHIN OURSELVES / VTP : Sonship 2 of n - Earnestly desire our glorified body = GROAN WITHIN OURSELVES / Second pronouncement of Adoption / GH: Suffering Verse | <p>NOT ONLY THEY, BUT OURSELVES ALSO: Us too. The culmination of adoption.</p> <p>NOT ONLY THEY: The WHOLE CREATION-v22, the CREATURE and the earth.</p> <p>THEY: The heaven and the earth. That's the WHOLE CREATION. They of the WHOLE CREATION.</p> <p>BUT OURSELVES ALSO: Talking about saved people, right? Happening to us too. Tying us together.</p> <p>OURSELVES ALSO: Now includes us. Paul is going to lump us in with the WHOLE CREATION and say some things happening to them are also happening to us. One day THEY will be delivered from the BONDAGE OF CORRUPTION by OURSELVES ALSO.</p> <p>GROAN WITHIN OURSELVES: Not a groan in pain, a groan within yourself. Not an audible groan, it signifies something else. It's that yearning expectation for something. Not talking about saved people in general. Talking about saved people who know what their adoption is. Happens more as you get older. When you are young, you don't groan much. Glorified body means more to an older person than a 12 year old kid. Getting your glorified body is another stage of your adoption that now says you're able to go labor with your Father. Before, you have just been educated. If you don't get adopted until you get your glorified body you can't be educated as a son. Result of/In connection with the SOPT.</p> <p>GROAN: We have something in common with the CREATURE and the WHOLE CREATION. OED Groan: 1b) to groan inwardly, in oneself, in the spirit, with the heart 6) to express earnest longing by groans; to yearn or long. MM thinks GROAN is longs for vs. pain. Experiencing the sufferings.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

Everything you have covered in Romans up to here - Justification and Sanctification. MM won't argue, but you can know you are justified and know you are sanctified and not have one bit of Sonship going on.<br>2. The effectual working of the Sonship doctrine that has been presented to us thus far: Sonship Orientation - MM thinks it is this, in the context of this - where you are told you're a son and you have cried ABBA FATHER and Sonship Establishment - where you are learning a PATIENT ENDURANCE of those things you are going to be suffering in this present time.<br>What you are learning right here/He reserved this statement for when you are in your SE.<br>FIRSTFRUITS OF THE SPIRIT: Need to have an excitement about what is going to happen. The second checkpoint/marker is the "groaning" for a redeemed body for purposes pertaining to your Father's Business.<br>GROAN: Bible defines GROAN differently than GROANETH in v22. Leaves the travelling and pain out completely. For us, the GROAN is not the involuntary expression of pain, the GROAN is I can't wait to get up there and get it done/do the delivery (GH: 1 Corinthians 5:1-4). That "groan" or earnest desire to get our redeemed body is a byproduct of the "firstfruits of the Spirit." The GROANS of the CREATURE ('I can't wait till someone helps me') and a son ('I can't wait to help you') are different. If you leave the GROAN meaning the same, you have a son looking at the SOPT no differently than anybody else.<br>WAITING FOR THE ADOPTION TO WIT, THE REDEMPTION OF OUR BODY: Getting our glorified body will complete our redemption. Even if you have been adopted and educated, you need a body that will function out there. The end of/completion of the adoption process. We are under the BONDAGE OF CORRUPTION as well because these bodies didn't get redeemed. Our hope is this body will not be in this condition forever. Talking about the end of the adoption process. |
| Romans 8:23     | MoG - 18 of 18 -(EP)<br>Redeemed Body = THE<br>REDEMPTION OF OUR<br>BODY / Suffering = GROAN<br>WITHIN OURSELVES / VTP<br>: Sonship 2 of n - Earnestly<br>desire our glorified body =<br>GROAN WITHIN<br>OURSELVES / Second<br>pronouncement of<br>Adoption / GH: Suffering<br>Verse | ADOPTION: That's when you go to work. I'm not getting a new body for the sake of getting a new body, I am getting a new body for the sake of my adoption. Our adoption completes with the redemption of our body. Find out that the ADOPTION has two parts to it:<br>1. Spiritual part (Romans 8:14-15 to here)<br>2. Physical part/Redeemed body) (here)<br>ADOPTION: Second pronouncement in adoption - education is complete and placed in the heavenly places to go to work. Placement of the son as a full partner in the business.<br>Adoption starts at salvation and ends with the redemption of your body (at the Blessed Hope/Rapture) with edification taking place in between. When the body gets redeemed, that adoption process is over, it's completed.<br>TO WIT: An expression that is not used much anymore. It means 'namely' or 'that is to say'. The phrase "to wit" indicates that you are about to state or describe something more precisely. For example, I could say, someone ran into my car the other day; to wit, the back bumper. The "to wit" is me indicating the dent more precisely. They did not dent the whole car, but only a part of the car. Now, talking about a very specific detail or part of the whole.                                                                                                                                                                                                                                                                                                      |

Wherever you are going to be in the creature will be settled that day. The physical aspect of your adoption. The final component or culmination of your adoption, the redemption of your body. There is no more SUFFERING, no more BONDAGE OF CORRUPTION-v22. If all you have is a glorified body but you don't have an education as a son, you are worthless. You are an empty, albeit perfect shell of a man. Being up there in a glorified body is still a pretty grand thing.<br>(GH: Recap) The beginning of the adoption process is when we make the cry of Abba, Father and the end of that process is the redemption of our body. Why at the Blessed Hope, our adoption process is over. If God had redeemed our body at the point of salvation:<br>1. there would be no further growing in grace<br>2. no coming unto a perfect man<br>3. no further edification unto godliness.<br>Because we also are under the bondage of corruption, there is going to be groaning, travailing and pain. Don't expect that there won't be. And don't be crying out for God to deliver you from it. You are waiting for that time when this body is going to get redeemed and those things are no longer going to be an issue for you - no more pain/groaning/SOPT. Until that time, you are going to go through it and you know that God is not going to deliver you from it. MM has never seen anyone delivered from getting old. Get old enough and it always ends in the same result - you die. Even though we "groan within ourselves" we patiently wait for the glory. Think about the different aspects of glory about that body. Think of the brilliance of that body, the incorruption of that body, and the power of that body(1 Corinthians 15). Now think about how your patient endurance of these sufferings magnifying that glory. |

Because you are waiting for something. There is something you are waiting for that he already told you about in the previous verse that is not worthy to be compared to the SOPT.<br>HOPE: Only learned about part of this:<br>1. Your body is going to be redeemed. The future redemption of our body. The things that happen to us in these mortal bodies. They may be tribulations, but they are still opportunities for all of a long list of inner man things to happen. HOPE: Is not the body that you will have forever. You're going to get a new redeemed body. That's good news.<br>2. HOPE saves you from the effects of sufferings out there. Hope of an inner man that is conformed to the image of God's Son. This is the one that saves you right here and now. There's something that we hope for and that's because we don't see it. For if we see it, why do we yet hope for it. Our hope for things in the future, though they haven't happened yet, but we believe because God said it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

The colon tells you that each can stand on its own, but also that it is directly connected to the rest of the verse.</p> <p>FOR WE ARE SAVED BY HOPE: First phrase is set up by a colon. Not talking about being saved from the debt and penalty of sin; covered in Romans 1-5. Talking about being saved (talking to people who are saved) in the sense of not being overcome by the bondage of corruption, and saved from responding to it like natural men do. Talking about the redemption of our body. Not present possession, the confident expectation.</p> <p>WE ARE SAVED BY HOPE: That HOPE is going to save you from being overcome by the SOPT. Plenty of people in the world have been overwhelmed by the SOPT and they have given up. If you don't have this doctrine working IN you, there may well come events into your life one day that will just be too much for you to handle/sink you into depression/give you anxiety. This saved/salvation is being saved from being overwhelmed by the sufferings. Saved from the effects of all the things that happen to this body to discourage us and to wear us down.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 8:24     |                                                                                                                                                                                                                                                                                      | <p>SAVED: Not taken care of the debt &amp; penalty of your sins. Got taken care of in Romans 1-5. Talking about saved from something in regard to your sanctification. Not talking about being saved/justified, talking to people who are already saved. Would be kind of ridiculous - lost people having the FIRSTFRUITS OF THE SPIRIT. Saved from the effects of the BONDAGE OF CORRUPTION.</p> <p>HOPE: That our body will be redeemed; hope gives you a comfort that God hasn't overlooked the fact you are still in this body. Don't worry that you are going to have to put up with this body from now on, I AM going to do something to redeem this body and all those kinds of sufferings will be done away with. Your body coincidentally gets redeemed at the BLESSED HOPE-Titus 2:13 or rapture. This is the completion of your salvation. If you already had it, you wouldn't be hoping, you wouldn't be counting on that, you'd already have it. We don't HOPE for forgiveness of sins, we already have it, it is already yours. GH: MM says but thinking you are going to live forever is part of your exaltation, that eternal life, that citizenship in the Kingdom of God. It comes because you are justified, but it is not part of your justification, it is part of your inheritance. The HOPE is the sure promise.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Romans 8:24     |              | <p>BUT HOPE THAT IS SEEN IS NOT HOPE: Second phrase is also set up by a colon. Telling you this so you don't get to thinking you're going to see any of the stuff about your HOPE while you're here on this side of your redeemed body. The only time you see that stuff that will be a present reality is on the other side of your redeemed body. Reminder that:</p> <ul style="list-style-type: none"> <li>- You will not be immune from the SOPT</li> <li>- You will not see the GLORY right now from the SoC</li> <li>- You are not going to deliver the creature from vanity or BONDAGE OF CORRUPTION now</li> <li>- You are not going to be put/manifested in a position in the heavenly places</li> <li>- You are not going to receive any part of your inheritance/either of your inheritances now - HEIR OF GOD or JHI</li> <li>- You are not going to get your redeemed/glorified body</li> </ul> <p>HOPE THAT IS SEEN IS NOT HOPE: If you already had that glorified/redeemed body, wouldn't be a HOPE. If you already have it, you are not hoping you already got it. You don't see that HOPE but that HOPE has to become a reality to you.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 8:24     |              | <p>FOR WHAT A MAN SEETH, WHY DOTH HE YET HOPE FOR: Third phrase. If you've already got it, you don't need to HOPE for it, you got it.</p> <p>HOPE: Is the cure for the SOPT. The HOPE saves you from being victimized by these sufferings. Allows you to endure the sufferings that come your way. HOPE Components:</p> <ul style="list-style-type: none"> <li>- HEIR OF GOD inheritance</li> <li>- JHI based on a right response to those sufferings</li> <li>- GLORY</li> <li>- Promise of a redeemed/glorified body</li> <li>- Confidence - step by step in an area at a time</li> </ul> <p>HOPE: Not saying 'I wish it would happen', saying that is what I am looking for, that I know is going to happen. The comforting expectation or confident expectation of a sure and certain remedy. We have been told about it and we believe it and so we confidently expect that to happen. Hope is what saves you from the effects of the SOPT and the BONDAGE OF CORRUPTION. If something terrible comes your way, you have something that saves you from being destroyed by those things. Anything that he can do to you is going to be undone. There is no reason for this HOPE to not carry you through any situation because it is sufficient. That's what's being built into you here.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 8:24     |              | <p>HOPE (cont'd): The HOPE doesn't make it painless, it makes it endurable. Not with a stiff upper lip but they are endurable because of something that is produced in you that produces a HOPE and that HOPE is going to take you through everything. But it is a hope, not a present reality. It's a HOPE because it hasn't yet been realized. We are given a hope that has to do with the redemption of our bodies. HOPE that you can't put your eyes on. There is something coming that will be a HOPE for you. It's going to be that light at the end of the tunnel. In the midst of your worst suffering, God is saying I AM giving you a GLORY on this end and a HOPE on this end, but we see not that GLORY yet. But one day it will be a present reality and every child of God will have eternal life as a part of their heir of God inheritance. Point: Our hope is not something we conjure up in our own thinking, but it is in direct relation to something that God has promised! That is why it is a hope that produces something in us.</p> <p>Two aspects to this HOPE that makes this work - both important, need to know them and be in your thinking when these times come. What you are going to need to anchor onto - establishes part of your HOPE:</p> <ol style="list-style-type: none"> <li>1. The Glory Aspect: The Suffering vs. the Glory-v18: <ul style="list-style-type: none"> <li>Comparing the sufferings to the glory would be like comparing the speed of your walking to the speed of light. MM gives others.</li> </ul> </li> <li>While even these comparisons fail to do justice/insufficient, "incomparable" is the measure of the glory that will be revealed in you! If you think the sufferings are pretty tough, this gives you an idea of how great the glory is.</li> <li>2. Eternal Benefit aspect: The Value/Purpose of Suffering in Sonship Training</li> </ol> |
| Romans 8:24     |              | <p>Same principle as 2 Corinthians 4:17-18, there are things that are happening but you cannot see them happen. Your Heavenly Father is going to ask you to believe some things that there was nothing you could verify that is true. POE / People / Professors will tell you it's not true. If you really are going to believe God, you shouldn't think who else believes this? If God wrote it in His word, it doesn't matter who else believes this. People ask MM, who else believes in Sonship and he goes Jesus. You got someone who outranks that? If the Father, Son, Spirit and apostle that wrote it believe it. The 12 came to understand what Paul wrote was inspired scripture so they do. Oh, you are asking for someone today. What would anybody who wrote inspired scripture know? What would the Godhead know? MM says we ask the most innane questions. If you are hoping for things you can see, you're not hoping, you can see it. The HOPE is in the redemption of your body. You don't see it but it is out there.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 8:25     |                             | <p>Is the final issue concerning that godly virtue of patient endurance.</p> <p>PATIENCE: endurance, tolerance, lack of complaint, persistence, fortitude</p> <p>(Smith) The opposite of endurance is exhaustion. The opposite of patience is repining and irritability. You can endure impatiently. The enduring man can be in exasperation, the patient man suffers and is calm.</p> <p>(Crabbe) Patience applies to any troubles or pains whatever, small or great, abstaining from all complaint or indication of what one suffers. If we do not endure with an easy mind and without the disturbance of our looks and words, we have not patience. It is possible to have patience without endurance.</p> <p>You can endure something impatiently. Why it is not just ENDURANCE, it's PATIENT ENDURANCE. Putting the two together makes a very powerful union to enable you to handle sufferings and the effects of the bondage of corruption with calmness and composure.</p> <p>You are patiently waiting for the day you:</p> <ul style="list-style-type: none"> <li>- receive the redemption of your body</li> <li>- deliver the creature</li> <li>- receive your heir of God inheritance</li> <li>- are placed in your position in the heavenly places</li> <li>- receive your joint-heir inheritance</li> <li>- go to work with your heavenly Father</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                          |
| Romans 8:25     |                             | <p>HOPE FOR THAT WE SEE NOT: You don't see/have the redemption of your body yet.</p> <p>HOPE: Should see HOPE as a conclusion matter.</p> <p>THAT WE SEE NOT: We don't have that inheritance yet.</p> <p>THEN DO WE WITH PATIENCE WAIT FOR IT: Given a doctrine of HOPE, that HOPE is in that inheritance and that hope produces a virtue of patiently waiting which is an endurance.</p> <p>That is going to affect your attitude to make you see the things that you go through through different eyes. Not going to view them the way you used to. You will be able to patiently wait through anything that comes your way. Your Father is saying, I DO NOT care what you go through/how long you go through it/how bad it gets, there is glory being held out for us that is incomparable in greatness, majesty, honor, and glory. You are walking by faith, not that you can see, but according to the things that you can't see.</p> <p>WE WITH PATIENCE WAIT FOR IT: How we are supposed to do it. We are supposed to patiently wait for the redemption of our body. You are told you will groan within yourself waiting for the adoption...the redemption of our body - that's a hope that you are going to patiently wait for. HOPE is more than a CONFIDENT assurance. It's meant to be a COMFORTING assurance. Should see the HOPE as a remedy that God is fixing the problem (GH: with our unredeemed bodies). The problem with going to God and saying God, I've got a cold and need to preach Sunday and need you to give me my voice back. This is being IMPATIENT. Because in the physical area, you are told to WAIT FOR IT. Doesn't mean you can't gargle lemon and salt water, but God is not going to supernaturally intervene to give you your voice back.</p> |
| Romans 8:25     |                             | <p>WITH PATIENCE WAIT FOR IT: What we expect to get out of the doctrine - the ability to patiently wait. The fortification of your inner man to handle the sufferings that come your way. He is equipping us to cope with the tribulations.</p> <p>PATIENCE WAIT FOR IT: When you think about patiently enduring, it's not just one day I won't hurt anymore. What allows you to patiently endure it is to know one say it will be over but while I am going through this I have an ability to build on that glory. It's going to be a greater glory and the only way you get that is the right response to it - patient endurance.</p> <p>That's what grace provides for you. We are hoping for something that we cannot see. We are patiently waiting for our hope and that is exactly what God has designed for you to do. We are hoping for the glory of God that shall be revealed in us. What we are supposed to do in the midst of suffering is "patiently wait for it." That glory is our hope. Even though we groan within ourselves, we wait with patience for that glory to appear.</p> <p>WITH PATIENCE WAIT FOR IT: We are waiting for the redemption of our bodies. Want a redeemed body because this one is under the BONDAGE OF CORRUPTION. You may feel great today but you are not going to live forever.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Romans 8:26-27  | SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion | We know how to pray, but in Sonship prayer, you don't know what to pray for. You don't know God's Will about every single thing. Why always asking what's Your Will? What do You want me to do? Because you don't know, how could you know what His Will is? You don't get God's Will by asking Him for it, you get God's Will by being educated to think like your Father. The success of your Sonship education rests on prayer. Because of your inexperience, the Spirit makes intercession to the Father for you so when the Father says what do you need? Instead of hearing I don't know what I need, the Spirit asks and the Father answers that prayer just as though you were the one asking for it. Means your education continues right along without a hitch.<br>When God speaks to us, there is a specific way that He does that and there is a specific Member of the Godhead that is involved in that.<br>When we speak to Him, there is a different Member of the Godhead that is involved in that. They never reverse. This sorts out this passage.<br>3 Principles generally taught in the Bible that are true in the Israel program and the DOGG.<br>1. The first principle is to understand the purpose of prayer - GH: Prayer is designed to change us by getting us in line with the doctrine (Jesus in the garden & Paul thorn/grace is sufficient prayers->activating the doctrine->changed them and their attitude towards their circumstances)<br>2. Prayer works to activate the doctrine in our spirit by getting the doctrin in our minds/spirit - it changes our human spirit & the way we think and the change in thinking produces a particular attitude, producing godly actions. The word of God is specifically designed to fit in your spirit.<br>3. Prayer follows the mechanics - God speaks to us (via the Spirit) and we speak to God (via the Son). |
| Romans 8:26-27  | SE Section/Component 2 of 3 - Virtue: Confident Assurance OR Untroubled Satisfaction with Prayer with our Father / Doctrine: Confident Assurance / SOPT Comfort 2 of 4: The comforting ministry of the Spirit during times of perplexion | You have the tranquilizing ministry of the Holy Ghost when infirmities trouble you to the point you know not what to pray for as ye ought. Have to think about these verses like your Father thinks about them for them to effectually work in you. Several issues come up for the first time in the Book of Romans:<br>- Our infirmities (as they relate to prayer)<br>- The issue of prayer itself<br>- The Searching of the heart<br>Learn you won't pray for the things you used to before you learned Sonship prayer but your prayer life shouldn't fall off. It's important to pray in accordance with the will of God. To do, you need to learn the doctrine first and incorporate it into your prayer life. These 2 verses put your mind at ease that your Sonship education will not fail because of this problem. These verses are meant to be a comfort to you because you realize that if you don't get this done, your Sonship life is going to halt. The part you do have to know is the searching of the heart. Your Sonship education cannot succeed without prayer. Your education cannot take place without the Interactive Learning (Proverbs 2:3), specifically the part between you and your Heavenly Father. Without it, you will not FIND THE KNOWLEDGE OF GOD-Proverbs 2:5. It is one of those 3 IFs. The whole education is hinging on this GH: two-way communication. This education cannot happen unless we are engaged in two-way prayer. If He was dealing with you out of His omnis, He wouldn't need interactive learning to make it work.                                                                                                                                                                                                                                                                                                                    |

The Spirit which we received when we trust Christ as our all-sufficient Savior helps our infirmities through prayer with our Father. The Spirit also helps us go through those infirmities / tribulations / sufferings by our prayer with our heavenly Father. Learn to combine prayer with the doctrine that has us properly responding to the doctrine so that the word can actually now work in our inner man. See two colons and with colons, the two phrases it separates can stand along but they do have a connection to the other things that are there. | Romans 8:26     | Prayer / GH: Suffering Verse | <p>THE SPIRIT ALSO HELPETH OUR INFIRMITIES: The Spirit is going to help with our infirmities because He is going to teach you how to pray. In the midst of all those sufferings, there is something you are going to pray. He is not saying it is going to take away the suffering, but it is going to benefit you in a better way than just fixing your physical problem. The 'infirmities' are part of the bondage of corruption that plagues these bodies which are yet unredeemed. But the Spirit is going to help us with our sufferings. We are under the BONDAGE OF CORRUPTION. But we have a HOPE (earlier verses). This Spirit is going to do something to help us with this BONDAGE OF CORRUPTION that we're under. Not automatic - have to respond properly to it.</p> <p>INFIRMITIES: Infirmary is a weakness, illness, disability - something that keeps you from functioning the way you should. Plural. Not about not knowing how to pray.</p> <p>Infirmities (OED): 1) Weakness or lack of strength or of power to do something; inability. 2) Physical weakness, debility, frailty, feebleness of body.</p> <p>Old View: Your INFIRMITY when it comes to Sonship prayer is you don't know what the Will of God is for things yet. Fix by being educated as a son to think like your Father. Infirmary is you can't yet determine what my Father's Will is about every situation you run into.</p> <p>INFIRMITIES: Correction (between Pt6 &amp; Pt7) - These have to do with the sufferings, GH: not prayer ignorance. MM references 2 Corinthians 11:30, 2 Corinthians 12:5, &amp; 2 Corinthians 12:9-10. Paul had things happening to him and so do we.</p>                                                                                                                                                                                                                                                                           |
| Romans 8:26     | Prayer / GH: Suffering Verse | <p>FOR WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT: The remedy is having the Spirit leading us through the curriculum.</p> <p>WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT: Didn't say we don't know how to pray. He said we don't know what to pray/ask for - this is an important distinction. Learn the things that you normally would think I'm going to be asking God for, you're going to learn are not the kinds of things you need to be asking for in prayer. Many of those things are actually things you need to be educated in your Sonship. MM says no wonder Paul tells us this. He doesn't say you don't know HOW to pray, he says you don't know WHAT to pray for. You don't. He has to teach you that because the very things you are praying for are the very things you are meant to go through to accelerate your Sonship.</p> <p>WE KNOW NOT: The solution is to LEARN it.</p> <p>OUGHT: People replace with 'should'. Bible says you OUGHT to be able to overcome this INFIRMITY. But you can't right now because of where you are. You OUGHT to know and the only way to know is to go through the Sonship education. Won't be true for you forever. It is not that you don't know how to pray. It's you do not know what to ask for. Now we have a new dispensation opening up, Paul can say YOU KNOW NOT WHAT YOU SHOULD PRAY FOR AS YOU OUGHT. You have no idea how to do this because the dispensational change changed prayer dramatically. If all you are doing is stealing prayers out of Israel's program, you certainly don't know how to pray as you ought.</p>                                                                                                                                                                                                                                                                                                                                                  |
| Romans 8:26     | Prayer / GH: Suffering Verse | <p>INTERCESSION FOR US: (GH: Correction from Sonship Prayer Pt2 between Sonship Pt6 &amp; Pt7) This is His intercessory work. Intercede is to do something on someone's behalf. MM says he is correcting himself - this does not say the Spirit is praying for us. This is the way we were always taught that passage. We think the word intercession means prayer every time but it doesn't. You know you can intercede for someone without saying a word. Grabbing your kid before they touch a hot stove is intercession. You weren't praying you were moving him out of harm's way. What would the Spirit be praying for? To take your sufferings away?</p> <p>INTERCESSION: Intercession here is NOT prayer. The Spirit is going to make intercession for all about how we pray about the sufferings we are going through. He is intervening to correct our prayer life. To fix the fact that we don't know what to pray for as we ought. The issue is about our prayer. He does it in the word. It is the Spirit that superintended/inspired/preserved that word and it's by that word He's going to help us know what to pray for with regard to our infirmities/the things that are happening to us. He is interceding between what we don't know and what we ought to know. He is fixing that problem. By the means of educating/teaching us about this-what we should pray for as we ought.</p> <p>INTERCEDE: To take someone's place, to intercede on their behalf. The Spirit has interceded for us on our behalf.</p> <p>OED: Intercession - the action of intervening on the behalf of another.</p> <p>Charles Smith says that intercede 'is of words' while interpose 'is of action'.</p> <p>George Crabb says that to intercede is that which is intended for the 'good of another'.</p> <p>Intercession (OED) : 1) The action of interceding -- Intercede: 3b) To come in so as to affect, modify or prevent a result, action, etc.</p> |

| Romans 8:26     | Prayer / GH: Suffering Verse | <p>GROANINGS THAT CANNOT BE UTTERED: Not speaking in a heavenly prayer language or tongues - says CANNOT BE UTTERED. He didn't say you'll utter it but not know what you are saying. Means it won't come out of your mouth. The Spirit is now going to pray for you on your behalf to the Father and that prayer is going to be the same prayer that you would pray if you were a fully educated son. The Spirit is praying the right one. Why does He need the Spirit to actually say it on your behalf? Because He is not dealing with you as an omniscient God - I already know what you are asking for before you asked. Ties to GROAN WITHIN OURSELVES-Romans 8:23. GH: Not complaining/Not a complaint.</p> <p>GROANINGS: The Spirit is doing the GROANINGS, doing something that you can't do. Saying I know you don't know how to do this yet but don't think that your Sonship life is going to fail because of this because I HAVE made a provision here that until you do the Spirit is going to make intercession for you. He's not making intercession so that you can know whether to visit grandma this summer or next. You wouldn't know if He was. The Spirit makes intercession for you until you know what to pray for. The Spirit knows exactly what needs to be said, so now the Father can respond as though you are a fully educated son. When you know that your inability to know what to ask for is not going to hinder what your Father is going to do one bit, gives you comfort &amp; relief.</p> <p>CANNOT BE UTTERED (by us): The Spirit is obviously uttering them. We can't because we don't know what to pray for.</p>                                                                                                                                                                                                                                                                                      |
| Romans 8:26     | Prayer / GH: Suffering Verse | <p>Gentiles bad at prayer - why we don't KNOW WHAT TO PRAY FOR AS WE OUGHT - The main reasons we do not know what to pray for as we ought are:</p> <ol style="list-style-type: none"> <li>1. Because we are superstitious Gentiles and we pray accordingly - how we think</li> <li>2. Because erroneous religious traditions govern our prayer lives - got handed down from generation to generation but never found/taught in the word</li> <li>3. Because our flesh influences our prayers toward the temporal and not the eternal - The tendency of our flesh to focus on the temporal - take this away, etc.</li> <li>4. Because prayer is a dispensational issue. Prayer is not the same in every age, therefore prayer necessitates right division.</li> </ol> <p>Realize most of the things people pray for are not prayer issues, they are Sonship/education issues. God says to pray right, you have to know My Will, to know what I AM thinking about something. It's not that you don't know HOW to pray, it's that you don't know WHAT to pray for.</p> <p>How do we know if God's word has generated godly prayer IN us or is it still just us? Here is how you know.</p> <ol style="list-style-type: none"> <li>1. You understand and believe that we do not know what we should pray for as we ought – Romans 8:26 - Paul writes a blanket statement for everybody<br/>If we have responded POSITIVELY and PROPERLY to that word, then that word has done its effectual work IN us.</li> <li>2. You understand that Paul is our teacher and pattern for proper praying and your prayers follow his pattern</li> <li>3. You understand that godly prayers are about spiritual, inner man issues, not the physical, material things of this world</li> <li>4. You understand the time in which you are living (DOGG) and your prayers are in line with what our apostle says about what God is doing during this DoGG</li> </ol> |
| Romans 8:26     | Prayer / GH: Suffering Verse | <p>If the Spirit corrects every aspect of a wrong prayer, how does that teach you to pray as you ought? You haven't been taught the doctrines that Paul is now going to be teaching because you only know to pray about the physical, outward circumstances. There will come a time when you are going to want to ask your Heavenly Father for something and you're not going to know what to ask for. It pertains to applying your education to areas of your life that you're not yet familiar with. The Spirit is going to make intercession for you (GH: till your infirmities get fixed). Prayer changes from 'God please make this go away' to 'God, I want to be conformed to the Image of your Son in the midst of this', that's a whole different kind of prayer. The SPIRIT MAKING INTERCESSION is not about the Spirit praying for us, the intercession the Spirit is making is by the word for us.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 8:27     |                              | <p>PURPOSE: To make sure what you are learning in the Sonship education, you're getting the maximum benefit of that education. The way the Father can assess where we are and know if this thing is really working with us or not. Why MM says the education is really happening between you and your Father. Sonship prayer is so natural it is just like talking to your natural Father. Same principle as talking to your Heavenly Father. You are engaged in a real Father-son relationship with your Heavenly Father. Not a pretend or make believe relationship. Have to look at it from that standpoint everyday. Prayer life has to run on the rails of a Father-son relationship. The way you view/think about your relationship with your Heavenly Father is the way you will understand your prayer life with Him and affect how you conduct your prayer life. Your natural mind will rebel against the thought of Him not dealing with you out of His omnis. If He did operate with you out of His omnis, the Father-son relationship no longer stands. If He just knew, He wouldn't need the Spirit to make intercession for you. There will come a day when the Spirit will not make intercession for you because you are going to know exactly what to ask for as an educated son and you won't need the Spirit to do that anymore.. That's a mark of maturity that you will come to. If this wasn't relationship and God was dealing with you in His omnis, He could just read your mind and you wouldn't have to say anything to Him. How else will His heart be installed in your heart? The way you perceive your relationship guides your prayer life. Churches we grew up in didn't guide our thinking to think about the intimacy of a Father-son relationship, it was always almighty God and worm of a man.</p>                                                                                                       |

| Romans 8:27     |              | <p>AND HE THAT SEARCHETH THE HEARTS: The HE is God. GOD, WHICH KNOWETH THE HEARTS-Acts 15:8. God searches the hearts; He knows our hearts.</p> <p>HE THAT SEARCHETH THE HEARTS: Before you get out of Romans 8, Paul will teach you HOW this works. Context is in prayer. Going to be a big part of your prayer life. The reason He can write a verse that will be true for everybody is because he knows that you haven't been fully confronted with this issue yet. That issue of the searching of the heart is something you were already supposed to know something about and one of the places you were to know about it was in Psalm 139. God the Father is looking for the effectual working of His word which is evident by the "fruit" it produces and it is evident by your response to it. That honors and glorifies Him. This is an important ingredient in this two-way communication. Most people define searching of the heart as God sitting up in heaven and scanning your heart like Superman to see everything. Or they attach their own meaning to it and say oh, God searches my heart all the time. God is not going to search your heart until you ask Him to. When you are praying for someone about some need that they have, rather than just going and doing it, talking to your heavenly Father about that is doing something to your own heart, it's effecting you. As you are praying about someone, there is something going on in your heart because at the end, this is a heart issue. Your heart is being changed in this. We have to move from looking around the room and saying I like these people TO I V&amp;E these people TO these people mean so much to me that I'm praying for them all the time. If you are praying for them all the time, that means that you are involved in being a HELPER OF YOUR (their) JOY-2 Corinthians 1:24, we are edifying each other.</p> <p>HE: God the Father.</p>                                                          |
| Romans 8:27     |              | <p>SEARCHETH THE HEARTS: Searching is not casually looking around - looking for something specific (GH: with intent). He is looking/searching to see if we are taking what has been said and understanding it and believing it and implementing it into our life. Your Father is looking for an understanding of what is going on and whether or not we believe that and whether or not we are living out of that. Looking to see how much of that doctrine is working for you. He is searching the heart for that. Will be a big part of Sonship Prayer. When you do the searching of the heart, you're going to find out that prayer is a two-way communication, not a one-way communication. Will revolutionize your prayer life, it is not just one you are going to dream up. You really are going to learn to pray for as you ought/know there's a two-way conversation going on. Your Father does not just arbitrarily do this "searching of the heart." You are the one that initiates it. This is really an amazing aspect of your Sonship life.</p> <ul style="list-style-type: none"> <li>- Your Father is not going to do this until you ask Him to do it. He is waiting for you to ask Him before He does it.</li> <li>- You will know when He is doing it.</li> <li>- You will also know when He is finished doing it so you can say "Amen" to end your prayer with your Father - you will know this</li> <li>- You will know how to confidently move forward from there</li> </ul> <p>The Father's role in Sonship prayer is to search our hearts. God wants to search our hearts for the following reasons - Two Parts:</p> <ol style="list-style-type: none"> <li>1. To see if we are thinking about things correctly: To evaluate where we are &amp; to hear what we are saying</li> <li>2. To get the full benefit of what that curriculum is supposed to do for you/To know if we are really getting the full benefit of the curriculum</li> </ol>                                 |
| Romans 8:27     |              | <p>SEARCHETH THE HEARTS (cont'd): We have some infirmities that affect our prayer life in that we don't know what to ask for. God has provided the Holy Spirit to fix this problem (GH: of not knowing what to pray for) by making intercession for us. In order for God to deal with you in a real Father/son relationship, He has chosen to set aside his omnis to have a real relationship with His sons and daughters. God has 2 ways to do this:</p> <ol style="list-style-type: none"> <li>1. For wicked men (Jeremiah 17:9-10) even though they don't ask Him to. They can fool other men because man cannot know a man's heart, but God says you can't fool Me. Does it by His omnis.</li> <li>2. GH: For adopted sons who ask Him to?</li> </ol> <p>If God is searching your heart automatically, He doesn't need the Spirit to intercede. I AM going to have the Spirit make intercession for you according to the Will of God and then I AM going to know what's in the Mind of the Spirit. The fact that the Spirit is involved shows you God's not just automatically doing this because if He was, He wouldn't need the Spirit to do that. If He did this automatically, v26-27 would not make any sense whatsoever. Why even say this if God was probing your heart with His omnis? If studying from a Biblical theology perspective, you would have covered all the cross-reference verses MM is going over in the O.T. God is not the only one who can write on your heart. You can write on your own heart (Proverbs 3:3). Searching of the heart does not get done by God peering down in you. It gets done by you saying to Him here's what I understand about it. If you say that to your Father, He now knows that you understand something. The searching of the heart takes place in Sonship Prayer when you say to the Father here's what I understand and He knows what to listen for and He's thinking this and what I need to hear coming out of this persons's mouth.</p> |

| Romans 8:27     |                                                    | <p>SEARCHETH THE HEARTS (cont'd): After reading v26, you know He is not expecting you to say I have this all figured out, I know exactly what to ask for. But He is also not expecting to hear the old way to pray either. You either have this or you don't. You can talk about I know all about Sonship and I've got this stuff down but when adversity comes into your life and all you do is cry and complain and groan about your situation, MM is hearing your lips speak don't match what you're pretending to be. He is listening to the things we are saying and what comes out of our mouth is how He knows what is in our heart. Just as you "mind the things of the Spirit" when you deal with other issues in your sanctification, you will "mind the things of the curriculum" as you wait for the Father to check your heart. He checks your heart by what He hears from you! The successful searching of the heart depends upon you learning something first. Without the doctrine effectually working IN you, there is no basis for God to give you that "check" and therefore the searching of the heart will result in nothing. PROCESS: So do not get the cart before the horse. You learn an aspect of one of the Sonship decision making skills. You put that skill into practice within the area it was taught to you. That will take some time to do. Once you have down (it has effectually worked IN you) you will then begin to apply that skill to other areas. You will chose a "path" that you believe is the right application of this skill and then you will ask your Father if the path you have chosen is a good path. If it is, there will be nothing to check your continuing with your planned action. If it is not, you will get a check in your Spirit which is based on something you should have taken into account. That should lead you back to the verses in which you were taught this Sonship skill so that you can rethink how you will apply this skill tomorrow. You will ask your Father to search your heart again. You will wait to see if anything comes up.</p> |

The searching of the heart is Him giving you an answer yeah, I'm applying this thing right or no I am not. What you don't know is the details of how all of that takes place. Need to have a working knowledge of it even though you won't put it to use till Romans 12:3 so when you get to Romans 12:3 you aren't in the dark about what to do with that.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

Our communicating with our Father how we perceive the instruction in wisdom, justice, and judgment and equity could be applied to more areas than the ones in which those skills were taught to us in the curriculum. The first 4 things you learn in the Sonship education, the 4 decision making skills to make every decision you will ever need to make. Without them, you will be dependent on the best human reason you can muster but it won't be your Heavenly Father's Wisdom, which you desparately need. Because you are not going to be able to conduct His Businsss with normal human reasoning. Most people will say, oh, I already have got those down, when the truth is, they can't define what they are. Will be taught the 6 components of godly wisdom in a framework that then you have to take and put it to work in a completely different area that taught you about. Where you will be talking to your Father about am I dong this right? Is this really the way this is supposed to work? There's where that communicating with your Father comes into play.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

Our Father communicating back to us as whether we have properly applied those Sonship skills (good path) and confirm or deny that we are headed the right "way". Paul never gives you an example of how it went when he asked his Father to search his heart because you have already been given an example in the word of God. God wants to search our hearts in connection with us making requests and supplications because there's a particular kind of assessment that He wants to make. Those assessments are just like a natural father would make when he hears his son talk about the application of what he is learning. MM is not saying we are on par with God, but when you came to Jesus Christ, He put you IN a whole different relationship. It's more than He IS the Creator and you are the creation. He is our Father and you are his son or daughter. MM is not saying modern praise songs are bad (well meaning/well intentioned) but almost all come out of the earthly kingdom idea out of the Israel Program and none teach you the actual Father-son relationship. Even if you are trying to do a good thing, if you are not careful, it influences your thinking and pulls you in a completely opposite direction than what your apostle is actually teaching you about. MM is not saying you ought to think of yourself to be more than you are, saying you should think of yourself as He has made you to be.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Romans 8:27     |                                                                                                                                          | HE MAKETH INTERCESSION FOR THE SAINTS ACCORDING TO THE WILL OF GOD: The Will of God is contained in the word of God. He is making intercession right out of His written word. He is teaching the doctrine that does comfort you and give you a peace that passeth understanding. This is the one that gives you a doctrine that produces strength in your inner man so that when the outer man is absolutely failing apart, your inner man is renewed day by day. The Spirit is leading you through the doctrine that produces patience in you, that defies what the world understands. The Spirit is helping you by giving you the things that this doctrine produces. His intercessory ministry is not to pray for you with groanings which cannot be uttered, His intercessory ministry is to educate you about what you need to know. It's what you learn in that doctrine that produces the things you need to go through those sufferings. The Spirit is going to intercede and teach you what you need to know (how you get comfort not knowing what to pray for in Romans 8). The doctrine will produce all these things that you need. The problem is we don't know what to ask for and the groanings tie our prayer and sufferings together. The Spirit is going to come along and lead you through some doctrine and that is going to teach you some things that are made to produce these things in you. That way, no matter what you go through, those are the components that comprise the power of His grace. It's the comfort and the strength and the patience and the endurance and the longsuffering - it's all wrapped up in the power of His grace and that power is available, but it's only available as we have learned the doctrine. |

| Romans 8:28-39  | SE Section/Component 3 of 3 - Virtue: Unwavering trust in my Father and His curriculum / SoC or How we will deal with the policy of evil | Does this to the extent that no matter what happens to you, you will still continue your Sonship education. You are going to get the chance to run and manage your Heavenly Father's Business and it will require something of you to do that. It is going to be laboring with your Father but you won't feel about it like you do labor now. There is something God is doing in all of this and He doesn't name it till He gets over to 2 Corinthians. He is ENLARGING YOUR HEART-2 Corinthians 6:11. In the spiritual sense, means the heart has a greater capacity to do the things that are supposed to be there. Paul doesn't use the term in Romans 8 but this is the very thing that is going on. You have the certainty of the doctrine of God’s counsel that stabilizes us. In this passage we are given the doctrine of how to look at things that are happening in your life from the perspective of the certainty of God’s counsel. This is doctrine that is based upon the foreknowledge of God which is designed to bring you comfort and consolation because you cannot foresee circumstances. Talk about a list of things that God has put together for our success in our Sonship life. Group of people who look at verses 29-30 and especially that word FOREKNOW AND PREDESTINATE - the Calvinistic theology. They love to say, in order for God to be God, He has to be control of everything, therefore, God picks who will be saved and who will not and if He doesn't pick you, it is impossible for you to be saved. They incorrectly say:</p> <p>FOREKNOW: God knew ahead of time who He wanted to pick.</p> <p>PREDESTINATE: He predestinated them to do that.</p>                                                                                                                                                                                                                                                                                                                |

| Romans 8:28-30  | SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stabilizes us | <p>If you don't believe in Calvinism, they take these 2 words and say: FOREKNOW: God knew ahead of time who would trust Christ</p> <p>PREDESTINATE: Then God predestinated them according to the rest of the verse</p> <p>Both of these are wrong. There is nothing in these 2 verses that a natural father couldn't say to a natural earthly son. This is not about God's eternal decrees. These are not about God and His omnipotence and Him making an eternal decree. He is not dealing with us out of His omnipotence. In order to know, either way. who would be saved, you have to deal with them out of omniscience.</p> <p>God knows that He wants this to end up somewhere and there is certainty to that. God has made it just that way. Not something we need to get lucky with, God has designed this curriculum to produce this IN us and it will as long as we respond to it. God has put all of this in motion and He has done everything to make our Sonship life succeed. There's not anything that needs to be added to it. All of that has been taken into account by Him.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 8:28-30  | SOPT Comfort 3 of 4: The certainty of the doctrine of God's counsel that stabilizes us | <p>Theologians love this passage with all the terms - FOREKNOWLEDGE, PREDESTINATION - and write these big books. What's being talked about/described here is what an earthly father does with his own earthly son and it doesn't have a thing in the world to do with God's omnipotence or power or manipulating circumstances or Him choosing people to be saved.</p> <p>Don't get thrown off by all these theological terms. These are things that can actually be done in this context. Make a statement in v28 and show you/reinforce the truth of the statement in v29-30. Since verse 28 has laid the groundwork, verses 29-30 are only going to say things within the confines of what verse 28 has said. Look at v28 in the context of 'as a son' and v29-30 in the context of 'as a Father'.</p> <p>(GH: Theodicy) POINT: The education in sin and suffering and how it is supposed to be impacting us, and the result of that in eternity, a big part of being conformed to the Image of God's Son. The result is going to happen to every one of us. He might as well have said the word SURELY. When MM came to the understanding how bad his 'little sins' are, being an atrocity in the Face of God. When MM got a clearer picture on that and what is going to happen at the JSoc, he was very uncomfortable with that. God is not doing it to embarrass us and it is not punitive, because those sins are under the Blood. But He is doing it to educate us. Learning it now will save you something at the JSoc that believe MM, you don't want to go through.</p> <p>Can't understand v28 without understanding v29-30.</p> |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse                                                   | <p>Unwavering trust in your Father and His curriculum - is a reality and to ensure you have absolute and unwavering confidence in Him and in His Curriculum.</p> <p>- Declaration of SE</p> <p>Statement that should cause you to ask a question. The promise is (Scriptures by which we endure - What you should expect from this verse if it is working in you.): Everything that happens is working for my good. Is not promising you that the situation is going to change, what it is promising you is that what's happening in your inner man will change. 'Work together for good' Is not about God changing our situation so that it turns out alright, but the promise is that the "good" is that through "all things" we are conformed to the image of God's Son. Everything that is happening to you, you have to start looking at it for what your Father looks at it. Start looking at it the same way He does. MM says he knew that God didn't make him have a stroke and even though this is not a good thing and he would never want it to happen, even this (GH: the stroke) can work together for his good. In the midst of something bad happening, something good can happen in your inner man. It is true that everything you go through can work together for the spiritual good. Not saying everything will turn out the way you want. How many Christians died in the Colesium?</p>                                                                                                                                                                                                                                   |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse                                                   | <p>A declaration is made that if you hadn't already been taught some things that were erroneous, you would read this verse and it comes out of the blue. When you hear this declaration, you may BELIEVE that it is true, but you don't know WHY or HOW it is true. This verse alone is not enough to do the work in you that needs to get done. You are going to have to have the next 2 verses. Without understanding v29-30 you will never understand this verse. You can claim it all day long - standing on it, walking in it. But if you don't understand it for what it is, it is not going to work IN you. If something bad happens, most people claim 'all things are working together for good'. Have to understand v28 is true for the reasons v29-30 tell you that it is true. Not just you believe it's true, but you have to believe that it is true for these reasons because that is the only that this is going to work IN you. If you believe it for any other reasons, it's not going to effectually work and the confidence it is supposed to produce won't be there. Why it is super important to understand the WHY and the HOW so what you are believing is the right thing for the right reason. MM says unless you are a son or daughter being educated in the Sonship education, all things are NOT working together for good. You have been in a Sonship context since v14-15. What your Father means WORK TOGETHER FOR GOOD is not happening for them (GH: non-adopted sons or daughters). Only happening for sons and daughters that are in the Sonship education. MM knows this is a hard pill to swallow.</p>  |

| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | MM says this is one of the most abused/misunderstood verses in your Bible, one of those refrigerator magnet verses. Some verses everybody has an idea of what that is and they make a refrigerator magnet out of it. You stick it on your refrigerator so you see it all the time. What you have been used to hearing and understand about this verse is not correct. MM calls this the 'Christian aspirin'. The verse everyone quotes. The one that is on the bumper sticker of your car. People read this as, no matter what is happening to me, God is somehow going to turn that around and use that for good for me. May not see how it works. EX You are stuck at a red light and it malfunctions. At first you are upset but then you say God is saving me from an accident. Brother Mike, if you don't believe that, what do you think happened. MM thinks the light malfunctioned. It is through suffering you get the reward. God is saying, let me save you from this reward? It is one thing to know that all the things that can happen to us have the potential to work for good. It's another thing to actually have those things producing good in the midst of various tribulations. That's a different issue. This is the central issue of this final component of our Sonship establishment. People are not reading this verse right. People read the first part and say God is working all things together for our good. Means that God is working events so they all ultimately come together for if you're good. A Calvinistic thought. MM says that God is NOT orchestrating events. That's not even what that says. Think this is the verse that we call out or stand on when something bad happens. If something good happens, people don't say this. There are a lot of counterfeits. It is not teaching you to see the silver lining in every bad situation. It's not seeing something good in everything bad - not what that is talking about. Nutshell: v28 is quite a statement, is unlimited in its application, and gives us confidence in what this curriculum can accomplish.                                                                                                                                                                                                                                                                                                                                                       |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | People who have been in church all their lives have memorized this verse and use it in a way it was not meant to be used. We look at it as a spiritual tablet we take when something bad happened. Fallback verse - think when something bad happens, God is going to work that for my good. The verse doesn't have anything about bad. Bible says ALL THINGS - it is not just about the bad stuff. People think oh God is working all things together for my good. MM says that is not what the verse says. Doesn't say God was working things together, it said all things work together for good. If you say God is working things, you have Him manipulating circumstances. You have already been told that is not what He is doing. Just believing and not understanding WHY is childhood thinking. That's what you got when you were under the law in Israel's program. As an adult adopted son or daughter, your Heavenly Father always explains to you WHY. That's a big difference between being Israel under the law and being the body of Christ under grace. You get treated like an adult and your Father is getting your thinking to line up with His Thinking. Number 1 rule for applying a verse is context - in what context do you find it. Is not meant to be a verse that brings comfort when something bad takes place. Verse applies to a very small group of people. Does not apply to everybody in the world. Does not apply to just saved people. Only true for an adopted son or daughter who has made the cry of ABBA FATHER-Romans 8:15 and is engaged in the Sonship education, talking about a very exclusive membership and God means for it to be just this way. Only the folks involved in the Sonship education are going to be enduring these things that are contained in this section (v28-39) and they are going to need this verse because nobody else is going to be going through these things. Have to believe it enough that no matter what you hear, you will have confidence in what your Father says because you are going to hear some things. The POE is going to make sure of it and you have to be able to take what your Father says and believe that without a shadow of a doubt. Once you have settled that issue and it is working in your inner man, the POE can do that all day long and you will never be victimized by that. Your Father is ESTABLISHING you to get ready to start receiving the education. |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | God is using ALL THINGS as a training ground so you will hone and refine the Sonship skills that you are going to learn starting in Romans 12-16 under all kinds of conditions so you will utilize those when you get up in the creature and you begin to function in your Father's Business. That's the way it works for good and you've been taught to look at it like a training ground. This is the scrimmage and the heavenly places are the game. Earth is the apprenticeship. What he is talking about is those things that are detrimental are ultimately going to work for your good in your inner man and make you skillful in the word of righteousness. What those ALL THINGS do is in v29-TO BE CONFORMED TO THE IMAGE OF HIS SON. This event/situation/circumstance is going to result in some part of my Sonship life now being CONFORMED TO THE IMAGE OF God's SON and I want that. This is the conversation you are going to be having with your Father. Should be grateful that terrible things actually have a benefit of doing something eternal. Survey: Favorite Christian verse in the Bible - Romans 8:28. It is not saying, don't worry, everything is going to turn out the way you need it to turn out. That's the cart before the horse. When you love God and you are THE CALLED ACCORDING TO HIS PURPOSE, when you are doing that, everything does work together for your good.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | Points:<br>1. God is training us in ALL THINGS so we can use those Sonship skills to solve issues that we will face when we get into the heavenly places.<br>2. The main benefit or GOOD is not what is happening to you here and now, the main benefit is going to be when you get to the heavenly places. A bad thing is a bad thing but God is going to use that bad thing to train you for something else you're going to face when you get up into the creature.<br>3. Because of this (GH: the need to put the 4 decision making skills into practice), v28 is only true for those who are engaged in the Sonship education. It doesn't work for anybody else. ALL THINGS *DON'T* WORK TOGETHER FOR GOOD for those who are not involved in the Sonship education. Not going to benefit them because they are not being trained.<br>4. The real application for this for us is still sitting off in the future (GH: Romans 12-16). Not until you get those Sonship skills and begin to utilize them are you really going to see GH: all things work together for good?<br>5. Already learned about comfort in adversity in Romans 8:16-25.<br>6. Get trained by the bad things by learning to overcome obstacles. Get trained by the good things GH: you get practice here on earth.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | <p>AND: It's connected to what we just read but moving into something else.</p> <p>AND WE KNOW: This is a checkpoint that when Paul says it, if you don't know that, you are not ready to move on. Read this and be tempted that oh, this is something we are already supposed to be aware of. If you read it that way, that's the way that you would think about it. That is NOT what this is. This is a 'statement of confidence', not because it is an established fact but because it is something that you are sure of. We know because we have confidence. Paul is saying he has a conviction in his heart about the truth of this matter and it is being produced out of these verses. If nothing else got said other than v28-30 that would be enough to persuade you that is enough. Might be inclined to think this means we already know this, but the fact is, when you understand this verse, you didn't already know this. Have to see the word KNOW different than GH: other meanings.</p> <p>KNOW: Is a word that has a lot of different meanings. EX Know Buster will be at home, know your kids will make a certain choice, etc. Know here means more than just perceiving something, it also means operating on what you perceive - that is what this KNOW is talking about. Paul is talking about something you need to understand AND that you need to operate on.</p> <p>ALL THINGS WORK TOGETHER FOR GOOD: contains two parts:</p> <ol style="list-style-type: none"> <li>1. The subject: all things</li> <li>2. The verb: work together for good</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | <p>ALL THINGS WORK TOGETHER FOR GOOD (cont'd): Those things in particular, things that are happening to us, those situations/circumstances are going to work together for our good by playing a part in conforming us to the Image of God's Son. Not automatic - just because you suffer doesn't mean that automatically gets done. You have to respond correctly to those sufferings in a very particular way. One of the ways you can look at them is they are all working together for your good. MM says when something bad happens, you won't be going man, this is going to work for my good. You have to do that on purpose and think about what God is doing in this DOGG and how it impacts how we view sufferings. People quote this when bad things are happening. When good things are happening, we couldn't care less about that verse. The good that can be worked in all those sufferings and things like that is our being conformed to the Image of God's Son. Knowing these are opportunities to have Jesus Christ's Life being lived IN us means that we're going to suffer them differently. Some people who know nothing about this go through sufferings and think God is punishing them for something that they did, view sufferings as a chastisement. Other folks are thinking they are suffering and they expect God to fix it. For a lost person, look at sufferings as something that I need to get rid of. For a son, not saying you shouldn't look to get rid of it but you will go beyond that. However long it happens is an opportunity to be conformed to the Image of God's Son. See the bigger picture of our sufferings. How suffering can be used to accomplish God's Will: God did not ordain Satan's prideful desire to be like the Most High, nor Israel's religious leaders' hatred of His Son. But even as Jesus suffered and died under their hands, God used the obedient and intelligent sufferings of His Son to bring salvation to the world. And because Jesus did that, He has made it possible for us to turn our sufferings into that which accomplishes good for us, and also carries out the will of God. They each have a different role to play and do different things, but they all work together.</p> |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | <p>ALL THINGS WORK TOGETHER FOR GOOD (cont'd): That makes a difference on how we go through the sufferings. So we are gaining some things - gaining patience, long suffering, forbearance, endurance, those types of things. We are gaining the ability to deal with adversity in a godly fashion so we don't go around constantly griping about our circumstances. Doesn't mean we can't try and change them. The sufferings are supposed to work in us for our ultimate spiritual good. The sufferings, while not given to us by God, are meant to produce "good" for us. Have to know WHY. Can't understand v28 without understanding v29-30. Even if you were told v28 and believe it, you don't know WHY it is true. You don't know HOW that works. Doesn't mean that it's all going to work out OK, it means everything that is happening to you is working to produce something beneficial in your inner man. Doesn't mean 'oh, don't worry whatsoever your problem is going to be solved', it may never be solved. Doesn't mean 'don't worry, God's going to work it all out (in the physical sense)', what this is talking about is everything that is happening to you is ultimately working to your benefit, not in your outward circumstances but in your inner man, to do all the spiritual work that the word desires to do in us.</p> <p>ALL THINGS: Doesn't say good or bad, just says ALL THINGS - the good things and the bad things. We always look at it like it is only talking about the bad things. Then why didn't it say bad / detrimental / problematic. It didn't. Shows you how much we don't understand this verse. You have to know WHY all things work together for good (in order for that to work IN you). Found in v29-30. These THINGS are WORKING TOGETHER FOR GOOD, because they are working toward a Sonship purpose. All things are working together for good with the Sonship curriculum. You are being trained for the greatest work that anyone ever put their hand to. It's so great that God won't even entrust it to angels. All the things that happen in your physical life.</p>                                                                                                                                   |

| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | <p>ALL THINGS (cont'd): People ask if suffering is training me for eternity, what is going to be happening in eternity? You thought it was all sweetness and pie and bye and bye and there will be no problems to run into up there. You are being trained not just to live this life now, you are being trained to go to work in your Father's Business and you are going to need to be equipped to handle all kinds of circumstances. When we get to the heavenly places it is going to be work but not how we usually think about it. It will be in a different kind of body, for a different kind of purpose, with a different kind of mindset. Will be the greatest thing that ever happened to you. He made it so "all things" (that happen to us, good, bad or indifferent) work together (with the Sonship education) for good (result in a benefit to us that will be realized mainly in eternity) for us as sons. God is not interested in just training you for this mortal life and then it has nothing more to do with you. He is interested in training you to go to work in His Business forever. That is how things are working together for good. Look at earth as the practice field GH: before its game time. God will use "all things" as a training ground to develop, hone and refine our Sonship skills for use in the creature. In order to think about this properly, you could see the word "good" as "benefit." God is working all things to our benefit. The main benefit is not here and now on this earth, but in the future, when we are in the heavenly places. No matter what we go through, every day of our life, as we put our Sonship skills into practice, we are being prepared for things we will face out in the heavenly places. And that brings us to the next logical conclusion; this "good" is only achieved by those who are participating in the Sonship education.</p>                                                                                                                                                                                                                                                                                  |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse | <p>WORKING TOGETHER: Together means more than 1 thing. Means these things are working together with something else - the Sonship curriculum. This Book has the ability to take all the things happening in your life and work them together for your good.</p> <p>TOGETHER: Is not about the ALL THINGS, it's not limiting to this. It's taking the ALL THINGS and telling you they work TOGETHER with something else. Not saying the something else in the verse but you need to know about it. All things are not working together for good for saved people who aren't going through Sonship and lost people. All things work together with the Sonship curriculum/education. Gives you glimpse of the Power in the word of God. Without the education, things will be happening, but they will not be preparing us for our vocation in the creature. Therefore, all things work together (with the Sonship education) for our good (our benefit) by training us and for things we will be encounter in the future. The way we will benefit from all things is by being given experience to handle various situations. It is able to take totally unrelated events and then utilize them for our benefit.</p> <p>GOOD: Don't interpret GOOD as all things work together the way I want them to. God has a particular thing that He is referring to here. Good has to do with your success as a son or daughter. God has designed everything we go through, good or bad, for the purpose is TO BE CONFORMED TO THE IMAGE OF HIS SON-v29. It's the GOOD think that's being worked in you through everything that happens to you, He is conforming you to the image of His Son. He is edifying you unto godliness. He is maturing you in your sanctification. Goal is to live out of grace, which means that you are not griping and complaining and moaning and telling everybody what a hard time he is having. Living out of grace means you are concentrating on that doctrine, that this really is working to accomplish something spiritual in your life. The lack of something physical means God is doing something in the spiritual realm.</p>                                                  |
| Romans 8:28     | Qualifier 1: TO THEM THAT LOVE GOD   | <p>See the two qualifiers - if the qualifers weren't there, you could just put a period after GOOD and assume this was for everything. But there are two qualifers. If there is a qualifier, it tells you that the first half of that verse is not for everybody. Two qualifiers narrow this down to a very specific group that is really going to need to know that all these things aren't just happening to them for no reason whatsoever but God is actually working those things together for their good - tells you who this is for. These qualifiers describe any son or daughter that are engaged in the Sonship education, those who are being educated as sons. Someone who is being what they are called to be according to HIS PURPOSE. That is the way He is looking at you and you should see yourself that way.</p> <p>QUALIFIER 1. TO THEM THAT LOVE GOD: MM will give people this one. People have some sort of emotion going but that is not what this is talking about. In the framework of Sonship, that is not what this is describing. There is a tendency to look at this phrase and say that's just someone who has this affectionate feeling for God. MM says most people's reasons for loving God are tied to the justification, but this verse is not sitting in Romans 1-5, it is sitting in Romans 8, which has to do with our sanctification. The big context is sanctification but there is a more narrow one - the love of a son for a Father who is training and educating him in the Sonship life. If you understand the framework of what He did in the first half of the verse, then the love for God you have is what being done in your Sonship life - there's an understanding. That's the narrow definition of what is being said here. It is not some little emotion that we feel today and maybe tomorrow that we didn't feel it that way. This love comes out of your understanding. You really do understand about the Father-son relationship. Like making that cry of ABBA FATHER. You don't just do that because you don't make it and have no idea what you are saying YES to. The only way this has any meaning is if you know what you are saying.</p> |

| Romans 8:28     | Qualifier 2: TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE | <p>QUALIFIER 2. TO THEM WHO ARE THE CALLED ACCORDING TO HIS PURPOSE: You have to know what His Purpose is don't you? That is not a description of a "saved" person. That is a description of adopted sons and daughters who are engaged in the Sonship education. This is a description of who you are as a son. Just because you are CALLED, doesn't necessarily mean you have answered the call. He saves you, adopts you, and calls you. If everyone became a fully educated son or daughter, God would have a place for them. MM says when you consider the fraction going through Sonship, those that are are going to be busy. Just because you are CALLED, that doesn't mean that is who you are. More than about being called, this is about being 'the called'. You have done this.</p> <p>CALLED ACCORDING TO HIS PURPOSE: This is very context sensitive. They who are involved in the Sonship education. Training them in their Sonship life for something they will need later on. The calling is the education. The purpose is the laboring with Him. Why it says CALLED ACCORDING TO HIS PURPOSE. Makes sense because you can't fulfill the purpose without the education. We have been called to the education but not everyone answers that calling.</p> <p>THAT in the first qualifier vs. WHO in the second qualifier.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse                             | <p>TO THEM: Talking to sons even though sons are not even in the verse. Discriminating between sons and children.</p> <p>THEM THAT LOVE GOD, TO THEM WHO ARE CALLED ACCORDING TO HIS PURPOSE: People look at generally and say, well, I love God and I have been called. It's only true for sons, otherwise it would say 'TO THEM THAT ARE SAVED'. MM says this is actually describing sons and daughters going through the Sonship education. Paul has a group in mind and he has been talking to this group since v14. That is a description of sons and daughters. This is not veering off the path of what God is doing with us as His adopted sons and daughters.</p> <p>THEM THAT LOVE GOD: The more you love God, the more you will enjoy and appreciate eternity in the heavenly places. Therefore, you should go to work on loving God will all your heart, soul, mind and strength.</p> <p>WHO LOVE GOD: Not love in a warm fuzzy way. Particular way as an adopted son.</p> <p>HIS PURPOSE: To be educated to think like your Father, to live like your Father, and labor with Him in what He is doing. All of God's Purpose revolves around His adopted sons and daughters. It revolves around Sonship.</p> <p>PURPOSE: Labor with your Father in the heavenly places. The words CALLED and PURPOSE give people problems and they then see the big theological words in v29-30 and trying to figure out what they are talking about GH: and go sideways theology-wise. From this a Calvinistic doctrine came out. They are way overthinking it. Needs to stay in the context with which you find yourself - your Sonship. The order of the items mentioned is important to knowing "why" all things work together for good for you as a son. The last phrase of v28 is giving us the perspective so that we can see it the way He sees it. He laid out everything in connection with that PURPOSE.</p> |
| Romans 8:28     | GH: Checkpoint / GH: Suffering Verse                             | <p>Summary: It states that all things work together for good (GH: you will take these things and get learnings you can apply out in the creature)</p> <ul style="list-style-type: none"> <li>- That good is not about our life here and now, but a good we will enjoy in eternity</li> <li>- That good refers to the benefit, the experience, and the training that we receive as we use our Sonship skills in every situation of life (good or bad) to prepare us for situations we will face in the future</li> </ul> <p>The last half of verse 28 contains two qualifiers:</p> <ul style="list-style-type: none"> <li>o To them that love God – which refers to the love an adult, adopted son has for His heavenly Father that stems from all the Father has offered and provided through the Sonship education and the Sonship relationship (GH: you have some knowledge here, not going in with just emotion; have knowledge that is more than the initial excitement)</li> <li>o To them who are the called according to His purpose – which refers to them who are actively engaged in the Sonship calling (the education) which is preparation for (according to) His Sonship purpose (laboring with Him in His Business). Therefore, verse 28 is a reality only for those who are aware of their Sonship status, who have made the cry of "Abba, Father," and who are engaged in the Sonship education.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

Will explain v28 and generate a particular kind of thinking. Proof that v28 is true. Without them, might believe that v28 is true but you won't know WHY. The counterfeit wisdom of this world cannot conform you to Jesus Christ (GH: only v28 in it's correct context). Why the counterfeits don't work. These two verses are two of the most mishandled verses in your Bible. The terminology in these verses has provided a favorite playground of sorts for many a theologian. These verses scare lots of folks simply because of the terminology in them. In the context, he is not talking to unsaved people, he's talking to not just saved people, He is talking to sons who are engaged in the education. To suddenly pull this out and make this a disertation about salvation takes it completely out of context. God it not now giving us some kind of study on the divine decrees or His omniscience or his omnipotence. It's not that God ordained for you to be saved and someone else not be to be saved. That's not what's going on with this.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Romans 8:29-30  | God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image | <p>Divide these verses into 5 parts. Listed in the order they are supposed to be listed. This sense and sequence is important. Important to still keep these in the Sonship context. From the time He planned all of that out from the very beginning all the way to the end where you are going to be glorified with His Son, He has taken care of arranging the whole thing. There's nothing left out. These are 5 steps you needed Him to provide for you. MM not saying there aren't other things He did, but these are the 5 major steps that you're going to be looking at that are supposed to give you confidence and prove to you that what He said in v28 is absolutely true. When He did this, there were no sons as yet, there wasn't even a program with the nation of Israel. He did it before any sons came along but it doesn't matter WHEN before. If it did, Paul would have told us about it. Five steps that He has taken to ensure that you have absolute unwavering confidence in Him and in His Curriculum. Notice all the past tense verbiage. He predestinated that you will be conformed to the image of His Son. There's only one way to be conformed to the image of Christ, to be edified by this word working in your inner man to produce the character of God's Son in you. If you do it any other way, that's a product of the flesh.</p> <p>Why is God saying this in the past tense? It's confidence. In His Mind, it is already done. Don't look at these verses as a son. He wants you to sit in His Seat and His POV (Point of View). When He sees the whole thing, He looks at it as already done. If you are going to see it like He does, you've got to see it as an accomplishment. It's going to happen. The only thing to stop this is for you to quit your Sonship education, then you are no longer the CALLED ACCORDING TO HIS PURPOSE. God's 5 Steps of Provision that ensure your success in the Sonship Education:</p> |
| Romans 8:29-30  | Step of Provision 1: FOREKNOW                                                                                                                                    | <p>Step of Provision 1: v29: FOREKNOW: God thought of it before you were born. Simple definition is to know about something ahead of time. Before any of us were born, He had already mapped this whole thing out. It's not an after thought. He did (FORE)KNOW us in the past.</p> <p>1 - FOREKNOW - Can plan for sons to labor with him in his business before he has any children (NOTE: Earthly father analogy - can see all of this in a family business)</p> <p>1. He planned everything out beforehand, knew He was going to have sons and daughters &amp; decided to have a curriculum to educate them - FOREKNOW</p> <p>FOREKNOW not who is going to be saved. He is foreknowing a group of sons and daughters that are going to labor with Him.</p> <p>1) He knew that He would have sons, He would train those sons and those sons would be an integral part of His Business in eternity (all of this is wrapped up in "foreknow")</p> <p>(1) FOREKNOW - Can anyone undo the fact that God thought about having sons labor with Him in His Business and He planned out ahead of time all that was necessary in order for that to happen?</p> <p>[1] FOREKNOWing that He would have sons and daughters labor with Him</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Romans 8:29-30  | Step of Provision 2:<br>PREDESTINATE | <p>Step of Provision 2: v29: PREDESTINATE: Either scares people to death or gets Calvinist excited. No reason to be scared of this word. The predestined TO BE CONFORMED TO THE IMAGE OF HIS SON, not predestined to be saved. For those who met the qualifications, He pre-set your destiny.</p> <p>1 - PREDESTINATE - He can lay plans for the son to be conformed to his business image. To think, live, and labor like the father does.</p> <p>2. He set the destiny of those sons beforehand so that once they got on that path and kept going there was only one place they could arrive at, to be conformed to the Image of His Son - PREDESTINATED.</p> <p>- He didn't PREDESTINATE everyone to be conformed to the image of His Son. This is strictly in the context of Sonship. Someone will hear this and be angry. We are not setting ourselves apart, God has set that apart.</p> <p>2) He set the destiny of those sons so that there could only be one outcome for all of them, every educated son would be conformed to the image of His Son (this is what is involved in "predestinate")</p> <p>(2) PREDESTINATE - Can anyone nullify the fact that God set a certain and sure destiny for every son and daughter that continues in the Sonship education? Can anyone cancel out the power of the Sonship curriculum to conform us to the image of God's Son?</p> <p>[2] PRESTINATING them to be CONFORMED TO THE IMAGE OF Christ.</p> |
| Romans 8:29-30  |                                      | In view of what God planned before there were any sons, there were also some things that God needed to accomplish in time, in order to make His plans a reality (GH: steps 3-5):                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

He CALLED them.</p> <p>3) He calls us to the Sonship curriculum which will equip us for our heavenly vocation (called)</p> <p>(3) CALLED - Can anyone keep God from calling those He predestinated to the Sonship education? He JUSTIFIED them. Not everyone will be justified for the same position so it is an individual thing. If you thought this was about JUEL, it leaves an opening for the adversary to make you think oh, I don't deserve this. You were a sinner saved by grace but that is not who you are now. Now, you have a new identity IN Christ and that old stuff has been done away with. That's no longer who you are. Subtle difference.</p> <p>4) He, through the Sonship education/edification, will make us worthy of the vocation to which we are called (justified)</p> <p>(4) JUSTIFIED - Can anyone rob the Sonship curriculum of its power to justify us for the very positions we will be installed in? Once that curriculum has done its work in us, to make us worthy to labor with our Father, can anyone reverse that?</p> <p>[4] JUSTIFIED them for the position they hold.      PRESENT/PROCESS</p>                                                                                                                                                                                                                                                                          |

You haven't gotten that glory yet.</p> <p>5 - GLORIFIED - That son is a joint heir and they will receive all the accolades (glory) in doing that business well</p> <p>5. He GLORIFIED them. Not everyone will receive the same glory. Fully educated sons will receive a greater glory. Simple sons will receive a tremendous amount but it will be less.</p> <p>Because of these 5 steps of provision (v28-29), He made it so that ALL THINGS (everything that happens to you, whether good or bad or indifferent) are going to WORK TOGETHER FOR GOOD (your benefit).</p> <p>5) He, as a part of our joint-heir inheritance, will glorify us together with the One to who's image we have been conformed (glorified)</p> <p>(5) GLORIFIED - Can anyone keep God from glorifying us with His Son in accordance with our vocation in the creature? Can anyone prevent God from glorifying those who have qualified for it together with His Son?</p> <p>[5] GLORIFIED them in that position.      FUTURE</p>                                                                                                                                                                                                                                                                                                              |

| Romans 8:29-30  | God's 5 Steps of Provision that ensure your success in the Sonship Education - Christ promise to the church - that everyone of us will be conformed to His image | He made it so that everything that happens to you is going to benefit you when you get out into the heavenly places and He did it through the 5 steps of provision. Realize that once you start this Sonship education, there is absolutely no way you can fail. Not that you can put your name at the top of the test and God will pass you (GH: Johnny story and 4 years in the 11th grade).<br>What He is saying is what is contained in His word that educates you as son is really going to do the job, really going to accomplish what He says it will accomplish. These 5 provisions assume you are saved and have made the cry of ABBA FATHER. These 5 things - it is true that they are not the only things that God has done for you, but they are the things that pertain specifically to Sonship itself. GH: You have most all of the MERCIES OF GOD as a saved person and not be involved in Sonship at all. Another way you know that the JUSTIFIED in v30 is not related to being JUEL. All of this is in the framework of being a son who is engaged in the Sonship education. This all assumes that you are a son actively engaged in the education and wanting that education. God does not "call" anyone to the education who has not made the cry of "Abba, Father." He does not "justify" or "glorify" anyone as a son unless they have done what Romans 8:15 says. Everything God has done in these 5 steps of provision take our inadequacies out of the equation. He can look at it and say this is going to work no matter who you are. If God has taken out our inadequacies out of the equation, the only thing that could go wrong is if He left something out. Have to ask yourself, Did He overlook something / make a miscalculation / something missing? MM doesn't think so. Seen it demonstrated over and over again that God hasn't overlooked anything, He's done everything He should have done.                                                                                                                                                                                                                                                                                                                    |
| Romans 8:29     | Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'                                                                   | <ul style="list-style-type: none"> <li>• Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'</li> </ul> <p>First 2 steps of the 5 steps of provision. The first two (GH: of 5) things God did in the past. Before anyone was ever around, He decided these things. MM doesn't want to denigrate someone's thankfulness for their salvation, but in v28, he is not talking justification, he is talking sanctification. If we are thinking about this like our Father does, then we realize that God did not restrict His Business to His Son only, but instead determined to have many sons who would be "joint-heirs" with Him in the Father's Business. The LOVE is supposed to motivate us. It is not out of being saved, it is out of something He did for us in our sanctification. It's from what He is offering you as a son. These big words are not necessarily about God's omniscience but things that can happen with an earthly father and an earthly son. You can know some things about your kids so when a certain situation presents itself, you say I know what they are going to do. MM talking about the timelessness of this - anyone anytime. Normally, the way this verse gets talked about is that God predestinated some people to be saved and other people not to be saved. But salvation is not even the subject matter here. This is something that can only be done for someone who is already JUEL. This is talking about those who will be laboring with the Father in His Business and there is something they need to be conformed to - THE IMAGE OF HIS (God's) SON. He knew He was going to have sons and daughters. Knew they were going to labor with Him in His Business. So I AM going to call them to an education and if they'll continue in the education, I have set their destiny before they were ever born.</p>                                                                                                                                                                                                                                                                                                                                                 |
| Romans 8:29     | Christ IN You = CONFORMED TO THE IMAGE OF HIS SON 'Goal of your sanctification / Sonship Life'                                                                   | <p>Nutshell: Contains all that God determined and laid plans for from the beginning, before there were any sons of any kind. This encompasses everything from God determining to have sons labor with Him all the way to their final destiny of being conformed to the image of His Son. God carefully planned for and determined some things concerning sons before there were any sons around.</p> <p>FOR: English words of logic - a FOR of further explanation. Gives you some details behind v28. Laid v28 on the table and now he is going to explain v28. One of those English words of logic that sets your thinking in a particular way. He's qualified who v28 is about and now he's about to give you some additional details to explain some things about what was going on to prove that v28 was true.</p> <p>FOR WHOM HE DID FOREKNOW: Used to think this verse said in His omnipotence God looked down through time and saw you and knew you and give you a free will and you would choose Christ. That's not what that's talking about. God didn't have to know any names. He could know, He's God. But He didn't need to. He knew there were going to be sons. People think one day certain things will happen in their life - get married, have kids, grandkids, etc. When you hear you are going to have a baby, you don't have to know everything about that baby to start making plans. God did what He did way back before any son whatsoever. He didn't need to know who they were. If He had known, He wouldn't have done anything different because what He did is exactly what He needed to do. He designed for us to go through that childhood, designed for us to be adopted, designed for us to be educated to think like Him, designed for use to conduct ourselves like Him so we so we would be equipped and capable to fulfill His PURPOSE-v28. What He has done with us is not that much different than what a normal father whose was looking to educate a son or daughter in his own business would be doing. And even if you don't have a family business, isn't it natural for parents to want to put their own wisdom in their kids, that they would have the benefit of what you have learned in a lifetime?</p> |

| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>FOREKNOW: He is not talking about specific individuals. He knew He would have sons and daughters, whoever they are. What is he talking about if the omnis are set aside in the Father-son relationship? God is not the only one with foreknowledge. A wise father can and should. His thoughts were on sons that met the qualifiers in the previous verse - on sons that were engaged in the Sonship education. Did He know who? MM says it's not important. He didn't need to know a thing about them. So whoever they are, He provided the things after the FOREKNOW. Without failing to take any contingency under consideration, He has totally and completely provided for everything from the beginning. Means to know ahead of time. From the very beginning, God had a blue print laid out. He knew He not only wanted to have sons &amp; daughters so that Christ would be the first born of many brethren, but He also knew the process that it was going to take to get us there. All of this was laid out ahead of time. He is not doing anything on the fly. Nothing that we'll go through that wasn't in the original blueprint.</p> <p>HE ALSO DID PREDESTINATE TO BE CONFORMED TO THE IMAGE OF HIS SON: God predestined every one of His sons and daughters (every member of the body of Christ) to be conformed to the image of His Son. Predestinated to be like Christ: that is our destiny! Because God cannot turn even one of his sons or daughters loose in the heavenly places (or anywhere else for that matter), unless and until, they are fully conformed to the image of His Son. And that is not going to happen magically; it is part of (and for many, it will be the final part of) our education.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>HE ALSO DID PREDESTINATE: God not only thought about having sons and daughters labor with Him out in the creature in eternity and to run His Business, but He also PREDESTINATED them to be conformed to the image of God's Son.</p> <p>PREDESTINATE TO BE CONFORMED TO THE IMAGE OF HIS SON: This is the END RESULT of everything! God predestinated that we BE CONFORMED TO THE IMAGE OF HIS SON. This is your future. This is going to happen, if not here while we are on this earth, then it will happen in THE AGES TO COME. And it won't happen automatically. It will happen as a process over time, with everyone having to be fully engaged in the education and its resulting edification. God has PREDESTINATED that every member of the body of Christ, and He did it before the foundation of the world.</p> <p>PREDESTINATE: Not to be saved but TO BE CONFORMED TO THE IMAGE OF HIS SON. You PREDESTINATE things all the time. EX Take a trip and you know where you are going, time you are leaving, how you are getting there, etc. Point: You don't have to be an omnipotent God to do the things that are being talked about in these verses. PRE- means 'before'. DESTINATE's rooted word is destined. Means that it cannot but happen.</p> <p>* Predestinate: "pre" is a suffix that means "before" and "destinate" comes from "destiny" or "destination." Therefore, to predestinate means to set or determine a destiny (a future) beforehand.</p> <p>* PRE: Before</p> <p>* DESTINATE: Destiny or destination. Set your destiny ahead of time, preset a destiny for you, that you will be CONFORMED TO THE IMAGE OF HIS SON, that is the power the curriculum has.</p> <p>If it is pre-set, it tells you that it is going to happen.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>TO BE CONFORMED TO THE IMAGE OF HIS SON: This is the goal of your sanctification. You really need this. It didn't say the Lord Jesus Christ. You are not being conformed to the image of Jesus. Do you think about Him as He was in eternity past or do you think about Him as He was in His earthly ministry in Israel's Program. That's what your thinking defaults to and you are not being conformed to that. You are not being conformed to Christ because that is the word for Messiah. You are not being made a Messiah. Neither are you being conformed to a Lord. You are being conformed to a son (GH: of your Heavenly Father).</p> <p>TO BE: Conformed is not instantaneous like when you trusted Christ. That's a process.</p> <p>CONFORMED TO THE IMAGE OF GOD'S SON: This is the GOAL of our Sonship life as adopted sons. Where all of this is headed, that's what sanctification is about, that's what the doctrine is designed to produce and sufferings are the crucible in which that gets done. When the Spirit is dwelling in you, that's what He's doing. It's not like a light switch, either ON or OFF. It's a process that happens in areas of our life as we progress through the doctrine. So it is possible to have one part working pretty well and another you still have to work on. Sufferings are part of the process whereby we are conformed to the image of God's Son. The process that produces conformity to Christ is called edification. Edification takes place by the effectual working of the word. The word effectually works in us as we understand, believe and live out of it in our daily lives. This is your destiny. You will get there, either through:</p> <ol style="list-style-type: none"> <li>1. The education now OR</li> <li>2. He will get you there later at the JSOC. You don't want to receive this education at the JSOC. You would rather receive this education here.</li> </ol> <p>Conform here is to get us thinking about the way He thinks about it, seeing it from His perspective. Doesn't mean that you're going to be His identical twin. Combining all the things in your life with the Sonship curriculum and being moved from one good thing to another, from GLORY TO GLORY-2 Corinthians 3:18. It is the Sonship curriculum that does this. Point: Every detail/feature that is contained in the Sonship curriculum is to further this final goal of conformation.</p> |

| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>CONFORMED: When conformed to His Image will be the same way - thinking, living, and laboring just like the Father. You see the word form in CONFORMED. To shape, to arrange it, to line it up with something else. You have to have a pattern to be conformed to - THE IMAGE OF HIS SON. You can't conform something without something you are conforming it to.</p> <p>To be shaped after a pattern and first you have to have that pattern. When the curriculum conforms you to the image of God's Son, then it is saying that the curriculum is fashioning and shaping you after the pattern of God's Son so much so that you bear a striking resemblance to Him. The Sonship curriculum is going to reproduce the image of God's Son IN us.</p> <p>MMs understanding that the resemblance is not in physical features, (although you will have a glorified body like unto His) but in thinking, in conduct and in labor. The curriculum is not intended to make you look like Jesus, but to think and act like Jesus. Either we will be conformed during our earthly life and be given a commensurate vocation and opportunity to labor with our heavenly Father, or we will be conformed in eternity. Our conformity is a goal which God will accomplish with every member of the body of Christ.</p> <p>IMAGE: Likeness</p> <p>Image = a thing in which the aspect, form, or character of another is reproduced; a counterpart; a copy; a living image, (i.e., a person with striking resemblance to another; a 'spitting image'). An image represents another. (Charles Smith)</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>HIS SON: Jesus educated as a SON in both programs. He went through the same process He's calling us to go through. That's the image we are being conformed to - that of HIS SON.</p> <p>Not a better son to be conformed to. If He predestinated you to be CONFORMED TO THE IMAGE OF HIS SON, as long as you continue in the education that's your destiny. To be predestinated to be conformed to the Image of God's Son, God had to give you 2 things:</p> <ol style="list-style-type: none"> <li>1. He had to give you a curriculum which would produce that and you had to have that in front of you</li> <li>2. He gives you the Spirit that lives IN you that is going to lead us through the Sonship curriculum. LED BY THE SPIRIT OF GOD-Romans 8:14.</li> </ol> <p>You are being led to a destination and God has pre-set that destination - a remarkable testimony of the Sonship curriculum. No matter when you live in the DOGG, no matter where you live in the world, whatever your background, it has the ability to take every single one of them to that final destination - incredible. As long as you stay on this (GH: Sonship curriculum) road, you will wind up at the final destination (GH: CONFORMED TO THE IMAGE OF HIS SON). If you don't quit, you can't mess it up. This curriculum will produce this.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>THAT HE MIGHT BE THE FIRSTBORN AMONG MANY BRETHREN: The Father was so pleased with His eternal Son that He decided to have other sons in His image. Let's enlarge this family and have other sons that are like My Son. So He makes us in His image. Man can ruin this and he did. This is part of God's eternal purpose. We can't be exactly like the Son because we are not eternal beings. We're not God. But in His character, we can be like Him. GH: Why we were put on this planet. God wants a big family and He wants every member to have the character of His Son. When God says REPLENISH the earth, remember the RE- doesn't mean do it again, it means fill it up to the greatest extent, fill it up to capacity. The RE- was emphasis on just how full He wanted the earth to be.</p> <p>HE MIGHT BE THE FIRSTBORN OF MANY BRETHREN: As the firstborn, Christ has the preeminent position. Hence, He is the "head of the body." And the term body is appropriate to the joint function of every member, but we could also say that as our elder brother, Christ is the head of every son.</p> <p>FIRST BORN AMONG MANY BRETHREN: GH: Jesus was the first born of the adopted sons. Taking you back to what He did FOREKNOW, that He determined all ahead of time. Reminded that you were part of a plan from the start and Jesus as the first born is going to have the permanent position among many brethren.</p> <p>FIRSTBORN: He will be the Head of the body.</p> <p>AMONG MANY BRETHREN: MM thinks the emphasis is more on this than on FIRSTBORN. Ought to produce a confidence that it will do what this is meant to do.</p> <p>MANY BRETHREN: What this is all geared for, One Son can't do it alone. You're going to need the other members. This thing is constructed so even God's Son is not going to do this alone. MM is not saying He can't, he is saying it's now designed that if He's going to have to have MANY BRETHREN conformed to His Image to get this thing done. He is the Head and we are the body. This thing is designed with a body in mind. This is really body type thinking.</p> |
| Romans 8:29     | Christ IN You =<br>CONFORMED TO THE<br>IMAGE OF HIS SON 'Goal<br>of your sanctification /<br>Sonship Life' | <p>Summary:</p> <ul style="list-style-type: none"> <li>- FOR WHOM HE DID FOREKNOW says that God knew ahead of time that He would have sons labor with Him in His Business</li> <li>- PREDESTINATE means that God has set a destiny beforehand for all sons who "are the called according to His purpose."</li> <li>- TO BE CONFORMED TO THE IMAGE OF GOD'S SON is the destiny that God has fixed for those sons who have engaged in the Sonship education. This is the goal of the education; to conform you to His image. God did not tell you to work to get achieve that image, He told you that He predestinated you to be conformed to that image by means of the Sonship curriculum (Romans to Philemon). The Sonship curriculum has the power to conform you to the image of God's Son. By thinking, living, and laboring like Him. As long as you stay in the Sonship education, you will be conformed to the image of God's Son.</li> <li>- MANY BRETHREN calls attention to the fact that God did not purpose to run His Business alone, neither did He purpose to run with only one Son. His purpose was to give His Son Jesus the preeminent position (firstborn) among "many brethren." God determined to have many sons (and daughters) in His Business.</li> <li>- BRETHREN should be understood as more than just a term that denotes being part of the family of God. Of course you are in the family by means of being justified unto eternal life. But in this instance "brethren" refers to "brothers" in the Sonship education. A narrower use of the word BRETHREN.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Romans 8:30     |              | <p>Nutshell: Also contains the things that were part of God's plan from the beginning, but these are also things which had to be accomplished, over and over again in time, in order for the things in v29 to become a reality. Last 3 steps of provision. The next three are things that have to come to pass in time. Even He planned for these in the past, what you know is that has to happen in reality for you at some point. At some point, you made the cry of ABBA FATHER, you got CALLED to the education, you are in the process of being JUSTIFIED for the position you're going to be given in the heavenly places. There is a glory that you haven't received yet but you will in time, it's going to happen. Every justified person receives some level of glorification but there are several levels. No sanctification or edification attached to this. All you have to do is be justified. GH: Heir of God inheritance. See how qualified this verse is. God made every provision in order for us to be holding and to be trained for the position we're going to be training for. There's no one that could look at us and disqualify us on any level whatsoever. In your justification, He has made you righteous, He gave you His righteousness. In your sanctification, He gave you His holiness. God did all the qualifying, He provided all of that on His own. If He knew about you, if you're going to meet those qualifications, He pre-set your destiny to be conformed to the image of His Son. You can't lose, guaranteed success. He's called you because He has to call you because you're going to participate not in a job, but in a vocation. Notice the sanctification step is left out - on purpose. Sanctification is not on this list, you're studying the third component of your sanctification, you are in it.</p>                                                     |
| Romans 8:30     |              | <p>MOREOVER: A connecting word-an English word of logic that connects that up. Tells us that the information in v30 goes along with the previous two verses. Let's you know there's more that needs to be said, He hasn't given you all the information that he plans to give you. Means there is more. How he is introducing this passage.</p> <p>WHOM: Is a plural because it is qualified by the pronoun they.</p> <p>PREDESTINATE...ALSO CALLED...ALSO JUSTIFIED...ALSO GLORIFIED</p> <p>THEM HE ALSO CALLED: Normally, people read this, they think calling you to be saved - wrong. That's completely out of context. You are being called, not to be saved, what you are being called to be is a son and the education you are being called to - to be educated as a son. Everybody is called but it is a Sonship decision if you are going to be involved in that.</p> <p>CALLED: MM says there is a whole lot of theology that goes with this word. When you see the word CALLED, that is supposed to evoke certain things in your thinking that makes you go oh, it's more than just an invitation, there's something more than that. The word CALLED is supposed to bring your thinking to a vocation. CALLED here sets you up for something over in Ephesians 4:1 that he is going to tell you about. When you get to Ephesians 4, this passage should pop back in your mind and say that's what he's talking about. Is supposed to start generating something in your thinking. When you see the word CALLED, you should know you are being CALLED to a VOCATION-Ephesians 4:1. Not just being called to an occupation. You have a vocation that you are never going to walk away from, you are being called to be educated unto and trained for.</p>                                                                                                                                                |
| Romans 8:30     |              | <p>WHOM HE CALLED, THEM HE ALSO JUSTIFIED: MM says this is the hard one - how can an earthly father justify his son? Remember words have more than one meaning in your Bible. MM says don't standardize a word and default to something just because the word shows up. He is not coming along and seeing if you have any doubts about your salvation that you have been JUSTIFIED. Not an exhaustive list of everything God has ever done for you. Justified is a legal term which means "to make right or just in the eyes of a judge as supported by evidence." So when it comes to being adopted and to having an inheritance in the Father's Business, all of the legal requirements have been met and accomplished. Applied to the Sonship context, every legal thing that needed to be done in order for you to actually become a joint-heir and participate in the Father's Business He has accomplished every bit of that. He did it all, He's done everything that need to be done. When an earthly father adopts a son and one day he is going to take over the family business, there are legal things that need to be done so there is no question. No one can come along and grab the thing away. Your Father is not talking about legal in that He has to come down to the court house and file something legal. It is legal in that it is something that ought to be done and must be done in order for no objection to be raised. At the end, Satan will not be able to raise a single objection for any of us that we are not able to get in that Business and do what we are going to do. Don't you know he would love to find a technicality or a loophole to say we are not qualified. Your Father has made all the legal arrangements. He has made right and just, every technicality has been covered, there's nothing that can be objected to. That is what it is meant by JUSTIFIED.</p> |

| Romans 8:30     |                                                                            | <p>GLORIFIED: MM says this is not talking about us receiving the redemption of our body and living forever with God in heaven. The context is not about us being given eternal life because we trusted in Christ; the context is about us being sons who are engaged in the Sonship education. This is an example of a heterosis. Past tense - -ed. But the problem is you have not yet been glorified. Sometimes a writer, in order to make everything match, he'll continue he'll continue with the past tense thing even for events that are yet future. He is not trying to tell you that you are already glorified. MM jokes wait till you get till his age and you'll figure out you are not.</p> <p>SUMMARY:</p> <ul style="list-style-type: none"> <li>- The son is CALLED to the Sonship education. And think about this, the Father would never call His son to something that is not going to work. In order to labor with your Father (His purpose) you have to be educated &amp; therefore you are called to that education. Every son is called but have liberty to not answer the call.</li> <li>- JUSTIFIED is a legal term that means to be found just and right in the eyes of a judge. MM realizes that normally, we would see "justified" in terms of being justified unto eternal life. In his understanding, we should understand the word "justified" as it used in Romans 3:4. Not tied to your JUEL. It is in the wrong place. GH: MM says not everyone agrees with his interpretation. The education qualifies you for God to place you in the heavenly places. Your education JUSTIFIES you being placed there. God is not putting anyone in a position that are not qualified to be in. God is doing it but He is doing it through the education.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Romans 8:30     |                                                                            | <p>No one (GH: like the adversary - kicking out his guys) will be able to look at you and say you don't deserve to be there, don't deserve the position you are in. You are not just going to be put in a position, you are going to be justified in the position you will be put in. Verse doesn't tell you what your position is. But it doesn't matter what your position is, you will be justified in being there. See the progression - after being called and before being glorified. Justified here is a present and future tense. If we were wiped out today because we have made the cry of ABBA FATHER, we have a place in the creature and you would be justified in the position you would be put in. In 6 months, you will be justified for another position. You are moving from position to position, from GLORY TO GLORY-2 Corinthians 3:18. Qualifying yourself for higher and higher and more and more intimate positions. You are within your rights to hold that position. Point: God is not arbitrarily throwing out positions and people with no rhyme or reason to it. Every bit of this already assumes you have been JUEL. God is not FOREKNOWing any unsaved people to labor with Him in His Business. If JUSTIFIED was about your eternal life, should have gone to the top of the list. You have to have that before you can do anything to labor with Him. Your position in the heavenly places is not going to be unfounded, it's not going to be groundless or unwarranted. It's going to be just and right. Based on this, JUSTIFIED sits in the perfect position that it ought to sit in. Same way Psalm 51:4 and Romans 3:4 talk about God being justified. You are going to be perfectly right to assume that position in the heavenly places. GLORIFIED is not a reference to receiving your glorified body, but it refers to being glorified with Christ as a son, as a joint-heir. This is the glory that will be given to you as you take up your position in the creature. Glorified (like justified) is also a "past tense" term even though in time, it has not yet taken place. It is a byproduct of what He has predestinated you to and justified you for. To Him there is no doubt about your future glorification. Because your Father set your destiny for that position, He is so sure it's going to happen. He sees it as a done deal, a fulfilled event. Remember, you are not supposed to see this from your perspective, you are supposed to see it from His. How this makes sense.</p> |

| Romans 8:31-35                                        | Five Probing Questions | <ul style="list-style-type: none"><li>• The Five Probing Questions</li><li>- First two questions deal with confidence in your Father (v31) and in His curriculum (v32)</li><li>- The last three questions deal with obstacles (charges (v33), condemnation (v34), adversary (v35))</li></ul> <p>Five probing/thought provoking questions at the end of Romans 8 to employ / to give God your heart about the things you are going to be doing - asking God to search your heart (Psalm 139). It's the intimacy of the relationship between you and Him that makes this work. Five probing questions that only you are going to be able to answer at home to your Heavenly Father. Such a nature that you can't fake it. Those questions will show you exactly how to go through that process of God searching your heart. Five questions in this last section of SE are grossly misunderstood and will change your whole life. These 5 questions are way different than normal folks would look at these. Think of these 5 questions as a heart transplant, meant to guide and provoke your thinking in a certain area just as these questions in Job 38 are meant to do for Job. When we go through these questions, we will see that there is more to these questions than meets the eye. They are meant to produce “full persuasion” in the trustworthiness of your heavenly Father and His curriculum. Questions get answered from the information that was already given to you. Know the WHY and the HOW in/from the previous 3 verses (v28-30). If you rip them out of this context you go on a wild tangent somewhere. If you take any of those five questions out of the context of v28-30, in order to answer the questions, then you are dealing with them improperly. You could say that every question is going to be addressed and answered with v28-30 in view.</p> |                                                   |                       |                                      |                                   |                      |            |                                                       |               |                                     |                             |                       |            |                            |         |                                      |                             |                       |  |                            |               |                                      |                                   |                       |  |                         |      |                                            |                                         |                       |  |

| Romans 8:31-35                                        | Five Probing Questions | <p>These questions are in an order and there is a progressive nature to these questions. These 5 questions are the most heart probing questions that you will ever face in your Sonship life. They will reach down IN you and produce a confidence, reach down inside of you and bring you face-to-face with issues that have to be addressed in your Sonship Establishment. It's like your Father is asking you these questions and you are going to have to come up with WHAT is the answer but you are going to have to know more than the answer. Are going to have to know WHY that is the answer. Once you know the WHATs and WHYs, these will work to produce an absolute confidence in your Father and in the ability of the curriculum to succeed in you. You'll be absolutely assured of that. He has removed every vestige of doubt. There may be something you are not aware of, a chink in your armor. He is going to pull it out and He is going to deal with it so it is never an issue again. If you are not convinced about 5 different situations that you will encounter, you will wind up quitting and He knows that. The 5 questions have to do with 5 hurdles/problems that you're going to encounter. First two questions stand alone while the last three questions all have remedies given by God. First 2 questions did not have any answer after them because they are just hurdles in general. These are given to you in the order you face them the most frequently. These are questions that your Father is asking you. Geared to produce an unwavering confidence in your Father and in His curriculum.</p>                                                                                                                                                                                                                                         |                                                   |                       |                                      |                                   |                      |            |                                                       |               |                                     |                             |                       |            |                            |         |                                      |                             |                       |  |                            |               |                                      |                                   |                       |  |                         |      |                                            |                                         |                       |  |

| Romans 8:31-35  | Five Probing Questions                                     | <p>There are 3 entities/agencies you are going to have to face that will try and get you to walk away from your Sonship life.</p> <p>1. POE/STRANGE WOMAN: Direct attack of an adversary on a son or daughter who has finally gotten to a place where they begin to impact his realm and what he is doing. You are the misquito that got through the net. He has to pay attention to you because you are the irritant. Will not be Satan coming through the back door in a red suit and tail. He is going to use people - friends, family, other believers. Will be looked at like the antichrist incarnate. Only for 1 reason - your Sonship education. It's going to be pressure.</p> <p>2. Course of this World/EVIL MAN: You spend your Sunday at church? You go to church at 1 PM? What about the Cowboy game?</p> <p>3. GH: You?</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Romans 8:31-35  | Five Probing Questions                                     | <p>Question 1: "If God be for us, who can be against us" refers us to what God planned and determined to do to ensure that sons would labor with Him in eternity (the five steps of provision - what God planned/did before any sons were around) - Steps that God took in order to ensure that you will be successful as a son.</p> <p>Question #1: If the power of God's grace is working for us, then it really does not matter who is against us</p> <p>- Conclusion: Therefore, do not doubt the power of God's word to transform us. That word can do exactly what it was designed to do.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:31-35  | Five Probing Questions                                     | <p>Question 2: "How shall He not with Him also freely give us all things" refers to everything we are going to need to be successful as a son, and we will be given that through the Sonship curriculum (what God will do on a timeline as a son progresses through the education).</p> <p>Question #2: If God did not spare His own Son, then we can be assured He has spared nothing in order to make us successful as His sons and daughters</p> <p>- Conclusion: Therefore, do not doubt God's commitment to your success, His commitment to you being a successful son or daughter. He spared not His own Son. MM says that is pretty committed. MM says this should say something about our commitment to be successful sons and daughters.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:31-35  | Five Probing Questions                                     | <p>Question 3: (which starts addressing the obstacles) deals with any "charges" made against us by anyone – the "who" is a general who. Those charges have been dismissed so that we are perfectly justified (deserving) of the position we will be given - Is a general WHO and it doesn't matter WHO is going to lay anything to the charge of God's elect, He has already provided for all of that.</p> <p>Question #3: God has already dealt with the issue of sin so that it cannot bring a halt to our Sonship life. GH: Deals with a charge of sin in your life.</p> <p>- MM doesn't like his wording. Just because you sin in your Sonship life it doesn't mean that now, everything is wiped out or that everything is gone away or that you cannot recover from that.</p> <p>- Conclusion: Therefore, God has designed, in advance, for our own failures. This should be comforting to know that if you do fail, God has already made a provision for that. God has designed our justification so that if we sin later it does not affect our eternal life. It doesn't get undone. And our Sonship life doesn't get undone. The time to talk to people about difficult issues is when they are not going through them. MM says do not get to thinking because you have failed in some way that that you must now throw in the towel. God will not accept that. God will say I GAVE you a provision for that. I GAVE you a BUCKLER-Proverbs 2:7. MM says IT IS GOD THAT JUSTIFIETH. That is your BUCKLER. If you are in a battle and you go down in your Sonship life due to some failure of sin, you have a BUCKLER that allows you to get right back up-your justification. Even though it is a defensive piece of armour, it is life preserving. Another reason to love God and be thankful for Him. He has taken everything into account. MM says if you don't get back up and walk uprightly, sin can end your Sonship life, but you have to allow it</p> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Romans 8:31-35  | Five Probing Questions | <p>Question 4: deals with the self-condemnation that will come when we “blow it” and our discouragement works to make us quit</p> <p>Question #4: Sounds very similar to question #3. GH: Balking at the doctrine or making bad Sonship choices. Condemnation is not about some sinful failure on your part. This is about being confronted with part of the doctrine and deciding you don't want to engage in that. It's about saying no to part of the doctrine you are given. For some reason, you are reluctant to obey the doctrine or you are not going to do it like you are supposed to do it. As a son or daughter, you have the ability to say no to the doctrine and God will not punish you to force you to say yes. If you say no enough, it will condemn your Sonship life, the consequence of losing your JHI. There is a REWARD OF THE INHERITANCE. MM is not saying you won't be in the heavenly places or you won't get a glorified body. Those are part of your Heir of God Inheritance. We can't just pick and choose what part of the doctrine that we want to obey. Means the doctrine is not working in you and you have brought your Sonship life to a halt. There's no leapfrogging over a doctrine that you don't like, thinking that you can just continue on. ANALOGY: Like a pawn with a piece in front of it stuck on the chess board. You are not going anywhere. Good news - because of the answer - what Christ has done in the DBR and what He is doing making intercession for us at the right Hand of the Father make it possible to recover if we do neglect the doctrine. If we do condemn our Sonship life, He has done something and is doing something that makes it possible for us to recover. The remedy for being condemned:</p> <ol style="list-style-type: none"> <li>1. The remedy is to go back to where you veered off track and get yourself on track again. Whatever doctrine you came to when you said NO that is the one you need to go back to now and say YES.</li> <li>2. The remedy is to do that thing that you balked at in the first place. Go back to that doctrine and obey that doctrine.</li> <li>3. The remedy is to reverse, as much as you can, a bad Sonship decision.</li> <li>4. The remedy is to make Sonship the priority it is supposed to be from this point forward.</li> </ol> |
| Romans 8:31-35  | Five Probing Questions | <p>Question 5: addresses the attempt by the adversary to bring various tribulations (GH: SoC) into our lives designed to make us quit.</p> <p>Question #5: Addresses the Adversary's attempts to make us quit our Sonship life. Those seven categories begin at the mildest and proceed to the most severe, in keeping with our advancement in the Sonship curriculum.</p> <p>- The confidence we are supposed to have in the curriculum is that it has the power to take the attacks of the Adversary (which are designed to make us quit) and instead, we are made stronger (more than conquerors) by the endurance of those attacks. The bottom line: Do not lose confidence in the curriculum when faced with the attacks of Satan. The fact that we are not being delivered from the attacks is not a sign that God does not love us, but rather that He does. It is the love of Christ and the love of God which make it so that we are not overcome by Satan's attacks. It is the love of Christ by which we are refined in our Sonship life by the godly endurance of the attacks against us. And, we will need to love God for designing it this way. It is the life of Christ in us that enables us to withstand the attacks and we should love our Father for that design too. And how do we get the life of Jesus being lived in us? It is by the working of God's word in our inner man. There is no legitimate reason for failing as a son. He has made/will make provisions for you to succeed as a son that you cannot be separated from, no matter what happens.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| Romans 8:31     | The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father | <p>• The Character and Essence of God - Issue 1 of 4: the Power of God</p> <p>Probing Question 1: About instilling confidence in the Father - matches Proverbs 2:6 (For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding.)</p> <p>- If the power of God's grace is working for us, then it does not matter who is against us. The Power of God can transform us.</p> <p>Nutshell: For the 5 provisions that God did FOR us, can anybody undo or nullify or reverse or make void what God has done? The answer is NO ONE. You have to see all these things as set in stone. Really see them that way.</p> <p>The who: Subject is God the Father.</p> <p>Two questions:</p> <ol style="list-style-type: none"> <li>1. Set up question for things that come before - First question is the setup question (GH: not really a question) - like can I ask you a question?</li> <li>2. IF GOD BE FOR US, WHO CAN BE AGAINST US? MM says anybody can answer this question. A small child can. An atheist can. The answer is NOBODY/no one. But if that's all you think about the question, you will miss the total point of the question - need to know WHY.</li> </ol> <p>WHAT SHALL WE THEN SAY TO THESE THINGS: Not one of the 5 questions but it prompts the 5 questions. Is there anything more that needs to be said to these things? These things are enough, aren't they? Aren't these things sufficient to enable us to handle the SOPT? Referring back to v29-30. In view of what I just told you, what do you say about all this? He is going to be talking to you about this curriculum and the things that you are supposed to perceive about this curriculum - that it has the capacity and the power to do all the things that its supposed to do in our Sonship life. In Proverbs, learned that:</p> <ul style="list-style-type: none"> <li>- You are going to be fully equipped</li> <li>- He is going to enable this thing to effectually work IN you so that it will keep you against the EVIL MAN and STRANGE WOMAN attacks</li> </ul> |
| Romans 8:31     | The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father | <p>THEN: MM told you before that this took you back to the things in v29-30. He was wrong about that. He was right to take you back to that context. The THEN of what we just went through.</p> <p>THESE THINGS: ***CORRECTION: Are the things you're about to be asked about, NOT the things you just read.*** There's not anything to say about that, He just told it to you.</p> <p>Happens all the time where He tells us something we didn't know about. He doesn't turn around every time and say what do you have to say about that? We do this all the time. EX</p> <p>Discussing food for a fellowship - full blown meal, finger foods, etc. - and MM says what do you say about this? Expecting something new to come out of his mouth. The THESE THINGS are now going to refer you to the 5 questions. What shall we say then to the things I'm about to ask you? MM says this may not sound like a big deal but he wants to make sure that we get this right.</p> <p>FOR US: Not God is a really strong Guy and on my side and can whip everybody. God is FOR US in that He made 5 steps of provision that ensure the success of my Sonship Education. Not saying IF GOD BE FOR US being saved or God being in favor of us or living for Him or God is for me or is for me being a Christian. How God is FOR US - the 5 steps of provision and there isn't anything anyone can do to stop these 5 steps. They are done. An accomplished fact.</p> <p>AGAINST US: Anyone that sought to stop that Sonship education from being successful. Is general, no one particular in mind. Is not the reversal of the above. Not against me being saved or against me being a good Christian. Not someone trying to get your life to be miserable.</p>                                                                                                                                                                                                                                                                                                                      |
| Romans 8:31     | The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father | <p>Question 1: IF GOD BE FOR US, WHO CAN BE AGAINST US?: Normal answer - NOBODY. If the power of God's grace is working for us, then it does not matter who is against us.</p> <p>WHO CAN BE AGAINST US?: Logical answer is 'nobody'. Saying if God is on my side, nobody can stand against us. Not what that question is asking. Remember you are not being dealt with as an omnipotent God, you are being dealt with in a Father-son relationship and God has suspended all of His omni-omnis. You are not meant to answer this question out of logical reasoning which is no one because God is an omnipotent God who can do anything He wants. Even a lost person can come to this conclusion. No one is the right answer. But if you are answering out of logic, you don't understand what the question is really getting at. If you don't know WHY this is the right answer, this verse cannot effectually work IN you. It is meant to do that. Take this verse and ponder what it is really saying and something will be worked IN your inner man that is necessary for you to have before you start the Sonship education. If you think about this verse by thinking about God's Power, effectual working will not take place. Because of these 5 steps of provision (v29-30), He made it so that ALL THINGS (everything that happens to you, whether good or bad or indifferent) are going to WORK TOGETHER FOR GOOD (your benefit). If God has done all these things for us to be successful in our Sonship education, who in the world could keep this from happening? ANSWER: Nobody. Don't pass this question off like it has no depth to it. You have to really come to grips with this question - the answer is no one.</p>                                                                                                                                                                                                                                                                                                                                    |
| Romans 8:31     | The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father | <p>You have to be totally convinced that no one can be AGAINST US.</p> <p>No one can undo/reverse God's first 2 steps of provision. There's nobody and no way He would change His Mind on these.</p> <p>No one to prevent Him from calling sons and daughters to the education.</p> <p>No one can nullify your justification.</p> <p>No one that can stop being GLORIFIED.</p> <p>No one can successfully come against you because what God has done in those 5 steps of provision.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| Romans 8:31     | The Character and Essence of God - Issue 1 of 4: the Power of God / Question 1: About instilling confidence in the Father                           | Effectual Working:<br>- Make sure you understand what is being asked by this question. What are you being asked? Can you write it in your own words? Make sure you understand why the correct answer is "no one."<br>- Look at v28-30 and make sure you understand those terms, their meanings and appreciate the order in which they are mentioned.<br>- Once you have the steps of provision down in your thinking and you know what they entail, look at that first question and ask yourself if you really believe that the answer is "no one" - and make sure you are saying that answer for the right reason.<br>- Talk to Him about what that means to you. Explain to Him why you think about it the way you do. Look at the Scripture you are talking to Him about and make sure there is nothing in your mind that gives you pause or doubt. If this means anything to you, you have got to spend some time with this.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>• The Character and Essence of God - Issue 2 of 4: the Grace of God</p> <p>Probing Question 2: About instilling confidence in the curriculum - matches Proverbs 2:7a (He layeth up sound wisdom for the righteous:)</p> <p>The who: Subject is God the Father. Question two is about the Son. (GH: ???)</p> <p>Question 2: HOW SHALL HE NOT WITH HIM ALSO FREELY GIVE US ALL THINGS?: If God did not spare His own Son, then we can be assured He has spared nothing in order to make us successful as sons and daughters.</p> <p>Nutshell: The first two phrases (GH: passive and then active) of Romans 8:32 tell us that God did not step between His Son and the evil that Satan had the power to inflict on Him, and it tells us that God did not just allow those things, but that He actually delivered His Son up for every son (us all) who would engage in the Sonship education because that is representative of how much He loves us (charity) and to what lengths He will go to ensure our success as sons (confidence). He also actively participated by "delivering His Son up (unto death) for us all".</p> <p>The promise is: There is nothing we can encounter in this life that cannot be dealt with by those things which God will freely give us. You lack nothing that will keep you from responding to the things as you should. The ability to deal with our tribulations and our sufferings is not out of our reach. The ability to deal with those is possible for us. We will choose whether or not we do it. But those things will certainly be given to us freely. Begins to point us toward the future to some things we are going to need as we progress through the education.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>We may know that He will give us everything we need, but it is question five that tells us that when He does, no one can separate us from the "all things." The Cross was necessary if you were ever going to be adopted and treated as a son. This is more than just you being saved. He didn't save you just to save you, He saved you so that you could be a son. First two phrases - we are reminded of what God did in order to make our Sonship education possible. Second question is about giving us/instilling confidence in the curriculum. What God did to make sure that this education was going to succeed in everyone of us. God is committed to our success. ALL THINGS is not a ranch in Colorado. He would (FREELY GIVE US ALL THINGS), wouldn't He? Everything you are going to need. ALL THINGS doesn't mean everything that pops into your brain. It means everything you are going to need in this Sonship education/edification. A favorite for the 'name it and claim it' crowd, we can ask for whatever we want and He is going to freely give us ALL THINGS. People will look at this, out of its context, and declare that God has promised to "give me whatever I want." - "all things." If He has gone to the trouble to give us His own Son in order for us to be successful with this, Paul is making the statement there's not anything He is holding back. He has already given the biggest Thing that He could give. Real easy to just read over and miss what you've got to have in your mind in order for this verse to make the impact in you it's supposed to make so that the answer to this question can be properly answered.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>HE THAT SPARED NOT HIS OWN SON: When you see that God did not spare His own Son, should make you think/perceive two important things about this:</p> <p>1. 'Charity' - You are being reminded of the "charity" of God which is going to come into play at the very outset of the education proper. This is the ultimate act of godly charity that has ever been performed, This was God's demonstration of godly charity. God did something to His own detriment in order that someone else He cared very much about obtain a benefit. There are people who will die for people that they care about or sacrifice for someone but God, WHILE WE WERE YET SINNNERS-Romans 5:8, did what He did. We were in total opposition and rebellion to Him and yet He caused His Son to give His Life for those who were opposed to Him. That's the kind of charity the Bible has in mind. CHARITY is the very first thing you are taught about when the education starts in Romans 12:3. Teach you godly charity toward the other members of this local assembly. You will learn to V&amp;E the other members of this local assembly to such an extent that you would be willing to give up of yourself for their benefit. That He wanted you to succeed as a son so badly that He was willing to stand by and allow someone who had the power to inflict evil on Him do everything they could do, including death. He stood by and allowed that so that you could become the son and daughter He intended for you to be. That's what's sitting in that phrase. When GOD SPARED NOT HIS OWN SON, that was His Way of demonstrating the charity of God. He will teach us to view others the way He views them and how to conduct ourselves with them the way He does. That's the big part of what He is trying to do here. God wanted sons to labor with Him so badly that He was willing to SPARE NOT HIS OWN SON in order to make that happen.</p> <p>(GH: prayer topic) Understanding the great lengths to which God has gone in order to ensure our success as sons should make us understand just how vitally important this issue is to God and therefore how important it should be to us.</p> |

| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>HE THAT SPARED NOT HIS OWN SON (cont'd):</p> <p>2. 'Reason/Purpose' - Should remind you of the purpose for which God did not spare His own Son, even from the Cross - Purpose wasn't so you could get out of hell, the purpose was so you could be a son (GH: Galatians 4:5). If God had spared His Son, there will be no adopted sons in God's eternal Business to labor with Him. That's the purpose. God did not send Jesus to be the sin-bearer so you and I could get saved and let that be the end of it. No, His plan goes far beyond that. Ask most believers why the Cross and the most popular answer is He did it for you, because He loved us and wanted us to be saved. MM is not denying that but even that had a purpose behind it. It wasn't just be saved and that's the end. That's not the end. Gave rise to the thinking, now that you are saved, it would be nice if you would serve the Lord. But to God, God is not looking at it that way, that He just wants us to get saved. When you think that, you have no idea of the agenda that has been set for once you get up there. What do you think we are going to do? Do you think we are just going to hang out? We're just going to hang out with Jesus? Some people think it is going to be one big, long, eternal praise and worship service or the ultimate retirement gig. MM says no it won't. Do you think God saved you because He was lonely? The real question is - what am I being saved FOR? That is the real question. He didn't just save us just to save us. He saved us for a purpose, there was purpose behind that. It was so that He could have many sons and daughters that would labor with Him in eternity. That is what He was after, that is what He wanted. You needed spiritual fitness, but His plan and purpose went beyond let Me just save you. So when you see GOD SPARED NOT HIS OWN SON-Romans 8:32, you are supposed to think of the ultimate purpose He had in doing that. Point: The Cross is tied to Sonship. He did it so that you could become sons and daughters. The Cross is not an end, it is a means to an end. If He didn't redeem us, there would be no sons.</p>                                                                                                                                                                                                                                                                                                                                                                                                            |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>SPARED: To "spare" is similar to "save, preserve and protect." All for of these words - spare, save, preserve, protect - can be used in the context of protecting or keeping from some kind of evil or misfortune or pain. The first difference between them is that "prevent and protect" have to do with those things which are possible. EX Protect your children from a possible bad circumstance. Spare and save have to do with things which are actual. Means you are actually going through that something. The precision of the word "spare" is seen in this: one is spared only from those things which are in the power of another to inflict evil (generally). Spare is a word that has some purpose behind it. Difference between spare and save. Spare has purpose, someone has to intentionally do it vs. a canteen strapped around your chest stopped a stray bullet and saved your life. The adversary wanted to inflict evil on the Lord Jesus Christ. There was something that was actually going to happen to Jesus that God made a purposeful decision not to spare Him from. MM says does that ring a bell with you? God did not put His Hand between His Son and the evil that Satan was capable of inflicting on Him. Father didn't intervene when the devil came to tempt Him after the 40 day fast. He was depending on His Son to rely on, to get Him through the things that were being inflicted upon Him GH: by using the Sonship education to be able to endure those things. See here that God purposefully stood by and allowed all of the things that the adversary could inflict upon His Son to take place and trusted that the education that His Son had would take Him through that to the glory of the Father. He's pointing you back to think about what it is the Father did not do. He did not spare His Son from someone who had the power to inflict some things upon Him and He did that purposefully. So when we read that God spared not His own Son, you understand that He dealt with the Lord Jesus as a Son, just as He deals with us as sons. God did not spare His Son even from the ultimate power possessed by the Adversary; death. But by means of that death, the very things Satan sought to undo or to thwart, were accomplished and made sure. If God spared not His own Son, it would be ridiculous to think that there was anything you would need as a son, that He would not freely give you. It would be ludicrous to think that after all He has done, He would fail to give everything else necessary to succeed as a son.</p> |

| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>BUT DELIVERED HIM UP FOR US ALL: You understand that the word “deliver” does not mean “rescue/rescued,” but it means God delivered His Son up just as a UPS package is delivered (GH: active, not passive like SPARED NOT HIS OWN SON). It is something being brought to a place for a purpose. He put Him in the spot He was supposed to be in order for us to become the sons He wanted us to be.</p> <p>FOR US ALL: The normal way to look at the verse is to see it in the context of referring to “Jesus died on the Cross for the world/the entire world of lost men.” But this takes us out of the proper context, don't get to bail out of the context you are in. The idea being that God delivered up His Son for the whole world to be saved. But the issue here is not, and has not been for some time, “being saved.” The issue is (GH: sons who are being educated, talking about that small group):</p> <ul style="list-style-type: none"> <li>- Sons which have cried “Abba, Father” - Romans 8:15</li> <li>- Sons who “are the called according to His purpose” - Romans 8:28</li> <li>- Sons who are actively engaged in their establishment as sons</li> <li>- Sons who are being justified for the position they will hold - Romans 8:30</li> <li>- Sons who will be glorified as the joint-heirs they will be - Romans 8:30</li> </ul> <p>Therefore, when Paul says that God “delivered Him up for us all” it was with the purpose of God in mind; delivering Him up so that “Christ would be the firstborn among many brethren.” The “us all” then would not be a reference to the world of lost men. It would not even be a reference to the entirety of the saved members of the body of Christ. It would be a reference to every son or daughter who is engaged in the Sonship education. That keeps us in the context and guides our thinking to the way it is supposed to go. If this passage is supposed to engender confidence in your Father and in His curriculum's ability to do what He says it will do, how does it instill confidence in that by knowing that God delivered up Christ for everyone who was ever born into the world? It does not. MM says Jesus didn't die for anybody who He didn't intend to become a son or daughter. He didn't save anyone for the sake of saving them.</p> |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>Your Father will go to any lengths in order to have those sons and daughters labor with Him in eternity.</p> <ul style="list-style-type: none"> <li>* He is totally committed to you and to His purpose with you.</li> <li>* He knew this was going to cost Him something before this whole thing started, but He was willing to do it anyway.</li> <li>* He knew that in spite of all He was going to do in order to have sons labor with Him, that not all of them would do it.</li> <li>* He knew that there would be those who would trust Christ and then not be interested one bit in working with Him in His Business in the heavenly places.</li> <li>* He knew the policy of evil would be very successful in keeping the knowledge of Sonship (and what that entails) from the body of Christ.</li> <li>* He knew that many of them who would be redeemed would love this present world more than that which He has prepared for them in eternity.</li> <li>* He knew that at the end of it all, only a small minority of people would actually be the fulfillment of what He had in mind when He put all this into motion in the first place; that only a fraction of men and women would be the sons and daughters that He purposed to have labor with Him.</li> </ul> <p>See just how committed He is to you when He has been willing to do this whole thing for a just few, to go to such great lengths to do it, and to do it to His (and His Son's) own detriment.</p> <p>US ALL: When Paul says “us all” he is actually referring to a very small group of people who are engaged in the Sonship education.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>HOW SHALL HE NOT WITH HIM ALSO FREELY GIVE US ALL THINGS? The question part. Everything you are going to need to overcome whatever may be in front of you. If He has gone to the trouble to do the first 2 phrases, is there anything He would withhold from you to keep you from being successful? The Sacrifice of His Son was the big commitment. He is saying I HAVE made the big payment. If there are a few other little things along the way, don't you think that I would give you those in order for you to make it as a son? ANSWER: He will.</p> <p>Based on what He has already done, is there anything you can think of that He is now going to hold out on you over? No. You know He is not going to hold out on you. Should give you confidence in your Father and in this curriculum to do what it says it is going to do. To remove any doubt that this is going to work.</p> <p>FREELY GIVE US ALL THINGS: All the THINGS that you will need to be able to succeed in your Sonship life. All the things we need when those who are against us attempt to defeat us spiritually. We can have confidence that His grace is sufficient. We can be more than conquerors. We may be attacked but we are not sheep for the slaughter, we are more than conquerors through Him that loved us. When Paul lists principalities and powers in the list of things that may be “against us” he informs us that we have an ever-present provision for deliverance from these attacks (GH: Helmet of salvation from Romans 8:35-39). As you come through the Sonship curriculum, you are going to come to some things that you are going to need and when you come to those things, you're going to get them. If He would give up His Son, why would He withhold anything else that was going to be yours? If He delivered up His Son, is there anything that He would value more than that? Do you really think He is going to keep something else back that you need? He has already given you the biggest thing you can get. Because of that, you know that He is already given you everything you need to be successful in your Sonship life.</p>                                                                                                                                                                          |

| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>HOW SHALL HE: The Father WITH HIM: Two ways to look at - How you see the prepositional phrase “with Him” will determine what you understand about this verse. Does the word “also” connect directly with the phrase “with Him” or not? That will decide what this phrase is pointing at. MM can see both ways but thinks the former understanding is intended.</p> <p>1. We can see the verse reading this way: “Since God delivered up His Son for us all, how shall He not (along with giving us His Son) freely give us all things?”</p> <p>2. If you separate the “also” from the phrase, it would read with this understanding: “Since God delivered up His Son for us all, how shall He not (along with what He gave His Son) freely give us all the things we will also need too?” In other words, is the “also” something we are given in addition to God’s Son, or is the “also” referring to something that was given to God’s Son which is also given to us? 'With Him' is Father with the Son. They will both, through the Sonship curriculum, freely give us “all things” as we progress through the Sonship curriculum. That is to say, the Father and the Son are working in tandem, so to speak, to give us “all things.”</p> <p>FREELY: Without hinderance/reservation, liberally, unreservedly, without restraint, to all comers.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Romans 8:32     | The Character and Essence of God - Issue 2 of 4: the Grace of God / Question 2: About instilling confidence in the curriculum / GH: Suffering Verse | <p>ALL THINGS: This is not supposed to be understood this way: “Well, since God is for me and no one can be against me, then God is going to freely give me (all things) money, prosperity, a good job, good health, the right business contacts, smart children, nice cars, a great house, etc. People go back to v31 and think God is for them and now He is going to give them all the things they want. MM says if you paid attention to Sonship and Paul, those ALL THINGS are the last things you would get. But don't worry, the reward isn't here, it's up there. Refers to all the things that God has done/will do to ensure that our Sonship education does IN us what He says it will do. The “all things” are referring to all the things we will need to ensure the success of our education, our edification and our vocational training. ALL THINGS that we will need as sons. All the things necessary to make you succeed as a son. There are things He is going to do to make you successful in the curriculum, you just haven't gotten to them yet. EX Romans 8:26 and the Spirit making intercession for us is part of the ALL THINGS. If God has done all the things He has, in order for us to succeed as His sons, who in the world could possibly thwart that process? The answer was “no one.” As long as a son wants to be educated by the Father, the things God has done “for us” cannot be undone, cannot be reversed, cannot be stopped and cannot be overcome. Where are the ALL THINGS coming from? How are you going to get it? You are going to be given some things through the Sonship curriculum. He doesn't list the ALL THINGS either and there's a lot of things sitting in there. These are meant to be everything we need to be successful as sons.</p> |

| Romans 8:33     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>EX You do something not very Christ-like and someone says 'and you call yourself a Christian!' This verse addresses the question 'What if I mess up?' Not talking about a trumped up charge, we are talking about a legitimate charge that could be brought against you because you had conduct that was unbecoming for a son. If someone was going to lay a charge against you because you acted wrongly, doesn't say who the WHO is. Possibilities: Satan's charge, Christians outside of Sonship, the lost world...why he doesn't think any individual, there's no pronoun, why he just says WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT? MM thinks the accusation comes against sons who are involved in the Sonship education. Because if folks don't know about Sonship, it is hard to accuse that of them. When a son goes through the education, learns something, and then doesn't do it, that is when the accusation comes.</p> <p>WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT?: The problem/dilemma of WHO SHALL LAY ANYTHING TO THE CHARGE OF GOD'S ELECT is going to be solved by God justifying. Group interpretation: Who is going to say that you're not validated for your position as a son? Look at the way the question is formulated. MM says whoever the WHO is, the way the question is formed, they are outside of God's elect. You can't pin this down to one individual with certainty. Different than the way it is generally being taught - normally taught that the WHO is about you. If the WHO is talking about you, this is a very awkward way of saying it. This WHO is anybody. It's not a reference to any single individual, it is a reference to any individual. Like the GH: implicit 'who' in Romans 8:31 (GH: no one). There is no charge that could be brought against you that would unjustify you.</p> <p>WHO: MM says it is not about an individual, it is about anyone at all. There's no identifier given at all (GH: Like 2 Corinthians 5:18). Otherwise, it is a matter of who we pick. God is not trying to make this confusing. The idea is that no one that can make that charge stick. There is no pronoun to identify the "who." And if God meant us to understand that the "who" is really asking about us, then why would He not include that pronoun? That is what He did back up in v26-27.</p> |
| Romans 8:33     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>SHALL: MM says like asking 'who has the ability or is capable?' or 'who is able?'. Talking about capability, no one is capable of doing that.</p> <p>ANY THING: Covers any kind of charge that could be leveled against you. Not specific. Examples:</p> <ul style="list-style-type: none"> <li>- We are charged because we committed a sin</li> <li>- We are charged because we are not applying what we have learned in the education to our Sonship lives/learned but didn't apply</li> <li>- We are charged because of a misapplication of the education</li> <li>- We are charged because our commitment to the education is insufficient/not sufficient</li> <li>- We are charged because we complain under the suffering of this present time</li> <li>- We are charged because of some kind of immorality</li> <li>- We are charged because we do not trust the curriculum to do its job</li> <li>- We are charged because...you fill in the blank,GH: etc.</li> </ul> <p>There is a whole list of things you could be charged with, why it says ANY THING.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Romans 8:33     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>CHARGE: The "charge" being brought against you is not about your salvation (JUEL) but it is about your Sonship.</p> <ul style="list-style-type: none"> <li>- Who is going to declare you unworthy of a place in your Father's Business? Answer: no one.</li> <li>- Who is going to disqualify you from a vocation in the creature? Answer: no one.</li> <li>- Who is going to point out your failings as though that somehow impacts you negatively? Answer: no one.</li> <li>- Who is going to point the finger of guilt at you? Answer: no one.</li> </ul> <p>The question is not 'are you going to fail at any time?' It is understood that you are not always going to get it right.</p> <p>MM pulls two things out of the Smith and Crabbe definitions:</p> <ol style="list-style-type: none"> <li>1. There is imputed guilt</li> <li>2. It's most likely for moral conduct</li> </ol> <p>In Charles Smith's book on synonyms, it says this: Charge means "to lay upon a person a burden, specifically of imputed guilt, and this either legally or morally, generally or formally. The charge can refer to many things which are not of the specific nature of crimes; thus, a dereliction of duty or dishonesty, or a want of fidelity to one's self may be the object of a charge."</p> <p>George Crabbe adds: "Charge is from the word 'cargo' which implies to lay a burden upon someone. A "charge" may apply to crimes, but is most often used for breaches of moral conduct."</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Romans 8:33     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>GOD'S ELECT: Ties to THE CALLED ACCORDING TO HIS PURPOSE-v28. That's what the ELECT is about. GH: This is both the body of Christ (1 Timothy 5:11-14) and the believing remnant (Revelation 12:10). When you are the ELECT, you are chosen for a position or an office. MM says this fits Sonship perfectly.</p> <p>Chosen vs. ELECT: Choosing is an act of authority, it binds the one chosen. Election is a voluntary act; the elected have the power of refusal/you have the right to refuse. Election has in view the privilege of position or office. Both aspects are true of sons; to engage in Sonship is a voluntary act with a view to some position or office in the creature. Therefore, the "elect" of v33 refers to those engaged in Sonship, which is in perfect keeping with our context. Chosen can apply to people or things. Elected only applies to people. You can't refuse being chosen (GH: like the NFL Draft) but with election, you have the right to say no, like Sonship. You can say no, you don't want to be elected to office.</p> <p>IT IS GOD THAT: Telling you that you don't answer to the adversary or to the world or to anyone else, you answer to your Father. The comment following the question. MM says this is the tricky part of the verse. Saying there's going to be a charge leveled against you. The question is made to make you think that you don't have to worry about what someone else says. There's only one Person you need to worry about and that is the One that JUSTIFIETH.</p> <p>JUSTIFIETH: Still not talking about JUEL.</p>                                                   |
| Romans 8:34     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>The who: Subject is you. Obstacle to your Sonship.</p> <p>Probing Question 4: TO ADD - Proverbs 2:8a (He keepeth the paths of judgment,)</p> <p>Christ died, rose, and intercedes at the right hand of God so that we are not condemned in our own mind.</p> <p>Question 4: WHO IS HE THAT CONDEMNETH?: Has to do with bad Sonship decisions and the condemnation is about the failures of not wanting to (or not being willing to) respond properly or positively to issues in our Sonship curriculum and in our Sonship lives. That condemnation has to do with when we reject some doctrinal area and we balk at putting it to work in our lives. The good news is that this is fixable. All we have to do is go back, pick that doctrine up and begin to live out of it. Christ in his death and resurrection has made it possible for us to pick up anything that we have not been putting into practice and integrate it into our lives without losing everything up to that point.</p> <p>The problem/dilemma of WHO IS HE THAT CONDEMNETH is going to be solved by what Christ did by (4-part remedy for our condemnation):</p> <ol style="list-style-type: none"> <li>1. dying,</li> <li>2. being risen,</li> <li>3. seated at the right hand of the Father, and</li> <li>4. making intercession for us.</li> </ol> <p>There's a 4-part remedy for our self-condemnation. Just as Christ demonstrated His Love for us to justify us to eternal life, He is also demonstrating His Love for us as sons.</p>                                                                                                                            |
| Romans 8:34     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>WHO IS HE THAT CONDEMNETH: This is just a general whoever. There isn't going to be anyone who can condemn you. Possible answer is Satan, the body, the world, other believers - He will deal with these. The bigger answer is YOU. He'll ask you to look in the mirror and say I AM going to deal with that. Paul describes this to the Corinthians as STRAIGHTENED IN THEIR OWN BOWELS-2 Corinthians 6:12.</p> <p>WHO: The WHO here is a little different because of the pronoun HE. It does not say WHO condemns us. Different than v33. Because of that pronoun, we can see this is the self-condemnation that can take place. The charge against you is not going to stick but you can get to feeling so guilty about your failure that now your Sonship is being affected.</p> <p>CONDEMNETH: Self-incrimination. The kind of condemning this is talking about is the condemning that will go on in your mind. It's not that legal condemnation. This is reflexive and it about us. How you are looking at it. Greek word in your Bible appears 19x. 17x for the word condemned. Uses another word 2x. MM parallels condemn with damn and condemnation with damnation. GH: 17x and 2x respectively? Not referring to condemnation like in salvation. You are going to need more than information when this happens to you.</p> <p>Can fail your Father in two ways:</p> <ol style="list-style-type: none"> <li>1. You can quit and walk away from Sonship.</li> <li>2. You can pick and choose what you will and will not do in the Sonship curriculum until you have so many gaps and holes that an improper conduct results.</li> </ol> |

| Romans 8:34     | The Character and Essence of God - Issue 3 of 4: the Justice of God | <p>CONDEMNETH (cont'd):</p> <p>Charles Smith: "Condemn – condemn applies to grave offenses and those who commit them. It is the solemn pronouncement of an adverse judgment, either formally or openly or in one's own mind. He who condemns passes an adverse judgment with the consciousness that his expression of it will be followed by personal consequences. Condemn is simple, absolute and final. Condemnation implies that the time for explanation, defense and apology are passed. Censure or blame may be modified, condemnation is complete."</p> <p>There will be Sonship decisions that will be extremely difficult to make just because of the circumstances in which they arise. For you to make the right decision and apply what you learned, for you to apply that to your life now and make that work, there will be some things that will be difficult/not easy to do. When you encounter the problem, the condemnation comes up, and you are going to have to have Christ's perspective and these 4 issues (GH: 4 parts to the remedy) to be able to solve that. Going to have to have His Attitude/Perspective is in these 4 things: 'I died to make this happen, I rose from the dead, I am at the right Hand of God, and I am making intercession for you'. That is His Attitude. Four Parts to the remedy - four things that Christ DID and is DOING - the last one is ongoing and can be taking place:</p> <ol style="list-style-type: none"> <li>1. DIED</li> <li>2. ROSE</li> <li>3. RIGHT HAND</li> <li>4. INTERCESSION: Someone standing in your stead, pleading your case</li> </ol> |
| Romans 8:34     | Part 1 of 4 of the Remedy                                           | <p>IT IS CHRIST THAT DIED: Part 1 of the 4 part remedy</p> <p>The very first thing you are shown when it talks about that condemnation is CHRIST THAT DIED. (GH: MM just went through Psalm 22, Matthew 26:36-44, Mark 14:32-36, Luke 22:42-44 and the tough Sonship decisions Jesus had to make.) He made a Sonship decision that could even make this possible. If He hadn't done that, we would be totally undone.</p> <p>1. IT IS CHRIST THAT DIED/The Death of Jesus Christ: When Jesus was facing His death/the Cross, He faced one of the most difficult Sonship decisions that He could make. It's not really what His flesh desired to do, but He did the Will of His Father. This makes Him empathetic to the difficulty of Sonship decisions you will have to make. You will have Sonship decisions that you are going to be faced with. You are not really going to want to do them, but as a son, there's going to be something available-the effectual working of the curriculum so you will do exactly what God the Son did. He died so you could be conformed to His image.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Romans 8:34     | Part 2 of 4 of the Remedy                                           | <p>YEA RATHER, THAT IS RISEN AGAIN: Part 2 of the 4 part remedy</p> <p>RISEN AGAIN: The Resurrection is not just thrown in there for no reason.</p> <p>2. YEA RATHER, THAT IS RISEN AGAIN/The Resurrection of Jesus Christ: The Resurrection of the Lord Jesus following His earthy ministry had Him promoted as a Son because of the success of His Sonship Life. Now that He has done what He has done on this earth, has died and successfully functioned as the Redeemer. He has risen from the dead, then He is promoted (GH: as a Son) to a place of full function in His Father's Business. Christ is making INTERCESSION for you now.</p> <p>Christ makes intercession for us: What He is doing at the Right Hand of God. As He sits at the Father's Right Hand, He is making an intercession even when we blow it/don't do what we know we are supposed to do, there is nothing that you don't do, that you can't go back and fix. Your inheritance is not done away with because at one point, you decided not to do it. The Lord Jesus Christ functions in those times when we experience Sonship condemnation so that:</p> <ul style="list-style-type: none"> <li>- We do not quit</li> <li>- We go back and get what we missed</li> <li>- We do not destroy our joint-heir inheritance because we failed to conduct ourselves as a son; mainly our failing to engage in some feature of Sonship which we need in order to be properly conformed to the image of God's Son. MM says isn't God merciful? Just because we failed to conduct ourselves as a son in this instance, He does not look at that and say, OK you know what? We are just going to undo the whole thing. MM says he is glad for His Mercy. As a son, we will always have a chance to come back and do it right.</li> </ul>                                                                                        |

| Romans 8:34     | The Character and Essence of God - Issue 3 of 4: the Justice of God                                                                                                                        | INTERCESSION: You could hear Christ saying something like this - I died, I rose from the dead, and as I am seated at the Right Hand of the Father, I am making intercession for you so that when those times come, you don't quit so you do succeed as a son. When someone is an intercessor, they intercede to stand between someone and a higher authority. When He is making intercession for you, you have this difficult Sonship decision. You will be tempted to say I am not going to do this/I don't want to do this. If you don't, then there's a part that is meant to conform you to the Image of God's Son that is not getting done IN you.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                     |

List of things that may result in our suffering; 7 categories of the SoC (can come from SOPT too); LOVE OF CHRIST - v35<br/>- In Israel's program, if you were suffering, GH: you knew you weren't keeping the law. Keep the law, get blessings. Think God is no longer dealing me out of His Love, He is dealing with me out of His anger. People still think this today. But Paul is introducing new doctrine.</li> <li>2. List of things GH: that are attackers/adversaries/avenues - none on this list can separate you from that grace; LOVE OF GOD - v38-39</li> </ol> <p>Switches from LOVE OF CHRIST to the LOVE OF GOD. If we are suffering and some entity is opposing us, God still loves us. He proves He still loves us, not by removing the suffering or attack, but by giving us a remedy for the attack. He gives us something that enables us to be sustained through the suffering, to endure the suffering without being overcome by it - the power of His grace. The token for when you are suffering is for you to have grace. Paul is telling us two things:</p> <ol style="list-style-type: none"> <li>1. When you suffer, don't think it is like it was in Israel's program and you're being punished and God doesn't love you anymore because He is angry with you. These don't separate us from the LOVE OF CHRIST.</li> <li>2. But when you do suffer, the token of God's Love is His grace that allows us to endure those sufferings to the glory of God. To glorify God because that's His power, the power of His grace in us, and will result for an inheritance for us in eternity. SWORD / The Character and Essence of God - Issue 4 of 4: the Love of God / GH: Suffering Verse | <p>• The Character and Essence of God - Issue 4 of 4: the Love of God / SoC and the 7 progressive attacks of the POE</p> <p>The who: Subject is Satan/POE. Obstacle to your Sonship.</p> <p>Probing Question 5: TO ADD - matches Proverbs 2:8b (and preserveth the way of his saints.)</p> <p>Question 5: WHO SHALL SEPARATE US FROM THE LOVE OF CHRIST? Addresses the adversary's attempts to make us quit our Sonship life. 7 categories from mildest to most severe, in keeping with our advancement in the Sonship curriculum. BOTTOM LINE: Do not lose confidence in the curriculum when faced with the attacks of Satan.</p> <p>Starts out by giving you a list of sufferings. The promise is: In all our tribulations, because of what takes place in our inner man, we can be more than conquerors through Christ. The promise of being MORE THAN A CONQUEROR (GH: Not about the outer man, about the inner man) is that we are spiritually stronger and more capable at the end than we were when before the trouble started. It is the very opposite of being victimized by our tribulations, we not only conquer them, we are made stronger, more godly, more edified, and more conformed by them. There is a Power of Grace in everyone of us to go through these attacks of the POE and to be able to OVERCOME-Romans 12:21 them. Listing WHATs but asked who. Following the WHO question is a bunch of WHATs. Seven categories of sufferings that fall under the SoC, not things that are common to men (SOPT) or BONDAGE OF CORRUPTION. Don't look at this list and think this is what is going to happen to you. But it could. Can name some folks in the Bible like Paul. Cost him his life (SWORD). When all these things start happening, that is going to start affecting the thinking that they have. Instead of mentioning Satan, mentions the things Satan will use to make you think God has abandoned me.</p>                                                                                                           |                                                                                                                                                                                                                                                                                                                                                     |

Not referring to I am a farmer and it is not raining, that's SOPT. This is not the Dale Carnegie How to win friends and influence people. Paul tells them pretty early on what's going to happen to them. Fifth question - when you look at this list right now, you may say to yourself, I don't know how to deal with that and that might be a frightening prospect. If it is, MM is not saying that the confidence that you're supposed to get by the time you get to v39. When you get v39, you are not supposed to be able to look at that list and go, oh yeah, when that happens, I know exactly how that is going to be handled. MM doesn't think these verses alone can produce that IN you. The confidence he is trying to instill IN you is, all the things that he said might happen to me, I don't know how I'll go through that but I have confidence in the curriculum that will equip me at the time I go through them.<br><br>WHO: Is Satan and the what's are the things Satan is using to accomplish his goal. Find out that there is an individual who is absolutely dedicated to using these 7 categories of sufferings to make you quit the thing that Christ loves (GH: THE LOVE OF CHRIST - the Sonship curriculum) and you are going to have to talk to your Heavenly Father about that. The WHATs are the things the WHO is using to get you away from THE thing that Christ Loves. The list of the least to the greatest attacks of the POE. All in direct connection with your Sonship lfe. MM says doesn't start till you get to Romans 13:12 in the education. The list of "whats" in the verse are the means by which he attempts to separate you from the love of Christ. |
