Genesis	GH: GPPI verse	Genesis: - There were a number of instances in which God cursed things in those first two millennia: * Immediately after Adam sins, God curses the serpent and the ground. * Cain is cursed because of the murder of his brother Abel. * They are no sooner off the ark than Canaan is cursed. Point: There is a lot of judgment going on in response to the things taking place on the earth, but not much to bless.

Genesis	5 Beginnings	Beginning #1 – the beginning of the earth – Genesis 1:1-25 Beginning #2 – the beginning of man (comes along as part of the creation) – Genesis 1:26 – 2:25: Satan is manuevering to take possession of the earth Beginning #3 – the beginning of man's sin and Satan's usurped dominion of the earth – Genesis 3:1-24: God is manuevering to take back possession of the earth because Adam fell and gave up that dominion in the garden Beginning #4 – the beginning of man's devolution/downward spiral - Genesis 4:1 – 11:32: Not an accident - Satan has charted a particular course of this world so man would follow a particular path and that path would lead to Satan's control of the earth and everything in it. Paul calls this the COURSE OF THIS WORLD-Ephesians 2:2. Moving on its own like a snowball rolling downhill. Will gather mass and speed and Satan really doesn't have to do anything it's kind of just moving under its own powers. - Genesis 4: Way of Cain - Genesis 6: Corruption of all flesh - Genesis 10-11: Where Satan is trying to set up his great nation in the world. God responds by confounding the languages and He scatters the people. - Genesis 11: The mother of harlots Beginning #5 – the beginning of the nation of Israel – Genesis 12:1 – 50:26: God makes moves to establish His great nation in the world when He calls out Abraham and makes a covenant with him and says I AM going to make of you a great nation. This is the counter for what Satan is doing. Ends with the death of Joseph.
Genesis	5 Beginnings / GH: GPPI verse	Genesis: - Five "beginnings" with the fifth one being the covenant with Abraham in Genesis 12. From that point onward God sets forth things in a doctrinal order. Genesis 1:1-25 - Beginning 1: The beginning/creation of the heavens and the earth. Genesis 1:26-2:25 - Beginning 2: The beginning of man. It's important to understand that on the sixth day God is bringing forth the apex, the crowning glory, of His creation, when He brings forth man. When He brings man on the scene, it is something different than when He brought the fish on the scene, or when He brough the cattle on the scene, or when He brought the trees on the scene. Man is something very different because man's nature and personage is very different from all the other creatures of creation. He is the one made in the likeness and after the image of God and this is said about none of the rest of creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis	5 Beginnings / GH: GPPI verse	God says some very special things about man that sets him apart from the rest of creation. Learn what man was designed to do on the earth. Because when God created Adam and put him in the Garden, He intended for Adam to accomplish something specific. When Adam and Eve fall and sin comes into the world, God still means for that purpose to be achieved. And when He comes to that 5th new beginning and He creates the nation of Israel, He is bringing to pass that same plan and purpose. But instead of through a man in the Garden, now it will be through a nation. This also gives us insight into why man is so special in relation to the rest of the creation. Important to know that when God created the earth and He created man, He created man to be the king of the earth and that he was to establish God's dominion over the whole earth. That was man's responsibility. That is the kingdom. That's what was going to be happening from the beginning. And God's intention was to set up His residence here and to rule His creation from the midst of His creation. Jesus makes a reference to this, saying the kingdom is prepared FROM THE FOUNDATION OF THE WORLD-Matthew 25:34. We know that Abraham wasn't called out until over 2,000 years after the creation of the world. The kingdom is a Jewish kingdom, but it was all along there was a kingdom in mind. It wasn't a Jewish kingdom from the beginning.
Genesis	5 Beginnings / GH: GPPI verse	It wasn't the Jewish nation that God was going to use to bring in the kingdom, it was this man that He put in the Garden. And He was going to use mankind to bring in this kingdom. But all of that got sidetracked when sin came into play. - 1:28: Means that man is to have authority over all the things in the earth and he is to rule over it. The earth and everything in it is subservient to man. The man is to administer things that affect the earth. In a word, man is created to be the ruler over the earth. You could say that man is the “king” over the earth. He is over every creature on the earth with no exception. This is the reason God has made man special, so that he will rule over the earth for God. Satan’s dominion, Satan’s ways and Satan’s paths were now in sway for the creatures of the earth to walk in. All of this has to do with the subject of man’s special creation and the position that God gave to man. - 1:28: DOMINION: The idea here is not that man is automatically given dominion, but that man is to go accomplish dominion. When sin comes in, Adam's ability to have DOMINION is lost and the animals no longer willingly submit in the same way they did in the Garden.
Genesis	5 Beginnings / GH: GPPI verse	We can see that with animals today. And when Adam sinned, he lost the capacity to exercise that DOMINION and he lost possession of the earth to the adversary, to Satan. And from that time forward, from the time that Adam sins, it is Satan's ways that are being put out there. It is Satan's paths that are being followed, and Satan actually charts a course for this world that it begins to follow. - 1:28: SUBDUE: Involves a military-like action every time it is mentioned in the Bible, for that is exactly what “subdue” entails. It always has this understanding in Israel's program. By the time Adam comes on the scene, there is a need for him to be on guard and be involved in subduing and having dominion over the creation. When Adam is in the Garden, this is sort of a paradise for him. A place where he recoups and relaxes. But when he leaves out of the Garden, he is going to go out and SUBDUE the rest of the world. That's the commission given to him. Need to understand this so you understand later what's going on with Israel when they go into the land and they are given the commands that they are, and what God expects from there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis	5 Beginnings / GH: GPPI verse	Because that land is going to be a paradise that they will go out from and subdue and have dominion over the rest of the world. They'll come back into the land and recoup and it will be kind of a time of R&R for them where they will get their strength back and then they'll go out and they'll go again. Subduing is an important characteristic in connection with what Adam was supposed to do with why he is king of the earth. Why God put him in the Garden to begin with. - Verse?: MM says at that time, all of the animals were willingly submissive to man. The Lord brings them all in front of Adam, he names them, whatever he names them, that's what they're going to be called. And man is supposed to administer the things that affect the world. He was supposed to have DOMINION-Genesis 1:28 over that. And he was supposed to be ruler or king over the earth. That was Adam's place. This makes man special, no doubt because he is sort of God's vice-regent. He is ruling for God now. - 2:15: DRESS IT: The pruning part.
Genesis	5 Beginnings / GH: GPPI verse	- 2:15: KEEP IT: Not about pruning and clipping and such, it was about watching it and “guarding” it from an adversary. God knows what the adversary is going to do and He tells Adam 'be on your guard here. Don't allow the adversary to come in'. This is exactly what this is talking about. MM references KEEP-Genesis 3:24. Genesis 3:1-24 - Beginning 3: The beginning of man’s sin and Satan’s usurped dominion of the earth. Beginning 3 and Beginning 4 are linked. MM says you have to understand there's a connection to all of this. God creates the earth because He is going to come and inhabit it and establish a kingdom (GH: Beginning 1). He puts man on the earth to be his regent and help us go out and have dominion so that he can do this (GH: Beginning 2). Then, man falls (Beginning 3). He falls into sin and Satan usurps the dominion over the earth.
Genesis	5 Beginnings / GH: GPPI verse	Genesis 4:1-11:32 - Beginning 4: The beginning of man’s devolution. Instead of man’s evolution, these chapters show man going in the opposite direction, getting worse and worse; de-evolving. MM says this is man's downward spiral getting worse and worse. Falling into sin. Evil overcoming him. And him becoming more like the adversary. Paul talks about with THE COURSE OF THIS WORLD-Ephesians 2:2. Talking about the things going on from Genesis 4:1-11:32. During this time period, Satan gets this dynamo of evil going that is THE COURSE OF THIS WORLD-Ephesians 2:2 that he's charting for this world. And he does it to such an extent that it becomes a sort of perpetual motion machine in that it doesn't need any more boosting. It's not only going, it's picking up speed. MM envisions a snowball that starts at the top of a mountain and as it rolls down the mountain it not only gets bigger, it begins gaining speed and what was nothing but a handful of snow at the top, it is gets down this mountain, now it becomes a great boulder of snow. And now it has an impact on everything. When this thing rolls for a thousand years, it is gaining such momentum.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis	5 Beginnings / GH: GPPI verse	This is the image to have in your mind. Evil is overtaking the world and why God brought in the Flood. It's the whole reason why God is wiping the whole thing out because He is stopping this thing before it completely GH: wipes out everything itself. Then, it starts up again and God has to do something to slow down this snowball of evil. At the Tower of Babel, He confuses their languages and then He scatters the people. This doesn't stop evil but keeps it off the full blast, pedal to the metal surge through humanity and God slows the process of evil down so that He will now contend with the adversary over the possession of the earth. Genesis 12:1-50:32 - Beginning 5: The beginning of the nation of Israel. The first four beginnings span over two thousand years in eleven chapters. But the fifth beginning takes the remaining thirty-eight chapters even though the time span itself is very, very small.
Genesis	5 Beginnings / GH: GPPI verse	Shows you where God is putting the emphasis and what He wants us to pay attention to. Where God calls Abraham out separately and promises to make of him a new people. They are going to be a people of God's creation. MM says to understand the 5th beginning, you have to begin to understand some things about the first 4 beginnings. Because all of them are connected. Don't see these as separate things. They are all connected. God created the world and the reason He created the world is the reason He created man. And then when man sinned and Satan usurped dominion over the world. And then put into play the COTW-Ephesians 2:2 which is man's downward spiral. Then the calling out of the nation of Israel is the step that God takes in response to those things that Satan has done. All of this is connected and part of the main trunk storyline that runs through the Bible. So the short of it is, God creates the heaven and earth and all that is in them to set up a kingdom. He means to make the earth His place of residence and rule His entire creation from the earth. Man is the crowning achievement that creation and he's been charged with the commission to subdue the earth and have dominion over it on behalf of God. Lucifer in his prideful rebellion, tries to take possession of the heaven and earth.
Genesis	5 Beginnings / GH: GPPI verse	That's what THE MOST HIGH-Genesis 14:18 is about. That title is the possessor of heaven and earth. He takes the heavens when the principalities and powers join his rebellion against God in the heavenly places and he becomes THE PRINCE OF THE POWER OF THE AIR-Ephesians 2:2. Then Daniel records that all of those angels, except one, those high positions, principalities and powers, except one, rebelled with Lucifer. See Daniel 10:21. There's a government structure in the heavenly places. There's 12 divisions of government structure in the heavens as there is 12 divisions of government structure in the earth as far as God's government goes. That has to do with those 24 elders that are in the Book of Revelation because they represent the angelic representatives before the face of God for all24 governmental places in God's government that He set up in the beginning. Satan had usurped dominion over the heavenly places. And knowing that the earth is created and the first Sabbath, God rests from His creation. Knowing what God is going to do on the second Sabbath, Satan moves quickly, Adam & Eve fall, and dominion of the earth falls into the hands of the adversary. And Satan therefore becomes THE PRINCE OF THIS WORLD-John 14:30. That double title. And everything that follows is nothing more than the contention over who will be possessor of heaven and earth. That's what all of these beginnings are all about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis	5 Beginnings / GH: GPPI verse	By the time you get to Genesis 12, you understand the nation is God's tool for accomplishing the repossession of the earth. But you don't hear one peep about the repossession of the heavenly places until Paul comes on the scene and says, oh, by the way. It was a mystery and no one knew about it but when Jesus died on the Cross, He made a provision for you Gentiles to receive salvation by grace and it is not available. And in this DOGG and you are going to be called into the body of Christ and been made a ONE NEW MAN-Ephesians 2:14 and given a glorified body for the purpose of inhabiting the heavenly places and repossessing the heavenly places back to the Lord. So through the program with Israel to reclaim the earth and his program with the church, the body of Christ to reclaim the heavenlies. He will put them both together in THE DISPENSATION OF THE FULNESS OF TIMES-Ephesians 1:10 and the only way you can really revel with what God is doing is to understand both of these programs and how they're working, and how they're finally going to be put together in eternity out in the end. Where God accomplishes finally what Ge meant to do in the beginning when He put Adam in the Garden.
Genesis	5 Beginnings / GH: GPPI verse	All of this thing that we see is God's brilliant plan being put into action to accomplish the reconciliation of the heavens and the earth. Now, that means that every story in your Bible is connected to this storyline. Every single thing. David and Goliath. The Flood. Daniel and the Lion's Den. MM says we learn these stories in Sunday school and a hundred others and we just kind of see them as another story. Crossing the Red Sea. God parts the waters. But if we don't understand the storyline, then we've missed something here. What we've missed is why they are crossing the Red Sea to begin with. Why not go around it? Why are they crossing it? And why are they crossing at the spot they're crossing? Because there's a reason. God is accomplishing something and why He leads them to Sinai and what was the purpose of those things that took place. Like the bitter waters at Marah and all those things before they ever went to Sinai. Those aren't just stories. It wasn't just a story - they cut down a tree, they threw it in the poison waters and they were made sweet and everybody could drink water.
Genesis	5 Beginnings / GH: GPPI verse	It wasn't a separate story, it was part of the storyline of what God was trying to establish with the nation. And if you don't understand these beginnings begin to spell out to you the great purpose behind all of this, then you only see the Bible as a bunch of disjointed, unconnected, unrelated stories and you miss the doctrine that's being presented here. So what we're trying to do is to put all this together into a single unit so that we can understand this doctrine and we can see that.
Genesis	GH: spirit beings	The issue in the garden was man’s interaction with a spirit being; Satan. That resulted in the fall, which is a very big deal. The issue in Genesis 6 was man’s interactions with spirit beings; the sons of God. The things that took place before the flood are an accurate picture of what it would be like to live in Satan’s world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis - Exodus	GH: GPPI verse	Three essential issues that are foundational to understanding GPPI - these are found in Genesis - Exodus: 1. Where God called Abram apart from his land and people and covenanted with him and his seed after him. The nation of Israel is the seed of Abraham. The core of the covenant is found in the Genesis 12:1-3 and everything else in the chapter merely amplifies what we read in these verses. 2. The first two chapters in your Bible are all about God constructing a place to dwell in, where He is going to bring His residence to. But before He does that, He creates man and He puts him in a position to provide for the establishment of God's kingdom on this earth. 3. Adam was commanded to KEEP the garden. Have to understand what KEEP is and what paradise is. Adam doesn't discharge this responsibility that was given to him very well.
Genesis - Exodus	GH: GPPI verse	All of these things that are going on are pertinent to what happens in GPPI because once all of this is lose and Satan has usurped the possession of the earth, God now enters into contention with the adversary in order to repossess the earth and to reconcile it back to Him. He is going to use Israel to do that. So the tactics of the enemy that worked the first time are the very type of tactics that will be put into play for Israel to defile and corrupt the nation and make them worthless for God's purpose to be accomplished. The first two chapters in your Bible are all about God constructing a place to dwell in, where He is going to bring His residence to. But before He does that, He creates man and He puts him in a position to provide for the establishment of God's kingdom on this earth.
Genesis 1 - 2		When God formed the earth and He made mountains and the fields and the rivers and he put animals on it. He was making it after the pattern of the heavenly places. PRINCIPAL: The heavenly always precedes the earthly. The earthly is always made after the pattern of the heavenly. Means the heavenly gets done first and then the earthly gets done.
Genesis 1 - 2	GH: GPPI verse	The establishment of the kingdom on earth was man’s responsibility. That kingdom is the main issue of the first two chapters in Genesis. You can only understand that when you know that it was God’s intention from the beginning to set up His residence on this earth and rule His kingdom from the midst of His creation. The first two chapters in your Bible are all about God constructing Himself a place to dwell in. Before God does that, he creates man and puts him in a position to provide for the establishment of God’s kingdom on the earth. This is all the background for the Abrahamic Covenant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1	GH: Timeline : Creation	When God made the heavens and the earth, the angels were already here. The angels are older than the CREATURE. When created, they were all created as holy angels. When they are installed on those thrones, they were part of the holy angels. They weren't fallen yet. That's the ones Satan went after to get control of the heavenly places. Didn't go after the angels up in the third heaven farming. He gets all but 1 (of the 24 principalities to rebel) and he becomes the de facto possessor of the heavens when that rebellion takes place. POINT: They were good when installed, then joined Satan's rebellion, now he has control of the heavenly places(GH: Where the angelic government is located.). Creature created on the fourth day. Rebellion on the fifth day. MM says you could argue the third day but it doesn't matter. The creature never had a day to function properly. The creature has never ever accomplished what it was made to be. God creates man on the sixth day. Adam falls on the seventh day. On the first day of the second week, Satan is the prince of the power of the air and the prince of this world. Got them both done right there in the beginning. The real issue is, for the first time, you are going to enable the creature to do what it was designed to do. Second day of creation, Lucifer gets the heavens. Second day of man on the earth, Lucifer gets the earth. Adam needed to be educated by God, but got competing wisdom - sew fig leaves together, hide yourself, when He asks you about it blame the woman, etc. Adam never got qualified to labor with God and before we get qualified, we are going to have to get His Wisdom.
Genesis 1		Genesis 1: The first picture we have of God in the Bible is as a Laborer. God labors for six days to create the heavens and earth and when He finishes each day, He evaluates it and enjoys it (it was good or very good). First thing God does is give Adam a job (GH: naming the animals). God created 3 divine institutions at creation: 1. Labor 2. Marriage 3. Family God's Instructions to Man - HAVE DOMINION-Genesis 1:26 (Subdue) over the earth - DRESS IT-Genesis 2:15 (Cultivate) the Garden - KEEP IT-Genesis 2:15 (Guard) the Garden (Genesis 2:15 - God puts Adam to work). - Name the animals - Genesis 2:20

Genesis 1	Non-MBI	DP: Genesis 1 STYLE: 1. SUBJECT (GOD, WORD, SPIRIT) 2. VERBS (CREATED, MADE): Very simple. Hebrew word for CREATED 'bara' (sp?) means to make something out of nothing. Only occurs 3x in the whole of Genesis 1. For 1. Matter 2. Life 3. Man. He uses the word MADE, which means to make something out of something else. We can make/manufacture things, but we can't create. - CM: Tectonic Plates: Greek word 'Tektone' means Carpenter. 3. OBJECTS (DAYS 1-7): Each sentence is so simple anyone can understand. Genesis 1:1		1 In the beginning God created the heaven and the earth. The Bible assumes the existence of God just by the mere mention of Him. It's not a defense of it, it's just telling you. It's not offering you proofs of His existence. GH: MM tying to Romans 1:18-20. Way the gospel should be. THE HEAVEN AND THE EARTH: The combination of “heaven and earth” is used over 200 times in your Bible. Know there are two different realms that are separate and distinct from each other and if you are the adversary you want to be the possessor of heaven and earth, you know first of all you need to have a power base in each one. He set one up in the HEIGHT and set one up in the DEPTH (See Romans 8:39) HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth. HEAVEN: Singular but we know there are 3 heavens. Which one is he talking about? Third Heaven was already in place. MM believes the first Heaven is part of the creation of the earth. MM thinks this refers to as the second Heaven. Ties with the rest of the passeage - sun, moon, and stars; greater light and lesser light-v7 & v14. - First Heaven: Atmosphere around the earth - THE BIRDS FLY IN THE FIRMAMENT OF THE HEAVEN. - Second Heaven: The whole rest of the universe - the sun, the moon, and the stars and all that. AKA the Creature. - Third Heaven: The place were God lives. Where the manifest presence of God is. The Throne. The New Jerusalem.

Genesis 1:2		2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. EARTH WAS WITHOUT FORM AND VOID: MM taught the word WAS was the Hebrew word <???> and that word meant BECAME WITHOUT FORM...Means something happened between v1 and v2 called the Gap Theory. God created it. Satan saw it and got upset, tore everything up and the earth BECAME without form and void. Could have been millions or billions of years between v1 and v2. Allowed them to get along with the evolutionists. MM says there is no gap. It couldn't be a theory. A theory is always based on observable, testable, and witnessed data. Theory doesn't mean if I can dream it up, suddenly now that is it. It didn't BECOME without form and void. It WAS without form and void. God made the earth inhabitable. He wasn't just thinking about us. He was thinking about Him. He will rule the whole creation in the AGES TO COME from here. He is going to set up His residence from here and rule the whole thing/creation from here in the AGES TO COME. He meant this to have some things that He had already made up in the third Heaven. We have mountains and valley and streams of rivers and plains and agriculture on this planet. Not the first time this has happened. Has been happening up there (Third Heaven) all along. Bible said He fashioned it - when He fashioned it, He did it out of His Wisdom. Get this picture in your mind, God had a blueprint, fashioned from the wisdom of His mind that said, this is how I AM going to make this.
Genesis 1:2		2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. VOID: Empty Took 7 days to shape it and fill it. AND THE SPIRIT OF GOD MOVED ON THE FACE OF THE WATERS: The whole thing was under water. Later, you find out what He was doing. He was laying the beams of His chambers in the waters. Find this in the 5 poetic books. **See what the Spirit is doing by looking at Genesis 1:2, Psalm 104:1-3, Hebrews 11:10, and Revelation 21:1-4**.
Genesis 1:3		3 And God said, Let there be light: and there was light. QUESTION: If on DAY 1 God said let their be light and their was light and the light He called day and the darkness He called night, how come it wasn't until DAY 4 you get the sun, and the moon, and the stars? What was that light? There's a glory/light to God. LET THERE BE LIGHT: This is light, stemming from God and what He did when He put the curtain and frozen deep up but you can't see it because it is on the other side. Even the light that would come down outside the curtain you couldn't see. Put a curtain up when you want to block out someone's ability to see. It may well have been that Lucifer's was somehow involved with that light. MM doesn't want to say that he produces it, but his name reveals that he "carries" it or "bears" it. In that sense, he may have been involved in it. But no matter the degree to which he was or was not involved, Lucifer (the light-bearer) rebelled on Day 4 of creation week.

Genesis 1:6-8		6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. 7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. 8 And God called the firmament Heaven. And the evening and the morning were the second day. v6: FIRMAMENT: Is NOT the heaven. Is something IN the heaven. Root word is FIRM. Firmament holds everything in place. Bible said the ordinances of heaven that hold everything in their goings? in that space and it becomes firm. The whole universe is held in place and there is a firmness to it. v7: FIRMAMENT: What's bigger than the creature? The firmament - **the creature is in the firmament**. We are going to bring that creature out of the coma and be the intelligensia, be the central nervous system of the creature to make it come back to life. God created the FIRMAMENT on the second day/Day 2. The FIRMAMENT and the CREATURE are not the same thing. If they were the same, the creature would have been created on the second day. Before you have a heaven (FIRMAMENT), you can't have a government in it. There's no government in that yet prior to it being a heaven. v7: AND IT WAS SO: God said it was SO. He didn't say it was GOOD (v10, v12, v21) like the other days. Only one like that. MM believes in this second heaven or firmament are the principalities and powers that rebelled with Lucifer. God puts His government in the heavens and before the third day, the rebellion has taken place. Now 23 of 24 principalities in God's goverment have aligned themselves with Lucifer. The Creature only functioned correctly for a day and then it got corrupted. Satan is not the one who corrupted it. Creature gets 1 good day then it is under the bondage of corruption and then it is waiting for THE MANIFESTATION OF THE SONS OF GOD-Romans 8:19.
Genesis 1:14-18	GH: WoD Teaching	GH: MM teaching on NIGHT and DAY, light and DARKNESS in Romans 13:12. v16: TO RULE THE DAY: MM always wondered why say TO RULE THE DAY. If someone rules, that's their reign, like a king does. A king reigns in his kingdom. He's the authority. v16: TO RULE THE NIGHT v18: TO RULE: When God repeats this issue, it's because there's a principle He is trying to drive home. v18: TO DIVIDE THE LIGHT FROM THE DARKNESS
Genesis 1:14-17		14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: 15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. 16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. 17 And God set them in the firmament of the heaven to give light upon the earth, Physical aspect of the creature gets formed on the fourth day/Day 4. v15: IN THE FIRMAMENT OF THE HEAVEN: MM citing as an example of the 'second heaven'. v16: GREATER LIGHT TO RULE THE DAY: Sun v16: LESSER LIGHT TO RULE THE NIGHT: Moon v17: GOD SET THEM IN THE FIRMAMENT OF THE HEAVEN: MM citing as an example of the 'second heaven'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:16		16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. Notice that the verse doesn't say that God made the greater light to "light" the day, but to "rule" the day. The lesser light does not "light" the night, but it "rules" the night. The terminology is revealing and should not be overlooked. TO RULE THE DAY: Why didn't He just say to give light to the day? MADE THE STARS ALSO: The ALSO is the stars. A double verb.
Genesis 1:17	Non-MBI	PR: v1-8: don't deal with the earth at all, They deal with the SECOND and THIRD heavens. Notice the change of the 'firmament', called 'Heaven' in v8, and the firmament called 'Heaven' in v17. They are not identical.
Genesis 1:18		18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. Repeats the TO RULE - a dominion term. There's something a work here that you are going to have to know about, something that God set back in that original creation that has to do with ruling in those things. The creature is not the biggest thing out there. The biggest thing out there is the firmament. The creature is in the firmament. They are not the same thing.
Genesis 1:20-21	First Mention = CREATURE / First Heaven	20 And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. 21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good. First time CREATURE shows up in your Bible. v20: THE MOVING CREATURE THAT HATH LIFE v20: FOWL THAT MAY FLY ABOVE THE EARTH IN THE OPEN FIRMAMENT OF HEAVEN: MM citing as an example of the 'first heaven'. v21: EVERY LIVING CREATURE THAT MOVETH Words that define the CREATURE: moves, has life. Have these 2 words in mind when you think about the CREATURE. Used both times. So a creature is designed to have life and to move. Therefore we know that the creature of Romans 1 and Romans 8 was designed to have life and to move (go somewhere). **LIFE and MOVEment are what Paul is after when he uses the word CREATURE**. Movement is not just some planets going around a sun. The whole creature is designed to move and do something. It is not doing it now. Things are revolving and comets are flying but this is not what the creature is designed to do. The creature will function as a single body and is supposed to operate in unison with each other. The creature can THINK and DO and LABOR. It was created to be a godly creature. MM wonders what God created it to do and where is it going?
Genesis 1:22		22 And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth. GOD BLESSED THEM, SAYING: When you bless someone, you are saying good things about them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:26-2:20		Commands that God gave to Adam (GH: man): 1. v26: LET THEM HAVE DOMINION over the earth - DOMINION OVER: When you have dominion over something, you are controlling that. - v28: SUBDUE IT...HAVE DOMINION: To do this will take some effort on Adam's part. - SUBDUE: When you find the word SUBDUE in your Bible this is most often a military type action. v29: EVERY HERB BEARING SEED...EVERY TREE: The planting of the seeds is how plants continue. Someone is going to have to do this work as well. All that seed, going to have to plant that. That's a work. 2. v15: DRESS IT AND KEEP IT: This is more labor that Adam is doing. MM says the way most people think of the Garden of Eden is that it is a big retirement place. You went out and laid in the hammock and the hummingbirds came by and entertained you for a while and the breeze gently blew but in reality, there was work to be done. Adam got put in this garden and the Lord said I NEED you to keep it up. DRESS: **To work by adorning, embellishing, and improving**. MM says God meant for the garden to be taken and improved upon and embellished. That was part of the labor. MM references the home improvement shows where the home looks totally different. That's the work of embellishing or adorning. Adorn would be trimming plants for aesthetics and to allow them to regrow more in a better way. Means Adam has to prune some things back and cut some things back so it actually begins to actually produce the way it is supposed to produce.
Genesis 1:26-2:20		KEEP: **To exercise great care over. It includes the idea of 'guarding' and 'watching over' with the idea of an enemy in mind. Means 'to guard, maintain, be faithful to, and preserve**.' There is a whole lot in this word KEEP. MM says if KEEP needs to guard with the idea of an enemy in mind, Adam is being told to watch out for an enemy. This is a warning to Adam about the very thing that happened. MM is not trying to cast dispersions on Adam but the enemy did come into that garden and was successful. So Adam has the BUSINESS of making sure the garden is taken care of but he has to protect it and there was a reason behind that. 3. v20: AND ADAM GAVE NAMES: God is going to bring all the animals to Adam to see what he would call them. It is Adam's job to name all of the animals. Doesn't say it in the verse, but MM believes God walks these animals by Adam in pairs, just like they came on the ark. This job is to make Adam come to the same conclusion of his Father. God realizes that Adam can't do this alone. God is gives Adam another job that causes this conclusion to happen in his own mind. - v18: IT IS NOT GOOD THAT THE MAN SHOULD BE ALONE; I WILL MAKE HIM AN HELP MEET FOR HIM: MM doesn't take that as He is talking to Adam, He doesn't YOU be alone. It's the Godhead talking. It's like Adam is not in this conversation. HELP MEET: Is someone who comes along side to help him do the things that he is doing. That is what God knows is going to be needed. Adam is looking at these pairs of animals and he is naming them. MM believes there is thought in what Adam is doing. Adam is thinking, everyone of these animals come by 2s and I'm here by myself. Couple things: 1. It's going to take these pairs to continue on for future generations.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:26-2:20		2. It's not future generations for Adam because if he eats from the tree of life, he will live forever. But it is also that work he needs to get done for his Father. He needs someone to help. **But once Adam falls in the garden, the work that he has to do changes. He was always going to work. But now, he is going to have to work under adverse circumstances**. It's the way that work is, now work is different. Why people don't want to hear, when you get to heaven, you are going to have a job, because they know how they feel about work here. But you won't feel about it like that when you get a glorified body and work in your Father's Business you won't feel about work the way you feel about work here. **Man was created/designed to be busy**. That even works to an extent today. Some people don't like to work but if you don't work, most of us would go crazy. Adam needed some help because he was involved in a labor that was bigger than he could do.
Genesis 1:26-28		MM taught in Bible college about the image of God. Way it got described is the way most of the world looks at it. He didn't realize what he had sitting in his Bible in Genesis 1:26-28. Didn't understand the real importance of that doctrine. Because of this, when he came to Sonship, he had no idea of the connection that these verses in Genesis 1 were supposed to have on him. Not just on him but the education he is involved in. Going to be this way for you too. If we understand this properly, the image of God is going to make a huge difference in what we're learning and how we are learning it. Focus on 3 important subjects: 1. What the image of God is? 2. How the image of God is important? 3. How practically knowing about that image is going to practically affect our everyday lives and it will. Bertrand Russell (atheist) Quote: We are the product of causes that had no pre-vision of the end they were achieving, the hopes, fears, loves, and beliefs of our minds are just the outcome of the accidental collocation (connection) of atoms. MM says all of these terminologies that you see here - let us make man in our own image and after our likeness and let him have dominion over everything ad be fruitful and multiply and replenish the earth and then subdue the earth - all of that language is comprehensive. It's not limited to just Adam. That's why He used the plural pronouns THEM. It's really talking about mankind. Thinks this because Eve not the only one to fill the earth with children. God knows it is going to take more than you two to get this job done. Be fruitful and multiply because this mandate is going to be handed down to your kids and then to your grandkids and your great grandkids. It's comprehensive in the same of LET US MAKE MAN (mankind collectively, not talking about 1 guy). The image of God is not something that God has to install every time a new person shows up on the planet. The image of God is going to be naturally handed down to the off spring.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. Adam shows up on the sixth day/Day 6. AND GOD SAID: He is obviously saying something out loud for somebody's benefit. Couldn't have God just thought it all in? If you notice through the creation account, He's constantly saying what He's doing and GOD SAID. That has to be for somebody's benefit. **Angels are the only ones who can benefit from that**. LET US MAKE MAN IN OUR IMAGE, AFTER OUR LIKENESS: Two different things going on here. 1. God's Likeness -> Godliness 2. Satan did not have the ability to be educated in Godliness. Satan was full of wisdom but it was never going to get wisdom like God's Wisdom.
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. LET US MAKE MAN IN OUR IMAGE: Angels know good and well they are not. MM thinks God means to have Lucifer hear what He is doing. That grates him because man (a hunk of dirt) will be put in charge of the earth, not Lucifer. We are made out of the basis of materials. We sweep it out of our houses. We tell our kids we'll wipe it off the bottom of their shoes. God takes the dirt, forms it, breathes life into it, and gives it dominion over the earth. That's gotta hurt. Another reason why it's gotta hurt. Satan has an abundance of built in wisdom. Man is not created with all of his wisdom. Some preachers will take issue with this, saying that Adam knew everything. MM will prove that he had to be educated. Talked about what God considers good or evil, values/esteems, hates/abhors. Son will learn what his Father sees as good, he sees as good. Learn what his Father values, he is going to value it. Lucifer, FULL OF WISDOM, PERFECT IN BEAUTY, and with music built in, looks at Adam and say you don't deserve to be running this thing. I deserve to be running this thing. Making man to have godliness - Think, Act/Live, Labor - had to sting. Being created without any wisdom but able to get God's Wisdom is superior to being created as a cherib full of wisdom but you will never be educated to have God's Wisdom. God is not talking to the other Members of the Godhead, **He is talking to the members of the divine council to inform them about what He is about to do. MM knows this because every member of the Godhead is co-equal and omniscient**. One doesn't say to the other let's go do this because they were already thinking that. They don't need to say this to each other. He is letting the members of the Divine Council know this is what we are fixing to do.

Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. The world and Satan have a different wisdom and would say, oh no, this is better. In the dispensation of grace, we say it would be better if God would just do this and God says I AM not doing that, I AM doing it this way and the end result is going to be better for everybody. We say why do I need to learn it? Why is it not just given to me. Because you are going to go further learning it. **Satan's wisdom is corrupted. You are going to be given a wisdom superior to his**. God is going to start to educate Adam. Even though man wasn't created wise as Satan and he wasn't as beautiful as Satan and the beasts of the field are made from dirt too. Difference is God created man for godliness in His likeness to do these things. He did not create the animals to do that. Evolutionists just want to talk about biological things. Don't want to talk about how a man can be educated to think like your Heavenly Father. But most preachers don't talk about this either. **When Adam is created, he doesn't have any natural ability to rule the earth. He is going to have to be educated**. Better than natural wisdom, man has the ability to get his Heavenly Father's wisdom. IN OUR IMAGE, AFTER OUR LIKENESS - MM says these are close but they they're not the same. They have different shade of meaning here. Even the preposition is different. You get made IN an IMAGE and AFTER a LIKENESS. Knowing that every man is made in the image of God is meant to impact the way we think about other people (and thus change the way we interact with them).
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. IN OUR IMAGE, AFTER OUR LIKENESS: The IN is the key. Couple ways to use IN: 1. If I say I have a splinter in my finger or I live in Texas, it is giving you a location. 2. Another way - Cut the pie in slices - the IN is directing the action of cutting. 3. I signed my name in ink - IN is describing the medium by which you are signing - in ink. 4. The way MM thinks it is being used here - I work in education - the IN tells you something about who you are and what I'm doing. The IN is actually points toward your purpose/function. Your function informs your purpose. After God created everything - the spiritual realm, heaven and earth, all the animals - the last thing He created is the pinnacle of His creation and it's man. It's the pinnacle because it is the only part of everything God created that's going to be made in God's image and likeness. It's the only thing. When you discover what that is, there's real dignity and honor and glory affiliated with that. What would it be your reaction if you were back in the day and the apostle Paul walked in - there would be a great amount of respect. Wouldn't you want to stand around and hear him talk about stuff? AFTER OUR LIKENESS: Not a physical likeness.

Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. LET US: Plural possessive. In Bible college, MM taught that this referred to the Trinity. He doesn't believe that is true. Because before man was created there is a whole nother realm with creatures in it - the sons of God, the angelic spirit realm. MM doesn't think God is saying it to Himself. All the members of the Godhead are equally eternal, omniscient - if the Father said I've got an idea the Son would say wait, I'm already there. He is not saying it for His benefit, He is saying it for the benefit of the host of heaven who are about to witness this. It's not that the angels created us, He is using it in this form. If I say, after church, let's all go get some pizza but MM is planning on buying the pizza. We are actually all going to go get some pizza but actually MM is going to get (buy) it. In v27, it is back to singular - IN HIS OWN IMAGE-v27. God created man in His own image. It went from US (being said to the whole angelic realm that is out there-letting them know what is about to take place) to God singular HIS OWN IMAGE-v27. MM doesn't think it went from Godhead plural and then when it got done, it went to the Godhead.
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. US: A reference to the Members of the Godhead. Image = a thing in which the aspect, form, or character of another is reproduced; a counterpart; a copy; a living image, (i.e., a person with striking resemblance to another; a ‘spitting image’). An image represents another. (Charles Smith) OUR LIKENESS: God's likeness? Godliness? From where we get the term 'God-li-ness'. Contraction of those 2 words. 3 Components: 1. Think like God. Have to get your thinking straight. 2. Way you act or live. Behavior needs to line up with your new way of thinking. 3. Labor - Labor with Him - see things as He sees them. If you are not doing the above 3 or interested in the above 3, you are not godly. LIKE: An exact representation or match. Make man in our own likeness so that as he thinks and acts and works, it looks just like what I would do as their Father. When God created man and put him in the garden, God gave Adam a set of instructions; 1) have dominion over the earth, and 2) everything in it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man / Divine Institution: Responsible Labor or Dominion	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. LIKENESS: Not Him, LIKE Him. Doesn't have anything to do with the physical. It is to represent Him and represent His character. These creatures or humans that God is creating are His proxies. Even though people are different in physical characteristics and personalities they would all be a reflection of Him. This is the purpose of every human. This is why God made people. Answers the question 'Why are we here?' You are the image of God answers the question 'Who am I?' You are made to be His reflection and His representative. Just to be human is to be the image of God. To be human is to be the representative of God. It has nothing to do with how good a job you are being His representative. You can do a lousy job of representing God, that's still who you are. A tape measure can decide it doesn't want to measure and it is still a tape measure. The decision doesn't change it. God made man in His own image. THEM: Adam & Eve HAVE DOMINION: First of 3 of God's Instructions to Man. DOMINION: First mention in the Bible. Dominion is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion. Adam was put on the earth and told to have dominion over it and subjugate every creature on the earth. GH: MM associates as a governmental theme. Man was to exercise control, management and rulership over the earth. And while we can look at this and see a function of government in the dominion concept, human government was not yet in its final form. That does not happen until after the flood and there is a reason for the timing. The overriding purpose or theme of man is to “rule creation”. We are to rule over the animal kingdom. We are to multiply in number and fill the earth so that we can subdue it and rule over the entire creation. Man’s purpose is to “rule creation”. That is why God created man. God created man to be a “responsible ruler” or “laborer” over creation. And thus we have the 1st Divine Institution: Responsible Labor or Dominion. Once again, Labor is man’s purpose. This is why after the Fall, what does God curse in relation to Adam (Gen. 3:17)? Labor! Now labor is going to be much more difficult. Interestingly, labor was not something introduced because of the Fall. Only man (not squirrels, not even angels) are suited for godliness. God's likeness is the contraction of godliness. That's what man was created for because we are a created in his likeness. Angels are not created in the likeness of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 1:26	Divine Council = LET US MAKE MAN / HAVE DOMINION: First of 3 of God's Instructions to Man / Divine Institution: Responsible Labor or Dominion	26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. Everybody thinks 'I got saved, I am not going to hell' is the big deal. MM is not saying that is not important. When God created Adam, he didn't need redeeming. He began to teach him. He wasn't made like the angels with built-in wisdom. God had to tell Adam what was good and what was not good. He is going to teach good and evil from His Wisdom. **The tree of the knowledge of good and evil is the counterfeit wisdom**. That's why He says, 'don't eat of that tree'. It's not a test of obedience. It's much more than that. It is let Me teach you about what is right and wrong. Serpent comes along and sells them on a bill of goods. God created Adam so He could teach him His Wisdom so that He could enter in this relationship with him where God and Adam would have an intimacy of relationship and God every day would be instructing Adam and bringing him along to show him how to begin to think because He made Adam the regent over the earth, not Satan. Had to bug Satan. If he stuck with it, Adam's wisdom would exceed that of the adversary because he is going to have the wisdom of His Heavenly Father put in Him and that is greater than the adversary's wisdom. When Adam sins, salvation is not the end, it's the necessary thing. In order to get man back to when God said I want man to come to work with Me and labor right alongside Me and participate in the glory of what I AM going to do in this Kingdom. That's what He creates man to do. When man falls, God doesn't abandon His plan. God says I AM going to have to take steps to make sure this really does happen. He has to provide redemption. MM grew up in churches with over 1,000 people and every Sunday morning, the message is to the lost, even though there's 1,200 saved people sitting out there, all listening to a message that is not intended for us at all. People say well they are evangelistic and want to see folks saved. MM appreciates that. But because of that we get to thinking that salvation is the end. It's not. It's the means to the end. It's a necessary thing because we're in sin, we have to be saved so that we can still wind up with this great purpose. The reason for redemption was so He could still adopt us. Satan would love for you to not be saved but if you are going to be saved, let's make salvation the big issue, and leave it at that. That way, you are never trained as a son. Make sure you never hear sermons on adoption. Make sure you serve God in the form of the law, in a list of rules. Today Christians don't see their sanctified life as a big deal. Preachers don't preach on sanctification that much. They think getting out of hell is the big deal.
Genesis 1:26-30	Non-MBI	DP: LET US: See the Trinity. PR: OUR IMAGE: implies the existence of the Trinity, because in the N.T. the 'image' is said to be Jesus Christ Himself, by definition (2 Cor 4:4, Col 3:10, Heb 1:3). CM: Adam: adomah, means “man.” The same 17 elements that make up our body chemistry are the same 17 elements that are found in the “dust of the ground.” v28: PR: This is the Adamic commission that matches the Noahic commission. v29: PR: Neither man nor animal eats grass, nor do they eat animal meat. You are told what they eat is the 'herb bearing seed' and fruit trees (Genesis 1:11-12). Animals don't eat grass until AFTER the fall, and men don't eat animals until AFTER the fall. v30: The word 'meat' here, is more than just 'meal' (1 Chronicles 21:23, Lev 2:1), as new Bibles try and substitute. Anything you put in your mouth is 'meat', such as green herbs (here), fish (John 21:5), and bread and other bakery products (called 'bakemeats' in Genesis 40:17). Notice that animals are vegetarians in v30.

Genesis 1:27		27 So God created man in his own image, in the image of God created he him; male and female created he them. **Please see 'Bare Bones Lite : The Image of God' in the commentary.** IN HIS OWN IMAGE THEM: Adam & Eve
Genesis 1:28		28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. God intends for them to take back the territory where He will set up His holy habitation. In His kingdom they will function as the "kingdom of priests and an holy nation." The nation of Israel will do what Adam was supposed to do when he was the monarch of the earth; subdue the earth. THEM: Adam & Eve HAVE DOMINION OVER...EVERY LIVING THING THAT MOVETH UPON THE EARTH SUBDUE IT (the earth): What Adam was supposed to do. Military action in your Bible. When you subdue something you take control of it and then have dominion over it - a governmental issue. Adam is in charge. In like manner in the kingdom, Israel is going to subdue the earth and bring it under God's dominion and that is their job as a holy nation and kingdom of priests. Because Adam fell, it is no longer in the hands of a single man. It is now in the hands of a nation. SUBDUE: EX The Police will force comply a person if necessary. Means you have overcome someone.
Genesis 1:28		28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. REPLENISH THE EARTH: God is not saying 'fill it [the earth] up again', He is saying 'fill it [the earth] full'. Everybody looks at REPLENISH and thinks He is saying 'fill the earth up AGAIN'. Raises the question - when did God fill the earth previous to Adam and Eve? This gives rise to a doctrine that says there was a pre-Adamic race on the earth, but something happened to them, and when He gets to Adam and Eve, He needs to REPLENISH the earth. RE- here is not do again (reload) but an intensifier (regret). PLENISH reminds of plenty. If something is plenteous, there is a lot of it. The Lord is not saying in a casual way, 'have some kids'. The intent for putting man on the earth is to literally to fill the earth up with people. God is saying I WANT you to fill the earth up with people, not I want you to fill the earth again. MM says God is not worried about over-population, that is man's wisdom. God wants the earth filled to capacity. REPLENISH: There is a sense in which this means to fill up. We look at the RE- in that and we think fill it up. Gives rise to the thought that there was a pre-Adamic race of humans. And actually, what's going on in Genesis 1 is just God redoing that again the next time. Replenish: OED: 1. a. transitive: To stock or supply (a place) abundantly with people or animals. b. transitive. Esp. of God: to endow (a person) fully or abundantly with something. 2.a. transitive: To supply (a place, space, or cavity) with a great deal, or as much as it can hold, of something material or immaterial; to fill, fill up. 3.a. transitive. To occupy the whole of (a place, space, or any object); to fill to capacity.

Genesis 2	GH: God makes the first move	In Creation, God made the first move by creating us
Genesis 2:1		1 Thus the heavens and the earth were finished, and all the host of them.
Genesis 2:2		2 And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made. We see in the first two verses that God ended his work and rested on the seventh day. HE RESTED ON THE SEVENTH DAY FROM ALL HIS WORK: God created everything in 6 days and then He rested on the 7th. It wasn't because he was wore out. The rest just means He stopped His creative work. HE RESTED: He ceased from activity or labor.
Genesis 2:3		3 And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made. SANCTIFIED: Holy, set apart - He blessed the seventh day and sanctified it. Need to understand what God is doing when He blesses the day and the significance of Him sanctifying it.
Genesis 2:5		5 And every plant of the field before it was in the earth, and every herb of the field before it grew: for the Lord God had not caused it to rain upon the earth, and there was not a man to till the ground. BEFORE IT WAS IN THE EARTH...BEFORE IT GREW: **God put those plants in fully mature BEFORE they came up out of the ground. Two reasons:** **1. There was no rain** **2. There was no man to till the ground** **MM says if you are a creationist, you know the chicken came before the egg**. THERE WAS NOT A MAN TO TILL THE GROUND: MM says man is not even on the scene yet.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:7		7 And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul. FORMED MAN OF THE DUST OF THE GROUND: That's terristrial, it's made of this earth. God took something and made something else out of it. When God went about the business of forming the earth the way He wanted it to be, the way He had already determined it to be by His wise master plan. God created it and He also formed it. GOD, THE GIVER OF LIFE: If God is the giver of life, people come along and say well, if a woman is raped and she gets pregnant and has a child, are you saying God is the One that now has made sure she is pregnant? Once again, this is people thinking God is inserting Himself into the situation and making something happen. God is not pushing the DOGG aside and interupting what He is doing and inserting Himself so she will not get pregnant and then pulling the DOGG back into place. That would be intervening by means of His omnipotent power. Not what He is doing. Yes, He is the GIVER OF LIFE but it is through a process He has put into place. IN ADAM GOD BREATHED INTO HIS NOSTRILS THE BREATH OF LIFE: Not some spooky mystical thing - he started breathing.
Genesis 2:7		7 And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul. MAN BECAME A LIVING SOUL: People think that the physical is all there is and there is no such thing as a SOUL. Like Adam, you are a living soul. SOUL: Is an immaterial substance that contains consciousness and animates (that makes living) the body. *We live everyday in the physical and it is hard to change the default. All of Paul's requests are spiritual in nature. That is hard for us because we live in the physical and it is hard for us to default. MM wants you to understand who you really are. What you are looking at is not MM. It's his body but the real MM is inside this body. You are not looking at the real MM. You are looking at a body but the real MM is animating this body. And MM is not looking at the real you. He is looking at a particular body that is unique to you, but the real you is on the inside. MM is going to show his view on this but admits there are competing views. MM trying to show why Paul is so focused on spiritual issues. People think that the physical is all there is and there is no such thing as a SOUL. Paul and the Bible disagree (1 Corinthians 15:45 & Genesis 2:7). Like Adam, you are a living soul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:8		8 And the Lord God planted a garden eastward in Eden; and there he put the man whom he had formed. **God is making preparation for His residence being set up, exactly where He wants it, surrounded by the kind of vegetation He wants**. The 8 days encompassing the 1st and 2nd Sabbaths has the preparation for the Lord to set up His residence and dwell among men on the earth. The feast of tabernacles holds this out and because of the Sabbath constantly pointing you back to the first week of creation, we see the significance of the 2nd Sabbath. GOD PLANTED A GARDEN: He didn't ask Adam to do it. MM says there are probably some things that are in the garden that God put in there that He Himself planted because He wants certain things and He is going to set up His residence there. When you set up a residence somewhere, you want what you want around you and that is what God was doing.
Genesis 2:9		9 And out of the ground made the Lord God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil. LORD GOD: Double objects - He is the only One doing the trees. GOOD FOR FOOD: Apple tree or an orange tree or a plum tree. THE TREE OF LIFE ALSO: Not just GOOD FOR FOOD trees, He made another kind of tree.
Genesis 2:15-17		Adam is "at one" (not a permanent at-one-ment) with God, he's not God's enemy, he's not at odds with God, but all that is conditional obedience ([GH: not] eating of the tree of knowledge of good and evil). People who believe you can lose your salvation believe when you got saved your got brought back to the condition of oneness with God. But what about sin tommorrow? It's conditional. It's a return to what Adam had.
Genesis 2:15	TO DRESS IT: Second of 3 of God's Instructions to Man / TO KEEP IT: Third of 3 of God's Instructions to Man / Divine Instituion : Labor	15 And the Lord God took the man, and put him into the garden of Eden to dress it and to keep it. That dominion (Genesis 1:26) means that man was to subdue the earth, dress and keep the garden. TO DRESS IT AND TO KEEP IT: To prune & maintain it and to guard it. TO DRESS IT: Second of 3 of God's Instructions to Man. Dressing it is taking care of it/maintaining it. TO KEEP IT: Third of 3 of God's Instructions to Man. When Adam told to keep the garden, that's guarding it against an enemy. He failed, which is why the serpent beguiled Eve. Notice that these commands are prior to the creation of the woman. The purpose of man was to have dominion over the earthly creation. The first couple were to be God’s monarchs on the earth. Notice that God puts Adam to work; Adam is to labor by subduing the earth, and dressing and keeping the garden. The first thing presented to us in the Bible about God is as a Laborer – He labors six days to create heaven and earth.) This makes Labor the first Divine Institution (DI). The dominion “office” Adam has been assigned by God, that Adam is given the instruction to work. Why? Because dominion requires labor. (Godly Labor results in Responsible Dominion.) The two are connected; there is no dominion without labor. So, the institution of “Labor” comes from God and it becomes the basis of the social structure that God is going to put into place.

Genesis 2:16-17		16 And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: 17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. Did Adam recognize the fulness of the consequences of sin? He had never seen sin nor death. MM would like to ask Adam what he knew. v17: IN THE DAY THAT THOU EATEST THEREOF THOU SHALT SURELY DIE: Four ways to look at this. First 2 are death takes place the same day. 1. The same day you eat, you will die physically; your body will die. But we know that did not happen. Don't have a verse but deduce this when they don't die. In fact, Adam lived 930 years before he died physically. Since we know God cannot lie, we know this is not the meaning He intended Adam to understand. 2. They died the same day they ate, only not physically, but spiritually. MM thinks they did die spiritually, but MM not convinced that is the sense which God intended by the warning. When God says they were going to die, MM thinks He was referring to the physical death of their bodies. 3. Run over to 2 Peter 3:8 and make a “day” a thousand years, and then show that Adam died at 930, so he did not live out the “day.” Principle in the Bible of a 'millenial day' when we talk about the Day of the Lord, it includes that 1,000 year kingdom and some other things. MM says this is true but doesn't think the millenial day concept had been established since Adam had only been on the planet for less than a week.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:16-17		16 And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: 17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. 4. Look at “in the day” is to understand it is the sense of “the day you eat of this tree, you are destined to die,” or “the day you eat of this tree, you have made your death certain,” not “you are going to die today.” MM believes/thinks it is this one. Several reasons: Concedes #2 and #3 but believes He is talking about phyiscal death. MM's interpretation: The day you eat of that tree, from that day or in that day, you are destined to die. The day you eat your death is certain, it's sure. Now going to be your destiny. You are going to die. THOU SHALT: Something that is going to happen. SURELY: An air of certainty. It is certain. Added because they didn't die right away. Otherwise, you might be thinking you got away with it. When Adam took a bite of the fruit, you don't get the impression he thought he would die on the spot. Eve had already eaten. MM thinks they understood like his interpretation. MM thinks Adam didn't know he was going to live 930 years but knew it (physical death) was coming one day. He was willing to do this now and pay that consequence down the road. Because dying “one day in the future” is a different from dying on the spot. Why the warning didn't work. MM thinks if God said 'the moment you eat, you are going to drop dead' they would have said no thank you. There is a tendency in us when we don't feel the affects of something immediately, you think you can kind of escape it.
Genesis 2:16-17		16 And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: 17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. SURELY (cont'd): If you knew the consequences of disobedience were down the road, it gives you a little more room to think I can do it because it is not going to affect me immediately. God didn't say the moment you you eat of this fruit you will die and there is a reason for that. What would you gain from that? Nothing. Adam does it because he thinks there is something to be gained and even though one day it is going to cost him his life, he is willing to do that because of what he thinks that he is going to gain. We all do things that in the long run are not beneficial, are not helpful, but because the consequence doesn't happen to us immediately, we do them knowing about the one day consequence. But if that is sufficiently far off, we can put it in a little box and put it out of our mind and not think about that. Important because not only do we underestimate future consequences, then we make ourselves willing to suffer those consequences. Adopt the attitude I will worry about that when it comes. MM wants to sit down with Adam one day and ask what did you think the consequences would be for this? Did you know everything that was going to be wrecked by this or not? Until we understand what sin is and its consequences, this will not impact us either. TREE OF THE KNOWLEDGE OF GOOD AND EVIL: If you didn't know about this, you would be tempted to say there is not anything wrong with knowing good, it's the knowledge of evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:16-17		16 And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: 17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. **The GOOD and the EVIL were the 2 philosophies of men:** **1. Eat, drink, and be merry - whatever the flesh wants to do, just satisfy the flesh and that's where real happiness lies. Run riot and do whatever we feel like.** **2. Not the flesh but the moral aspect of to it. The moral good of man. Let's control ourselves. Let's be morally pure and do it ourselves.** **KNOWLEDGE OF GOOD AND EVIL was learning to conduct yourself according to man's philosophies. Not about knowing right from wrong. About learning two counterfeit systems to godly Wisdom**. God gives Adam access to everything in the garden; with one exception. One tree is off limits by penalty. In essence, God is saying that the issue of good and evil will remain with Him and Adam was not to intrude upon it. By this restriction, we realize God created Adam as a free moral agent; a volitional creature with the ability (free will) to choose his actions (we all know what choice he made and the outcome). So, volition not only carries the idea that you are a free moral agent and can act on your own, but it also includes the idea that you are responsible for the consequences of your choices. Satan only quotes in Genesis 3 up to the colon. v17: BUT: Tells you this is going to be an exception.
Genesis 2:17	Non-MBI	PR: First 'covenant' or agreement that God made with man. It is a CONDITIONAL covenant. It is salvation based on WORKS. No faith is involved because Adam sees God everyday and walks and talks with Him. 'We walk by faith, not by sight', but Adam walked strictly by sight, as people will in the Millenium. Salvation for a Christian is never conditioned upon any works. Adam's was. Capital punishment for stealing fruit. No 'respectable' God would think of doing a thing like that, according to 95% of people alive on earth today. He just wouldn't do what He did in Genesis 2. This is because the God of your Bible is holy and His readers/interpreters are unholy. "My thoughts are not your thoughts and neither are your ways my ways"-Isaiah 55:8. LF: Simplest dispensation is the Garden of Eden based on the time element and directions for it: God only gave them 1 set of directions - "of that tree you shall not eat. Anything else is for you." Just leave that tree alone and God would bless them. After a period of time they ate, the wrath of God fell, and judgment came.
Genesis 2:18-19	GH: GPPI verse	v19: EVERY BEAST...EVERY FOWL...BROUGHT THEM UNTO ADAM: In the beginning, every animal of every kind, 100%, was to give willful submission/willingly submissive to mankind. God brought all the creatures before Adam and he named them. God’s design for man was to have dominion over the earth and everything in it. The animals of every kind were to be willing servants of man. It was only after the Fall and the curse came on the animal kingdom and other things as well that now, you do not want to go into the lion cage at the zoo. MM tying to 3rd CoP-Leviticus 26:21-22 and the wild beasts in the land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:18		18 And the Lord God said, It is not good that the man should be alone; I will make him an help meet for him. If God is saying it, someone has to hear it. Adam is standing right there. Very next thing God does is to parade all the animals in front of Adam and has Adam name them. NOT GOOD FOR MAN TO BE ALONE: God created Eve to be a completer for Adam. But it was the man who was created first. Then, the woman was created from the man. That is the order of creation. So, the created order is the man (the head) is first, and the woman is from the man, and for the man. Because of this created order, the husband is the head of the wife, and the wife is called to submit to her head (husband). This has to do with the order of the creation and the purpose of the creation. The Bible is clear that both before the fall and after the fall, the husband and the wife have different roles in the marriage.
Genesis 2:18		18 And the Lord God said, It is not good that the man should be alone; I will make him an help meet for him. HELP MEET: Implies the work load will get bigger. The one prohibition in the garden was to not eat of the tree of the knowledge of good and evil. God is already starting educating Adam what is not good here. If it is not good for man to be alone, it is good for man to have a help meet. God is already beginning to educate Adam. Early in MM ministry, he thought because man was not supposed to eat of the tree of the knowledge of good and evil, man was never supposed to know good and evil. He was wrong. Whose knowledge of good and evil were contained in that tree? Satan. When they saw that they were naked and covered themselves up, God didn't tell them to do that. When they heard the voice of the Lord God, whose wisdom told them to hide? When God confronted Adam, whose wisdom caused Adam to blame Eve? When God confronted Eve, whose wisdom caused Eve to blame the serpent? The wisdom Adam has when he falls is not his Father's Wisdom because that comes through a process of being taught. The very thing God is beginning to educate Adam in is the thing He tells him to stay away from, because He wants to educate Adam in His Wisdom and He is telling Adam there is a competing wisdom to mine in this universe. Do not follow this other wisdom.
Genesis 2:18		18 And the Lord God said, It is not good that the man should be alone; I will make him an help meet for him. That's the whole key here. Paul will tell you over and over there is a competing wisdom that you are going to be educated in that will look good and sound good and be applauded by the world. As you begin to get educated in your Father's Wisdom, even saved people are going to begin to look at you and say, well, I don't see that at all/I just think you have gone off the deep end/I don't get that. And they won't get that because you don't get God's Wisdom by osmosis, He has to teach it to you. Why there's no job on this earth that can teach you to function properly out in those heavenly places because that knowledge only comes from the heart of your Father and the world can't manufacture it. See God beginning to instruct Adam and He is going to make him wise and He is going to teach him about good and evil. God has adopted Adam and treating him as a son - why Adam is called a SON OF GOD in the Gospel genealogies. But then Adam jumps the gun. He was going to train him in the business, he was going to have dominion over the earth. So when Jesus comes into the world as a man and God in the flesh, He doesn't come in with the full boat of Wisdom of deity. He is taught by His Father.

Genesis 2:19	Divine Institution : Labor	19 And out of the ground the Lord God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. God having Adam name the animals and he realizes there's no one for me. Then God says it is not good for man to be alone. The exhortation prepares our heart to say YES to the doctrine. It is always exhortation then doctrine. When God educates you, He gives you the exhortation (setup) first what makes you want so that when you hear the doctrine, you will get it. EX Adam naming the animals as they come through. God has something that He wants Adam to embrace, but to want. As he names all the Mr. & Mrs. animal pairs, Adam wonders...wait...where's Mrs. Adam?!?! By the time he is through, Adam realizes that He needs a partner. He needs somebody. From 'ok...I will do this.' to 'Oh Father! Let's do this!!!' Two things at work here: 1. Adam is already beginning to labor with His Father. It's to a limited degree but God is already putting him in apprenticeship. Adam is naming these animals. 2. By the time he gets through, Adam is realizing when God created these animals, he created male & female, male & female. God didn't create man male & female (from the jump) because He is teaching him. That's the whole point. He is creating a divine institution and He is using that in a way to educate Adam in what God considers to be good and in what God doesn't consider to be good. God is beginning to teach him this process. From the beginning, God wanted to adopt man and produce godliness so that he could learn to think like His Father and labor with Him in His Business. If Adam hadn't fallen, this process would have continued. When Adam fell, God didn't abandon adoption. God didn't say, you just can't educate these humans.
Genesis 2:20		20 And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not found an help meet for him. Adam isn't just laboring with God when he is naming the animals. God is exhorting him. Didn't ask him to name the trees or stars. Here's the thing about Sonship - God always explains WHY before He tells you WHAT. After naming all the animals, Adam discovers everybody has a partner but him. Natural response is to say, 'Wait a minute. Where is Mrs. Adam?' God said it is not good for man to be alone. God is educating Adam on what is good and what is evil then Satan came in and gave them wisdom from a preverted source.
Genesis 2:21-22	GH: SIIP Verse	21 And the Lord God caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs, and closed up the flesh instead thereof; 22 And the rib, which the Lord God had taken from man, made he a woman, and brought her unto the man. **Please see 'Definition : God : Hebrew Names' in the Commentary.** v21: LORD GOD: ALL CAPS LORD, camel case God. This is a reference to Jesus Christ. When you read this in Genesis, you are not thinking about the Son. v22: LORD GOD: ALL CAPS LORD, camel case God. The Son was the One who took the rib and closed it up.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 2:22-24	Divine Institution: Marriage	22 And the rib, which the Lord God had taken from man, made he a woman, and brought her unto the man. 23 And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man. 24 Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh. God institutes the Divine Institution (social structure) of marriage. This means that marriage: 1) was also designed by God, and 2) is an absolute construct for the entire human race, believers, and unbelievers. With the creation of Eve, God brings the DI of marriage into reality.
Genesis 2:25	GH: Light/Glory	25 And they were both naked, the man and his wife, and were not ashamed. When God created the animals, He gave them a coat of some kind, a covering for their body. Adam & Eve did not. They are said to be naked. Animals are never naked, they have a built-in garment. Adam & Eve did not have a natural physical covering for their body, but something made it so even though they were naked, they were not ashamed. They had a covering that matched His covering (Genesis 1:27). They were originally covered in light (Psalm 104:2)! <-MM's theory -> God gave Adam and Eve a garment of many colors of light from the beginning. God put them in a uniform that identfied them as His monarchs on the earth. Their many colored garment was meant to shine forth the image and glory of God. Looking at them would remind everyone of God. When they sinned, they lost that garment of light (and knew they were then naked), which, was an indication as mankind was the crowning jewel of God's created creatures. Affiliated them with God Himself. Today, God us conforming is to the image of His Son. As adopted sons, we are having Christ formed in us, so that His Son can be lived and seen in us. MM believes at the Blessed Hope, when we get our glorified bodies which will allow us to function in the heavenly places, the bodies will be a uniform of sort. MM believes the brightness and colors will be reflective of our position in the creature, just as Adam and Eve's were indicative of their position on earth.
Genesis 3-6	THE WORLD OF THE UNGODLY-2 Peter 2:5	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3	GH: Sonship	Before the fall, God is taking Adam through an education process to equip him to do the things that God intends him to do. Tree of knowledge of good and evil - in Satan's preverted wisdom, got them to try the short cut. The very first thing Adam encountered in his edification is the very first thing you encounter in your edification. The second issue you will encounter is the second issue Adam encountered. Things God says are: - good we don't care for and don't think are so good and - evil are an allure and attract so many. Sonship was the issue before there was the fall. God was going to have a kingdom and staff it with a bunch of sons. Then sin enters the picture. Now here we are in the midst of who is going to be the possessor of Heaven and earth. God wants us to have this wisdom - not data in a hard drive but real meaning and heart to it. God is going to teach you what He values and esteems and what He doesn't value and esteem. When God asks WHERE ART THOU?-v10 DID YOU EAT OF THE TREE OF GOOD AND EVIL?, it's not that God didn't know. He is asking because of the nature of the relationship. Saying in Sonship that God is not dealing with us out of His omniscience doesn't mean that He is not omniscient. Adam & Eve died spiritually that day in the Garden. Their connection with God was broken. If you are alive spiritually, you don't have to worry about physical death. Physical death is not an issue with God, spiritual death is. That's the big one.
Genesis 3	GH: Theodicy	God put the tree in the garden in order to prepare us for an eternal life with absolute freedom and liberty. God put the tree in the garden because if man doesn't have the ability to choose right and wrong, then he really doesn't have free will. Now God is allowing for an eternity of freedom and liberty. If He never allows us the opportunity to disobey, how genuine is our obedience? If God stacks the deck so we don't really have free will but we think we do, are you really acting out of love for God? Are we going to remain as small children who can't be trusted to do the right thing or does it glorify God to have sons and daughters, who like adults, know what to do and what not to do and have the capacity to do that which is right? That's the one thing that glorifies Him. Because if we no longer have free will, we are no longer in His Image and we are nothing more than a train on a track and can only run where we laid the track down and we don't have the liberty to do anything else. We are not sons & daugthers with real liberty, we can't be trusted on our own to do the right thing and MM doesn't think this is God's plan for us in eternity - let Me just forever limit your freedom. God put the tree in the garden and gave a severe warning about it. If it had been enough, it would have worked. We needed more than a strong warning, we needed the consequences because once you get the consequences...all you have to do is touch the hot stove once then you figure it out. Now, everyone is getting a real education on good & evil. MM says perhaps all of this was necessary to turn free will beings loose in the creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3	GH: GPPI verse	When Adam & Eve have already sinned and have been expelled from the Garden and He puts Cherubim at the gate to prevent them from coming back and eating of the tree of life, a couple things happened: * What man possessed as the king of the earth and what he possessed capacity-wise to subdue the earth and enforce God's dominion was lost. * Not only did Adam lose the capacity to enforce God's dominion but he also lost possession of the earth to Satan. Satan's dominion, Satan's ways and Satan's paths were now in sway for the creatures of the earth to walk in. All of this has to do with the subject of man's special creation and the position that God gave to man.
Genesis 3	Ephesians Commentary	After the fall of Adam, simply existing in the world became more difficult. When sin entered the world, it was no longer easy to find food to eat. It became real work to grow a crop. As was said back in Genesis, now we have our food by the sweat of our brow, and we will work to have it either by working a job to buy our food, or by the labor to produce it in the field. Even then, it will be difficult, for weeds, thorns and thistles will spring up. Insects will eat it, sometimes by the swarm. The sun will scorch it. Drought and flood can kill a crop or wash it away. The wind can whip it to nothing. Man's sin had an effect on the whole world. Weather not only affects our food, but it can kill us as well. Too much sun and you will suffer. Too little sun and you will suffer in other ways. This world, after the fall, became hostile. You can freeze to death in the winter and suffer heat stroke in the summer. When we suffer in these ways, we are suffering the sufferings of this present time. Hurricanes and tornadoes are also part of living in a fallen world. Contrary to popular belief, God is not orchestrating tornadoes to punish America for her sins. Hurricanes are not a signal of God's wrath, it is a sign that this world has fallen away from God, and these are the consequences.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3:1-6	GH: WoD Teaching	Contained in this passage are all 3 categories of Satan's WORKS OF DARKNESS-Romans 13:12 that Satan put before Eve. When he gets through, she took of the fruit that she had been warned about and she: 1. opposed God 2. assisted Satan GH: The two things above are the two main features of the COTW-Ephesians 2:2. v6: GOOD FOR FOOD: Lust of the Flesh - MM says you do have to eat. v6: PLEASANT TO THE EYES: Lust of the eyes - MM says we like to drive down the road and see a scene and say isn't that beautiful? v6: (A TREE TO BE DESIRED) TO MAKE ONE WISE: Pride of life - MM says people naturally have a desire for wisdom and knowledge.
Genesis 3:1-6	GH: WoD Teaching	MM says this is the mechanism that Satan is using from the very beginning. Satan is taking the Truth of what God said, and he has replaced that Truth with his untruth. It only took Satan a day to size up the psychology of man. MM says it may be in the rebellion in the heavenly places that there were some every similar things that Satan was able to do convince those principalities and powers to rebel with him and he utilized these same type principles or concepts in the garden. He may have already had experience with this but MM is not for certain. Satan is going to make them wise, not in godly thinking but in his corrupted wisdom. This is what he is after. This is the methodology he used in Genesis 3. When Adam falls, mankind becomes the possession of the adversary. Not just Adam flubbed it, he actually gave over dominion of the earth to the adversary and Satan can now function as THE PRINCE OF THIS WORLD-John 14:30. Mankind becomes his possession. Because of that, the alternative thinking and the ungodly conduct and working along with Satan is much easier now.
Genesis 3:1-6	GH: WoD Teaching: PRIDE OF LIFE	Illustrates how men by nature have a pride that will cause them to reject God's grace and God's words. What Satan is doing here is pretty precise and there's thinking that goes into this. He is very crafty. He repeats something that God said but only repeats part of it (GH: compare to Genesis 2:16-17). Satan's temptation to the woman is given in 3 parts - not just filling up a verse - representing different things with regard to temptation - tying to 1 John 2:16: 1. GOOD FOR FOOD = LUST OF THE FLESH 2. PLEASANT TO THE EYES = LUST OF THE EYES 3. DESIRED TO MAKE ONE WISE = PRIDE OF LIFE - Pride is an issue that Satan uses in different ways. v1: MM thinks Satan asks the question this way because he is focusing in on something. v3-4: Eve's response. God did not say not to touch it. MM thinks this is a way of complaining about something.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3:1-6	GH: WoD Teaching: PRIDE OF LIFE	Satan is accomplishing multiple things by this one circumstance. By getting Eve to eat of the fruit of the tree of knowledge of good and evil, he gets her to: - Group says doubt, reject God's word, he changed the course of things to come, entrance of sin, she gives it to Adam, destroyed their relationship with God, made them an enemy of God, in Adam status, allowed a competing wisdom to be the wisdom that you naturally hear instead of godly wisdom being the thing you hear. - MM says when you are born into this world, you naturally have a lot of things that need to be undone. - Satan is providing a way for him to have a hand-picked man that will work to accomplish Satan's plan and purpose in the world because of what he did back in the Garden of Eden. * Nimrod was Satan's hand picked man back at the Tower of Babel. * The Assyrian Pharoah that did not know Joseph or Joseph's God was Satan's hand picked man to persecute Israel. * The future anti-christ out in the day of wrath is Satan's hand picked man. All this became possible because of what he did in the garden.
Genesis 3:1-6	GH: WoD Teaching: PRIDE OF LIFE	MM says he had to be thinking, if I pull this off, I have about a dozen things that are already in the bag. MM is not bragging on the adversary, but this wasn't blindly done, he carried that our very carefully. The reason Satan was able to cast doubt on God's words and successfully entice the woman to eat of the forbidden fruit was by appealing to her prideful nature. POINT: There's a lot more going on here than getting Adam & Eve to sin - a lot of things came out of that. Satan is not just introducing sin into the world, but he has two other agendas as well: 1) the destruction of man's relationship with God, and 2) the establishment of a relationship with Satan (which will culminate in the man of sin) Satan's problem was pride and since pride is naturally in us, it is easy to be simpatico with the Devil. We have something in common. When Adam fell in the Garden and then when we're born into this world, we're born dead in trespasses and sins. Adam's spirit died.
Genesis 3:1	GH: Subtilty	1 Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? Serpent in the Garden of Eden - YEA HATH GOD SAID where he is casting doubt on what Eve knows God said. Now you've got to say to yourself, if you're in the garden and there's only 2 people on the planet and God says don't eat of the tree of the knowledge of good and evil, you've got to say to yourself, what in the world could the serpent ever say to me to make me take that fruit? If your confidence doesn't come from the effectual working of the word and it comes from you manufacturing it, you have a chink in your armour and it is going to get exploited. It was SUBTILTY that deceived Eve.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3:4-6		Back in the Garden of Eden, God had given them one command - don't eat of the tree of knowledge of good and evil, don't eat of that fruit. That's the one thing that you cannot do. Because the day that you eat of that fruit, ye shall die. Satan tells Eve, that fruit, instead of producing death in her and Adam, he says if you eat that fruit, you shall be like gods. He is painting a whole different picture of what it means to eat that fruit. And he is going to say it in a way that makes it look like God knows if they eat that fruit they would become gods. MM says hindsight is 20/20 but He is protecting them from doing something that would destroy them. But Satan comes up with a lie, with a false doctrine, and tries to make his case. Satan has tried to replace sound doctrine and false doctrine (one of the 3 aspects of the POE Phase 1 attack - attack the message: replacing the truth with false doctrine). Satan told Eve that rather than leading to death, eating of the forbidden fruit would make them like gods. He replaced the truth with a lie. Not only that, he paints God as being jealous of Adam and Eve, not wanting them to have the fruit. See the justification:
Genesis 3:4-6		v4: YE SHALL NOT SURELY DIE: This is false because two kinds of death happened when they ate this. 1. A spiritual death. This is the one God has in mind and you know that because He says 'in the day that thou eatest thereof thou shalt surely die'-Genesis 2:17. They didn't die physically that day, they died spiritually that day. 2. Physical death is now a reality for them. Now, everybody born into the planet, if they live long enough, they will die. v5: GOD DOTH KNOW: Satan painting this like this is something you really want. Satan is painting a great picture of it. He gives her a new way to look at that tree. v6: She is going to see three things here: 1. v6: THE TREE WAS GOOD FOR FOOD: Means “if I am hungry, then I am justified in eating from this tree.” But there's trees all over. Eve thinks this looks like this would be tasty. God said you can eat of every tree of the Garden except this one tree.
Genesis 3:4-6		2. v6: PLEASANT TO THE EYES: Means it was attractive. It was attractive to Eve's flesh, not spirit. 3. v6: MAKE ONE WISE: Eve thought this tree would make her wise. Got that from the adversary. She abandoned the truth what God said and embraced/bought into Satan’s false doctrine and it was their undoing. And because sin came into the world, 'death passed upon all'-Romans 5:12. Satan holds out, as attractive and desirable, that which will ultimately lead to sorrow and regret.
Genesis 3:4		4 And the serpent said unto the woman, Ye shall not surely die: Satan just told her what she wanted to hear. Untruths were not the main tool pre-Flood but it is post-Flood. YOU WILL SHALL NOT SURELY DIE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3:5	GH: Sonship	5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil. YE SHALL BE AS GODS: **This is in reference to the angelic realm and Eve knew about those angels, she knew what they were**. Notice lower case g-gods - the angels. He didn't say you will be like God. **Held out the wisdom that angels have. That looked pretty good to her. What the serpent tempted Eve with. Because you are a SON you are supposed to know more than the gods/angels. You are in a position superior to theirs**. Eve was being held out to be educated as a son and she traded it in or a lesser version. Satan promoted it and shined it up and made it look good. There was a knowledge or wisdom that the angels had that is being held out to her. It was inferior to the knowledge her Heavenly Father held out to her. What God was offering her was much more than that. How would this mean anything to Eve unless she new what that was? Reason she knew what that was because she had seen them. How else would it have enticed her? She knew what that was. Satan wasn't trying to hide that from them. He wanted it to be a spectacle so he could use that to entice them to eat of the tree of knowledge of good and evil. He is going to wave it in front of them. Satan offered something to Eve (Genesis 3:5), something to the Gentiles (GH: Genesis 11/Romans 1?), and something to Israel (GH: 2 Kings 21:3) that was inferior to what He wants to offer us - that is His Wisdom. **It's noteworthy that when the serpent was talking to Eve in the garden, her first words were not 'the snake was talking!'** Who was in the garden? Adam, God, Satan would have been MMs answer initially. Since added one more - gods - because he didn't see something clearly.
Genesis 3:6	GH: In Adam Status	6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. SHE TOOK OF THE FRUIT: First verb. GAVE ALSO UNTO HER HUSBAND: Also is the first verb. When Adam sinned back in the garden of Eden by eating of the forbidden fruit of the tree of knowledge of good and evil, he became a sinner by nature: unrighteous, ungodly, and the opposite of what he was created to be. When Adam had children, all those things were passed on to them. They were in Adam according to the Bible. That in Adam identity was passed down to us when we were born into the world. Adam was when sin came into the world as far as mankind is concerned. MM knows Satan had already sinned, but as far as mankind is concerned. Sin comes along and something happens that causes sin to get more powerful. Because sin was more powerful, what was happening to every man as a result? 'Death passed upon all men in that all have sinned'-Romans 5:12. Something happens along this timeline - sin revs up and begins to get powerful. Sin empowered at the giving of the law.
Genesis 3:7		7 And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons. APRONS: MMs understanding is this is not the little thing worn in the kitchen. This is like the apron which the high priest wore, it was an entire/whole garment. Geneva Bible (1560) said they made 'breeches', which is why it is often referred to as the 'Breeches Bible'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 3:8-10	GH: Sabbath	CONTEXT: Adam in the garden of Eden after he eats the fruit of the tree of knowledge of good and evil. MM believes the day after the very first Sabbath, before the Lord comes in the cool of the day (early morning), Satan was already working his plan. Jokes Adam took it like a man and blames Eve and then Eve blamed the serpent. They eat from the tree, know good and evil, know what they have done, hide themselves. Don't see the word Sabbath in your Bible till the law was given. **The law was given to teach Israel what the Sabbath was all about anyway. It was about God coming to reside among His people. It's not just about let's have a day and do some special stuff. It comemorated the very purpose for the creation of the earth**. Missed the point. Adam made king of the earth. He is told to SUBDUE IT. Running SUBDUE through the Bible you find a military conquering every time. v10: I WAS AFRAID: First emotion Adam shows after experiencing spiritual death.
Genesis 3:8	GH: SIIP Verse	8 And they heard the voice of the Lord God walking in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the Lord God amongst the trees of the garden. **Please see 'Definition : God : Hebrew Names' in the Commentary.** LORD GOD: ALL CAPS LORD, camel case God. The Son was the One who was walking in the cool of the Garden. Why Paul says the Son created all things. COOL OF THE DAY: morning time - God came through every morning to meet with them.
Genesis 3:9	GH: Sonship	9 And the Lord God called unto Adam, and said unto him, Where art thou? WHERE ART THOU?: God wants to treat Adam as a son so God said I AM going to put blinds on this stuff. I don't want to deal with him this way because if you are omniomni you don't have a relationship. Not a question it is rhetorical. They were not where they were supposed to be. Most everybody says that because God is omniscient and omnipresent, He knows where Adam is and He is just asking for effect. The way MM would have taught it in the past. Doesn't teach it that way anymore. What God thought was OK, they now think as evil (nakedness). Instead of coming to Him, they think that hiding from Him is the 'good thing to do'. Their good and evil got all messed up. If you pray to this kind of God, He knows before you even ask so what is the use of asking? Might as well say, God, all those things you know, OK do those and save time. Israel as a child: 'Your Father knows what you have need of before you ask Him', 'He knows the hairs on your head', 'sparrows and lillies...' - says that to them because they are under the law and has to treat them as children. Never says that to you because you are a son. When God comes into the garden that morning for Bible class for Adam to get taught in godly thinking and doesn't find him anywhere, instead of saying I am going to open the blinds, He says where are you? When you understand Sonship, which God intended to have with Adam from the beginning, then you know that the question God is asking is a real question. He has determined not to deal with Adam out of his omniscience. That does not mean that God was not omniscient, but that He did not utilize it in His dealings with Adam.
Genesis 3:14		14 And the Lord God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: THOU ART CURSED: Talking to the serpent. When you curse someone, you say bad things about them.

Genesis 3:15-19		GH: v15: God to the serpent. v16: God to Eve. v17-19: God to Adam.
Genesis 3:15		15 And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. Adam sinned in the garden. He became a sinner by nature. Because of that he was unrighteous, he was ungodly, he was the opposite of what he was created to be. Then, when Adam had children, that sin nature got handed down to them, and they handed it down to their children. When we are born into this world, we inherited all of Adam's identity (GH: and the consequences of it).
Genesis 3:15	Non-MBI	JD: Seed here is also a picture of the Virgin birth because women do not carry seed. He (Christ) shall bruise (crush) you (serpent, Satan) on the head - a fatal blow. And you (serpent or Satan) shall bruise him (Christ) on the heel (heels got obliterated while trying to push up to get air in lungs on the Cross).” Prophetic view of the crucifixion, which wasn't invented till the Romans thousands of years later.
Genesis 3:16		16 Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee. He is not saying pain in childbirth is the only problem that you are going to have. He is using that as an example of all the problems that will accompany childbirth. 1. Morning sickness - all the types of sicknesses, the change is the taste or appetite for certain foods 2. Premature/breech births - premature requiring specialized care or breech that is not the natural way for the baby to be birthed and you need pre-cautions for the mother and baby that the child is delivered safely 3. Complications of pregnancy/delivery: During pregancy: MM says he heard ladies talk and use acronyms for certain things - have to go in, get checked, do sonograms, etc. to find out things going on with the baby that need to be headed off before the delivery During the delivery itself: can be harmful to both the baby and the mother 4. Infant death syndrome: something you can't anticipate, no one can see it coming, yet infants sometimes die for no apparent reason after birth 5. Deformities/Abnormalities: MM was born with a split in his lip and the doctor that delivered him, he sewed that up but he was inebreated when he did it. Had to come back two days later, cut it back open and straighten it up the best he could and it left a scar. Fortunately, it wasn't life threatening but it was something that needed to be attended to or it would have effected his speech. GH: This is a synecdoche OED: A figure of speech in which a more inclusive term is used for a less inclusive one or vice versa, as a whole for a part or a part for a whole.

Genesis 3:17-19	The Original Curse	17 And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; 18 Thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field; 19 In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return. Where the original curse comes from. v17: CURSED IS THE GROUND: You have to work at it now. The stuff you don't want will come up out of the ground automatically and the stuff that you do want you're going to have to work hard to get. MM says that this does not sound like fun and God didn't mean for it to sound like fun. It was part of the curse. v19: SWEAT OF THY FACE: He's not just talking about farmers or just talking about it's going to be hard work planting seeds. He's talking about a part to represent a whole. GH: This is a synecdoche OED: A figure of speech in which a more inclusive term is used for a less inclusive one or vice versa, as a whole for a part or a part for a whole. v19: FOR DUST THOU ART, AND UNTO DUST SHALT THOU RETURN: This is the BARE GRAIN in 1 Corinthians 15:35-37.
Genesis 3:19	GH: Resurrection verse	19 In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return. TILL THOU RETURN UNTO THE GROUND...UNTO DUST THOU RETURN: When our physical body dies, the soul & spirit leaves and the body begins to corrupt away. It will dissolve back to dust. It will waste away, even the bones eventually. This decaying action is the second thing that takes place at death. When a body dies, it begins a process of decomposition that will culminate in the body returning to dust. That process begins immediately, but it will take some time for it to complete the process. Several factors influence the rate of bone decay such as moisture they are in contact with, the acidity of the soil, how much oxygen exposure, scavengers and bone type. Little bones don't last near as long as the big bones. Bones can take a few weeks, up to centuries to decay. Some things would preserve them an extra long time depending on the conditions. TILL THOU RETURN UNTO THE GROUND...UNTO DUST SHALT THOU RETURN: The decaying action is the second thing that takes place at death (the other being the soul & spirit leaving the body).
Genesis 3:24	GH: GPPI verse	24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life. **God put the cherub with the flaming sword in front of the Tree of Life to preserve humanity for the future. If Adam had eaten of the Tree of Life, that would have been his permanent status. Now he is going to die but that is OK because God has power over death**. TO KEEP THE WAY OF THE TREE OF LIFE: Not talking about trimming it, talking about guarding it. Not letting someone in. The cherubim were to “keep” or guard against the man coming back into the garden to eat of the tree of life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 4 - 11	GH: GPPI verse	See Satan's COTW-Ephesians 2:2 unfolding in Genesis 4-11 and it briefly appears as though God has given up on using mankind to repossess the world. MM says there's this great scholastic debate about were they really building a tower that was going to reach heaven? Could you build a tower that could reach heaven? People say, well, it was actually a religious edifice that was part of the worship system that was going one. MM says that's true. But the point we're missing here is Satan has a plan that has been working since Genesis 4 - 11 in which he is putting together his plan of evil as it pertains to this earth and he has charted the COTW-Ephesians 2:2. That is a specific strategy, the COTW. That all gets put together from Genesis 4 - 11. There are things that he is doing because he is creating a mechanism by which the COTW is not only started, but it continues to go throughout the ages. At the tower they are all together. They're building this tower, there's a religious system going one. But if that's all you are focusing on you are missing the point because Satan is putting together his great nation in Babel.
Genesis 4 - 11	GH: GPPI verse	And from that power base they will go out and subdue the world and have dominion. Remember what God told Adam to do in Genesis 1:28, subdue and have dominion over the rest of the earth. When he fell, Adam forfeited his position as the monarch of the earth and it has been given over to Satan and now Satan is putting together his great nation because he is going to subdue the earth and bring it under his dominion. In response, God confuses their languages and scatters them out because this stops the process of the great nation. It's not just about building a tower. MM asks do you really think they are building a tower to the third heaven? They would run out of materials. Satan is so active in these chapters that you think by Chapter 11, God has thrown in the towel when he consigns men over to the adversary and says you can have them, do whatever you want with them. But then you remember that God already promised in Genesis 3 that it is through mankind that He is going to bring a solution to all of this. In the very next chapter, Genesis 12, God takes a man named Abraham and says I AM going to make of you a GREAT NATION-Genesis 12:2. By the time you get to Babel, the COTW-Ephesians 2:2 has been rolling along so great that God consigns the world over to the adversary.
Genesis 4	GH: GPPI verse	Records the fact of Satan having charted a course for this world to follow and man's cooperation with that course. MM tying to the COTW-Ephesians 2:2.

And the Lord had respect unto Abel and to his offering: 5 But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell. Example of someone who didn't think God had the right to determine what was clean and what was unclean. Cain and Abel. MM ties to Romans 7:5-6. God said you are going to bring Me a sacrifice and brought it to the Lord. Cain's sacrifice wasn't an animal, it was fruit of the ground. **Needed an animal sacrifice for the shedding of blood. Cain brought turnips. Old saying: You can't get blood out of a turnip**. Cain brought the best of his crop, crop that he worked for, crop that cost him something, brought it when he was supposed to bring it. God rejected it. He didn't say, well, it's pretty good but not exactly what I wanted. No, God totally rejected that. Because Cain decided he would do what he would do the way he wanted to do it instead of the way God prescribed for it to be done. God was asking for a sacrifice that correctly pictured redemption. Cain did not do that. And because He didn't, God rejected it and Cain was so angry he winds up killing his brother over that issue . Pride did not allow him to say God, You decide how it does and I'll line up with what you say. Cain was going to do it my way. Hello 21st Century Christians.

Lamech is 182 years when Noah was born. Noah is only the 10th generation from Adam. In 10 generations, Satan has successfully produced THE WORLD OF THE UNGODLY-2 Peter 2:5. MM says that's nothing. Genesis 5:29		29 And he called his name Noah, saying, This same shall comfort us concerning our work and toil of our hands, because of the ground which the Lord hath cursed. THE GROUND WHICH THE LORD CURSED: When you curse something, you say bad things about it.
Genesis 6 - 9		By what God did in His destruction of the world of the ungodly men and by the changes He made with the world itself (and the heavens), God was slowing down Satan's ability to bring the world to the brink of destruction again. MM says God is putting a governor so to speak on the engine of Satan's POE so it is not able to return the world to that state of ungodliness in such a short period of time.
Genesis 6	GH: spirit beings	In Genesis 6 we are introduced to a group of spirit beings which are called “sons of God.” These are not humans, but spirits which have the ability to take on human form. But their human form is not their natural estate. These sons of God began to produce the world of the ungodly by the corruption of God’s Institutions. The institution of Labor was corrupted as the sons of God brought evil and ungodly practices into the arena of Labor. Satan’s plan is not limited to slothfulness. Men were taught “industries of evil” by these sons of God. Men were taught how to “work” at things which would be very appealing to their base nature in Adam but would eventually destroy them. This is where men were taught such things as: - the art of war (the development of weapons to inflict injury and death), - the art of seduction (the world often brags of prostitution as its oldest profession), - the use of herbs and various plants (to produce an altered consciousness by the use of drugs), just to name a few. These are not the rejection of the Divine Institution of Labor, but the perversion of Labor. Even worse was the corruption of the institutions of marriage (sons of God/daughters of men) and family (the resulting offspring of the Nephilim).
Genesis 6	GH: GPPI verse	Satan attempting to create his own people through which he will dominate the earth by corrupting mankind using the SONS OF GOD to co-habit with the daughters of men. God's response was he sent the Flood and wiped everybody out except for the eight on the ark. The product of the sons of God and the daughters of men was a people of his own creation that would worship and serve him and through them he would subdue and have dominion over the earth. It spread to everybody but the last 8. Why God wipes them all out. So he does the GREAT NATION-Genesis 12:2 all over again in Genesis 11 at the tower of Babel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 6:1-13	GH: WoD Teaching	See the corruption of the divine institutions. When the sons of God co-habited with the daughters of men (corruption of marriage), GH: Brought into labor the issues of evil. Got an education that God didn't want them to learn. Result was the Neplim (corruption of family). v5: ONLY EVIL CONTINUALLY v9: PERFECT IN HIS GENERATIONS: By the time that Noah had sons and they married, they were the only ones whose generations had not been corrupted. The rest of the earth was part of this continuing ongoing demonic line. v11: THE EARTH WAS FILLED WITH VIOLENCE v13: FOR THE EARTH WAS FILLED WITH VIOLENCE THROUGH THEM
Genesis 6:1-5		About the SONS OF GOD and what they are doing. When you read these verses, notice v5 looks like a disconnect from the first 4 verses. MM says that it looks like a topic change but not really. **The sons of God intermarrying with the daughters of men and producing a race of giants which were half demonic and half human that corrupted the generations of mankind for the purpose of keeping Christ from being born on this earth**.
Genesis 6:2		2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. SONS OF GOD: Fallen Angels. Sons of God cohabit with the daughters of men and the product is a race of giants. Nephlim were half demonic and half human. He is polluting the human line so no Messiah can come. Jesus cannot come through a demonic line. A fallen human line, but not a demonic line. Not N.T. believers who have believed the Truth. It's a rank of people in a hierarchy who are in God's divine counsel. We have been made SONS OF GOD to be prepped, prepared, educated, equipped to fill those places.
Genesis 6:4		4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. AND AFTER THAT: Giants that were in the Promised Land.

Genesis 6:5	GH: Ungodliness / GH: WoD Teaching: LUST OF THE EYES	5 And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. This is the description of the condition of the earth in the days leading up to the Flood (v1-5). The picture of the pre-Flood world. God is looking at the world rising to a pinnacle of ungodliness in which He can't stand to look at it any longer and it has forced Him to bring destruction upon the world. The evil of this world has reached a pinnacle, a tipping point that I AM going to have to do something so He destroys it with the Flood and then it begins developing the world of the ungodly again and the world reaches the same point in Acts 8. EVERY IMAGINATION OF THE THOUGHTS OF HIS HEART WAS ONLY EVIL CONTINUALLY: MM tying this to the WORKS OF DARKNESS-Romans 13:12 category - LUST OF THE EYES. THE WICKEDNESS OF MAN WAS GREAT: MM says he doesn't know if we can appreciate what these words are conveying. THE THOUGHTS OF HIS HEART WAS ONLY EVIL CONTINUALLY: Means there weren't any righteous / compassionate / merciful thoughts, only evil thoughts. MM says we have never known a day where we were surrounded by a society whose wickedness was that great. Satan is taking them down a path of self-destruction. God responds with a worldwide flood that wipes out everybody but 8. Before the Flood EVERY IMAGINATION OF THE THOUGHTS OF HIS HEART WAS ONLY EVIL CONTINUALLY.
Genesis 6:5	GH: Ungodliness / GH: WoD Teaching: LUST OF THE EYES	5 And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. All they thought about was the wickedness that they could perpetrate. They didn't realize that darkness that they were apart of was bringing the world to the brink of judgment. **During the flood, God does some things to slow down this POE that Satan has working in the world. He beefed up certain human traits like love and kindness and tenderness and things like that. He also created human government, which has 1 job and that is to control its population**. MM says he knows governments do a lot of stuff today that they were not originally intended to do. They have gotten off track. But the one thing they are designed to do is to control its population so it doesn't degenerate into mass chaos and anarchy and violence. EVERY...ONLY...CONTINUALLY: Gives you a very graphic picture about how God viewed the pre-Flood world. Everything that they were doing was for the advancement and the increase of ungodliness. Paint a picture of the dire condition of the pre-Flood world. ONLY EVIL CONTINUALLY: Get the idea that is the the violence in the earth that men are perpetrating on each other. MM tying to EVIL in Romans 13:3. EVIL CONTINUALLY: The pre-Flood world promoted this. It not only promoted ungodliness, it preferred ungodliness. It wanted ungodliness.
Genesis 6:6		6 And it repented the Lord that he had made man on the earth, and it grieved him at his heart. REPENTED: Change your mind. Not the same as doing pentience (sp) or asking for forgiveness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 6:9		9 These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God. PERFECT IN HIS GENERATIONS: By the time that Noah had sons and they married, they were the only ones whose generations had not been corrupted. The rest of the earth was part of this continuing ongoing demonic line. People accuse God of killing innocent men and women in the flood. They don't understand the Satanic plan of evil and how it was working in that day. They were demonic. God is saving humanity. God is forced to destroy the world to preserve humanity.
Genesis 6:11		11 The earth also was corrupt before God, and the earth was filled with violence. THE EARTH ALSO WAS CORRUPT THE EARTH WAS FILLED WITH VIOLENCE: MM says if THE THOUGHTS OF HIS HEART WAS ONLY EVIL CONTINUALLY-Genesis 6:5, their actions can only be described as violent, and that is going to fill the earth. Before there was human government and everybody is doing their own thing. Because the world had turned very ungodly, it was a dangerous place to be. FILLED WITH VIOLENCE: How the earth is described as Satan has usurped it and brought it to ruin. Parallels with how Satan was described in Ezekiel 28:16 when he was found with iniquity in his heart. Same terminology to describe Satan Creation week Day 2 (Ezekiel 28:16). This is a result of no human government.
Genesis 6:12		12 And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. ALL THE FLESH HAD CORRUPTED HIS WAY
Genesis 6:13		13 And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth. **God has to shut off Satan's attempt to contaminate the generations of man and it has reached a point where the earth is going to have to be judged because of ungodliness but additionally because THE END OF ALL FLESH IS COME-Genesis 6:13. God is saying if I don't step in and do something, mankind is going to eradicate itself from the face of the earth. That's what the POE has developed in the years from the Garden of Eden to the Flood**. THE END OF ALL FLESH IS COME BEFORE ME: He's not talking about He is going to destroy them with the Flood, He is saying they are destroying themselves and I SEE it. Know that because the FOR of explanation that follows. He could have said 'mankind is annihilating itself'. They are killing each other, they are wiping each other out. FOR THE EARTH IS FILLED WITH VIOLENCE
Genesis 6:13		13 And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth. FILLED WITH VIOLENCE: God responds with a worldwide flood that wipes out everybody but 8. God counters with the flood. Not just a story. This is God's response to Satan's plan to take control and possession of the earth in a permanent way. Up till now he is a usurper. He is trying to make it permanent. Satan said that was close - got them down to 8. Noahic Covenant: God said He won't ever destroy the earth with a flood again. Satan says good, because I didn't promise I wouldn't pollute the blood line again.

Genesis 6:15-18	GH: Covenant : Noahic?	God instructs Noah to build an ark and He makes a covenant with Noah in connection with it. Noah's part in the covenant: 1) That Noah should make an ark, as God directed him 2) that Noah should bring male and female of every living kind/thing into the Ark 3) at God's command, Noah should enter into the Ark. God's part of the covenant: 1) God would preserve Noah while building the Ark from the rage and violence of wicked men and evil angels - MM says the world is extremely violent and extremely evil when Noah is building the ark. THE THOUGHTS OF HIS HEART WAS ONLY EVIL CONTINUALLY-Genesis 6:5. God was going to protect them. 2) God would preserve Noah and his family within the Ark from the judgment of the flood - Please see 'Timeline : The Flood' in the Commentary. 3) that Noah and his family (and all of the animals) should come safely out of the Ark 4) that they would repopulate the world 5) God would never again destroy the world with water. - Rainbow Covenant v18: WITH THEE WILL I ESTABLISH MY COVENANT: First time the word COVENANT appears in your Bible.
Genesis 6:16		16 A window shalt thou make to the ark, and in a cubit shalt thou finish it above; and the door of the ark shalt thou set in the side thereof; with lower, second, and third stories shalt thou make it. LOWER, SECOND, AND THIRD STORIES: **Patterned after Heaven's 3-story structure**. Called them stories, not decks. God chose to use STORIES.
Genesis 7:22		22 All in whose nostrils was the breath of life, of all that was in the dry land, died. IN ALL WHOSE NOSTRILS WAS THE BREATH OF LIFE: God says everyone of those was given THE BREATH OF LIFE.

Genesis 9:1-6		When Noah and his family get off the ark. The Flood has wiped out everything but those 8 souls - Noah, his wife, his 3 sons and their wives. Eight: The number of new beginning. v1: BE FRUITFUL, AND MULTIPLY, AND REPLENISH THE EARTH: God gives them a commission. v1: REPLENISH: GH: See REPLENISH-Genesis 1:28. v2: INTO YOUR HAND ARE THEY DELIVERED: MM says sounds like 'have dominion over the fish of the sea, fowl of the air,...', same kind of terminology. v4: Now they have gotten off the boat, they can have hamburger. But don't eat the blood. Today, in slaughter houses, when an animal is butchered, they bleed those animals out. v5: If a beast kills a man or if a man kills a man or if you kill your brother, I'll require their blood for that. This is capital punishment. v6: God is saying I MADE this whole species of humans and they are in My image and that makes them different from everything else that I have done. Here's how it is different. If you take the life of one of my imagers you will pay with your life. See how big a deal this is to God. If you are a secular humanist and God is not in the picture, what makes your life any better than any other animal? In the science class you have gone to all this trouble to show us that there's no real difference, we're just all a cosmic accident. If that's how you feel about it then you know what, you have no rights and protections. Unless you are going to extend those same rights and protections to the ants and cockroaches that come into your house. If we are all just a cosmic accident, they deserve the same rights and privileges you do. You can't have it both ways. There is intrinsic value and importance to everyone on the planet. If you are the image of God, that is such a big deal to Him that if someone takes you life they will pay with their own. Way it was with the Law. Same if an animal killed a human, it paid with its life. If a man killed another man's cow, they didn't put him to death but he had to pay for what he took with a replacement cow. He didn't get killed over it because cows are not in the image of God. GH: MM proof that the image of God is passed down generationally.
Genesis 9:1	Divine Institution : Marriage re-instituted	1 And God blessed Noah and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth. Context: Noah and his family are getting off the ark. Sounds like what He said to Adam. GOD BLESSED NOAH AND HIS SONS: When you bless someone, you are saying good things about them. GH: God reinstitutes the divine institutions of marriage and family from Genesis 2 and Adam & Eve.
Genesis 9:1	Non-MBI	PR: God says I gotta get somebody else so He gets Noah. Genesis 9:1: God told Adam to be fruitful and multiply and replenish the earth. This is what He told Adam. This is the replacement. Noah was the king of the earth. Ham you take Africa. Shem you take Asia. Japtheth you take Europe. Noah got drunk and God said I got to get me another king - Abraham. Noah prophecized about these 3 boys in Genesis 9. All of Ham's seed become a servant of servants and remain so till this day. All religions come from Shem - every book in the Bible is written by someone from Shem. God does enlarge Jepthath so every nation in the world is ruled by Europeans. These boys have 2,443 years to populate the earth before Jesus Christ shows up. Tents taken away by Jeptheth (Europeans taking over North America).

Genesis 9:5-6	Divine Institution : Government	5 And surely your blood of your lives will I require; at the hand of every beast will I require it, and at the hand of man; at the hand of every man's brother will I require the life of man. 6 Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man. **After the flood, God put a DI (divine institution) in place in order to stem the advancement of evil and Satan's policy of evil (PoE), human government. Human government could not stop the advancement of the PoE, but it did slow it down**. That human government came in two steps; the first step was the institution of the death penalty for violence that resulted in death. This command, along with some others, is given to Noah and his sons when they step off the ark. Life for life is now the law of the earth. So, the first vestiges of human government are in the hands of Noah. Until the nations are formed, it is up to him, then his sons, and the heads of households after them, to enforce God's command. The second step was to organize human government, and this is done when the nations of the world are established. From then on, the "avenger" concept is in the hands of government. And from that, governments began to enforce certain controls to ensure domestic peace and tranquility. v6: FOR IN THE IMAGE OF GOD MADE HE MAN: Why human life is so important. If you did it to the King's representative, you did it to the King.
Genesis 9:11-17	Covenant : Rainbow	
Genesis 9:25		25 And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren. CURSED BE CANAAN: Not giving him a blessing. There is a judgment, a consequence going on here. When you curse someone, you say bad things about them.
Genesis 10 - 12	GH: GPPI verse	Satan's Great Nation – Babel – establish Satan's ways in the world God's Great Nation – Israel – establish God's righteous rule (God's counter) See the controversy going on here.
Genesis 10 - 11	GH: GPPI verse	You see something horrific happen at the area we call the Tower of Babel. Satan is calling together his great nation through which he will dominate the world, exercise his dominion, and establish his kingdom. God, in response to that, confuses the language and He scatters the people, not because He was afraid that they would build a tower that might reach heaven. No. The reason is because He understood what Satan was doing. He was going to do what God had commissioned Adam to do in the beginning. And now Adam didn't have the capacity to do that anymore. But Satan is going to give a capacity to an evil nation that will do the same thing. And God scatters that nation. Then, in the very next chapter (Genesis 12), God calls out Abraham and says I WILL MAKE OF THEE A GREAT NATION-Genesis 12:2. And now the contention over creating the earth in the first place is up to a full boil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 10 - 11	GH: GPPI verse	At the Tower of Babel, God has consigned the nations of the world over to the adversary to follow Satan's plan of evil. The nations of the world followed the course that Satan charted for this world and aligned with Satan against God. At the tower of Babel, Satan is attempting to form his own "great nation" by which he will establish his dominance over the earth. Satan means to use his "great nation" as the tool by which he will establish his "ways" upon the earth in both a political and military sense. The tower of Babel is another of Satan's attempts at creating his own "great nation" by which he will dominate the world. The same geography will come into play in the 'end times'. In response to the activity at Babel, God intervened by confusing the languages and scattering the people, which hindered Satan's plan. God gave those nations up, to walk in the ways of the adversary, but He did not abandon his original plan and purpose for the world. Satan centered his activities in the land that God had chosen for Himself and he did it through Canaan, Ham's son and Noah's grandson. That is why the inhabitants of the land were called Canaanites. The reason God confuses their languages and scatters them is so Satan's GREAT NATION-Genesis 12:2 does not entrench itself.
Genesis 10:2		2 The sons of Japheth; Gomer, and Magog, and Madai, and Javan, and Tubal, and Meshech, and Tiras. Familar names from Ezekiel. They are all Asia Minor and the isles of Greece. Where the sons of Japeth went. All settle north of Israel and south of the Black Sea (Russia is north of the Black Sea). Today would be Turkey.
Genesis 10:5		5 By these were the isles of the Gentiles divided in their lands; every one after his tongue, after their families, in their nations. IN THEIR NATIONS: Context: They have come off the boat, they've started to multiply on the face of the earth, and now God is going to divide up the people that are in the world into nations. THE NATIONS: Come from Noah's 3 sons. Listed in this chapter. God was not dealing with NATIONS prior to the Flood. No NATIONS before the Flood. NATIONS don't show up until after the Flood. Satan got close at the Flood - corrupted all but 8 people. God is going to use the NATIONS of the world to repossess the earth. But guess what? They don't want it. Satan has a plan and instead of them being utilized by God to go out and repossess the earth, they get together at Babel to build a tower to reach Heaven. They said LEST WE BE SCATTERED ABROAD UPON THE FACE OF THE EARTH-Genesis 11:4. They didn't want to do that. The adversary corrupts their thinking so they didn't want to do what God wanted them to do-Romans 1:21-23.
Genesis 10:8-9	GH: WoD Teaching	8 And Cush begat Nimrod: he began to be a mighty one in the earth. 9 He was a mighty hunter before the Lord: wherefore it is said, Even as Nimrod the mighty hunter before the Lord. v8: NIMROD v9: BEFORE THE LORD v9: NIMROD THE MIGHTY HUNTER BEFORE THE LORD: Nimrod knew who God was. There was still enough light in this (Timeline : DAY) DAY status of Truth in the world that men knew the Truth about who God was.
Genesis 10:32		32 These are the families of the sons of Noah, after their generations, in their nations: and by these were the nations divided in the earth after the flood. IN THEIR NATIONS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 11		Was no Jew and Gentile back then. These people did not want to retain God in their knowledge. They wanted to worship the things of the creation but not God. So they hardened their heart against God and they tried to expunge God out of all of their knowledge. Did not pass the knowledge of God down to their children and grandchildren. They rejected God. Satan was having his way with the Gentiles. Romans 1 says God gave them UP and God gave them OVER. God gave them over to the adversary so they could live that life they think they are after. Get to the Flood and God has to wipe everything out. **After the Flood, He stretches out the heavens like a curtain. It's actually at the Tower of Babel but it is right after the Flood. Think of a shower curtain. Before God stretched out the heavens, everything was much closer**. Remember at the tower of Babel they said, let us build a tower that may reach unto Heaven. There was something going on with the relationship between Heaven and the earth. That you could actually transverse into the heavens that close God says you know what, I NEED more than that natural barrier. Now, if you are going to get out into the heavens, oh my. You are not going to do it with a tower are you. Now it is going to be very different. So God put some things in place here to keep that from happening. Confound vs. Confuse: MM used to use the word confuse. Confound has a different shade of meaning as to what God did. He confounded their languages THEN He scattered the people. God established human government then splintered that human government so you have many nations of government instead of all under 1 (Adam). In order for Satan to get ahold of the earth, all he has to do is to defeat 1 guy. God stretched the heavens out. Not that long after the Flood. MM used to laugh at building a tower to Heaven. But that's now. That was before God stretched out the heavens. There was actually a way to transverse between (GH: the earth and Heaven). **Nimrod had discovered one of those ways to transfer from getting from earth to the heavens and they were building a tower to do it and God said NO and He stretches those heavens out. Think of it as a claw foot shower tub curtain. It was all bunched up and He stretched it out. NUTSHELL: You are going to close the shower curtain**. Only after that are you able to look up and see the constellations the way they are. It was very different in the beginning. Things were closer. MM says if you were creating the heavens and the earth during creation week and operating together as a creature, wouldn't you make it so that connection is made right there? You would.
Genesis 11		At the Tower of Babel, God had already consigned the peoples and the nations of the world over to the adversary. He had already done that. He decided I AM going to call out a people for Myself and the world is going to get blessings through them. That's the way that is going to happen. Because the world wanted to remove God from their knowledge. They didn't want to retain God in their knowledge - Romans 1:28. Gentiles from the Tower of Babel on, their superstituous nature took them away from the true God and caused them to as Romans 1 says - stars and birds and four-footed beasts and creeping things. They worshipped and served the creature more than the Creator. Hear about a false god and they would embrace immediately. Talk to them about the true God and now they have a problem. This is who we were. When God gave them up and gave them over at the Tower of Babel, this is what Gentiles became in the world. Satan's works of darkness-Romans 13:12 have developed a society and a culture that we don't want that God in our thinking anymore. They loved all the other gods, even sacrificed their children to a god that didn't exist.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 11		Wasn't their version of space exploration, they were trying to join together the connection between heaven and earth. **Satan offered something to Eve (Genesis 3:5), something to the Gentiles (GH: Genesis 11/Romans 1?), and something to Israel (GH: 2 Kings 21:3) that was inferior to what He wants to offer us - that is His Wisdom**. The world came to another tipping point at the tower of Babel. Babylon became what it was because of the influence of those spirit beings in the heavenly places which were in connection with it. Yes, Nimrod was the guy on the earth, an unsavory character whose name means rebellion. No doubt he dictated the religion of Babel; the worship of those deities in the heavenly places. These are the ones who were in the heavens who sought to make a name for themselves (just like Satan they were lifted up with pride: birds of a feather…). That was the reason for the tower, the worship of the gods. God "gives up" the nations of the world and "gives them over" to follow their own evil ways and designs. God may have given up the nations at Babel, but He did not give up on them forever. When Paul writes that the population at Babel did not want to retain God in their knowledge(Romans 1:28), he was not talking about them becoming a society of atheists. It was just Jehovah they did not want. Instead, they worshipped and served the creature, which is another way of looking up at the heavens with an understanding there were "gods" up there and worshipping them. The tower that may reach unto heaven was not reaching in its physical dimension, but in its spiritual dimension. Men of this persuasion (evil, ungodly) have history with these sons of God and their offspring, the Nephilim. That is, they know what they are trying to do because it has been done before. And God will not have it, hence the confounding of the languages and the scattering of the people.
Genesis 11		Tower of Babel was really a worship center and Nimrod is leading a worship into false gods. By the time the tower of Babel came along, men were deciding they did not want to retain God in their knowledge. They changed their worship to things of the creation, like the sun, moon and stars; instead of the Creator. Also worshipped things on the earth, like idols made of their own hands and said OK, this is going to be our god. They didn't want the Creator God in their thinking anymore so they turned themselves in other directions. Men did not want to hear about their sin and they did not want restrictions on their behavior. They didn't want to be accountable for the way they were living their lives, they didn't want to be accountable for the sins that they were committing. So, God gave the Gentiles up to go their own way (to do those things they wanted to do), and He gave them over to live in the consequences of their sins/sinful actions. See Romans 1:21-32. This was our 'time past'-Ephesians 2:11 condition during Israel's program, where God's focus is no longer on Gentiles (save proselytes to Judaism - not a lot of these-still a second-class citizen so to speak).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 11	GH: Divine Council	Tower of Babel Context: Throughout history, the ziggurat was part of temple worship. It was that stepped pyramid like structure that served as the place of sacrifice. This is what the tower of Babel was. Ziggurats were often built up high like a mountain so that it "reached unto heaven." These ziggurats served as the houses of the gods and the sacrifices made at the top of them were for the purpose of enticing the gods to come down to men, so bargains could be made with them. God confounds the languages and scatters the nations. God is not giving up on the world. When Paul says He gave them over, God is saying, look, if you don't want Me, OK, here you can go do that. But what He does is He assigns the nations to sons of God in the Divine Council and their purpose is to bring those nations back to God. Instead of doing that, they end up using those nations for their own ends and purposes. So idolatry begins to take place. They are abusing the nations by rewarding the wicked and punishing the good. In Genesis 11 at the tower of Babel, He gave the Gentiles up and He gave them over to follow after the adversary and to reject Him and to eliminate God from their thinking. And He called out, instead of turning His Back on the whole world, He calls out Abraham and makes a covenant with him unconditionally, that he is going to be the father of a great nation and that nation is going to be the course through which the rest of the world will be able to enjoy the blessing of God. So God didn't turn His Back on the world, He made another way to have inroads into the rest of the world. But in order to do that, the Lord has to come and redeem that nation and that is the MANY as in Israel. God makes a provision so that the whole nation can be saved.
Genesis 11:4		4 And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. They were after the same things after the flood that the sons of God were imparting to men before the flood; knowledge of things men did not know. AND LET US MAKE US A NAME: **Is to lift yourself up with pride, just as Satan did**. Just as Babylon is not saying there are no other cities in the world, it is saying there are no cities that can compare.
Genesis 11:5-9	Tower of Babel	5 And the Lord came down to see the city and the tower, which the children of men builded. 6 And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. 7 Go to, let us go down, and there confound their language, that they may not understand one another's speech. 8 So the Lord scattered them abroad from thence upon the face of all the earth: and they left off to build the city. 9 Therefore is the name of it called Babel; because the Lord did there confound the language of all the earth: and from thence did the Lord scatter them abroad upon the face of all the earth. Tower of Babel was trying to join the heavens and the earth in a particular way that would entrench Satan's hold on them. v6: NOTHING WILL BE RESTRAINED FROM THEM: God had to stretch out the "space" barrier. It was because Nimrod discovered how to breach that other firmament! (That tower was literally going to reach heaven!) If you get the idea that things were a lot closer back than they are now, you are right. Where God co-signed the Gentiles over to the adversary to do whatever he wanted to do with them. Gentiles were in the other side of the wall of separation and God wasn't working with us at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 11:6	GH: WoD Teaching: LUST OF THE EYES	6 And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. AND NOW NOTHING WILL BE RESTRAINED FROM THEM, WHICH THEY HAVE IMAGINED TO DO: MM tying this to the WORKS OF DARKNESS-Romans 13:12 category - LUST OF THE EYES.
Genesis 11:7	Divine Council=LET US GO DOWN	7 Go to, let us go down, and there confound their language, that they may not understand one another's speech. LET US GO DOWN: Another illustration of the Divine Council. MM brainstorms how this council meeting went. They are building this tower to heaven, they don't want to retain God in their thinking anymore, and the most High says we have got to stop this. Most all scholars agree that the tower they are building is a ziggurat, it's a stepped thing that goes up and men do that so the gods will come down and meet with them and they can bargain with the gods or get blessing or whatever. They are doing this and the True and Living God says we have to stop this. I meant for them to scatter and replenish the earth, they're not doing that. They are all moving away from Me. In this council meeting someone is going to say, let's confound their languages so that can't communicate anymore. If you know what God wants (GH: the 4 decision making skills and godliness), you're just devising ways to do that. MM thinks there's not just one right answer, there may be more than one right answer and the Lord knows because He knows all things which are true and real and He knows those things which could possibly happen.
Genesis 12 - Acts 7		The Middle Wall of Partition: God's dealings with Israel. What Satan is doing, while he is trying to corrupt Israel, there is something going on with his POE that attempts to corrupt the world at large and to produce a darkness in the world at large.
Genesis 12		After Babel, God finds a guy - Abram - from whom He will create the nation of Israel and He begins His prophetic program with Israel. When God separated Abram out, he left the rest of the world to Satan. Then God called out 1 man, Abram and makes an unconditional covenant with him.
Genesis 12	GH: GPPI verse	God goes on the offensive by calling out Abram and making certain promises to him, God staged the contest in the very heart of the land where Satan sought to establish his kingdom. God called Abraham away from his kindred and his homeland and promised to make of him a great nation. This is that same “domineering nation” concept that we saw back at the tower of Babel. Only this time, it is God’s great nation that is being put together. It is through this nation that God means to put forth his administrative policy that will hold sway in the earth. This is the “great nation” issue contained in the Abrahamic Covenant. It is not merely that they will become great in number, which they will, but it is that they will become the head of all nations. God called Abraham, entered into a covenant with him, and had him exhibit the gesture of possession in the land where Satan had centered his activities. God means to repossess the land for his “great nation” and from there, the nation would go out and subdue and have dominion over the rest of the earth just as Adam was supposed to do in the beginning. Process gets underway when Abraham walked up and down the land. MM says this is the first mention of the Abrahamic covenant, the basic structure.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 12	GH: GPPI verse	It's repeated in Genesis 15 and after that, you see a few things added in with this. This is the basis structure of the Abrahamic covenant when God gives this to Abraham. GH: Components: * great nation * name great * other nations of the world will call them blessed - that's what they'll think of Israel * Israel will be a kingdom of priests * will be a holy nation (they have been the nation of His creation but they have never been a holy nation to date) - They are holy in what He has called them but they are not yet holy in their response * the instrument of reconciliation - the instrument by which God will reconcile the earth back to Himself.
Genesis 12	GH: GPPI verse	MM says all of these things apply to the kingdom. * They were not a great nation: - when they said yes to the law contract. - when they were carried away to Babylon. - when the Messiah showed up. - in the tribulation. They are not going to be the great nation until God, by His Jehovahness and grace provides for them the things they need in order to become that great nation. Jehovahness is the Name. Think God's compound names - Jehovah Jireh, Jehovah Nissi.
Genesis 12	GH: GPPI verse	- I AM the God that redeems you. - I AM the God who provides for you. - I AM the God who heals you. Those are the things that God wants to provide for the nation of Israel by His grace. But they rejected that grace and entered into the law contract. But the thing is, God is still going to have to do those things and when Jesus comes on the Cross, He is functioning as Israel's Redeemer because Israel can't redeem themselves. They can't do any of the other necessary things either for them to become that great nation. So God is going to do all of this for them. But that won't be done until the kingdom is set up. This means all of the things that are in the Abrahamic covenant find their fulfillment in the kingdom. MM stresses the important of understanding this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 12	GH: GPPI verse	- The nations of the world do not call them blessed until they are in the kingdom. - They are not a blessing to all the families of the earth until the kingdom. None of these things are fulfilled back in TIME PAST, not even in the hey-day of Solomon. Will see in the Psalms the things that will happen in the Messiah's kingdom, Solomon never came close to. And when you get to the DOGG, you are not even dealing with the Israel program so you doubly cannot apply the Abrahamic covenant as being in function today. MM says that we have taken one part of the Abrahamic covenant and we have pulled it out from everything else and we have applied it to this DOGG, like that's the way we're supposed to do and observe. And it not only doesn't belong in this dispensation, it doesn't even belong in Israel's program until the kingdom. MM says be careful about going back and finding one little aspect of the Abrahamic covenant and saying, OK, this is supposed to be our attitude now. Understand the Abrahamic covenant is going to find its fulfillment in the kingdom. They will be as GH: 'the sands of the sea' because the death rate will be cut to zero. All the things listed above will be fulfilled in the kingdom.
Genesis 12	GH: GPPI verse	POINT: God's purpose with Abraham was to achieve His original plan and purpose for the earth through the establishment of the GREAT NATION-v2. Originally, God was going to have Adam have dominion and be God's regent on the earth. Adam lost that position when he sinned, and not Satan has usurped possession of the earth. So in Genesis 6, Satan attempts to create his people. God stops it with the Flood. In Genesis 11, Satan again attempt to create his nation and God confuses their languages and scatters them. In Genesis 12, God introduces His people, His nation, and it's through them that He is going to take all of these that were given over to the adversary in Genesis 11 and bring them back to Him. This is when Israel becomes the GREAT NATION but this doesn't happen until the kingdom. When God is calling out Abraham, He is doing it right in the very midst of Satan's backyard/living room, right in the center of what he is doing. - v1: GET THEE OUT OF THY COUNTRY, AND FROM THY KINDRED, AND FROM THY FATHER'S HOUSE: God is removing him from everything.
Genesis 12	GH: GPPI verse	- v1: UNTO A LAND THAT I WILL SHEW THEE: This land area happens to be the same land area that we called Eden early in the Book of Genesis. - v2: I WILL MAKE OF THEE A GREAT NATION: *Where God is calling out Abraham as the man through whom God will bring about the nation of Israel that God will use to accomplish His plan and purpose with the earth.* MM calls this the main component of the Abrahamic covenant. The important issue here is the GREAT NATION issue. This is not a reference to the face that Israel is going to have great numbers of people. It's not that they are going to control the biggest land area of anybody. They're not. What makes them a great nation is that they are going to be God's instrument to carry the word of the Lord to all the other nations of the world. And they will be the head of all nations. And all those other nations will submit themselves to the nation of Israel and come to Jerusalem and worship Israel's God. This is the great nation issues. - v2: A GREAT NATION: God’s purpose with Abraham was to achieve his original plan and purpose for the earth through the establishment of the “great nation.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 12	GH: GPPI verse	- v2: BLESS THEE....THOU SHALT BE A BLESSING: This is part of the purpose that God has for the nation of Israel. These various elements of God's purpose with Israel are outlined in the Abrahamic Covenant. The concept of God's blessing (speaking well of something) has not been in operation very much since the events of the opening chapters of Genesis. God spoke well of the creation but after sin came in, we do not see God blessing anyone or anything until after the flood when Noah and his family come off the ark. That is a period of about 1800 years that have gone without blessing. The next time we see God's blessing is to Abraham when He promises to bless him and make of him a great nation. At that same time, God promises that through Abraham a blessing will come to the families of the earth. - v2: THOU SHALT BE A BLESSING: Being a blessing to the families of the earth is part of God's purpose with the nation He will bring from Abraham. - v3: I WILL BLESS THEM THAT BLESS THEE AND CURSE THEM THAT CURSETH THEE: This does not pertain to us. The application of this whole passage pertains to Israel in the kingdom. They are not the great nation now, the families of the earth are not blessed through them now, and the blessing and cursing will take place in the kingdom.
Genesis 12	GH: GPPI verse	With the establishment of God's kingdom on this earth and God having his house there in the land of Israel, the blessing of the world takes place and the world is repossessed to God through Israel. God will repossess the land of Israel and plant His people in that land. They will, as that holy nation and kingdom of priests, carry the word of the Lord to the rest of the nations. Through their activity, the nations of the world will be reconciled to God. To do this, He will send our His angels to the four corners of the earth and they will gather together His elect. Another passage says, He will gather them one by one. The angels are going to be sent out to gather them back in. They will, as that holy nation of kingdom of priests, carry the word of the Lord to the rest of the nations, and through their activity the nations of the world will be reconciled or brought back to God.
Genesis 12:1-3	Covenant : Abrahamic / GH: God's 4 'I WILLs' or 6 'I WILLS'	1 Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: 2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: 3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. Notice God doing all the work. The 4 'I will's. After Babel, God finds a guy - Abram - from whom He will create the nation of Israel and He begins His prophetic program with Israel. When God separated Abram out, he left the rest of the world to Satan. v1-3: Abrahamic Covenant: Then God called out 1 man, Abram and makes an unconditional covenant with him. v1: God is separating Abram from all of this, from a nation steeped in idolatry. God makes a covenant with Abram.

Genesis 12:1-3	Covenant : Abrahamic / GH: God's 4 'I WILLs' or 6 'I WILLS'	1 Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: 2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: 3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. Begins the destruction of Satan and the birth of His special nation Israel. 3 major promises: 1. v2: I will make of thee a great nation: offspring will become a great nation and inherit a special land - v2: GREAT NATION: Not the greatest in number, Israel never has been the biggest population of any nation. Not the biggest land area, look at a map. They are GREAT because what God is going to do with them. When He sets up His Kingdom, only the believing remnant will be there. Not every member of the believing remnant will be in the kingdom when He sets it up. Not talking about it's geographical size, not talking about the population or numbers of people. **They become that great nation when they begin to accomplish God's plan and purpose for the reposession of the earth back to God**. That's the great nation issue. 2. v2: make thy name great: Make Abraham's name great because it will be associated with the power of God 3. v3: in thee shall all families of the earth be blessed: all families will benefit from this covenant
Genesis 12:1-3	Covenant : Abrahamic	1 Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: 2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: 3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. Then God called out 1 man, Abram and makes an unconditional covenant with him. **God has given to Israel a calendar in which a seventh day Sabbath observance happens weekly. By doing this God means for Israel to remember what His original plan and purpose for the earth was**. Notice Abram is being SEPARATED - HOLY. God is going to call out a holy nation. Don't intermarry. Don't make a treaty. Be separate and come out from among them. When He establishes this nation, He is going to use them to put everything back right. He is going to give them a sign of what He was naturally trying to do when He created the thing in the first place - the Sabbath. v1: God is separating Abram from all of this, from a nation steeped in idolatry. God makes a covenant with Abram. v3: IN THEE SHALL ALL THE FAMILIES OF THE EARTH BE BLESSED: The first time He has talked about blessing since Genesis 2 where God “blessed the seventh day.” In Genesis 1 and 2, God is blessing everything. Bless can take on a lot of meanings in the Genesis account. When you bless someone, you are saying good things about them. When you curse someone, you say bad things about them. To give thanks for the food is to be thankful for the food. To bless the food is to say good things about it. Get through all the curses (serpent-3:14, Adam-3:17, Cain-4:11, the ground-5:27, Canaan-9:25) and God begins to talk about blessing in connection with the nation of Israel and the plan and purpose He has in mind for them. He will have opportunity to bless the earth and the people of the earth through the repossession of the earth by His plan and purpose with Israel. God had a plan with the circumcision manifests His love for the Gentiles.

Genesis 12:1-3	Covenant : Abrahamic	1 Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: 2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: 3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. v3: ALL THE FAMILIES OF THE EARTH BE BLESSED: All the families of the earth will be blessed by this covenant even though it was only made with Abraham. We are going to be beneficiaries of this covenant. God asked Abram to take His word that He would make of him a great nation. Abram panicked and thought before I get too old, better have a kid. His wife gives him her handmaid and Ishmael comes along. Is that the way that God was working that? We all know it wasn't. What did God want Abram to do? Believe. What's that? It's that trust in God that God finds so valuable, calling those things which are not as though they were (Romans 4:17). v3: Incorrect teaching: God sending hurricanes because of all the babies that are being aborted in America. MM has heard them say the tornadoes that swept through Oklahoma were because we were not being a friend to Israel. Abrahamic Covenant: First covenant. When Abraham gets called. Components: 1. A LAND...A GREAT NATION (Land and people are primary) 2. THY NAME GREAT 3. A BLESSING to the world.
Genesis 12:1-3	Covenant : Abrahamic	1 Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee: 2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: 3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed. Israel has never had all the land promised to them under Abraham. Not even in the days of Solomon when the kingdom was the biggest. God goes from defense to offense. God makes a covenant with one man and promises to make of him a great nation through whom the nations of the earth will be blessed. This is about the first time that the word blessing has been used since the blessing of the creation. What is happening in this **Abrahamic Covenant is God's plan for dealing with the Devil, destroying the plan of evil, possessing the earth to Himself and accomplish what He originally designed to do when he created the heavens and the earth. Abram is being disassociated from everything he has ever been attached to. He is to leave his country, his kindred, his father's house and his land**. God is going to give to him a land that God has already staked out for Himself. He is going to create a nation for Himself and He will place them in the original land area of Eden. The place of the garden is there, the mountain of the Lord's inheritance is there and God is going to take that land back from Satan and put His nation there. And finally God will set up His kingdom and place His residence in that land and rule forever. It is through this man, Abram, and his seed that God will destroy Satan's plan of evil, repossess the earth and carry out His original plan and purpose for the earth. God is going to accomplish through Israel what He originally intended to accomplish on the second Sabbath following the first Sabbath. v3: IN THEE: Not just Abraham. He promised a great nation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 12:1-3	Covenant : Abrahamic / GH: GPPI verse	Genesis 1 - 2 is the background for the Abrahamic Covenant. That covenant and the creation of the people of Israel were for the purpose of fulfilling what man was originally designed to do back when God created him; the establishment of God's kingdom on the earth.
Genesis 12:4		4 So Abram departed, as the Lord had spoken unto him; and Lot went with him: and Abram was seventy and five years old when he departed out of Haran. Abram leaves Haran - 1921 B.C. [87 year diff from the Flood] - beginning of the 'time past' or prophetic program
Genesis 12:5		5 And Abram took Sarai his wife, and Lot his brother's son, and all their substance that they had gathered, and the souls that they had gotten in Haran; and they went forth to go into the land of Canaan; and into the land of Canaan they came. THE SOULS THAT THEY HAD GOTTEN IN HARAN: GH: MM showing SOUL=people. They aren't collecting souls, talking about the people they picked up in that place that were traveling with them.
Genesis 12:6		6 And Abram passed through the land unto the place of Sichem, unto the plain of Moreh. And the Canaanite was then in the land. SICHEM: Shechem. Spelled several different ways in your Bible. Shechem is in the valley right where the road forks. UNTO THE PLAIN OF MOREH: GH: In Deuteronomy 11.
Genesis 13:14-17	GH: GPPI verse	This is because of God's original intent. God's original intent was to bring His residence down and set it up in the midst of His creation and rule from there. Even though God consigned to people of the world over to the adversary, He did not give up on His original plan for the earth. He is still going to accomplish that. - Even though the adversary has usurped possession of the earth, the land promised to Abraham belongs to God. It was in this same land area that Satan attempted to put together his "great nation" that would dominate the earth and establish Satan's COURSE OF THIS WORLD- Ephesians 2:2. See Genesis 10 - 11. - v15: ALL THE LAND...TO THEE WILL I GIVE IT, AND TO THEY SEED: - v16: MM says this will come to pass in the kingdom. - v17: WALK THROUGH THE LAND IN THE LENGTH OF IT AND IN THE BREADTH OF IT: Abraham performing a gesture that demonstrates God's readiness to repossess this land and put His "great nation" in it. When God described the boundaries of the land and then instructed Abraham to walk the length and breadth of it, he was having Abraham make a gesture of ownership.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 13:14-17	GH: GPPI verse	When a conqueror succeeded in taking possession of another's land, he would traverse the land area as a gesture that he was now the new possessor. It was a gesture that flaunted this in the face of the previous owner. This is what God had Abraham do when he walked the very land where Satan had established his stronghold; make a conquering gesture of possession. Abraham is meant to take possession of the land for God. And God is having him do it in the very heart of Satan's stronghold. While the people who saw Abraham may not have understood what he was doing, God knew that the one that was meant to see it and understand the gesture would get the message, and that was Satan. God was sending the adversary notice through Abraham. God says the land is His, He is giving it to Abraham and notice of such is served to Satan. Now things are really going to heat up in the "controversy over Zion." God says 'Get into Satan's yard and walk up and down in it'. It may be lost on the people that are out there, but the adversary will see it and he'll know what that is because I AM now taking an active step in promising to make you a great nation. I AM taking an active step toward repossession of this land for Me. This is exactly what's going on in the Abrahamic Covenant. - v17: FOR: Because - v17: I WILL GIVE IT UNTO THEE: The gesture of possession. MM says the same thing is happening in Job 1:6-7.
Genesis 13:15		15 For all the land which thou seest, to thee will I give it, and to thy seed for ever. Abrahamic covenant - God's purpose with Abraham was to achieve His original purpose with the earth - to establish His Kingdom. He is going to do it through a nation.
Genesis 13:16		16 And I will make thy seed as the dust of the earth: so that if a man can number the dust of the earth, then shall thy seed also be numbered. THY SEED ALSO BE NUMBERED
Genesis 13:17		17 Arise, walk through the land in the length of it and in the breadth of it; for I will give it unto thee. "Walking up and down" in the earth represents his possession of the earth. This is what God has Abraham do in Genesis 13 when He gives the land to Abraham. You are going to walk through this land and you are going to be surveying what you are going to own. God tells Abram to go make the gesture of possession by walking through the land. When a guy walked back and forth thru the land, that was a gesture of saying I am the owner/I am the possessor. Satan does this in Job 1. God told Abraham I am going to give you this land, and I want you to walk up and down in this land, and it was the gesture of possession. He walks up and down in this land and finds people who don't take kindly to him or the idea that he is going to get this land. There are kings that come against Abraham to destroy him.
Genesis 13:18		18 Then Abram removed his tent, and came and dwelt in the plain of Mamre, which is in Hebron, and built there an altar unto the Lord. With this, God is now on the offensive as He proclaims this land to be His. He gives it to Abraham (God's man) and God tells Abraham to walk through it. Israel is the means by which God will fulfill the second Sabbath after the first. The Kingdom is called the Lord's rest because it is the second Sabbath after the first. This is what it is called in Hebrews 3-4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 14:12-24	GH: GPPI verse	Context: There are some kings that come against some others. There's a battle going on. It bleeds over into the area where Abraham's nephew Lot is living. They take Lot captive. He's not really their target. He's just a target of opportunity. He happens to be there and they take him. Abraham hears about it and sets forth to deliver Lot. Melchizedek and the city of Salem are important and have to do with God's plan and purpose with Israel. Abraham is going to get involved since these kings have taken his nephew captive. v12: THEY TOOK LOT, ABRAM'S BROTHER'S SON: v14-16: God had already promised Abraham all of this land and all of the blessings associated with this land and having possession of it. Abraham is showing what will be done by God's Power and grace. MM says there's no law here, the law hasn't shown up yet. This is God working through Abraham and 318 men to defeat the kings of nations banded together. v14: THREE HUNDRED AND EIGHTEEN: MM says there are a number of kings that assembled and were going through doing this. Abraham puts together 318 men. This is a very small group in comparison and he sets out after them.
Genesis 14:12-24	GH: GPPI verse	v18: MELCHIZEDEK: God has planted a man in the city of Salem that knows God and knows what God is doing with regard to the heavens and the earth. Melchizedek also understands who Abraham is and he comes out and blesses Abraham; the one God will use to repossess the earth. v18: HE WAS THE PRIEST OF HTE MOST HIGH GOD: God has a man planted in Salem who knows who the possessor of heaven and earth really is. v19: THE MOST HIGH GOD, POSSESSOR OF HEAVEN AND EARTH: v21: Melchizedek is saying I know that you rescued the people and all of their stuff. Keep the stuff, just let the people come back. v23-24: Abraham response shows he understand who he is in God's plan and purpose. Abraham says I don't need anything from you. I don't want you saying I made Abraham rich. God is going to take care of this. You take the people back, the stuff back, I'm not taking a SHOELACHET.
Genesis 14:16		16 And he brought back all the goods, and also brought again his brother Lot, and his goods, and the women also, and the people. ALSO BROUGHT AGAIN HIS BROTHER LOT

Genesis 14:18-19	GH: THE MOST HIGH GOD definition	18 And Melchizedek king of Salem brought forth bread and wine: and he was the priest of the most high God. 19 And he blessed him, and said, Blessed be Abram of the most high God, possessor of heaven and earth: v18: PRIEST OF THE MOST HIGH GOD v19: THE MOST HIGH GOD, POSSESSOR OF HEAVEN AND EARTH: GH: Definition of THE MOST HIGH. v19: MOST HIGH GOD: Possessor of heaven and earth. Mechizedek defined it. When Satan says I will be like the Most High, he is saying he will be possessor of heaven and earth. Satan can't kill God off. Knows he can't do away with Him. But what he thinks he can do is take possession of the heavens and earth for his plan and purpose. He has a plan to hold onto both. Plan to hold onto the heavenly places wasn't that complicated. He got them to rebel with him. Didn't realize that the Body of Christ is coming to kick them out. v19: HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth.
Genesis 14:18-19	GH: WoD Teaching	18 And Melchizedek king of Salem brought forth bread and wine: and he was the priest of the most high God. 19 And he blessed him, and said, Blessed be Abram of the most high God, possessor of heaven and earth: Still in a time where the LIGHT (GH: of Truth) is the most prevalent thing. The Truth is more known than the untruth. (GH: MM showing the TIMELINE : DAY from Genesis 9-Genesis 17) v18: MELCHIZEDEK: Is not a Jew, he doesn't come from Abraham. He's alive at the same time as Abraham. Had to be a Gentile because there's not a third option. v18: PRIEST OF THE MOST HIGH GOD: Melchizedek knows who God is. Here's a Gentile king who functions as a priest and he knows who God is.
Genesis 14:22		22 And Abram said to the king of Sodom, I have lift up mine hand unto the Lord, the most high God, the possessor of heaven and earth, THE MOST HIGH GOD, POSSESSOR OF HEAVEN AND EARTH: GH: Definition of THE MOST HIGH.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 15	GH: RDW	Different messages for Abraham and us. Abraham knew nothing about a coming Messiah. God only wanted faith out of Abraham for justification and remission of sins. Won't get fully justified until the age to come. 1. All that God did for Abraham in justifying him unto eternal life, (and even in covenanting with him all that He covenanted for) God did solely by His JEHOVAH-NESS and GRACE. Works the same way for us. 2. The ONLY way in which Abraham could ever be justified unto eternal life (having his sins forgiven and the Righteousness of God imputed to him); to be saved from the debt and penalty of his sins, was by FAITH and FAITH ALONE! It is the highest presumption and folly in view of everything we have seen so far to think that we would ever take faith and combine it with anything in order to be justified. God talking to Abraham since Genesis 12. In Genesis 15, it is counted to him for righteousness. What he believes now is something from all possible appearanes is absolutely impossible to happen but he is believing it because God said it. That aspect of faith - believing God in the face of everything else is exactly what makes faith so valuable in God's Eyes. Because You are who You are I believe You over everything else. This is valuable enough to God that He says when you can do that I will give you My righteousness. What makes faith so valuable. Exactly what God is looking for. In fact, it's the ONLY thing He is looking for.
Genesis 15	GH: IPF verse	v1-6: When Abraham was justified unto eternal life by faith. v4: God tells Abraham, don't worry about it, you will have a son. This was probably tough considering Abraham's age, and especially Sarah's. God waits even longer to show them what He can do. Because God is going to create through this couple 'a people of His own creation'- Genesis 1:27. v6: HE BELIEVED IN THE LORD; AND HE COUNTED IT TO HIM FOR RIGHTEOUSNESS: Abraham's belief/faith justified him.
Genesis 15	Non-MBI	The Land Covenant: challenged by Islam
Genesis 15:1		1 After these things the word of the Lord came unto Abram in a vision, saying, Fear not, Abram: I am thy shield, and thy exceeding great reward. First thing God says to Abraham in Genesis 15. Correlates to 2 components of saving faith (Romans 4:17) - things only God can do: (1) - “Who quickeneth the dead,” - THY SHIELD - God has the power to do it - Remember Genesis 12 started out fun for Abraham - great nation, land grant, go see it - to Genesis 14 where the (GH phrase) indigenous people make war with him. Abraham cowering in a corner - don't have a kid and the people are trying to kill me - first thing God says is 'I AM thy shield'. (2) - “And calleth those things which be not as though they were.” - THY EXCEEDING GREAT REWARD - you have the certainty of His counsel (His plan, His purpose, His intent - what He wanted to do) EXCEEDING GREAT REWARD: Seed will be as the stars of Heaven, inhabit the land forever - I AM going to do that for you - you aren't just going to walk in there - God has the power to do what He says He will do. Has to do with not just that God can do it, but if He said it, He will do it. You know He will do it and you can become fully persuaded that He will keep that promise. God CAN and WILL. What He intended to do with Abraham is what He would do.

Genesis 15:5		5 And he brought him forth abroad, and said, Look now toward heaven, and tell the stars, if thou be able to number them: and he said unto him, So shall thy seed be. TELL THE STARS: **Count the stars - Bank teller - from the word 'count'. God tells this to someone with no kids**. Abe mentions Eliezar and God said I AM not talking about Elizar, this will come from your own bowels, is going to be your natural flesh and blood son.
Genesis 15:6	Israel Program : Justification No. 1 - By Faith	6 And he believed in the Lord; and he counted it to him for righteousness. Abraham got justified unto eternal life when he believed God (when God told him he would have an heir) and it was counted to him for righteousness. Abraham got justified by works as a friend of God when he offered his son Isaac up (Genesis 22?). Most people say 13 years between Abraham's JUEL (Genesis 15:6) and his circumcision (Genesis 17). MM says 14 because it takes 9 months to deliver - almost a year - calls it 14. Consider the following questions: - In the case of Abraham, was he really justified unto eternal life by grace through faith alone without works of any kind? YES - Was righteousness imputed to him without works? YES - Could his circumcision be considered a work that established his justification? NO - If so, could a Gentile ever (must/only) be justified apart from the work of circumcision? YES Circumcision - two things or meanings at different time: 1. A seal of the righteousness by faith (what Romans 4 is talking about) - Originally, circumcision was a sign to say your righteousness is by faith 2. Remind them of the covenant that God has made with them - to make them a great nation and to put them in the land and to make them head of all nations - a separate and distinct people - Distinguished them from the nations of the world - made them a peculiar (different/unique) people
Genesis 15:6	Israel Program : Justification No. 1 - By Faith	6 And he believed in the Lord; and he counted it to him for righteousness. Abraham has TWO justifications. They are not contradictory, they are complimentary. Justification 1: By Faith. We see any form of the word JUSTIFY/JUSTFICATION and assume it is being used the way we understand it. We are JUEL before God. We are by God. If you turn from God after being justified, you will still go to Heaven but it will be visibly seen in your glorified body that you did. HE BELIEVED IN THE LORD AND IT WAS COUNTED HIM for righteousness. **This is where Abraham got JUEL - by faith because he believed. Sound like trust in Jesus? Issue was I don't have any kids and God said don't worry about it, you will. Abraham said I believe you, and God said, that counts for righteousness**. We are children of Abraham because our JUEL comes by faith too. We are not spiritual Israel.

Genesis 15:12-16	GH: God's Egypt prophecy to Abram on his descendants	12 And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him. 13 And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years; 14 And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance. 15 And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age. 16 But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full. v12: THE HORROR OF GREAT DARKNESS: When Abraham saw what the adversary was going to be doing to the people in Egypt. v13: AFFLICT THEM FOUR HUNDRED YEARS: Talking about when they were in slavery in Egypt. MM tying this to Isaiah 63:9. Prediction of the affliction. GH: Fulfilled in Exodus 1:12.
Genesis 15:13-16	GH: GPPI verse	Where Abraham is told the reason for his seed being a stranger in a foreign land for 400 years. Why God doesn't just take them into the land (GH: explaining the Egypt detour) God tells him that Israel will not come out of Egypt until that time because up until then, the iniquity of the Amorites IS NOT YET FULL-v16. When it is, out comes the nation of Israel! v13: IN A LAND: Know that land is Egypt. v16: FOR THE INIQUITY OF THE AMORITES IS NOT YET FULL: Why God left them in the land 400 years. MM tying to how evil the Amorites were so we can understand how evil Manasseh was when he "surpassed the evil of the Amorites". v16: AMORITES: The Amorites were the leaders in the land for Satan's 'hot bed of evil'. God is saying the amount of evil that it takes Me to strip them out of the land hasn't come to pass yet. So you are waiting. It will get there and when it does, I AM bringing you in and you're going to drive them out and the land is going to spew them out because of these abominations that they're committing in the land. Then He warns them, don't commit the same abominations in the land or the land will spew you out.
Genesis 15:13	GH: GPPI verse	13 And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years; MM points to the timeless nature of God. THEY SHALL AFFLICT THEM FOUR HUNDRED YEARS: God told Abraham that his seed would be afflicted in Egypt for 400 years. Four hundred years is a long time to us. Many Israelites were born, lived and died in that Egyptian captivity. That kind of time can cause some problems when someone has promised something. It is enough to make people doubt the validity of what they learned of God’s dealings with Abraham. But to God, time holds no such problem. FOUR HUNDRED YEARS: Reasons why God leaves them in there for 400 years: * God is showing Israel that time is not an issue with Him. * Couple things happening behind the scenes.

Genesis 15:17		17 And it came to pass, that, when the sun went down, and it was dark, behold a smoking furnace, and a burning lamp that passed between those pieces. **Abe's fast asleep. That's God passing between the pieces. Only God passing between means it is an unconditional covenant**. I don't want you in it, you are going to be the beneficiary of it but I AM going to do it. Don't you really want it that way? Unconditional covenant means it is going to be filled by His Jehovahness and grace. Big hunk of real estate. Israel produced the land that they could produce. God will produce what He promised in the Abrahamic covenant. Look at the geographic area of the land. What is strangely missing is no one wants to show the map of what Israel is supposed to have. Genesis 17:1		1 And when Abram was ninety years old and nine, the Lord appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou perfect. All of Abraham's circumstances would say your not going to have any kids - don't have any, you're too old to have any, Sarah is too old. It was, you know what, take the hand maiden and God said, that one doesn't work. Going to be Sarah. No one else on the planet believed because they had all signed over to the Adversary at the Tower of Babel-would NOT have been counted to them for righteousness. It was Abraham alone that God called out. Abraham does the only thing he can do - he believes God.
Genesis 17:7-8		7 And I will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee. 8 And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God. Covenant: God is going to give them the land and establish them in that land forever. Circumcision is going to become the token of that covenant - it's no longer the seal of righteousness which is by faith. Now it is going to be, I promised you that land and I am going to keep my promise.
Genesis 17:9-10	GH: GPPI/EoM verse	9 And God said unto Abraham, Thou shalt keep my covenant therefore, thou, and thy seed after thee in their generations. 10 This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised. Genesis 17:10		10 This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised. GH: Wrong verse? MM used to teach that: - one day we would be raptured out - we're going to get a glorified body - then when the Lord comes back at the Second Advent we would come with Him - He is going to destroy His enemies - He is going to set up His Kingdom - We're going to rule and reign with Christ in that earthly Kingdom - We're going to get a mansion - We're going to live in the New Jerusalem Believe above, you would interpret this phrase HEIR OF THE WORLD-Romans 4:13 - like everyone else - that we are going to come back and do in this world. But this particular phrase used in the context where it is used does not mean the things of the Kingdom out there. What it's talking about is that he as an heir is now going to be utilized by God in what God is doing in the world. Abraham can't really participate in what God is doing in this world until he is JUEL. After, he is made fit. Same with us. The only way you can be fit - in Abraham's day or today - is to be JUEL. circumcision was a sign that now you are fit and can do it.
Genesis 17:10		10 This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised. This is the FIRST issue in the "sign" of circumcision. And the first issue of it pertained to Abraham in connection with his SPIRITUAL FATHERHOOD. Circumcision changed meanings: - Seal of the righteousness which is by faith Sign originally that JUEL was by faith - Abraham believed God and it was counted unto him for righteousness was the sign of the circumcision - seal of the righteousness which is by faith (Genesis 17) - The sign of the covenant to remember that God gave them the land: Later God is going to say circumcision is now going to be a token of the covenant between Me and the seed of Abraham/nation of Israel - not of your righteousness because don't have any. Abraham was PROMISED on the basis of being JUSTIFIED UNTO ETERNAL LIFE that he was God's "heir" and he would be directly involved in doing what God is doing in His "world." Abraham was JUEL, an heir, and was involved in what God was doing in the world. He was raising up a nation. Since we are JUEL, an heir (spiritually fit), and we will be involved in what God is doing in the world. Doesn't mean you get Israel's promises.

Genesis 17:13-14		Circumcision was the requirement for participation in the covenant. You can't participate in the covenant unless you are circumcised - a physical thing. Where the Judiazers who followed Paul around got the idea that you must be circumcised to be saved, because you couldn't be a participant in the covenant unless you were circumcised. And Paul is going, NO! That's not how this works. So they had to come to a resolution about that.
Genesis 18-19	GH: WoD Teaching	Issue of Sodom and Gomorrah: Sodom and Gomorrah: **God destroys Sodom and Gomorrah as an ensample that if you're going to live ungodly after the Flood, you're going to suffer judgment for that too**. When the Flood came and wiped everything out, his natural question was I got the world to be in the state of THE WORLD OF THE UNGODLY-2 Peter 2:5 and God wiped it all out except for these 8, and God brought some changes in so things weren't going to happen as quickly as they did before, and Satan was wondering can I make this happen again? He ran an experiment. We have seen this before, where he had a practice run before bringing his anti-christ into the world. He was doing another practice run after the Flood. Satan ran a test with a very small community. Things have changed after the Flood and he needed to see if he could produce THE WORLD OF THE UNGODLY-2 Peter 2:5 again. He took all 3 categories of his WORKS OF DARKNESS and he concentrated them together to intensify them, almost to the total neglect of the rest of the world, which had been given to him at the Tower of Babel became in a microscopic fashion a WORLD OF THE UNGODLY that God immediately destroyed with fire and brimstone. Satan knew this - in spite of those changes, he could still produce THE WORLD OF THE UNGODLY, it's just going to take a little longer. Satan found out the the things under each of these 3 categories could reproduce THE WORLD OF THE UNGODLY. You have to understand, if Satan's WORKS OF DARKNESS are not slowed down, we'll have a WORLD OF THE UNGODLY. God especially hates these WORKS OF DARKNESS because of what they produce. CAST OFF THE WORKS OF DARKNESS: Your Father is saying I WANT you to impact those things that are actually moving the world in the direction Satan needs it to go. MM says this doesn't have anything to do with overcoming sin, that was covered in sanctification. Now we are talking about hurting Satan at the heart of his best opportunity to hold onto his possession of the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 18-19	GH: WoD Teaching	We think about Sodom in one particular way. He has always heard these sermons where they would take one thing and act like it was the biggest thing in the world. Everybody thinks about God destroying SODOM AND GOMORRAH for one particular sin. The word sodomy comes out of that root word. That's what everybody thinks about. MM wants to clear this up. Sodomy was being practiced by Gentiles around the world, it wasn't just in SODOM AND GOMORRAH. God didn't destroy SODOM AND GOMORRAH because of sodomy. He destroyed SODOM AND GOMORRAH because all 3 categories of the WORKS OF DARKNESS-Romans 13:12 had produced a zenith of repudiation of God and an embracing of the DARKNESS. And God said, OK, this place has gotten to the very place that now it deserves to be judged. It had become a microcosm of what Satan's going to produce with the whole world. It wasn't for one issue. MM again recounts sermons that preached that God had to judge America or apologize to SODOM AND GOMORRAH because what was happening back there is happening here. MM says we are in a DOGG and God is not punishing any nation based on what it is doing today by His LONGSUFFERING and FORBEARANCE, He is offering them the goodness of His mercy. If God was punishing nations or people today based on their conduct, then the most wicked nations in the world would be the most bankrupt and would have the worst health issues. There are evil people in this world who are rich, who have better health than you. God is not judging them for that, not in this life. This is the DOGG. SODOM AND GOMORRAH were not being dealt with this way.
Genesis 18-19	GH: WoD Teaching	MM is not saying that it's OK for America to have a debacherous lifestyle, but what he is saying is you can't equate those two and make a sermon out of it. MM talking about a book where the author claims the natural disasters were punishing America for her sins. When we think about SODOM AND GOMORRAH, we only think about them in one way, because that is the most obvious way that could be seen about them. But they were not the only ones doing it. What was unique about them is that Satan got all of these WORKS OF DARKNESS-Romans 13:12 concentrated, mixed together and focused on that area and he actually brought that area to the place that he eventually brought the world to GH: right before God ushered in this DOGG. Satan had all 3 categories of the WORKS OF DARKNESS-Romans 13:12 concentrated on these cities. This is a parallel issue in what Satan is going to produce in these WORKS OF DARKNESS in Israel afterwards. That's what he is really in it and also in the world. In Sodom, Satan concentrated these various categories of THE WORKS OF DARKNESS to see if he could produce again THE WORLD OF THE UNGODLY-2 Peter 2:5 in a small form and he was very successful, so successful that God destroyed Sodom and Gomorrah. Now he is working on that again.
Genesis 18	GH: IPF verse	See the issue that set Abraham apart as a 'friend of God'-James 2:23. Ever since Abraham believed God and it was counted him for righteousness-Genesis 15:6, God began to do a number of things with him. God begins to take Abraham into His counsel and reveal to him the things that He will be doing with Abraham and His seed in the creation of this new nation of people. God comes to the earth, has a physical meal with Abraham and communes with him so that He manifests to Abraham – you are my friend and I am entering into an intimate relationship with you. Abraham responds with works concerning the truth that has been given to him in which he demonstrates his reciprocal friendship with God. God is coming to commune with Abraham and have a meal with him. He is initiating a relationship with Abraham that says I AM going to reveal to you the things that I AM doing. A friend knows what God is doing. I want you to know the part that you're playing in this. Starts a series of things on Abraham's part that leads him up to being willing to sacrifice his son, Isaac, on the altar. God stops that.

Genesis 18	GH: IPF verse	v11: Sarah is too old to have kids anymore. v12: Sarah says you mean we are finally going to get a kid now that we're both too old. v17: SHALL I HIDE FROM ABRAHAM THAT THING WHICH I DO: Important because a servant knows not what his master does (John 15:14-15). See God building this relationship with Abraham so by the time you get to Genesis 22, Abraham reciprocates that friendship an being willing to offer his son Isaac upon the altar and by that becomes a 'friend of God'-James 2:23. Abraham's works manifest whose side he is on.
Genesis 18:18		18 Seeing that Abraham shall surely become a great and mighty nation, and all the nations of the earth shall be blessed in him? Ties to John 3:16. IN HIM: God is going to use Abraha as father of the nations because from Abraham comes the 12 sons and the 12 sons become the 12 tribes and they become the nation of Israel. When Israel becomes that great nation, that is what God is working toward. When that happens, that will be the kingdom. And the word of the Lord will go forth from Jerusalem and it'll be carried out to all the Gentile nations and then the Gentiles will really get that chance to hear the good news and they can be saved. That's not what's happening today.
Genesis 18:23		23 And Abraham drew near, and said, Wilt thou also destroy the righteous with the wicked? ALSO DESTROY THE RIGHTEOUS THE WICKED: When used as a noun, has a group of people in mind.
Genesis 19:24		24 Then the Lord rained upon Sodom and upon Gomorrah brimstone and fire from the Lord out of heaven; **The fire and brimstone that rained down on Sodom and Gomorrah came from the lake of fire**.
Genesis 19:38		38 And the younger, she also bare a son, and called his name Benammi: the same is the father of the children of Ammon unto this day. THE YOUNGER, SHE ALSO BARE A SON
Genesis 21	GH: GPPI verse	God waits till Abraham and Sarah are both too old to have kids so that these are not the product of Abraham and Sarah but it is the product of what God miraculously produces through them. That's why the scripture calls them the people of his own creation (GH:Verse?). He is the One that did it. And they are not to be numbered with the nations of the world because they are not the product of the normal having children and on and on. They're people that come out of God's miraculous power to do this. So it is this GREAT NATION-Genesis 12:2 that He will use to reconcile all those others that were back in Genesis 11 given over to the adversary. So, God makes a covenant with Abraham in Genesis 12. When he is too old to have children, he miraculously has Isaac for a son. And this starts the people of God's own creation. That's how from a Gentile you can start a Jewish nation.
Genesis 21:12		12 And God said unto Abraham, Let it not be grievous in thy sight because of the lad, and because of thy bondwoman; in all that Sarah hath said unto thee, hearken unto her voice; for in Isaac shall thy seed be called. IN ISAAC SHALL THY SEED BE CALLED: The promise of multiplying Abraham’s seed pertains to Isaac (GH: Genesis 17:2).

Genesis 22		The issue of God commanding Abraham to offer his son, Isaac, as a sacrifice, as a burnt offering. The book of James says that by reason of Abraham's obedience, he was justified in the eyes of men as the 'Friend of God'-James 2:23. This was something the members of the believing remnant (BR) are asked to do out in the final installment of the 5th course of punishment (CoP); to demonstrate, by their obedience to the doctrine given to them, that they are the "Friend of God," and by such, they not only provide for their deliverance in the Tribulation, but they also gain entrance into the kingdom with reward. MM offers a defense of God's command and of Abraham's obedience. By this time, Abraham has been justified unto eternal life (JUEL) for well over 30 years. He is living in the area of Beersheba which is about 60 miles SSW of where Jerusalem would one day be. When Abraham and Isaac go to Mount Moriah, they are coming from Beersheba, a 3-day journey of about 60 miles. God tells Abraham to take Isaac, journey to a mountain that God will show him, and sacrifice his son as a burnt offering to God. Abraham obeys God and journeys to Mt. Moriah, which is right in the Jerusalem area. Abraham prepares the altar and is about to sacrifice Isaac when the LORD stops him and commands Abraham not to harm his son. Nearby the altar, a ram is caught in a thicket, and it becomes the sacrifice to God. Abraham names that place Jehovah-Jireh, "the LORD will provide." Skeptics and atheists have used this passage to charge God with sin. Because the thought of sacrificing one of our children seems so despicable, we wonder what God was doing by asking Abraham to do this, even if God knew He would stop Abraham from harming Isaac.
Genesis 22		Contentions - wrongly assume that both God and Abraham sinned: 1. Why would God commit sin by asking Abraham to sacrifice his son to Him? - The reason God did not sin is because He is sovereign over His creation. God holds the position of being the Supreme Ruler over His creation. His authority is absolute and His dominion is all-inclusive. Let's look at two of the reasons this is true: 1) It is true because of who He is – He is God 2) It is true because of what He has done – He is the Creator Once we understand who God is (especially in relation to who we are as creatures), and once we understand the infinite gap between the creation and the Creator, we will recognize the indisputable truth that God has utter and complete discretion with regard to everything in His creation and what He chooses to do with it. It is His right alone to deal with His creation as He sees fit. God is not part of the creation, He is above His creation. God is further above His creation, than things in the creation compared to other things in the creation. God is farther above anything in His creation than anything in the creation is above any other thing in creation. There is less distance between you and the mosquitoes you kill than between God and anything in His creation. God is so far above His creation, that He has the right to do His Will with that creation, no matter what He chooses to do. This understanding is part of a study on the doctrine of God (more specifically on the Sovereignty of God). God owns the whole creation, because when you understand, then you will know that God can command anything in the creation to do whatsoever He wants, and by that God violates no moral law; in other words, God does not sin by doing so.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 22		ANALOGY: Buy property and clear it. Build house, plant grass, build barn. No one can question you doing this because you own the property. God didn't buy it, He made it from nothing. He brought it into existence without needing anything else. It is His in a way that will never be yours. His ownership is infinitely greater than yours. Because your property was someone else's before you and when you die, it will pass on to someone else. Your "ownership" is temporary. But the creation had no previous owner. From when it came into existence at His command, it was God's. And it will never belong to someone else, as it will always be His. His ownership is greater because ultimately, even when you buy it and register yourself as the owner at the courthouse, God still owns it. Now, let's talk about the living part of the creation. God owns all of that too, not just the inanimate objects like rocks and the dirt, but the plant life, the animals and also mankind. Mankind is not here without God and mankind does continue to exist without God. When God puts man into a place higher than the rest of the creation, the cows may not think that is fair, but it is His creation and He can do with it what He wills. God has just as much right to do with mankind as He pleases as He does the dirt and waters. Three comparisons: COMPARISON 1: God's right to have dominion over His creation is infinitely greater than your right to live in the house you may have bought and paid for. You may have even built it. But either way, when you own your home, you have every right to live there, to decorate it the way you want, to paint the walls the colors you choose, etc. Everything about that is up to you. But, your right to live in and decorate your home is not a sufficient comparison of God's right to deal with His creation. Because He is God, then His rights are beyond our rights, His freedom exceeds our freedom, and His right to do His will is far greater than ours. If it was not, then He would not be God. In all aspects, God's rights and authority super-exceeds our rights and authority to do anything.
Genesis 22		COMPARISON 2: The difference between the potter and the nonliving clay is less than the difference between God and His living creation. People today tend to look at God like He is another creature who has no more rights or authority than we do. If the potter has the right to do his will with the pot that he is forming, and he does, then God's rights over His creation is infinitely greater. In other words, I have less right to go out into the parking lot and get in my 20-year old truck which, is paid for and belongs to me; my right to get in that truck and drive it home is less than God's right to completely destroy His entire creation along with everyone in it. We are talking about God's Sovereignty, not about whether God can commit sin. God cannot sin. In fact, the Bible says that God cannot even be tempted to sin. 2. Why would Abraham be willing to sin by sacrificing his son?
Genesis 22	GH: SIIP Verse	God asks Abraham to offer his only son as a burnt offering to him and then God stop him and then supplies a ram that they sacrifice instead. Objection: Why would God sin by asking Abraham to sacrifice his son? And why would Abraham sin by obeying God? MM says God did not sin by asking Abraham to do this when even the Bible is against sacrificing your children? And Abraham did not sin by obeying God. The problem is with the questions. You can ask a question and if the question is wrong, if looks like there's no right answer. EX Have you quit beating your wife yet? Cooked if a man says YES or NO. If you never started, you would say the question is wrong. Answer is called 'An apologetic of Genesis 22'.
Genesis 22	Non-MBI	DP: NOTE: He did it on a mountain called Mariah, which later became Golgotha, or Calvary.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 22:1		1 And it came to pass after these things, that God did tempt Abraham, and said unto him, Abraham: and he said, Behold, here I am. GOD DID TEMPT ABRAHAM: Tempt is used differently than James 1:13. **This is not saying God tempted Abraham to commit sin. God doesn't do that. He tempted Abraham in a 'tried' or 'tested' sense. The "tempt" here has to do with "trying" Abraham's faith, not tempting his to do evil**.
Genesis 22:2		2 And he said, Take now thy son, thine only son Isaac, whom thou lovest, and get thee into the land of Moriah; and offer him there for a burnt offering upon one of the mountains which I will tell thee of. What is God doing here? God is testing Abraham to demonstrate just how much Abraham trusts that God will fulfill His covenant with him. This is not about human sacrifice, this is about how much Abraham trusts God. Trusts God to do what? **Trusts God to keep His word, to keep His covenant, to fulfill His promises**. If you are Abraham and God has made an unconditional covenant with you and then He asks you to eliminate the one essential component to the covenant's fulfillment (Isaac), what is the real question you should be asking yourself? If you are not certain about whether or not you can trust God to keep His word, then the question in your mind is about blind obedience. How the flesh looks at the situation. But, if you are Abraham and you trust the promise of God, if you trust that God is going to multiply your seed through this son right here, your son Isaac, then what is in your mind is not a test for blind obedience at all. In fact, if you believe God will produce a generation through this boy which, at this point in his life has no children, then you know you are not going to lose you boy, no matter what. THY SON, THINE ONLY SON ISAAC: God makes it clear that the promise will not be fulfilled through Ishmael, but Isaac alone.
Genesis 22:7-8	Israel Program : Justification No. 2 - Justification of works before men	7 And Isaac spake unto Abraham his father, and said, My father: and he said, Here am I, my son. And he said, Behold the fire and the wood: but where is the lamb for a burnt offering? 8 And Abraham said, My son, God will provide himself a lamb for a burnt offering: so they went both of them together. Justification 2: By works. 30 years after Justification 1. SECOND justification for Abraham. Justification by works. Not for eternal life, it is for eternal reward. When Abraham work of offering his son, God rewarded him.

Genesis 22:15-18	The Abrahamic Covenant	15 And the angel of the Lord called unto Abraham out of heaven the second time, 16 And said, By myself have I sworn, saith the Lord, for because thou hast done this thing, and hast not withheld thy son, thine only son: 17 That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies; 18 And in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice. The Abrahamic Covenant v17: This is in conjunction with the promise that God made to Abraham. v17: THE STARS OF THE HEAVEN: MM citing as an example of the 'second heaven'. v17: BLESS THEE, AND IN MULTIPLYING THY SEED AS THE STARS OF THE HEAVEN: Multiply his seed - nation of Israel. v17: THY SEED: Second occurence is Jesus Christ v17: I WILL MULTIPLY THY SEED AS THE STARS OF HEAVEN, AND AS THE SAND WHICH IS UPON THE SEA SHORE: GH: Hosea references in Hosea 1:10. v17: GATE OF HIS ENEMIES: In the Bible, the “gate” is often an expression of governmental power. You can see this demonstrated in Genesis 19 and Ruth 4. This is what is being spoken of when God tells Abraham that his seed would possess the “gate of his enemies.” Jesus will possess the gate of His enemies. Israel can't do that without Him. That's why the whole thing is covenanted for and given to them as a free gift. v18: IN THY SEED SHALL ALL THE NATIONS OF THE EARTH BE BLESSED: God had a plan with the circumcision that manifests His love for the Gentiles.
Genesis 22:15-18	GH: SIIP Verse	The BR is asking for this in Psalm 83. v15: LORD: ALL CAPS LORD. v17: I WILL MULTIPLY THY SEED AS THE STARS OF HEAVEN: Talking about all those who are going to come from him. All the generations that are going to come from him. v17: AND THY SEED SHALL POSSESS THE GATE OF HIS ENEMIES: No longer about the generations that come from Abraham. This is different. Point: Will do this as part of the Avenger mandate before the kingdom can get itself established. v17: THY SEED: The Lord Jesus Christ, the Seed of the woman and the Seed of Abraham. He is going to POSSESS THE GATE OF HIS ENEMIES. v17: HIS: Not 'their' not 'your', His enemies.
Genesis 22:17	GH: GPPI verse	17 That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies; THY SEED SHALL POSSESS THE GATE OR HIS ENEMIES: This refers to his dominance over his enemies and that he and his seed will control their governments.

Genesis 22:19	Non-MBI	19 So Abraham returned unto his young men, and they rose up and went together to Beersheba; and Abraham dwelt at Beersheba. CM: Notice Isaac is not mentioned or cut out of the story from the altar scene till he is united with his bride in Genesis 24.
Genesis 24:60		60 And they blessed Rebekah, and said unto her, Thou art our sister, be thou the mother of thousands of millions, and let thy seed possess the gate of those which hate them. THEY BLESSED REBEKAH, AND SAID UNTO HER: When you bless someone, you are saying good things about them.
Genesis 26:12	IP : Blessings : Physical	12 Then Isaac sowed in that land, and received in the same year an hundredfold: and the Lord blessed him. SOWED IN THAT LAND: Isaac is planting a crop. AN HUNDREDFOLD: AND THE LORD BLESSED THEM: Israel had physical blessings.
Genesis 26:24	IP : Blessings : Physical	24 And the Lord appeared unto him the same night, and said, I am the God of Abraham thy father: fear not, for I am with thee, and will bless thee, and multiply thy seed for my servant Abraham's sake. WILL BLESS THEE, AND MULTIPLY THY SEED: Means you will have a lot of children - a physical blessing.
Genesis 27:30		30 And it came to pass, as soon as Isaac had made an end of blessing Jacob, and Jacob was yet scarce gone out from the presence of Isaac his father, that Esau his brother came in from his hunting. AN END OF BLESSING JACOB: Blessing is when someone says good things about you.
Genesis 28 - 32	GH: GPPI verse	Review what is taking place with Jacob: * The multiplication of the population began to take place - SPREAD ABROAD-Genesis 28:14 * Jacob gained an understanding of the significance of the land (Bethel) - THE HOUSE OF GOD-Genesis 28:17 - God will bring His residence down * He has grasped the kingdom concept of this being the place of God’s government (gate of heaven) - THE GATE OF HEAVEN-Genesis 28:17 - God will conduct His Business from here * This event gives him an understanding of God’s purpose with the nation; Israel is to be God’s ruler in the world. - Genesis 32:28 - Jacob understands the significance of the people

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 28 - 32	GH: GPPI verse	Review: There were two events in the life of Jacob: 1. Where God is revealing to him that His purpose for creating the earth was to bring His residence here and for Him to rule in the midst of His creation. 2. God was stressing the importance of the creation of the nation of Israel. That the nations of the world had been consigned back over to the adversary back at the Tower of Babel and now God was going to create His own people. That was the reason that Abraham was a 100 years of age. Past the time of childbearing. His wife past the time of childbearing. Because there are going to be a people of God's creation through them and these people were not going to be numbered with the nations of the world. *Israel's only hope of becoming what God's plan and purpose calls for, is for God, by His Jehovah-ness, to provide for them what they need and to give it to them by His grace. *It was Jesus' death on the Cross that established the New Covenant and was the beginning of God's Jehovah-ness working for the nation. God was providing for them what they could not provide for themselves.
Genesis 28 - 32	GH: GPPI verse	God begins this work of Redeemer (recall the 5 mandates of the Davidic Covenant) when He dies on the Cross. The Work on the Cross was a necessary piece of work that they could never accomplish on their own. Everything Jesus did in His earthly ministry, everything He did following His death on the Cross, everything that was done and will be done out here in the day of Wrath, everything that will be done to avenge His Cause with Israel, to destroy Satan's Plan of Evil, to bring in an everlasting kingdom, and for them to become a blessing to the nations of the world. Everything that is done through God's Jehovah-ness and grace. MM says once you begin to see this concept, a whole lot of things in Scripture will begin to fall into place, like pieces of a puzzle, and make a lot of sense for us. There's something that God's Name Jehovah is designed to mean. Because they're only going to get the kingdom, they're only going to be the GREAT NATION-Genesis 12:2, they're only going to become the administrator of God's righteousness in the earth through the outworking of God's Name. MM references Moses at the burning bush.
Genesis 28 - 32	GH: GPPI verse	Moses gets educated and then turns around a educates Israel so they will have an understanding of it. Every plague that happens to at the Exodus is for the purpose of Israel's education. He could free them without all that but He is educating them in something they desperately need to know before they get to Mt. Sinai. Because the shocking truth is, they never should have signed the law contract. They never should have said we want to deal with You on the basis of our performance, on what we earn. And we deserve blessings, you bless us and when we deserve cursings, you curse us. They are getting educated on this from the time they are coming out of Egypt to the time they are faced with the aspect of how do you want Me to deal with you? Do you want Me to deal with you by grace or do you want me to deal with you by the law? And they say give us the law. So they have now contracted for five cycles of judgment that end over in the Lord's day of Wrath and culminate at the Second Advent of Christ. That's what they contracted for in the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 28:10-19		Context: Isaac had a son called Jacob and he doesn't want him to marry a woman of Canaan/Canaanite woman. He wants him to marry one of his own prople. Tells him to go back from where they are from and get a wife from there. Two great events take place in the life of Jacob that have to do with the covenant God made with Abraham. 1. Where Jacob wrestles with the angel and God confirms to Jacob the things that were promised to his father Isaac and his grandfather Abraham (Genesis 32:24-28) 2. Jacob seeing the angels ascending and decending from Heaven (ascending first means the earth is the place or home base) (Genesis 28:12) v12: A LADDER SET UP ON THE EARTH: The working of Jacob's ladder is how things will operate throughout the 1,000 year kingdom. v12: ASCENDING AND DESCENDING: Means the origin is the earth. That is not exactly how a creature functions. Makes the point of origin the earth. Makes sense because this is Israel's Program. MM says not the picture of the flawless, seamless function of a body. v14: IN THEE AND IN THY SEED SHALL ALL THE FAMILIES OF THE EARTH BE BLESSED: God had a plan with the circumcision that manifests His love for the Gentiles. v17: THE GATE OF HEAVEN: Place where you are going to go in. Future will be the same - a lot of traffic going back and forth. So the "gate of heaven" with the angels ascending and descending back and forth from heaven to earth, **represents God's government being carried out from His residence on the earth**. When Jacob understood this, he proclaims this spot to be the "house of God" and the "gate of heaven." It is to be God's residence and the central place of his government. v19: BETHEL: BETH in the Hebrew is the word for house. EL in Hebrew is the word for God. See EL and know God is in that name. Just like JE is short for Jehovah. BETH=House + EL=the first part of Elohim (God) - name of the city was Luz. Letter BET looks like a house. Letters also have numbers associated with them.
Genesis 28:10-19	GH: GPPI verse	First of two significant events (other is Genesis 32:24-28) in the life of Jacob that will actually amplify two important aspects of the Abrahamic Covenant. See the light come on for Jacob in a couple of areas. There are two events in Jacob's life that amplify for him God's plan and purpose: 1. It is with Jacob that the population growth of the nation begins to get under way in earnest, for it is Jacob who has the twelve sons who are the fathers of the twelve tribes. 2. There is an event that takes place as Jacob goes to get a wife. It is at this time that the covenant with Abraham is confirmed with Jacob. Jacob is going to make a journey and get a wife. See Jacob finally getting an appreciation for what the land is all about. v12: A LADDER SET UP ON THE EARTH, AND THE TOP OF IT REACHED TO HEAVEN: The dream of the ladder with the angels on it, relates again to the Abrahamic Covenant. Notice the order of the activity of the angels. MM says Jacob sees a ladder on the earth. The top of it stretches to heaven and angels ascending and descending on the ladder. MM thinks even the order is important. Not just a ladder. There's are angels on it and they are doing something. There's activity that's recorded for us that's important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 28:10-19	GH: GPPI verse	v12: ASCENDING AND DESCENDING: MM says the order of those movements has significance. When Jacob sees the angels going up and then coming down, he understands that heaven's business is going to be administered from this place. It is the seat of God's government; it is the GATE OF HEAVEN-v17. v13; v14b: God reaffirms the Abrahamic Covenant with Jacob. But there is a different aspect to what is told to Jacob that was not told to Abraham or Isaac; and that is the 'spreading abroad' of the increasing of the population of the nation. v14: THY SEED SHALL BE AS THE DUST OF THE EARTH: Those that are coming after. v14: THOU: Not your seed, you/Jacob. You, Jacob are fixin' to start this population multiplication where the nation really begins to grow. Abraham and Sarah have Isaac. Not exactly a big number. Isaac is going to have Jacob. Not exactly a big number. Jacob is going to have 12 sons who become the 12 patriarchs of the 12 tribes. This is where the nation really gets going with Jacob. This is the SPREADING ABROAD concept. This is the new wrinkle added to the things that God is saying when He confirms to him the Abrahamic Covenant. He says to Jacob now the population is really going to get underway. It's been pretty slow up to this point. Now, it's going to get going.
Genesis 28:10-19	GH: GPPI verse	v14: SPREAD ABROAD: There is a different aspect to what is told to Jacob that was not told to Abraham or Isaac; and that is the "spreading abroad" of the population of the nation. He is not talking about something in the kingdom, He is talking about something that is going to happen to him/Jacob. What is under consideration now is that the sheer numbers of the people be increased. God never mentions this concept with Abraham or Isaac. It is not until Jacob that the multiplication gets going. The nation is going to be formed through Jacob and his children. v14: ALL THE FAMILIES OF THE EARTH BE BLESSED: In the kingdom. v16: THE LORD IS IN THIS PLACE; AND I KNEW NOT: This is a revelation for Jacob as he begins to understand the significance of the Abrahamic Covenant, the significance of this land and purpose behind all of what God is doing. This is more than just a piece of land that God is giving to them, but that God has an interest in this land Himself. This land is for God! He is finally beginning to comprehend what all this means. MM says that grandfather Abraham and father Isaac would have talked to Jacob about the covenant at some point and would already be clued in.
Genesis 28:10-19	GH: GPPI verse	GH: Maybe he dismissed it. But he is about to understand the significance and the extreme importance of the land of Israel. That's why he says THE LORD IS IN THIS PLACE; AND I KNEW NOT. MM speculates Abraham would be saying I only told you a thousand times but when he sees this dream, he now understands this is the place where God is and where He is going to set His house. This is God's residence. Why he says HOW DREADFUL IS THIS PLACE? v17: DREADFUL: Not in the sense that we use today as something we don't want to look at, but rather he uses the sense that once you know what this is, it inspires a sense of fear and awe in you at the same time. v17: THIS IS NONE OTHER BUT THE HOUSE OF GOD: Jacob begins to grasp what he had not realized before, that this land is the place where God will place His residence. God's house is coming to this place! But first, this land has to be repossessed from the adversary. Jacob realizes that he is standing on the place where God is bringing His house. The whole reason for creating the world to begin with was so God could bring His residence here and rule His creation. Jacob finally understands this is the place that God is going to put His house.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 28:10-19	GH: GPPI verse	v17: THE HOUSE OF GOD: In view of all this, Jacob calls the place “Bethel,” which means HOUSE OF GOD. Formerly it was called Luz, but now that Jacob understands what this land is all about, he calls it by a name that testifies to its significance. Jacob changed the name of this place from Lulz to Bethel (House[Beth] of God[el]). v17: THE GATE OF HEAVEN: Talking about the angels going up and down. They are moving to accomplish things in God's Business, God's Government. The Lord is going to put His house here, and they're coming down to receive orders and going up to carry them out. That's the activity that's going on here. And Jacob now understands this is THE HOUSE OF GOD and it's THE GATE OF HEAVEN. The business of heaven is being conducted from here. Suddenly, he says, man, this land is important. The Lord is here. I didn't even know it. MM uses John 1 to confirm that THE GATE OF HEAVEN is about when the Lord conducts the business of the kingdom when His house comes here from here on this earth. v17: GATE: Is the seat of government. Represents the government of a place. v17: THY SEED SHALL POSSESS THE GATE OF HIS ENEMIES: Doesn't mean we are just going to go get the gates. Hey, we have your gate. It was the councils that sat in the gate and made judgments and decisions. This is where the business and the government was conducted, the gate of the city.
Genesis 28:12		12 And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it. Picture of Jesus - John 1:51 Saw angels ascending and descending (not the other way around shows the base of operations now the earth-AGES TO COME). Descending and ascending would have meant heaven was the base of operations.
Genesis 28:17		17 And he was afraid, and said, How dreadful is this place! this is none other but the house of God, and this is the gate of heaven. Jacob had a vision and he saw the land and then he was so astonished he said surely this is the GATE OF HEAVEN. He saw angels ascending and descending NOT descending and ascending. Makes earth the central place. The other way would have made Heaven the central place.
Genesis 30:43	GH: GLORY Definition	43 And the man increased exceedingly, and had much cattle, and maidservants, and menservants, and camels, and asses. **In the sense of possessions, Jacob’s glory was his servants and animals.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 31		Story about Jacob and his two wives, Leah and Rachel. Married both, another one of Laban's duplicitous tricks. v2-3: Laban (Jacob's FIL) really does treat Jacob wrongly and he does so over and over again. Things sour between Jacob and his father-in-law, so the Lord finally says it is time for Jacob to go back home. v17-18: So Jacob takes his wives, his children and his herds and all his stuff and leaves for Canaan. v19-23: Laban does not know that Jacob is planning on leaving. Neither Jacob nor his wives say anything to Laban about it. Wives realize they have been treated unfairly. They don't say anything. But before they leave, with her father gone to shear his sheep, Rachel sneaks into her father's house and takes some things that belong to her father, some small idols of his false gods. She doesn't tell anyone about it. While Laban is off shearing his sheep, Jacob says it's a good time to leave, he won't notice. Took them 3 days to realize Jacob & Co. were gone. Laban pursued and caught up with them after 7 days at Mt. Gilead. Laban is livid. v26: God has already warned Laban about how to speak with Jacob when he catches up with him, so Laban is being careful/nice or you will have to deal with Me, but he is still upset. Even though he has those false idols, he knows about the True & Living God. But he is still angry.
Genesis 31		v31: So, what has Jacob taken? His wives, which were his. His children, which were his. His herds, which were his. In his mind, he hasn't taken anything that belonged to Laban. But he does not know about Rachel stealing those little idols of her father's. The point here is that Jacob wants to know, "What did I take from you that wasn't mine?" What we are about to see is that a trespass is "a wrong committed against another by "going beyond" and taking that which belongs to another." In this case, the trespass has to do with taking someone else's property. v36: CHODE: Past tense of chide. Means to argue or contend with. v36: WHAT IS MY TRESPASS: First mention of TRESPASS in the Bible. Jacob has taken HIS wives, His children, His herds (these were also his in his mind). He is asking Laban what have I taken from you that really didn't belong to me, that wasn't really mine?
Genesis 31:1	GH: GLORY Definition	1 And he heard the words of Laban's sons, saying, Jacob hath taken away all that was our father's; and of that which was our father's hath he gotten all this glory. **In the sense of possessions, Jacob's glory was his servants and animals.**

Genesis 32:24-28		24 And Jacob was left alone; and there wrestled a man with him until the breaking of the day. 25 And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him. 26 And he said, Let me go, for the day breaketh. And he said, I will not let thee go, except thou bless me. 27 And he said unto him, What is thy name? And he said, Jacob. 28 And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed. And he said, Jacob. 28 And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed. v24: Jacob is wrestling with the angel. v24: THE BREAKING OF THE DAY: This is an infinitive phrase to describe something in one word - the dawn. MM showing an example of an antimeria. v28: ISRAEL: FOR AS A PRINCE HAS THOU POWER WITH GOD AND WITH MEN: **The name (change) carries meaning that is connected to God’s purpose. Israel means “God’s ruler,” “God’s prince,” or “One with whom God rules.” By this name, the power vested in God to rule on this earth is being given to Jacob and his seed**. God is doing this in connection with His original plan to rule and reign on the earth and set up His residence here. The nation of Israel would exercise God’s rulership over the earth. Has to do with rulership - prince. Given to Jacob AND the nation. Nation given the name 'ruling as a prince' because that's exactly what God's going to do with them on this earth.

Here's the blessing. v28: ISRAEL: The name Israel means "God's prince" or God's ruler." These names all have significance, just as we are called the ONE NEW MAN-Ephesians 2:15 in accordance with God's plan and purpose with us. GH: Both of these names are in direct relation to what God is going to accomplish with each of us. Jacob is now learning the significance of the 'people' of Israel. They are God's rulers. They are the head of all nations. The rest of the nations will submit to Israel. Through Israel God will accomplish what He meant to do back when He created the world. v28: FOR A PRINCE HAST THOU POWER WITH GOD AND WITH MEN:
Genesis 35:17-18		17 And it came to pass, when she was in hard labour, that the midwife said unto her, Fear not; thou shalt have this son also. Context: Rachel died while giving birth to Benjamin. v18: AS HER SOUL WAS DEPARTING: Soul was departing from her body. If the grave is for the body and hell is for the soul, they cannot both be the same thing because a body dies when the soul leaves the body. If the body is in the grave and soul is no longer in the body, then hell cannot be the grave.
Genesis 35:18	GH: Resurrection verse	18 And it came to pass, as her soul was in departing, (for she died) that she called his name Benoni: but his father called him Benjamin. When Rachel's (Jacob's wife) body died, her soul "departed." This is a common way to talk about death in the Bible. AS HER SOUL WAS IN DEPARTING: When Rachel's body died, her soul departed.

Talking about his whole kingdom - his business. v40: OVER ALL MY PEOPLE BE RULED: A promotion of significant authority. v40: ONLY IN THE THRONE WILL I BE GREATER THAN THOU: When Pharoah elevated Joseph to rule over the people of Egypt. In this case, the throne is the highest position of power and authority in Egypt. The throne is what has the ultimate power. Genesis 46:15		15 These be the sons of Leah, which she bare unto Jacob in Padanaram, with his daughter Dinah: all the souls of his sons and his daughters were thirty and three. ALL THE SOULS OF HIS SONS AND HIS DAUGHTERS WERE THIRTY AND THREE: GH: MM showing SOUL=people.
Genesis 46:18		18 These are the sons of Zilpah, whom Laban gave to Leah his daughter, and these she bare unto Jacob, even sixteen souls. EVEN SIXTEEN SOULS: GH: MM showing SOUL=people. She didn't give birth to an invisibile entity and she didn't give birth to an emotion.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Genesis 46:21		21 And the sons of Benjamin were Belah, and Becher, and Ashbel, Gera, and Naaman, Ehi, and Rosh, Muppim, and Huppim, and Ard. ROSH: Mistake is to think this is Russia. Term of Russia from 14th century and would make no sense to an Israelite. Can't take words from two languages that look or sound the same and say they mean the same. MM says this is a cold war hermenutic that you first started hearing about in the 1960s and 1970s. They didn't rightly divide and wanted to make these the last days. No such place as ROSH in the ancient world.
Exodus		Exodus: Records the nation of Israel coming out of the iron furnace of Egypt. **Given 5 tests between leaving Egypt and Sinai. The five trials - prove to them if God gives them a law, they are incapabie of keeping it**. God even says this before the law of Moses was given. Encounter 5 things on their way to Sinai: 1. Exodus 15:22-27 – **the bitter waters of Marah**: The first trial shows them **God's unlimited resources made available to them**. 2. Exodus 16:1-36 – **the hunger in the wilderness of Sin**: This second trial, however, is the first time that God made it evident that they cannot keep His laws and commandments. God is proving that they cannot get what they need on the basis of their performance. The second trial **manifests their inability to keep God's commandments and God even says so**. 3. Exodus 17:1-7 – **no water at Rephidim** 4. Exodus 17:8-16 – **the battle at Amalek**: God is educating them regarding their need for His Jehovah-ness and grace to accomplish His purpose for the earth, but in this trial, God is showing them something else that is going to be accomplished by God through them; the destruction of the satanic plan of evil. 5. Exodus 18:1-27 – **Moses' father-in-law, Jethro**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus		The children of Israel were in captivity in Egypt for 430 years before God brings Moses along to deliver them out of Egypt. God's purpose was to deliver them out of the land of Egypt. But before He does that, He has another purpose that He wants fulfilled first. He raised up Moses to be their deliverer - the very words the Book of Exodus uses. But that wasn't the only reason. God was doing something else. **God is going to proclaim His Name before all the nations of the world. God doesn't just want to get them out of Egypt, He wants the whole world to be looking at Israel's God when it happens**. He's going to be the One to do it. He is makng a Name for Himself in the world and that is provoking the adversary and He means to do that. God is provoking the adversary so that when Messiah shows up, Satan will be using men to orchestrate the crucifixion of the Messiah, exactly with God needs him to do. Those two things are connected. The other purpose is THAT MY NAME MAY BE DECLARED THROUGHOUT ALL THE EARTH-Exodus 9:16. Out of all the gods that Egypt worshipped, none were the true God. Neither the nations around them. In the land of promise/Canaan, none worshipped the true God. So God says that I need to make My Name known, I need to declare my power and they need to know who it is that's doing this. **The 1st 3 plagues fell on Jews and Egyptians alike. The 4th plague and on fell just on the Egyptians. Showing them what He wants to do for them. 10 plagues - why didn't God just do the last one first? Because God was educating Israel who were just as corrupt in their thinking as those Gentile Egyptians**. They carried the trappings of Egypt's idolatry out of Egypt. They deserved the plagues just like the Egyptians. Not taking them out of Egypt because they are so good. It's about His plan and purpose. When darkness swept over the land of Egypt what do you have? A single beam of light only where Israel dwelt. Morraine (sp?) of cattle everywhere... except right there in the land of Goshen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus		Come out of Egypt, they will suffer these 2 oppositions: 1. EVIL MAN 2. STRANGE WOMAN Look at these attacks and what it was producing in them. O.T. Israel covenanted with God to produce their own justification and their own sanctification through their own righteousness. If they could have kept all of the law, they could have produced it. The thing is, in our fallen state, we can't. SomeONE did. Jesus took on flesh and fulfilled all of the law. Perfect justification. Perfect sanctification. You have perfect justification and perfect sanctification, not through your righteousness but through His. Five trials before they ever got to Mt. Sinai. God said I am going to bring water out of the rock. Not because you trusted Me, but because I can do it. I can get you out of any predicament you get into if you let Me be your God. **God gives them 3 opportunities to say NO to the Law. Said YES and their history is nothing but an abject failure**. Why it is ridculous this day and age to think we could stand before God and justify ourselves by our works. Why didn't God do the last judgment first then, boom, bring them out? First ones happened everywhere, including the land of Goshen. Water to blood, frogs, etc. Falling on all because all deserve it. All sinners and live contrary to me. Moraine(?) of cattle, darkness, etc. doesn't go to the land of Goshen. Just falls on the Egyptians. God put His Hand between Israel and the moraine of cattle. Not cause Israel is right or good. Because God has the power by His Jehovah-ness and grace. They can't earn it. Showing them before they get to Sinai, you get everything everybody else gets unless I do something for you and if I do it, it's by grace. Between Red Sea and the Egyptian army, they whine they were better off in Egypt. Still don't get that God can put His Hand between them and the Egyptian army and if He does it, that it will be by His grace.
Exodus		(GH: In these 5 trials,) God is saying there's no problem you will encounter that my Jehovah-ness cannot fix and it's not because you are so good, I'll fix it because I give it to you by my grace. At Sinai, they decide they can justify themselves by keeping the law. God gives them 3 opportunities to back out of that. They keep saying we got this. We can justify ourselves by our works. We can sanctify ourselves by our works. God is saying if you were perfect you could, but you can't because you are sinners by nature. You are sons of Adam. They enter into that law contract and from that point, this marks the end of anybody functioning like they were supposed to when God first created this nation. They were supposed to operate in such a way that God, not only justified unto eternal life but justified by their works as the friend of God. Came to a grinding halt.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus		Initial plagues fell on everyone. The latter plagues fell just on the Egyptians. If plagues are happening, what does Israel or most Christians think? God is mad. Preachers blame tornados on God judging America. MM says in the DOGG, the Bible is crystal clear, God is not imputing men's sins unto them. If He was, the most evil people in our society woud have the worst health/least money. That's not how it is working. The countries of the world that rejected God would be the countries with the worst disasters. Plagues fell on Israel and they are supposed to think God's angry. Then, all of a sudden, they fall on Egypt but the land of Goshen is spared. God was saying, I can do for you what you are going to need and I HAVE the power to do it and you need to let me do it for you. Not because you are worthy of it but by My grace. His Jehovah-ness and grace. It was His power as Jehovah to do whatever they neded to have done for them. When they leave out, they haven't learned that lesson yet. Between the time they cross the Red Sea and get to Sinai, they have 5 tests that they go through and every one of those tests is designed to show them they cannot produce their own righteousness/holiness (justification/sanctification). They are going to need God to do this for them. They cannot operate under a performance system. One of the things God said to them before they ever got to Sinai and got the law, He said you can't keep my law. All 5 tests take place and they still don't get the message. Almost make you scratch your head and say what's that? Because Sinai hadn't even happened yet. Don't get the message after 5 tests. God sends Moses and gives them the opportunity to go under the law and they say, yep, we'll do it. God gives them a second chance and they go yeah, we'll do it. God gives them a third chance, they say yeah we'll do it. God says fine, you are under the law. When He does that, He put them under the dominion of sin to show them just how bad they really are and sin began abounding, the offence abounded (Romans 5:20).
Exodus		When the children of Israel are down in Israel and grew in number, they are not really a threat to Satan. Pharoah comes in and are under all this bondage. They are not really a threat until they move out of Egypt. When they get ready to move out of Egypt and cross that Red Sea where they are headed into the promised land. The plan when they get to the promised land is to kick out all the Canaanites, establish themselves in that land, and the is the pre-cursor for the Kingdom and from there it is going to go everywhere. Satan knows if they ever get into that land, this could be a huge problem. Just like the miracles and wonders were supposed to impress the rest of the world and cause them to see that God was doing something. It was those signs and wonders and miracles that had an impact on the rest of the world. For us, men/the world will not be enamored with our wisdom (WJJE), they are going to think we are fools. It's impact is on angels. When the children of Israel came out of Egypt and all those plagues came on the Egyptians that had to be something to see, right? Darkness through all the land of Egypt but light in the land of Goshen. Cattle dying through all the land of Egypt but they are fine in the land of Goshen. Firstborn dying through all the land of Egypt but they are fine in the land of Goshen. They come out of Egypt and get to the Red Sea and you see a pillar of fire between you and the Egyptian army. Get to the Red Sea, people are 'oh, we were better off in Egypt'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus		God parts that Red Sea and they walk across, not sloshing in mud, but on dry ground. Get to the other side, and watch Pharoah and his army killed as the waters come back together. They get thirsty. God says to Moses, take that rod and hit that rock and a river of water comes out of the rock. If you saw all of that and witnessed it with your own eyes, is there anything anybody could ever say to you that would make you fall down and worship a calf in which you melted down the gold yourself instead of the true God? You would say, there's nothing that they could say to me. MM says but you know what? They all did it. The POE knows how to manipulate us. Gets in your head and works. Produces a doubt and it has something that it's after. God didn't reach down and harden Pharoah's heart. It was the natural process and his response to it. Nobody in Israel became godly and were transformed like we potentially can. God creating a 'natural process' by which He does certain things. When done properly and adhered to than the natural result is what God intended. **Bible said God hardened Pharoah's heart (by giving him the Truth) and Pharoah hardened his own heart (when he decided what he would do with that (GH: the Truth))**.
Exodus		MM Commentary during RE Pt1 - Wisdom: When the children of Israel went down into Egypt, they were small in number, just a handful. When they came out of Israel, they were increased to a nation. So much so that Pharoah said there's more of them than us and we better do something about this because if they ever line up with our enemies and come against us we've had it. So they put them into that iron furnace, that was Satan's ploy. He was OK with them being there but the trouble started when they moved out of Egypt and get to the Red Sea. They crossed the Red Sea at a particular point where there was an opening to the pit. Satan wanted to drop the children of Israel into that pit. But God CONGEALED that opening and the children of Israel went right across on dry ground. This was a provoking concept that happened to the adversary here. Satan is not trying to get them back, he's trying to kill them. Pharoah is not trying to get them back, he's trying to kill them. There is so much emphasis on anniliating Israel because they are headed toward the land and Satan knows what God has planned for them once they get into that land. Satan has been filling that land with corruption and evil and defilement. So he is getting a hold in the land and he is trying to keep them from heading into the land. Satan knew if they ever got into that land, that was the next step towards setting up that kingdom. Once that kingdom is set up in that land, Satan is a toe hold away from losing possession of the earth. Satan is saying in case they get there, I've got to do some things to keep possession of it. The races of giants were in the land and that spooked them. 10 of 12 spies said we can't go into that land, there are giants and we are grasshoppers. Because of that unbelief, they stumbled and were blinded. Satan knows where you are headed too, he knows that you are headed for the creature. Here's what MM is proposing, because what he was doing in that land because what was going to take place there, and now because Paul has revealed the mystery...Satan knows what the plan is and what we are going to do once we get up in the creature. Wouldn't it make sense that just as he polluted and violated that land to keep ahold of it, don't you know he's doing the same thing in the creature? MM says you know that he is. Since he can't stop you from getting a glorified body or getting into the heavenly places, the next best thing is to stop your education. If you get up there and have no idea what you are doing once you get there, that's almost as good as you not getting there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus	GH: WoD Teaching	Israel in Egypt and there was a time when a Pharoah came in that didn't know Joseph and didn't know Joseph's God. He came in and now the people were in captivity. They were made to work under task masters. And God raised up Moses to deliver that people. And when He was going to deliver that people, He brought in 10 plagues on the land of Egypt. Those judgments weren't GH: helter-skelter. God was very specific in His judgments. When he brought the frogs up, frogs were everywhere. They killed the frogs and heaped them up in huge piles because they stunk them out with these rotting dead frogs. God tells us in (GH: Exodus 12?) that **He was attacking one of the Egyptian gods**. These judgments are going to be against all of Egypt's gods. He was showing them. I AM going to bring them up upon you until you can't stand them anymore and then I AM going to kill them off, and then they are going to be a nusance as they rot away. MM says that **God is showing them who the True and Living God is**. 1. He is attacking Egypt's gods 2. He is impacting the way the Egyptian's think - let Me show you how your gods compare with Me 3. He is attacking the Egyptian culture 4. He is installing fear in the hearts of every nation that heard what happened in Egypt God is doing a multiplicity of things here, but He is grinding the Egyptian's gods and changing their thinking, casting doubt on the belief system that Satan made into a culture in Israel, so that when Israel left out, those people had to ask themselves have we ever seen our gods do anything like their God did!?!? They are going to be thinking, oh, maybe this wasn't the big wise answer I thought it was because God is going to shut every mouth that has been opposed to Him in the midst of this. **These judgments (GH: Exodus/Egypt or Day of Wrath) are designed to judge people but are also designed to judge those WORKS OF DARKNESS**.
Exodus	GH: GPPI verse	The reason God led the people into Egypt, the reason God raised up the Assyrian Pharaoh (Satan's man that he piped int from Assyria to put Israel into the iron furnace; he didn't care about Joseph or Joseph's God), the reason He sent plagues upon Egypt, the reason God hardened Pharaoh’s heart, the reason God’s people exited Egypt with great substance, the reason God put it in Pharoah’s heart to pursue Israel, the reason God destroyed the Egyptians in the Red Sea, is because God was making His name great in the earth. He is publishing His Name. He wants everyone to understand what's going on and He is making this huge production. it is meant to be this on purpose. God wanted His name great when He brought His nation into the land where they were to become great. The side issue was the idea was to strike fear into the hearts of the nations that Satan was using in his plan of evil/all the inhabitants of the land of Canaan. He wants them to be terrified when His people show up on the borders of the land. He wants them to know that this people has a God that is not like their gods. It's not a god of wood or stone and you worship it and maybe things come to pass and maybe they don't. This is a God that actually works and He wants everyone to know that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus	GH: GPPI verse	God is sending his nation to take back the land controlled by Satan's nations. He wants the inhabitants of Canaan to be terrified when the nation of Israel shows up on the border of the land because of what happened down in Egypt. It was a huge deal and the word of it is going to go everywhere. And He means for all of them to look and go "Israel's God is the True God" because He is going to use Israel to not only repossess the land, but from this land have dominion and subdue the rest of the earth. Remember what He tells Adam. But then Adam falls. Then, at the Tower of Babel, where Satan is assembling his great nation, God disperses them, confuses their language, and says I AM going to call out my GREAT NATION-Genesis 12:2 and He does that in Genesis 12 with Abraham. Then He makes these promises to Abraham. God has a plan through His people, through Israel. Remember Israel means 'God's prince' or 'God's ruler'. They are God's regent on the earth. They will have dominion over the whole world and God will sit in the midst of Israel and rule His whole creation.
Exodus	GH: GPPI verse	As He brings them out of Egypt, He means for this plan to be on track. So He is bringing them out with this mighty arm, He is bringing them out with great substance, I totally destroyed Pharoah, I decimated the land of Egypt with plagues, I protected My people and Israel did absolutely nothing for God to deal with them so graciously. MM says that's the whole idea about grace. When we are saved by grace, we did nothing to deserve it. When they are the GREAT NATION-Genesis 12:2, all the nations of the world will look up and say that's the True & Living God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 1:8		8 Now there arose up a new king over Egypt, which knew not Joseph. A NEW KING OVER EGYPT, WHICH KNEW NOT JOSEPH: **Satan ships in a guy from Assyria and he doesn't know anything about Joseph and he certainly isn't a believer in Joseph's God**. (Pharoah that) KNEW NOT JOSEPH'S GOD: He was an import from Assyria. Has no knowledge or history whatsoever. Doesn't know about Jehovah God, Israel, Joseph, any of that. He is Satan's man imported to do something to this nation. He starts persecuting them...Moses is a terrible burier. Context: Pharoah giving further instruction how he wants them to deal with these Israelites. Bible uses the term IRON FURNACE-Deuteronomy 4:20 to describe this. Pharoah that didn't know Joseph, Israel has grown in number, and there's a persecution called the IRON FURNACE. Wasn't just 'his daddy made him a shiny coat', it's all part of a plan. They come to avoid the famine, grow in number in Egypt, and now they are a great nation. Satan says we can't have that. I'll ship in my guy. He has always got a guy. He doesn't know Joseph or care about Joseph's God. Begins to persecute them and require more of them, and kill them. Then God raises up Moses to be a deliverer for them. When he finally comes back, the plagues come. The plagues are not God saying, let Me show you something really neat - we'll turn water into blood, we'll make a bunch of flies. Those judgments were to provoke the adversary into a specific action. So when the Passover came and the first born died all throughout the land of Egypt, and Israel spoiled those Egyptians and exited with great substance, that Pharoah and the adversary that controlled him would be so enraged that they would follow them into the Red Sea. God means for them to do it. Not crossing the Red Sea at just any spot. Crossing at one of those major entrances into the bottomless pit. Bible said God congealed that across and they passed over on dry ground. When Pharoah and his army came, not only did the waters come, but the pit opened and the Bible talks about going down into hell. Satan's own man caught in Satan's own trap. Bible calls that GOD CAUGHT THE WISE MAN IN HIS OWN CRAFTINESS. That was Satan's proud boast - I am wiser than the Most High. Other side of that boast is there is no secret that you can hide from me.
Exodus 1:11-22		v11: TO AFFLICT THEM WITH THEIR BURDENS v14: MADE THEIR LIVES BITTER WITH HARD BONDAGE v16: YE SHALL KILL THEM v22: EVERY SON THAT IS BORN YE SHALL CAST INTO THE RIVER
Exodus 1:12		12 But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel. THEY AFFLICTED THEM: Fulfillment of the 'affliction' prophecy in Genesis 15:13.
Exodus 3-18	GH: GPPI verse	If Israel had understood what God was educating them in from Exodus 3-18, they would never have entered into the law contract. Instead, they would have said what they will say TAKE AWAY ALL INIQUITY, AND RECEIVE US GRACIOUSLY-Hosea 14:2. That should have been coming out of their mouth. They would have recognized that it was impossible for them to achieve God's plan and purpose for them apart from God's Jehovah-ness and grace. They would have cast themselves upon God for that which was necessary for them. Set of chapters where God is giving them this full education about what His Name means and what He wants to do for them. It is impossible for Israel to achieve God's plan and purpose apart from God providing for them according to His Name and Him giving them the things on the basis of grace. Never merit or performance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 3-15	PHASE I: Initial Basic Instruction	ISRAEL'S EDUCATION INTO GOD'S JEHOVAH-NESS & GRACE - Exodus 3-15: PHASE I: Initial basic education - Produce 2 understandings: 1. We are deserving of all these plagues, too (initally plagues on all, later, plagues on just Egyptians) 2. We are sinners by nature He can do it for you even though you don't deserve it - sounds like salvation doesn't it? They didn't learn their lesson. Crossed the Red Sea.
Exodus 3	GH: GPPI verse	God calls Moses: God educates Moses in the subject of His Jehovah-ness. This is what is going on at the occasion of the burning bush and afterwards when God sends him back into Egypt. All that happens with Moses and Aaron, the plagues that fall on Egypt, the judging of Egypt's gods, the parting of the Red Sea; these all are given to educate Israel in the issues of God's Jehovah-ness and grace. You should see this education as the common denominator to all the events that accompany their deliverance from the land of Egypt. Understand by the time Israel gets to Mt. Sinai, the nation has already been exposed to and educated in God's Jehovah-ness and grace. And they have the opportunity, when the law contract is offered to them, to realize that the only way they could ever be what God's plan and purpose calls for, is for God to give it to them by His grace and provide for it by His Jehovah-ness. If the nation was paying attention to the education being given to them, they should have never signed the law contract. They should have seen the futility of doing so. When they decided for God to deal with them on the basis of their performance, they signed up to learn about God's Jehovah-ness and grace the hard way, even though God wanted to give it to them the easy way.
Exodus 3	GH: GPPI verse	But Israel failed to be educated in two things: 1. the significance of God's name, Jehovah 2. the issue of God dealing with them on the basis of His grace. Because of their decision to reject that education, then Israel was bound to go through five CoP. After the five cycles of judgment have taken place, they will finally understand that God must provide for them what they need and He must do it on the basis of His grace. MM says they are going to come out of Egypt to go into the land and God is going to begin an educational process for them in which they're going to learn about God's Jehovah-ness and grace. God is saying My Name stands for something and you need to understand and be educated in what My Name stands for so they you'll understand what it is I AM doing for you. Israel's only hope of becoming what God's plan and purpose calls for, is for God, by His Jehovah-ness, to provide for them what they need and to give it to them by His grace.

Exodus 3	GH: GPPI verse	The GREAT NATION-Genesis 12:2 is more than just a lot of people. Will be a lot of people, but it is more than that. It was they were going to be the head of all nations, they were going to be a holy nation, they were going to be a kingdom of priests, and that through them, blessing would come to the rest of the world, and no other way but through them. That was the GREAT NATION concept. And the only way Israel was ever going to do that, become that GREAT NATION, is through God' Jehovah-ness. Also, it is through the nation of Israel that God is going to repossess the earth back from the adversary. Not in the nation's strength, but through God's Jehovah-ness. The only way they can get this is for Him to provide it through His grace. The only other way they can get it is by merit. But they will never get it based on their performance under the law contract. The whole purpose of the plagues and the 5 trials was to educate Israel that it was impossible for them to keep the law. Before God ever gives them the law, He introduces to them statutes and commandments to them during the trials so that they will see they're not going to keep His laws. He proves it to them and He tells them outright I AM doing this to prove you so that you can see whether you will keep My commandments or no. You either will or you won't.
Exodus 3	GH: GPPI verse	God is fulfilling that which was spoken to Abraham back in Genesis 15, I AM going to give you a land. He is fulfilling that promise. God told Abraham that this nation that would come from him would go into another nation’s land and be persecuted. They would be there a very long time and when the time came for God to deliver them, they would “come out with great substance.” See Genesis 15:13-14. God is doing something through all this; He is making his name great in the earth. God said to Moses that the time to fulfill that spoken to Abraham (in Genesis 15) had come. God told Abraham that his seed would be afflicted in Egypt for 400 years. The nation needed to understand that whether four hundred years had gone by or not, God’s faithfulness to do what He promised is not diminished by great expanses of time. Israel needed to be confronted with that so that the problem of time would not be a problem to them anymore. This is the issue of God’s faithfulness to the nation. MM says if it's 400 years, you know that you are not coming out. And your kids are not coming out. And your grand kids are not coming out. God is waiting 400 years because one of two things His Name means. He is emphasizing the first aspect of His Name, something very important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 3	GH: GPPI verse	v8: TO DELIVER THEM: After 400 years of captivity, the time is now to bring you out. MM says how easy would it be to say, we'll always be in captivity in Egypt. He said 400 years, but we'll probably never not be captive to Egypt. You have a tendency to doubt the promise after a while, especially when it's just something that's been told to you by someone who it was told to, by someone who it was told to, etc. and things begin to work in your head about that. They needed to understand God's Jehovah-ness and how He wanted to deal with them and so He is educating them. So He sends Moses back to Egypt. v13: Get to the core of the matter; God's instructions to Moses regarding His Jehovah-ness. Legitimate question from Moses on God's Name. This is where God began to educate Moses on the issue of His Name. And this is exactly the question God wanted him to ask because He wants to educate him in what His Name Jehovah is all about. v8: A GOOD LAND AND A LARGE, A LAND FLOWING WITH MILK AND HONEY: How the land was described to them before they entered into the law contract. v13: YOUR FATHERS: Abraham, Isaac, and Jacob. He confirmed the Abrahamic Covenant with each of them. Tells you in v15. v14: I AM THAT I AM: God's answer to Moses' question in v13. MM says this is not the way we usually talk today. An odd way to turn a phrase.
Exodus 3	GH: GPPI verse	v14: THUS THOU SHALT SAY: v14: I AM HATH SENT ME UNTO YOU: MM says this is the second aspect of God's Name - provision. v14: I AM: Here He shortens the expression, I AM THAT I AM. Point: Would cause you to ask I AM what? I AM who? It begs for the completion of the phrase (GH: God's 7 compound Names that tell you I AM whatever you need Me to be). The full expression of God's name is "I AM THAT I AM." Then we see a shortened form; "I AM." This is where the English word, "Jehovah" comes from. Jehovah comes from the Hebrew expression, "I AM," and it anglicizes it. Two issues with God's Name:
Exodus 3	GH: GPPI verse	* ASPECT 1 OF GOD'S NAME: The first issue is of God's Jehovah-ness [the timelessness (faithfulness to His promises)] in the title – I AM THAT I AM – is the issue of God's eternalness. This is to say, time is not an issue with God, it is an issue with us. The first thing God's name indicates is that God is the "eternally present, eternally existing" One. Point: The first issue of God's name, Jehovah, is one of timelessness. Moses takes this back to the nation in the land of Egypt, and they rejoice that God is again visiting His people after such a long period of time. MM says God's faithfulness in the keeping of His promises is not affected by the passing of large amounts of time. When God says He will do it, He will do it. God is showing Israel that time is not an issue with Him. He is proving how faithful He is. He doesn't forget. * ASPECT 2 OF GOD'S NAME: The second issue of God's Jehovah-ness/Name [provision (I will be whatever you need for Me to be)] is what is being stressed in the abbreviated form of the name, I AM. It is one of provision. I WILL be whatever you need Me to be. The nation needs everything and it is almost like God is saying, I AM the blank check. You write it out and I WILL sign it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 3	GH: GPPI verse	God is totally vested in this nation so why wouldn't He say My unlimited resources are at your disposal? God did not just shorten the name for the sake of abbreviation, but God intends to convey another truth concerning His name in this abbreviated form. The shortened form sounds odd to us and it should. This “I AM” has an incomplete predicate. It begs for completion; “I AM what?” And that is the point being made here. What it amounts to is God saying for Israel to fill in the blank with whatever they need Him to be. Point: The second issue of God’s name, Jehovah, is one of provision. By this name, God educated them to the fact that He would be whatever they needed Him to be, so that they would become what God designed them to be in His plan and purpose. God is saying to Israel: I AM “whatever you need Me to be” in order for you to fulfill My plan and purpose.” Notice it is not just a “genie in a bottle” granting wishes, but it is for the specific purpose of fulfilling God’s intentions with them. This is what God is going to educate them in. And their only hope, of gaining all that was promised to them and prophesied concerning them, is found in God providing for them that which the nation did not have the capacity of producing on their own.
Exodus 3	GH: GPPI verse	Israel is going to need plenty. She is going to need a Redeemer, a Deliverer, an Avenger, a King and a Blesser. And she cannot provide any of these for herself. But God will provide all this by putting his name (His Jehovah-ness) into effect. Those five things comprise the elements of the Davidic covenant. And Jesus Christ is the mechanical means by which God will put His Jehovah-ness into effect for Israel. I WILL be whatever you need ME to be. You're My people. I WANT you to be this GREAT NATION-Genesis 12:2. I WANT you to be head of all nations. I AM going to use you to reconcile the earth to Myself and not just the earth but the Gentile nations in it back to Me in the kingdom. Let Me make you into that. And let Me just give you that as a gift. This is the only way they will get it. There's no other way it's going to happen. And He knows that. v15: GOD SAID MOREOVER: v15: THOU SHALT SAY:
Exodus 3	GH: GPPI verse	v15: THE LORD GOD OF YOUR FATHERS: The instruction here connected with what the people of Israel already knew; “the God of Abraham, Isaac and Jacob.” v15: THIS IS MY NAME FOR EVER, AND THIS IS MY MEMORIAL UNTO ALL GENERATIONS: The further instruction on His Name.
Exodus 3:7-8		7 And the Lord said, I have surely seen the affliction of my people which are in Egypt, and have heard their cry by reason of their taskmasters; for I know their sorrows; 8 And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites. v7: They were crying out to God when under the taskmasters in Egypt. They just don't want to talk about it later on. v8: A LAND FLOWING WITH MILK AND HONEY: That land is prosperous.

Exodus 3:14	Non-MBI	14 And God said unto Moses, I Am That I Am: and he said, Thus shalt thou say unto the children of Israel, I Am hath sent me unto you. Planitall YouTube: God's Jehovah Name Two aspects to God' Jehovah name 1. I AM that I AM: refers to the timeless nature of God 2. AM: Subject-Verb-blank - blank refers to the unlimited capacity of God
Exodus 3:15	GH: GPPI/EoM verse	15 And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, the Lord God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations. Here's the action that is about to take place...God is going to raise up Moses to be Israel's deliverer. So God raises up Moses to go to the children of Israel and to declare some things unto them. THE LORD GOD OF YOUR FATHERS: Abraham, Isaac, and Jacob.
Exodus 4		God says He will harden Pharoah's heart.
Exodus 4:20-21		20 And Moses took his wife and his sons, and set them upon an ass, and he returned to the land of Egypt: and Moses took the rod of God in his hand. 21 And the Lord said unto Moses, When thou goest to return into Egypt, see that thou do all those wonders before Pharaoh, which I have put in thine hand: but I will harden his heart, that he shall not let the people go. All those things that I HAVE equipped you to do in front of Pharoah, be sure you do those. v21: I WILL HARDEN HIS HEART, THAT HE SHALL NOT LET THE PEOPLE GO: Not talking about going into Pharoah's heart and making him do something against his will. Not what he's talking about. He's actually talking about doing something that he knows Pharoah is going to reject and by that he will be hardening Pharoah's heart. There's still a reason He is going to do that.

Exodus 4:22-23	GH: Sonship	22 And thou shalt say unto Pharaoh, Thus saith the Lord, Israel is my son, even my firstborn: 23 And I say unto thee, Let my son go, that he may serve me: and if thou refuse to let him go, behold, I will slay thy son, even thy firstborn. ISRAEL IS MY SON(v22)...LET MY SON GO(v23): How God treated Israel before the law. GH: Pre-law/fear motivation. v23: Moses is told ahead of time exactly how this is going to go. So when Moses goes in, he doesn't expect Pharoah to say I'm going to let you all go, he's been told that is not going to happen. He needs that resistance to show His Power because if Pharoah says I will let you all go, what Name is built for God there? That's all in Pharoah's name now. Pharoah is Satan's man. He is an Assyrian and he has been brought in to do things to Egypt, to create that IRON FURNANCE. God is going to take down Egypt's god through the plagues and then He's going to take their firstborn. v23: ISRAEL IS MY SON, EVEN MY FIRSTBORN: Israel is referred to in the feminine a lot in your Bible. How we refer to nations. Pharoah needs to hear Israel is His Son. The plague that breaks them and Pharoah says fine get out kills the firstborn son. Not a coincidence. God is sending a message to Pharoah about Israel. He means that He is going to utlize Israel in His Business and that business pertains to this earth. Already been an Abrahamic covenant making promises of some things - going to be a great nation and all that business. God is going to fulfill all of that. MM says after they go under the law, God calls them 'children of God'. Go from being sons to being children - not an accident.
Exodus 4:22-23	GH: Sonship	22 And thou shalt say unto Pharaoh, Thus saith the Lord, Israel is my son, even my firstborn: 23 And I say unto thee, Let my son go, that he may serve me: and if thou refuse to let him go, behold, I will slay thy son, even thy firstborn. When God refers to Israel as a son, he is saying that this really is talking about I AM going to adopt him and utilize him in My Business. He is bringing out from under Eqyptian bondage and deal with them as sons. It's through these plagues that God begins to educate them in His Jehovahness and grace. Plagues show them I HAVE the power to do everything you need and I CAN give it to you. Not that you deserve it but that I have just chosen to do that. He wants to adopt them so He can take them into the land and setup the kingdom and repossess the earth back from the adversary.
Exodus 4:25		25 Then Zipporah took a sharp stone, and cut off the foreskin of her son, and cast it at his feet, and said, Surely a bloody husband art thou to me. Circumcision was an issue back in Israel’s program. God was unhappy with Moses for not having his son circumcised. During God’s program with Israel, circumcision was a token of the covenant between God and His nation. It was a sign for Israel to trust in God and not their flesh. But there has been a dispensational change and Israel no longer enjoys a “favored nation” status before God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 5 - 18	GH: GPPI verse	See some of the compound names spelled out to the nation and presented to them. In their history, there are seven compound Jehovah names that are presented to Israel. The word that follows Jehovah, in the compound name, is the word that "fills in the blank" and speaks of what provision is being made to the nation. EX Three of those seven names would break down this way: - Jehovah=I AM - Jehovah-Nissi=I AM Your Conquering Hero/I AM Your Victory (the One that makes sure they will have victory over their enemies) - Exodus 17:15 - Jehovah-Jireh: Jehovah=I AM Jireh=the Provider of Your Sacrifice/I AM Your Provider/I AM Your Provider of Your Sacrifice - Jehovah=I AM Raah=I AM Your Shepherd - Jehovah-Shammah
Exodus 5 - 18	GH: GPPI verse	- Jehovah-Rofekah God is saying with these compound Names, whatever you need to become that GREAT NATION-Genesis 12:2, I AM going to be that for you. I HAVE called you to do something that you will never achieve on your own, but that's OK. I AM going to be everything you need to become what I HAVE created you to become. It is an expression that He is encapsualizing in the Name here. He is saying don't ever forget My Name. It should have special significance to them. We need to understand it is by His Name that He is causing Israel to be what He called them to be. These 7 compound names have specific application to what Israel needs as they're on their way into the land and if they're going to be what God intended them to be. As God was bringing them out of Egypt and preparing to take them into the battle for possession of the land, He is educating them as to how to accomplish that. And the education said for them to cast themselves upon God and the provision of His Jehovah-ness and grace.
Exodus 5 - 18	GH: GPPI verse	They failed to learn that lesson and do things that way. Instead, the accepted an alternative to that. They say that they will conquer, they will be the holy nation, they will establish the kingdom by making themselves whatever they need to be. Instead of being blessed by God in association with all these things, they ensured to themselves a curse from God and the guarantee that they would never achieve these things on their own.
Exodus 5 - 12?	GH: GPPI verse	The plagues that came on the land were to show them that God has unlimited resources to deliver them no matter what their circumstances. God has unlimited power to exercise on their behalf. He is showing them that time is not a problem because when the 400 years are up, God sends Moses to bring them out of captivity. Then He says, not only is time not a problem to Me, but I HAVE unlimited resources. I HAVE provision. I WILL provide whatever you need from Me. God hardens Pharoah's heart in order to achieve two purposes: 1. So that God can judge Egypt's gods and make His Power known. 2. God means to confront His own people with the same issue and settle that issue in their hearts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 5		v10: Israel had to make bricks so the Egyptians would bring them straw and they would put that together and make bricks. v11: They were supposed to go find their own straw but GH: their productivity output could not diminish/drop. Pharoah is a very stiff-necked man, thinking you got time to make a feast, then you have time to go gather your own straw. v14: So when they didn't make their quota, they brought them in and beat them. v15: Here's what Paul is talking about in the second objection (GH: Romans 9:17-18). Before this is over, even Moses is going to charge God with unrighteousness. v17: You guys are lazy. You want to go make sacrifice to the Lord, well, you've got time to go gather your own straw. v20-21: Saying to Moses and Aaron - it's your fault, it's because of you. All of a sudden, going out in the wilderness to make a feast to the Lord didn't sound like a good deal to them because it got them in trouble. This is your fault, Moses.
Exodus 5		v22-23: Moses is looking at the wrong purpose first. Moses knew that he was sent to deliver the people out of Egypt but that's the only thing he understood that was supposed to be happening even though God had already told him I AM going to harden Pharoah's heart so that My Power might be seen and My Name be known throughout the earth. God told him this but when the heat got turned up, Moses forgot all about that. Now he is accusing God of EVIL. Ask the normal believer today if they would ever accuse God of doing evil and they would say, oh no. But indirectly, that's what we do. Point: Moses is not looking at what God has to do before they come out of Egypt. When he says you haven't delivered thy people at all, that's an indication that Moses has forgotten that God's trying to do something before they get delivered and it can only happen before they get delivered. The deliverance has to be attached to that somehow. God promised deliverance and He promised it through Moses and Moses thinks the thing is unraveling but it is not unraveling. Moses is looking at his circumstances and he has forgotten what he has been told. When the POE ramps up against you, do not forget what you have learned.
Exodus 6:1		1 Then the Lord said unto Moses, Now shalt thou see what I will do to Pharaoh: for with a strong hand shall he let them go, and with a strong hand shall he drive them out of his land. God is saying to Moses deliverance hasn't come but it will come. With Israel, the promise was the Kingdom. But before the kingdom came, God had the word doing something else, calling out a people who would inherit that kingdom (GH: Ties to Romans 9 objections).
Exodus 6:9		9 And Moses spake so unto the children of Israel: but they hearkened not unto Moses for anguish of spirit, and for cruel bondage. CRUEL BONDAGE: GH: MM tying to the BONDAGE OF CORRUPTION-Romans 8:21. Webster's 1828 - CRUEL: Disposed to give pain to others, in body or mind; willing or pleased to torment, vex, or afflict; inhuman; destitute of pity, compassion, or kindness;
Exodus 7:1		1 And the Lord said unto Moses, See, I have made thee a god to Pharaoh: and Aaron thy brother shall be thy prophet. I HAVE MADE THEE A GOD TO PHAROAH AND AARON THEY BROTHER SHALL BE THY PROPHET: He doesn't say that Pharoah is going to think you are God, he's saying in the way God tends to speak to Pharoah or the way Pharoah is going to hear from God is to hear through Moses and Aaron. God is going to use them to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 7:3-5		3 And I will harden Pharaoh's heart, and multiply my signs and my wonders in the land of Egypt. 4 But Pharaoh shall not hearken unto you, that I may lay my hand upon Egypt, and bring forth mine armies, and my people the children of Israel, out of the land of Egypt by great judgments. 5 And the Egyptians shall know that I am the Lord, when I stretch forth mine hand upon Egypt, and bring out the children of Israel from among them. v3: MULTIPLY MY SIGNS AND WONDERS: These got known outside the land of Egypt. Remember what happened at Jericho, the woman who hid the spies said we have heard what happened in Egypt and we trembled. v4: He wants to bring them out of Egypt under great judgments. v4: THAT: The English word of logic that tells you the purpose. He is saying everybody in Egypt is going to know who the Lord is and He is going to do it by these judgments. That's going to be done by Pharoah's heart being hardened to resist what it is I AM trying to do with regard to this other purpose that God wants to achieve. Not just delivering them out of Egypt. v5: He wants the Egyptians to know that He is the Lord. That's part of what He's doing in this other purpose.
Exodus 7:10-12	GH: False Prophets / Subtilty	10 And Moses and Aaron went in unto Pharaoh, and they did so as the Lord had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent. 11 Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments. 12 For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods. Moses goes to Pharoah, throws his rod down and it becomes a serpent. Pharoah calls in his astrologers in and they throw their rods down and they become serpents. If you are already an Egyptian that believes in the gods of Egypt, you are saying you don't have anything we can't do. If it is the exact same difference, how in the world would we discern the difference? MM says there is only 1 way to discern the difference and that's out of our Bible. There's something sitting in your Bible that tells you how to identify an imposter. SUBTILTY allows a one-dimensional son to see below the surface on the POE and see what's really going on. Odd to MM that there are people who haven't gone through this education at all and yet they feel like that they're somehow equipped to be able to discern those things. They don't have godly subtilty but they think they are equipped to do that.

Exodus 9:13-16		13 And the Lord said unto Moses, Rise up early in the morning, and stand before Pharaoh, and say unto him, Thus saith the Lord God of the Hebrews, Let my people go, that they may serve me. 14 For I will at this time send all my plagues upon thine heart, and upon thy servants, and upon thy people; that thou mayest know that there is none like me in all the earth. 15 For now I will stretch out my hand, that I may smite thee and thy people with pestilence; and thou shalt be cut off from the earth. 16 And in very deed for this cause have I raised thee up, for to shew in thee my power; and that my name may be declared throughout all the earth. God puts this in a nutshell (GH: God's two purposes: 1. Delivering His people out of Egypt-v13 2. Make His Name great among all the nations)-v14.
Exodus 9:13-16		13 And the Lord said unto Moses, Rise up early in the morning, and stand before Pharaoh, and say unto him, Thus saith the Lord God of the Hebrews, Let my people go, that they may serve me. 14 For I will at this time send all my plagues upon thine heart, and upon thy servants, and upon thy people; that thou mayest know that there is none like me in all the earth. 15 For now I will stretch out my hand, that I may smite thee and thy people with pestilence; and thou shalt be cut off from the earth. 16 And in very deed for this cause have I raised thee up, for to shew in thee my power; and that my name may be declared throughout all the earth. v16: Saying to Pharoah what God said to Moses before he ever went in. Now, they are saying it to Pharoah. God knew this man that Satan had put in place and He knew what would provoke this man and He knew exactly how to get the hardening of his heart to take place. Verse that Paul quotes in Romans 9. - He wants to put God's Power on display. - He wants His Name to be declared throughout all of the earth. v16: THAT MY NAME MAY BE DECLARED THROUGHOUT ALL THE EARTH: GH: God's additional purpose on top of bringing the children of Israel out of Egypt.
Exodus 10:21-23	GH: WoD Teaching	One of the plagues when Israel was in Egypt in the land of Goshen, there was LIGHT in that land and the rest of Egypt came under a thick DARKNESS. That DARKNESS was so think that the Bible says it could be felt. That is not far off from the issue in John 1:5. They could palpably feel that DARKNESS.
Exodus 12:4		4 And if the household be too little for the lamb, let him and his neighbour next unto his house take it according to the number of the souls; every man according to his eating shall make your count for the lamb. Context: This is the Passover instructions. One of the instruction for the Passover lamb was you had to eat it all, there couldn't be anything left over. ACCORDING TO THE NUMBER OF THE SOULS: GH: MM showing SOUL=people.

Exodus 12:11		11 And thus shall ye eat it; with your loins girded, your shoes on your feet, and your staff in your hand; and ye shall eat it in haste: it is the Lord's passover. Feast associated with the 10th plague - Feast of Unleavened Bread - God said you are going to eat it standing up with your shoes on your feet and your bags packed, ready to go. Unleavened bread symbolized something - had to be ready to go at a moment's notice AND we are now going to have an intimacy of fellowship with God without sin being in the way - perfect sanctification. God is saying I AM bringing you out so I can adopt you. I AM going to put your sanctification into practice for you right here and now. The provision that God was making for them.
Exodus 12:25		25 And it shall come to pass, when ye be come to the land which the Lord will give you, according as he hath promised, that ye shall keep this service. People incorrectly believe that God will intervene if they claim the promises.

Exodus 13 - 18?	GH: GPPI verse	Once God brought them out of Egypt and sanctified them to Himself at the Red Sea crossing, He begins to educate them in the second aspect of His Jehovah-ness; that He will be whatever they need Him to be in order to fulfill God’s plan and purpose with them. From the Red Sea crossing to Mt. Sinai, the nation goes through five trials that are meant to educate them in the issue of His Jehovah-ness and grace. Israel spent 400 years in Egypt being subjected to the Egyptian gods which is why when they come out of Egypt, they are given the model for the tabernacle. But they have a tabernacle for an Egyptian god they are carting around at the same time. That's what Korah and that bit were about. God is saying I HAVE a plan and purpose for you and you need to understand I AM the only God. MM says recall the first commandments - THOU SHALT HAVE NO OTHER GODS BEFORE ME, THOU SHALT BREAK ANY GRAVEN IMAGE.
Exodus 13:3	GH: GPPI verse	3 And Moses said unto the people, Remember this day, in which ye came out from Egypt, out of the house of bondage; for by strength of hand the Lord brought you out from this place: there shall no leavened bread be eaten. THE LORD BROUGHT YOU OUT OF THIS PLACE: GH: MM showing it was the LORD that brought them out of Egypt, when it says MOSES, THE MAN THAT BROUGHT US UP OUT OF THE LAND OF EGYPT-Exodus 32:1.
Exodus 13:16		16 And it shall be for a token upon thine hand, and for frontlets between thine eyes: for by strength of hand the Lord brought us forth out of Egypt. **Please see images in the See Maps & Visuals section**. The Lord said I WANT the law to be in your mouth. Means you are going to tell your kids, you are going to rehearse it with each other, you are going to encourage each other with it. Verse: The Lord said I WANT you to bind the law - bind it on your hands and as frontlets between your eyes. An in connection with that, they made phylacteries. There were 4 scriptures inside the phylactery box and they all had to do with 4 different events from the law. Two out of Exodus and two out of Deuteronomy. They put them in there and they roll them up real tight and bound them up, closed that thing up and wore it.

Exodus 13:21-22		21 And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night: 22 He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people. At night a pillar of fire and by day in a pillar of a cloud.
Exodus 14:10-13		10 And when Pharaoh drew nigh, the children of Israel lifted up their eyes, and, behold, the Egyptians marched after them; and they were sore afraid: and the children of Israel cried out unto the Lord. 11 And they said unto Moses, Because there were no graves in Egypt, hast thou taken us away to die in the wilderness? wherefore hast thou dealt thus with us, to carry us forth out of Egypt? 12 Is not this the word that we did tell thee in Egypt, saying, Let us alone, that we may serve the Egyptians? For it had been better for us to serve the Egyptians, than that we should die in the wilderness. 13 And Moses said unto the people, Fear ye not, stand still, and see the salvation of the Lord, which he will shew to you to day: for the Egyptians whom ye have seen to day, ye shall see them again no more for ever. Context: They have come out of Egypt and they are exiting out of Egypt. v13: STAND STILL, AND SEE THE SALVATION OF THE LORD: MM says if they were going to see it, it was going to be phyiscal wasn't it? Something tangible, something they could actually look at. Not talking about spiritual salvation here. v13: SEE THE SALVATION OF THE LORD: They will see this salvation with their eyes because it is a phyiscal salvation. Physical salvation from a physical enemy. v13: WHICH HE WILL SHEW YOU TO DAY: If He is going to SHEW you, you will see it. This is salvation from the Egyptian army that is pursuing them and trying to overtake them.

Realize that Pharoah was behind them. MM says if you are God, don't you have to be disappointed in that? He is going to tell you that. Has nothing to do with religion. He to do with being in a tough spot. Crying to Moses, we tried to tell you back there...we were better off under the Egyptians. Like Moses twisted their arms. When the first born was dying through all of Egypt and they had the blood on the door posts in the lintel, the death angel passed over their homes, and they had the shoes on their feed and they ate the Passover standing up because they are going to have to go. When they went out of there, they SPOILED the Egyptians. The Egyptians gave them their gold and silver and their wealth and said just leave. Now they see Pharoah marching after all they are crying and worthless now. MM says that's what the world produces. You get in a tough spot and cry and whine. Your Father will teach you, that is not how you respond to difficulty. You have a different way to respond to that. Pharoah never got (GH: killed) a single Israelite. Whining and causing them to think 'We were better off back in the world'. 'We told you we didn't want to be delivered. We were better off back in the world'. That EVIL MAN is designed to influence your Sonship, to get you to say we were better off before. Brother Mike came in here, with some hair-brained scheme, some cult leader. We were better off before. The world will work on you and say, look what we are having to put up with (no carpet, uncomfortable chairs, no chandelier), we don't deserve that. Ultimately, it is to get you away from here and say we were better off this other way.

Exodus 14:21		21 And Moses stretched out his hand over the sea; and the Lord caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided. God put His omnipotence on display when He parted the Red Sea, the plagues in Egypt, water out of a rock, etc. In God's program with Israel. If He was dealing with you like Israel and you were living for God, you would never have a bad thing happen to you. If they were right with God, had victory over their enemies/avoided Gentile disesases/got rain when they needed it every time. MM says if God was working with us like this today, you would never run out of gas, have a flat tire, get sick, etc. But God is not dealing with you like He did Israel. When preachers talk about that, MM says to say wake up. In the DOGG, God is NOT putting on display His omnipotence, but the power of the execellency of His word to produce some things, something in you - Group: hope, courage, knowledge, endurance, patience/longsuffering, contentment, encouragement, stability - MM: JOY. EXCEL: Goes above and beyond, it's more. This word is able to go above and beyond anything else in the creation to do something and it puts on the group's list in the midst of suffering. Angels, who have seen the creation event, when they see this, because it is the excellency of His word, it excels even the power of the creation act and that is what impresses angels. Not God, help me find my car keys. They are not impressed with that. Until you understand the things above about suffering, you will never think about suffering the way the apostle Paul does. Miracles on the outside were done in Israel's program so men could see it. Miracles are being done in your inner man for angels can see it.
Exodus 14:27-31		27 And Moses stretched forth his hand over the sea, and the sea returned to his strength when the morning appeared; and the Egyptians fled against it; and the Lord overthrew the Egyptians in the midst of the sea. 28 And the waters returned, and covered the chariots, and the horsemen, and all the host of Pharaoh that came into the sea after them; there remained not so much as one of them. 29 But the children of Israel walked upon dry land in the midst of the sea; and the waters were a wall unto them on their right hand, and on their left. 30 Thus the Lord saved Israel that day out of the hand of the Egyptians; and Israel saw the Egyptians dead upon the sea shore. 31 And Israel saw that great work which the Lord did upon the Egyptians: and the people feared the Lord, and believed the Lord, and his servant Moses. Context: What Israel stood still (Exodus 14:13) and saw. v27: THE LORD OVERTHREW THE EGYPTIANS IN THE MIDST OF THE SEA: They saw this and God did (GH: physically) save them from their enemies. Another word here would be 'delivered'. v30: THUS THE LORD SAVED ISRAEL THAT DAY: Could have said SAVED ALL ISRAEL because all were saved. v31: ISRAEL SAW

Exodus 15-18	Five Trials	**ISRAEL'S EDUCATION INTO GOD'S JEHOVAH-NESS & GRACE - Exodus 15-18: PHASE II: 5 Trials of further education**. When Pharoah finally lets them go and as they are journeying to Mt. Sinai, they encounter 5 trials that are supposed to teach them the same lesson - you can't do it, you are going to have to let Me do it for you. 1. We don't have any water! -> He gave them water from a rock - Exodus 15:22-26 (**bitter waters at Marah**) 2. We don't have any food! -> He gave them manna - Exodus 16:1-28 (**manna**) 3. 4. 5. **God is trying to show them, let Me do this for you and they flunk. Get to Sinai and God only has 1 way to deal with them - the Law.** **- Show them how sinful they are.** **- Show them how deserving of His Wrath they are.** **- Only way they could ever get what they're supposed to get is for Him to give it to them by His Jehovahness and Grace. Left God no other choice other than dealing with them by the law**.
Exodus 15-18	Five Trials / GH: GPPI verse	Five trials between Egypt and Mt. Sinai where God says let Me show you what I WILL do for you. God's plan to educate Israel by His Jehovahness and grace. God is going to provide certain things to them according to His Name and He means to do that so that they can fulfull the plan and purpose that He had for them when He created them as a nation - that they would be the tool by which He would repossess the earth from the adversary, the tool by which His Kingdom would come to this earth, and God would dwell in the midst of His people and rule all of the creation right from here. Let Me teach you about My Name. Let Me demonstrate to you how faithful I AM. Let Me convince you, please, let Me give it to you by My grace. Because if you tried to let Me deal with you by your performance, you will fail miserably. So God shows them over and over 5 times. The five trials - see the progression: TRIAL 1: Exodus 15:22-27 – the bitter waters of Marah - The first trial shows them God's unlimited resources made available to them. God is saying I AM going to provide for you whatever you need. MM calls this 'the blank check' concept.
Exodus 15-18	Five Trials / GH: GPPI verse	TRIAL 2: Exodus 16:1-36 – the hunger in the wilderness of Sin - The second trial manifests their inability to keep God's commandments and God even says so. Showing they better let God provide things for them because they can't get it based on their performance. God is also exposing what is in their heart because it is something different than they think it is. TRIAL 3: Exodus 17:1-7 – no water at Rephidim TRIAL 4: Exodus 17:8-16 – the battle at Amalek TRIAL 5: Exodus 18:1-27 – Moses' father-in-law, Jethro

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15-18	Five Trials / GH: GPPI verse	We know God called out a GREAT NATION-Genesis 12:2 to accomplish His plan and purpose on His behalf. And in order for the nation to do that, He is going to have to be their Provider in whatever they need. So God is going to keep His promises and time is not a factor in that. He will be whatever they need, and that is His unlimited resources or His great provision that He is making for them. God is going to put this (GH: deal with Me by My grace vs. deal with Me under the Law contract) contrast before them in each of the trials so they can see which way they can best operate. Through these trials of God "proving them" God demonstrates that they do not have what it takes to be dealt with on the basis of their performance. God is showing them that must be dealt with on the basis of his name, His Jehovah-ness and grace. These 5 trials are 5 opportunities God is giving them to learn the lesson - please please please let Me deal with you by My grace and give it to you as a free gift. Everything you will need to accomplish what you were signing about in Exodus 15. Because if you make Me deal with you according to your performance, on the basis of merit, you will never ever fulfill what I created you for. MM says these lessons are very clear.
Exodus 15-18	Five Trials / GH: GPPI verse	We won't need to spiritualize anything. It will become very, very clear. You will understand why they're getting this education because if they're actually going to get into this land and become all this and God's going to accomplish all that the Abrahamic Covenant called for when they get in here (GH: the land), they're only going to get it by His great provision, given to them by His Jehovahness and grace. This is the only way. He is their only hope of getting this. This is what God is so intent on I HAVE got to teach you a lesson. You've got to see this. You've got to understand this, what's really in your heart. It's not what you think it is. You THINK because you are My chosen people that you have it in you naturally to become this GREAT NATION-Genesis 12:2 but you don't. I AM going to have to be that for you and you need to understand that so let Me give it to you this way. This is what these 5 trials are about, the education that God is going to give them. Review: God creates the earth to be inhabited. He is the primary inhibitor. God is making a place for Him to bring His residence down.
Exodus 15-18	Five Trials / GH: GPPI verse	The plan is to bring it down on the Second Sabbath. Satan knows he has to move quickly, and following the first Sabbath, he's there way early because God comes through in the cool of the day which indicates the morning and Eve is already eating of the forbidden fruit and so is Adam. They fall and now God's plan is on hold and He is not going to bring His residence down because now Satan has usurped possession of the earth through Adam, who was co-regent under the Lord. Now Satan moves very quickly to bring in a lot of things. There's the way of Cain, which is not just a phrase in the Bible, it's actually something that is part of the course that Satan charted for this world. Why Paul talks about the COTW-Ephesians 2:2 that follows the adversary and his plan. Satan begins this COTW in the way of Cain. He corrupts mankind with the sons of God. That results in the annihilation of all but 8 souls by the Flood. And then before you know it, you turn around and in Genesis 10 - 11, Satan has the Tower of Babel thing going. He's collecting a people to make a great nation through which he will exercise dominion of this earth that he has temporary possession of, and God confuses their languages and scatters them out to stop that process and then in Genesis 12, He calls out Abraham and He says I WILL make of you a GREAT NATION-Genesis 12:2 and in these shall all the families of the earth be blessed and I WILL multiply you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15-18	Five Trials / GH: GPPI verse	And He talks about all those things and He confirms that with Isaac and Jacob. And then Jacob finds out he's the father of the tribes and that's when the multiplication of the nation really gets underway. Jacob finally understand, wait a minute, this land right here, this is the house of God and this is the gate, the government, the seat where things are run. This is the gate of heave and I get it now. God has created us to be this people and that's what the name Israel means, God's prince or God's ruler. And we're supposed to be the chosen nation. This is where God is going to dwell, this is where the business of the kingdom is happening and I get it. When the nation comes out of Egypt, we find that God, in his timelessness, says after 400 years, I didn't forget, I didn't slip up, right on schedule, I AM delivering you out with great substance just like I told you I would so you can count on ME to keep My promises. And now, not only that, but I AM going to be whatever you need to be. And He raises up Moses, He educates him in the business of His Name. Moses is going to give that education to the people and they come out of Egypt and everything that happened in those plagues coming out of Egypt was the purpose of educating them that God has unlimited resources at their disposal so that they can accomplish all that God intended for them to do when He created them in the first place.
Exodus 15-18	Five Trials / GH: GPPI verse	And now in these 5 trials between the exodus and Mt. Sinai, God say I AM going to give you a difficult situation and then I AM going to just solve it for you by My grace. But I AM going to tell you that, there is another way to get it, but you need to be careful about this because you can't succeed this way, because your heart is already inclined toward this. I AM going to expose your heart here. So you need to know you can't earn your way into this GREAT NATION-Genesis 12:2 status. You can't earn your way into this kingdom thing. You can't perform well enough to bring those things to pass. I AM going to have to do it for you and I AM willing to give it to you by My grace. But you know what? I WILL make a statute and an ordinance, and I WILL show you that it is not in you, even though you think it is. I WILL prove you. I WILL put you to the test, and you will flunk this test. And the very first time, 3 days out, and they start to complain about not having any drinkable water. God, by His grace, provides them drinkable water for them. The next thing they do is whine about being hungry. When we see this, you already know the story about the manna. See the particular things that are said in the story so that you can see what God is doing here. It's not just a Sunday school story.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15-18	Five Trials / GH: GPPI verse	Remember, the main storyline is God trying to show them it's not in you to keep My statutes and ordinances. You don't have it. What's in your heart is not what you think it is. You need Me. You can't do this without Me. And I AM your only hope of getting this done. These 5 trials are for their education. The 5 trials are the beginning of God's working to educate the nation that they must be dealt with on the basis of God's grace and are all for the purpose of demonstrating their utter inability to get or become what they need, based on a performance contract. These are not just incidents that happened, recorded to take up space in the Bible. These trials are designed by God to educate Israel concerning the basis by which He will deal with them. They are recorded so that we might understand what should have been done compared to what they did. This gives us insight into why Israel is in the predicament they find themselves in later on and why God takes the actions that He takes, in order to fulfill His plan and purpose for the repossession of the earth. And that is the thing they cannot accomplish by their performance. Understanding these trials gives understanding of what is actually taking place at Mt. Sinai when they are given the law. And all of this gives an understanding of the five cycles of judgment. It is only when we understand these five trials and the giving of the law that we can understand the reason for the five cycles of judgment. MM says understand it was not God's desire nor intention to put them under the law. What you're seeing is His education given to them to not be dealt with that way.
Exodus 15		Start of this song. HORSE AND RIDER: Pharoah In this song, they are acknowledging that God has set apart a place and He is going to guide them there to a place that He is going to dwell, to HIS HOLY HABITATION, to HIS SANCTUARY. Not just flowery KJV terminology, this place means something to Him. So God creates the heavens and intends to dwell in the midst of His creation. In the heavens He makes the earth which is the "world" in which God intends to dwell. On the earth, there is a land where God will put His residence. Originally that was called Eden and that is the identical area of the land grant promised to Abraham and his seed. Within that land there is a special "spot" where God means to place His Sanctuary which is the place where the "garden" was planted "eastward in Eden."
Exodus 15	GH: GPPI verse	The song that Moses and the children of Israel sang when they came out of Egypt and God destroyed the Egyptians in the Red Sea. This has to do with the purpose God had in creating the earth. It also has to do with the purpose God had in creating Israel. See them singing about their understanding of God's plan and purpose with them. They understood God was going to use them to reconcile the earth back to Himself. They were the mechanical means, the tool to accomplish that. See them lose this understanding in the 5 trials that they are about to go through. MM says they just memorized the song out of the hymn book and it didn't mean anything when they were singing it. Following the singing of this song, Israel goes through some/five trials on their way to Mt. Sinai. MM says this is the group that's whining at the Red Sea but are now singing a song of victory. They are a pendulum swing - oh, we're going to die; oh, we knew God would deliver us. Oh, we're going to thirst to death; oh, we need God was going to do it. v1: Song begins in v1. They sang about the great wonders their God had done and the terror that would strike the hearts of the inhabitants of the land that given to them. They sang that they would be planted in the mountain of God's inheritance, in the place which God had made for Himself to dwell in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15	GH: GPPI verse	v15: THEN THE DUKES OF EDOM SHALL BE AMAZES; THE MIGHTY MEN OF MAOB, TREMBLING SHALL TAKE HOLD UPON THEM; ALL THE INHABITANTS OF CANAAN SHALL MELT AWAY: Remember, one of God's goals with the plagues was God making His Name great in all the earth for the purpose of striking fear into the hears of the inhabitants of the land that He is sending His people to. v15: ALL THE INHABITANTS OF CANAAN SHALL MELT AWAY: MM says EDOM and MOAB are part of the Canaanites. v16: FEAR AND DREAD SHALL ALL UPON THEM: At this time, Moses understands quite a lot about what God is doing and why He is doing it. He understands the “fear and dread” issue that is to be upon the inhabitants of the land to which they are going. Moses knows they are going to destroy them out of that land. He also knows that the purpose of the nation is the same as the original purpose of man; to subdue the earth. v16: LORD: Capital LORD - Jehovah.
Exodus 15	GH: GPPI verse	v17-18: Look at how much Moses said in such few words. God will bring them into the land of His inheritance. He will put them in the place that God Himself means to dwell in. This land is the place of God’s Sanctuary, which God fashioned with His own hands. And from that place, God will reign over His creation forever. MM says Moses, at this time, has an understanding of what God is doing with His people. * He understands the issue of God's Name * He understands that God's kept His promise right on schedule, by delivering them out of Egypt. * He understands that God is going to be whatever they need Him to be. * He knows that when they get into the land, they are supposed to conquer that land and from this land, they're going to go out and subdue and have dominion over the rest of the earth. MM points to Adam in Genesis as God's regent for the earth was supposed to subdue and have dominion over it.
Exodus 15	GH: GPPI verse	When you read this you know that this person (Moses) has a grasp of what is happening. MM says this is not just the people who wanted to throw off the shackles of slavery and yearn for democracy. This is a people who has a specific purpose with God. And they understand this purpose. They are thinking we really are the people of His creation. And this is what God wants to do with them. v17: MOUNTAIN: Represents the kingdom. v17: THINE INHERITANCE: He's talking about the Lord's INHERITANCE. v17: IN THE PLACE, O LORD, WHICH THOU HAST MADE FOR THEE TO DWELL IN: MM says we have seen these verses before. He is bringing His residence down to this piece of real estate right here. This was the whole purpose for creating the earth to begin with. He is the primary inhabitant. He has a people that He is going to bring into this land and from here the word of the Lord is going to go out to the ends of the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15	GH: GPPI verse / Trial 1: the bitter waters of Marah	v17: SANCTUARY: In the third heaven. v18: THE LORD SHALL REIGN FOR EVER AND EVER: This is what's going to happen in the kingdom. v22-27: TRIAL 1: Exodus 15:22-27 – the bitter waters of Marah. Don't see as a Sunday school story. It is connection to their education. We need to see the purpose. It's the whole reason it is there in the scripture. Not everything is in the Bible but if it is in the Bible, there's something specific that God is educating us in as we go through the word. When you are reading through the Bible, if you read something, ask yourself how does this fit in with the main storyline of the Bible because it does fit in. There are no loose ends. There are no superfluous stories. There are no extra details for the sake of detail. You get exactly what you are supposed have right here and it is marvelously put together. v22-25a: Trial 1 of 5: God began their education by showing his unlimited power to be for them whatever they need. The bitter waters of Marah were made drinkable and by that, God shows His ability to provide for them. At Marah, God has demonstrated His grace by responding to the request for water. That is already done and accomplished.
Exodus 15	GH: GPPI verse / Trial 1: the bitter waters of Marah	They have seen Moses' request answered by God's grace. It required nothing on their part. They did nothing to merit or deserve it. They asked, God answered. The waters were undrinkable, but in response to their need, God gives them all the drinkable water they need and then some. MM says he is equating this with the bitter waters in Revelation. These waters didn't just taste bad, they were poisonous. Revelation says that the worm wood fell in the waters, and the waters were made bitter, and many men died because of the waters. It wasn't just because it tasted so bad, they fell over dead. The waters were poisonous. This water was not drinkable. It wasn't just like, "oh, they have really bad water here" This was not drinkable waters. v23: THEY COULD NOT DRINK THE WATERS OF MARAH, FOR THEY WERE BITTER: The is the bitter (poisonous) waters incident at Marah. v23: MARAH: Means bitter. v24: They murmured against Moses.
Exodus 15	GH: GPPI verse / Trial 1: the bitter waters of Marah	v24: WHAT SHALL WE DRINK?: They thought they were out of options. What should they have said? They should have said, "Ask God to give us water." v25-26: See the beginning of Israel's education on how they are to be dealt with by God. v25: AND HE CRIED INTO THE LORD: Moses understood what they should have said. There is something being put on display to the nation and that is the issue of God's unlimited ability to provide for them whatever they need. v25: THE LORD: God's Jehovah-ness has two elements; timelessness and unlimited capacity. That is, God will be whatever they need Him to be. They have just witnessed the "timelessness" issue as God made good on his promise to Abraham by delivering them after four hundred years of affliction. Now they are going to get a lesson on the other element of that name; God's unlimited provision on their behalf.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15	GH: GPPI verse / Trial 1: the bitter waters of Marah	v25: THE WATERS WHERE MADE SWEET: They no longer are asking “What shall we drink” for they have water they can drink. The issue is that the LORD (Jehovah) provided it for them, just as His name says. v25b: Now God is showing them that the other way to get what they need is to keep God’s commandments and all His statutes. If they do, then they can be free diseases. It is not by accident that God mentions these diseases in reference to the Egyptians. The bitter waters at Marah was the “fallout” from the plague on the waters in Egypt. Israel is confronted with having to be a partaker in those plagues, when they come to Marah. God is showing them that this is what they are going to be worthy of, if they have Him deal with them on the basis of their keeping his statutes. They are receiving a clear message that this is the kind of issue they are going to be up against over and over. This education is to show them they are best off having God deal with them by His Jehovah-ness and grace. The alternative to having the things which happened to the Egyptians happen to them, would be to keep all of God’s commandments and ordinances.
Exodus 15	GH: GPPI verse	They need to realize that are by nature in the same boat as the Egyptians. They have not separated out from the nations of the world because they are naturally righteous and holy. By nature, even though they are the seed of Abraham, they are also the seed of Adam, and they will merit what all the seed of Adam deserves; judgment and plagues. The only way not to be on the receiving end of that judgment, is by appealling to God to deal with them according to His Jehovah-ness and grace. v25: THERE HE MADE FOR THEM A STATUTE AND AN ORDINANCE, AND THERE HE PROVED THEM: They are just 3 days out of Egypt. They have not yet come to Sinai to receive the law. He has not given them 623 laws and 10 Commandments. But God is already talking to them about STATUTEs and ORDINANCEs because He is showing them there's a choice to make here. You can be dealt with by the Law on your performance or you can be dealt with Me by My grace and My provision by My Name. Take your pick. I AM going to give you both right up front and you'll see all the way through the 5 trials that God keeps saying this is My Commandment and here's My grace. Which one do you want? That's the choice for them. At that place God made a statute and an ordinance.
Exodus 15	GH: GPPI verse	It also says He proved them. Notice STATUTEs and ORDINANCEs are things pertaining to the law, but God has not yet given them the law. God is contrasting the two way in which He will deal with them. He is going to put them side by side and let Israel see which way they want to be dealt with. God doesn’t give them all six hundred twenty three laws and commandments, but he does give them a part of the law. God has just shown them how it is to simply rely on God’s grace to give them what they need. Now, God is going to show them another way to get it, by performance. Having just seen grace at work, now God makes an ordinance and a statute. God is saying you can also get this provision by doing exactly what I AM going to tell you do to in commandments and statutes and ordinances. But I AM going to show you the best way to do this is let Me give it to you, not on the basis of your merit, but by grace. Because they understand, if they don't keep these commandments, they will get the diseases Egypt had.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15	GH: GPPI verse	v25: HE PROVED THEM: Put them to the test around the STATUTEs and ORDINANCEs. God is again contrasting the ways He will deal with them. On one hand, He will provide it by grace. On the other hand, He will PROVE them based on their ability to keep His statutes. When something is proved, it reveals the quality of something or the content of something. You would “prove” the ability of a joist to bear weight before you trust it in your floor. You are determining if it will measure up. This is what God is doing. He is comparing their performance with His grace providing for them. Then God is proving them, He is showing them what is in them. Their only hope is to have God’s Jehovah-ness and grace. v26: DILIGENTLY HEARKEN: v26: DO THAT WHICH IS RIGHT: v26: GIVE EAR TO HIS COMMANDMENTS: v26: KEEP ALL HIS STATUTES: v26: I AM THE LORD THAT HEALETH THEE: The name, Jehovah-Ropheka which means precisely what the verse says, “I am the LORD (Jehovah) that health thee.”
Exodus 15	GH: IPF verse	He offered them His rest, and they knew about it from the Song of Moses, but they rejected it. That is the Gospel of the Kingdom which was preached to them back then. Moses faithfully did all that he was sent to do in that regard. But the nation rebelled. So the Lord swore in His Wrath they would not enter into His rest. v2-18: See in the song that Moses sings to the nation as they come out of Egypt that the Gospel of the Kingdom is proclaimed/preached to them. MM says about as plain of a kingdom passage as you can get. v4-12: Recaps the Red Sea crossing. v13: HOLY HABITATION: They know what this land is about. v14: THE PEOPLE SHALL HEAR, AND BE AFRAID: Those people that are in the land. v17: THE PLACE, O LORD, WHICH THOU HAST MADE FOR THIS TO DWELL IN: The New Jerusalem or 'thy holy hill'-Psalm 15:1. v18: IN THE SANCTUARY: The Temple or 'thy tabernacle'-Psalm 15:1.
Exodus 15:8		8 And with the blast of thy nostrils the waters were gathered together, the floods stood upright as an heap, and the depths were congealed in the heart of the sea. CONGEALED: God congealed what they were walking over because where they were walking was one of those openings to the (GH: bottomless) pit. God led them that way and chose that exactly for them. God congeals or solidifies the pit opening so they are able to walk right over it and don't know any difference. When Pharoah and his army come in, not only does God unleash the waters that are held back on both sides, He opens that pit back up (GH: And Pharoah and his army fall into the pit).
Exodus 15:11		11 Who is like unto thee, O Lord, among the gods? who is like thee, glorious in holiness, fearful in praises, doing wonders? AMONG THE GODS: Among that bunch that rebelled with Lucifer, not other nation's gods.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 15:13		13 Thou in thy mercy hast led forth the people which thou hast redeemed: thou hast guided them in thy strength unto thy holy habitation. Includes the song of triumph that Moses and the children of Israel sang when they came out of the land of Egypt and how grand their exodus was. Skip to the end of the song and take it up in v13. THY HOLY HABITATION: Moses has an understanding of God's plan and purpose with Israel and this passage is important to that understanding. As we go through this, please remember that God's plan and purpose for the earth is to make it His holy habitation. In fact, God's habitation will not only be on the earth but will be centered at a particular location on the earth. They knew this is where God is going to put His residence. See later that there are 2 holy habitations.
Exodus 15:14		14 The people shall hear, and be afraid: sorrow shall take hold on the inhabitants of Palestina. There are some enemies in the land when they come into it. The adversary has placed them there to try and hold onto that land. Tells them what is going to happen. Verse tells us that God has done something to make them afraid and make them sorrowful. God put His power on display in Egypt and demonstrated that He can deal with the adversary and overcome him. Moses shows us that he is aware of this as he writes verse 15. Part of their fear and they are going to say it - we heard what you did in Egypt - parting the Red Sea, walking across on dry land, and killing Pharoah and his army - woah!
Exodus 15:15-16		15 Then the dukes of Edom shall be amazed; the mighty men of Moab, trembling shall take hold upon them; all the inhabitants of Canaan shall melt away. 16 Fear and dread shall fall upon them; by the greatness of thine arm they shall be as still as a stone; till thy people pass over, O Lord, till the people pass over, which thou hast purchased. GH: More fear for the nations. v15: AMAZED v15: TREMBLING v15: MELT AWAY v16: FEAR AND DREAD
Exodus 15:17-18		17 Thou shalt bring them in, and plant them in the mountain of thine inheritance, in the place, O Lord, which thou hast made for thee to dwell in, in the Sanctuary, O Lord, which thy hands have established. 18 The Lord shall reign for ever and ever. Moses is going to describe this land in 3 specific ways: 1. THE MOUNTAIN OF THINE INHERITANCE: God is going to plant the people in the "mountain of thine inheritance." God is saying this is part of my inheritance, this belongs to Me. 2. TO DWELL IN: God is going to dwell on the earth, but He has a particular place on the earth where He means to dwell. 3. SANCTUARY: There is a particular mountain, a particular place for God to dwell in, and a particular "place within the place" called the Sanctuary, which God has established by His own Hands. Notice the Sanctuary is capitalized which indicates a special "apartness" or "holiness" to it. Moses is careful to say that God's hands are what shaped it and made it what it was supposed to be.

Exodus 15:22-26	GH: Trial 1: Water from a rock	22 So Moses brought Israel from the Red sea, and they went out into the wilderness of Shur; and they went three days in the wilderness, and found no water. 23 And when they came to Marah, they could not drink of the waters of Marah, for they were bitter: therefore the name of it was called Marah. 24 And the people murmured against Moses, saying, What shall we drink? 25 And he cried unto the Lord; and the Lord shewed him a tree, which when he had cast into the waters, the waters were made sweet: there he made for them a statute and an ordinance, and there he proved them, 26 And said, If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee.
Exodus 15:22-26	Non-MBI	RS: Israel's sin is not relevant to whether they held title to the land. RS: Water at Mariah - 1 tablespoon and you would have a terrible case of diarrhea. God did it to rid them of the parasites/diseases of Egypt. He was not just trying to get them out of Egypt, He was trying to get Egypt out of them. Gave them diarrhea because we serve a God that gives you what you need, not what you ask for.
Exodus 16		Exodus 16: Account of when God began to feed the people with manna as they wandered in the wilderness, where God educated the people with regard to His Jehovahness and grace before they ever got to Mt. Sinai and are faced with the Law contract. Manna incident - where God says I AM going to miraculously feed you out here in the wilderness every day. Manna will be laying on the ground but you only gather enough for 1 day. If you gather enough for 2 days it's going to rot and turn to worms so don't do that. On the sixth day, because the seventh day was the Sabbath, on the sixth day you can gather enough for 2 days/double portion and it is not going to rot and turn to worms. So they gathered more than a days worth in the first days so they didn't obey. Then some only gathered one days worth on the sixth day and then the Sabbath came and they didn't have any. God is giving them a choice between dealing with Him by His Jehovaness and grace or by His law. GH: God showing Israel that you can't keep My Law before He ever gave them the law of Moses.

Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	TRIAL 2: Exodus 16:1-36 – the hunger in the wilderness of Sin. I AM going to give you this, but will see Israel flunked the manna test because what God tells them is exactly what they can't do. He says GATHER AN OMER FOR EVERY MAN. Don't gather anymore. Everybody that needs more will have it. Everybody that wouldn't have enough would have just enough. Don't worry about that. Gather an omer. And don't keep it overnight. Guess what they do? They go and they hoard the thing up and they try to keep it overnight. And God says the very thing I told you not to do is the thing that you did and that's what My point is here, you can't keep the commandments. And the second part of the story is when they go out looking for it on the Sabbath day when they are told to just gather twice as much on the 6th day and stay in their dwellings on the Sabbath. But they go out and look for it. God makes this point again. I MADE a statute for you. You couldn't keep it - stay in your dwelling on the Sabbath, don't keep it overnight. They violate them both. And God says, "You think you're going to keep the law? You couldn't do this, but you're going to keep the law?" That's the point He is making there. God has already shown them that He can provide water where there is none.
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	So as soon as they were hungry, they began to complain that now they were going to die of hunger. This is quite amazing since the song they sung in chapter fifteen indicated that they understood God's purpose with them, that He was guiding them to his holy habitation! If they really believed that, then why were they now doubting? But the real issue was they are incapable of keeping a performance contract. This second trial, however, is the first time that God made it evident that they cannot keep His laws and commandments. God is proving that they cannot get what they need on the basis of their performance. God is showing them that what is in their heart is not what they think. God knows they are incapable and He is educating them in that fact. That is the purpose of these trials. The command: * Days 1 to Day 5: Gather a CERTAIN RATE. Miracle: If you left it overnight, it bred works and stank. * Day 6: Gather 2x the CERTAIN RATE. Miracle: It lasted two days. So you know it is Me. * Day 7: Gather none/zero. Don't even go out there. There won't be any. MM says like telling your kids don't even go look, it's not there. Then they have to go look.
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	He is giving this to them so that they will understand something so that they will know whether or not they can keep His law. v2: See Israel getting hungry in the wilderness. God is going to continue this education here. v3: MM jokes a nation only God could love. Boy, is He longsuffering. This is the people of His own creation, yet here they are. v4: THE PEOPLE SHALL GO OUT AND GATHER A CERTAIN RATE: God is gives them a commandment concerning a "certain rate" which they are to gather of the manna. MM says this whole thing is to prove something to them. v4: A CERTAIN RATE: I AM going to tell you an amount everyday that I MAY PROVE THEM. v4: THAT I MAY PROVE THEM: Remember the law has not yet been given to them, they are not yet to Mt. Sinai. But God is showing them exactly what it takes if they are going to be dealt with on the basis of the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	By these things we know that when they assent to the law contract, they are not doing so in ignorance, but with the full knowledge of what the law demands. He is doing this to put Israel to the test to demonstrate rather or not walk in His law or not. Don't have the law yet but God is going to tell them some things and He expects them to do them. He keeps bringing up the STATUTE AND AN ORDINANCE-Exodus 15:25 and the COMMANDMENT-Exodus 15:26 because when they say YES to the Law contract, their eyes are wide open. There's no slight of hand going on. God is very upfront. I AM going to give you commands that you must live by and I AM going to show you that you can't do it. This is what the 5 trials were all about. I AM proving this to you. v5-7: The gathering of twice as much has to do with preparations for the Sabbath. v7 shows the LORD as their provider (in the morning ye shall see the glory of the LORD) - they see manna. When they see it, they should think that God has graciously provided for them that which they needed and could not provide for themselves. That is the glory of His Jehovah-ness; His great provision to them. This is God's name at work on their behalf. This is why their murmurings against Moses and Aaron were categorized as murmurings against the LORD. They were complaining against God's unlimited capacity to be what they needed.
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	v5: SIXTH DAY: The day before the Sabbath. v6:THE LORD HATH BROUGHT YOU OUT FROM THE LAND OF EGYPT: GH: MM showing it was the LORD that brought them out of Egypt, when it says MOSES, THE MAN THAT BROUGHT US UP OUT OF THE LAND OF EGYPT-Exodus 32:1. v7: SEE THE GLORY OF THE LORD: The manna. You will see God's great provision and unlimited resources at your disposal. You're hungry, I CAN feed you where there's nothing. I CAN rain down bread from heaven. v7: HE HEARETH YOUR MURMURINGS AGAINST THE LORD: Moses is saying, you're not complaining against me, you are complaining against God. v7: AND WHAT ARE WE, THAT YE MURMUR AGAINST US?: You're not murmuring against us, you're murmuring against God. We're nothing. v14-18: Commandment concerning gathering and what to expect on the Sabbath. This is the "perfect provision" that God made for them when He told them the rate at which they should gather the manna. v16: AN OMER FOR EVERY MAN: The part that is important. v??: TENT: If you had 4 in your tent. you'd gather 4 OMERs. MM says you know some are going to gather more, right, even after what God told them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	v18: WHEN THEY DID METE IT WITH AN OMER, HE THAT GATHERED MUCH HAD NOTHING OVER, AND HE THAT GATHERED LITTLE HAD NO LACK: GH: Think this is saying that those who took more only got what they were supposed to and those who didn't get enough ended up getting all that they needed. v19: If you go gather it, don't save any up for the next day. It won't work, don't do it. v20: NOTWITHSTANDING THEY HEARKENED NOT UNTO MOSES: Even though he told them clearly. How they come out in the "proving" of how they will obey what God commands them. So God gave them a command not to leave any until morning, but they did not obey the command. v20: SOME OF THEM LEFT IT UNTIL THE MORNING: GH: After being told don't leave any for leftovers, some had leftovers. They couldn't do what they were told to do. God is showing them that you can't keep My Commandments. On something as simple as this. MM says God didn't say, "Build a rocket ship and go to the moon. That's My Commandment. Good luck with it". He just said don't leave any over till the next day. They couldn't do that. It was too difficult. v22-27: See them fail again with regard to the command not go out on the Sabbath to gather any manna.
Exodus 16:1-36	GH: GPPI verse / Trial 2: the hunger in the wilderness of sin	v25: TO DAY IS A SABBATH UNTO THE LORD: TO DAY YE SHALL NOT FIND IT IN THE FIELD: GH: Why God told them to gather twice as much on the sixth day. v26: SIX DAYS YE SHALL GATHER IT' BUT ON THE SEVENTH DAY, WHICH IS THE SABBATH, IN IT THERE SHALL BE NONE: v27: THERE WENT OUT SOME OF THE PEOPLE ON THE SEVENTH DAY FOR TO GATHER; AND THEY FOUND NONE: God says don't go gather any on the Sabbath and they still do it. v28: HOW LONG REFUSE YE TO KEEP MY COMMANDMENTS AND MY LAWS?: See the LORD's response. God knows that in less than a week, they have demonstrated over and over that they will not keep God's laws and commandments. He gave them these things to prove to them that cannot keep God's laws. The whole reason for doing this manna exercise is so you will understand you can't do the simple things I ASK you to do. You either can't or you won't. The truth is, both. They won't and they can't. v28: YE: Plural. Shows us that God is directing the comments to the people, through Moses. MM says the Bible uses YE so you know if the speaker means 1 or more than 1 since you are not standing there to see the action.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 16:1-3		1 And they took their journey from Elim, and all the congregation of the children of Israel came unto the wilderness of Sin, which is between Elim and Sinai, on the fifteenth day of the second month after their departing out of the land of Egypt. 2 And the whole congregation of the children of Israel murmured against Moses and Aaron in the wilderness: 3 And the children of Israel said unto them, Would to God we had died by the hand of the Lord in the land of Egypt, when we sat by the flesh pots, and when we did eat bread to the full; for ye have brought us forth into this wilderness, to kill this whole assembly with hunger. More whining about hunger. Same thing as Exodus 14 - whining and causing them to think 'We were better off back in the world'. 'We told you we didn't want to be delivered. We were better off back in the world'. That EVIL MAN is designed to influence your Sonship, to get you to say we were better off before Brother Mike came in here, with some hair-brained scheme, some cult leader. We were better off before. The world will work on you and say, look what we are having to put up with (no carpet, uncomfortable chairs, no chandelier), we don't deserve that. Ultimately, it is to get you away from here and say we were better off this other way.
Exodus 16:2		2 And the whole congregation of the children of Israel murmured against Moses and Aaron in the wilderness: Children of Israel have come out of Egypt after being in captive for 430 years. WHOLE CONGREGATION MURMURED: It makes a big difference on how they react under the law. It makes a bigger difference how we react under grace. WILDERNESS: Desert areas. Problem of no water.
Exodus 16:6-15		They had a physical problem - we don't have anything to eat out here. God says fine, I AM going to give you bread in the morning and meat in the evening.
Exodus 16:8	Non-MBI	8 And Moses said, This shall be, when the Lord shall give you in the evening flesh to eat, and in the morning bread to the full; for that the Lord heareth your murmurings which ye murmur against him: and what are we? your murmurings are not against us, but against the Lord. THE LORD SHALL GIVE YOU IN THE EVENING FLESH TO EAT, AND IN THE MORNING BREAD TO THE FULL: GH: God fed them carbs in the morning when they were more insulin sensitive and protein and fat in the evening.
Exodus 16:10	GH: GLORY Definition	10 And it came to pass, as Aaron spake unto the whole congregation of the children of Israel, that they looked toward the wilderness, and, behold, the glory of the Lord appeared in the cloud. **THE GLORY OF THE LORD APPEARED IN THE CLOUD: God's glory (presence) is sometimes manifest as in the pillar of cloud or as a devouring fire.** **THE GLORY OF THE LORD: The most significant way in which glory is defined is in connection with God and His majesty. In connection with this, glory is used as a manifestation of God's being.**
Exodus 16:12	Non-MBI	12 I have heard the murmurings of the children of Israel: speak unto them, saying, At even ye shall eat flesh, and in the morning ye shall be filled with bread; and ye shall know that I am the Lord your God. GH: PROOF - God promotes high carb for breakfast and low carb for dinner

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 16:13		13 And it came to pass, that at even the quails came up, and covered the camp: and in the morning the dew lay round about the host. Quails flew in and then God just had them drop dead all over the camp. And now you've got quail to eat.
Exodus 16:22		22 And it came to pass, that on the sixth day they gathered twice as much bread, two omers for one man: and all the rulers of the congregation came and told Moses. Begin to see the Sabbath and the previous six days as an entire unit.
Exodus 16:25-28	GH: Trial 2: Feeding them manna	25 And Moses said, Eat that to day; for to day is a sabbath unto the Lord: to day ye shall not find it in the field. 26 Six days ye shall gather it; but on the seventh day, which is the sabbath, in it there shall be none. 27 And it came to pass, that there went out some of the people on the seventh day for to gather, and they found none. 28 And the Lord said unto Moses, How long refuse ye to keep my commandments and my laws? TRIAL 1 - Go gather manna every morning, just enough for that day and enough for 2 days on the 6th day. No gathering 7th day. v28: Interesting because the law hasn't been given yet. He is saying anything I TELL you to do, you can't do it. If they were under the law, the result would be curses. No curses, just HOW LONG REFUSE YE TO KEEP MY COMMANDMENTS AND LAW? No consequences yet since still a son, just an admonition for a son. If children, would get a discipline rod of tutors and governors. Like God is dealing with us today - 'How long are you going to be acting like this?'
Exodus 16:34		34 As the Lord commanded Moses, so Aaron laid it up before the Testimony, to be kept. TESTIMONY: In the O.T., the ark of the covenant, the tables of stone that the law was written on, the tabernacle itself - they were all referred to a testimony.
Exodus 17:1-7	GH: GPPI verse / Trial 3: no water at Rephidim	TRIAL 3: Exodus 17:1-7 – no water at Rephidim. This situation is the very same as the first trial, no drinkable water. They haven't learned a thing. What they were supposed to do is cast themselves upon the Lord and cry to Him that He is their only hope and they need His provision. Instead, they murmur and then they get ugly about it, to the point of killing Moses. This is another water trial and they fail it miserably. In spite of being given water before (Trial 1), in spite of being fed miraculously (Trial 2), they still doubt. They are ready to kill Moses and they question God's faithfulness. Dangerous business. They have no appreciation for God's Jehovahness and the education is not sticking. Remember the two aspects to God's Jehovah-ness; the timelessness (faithfulness to His promises) and provision (I will be whatever you need for Me to be). They are questioning God's provision, but they are questioning God's faithfulness to His promises, especially His promise that He is "among them." They even doubt that. MM chides if you've gotten water before and God has been raining down bread from heaven every single day, should you really be scared at this point? Like God is going to go, "What no water? Didn't you all bring any?" He is not shocked, He is God after all, right?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 17:1-7	GH: GPPI verse / Trial 3: no water at Rephidim	v1: ACCORDING TO THE COMMANDMENT OF THE LORD: They are moving (they journeyed) in response to the commandment of the LORD. This shows us they aren't just wandering willy-nilly, but rather, they are moving to specific places that God intends for them to go, so that He can teach them something about His Jehovah-ness and grace. Israel is being directed into these trials on purpose. God is taking them TO a place with no water. MM asks why aren't they cluing in that this is a test? v2: WHEREFORE DO YE TEMPT THE LORD?: This third trial opens up with their "chiding with Moses" and now the progression continues as Moses starts to get tough with them. MM says they really are tempting the Lord. v2: TEMPT THE LORD?: Tempt the Lord to destroy them. MM says like telling your kid "you're trying my patience" or "you are on my last nerve". v3: MM says Moses has got to be saying, "I have two words for you all - SHUT and UP". Do you not understand that God is saying cast yourselves on Me because I WILL provide for you. v3: MURMURED AGAINST MOSES:
Exodus 17:1-7	GH: GPPI verse / Trial 3: no water at Rephidim	v4: THEY BE ALMOST READY TO STONE ME: This is where the people are at. They are going to kill him over this issue. Things have gotten out of hand and really escalated. Instead of seeing God as their resource, they are ready to kill this gut that let them out here. They're nowhere near the education yet. v5: Moses was instructed to go before the people, take the elders with him and take his rod in his hand. v5: AND THY ROD: This is the rod of Jehovah. MM says this ROD is significant and points to the rod during the plagues. Figures in this trial and the next - Trial 4. v5: TAKE IN THINE HAND: v7: THEY TEMPTED THE LORD, SAYING, IS THE LORD AMONG US, OR NOT? MM asks how high-handed can you get? You said that You were going to be among us but we don't see it. They have no appreciation for God's Jehovahness. None whatsoever.
Exodus 17:3		3 And the people thirsted there for water; and the people murmured against Moses, and said, Wherefore is this that thou hast brought us up out of Egypt, to kill us and our children and our cattle with thirst? THE PEOPLE MURMURED AGAINST MOSES: Charging Moses with mis-management. It makes a big difference on how they react under the law. It makes a bigger difference how we react under grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 17:8-16	GH: GPPI verse / Trial 4: the battle at Amalek (1st aspect of Satan's POE against Israel)	TRIAL 4: Exodus 17:8-16 – the battle at (GH: with?) Amalek. See the beginning of Satan's policy of evil against the multiplied nation of Israel as they are preparing to enter the land to possess it. Satan had a plan of evil against the nation from the time of the Abrahamic Covenant, but now the plan of evil takes a different form, as it is directed against the multiplied nation of people. Satan used Amalek as his point-nation in the attack on Israel or to oppose the nation of Israel. God is educating them regarding their need for His Jehovah-ness and grace to accomplish His purpose for the earth (that's what's at stake here, God reconciling the earth), but in this trial, God is showing them something else that is going to be accomplished by God through them; the destruction of the satanic plan of evil. It is this second accomplishment (the destruction of the plan of evil) that God has in view with this fourth trial. They are going to need God's Jehovah-ness and grace when it comes to dealing with the adversary. This is the educational issue of this trial and the one to follow. Moses takes the rod of God in his hand and Amalek comes against him. When his hands were raised, Israel prevailed. And when his arms went down because they were tired, Amalek prevailed. The significance was because it was the rod of Jehovah being raised. It was the provision of His Name. I WILL be the God who gives you victory. In the end, Israel is saying it's our power and our hand that did it. And God says you don't get it. It's not about what you can do, it's about what I AM doing for you.
Exodus 17:8-16	GH: GPPI verse / Trial 4: the battle at Amalek (1st aspect of Satan's POE against Israel)	GH: Satan was thinking let's provoke God's anger so that He wipes them out. Or Satan wants to keep them out of the land so he raises up his own nation/army where he hopes to diminish them and wipe them out. Accomplishing these would ensure that Israel would never accomplish God's plan and purpose with them. MM says the adversary knows they are chiding and murmuring and complaining and tempting God so he says let's pour some gas on this fire. Let's heat it up. Having to hold Moses arms up is a sign to Israel, if it is not about Me, you don't win. Satan is trying to do with Israel exactly what the antichrist will attempt to do through the 10 kings in the 5th cycle of judgment. Annihilate the children of Israel. v8: WITH THE ROD OF GOD IN MIND HAND: When the rod of God, representing God's power, is raised up, Israel prevailed. When the rod was lowered, Israel fought in her own power, and she was overcome. The education is that if Israel is going to have "nissi" it is going to be by "Jehovahnissi." v14: God is pretty angry about AMALEK.
Exodus 17:8-16	GH: GPPI verse / Trial 4: the battle at Amalek (1st aspect of Satan's POE against Israel)	v15: CALLED THE NAME OF IT JEHOVAHNISSI: v15: JEHOVAHNISSI: Jehovah-Nissi=I AM Your Conquering Hero/I AM Your Victory (the One that makes sure they will have victory over their enemies). There is no Nissi without Jehovah. That's the only way you get it. v16: WAR WITH AMALEK FROM GENERATION TO GENERATION: v16: AMALEK: Is the nation that Satan raises up to oppose Israel before they ever get to the land.

Exodus 18:1-27	GH: GPPI verse / Trial 5: Jethro's testimony	TRIAL 5: Exodus 18:1-27 – Moses' father-in-law, Jethro. Moses told Jethro about the LORD'S deliverance of the people and it makes an impact on Jethro. Shows a heathen, false god worshipping priest of the Midianites from a Gentile country acknowledging what God has really done and the only ones that don't get it are the nation of Israel. The truth does make an impact on Jethro as is evident from the sacrifice that he makes for God. The impact on Jethro was made by what God did to deliver Israel. It is true that God purposed for the nation of Israel to make an impact upon the nations of the world, but they are not going to do accomplish that based upon their performance. This fifth trial comes in the form of a testimony to Israel and it is by Moses's father-in-law, Jethro. This is the Truth that Moses' father-in-law Jethro testifies to. Jethro talks about how great God is, not how great Israel is. The Lord delivered you out of the hands of the Egyptians.
Exodus 18:1-27	GH: GPPI verse / Trial 5: Jethro's testimony	He says THE LORD IS GREATER THAN ALL GODS-v11, not "you guys are so good, you are above all nations". Here's a heathen, previously a false god worshipping priest can identify what God's own people cannot, and it is God's Hand that has done these things, not their performance. He gets it. And that testimony is the fifth trial for them as they are getting ready to go to Mt. Sinai. v1: Introduces you to Jethro, Moses' father-in-law. v8: MOSES TOLD HIS FATHER IN LAW THAT THE LORD HAD DONE UNTO PHAROAH: God did all those plagues to bring them out. Told him about all the deliverances that God had done along the way. v8: AND HOW THE LORD DELIVERED THEM: v10: AND JETHRO SAID, BLESSED BE THE LORD, WHO HATH DELIVERED YOU:
Exodus 18:1-27	GH: GPPI verse / Trial 5: Jethro's testimony	v10: WHO HATH DELIVERED: v11: NOW I KNOW THAT THE LORD IS GREATER THAN ALL GODS: MM says that's quite a testimony. Your God is more than just talk, there really is something different. v11: HAS WAS ABOVE THEM:
Exodus 19		Exodus 19: God offered to make them spiritually fit. Israel said we can do that ourselves. When they said that, He could no longer utilize them, no longer treat them as sons, etc. When they took the law, they weren't just rejecting God's Jehovahness and grace, they were rejecting their adoption. They were saying we don't want to be adopted, we're going to do it on our own. MM wonders about the people who see this today, the opportunity to labor with their Father in eternity, and for a surprising number of people, they are flat out not interested in that. This group here is one of a very small number of people who care what you're going to be doing with your Heavenly Father in eternity and have some desire to do that or you are extreme gluttons for punishment.

Exodus 19	GH: GPPI verse	After the five trials in Exodus 15 - 18, they are come to Mt. Sinai and if they have been paying attention, when the law contract is offered to them, they will refuse it and cast themselves on God as their provision, pleading for God's grace. But instead, they contract for the law. And when they do, they contract for the 5 CoP, which you can plainly see in your Bible. * 1st CoP: Joshua - Judges - Ruth - time of the Judges * 2nd CoP: 2nd Kings - the ministry of Elijah * 3rd CoP - the ministry of Elisha * 4th CoP * 5th CoP - the day of the Lord's wrath
Exodus 19	GH: GPPI verse	v4: God is giving the testimony again. What He did. v4: YE HAVE SEEN WHAT I DID: Israel's entire education is summed up in this verse. The emphasis is on what God did. From the wilderness of Sin to the wilderness of Sinai, God has been showing them that there are two ways they can be dealt with by Him; by grace or by the law. God has gone to lengths to show them their certain failure if they choose to be dealt with by the law. MM says this is important for them to understand because they are about to make a decision that will change the entire course of their history. If they will allow Him to give it to them, it'll be the easy way. If they're going to try to earn it, then they're going about it the hard way. Actually, it's the impossible way. GH: MM implying the keeping the law is almost theoretical. v4: HOW I BARE YOU: v4: AND BROUGHT YOU:
Exodus 19	GH: GPPI verse	v5: The working principle of the law contract is summed up in this verse. It is the "if/then" principle/concept that governs all the law. If you do this, then I will do that. If you obey, then you get these blessings. If you disobey, then you get these curses. That is the performance system. MM says He is not bating them. This is a true statement. He will do this by covenant. But they just came through a whole school (GH: the 5 trials) where I AM showing you that you can't do this. I AM proving you that you can't walk in My commandments. God is saying you can't do this, you can't do this, you can't do this. It's like they had no education. v5: IF YE OBEY MY VOICE INDEED: Then they will become what His plan and purpose call for. If they have been paying attention to the education given to them all the way to Mt. Sinai, then they know it is futile to rely on their performance; their only hope is to rely on God's Jehovah-ness and grace. v6: YE SHALL BE UNTO ME A KINGDOM OF PRIESTS AND AN HOLY NATION: Learn something more than we knew previously from the Abrahamic Covenant. We see the kingdom concept coming up in the first of these phrases, concerning what they will be in that kingdom as they take the word of the LORD out to the nations of the world. At that time the nations of the world will submit to them and receive blessing from God through them. As the holy nation, they will carry God's holiness to the world.

Exodus 19	GH: GPPI verse	v7: After Moses laid it out, what they should have said is that they can never be dealt with by God on the basis of their performance. They have seen it and God has “proved” that they cannot do it. Should have responded/said with TAKE AWAY ALL INIQUITY, AND RECEIVE US GRACIOUSLY: SO WE WILL RENDER THE CALVES OF OUR LIPS-Hosea 14:2. This is what they should have said. We need to be dealt with by your grace, we can't keep this law. You have shown us. We're incapable. Pridefully, they will never admit this, even though it has been demonstrated o them. Moses is laying out the choices for the elders, who are representing the people. MM says the people understand what's going on, they are culpable in this. It's not like someone made decisions and they didn't know. These folks know, they've all been through the education process. v8: But instead of responding with RECEIVE US GRACIOUSLY-Hosea 14:2, they said GH: will take the law. Moses returned the verdict to the Lord but He already knows. They are contracting for either blessings or cursings.
Exodus 19	GH: GPPI verse	v8 (cont'd): They are signing an agreement for these. Like a contract on a home - if you give us money, we'll give you a home. If you do good, you get blessings. And if you do badly, you get curses. They are agreeing to this and God already knows they won't make it. What they are really contracting for then is curses. Because at the end of the day, they don't have what it takes or the ability to get blessings. v9: God begins to reveal the details of the contract they have willingly engaged in. It was not necessary for them to know all of the law in order to make a decision. The decision was not about how difficult the law was, the decision was between being dealt with by God’s Jehovah-ness and grace or by their own performance. That was the choice. They made their choice and now God reveals the exact nature of the law to them. Now they are going to learn the hard way about God’s Jehovah-ness and grace. Their performance will merit a response from God, whether good or bad, blessing or curse.
Exodus 19:1-2		1 In the third month, when the children of Israel were gone forth out of the land of Egypt, the same day came they into the wilderness of Sinai. 2 For they were departed from Rephidim, and were come to the desert of Sinai, and had pitched in the wilderness; and there Israel camped before the mount. There is nothing good in us by nature at all. That's what God wanted Israel to understand when he brought them to Mt. Sinai. Everything that had been presented to them at that point was geared to get a response from them. When God offered Israel the law at Mt. Sinai, here was the response He was waiting for, after all the education, the plagues of Egypt, and the 5 trials/tests they failed 5x coming to Mt. Sinai. God explained it every time what was going on. He told them before He ever gave them the law, He said you won't be able to keep My law. Talked about their foolishness. He fed them with manna. He gave them the rules - only gather enough that you can eat that day and on the 6th day gather twice as much, it will remain till the 7th day. They couldn't even get that right. Some just went out on Monday and got a bunch and it turned to worms. Others went out on the Sabbath looking for manna. God had to be saying 'How stupid are you!?!?' He used this as an illustration to say, 'If you can't go this, what makes you think you can keep my law?' Got to Sinai and offerred them the law 3x, they should have said, 'we know we can't keep that on our own - impossible. We need you to deal with us by your Jehovahness and grace'. MM analogy: Trying to instruct someone who doesn't want to be instructed - the futility and frustration of trying to teach somebody something they couldn't care less about.

Exodus 19:1-2		1 In the third month, when the children of Israel were gone forth out of the land of Egypt, the same day came they into the wilderness of Sinai. 2 For they were departed from Rephidim, and were come to the desert of Sinai, and had pitched in the wilderness; and there Israel camped before the mount. When God is instructing Israel, they just couldn't care less about when God was instructing Israel, they are not getting it. What their education was supposed to do that. When the plagues happened and they all got plagues in the beginning and then it changed to just Egyptians. If they had been paying attention to the education that would have instructed them, hey, we are just a guilty as the Egyptians and we deserve those plagues too. Then when they stopped getting them and just the Egyptians got them, they would have understood that they really should have, that God's Power shields us and He is doing that by His grace. If they have done that, WOW! Would have been different. Now, here we are as Gentiles in the dispensation of grace (you are not Israel). God is saying, now, I AM not giving you the law, you're not going to reject My Jehovahness and grace for a law program. I AM going to flat out tell you if you go to the law for any of it, you are cooked. When the Lord God gave the law to Israel, they knew what the law was about. He told them exactly what that law was about. The is not given to anyone including Israel to tell you this is how I want you to live. Not what's that's about. That law is not their Constitution, that law is not meant to be the guideline of how they are supposed to treat each other, that law was given to them so that they could provide 3 things on their own (more than that) - instead of by His Jehovahness and grace.

Exodus 19:1-2		1 In the third month, when the children of Israel were gone forth out of the land of Egypt, the same day came they into the wilderness of Sinai. 2 For they were departed from Rephidim, and were come to the desert of Sinai, and had pitched in the wilderness; and there Israel camped before the mount. 1. Justification (Deut 6:24-25) 2. Functional Life (Leviticus 18:1-5) 3. Sanctification (Leviticus 11:44) He IS saying, you have rejected Me giving you justification and have rejected Me giving you sanctification by My Power and Grace. You think you can earn it so I AM going to give you your chance.. Here's the law. Keep the law and you can be saved, eternal life and you can have functional life, you can be sanctified. They failed miserably on both counts. Even their exaltation was hooked into that law. All the law is going to show you is you can't produce that. You can't do it by nature and you can't to it under the law. What should be in your mind is the only way we're ever going to get this then is to do it under grace. What we really need to hear/know. Israel Program: God wanted to deal with them by His Jehovahness and grace, by His Power to do things that were needed for them and to give them as a free gift, not on the basis of worthiness but just give it to them as a free gift. At Mt. Sinai, when they entered into that law covenant/contract that they agreed to was the abosolute rejection of God's Jehovahness and grace. Need to see the law for what it is. They understood that was what they were doing. The law was a contract by which a man would justify himself and sanctify himself before God by his own energy. The law requires the energy of the flesh to get that done. True for them. True for us. The law is Israel saying we absolutely reject your Jehovahness and grace. We will produce our own justification and our own sanctification.

Exodus 19:4-6		4 Ye have seen what I did unto the Egyptians, and how I bare you on eagles' wings, and brought you unto myself. 5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth is mine: 6 And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of Israel. See God's plan and purpose with Israel. In connection with God saying that "all the earth is mine," God destroyed the Egyptians and the Adversary. v4: YE HAVE SEEN WHAT I DID UNTO THE EGYPTIANS: Israel didn't fight the Egyptians at all. God is reminding them - I did it ALL. You didn't do any of it. I did it. MM says Israel did not contribute at all to this. God's Jehovahness at work. God drowned that Egyptian army in the Red Sea. v4: EAGLES' WINGS v5-6: If Israel keeps His commandments perfectly, Israel would be a peculiar treasure unto Him. Two ways to do it: 1. I CAN do it. OR 2. You can keep my covenant and do it yourself. v6: KINGDOM OF PRIESTS: The one time this phrase is used in your Bible. Phrase does not suggest a fully functioning body. v6: THOU SHALT SPEAK UNTO THE CHILDREN OF ISRAEL: Who's this is meant for. NOT for the body of Christ.
Exodus 19:6	GH: SIIP Verse	6 And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of Israel. KINGDOM OF PRIESTS: GH: Will need to be given the New Covenant (for a perfect justification and a perfect sanctification) before they enter into the kingdom to be this. If they would have had this when they got out of Egypt and entered into the promised land, they would have set up the kingdom immediately back then. But they weren't spiritually fit to be that HOLY NATION-1 Peter 2:9 and KINGDOM OF PRIESTS because they put themselves under the law and tried to produce all of that in their own power. And God gave them the law to show them, you can't do it for yourself, let Me give it to you as a free gift of grace. You will never deserve it or earn it.
Exodus 19:7-8		7 And Moses came and called for the elders of the people, and laid before their faces all these words which the Lord commanded him. 8 And all the people answered together, and said, All that the Lord hath spoken we will do. And Moses returned the words of the people unto the Lord. Moses says God has done it all for you up till now. You can either let Him do it OR you can do it yourself by perfectly keeping His covenant. v8: Israel says WE WILL DO. This is not what the Lord wanted them to answer Him. Should have said exactly what the remnant is going to say one day (Hosea 14:2). Take away our iniquity and deal with us by Your grace.

Exodus 19:12		12 And thou shalt set bounds unto the people round about, saying, Take heed to yourselves, that ye go not up into the mount, or touch the border of it: whosoever toucheth the mount shall be surely put to death: Touch this mountain and I WILL kill you. GH: Fear motivation verse.
Exodus 19:17-19	GH: Offer to go under the law: n of 3	17 And Moses brought forth the people out of the camp to meet with God; and they stood at the nether part of the mount. 18 And mount Sinai was altogether on a smoke, because the Lord descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly. 19 And when the voice of the trumpet sounded long, and waxed louder and louder, Moses spake, and God answered him by a voice. Think about when the law was given to them. Imagine being in the camp with all the thunder and lightning and the thick cloud upon the mount and the loud trumpet coming out of the heavens and what you would be thinking? v17: Some of those people were saying you go meet Him. They were afraid. Was all that supposed to 'let not your heart be troubled'? It was getting their attention and establishing Who was in charge. v19: God answering by a voice was petrifying to them. MM says there were 3x offers about going under the law and the above is 1 of them.
Exodus 20		When God gave them the law, if they were obedient, God promised them blessings. It wasn't based on anything else. If they were obedient, they would have good health, prosperity, overcome their enemies, lot of livestock, crops in abundance, fruit trees would yield their fruits, all of those good things would happen. If they violated the law, the opposite would happen, the curses. Their enemies would overcome them, they would have droughts, all those bad things. God said there were some things, if you did it, you'd be put to death. Israel can't keep that law and during the passage of time, will be annihilated and God knows that. Because of this, He knows He has to make a provision for this. Context: The commandments happened at Mt. Sinai. Moses goes up on the mount, God gives him the tables of stone, and then they hear this noise down below where the camp is. What happened? The people have gotten restless because Moses has been up on this mountain 40 days and 40 nights and now they think, we don't know what's happened to him. So they come to Aaron and say let us make gods that we can worship because as for Moses we don't even know what's happened to him. Aaron has them bring all the gold that they have and they melt it down and they form a golden calf. It's not a coincidence that it's a calf. We learn in Ezekiel that the essence of the cherub is the ox and Lucifer is the anointed cherub. They may think that it just came into their mind, it may be a calf but it actually is causing them to worship the fallen cherub. God says there's a sound going down there and you need to get down there and sort it out. Moses goes down from the mount and realized they're all dancing around this golden calf and worshipping this thing. Bad things happen after that. He calls the sons of Levi and they put their sword by their side and they go through the camp and 3,000 people are slain. MM says that sounds terrible but that sounds a lot better than it was supposed to have been. God makes a statement at that point and Paul quotes it in Romans 9:15-16. God made a provision to be able to do something.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 20	GH: GPPI verse	God's Jehovah-ness is His performance for them and His grace is the issue of Him giving them the benefits of that performance as a gift. The Law contract says for you to perform and God gives them what they merit, either good or bad. MM says Paul is crystal clear that we are not under the law but under grace-Romans 6:14-15. If they choose the Law contract then God says then you are going to get what you deserve, your merit, your performance and if it's good, you'll get good things and if it's bad, you'll get bad things.
Exodus 20:1-6	GH: Spiritual Warfare verse	Is not talking about Christians who are suffering in some way and God is punishing them in some way because one of their ancestors sinned against God, it is actually discussing two different groups of people: 1. Israelites who love God and serve the Lord God - worshipping the True & Living God/following God's commandments 2. Israelites who hate God and serve idols/false gods - making idols and worshipping other gods/breaking God's commandments Notice this is not about Christians who are suffering in some way because some ancestor sinned. This is about Israelites, under the performance contract of the Law, being punished for idolatry. It's not about an individual Christian looking back and going, oh, what did my grandfather do. If you grow up in a family that is practicing idolatry, it is likely that you will practice idolatry, that you'll have the same gods. Here's what God is saying - that thing that your father started, I WILL judge you for that if you continue to do that because there's still in that group that have other gods that make graven images that hate the True & Living God. Then the third generation comes along.
Exodus 20:1-6	GH: Spiritual Warfare verse	They didn't start it, but if they do it because their daddy and their grandaddy did it, God says, I WILL judge you too. This is what the sins of the fathers are. What you learned and continue to do in violation with God's command, you all are going to get judged. Doesn't mean that it stops after the fourth generation. The tenth generation will still get the judgments because they're under the law. Now, if the third generation gets 'saved', God is not saying I AM going to sill punish you for the sins of your fathers until you repent of their sins, confess them, and ask forgiveness. Then, I WILL stop punishing you. No, this is not anywhere in the passage. So here, Satan has taken people back in Israel's program but also perverted their scriptures to make them teach something that they never taught. This is certainly not what God is doing today. Satan is trying to distract you from the real spiritual warfare. So instead of you learning Truths to pull down strong holds, when you hear this kind of preaching, it's building strong holds in you. It's erecting a false doctrine. They took Exodus 20:5 and they corrupted the true understanding of the text and then they put it on a member of the body of Christ living in the DOGG. And here's what they are teaching - that you got to go back in your ancestry because if you're suffering things - not wealthy, not healthy - you could be under a generational curse.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 20:1-6	GH: Spiritual Warfare verse	You got to go back and discover the sins of the sins of your ancestors so that you can repent and confess so that God will quit punishing you. In the DOGG, God is not punishing anybody during their lifetime for the sins they are committing (much less their ancestors). This is what it means to be under grace. v1-2: This is back in God's program with Israel, and therefore it is not for us. God is talking to Israel, not the body of Christ. Written to the nation of Israel/Israelites. v3: NO OTHER GODS: v5: THOU SHALT NOT BOW DOWN: v5: NOR SERVE THEM: v5: VISITING THE INIQUITY OF THE FATHERS UPON THE CHILDREN UNTO THE THIRD AND FOURTH GENERATION: Where the extra biblical revelation of renouncing generational curses comes from. Notice that they only read part of the verse. MM says lifting something out of its context and trying to teach out of it is getting into a dangerous area.
Exodus 20:1-6	GH: Spiritual Warfare verse	v5: VISITING THE INIQUITY OF THE FATHERS UPON THE CHILDREN: He means that He will punish every successive generation of Israelites that continues to practice idolatry. They are repeating “the iniquity (idolatry) of their fathers.” So, this is not about some curse being handed down as though it is “in the bloodline.” v5: THEM THAT HATE ME: v6: THEM THAT LOVE ME:
Exodus 20:2		2 I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. BROUGHT THEE OUT OF THE LAND OUT OF EGYPT: How God treated Israel before the law. GH: Pre-law/fear motivation.
Exodus 20:3	GH: Sonship Commitment	3 Thou shalt have no other gods before me. First of the 10 commandmants. This is a commitment to God. This Sonship commitment will supersede every other commitment you have. Not saying you will neglect the other ones. Talking about what is in first place. When God said 'You shall have no other gods before Me', this is exactly what He meant. Everything plays second fiddle to God. v3-5: Israelites in Babylon asked to violate this in Daniel 3.
Exodus 20:4		4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth. Second of the 10 commandmants. This is a commitment to God.
Exodus 20:5		5 Thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; I THE LORD THY GOD AM A JEALOUS GOD: Glory belongs to God alone, which is why God can be “jealous” and not share His glory with another and it is not a sin because it is not a sin for God to be jealous of the glory that rightfully belongs to Him and only Him. This word “jealous” is used this way in connection with the worship of false gods. VISITING THE INIQUITY OF THE FATHERS: People incorrectly believe that God will intervene if they live for God (this assumes punishment is for sin, God punishes sinners but not the righteous).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 20:7		7 Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain. Third of the 10 commandmants. This falls under the commitment to God. MM realizes this is one of the commandments. Written to Israel, the only nation that had the true and living God. - When they bowed down to false gods, they were taking His Name in vain. - When they broke His Commandments, they were taking His Name in vain. - When God poured out His blessing and they despised that, they were talking His Name in vain. - When we live in a way that does not demonstrate who He is in our life, we are taking His Name in vain. - When we think like lost people, we are taking His Name in vain. - When we live after our flesh, we are taking His Name in vain. - When we live like we are not Christians, when we talk like we are not Christians, when we think like we are not Christians, we are taking His Name in vain. We are trampling on the GLORY of who He is. There is no tolerance for taking His Name in vain. Taking the Name of the Lord in vain is more than using His Name as a curse word. That's really not what's at stake here. What's at stake here is the way you live. The only folks that can take the Lord's Name in vain are those that are justified, in the sense this passage is talking about. Lost people can't do anything but that. But for saved people, you don't take His Name in vain.
Exodus 20:8-11	Sabbath	8 Remember the sabbath day, to keep it holy. 9 Six days shalt thou labour, and do all thy work: 10 But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: 11 For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it. Fourth of the 10 commandmants. This was given to Israel because there was something that God intended to do on the second Sabbath. When Israel was given the Sabbath, that Sabbath was supposed to point back to God setting up His Residence in the midst of His creation and every week, there was a reminder of that issue that was put in front of them. That's what it's supposed to be. Instead, they turned it into a ritual, just like other parts of the law, where the corrupted it through the man's tradition. But that was established in the beginning, in the law, because they were supposed to remember that. Instructions regarding the Sabbath. Saturday is the Sabbath but that's a whole different issue. This is the weekly sabbath. Not the only kind of Sabbath there is. Israel’s seventh day Sabbath is linked to the original seventh day Sabbath. As Israel observes the Sabbath, they are supposed to remember what the original Sabbath was about. And the original Sabbath took place in conjunction with God’s plan and purpose for the earth. Here God tells Israel to keep the Sabbath and not to do any work on that day and in verse eleven He tells them why.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 20:8-11	Sabbath	8 Remember the sabbath day, to keep it holy. 9 Six days shalt thou labour, and do all thy work: 10 But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: 11 For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it. They are to keep the Sabbath because of something that took place back at the creation. If you think about Israel's calendar, it is nothing but a repetition of the same thing over and over; six days followed by a Sabbath, over and over and over. Every week on Israel's calendar was to remind them of something pertaining to the original week. The reason is because God's plan and purpose with the nation, and the reason for their creation in the first place, is to provide for the means of achieving His original purpose in creating the earth. v8: This day is holy because He is doing something with this that is critical to Him. This land is critical to Him. It's holy. This day is holy. God set apart the 7th day from all the other days. He set it apart for His purpose and because its importance to Him. He declared it to be holy. Set apart and means something to Him. v8: KEEP IT HOLY: Keep it set apart. v8: REMEMBER: Means they have already told you about it before.
Exodus 20:8-11	Sabbath	8 Remember the sabbath day, to keep it holy. 9 Six days shalt thou labour, and do all thy work: 10 But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: 11 For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it. v11: AND HALLOWED IT: Attached something to that day to make it special to Him. v11: FOR: English word of logic - God is connecting these issues up, not just MM telling you to connect them up. The FOR is giving you purpose. You are going to keep this day separate, every 7th day Sabbath, you are going to remember it and keep it separate and not do any work in it. v11: HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth. v11: HALLOWED IT: Associated with the word HOLY. When He tells them this, He refers back to the creation on purpose. That's why the FOR is in there. He's saying I WAS doing something on the Sabbath when I created all of this that you are going to remember by observing the seventh day Sabbath. And you are going to do it every single week. Has to do with His plan and purpose for earth. He is hearkening them back to the original days of creation. There's a connection between what you are observing (GH: in the original days of creation) and what I ORIGINALLY intended to do and what He intended to do didn't all get done. He will do it eventually.

Exodus 20:12		12 Honour thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee. Fifth of the 10 commandmants.
Exodus 20:16		16 Thou shalt not bear false witness against thy neighbour. THOU SHALT NOT BEAR FALSE WITNESS: Talking about in a legal setting as you are giving testimony before authorities. God is saying when there is a dispute going on in a legal matter, don't bear false witness, tell the truth about it so that those who are in power to make judgments can make true judgments based on what is real. Not a license for you to tell an untruth to avoid a penalty.
Exodus 20:17		17 Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's. When you look at your neighbor and say 'I wish I had that' and you covet that, Paul says in Romans 7:7 when he read the law, I didn't even know that was a sin I had not known sin until the law came along and told me.
Exodus 20:18-20	GH: Offer to go under the law: n of 3	18 And all the people saw the thunderings, and the lightnings, and the noise of the trumpet, and the mountain smoking: and when the people saw it, they removed, and stood afar off. 19 And they said unto Moses, Speak thou with us, and we will hear: but let not God speak with us, lest we die. 20 And Moses said unto the people, Fear not: for God is come to prove you, and that his fear may be before your faces, that ye sin not. There's a great relationship, isn't it? We don't want to hear from God, let Him talk to you. Israel did not deal with God personally, but they dealt with God through the priesthood. God dealt with them as a nation, not as individuals. v18: PEOPLE SAW IT, THEY REMOVED, AND STOOD AFAR OFF v20: God is putting fear into you about this offer of the law so you don't make a wrong choice here. MM says there were 3x offers about going under the law and the above is 1 of them.
Exodus 21:2-3		2 If thou buy an Hebrew servant, six years he shall serve: and in the seventh he shall go out free for nothing. 3 If he came in by himself, he shall go out by himself: if he were married, then his wife shall go out with him. Slavery type - Example of Indentured servitude: When a man owed a debt he couldn't pay, would sell himself into slavery until debt paid. Notice also, that whenever a slave was set free, he did not go out empty handed. See that there is a provision in the law of Moses for this type of servitude so someone could work off their debt and it wasn't going to take them their whole lifetime.

Exodus 21:16		16 And he that stealeth a man, and selleth him, or if he be found in his hand, he shall surely be put to death. Penalty for human trafficking. This is what the law said to do with those who committed that kind of slavery in Israel. AKA Captives or menstealers. This one comes from war, like when the children of Israel were carried away captive to Babylon, or like when they were made to be slaves in Egypt. This was done against their will and it had to do with one nation conquering another nation. While in war this happened on a large scale, akin to this kind of slavery is what we would call today, kidnapping or human trafficking. This kind of slavery is condemned in the Bible. Menstealers are those who kidnap a person and then sell them off into bondage; human trafficking. God put a stiff penalty into place for those who commit this activity. God put a pretty stiff penalty on this type of slavery. This was the death penalty under the law of Moses. FOUND IN HIS HAND: Maybe you didn't sell him to someone else but you kidnapped somebody and are keeping them for yourself.
Exodus 21:20-25		20 And if a man smite his servant, or his maid, with a rod, and he die under his hand; he shall be surely punished. 21 Notwithstanding, if he continue a day or two, he shall not be punished: for he is his money. 22 If men strive, and hurt a woman with child, so that her fruit depart from her, and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges determine. 23 And if any mischief follow, then thou shalt give life for life, 24 Eye for eye, tooth for tooth, hand for hand, foot for foot, 25 Burning for burning, wound for wound, stripe for stripe. v22: FRUIT DEPARTS FROM HER: She gives birth on the spot. **The OT law set forth this idea of recompensing evil for evil. This was the enforceable law for Israel. And we like this for several reasons:** **1) because it seems fair;** **2) it gives the wronged some "satisfaction" and** **3) it is a deterrent to crime**.

Exodus 22		The first time trespass is mentioned in the Law. A trespass is "a wrong committed against another by "going beyond" and taking that which belongs to another." In this case, the trespass has to do with taking someone else's property. Notice all the ways a trespass is being committed. In all these instances, a trespass has to do with taking someone else's property. v1: HE SHALL RESTORE: GH: Penalty of stealing livestock is 400-500%. v3: HE SHOULD MAKE FULL RESTITUTION v3: THEN HE SHALL BE SOLD FOR HIS THEFT: He is going to have to work it off, he's going to be an indentured servant. He is going to have to earn that back by the labor he is going to give. v4: HE SHALL RESTORE DOUBLE: If they catch him but he doesn't actually leave the property, the penalty is double. v5: HE MAKE RESTITUTION: Sending your livestock onto another property to graze is taking something that doesn't belong to him, he's going beyond, that's a trespass. v6: SHALL SURELY MAKE RESTITUTION v7: LET HIM PAY DOUBLE: Guy is getting ready to go on a trip and he is going to leave his house vacant and he says I have some valuables here and can't just leave them here for somebody to find and take. Will you watch my valuables while I'm gone. Then he leaves. When he comes back, the guy he left them with says hey, somebody stole them out of my house. If they catch the guy that stole them, he has to pay double. v9: FOR ALL MANNER OF TRESPASS v9: HE SHALL PAY DOUBLE
Exodus 23:7		7 Keep thee far from a false matter; and the innocent and righteous slay thou not: for I will not justify the wicked. THE WICKED: When used as a noun, has a group of people in mind.
Exodus 23:15-16		15 Thou shalt keep the feast of unleavened bread: (thou shalt eat unleavened bread seven days, as I commanded thee, in the time appointed of the month Abib; for in it thou camest out from Egypt: and none shall appear before me empty:) 16 And the feast of harvest, the firstfruits of thy labours, which thou hast sown in the field: and the feast of ingathering, which is in the end of the year, when thou hast gathered in thy labours out of the field. **First Fruits -> Main Harvests -> Gleanings**
Exodus 23:25	IP : Blessings : Physical	25 And ye shall serve the Lord your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee. BLESS THEY BREAD, AND THY WATER; AND IT WILL TAKE SICKNESS AWAY FROM THE MIDST OF THEE: These are physical blessings. BREAD: Food.

Exodus 23:27-30	GH: GPPI verse	If they had done it right, here's how it would have happened. If they had allowed God to deal with the way He wanted to, they would have seen God send hornets to drive out the inhabitants of the land. God would have accomplished this step by step, as the nation increased, the driving out of the Canaanites would have increased until they would have had control over the whole land. As it turns out, the hornets did not go in before them. The angel of the LORD did not go before their armies. The consequences of the first cycle came on them because they chose to be dealt with by God according to the "if/then" system of the law. MM says if they would have allowed God to give it to them like He wanted to, they would not have lost a man in the process. God would have used what was already in the land to drive out their enemies. v27: I WILL MAKE ALL THINE ENEMIES TURN THEIR BACKS UNTO THEE: Doesn't mean "we're not talking to you". Saying your enemies are going to run from you. MM reminds of what went on in Egypt where He wanted to make His Name great and strike terror in the hearts of the people in the land. v28: They have a choice. They can put on their armor and fight or they can have God use the hornets to drive out their enemies. MM says he is going with the hornets. v29: God is saying I AM not going to drive out everybody in a single year, because you can't fill the land in a single yet so as you increase, I will drive them out.
Exodus 23:31-32	GH: EVIL MAN	31 And I will set thy bounds from the Red sea even unto the sea of the Philistines, and from the desert unto the river: for I will deliver the inhabitants of the land into your hand; and thou shalt drive them out before thee. 32 Thou shalt make no covenant with them, nor with their gods. Don't make any covenants with the Canaanites. Don't intermarry. Don't allow them to stay in the land, drive them all out. They not only allowed them to stay in the land, not only did they make some peace treaties with some in that land, they began to intermarry and name their kids after Canaanite names. They fell victim to the EVIL MAN. God knew this was the first allurement that would come to them and it got them. They did get enamored with all that was in the land. Will see back in Romans these very same 2 oppositions face us and the very first one is the EVIL MAN.
Exodus 24:4	Non-MBI	4 And Moses wrote all the words of the Lord, and rose up early in the morning, and builded an altar under the hill, and twelve pillars, according to the twelve tribes of Israel. Sidney Collett : BOOK: All About the Bible: We have clear and definite records on the inspired writings in the Bible. No hints of anyone other than Moses as the author of the Pentateuch.
Exodus 24:17	GH: GLORY Definition	17 And the sight of the glory of the Lord was like devouring fire on the top of the mount in the eyes of the children of Israel. **THE SIGHT OF THE GLORY OF THE LORD WAS LIKE DEVOURING FIRE: God's glory (presence) is sometimes manifest as in the pillar of cloud or as a devouring fire.**
Exodus 25:9		9 According to all that I shew thee, after the pattern of the tabernacle, and the pattern of all the instruments thereof, even so shall ye make it. When God gave Moses (GH: instructions) on how to build a tabernacle, there was already one with those same dimensions in the third heaven. PRINCIPAL: The heavenly always precedes the earthly. The earthly is always made after the pattern of the heavenly. Means the heavenly gets done first and then the earthly gets done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 25:16		16 And thou shalt put into the ark the testimony which I shall give thee. TESTIMONY: In the O.T., the ark of the covenant, the tables of stone that the law was written on, the tabernacle itself - they were all referred to a testimony.
Exodus 25:21		21 And thou shalt put the mercy seat above upon the ark; and in the ark thou shalt put the testimony that I shall give thee. MERCY SEAT: Was the top of the box or the ark of the covenant. TESTIMONY: In the O.T., the ark of the covenant, the tables of stone that the law was written on, the tabernacle itself - they were all referred to a testimony.
Exodus 25:22		22 And there I will meet with thee, and I will commune with thee from above the mercy seat, from between the two cherubims which are upon the ark of the testimony, of all things which I will give thee in commandment unto the children of Israel. MERCY SEAT: Was the top of the box or the ark of the covenant. TESTIMONY: In the O.T., the ark of the covenant, the tables of stone that the law was written on, the tabernacle itself - they were all referred to a testimony.
Exodus 28:30	GH: Sonship	30 And thou shalt put in the breastplate of judgment the Urim and the Thummim; and they shall be upon Aaron's heart, when he goeth in before the Lord: and Aaron shall bear the judgment of the children of Israel upon his heart before the Lord continually. If an Israelite had a decision to make and couldn't figure it out on his own, he would go to the leaders of his tribe and ask them. It worked its way up to the leaders of the nation and then finally the high priest. THE BREASTPLATE OF JUDGMENT: Worn by the high priest, it was a breast plate of decision making. Ask the high priest a YES or NO question and he would reach into the pouch with a white stone and a black stone, the URIM and THUMIN. The stone he pulled out, that was the answer from God. God really was working that way. MM says do not try this today. MM says see the childhood issue here. They don't have godly wisdom to make this choice, God is just telling them what to do like pulling the bridle on a horse.

Exodus 28:31-36		31 And thou shalt make the robe of the ephod all of blue. 32 And there shall be an hole in the top of it, in the midst thereof: it shall have a binding of woven work round about the hole of it, as it were the hole of an habergeon, that it be not rent. 33 And beneath upon the hem of it thou shalt make pomegranates of blue, and of purple, and of scarlet, round about the hem thereof; and bells of gold between them round about: 34 A golden bell and a pomegranate, a golden bell and a pomegranate, upon the hem of the robe round about. 35 And it shall be upon Aaron to minister: and his sound shall be heard when he goeth in unto the holy place before the Lord, and when he cometh out, that he die not. 36 And thou shalt make a plate of pure gold, and grave upon it, like the engravings of a signet, Holiness To The Lord. Describing the garment the first high priest, Aaron, was going to wear. When the Lord established that system of worship He says here is how you are going to do this. Pomegranate and golden bell will interchange - pom, bell, pom, bell, etc. - all around the hem of the garment. v35: When Aaron performs the duties of the high priest, he must wear this. v35: HIS SOUND SHALL BE HEARD: The bells - Aaron isn't groaning. From the very beginning, when God was going to construct what the high priest was going to wear, all the way to the scriptures that take you to the Kingdom, God has one issue out in front of that people, holiness.
Exodus 30:1		1 And thou shalt make an altar to burn incense upon: of shittim wood shalt thou make it. MAKE AN ALTAR TO BURN INCENSE UPON
Exodus 30:8		8 And when Aaron lighteth the lamps at even, he shall burn incense upon it, a perpetual incense before the Lord throughout your generations. AND WHEN AARON LIGHTETH THE LAMPS AT EVEN, HE SHALL BURN INCENSE UPON IT: The INCENSE is part of what is being offered up when you get to the evening sacrifice.
Exodus 31:13	GH: Sabbath	13 Speak thou also unto the children of Israel, saying, Verily my sabbaths ye shall keep: for it is a sign between me and you throughout your generations; that ye may know that I am the LORD that doth sanctify you. As the calendar for Israel is laid out, it is not until they go all the way through the entire calendar, and all the aspects of God's Jehovah-ness and grace have been put into effect for Israel, and they are sanctified before Him, that He will be able to fulfill the second Sabbath after the first. SABBATHS: Plural. Already told them about the seventh day Sabbath. Now, when Moses is up on Mt. Sinai, He is giving him the rest of the law. SANCTIFY YOU: Set them apart for that plan and purpose that He is going to affect on this earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 31:14-17	GH: Sabbath	14 Ye shall keep the sabbath therefore; for it is holy unto you: every one that defileth it shall surely be put to death: for whosoever doeth any work therein, that soul shall be cut off from among his people. 15 Six days may work be done; but in the seventh is the sabbath of rest, holy to the Lord: whosoever doeth any work in the sabbath day, he shall surely be put to death. 16 Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for a perpetual covenant. 17 It is a sign between me and the children of Israel for ever: for in six days the Lord made heaven and earth, and on the seventh day he rested, and was refreshed. **Sabbath is a sign between God and Israel**. More than just I AM giving you a day off and if you go into work, I'll kill you. The day meant something to God that they were supposed to keep in their minds and it was so important that there was a death penalty attached to violating it. v14: Because of the Sabbath's importance and because of its connection with the plan and purpose for this earth. GH: God is serious about the Sabbath. v15: Same in v15. v16: FOR A PERPETUAL COVENANT v16: PERPETUAL COVENANT: God says this is a big deal and I NEED you to see it that way.
Exodus 31:18		18 And he gave unto Moses, when he had made an end of communing with him upon mount Sinai, two tables of testimony, tables of stone, written with the finger of God. You already know what the children of Israel have been doing with regard to the golden calf they have forged in Moses' absence. Now keeping the progression of events in your mind, back up to v12 and read about some of the additional details and instructions that are part of the law that God gives to Moses while he is up on the mount.
Exodus 32 - 33	GH: GPPI verse	The incident of the golden calf when Moses was up on Mt. Sinai getting all the law and the people had already asserted all that the Lord has said, we will do or yes we will do the law. Moses has already made a preliminary offer of the law contract to the people. They respond that they want the law. Moses goes back up to the mount GH: for 40 days where he will receive all 623 laws including ten commandments from the LORD. While he is there, the people get antsy about where he is and they corrupt themselves and make a golden calf to worship. God informs Moses that the people, having just said "yes" to the law contract, have already corrupted themselves and violated the very first law which forbade them to worship any other gods. At this early point, they are already worthy of the 1st CoP. Moses goes down there and they are dancing around this golden calf and when they are doing that, they had just gotten to Mt. Sinai. They had just gotten out GH: of Egypt, just made it to Mt. Sinai, get faced with the law, say yes, we'll take the law, Moses goes back up on the mountain, GH: get impatient and say that Moses, we don't know what's become of him. We need to make us some gods. So they break off their jewelry, melt down the gold. Aaron helps them fashion a golden calf and then he says here's your gods that brought you out of the land of Egypt. MM says it makes you wonder about the collective IQ of the nation, doesn't it?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 32	GH: GPPI verse	MM says there's a lot to see here but our focus is on the LORD's conversation with Moses. Even at this early stage, they are already worthy of getting the 1st CoP. They are not even in the land yet. Still at Sinai. v1: Notice “Moses brought them out of Egypt” when over and over the point has been made that it was the LORD who brought them out of Egypt. Compare to Exodus 13:3, Exodus 16:6, Leviticus 19:36, Leviticus 22:32-33, Numbers 15:41 saying it was the LORD who did. MM says even though Moses was the guy that led them out of the land of Egypt, the Bible was clear. It was the LORD that led them out of the land of Egypt and they are saying we don't know what happened to this guy who brought us out of the land of Egypt. MM says it's true Moses was the leader but their focus was all about the guy GH: and not the LORD. If Moses dropped dead of a heart attack, the LORD is still there. And it was ultimately Jim that brought them out of the land. He could have used Mickey Mouse to lead them out. v7: HAVE CORRUPTED THEMSELVES: MM says this is the thing that's going on with them.
Exodus 32	GH: GPPI verse	v8: THESE BE THY GODS, O ISRAEL, WHICH HAVE BROUGHT THEE UP OUT OF THE LAND OF EGYPT: God is saying you are going to have to get down there and solve this thing. v9-10: God had the right to destroy the nation, right then and there, under the terms of the contract. God could have wiped them out and started over with Moses to create the GREAT NATION-Genesis 12:2. But God is saying this Moses so that it becomes clear that God has the right to act out of his mercy in spite of what the nation deserves under the law. v11-EOC: Moses correctly follows with some statements that address God’s plan and purpose with the nation and God acknowledges their correctness but there is another point being made here concerning God’s mercy. God could have, in strict compliance to the law contract, destroyed the people before they ever left Mt. Sinai and He would have been righteous in doing so. The fact that God does not indicates a measure of mercy and grace offered to the nation.
Exodus 32:4	GH: POE/STRANGE WOMAN	4 And he received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, These be thy gods, O Israel, which brought thee up out of the land of Egypt. EX Moses up on the mountain, getting 10 commandments and 613 laws. The golden calf - Aaron said this be thy god that brought you out of Egypt. - STRANGE WOMAN/POE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 32:7-10		7 And the Lord said unto Moses, Go, get thee down; for thy people, which thou broughtest out of the land of Egypt, have corrupted themselves: 8 They have turned aside quickly out of the way which I commanded them: they have made them a molten calf, and have worshipped it, and have sacrificed thereunto, and said, These be thy gods, O Israel, which have brought thee up out of the land of Egypt. 9 And the Lord said unto Moses, I have seen this people, and, behold, it is a stiffnecked people: 10 Now therefore let me alone, that my wrath may wax hot against them, and that I may consume them: and I will make of thee a great nation. Context: Moses is up on the mount getting the tables of stone. God is talking to Moses. v8: MM says this is remarkable to make a golden calf and say this is the god that brought you out of the land of Egypt. GH: Ties to TURNED QUICKLY-Deuteronomy 9:16; Judges 2:17 . v8: THEY HAVE TURNED ASIDE QUICKLY OUT OF THE WAY v8: MADE THEM A MOLTEN CALF v10: God is just going to go by what the law prescribed here. 3,000 died that day but could have been much worse. God could have just adhered to the law and wiped them all out but that didn't happen.
Exodus 32:11-14		11 And Moses besought the Lord his God, and said, Lord, why doth thy wrath wax hot against thy people, which thou hast brought forth out of the land of Egypt with great power, and with a mighty hand? 12 Wherefore should the Egyptians speak, and say, For mischief did he bring them out, to slay them in the mountains, and to consume them from the face of the earth? Turn from thy fierce wrath, and repent of this evil against thy people. 13 Remember Abraham, Isaac, and Israel, thy servants, to whom thou swarest by thine own self, and saidst unto them, I will multiply your seed as the stars of heaven, and all this land that I have spoken of will I give unto your seed, and they shall inherit it for ever. 14 And the Lord repented of the evil which he thought to do unto his people. God is angry about what this people have done and He is talking to Moses about what's going to happen now. After Moses talks to the Lord and pleads for Him not to destroy the people. Remember, the penalty for worshipping other gods was death. God says get out of the way Moses, I AM going to wipe them out and I WILL start over with you. Moses is begging for God not to do that. v11: Moses interceding for Israel. v14: AND THE LORD REPENTED OF THE EVIL: Was not wrong for God to think that but because it was that which was painful, hurtful, trouble - it's a judgment. So the Bible uses the word EVIL to describe it. God is not about to commit unrighteousness in judging Israel but He is calling it EVIL because the judgment would be troubling. OED: Evil: 4) Causing discomfort, pain, or trouble
Exodus 32:16	Non-MBI	16 And the tables were the work of God, and the writing was the writing of God, graven upon the tables. Sidney Collett : BOOK: All About the Bible: God writes.

Exodus 32:26	GH: Action, not talk / Wedge Principle	26 Then Moses stood in the gate of the camp, and said, Who is on the Lord's side? let him come unto me. And all the sons of Levi gathered themselves together unto him. Context: When Moses was up getting the commandments and they made the golden calf and they were dancing around it and they were told this is your god that brought you out of Egypt. WHO IS ON THE LORD'S SIDE?: First question Moses asks after he came down. Wanted them to pick. (GH: wedge principle). Look at the result in v28.
Exodus 33		Context: God is talking to Moses and as He is talking to Moses and telling him what He wants to do as far as leading the children of Israel out. v12: THOU HAST NOT LET ME KNOW WHOM THOU WILT SEND WITH ME: Moses is interested in one thing - who's going to go do this with me? And God says I AM going to send My presence to do this with you. Now we know Aaron went but Moses is really looking for a sidekick. God says I AM going to send My presence. Moses said you've given me this job to bring the people out. I want to know who is going to help me with this? v14: MY PRESENCE SHALL GO WITH THEE: Moses wants to know who is going to go with him and God say MY PRESENCE is going to go with you. That really is going to be enough. v19: I WILL MAKE ALL MY GOODNESS PASS BEFORE THEE, AND I WILL PROCLAIM THE NAME OF THE LORD BEFORE THEE: This is before Moses led those people out. As the Lord was passing by and proclaiming the Name of the Lord and there showing Moses His Glory, God says you want to know what makes up My Glory, and then proclaims His Name before Moses and there's a list of things in the list. v19: WILL BE GRACIOUS TO WHOM I WILL BE GRACIOUS, AND WILL SHEW MERCY TO WHOM I WILL SHEW MERCY: I AM reserving the right to be gracious, to show grace, and to be merciful, to show mercy to whomever. God gave us all the benefits of the New Covenant without putting us under that covenant. We are not the only ones that benefited from that. Israel did. They are going to go under the law, God knows that. They are going to go under that law and keep that law. If God deals with them strictly by the law He is going to be forced to wipe them out. They are going to commit sufficient violation that God's going to have to exterminate the whole nation. He gives Himself the right to be gracious and show mercy when He desires to so He doesn't have to be bound by this law, wipe Israel out because of what He knows.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 33	GH: GPPI verse	Here's what God is going to do here at this incident before they leave Sinai. He understands this people. I HAVE seen them before. They're a stiff necked people. He knows they have contracted for curses. He has already shown them that they cannot keep the law. So what He is going to do is He is going to make an extra covenant and this covenant is going to be this - I reserve the right to show mercy to these people whenever I want. It's a one-sided covenant. It's all up to God. Because He knows without this covenant, He will have to wipe them out. That's the point of the record of this incident. Otherwise, we wouldn't even need to know about it. The LORD reveals that He will have to act mercifully in connection to the terms of the law contract. v1-?: Conversation between God and Moses where God says I AM not going to wipe these people out, go ahead and take them into the land, but I AM not going, otherwise I would wipe them out. And Moses replies, if You are not going, there's no reason for me to take them and go. v1: DEPART, AND GO UP HENCE, THOUS AND THE PEOPLE...UNTO THE LAND: God tells Moses to take the people up to the land that was promised them. v3: FOR I WILL NOT GO UP IN THE MIDST OF THEE: But He is not going to go up with them.
Exodus 33	GH: GPPI verse	v12: Moses was confused because of this statement because He said all these things - you knowing me by my name and I found grace in your sight and noe you said you aren't going to go. He is getting Moses to think about this. God said what He did in order to get Moses thinking and so that God can present this issue of dealing mercifully with them in spite of the law contract. What God knows is that without reserving to Himself the right to deal mercifully, the nation will constantly be in danger of being wiped out by Him. v13: SHEW ME NOW THY WAY: Moses isn't asking for a road map to the Promised Land. He says "what are You doing? Shew my Thy way. I don't understand what is going on here. I want to know what it is that You are doing and what we are doing so I may know Thee, that I might find grace in Your sight. "What he is asking is, “Considering what these people are, how are you going to deal with them?” Moses wants to know how God is going to operate with these people who are always going to be on the verge of being eliminated. v17: God says to Moses that He will show Moses exactly what Moses is asking for; He will show Moses “His way.” So You weren't going, and then You know me by name, and I found grace in your sight. And now you're going to do the thing that I have spoken? Moses is a bit confused here. v18: SHEW MY THY GLORY: Moses is asking for the 'glory of the Father'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 33	GH: GPPI verse	v19: God is going to make the statement or which all of this leads up to. God is going to show Moses that which reserves the right to do, in spite of the law contract. It is inherent in God's nature to be merciful. MM tying to Exodus 34:6 and John 1:14. v19: ALL MY GOODNESS: Here's the thing that I WILL do. God says to Moses that He will cause "all my goodness" to pass before him. v19: I WILL PROCLAIM THE NAME OF THE LORD BEFORE THEE: Then God says He will proclaim His own Name to Moses, Jehovah, which is the compound Jehovah name concept. v19: WILL BE GRACIOUS TO WHME I WILL BE GRACIOUS, AND WILL SHEW MERCY ON WHOM I WILL SHEW MERCY: We get to that which God has been getting at all along. God is reserving the right to be gracious and merciful to a nation who deserves to be wiped out according the very contract they signed. God knows that if He doesn't allow for this, the nation can never survive. It means that it is only through God's Jehovah-ness and grace that the nation has any possibility of ever becoming all that God's plan and purpose calls for. And God will put that into effect all during the cycles of punishment. MM says this is a verse often used by Calvinists to say God chooses some people to be saved and some people to be lost and it's all up to the pleasure of His Will to decide who gets saved and who doesn't.
Exodus 33	GH: GPPI verse	But where are you are in Exodus in the Israel program here. This is salvation from the judgments that are going to wind up wiping out the nation. This is the whole issue here. MM suggests marking the bottom part of this verse in your Bible and say 'this is where God, even though they have contracted for the curses of the law, has reserved the right to show mercy at any time He sees fit. Any time He wants to show them mercy, He will be able to do it. And it will not be a violation of the law'. This will be in addition to the law and Israel doesn't have to do anything to deserve it. If they deserved it, they would be getting the blessings and wouldn't need an extra contract for mercy. MM says this mercy shows up in all 5 CoPs. Why He says it back here. Even though I KNOW you are going to mess up and I KNOW that you are not going to make it, if I GO among you I WILL end up wiping you out. So here's what I AM going to do to solve all of that. I AM going to show you mercy anytime I WANT. So when the 1st CoP comes along and they are worthy of that 1st CoP when they do these terrible things, God graciously shows mercy by raising up judges, who deliver them from their enemies, and for the rest of the life of the judge, they get a break. But when the judge dies, they go back to idolatry, worshipping false gods, doing all the things that they shouldn't have done, getting away from the Lord. Only it is worse than the time before. And then they cry out to God. If it was just the law contract, God would just pour it on them. But instead, He gives them another break. And then He gives them another break. 13 breaks in the Book of Judges. MM says that's mercy, He is pouring out that mercy. The law did not allow for mercy - HE THAT DESPISED MOSES' LAW DIED WITHOUT MERCY- Hebrews 10:28.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 33:18-19		18 And he said, I beseech thee, shew me thy glory. 19 And he said, I will make all my goodness pass before thee, and I will proclaim the name of the Lord before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy. God, in His great Wisdom, made a provision within the Law itself, that allowed Him to step outside of the Law and operate with mercy and grace. This is the provision God made which allowed Him to bring judges in and deliver the people. An example is provide Israel judges during the first course of punishment. Context: After the 3,000 were slain, they set up the tabernacle of the congregation and Moses goes in and when he is standing in the door, it says a pillar of cloud came down and the Lord spoke to Moses out of the pillar of the cloud. v18: I BESEECH THEE, SHOW ME THY GLORY: MM says you have to understand the type of GLORY or this seems very out of context. God's angry and He wants to destroy the people. Moses is begging for the people not to be destroyed because, not because You don't have the right to do it, but because if You destroy this people who You brought out of Egypt, it'll look like You failed to do with them what you wanted to do. Your reputation is at stake here. Then, God says, OK, I AM not going to destroy the people. In the midst of this discussion, Moses says SHOW ME THY GLORY. Not talking about the glory of the kingdom or show me your glory like Your Face, he is saying there is an aspect of God's charater that is glorious and Moses wants God to show him right now.
Exodus 33:18-19		18 And he said, I beseech thee, shew me thy glory. 19 And he said, I will make all my goodness pass before thee, and I will proclaim the name of the Lord before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy. v19: I WLL MAKE ALL MY GOODNESS PASS BEFORE THEE: It's the GLORY-v18 of God's GOODNESS. GOODNESS synonymous with mercy here. Don't kill them/wipe them out. Show me the GLORY of your GOODNESS. The GLORY of Your GOODNESS is your mercy. AND WILL BE GRACIOUS TO WHOM I WILL BE GRACIOUS, AND WILL SHEW MERCY ON WHOM I WILL SHEW MERCY: God is saying I AM going to give GRACE and MERCY in spite of the law. I AM reserving to Myself the right that no matter what someone does, if I decide, I can give them GRACE and MERCY and if He doesn't do that, He has to wipe out everybody in Israel out. Because that is the contract they made. WILL BE GRACIOUS TO WHOM I WILL BE GRACIOUS, AND WILL SHOW MERCY TO WHOM I WILL SHEW MERCY: God is saying I RESERVE the right to come along and bail you out. GRACIOUS: That's grace, root word is grace. He didn't limit this to Israel. This can be done to anybody. This is more than just making a provision for Israel during the CoP. This is for whomever He wants to show mercy. God is revealing something about His character, about this goodness, that allows Him to deal with people out of grace and mercy.
Exodus 33:18	GH: GLORY Definition	18 And he said, I beseech thee, shew me thy glory. **SHEW ME THY GLORY: God has glory which is not connected to any external manifestation of it. This is to say that God's glory exists apart from any manifestation of it.** GOODNESS...GRACIOUSNESS...MERCY: Things you don't see.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Exodus 34		In Exodus 34, Moses had gone up on the mount to get the tables of stone. When he went up to get those tables of stone in the presence of God, the glory was so great the Bible say his face shined. The character and attibutes of God constitute His Glory. He is all that wrapped up into 1 and the shining forth of all of those attributes constitutes the GLORY OF GOD. (Exodus 34): - Mercy - Grace - Longsuffering - Goodness - Truth - Forgiving - Justice The GLORY OF GOD is the intrinsic that God has in and of Himself because of His Character and His Attributes. We can't add to that glory or diminish that glory, it's His. He does came off the mount and the people saw that shining face it frightened them and they didn't want to look at him. It was weird.
Exodus 34		v5: THE LORD DESCENDED IN THE CLOUD, AND STOOD WITH HIM THERE, AND PROCLAIMED THE NAME OF THE LORD v6: PROCLAIMED v6: MERCIFUL...GRACIOUS, LONGSUFFERING, AND ABUNDANCE IN GOODNESS AND TRUTH: These are the character and attributes of God. v7: MERCY...FORGIVING: These are the character and attributes of God. v7: VISITING THE INIQUITY: This is a reference to God's justice, God's not going to just clear the guilty, He's going to VISIT THE INIQUITY upon them. Justice is a character or attribute of God. v29: MOSES WIST NOT THAT THE SKIN OF HIS FACE SHONE v30: THE SKIN OF HIS FACE SHONE v33: HE PUT A VAIL ON HIS FACE: It was spooky for them to look at, they were scared of that. v35: THE SKIN OF MOSES' FACE SHONE
Exodus 34		They have crossed the Red Sea and then they come to Mt. Sinai and Moses goes up to receive the 10 commandments from the Lord. Moses came down from Mt. Sinai, the skin of his face shined, and it made the people afraid to come near to him. They were freaked out about it. So, Moses put a vail over his face while he was speaking to the people and they wouldn't be so freaked out about it.

Exodus 34	GH: GPPI verse	MM says this issue of God's Name is connected to so much in your Bible. v5: PROCLAIMED IN THE NAME OF THE LORD: v6: AND PROCLAIMED, THE LORD, THE LORD GOD: v6: MERCIFUL AND GRACIOUS, LONGSUFFERING, AND ABUNDANT IN GOODNESS AND TRUTH: v6: ABUNDANT IN GOODNESS AND TRUTH: MM says this is a clue. MM tying to John's description of Jesus - FULL OF GRACE AND TRUTH-John 1:14. v6: MERCIFUL: The first word is mercy. It is the essence of God's character to show mercy. v6: GRACIOUS: God wanted to deal with them by His grace. v7: KEEPING MERCY FOR THOUSANDS, FORGIVING INIQUITY AND TRANSGRESSION AND SIN:
Exodus 34:9	GH: Inheritance verse	9 And he said, If now I have found grace in thy sight, O Lord, let my Lord, I pray thee, go among us; for it is a stiffnecked people; and pardon our iniquity and our sin, and take us for thine inheritance. TAKE US FOR THINK INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Exodus 34:10	GH: Spiritual Phenomena Verse / GH: RDW - walk by sight, not faith	10 And he said, Behold, I make a covenant: before all thy people I will do marvels, such as have not been done in all the earth, nor in any nation: and all the people among which thou art shall see the work of the Lord: for it is a terrible thing that I will do with thee. CONTEXT: Here's what's already happened - already have gone to Mt. Sinai, Moses has already gone up to get the tables of stone, already made the golden calf, Moses has already come down and broke the tables of stone, he has gone back up and gotten a replacement, and he comes back down off the mount. They have already gotten the law, but God gives Israel another covenant. ALL THE PEOPLE AMONG WHICH THOU ART: All the people around you. Way back in the beginning where God tells you WHAT He is doing and WHY He is doing it. I WILL DO MARVELS: I AM going to do things so that you can see Me work in your midst. God is teaching Israel, by virtue of the miracles, to 'walk by sight'. God covenants to do these marvels because I AM making an impact on the Gentile nations. I AM putting something up in the display window for them to see. He is using Israel as a conduit to shine a light to the whole world. MARVELS: Signs, wonders, all sorts of spiritual phenomena. TERRIBLE THING: An awesome or great thing. TERRIBLE: Not bad - will stand out in stark contrast to anything else the world has ever seen. Not bad stuff. Spectacular.

Exodus 34:10	GH: Spiritual Phenomena Verse / GH: RDW - walk by sight, not faith	10 And he said, Behold, I make a covenant: before all thy people I will do marvels, such as have not been done in all the earth, nor in any nation: and all the people among which thou art shall see the work of the Lord: for it is a terrible thing that I will do with thee. DO MARVELS...SEE THE WORK OF THE LORD: God made a covenant to do signs, wonders, and miracles. Among you, the nation of Israel, I AM going to DO MARVELS and you are going to SEE THE WORK OF THE LORD among you - that spiritual phenomena - signs, wonders, and miracles. The covenant was not with the world at large it was with the nation of Israel. Will only be enforced as long as that program is enforced. He made a covenant with Israel that they should see things which indicate that God is doing something with them. This is a covenant to do supernatural things, miraculous things. For Israel, signs and wonders were the natural thing for them to expect because God made a covenant with them to do that. The doing of the signs, wonders, and miracles is a sign in and of itself. It was a sign that there is something wrong between God and Israel. This was the normal way God was working with them. They knew if they didn't see these things, they had messed up somewhere. Even in Israel's program, you couldn't get focused on the miracle. You had to have some information or you were liable to be deceived by the satanic counterfeit. So even in Israel's program, they needed knowledge. Since there was a covenant to do this, it's a natural things for Israel to expect these things happening in their program. But God made no such covenant with the body of Christ, He didn't even imply that He was going to do these kinds of things.
Exodus 34:10	GH: Spiritual Phenomena Verse / GH: RDW - walk by sight, not faith	10 And he said, Behold, I make a covenant: before all thy people I will do marvels, such as have not been done in all the earth, nor in any nation: and all the people among which thou art shall see the work of the Lord: for it is a terrible thing that I will do with thee. You are called to WALK BY FAITH-2 Corinthians 5:7. When MM says there are no signs, oh, do people get mad. Israel was supposed to look for the signs. You are not supposed to look for the signs. If you see one, God is not the one that sent it because He told you to WALK BY FAITH. When you look for signs, you are putting yourself as a child back under a covenant that was given to Israel when they received the law. When they didn't see their signs, they didn't know what to do, they were in total darkness. You are supposed to be educated to have your Father's Wisdom to know exactly what to do. MM says see how opposite this is. God made a covenant with Israel - here are your signs. Paul writes THE JEWS REQUIRES A SIGN-1 Corinthians 1:22. If they don't see their signs, they won't believe. There were always coming to Jesus - Master, we would see a sign of Thee. The sign was for was to prove what was being said was true. God actually made a covenant with Israel to perform miracles to show the rest of the world who the One True God was, because they were worshipping all kinds of gods. To show there is no god like their God. To impact the nations of the world. For Israel, it was a sign of the confirmation of the doctrine. God today is not trying to impact the nations of the world. God today is trying to impact the angels. So He is putting a Power on display today that is greater than his miracle working Power.
Exodus 34:14		14 For thou shalt worship no other god: for the Lord, whose name is Jealous, is a jealous God: WHOSE NAME IS JEALOUS: Glory belongs to God alone, which is why God can be “jealous” and not share His glory with another and it is not a sin because it is not a sin for God to be jealous of the glory that rightfully belongs to Him and only Him. This word “jealous” is used this way in connection with the worship of false gods.

Exodus 39:26		26 A bell and a pomegranate, a bell and a pomegranate, round about the hem of the robe to minister in; as the Lord commanded Moses. So if the bells stopped ringing they would pull him out by the rope. GH: Fear motivation verse
Leviticus		Before they go into the promised land, God gives them a preview of their history because here's what God knows - once they said we are going to go under the law and going to justify ourselves because a holy and rigtheous God, it would be impossible. But that's what they did. So God says to Moses, I AM going to give you a preview of Israel's whole history because they are going to fail. Before Moses dies and they go into the land, that is what He does.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 1	Non-MBI - Burnt Offerings	Randall Smith: Ch 1:1-17 - one offering or law - phrase 'burnt offering' - (Hb Oleh [to go up] offering) - is in v3, v4, v6, v9, v10, v13, v14, & v17 - what's the subject of the chapter about? Entire process is a dedication for God (not about sin) - a burnt offering is a dedicatory offering. Bring an animal, kill it, slice it up, incinerate it on a grill, it becomes nothing but ash and smoke and God goes "<inhales> Oh, I like it." Everything belongs to God and I take nothing. Nobody eats it. God smells it. That's it. Anything like that? Have to dedicate yourself to Him, lay yourself to Him, and your life belongs to Him. So He can inhale and enjoy your life? YES - Romans 12:1-2. God has the right to tell you to lay everything down because He gave you everything you have. You're one heart beat from not being here and the heart beat was sponsored by the God who made you. v1-4: Law of Sin & Death: When someone sins, something dies. v1-4: Substitutional Atonement: Can transfer this to the animal if you don't want this to be you. v2: When you = presumed you will need to - your heart is broke - when, not if, because you will need to v2: there's a personal responsibility to bring YOUR animal - priest doesn't come to you and say, its time to give an offering, you go the the priest and say, its time to give an offering. It is your responsibility to manage your heart. Has to be from YOUR herd, you don't get to sacrifice from someone elses herd v3: offer at the doorway = make it public & everyone can see. If you are making a dedication of yourself to the Lord, you must do it publically. Romans 12 - submit yourself a living sacrifice as a place of inspection. v4: He'll lay his hand on the head of the burnt offering. More than a transfer of hand sweat. Is a symbolic transfer of sins. v5: Slay a young bull v6: Cut it into pieces - The man is involved in cutting up the animal because it is his dedication. It's his sin that got the animal to that point so he is going to participate and get blood on his hands in the process.
Leviticus 1	Non-MBI - Burnt Offerings	v7: Aaron's sons shall arrange wood on the altar - The priests know how it should be grilled v9: Tells you what gets grilled - the answer is all of it. All the animal goes to God. It can be a young bull (v5), sheep/goats (v10), birds - turtle doves/young pigeons (v14). v17: Last phrase - 'it is a soothing aroma to the Lord' - it's not the smell of the animal, it's the smell of the heart that gave the animal. Lots of animals die for nothing because the guy standing next to him hasn't really dedicated his life. Was willing for the animal to die but not give up his heart. Nothing gets eaten from a burnt offering. God smells it, and you move the ash. There's smoke & ash and everything is dedicated to the Nostrils of God.

Leviticus 2	Non-MBI - Grain Offerings	Randall Smith: Ch 2:1-16: Notice 'grain offering' (Hb Minchah [a slice or a portion/aportionment - on a recipe, not pizza] offering) is in v1, v3, v4, v7, v8, v9, v10, v11, v13 (twice), v14 (twice), & v15; Is about dedication, not sin. Give God a portion of what I have right then. God is saying every point in your week/month/year, I want what you have now. You be ready to give ME what you have right now. Don't say 'I'll dedicate my heart to Jesus after high school'. You won't. Everytime you push it off, another layer of calluses form. The thing you won't give Jesus will become the thing your life becomes about. v4: Oven v5: Griddle v7: Pan **Principle of the Grain Offering: God wants what you have no matter when it is in the calendar**. If its the time of the year you have seed, give God seed. If its the time of the year you have the stalk, give God the stalk. If its the time of the year you have the head of grain, give God the head of grain. If its the time of the year you have harvested dried grain, give God harvested dried grain. If its the time of the year you have flour, give God flour. If its the time of the year you have cake, give God cake. Don't tell God you'll give your heart to Him later. He wants what you have now. God doesn't care if you are not a college graduate or if you are single, you give Him what you have now. It is always about now. Because you are not going to give it to Me later if you are not going to give it to Me now.
Leviticus 3	Non-MBI - Peace Offerings	Randall Smith: Ch 3:1-17 - notice 'peace offering' (Hb Shelmin [can see Shalom here - Shalom does not mean peace, means to balance the bill / when everthing is exactly as it should be like when Randy is in the recliner with remote and tea and there's no dog barking, kids in bed, he's in the recliner with the remote and his coffee, etc.) in v1, v3, v6, v9. About dedication to God, not sin. Only Christians think the altar & the tabernacle are about sin. About 80% was celebration & about 20% sin. Giving back part of what I got because I got something extraordinary. God gave me a son/daughter/new field/some increase that I wasn't expecting, you bring a shelem. Thank you God for giving me something I never expected to get. EX Say God gave me a child I will offer God a Shelmin. I will take a portion of my wealth and give it to Him because all of it belongs to Him. Every week we pass a plate to say God here is a portion of what you have given me, it is all yours and you give me a chance to keep a lot of it and that is really nice of You. Express the beauty of the Lord in what He has given me so I give Him part of it. Need the exercise of taking some of what God has given me and giving it back to Him. ". If it is not a party He can't go to, it is not a party you should be at.

Leviticus 4	Non-MBI - Sin Offerings	Randall Smith: Ch 4 and into Ch 5 - 2 offerings that seem together. Look related but they are not. 1. Ch 4:1-5:13 is a Chata ah (Hata ah) offering - means missing the mark of what God called me to do or I'm guilty - called a sin offering in English - for both intentional (malice - when you wanted/meant to do it) and unintentional (guilt: when you didn't know you did it till after you did/I did it wrong) sin. Two different cases (still quilty whether you meant to do it or not) (1) v2: If a person sins unintentionally (2) v23?:If a priest intentionally (knew he was doing something wrong) offends or sins, that sin will be over the people so you have to kill a bull (very valuable - more cows(F) than bulls(M) - they can make more) v22 (not the only 2 cases): When a leader unintentionally sins and does anyone of the things that the Lord has commanded not to be done and it is made. If known to him, he shall bring forth an offering of a goat, a male without defect. So a bull is only if he did what he knew was wrong and a goat is if he did something wrong but didn't know it. v7-v21 - see it also applies to regular people EX Accidently got pregnant. No, it was a bad choice. Do you know how many things would have to go wrong to be an accident?
Leviticus 4:25-26		25 And the priest shall take of the blood of the sin offering with his finger, and put it upon the horns of the altar of burnt offering, and shall pour out his blood at the bottom of the altar of burnt offering. 26 And he shall burn all his fat upon the altar, as the fat of the sacrifice of peace offerings: and the priest shall make an atonement for him as concerning his sin, and it shall be forgiven him. In the OT, if a person sinned before God, the law requirement/required them to offer a blood sacrifice in order to have their sin forgiven. When someone sinned in Israel's time past program, the Law of Moses said that if they would make a blood sacrifice then God would count the blood of that sacrifice as an atonement and forgive them. God required this as an act of obedience but the only thing that would actually take away sins is the blood of Christ. THE BLOOD OF THE SIN OFFERING IT SHALL BE FORGIVEN HIM
Leviticus 5		In Leviticus we have a description of the trespass offering and the sin offering and they are different. God considers the trespass offering to be a sin offering. - Different in that which is to be sacrificed - Different in conditions - Different in the priestly protocols

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 5	Non-MBI - Trespass Offerings	Randall Smith: 2. Ch 5:14-6:7 - Guilt/Trespass Offerings - gets Christians stunned - Awshaum or trespass offering. Difference between a sin and trespass offering: - sin is you either intentionally or unintentionally violated a law and are guilty - trespass is a specific subset of sin whereby you take something that is holy and use it for an unholy use. Analogy: Tools are holy and have a specific purpose EX Taking the pot the neighbors peed in and served them soup out of it or grilling your BBQ in the Temple grill Awshaum is taking something that has a specific holy use and use it outside the bounds of its own holiness or another purpose. Test case for an awshaum was sex. The sex laws in Ch 16-19 are almost all awshaum offerings. It's always a secondary offering. You pay the trespass offering AND the sin offering. Double offering. Owe God a male stud animal (costs more). You give up a piece of your future. It reduces the future stock of what I am worth.
Leviticus 5:5		5 And it shall be, when he shall be guilty in one of these things, that he shall confess that he hath sinned in that thing: AND IF A SOUL SIN...-v1. WHEN HE SHALL BE GUILT IN ONE OF THESE THINGS, THAT HE SHAL CONFESS THAT HE HAT SINNED IN THAT THING: This issue of confessing sins in order for God to hear their prayer is the way prayer works in God's program with Israel under the Law. And the other prayers were about God doing the things He said He would do. MM showing the mechanics of prayer work the same way in both programs, they are inter-dispensational. Anytime Israel was going to make a prayer, the first thing they do is to confess those sins, because if they don, they won't get heard. And if they're not heard, they won't get what they're praying for. We do not find these kinds of prayers in Paul's epistles because we have already been forgiven. All those sins have been atoned for. There's no national mandate for us to pray for America's sin so that God will bless America.
Leviticus 5:6		6 And he shall bring his trespass offering unto the Lord for his sin which he hath sinned, a female from the flock, a lamb or a kid of the goats, for a sin offering; and the priest shall make an atonement for him concerning his sin. Instruction in the law about the TRESPASS. TRESPASS OFFERING...FOR HIS SIN...ATONEMENT FOR HIM CONCERNING HIS SIN: A trespass is a sin.
Leviticus 6	Non-MBI	Randall Smith : Leviticus 6: Regulations for Burnt, Grain and Sin Offerings Ch 6-7: More or less re-iterate these same offerings 6:8-6:13 - Burnt offering 6:14-6:23 - Grain offering 6:25-30 - Sin offering

Leviticus 7	Non-MBI	Randall Smith : Leviticus 7: Regulations for Guilt and Fellowship Offerings; the Priests' Share 7:1-7:7 - Trespass/Guilt offering 7:8 - Burnt offering 7:9-10 - Grain offering 7:11-7:34 - Peace offering 7:35-7:38 - Summary
Leviticus 7:1-7		The trespass-offerings, as they are described in Lev. 7:1-7, are clearly distinguished from the ordinary sin-offerings in these particulars/ways: (1) They were offered on account of offences which involved an injury to some person (it might be the Lord Himself) in respect to property. (See Lev. 5:16; 6:4-5.) - you took something that didn't belong to you (2) they were always accompanied by a pecuniary/monetary fine equal to the value of the injury done, with the addition of one-fifth/20%. (See Numbers 5:5-7) (3) the treatment of the blood was more simple for a trespass offering than a sin offering. (See Leviticus 4:5.) (4) the victim was a ram, instead of a female sheep or goat. (5) there was no such graduation of offerings to suit the rank or circumstances of the worshipper as is set forth in Lev. 4:3, Lev. 4:32, etc. If you were poor, your sin offering could be smaller but no such measure with the trespass offering. Same for everyone. The trespass-offering required full restitution for the original wrong. The amount of the injury, according to the priest's valuation of it, is paid in shekels of the sanctuary to the injured person. Even if you paid full restitution, there's still a sacrifice for sin because there's no righteousness in the payback.
Leviticus 7:34		34 For the wave breast and the heave shoulder have I taken of the children of Israel from off the sacrifices of their peace offerings, and have given them unto Aaron the priest and unto his sons by a statute for ever from among the children of Israel. Wave offering: Suppose you had a barley crop and when the firstfruits of that barley crop came in you would take that and put together some dough and from that dough you would make two loaves. Those two loaves would be carried to the priest and the temple or the tabernacle, depend on the time and which one they had. The priest would then stand before the Lord and wave them back and forth. This was a picture of consecration before the Lord as they obediently did this. Called a wave offering because that is what they did. Heave offering: Was always a part of the wave offering. The whole offering was the wave offering but the heave offering came out of that. It was heaved or lift up to the Lord as a singular expression of being given to Him. The wave offering and the heave offering would always be done with what the firstfruit offering was. Even when a bullock was being sacrificed. You didn't wave the whole cow, you took the right breast of that and that was the wave offering.

Leviticus 8	Non-MBI	Randall Smith : Leviticus 8: Aaron and His Sons Consecrated Ordination offering (Hb Millu'im). Today, Millu'im is the time you serve in the army. In the Bible, it has nothing to do with the army. It's about serving in the priesthood. And it is not temporary, it is permanent type of offering. RS called the offering 'wierd'. Gather at front - unless you have a big screen TV, most people would only see the back of the head in front of them. Some people think this is just elders. Killed off a bull, then a ram. v23: Slaughtered a second ram and took some of the blood and put it on Aaron's right ear, then on the thumb of his right hand, and then on the big toe of his right foot. The culture in which they lived was an auditory culture (ours is a video culture - we would have to smear blood on the eyes). This is a dedication of the priests. Everybody talking around the camp but the priest can't hear. Hands of everybody can put their hands in the wrong places and do wrong things but your hands belong to Me. Feet: Where you go is where I send you. Your feet belong to Me. You have to know what they means. Priesthood of the believer means that your eyes, ears, mind, heart, hands, feet belong to Him. You can't be a priest if you own your hands. You can't be a priest if you own where your feet take you.
Leviticus 8:23	Non-MBI	23 And he slew it; and Moses took of the blood of it, and put it upon the tip of Aaron's right ear, and upon the thumb of his right hand, and upon the great toe of his right foot. (Hebrew: Milohim: Blood on right ear, blood on right thumb, blood on the right toe - consecration offering - says be careful little ears what you hear, all that my hands do, every place that my feet go - these belong to God - I am a priest, I am not my own, I belong to God, therefore I am to glorify God in my body which is His)
Leviticus 9	Non-MBI	v1: After the the week of the ordination, when the system starts running. v2: Get started v3: Take over the tabernacle AND the teaching for God v6-8: Hands them the mantle of Leadership and says I am done. I am still your leader but I am not going to teach people how to walk with God, that's your job now. v6: If you will take over the spirtual responsibilities of the people, God will show you Himself in a way that only I have been able to see Him. v7: First take care of your sin. Then, take care of the people's sin. Later on, the writer of Hebrews states Jesus didn't have to do this because He didn't have any sins. He went right to taking care of ours. v8: Aaron's (Priest's) sin offering first (for himself) v21: breast and right thigh Aaron presented as a wave offering (not one of the offerings, it is what you do with it; it's a description of something you are doing with an offering - you wave the offering around). Can wave a sin offering and it becomes a sin offering that is a wave offering - same with grain. It's an extreme celebration of God (like dumping Gatorade on a coach after the Super Bowl). v22: Only on this day did the lightning strike and burn the offering and they fell on their faces

Leviticus 11		Leviticus 11: Dietary commands and regulations that God gave Israel under the law. Things that were good to eat, not good to eat, and some rules to tell the difference. GH: v1-8: Land animals v9-12: Sea animals v13-19: Birds v20-23: Insects Under the law, if something was considered unclean, then it could not be eaten.
Leviticus 11:44-45	IP: Sanctification	44 For I am the Lord your God: ye shall therefore sanctify yourselves, and ye shall be holy; for I am holy: neither shall ye defile yourselves with any manner of creeping thing that creepeth upon the earth. 45 For I am the Lord that bringeth you up out of the land of Egypt, to be your God: ye shall therefore be holy, for I am holy. BE YE HOLY AS I AM HOLY: Because God wants that which is holy around Him. That's what gives Him pleasure. That's what He wants to surround Himself with. Why before you come in, you are going to sanctify yourself so you'll be compatible with His Holiness. If you come in and you are not, you die. If you quit hearing those bells ringing. Why they tied a rope around one foot. If that happened, you couldn't just go in and get the body. Just picked up the rope and dragged the body out. MM says the group is smiling but if you are the high priest, you are crossing every T and dotting every I to make sure you get this sanctification thing right. Holiness is not a new thing or strange thing with God - holiness is the quality of being set apart by the Lord for His use. It belongs to Him. It is His possession. No one said we are having a BBQ and low on plates, go into the Temple and get some pots. These were holy and not common anymore. Holiness to God is something that is in complete compliance and harmony with His Character/God Himself. If you keep every bit of this law. But guess what? You can't keep all that law. There's no way you can keep all of that law, and because you can't, I have to give it to you by My Jehovahness and grace. v44: SANCTIFY YOURSELVES, AND YE SHALL BE HOLY: Israel's choice to do it on their own vs. by His Jehovahness and grace. v45: God rubbing their nose in it. I did this. I told you so.
Leviticus 13:45-46		45 And the leper in whom the plague is, his clothes shall be rent, and his head bare, and he shall put a covering upon his upper lip, and shall cry, Unclean, unclean. 46 All the days wherein the plague shall be in him he shall be defiled; he is unclean: he shall dwell alone; without the camp shall his habitation be. If a person had leprosy, they were considered unclean and there were adminitions given in the law. Can't live with everyone else. Have to live outside the camp.

Leviticus 15:13		13 And when he that hath an issue is cleansed of his issue; then he shall number to himself seven days for his cleansing, and wash his clothes, and bathe his flesh in running water, and shall be clean. There were prescribed washings and baptisms. Israel is very familiar with baptisms. When JTB came along, knew exactly what that was about. It's the picture of washing the flesh of any uncleanness away from it. Every time the Lord teaches them this kind of thing, He is going to come along after that and say 'because I the Lord your God am holy'. Way He teaches holiness. Trying to show Israel that He is 100% pure and holy and He wants them to be a holy people. Anything that is incompatible with His holiness he doesn't want a around Him. That's because it is not fit for His use. We want to be utlized by God. That's what our sanctified life is all about.
Leviticus 15:21		21 And whosoever toucheth her bed shall wash his clothes, and bathe himself in water, and be unclean until the even. There were prescribed washings and baptisms. Israel is very familiar with baptisms. When JTB came along, knew exactly what that was about. It's the picture of washing the flesh of any uncleanness away from it. Every time the Lord teaches them this kind of thing, He is going to come along after that and say 'because I the Lord your God am holy'. Way He teaches holiness. Trying to show Israel that He is 100% pure and holy and He wants them to be a holy people. Anything that is incompatible with His holiness he doesn't want a around Him. Leviticus 16:8-10	GH: Scapegoat	8 And Aaron shall cast lots upon the two goats; one lot for the Lord, and the other lot for the scapegoat. 9 And Aaron shall bring the goat upon which the Lord's lot fell, and offer him for a sin offering. 10 But the goat, on which the lot fell to be the scapegoat, shall be presented alive before the Lord, to make an atonement with him, and to let him go for a scapegoat into the wilderness.
Leviticus 16:21-22	GH: IPF verse	There were two goats brought of the day of atonement. One of them was killed, the blood was sprinkled on the mercy seat. The other goat, he laid hands on this goat signaling the transference of people's sins onto the head of the goat, and the goat would bear their iniquities, and he would let it go into the wilderness.
Leviticus 16:21		21 And Aaron shall lay both his hands upon the head of the live goat, and confess over him all the iniquities of the children of Israel, and all their transgressions in all their sins, putting them upon the head of the goat, and shall send him away by the hand of a fit man into the wilderness: CONFESS OVER HIM ALL THE INIQUITIES OF THE CHILDREN OF ISRAEL: This issue of confessing sins in order for God to hear their prayer is the way prayer works in God’s program with Israel under the Law. And the other prayers were about God doing the things He said He would do. MM showing the mechanics of prayer work the same way in both programs, they are inter-dispensational. Anytime Israel was going to make a prayer, the first thing they do is to confess those sins, because if they don, they won't get heard. And if they're not heard, they won't get what they're praying for. We do not find these kinds of prayers in Paul's epistles because we have already been forgiven. All those sins have been atoned for. There's no national mandate for us to pray for America's sin so that God will bless America.

Leviticus 16:29-31	Day of Atonement	29 And this shall be a statute for ever unto you: that in the seventh month, on the tenth day of the month, ye shall afflict your souls, and do no work at all, whether it be one of your own country, or a stranger that sojourneth among you: 30 For on that day shall the priest make an atonement for you, to cleanse you, that ye may be clean from all your sins before the Lord. 31 It shall be a sabbath of rest unto you, and ye shall afflict your souls, by a statute for ever. Day of Atonement - type of Sabbath - Seventh month, on the tenth day of the month. They were making a sacrifice and getting their sins forgiven for a year. The penalty was being postponed for another year, which was more valuable than a bull or goat or lamb.
Leviticus 17:11		11 For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul. FOR THE LIFE OF THE FLESH IS IN THE BLOOD: The whole issue of life is in the blood and if you take someone's life and you take the life of my imager, you're going to pay with your life. God created all of these other animals but if you kill on of them, we're not going to take your life for it. GH: MM says it is because as an imager you are God's representative and if you do it to His representative you are doing it to Him. If you are doing it to them, you are doing it to Me.
Leviticus 17:15		15 And every soul that eateth that which died of itself, or that which was torn with beasts, whether it be one of your own country, or a stranger, he shall both wash his clothes, and bathe himself in water, and be unclean until the even: then shall he be clean. EVERY SOUL: Everyone had to do this if it happened to them. GH: MM showing SOUL=people.
Leviticus 18	GH: GPPI verse	What the nations did to make God drive them out of this land. Wasn't like they were a bunch of good, God-fearing people and God just took their land away from them and gave it to a bunch of Jews coming into the land. The LORD spends a whole chapter giving restrictions on actions of incest, adultery, sacrificing children to false gods, homosexuality, bestiality and the like. God then says that it was for these actions that made the inhabitants of Canaan worthy of God’s wrath against them, to remove them from the land and give it to Israel. While all the nations come under the condemnation of God, the whole process is summed up in the phrase, THE INIQUITY OF THE AMORITES-Genesis 15:16. As Satan’s main nation in the creation of the “hotbed for evil,” God would spew out the nations when the iniquity of the Amorites had reached its “fullness.” This was the reason, in fact, for God having the people wait in Egypt for four hundred years before bringing them out and moving them toward the land. When the “iniquity of the Amorites” had come to the full, it not only affected the other nations who followed in those abominations, but is also qualified them all to be removed from the land of Canaan and could rightly be given to the people of Israel. v24: THE NATIONS ARE DEFILED WHICH I CAST OUT BEFORE YOU: God is saying, these nations before you, they defiled the land. This is the reason they were going to get driven out. They lost the privilege of living in this land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 18	GH: GPPI verse	v25: THE LAND ITSELF VOMITETH OUT HER INHABITANTS: When the iniquity is great, THE LAND is going to get rid of you here. v28: MM says this is the warning - if you don't get this straight, the land is going to spew you out. That's the marker/goal for the 5th CoP coming on the southern kingdom. It has already happened to the northern kingdom. No one is left but Judah. Now He is saying to the southern kingdom, this is going to happen to you. What happened to these nations before you is going to happen to you. You are doing more wickedly than any of them and that's the plea that is going on here. v28: AS IT SPUED OUT THE NATIONS THAT WERE BEFORE YOU: v30: THESE ABOMINABLE CUSTOMS, WHICH WERE COMMITTED BEFORE YOU: v30: I AM THE LORD YOUR GOD: He is reminding them of His Jehovahness. v?: MM says he left off the a list of things being done by these nations in the chapter - worshipping false gods, committing abominations, committing adulteries, committing homosexual acts.
Leviticus 18	GH: GPPI verse	All listed in the chapter. Could probably say there's nothing you could think of today that these nations weren't doing. And now, Israel comes along. And instead of being that GREAT NATION-Genesis 12:2 they're intended to be, they're outdoing the evil nations before them. How far are they from where they should be? They're light years away. MM says he laments reading the scripture because Satan is winning to the point that God turns His Hand and says you are no longer My people. But skipping ahead to Ezekiel 1-11, God leaves. And when He goes, not only are there national adversaries able to come in untouched, the spiritual adversaries are able to come into the land. This is why when you get over into the Gospels in the days of the Messiah, you have unclean spirits from one end of the land to the other in this land. Why Jesus gives power to the 12 and the 70 to cast out devils. This thing has been completely polluted and defiled. MM says the adversary is having a hey day with this and he's loving it. And when the Lord leaves the hedge is down and everybody is in. Israel is carried away captive and they come back under the Medes & Persians, but they are still under the boot of Gentile powers. they're still in the times of the Gentiles. And the second thing, spiritually, there's nothing.
Leviticus 18:1-5	IP: Functional Life	1 And the Lord spake unto Moses, saying, 2 Speak unto the children of Israel, and say unto them, I am the Lord your God. 3 After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances. 4 Ye shall do my judgments, and keep mine ordinances, to walk therein: I am the Lord your God. 5 Ye shall therefore keep my statutes, and my judgments: which if a man do, he shall live in them: I am the Lord.
Leviticus 18:5		5 Ye shall therefore keep my statutes, and my judgments: which if a man do, he shall live in them: I am the Lord. LIVE: MM thinks this is eternal life kind of living.

Leviticus 19:18		18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am the Lord. THOU SHALT NOT AVENGE: MM asks does this sound like Paul in AVENGE NOT YOURSELVES-Romans 12:19. LOVE THY NEIGHBOR AS THYSELF: I AM THE LORD: Paul quotes LOVE THY NEIGHBOR AS THYSELF-Romans 13:9.

Leviticus 20:7-8		7 Sanctify yourselves therefore, and be ye holy: for I am the Lord your God. 8 And ye shall keep my statutes, and do them: I am the Lord which sanctify you. They were saying when they entered that law: - they would produce their own justification - they would produce their own sanctification. - they would produce the kingdom. - they would produce their own blessings. The law was a contract to do that and they understood that. Read this and understand clearly God is saying you are going to obey my statutes and that's how you're going to be holy/sanctified. Since the law was spiritual it desires to bring about that kind of change and to produce that. Only way to do that is for you to supply the energy. Otherwise, the law was just words on the page. v7: Have to do it on their own.
Leviticus 22:32-33	GH: GPPI verse	32 Neither shall ye profane my holy name; but I will be hallowed among the children of Israel: I am the Lord which hallow you, 33 That brought you out of the land of Egypt, to be your God: I am the Lord. v32: I AM THE LORD WHICH HALLOW YOU: v33: THAT BROUGHT YOU OUT OF THE LAND OF EGYPT: GH: MM showing it was the LORD that brought them out of Egypt, when it says MOSES, THE MAN THAT BROUGHT US UP OUT OF THE LAND OF EGYPT-Exodus 32:1.

Leviticus 23:1-2		1 And the Lord spake unto Moses, saying, 2 Speak unto the children of Israel, and say unto them, Concerning the feasts of the Lord, which ye shall proclaim to be holy convocations, even these are my feasts. Context: When God gave them the law, He also gave them different things to observe and some of those were days and He called those feast days. God said I want you to observe these days because they're a picture of something else that's very important so you are going to observe these days every single year. And you are going to get used to them because they are supposed to remind you of something that I AM doing. v2: HOLY CONVOCATIONS: GH: feast days
Leviticus 23:10		10 Speak unto the children of Israel, and say unto them, When ye be come into the land which I give unto you, and shall reap the harvest thereof, then ye shall bring a sheaf of the firstfruits of your harvest unto the priest: WHEN YOU BE COME INTO THE LAND WHICH I GIVE UNTO YOU: The law was only to be practiced within the land of Israel. God never ever told Israel to practice that law outside your land. They didn't practice the feast days before they went into the land. When some preacher has his church observing feast days: 1. They're Gentiles not Israel 2. It's the DOGG not Israel's program 3. They are not in the land of Israel He couldn't get it more wrong. THE FIRSTFRUITS OF YOUR HARVEST
Leviticus 23:11		11 And he shall wave the sheaf before the Lord, to be accepted for you: on the morrow after the sabbath the priest shall wave it. WAVE THE SHEAF: See where the priest is waving that offering (wave offering) that comes before the Lord.
Leviticus 23:17		17 Ye shall bring out of your habitations two wave loaves of two tenth deals; they shall be of fine flour; they shall be baken with leaven; they are the firstfruits unto the Lord. They would take those TWO LOAVES, they would bring it to the priest, he would go in and save that before the Lord and that would be the holy FIRSTFRUITS. TWO WAVE LOAVES THEY ARE THE FIRSTFRUITS UNTO THE LORD
Leviticus 23:23-25	Feast of Trumpets	23 And the Lord spake unto Moses, saying, 24 Speak unto the children of Israel, saying, In the seventh month, in the first day of the month, shall ye have a sabbath, a memorial of blowing of trumpets, an holy convocation. 25 Ye shall do no servile work therein: but ye shall offer an offering made by fire unto the Lord. Leviticus 23:33-35	Feast of Tabernacles	33 And the Lord spake unto Moses, saying, 34 Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto the Lord. 35 On the first day shall be an holy convocation: ye shall do no servile work therein. Feast of Tabernacles - type of Sabbath - Seventh month, on the fifteenth day of the month
Leviticus 23:39		39 Also in the fifteenth day of the seventh month, when ye have gathered in the fruit of the land, ye shall keep a feast unto the Lord seven days: on the first day shall be a sabbath, and on the eighth day shall be a sabbath. Two more Sabbaths after the Fall feasts Replicate the second Sabbath after the week long celebration. Connection to a certain feast - Tabernacles (when He is here in the Kingdom).
Leviticus 24:20		20 Breach for breach, eye for eye, tooth for tooth: as he hath caused a blemish in a man, so shall it be done to him again. EYE FOR EYE: Was part of the justice system. Judges got involved and it was Israel's law.
Leviticus 24:22		22 Ye shall have one manner of law, as well for the stranger, as for one of your own country: for I am the Lord your God. STRANGER: GH: Gentile proselytes
Leviticus 25:1-2		1 And the Lord spake unto Moses in mount Sinai, saying, 2 Speak unto the children of Israel, and say unto them, When ye come into the land which I give you, then shall the land keep a sabbath unto the Lord. The land has a Sabbath. Every 7 of years. Every 7 years, you are supposed to let the land rest. Every 7-7s of years was a Jubilee.
Leviticus 25:5-7	GH: Land Sabbath	5 That which groweth of its own accord of thy harvest thou shalt not reap, neither gather the grapes of thy vine undressed: for it is a year of rest unto the land. 6 And the sabbath of the land shall be meat for you; for thee, and for thy servant, and for thy maid, and for thy hired servant, and for thy stranger that sojourneth with thee. 7 And for thy cattle, and for the beast that are in thy land, shall all the increase thereof be meat. If grapes happen to come up, leave them alone. The Lord said here's how long you are going to be captive in Babylon - until the land gets back her Sabbath. 70 years in captivity meant they had disobeyed that commandment for 490 years. When they said, well, we really need the crops, we can get ahead if we do this, God says you are missing the point of what this is about.
Leviticus 25:17		17 Ye shall not therefore oppress one another; but thou shalt fear thy God:for I am the Lord your God. FEAR THY GOD: How Israel was told to think while they were under the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26		Courses of punishment were designed to get Israel to repent and come back and return. God gives Israel's whole history in a chapter. God takes their history and divides it into 5 parts. MM calls them cycles of judgment because God says if you obey Me, you get this but if you disobey Me, you get that. Between each, He gives them time to repent and if they don't, He brings the next cycle of judgment on them, in addition to the first. Rinse. Repeat. Over time, they added things to the law that encrusted the law that ended up nullifying the law. Jesus said 'Making the word of God of none effect through your tradition'-Mark 7:13. All of Israel's history is given in a nutshell. Divided into 5 cycles of judgment. Called cycles because God had already known and shown Moses that Israel would fail to keep the law (IF/THEN proposition). Keep law, get blessings (first of the chapter). Break law, get curses. Curses come in 5 cycles/waves/parts/installments. MM likes cycles. When the first cycle of judgment comes upon them, when it is through, it doesn't go away, the second cycle is added to it. Markers that mark the cycles off - He will give them space to repent and if they do not, He will PUNISH YOU 7 TIMES MORE FOR YOUR SINS (v18). Do good -> get blessings. Do bad -> get curses. This is meant to tell them when things are not going well, they are not doing what God wanted them to do. Those things were supposed to produce confession (of their sins) and repentence (turn to Him).
Leviticus 26		Conditional blessings and curses to the nation of Israel in their law - Performance system. Israel under the law. Do good -> get blessings. Do bad -> get curses. The covenant/contract that Israel entered into with God. Courses of punishment were designed to get Israel to repent and come back and return to God. What is recorded in this chapter is Israel’s history divided into five sections which we will refer to as Israel’s courses of punishment. God outlines Israel's entire history. There are a series of warnings about judgments that will come upon them if they do not obey. When one is over and the next is about to start, the first one is not done away with, the second one is stacked on top of it. - becomes progressive in nature. One of the most overlooked doctrines in your Bible but they are important to understand. Coming to you in sections. God gave Israel exactly what would happen ahead of time and then the Bible is the record of those things coming to pass. MM says notice all the I WILL terminology throughout this chapter. MM says because people are familiar with the I WILL concept in Leviticus 26 today, they automatically assume that when something bad happens to them, God is punishing them. They also assume that if something good happens, God must have done that. God must have supernaturally orchestrated that so He must be happy with me. In a sense, if they kept God’s law, God protected them from the sufferings of this present time. If they did not, they got those sufferings to an enhanced degree/form. For if our shoes wear out, It is the SoPT. It is the nature of things for us today. But for Israel, in their wilderness wanderings, God made a provision that their shoes did not wear out as they were on their long wilderness journey. All the blessings are material. None of this is in play in the DOGG. We have spirtual blessings and the SOPT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	IP : Prayer	God told Israel He would make it rain if they kept the Law. It was conditional. But we are not under the law, we are under grace. Grace is unconditional. If God was going to make it rain for us, not only would He have told us what He is doing, but every saved farmer would get all the rain he needed and never too much rain. But that isn't what is happening, is it? God never told us to pray for rain. BTW, Israel didn't pray for rain. They didn't get everybody together and pray for rain. In their program, you had to confess your sins and get right, then you didn't have to pray for rain. God would restore the rain. In the DOGG, God's not doing physical things. So we don't pray for rain.
Leviticus 26	GH: GPPI verse	Has everything in your Bible, in a nutshell, except Romans - Philemon, because these were a mystery that were hidden from the foundation of the world. The whole rest of the Bible is contained in this one chapter, with the exception of the DOGG. MM calls this the most important key to understanding the O.T. The consequences of choosing to be dealt with by the law. Israel's whole history is told in this one chapter. How can God tell you Israel's history when they had a choice to get blessing or cursing? He gives their whole history in curses because God knows it is not in them. Ultimately, God will bring them to a place where they do go into the kingdom and become the head of all nations. They will be that GREAT NATION-Genesis 12:2. They just have to understand that the only way they'll get it is for Him to provide it for them and give it to them as a gift by His grace. That's the only way we are going to get it too. MM says thank God we don't have the option of the law. God just says, here's the deal. It's by My grace. Either you're in or not. If you get Jesus, you're in. Your proper understanding of the rest of the Old Testament, the gospels along with first chapters of Acts, and Hebrews through Revelation is all predicated on knowing about these cycles of judgment in Leviticus 26. If you are not familiar with Leviticus 26, your appreciation for all these books in your Bible will be incomplete because God has designed this passage as the cornerstone upon which all the rest is built. Chapter is Israel's history in a nutshell.
Leviticus 26	GH: GPPI verse	There is a return to this over and over again in the Bible. In Leviticus 26 we have five cycles of punishment given in sequential order. Each of the cycles intensifies the judgments/curses, but there is also the idea that each cycle's judgments are put in addition to those of the previous judgment. Each cycle itself is worse. The curses are given in cycles, each on following the other, progressing in severity. The blessings are not given in cycles. If they keep the law contract, they get all the blessings. They are not given out partially or in "waves" that get better and better. They get them all to their utmost. The cycles are given in the order they occur. Leviticus 26 gives you an understanding of every event in every one of the following Books and why it is there: * Joshua - Malachi; 400 years of silence; Matthew - Acts 8; Hebrews - Revelation (Notice this leaves out Romans - Philemon) There's not one unconnected story in your Bible. You are supposed to hook these in with what you are told in Leviticus 26. You should see them coming. There's another passage in Deuteronomy 27-28 that does the same thing Leviticus 26 does, it just gives a little more detail. This sews your Bible up into one main trunkline and every story in your Bible is a limb attached to that trunkline.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	This whole Bible fits together because it is the means by which God will ultimately bring about a believing remnant whom He will set up a kingdom with and reconcile the world to Himself. That was the original plan from the beginning, to come and to set up His residence and rule in the midst of His creation. Now He is going to use this nation of His own creation to do this and in spite of their rebelliousness and in spite of contracting for curses, He is going to bring that to pass. This is what the Book is about. You get Leviticus 26 down, and you will begin to see things all through the Bible. The genius of God in laying out the Bible this way is that we not only observe the action, but we can know exactly why these things are happening to Israel. It is as though we are made to see "behind the scenes." Plus, these stories are markers that allow us to know when Israel has entered the next cycle of judgment. This is what makes a "Biblical Theology" superior to a "Systematic Theology." We allow the Bible to build the doctrine in the order God intended for us to learn it. That is much better than jumping around the Bible from one end to other, assembling things we think go together (systematic theology). Given in the order they will happen in Israel's history. We have a sequence that's being followed through the chapter. The cycles get worse and worse. Before they even go into the land, God tells Moses exactly how it's going to be.
Leviticus 26	GH: GPPI verse	At every cycle of punishment, God had compassion and worked to keep them from earning the next cycle of punishment. God was constantly attempting to bring them back to Him and to repentance so they would not incur the next cycle of judgment. But it was to no avail, for they completely disregarded these attempts. MM says although the contracted (GH: through the law) for them and are worthy of them, God always extended between each cycle a hand of mercy to His people because He HAD COMPASSION ON HIS PEOPLE, AND ON HIS DWELLING PLACE-2 Chronicles 36:15. There was always a time of mercy and compassion that God extended to them. He did not want to see the next cycle come into play. But when they did what they did, God had no choicer by to bring in the next cycle. The CoP were only the fulfilling of the contract that Israel agreed to back at Mt. Sinai. The one passage that the devil would love for you to not get in your brain because it is the whole rest of the Bible in a single chapter. It's the curses. It's what they contracted for. And it's what they are going to get. That's how God knows what's coming. Remember this judgments only come on the nation in response to their disobedience. The cycles occur in sequential order. Each cycle's judgment is added on top of all previous cycles. Therefore, the cycles get worse and worse for the nation as they persist in violating the law contract.
Leviticus 26	GH: GPPI verse	Notice the progression: The first cycle is brought in when they "do not hearken unto God." The second cycle comes when they "for all this do not hearken unto God." The third cycle comes when they "walk contrary unto God and will not hearken." * Walk is more than just being disobedient; it means to act as though Jehovah is not their God. * God walking contrary to Israel does not merely refer to the pouring out of judgments, but rather that God has begun to act as though Israel is not His people. That is the process that begins in the 4th CoP and gets going aggressively in the 5th CoP. The fourth cycle comes when they "will not be reformed and walk contrary unto God." The fifth cycle comes when they "for all this will not hearken and walk contrary unto God."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v1-13: The blessings that will be given to them if they perform according to all that the law says. MM says you don't run into these too many times in the O.T. books. The blessings that come on them if they do good. v3: THE LAND SHALL YIELD THEIR INCREASE: v3: THE TREES OF THE FIELD SHALL YIELD THEIR FRUIT: v5: See how God would remedy all of this stuff if they would just be obedient. This is the capacity the land has before they ever enter it. v5: YOUR THRESHING SHALL REACH UNTO THE VINTAGE: v5: THE VINTAGE SHALL REACH UNTO SOWING TIME: v5: YE SHALL EAT YOUR BREAD TO THE FULL:
Leviticus 26	GH: GPPI verse	v14-46: The "contracted curses" that will come upon them if they do not perform according to the law. Give the entirety of Israel's history in nutshell form. Everything, from the time they get into the land under Joshua until the establishment of the kingdom (recorded in the Bible from Joshua to Malachi, Matthew to the opening chapters of Acts, and Hebrews to Revelation), that happens to the nation is set forth in abbreviated form in Leviticus 26. The only part of the Bible that is not included is Romans through Philemon (DOGG). God already knows which one of the blessings and curses they are going to get. Curses - because He knows that they can't keep the law. 1st CoP - brought in when they 'do not hearken unto God': Came from being disobedient. Because they didn't follow the law. 2nd CoP - brought in when for ALL THIS they 'do not hearken unto God': Came because they would not be reformed. Now that I HAVE punished you, that needs to bring you back to Me or else you get another one. 3rd CoP - brought in when they walk contrary unto God and will not hearken: God is preparing to walk contrary unto them. In the days of Elisha, they begin to act like Jehovah is not/no longer their God. And God warns them that He will act like they are no longer His people and He does this in a particular way - Elijah retraces the Lord's steps coming into the land and Elisha and he go out of the land. 4th CoP - brought in when they will not be reformed and walk contrary unto God: He is going to walk contrary unto them. 5th CoP - brought in when FOR ALL THIS they will not hearken and walk contrary unto God: He is going to walk contrary unto them in fury. v14-17: **1st CoP/CoJ** - have diseases and their enemies are going to give them fits. Covered in Joshua - Judges - Ruth (450 years) - Judges - Ruth - 1 Samuel 15:35 - flesh out what these verses tell you about. MM says you can flip back and forth and see it. God gives them **judges** as deliverers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	There are two basic components to this first cycle of judgment: 1. ailments (individual/personal issues - **the diseases**) that are individual in nature (personal issues). Not everybody gets every disease, but these are very individual in nature. The physical ailments are separated out from the overcoming actions of their enemies by a semi-colon in the middle of v16. MM says when you import elements of the Israel program like this then when you are sick, you think oh, it means God is displeased and I need to repent and get right. But if you are in a DOGG, it is grace and no more of the law. They are mutually exclusive. It cannot be free and now you have to pay for it. 2. their enemies having a measure of dominion over them (national issues - **the border raids**). MM points to God's reference to saving them from the diseases in Egypt during the first trial (Exodus 15:26). The scope of the 1st CoP is from Judges 1:1 to I Samuel 15:35 (Judges - Ruth - 1 Samuel 1-15). Not that it ends when the second cycle begins, it is the only cycle in effect until I Samuel 15:35. When the second cycle come upon the nation, this first cycle will still be in effect along with the elements of the second cycle. The time element contained in the 1st CoP is about 450 years. v14: This is being spoken to Moses. Means they are still out of the land. Because Moses didn't go into the land. He died before they went into the land. God speaking to Moses. MM says this is sad. God is saying, Moses, now that you guys have entered into this law contract, I AM going to take you through the 5 cycles of judgment and you are going to be literally destroyed before it's over. And at the very end, I AM going to save a small remnant and from which will enter the kingdom and from them will become that GREAT NATION-Genesis 12:2. He gives it to Moses all in a chapter. MM says these don't look specific because they are a very shrunken form of what later gets fleshed out in your Bible.
Leviticus 26	GH: GPPI verse	v14: IF YE WILL NOT HEARKEN UNTO ME: Introduces the 1st CoP. GH: Progression 1 of 5. v16: This is the very least of the curses. EX sicknesses. v16: TERROR, CONSUMPTION, AND THE BURNING AGUE: The individual diseases. MM tying to CONSUMPTION... EXTREME BURNING...SWORD-Deuteronomy 28:22. v16: YE SHALL SOW YOUR SEED IN VAIN, FOR YOUR ENEMIES SHALL EAT IT: Doesn't mean that the enemies are coming out and digging up the seed and eating it. This is a land flowing with milk and honey. They are going to sow their seed, they're going to raise these crops, they're going to harvest these crops, they're going to take them and fill up a land flowing with milk and honey and abundance, fill up their storehouses, and then the enemy went in at harvest times because this isn't just one year. It's over an extended period of time. Every year at harvest time, the enemy runs it, robs their storehouse, and hightails back across to the border in these border raids. MM says when they come into the land, they do a pretty good job of driving out the enemies in the interior of the land but not so much on the border. Then, when the harvest comes and their storehouses are full, the enemies at the exterior do border raids. They come across the border and steal all the stuff out of the storehouses and take it back. They have sowed their seed in vain for their enemy it. You planted it, you nurtured it, you harvested it, and your enemy will eat it. If they had done what God said, they wouldn't be having this problem. This is part of the curse. This should have rang a bell with them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	They should have said, "Oh Lord, we are really sorry. We need your blessing. We're really sorry. Forgive us. We repent." This is what they should have done and turned from their wicked ways. Then He would hear their heart from heaven and heal their land. MM says this is talking about at the harvest time, when they're filling their storehouses up with this great abundance (remember a land filled with milk and honey, grapes carried on a staff, truly an abundant land), and that's the land God means for them to have. So when they go into the land, the first thing they're supposed to do is conquer the land, drive out the inhabitants, don't make any covenants or treaties with them, don't intermarry among then. This is what they were supposed to do. Generally, they kind of do this in the center of the land, to a better degrees than the edges of the land. Understand the city we call Jerusalem. They don't take control of it till David's time and that's in the heart of the land. So they go in under Joshua, and then they go through 450 years of Judges, and then you have Saul and you still don't have Jerusalem. They had an incomplete conquering of the land. This is part of what they were supposed to do. The tribes on the edges did the worse job of taking control of the land. They didn't exercise dominion and they just wanted to get along and we begin to see the 1st CoP come upon them. MM says there are markers that show where each cycle ends and each cycle begins.
Leviticus 26	GH: GPPI verse	The Bible has markers so you always know where you are along the way and understand what's going on and what to expect. MM says Dan is an easy one to pick on but the enemy would come into Dan, rob their storehouses with these border raids, and then run back across the border to the safety of their own land. MM says there are successful border raids carried out against them as a result of them being disobedient to the law. God said if you don't keep My covenant, this is what's going to happen to you. This is all a result of them being disobedient to the law. This is the bargain they made. The answer is to repent and start being obedient. But they go we can repent, but let's just get our neighbors to help us, we'll just get our army, and go get our stuff back. But when they do that and they journey out now, the Angel of the Lord does not go before them and YE SHALL BE SLAIN BEFORE YOUR ENEMIES. When they go out to try and get their harvest back, they're going to lose. So they high-tail back in the land and the enemy begins to think, well, we can get all of their stuff because there is nothing they can go about it. Remember, God didn't want to deal with them according to the law, but according to His Jehovah-ness and grace. The seven compound names.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v16: YOUR ENEMIES: The enemies of Israel are a part of OR are involved in every single cycle of judgment, it just gets worse with every cycle. See the increased ability of Israel's enemies to terrorize and dominate the nation with every passing cycle. In this first cycle, this is a milder form of affliction from their ENEMIES. Here is the 1st CoP, is the mildest from of their enemies in that they are not being driven out of the land with their capitol city being overthrown. Things will eventually get that bad, but not until the 5th CoP. v17: See some of the actions of their ENEMIES. They will sow their seed in vain because their enemies will eat it. This indicates the raiding parties that sweep into the land and rob the tribes' storehouses. Israel will have problems with protecting their borders. v17: SLAIN BEFORE THEIR ENEMIES: The enemy gets an army and comes across the border and the Angel of the Lord does not go before them and now the people are licking their wounds. Then they end up paying tribute to them so they won't come in and steal their stuff. The failed attempt to retaliate against the border raid. v17: THEY THAT HATE YOU SHALL REIGN OVER YOU: Not the same sort as the Babylonian Captivity, where there was absolute subjugation, but this is the sort where they pay tribute to those who are taking pieces of their lands and conducting raids on them.
Leviticus 26	GH: GPPI verse	v17: REIGN OVER YOU: Not in the sense of the Babylonian captivity or burning their capital city. It's we are going to pay tribute to you, you just leave us alone. Israel now pays them tribute to please just don't come in and steal our stuff. We'll make a deal with you. We'll pay you. That is the sense they are REIGNing over them. MM reminds this is a mild as it gets. God lets this 1st CoP go on because He is hoping this is going to drive them back to Me. But, instead of coming back to them, they go "We'll just make a treaty with our enemies. We'll pay them not to come in and steal all of our stuff". What's ironic is they pay them tribute and they still do border raids. If you are the enemy and you can defeat them, why not? Take their tribute money and at harvest, we'll go get their stuff again. When God finishes with the curses of cycle 1 and they still don't repent, He brings about cycle 2, He doesn't REPLACE cycle 1's judgments with cycle 2's, He ADDS the judgments of cycle 2. All the ones from cycle 1 stay in place and God adds cycle 2. GH: Rinse. Repeat. This is what the covenanted for, this is what they agreed to when they sign their name. Understand why God was begging with them, "Don't do this". They don't want Him to deal with them this way but now He does. God says I brought in the very mildest of curses and you didn't reform. So now I AM going to bring in the next cycle of curses upon you. And I AM going to add them to these. And these are much worse. In cycle 1, the land was abundant. In cycle 2, see the land becoming desolate.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v17: YE SHALL FLEE AND NONE PURSUETH YOU: Their enemies are not going to pursue them but put them under tribute. This is exactly what Israel did when they didn't drive them out of the land initially. They just put them under tribute. Didn't drive them out, just make them pay. And God says oh, that how you wanted to deal with them? Then I will let them deal with you that way. **NOTE**: When the 2nd CoP comes, it doesn't just burst on the scene, but God does something unexpected. He gives a pause before bringing in the next cycle of judgment. In this pause, under **the time of David and Solomon**, there is a time of great blessing. GH: **Interlude of Mercy**. Almost 100 years of righteous rule of David and Solomon. 1 Samuel 16 - 1 Kings 11. Solomon does all the things he's not supposed to do: don't multiply wives, don't multiply horses, don't send the people back to Egypt, don't multiply silver & gold to himeself, don't follow false gods (God has a conversation TWICE about this one and he still follows false gods). All this makes them worthy of the 2nd CoP. v18-20: **2nd CoP/CoJ**. [1 Kings 12:1 - 1 Kings 22:53] {Elijah is the 2nd cycle prophet who brings in the 'no rain' concept on the northern kingdom} There are two main issues with the second cycle of judgment that are layered on top of the 1st CoP:
Leviticus 26	GH: GPPI verse	1. "I will break the pride of your power-Leviticus 26:19" (**the divided kingdom**) and following the semicolon, - The breaking/dividing of the government/power or the dividing of the kingdom - the marker for the 2nd CoP. Will see Solomon's "pride issue" (where he got lifted up by Israel's prominence in the interlude of mercy) that pertains to their government. MM says Moses probably didn't understand this when God told him this. Solomon has a "pride of power" and that attitude spread to the people. So God says He will break that "pride of power." From this point onward, the two kingdoms are dealt with individually from each other with respect to the next courses of punishment coming upon them. MM says this is the marker. When you see I WILL SURELY REND THE KINGDOM FROM THEE-1 Kings 11:11, you know that you are in the 2nd CoP. The 'no rain' thing is coming but first is the division of the kingdom. 2. the stoppage of rain/**no rain** and the results of the drought upon their trees and crops (easiest to spot). Instead of being a land with plenty of rainfall (flowing with milk and honey), God is going to stop the rainfall and impact their crops - will have crop failure when the rain stops. The ground is not going to be productive and will be extremely difficult to work with. The changes in the weather causing the rains to cease on the land. After the kingdom splits and you have the 10 tribes of the northern kingdom with the capital at Samaria and the 2 tribes of the southern kingdom with the capital at Jerusalem, here's when the 'no rain' concept comes on the northern kingdom and the southerh kingdom at different times. Northern kingdom gets it first. Then the southern kingdom. God is dealing with them as two separate kingdoms. NOTE: These two issues come on the northern and southern kingdoms at different times.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	MM says remember in 1st CoP, they had so many crops they were filling up their storehouses their enemies were stealing it. God is saying that didn't do it for you, let Me do the next step - you won't have any crops to put in the storehouses. THE LAND SHALL NOT YIELD HER INCREASE-v20. They are going to eek out enough to eat but there's not going to be an increase, nothing to put in these storehouses. Anything left in those storehouses is getting raided. In the 2nd CoP, they are beginning to act like Jehovah is no longer their God - Bible describes this as 'walking contrary'. Because of this, God is preparing to walk contrary unto them. And a sign of this is Elijah, whose name means 'Jehovah is my God', being taken out of the land before being taken up. Elijah's presence in the land represented the presence of Jehovah. v18: IF YE WILL NOT YET FOR ALL THIS HEARKEN UNTO ME: Introduces the 2nd CoP. GH: Progression 2 of 5. v18: ALL THIS: The the judgments of the 1st CoP. v18: SEVEN TIMES MORE: The break that ushers in the next/2nd CoP/CoJ. The cycles intensify and there's the idea that each cycle's judgments are put in addition to those of the previous judgment. This is not just the idea of a different set of judgments, but that additional (more) judgments are being added to the first ones. With this idea, it is clear that each successive judgment is worse than the previous one, for it contains all the components of the previous, plus added judgments. That means that the things of cycle one come into play, they continue as long as the law contract is in effect. You have the elements of cycle one in cycle two, cycle three, and so on. God does not do away with the elements of any cycle, He adds to them as the cycles progress. Not give you a different judgment, more additional judgment.
Leviticus 26	GH: GPPI verse	v19-20: No rain. Things were so abundant in cycle 1 their storehouses were being invaded. Now, there are no crops. They stole last year's stuff out of your storehouse and now you don't have an increase to put in there. MM tying to HEAVEN...SHALL BE BRASS..EARTH...SHALL BE IRON-Deuteronomy 28:23. v19: I WILL BREAK THE PRIDE OF YOUR POWER: Refers to the breaking up of Israel's government. Has to do with the governmental set up of the nation that began back before the law was given at Mt. Sinai. Talking about the northern kingdom of Israel and the southern kingdom of Judah. Now the government is not locally centralized for the whole nation. It's the time of the divided kingdom. God is presenting information to you in the order that He means for you to understand it. and He gives you information and then He returns back for detail and He fills that in. See it in the Genesis creation story. He does that so you don't get overwhelmed with information and you don't have to jump to conclusions about stuff. MM pointing to a Biblical theology vs. a systematic theology. We don't get taught to study based on a Biblical theology because a Biblical theology takes more effort. People would rather jump to the end. God says you're going to miss it. MM says you can know a lot of the peripherals and miss the main story line because that is how we ought to study the Bible. So when you get to the divided kingdom, you know you are in the 2nd CoP. God’s judgment was that the kingdom would be broken. GH: Fulfilled in I WILL SURELY REND THE KINGDOM FROM THEE-1 Kings 11:11. v19: PRIDE: Think Solomon being puffed up due to Israel's supremacy during the interlude of mercy. Thinking it's about us and not what the Lord has done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	Point: If you know that from Leviticus 26, you already know a day is coming when their government is going to be broken up. If you are reading after Solomon's death, you would say I knew this was coming. If you understood what was going on with Solomon, you would be looking for it. MM says if you can divide, you can conquer easier. Think of the old adage, 'divide and conquer'. v19: HEAVEN AS IRON: The ground is hard as IRON because it has quit raining. When it quit raining, Israel should have known they have been disobedient and that they are in the 2nd CoP. v19: EARTH AS BRASS: Doesn't mean your dirt will be shiny. The earth is going to be hard due to lack of rainfall. v20: YOUR STRENGTH SHALL BE SPENT IN VAIN: They are going to spend time and energy in an attempt to get crops but God says all that will be in vain. They are going to work at it but it's not going to do them any good for your land. v20: YOUR LAND SHALL NOT YIELD HER INCREASE: There's going to be some crop production but nothing more to put away in storehouses. Even though they may work at it, the land will not yield "increase." They will get some crop production, but it is going to be minimal; no "increase." No days of abundance. v20: NEITHER SHALL THE TREES OF THE LAND YIELD THEIR FRUITS: When they came into the land, there was plenty of fruit on the trees (MM showing how this is different than YOUR LAND SHALL NOT YIELD HER INCREASE). And God says, you know what, when it quits raining, those trees are going to quit bearing fruit.
Leviticus 26	GH: GPPI verse	**NOTES:** - From the 3rd CoP to the 5th CoP, the judgments come on the northern kingdom first before the southern kingdom. It isn't until the 5th CoP is unleashed onto the northern kingdom that we have our attention turned to the southern kingdom. MM says it is easy to see the judgments on the northern kingdom but you can go back and also see them on the southern kingdom. - The nation acts as though God is not their God (walks contrary unto God) in the 3rd CoP. God prepares to "walk contrary" unto them in the 3rd CoP and gives them that demonstration by back Elijah out of the land. They do not reform themselves, so in the 4th CoP, God begins to act as though they are not His people. He is still present in the land, but the 5th CoP is looming in the distance if they do not hearken unto the LORD. When the 4th CoP's punishments do not return them to the LORD, God begins to walk contrary "in fury," treating them as though they are not His people, by driving them out of the land at the hands of their enemies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v21-22: **3rd CoP/CoJ**. The ministry or lifetime of Elisha, the prophet of the 3rd CoP. From 2 Kings 2:24-2 Kings 10:31. The third cycle of judgment has two components to it: 1. **Beasts will reduce the population (CUT SHORT-2 Kings 10:32)**: wild beasts will kill their children and their livestock (children and livestock impacted). Has wild beasts being loosed upon the population to such an extent that it is actually whittling down their number. MM cites the rarity of different types of animal attacks in America. Asks can you imagine animal attacks that were significant enough and frequent enough to decrease the population? More than just a few animal attacks. More than just the children but uses children to give you a marker for this. Marker for the 3rd CoP is the 2 she bears killing the 42 children in 2 Kings 2:23-25. 2. involves their travel throughout the land (their travel impacted). The emptiness of the highways which is due to the severity of the 'wild beasts' attacks. God is going to start diminishing the numbers and the population through the wild beasts, and it is going to be to such an extent that they will be afraid to travel the roads. MM says you would think twice about getting on your donkey and traveling 20 miles to the next city if a bunch of people on your street didn't make that trip successfully.
Leviticus 26	GH: GPPI verse	MM asks when that happens, how much is your ability to defend your own land? See where this is headed. It's getting worse and worse for Israel as these cycles continue to go along. Under the curse, the animals are going to get aggressive and are going to come after you. MM contrasting this with the pre-Fall condition of animals in Genesis 2:18-19. Was not that way in the beginning and won't be that way in the kingdom (Isaiah 11:6-9). When the 3rd CoP comes in, the kingdom is still divided. The elements of the 2nd CoP continue on. Even in the days when Jesus was on earth, during the 5th CoP, He recognized this division. You have Jesus referring to the "house of Israel" and "Samaria." The Samaritans are not the ones being dealt with by the Lord, as the Lord makes such distinctions. These distinctions have to do with the northern kingdom (Samaria) and the southern kingdom (house of Israel). v21: IF YE WALK CONTRARY UNTO ME: This introduces the 3rd CoP. GH: Progression 3 of 3. This is acting like Jehovah is no longer their God. It's not just being disobedient. God is preparing to walk contrary unto them. Hasn't done it yet, but has given them a sign. The 3rd CoP has God preparing to WALK CONTRARY until Israel if they would not be reformed by the judgments of the 3rd CoP. v21: SEVEN TIMES MORE: The break that ushers in the next/3rd CoP/CoJ. v22: SHALL ROB YOU OF YOUR CHILDREN: This is the marker, it's the first thing listed. v22: AND MAKE YOU FEW IN NUMBER: Now the LORD is going to turn the beasts of the land against them in such an extent that this judgment begins to reduce the population significantly. v22: YOUR HIGHWAYS SHALL BE DESOLATE: Because it will be dangerous to travel from place to place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v23-26: **4th CoP/CoJ. The time of 'evil kings.** From 2 Kings 10:32 - 2 Kings 16:20. The main component of the fourth cycle of punishment is the impact of Israel's enemies - **their enemies are reducing their land**. Taking over all of the areas except the major cities. At this time, their enemies will do more than just border raids on their storehouses on their borders and then run back to their own land. At the time of the 4th CoP, the enemies will begin to whittle down the nation both in population and in geographical area. Taking control of the major land areas of Israel. The people are going to be huddled in cities. They will be so prominent that the open lands are going to belong to their enemies. The people are going huddle into the larger cities for safety from the enemies that are carrying on full scale assaults throughout the land. But God is not going to let them "off the hook" with bunching up together for protection. When they are gathered in their cities, He will send pestilence among them, so that they are starved out and laden with diseases. The enemy that was only a side issue in the 1st CoP is now the main issue for Israel. They are making major inroads into controlling the land area. The cities that are still Israel's are laden with disease and poverty. The people have little to eat, they cannot travel from city to city like they used to. Their numbers are be depleted. Things are getting worse and worse. Israel's enemies will have control of vast amounts of the land. The villages, the country side, is going to be occupied and controlled by Israel's enemies. They're not just on the border anymore, now they're in the land. Their numbers are being depleted by their enemies, their numbers are being depleted by the wild beasts, they're not going to be able to travel, the land area is being overtaken by their enemies, they're going to be gathering in their cities, the pestilence is going to come upon them GH: up until they move to the 5th CoP. MM tying to I WILL BE THEIR GOD, AND THEY WILL BE MY PEOPLE-Jeremiah 31:33. Because it was not always this way. The New Covenant fixes all of that.
Leviticus 26	GH: GPPI verse	As the 4th CoP comes upon them and their enemies begin to reduce their land, the Moabites come in and begin to persecute them (2 Kings 13:20). But God begins to show mercy. v23-24: WALK CONTRARY UNTO ME; THEN WILL I ALSO WALK CONTRARY UNTO YOU: Introduces the 4th CoP. GH: Progression 4 of 5. God walking contrary unto them is acting like them, like they are not His people. Once the 4th CoP commences, God will now WALK CONTRARY unto Israel, which means He will begin to treat them as though they are not His people. Makes sense that this would effect them nationally and reduce their land area. v23: AND IF YOU WILL NOT BE REFORMED BY ME BY THESE THINGS: The judgments of the 1st, 2nd, and 3rd CoP. v23: THESE THINGS: These 3 cycles. All the things (GH: curses) that I HAVE brought upon you. v24: WILL I ALSO WALK CONTRARY UNTO YOU: God now tells them that if they will not be reformed by these things, then He will begin to WALK CONTRARY UNTO YOU. First time He says that. This is starting to get frightening. God is starting to actively oppose them. 'It's a fearful thing to fall into the hands of an angry God.'-Jonathan Edwards quote. Means God will begin to treat them as though they are not His people. Makes sense to use the 4th CoP to affect their nationality. God will allow Israel's enemies to take control of certain sections of the land. All but the larger cities will be controlled by the other nations and even those larger cities will be under siege.

Leviticus 26	GH: GPPI verse	v24: YET SEVEN TIMES: The break that ushers in the next/4th CoP/CoJ. The marker that divides it off. v25: I WILL BRING A SWORD UPON YOU: This is coming from their enemies. v25: AVENGE THE QUARREL OF MY COVENANT: Reason for the 4th CoP coming upon them. This is coming upon Israel because they have violated the covenant, hence, God calls these judgments the QUARREL OF MY COVENANT. Their enemies are going to do this. He is reminding them this is all coming upon them because they violated the agreement that you made at Mt. Sinai. I AM not doing anything to you that you didn't agree to from the beginning. v25: QUARREL: Argument. v25: GATHERED TOGETHER WITHIN YOUR CITIES: Enemy is reducing their land. v25: I WILL SEND THE PESTILENCE AMONG YOU v25: DELIVERED INTO THE HAND OF THE ENEMY v25: WHEN YE ARE GATHERED TOGETHER WITHIN YOUR CITIES: They are all in the cities because the enemy GH: has taken everything else. As a result of the influx of the enemy into the land. The only place they are really safe is when they can gather in the cities and fortify themselves, because the enemy is now coming in. v25: I WILL SEND PESTILENCE AMONG YOU: Happening when they are gathered in their cities. It's not going to be a good thing.
Leviticus 26	GH: GPPI verse	v25: YE SHALL BE DELIVERED INTO THE HAND OF YOUR ENEMY: Their enemy is going to besiege them in the land. They are hold up in their ciities and being starved out. v26: I HAVE BROKEN THE STAFF OF YOUR BREAD: They will be starving as they gather in their cities. v26: TEN WOMEN WILL BAKE YOUR BREAD IN ONE OVEN: Not about a lack of or a shortage of ovens, but rather that it takes ten women’s bread to be sufficient for only oven. Rations are low. This is about not having enough material to bake a loaf of bread. You need 10 families to have enough to use one oven. This is how scarce the food is getting now. There's only going to be enough bread among 10 families to bake it. v26: THEY SHALL DELIVER YOU YOUR BREAD AGAIN BY WEIGHT: The bread is going to be measured and given out, there is so little of it. They are going to divide it up and you will be given just your piece. You're not going to eat to the full. You're going to eat and not be satisfied because there's not going to be enough. v26: YE SHALL EAT, AND NOT BE SATISFIED: No longer will they “eat to the full”. v27-33(46): **5th CoP/CoJ - THE TIMES OF THE GENTILES - 2 Kings 17 through the rest of your Bible LESS Paul's epistles** (when various Gentile powers have dominion over them). Notice the 5th is huge compared to the others. The most critical to understand and the most lengthy. It is also divided into parts and you get info on those, although that is not apparent yet. MM says all 5 are important to understand but this one is the most important to understand. Allows you to understand this dispensation, know what's coming, and how to understand the difference. MM says the next logical step after the 4th CoP is their cities give way, they conquer them, and they are carried out of the land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	More than twice as long as all the other cycles put together. The reason is you find out in the Book of Daniel the 5th cycle will be broken into 4 parts (GH: 5?), with each part getting progressively worse. This is a description of all 4 (GH: 5?)parts. That's why it's bigger. There's a lot more to the 5th cycle. Is the most critical one to understand. This is the one where the Assyrians (who take away the northern kingdom of Israel) and Babylonians (who took away the southern kingdom of Judah during the 70-year captivity) came in and took total control of the land and carried the people away captive. The fifth cycle of punishment is the last (there is no 6th) and it is the one that is in effect all the way through God's program with Israel up to the start of the kingdom. It is the one in effect during the Gospel accounts and the opening chapters of the Book of Acts during the time of forbearance and mercy (GH: EoM). It is the one in effect in the future "day of the LORD'S wrath" as revealed in the general epistles of Hebrews through to Revelation. You know when Israel's program resumes, you will take it up in the 5th CoP. This fifth cycle is easily identified with the Assyrian/Babylonian captivities where the people are carried away out of the land. The northern kingdom of Israel is carried away by the Assyrians and the southern kingdom of Judah is later carried away by the Babylonians. This is the **first goal** of the fifth cycle of punishment; **the restoring of the land's Sabbaths**. Goal ties to the 5th CoP-1st installment. This is also the **marker** for the 5th CoP.
Leviticus 26	GH: GPPI verse	You could say that it is this second "carrying away" that officially begins the fifth cycle of judgment. The 5th CoP is a very long, drawn-out period of time. So long, in Daniel, it is broken into more parts and given more detail. Actually, all of the cycles of punishment are long periods of time. This passage shows us several aspects of the depression and "loss of hope" concept that pervades through this cycle of punishment. The 5th CoP carries you from 606 B.C. to the start of the kingdom MINUS the DOGG. One of the goals of the 5th CoP is to give the Sabbaths back to the land. The 5th CoP is broken up into 4 (GH: 5?) parts?: - Installment/Part 1: Babylonian Captivity - 2 Kings 17:18 - 2 Chronicles 36:21: 70 years (Marker/Goal: Give the land her Sabbaths; Judgment: taken captive out of their land) * they are captive out of the land until the land enjoys her Sabbaths. - Installment/Part 2: Medes & the Persians - 2 Chronicles 36:22 - Esther 10:3; 49 years (7 weeks) [Historical Account: 1 Chronicles 36:22-23; Historical Details: Ezra - Nehemiah - Esther]; Build the streets and walls in troublous times. The troublous times is a marker the the punishment aspect. Focus is on what God is doing in the land. God raised up 3 prophets: Prophets: Haggai, Zechariah and Malachi (the last O.T. prophets) * some of them will return to the land and rebuild the city of Jerusalem during "troublous times."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	NOTE: THREE SCORE AND TWO WEEKS-Daniel 9:26 includes Part 3 and Part 4. Grecia - includes two parts: 1. drought 2. Days of the Messiah * after they have returned to their land, they will experience a drought of "hearing the words of the LORD." That third part will see God "go away" until they do the thing Leviticus 26:40 called for. That third part will end at the "cutting off" of the Messiah. - Installment/Part 3: God's silence to the nation - 400 years * drought of hearing the words of the LORD - Installment/Part 4: Ministries of John the Baptist and the Messiah; Israel's Messiah appears, God prepares the nation not to hear from Him; this is the last part of THREE SCORE AND TWO WEEKS, which is part of Israel's program, NOT part of the DOGG, prophecized back to the Book of Daniel - 34 years; Historical record: Gospel accounts; end marker is MESSIAH BE CUT OFF-Daniel 9:26 - Installment/Part 5: Day of wrath - 7 years/ONE WEEK-Daniel 9:27 Know it will be a Gentile Power (can't make 1948 some Biblical prophecy) - 7 years/ONE WEEK-Daniel 9:27
Leviticus 26	GH: GPPI verse	v27-28: WALK CONTRARY UNTO ME; THEN I WILL WALK CONTRARY UNTO YOU ALSO IN FURY: Introduces the 5th CoP. GH: Progression 5 of 5. v27: AND IF YE WILL NOT FOR ALL THIS HEARKEN UNTO ME: The judgments of the first 4 cycles. v27: FOR ALL THIS: All the first 4 cycles. If after all of this you continue to act like I AM not your God, I AM going to act like you are not My people in fury. v27: IN FURY: When He pours it all out. No mercy whatsoever. v28: I WILL WALK CONTRARY UNTO YOU ALSO IN FURY: The 4th CoP showed God beginning to "walk contrary unto them," but in this 5th CoP, God will walk contrary to them "in fury." God adds this little preposition. That is ominous! After all of these judgments, this last one is going to be the worst of the lot. v28: SEVEN TIMES: The break that ushers in the next/5th CoP/CoJ. v29: Begins to introduce us to the 5th CoP. MM says look how far the cycles of punishment have taken them. The conditions of the previous cycles continue on with the next cycle layered on top. See a continuation of the sieges that are taking place at the walls of Israel's cities. Their enemies have driven them out of the land and into their besieged cities and are trying to starve them out. These will be so bad that the people will actually eat their children to survive. MM says this it 5th CoP-1st installment. Companion passage is Lamentations 3:42-48. v30: MM says what is interesting is that Israel doesn't even have any of these things yet. At the time this is written, they aren't in the land. They don't yet have any "high places" but God knows that at the time of the fifth cycle, they will. Remember that God is telling them all this in Leviticus before they ever had "high places" and idols and "sanctuaries" (plural).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	v30: MY SOUL SHALL ABHOR YOU: MM says that is a dangerous thing for God to say. You are in dangerous territory with God. Remember, this is God telling this to Moses before they ever entered the promised land. They don't even have any high places yet. They don't have any high places but God knows by the time this cycles rolls around, they will. God knows that they are going to build high places and He knows that they are going to practice idolatry. v32: I WILL BRING THE LAND INTO DESOLATION: v32: YOUR ENEMIES WHICH DWELL THEREIN: Notice their enemies are dwelling in the land. Your enemies aren't coming across the border and back like 1st CoP. They are now in the land and have begun to take possession of it. See the enemies are now living in their land. This is a far cry from the border raids that were taking place in the 1st CoP. v33: See in 2 Kings 17:5-6. v33: SWORD: Describes their treatment and what they suffer while they are captives. v33: YOUR LAND SHALL BE DESOLATE: Means that the land is going to be empty. v33: YOUR CIITES WASTE: Your cities are just going to corrupt away. There's not going to be anyone there. There's no repairs. No one is building. v34-EOC: Has to do with additional things in connection with the land being desolate, the cities being waste and the nation being scattered among the heathen.
Leviticus 26	GH: GPPI verse	v34-35: One of the things they are going to do when they get into the land, is to disobey the command to let the land rest. The land does not get its Sabbaths. They do terrible things with the land in connection with their idolatries that God says are worse than what was going on under the Canaanites before Israel ever entered the land. When you see this goal of giving the land back the Sabbaths that was due it, that is a marker that the fifth cycle is under way. Reference in 2 Chronicles 36. See the land getting the Sabbaths that it missed when the people were in the land. God says that at the 5th CoP. He is going to restore those by taking the people out, wasting their cities, and having the land lie desolate. Then we learn that the time for that is seventy years in duration. MM says the land is supposed to have a Sabbath of rest - they were supposed to let the land rest every 7 years. MM reminds of the manna account - they gathered twice as much on the 6th day. This is what they were supposed to do with crops. It would take them through the 7th year and then they could come back and plant again in the next/eighth year following the Sabbath. They did not do this. So God said I AM going to carry you away out of the land to Babylon for 70 years. The 70 years is making up for the Sabbaths that they didn't give the land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	Means that they didn't let the land rest 490 years. God said you owe the land and Me 70 Sabbaths. I AM pulling you out for 70 years. You understand this because of their sin, that this land was a land flowing with milk and honey is now a desert. Today, the land for the most part is still a desert other than the irrigated areas. MM says no amount of drip irrigation is going to bring in the kingdom. There's going to be something totally different happening in the kingdom. v34: THEN: Because you wouldn't be reformed. v34: THEN SHALL THE LAND ENJOY HER SABBATHS: MM says here's a **marker that starts the 5th CoP (also the first goal of the 5th CoP (1st installment) - the restoring the the land's Sabbaths**), the thing that brings the 5th CoP in-when they are taken away/carried away captive out of the land and the land gets her Sabbaths back. The whole reason for taking them out of the land was to give the land rest that it was due under the law. MM calls this a reference to the timetable. Every 7 years they were supposed to let the land rest. They didn't do anything they were supposed to do. So God says I WANT the land to get its Sabbaths back. v36: UPON THEM THAT ARE LEFT ALIVE OF YOU: v39: Tells you there's more than one generation going on here. This is something that is going to be protracted out in time. You get the idea that there is something more than just the 70 years. MM tying 100 years to a generation in the Egyptian capvity. v39: IN THE INIQUITIES OF THEIR FATHERS SHALL PINE AWAY: Shows it lasts one generation to the next. v39: PINE AWAY: Is this foresakeness that they are feeling. v39: YOU SHALL PINE AWAY IN THEIR INIQUITY IN YOUR ENEMIES' LANDS: They re going to be carried away captive out of their land. First, the northern kingdom. Then, the southern kingdom. The 5th CoP calls for them to be cast from God's presence and to be destroyed in the lands of their enemies.
Leviticus 26	GH: GPPI verse	v40-45: Calls for a time in which the nation will be called upon to repent of their trespasses, repent of living as though Jehovah was not their God, acknowledging that He has treated them as though they are not His people, humble themselves and accept the punishment of their iniquity. This passage is prophetic in that it looks forward to a time when the nation is going to faced with this kind of decision. MM says this opportunity for the nation to repent and confess: * is a marker for something. So you are expected to recognize it when you study through the Bible. * it is fulfilled at the time of John the Baptist. * this is the action of the Gospels - Matthew through John. MM says if you knew Leviticus 26 and Zachariah, the thing you should have been looking for is not anything to do with us and the DOGG, but you would have been looking for a Messiah to show up, a forerunner of the Messiah to show up, and the opportunity for Israel to repent. That's what was predicted on the calendar. We want to go to these Books and act like they are designed for us but MM is trying to show us that was predicted as part of Israel's program before they ever made the first misstep.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26	GH: GPPI verse	* this happens at the 1st Advent - the days of the Messiah. When Jesus is made flesh and dwells among us. v40: John the Baptist comes to the wilderness of Judea in fulfillment of Leviticus 26:40, where Israel is given an opportunity to repent of and confess their sins. v40: IF THEY SHALL CONFESS THEIR INIQUITY, AND THE INIQUITY OF THEIR FATHERS: MM tying to Hosea 5:13-14, the marker for the 5th CoP-3rd installment. God is leaving during the 400 years of silence until they have a chance to repent when John the Baptist shows up. v40: IF THEY: This is dependent on them responding properly. v41: BROUGHT THEM INTO THE LAND OF THEIR ENEMIES: When they are taken captive out of their land. v41: PUNISHMENT: Why we call these cycles/courses of PUNISHMENT (CoP). Taking the terminology right out of the text. v42: THEN WILL I: Shows how this is dependent on them humbling themselves. v43: THE LAND ALSO SHALL BE LEFT OF THEM, AND SHALL ENJOY HER SABBATHS: The reason for the 70 year captivity. They didn't give the land its Sabbaths and God said the land's going to get all of that back. So you're going to spend 70 years in captivity and the land is going to get 70 Sabbath years rest.
Leviticus 26	GH: GPPI verse	v44: AND YET FOR ALL THAT, WHEN THEY BE IN THE LAND OF THEIR ENEMIES, I WILL NOT CAST THEM AWAY: God is still going to remember His covenant. MM says this is an important thing here. v45: I AM THE LORD: This last phrase is an indicator of God's Jehovah name as it pertains to the "timelessness" factor in that God will remember the covenant and time is not an issue with God. He is faithful to perform all that He has spoken. MM says recall the 'I am ____' that was a list of whatever they needed. Two factors to His Jehovahness: 1. Timelessness: He is faithful to what He says He will do. 2.
Leviticus 26	Non-MBI	planitall YouTube : BIBLE TIMELINE: God shows Israel the consequences of breaking the Law covenant. Total of 5 curses that Israel is punished for breaking the commandments and statutes of the Law. Refer to these curses as the 'courses of punishment'. Courses: Because they build on top of each other in succession. Severity of punishment increases in each succeeding course. Each course will remain in effect until Israel has been cleansed from all ungodliness. Through the first 4 courses, Israel could stave off the punishment. After the 5th course began, there was no stopping it till it was completed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Leviticus 26:1-12	Blessings for Obedience	Obey Me and get all this good stuff. GH: Do good -> rain, crops, safety, peace. To get all these blessings, they need to keep the law. If we do well we get blessings, if we do bad we get punishments. Blessings and curses were conditional upon their performance. If they obeyed, they obtained certain blessings from God. v3: IF YE WALK IN MY STATUTES...THEN I WILL GIVE YOU: A bunch of blessings. The blessing side of the law. Israel didn't have to assume that God was working in their outward circumstances. v4: What happens if Israel did keep the law. These things could be expected as long as Israel did well (GH: in keeping the law). v4: THEN I WILL GIVE YOU RAIN: To get rain you would keep the Law. If you were Israel under the Law and didn't get rain when you needed it, you know that you were breaking the commandments. You could pray for rain all you want but the only prayer God wanted to hear was the prayer of repentance and return to God. v4: GIVE YOU RAIN IN DUE SEASON: When you need it. v4: THE LAND SHALL YIELD HER INCREASE v4: THE TREES OF THE FIELD SHALL YIELD THEIR FRUIT
Leviticus 26:1-12	Blessings for Obedience	v5: The process will overlap it is going to be so abundant. v6: EVIL BEASTS: Not bears that worship Satan. This is not a moral evil. Talking about predators that can harm you. Not talking about EVIL in their character. EVIL in the sense that they can trouble, they can cause pain, and the people could even lose their life. OED: Evil: 4) Causing discomfort, pain, or trouble v6: NEITHER SHALL THE SWORD GO THROUGH YOUR LAND: Their enemies V7: YE SHALL CHASE YOUR ENEMIES This is all a result of following the Lord's commandments and obeying the Lord.
Leviticus 26:14-39		Listing of curses (judgments) running from verse 14 all the way down to verse 39. This is no random listing of judgments, but there is order to what is being said here. As it turns out, this is an historical accounting of Israel's history from the time they are in the Promised Land all the way to the time they are carried away captive out of it.
Leviticus 26:14-20	IP : Prayer	Solomon recalls this passage in his prayer in 2 Chronicles 6:24. v14: IF YE WILL NOT HEARKEN UNTO ME, AND WILL NOT DO ALL THESE COMMANDMENTS: If you break My Law, this is what's going to happen. v17: I WILL SET MY FACE AGAINST YOU, AND YE SHALL BE SLAIN BEFORE YOUR ENEMIES: v19: I WILL MAKE YOUR HEAVEN AS IRON, AND YOUR EARTH AS BRASS: No rain. The heaven is as iron and the earth as brass because there will be no rain. The ground will harden and there will be no crops, and even the fruit trees will not yield. v20: YOUR LAND SHALL NOT YIELD HER INCREASE, NEITHER SHALL THE TREES OF THE LAND YIELD THEIR FRUITS: No rain, fruit trees have no crops.

Leviticus 26:14-17	1st Course of Punishment - Judges - Physical Afflictions & Diseases among the nation, Border Raids with no Divine Help (Judges - 450 years)	14 But if ye will not hearken unto me, and will not do all these commandments; 15 And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant: 16 I also will do this unto you; I will even appoint over you terror, consumption, and the burning ague, that shall consume the eyes, and cause sorrow of heart: and ye shall sow your seed in vain, for your enemies shall eat it. 17 And I will set my face against you, and ye shall be slain before your enemies: they that hate you shall reign over you; and ye shall flee when none pursueth you. Given before they even go into the land. Moses is still alive. He dies before Joshua takes them into the land. God describes how He will deal with them if they don't hearken and don't perform. He will bring the curses upon them. In the passage we see a description of the courses but notice the purpose of the courses (and the increased judgments in connection with the curses) is to get them to reform. If they reform they won't need to go through the second, third or fourth courses. If they will be reformed, they can go back getting the blessings and avoid the sufferings from either category. 1st Course of Punishment - Physical Afflictions & Diseases upon the Nation - Borders raided by enemy; received no divine help. What happens in the 450 years of the Judges. They keep getting right and going back and getting right and going back and they get a little bit worse each time they go back until God brings the second cycle of judgment upon them. v14-15: Sounds like I better not make God mad - fear motivation v14: BUT IF YE WILL NOT HEARKEN UNTO ME, AND WILL NOT DO ALL THESE COMMANDMENTS: The cursing side of the law. Israel didn't have to assume that God was working in their outward circumstances. v14: BUT: Corner word - going in a different direction. If you don't obey Me, cursings. The plagues of the 1st CoP. Plays out in the 450 years they are under judges. v16: I WILL ALSO DO THIS UNTO YOU v16: I WILL EVEN APPOINT OVER YOU TERROR, CONSUMPTION, AND THE BURNING AGUE v16: AGUE: The diseases v16: YE SHALL SOW YOUR SEED IN VAIN, FOR YOUR ENEMIES SHALL EAT IT: In Judges, the Gentile nations around them were coming in and doing border raids. They were raiding the storehouses that Israel had planted and harvested and put things in store and they were stealing those things and running back across the border. If these things don't reform you/make you repent/get back in line, I AM going to bring a second course of punishment. Read in Judges where their enemies conducted border raids. They would run across the border of Israel, who had their crops in storehouses and their enemies would rob their storehouses. He didn't say you wouldn't get any crops, but you're not going to be the ones eating them. Your enemies are going to eat it. Exactly what is described in the Book of Judges.

The very next phrase says that your enemy will eat it. They are going to plant, grow those crops, harvest those crops, put them in storehouses, and the Book of Judges records how their enemies would come across the border and rob their storehouses and get back across the border and they would eat the harvest that Israel had grown. v16: I ALSO WILL DO THIS UNTO YOU: Then He gives a list of things. v17: YE SHALL BE SLAIN BEFORE YOUR ENEMIES GH: Don't do good -> terror, consumption, burning, enemies will eat your crops, etc.

Leviticus 26:18-20	2nd Course of Punishment - Divided Kingdom/Ministry of Elijah - 3.5 Year Drought (1 Kings 17-2 Kings 2)	18 And if ye will not yet for all this hearken unto me, then I will punish you seven times more for your sins. 19 And I will break the pride of your power; and I will make your heaven as iron, and your earth as brass: 20 And your strength shall be spent in vain: for your land shall not yield her increase, neither shall the trees of the land yield their fruits. 2nd course of punishment: Ministry of Elijah Cycle of Judgment 2: The time of Elijah. The things that are happening then, God tells them what's going to happen them, and when they are given space to repent and they don't and the prophet gives them the message and they deny what the prophet said, God brings the second cycle of judgment on them. Describe the division of the kingdom and the ministry of Elijah the prophet whom God used to bring in a great drought upon the land which lasted for 3 ½ years. This is why the "earth was brass" and the land did not bear any crops. If Israel disobeys, they begin to experience the SOPT and the SoC. I WILL PUNISH YOU 7 TIMES MORE FOR YOUR SINS-v18. What God is saying is whatever the sufferings that are common to men are, I AM not only going to put those on you, I AM going to put them on you 7x worse than the Gentiles. They are intensified because they are a judgmnent. It's not just you needed rain, but I AM not looking out for you anymore because you were disobedient so now you are not going to get rain. They're not even going to get rain when the Gentiles get it. It's going to be 7x worse. EX 3.5 years without rain under Elijah was a 7x judgment. v18-20: At the end of Solomon's reign, with the nation fallen back into idolatry and moral decay, God brought in the second course of punishment as described in Leviticus 26:18-20. v18: To reform Israel and get them going. v18: I WILL BREAK THE PRIDE OF YOUR POWER: This is a reference to the kingdom of Israel being broken up into two parts, a northern kingdom and a southern kingdom.

That's the dividing of the kingdom. The dividing of the nation into the northern and southern kingdoms. When the kingdom split in half and you have the northern kingdom of Israel and southern kingdom of Judah. v19: YOUR HEAVEN AS IRON, AND YOUR EARTH AS BRASS: There's not going to be any rain. There is not going to be any more rain and the earth is going to get hard like in Imperial. Land won't YIELD THEIR INCREASE because it's a drought. God is using these things to judge the nation and make them come back. v20: YOUR LAND SHALL NOT YIELD HER INCREASE: Now you are talking about crop failure. There is not going to be any more rain and the earth is going to get hard like in Imperial. Land won't YIELD THEIR INCREASE because it's a drought. God is using these things to judge the nation and make them come back.
Leviticus 26:21-22	3rd Course of Punishment - Ministry of Elisha - Wild beasts destroy children/livestock & make travel dangerous (2 Kings 1-8)	21 And if ye walk contrary unto me, and will not hearken unto me; I will bring seven times more plagues upon you according to your sins. 22 I will also send wild beasts among you, which shall rob you of your children, and destroy your cattle, and make you few in number; and your high ways shall be desolate. 3rd Course of Punishment - Ministry of the prophet Elisha: Attacks from wild beasts that would take children and destroy livestock; Destroyed Israel's commerce and their capacity for productivity. God sends Elisha who says hey you have to turn to the Lord. If you don't, these are the things that are happening. Don't you recognize it? He told you in your law exactly what's going to take place - see this, this, and this - exactly what He said. These are not generic, these are specific. They have all these evil kings in the north and south and then the fourth cycle comes upon them. Kids were making fun of Elisha and he calls 2 she bears out of the woods and they kill 42 children. This 3rd CoP focuses on the ministry of the prophet Elisha. The incident recorded in 2 Kings 2 marked the beginning of the third course of punishment. The record of the historical fulfillment of vv. 21-22 is found in I Kings 12-22. God is doing something that is unmistakeable. It is sitting in their own law. Those predatory animals were so widespread in the land people are going to be afraid to travel from city to city. v21: YOUR HIGHWAYS WILL BE DESOLATE: Rise of the animal kingdom. Animals are going to become so prolific in the land that it will be dangerous to travel from one city to the next. Animals kill people today but it is rare. God is saying these plagues are going to be 7x worse than the normal thing would be.

MM asks do you think that news got around? v22: THE HIGHWAYS SHALL BE DESOLATE: It was too dangerous to travel from one city to another city because the beasts were out of control. It was part of the curse that came upon the nation for disobedience. God is doing something that is unmistakeable. It is sitting in their own law.

Leviticus 26:23-26	4th Course of Punish - Josiah - Greater Gentile Attacks, seiges -> starvation, sickness, disease (2 Kings 10:32-16:20)	23 And if ye will not be reformed by me by these things, but will walk contrary unto me; 24 Then will I also walk contrary unto you, and will punish you yet seven times for your sins. 25 And I will bring a sword upon you, that shall avenge the quarrel of my covenant: and when ye are gathered together within your cities, I will send the pestilence among you; and ye shall be delivered into the hand of the enemy. 26 And when I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver you your bread again by weight: and ye shall eat, and not be satisfied. 4th Course of Punishment - Greater Gentile Attacks - Josiah. These seiges caused starvation, sickness, and disease. Lost both land and people to the Gentiles. v23-26: See that nation under siege, barricaded in their cities with the enemy taking over city after city. This happened to the northern kingdom under the Assyrians and the southern kingdom under the Babylonians. v23: To reform Israel and get them going. v23: REFORMED: The goal is to get them reformed and if they got themselves reformed then they went back to getting the blessings and not the cursing; they went back to avoiding the sufferings. Complying with the law contract in God's program with Israel gave them avoidance of sufferings from both categories. Non-compliance meant they would suffer from both categories and the sufferings would be intensified as a chastisement issue.

They are going to under that as a judgment. v25: I WILL BRING A SWORD UPON YOU v25: I WILL SEND THE PESTILENCE AMONG YOU v25: YE SHALL BE DELIVERED INTO THE HAND OF YOUR ENEMIES: They will be overcome by their enemies. v25: YE ARE GATHERED TOGETHER WITHIN YOUR CITIES: They are going to be holed up in their cities because their enemies are going to be sitting outside the gates trying to overrun them. Now, it's not just border skirmishes coming into the land. Now, they are actually surrounding the cities and laying seige to them.

Leviticus 26:32-39 (GH: v27?)	5th Course of Punishment - 5 Installments (2 Kings 17:1-25:30) - 5th CoP, 1st Installment Prophecy	32 And I will bring the land into desolation: and your enemies which dwell therein shall be astonished at it. 33 And I will scatter you among the heathen, and will draw out a sword after you: and your land shall be desolate, and your cities waste. 34 Then shall the land enjoy her sabbaths, as long as it lieth desolate, and ye be in your enemies' land; even then shall the land rest, and enjoy her sabbaths. 35 As long as it lieth desolate it shall rest; because it did not rest in your sabbaths, when ye dwelt upon it. 36 And upon them that are left alive of you I will send a faintness into their hearts in the lands of their enemies; and the sound of a shaken leaf shall chase them; and they shall flee, as fleeing from a sword; and they shall fall when none pursueth. 37 And they shall fall one upon another, as it were before a sword, when none pursueth: and ye shall have no power to stand before your enemies. 38 And ye shall perish among the heathen, and the land of your enemies shall eat you up. 39 And they that are left of you shall pine away in their iniquity in your enemies' lands; and also in the iniquities of their fathers shall they pine away with them. Leviticus 26:32-39 (GH: v27?)	5th Course of Punishment - 5 Installments (2 Kings 17:1-25:30) - 5th CoP, 1st Installment Prophecy	When you read these CoP, you get the idea that the last thing that will happen to them is carried away captive out of the land. Daniel is one of those people who are carried away captive over the land. There's a record in the Book of Daniel of him praying before the Lord and saying is this it? Is this all of it? Then it will be revealed to him that the 70 years that Jeremiah talked about, those 70 years are going to be done, but there are four more parts it this 5th CoP that have to take place and He gives him a timeline for it. The SEVENTY YEARS are going to be done, but there are 4 more parts to this 5th CoP that have to take place and He gives him a timeline for it and He gives him years to be able to mark it out. MM is going through the five CoP and the fulfilment to show God orchestrated a program with Israel and He is carrying that program out, exactly the way He said He would. He's going to reveal to Daniel the rest of the parts of this. Just as you know the first parts took place, these will have to take place as well. MM says this is one of the ways you know that God is not finished with Israel. They haven't gone through everything. Once you see the natural progression in the O.T. on how God is dealing with Israel, then you will notice when you get down to the Book of Acts, you will notice the transition taking place in the Book of Acts. God is going to stop His program with Israel and take up the DOGG and at the conclusion of that, He's going to resume and complete His program with Israel. v32-33: God is talking about the time when He is going to take them captive out of the land - 5th CoP-1st installment.
Leviticus 26:32-39	Non-MBI	5th Course of Punishment - Came in 5 distinct installments 1. Assyrian & Babylonian Captivity (70 years) 2. Medo-Persian Rulership (49 years) 3. God brought a famine of hearing the words of the Lord - Amos 8:11 - Period of 400 years where God was silent / 400 years of silence CLIMACTIC STAGE: 4th and 5th installments in Israel's history 4. When God broke His silence through John the Baptist who preached the Kingdom of Haven is at hand - Matthew 3:2 GH: plus Jesus' earthly ministry (34 years) - the days of the Messiah 5. Lord's Day of Wrath: Time of fierce anger where God will avenge His chosen people. Only part that is left is Daniel's 70th week or the Tribulation period. 5 Courses of Punishment came upon them due to their failure to adhere to the Law contract.

There was only one prayer that God was waiting to hear in order to stop those judgments in the "time past" of Israel's program. An example. There is no exhortation to "pray for rain" or anything else. They are to humble themselves, acknowledge their guilt and turn from sin. The prayer is a prayer of confession. You are in this predicament because of what you did and you need to understand that you have walked contrary unto Me. People today confuse this, when bad things are happening, they confess all their sins they can think of and then God will alleviate all of that. But you are not under the law but under grace. Applies to Israel (GH: not us) because they are under the law, a performance system. We are not under a performance system, that is why it is called grace. If it is grace, you don't earn it. They are over in their enemies' land. He is saying even if you guys get carried away out of the land, there's going to be a remedy for this.

It's going to happen to all of you people in Jerusalem. You think with your prideful thinking that nothing is going to happen to you and I AM telling you this is going to happen. v42: God is saying you've done all this, you've done all this and the only way for Me to satisfy My anger and fury towards you is to do exactly what I told you. This 5th CoP is going to do to you. Then, I CAN be satisfied because I have done something about it. These are not idle threats, there are a reality.

Leviticus 26:40-42	IP : Prayer	This issue of confessing sins in order for God to hear their prayer is the way prayer works in God's program with Israel under the Law. And the other prayers were about God doing the things He said He would do. MM showing the mechanics of prayer work the same way in both programs, they are inter-dispensational. Anytime Israel was going to make a prayer, the first thing they do is to confess those sins, because if they don, they won't get heard. And if they're not heard, they won't get what they're praying for. We do not find these kinds of prayers in Paul's epistles because we have already been forgiven. All those sins have been atoned for. There's no national mandate for us to pray for America's sin so that God will bless America. v40: IF THEY SHALL CONFESS THEIR INIQUITY, AND THE INIQUITY OF THEIR FATHERS: v41: IF THEN THEIR UNCIRCUMCISED HEARTS BE HUMBLED: v42: THEN WILL I REMEMBER MY COVENANT:
Leviticus 26:40-42	Non-MBI	RS: Israel's sin is not relevant to whether they held title to the land.
Numbers	GH: IPF verse	God begins to appoint people to certain positions ('princes'-Numbers 1:44) of governmental authority. They begin to number the people (Numbers 1:19, 1:44) to determine their armies that would go in and conquer this land and drive out these enemies. Everything is being prepared for this. All this preparation was for nothing. When you understand this, you realize why God is so upset with them when the spies bring back a report that says I don't think we can go in and take the land. Like they forgot the whole reason that I created you to begin with. This is what I designed you to do and you've said no to it. And so because you did, God says I swore in My Wrath, you won't enter into My Rest. Saying everything has been done, now that the nation is on the borders of the land, in order for them to go in and establish the Kingdom. Important to understand this to understand why God responds as He does when the spies convince the nation not to go into the land. He offered them His rest, and they knew about it from the Song of Moses, but they rejected it. They are singing coming out of Egypt, they're separating out their armies, they're putting these positions of government together, the house is being established, and Moses is faithfully doing all of this. The only thing they lack is going into the land. But they hesitate because of what they see in the land. When Moses made all of these preparations and they balked at going into the land, God limited that rest for a certain day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Numbers 11:4-6		Satan always wants to foil God's plan and purpose. For Israel, he was against Moses, later he was against Christ, and now, he is against Paul. Don't desire what God is not doing in this dispensation of the grace of God (DoGG). Don't covet the things of Israel's program, for that is all the same as idolatry. They were given spiritual meat (manna) but they despised it an lusted after EVIL THINGS-1 Corinthians 10:6.
Numbers 11:4-5		4 And the mixt multitude that was among them fell a lusting: and the children of Israel also wept again, and said, Who shall give us flesh to eat? 5 We remember the fish, which we did eat in Egypt freely; the cucumbers, and the melons, and the leeks, and the onions, and the garlick: Whining about food choices and their ungrateful response when He fed them with manna. They forget that Pharoah was not only killing them, he was using their blood to mix the mortar for the stones they were setting. Thinking that Egypt was some kind of paradise. Remembering it from the world. MM says he is not turning Mother Teresa on you. He is not saying that God wants all as sons to be penniless and broke and unable to provide anything to eat. Not what he is telling you. But were in a situation where they didn't have those things in the wilderness - there was no melons/cucumbers/garlic. They had manna and water. POINT: What if you Sonship brought you to the place where the comforts that you have enjoyed before are no longer yours to enjoy. God didn't mean for them to STAY in that condition but there came a time where they were. The world makes you look at what you don't have and makes you concentrate on that for the purpose of saying for them the answer was to go back to Egypt.
Numbers 11:6-10		6 But now our soul is dried away: there is nothing at all, beside this manna, before our eyes. 7 And the manna was as coriander seed, and the colour thereof as the colour of bdellium. 8 And the people went about, and gathered it, and ground it in mills, or beat it in a mortar, and baked it in pans, and made cakes of it: and the taste of it was as the taste of fresh oil. 9 And when the dew fell upon the camp in the night, the manna fell upon it. 10 Then Moses heard the people weep throughout their families, every man in the door of his tent: and the anger of the Lord was kindled greatly; Moses also was displeased. They were all standing in the door of their tents wailing over their poor condition and GH: God and Moses were not happy at all. They were dissatisfied - God is not giving me what I need/want/deserve. That's what they were focused on. 'When we went to church, you didn't have to fill out these notetakers/go through all this. You just went to church and could actually snooze through the sermon and it didn't matter because it was something different the next week. We are stuck in the Book of Romans'.

Numbers 12	GH: IPF verse	v5-7: See there is a contention between Miriam, Aaron, and Moses. God calls them out into the public and He is going to solve it in front of everyone. v6: God will speak to prophets in 'a vision' or in 'a dream'. v7: Moses is not a prophet... v7: WHO IS FAITHFUL IN ALL MINE HOUSE: Ties to MOSES WAS FAITHFUL IN ALL HIS HOUSE-Hebrews 3:2. v7: MINE HOUSE: God's House. This Royal House was being established back here. The government was being set up, the armies were being numbered out. This is what Moses was faithful in. v8: ...God will speak to Moses 'mouth-to-mouth'.
Numbers 13:23		23 And they came unto the brook of Eshcol, and cut down from thence a branch with one cluster of grapes, and they bare it between two upon a staff; and they brought of the pomegranates, and of the figs. ONE CLUSTER OF GRAPES, AND THEY BARE IT BETWEEN TWO (men) UPON A STAFF: One cluster of grapes so big they have to get 2 men to hang it on a pole.
Numbers 13:32-33		32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature. 33 And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight. Can you imagine standing on the edge of the land with the greatest blessings imaginable just on the other side and look at each other and say, I don't know, there's giants in there, don't know if we ought to go in there. They didn't trust God to give it to them. They had men teaching them such wrong doctrine about the law for so long they began to believe they were righteous simply because they were born from Abraham and holy just because they were part of Israel. Thought they didn't need it. Why Paul says both Jew and Gentile are ALL under sin. Putting yourself under the law is contracting to supply your own sanctification, which is covenanting to provide your own Sonship (if it is the capstone of sanctification).

Numbers 13:32-33		32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature. 33 And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight. When they send the spies into the Promised Land, Moses warned them do not get impressed with what you are going to see with the Canaanites. Don't be impressed by what they have. Don't let that get into your heart and into your mind and don't do the things that they do. He is going to warn them about that. Don't let the fact that they are prosperous sway you. Was a land flowing with milk and honey. When you get over there, don't be impressed with what they've got. If you do, that is going to suck you right out of what I AM going to do with you and you are going to retreat back into a different world, but it is still going to be the world. Don't be impressed with their land, their big cities. Instead of thinking I am going to get this place, God says I AM going to tear all of that down. Drive them all out. Don't intermarry with them. Don't make a treaty or a covenant with them. Good fruit trees in the land. For 3 years/seasons, God said you cannot touch a single piece of fruit on those trees. Only then can you begin to eat of those trees. It's God saying I don't want you taking any of what this world has to offer you. I don't need you enamored with this world and what it is offering you. Worldly wisdom would say that is stupid. Why didn't they take their gold/homes? Why do we blow trumpets and bring down walls? We could you use those walls. Do you know how much time it will take to rebuild them? When you understand God's wisdom, you will understand the above thinking as foolishness.
Numbers 14:1-4	GH: EVIL MAN	1 And all the congregation lifted up their voice, and cried; and the people wept that night. 2 And all the children of Israel murmured against Moses and against Aaron: and the whole congregation said unto them, Would God that we had died in the land of Egypt! or would God we had died in this wilderness! 3 And wherefore hath the Lord brought us unto this land, to fall by the sword, that our wives and our children should be a prey? were it not better for us to return into Egypt? 4 And they said one to another, Let us make a captain, and let us return into Egypt. More whining dying in the wilderness vs. Egypt. Like one of your kids saying, I wish I would have died in the hospital instead of this home. v2: MURMURED AGAINST MOSES: Not getting any better. It makes a big difference on how they react under the law. It makes a bigger difference how we react under grace. v3: RETURN INTO EGYPT: Let us go back to the way it was. Murmuring against Moses and Aaron. Let's pick somebody to lead us back to Egypt and forget this. MM says this is a serious insurrection right here. This is the EVIL MAN. When someone comes in the assembly and wants to go back to what other churches do - EVIL MAN.
Numbers 14:22	GH: GLORY Definition	22 Because all those men which have seen my glory, and my miracles, which I did in Egypt and in the wilderness, and have tempted me now these ten times, and have not hearkened to my voice; **ALL THOSE MEN WHICH HAVE SEEN MY GLORY: Glory may refer to God's power when it can be seen.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Numbers 14:26-29		It makes a big difference on how they react under the law. It makes a bigger difference how we react under grace. They were supposed to trust God and if they were complaining, this should be a sign to them.
Numbers 15:41	GH: GPPI verse	41 I am the Lord your God, which brought you out of the land of Egypt, to be your God: I am the Lord your God. I AM THE LORD YOUR GOD, WHICH BROUGHT YOU OUT OF THE LAND OF EGYPT: GH: MM showing it was the LORD that brought them out of Egypt, when it says MOSES, THE MAN THAT BROUGHT US UP OUT OF THE LAND OF EGYPT-Exodus 32:1.
Numbers 16		They were murmuring against God and against Moses. When they did that, God said stand back Moses, I AM going to destroy this people right here. Korah and some others decided to murmur (complain, turn the congregation against Moses). When they did, God immediately released a plague that, if had not been for Moses' and Aaron's quick actions would have wiped them out. Instead, 15,000 die in a matter of minutes. MM says this story is nothing short of heroism on Moses' part and reveals just how deeply he cares about the people in spite of the fact that they are so angry with him they want to stone him. After God said I AM going to destroy them, Moses instantly understands what is about to happen and he turns to Arron and basically says go get the sensor and get some incense and run and get between the dead and the living and make that incense sacrifice to the Lord and Aaron runs to do it. Now, the whole congregation has gathered out there before Moses and God goes step back because I AM going to just wipe them out. Moses said one other thing to Aaron when he is telling him to run and get that, for the plague has already started, it is happening that fast. MM thinking how long it would take for Aaron to run get the sensor and incense and return, because the plague is coming in front of Moses and heading back through the people. He runs past all these dead bodies and when he finally gets to the living, he makes that incense sacrifice to the Lord and it stops. It says that Aaron stood before the dead and the living. MM says if it took 3 minutes (a guess), 15,000 died. No wonder Moses told Aaron to run. Moses knew Aaron had to run quick and he knew exactly what needed to happen to save as many as possible. Moses knew it was an emergency he knew what needed to happen and he was trying to save as many of them as possible. MURMUR AGAINST GOD: It means that they complain against God and how He is doing things, they accuse God of being unrighteous, and they blame God for the consequences of their own actions.
Numbers 18:16	Non-MBI	16 And those that are to be redeemed from a month old shalt thou redeem, according to thine estimation, for the money of five shekels, after the shekel of the sanctuary, which is twenty gerahs. RS: If you are a pro-life person, this is your verse. Babies belong to God. You don't have the right to take His stuff.

Numbers 19:7-9		7 Then the priest shall wash his clothes, and he shall bathe his flesh in water, and afterward he shall come into the camp, and the priest shall be unclean until the even. 8 And he that burneth her shall wash his clothes in water, and bathe his flesh in water, and shall be unclean until the even. 9 And a man that is clean shall gather up the ashes of the heifer, and lay them up without the camp in a clean place, and it shall be kept for the congregation of the children of Israel for a water of separation: it is a purification for sin. v7: BATHE HIS FLESH IN WATER v7: UNTIL THE EVEN: About 6 o'clock. v8: BATHE HIS FLESH IN WATER This is about the purification part of a baptism. The sanctification is setting apart v9: A WATER OF SEPARATION: Definition of sanctification. v9: IT IS A PURIFICATION FOR SIN When we use these 2 words (separation and purification) in connection with a baptism or washing you're talking about a purification unto a separation. Something is going to be declared holy which is God's alone - no longer common or ordinary.
Numbers 19:13		13 Whosoever toucheth the dead body of any man that is dead, and purifieth not himself, defileth the tabernacle of the Lord; and that soul shall be cut off from Israel: because the water of separation was not sprinkled upon him, he shall be unclean; his uncleanness is yet upon him. PURIFIETH: Purify himself with some sort of washing - a baptism. WATER OF SEPARATION: Definition of sanctification.
Numbers 21:4-6		They began to LUST AFTER EVIL THINGS-1 Corinthians 10:6. GH: There is nothing implicitly evil with melons and leeks. Read this and think they were doing terrible things and they just wanted to go back to Egypt. Firstly, the Israelites spoke against God’s plan for them and what Moses was doing. The people suddenly came to their senses and confessed that they had sinned against God. This is when God commanded Moses to make the serpent of brass and put it on a pole so that anyone who was bitten, could look on the brass serpent in faith, and live-v7-9. MM tying to 1 Corinthians 10:9. THE PEOPLE SPAKE AGAINST GOD, AND AGAINST MOSES MM says what is really funny here is the people are so quick to change back and forth. As soon as the Lord sends those serpents among the people and they get bit and are dying, the people suddenly came to their senses, rush up to Moses and confessed that they had sinned against God. This is when God commanded Moses to make/fashion the brazen serpent of brass and put it on a pole so that anyone who was bitten, could look on the brass serpent in faith, and live (See Numbers 21:7-9). If you look upon that brazen serpent, you won't die. And as soon as they get that, it's like they never had a problem. Then they are right back complaining and moaning and groaning again. v5: LIGHT BREAD: Manna.

Numbers 21:5-7	IP : Dispensational Prayer	5 And the people spake against God, and against Moses, Wherefore have ye brought us up out of Egypt to die in the wilderness? for there is no bread, neither is there any water; and our soul loatheth this light bread. 6 And the Lord sent fiery serpents among the people, and they bit the people; and much people of Israel died. 7 Therefore the people came to Moses, and said, We have sinned, for we have spoken against the Lord, and against thee; pray unto the Lord, that he take away the serpents from us. And Moses prayed for the people. v5: OUR SOUL LOATHETH THIS LIGHT BREAD: Talking about the manna. v6: THE LORD SENT FIERY SERPENTS AMONG THE PEOPLE...MUCH PEOPLE OF ISRAEL DIED: They didn't pray to God to take the serpents away in a prayer meeting. v7: WE HAVE SINNED, FOR WE HAVE SPOKEN AGAINST THE LORD, AND AGAINST THEE:
Numbers 21:8-9	Non-MBI	8 And the Lord said unto Moses, Make thee a fiery serpent, and set it upon a pole: and it shall come to pass, that every one that is bitten, when he looketh upon it, shall live. 9 And Moses made a serpent of brass, and put it upon a pole, and it came to pass, that if a serpent had bitten any man, when he beheld the serpent of brass, he lived. Numbers 21:10		10 And the children of Israel set forward, and pitched in Oboth. OBOTH: Is a placename referring to the Dead and the netherworld. In other words, Oboth is the Hebrew word for “the spirits of the Dead.” It and Hamongog are both in the same area. This area of the Transjordan is a place of ancient cults of the Dead with all kinds of megalithic monuments but also place names referring to the Dead and the netherworld, such as that which we read in Numbers 21. Is associated with necromancy and the spirits of the Dead. These are considered to be gateways to the underworld; the Rephaim or realm of the Dead. In this case, it is in Moab, in the Transjordan.
Numbers 22-24	GH: GPPI verse / 2nd aspect of Satan's POE against Israel	Balaam: See an attempt to put a certain aspect of Satan’s policy of evil against Israel into effect at this time. What he has planned to do with them in over to accomplish the purposes that he has. When God records this event, Israel doesn't even know it is happening. They have no idea unless one of the prophets records it. Unless God records this event, what goes on between Balak and Balaam would have never been known by Israel. It is made known to them for two purposes; He records it to accomplish two different things: 1. God putting into effect the Jehovah-Nissi concept of His name. Israel would have never known about this unless God revealed it to them. He records it so Israel will see it and they will understand somethin more about the Jehovah-Nissi concept of that compound Jehovah Name, where God is, through His unlimited provision, being for them all that they need. At every circumstance in which they find themselves. 2. God sending a message back to the adversary. I KNOW what you are doing, it's not going to work. You thought you were being sneaky. I KNEW about it before you were around. I SEE it clearly and it's not going to work.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Numbers 22-24	GH: GPPI verse / 2nd aspect of Satan's POE against Israel	MM says it is important to see “behind the scenes” at what Satan is attempting to do and God’s response to it. The first issue of Satan’s policy of evil against Israel was manifested in Amalek. The second issue of Satan's policy of evil against Israel manifested in the issue of Balak and Balaam. God knows exactly what Satan will do against Israel. God also knows that under the law contract, Israel is in a precarious position. If Israel does not obey, they will suffer the curses stipulated in the law of Moses. Satan would love to exploit that, putting Israel in a position to receive those curses. The attempt to get Balaam to curse Israel is to get that process underway. The message sent back to Satan is that even though they are under the law contract, God will still work on their behalf according to His Jehovah-ness and God will still accomplish His plan and purpose with them. The message that is being conveyed to Satan, through the four “parables” spoken by Balaam, is that Satan’s plan against Israel will not prevail.
Numbers 22:21-35	Balaam's Donkey	Context: Baalam riding his donkey and his donkey sees the Angel of the Lord with His Sword drawn standing in the way. Donkey goes off of the road and down into the weeds and into the thicket. Baalam is so mad and beating the donkey. Finally gets the donkey back on the road and comes to a place where there is a space and a wall. Donkey sees the Angel of the Lord again and he presses against the wall and crushes Baalam's foot against the wall. Balaam strikes the donkey several times. Finally come to a narrow place where the Angel of the Lord is standing in the gap and there's no where for the donkey to go and it just lays down. Balaam is wailing on the donkey and hitting on him and finally the donkey goes, 'why are you hitting me?'. MM notices again (like Eve and the serpent) that Baalam just answers (GH: no surprise that the donkey spoke). Either Baalam knows something we don't know or he is one of the most naive people in the world. The donkey has a conversation with him.
Numbers 23:19		19 God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good? GOD IS NOT A MAN, THAT HE SHOULD LIE: GH: Why Jesus didn't really have a choice to call the angels because the Cross and the only way to have the scriptures fulfilled (Matthew 26:54).
Numbers 25:9		9 And those that died in the plague were twenty and four thousand. There was a prophet who said they should fornicate with others to increase in number and 24,000 died in a day. When Balaam told the king of Moab to cause his people to fornicate with the Jews so that Israel would bow down to their gods. Therefore, 23,000 died in one day, with more to follow, making the total 24,000. God did it when Balaam told the king of Moab to cause his people to fornicate with the Jews so that Israel would bow down to their gods. Therefore, 23,000 died in one day, with more to follow, making the total 24,000. Prophet told the people of Israel that they should commit fornication with all of these people that were not of Israel so they could be strong in number. When they did that, God released a plague against them and 24,000 died.
Numbers 32:13		13 And the Lord'S anger was kindled against Israel, and he made them wander in the wilderness forty years, until all the generation, that had done evil in the sight of the Lord, was consumed. FORTY YEARS: Wandered in the wilderness 40 years.

Numbers 32:22	GH: GPPI verse	22 And the land be subdued before the Lord: then afterward ye shall return, and be guiltless before the Lord, and before Israel; and this land shall be your possession before the Lord. THE LAND SHALL BE SUBDUED: Involves a military-like action, every time it is mentioned in the Bible, for that is exactly what "subdue" entails. It always has this understanding in Israel's program. They are going to be armed to do this.
Numbers 32:29	GH: GPPI verse	29 And Moses said unto them, If the children of Gad and the children of Reuben will pass with you over Jordan, every man armed to battle, before the Lord, and the land shall be subdued before you; then ye shall give them the land of Gilead for a possession: THE LAND SHALL BE SUBDUED: Involves a military-like action, every time it is mentioned in the Bible, for that is exactly what "subdue" entails. It always has this understanding in Israel's program. MM says they are armed to the teeth and ready to go.
Deuteronomy		Means the second giving of the law. They got the law first at Mt. Sinai and when they journeyed to that land and they declined to go in and let God set up the kingdom with them, they have unbelief and don't trust that God is going to do that and that unbelief is the exact word that the apostle Paul is going to pick up on and utilize. They then wandered for 40 years in the wilderness where a generation died off. Now, they are back on the border of the land again and they have a second opportunity to go into the land again and God says to Moses I want you to give them the law again. This is what they receive in Deuteronomy. But this time, something is told to them as they are given the law that was not given to them GH: the first time. Told about something God did when they balked going into the land 40 years ago.
Deuteronomy	GH: WoD Teaching	The second giving of the law. They went under the law then they journeyed, sent spies into the land, they wandered for 40 years. Now, they are getting ready to go back into the land and now the law is being rehearsed to them. What is different about Deuteronomy, which is almost a repeat of what's given in the earlier Books, but it has special emphasis on Israel's purpose and role once they get into the land. God is saying here's the thing I need you to be aware of and I need you to function in these two particular ways (GH: LIGHT of the world and SALT of the earth). I need you to impact two particular entities. One of those is Gentiles. If Israel had functioned properly, they also would have began to impact Satan and his POE on earth and like us, would have been retaliated against for that. Satan has been very successful with the nation of Israel. Their LIGHT has gone out. Their SALT has lost its savor. God is not just giving the law a second time for no reason or just to repeat Himself. He does repeat the law but they He is going to come back and He is going to add something about what Israel is supposed to do in the land and He is going to go over some particular operations that the nation is supposed to perform once they get themselves into the land and get themselves established in the land, there is something they are supposed to do. Once they get in there and go this, it will impact the Gentile nations around the world and especially those nations around the nation of Israel.

Deuteronomy 4:5-8	GH: WoD Teaching	Context: Israel had been wandering in the wilderness. Will have a second opportunity to go into the promised land. MM says there are two concepts sitting in here. Jesus said: 1. YE ARE THE LIGHT OF THE WORLD-Matthew 5:14 - to say there's a big difference here 2. YE ARE THE SALT OF THE EARTH-Matthew 5:13 - to create an appetite and increased hunger to know about the things of God Always given in this order because until they function as LIGHT they cannot function as SALT. GH: In Deuteronomy, the prophets - long before Jesus in Matthew 5. God is going to give them the mechanical means of how to be LIGHT and SALT. This is not just an idea. There is an overt act that by the doing of it they will become THE LIGHT OF THE WORLD. MM says even a single match can throw off a lot of light in a dark room. The greater the DARKNESS, the more visible the LIGHT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 4:5	GH: WoD Teaching	5 Behold, I have taught you statutes and judgments, even as the Lord my God commanded me, that ye should do so in the land whither ye go to possess it. BEHOLD, I HAVE TAUGHT YOU: They learned something in the FORM of STATUTES AND JUDGMENTS. Those STATUTES AND JUDGMENTS were of a particular nature. They were designed to be appealing to Gentiles in two particular areas. Israel was supposed to impact Gentiles in a number of ways, but there were two of those ways in particular that were supposed to impact those nations. They were going to do this by putting on display the things they learned from these STATUTES AND JUDGMENTS. They were designed to get Gentiles say the god I'm serving isn't anything like Israel's God, in fact my god is foolish compared to Israel's God. There's no god like that. These things were designed to showcase that aspect of God Consciousness. That they would understand who is the True of Living God. This was one of the first things this was designed to do, to show them that. To do that, they were going to be two things in the world: 1. They were going to be the LIGHT of the world 2. They were going to be THE SALT OF THE EARTH
Deuteronomy 4:5	GH: WoD Teaching	5 Behold, I have taught you statutes and judgments, even as the Lord my God commanded me, that ye should do so in the land whither ye go to possess it. To be clear, we are NOT the LIGHT of the world or the salt of the earth. Only Israel can function as that. We are supposed to PUT ON THE ARMOUR OF LIGHT-Romans 13:12 but we are not the LIGHT of the world. This can only be produced by the nation of Israel, and the salt of the earth. Salt is the taste of flavor if it doesn't have any flavor, you don't want it. The knowledge or Truth was supposed to taste good to those Gentiles and they would want more of that Truth. I HAVE TAUGHT YOU STATUTES AND JUDGMENTS STATUTES AND JUDGMENTS: The law that Israel had. For us, it's the word of Grace. MM says we don't do the law but there wasn't anything wrong with the law other than your flesh can't keep it. The problem was with man, not with the law. The problem with Israel is they thought they could produce this on their own. But it was the law that was the perfect righteousness of God. MM says if you are going to live this Sonship life, you are going to produce the righteousness of the law without keeping the law. Stand in stark contrast to the things they already have.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 4:5	GH: WoD Teaching	5 Behold, I have taught you statutes and judgments, even as the Lord my God commanded me, that ye should do so in the land whither ye go to possess it. DO SO IN THE LAND: The STATUTES AND JUDGMENTS were to be done in a specific place, not while they are wandering to the land. The STATUTES AND JUDGMENTS were component parts of the law. They were important for Israel to obey and when they did, they would become THE LIGHT OF THE WORLD-Matthew 5:14. Made it so their God stood out in stark contrast to the gods of the Gentiles. The only god the Gentiles didn't know about was the True & Living God. They knew all of them but Him. God says I WANT those Gentile nations to look at what their god does and say wait a minutes, our god doesn't do anything like that - this is the LIGHT concept. In other words, enable them to see something. The SALT concept is that when you put SALT on something, that preserves it but it also seasons it and creates an appetite for it. It's creating an appetite to know this God, it is increasing their desire. Why when He says 'if the salt have lost his savour, wherewith shall it be salted?'-Matthew 5:13. Why the distinctiveness of Israel was so important, to not be like the other nations of the world. If they are like them, the other nations will say 'why do we need you, you're like us'. There was an overt act that Israel was supposed to perform that allowed them to begin functioning this way. Satan's desire is to not just produce DARKNESS but to maintain that DARKNESS in the world. If Israel is going to become a LIGHT and expose his WORKS OF DARKNESS-Romans 13:12 for what they are, then he needs to put out that LIGHT. He is counting on the fact that the world will not see those WORKS OF DARKNESS for what they are and any LIGHT disrupts his ability to keep men stumbling-Proverbs 4:18 in the DARKNESS. That's going to be true for Israel and it is going to be true for us as well.
Deuteronomy 4:6	GH: WoD Teaching	6 Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people. THIS IS YOUR WISDOM AND YOUR UNDERSTANDING IN THE SIGHT OF THE NATIONS: God desposited the LIGHT of Truth in the midst of Israel and they were supposed to shine that LIGHT among the Gentiles. They were going to do some things that the rest of the world would see. God was going to do such great things in Israel that the rest of the world would look at them and say, wow, we want that. But this isn't really the crux of the matter. There has to be LIGHT, there has to be Truth. IN THE SIGHT OF THE NATIONS: Why the STATUTES AND JUDGMENTS were important for them to keep and do, not just so they would be edifiied, but so that the nations would be impacted by it (GH:see 1 Peter 2:12). WHICH SHALL HEAR: They will not only see things they will HEAR things. The world doesn't just need to see things they need to hear things. That's the thing that's going to make a difference. Or, you could say it the other way. They don't just need to hear things they need to see those things.

Deuteronomy 4:6	GH: WoD Teaching	6 Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people. IN THE SIGHT OF THE NATIONS, WHICH SHALL HEAR: The first part. MM says reminds of CASTing OFF THE WORKS OF DARKNESS, which is a visible, audible display of disassociating ourselves from them and PUTting ON THE ARMOUR OF LIGHT was the same thing. Not only seen in our conduct but could be heard coming from us. MM says he is trying to establish the similarity of the issue here. The primary sphere for the nation of Israel is the nations around them. What we say and what we do is on the principalities and powers. We have to do this because Satan can't mind read and he doesn't know where you are at in the education. There is a point that will be demonstrated by us when we function with that ARMOUR OF LIGHT and only when Satan sees that does he know he now has the green light to bring his attack. Because he doesn't know where we are until he sees it. If you are in the dark and a LIGHT comes on, that's when he knows. Both Israel and the body of Christ have overt acts. SIGHT...HEAR: Both of these aspects should be in our thinking (GH: because people should see and hear us - MM teaching on WORKS OF DARKNESS-Romans 13:12). THIS GREAT NATION IS A WISE AND UNDERSTANDING PEOPLE: GH: MM tying this to I WILL MAKE OF YOU A GREAT NATION-Genesis 12:2. GREAT is not size or population but when they begin to accomplish God's plan and purpose for thr reposession of the earth back to God. A WISE AND UNDERSTANDING PEOPLE: Because they have God NIGH unto them and the possess the statutes and judgments.
Deuteronomy 4:6	Israel Program : Justification No. 2 - Justification of works before men	6 Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people. GH: Didn't happen in times past but will in ages to come. See your good works and glorify your Father. Ties to Israel's second justification - Justification by Works in the Eyes of Men as the Friend of God - needed to get into the kingdom WITH REWARDS!

Deuteronomy 4:7	GH: WoD Teaching	7 For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for? WHAT NATION IS THERE SO GREAT: He is not talking about Israel being the greatest nation in populations because Gentile nations will outnumber them and he's not talkng about Israel being so great that they control more land area than any other nation because there will be Gentile nations that are larger in land area. That's not the kind of greatness that he's talking about. He's talking about their greatness in the LIGHT of the Truth. There is no other nation that has the LIGHT of the Truth like they do. That's what makes that nation great. WHO HATH GOD SO NIGH UNTO THEM: GH: Ties into Ephesians 2. This is where Israel functions as LIGHT to the Gentiles. They understand who the True and living God is. They now recognize the True God, that's what the LIGHT is supposed to do.
Deuteronomy 4:7	GH: WoD Teaching	7 For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for? The people coming through on the trade route would see the STATUTES AND JUDGMENTS plaistered on the STONES sitting on the two mounts and think a number of things that tie to the GREAT NATION concept in the Abrahamic covenant and they were going to be THE HEAD OF ALL NATIONS-GH: verse? - WHAT NATION IS THERE SO GREAT - GOD IS SO NIGH UNTO THEM - SO GREAT THAT HAVE SUCH RIGHTEOUS STATUTES AND JUDGMENTS - WHAT NATION IS SO GREAT WITH A WISE AND UNDERSTANDING PEOPLE
Deuteronomy 4:7	GH: WoD Teaching	7 For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for? When people come by on the trade route or interstate and see these bill boards / PLAISTERED STONES, the natural thing is to ask, 'What is that? What is this about?' They would SEE and HEAR. They would SEE those STATUTES AND JUDGMENTS, which were the particular parts of the law that were designed to make an impact on the Gentiles. When that asked about Israel's God, that was when they would HEAR and then Israel would begin to function as THE LIGHT OF THE WORLD-Matthew 5:13 and illuminate the thinking of the Gentiles. Gentiles would look at that and say, wait a minute, we don't have a god like they have. Our god doesn't do that for us. What their God does for them GH: is greater than what our god does for us. Remember, Israel was under that performance contract of the law and if they kept that they were promised all of those material, physical blessings and they were supposed to see those blessings and they were supposed to make an impact on them. Once Israel began to function as THE LIGHT OF THE WORLD-Matthew 5:13, Satan gets the green light to bring a very particular POE against the nation. This happens in Israel's TIME PAST program and it happens in Romans 13 for the body of Christ. Same thing is going to come against the remnant once Israel's program resumes. WHAT NATION IS THERE SO GREAT: Terminology is meant to take you back to Genesis 12:2.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 4:8	GH: WoD Teaching	8 And what nation is there so great, that hath statutes and judgments so righteous as all this law, which I set before you this day? WHAT NATION IS THERE SO GREAT THAT HATH STATUTES AND JUDGEMENTS SO RIGHTEOUS AS ALL THIS LAW: MM says this is not called SALT and LIGHT but he is describing what the LIGHT and SALT are here. **The LIGHT is the LIGHT of consciousness of the True and living God and the SALT has to do with the STATUTES AND JUDGMENTS-v5** that are SO RIGHTEOUS as this. So when the Gentile look at those STATUTES AND JUDGMENTS being put on display by the remnant they're going to say 'you know what, we need that! This is how to have a society that is great. This is how to build the right kind of nation. We needed these kinds of laws.' This is how it is supposed to impact those Gentile nations in that way. MM says God is turning on a LIGHT in the midst of Satan's DARKNESS. So Satan is doing to try and do his best to extinguish that LIGHT and take the savor from the SALT by his POE.
Deuteronomy 4:10-18		Context: The second giving of the law. Received the law 40 years at Sinai, they are about to enter the land and Moses is going to rehearse the law in this generation's ears. Moses giving the Law to the people a second time before they enter into the land of Canaan. He rehearses who they are supposed to be as a nation and the impact they are to have on the other nations around them. Then he takes them back to the day they entered into the Law contract. On that day, Moses reminds them, they did not see any graven image of the LORD. They were given the law at Sinai, 40 years and the generation dies off, and Moses is going to give the law one more time so everybody hears it fresh before they go into the land. Moses is rehearsing to Israel who they are supposed to be as a NATION. They are supposed to be way different than that other NATIONS of the world. He takes them back to the day they got the law contract. Told in that contract don't make any graven images. v10: Hearken them back to the day that they first received the law. Teach their children to fear Him. v12: SAW NO SIMILITUDE: There wasn't anything (no image) to look at. God didn't set an image out there for them to look at and they didn't see an image in the fire. Only thing they heard a voice. He is pointing this out for a reason. Means God doesn't even want an image of Him. v15: YE SAW NO MANNER OF SIMILITUDE: Moses coming back to this issue of idols or images and warn the people further. Twice in this passage he tells them you didn't see an image.
Deuteronomy 4:16-18		v16-18: Paul's list in Romans 1 (GH: same to Gentiles except fish) is man, birds, four footed beasts, and bugs on the ground. Paul said this is what ended up happening to the Gentile nations that ended with them going further and worshipping and serving the creature more than the Creator. Moses knows this POE has already been successful with Gentiles (GH: Genesis 11). Satan's plan for Israel is to take them down the same road. Moses is warning if you don't do this, you are going to corrupt yourselves and you are going to start making graven images. Notice in Israel's list, fish is added. See the parallels in Romans 1 and what Satan did with the Gentile NATIONS and what he wanted to do with the nation of Israel. GH: Ties to Romans 1:23-24.

Deuteronomy 4:19	First Mention = HOST OF HEAVEN / GH: Creature description / Second Heaven	19 And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, even all the host of heaven, shouldest be driven to worship them, and serve them, which the Lord thy God hath divided unto all nations under the whole heaven. The progression after worshipping images. Two steps to worshipping and serving the creature more than the Creator: 1. Worshipping the sun, the moon, and the stars is a step below carving out images because man didn't carve those out. 2. Worshipping the hosts of heaven (the angels occupying the creature) - different than the sun, the moon, and the stars Gives you false gods that you can call by name. LIFT UP THINE EYES UNTO HEAVEN, AND WHEN THOU SEEST THE SUN, AND THE MOON, AND THE STARS: MM showing an example of the 'second heaven'. LEST THOU LIFT UP THINE EYES TOWARD HEAVEN, AND WHEN THOU SEEST THE SUN, AND THE MOON, AND THE STARS, EVEN ALL THE HOST OF HEAVEN DRIVEN TO WORSHIP THEM, AND SERVE THEM EVEN ALL THE HOST OF HEAVEN
Deuteronomy 4:19	First Mention = HOST OF HEAVEN / GH: Creature description / Second Heaven	19 And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, even all the host of heaven, shouldest be driven to worship them, and serve them, which the Lord thy God hath divided unto all nations under the whole heaven. Blbical theology takes you through Deuteronomy 4 well before Romans 1. GH: Get the definition of the CREATURE. HOST OF HEAVEN: The CREATURE includes the HOST OF HEAVEN. They are not waiting for your manifestation and they don't have a HOPE. But there part is a bigger part. Used 19x in your Bible and it is talking about angels all 19x. 4x talking about the good angels, the holy angels of God around the throne in the third heaven. 15x talking about the angels in the second heaven where the sun and the moon and the stars are. Paul is talking about this group when he is referring to the creature. When the Bible said that people worshipped “all the host of heaven,” it was always a reference to Satan’s “host of heaven.” WORSHIPPED AND SERVED ALL THE HOST OF HEAVEN: When the Bible uses this phrase, GH: talking about the fallen angels. Michael is an exception in that group but he is not letting anybody worship him. God has a host and Satan has a host and they are controlled by 2 different leaders.
Deuteronomy 4:20		20 But the Lord hath taken you, and brought you forth out of the iron furnace, even out of Egypt, to be unto him a people of inheritance, as ye are this day. OUT OF THE IRON FURNACE: GH: IRON FURNACE describes the way the Israelites were treated by Pharoah in Egypt post-Joseph. Gives you a picture of trying to burn something up and that is exactly what Satan was trying to do with Israel who he knew was God's nation and he is going to use one of these Gentile nations to do it.

Deuteronomy 5:9		9 Thou shalt not bow down thyself unto them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me, VISITING THE INIQUITY OF THE FATHERS UPON: People incorrectly believe that God will intervene if they live for God (this assumes punishment is for sin, God punishes sinners but not the righteous).
Deuteronomy 5:24	GH: GLORY Definition	24 And ye said, Behold, the Lord our God hath shewed us his glory and his greatness, and we have heard his voice out of the midst of the fire: we have seen this day that God doth talk with man, and he liveth. **HIS GLORY AND HIS GREATNESS: His Glory can be His Majesty and GREATNESS.**
Deuteronomy 6:2		2 That thou mightest fear the Lord thy God, to keep all his statutes and his commandments, which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged. FEAR THE LORD THY GOD: If you don't your days get shortened.
Deuteronomy 6:7	GH: Evidence of a spiritual leader / GH: Oneness of spirit	7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. Ways for a man to build a oneness of spirit: For the man to be the spiritual leader in his home Evidence of being a spiritual leader - Be willing to teach and model godly/God's principles to your family. Should be happening all the time. GH: The man should be the family spiritual leader all the time.
Deuteronomy 6:13		13 Thou shalt fear the Lord thy God, and serve him, and shalt swear by his name. Fear motivation of the law.
Deuteronomy 6:24-25	IP: Justification	24 And the Lord commanded us to do all these statutes, to fear the Lord our God, for our good always, that he might preserve us alive, as it is at this day. 25 And it shall be our righteousness, if we observe to do all these commandments before the Lord our God, as he hath commanded us. Eternal Life - Israel is saying we can do this on our own so He said I AM going to give you the law by which you will now obtain eternal life. Only problem with getting eternal life by the law is you have to get it right every single time your whole life because if you ever fail once, now you are disqualified. They knew this. They said they we're going to get their righteousness by keeping this law. The law showed them they weren't righteous enough to get eternal life, in spades He showed them. v24: Fear motivation of the law. See the fear motivation v25: OUR RIGHTEOUSNESS: If we obey the law.

Deuteronomy 7	Non-MBI	Seven Nations of Canaan (Deuteronomy 7) 1. Hittites 2. Girgashites 3. Amorites 4. Canaanites 5. Perizzites 6. Hivites 7. Jebusites (Jebus = Jerusalem)
Deuteronomy 7:1-3	Non-MBI	1 When the Lord thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou; 2 And when the Lord thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them: 3 Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. RB: How to deal with the cities of the giants - kill them all , v3: Commanding them to prevent Genesis 6 from happening again.
Deuteronomy 7:17-23		Before they went into the land, God said here's how I want it to go for you. v22: If they wipe out all these nations (GH: all at once), all the predator beasts will increase and it will be dangerous for you.
Deuteronomy 7:25-26	GH: EVIL MAN & STRANGE WOMAN	25 The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therin: for it is an abomination to the Lord thy God. 26 Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing. When the STRANGE WOMAN/POE begins to do its work, the very first way is it works is to use the world so when you look at it, it's hard to tell if this is the world/EVIL MAN or the POE/STRANGE WOMAN. See them both. You have the POE utilizing the world because it's readily available/easy/already in place. And for most, that is all the POE needs, to just utilize the world. v25: THE GRAVEN IMAGES OF THEIR GOD: From STRANGE WOMAN/POE. v25: THOU SHALT NOT DESIRE THE SILVER OF GOLD THAT IS ON THEM: EVIL MAN/Course of the world.

Deuteronomy 8	GH: GPPI verse	Israel's only hope is to have God's Jehovah-ness and grace. We can see the "proving" concept again. Moses is speaking to the nation of Israel. v2: Telling them what is happening with the wandering in the wilderness - HUMBLE THEE...PROVE THEE...TO KNOW WHAT WAS IN THINE HEART...WHETHER THOU WOULD KEEP HIS COMMANDMENTS OR NO. MM says they will find out over and over they can't. Every test between Exodus and Mt. Sinai they flunk without exception and that's the point God is making to them here. v2: TO HUMBLE THEE: The issue is humbling them and proving them; proving that they cannot be dealt with on the basis of the law. God is showing them they must be dealt with on the basis of His Jehovah-ness and grace. v2: TO PROVE THEE: God "proved" them to show what was really in them (what they were made of) and to show them whether they would keep his commandments or not. v2: WHAT WAS IN THINE HEART: v14: BROUGHT THEE FORTH OUT OF THE LAND OF EGYPT:
Deuteronomy 8	GH: GPPI verse	v15: WHERE THERE WAS NO WATER: Comes up in the 5 trials - Trial 1: the bitter water of Marah-Exodus 15:22-27 and Trial 3: no water at Rephidim-Exodus 17:1-7. v15: BROUGH THEE FORTH WATER OUT OF THE ROCK OF THE FLINT: Trial 3: no water at Rephidim-Exodus 17:1-7. v16: WHO FED THEE IN THE WILDERNESS WITH MANNA: Trial 2: the hunger in the wilderness of Sin-Exodus 16:1-36. v16: HE MIGHT PROVE THEE: v17: God is saying, you don't understand. It is not in your ability, it's in Mine. That's what My Name is about. That's why I TOLD Moses to tell you I AM SENT ME. I AM all the thing that you're going to need. MM says it is not in Israel's power to go in and take the land. It is not in Israel's power to go in and become the GREAT NATION-Genesis 12:2 and the whole earth. And it's not in Israel's power to bring in the kingdom. Why He says in that O.T. verse NOT BY MIGHT NOR BY POWER BUT BY MY SPIRIT-1 Corinthians 2:4-6? He was proving them, showing them what was in their heart.
Deuteronomy 8:19		19 And it shall be, if thou do at all forget the Lord thy God, and walk after other gods, and serve them, and worship them, I testify against you this day that ye shall surely perish. OTHER GODS, AND SERVE THEM, AND WORSHIP THEM: Small case g - gods. The "gods" (GH: fallen angels or HOST OF HEAVEN) happen to be up in the heavenly places and they are running things up there. God says you want to know where the line is - right there - YE SHALL SURELY PERISH. Simllar to Romans 1 - WORSHIPPED AND SERVED THE CREATURE MORE THAN THE CREATOR.
Deuteronomy 9:16		16 And I looked, and, behold, ye had sinned against the Lord your God, and had made you a molten calf: ye had turned aside quickly out of the way which the Lord had commanded you. YE HAD TURNED ASIDE QUICKLY OUT OF THE WAY: GH: Ties to Exodus 32:8; Judges 2:17 - TURNED QUICKLY.

Deuteronomy 11:18-30	GH: WoD Teaching	GH: A return for detail in Deuteronomy 4. How Israel was going to function as THE LIGHT OF THE WORLD-Matthew 5:14. v18: YE...YOUR: How you are going to do this for yourself. v19: How you are going to deal with your children. v19: SITTEST...WALKEST...LIEST...RISET: Talk about them all the time. Use every opportunity you have to talk to your children about these STATUTES and JUDGMENTS. v20: DOOR POSTS OF THINE HOUSE: If you leave out the house, you are looking at them. When you come in the door, you are looking at them. v20: UPON THY GATES: When you leave your property, you are looking at them. When you come to your property, you are looking at them. Everywhere you go, you are going to be hearing them. Everywhere you go, you are going to be seeing them.
Deuteronomy 11:18-30	GH: WoD Teaching	v22-23: The means by which the nation will function as THE LIGHT OF THE WORLD-Matthew 5:14. When Israel got ready to go into the land, they knew that all of the Gentile nations really came in two categories and they were supposed to deal with them differently: 1. Nations in the land: Supposed to absolutely destroy them. Weren't supposed to make a peace treaty with them. Weren't supposed to be LIGHT and SALT to them. Those nations didn't just happen to be in that land. Those were Satan's nations in that land. Talk about a nation of EVIL MEN. If you are a nation in the land, they're going to wipe you out. 2. All the nations out of the land: If you are a nation out of the land, Israel was supposed to be LIGHT to you. v24: UTTERMOST SEA: Mediterranean sea. v25: THE DREAD OF YOU UPON ALL THE LAND: When everybody in the land gets destroyed, everyone else is thinking, oh my, Jericho had big walls and they came in the and blew trumpets and broke lanterns and oh my goodness, the walls fell down. I AM laying the FEAR and the DREAD of you upon all of these nations. We are going to get their attention. v26-28: They were under a performance system.

Deuteronomy 11:18-30	GH: WoD Teaching	v29-30: MM says look at all this detail, it's almost like GPS coordinates. He's tell them where to do this and they need to be given some landmarks. v29: PUT THE BLESSING ON MOUNT GERIZIM, AND THE CURSE UPON MOUNT EBAL: How you function as the LIGHT. MM asked himself how do you phyisically PUT THE BLESSING ON MOUNT GERIZIM, AND THE CURSE UPON MOUNT EBAL? There has to be a way to do this. He racked his brain but don't get to Deuteronomy 27. v29: GERIZIM: Means 'cutters down, fellers (not opposed to gals, but to fell a tree), reapers'. Name came from the abundance of things harvested. v29: EBAL: Means "the mound of white stones'. MM says wouldn't it be a real testimony to the blessing and cursing if one mountain was lush and full and the other right across was nothing but a barren pile of rocks. A real visible testimony of God saying you can have this or you can have this. Which one do you want? The fruitfulness compared to the barrenness of the two mountains.
Deuteronomy 11:18-30	GH: WoD Teaching	v31-32: Once they get into the land, to function as the LIGHT and the SALT, they are going to have to do something. In the plains of Moreh (GH: looks to be in central-to north-central Israel) there are two mountains with a valley between them. Mt. Ebal is to the north and Mt. Gerizim is to the south. I want you to put the blessing on Gerizim and the curse on Mt. Ebal. v30: BY THE WAY WHERE THE SUN GOETH DOWN: THE WAY is a road. There was a north-south road that also had a branch to Damascus in plains of Moreh. This was a major trade route if you wanted to go anywhere. Went right in this valley between these mountains. Every Gentile traveler would have to pass between these 2 mountains. Once Israel gets settled in the land, they will open this trade route again and Gentiles are means to come through there. It's on this trade route the Israel will perform the overt act that allows them to begin to function as the LIGHT OF THE WORLD and when they do, God says now you are the people of God. He didn't say no you are my chosen people. This means for the first time they have now begin to function in accordance with His plan and purpose for them in the land. MM says this is the same path Abraham traveled when he came to the land which he knew not. When he stops and builds an altar to the Lord, it is right there (GH: in the valley between Ebal and Gerizim). This road was there in Abraham's day.
Deuteronomy 12:29-30		29 When the Lord thy God shall cut off the nations from before thee, whither thou goest to possess them, and thou succeedest them, and dwellest in their land; 30 Take heed to thyself that thou be not snared by following them, after that they be destroyed from before thee; and that thou enquire not after their gods, saying, How did these nations serve their gods? even so will I do likewise. God is warning them about this. If there is anybody that should have understood why they were being brought into the land and what they were going to be doing there, it should have been Israel. God told them over and over again clearly. If you know why you are doing something and what its purpose is, it is more difficult to get you off track. Even though you know Israel is a perfect example, you can be? Why are you here on Sunday? Not because MM's sparkling personality. Not because you have a couple hours to kill. You know what we are doing here. Easy to forget the purpose of what we are doing and the value we are supposed to place on that and when you forget that, the STRANGE WOMAN now have the perfect opportunity to come in and utilize the world and try and get us off track.

Deuteronomy 13:1-15	GH: WoD Teaching	What Israel learned as they got into the land and committed that overt act of functioning as THE LIGHT OF THE WORLD-Matthew 5:13. For Israel to get to where they finally get to, that's not an accident. Understand with these issues of DARKNESS and LIGHT that back at the Flood, we realize why God brought in the Flood because the world had reached a certain condition that Peter called THE WORLD OF THE UNGODLY-2 Peter 2:5. Wasn't just a phrase. The world at large had rejected God, rejected the LIGHT of the TRUTH, they had embraced the adversary, and embraced the DARKNESS of his untruth, and they didn't want God. They were prideful about it and wore it like a badge of honor. So God sends in the Flood and Noah and his family are the only ones that are left. All 8 know the True & Living God getting off the boat. Satan is coming around again to bring the DARKNESS of his untruth to replace the LIGHT of the Truth. When the LIGHT is shining, we call that daytime. But when the LIGHT begins to wane and the DARKNESS increase, we call it dusk. Wasn't long after the Flood that Satan had succeeded again in replacing the LIGHT of the church of God's Truth with the DARKNESS of his untruths. When you get to a place where the DARKNESS outweighs the LIGHT you no have a condition called NIGHT-Romans 13:12.
Deuteronomy 13:1-15	GH: WoD Teaching	v1-2: Even if he gives you a sign that comes to pass, you don't hearken unto him. v5: MM tying to WALK IN THE WAYS OF DARKNESS-Proverbs 2 and LEAVE THE PATHS OF UPRIGHTNESS-Proverbs 2. v7: THE GODS OF THE PEOPLE WHICH ARE ROUND ABOUT YOU, NIGH...OR FAR OFF...FROM THE ONE END OF THE EARTH...UNTO THE OTHER END: God is warning them on the influence of the gods of the Gentile nations and to be careful about this. The adversary is going to choose this as a way to corrupt you. v8-9: GH: Kill anyone shilling false gods. v10: FROM THE HOUSE OF BONDAGE: Not just BONDAGE to Egypt but they were in BONDAGE to the adversary and made to understand that.
Deuteronomy 13:1-15	GH: WoD Teaching	v13: CERTAIN MEN, CHILDREN OF BELIAL: As soon as they begin to function as THE LIGHT OF THE WORLD-Matthew 5:13, the CHILDREN OF BELIAL are going to come in and be the form that Satan's POE takes against them. It's these first round of attacks to put out their LIGHT and to stop impacting the nations. MM says it doesn't take a genius to figure out a similar circumstance for us. When Satan sends EVIL MEN-Proverbs 4:14 into this assembly, you have to be absolutely persuaded about the things that you understand because when they come in with SUBTILTY they're going to try to be convincing, to go behind the scenes - well, you know, Mike's doing a good job but there's just a few things I have a problem with. MM says this attack was the same in the O.T., the same with us, and the same for the remnant in the future. They committed an OVERT act that had an effect on the nations and we are going to commit an overt act that is going to have an effect on principalities and powers. v13: CHILDREN OF BELIAL: EVIL MEN-Proverbs 2:14. They are going to come in behind the scenes and draw people away from the True & Living God and worshipping the gods that you have not known. v13: AND HAVE WITHDRAWN THE INHABITANTS OF THEIR CITY v14-15: GH: God says destroy it all because He just told them in the prior verses how Satan was going to come against them as the function as THE LIGHT OF THE WORLD-Matthew 5:13.

Deuteronomy 13:1-3		1 If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder, 2 And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them; 3 Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: for the Lord your God proveth you, to know whether ye love the Lord your God with all your heart and with all your soul. Very next verse (from Dt 12:30) warns you of the second opposition being given to you. They are right in a row. Dangerous for Israel - sometimes a guy will come in and prove what he is saying is true by performing a sign or a wonder is going to come to pass. It is naive to believe that just because it happened, it must be of God. People in every age forget that. Big mistake - Satan is counting on that kind of ignorance. God is saying you have to know more than that. This is not the world at all, it's the POE.
Deuteronomy 13:5		5 And that prophet, or that dreamer of dreams, shall be put to death; because he hath spoken to turn you away from the Lord your God, which brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust thee out of the way which the Lord thy God commanded thee to walk in. So shalt thou put the evil away from the midst of thee. SO SHALT THOU PUT AWAY EVIL FROM THE MIDST OF THEE
Deuteronomy 13:8	GH: EVIL MAN	8 Thou shalt not consent unto him, nor hearken unto him; neither shall thine eye pity him, neither shalt thou spare, neither shalt thou conceal him: THOU SHALT NOT CONSENT UNTO HIM: Don't say OK. NOR HEARKEN TO HIM: Don't listen to him.
Deuteronomy 13:12-15	GH: STRANGE WOMAN / Prayer	12 If thou shalt hear say in one of thy cities, which the Lord thy God hath given thee to dwell there, saying, 13 Certain men, the children of Belial, are gone out from among you, and have withdrawn the inhabitants of their city, saying, Let us go and serve other gods, which ye have not known; 14 Then shalt thou enquire, and make search, and ask diligently; and, behold, if it be truth, and the thing certain, that such abomination is wrought among you; 15 Thou shalt surely smite the inhabitants of that city with the edge of the sword, destroying it utterly, and all that is therein, and the cattle thereof, with the edge of the sword. CHILDREN OF BELIAL: Ones that are actually sent in under the POE to get you off track and it is purely religious in nature. BELIAL: Means of no value or worthless.
Deuteronomy 15:4	IP : Blessings : Physical	4 Save when there shall be no poor among you; for the Lord shall greatly bless thee in the land which the Lord thy God giveth thee for an inheritance to possess it: BLESS THEE IN THE LAND: Israel had physical blessings.
Deuteronomy 15:6		6 For the Lord thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee. People incorrectly believe that God will intervene if they claim the promises.

Deuteronomy 15:12-15		12 And if thy brother, an Hebrew man, or an Hebrew woman, be sold unto thee, and serve thee six years; then in the seventh year thou shalt let him go free from thee. 13 And when thou sendest him out free from thee, thou shalt not let him go away empty: 14 Thou shalt furnish him liberally out of thy flock, and out of thy floor, and out of thy winepress: of that wherewith the Lord thy God hath blessed thee thou shalt give unto him. 15 And thou shalt remember that thou wast a bondman in the land of Egypt, and the Lord thy God redeemed thee: therefore I command thee this thing to day. Slavery type - Example of Indentured servitude: When a man owed a debt he couldn't pay, would sell himself into slavery until debt paid. Notice the scope is limited in time. It was not a permanent position, no matter how large the debt was, he was not going to serve more than 6-7 years (in the 7th year he goes free). THY FLOOR: Threshing floor (grain) - the grains and the things they harvested and put into the barns. Shows indentured servitude - This is where a man owed a debt that he could not pay, and he “sold himself” into service as a slave or servant until his debt was paid. For Israel, indentured servitude was limited in time, it could not last more than seven years, no matter how large the debt. When the Bible talks about masters and servants, we can understand it to mean for us: employers and employees. Paul is constantly saying to obey those who are our masters “in the flesh.” If you work a job and you have a boss, then you have someone you are accountable to “in the flesh.”
Deuteronomy 15:16-17		16 And it shall be, if he say unto thee, I will not go away from thee; because he loveth thee and thine house, because he is well with thee; 17 Then thou shalt take an aul, and thrust it through his ear unto the door, and he shall be thy servant for ever. And also unto thy maidservant thou shalt do likewise. Slavery type - Example of a Bondslave: Maybe started as an indentured servant, got engrained with the family and didn't want to leave. This was a slave who wanted to stay with his master and serve him the rest of his life. This was done voluntarily. Would put him and his ear right up next to the door and take that aul and hammer that aul through that. When you saw that, it was a sign of a bondslave. Would be a voluntary decision that he would make. v17: A bond servant was forever.
Deuteronomy 17:3	GH: Creature description	3 And hath gone and served other gods, and worshipped them, either the sun, or moon, or any of the host of heaven, which I have not commanded; OR ANY THE HOST OF HEAVEN

Deuteronomy 17:14-20	GH: GPPI verse	As early as Deuteronomy, God tells them they are going to ask for a king and He tells them: * what the king cannot do * what the king needs to do * why the king needs to do it v14: God warned them of this all the way back in Deuteronomy when He knew they would ask for a king like the other nations. God knew this day was coming. v16-17: God commands the king, these are the things that you may not do. These are the very things that Solomon does. He does exactly what the king was commanded NOT to do. God has blessed him greatly, but it all goes to his head and he gets lifted up and begins to think of himself more highly than he ought to think. v16: HE SHALL NOT MULTIPLY HORSES...NOR CAUSE THE PEOPLE TO RETURN TO EGYPT, TO THE END THAT HE SHOULD MULTIPLY: God is saying don't go back to the place I LED you out of to get horses. MM tying to AND SOLOMON HAD HORSES BROUGHT OUT OF EGYPT-1 Kings 10:28.
Deuteronomy 17:14-20	GH: GPPI verse	v17: MM says you see all of this in Solomon's lifetime. v17: NEITHER SHALL HE MULTIPLY WIVES TO HIMSELF: Solomon multiplied wives to himself. MM tying to HE HAD SEVEN HUNDRED WIVES, PRINCESSES, AND THREE HUNDRED CONCUBINES-1 Kings 11:3. v17: THAT HIS HEART TURN NOT AWAY: Why he shouldn't MULTIPLY WIVES TO HIMSELF. v17: NEITHER SHALL HE GREATLY MULTIPLY TO HIMSELF SILVER AND GOLD: Silver was as common as rock. MM tying to MADE SILVER TO BE IN JERUSALEM AS STONES-1 Kings 10:27. v18: Saying that when the king is sitting on his throne, here's what he's supposed to do - go to the Levites who have all of the copy of the law and you take that, and you sit down, and you write yourself a copy. STORY: MM as a kid was worried his Bible was wearing out and he tried to make a copy on a Big Chief tablet. MM says if you are going to write that law, it will take you time to do that and that means that you're going to read that law. You're going to know what it says. And in Deuteronomy here you will get: * don't multiply wives * don't multiply horses * don't multiply silver * don't go back to Egypt

Deuteronomy 17:14-20	GH: GPPI verse	You will read all of this and then write it down. There's no way that you can say, hey, I didn't realize that was in there. That was the law given to the king. That he was supposed to write him a copy. v20: The why of the prior verses. v20: THAT HIS HEART BE NOT LIFTING UP ABOVE HIS BRETHREN, AND THAT HE TURN NOT ASIDE FROM THAT COMMANDMENT: God was prohibiting the actions in v16-17 because He knew they lead to the king's heart being "lifted up." That's the "pride issue" you see with Solomon in 1 Kings. The heart being lifted up was the problem that developed under the time of greatness and power under Solomon. v20: THAT HIS HEART BE NOT LIFTING UP ABOVE HIS BRETHREN: Pride. Doing the prior verses will keep his heart from being lifted up. Pride is the sense of supremacy you feel because of what Israel has become. MM tying to Ezekiel 30:4. v20: THAT HE TURN NOT ASIDE FROM THAT COMMANDMENT, TO THE RIGHT HAND, OR TO THE LEFT:
Deuteronomy 18:18	GH: GPPI/EoM verse	18 I will raise them up a Prophet from among their brethren, like unto thee, and will put my words in his mouth; and he shall speak unto them all that I shall command him. THAT PROPHET LIKE UNTO MOSES: Moses was a deliverer and a prince, and Jesus became a Prince and a Savior functioning as Israel's Deliverer.
Deuteronomy 18:18	Non-MBI	18 I will raise them up a Prophet from among their brethren, like unto thee, and will put my words in his mouth; and he shall speak unto them all that I shall command him. RS: Theme in Matthew is that Jesus is a new Moses. The Prophet referenced here.
Deuteronomy 20:10-20	Non-MBI	RB: v10: EMIMS: Giants - trace back to Genesis 14:5. v10: ANAKIMS: Giants - Numbers 13 and Moses sending spies to check out the land. Trace back to Numbers 27-28. **Two types of cities - cities that the children of Israel will fight against** **1. Cities that are not cities of the giants - v10-15 are instructions for cities not cities of giants** **2. Cities of the giants - v16-17: are instructions for cities of giants - How to deal with the cities of the giants - kill them all** Different instructions for each type of city - how to take care of them, how to handle them v20: ZAMZUMMIMS: Giants
Deuteronomy 21:18-23		Burning was not the common way of burial for someone who had been executed for some sin against God. v21: ALL THE MEN OF HIS CITY SHALL STONE HIM WITH STONES, THAT HE DIE v22: AND IF A MAN HAVE COMMITTED A SIN WORTHTY OF DEATH, AND HE BE PUT TO DEATH, AND THOU HANG HIM ON A TREE v23: HIS BODY SHALL NOT REMAIN ALL NIGHT UPON THE TREE, BUT THOU SHALT IN ANY WISE BURY HIM THAT DAY; (FOR HE THAT IS HANGED IS ACCURSED OF GOD;) THAT THY LAND BE NOT DEFILED: Burying him that same day lest the decomposition of the body present disease to the living, which would "defile the land."

Deuteronomy 22:5		5 The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the Lord thy God. The preaching was that women who wore pants were an abomination to God. GH: People trying to pipe this into the DOGG is doctrinally innaccurate.
Deuteronomy 22:5	Non-MBI	5 The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the Lord thy God. GH: God weighs in on cross-dressing/costumes/trans-gender.
Deuteronomy 25:1-3	JUSTIFICATION #4: Justification by human judges. (Deals with civil and criminal matters within Israel)	1 If there be a controversy between men, and they come unto judgment, that the judges may judge them; then they shall justify the righteous, and condemn the wicked. 2 And it shall be, if the wicked man be worthy to be beaten, that the judge shall cause him to lie down, and to be beaten before his face, according to his fault, by a certain number. 3 Forty stripes he may give him, and not exceed: lest, if he should exceed, and beat him above these with many stripes, then thy brother should seem vile unto thee. JUSTIFICATION #4: Justification by human judges. (Deals with civil and criminal matters within Israel) Deals with the judges within Israel who are charged with keeping law and order. v1: JUSTIFY THE RIGHTEOUS
Deuteronomy 25:17	GH: GPPI verse	17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt; WHAT AMALEK DID UNTO THEE BY THE WAY, WHEN YE WERE COME FORTH OUT OF EGYPT: GH: One of the harsh things said about Amalek in the Bible. Reminding them what AMALEK did when the Satanic policy of evil came against you. AMALEK: Is the nation that Satan raises up to oppose Israel before they ever get to the land.
Deuteronomy 25:19	GH: GPPI verse	19 Therefore it shall be, when the Lord thy God hath given thee rest from all thine enemies round about, in the land which the Lord thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it. BLOT OUT THE REMEMBERANCE OF AMALEK FROM UNDER HEAVEN: GH: One of the harsh things said about Amalek in the Bible. He is so incensed about AMALEK because that was the nation in which the policy of evil came against them when they came out of Egypt to go into the land. From generation to generation it is going to be this way and God is saying I AM going to BLOT OUT THE REMEMBERANCE OF you.
Deuteronomy 27-28	GH: GPPI verse	Similar to Leviticus 26, except you don't get it in sequential order. But what you do get is a little more detail with what you're seeing in Leviticus 26.

Deuteronomy 27:1-13	GH: WoD Teaching	Cycling back a third time for more detail (GH: Deut 4 -> Deut 11 -> Deut 27). Still on the east side of Jordan. Looking at what they are told to do. They haven't crossed over yet but He is instructing them about this. The doing of it is in Joshua 8. v2: SET THEE UP GREAT STONES, AND PLAISTER THEM WITH PLAISTER: This is on the east side of Jordan. v3: WRITE UPON THEM: Write on the GREAT STONES...WITH PLAISTER the STATUTES and JUDGMENTS. This means they carried them to Jericho, they carried them to Ai, and then to the valley between Mt. Gerizim and Mt. Ebal. They set those stones on top of each mountain, with the BLESSINGS on Gerizim and the CURSES on Ebal-Deuteronomy 11. The world's first bill boards. When you walk by, you could read the words on these stones - IN THE SIGHT OF THE NATIONS, there's the first part. Read that and think Deuteronomy 4 - FOR WHAT NATION IS THERE SO GREAT, WHO HATH GOD SO NIGH UNTO THEM-Deuteronomy 4:7 and what A WISE AND UNDERSTANDING PEOPLE-Deuteronomy 4:6. If someone saw that, it's likely they would read it and want to find someone who lived in that land and say what is the deal with this? Find someone and now they HEAR - there's the second part. They SAW and they HEARD. Where Israel began to function as the LIGHT. MM says that this is a sit up and take notice event that is serving as a testimony to the Gentile nations. CASTing OFF THE WORKS OF DARKNESS and PUTting ON THE ARMOUR OF LIGHT-Romans 13:12 are no less of a display, only to principalities and powers.
Deuteronomy 27:1-13	GH: WoD Teaching	v5: THOU SHALT NOT LIFT UP ANY IRON TOOL UPON THEM: Because that's the way the Gentiles did it. Israel was not going to be like the Gentiles. They were going to be distinct, they were going to do it in a different way. v8: VERY PLAINLY: Not just talking about illegible handwriting, talking about it so it can be read. Think big letters. GH: Don't want a big stone with small print and a bunch of left over space. v9: O ISRAEL; THIS DAY THOU ARE BECOME THE PEOPLE OF THE LORD THY GOD: When they did this, they finally began to function in accordance with God's plan and purpose for them. Our parallel is not until we CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT-Romans 13:12 do we finally begin to fulfill God's plan and purpose for the body of Christ.
Deuteronomy 28		Get the same thing you saw in Leviticus 26 (5 cycles of judgment - whole history in a nutshell). He has been giving them the law a second time. The first time was 40 years previous and that generation except for a few had died off in the wilderness. You have a whole new generation going into the land. They're under the law and God says I AM going to read to you the law again so you are reminded of all the things that this nation is contracted to do. Gives the 5 cycles of judgment again. Even given a few additional details. Means the second giving of the law. God first gave the law at Mount Sinai. Then, they sent spies into the land, they came back and took a vote. Said we don't want to go into the land, those guys are giants, we're like grasshoppers. Yes, it is a land flowing with milk and honey but my goodness, we will never take over this land. So they wander in the wilderness for 40 years and a generation dies out. Then, they get ready to go into the land again at the end of the wilderness wanderings. Just to make sure they are all clear in their mind God gives the second giving of the law. He says to Moses, read the law to them all over again as they get ready to go into the land so it'll be fresh in their mind. The second account of the giving of the law.

Deuteronomy 28		BLESSINGS: Amount that God counteracting and is working in opposition to the SOPT and what would normally be happening in the world. Satan ends up fleeing from them (Think James verse). Eventually get to the place where God takes away the hedge, He leaves, and Satan comes back and tears that place apart. Got exactly what the courses of punishment called for. If they disobey, they get the SOPT intensified - I WILL PUNISH YOU SEVEN TIMES MORE FOR YOUR SINS. Ultimately, He turns them over to the adversary and they get driven clean out of their land. v1: THE LORD THY GOD WILL SET THEE ON HIGH ABOVE ALL NATIONS OF THE EARTH: By this time they are already distinct and separate from the other nations of the earth that was set forth in the Abrahamic covenant. v2: They will get to experience some things that the other nations won't get to experience - the blessings. Blessings will be visible and phenomenal to all the other nations of the world. Other nations will not get those blessings. Other nations will compare their situation to Israel's and ask how come? v4: Israel will not have any birth defects, still births, miscarriages with their human children or even their animals. No kids with special needs. What kind of impact would that make?
Deuteronomy 28		v5: Their garden is going to produce abundantly. v6: Whereever you go, will be from one prosperous area to another. v7: Where the Satanic POE slips in. Was never supposed to be a defeat, all based on performance. v8: The Lord is commanding the very opposite of the SOPT to happen. Will not only be able to feed themselves, but able to feed those that are about them. v8: ALL THAT THOU SETTEST THINE HAND UNTO: EX Chop down a tree in the woods and never accidently chop your hand off. Not you are going to have less accidents, you are not going to have any. v10: THEY SHALL BE AFRAID OF THEE: Wouldn't that scare you? Israel had no sickness, no accidents, healthy kids and flocks, plenty of produce, get rain when you need it. Will inspire fear. Blessings: v11: PLENTEOUS IN GOODS v11: FRUIT OF THY BODY: You are going to have lots of kids. MM jokes he wonders about the blessing part of this one. v11: FRUIT OF THY CATTLE: Your livestock is going to have lots of little ones. Your herds will increase. Won't have to hope. v11: FRUIT OF THY GROUND: Whatever you plant is going to come up in abundance. I AM going to increase all of that. Won't have to hope.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28		v12: GIVE THE RAIN: Not going to just hope you get rain, you will get it when you need it. v12: BLESS ALL THE WORK OF THINE HAND v12: LEND UNTO MANY NATIONS v12: NOT BORROW v12: Have plenty and give it to other nations and they see the blessing of the Lord. God changes the natural weather pattern over Israel to make it unlike anywhere else in the world. v13-14: If they do what they are supposed to do, this land will function like no other land is ever going to function. v13: MAKE THEE THE HEAD v13: SHALT BE ABOVE ONLY
Deuteronomy 28	GH: 5 CoP	v13: TO OBSERVE AND TO DO THEM: There's the performance aspect but if they perform, they are going to get it all. God could have just wiped out the Gentiles from the land of Canaan and put them in the land. Wasn't just about this. It was about showing everybody else they needed to see it. v15: Starts the curses. Ties back to original curse in Genesis 3. v16-19: Same terminology as the blessings earlier only turned around. Means there is no exception to either the good or the punishment God will do to them. v25: See the POE coming in. v25: SHALT BE REMOVED INTO ALL THE KINGDOMS OF THE EARTH: GH: Happened with the Assyrian and Babylonian captivities.
Deuteronomy 28:1-2		1 And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord thy God, to observe and to do all his commandments which I command thee this day, that the Lord thy God will set thee on high above all nations of the earth: 2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord thy God. With Abraham, God begins His program with Israel and says to I AM going to use you to accomplish my original purposes in creating this earth to begin Abraham's seed will become the head of all nations. Be part of a Kingdom (AGES TO COME) over all the other nations of the world. Incorrect teaching that God blesses us in material ways when we are righteous, which means we live honestly, go to church and give tithes and offerings. People incorrectly believe that God will intervene if they live for God (this assumes punishment is for sin, God punishes sinners but not the righteous). Israel had something in their law that they could avoid both categories of sufferings. The portion of the Law that allowed for Israel to either completely escape both categories of sufferings or at least, have them greatly minimized. First written in Levitius 26. Some areas word for word. The law told them what type of fabrics they could mix up together in the garments they wore. The law told them about their diet - couldn't eat ham, pulled pork with BBQ sauce, bacon.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:1		1 And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord thy God, to observe and to do all his commandments which I command thee this day, that the Lord thy God will set thee on high above all nations of the earth: AND IT SHALL COME TO PASS: Means that God is going to make something happen. IF THOU SHALT HARKEN DILIGENTLY UNTO THE VOICE OF THE LORD THY GOD THAT: See the condition if the former comes to pass then there is going to be some kind of benefit that comes from that. If you observe and do all his commandments, than all the categories that you consider in the SOPT (even though Moses doesn't use that term) can be counteracted. If you obey, get all this good stuff. Also, when the adversary attempts to oppose them, God will step between them and the adversary so they can actually do away with both of those (GH: types of sufferings). God is saying the blessing, you'll avoid these things but more than that, you're going to get the benefit that goes beyond just avoiding them. But if you violate it, you're not just going to get these, you're going to get them 7x worse. Gentiles are stuck in the middle. GH: Not near the blessings or cursings. The Law set a condition whereby God will do something. The Law is a performance contract. God says that if they perform, He will respond this way, if they don't perform He will respond another way. The issue comes down to if they respond and comply He will bless, if they don't respond positively and don't comply, He will curse.
Deuteronomy 28:1		1 And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord thy God, to observe and to do all his commandments which I command thee this day, that the Lord thy God will set thee on high above all nations of the earth: Summary: How the blessings are described in this chapter, they amount to: 1. God counteracting the effects of the sufferings that are common to man (due to the bondage of corruption). But not only counter- acting them but actually working in opposite to them so instead of what normally would be expected in the bondage of corruption the opposite takes place. GH: spared from the SOPT (sickness & disease, being overcome by your enemies, drought from the BONDAGE OF CORRUPTION-Romans 8 - God will counteract these) 2. The blessings also involve when the Adversary attempts to oppose Israel, God will step between Israel and Satan resulting in Satan fleeing from them. Think James 4 - SUBMIT TO GOD, RESIST THE DEVIL AND HE SHALL FLLE FROM YOU-written to the remnant in the day of wrath. GH: spared from the SoC THE LORD THY GOD WILL SET THEE ON HIGH ABOVE ALL THE NATIONS OF THE EARTH: Israel is already a distinct people, the law ensured that. They do things nobody else does. That original distinction is found in the Abramic Covenant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:1-2		2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord thy God. ALL THESE BLESSINGS SHALL COME ON THERE, AND OVERTAKE THEE IF THOU SHALT HEARKEN UNTO THE VOICE OF THE LORD THY GOD: Notice that all these blessings are conditional. Blessings are really the avoidance of these two categories - SOPT & SoC. As you read the chapter, see everyone of these things are either SOPT or SoC. If they had kept the law, they could have avoided all of it. Point: God made no such covenant with the body of Christ. He not only didn't make a covenant, He told you that you are NOT under that law. You are never told that you will avoid these, you are told that you will encounter these so your response has to be different. What God is trying to do with you He could never do with Israel as long as they were children under the law. Israel is going to get some blessings the other nations are not going to have. OVERTAKE THEE: When it says these blessings will "overtake" Israel, it includes the idea of being carried by or swept away by them. It is going to be phenomenal and it is going to be seen by the other nations and it will have a tremendous impact on them. The other nations will ask why these things occur naturally with Israel and not with them. "Why are we sick and suffering and Israel has none of these things?"
Deuteronomy 28:3-10	IP : Blessings : Physical	Israel had physical blessings. If you were an Israelite in the prophetic program, you would expect God to * give you military victory over your enemies * give you rain so your crops will come up. * heal you of diseases. Would expect that because the word of God would say that to if you were obedient. But you find nothing like this in 13 of Paul's epistles. Yet, people expect it because they still think that's what God is doing because they don't understand some things were written to Israel under the law and some thing were written to the body of Christ under grace under two different programs.
Deuteronomy 28:3-10	IP : Blessings : Physical	And if you still think God is doing that, you are going back into Israel's O.T. scriptures and pulling that out. MM gives the typical examples of how this affects your prayer life. Like thanking God for physical blessings. MM understands there's an honest, sincere desire to give God glory for all the good things happening in your life. Not to offend anyone, it is well-intended but not intelligent. Not trying to insult people. They are not discerning what God is and is not doing in this DOGG. v3: BLESSED SHALT THOU BE IN THE CITY: v3: BLESSED SHALT THOU BE IN THE FIELD: v4: BLESSED SHALL BE THE FRUIT OF THY BODY:
Deuteronomy 28:3-10	IP : Blessings : Physical	v5: BLESSED SHALL BE THY BASKET AND THY STORE: v6: BLESSED SHALT THOU BE WHEN THOU COMEST IN: v6: BLESSED SHALT THOU BE WHEN THOU GOEST OUT: v7: FLEE BEFORE THEE SEVEN WAYS: Because your enemy is scattered. v8: THE LORD SHALL COMMAND THE LESSING UPON THY STOREHOUSES: v8: HE SHALL BLES THEE IN THE LAND WHICH THE LORD THY GOD GIVETH THEE:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:3		3 Blessed shalt thou be in the city, and blessed shalt thou be in the field. Wherever you live whether in field/country or city/town or suburbs as the farmer, wherever you are in the land you'll be blessed/these blessings can come upon you.
Deuteronomy 28:4		4 Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep. There will be no birth defects, no still births, no spontaneous abortions, no miscarriages, or any of that type of stuff either to the people or their flocks; their cattle, their animals. Saying you are going to have kids, plenty of produce, your livestock will increase. THE FRUIT OF THY BODY: Children THE FRUIT OF THY GROUND: Produce
Deuteronomy 28:5		5 Blessed shall be thy basket and thy store. THY BASKET AND THY STORE: When they go to get something from their garden, their garden will be bringing forth abundantly. They will not experience the curse on the earth from Genesis 3:17-19.
Deuteronomy 28:6		6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out. COMEST IN...GOEST OUT: Their traveling from place to place. In all their traveling they will be going to go from one prosperous area to another prosperous area. When they go out to do their business they will go out with prosperity and they'll return with prosperity. The typical crunching effect of economics won't work upon them. When a guy goes to do business from one place to another, will be a prosperous journey to be able to do that. What we would all like in the economy today.
Deuteronomy 28:7		7 The Lord shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways. TO BE SMITTEN FLEE BEFORE THEE After hearing this, Israel should have some level of confidence going into the land. The problem what that is when they got into the land and that first generation died GH: they veered off. Here's when the satanic policy of evil clicks in against them. The LORD is going to "cause" v7 to happen. That is not the natural thing that takes place. The Adversary is going to try and afflict them but God will cause those enemy armies to "flee seven ways." They all come as an army but boy when the battle is over they're just all running and scattering everywhere.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:8		8 The Lord shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the Lord thy God giveth thee. He's going to command the blessing. These are things that go beyond the natural issue; he's going to command the blessing. The normal thing would be for the deterioration process of the bondage of corruption to be in effect. You would have draught, storms that would tear up crops, locusts eating everything, diseases, sicknesses, etc. These are actually going to get reversed. The LORD is going to countermand that natural process. ALL THAT THY SETTEST THY HAND TO: Means it doesn't matter what you want to do, God is going to make that thing happen successfully. It's that what everyone is after? This is given to Israel by covenant. All that you set your hand unto means that the guy cutting a log with a saw couldn't cut himself by accident.
Deuteronomy 28:9		9 The Lord shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the Lord thy God, and walk in his ways. IF: This is an IF issue, there's a condition attached to it. Israel is going to be able to avoid all of those things. And if Israel was avoiding those things, don't you think that people around them on their borders would take notice? They will be looking at this and God means for them to look at this.
Deuteronomy 28:10		10 And all people of the earth shall see that thou art called by the name of the Lord; and they shall be afraid of thee. Won't just say Israel is lucky, they are going to know this is Israel's God and there is not a god that can do that kind of stuff. If a guy is worshipping Molech and seeing what Israel's God is doing for them, he has to be looking at Molech with different eye. But Molech has no power to produce that. Those superstitious Gentiles. Paul pegged Gentiles. MM asks do you know how easy it is for the POE to suck in a Gentile? The people of the earth are going to be able to come along and say things are happening to these guys that don't happen to us. The Gentiles would be saying, "We suffer, we toil, we labor and we moan and groan for all that happens to us and one of those things are happening to them." THEY SHALL BE AFRAID OF THEE: That's the impact they're going to have on the nations. The difference will be so great as to inspire fear! The rest of the nations will wonder what is going on with the people of Israel. With good reason - they are thinking that if we mess with these people, they have a God that could really make us pay. God means for them to be seen that way among the nations of the world.

Deuteronomy 28:11		11 And the Lord shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the Lord sware unto thy fathers to give thee. The issue isn't your not just going to have enough for yourselves, your going to have "plenteous in goods," that's so they can have an impact on those nations out there and start offering it to them. The LORD is going to change the natural weather patterns over the land of Israel so that it operates in perfect accordance with their needs, not like it will do in the rest of the world. Israel will be in such a position of prosperity that they will lend to the other nations of the world. PLENTIOUS IN GOODS: You not only have enough for yourselves, you've got enough for others as well. They are going to come and buy from you because they are not going to have it. When they come into their land, they weill say they have never seen anythings like this. God means for this to be a testimony. IN THE FRUIT OF THY BODY: You are going to have lots of kids. MM jokes that some of you are saying and how is that a blessing?
Deuteronomy 28:12		12 The Lord shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow. If they meet the condition, they will not fall on tough times. That is the avoidance of the SOPT. This whole passage is.
Deuteronomy 28:13-14		13 And the Lord shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the Lord thy God, which I command thee this day, to observe and to do them: 14 And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them. They not only avoid the sufferings that are common to man because of the bondage of corruption, they not only avoid the sufferings from the satanic policy of evil because of who they are in God's plan and purpose, but they get more than avoidance of sufferings. They have their land functioning as God originally intended it; they have "plentousness." MM asks if you have really seen the Hand of God bless you, why in the world would you go after another god? You would have to be duped/completely fooled by the counterfeit.
Deuteronomy 28:15		15 But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee: Incorrect teaching: But if we do (GH: not?) live righteously, then God will punish us, just as He is punishing America now. The "cursings" turn out to be what would have been happening to them if they had not avoided them through obedience. If they don't comply; they will get the sufferings from both categories. Now He is going to list the curses - no rain, no increase of cattle, no plenty of seed, no blessed in the city or country, etc.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:16-19		16 Cursed shalt thou be in the city, and cursed shalt thou be in the field. 17 Cursed shall be thy basket and thy store. 18 Cursed shall be the fruit of thy body, and the fruit of thy land, the increase of thy kine, and the flocks of thy sheep. 19 Cursed shalt thou be when thou comest in, and cursed shalt thou be when thou goest out. Notice the same terminology as before that they were going to be blessed in (GH: only reversed for the curses). All the things you would have received a blessing in are now going to turn sour for you. The curses are directly related to the original curse that was recorded in Genesis 3:17-19. If Israel disobeys, not only will those natural curses come upon them, but God will increase them in the land of Israel. That is what those 5 courses of punishment are all about both in Deuteronomy 28 and Leviticus 26. The bondage of corruption will take upon you and I won't shield you from it; the satanic policy of evil will effect you and I won't stand in his way. All God is doing here is letting the BONDAGE OF CORRUPTION take its course. The SOPT are now a judgment. GH: Israel's situation will be either really really good or really really bad with Gentiles sitting in the middle under the standard BONDAGE OF CORRUPTION and SOPT. GH: Summary of the 5 CoP?
Deuteronomy 28:18-24		v18: GH: There will be diseases of their livestock too. That would have an effect on their ability to produce an income, feed themselves, and such like. v22: CONSUMPTION... EXTREME BURNING...SWORD: The physical ailments (diseases) are amplified a bit as we see "fever" and "inflammation" and "extreme burning." MM trying to 1st CoP in Leviticus 26:16 - companion passage. SWORD is reference to their enemies overcoming them, the slaying of them by their enemies (GH: later cycles?). v23: HEAVEN...SHALL BE BRASS..EARTH...SHALL BE IRON: Getting a little more detail here. In the first cycle they had an abundance of crops in their storehouses. These were being raided and plundered so that they began to pay tribute to stop those raids, just so they could hang on to what they had produced. In this second cycle, God will not give them any abundance to store, but they will suffer crop failure. The lack of rain will harden the ground and stop the productivity of the land for them. See God upping the ante. MM tying to 2nd CoP in Leviticus 26:19. v24: THE RAIN...POWDER AND DUST: Not saying you are not going to get rain, it will rain POWDER AND DUST. That's going to be your rain.
Deuteronomy 28:21		21 The Lord shall make the pestilence cleave unto thee, until he have consumed thee from off the land, whither thou goest to possess it. v21-43: Reminds of Psalm 44:22. Happening to the entire nation. SHALL MAKE PESTILENCE CLEAVE UNTO THEE
Deuteronomy 28:24		24 The Lord shall make the rain of thy land powder and dust: from heaven shall it come down upon thee, until thou be destroyed. Incorrect teaching: So, if we have droughts, floods, hurricanes or tornadoes; that is God punishing us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 28:25		25 The Lord shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth. They are going to suffer at the hands of their enemies. In God's program with Israel sufferings from the two categories of sufferings could be avoided. Even if they started to experience them, they could be stopped and avoided again if Israel responded to the chastisements, punishments of the courses.
Deuteronomy 28:36-37		36 The Lord shall bring thee, and thy king which thou shalt set over thee, unto a nation which neither thou nor thy fathers have known; and there shalt thou serve other gods, wood and stone. 37 And thou shalt become an astonishment, a proverb, and a byword, among all nations whither the Lord shall lead thee. Also talked about in Leviticus 26, prophecized the first installment of the 5th CoP - Babylonian captivity.
Deuteronomy 28:38		38 Thou shalt carry much seed out into the field, and shalt gather but little in; for the locust shall consume it. Incorect teaching: Preachers blame natural causes for crop failure on the hand of God.
Deuteronomy 28:49-68		Doesn't matter how faithful you are as an individual - the loss of property, the loss of family, the hunger that came from long seiges - these happened to everybody. No wonder they declared Psalm 44:22.
Deuteronomy 28:60		60 Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee. Incorrect teaching: Many preachers blame sickness on sin.
Deuteronomy 29		Talks about why Israel failed and are going to get booted out(VOMITED OUT) of their own land. What was supposed to happen to the Gentiles in there will wind up happening to Israel.
Deuteronomy 29	GH: GPPI verse	The time is just before they cross over Jordan into the land. At this point, Moses is still alive since you know that Moses dies before the people actually enter the land under Joshua's leadership. In the preceding chapters, the law has been gone over again for this generation that is about to enter the land. In the chapter preceding, Deuteronomy 28, the curses have been gone over in some detail. After going over the curses in Deuteronomy 28, God speaks to Moses about an additional covenant with Israel in chapter 29. God has Moses do three things to prepare the nation for entry into the land. One of the things God has Moses do is make an additional covenant between God and Israel just as they are entering into the covenant of the law at Mt. Sinai. The law was a performance contract they signed at Mt. Sinai, but there is another we need to look at that is unconditional, meaning God is the only One that bears any responsibility in the contract. God is the One that's going here is something I AM going to do and Israel needs to do nothing to get it. So it is different from the law in that respect. But this additional covenant is very important. We don't hear it talked about much. This covenant provides for God to put into effect His Jehovah-ness and grace while they are under any CoP. Contains an extra covenant where God says that He will put His name into effect, but He doesn't say how He will do it. That covenant does not explain how God will be their Redeemer. It does not say how God will be their conquering hero. It simply says that He will do it, but not how He will do it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 29	GH: GPPI verse	Without God providing for them according to his Name (His Jehovah-ness) and giving it to them as a gift (by grace) they would never survive the 5th CoP. Means without this additional covenant, it would result in them being completely wiped out. God says if all I DO is go by the law, you will all be exterminated before it is over. So God says I AM going to make another covenant. It doesn't nullify the law, it is in addition to the law. So God will deliver them (a remnant) from the annihilation they face in the fifth cycle and make them into that GREAT NATION-Genesis 12:2 that they needed to be in God's plan and purpose with them. God will, by His faithfulness to His promises and His unlimited resources at their disposal, establish His kingdom on the earth. He will make them into all they were supposed to be; a kingdom of priests and a holy nation, which they could never accomplish on their own. This is the purpose of this additional covenant, which is an unconditional, one-sided covenant where God will take the initiative to fulfill it. MM says the more he thinks about this the more he believes they would have been wiped out way before the 5th CoP if not for this covenant. v1: BESIDE THE COVENANT: There is an additional covenant. MM says you are going to love this one and Israel should love this one. It's the Genius of God. It's not based on their performance. They don't have to do anything to get this covenant.
Deuteronomy 29	GH: GPPI verse	v1: THE COVENANT WHICH HE MADE WITH THEM IN HOREB: Is the law which they received at Mt. Sinai. God had just reviewed details of the law in the previous chapters because He intends for the agreement along with the blessings and cursings to be fresh in their minds as they enter the land. At this time, God wants to enter into an additional covenant. This covenant is not the same as the law covenant in that it is not based on their performance. It is unconditional, based on God's Jehovah-ness and grace. v20: ALL THE CURSES THAT ARE WRITTEN IN THIS BOOK SHALL LIE UPON HIM: This covenant is in view of what God knows will happen. He knows that they will get the curses of the law and not the blessings. He knows they will not succeed on their own. He knows the policy of evil against them will prevail. He knows they will eventually be expelled out of the land He is about to bring into. God not only knows all this, but He tells them what He knows. It is because God knows what is going to happen that He enters into a covenant with them. MM says everyone doesn't rebel at the same time. Even though the nation gets curses, so do men. Remember one city got rain but another didn't. v23: THE OVERTHROW OF SODOM, AND GOMORRAH: Amos references AS GOD OVERTHREW SODOM AND GOMARRAH-Amos 4:11. v23: OVERTHROW: Overthrow is taking something over by force, you are putting something down and exercising some kind of dominion over it. You're overcoming it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 29:1	Covenant : Palestinian or Jehovahness	1 These are the words of the covenant, which the Lord commanded Moses to make with the children of Israel in the land of Moab, beside the covenant which he made with them in Horeb. Just before they go into the land. THE COVENANT: The Palestinian covenant. BESIDE THE COVENANT: This is an extra covenant. HOREB: Sinai. Like Windy City=ChiTown=Chicago. No one refutes that. Settled issue. God tells Moses that He is giving them another covenant. Even though they hadn't stepped into the land yet, God knew that they would fail miserably under the law because it was humanly impossible for them to do what they entered the law to do. Israel entered into the law to produce on their own the two components of spiritual fitness (perfect righteousness from justification and perfect holiness from sanctification) needed to be used by God. Before they ever crossed into the land, God was so sure of their failure, He said I AM going to make this covenant. Called the Palestinian covenant. Not a covenant for the land. It says all the things that I plan to do I AM going to do for you by my Name Jehovah and give them to you as a free gift of grace because that is the only way it's going to get done. Really a covenant about His Jehovahness because He knows they're going to fail under the Old covenant. They failed so miserably in that land, they got to the 5th cycle of punishment and they were expelled (VOMITED) out of the land. Was supposed to happen to the Gentiles but now it is happening to them as a result of their rebellion and sinfulness. Northern Kingdom taken away captive to Assyria. Southern Kingdom taken away captive to Babylon. They PINE AWAY in the land of their Gentile enemies and at that point it looks like they will never be the royal priesthood and the holy nation and all of those things they were supposed to be, they would never get the great nation the Abrahamic covenant said they were supposed to be. God says I better make another covenant that tells you because I know you're not going to get it done, I AM going to do all of this for you. They are about to go into the land for the first time and God says when you are carried away captive, I will bring you back-v3. That's how sure they are going to fail under the covenant of the law.

Deuteronomy 29:4		4 Yet the Lord hath not given you an heart to perceive, and eyes to see, and ears to hear, unto this day. THE LORD HATH NOT GIVEN YOU AN HEART TO PERCEIVE, AND EYES TO SEE, AND EARS TO HEAR, UNTO THIS DAY GH: Ties to Paul in Romans 11:7-8. What they didn't know, when they had an opportunity to go into the land, God put a blindness on them that they didn't know. He didn't announce to them then that He was doing it. It wasn't until they were ready to go in a second time that Moses is saying, oh, BTW, you guys haven't seen or heard anything about the kingdom since the first time you declined to go into the kingdom. Unto this day you have been blinded. And don't expect when you go into that land that the kingdom is going to get set up with you because now you are not fit for that kingdom. This blindness persists from this time going into the land (the second chance) to the Days of the Messiah (5th CoP-4th Installment). That blindness stops when the forerunner of the Messiah shows up, John the Baptist. When that blindness stops, He is now allowing Israel to hear and see the things of their kingdom once again. They have been in blindness this whole time. That was the judgment that was put on them because of that. During the Days of the Messiah, Jesus is preaching the kingdom is at hand. So are the 12. So are the 70. They STUMBLED at that opportunity for the kingdom and because of that unbelief, they were placed under blindness back there that lasts all the way until the Days of the Messiah. About 2 years into His ministry, Jesus realizes that the religious leaders of the nation are not receiving His Message. They do not believe that He is the Christ and they do not receive His Message of the Kingdom. Yes, some do but most don't, especially the religious leaders of the nation. He asked for an extension of mercy to be granted to them for 1 year - recorded in the gospel of Luke. Because of their unbelief, they stumbled at the SECOND opportunity for their kingdom and because they stumbled they were placed under a blindness just like we were talking about when they first balked about going into the land.
Deuteronomy 30	GH: GPPI verse	v1: They don't get driven out of the land into the other nations till the 5th CoP. See when this new covenant is going to come into effect. v2-6: Notice the parts to this covenant: * They will return to the LORD and obey His voice * God will turn their captivity and regather them to their land * They will possess the land in a great multitude * God will change their heart to love the LORD Their problem all along is a heart problem and the Bible talks about it in those very terms. This covenant is meant to fix that problem. What do we call this covenant? It is the covenant of God’s Jehovah-ness. This one is not to be put in the ark of the old covenant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 30:1-9	Covenant : Palestinian or Jehovahness	v1-9 is a list of the material things that God will do as part of the Palestinian covenant. More I AM going to doing this or that as part of the Palestinian or His Jehovahness covenant. God is saying the LORD is going to do it. Looks at what happens when you do it and how's that working for you? Not very well. It is Him that will be doing it - gets repeated over and over. God giving Israel their history in advance. Angels gathering the scattering believing remant during the great and terrible Day of the Lord. v4: UNTO THE OUTMOST PARTS OF HEAVEN: like Matthew 24:31 - FROM ONE END OF HEAVEN TO THE OTHER Look at all the things that God will do by His Jehovahness. v6: CIRCUMCISE YOUR HEART: Hint of spiritual blessing. All of this has been physical things to this point. Hint about what the New Covenant is going to do. Bring you back into the land, multiply you, do you good, and circumicise your heart (MM: Wow!). Notice how God is doing everything.
Deuteronomy 30:1-3		1 And it shall come to pass, when all these things are come upon thee, the blessing and the curse, which I have set before thee, and thou shalt call them to mind among all the nations, whither the Lord thy God hath driven thee, 2 And shalt return unto the Lord thy God, and shalt obey his voice according to all that I command thee this day, thou and thy children, with all thine heart, and with all thy soul; 3 That then the Lord thy God will turn thy captivity, and have compassion upon thee, and will return and gather thee from all the nations, whither the Lord thy God hath scattered thee. God says I AM going to do this and I AM going to do that. Why MM calls this His Jehovahness covenant. That's the only way it is ever going to get done. v1: When you call this to mind when you are out there in the land where you've been driven. When you have been driven out to the nations and this comes to your mind. v2: THE LORD THY GOD WILL TURN THY CAPTIVITY: God will. v3: TURN THY CAPTIVITY: You are no longer going to be captive. Looking at how that is going to be done. God Himself is going to do it because they can't. It is not in their power to do it just like the plagues, parting of the Red Sea, etc. Whole lesson is it is either by My Jehovahness and grace OR your best effort, which won't get it done and you will never be spiritually fit to be used by Me. v3: GATHER THEE FROM ALL NATIONS: God will.

Deuteronomy 30:10-11		10 If thou shalt hearken unto the voice of the Lord thy God, to keep his commandments and his statutes which are written in this book of the law, and if thou turn unto the Lord thy God with all thine heart, and with all thy soul. 11 For this commandment which I command thee this day, it is not hidden from thee, neither is it far off. Context: Moses is saying this law, don't say who is going to go up to heaven and get God's law for us and bring it down so we may hear it and do it and don't act like the law is across the sea in some country somewhere and who's going to cross the sea and bring it back to us so we can hear it. Don't act like you don't have it, here it is. You have it right in front of you. v11: IT IS NOT HIDDEN FROM THEE, NEITHER IS IT FAR OFF: GH: Paul sorta quotes in Romans 10:8.
Deuteronomy 30:12		12 It is not in heaven, that thou shouldest say, Who shall go up for us to heaven, and bring it unto us, that we may hear it, and do it? Talking about the law. Moses is saying don't get to thinking that what God wants from you is something that you can't put your hands on, don't excuse yourself by saying well, we don't know what He wants. Like someone needs to go up to Heaven and bring it down so we will know what it is or somebody needs to go across the sea and get it and bring it back. MM said it's the tables of stone and that law that gets read to you over and over again so you are not excusing yourselves by acting like you don't know that. WHO SHALL GO UP TO HEAVEN AND BRING IT DOWN TO US: Don't need to go to Heaven to get the law, you've already got it. WHO SHALL GO ACROSS THE SEA AND BRING IT OVER TO US: Don't need to cross the sea to get the law, you've already got it. GH: Paul quotes in Romans 10:6.
Deuteronomy 30:19-20	GH: GPPI verse	Israel is now under the law contract and they engaged in that in Exodus 19. Up to that time, God dealt with them by grace. But it changed in Exodus 19. The Lord says, OK, here you go. 623 laws and 10 commandments. MM says it doesn't matter what they are. He already shown them. It didn't matter how simple they are (GH: manna instructions), they couldn't do it. Fear and dread is their relationship with God now. - v19: I HAVE SET BEFORE YOU LIFE AND DEATH, BLESSING AND CURSING: Their performance will merit a response from God, whether good or bad, blessing or curse. Their performance will merit a response from God, whether good or bad, blessing or curse.
Deuteronomy 30:19		19 I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live: BLESSING AND CURSING: The reward for good behavior in accordance with the law and the consequence for bad behavior in conjunction with the law. People think this is the way God is dealing with them today. MM says this is not true. GH: That's why Paul tells you and then repeats it that you are not under he law but under grace (Romans 6:14-15).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 31		MM tying to BE STRONG IN THE LORD-Ephesians 6:10. v1-2: People read that Moses is 120 years old and think Moses must be wore out. Moses is not talking about being so decrepit that he could not function physically. He is saying that it was the will of God that he should no longer be the ruler and leader of the people, and therefore he would not be entering into the land with them. This news would have troubled Israel. We know this because when Moses died, it says HIS EYE WAS NOT DIM, NOR HIS NATURAL FORCE ABATED-Deuteronomy 34:7. v2: I CAN NO LONGER GO OUT OR COME IN: Not a description of his physical capabilities, he is saying I can't be functioning as your leader anymore and I can't go over the Jordan with you. Because the Lord said 'you're not going'. v3-5: Moses is saying I'm not going over Jordan with you but the Lord and Joshua are and the Lord will give your enemies into your hand. The Lord is going to go over and destroy the nations. He will possess them. v3: HE WILL GO OVER BEFORE THEE
Deuteronomy 31		v3: HE WILL DESTROY THESE NATIONS v3: THOU SHALT POSSESS THEM v4: THE LORD SHALL DO UNTO THEM v5: THE LORD SHALL GIVE THEM UP BEFORE YOUR FACE v6: BE STRONG AND OF GOOD COURAGE: He gives them the basis for this in v3-5. At the end of his life (age 120) Moses, spoke to the people of Israel, telling them that he would not be crossing over Jordan to go with them into the Promised Land. He is announcing this to them, I'm not going to be able to go with you. This was very disconcerting/bothersome to them, so to encourage them, he gave them a speech which contained this charge: BE STRONG AND OF GOOD COURAGE-v6 (first of several instances). MM says each time this charge is used it was an admonition in view of some things that were being said about the particular situation at the time. The charge never stands alone. Sometimes this charge followed the bank of information, and sometimes it preceded the information, and sometimes it was tucked somewhere in the middle.
Deuteronomy 31		v6 (cont'd): The admonition to “be strong and of good courage” was never meant to stand alone; as it was not intended as a rebuke, it is meant to comfort them and allay their fears. This is not another way of saying, “Quit being a baby!” or "be a man." Instead, this was meant to be an expression of comfort, but it was always accompanied by reasons for being strong and of good courage. This charge isn't on it's own. Basically saying I have an announcement and need you to be strong. Makes you wonder what the announcement is. v6: HE IT IS THAT DOTH GO WITH THEE; HE WILL NOT FAIL THEE, NOT FORSAKE THEE: v7: BE STRONG AND OF GOOD COURAGE: Moses uses of this same phrase as he talks to his successor, Joshua. v?: God instructs Moses to write a song about all that is happening in his transfer of power. This song will have all of the stuff that I AM doing right now and I want you to teach the people of Israel that song. Moses writes the song, and he begins to teach the song to the people of Israel. v23: BE STRONG AND OF GOOD COURAGE: Moses gives Joshua the same charge as in v7. But this is now part of the song. v25: Moses teaches them the song.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Deuteronomy 32	GH: GPPI verse	The song of Moses explains to the nation how they will follow the course that Satan will chart for the nation of Israel along with the results or consequences of their following that course. MM says it's like a song that describes how they are going to be deceived by the plan of evil and what happened to them because they followed the wrong guy. What suckers they are for the plan of evil. And they sang it.
Deuteronomy 32	GH: IPF verse	v35: TO ME BELONGETH VENGEANCE AND REOMPENSE: Quoted in VENGEANCE BELONGETH TO ME, I WILL RECOMPENSE-Hebrews 10:30. v36: THE LORD SHALL JUDGE HIS PEOPLE: Quoted in THE LORD SHALL JUDGE HIS PEOPLE-Hebrews 10:30.
Deuteronomy 32:1-43	Song of Moses	Song of Moses - talking about the things God is going to do. GH: Also Exodus 15?
Deuteronomy 32:5		5 They have corrupted themselves, their spot is not the spot of his children: they are a perverse and crooked generation. THEY ARE A PERVERSE AND CROOKED GENERATION: Jesus used this same term in the Gospels. This is about a specific people, not a period of time. Not only is there a perverse generation, but there is also a generation of the righteous.
Deuteronomy 32:8		8 When the Most High divided to the nations their inheritance, when he separated the sons of Adam, he set the bounds of the people according to the number of the children of Israel. He separated the SONS OF ADAM into THE NATIONS. HE SET THE BOUNDS OF THE PEOPLE ACCORDING TO THE NUMBER OF THE CHILDREN OF ISRAEL: The NUMBER OF THE CHILDREN OF ISRAEL are numbered by the 12 tribes and God is dividing the earth into 12 areas because of this.
Deuteronomy 32:16		16 They provoked him to jealousy with strange gods, with abominations provoked they him to anger. PROVOKED THEY HIM TO ANGER: When Satan gets them to be like the other nations of the world, not only does he make them worthless in God's plan and purpose, but because they are under a performance contract, they provoke the Lord to anger against them. They not only became worthless in the Lord's plan and purpose, but they have made God angry with them and now He is punishing them. MM says this is a win-win for the adversary.
Deuteronomy 32:17		17 They sacrificed unto devils, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not. GH: Hebrew word ELOHIM used to describe devils. Their natural state is the spirit realm. MM says you don't call them that until they are disembodied. *When the giants come in and cohabit with the daughters of men and produce that race of giants, the Nephilim. When those guys die in the Flood and after that, when they are killed in battle, their spirits become the unclean spirits that Jesus was casting out during His earthly ministry. What they were was in a body so their desire is to be back in a body. When they are not in a body, they are Elohim, because that body is gone. MM references Mark 5:6-13 where all the unclean spirits from Legion want to go into the herd of swine because those spirits are looking for a place to reside in. That's what they had always had and now they don't have that. KJV never uses the word DEMON, uses DEVILS and UNCLEAN SPIRITS. Those guys are on the very bottom rung of the heirarchy or chain of command of bad guys. Principalities and Powers are up on the top rungs.

Deuteronomy 32:35		35 To me belongeth vengeance and recompence; their foot shall slide in due time: for the day of their calamity is at hand, and the things that shall come upon them make haste. Not word-for-word but the idea of Romans 12:19 is contained here. GH: Is the pseudo-quote for Romans 12:19c-FOR IT IS WRITTEN, VENGENCE IS MINE; I WILL REPAY, SAITH THE LORD. TO ME BELONGETH VENGANCE: Quoted in Romans 12:19.
Deuteronomy 32:41		41 If I whet my glittering sword, and mine hand take hold on judgment; I will render vengeance to mine enemies, and will reward them that hate me. GH: Similar to Deuteronomy 32:35 & Romans 12:19. Talking about the judgment that comes in the great and terrible day of the Lord out there at the end of Daniel's 70th week.
Deuteronomy 32:43		43 Rejoice, O ye nations, with his people: for he will avenge the blood of his servants, and will render vengeance to his adversaries, and will be merciful unto his land, and to his people. GH: Similar to Deuteronomy 32:35 & Romans 12:19. Talking about the judgment that comes in the great and terrible day of the Lord out there at the end of Daniel's 70th week.
Deuteronomy 32:47		47 For it is not a vain thing for you; because it is your life: and through this thing ye shall prolong your days in the land, whither ye go over Jordan to possess it. Referenced in Romans 15:10.
Deuteronomy 33	GH: GPPI verse	Has Moses blessing each of the tribes separately according to God’s Jehovah-ness and grace. There it is explained that the blessing God has for each of the tribes is dependent upon God’s Jehovah-ness and grace. They are not going to get any of that unless God does this for them and He just gives it to them as a gift.
Deuteronomy 33:27		27 The eternal God is thy refuge, and underneath are the everlasting arms: and he shall thrust out the enemy from before thee; and shall say, Destroy them. THE ETERNAL GOD: God has always existed; that He is eternal. He has no beginning and He has no end. There was no one before Him and there will be nobody after Him.
Deuteronomy 34:7		7 And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated. HIS EYE WAS NOT DIM, NOR HIS NATURAL FORCE ABATED: Why we know health was not the reason Moses couldn't go over into the land.

Joshua		Their standing and miracles could change in the blink of an eye. They're at Jericho and they march around the city and they blow the trumpets and they break the pitchers and the lanterns shine out and the walls crumble to the ground. Get to that little town Ai and it is so pathetic they don't even send the whole army over there. But a guy named Achan has disobeyed and took a wedge of gold after God said don't take any spoil, leave it all. He buries it under his tent. They got whipped at Ai. Soldiers died on the battle field because 1 guy buried that wedge of gold under his tent. Joshua takes over for Moses and and takes them into the land. They have victory over their enemies (although they do have a setback at Ai). The problem is when Joshua dies, just before he dies, he reminds them that God is going to deal with them according to their performance. When Joshua dies, everything changes and goes downhill. Now what God told Moses before he died, the CoP begin to come in upon the Israelites. When they came into the land, there was a specific route they were supposed to take through the land. God could have just wiped out the Gentiles from the land of Canaan and put them in the land. Wasn't just about this. It was about showing everybody else they needed to see it. The events of the book of Joshua take place in the third stage of God's program with Israel.
Joshua	GH: WoD Teaching	Israel doesn't conquer and possess the land all at once and God doesn't mean for them to that. Remember He says don't wipe everybody out at once because if you do the wild beasts will take over and you don't want any of that. This was supposed to happen in stages: Stage 1: Joshua leading them into the land and doing certain things Stage 2: After stage 1 completes, Joshua dies, and the second generation is supposed to conduct stage 2. He is not going to get ahead of the plan. There's a seeing and hearing that takes place in the kingdom and a seeing and hearing that takes place when they enter into the land, and the Gentiles that gladly receive that work are going to be part of the kingdom themselves.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua	GH: GPPI verse	Israel is commanded under Joshua to go in and conquer and occupy the land. To drive out the inhabitants and don't make a covenant with them and don't marry them because from here you're going to go out and have dominion. Two things to understand (GH: pre-requisites?) 1. Exodus 3 - 4: God explains to Moses some things concerning His Name or His Jehovahness. He says by My Name, I AM going to do some things on your behalf and He explains that to Moses. Need to understand when they are standing on the border of the land. 2. Exodus 5 - 18: About the trip. When they come out of Egypt and across at Sinai and go up and are ready to come into the land. At Mt. Sinai, they receive the law. Exodus 5 - 18 talk about the trip from Egypt to Sinai. God is saying over and over to them - let Me deal with you by My Grace. And certain things happen where He demonstrates to them you can trust Me to deal with you by My Grace. Let Me deal with you by My Jehovahness (Exodus 3 - 4) and by My Grace (Exodus 5 - 18). Let this be the way our partnership is formed here. But they reject that because they want a written guarantee.
Joshua	GH: GPPI verse	But it's performance based. If you obey, then you get healthy children, freedom from sickness, plenty of rain when you need it, your cattle will multiply, your crops will be bumper crops, you'll never borrow, you'll always lend, you'll overcome your enemies. There are written guarantees. But there are also consequences in writing. MM says they are afraid that we might want something you don't think we need. We'd rather have the written contract. We want the guarantee. Sign us up for the guarantee because they really don't want grace. They would rather make a deal to get what they want rather than to trust God to give them what He knows they need. And that's Israel's problem. God wants to give it to them by His Grace but instead, they want to enter into a written contract and now that's where they are and under that condition they are standing on the borders of the land about to go in.
Joshua	GH: GPPI verse	Shows Israel finally entering the land and Joshua is going to give them orders as they move into the land. Under Joshua the land gets generally cleared out except for the tribes with land areas on the borders. They do not completely clear out and defeat their enemies on the borders of the land and so when they plant their crops, these raiding parties keep coming in at harvest time to take their crops from their storehouses and engage in skirmishes. When these raids take place, the afflicted tribe will enlist the help of another tribe to go out with them and fight against these enemies. They will not have success because the angel of the LORD will not be with them. It is important to note that the 1st CoP does not get itself underway in the book of Joshua. The Angel of the Lord goes before them and they do begin to possess the land and they begin to receive blessings from the Hand of the Lord. But the groundwork for rebelliousness on the part of the Israelites was already being laid in Joshua's time. When Joshua sees this rebelliousness, it's the very seeds of rebelliousness that are being planted here. When Joshua sees that, this is always in his mind. So when you get to the end of Joshua's life and he's giving them instructions, he's warning them that if they don't continue in the way that have gone so far, the 1st CoP is going to come upon them.

Joshua 1		4x in Joshua 1 he does something very similar to confidence in the Father/Romans 8:35-39. He says something to give them confidence that when they're going into the land, they won't be looking at the giants, they will be looking at their God. They need to understand they aren't going into this on their own, the Lord is going into this with you. Act like it. v6: BE STRONG AND OF GOOD COURAGE: Tells them this because it's a fearful situation. They're going to go up against armies of giants. When they went into the land, God speaks directly to Joshua. Joshua knows something is coming. So God says this to Moses (Deuteronomy 31:6), Moses says this to Joshua (Deuteronomy 31:6), they write a song about it (Deuteronomy 31), God speaks this to Joshua. v7: ONLY BE THOU STRONG AND VERY COURAGEOUS: This is the Lord telling them to do this. v9: BE STRONG AND OF A GOOD COURAGE. BE NOT AFRAID NEITHER BE THOU DISMAYED FOR THE LORD THY GOD IS WITH YOU: Saying have some confidence when you go over there. v11: Dismayed and greatly afraid. v18: ONLY BE STRONG AND OF GOOD COURAGE
Joshua 1	GH: GPPI verse	Joshua is the one who leads Israel into the land. See that Moses had died and Joshua is giving the orders to prepare for them to move into the land. v1-3: God is just repeating what He said to Moses. v10-11: In three days, they are passing over.
Joshua 1:8		8 This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success. THOU SHALT MEDITATE THEREIN DAY AND NIGHT, THAT THOU MAYEST OBSERVE TO DO: People want to grab this verse to Israel and say if you just meditate on the word, God will make you rich. That principle does not work. MM says that is a misapplication of what is going on in Joshua 1.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua 1:16-18		When Joshua took the people into the land, his message did not contradict Moses' but built upon it. Any man who accepted Moses as God's spokesman would have accepted Joshua as God's ordained replacement for Moses. No one could reject Joshua's message and still remain a strict follower of Moses. MM says if Joshua's message varied from Moses, it was because it was a different message to a different audient who were in different circumstances at a different time.
Joshua 3	GH: GPPI verse	They pass over the river Jordan to enter the land promised to them in the Abrahamic Covenant. They cross over into the land in a similar manner they came out of Egypt, with the parting of waters and them crossing over on dry ground. Twelve stones are put down at the Jordan when they cross and these are significant. v1-3: The 12 stones that get put down are important.
Joshua 5	GH: GPPI verse	The Angel who is the captain of the LORD'S host meets Joshua before the first engagement at Jericho. The conquest of the land begins under Joshua and things go fairly well. MM says Joshua is a great leader and has really big shoes to fill. Jericho is the first city to fall. The angel of the Lord goes before them and they begin to possess the land. During this time, the nation receives blessings from the hand of the LORD.
Joshua 7	GH: GPPI verse	Context: They come into Jericho and have a great victor. They blow the trumpets, break the pitchers, the walls of Jericho cave in. Great victory. Then they come to the next town, the little city of Ai. We don't need everybody. Let's just get ourselves together. The instructions are don't take a spoil from this and then Achan takes some stuff, buries it in his tent, and they get defeated by little Ai. God is furious about this. First, He was making His Name great coming out of Egypt so that these nations would fear before Him. Secondly, if you're a big shot in the land and you see that Ai defeated Israel, you are thinking they can be beat. God says you are undoing what we are doing here. So He is angry about it and they lose. GH: The foundation of the rebellion was laid with the incident with Achan when Israel lost their battle with the small city of Ai. As early as this time, the adversary is already making headway in the nation. v?-12: This is an admonition because when they lose and men die, Joshua was on his face and God says get off your face. The problem is that Israel sinned. When you don't obey, the Angel of the Lord doesn't go before you and you don't win. MM says this is the second city in the land. They have Jericho and the next thing they do is disobey. You are either under the blessing or under the curse, that's the contract of the law. They finally discover what's going on and that whole family gets put to death over that issue. As early as Joshua 7, GH: Satan is already making inroads into Israel. They hadn't been in the land much longer than Adam was in the Garden. And Satan is making inroads into what Israel is doing.
Joshua 7:1	GH: God's Wisdom	1 But the children of Israel committed a trespass in the accursed thing: for Achan, the son of Carmi, the son of Zabdi, the son of Zerah, of the tribe of Judah, took of the accursed thing: and the anger of the Lord was kindled against the children of Israel. Achan gets that wedge of gold, buries it under his tent, and they suffer defeat at Ai. Doing exactly what God told them NOT to do - don't envy them, don't take what they have, you destroy all of that. Worldly wisdom would say that's a waste. It is already in place, use what they have. God said I don't want you using that. There's a reason why. Only when you understand godly wisdom do you see the wisdom in what God said in that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua 7:12		12 Therefore the children of Israel could not stand before their enemies, but turned their backs before their enemies, because they were accursed: neither will I be with you any more, except ye destroy the accursed from among you. BECAUSE THEY WERE ACCURSED ACCURSED: To be accursed means that God is no longer with someone. To be accursed includes the issue of being consigned to judgment. God is not with you AND you have been consigned to judgment. TURNED THEIR BACKS BEFORE THEIR ENEMIES: They turned and ran from them. BECAUSE THEY WERE ACCURSED: Why they turn and ran.
Joshua 7:15		15 And it shall be, that he that is taken with the accursed thing shall be burnt with fire, he and all that he hath: because he hath transgressed the covenant of the Lord, and because he hath wrought folly in Israel. Often, cremation is said to be a sin because of what happened to Achan, who was stoned to death and then burned with fire. Achan knew the command about taking a spoil and he took a chance anyway. The spoil was declared to be “accursed” and whomever took was to be burned with fire. He was executed and burned according to the prescription given to all Israel. The thief and the goods were all burned with fire to send a message to the nation. Why the death penalty for stealing? Because that act costs 36 Israelite soldiers their lives in the battle of Ai. But burning was not the common way of burial for someone who had been executed for some sin against God. MM points to Deuteronomy 21:18-23.
Joshua 8	GH: WoD Teaching	Got the instructions for this in Deuteronomy 27. They get over there, get these stones set up and read all of the law to everyone. Then, they get ready to disperse from there and go to their settlements. There are still enemies living throughout the land but they are not meant to conquer them all at once. Conquests are going to get made on both sides of Jordan. When they come across Jordan and finally get up here (GH: in the valley between Gerizim and Ebal) and everything is positioned (GH: STONES are set up) and there's a reading of the law, before they leave/disperse, folks from Gibeon come and make a treaty with them. MM says good timing if you are from Gibeon. Getting ready to send out the tribes to the various areas. It is at this point that, when the stones go up and Irsael begins to function as the LIGHT OF THE WORLD-Matthew 5:13. And when the LIGHT shines, the adversary gets the green light to attack in opposition. Even here, the means by which this gets done is perfectly in line with what our apostle is going to say to us and what the Hebrew writers are going to say to the believing remnant in those final epistles. v31: WHICH NO MAN HATH LIFT UP ANY IRON: Because that's the way the Gentiles did it. Israel was not going to be like the Gentiles. They were going to be distinct, they were going to do it in a different way. GH: Ties back to THOU SHALT NOT LIFT UP ANY IRON TOOL UPON THEM-Deuteronomy 27:5.
Joshua 9	GH: WoD Teaching	MM tells the story of the deception of the Gibeon who were in the land - dressed up, put dirt all over them, put old clothes on, said they came from a long ways off, we want to make a peace treaty. Israel we are supposed to be LIGHT and SALT, we'll make a peace treaty. They thought they were in the second category of nations. They were instructed about that (GH: Kill off nations in the land [Satan's nations]. Be LIGHT and SALT to the nations outside the land].

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua 10:25		25 And Joshua said unto them, Fear not, nor be dismayed, be strong and of good courage: for thus shall the Lord do to all your enemies against whom ye fight. BE STRONG AND OF A GOOD COURAGE: What Joshua says to his military captains after “The Battle of the Long Day” when they had defeated the five Canaanite kings that had banded together against Israel.
Joshua 10:35		35 And they took it on that day, and smote it with the edge of the sword, and all the souls that were therein he utterly destroyed that day, according to all that he had done to Lachish. ALL THE SOULS: GH: MM showing SOUL=people.
Joshua 11:10-17		The conquest of the land was made in stages. Destroyed everyone and everything because this is an in the land incident. GH: One of Satan's nations. All the way from the LAND OF GOSHEN up to HALAK and HERMON up to the Euphrates - talking a big piece of land. v16: LAND OF GOSHEN: The land area around the GH: Nile tributaries. v17: MOUNT HALAK: Down south. v17: MOUNT HERMON: Up north. v18: GIBEON: Remember their deception in Joshua 9.
Joshua 18:1	GH: GPPI verse	1 And the whole congregation of the children of Israel assembled together at Shiloh, and set up the tabernacle of the congregation there. And the land was subdued before them. THE LAND WAS SUBDUED: Involves a military-like action, every time it is mentioned in the Bible, for that is exactly what “subdue” entails. It always has this understanding in Israel's program.
Joshua 23	GH: GPPI verse	Joshua anticipates the continued conquering of the land would not continue to take place after his generation passes of the scene. Joshua is keenly aware that if that happens, then the first cycle of punishment would come upon the nation. Joshua saw the foundation for rebellion being laid all the way back to the incident with Achan when Israel lost their battle with the small city of Ai. Joshua knows their capacity for failure. Joshua: * is aware of the song of Moses that was a testimony against them that they would turn from the LORD and walk according to the dictates of Satan. * has seen the early signs of rebellion starting at Ai and continuing on. * knows the land has not yet been completely conquered and there is more to do. * knows that the curses are the consequences of breaking the covenant and he takes action to try and head off what he sees coming. v1: REST UNTO ISRAEL FROM ALL THEIR ENEMIES ROUND ABOUT: Israel has done well enough in the land that God has given them REST from THEIR ENEMIES ROUND ABOUT. v3: YE HAVE SEEN ALL THAT THE LOR YOUR GOD HATH DONE UNTO ALL THESE NATIONS: They had seen it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua 23	GH: GPPI verse	v3: GOD IS HE THAT HATH FOUGHT FOR YOU: Their enemies were saying, this bunch is too much to handle. Let's leave them alone. v4: Every single nation in the land didn't get conquered in Joshua's lifetime. There was still more to do. It wasn't that they just weren't doing it, it's that they hadn't gotten to them yet. The nation isn't big enough to take up the whole land yet. God is actually driving out the other nations. As they expand, others are being driven out. So there's a list of nations that they still have to drive out. I'm going to give this to you. You can't drop the ball here, otherwise, the 1st CoP is going to come upon you. v4: BY LOT: Joshua is also telling them who it is that needs to drive these out. Which tribe needs to do these guys and which tribe needs to do these guys. v4: THE GREAT SEA: The Mediterranean. v6: KEEP AND TO DO ALL THAT IS WRITTEN IN THE BOOK OF THE LAW OF MOSES: Because it is dependent on that, it's a performance contract. v7: COME NOT AMONG THESE NATIONS, THESE THAT REMAIN AMONG YOU; NEITHER MAKE MENTION OF THE NAME OF THEIR GODS, NOR CAUSE TO SWEAR BY THEM, NEITHER SERVE THEM, NOR BOW YOURSELVES UNTO THEM: Still part of the 'be careful' admonition. He is saying keep doing the things that we have already been doing.
Joshua 23	GH: GPPI verse	v9: NO MAN HATH BEEN ABLE TO STAND BEFORE YOU UNTO THIS DAY: Because the Angel of the Lord has been going before them. v10: HE IT IS THAT FIGHTETH FOR YOU: v14: Joshua is saying when you did the right thing and God promised you blessing, you didn't miss one single blessing and you know it. You can't give me one exception. Joshua was counting on this, he keeps reaffirming it to them. v14: THIS DAY I AM GOING THE WAY OF ALL THE EARTH: Joshua is saying, "I'm fixing to die here". v15-16: Joshua is saying look, as sure as He gave you all the good things, He will put the curses on you GH: if you disobey. You have to stay straight. MM says you know what he is thinking, I'm not going to be here to babysit you anymore. Keep yourselves in line. Don't go to the left hand or the right. Keep going. God is faithful. This is what you have to do in a performance contract. MM says this almost sounds like preaching today, doesn't it? He is confronting the leaders with this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Joshua 24	GH: GPPI verse	Find that God took Abraham out of the midst of those who served false gods and sanctified him unto Himself. Joshua also knows that these things were in Egypt and the nation was in the midst of Satan's hotbed of false god worship. Joshua knows that they have brought those things with them and there is a temptation to go back to those things, and that is Satan's plan for them. MM says Joshua is aware of the Song of Moses, where God says you will follow the course that Satan has charted for them. God told that to Moses. They wrote a song about it and made them sing it to remind them of what would happen if they let their guard down. He knows about the song of Moses and he knows what happened at Ai. Joshua knows what is coming if they don't turn away from those false gods; the 1st CoP. v1: Joshua confronts the leaders of Israel on the day before he dies. God is going to remind them of God's provision to them through His Jehovah-ness. v13: They didn't earn these things, God gave them to Israel. The cities were those their enemies had built. The vineyards and such were planted before they ever came into the land. These were provided for by the LORD. MM says they didn't earn that. That was given to them. Promised to Abraham and given to them by grace.
Joshua 24	GH: GPPI verse	v14: There must be some "gods" being served that ought not to be GH: that they brought out of Egypt. God's doing all these great things and they still have these gods. MM says you can hear the excuses, they are just in the cabinet; they are pretty expensive. Satan knows as long as they still have those images, he has a chance. So Joshua is going to face them with a decision. What is in their hearts is beginning to be made manifest. v15: THE OTHER SIDE OF THE FLOOD: Not talking about Noah, talking about the Red Sea. v16-18: When you see what they say in response to Joshua's words, you are tempted to think that everything is going to be alright. These words should bring some consolation to Joshua, right? But look at his response to what they said in v19, v23. v16: MM says this sounds good, right? Think you would then hear words of relief from Joshua but no. v19: Their lips were inclined unto the Lord but not their heart.
Joshua 24	GH: GPPI verse	v23: Joshua says they should incline their heart unto the LORD and the reason he says it is because they have been inclining the other way; toward the policy of evil. They have had these "strange gods" among them and even to just have the images in their homes is all the inroad the adversary needs. Joshua tells them to get rid of those gods and incline themselves to the LORD. v24: They affirm that they will not let these rebellious tendencies continue and they will serve the LORD. v26-27: Joshua says I'm listening to these words, I'm telling you to get rid of these other gods, but I'm going to set up this memorial. And when you see it, you're going to remember the day when you said, WE WILL SERVE THE LORD. We'll keep doing what we're doing. The thing Joshua is driving home to them, because he knows their tendency and their capacity to sin.
Joshua 24:15	GH: Action, not talk	15 And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord. Context: Joshua has the people in the land and he's going to cause them to make a decision. AS FOR ME AND MY HOUSE, WE WILL SERVE THE LORD: This is an open declaration of whose side you are on. Joshua put away those idols from the people during his lifetime.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges - Ruth - 1 Samuel 1-16	GH: WoD Teaching	There is something happening during this time. They come to Samuel and ask for a king to rule over them like the other nations of the world. What has now changed is instead of Israel putting something on display that makes the Gentiles want what they have, Israel now wants that which the Gentiles have and they are beginning a process that starts the downward cycle where being THE LIGHT OF THE WORLD meant nothing to them. They didn't care about that.
Judges		Judges: They would get right with God and then they'd have a time where they were doing well, but then they would get lax and they'd forget the promises they made to God and they'd get rebellious and go back the other way and their enemies would begin to oppress them. They would cry out to God and God would raise a judge and the judge would deliver them. EX Samson delivering them from the Philistines. Repetitous cycle for 450 years. Israel going into the land a Canaan, a prosperous land, God said a LAND FLOWING WITH MILK AND HONEY. When the spies go in and come back they are carrying a single cluster of graps on a pole between 2 men. God knows when they go in, there's going to be a temptation to get caught up in what they are looking at and when they're looking at it, the Canaanites are in there and they do not worship the One True God. If you are not careful, it would be real easy to look at and say, maybe we should start doing what they're doing. Look how good they've got it? Because of this, God warns them, when you come into the land: - don't look at what they are doing - don't get impressed with their gold or silver - don't get impressed with the land, any of that business
Judges	GH: God's Wisdom	I WANT you to remember who you are and what you are here for. Even with all those fruit trees in the land, they couldn't eat one piece of fruit off of those trees. The fourth year, they had to give the whole harvest to the Lord. In the fifth year, only then could they freely eat of those fruit trees. Wisdom of the world would say that's foolish. God is doing that because He wants them to be in a position where the allurements and the comforts (what the world normally uses) don't tempt them like they normally would. He wants them to learn to say NO about that. POINT: Don't allow the world and what it offers to lure you away. Stay focused on what you're doing. 450 years of rebellion and God brings in the first CoP against them. What God did very graciously that was not in Leviticus 26 during the first CoP - He raised up judges that delivered them from their enemies. That was not part of what God said would happen. God made a provision for this in the law (Exodus 33:19). Raising up the judges to deliver them is the use of that right. - Samson is the avenger. - ??? is the deliverer. You get a descripion of the things that are happening to the children of Israel. GH: 1st CoP-Leviticus 26:14-17.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges	GH: GPPI verse	In Judges, see the history of Israel and the generation after Joshua, that didn't know the Lord and didn't follow Him. At the end of the Book of Joshua, Joshua warned them, pleaded with them, threatened them. They complied. We'll do it. He set up a stone as a reminder. What more could Joshua do? Today, we would record it or make them sign on the dotted line. I'm holding you to it. The entire Book of Judges is the detailed description of the 1st CoP. This Book is called Judges because God raised up 13 judges that would be used to judge Israel's rebelliousness, manifest the reality of the 1st CoP and, if they respond properly to the judge's rebuke to them, provide deliverance for them from their enemies. A cycle (a cycle circles around and then keeps going) is created where Israel drifts away from God, judgments are brought upon them, God raises up a judge who confronts Israel with their sin/rebellion, Israel repents and returns to the LORD, God uses the judge to deliver Israel from her enemies. The judge gets old and dies and Israel lapses again into sin where they were before, but worse than before and the cycle is repeated all over again.
Judges	GH: GPPI verse	GH: Rinse. Repeat. 13 times. MM laments why no one can sense a pattern. EX When Samson overcomes their enemies and they get a little bit of a respite from their enemies and from the 1st CoP, and Samson was one of those judges. The judgments don't go away, they just kind of get a break from them. There was no where in the law or Leviticus 26 where God said He would raise up a judge and be merciful to them and give them a break. MM says the scholars say the God of the O.T. is so angry and so judgmental. But you are going to discover that the God of the O.T. is actually showing mercy when they get a break from the judgments with a judge. They contracted for the judgments, the judges are actually mercy being extended to them. The generation following Joshua refused to continue the "driving out" process and made treaties and intermarried with the nations around them, bringing in the 1st CoP. All through the 450 years of the first cycle, God mercifully delivers them through the hands of judges. When the judge died, the nation returned to their wicked ways, only each time their evil ways were worse and worse. Finally, after two extreme acts of rebellion, they were declared of God through Samuel to be worthy of the 2nd CoP. Surprisingly, instead of bringing in the second cycle upon them, God in His mercy brought in an unprecedented time of blessing and prosperity.
Judges	GH: GPPI verse	Joshua tells them before he dies that they need to continue to drive them out of the land. They say they will, but they don't. The generation after Joshua decides to make treaties with their enemies and try and get along with their enemies. They do not drive them out. See it over and over. As a result, the 1st CoP comes upon them. Even though enemies were stealing their crops/harvest and even though diseases were coming upon them, God mercifully gave them judges to deliver them and give them periods of respite from their enemies. But the judge would die and the people would lapse back into rebellion worse than the time before. MM says that cycle repeats and repeats through about 13 judges in the Book of Judges.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges	GH: GPPI verse	During the time of the book of Joshua, the nation did fairly well and received blessing in the process of driving out the other nations. But the generation that followed Joshua did not do so well, they did not know the Lord, they did not drive out these nations, and it was that group that saw the first cycle of punishment brought in upon them. The nations which occupied the Promised Land were Satan's powerbase of evil in the world. There's something about this stronghold that has been built in the land. There is a contention going on here in the land. God commanded His people to utterly destroy those nations, but the generation that followed Joshua did not take up where the previous generation left off in driving those nations out. This is an important piece of information because if they are not successful in driving out these nations, we know that judgement is coming, the cycles/courses are going to come upon them. They began to worship the gods of these other nations, make treaties with them, intermarry among the people of these other nations (which God told them not to do because you will begin to worship their gods and it will lead you away from Me), and failed to drive them out of the land.
Judges	GH: GPPI verse	And in doing so, Israel began to walk according to the course that Satan's policy of evil against them called for. Their transgression against the covenant made at Mt. Sinai brought the first cycle of punishment on them. The raising up of judges is not part of the law contract, but is purely an act of mercy on God's part. God reserved the right to act out of His mercy and He told this to Moses before the people ever entered the land. None of this should be interpreted as God violating the contract made at Mt. Sinai. It is through this kind of action that nation can see that God's Jehovah-ness and grace is their only hope of ever becoming the GREAT NATION-Genesis 12:2 they are supposed to be. In the first cycle of punishment, God graciously raises up judges to bring the people back to Him and deliver them from their enemies. Over and over this happens during the four and one-half centuries of the 1st CoP. God will have mercy and grace on whom He wants, whenever He wants.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges 1	GH: GPPI verse	v1: Context: The people have reaffirmed that they will keep the covenant, put away their strange gods and now, as recorded in Judges 1, they are endeavoring to continue the conquest of the land. Things seem to be going well. v1: WHO SHALL GO UP FOR US AGAINST THE CANAANITES FIRST, TO FIGHT AGAINST THEM?: They inquire of the LORD who should go up against the Canaanites. MM says this looks good. They're asking the Lord for directions. v2: JUDAH SHALL GO UP: The LORD tells them who to send to battle. v19: Things are not panning out like we might have expected after reading v1-2. v19: CHARIOTS OF IRON: The verse is not saying God couldn't give them victory because of the CHARIOTS OF IRON. The CHARIOTS OF IRON are too much for the God who killed 185,000 Assyrians overnight or the God that drowned Pharoah and the Egyptian army in the Red Sea? Should not have mattered any way on God's ability to give them victory. Makes you suspect something is going on that isn't right, considering that they are operating under the contract of the law. Something isn't right. Reminds of the events at Ai. There is something about the chariots of iron that changed Israel's attitude.
Judges 1	GH: GPPI verse	When Judah saw the iron chariots, something happened in their attitude that did not allow them to overcome the inhabitants of the valley. Judah is no longer looking at the Lord, they're looking at what they can do. But it was never about them. It was about God giving it to them by His Jehovahness. But they got their eyes off of that and they began to look at what they could do once again. v21-24: Israel begins to operate contrary to the way they were commanded. v24: All the instructions given to them, concerning how they are to treat the inhabitants of the land, run contrary to the way they were handling this. v24: SHEW US, WE PRAY THEE, THE ENTRANCE INTO THE CITY, AND WE WILL SHEW THEE MERCY: MM says they are doing this exactly the wrong way. They were not supposed to make a deal with these people. They were supposed to trust the Lord and He would deliver everyone into their hand. They're letting someone go. And that comes back to haunt them. They let that guy go and now someone else has control of the area because they didn't do it the right way. v26: LUZ: Later this became Jerusalem. And it didn't get conquered until David. Not until David did Jerusalem get conquered.
Judges 1	GH: GPPI verse	v25-27: We are beginning to see those small beginning signs of rebelliousness become more and more prominent. Their behavior is in direct contradiction to the command given to them. v27-34: This isn't the way they were commanded. Happening with every tribe now. It started with Judah and the CHARIOTS OF IRON-v19 and they thought, oh, we can't do it and they didn't. And now every tribe doesn't drive out, doesn't drive out, doesn't drive out, doesn't drive out. Joshua had just given them a list of who to drive out. If you don't drive them out, the curses are coming upon you. So they were not doing what they were commanded. v27: MM says look at all the people they are letting go here. Continues the list in v28-34. v28: The (GH: ungodly) rationale would be, if we drive them out, we get nothing. Let them stay and they can pay us. But the command was UTTERLY DRIVE THEM OUT-Joshua 17:13.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges 1:6-7	Non-MBI	6 But Adonibezek fled; and they pursued after him, and caught him, and cut off his thumbs and his great toes. 7 And Adonibezek said, Threescore and ten kings, having their thumbs and their great toes cut off, gathered their meat under my table: as I have done, so God hath requited me. And they brought him to Jerusalem, and there he died. RS: Cutting off their thumbs and big toes allowed them to live while disarming them. They couldn't string a bow without their big toe and they couldn't swing a sword without their thumb.
Judges 2	GH: GPPI verse	Know you are in the 1st CoP. v1: MM says this is good news and bad news. The good news is God is faithful. The bad news is God is faithful. v2: YE SHALL MAKE NO LEAGUE WITH THE INHABITANTS OF THIS LAND: v2: BUT YE HAVE NOT OBEYED MY VOICE: v3: Gives us part of Satan's policy of evil against Israel. v3: WHEREFORE I ALSO SAID, I WILL NOT DRIVE THEM OUT FROM BEFORE YOU: v3: GODS SHALL BE A SNARE UNTO YOU: MM says this phrase indicates this is part of the Satanic policy against Israel to corrupt them and to get God to move against them. That's part of what he is working to accomplish. v4-5: They get confronted with their failure, knowing that they are not obedient, to obey and they repent, but their repentance is very superficial. They are now worthy of the 1st CoP to come upon them and the rest of the book of Judges gives you a history of Israel under the 1st CoP.
Judges 2	GH: GPPI verse	v6-10: See this RFD (return for detail) is used throughout the Bible from beginning to end and is the way God intends to give us the doctrine in the fashion we should be learning it. God is rehearsing some things for us. v10: ANOTHER GENERATION AFTER THEM, WHICH KNEW NOT THE LORD: Why He is RFD. This generation that knew not the LORD is the one being described in the book of Judges as they make treaties with the inhabitants of the land and fail to drive them out. GH: Just one generation after Joshua. v12: FOLLOWED OTHER GODS: See the same issue for the 2nd CoP - HIS HEART AFTER OTHER GODS-1 Kings 11:4. v12: PROVOKED THE LORD TO ANGER: Is an expression that always has one of the CoP in view. So when you run across it, no matter where you are in the Bible, you know that the curses of the law contract are being carried out. v13: When they do this, they are now worthy to get the elements of the 1st CoP poured out upon them. Remember what Joshua kept telling them, put away those gods, put away those gods, and now here they are, serving Baal. v13: ASHTAROTH: See the same issue for the 2nd CoP - SOLOMON WENT AFTER ASHTORETH-1 Kings 11:5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges 2	GH: GPPI verse	GH: Progression: * Didn't drive them out * Made treaties with them * Dwelled among them * Worshipped their gods and you have a generation that doesn't know the Lord. With that, they are worthy of the 1st CoP. v14-15: *The Nutshell for the 1st CoP.* The whole 1st CoP in two verses. The elements of the 1st CoP are poured out upon them. See Leviticus 26:16-17 coming to pass. And The rest of the Book of Judges, the Book of Ruth, and the first 15 chapters of 1 Samuel are details on these two verses - the playing out of all of that.
Judges 2	GH: GPPI verse	v14: These are all apart of the things that are recorded in the 1st CoP. Compare Leviticus 26:17 to when God sells them into the hands of their enemies. When He does that, their enemies have control over them now. That's what happened here. That's what the Bible is describing here. They're under a tributary reign. If you can't stand before your enemies, you run. v14: AND THE ANGER OF THE LORD WAS HOT AGAINST THEM: MM says that's a description, isn't it? v14: HE DELIVERED THEM INTO THE HANDS: Looking at the 1st CoP. This is God doing it. v14: THE HANDS OF THE SPOILERS THAT SPOILED THEM: See the enemy aspect of the 1st CoP. Are those who come in and take things that belong to Israel as spoils. The beginning of the enemy to come into the land and take a spoil. v14: HE SOLD THEM INTO THE HANDS OF THEIR ENEMIES ROUND ABOUT, SO THAT THEY COULD NOT ANY LONGER STAND BEFORE THEIR ENEMIES: Ties to THEY THAT HATE YOU SHALL REIGN OVER YOU-Leviticus 26:17. It is coming to pass. This is a tributary reign, you understand, not an absolute reign, but just as they made their enemies to pay tribute before, now Israel is made to pay tribute.
Judges 2	GH: GPPI verse	v14: HE SOLD THEM INTO THE HANDS OF THEIR ENEMIES: Means their enemies have a measure of control over them. v14: COULD NOT ANY LONGER STAND BEFORE THEIR ENEMIES: If you can't do this, you flee. Ties to FLEE WHEN NONE PURSUETH YOU-Leviticus 26:17. The enemy shows up and Israel begins to fear and takes off running. The enemy doesn’t even bother to pursue them and why should they when they can continue to put them to tribute? v15: This was not some rash knee-jerk reaction performed in His anger, but rather was AS THE LORD HAD SWORN UNTO THEM. This was the punishment as prescribed in the law contract. This should not have been a mystery to them, as they were aware of Leviticus 26. Keeping the words of the law before the people was the job of the priestly tribe. v15: THE HAND OF THE LORD WAS AGAINST THEM FOR EVIL: People read this and say God did evil. This is not what the verse is talking about. Talking about the evil that would come upon them if they did not obey. That they contracted for and agreed to. The verse is only saying God is giving them what He swore to give them, and it was up to them what they got. And that's the way that worked. v15: THE LORD WAS AGAINST THEM:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges 2	GH: GPPI verse	v15: AS THE LORD HAD SAID, AND AS THE LORD HAD SWORN UNTO THEM: In Leviticus 26. Just like He had said it would be. v16-21: The downward cycle is described here and we see it throughout the rest of the book. You only have temporary "stays" to the judgments but you never see the cycle reversed, but they get worse and worse when the relapse. v16: Indicates something that was not part of the law contract. "Raising up judges" is something that God only did in His mercy. GH: MM tying to WILL BE GRACIOUS TO WHME I WILL BE GRACIOUS, AND WILL SHEW MERCY ON WHOM I WILL SHEW MERCY-Exodus 33:19. God intercedes outside the contract in the 1st CoP by raising up judges. Leviticus 26 contains no such provision for Israel. This "provision for mercy" is also the reason for the "stay of judgment" in the days of David and Solomon before the second cycle of punishment. That also is outside the law contract. v19: See how each cycle within the Book gets worse each time.
Judges 2:12		12 And they forsook the Lord God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that were round about them, and bowed themselves unto them, and provoked the Lord to anger. PROVOKED THE LORD TO ANGER: When Satan gets them to be like the other nations of the world, not only does he make them worthless in God's plan and purpose, but because they are under a performance contract, they provoke the Lord to anger against them.
Judges 2:17		17 And yet they would not hearken unto their judges, but they went a whoring after other gods, and bowed themselves unto them: they turned quickly out of the way which their fathers walked in, obeying the commandments of the Lord; but they did not so. GH: Ties to Exodus 32:8; Deuteronomy 9:16 - TURNED QUICKLY AFTER OTHER GODS THEY TURNED QUICKLY OUT OF THE WAY: When Joshua's generation was gone they were off the tracks.
Judges 3	GH: GPPI verse	Get introduced to Israel's first judge, Othniel. v9-13: We see this downward spiral continue all through the book of Judges, but when you get to the last three chapters, you get a RFD to show you how bad things had really become. v11: The land had rest for 40 years then he died. Means he delivered them. MM tying this mercy to the provision - WILL BE GRACIOUS TO WHME I WILL BE GRACIOUS, AND WILL SHEW MERCY ON WHOM I WILL SHEW MERCY-Exodus 33:19. v15: GH: Ehud is the next deliverer and ends up killing Eglon. See the cycle of depravity progression and the next deliverer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Judges 6	GH: GPPI verse	v3: WHEN ISRAEL HAD SOWN, THAT THE MIDIANITES CAME UP, AND THE AMALEKITES: v4: AND THEY ENCAMPED AGAINST THEM, AND DESTROYED THE INCREASE OF THE EARTH: MM tying to YE SHALL SOW YOUR SEED IN VAIN-Leviticus 26:16 (1st CoP). v6: AND ISRAEL WAS GREATLY IMPOVERISHED BECAUSE OF THE MIDIANITES: v11: Gideon is threshing wheat but he is using a winepress to do it in, so that his actions are hidden from the Midianites who, if they saw it, would send in a raiding party and take it. Ties to SOW YOUR SEED IN VAIN FOR YOUR ENEMIES SHALL EAT IT-Leviticus 26:16. This is the spoiling of the raiding parties that are part of the 1st CoP. MM says Gideon knows that the Midianites are watching to see when the harvest is taking place so that they can sweep down and get it. He is hiding behind the winepress, threshing wheat because if the Midianites see it, they will come and get it. And they can't stand before them because the angel of the Lord doesn't go before them anymore. MM says this would be like walking into the house from your car with groceries and worry about someone following you in and taking them.
Judges 16:16		16 And it came to pass, when she pressed him daily with her words, and urged him, so that his soul was vexed unto death; HIS SOUL WAS VEXED UNTO DEATH: Don’t be that wife that vexes, annoys and wearies your husband until he is sick of you, sick of marriage and sick of life itself. Contentious wives do far more complaining than praying. If this is true of you, give up your nagging for prayer and admiration of your husband.
Judges 16:29-30		29 And Samson took hold of the two middle pillars upon which the house stood, and on which it was borne up, of the one with his right hand, and of the other with his left. 30 And Samson said, Let me die with the Philistines. And he bowed himself with all his might; and the house fell upon the lords, and upon all the people that were therein. So the dead which he slew at his death were more than they which he slew in his life. v29: TWO MIDDLE PILLARS: MM's point is they were supporting the whole structure and then they put him between that and he pushed those things down, the whole structure came down as well. Samson brought down the entire house by pushing the 2 middle pillars. (GH: During the Proverbs 9:1 7 pillars of wisdom).

Judges 19		MM establishing the fact that when something is FAR SPENT-Romans 13:12 it is well along the way but it is not over yet. v1-8: There was a Levite from Ephraim and he took a concubine from Bethlehem, which is not far from Jebus/Jerusalem. He was going to leave on the 4th morning but the father-in-law says hey, look, just before you get on the road, let's have something to eat, let's just sit down and have one more time to fellowship together. As they are doing that, then the father-in-law says the day is kind of getting along, why don't you just spend the night again and get up in the morning and go? Then FIL does the same thing on the 5th day. MM says it is Ground Hog Day all over. v9: NOW THE DAY DRAWETH TOWARD EVENING V9: THE DAY GROWETH TO AN END v10: MM says notice the NIGHT has not come yet but it is getting close. v11: THE DAY WAS FAR SPENT: Which means that there was only a little bit of daylight left before nightfall. You are getting really close now. v12?: GIBEAH: About 2.5-3 miles from Jebus. v?: RAMAH: About 5 more miles (GH: from Jebus?). v14: THE SUN WENT DOWN UPON THEM WHEN THEY WERE BY GIBEAH: They didn't have enough of a day left to get to Ramah. They still had time to get to Gibeah.
Judges 19:11		11 And when they were by Jebus, the day was far spent; and the servant said unto his master, Come, I pray thee, and let us turn in into this city of the Jebusites, and lodge in it. FAR SPENT: The scripture uses the phrase only four times in both testaments and every time it does, it carries the idea that something has passed, it has come to an end, that it is over.
Judges 21:25		25 In those days there was no king in Israel: every man did that which was right in his own eyes. There were times when God left the people without a spokesman, such as in the time of the judges.
Ruth	GH: Covenant : Human-to-Human	Example of people making covenants with other people. Ruth makes a covenant with Naomi.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ruth	GH: GPPI verse	Israel needed a Redeemer. Of themselves, they could not change their sinful hearts, they could not redeem themselves and they could not forestall the 2nd CoP. They needed to cast themselves upon God's Jehovah-ness and grace for that. The Book of Ruth provides Israel instruction for this, the only thing they could do that will keep the next cycle from coming upon them. We have their response to this in 1 Samuel, where they give the tabernacle over to Satan's own men and they don't want God to rule over them. They want to be like other nations and have a king. Why the book of Ruth is placed where it is in the Scripture. The book of Ruth is all about the doctrine of redemption. Ruth follows Judges and rightly so, since if there was anything that Israel needed to understand after coming through the 1st CoP, it was that they needed a redeemer. Boaz sets forth the issue of redemption. The means of redemption, the requirements of the redeemer and all those sorts of things are given to you in Ruth. Not only that, but Ruth is put into Boaz' line from which a son is eventually produced who is named David. This is just one of the things (GH: redemption) pertaining to the five core Jehovah issues (GH: the 5 Davidic covenant mandates?) that stem from the seven Jehovah names.
Ruth	Non-MBI : Ruth Outline	Ruth: 1046 - 1035 BC; 1140 BC; 1350 - 1000 BC Ruth 1: Naomi & Ruth (1140 BC) - Love's Resolve - Ruth cleaving to Naomi Ruth 2: Ruth meets Boaz; Ruth Gleans in the Field of Boaz - Love's Response - Ruth gleaning Ruth 3: The Threshing Floor; Naomi's Instruction to Ruth; Boaz Accepts Ruth - Love's Request - The Threshing Floor Scene Ruth 4: The Marriage: Boaz Marries Ruth and Begins the Line of David - Love's Reward - The Redemption of both Land and Bridge
Ruth 3:8-9	Non-MBI	8 And it came to pass at midnight, that the man was afraid, and turned himself: and, behold, a woman lay at his feet. 9 And he said, Who art thou? And she answered, I am Ruth thine handmaid: spread therefore thy skirt over thine handmaid; for thou art a near kinsman. CM: 'spread therefore thy skirt over thine handmaid' - not just propositioning him, skirt represented authority - asking to take her to wife (he's flattered).
Ruth 4:5		5 Then said Boaz, What day thou buyest the field of the hand of Naomi, thou must buy it also of Ruth the Moabitess, the wife of the dead, to raise up the name of the dead upon his inheritance. Their brother had a piece of land, it got sold, and he is going to redeem it back, it's going to stay in the family. When you had a piece of property to buy back, it fell to the nearest kinsman to redeem that property back, but he had to be willing to do it. Couldn't be forced to do it. Had to have the ability to do it and couldn't suffer loss by doing it. Fell to Boaz's brother first. v5: First brother would suffer loss and therefore he couldn't do it all the redeemer requirements.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel	GH: GPPI verse	During the 450 years of the judges, Israel continues to spiral downward. They degenerate worse and worse with each deliverance and relapse. The relapse is worse. By the time you get to I Samuel you are faced with two horrible acts, horrendously bad things, on the part of Israel that are literally the straw that break the camels back: 1. Their tabernacle and the running of it has fallen into the hands of Satan's own men. It is being run by Satan's own men. MM says this is their worship that has fallen into the hands of Satan's own men. Satan's guys are running the tabernacle. That's their religious system. - MM says this makes God so mad He can't see straight. 2. Where the nation rejects the theocracy and desires a king like the other nations around them. They wind up asking Samuel to do the very thing that Satan's policy of evil against them is designed to produce. MM says if you don't understand the gravity of this, it's easy to go, what's the big deal? But it is such a big deal to God that it warrants the 2nd CoP.
1 Samuel	GH: GPPI verse	- This is so much worse than the first that it is a blatant statement of theirs to God that they want to follow the course that Satan laid out for them and they no longer want to follow His. What this is tantamount to. Like standing before God and saying, I don't like the way you are doing things, I'm going to follow Satan. He's got a better idea. And God even tells the prophet Samuel to tell them, get yourselves ready. Because that which I TOLD you about is coming upon you. And you think, here it comes. But instead of dropping the 2nd CoP on them, He does something completely unexpected, the interlude of mercy. And He has 3 purposes He is trying to accomplish here, with the 3rd one being the most important of the batch. MM comparing the interlude of mercy with the EoM. God is about to do something they didn't see coming and He is doing it for a reason that they didn't even know about. And He is trying to make them aware of it because it is important for them to know about it.
1 Samuel	GH: GPPI verse	The capacity of Satan to corrupt Israel lay in destroying the distinctiveness (the things that made them different from the other nations is the very thing Satan was trying to do away with) of the nation from the other nations. After 450 years, they not only are not reformed by these judgments, they ask for Satan's policy of evil to reign over them rather than God. Now, since they have put their religious system (the tabernacle) in the hands of Satan's men (sons of Belial) and then they want to put the government into his hands as well, they have qualified themselves for the 2nd CoP. Make Israel just like the nations that were consigned over to Satan at the Tower of Babel in Genesis 11. Israel comes to the place where they deserve the 2nd CoP.
1 Samuel	GH: GPPI verse	(worthy of the 2nd CoP) The straw that breaks the camels back here are two particular things (SONS OF BELIAL control the tabernacle and the nation rejects God by asking Samuel for a king) that the nation does that are so grievous to the Lord that He cannot but bring in the next CoP upon them. Remember, these layer on top of each of the previous. MM asks to recall the continuing cycle of repentance in the Book of Judges. These two thing that they finally do are so bad because they cooperate with the strategy of evil against them. Satan has a plan to corrupt these people to the extent that God will wipe them out, and he won't even have to fool with them. And his plan is working so perfectly that they are actually cooperating with the strategy.

1 Samuel 1 - 15	GH: GPPI verse	You are in the 1st CoP and there we find those two acts that bring in the next cycle. Actually, the 2nd CoP doesn't come in immediately. Instead, God inserts another "stay" in the judgments before bringing the second cycle upon them. This is the (GH: interlude of) "mercy" that reserved to Himself to introduce when He saw fit. The nation is actually worthy of the judgments of the second cycle in I Samuel 15, but it doesn't arrive until I Kings 11. MM wants us to understand the difference between being worthy of the next cycle and the next cycle actually starting.
1 Samuel 1	GH: GPPI verse	v3: Samuel's father is going up to the tabernacle in Shiloh. We are also told that Eli (who is the high priest) has two sons serving as priests there in Shiloh. There names are Hophni and Phinehas. Nothing seems unusual to 1 Samuel 2:12.
1 Samuel 1:13	Prayer : Israel : Location	13 Now Hannah, she spake in her heart; only her lips moved, but her voice was not heard: therefore Eli thought she had been drunken. Hannah was praying for a son and Eli the priest says that she was praying with her lips moviing but no sound was coming out and he thought she was drunk. When he confronts her she says oh I'm not drunk, I just want a son and I'm begging God for a son. Eli was the one to see her because she made that prayer at the Temple.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 2	GH: GPPI verse	v12: SONS OF BELIAL: They scoff at the idea that Jehovah is the true and living God. They do not believe it, neither do they worship Jehovah. And remember, they are the priests that are running the tabernacle! These are Satan's own men and they have control of the tabernacle. The law educated Israel as to how to observe Satan and his work. They should have observed what was going on here, but it is allowed to continue. Part of Satan's policy against Israel was to incorporate the abominable practices of the heathen nations into Israel's religious system. Here you have the tabernacle in the hands of Satan's own men. They're controlling the tabernacle. MM says they are so corrupt you can't even talk about these things in a public session. Says he may not be able to in a private session. That's how corrupt they are. v12: BELIAL: Means 'worthless'. Doesn't just mean they're worthless, it means they are part of the satanic plan to make Israel worthless as far as achieving God's purpose for them (to reclaim the earth for God). It's part of the strategy of evil. As long as Satan can corrupt them, they are worthless. Satan is the author of this. Is a name which is applied to Satan himself especially in regard to his policy of evil against Israel. It is the name given to Satan as he works his course for this world through the gentile nations that occupy the land. v12: THEY KNEW NOT THE LORD: If not the Lord, whose guy are they? Satan. MM says this is the first of 2 straws (evil acts) that breaks the camel's back. v22: It gets worse from just v12. These are Satan's own men and they control the tabernacle and they are doing this. They are immoral and they are making an abomination out of the house of God.
1 Samuel 2:1-10	The Song of Hannah	The song of Hannah underscores the reversal of status, which is exactly what Paul is preaching to the Corinthians in 1 Corinthians 1:30-31. GH: Same principle in Jeremiah 9:23-24. You might have become something in the world, don't glory in that.
1 Samuel 2:2		2 There is none holy as the Lord: for there is none beside thee: neither is there any rock like our God. THERE IS NONE BESIDE THEE: Not saying there are no other gods; He is saying that none of them are what He is.
1 Samuel 2:12	GH: WoD Teaching	12 Now the sons of Eli were sons of Belial; they knew not the Lord. SONS OF ELI WERE SONS OF BELIAL: There is a priest named Eli and his sons are evil, wicked. Things get so bad that the Temple is controlled by THE CHILDREN OF BELIAL-Deuteronomy 13:13. The very house of worship is controlled by the SONS OF BELIAL. MM asks how long do you think the worship of the True & Living God is supposed to last? Is it any wonder that one day Israel gets itself in a situation where a guy rumagging throug some stuff in the Temple finds a Book and brings it to the king and the king reads it and goes this is the law of the Lord. MM says are you kidding me? They didn't even know where it was. The king said we've got to read this. MM says you've got to read this? What happened to that? Satan is not just extinguishing the LIGHT, he is taking the people who are supposed to be God's people He's chosen, that holy nation, that royal priesthood, he's taking those people and he's not going to have them turn their back on God but they are leading them down the road of THE COURSE OF THIS WORLD-Ephesians 2:2, going exactly the way that Satan charted it all to go.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 2:30		30 Wherefore the Lord God of Israel saith, I said indeed that thy house, and the house of thy father, should walk before me for ever: but now the Lord saith, Be it far from me; for them that honour me I will honour, and they that despise me shall be lightly esteemed. SHOULD WALK BEFORE ME FOREVER: God talking about when He makes the new heavens and the new earth.
1 Samuel 7:14	GH: Sonship	14 I will be his father, and he shall be my son. If he commit iniquity, I will chasten him with the rod of men, and with the stripes of the children of men: Declares the bi-directional nature of the relationship - fundamental to this whole thing - to the whole issue of adoption and Sonship.
1 Samuel 8	GH: GPPI verse	Has one more issue that makes them worthy of the 2nd CoP. v3: TURNED ASIDE AFTER LURCE, AND TOOK BRIBES, AND PREVERTED JUDGMENT: MM says that's pretty crooked. Sounds like politics today. Aren't you glad our nation is not under the IF/THEN of the law? v5: MAKE US A KING TO JUDGE US LIKE ALL THE NATIONS: MM says this could not have been a worse statement. This is exactly what the policy of evil was about, removing Israel's distinctiveness from the other nations around them. v7: THEY HAVE NOT REJECTED THEE, BUT THEY HAVE REJECTED ME, THAT I SHOULD NOT REIGN OVER THEM: Israel rejects the theocracy and they desire to be like the nations that had been consigned over to the adversary. MM says God wanted to be their King but they did not want God to be their King. They wanted a nation. MM reminds what happened to all the nations back in Genesis 10 (GH: 11?). They got given over to the adversary. That was the whole reason for bringing this other nation (Israel) up that would not be numbered with them. They are saying we want to be like the other nations that were consigned over to the adversary. We don't want God to rule over us, we want to be like them. This is Satan's plan to make them like the other nations of the world.
1 Samuel 8	GH: GPPI verse	They play right into Satan's strategy. It was their distinctiveness that made them usable for the purpose God created them for. It was the fact that they were NOT like the other nations. Why when they went in the land, God said don't intermarry, don't take on their practices, don't make treaties, don't worship their gods, COME OUT FROM AMONG THEM AND BE YE SEPARATE-2 Corinthians 6:17. It's how you are different. You are not numbered with them. That's why you're Jews, all the rest are called Gentiles. They belong to the adversary. You are My people. I MADE a covenant with you. And they come along and say, we don't want to be separate. We want to be like them. We don't want You to reign over us, we like the deal they god. They're already worshipping false gods, Satan's own men control the tabernacle, and now the government want to be like the heathen nations. No wonder Samuel is upset. And God says, oh, give them what they want, because Samuel, they haven't rejected you, they have rejected Me. This is the second of 2 straws (evil acts) that breaks the camel's back. When this happens, this is exactly where they are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 8	GH: GPPI verse	v11-18: They are given a king, but before they get him, Samuel gives them a description of what their king will be like, and it isn't a good picture. Samuel basically tells them they will be sorry they ever made this choice and he also tells them why. MM says Samuel tells them, if you get a king, here's what you are in for. Here's what he will do to you. If you don't let God be your king and you get any man, here's what's going to happen and he spells it out for them and it's not a pretty picture. v19-20: NAY; BUT WE WILL HAVE A KING OVER US...THAT WE ALSO MAY BE LIKE ALL THE NATIONS: Their response to the warning Samuel gives on a king. MM says they are saying we don't want to be separate and we don't want to be distinct. And for this nation, it was the only way of becoming the GREAT NATION-Genesis 12:2 they were supposed to be. MM says Satan put the COTW-Ephesians 2:2 into motion in Genesis 4 - 11. When Israel comes along, he develops a strategy of evil against Israel and part of that strategy is to get them to walk according to the way the rest of the world is walking. To be like the other nations. It's not just about peer pressure, it's about conforming to the thing that Satan was trying to get them to do all along. And in order to do that, they are crystal clear that they're going to reject God from ruling over them and are willing to make that choice with eyes open. v19: NEVERTHELESS: Despite that long explanation on the dangers of a king.
1 Samuel 8:5	GH: IP - POE / GH: WoD Teaching	5 And said unto him, Behold, thou art old, and thy sons walk not in thy ways: now make us a king to judge us like all the nations. POE drove them to say 'we want a king like the other nations of the world'. As long as they are like the other nations, they will never be the great nation of the Abrahamic covenant. People misinterpret this and say Christians should hermit themselves from the world. Paul even quotes it but it is not what he is saying. THY SONS WALK NOT IN THY WAYS: Samuel's sons did not follow the Lord. MM says this is true. MAKE US A KING TO JUDGE US LIKE ALL THE NATIONS: If you are aware of what makes Israel different, that God was supposed to reign over Israel, not a man/king.
1 Samuel 8:7	GH: WoD Teaching	7 And the Lord said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them. THEY HAVE REJECTED ME, THAT I SHOULD NOT REIGN OVER THEM: God is saying I WANTED to be their King, they didn't want Me to be their King, they wanted a man to rule over them. MM says if you knew anything about God's plan and purpose for the nation of Israel as part of the nation of Israel you would have known that this was a step in the wrong direction.
1 Samuel 8:20	GH: WoD Teaching	20 That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles. MAKE US A KING TO JUDGE US LIKE ALL THE NATIONS: GH: Satan's POE to get Israel off from being distinct and separate and just like the other nations of the world. The BELIAL issue: The issue of Satan's POE/DARKNESS trying to destroy Israel's distinctiveness. When you read that they want a king like the other nations, you immediately know the CHILDREN OF BELIAL are among them. You don't have to be told that, you can DISCERN that from this. Then a few verses over, it mentions them by name. What Satan does to get Israel to no longer be separate and distinct. Paul also talks about what Satan does to put our light out. It is when Satan begin to function as BELIAL.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 10:1	GH: Inheritance verse	1 Then Samuel took a vial of oil, and poured it upon his head, and kissed him, and said, Is it not because the Lord hath anointed thee to be captain over his inheritance? OVER HIS INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
1 Samuel 10:27		27 But the children of Belial said, How shall this man save us? And they despised him, and brought no presents. But he held his peace. THE CHILDREN OF BELIAL: When Saul was made king, there was a group of people that wanted a king like the other nations but they didn't like the choice of Saul and they felt that they would show that. When a man was anointed king, people would come and see him. They would bring him presents as a way of acknowledging it. If the elders are coming to Samuel and saying we want a king like all the other nations-1 Samuel 8:5, you know that THE CHILDREN OF BELIAL-Deuteronomy 13:13 are in their midst. They are trying to make them like the other nations. They don't like the choice but they definitely don't want God reigning over them. Even if you didn't see THE CHILDREN OF BELIAL there, you should already understand that they are there because of what they said. They are those either who have come into Israel, journeying into the land, OR those like Gibeah (GH: Judges 9) that acted like they came from a long ways off. HE HELD HIS PEACE: Saul didn't say anything about it.
1 Samuel 12 - 15	GH: GPPI verse	Get the declaration that the nation is now worthy to receive the 2nd CoP. God essentially tells Samuel to tell the people to ready themselves for the next cycle of punishment. Samuel performs the “sign” for the 2nd CoP. Although worthy, the interlude of mercy does not have the second cycle actually coming upon the nation until I Kings 11. MM says get Saul and a list of failures that their king brings to them over and over and over again. And God is extending mercy all along to give them a chance to serve Him under Saul. Finally, Saul is rejected by God from being king. Because of their 2 evil things (tabernacle is in the hands of Satan's own men and they ask for a king for all the wrong reasons) and for 3 chapters they fail and God rejected Saul, you would think the 2nd CoP would be next in 1 Samuel 16. But it doesn't happen until 1 Kings 11.
1 Samuel 12	GH: GPPI verse	See Samuel is about to give Israel a sign. Remember in the Gospel accounts, the people wanted to see a sign from the Lord. Even Paul says JEWS REQUIRE A SIGN-1 Corinthians 1:22. They require it because it was part of the law contract they signed at Sinai and Israel has a right to look for signs. And if there came a time in which there were no signs, then that itself was a sign that something was very wrong. God tells Samuel to do something that produces a sign for Israel. This sign is for the purpose of exposing the great evil that was in their asking for a king and rejecting God to reign/rule over them. This thing is going to happen in a single day and it serves as a “type” or “foretaste” of the 2nd CoP (includes that change in the weather that affects their crops and fruit trees) which they are now worthy to receive. See not the start of the 2nd CoP, it is as though God is pulling back the curtain to show them what is coming if you guys don't get your act together, in hopes of this bringing them back to Him. v13: BEHOLD THE KING:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 12	GH: GPPI verse	v14: SHALL BOTH YE AND ALSO THE KING THAT REIGNETH OVER YOU CONTINUE FOLLOWING THE LORD YOUR GOD: Even though they asked for a king, God gives them an opportunity to serve Him underneath this king and still get the blessing. God is extending mercy in that even in giving them what they wanted (a king), and giving up their distinctiveness from the other nations, God is still willing to bless them, if they and their king will obey and follow the commandment of the LORD. v15: THEN SHALL THE HAND OF THE LORD BE AGAINST YOU: But what God wants them to understand is that if they don't obey the commandment of the LORD, God's hand won't just be against them, but it will be against them according to the law contract, which will usher in the next cycle of punishment on top of the one they are already experiencing. This is what the sign is emphasizing to them. v16-18: The emphasis here is not in drought, which is how you know this is not the start of the 2nd CoP. But it still is a drastic change in weather pattern, which is of the same type. In both, the harvest is not going to bring forth because of the weather. The fact that it was wheat harvest that day means that the enemy had not come and taken this away from them. But God is going to send thunder and rain which will give a problem to the harvest.
1 Samuel 12	GH: GPPI verse	v16: SEE THIS GREAT THING: Remember the prominent sign of the 2nd CoP - the change in weather conditions/climate where it is going to stop raining and I WILL MAKE YOUR HEAVEN AS IRON, AND YOUR EARTH AS BRASS-Leviticus 26:19. v17: MM says too much rain can be just as devastating as no rain. It's a climate change. That's the point being made here. The day that this is happening is harvest. Evidently, the enemy had not yet come and taken this away from them. God is going to send thunder and rain which will be a problem for the harvest and that is the signal that if you don't serve Me under the king you asked for, you are going to get that change in weather predicted back in Leviticus 26/2nd CoP. v17: THAT YE MAY PERCEIVE AND SEE THAT YOUR WICKEDNESS IS GREAT, WHICH YE HAVE DONE IN THE SIGHT OF THE LORD, IN ASKING YOU A KING: He is saying I want you to understand just how bad it was for you to do this. v24-25: Message: If you don't perform under this king you asked for, then you have the weather changes of the 2nd CoP to contend with in addition to all the things you are already under.
1 Samuel 12:6-11		Context: Saul and asking for a king. Samuel is reviewing their history in the time of the Judges. You got away from God, he brought your enemies upon you, you cried to the Lord, He sent a judge, he delivered you and you dwelled safely. Then you threw it all away, started serving false gods again, God brought your enemies back upon you, etc. GH: Rinse. Repeat.
1 Samuel 12:16-20		Context: Bring up to the present time. v19: Reminds of Moses. Pray to the Lord for us. Shows the pattern in Israel's program. You don't have to pray for the good things, if you do well (GH: obey the law), you will get them automatically. If you don't do well, you are not going to get good things no matter how you pray for them, you are going to get bad things. The only thing that will turn this around is to return to the Lord with all of your heart.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 13 - 15	GH: GPPI verse	Saul becomes their king and God gives them an opportunity to serve Him under their king. From chapter thirteen to fifteen we see Saul's failures. We also see God extending mercy at the beginning of these failures. Finally, the LORD rejects Saul from being king, and that is the place where the nation is now ready for the second cycle of punishment. MM says the scepter was not supposed to be but from one tribe - Judah. But Saul is from the tribe of Benjamin. Wrong tribe. They don't choose Saul because he loves the Lord, they choose Saul because he was tall. He was head and shoulders about everybody else. They said, oh yeah. And he had been in battles. We want him to be king over us so he can go out and fight our battles for us. But the Lord was the One who was really supposed to be fighting their battles. The Lord was supposed to go before them. Saying we don't want God to fight our battles. We don't want God to be our King. We want to be like the other nations of the world. We don't want to worship the Lord. We're going to put Satan's men in charge of the tabernacle. That's going to be fine with us. Suddenly, they are righteous. Hey Samuel, you're old and your kids aren't doing the right thing, we need a king. MM says doing the right thing, what do you think the tabernacle was all about?
1 Samuel 13 - 15	GH: GPPI verse	Chronicles is, for the most part, the failure of Israel's king and the failure of the people underneath that king. This is where it becomes very important for you to have in your mind what you learned about God reserving the right to administer mercy right along with the law contract. The nation is in rebellion and their king has disobeyed the strict command of the LORD, so you would expect the 2nd CoP would come upon them because that's what they deserved. But instead of bringing the 2nd CoP, God brings about a time (a 100 year interlude) of mercy and grace to the nation where the punishments of the 1st CoP are reversed, the 2nd CoP are put on hold, and the nation receives great blessings from the hand of God! There was absolutely nothing they did to deserve this. Makes one wonder why God did this and God had a purpose in doing this and it is important for Israel to know (as well as us) that purpose, to know why God put the curses in abeyance and brought in blessing solely on the basis of His mercy and grace, especially when they deserved just the opposite. MM says it's a good thing that He does this because the contract made back at Sinai had an allowance where God said He WILL SHEW MERCY ON WHIM I WILL SHEW MERCY-Exodus 33:19. I CAN do this anytime I want. And it is a good thing for them that this happens because if He doesn't have mercy He will end up having to wipe them out. So, it's a good thing that this happens.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 13:5-6		5 And the Philistines gathered themselves together to fight with Israel, thirty thousand chariots, and six thousand horsemen, and people as the sand which is on the sea shore in multitude: and they came up, and pitched in Michmash, eastward from Bethaven. 6 When the men of Israel saw that they were in a strait, (for the people were distressed,) then the people did hide themselves in caves, and in thickets, and in rocks, and in high places, and in pits. 7 And some of the Hebrews went over Jordan to the land of Gad and Gilead. As for Saul, he was yet in Gilgal, and all the people followed him trembling. 8 And he tarried seven days, according to the set time that Samuel had appointed: but Samuel came not to Gilgal; and the people were scattered from him. Context: Saul is the king and God would have established Saul's kingdom forever. But Saul made a big mistake - he offered a sacrifice that Samuel was supposed to offer. Saul did it instead and because of that, God stripped the kingdom from him, deny him to be king, and instruct Samuel to anoint someone else as king of Israel. v5: Look at the Philistine army compared to Saul's 3,000. v6: IN A STRAIT: MM says things are not looking good. v8: Even the people that were following Saul, now they are leaving.
1 Samuel 13:13		13 And Samuel said to Saul, Thou hast done foolishly: thou hast not kept the commandment of the Lord thy God, which he commanded thee: for now would the Lord have established thy kingdom upon Israel for ever. Even though Saul wasn't God's choice, He would have done that.
1 Samuel 13:14	GH: Sonship	14 But now thy kingdom shall not continue: the Lord hath sought him a man after his own heart, and the Lord hath commanded him to be captain over his people, because thou hast not kept that which the Lord commanded thee. See the incident that gets the kingdom stripped away from Saul. Here you see the essence of Sonship in any program. Even an earthly father, when looking out over his children to say, who am I going to adopt to carry forth the family name and the family business, it's not the only thing but the primary thing he looks for to carry on his business - A MAN AFTER HIS OWN HEART. A MAN AFTER HIS OWN HEART: Has more meaning to it than you think. Normal way to look at this phrase is means we love God a lot or we are interested in religious things or we have deep-rooted emotion for the things of God. MM is not going to say these things aren't true, but he wants to show what that phrase is talking about. Only then will you understand what your Heavenly Father is looking at you for - attitude. The hardest thing to develop in someone is attitude. Your Heavenly Father is looking for a certain attitude.

1 Samuel 15:22	GH: IP - Ungodly Thinking / GH: Godly Wisdom	22 And Samuel said, Hath the Lord as great delight in burnt offerings and sacrifices, as in obeying the voice of the Lord? Behold, to obey is better than sacrifice, and to hearken than the fat of rams. When Saul was king, the instruction was given when they went into battle to not leave any of those enemy kings alive and not to take any of their stuff for a spoil. The Lord comes to Samuel the prophet and says Saul has rebelled against what I HAVE told him. I AM going to remove him from being king and you need to go see him. Samuel goes to see Saul. He greets him and Saul is all happy - there's been a great victory and all that. Samuel asked Saul if he has done what the Lord commanded? Saul says oh yes. Samuel says what is that bleeding of sheep in my ears that I hear? Saul said we kept the best of their flocks to sacrifice unto the Lord. To Saul, this made perfect sense because he was 'doing a good thing'. He was not only giving the very best but he was sacrificing to the Lord. Normal mind would think God is jumping up and down happy. God says I AM removing you from being king. What Saul did was offer to God the very best of that which God said He rejects. Saul made that mistake. MM doesn't want us to make that same mistake.
1 Samuel 15:23		23 For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the Lord, he hath also rejected thee from being king. REBELLION IS AS THE SIN OF WITCHCRAFT STUBBORNNESS IS AS INIQUITY AND IDOLATRY: Stubbornness with regard to exercising your own liberty. STUBBORNNESS: Stubbornness toward God, regarding exercising your liberty. Saying there's nothing wrong with this, I can do it. Don't tell me what I can do. You're not living my life, I'm living my life.

1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	Interlude of Mercy + Psalms, Proverbs, Ecclesiastes, Songs At the end of the 1st CoP, Israel does two great evils (Satan's men control the tabernacle AND they asked for a king like the other nations), that make them worthy of the 2nd CoP. But instead, Goe brings in an interlude of mercy, where the nation rises to unprecidented heights of prosperity and they literally become the head of all nations. Everyone is beating a trail to Solomon's door to get his wisdom and the nation is rich. But Solomon does the things he was commanded NOT to do in almost every area - multiply horses from Egypt, multiplying silver and gold, multiplying wives, and all those forbidden to the king. The Interlude of Mercy: God has 3 great purposes (the third is the most important) for putting off the 2nd CoP. That's what they deserved and that's what they contracted for and if you knew anything at all, you would think that's the next thing. But God puts the breaks on it, and He not only doesn't bring in the 2nd CoP, He rolls back the 1st CoP. Doesn't start the 2nd CoP, which they are worthy of, but a 100-year period where God is establishing something that He means to do for the kingdom in eternity. Very important. For almost a century, the nation flourished and was at rest from its enemies. A foretaste of the kingdom was given to the nation and the Davidic covenant was established. At the end of this interlude of mercy, Solomon violates almost every restriction God placed on a king including marrying strange women who turn his heart from the LORD to worship other gods. He builds high places right there at Jerusalem and becomes prideful in his heart over the power and wealth that has been given to him and the nation. God determines to “break the pride of his power” by dividing the kingdom through the second cycle of judgment, but declares that He will not bring it upon the nation until after Solomon has died. Before Solomon’s death however, the elements of the first cycle begin to reemerge and come back upon the nation.
1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	Interlude of Mercy: An interval of great blessing inserted into Israel’s history. Is not until after the death of Solomon that the punishment of the first cycle is resumed and the punishment of the second cycle is added to it. This means that for almost/around 100 years (a short period of time, less than a 1/4 compared to the 450-year 1st CoP), God suspends the judgment of the cycles. Know it is very important due to the amount of Scripture dedicated to it which is why God has taken time to talk about these issues. The graciousness of God during this period of time is so evident that this is often referred to as Israel’s golden age. The only time that will surpass this time when David and Solomon are on the throne will be when Jesus Christ sets up His kingdom and reigns over the creation from Jerusalem. Never before or since has Israel had it so good. There are THREE elements that make up this time of great blessing: 1. There is a general rest that prevails with respect to Israel’s enemies. * THE LORD HAD GIVEN HIM REST ROUND ABOUT FROM ALL HIS ENEMIES-2 Samuel 7:1. * I WILL GIVE HIM REST FROM ALL HIS ENEMIES ROUND ABOUT-1 Chronicles 22:9

1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	2. Is a righteous rule and leadership which pull Israel out of her spiritual corruption and apostasy. * The are actually going to get righteous kings that are going to help them. * THE LORD REWARDED ME ACCORDING TO MY RIGHTEOUSNESS-2 Samuel 22:21 * HE WALKED BEFORE THEE IN TRUTH, AND IN RIGHTEOUSNESS, AND IN UPRIGHTNESS OF HEART-1 Kings 3:6 3. Is great national prosperity not only from their own nation, but is also given to them by the nations around them. See this third element in the gifts that were given during the reign of Solomon both to him and to the nation. God is having mercy on who He is having mercy. MM says 100 years may seem like a long time to us but that does not seem like a long time to God. MM pointing to timelessness as on aspect about God.
1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	There are THREE major reasons why God did this (Interlude of Mercy): 1. 'I AM merciful': Is because of God's statement of being "merciful to whom He will have mercy (Exodus 33:19)." This has to do with the glory of God's own name and the essence of His character. * We know God's character is one of mercy and grace. So God is actually acting in accordance with His character. * The greatest period of prosperity that the nation had ever experienced. Not that they earned it, but God made a provision for it all the way back to Sinai - I WILL HAVE MERCY UPON WHOM I WILL HAVE MERCY-Exodus 33:19. MM says without that period of mercy, Israel would have finally been wiped out. So God makes a provision graciously to preserve them. 2. 'I AM giving you a foretaste or a preview of what it is going to be like for you in the kingdom'[please let Me do this]: Is to give Israel a foretaste/idea of their purpose/kingdom and of what His Jehovah-ness and grace will give them when they learn the lesson that only by those things will they ever be what God's plan and purpose called for. GH: Ties/Reminds of the 7 compound Jehovah names. So that they might understand what they will be on the receiving end of when they finally receive by His grace all that His name can supply. This is the foretaste of what it will be like in the kingdom. The nation achieved heights of glory that they've never achieved before. Not as complete or as good as then, but only a taste of it.

1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	They see: * what it will be like to have God's righteous rule among them. * what it is like to be "head of all nations." * see how God's righteous rule in them will impact the other nations of the world. They experience the "eating of the riches of the Gentiles." Because they are sinful they need a Redeemer and they can't keep the 2nd CoP from coming upon them. The only thing they could do to keep the 2nd CoP from falling upon them is to cast themselves on God's Jehovah-ness and return to the Lord. Get taught that lesson in the Book of Ruth. 3. 'I AM going to establish this covenant'[I AM going to establish/initiate a covenant to do this]: (most important and comes out of the 2nd reason) God makes a covenant with David. This covenant shows them specifically the way in which their Messiah will function in order to make them THE GREAT NATION-Genesis 12:2 that they were supposed to be under the Abrahamic covenant. In this covenant, God shows how He means to put His Jehovah-ness into effect.
1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	It is during this time that: * Israel will prosper/experience great blessing * All the cycles will be rolled back * 2nd CoP will be forestalled * Achieve greatness like never in their history * Never in their history did they have such land area * Never did they have rest from all their enemies * Never did they have the wealth they had * Never did they have the nations of the world bringing riches to them * Never did they have such affluence and impact to the Gentile nations
1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	This 100 year period was incredible and why the Jews always look back to the time of David and Solomon. MM says the only reason they had this time was that God gave them mercy in a time that they deserved to be smashed. They deserved the 2nd CoP and God forestalled it, rolled the 1st CoP back, and said I AM going to give you a foretaste of what it will be like when you finally let Me provide for you by My Name that which I CAN alone provide. They aren't going to earn it. They are only going to get it by His Jehnovahness and grace. How they get it during this 100 year period. That's the point here. The Davidic covenant is the means by which He will employ His Jehovahness. It's how He is going to do it. It's how He is going to bring all of that to pass. They need these 5 things. MM says the interlude of mercy reminds of the extension of mercy. In the 7 Jehovah Names are 5 Names that MM calls the core ones that all correspond to the 5 mandates of the Davidic covenant.

1 Samuel 16:1 · 1 Kings 11:43 — Timeline : Interlude of Mercy / GH: GPPI verse

In the interlude of mercy, God gave to Israel where God not only gave them a foretaste of the kingdom, put the 2nd CoP (which they were worthy of) in abeyance, and even rolled back the punishments of the first cycle. Three reasons for the interlude of mercy:

1. Because of the merciful character of God. He was demonstrating that aspect of His nature to the nation.
2. He was giving them a foretaste of the kingdom and what it was going to be like. Pleading with Israel to allow Him to deal with them by His Jehovahness and grace. God is showing them what it will be like in the Millennial Kingdom. During this time of almost 100 years, the Gentile nations bring gifts to the nation. They exalt the wisdom of Solomon. All of these wonderful things happen, and it is only just a tiny fraction of what it will be like for them in the kingdom. God is showing them that.
3. He is establishing His covenant with David. Those mandates of the Davidic covenant talk about the very means by which God will provide for Israel to become the GREAT NATION-Genesis 12:2 that she was supposed to become under the Davidic covenant.

1 Samuel 16:1 · 1 Kings 11:43 — Timeline : Interlude of Mercy / GH: GPPI verse

The righteous reigns of David and Solomon saw Israel rise to its greatest heights during the interval of mercy when Israel was given rest from her enemies round about her. But it is Solomon that is largely responsible for returning the nation to apostasy and bringing in the next cycle of punishment. We have seen the generation that followed Joshua failed to continue the process of driving the Gentile nations out of the land. They were reprimanded by the angel of the LORD and after feigned repentance, began to worship Baal. This caused the LORD'S anger to be "hot" against Israel and the 1st CoP was brought in against them, according the law contract. In spite of their continued rebellion, the LORD graciously raised up judges to deliver them from enemies and gave them intervals of respite. It was during the 1st CoP that the people commit two great evils that become the "straws that broke the camel's back" and made them worthy of the 2nd CoP. Those two evils were the tabernacle being put into the hands of Satan's own men and then the rejection of the LORD being their king in an attempt to become like the other nations around them.

1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	This went against God's purpose for them to be a distinct nation. But following Satan's plan for them, they wanted to become like the nations around them. God allows them to have Saul as king and even extends an opportunity for them to serve Him under their king, but they and their king fail miserably. God rejects Saul from being king and it seems that God will bring in the next cycle of judgment, but instead, as an act of mercy and grace, God delays the 2nd CoP, rolls back the judgments of the 1st CoP and brings in an unprecedented time of blessing and prosperity to the nation. They have almost a hundred years of rest from their enemies, they are viewed with admiration and awe by the Gentile nations and are given a taste of what God intends for them to experience in the eternal kingdom. God makes the Davidic Covenant to confirm to them what He will accomplish for them “by His name, Jehovah.” But Solomon marries many strange women and begins to worship their gods, even building them high places in and around Jerusalem. God promises not to bring the evil upon them in the days of Solomon, but in the days of Solomon’s son, Jeroboam.
1 Samuel 16:1 · 1 Kings 11:43	Timeline : Interlude of Mercy / GH: GPPI verse	
1 Samuel 16		God says to Saul I AM through with you and then says to Samuel go to Jesse the Bethlehemite, I WANT you to go anoint one of his sons as king. Samuel says if Saul gets wind of that, he will kill him, Samuel is really afraid. Don't ask me to do that because Saul will kill me. The Lord says take a bullock with you and when you get there, say I've come to sacrifice to the Lord and call Jesse and his family to the sacrifice and when they come to the sacrifice you anoint one of his sons king. When Samuel comes to town, the elders of the city see Samuel and they are frightened because they know who that is. They come out and ask do you come peaceably? We hope? Samuel says, yes, peaceably and they go whew, OK, what are you doing here? And he says he has come to make a sacrifice unto the Lord. MM says but you know what, that would be a deception, wouldn't it? That's not really why he is there. He's doing that, but you would feel guilty if you used that kind of stuff with your family. MM says it is a GH: Bare Bones topic to talk about when God uses deception so that He does not assist evil. GH: Another example is Abraham claiming Sarah was his sister. MM says we misunderstand the commandment and then apply it in ways without understanding the principle of why God does these kinds of things and He has not violated His own moral code.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 16:7	GH: Sonship	7 But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart. When they were choosing the King. In both programs, God wants “honest” actions, genuine behaviors, godly responses, not just the outward obedience, but inward too. This was the problem of the Pharisees, the outside looked good, but inwardly, they were rotten. Their outward show of piety may have checked all the boxes, but there was no honesty of heart in them. Why didn't Jesse initially present David to Saul with the other 7 sons? We think of the qualities we are looking for in a king but they are not the qualities that God is looking for in a king. What God says is Good is different from what we see as good. Bible is not real complimentary of him - he's ruddy, he's a shrimp. Why David? Out of 8 boys, he is the only one that has the heart to be educated by God as a son. Only one that wants it. Once you understand Sonship, you will understand why there had to be 3 of them - root of Jesse - Jesse, David, Solomon. 2 great kings in Israel and one is the son of Jesse and the other comes from the son of Jesse. Bible describes David as ruddy and with other unflattering terms. David wasn't the smartest or the most kingly or the strongest or the most bravely, but he had the heart to be educated as a son. Same thing that God is looking at us for. David called the man after God's own heart = I want what is in Your Heart in my heart. I'll be educated as a son. God can't teach you to have a heart for Him. If you don't have that, it is just data and it means nothing and you will get tired of it. Satan will do everything he can to keep you from having that kind of heart. David is chosen to be king, according to the Bible, based on one simple description. He is a man after God's own heart. David will typify what an adopted son is like and how he will be dealt with. Doesn't it make sense for God to choose him based on that? Knowing what He is going to do with him? Knowing that He is going to use him as an example.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 16:8-13		God tells Samuel to go to a certain place and make a sacrifice and invite someone specific to the sacrifice - a man called Jesse of Bethlehem. Because you are going to anoint one of his sons as king. This scares Samuel, who says if Saul finds out about this, he will kill him. God says then don't tell him. v6: ELIAB: Jesse's oldest. You want a commanding presence. David's decription is not kingly - COMELY AND BEAUTIFUL IN COUNTENANCE. The Lord said to Samuel don't look at his/Eliab's face or the height of his stature. Were you not paying attention back in 1 Samuel 13? MM says Eliab was probably a big guy. v7: God refused him. Man judges the outward appearance while the Lord judges the heart. You already know from Samuel 13 God is looking for A MAN AFTER HIS OWN HEART. When God looks at his heart, not looking if 'he is a good guy' or something specific. If God doesn't see that in you, you won't go 1 step into the education. Will be adopted but never make it to SIMPLE SON or YOUNG MAN or MAN OF WISDOM or MAN OF UNDERSTANDING. This is the number one thing your Heavenly Father is looking for, no matter what dispensation you are in. MM thinks everyone in the room has it, but you need to see for yourself if you have it. v11: KEEPETH THE SHEEP: If someone is going to be king over Israel, someone needs to keep the sheep and David, you will never be king so you keep the sheep. v12: David has boyish features, not kingly features. MM said look at the Presidential candidates. There's a look that we attribute to that. Not everybody can have that look, but anybody can have that heart, no matter what you look like. God is really wise, isn't He?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 17		Battle with Goliath. Interesting but why is that story in there? Because it tells you something about David, it is the perfect way for God to show you what Jesse put in David that he understood as a youth before he was ever anointed king. When you know what you are looking at in this story, when you get over a little further and God says to Samuel I have rejected Saul and I am going to annoint one of Jesse's boys. You would almost say it's got to be David because his heart has already been primed to know some things about His Father and understand some things about His Father's Business, but he wanted those things that His father had, he wanted. These stories are not harum-scarum or not just interesting reading or not just for historical detail. It's history but that's not the purpose. God is unfolding this whole thing. It's a long story with a lot of detail. God is showing you something. It's pertinent. Have to understand who David is, what God is about to do with Him, what being a man after My own Heart is about, and then when you understand that, there are phrases and terms that are used in these passages you say, oh my goodness, here's where God is showing me here is what David understood. v17-24: Things that illustrate the difference between David and the rest of his brothers. Difference between David's heart and the hearts of his brothers. Between what David understood and what his brothers understood. Context: They pitched(?) battle between Israel and the Philistines. Jesse sends David down to visit his brothers at the battle. Jesse had 8 sons and the 3 oldest are now in the army with Saul and they are preparing to fight the Philistines. Every day, Goliath comes out to challenge that army. He stands down in the valley and he challenges anyone in Israel to come out and fight with him. He mocks Israel's God. He mocks the nation of Israel. There comes a time when Jesse wants to know how things are going and how his sons are faring and so he decides to send David to check on them.
1 Samuel 17		One of the main reasons this story gets such a large amount of space in your Bible is that it is putting something on display for you to see and this is what it is to be a man after God's own heart. Evidently, David was the only one in the whole bunch that understood this matter. Not even Saul understood this matter. Why God chose to use David in that Interlude period, when God gave Israel a foretaste in advance of what it would be like in the Kingdom when God was going to deal with them as a Father and them as sons. Story is not trying to teach you as long as you dream big you just go after your dreams and it will happen. There's something much more fundamental about this, something much more specific. What is being taught here is God is looking for a man who had certain qualities and if those qualities were not there he could not be utilized as an adopted son. David met those qualifications in every way and God utilizes him and identifies him as the man after God's own Heart. Begins to show you the evidence of that. Showing David's heart in this story, what's in David's heart. Not that he is full of bravado or he's talking himself into having courage. v26-33: Point where you are about to see not just a difference in courage, but you will see WHY David is courageous. That's the big difference between him and his brothers. v36-40: David is not just trusting in his ability, but he realizes that something is at stake here. Goes back to the phrase IS THERE NOT A CAUSE?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 17		v4: GOLIATH: This guy was 9 1/2 feet tall, if a cubit is 18". Taller if this refers to a royal cubit which was 22". He is a huge guy, very strong v4: CHAMPION: The only person in the Bible called a CHAMPION. v5: Just the coat of mail (interwoven links to not pierce your skin) weighed 157 lbs. Just the coat of mail, there's other armor that goes on. v7: The head of his spear weighed 18 lbs. and 12 oz - almost 20 lbs. MM talks about holding and throwing a spear with a 20 lbs. head. v11: The Philistine challenges the champion of Israel to a winner-take-all fight for 40 days. And what was their response? v37: David who hears the boast of Goliath and he accepts the challenge. David is not looking at the size of the giant, but the size of His God. David says to King Saul that His confidence is in the Lord, who delivered him from a lion and a bear and will do so with this giant too. David has confidence in God. MM says don't think in the physical world God promised to you what He promised to David. But in the physical world, he has been keeping his father's sheep and he tells the story to Saul of a lion that came and grabbed one of the lambs, he caught it, it turned on him, and he grabbed it by the beard and slew it. Did the same thing with a bear. Tells Saul he will do the same thing with this Philistine because he has absolute confidence in God. v48: David has confidence in the Lord and how that confidence was displayed in his actions. God is not asking us to take on a physical giant, but to trust that His grace is sufficient for the battles ahead and the helmet is that confidence! Notice David runs toward Goliath! MM says there is confidence right there.
1 Samuel 17:29	GH: Action, not talk	29 And David said, What have I now done? Is there not a cause? Context: David's brothers were gathered in the army. They were on one side and the Philistines on the other side. Goliath had come down in the valley and challenged somebody from Israel. They'd all bang their shields and spears but they never would walk down there and fight him. And here comes David and he says to his brothers, why doesn't somebody go down and teach that uncircumcised Philistine a lesson? And they go, well, you're just here to spy on the battle. You ought to get back to keeping the sheep. This is a way to distract him from their cowardice. Here's what David said. Look at a statement that David made. IS THERE NOT A CAUSE? David understood God's Cause with Israel. And God has a Cause with the church, the Body of Christ (introduced in LEVEL 2 PHASE 2). As His cause becomes our cause, it takes on such a proportion, that it changes the way we think entirely. Context: The army of Israel is listening to Goliath come down every morning and blaspheme their God and call them every name in the book. David comes to visit his brothers at the war camp. He decides the giant can't get away with this. Why doesn't somebody go down there and teach that guy a lesson? They tell David why don't you go back to keeping the sheep? They try and embarrass him. IS THERE NOT A CAUSE?: What David says. MM says this is what's at the heart of this, this is your heavenly Father's cause (GH: MM teaching Romans 13:12). David is not all talk. He takes 5 stones and steps down into the valley of Eli and slays the champion of the Philistines.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 17:40		40 And he took his staff in his hand, and chose him five smooth stones out of the brook, and put them in a shepherd's bag which he had, even in a scrip; and his sling was in his hand: and he drew near to the Philistine. David goes down and gathers those 5 smooth stones (for Goliath and his 4 brothers per the scripture - not in case he misses, gathering a stone for each one of them in case they decide to avenge the death of their brother) and walk down into the valley to meet the giant.
1 Samuel 17:45-47		45 Then said David to the Philistine, Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the Lord of hosts, the God of the armies of Israel, whom thou hast defied. 46 This day will the Lord deliver thee into mine hand; and I will smite thee, and take thine head from thee; and I will give the carcases of the host of the Philistines this day unto the fowls of the air, and to the wild beasts of the earth; that all the earth may know that there is a God in Israel. 47 And all this assembly shall know that the Lord saveth not with sword and spear: for the battle is the Lord's, and he will give you into our hands. v45: IN THE NAME OF THE LORD OF HOSTS: MM says David understood some things about the Name of God and what God was willing to do, not just on his behalf but Israel's behalf. v47: See hints that David understands something is at stake here. Not just God' testimony in the land of Israel but David is coming in the Name of the Lord of hosts. He understands from his father Jesse something about God's compound Names and what they represent. Very easy to use this terminology to make it do what they want to do. EX Someone will say you know this is what I plan to do and I know God is going to allow this to happen because we are doing this in the Name of the Lord. Real easy to attach that to anything you want to do. The difference between that and what is happening here is that David understand the specific issues that are at stake in the Jehovah compound name. He understands also the specific plan and purpose that God is trying to achieve. Now what we want to do in this dispensation of grace and take our plans and purposes and attach God's Name it it and then somehow we think we are going to obligate God now to bring that to pass. That doesn't always happen if you have tried it very often. Difference is that you don't have the understanding that David had about what God's plan was, what He pledged Himself to do, and what that Name of the Lord was really all about. David is showing that he understands about God's Jehovahness - God's power to accomplish everything that needs to be done on behalf of His own plan and purpose with Israel. You can see David's understanding of GH: God's supernatural power.
1 Samuel 18	GH: GPPI verse	God was rolling back the 1st CoP judgments when David slew Goliath.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Samuel 18:1-4	GH: Covenant : Human-to-Human	Context: The armies of Israel and the Philistines were pitted against one another. Saul is the king of Israel. His cousin (or nephew?), Abner, is the general in charge of Saul's army. Goliath had been challenging God's people for 40 days, when David, who is not part of Israel's army, shows up and takes up the challenge. We know the story; David defeated Goliath and the Israelite army routed the Philistines. After David slew Goliath, he took the giant's sword and cut off his head. Not knowing who David is, as he is not part of the army, Abner brings David before King Saul. v1: THE SOUL OF JONATHAN WAS KNIT WITH THE SOUL OF DAVID, AND JONATHAN LOVES HIM AS HIS OWN SOUL: Saul, king of Israel, asks David some questions to discover who this young man is. Saul has a son, Jonathan. As Saul and David are speaking, Jonathan hears the whole conversation. By the time Saul is finished talking with David, the Bible says that "Jonathan's soul/heart was knit to David's." v2: Saul is saying, you aren't going home, you are going to live here with me. v3: THEN JONATHAN AND DAVID MADE A COVENANT: Example of people making covenants with other people. Jonathan made a covenant with David. Doesn't matter what David thinks about Jonathan. Jonathan is going to do this for the benefit of David. v4: Jonathan takes the initiative in this covenant and his first act was an act of giving. Jonathan's motivation for making a covenant with David came from his love for David, not from a selfish desire to manipulate David to do something for him. The act of giving is the token of the covenant.
1 Samuel 23		Philistines were attacking the city of Keilah and David got word of that and he gets his men, he's hiding from Saul, he's got a small army of men. He goes, you know what, we can drive these Philistines away, let's go over there and deliver Keilah. They are down in Judah and he's thinking, you know what, we'll win some friends in this thing at the same time. So he takes his army, they defeat the Philistines. Keilah is a small but walled city. He goes in and drives out the Philistines and they go yay, David! Then, he realizes that the news is going to get back to Saul and so he inquires of the Lord and says Lord, if Saul hears about this, will he send his army to Keilah to get me? And the Lord said yes he will. Then David asks if he comes to Keilah and lays seige against the city, will the men of Keilah give me up to him and the Lord went yep, they will. MM jokes well thank you very little - just delivered you from the Philistines and now you're going to turn me over to Saul. So before Saul can even mobilize, David leaves Keilah and is back in Judah somewhere. Then word comes to Saul that David is gone and it says, pfft, forget it. Saul was thinking at first I got him, it's a walled city, we'll just lay seige to it. When they run out of water, they'll send him out and he was right. GH: Can speculate about the Divine Council conversation. This never happened but God knew what would happen.

1 Samuel 23:1-13		David is on the run from Saul. He has about 600 men with him but Saul has a whole army and he is trying to hunt David down, find out where he is, all the time. David is in Judah and hiding out with his band of men. He hears about the Philistines attacking one of the cities of Judah, Keilah. v1: KELIAH: SW of Jerusalem/Bethlehem and SE of Gath and NW of Hebron. v1: THRESHINGFLOORS: The storehouses of all the harvest, all of the things they planted. The Philistines are stealing their food for the rest of the year when there is no growing season. v3: David's men are saying we are already at risk being down here in Judah, if we go over to Keliah, we're going to put ourselves out in the oepn and advertise where we are and Saul is going to find us. v4: David asks God again. v8: BESEIGE: If you have a city that has gates and walls and bars, all you have to do it put your army all the way around and cut off the food and water going in and say you get your food and water when we get David. v10-12: David suspects that Saul knows he is in Keliah so he inquires of the Lord about 2 things: 1. Is Saul going to come to Keliah? 2. If he does, will the people of Keliah give him up? He just delivered them from the Philistines, right? God answers YES and YES. v13: If you are David, you are thinking you need to get out of Dodge. So he does. POINT: God foreknew if Saul would come down to Keliah and that the people of Keliah would give DAvid up to Saul. But God did not ordain for either of those to happen. Neither of those things actually happened. Saul never went to Keliah because he had heard David was gone. The people never delivered David up because he didn't stick around.
1 Samuel 23:11-13	GH: Foreknowledge example	11 Will the men of Keilah deliver me up into his hand? will Saul come down, as thy servant hath heard? O Lord God of Israel, I beseech thee, tell thy servant. And the Lord said, He will come down. 12 Then said David, Will the men of Keilah deliver me and my men into the hand of Saul? And the Lord said, They will deliver thee up. 13 Then David and his men, which were about six hundred, arose and departed out of Keilah, and went whithersoever they could go. And it was told Saul that David was escaped from Keilah; and he forbare to go forth. Example of foreknowledge.

1 Samuel 28:12-14	GH: spirit beings	12 And when the woman saw Samuel, she cried with a loud voice: and the woman spake to Saul, saying, Why hast thou deceived me? for thou art Saul. 13 And the king said unto her, Be not afraid: for what sawest thou? And the woman said unto Saul, I saw gods ascending out of the earth. 14 And he said unto her, What form is he of? And she said, An old man cometh up; and he is covered with a mantle. And Saul perceived that it was Samuel, and he stooped with his face to the ground, and bowed himself. Saul can no longer hear from God and he is worried. He's supposedly driven everybody out of the land that is supposedly a familar spirit and all that kind of stuff, contacting the dead. He knows about the witch of Endor. He is there, he's disguised himself and is trying to get some information. He asks her to call him up Samuel. She didn't expect to see the real Samuel show up. When he shows up, she immediately recognizes Samuel and she immediately knows who her visitor must be. and she says you deceived me. v13: GODS: Hebrew word Elohim. v14: WHAT FORM IS HE OF: Saul asks the witch to describe Samuel to him. Samuel's natural status is dead, it is not to be in a corporeal body anymore. Samuel's body is in the dirt. Samuel is now an Elohim because he no longer possesses a physical body and his natural state is in the spirit realm.
1 Samuel 28:24		24 And the woman had a fat calf in the house; and she hasted, and killed it, and took flour, and kneaded it, and did bake unleavened bread thereof: FAT CALF IN THE HOUSE: GH: The Manger in the house was common.
1 Samuel 31:11-13	GH: Resurrection verse	Saul and his sons died as they were fighting against the Philistines. When the Philistines found Saul's dead body (MM says he wasn't killed by the Philistines), they cut his head off. They carried his body and head and the bodies of his sons and nailed them in the temple of Dagon. Evidently, they thought it was disrespectful to have Saul's body treated this way. So, they took his head and body, and burned them, and then buried the bones. They wanted to bury the remains, but they had no problem with burning the body. When the Philistines found Saul and his sons, they burned the bodies.

2 Samuel 5:1-5	GH: Sonship	v3: THEY ANOINTED DAVID KING OVER ISRAEL: Different anointing than Saul's. v4: Have in your mind David was 30 when he became king and he reigned 40 years. 7 (Judah) + 33 (Israel and Judah) Unique connection between David being king and an adopted son. His place as an educated son is going to be to occupy that place of king and what God is doing on this earth, this busines all throughout eternity. This anointing is telling you something. Not just in connection with David but also in connection with everyone's Sonship adoption. GH: David has finished his Sonship education between the Saul (GH: or Samuel's?) anointing and this one. There's still more for him to learn in his apprentice as king on this earth to be king in the future Kingdom. When Jesus is born into this world, they understand that He is the Son of the Most High. Gets said by angels early on. When He is 12 years old, MM believes it is at 12 years JESUS GREW IN WIDSOM AND STATURE. Means Jesus did not come onto the planet with the full knowledge of Jehovah God at His disposal but He went through the Sonship curriculum. If you grow in wisdom, it means you didn't have it all before you started.
2 Samuel 6:5	Non-MBI	5 And David and all the house of Israel played before the Lord on all manner of instruments made of fir wood, even on harps, and on psalteries, and on timbrels, and on cornets, and on cymbals. RM: 3 types of musical instruments - timbrels: percussion instruments - pipes: wind instruments (brass & reed) - strings: string instruments
2 Samuel 7		David's concern that God dwells in a tent. God talking about the general issue (GH: not necessarily the details - find the details in the Book of Psalms) of the Davidic covenant. There are three major issues that are set forth here. 1) God promised to make the "house" of David out into the future. - MM says it that way because David already has a "house" in the sense of a lineage; ancestors and descendents. But what God is doing is establishing the house of David for the forever future. 2) God promised an eternal kingdom 3) God promised a throne that will be established forever

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Samuel 7	GH: GPPI verse	The Davidic covenant is the means by which He will employ His Jehovahness, the mechanics by which God will put His Jehovahness into effect for the nation. The Davidic Covenant is the “how” or the “mechanics” of God’s Jehovah-ness. It's how He is going to do it. It's how He is going to bring all of that to pass. They need these 5 things. Don't have the covenant laid out in details. See what is generally being covenanted for. But leaves it up to David, to expound what the covenant is about. See it all through the Psalms. Other prophets give doctrinal details of various aspects of this covenant. After the 1st CoP, Israel has been made aware of the need of a Redeemer, Deliverer, Avenger, King, and Blesser. God now comes along in this covenant to explain how He will be all those things. Along with this He also explains the other two Jehovah names (Shepherd and Dwell in your presence) that round out the seven. God tells David that He is going to make David his house, and that He (God) is going to dwell in David’s lineage. God will incarnate Himself through David’s line. v1-7: Everything is going so well that David has the good intentions of building the LORD a permanent house to come and dwell in and establish the everlasting kingdom. God gives a rebuke of sorts. David meant well, but the timing wasn’t right. It wasn’t that God never was going to do that; He was, just not at that time.
2 Samuel 7	GH: GPPI verse	v1: THE LORD HAD GIVEN HIM REST ROUND ABOUT FROM ALL HIS ENEMIES: One of 3 elements that make up this great time of blessing (Interlude of Mercy) - there is a general rest that prevails with respect to Israel’s enemies. v2: David is saying I'm living in a great house of cedar, but the ARK of the Lord is behind curtains. It deserves to be more than that. MM says that seems like a well-motivated thing. v2: THE ARK OF GOD DWELLETH WITHIN CURTAINS: In the tabernacle. v3: Nathan says, hey, if that's the thing your heart wants, then go for it. Then in the following verses, the Lord acknowledges David's good motives but then rebukes him. v7: God says of all the times I HAVE been walking among you, have I ever asked you to build Me a house of cedar? MM says that's got to be a let down for David. God is going somewhere with David and the point is the covenant. v8-9: The LORD confirms all the things that David is seeing as far as the great blessing goes (rest from enemies, etc.), but God means to emphasize that what He is doing, He is doing with David alone.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Samuel 7	GH: GPPI verse	v9: MADE THEE A GREAT NAME: v10-11: Now He is going to make David understand what this foretaste of the kingdom is all about. In addition to what has already been done, this is what God wants David to see. v11: ALSO THE LORD TELLETH THEE THAT HE WILL MAKE THEE AN HOUSE: God says He will “make of thee an house” to David after David earlier wanted to make God a house. David is going to be the house in that God is going to take up residence in David’s fleshly lineage (not what David had in mind). That will make him “the seed of David.” That will make him “a man.” That will make him “an Israelite, of the tribe of Judah.” And that is the means by which He will be all of those things we mentioned earlier; Redeemer, Deliverer, Avenger, King and Blesser. Since David is not only a king, but also a prophet, God will use David in that function to set forth the means by which this is going to be accomplished. v12-16: God is telling David that he may see the blessings, and notice that things are very different from what was happening under the judges in that 1st CoP and they have rest from all their enemies, but God is telling David that He is doing something that David isn’t aware of and it contains the major purpose for all these things David is seeing. The LORD confirms that at the kingdom, He will dwell in a physical house and the one that Solomon builds will be a type of it.
2 Samuel 7	GH: GPPI verse	v12: I WILL ESTABLISH HIS KINGDOM: Solomon v15: Even if Solomon commits iniquity, God's mercy will not depart away from him. So you know that the 2nd CoP can't come until after Solomon. Solomon has to be gone before God's mercy. It is so important to understand the Davidic Covenant because David commits two sins that by the law demanded the death penalty. Yet, he gets mercy because of WILL BE GRACIOUS TO WHOM I WILL BE GRACIOUS, AND WILL SHEW MERCY ON WHOM I WILL SHEW MERCY-Exodus 33:19b. He has reserved the right to show mercy. God made him a privileged character, knowing what he would do, and used him as the example to show mercy because God is showing something to the nation that they needed to understand. If David didn't need mercy, then He would never have been able to make the point.

2 Samuel 7:1-2		1 And it came to pass, when the king sat in his house, and the Lord had given him rest round about from all his enemies; 2 That the king said unto Nathan the prophet, See now, I dwell in an house of cedar, but the ark of God dwelleth within curtains. David has a palace and he is concerned because God doesn't have a permanent residence, He has a tent. He wants to build God a grand house. In the beginning, Nathan says if you think that's what you should do, you should go for it. Later, the Lord speaks to Nathan and says tell David I don't want him to build Me a house. Instead, tell David I AM going to build him a house. But now we are talking about 2 different houses. David wants to build for the Lord a physical structure of the Temple. But the house God is talking about making for David is his generational house. God is saying that I AM going to make a covenant with you that your house is going to endure forever. Means David's line is never going to die out/never going to be extinguished. HOUSE OF DAVID: Is not necessarily 'lives in the same building'. It's part of his relations/descendants. A bunch of houses died off in the Bible. God is going to make a covenant with David for certain things and it is all going to be through David's line. So He has an interest in preserving David's house. When Jesus returns, He is going to sit on the throne of David so it has to be an eternal thing. It has to last all the way to the end. God is making a promise here, that He is going to establish David's house forever.
2 Samuel 7:4-10		4 And it came to pass that night, that the word of the Lord came unto Nathan, saying, 5 Go and tell my servant David, Thus saith the Lord, Shalt thou build me an house for me to dwell in? 6 Whereas I have not dwelt in any house since the time that I brought up the children of Israel out of Egypt, even to this day, but have walked in a tent and in a tabernacle. CONTEXT: Happening during the interlude of mercy, the picture of what it is going to be like in the Kingdom, when God has rolled back those judgments. He is about to use David and Solomon in a very special way. He IS going to make that Davidic covenant, the 5 mandates that God says, these are the things I AM going to do for you, to bring about what I AM going to bring about. As great as David's military victories were and as big a land area Solomon provided over, they still didn't see the fulness of the Kingdom during these 2 reigns. Just shown a taste of it. v4-10: God reveals to Nathan that He does not want David to build Him a house.
2 Samuel 7:10		10 Moreover I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own, and move no more; neither shall the children of wickedness afflict them any more, as beforetime, Can't happen under the cycles of judgment. Know God had to roll back to get this done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Samuel 7:11		11 And as since the time that I commanded judges to be over my people Israel, and have caused thee to rest from all thine enemies. Also the Lord telleth thee that he will make thee an house. God talking back to Nathan. SINCE THE TIME THAT I COMMANDED JUDGES TO BE OVER MY PEOPLE ISRAEL: Why in the midst of telling Nathan does God bring up the issue of the Judges? He wants something in David's mind. He is bringing this kind of thinking (of His Jehovahness and grace) into David's mind. - One judge is called a deliverer of the people. - One judge is called an avenger of the people. Names come straight out of the mandates of the Davidic covenant. God is telling David, even though you don't deserve it, I can have grace, I can have mercy. When God is talking about building David a house, he is talking about his lineage.
2 Samuel 7:11		11 And as since the time that I commanded judges to be over my people Israel, and have caused thee to rest from all thine enemies. Also the Lord telleth thee that he will make thee an house. THE LORD TELLETH THEE THAT HE WILL MAKE THEE AN HOUSE: Notice that swap? David wants to build a House for the Lord. The Lord prophets tell Davdi I AM going to make David a house. David already had a house to dwell in. What does God mean here? God had a reason to build the Temple and it had to do with the law. The purpose of that Temple has to do with the law. When the 70th week starts, the first thing that the Antichrist is going to do at the start of the week is reinstitute worship liberties to Israel and allow them to rebuild the Temple and start up their sacrificial system. God told the remnant to NOT go to the Temple and participate in those sacrifices. How interested is God in the blood of bulls and goats, now or out there? None. Hebrews says that God is not interested in any Temple made by men. The thing He is interested I AM bringing from Heaven. You hear Preachers saying let's give to help rebuild the Temple. MM says to start up sacrifices that God now says are an abomination? After His Son's perfect sacrifice, God is not interested in any sacrifices. Why was God not interested in David's offer? People say he was involved in those wars, hands were full of blood, etc. What is He really saying to David? He made the Davidic covenant, not the Solomonic covenant. David was good enough to make a covenant with. What He is talking about to David is not going to be done by building a Temple. It is going to be done by another kind of House. God is going to inflesh Himself into the line and seed of David to do for them what they could not do for themselves. It's wrapped up in those 5 mandates.

Now, your seed that comes after you, He's going to build a House. God is saying I really do want to be a Father and I really do want a man to be a son to Me. This is a Sonship proclamation. What the father does upon adopting his son. That's a real father-son relationship. He's saying, I'm going to treat you like a natural son and I'm going to be just like your natural father. And you're going to treat me just like your natural father, and you're going to be just like my natural son! This is about Solomon, David's own son. This is a shocking statement; that God will be a "Father" to a man who will be a "son" to God. The impact this verse is designed to make is also the one that often gets overlooked; the relationship aspect of all that God intends to do. God means to establish a real "Father/son" relationship. Declares the bi-directional nature of the relationship - fundamental to this whole thing - to the whole issue of adoption and Sonship.

Showing them they can't do it on your own/make it happen. That's the lesson for Israel. v16: The 3 elements again - pretty plain - THINE HOUSE (GH: seed), THY KINGDOM, THY THRONE. The 3 issues that are pertintent to the Davidic covenant. The “house” that God will make of David concerns a “seed, a throne and an eternal kingdom.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Samuel 7:18-29	Prayer : David	This is a recorded prayer of David - he is talking to God. Remember why MM is taking us over here. Prayer is a dispensational issue, meaning you pray in accordance with what God is doing. Remember what God just promised him - house, throne, kingdom. v19: David is saying I recognize who I am just getting to this place and it's just a small thing. But now you are talking about taking my house into the future. v21: David realizes that God is telling him this for a reason. v23: God covenanted to do those marvels for the purpose of impacting the other nations of the world. That's why He was doing that. He could have done everything He wanted to do with Israel without going to all that trouble. v23: WHAT ONE NATION IN THE EARTH IS LIKE THY PEOPLE, EVEN LIKE ISRAEL: What nation is like this? They are supposed to be up on a platform for everybody to see. v25: He is just asking God to do what God said He would do. David got the idea to establish his house forever from God. David is even telling you where He got the idea. David is praying in accordance with what God has said He wants to do. MM says he know that sounds simple but almost no one prays this way. We pray according to what we conjure up in our own imagination. When people pray properly and intelligently, they are not just dreaming up stuff for God to do. They're praying in connection with what God said He wants to do. There is something going on emotionally here for David. He has just heard from the prophet that God wants his house to continue forever, He is going to set up a kingdom that is going to be established forever, and He's going to set David on a throne that is going to be established forever. These are the 3 components of the covenant and David is in awe of that and grateful for that. He is acknowledging all of that. House of David, the kingdom, and the throne - those are all necessary parts of what God intends to accomplish with the nation of Israel. David not just going down a rabbit trail. Not praying this for no reason.

2 Samuel 7:27	Non-MBI	planitall YouTube : BIBLE TIMELINE: God devised a plan where He could still use Israel despite their failures. Chose David to show what His kingdom would be like. Interlude of mercy and grace between the 1st and 2nd courses of punishment. Israel had great prosperity and victory over their enemies. Davidic Covenant: God declared through David's lineage, God would send His perfect Son to provide Israel's spiritual fitness. Designed to implement God's Jehovahness in the form of 5 mandates. It will be accomplished through 5 legal measures that we call mandates - Christ will fulfill the mandates by being Israel's: 1. Redeemer: fulfilled during His earthly ministry through His death, burial, and resurrection 2. Deliverer: fulfilled during the Lord's Day of Wrath (Romans 11:26) - AKA Day of the Lord - TO COME (Isaiah 13:9) 3. Avenger: fulfilled during the Lord's Day of Wrath - occurs towards the end of the Lord's Day of Wrath (Jeremiah 46:10) - Justly punish Israel's enemies for all their wrongdoings against Israel (Isaiah 59:18) - Final blow to Satan - Cast him in a specialized area of hell called the bottomless pit (Revelation 20:2-3) 4. King: fulfilled when the Kingdom is established - After Christ and His remnant have purged the world of all ungodliness, He will be ready to establish His Kingdom on the earth - The establishment of the Kingdom on the earth will be a joyous time, not only for Israel but for the entire world. - Jesus will fulfill the 4th mandate by ruling and reigning on the earth.
2 Samuel 7:27	Non-MBI	Matthew 6:10: He will implement God's will as originally planned before the fall of Adam. 1 Timothy 6:15 - During His reign, Jesus will remove the curse on the earth brought about by Satan, fulfilling Luke 2:14. Isaiah 2:4 5. Blesser: fulfilled when the Kingdom is established - In doing the above, Christ will fulfill the 5th and final mandate of the Davidic covenant. - Isaiah 2:3: Gentiles will seek the Lord in the Millenium. - Isaiah 61:11: so the Lord God will cause righteousness and praise to spring forth before all of the nations.
2 Samuel 19:4	Son 1 of 5 - Paternal/Genetic Son	4 But the king covered his face, and the king cried with a loud voice, O my son Absalom, O Absalom, my son, my son!
2 Samuel 21:10	First Heaven	10 And Rizpah the daughter of Aiah took sackcloth, and spread it for her upon the rock, from the beginning of harvest until water dropped upon them out of heaven, and suffered neither the birds of the air to rest on them by day, nor the beasts of the field by night. WATER DROPPED UPON THEM OUT OF HEAVEN: MM showing an example of the 'first heaven'.
2 Samuel 22:4		4 I will call on the Lord, who is worthy to be praised: so shall I be saved from mine enemies. SAVED FROM MINE ENEMIES: This SAVED is talking about his enemies not overcoming him, not being victorious over him. It is not being saved from the attack, but saved from the intention of the attack. GH: MM showing SAVED and DELIVERED can be used interchangeably in some cases. Not saved from the attack, saved from the affects of the attack.

2 Samuel 22:21	GH: GPPI verse	21 The Lord rewarded me according to my righteousness: according to the cleanness of my hands hath he recompensed me. THE LORD REWARDED ME ACCORDING TO MY RIGHTEOUSNESS: One of 3 elements that make up this great time of blessing (Interlude of Mercy) - Is a righteous rule and leadership which pull Israel out of her spiritual corruption and apostasy.
1 Kings - 2 Chronicles	GH: 2 Samuel - 1 Kings?	Context: David and Solomon as center stage and they are father and son. It's through them that Israel's Sonship curriculum was laid out. God suspended the judgments prescribed in Leviticus 26. Gave them that interlude of mercy in which He rolled back these judgments and Israel had a time of prosperity. He gave the Davidic covenant - those 5 mandates.

And the king rose up to meet her, and bowed himself unto her, and sat down on his throne, and caused a seat to be set for the king's mother; and she sat on his right hand. Example of putting a throne besides someone. Bathsheba, Solomon's mother, comes in and asks him a favor. Solomon sets his mother at his right hand to honor her, exalt her. If you see someone sitting at the king's right hand, you know that is somebody important even if you don't know who that is. God the Father did that with His Son-Ephesians 1:20.

1 Kings 3		Introduces the reign of Solomon, after David has died.
1 Kings 3:5-9	Prayer : Solomon	5 In Gibeon the Lord appeared to Solomon in a dream by night: and God said, Ask what I shall give thee. 6 And Solomon said, Thou hast shewed unto thy servant David my father great mercy, according as he walked before thee in truth, and in righteousness, and in uprightness of heart with thee; and thou hast kept for him this great kindness, that thou hast given him a son to sit on his throne, as it is this day. 7 And now, O Lord my God, thou hast made thy servant king instead of David my father: and I am but a little child: I know not how to go out or come in. 8 And thy servant is in the midst of thy people which thou hast chosen, a great people, that cannot be numbered nor counted for multitude. 9 Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people? Prayer from Solomon. Solomon was well aware of what God had promised to David. v6: Part of what God said back in 2 Samuel 7-Davidic covenant. No doubt David told him about it. What Solomon asks for. Solomon acknowledges God's faithfulness to His word. This also shows us that even Solomon knew about the heart of his father David.

1 Kings 3:5-9	Prayer : Solomon	5 In Gibeon the Lord appeared to Solomon in a dream by night: and God said, Ask what I shall give thee. 6 And Solomon said, Thou hast shewed unto thy servant David my father great mercy, according as he walked before thee in truth, and in righteousness, and in uprightness of heart with thee; and thou hast kept for him this great kindness, that thou hast given him a son to sit on his throne, as it is this day. 7 And now, O Lord my God, thou hast made thy servant king instead of David my father: and I am but a little child: I know not how to go out or come in. 8 And thy servant is in the midst of thy people which thou hast chosen, a great people, that cannot be numbered nor counted for multitude. 9 Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people? v7: Solomon is saying in honest humility, I am not equipped/can't do this. We're supposed to say the same thing when looking at what we're going to do in the heavenly places. Your Father will say that's what I wanted to hear because you you're ready to be educated as a son. You are ready to be taught. Solomon is showing humility like David's prayer. This is Solomon's humility as he expresses his inability, on his own, to properly fill the position as king. v8: Talking about the nation here. David understood what God was covenanting to do with him concerning His Purpose with the nation as a whole. Solomon understood as well. Solomon shows that he understands something God is doing with the nation and how God views the nation of Israel. He is praying in accordance to what he knows God is doing. v9: Solomon realizes that he is king, he is following his father David, and he realizes he's going to need God's help to rule over the people. That is what he is asking for here - asking for AN UNDERSTANDING HEART..Knowing that Israel has been "chosen" by God for a purpose, he realizes he needs help from God to rule over the nation in accordance with God's purpose. Therefore, Solomon prays for understanding.
1 Kings 3:6	GH: GPPI verse	6 And Solomon said, Thou hast shewed unto thy servant David my father great mercy, according as he walked before thee in truth, and in righteousness, and in uprightness of heart with thee; and thou hast kept for him this great kindness, that thou hast given him a son to sit on his throne, as it is this day. HE WALKED BEFORE THEE IN TRUTH, AND IN RIGHTEOUSNESS, AND IN UPRIGHTNESS OF HEART: One of 3 elements that make up this great time of blessing (Interlude of Mercy) - Is a righteous rule and leadership which pull Israel out of her spiritual corruption and apostasy.
1 Kings 4:21	Non-MBI	21 And Solomon reigned over all kingdoms from the river unto the land of the Philistines, and unto the border of Egypt: they brought presents, and served Solomon all the days of his life. PR: Original land grant to Abraham.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 8	Prayer : Solomon	The context is the completion of the temple construction. Solomon is talking to God about his understanding of what God wants to do and that is exactly a principle that we're going to carry over in our prayer. Aspects/Components of David's and Solomon's Prayers - MM doesn't mean to suggest they were just going through the motions: 1. Air of humility 2. Talking about the greatness of God - declaring WHO God is and WHAT He can do - Solomon extols God's virtue of keeping His promises to his father David 3. God's Plan and Purpose for Israel - They understood some things that God wanted to do with the nation. They understand what they were about to pray for had a connection to this. 4. Their prayer was in accordance with what God said He would do. That would be praying in the Will of God. Solomon prayer was saying back to God what God had already said to David. His prayer was based out of God's word to his father. The prayer and the word have never been unconnected. God wants to hear you say those things because it is not for Him it's for us. God wants to hear us say it because an impact is being made on angels (GH: both realms).
1 Kings 8	Ephesians Commentary	v22-23: Solomon has built the temple and he is getting ready to dedicate the temple and he is going to use the Leviticus 26 passage and he is going to put that into his prayer to God to dedicate the temple. Solomon is literally praying the scripture here. v30: WHEN THEY SHALL PRAY TOWARD THIS PLACE: Because Solomon was told in Leviticus 26 they are going to be carried away captive. If they don't follow His law, this will be the end result for you. v46: SO THAT THEY CARRY THEM AWAY CAPTIVES UNTO THE LAND OF THE ENEMY: v47: MAKE SUPPLICATIONS UNTO THEE IN THE LAND OF THEM THAT CARRIED THEM CAPTIVES: When we get carried away into the land, here is the remedy. v48: PRAY UNTO THEE TOWARD THEIR LAND: v49: THEN HEAR THOU THEIR PRAYER AND THEIR SUPPLICATION IN HEAVEN THY DWELLING PLACE, AND MAINTAIN THEIR CAUSE: v52: OPEN UNTO THE SUPPLICATION OF THY SERVANT: The prayer of thy servant. All the way back to the law of Moses, God said when you get carried away captive, here's the remedy. You are going to repent, you are going to turn bac, and then when you return to Me, I will hear and I will forgive. v52: THE SUPPLICATION OF THY PEOPLE ISRAEL: The prayer of thy people Israel. All the way back to the law of Moses, God said when you get carried away captive, here's the remedy. You are going to repent, you are going to turn bac, and then when you return to Me, I will hear and I will forgive.

1 Kings 8:1	Non-MBI	1 Then Solomon assembled the elders of Israel, and all the heads of the tribes, the chief of the fathers of the children of Israel, unto king Solomon in Jerusalem, that they might bring up the ark of the covenant of the Lord out of the city of David, which is Zion. PR: Solomon - 1000 BC Definite date in history - marked at the dedication of the temple v1 - 1000 BC OR 1004 BC allowing for Usher's chronology Bollinger has it at 950 BC At this time, Israel has all the land promised to Abraham, Isaac, and Jacob as described in 1 Kings 4:21. Original land grant to Abraham. Stretches over all of the near east. Covers all of Palestine, all of Syria, all of Northern Arabia, the Synieatic pennisula/part of Egypt, all of Babylonia, all of Mesopotamia, Assyria, and north into Armenia. Hebrew monarchy breaks up after the death of Solomon.
1 Kings 8:12-13		12 Then spake Solomon, The Lord said that he would dwell in the thick darkness. 13 I have surely built thee an house to dwell in, a settled place for thee to abide in for ever. After the completion of the Temple. v13: FOR THEE TO ABIDE IN FOR EVER: Solomon understood God was going to set up His residence on this earth and dwell in the mist of His creation from Jerusalem in Israel.
1 Kings 8:15-16		15 And he said, Blessed be the Lord God of Israel, which spake with his mouth unto David my father, and hath with his hand fulfilled it, saying, 16 Since the day that I brought forth my people Israel out of Egypt, I chose no city out of all the tribes of Israel to build an house, that my name might be therein; but I chose David to be over my people Israel. v16: THAT MY NAME MIGHT BE THEREIN: The fact that Solomon mentions that God's name MIGHT BE THEREIN demonstrates that he has an understanding of what God was doing; what God wanted to accomplish when He first made the covenant with David. The fact that Solomon mentioned God's name. It is acknowledging WHO He is and WHAT He has the power to do.
1 Kings 8:19-20		19 Nevertheless thou shalt not build the house; but thy son that shall come forth out of thy loins, he shall build the house unto my name. 20 And the Lord hath performed his word that he spake, and I am risen up in the room of David my father, and sit on the throne of Israel, as the Lord promised, and have built an house for the name of the Lord God of Israel. Solomon absolutely knows what was said to David. He understands that God has kept that promise. v20: THE LORD HATH PERFORMED HIS WORD: Again, Solomon says that God has performed that which He promised. v20: AS THE LORD PROMISED v20: AN HOUSE FOR THE NAME OF THE LORD GOD OF ISRAEL: This is Solomon talking. He built a HOUSE for the LORD to put His NAME there. And he knows what that "house" is about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 8:22-29		Context: David wants to build God's house but God says no, you have too much blood on your hands, I AM going to get your son Solomon do it. Solomon builds the house and now he is going to dedicate that Temple and he is going to pray to the Lord. Solomon is saying it's a humbling thing to think the heavens can contain You let alone this little house that I built, but I am going to ask when a prayer is made toward this place that You hearken to those who are making that prayer. v29: MY NAME SHALL BE THERE: MM tying back to A HOUSE FOR THE NAME OF THE LORD GOD OF ISRAEL-v20.
1 Kings 8:22-27	Prayer : Solomon	v23: A prayer - already did the humility part - now talking about God's greatness (GH: and Name 2 verses prior) v24: KEPT WITH THY SERVANT DAVID MY FATHER THAT THOU PROMISED HIM v26: LET THY WORD, I PRAY THEE, BE VERIFIED Solomon is not dreaming up stuff to pray for, he is praying in accordance with what GH: God is doing. v27: I have built this house and I want You to be in it forever, but really God, what house can contain You?
1 Kings 8:28-30		28 Yet have thou respect unto the prayer of thy servant, and to his supplication, O Lord my God, to hearken unto the cry and to the prayer, which thy servant prayeth before thee to day: 29 That thine eyes may be open toward this house night and day, even toward the place of which thou hast said, My name shall be there: that thou mayest hearken unto the prayer which thy servant shall make toward this place. 30 And hearken thou to the supplication of thy servant, and of thy people Israel, when they shall pray toward this place: and hear thou in heaven thy dwelling place: and when thou hearest, forgive. Solomon is going to pray a series of events, all of which will point to his understanding that God is going to put His name in this place in Jerusalem. v29: TOWARD THE PLACE OF WHICH THOU HAST SAID, MY NAME SHALL BE THERE: There's the issue of His Name. v29: TOWARD THIS PLACE v30: WHEN THEY SHALL PRAY TOWARD THIS PLACE
1 Kings 8:31		31 If any man trespass against his neighbour, and an oath be laid upon him to cause him to swear, and the oath come before thine altar in this house: Start a series of possible circumstances that he is doleing out. Notice the thread running through all these adverse circumstances that Solomon read about in Leviticus 26 (the 5 courses of punishment). He is not just dreaming up stuff like if someone drops a banana peel and I am walking along and don't see it and slip on it, please don't let me dislocate my hip. He is talking about real things that God said that He is going to punish in Israel. His prayer is going right back to what God said in Leviticus 26. Solomon is saying if we do this and then turn and confess our sin, we acknowledge who You are, Your Name, and what You can do, and we call upon You, forgive us and restore us. Solomon is listing the things in Leviticus 26 because he knows that's going to happen because God has already told them and it is written in their own scriptures. v31: IF ANY MAN TRESPASS AGAINST HIS NEIGHBOR: He is going to say there's a prayer that they are going to pray toward this place and we want You to hear that prayer and forgive their trespass.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 8:33-34		33 When thy people Israel be smitten down before the enemy, because they have sinned against thee, and shall turn again to thee, and confess thy name, and pray, and make supplication unto thee in this house: 34 Then hear thou in heaven, and forgive the sin of thy people Israel, and bring them again unto the land which thou gavest unto their fathers. Context: Solomon enlarges on his prayer to God. v33: BECAUSE THEY HAVE SINNED AGAINST THEE: GH: Solomon knows Leviticus 26. v33: IN THIS HOUSE v34: IF THEY PRAY TOWARD THIS PLACE v34: CONFESS THY NAME: WHO God is and WHAT He can do.
1 Kings 8:35-39		v35: No rain because they sinned and didn't keep the law. v37-38: If its a single guy or the whole nation, asking God to hear their prayer. v39: AND FORGIVE: They are not going to get away from having to come clean with their relationship with God.
1 Kings 8:44		44 If thy people go out to battle against their enemy, whithersoever thou shalt send them, and shall pray unto the Lord toward the city which thou hast chosen, and toward the house that I have built for thy name: TOWARD THE CITY WHICH THOU HAST CHOSEN, AND TOWARD THE HOUSE THAT I HAVE BULTY FOR THY NAME THE HOUSE THAT I HAVE BUILT FOR THY NAME
1 Kings 8:46-53		Why would Solomon be praying about Israel being carried away at the dedication of the temple? He got these ideas from the courses of punishment in Leviticus 26. Solomon is praying according to what God is doing. Yes but it is according to their dispensation/program. If they are carried away into the enemies land and they pray back toward Jerusalem, just asking God to hear that prayer. v47: AND PRAY UNTO THEE TOWARD THEIR LAND v47: THE CITY WHICH THOU HAST CHOSEN, AND THE HOUSE WHICH I HAVE BUILT FOR THY NAME v47: AND REPENT v48: AND SO RETURN UNTO THEE WITH ALL THEIR HEART, AND WITH ALL THEIR SOUL

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 8:46-53		v51: FOR THEY BE THY PEOPLE, AND THINE INHERITANCE, WHICH THOU BROUGHTEST FORTH OUT OF EGYPT, FROM TNE MIDST OF THE FURNACE OF IRON Everything in Solomon's prayer is in accordance to what he knows what God is doing. How did he get this? If we turn/repent/confess/show ourselves to be guilty - the prayer is in accordance with what God said that He would do. v53: FOR THOU DIDST SEPARATE THEM FROM AMONG ALL THE PEOPLE OF THE EARTH, TO BE THINE INHERITANCE ALL: Is in a context. v53: AS THOU SPAKEST: Not as I dreamed up here. Everything Solomon is praying is right out of what he knows God said He wants to do. Solomon is talking to God about his understanding of what God wants to do and that is exactly a principle that we're going to carry over in our prayer. Solomon's prayer demonstrates an understanding of what God has done, what God is doing and what God wants to do in the future with Israel.
1 Kings 8:53	GH: Inheritance verse	53 For thou didst separate them from among all the people of the earth, to be thine inheritance, as thou spakest by the hand of Moses thy servant, when thou broughtest our fathers out of Egypt, O Lord God. TO BE THINE INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
1 Kings 9:6-7		6 But if ye shall at all turn from following me, ye or your children, and will not keep my commandments and my statutes which I have set before you, but go and serve other gods, and worship them: 7 Then will I cut off Israel out of the land which I have given them; and this house, which I have hallowed for my name, will I cast out of my sight; and Israel shall be a proverb and a byword among all people: v1-8: God appears to Solomon at actually warns him if they are disobedient. v6: BUT IF YE SHALL AT ALL TURN FROM FOLLOWING ME v7: THEN WILL I CUT OFF ISRAEL OUT OF THE LAND WHICH I HAVE GIVEN THEM: The first part of the 5th CoP - Babylonian captivity. v7: CUT OFF v7: AND THIS HOUSE, WHICH I HAVE HALLOWED FOR MY NAME v7: ISRAEL SHALL BE A PROVERB AND A BYWORD AMONG ALL PEOPLE v7: CAST OUT

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 10	GH: GPPI verse	v23-25: Show us the foretaste of the kingdom that was given to Solomon and all of Israel. You can see the response of the Gentiles and the rise of Israel as the head of all nations. These are all things which will be brought to the ultimate in the kingdom and Israel is being given a sample of that. v23: See how great Israel's glory was. They went from border raids and paying tribute to their enemies to God rolling back the 1st CoP, staving off the 2nd CoP which they were worthy of, and now Solomon exceeds all the kings of the earth for riches and wisdom. God is saying let Me give it to you. I CAN produce this for you. When they came to hear Solomon talk, that kind of wisdom makes an impact on the world. See the foretaste of the kingdom that they were getting when they become the head of all nations. v25: Say they SHALL EAT OF THE RICHES OF THE GENTILES-Isaiah 61:6. This is the place of prominence they have been given in this interlude of mercy. v26-28: All of the blessing, power and prosperity begin to work on Solomon and his heart gets lifted up. This becomes evident in I Kings 11. It is Solomon’s pride that brings all this evil upon the nation.
1 Kings 10	GH: GPPI verse	When you see the pride of Solomon, you understand that the things written at the end of I Kings 10 have to do with that pride issue. MM says that God had warned them all the way back to the Book of Deuteronomy about these kinds of things. When they asked for a king, God gives them a list of things that will happen. Understand what you are asking for. If you get a king, here's what will happen to you. Are you sure this is what you want? MM says like your kid asking for a horse and you say are you sure? You're going to have to feed it. You're going to have to take care of it. You're going to have to groom it. Are you sure you want that responsibility? A king is much more high maintenance than a horse. MM tying to Deuteronomy 17:14. Solomon turns his heart away from the Lord and then the nation turns their heart away from the Lord. v27: MADE SILVER TO BE IN JERUSALEM AS STONES: This is showing how common silver was. It was everywhere. v28: AND SOLOMON HAD HORSES BROUGHT OUT OF EGYPT: MM says if you know what's been happening, this make an alarm go off in your head. You know that trouble is right around the corner.
1 Kings 10:1		1 And when the queen of Sheba heard of the fame of Solomon concerning the name of the Lord, she came to prove him with hard questions. Context: The Queen of Sheba has heard some things about Solomon and she's come to Solomon to see for herself exactly what is taking place. She has heard that he has wisdom. PROVE HIM: To see if it is true. HARD QUESTIONS: She is going to put him to the test. THE FAME OF SOLOMON CONCERNING THE NAME OF THE LORD: She just didn't hear about Solomon, she heard about him in a specific context. MM thinks she is hearing about Solomon/his wisdom but it's not a wisdom like any wisdom she has ever seen before. She has connected this wisdom with Solomon's God, the Name of the Lord. By this time, Solomon's education from his father David has completed. He is sitting on the throne and reigning as king so he is an educated son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 10:2		2 And she came to Jerusalem with a very great train, with camels that bare spices, and very much gold, and precious stones: and when she was come to Solomon, she communed with him of all that was in her heart. When she comes with all this gold and precious stones, Solomon knows that this wisdom that has been imparted to him is much greater than these physical treasures. In her mind, she is thinking this is some of the most valuable stuff you could have. MM knows that this is Kings/Israel's program but he believes Paul in Romans will convince us that the wisdom we are going to get is worth more than silver and gold.
1 Kings 10:3-4		3 And Solomon told her all her questions: there was not any thing hid from the king, which he told her not. 4 And when the queen of Sheba had seen all Solomon's wisdom, and the house that he had built, v3: This is not surprising v4: SEEN ALL SOLOMON'S WISDOM v4: THE HOUSE THAT HE HAD BUILT: MM said she is seeing some other things and connecting the things but the first thing is the wisdom.
1 Kings 10:5		5 And the meat of his table, and the sitting of his servants, and the attendance of his ministers, and their apparel, and his cupbearers, and his ascent by which he went up unto the house of the Lord; there was no more spirit in her. She sees all these other things. THERE WAS NO MORE SPIRIT IN HER: When she saw all of that, she is thinking I'm done with this.
1 Kings 10:6-7		6 And she said to the king, It was a true report that I heard in mine own land of thy acts and of thy wisdom. 7 Howbeit I believed not the words, until I came, and mine eyes had seen it: and, behold, the half was not told me: thy wisdom and prosperity exceedeth the fame which I heard. As she makes this statement, recognize the Queen of Sheba is the head of state of a foreign country. She comes in and is absolutely overwhelmed with what she is looking at. MM believes because of that wisdom that concerns the Name of the Lord that she is looking at some thing that she has never seen before. Godly wisdom produced in Israel's program, that godly wisdom was supposed to make an impact on the world to make them see something they had never seen before, something they marveled at and stood in awe of. She hears these stories and says, that can't be right. But then she goes and she see it and says the half wasn't even told me. Did that impact her? When she went back, do you think she said anything about that? The critical difference in God's purpose with the nation of Israel is the reconciliation of the world. What God is putting on display through His nation is supposed to impact the world and make them think exactly what the Queen of Sheba thought - Wow! I have never seen such wisdom. World will say the same thing about you but they don't mean the same thing by it. It's the difference in the doctrine. THE HALF WAS NOT TOLD UNTO ME: GH: Queen of Sheba's reaction to seeing Israel's prosperity and blessing during the interlude of mercy. GH: Queen of Sheba hearing about then seeing in person the prosperity of Israel during the interlude of mercy. It was even better than was told. Queen of Sheba's response to Solomon's kingdom during the interlude of mercy. God said this was a foretaste of the more glorious millenial kingdom. MM compares to THE UNSEARCHABLE RICHES OF CHRIST-Ephesians 3:8 for us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 10:8		8 Happy are thy men, happy are these thy servants, which stand continually before thee, and that hear thy wisdom. THAT HEAR THY WISDOM: She is saying his people love this because they hear Solomon's wisdom. Most rulers use fear motivation. She has got to be thinking, I would sure like to have this. And that is what is supposed to happen when God establishes that Kingdom out there.
1 Kings 10:9		9 Blessed be the Lord thy God, which delighted in thee, to set thee on the throne of Israel: because the Lord loved Israel for ever, therefore made he thee king, to do judgment and justice. DO JUDGMENT AND JUSTICE: She recognizes that. She has talked about wisdom a half-dozen times but now she has brought in 2 more of those decision making skills. 3 of the 4 decision-making skills tucked away in this passage.
1 Kings 11	GH: GPPI verse	At the beginning of the chapter we are shown at the end of Solomon's reign, we see Solomon’s sin and how he leads the nation back into apostasy similar to what they were in at the end of the 1st CoP under the judges. This is how bad it's going to get. His heart is going to be carried away to worship strange gods because of the wives he married. He married these wives who worshipped false gods. It had an effect on Solomon. And then he leads the nation back into apostacy where by the time you get to 1 Kings 11, you're in a situation where everything is as bad as far as their behavior goes as it was at the end of the 1st CoP. There were two great evils at the end of the 1st CoP (1. Satan's own men were in control of the tabernacle 2. they wanted a king like other nations). By the end of this chapter, Solomon will be dead after having been king for forty years. See that Solomon’s heart was turned away from the LORD by his “strange wives.” He began to worship other gods and built “high places” for the worship of these gods. All of this put Israel back on the track they were on in I Samuel 15; worthy of the continued judgments under the law contract. See Solomon get lifted up with pride. When the nations begin to look at you like that and begin to treat you like that, if you don't keep yourself in check, you're going to start to think it's about you and not about the Lord. That's what happened to Solomon.
1 Kings 11	GH: GPPI verse	The marker for the 2nd CoP is the “breaking of the pride of your power” or the divided kingdom. This is accompanied by the “no rain” issue which comes on the northern and southern kingdoms at different times, as God is now dealing with each of them separately under the CoP. Elijah, the prophet of the second cycle, produces a 3.5 year drought, in perfect accordance with Leviticus 26. We are introduced to Ahab who is terribly evil, but God says he will not bring in the “evil” of the next cycle until after the days of Ahab. To indicate the nation’s worthiness of the next CoP, God does something unusual with Elijah the prophet before bringing in the next cycle. By the end of 1 Kings, the nation is on the brink of that next CoP and 2 Kings introduces us to Elisha, who is the prophet of the 3rd CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 11	GH: GPPI verse	v1-2: What God said would happen is exactly what happened. This was also what happened to the tribes when they did not drive out the inhabitants of the land; they made treaties with their enemies and even began to marry among their enemies and their hearts were carried away to worship false gods. At the beginning of Solomon's rule, all of these things had been done away with and Solomon saw a time of great glory given to the nation. v1: STRANGE WOMEN: Not talking about their personality, talking about the fact that they were not from Israel and they worshipped false gods. v1: TOGETHER WITH THE DAUGHTER OF PHAROAH: Giving you an example of the STRANGE WOMEN. v2: The very warning that God gave them about - don't do this very thing - Solomon does it. Doesn't matter what his motive was. Can't say Solomon was trying to make peace with everybody. David had already brought peace through the military might of Israel and the enemies were afraid to do anything about it. Solomon should have trusted the Lord. Instead, he once again went against God and tried to work the thing out on his own. And what happened was exactly what God predicted would happen, that their hearts would be carried away. It was true for Solomon and it was true for the rest of the nation as well. Understand he is not the only one doing this.
1 Kings 11	GH: GPPI verse	The king sets the standard and the other people follow suit. And that's exactly how things are going in the land. So they don't drive out the inhabitants, they intermarry among these people, they make treaties with their enemies, their hearts are carried away, they start to worship false gods. By the time Solomon had come on the scene, all these things had been done away with. David did not tolerate the high places and the worship of false gods. His heart was really inclined toward the Lord. Solomon's was in the beginning and when it began to turn away, God makes a promise and says, because of David, I AM not going to bring evil upon you in Solomon's lifetime but when he's gone, this is what you're going to deserve because of your actions. MM this this great time of glory lulled everyone to sleep and they slipped right back into the commands that God had warned them about. It's important to see this glory (GH: that they had during the interlude of mercy as things roll into the 2nd CoP). v3-5: See the things that done by Solomon that returns the nation to disobedience. v3: HE HAD SEVEN HUNDRED WIVES, PRINCESSES, AND THREE HUNDRED CONCUBINES: MM tying to God's command - NEITHER SHALL HE MULTIPLY WIVES TO HIMSELF-Deuteronomy 17:17. v4: HIS HEART AFTER OTHER GODS: MM tying to FOLLOWED OTHER GODS-Judges 2:12. GH: Same issues in 1st CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 11	GH: GPPI verse	v5: Solomon's heart turned away from the Lord. He has brought the nation into apostacy, and now they are worthy of the 2nd CoP. But it won't come on them in Solomon's lifetime because of the promise that the Lord made. God doesn't care about the names of the false gods but the fact that He gives us the names GH: takes you back to the 1st CoP. MM tying to FOLLOWED OTHER GODS-Judges 2:12. MM showing the apostacy of where they were at was brought back to the same place they were at the end of the 1st CoP. Makes them worthy of the 2nd CoP. The things they were doing at the end of the 1st CoP that PROVOKED THE LORD TO ANGER-Judges 2:12, are now the things they are doing at the end of Solomon's reign here. They are coming right back to where they were. v5: SOLOMON WENT AFTER ASHTORETH: MM tying to ASHTAROTH-Judges 2:13. GH: Same issues in 1st CoP. v6: Solomon is multiplying the evil that the nation did. v7: BUILD AN HIGH PLACE FOR CHEMOSH, IN THE HILL THAT IS BEFORE JERUSALEM: Solomon builds a high place for Chemosh in Jerusalem, right there in the city where God is going to put His Name, he is building a temple to a false god. Solomon has already built a house/temple543 for the LORD, the temple, in Jerusalem. Now, he begins to build places for other (GH: every false) gods.
1 Kings 11	GH: GPPI verse	v8: LIKEWISE DID HE FOR ALL HIS STRANGE WIVES: When you remember how many wives Solomon had, and now we learn that he built temples for the gods of his wives, then you start to understand just how much he had polluted Jerusalem. The nation is in apostacy. Why God is giving us this information. These are the things that brought them back to the place they were at the end of the interlude of mercy. The only thing staving off the 2nd CoP is the fact that Solomon is still alive. v9: THE LORD WAS ANGRY WITH SOLOMON: See a response from God that you haven't seen very much of in almost a century; anger. God does demonstrate His anger in David's day; once at the improper transportation of the ark and again at the numbering of the nation. But it was not this kind of anger which is directed at Solomon and now we will read why. v9: APPEARED UNTO HIM TWICE: The answer IS THAT HE SHOULD NOT GO AFTER OTHER GODS-v10. MM says can you imagine the Lord appeared to Solomon TWICE and He said do NOT GO AFTER OTHER GODS and then turn around and build a temple for one of those false gods right there in Jerusalem. Why God was angry. He warned him, he trespassed, He met with him twice. MM says he is not trying to judge Solomon. v10: CONCERNING THIS THING:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 11	GH: GPPI verse	v11: The LORD is going to tell Solomon that because of these things, the 1st CoP judgments are going to be restarted and the 2nd CoP judgments are going to come in also. v11: FORASMUCH AS THIS IS DONE OF THEE: v11: I WILL NOT DO IT FOR DAVID THY FATHER'S SAKE: God won't do this until after Solomon dies. Solomon knows it won't be in his days but when his son, Rehoboam comes on the scene, it's going to be rent out of his hand. v11: I WILL SURELY REND THE KINGDOM FROM THEE: This is I WILL BREAK THE PRIDE OF YOUR POWER-Leviticus 26:19 - the first of the two main parts of the 2nd CoP (other was HEAVEN AS BRASS AND THE EARTH AS IRON-no rain/drought/climate change). God is saying I AM going to take the kingdom away from you and give it to someone else. That's bad news. The house of David was supposed to have something to do with this. MM says the BREAKing of their POWER affected their government. v11: WILL GIVE ONE TRIBE TO THY SON:One tribe in addition to the tribe of Judah (the kingly tribe), Benjamin. This will be the dividing of the kingdom.
1 Kings 11	GH: GPPI verse	v12-13: This is the dividing of the kingdom; ten tribes going to someone else and one tribe staying on with Judah. From these verses we also discover the timing of when all this will take place. God postpones this judgment until after Solomon is dead, seeing that it will not happen "in thy days." v14: God raised up an adversary. Israel's enemies become an issue once again. v23: God raised up another adversary. Israel's enemies become an issue once again. v43: Records Solomon's death. Solomon dies. See that it was the judgments of the 2nd CoP that waited for the death of Solomon.
1 Kings 11:1-13		Things started spiraling downward with Solomon. Things got worse and worse. Because Solomon opened the door to kill Israel's distinctive, unique position in the world, but give them gods that all these nations around them worship and make them like the other nations. Because that was what was happening, they are setting themselves to go right back under the CoP. v1: STRANGE WOMEN: Despite of all of God's blessings during the interlude of mercy, it is Solomon that opens the door back up to Belial. v4: HIS WIVES TURNED AWAY HIS HEART AFTER OTHER GODS v5: SOLOMON WENT AFTER ASHTORETH...AFTER MILCOM v7: CHEMOSH...MOLECH v8: LIKEWISE DID HE FOR ALL HIS STRANGE WIVES: He polluted the city. Solomon was inviting BELIAL right back into the nation in spite of all the things that God had done in the interlude of mercy. God told him don't do this because they will turn your heart away. Solomon turns right around and does what God said was true.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 11:1-13		v9: MM says this really strikes him. The Lord appeared to Solomon TWICE to say don't go after other gods. Wouldn't that make you think? But Satan is clever. He knows if you don't have this discernment, he can pull the wool over your eyes and you don't even realize what is happening. v12: I AM going to take the kingdom away from you but because of David, your father, and some things I promised him, I AM not going to do it during your lifetime. v13: After Solomon dies and his son takes the throne (MM says remember the Jeroboam-Rehoboam story). Remember, David and Solomon are members of the tribe of Judah. v13: GIVE ONE TRIBE: Benjamin. Divided kingdom predicted in Levitcus 26 and Deuteronomy 28.
1 Kings 11:4		4 For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the Lord his God, as was the heart of David his father. Solomon got educated by David and the education was right but there was something wrong with Solomon's heart. Despite David's failures, his sin with Bathsheba and the killing of her husband, his heart always remained the same. Didn't mean he didn't fail. He did. Solomon's heart got turned away. Solomon got an education from his father David. The difference was Solomon's education was data and not effectually working in him (edification). That education told Solomon about the two attacks that were going to come against him as a son being educated. You need to see this because these are the attacks that will come against you as a son or daughter that is being educated and those don't just come out of the blue.
1 Kings 11:33	GH: spirit beings	33 Because that they have forsaken me, and have worshipped Ashtoreth the goddess of the Zidonians, Chemosh the god of the Moabites, and Milcom the god of the children of Ammon, and have not walked in my ways, to do that which is right in mine eyes, and to keep my statutes and my judgments, as did David his father. The gods of the various nations (Ashtoreth, Chemosh, & Milcom) are a type of Elohim. MM says learning that these 3 were called Elohim in the Hebrew Bible was very disconcerting to him.
1 Kings 11:34	GH: GPPI verse	34 Howbeit I will not take the whole kingdom out of his hand: but I will make him prince all the days of his life for David my servant's sake, whom I chose, because he kept my commandments and my statutes: Solomon dies. You know the EoM was going to go through David's son. Won't take mercy away from him. As soon as Solomon dies the elements of the 2nd CoP begin to manifest themselves and the kingdom is divided and the rain stops. Then the 2nd CoP is underway.
1 Kings 12	GH: GPPI verse	See Solomon’s son, Rehoboam, being made king over Israel. At this point, you are about to enter the 3rd CoP (GH: 2nd CoP?). Look at some details about how God BREAKs THE PRIDE OF THEIR POWER-Leviticus 26:19. It's 10 tribes in the north, 2 tribes in the south, and those are going to come under the judgments of the 2nd CoP. v1: Marker for the 2nd CoP after Solomon dies in 1 Kings 11:43. See the details of how God breaks up their government, the prophesied breakup of the kingdom. All that Solomon’s son, Rehoboam, has left after the kingdom is divided are the tribes of Judah and Benjamin. Now this is where the northern kingdom and the southern kingdom come in; as part of the judgments under the 2nd CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 12:26-33	GH: WoD Teaching	Context: In the 2nd CoP, God said that He was going to divide their power in half, which was the division of the kingdom. Created a problem of two kings, Jeroboam and Rehoboam. Here's the problem, if you are the king of the northern kingdom, you have 7 feast days that Israel is supposed to observe and for 3 of those feast days, everybody is supposed to be in Jerusalem, which is in the southern kingdom. That king did not want his people going back to the southern kingdom and getting in their mind why in the world did we divide this thing? Let's get back under the rule of Jerusalem. This is what he did to stop that from happening. Point: This counterfeit system he was setting up, he could have said 'we want to be like the sacrificial system set up in Jerusalem' (GH: MM tying this to I WILL BE LIKE THE MOST HIGH-Isaiah 14:14). v27: UNTO THE LORD: Lower case 'l'. Not talking about God, talking about the other king. v28-31: GH: Jeroboam didn't want people going to Jerusalem so he set up golden calves in Bethel and Dan. Jeroboam ordained his own priests. v31: MADE PRIESTS OF THE LOWEST OF THE PEOPLE, WHICH WERE NOT OF THE SONS OF LEVI: Jeroboam is not going to hide his idolatry, it is public. It is dissassociating themselves with what's going on with the Levitical priesthood and Jerusalem and the feast days.
1 Kings 12:26-33	GH: WoD Teaching	v28: MADE TWO CALVES OF GOLD: MM says does this sound familar? GH: Exodus. Read the rest of the verse. The king knew exactly what that was, he was repeating something they all knew about. He is reinstituting the worship of Baal. v29: He set one in Bethel and he set the other in Dan (the northenmost tribe). v31: MADE A HOUSE OF HIGH PLACES: Altars to false gods. v31: MADE PRIEST OF THE LOWEST OF THE PEOPLE: Saying we are going to have our own priesthood. We are going to have our own gods, our own altars, and putting them not just in 1 place but 2 places. Look how forward thinking we are. Making it convenient for you people. Let you have a choice. v32: ORDAINED A FEAST v32: AND HE OFFERED UPON THE ALTAR v32: SACRIFICING UNTO THE CALVES v33: His counterfeit feast day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 16:30-33		30 And Ahab the son of Omri did evil in the sight of the Lord above all that were before him. 31 And it came to pass, as if it had been a light thing for him to walk in the sins of Jeroboam the son of Nebat, that he took to wife Jezebel the daughter of Ethbaal king of the Zidonians, and went and served Baal, and worshipped him. 32 And he reared up an altar for Baal in the house of Baal, which he had built in Samaria. 33 And Ahab made a grove; and Ahab did more to provoke the Lord God of Israel to anger than all the kings of Israel that were before him. Ahab is the standard of evil whenever God wants to talk about how evil a king is, He measures him against Ahab. Notice that when God wants to talk about how evil a king was, He often used Ahab as the measuring stick of comparison. v30: AHAB...DID EVIL IN THE SIGHT OF THE LORD ABOVE ALL THAT WERE BEFORE HIM v31: AS IF IT HAD BEEN A LIGHT THING FOR HIM TO WALK IN THE SINS OF JEROBOAM: Jeroboam was the first guy to be a king in northern Israel. Not only did what Jeroboam did, he raised the bar on evil. v31: SERVED BAAL, AND WORSHIPPED HIM v32: HE REARED UP AN ALTAR FOR BAAL IN THE HOUSE OF BAAL v33: AHAB MADE A GROVE: Grove was an area where they set up a place of worship to a false God. v33: AHAB DID MORE TO PROVOKE THE LORD GOD OF ISRAEL TO ANGER THAN ALL THE KINGS OF ISRAEL THAT WERE BEFORE HIM: So Ahab is a pretty bad guy.
1 Kings 17	GH: GPPI verse	The other concept of the 2nd CoP (besides breaking/dividing the pride of your power/government)is the “no rain concept.” The weather is going to change to produce drought and famine. We see this second aspect being brought upon the northern kingdom first because of the establishment of idolatry to a greater degree than the southern kingdom. God is feeding Elijah via the ravens. But then the brook dries up and he goes to stay with the widow and her son. When he's there she has a cruise of oil and a little bit of meal. Elijah tells her to give him something to eat and she goes, well, I don't have enough. We were just going to have one last meal and die. MM says that's pretty drastic, isn't it? And he says, as long as you do this, that meal and that oil will never fail. God is showing how He can miraculously provide for them. MM tying to the middle of Daniel's 70th week when they flee into the wilderness and God is going to miraculously feed them and give them water when they're hiding from the anti-Christ. There's also going to be a provision made for the remnant who cannot buy or sell, in which the little bit of meal and that little bit of oil won't fail. Note that Elijah did not make this provision for the whole nation. The one that god it represented faithfulness to the Lord. She believed the word of Elijah. This gives you an idea of whose going to be provided for in the day of wrath and whose going to wind up under the punishment. Same thing is happening here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 17	GH: GPPI verse	v1: What Elijah says lines up perfectly with the second major aspect of the 2nd CoP. Elijah is a second cycle prophet. We find that the rain ceases for 3.5 years, which makes the “heaven as brass and the earth as iron” just as Leviticus 26 said. Elijah is there is to bring in the “no rain” part of the 2nd CoP. At the same time, he will preach things to the northern kingdom (Ahab is king of the northern kingdom) that is intended to reform them and lead them to return unto the LORD. Of course, God already knows that the nation is not going to return to Him. That leads us to Elijah’s last purpose, for when the nation refuses to repent and return to the LORD, Elijah is the one who pronounces the nation worthy of the 3rd CoP. Notice all the miracles of Elijah, they all have to do with and are connected to the punishments of the 2nd CoP. These miracles are not just being done “off the top of his head.” Not just miracles for the sake of being miraculous. They're specific and they actually serve as signs of what God's doing in the 2nd CoP. These miracles are the testimony of the 2nd CoP judgments to the northern kingdom. So there's meaning behind these. v1: ELIJAH: A prophet to the northern kingdom. Elijah’s name means “Jehovah is my God” which has relevance to his ministry, especially at the Mt. Carmel showdown. v1: THESE YEAR: Find out it's 3.5 years. v14-16: We see Elijah meeting certain needs of those who are obedient to the message of repentance, but he does not provide anything for the apostate members of the nation. Elijah did not make any such provision for the nation, but individuals who responded positively to the message were taken care of, often in miraculous ways. Same with Elisha in 2 Kings 8.
1 Kings 17:1	IP : Prayer : Dispensational : Elijah	1 And Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, As the Lord God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word. A dispensational prayer made by Elijah the prophet. In the second course of punishment. UNTO AHAB: Ahab is a king in Israel. He is the arch-enemy of Elijah. THERE SHALL NOT BE DEW NOR RAIN THESE YEARS, BUT ACCORDING TO MY WORD: James 5:17 says the drought was 3 years and 6 months. Because Elijah knows where he is on the timeline, he also knows what God is doing. He is not just dreaming stuff up.
1 Kings 17:7		7 And it came to pass after a while, that the brook dried up, because there had been no rain in the land. Elijah is dwelling by a brook and the brook dries up and there hasn't been any rain for 3.5 years.
1 Kings 18		Where Elijah called down fire from heaven.
1 Kings 18:22-24		1 Kings 18: v22: Elijah really thinks this, he really thinks he is the only one. MM says God is in heaven rolling His eyes. He is saying if you get rid of me, you would be in a fix, Lord. Learns in 1 Kings 19:24 that God has 7,000 others. v24: THE GOD THAT ANSWERETH BY FIRE, LET HIM BE GOD Think how hard it would be to pour water in the Elijah's trench? It was probably the last water they had. Elijah slew all the prophets of Baal and the prophets of the grove. That did not make Jezebel happy because those were her guys.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 18-19	IP : Prayer : Dispensational : Elijah	1 Kings 19: Jezebel is saying all of my prophets are dead and that's what you will be by tomorrow at this time. So what does that great, courageous man of God Elijah do? He turns tail and runs. v10: THEY SEEK MY LIFE, TO TAKE IT AWAY: Paul quotes in Romans 11:3. v14: THEY SEEK MY LIFE, TO TAKE IT AWAY: MM says do you see a pattern here? v16: Elisha did follow Elijah. v18: YET I HAVE LEFT ME SEVEN THOUSAND IN ISRAEL, ALL THE KNEES WHICH HAVE NOT BOWED UNTO BAAL, AND EVERY MOUTH WHICH HATH NOT KISSED HIM: God is saying to Elijah I know you have been talking about you are the only one left, but I have 7,000 more just like you. You are not the only one.
1 Kings 18	IP : Prayer : Dispensational : Elijah	v21: HOW LONG HALT YE BETWEEN TWO OPINIONS: Elijah proposes a test. v22-25: They are going to put it to the test v26-29: They are going to put the power of Baal on display. Went about it all day. v30: BROKEN DOWN: By these 450 prophets throwing themselves on the altar, running around being crazy. Elijah puts the altar back together. v31-35: Elijah takes the wood, bundles it up, lays the bullock on it, and then he surrounds it with 12 stones, one for each of the 12 tribes of Israel who are called by the Name of the Lord. This is understanding that whole issue of God's Plan and Purpose for Israel. Then he digs a ditch around the altar. Then he asked the people to bring 4 barrels of water and they pour the water on top of the bullock. It soaks the sacrifice/the wood/the ground/the rocks and water goes to the ditch. Asked them to bring 4 more barrels and do the same thing. Asked them to do it a third time. Significant that Elijah would call the people to take 12 barrels of water and pour it on a sacrifice because they haven't had rain for 3.5 years.
1 Kings 18	IP : Prayer : Dispensational : Elijah	No crops. The fruit trees can't get enough water to survive. He is asking them to give me the water you have left and he is soaking the sacrifice. v36-37: The ditch is now full and Elijah is going to pray a short prayer. v36: I HAVE DONE ALL THESE THINGS AT THY WORD: Elijah is not just playing it by ear. He is not inventing it. All he says in his own prayer being done at the behest of God Himself. This is not his imagination. v38: The difference between the prophets of Baal and Elijah's sacrifice is pretty dramatic. v39: What God was waiting for. People no longer halt between two opinions, they have returned to the Lord. v41-45: You don't find Elijah praying for rain in 1 Kings 18. You do in James 5:16-18. Elijah prays exactly what he ought to be praying knowing where he is GH: on the timeline. Not praying out of the blue asking God for a bunch of stuff or to do a bunch of stuff.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 19:18		18 Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him. GH: Paul quotes in Romans 11:4. Saying they don't worship or reverence or pay tribute to Baal. They are saying true to the true Lord. KISS: Kissing was a sign of homage, whether to an idol or to God.
1 Kings 21	GH: GPPI verse	See the nation becoming worthy of the 3rd CoP. v25: THERE WAS NONE LIKE UNTO AHAB, WHICH DID SELL HIMSELF TO WORK WICKEDNESS: MM says notice the wording here - SELL HIMSELF. MM says things are so bad at that point, the nation is worthy to receive the 3rd CoP because God is going to bring evil upon them. But because Ahab humbled himself (v27), God said I AM going to put it off. I won't bring it in his days, but in his son's days. v25: AHAB: Is a northern king. Is setting up, in the northern kingdom, a headquarters for Amorite abominations, just as Satan originally designed to do. v26: HE DID VERY ABOMINABLY: These adverbs (EX VERY) in the Bible are important. God is showing you that he is being worse than those that came before him. v26: ACCORDING TO ALL THINGS AS DID THE AMORITES: If you have been following the doctrine, this enables you to understand what is going on with Ahab. If there was anybody that was known as Satan's group that was putting forth the plan of evil in the land, it was the Amorites. God is saying that Ahab was following Satan's number 1 team, the Amorites. Copying what they were doing.
1 Kings 21	GH: GPPI verse	MM says recall that the Amorites were at the head of what Satan was doing in the land of Canaan. MM drawing a map of the land that is now Israel, Canaan, and calls it 'Satan's hotbed for evil' because Satan knows the intentions that God has for this land. So he is wanting to occupy this land, make it his land, and put his program into work from here. He wants to counter exactly what the Lord is doing. So as a result, we see a policy of evil being developed, not only for the Gentile nations that ran the land, but also against Israel as they start to come into the land. Of course, Satan is wanting them not to conquer this land. He wants them to rebel. This is exactly what the strategy of evil calls for. Satan always has a nation and he always has a man, and he is going to use the Amorites to do this. They are his No. 1, go-to nation. They are the real tool he is using in the land. MM tying to Ezekiel 16. v26: AMORITES: The Amorites were singled out the LORD and by Satan. They were Satan’s point nation in the land and because of that they had a special hatred from God. Israel was told to drive them out which they did not do. The AMORITES were Satan's right hand nation to put forth his plan of evil into the world. Saying to the northern kingdom, you guys are acting like, not just that you are on Satan's team, you're acting like you're his chief ones. This is how bad the nation has gotten. v27: WHEN AHAB HEARD THOSE WORDS: That he DID SELL HIMSELF TO WORK WICKEDNESS-v25 and DID VERY ABOMINABLY-v26.

1 Kings 21	GH: GPPI verse	v27: HE RENT HIS CLOTHES, AND PUT SACKCLOTH UPON HIS FLESH, AND FASTED, AND LAY IN SACKCLOTH, AND WENT SOFTLY: Shows he felt badly about the testimony that he had earned. It was impacting him. v29: SEEST THOU HOW AHBA HUMBLETH HIMSELF BEFORE ME?: The Lord noticed this. v29: EVIL: This EVIL is in relation to the 3rd CoP. We know that the northern kingdom is ready for the next cycle and the southern kingdom isn't going to be too far behind. v29: I WILL NOT BRING THE EVIL IN HIS DAYS, BUT IN HIS SON'S DAYS WILL I BRING THE EVIL UPON HIS HOUSE: Know that the 3rd CoP is not going to come in the days of Ahab. v29: EVIL: A reference to the 3rd CoP.
1 Kings 21:21		21 Behold, I will bring evil upon thee, and will take away thy posterity, and will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel, GH: WRONG VERSE: Only place in your Bible that uses worshipped and served with regard to idols. Every other time in your Bible where it uses WORSHIPPED AND SERVED, it is always something to do with either the things of the creature or the hosts of heaven that are up there in the creature.
1 Kings 22	Divine Council	Divine Council passage. Time for Ahab to die - how are we going to do this? Take an upclose look at the Divine Counsel and the heavenly hosts that are up there with the Lord. On the earth, there has been a continual conflict between the northern kingdom and Syria. Has been an ongoing hot and cold conflict. There's been a cease fire for 3 years. Ahab, who is king of the northern tribes, is upset about the fact that Ramoth-gilead is not under his control anymore. He wants it back but to get it back, he figures he needs some help. So, he contacts Jehoshaphat, who is king over the southern kingdom and asks him to go up with him to Ramoth-gilead to take it back. See here what is going on in the background, see the spiritual end of what is going on in connection with what's going on in this event on the earth. God has declared/decided that it is time for Ahab to die, he is one of the worst. God is omniscient, He knows everything that is real and true, but He also knows all possible futures whether they take place or not. See that God is going to go in front of His Divine Council. We call it His Divine Council because it's His. He is going to go before His Divine Council and say it is time for Ahab to go, how are we going to do this? Because God is omniscient and He knows everything, He knows if He can get Ahab to Ramoth-Gilead, he will die in that battle. MM is thinking You are God after all, just give him a heart attack. Why do You need to entice him to do anything? Just kill him. But God has a way and He is doing things in a very particular way. Ahab is going to get a heads up that he is going to be in danger and goes into this elaborate scheme to disguish himself so they won't be looking for him and he talks Jehoshaphat into dressing up like him and he still dies. Decide what to do.
1 Kings 22	Divine Council	One of the functions of the divine council - meeting with the Lord. God says, hey, it's time for Ahab to die, how are we going to do this? And they come up with the idea of one being a lying spirit in the mouth of his prophets and he'll go down to Ramoth Gilead and he'll die in battle down there. And the Lord goes, yep, that will work. Let's do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 22	Divine Council	v3: RAMOTH IN GILEAD: AKA Ramoth-gilead. Area on the east side of the Jordan River controlled by the northern kingdom and then Syria took it over. v6: Ahab has his advisors and they GH: tell him what he wants to hear. v8: MM jokes you wonder why? v15: Not just repeating what Ahab's advisors has prophecized, he is mocking the king and Ahab knows instantly. v16: Ahab is saying this is too good to be true. v17: Then Micaiah tells Ahab the truth. You are going to be dead, your army is going to be scattered, they are just going to go back home because it's going to be over. This is the short answer. v19-22: Great picture of the Divine Counsel at work. God really didn't need someone to give him a good idea, because He already knew. But the relationship that this counsel has with God is that they are a full partner with what is going on. MM says he used to think this would happen at a table but it would be a really long table. v19: Micaiah quits being sarcastic and becomes sober. He doesn't pull any punches at the end. v22: THOU SHALT PERSUADE HIM, AND PREVAIL ALSO: GO FORTH, AND DO SO: Because the Lord is omniscient. At the end, Ahab thinks it doesn't really matter what the prophets say because he has a workaround. MM say that's what people always get in trouble.
1 Kings 22	GH: GPPI verse	See the nation has gotten itself into a position of worthiness to have the 3rd CoP brought upon them. At the end of I Kings, you have Israel on the brink of the 3rd CoP. v1: AHAZIAH: Ahab's son. After Ahaziah takes the throne, he does not reform himself, therefore the 3rd CoP gets itself underway. v1: AHAB: The king over the northern tribe. v1: JEHOSHAPHAT: The king over the southern tribe. v51-53: The common factor among the kings of the northern kingdom is that they “did evil in the sight of the LORD” and they “provoked the LORD to anger.” That evil continues along king after king after king. And because it does, the 'no rain' issue comes on the northern kingdom first under Elijah's ministry, which is the second element of the 2nd CoP. This is the whole purpose of the showdown between Elijah and the prophets of Baal at Mt. Carmel. That was the opportunity for the nation to repent.
1 Kings 22	GH: GPPI verse	v52: HE DID EVIL IN THE SIGHT OF THE LORD, AND WALKED IN THE WAY OF HIS FATHER: They are worthy of the 3rd CoP due to Ahab's son Ahaziah continues to do the same things as his father did. See what Ahab started, his son began to finish. v53: AND PROVOKED TO ANGER THE LORD GOD OF ISRAEL: Already seen (1 Kings 21:29) that God will not bring “the evil” in Ahab’s day, but will wait and bring it in the days of Ahab’s son, so we know to look for the 3rd CoP at that time. v53: PROVOKED TO ANGER THE LORD GOD OF ISRAEL: MM says when you see the phrase 'provoked the Lord to anger' it is an indication of one of the CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Kings 22:19		19 And he said, Hear thou therefore the word of the Lord: I saw the Lord sitting on his throne, and all the host of heaven standing by him on his right hand and on his left. ALL THE HOST OF HEAVEN STANDING BY HIM: The angels.
1 Kings 22:53		53 For he served Baal, and worshipped him, and provoked to anger the Lord God of Israel, according to all that his father had done. SERVED BAAL, AND WORSHIPPED HIM
2 Kings	GH: GPPI verse	Tells of the arrival of the 3rd CoP. Elijah moves out of the picture and the prophet of the 3rd CoP comes to center stage; Elisha. There's a transfer from Elijah to Elisha. Elijah asks Elisha, what do you want and he says I want a double portion of your spirit. MM says set your goals high, right? Elijah says if you see me when I'm taken up, it will be done for you. But if you don't, then it won't be done for you. So everywhere Elijah goes, Elisha goes with him. Elijah says "tarry here, I'm going to such-and-such". And Elisha says "I'm going with you". MM says you know Elisha is thinking, I'm going to see you when you're going to go out. Because if I don't you'll go over the hill, you'll be gone, and then I'm stuck. He goes with him everywhere. God has Elijah leave out of the land of Israel taking the same route that the LORD entered the land back in Joshua's day. Following this, God brings Elisha back into the land.
2 Kings	GH: GPPI verse	Context: When Israel entered the land under Joshua, they were preceded by the LORD, who smote their enemies before them in the generation of Joshua. The LORD was among them all the way to the time we are studying in 2 Kings 2. That means that even during the 2nd CoP, when they were walking contrary to Him, he was walking in the midst of the land. Now that the 3rd CoP judgments are about to be added to the first two, God demonstrates that He is preparing to walk contrary unto Israel by having his prophet Elijah (whose name proclaims Jehovah's presence) leave out of the land back-tracing the LORD'S entrance into the land when they crossed over Jordan in the days of Joshua. This significance is the whole reason we are told the route Elijah takes when he leaves the land! If there were no significance, there would have been no reason to even mention it. And just as in the days of Joshua, the waters of the Jordan River are parted and Elijah and Elisha cross over on dry ground. Then God prepares to come back in the land through his prophet Elisha, where He prepares to walk contrary to them unless they are reformed by these judgments.
2 Kings	GH: GPPI verse	If they are not reformed by these judgments, God will (in the 4th CoP) walk contrary unto them "in the land." If they are not reformed by those judgments, then God will (in the 5th CoP) walk contrary to them in fury "out of the land." That fury includes God opening Israel's borders, letting Israel's enemies come in and invade their land, taking Israel away captive and finally, God Himself will abandon the land. Elijah means 'Jehovah is my God'. Elijah's presence in the land indicates the presence of Jehovah. If you see Elijah and he's in the land, you know Jehovah is in the land. That's that the name is all about. Elijah doesn't die, God takes him into the heavens - a chariot of fire appears and he's taken up in a whirlwind. There's a reason. God isn't just in heaven, asking the angels, 'do you want to see something really neat? I will make a whirlwind and yank him right off the ground'. That's not what's going on here. God is doing this for a reason, He is removing him this way on purpose. He has a fellow named Elisha with him and there's something in the plan for that as well.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 1 - 2	GH: GPPI verse	See a transfer going on. God is showing the nation I AM going to walk contrary unto you. He has already told them in Leviticus 26. It's not guesswork. It's in their law. They could read it just like we did. So when Elijah leaves out of the land, God is saying, this is what's getting ready to happen. I AM getting ready to leave.
2 Kings 1	GH: GPPI verse	See Ahaziah's (son of Ahab) rejection of God and Elijah's declaration against him and the northern kingdom that the 3rd CoP in on the way since Ahaziah has made it evident that God isn't wanted in Israel. He doesn't want anything to do with that and he makes it evident. He doesn't want Israel's God in the northern kingdom. Then something happens with Elijah. v1-2: See Ahaziah cares nothing for the true God of Israel. In fact, to Ahaziah it is as though the LORD is not in Israel. There is only a remnant that understands the LORD is still there and Elijah is one of them. MM says realize that it hadn't been that long since the nation was in its height of glory. Now, the kingdom is divided, you've got this guy, Ahaziah, and the 3rd CoP is not here just yet. God is preparing to "walk contrary unto them." v2: GO, ENQUIRE OF BAALZEBUB THE GOD OF EKRON WHETHER I SHALL RECOVER: GH: We are not even in the 3rd CoP and Ahaziah wants to ask a false god if he is going to live. v3: Already knew that Ahaziah worshipped Baal but notice Elijah is giving Ahaziah a chance to repent and turn back to the LORD. Elijah says that this king is going to die and not recover. Ahaziah isn't interested in returning to the LORD. Instead, he sends messengers to seize Elijah.
2 Kings 1	GH: GPPI verse	v3: GO UP TO MEET THE MESSENGERS OF THE KING OF SAMARIA: The Messengers are going up to ENQUIRE OF BAALZEBUB THE GOD OF EKRON-v2 on whether he is going to live or not. He fell down through a lattice, hurt himself, didn't know if he was going to live, and he's going to send messengers to inquire this false god, am I going to make it? Elijah intercepts those messengers. Elijah says you do know there's a God in Israel. Why are you going to ask Baal if you are going to survive? GH: v4-12?: They go back and Ahaziah goes you're back already? And the messengers go, a man met us on the way. He told us we didn't need to go ask Baal. He said to tell you that you aren't going to make it. MM says that's not the news that he wanted to hear. He asked what does this man look like? Well, he's kind of rough and had a locust hanging out of his mouth and stuff. And the king knows who this is, Elijah the Tishbite. Ahaziah commands a captain and 50 men to bring Elijah to him. When the captain and the fifty soldiers come to get Elijah, he says you boys need to go back while you can, the captain and crew say you need to go back with us to the king, and the prophet calls down fire [The fire coming down from heaven is the "sign of Jehovah."] and consumes them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 1	GH: GPPI verse	Basically, 50 people go to ashes. They wait for a while, figure they are not coming back. And Ahaziah sends another group of fifty along with a captain to seize Elijah and the same thing happens. Fire comes down and burns them all up. v13-14: When the third group is sent, the captain takes a different approach. MM says be the 3rd captain for a moment. If you disobey the king, he is going to kill you. If you go to see Elijah, you are going to be hot dog set #3. This guy is wise. The third captain is begging Elijah to not burn he and his men up. v15-18: With this sign given to Ahab's son, the 3rd CoP is going to be added to the two previous cycles to come in upon the nation. v15: Then the Lord says to Elijah, go with him. v16: Elijah tells Ahaziah he is going to die. That's the message. v17: Ahaziah dies.
2 Kings 1:1-2:23	GH: GPPI verse	Preparation for the 3rd CoP - Cover the transition of prophets and the “sign” to Israel that God is preparing to walk contrary unto them. That “sign” could count as the beginning of the 3rd CoP, with the first judgment not falling until v24: 2 Kings 2:1-23
2 Kings 2	GH: GPPI verse	v1: In view of God preparing to walk contrary to Israel (which has already been walking contrary to God) in third cycle, God has his prophet, Elijah (God’s prophet of the second cycle) do something special that signifies that God is preparing to walk contrary to Israel and that the third cycle is getting itself underway. He removes their prophet as a signal that things are changing. Would assume the 3rd CoP is about to be introduced. You had the LORD saying that the evil was coming in the days of Ahab’s son. Ahab’s son dies under a “sign” from Elijah and so you would think that the 3rd CoP is about to erupt. v2: Elijah telling Elisha, you wait here, the Lord is sending me to Bethel. But Elisha is going to follow him because his double portion is dependent in seeing Elijah when he's taken up. v2: BETHEL: MM says remember what you know about BETHEL - 'house of God', Jacob say angels ascending and descending to heaven. v3: Prophets are telling Elisha and that God is yanking Elijah out of here today and he says he knows. v4: JERICHO: MM says remember what you know about JERICHO - blew the trumpets, the walls fell down, great victory. First battle they fought after they crossed into the land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 2	GH: GPPI verse	v5: Prophets at Jericho tell Elisha the same thing the prophets at Bethel did. v8: MM say remember the last time you say the River Jordan parted in any way - when they came into the land. Point: What God is doing in taking Elijah and Elisa across Jordan is they are out of the land. Remember Elijah's name means 'Jehovah is my God'. When you see the presence of Elijah you know that Jehovah is present. The Lord has traced back the steps that the Lord made when he came into the land ahead of the nation. Now, He has turned around and taken Elijah that same route right back out of the nation and He brings him out the same way He came in. When they came in, they parted those waters and the first place they went was Jericho, which was the last stop Elijah and Elisha made. God is saying I AM preparing to walk contrary unto you. I AM leaving the land, get yourselves together here. That's the signal. Then, the mantle falls to Elisha, who picks it up and comes back to Jordan. He parts the waters and says where is the Lord God of Elijah (GH: or Elisha?). And the waters part and he comes across. When he does, that's the start of the 3rd CoP that starts in 2 Kings 2:24, where you see the elements of it - I WILL ALSO SEND WILD BEASTS AMONG YOU, WHICH SHALL ROB YOU OF YOUR CHILDREN, AND DESTROY YOUR CATTLE, AND MAKE YOU FEW IN NUMBER,; AND YOUR HIGHWAYS SHALL BE DESOLATE-Leviticus 26:22.
2 Kings 2	GH: GPPI verse	God is going to turn the wild beasts of the land against them. Starts with those 42 kids getting mauled by those two bears. But that's not the end. That's the marker, how you know that you're in the 3rd CoP. It gets so bad through the wild beasts that the population of the nation actually begins to be reduced, and people are afraid to travel from one city to the next. MM says God is not through with Elijah the prophet, having him show up again in the 5th CoP's day of wrath because there are some things that go on in the second cycle that have a bearing on the things in the day of the LORD'S wrath and the great and terrible day of the LORD. When Elisha comes back into the land, it does not mark the beginning of the 3rd CoP, but that is reserved for an event described in 2 Kings 2. God takes him up in a whirlwind because Elijah's ministry is not done. MM says there is something in the 2nd CoP that is connected to things that are going to be happening in the 5th CoP, particularly the fifth installment. Elijah is going to show up here again. Because of that, the Lord is dealing with him in a very spectacular way. He is not just dying a normal death. He's carried out that way and he comes back. Elisha takes up that mantle, parts the Jordan River, comes back into the land and asks 'Where is the LORD God of Elisha?' He's going to come back into the land and the Lord is coming back into the land, and He says 'now, if you continue to walk contrary unto Me,
2 Kings 2	GH: GPPI verse	v23-25: Marker for the 3rd CoP coming upon the nation. This is not the only incident of attacks by beasts, but this is the beginning of what will begin to dwindle or reduce the population as the wild beasts will kill them and make travel unsafe. MM says when this event happens, it is so catastrophic that the whole nation hears about it and God means for them to because God says I WILL rob you of your children through these wild beasts. v24: CURSED THEM IN THE NAME OF THE LORD: He isn't using bad language, but he is doing something in connection with the law contract, which is what Leviticus 26:21-22 said. He is bringing the curses of the 3rd CoP in Leviticus 26 upon them. That's what he's doing here. He is pronouncing that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 2:9	Non-MBI	9 And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let a double portion of thy spirit be upon me. Elisha asked for a double portion of Elijah's spirit and he ended up performing twice as many miracles (16 or 32 vs. 8 or 16?)
2 Kings 2:22-24	GH: GPPI verse	v24: HE TURNED BACK, AND LOOKED ON THEM, AND CURSED THEM: During the time of the prophet Elisha. Elisha knew that what he was doing was only in accordance with what the nation contracted for at Mt. Sinai. He didn't just "curse" at them as though he was using profanity, he was pronouncing the "curse" that was already scheduled for the rebellious nation which was then entering the third cycle of punishment. MM tying to 3rd CoP-Leviticus 26:21-22. v24: CURSED THEM: Doesn't mean he used foul language on them, he's talking about pronouncing the curse of the 3rd CoP. That would be hard to do otherwise. v24: CAME FORTH TWO SHE BEARS OUT OF THE WOOD, AND TARE FORTY AND TWO CHILDREN OF THEM: You know that when forty-two children are killed in this manner, the news spread everywhere. The wild beasts also turn on the livestock which already are struggling with the "no water" issue. This is the marker for the start of the 3rd CoP. God is putting them on notice. I GAVE you this one (1st CoP) and you wouldn't repent, I GAVE you this one 2nd CoP) and you wouldn't repent, and now I AM putting this one on top of those two and I AM serving you notice you are now in the 3rd CoP/CoJ. It doesn't stop at 42 kids, that's just the kick-off. Now, God is going to start diminishing the numbers and the population through the wild beasts, and it is going to be to such an extent that they will be afraid to travel the roads.
2 Kings 2:23		23 And he went up from thence unto Bethel: and as he was going up by the way, there came forth little children out of the city, and mocked him, and said unto him, Go up, thou bald head; go up, thou bald head. Talking about Elisha going to Bethel and the little kids mocking him. Why in the world would the prophet of God have these 2 she-bears come out rip up 42 of those children? God had already told them, look if you are going to enter into the law, you are going to justify your self before Me, here's how this is going to work. Do good, get blessings. Do bad, get curses.
2 Kings 8:1	GH: GPPI verse	See an example of the elements of a prior (2nd) CoP still in affect - climate change/no rain. See it continuing in the 3rd CoP. We see Elisha meeting certain needs of those who are obedient to the message of repentance, but he does not provide anything for the apostate members of the nation. Same with Elijah in 1 Kings 17:14-16. THIS TIME SEVEN YEARS: Twice as long as the one with Elijah.
2 Kings 8:26-27		26 Two and twenty years old was Ahaziah when he began to reign; and he reigned one year in Jerusalem. And his mother's name was Athaliah, the daughter of Omri king of Israel. 27 And he walked in the way of the house of Ahab, and did evil in the sight of the Lord, as did the house of Ahab: for he was the son in law of the house of Ahab. Ahab is the standard of evil whenever God wants to talk about how evil a king is, He measures Him against Ahab. v27: IN THE WAY OF THE HOUSE OF AHAB v27: AS DID THE HOUSE OF AHAB Talking about how evil Ahaziah, was he just did it like Ahab.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 9:1		1 And Elisha the prophet called one of the children of the prophets, and said unto him, Gird up thy loins, and take this box of oil in thine hand, and go to Ramothgilead: GIRD UP THY LOINS: Literal. Someone girds their physical loins when they are preparing for some kind of physical action, such as when Elisha sends one of his disciples to Ramoth-Gilead to anoint Jehu kind of Israel. This means that this servant of Elisha actually reached down to pull up his robes and tuck them under his belt in order to make this journey. MM says he is fixin' to run and make a trip and this is a physical girding of his robe.
2 Kings 10	GH: GPPI verse	See the event that makes the nation worthy of the 4th CoP. See that Jehu is big-time Baal worship and God is not going to tolerate this. v18: AHAB SERVED BAAL A LITTLE: MM says Ahab served Baal A LOT. He did it more than anybody else and he sold himself to do evil. It was because of Ahab that things wound up the way they were under the ministry of Elijah. v18: BUT JEHU SHALL SERVE HIM MUCH: If Ahab was a guy that brought the nation to the brink of judgment for the 3rd CoP, GH: you can guess what this means (4th CoP). v29: v31: BUT JEHU TOOK NO HEED TO WALK IN THE LAW OF THE LORD GOD OF ISRAEL...WHICH MADE ISRAEL TO SIN: What Jehu did makes the nation worthy of being put under the 4th CoP. Jehu followed the same sins of Jeroboam, he worshipped the golden calves and he caused Israel to sin just as Jeroboam did. v32: IN THOSE DAYS THE LORD BEGAN TO CUT ISRAEL SHORT: In the verse after the description of Jehu's violation of the law contract, see the LORD is doing something different again. If you are anticipating the entrance of the 4th CoP, you would be correct.
2 Kings 10	GH: GPPI verse	v32: TO CUT ISRAEL SHORT: CUT the land area. Remember that the 3rd CoP called for the 'population' to be cut down, while the 4th CoP has the enemies of Israel coming in and the 'land area' that belongs to Israel begins to be reduced. How it started for the northern kingdom - to shrink the geographical area of the land. See the 4th CoP come on the southern kingdom in 2 Kings 15:36-37. v32: SMOTE THEM IN ALL THE COASTS OF ISRAEL: See the description of the geographical impact being made by the 4th CoP, what CUTting ISRAEL short means. See that the land Israel controls is drastically shrinking. v32: HAZAEL: King of Syria. v33: Gives you an idea how the land is CUT SHORT.
2 Kings 10:32		32 In those days the Lord began to cut Israel short: and Hazael smote them in all the coasts of Israel; How this 4CoP gets introduced. THE LORD BEGAN TO CUT ISRAEL SHORT: Means that their enemies were beginning to take possession of their land. God was delivering them into the hands of their enemies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 13	GH: GPPI verse	Now get the picture; Elisha, the prophet of the 3rd CoP, is dead-v20. The 4th CoP begins in which God begins to CUT SHORT-2 Kings 10:32 the nation. In His grace, God gives them an opportunity to repent. v20: ELISA DIED: v23: God shows grace and compassion and respect to them. MM says Elisha dies, they are worthy of the next cycle and in His mercy, God once again gives them a break to show them how He wants to deal with them in spite of the fact that you contracted for something different. v23: NEITHER CAST HE THEM FROM HIS PRESENCE AS YET: 'Being cast from God's presence' is what the 5th CoP called for. But it's the 4th CoP, God has not done that...YET. Tells you that they are on the brink of having the 5th CoP cast upon them. But they get a time of mercy so that they might return unto the LORD.
2 Kings 13:23		23 And the Lord was gracious unto them, and had compassion on them, and had respect unto them, because of his covenant with Abraham, Isaac, and Jacob, and would not destroy them, neither cast he them from his presence as yet. BECAUSE OF HIS COVENANT: God was gracious when He made a covenant back with Abraham.
2 Kings 14 - 15	GH: GPPI verse	See they are now very worthy of falling into the 5th CoP.
2 Kings 15:37	GH: GPPI verse	See the arrival of the 4th CoP upon the southern kingdom in its fullness. This takes place in the northern kingdom in 2 Kings 10:32 when God began to 'cut Israel short'. v37: IN THOSE DAYS THE LORD BEGAN TO SEND AGAINST JUDAH REZIN THE KING OF SYRIA, AND PEKAH THE SON OF REMALIAH: Indicator that the 4th CoP is coming upon the southern kingdom. The 4th CoP has already come on the northern kingdom in 2 Kings 10:32 when Israel was CUT SHORT.
2 Kings 16	GH: GPPI verse	See God raising up the king of Assyria who comes in and besieges the northern kingdom for three years. The power of Assyria is so great that it dwarfs the nations that are in and around Israel. In the latter chapters of 2 Kings, the focus now being put on the southern kingdom as they are worthy of the 5th CoP.
2 Kings 17 - 25	GH: GPPI verse	See the 5th CoP coming upon Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 17	GH: GPPI verse	See the arrival of the 5th and final CoP, which is broken into parts. This is the most important cycle to know as it concerns things through the remainder of the OT, the gospels, the opening chapters of Acts, and the general epistles of Hebrews through Revelation. From this point onward, the only part of your Bible that does not pertain to this 5th CoP is Paul's epistles of Romans through Philemon, which belong to us in this present DOGG. First part of the chapter, see the 5th CoP coming upon the northern kingdom and the second part of the chapter, see the 5th CoP coming upon the southern kingdom. MM says the nation has not reformed itself and because of that, they became worthy of the 5th CoP. They are still walking contrary to the Lord, still acting as though Jehovah is not their God. v1: HOSHEA: King of the northern kingdom. The nation hasn't reformed under Hoshea and even though he wasn't as bad as those before him, the nation was still walking contrary to the LORD. With this, we are told the fifth cycle is now underway in the northern kingdom. See the 5th CoP coming upon the northern kingdom. v5-6: See the geographical places where the king of Assyria put them, when he took them captive out of their land. MM tying to Leviticus 26:33.
2 Kings 17	GH: GPPI verse	v5: ALL THE LAND: v6: CARRIED ISRAEL AWAY INTO ASSYRIA: v7-23: Is a historical recounting of why the 5th CoP has come and the justification for it. Why they are worthy of the 5th CoP. v7: FOR SO IT WAS: v8: WALKED IN THE STATUTES OF THE HEATHEN: v14: NOTWITHSTANDING THEY WOULD NOT HEAR: In spite of all that God did to turn them around through the prophets and the messages. v16: EVEN TWO CALVES: v17: THEY CAUSED THEIR SONS AND DAUGHTERS TO PASS THROUGH THE FIRE: They sacrificed their children to these false gods. MM says when you get gripped to the reality of this, you understand just how low Israel has sunk. Israel has actually sunk lower than the Gentile nations, who are walking according to the COTW-Ephesians 2:2.
2 Kings 17	GH: GPPI verse	v17: SOLD THEMSELVES TO DO EVIL: Saw this back with Ahab. v18: ISRAEL: The northern kingdom. v18: REMOVED THEM OUT OF HIS SIGHT: GH: Start of the 5th CoP on the southern kingdom? The southern kingdom is going to follow in the footsteps of the northern kingdom and they too will experience the 5th CoP. The reigns of Josiah and Hezekiah, both of whom served the LORD. It is true that they did turn things around, but only temporarily. And even those turnarounds were not enough to stave off the 5th CoP. God REMOVED THEM OUT OF HIS SIGHT by Assyria coming in and taking them out of the land. v18: THERE WAS NONE LEFT BUT THE TRIBE OF JUDAH ONLY: There's the southern kingdom, which Benjamin is included with that. v18: NONE LEFT BUT THE TRIBE OF JUDAH ONLY: v20: HE HAD CAST THEM OUT OF HIS SIGHT:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 17	GH: GPPI verse	v21: ISRAEL: The 10 northern tribes. v22: SINS OF JEROBOAM: The great sin of Jeroboam was making those two calves, putting one in Bethel and one in Dan. They're going to worship Baal all over. Not going to go to Jerusalem anymore. v23: THE LORD REMOVED ISRAEL OUT OF HIS SIGHT: v23: ISRAEL CARRIED AWAY OUT OF THEIR OWN LAND TO ASSYRIA: What Leviticus 26 talked about what would happen in the 5th CoP - they were going to get carried away out of the land.
2 Kings 17:9-10		9 And the children of Israel did secretly those things that were not right against the Lord their God, and they built them high places in all their cities, from the tower of the watchmen to the fenced city. 10 And they set them up images and groves in every high hill, and under every green tree: See the multiplying of other idols.
2 Kings 17:16	GH: Creature description	16 And they left all the commandments of the Lord their God, and made them molten images, even two calves, and made a grove, and worshipped all the host of heaven, and served Baal. See the Romans 1 progression. WORSHIPPED ALL THE HOST OF HEAVEN, AND SERVED BAAL
2 Kings 18	GH: GPPI verse	See the same kind of things coming on the southern kingdom that were coming on the northern kingdom in Chapter 17.
2 Kings 19:10-13		10 Thus shall ye speak to Hezekiah king of Judah, saying, Let not thy God in whom thou trustest deceive thee, saying, Jerusalem shall not be delivered into the hand of the king of Assyria. 11 Behold, thou hast heard what the kings of Assyria have done to all lands, by destroying them utterly: and shalt thou be delivered? 12 Have the gods of the nations delivered them which my fathers have destroyed; as Gozan, and Haran, and Rezeph, and the children of Eden which were in Thelasar? 13 Where is the king of Hamath, and the king of Arpad, and the king of the city of Sepharvaim, of Hena, and Ivah? Sennacherib and the Assyrian army has come against Jerusalem but he made a mistake of boasting that God was not going to be able to protect them and they might as well just go ahead and surrender. Hezekiah, the king of Jerusalem, lays the thing out before the Lord and say, Lord, are you going to let this happen? v10: Accusing God of deceiving His people. v12-13: He's listing off these gods and they all say their gods would protect them. Where are those gods now? They are all taken over. Don't think your God is going to do any differently for you.GH: See v32-35.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 19:10		10 Thus shall ye speak to Hezekiah king of Judah, saying, Let not thy God in whom thou trustest deceive thee, saying, Jerusalem shall not be delivered into the hand of the king of Assyria. MM says that the king of Assyria wanted to have the southern kingdom too and there were things written in the prophets that would allow him to have it. But he boasted that everybody thinks their god is going to deliver them out of my hands. Nobody delivers out of my hands. I'm the king that takes captive everybody. And the king of Judah is talking to the Lord about it and he's going look, Your Reputation is at stake here. You can't allow them to do this. He is bargaining because they can't really stand against the Assyrians. So God sends an angel into the Assyrian camp during the night and that angel slays 185,000 Assyrian soldiers in a single night. Sennacherib, who is the king of Assyria, gets up the next morning and his army is dead. Then he says, I have a headache, I think I'll go back to Assyria. And he does. He is worshipping in the temple of his false god and his two sons come in and kill him. He is one of the two heads of the beast of Assyria. MM says this is important to understanding who the antichrist is. Notice when Sennacherib fails and goes home, Assyria exits the stage and sort of fades away. And the next power to come along is Babylon. After God delivers the southern kingdom from Assyria, Israel bargains with God. Oh, we will keep Your law, we'll do the right thing. Dear God, please don't let those Assyrians have us. And God delivers them. And then they go right back to where they were, violating God's law and practicing every abomination that they can practice. And eventually God does bring the Babylonians against them and God has already told them exactly who that's going to be. When the Babylonian captivity takes place, THE TIMES OF THE GENTILES begins.
2 Kings 19:31	GH: Zeal verse	31 For out of Jerusalem shall go forth a remnant, and they that escape out of mount Zion: the zeal of the Lord of hosts shall do this. When you are zealous about doing something, it's like you are fervent about it (GH: MM tying to Romans 12:11b.). If you are zealous to do something, it is important to you. Like it takes over everything else. It's in your thoughts and then you will do it. You are eager to get this done. You can use the work enthusiastic about getting this done. It is your intention to get this done. If there's something you really want to do and it has taken over your thoughts, that's the ZEAL OF THE LORD. Really wants to get this done, He intends to do it. No new circumstances are going to change His Mind. Zealous and FERVENT are things we are or that we are not. Don't say that guys work is really zealous, say that guy is zealous.
2 Kings 19:32-35		32 Therefore thus saith the Lord concerning the king of Assyria, He shall not come into this city, nor shoot an arrow there, nor come before it with shield, nor cast a bank against it. 33 By the way that he came, by the same shall he return, and shall not come into this city, saith the Lord. 34 For I will defend this city, to save it, for mine own sake, and for my servant David's sake. 35 And it came to pass that night, that the angel of the Lord went out, and smote in the camp of the Assyrians an hundred fourscore and five thousand: and when they arose early in the morning, behold, they were all dead corpses. The Lord's response to Sennacherib's boast in v10-13 earlier in the chapter. v34: TO SAVE IT: MM pointing to the pattern of the physical for Israel. God said SAVE it not DELIVER it and He is putting something in their thinking this way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 20:17		17 Behold, the days come, that all that is in thine house, and that which thy fathers have laid up in store unto this day, shall be carried into Babylon: nothing shall be left, saith the Lord. SHALL BE CARRIED INTO BABYLON: Hezekiah gets a message from Isaiah. GH: Prophecying the first installment of the 5th CoP - Babylonian captivity.
2 Kings 21	GH: GPPI verse	Hezekiah does serve the LORD and turn things around for Judah, but when he dies, his son, Manasseh reigns for 55 years in Jerusalem. Manasseh's evil reign is so great that it makes the southern kingdom worthy of the 5th CoP. See all the things that Manasseh did to provoke the LORD and make them worthy of the 5th CoP. MM says that Manasseh is the catalyst for bringing in the 5th CoP upon the southern kingdom. Hezekiah does serve the Lord, he does turn things around. Josiah does serve the Lord and he brings in a great reformation, but it's Manasseh's reign that is so evil and it lasts for 55 years. That causes the 5th CoP to come upon the nation (GH: southern kingdom). v2: HE DID THAT WHICH WAS EVIL: v2: AFTER THE ABOMINATIONS OF THE HEATHEN: v3: HE BUILT UP AGAIN THE HIGH PLACES: The HE is Manasseh. His father HEZEKAIH was a bright spot, he destroys the high places.
2 Kings 21	GH: GPPI verse	v3: HE REARED UP ALTARS FOR BAAL: Remember AHAB was the reason the next cycle was coming in. He's making a connection for you here with Manasseh to say the same things are going on with Ahab are going on with Manasseh. What Ahab brought upon the nation, the next cycle os what Manasseh is going to bring upon them. v3: MADE A GROVE: v3: WORSHIPPED ALL THE HOST OF HEAVEN: They are worshipping the sun, the moon, and the stars. They're building altars and put them in the house of the Lord. There's no worshipping of God going on anymore because they are acting as though Jehovah is not their G v4: HE BUILT ALTARS IN THE HOUSE OF THE LORD: v5: HE BUILT ALTARS FOR ALL THE HOST OF HEAVEN IN THE TWO COURST OF THE HOUSE OF THE LORD: v6: MADE HIS SONS PASS THROUGH THE FIRE:
2 Kings 21	GH: GPPI verse	v6: USED ENCHANTMENTS: v6: DEALT WITH FAMILIAR SPIRITS: v6: WROUGHT MUCH WICKEDNESS: v6: PROVOKE HIM TO ANGER: When you see this, you know what's on the horizon, the next cycle. v9: MANASSEH SEDUCED THEM TO DO MORE EVIL THAN DID THE NATIONS WHOM THE LORD DESTROYED: Manasseh is doing the same things that got the heathen cast out when Israel first entered the land. Now, Israel (GH: Judah) is doing the same things that got the heathen cast out. They deserve to lose their land because of what they're doing. MM says you have these nations that were given to the adversary. They're walking in Satan's ways and Israel come along and does more evil than the nations who have nothing to do with God. The nations are actually serving Satan and Israel's outdoing them. They are worthy of the 5th CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 21	GH: GPPI verse	v11: Tells us that Manasseh committed wickedness ABOVE ALL THAT THE AMORITES DID. Remember it was the Amorites that were Satan's main nation/tool to put forth his strategy of evil in the land before Israel entered it. As Satan worked to make Canaan his “hotbed” for evil, it was the Amorites that played center stage. It was the Amorites that were used in the formation of Satan’s main city, Salem, and later Jebus, which eventually came to be named Jerusalem. Point: Manasseh took Judah into depths that not even the Amorites achieved. Also, it was primarily the Amorites wickedness that caused God to move to SPEW THE INHABITANTS OF THE LAND out. v11: BECAUSE MANASSEH KING OF JUDAH HATH DONE THESE ABOMINATIONS: v11: ABOVE ALL THE AMORITES DID: MM says what Satan was doing in the land area was putting together his hot bed of evil in the land and the AMORITES were his right hand man to do that. Jerusalem, when first conceived, was a Hittite-Amorite collaboration to get this city going in the hot bed of evil. Think of it as a cauldron of evil cooking away. Saying you are not only doing more wickedly than the nations driven out, you are doing more wickedly than the No. 1 satanic cooperating nation in the hotbed of evil That's how bad Israel has gotten.
2 Kings 21	GH: GPPI verse	v12: Context: Looking at the southern kingdom here. Seen Manasseh lead them to do worse than the nations before them and worse than the Amorites before them. v12: THEREFORE: In view of that (THEREFORE) God will bring such evil upon Jerusalem and Judah as He did with Samaria. See at this point Judah is worthy of the 5th CoP and God says that He is going to bring it. But the 5th CoP does not come in immediately, for after Manasseh dies, his son Amon continues the evil. After two short years, Amon is killed by his servants and Josiah is made king. Josiah reigns for 31 years and he does that which right in the sight of the LORD. But it was not enough to keep the fifth cycle from coming upon the southern kingdom. v13: THE LINE OF SAMARIA: Samaria was the northern kingdom and carried away captive. v13: THE PLUMMET OF THE HOUSE OF AHAB: Indicating that what Ahab was in the northern kingdom, Manasseh is in the southern kingdom. It was Ahab’s abominations that defiled the northern kingdom and made them ready for the next cycle just as Manasseh’s abominations defiled the southern kingdom and made the ready for their next cycle.
2 Kings 21	GH: GPPI verse	v13: I WILL WIPE JERUSALEM AS A MAN WIPETH A DISH, WIPING IT, AND TURNING IT UPSIDE DOWN: Means it's empty. v14-15: MM says people preach we are going to lose our freedoms in this country if we don't return to the Lord because it says the Lord will deliver them into the hands of their enemies. This comes from a continuation all along that was talked about since Leviticus 26, exactly what was going to happen to people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 21:1-15	GH: Manasseh	Context: The kingdom is divided. In the southern kingdom of Judah, there are just 2 tribes down there, Judah and Benjamin. You have Manasseh, who is an evil king. And following him, you have a king called Josiah, who is one of the few good kings that comes on the scene. It is during the reign of Manasseh that God says the 5th CoP, once it gets started, there's no stopping it. v2: HE DID THAT WHICH WAS EVIL IN THE SIGHT OF THE LORD v3: BUILT UP AGAIN THE HIGH PLACES v3: ALTARS FOR BAAL v3: MADE A GROVE v3: WORSHIPPED ALL THE HOST OF HEAVEN, AND SERVED THEM v4: Manasseh put altars to false gods in the Lord's house. God is saying I don't want My Name associated with these altars to the false gods. v4: BUILT ALTARS IN THE HOUSE OF THE LORD
2 Kings 21:1-15	GH: Manasseh	v5: BUILT ALTARS FOR ALL THE HOST OF HEAVEN v6: HE MADE HIS SON PASS THROUGH THE FIRE v7: Manasseh set up this image, he is desecrating everything. v7: SET A GRAVEN IMAGE: Manasseh sacrificed his son to a god that was no God. v8: Important verse - they are in the 4th CoP. The 5th CoP has come upon them and He says I won't move you out of your land if you'll keep my law, if you will do the things I've asked you to do. Only if they will observe to do according to all I HAVE commanded them. v9: Manasseh is terrible. He has them doing things even the unsaved Gentiles didn't do. v9: MORE EVIL THAN DID THE NATIONS WHOM THE LORD DESTROYED
2 Kings 21:1-15	GH: Manasseh	v11: God is about to make a pronouncement. Because of what you have done, because of where you have taken this, then I AM going to do something - the 5th CoP. v11: BECAUSE MANASSEH KING OF JUDAH HATH DONE THESE ABOMINATIONS, AND HATH DONE WICKEDLY ABOVE ALL THAT THE AMORITES DID, WHICH WERE BORN BEFORE HIM, AND HATH MADE JUDAH ALSO TO SIN WITH HIS IDOLS v12: When people hear what I AM going to do, it is going to affect them. v12-13: GH: All of both verses. v13: He is going to empty out a dish like He is going to empty out the southern kingdom. v14: FORSAKE: He is not going to be there anymore for them. v14: They are going to get carried away up to Babylon. That's all going to happen because of the evil you did in My Sight. v14: DELIVER THEM INTO THE HAND OF THEIR ENEMIES v14: BECOME A PREY AND A SPOIL TO ALL THEIR ENEMIES

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 21:3	GH: Creature description	3 For he built up again the high places which Hezekiah his father had destroyed; and he reared up altars for Baal, and made a grove, as did Ahab king of Israel; and worshipped all the host of heaven, and served them. WORSHIPPED ALL THE HOST OF HEAVEN, AND SERVED THEM: When they did that, God drew the line and they went away into captivity out of their land. You want to worship Gentile gods, I WILL let the Gentiles put their foot on your neck and rule over you. MM tying to WORSHIPPED AND SERVED THE CREATURE MORE THAN THE CREATOR-Romans 1:25. Satan offered something to Eve (Genesis 3:5), something to the Gentiles (GH: Genesis 11/Romans 1?), and something to Israel (GH: 2 Kings 21:3) that was inferior to what He wants to offer us - that is His Wisdom.
2 Kings 21:5	GH: Creature description	5 And he built altars for all the host of heaven in the two courts of the house of the Lord.
2 Kings 22	GH: Josiah	v1: JOSIAH v1: JEDIDAH: Mother of Josiah, who is kind of reigning in his stead since he is only 8 years old. v8: I HAVE FOUND THE BOOK OF THE LAW v11: WHEN THE KING HAD HEARD THE WORDS OF THE BOOK OF THE LAW v13: He reads the BOOK OF THE LAW and he saw those judgments prescribed and he realized what had already happend, he know what was in the past, he knew where they were, therefore, he said look, you know what, you've got to go to the Lord because this has really been messed up. v16-17: In the prior verses, the king says go and hearken unto the Lord, our fathers have sinned a great sin. Here is God's response to their entreaty to Him. v18: THUS SHALL YOU SAY UNTO HIM: Go tell Josiah this. v19-20: God is saying to Josiah, I know that you are doing the right thing, it's the only thing you could do so what I am going to do. I AM going to let you finish out your life and go to your grave and you won't have to see what I AM going to do with them because what I AM going to do to them, now there is no remedy for it. It's going to happen. God saw Josiah do all of this (up through 2 Kings 23:23). God says I AM going to let you go to your fathers so you won't see what I AM going to do because they have pushed me past a point of no return.
2 Kings 22:20		20 Behold therefore, I will gather thee unto thy fathers, and thou shalt be gathered into thy grave in peace; and thine eyes shall not see all the evil which I will bring upon this place. And they brought the king word again. God tells Josiah that even though he did right, He will not overlook the evil done by Manesseh and Amon.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 23	GH: Josiah	v4: He cleared out the temple of all of that stuff and he buried the ashes. v5: PUT DOWN: Not saying he demoted them, MM says he put them down like rabid dogs. v6: Took an altar made to a false god that was in the Temple and burned it. v7: MM says that was a real industry for false gods going on there. v10: MM says they would take their kids to this big iron god Molech and they'd light a fire inside that thing, it would get red hot and they'd place their children in that god and they would call that PASS THROUGH THE FIRE. They would sacrifice their children in a fire to that false god. MM asks how far had Isreal gone? He made it so no one could do that anymore. v11: These false gods had permeated every aspect of their life. v12-16: GH: Josiah destroyed all the temples and altars of all of the false gods. v20: MM asks do you think he is serious? This is repentence. V21-27: Another issue of CASTing OFF-Romans 13:12. v21: They hadn't been keeping the Passover. Remember the guy saying I FOUND THIS BOOK OF THE LAW.
2 Kings 23	GH: Josiah	v22-23: MM says look at this testimony. There hadn't been a Passover in the history of the nation from the time of the Judges all the way to that day that was ever like this one. v25: Josiah comes along and he does something so right that the Lord gives him this credit - NO KING EVER IN ISRAEL'S HISTORY HAS ANYONE DONE WHAT THIS KING HAS DONE. NO KING BEFORE HIM: MM says he thought David was kind of impressive. MM says people may say all the kings since He split it up like that. v26: NOTWITHSTANDING THE LORD TURNED NOT FROM THE FIERCENESS OF HIS GREAT WRATH: MM says Israel had chances to repent after the first 4 CoP but once you get here to the 5th CoP, there's a slide that's going straight down to the end and there's no stopping half way down. Even though Josiah turned to the Lord and had Passover like no other and there was no other king that would serve the Lord with all his heart like Josiah before him or after him and the people stood by the covenant and they cleaned everything out of Israel, God said I AM still not going to stop what I AM goind because your last chance to turn that around was at the end of the 4th CoP. MM asks do you know what that means? They have an adversarial standing before God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 23	GH: Josiah	v26: NOTWITHSTANDING THE LORD TURNED NOT FROM THE FIERCENESS OF HIS GREAT WRATH(cont'd): Once this pronouncement gets made during Manasseh's reign, the 5th CoP is going to come upon you. I HAVE had it, I AM at the end of My rope, and now it's coming. Josiah turns around with the greatest revivaL the southern kingdom had ever seens and God says it doesn't matter because of what happened during Manasseh's reign, I TOLD you it was coming and now it is on its way and there's nothing you can do to stop it. God is no longer, in spite of what Josiah does, He no longers wants to be associated with them, He no longer wants to be connected with her. He has already said you're not going to be My people and I AM not going to be your God-Hosea 1:9. MM says that is a terrible thing to hear if you are a member of the nation. v27: CAST OFF: CASTing off 2 things: 1. CITY JERUSALEM 2. THE HOUSE He is making a public and open declaration of His disdain for what's been going on. I AM separating Myself from you. God is saying I don't like what you are doing and because of what you are doing, you are no longer going to be My people and I AM no longer going to be your God-Hosea 1:9. Get away from Me. I AM going to move Myself away fome you (GH: Ezekiel 11).
2 Kings 23	GH: GPPI verse	Following Manasseh and his son, Josiah brought in period that turned things around for Judah, but that was not enough to change God’s mind about the evil He would bring upon the Jerusalem and Judah. MM says Josiah was the other bright spot besides his father, Hezekiah. Hezekiah tears down the high places. Manasseh comes along, 55 years, and builds them back up. Manasseh's son comes in two years in a short stint, and then Josiah comes in and is so good. He not only tears down the high places and stud that Manasseh built, but you find out there was stuff back here that Solomon build that was still up. Hezekiah didn't have it torn down, but Josiah does. MM asks if Manasseh was responsible for bringing in the 5th CoP and the scripture talks about this, what about Josiah? What Josiah did was not enough to keep the 5th CoP from coming upon them. v1-2: Remember in the previous chapter, they had all of these altars for the sun and the moon and the stars. And someone found a book, it was the book of the law. They bring it to the kind and he takes this book and then as he reads it he realizes this is the book of the Lord God Jehovah. So he says, call everybody together. And then king sent and gathered them and he reads this thing and he's going, 'oh man, we're doing it all wrong'. MM says it amazes him that they found the book and didn't recognize what it was. Remember Jehovah is not their God (GH: WALK CONTRARY concept).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 23	GH: GPPI verse	v3: The king stood up and said we are no longer doing this, we're serving God according to this book and he makes this statement. v3: MADE A COVENANT BEFORE THE LORD, TO WALK AFTER THE LORD: v4: Here's what the king does after making the statement in v3. MM says this guy is house cleaning. v4: BRING FORTH OUT OF THE TEMPLE OF THE LORD ALL THE VESSELS THAT WERE MADE OR BAAL: He is saying, let's clear all of this out. v4: THAT WERE MADE FOR BAAL: v4: HE BURNED THEM: Would have been real easy to say, well, there's a lot of gold there, we probably ought to keep it for the gold. But he burns it up. v7: HE BRAKE DOWN THE HOUSES OF THE SODOMITES: They had built houses next to the house of the Lord and they were actually weaving tapestries to worship these false god in the groves and high places. So he breaks all their houses down.
2 Kings 23	GH: GPPI verse	v12: See him totally annihilating all of this. v12: THE ALTARS WHICH MANASSEH HAD MADE: v12: DID THE KING BEAT DOWN, AND BRAKE THEM DOWN: v13: Solomon had built all of these for his wives. They were still there. Even Hezekiah hadn't done away with the. Wen Josiah comes on the scene, he says, we're getting rid of all of that. v13: THE HIGH PLACES: v13: WHICH SOLOMON THE KING OF ISRAEL HAD BUILDED: v13: DID THE KING DEFILE: v15: THE ALTAR...WHICH JEROBOAM...HAD MADE...HE BRAKE DOWN, AND BURNED THE HIGH PLACE, AND STAMPED IT SMALL TO POWDER, AND BURNED THE GROVE: Now we are back to the 2nd CoP cleanup. He is aggressive in the clean-up.
2 Kings 23	GH: GPPI verse	v25: Point: MM says this is quite a commentary. If you are that good (GH: Josiah), how bad did the nation have to be for that not to be enough? v26: NOTWITHSTANDING: The LORD says that even though all this has happened, God was not going to change His mind concerning the next cycle of punishment that He said in the days of Manasseh was going to come on Judah. MM says as good as Josiah was, what Manasseh did was so much worse that it was not enough to forestall the 5th CoP. God is still going to bring that upon them. v27: Get the actual arrival of the 5th CoP on the southern kingdom. He is going to carry them out. (GH: Here or 2 Kings 24:1?) v27: I WILL REMOVE JUDAH ALSO OUT OF MY SIGHT, AS I REMOVED ISRAEL: With all the Josiah did, you would think, God would not send the 5th CoP (GH: worldly thinking, not godly thinking). What Josiah did is not enough.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Kings 23:5	GH: Creature description (both parts)	5 And he put down the idolatrous priests, whom the kings of Judah had ordained to burn incense in the high places in the cities of Judah, and in the places round about Jerusalem; them also that burned incense unto Baal, to the sun, and to the moon, and to the planets, and to all the host of heaven. There is your two parts to worshipping the creature more than the Creator. GH: Romans 1:25. AND TO ALL THE HOST OF HEAVEN
2 Kings 23:26		26 Notwithstanding the Lord turned not from the fierceness of his great wrath, wherewith his anger was kindled against Judah, because of all the provocations that Manasseh had provoked him withal. GH: Josiah may have been a great king but notwithstanding, God did not forget His Wrath against Manesseh and Amon.
2 Kings 24	GH: GPPI verse	Get the actual arrival of the 5th CoP on the southern kingdom. v4: WHICH THE LORD WOULD NOT PARDON: Shows that there was no recourse except to bring about the next cycle of punishment.
2 Kings 24:2	GH: 5th CoP, 1st installment fulfilled	2 And the Lord sent against him bands of the Chaldees, and bands of the Syrians, and bands of the Moabites, and bands of the children of Ammon, and sent them against Judah to destroy it, according to the word of the Lord, which he spake by his servants the prophets. GH: Fulfillment of the first installment of the 5th CoP.
2 Kings 24:8		8 Jehoiachin was eighteen years old when he began to reign, and he reigned in Jerusalem three months. And his mother's name was Nehushta, the daughter of Elnathan of Jerusalem. JEHOIACHIN WAS EIGHTEEN YEARS OLD WHEN HE BEGAN TO REIGN: Not a contradiction with 2 Chronicles 36:9 (EIGHT YEARS). Both are right. They are recording the time he was king in name only when his father was taken captive (8 yrs. old) and the time when he officially became a functioning king (18 years old). When Jehoiachin's father, Jehoiakim, was taken captive by Nebuchadnezzar, Jehoiachin was 8 years old. His mother reigned in his stead for ten years (as what 8-year-old can functionally reign?). When he turned 18, he reigned in Jerusalem for 3 months (as recorded in both accounts) and then he – and his mother – were both taken captive to Babylon. See 2 Chronicles 36:10.
2 Kings 24:13		13 And he carried out thence all the treasures of the house of the Lord, and the treasures of the king's house, and cut in pieces all the vessels of gold which Solomon king of Israel had made in the temple of the Lord, as the Lord had said. Fulfillment of Isaiah's prophecy to Hezekiah-Isaiah 39:6.
2 Kings 25	GH: GPPI verse	See the 5th CoP coming on the southern kingdom. When Babylon comes against Judah, there are a number of sieges that take place, carrying the people away captive in waves. v4-5: MM says they have broken through the walls of the cities, the soldiers have run out, the king flees into the plains toward Jericho, and then Nebuchadnezzar's army catches up with him. v7: ZEDEKIAH: Judah's king. v21: Judah is carried out and the 5th CoP is underway.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Chronicles - 2 Chronicles	GH: GPPI verse	Goes back and gives an account beginning with the interlude of mercy and extending to the beginning of the 5th CoP. God does this to give you a look “behind the scenes” as to certain actions that God is performing. God is emphasizing His Jehovah-ness and showing things that were not evident in the first account of these things in the books of the Kings. You could say that the Chronicles account allows us to see things of the cycles from God’s perspective.

There's a dual reference being made here. Two names given the the same ruler and historians recognize this. Notice the pronoun HE is singular.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Chronicles 5:23-26		23 And the children of the half tribe of Manasseh dwelt in the land: they increased from Bashan unto Baalhermon and Senir, and unto mount Hermon. 24 And these were the heads of the house of their fathers, even Epher, and Ishi, and Eliel, and Azriel, and Jeremiah, and Hodaviah, and Jahdiel, mighty men of valour, famous men, and heads of the house of their fathers. 25 And they transgressed against the God of their fathers, and went a whoring after the gods of the people of the land, whom God destroyed before them. 26 And the God of Israel stirred up the spirit of Pul king of Assyria, and the spirit of Tilgathpilneser king of Assyria, and he carried them away, even the Reubenites, and the Gadites, and the half tribe of Manasseh, and brought them unto Halah, and Habor, and Hara, and to the river Gozan, unto this day. MM says there were some Assyrian kings who were HEADS OF their HOUSE who were fathers of the anti-christ: 1. Tiglathpleser - 1 Kings 15; 1 Chronicles 5; Hosea 5 2. Shalmanaser: 2 Kings 17, 18: Hosea 10 3. Sargon: 2 Kings 17; Isaiah 20 4. Senneherib: 1 Kings 18-20; 2 Chronicles 32; Isaiah 36-38 5. Escaraddon: 2 Kings 19; 2 Chronicles 33; Ezra 4; Isaiah 37
1 Chronicles 7:7-9		7 Now therefore thus shalt thou say unto my servant David, Thus saith the Lord of hosts, I took thee from the sheepcote, even from following the sheep, that thou shouldest be ruler over my people Israel: 8 And I have been with thee whithersoever thou hast walked, and have cut off all thine enemies from before thee, and have made thee a name like the name of the great men that are in the earth. 9 Also I will ordain a place for my people Israel, and will plant them, and they shall dwell in their place, and shall be moved no more; neither shall the children of wickedness waste them any more, as at the beginning, God speaking to Nathan, David's servant (v3). v8: CUT OFF ALL THINE ENEMIES: God did this. v8: MADE THEE A NAME: God did this.
1 Chronicles 7:14-15		14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 15 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place. There was only one prayer that God was waiting to hear in order to stop those judgments in the “time past” of Israel’s program. An example. There is no exhortation to “pray for rain” or anything else. They are to humble themselves, acknowledge their guilt and turn from sin. The prayer is a prayer of confession. Hearing that prayer of confession, not a prayer for rain. Applies to Israel (GH: not us) because they are under the law, a performance system. We are not under a performance system, that is why it is called grace. If it is grace, you don't earn it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Chronicles 12:8		8 And of the Gadites there separated themselves unto David into the hold to the wilderness men of might, and men of war fit for the battle, that could handle shield and buckler, whose faces were like the faces of lions, and were as swift as the roes upon the mountains; THAT COULD HANDLE SHIELD AND BUCKLER SHIELD: When there's distance between the enemy and you. Full body that protects you from arrows and spears. BUCKLER: When there's hand-to-hand combat. Smaller shield strapped to your wrist or arm, MM makes size of his hands like a salad plate. Pour water on the leather so it would shrink, There were a couple of parts: 1. Shield part 2. Protusion: the warded off a glancing blow. Romans 8:33: You are walking uprightly and go into hand-to-hand combat and you go down. If you go down, the buckler is meant to protect you while you put your sword hand on the ground and push yourself back up so you can be UPRIGHT. God has designed our justification so it is on the death of our eternal life and it is not the death of our Sonship life.
1 Chronicles 13:6-10	GH: God's Wisdom	Uzza was attempting to do a good thing; to keep the ark from being pitched on the ground. Motive notwithstanding, God killed him just the same. Why? Good intentions are not sufficient to warrant a forbidden action. The point here is that even though we may mean well (Like Uzza) there is a “way” that is acceptable unto God and the other “ways” are not, no matter how well intentioned they may be.
1 Chronicles 13:9-10		9 And when they came unto the threshingfloor of Chidon, Uzza put forth his hand to hold the ark; for the oxen stumbled. 10 And the anger of the Lord was kindled against Uzza, and he smote him, because he put his hand to the ark: and there he died before God. The Ark was taken away from Israel and they were bringing it back and they put it on a cart and the oxen were carrying it not the way God told them to carry the Ark. Uzza was one of those men that was there and the one of the oxen stumbled and the cart lurched and he reached up to steady the Ark and God killed him on the spot because you weren't supposed to touch it. Those things were holy, they were set apart by God.
1 Chronicles 16:24	GH: GLORY Definition	24 Declare his glory among the heathen; his marvellous works among all nations. DECLARE HIS GLORY: In Israel's program, they gave glory to God by praising Him for His wonderful works and who He was/is. Talking about the very character and attributes of God.
1 Chronicles 16:25		25 For great is the Lord, and greatly to be praised: he also is to be feared above all gods. TO BE PRAISED: Praise is a way that Israel gave glory to God, they extolled His character and attributes.
1 Chronicles 16:29		29 Give unto the Lord the glory due unto his name: bring an offering, and come before him: worship the Lord in the beauty of holiness. THE GLORY

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Chronicles 17:10	GH: GPPI verse	10 And since the time that I commanded judges to be over my people Israel. Moreover I will subdue all thine enemies. Furthermore I tell thee that the Lord will build thee an house. I WILL SUBDUE ALL THINE ENEMIES: Talking about militarily having dominion over them. Involves a military-like action, every time it is mentioned in the Bible, for that is exactly what "subdue" entails. It always has this understanding in Israel's program.
1 Chronicles 17:17		17 And yet this was a small thing in thine eyes, O God; for thou hast also spoken of thy servant's house for a great while to come, and hast regarded me according to the estate of a man of high degree, O Lord God. MAN OF HIGH DEGREE: David says he has been placed in a position of high standing in the congregation of Israel. And just as David worked to be that man, the deacon's work buys him a "high degree" or "standing" in his own congregation. That deacon is able to put on display to the whole church the power of God at work in his life.
1 Chronicles 17:21		21 And what one nation in the earth is like thy people Israel, whom God went to redeem to be his own people, to make thee a name of greatness and terribleness, by driving out nations from before thy people whom thou hast redeemed out of Egypt? WHAT ONE NATION IN THE EARTH IS LIKE THY PEOPLE ISRAEL: The rest of the world is supposed to look and say what nation is like this nation that has a God so great? Why did God covenant with Israel to perform all the miracles that He was going to perform for them? What was the purpose behind that. Group say make them believe, show them they couldn't do it by themselves - right but not what MM is looking for. To show the world that God is God - God is going to put something on display. God covenants to do these marvels because I AM making an impact on the Gentile nations. I AM putting something up in the display window for them to see.
1 Chronicles 22:9	GH: GPPI verse	9 Behold, a son shall be born to thee, who shall be a man of rest; and I will give him rest from all his enemies round about: for his name shall be Solomon, and I will give peace and quietness unto Israel in his days. I WILL GIVE HIM REST FROM ALL HIS ENEMIES ROUND ABOUT: One of 3 elements that make up this great time of blessing (Interlude of Mercy) - there is a general rest that prevails with respect to Israel's enemies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Chronicles 28:2-4		2 Then David the king stood up upon his feet, and said, Hear me, my brethren, and my people: As for me, I had in mine heart to build an house of rest for the ark of the covenant of the Lord, and for the footstool of our God, and had made ready for the building: 3 But God said unto me, Thou shalt not build an house for my name, because thou hast been a man of war, and hast shed blood. 4 Howbeit the Lord God of Israel chose me before all the house of my father to be king over Israel for ever: for he hath chosen Judah to be the ruler; and of the house of Judah, the house of my father; and among the sons of my father he liked me to make me king over all Israel: David is wanting to build the Temple and God is telling him NO. v3: THOU HAST BEEN MADE A MAN OF WAR: **David was a man of war. Solomon's name means peaceable. Both describe the Lord Jesus Christ - when He comes back at the Advent He is a Man of War. When He sets up His Kingdom He is the Prince of Peace**. The outstanding characteristic of David's reign was he defeated all of Israel's enemies. When he said I need to build a house for the Lord, God told him no because he had too much blood on his hands because of all the wars they had fought. v3: MAN OF WAR: Reference to David. GH: Has nothing to do for today and people who have been or are in the military. v4: TO BE KING OVER ISRAEL FOREVER: When God raises up David and puts him as king over Israel he will literally be king forever.
1 Chronicles 28:6	GH: Sonship	6 And he said unto me, Solomon thy son, he shall build my house and my courts: for I have chosen him to be my son, and I will be his father. I HAVE CHOSEN HIM TO BE MY SON, AND I WILL BE HIS FATHER: MM says this is very particular terminology. Doesn't say 'like' a father and 'like' a son. Say I HAVE CHOSEN HIM TO BE MY SON. Here you are shown exactly how God is going to deal with Solomon, as a Father and a son. This is a preview of the believing remnant of Israel out in the day of wrath when they, as a kind of firstfruits of His creatures, are dealt with as the sons they are.
1 Chronicles 28:9		9 And thou, Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind: for the Lord searcheth all hearts, and understandeth all the imaginations of the thoughts: if thou seek him, he will be found of thee; but if thou forsake him, he will cast thee off for ever. GOD OF THY FATHER: David talking to Solomon. SERVE HIM WITH A PERFECT HEART AND WITH A WILLING MIND: FOR THE LORD SEARCHETH ALL HEARTS: First mention of the 'searching the heart' phraseology.

1 Chronicles 28:20		20 And David said to Solomon his son, Be strong and of good courage, and do it: fear not, nor be dismayed: for the Lord God, even my God, will be with thee; he will not fail thee, nor forsake thee, until thou hast finished all the work for the service of the house of the Lord. BE STRONG AND OF GOOD COURAGE: What David said to Solomon as he gave him the temple blueprints. When God would not allow David to build Him a house, but said that his son Solomon would build it, David drew up the blueprints for the temple and gave them to his son. When this phrase gets used, it is meant to allay any fears or doubts, and engender courage to continue.
1 Chronicles 29:11		11 Thine, O Lord is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all. THINE, O LORD, IS THE GREATNESS, AND THE POWER, AND THE GLORY, AND THE VICTORY, AND THE MAJESTY: MM says reminds of the Lord's Prayer. There's going to be glory in the Kingdom. When they talked about that Kingdom, that gave glory to the Lord.
2 Chronicles		During the 2nd CoP. Solomon has died and one of the consequences of the 2nd CoP is the kingdom is divided. You have two kings: - Jeroboam: Northern - Reoboam: Southern - Jeroboam is in hiding in Egypt till Solomon dies. They come to Rehoboam and say your father Solomon put a lot on us and it was like being under a task master and we want to know if you will ease up a little bit and lighten the burden. So Rehoboam goes to his father's advisors and asks them what do they think and they said you need to lighten up on these people a little bit. Don't be so hard on them. If you do this, they will love you and follow you and be loyal to you. Then, Rehoboam goes to his young advisors, his own set, and asks them what do they think. They say you tell them this - Solomon whipped you with whips, I'll whip you with scorpionws. If my father Solomon did this, I'm going to double what he did. It's not going to be easier, it's going to be tougher. Rehoboam takes the young advisor's advice and he says the very thing they said to say, my father chastised you with whips, I'll chatise you with scopions. You think it was tough under him, you haven't seen anything yet. Then the 10 tribes are going to say we've had enough of this, we want nothing to do with Rehoboam.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles		So they put Jeroboam in charge of the northern kingdom. Rehoboam runs for his like out of Shechem to get back to Jerusalem. Then they install Jeroboam as the king of Israel, the northern kingdom, and when they do, Shechem in the capital. During Jeroboam's reign, the capital changes 2 more times before finally it moves to Samaria. It eventually becomes the capital of the northern kingdom. Shechem had the privilege of being a Levite city. - When that kingdom gets divided, not only does it break their power they are not going to be able to rely on each other with their enemies about them. Not only are they not going to be able to rely on each other, these 2 kingdoms are going to CAST each other OFF-Romans 13:12. They are going to have nothing to do with each other, they are hostile to each other, and at the beginning there is going to be a war between them. Even though it was predicted in Leviticus 26, Reoboam is going to get it together, attack Israel, and bring the 10 tribes back in and God says, hey, wait a minutes, I AM the One doing this. Don't go attack them. I AM the One that made this division. It only holds off for a while because when you get into the 3rd CoP, they do go to war with each other. So there is open hostility between them.
2 Chronicles	GH: GPPI verse	There is a temptation to see Chronicles as only a repeat of the information contained in Kings, but that is not entirely accurate. It is true that the historical events are repeated in Chronicles, but it does more than that. Chronicles allows you to look behind the scenes at what God is doing and observe details that you cannot get from what is given in I and II Kings. While Chronicles does take you back through the historical account of God's plan and purpose with Israel, there are things that you weren't able to comprehend properly until after you had the foundational information given in the Kings.

HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 6		Context: Solomon has just built a house to the Lord. David wanted to build the house but God said no, your son will build it. v2: I HAVE BUILT AN HOUSE v11: AND IN IT HAVE I PUT THE ARK v14: AND SAID: This is a whole prayer that Solomon prays to the Lord. v24: BECAUSE THEY HAVE SINNED v25: FORGIVE THE SIN Nutshell: He is saying Lord, if we get punished because we got away, if we come to this house and pray and get right, we want you to forgive our sin and restore us back again. v26: BECAUSE THEY HAVE SINNED v27: FORGIVE THE SIN v29: THIS HOUSE: Talking about the temple that Solomon built. v30: FORGIVE Nutshell: If we mess up, and one thing or another happens to us, and we come to this house and we pray and we get right, I'm asking You to forgive our sin and restore us back from the calamity that we were suffering.
2 Chronicles 6	IP : Prayer	MM showing that prayer principles are inter-dispensational. This is a very long prayer by Solomon. The occasion is the completion of God's house, the temple. MM showing the mechanics of prayer work the same way in both programs. v1-2: v4: Prayer definition #1 - Prayer is our response to what God has said in His word. Solomon is talking to God about what God is doing, which is fulfilling that which He spoke to David. MM says he is getting ready to talk about what God said to his father David. v5-6: Solomon quotes what God said to David which is basically that God has chosen Jerusalem to put His name there, and David to ruler over Israel. v7-9: Says that David wanted to build a house for God, but God said "no" to David, but that He would allow Solomon to build His house.
2 Chronicles 6	IP : Prayer	v10-11: Solomon is talking to God, a prayer, about what God had already said to his father, David. Solomon's prayer is his response to accomplishing God's will. Talking to God about what God has already said and His Will, that Solomon would build the house. v16: Solomon is praying about what God said He would do. v24: IF THY PEOPLE ISRAEL BE PUT TO THE WORSE BEFORE THE ENEMY, BECAUSE THEY HAVE SINNED AGAINST THEE: Solomon knows about Leviticus 26. He is taking what he knows what God has said and asking God to do it. It's not something he is inventing. Solomon responding to what God said back in Leviticus 26, where God said if the people of Israel break His law, they will be punished until they repent, confess and return to God and keep his law. Taken that which he knows God has said and he's just asking God to do what was already said. This isn't something that he is inventing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 6	IP : Prayer	v26-27: See that Solomon is working his way through the courses of punishment as recorded in Leviticus 26. He is praying through Leviticus 26. He's not just conjuring this up. v28: IF THERE BE DEARTH IN THE LAND, IF THERE BE PESTILENCE, IF THERE BE BLASTING, OR MILDEW, LOCUSTS, OR CATERPILLERS; IF THERE ENEMIES BESIEGE THEM IN THE CITIES OF THEIR LAND; WHATSOEVER SORE OR WHATSOEVER SICKNESS THERE BE: Solomon knows about Leviticus 26. Solomon is praying through Leviticus 26. He is just working his way through. v30-31: This is the remedy for what God said, Solomon is just repeating and rehearsing what God is saying. In all of this prayer, Solomon is rehearsing what God has already said; he is responding to what God has said He will do, and he is praying about God's revealed will. While those mechanics of prayer are the same in every dispensation, what Solomon is praying is very different from what Paul is praying because different program, different will. v36: Solomon knows about being carried away captive, because God had already said this. He's covering every bit of Leviticus 26. This is a different program, different physical blessings but the prayer principle is the same.
2 Chronicles 6	IP : Prayer	v37-39: v42: Has Solomon making a request, but the request is for God to remember something God has already promised. Solomon is not asking God to do something he has come up with; he is asking God to keep His word concerning the mercies of David. Vr42: (sure) MERCIES OF DAVID: Commits a transgression that he ought to be put to death for. Instead, covenant.
2 Chronicles 7		If you read this prayer in it's context, this wasn't America, this was Israel. MM says he's going to talk about how I LED you out of Egypt. Not sure when that happened for us. v1: End of the prayer. v12: God has heard Solomon's prayer. v14: Billboard scripture. Think that if we confess our sins, God will make everything right in this country again. MM says that is a preversion of that scripture. 1. Wasn't given to America. Was given to MY PEOPLE, WHO ARE CALLED BY MY NAME. There's something very specific about this. That is not true for this country. 2. Solomon keeps saying that prayer is going to be made in that HOUSE. GH: And that house doesn't exist anymore. So now you have to say, well, it's the church house. MM asked is the holy of holy and the glory in here somewhere (GH: in Monahans)? v20: If this is made for us, if we really get away from God, God is going to pull us out of this country and He is going to tear down every church. That hasn't happened.
2 Chronicles 7:14-15	Non-MBI	PL: If you go back and see what Solomon asked God, it relates specifically to prayers out of this House that Solomon just built God. Read 2 Chronicles 6:22, 24, 26, & 29.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 7:14-15	GH: Prayer : Dispensationally Incorrect	14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 15 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place. MM admits that he used to preach this. About the nation of Israel and the particular place in the courses of punishment that God prescribed for them back in the very beginning. This verse does not apply to America. It pertains only to God's program with Israel as part of the law contract. Prayed in connection with the second course of punishment. Can't run over to Acts and steal the name CHRISTIAN and then rush back to here and stick it in Israel's past history. That's dishonest. Can't take a verse meant for someone else and claim it for yourself. MM says plenty of folks have done this. THIS HOUSE: This prayer was supposed to be made in the Temple, which doesn't even exist anymore. v15: Where does it say prayer is to be made that He will respond to? The answer is, IN THIS PLACE. SUMMARY: This prayer can only be prayed in connection with God's program with Israel. It can only be prayed when the second course of punishment is coming upon the nation which is experiencing the curses. It can only be prayed in the land of Israel. It can only be prayed in Solomon's temple!
2 Chronicles 7:14-15	GH: Prayer : Dispensationally Incorrect	14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 15 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place. There was only one prayer that God was waiting to hear in order to stop those judgments in the "time past" of Israel's program. An example. There is no exhortation to "pray for rain" or anything else. They are to humble themselves, acknowledge their guilt and turn from sin. The prayer is a prayer of confession. Hearing that prayer of confession, not a prayer for rain. Applies to Israel (GH: not us) because they are under the law, a performance system. We are not under a performance system, that is why it is called grace. If it is grace, you don't earn it. Not for people in the DOGG. People are ignorant about this, have been spoon fed this their whole lives, etc. This is a prayer that can only be done in God's Program with ISrael, It was supposed to be done when the second CoP came upon the nation. It's not even a prayer for their futre, it is a prayer for something that has come and gone. Our Bible understanding is so shallow that we would take that and try to make us think that is how God is going to deal with us a a nation.

2 Chronicles 7:14-15	GH: Prayer : Dispensationally Incorrect	14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 15 Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place. v14: MY PEOPLE: Is not a reference to the body of Christ. It refers to members of the nation of Israel. MM shouts/whispers when 2 Chronicles was written, there was no America. America is in the predicament she is in because she put herself there. Can't blame God for this. Also, God is not going to bail you out. He is not going to smap his fingers and turn all of this around. If this country is going to get it done, she would have to do the work to turn it around. MM says this country doesn't have the heart to do that. We have had it too easy for too long and we can't do the hard things it 's going to take to turn this around. MM says this is part of the SOPT. v15: THE PRAYER THAT IS MADE IN THIS PLACE: God said this prayer can only be prayed in one place and it ain't Monahans. v16: THIS HOUSE: The Temple of the Lord, which at that time was located in Jerusalem. Couldn't even do this today if you were a Jew in the land of Israel. The place where this is supposed to be done doesn't even exist. God is not operating with you on the basis of this. This is a classic example of how ignorant Christians are of the doctrine that we are looking at here and how essential this doctrine is to avoid the pit falls of this kind of ignorance. It is also a classic example of how wide spread and prevailing this ignorance is.
2 Chronicles 10:15-18		In this passage, Solomon dies and then the kingdom gets itself divided. v16: WHAT PORTION HAVE WE IN DAVID? AND WE HAVE NONE INHERITANCE IN THE SON OF JESSE: EVERY MAN TO YOUR TENTS, O ISRAEL: They want Jeroboam but this is the people's response to Rehoboam. MM says that this is a public declaration. Rehoboam is a descendant of David, he is out the house of David. He's supposed to be sitting on the throne. They all came from Shechem to crown the king and he just got through telling them, I'm going to be tougher on you than my father Solomon. If this is the way you want to be, we don't want the house of David ruling over us. We've already seen who they are going to choose - Jeroboam. v16: EVERY MAN TO YOUR TENTS: We are done with this. We are out of here. v16: DAVID, SEE TO THINE OWN HOUSE: DAVID is Rehoboam because you don't have any connection with us anymore. Go see to your own house. We're done with you. 10 tribes have CAST him OFF-Romans 13:12. From this point on, Rehoboam knows he's going to have rely on the southern tribes only - not much trade or military help between north and south. They will be at odds with each other. v17: Rehoboam still reigned over Judah but not Israel. v18: After they kill his messenger, Rehoboam jumps on his chariot and gets out of Dodge.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 11		v5: BUILT CITIES FOR DEFENCE: MM says this was primarily for protection against the northern kingdom. v11-12: Rehoboam is putting stockpiles of supplies and stockpiles of weapons. He's getting himself ready here militarily. v11: STORE OF VICTUAL, AND OF OIL AND WINE: v14: JEROBOAM AND HIS SONS HAD CAST THEM OFF: MM tying to Romans 13:12. Saying we don't want these Levitical cities and those Levitical priests living up in Israel. Remember, Jeroboam made the 2 golden calves and said these are the gods that brought you up out of Egypt. He didn't want them going down there to Jerusalem for the feast days because they would want to re-unite and then abandon him. Wanted to get rid of the Levitical priests because: 1. They are promoting the True thing in Jerusalem 2. They won't be in agreement with what Jeroboam is about to do so he has to CAST them OFF v15: Jeroboam didn't just dismiss them and tell them they're not needed anymore, he made a public declaration they were not welcome there anymore. We're going to do something completely different and we're distancing ourselves from that group. v16-17: MM says if they were WALKING IN THE WAY OF DAVID AND SOLOMON, no wonder God was preserving them and no wonder Assyria takes over the northern kingdom. These are people that wanted to follow the Lord and walk in His way.
2 Chronicles 20:1-13		Context: Solomon has died. THe kingdom has been divided. You have the northern kingdom with 10 tribes and the southern kingdom with 2 tribes. Jehoshaphat is the king of Judah and he finds out that the Moabites and Ammonites and others have joined forces and they are going to come against Judah and try to overthrow him. v3: Gets scared and says oh God you have got to bail me out. Calling on God to use His omnipotent power and intercede in the affairs of life and their circumstances. There's an army coming that outnumbers them. That's Israel's program. But that is not your program. Couple things contrary to the principles of Sonship: 1. NEITHER KNOW WE WHAT TO DO - In Sonship, you should know what to do, know why you are doing it 2. God is not stopping the invading army or the outward circumstances for sons - the work He is doing is in your INNER MAN to endure these things to His Honor and Glory

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 20:15-19		Context: The Spirit of the Lord comes upon one of the Levites and he is going to give the Message from God back to Jehoshapat and the people of Judah. In answer, the Spirit of the Lord came upon Jahaziel, one of the Levites to give the Lord's answer to the prayer of all Judah. They get over there and they line up and they look at that great army coming against them. God turns them against each other and they slaughter each other to the very last man. When Judah comes in the whole area is nothing but littered with dead bodies and they take the spoil of them. They have jewels and treasures and coins. Bible says that it was more than Judah could carry off in 3 days. MM jokes let me get all my expensive jewels and take them with me to war. Class said they thought it was going to be easy and there was way more of them. Carried out the spoil for 3 days and then on the 4th day had a big celebration. They praised the Lord and didn't have to lift a finger. MM jokes that people are thinking that you a kinda like Israel's program. MM says what He has given us is FAR better. You are going to carry off the RICHES OF CHRIST-Ephesians 3:8. It's not just 'not your Program'. The very things that are being talked about here are the very opposite of what you are talked about in the Sonship education. Couple things contrary to the principles of Sonship: 1. The battle is not yours, it's Gods - in this DOGG as a member of the body of Christ, the battle belongs to you. 2. v17: YE SHALL NOT NEED TO FIGHT IN THIS BATTLE - MM has news for you, Paul tells Timothy 'MIGHTEST WAR A GOOD WARFARE-1 Timothy 1:18', You are going to have to fight. MM realizes that is not a good commercial for Sonship.
2 Chronicles 21:13		13 But hast walked in the way of the kings of Israel, and hast made Judah and the inhabitants of Jerusalem to go a whoring, like to the whoredoms of the house of Ahab, and also hast slain thy brethren of thy father's house, which were better than thyself: LIKE TO THE WHOREDOMS OF THE HOUSE OF AHAB: Out of all the people to compare him to, he compares him to Ahab.
2 Chronicles 22:3-4		3 He also walked in the ways of the house of Ahab: for his mother was his counsellor to do wickedly. 4 Wherefore he did evil in the sight of the Lord like the house of Ahab: for they were his counsellors after the death of his father to his destruction. v3: HE ALSO WALKED IN THE WAYS OF THE HOUSE OF AHAB: Ahab is the standard of evil whenever God wants to talk about how evil a king is, He measures Him against Ahab. v4: LIKE THE HOUSE OF AHAB: Ahab is the standard of evil whenever God wants to talk about how evil a king is, He measures Him against Ahab.
2 Chronicles 33:3	GH: Creature description	3 For he built again the high places which Hezekiah his father had broken down, and he reared up altars for Baalim, and made groves, and worshipped all the host of heaven, and served them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Chronicles 36:9		9 Jehoiachin was eight years old when he began to reign, and he reigned three months and ten days in Jerusalem: and he did that which was evil in the sight of the Lord. JEHOIACHIN WAS EIGHT YEARS OLD WHEN HE BEGAN TO REIGN-2 Chronicles 36:9: Not a contradition with 2 Kings 24:8 (EIGHTEEN YEARS). Both are right. They are recording the time he was king in name only when his father was taken captive (8 yrs. old) and the time when he officially became a functioning king (18 years old). When Jehoiachin's father, Jehoiakim, was taken captive by Nebuchadnezzar, Jehoiachin was 8 years old. His mother reigned in his stead for ten years.
2 Chronicles 36:14-23		v14: ALL THE CHIEF PRIESTS, AND THE PEOPLE, TRANSGRESSED VERY MUCH AFTER ALL THE ABOMINATIONS OF THE HEATHEN; AND POLLUTED THE HOUSE OF THE LORD: MM says this is after God had delivered them from the Assyrians. This is the commentary. v17: THEREFORE HE BROUGHT UPON THEM THE KING OF THE CHALDEES: King Nebuchadnezzar. v20: THEM THAT HAD ESCAPED FROM THE SWORD CARRIED HE AWAY TO BABYLON...UNTIL THE REIGN OF THE KING OF PERSIA v21: THREESCORE AND TEN YEARS: 70 YEARS. v23: The king of Persia says Israel's God is the One that has given all of these kingdoms into his hand and has charged him with a house being built for that God in Jerusalem, in Judah. v23: LET HIM GO UP: King says the captivity is over, now you get to go home. Only a few return because they've been there over 70 years and they've raised generations and they've got their stuff there. We're not going anywhere. But a remnant does go back over there.
2 Chronicles 36:14-21	GH: GPPI verse	This is when Nebuchadnezzar is coming and laying siege against Jerusalem, the capital of the southern kingdom of Judah. Israel has begun to follow a path that the adversary has charted for them that is very much like the one that was charted for the rest of the nations of the world. The difference would be that in his plan of evil against Israel, Satan has added some extra features to the path he has charted for the nation of Israel, that are meant to defile them and corrupt them from being used by God to accomplish his plan and purpose for them. They are following that path with gusto. The chief of the priests and the people took up all the abominations of the heathen and immersed themselves in them. They have done this to such a degree, that the fifth cycle of punishment is coming upon them. Nebuchadnezzar is God's tool against them to waste their cities and throw down their sanctuaries. v14: At this point, here's what's happening to Israel. They are following the course that Satan has charted for the nation. He knows they're not just one of the Gentile nations but that they're God's nation and he knows what God intends to do with them. The difference is with the Gentile nations, he has the COTW-Ephesians 2:2. But with Israel, he has added features in addition to the COTW. Because there's something different about this nation and Satan has to deal with them to accommodate that difference here. So they have followed the COTW AND the things that Satan has added in just for them to such an extend that now it is forcing God's Hand to do some things in judgment against the nation. And now the 5th CoP is coming upon them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezra 9:1-3...10:1-5		This is taking place after a remnant of the Babylonian captives have returned to the land to rebuild the temple and the city of Jerusalem. On the timeline, this is the 2nd installment of the 5th CoP and it pertains to the "7 weeks" (49 years) portion of the schedule of weeks, in Daniel's prophecy. These years were indeed "troublous times" as the people attempted to rebuild, with extreme hardship and dangers lurking on every side, by night and day. This is the time they worked with a tool in one hand and a sword in the other. MM says every moment they were back there in the land trying to rebuild, their lives were on the line day and night to such an extent that the Bible say they works with a tool in one hand and a sword in the other. Everybody was trying to unto them back there and there are times that it looks like they are not going to make it. v9:1-3: What is happening is that they are intermarrying with the people of the land and they're bringing in all of their idolatrous practices with them and their witchcraft and everything else. God specifically told the nations - do not intermarry with these people. Do not. If you do, it will ruin you. God is omniscient, so He is not guessing here.
Ezra 9:1-3...10:1-5		v10:3: TO PUT AWAY ALL THE WIVES, AND SUCH AS ARE BORN OF THEM: Under the law, things which were "unclean" polluted things which were clean, and there was a "putting away" of the unclean thing. Things were "unclean" by association. POINT: MM teaching 1 Corinthians 7:14 and mixed marriages. When you read this, it is easy to misinterpret v14 until you understand the doctrines of grace.

Nehemiah 1:6-7		6 Let thine ear now be attentive, and thine eyes open, that thou mayest hear the prayer of thy servant, which I pray before thee now, day and night, for the children of Israel thy servants, and confess the sins of the children of Israel, which we have sinned against thee: both I and my father's house have sinned. 7 We have dealt very corruptly against thee, and have not kept the commandments, nor the statutes, nor the judgments, which thou commandedst thy servant Moses. This issue of confessing sins in order for God to hear their prayer is the way prayer works in God’s program with Israel under the Law. And the other prayers were about God doing the things He said He would do. MM showing the mechanics of prayer work the same way in both programs, they are inter-dispensational. Anytime Israel was going to make a prayer, the first thing they do is to confess those sins, because if they don, they won't get heard. And if they're not heard, they won't get what they're praying for. We do not find these kinds of prayers in Paul's epistles because we have already been forgiven. All those sins have been atoned for. There's no national mandate for us to pray for America's sin so that God will bless America. v6: CONFESS THE SINS OF THE CHILDREN OF ISRAEL, WHICH WE HAVE SINNED AGAINST THEE: BOTH I AND MY FATHER'S HOUSE HAVE SINNED: v7: WE HAVE DEALT CORRUPTLY AGAINST THEE, AND HAVE NOT KEPT THE COMMANDMENTS, NOR THE STATUTES, NOR THE JUDGMENTS:

Nehemiah 2:1		1 And it came to pass in the month Nisan, in the twentieth year of Artaxerxes the king, that wine was before him: and I took up the wine, and gave it unto the king. Now I had not been beforetime sad in his presence. IN THE TWENTIETH YEAR OF ARTAXERSES: When the commandment was given to restore and rebuild Jerusalem. 454 B.C. MM says most every single commentary shows 445 B.C. It makes a difference. In 453 B.C., one year later, he gives that commandment (GH: to rebuild and restore Jerusalem). If 453 B.C., is 1, then 1 B.C. os 453 years. Go to 30 A.D. you are at 483 years or 69 weeks. 30 A.D. is the crucifixion. ARTAXERXES: His father was Xerxes, who became king over Persia in 487 B.C. (wrote on the board 486 B.C.). In 474 B.C., he made ARTAXERXES, his son, pro-rex, which means he made him a co-regent along with him. But he didn't give ARTAXERXES everything in Persia. Means in the 12th year of Xerxes, he makes his son co-regent along with him. He is co-regent over the Jews in the land of Israel. That's what starts the 20-year count. In 465 B.C., Xerxes dies in the 21st year of his reign and ARTAXERXES becomes not pro-rex but sole-rex, he is now king over everything and king alone. The co-regent thing is no longer enforced because now his father is dead. In 454 B.C., ARTAXERXES is in the 10th year of this reign. But Nehemian says TWENTIETH YEAR of his reign, which is 454 B.C. People that get 445 B.C. wait till he becomes sole-rex and then start the 20 year count from there. If you do this, you have messed up the whole chronology about the Birth of Christ and the death on the Cross. The 70 year (GH: or week?) prophecy no longer works. MM says they miss one simple issue - ARTAXERXES becomes pro-rex over the land of Israel 20 year before 454 B.C. GH: Both the Daniel 9:25-26 and Luke timelines move you to the same endpoint - 30 A.D.

Nehemiah 9:13-14		13 Thou camest down also upon mount Sinai, and spakest with them from heaven, and gavest them right judgments, and true laws, good statutes and commandments: 14 And madest known unto them thy holy sabbath, and commandedst them precepts, statutes, and laws, by the hand of Moses thy servant: God made Israel know about the Sabbath at Mt. Sinai but God established the Sabbath from the beginning. By design, no one knew about that Sabbath. No one was observing the Sabbath from creation to Sinai. God waits to reveal it then because it is part of the law. v14: MADEST KNOWN UNTO THEM THY HOLY SABBATH: Keep in your mind that from the time of that first Sabbath until God made it known to them, no one practiced or knew about the Sabbath. The seventh day Sabbath also functions as a shadow in view of the second Sabbath after the first will come to pass. Mentioning Sabbath here is supposed to connect them back in their thinking to the Creation week. v14: MADEST KNOWN: No one was observing the Sabbath from the time of that original Sabbath until the time that God "made known" His holy Sabbath unto the people of Israel. Sabbath keeping, therefore, pertains to God's program with Israel. It is an important part of that program. Defiling the Sabbath brought the death penalty and that certainly underscores the importance of the Sabbath in the program with Israel. Sabbath is uniquely for the nation of Israel.
Nehemiah 9:26	GH: WoD Teaching: PRIDE	26 Nevertheless they were disobedient, and rebelled against thee, and cast thy law behind their backs, and slew thy prophets which testified against them to turn them to thee, and they wrought great provocations. WoD today work to do the same today - get men to despise God's word and replace it with Satan's untruth.

Job		Job: Written to the remnant suffering under Satan's policy of evil: Today Job is taught: Job was suffering so today when you're suffering, if you want to learn how to handle suffering you go to the Book of Job. There is suffering in the Book of Job but you are never going to learn how to handle suffering in the dispensation of grace by going to the Book of Job. In Job, Satan is persecuting Job in an unprovoked attack. In the Tribulation under the Antichrist, the believing remnant that will find themselves persecuted by Satan in an unprovoked attack. Remnant under attack for 42 months, the number of Chapters in Job. Job is in the land of Edom. Remnant is in the land of Edom when that happens. The Book of Job is about suffering, but it is about the suffering the remnant will endure in the Day of Wrath. Satan throws major things at Job and he passes with flying colors. Three friends show up and because of their constant little drip on him over a period Job cracks under pressure. Job: Job lost his kids, his herds, his wealth, his wife being his helpmeet said why don't you curse God and die, so he is pretty much on his own. Has been helped out by his 3 buddies, who basically say to him in a nutshell, you're hiding some kind of sin and that is why God is punishing you. Job is a picture or type of the Lord’s little flock out in Daniel’s 70th Week as they also will be persecuted by Satan.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job		See the other side of a MAN OF UNDERSTANDING. You will see the counterfeit. Of all the steps in the Sonship curriculum, WISE COUNSELS is the easiest thing to counterfeit. Once you see WISE COUNSELS for what they are, you are going to see the counterfeit everywhwere. See it in places that you didn't recognize it before. Job was a man who suffered persecution due to Satan doing a series of things to Job to bring about the ideas that he would curse God and turn his back on God. Preachers like to use the Book of Job to show people how to go through persecutions, but the Book of Job is not written to the Body of Christ on how to handle persecutions. If you are in the DOGG, try to use Job as your model on how to handle persecutions, you are going to create more problems on top of the problems you already have. This is written to members of the believing remnant of Israel who are going to find themselves out in what we commonly call the tribulation or the Lord's Day of Wrath. They are going to find some very good counsel out of the Book of Job of the things that are happening to them. - In the Book of Job, there are 42 chapters and you find out that every chapter correlates to a month in the tribulation/last 42 months. - In the first month, the remnant will refuse to take the mark and lose everything, just like Job in Job 1. Job even lost his children. In Job 1:13 – 19, Job learns that he lost his plow oxen, he lost his sheep, he lost his herds of camels, and he lost his children. And in all of those, he lost his servants as well. In short, Job lost everything. Follow the months, follow the chapters. One of the issues the remnant will face is false counsel from what seem to be friends and allies.
Job		Why Jesus taught the remnant to be able to discern who is a sheep and who is a wolf in sheep's clothing. Just as Job came out the other side with more than he had before, so the remnant will end up with more than before the day of wrath started. The remnant will be able to read Job and go through those chapters and understand this is coming next and this is coming next (GH: Even though it is not written in a proverbial style [Proverbs 1:6]). - At the end Job not only gets everything back, he gets more back. Whatever the remnant lost, when they come out the other end, that are getting more back. Three of Job's religious friends come to him and start to give him counsel. But it is not the counsel that he needs. Getting him to think in a way he shouldn't be thinking. Trying to counsel him but none are qualified to do so. Much of what they said was factually true, the problem is the misapplication of what they say. They are improperly using God's words to counsel Job and are masquerading as "men of understanding." MM is convinced, others see it differently, they mean well. They are coming to Job in the best of their understanding. Not everyhing is a lie, they say some truthful things. The problem lies in the APPLICATION of what they know. Saying some things to Job and telling him this whole thing is his fault, you're the reason you are in this predicament, you've done some thing to offend God, and now you are being punished for it. Putting the blame right back on Job. If you are Job, you are thinking what did I do?!?! Because he doesn't know anything. He was the one that was making sacrifices for his kids in case THEY did something. His 3 friends are giving the counterfeit to WISE COUNSELS (Proverbs 1:5). That's the counterfeit wisdom at work. It is getting you to think in a direction you're not supposed to be thinking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job		If his 3 friends were MeN OF UNDERSTANDING and giving him WISE COUNSELS, they never would have said the things they said. They would have had the skills to recognize the POE at work. They were giving Job the best advice they could give, but it would have been better for them to have kept their mouth shut because they were not qualified to give counsel. Bad counsel is worse than no counsel. GH: Refusing to counsel someone on stuff you don't know is not a bad thing it is an honest thing. What would be bad is staying their your whole life and not moving on to a MAN OF UNDERSTANDING. MM is not saying you have to become a MAN OF UNDERSTANDING to give people godly advice. Of course you can, but it's only within the parameters of what you know. It's not up to us to conjecture about areas that are beyond where we are in our own Sonship life. You will be able to help people out, but it will be in the framework of what you have known and experienced yourself. Right now, all the things we've talked about, you don't know any of that experientially. You're either looking at it in the Word or taking MM's word for it. But to experience it, to go through it, enables you to do more.
Job		Is a neccessary inclusion in the canon of scripture for when the believing remnant gets out in the remaining portion of Satan's NIGHT. They are going to be looking at the Book of Job and noticing things that will be particularly instructive for them. And there are some parallel issues for us. Job is going to serve as a type of the believing remnant for Israel. Get part of their education out of this along with the Psalms. Job moves from prosperity to poverty in a short amount of time. He loses his herds which represent his wealth, he loses all 10 children, his wife being the supportive spouse she is says why don't you curse God and die? And things are not looking good for Job. All this happens to him and then his 3 friends show up and have a mindset that's already there. They are looking at Job, everything was going good for Job, he had all of this wealth, and then all of a sudden he has lost all his servants, he has lost all his herds, he's lost all his children, he's sitting in sackcloth covered with ashes. Then Job suffers physically and on top of that, they are looking at that and the only thing they can think of is God is punishing Job because he is a wicked man. They have misunderstood what's going on there but they believe that Job is suffering because God is doing it to him. Job: Job is a type of the remnant out in Daniel’s 70th Week. It is a picture of the believing remnant that will find themselves out there in Daniel's 70th week. Job is a picture of the believing remnant who are under the direct attack of the adversary out in the day of wrath.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job	GH: WoD Teaching	He might be able to fool men but he hasn't been able to fool God. The mindset is - Job has been doing very well. Why, all of a sudden, how is he able to do so well if he was wicked? Their idea is it may have taken a while to actually come to the surface but he's been found out. God has known about this. Job fooled men and his friends are thinking he fooled us. We thought he was a good guy but evidently he is not. MM says today, there are plenty of people who believe when bad things happen to you, God is punishing you because of your sin. There are people that believe if you get sick it is because of sin in your life. They believe as long as you do well, you won't get sick. MM says that is not how God is dealing with folks in the day of Job and it is not how He is dealing with us in this DOGG. Job's defense is to maintain his innocence. Job cannot understand WHY he is suffering. In fact, he is going to make a statement saying I'm confused about this, I don't understand what's going on. He's going to admit his confusion. As an educated son, you are always going to understand the WHY of it. When those SoC (the retaliatory attack) come our way against us because we've come to the point in our Sonship life and in the Sonship education that we have now begun to CAST OFF THE WORKS OF DARKNESS-Romans 13:12 and now begin the first attacks. Not SOPT type attacks/sufferings. These are the attacks of Satan that will not stop unless you stop or back off what you are doing. We can't afford to be so in the dark that we are asking God why is this happening to me? I'm confused. Even though God is showing this to the remnant some are still going to be confused by this and taken in by a particular lie.
Job	GH: IPF verse	Parallels between Job and the believing remnant: * in circumstances/experiences (the remnant experiences the experience of Job in the Lord's day of wrath) * in names (God takes those names and applies them to the remnant in the 5th cycle prophets as they write about the day of the Lord) * the remnant will go through the name change, just like Job and get the double blessing, just like Job * the counsel that Job gets Job 38 is the essential counsel that the remnant needs; which Peter refers to in 2 Peter

Job 1:1-10	GH: Spiritual Warfare verse	Job had a lot of assets. Job is offering sacrifices in case they (his children) rebelled in their hearts against God. Job is not praying for a hedge of thorns. In the DOGG, we don't make sacrifices to cover our sins because we have believed in Jesus who was the Sacrifice for our sins, so we don't need that. Also, because this is the Book of Job, we know that it is not dispensational. It is not applying to the DOGG, it is not applying to us as members of the body of Christ, it is not part of the outworking of the mystery of Christ. He is making a sacrifice to protect his kids. This is not a battle over truth going on in his mind. It is something he is trying to prevent out there in the world. v10: Where 'praying a hedge of thorns' came from. We do have Satan and the word "hedge." But this is not a passage on how people conduct spiritual warfare in either program. The "hedge" spoken of was something God did with Job because he was an upright and righteous man who feared God and avoided evil. MM believes that is what made up the "hedge" around Job. There are no instructions to pray, and there are no indications that the hedge was put in place by anyone's prayers. When Paul says that the weapons of our warfare are not carnal, praying a hedge of protection from Satan is one of those carnal weapons.
Job 1:1-10	GH: Spiritual Warfare verse	If you look at this from the principle from our apostle Paul: * This is not a battle over the truth of God's word, but more like people personally taking on Satan, one-on-one, in some way. * This does not represent a battle in our mind over doctrine but this is a way of conducting warfare out in the world. This kind of warfare has no particular doctrine in view; no particular truth which is being attacked. * Is a superstitious view of prayer, that somehow God has given us the power to limit what Satan can do just because we say so. * Paul never prays this type of prayer and never mentions the word HEDGE. MM says in the O.T. this is exactly what happens if you are an upright man who fears God and avoids evil, you get blessings.
Job 1:1		1 There was a man in the land of Uz, whose name was Job; and that man was perfect and upright, and one that feared God, and eschewed evil. The book of James tells us (5:11) that Job is a picture or type of the Lord's little flock out in Daniel's 70th Week as they also will be persecuted by Satan and under the direct attack of the adversary.

Job 1:6-8	Divine Council	6 Now there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them. 7 And the Lord said unto Satan, Whence comest thou? Then Satan answered the Lord, and said, From going to and fro in the earth, and from walking up and down in it. 8 And the Lord said unto Satan, Hast thou considered my servant Job, that there is none like him in the earth, a perfect and an upright man, one that feareth God, and escheweth evil? There's a scheduled time that all the angelic hosts have to come and appear before the Lord and give a report. The Lord asks questions, they give answers. Type of reporting into the Lord. MM says this is one of the functions of the divine counsel - a time for these heavenly creatures to report in and present themselves before the Lord. v6: SONS OF GOD: Angels in the O.T. v7: Look at Satan's smart aleck response - Abram walking back and forth over the Promised Land or Satan walking to and fro on the earth were gestures of possession. Telling God it's mine now, used to be yours and flaunting that in the face of God. Walking up and down a property is a gesture of possession. Satan is saying I have been walking over what I own, knowing good and well he usurped that from God Himself. It's a smart aleck answer. I have been walking over what I own. It's a boastful prideful deal. v8: God is blessing Job. He is saying good things about Job. Bragging about Job to the angels. Job is not in the DOGG but he is not in Israel's program either. This small group has the ability to have some very good things said about you by your Heavenly Father. He does it. He doesn't give it to the angels to do it.
Job 1:6-7	GH: GPPI verse	This same gesture that Satan flaunted in the face of the LORD after he had usurped possession of the earth from Adam. Like Abraham in Genesis 13:17. Satan was doing more than just “taking a tour” of the earth, he was displaying the fact that he had taken possession of the earth by “walking up and down in it.” His answer to God’s question was a “in your face” way of boasting that he was the possessor of the earth that God had created for Himself. Satan’s answer was that he was busy acting in accordance with who he was; the prince of this world. Satan is mockingly saying to God, I'm walking up and down on what I own. I now own the earth. I am doing what I am supposed to do when I'm the owner of it. It's a sarcastic thing said to the Face of God that he thinks he has gotten away with because he says this twice as recorded in the Book of Job. MM says when an enemy would subdue a land and conquer it, he would walk through the same as a physical sign to everyone, 'I'm the new possessor'. It's kind of a way of casting it back on the previous owner of the land, 'I now have what you had'.

Job 1:6	Divine Council	6 Now there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them. Classic passage on the Divine Council. There are sons of God that are members of the Divine Council. The Divine Council does a lot of different things, it just depends on what you're talking about. This one is like an accountability meeting or a staff meeting so to speak, where everyone is coming before the Lord to give an account of the things they are doing. Satan, as the prince of this world has, for all intents and purposes, the throne of the earth. He has usurped the possession of the earth by Adam's fall. The members of the heavenly hosts are assigned the task of watching over the creation. In Job 1, all of these "sons of God" have come to present themselves to the Lord God. As the prince of this world, which is not a title of derision which Jesus used in John 16:11, but was an accurate description of how Satan is perceived, Satan must also present himself before the Lord. What is taking place here is a meeting of the divine council.
Job 1:6-12		Satan ends up taking away everything from Job - his herds-wealth, his children, his servants. But he doesn't take away Job's wife, because she is an instrument of discouragement. Satan says, let's leave her because she tells Job to curse God and die.
Job 2:1-2	Divine Council	1 Again there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them to present himself before the Lord. 2 And the Lord said unto Satan, From whence comest thou? And Satan answered the Lord, and said, From going to and fro in the earth, and from walking up and down in it. There's a scheduled time that all the angelic hosts have to come and appear before the Lord and give a report. The Lord asks questions, they give answers. v2: Look at Satan's smart aleck response - Abram walking back and forth over the Promised Land or Satan walking to and fro on the earth were gestures of possession. Telling God it's mine now, used to be yours and flaunting that in the face of God. See Satan's sarcastic, standard reply. Look what I got. It's not yours anymore. Now it belongs to me. Trying to rub it in God's nose.
Job 2:1		1 Again there was a day when the sons of God came to present themselves before the Lord, and Satan came also among them to present himself before the Lord. PRESENT HIMSELF TO THE LORD: Satan is responsible to PRESENT HIMSELF TO THE LORD to give an account just like the other sons of God. As the ruler of the earth, Satan is still responsible to present himself before the Lord and to give an account.
Job 2:9		9 Then said his wife unto him, Dost thou still retain thine integrity? curse God, and die. Satan takes away Job's flocks, Job's servants and Job's children. But notice that Satan did not take Job's wife. Satan takes away everything but Job's wife who is an instrument of discouragement.
Job 3:3-6	Non-MBI	PR: Talking about the Tribulation - last 3.5 years.
Job 4:4		4 Thy words have upholden him that was falling, and thou hast strengthened the feeble knees. Let our talk be constructive talk that builds others up. Let your praise to criticism ratio be 10 praises to every 1 criticism. Do this with your children, your spouse, your friends, your business associates, your schoolmates, your parents; everyone.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 4:18		18 Behold, he put no trust in his servants; and his angels he charged with folly: HIS ANGELS HE CHARGED WITH FOLLY: Reference to the rebellion among the angels to join Lucifer.
Job 5:13		13 He taketh the wise in their own craftiness: and the counsel of the froward is carried headlong. TAKETH THE WISE IN THEIR OWN CRAFTINESS: Paul quotes in 1 Corinthians 3:19. Empathizes that human wisdom is going to come under the judgment of God. Paul quotes HE TAKETH THE WISE IN THEIR OWN CRAFTINESS-1 Corinthians 3:19. It means that God catches them with their own schemes and ambitions. Their schemes and plans that they were thinking was going to get ahead, that's going to be their undoing. EX When Satan saw he could not get Christ to worship him and could not get Him to stop the message of the kingdom, he decided to put Him to death. This played right into God's Hands. So the adversary was taken in his own craftiness.
Job 9:1-2	JUSTIFICATION #5: Justification of Self, or Self-Justification. (Show themselves to be right, proper, correct, truthful.)	1 Then Job answered and said, 2 I know it is so of a truth: but how should man be just with God? JUSTIFICATION #5: Justification of Self, or Self-Justification. (Show themselves to be right, proper, correct, truthful.) This is a justification in the face of the charges and indictments of Job's so-called "friends."
Job 9:9	GH: Heavenly Places = ARCTURUS, ORION, AND PLEIADES / Eternal Vocation	9 Which maketh Arcturus, Orion, and Pleiades, and the chambers of the south. Constellation ORION is in your Bible. THE CHAMBERS OF THE SOUTH: There are rooms (CHAMBERS) in the south in the heavenly places. They are huge storehouses, and have something in them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 9:20	JUSTIFICATION #5: Justification of Self, or Self-Justification. (Show themselves to be right, proper, correct, truthful.)	20 If I justify myself, mine own mouth shall condemn me: if I say, I am perfect, it shall also prove me perverse. JUSTIFICATION #5: Justification of Self, or Self-Justification. (Show themselves to be right, proper, correct, truthful.) This is a justification in the face of the charges and indictments of Job's so-called "friends."
Job 10		v2: SHEW ME WHEREFORE: God is asking show me why this is happening to him. Job is not sure about this. v7-8: Job is talking to the Lord and saying, hey, I need You to show me why this is happening. v15: I AM FULL OF CONFUSION: Job believes God is doing this.
Job 11		Job finishes his speech in Chapter 10 and Zophar starts off saying what all 3 friends are thinking. v2: SHOULD NOT THE MULTITUDE OF WORDS BE ANSWERED: He's talking about Job's reply. We hear what you are saying - there's nothing wrong with you. You're not wicked. There's no reason for God to do this and that deserves an answer. v3: THY LIES: They think Job is a dirty rotten liar. v3: THOU MOCKEST: Think Job is making a mockery of pretending you are all holy and such. v5: I wish God could come down right here and tell you what's going on in front of all of us. v6: GOD EXACTETH OF THEE LESS THAN THINE INIQUITY DESERVETH: He is saying, hey, you lost your kids, you lost your wealth, you lost your possessions, and now you are covered with boils from head to foot and God is still not dealing with you the say He should if He really gave you what you had coming to you. You're getting less than what you really deserve. v13-14: He is telling Job he needs to humble himself and get right with God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 13		Job continues to defend himself against Zophar's accusations. v2: You guys think you are telling me something I don't know, it's not like he is ignorant of all of this. v4: You guys are manufacturing lies and are like physicians that don't do any good. He is CASTing OFF their counsel and these false ideas that what is happening to him is because God really knows he is a wicked man. v4: FORGERS OF LIES: MM says this is not building their friendship. They have called Job a liar and now he is calling them liars. v4: PHYSICIANS OF NO VALUE: You guys came here to help me, you're making it worse. v5: Show me how wise you are by shutting up. Just stop talking. It'll be the wisest thing you could do. Response continues through Ch 14. v15: Even if God ends up killing me in the midset of this thing, I'm still gooing to serve Him. Even thought he thinks God is doing this to him and he doesn't know why and he knows it is not because he has been wicked, he doesn't feel like God has betrayed him. Job is also not angry at God, even though he understands what is happening to him is not his fault. He is not upset with God over it. That tells you something about Job.
Job 14:10	GH: Resurrection verse	10 But man dieth, and wasteth away: yea, man giveth up the ghost, and where is he? This is talking about the physical body, not the soul. When a man's body dies, it wastes away. According to the Bible, two things happen when our physical body dies: 1) our inward man (our soul and spirit) exits out of our dead physical body - FOR AS THE BODY WITHOUT THE SPIRIT IS DEAD-James 2:26 2) the body wastes away - BUT MAN DIETH, AND WASTETH AWAY-Job 14:10. When a man's body dies, it wastes away.
Job 15:1-9		Eliphaz, another friend starts in. Everything that Job says in response to so far, he decides you know what Job, you are not getting it. You are not listening to what we are saying. v2: THE EAST WIND: Was always a wind of judgment. When you look at an EAST WIND in the scripture, that was trouble and that is exactly what Job was going through. v3: UNPROFITABLE TALK: How Eliphaz describes what Job is saying. What you are saying isn't worth anything Job. v4-9: Eliphaz saying to Job if you know something that is going to fill us all in on what's going on here, we'd sure like to hear it because buddy, we don't know anything that would explain this except God is punishing you for your wickedness. They think Job is doing what children do when they get caught - they get keep repeating I didn't do it. v4: CASTEST OFF: MM tying to Romans 13:12b. When he says you're CASTing OFF fear, what they are really saying is you need to get down on your hands and knees and you need to beg God for forgiveness. Don't you understand the consequences of your actions? Everything they have said to Job is focused around this issue of his transgressions before God. He's rejected their advice and they are looking at that and said we've given wisdom and good counsel and you CAST it OFF because you're not afraid of what can happen to you. If you don't repent and get right with God. Not just saying you're not afraid. Job has fear of God but not in the sense that these men want him to have. Job is repudiating their counsel to him. MM showing this is a public repudiation by Job (GH: MM teaching CAST OFF-Romans 13:12 meaning) of the assertion being made by his 3 friends.

Job 15:15		15 Behold, he putteth no trust in his saints; yea, the heavens are not clean in his sight. THE HEAVENS ARE NOT CLEAN IN HIS SIGHT
Job 15:21-23		21 A dreadful sound is in his ears: in prosperity the destroyer shall come upon him. 22 He believeth not that he shall return out of darkness, and he is waited for of the sword. 23 He wandereth abroad for bread, saying, Where is it? he knoweth that the day of darkness is ready at his hand. v21: SOUND IS IN HIS EARS: Ties to HE WHO FLEETH FOR THE NOISE OF FEAR-Isaiah 24:18. v22: OUT OF DARKNESS v23: THE DAY OF DARKNESS IS READY AT HIS HAND
Job 15:30		30 He shall not depart out of darkness; the flame shall dry up his branches, and by the breath of his mouth shall he go away. v30: HE SHALL NOT DEPART OUT OF DARKNESS v30: BY THE BREATH OF HIS MOUTH SHALL HE GO AWAY
Job 16:9		9 He teareth me in his wrath, who hateth me: he gnasheth upon me with his teeth; mine enemy sharpeneth his eyes upon me. HE GNASHETH UPON ME WITH HIS TEETH: This is a token of hatred and anger. Gnashing of teeth is almost always associated with anger, not anguish.
Job 19:25-26	GH: Resurrection verse	Describing the resurrection. Israel's resurrection is likened to a harvest and those saints that rose with Him.. Christ was the firstfruits. He was the firstfruits - plural - of the dead. That's what makes you look and see who else was being resurrected. The main harvest comes after the Second Advent at the start of the kingdom. At that time, all of the saved dead from Israel's prophetic past will be resurrected. These will include the resurrection of those who lived prior to the Law, such as described here. v25: AFTER MY SKIN WORMS DESTROY THIS BODY, YET IN MY FLESH SHALL I SEE GOD: Job says even though the maggots will destroy his body, he will still be resurrected to have a body of flesh, in which he will see God. When the Bible says that our body will return to dust; it is not describing how that happens, but what the end result will be. v25: SKIN WORMS: Maggots which will eat away the rotting flesh/decaying corpse. v26: AFTER MY SKIN WORMS DESTROY THIS BODY, YET IN MY FLESH SHALL I SEE GOD: Even though the maggots may eat up the body, I will get raised with a full body. MM says the Bible is not concerned HOW you get back to us but that you WILL get back to dust. Saying even though his body may go back to dust, when he gets raises, he is going to have a full body. God is not worried about the maggots eating up the flesh. What if a bird eats the maggot? Point: The Bible is not concerned how you get back to dust, but the fact that you will get back to dust. That's important if you ask the question, what are we supposed to do with bodies when they die?
Job 19:25		25 For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth:

Job 21:14-15	GH: Ungodliness	14 Therefore they say unto God, Depart from us; for we desire not the knowledge of thy ways. 15 What is the Almighty, that we should serve him? and what profit should we have, if we pray unto him? Talking about the times when the world was welcoming to the adversary and his policies of evil. MM says they are treasuring up wrath against the day of wrath-Romans 2:5. God is looking at this and His Justice is outraged that this is what the world is becoming. v14: THEY SAY UNTO GOD: This is what men are saying to God. v14: DEPART FROM US, FOR WE DESIRE NOT THE KNOWLEDGE OF THY WAYS v15: See this goes hand in hand with DENYing THE LORD THAT BOUGHT THEM-2 Peter 2:1. v15: AND WHAT PROFIT SHOULD WE HAVE IF WE PRAY UNTO HIM: What am I going to gain?
Job 23:12		12 Neither have I gone back from the commandment of his lips; I have esteemed the words of his mouth more than my necessary food. Job said I count this more valuable than my necessary food, more valuable than silver and gold. GH: How we should think about God's word.
Job 25:5		5 Behold even to the moon, and it shineth not; yea, the stars are not pure in his sight. THE STARS ARE NOT PURE IN HIS SIGHT: MM says the angels are often called stars in the Bible. That's the place of their habitation up in those physical stars.
Job 26:9		9 He holdeth back the face of his throne, and spreadeth his cloud upon it. Reference to when God stretched out the heavens.
Job 26:11	GH: Heaven : PILLARS OF HEAVEN / Day of Wrath	11 The pillars of heaven tremble and are astonished at his reproof. THE PILLARS OF HEAVEN TREMBLE AND ARE ASTONISHED AT HIS REPROOF: Will happen at the Day of Wrath out there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 26:13	GH: Heavenly Places = THE CROOKED SERPENT / Eternal Vocation	13 By his spirit he hath garnished the heavens; his hand hath formed the crooked serpent. SPIRIT: Small case S. Not talking about the 3rd person of the Trinity. GARNISHED THE HEAVENS: He garnished them with those constellations He just got through talking to you about. FORMED THE CROOKED SERPENT (constellation): Did when He stretched out the heavens but He doesn't stretch out the heavens until after the Flood. Didn't create the crooked serpent at the beginning because Lucifer hadn't fell at that time. At the creation of the earth, the Sons of God all shouted for joy-Job 37:8. Notice that God "formed" the crooked serpent. That is, when He stretched out the heavens, by His own Hand, He arranged that pattern in the heavens to be viewed from the earth. What if the serpent was outlined in the heavens to locate the exact places he erected his strongholds? And what if those strongholds were the lynchpins for the heavenly places? Don't you know that Satan wants to control and protect the most important areas of the heavenly places? And God deals with those places as strongholds of the adversary. They are places of spiritual darkness. So when you go out at night and look up in the sky to locate "the serpent," then you may well be looking at the very areas that are going to be thrown down and dismantled by the body of Christ.
Job 31:27		27 And my heart hath been secretly enticed, or my mouth hath kissed my hand: ENTICED: Worship the sun and/or the moon. MY MOUTH HATH KISSED MY HAND: Kissing was a sign of homage, whether to an idol or to God. If there were an object of worship that could not be approached, (such as the sun or the moon) kissing one's hand would stand as a symbol of worship, as if sending the kiss toward that object. MM says this is acting in denial of the True and Living God. This is idolatry.
Job 33:4		4 The spirit of God hath made me, and the breath of the Almighty hath given me life. GOD HATH MADE ME...GIVEN ME LIFE: You can say God is the GIVER OF LIFE-Genesis 2:7, but how is God the Giver of Life? He has created a natural process which allows children to be born. Normally, woman have built in them the ability for this natural process to take place so He is the Creator of the process to take place. He is the Creator of the process so He is ultimately the one that has done this. God has purposes for everything - getting married, having children. It is possible for evil men to come along and corrupt the purpose of any great design God has. GOD HATH MADE ME GIVEN ME LIFE God is BOTH the giver of life and children are the result of the natural reproductive process. Since He is the initiator of the process, He is the giver of life.

Job 37		GH: MM tying the Voice of the Lord to the sound of thunder and trumpets over several passages. v1: THE NOISE OF HIS VOICE: GH: MM tying the Voice of the Lord to thunder (Acts 9) or a trumpet (Revelation 1:10, Revelation 4:1). v1: THE SOUND THAT GOETH OUT OF HIS MOUTH: v4: HE THUNDERETH WITH THE VOICE OF HIS EXCELLENCY: v5: GOD THUNDERETH MARVELLEOUSLY WITH HIS VOICE: v4: HE THUNDERETH WIT HE VOICE OF HIS EXCELLENCY v5: GOD THUNDERETH MARVELOUSLY WITH HIS VOICE:
Job 37:18	GH: Third Heaven : MOLTEN LOOKING GLASS	18 Hast thou with him spread out the sky, which is strong, and as a molten looking glass? MOLTEN LOOKING GLASS: Prevents you from seeing into the third heaven (GH: bottom of Heaven?)
Job 37:18	Non-MBI	Waters represents 'the deep' in Genesis 1:2 or the body of water which now exists above the solar system. It is the frozen 'sea of glass' at absolute zero, described in Revelation 4:6 & 15:2. This is the deep freeze which Amana copied for a trade name. Dry ice burns like fire.
Job 38	IP / GH: Subtilty	Job 38: Have to have things like Job 38 in your mind when you get SUBTILTY in the Book of Ephesians. Not because you are going to be on this earth during the Day of Wrath, you're going to be in the heavenly places. Information for Israel to know, it's just not anything they're going to do. Just like you know Israel is going to be head of all nations but you won't participate in it. v1-7: God puts Job's attention on the earth.
Job 38:1-3	IP / GH: POE	1 Then the Lord answered Job out of the whirlwind, and said, 2 Who is this that darkeneth counsel by words without knowledge? 3 Gird up now thy loins like a man; for I will demand of thee, and answer thou me. God is going to ask Job some questions to get his thinking turned in the right direction. Unlike what most commentators write, God is not trying to dumbfound Job or to illustrate God's superiority over Job. See something about true, authentic, wise counsel; that it is one of the easiest things to counterfeit in the world. It is very easy for anyone to fake being "a man of understanding who has attained unto wise counsels." In fact, it happens every day. This is after his friends (GH: with their counterfeit wisdom) had been at it now for 30-something chapters, giving Job all of this council tell him everything they know to tell him. v2: God describes his 3 buddy's feedback as 'darkening counsel (making it worse) with words without wisdom'. MM says this is exactly what Satan will do in his POE. He will send you DARKENED COUNSEL and WORDS WITHOUT WISDOM for the purpose of getting you thinking the wrong way. Remember, godly thinking is the first aspect that you are supposed to have. God is not asking from the standpoint that I AM God and you are not and I know stuff that you don't know. He is asking Job questions about things Job knows some things about so that HE can get Job's thinking going in a different way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 38:1-3	IP / GH: POE	1 Then the Lord answered Job out of the whirlwind, and said, 2 Who is this that darkeneth counsel by words without knowledge? 3 Gird up now thy loins like a man; for I will demand of thee, and answer thou me. v2: This is what the POE seeks to do. It will "counsel" you with words that appear to be words of wisdom. But they will be "darkening counsel." v2: WHO IS THIS THAT DARKENETH COUNSEL BY WORDS WITHOUT KNOWLEDGE: MM says this is exactly what is going on here. They are not giviing WISE COUNSELS, they are giving darkening counsels, because they have WORDS WITHOUT KNOWLEDGE. God calls their counsel, as well intentioned as it may have been, "words without knowledge." People may say that's politically incorrect, they are just trying to help Job out the best they can - MM says they are playing into the hands of the POE here. They are giving the wrong counsel, the counterfeit counsel. They may not realize that. MM has been guilty of this - to turn churchs into a pop psychology, feel good, make this your best day, etc. like that's really what's supposed to be going on in here. That's nothing more than the counterfeit. MM says when you get out of SO and go further down the curriculum, will see this the same way He sees it. Job was thinking about things the way his friends thought about things. God is going to come along and ask a series of questions, these are things Job does know some things about. Purpose is to redirect Job's thinking. See Jesus in the scripture ask a question to redirect someone's thinking. What God is doing here in Job. v3: God telling Job that He is going to ask Job a series of questions that will direct Job's thinking in a particular way. v3: GIRD UP NOW THY LOINS LIKE A MAN: Figurative not literal. This is God speaking to Job. He is asking Job to stand up like a man and give an account of yourself.
Job 38:4-7	Divine Council = SONS OF GOD	4 Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding. 5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it? 6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof; 7 When the morning stars sang together, and all the sons of God shouted for joy? Before man came on the scene, God was doing some things. God created the angelic hosts. Rhetorical questions. Job was nowhere. There wasn't any man yet. Notice the building terminology. Job knows the earth actually does have foundations and God did actually stretch a line upon the earth. Job knows he wasn't around when God laid them, but he at least knows they exist. v4: THE FOUNDATIONS OF THE EARTH: Earth has foundations. v5: MEASURES THEREOF: God measured out this planet to be the exact size that it is. v5: STRETCHED THE LINE: Construction terminology.

Job 38:4-7	Divine Council = SONS OF GOD	4 Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding. 5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it? 6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof; 7 When the morning stars sang together, and all the sons of God shouted for joy? v6: FOUNDATIONS: God is not asking Job the question do you know the earth has foundations? God is assuming he knows that. Where were you - Job wasn't even around. God is making a point. Where are the foundations of the earth fashioned? v6: THE CORNER STONE: People who say 'the earth is a sphere, it doesn't have a cornerstone'. That would be a man who doesn't understand how God built this earth. Job knew where it was.
Job 38:4-7	Divine Council = SONS OF GOD	4 Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding. 5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it? 6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof; 7 When the morning stars sang together, and all the sons of God shouted for joy? v7: THE MORNING STARS SANG TOGETHER: MM says this is another part of the divine council. MM says don't over literalize this - this is talking about members of the spirit realm that hold offices in the Divine Council. All of the sons of God (angels) shouted for joy at the creation of the world. At the creation, all of the angels saw and rejoiced, including Lucifer. They saw God doing something and it caused their heart to rejoice. The angels saw this happening; when God laid the cornerstone of the earth. And when you get up there in the heavenly places, they expect you to know about all of this. v7: SONS OF GOD: In O.T., it is a reference to the angelic hosts. Records the SONS OF GOD shouted for joy at the creation. These are not “words of accommodation” or anthropopathisms. The earth has an actual corner stone and Job knew where it was. The earth actually does have foundations and God did actually stretch a line upon the earth.
Job 38:16-20	GH: Heavenly Places / Eternal Vocation	16 Hast thou entered into the springs of the sea? or hast thou walked in the search of the depth? 17 Have the gates of death been opened unto thee? or hast thou seen the doors of the shadow of death? 18 Hast thou perceived the breadth of the earth? declare if thou knowest it all. 19 Where is the way where light dwelleth? and as for darkness, where is the place thereof, 20 That thou shouldest take it to the bound thereof, and that thou shouldest know the paths to the house thereof? These are the places you are going to be functioning in when you get up in the creature. v17: GATES OF DEATH v17: DOORS OF THE SHADOW OF DEATH

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 38:16-20	GH: Heavenly Places / Eternal Vocation	16 Hast thou entered into the springs of the sea? or hast thou walked in the search of the depth? 17 Have the gates of death been opened unto thee? or hast thou seen the doors of the shadow of death? 18 Hast thou perceived the breadth of the earth? declare if thou knowest it all. 19 Where is the way where light dwelleth? and as for darkness, where is the place thereof, 20 That thou shouldest take it to the bound thereof, and that thou shouldest know the paths to the house thereof? v19: Place of darkness. There are places established in the heavenly places by Satan, building fortresses at certain points in the heavenly places. Those are some of the fortreses that are going to have to be dismantled before we can carry on our vocation. Specific kind of darkness. Not just talking about darkness in general. He is talking about a place of darkness set up by the adversary in those heavenly places. There is a path that leads to a house where darkness dwells. v19: AS FOR DARKNESS, WHERE IS THE PLACE THEREOF: Believes the house that Satan set up for himself is located somewhere in that (GH: Serpent?) constellation. Modern day books call it Hydra. God is asking Job if he knows the “paths” that lead to the realm of darkness where Satan has erected his fortresses. If anyone is ever going to deal with Satan and his plan of evil, you have to know the way to his fortresses and you have to be able to get up there. v20: TAKE IT TO THE BOUND THEREOF: There are boundaries associated with those places of darkness. v20: PATHS: In the heavenly places there are ways and paths. Can't just go anyway you want to go. There's a house where darkness dwells - Satan has put up a residence out there and somebody is going to tear that down.
Job 38:21-23	GH: Heavenly Places / Eternal Vocation	21 Knowest thou it, because thou wast then born? or because the number of thy days is great? 22 Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the hail, 23 Which I have reserved against the time of trouble, against the day of battle and war? Rhetorical questions - Job wasn't around then but Someone who was around then taught him. Job had never entered into the treasure houses of the heavens, but he knew they were there, he knew what was in them and he knew what they were for. God has, in those heavenly places, treasure houses - one of snow and one of hail. Not the kind you are used to. God poured out hail in Egypt during those plagues. Hailstones exceeding 100 lbs pounding everything to oblivion. A particular kind of hail. You will have control over those treasure houses. At certain times, you will be dispatching angels. God is not asking 'are they (GH: the treasure houses) there?', He is asking has Job ever entered into them. If you are going to enter into them, don't you have to know where they are? That's a pretty big place out there. Talks about things that are going to be used in the tribulation are waiting in STORE HOUSES in the heavens and we will be opening up those STORE HOUSES. We'll get control of those heavenly places and then Satan and his angels will be cast unto the earth. v23: TIME OF TROUBLE: Tribulation/Day of Wrath
Job 38:29-34	GH: Heavenly Places / Eternal Vocation	Context: You got God talking to Job about certain, specific constellations that are very significant in connection with the physical structure of the realm of heaven. God brings these out because of how they specifically affect the physical structure of the heavenly places and even how some have an impact upon the earth itself. You can see those constellations mentioned in the passage and the truth is, that is going to be the place of your vocation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 38:29	GH: Heavenly Places	29 Out of whose womb came the ice? and the hoary frost of heaven, who hath gendered it? FROST OF HEAVEN
Job 38:30	Non-MBI	30 The waters are hid as with a stone, and the face of the deep is frozen. PR: Waters represents 'the deep' in Genesis 1:2 or the body of water which now exists above the solar system. It is the frozen 'sea of glass' at absolute zero, described in Revelation 4:6 & 15:2. This is the deep freeze which Amana copied for a trade name. Dry ice burns like fire. FACE OF THE DEEP IS FROZEN: If the face of the deep was frozen, it would look like a sea of glass to John in Revelation.
Job 38:31	GH: Heavenly Places = ORION / Eternal Vocation	31 Canst thou bind the sweet influences of Pleiades, or loose the bands of Orion? Context: there are influences that the Pleiades have with regard to the dominion in the earth. You can't see them with your physical eyes, but they are there. And when the day of wrath comes and earth "reels to and fro like a drunkard" in which something will happen to Pleiades so that they no longer have their influences. Constellation ORION is in your Bible. If you loose the bands of Orion, you have gone to the central place in the creature where you could cause the whole creature to come down - like a keystone/load bearing piece. So when God asks Job, "can you loose the bands of Orion," those "bands are part of what is holding the entire thing together. Just as there are key areas that if you destroy them, you could bring an entire structure down, so there is in the heavenly places. When the heavens get rolled together, those bands are going to have to be loosed because the ordinances is what's holding everything in place. Those ordinances find themselves in key places. BANDS: Not language of accommodation. Something very specific regards to those stars.
Job 38:32	GH: Heavenly Places = MAZZAROTH / Eternal Vocation	32 Canst thou bring forth Mazzaroth in his season? or canst thou guide Arcturus with his sons? MAZZAROTH: The 12 Zodiac constellations. Science has found a 13th. MM says this is a furtherance of the corruption in the understanding of men that the adversary is pushing.Talking about the 12 major constellations that form what we call the Zodiac. MM says don't panic he is NOT talking about astrology, he is talking about astronomy. We don't use stars to foretell our future and they're not guiding what is happening in our lives. God put a story in the stars that described every thing about the Messiah from His birth to His coming back triumphantly and overcoming His enemies and setting up His Kingdom. It starts with Virgo (virgin birth) and follows it all the way back around to Leo (Like of the Trible of Judah). All the constellations in between are telling the story of the Messiah in the stars. Can tell from pictures of the stars and the names of the stars and what those names mean.

Job 38:33-34	GH: Heavenly Places = ORDINANCES OF HEAVEN / Eternal Vocation	33 Knowest thou the ordinances of heaven? canst thou set the dominion thereof in the earth? 34 Canst thou lift up thy voice to the clouds, that abundance of waters may cover thee? ORDINANCES OF HEAVEN: Talking about the very ligaments that tie that thing together. This is part of what you are going to be doing. Root word for ordinances is order. Ordinances are things that are ordered and arranged for a particular purpose. It is an arrangement of parts. That fits a structure or building perfectly. In other words, the "ordinances of heaven" refer to the "structure of heaven." The material apparatus that's going to allow His plan and purpose for the heavenly place to be carried out. Those things are held together by those ordinances. There's a reason it's Orion and Pleiades. It's the reason there are loosening the bands of Orion and binding the bands of Pleiaides. CANST THOU SET THE DOMINION THEREOF IN THE EARTH: That is alluding to the way in which the heaven and the earth will one day respond to each other.
Job 40:10	GH: GLORY Definition	10 Deck thyself now with majesty and excellency; and array thyself with glory and beauty. **WITH GLORY: God clothes Himself with glory, which MM takes to be honor.**
Job 41:1		1 Canst thou draw out leviathan with an hook? or his tongue with a cord which thou lettest down? LEVIATHAN: Another term for Satan. This is Satan being described in a particular realm of operation.
Job 41:9-10		9 Behold, the hope of him is in vain: shall not one be cast down even at the sight of him? 10 None is so fierce that dare stir him up: who then is able to stand before me? Not a man, but a supernatural being/entity.
Job 41:19-21		19 Out of his mouth go burning lamps, and sparks of fire leap out. 20 Out of his nostrils goeth smoke, as out of a seething pot or caldron. 21 His breath kindleth coals, and a flame goeth out of his mouth. Dragon terminology - seas and rivers are describing places that are deadly to you and not your normal habitat.
Job 41:22		22 In his neck remaineth strength, and sorrow is turned into joy before him. IN HIS NECK REMAINETH STRENGTH: Still talking about LEVIATHAN. If the man of sin is LEVIATHAN is the HEAD OF THE HOUSE-Habakkuk 3:13 and he's destroying the HEAD OUT OF THE HOUSE OF THE WICKED by discovering the foundations unto the neck. But here it says IN HIS NECK REMAINETH STRENGTH. So when God says I AM destroying the head of the house of the wicked by discovering the foundations until the neck, putting this together, the strength of this HEAD OF THE HOUSE is in the neck, the strength of Satan is the HEAD OF THE HOUSE is the man of sin, the antichrist. God isn't just saying I AM going to destroy the antichrist, he says I AM going to destroy THE HEAD OUT OF THE HOUSE OF THE WICKED-Habakkuk 3:13 all the way to the foundation of the neck that gives him his strength. Verse in Revelation substantiates this. There was a beast that received his power from somewhere. God is saying, I AM not just going to destroy Satan's man, I AM going to destroy the power sources of Satan's man, Satan himself. He is going to get them both.
Job 41:31		31 He maketh the deep to boil like a pot: he maketh the sea like a pot of ointment. All about a supernatural being that lives where you can't live.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Job 41:34	GH: Ungodly Thinking - Pride = CHILDREN OF PRIDE	34 He beholdeth all high things: he is a king over all the children of pride. HE IS A KING OVER ALL THE CHILDREN OF PRIDE: Lucifer functioning as Leviathian.
Psalms		{from non-MBI} Psalms (sets forth the 5 mandates of the Davidic covenant): Many are written by David. Where you find the 5 mandates of the Davidic covenant. The mandates are mentioned throughout the separate books the mandates map to the 5 books. Psalms: Divided into 5 Books and these 5 Books correlate/correspond to the 5 mandates of the Davidic covenant. 1. Redeemer - the Cross - The Redeemer in His redemption [1-41] 2. Deliverer - during the Lord's Day of Wrath - He delivers them in the tribulation - The Deliverer in His deliverance {42-72} 3. Avenger - during the Lord's Day of Wrath - avenges His Cause with Israel at the Second Advent when He returns in flaming vengence - The Avenger in His avenging {73-89} 4. King - set up of the Kingdom {90-106} 5. Blesser - set up of the Kingdom {107-150} All happen during the process of time in Israel's Program. MM says none of those are taking place in the present DOGG.
Psalms		Psalms: The superscription of Psalms (the little introductory thing at the beginning) are very important. Written to the believing remnant as part of their education out in the day of wrath. MM says doesn't this make perfect sense? Who is it that's going to have Him function as their Deliverer? They are the ones that are undergoing that. Point: The Psalms are prophetic. Even the Redeemer Book was written before the Cross. Written about the Davidic Covenent who God made the Covenant with and about the fulfillment of those mandates. Psalms: Pertains the the climactic stage in Israel's program and the fulfillment of the 5 mandates of the Davidic Covenant. Psalms: Are prophetic in nature. Deal with the 5 mandates of the Davidic covenant. There is the Redeemer concept that took place at the Cross and that's the first 41 Psalms. Then the rest of the Psalms are divided up into Deliverer, Avenger, King, and Blesser. It was also in the Psalm 2 that things would be happening right here (GH: public ministry of Jesus). Psalms: The Psalms were a part of the established music for Israel in the Old Testament (OT), and were used as a part of their religious practice.

Psalms	GH: IPF verse	Book ties to the Davidic Covenant: * Redeemer Book 1 Psalm 1-41 on the Cross (save His people from their sin) * Deliverer Book 2 Psalm 42-72 Tribulation (deliver His people) * Avenger Book 3 Psalm 73-89 Tribulation (avenge His cause with Israel) * King Book 4 Psalm 90-106 Kingdom * Blesser Book 5 Psalm 107-150 Kingdom The remaining mandates of the Davidic Covenant are nothing more than the actions of the Lord in taking the inheritance given to Him by the Father. By delivering the remnant of His people from the apostate nation and the devil, by avenging His cause with Israel, by setting up His Kingdom and reigning as King, and by blessing the uttermost parts of the earth through his people, the Lord obtains His inheritance. Let me put in one other way; the Lord obtains His promised inheritance by performing the final four mandates of the Davidic Covenant.

Psalm 2	GH: WoD Teaching	Shows the rejection at the Cross, the rejection in the extension of mercy, the day of wrath, and the kingdom. Gives the criteria for Satan to bring his MAN OF SIN in - 'let's cast God off'. They did that by Acts 7. What is He waiting for? Because the status of the world is now changed. Before Satan earned the right to bring his man into the world, God and His Son earned the right to deal with the world in the status of being reconciled to Him. First things first. The tribulation or Daniel's 70th Week cannot take place until the world is no longer being reconciled to God. The MAN OF SIN cannot come on the scene until the worl is no longer in the status of being reconciled to God. The antichrist can't make a 7-year covenant unless he is here before the start of the 7 years. How can you put the event that marks the end of reconciling in the middle of a time period that can't start until the other one ends?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 2	GH: IPF verse	v1-3: At the Cross. Peter quotes in Acts 4:25-28 v4: HE THAT SITTETH IN THE HEAVENS: v5: THEN SHALL HE SPEAK UNTO THEM IN HIS WRATH: v5: VEX THEM IN HIS SORE DISPLEASURE: When God speaks to them again (GH: at the restart of the Israel program), it will be in His "Sore Displeasure." v5: When He rises to once again speak to the nation in the last days of its program, He will speak to them in His wrath. He will then begin to function as the Deliverer for the faithful remnant, starting the process of taking possession of that which He has been given by the Father by exercising the remaining mandates of the Davidic Covenant. v7-9: During that time He is sitting at the Father's right Hand, the "decree" is made and the Lord Jesus receives the authority to possess His inheritance. v7-8: After the resurrection, a declaration is made and Jesus is given an inheritance that He gets when Israel's program resumes and He fulfills the remaining 4 mandates of the Davidic covenant.
Psalm 2	GH: IPF verse	v7: Declares that Jesus is the Son and in accordance with this decree, THOU ART MY SON; THIS DAY I HAVE BEGOTTEN THEE. In accordance with this decree, He is given everything for an inheritance. In view of the Son's functioning as Redeemer and the nation's leaders rejection of Him, a decree is given by the Father to the Son. v7: The decree that was made at the Lord's resurrection. This declaration is in view of the Resurrection. Don't confuse Him being His first-begotten and only begotten Son. These are two different issues talking about two different times. If you confuse them, you get Jesus as a created God somewhere in eternity past. He has always been. There's decree made on that day when He successfully functions as Redeemer and He is raised from the dead. v7: THOU ART MY SON; THIS DAY HAVE I BEGOTTEN THEE: This is what God the Father speaks to the Son after He fulfills the fist mandate on the Cross. Quoted in THOU ART MY SON, THIS DAY HAVE I BEGOTTEN THEE-Hebrews 1:5. v8: Because of this decree, He will get an inheritance. He will stand up and execute the remaining mandates of the Davidic covenant and take possession of the inheritance that was given to Him. That declaration is in view of the resurrection where Jesus was the "first begotten of the dead." v8: I SHALL GIVE THEE THE HEATHEN FOR THINE INHERITANCE: Spoken about in HE HATH BY INHERITANCE-Hebrews 1:4.
Psalm 2:1	GH: WoD Teaching	1 Why do the heathen rage, and the people imagine a vain thing? Both things happening in verse 1. If not Hebrew you are heathen/Gentile. PEOPLE are the Israelites. GH: MM teaching on the zeniths of Israel's ungodliness and the world's darkness just before the DOGG. HEATHEN: Gentiles - the world PEOPLE: Israel Quoted in Acts 4:25. Has already happened. When the world, with Israel, aligned itself against God. The world and the nation of Isreal join hands and ultimately they either don't know Him and they reject Him or they know Him and still reject Him. GH: The rest of Psalm 2 (post v1-3) happens in the day of Wrath.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 2:2	GH: WoD Teaching	2 The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, KINGS OF THE EARTH: Gentile rulers; the world. KINGS: Plural so you know you are talking about the world. Speak against God. RULERS: The RULERS of Israel. Speak against Jesus. They believe there is a God. Not a synonym of KINGS - rulers of Israel. Israel. TAKE COUNSEL TOGETHER: This is both groups. AGAINST THE LORD, AND AGAINST HIS anointed: When they both aligned with the adversary, the world of the ungodly became an adversarial world, it became a satanly world and all that happened when Stephen sees Jesus standing at the right hand of of the Father in Acts 7. THE LORD'S anointed: Jesus Christ His Son. Makes sense because a lot of the world doesn't know Him. ANOINTED: Jesus
Psalm 2:2	GH: WoD Teaching	2 The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, Two parts: 1. AGAINST THE LORD: God 2. AGAINST HIS anointed: Christ. MM says the world 'Christ' means anointed. He says anointed and not Christ because when they totally reject all 3 Members of the Godhead, Satan has earned the right to bring in his christ. They took counsel against God's anointed. This now gives him the green light to bring in his anointed and that's no small issue. Satan is the POWER OF DARKNESS, the one he is bringing on the scene is the PRINCE OF DARKNESS and he is setting him up in the land of Israel.
Psalm 2:3		3 Let us break their bands asunder, and cast away their cords from us. What they both want to do. Saying we (the Gentiles and the nation) are going to reject the Father and we are going to reject the Son. LET US BREAK THEIR BANDS ASUNDER, AND CAST THEIR CORDS FROM US: Basically saying we don't want anything to do with the LORD (God the Father) and we don't want anything to do with His Christ. BREAK THEIR BANDS ASUNDER: I don't want to be connected/tied down by that. Break their bands in pieces. MM says he sees the world saying I'm sick and tired of this idea about God restricting the things I want to do. The things that are tying us down. I don't have anything connecting me to God or Jesus Christ. MM says that is the way the world is moving and this will become politically correct. This is happening in apostate Israel just as it was happening in the world. THEIR: This is the LORD and His anointed, His Christ.
Psalm 2:4		4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. v4-5: GH: What happens at the end of this DOGG? MM says this is the we've seen over and over again (GH: Flood, Babel, etc.).
Psalm 2:5		5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure. SPEAK UNTO THEM IN HIS WRATH: Day of the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 2:6		6 Yet have I set my king upon my holy hill of Zion. What's after the day of the Lord? The kingdom.
Psalm 2:7		7 I will declare the decree: the Lord hath said unto me, Thou art my Son; this day have I begotten thee. THOU ART MY SON, THIS DAY HAVE I BEGOTTEN THEE: This is said in reference to the Resurrection. Argument in grace circles that maybe Jesus wasn't a Son till the Resurrection but MM doesn't see it that way.GH: Quoted in Acts 13:33.
Psalm 2:8		8 Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Jesus promised He would be given the uttermost parts for an inheritance. INHERITANCE
Psalm 2:12		12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him. Saying you better come back and worship Him. You better show Him reverence for who He is. You better act like He is the One that you have in your heart. in your mind. KISS: Kissing was a sign of homage, whether to an idol or to God.
Psalm 5:4	IP : Godly Thinking / GH: WoD Teaching	4 For thou art not a God that hath pleasure in wickedness: neither shall evil dwell with thee. It's in the Redeemer section of the Psalms but makes reference to the King. We are being taught to how to view the world while He is being LONGSUFFERING. They are being taught how to view the workd while His wrath is being poured out. MM says they are looking at this for the same reason we are looking at this - this is meant to form a godly disdain and abhorence for Satan's WORKS OF DARKNESS-Romans 13:12 and ungodliness that it is provoduing in the world. When we think about it the way our Father does, that's godly thinking that He is trying to get generated in us. FOR THOU ART NOT A GOD THAT HATH PLEASURE IN WICKEDNESS: Everyone agrees that God is not a God that has pleasure in wickedness. They are supposed to look at this in the Day of Wrath is realize He is not a God that takes pleasure in wickedness. NEITHER DOES EVIL DWELL WITH THEE: MM says in the old days, he would have read this as a repetition of the first part, he just said it in different words. There is a day coming that God will DWELL in the midst of His creation in the Kingdom and this kind of evil will not DWELL with Him there. If EVIL is not going to DWELL with Him, this is after the Wrath because in that Wrath, God is going to have to deal with that EVIL because He is not going to allow it to DWELL with him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 5:5	IP : Godly Thinking / GH: WoD Teaching	5 The foolish shall not stand in thy sight: thou hatest all workers of iniquity. THE FOOLISH SHALL NOT STAND IN THY SIGHT: Talking about the end result of all of this. THE FOOL HATH SAID IN HIS HEART THERE IS NO GOD-Psalm 14:1. MM says that are not going to make it through the Day of Wrath, they are going to be dealt with. THOU HATEST ALL WORKERS OF INIQUITY: This is how He feels about it. This is His attitude toward it. MM says when the remnant read this, they are going to look at that and they're going to say this is how God feels about it and this is how we have to feel about it because GH: of the adoption. INIQUITY: The term God used to describe the offensiveness of sin and unrighteousness and ungodliness. It is such an offence to God that His immediate desire is to reach out and exterminate it.
Psalm 5:6	IP : Godly Thinking / GH: WoD Teaching	6 Thou shalt destroy them that speak leasing: the Lord will abhor the bloody and deceitful man. This is the way God feels about this, this is the way I have to feel about this. If they don't look at the evil and the ungodliness of the world, they don't look at these workers of iniquity the way God does, their attitude will be 'well, that's OK'. And if this is how you think about it, this won't work in you the way it's supposed to and you can't have an impact on Satan (GH: MM teaching on Romans 13:12). LEASING: MM jokes the Avis people are in real trouble. THE LORD WILL ABHOR THE BLODDY AND DECEITFUL MAN: There will be wicked men that will actually get involved in promoting all the ungodliness that is going on. But notice this is MAN - singular. This is the guy He is waiting on (GH: God waiting for this guy to show up on the scene before starting to deliver the remnant in the Day of Wrath). ABHOR: MM mentions seeing this in Romans 12:9.
Psalm 5:8	IP : Godly Thinking / GH: WoD Teaching	8 Lead me, O Lord, in thy righteousness because of mine enemies; make thy way straight before my face. There are enemies of the remnant and it's these enemies that are the wicked that the remant is going to encounter out in the Day of Wrath. MM says it is the WICKED that are pushing THE WORKS OF DARKNESS-Romans 13:12 and increasing the ungodliness of this world.
Psalm 6:2	IP : Suffering Type 1 of 3 : Physical Things = HEAL ME; FOR MY BONES ARE VEXED	2 Have mercy upon me, O Lord; for I am weak: O Lord, heal me; for my bones are vexed. **3 examples of suffering in Israel's program.** **First: Physical things - HEAL ME; FOR MY BONES ARE VEXED** **Second: Adversary/Enemy (Psalm 9:13)** **Third: Grief (Psalm 31:9)**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 8	GH: IPF verse	v5: This is describing the process that took place from the crucifixion to the exaltation at the Father's right Hand. v5: THOU HAST MADE HIM A LITTLE LOWER THAN THE ANGELS, AND HAST CROWNED HIM WITH GLORY AND HONOUR: Is describing the process that took place from the crucifixion to the exaltation at the Father's right hand. Ties to JESUS, WHO WAS MADE A LITTLE LOWER THAN THE ANGELS-Hebrews 2:9. v5: MADE HIM A LITTLE LOWER THAN THE ANGELS: When He suffered death on the Cross and became the sin bearer. v5: LOWER THAN THE ANGELS: When He suffered death on the Cross and became the sin bearer. v5: HAST CROWNED HIM WITH GLORY AND HONOUR: After His resurrection when He ascended on high and was exalted at the Father's right hand, receiving to Himself His inheritance. v5: CROWNED HIM WITH GLORY AND HONOUR: He was subsequently "crowned with glory and honor" after His resurrection when He ascended on high and was exalted at the Father's right hand, receiving to Himself His inheritance. v6: MADEST HIM TO HAVE DOMINION: v6: ALL THINGS: Ties to ALL THINGS-Hebrews 2:8. v6: UNDER HIS FEET:
Psalm 8:1-2	GH: GLORY Definition	1 O Lord, our Lord, how excellent(=majestic) is thy name in all the earth! who hast set thy glory above the heavens. 2 Out of the mouth of babes and sucklings hast thou ordained strength because of thine enemies, that thou mightest still the enemy and the avenger. Cross-reference Matthew 21:12-17 **SET THY GLORY: Glory can be God's presence.**
Psalm 8:4-6		4 What is man, that thou art mindful of him? and the son of man, that thou visitest him? 5 For thou hast made him a little lower than the angels, and hast crowned him with glory and honour. 6 Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet: v6: Dominion is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion.
Psalm 8:5	GH: GLORY Definition	5 For thou hast made him a little lower than the angels, and hast crowned him with glory and honour. Talking about creating man. **CROWNED HIM WITH GLORY: There is an inherent glory which comes from being created in God's image.**
Psalm 9:4	GH: PoA verse	4 For thou hast maintained my right and my cause; thou satest in the throne judging right. Point: To sit on a throne is to have the ability to make wise judgments. It is through Paul's epistles that we have godly wisdom installed in us so we can make godly judgments. JUDGING RIGHT: Making right, judgmental decisions.
Psalm 9:7-8	GH: PoA verse	7 But the Lord shall endure for ever: he hath prepared his throne for judgment. 8 And he shall judge the world in righteousness, he shall minister judgment to the people in uprightness. Point: To sit on a throne is to have the ability to make wise judgments. It is through Paul's epistles that we have godly wisdom installed in us so we can make godly judgments.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 9:13	IP : Suffering Type 2 of 3 : Adversary/Enemy = GATES OF DEATH	13 Have mercy upon me, O Lord; consider my trouble which I suffer of them that hate me, thou that liftest me up from the gates of death: 3 examples of suffering in Israel's program. First: Physical things (Psalm 6:2) Second: Adversary/Enemy - GH: GATES OF DEATH? Third: Grief (Psalm 31:9)
Psalm 10:1	GH: WoD Teaching	1 Why standest thou afar off, O Lord? why hidest thou thyself in times of trouble? Picks up what He told us in Psalm 5:1-6 and adds some detail. Notice the repetition of the pattern. MM says they are looking at this for the same reason we are looking at this - this is meant to form a godly disdain and abhorence for Satan's WORKS OF DARKNESS-Romans 13:12 and ungodliness that it is provoduing in the world. When we think about it the way our Father does, that's godly thinking that He is trying to get generated in us. This is the remnant. These are things they will say out there in the Day of Wrath. God is supposed to deliver them in the Day of Wrath but at the beginning, He doesn't deliver them. There are reasons they need a time of suffering: - Group: to separate the wheat from the chaff - This is part of their education - as they undergo the suffering, there is a period of time, MM says he is not telling you the number of days or weeks or months, but there's a period of time in which they are not being delivered and they are expecting to be delivered and making statements like v1.
Psalm 10:1	GH: WoD Teaching	1 Why standest thou afar off, O Lord? why hidest thou thyself in times of trouble? Point: This is what takes place in the beginning and just like we are suffering some things in the DOGG that allow us to be MORE THAN CONQUERORS-Romans 8:37, it's got to happen with them too. They have to have this concept built in them. - The man of sin has to be revealed - it's a time issue MM says this is another one of those times where the remnant was saying why isn't God delivering us? What is happening here? They are going to be wondering why God is not delivering them and there were two reasons, two things, that are going on there. We're counting on him to deliver us and we're saying that God is going to deliver us and then suddenly He doesn't. MM says see the PRIDE in this passage - I don't need to do anything different, I'm never going to have trouble. This is being said in reponse to the remnant crying out we're in trouble Lord, where are you? And the wicked are saying, everything is going my way. Transitions from the remnant in v1 to the WICKED in v2.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 10:2	GH: WoD Teaching: PRIDE OF LIFE	2 The wicked in his pride doth persecute the poor: let them be taken in the devices that they have imagined. THE WICKED IN HIS PRIDE DOTH PERSECUTE THE POOR THE WICKED IN HIS PRIDE: He (the antichrist) thinks he is going to get away with it. He's been successful at what he wants to do. MM says think about people you've seen who have deceived themselves about their condition. God is luring them in to their own deceit. They are thinking, 'this is working'. THE WICKED: Are the movers and the shakers behind the POE, they're the ones that are stoking the engine, they're the ones that are increasing the ungodliness of the world, they're the ones that are promoting, they revel in it, they love it, they devoted themselves to it. And because if this they PERSECUTE THE POOR. PERSECUTE THE POOR: Not about finding people with no money and persecuting them. Description of the remmant being persecuted. THE POOR: They had to leave everything. MM says remember the admonition in Matthew - don't go back when you see the abomination of desolation spoken by Dappas (GH: ?) the prophet...flee into the mountains. Plus if you need the mark of the beast to transact, you have lost the ability to feed yourself or clothe yourself. God is going to have to miraculously feed them with manna again out there.
Psalm 10:3	GH: WoD Teaching	3 For the wicked boasteth of his heart's desire, and blesseth the covetous, whom the Lord abhorreth. Telling them God's attitude toward this. All the more reason to ask the questions in v1. THE WICKED BOASTETH OF HIS HEART'S DESIRE: Another issue of pride. BLESSETH THE COVETOUS BLESSETH: To 'bless' something means to say good things about it. COVETOUS: MM says we just read in Romans 13. WHOM THE LORD ABHORETH: The Lord doesn't like this at all.
Psalm 10:4	GH: WoD Teaching: PRIDE OF LIFE	4 The wicked, through the pride of his countenance, will not seek after God: God is not in all his thoughts. THE PRIDE OF HIS COUNTENANCE, WILL NOT SEEK AFTER GOD, GOD IS NOT IN ALL HIS THOUGHTS: **It is PRIDE that keeps a man from God and keeps God out of his thoughts**. It is pride that is going to make him function out of the DARKNESS. It is pride that going to disintegrate the word from having any effect in him.
Psalm 10:5	GH: WoD Teaching: PRIDE OF LIFE	5 His ways are always grievous; thy judgments are far above out of his sight: as for all his enemies, he puffeth at them. OUT OF HIS SIGHT: GH: The prideful man doesn't see God's statutes and JUDGMENTS at all. HE PUFFETH: MM says this is the antichrist but can be applied to the wicked at that time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 10:6	GH: WoD Teaching	6 He hath said in his heart, I shall not be moved: for I shall never be in adversity. I SHALL NOT BE MOVED: FOR I SHALL NEVER BE IN ADVERSITY: The people in league with the antichrist think they will avoid adversity because of all the things they have been doing, God hasn't poured out His wrath upon them yet. And the remnant is going to be going 'God where are you?'. This is the argument that is going to be made to get the remnant to doubt what they believe about the doctrine. They will tell them, we are not in trouble, we are not wrong, you need to change your thinking. MM says after a while, would make a person think maybe they are right. **MM says the remnant needs to understand this and so do we - you will not be able to base your doctrine of the truth your understanding of the truth, on your circumstances. You can't look at what's happening around you. There's only one place you can determine the Truth and it is right here in God's word. The WoD category of THE PRIDE OF LIFE/prideful thinking is doing away with that. If that gets done, they have nothing to turn to now, except the deception, except the untruth**.
Psalm 10:8	GH: WoD Teaching	8 He sitteth in the lurking places of the villages: in the secret places doth he murder the innocent: his eyes are privily set against the poor. THE POOR: Not just talking about people who don't have much income, he's talking about the remnant. They have lost everything and you can't buy & sell without the mark.
Psalm 10:10-11	GH: WoD Teaching	10 He croucheth, and humbleth himself, that the poor may fall by his strong ones. 11 He hath said in his heart, God hath forgotten: he hideth his face; he will never see it. He is thinking God's thrown in the towel, we won this.
Psalm 11:1	GH: WoD Teaching	1 In the Lord put I my trust: how say ye to my soul, Flee as a bird to your mountain? If you are in the extension of mercy, you are looking forward to the Deliverer and Avenger aspects of the Davidic Covenant. That's what this Psalm is doing. PUT IN MY TRUST: This is the remnant. FLEE AS A BIRD TO YOUR MOUNTAIN: This is phrase that the apostate nation mockingly refers to the believing remnant. When they say this, what is in their mind is that they are holy and righteous and it's the believing remnant that is the ungodly sinners. They are saying this that way because they think the remnant might run to the mountain but they will not escape the judgment of God. You are going to be found out and punished. Because we (the apostate nation) are righteous. MM says if someone wasn't firmly grounded, they would start to have second thoughts. MM tying to Jesus telling His disciples FLEE INTO THE MOUNTAINS-Matthew 24:16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 11:2	GH: WoD Teaching	2 For, lo, the wicked bend their bow, they make ready their arrow upon the string, that they may privily shoot at the upright in heart. THE WICKED BEND THEIR BOW: Now he is going to start making it plural and the pronouns are going to go that way. THE WICKED: There's a number in apostate Israel that will be in this group. THAT THEY MAY PRIVILY SHOOT AT THE UPRIGHT IN HEART: The way this is structured tells you about the kind of attack this is. This attack is meant to discourage the remnant and it is meant to make them regret evern being part of it. It is made to make them think that they made a mistake and they should have never gotten involved in this. MM says related to this is one of the attacks of the adversary is to make you sorry that you were ever a part of a Sonship church. That attack is meant to plant doubt and destruction in you so you look at this and go I don't know why I was thinking this, I need to go back to the old way. You will be given doctrine that will be your defense mechanism against those attacks. MM says if you read on down, these are God's enemies and they are after the remnant here.
Psalm 11:4	GH: WoD Teaching	4 The Lord is in his holy temple, the Lord's throne is in heaven: his eyes behold, his eyelids try, the children of men. HIS EYELIDS TRY THE CHILDREN OF MEN: This phrase shows we have shifted from the apostate nation of Israel to the world. There are two reasons why he talks about THE CHILDREN OF MEN and they're being persecuted by the world (remember we are still talking about the remnant). Not all of the attack is from apstate Israel: 1. When they get scattered, some of them will be scattered to the other nations of the world. Those nations are going to come to a decision point about how they're going to treat those members of the remnant who have fled. Many are going to choose to persecute them and even turn them over. 2. When they flee to the mountains and warned not to go back get anything out of your house because the window of opportunity to escape is small, some of them will not make it and they'll be taken captive and exported to other Gentile nations of the world to suffer persecution. It's not just I have to worry about apostate Israel, if you are a member of the believing remnant, it's that I also have to worry about where I'm living in the world or if I've been taken captive, where I'm going to go and how I'm going to be treated there. All of that is something that the remnant is going to have to deal with.
Psalm 11:5	GH: WoD Teaching	5 The Lord trieth the righteous: but the wicked and him that loveth violence his soul hateth. THE WICKED: Men that will stand up and publically proclaim themselves to be opposed to God and they will purposefully and consciously align themselves with the adversary and the promotion of his POE. In the old days, we'd read this and say oh, this is people who do bad things in general. This is a group of people who are pushing and increasing and promoting the POE that Satan is going to be perpetrating against the remnant. There that same group in the DOGG, when a person in a Sonship assembly gets to that place, they're going to encounter that same issue. HIS SOUL HATETH
Psalm 12:6-7		6 The words of the Lord are pure words: as silver tried in a furnace of earth, purified seven times. 7 Thou shalt keep them, O Lord, thou shalt preserve them from this generation for ever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 14		Alerting the remnant about the persecution that they're going to get from the world at large. In addition to the persecution they're going to get from the apostate nation. Building on Psalm 11, giving you additional information.
Psalm 14:1-4		1 The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good. 2 The Lord looked down from heaven upon the children of men, to see if there were any that did understand, and seek God. 3 They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one. 4 Have all the workers of iniquity no knowledge? who eat up my people as they eat bread, and call not upon the Lord. v1: THE FOOL HATH SAID IN HIS HEART THERE IS NO GOD: We usually ascribe this to every atheist. MM says this is not untrue, but it's not really just talking about the general athieists out there. They are included but it goes beyond that. This is focusing on this group that is actually tearing down the defensive doctrine of the remnant. GG: MM tying to 2 Peter 2:1-DENYING THE LORD THAT BOUGHT THEM. He says this because he has no understanding. The chief thing people are ignorant of is God Himself. They do not know Him or the truth about Him. They are ignorant of His character, His being, His glory, His purposes, His dispensations, His will and His attributes. The man whose understanding is darkened, the bible calls foolish. A foolish man is a man who lacks understanding, a man who does something because he does not know better, he blunders into things without thinking. He lacks understanding. v1: NONE THAT DOETH GOOD: Didn't we read this in Romans 3? v2: CHILDREN OF MEN: Gentiles. Cycling back to the Psalm 11:4 reference to this and adding more detail. God looks down on the children of men and none that did understand and seek God, none righteous.
Psalm 14:1-4		1 The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good. 2 The Lord looked down from heaven upon the children of men, to see if there were any that did understand, and seek God. 3 They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one. 4 Have all the workers of iniquity no knowledge? who eat up my people as they eat bread, and call not upon the Lord. v3: THEY ARE ALL GONE ASIDE: Turned back; not going in the direction God intended. v3: NONE THAT DOETH GOOD: Didn't we read this in Romans 3? Psalm is talking about Gentiles. v4: WORKERS OF INIQUITY v4: WHO EAT UP MY PEOPLE AS THEY EAT BREAD: Remember their goal is to swallow up Israel. This is the concept. They consume them off the earth.

Psalm 14:1-4		1 The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good. 2 The Lord looked down from heaven upon the children of men, to see if there were any that did understand, and seek God. 3 They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one. 4 Have all the workers of iniquity no knowledge? who eat up my people as they eat bread, and call not upon the Lord. THESE WORKERS OF INEQUITY EAT UP MY PEOPLE AS THEY EAT BREAD: Babylonian captivity. Ps 14 & 53 are a chance to see a light the dispersion of Israel in Assyria and Babylon that they didn't see before. Begin to call upon the Lord and seek God (at a minimum God consciousness). Continued from Babylonian Captivity till the 1-year extension of mercy and the 3rd offer to Israel (Stephen's stoning). Why this Psalm is in the Redeemer book and the Deliverer book (Psalm 53 - Day of wrath next after the Stephen stoning). God gave Israel an opportunity and they blew it and got spewed out of the land and came under the 5th cycle of judgment. God gave the Gentiles when the light was in their midst and they would not respond to that light.
Psalm 14:5		5 There were they in great fear: for God is in the generation of the righteous. THE GENERATION OF THE RIGHTEOUS: Group says Job, David, little flock that follow Jesus, believing remnant out in the Day of Wrath. It's not about a period of time, it is about a group of people. The Lord has a generation. And then there's a generation that is NOT His.
Psalm 14:7		7 Oh that the salvation of Israel were come out of Zion! when the Lord bringeth back the captivity of his people, Jacob shall rejoice, and Israel shall be glad. MM tying to Romans 11:26-SO SHALL ALL ISRAEL BE SAVED. Two times when God talks about bringing back His people from captivity: 1. Babylonian Captivity - this is not talking about that because what is sitting at the end of the verse. When they came out of the Babylonian captivity, most did not even want to go back to Israel. Only a remnant went back. Remember Nehemiah was on the wall building. 2. Scattered again in the day of Wrath and at the Second Advent, the Lord will gather them from the four corners of the earth and bring them back into the land and establish his kingdom with them. When He does that, Jacob shall rejoice and Israel shall be glad.that the salvation of Israel were come out of Zion! when the Lord bringeth back the captivity of his people, Jacob shall rejoice, and Israel shall be glad. When salvation comes out of Zion and delivers us and when the Lord brings back the captivity of the people, when they return back to the land, that will be a time that we rejoice and are glad. In the Day of Wrath, these are the things they are looking for. OH THAT THE SALVATION OF ISRAEL WERE COME OUT OF ZION: The Deliverer concept. BRINGETH BACK THE CAPTIVITY OF HIS PEOPLE: The Avenger concept.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 15	GH: IPF verse	See an outline of the Sermon on the Mount (Matthew 5 - 7). v1: Begins with who will have the privilege of residing in two particular places that associated with the royalty of the King. When the Kingdom is established, there are going to be two primary places of the Lord's residence. One of those will be the New Jerusalem (thy holy hill) and the other is the temple (tabernacle). The New Jerusalem will come down and just north of there will be the Sanctuary of the Millennial Temple. The Lord will go back and forth between the two depending on what business of the Kingdom is being carried out. Some of the people are going to be privileged with being able to dwell in one of these places; some in one and some in the other. The reward issue. v2-5: Answer to the questions in v1. This is a reward that given for a certain conduct and behavior. And these are the very issues the Lord deals with in the Sermon on the Mount. All of these issue stand in contrast to Israel's vain religious system. v4: HE THAT SWEARETH TO HIS OWN HURT, AND CHANGETH NOT: Even if it is going to be detrimental, if he is sworn to this, he stays by it.
Psalm 16:10		10 For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption. Psalms (16:10) predicted and it is repeated in the Book of Acts (2:31) that Christ's body would not leave His soul in hell, neither would He allow His body to see corruption. Read and think His body didn't rot at all during those 3 days. His body didn't corrupt away like we nornally think of it, but that's not the issue with corruption. That's a by-product of corruption. You see your physical body corrupting but sin corrupts your body as well. Not just your body is going to get older or it will waste away when it is dead, it is much more than this. On the Cross 6 hours. Let's talk 3 days and 3 nights. Resurrection was a snap of the fingers. Not down in the heart of the earth (spirit & soul, not in body - it's in the tomb) playing checkers, He is doing a couple things: 1. Contending with the adversary for the keys to death and hell. 2. Sin tried to worm it's way into Jesus' body in the tomb, that's what it does with everybody, so when the body comes back at the Resurrection, He would have had sin in His members. Sin failed to corrupt the body of Jesus in the tomb while His soul & spirit were in the heart of the earth (before He goes to the Cross, no sin in Jesus. Not a sin bearer when He gives up the Ghost.). Has to do with the corruption that sin seeks to have on your mortal body. Because you are identified in His death, your old man is crucified. There is something you are identified with in His burial - has to do with the corruption issue. Bible said Jesus spent the 3 days and 3 nights in the heart of the earth. Jesus took on all the sins of the world on the Cross - was completed when He says 'It is finished'. Satan wants to kill Him before so that when that soul and spirit leave that body, it's under the condemnation of sin. If that happens, there's no resurrection. But He finishes that, God pours out His wrath the last 3 hours He is on that Cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 16:10		10 For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption. When He bears and suffers the whole wrath of God against sin and then He says it is finished, and now HE gives up the ghost. Jesus body didn't decay in the tomb because it didn't corrupt. Not the same thing. One is a by-product of the other. Sin wanted to corrupt that body so that Jesus would have had sin in His members and therefore that body would have begun to decay and be like every other body. Because sin was trying to corrupt the body of Jesus, and as a by-product of that, cause the body to decay, in that sense, there would have been no Resurrection. Two of Four opportunities that sin was trying to take advantage of to get its way in the physical body of Jesus: 2. DURING HIS MINISTRY: David is told in the covenant that is made to him that God is going to inflesh Himself through his Son in the line and the seed of David and he is going to resurrect that Man and put Him on David's throne in the Kingdom. David is shown clearly in the Davidic covenant that God is going to put deity into human flesh, He is going to be Israel's Christ or Messiah, as proof he is deity, God is going to raise Him from the dead and show Him as a resurrected Lord and sit on David's throne in the Kingdom. That's the promise that's made. 4. IN THE TOMB: 'neither wilt thou suffer thine Holy One to see corruption'. That's not going to happen. Sin gets 4 swings and misses each time. THOU SHALT NOT LEAVE MY SOUL IN HELL, NEITHER ALLOW THY HOLY ONE TO SEE CORRUPTION: Resurrection prophecy. After the Cross, now have proof of His Messiahship - The Resurrection - subject of prophecy.
Psalm 17:7	GH: Lovingkindness of the Lord verse	7 Shew thy marvellous lovingkindness, O thou that savest by thy right hand them which put their trust in thee from those that rise up against them. THY MARVELLOUS LOVINGKINDNESS LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 18:3		3 I will call upon the Lord, who is worthy to be praised: so shall I be saved from mine enemies. SAVED FROM MINE ENEMIES: This SAVED is talking about his enemies not overcoming him, not being victorious over him. It is not being saved from the attack, but saved from the intention of the attack. GH: MM showing SAVED and DELIVERED can be used interchangeably in some cases. Not saved from the attack, saved from the affects of the attack.
Psalm 18:17		17 He delivered me from my strong enemy, and from them which hated me: for they were too strong for me. Describing a member of the BR who is not a HYPOCRITE. HE DELIVERED ME THE LORD REWARDED ME ACCORING TO MY RIGHTEOUSNESS: Don't confuse salvation with REWARD. RECOMPENSED ME NIT WICKEDLY DEPARTED KEPT MYSELF FROM MINE INIQUITY RECOMPENSED ME

Psalm 18:25-26	EJP (Equivalent Justice Principle)	25 With the merciful thou wilt shew thyself merciful; with an upright man thou wilt shew thyself upright; 26 With the pure thou wilt shew thyself pure; and with the froward thou wilt shew thyself froward. EJP (Equivalent Justice Principle): Issue of sowing and reaping, do unto others. The way you do it, that is the way it is going to be done to you. In the 5th installment, whatever you do, I AM going to do back to you. There's a bit of this in the DOGG. This is a principle the believing remnant needs to understand. There's a splash of this in Paul's letters.
Psalm 18:27		27 For thou wilt save the afflicted people; but wilt bring down high looks. HIGH LOOKS: Pride
Psalm 18:49		49 Therefore will I give thanks unto thee, O Lord, among the heathen, and sing praises unto thy name. Referenced in Romans 15:9.
Psalm 19:1-6		GH: MM tying to SUN OF RIGHTEOUSNESS-Malachi 4:2, where the sun is used to describe some characteristics of the Lord Jesus Christ. v1: There's two things the creation itself is telling everyone. 1. the Glory of God 2, His Handiwork v2: The equivalent of somebody talking. See the sun during the day. v3: Doesn't matter what they speak in their language, they understand these two things in v1. MM says a man can educate himself enough that he can talk himself out of them but he was born with them and there's a reason for that. v4: SUN: Sun used metaphorically to talk about Christ and some aspects of His Kingdom.
Psalm 19:1-4		GH: God Consciousness
Psalm 19:1		1 The heavens declare the glory of God; and the firmament sheweth his handywork. THE HEAVENS DECLARE THE GLORY OF GOD; AND THE FIRMAMENT SHEWETH HIS HANDIWORK: MM says all of creation speaks to the GLORY OF GOD, and that is just the things we know and we see. Doesn't think we have scratched the surface. There are things that are going to be happening with us. THE HEAVENS DECLARE THE GLORY OF GOD: The creation declares the glory of God directly, and it declares His righteousness which indirectly manifest His glory. In both ways, directly and indirectly, the creation reveals God’s glory. The very heavens testify to the GLORY OF GOD. When man tramples on God's Glory by assigning evolution to the creation instead of the Creator, they are trampling on God's Glory. THE GLORY OF GOD: See the Glory of God in what He has done. Here's the creation DIRECTLY revealing/revelation the glory of God. GH: Compare to Psalm 97:6-indirectly.
Psalm 19:5	Non-MBI	5 Which Is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. PR: Picture of Christ
Psalm 21:5	GH: GLORY Definition	5 His glory is great in thy salvation: honour and majesty hast thou laid upon him. **Glory is used in a similar way for David (his exalted position) as Joseph in Genesis 45:13.** David is talking about his exalted position.

Psalm 22 - 24	GH: GPPI/EoM verse	Cover all 5 mandates of the Davidic covenant. See a doctrinal progression through these three psalms with regard to the Davidic Covenant.
Psalm 22		v11-21: MM says it is easy to look back retrospectively and say, yeah, he is describing things that go along with crucifixion, but not sure how much Satan would know about that. v12: BULLS HAVE COMPASSED ME: The BULLS are the religious leaders of the nation. v13: AS A RAVENING AND A ROARING LION v16: DOGS HAVE COMPASSED ME v16: THE WICKED v21: THE LION'S MOUTH
Psalm 22	GH: GPPI/EoM verse	Starts out with a description of the crucifixion. MM says there are things you already know in your mind that will allow you to get a fix on this right off the bat. v1-21: David writing a prophecy of the crucifixion before the method of crucifixion was invented. Starts out with the redemptive work that sets the stage for the remaining mandates to be fulfilled. The word crucifixion is not used but the depiction certainly is. v1: Subscript is A PSALM OF DAVID. Important because David is writing this Psalm and God is revealing some things here that are very important. v1: MY GOD, MY GOD, WHY HAST THOU FORSAKEN ME?: Recognize this statement as being made by the Lord Jesus during the three hours of darkness when He was upon the Cross. v14-18: Describes the suffering of Jesus. Talks about the things about crucifixion centuries before it was invented. See the predictive nature of what is going on here. These are not just poetic phrases - don't lose what it has to do with the doctrine. v16: Has the piercing of His Hands and Feet, v18: CAST LOTS UPON MY VESTURE: Predicts what soldiers would do to His garments.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 22	GH: GPPI/EoM verse	v19-21: See the Lord's prayer for deliverance. Things Jesus was praying when He was on the Cross during the 3 hours of darkness bearing the sins of the world and Satan was attempting to kill Him while He was the Sin Bearer. Before God's righteous justice was satisfied and Jesus said 'It is finished' and then He gave up the ghost. Jesus functioning as the Redeemer, the first mandate of the Davidic covenant. MM says this is about the Lord, we've see Him on the Cross. At the end of that, they pierced His Hands and His feet, then 3 hours of darkness, deliver Me from the sword and from the dog and from the lion's mouth. The prayer of Jesus on the Cross. v19: BE NOT THOU FAR FROM ME: v19: O LORD: Capital L - Capital O - Capital R - Capital D - Jehovah. This is Him praying to the Father. v20: DELIVER MY SOUL: v21: SAVE ME FROM THE LION'S MOUTH: Has to do with the adversary. v22-25: See how once the redemption was accomplished on the Cross, the Lord begins to deal with that “seed” or “remnant” in a particular manner.
Psalm 22	GH: GPPI/EoM verse	v22: EoM prophecy. The remainder of the psalm speaks of what Jesus would do following the deliverance for which he prayed. See a description of what will take place once Jesus has successfully functioned as Israel’s kinsman Redeemer. The events we have been looking at in the first eight chapters of Acts are referred to in the part of the psalm. See references all the way to the kingdom being established on the earth. v22: MY BRETHREN: About the treatment of “his brethren.” v22: BRETHREN: The believing remnant of Israel. v27-28: Kingdom prophecy. Everyone in the world won't turn to the Lord until the kingdom. v27: This has never happened nor is it happening now. v28: Talking about the time when the Lord is going to come back and rule as King of kings, and Lord of lords in His Millennial Kingdom
Psalm 22	GH: GPPI/EoM verse	v28: KINGDOM: See the kingdom reference right in the passage. v30: SEED: The believing remnant of Israel. They end up being a congregation, a called-out assembly, a church in Israel. They are a “seed that serve Him” and they are “accounted as a generation.” v30: SERVE HIM: If they are serving Him, they are the ones that believe. v30: ACCOUNTED TO THE LORD FOR A GENERATION: Believing remnant. 'The Lord's generation or 'the generation of the Messiah is opposed to the GENERATION OF VIPERS-Matthew 3:7, Matthew 12:40 who will get the baptism of unquenchable fire.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 22:1		1 My God, my God, why hast thou forsaken me? why art thou so far from helping me, and from the words of my roaring? Takes place on the Cross. Satan knew about the Crucifixion but we don't know how much he knew about it. This is the humanity of Jesus on the Cross, it does not take away from/negate His deity. MM says this is an example verse of how Satan could have known about the death of Jesus in the O.T. People say look, Jesus is not God in the flesh, He is crying out to God. What they don't realize is that he is suffering as a man. He is dying for men, not dying for God. This doesn't take away from His deity anymore than not knowing the day or the hour that He will return. WHY HAST THOU FORSAKEN ME? WHY ART THOU SO FAR FROM HELPING ME: Fulfilled in Matthew 27:46. MY ROARING?: Not talking about a Lion's roar, talking about an anguish that comes from Him.
Psalm 22:12		12 Many bulls have compassed me: strong bulls of Bashan have beset me round. THE BULLS OF BASHAN: Was understood to be a place of the dead or the underworld, of departed spirits and the entrance to the underworld, associated with the departed spirits. It was a satanic stronghold of the adversary on the earth. Satan had been at work there for a long time. Supernatural beings that encountered and mocked & reviled Jesus on the Cross. Think of men WAGGING THEIR HEADS-Matthew 27:39. MM says it makes it all sweeter when He raises from the dead. BASHAN: Is in the area of the tribe of Dan, the northernmost area of the land of Israel. Remember, it was in Dan that Jeroboam sent one of the two golden calves for the worship of God when the kingdom split to keep his people from going to Jerusalem for the feast days, (I Kings 12), but in reality, this was a Baal cult. Hosea condemned this action-Hosea 13:1. POINT: Is to establish that there is an association with the underworld in play.
Psalm 22:14		14 I am poured out like water, and all my bones are out of joint: my heart is like wax; it is melted in the midst of my bowels. I AM POURED OUT LIKE WATER, AND ALL MY BONES ARE OUT OF JOINT: This is what crucifixion does to you. A very torturious way to die. MM says this was the most formidable form of execution that had been devised till that day. Sometimes it took people days to expire on that Cross. We have this idea that they were 30 feet in the air, they were just off the ground. Animals would come in at night and chew the feet off of people. MY HEART IS LIKE WAX
Psalm 22:15		15 My strength is dried up like a potsherd; and my tongue cleaveth to my jaws; and thou hast brought me into the dust of death. MY STRENGTH IS DRIED UP BROUGHT ME INTO THE DUST OF DEATH
Psalm 22:16		16 For dogs have compassed me: the assembly of the wicked have inclosed me: they pierced my hands and my feet. THE WICKED HAVE INCLOSED ME: THEY PIERCE MY HANDS AND MY FEET
Psalm 22:17	Non-MBI	17 I may tell all my bones: they look and stare upon me. RM: STARE UPON ME: The Cross
Psalm 22:28		28 For the kingdom is the Lord's: and he is the governor among the nations. Happens in the Millenium or the Kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 22:30		30 A seed shall serve him; it shall be accounted to the Lord for a generation. A SEED SHALL SERVE HIM; IT SHALL BE ACCOUNTED TO THE LORD FOR A GENERATION: MM says this is a group of people. Not supposed to be calculating some prophecy over this. The Bible further defines this righteous generation as a "seed" that serves the LORD. None of this is about a period of time or a number of years.
Psalm 23		GH: Bad interpretation - Reading Psalm 23 at a funeral and thinking the shadow of death is you dying and you know going onto eternal life. Couldn't be further from the truth. Have no idea what Psalm 23 is about, wasn't written to give you comfort at a funeral service.
Psalm 23	GH: GPPI verse	Is not a funeral passage. See Jehovah-Raah (The Lord is my Shepherd) where the LORD is pledging to take care of the remnant in a very special way in the day of wrath. Broken into two parts and those parts deal with Daniel's 70th week. The Psalm deals with the remnant moving from the first half to the second half of that time period. Plus, all five "Jehovah names" are located in Psalm 23.
Psalm 24		**Psalm 24 speaks of a generation of people and it is not about people who were all born in a 40, 50 or 70 year time span. People, in the kingdom, from many centuries will all be part of a single generation; the Lord's generation**.
Psalm 24	GH: IPF verse	v3-6: Compare to Psalm 15:1-5. v3: THE HILL OF THE LORD: The New Jerusalem or THY HOLY HILL-Psalm 15:1. v3: HIS HOLY PLACE: The temple or TABERNACLE-Psalm 15:1. v7-10: See the Royal Entourage at the end of the psalm. The Lord has returned, He has vanquished His enemies, and He is coming in and there's an entourage that is going to come in with Him that is composed of His Royal House.
Psalm 24:6		6 This is the generation of them that seek him, that seek thy face, O Jacob. Selah. THIS IS THE GENERATION OF THEM THAT SEEK HIM: This is about a people, not a period of time. Talking about a generation alone in the Millenium that has come from all ages.
Psalm 26:2		2 Examine me, O Lord, and prove me; try my reins and my heart. PROVE ME: Being tested.
Psalm 26:3	GH: Lovingkindness of the Lord verse	3 For thy lovingkindness is before mine eyes: and I have walked in thy truth. THY LOVINGKINDNESS LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 27:9	GH: IPF verse	9 Hide not thy face far from me; put not thy servant away in anger: thou hast been my help; leave me not, neither forsake me, O God of my salvation. LEAVE ME NOT, NEITHER FORSAKEME, O GOD OF MY SALVATION: Quoted in I WILL NEVER LEAVE THEE, NOR FORSAKE THEE-Hebrews 13:5.
Psalm 29:3		3 The voice of the Lord is upon the waters: the God of glory thundereth: the Lord is upon many waters. THE GOD OF GLORY: He is often given the title of God of glory. There is a glory that God possesses by His very nature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 31:9	IP : Suffering Type 3 of 3 : Grief = GRIEF	9 Have mercy upon me, O Lord, for I am in trouble: mine eye is consumed with grief, yea, my soul and my belly. 3 examples of suffering in Israel's program. First: Adversary/Enemy (Psalm 9:13) Second: Physical things (Psalm 6:2) Third: Grief = GRIEF
Psalm 32:1-2		1 Blessed is he whose transgression is forgiven, whose sin is covered. 2 Blessed is the man unto whom the Lord imputeth not iniquity, and in whose spirit there is no guile. That condition of blessedness that David is in that Paul describes as being without works is in the view of David's adultery. What David is commenting on. People today would say: 1. you need to get saved again 2. you need to confess that and get right. God is saying, excuse Me, I took care of all of that back here when you got justified unto eternal life and when you sinned I am not imputing that sin back to you. God absolutely refuses to impute sin back to us once we have been justified unto eternal life. GH: Romans 4.
Psalm 32:5		5 I acknowledge my sin unto thee, and mine iniquity have I not hid. I said, I will confess my transgressions unto the Lord; and thou forgavest the iniquity of my sin. Selah. I ACKNOWLEDGED MY SIN UNTO THEE: This issue of confessing sins in order for God to hear their prayer is the way prayer works in God's program with Israel under the Law. And the other prayers were about God doing the things He said He would do. MM showing the mechanics of prayer work the same way in both programs, they are inter-dispensational. Anytime Israel was going to make a prayer, the first thing they do is to confess those sins, because if they don, they won't get heard. And if they're not heard, they won't get what they're praying for. We do not find these kinds of prayers in Paul's epistles because we have already been forgiven. All those sins have been atoned for. There's no national mandate for us to pray for America's sin so that God will bless America.
Psalm 33:12	GH: Inheritance verse	12 Blessed is the nation whose God is the Lord; and the people whom he hath chosen for his own inheritance. HIS OWN INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Psalm 34:22		22 The Lord redeemeth the soul of his servants: and none of them that trust in him shall be desolate. People read Psalm 34 and decide that if they "trust in the LORD," then nothing bad will happen to them. Everybody likes the sound of that. Must have not read Job. Not what that's talking about.
Psalm 35:2		2 Take hold of shield and buckler, and stand up for mine help. TAKE HOLD OF SHIELD AND BUCKLER
Psalm 35:10	Deliverer Mandate	10 All my bones shall say, Lord, who is like unto thee, which deliverest the poor from him that is too strong for him, yea, the poor and the needy from him that spoileth him? DELIVEREST THE POOR FROM HIM THAT IS TOO STRONG FOR HIM: There is someone too string for the remnant but the Lord will deliver them. GH: Deliverer mandate.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 35:19		19 Let not them that are mine enemies wrongfully rejoice over me: neither let them wink with the eye that hate me without a cause. Prophecy about Christ. HATE ME WITHOUT A CAUSE: Jesus healed a blind man, gave a lame man the ability to walk, the deaf could hear, and they want to kill Him and Jesus says FOR WHICH OF THOSE WORKS(miracles) DO YE STONE(seek to kill) ME-John 10:32.
Psalm 36:1-10	GH: Lovingkindness of the Lord verse	Context: In the final CoP in Israel's program and what is happening is there is a contrast between the EVIL of the WICKED against the remnent and the goodness of God toward the believing remnant. v1-4: Notice the WICKED no longer involved in DOing GOOD for this remnant. They are disposed to hurt the remnant, to be an obstacle to the ministry that they're engaged in, and they don't abhor evil, they cleave to it. v7: God's treatment toward the remnant - LOVINGKINDNESS (MM teaching Romans 12:9-10). v10: God's treatment toward the remnant - LOVINGKINDNESS (MM teaching Romans 12:9-10).
Psalm 36:1-4		1 The transgression of the wicked saith within my heart, that there is no fear of God before his eyes. 2 For he flattereth himself in his own eyes, until his iniquity be found to be hateful. 3 The words of his mouth are iniquity and deceit: he hath left off to be wise, and to do good. 4 He deviseth mischief upon his bed; he setteth himself in a way that is not good; he abhorreth not evil. In this psalm, there is a contrast between the evil of the wicked and the goodness of God toward the believing remnant. HE HATH LEFT OFF TO DO GOOD BE ABHORETH NOT EVIL Notice that the wicked no longer “do good.” That is, they are disposed to hurt and hinder the remnant. They do not abhor evil, but they cleave to it.
Psalm 36:7	GH: Lovingkindness of the Lord verse	7 How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings. LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 36:10		10 O continue thy lovingkindness unto them that know thee; and thy righteousness to the upright in heart. CONTINUE THY LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 37	GH: IPF verse	See the structure of the Book of James. He structures much of what he is writing after this psalm. v1: EVILDOERS: v2: CUT DOWN LIKE THE GRASS, AND WITHER AS THE GREEN HERB: Ties to THE FLOWER OF THE GRASS HE SHALL PASS AWAY-James 1:10. v11: SO ALSO SHALL THE RICH MAN FADE AWAY:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 37:5		5 Commit thy way unto the Lord; trust also in him; and he shall bring it to pass. Is used as a guarantee for getting whatever you ask for. Real close to the 'God will do whatever you ask as long as you have faith' counterfeit. COMMIT THY WAY: MM says he bets you can't find 5 people in Monahans outside this church that can identify what this phrase means.
Psalm 37:12		12 The wicked plotteth against the just, and gnasheth upon him with his teeth. GNASHETH UPON HIM WITH HIS TEETH: Gnashing of teeth is almost always associated with anger, not anguish.
Psalm 37:21	GH: Opportunity to show MERCY	21 The wicked borroweth, and payeth not again: but the righteous sheweth mercy, and giveth. Contrast between wicked and righteous. Righteous are looking for a way to show mercy. The wicked man borrow and he doesn't repay. But the righteous man shows mercy and as a result of that, he gives. SHEWETH MERCY, AND GIVETH: The righteous person is looking for opportunities to give to those who are in need. They have the resources to be able to help.
Psalm 37:39-40		39 But the salvation of the righteous is of the Lord: he is their strength in the time of trouble. 40 And the Lord shall help them, and deliver them: he shall deliver them from the wicked, and save them, because they trust in him. v40: Divine protection counterfeit. Everyone loves this one. How many people died in the coliseum and refused to recant? How many were torn apart by gladiators or lions because they wouldn't renounce Jesus? MM said he doesn't think this verse worked for them.
Psalm 40:11	GH: Lovingkindness of the Lord verse	11 Withhold not thou thy tender mercies from me, O Lord: let thy lovingkindness and thy truth continually preserve me. THY LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 40:17	Deliverer Mandate	17 But I am poor and needy; yet the Lord thinketh upon me: thou art my help and my deliverer; make no tarrying, O my God. THOU ART MY HELP AND MY DELIVERER: Prophetic in the Day of Wrath. GH: Deliverer mandate
Psalm 41:1	Deliverer Mandate	1 Blessed is he that considereth the poor: the Lord will deliver him in time of trouble. This is specific - people love the Psalms because you can read it and wrap it around anything that is going on and interpret it anyway you want to. BLESSED IS HE THAT CONSIDERETH THE POOR: GH: The remnant who fled into the mountains and didn't take the mark of the beast so they can't buy food or clothes. THE LORD WILL DELIVER HIM IN TIMES OF TROUBLE: GH: Deliverer mandate

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 42-44		Trilogy of Psalms from David written to the believing remnant in the Day of Wrath. MM believes are prophetic to the believing remnant out in the Day of Wrath. These psalms do a number of things with regard to the believing remnant: - The psalms tell the remnant what to expect and what to do - The psalms also contain doctrine to equip them - The psalms also show the thinking of the remnant as they are going through the tribulations of their day They are going to go through some sufferings and if that happens, you know they did something wrong. All of a sudden, the believing remnant is experiencing all kinds of persecutions and tribulations and troubles and they're not doing anything wrong. You have the remnant undergoing all of these tribulations/struggles/problems.
Psalm 42:1		1 (To the chief Musician, Maschil, for the sons of Korah.) As the hart panteth after the water brooks, so panteth my soul after thee, O God. First chapter in the second Book starts with a MASCHIL Psalm. MASCHIL: A prophetic, instructive Psalm.
Psalm 42:8	GH: Lovingkindness of the Lord verse	8 Yet the Lord will command his lovingkindness in the day time, and in the night his song shall be with me, and my prayer unto the God of my life. HIS LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	Is the second of the Deliverer psalms. Going to happen out in the Lord's day of wrath. Context: In the remaining portion of the NIGHT, following the BLESSED HOPE, things are going Satan's way. His MAN OF SIN-2 Thessalonians 2:3 is going to be brought into the world. His WORKS OF DARKNESS-Romans 13:12 are having their effects. The world is receiving the antichrist. He is having his finest hour. Because of this, some things are happening with apostate Israel. Things are happening for the apostate nation and they think that it is great. MM introducing a parallel issue for us. When we come under the attack of the adversary, MM may need to say to us remember when we looked at this studying Romans 13:12. The circumstances that you are going to be involved in is going to make the lie seem believable. You have the apostate nation telling a very particular lie and that lie is meant to impact the believing remnant of Israel. There is a message that the remnant has - that the remnant of Israel is the True Israel of God. This is what they believe. The second part of that message is if you're not part of the believing remnant, are are a part of the apostate nation. People will say, oh, if we're not part of the believing remnant, if we're not part of you guys, if we don't believe that the historical Jesus of Nazareth was the Christ, if we don't believe that, then all of the sudden God doesn't want anything to do with us, huh?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	The pressure will mount to say, well, we don't mean that because you don't want to act like all of them are just bad. Here's the truth of the matter - you are part of the apostate nation. That will be the truth that needs to be said. The pressure is to get them to back off of that. They want to pressure the believing remnant to say it is OK to do something else, just because we are not doing what you're doing. MM hears this today. The way God looks at this is if you are not part of the believing remnant, you are part of the apostate nation. There is no gray. You are one or the other. Here's the message 1 of the remnant - we are the true Israel of God. The rest of the nation is in apostacy. BTW, if they didn't believe that Jesus was the Christ, what did you think they were, godly Bible believers? Here's message 2 of the remnant - simply being a Jew does not make you part of the true Israel of God. MM says that won't be tolerated - he can hear the collective gasps. They don't think they are better than everyone else, they have just availed themselves of the only thing that makes a difference. The apostate nation will say we are the true Israel and you guys (the believing remnant) are the mavericks and rebels. The lie is the reason you guys are suffering is because God is punishing you because you are wicked. They will say to the remnant that God has CAST them OFF and disowned you. Look at how God is blessing us and you're not getting those blessings. They keep repeating it and repeating it until finally some members of the remnant are going to start to think maybe they have a point. This will be confirmed by Gentile nations and apostate nation will say even the lost Gentiles know. And they look like kooks. MM notes the parallel with Job and his friends. It's the same issue. This is the best time to hear, before the SoC hit you.
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	Talking about the message the apostate nation is sending out. v2-4: Remember this is the second Book of the Psalms - the Deliverer psalms. They are crying out for the Lord to start delivering them. You already know, but some will forget and some not be instructed in. God does not start delivering them immediately. There is a period of time where it looks like Satan is being successful against the believing remnant. They think God is supposed to deliver them and they're going to be crying out for this deliverabnce. Suddenly, it's not going to look like God is delivering them at all but they're going to be saying things like why do our enemies triumph over us and why are we being trodden down and why do you CAST us OFF and why do we go mourning because the oppression of the enemy. Hey, You are supposed to be delivering us. So this whole narrative that the apostate nation is putting out - God has disowned you (GH: the apostate nation), God has CAST you OFF, God is disassociating Himself from you, you guys are such rebels against God, this is how He has been forced to deal with you. MM says it's the Job scenario all over again. There are things contained in the believing remnant's instruction that is going to inform them that there is, during the remaining portion of Satan's NIGHT and the beginning of the tribulation itself, a period of time where God is not going to be delivering them immediately. There is a period of time where He is not going to be delivering them and the circumstances that they're going to go through are going to say 'wait a minute, why isn't God doing something?'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	MM says there is a two-fold purpose behind that. 1. Because they too need to understand the benefit of suffering. They are going to need to be MORE THAN CONQUERORS-Romans 8:37 just like we are. That suffering is going to do some things to accelerate their Sonship. (this is for their benefit) 2. To deceive Satan and those who have partnered with him into believing that they're getting their way. It's going to look for a time like Satan has out maneuvered God and it's going to look for a time like everything the apostate nation has been wanting they are getting it and the ones that are suffering are the believing remnant. Those circumstances are going to overwhelm them. (this is to the detriment of the adverary) STORY: Getting trained on something and there's so much to it that you forget what you were supposed to do. Why people say 'remember your training'. For the believing remnant, they are going to have to remember what they have been taught, but their circumstances are not going to look like that's what's happening because even if you know God is not delivering you yet, if you're part of the apostate nation, they would say He is never going to deliver you because you are wrong. You are not the true Israel. You think you are but you are not. You've been deceived, just keep telling yourself that, that's never going to happen. MM says it's going to become like the rapture or THE BLESSED HOPE-Titus 2:13, how many years have people been talking about this until finally people get so wore out with it they just think you know what, I don't even think that's ever going to happen.
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	The remnant will end up - being instructed about what's going to go on during the remaining portion of Satan's NIGHT - realize the MAN OF SIN is coming on the scene - being instructed about what's going to be happening in Daniel's 70th week - being instructed about the benefits of the suffering while the deliverance is being delayed MM believes they will have the Bible and it will be easy to hide. Could put it on a thumb drive. They may also see verses quoted and with commentary from someone else. The Psalms are going to be recording all of these issues where the remnant is going to be saying why have you CAST us OFF? MM says the advantage for us is, we aren't promised to be delivered from any of it (GH: so we are not waiting for phyiscal deliverance). You know going in, He is not blocking the attacks against you. You are given the Power of His grace to withstand those attacks because in this DOGG there's something we're putting on display that impacts Satan's invisible realm. Israel is impacting the nations of the world including the apostate nation of Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 43	GH: Parallel Issue / Remant in the remaining portion of Satan's NIGHT	v2: WHY DOST THOU CAST ME OFF? v5: The remnant has to realize that they are going to go through some of these sufferings and in the first part, they're not going to be delivered. It's like God is setting a trap with Satan's own devices as he is working his plan in this DARKNESS and moving into Daniel's 70th week. He is going to be sold on the fact that he has won. In other words, he has gotten his way. And now it looks like he is successfully persecuting the remnant and most of the rest of the world is embracing him, then he's going to believe that this is exactly what I planned/hoped for. God is making it very easy for people to make a choice one way or the other. The remnant has to realize, even though things look bad right now, there's going to come a time when they will look at what it says here - He is YET-v5 going to do that. v5: I SHALL YET PRAISE HIM: This is what they're supposed to be looking for.
Psalm 43:1		1 Judge me, O God, and plead my cause against an ungodly nation: O deliver me from the deceitful and unjust man. **Has no super-scription which means it is a different Psalm but it is a continuation of the previous Psalm**. If no super-scription, you are supposed to see that as part 2 or part 3. When you change gears, will see a different super-scription.
Psalm 44		What Israel said their they were carried away captive. Notice the THOUs (GH: You God). See how they are accusing God? Same thing that is going on in Romans 9. They are still doing it. They're complaining. Psalm 44 Clarifications: 1. On the timeline, Psalm 44 refers to the nation of Israel being scattered among the heathen at the Babylonian Captivity. Refers to the Babylonian captivity or the first installment of the 5th CoP, NOT the tribulation. 2. The psalm records their complaint that God is not intervening to give them victory over their enemies 3. Verse 22 is a summation of their attitude toward the tribulations that came upon them 4. The sufferings of the first part of the 5th course of punishment were not the sufferings under Satan’s policy of evil 5. The sufferings were the prophesied “curses” which God told them would happen if they persisted in rebelling against Him (Lev 26; Deut 28) 6. Therefore, Psalm 44 is not about sons suffering under the POE, but it is about the complaint of Jewish nation being scattered among the heathen
Psalm 44:1-8		1 We have heard with our ears, O God, our fathers have told us, what work thou didst in their days, in the times of old. 2 How thou didst drive out the heathen with thy hand, and plantedst them; how thou didst afflict the people, and cast them out. 3 For they got not the land in possession by their own sword, neither did their own arm save them: but thy right hand, and thine arm, and the light of thy countenance, because thou hadst a favour unto them. 4 Thou art my King, O God: command deliverances for Jacob. 5 Through thee will we push down our enemies: through thy name will we tread them under that rise up against us. 6 For I will not trust in my bow, neither shall my sword save me. 7 But thou hast saved us from our enemies, and hast put them to shame that hated us. 8 In God we boast all the day long, and praise thy name for ever. Selah.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:1-8		Written during the Interlude of Mercy. (GH: Before the Day of Wrath). In the past, you did all these things for your people, now the remnant is wondering why aren't You doing it for us? Remnant is going to say, hey, we remember how You did some things for our fathers back (GH: in the day). We heard the stories about how You did great things for them and You delivered them and You conquered their enemies and You did all of that. We are undergoing all of these troubles and we don't understand why? You are God/all powerful - can you take these things away? Then they are going to say, we are confused/don't understand because we are not doing anything wrong. We are walking in your way/being obedient and yet this evil is come upon us. Their education as a son has not kicked in. They are going to learn they are suffering and they can't do it as a child under the law but as an adult son, their suffering does 2 things God has been waiting to happen since Adam. He is going to put it on display because they are sons: 1. 2. MM needs to go back a correct a couple things: 1. Who was in view 2. The time element it was relating to
Psalm 44:1-8		v1-8: Speak of God's deliverances for His people "in the times of old." Remembrance of when Israel first came into the land and God drove out their enemies before them and there was military action that was going on in the land of Israel. We have heard and our fathers have told us how You were the One that drove those Canaanites out of the land and you raised up your people and put them in the land and gave them possession of that. MM this was promised as a land grant to Abraham and his seed after him. We were told what You did when our people came into the land. v1: MASCHIL: Psalm of instruction for someone and that it is prophetic. Have to look at the Psalm and decide who it is to prophetically. Written during the interlude of mercy between the first and second course of punishment. This MASCHIL psalm is meant to be prophetic instruction for someone. Instructive, prophetic Psalm. Deals with the first part of the first installment of the 5th CoP - Babylonian captivity. Not talking about sons in the tribulation under SWORD/POE. GH: Sons that qualify for SWORD wouldn't be complaining about it. A psalm of instruction and also prophetic - looking forward to a time in Israel's history. v1: WE HAVE HEARD v1: WE: Members of the remnant of Israel. v1: WHAT WORK THOU DIDST v1: OUR FATHERS v2: Talking about the Canaanites v2: THOU DIDST DRIVE OUT THE HEATHEN. v2: DRIVE OUT THE HEATHEN

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:1-8		v3: Saying we know how when we came into the land how we got the land. It wasn't by our sword or our strength. God, you are the one that did that. We have heard all of that. v3: THEY GOT NOT THE LAND IN POSSESSION BY THEIR OWN SWORD v4-8: Reviewing what God did when He cast out the heathen and did all of those things. v4: You have the power to stop this, you are God. Just command it and it will stop. Isn't that what Christians say today? You are never taught correctly today. v4: COMMAND DELIVERANCES FOR JACOB v5-8: There will come a time when they're going to begin to fight alongside their Deliverer, they're going to overcome their enemies, but at the beginning of this thing, they're not going to overcome their enemies, they're not going to be delivered from them or their oppressors. If they are not paying attention to the doctrine, they are setting themselves up for a fall, to believe the lie that Satan is pushing through the apostate nation - they are the rebels, God is not going to deliver them, they are being punished for their rebelliousness against God, they need to come back to the nation and start pleasing God again and then all these good things will happen to them. MM says he could say the same thing to us. MM says can't you hear people saying 'well, if God promised to deliver you where is it?' If you say 'well, He is going to do it but not yet' - it sounds like an excuse. MM says there is no magic here - a member of the believing remnant of Israel that is out there in this time is not going to automatically know everything and automatically do everything right. They can't just look at the education and go I like the parts that are good but I don't like the parts that are bad so I am not going to focus on them. Because when hard times come, they won't endure that. They're going to have to get all the doctrine just like we're going to have to get all the doctrine (like us).
Psalm 44:1-8		v5: God if you just help us, we'll overcome all of this. v5: WE PUSH DOWN OUR ENERMIES v5: WE TREAD THEM UNDER THAT RISE UP AGAINST US v6: I WILL NOT TRUST IN MY NOW, NEITHER SHALL MY SWORD SAVE ME v7: SAVED US FROM OUT ENEMIES v8: IN GOD WE BOAST v8: PRAISE THY NAME

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:9-16		v9-18: But things have changed since the nation came into the land and give us an indication where (or when) in the courses of punishment. After they reviewed what God as done, they are going to start a complaint. Instead of being looked at like they were in the interlude of mercy - no nation like Israel and no god like Israel's God - they reached such a place of rebellion that now instead of looked at with favor from the nations of the world, they're looked at as a REPROACH and a SCORN and a DERISION and a BYWORD. Now, You don't go forth with our armies, we are turning back from our enemies. v9:They are about to start to make a complaint. v9: BUT: Notice this English word of logic - corner word, change in direction. v9: THOU HAST CAST OFF, AND PUT US TO SHAME: The remnant is saying you know what, you have totally abandoned us. v9: CAST OFF v9: GOEST NOT FORTH WITH OUR ARMIES: Were the armies in place before they went away to Babylon. GH: Only one of the 3 scatterings where Israel had a standing army. **Didn't have standing army in Acts 8 or Daniel's 70th week**. v10: THOU MAKEST US TO TURN TURN BACK FROM THE ENEMY v10: TURN BACK FROM THE ENEMY
Psalm 44:9-16		v11: THUS HAST GIVEN US LIKE SHEEP APPOINTED FOR MEAT v11: SHEEP APPOINTED FOR MEAT: Group says for the slaughter. v11: SCATTERED AMONG THE HEATHEN: Know this is the 5th Course of Punishment (see the very terminology in Leviticus 26:33). Have to determine which part. Are SCATTERED in Installment 1 and in Installment 5. MM believes Installment 5. Could make a case for Installment 1. If it is in the second Book of the Psalms, it is about the Deliverer which means it is in Installment 5. Doesn't change what we are after GH: In the Romans 8:36 tie-in. MM says understand that Israel doesn't get SCATTERED AMONG THE HEATHEN-Leviticus 26:33 until the fifth CoP-Installment 1-Babylonian captivity. Not talking about Acts 8 or Daniel's 70th week scatterings. v11: SCATTERED US AMONG THE HEATHEN: Going back to the 5th CoP. When they go away at the start of the 5th CoP, when they go away captive, not permanently, but God did CAST them OFF. It wasn't permanent, it wasn't complete - there was going to be a remnant that He would deal with eventually. Remember He said you're not going to be My people and I AM not going to be your God-Hosea 1:9. The remnant are going to think the exact same thing. Their physical circumstances is what is going to make them doubt the doctrine.
Psalm 44:9-16		v12: THOU SELLEST THY PEOPLE v13: THOU MAKEST US A REPROACH v13: MAKEST US A REPROACH v13: A SCORN AND DIRISION v14: THOU MAKEST US A BYWORD v14: A BYWORD

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:9-16		v15: This is David writing what the remnant will be saying out here and if they're being educated they are going to get their doctrine out of Proverbs. The doctrine of suffering is not the first thing they learn either so they are doing what most Christians do - Why is this happening to me? You got the power God, You could turn this off. v15: Changes from 'us' to 'my'. v15: Notice the change from US/THY to MY/ME(members of the remnant of Israel). Not talking about the people, talking about the psalmist. (GH: ?)
Psalm 44:17-22		v17-26: Is not pertaining to the entire nation, but to the believing remnant. v17-22: For those who remember God during this time, they did not deal falsely with His covenant. Remember Daniel and friends? They are not being dealt with as sons, they do not have the Sonship education, the New Covenant has not yet been applied to them and until it does, they can't function that way as sons. They were used to, if we do the right thing, God will intervene for us. Now, suddenly, He is not intervening. v17-22: But for those who remained faithful in the nation (vv. 17-22): - They remembered God – v17 - They did not deal falsely in His covenant – v17 - Their heart was not turned back – v18 - They did not decline their steps from His way – v18 - They did not stretch out their hands to a strange god – v20 - Yet, they were “killed all the day long, accounted as sheep for the slaughter” – v22
Psalm 44:17-22		v17-20: They are confused because the only thing they are used to is a performance system. They are performing. God did not make a mistake allowing them to suffer. Not an oversight. If God didn't want you to suffer the day you trusted Jesus Christ, He would have given you your glorified body then. There's a reason your body didn't get redeemed. v17-19: Their thinking is such that if they were guilty of “forgetting God,” they could understand why these things were happening to them. But they have not forsaken God, in spite of all they have gone through. v17: Talking about the believing remnant, not the apostate nation. v17: WE HAVE NOT FORGOTTEN THEE, NEITHER HAVE WE DEALT FALSELY v17: DEALT FALSELY IN THY COVENANT v18: OUR HEART IS NOT TURNED BACK, NEITHER HAVE OUR STEPS DECLINED FROM THY WAY v20-21 we are not just talking like we are doing the right thing, You know we are doing the right thing. We are doing what we are supposed to do. v20: If we had something going on, wouldn't you know it? v20: STRETCHED OUT OUR HANDS TO A STRANGE GOD

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:17-22		v22-26: This is a description of how the remnant is going to feel in the day of wrath. There are attacks which the POE will launch against the believing remnant in order to intimidate and frighten them out of their Sonship. See how Israel is accusing God? Same thing that is going on in Romans 9. v22: Where their education kicks in. This is the verse that Paul quotes in Romans 8:36. v22: YEA, FOR THY SAKE ARE WE KILLED ALL THE DAY LONG; WE ARE ACCOUNTED AS SHEEP FOR THE SLAUGHTER: This is a continuation of the complaint (GH: that stated in v9). Almost a conclusive statement like they did with SHEEP APPOINTED FOR MEAT-v11. This is not a epiphany about what they understand. This is a complaint. This is not an epiphany of a son realizing he is a son. This is a complaint. Wait, we thought You were supposed to intervene for us. They are lamenting the position they're in and because of that they're saying we're killed all the day long like sheep appointed to slaughter. That's a complaint of a person wondering why God isn't intervening. Read v22 and see the people who are being afflicted are not doing something for God's sake, something is happening to them for God's sake. These are the events leading up to the Babylonian captivity. MM says this all is serving God's Plan and Purpose with Israel because GH: the prophetic warnings in Leviticus 26 and Deuteronomy 28. v22: YEA: A word of emphasis - like using the word verily or truly. Calling attention to what is said. A word that brings emphasis on what is being said. Like the say Jesus used the word TRULY.
Psalm 44:17-22		v22: FOR THY SAKE WE ARE KILLED v22: FOR THY SAKE: The believing remnant knows who they are serving. They realize the things that are happening to them are happening to them because of who they are. v22: SAKE: There is confusion about this word, it is a word that is used in more than one way. If they are different, you can't use it both ways. Figure out which one it means / pick one. Word can have 3 different meaniings depending on how you are using it. 1. Purpose; motive: a quarrel only for the sake of argument 2. Advantage; good: for the sake of his health 3. Personal benefit or interest; welfare: for her own sake Charles Smith: “If I say, “I am doing this for his sake,” I mean that I am doing it because I have an end in view which I believe will be to his interest that I should accomplish.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 44:23-26		v23: CAST US OFF NOT FOREVER: Know v22 is a complaint. Saying the same thing from earlier - CAST OFF-v9. Continues the complaint starting in v9-THOU HAST CAST OFF. **Israel in the Babylonian captivity thinks God is suppposed in intervene for them. The believing remnant in the tribulation knows better than that**. v23: AWAKE v24: HIDEST THOU THY FACE...FORGETTEST OUR AFFICTION v24: Accusing God - this is a Psalm of complaint. If it is true that Satan can't throw the kitchen sink at you right off the bat, and these people are being killed and counted as sheep for the slaughter, their life is on the line. Tells you they are a FES. Then why are they asking God to intervene in their physical circumstances? Remember they are a firstfruits and as a testimony and witness to the nations, God is dealing with them as sons. In the DOGG, that is NOT the thinking you are supposed to have as a son. This is not the talk of an educated son, that's the talk of someone who isn't even a simple son. v25-26: See the state they are in; one of desperation and despair. They are not only suffering issues of mental anguish, but also physical danger.
Psalm 44:22		22 Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter. Paul quotes this in Romans 8:36. Psalmist talking about the remnant out in the Day of Wrath. The little flock is under the extermination policy of the anti-christ. He is trying to wipe them out. Hunt them down and kill them off. MM says that is pretty severe punishment. This is how they feel out in the Day of Wrath (GH: after not taking the mark and being cut off from buying and selling). If someone was found feeding the little flock, same thing would happen to that guy. Cut off his family's heads first before his so he can watch. That's a game changer.
Psalm 44:23-26		23 Awake, why sleepest thou, O Lord? arise, cast us not off for ever. 24 Wherefore hidest thou thy face, and forgettest our affliction and our oppression? 25 For our soul is bowed down to the dust: our belly cleaveth unto the earth. 26 Arise for our help, and redeem us for thy mercies' sake. Saying to God it is almost like you are sleeping. Where are You? What are You doing because this thing is happening to them. They feel like they are sheep for the slaugther but God has a purpose in allowing that attack. There's a purpose. It's not it took Him by surprise. Not something Satan forced on God that He couldn't do anything about. God is allowing this for a particular purpose. There is something He means to accomplish by this and the remnant has to recognize that fact. They have to start thinking like their Heavenly Father. That is what godly edifying is about - thinking, living, and laboring with your Father. Have to start thinking like He thinks because if they are thinking with the adversary, it won't be long before they fold up their tent and quit. The pressure will be great enough that they will collapse under it. Doesn't matter how sincere you are, if you don't have the EXCELLENCY OF THE POWER of that Word working in you, those attacks will crush you. Have to have absolute confidence in what He has said to you. Will crush your spirit and crush you in the process. Not something you can hold onto in your own might. Not something that you can weather in your own power.

Psalm 44:23-26		This is something that does nothing but illustrate how weak you really are. There's nothing you can do to stop it and it is going to be like waves coming in at the shore of the ocean, one after another and another and it just never stops. Finally, you want to throw in the towel and say enough. If you don't have this doctrine working in you and if you don't think about this like your Heavenly Father does, you are going to be nothing but fresh meat for the adversary. He is going to destroy you. One of the things that POE wants to do is to get them to think God must not love us. The remnant is going to have to learn and be educated and so are you. God gives us doctrine to let us know what He is doing and why He is doing it so that doctrine can effectually work IN you to endure the things that come your way so you are not destroyed by them.
Psalm 45:1		Second of a trilogy of songs with Song of Solomon and Isaiah 5:1-7. GH: 1st and 3rd? v1: MASCHIL: When you see MASCHIL in the superscription of the Psalms, that Psalm was designed to teach doctrine. That's what that designation is. This is a teaching Psalm. Isn't a praise Psalm. You are going to get instruction out of it. v1: A SONG OF LOVES: What the Song of Solomon is called in the text. Of 150 Psalms, it's the only one designated as that. Terminology here matches you up with the Song of Solomon. Song that gets sung when Jesus is crowned King of Kings in Jerusalem at the start of the Millenium. Armeggeddon is over and Israel has been regathered into the land. First part of that Psalm gets sung by the remnant. It's something only they can sing. Next part, they are going to be joined by the rest of all of Israel. That's everyone resurrected to go into the Kingdom. At the end, the Gentiles join in. All of them sing the final part at the coronation of the King of Kings.
Psalm 45:6-7	GH: IPF verse	6 Thy throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre. 7 Thou lovest righteousness, and hatest wickedness: therefore God, thy God, hath anointed thee with the oil of gladness above thy fellows. v6-7: Quoted in Hebrews 1:8-9. v7: HATH ANOINTED THEE WITH THE OIL OF GLADNESS ABOVE THY FELLOWS: Quoted in HATH ANOINTED THEE WITH THE OIL OF GLADNESS ABOVE THY FELLOWS-Hebrews 1:9. This is the second anointing. The first was when He was anointed to function as the Redeemer.
Psalm 47:2-3	GH: GPPI verse	2 For the Lord most high is terrible; he is a great King over all the earth. 3 He shall subdue the people under us, and the nations under our feet. HE SHALL SUBDUE THE PEOPLE UNDER US: Involves a military-like action, every time it is mentioned in the Bible, for that is exactly what “subdue” entails. It always has this understanding in Israel's program. The nations of the world will be under God's people, Israel.
Psalm 48:1		1 Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness.

Psalm 48:2	Divine Council = MOUNT ZION / GH: Third Heaven : SIDES OF THE NORTH	2 Beautiful for situation, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great King. MOUNT ZION: Is THEE mountain. GH: MM teaching on the Divine Council. SIDES OF THE NORTH: Heaven is north.
Psalm 49:3	Prayer	3 My mouth shall speak of wisdom; and the meditation of my heart shall be of understanding. THE MEDITATION OF MY HEART SHALL BE OF UNDERSTANDING: What you have come to understand and believe about the doctrine/word.
Psalm 49:6-7	GH: Interdispensational Principle - don't trust in your riches / GH: SIIP Verse	6 They that trust in their wealth, and boast themselves in the multitude of their riches; 7 None of them can by any means redeem his brother, nor give to God a ransom for him: v6: TRUST IN THEIR WEALTH: Your riches are not going to be able to preserve you and they can't do anything else either. GH: MM tying to DECEITFULNESS OF RICHES-Matthew 13:22.
Psalm 49:9	GH: Jesus : NOT SEE CORRUPTION	9 That he should still live for ever, and not see corruption. NOT SEE CORRUPTION: All human beings see corruption, because they are born in sin, and liable to the curse. The human body of Jesus Christ, as being without sin, saw no corruption when that body was devoid of soul and spirit as it lay in the grave for three days and three nights. GH: Psalm 16:10 tie-in?
Psalm 49:16	GH: GLORY Definition	16 Be not thou afraid when one is made rich, when the glory of his house is increased; **THE GLORY OF HIS HOUSE: This is the idea of glory being wealth, of whatever sort it is. Not just money.**
Psalm 49:17	GH: GLORY Definition	17 For when he dieth he shall carry nothing away: his glory shall not descend after him. **HIS GLORY: This is the idea of glory being wealth, of whatever sort it is. Not just money.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 50	GH: IPF verse	This is in the second book of Psalms, the Deliverer book. Should expect to see things about the Deliverer. v1: THE MIGHTY GOD: This is the Lord's title that God gives the Lord Jesus as He functions as the Deliverer. v7-15: Speaking to members of the believing remnant, looking forward to the time after the Redeemer and during Daniel's 70th week when He is Deliverer. Gives a historical account of the future deliverance their Messiah will provide, an exhortation is given to the remnant and a pronouncement of woe to the apostate nation of things which will happen to them when the Deliverer shows up and destroys their vain religious system. Points out the abominable elements of their vain religious system. v7: MY PEOPLE: The LORD is speaking to the believing remnant. v8: IT WILL NOT REPROVE THEE FOR THY SACRIFICES: God says He will not reprove them for not offering the sacrifices because the remnant is being told by Israel's leaders of the vain religious system that God is going to reprove them. They will be cursed by God and vile things will be said about them for not participating in these sacrifices, making them think maybe they're wrong and they should go back and participate in those offerings and sacrifices.
Psalm 50	GH: IPF verse	v9: I WILL TAKE NO BULLOCK: The Lord is telling the remnant He will take no bullock of goats from them for sacrifices. v14: What the remnant should offer to God instead of the animal sacrifices. v15: CALL ON ME IN THE DAY OF TROUBLE...I WILL DELIVER THEE: He tells the remnant to call on Him and He will deliver them. v15: THE DAY OF TROUBLE: The day of the Lord. v16: UNTO THE WICKED, GOD SAITH: Now God begins to speak to the apostate nation, who are practicing this vain religious system. v17:THOU HATEST INSTRUCTION, AND CASTEST MY WORDS BEHIND THEE: The basis of apostate Israel's entire vain religious system and God's indictment of it. GH: How Israel's religious leaders/apostate nation/vain religious system treated the law and the words of Jesus. The Lord came and instructed them in His earthly ministry and they hated that instruction and they would not receive “his words.” They did that because they were not willing to get rid of their own doctrine, commandments and traditions. In their heart they despised the Law, they hated His instruction, and they cast His words behind them. The enveloped the Law in their own traditions and doctrines of men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 50	GH: IPF verse	v18: WHEN YOU SAWEST A THIEF, THEN THOU CONSENTEDST WITH HIM: The example of someone who can't afford to take care of their parents because they're giving a donation to the temple and the religious leaders forgive them. v18: PARTAKER WITH ADULTERERS: This is the reason the Lord Jesus made such an issue over adultery in His earthly ministry, because they had created a system of doctrine that excused it! When they brought in a women who was caught in adultery they didn't bring in the man because he was one of them - a religious leader in Israel - a Pharisee. They created a tradition that exempted the man from adultery, which a lot of times was a religious leader. v19: This is one of the reasons James spends time talking about the tongue. v21: THESE THINGS HAST THOU DONE: He's going back to the past. v21: I KEPT SILENCE; THOU THOUGHTEST THAT IS WAS ALTOGETHER SUCH AS ONE AS THYSELF: When God was silent, they took the silence to be consent. That if God is not saying anything against it, He must be OK with it. This is the way they took that. They thought He was on board with what they were doing because for 4 centuries you didn't hear a peep from Me against it.
Psalm 50	GH: IPF verse	v21: I KEPT SILENCE: God is referring to the 5th CoP-3rd installment - 400 years of silence. The 'famine...of hearing the words of the Lord'-Amos 8:11. The famine came because of their rebellion. Israel's vain religious system responded incorrectly to that silence. v21: BUT I WILL REPROVE THEE: v21: SET THEM IN ORDER BEFORE THINE EYES: What Jesus Christ did when He came and began giving His corrective doctrine starting at the Sermon on the Mount (Matthew 5 - 7). v21: THEM: Not the people. Referring to the 'instruction' being given that they hated and the words they cast behind them. v22: I TEAR YOU IN PIECES: Is the day of wrath. v23: OFFERETH PRAISE: Not just praising God in general, but points them back to what He has done as Redeemer when He took away the need for animal sacrifices. Recall how the Psalm starts out - animal sacrifices are no longer necessary. See LET US OFFER THE SACRIFICE OF PRAISE-Hebrews 13:15...WITH SUCH SACRIFICES GOD IS WELL PLEASED-Hebrews 13:16.
Psalm 50	GH: IPF verse	v23: GLORIFIETH ME: Those who praise Him for what He accomplished on the Cross, glorifies Him. v23: TO HIM THAT ORDERETH HIS CONVERSATION ARIGHT WILL I SHEW THE SALVATION OF GOD: Those that live according to His corrective doctrine, He will show salvation. v23: SALVATION: Not salvation of the soul. This is the physical deliverance from the judgments of the day of wrath.
Psalm 50:15		15 And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me. Second book of the Psalms - Deliverer. Deliver them from the judgments that are falling on the rest of the people. Remnant is told what they have to do to get deliverance from the divine judgments in the Day of Wrath/Tribulation. Rehearsal for them to understand. He says call on Me for I WILL deliver you. If they stand in stark contrast from the vain religious system, they will be delivered.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 51:1-4		1 Have mercy upon me, O God, according to thy lovingkindness: according unto the multitude of thy tender mercies blot out my transgressions. 2 Wash me throughly from mine iniquity, and cleanse me from my sin. 3 For I acknowledge my transgressions: and my sin is ever before me. 4 Against thee, thee only, have I sinned, and done this evil in thy sight: that thou mightest be justified when thou speakest, and be clear when thou judgest. This is David. Psalm of David - psalm of repentence and brokenness because of his sin - Bathsheba, sending Uriah out to the front-line to be killed. God said you are guilty of adultery and of murder and under the law there is no sacrifice to cover these 2 sins - that's the death penalty. God is doing the 'sure mercies of David' here. By this time, David has already known the Lord, had already been justified unto eternal life, he already has faith. Does David have to have faith AGAIN or do something AGAIN. David said 'blessed is the man to whom the Lord will not impute sin - means once he got justified unto eternal life, no sins would be imputed back to him. Therefore, no need to do something again. Looks like a free ride but it's the only one that you can afford. Thank God for it. Cross-reference to Romans 3:4. If God was imputing sin back to you, you would need another sacrifice. THOU MIGHTEST BE JUSTIFIED: David is saying He wants God to be justified when He speaks and when He judges. I want You to be right. I want You to be proven. To be proven to be just and right. Has nothing to do with David's sin but in him being right or proven right or exonerated. I will be vindicated and within his rights. GH: MM says not everyone agrees with his interpretation.
Psalm 53:1	GH: 'God Consciousness'	1 The fool hath said in his heart, There is no God. Corrupt are they, and have done abominable iniquity: there is none that doeth good. Commentary on 'God Consciousness'. The result of ungodliness that is at work in this world. CORRUPT...DONE ABOMINABLE INIQUITY: Notice the connection between sin and corruption. They are CORRUPT as a result of what they have done.
Psalm 53:6		6 Oh that the salvation of Israel were come out of Zion! When God bringeth back the captivity of his people, Jacob shall rejoice, and Israel shall be glad. OH THAT THE SALVATION OF ISRAEL WERE COME OUT OF ZION: MM tying to Romans 11:26-SO SHALL ALL ISRAEL BE SAVED. MM says it's the same thing as Psalm 14:7.
Psalm 54:4	GH: IPF verse	4 Behold, God is mine helper: the Lord is with them that uphold my soul. GOD IS MINE HELPER: Quoted in THE LORD IS MY HELPER-Hebrews 13:6.

Psalm 55:12-14		12 For it was not an enemy that reproached me; then I could have borne it: neither was it he that hated me that did magnify himself against me; then I would have hid myself from him: 13 But it was thou, a man mine equal, my guide, and mine acquaintance. 14 We took sweet counsel together, and walked unto the house of God in company. Look at how the word COUNSEL is used by David. Has a prophetic significance to it that is really about Judas Iscariot and Jesus Christ. David is talking about a very close friend/treacherous friend who later/ultimately betrayed him and became his enemy prophetically. v13: A MAN MINE EQUAL: Something in this phrase - a delicate and difficult issue. v14: TOOK SWEET COUNSEL TOGETHER: A trecherous friend that betrays David.
Psalm 55:17	Prayer : Israel	17 Evening, and morning, and at noon, will I pray, and cry aloud: and he shall hear my voice. EVENING, AND MORNING, AND AT NOON: In Israel's program, prayer was very different than the way we think of prayer today. Israel prayed 3 times a day - morning, noon, and evening. You can pray anytime. GH: Isaiah 56:7 tells the PLACE of prayer for Israel - the temple or before that, the tabernacle.
Psalm 60		v1: THOU HAST CAST US OFF: v2: TURN THYSELF: Implies that God has turned away from them, He has turned His Back to them. v8-12: They get reminded of the doctrine. This is a sign of what God is going to do with Moab and Edom. There's a sign that God is going to perform when He does something with Moab and Edom that indicates I AM about to start delivering you from this thing I HAVE been holding off on. v9: WHO WILL LEAD ME INTO THE STRONG CITY: The question the remnant is asking. v10: HADST CAST US OFF: Past tense v12: THROUGH GOD WE SHALL DO VALIANTLY: MM jokes when He starts delivering them, isn't it a little easier to go 'yeah'. He is looking for members of the believing remnant that are still PERSUADED-Romans 8:38. In the meantime, He has purposes that He is fulfilling, for their benefit and to the detriment of the adversary (GH: See Psalm 43 commentary). GH: Or Psalm 44?
Psalm 63:6	Prayer	6 When I remember thee upon my bed, and meditate on thee in the night watches. MEDITATE ON THEE IN THE NIGHT WATCHES: MM thinks this is thinking about God/MERCIES/the doctrine/word when you wake up at night.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 66:18	GH: Prayer : Dispensationally Incorrect	18 If I regard iniquity in my heart, the Lord will not hear me: THE LORD WILL NOT HEAR ME: People incorrectly believe that God will intervene if they confess their sins. Say that if you have sin then God is not going to hear you. MM was taught you had to confess your sins so God would hear you. What if I did some things and forgot? Will God ever answer another prayer again? MM taught in Bible college to ask God to remind him and he would confess it. If God doesn't remind you of it, that it is OK. Wait a minute - that's If I committed inquity He won't hear me, He didn't say unless I DECIDE I AM going to let that one go. MM asks why is this wrong? It's in the Bible. Someone somewhere in this country is preaching this today. It's his job as the high sheriff of heaven to make sure everybody does what he wants them to do. This is not proper doctrine for us. You are in God's program with Israel under the law.
Psalm 66:22		22 The Lord said, I will bring again from Bashan, I will bring my people again from the depths of the sea: The declaration that God is going to take for His own, this area that had been considered a stronghold for Satan and those beings who rebelled against God. Gets fulfilled in Ephesians with Jesus. In Ephesians 4, Paul is going to quote Psalm 68.
Psalm 68		Near the end of the Deliverer section of the Psalms. The whole context of Psalm 68 is the total victory that God will have on the earth, when He “ascends” to the “mountain of the Lord in the future kingdom when it is established on earth at Jerusalem where Jesus will sit on the throne of David as King of kings and Lord of lords.
Psalm 68	GH: SIIP Verse	Asking for Genesis 22:15-18 to be fulfilled. GH: For God to avenge His cause in advance of the kingdom. v1: LET HIS ENEMIES BE SCATTERED: v2: DRIVE THEM AWAY: v2: LET THE WICKED PERISH: v3: LET THE RIGHTEOUS BE GLAD: v4: HIM THAT RIDETH UPON THE HEAVENS: They are making an appeal for him to “ride upon the heavens” (to fulfill his oath and save them). v4: JAH: Part of the Name Jehovah. They are making an appeal to the Second Person of the Godhead to ride upon the heavens. MM says He is riding a white horse. And when He comes back, that's the Armageddon campaign and they're pleading for Him to come and avenge His cause with them upon the earth.
Psalm 68:1-14		About what the Lord will do upon His 2nd Advent.
Psalm 68:8		8 The earth shook, the heavens also dropped at the presence of God: even Sinai itself was moved at the presence of God, the God of Israel. SINAI ITSELF: It is within the proper use of the language to use “it” to refer to the Spirit of God. You could leave ITSELF out and it would still make perfect sense. ITSELF is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 68:15		15 The hill of God is as the hill of Bashan; an high hill as the hill of Bashan. BASHAN When the Lord has defeated His enemies, He will “ascend the hill of God” where He will be King over all the earth. When the Lord “ascends” in Psalm 68, it is to “the hill of God” THE HILL OF GOD: Where He is ascending. It's NOT the HILL OF BASHAN, it's like that.
Psalm 68:16		16 Why leap ye, ye high hills? this is the hill which God desireth to dwell in; yea, the Lord will dwell in it for ever. THIS IS THE HILL WHICH GOD DESIRETH TO DWELL IN; YET, THE LORD WILL DWELL IN IT FOR EVER: About the kingdom. When the Lord comes back and sets up the kingdom, He ascends up that hill and He is going to reign over all of the earth there.
Psalm 68:18		18 Thou hast ascended on high, thou hast led captivity captive: thou hast received gifts for men; yea, for the rebellious also, that the Lord God might dwell among them. At that time, God will have put down every enemy, he will have led all His foes captive. Terminology that means He has achieved a complete victory. God is saying, 'Satan, you have got a stronghold here and you think everything you got, you got this all built up. I AM taking that. I AM going to take that over, the place where you are the strongest. I AM going to strip that away from you and you're not going to be left with anything. MM says this takes you right into Ephesians 4:8. ASCENDED ON HIGH: Is not about the heavenly places, nor is it about the ascension of Jesus after His resurrection. It is about what the Lord will do upon His 2nd Advent (v1-14). This is a hill/mountain in Jerusalem. Called THE HILL OF THE LORD-Psalm 68:15. LED CAPTIVITY CAPTIVE: Those who held others captive, the Lord has taken captive. Is for the saints in both programs. His victory at Armageddon. After He returns, He has this great victory. After the victory, He ascends up to His holy hill and becomes the King over all of the earth.
Psalm 68:23		23 That thy foot may be dipped in the blood of thine enemies, and the tongue of thy dogs in the same. THY FOOT MAY BE DIPPED IN THE BLOOD OF THINE ENEMIES: He will dip His Feet in the blood of his enemies at the great and terrible day of the Lord. See the Lord avenging His cause with Israel. MM says reminds of A VESTURE DIPPED IN BLOOD-Revelation 19:13.
Psalm 68:29-32		Once He ascends that high hill and becomes King of kings, David speaks of the millennium where kings will come before the Lord in Jerusalem and present gifts to Him, acknowledging who He is.
Psalm 69:4	Prophecy : Christ	4 They that hate me without a cause are more than the hairs of mine head: they that would destroy me, being mine enemies wrongfully, are mighty: then I restored that which I took not away. Prophecy about Christ. HATE ME WITHOUT A CAUSE: Jesus healed a blind man, gave a lame man the ability to walk, the deaf could hear, and the want to kill Him and Jesus says FOR WHICH OF THOSE WORKS(miracles) DO YE STONE(seek to kill) ME-John 10:32

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 69:9		9 For the zeal of thine house hath eaten me up; and the reproaches of them that reproached thee are fallen upon me. This is a Messianic psalm, which is to say, it is about the Lord Jesus Christ functioning as Israel's Messiah, but, it is also about David.
Psalm 69:21-22	GH: IPF verse	21 They gave me also gall for my meat; and in my thirst they gave me vinegar to drink. 22 Let their table become a snare before them: and that which should have been for their welfare, let it become a trap. v21: This is the Lord on the Cross. v22: LET THEIR TABLE BECOME A SNARE: Paul quotes in Romans 11:9. v22: TABLE: See Exodus 25:30.
Psalm 69:22	GH: Extenion of Mercy Prophecy?	22 Let their table become a snare before them: and that which should have been for their welfare, let it become a trap. David is talking about something that is going to happen out in the future. Paul quotes in Romans 11:9. The colon shows that what follows is going to give you some details on what you just read. AND THAT WHICH SHOULD HAVE BEEN FOR THEIR WELFARE, LET IT BECOME A TRAP: MM says this is exactly what happened with this 1-year extension of mercy, the year that followed the Cross. God was gracious with them to give them that extra year to change their mind. Not only did He give them an extra year of time, but under the administration of the Holy Ghost, Peter and the rest of the apostles preached a plain and clear message and gave the religious leaders of Israel an opportunity that this Jesus that they crucified was really Israel's Christ. MM says that's the very words that Peter uses in Acts 2:36 during the day of Pentecost. Then that mercy ran out, that which was meant for their benefit became a snare and it became a recompense and a stumblingblock. The thing that was meant for their good, now resulted in their stumbling and blindness.
Psalm 69:25	GH: GPPI/EoM verse	25 Let their habitation be desolate; and let none dwell in their tents. Judas' replacement prophecy. LET THEIR HABITATION BE DESOLATE; AND LET NONE DWELL IN THEIR TENTS: Peter quotes LET HIS HABITATION BE DESOLATE, AND LET NO MAN DWELL THEREIN-Acts 1:20.
Psalm 72	GH: GPPI verse	The superscription of Psalm 72 says that it is a psalm for Solomon. There is a type at work here as Solomon types the Messiah and the blessings that come to Israel. In this Psalm we will be looking at the grandeur of Israel's kingdom under their Messiah. Look at the significance of the land of Israel and the significance of the purpose of the people of Israel.
Psalm 72:7-19	GH: GPPI verse	Solomon's dominion never reached these levels, but the eternal kingdom with Jesus sitting on the throne of David will see these things come to reality. This never happened in the days of Solomon. v7-11: Didn't happen in the days of Solomon. v17: MEN SHALL BE BLESSED IN HIM: MM says remember the Abrahamic Covenant. v17: NATIONS SHALL BE BLESSED: v19: BLESSED BE HIS GLORIOUS NAME:
Psalm 74		Talks about the breaking of the head and the wounding of Leviathan points back to the crossing at the Red Sea.

Psalm 74:1		1 O God, why hast thou cast us off for ever? why doth thine anger smoke against the sheep of thy pasture? WHY HAST THOU CAST US OFF FOR EVER: Coming back to fill in more details on the Deliverer mandate.
Psalm 74:9-10	GH: Spiritual Phenomena Verse	9 We see not our signs: there is no more any prophet: neither is there among us any that knoweth how long. 10 O God, how long shall the adversary reproach? shall the enemy blaspheme thy name for ever? This explains why God is not dealing with the Body of Christ as He did with Israel in their program. More specifically, it explains why God does not choose to deal with us through miracles and signs and wonders that He did with Israel in their program. If Israel didn't see their signs and marvels and God's miraculous signs, they know something is wrong. Were never supposed to lose a battle. Contingent on their performance (GH: keeping the law - performance system). v9: WE SEE NOT OUR SIGNS: Here's what they would say if something was wrong because they didn't see God's miracles. When this is going on, they are saying, hey, we don't see what we are looking to see. We don't see our deliverances, we don't see our signs. It looks like we have been CAST..OFF FOR EVER-v1. v9: SEE NOT OUR SIGNS: Israel said that because that's what they were supposed to be seeing. MM tying to Exodus 34:10. Not seeing them is strange and unnatural to them. There's a naturalness in Israel's program to see these signs. v10: HOW LONG SHALL THE ADVERSARY REPROACH
Psalm 74:14		14 Thou brakest the heads of leviathan in pieces, and gavest him to be meat to the people inhabiting the wilderness. Imagery here (heads - plural) are not meant for us to identify this as some animal that is now extinct. An Israelite would instantly know that the supernatural is in view here. LEVIATHAN THE WILDERNESS: Are describing places that are deadly to you and not your normal habitat.
Psalm 74:16		16 The day is thine, the night also is thine: thou hast prepared the light and the sun. THOU HAST PREPARED THE LIGHT (DAY 1) and the SUN (DAY 4): Two different things.
Psalm 74:18-23	GH: WoD Teaching	v18: THE FOOLISH PEOPLE v19: THE WICKED v19: THE CONGREGATION OF THY POOR v20: THE DARK PLACES OF THE EARTH ARE FULL OF THE HABITATION OF CRUELTY: Think about the WORKS OF DARKNESS. v22: THE FOOLISH MAN: Not talking about someone who is not smart and I AM going to be mad at him. Talking about someone who is diametrically opposed to Him. v23: THINE ENEMIES: THE TUMULT OF THOSE THAT RISE UP AGAINST THEE INCREASETH CONTINUALLY v23: TUMULT: MM tying to Psalm 83.
Psalm 77:7		7 Will the Lord cast off for ever? and will he be favourable no more? CAST OFF FOR EVER?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 77:12	Prayer GH: Relationship Prayer?	12 I will meditate also of all thy work, and talk of thy doings. **Encapsulates the 2 areas MM wants us to start doing:** **1. I WILL MEDITATE: Thinking about the doctrine and getting those details in our mind, getting all of that straightened out.** **2. AND TALK OF THY DOINGS: Then we can actually talk - MM knows this is not necessarily talking about prayer exclusively. Can talk to others too**.
Psalm 78:1-2	GH: Jesus Earthly Minstry Prophecy	1 Give ear, O my people, to my law: incline your ears to the words of my mouth. 2 I will open my mouth in a parable: I will utter dark sayings of old: When you are in Psalm 78, you are in the 3rd book of the Psalms which correlates to the Avenger concept from the Davidic covenant. This is indicative of the time of the Lord's earthly ministry (Jesus and the parables) and then carrying that into the day of wrath (dark sayings of old). v1: MASCHIL: Psalm that instructs or teaches. See MASCHIL and you know that it is an instructional Psalm. v2: I WILL OPEN MY MOUTH IN A PARABLE: There you have the earthly ministry of Jesus. v2: I WILL UTTER DARK SAYINGS OF OLD MM says right here He has told you the two ways that information was going to be given in the last 2 phases of that climatic stage of Israel's program. 1. When the Messiah comes on the scene, He is going to speak to you IN A PARABLE. 2. When you get out in the Day of Wrath, it's not going to be the Messiah giving you a parable but it's going to be DARK SAYINGS OF OLD. To by a MAN OF UNDERSTANDING. Someone in the little flock that has achieved that apellative.
Psalm 78:62	GH: Inheritance verse	62 He gave his people over also unto the sword; and was wroth with his inheritance. WAS WROTH WITH HIS INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Psalm 78:71	GH: Inheritance verse	71 From following the ewes great with young he brought him to feed Jacob his people, and Israel his inheritance. ISRAEL HIS INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Psalm 82	GH: Divine Council	God pronounces judgment on those (GH: sons of God in the Divine Council who instead of bringing those nations back to God, they end up using those nations for their own ends and purposes) and He is going to give them what MM considers to be a terrifying look at their end because of their disobedience. God is angry with those sons who were given power over the nations to bring them back to Him. Instead, they promoted idolatry, they corrupted themselves, they rewarded wickedness, they're going exactly what they shouldn't do. God says, you know what, I HAVE said you are gods and your children are children of the MOST HIGH, but you will die like men. If this was Jewish elders, what would be the big threat of dying like men? But when you are talking about these, you are talking about stripping away their immortality.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 82:1	Divine Council = THE CONGREGATION OF THE MIGHTY	1 God standeth in the congregation of the mighty; he judgeth among the gods. GOD: The God of Israel. Is the word Elohim, which is the Hebrew word. THE CONGREGATION OF THE MIGHTY: Here's another name for the Divine Council. HE JUDGETH AMONG THE GODS: MM says if you were looking at this in the Hebrew, the first word GOD would be Elohim and the last word 'gods' would be Elohim except the last word would be plural. It looks like this is describing a Pantheon (a religious collection of gods), but that's because we are ascribing the letters G-O-D to mean those attributes that we think only belong to Yahweh. The Jews were not practicing polytheism (more than 1 god) even when it says this in the Hebrew Bible. It's still monotheism. God is not talking about humans or a Pantheon. GODS: All lower case. The God's of Yahweh's council. MM says when he went to Bible college, this verse bothered him. Thought there's just one true God. He thought there was One True God and all the other gods were fake gods, made up gods. They were myths and there was nothing real behind them.
Psalm 82:1	Divine Council = THE CONGREGATION OF THE MIGHTY	1 God standeth in the congregation of the mighty; he judgeth among the gods. When a guy had an idol he just had an idol and was making up all the other stuff. MM says this is not true. He was wrong about that. He finally learned that there is something behind that. These cames from the sons of God who were members of the Divine Council who were given power over the nations to guide these nations back to the True and Living God but they didn't do that. They created forms of idolatry where they would be worshipped and followed. You get these names in your Bible - Chemosh, Molech, Baal. Those are names representative of real spiritual beings that are trying to elevate themselves and to be worshipped. MM is NOT saying they are the same as God. This bothered MM as a young preacher. He thought no, there's only one God. This is problematic for some people, especially translators who didn't understand this and they change this last word to 'judges'. MM says every single commentary he has replaces 'gods' with either 'elders or judges of Israel', making them human people. He has never seen a commentary that allows that the last word to be what it is. MM says if we are to believe this then there are a bunch of Jewish elders in the sky ruling the nations. The Bible never calls those rulers in Israel Elohim.
Psalm 82:4	Deliverer Mandate	4 Deliver the poor and needy: rid them out of the hand of the wicked. DELIVER THE POOR AND NEEDY: GH: Deliverer mandate RID THEM OUT OF THE HAND OF THE WICKED
Psalm 82:6	GH: spirit beings	6 I have said, Ye are gods; and all of you are children of the most High. I HAVE SAID, YE ARE GODS: Jesus quotes in John 10:34. GODS: Little 'g'. Again, the Hebrew is Elohim plural.
Psalm 82:7		7 But ye shall die like men, and fall like one of the princes. YE SHALL DIE LIKE MEN: MM says think about it - you're a spirit being who has been around since the beginning. You're not aging. You participate in something and when the Lord calls you in He says now you're going to die like men. MM says it almost makes him shudder to think of the severity of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 82:8	GH: Inheritance verse	8 Arise, O God, judge the earth: for thou shalt inherit all nations. THOU SHALT INHERIT THE NATIONS: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Psalm 83	GH: Ungodliness	Has an implication for out in the Day of Wrath. When the antichrist comes on the scene, that's what he's going to try and do, but that's not a new thing. He has always been trying to produce THE WORLD OF THE UNGODLY-2 Peter 2:5 since God made a covenant with Israel and if he can succeed, he'll do away with the nation of Israel and hold onto the earth.
Psalm 83	GH: SIIP Verse	Is describing the extermination policy of the anti-Christ that follows the mid-point of Daniel's 70th week. The BR is talking to God out in the time of the Tribulation when they see the confederacy of nations being put together, a confederacy that assembled against Israel. The believing remnant know their Messiah has been raised from the dead and is seated at the Father's right hand. They are making an appeal for the Lord to come and deliver them. The middle of the psalm identifies the 10-nation confederation. See who the Deliverer and Avenger mandates are combined in a way. There is a deliverance that provides sustenance, a deliverance that hides them, and a deliverance that protects them from harm, but there is also a deliverance that is produced by the destruction of God's enemies, and that is the Avenger mandate. The BR are asking God to destroy His enemies, to fulfill the promise made in Genesis 22 with what was promised to Abraham. Shows what's going to happen to the believing remnant at the mid-point of the tribulation. MM says the kill order extends all the way to the mid-point. But here you can see the extermination order even extends to unsaved Israel.
Psalm 83	GH: SIIP Verse	v3-4: Is describing the extermination policy of the antichrist which follows the mid-point of the Week. The avenging of his cause is the defeat and destruction of His enemies (His seed will be possessing their gates, as part of the Abrahamic Covenant). MM says you have to know something about Israel's history when you read this. Asking God to come and destroy His enemies. MM showing how the Deliverer and Avenger mandates are sort of combined in a way. v3: Two groups: 1. THEY HAVE TAKEN CRAFT COUNSEL AGAINST THY PEOPLE: The nation as a whole, which would include the unsaved. 2. CONSULTED AGAINST THY HIDDEN ONES: Members of the believing remnant that God is now supernaturally protecting and hiding.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 83	GH: SIIP Verse	v3: AGAINST THY PEOPLE: Israel. v3: AGAINST THY HIDDEN ONES: The “hidden ones” are the members of the BR who are benefitting from that “great salvation” which is provided to them, who are hiding from that extermination policy of the anti-Christ. They are obtaining that GREAT SALVATION-Hebrews ?:?, which is talking about a sanctification salvation. v4: See the full on extermination policy for everybody in Israel. God is not hiding you, He is not giving you provision, and you are going to be fair game for the anti-Christ. Only the believing remnant who are counted worthy are getting protected in the second half of Daniel's 70th week. If you were part of the believing remnant but dropped out, you are going to be treated just like unsaved Israel on the earth. They are going to be resurrected but there's not going to be a reward. They're going to get eternal life, they're going to be resurrected, but they're going to live outside the kingdom (GH: in OUTER DARKNESS). In the first half, there's a push to get rid of the believing remnant. In the second half, there's a push to get rid of them all. v4: LET US CUT THEM OFF FROM BEING A NATION, THAT THE NAME OF ISRAEL BE NO MORE IN REMEMBERANCE: GH: Second half of Daniel's 70th week, all of Israel is under a kill order, not just the believing remnant.
Psalm 83	GH: SIIP Verse	v4: CUT THEM OFF FROM BEING A NATION: v5-8: The 10 that will confederate against the nation at the mid-point of Daniel's 70th week. v9-18: The BRs prayer. What they will be praying when they see these 10 nations get together for the purpose of wiping them out. God is going to have to deal with these enemies (avenge His cause with Israel upon the earth) and it must be done prior to the kingdom. v9: THEM: God's enemies. v10: Not trying to become obscene here. If you have a garden, you can actually go to the store and buy animal dung which acts as fertilizer. v10: THEY BECAME AS DUNG FOR THE EARTH: They got slain, those bodies corrupted away and all that went right back into the soil.
Psalm 83	GH: SIIP Verse	v15: PERSECUTE THEM: v15: MAKE THEM AFRAID: v16: FILL THEIR FACES WITH SHAME: v17: LET THEM BE CONFOUNDED AND TROUBLED: v17: PUT THE SHAME, AND PERISH: v18: JEHOVAH: Is English for ALL CAPS LORD. Can be talking about either the Father or the Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 83	GH: GPPI verse	Has to do with the ten-nation confederacy (the 10 kings that confederate with the anti-Christ) which is put together to keep God from achieving his plan and purpose with Israel. Just like Satan attempted to kill off the nation of Israel with AMALEK-Exodus, the beast utilizes the ten kings in an attempt to annihilate the nation of Israel in the same way during the Lord's day of wrath. v4: LET US CUT THEM OFF FROM BEING A NATION; THAT THE NAME OF ISRAEL MAY BE NO MORE IN REMEMBERANCE: At that time, the extermination policy against Israel will be at a maximum. MM says this is part of the Satanic policy of evil against Israel. v6-8: See the geographical areas of the ten kings who are involved in this phase of the policy of evil at that time. Israel's only hope of surviving the plan of evil devised against them is found in God's provision to them through His Jehovah-ness and grace. If God does not fight for them, they will not survive this phase of the policy of evil. MM says this is not a European Common Market or a revived Roman empire. It's right around the land of Israel. v6: MM says the names of these nations change with the passage of time but the geographical locations remain the same.
Psalm 83	GH: IPF verse	v1-5: References concerning the afflictions or 'fiery trials'-1 Peter 4:12 of the believing remnant. v2: ENEMIES MAKE A TUMULT: v2: THEY THAT HATE THEE: v3: CRAFTY COUNSEL AGAINST THY PEOPLE: v3: CONSULTED AGAINST THY HIDDEN ONES: v4: LET US CUT THEM OFF FROM BEING A NATION; THAT THE NAME OF ISRAEL MAY BE NO MORE IN REMEMBRANCE:
Psalm 83:4	GH: Ungodliness - Satan's Purpose	4 They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. CUT THEM OFF FROM BEING A NATION; THAT THE NAME OF ISRAEL MAY BE NO MORE IN REMEMBERANCE: Covers Satan's stated purpose. This is what Satan is doing with the development of the Gentiles into producing THE WORLD OF THE UNGODLY and that thing became so successful that even part of the nation of Israel got affected by that ungodliness themselves. The real purpose that Satan has is to wipe that out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 89:1-4		1 I will sing of the mercies of the Lord for ever: with my mouth will I make known thy faithfulness to all generations. 2 For I have said, Mercy shall be built up for ever: thy faithfulness shalt thou establish in the very heavens. 3 I have made a covenant with my chosen, I have sworn unto David my servant, 4 Thy seed will I establish for ever, and build up thy throne to all generations. Selah. Notice the superscription - <<MASCHIL OF ETHAN THE EZRAHITE>> - it's a MASCHIL psalm - a psalm of instruction. It is meant to instruct something. Calling on God to remember His covenant with David. All 5 mandates of the Davidic covenant are in the psalms, in the correct order. 1. Redeemer: at the Cross 2. Deliverer: in the Day of Wrath 3. Avenger: at the Second Coming/Advent 4. King: in the Kingdom 5. Blesser: in the Kingdom as well
Psalm 89:1-4		1 I will sing of the mercies of the Lord for ever: with my mouth will I make known thy faithfulness to all generations. 2 For I have said, Mercy shall be built up for ever: thy faithfulness shalt thou establish in the very heavens. 3 I have made a covenant with my chosen, I have sworn unto David my servant, 4 Thy seed will I establish for ever, and build up thy throne to all generations. Selah. Understand where this psalm applies. Remember the 5 cycles of punishment. Psalm recognizes something out of the Davidic covenant, asking Him to put His Jehovahness and grace into effect for the nation of Israel. v3: There's the Davidic covenant reference. v4: Davidic covenant called for a throne. When the Lord shows up and provides this kind of rules with WJJE, that is exactly the opposite of what God charges Israel's rulers with, Not only in their TIME PAST program but exactly what those rules will be doing in the Day of Wrath.
Psalm 89:5	Divine Council = THE CONGREGATION OF SAINTS	5 And the heavens shall praise thy wonders, O Lord: thy faithfulness also in the congregation of the saints. MM says not knowing how to RDW and not knowing the proper definition of SAINTS is a dangerous combination because it led him to believe we were coming back with the Lord at Armegeddon to the earth. He thought we are coming back to the earth, we've got to be reigning with Him on the earth. MM says most all of us have been there. THE CONGREGATION OF SAINTS: GH: Another name for the Divine Council. In the heaven, not about Jewish elders ruling over the nation. In Israel's program, the Divine Council is the host of heaven. They are the ones that are making up that counsel. SAINTS: The word means 'a holy one'. Remeber HOLY means 'set apart, in this case for the purpose for which we are created. When you see the word SAINTS don't automatically default to 'saved people'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 89:7	Divine Council= THE ASSEMBLY OF THE SAINTS	7 God is greatly to be feared in the assembly of the saints, and to be had in reverence of all them that are about him. THE ASSEMBLY OF THE SAINTS: GH: Another name for the Divine Council. In the heaven, not about Jewish elders ruling over the nation.
Psalm 89:13-18	GH: GPPI verse	God's nation is the means by which the nations of the world will be brought back under God's authority. The "most high over all the earth" again points us to the main culprit; Satan. v13: Starts the prayer. v18: THAT MEN MY KNOW...ART THE MOST HIGH: This is Israel's job in the kingdom, to make men know that Jehovah is the most high over all the earth. God is the possessor. This is what will happen when it comes to the kingdom. v18: WHOSE NAME ALONG IS JEHOVAH:
Psalm 89:13-14		13 Thou hast a mighty arm: strong is thy hand, and high is thy right hand. 14 Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face. v13: Talking about the Lord Jesus. v14: JUSTICE AND JUDGMENT: Table of contents. Two of the first 4 things that my Heavenly Father is going to instruct me in - to renew my mind and get me thinking like He thinks. When the Lord shows up and provides this kind of rule with WJJE, that is exactly the opposite of what God charges Israel's rulers with, Not only in their TIME PAST program but exactly what those rules will be doing in the Day of Wrath.
Psalm 89:26	GH: Sonship	26 He shall cry unto me, Thou art my father, my God, and the rock of my salvation. MY FATHER, MY GOD, AND THE ROCK OF MY SALVATION: David cries 3 things in the right order, in the correct order that a son would see that. If you have the relationship, the first word should have been, He is my Father. The first and fundamental issue of this whole relationship - David got this order right.
Psalm 89:27	GH: IPF verse	27 Also I will make him my firstborn, higher than the kings of the earth. This is the purpose of all things around the mandates of the Davidic covenant. This is the whole purpose of making the Son the Deliverer, Avenger, King and Blesser; that He would be higher than the kings of the earth and the angels will worship Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 90:2		2 Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God. MOUNTAINS WERE BROUGHT FORTH...FORMED THE EARTH: When God went about the business of forming the earth the way He wanted it to be, the way He had already determined it to be by His wise master plan. God created it and He also formed it. FROM EVERLASING TO EVERLASTING, THOU ART GOD: God has always existed; that He is eternal. Two streets both ways - past and future. FROM EVERLASTING: Pointing to the past. TO EVERLASTING: Pointing to the future. EVERLASTING: Is a one-way street.
Psalm 91:4		4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler. THY SHIELD AND BUCKLER
Psalm 92:2	GH: Lovingkindness of the Lord verse	2 To shew forth thy lovingkindness in the morning, and thy faithfulness every night, THY LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 93:1-2	Non-MBI	1 The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself: the world also is stablished, that it cannot be moved. 2 Thy throne is established of old: thou art from everlasting. RB: v2: THRONE: Speaks of God's Authority. v2: EVERLASTING: There is no beginning with God. Where did God begin? Everything has a beginning. Everything has a cause until you reach the uncaused cause that causes everything.
Psalm 94	GH: IPF verse	See the same issue of vengeance as in Luke 18 and James 5. God teaches the remnant out of the law, gives them rest form the “days of adversity,” and has a time in which the wicked will be caught in a pit which is digged for them by the LORD. v1: TO WHOM VENGEANCE BELONGETH, O GOD, TO WHOM VENGEANCE BELONGETH: v1: SHEW THYSELF: Saying this because He is bearing long. This avengement is not coming yet, they are looking for it. v2: THOU JUDGE OF THE EARTH: Ties to the Parable of the unjust judge in Luke 18:1-8. v2: RENDER A REWARD TO THE PROUD: A bad reward. v6: SLAY THE WIDOW...MURDER THE FATHERLESS: They are not visiting and helping them, they are killing them and taking their stuff. The issue regarding the widow and the fatherless is a hallmark sign of how the vain religious system was conducting their business. Ties to 'visit the fatherless and widows in their affliction'-James 1:27, which is a component of 'pure religion and undefiled before God'-James 1:27. Also Jesus in 'ye devour widows houses'-Matthew 23:14. Why the cries are going up to 'the Lord of Saboath'-James 5:4.

Psalm 94:1	GH: Tribulation Prophecy	1 O Lord God, to whom vengeance belongeth; O God, to whom vengeance belongeth, shew thyself. GH: Similar to Deuteronomy 32:35 & Romans 12:19. Talking about the judgment that comes in the great and terrible day of the Lord out there at the end of Daniel's 70th week.
Psalm 94:4		14 For the Lord will not cast off his people, neither will he forsake his inheritance. THE LORD WILL NOT CAST OFF HIS PEOPLE
Psalm 94:11		11 The Lord knoweth the thoughts of man, that they are vanity. THE LORD KNOWETH THE THOUGHTS OF A MAN, THAT THEY ARE VANITY: Empathizes that human wisdom is going to come under the judgment of God. Paul quotes THE LORD KNOWETH THE THOUGHTS OF THE WISE, THAT THEY ARE VAIN-1 Corinthians 3:20. VANITY: Means they are empty, there's nothing to that. It was supposed to be something and it turns out to be nothing.
Psalm 94:14	GH: Inheritance verse	14 For the Lord will not cast off his people, neither will he forsake his inheritance. HIS INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Psalm 94:16-17	GH: WoD Teaching	16 Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity? 17 Unless the Lord had been my help, my soul had almost dwelt in silence. They are also taught to CAST OFF the WORKS OF DARKNESS-Romans 13:12. Remember this includes an open and public repudiation. If the Lord hadn't helped me, I'd have just kept quiet but instead now they're going to rise up against the evil doers and stand up against the workers of iniquity. This is the issue of public repudiation.
Psalm 95:5		5 The sea is his, and he made it: and his hands formed the dry land. HE MADE IT...HIS HANDS FORMED THE DRY LAND: When God went about the business of forming the earth the way He wanted it to be, the way He had already determined it to be by His wise master plan. God created it and He also formed it. Get this picture of these huge Hands that are scooping and packing up dirt. HE WHO MADE THE EARTH AND FORMED IT: He brought it into being and then He shaped it - put it at just the size and just the place - everything just the way He wanted.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 95:7-11	GH: IPF verse	Written because of their refusing to enter into the land and is waiting for future fulfillment. What David prophesies, is that when that second offer of the Kingdom is made to Israel, the people to whom it would be preached would be exhorted not to do like their Fathers back in Moses' day. Because if they did, they would not be part of that Royal House. Just as those in Moses' day would not enter into the Kingdom because of the report of 10 of 12 spies, then neither would they. When the Lord came and began to preach the acceptable year of the Lord-Luke 4:19, it was the "today" of Psalm 95. He began to preach that which was put on hold back in Moses' day. God expects the remnant to understand these things. v7: TO DAY IF YE WILL HEAR HIS VOICE: David writes that when "to day" shows up, HARDEN NOT YOUR HEART-v8 like they did in Moses' day. When Jesus shows up, He preaches that "today" is here! Don't harden your hearts – this is "today." This becomes THE ACCEPTABLE YEAR OF THE LORD. v8: AS IN THE PROVOCATION: As in the day they provoked Him back when they refused to enter the land. v9: WHEN YOUR FATHERS TEMPTED ME: v11: I SWARE IN MY WRATH THAT THEY SHOULD NOT ENTER MY REST:
Psalm 97:6		6 The heavens declare his righteousness, and all the people see his glory. THE HEAVENS DECLARE HIS RIGHTEOUSNESS...THE PEOPLE SEE HIS GLORY: The creation declares the glory of God directly, and it declares His righteousness which indirectly manifest His glory. In both ways, directly and indirectly, the creation reveals God's glory. Here's the creation INDIRECTLY revealing/revelation the glory of God. GH: Compare to Psalm 19:1-directly.
Psalm 97:9	GH: IPF verse	9 For thou, Lord, art high above all the earth: thou art exalted far above all gods. EXALTED FAR ABOVE ALL GODS:
Psalm 98:1-2		1 O sing unto the Lord a new song; for he hath done marvellous things: his right hand, and his holy arm, hath gotten him the victory. 2 The Lord hath made known his salvation: his righteousness hath he openly shewed in the sight of the heathen. 4th book of the Psalms - Know it has do with the 4th mandate of the Davidic covenant - King. v1: One of the 'new song psalms'. v1: HIS RIGHT HAND, AND HIS HOLY ARM: Talking about the Lord Jesus. v2: Remember these are 5th cycle psalms.
Psalm 98:6		6 With trumpets and sound of cornet make a joyful noise before the Lord, the King MAKE A JOYFUL NOISE BEFORE THE LORD, THE KING: Not surprising considering where we are in the Psalms.
Psalm 98:9		9 Before the Lord; for he cometh to judge the earth: with righteousness shall he judge the world, and the people with equity. HE JUDGE THE WORLD, AND THE PEOPLE WITH EQUITY: 2 of the first 4 things that my Heavenly Father is going to instruct me in - to renew my mind and get me thinking like He thinks. When the Lord shows up and provides this kind of rule with WJJE, that is exactly the opposite of what God charges Israel's rulers with, Not only in their TIME PAST program but exactly what those rules will be doing in the Day of Wrath.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 99:1-4		1 The Lord reigneth; let the people tremble: he sitteth between the cherubims; let the earth be moved. 2 The Lord is great in Zion; and he is high above all the people. 3 Let them praise thy great and terrible name; for it is holy. 4 The king's strength also loveth judgment; thou dost establish equity, thou executest judgment and righteousness in Jacob. When the Lord shows up and provides this kind of rule with WJJE, that is exactly the opposite of what God charges Israel's rulers with, Not only in their TIME PAST program but exactly what those rules will be doing in the Day of Wrath. MM doesn't want to oversimplify the term but couldn't you say that righteousness is the right thing. What is just or right is justice.
Psalm 102-104	GH: Heavenly Places	GH: Talk about the creation of the heavens
Psalm 102	GH: IPF verse	Deals with the King and the new heavens and new earth. The very reason the Lord created the heavens and earth in the first place was to establish His kingdom there. v25-27: Quoted in Hebrews 1:10-12.
Psalm 102:25-26	GH: Heavenly Places	25 Of old hast thou laid the foundation of the earth: and the heavens are the work of thy hands. 26 They shall perish, but thou shalt endure: yea, all of them shall wax old like a garment; as a vesture shalt thou change them, and they shall be changed: THOU LAID THE FOUNDATION OF THE EARTH: AND THE HEAVENS THEY SHALL PERISH WAX OLD LIKE A GARMENT; AS A VESTURE: Two things: 1. MM depicts the shape of the universe like the O.T. high priest's garment & Jesus's garment on the Cross - whole in the top and no break in it all the way around (cast lots for the garment because if they tore it, it would not have been any good) THEY SHALL BE CHANGED: GH: Temporary
Psalm 103:11	GH: Heavenly Places	11 For as the heaven is high above the earth, so great is his mercy toward them that fear him. THE HEAVEN IS HIGH ABOVE THE EARTH
Psalm 103:19	GH: Heavenly Places	19 The Lord hath prepared his throne in the heavens; and his kingdom ruleth over all. THE LORD HATH PREPARED HIS THRONE ROOM IN HEAVEN AND HIS KINGDOM RULETH OVERALL When God and His Throneroom and His City the New Jerusalem and His angels come down to earth, ???
Psalm 103:20-22	GH: Heavenly Places	20 Bless the Lord, ye his angels, that excel in strength, that do his commandments, hearkening unto the voice of his word. 21 Bless ye the Lord, all ye his hosts; ye ministers of his, that do his pleasure. 22 Bless the Lord, all his works in all places of his dominion: bless the Lord, O my soul. Not all angels 1. DO HIS COMMANDMENTS 2. HEARKENING UNTO THE VOICE OF HIS WORD 3. DO HIS PLEASURE.

Psalm 104:1-3	GH: Heavenly Places	1 Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty. 2 Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain: 3 Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind: v1: CLOTHED WITH HONOR AND MAJESTY: The appearance of God is often described as a manifestation of His Character. These manifest His glory. v2: COVEREST THYSELF WITH LIGHT AS A GARMENT: God is wearing a garment of light. The light the emanates from God is His garment, indicative of His glory. v2: STRETCHEST OUT THE HEAVENS LIKE A CURTAIN: Think of the curtains having a mirror capacity to them. What would happen to light that would shine on those curtains? Curtains imply temporary heavens. Stretching them out like a curtain. And spreading them as a tent (Isaiah 40:21-22). Two different things are going on here. On the second Sabbath, God is going to bring down His residence (Revelation 21) and sit them right on those beams (GH: That the Holy Spirit planted in Genesis 1:2). Satan knows if he doesn't do something before the second Sabbath, it is too late for him to do anything with this earth. All he has done up till then is usurped the heavens. Now he is after the earth. After that first week, Satan goes to work immediately
Psalm 104:1-3	GH: Heavenly Places	1 Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty. 2 Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain: 3 Who layeth the beams of his chambers in the waters: who maketh the clouds his chariot: who walketh upon the wings of the wind: v3: WHO LAYETH THE BEAMS OF HIS CHAMBERS IN THE WATERS: Ties to the Holy Spirit laying down the foundations when hovering over the waters in Genesis 1:2. Where? Land called Eden had a garden on the east side of it. It was there God put Adam & Eve. Same land area promised to Abraham. It's the very area where the Spirit of God laid the beams of His chambers. When the New Jerusalem comes down, it will sit on that geographical place on the planet. Beams in Genesis 1:2 laid before man came along. God knew back then exactly how He was going to do this. GH: See what the Spirit is doing by looking at Genesis 1:2, Psalm 104:1-3, Hebrews 11:10, and Revelation 21:1-4. v3: Those BEAMS were laid down on day of creation, with the whole thing encased in water. v3: HIS CHAMBERS: Is a reference to the New Jerusalem, the eternal city that is in the 3rd heaven that one day will be on this earth.
Psalm 107:8	GH: Lovingkindness of the Lord verse	8 Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! HIS GOODNESS...HIS WONDERFUL WORKS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10. HIS WONDERFUL WORKS

Psalm 107:43	GH: Lovingkindness of the Lord verse	43 Whoso is wise, and will observe these things, even they shall understand the lovingkindness of the Lord. THE LOVINGKINDESS OF THE LORD: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.
Psalm 109:8	GH: GPPI/EoM verse	8 Let his days be few; and let another take his office. GH: Prophecy around replacing Judas Ischariot. LET HIS DAYS BE FEW; LET ANOTHER TAKE HIS OFFICE: Peter quotes AND HIS BISHOPRICK LET ANOTHER TAKE-Acts 1:20.
Psalm 109:15-16	GH: MERCY - having compassion	15 Let them be before the Lord continually, that he may cut off the memory of them from the earth. 16 Because that he remembered not to shew mercy, but persecuted the poor and needy man, that he might even slay the broken in heart. The contrast to showing mercy is to persecute the poor and needy man. Doing the very opposite of what they should be doing. Talking about a guy who did not remember to show mercy but he persecuted the poor and needy man. Someone who did not show mercy to someone who obviously needed it. The guy who is the subject of this passage is the man who failed to show mercy. The Bible says he persecuted the poor and needy and by doing that he failed TO SHEW MERCY. v16: TO SHEW MERCY: To provide relief to someone who is suffering.
Psalm 110	GH: GPPI/EoM verse	Notice that the reason for the delay is not about God suspending His program with Israel, nor a DOGG being established. Nothing about the church, the body of Christ or God beginning to work with Gentiles. Two major issues: 1. That He is sitting at the right Hand. The Lord Jesus ascends to the Father to receive the kingdom. He is told to sit at the Father's right hand for a time. 2. When He is through sitting, what will He do. He will rise to have His day of wrath. What He will do when it is time to unleash the "day of his wrath." When He is sitting, you know everything is fine. But when you see Him stand up, you understand this is a ceremony of sorts. That things are about to break loose. v1: LORD: Capital L-O-R-D. This is the Father. Jehovah. v1: LORD: Camel case Lord. This is the Son. v1: SIT THOU AT MY RIGHT HAND, UNTIL I MAKE THINE ENEMIES THY FOOTSTOOL: Peter quotes SIT THOU ON MY RIGHT HAND, UNTIL I MAKE THY FOES THY FOOTSTOOL-Acts 2:34-35. Waiting for His day of wrath. God is not bringing in His day of wrath, but He is going to give an EoM to Israel. God is saying I AM not ready to do this yet.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 110	GH: GPPI/EoM verse	v2-7: Notice the future tense - what He will do in the day of wrath. v2: THE LORD SHALL SEND: v3: THY PEOPLE SHALL BE WILLING: v5: SHALL STRIKE THROUGH KINGS: v6: HE SHALL JUDGE: v6: HE SHALL FILL: v6: HE SHALL WOUND: v7: MM says this has to do with the delivering and avenging of the believing remnant as they come to the end of the tribulation period before He becomes their King and Blesser out in the eternal kingdom. v7: HE SHALL DRINK:
Psalm 110	GH: IPF verse	Deals with the Blesser and His blessings. ??? v1: ENEMIES THY FOOTSTOOL: Quoted in Hebrews 1:13. Said after the Resurrection during the EoM.
Psalm 110:1	Prophecy : Christ / GH: PoA verse / GH: GPPI verse	1 The Lord said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. Prophecy of the action that is going to be happening after Jesus had gone to the Cross. LORD (Jehovah) saying to the Lord (Jesus) after He has ascended back to the Father, sit thou at my right hand until...enemies made His foot stool in the AGES TO COME - post-Rapture/pre-Millenial Kingdom. Until that time, He is going to sit at the Father's right Hand until this R2I (Repentence to Israel) plays out. This is the significance of Stephen seeing Jesus standing. It was the marker for the fall of Israel. Jesus was seated while R2I was given. SIT THOU...UNTIL: The Lord is seated “until.” He will not wait forever. But when that “until” arrives, watch what it means to be an enemy which is made to be the Lord’s footstool. Christ sits in that exalted position until His enemies are made His footstool. SIT THOU AT MY RIGHT HAND, UNTIL I MAKE THINE ENEMIES THY FOOTSTOOL: After His ascension back to heaven, Jesus was to “sit” at the right hand of the Father until his enemies would be made his footstool. The Lord’s day of wrath is the last item on Israel’s program before the kingdom is set up on this earth. That day of wrath is when the Lord is no longer “sitting at the right hand” but standing to have his day of wrath.
Psalm 110:5-6	GH: GPPI verse	About the Lord's day of wrath. Is the area under discussion in the time we normally refer to as the tribulation. The final part of the 5th cycle of judgment (GH: CoP) listed over in Leviticus 26.
Psalm 110:5	Timeline : Day of Wrath	5 The Lord at thy right hand shall strike through kings in the day of his wrath. Happens in Daniel's 70th week. What it means to be an enemy which is made to be the Lord’s footstool.
Psalm 113:4	GH: GLORY Definition	4 The Lord is high above all nations, and his glory above the heavens. **HIS GLORY: Glory can be God’s presence.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 115:2-8		This is the way it was in the TIMES PAST of Israel's program but in the coming tribulation when this is happening, that is going to change (see Revelation 13). v5: THEY HAVE MOUTHS, BUT THEY SPEAK NOT: EYES HAVE THEY, BUT THEY SEE NOT: v6: THEY HAVE EARS, BUT THEY HEAR NOT: NOSES HAVE THEY, BUT THEY SMELL NOT: v7: THEY HAVE HANDS, BUT THEY HANDLE NOT: FEET HAVE THEY, BUT THEY WALK NOT: NEITHER SPEAK THEY THROUGH THEIR THROAT:
Psalm 115:5		15 Ye are blessed of the Lord which made heaven and earth. HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth.
Psalm 116		David is talking about a time when he was under this crushing load and it was going to be more than he could handle. He needed something to help him endure underneath this. He is using terminology that expresses the very worst condition that he could find himself in here. v2: SORROWS OF DEATH: Compare to Paul's SENTENCE OF DEATH-2 Corinthians 1:9. v3: David is saying I wanted to give up. I didn't want to go on. COMPASSED ME: Surrounded me. v6-9: David finds a doctrine that will effectually work in him. When he got that doctrine, it brought rest to his soul, all the things David thought would be the end, all of that got changed. v6: SIMPLE: This ought to trigger something in your mind. GH: SIMPLE SON. v7: Talking about his inside, talking about his SOUL going back to a restful condition. Instead of being all caught up GH: in the physical, outward circumstances. v9: David is saying I decided not to die after all.
Psalm 116:10	GH: Suffering	10 I believed, therefore have I spoken: I was greatly afflicted: I BELIEVED, THEREFORE HAVE I SPOKEN: Edification - David is exhibiting 'a spirit of faith' (Paul uses this phrase). David was believing what God said, was he not? I BELIEVED: MM says your part is to get in this Book and understand and believe. THEREFORE I HAVE SPOKEN: Got to look at implementing this into your life. GH: Responding positively and properly will result in a suffering that will produce a glory.
Psalm 116:13-19	Prayer : Israel	v13: CALL UPON THE NAME OF THE LORD v14: IN THE PRESENCE OF ALL HIS PEOPLE: Means everybody has to be gathered together for prayer. GH: Ties to FOR MINE HOUSE SHALL BE CALLED AN HOUSE OF PRAYER-Isaiah 56:7 and when to pray - EVENING, AND MORNING, AND AT NOON-Psalm 55:17. v17: WILL CALL UPON THE NAME OF THE LORD: Repeats v13. v18: IN THE PRESENCE OF ALL HIS PEOPLE: Repeats v14. v19: IN THE COURTS OF THE LORD'S HOUSE: In the court yard. v19: IN THE MIDST OF THEE, O JERUSALEM: That's where the Temple was found.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 117:1		1 O praise the Lord, all ye nations: praise him, all ye people. Referenced in Romans 15:11.
Psalm 118:18	Non-MBI	8 It is better to trust in the Lord than to put confidence in man. SC: The Bible as a whole: 1. The Bible begins with God - Genesis 1:1: In the beginning, God... 2. The Bible ends with man - Revelation 22:21: The grace of the Lord Jesus Christ be with YOU ALL 3. Middle of the Bible - Psalm 118:8 - God and man, originally so near (Genesis 1:27), but sin separated so far apart (Genesis 3:8, 24), are brought together. This verse, exactly in the middle of the Bible, is in itself a miniature Bible, and contains the germ of nearly all its teaching. In it is the golden link of faith that unites man and his Maker. Confidence in man is confidence in the flesh and the root of all evil.
Psalm 118:19-24	GH: GPPI/EoM verse	Refers to the kingdom. Matthew 21 quotes this. v19-21: Talking about the day of wrath where the Lord will function as the Deliver and then later as the Avenger for that believing remnant in the day of wrath. v21: SALVATION: Has to do with the deliverance and avengement provided for them in the day of wrath. So in the kingdom, they will praise the LORD for saving them. v22: THE BUILDERS REFUSED: v24: Is referring to the day of deliverance and avengement. v24: WE WILL REJOICE AND BE GLAD IN IT: The believing remnant, not the apostate nation. It's joyous for them because that stone that was laid is become the head of the corner. He laid that stone as a sure foundation, and the fell upon it and were broken and became part of the Lord's generation. Then, out in the day of wrath, they get protected so they rejoice, being made part of the Lord's generation.
Psalm 118:26	GH: GPPI verse	26 Blessed be he that cometh in the name of the Lord: we have blessed you out of the house of the Lord. Is what the remnant will be saying at the return of the Lord at the end of the day of wrath at the great and terrible day of the LORD. BLESSED BE HE THAT COMETH IN THE NAME OF THE LORD: Has the 5th CoP-5th installment as its subject matter. They will say at the end of the day of wrath - BLESSED IS HE THAT COMETH IN THE NAME OF THE LORD. Jesus quotes BLESSED IS HE THAT COMETH IN THE NAME OF THE LORD-Matthew 23:38.
Psalm 119		Talks about STATUTES and JUDGMENTS and TESTIMONIES and ORDINANCES and PRECEPTS. These are not synonyms for the law, they are component parts for the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 119	Non-MBI	PR: 6 ways the word of God is like a lamp: 1. Reading lamp: Ruckman knew that America was stopping reading when the hotels started switching to 60w bulbs - figure they would watch TV. Average American is getting stupider and stupider (forgive the English) - don't read - used to be a nation of Bible readers. 1700s & 1800s - if you could read, most of your reading was the Bible. Reading the Bible creates rugged individualism - communism can't take over a country of Bible believers. 2. Heating lamp: Cold Christians = shut Bibles. **When you find a Bible that's come apart it usually belongs to a Christian who hasn't**. Four pages a day can read the Bible in a year 3. Travelers lamp: Get out on the highway and show you where you are going and keep you out of trouble. It's a lamp to your path and light to your feet 4. Safety lamp: Flashlight for emergencies. Christian needs a warning lamp when about to get into false doctrine. Keep from getting upset when there's nothing to get upset about. Can't find one place in the N.T. where someone died in the presence of Jesus. 5. Lighthouse Lamp: Couldn't count the ships it has guided safely into the shore. Modern language - airport runway lights. Don't make a mistake not believing the word of God. 6. Night Lamp: Most important light in the house to keep you safe getting up to go to the bathroom. When you are going to die, you are going to want a night lamp. Everybody around you may lie to you but the Bible won't.
Psalm 119:97	Prayer	97 O how love I thy law! it is my meditation all the day. IT IS MY MEDITATION ALL THE DAY: Point: When we talked about PRAY WITHOUT CEASING (1 Thess 5:17) and CONTINUING INSTANT IN PRAYER (Romans 12:12) all through the day, talking about the doctrine, meditating on the doctrine is an important part of that process.
Psalm 119:102-163	GH: WoD Teaching	v102: FOR THOU HAST TAUGHT ME: MM says this is Israel but you are being TAUGHT. Then it's an education. These types of terms are tucked away throughout the sripture. v104: I HATE EVERY FALSE WAY: He is not just talking about any old FALSE WAY in general, he is talking about something very specific to what Satan is orchestrating and promoting to produce this ungodly world and this NIGHT of DARKNESS. When you see the remnant say this, you know something has taken place that is a parallel issue with you. What is going to happen to them is going to happen to you. They got the same attitude their Father has generated in them. This is the WAY that is contrary to what the Father has given in His word. v113: I HATE VAIN THOUGHTS: Not talking about any 'ol random, empty thoughts that are out there, he's got something particular in mind. v115: EVILDOERS: Not just anybody in general that he wants to call an EVILDOER. These are the guys that are stoking the fires of ungodliness. v126: THEY HAVE MADE VOID THY LAW: MM says it will come to the point where they will have achieved that goal. They will have made void the law, it will be totally null.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 119:102-163	GH: WoD Teaching	v127: GH: How we should look at the word. v128: I HATE EVERY FALSE WAY: This is the WAY that is contrary to what the Father has given in His word. v163: I HATE AND ABHOR LYING: He is not just saying, I hate when people lie to me. When you ask someone to do something and they say they can't do and you know they can - that's not what he's talking about. It will be a lie about the remnant. MM references the apostate nation making the disparaging comments like FLEE AS A BIRD TO YOUR MOUNTAIN-Psalm 11:1. They will be making all of these comments to discredit the remnant and to make the look not credible. This is the lying that he is talking about. Not just general, people not telling the truth, it is something very specific. It is meant to tear the feet out from under the remnant and cause their confidence in the doctrine to collapse. Thy word is a LAMP and a LIGHT-Psalm 119:105 and it dispells DARKNESS. The lies are told to discredit the word, to discredit the remnant, and to discredit God Himself.
Psalm 119:105		105 Thy word is a lamp unto my feet, and a light unto my path.
Psalm 119:115		115 Depart from me, ye evildoers: for I will keep the commandments of my God. I WILL KEEP THE COMMANDMENTS OF MY GOD: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary. From Romans to Philemon, the words KEEP COMMANDMENTS don't show up once. (GH: 1 Corinthians 7:19: 'keeping of the commandments of God.')
Psalm 132	GH: GPPI verse	See a doctrinal truth set forth regarding what God swore to David in 2 Samuel 7. v11: OF THE FRUIT OF THY BODY WILL I SET UPON THY THRONE: Here is a doctrinal statement of what we saw back in 2 Samuel 7 when God told David He would make of him an house. God set up a throne for David and there is coming a day when the “fruit of your body” will sit upon that throne. MM says not just Solomon, this is the Messiah. Remember Jesus is called THE SON OF DAVID. The real house I AM interested is the one I AM going to establish in you and this is the Davidic covenant.
Psalm 134:4		3 The Lord that made heaven and earth bless thee out of Zion. HEAVEN AND EARTH: When the Bible talks about the creation, it is always in two parts; the heaven and the earth.
Psalm 135:15-18		15 The idols of the heathen are silver and gold, the work of men's hands. 16 They have mouths, but they speak not; eyes have they, but they see not; 17 They have ears, but they hear not; neither is there any breath in their mouths. 18 They that make them are like unto them: so is every one that trusteth in them. Back in the day when men would use these idols to try and fool people into thinking they were alive, the things they would go through to try to emulate life for these idols. Men may have worshipped those but those were not the True and the Living God. All things God is doing today in the DOGG can only be done by the True and Living God. We are supposed to exhibit a behavior that demonstrates that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 138:2		2 I will worship toward thy holy temple, and praise thy name for thy lovingkindness and for thy truth: for thou hast magnified thy word above all thy name. THOU HAST MAGNIFIED THY WORD ABOVE ALL THY NAME: MM says that's pretty powerful because at the same of Jesus every knee will bow and every tongue will confess that Jesus is Lord to the glory of the Father. God said I HAVE magnified My Word above My Name. MM is showing the authority of the written word and that the Bible is the MORE EXCELLENT WAY-1 Corinthians 12:31 to get anything done.
Psalm 139	GH: Sonship	Normally viewed as a psalm about God's omniscience. MM says not true. Not about God dealing with you as a son according to His omniscience and knowing all those things you could ever say to Him before you say them. But God is now going to change the way He gets information. Instead of doing it by His omniscience, He is going to do it through His relationship with you whereby if you don't tell Him He won't know. David is talking to his Heavenly Father and he is praying in a Sonship way. He is going over his way with His Father. Like coming in from work at the end of the day when you are a kid coming from school and your parents saying what did you do today and you tell them. You will learn in Sonship prayer to take all the things that happen during the day, MM says not every day because many of our days are the same way. David is going to make a change. He's going to quit talking about what has happened and he is going to talk about what he is going to do tomorrow in view of what he understands. Great example of Sonship prayer because you are going to get used to doing this. You are going to make some Sonship decisions. At the end of your day, you will meet with your Heavenly Father and your going to go over those decisions and you're going to say here's what I did, here's how that turned out. Some will be better than others. Then, you'll come to a place where you have some decisions to make tomorrow and here's what you are thinking about with regard to that. Then you are going to ask your Heavenly Father if you are headed in the right direction here of not? Don't have to go away guessing.
Psalm 139	GH: Sonship	Today, people are saying, what do you want me to do tomorrow? David is saying this is what I am planning to do, is this the right thing to do? David is trying to come to a (MAN OF) UNDERSTANDING. He wants to be thinking about this the way his Father did. You can see how this would be important, especially earlt on in your Sonship when you are learning these decision-making skills and putting them to work. The 'searching of the heart' you will do your whole life. May not do everyday. The Bible is not going to prescribe that for you. It's like the Lord's Table. We don't do that on a regimen like it's part of the calendar on Israel's program - we got to observe it or God's mad about it. When you need to do this, you do this. There's no sense making a ritual out of it. That's the way the searching of the heart will be as well. Talks about God getting acquainted with you and He said there is not a word in my mouth but thou knowest it all together. Reason God knows is because David is telling Him all of this. And that is how your Father is going to know. MM says this is the single most fundamental issue to this whole thing. Not God knowing you out of His attributes, but rather this is about God “coming to know you” out of who He is as a Father. Where God becomes 'acquainted' with David.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 139	Prayer	Example of a prayer of a son asking God to search his heart. Realizes this is David in Israel's program. Different for sons/daughters and the wicked. Subscription tells you this is something that David has written himself. Two different kinds of searching of the heart that are going to do 2 different things. The break in the type of searching takes place at v16. Second starts at v17. 1. v1-16: THOU HAST SEARCHED ME, AND KNOWN ME: You know about everything that's taken place in my day, I've told you about all the things happening with me. MM reminds this is an important aspect of Sonship prayer. This first type of searching, telling your Father all about your day and He is listening and knowing some things about you is not the searching of the heart in Romans 8:26-27. David is not saying I'm going to tell you about my day but I don't really know what I did. He is saying you know about it because I told you about it. See v1-16 as one straight talk. First searching: You have searched me and know me. I have told you all about my day. You know everything till the time I got up to the time I went to bed. You know all about that. When David is going over his day, he is praying ABOUT THINGS. MM encourages to start this one now. Go over your day with Him and establish that kind of a thing. Sonship prayer is going to stem right out of that. The second needs to wait till Romans 12:3.
Psalm 139	Prayer	v3: ACQUAINT: Remarkable what Crabbe's synonyms says about the word "acquaint." Acquaint: to inform, make known, apprise (MM says there is a progression to these terms). "One acquaints a father with all the circumstances that respect his son's conduct." Like George Crabbe is looking at Psalm 139. 2. v17-24: See David going in a whole different direction. Now he is not just going over his day, now he's talking about how he feels about something and David's unveiling what he thinks he wants to do about it. When David is praying this, he is saying I think there are some people I need to go kill so his prayer is am I thinking about this the right way or not? Can't even do this until you get over into Romans 12:3. Will talk about your day as you employed these Sonship skills. See the change from what went on today to what I'm thinking about getting involved in tomorrow.
Psalm 139	Prayer	Second searching: David not talking about what he did today but what he's thinking about doing tomorrow. This is the one Paul is talking about in Romans 8:26-27. David went and killed people. You will not. Two-way communication - you are going to be asking your Father how to employ the education and He's going to be telling you something in return. You are wondering about this but MM says you will not hear a voice from heaven. Won't be in a dream or a vision. It's not you conjuring up what you think He is saying. He's not going to give you a sign. David is praying FOR SOMETHING. He needs confirmation that he is thinking about this right or he is thinking about this wrong because God is not going to tell him what to do. God is not going to pick the way. God is not going to tell you what to do. David is not expecting God to tell him what to do. David has made a decision himself. Don't find God saying 'Go out and kill My enemies'. He chose the path he was going to go down the next day. He has made that decision on the basis of what he has learned as son. The only thing he wants to know is whether or not that path is good or evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 139	Prayer	How am I going to know what answer God has given me? If it was just a verse in your Bible, the answer would be the same every single time. What if it is 2 verses and one says yes and one says no? Creating a dilemma here. MM has to be very careful because there's two ways to swing the pendulum to the extreme on this answer and he is trying to avoid both of those. When you are in the education and asking your Father about if this path is the best one, His Answer is going to come in the searching of the heart. You are learning the doctrine and based on the efffectual working of that doctrine, what you've learned really works IN you. When you ask your Father about the right path, here's how it is going to work: When you say here's the path I'm going down and then you ask your Father to search your heart, as your wating to that to happen, based on what you've learned and the effectual working of that word. Not just you dreaming up an answer based on what has been taught. If what you are asking Him is not right, that effectual working is going to produce this thing in your heart that says that's not right.
Psalm 139		MM trying to be careful of the 2 pendulum swings - MM says there is a pendulum swing, an extreme to everything: 1. Whatever I feel: This is not based on how you feel. This is based on what you've been taught. Already do this in other areas already (EX Someone quotes Hebrews and you know they are pulling something out of Israel's program). It is not you dreaming it up out of the blue. It is you out of what you already know. The only time you will know anything is when it is wrong. Here's what I'm going to do Father. Do you see anything wrong with this? Tell me if you see anything wrong? Don't hear anything, assume let's move on. See how dangerous this is without a real understanding of it. One person would say, you've got to get that out of the Bible. MM says how would you/do you know how to turn to the verse? Have to trust your Heavenly Father that when you ask Him is this the right path, if it is the wrong path, He is going to bring something up out of that which has already worked in you that will let you know this is the wrong path. Because you don't have anything yet in you that's been given to you, that check in your heart. It's not hocus-pocus, it's the education. You can count on your Heavenly Father to actually do that He is telling you it's going to do. MM says gets a little dicey for people. If that education is not working in you, you're not going to get an answer. There's not going to be an audible voice from heaven going let Me tell you why this is wrong, you're just going to know. Based on where you are, you will know that is the wrong thing to do. It's not separated from the Bible, you are going to have to know what's in here in order to be able to know if it is right or wrong. 2.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Psalm 139		Two extreme pendulum swings (with the Truth) in the middle that swing the Truth to such a degree that it is no longer accomplishing what it was supposed to accomplish. It preverts what the searching of the heart was supposed to do and actually keeps it from working. 1. Departure from the curriculum / Excludes the Bible from the process: Based on a feeling and not the word of God If people get it wrong, get it wrong this way. 1) Dependence on a feeling: Checks based on only a feeling - if you were doing that, why even be educated as a son? Just pray and ask Him. Feelings often come without basis. If they have their basis in some fact, we do not refer to them as just "feelings." 2) Abandonment of the word of God: Removes you from the foundation of fact; the curriculum contained in the word of truth. 3) Utilizing the searching of the heart for something that it was not intended/as a Means of Guidance
Psalm 139		2. Departure from the heart / Excludes the heart from the process Doesn't happen as often Not going to get an audible voice from heaven. Can't ask God for a sign. In the way He deals with you in other matters of sanctification He is going to deal with you in the same way in this matter of sanctification. GH: Get an answer solely out of a verse in the Bible - creates another set of problems GH: Fallback is something you already learned in your progressive education. EX in your sanctified life, before sinning, you will think about your new identity IN Christ where you have been made DEAD TO SIN. May go ahead and do it and then at the end say what in the world was I thinking?!?!? That was stupid! You knew that upfront but if you didn't MIND THE THINGS OF THE SPIRIT you might give into that. Even if you did it, you learned beforehand.
Psalm 139:1-6		1 O lord, thou hast searched me, and known me. 2 Thou knowest my downsitting and mine uprising, thou understandest my thought afar off. 3 Thou compassest my path and my lying down, and art acquainted with all my ways. 4 For there is not a word in my tongue, but, lo, O Lord, thou knowest it altogether. 5 Thou hast beset me behind and before, and laid thine hand upon me. 6 Such knowledge is too wonderful for me; it is high, I cannot attain unto it. v1-3: David is describing that he has already gone over his whole day with God. Important because God has determined not to know it unless you tell Him. When God searches a son or daughter, it is not the heavenly X-ray (GH: He does use the heavenly X-ray for lost people). That is not what's going on. God searches the heart of a son or daughter by hearing what they say. v1: HAST SEARCHED: Past tense - things that have happened. God has already searched David - past tense. v2: DOWNSITTING: You know when I sit down. v2: UPRISING: You know when I get up. Sitting up.

Bk-Ch-Vs	Bible Margin	Verses / Commentary

Psalm 139:1-6

1 O lord, thou hast searched me, and known me.
2 Thou knowest my downsitting and mine uprising, thou understandest my thought afar off.
3 Thou compassest my path and my lying down, and art acquainted with all my ways.
4 For there is not a word in my tongue, but, lo, O Lord, thou knowest it altogether.
5 Thou hast beset me behind and before, and laid thine hand upon me.
6 Such knowledge is too wonderful for me; it is high, I cannot attain unto it.
v3: LYING DOWN: Going to bed.
v3: ACQUAINTED: Not a word you would use about God if He was using His omniscience to know it already because when you get ACQUAINTED with someone you spend time with them, talked to them, learned things about them. Means before that, you didn't know. If God was already using His omnis He would know everything about you. He would never have to become acquainted, that would be the wrong word to use. Crabbe on ACQUAINT: “One acquaints a father with all the circumstances that respects his son’s conduct.” MM says this is the first sentence he wrote.
v4: A WORD IN MY TONGUE: David says I've been talking to you about it, that's how you know.
v6: David is making a statement about God Himself. Not asking for anything, just talking about how wonderful this is.

Psalm 139:1-6

There is a phrase or word in the beginning of the Psalm that does not allow this to be about God's omniscience. Normally taught about God's omniscience - You've know me when I sit down, You know when I get up, You understand my thoughts far off, You know my path, You know where I am going, You know why I lay down, You know all my ways. God knows everything. There are a couple things wrong with that:
1. THOU HAS SEARCHED ME AND KNOWN ME: What you learn as an adopted son is that God lays His omniscience aside and deals with you in a real Father-son relationship. Later on, SEARCH AND KNOW MY HEART: MM says this is relational, not referring to God's omniscience. God does not need to search your heart to know what is in you because of His omniscience. Omniscience precludes any type of relationship, there's not discovery. God could sit up there and say I know what you are thinking, I know what you are going to do tomorrow. We just stay down here as the creature. Most Christians are frustrated, if God knows all this, why do we have to do to the trouble to say it?
2. YOU HAVE SEARCHED ME AND KNOWN ME: Searching is not a matter of omniscience. There's another word here - acquainted (find out and know some things about each other). Not about God's omniscience. It is about God laying aside His omniscience - the very opposite. You say, I don't know that God can do that. MM says Jesus did it when He came into this world and got educated as a Son every morning by the Father. In your Sonship life, God is going to lay His omniscience aside and say Father, you won't believe what happened today. He won't say I already know. He will say, What? Tell Me about it. For a Father-son relationship:
- If He is going to know about it, you are going to have to tell Him.
- If He is going to search your heart, you are going to have to explain to Him what it is you are wanting to search out.

David said here is what I am thinking and why I am thinking it. They hate you, they use Your Name in vain, etc. Is there anything wrong with that?

Psalm 139:1-6		This is really the kingpin of the places we are going to be spending some time looking at searching the heart. Most people think this is a Psalm about God's omniscience, that God just automatically knows some things. But David tells you how God knows all of these things. God knew all those things about David because he said it. MM says you will find out that David wouldn't shut up, he talked about everything. He is talking about the things that have done on all during the day. David is talking to God about all the things that happened in his day and how he understands it in light of his Sonship life. It's not am I going to have a good crop or bad crop (Clinton), it's how am I responding to the things that are happening so that my Sonship life is impacted (GH:in the right way). That's what David is doing here. He is talking about everything from the beginning of the day to the end of the day. Just start going over your day with your Father and just think of it as telling your real father. EX Clinton has a machine break down and he tells his Father, normally, I would have responded this way but I remembered this is training for me to get a skill that I am going to get when I get into the creature. Clinton says he didn't complain about it and didn't mention it to anybody. Because I know my proper response to this suffering is equipping me for my job in the creature. Honestly Father, I don't exactly know how I am going to use this up there but if you tell me that you are using this for my good, I believe it. MM says this is a legitimate prayer for Clinton. One day, Clinton will respond properly and say Father I know you didn't prescribe this but I am really thankful to hone this skill, The Father is going to hear the words of a mature son and say that's my boy. One day, you won't need the Spirit to make intercession for the Will of the Father (Romans 8:26) because you will know exactly what to say. What the Father is looking for here is for you to start talking to Him about your day. MM says just do it the best way you know how right now. He understands where you are right now. He is looking for you to be talking to Him. That is the important point. Don't worry about getting it all right. Talking to Him about the things happening in your life everyday are opportunities. May review your day and realize you missed an opportunity for Sonship. What you don't know yet is what He is doing when you ask Him to search your heart.
Psalm 139:7-12		7 Whither shall I go from thy spirit? or whither shall I flee from thy presence? 8 If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there. 9 If I take the wings of the morning, and dwell in the uttermost parts of the sea; 10 Even there shall thy hand lead me, and thy right hand shall hold me. 11 If I say, Surely the darkness shall cover me; even the night shall be light about me. 12 Yea, the darkness hideth not from thee; but the night shineth as the day: the darkness and the light are both alike to thee. v7: Asking a question but not really asking a question. It's not a rhetorical. v8: Where can I go that you are not going to be? v9-12: David is saying there's not any circumstance here they can keep you from really doing what you're going to do with me.
Psalm 139:17	GH: Godliness - Godly Thinking	17 How precious also are thy thoughts unto me, O God! how great is the sum of them! HOW PRECIOUS ARE THY THOUGHTS UNTO ME: David knows God's thoughts. Think first aspect of godliness. David is talking about how God thinks. First aspect of godliness - thinking like God thinks.

Psalm 139:19-22		19 Surely thou wilt slay the wicked, O God: depart from me therefore, ye bloody men. 20 For they speak against thee wickedly, and thine enemies take thy name in vain. 21 Do not I hate them, O Lord, that hate thee? and am not I grieved with those that rise up against thee? 22 I hate them with perfect hatred: I count them mine enemies. v19: SURELY THOU WILT SLAY THE WICKED: David wants them dead. v19: WILT SLAY: See the change in tense from v1 - future tense - things that haven't happened yet. David is talking about things that are coming up tomorrow that he is going to have to make decisions about. v19-20: David starts out saying they are your enemies and here's what they're doing against you. The context of this is war. David says they are Your enemies (v20). You know how David thinks about these people? They are his enemies (v22). Remember the process of taking what's on God's Heart and writing it on our heart would make His likes/dislikes becomes ours.
Psalm 139:19-22		19 Surely thou wilt slay the wicked, O God: depart from me therefore, ye bloody men. 20 For they speak against thee wickedly, and thine enemies take thy name in vain. 21 Do not I hate them, O Lord, that hate thee? and am not I grieved with those that rise up against thee? 22 I hate them with perfect hatred: I count them mine enemies. v21: MM says talk about politically incorrect, intolerant speech. v21-22: David is describing how he FEELS about it. He feels about this situation the same way he thinks God feels about this situation. He is going to come along and ask God to search his heart about this issue to make sure he is thinking about it and feeling about it the same way His Father does. If he missed something he wants to get it. He wants to be a proper son. v22: I HATE THEM WITH PERFECT HATRED: David is not saying I am mad at them and I am looking for an excuse to carry out by vengence on them. He is saying that I hate them for the same reason You hate them. MM says people would say, God doesn't hate anybody. MM says the Bible says He does. There are some folks that He counts as enemies. A psalm of David. Talks about what he is going to do to God's enemies.
Psalm 139:19-22	GH: WoD Teaching	19 Surely thou wilt slay the wicked, O God: depart from me therefore, ye bloody men. 20 For they speak against thee wickedly, and thine enemies take thy name in vain. 21 Do not I hate them, O Lord, that hate thee? and am not I grieved with those that rise up against thee? 22 I hate them with perfect hatred: I count them mine enemies. v20: THEY SPEAK AGAINST THEE WICKEDLY v20: THINE ENEMIES: This is the reason he hates them. They are THINE ENEMIES, therefore they are my enemies. v21: DO NOT I HATE THEM: The remnant is not hating the WICKED because they are persecuting them, they don't hate the WICKED because they've robbed them of everything, they hate them for the same reason the Father hates them. v22: I HATE THEM v22: I COUNT THEM MINE ENEMIES: This is the reason he hates them.

Psalm 139:23-24		23 Search me, O God, and know my heart: try me, and know my thoughts: 24 And see if there be any wicked way in me, and lead me in the way everlasting. David is saying I have certain thoughts about these people that hate you, God. Not a generic description about people who don't care about God, he has someone in mind here. This is really a petition before God. David wants to know if there's anything wrong with the way he is thinking about this. At the end of this Psalm, it changes. David is no longer talking about what is going on in his day, he is talking about something he is thinking about doing tomorrow. David says I know your enemies and I know that they hate You and he said and I hate them with a perfect hatred and am thinking about putting them to death. Then he says, I just want You to know what I'm thinking. Am I thinking about this the right way because I am thinking about hurting them really bad. By reading the psalm, you can see that David has already chosen a “path” and now he is asking God for a confirmation about the path he has already chosen. He is not asking God to choose the path, neither is he asking God to verify whether this is the best of all possible paths; he is asking whether or not his heavenly Father considers his choice to be a “wicked way” or is it in line with “the way everlasting.” After telling Him what you are considering, you ask Him to search your heart. If something is wrong with your intended application of the Sonship skill, you will get a “check” in your inner man that alerts you that what you are thinking is not one of the “good paths” you could take. If no such “check” takes place, that is the signal to proceed on ahead with what you were planning to do. The “check” in your inner man that what you are considering is not right is attached to something very tangible; the education about that particular sonship skill. You see, even though you cannot turn to a particular verse to get your answer, it is attached to the word of God. He not only sees what you overlooked, but when you ask Him to search your heart, He will give you that “check” in your inner man that alerts you that your considered application of the Sonship skill is not right. And it will be wrong based on something that you were taught. It is not magic; in fact, this same process has taken place with all of us as we interact with other people. You are not being stopped about something you do not know, you are being stopped about something you have overlooked. God is not magically guiding you in something you know nothing about.

Psalm 139:23-24		23 Search me, O God, and know my heart: try me, and know my thoughts: 24 And see if there be any wicked way in me, and lead me in the way everlasting. v23: SEARCH MY HEART AND TRY ME TO SEE IF THERE BE ANY WICKED WAY IN ME: A psalm of David. He is asking the Father to do this, this is the action I think I need to take/what I need to do, and I need a confirmation from you Lord. Is this really the right thing or am I doing this because it's me? Or am I just penning it's Your enemy so I hate them too but secretly I am really glad because I really hate them. v23: TRY ME: Prove or test or try this way I've chosen and see if it stands up to the test. EX Running plumbing and then turn the water pressure on to try/prove/test it. v23: TRY: In this context, being tested. v24: David has already said what is going to happen to these enemies - basically - he is going to kill them. v24: SEE IF THERE BE ANY WICKED WAY IN ME: Is there anything I am thinking about that's not pleasing to You? Am I looking at this wrong? Is there something with the way I am approaching something? That I am off-base with? Because if that is the case I want to correct this and begin thinking about this the right way. David had enemies and he wanted those enemies put to death. But before I run off with this idea, I have categorized these people as your enemies and that I hate them. Before I do this, I want You to search my heart. Paul teaches you how to do this in the Book of Romans. He is saying Father, from what I understand, here's what I'm thinking about doing tomorrow. He wants to get a word back from the Father that he is thinking about this right or stop you are not. In this case, he was. David is asking the WAY I've chosen here, I need to know if it's good. He's already made a decision about that and he is not really looking for God to tell him the decision, he's looking for confirmation.

Psalm 139:23-24		23 Search me, O God, and know my heart: try me, and know my thoughts: 24 And see if there be any wicked way in me, and lead me in the way everlasting. v24: WICKED WAY: Anything that didn't match up with what God is thinking. David is saying I have some thoughts about a situation and before I act anything on these thoughts, I want to know is there anything wrong with the way that I am thinking? Is there any wicked way in me? And the way he does that is he asks God to search his heart. Romans 8/Paul outlines the very step-by-step process to you on how to have your Heavenly Father search your heart. Will be a big part of your Sonship Prayer life. EX What I now understand is that I need to do X. I think I am going to do this but before you do, you are going to go to your Father and you're going to say search my heart and tell me if I am on the right track (not every little thing). That's a Sonship skill that will get developed in you that you will get better and better at. As a son, you are going to allow your Father to search your heart, and you are going to know if your doing is really the thing that you ought to be doing. Like climbing on a bike for the first time. First time, it's unsteady but after a while you are flying around. Introducing what David is doing here as a broader concept of what is happening to us in our Sonship prayer life. MM says there was nothing wrong with David's thinking here. Your Father thinks way different than the world thinks. MM says if you stand up and say I hate them with perfect hatred, the world will condemn you as bigoted and narrow minded. Not using God's name in vain or worshipping devils. He is talking about anything that will not accomplish what your Heavenly Father means to get accomplished. There's a lot of paths you could take and if it is not one of those paths, that means it is not going to go the way it is suppposed to go, not going to result in what it is supposed to result in (GH: by accomplishing God's Will) and therefore it is a WICKED PATH. MM says it is the opposite of godliness. v24: THE WAY EVERLASTING: Get the idea that there are ways that have eternal benefit. This “way” is described this way because it is meant to have everlasting benefits to your sonship life. What is being produced by this is going to be utilized by you forever!
Psalm 141:2	Prayer : Israel	2 Let my prayer be set forth before thee as incense; and the lifting up of my hands as the evening sacrifice. MM showing that prayer in Israel's program was morning, noon, and evening in the court yard of the Temple. Incense was offered with the evening sacrifice. MY PRAYER AS INCENSE AS THE EVENING SACRIFICE
Psalm 145:11	GH: GLORY Definition	11 They shall speak of the glory of thy kingdom, and talk of thy power; **THE GLORY OF THY KINGDOM: Glory can refer to God’s kingly rule.**
Psalm 145:13		13 Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations. EVERLASTING KINGDOM: Because the kingdom will “endure” this is a reference to the future. So, God’s kingdom will be everlasting, it will not end. Not saying the kingdom has always been here. EVERLASTING: Everlasting means there will be no end to whatever is being spoken of.

Psalm 148:1		1 Praise ye the Lord. Praise ye the Lord from the heavens: praise him in the heights. THE HEAVENS...THE HEIGHTS: Shows the HEIGHTS = HEAVENS in Romans 8:39. This is HEIGHTS plural that indicates a number of HEIGHTS.

Proverbs		Proverbs: Written by Solomon. In the first 10 chapters, he is quoting his father David. Hear this. Learn this. Know this. Do this. You are looking at the curriculum here. God is talking about the outworking of His plan for Israel and His purpose in the earth. Proverbs: - Table of Contents – Proverbs 1:1-6 - Exhortations – Proverbs 1:7 – 9:18 - Doctrine – Proverbs 10:1 – 29:27 - Prophecy – Proverbs 30:1 – 31:31 Proverbs (the curriculum and doctrine for Israel's Sonship education): Find some things about adoption structure but we do not get our wisdom doctrine out of Proverbs, Israel does. NOTE: We get ours out of Paul's epistles. Different people. Different purpose (hence different doctrine). Proverbs: Father instructing a son and giving him some exhortations about things to do. Sonship only in the first 9 chapters. Content changes with chapter 10. It's not the father talking anymore, it's the son. The rest of the Book is a lot of doctrine that applies to Israel's adoption. First 9 chapters of Proverbs covers the structure of adoption, no matter whether it occurs in the Israel program or the Mystery program. Proverbs is a curriculum designed for an elder to teach a younger. Solomon is writing down the curriculum, the one that his father David taught him and the one that Israel is going to be looking at. Solomon charged with putting the curriculum in writing. You do see things in the Psalms, but the actual curriculum is going to be in one of Solomon's books.

Proverbs		Proverbs: When you use proverbs, you do expect to run into metaphors or figures of speech - 'a sea of troubles' doesn't involve a body of water. Understand that: 1. The proverbs in your Bible are not a bunch of random disconnected truisms. Bible colleges will teach them as a random collection. There is a connection between them and they are not random or harem-scarem. Doesn't it make sense based on the way God put the Bible together, there would be some sense and sequence to this. **Nothing in the Bible is random**. Doesn't make sense with the rest of the Book. 2. Not only are these things connected, but Proverbs is a teaching style and that teaching style and that teaching style is recognized even outside the Bible.Ancient cultures used proverbs as a way for elders to who had wisdom to pass that wisdom down to the youngers so that one day they would become elders themselves. We have gotten away from this and it is not used as a teaching style much anymore. If it is a curriculum to educate, what kind of things would you ecpect to see as you went through the book? - If an educational system, wouldn't you expect there would be levels to it? - Progression from the more simple to the more complex. Proverbs: MM see not only levels of some kind of instruction but identifiable names in which the son as he progresses through that instruction becomes known by a different label.

Proverbs 1-9		Proverbs 1-9 contains the basis structure of adoption and it will hold true in every program. Also contains exhortations that come at specific times. In Proverbs 1-9 we will see a number of things including: - The pattern of adoption (holds true in every dispensation - the doctrine is different) - When it’s the right time to be exhorted - What kind of things are going to tempt us to be removed from this education God wants to give you - When it is proper to stop and remind you of: o the value of this education as God’s son o the weight and the gravity of it o the need to press on in it

Proverbs 1-9		- What kind of dangers and pitfalls will be along the way - What kind of enemy we will face and what his tactics are going to be Take the curriculum out of the first 9 chapters and overlay it on Romans - 2 Thessalonians and Paul's doctrine is going to fit on that framework/structure. Paul says you just carry the skeleton over and I am going to put all the meat on the bones and he is going to start educating you, tell you what you are going to be doing out there. MM said it is marvelous beyond words.
Proverbs 1:1 - 2:9		The preliminary remarks before starting the education (MM showing that the attacks come at a place in the education for both programs): 1. Table of content for the curriculum - 1:2-6 - The format for Israel's education matches the same format that Paul uses for us. 2. Two oppositions of a son - ? [GH: being a foolish son and the world at large] (1) yourself: because if you are a foolish son and you don't follow your Father's instruction, you have opposed yourself and ruined your own Sonship. (2) the world at large: the world says this is how you need to spend your time and this is what's important and if you are normal, this is the way you need to do it. 3. Three commitments of a son - 2:1-4 4. God's part in return - 2:5-9 - Ties to Romans 8:31-35
Proverbs 1:1 - 2:9		5. Third opposition from the adversary himself - comes in two forms - 2:10-22 (1) EVIL MAN and (2) STRANGE WOMAN This is the order they will be encountered.
Proverbs 1		Proverbs 1: Table of content and exhortations. Solomon: Because of his own NEGATIVE and IMPROPER response to the Sonship education, allows himself to be victimized by the POE. Got the education but he didn't get it in his inner man (GH: didn't get edified).

Proverbs 1	GH: IPF verse	v20-22: See 'wisdom' educating Israel. This is prophetic, referring to when the Lord Jesus would come as the very embodiment of the "wisdom of God", during the earthly ministry of the Lord Jesus Christ when Israel's vain religious system had reached its zenith. He cried God's Wisdom (the corrective doctrine) in all of these places, which was given to the believing remnant to stand in contrast to the apostate nation. The is the 'Wisdom hath builded her house'-Proverbs 9:1 that has 'seven pillars'-Proverbs 9:1. v20: WISDOM CRIETH: v20: SHE: Not the Lord Jesus. This passage personifies WISDOM as SHE. v20: IN THE STREETS: Where the Lord dispensed this 'wisdom'. v21: IN THE CHIEF PLACE OF CONCOURSE: Where the Lord dispensed this 'wisdom'. v21: IN THE OPENINGS OF THE GATES: Where the Lord dispensed this 'wisdom'. v21: IN THE CITY: Where the Lord dispensed this 'wisdom'. v22: Refers to the generation of the Lord's Day, the days of the Messiah. They are "simple ones, scorners and fools who hate knowledge." Talking about the generation in the Agar prophecy in Proverbs 30.
Proverbs 1	GH: IPF verse	v22: THE SCORNERS DELIGHT IN THEIR SCORNING: Ties to 'scoffers'-2 Peter 3:3. v23: TURN YOU AT MY REPROOF: This is Wisdom talking. The Lord did this. He gave them reproof. v23: I WILL POUR OUT MY SPIRIT UPON YOU: This was done for them (Acts 2). v23: I WILL MAKE MY WORDS KNOWN UNTO YOU: v24: YE REFUSED: The Lord will reprove them, they will have the testimony of the Spirit and He make known His words unto them. But they will refuse. v24: NO MAN REGARDED: v25: SET AT NOUGHT MY COUNSEL: v25: WOULD NONE OF MY REPROOF:

Because of your actions in v24-25, here's what's going to happen. Because you ignored my 'reproof' and you wouldn't turn, then the day is coming that you are going to regret that decision. v26: I WILL MOCK WHEN YOUR FEAR COMETH: v27: AS DESOLATION: v27: DESTRUCTION COMETH AS A WHIRLWIND: v27: DISTRESS AND ANGUISH: v28: The events that will be taking place in the day of the Lord. v33: The promise to those who are able to do what Proverbs is talking about here.

Proverbs 1:1-6		Notice a lot of TOs and UNTOs. TO: English Words of logic - TO introduces a purpose statement. Just two sentences in 6 verses. Things grouped in one sentence and things grouped in another sentence. Limits how we see this passage. Text is making us see it in a certain way. When you read and see the semi-colon, realize there's something connected to what you just read. If it had periods, would point to the structure differently. He is putting a whole lot of things together that are connected yet there is some separateness to them. Could say that the 2 sentences comprise 2 levels. MM says that would be a thought. MM wants you to see there's an order to it and there's an advancement to it like an education would work. v2-4: Sentence 1 - LEVEL 1 and LEVEL 2. v5-6: Sentence 2 - LEVEL 3. Dividing line between LEVEL 2 and LEVEL 3 is way bigger than LEVEL 1 and LEVEL 2.
Proverbs 1:1-6		This shows the Romans-2 Thessalonians and the break-down/structure (NOT doctrine) of your Sonship education. The very order it is given here is the very order the apostle Paul lays out from Romans to 2 Thessalonians. Shows the PURPOSE. In Romans, what are we supposed to be educated in. MM looks at part of this and he sees Romans, 1/2 Corinthians, and Galatians. MM looks at part of this and he sees Ephesians, Philippians, and Colossians. MM looks at part of this and he sees 1/2 Thessalonians. The purpose is given right here. Paul takes the same purpose and puts our doctrine on it and then lays it out to us in that very order. Incredible to look at.
Proverbs 1:1-6		Outline/Structure of the curriculum/education. Curriculum is MM's term, not a Bible term. He wants us to see for ourselves this really is an educational curriculum even though the Bible doesn't use that word. Can't afford for you to have a doubt. Once He begins to show you wisdom and instruction, you have to be sure what you are involved in. Can't afford for you to take MM's word for it, you have to know it for yourself. Looking at the TO phrases=Purpose Statements - giving you the purpose or the things that will be accomplished in your Sonship education; not the doctrine but what it is it is going to be doing. Last week, Gloria said it looks like a Table of Contents. MM said that's exactly what it is. List of things that the TOs give us. Gives the entire extent of the curriculum. Complex purpose = more than one purpose - isn't it important to know the purpose of something before you go through it? Until you know what is Sonship adoption, this education is going to do, until you know the purpose of it, there's no sense to read Proverbs or Romans if we don't know the purpose. LEVEL 1: Godly Thinking LEVEL 2: Godly Living LEVEL 3: Godly Labor

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:1-6		What you have is a complex of purpose or interconnected parts - 'counting the TOs': 1) To know wisdom and instruction; [Romans - very first part of your education] 2) to perceive the words of understanding; [haven't defined what this means] 3) To receive the instruction of wisdom, justice, and judgment, and equity; 4 different areas connected here - commas show they are different yet connected to each other Apostle Paul uses these exact same words in the exact same order and puts the doctrine on these in Romans 12-16 v2: TO KNOW WISDOM AND INSTRUCTION (Romans 8): First thing that you are going to get in your education right off the bat. -SO v2 TO PERCEIVE THE WORDS OF UNDERSTANDING (Romans 8): Second thing - SE
Proverbs 1:1-6		v3: RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY: Third thing. -4 Decision making skills -> SIMPLE SON v4: TO GIVE SUBTILTY TO THE SIMPLE: Fourth thing. Get subtilty added. Have to complete these in the right order. v4: KNOWLEDGE AND DISCRETION: Fifth thing. v5: INCREASE LEARNING: Sixth thing. v5: ATTAIN UNTO WISE COUNSELS: Seventh thing. GH: Ties to the 7 pilars of wisdom in Proverbs 9.
Proverbs 1:1-6		Look at these and see the progression. It's the table of contents of a textbook. No novel does this. There's a logical progression that is natural and it makes sense. There is an order to this. Can't just jump in in the middle. Too much you wouldn't understand and it wouldn't do you any good. The above matches up perfectly with the education Paul is going to give you in the Book of Romans. When you pick up a textbook, you see things laid out in an order. Start from the very basic and move you along. Expect to see whole sections or chapters dealing with each step you are looking at. Looking at an ordered curriculum that is laid out in Proverbs 1-9. It has measurable steps to it. Has a logical sequence to it. The very things we are looking at are the things that belong to a curriculum. There ought to be markers. To know it is time to move on, there are tests. Your Father has all of these places where He is going to check you out. Checkpoints all along the way. He devised the program for you to succeed, not fail. There is someone who wants to talk you out of becoming what Adam had a chance of becoming before he fell. You have a chance to get a greater wisdom working in you than Satan himself who was created full of wisdom. Table of contents for the Sonship education. - v2-3: contain the entire first level of our Sonship education. - v2: TO KNOW WISDOM AND INSTRUCTION (Sonship Orientation) - v2: TO PERCEIVE THE WORDS OF UNDERSTANDING (Sonship Establishment) - v3: TO RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY (First of the actual instruction that begins in Romans 12:2)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:1-6		4 titles or monikers for someone who is going through the education (5 levels = Adopted son + these 4 monikers): 1. Simple Son (Freshman): completed 1. TO KNOW WISDOM AND INSTRUCTION 2. TO PERCEIVE THE WORDS OF UNDERSTANDING 3. RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY - Simple son is the longest and most difficult phase of your education. If you get through Romans and then won't have any problems with Corinthians or Galatians... Biggest hurdle. Huge jump to get to SIMPLE SON. One-dimensional - dangerous time. Inherent weaknesses - where the STRANGE WOMAN (PoE) comes into play. Time when a son is most suseptible to that. 2. Young Man (Sophomore: Wise Moron): completed 4. TO GIVE SUBTILTY TO THE SIMPLE. Based on punctation, not a lot of difference between SIMPLE SON and YOUNG MAN. Just add SUBTILTY. MM sees a son level division here. Young implies immaturity. Wise implies safety in putting something into his hand. Is just increasing. MM sees a step level division here. 3. Wise Man (Junior): completed 5. KNOWLEDGE AND DISCRETION. Jump from YOUNG MAN to WISE MAN is substantial. 4. Man of Understanding (Senior - FES-Fully educated son or daugther): completed 6. INCREASE LEARNING 7. ATTAIN UNTO WISE COUNSELS (done out there; the ultimate of the wise counsels is when God sits down at the table with only fully educated sons and He says, 'How do you want to do this?' There are others.). Jump from WISE MAN to MAN OF UNDERSTANDING is not that great. Education is finished. God could start a satellite business with you. What's the point of educating you if He has to micromanage you.
Proverbs 1:1-6		Progression not only in the education (7 steps) but there's a progression in the son (4 levels). If you can observe the levels in the scriptures, you understand this is when I move to this. See that God has devised a progressive curriculum. Sees there's progression to this. There's something that's being taught. There's instruction that being attained. The curriculum is that of a father given to a son. Remember all the MY SON references in the first 9 chapters of Proverbs (exhortations)? The curriculum has a complexity of purpose that it has multiple purposes to it. All the TO phrases. It is not randomly thrown together. There are descriptive titles that indicate progress. MM is saying, bottom line, when you look at what's here, you really are seeing a curriculum. At least 5 levels or steps you change your level of attainment. Even secular education recognizes we are built for an education to take place in a certain way. MM sees 3 levels with 2 levels each (skeleton that Paul is going to put the meat on the bones for. Why 3 levels? MM uses Sonship. Bible uses Godly edification. Levels tie to the components of godliness.). Spend the rest of your life honing those skills you learned when you went through the curriculum.

Proverbs 1:1-6		Level 1 – An adopted Son - Proverbs 1:2-3 - Romans - think like your Father (GH: +Corinthians + Galatians?) - Adopted son trying to get to this first level of SIMPLE SON. Most people who receive Jesus are stuck right here in that process. - Phase 1 = To know wisdom & instruction/to perceive the words of understanding (learning your numbers - recognize a 1, an 8, a 9, and a 0) - Phase 2 = to receive the instruction of wisdom, justice, judgment and equity (taking the numbers and learning to count, get them in order) Level 1: Phase 1 & 2: Romans through Galatians - doctrine that matches that part of the adoption structure. = ADOPTED SON to SIMPLE SON Spend the rest of your life honing those skills you learned when you went through the curriculum. Level 1: Phase 1 & 2: Romans through Galatians - doctrine that matches that part of the adoption structure. = ADOPTED SON to SIMPLE SON v2-3: Level 1 Phase I: v2: to know wisdom and instruction; v2: to perceive the words of understanding Phase II: v3: instruction of wisdom, justice, and judgment, and equity
Proverbs 1:1-6		Level 2 – A simple Son/A Young Man - Proverbs 1:4 - First 3 chapters of Ephesians, Philippians, and Colossians - live like your Father - Phase 1 = To give subtilty to the simple, (learn to add, subtract, multiply, and divide - take what you know and start applying it) - Phase 2 = to the young man knowledge and discretion (Start dealing with decimals, fractions, exponents, etc.) v4: Level 2 Phase I: v4: give subtilty to the simple Phase II: v4: to the young man knowledge and discretion SUBTILTY: Set of instructions that your Father is going to call subtilty.
Proverbs 1:1-6		Level 3 – A Wise Man/ A Man of Understanding – Proverbs 1:5-6 - End chapters GH: + 1/2 Thessalonians? - talks about your exaltation and being in the heavenly places - labor with your Father in His Business. Get specific instructions on how you are going to operate up there. - Phase 1 = To give increased learning (algebra and geometry) - Phase 2 = to attain unto wise councils => fully educated son (triginometry, physics) Level 3: Phase 1 & 2: 1/2 Thessalonians = WISE MAN to MAN OF UNDERSTANDING v5-6: Level 3 Phase I: v5: a wise man will hear -> will increase in learning Phase II: v6: a man of understanding will attain unto wise counsels -> the words of the wise, and their dark sayings.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:1-5		Framework for our adoption in the Book of Proverbs. The skeletal framework for our Sonship edification goes like this: - Empty – zero edification - Simple-FR - Phase 1 of our edification - Young man-SO - phase 2 of our edification - Wise man-JR – phase 3 of our edification - Man of understanding-SR – phase 4 of our edification
Proverbs 1:1		1 The proverbs of Solomon the son of David, king of Israel; PROVERBS: Are little pithy sayings that usually have a truth, often used as a metaphor. Represents a style of teaching. This style of teaching is another way we know this is the book we would come to find the structure of the curriculum for our Sonship that God decided to pen through David and Solomon. SON OF DAVID: Notice the first way that Solomon will identify himself. Because after v1, he is about to write the instructions that his father David gave him to educate him as an adopted son. Solomon is just introducing the Proverbs.
Proverbs 1:2-6		Contains the Sonship Education Curriculum or "table of contents" (all the things you get in a Book) for the curriculum presented to an adopted son in every dispensation, which is to say that the basic structure of what adoption is meant to produce and the order in which it presents its instructions are "interdispensational". Lay out the entire format and structure of adoption, regardless of programs. The things laid out in the curriculum are the very words that the apostle Paul uses so you will be able to lift that basic structure and lay it right over Romans-2 Thessalonians and it fits perfectly. Table of contents: tell you what it is. What you are going to be looking at. Table of Contents works for Sonship no matter what program you're in. There's no doctrine here. This is not even an exhortation. All this is is a sequence of how information is going to be presented to you as you're educated as an adopted son. Applies to both programs. Words are very general - broad terms. That's why you have to have a little education to be able to look at that Table of Content and say that is a Table of Contents. But we have also come to understand that these general terms have some very specific things in mind. MM says as a young preacher boy, he taught through the Book of Proverbs and he could not have identified anything in the Table of Contents. POINT: As you begin to see this and you understand what is happening in the order in which it's happening here, you'll know why the Table of Content isn't being very specific. That's not what the Table of Content does. It just gives you information about the order of things have been presented. Table of Contents uses the same words but they mean the different things in different parts. Those words are contextually sensitive. Context lets you know that it can't mean the same thing here that it meant back there.

Proverbs 1:2-6		GH: Levels: SIMPLE MAN: 4 decision making skills YOUNG MAN: Add subtilty to the simple (son) WISE MAN: Add knowledge and discretion to a young man MAN OF UNDERSTANDING: Wise man who increases in learning; shall attain unto wise counsels - WISE COUNSELS: What will happen in the dispensation of the fulness of times when only fully educated sons who have become men of understanding
Proverbs 1:2-3		Bring you to the process of being simple. From KNOW (v2) to PERCEIVE (v2) to RECEIVE (v3) [now you are going to get something - the 4 parts of judgmental decision making skills that you're going to be taught as a son right off the bat-will employ in your everyday life here and practice on each other in this local assembly, at work, in relationships-all decisions you will make in your life will fall into 1 of these 4 broad categories - EX Justice will be broken down into parts]. Perceive is a step up from knowing. Focus is narrowing a bit and starting to get a little more specific. 'When the mind has been led' - who is going to lead the mind? The Spirit! Romans 8:14-15. Sonship Orientation vs. Sonship Establishment vs. Romans Education - KNOW: 'Here's what is coming.' (orientation vs. PERCEIVE: 'Let's get it in you'.(established) vs. RECEIVE (4 decision making skills)
Proverbs 1:2		2 To know wisdom and instruction; to perceive the words of understanding; First and second part of verses are two different things that are happening before your education gets started. LEVEL 1, PHASE 1-Part 1: **Sonship Orientation** **1. To know that it (the Sonship education) exists** **2. To know that it (the Sonship education) is valuable/has value (don't know HOW valuable)** TO KNOW WISDOM AND INSTRUCTION: Set the son's attitude to be as excited about the education as the Father was about giving it to him. TO PERCEIVE THE WORDS OF UNDERSTANDING: Designed to do the same thing but it's a different thing that's being done but it's for the same purpose. These two together are going to work to set the son's attitude so he/she says boy, this is the greatest thing I could be involved in. Has to be that way. God is not going to educate anyone against their will. **WISDOM/Doctrine: Is knowledge properly put to use. Here's what I know and how to take it and use it. 'Put what you learned to use.' Ever see someone with knowledge but not much wisdom?** **INSTRUCTION/Curriculum: Is the imparting of knowledge. 'Learn something.'**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:2		2 To know wisdom and instruction; to perceive the words of understanding; v2 is not here is the wisdom. To know wisdom is to know it exists and that it is valuable (understand the value) and that there's a Wisdom that your Father wants to give you. **Knowing wisdom and instruction will tell you how important you are, important enough that He:** **gave you all the instruction in this Book** **gave you the Spirit that is inside of you that is going to lead you through the curriculum**. How important is your education? If you are not educated when you get up there, it'll never happen. If we are going to be utliized at all, there we're going to have to know what we are doing. That's what the education is going to do. You are starting on an education that you will engage in for the rest of your life here on this earth and that is going to be your vocational training for what you are going to be doing in the heavenly places. You are going to get installed in a position in the heavenly places. There you are going to function as an extension of God's righteousness, His holiness, His glory, His intelligence.
Proverbs 1:2a	TO KNOW WISDOM AND INSTRICTION=Sonship Orientation / TO PERCEIEVE THE WORDS OF UNDERSTANDING= Sonship Establishment	2 To know wisdom and instruction; to perceive the words of understanding; **SUMMARY STATEMENT for TO KNOW WISDOM AND INSTRUCTION: By knowing wisdom and instruction, a son's proper attitude towards his Sonship edification is established within him, by the effectual working within him of the exhortations that provide for him to know wisom and instruction, the desire is established within him not to be a fool. The fool despises wisdom and instruction. But the son's desire gets established within him to emulate God his Father, to learn His knowledge and wisdom, to walk in His paths and His ways, and to become skillful and capable to work with Him in the operations of His Business. MM says knowing that you will be in Heaven and working in your Father's Business does not excite a lot of people right off the bat. When people ask 'what are we going to do?' means that I may not want to do that. God has an exhortation to answer that (Proverbs 1:7-9).**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:2a	TO KNOW WISDOM AND INSTRICTION=Sonship Orientation / TO PERCEIEVE THE WORDS OF UNDERSTANDING= Sonship Establishment	2 To know wisdom and instruction; to perceive the words of understanding; TO KNOW WISDOM AND INSTRUCTION (Ties to Romans 8:14-15 - Sonship Orientation): Is talking about knowing this education exists and that it has value. First thing that you are going to get in your education right off the bat. David is not telling Solomon about learning some things that God calls wisdom and instruction, he is not talking about learning some things that God calls wisdom, he is not talking about learning anything yet, that not what's he's doing. KNOW has to work with both WISDOM and INSTRUCTION. Something you are supposed to know about KNOW. Not getting WISDOM and INSTRUCTION yet, you are just supposed to know something about wisdom and instruction. You have to know it 'exists' and know the 'value' of it/how valuable it is. Talking God's wisdom. We like a rulebook and casebook. Give me the rules, here's how it works, show me a book that says this situation, here's how to apply the rules that's a case book, give me that, but you understand that if you are going to do that, if you got a rule book about everything, how big would that rulebook be? What is more valuble is for your Heavenly Father to equip you to see it from His perspective. Think about it the way He thinks, understand what He understands, and be able to make a judgmental decision no matter what the circumstances. Adopted son gets liberty in decision making. You are going to be able to make judgmental decisions based on an understanding of how your Father thinks. That's way better than a big rule book. Some people, because they don't understand the definition of godliness (think, live, labor), they think that's impossible, saying we can't think like God. On your own you can't, that's why He wants to take what's in His Heart and write it on your heart to equip you to do that. That's what the whole process is. From a Father to a son. Part of the attitude adjustment that will be made in every one of us when we get back over to Romans 8 is your Heavenly Father is going to pray and we are going to talk about it today.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:2a	TO KNOW WISDOM AND INSTRICTION=Sonship Orientation / TO PERCEIEVE THE WORDS OF UNDERSTANDING= Sonship Establishment	2 To know wisdom and instruction; to perceive the words of understanding; TO KNOW WISDOM AND INSTRUCTION: If v2 works in your properly, you will have set yourself to be able to go through the curriculum because there are way and paths that if this didn't get done in you first, before you ever started learning it, there's something that's going to pull you off the path and your never going to continue your edification. Satan has designed it to pull you off the path. Solomon esteemed this part too lightly - he thought it's important but I don't need this, just move on and he got to the place he got pulled off the path and pulled the whole nation into apostacy. Fell off right here at the beginning before he ever got to the wisdom. Why MM can't skip anything. You can't just say, just tell us and we will believe it and we can move on. You have to know this for yourself. If you don't know wisdom and instruction, there will come a time when you're going to get knocked off and you won't be able to get back on there. Be unlikely/very difficult so can't skip that part. If you don't get TO KNOW WISDOM AND INSTRUCTION, it's not going to get done. It's like not touching first base. You have to touch this base. Your son wants to be like his Father but he has to be taught how to do that. There's value in doing that. In a nutshell, to know it exists AND to know its value or importance or its grandness. To know how important it is to your Father so it will be that important to you. Given to you for the purpose of setting your attitude for the rest of your Sonship education to say this is worth my time and effort, this is something I am going to stick with, this is a big issue. Will need more than that. There are attractions and allurments that are going to be set before your eyes that try and steal you away from this Sonship life you are being offered. Attractions where you no longer have sufficient time to do this. Things that will compete for your attention and your time. Why it is important to nail this down now before he ever starts educating you He is setting your attitude. EX Meet at 1 PM on Sunday and people say you need to shift to a different time because there is something more alluring and attractive (the noon kickoff of the Cowboy game). Do things in addition to this, not in the place of this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:2a	TO KNOW WISDOM AND INSTRICTION=Sonship Orientation / TO PERCEIEVE THE WORDS OF UNDERSTANDING= Sonship Establishment	2 To know wisdom and instruction; to perceive the words of understanding; If nothing else take place, this is going to get done. We have 2 commitments we need to make. MM has 3 (a commitment to teach it). MM never looked for greener pastures in his ministry. Things just changed. That can't happen anymore. We are engaged in an ongoing education. Have to set the priority now because the distractions and allurements are going to increase. Where Solomon failed - his attitude never got set before he was presented with the doctrine. He went through it but in his mind it was OK, now let's get to this and get to this. TO KNOW WISDOM: Most people would replace KNOW with learn. Before He can actually begin the education proper, He has to establish the son about some things in the business and so the first thing you have to do is to know wisdom. Since WISDOM is connected to INSTRUCTION, you know LEARN (learn instruction) won't work here. WISDOM: What is contained in the curriculum. WORDS: There are words that He wants you to perceive something about that are going to produce an understanding in your own heart and mind. Perceive something there is an ahh factor to it. You read a verse and say, ahh, I didn't see that before. MM can see it in your faces. Taking special notice of something. When He takes you from knowing to perceiving, From knowing WISDOM exists and is important/has value Looking at the two phases to Level 1 of your education. 1. Knowing it's there/exists and has value. 2. Getting that instruction in wisdom, justice, judgment, and equity.
Proverbs 1:2b		TO PERCEIVE THE WORDS OF UNDERSTANDING LEVEL 1, PHASE 1-Part 2: Sonship Establishment (includes Dispensational Change) To know there is a structured curriculum that serves to educate you TO PERCEIVE THE WORDS OF UNDERSTANDING (Ties to Romans 8:18-24 and beyond. Starts Sonship Establishment (Romans 8:16-39)): Second thing TO PERCEIVE: Is an advancement on “to know,” therefore, when you “perceive the words of understanding, it means that you come to understand how the education is going to work for you; to realize the personal usefulness of it. PERCEIVE: To be aware of something. You are not told to SEE the words of understanding, your are told to PERCEIVE them. When you see it, your eye is directed toward it. When you perceive it, if you look at it attentively. Exhortation will tell you to ATTEND over and over. Have to attend phyiscally. But you can be here and not be here. The body can be present but the mind absent. You are supposed to perceive words. What is it that you think you would be looking at that you would perceive those words (words on the pages of a book, the Bible)? **See not only with your physical eyes but you eyes of understanding**. Perceive something there is an ahh factor to it. You read a verse and say, ahh, I didn't see that before. MM can see it in your faces. Taking special notice of something. When He takes you from knowing to perceiving.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:2b		Smith's 1893 edition of Synonyms Discriminated, we find this regarding the word "perceive:" We perceive external objects when the mind becomes aware of their presence by the senses, and also perceive truths, when the mind has been led, by reasoning or otherwise, to take cognizance of them. Crabbe's synonyms on perceive: to perceive is take into the mind from the senses; we see a star, for instance when the eye is directed toward it, but we perceive its movements if we look at it attentively…the blind cannot see and the absent cannot perceive…" PERCEIVE THE WORDS OF UNDERSTANDING: An advancement - going from a general thing - TO KNOW WISDOM AND INSTRUCTION - to a more specific thing - PERCEIVE THE WORDS OF When George Crabb defined PERCEIVE meaning to look at something attentively, that's exactly what this is describing. Because you can see with your eyes when your mind is absent. UNDERSTANDING. UNDERSTANDING: Crabbe's - UNDERSTANDING is: "the faculty whereby we are enabled to apprehend the objects of knowledge, generals as well as particulars, absent things as well as present; and to judge of their truth or falsehood, good or evil." What you will be educated to do.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; TO RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, JUDGMENT, AND EQUITY: Romans 12:3 - Romans 15:7 LEVEL 1, PHASE 2->SIMPLE SON: 4 Decision Making Skills: 4 areas with which you make every decision in your life (core of learning to think like your Father thinks, seeing things from His perspective). Taught four specific skills that will allow you to make judgments about things not just in making a good decision but in making the same decision that your Heavenly Father would make. 4 Broad Titles for Judgmental decision making skills that you are going to learn so that every decision you ever have to make in your life - where should I go to college, what should I major in, should I get married, who should I marry, what should I do for a living, etc. Every question you could ever imagine will fall into one of those categories.The 4 skills you are going to be given so that you will know to think about that thing exactly like your Father thinks and you will know what His will is for your life. Doesn't mean you will automatically do it but will know it. Decision making skills given to a king, a governor, or prince - someone that's in rulership in this particular case (Jeremiah 23:1-6), we have a King. When you read Proverbs 1:3, you know you are being equipped as a ruler to make decisions on the behalf of your Heavenly Father and you'll be using that skill out there in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; Notice the ANDs after JUSTICE AND JUDGMENT. There is no AND after WISDOM. INSTRUCTION: The curriculum itself - it's the actual words of wisdom. Algebra textbook - a book of instruction for algebra when opened up and begin to go through the book and there's the wisdom and see the value of. Should see the value of the curriculum and the wisdom that is in it. WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY: 4 decision making skills - the first thing your Heavenly Father begins to educate you in so that you begin to think like He thinks. When you have a decision to make, it will fall under one of these 4 categories. Not a decision on the face of the earth that you will ever have to make that doesn't fit in one of those 4 categories. This is one of the first things your Father gives you as you begin your education. Once you get this, you become a SIMPLE SON. Will be like ridiing a bike or driving a stick shift, it will become automatic. When that day comes, you will never again ask your Heavenly Father what is your will about this. Knowing God's will is not a prayer issue, it's an education issue. He wants to teach you to see things the way He see them and put His Wisdom from His Heart into your heart. What this whole thing is about. People hear this and think no way - you can never know God's will about everything that comes along.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; RECEIVE INSTRUCTION: Didn't say teaching. There are a couple elements to instruction that make this the exact, right word to be in your Bible and not teaching. Things that are true of instruction that aren't always true of teaching: 1. Without this instruction, you wouldn't know how to do whatever it is what it's instructing you to do. If you already know how to do something and just getting more information, that's not really instructing. Could use the word teaching to do this part or that part. POINT: If your Heavenly Father won't teach you this, you won't know these 4 issues-WJJE. Could preface all 4 with 'godly'. World has a version for each. Look at things the way He looks at them. Commonality - all 4 are used to make decisions. MM says you have never made one decision in your whole life based on what we are about to be taught. All the colleges, universities, etc., none can give you godly wisdom. We'd expect is all these pithy sayings of wisdom. Find instead in the doctrine that is going to teach you how to think in this particular area like your Heavenly Father. Break down godly widsom into 6 parts so you begin to see godly wisdom like He sees it. It's not a list of good things and bad things. Once you begin to think like Him, you will say 'oh, that makes perfect sense'. There is a place to find instruction on godly wisdom in Romans 12. Ask most preachers and they would say, oh, it's all through the Bible. MM says there is one place in the Bible specifically designed to give you godly wisdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; Receiving instruction in this context of our Sonship education, it's: 1) The receiving of directions or a body of information on how to do something that you don't know how to do; to enable you to do something that you don't naturally have the ability to do; and, 2) This body of information (or instruction that I'm receiving) on how to do something, is information that I was previously totally ignorant of. As your mind begins the process of being renewed (Romans 12:2), the things that used to guide your thinking: o Old information (that now has no value whatsoever) o Information acquired from the world o The wisdom of men Are to be recognized for the worthlessness that they are.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; All going to have to be replaced (GH: Death to the QUOTES file?). First thing the education proper is going to do is renew your mind. Get you thinking in a different way than you have ever before. As your mind gets renewed, you are going to be looking at things very differently than you did before. You will look at things different than you did before. The conclusion you come to will be a different route. It'll be godly thinking that brought you there. What is good about that is you can always trust godly thinking to bring you to the right result. With GH: worldly thinking, sometimes it works out, sometimes it does not. With godly thinking, you are thinking just like your Heavenly Father and that's going to make all the difference in the world. By receiving the instruction of wisdom, justice, and judgment, and equity, the son is given the capacity of godly decision-making; the acquiring of decision-making skills. CORRECTION: MM told us before that every decision we make will fall under one of these 4 categories or a combination of them. Some things you will decide that will not fall under this. When you go to the restaurant and choose off the menu, this is not going to one of those 4 Sonship decision making categories. Or a Snickers or a Payday? All 4 of these are not only decision making skills, as you trace them through the Bible, all 4 are skills given to a king, prince, or governor. Because they are in a place of authority and need to make decisions. Your Father wants to give you these skills GH: so you can operate in a position in the heavenly places. MM says you will be making decisions on His behalf as a ruler. Utilize these skills out in the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; INSTRUCTION: The curriculum itself - it's the actual words of wisdom. Algebra textbook - a book of instruction for algebra when opened up and begin to go through the book and there's the wisdom and see the value of. Should see the value of the curriculum and the wisdom that is in it. We have a written form of instruction called the Bible. Actually our epistles. Crabbe's Synonyms says: "Instructions are always required for the regulation of a person's conduct in an official capacity." If you are going to receive instruction in WJJE and Crabbe says if you want to know what instruction means, it means there always required for the regulation of a person's conduct. Forget the last phrase. Conduct is the way you live. It is what you do. "in an official capacity." - Fits in perfectly with your Sonship. These instructions will teach you how to conduct yourself as a son who is sitting in a seat of a principlaity or power or a might or a throne or a dominion. MM says Crabbe couldn't have been any more out of your Bible than if it was a verse. Crabbes: "To Instruct: concerns that which is practically useful; it serves to set us right in the paths of life. A parent instructs his child in the course of conduct he should pursue." Heavenly Father is going to give you these skills that are practically useful (means that you really have a use for it-utilize in your everyday life).
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; MM sees a break here. We have to determine how many levels is it going to take to complete our education? There's a beginning to it and and end to the curriculum. MM suspects will be involved in this education our whole lives but there is an end to the curriculum. Go from KNOW to PERCEIVE to now RECEIVE. Will make a difference in how you perceive your education. GH: Orientation is KNOW, establishment is PERCEIVE, RECEIVE is Romans 12:3-Romans 16. INSTRUCTION: We often think about "instruction" as "a set of instructions or directions" sort of like you would get when assembling a piece of furniture. OED: the imparting of knowledge or skill; making known to a person what he is required to do. These are correct, but the instruction talked about here has one more shade of meaning to it. Nutshell: INSTRUCTION that you are supposed to PERCEIVE that without Him telling you about it, you would never know how to do it.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; Have to be recognized for the worthlessness that they are. Are all going to have to be replaced (with what God is going to give you). Once you get through the 4 decision making skills in Romans, don't think you are as good as you will ever get. You have to put them into practice. That's the apprenticeship. Will utilize those skills as a church body. You will run into decisions that you don't know which one it fits under. In advanced education, you will find some decisions are a combination of these. They don't just fit under 1. Will require you to put 2, 3 or all 4 of those together to come to a godly decision. You will have to learn how to do that. You will have all the skills. Do it with your family, this church, your life, etc. He wants you to hone those skills. So when you get up in the creature and there is a decision to make, GH: You will be prepared to make it. You will be making decisions and giving instruction on what needs to be done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; WISDOM: Not wisdom according to men, not wisdom according to this world, not wisdom according to the princes of this world but your Heavenly Father's Wisdom. MM is not telling you that you have never made a wise decision in your life. What he is telling you is that you have never made a decision out of godly wisdom. The only way you can make a decision in godly wisdom is to have been instructed in it. MM says people tell him they already have godly wisdom. He says can you name 3 of the 6? Because if you can't name them, he wonders how you can use them. This is instruction in something we never knew before. Don't realize till you get to Romans 12 there are 6 components of godly wisdom. Use wisdom in 6 different ways and he will teach you about every one of that. **Summary Statement for: "to receive the instruction of wisdom" - To receive the instruction of wisdom involves being skilled in detecting the "paths" of your heavenly Father, which are consistent with who you are as an adopted son of your heavenly Father and what is "reasonable" (MM pulled from Romans 12 checkpoint) in your conduct and behavior as a son who understands God's plan and purpose for the church, the body of Christ, from every other "path" that might allure a son. Two elements:** **1. Being skilled in knowing the paths your Heavenly Father (what would He do)** **2. How that path will differ from every other path you are going to be offered (MM says you will be offered other shiny paths)** Godly Wisdom: Different from the wisdom of men or the wisdom of this world or any other wisdom mentioned in the Bible.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; WISDOM: Swinton's Word Analysis (Written in the 1800s): wisdom is broken into 2 parts; "wis" and "dom." "Wis" is the older English for the word "wise" and "dom" means "condition" or "possession." Adding the "dom" suffix to the word "wise" is the condition of being wise. **Summary Statement for: "to receive the instruction of wisdom" (paired down from prior version): Receiving the instruction of wisdom involves being skilled in *discerning* the "path" of your heavenly Father from all other "paths," and *choosing* that "path" based on who you are and what is "reasonable" in your conduct as an adopted son.** When your apostle takes up that doctrine in Romans 8, he is saying I want you to be able to make decisions based on the ability to look at the decisions that you have to make and know what is the path your Heavenly Father would take opposed to those which are not. **You will not only know which path is His, but you are going to know why. Why is the critical issue**. You can know the wise thing to do and not do it. Sonship decision. But are you wise? No. Why both components have to be in there. It is important for you to see that your Father's "paths" are: - consistent (with who you are as an adopted son) - reasonable (as to your conduct and behavior)

Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; JUSTICE: Teach you things about government-civics class, making decisions about government (because you will be sitting in places of government). More than 1 aspect to justice. **Summary statement for: "To receive the instruction of…justice:" The effectual working of the instruction in godly justice is the ability to discern between right and wrong, and make "just" and "right" decisions, based upon your heavenly Father's norms (of behavior) and standards (of conduct) of what is right and what is wrong**. Justice is a basic quality of being just or right. You won't learn the world's norms and standards, but your Heavenly Father's. Just because something is legal doesn't make it right. Make decisions based on God's norms and standards of right and wrong. Justice: There's something to tell you something is right or wrong.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; Justice has the concept of dealing with what is either right or wrong based upon a set of norms and standards that are vested in either someone or something (such as a court, a congress, etc.) that has the authority of determining and setting forth the norm and standard of what is right or wrong. In other words, justice is what is right and lawful in the eyes of someone or some thing that has the authority to declare what is right and what is wrong. When you're dealing with an issue of justice, someone has to have the authority to declare it. Thinking about justice, you get this picture of the legal system and scales and how things weigh out. Blindfold symbolizes I don't care who is doing this, I am going to make a decision of what is right and what is wrong. Godly justice is not based on the law of the USA or Texas. Godly justice is based on your Heavenly Father's norms and standards. Several components to godly justice, including how to respond to the government you live under. Will be as true for you in the USA as a guy living in China. Godly justice will allow you to discern what is right and what is wrong in your Heavenly Father's eyes. Many times, the laws of the land may not address these issues. May be legally right and your Heavenly Father sees it as wrong. Instructed in your Heavenly Father's norms and standards. Justice: How to respond to your neighbor who doesn't like you. JUSTICE: Making decisions on what is right or wrong based on somebody's norms and standards.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; JUDGMENT: Calls it godly judgment because you have a decision to make and neither of the choices are wrong. There's nothing to tell you that either are right or wrong. **Summary statement for: "To receive the instruction of…and judgment" The effectual working of the instruction in godly judgment equips the son with the capacity to distinguish between multiple choices when there is no clear-cut right or wrong choice to be made.** Decisions where you can't find anything about the choices being good or evil. Summary statement for: "To receive the instruction of…and judgment": "To receive the instruction of…and judgment" equips the son with the capacity to distinguish between *multiple choices* when there is *no clear- Means you can't appeal to a law, there's no clear cut authority. More fluid in nature. The right and wrong are determined by Someone who has authority to determine right and wrong. Say this one is OK, this one is good, but this one is the best. Just because it is not wrong, doesn't mean that it is the thing to do.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; EQUITY: EX I am concerned about so-and-so and I have some decisions to make. Equity is a little tougher to fit into one simple statement and that alone should tell you something about the progress that's being made in these 4 components. EQUITY: OED = The quality of being equal or fair; fairness; impartiality; evenhanded dealing. **Summary statement for: "To receive the instruction of…equity" "To receive the instruction of…and equity" is to make a decision based on what is *fair, right, equal, and unprejudiced* in interpersonal relationships & dealings with others, prompted by a heart of good will which puts the interests of another *ahead* of your own.** Equity is the toughest. Usually look at the results of equity more than equity itself. Normally, it is fair to both parties. Win-Win. If there are situations where you can't come to a middle ground, godly equity gives the other person what they want.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; TO RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, JUDGMENT, AND EQUITY LEVEL 1, PHASE 2 -> SIMPLE SON - 4 Decision Making Skills: 4 areas with which you make every decision in your life (core of learning to think like your Father thinks, seeing things from His perspective): WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY: 4 decision making skills - the first thing your Heavenly Father begins to educate you in so that you begin to think like He thinks. When you have a decision to make, it will fall under one of these 4 categories. This is one of the first things your Father gives you as you begin your education. Once you get this, you become a SIMPLE SON. All these are for issues of decisionmaking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; Every Sonship decision you make in your life will fall into 1 or more of these 4 categories. Yes, this is the Book of Proverbs. Yes, this is adoption in Israel's program. But the reason we are looking at that is not because we are under Israel's program, we're in the Mystery program/DOGG. Reason why we are looking at it, is Paul mentions adoption to you for the first time in Romans 8. He doesn't explain it because he assumes you already understand some things about it. Have to understand adoption, Biblically. The way the Romans, Hebrews, and Greeks understood adoption. Carries on in this country - see signs 'Johnson & Son'. TO RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, JUDGMENT, AND EQUITY Your position in the heavenly places, the position you will be given, will be commensurate with your ability to utilize the skills that you'll need to do that job. MM says isn't that the way everybody does it? The idea that you will get to heaven and God will open up your head and pour in what you need is not in your Bible. Jesus talked about this. What makes the difference is what you do while you are here. Will be given some alluring alternatives to your Heavenly Father's way. They'll look enticing and they are made to look that way. When you first get these 4 decision making skills, will just be able to use them individually. Only later, actually instructed in how to do that is when you will be able to take them and combine them. Combine more than 1 to come to the very best decision that you can make.
Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; 4 decision-making skills - These are skills for one who will govern properly - You will need these skills in the heavenly places - These are skills that you don’t yet possess. Taught to think like your Heavenly Father. The WJJE qualities are the qualities of a ruler. To govern properly, you have to have these qualities. If you are going to do what your Heavenly Father expects you to do, you are going to need these qualities. You are going to learn them here and put them to work out in those heavenly places. Every Sonship decision you make will come under the heading of one of these 4. Can't labor with your Heavenly Father in any capacity devoid of these. WJJE are going to be as necessary for you to do what God's doing out there as they are for Israel to do what God' doing down here. Two major issues: 1. They are the decision making skills of God Himself - that's why they are godly decision making skills. 2. They give you the capacity to govern because of that He will have us doing that in the heavenly places provided you have the ability to do that.

Proverbs 1:3	LEVEL 1, PHASE 2->SIMPLE SON	3 To receive the instruction of wisdom, justice, and judgment, and equity; See the premium your Father puts on these decision making skills. First 4 things you will be educated in that gives you godly thinking - 4 judgmental decision making skills. Will need these to labor with your Father up in the heavenly places. David, Solomon, and Jesus all had these skills. Israel's leaders were rebuked because they didn't have these 4 things. If you are in a position of authority, you have to have these 4 things. He will teach you His version of these which will be different than anything you have heard from the world. Go from Roman 12:3 - Romans 15:7. Will change how you see the Book of Romans.
Proverbs 1:4a	LEVEL 2, PLASE 1 -> YOUNG MAN	4 To give subtilty to the simple, to the young man knowledge and discretion. TO GIVE SUBTILTY TO THE SIMPLE (son) LEVEL 2, PLASE 1 -> YOUNG MAN Subtilty allows the son to discern the finer points of his Father’s business and the POE’s attacks against him, he sees “below the surface.” It solves his “one dimensional” problem. The son needs subtilty because the POE will now be subtle in its attacks against him.
Proverbs 1:4b	LEVEL 2, PHASE 2 -> WISE MAN	TO THE YOUNG MAN KNOWLEDGE AND DISCRETION LEVEL 2, PHASE 2 -> WISE MAN KNOWLEDGE AND DISCRETION: Looking at the 2 terms that comprise LEVEL 2, PHASE 2. There is a very real threat of failure - why you have to have DISCRETION so that you don't let an INDISCRETION ruin your reputation. If you stop here all you get is this KNOWLEDGE, you will be victimized by the POE. Have to have DISCRETION added to that KNOWLEDGE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:4b	LEVEL 2, PHASE 2 -> WISE MAN	TO THE YOUNG MAN KNOWLEDGE AND DISCRETION KNOWLEDGE: Knowledge that the son now has a reputation in the heavenly places which enables him to have an impact and an influence there: - Your conversation is now in heaven/You have a CONVERSATION that is making an IMPACT and INFLUENCE and that you have a REPUTATION in the heavenly places. - Your Father's "cause" and the "highness" (the High Calling in Christ Jesus - Philippians 3:14) of it is everything to you - You carry the name and reputation of your Father & His business/You carry your Father's Name - in a sense you carry His Reputation - You now have an impact on the heavenly places - There is a very real threat of failure: a. issue of having his own reputation, influence, and impact ruined b. a son having his conversation ruined in the very place where the Father has designed for it to be made - You are involved in the Operations of His Business - You understand the things that you SAY, the things that you DO, and the DECISIONS that you MAKE, are going to impact that reputation (GH: your and/or His?)
Proverbs 1:4b	LEVEL 2, PHASE 2 -> WISE MAN	TO THE YOUNG MAN KNOWLEDGE AND DISCRETION KNOWLEDGE: "Knowledge" = the education concerning your conversation, impact and influence of it on other people, your Father's Business, on yourself and on your ability to go on and to become a "wise man." It is also and education that convinces the son that the Father's cause is the greatest issue of all. The son will see that he is carrying the Father's name and reputation. He understands that it is through him that the operations of the Father's business will be accomplished.
Proverbs 1:4b	LEVEL 2, PHASE 2 -> WISE MAN	TO THE YOUNG MAN KNOWLEDGE AND DISCRETION DISCRETION: To see below the surface and know what was behind things. Discretion is the cautionary skill that allows a son to the see the repercussions of his actions "down the road" into the future. A son needs discretion because everything he says, does along with every decision he makes has an impact on his reputation, good or bad. The action of separating or distinguishing; the ability to critically discern or judge or distinguish what is correct and proper, always directed by caution. Having caution guide your actions/words and decisions, particularly as they apply to the cause of your Father's Business is a very big issue because, an indiscretion will have devastating personal consequences. Is the combination of wisdom and prudence used to make judgments (judgmental decisions) with caution and circumspection (cautious attention to all the facts & circumstances in the case, and to the natural or probable consequences of a decision with a view to a correct course of conduct, or to avoid danger) in order to regulate the conduct of men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5-6		Two LEVEL 3 Table of Contents verses. Look at v5-6 you notice that is all one single sentence. LEVEL 3 has the ability to stand alone by itself. Everything you need to function in your Father's Business is taught to you in LEVELS 1 & 2. There is one more thing you need in LEVEL 3. Get to v5-6, things are said to you differently than they were in all the previous verses. Have to identify 3 things: 1. What it means to be a WISE MAN? GH: LEVEL 2 graduate engaged in LEVEL 3 education. 2. Have to identify what he is going to hear? 3. Have to identify what it means when it says he's going to INCREASE LEARNING? MM said this is NOT describing a WISE MAN learning a bunch of stuff. That's not what that's about. Not saying he won't learn something he didn't know, he will. But that's not what that's describing.
Proverbs 1:5a	LEVEL 3 PHASE 1 Part 1 -> MAN OF UNDERSTANDING	5 A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: LEVEL 3, PHASE 1 -> MAN OF UNDERSTANDING WISE MAN to MAN OF UNDERSTANDING by going back through the curriculum as a father. It does not mean he has automatically ATTAINed UNTO WISE COUNSELS. A WISE MAN WILL HEAR, AND WILL INCREASE LEARNING: LEVEL 3, Phase 1 - Needs to learn the Father's methodology to turn around and teach Sonship. Things the son doesn't see but the father now sees. Checkpoints, markers, things the father is waiting for the son to confirm he really does have this. A WISE MAN WILL HEAR: LEVEL 3 PHASE 1 Part 1 - MM says you read this and think of something automatic. Don't think about this as him hearing a bunch of wise things that will result in INCREASE LEARNING. When you come to LEVEL 3, there is something your Father has never discussed with you that He is going to do at that outset of LEVEL 3. When you hear what He says at the outset of LEVEL 3, that will automatically cause you to INCREASE LEARNING.
Proverbs 1:5a	LEVEL 3 PHASE 1 Part 1 -> MAN OF UNDERSTANDING	5 A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: WILL INCREASE LEARNING: LEVEL 3 PHASE 1 Part 2 -> will result you becoming a MAN OF UNDERSTANDING. MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS: LEVEL 3 PHASE 1 Part 3 - MM says there is a two-fold component to WISE COUNSELS WISE MAN: Get knowledge and discretion. It is not so much now about more and different information given to you, it is now about taking the information you have, and learning how to really put that to work and so the wise man will hear and increase learning. It's not that he is getting whole new stuff he has never seen before, he is taking what he has seen and putting it to work in ways he hadn't seen before. Colon at the end of v5 means, that what follows the colon, in vs. 6, is a list or an inventory of things which the son will be able to do once he has become a “man of understanding” who has “attained unto wise counsels.” A WISE MAN WILL HEAR, AND WILL INCREASE LEARNING

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5a	LEVEL 3 PHASE 1 Part 1 -> MAN OF UNDERSTANDING	5 A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: Talking about what a WISE MAN will hear. Don't look at this as learning. When you come out of LEVEL 2 as a WISE MAN and you hear how to look at this curriculum as a father, when you turn around and someone comes behind you, whether personally or in this assembly, when they begin to learn it as a son, that's when INCREASED LEARNING takes place. People want to read this as WILL INCREASE in LEARNING. MM says if you want to put an extra word in here, put 'the' instead of 'in'. WISE MAN WILL HEAR: Will hear from His Father on how to teach the curriculum from the perspective/standpoint of the Father. Here's the checkpoints, here's the markers, here's the exhortations, here's why they are given the way they are so you really understand how it works. Because once you do that, you are now fully capable of producing this INSCREASE LEARNING for someone to come along behind and really get that. When that happens, you become a MAN OF UNDERSTANDING. And that MAN OF UNDERSTANDING shall ATTAIN UNTO WISE COUNSELS.
Proverbs 1:5a	LEVEL 3 PHASE 1 Part 1 -> MAN OF UNDERSTANDING	5 A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: A WISE MAN WILL HEAR, AND WILL INCREASE LEARNING HEAR (curriculum from a father's perspective) + INCREASE LEARNING (train people behind you) = MAN OF UNDERSTANDING HEAR: Hear AGAIN the education from the father's point of view. If not, you will skip or miss something. Hear the whole curriculum from the standpoint of the father, as the teacher. Much easier to go through this second time. INCREASE LEARNING: Isn't about you learning something. Yes, you are going to learn something. You are passing this along to someone else. That is the INREASEd LEARNING. Won't make you better in the Business. You've got that. MM says don't replace LEARNING with KNOWLEDGE. A WISE MAN is going to hear the curriculum from the standpoint of the Father and will then be able to turn around and teach it as INCREASE LEARNING. Will do this as LEVEL 2 in this assembly - there will be new people come in the door. We will INCREASE LEARNING and qualify for something at the end of v5. The emphasis of increase learning is on the next generation getting the education. We think 'increase in knowledge'. You will learn some things but this is primarily increasing the learning of others. It's going to go out from him for someone else. In relearning from the standpoint of a father, need not only the doctrine, but also the exhortations and even the table of contents. For us, we would go back to Romans 8:14 - Colossians and look for all the checkpoints and markers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS MAN OF UNDERSTANDING TO WISE COUNSELS by experience. One thing to know it. It's another thing to do it. MAN OF UNDERSTANDING: Is the ultimate appellative you achieve. Knows both sides of the coin. Knows the curriculum as a son but he also knows it as a father. Called a MAN OF UNDERSTANDING because he now understands it all. Knows it as a son and knows it as a father. There is nothing else to understand. If he makes it to MAN OF UNDERSTANDING, then he is going to have this unbelievable thing offered to him. Not about sitting in that seat so much as it is about something else, this is a high honor. To think the Father would allows us to be a part of this is a pretty unbelievable thing. Once a son has learned the education as a son, and then learned it as a father (both sides of the coin, so to speak), he truly becomes a MAN OF UNDERSTANDING. It isn't that you both thinking about the same thing, but that you are thinking in the same way. EX Father explains to his son his business and the son says, yeah, I understand that. What's the big deal? Comprehension alone is not going to serve him this way. MM is using a real dictionary definition of understanding. Like so many other words, it is used on more than one way. MM gives an example of talking about the same things and not coming to the same conclusion. When your Father is talking to you about something, He not only expects you to understand or comprehend what He's saying to you but to really be in concert with Him about this and come to that understanding. This kind of understanding involves 2 parts because there is a Father-son relationship.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS There's a dangerous area here - seeing the things that you are told and coming to your conclusion about it instead of your Father's conclusion about it. See the education from both sides of the coin - father and son. MAN OF UNDERSTANDING has not only gone through all the things concerning the curriculum, but he has also endured whatever the sufferings of this present time brought his way and he has successfully weathered the vicious, constant attacks of the adversary that has thrown everything, including the kitchen sink, at him. Bears the scars of battle on his body. Think about all the things that he has gone through when you get to this particular point in the curriculum. Not only learned a lot but gone through an awful lot from the POE. By this time, you have ahave everything thrown at you that the POE can get its hands on. If you would ask Paul what it means to be a MAN OF UNDERSTANDING, he could do that by taking his shirt off and showing you his back. Is the last title/final appellative but you are not through yet. There is still something to ATTAIN to. Isn't followed with a period. If the only person who can understand the doctrine in Proverbs 10-29 is a MAN OF UNDERSTANDING, how do you understand any of the Proverbs until you become a MAN OF UNDERSTANDING. Don't you have to understand the doctrine to get over there? Sure!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS: LEVEL 3, Phase 2 LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS A MAN OF UNDERSTANDING ATTAINS UNTO can only be attained by a son who has gone through these. There is no way to shortcut this because it takes the USE of: the words(curriculum-learned as a son)/methodology(learned as a father) of the Father the various situations circumstances that life brings the sufferings of this present time the sufferings of Christ the battles with the opposing, satanic POE, that provide for the son's 'proving ground' (so to speak) whereby he gains the experience that, combined with his wisdom, results in keen skillfulness for him to be a wise and godly counselor to his son.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS The LEVEL 3 son is going to hear from his Father, he's going to increase learning by that, he's going to become a MAN OF UNDERSTANDING. MM says don't think about this as random advice or random counsel. This is something very specific. When you are a WISE MAN and you are hearing that curriculum from the standpoint of a father and you're learning all those markers and checkpoints and things that are in there so that you can truly teach a son, you can INCREASE LEARNING when that is going on. What you are getting here as a WISE MAN allows you to take the things that you have been told specifically and utilize the doctrine and apply it to the areas that you were not taught about in the curriculum. The doctrine serves as a principle that if the Bible didn't come along and say 'in this scenario, here's what you do', you know enough about it that you can look at different scenarios that weren't ever brought up before, and you know how to apply what you know to those and come up with the right answer. They are problems that the answer wasn't given in the back of the book, but you know you are right. You're going to encounter something in your life and you're going to go I didn't see this specific example in the Bible, what do you do with this? But see, once you get it, once you get out here as a WISE MAN that takes both sides of the curriculum (as a son and as a father), you will be able to say, this is a situation that was never given to me as a son but I know exactly what to do with it. You haven't been given a list of things you will do in the heavenly places in your Bible but you're going to need to know what to do when you get there and how to do it. Part of what you get when you become a MAN OF UNDERSTANDING.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS Once you go through the curriculum and you become a MAN OF UNDERSTANDING, there really is a graduation day. There is a day when your Father can say to you, you finished the course. But the living of that and the practice of that is not over. Just because you graduate from high school it means now you take what you learned and put it to work. LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS UNDERSTANDING: There's another meaning to UNDERSTANDING at work here than just comprehending something. Like when 2 people say 'we have come to an understanding'. Is a harmonious agreement with your Heavenly Father about all the things that He is thinking and saying about this education. Just not well, I understand what He is saying but that's not a big deal to me'. Saying that I understand this the same way my Heavenly Father understands this and this is a big deal to me. Webster’s 1928 dictionary puts it this way: “Intelligence between two or more persons; agreement of minds; union of sentiments.” If I were to put another word to this, maybe it would be the word “harmony.” You harmoniously concur with your Father on every point. Is not a man that is very smart or a man that comes to a different conclusion than the Father. He is a man who comes to the SAME conclusion as the Father. He doesn't need to be persuaded, he knows, comes to it on his own. Another dimension of this - he FEELS the same way about this.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS ATTAIN UNTO WISE COUNSELS: What your Heavenly Father had in mind for you from the very start of this education, all the way back when He saved you, justified you, sanctified you - that is what He was looking at, that's what He had in mind. Everything you are doing along the way. It is not for no reason but it's the necessary things you have to have to get to here because you have to become a MAN OF UNDERSTANDING to ATTAIN UNTO WISE COUNSELS. MM says you won't accidently stumble on this. Unless your Heavenly Father told you what that was, you would never guess. It's like when your Heavenly Father saved you, He turned to someone and said, 'I can't wait until he attains unto wise counsels'. There's something your Heavenly Father wants to be done with a MAN OF UNDERSTANDING that cannot be done with anyone else. Notice the colon following WISE COUNSELS. When you find a colon that means that the things that follow are usually an enumeration of or a list of what that's made up of. Usually the way a colon is employed. Make sure and see the colon and don't see it as a period. He wants you to understand that once you become a MAN OF UNDERSTANDING, you still have one more thing left. In other words, if MM said congregation or assembly with a colon, you would expect to follow that with a list of people in that assembly. ATTAIN UNTO WISE COUNSELS is not just talking about some thing your Father is counseling you to do, it is something that He wants to do with you together with Him.

Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS ATTAIN: Group says accomplished, reached a goal, come to the end. Fitting thing to be sitting at the top of our 6-step Sonship stair case. "Attain" = to reach, to acquire, to arrive. Attain carries the idea that there is some end in view or some goal in view that is to be reached or arrived at. The thing your Heavenly Father was after from the very beginning was this attainment. You have already left the education proper behind because you are fully educated at the end of LEVEL 2. Then you learn the education as a father. But then when you ATTAIN UNTO WISE COUNSELS, that's the final goal, that's really what He was after. Think about it like this - kid goes to elementary school to learn his ABCs and his numbers. He needed these to get to the point where he wanted to be in the end. Back when you received Jesus Christ as your Savior and you were JUEL, justification, sanctification, adopted - may not have known about it. All these are step 1. Something way off in the future are what He calls are WISE COUNSELS. Reached something, gotten it. ATTAIN: George Crabbe, English Synonymes: "attain signifies to rest at a thing (goal); it's a perfect and finished action—we always go on acquiring, but we stop when we have attained." "We attain to a certain degree of perfection. If we go all the say this curriculum and live long enough and we all get up there that there's not anything we haven't learned. We could go back and say, oh, you know what, there is more in there. You can spend a whole lifetime in this thing but you can still ATTAIN UNTO WISE COUNSELS. That's NOT unattainable, you understand. Council is a board or a group. Counsel - think of a counselor. Wisdom you get from someone else. When you get to this point, you are finally qualified to give counsel. Doesn't mean you can't give counsel along the way to someone coming along behind you.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS Word we haven't run into yet in the Table of Contents. When you ATTAIN UNTO something you have followed a prescribed methodology or a step-by-step process to reach a goal. When you realize that this is the glorious goal the Father wanted to get to from the beginning then also realize that everything that preceded it was necessary to get to this point where you, as His son, arrive at being this man of understanding who has attained unto wise counsels. LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS WISE COUNSELS: Is the main primary goal that your Heavenly Father has been after since He started this curriculum with you. It is the apex, the mountain top of where we are headed. The mountain top. Back as a SIMPLE SON you learned the 4 decision making skills but when you Father wrote this curriculum, when He had this plan to adopt you and educate you as a son, it was not ultimately so that you would just make wise decisions. Wasn't about just you gaining SUBTILTY to see below the surface of your Father's Business or even the POE or solving the one-dimensional problem. Wasn't about learning that you had a reputation in the heavenly places and that you need to conduct yourself in accordance with that reputation and you're going to need discreion because the POE will try and ruin your reputation through an indiscretion. MM is saying the final goal is not just to LABOR with Him. Up until this point you have been thinking the ultimate goal is for me to get this education so that when I get up there I can conduct all of my Father's Business just the way He would.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS Two components to WISE COUNSEL that you need to know: 1. Has to do with the heavenly places - will say I want to be able to do that 2. Second aspect of WISE COUNSEL: Where a son who is a MAN OF UNDERSTANDING is going to be able to sit down in eternity with his Heavenly Father and the Father and he together are going to be able to plan the direction of the Father's Business on throughout eternity. MM says that is a privilege/honor that God is going to allow us to be able to make decisions about where His Business is going to go and the direction it is going to take. Seems daunting today but when you are a MAN OF UNDERSTANDING, you won't be flinching or groping for words. Will have something in your mind and then talk about it with your Father. “Wise counsels” also involve an interchange of ideas between two parties, in this case between the Father and the son. In other words, the Father has been waiting all this time for the son to get to the place where they can sit down together and intelligently discuss the Father’s Business together.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS If WISE COUNSELS is the ultimate goal that your Heavenly Father is wanting you to get to out of everything He is showing you, don't you think He would be more enthusiastic about showing you it than anything else in the curriculum? Are the final goal of the Sonship education/edification. Think about all the incredible things you have seen along the way. Wouldn't you think this is the most incredible thing you have seen out of all of it? MM says it really is. Analogy for today on the counterfeit to giving good godly counsel. Four examples that are not just bad counsel, they are examples of the counterfeit: 1. Hurricane Katrina was God’s punishment for America not standing by Israel Can do this with anything - Fires in CA are God judging America for all of the abortion clinics. MM says if God was judging us He would have sent Katrina to Washington not New Orleans. MM says if he lived in NO and believed this, he would be mad as all get-out - why is God punishing us when it's those pinheads that didn't do what they are supposed to do? Does God have that bad of an aim that He missed it by 3,000 miles? What about all the flooding? MM says that's what happens when you build a city below sea level on the Gulf Coast?
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS 2. You are sick because you have sin in your life 'Well, the disciples asked Jesus who sinned, this man or his parents that he was born blind?' They had that understanding. We live in the DOGG. God is not making anyone sick or blind because of sin. That's what grace is about. God's whole dealing with us in this dispensation is under grace. If He punishes you because you didn't measure up, it wouldn't be grace, it would be works. What nitwit can't get that? You just have to be able to go to Bible school to get that wrong. An elementary kid with a dictionary could figure that out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS 3. If God didn't want you to do this, He would not have "opened the door" People pull it out of Revelation 3 because they understand nothing about RDW, nothing about the age they live in. Not what that verse is talking about and you can't take it out of Revelation 3 and put it on a saved person in the DOGG. Pastor gets a job offer and fellow Pastors say if God didn't want you there, He would not have opened the door. MM asked what about the Pastor with 2 church offers? 'If God didn't want you to do it, He'll close the door'. MM says no He won't. 4. God will do whatever you ask as long as you have faith Now, God as your Bell Boy has to do whatever you ask Him to do. People get NO everyday.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS When these are given sincerely as a friend they are not qualified to counsel. The only thing they can produce is the counterfeit. MM says the counterfeit is everywhere. People out there who are trying to teach about godly edification in a bunch of different ways and none of them have anything to do with Sonship. That's the counterfeit. When you think about it, that is what most church services consist of, some kind of biblical advice and counseling. It is usually accompanied by instructions to think positively and not to allow any negative thoughts. Any son that gets there is considered, by your heavenly Father, to have achieved and attained unto the highest and greatest level of human existence that a man or woman could ever attain to. This is what you were created for. I can finally do with him something that I created him for in the first place." That statement is true no matter what dispensation you are in. From Adam to Israel to the body of Christ to the believing remnant in the day of wrath, this final issue of adoption and education as a son has been driving straight for this one single event.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS WISE: The issue of wisdom, as it is referred to here, is within the context of a LEVEL 3 Phase 2 son. This is the wisdom of a son who has the entire education under his belt, plus the methodology of the Father in how to teach it. Add one element to wisdom. There is something that you really need to be qualified to be a counselor - experience. COUNSEL: - Counsel = from the Latin consilium, meaning "a plan decided on as the result of consultation or advice." - Counsel = (Webster) Advice; opinion, or instruction, given upon request or otherwise, for directing the judgment or conduct of another; (Which is exactly what a man of understanding is going to be able to do.) opinion given upon deliberation or consultation. - Counsel = (OED) Interchange of opinions on a matter of procedure; consultation, deliberation. - Counsel = (Charles Smith's Synonyms) is given by those who are of superior wisdom and experience in the general affairs of life. - The trained man is qualified to give advice - The wise man to give counsel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS (This points to the fact that as a son goes through the curriculum, he can give advice, but he cannot give "counsel" in the way this being talked about in Level 3 Sonship, until he becomes a man of understanding.) Counsel enters into the reason of and the grounds of preference for one course of conduct rather than another. Advice is given sometimes without being welcome. Counsel is asked for as being felt to be needed. MAN OF UNDERSTANDING needs to be careful about the T&G issues. He knows some thing and he's obligated to give WISE COUNSEL but needs to be careful about that. Both Charles Smith and George Crabb (not listed-similar to Smith) recognize that one very particular, distinguishing, discriminating difference between advice and counsel is that advice is most often professional in nature (such as a doctor giving a patient medical advice), but counsel is FATHERLY! (As a Father to a son). Doctor gives you advice (professional nature). When your Father sits down with you, He gives you counsel (Fatherly nature). When we say 'fatherly advice', misusing the term. It's counsel, because your dad knows some things, he's been through some things, he has some experience, and that qualifies him to give some counsel. In a nutshell: Counsels is the fruit of manifold wisdom (not just SIMPLE, one-dimensional)that has been acquired through manifold experience (acquired through a lot of different experiences). What you want/have in a MAN OF UNDERSTANDING.
Proverbs 1:5b	LEVEL 3, PHASE 2 -> ATTAIN UNTO WISE COUNSELS	AND A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSELS Two aspects of WISE COUNSELS (plural, not singular - important to discover what is really here): 1. To be able to be a counselor - You giving WISE COUNSEL to someone below you that needs it. You are qualified and equipped to be able to look at another son that is behind you in the curriculum and to be able to help them. On the one hand, a man of understanding is going to be able to give wise counsels to those who are behind him in the curriculum. 2. THE BIG ISSUE/THE ULTIMATE GOAL - you doing something together with your Heavenly Father. MM says this is the pinnacle of what your Heavenly Father has been wanting to do from the very beginning. It's the reason He created man and gave him the ability to get educated and become godly in the first place. He has reserved some areas of His Business that is going to be decided by you as MAN OF UNDERSTANDING and Him sitting down together and He is going to ask what form should this business take next? Your answer has not been given to you in the curriculum. That's about you being a MAN OF UNDERSTANDING from both sides of the curriculm from both perspectives as a son and a father. That's about you being able to be on a counsel to hear things that no one else is ever going to know got said. When it comes out of that counsel, this is the direction the Father's Business is going and in anybody's mind, that came from the Father. It could have come from someone in this room. Decision will be based on your godly edification and will be in line with your Heavenly Father. MM thinks this is extremely interesting. Has something to do with the Mystery and takes it into account. Look at Isaiah and 1 Corinthians. Both Isaiah and Paul ask the same question - Isaiah tells Israel no and Paul tells you yes. MM has led you to the precipice here to just peer over and look at this vista as LEVEL 3 because this thing ends with dynamite. The other side of the coin is that you will be given the grand privilege of engaging with your Father in determining the direction of the Father's Business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. LEVEL 3, PHASE 2 MM believes this only applies to the members of the remnant of Israel and is applicable at the time when God adopts the believing remnant out in their final installment of their 5th course of punishment. The full operation of this verse is going to only apply after this dispensation of grace is concluded, when God adopts the members of the remnant of Israel in the 5th installment and gives them the benefits of the New Covenant (just as the Book of Hebrews describes). Is basically a list of the things comprising WISE COUNSELS. PROVERB AND THE INTERPRETATION: Not talking about the Proverbs in general or you will be able to turn to the Book of Proverbs and understand it. It can't be that. The only one that can do this is a MAN OF UNDERSTANDING. GH: DARK SAYINGS are mostly for Israel. UNDERSTAND A PROVERB...DARK SAYINGS: Also fits into LEVEL 3, Phase 2 - The son is taken back through the curriculum and he becomes a man of understanding. TO UNDERSTAND A PROVERB, AND THE INTERPRETATION: LEVEL 3 PHASE 2 Part 1 UNDERSTAND A PROVERB: That's an Israel thing.
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. THE WORDS OF THE WISE, AND THEIR DARK SAYINGS: LEVEL 3 PHASE 2 Part 2 Won't do much with it. It is particularly Israel in nature. Your doctrine is not given in proverbial style, it is given to you in epistlatory style. Paul doesn't give you Proverbs. The remnant gets that. Our LEVEL 3 PHASE 2 comes in under the DARK SAYINGS part. In other words, that “man of understanding” will be able to “understand a proverb, and the interpretation; the words of the wise and their dark sayings.” But when it comes to us, there is a problem with verse 6. In our doctrine, Solomon is writing to us in a proverbial style. Our curriculum is written in epistlatory style. Therefore, the ones to whom verse 6 pertains to the most are the members of the believing remnant of Israel. They are the ones who will actually need to “understand a proverb and the interpretation, etc.” MM not saying we don’t have any measure of application in our doctrine presented to us by our apostle, there are some “dark sayings” that we will be able to understand. Will spend most time in v5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. DARK SAYINGS: Not DARK in the way of evil. Are reserved solely for a MAN OF UNDERSTANDING who has ATTAINed UNTO WISE COUNSELS. MM says don't shrug your shoulders with all this just pointing to you being a wise counseler. MM says, yes, that is part of it, but that's not all. The real kicker to this is beyond that although when you become a MAN OF UNDERSTANDING you really do have to ability to give wise counsel. EX If there really was a MAN OF UNDERSTANDING in this assembly, how much benefit would it be to this assembly for that MAN OF UNDERSTANDING who has been through it all? Not only went all the way through the education they have had everything that the POE can throw at you thrown at them. Help ID POE attacks for people. There's a fine line here, he has to make sure and not become their tutor and governor. Part of being a MAN OF UNDERSTANDING is knowing how to give WISE COUNSELS without becoming a tutor and governor. That takes a lot of skill. When we know someone who knows more than we do, we automatically default to go to them and say tell me what to do. That's the last thing a MAN OF UNDERSTANDING wants to do. It's like putting you back under the law it is just his law now. There's more to it than being a counselor. The other thing is the big issue to your Heavenly Father. It's really the biggest of every issue.
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. When you get to v6, you know you are about to be made aware of something called DARK SAYINGS. MM says not a reference to evil. We have a couple of terms that we use that carries the meaning that we are talking about here. Black ops or dark ops, you are talking about a secret military operation. Very few know about it, just the ones who need to know and are directly involved in it. Dark information is an FBI term. Dark information never gets outside a tiny circle it was intended for. So secret that even the name of the operation is top secret. MM says everyone else is in the dark. This is the way DARK is being used here. MM asks how many people will be in this group? MM doesn't know anyone in the world, if they are out there, he doesn't know about them. There are some in the Bible, but there is not going to be a lot. MM likes to think that, before this is over, there are people in this group (Monahans) who would be in that group (DARK SAYINGS). Whatever those DARK SAYINGS are, they are the only ones who will get to know of them, but that is really the biggest issue to your Heavenly Father.
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. DARK SAYINGS: Information that only a few people will hear. MM says he is not sure on this. Talking LEVEL 3 and his understanding is kind of thin. MM has started to change his mind on something, nothing he actually taught you. At one time in MM's mind, he pictured a select list of MEN OF UNDERSTANDING - how many? Pictured something like Monahans (in number). Changing his mind - doesn't think everyone will be called into a central meeting. Now, MM thinks the Lord will come eye ball to eye ball with a MAN OF UNDERSTANDING and say My Business is going to take a change, what do you think we ought to do next? Then, He will listen to that. Does the same thing to the next one. MM clarifications: - Do not get to thinking because God is asking you 'what's next?' is because He doesn't know. He knows. - It's not because you know everything that an omniscient God would know. That is not that it either.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. Why is He asking you? To see how you are thinking. When you make the right/mature decision, the parent is like YES! MM is being careful here. Someone could say you are putting yourselves on par with God. MM says no. We're not ever going to be gods, never going to become deity, never going to be Creators, never going to be omniscient. Can your kid know as much as you know? That was His whole purpose of creating us in His likeness. Will be able to have an intelligent conversation about the Father's Business, be able to have an understanding of some things that you're talking about with Him. MM doesn't think you will make a wrong decision because you will have all the tools necessary to evaluate from where the business is to where it ought to go, and whatever he asks you about it. AGES is plural. Where He asks where do we go next? EX Kid that knows his numbers and knows how to add, shouldn't he be able to add something together he hasn't yet? Can take all that you learned and apply the principles to situations that you never got taught about specifically. Use the same things you use everyday to run the business to not apply them to an area you've never had to apply them before. MM is not saying you will be infallible, saying you will be equipped with everything you are going to need.
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. DARK SAYINGS: MM laughs at DARK SAYINGS commentaries. Should have just written no idea. Will be able to discuss things with his Father because he will be like-minded with Him to such a degree that he can be used by his Father to help come up with new plans for the Business. In the final component for the son's edification, he attains the very thing God his Father ever created him for in the first place. Look at from the standpoint of the WISE COUNSELS. The MAN OF UNDERSTANDING will be able to give WISE COUNSELS. It's going to be extremely important for the members of the little flock to have a MAN OF UNDERSTANDING around to be able to accelerate them through their Sonship. Will be critical. If we had a MAN OF UNDERSTANDING in this assembly, can you imagine how helpful that would be? MM said he would be standing up here. As you get closer and closer to the MAN OF UNDERSTANDING apellative, you're going to be called on. There is nothing that better testifies to the power, the might and the abounding of God's J-ness & grace than when He can sit down and take sweet counsel with His adopted, fully educated/edified sons. It opens your eyes to the destructive nature of the competing wisdom that offered back in the garden of Eden and why God hates it so much. The only person who will know what they are about is a person who has gone through the Sonship education in Israel's program and become a MAN OF UNDERSTANDING.
Proverbs 1:6		6 To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. Not all of the remnant will come to Christ at the same time. There needs to be someone/people who got involved in the curriculum early and progressed to that place and is now ready to be an instructor and a helper or to actually to use the Bible terminology, to be like a father to these members of the believing remnant, to help them come along and understand the truth of what's happening all around them. MM says this is going to be like living in the middle of a tornado when you are out in the Day of Wrath. You know every day the clock is ticking on you but you know everyday is a fight for your survival. These PROVERBS are not part of the education itself and comes only to a MAN OF UNDERSTANDING and the DARK SAYINGS are about that same category. The hidden doctrine is necessary for the members of the remnant to get through this time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:7-9:18		**Exhortations in the exact same order of the table of contents**. MM said reading these won't hurt you and you may actually get some insight.
Proverbs 1:7-2:19	Exhortation : Sonship Orientation	Exhortations for Sonship Orientation - (GH: less v20-33)
Proverbs 1:7-19		Exhortations for LEVEL 1, Phase 1 - Part 1 : Sonship Orientation for Israel's Program - TO KNOW WISDOM AND INSTRUCTION (Proverbs 1:2a)
Proverbs 1:7-9	Israel Program : Exhortation : TO KNOW WISDOM AND INSTRUCTION-v2a	7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. 8 My son, hear the instruction of thy father, and forsake not the law of thy mother: 9 For they shall be an ornament of grace unto thy head, and chains about thy neck. Exhortation for TO KNOW WISDOM AND INSTRUCTION (Proverbs 1:2) in Israel's program If exhortation works, begin to orchestrate your life around the curriculum, not the other way around. Revolve your life around Sonship. First thing we are going to see in the exhortation is here's how important this is - to make you desire it. This is what is supposed to be driving you. The very first thing you're given to know is the very first thing you are exhorted about in v7. God says fools despise HIS Wisdom and instruction. If you think this is worthless God thinks you are a fool. At the end of the exhortation, the son ought to be as willing to get that education as the Father is to give it.
Proverbs 1:7-9	Israel Program : Exhortation : TO KNOW WISDOM AND INSTRUCTION-v2a	7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. 8 My son, hear the instruction of thy father, and forsake not the law of thy mother: 9 For they shall be an ornament of grace unto thy head, and chains about thy neck. The son cannot go into this blindly, oblivious to what is going on. The son has to intelligently understand what is being offered to him. Can't blindly say I have no idea why I am here, have no idea what is going on but here I am, I am doing it anyway. In order for this to work, the son has to make an intelligent choice about all of this. When you understand what the Father is offering to you, the fact He would even offer that to us is truly quite frankly overwhelming that He would even include us in on His Business. It's pretty mind blowing. Knowing it is going to be put in your hands is fearful. MM jokes he is scared to death 'that you all are going to be in charge of it'. Scared he is going to be involved. The fear and the awe and respect you have because of what's going on and what's taking place. There's a big difference between man's wisdom and God's Wisdom. If you get the table of contents in v2-6, if you understand how God presents information, you would expect an exhortation and you would be right. Should expect an exhortation on WHY you need to KNOW WISDOM AND INSTRUCTION. Only after that will you know the doctrine that goes with knowing wisdom and instruction and then you get another exhortation about wisdom and instruction. See the exhortation of TO KNOW WISDOM AND INSTRUCTION that explicitly references WISDOM AND INSTRUCTION. He is establishing with the son how great His Business is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:7-9	Israel Program : Exhortation : TO KNOW WISDOM AND INSTRUCTION-v2a	7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. 8 My son, hear the instruction of thy father, and forsake not the law of thy mother: 9 For they shall be an ornament of grace unto thy head, and chains about thy neck. So He says to the son right off the bat, if you think what I AM offering you has no value, your Father perceives you as a fool when you say this doesn't have anything for me. The exhortation is concerning the very 2 things that are the very first things mentioned in the table of contents. See how the exhortation matches up? As you read down through these exhortations you're going to see them all match up with every single item in the table of contents. What son or daughter wants their Father to think of them as a fool? Don't rush through the establishment to get to the curriculum. Your Father says don't be a fool. Very first thing a Father does when a son has been adopted is he sets to son's attitude so he will properly receive the education that he's going to get. In this case, our Heavenly Father is going to set the attitude by giving some exhortations (Proverbs 1:7-9 & Romans 8:19-23). To see it the same way He sees it. To place the same value on it that He places on it. We are going to discover, what does this mean to God? How important is this to Him? That ought to be matched to us as well.
Proverbs 1:7		7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. **FEAR [godly, sacred, reverential respect & awe]** OF THE LORD IS THE BEGINNING OF KNOWLEDGE FEAR OF THE LORD: That reverence you have from your Father's reputation that if He thinks this is a big deal, I better pay attention to this, this is a big deal. FEAR: Not the kind of fear we talked about was under the law under tutors & governors where if you didn't do what you were supposed to do, God was going to have retribution on you. Like someone you have so much respect for, so much awe, there was a reverential fear to be in their presence. More the idea the Bible is talking about here. I thought we weren't motivated by fear? MM says you can't define a word the same way every time you see it. Why does FEAR OF THE LORD seem out of place? Because FEAR is usually assocated with the law and Israel's program. Sonship doesn't operate under that type of program. Fear here is not God whipping you or fear He is going to punish you or putting curses or consequences on you. But when you get out from under that and under grace, God does not deal with you that way at all. No longer dealing with you as a child, He deals with you as an adult son. Fear here is a different kind of fear, the same fear Paul talks about in his epistles. Paul is not talking about fear God because what He is going to do to you (tree fall on roof, tire to go flat), but in a godly, sacred awe of your Heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:7		7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. FEAR (cont'd): EX Someone you are around that there is such as respect that it is overwhelming. MM says if anyone should fit that description, it ought to be God. MM has been around people who speak flippantly about God and he thought talk now big shot, we'll see what happens when you are face-to-face. A reverential fear of God is a healthy thing for us. EX MM's fear of his dad, not that he would beat him but that he didn't want to disappoint him in any way whatsoever. As a son, you will look at your Heavenly Father and see something there that causes you to stand in such awe that there is a fear. That fear is the beginning of knowledge. Before you can even get started, that's the kind of attitude you have to have when you look at your Heavenly Father. Tutors & governors would tell the child some things about their father and their business so when they learned some things they would go Wow! Where did you learn to fear the Lord? Book of Romans. If you don't have this, you won't look at what your Father is offering you as incredible. Based on Romans, you ought to want this even before you know what it is.
Proverbs 1:7		7 The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. FOOLS DESPISE [count as worthless, look down upon] WISDOM AND INSTRUCTION DESPISE: To look down upon or count something as worthless. You think you know-it-all and think what you are looking at you don't need. Basic meaning is it is 'without value' or 'worthless'. Fools place no value or worth on wisdom and instruction. MM tying this to BE NOT HIGHMINDED BUT FEAR-Romans 11:20. This is an exhortation in Israel's program but he was afraid or fearful of being looked at as a FOOL. We know that FOOLS despise WISDOM AND INSTRUCTION, we know that is the Sonship education. DESPISE: It's not to hate it. To say it is not that big a deal, it's not that important. It's not being V&Eed like the Father V&Es it. FEAR OF THE LORD: Is being perceived by your Father as a foolish son who doesn't value the education is MM's description. MM thinks this is real close to if you don't CONTINUE IN HIS GOODNESS-Romans 11:22, you SHALT BE CUT OFF-Romans 11:22.
Proverbs 1:8	GH: Sonship	8 My son, hear the instruction of thy father, and forsake not the law of thy mother: Reason both of these are listed here is because on normal earthly Sonship adoption, both the mother and father woud be involved in the education of the son. Mother would not be exluded, she may have been involved in that business. See the father-son thing going on. Exhortations, not doctrine. Telling why the education is so important and why he needs to follow this education. LAW OF THE MOTHER: Is NOT the law of Moses/Mosaic law. There were some laws his mother and father were going to give him. Both parents were involved in the education of a son.

Proverbs 1:9	GH: Promotion	9 For they shall be an ornament of grace unto thy head, and chains about thy neck. Wow factor verse. Things that were going to show someone's position in a of rulership of governoring. Do v7-8 and you have now qualified for the first real promotion to be sitting in the heavenly places and doing something ruling and governing in the creature. An exhortation to be in the government of God and get promoted. If the exhortation works, you will begin to orchestrate your life around the curriculum, not the other way around. MM is not saying you have to hermit away with your Bible the rest of your life. Instead of things revolving around your life, revolve your life around your godly edification/Sonship. **Don't say I need to pray more or I need to study more. Just say, I am going to get this relationship with my Father going and here's what I am going to do. The world thinks those who see God's wisdom as valuable as fools. God thinks those that don't see God's Wisdom as valuable as fools**. Not just the lost world but your saved brothers and sisters IN Christ are going to look at you and they're going to say you're a fool. Will be the worst. Part of what you will suffer going through this curriculum. Things that were done to show someone who got promoted within a position of rulership. Knowing it exists and knowing how valuable it is is enough to qualify you to get those chains of gold. It's not 'I have some gold chains', it is what that represents. There's only a few people that are going to have that. Everybody has an opportunity, but the only way you can do that is first of all know that as an adopted son, there is an educational program that your Heavenly Father is going to take you through. How many churches even know that? MM can list them on one hand and he is talking the entire country. EX Solomon hears from David right off the bat that he is going to be promoted to a position of authority and power in this Business. Shows a promotion to a real position of power and authority. Compare to the inheritance in Romans 8:16-17.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:9	GH: Promotion	9 For they shall be an ornament of grace unto thy head, and chains about thy neck. THEY: WISDOM AND INSTRUCTION ORNAMMENT...CHAIN: About a position as a governor, a prince or a ruler; or, in other words, what you get at the end of the education! CHAINS: Represent a business promotion and finally a place of real authority was signified by chains around the neck. You are being offered something that the world can't offer you, that Satan can't offer you. When you see it you are going to say there's no way I am trading that. There will be things that pulled on your heart strings that won't anymore. Paul said I HAVE COUNTED THOSE THINGS BUT DUNG (Ph 3:8). Paul was smart, educated, Pharisee, prestige of being a Pharisee, son of a Pharisee, educated at the school of Gameliel, hired by the high priest to hunt down Christians. I PROFITED ABOVE MANY MY EQUALS (Gal 1:14) - Paul is saying I made a lot of money. Whenever anyone got promoted in a business and finally for a place of real authority that was signified by chains around their neck. Meant this guy has a real place now. Joseph and Daniel got the gold chains with promotions. When you Father says if you'll know wisdom and instruction, it'll be like putting ornaments of grace and chains on your neck. You're going to get promoted. Getting that, you are somebody in this Business. You are the man/woman. A person of authority. That makes you say, well, let me know wisdom and instruction then. MM says this is just where it starts. If you understand this, you are supposed to say, Wow! I am getting a promotion! It's a huge deal. It is so incredible that you kind of get to thinking 'I have arrived' and your Father's really looking at you and going look, it's great son but you ain't even a SIMPLE SON yet. People worrying about living long enough to get through Sonship, MM says if you just get the first part to know wisdom and instruction, you're going to get that chain of gold and be a ruler in the kingdom. You say, I don't really know much but it qualifies you for an entry-level postion but God' entry-level postion GH: is wow! MM says the worst stinker in the Body of Christ is going to have more glory than any mortal man has ever had on the face of the earth. Now, imagine the least son. That is what we are looking at here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:10-19		A list of the allurements and enticements and distractions that are going to try and get the son off track and suck all your time away. Only 2 WAYS, only 2 PATHS. First test of the value you place on Sonship: Did you make the time? So He is going to offer you something more alluring (MM doesn't like using this word) than anything the world can offer. It is meant for you to look at and say, man, there is nothing like that. So the son early on is going to get educated to understand that there are only 2 paths that he can take and that path may have a lot of branches in and of itself. But there's a path that's going to be the one laid out by your Heavenly Father, one offered to him as a son. Supposed to know wisdom and instruction and perceive the words of understanding. Those are the things that are going to keep you on the path. Here's the way most folks think it works and MM has even preached this. If Jesus died on the Cross for us the least we could do is live for Him. Talk about all He went through on the Cross - crown of thorns, beaten, spit on, nails, hung, shed blood, died. If He could do that, the least we could live for Him. The motivation for doing that is really something different. Most Christian living boils down to 1. denying myself of something I want 2. stop sinning. Trade-off type thing. But you have been given something else to replace that and that is what's contained in the exhortation in v7-9. From v10 to the end of the chapter, you are told about some distractions that are going to try and pull you out of your education. The big way in which that is going to happen is they're going to try and suck all of your time away so that you have no time to put into being educated as a son. What these distractions are designed to do. MM says that our society is already structured that way. You know how busy people can get doing stuff? Not talking about job/making a living/I got to eat. If you have a family and kids, you can really get busy. MM says he is not a grinch.
Proverbs 1:10-19		Our society has already dictated how you are going to spend your time and how you are going to spend your money and if you don't, you are looked like some sort of wierdo. MM doesn't have a Christmas tree up. Hadn't had time. Distractions are going to come in a big way with regard to your time. If you find yourself saying, look I know that Sonship is important I just don't have time for that, you have fallen victim to the PoE. MM is not saying forsake your responsibilities within the framework of our families, our job, etc. Not saying we cannabalize those things. He is saying you are going to have to find time to do this. The very first test of the value you place on this will be that issue of did you make time? That's going to be the test. Not trying to be a burden to anybody, but this is not something you are going to do every other month in your spare time. If you are going to be educated by your Father, you will have to attend that, that's the word the Bible is going to use.
Proverbs 1:10		10 My son, if sinners entice thee, consent thou not. MY SON: Solomon quoting David.
Proverbs 1:13		13 We shall find all precious substance, we shall fill our houses with spoil: PRECIOUS SUBSTANCE...SPOIL: Wealth. Have to esteem what your Father's wisdom is showing you as more than silver and gold.
Proverbs 1:14		14 Cast in thy lot among us; let us all have one purse: ONE PURSE: Will all benefit. Trying to appeal to the nature - see, come let's go this way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 1:15		15 My son, walk not thou in the way with them; refrain thy foot from their path: WAY...PATH: These 2 words are now going to come up in Proverbs 1-9 over and over. He will make it clear - there are only 2 ways and there are only 2 paths that you can go down. One is your Heavenly Father's and one is one that He sees no value whatsoever.
Proverbs 1:18		18 And they lay wait for their own blood; they lurk privily for their own lives. THEY LURK PRIVILY FOR THEIR OWN LIVES: This isn't going to turn out like they thought. They thought they were going to go down this path and find all of this fulfillment and joy and happiness and contentment and peace and material gain, and it is not going to turn out that way. Will be an empty sack at the end. See that your Father knows there is something that the world will hold out for you may be money, power, prestige, etc.
Proverbs 1:20-33		Talking about godly wisdom. Wisdom got declared in the streets, gates, courts of the city when Jesus was here giving that wisdom to the believing remnant. Fulfilled during the earthly ministry of Jesus. Don't pay attention to these because there are things that don't apply to you, that Paul doesn't talk about.
Proverbs 2		Exhortations: Those things that come after the table of contents in the Book of Proverbs that are meant to give you some information so that by the time you get to the doctrine you'll have some things working in your mind. One of those things is the kind of commitment the son is going to have. Exhortation that is not in the table of contents. It is to check the level of commitment that a son has to actually succeed, his commitment to the education. That is a necessary commitment level for a son to be able to finish this education. Exhortation runs through the whole chapter. Focus on the first 5 verses. **3 different Sonship commitment checkpoints or measures of the Son's Commitment to His Sonship Establishment/Education - time when you heart will really be revealed:** **1. Honest Attendance** **2. Interactive Learning** **3. THEE Top Priority (MM using the article THE and not the article A)**
Proverbs 2		Looking at the exhortations in Israel's program but there the same things we are going to get when we are presented with the doctrine over in Romans. There is a commitment that the son is going to have to make to getting this education so that he will be able to do that. You may hear something MM says and not agree with it and you will have to go to the other aspect of your interactive learning with your Heavenly Father and have it confirmed with you or not. Before the Book of Proverbs, Moses warned about the EVIL MAN and the STRANGE WOMAN. David come along and puts a title on them. Solomon records it. Exactly the way God does everything. He tells you about it. He shows you how it works. He gives you the principles. Then later He'll look back and say you know that thing we were doing back over there, well, here's what it's called. We use an advanced term 'rightly dividing the Word of Truth'. That's a 2 Timothy term.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2		Proverbs 2 vs. Proverbs 4: THE EVIL MAN EVIL MEN WALK IN THE WAYS OF DARKNESS WAY OF THE WICKED IS AS DARKNESS LEAVE THE PATHS OF UPRIGHTNESS ENTER NOT INTO THE PATH OF THE WICKED - Can see these EVIL MEN are attempting to move us off the path of LIGHT and to enter their path with them. This is what they are trying to get us to do. The attack of the EVIL MEN is to get you off of the path that is right. REJOICE TO DO EVIL EAT THE BREAD OF WICKEDNESS THEIR WAYS ARE CROOKED ENTER NOT INTO THE PATH / GO NOT INTO THE WAY / AVOID IT, AND PASS NOT BY IT, TURN FROM IT, PASS AWAY - Saying this to the remnant because they will be tempted to leave the paths of uprightness and enter into the path of these EVIL MEN. These EVIL MEN are part of the POE and they are going to try and get us to leave the paths of uprightness. They want us to walk with them. When we walk with them, our LIGHT goes out. This is exactly what he is after. Satan is cultivating this DARKNESS. If our LIGHT comes on, that begins to shew things that were previously hidden by DARKNESS. Satan wants your LIGHT to go out because it is exposing what Satan has in DARKNESS. If Israel is going to be used by God to repossess the world back to God, they have to function as THE LIGHT OF THE WORLD-Matthew 5:14. That is what He wanted them to be.
Proverbs 2	GH: IPF verse	v21-22: These verses have to do with the kingdom and what happens to the righteous and the wicked at that time - the things that are promised to the remnant. At that time wisdom makes its final appeal to the nation and if they do not respond, they will be destroyed in the day of wrath. v21: THE UPRIGHT SHALL DWELL IN THE LAND: They will be part of the kingdom. v21: THE PERFECT SHALL REMAIN IN IT: Are going to become part of that Royal House, that issue of reward. v21: PERFECT: Not talking about sinless, talking about spiritual maturity. v22: THE WICKED SHALL BE CUT OFF FROM THE EARTH:
Proverbs 2:1-22	Exhortation : Sonship Establishment	Exhortations for LEVEL 1, Phase 1 - Part 2: Sonship Establishment for Israel's Program

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:1-9		Two commitments (GH: inside class and outside class) every son or daughter has to make that are so critical they are given before the education proper starts. Complimentary exhortation in Romans 8. Because your Father knows all the allurements and distractions the POE will put in front of you, He knows the time commitment needed to get us through it. Before you start the education, those commitments have already been taken care of and you go into it with something that will carry you all the way through it. As a Preacher, it is always in your mind - is everybody going to make the trip? He is trying to get you to live that education and edification. You are supposed to love the PROCESS of it. One of the things you will be faced with is if you really begin to love this education and it really does become part of your heart. One of the things you will be shown that will cause you to love your Sonship education is is the glories that will be given to you as an educated son. MM says people spend their whole lives doing things that unfortunately aren't the thing they love the most. Being a preacher, he has shown up at a lot of hospitals, seen people pass away, been with a lot of families that have suffered a loss, etc. People never say I wish I would have spent more time in the office or signed up for that bowling league. The things on your mind are uppermost in your heart at that stage. They tend to prioritize things a whole lot better at that time. Where you have a home full of kids and you are begging for a break. They move out and you think, man this home is awfully empty. See your kids are no longer little and say I wish I would have spent more time with them when they were little.
Proverbs 2:1-9		As we look back on life, we see the opportunities clearer than when we were in the midst of them. So therefore, along with: 1) (Education) Having strong convictions and confidence regarding the capacities (the strength, power, and might) of our Father's curriculum to do its job (which comes from being confronted with The Nature of the Curriculum) 2) (Education) Having implicit faith (a "spirit of faith") in whatever our Father teaches us (which comes from being confronted with the Trustworthiness of God our Father who Wrote the Curriculum); … our positive and proper response to what our Father teaches us should also include: 3) (Edification) Desiring above all else to obtain the Sonship glories and being willing to obtain them at all cost so that it becomes the very 'love of our life' (which comes from the Value of the Effectual Working of our Father's Sonship curriculum) - Where all this is pointed. Set you up for success in the curriculum.
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	1 My son, if thou wilt receive my words, and hide my commandments with thee; 2 So that thou incline thine ear unto wisdom, and apply thine heart to understanding; 3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; 4 If thou seekest her as silver, and searchest for her as for hid treasures; 5 Then shalt thou understand the fear of the Lord, and find the knowledge of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	Exhortation around Sonship Education Commitment Checkpoint (could argue it runs through all of chapter 2) - **Commitment 1: Commitment to Learning the Education** 'things you will learn' {what you do in class} Deals with our Sonship commitment. Coming a time when we will all determine our level of commitment to this education. Is a commitment to something. 3 ways/areas/measures to test commitment level. In Israel's program so we are not going to look at the doctrine but going to show the 3 areas of commitment. Our apostle will ask us about these same areas. Show them here so you can ID them there. Notice the 3 IF phrases. First commitment has 3 components to it. Each IF clause is a component of your commitment to learning. How you know your committment is going to be measured in 3 particular ways. v1: First IF v2: SO THAT: Talking about the extent with which you do v1.
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	The 2 Major Commitments of a Son Commitment 1: Commitment to Learning the Education 'things you will learn' {what you do in class} - v1-5 Component 1: v1-2 - 'Honest Attendance' on your part to get the education INCLINE YOUR EAR...APPLY YOUR HEART: Not just sitting there marking time. Most churches you just show up and mark the time, and then check it off their list. With Sonship, can't just show up and check off the list. We can't short cut the process. Just because you show up here doesn't mean that's the end of it. Commitment to learning is going to involve time. Showing up in mind and body. MM is not worried if anyone can't make these 3 commitments because we haven't been through the doctrine that effectually works to produce that. Get thru Romans 8 and they are not in there, then we have a problem.
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	It's not punching the clock on Sunday, church day, what we do, etc. Why Sonship will never be the prevalent thing that is out there. Because most people are happy to show up on Sunday for services, listen to whatever is being said and then don't think about it again until next Sunday rolls around. Don't want to make an effort. Just being here isn't enough. If you look at this as it doesn't have any value, that it is not that big a deal, you are being victimized by the POE. Just wants to get you to walk away from this and it doesn't matter to Satan why. Don't give 1 excuse we give 4 incase 1 isn't good enough. Important for your Father to test your level of commitment at this point. Measure is you actually want it. Can't be guilted into it. Not doing it for appearances sake but you actually want it. Component 2: v3 Component 3: v4 Result of meeting these 3 IFs: v5

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	It's one thing to get the education. It's another thing for the education to be working in you. That's edification. Edification allows you to conduct the everyday affairs of your life in such a way that it produces something in you that your Heavenly Father wanted produced all along - His Heart and His Character written on your heart and showing up in your character. Really what He is after here. Has to be a commitment to BOTH of these things. Locate the 3 measures by the 3 IF clauses. Reason MM is spending so much time on this is there are things you will see in Romans 8 that will produce all 3 of these measures. If these 3 measures are not in place, you will be knocked out of the saddle and you won't go any further in your Sonship life. Opposite is the SILLY WOMEN (someone who has been given a great opportunity that normally would not get that and they frittering that away - foolish things). There are 3 IFs and if you do these 3 IFs, then there's something that will happen as a result.
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	These commitments are given to you in a particular order. **Measure 1: Honest Attendance**: Here because you want to be here. Not because someone is forcing you to be here, not because you are trying to keep up an appearance, not because you are trying to impress somebody. Show up more than just in body. Show up mentally/in mind and say I want this. While you are here, you are thinking how is this impacting me. **Measure 2: Interactive Learning**: Two things/ways associated with it as well. Interactive: Something required on your part to participate. Introverts counting on someone else to ask. Two different ways: 1. 2-way communication between your Heavenly Father and you: Happens on your own. 2. Happens this local assembly. Pastor and the Deacons bear the responsibility. When someone comes in and needs to catch up, it falls to the Deacons. This means that crying after knowledge becomes a critical thing to understand because now you're going to way beyond 'I am not only there because I want to be/desire to get it/really can't imaging wanting it any more, but now but now you are going to measure your committment by this particular thing preceded by a YEA. Take it to another level. God wants to measure your commitment to the education because He wants both of you to know at this point in time before you start the education proper is because any son that fails any of these commitments will not make it all the way through the education.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	Your Father knows here is how much you are going to need. Think of it as gas in a tank. If you are going to go to Abilene, here's much gas you are going to have to have. The gasoline is the commitment. Important before you begin the trip to get the gas in your tank. If someone says 'I can take it or leave it' or 'I'm for it, you know, you know', there's an insufficient commitment to this. Am I willing to cry after this knowledge. Am I willing to not let it go until I get it? Am I willing to go back over and pour over these notes? **Measure 3: THE Top Priority**: MM says think of SILVER as money. People carried silver around moreso than gold. Money is important - you got to have food, clothes, wheels with everything so spread out. Jobs often become a top priority for us. Because if you don't work, you don't have any money. You will be allowed to purchase some things with the wisdom you get from this education. Not cars or homes. The Bible calls it MERCHANDISE-Proverbs 3:14. Your Father expects you to be able to do that. He perceives these as very valuable. As valuable to you as having income. What this wisdom purchases you are going to have in eternity. MM says one of the things you will be able to purchase with this wisdom is a name. There are other things called MERCHANDISE, this is not one of them. Comes to you pretty early on in your Sonship education and is only going to come to you as you progress through the wisdom. Covers the 3 Sonship commitments or the 3 commitments as a son. Does this early because if you don't have it, you are not going to make it. You're going to have to have that commitment.
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	Three commitments of a son (the Father is on the other end of the equation and does different things): 1. Honest Attendance: The reason I'm here is that I want to get this education. Two things involved here: - THOU INCLINE THINE EAR - v2 - APPLY THINE HEART - v2 If this is not why we are here, we are here for the wrong reason. PART 1: **For us, being LED BY THE SPIRIT-Romans 8:15** (GH: the implication is following) that is our HONEST ATTENDANCE. PART 2: We are part of a body and God actually means for this education to go on in a body and there are many members functioning in different offices. That's the way we learn this education. MM thinks it is possible to do this by yourself but you will have to get really creative in order to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:1-5	GH: 3 Commitments of a (adopted) son	2. Interactive Learning: I'm going to get this education and if there is something about this I don't understand, I'm going to ask about it. - CRIEST AFTER KNOWLEDGE: This is not you crying to God to do something for you that you want done, this is crying to your Father about wanting to learn. - LIFTEST UP THY VOICE FOR UNDERSTANDING: This is you asking questions about things you don't understand. **For us, this is the cry of ABBA, FATHER-Romans 8:15**. 3. Thee Top Priority: Doensn't mean that there aren't other important things that are important in your life, there are, but this has to be given the place - THOU SEEKEST HER AS SILVER: Coins in your pocket. Romans 12:1-13-10. You seek this like you seek an income for food, shelter, clothing, etc. - SEARCHEST FOR HER AS HID TREASURES: Takes more time and effort. Romans 13:11-onward. For us, this comes in Romans 12:1-2. MM says if these 3 aren't in your thinking right, there is something in SE that you probably missed. The believing remnant was asked to make these 3 commitments (GH: like we are) and if they did these, there is something they would get and they had to do all 3 steps in order to get this to work. That is to get the wisdom and understanding that they needed to have.
Proverbs 2:1-2	Sonship Education Commitment Measure 01 : Honest Attendance	Commitment 1/**Component 1: 'Honest Attendance'** on your part to get the education = INCLINE THINE EAR UNTO WISDOM, AND APPLY THINE HEART TO UNDERSTANDING Attendance is more than bodily presence. Many place people attend bodily but they are not really in attendance. Honest attendance-IF No. 1: You are really coming to get that wisdom and get that understanding. Not because you bought a new dress/new piece of jewelry and want everybody to see it/show it off. Not because I'm an American and this is what we do on Sunday. Why it does no good to force someone to come and get this. Honest Attendance is here for the right reason, not because someone forced you. If you are really here to get this GH: education. Showing up for the reasons I'm supposed to be showing up. Honest Attendance: In the old days, if we went to church and drifted mentally, it didn't really matter because next Sunday was something else. This is an education and every part of this education is part of what you have to have to get it going in the end. If you asked what the Preacher preached on 2 weeks ago, odds are you wouldn't remember it. MM and his preacher colleagues used to joke about it. There are only 2 things people will remember unless it is an out of the park grand slam type sermon that is so special everyone remembers. First, the verse you read at the start and second, the illustrations you gave in the sermons.
Proverbs 2:1	GH: Sonship	1 My son, if thou wilt receive my words, and hide my commandments with thee; See the father-son thing going on. Telling why the education is so important and why he needs to follow this education. MY SON: Solomon quoting David. HIDE MY COMMANDMENTS: Not the law of Moses. Not God's commandments. COMMANDMENTS: Not referring to the law of Moses.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:2		2 So that thou incline thine ear unto wisdom, and apply thine heart to understanding; SO THAT: To the extent that. INCLINE THINE EAR UNTO WISDOM, AND APPLY THINE HEART TO UNDERSTANDING: This is honest attendance - Measure 1. Has you doing something. INCLINE THINE EAR UNTO WISDOM: You have to WANT to learn it. Preaching to the choir in this group. The Father is going to do some things so you don't get bored with the education, you don't get tired of it, and instead of your initial excitement tapering off, that's actually going to build through your Sonship Life. Reason it has to be that way is because the Satanic POE is going to put some things in front of you to wreck your Sonship life. Try to distract you and allure you away with something that will take time and attention so that you don't get the education. Something is coming your way. INCLINE THINE EAR: Lean in vision. APPLY THINE HEART TO UNDERSTANDING: I want to know this, I want to understand it. Trying to understand something. APPLY THINE HEART: Talking about what's going on inside of you.
Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; Commitment 1/**Component 2: 'Interactive Learning'** = CRIEST AFTER KNOWLEDGE, AND LIFTEST UP THY VOICE FOR UNDERSTANDING Changed the way a church service went. No longer one-way. There will be times we will go through some thing and you won't let the session end before you understand the things we were talking about. To some degree, you already do that. EX Talking through things at the break. Two-way communication between us. Different from most one-way preaching today. Has to come a time where MM has to understand what you understand and can we really move on now? Did we really get this down? Encourages us to ask questions like a classroom - interactive learning. YEA: Ups it a notch. It's an increase. Now we are stepping it up. EX 'I believe the Bible is the Word of God. Yea, I believe the Bible is the infallible Word of God.' The YEA is cranking it up a notch. See how YEA brings it up a notch.
Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; CRIEST AFTER KNOWLEDGE, AND LIFTEST UP THY VOICE FOR UNDERSTANDING: This is interactive learning - Measure 2. Something is coming your way. Exhale. You are saying something in both cases. You are lifting up your voice and crying after knowledge. This is a testing point. You are going to be shown something and your Heavenly Father is going to wait to hear from you - Yes, I do want to do this. Cry: Not going to turn this loose until I get it. AFTER not FOR KNOWLEDGE: Bible is precise! By doing this, there's a mutual edifying that is going on in this body/assembly. for vs. AFTER: A baby cries FOR its bottle. Crying AFTER knowledge is something different.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; Two aspects of interactive learning: 1. CRIEST AFTER KNOWLEDGE: Using your voice to get some sort of feedback/explanation/answer/confirmation. Won't be satisfied till you get it. 2. LIFTEST UP THY VOICE FOR UNDERSTANDING: Your Sonship prayer with your Heavenly Father which is going to include the searching of the heart. Making sure what you have been given you really do understand it. In order to properly function as a local church, this is going to have to go on. But there is a proper way to do it. Need to know the WHAT and HOW. As we do this, it will produce godly edifying. Saying 'hey, I don't get that'. 2 major features to your ‘output’ (so to speak) or your interactivity in this Interactive Learning in sonship education: 1) The crying after knowledge and lifting up your voice for understanding, making comments (feedback) and asking questions 2) And the other major feature is your own Sonship prayer—which is especially where the searching of your heart takes place as an interaction with your Father
Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; The onus of anything you don't understand is on your shoulders. That's on you. MM says tests are not to make people feel good or bad. Tests are to see if you understand the material. Instead of teaching you in writing what is right or wrong or pleasing/displeasing to Him or what He considers good/evil or what He is interested/not interested in, He is teaching you to think like He thinks and that way no matter what you run into, you now have the ability to work your way through that. Instead of just memorizing the answer for addition/subtraction...can do when the numbers are little but not when the numbers get big or complicate formulas are involved. Can't just memorize answers, have to know how to work the problem. Israel got a big list of DOs and DON'Ts because they were under the tutors and governors of the law. When you are a son, you can't function under tutors and governors. Why Paul says you are not under the law but under grace. Instead of memorizing a bunch of answers, your Father is going to teach you to think like He thinks and you will be able to work through any problem. The responsibility for things that are hazy and cloudy and unclear are for you to identify and say I am not letting go of this till I have got this down. Only in Interactive Learning is the son saying anything. Since this contains the exhortation around the Sonship prayer component of Interactive Learning, you know that the INFIRMITIES (Romans 8:26) description is close by.

Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; Interactive learning did not stop once the Canon of Scripture was completed. Still supposed to take place. When you lift up your voice in this whole assembly, it benefits everyone. Interactive learning-IF No. 2: If you have questions but you never try and get those questions answered, this won't work. Your Sonship education is built so that if you're not having a two-way Sonship education between you and your Heavenly Father, this won't work/whole Sonship education is at the risk of failing. It's an essential part of this. Can do everything else GH: and it won't work. This is the ingredient that makes that work. GH: Points to the problem in Romans 8:26 and not knowing how to pray as we OUGHT. This side of meeting Him face to face, Sonship prayer is the most delightful thing you will ever be involved in with your heavenly Father. Your Father has designed the sonship education in such a way that without Sonship prayer, your education will never be accomplished. You are going to have to talk to Him in order to get His wisdom.
Proverbs 2:3	Sonship Education Commitment Measure 02 : Interactive Learning	3 Yea, if thou criest after knowledge, and liftest up thy voice for understanding; Has two parts: 1. Learning as the assembly interacts 'publically' 2. Two-way communication between you and your Heavenly Father 'privately' [Sonship Prayer] - Interactive Learning takes place in 2 particular ways: 1. Talk to your Father [I'm telling Him] (EX Telling Him about your day, things you are thinking about, things you are doing) In the son's prayer life with his Heavenly Father 2. Ask Him to search your heart [He is telling you] (If your Father is not searching your heart, this won't work) - want this as part of your prayer life - introduces the subject of sonship prayer. In the local assembly in several different ways (different than most churches - 1-way communication) - there's a structure to it or we would never get anywhere
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; Commitment 1/**Component 3: 'THE Top Priority'** = SEEKEST HER AS SILVER, AND SEARCHEST FOR HER AS FOR HID TREASURES Third IF CLAUSE - Measure: TOP PRIORITY THEE Top Priority-IF No. 3: If this is not a big deal to you, you can take it or leave it, this won't work. Not a repetition of the same thing. SEEK and SEARCH both have things different in mind. Why SILVER and not gold? Silver is made of money you carry around with you. Money is important to live. People have traditionally carried silver more than gold. Gold coins stay and home in a safe. He is saying seek SILVER like you would seek a paycheck. View wisdom as valuable as silver and seek wisdom in the same manner. He is trying to set your thinking to see how important this education has got to be to you because until you see it as important you won't make the commitment to it. MM doesn't think it is an accident relating SILVER to money in this verse. As you go through the education you will be storing up something with regard to wisdom (things you learn in the curriculum) that you are going to be able to use to buy some things, you will be able to make some purchases.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; Bible uses the term MERCHANDISE-Proverbs 3:14. Will be able to purchase merchandise through the curriculum. Poor analogy - S&H Green Stamps. You understand SILVER and HID TREASURE are things of value. Use silver because more likely to carry with you than gold. EX Judas sold Jesus out for 30 pieces of silver - it was a money thing. How badly do you need money? Pretty bad, right? Bartering it replacing coins with something else. Supposed to look at the education as HID TREASURE. It's on my mind, it's what I am talking about, it's what I am wanting to get and everytime you get a new piece of this education where your Father says Let Me show you how to think like your Father in this area, it's like digging up a new trasure that was hid. You are going to be able to purchase/buy some things with this wisdom you are going to get. MM is not talking about making your house payment. Not the things that we would normally spend money on. It is the things that our Father values greatly. Remember this is the Book of Proverbs and the teaching style of analogies. Not only equipping you with wisdom for out there. MM thinks this is a fascinating area of our Sonship. What we are getting has redeemable value. Example of wrecking a car. All the time you spent to get it fixed you can't get back. Paul is going to tell you how to redeem the time. He wasn't being cutesy. You will begin to think about things in a way you never thought about it before. It's unbelievable.
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; SEEKEST HER AS SILVER, AND SEARCHEST FOR HER AS FOR HID TREASURES: This is THE Top Priority - Measure 3. There are some things you will be able to buy in your Sonship education. Not with money. One of the things you will be able to gain or purchase is the ability to think like angels think. May just think about this as a 'neat deal' but if you are going to be in the heavenly places 1. You are going to be dealing with angels, telling them what to do, you have to understand how they think so you can communicate to them. 2. You are going to judge those angels. If you are going to be over them, you are going to have to know more than they know. SILVER AND HID TREASURES: Got value to it. Would you leave it in the ground? Seek the education like it has that type of value to you. 'The Top Priority' (necessary AND critical) happens in 2 particular parts - most would look as synonyms - two different aspects of this measure: 1. SEEKEST HER AS SILVER: SEEK is more general term. Equate SILVER to money today. Seeking like you cannot do without it because silver relates to money. You see it as necessary. 2. SEARCHEST FOR HER AS HID TREASURE: SEARCH is the more intensive form Analogy: Leaving for work and there's all these official looking people in front of your house with cameras. Identify themselves with the Texas Historical Society and they have found irrefutable evidence that a shipment of gold that Confederate forces was buried in your back yard. Minimum worth is $500 million. Would you say that's nice to know but I have to go to work or call work and say I might be late today.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; MM pointing out the precision of the word choices. When you go to a different translation or commentary, they don't see it as 2 component parts, they see it as 1. Word choices are very precise in your Bible and are meant to be that way. Try and show you that whatever time and effort it takes to get this, in the end, it will be worth it. Ever get involved in a project and ask is it worth it? Sometimes you say, yes. Sometimes you say, no, let's cut our losses. MM pointing out the precision of the word choices. When you go to a different translation or commentary, they don't see it as 2 component parts, they see it as 1. Word choices are very precise in your Bible and are meant to be that way. Try and show you that whatever time and effort it takes to get this, in the end, it will be worth it. Ever get involved in a project and ask is it worth it? Sometimes you say, yes. Sometimes you say, no, let's cut our losses. MM says this (GH: Sonship) is NOT to the exclusion of other things in your life. Even though you attend to other things, it never leaves your mind what the most critical thing is. This is not optional. Everything about your eternity is hinging on this. Not that you are going to hell if not educated as a son but if you are ever going to be able to labor...what's the whole reason He saved you for? So He could train you to labor with Him. He is saying don't throw that away. See this as the overriding and top priority in your life. See this as not just necessary but without an option. Need to have all 3 measures settled in your mind by the time you get to Romans 8. At the end of Romans 8, you need to be all in. Where you are not all in, the POE will identify you and target you and knock you out. This is not Brother Mike making a big deal out of this. This is your Father making a big deal out of this.
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; Top Priority: The original commitment #3 is we should seek the wisdom we are going to get from our Father as much as we seek the silver coin in our pocket. As important it is to have an income to exist on, that's how important it is to get that wisdom. MM says the wisdom isn't going to pay your bills, but the money in your pocket is not going to do what wisdom does either. As important as it is for you to have an income, it is as important for you to get this wisdom. SEEKEST HER AS SILVER: Talking about the silver coins a man would normally have in his pocket. Today, it would be bills or coins. You get these by working. If you seek her as silver, income gives you life, food, shelter, clothing, etc. Also, peace of mind, freedom, degree of comfort, etc. MM says comfort costs money while telling is ringer washer vs. modern washer & dryers. SEEKEST vs. SEARCHEST: George Crabb: We examine objects that are near; we SEEK those that are remote or not at hand; we SEARCH those that are hidden or out of sight; we explore those that are unknown. MM says if you are SEEKing your car keys you know where to get them. If you are SEARCHing your car keys, you've lost them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; I EXAMINE what is at hand. I SEEK what is not at hand. I SEARCH for something else. I EXPLORE to find out what's there. SEEK: OED: Seek: to try to obtain (something advantageous) SILVER: The money you make as part of a paycheck. When a man had silver coins in his pocket, that was representative of his income, whether he was a blacksmith or farmer or whatever. The money he had was a result of his work. The Wisdom your Father has for you, you need to look at as the SILVER as the income that provides the basic necessities of life. MM says this is the wisdom that provided for the necessities of a son's life (Romans 12:1-Romans 13:10)
Proverbs 2:4	Sonship Education Commitment Measure 03 : THE Top Priority	4 If thou seekest her as silver, and searchest for her as for hid treasures; AND: MM says this should have told him there was a second component to the wisdom. Romans 13:11-14 deals with the second component of the wisdom. AND tells you there are two different things going on. SEARCHEST FOR HID TREASURES: MM says this takes more time and more energy and more effort to go find it and dig it out. GH: MM tying this to the doctrine starting in Romans 13:11. It's going to take more effort to put the doctrine in Romans 13:11 and beyond than it took to put the doctrine pre-Romans 13:11 in your life. SEARCHEST: HID TREASURES: Talking about a wealth beyond your income. He is not just giving you more work to do was you start Romans 13:11-14, this is going you a reward way above what the basics provide. This is a wisdom that provides for a different kind of merchandise to be purchased. Motivates you to say this is what is waiting for me and I only have so much time to get this thing. Since they are HID, it is going to take more to get to them and dig them out.
Proverbs 2:5-9		Convinces the son of everything that God is going to do through the education to equip the son fully, everything he needs is going to be given to him. You can trust nothing has been left out, nothing has been overlooked, nothing will take you by surprise, God has taken it all into account. Group says fully persuade you. You do your part and He is going to do His part.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:5		5 Then shalt thou understand the fear of the Lord, and find the knowledge of God. The payoff/result if the 3 IFs are done. When the three “ifs” of the measures are in place, then the “then” of verse 5 kicks in. IF you do these 3 things, then comes the THEN. See IF/THEN, think conditional, Israel, blessings/cursings of the Law. This is NOT the IF/THEN of the law, the IF/THEN of the law was the contract for blessings and cursings. This is an IF of maybe you will and maybe you won't. but if you do, there is a benefit (v5). Initial FEAR OF THE LORD in Proverbs 1:7 (I don't want to disappoint Him) is going to have to grow by the time you get to v5 (I know enough about it that I want this for myself). What you are getting involved in is a lifetime issue and it's going to take a real commitment on your part in order to go through this. THEN: A powerful word to convey the converse of this as well. Shows how critical the measures are. SHALT THOU UNDERSTAND THE FEAR OF THE LORD, AND FIND THE KNOWLEDGE OF GOD: Result of passing all 3 measures.
Proverbs 2:5		5 Then shalt thou understand the fear of the Lord, and find the knowledge of God. UNDERSTAND THE FEAR OF THE LORD: Is actually an advancement from something you found over in Proverbs 1:7. FEAR OF THE LORD: That your Father would look at you as a fool. Natural thing - every boy wants the approval of his father. GH: Don't be a fool in the eyes of your Father. FIND THE KNOWLEDGE OF GOD: What you get if you do the 3 IFs in v1-4. If these 3 commitments are not in place, this knowledge is going to escape you. KNOWLEDGE OF GOD: The Sonship curriculum. This is your Sonship education, what you are after in this. Prayer is indispensible because without it, you will not “find the knowledge of God.” You cannot find the knowledge of God if any of these three commitments are not working in your life. Without Sonship prayer we will not find THE KNOWLEDGE OF GOD (Proverbs 2:5).
Proverbs 2:6-9		**Commitment 2 to edification (effectual learning): Commitment to Effectual Working (producing the result it was designed to do in you) of the Doctrine (Godly Edification) 'taking the things learned and put into practice/into use' {what you do at home-what your Father does in you}** - v6-9? People can get training/education and never use it or put it to practice. What happened to Solomon. Showed up for every lesson, got the education, but broke down in the edification. It does not say God chooses the right “path” for you to take. It does not say God shows you the “way”. But that is how most people read and understand this. It does say He will “keep” the path and “preserve” the way. See the 4 decision making skills - with 1 tweak: v6: WISDOM v7: RIGHTEOUSNESS: Uses for JUSTICE. Godly justice is right or wrong according to God's norms (of behavior) and standards (of conduct). v8:JUDGMENT v9: EQUITY **Commitment 3: Commitment to Teaching (for MM only)**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6-9		6 For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. 7 He layeth up sound wisdom for the righteous: he is a buckler to them that walk uprightly. 8 He keepeth the paths of judgment, and preserveth the way of his saints. 9 Then shalt thou understand righteousness, and judgment, and equity; yea, every good path. Second Sonship Commitment to Edification. Just as in the commitment to learning, there are also 3 components to the commitment to effectual learning. This time, instead of "if thou," it "the LORD" or "He" that starts off each component. That means the Lord is the one who will accomplish these things to produce the effectual working within us. - v6: Part 1 - v7: Part 2 - v8: Part 3
Proverbs 2:6-9		3 Edification measures are God's job. He will do it by His Spirit using this written Word. MM is really glad about that. There are no IFs or THOUs in this passage. But you do have 3 issues here in v6-8. The Father confronts the son with 3 main issues: To be edified, you are only going to be called upon to do one thing - BELIEVE. Called to believe what He tells you. v6: Notice the colon after THE LORD GIVETH WISDOM. v7: Another colon in the middle. v8: A comma and an AND. Not quite as strong.
Proverbs 2:6-9		By confronting the son with these 3 major issues in v6-8, there's something else being accomplished. Need the education to have a chance to get the edification. By giving the son 3 things - the son is supposed to perceive some things out of that. The Father expects his son to perceive 3 corresponding things: 1) That the curriculum for his vocational education and training is perfectly suited to do its job; Can't just believe it because MM says it. 2) That the son can completely depend upon it to do its job in all of the details of his Sonship life; 3) That each and every thing his father will teach him, along with each and every attainment his father will seek to produce within in by its effectual working throughout the course of the curriculum, is more valuable for him to attain to than anything else he ever could attain to. Uses words like instruction, wisdom, understanding - isn't that part of an education? So the word curriculum is not that far off. When you get that curriculum and that curriculum has worked in you, you now own something - wisdom (GH: education?) & understanding (GH: edification?) that you didn't have before. When you realize these things it is supposed to generate in you a very favorable response to what God is wanting to do. This is supposed to be something that when you see it for what it is, it is supposed to produce in you an attitude that I really do want this, I've got to have this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6-9		What your Father is trying to produce in you that you have come to the full assurance that the education, the knowledge, that He is going to give you is complete and perfect. There is nothing left out. He can take that curriculum and effectually work it in you to its fullest extent. He is asking for you to have confidence in this. 1. You understand what the curriculum has the capacity to do AND 2. It really can do that. It can not only educate you fully and completely but is has the capacity to effectually work that education in your inner man. No IFs. IFs would mean EFFECTIVE. No IFs means EFFECTUAL (can't be improved upon, not supposed to substitute for it, it's final and conclusive in its purpose). You are going to be called on to believe that. If you believe the curriculum has that power then you can no longer say anything to me that tells me why that might not work. There are no excuses. He is going to give you the education and then take that education and effectually work it. He is going to do that hard part. This education is not like a college class. It's not hard to understand. It's not going to be hard to do. The hardest part for you is not I understand what that means. You will get that. To MM, the toughest stuff is Romans 6:1-13. Don't have any doubt about what this curriculum can do and don't have any doubt about His ability to get it to effectually work in you. He will tells things about WJJE that may run counter to things we have thought before. He is going to ask you to look at human government in a particular way - the way He looks at it. He is going to ask you to look at human government with one thing in mind and it is the purpose for which He created it and that's all He is going to ask you to do. I CREATED human government. Why God? Here's why I CREATED human government. Then, when you look at human government, out of all the issues you could look at it at, here is the main issue to Me. That now needs to be the main issue for you. He recognizes there's a lot of evil government in the world. But there's not a godly government on the face of the planet. MM says or righteous for that matter. He is going to ask you to look at the purpose for why it is here and then He is going to ask you to respond to that government in view of that purpose. When you align yourself with God's purpose, now you are aligning your thinking with His thinking. MMs never given you a list, but he is going to give you the principle. Do you ever wonder why God isn't removing governments around the worid? God will say if you are going to make a measure of removing govenments along those lines, I WILL have to remove them all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6-9		What you are going to be taught is not complex. It's are you going to believe it when He says it? To effectually work in you, God will use (group guesses - His Spirit, His word, etc.) the doctrine. Spirit will take that doctrine and effectually work that doctrine in your inner man. He is looking for you to say, I see it and I believe it. **Only 2 ways a son can fail his Father:** **1. Legal offences in participating in outright sinful, course of this world behavior** **2. Opt out of participating in the edification doctrines of his Sonship - relates to the loss of our joint-heir inheritance-Romans 8:17** God is going to undertake to do 3 specific things. What He is trying to get you to do, is to so believe, so trust what He is going to tell you that the edication will take place. Your part in the edification is to believe. 3 issues and the result of those 3 issues. **The 3 issues regarding the commitment to edification are**: **1) The nature of the curriculum-v6 (intended to produce something in you)**: He is going to demonstrate the nature of the curriculum. Nature: Character of the curriculum, a certain kind of curriculum. Curriculum: Something you would lay out to do a course of study. First thing your Father will do is show you the nature of this curriculum and that it has the ability effectually work in you to produce everthing you will need, both now and in eternity. He is trying to get you to trust Him completely. Not a new thing - you completely trusted Him for your salvation. That trust ought to be so complete that if what Jesus did wasn't good enough, you're in trouble. Because if you are trusting in anything besides what He did, you are in trouble. Trying to show you that the doctrine can effectually work in you so that it can produce in you everything that you need and nothing is going to be left out. He is going to persuade you that this curriculum, the education that He's going to give you that you are going to need when you get up there is absolutely adequate, not only to overcome every obstacle you'll face here but enable you to do the job you are going to be doing when you get up there. View the curriculum as absolutely complete. That is what will effectually work in you. Nothing else can do what it is designed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6-9		There's nothing that has been overlooked/left out. You are not going to look at any alternative way to try and produce this because there is no other way to get this done. Not just you going to class. POE is to get you thinking the curriculum is there, but you are going to need something more than that. No obstacle you will encounter - the curriculum is capable of meeting all of that. By the very nature of the curriculum, it can handle everything. Doctrine in Romans 8 will make this a reality for you. No matter how much you think here and now today that's correct, when you get that doctrine, you will become more sure. Same with the Trustworthiness doctrine in Romans 8. 2**) The trustworthiness of the One who wrote it-v7**: Once you are convinced that He has given you (GH: in the curriculum) everything you need, the next question is, how much can I trest the One that gave me that curriculum? If you can trust Him implicitly, then wonderful. He will give you a doctrine to produce that. MM's agenda is to get you to trust the words in this Book and not to trust anything else. If you are going to make it as a son, you are going to have to focus on His word and His word alone. If you look around, what is sweeping over us like a tidal wave is preaching and teaching and believing and singing that takes us in the opposite direction. Part of the hard price to pay to say it is either God's Word or it is nothing. God is completely trustworthy. Just saying it doesn't effectually work in you. You need the doctrine and a spirit of Faith. Faith is all about believing what God tells you. Today, there is a movement that says you just believe and God will do it. You put the cart in front of the horse. Over and over in Paul's epistles, you are going to be faced with things throughout Paul's epistles in your education and which is going to get you what he is doing and what you should expect and you're going to give you this doctrine and say here's what you should expect to gain out of this doctrine. Here's what you should expect Me to do for you when this circumstance arises. Here's what you should be counting on Me for. There are going to be a lot of other voices telling you well, that doesn't look good to me, you need something different and if it is something different than the words on the page, you are not going to be edified as a son. You are wasting your time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6-9		If you can't trust that curriculum that it is all you need and if you can't trust Him as being trustworthy enough when He tells you that is the only thing you are going to put your trust in. If you can't do that, you will never be edified as a son. There is no alternate way. **Education and edification are two sides of the same coin**. Can't say one is more important than the other because you have to have them both. God wrote it. How much can you trust Him to do that. **3) The value of being edified by what you learn (Or the value of its effectual working)**: If you see the value of the effectual working of that curriculum and that its the only thing that can produce this and the One who wrote it is completely trustworthy, that's the kind of faith that's what you are going to be called to believe that. When the Bible talks about the effectual working of the word and them that believe, it's talking about God taking the very words on the page and putting them in you. Literally think about them as being written on your heart. He is saying I WANT you to have a heart for this. All of these things together are to get you to love your Sonship. If you love it, you won't walk away from it. Understand how valuable the effectual working is - didn't just give you some information and throw you to the wolves. He actually is going to take that information and put it in your inner man/write it on your heart/really going to be in you. And you are going to be absolutely, totally, fully persuaded of the Truth of it. It's got to be that way because if it is not, you will start second guessing and questioning and wondering. Doctrine in Romans 8 will convince you. It's not just a commitment to the education, it's a commitment to the edification and the edification means that the education has now effectually worked in your inner man to produce everything that it was supposed to produce. This is not a matter of how smart you are/how high of an IQ you are/did you do well in school. What you are looking at is not complicated. It's not going to be that hard. Don't think of this as, oh, I have signed up for a Calculus class. More like Algebra. The response on your part so that the Spirit can do the edification is you have to believe. Notice all the HEs - All that God is doing.
Proverbs 2:6	Matches Romans 8:31	6 For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. Matches with probing question #1 - Romans 8:31 - What shall we then say to these things? If God be for us, who can be against us? When He gives you that knowledge and understanding, are you going to be able to believe what He tells you? Nature of the curriculum: 1) Have the proper attitude and commitment for getting this education - setting your attitude to be receptive and desire the curriculum 2) Is supposed to really/powerfully impress you with what you are going to get - God is trying to impress you with this. He wants you to see something about it. Think of in an earthly way. Imagine the father was an astronaut and went to the moon, how excited the son would be. Where you are going is going to make all that pale. The Father must demonstrate that: 1. He knows all about the curriculum (because He is the One that wrote it) 2. He has complete knowledge of the vocation for which the son is training. He knows what job you are going to get. 3. He is aware of every challenge (internal and external - in soul, mind, outwardly), every pitfall and every opposition the son will encounter 4. He has built the curriculum in such a way that it can handle every obstacle the son can encounter

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:6	Matches Romans 8:31	6 For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. 5. He has designed the curriculum to take the son all the way, so that he, like Paul, can “finish his course.” 6. He will educate the son as to the power and capacity of the curriculum so that the son can trust it implicitly. If the son does NOT have the proper attitude and commitment toward his education, then this means that he will NOT place his full trust in the power and ability of its individual components. 7. He will show the son the glory, grandeur and scope of the Sonship life that being offered to him 8. His curriculum has to capacity for success in the son’s life Everything that is necessary for you to have as a son who is successfully educated and edified and equipped to get into those heavenly places and to to that job without any problem whatsoever is contained in this curriculum. Nothing has been left out. No circumstance can happen to you that is not taken into account in this curriculum. It doesn't rely on where you live in the world. Doesn't matter what changes, what the economy does, what gas prices go do, etc. Will some situations make it more difficult for you? Yes. Will it make it impossible for you? No. MM doesn't want to just equip you to show up and just listen. Really trying to show you the things that let you see on the inside. Trying to equip you with tools that you could go through your Sonship life on your own. MM is not going anywhere. There's not anything that would happen that should stop your Sonship life. The only thing the curriculum can't do is make you do it. If you walk away, you're done. Nothing else can make you walk away. As a son, that is part of the liberty that you have.

Proverbs 2:6	Matches Romans 8:31	6 For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. FOR THE LORD GIVETH WISDOM: He has wisely and prudently designed words that are unavailable anywhere else and from anyone else [more beneficial than anything else He could ever give to you] - how important these words are. FOR THE LORD GIVETH: It is the Lord that is giving us this education. It is the Lord that is giving the effectual working. No IF/THOUs here. He is giving it to you by His grace and you are going to receive it by faith. You are not going to earn this. The only thing you're going to do is believe - that's a non-meritorious action. You are not earning anything by believing just counting it to be true. WISDOM: So the Lord will give you this/His Wisdom. Can only come from Him. Not the man's wisdom or the world's wisdom. Not saying you can't learn other things you need - counting, reading, etc. Now see the colon. As far, we know that God, by His Jehovaness, His very power, He is going to give us this education and give us this edification and He is going to give it all by His grace. OUT OF HIS MOUTH: He is the One saying it. When you see this written, that's what's come out of My Mouth. No different from Me saying it out loud. The words that come out of His Mouth are the only words you will be called to operate on and they're the only ones that you're going to be able to be successful in this curriculum. it's His words that are going to be given to you. **COMETH KNOWLEDGE (education/the curriculum) AND UNDERSTANDING (edification: the effectual working of that curriculum): Not just knowledge in general**. COMETH KNOWLEDGE: the education AND UNDERSTANDING: the result of the education when it effectually works within your inner man; "godly edification which is in faith (=BELIEF)"

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:7		7 He layeth up sound wisdom for the righteous: he is a buckler to them that walk uprightly. HE LAYETH UP: Group says LAYETH UP = storing it. MM said look at this as God having something in layaway for you. It is sitting their waiting with all the power that it has in its possession ready to go the instant you need it. He's got that thing reserved, it's laid up in waiting. SOUND WISDOM: Wisdom that works. This isn't theory, this is something you will be able to rely on. Means there is an element to this wisdom that makes it different from every other wisdom. It cannot be improved upon. It's exactly what you need. It's everything you need. Talking about a particular type of wisdom that will equip you to be a son. HE IS A BUCKLER TO THEM THAT WALK UPRIGHTLY: As you are going along in your Sonship life, that is the prime time that sin is going to rear its head and cause you to stumble. MM mentions the verse the Spirit wareth after the flesh and the fless wareth after the Spirit. MM says when the Spirit really wants to go to town is when you are WALKing UPRIGHTLY. The comfort is, it is not the end of your eternal life and it is not the end of your Sonship life (GH: ties to Romans 8:33). There is comfort in knowing this but it is not like God is giving us a license to sin. Qualifying phrase - the ones who walk uprightly are the ones that are staying on the Father's path/way. You have to be walking uprightly to get the buckler benefit. The godly wisdom is the means by which He will be that Buckler. That wisdom has that ability to ward off all those attacks. But if you get off of that path and get on a different path, that will not be a buckler for you. If you quit your Sonship, you don't have that buckler benefit. MM says to tell you the truth, life gets easier because the attack stops. Get off the path and onto another path is walking away from your Sonship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:7		7 He layeth up sound wisdom for the righteous: he is a buckler to them that walk uprightly. BUCKLER: One of 2 kinds of shields in your Bible - other is SHIELD OF FAITH (Ephesians). When you got into hand-to-hand combat, often times they would drop the shield for mobility purposes. Strapped with leather to the left arm was a small circular shield and most had a point that came up on it.Pour water on it, leather would shrink so you didn't have to hold it with your hand, it was always there. Point deflected the sword blades. If a guy ever got knocked down, he could hold the buckler up and use his sword hand to get back up. It's a different kind of attack, a close up attack. Will see how this wisdom will be a BUCKLER to you in Romans 8. Get the buckler here. It is not till Ephesians that you need the shield. Because the adversary has changed. In Romans 4, we were called on before to believe God when there was no evidence to believe Him around your justification - Mercies of God. Before you were asked to believe when there was nothing else that said what God was saying is true. MM adds a dimension to that. In your edification, you're going to be asked to believe that what He says it true in the face of other things telling you its not. Asked to believe some things your Father is going to tell you and it's not just going to be there's nothing else telling me that's the way, it is everything else is going to tell you that's not how it is. And you will make a choice on which one to believe. If you believe it, that Spirit of Adoption will effectually work every component of your edification and that will be in you and that will change who you are. Shield that is strapped to your arm. Smaller than a body shield (Ephesians 6) to ward off long-range attacks. Bucklers are used in hand-to-hand, one-on-one, up close combat. If you ever fell down, you could raise your arm with the buckler to ward off the attack and using your sword hand to push yourself back up off the ground. God will be the buckler in the form of that wisdom that is more than sufficient to ward off any attack. God is saying even if you get it so wrong that you get knocked down, I have got something that protects you and allows you to get back up. Contingency for failure. MM talked about when starting up Sonship wondering if it would survive and if he would survive financially. It was a buckler to him.
Proverbs 2:7		7 He layeth up sound wisdom for the righteous: he is a buckler to them that walk uprightly. BUCKLER: MM fully anticipates having to go through things as he/we go through Sonship. He shouldn't have slipped but glad he can get up and keep going. Wasn't questioning 'should I do Sonship?'. Questioning 'should I stay and do it?' He is saying, what you are going to need, I AM going to be, so don't worry about it. A buckler is a type of shield but not the same thing as a SHIELD in the Bible. When you read this, you know some close hand-to-hand combat is coming. EX Somebody is going to come see you. - OK - Here's a gun, you'll need it - Doesn't that change the whole conversation. Soldier used the buckler when he encountered another soldier just like himself. MM is saying it like this for a reason. The enemy you will need that buckler for? Go home and stand in front of the mirror because that's the one you're going to need the buckler for. Buckler is what enables you to get in the fight and stay in the fight all the way to the end. The fight MM is talking about is the whole thing of you being an adopted son and your Father educating you to labor with Him in His Business. The one things that Satan will only be pleased with is for you to walk away from your Sonship. BUCKLER is where the parallel (GH: to Romans 8:33) comes in. A BUCKLER is a kind of shield. It's not the same thing as a shield. FOR THE RIGHTEOUS: Not talking about JUEL people, talking about people who are walking according to their new identity in Christ, putting that into action in their daily life. What you learned about in Romans 8:1-13.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:7a	Matches Romans 8:32	7a He layeth up sound wisdom for the righteous: Matches with probing question #2 - Romans 8:32 - He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?
Proverbs 2:7b	Matches Romans 8:33	7b he is a buckler to them that walk uprightly. Matches with probing question #3 - Romans 8:33 - Who shall lay any thing to the charge of God's elect? It is God that justifieth.
Proverbs 2:8		8 He keepeth the paths of judgment, and preserveth the way of his saints. Verse that goes with knowing the value of the edification. Edification - things the Lord would do. Your job was to believe the doctrine. Notice the 4 decision making skills (GH: or 3 of 4?) are tucked away in here. Here He is trying to produce a confidence and an assurance that He has provided everything that you are going to need and that you can really trust that. Exhortation runs through the end of the chapter. MM omits the last 2 verses which are very specific to Israel's program. He talks about paths of judgment and the way. When we talked about the searching of the heart, talked about every good path. God does two things: 1. He keeps the path 2. He preserves the way Nutshell: You are going to choose a path and you are going to go a certain way and He is going to keep that path and preserve that way that you have chosen, not that He has chosen. Father saying to his son I'll give it all to you for your inheritance. In other words, the Father is saying to the Son, “It’s all Yours!” We see the same thing in the book of Hebrews.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:8		8 He keepeth the paths of judgment, and preserveth the way of his saints. HE KEEPETH THE PATHS OF JUDGMENT: MM says a third (GH: a fourth) of these decision making skills for decisions you are going to make. He didn't say He determines the path, you determine the path. Once you determine that path, He is going to keep it. It does not say He "chooses" the paths (plural!) of judgment. With the Sonship skill of "judgment" there will be many different choices you can make in your sonship life. And while you are the one making the choice about the "paths," it is your Father who is going to "keep" those paths. Realize whatever I decide, God is going to keep that path, it sovers you up about the kind of decision making you're making, doesn't it? It is the son who chooses the "paths of judgment." There would be several "good paths" that you could decide on. Any of those "paths" would be considered by your Father to be a good path and therefore any of those decision would be in the right "way." KEEPETH: To Guard. Group says protect. He is keeping you on this path because there are two other things that will try and lure you off of that path (GH: EVIL MAN and STRANGE WOMAN). Have to not only make a good choice of paths but stay on that path. He is going to preserve that path but now you are going to have to stay on that path. They will try and get you off of this path and convince you to get on a better path. He is going to preserve that way you have chosen. He is going to keep you on it. PROBLEM: You don't know how to choose this path yet. Where you first get introduced to this infirmity you've got (Romans 8:26).
Proverbs 2:8		8 He keepeth the paths of judgment, and preserveth the way of his saints. PATHS OF JUDGMENT: Can come to a decision where there is more than 1 right path. You are going to choose that path. He won't tell you which one to do but when you choose it, He is going to keep it. Generally speaking, is the ability to discern right from wrong. PATHS: Plural HE PRESERVETH THE WAY OF HIS SAINTS: MM says it does not say 'directs'. He preserves it. This is an awesome responsibility to be making decisions on his behalf. It also does not say He "determines" the way of His saints. He "preserves" your way. You, as a son, will make a decision – He is not going to make it for you – and He is going to preserve it. It's like, son, whatever you decide, I AM going to nail it in place. Realize that you better make a really good decision if He is going to make it stick. THE WAY: This is a singular way.
Proverbs 2:8a	Matches Romans 8:34	8a He keepeth the paths of judgment, Matches with probing question #4 - Romans 8:34 - Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.
Proverbs 2:8b	Matches Romans 8:35	8b and preserveth the way of his saints. Matches with probing question #5 - Romans 8:35 - Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:9		9 Then shalt thou understand righteousness, and judgment, and equity; yea, every good path. The thing you learned has effectually become your edification. It has effectually worked to produce all those things in you and you are able to live out of those on a daily basis. EVERY GOOD PATH: There is more than 1 good path.
Proverbs 2:10-19	Exhortations : SE (Sonship Establishment)	Exhortations for Sonship Establishment: Instruction that Solomon wrote down that he got from his father David. Chapter 2 so it was pretty early on. Know there are two entities that will try/work and get that son off that good path and onto any froward path which would direct you in a WAY of darkness: 1. EVIL MAN - COTW 2. STRANGE WOMAN - POE Can tell the education is already underway. Preliminary instructions on the things coming against them (ours is in Romans 8). Warning about two things: 1. EVIL MAN (first of the two we encounter - changes to a plural EVIL MEN later) - Satan is going to use EVIL MEN in the first phase of his attack against a son who is in the education and has progressed to a point, when he can CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT-Romans 13:12. 2. STRANGE WOMAN
Proverbs 2:10-15		Israel program exhortation for PERCEIVE THE WORDS OF UNDERSTANDING - Proverbs 1:2. MM says you could argue it starts in v1. CONTEXT: Is godly wisdom. The things the EVIL MAN is saying is apart from/moving away from godly wisdom. EVIL MAN is giving you a wisdom that is meant to move you away from God's Wisdom. If you think of FROWARD as 'contrary', you would be right. Boiled down, FROWARDNESS is ungodly thinking. The 2 characters that David warned Solomon that he was going to encounter. Israel was actually told about this way back in her history and you are going to be told by your apostle you will encounter these 2 oppositions as well. If you run off track, it will be due to the attack of one of these 2.
Proverbs 2:10-12		Exhortation for PERCEIVE THE WORDS OF UNDERSTANDING (Proverbs 1:2) in Israel's program
Proverbs 2:10		10 When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul; WHEN WISDOM ENTERETH INTO THINE HEART: God's Wisdom. First attack of two that will come against you as you are being educated as a son or daughter - THE EVIL MAN. WISDOM ENTERETH INTO THINE HEART: The son has got some wisdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:11		11 Discretion shall preserve thee, understanding shall keep thee: DISCRETION: Is a form of judgment (MM tying to Romans 13:12b). PRESERVE THEE and KEEP THEE from what? This curriculum has the capacity to preserve you and to keep you. You have the hard part, that's believing it. God is asking us to trust him implicitly and He says if you will, this thing will effectually work in you. But it is all going to be based on that. Ties back to v8-KEEP...PRESERVE. Getting DISCRETION and UNDERSTANDING are the things that will keep you on that path and prevent you from being lured off of that path. Look at the times that WAYS and PATHS show up. (GH: When you choose a good path), God is going to PRESERVE it, but He is not going to do it by His omnipotent power. **DISCRETION will PRESERVE you and UNDERSTANDING will KEEP you**. He is going to use the Sonship education to keep you on this path. The ability to keep you from getting side tracked is built into the curriculum. UNDERSTANDING SHALL KEEP THEE: This will work to set the son's attitude.
Proverbs 2:12-20		Look at the contrast of the ways and paths. Your Father is the most trusted Person you know in the world, you trust Him more than anyone else. On the other hand, when He looks at the son, He is looking at the most trusting individual that He knows. Think about how much David or Paul trust the Lord. You have the ability to trust God to the same level that they did. This is in your reach/grasp. God is telling you all this and what He is asking you to do is to believe Me. You are getting oriented to your Sonship education and right now, you are on that path, going along that way. Doing the exact path. You are not short cutting it. You are not jumping over it. You are doing exactly what you are supposed to do. The 2 major oppositions to Israel's adoption are also the same 2 major oppositions to your adoption.
Proverbs 2:12-15	First Attack when you are getting educated - the EVIL MAN: Course of this world - the wisdom and ungodly evil of this world	12 To deliver thee from the way of the evil man, from the man that speaketh froward things; 13 Who leave the paths of uprightness, to walk in the ways of darkness; 14 Who rejoice to do evil, and delight in the frowardness of the wicked; 15 Whose ways are crooked, and they froward in their paths: Exhortation for Israel program for PERCEIVE THE WORDS OF UNDERSTANDING **First Attack when you are getting educated - the EVIL MAN: Course of this world**. The wisdom (2 parts: 1. of this world, not God's Wisdom; 2. the ungodly evil of this world) and the ungodly evil (need to be able to discern good and evil) of this world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:12		12 To deliver thee from the way of the evil man, from the man that speaketh froward things; THE WAY OF THE EVIL MAN: Here's a different way. Not deliver you from the evil man. It is a different way. Will be offered alternative ways and paths to Sonship that will have allurements to them. May look at them and say, that looks easier. THE EVIL MAN: Character 1 or First character - EVIL MAN: the ungodliness of this world, the course of this world. The wisdom (of this world) and the ungodly evil of this world. Paul uses a different term for THE EVIL MAN but he describes it the exact same way. Two components here. 1. The wisdom of this world wants to teach you its wisdom but that wisdom runs very differently from the Wisdom of your Heavenly Father. 2. The ungodly evil of this world. One of the things you will learn as a son is how to discern between good and evil. The world is going to tell you what's good and evil. But then your Father is going to tell you what's good and evil. MM is not, doesn't have a list because that's the law all over again. Preachers want to apply this EVIL MAN to someone who is teaching the wrong stuff. It's more than that. Solomon was given everything he needed to overcome by the things that eventually turned away his heart. Difference was he only had it up here (head) and never had it in here (heart). Course of this world. Metaphor - not talking about a certain man. First thing that you will be preserved and kept from. Many forms. Verb tenses support that.
Proverbs 2:12		12 To deliver thee from the way of the evil man, from the man that speaketh froward things; FROWARD THINGS: Froward does have an element of corruption and of perverse to it. But don't think of it as just evil, the word “froward” comes from two words: “from-ward” which means “to run in a different direction.” OED says FROWARD: to take you from walking down one way and get you to walk in a different way. That's exactly what he is trying to do - get you off in a different direction. FROWARD: To go opposite, away, contrary. Think of something swinging TO and FRO. This way is contrary to the way that God wants you to have. Break down into two words: 1. FRO: Going to a fro. Fro is out of the word 'from'. 2. (to)WARD: Gives you direction. North-word is towards the north. One is bringing you closer, one is moving in a whole different direction

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:13		13 Who leave the paths of uprightness, to walk in the ways of darkness; The evil man wants you to “leave the paths of uprightness” and “walk in the ways of darkness.” LEAVE THE PATHS OF RIGHTEOUSNESS: The EVIL MAN is speaking FROWARD things to get you off of those good paths. Talking about getting you off of that path and putting you on another path. TO WALK IN THE WAYS OF DARKNESS: When you walk wrong, there are all sorts of ways. Won't be presented to you as darkness. Remember Paul warned that Satan himself is transformed into an angel of light (2 Corinthians 11:14). This other way will look very tempting and very enticing to you and your Father is warning you about it right here. You can be a Christian who has trusted Jesus to be their Savior and he has corrupted your understanding of Sonship or the DOGG or RDW. Or, be at the other end of the spectrum and be an athiest and he has corrupted it. Or, you can be religious, you can be a Muslim/Buddhist/Taoism and he has corrupted it. The world calls them 'the great religions of the world'. God calls them the WAYS OF DARKNESS, it's corruption.
Proverbs 2:14		14 Who rejoice to do evil, and delight in the frowardness of the wicked;
Proverbs 2:15		15 Whose ways are crooked, and they froward in their paths: WHOSE WAYS ARE CROOKED: They are not going to be presented to you that way. As good as it looks and sincere as it sounds, it is crooked. God is showing it to you from His point of view. When He gets you thinking like He's thinking you'll see it just that way. He is asking you to believe Him. That's part of this edification. WAYS ARE CROOKED: Sort of a synonym for FROWARD. THEY FROWARD IN THEIR PATHS: Refers to the WICKED in v14.
Proverbs 2:16-22	Second Attack when you are getting educated - of the STRANGE WOMAN: the Satanic policy of Evil	16 To deliver thee from the strange woman, even from the stranger which flattereth with her words; 17 Which forsaketh the guide of her youth, and forgetteth the covenant of her God. 18 For her house inclineth unto death, and her paths unto the dead. 19 None that go unto her return again, neither take they hold of the paths of life. 20 That thou mayest walk in the way of good men, and keep the paths of the righteous. 21 For the upright shall dwell in the land, and the perfect shall remain in it. 22 But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it. **Second Attack when you are getting educated - of the STRANGE WOMAN: the Satanic policy of Evil.** Second attack of two that will come against you as you are being educated as a son or daughter - THE STRANGE WOMAN. v17: FORGETTETH THE COVANENT OF THEIR GOD: Religous aspect of the POE. v16: STRANGE WOMAN: The Satanic POE (Policy of Evil). She is also concerned with PATHS. Especially in connection with apostate religion & corrupt, apostate, ungodly “Christianity”. v18: HER PATHS UNTO THE DEAD: Don't go down the wrong path (GH: or else it could kill your eternal life and/or sanctified life).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 2:16		16 To deliver thee from the strange woman, even from the stranger which flattereth with her words; THE STRANGE WOMAN: Second character - STRANGE WOMAN - Satan's Policy of Evil. The Satanic policy of evil. Preachers want to apply this STRANGE WOMAN and make her a prostitute. It's more than that. The Satanic policy of evil. Metaphor - not talking about a certain woman. The PoE is so alluring to the adopted son at that stage of their education as that woman that stands on the street corner is to to the young man who really doesn't know anything because the kid is so naive. Your Father doesn't want you to be naive. He is going to inform you about this and tell you about this. There is a specific area of the PoE that is geared specifically and only to women - to make them a SILLY WOMAN. When Paul uses the phrase SILLY WOMEN, he is not just being critical of some group of women in some local assembly, he is actually giving you a specific descriptive phrase of those who have been victimized by that specialized PoE that they have become silly women. Will not work on a man but because you are a woman, there is something specifically tailored for you. This is the religious aspect of the attack that will be coming against you.
Proverbs 2:17		17 Which forsaketh the guide of her youth, and forgetteth the covenant of her God. FORGETTETH THE COVENANT OF HER GOD: This is the religious aspect of the PoE.
Proverbs 2:18		18 For her house inclineth unto death, and her paths unto the dead.
Proverbs 2:19		19 None that go unto her return again, neither take they hold of the paths of life.
Proverbs 2:20		20 That thou mayest walk in the way of good men, and keep the paths of the righteous.
Proverbs 2:21		21 For the upright shall dwell in the land, and the perfect shall remain in it.
Proverbs 2:22		22 But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it.
Proverbs 3:1-20	Exhortations : Level 1, Phase 2, Part 1 - WISDOM	Exhortations for LEVEL 1, Phase 2: Part 1: WISDOM for Israel's Program Exhortation for godly WISDOM. Proverbs 3: At the beginning of the chapter, talks about a positive (I understand and have no problems with it) & proper (take what you understand and do something with it, put it to work) response to the doctrine. Because if all you do is understand it mentally, it (the doctrine) didn't do what it was supposed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 3:1-4		Exhortation for LEVEL 1, Phase 2 (SIMPLE SON) - Israel Program Two kind of responses God is looking for when He gives you doctrine: v1. Positive response (EX Proverbs 3:1-2) - Opposed to a Negative response - EX I don't believe that; I don't like that v2. Benefit - Here's what I need you to do (v1) and if you do that, here's the benefit (v2). v3. Proper (EX Proverbs 3:3-4) - Opposed to an Improper response - EX I believe it, but here's the way I want to do it. Will not effectually work in you. v4. Benefit - Here's what I need you to do (v3) and if you do that, here's the benefit (v4). There's a benefit to the right response. You have to have both a positive AND a proper response to the doctrine or it will not effectually work in you. Looking at the exhortation in Israel's program to make you a SIMPLE SON. We have never looked at their doctrine and we are not going to. Many times their exhortation matches Paul's exhortation. Pattern: One exhortation doesn't match, one does. It's just the difference between the 2 programs. First is a POSITIVE response to the doctrine. The Second is a PROPER response to the doctrine.
Proverbs 3:1-4		1 My son, forget not my law; but let thine heart keep my commandments: 2 For length of days, and long life, and peace, shall they add to thee. 3 Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart: 4 So shalt thou find favour and good understanding in the sight of God and man. MY LAW...MY COMMANDMENTS: David's law/commandments will give Solomon (GH: v2: longevity & peace). This is for Israel's program. Everybody would want this. Paul never promises you long live, length of days, and peace. Our Sonship education says the further you go in the education, the more conflict (not peace) you get. v1: FORGET NOT MY LAW: Not talking about the law of Moses. v1: MY LAW: Not the law of Moses. v1: MY COMMANDMENTS: MM says he this not the law of Moses or the 10 Commandments. Those are God's law, not David's. This is David the father talking to his son. Most preachers preach this as the Mosaic law and completely ignore the English language and the context of Sonship. v2: FOR: Because - Look at the English words of logic and the pattern. v2: LONG LIFE: That's something out of Israel's program. You are not going to get long life because things are happening to you (GH: POE).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 3:1-4		v3: Notice the heart references and previous studies. v3: LET NOT MERCY AND TRUTH FORSAKE THEE: We look at as 2 words connected with an AND. Think MERCY is 'you deserved something but I didn't give it to you' and TRUTH is 'what's absolutely so'. You won't understand their combination yet so MM is not going to defend it now, but when mercy and truth are linked together like that, that always has to do with your godly labor with your Heavenly Father. Has to do with you functioning in accordance with some operations that God wants accomplished. When we cover it, you will go WOW! v3: WRITE THEM UPON THE TABLE OF THINE HEART: You can write on your own heart. David talking to the son (Solomon). v4: SO v4: FIND FAVOUR AND GOOD UNDERSTANDING IN THE SIGHT OF GOD AND MAN: When Paul gives us the exhortation, this is exactly what you are going to define too. You will find favour and good understanding with other sons, not the world.
Proverbs 3:5-6		Exhortation for godly WISDOM. On refrigerators and car bumpers everything. How this fits into Sonship: He has given you exactly what you are going to need to get godly wisdom because this is the exhortation for it. Can you trust that He has given you exactly what you need? That is trusting in the Lord. Can't lean unto thine own understanding because the only kind of wisdom you have isn't godly wisdom. How are you going to know that path? Godly wisdom is going to show you that path. Fits perfectly for godly wisdom, otherwise, it is hit and miss. Divine protection counterfeit. MM says he had trouble with this one in Bible college. Kept trying to rely on this verse and wasn't always working. Know based on where it is sitting this is in the exhortations given to Israel. There is a particular path for the remnant.
Proverbs 3:5		5 Trust in the Lord with all thine heart; and lean not unto thine own understanding. You have your own wisdom, the world's widsom and God says I don't want you to try and figure out what is wise and what is not. I want to be the One to do that. MM says one of the main snags. People don't like to be taught what to do or what to think.
Proverbs 3:6		6 In all thy ways acknowledge him, and he shall direct thy paths.
Proverbs 3:7	GH: Interdispensational Principle	7 Be not wise in thine own eyes: fear the Lord, and depart from evil. BE NOT WISE IN THY OWN EYES: There are some principles that not only apply to Israel but also appy to us (GH: BE NOT WISE IN YOUR OWN CONCEITS-Romans 11:25, Romans 12:16). General principles of exhortation and this would be one of them. The thing that is contrary to being WISE IN THY OWN EYES is to do v5-6 and TRUST IN THE LORD-v5 and IN ALL THY WAYS ACKNOWLEDGE HIM-v6. If you don't, this counterfeit wisdom is going to keep you from waking in the Lord's paths and keep you from understanding His ways and it's going to make you lean on your own understanding.

Proverbs 3:8	GH: Prayer : Dispensationally Incorrect	8 It shall be health to thy navel, and marrow to thy bones. HEALTH TO THY NAVEL, AND MARROW TO THY BONES: How saved, but uneducated Gentiles pray when they need health. Lift a verse out of Israel's program and also usually out of its context and try to claim it as God's promises today. Praying this way ignores what God is doing and, at best, manifests a lack of understanding (ye know not…) and, at worst, an unwillingness to cooperate with God (I don't care…). How saved, but uneducated Gentiles pray when they need health.
Proverbs 3:13-21		The Proverbs definition of wisdom. Compare with Paul's (Romans 11:33).
Proverbs 3:13-15		Exhortation for the EDUCATION. **Education and Edification are two sides of the same coin**. Why the exhortations use the same kind of terminology (Proverbs 8:10-11 for Edification). v14-15: The world can't wrap their head around this. Exhortation of Israel's program. Tells you that what you're going to get from this wisdom is more valuable than what you can buy with physical silver and gold or money. Do you think Paul will come along and contradict that? No, he will say the same thing in his epistles.
Proverbs 3:13		13 Happy is the man that findeth wisdom, and the man that getteth understanding. HAPPY: Godly happy, not happy in general.
Proverbs 3:14		14 For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold. GH: Wisdom is better than SILVER (money). Whatever you could buy with silver and gold this merchandise is better. Because the things you can purchase with your wisdom you can take with you. Eternal, not temporary. Take it with you to do your job up there - buying your tools for your eternal vocation. Don't want to get to heaven and say here I am, what do I do? What if angels asked you where are your tools? MERCHANDISE: Grocery store, heating bill, power bill, mortgage, clothing, gas in the car
Proverbs 3:14		14 For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold. Context: In the previous verse, he talks about the wisdom. This wisdom is going to mean more to you than what the money in your pocket can provide to you. **GH: MM tying SILVER to Proverbs 2:4 and Romans 12:1-13:10 while tying FINE GOLD TO HID TREASURES-Proverbs 2:4, FINE GOLD, and Romans 13:11+.** THE MERCHANDISE OF IT IS BETTER THAN THE MERCHANDISE OF SILVER MERCHANDISE: If you have silver you can buy merchandise. THE GAIN THEREOF THAN FINE GOLD: This is a step up. Move from SILVER to FINE GOLD. Represents great wealth. FINE GOLD: Not just gold dug up out of the ground that needs to be refined.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 3:14		14 For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold. Benefits to God's Wisdom: 1. Eternal 2. Inheritance is better 3. Position in the heavenly places will be far better than any on this earth 4. Authority/Influence 5. Completely unaffected by the circumstances that take place in this world. (While a lot of things can change your wealth in a hurry). 6. Greater significance
Proverbs 3:15		15 She is more precious than rubies: and all the things thou canst desire are not to be compared unto her. SHE: Wisdom MORE PRECIOUS THAN RUBIES: More than a comparison between the spiritual and the physical. ALL THE THINGS THOU CANST DESIRE: MM says that is pretty encompassing, isn't it?
Proverbs 3:16		16 Length of days is in her right hand; and in her left hand riches and honour. Is an Israel thing. Don't get to thinking that if you get wisdom you will live to a ripe old age.
Proverbs 3:21-35	Exhortations : Level 1, Phase 2, Part 2 - JUSTICE	Exhortations for LEVEL 1, Phase 2: Part 2: JUSTICE for Israel's Program
Proverbs 4		Get some details on the attacks of the adversary (GH: elaborating on Proverbs 2:10-22). Point: Mirrors our education in the adversary (Romans 8:35-> Romans 13:12). Need to be able to answer questions like how do you know this or that and we are actually able to give an answer other than Mike said so at the Bible study. We need to understand from the scripture. Things you know when you get to Proverbs 4: - The format for the education for the believing remnant follows the same format as our education. MM showing the the warning around EVIL MEN comes in both programs in the judgment education. - After every major FORM OF DOCTRINE-Romans 6:17 there is an exhortation that contains a check point. The check point is to assess of determine whether or not we have really gotten what was presented to us in the doctrine. Do we really understand what this doctrine is trying to produce in us? This is true for every FORM OF DOCTRINE that we've been through (GH: MM teaching Romans 13:12) so far.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 4		v1-9: Son is told this godly widsom and godly justice needs to be up and running in a son because when you get to v10, it changes. v1: HEAR...THE INSTRUCTION OF A FATHER v1: ATTEND TO KNOW UNDERSTANDING v1: CHILDREN: Said CHILDREN and not son because he is talking about his natural born children who are more than 1. v2: I give you good doctrine v4: LET THINE HEART RETAIN THINE WORDS v5: GET WISDOM
Proverbs 4		v7: WISDOM IS THE PRINCIPAL THING v7: GET WISDOM: AND WITH ALL THY GETTING GET UNDERSTANDING v8: EXALT HER: Talking about wisdom. v8: EXALT: Praising it, raising it up. MM says showing people how important it is. This thing has meaning, there's something to it. If it is important, you are going to get it. v8: SHE SHALL PROMOTE THEE: This WISDOM is now going to advance you to a postion of honor, dignity, or raise you to a higher grade. MM says this not only takes place in both programs it takes place at the same point in both programs. v8: PROMOTE OED: Promote: to advance (a person) to a position of honor, dignity; to raise to a higher grade or office; to prefer. MM says in life there are always people that say I don't want to go any further, this is good enough for me, I don't need anymore. They would look at this and say I don't really want to be promoted, I'm good right here. You can't compare this to anything else in this world. If the desire to really function in your Father's Business isn't in you, then that's an indication that something got missed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 4	GH: WoD Teaching	v10-27: Turning now from the things of WISDOM and JUSTICE and this is going to be the instruction of judgment for the remnant. v10 RECEIVE MY SAYINGS: Different than v1-9. A SAYING is not the same as INSTRUCTION or UNDERSTANDING or DOCTRINE or WORDS. v10: SAYINGS: Your heavenly Father gives you sayings (GH: in judgment teaching) and how much is packed into those sayings? Only works if you know what is in the SAYING. When you get to judgment, you get instructed in a different way, you get instructed by SAYINGS. OED: Saying: something that is said by a distinguished person, an apophtegm, a dictim; OED: Apophthegm: a terse, pointed saying, embodying an important truth in a few words; a pithy or sententious maxim POINT: When taught Wisdom and Justice, get instruction and doctrine. When taught Judgment, now you are going to be taught by SAYINGS. Example is THE NIGHT IS FAR SPENT, THE DAY IS AT HAND-Romans 13:12a. MM asks how long did it take us to unpack what was in that saying? In a few words, there is this whole understanding that Paul lays out. v10: AND THE YEARS OF THY LIFE SHALL BE MANY: MM says you know this is for Israel because there's a promise of years of your life will be many. You don't have that promise in the DOGG. This is a remnant issue and not a promise to you.
Proverbs 4	GH: WoD Teaching	v11: I HAVE TAUGHT THEE IN THE WAY OF WISDOM: Son has been taught wisdom (past tense). v11: I HAVE LED THEE IN RIGHT PATHS: Son has been taught justice (past tense). v11: WISDOM: This is the godly skill of WISDOM. Past tense - already done it. v11: RIGHT PATHS: This is the godly skill of JUSTICE. Past tense too. v12: The son is moving here. v12: STRAITENED: In addition to a straight line, a strait also means to choke something off like the Strait of Gibraltar where all the water comes down a very narrow passage. v13: TAKE FAST HOLD OF INSTRUCTION: Judgment. Not past tense, present tense. Would guess he is now talking abou the godly skill of JUDGMENT. v13: LET HER NOT GO, KEEP HER, FOR SHE IS THY LIFE: Because you are going to be opposed by the adversary. When he comes against you, this is the only thing you will be able to hold onto. v13: EVIL MEN: Goes from EVIL MAN (singular) in Proverbs 2 to EVIL MEN (plural). While this is written to the remnant, you should anticipate that you're going to get some instruction about how to handle the attack that's going to come you way (GH: whether it's the EVIL MAN or the STRANGE WOMAN). v14: EVIL MEN: The very first characters that the remnant is going to encounter when they CAST OFF THE WORKS OF DARKNESS-Romans 13:12 in their program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 4	GH: WoD Teaching	v18-19: Understand where you are here - the remnant getting instruction in judgment. Looks at the words here - same as in Romans 13:12-14. This is how you know this is where you will begin to get attacked. v18: SHINING LIGHT v18: SHINETH MORE AND MORE UNTO THE PERFECT DAY: The LIGHT of the remnant is not just supposed to be a little light, it's supposed to get brighter and brighter and brighter. The darker the NIGHT, the brighter the LIGHT appears to be. That LIGHT is supposed to grow. The Hebrew epistles pick this up and talk about their LIGHT increasing. v19: DARKNESS v19: THEY KNOW NOT AT WHAT THEY STUMBLE: MM says they are stumbling because they can't see. It's DARKNESS. What Satan is counting on.
Proverbs 4:1-4		Exhortation for PERCEIVE THE WORDS OF UNDERSTANDING (Proverbs 1:2) in Israel's program - Commitment Checkpoint 1: Honest Attendance - v1: ATTEND TO KNOW UNDERSTANDING David is being quoted by his son Solomon, who is doing the writing. One of those exhortations. Has to be more than bodily presence. You are going to have to get their mentally as well. God is saying I WANT you to love this wisdom.
Proverbs 4:1		1 Hear, ye children, the instruction of a father, and attend to know understanding. HEAR, YE CHILDREN, THE INSTRUCTION OF A FATHER: Sets your attitude. ATTEND TO KNOW UNDERSTANDING: Pay attention so you can understand. Have to show up physically and show up mentally. ATTEND: Ties to Sonship Commitment to the Education #1-Honest Attendance. More than just paying attention. Means attend in a couple ways: 1. Show up 2. Pay attention (easy to let your mind drift off) - can do one without necessarily doing the other.
Proverbs 4:2		2 For I give you good doctrine, forsake ye not my law.
Proverbs 4:3	GH: Sonship	3 For I was my father's son, tender and only beloved in the sight of my mother. A lot to it.There is a way the Bible uses 'only son' that means something different from you are the only kid we've got. Has to do with a particular relationship being talked about here - relationship terms. Talking about a son that met a requiremnet that said I want this and Jesse, David's father, was so good that he put in David enough about God his Heavenly Father that David actually understood enough things about God that when God sent Samuel God could look at David and say that's the guy after My own Heart because that got cultivated in him. If Jesse was here he would say, yeah, that wasn't an accident. FOR I WAS MY FATHER'S SON: Can't any male say this? Why? Not talking about ANY son. Talking about an ADOPTED son who is educated to labor with the Father in his Business. He had other brothers, but in the sense it is being used here, Solomon was the only one. MY FATHER'S SON: So were 7 other sons. What boy isn't? MM says Bible colleges teach this verse as poetic language in the KJV. No clue what the verse was talking about. We never thought he was 'his father's daughter and who else's son would he be? Not a shock.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 4:3	GH: Sonship	3 For I was my father's son, tender and only beloved in the sight of my mother. ONLY BELOVED IN THE SIGHT OF MY MOTHER: David had 7 brothers - 8 of them altogether. His parents didn't hate the other boys. David was the only boy who had the attitude (thinking, likes/dislikes, value) of the 8 and that's why he is the ONLY BELOVED. ONLY BELOVED: Didn't say MOST BELOVED as a comparison. The context is I am the one he adopted. The rest of Jesse's boys didn't have what it took to be looked at in this way. When they parade those guys in front of Samual, God says don't look at the outside, I AM looking on the heart. MM taught in Bible college about the wonderful poetry of the KJV. Didn't have a clue what it was talking about. Solomon is saying this is what my dad/Dad said to me. Get these things. David is being quoted by his son Solomon, who is doing the writing.
Proverbs 4:4		4 He taught me also, and said unto me, Let thine heart retain my words: keep my commandments, and live. COMMANDMENTS: Not talking about the 10 Commandments. He is talking about instruction that a Father is given His son in this kind of an education.
Proverbs 4:10-5:6	Exhortations : Level 1, Phase 2, Part 3 - JUDGMENT	Exhortations for LEVEL 1, Phase 2: Part 3: JUDGMENT for Israel's Program
Proverbs 4:10	GH: Sonship	10 Hear, O my son, and receive my sayings; and the years of thy life shall be many. See the father-son thing going on. Telling why the education is so important and why he needs to follow this education.
Proverbs 4:20-23	Exhortations : Commitment 1 - Honest Attendance	Exhortation for PERCEIVE THE WORDS OF UNDERSTANDING (Proverbs 1:2) in Israel's program - Commitment Checkpoint 1: Honest Attendance - V20: ATTEND TO MY WORDS; INCLUDE THINE EAR UNTO MY SAYINGS Exhortation that precedes instruction in the godly skill of equity. One of those exhortations. Has to be more than bodily presence. You are going to have to get their mentally as well.
Proverbs 4:20		20 My son, attend to my words; incline thine ear unto my sayings. ATTEND TO MY WORDS: More than just reading it. Don't just go through the motions. EX Reading for a while but don't understand what you are reading. The education you are going to get here is of such a nature that it will require 'honest attendance'.
Proverbs 4:21		21 Let them not depart from thine eyes; keep them in the midst of thine heart. LET THEM NOT DEPART FROM THINE EYES KEEP THEM IN THE MIDST OF THINE HEART

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 4:22		22 For they are life unto those that find them, and health to all their flesh. THEY ARE LIFE TO THOSE THAT FIND THEM THEY ARE LIFE HEALTH TO ALL THEIR FLESH
Proverbs 4:23		23 Keep thy heart with all diligence; for out of it are the issues of life.
Proverbs 5:1	GH: Sonship	1 My son, attend unto my wisdom, and bow thine ear to my understanding: Exhortation for PERCEIVE THE WORDS OF UNDERSTANDING (Proverbs 1:2) in Israel's program - Commitment Checkpoint 1: Honest Attendance - ATTEND TO MY WISDOM See the father-son thing going on. Telling why the education is so important and why he needs to follow this education. ATTEND UNTO MY WISDOM: One of those exhortations. Has to be more than bodily presence. You are going to have to get their mentally as well.
Proverbs 5:3		3 For the lips of a strange woman drop as an honeycomb, and her mouth is smoother than oil: STRANGE WOMAN SMOOTHER THAN OIL: She is dolling up this counterfeit truth to make it sound really good compared to what your Father tells you.
Proverbs 5:4		4 But her end is bitter as wormwood, sharp as a two-edged sword. HER END IS BITTER
Proverbs 5:6		6 Lest thou shouldest ponder the path of life, her ways are moveable, that thou canst not know them. THOU CANST NOT KNOW THEM
Proverbs 5:11		11 And thou mourn at the last, when thy flesh and thy body are consumed, THY FLESH AND THY BODY ARE CONSUMED: After you are dead.
Proverbs 5:12		12 And say, How have I hated instruction, and my heart despised reproof; AND SAY, HOW HAVE I HATED INSTRUCTION, AND MY HEART DESPISED REPROOF: Persisting in doctrine that is contrary to Sonship, (doctrine not taught by your apostle) will ultimately result in your walking away from Sonship. Only after you are dead will you realize that you “hated instruction,” your “heart despised reproof” and you were “in all evil in the midst of the congregation and assembly.” INSTRUCTION: The Sonship education.
Proverbs 5:14		14 I was almost in all evil in the midst of the congregation and assembly. Can be in the midst of an assembly of people and still be caught by the POE in an alternative truth that you Father never gave you but you will claim to desparately defend it to your last breath. When it is over, you are going to say, what in the world did I do? Because it will stop your Sonship life cold in its tracks. Believing these alternative truths is not benign, they have dire consequences. Can't just include with the rest of the good stuff and assume it will all work out - it won't.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 5:22		22 His own iniquities shall take the wicked himself, and he shall be holden with the cords of his sins. If Satan gets a firm enough foothold in a person's life, he can turn an act of sin into a regular practice of sin, and from there it degenerates into a habit which leads that person into bondage (where he is caught in the cords of his own sin).
Proverbs GH: 6?	Exhortations : Level 1, Phase 2, Part 4 - EQUITY	Exhortations for LEVEL 1, Phase 2: Part 4: EQUITY for Israel's Program
Proverbs 6	GH: IPF verse	v16-19: See 7 abominable areas/things that God said He hates in Israel's vain religious system. This term is not used but this thing is already working that way. Ties to the 7 things the believing remnant is supposed to add to their faith. See 2 Peter 1:5-7. v16: SEVEN ARE AN ABOMINATION: These are an expression of their pride. 1. A PROUD LOOK-v17 2. A LYING TONGUE-v17 3. HANDS THAT SHED INNOCENT BLOOD-v17 4. AN HEART THAT DEVISETH WICKED IMAGINATIONS-v18 5. FEET THAT BE SWIFT IN RUNNING TO MISCHIEF-v18 6. A FALSE WITNESS THAT SPEAKETH LIES-v19 7. HE THAT SOWETH DISCORD AMONG BRETHREN-v19
Proverbs 6:9	GH: SLOTHFUL-Romans 12:11 - Hit the snooze button	9 How long wilt thou sleep, O sluggard? when wilt thou arise out of thy sleep? HOW LONG THOU SLEEP O SLUGGARD: Companion passage to Romans 13:11. O SLUGGARD: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.
Proverbs 6:12-19	GH: WoD Teaching	Context: Once God has resumed His program with Israel, and they are in the Lord's Day of Wrath. In other words, the tribulation is underway here. v12: Don't just think about people who are born with a sin nature, or do some things that are sin. v12: NAUGHTY v12: WICKED: They are at the core or at the furnace that are actually powering what Satan is doing to bring about ungodliness in this world. They are the ones that are openly engaged in that. Just as with the believing remnant, they're are going to be those that come in there and try and sew this discord and this false doctrine, GH: just like our church. They will be very subtle about it. They are going to be wolves in sheep's clothing, HIS ENEMY CAME AND SOWED TARES AMONG THE WHEAT-Matthew 13:25. MM says this is for the remnant but you will find there is a parallel issue in which the Sonship assembly to to the place where it's begininng to make an impact in Satan's realm - TARES are going to be sewn amongst the WHEAT and MM says he is looking at the WHEAT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 6:12-19	GH: WoD Teaching	v12: FROWARD MOUTH: Will not do it openly, will do it behind the scenes. Will walk out into that parking lot one day, and someone is going to kind of slide up and make a statement about what this assembly is involved in and try and produce some doubt or to undermine the doctrine. The only way you can identify them is by what comes out of their mouth. We will get there one day and we will have to identify the TARE planted by the enemy. v14: MISCHIEF v14: SOWETH DISCORD v15: Talking about that Wrath that is going to come. v16: SIX THINGS DOTH THE LORD HATE: YEA SEVEN ARE AN ABOMINATION TO HIM: MM says this is written in several different places. This should point you right back to THE UNLAWFUL DEEDS-2 Peter 2:8 OF THE WICKED-2 Peter 2:7. v16: THESE 5IX THINGS THE LORD HATE: YEA, SEVEN ARE AN ABOMINATION UNTO HIM: These are the very things Jesus undoes as He teaches through the Gospel accounts. This is still about the guys that are shoveling the coal to the locomotive engine. 1. v17: A PROUD LOOK
Proverbs 6:12-19	GH: WoD Teaching	2. v17: A LYING TONGUE: Not call in sick when you are not. This is a particular lie that is being told. When he is writing about a lie back there (GH: MM pointing to the interlude of mercy back in Israel's program) he is talking about a lie that is being propagated out here (GH: MM pointing to the post-Blessed Hope time) that they hope that the remnant buys into, because it's going to undo all of the doctrine for them. 3. v17: HANDS THAT SHED INNOCENT BLOOD 4. v18: AN HEART THAT DEVISETH WICKED IMAGINATIONS 5. v18: FEET THAT BE SWIFT IN RUNNING TO MISCHIEF 6. v19: A FALSE WITNESS THAT SPEAKETH LIES: Is not some that says yeah, so-and-so was sick today when they weren't. Talking about something specific to what is being done to undermine the remnant and their resistance to the POE. Cooperating with the POE and telling a particular kind of lie and bearing FALSE WITNESS to a particular kind of lie that is being told. 7. v19: HE THAT SOWETH DISCORD AMONG BRETHREN
Proverbs 6:16-19		16 These six things doth the Lord hate: yea, seven are an abomination unto him: 17 A proud look, a lying tongue, and hands that shed innocent blood, 18 An heart that deviseth wicked imaginations, feet that be swift in running to mischief, 19 A false witness that speaketh lies, and he that soweth discord among brethren. God says there are 7 things that are an abomination to Him.
Proverbs 6:20-8:36	Exhortations : Level 2	LEVEL 2 Exhortations for Israel's Program

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 6:20-35	Exhortations : Level 2, Phase 1	LEVEL 2 Phase 1 Exhortations for Israel's Program
Proverbs 6:20-26		Exhortation that applies to this phase of Level 2. (GH: POE attacks in church - spiritual things pulling you away from Sonship). The allurements and attractions of the POE are going to be raised to a level that the son has never seen before when he gets into LEVEL 2. Remember in LEVEL 1, you were told about the EVIL MAN and the STRANGE WOMAN. Now, you are told about her in more detail because the things she is doing have changed a bit. The son is now going to begin to experience more craftiness, more cunningness, more mischievous activities from the opposition that's against him which is why, before you get out of Ephesians, you are going to be called upon to "put on the whole armour of God."
Proverbs 6:20-23	? Check older versions	20 My son, keep thy father's commandment, and forsake not the law of thy mother: 21 Bind them continually upon thine heart, and tie them about thy neck. 22 When thou goest, it shall lead thee; when thou sleepest, it shall keep thee; and when thou awakest, it shall talk with thee. 23 For the commandment is a lamp; and the law is light; and reproofs of instruction are the way of life: Exhortation v20: See the father-son thing going on. Telling why the education is so important and why he needs to follow this education.
Proverbs 6:24-25		24 To keep thee from the evil woman, from the flattery of the tongue of a strange woman. 25 Lust not after her beauty in thine heart; neither let her take thee with her eyelids. SIMPLE SON doesn't see the POE from the level of beauty. So one-dimensional, he's gullible. It was in Level 2 that the son is told for the first time that the strange woman has a "beauty." v25: LUST NOT AFTER HER BEAUTY: In Level 2, the POE dolls itself up and really goes after the son. It will attempt to become so alluring that the son cannot resist her beauty. This is why Paul talks to Timothy about Satan transforming himself into an angel of light. Exhortation is don't do this, it is a danger to you. POE dresses up, puts on makeup, and goes after the son. POE portrays itself as something that it is not. Coming as something righteous, why it is dangerous. Determine your doctrine from circumstance or Bible and if the former, you are going to go down.
Proverbs 7:1-8:36	Exhortations : Level 2, Phase 2	LEVEL 2 Phase 2 Exhortations for Israel's Program
Proverbs 7:1-5		Exhortation
Proverbs 7:1-3		Exhortation for LEVEL 2, Phase 2 - Israel Program

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 7:1-3	GH: Sonship	1 My son, keep my words, and lay up my commandments with thee. 2 Keep my commandments, and live; and my law as the apple of thine eye. 3 Bind them upon thy fingers, write them upon the table of thine heart. v1: See the father-son thing going on. Telling why the education is so important and why he needs to follow this education. v1: MY COMMANDMENTS: Not the law of Moses, talking about the commandments of a father to a son. These are the things that will add life and bring you to where you are supposed to be. v2: MY COMMANDMENTS...MY LAW: Sound familar to Proverbs 3:1-4. v2: LAW: Not the law of Moses. Law of his father. Things they are teaching their son. v3: BIND THEM UPON THY FINGERS: Similar to Proverbs 3:3 (BIND THEM ABOUT THY NECK). Subtle difference between the two. Binding on thy fingers is a much more intimate way of having that than just hanging that on your neck. BIND it on your fingers when you get subtilty. Now, instead of a basic knowledge of something that you hung on your neck, not it's at the end of your fingers. v3: WRITE THEM UPON THE TABLE OF THINE HEART: You can write on your own heart. David talking to the son (Solomon).
Proverbs 7:4		4 Say unto wisdom, Thou art my sister; and call understanding thy kinswoman: Notice these are natural relationships. If he is not spending time with his SISTER=WISDOM and niece=UNDERSTANDING, he is going to get caught spending time with the STRANGE WOMAN/POE-v5. And if that happens, he is going to get trapped. v4-5 shows an aspect of the POE. Reason the writer here says call WISDOM your SISTER. KINSWOMAN: A relative.
Proverbs 7:5		5 That they may keep thee from the strange woman, from the stranger which flattereth with her words. STRANGE WOMAN FLATTERETH WITH HER WORDS: MM says remember when the POE sends people in here they will be smooth talkers. FLATTERETH: What a wonderful place. Your work in Sonship is so nice. This is a wonderful group of people.
Proverbs 7:7-13		7 And beheld among the simple ones, I discerned among the youths, a young man void of understanding, 8 Passing through the street near her corner; and he went the way to her house, 9 In the twilight, in the evening, in the black and dark night: 10 And, behold, there met him a woman with the attire of an harlot, and subtil of heart. 11 (She is loud and stubborn; her feet abide not in her house: 12 Now is she without, now in the streets, and lieth in wait at every corner.) 13 So she caught him, and kissed him, and with an impudent face said unto him,

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 7:7-13		v10: Talking about the STRANGE WOMAN. Bible defines the POE as very subtle and if you don't have subtilty, you can't see through it. Describes what a woman should NOT do in a local church. Shouldn't teach or have authority over a man - ties to silent subjection. The exact opposite of what an ungodly woman is supposed to look and act like (Proverbs 7:7-13). - Her Attire: v10: THE ATTIRE OF A HARLOT vs. MODEST APPAREL (1 Timothy 2:9) - Her demeanor: v11: SHE IS LOUD AND STUBBORN vs. she is submissive and quiet=SILENCE WTH ALL SUBJECTION (1 Timothy 2:11) - Her expression: v13: IMPUDENT FACE (she is shameless) vs. SHAMEFACEDNESS [the very opposite of impudence (1 Timothy 2:9)
Proverbs 7:7		7 And beheld among the simple ones, I discerned among the youths, a young man void of understanding, SIMPLE ONES: One-dimensional. Gone through that first level (LEVEL 1) of education. Gotten to a place in the education where they have those 4 decision making skills under their belt. The problem is that there is a "void of understanding" in the "simple ones." YOUNG MAN VOID OF UNDERSTANDING: VOID OF UNDERSTANDING: Is not going to realize what he has "bought into" until it is too late.
Proverbs 7:8		8 Passing through the street near her corner; and he went the way to her house, STRANGE WOMAN is introducing an UNnatural relationship. HER CORNER: If you started in v1, you would know this was about the STRANGE WOMAN. AND HE WENT THE WAY TO HER HOUSE: STRANGE WOMAN has a place she abides in. There's a place a location. EVIL MAN or world doesn't have a house or place - it is everywhere. The place is the church. STRANGE WOMAN being pictured as a harlot because as alluring as is the street walker to the flesh is how alluring the POE is to the inner man of a SIMPLE SON or YOUNG MAN. That's the kind of pull the the POE is going to have when it stops utilizing the world and say now it's the pure POE. POE can be successful with a LEVEL 2 son.
Proverbs 7:16-22		He has no idea what is in store for him but you know what, she has all these allurements. Your Father is going to make His Wisdom more alluring than Satan's wisdom, but alluring in a different way. Compares Satan's wisdom to lustful burning for the STRANGE WOMAN. The way you look at His Wisdom, is not the lustful burning way, but like a brother looks like his sister. Especially if he is older. He is thinking, nobody is going to mess with my sister. MM put frogs in her bed and squirted her with the waterhose but no one else was going to mess with you. Like those brothers of the Shulamite woman in Songs of Solomon. Brother looks at his sister and says I am not letting anything happen to her. I am protecting her. She occupies a place with me. What you are taught in these exhortations is that you will either be spending time with your sister or the STRANGE WOMAN, one of the two.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 7:21		21 With her much fair speech she caused him to yield, with the flattering of her lips she forced him. MUCH FAIR SPEECH: MM says do not under-estimate this.MM says they have an agenda behind that because once they get themselves entrenched they are going to come along and get you to yield away from where you are and that's going to be done through flatteries. Will be the very method the Antichrist uses. FAIR SPEECH: What is being used to allure the YOUNG MAN. It's an alternative truth that is being put out with MUCH FAIR SPEECH to make it sound so good / enticing. The “fair speech” of the strange woman is the policy of evil.” It is the fair speech that she causes him to yield. The STRANGE WOMAN is using speech, talk, she's presenting something here. MM wants to cure us so that this FAIR SPEECH is not going to have an effect on us. Ever believe something and then come to find out that wasn't right at all. Got that from the FAIR SPEECH of the POE. Whoever told you didn't mean to do it. They didn't know it but they were victimized by it too. MM says there have been times in his ministry that he passed it on. He wasn't trying to do anything malicious but he was cooperating with what the POE was putting out there.
Proverbs 7:21		21 With her much fair speech she caused him to yield, with the flattering of her lips she forced him. The attractive doctrine of the strange woman is taking you somewhere you cannot imagine, it will accomplish the very opposite you expected and the whole time it is happening you will not know it. The competing wisdom of the strange woman sounds good and it feels good (when it works) to such an extent that you will convince yourself that God is behind it. You will be so convinced, or if I can say it this way, you will have such confidence in it that you will not give it up even though it does not always work. FLATTERING OF HER LIPS: No one is going to come into this assembly and say you guys are doing this all wrong and anybody in here is an idiot. Clinton says they will be will a politician - telling them what they want to hear at first. Then will come the BUT or corner word. EX Someone comes in and they go with the flow and become a part of it, they become a big giver, and then they said this is really good but... Implication they will leave if the church doesn't change. Work of the POE is very subtle and comes to trip you up.
Proverbs 7:22		22 He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks; HE GOETH AFTER HER STRAIGHTWAY: He is following her exactly. AS AN OX GOETH TO THE SLAUGHTER, OR AS A FOLL TO THE CORRECTIOB OF THE STOCKS: He doesn't even know where he's being led. An ox doesn't realize he is going to the slaughter.
Proverbs 7:23		23 Till a dart strike through his liver; as a bird hasteth to the snare, and knoweth not that it is for his life. KNOWETH NOT THAT IT IS FOR HIS LIFE: He has no idea what is at stake here. MM says if you don't identify the alternative truth and treat it for what it is, you are going somewhere you don't realize where you are going until it is over. Won't be until after you are dead that you are going to go back and look and go how foolish was I that threw all this away for this counterfeit truth. If what you are doing you can't locate in the scriptures that belong to you then where it is from? HIS LIFE: Not talking about eternal life, talking about functional life. Talking about his life as a son. That's sanctification, not justification. What the POE is after here is to kill your sanctified life.

Proverbs 8:10-11		10 Receive my instruction, and not silver; and knowledge rather than choice gold. 11 For wisdom is better than rubies; and all the things that may be desired are not to be compared to it. Exhortation for the EDIFICATION. Education and Edification are two sides of the same coin. Why the exhortations use the same kind of terminology (Proverbs 3:13-15 for Education). God is saying here is how I want you to see this (godly) wisdom. He keeps emphasizing this.
Proverbs 8:12		12 I wisdom dwell with prudence, and find out knowledge of witty inventions. Exhortation for Israel's Program - LEVEL 2 - WISDOM talking about DWELLing with PRUDENCE. Ties to WISDOM AND PRUDENCE in Ephesians 1:8. Exhortation for Israel in their Sonship Curriculum - note Wisdom is doing the talking now. Wisdom is talking. DWELL WITH PRUDENCE: PRUDENCE: Is the ability to see the effect of a decision down the road in the future. When you get wisdom and prudence together, then not only can you make a wise decision, but you know how it's going to turn out in the long run as well. Why they have to go together. Can have wisdom and not have prudence.
Proverbs 8:13	GH: Ungodly Thinking - Pride = PRIDE, AND ARROGANCY	13 The fear of the Lord is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate. Exhortation for Israel. PRIDE, AND ARROGANCY: MM tying back to Romans 12:3. DO I HATE: To know WHY God hates pride so much you have to know what God thinks about pride.
Proverbs 8:18		18 Riches and honour are with me; yea, durable riches and righteousness. This is wisdom talking here.
Proverbs 8:20		20 I lead in the way of righteousness, in the midst of the paths of judgment: There's the ways and paths again.
Proverbs 8:21		21 That I may cause those that love me to inherit substance; and I will fill their treasures. CAUSE THOSE THAT LOVE ME TO INHERIT SUBSTANCE: Recall in Romans 8 the inheritances - heirs of God and joint-heir inheritance. MM says when you get out to those heavenly places, there really is something to inherit out there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 8:22-31		It turns out that WISDOM was possessed by God before He ever began to create. So, by His wisdom, God determined some things before even the creation. Even the creation is according to God's Wisdom. v22: HIS WORKS OF OLD: Are His Creation. v23: God formulated this Wise Plan before He ever created the earth. v27: SET A COMPASS: Is part of building construction terminology. Will see in Job that God positioned the earth within His creation in an exact spot. He also made it the exact size He wanted it. Everything was planned out before it was ever done. MM says you could look at wisdom as a blueprint. When a builder gets ready to build, they have a blueprint. Whatever I am doing now has to meet these specifications. God had a blueprint called wisdom. v30: AS ONE BROUGHT UP WITH HIM: Get the impression of 2 kids in the same family growing up together and experiencing all of these things together. The idea is God formulated His Wisdom way back there so when things begin to happen, this was already a settled issue.
Proverbs 9		This chapter in Proverbs intends to make you aware of things that will be done to specifically stop that process of passing this education along to the next group.
Proverbs 9	GH: IPF verse	God talks about a personification of wisdom, as though wisdom were a woman. See the pronoun SHE. Talks about wisdom doing specific things. Wisdom will be building a house with 'seven pillars'-v1. The remnant is going to learn these seven pillars. Related to the 7 things the remnant is supposed to add to their faith. See 2 Peter 1:5-7. Will cause them to stand in stark contrast with the vain religious system and they will be abiding by the 7 pillars of the house that wisdom is building. They will be invited by wisdom to come into that house. And by abiding by those 7 pillars, they will live unto God. v1: WISDOM HATH BUILDED HER HOUSE, SHE HATH HEWN OUT HER SEVEN PILLARS: God's wisdom builds a house with seven pillars. Those 7 pillars stand in contrast to Israel's vain religious system. If the remnant lives according to these pillars, they will live unto God. v1: SEVEN PILLARS: These are the things Peter is talking about in the 7 things that need to be added to their faith - 2 Peter 1:5-7, which stand in opposition to the vain religious system. v3: SHE HATH SET FORTH HER MAIDENS: This is the apostles. Wisdom sending forth 'her maidens' is the Lord and His corrective doctrine sending out His apostles to continue that after His death, burial, and resurrection. v6: FORSAKE THE FOOLISH, AND LIVE: v6: GO IN THE WAY OF UNDERSTANDING:
Proverbs 9:1-17	Exhortations : Level 3	LEVEL 3 Exhortations for Israel's program
Proverbs 9:1-6		Maps to MAN OF UNDERSTANDING exhortation for the Sonship curriculum

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 9:1		1 Wisdom hath builded her house, she hath hewn out her seven pillars: Wisdom is doing the talking. None of this is said for no reason but there's some things here MM is not sure he can accurately identify. Because this is LEVEL 3 material, MM is reserving the right to come back and put an addendum on this, or throw away altogether and replace it. Because it's a proverb, you are not supposed to think there is a physical house somewhere. Supposed to see beyond what is obvious. PILLARS: MM not sure he has this nailed down. Maybe he isn't supposed to get this yet. Representing 7 aspects of godly wisdom. 7 parts of the curriculum that produce wisdom-past tense since this is a LEVEL 3 son: 1. Wisdom 2. Justice 3. Judgment 4. Equity 5. Subtilty 6. Knowledge 7. Discretion If Wisdom's house is knowledge and that knowledge is supported by SEVEN PILLARS, representing 7 aspects of godly wisdom. 7 parts of the curriculum that produce wisdom. If you are going to be a LEVEL 3 son, you have to have all of these. Written from the standpoint of a LEVEL 3 son looking back at those 7 things because it is all PAST TENSE.
Proverbs 9:9		9 Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning. Part of the LEVEL 3 exhortations for Israel's program. INCREASE IN LEARNING: MM says notice the preposition IN is in there (GH: opposed to Proverbs 1:5 - INCREASE LEARNING). Get the impression that this guy is going to learn something. Referring to the increased learning that a wise man will receive in order to become a man of understanding.
Proverbs 9:13		13 A foolish woman is clamorous: she is simple, and knoweth nothing. FOOLISH WOMAN: Is the STRANGE WOMAN.
Proverbs 9:16		16 Whoso is simple, let him turn in hither: and as for him that wanteth understanding, she saith to him, Notice the FOOLISH/STRANGE WOMAN is using the exact same phrase that wisdom used in Proverbs 9:4. Different woman than earlier in the chapter. This is the STRANGE WOMAN and she is trying to emulate wisdom and give you a counterfeit wisdom. What will happen to a LEVEL 3 son as the POE tries to keep you from passing on the education to another son. POE in LEVEL 3 is not geared to make you quit your Sonship, geared to make you not teach that to other sons/don't pass that down.
Proverbs 9:17		17 Stolen waters are sweet, and bread eaten in secret is pleasant. Bit of a change from Proverbs 9:5. All the elements are still there. Still bread. Still something to eat. Still something to drink. Just changed it a bit. The subtle change engaged by the POE as it gets ready now to deceive the simple.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 9:18		18 But he knoweth not that the dead are there; and that her guests are in the depths of hell. HE KNOWETH NOT: This person is totally fooled by the POE at this point.
Proverbs 10:1-29:27	Doctrine : Israel Program	Doctrine for Israel/Israel's program. Not for us. We are doing something different so our doctrine is different. Follows the same order as the table of contents. - Interspersed with exhortations.
Proverbs 10-19	Doctrine : Israel Program : Level 1	LEVEL 1 Doctrine for the Israel's Program
Proverbs 10:1		1 The proverbs of Solomon. A wise son maketh a glad father: but a foolish son is the heaviness of his mother. It's not the father talking anymore, it's the son.
Proverbs 10:20		20 The tongue of the just is as choice silver: the heart of the wicked is little worth. Showing you a comparison to give you the value of it.
Proverbs 11:14		14 Where no counsel is, the people fall: but in the multitude of counsellors there is safety. IN THE MULTITUDE OF COUNSELLORS THERE IS SAFETY: We want to go to some godly, spiritual people and ask them what they think.
Proverbs 12:10	GH: Care for animals	10 A righteous man regardeth the life of his beast: but the tender mercies of the wicked are cruel.
Proverbs 12:18		18 There is that speaketh like the piercings of a sword: but the tongue of the wise is health. THE TONGUE OF THE WISE IS HEALTH: Let our talk be constructive talk that builds others up. Let your praise to criticism ratio be 10 praises to every 1 criticism. Do this with your children, your spouse, your friends, your business associates, your schoolmates, your parents; everyone.
Proverbs 12:24	GH: SLOTHFUL-Romans 12:11 - Be poor at your work and never improve	24 The hand of the diligent shall bear rule: but the slothful shall be under tribute. A wise SLOTH does just enough work to keep from getting fired. THE SLOTHFUL SHALL BE UNDER TRIBUTE: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.
Proverbs 13:4		4 The soul of the sluggard desireth, and hath nothing: but the soul of the diligent shall be made fat. THE SLUGGARD DESIRETH, AND HATH NOTHING: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 15:19	GH: SLOTHFUL- Romans 12:11 - Don't have any goals	19 The way of the slothful man is as an hedge of thorns: but the way of the righteous is made plain. THE WAY OF THE SLOTHFUL MAN: No way to go.
Proverbs 16:25		25 There is a way that seemeth right unto a man, but the end thereof are the ways of death. The evil man and the strange woman have different paths they want you to pursue and they want you to walk in a way that is contrary to your heavenly Father's way. The curriculum contains everything you need in order to stay on the right paths and not be fooled. This is all connected to Sonship prayer and the searching of the heart. This also has to do with your infirmities and the intercession of the Spirit for you to the Father. To know about a GOOD PATH and a RIGHT WAY, you are going to have to know Sonship prayer / the searching of the heart.
Proverbs 16:31	GH: GLORY Definition	31 The hoary head is a crown of glory, if it be found in the way of righteousness. HOARY: GH: Gray-White **A CROWN OF GLORY: Glory sometimes refers to the long life of the righteous.**
Proverbs 17:2		2 A wise servant shall have rule over a son that causeth shame, and shall have part of the inheritance among the brethren. This is in Israel's doctrinal section - we didn't spend any time on this. Their doctrine is their doctrine. Ours is different. SON THAT CAUSETH SHAME: Would be a son who is not qualified or equipped to labor in the Father's Business. Not only will an uneducated son be "ruled over" by a faithful son, but neither will he have "part of the inheritance among the brethren." Two things stand out: 1. There's a son that causes shame...Someone is going to rule over them - will be under the structure of authority 2. (WISE SERVANT) shall have part of the (GH: JHI) inheritance among the brethren WISE SERVANT: WISE MAN SON THAT CAUSETH SHAME: A son who is foolish, who DESPISETH WISDOM AND INSTRUCTION. Looked at Sonship and said, eh, no big deal or a son that lived his whole life contrary to Sonship, not even knowing it was there. They will be supervised by those that are in positions of authority to do whatever they can do.
Proverbs 17:11		11 An evil man seeketh only rebellion: therefore a cruel messenger shall be sent against him. EVIL MAN
Proverbs 17:15	JUSTIFICATION #4: Justification by human judges	15 He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the Lord. JUSTIFICATION #4: Justification by human judges. (Deals with civil and criminal matters within Israel) Dealing with a contrary action in the rulership of Israel, and their false judgments. JUSTIFIETH THE WICKED

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 18:9	GH: SLOTHFUL-Romans 12:11 - Do only the minimum	9 He also that is slothful in his work is brother to him that is a great waster. SLOTHFUL IN HIS WORK: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.
Proverbs 19:3		3 The foolishness of man perverteth his way: and his heart fretteth against the Lord. Man blames God for the bad things which are actually man's fault. THE FOOLISH IF MAN PREVERTETH HIS WAY: Man does stupid stuff. AND HIS HEART FRETTETH AGAINST THE LORD: And he blames God.
Proverbs 19:11	GH: GLORY Definition	11 The discretion of a man deferreth his anger; and it is his glory to pass over a transgression. **HIS GLORY: There is a glory which has to do with aspects of human character, such as overlooking the faults of others.**
Proverbs 19:15	GH: SLOTHFUL-Romans 12:11 - Hit the snooze button	15 Slothfulness casteth into a deep sleep; and an idle soul shall suffer hunger. SLOTHFULNESS CASTEST INTO A DEEP SLEEP: : Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS. AN IDLE SOUL SHALL SUFFER HUNGER
Proverbs 19:17		17 He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again. MM says he has heard this quoted in the DOGG more times than he can count. When someone in the Day of Wrath comes along and helps the remnant by means of food or clothing or money or whatever, the Lord will repay that GH: in the Kingdom when blessings flow out to Gentiles. Will be repaid multiplied. HE THAT HATH PITY UPON THE POOR LENDETH UNTO THE LORD: About helping the remnant in the Day of Wrath who can't help themselves.
Proverbs 19:27-29		27 Cease, my son, to hear the instruction that causeth to err from the words of knowledge. 28 An ungodly witness scorneth judgment: and the mouth of the wicked devoureth iniquity. 29 Judgments are prepared for scorners, and stripes for the back of fools. CEASE, MY SON, TO HEAR THE INSTRUCTION THAT CAUSETH TO ERR FROM THE WORDS OF KNOWLEDGE The fools now change and the fools attempt to get the son to throw in with them and to get him to cease hearing the words of the Father and to hear the instruction that causeth to err from the words of knowledge. If a son gets affected by the fool, then he becomes one of those fools himself. The fools, from chapter 20 on, are primarily sons who have gotten victimized by that aspect of the policy of evil! It is those fools who actually end up being a 'thorn in the flesh' to the sons who go on. The son is warned to turn away his ears from the foolish and unlearned questions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 19:27-29		27 Cease, my son, to hear the instruction that causeth to err from the words of knowledge. 28 An ungodly witness scorneth judgment: and the mouth of the wicked devoureth iniquity. 29 Judgments are prepared for scorners, and stripes for the back of fools. v27: There is going to be someone in their program that's going to come in there and they are going to have some instruction and it is meant to turn him away from what he is really supposed to be hearing. Warning against a particular type of fools that is going to come in here that's going to give instruction to try to get you away and you need to understand that. MM says just because the Bible calls them a fool doesn't mean when they come to the door you think they are stupid. You might think they are smart. They might have a high IQ. But the Bible labels them a fool. That doesn't have anything to do with their mental capacity. Get the idea that if the Bible labels someone evil, if we ever spent time with them, they would be spewing out obscenities and pushing people in front of traffic. They are pleasant to speak with and have social skills and it surprises people. Bible is not talking about that. They may have a wonderful personality (GH: and still be evil). God just knows they are ungodly and stand for everything that He's against. At the end of chapter 19, the fools now change and the fools attempt to get the son to throw in with them and to get him to cease hearing the words of the Father and to hear the instruction that causeth to err from the words of knowledge.
Proverbs 20-24	Doctrine : Israel Program : Level 2	LEVEL 2 Doctrine for the Israel's Program If a son gets affected by the fool, then he becomes one of those fools himself. The fools, from chapter 20 on, are primarily sons who have gotten victimized by that aspect of the policy of evil! It is those fools who actually end up being a 'thorn in the flesh' to the sons who go on. The type of fool is going to be different than what you have encountered before. Called 'self-opposers'. Someone who started in Sonship and at some point they got victimized by the POE. Maybe early on in SE and the commitments to the education (1. HA 2. IL 3. THEE TP) or the edification. Faced with before you get out of Romans 8. If you fail, you can't go any further and will drop out. And when they do now, what they're going to do is have multiple lines to use: - Ties to 2 Timothy 2:25 - Used to be part of Sonship, got victimized by the POE and is now a mouthpiece for the POE. MM says you can tell why this is a more dangerous fool. - The very thing you were designed to do is what you are actively working against. - 'I tried that Sonship. That doesn't work'. Real problem is not that godly edifying doesn't work. The problem is somewhere they either had a gap in their understanding/they couldn't make the connection and they thought it wasn't working. MM can say with confidence the failure is not on God's part, not on the curriculum's part. You may suffer because MM is your teacher or you never asked a question on the curriculum on something that was haunting you. Biggest/Most dangerous critic won't be someone who has never attended or tried Sonship. It will be someone you tried and was victimized.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 20:27		27 The spirit of man is the candle of the Lord, searching all the inward parts of the belly. Our spirit can be compared to the physical eye, serving the soul as a “light,” or “lamp.” Use a candle to give you light so you can see. It is your spirit that God uses to search your heart. God uses your spirit to light you up like a candle and say here is what's going on with you. God can know that because He has the Power to do that. SPIRIT: Small case 's'. Your spirit is called a candle and God has constructed it to operate just that way. CANDLE: Gives light. Your spirit is a light to look inside and see what is there. If your spirit is a candle and God has constructed your spirit to operate just that way, what He is going to do with that candle is He is going to do some searching. INWARD PARTS OF YOUR BELLY: Not really talking about your belly, this is a reference to your INNER MAN.
Proverbs 20:29	GH: GLORY Definition	29 The glory of young men is their strength: and the beauty of old men is the grey head. **THE GLORY OF YOUNG MEN IS THEIR STRENGTH: Glory can also refer to physical strength or endurance.**
Proverbs 21:25	GH: SLOTHFUL-Romans 12:11 - Do only the minimum	25 The desire of the slothful killeth him; for his hands refuse to labour. HIS HANDS REFUSE TO LABOR: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.
Proverbs 22:1-4		1 A good name is rather to be chosen than great riches, and loving favour rather than silver and gold. 2 The rich and poor meet together: the Lord is the maker of them all. 3 A prudent man foreseeth the evil, and hideth himself: but the simple pass on, and are punished. 4 By humility and the fear of the Lord are riches, and honour, and life. In Israel's LEVEL 2, PHASE 2 education. For a member of the remnant, for the little flock out in the tribulation. v1: GOOD NAME: That's their/his reputation. Isn't talking about just having a good name at the bank because you make all your payments on time. The “good name” for us is not so much about just having a good earthly reputation, but a good name in our Father’s Business. The reason that Proverbs 22 talks about a good name is rather to be chosen that “great riches” is because of one of the allurements of the POE. v1: LOVING FAVOUR RATHER THAN SILVER AND GOLD: What the world will offer them. They are going to be dirt poor, everything's going to be stripped away from them. They can come back and they can enjoy some wealth and prosperity and be comfortable again. POINT: See how the education follows the same pattern in both programs. Doctrine is going to make it different for us and the place of impact is very different, but MM looks at this and thinks it is remarkable.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 22:7		7 The rich ruleth over the poor, and the borrower is servant to the lender. A principle that has always been true in every dispensation. BORROWER IS SERVANT TO THE LENDER: Fail to make payments on house or car and bank takes it over. In indentured servants, but still have to figure a way to pay our debts. In our day, when we use credit to make purchases, we have made ourselves "servant to the lender." They either own your car or house or whatever until it is paid off. If it is money you borrowed and there is no collateral to make up for your default, then you could end up being put in jail. Servant is bad enough, but prisoner is worse.
Proverbs 22:13	GH: SLOTHFUL-Romans 12:11 - Make great excuses	13 The slothful man saith, There is a lion without, I shall be slain in the streets. MM says out in west Texas, we don't have lions, but you have coyotes. Could say I was coming to work but went outside and there were a bunch of coyotes and I couldn't get to the car to come to work. I SHALL BE SLAIN IN THE STREETS: I can't make it into work today. You want me to get eaten by a lion? SLOUTHFUL example (Romans 12:11).
Proverbs 22:24-25	GH: Discretion	24 Make no friendship with an angry man; and with a furious man thou shalt not go: 25 Lest thou learn his ways, and get a snare to thy soul. Learn in DISCRETION who you hang out with has an impact on your reputation. When you are in Level 2 of your Sonship Education, there is another aspect of the EVIL MAN concept; the ANGRY MAN. This also is one of those attempts to get the son to ruin his reputation, this time by those whom the son associates with. POE wants you to hang out with an ANGRY MAN because you will pick something up from him. Will have an impact on how you are perceieved, even with angels. EX Spend time with people you don't normally spend time with and you pick up phrases or things that you automatically pick up and start integration into that. Thinking changed little by little.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 22:1-6		1 When thou sittest to eat with a ruler, consider diligently what is before thee: 2 And put a knife to thy throat, if thou be a man given to appetite. 3 Be not desirous of his dainties: for they are deceitful meat. 4 Labour not to be rich: cease from thine own wisdom. 5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven. 6 Eat thou not the bread of him that hath an evil eye, neither desire thou his dainty meats: LEVEL 2 doctrine that applies to Israel's Program. Think about the position you are going to be in out here in the Day of Wrath. They're going to be poor, they're going to lose everything, they can't buy or sell without the mark, and now you know we got a ruler someone, someone with authority to make things different, bringing them in and saying look, let's sit down here. Let's have a meal together and let me make you offer. If you will come out of that rebellious remnant, the AntiChrist will look a look like the Messiah. He put down our enemies, 3 nations, helped us rebuild our temple, we've started the sacrificial system, this is the religion of your father's Abraham, Isaac, and Jacob. Come back and we can change your lot in life. v1: CONSIDER DILIGENTLY: What attribute are you being asked to employ? Discretion! In LEVEL 2. Have to see below the surface.
Proverbs 22:1-6		1 When thou sittest to eat with a ruler, consider diligently what is before thee: 2 And put a knife to thy throat, if thou be a man given to appetite. 3 Be not desirous of his dainties: for they are deceitful meat. 4 Labour not to be rich: cease from thine own wisdom. 5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven. 6 Eat thou not the bread of him that hath an evil eye, neither desire thou his dainty meats: v3: BE NOT DESIROUS OF HIS DAINTIES: Says to “be not desirous” of the foods which are put before you. v6: For the remnant, who they sit down and have a meal/eat and drink with is going to impact/have a bearing on their reputation. Sitting down and having the meal would be an INDISCRETION. A man of position and power (ruler) is going to offer a meal and the remnant is warned not to partake of it – and their hunger is not the issue. He is going to offer you something that is very attractive and will take the pressure off of you but you need to understand - remember was was told you in Proverbs 22:1 - choose a GOOD NAME rather than RICHES. For us, in the this DOGG, who we eat with has a bearing on our name and our reputation in the heavenly places.
Proverbs 23:7	GH: Interdispensational Principle	7 For as he thinketh in his heart, so is he: Eat and drink, saith he to thee; but his heart is not with thee. What goes on in our hearts (in both programs) is an indicator of who we are. You see, the “thinking” issue is at work in both programs. We know who we are; sons of God who are supposed to live godly in this present evil world.

Proverbs 23:15-16		15 My son, if thine heart be wise, my heart shall rejoice, even mine. 16 Yea, my reins shall rejoice, when thy lips speak right things. v16: WHEN THY LIPS SPEAK RIGHT THINGS: How you know what you have said is understood what you have said to them? The answer is when their lips speak the right things. When they can tell you this, you have just done a searching of the heart. Even an earthly father can do this. Why it is not by God's omnis He is doing what an earthy father can do.
Proverbs 23:27		27 For a whore is a deep ditch; and a strange woman is a narrow pit. STRANGE WOMAN
Proverbs 24:1		1 Be not thou envious against evil men, neither desire to be with them. EVIL MEN/MAN
Proverbs 24:29		29 Say not, I will do so to him as he hath done to me: I will render to the man according to his work. SAY NOT, I WILL DO SO TO HIM: Personal injustice
Proverbs 25-29	Doctrine : Israel Program : Level 3	LEVEL 3 Doctrine for the Israel's Program These chapters assist the Father in imparting to the son the experience aspect to the curriculum (both educational-wise, and opposition-wise) that brings about the attainment unto the wise counsels that finishes off the son's edification. Deal with the EXPERIENCE end or the WISE COUNSELS end of that. The information contained in Proverbs 25-29 that the Father is going to utilize in connection with giving His son counsel and wisdom into the experience aspect of it. The son will need that experience in order to "attain unto wise counsels."
Proverbs 25:1-7		The experience of kings and princes
Proverbs 25:1-5		1 These are also proverbs of Solomon, which the men of Hezekiah king of Judah copied out. 2 It is the glory of God to conceal a thing: but the honour of kings is to search out a matter. 3 The heaven for height, and the earth for depth, and the heart of kings is unsearchable. 4 Take away the dross from the silver, and there shall come forth a vessel for the finer. 5 Take away the wicked from before the king, and his throne shall be established in righteousness. Start of LEVEL 3 of Israel's program. MM asks why would you need to stop in the middle of a bunch of Proverbs and say THESE ARE ALSO PROVERBS OF SOLOMON? You have been doing Proverbs for 14 chapters. Never said that from Proverbs 10-24, just went from 1 proverb to another. He is making a statement that these Proverbs need to be set apart from the ones before them. The very fact he would tell you this indicates there is something different with the Proverbs that start in Proverbs 25. Makes the division between LEVEL 2 and LEVEL 3. Don't find this division between LEVEL 1 and LEVEL 2 because that is all part of the education as a son. Marks these proverbs off as different when it starts the education as a father. v3: THE HEAVEN FOR HEIGHT, AND THE EARTH FOR DEPTH: Bible is identifying a HEIGHT and a DEPTH that has to do with the heaven and the earth.

Proverbs 25:21-22		21 If thine enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink: 22 For thou shalt heap coals of fire upon his head, and the Lord shall reward thee. Quoted by Paul in the "justice" section - Romans 12:20 CONTEXT: Someone is being given the truth and the opportunity to receive that truth OR reject that truth, and they are rejecting it. Paul quotes this verse in Romans. The verse is not saying what you have been taught, that this will tear them up or you will even the score or getting back at him. MM says this is not what this expression is about at all. This is an expression that has nothing to do with getting even. v22: HEAP COALS OF FIRE UPON HIS HEAD: An expression used for softening up something that is hard so whatever the truth they are being faced with, they will be receptive to. Process to heat something up and make it more pliable, more workable. Not about you getting even, it is about making them receive the Truth. v21: ENEMY: People think in the context of someone trying to kill you. Not what that's about. They are opposing the truth that you are putting forth and you are trying to get them to a place where they will receive the truth and that's got to be softened up. Only done through heat. Presenting the truth in a way that will allow them to perceive the truth.
Proverbs 25:27	GH: GLORY Definition	27 It is not good to eat much honey: so for men to search their own glory is not glory. **TO SEARCH THEIR OWN GLORY: The word "glory" is also used to describe the pride of those who are living contrary to God. Again a pride issue.**
Proverbs 26:4-5	Israel Program : Sonship Level 3	4 Answer not a fool according to his folly, lest thou also be like unto him. 5 Answer a fool according to his folly, lest he be wise in his own conceit. Is a good example of the kind of experience, discernment and perception that a son attains unto. MAN OF UNDERSTANDING has developed a real, critical, perceptiveness in connection with the motives behind QUESTIONS that are put to him. Ties to Proverbs 19:27-29 and 2 Timothy 2:23. 5 kinds of fools - 3 kinds you help - 2 kinds you do not - they have an agenda at work Two verses of doctrine for a Level 3 son GH: for Israel/Israel's Program. Toward the end of their curriculum.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 26:4-5	Israel Program : Sonship Level 3 / Interdispensational Principle	4 Answer not a fool according to his folly, lest thou also be like unto him. 5 Answer a fool according to his folly, lest he be wise in his own conceit. v4: ANSWER NOT A FOOL ACCORDING TO HIS FOLLY v5: ANSWER A FOOL ACCORDING TO HIS FOLLY v5: WISE IN HIS OWN CONCEIT: GH: Transdispensational principle - BE NOT WISE IN YOUR OWN CONCEIT-Romans 11:25 and Romans 12:16. The commonality with v12 and v16 is the FOOL. You do not want to be a FOOL in your Father's eyes. MM pre-Sonship - there are different kinds of fools. Some you answer and some you don't. Sonship teaches you hot to discern what those are. Sometimes, when you encounter a fool, you will know when to answer him and when not to answer him. Will be able to discern between the two. If you ask them, what kind of fool are you, MM laughs that's not really the way to find that out. MM says scholars love to pull v4-5 out and say look how confusing the Bible is. It makes no sense. Or it's a mistake. Not a mistake in the Bible - there are five types of fools. Two types you do give an answer to, and three types you do not.
Proverbs 26:4-5	Israel Program : Sonship Level 3 / Interdispensational Principle	4 Answer not a fool according to his folly, lest thou also be like unto him. 5 Answer a fool according to his folly, lest he be wise in his own conceit. NUTSHELL: LEVEL 3 son can tell if they are a FOOL that needs to be answered because they are honestly looking for an answer (v5) OR as they the kind of FOOL that is not looking for an answer, they're just looking to paint you in a bad light (v4). LEVEL 3 son has the ability to know that. Goes even further - sometimes you'll get a question or challenge from someone and you'll be able to discern some honesty of heart in them and then you give them an answer. Will know TO answer and HOW TO answer them to draw on that honesty of heart. Jesus was great at doing this. When He was asked questions, did you ever notice that sometimes He would answer the question and other times He ignored the question and would not answer it? He was operating out of the wisdom that is being described here in Proverbs 26:4-5. By the time a son gets to this point, the son is now able to totally defend everything about his Father’s Business. He can defend every business decision. He can deal with all the challenges that comes against him and his Father’s Business. He’s able to “read” others just by what comes out of their mouth, by the kind of questions he asks them and by the probing he does with them. A man of understanding has the skill to know when someone is trying to provoke him to anger with questions. Fools need to be answered differently, depending upon what comes out of their mouth.
Proverbs 26:4-5	Israel Program : Sonship Level 3 / Interdispensational Principle	4 Answer not a fool according to his folly, lest thou also be like unto him. 5 Answer a fool according to his folly, lest he be wise in his own conceit. Learned in LEVEL 3, this experience issue. You become experienced enough that you begin now to discern it. MM couldn't have explained these verses before Sonship. Before, he saw 5 types of FOOLS in Proverbs. 3 of those you don't answer and 2 of those you do. Thinks this is still the case but not sure. With Sonship, he doesn't know if it is so much about classifying somebody into 1 of those categories as it is having wisdom that tells you this is a person that I am not going to answer because they are just going to drag me into the mud. A FOOL could be a legitimate member of the remnant or of the Body of Christ. Not talking about a member of the apostate nation - what else would you expect from them. Jesus was great at doing this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 26:12		12 Seest thou a man wise in his own conceit? there is more hope of a fool than of him. WISE IN HIS OWN CONCEIT: GH: Transdispensational principle - BE NOT WISE IN YOUR OWN CONCEIT-Romans 11:25 and Romans 12:16. The commonality with v5 and v16 is the FOOL. You do not want to be a FOOL in your Father's eyes.
Proverbs 26:13	GH: SLOTHFUL-Romans 12:11 - Make great excuses	13 The slothful man saith, There is a lion in the way; a lion is in the streets. I heard there was a lion in the streets. I am not getting killed for this job. A LION IS IN THE STREETS: I can't make it into work today. You want me to get eaten by a lion? SLOUTHFUL example (Romans 12:11).
Proverbs 26:14	GH: SLOTHFUL-Romans 12:11 - Hit the snooze button	14 As the door turneth upon his hinges, so doth the slothful upon his bed. DOOR: A DOOR opens and shuts but it doesn't go anywhere. It looks like things are happening but they are not. THE SLOTHFUL UPON HIS BED: Paul in Romans 12:11-NOT SLOTHFUL IN BUSINESS.
Proverbs 26:16	GH: SLOTHFUL-Romans 12:11 - Complain about everything	16 The sluggard is wiser in his own conceit than seven men that can render a reason. WISER IN HIS OWN CONCEIT: GH: Transdispensational principle - BE NOT WISE IN YOUR OWN CONCEIT-Romans 11:25 and Romans 12:16. The commonality with v5 and v12 is the FOOL. You do not want to be a FOOL in your Father's eyes. Tip: Focus on the things you love about your job, not the things you hate about your job. THAN SEVEN MEN THAT CAN RENDER A REASON
Proverbs 28:11		11 The rich man is wise in his own conceit; but the poor that hath understanding searcheth him out. A man may be poor (low estate) and yet wise. A man may be rich (high estate) and yet be foolish. A poor but wise man can discover (and expose) the rich and self-conceited. MM says that it is not a matter of rich or poor, it is having this wisdom installed in your inner man. GH: Romans 12:16-BE NOT WISE IN YOUR OWN CONCEITS
Proverbs 29:6		6 In the transgression of an evil man there is a snare: but the righteous doth sing and rejoice. EVIL MAN
Proverbs 29:24		24 Whoso is partner with a thief hateth his own soul: he heareth cursing, and bewrayeth it not. They (Pharisees) partnered with thieves.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 30-31		Told in both chapters what's following is prophecy. Not written by David and Solomon. MM says they read these but don't know what it is either. DARK SAYINGS-Proverbs 1:6 are Proverbs 30-31 out of Israel's program based on their doctrine. MM says God sets this up so beautifully. He takes all the supposed wisdom that man has and He removes it and the only people that have any knowledge are sons, especially those that have reached the MAN OF UNDERSTANDING. MM says that you can read the words. You can know what the words mean. But because it is a Proverb, you know that it's not about what's obvious, it about what's under what's obvious. EX POE is called the STRANGE WOMAN. It's not talking about a specific woman that is going to walk through the back door. Talking about things we flat cannot understand. To be a MAN OF UNDERSTANDING in the Day of Wrath is a great person to be, but there's a price to pay for that. If you are the Antichrist, who are you after? MAN OF UNDERSTANDING - Bible tells you this - Daniel 11:32-33. There's a genius of God in doing this the way He does. The apostate nation is going to be in the dark as much as prophecy teachers are today – when they talk about a revived Roman Empire or that China is the "kings of the east" and other such nonsense. But while the whole world is flailing around in ignorance, the remnant is going to be, almost secretly, clued in on what is really happening along with all the inside information. The amazing part is that all this inside information was sitting the Bible the whole time!
Proverbs 30-31		These two chapters contain some things that will never be understood until some members of the remnant, having progressed through their Sonship education to the place of being "men of understanding" who have 'attained unto wise counsels' come along and understand what is written here and what it all means. And until then, this is a sealed portion of scripture. Some commentaries will say that king Lemuel is another name for Solomon. That may or may not be true, but even if it is, it doesn't change the fact that this information is prophecy and God wants you to view this differently because He doesn't say these are the words of Solomon. If it is Solomon, then God purposely uses another title for Solomon so that you, at least, see it in a different light. Prophecy for out in the future: Prophecies that are sealed until some men and women of understanding open them up out in the future day of the LORD'S wrath.
Proverbs 30:1-3		1 The words of Agur the son of Jakeh, even the prophecy: the man spake unto Ithiel, even unto Ithiel and Ucal, 2 Surely I am more brutish than any man, and have not the understanding of a man. 3 I neither learned wisdom, nor have the knowledge of the holy. v2: HAVE NOT THE UNDERSTANDING OF A MAN: MM says that's another way of saying 'I'm not a MAN OF UNDERSTANDING'. Three things you know. 1. Know David and Solomon didn't write this. 2. Know the one that writes it doesn't have any understanding of this. 3. Know this is a prophecy waiting for someone out here in the Day of Wrath.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 30:1-3		1 The words of Agur the son of Jakeh, even the prophecy: the man spake unto Ithiel, even unto Ithiel and Ucal, 2 Surely I am more brutish than any man, and have not the understanding of a man. 3 I neither learned wisdom, nor have the knowledge of the holy. There are several important things given in those first 3 verses that tell us a lot about this chapter. 1) These are not the words of David or Solomon 2) The one who writes it (Agur) puts a disclaimer on his own intelligence whereby he admits that he's not a man of understanding, he's not a guy that understands what he's writing at all, that God gave him this information, and he's only wise in the sense that God gave him some information to write down, but he doesn't naturally get this at all. MM says he is saying that he doesn't understand what he is writing. In a Sonship sense, he is not a MAN OF UNDERSTANDING. 3) This information is all PROPHECY! (v1) - MM says these prophecies are out there in the tribulation in the Day of Wrath.
Proverbs 30:10-14		10 Accuse not a servant unto his master, lest he curse thee, and thou be found guilty. 11 There is a generation that curseth their father, and doth not bless their mother. 12 There is a generation that are pure in their own eyes, and yet is not washed from their filthiness. 13 There is a generation, O how lofty are their eyes! and their eyelids are lifted up. 14 There is a generation, whose teeth are as swords, and their jaw teeth as knives, to devour the poor from off the earth, and the needy from among men. The "generation" in view is the one who opposed Christ. We can all see this part of the prophecy as we have the advantage of that having already taken place. v11: Jesus preaches in Matthew 15:6
Proverbs 30:10-14		10 Accuse not a servant unto his master, lest he curse thee, and thou be found guilty. 11 There is a generation that curseth their father, and doth not bless their mother. 12 There is a generation that are pure in their own eyes, and yet is not washed from their filthiness. 13 There is a generation, O how lofty are their eyes! and their eyelids are lifted up. 14 There is a generation, whose teeth are as swords, and their jaw teeth as knives, to devour the poor from off the earth, and the needy from among men. v11: THERE IS A GENERATION THAT CURSETH THEIR FATHER, AND DOTH NOT BLESS THEIR MOTHER: The "generation" here is referring to the people of the apostate nation that ended up crucifying Jesus. But the generation did not stop there. When we read GENERATION, we see it in a particular way. Used 4x. Because of some things that get said in the gospels, this is a description of a generation that is present during the earthly ministry of Jesus. It doesn't stop there. That generation gets interupted and it takes up again in the Tribulation. v11: Jesus told them to honour thy father and thy mother in Matthew 15:6. He talks about a little thing they did in which they actually avoiged the commandment to honour their father and mother and could remain blameless.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 30:10-14		Context: Son taking care of his older father and mother. He knows they have wealth, property, etc. He knows he's got to take care of them. He can either spend that on taking care, by honoring his father and mother OR he can try and keep that for himself. But he knows if he does that he violates the commandment. Honoring your mother and father isn't just I really love my mom and data. God bless you, be warmed and filled. They could to to the Priest and say I am going to give this to the Temple when I am gone. It meant you couldn't spend it on them because this is going to the Temple. He gets to use it and whatever's left it's dedicated to the Temple. Jesus said BY YOUR TRADITION YOU HAVE MADE THE COMMANDMENT OF NONE EFFECT-Matthew 15:6. You say you honor your father and mother but you don't. You have found a way around that. v12: Jesus preaches in Matthew 23:27. v12: Jesus addressed this over and over again. Jesus talks about all 4 of these as He rebukes them in His ministry. This is the generation that is alive at the time of the Messiah.
Proverbs 30:10-14		GENERATION: Talking about a people. There's some body that: - doesn't honor their father - really is not washed from their filthiness - think they are all cleaned up - what the Pharisees thought, that they were just righteous. v11: GENERATION: Was present during the earthly mininstry of Jesus. Ties to Matthew 15:6. v14: WHOSE TEETH ARE AS SWORDS, AND THEIR JAW TEETH AS KNIVES, TO DEVOUR THE POOR: Not just people who hate poor people, that's talking about the remnant.
Proverbs 30:15-16		15 The horseleach hath two daughters, crying, Give, give. There are three things that are never satisfied, yea, four things say not, It is enough: 16 The grave; and the barren womb; the earth that is not filled with water; and the fire that saith not, It is enough. Agur is making a prophecy that he admits he doesn't understand about it. It's something that LEVEL 3 sons are going to understand and they will be talking to the rest of the remnant about. Agur, (though not understanding it himself) writes of a future time when all the Level 3 man of understanding will pick this up (when God resumes His program with Israel), and will be able to counsel the remnant sons in connection with it. v15: HORSELEACH: Can already see this is cryptic. MM doesn't know what that is. There's only one group of people on earth (GH: LEVEL 3 MAN OF UNDERSTANDING in Israel's program) that understand what HORSELEACH is about and how it apples to the Tribulation. MM would love to be in a group where a MAN OF UNDERSTANDING went would you like to know about those two HORSELEACH daughters and the 3 things and the 4 things and what is about to happen to you by the man of perdition/sin? Not even he knows it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 30:15-16		15 The horseleach hath two daughters, crying, Give, give. There are three things that are never satisfied, yea, four things say not, It is enough: 16 The grave; and the barren womb; the earth that is not filled with water; and the fire that saith not, It is enough. v15: GIVE, GIVE: One for each of the 2 daughters. v15: FOUR THINGS: 5 times in a row you will be given 4 things. 1st time of 5 given 4 things. MM has no clue what this is about. Not even David and Solomon knew this. There are some equivalent things for the Body of Christ in the DOGG in Thessalonians. MM says you can see how Satan could look at this all day long and not be any closer to at the end of the day than when he first read it. Gives 2, 3, and 4. THE GRACE; AND THE BARREN WOMB: He is counting those as one and those seem to be 2 different things.
Proverbs 30:18-19		18 There be three things which are too wonderful for me, yea, four which I know not: 19 The way of an eagle in the air; the way of a serpent upon a rock; the way of a ship in the midst of the sea; and the way of a man with a maid. 2nd time of 5 given 4 things. Gives 3 and 4. v19: THE WAY OF THE EAGLE IN THE AIR: Not looking up at the eagle and saying 'God is wonderful'. That's the obvious but wrong definition.
Proverbs 30:21-23		21 For three things the earth is disquieted, and for four which it cannot bear: 22 For a servant when he reigneth; and a fool when he is filled with meat; 23 For an odious woman when she is married; and an handmaid that is heir to her mistress. 3rd time of 5 given 4 things. Gives 3 and 4. v23: ODIOUS: Means hateful, horrible, loathsome, revolting, detestable, repellent, repulsive, and obnoxious. v23: AN HANDMAID THAT IS HEIR TO HER MISTRESS: He is not saying don't make your handmaid your heir. Not what he is talking about.
Proverbs 30:24-28		24 There be four things which are little upon the earth, but they are exceeding wise: 25 The ants are a people not strong, yet they prepare their meat in the summer; 26 The conies are but a feeble folk, yet make they their houses in the rocks; 27 The locusts have no king, yet go they forth all of them by bands; 28 The spider taketh hold with her hands, and is in kings' palaces. 4th time of 5 given 4 things. Goes directly to 4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Proverbs 30:29-31		29 There be three things which go well, yea, four are comely in going: 30 A lion which is strongest among beasts, and turneth not away for any; 31 A greyhound; an he goat also; and a king, against whom there is no rising up. 5th time of 5 given 4 things. Gives 3 and 4.
Proverbs 31		Proverbs 31: Most preachers think the virtuous woman passage is put in there so they have a Mother's Day sermon. That is not what that's about. The model wife is what is lying on the surface but that's not what that is about.
Proverbs 31:1		1 The words of king Lemuel, the prophecy that his mother taught him. v1: PROPHECY: Something off in the future. MM says these prophecies are out there in the tribution in the Day of Wrath.
Proverbs 31:28-31	GH: Oneness of spirit	Ways for a man to build a oneness of spirit: Notice and express gratitude. Notice the little things that wife does (and the big things) and express gratitude. This is not a woman sitting around and waiting for her husband to conjure up something to be grateful for here, here's a woman that is living her live in a way that everyone is praising her because she is worthy of it.
Ecclesiastes		**Ecclesiastes (demonstrates the inadequacy of the world's competing wisdom to God's wisdom): Going to show you the foolishbess of adhering to the wisdom of this world instead of your Heavenly Father's wisdom. There is more than one competing wisdom with God's Wisdom**. Satan didn't put all his eggs in one basket and he doesn't care which one that you buy into. Bible talks about them: - wisdom of this world - wisdom of men - wisdom of the princes of this world (super natural - not men, they're angels) Three competing wisdoms and have areas they argree and disagree. Satan says look, everything you know points to what God says is not right. Ecclesiastes: Is a son who fails because he follows the wisdom of this world. Contains THE EVIL MAN. Warn against one of the two types of danger that will come against a son who is getting educated. Ecclesiastes: Was a failure of a son who had taken on the wisdom of this world to live his life and it was all vanity. That's the wisdom he bought into, the counterfeit wisdom. How to be deceived. Ecclesiates: Every life philosophy the world has ever had. Ecclesiastes: Solomon takes every major philosophy of life and shows it to be empty/vanity. Goes through every single one of them, why people live their lives. He even addresses philosophy. He debunks every bit of that to show there's only one real reason for living our life. It even addresses the philosophy of I have no philosophy. He debunks every bit of that and shows that there is only one real reason for living our life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ecclesiastes		Solomon took this human worldly philosophy of life and followed it to its conclusion. If this is the way you that you think that is going to lead to this which is going to lead to which is going to lead to this which is going to lead to this...when in the end its going to wind up here. He takes every philosophy of life and lays it out for you and shows you that all of them are vanity, all of them are empty at the end. There's no fulfillment, there's no substance to any of that. It's because you are made in the image of God which by means you have a function and a purpose. It's the purpose you were created for. It was the function that you were designed to do, just because you were created in the image of God. And if you don't do that one, you will spend your whole life looking for another one. You will spend your whole life with one of these world philosophies and you are going to discover at the end what Solomon already told you, it's empty. It's not going to do what you think it's going to do. Men think if I amass a lot of riches, that will make me happy. Wealthy people are some of the most miserable people in the world. They just have a different set of problems. Someone says I'm going to achieve power, I'm going to be an influencer.

Ecclesiastes 2:10-11	GH: WoD Teaching: LUST OF THE EYES	10 And whatsoever mine eyes desired I kept not from them, I withheld not my heart from any joy; for my heart rejoiced in all my labour: and this was my portion of all my labour. 11 Then I looked on all the works that my hands had wrought, and on the labour that I had laboured to do: and, behold, all was vanity and vexation of spirit, and there was no profit under the sun. This is the WIDSOM OF THE WORLD. v10: WHATSOEVER MINE EYES DESIRED: MM tying this to the WORKS OF DARKNESS-Romans 13:12 category - LUST OF THE EYES. v11: ALL WAS VANITY AND VEXATION OF SPIRIT: In the end, Solomon says this thing was as empty as it could be. It looks great on the outside but it's a facade, there's no substance to it. It's all image. Solomon had 400 wives and 600 concubines who end up leading him after their false gods. MM asks how depraved could that get? v11: VANITY: Empty - nothing in there.
Ecclesiastes 3:21		21 Who knoweth the spirit of man that goeth upward, and the spirit of the beast that goeth downward to the earth? WHO KNOWETH THE SPIRIT OF A MAN THAT GOETH UPWARD, AND THE SPIRIT OF THE BEAST THAT GOETH DOWNWARD: One is going up and one is going down because one has the image of God.
Ecclesiastes 5:18-20		18 Behold that which I have seen: it is good and comely for one to eat and to drink, and to enjoy the good of all his labour that he taketh under the sun all the days of his life, which God giveth him: for it is his portion. 19 Every man also to whom God hath given riches and wealth, and hath given him power to eat thereof, and to take his portion, and to rejoice in his labour; this is the gift of God. 20 For he shall not much remember the days of his life; because God answereth him in the joy of his heart. ALL THE DAYS OF HIS LIFE, WHICH GOD GIVETH HIM: God is BOTH the giver of life and children are the result of the natural reproductive process. Since He is the initiator of the process, He is the giver of life. Verses that say God is the giver of life. He is not choosing who and who will not have children on an individual basis. God put together a natural process that people can corrupt. You can say God is the GIVER OF LIFE-Genesis 2:7, but how is God the Giver of Life? He has created a natural process which allows children to be born. Normally, woman have built in them the ability for this natural process to take place so He is the Creator of the process to take place. He is the Creator of the process so He is ultimately the one that has done this. God has purposes for everything - getting married, having children. It is possible for evil men to come along and corrupt the purpose of any great design God has.
Ecclesiastes 10:20	GH: Godly Justice - Government	20 Curse not the king, no not in thy thought; and curse not the rich in thy bedchamber: for a bird of the air shall carry the voice, and that which hath wings shall tell the matter. CURSE NOT THE KING: Solomon says, “Don’t curse the king, not even in your thought.” By this he is not referring to profanity (that blankety-blank king…) but he is using the term in the same way we saw it used in Romans 12. CURSE: Has to do with how we think about them and how we talk about them; what is in our heart concerning them. Shows the importance of the mind in connection with our behavior and attitudes. Our minds are to be godly. Our minds should not be shaped by ungodly thoughts.

Song of Solomon		Song of Solomon: About the believing remnant of Israel who is being delivered by their Beloved (Jesus Christ) in saving them from the Satanic policy of evil (will be to destroy them-they get delivered from that). Contains THE STRANGE WOMAN, the Satanic policy of evil. Warn against one of the two types of danger that will come against a son who is getting educated. Song of Solomon: There is a woman, the Sulamite woman (represents the remnant of Israel), and she is being wooed by her capital B Beloved (the Lord Jesus Christ). Solomon is the other man who tries to whoo her away from this One who is going to redeem her. He asks her a the question, 'What is your Beloved above another? What's the big deal with Him? What about me?' He almost gets her but she repeats the word her Beloved told her before He left and she realizes I am going to keep myself pure for my Beloved. Jesus spoke before He left and those Words got recorded so that remnant will see those words. This is about the remnant waiting for the Beloved to return. Song of Solomon is part of a trilogy of songs. The next one is in Psalm 45, will find the Beloved. The third song is in Isaiah 5:1-7. Song of Solomon is something Jesus refers to hours before He goes to the Cross because He is counting on they know what that is about. Jesus quotes Psalm 45 in Matthew 21 (HUSBANDMAN...VINEYARD...HEDGED IT...DIGGED ABOUT IT. Songs of Solomon: Those brothers of the Shulamite woman. They are looking at these suitors and they are saying nope, nope, nope. This is evident in the Song of Solomon where the Shulamite woman is watched over by her brothers. It is interesting what they say in the Song of Solomon as they evaluate her suitors, and watch over her to protect her from one who would harm her.

Isaiah - Malachi	O.T. Prophets	17 prophetic books that deal with Israel under the 5th and final cycle of punishment. Isaiah begins with the warning of the carrying captive of the northern kingdom by Assyria. Following that are the warnings for the southern kingdom who was later carried away captive by Babylon. The nation re-enters the land, but there is more judgment to follow indicated by Haggai, Zechariah and Malachi. Isaiah through Malachi are all 5th CoP prophets. Everything in them pertains to the 5th CoP, beginning with its arrival (the captivity) and running to the end of the kingdom. When the prophets are writing, they are looking at the entirety of the 5th CoP. Once the 5th CoP falls, the rest of it is going to happen. All 5th CoP prophets because that is what their prophecies pertain to. Given a view that takes us from the start of the 5th CoP to the end. Important - except for the first installment of the 5th CoP, we are not given a time schedule for anything that follows the first installment of 70 years. Only when we get to Daniel is the time issue addressed for the remainder of the 5th CoP. Daniel knew where he was on the timeline, that the 70 years of the first installment were almost up.
Isaiah - Malachi	O.T. Prophets	**Isaiah through Malachi are composed of 2 groups, depending on when they write:** **1. Isaiah-Zephaniah: All written before or during the 5th CoP, 1st installment** **2. Haggai-Malachi: All written during the 5th CoP, 2nd installment. Writing after the 70 year captivity is already over**. There is a structure and order to the prophets. Just as there is order in our epistles from Romans-Philemon, there is order/progression also to the prophets. This is a turning point for Israel and Judah, this was a point of no return. If you get taken captive and taken out of the land, you are started a process that is not going to end till it gets out there at the end. Israel got into a predicament that she can't extricate herself from and she got into that predicament because she was sinful and because she violated the law. How in the world is she ever going to become a holy nation and a kingdom of priests out in the kingdom, unless God does something for them through His Son.

Isaiah - Malachi	O.T. Prophets : 7 Doctrinal Issues	All of the O.T. prophets concern themselves with seven major doctrinal issues. All of the prophets focus on one or more of these. Need to glean some understanding out of these to understand your Father's Business. 1. The details about the **5th CoP, 1st installment** (the captivity-the point of no return) and the overall progression or structure of the courses in the way they will run. 2. The details about **God's Jehovah-ness (Power) and grace (free gift)** being put into effect for Israel's savlation. Another way of looking at it: it is **the doctrine of the Messiah as laid out in the five mandates of the Davidic covenant** - Redeemer, Deliverer, Avenger, King, and Blesser. They can't produce this on their own. These things produce what they need. 3. The details of the **New Covenant**. Very close to God's Jehovahness and Grace. The New Covenant goes hand in hand with what God is going to be doing for them but it is so vital and treated in a special way in the prophets that it is a separate issue on it's own. 4. The details of **the Lord's Day of Wrath/The Lord's Day of Purging and Avenging Wrath**, in its two particular parts - not the only parts but the big ones: (1) The issue of His 'purging' wrath in connection with purging the rebellious ones/apostate nation/Israel out of the (true) nation Israel (the believing remnant) 'WHEAT and the CHAFF-Matthew 3:12' (2) The 'avenging' wrath where He avenges His cause with Israel upon the Gentiles He is going to punish the apostate nation and He is going to punish the Gentiles.
Isaiah - Malachi	O.T. Prophets : 7 Doctrinal Issues	5. The details about **Israel's prescription for cleansing**. MM says you could call this **the doctrine of the remnant** because if you are going to become part of the believing remnant of Israel, there is a prescription given back in the O.T. prophets that tells you how to do that. This is exactly what John the Baptist is preaching when he is down there at the River Jordan baptizing people and telling of the One that is coming after him. 6. The details about **the time schedule for Israel's program** for the accomplishment of the 5th CoP. Given the length of the 1st installment in Jeremiah-70 years, given the rest of the time schedule in Daniel, etc. Daniel kind of acts as the hub for the timeline. 7. The details about **the kingdom**. There's a whole list of things that go along with this - the ramificatios of the kingdom - the glory that will be Israel's - the glory that will be the Lord's - what God is going to establish out there When you read the prophets, realize they are talking about 1 of these 7 doctrinal issues. All these things have to do with Israel's future.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah - Malachi	Doctrine : O.T. Prophets	Major Prophets and Minor Prophets: - MM says there are a couple other ways to look at these, but it you look at them this way, there are 7 major doctrinal issues set forth that God wants to educate the nation of Israel in. - Major prophets all talk about these 7 doctrinal issues. - Minor prophets only talk about a subset of the 7, but they add detail. - One issue - the Kingdom - is talked about by them all. It's a big deal. - Goes back before these. Moses was a prophet. - Issue of the Kingdom has been in God's mind all along. To set up this Kingdom. To dwell in the midst of His Creation. And rule over this Creation.
Isaiah - Malachi	Doctrine : O.T. Prophets	Isaiah was God's prophet called to declare their coming captivity. Knowing that the context of Isaiah pertains to the first installment of the 5th course of punishment, there are a few things to have in our mind. • Isaiah through Malachi is the 5th course of punishment prophets. • The time of Isaiah through Malachi constitutes the 7th stage in Israel's program. Everything in them pertains to the 5th CoP, beginning with its ARRIVAL (the captivity) and running to the end of the KINGDOM. • All the way back to Isaiah, Israel was offered a "prescription for cleansing." • The prophets characterized the nation under two categories: 1. They were unclean. 2. They were accursed. The nation at large rejected the message of the prophets. Understand: • There was a prescription for cleansing by which an Israelite could become a part of the believing remnant. • How that prescription worked. The message of the prophets continually emphasized that Israel was a cursed people, especially the last prophets to Israel before the 400 years of silence: Haggai, Zechariah, and Malachi.
Isaiah - Malachi	GH: GPPI verse	Important Concept: When you read the prophets of the fifth cycle, and they describe the things that are happening as that fifth cycle gets itself underway, the application is not limited to just that time in history. It also has an application as the fifth cycle continues - all the way through the 5th CoP. Had diseases all the way through the 1st CoP and all the way through the last 4 CoP. And the things happening in the 5th CoP-1st Installment, will continue to happen all the way through the other 4 installments. God's prophets understood why these bad things were coming upon the nation. They identified the cause of these judgments and declared it to the nation, so that Israel would be faced with the fact that it would only be by God's Jehovah-ness and grace that they would ever become the "great nation" that God intended for them to be. MM says the O.T. prophets themselves were very aware of the Leviticus 26 passage and what that chapter called for. If you try and explain Leviticus 26 to someone who has no background in the Bible, they will be tempted to look at you and say you invented that. How do you know that?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah - Malachi	GH: GPPI verse	Setup the prophets: * Isaiah - Malachi are 5th cycle prophets. * Doctrinally, Daniel is the hub of their information. MM draws wheel with Daniel in the center and Isaiah, Jeremiah, Ezekiel, and the minor prophets out at the end of the spokes. * The 5th cycle has parts. It's not just 70 years, that's just a part. * Every part/installment of the 5th cycle has a goal, a specific goal that is being achieved. * Just as Leviticus 26 is Israel's whole program in a nutshell, Daniel is the whole 5th cycle in a nutshell.
Isaiah - Malachi	Doctrine : 7 Major Doctrinal Issues of the 5th CoP / GH: GPPI verse	The major prophets (Isaiah, Jeremiah, Ezekiel and Daniel) deal with all 7 of these doctrinal issues. The minor prophets may not cover all 7, but they provide additional details on a number of these 7 issues. They deal with 1 or more but don't deal with all 7. If you have these 7 issues in your mind, you will identify them as you read through these books. Those 7 doctrinal issues are: 1. Details of the 5th CoP-1st installment and its scope: the captivity and other aspects of the “70 years” is discussed in detail. 2. Details about God’s Jehovah-ness and grace at work for Israel: the mechanics of how God will put His Jehovah-ness into effect and that is by means of the Messiah; God putting on flesh. MM calls this the crux of God's program with Israel. They are never going to be what they are going to be without it. 3. Details of the New Covenant: closely connected to the previous doctrinal issue. The New Covenant is the basis by which God can give Israel the Kingdom by grace. This would include things like the “new heart” being given to them and them being “caused to walk in His ways.” The New Covenant is the result of God’s Jehovah-ness and it is what makes them fit to be utilized by God for His plan and purpose for them.
Isaiah - Malachi	Doctrine : 7 Major Doctrinal Issues of the 5th CoP / GH: GPPI verse	4. Details of the “day of the LORD’S wrath”: The 5th CoP ends with the day of the LORD'S wrath. Out at the last part of the 5th CoP. This is the time that God avenges His enemies and destroys the plan of evil in the world. 5. Details of Israel’s cleansing from defilement: There is a sort of procedure that is given for Israel to follow in order to be cleansed from her defilements. The believing remnant will follow this procedure which begins under John the Baptist who has a “baptism unto repentance!” This is first mentioned in Leviticus 26 and amplified upon by the 5th CoP prophets. The prescription for cleansing: - Part 1 is repent, confess, and be baptized (John's water baptism of repentance & Jesus' baptism of the Spirit) during the 1st Advent. Have this wonderful message that the kingdom and their Messiah is coming. These happen for the remnant to prepare them for the final week. In the final week, the purging is taking place. If you get both of the baptisms, you are in. If you don't, you are purged out by fire. - Part 2 is the purging of those who do not receive the message in the 2nd Advent. If they don't repent and confess, they are going to be purged out. Comprised of 3 parts. 2 parts for the believing remnant (water and Holy Ghost) and 1 part for the apostate nation (unquenchable fire). 6. The time schedule for the entire 5th CoP: Daniel deals with this more than anyone, but Zechariah adds some things to this issue as well. All of the major prophets and some of the minor prophets include this subject.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah - Malachi	Doctrine : 7 Major Doctrinal Issues of the 5th CoP / GH: GPPI verse	7. The glory that will be Israel's in the Kingdom: There is majestic glory given to Israel when they become the great nation they were intended to be in the Kingdom of Heaven. The glory that will be theirs is described in great detail in the 5th CoP prophets. When you talk about Israel being head of all nations or the nations of the world will submit themselves to Israel or that they will all come to Jerusalem on the Feast of Tabernacles and worship the King of kings. All of this is about the glory that God is going to give Israel in the kingdom.
Major Prophets - Daniel - Minor Prophets		Major Prophets - Daniel - Minor Prophets: In the major prophets, there are 7 doctrinal issues: 1. 5th CoP, first installment 2. God's Jehovahness (Power) and Grace (free gift) 3. New Covenant 4. The Lord's Day of (purging & avenging) Wrath 5. Israel's prescription for cleansing 6. Time schedule for Israel's program 7. The kingdom Every one of the major prophets talk about all 7 doctrinal issues. Daniel comes along and gives you more details and most importantly, a timeline. Then the minor prophets come and pick up 1-3 of these doctrinal issues and they fill in details that you don't find in the major prophets. It's more than just the major prophets are longer and the minor prophets are shorter.

Last 3 are in a set - all 3 are contemporaries of one another and all 3 are telling about God's coming in both judgment and then in restoration. Isaiah - Malachi	Non-MBI	(15-3) Zechariah (16-4) Esther (and Mordecai - 480 BC) (17-5) Nehemiah (444 BC) - Came back to build up the walls of Jerusalem. Daniel 9 prophecy of counting the days till Messiah comes starting when He sends someone back to rebuild the walls (March 14, 444 BC) - Arrive at the year 30 AD by going 69 7s or 173,880 days - Luke 19 - Jesus told you 173,880 days ago I was coming, why aren't you ready? Bible is incredibly specific about its prophetic materials. (18-6) Malachi (My Messenger) (7) Chronicles (Reader's Digest recap of the Hebrew scriptures - starts with Adam and ends with the return)
Isaiah - Zephaniah		Prophets that are writing before or during the 1st installment of the 5th CoP. Either writing just before they were carried away into Babylon or they were writing during the 1st installment when they were carried away captive. They are all looking forward to the Lord's day of wrath.
Isaiah		Living at the end of the 4th cycle but his prophecies concerned the 5th and final cycle of punishment against Israel. Looking at the way their religious leaders are going to be conducting themselves out here in the Day of Wrath. Focus on both what the religious leaders ARE doing and ARE NOT doing. Isaiah: Is a fifth course prophet. When you talk about that fifth course of punishment that has all those parts to it (references Leviticus 26). Lives at the very end of the fourth course of punishment. But his Book runs through the 7 weeks, 62 weeks, and 1 week. Prophecies that the northern kingdom will be carried away by the Assyrians. After that, the southern kingdom is going to be carried away by the Babylonians. At that time, Israel will have entered the 5th course of punishment. By the time they get to this 5th course of punishment where they are carried out of the land, God is so furious with their ungodliness that He is going to expel them out of that land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah		Is a 5th CoP prophet. He is writing during the 4th CoP but it he is warning them. All of the prophets concern themselves with seven major doctrinal issues. Isaiah's method; is to lay down information, then come back to build on top of it and then present further information again returning to fill in details, and repeating that same cycle throughout his writing. One of the things you would expect to read about is what has provoked God to pour His Wrath out on the people of the earth. He is going to describe His attitude about it and what was done to provoke Him and the evil & iniquity & wickedness of all of this. It's provoked Him to do this. Writing before they were carried away, he actually warned them about it. Said what happened to the northern kingdom of Israel was going to happen to them. Isaiah's method is to lay down foundation, then come back to build on top of it and then present further information, again returning to fill in details, and repeating that same cycle throughout his writing. Writing 80 years before they are taken away captive. He is expressing His displeasure by using the Babylonians. GH: Happens again in Paul's TO THE JEW FIRST-Romans 1:16 ministry. When talking about Isaiah and the 5th CoP.
Isaiah	Outline	Isaiah 1-39 (number of O.T. Books) - MM says don't go down this rabbit hole - Section 1: Warning of the 5th CoP: About their captivity: Isaiah is warning the southern kingdom of Judah that if they don't turn themselves around, they are going to be carried away captive by the Babylonians and bad things will happen to them. He is predicting this 70-80 years before it comes to pass. Are the warning to the southern kingdom of Judah of the impeding captivity by the Babylonians in the fifth course of punishment. See Isaiah 39:5-7 on how Section 1 ends. Warning to the southern kingdom of Judah about the dangers of being carried away by the Babylonians. Isaiah 40-66: Deliverance (number of N.T. Books) - Section 2: God details his salvation for His people, and He does it in 27 chapters dividing into three parts of nine chapters each. Isaiah 40-48 - Section 2, Part 1: About their/Israel's deliverance from the Babylonians, deliverance from their captivity. Talking about a physical salvation from the captivity they are being warned about. This isn't forever; MM says it is common in the O.T. for God to warn about a punishment and then turn right around and say but I WILL deliver you out of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah	Outline	Isaiah 49-57 - Section 2, Part 2: God's provision to deliver Israel from their sin. About their deliverance from sin. Isaiah 53 is right in the middle and 700 years before it happened. The prophecy about their Messiah and what was happening to Him. That is pertinent to their deliverance from sin. He HATH LAID ON HIM THE INIQUITY OF US ALL-Isaiah 53:6. MM says probably the most prophecy anywhere in the O.T. about the Messiah. GH: Before Jesus, Jews thought this was about their Messiah. Today, the consensus is the suffering of the nation of Israel is paying for the sins of the world. Talking about a salvation from sin. In the middle is Isaiah 53. Isaiah 58-66 - Section 2, Part 3: Detail the salvation/deliverance of the earth from its curses in the kingdom, specifically the New Heaven and the New Earth. About their deliverance of the earth from the curse that it was under from the beginning/kingdom. Talking about the salvation of the earth when their future kingdom comes & you get the curse taken off the earth and get the new heaven and the new earth. Isaiah ??-?? - Four chapters are called 'The Song of the Suffering Servant - includes Isaiah 53.
Isaiah	Outline - Detailed	MM says there are two sections where the chapters match the number of Books in the OT and NT - 66. Don't read too much into this since the Gospels are also OT. This is not God's way of authenticating the Bible or the book of Isaiah. Timing the 2nd CoP-Divided Kingdom, happened almost 1,000 years before Christ and took place almost 250 year before Isaiah began his ministry, when the nation was under the 4th CoP. The northern kingdom of Israel had been governed by a series of evil kings who led the nation into idolatry and provoked God to their expulsion out of the land. Isaiah's ministry was not quite 20 years old when, in 736 BC, Tiglath-Pileser, king of Assyria killed Rezin, king of Damascus, the ally of Pekah, the king of Samaria. Tiglath-Pileser entered the land of Israel and took many cities captive; chiefly Gilead and Galilee, and he carried many of the inhabitants to Assyria. This was the first captivity of the kingdom of Israel. The conquest was finished in 722 BC; a project that lasted 14 years. Ch1-39: Section 1: The warning of the 5th CoP to the southern kingdom of Judah of the impending captivity by the Babylonians. Ch1-3: The Vision concerning Judah and Jerusalem (the southern kingdom and the capital city) Ch4-6: The Messiah/Isaiah's Vision of the Lord (describe the spectacular image that Isaiah has seen) Ch7-9: The Book of Immanuel Ch10-12: Prophecies concerning Assyria & Judah; the future time of Jacob's trouble

Ch49-57: Details God's provision to deliver Israel from their sin. Their deliverance from sin. Ch58-66: Details the salvation/deliverance of the earth from its curses (put on it at the Fall) in the Kingdom, specifically the New Heaven and the New Earth.
Isaiah	GH: GPPI verse	Isaiah is a prophet that God raised up before the 5th CoP, he is a prophet of the 5th CoP. His ministry is during the fourth cycle of punishment, at a time when the people are responding negatively to the punishments coming on them. They were provoking God to the "no remedy" point of the 5th CoP's beginning. Isaiah shows the worthiness of the people to have this 5th CoP come upon them. As you would imagine, they do not respond well to that. Principle: When you read the prophets of the fifth cycle, and they describe the things that are happening as that fifth cycle gets itself underway, the application is not limited to just that time. It also has an application as the fifth cycle continues. Some of the examples given have a 'present time' application, but these are not limited to the time of the prophet. Find some things in Jesus' earthly ministry and some things quoted by the circumcision apostles (Peter, James, John, etc.) in Hebrews - Revelation. Will write as those the passages are fulfilled out in the future day of the LORD. Point: There can be a fulfillment in all of these times - the principle of continual fulfillment. Allows for more than one fulfillment.
Isaiah	GH: IPF verse	Recap the things that led up to the sacrificial death of Jesus Christ on the Cross, His 2nd Advent all the way to the set up of the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 1	GH: IPF verse	Part of the indictment the Lord gives to Israel is to warn them of their worthiness of the 5th CoP. v10-15: See that Israel has a “vain (empty) religious system” that produces nothing. God says it is all iniquity, He hates it and it is an abomination to Him. Because of that, in the day of wrath, He will judge it and destroy it. God is looking at the nation as they are about to enter the 5th CoP and in particular, He is looking at the rulers of the nation. And He concludes what is going on in Israel is as bad as what was going on in Sodom and Gomorrah. v10: He tells them of their worthiness to receive the 5th CoP. He is looking at Israel's religious leaders and concludes what is going on in Israel is as bad as what was going on in Sodom and Gomorrah. Sodom and Gomorrah were the cities of the plain in which Satan had entrenched his policy of evil. It was a concentration of evil during the days of Abraham. The abomination of the plan of evil, the wickedness of these people had reached a zenith at that particular time and God judged those cities. v10: GIVE EAR UNOT LAW OF OUR GOD: v10: GOMORRAH: Sodom and Gomorrah were the cities of the plain in which the satanic plan of evil was concentrated in the days of Abraham. The abominations of the plan of evil and the wickedness of man had a reached a zenith at that time.
Isaiah 1	GH: IPF verse	v11: I DELIGHT NOT IN THE BLOOD OF BULLOCKS: v12: WHO HATH REQUIRED THIS AT YOUR HAND: v13-15: God is making these statements in view of the face that Israel has gotten to the place where they are, they're going through the motions of this vain religious system and God says I hate that. This is an abomination to Me. This is iniquity. There's no difference in your lives whatsoever. And because of that, in the day of wrath, He is going to judge and destroy Israel's vain religious system. v13: BRING NO MORE VAIN OBLATIONS: v13: INCENSE IS AN ABOMINATION...IT IS INIQUITY: v14: MY SOUL HATETH: v16-20: See what Israel is confronted with, in days of the Messiah, during the 5th cycle of punishment. It is Jesus and the twelve that confront the nation of Israel with this issue. Show what is before the nation of Israel in the days of the Messiah during the 5th CoP. It's Jesus and the 12 that confront the nation of Israel with this issue.
Isaiah 1	GH: IPF verse	v16: In view of v13-15, God says what is needed is cleansing. v16: CEASE TO DO EVIL: v17: LEARN TO DO WELL: They will do this through the Lord's corrective doctrine. v18: REASON TOGETHER: Has to do with the Davidic covenant. ' v19: If they are 'willing' (receive the gospel of the kingdom) and 'obedient' (conduct themselves according to the corrective doctrine) they will 'eat the good of the land' (in the kingdom). v21: There was a time when righteousness lodged in the nation. That was David’s day. But now things have changed. v24: See the next two functions of the Messiah according to the Davidic covenant: 1. THE MIGHTY ONE - Deliverer 2. AVENGE ME MINE ADVERSARIES - Avenger

Isaiah 1	GH: IPF verse	v25: PURGING AWAY THY DROSS: Is the removal and destruction of the elements of Israel's vain religious system that had gotten itself entrenched in the nation of Israel and had made the commandment of none effect. v25: DROSS: Isaiah's term for Israel' vain religious system. It was there back in his day. v26: I WILL RESTORE THY JUDGES: This takes place when the twelve are placed upon 12 thrones judging the twelve tribes of Israel. v27-28: This is exactly what happens; the transgressors are destroyed and the remnant will go into the kingdom.
Isaiah 1:1		1 The vision of Isaiah the son of Amoz, which he saw concerning Judah and Jerusalem in the days of Uzziah, Jotham, Ahaz, and Hezekiah, kings of Judah. THE VISION OF ISAIAH: Is a singular vision, and he begins to introduce that. Isaiah will get over the course of time separate parts from a single vision. He'll lay down part of the vision, cycle through it, then lay down the next part of the vision, GH: rinse, repeat. 1st part of vision: Isaiah 1 - 5 - Gives a very broad overview of the entire 5th CoP.
Isaiah 1:2		2 Hear, O heavens, and give ear, O earth: for the Lord hath spoken, I have nourished and brought up children, and they have rebelled against me. THEY HAVE REBELLED AGAINST ME: God talking about the nation of Israel, His own people.
Isaiah 1:9		9 Except the Lord of hosts had left unto us a very small remnant, we should have been as Sodom, and we should have been like unto Gomorrah. THE LORD OF HOSTS: Passage quoted by Paul in Romans 9:29, except he uses THE LORD OF SABAOTH instead and SEED-Romans 9:29 instead of VERY SMALL REMNANT. SODOM, AND WE SHOULD HAVE BEEN LIKE UNTO GOMORRHAH: If the Lord had not kept a SEED or remnant, we would have wound up like this. Would have been totally and forever destroyed.This shows God's intention again that He is going to finish what He started with them becaues they are looking at that recognizing the natural way this would have worked is we would have been wiped out. But God made a way for them not to be wiped out. VERY SMALL REMNANT
Isaiah 1:18-25		Isaiah was the first one to talk about Israel being like silver which was full of dross and tin and God was going to have to "refine them with fire" to purge out the dross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 1:25		25 And I will turn my hand upon thee, and purely purge away thy dross, and take away all thy tin: PURGE THE DROSS OUT OF ISRAEL: Purge the unbelievers; dross is the part of the metal when you burn it, it is not usable/no good and gets burned out of there. Isaiah is the first one to talk about Israel being like silver which is full of dross and tin and God is going to have to "refine them with fire" to purge out the dross. You were supposed to be a precious jewel to the Lord but you have corrupted yourself. You were supposed to be like silver but now you have become dross. You turned aside away from the Lord. Your silver has become dross. You have rebelled, you are a stiff-necked people. The message was turn yourselves around. v22: THY SILVER IS BECOME DROSS v25: PURGE AWAY THY DROSS, AND TAKE AWAY ALL THY TIN
Isaiah 2	GH: WoD Teaching / WoD Category : PRIDE OF LIFE	Isaiah 2: Focuses on category 1 of the WORKS OF DARKNESS - THE PRIDE OF LIFE - STRIFE AND ENVYING-Romans 13:13
Isaiah 2:1-4	GH: Prophecy : Kingdom	1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2 And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 3 And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem. 4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more. What Deuteronomy 4 is talking about once the kingdom gets established on the earth. Isaiah is describing what's going to be like when the kingdom is established and the nations of this world are coming to Jerusalem because of the greatness described in Deuteronomy 4. The true Israel will do this out there in the kingdom. They will go there and the Lord is going to teach them. Word of the Lord is going to go out from Jerusalem. Ties to Israel's second justification - Justification by Works in the Eyes of Men as the Friend of God - needed to get into the kingdom WITH REWARDS! This (GH: blessings in the Kingdom) is all a process but only to those nations that deserve it. The entire earth is not suddenly going to come under the blessing which happens in Israel at the beginning of the kingdom. It starts in Israel and then as the Jews move out to the rest of the world, and those nations receive their message, the blessings begin to come upon their land too. The promise to Abraham will come to pass in that all the families of the earth will be blessed. But all of that is a process.

Isaiah 2:1-4	GH: Prophecy : Kingdom	1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2 And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 3 And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem. 4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more. GH: Time of the Millenium. v2: IN THE LAST DAYS: Another stock phrase that puts you out there in the day of the Lord. v3: THE WORD OF THE LORD (will go forth) FROM JERUSALEM v3: THE WORD OF THE LORD: Will go out from Jerusalem to all the nations of the world. As that word goes out and they receive that word, they get those blessings. v4: The whole earth is not going to suddenly, at one point in time, all at the same time, come under the blessing. Only as they submit themselves is that going to happen. The promise was to Abram IN THEE SHALL ALL THE FAMILIES OF THE EARTH BE BLESSED-Genesis 12:3 is going to require their submission to that (GH: The King and the nation of Israel as the head of all nations).
Isaiah 2:1-4	GH: GPPI verse	A kingdom passage. See: * How the prophets describe the outcome of GPPI. * Gives information on the GREAT NATION-Genesis 12:2 concept from the Abrahamic Covenant. Describes Israel as that GREAT NATION that she promised to be. * See how God will use the nation in the implementation of God’s ways and His paths on this earth. This is part of the issue of God’s righteous rule extending out to the nations of the world through the instrumentality of the nation Israel. v1: CONCERNING JUDAH AND JERUSALEM: Not concerning the body of Christ. Not concerning THE ONE NEW MAN-Ephesians 2:15. Not concerning Christians. CONCERNING JUDAH AND JERUSALEM. v2: LAST DAYS: Were not an issue at the time Isaiah prophesies. They are dawning at the time that Jesus is on the earth where he is preaching that the kingdom is at hand and they extend into the first chapters of the book of Acts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 2:1-4	GH: GPPI verse	v2: MOUNTAIN: Mountains are often used to represent kingdoms or a government and this “mountain” that is God’s government will be exalted above every other government. It will have ascendency over all of the others. And instead of following Satan's COTW-Ephesians 2:2, they will follow God's righteous rule. v2: SHALL BE EXALTED: No other mountain will excel this one. It will have supremacy over all the others. v2: ALL THE NATIONS SHALL FLOW UNTO IT: The dominion that Satan received at Adam’s fall will stripped away from him and given to the nation of God’s own choosing. Says that “all nations shall flow unto it.” It will have ascendency over all others. v3: MM says when the kingdom is here, the people are going to be in the nation. When they are in the land area of the nation, there's a time of refreshing for them. Like vacation, R&R, Bahamas trip, a cruise that someone else paid for. In the kingdom, the land of Israel is restored as the Garden of Eden. But they have work to do - to carry the word of the Lord out to the nations of the world.
Isaiah 2:1-4	GH: GPPI verse	v3 (cont'd): They are out there working, but when they come back, they rest and recuperate. MM reminds that the Lord created 6 days and on the seventh day, we was RESTED, AND WAS REFRESHED-Exodus 31:17. This same principle will be true for His people. This is what Adam was supposed to do. Use the Garden as a place of rest and recuperation and comfort and then go out from there and subdue and have dominion. v3: TEACH US OF HIS WAYS...WE WILL WALK IN HIS PATHS: When dominion that Satan is given at the Fall is stripped away from him and given to the nation of God's choosing, instead of following Satan’s course for the world, the nations will change and follow God’s course. No longer are the nations following after Satan’s ways, but their desire will be after God’s ways, to walk in God’s paths. They will please God by knowing how to walk in His paths by being taught by the members of the nation on how to walk in God's ways. The law will be carried “forth” by the nation who will minister it to the rest of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 2:1-4	GH: GPPI verse	v3: HIS WAYS: His WAYS and His paths are things people are going to have to learn. Just because the Lord comes back doesn't mean they already know it. They don't, and will have to learn it. v3: THE LAW WILL GO FORTH FROM ZION AND THE WORD OF THE LORD FROM JERUSALEM: That word is going to go out to the nations of the world so that they can be instructed. They will come to Jerusalem and worship the King of kings. But that message is going to be carried out by Israel - God's prince, God's ruler. They're the one that's going to carry that message out. v4: AND HE SHALL JUDGE AMONG THE NATIONS, AND SHALL REBUKE MANY PEOPLE: In the kingdom. Because how they are going to respond to what they're supposed to do. This is the process of reconciling the world back to Himself. Some are going to get that rebuke. Remember the instruction that every year they're supposed to come to the Feast of Tabernacles and see the King. If they don't, there are consequences that fell every nation that refused todo that. God spells those out, exactly what those consequences are. They wouldn't come see the King because they don't want Him to be their King. So there's a final purging that's going on during that Millennium to get that element removed. v4: AND THEY SHALL BEAT THEIR SWORDS INTO PLOWSHARES, AND THEIR SPEARS INTO PRUNINGHOOKS:
Isaiah 2:1-3		In the kingdom, when the word of the Lord goes out from Jerusalem, it goes to the Gentiles/ALL NATIONS. In response, the Gentiles will say “let’s go up to the house of the Lord and He will teach us.” v2: ALL NATION: That's Gentiles. v3: OUT OF ZION SHALL GO FORTH THE LAW, AND THE WORD OF THE LORD FROM JERUSALEM: In the kingdom, the word of the Lord will go out from Jerusalem to all nations. GH: Same as Micah 4:1-2.
Isaiah 2:3	Non-MBI	planitall YouTube : BIBLE TIMELINE: - Blesser (1 of 5 mandates in the Davidic covenant): fulfilled when the Kingdom is established. Isaiah 2:4	Non-MBI	planitall YouTube : BIBLE TIMELINE - King (1 of 5 mandates in the Davidic covenant): fulfilled when the Kingdom is established. After Christ and His remnant have purged the world of all ungodliness, He will be ready to establish His Kingdom on the earth. The establishment of the Kingdom on the earth will be a joyous time, not only for Israel but for the entire world. Jesus will fulfill the 4th mandate by ruling and reigning on the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 2:6-9	GH: WoD Teaching / WoD Category : : PRIDE OF LIFE 'Prideful Thinking'	Looking at the things of Israel's embracing the DARKNESS. The indictment is you guys are mimicking the Gentiles. You are doing just what they're doing. This is why God is about to judge you. If you are thinking what in the world is wrong with this, you don't yet fully understand what the WORKS OF DARKNESS-Romans 13:12 are producing. This has to do with a mindset in the nation of Israel whereby they no longer need God. v6: THEREFORE THOU: Isaiah talking to the Lord. v9: Everyone is humbling themselves before those idols. v9: FORGIVE THEM NOT: You are going to get judged just like the Gentiles. Israel is going to get the same as what the Gentiles are going to get. The Gentiles are going to receive judgment in the Day of Wrath, so is Israel going to receive judgment in the Day of Wrath.
Isaiah 2:10-22	GH: WoD Teaching / WoD Category : : PRIDE OF LIFE 'Prideful Thinking'	Because they have embraced that DARKNESS, tell us what God is going to focus on in His judgments in the Day of Wrath. This is a big issue for God in His judgments. What he is talking about here are the things in connection with the pride and the haughtiness and the lifted up-ness of what these people are doing. Falls under THE PIRDE OF LIFE category of THE WORKS OF DARKNESS-Romans 13:12. v10: ENTER INTO THE ROCK, AND HIDE THEE IN THE DUST: MM says reminds of Revelation and hiding in the rocks. One of two references in Isaiah. If you were coming straight through your Bible, you would know what the Revelation passage was about. v10: THE GLORY OF HIS MAJESTY: This is an important phrase. v11: LOFTY LOOKS OF MAN: Not just talking about someone whose look suggest they think they are superior to everybody, this is talking about how they view their future and their destiny. We got ourselves to this point and we didn't need God to do this and we don't need God to take us where we are going. The type of constant prideful thinking that takes the glory of God and gives it to men. It permeates everything about them. The issue of deity. v11: LOFTY LOOKS: This phrase is more than how we are treating others, this actually has to do with a prideful thinking about our future and our destiny. This is what's happening in the minds of men, where they think they are going to wind up. God's going to say you're not going to wind up there at all. You think because you overestimate yourself. Group says arrogance and MM says that's a really good term - its absolute arrogance. To be demi-gods. They are going to take God's glory for themselves. The shocking thing that is happening in the remaining portion of Satan's NIGHT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 2:10-22	GH: WoD Teaching / WoD Category : : PRIDE OF LIFE 'Prideful Thinking'	v11: THEY MAY FOLLOW STRONG DRINK: They are not getting up early to go to work, they're getting up early THAT THEY MAY FOLLOW STRONG DRINK DURING AND CONTINUE UNTIL NIGHT. In other words, these people are doing it all day long. That's all they are doing all day long, all the time. How likely are they to be the crowd that would RIOT in the daytime? v11: HAUGHTINESS OF MEN: Uses MEN because they are exalting themselves both individually and corporately, as a whole group. v11: Haughty: You are not going to teach me anything because I already know it all. No one is going to instruct me. Like kids who don't like being told what to do saying I'm going to join the military. Doesn't want to be told what to do but his buddies influence him everyday. POINT: Satan, by his WORKS OF DARKNESS-Romans 13:12, is producing this HAUGHTy spirit in people that allows them not to be instructed in what God wants to instruct them in, but what Satan is instructing them to they will cling to that. This HAUGHTINESS has a focus to it. It characterizes them, it is who they are becoming. It permeates every fiber of their being. Satan's WORKS OF DARKNESS are producing a spirit in which they will cast off God and embrace the DARKNESS of the adversary. v11: LORD ALONE SHALL BE EXALTED: Means that men had been exalting themselves. They had been exalting one man in particular, and then in accordance with that they had been exalting themselves. Why he says this. Prideful thinking will end up in its worst form out there (GH: Daniel's 70th week): - Men will look at the antichrist and they are going to ascribe deity to him, that which belongs only to God. - Then he is going to renew an agreement that was made back in the Garden with men during that day, that YE SHALL BE AS GODS. This is exactly where this prideful thinking is leading to, that men will believe they're gods.

Isaiah 2:10-22	GH: WoD Teaching / WoD Category : : PRIDE OF LIFE 'Prideful Thinking'	v12: PROUD AND LOFTY v12: LIFTED UP v12: HE SHALL BE BROUGHT LOW: This is what the Lord will accomplish by means of His judgments against those people who thing more highly of themselves than they ought to think-Romans 12:3. The Lord is taking this one category and the things that are there and now He is going to judge those things so men don't think of them they way they used to. v13: Two epithets-the PRIDE OF LIFE category had worked in them to produce a particular way of thinking: 1. THE CEDARS OF LEBANON: Are a reference to Israel's governmental rulers. 2. THE OAKS OF BASHAN: Are a reference to Israel's religous leaders who are propagating her VRS (vain religious system). This system was working hand in glove with what Satan was doing in the world and why the Lord had to give that corrective doctrine. v17: LOFTINESS OF MAN v17: HAUGHTINESS OF MEN v17: HAUGHTINESS: Describes a particular kind of prideful thinking that goes right along with what Satan is wanting to produce in the world. It isn't just a guy wanting to do a good job and being really pleased with the job he did, this is something that's taking it way beyond that to the exclusion of God. v17: THE LORD ALONE SHALL BE EXALTED IN THAT DAY: Second time we've seen that phrase.
Isaiah 2:10-22	GH: WoD Teaching / WoD Category : : PRIDE OF LIFE 'Prideful Thinking'	v19: The Revelation reference again. v19: THE GLORY OF HIS MAJESTY: Shows up a second time-other v10. v19: WHEN HE ARISETH TO SHAKE THE EARTH: 4. v20: They are throwing those worthless idols away and running for their lives. v21: THE GLORY OF HIS MAJESTY: GH: Third time. v21: ARISETH: Second time. v22: Rhetorical almost sarcastic phrase. Here's all these guys that are thinking so highly of themselves - I'm all this, I'm great, I'm powerful - and have all the superlatives about themselves and God says don't you realize the only reason is because you have breath in your nostrils. Men have exalted themselves to the point that God has to come along and say do you know how easy it is for Me to snuff that out? There are things going on in this passage, because of the GLORY aspect that is mentioned 3x. They are not only going to give God's GLORY to the antichrist, they are going to take it for themselves. And just Genesis 3-YE SHALL BE AS GODS and the agreement that Satan made with Adam and Eve, they will renew that agreement. This is where THE PRIDE OF LIFE is taking them in the remaining portion of Satan's NIGHT. They are going to try and exalt themselves and God says I AM going to be the only one exalted, you are not going to take my glory and give it away. So He deals with that.

Isaiah 2:19		19 And they shall go into the holes of the rocks, and into the caves of the earth, for fear of the Lord, and for the glory of his majesty, when he ariseth to shake terribly the earth. WHEN HE ARISETH: Not talking about getting out of bed. When He arises up from being seated at the right Hand of God. Happens out in Daniel's 70th week. When the Lord “ariseth” that is the signal is time to make His enemies His footstool.

Isaiah 3:8		8 For Jerusalem is ruined, and Judah is fallen: because their tongue and their doings are against the Lord, to provoke the eyes of his glory.
Isaiah 3:9-26	GH: WoD Teaching / WoD Category : LUST OF THE EYES	Ties to Lust of the Eyes - Wantonness - something that is ornamented and displayed that is meant to be very appealing to the eye. v9-14: Just like Isaiah 2, the Lord starts out explaining WHY they deserve what He is going to do to them. v9: THEY DECLARE THEIR SIN AS SODOM, THEY HIDE IT NOT: They are not going to just do this and act humble about it, they are going to revel in it, they are going to exult in it. They are going to wear it like a badge of honor, they are not going to be ashamed of it. They're going to try and make you ashamed. MM says you see a lot of pre-cursors to that going on in the world (GH: said circa 2015). These people are not ashamed of what they are doing, they are flaunting what they are doing. This is what we are doing and we are wearing it like a badge of honor. v13: STANDETH UP: GH: STANDing not 'sitting'-Psalm 110:1. v14-15: Talking about what they did to deserve the judgment.

Isaiah 3:9-26	GH: WoD Teaching / WoD Category : LUST OF THE EYES	v16: Taking the PRIDE issue and move it into another category. v16: DAUGHTERS OF ZION: Isaiah is talking about a group of women that everyone can look at with their eyes and know exactly who Isaiah is talking about. Using them as an illustration because they're the epitome of what I'm about to talk about. Using the DAUGHTERS OF ZION because at that time, they are the eptiome of what the WORKS OF DARKNESS-Romans 13:12 are producing in Israel. When he says this, everyone knows what he is talking about. v16: HAUGHTY: Take that prideful thinking from Isaiah 2 and add some things to it. Talking to Israel but the world was just as bad. v16: WANTON EYES: MM tying to LUST OF THE EYES. v17: SECRET PARTS: Are the things they/they do desire to utilize/using the most to entice men. This is sexual in nature and he is describing it just that way. MM says he is trying to use decorum but this is mostly sexual in nature. If you are going to deviate yourself in that way, then My Judgments are going to be right in line with that. v18-26: Talks about the attire of these women and the reason they are dressing themselves and revealing themselves is for the purpose of doing something in accordance with Satan's WORKS OF DARKNESS.
Isaiah 3:13-14		13 The Lord standeth up to plead, and standeth to judge the people. 14 The Lord will enter into judgment with the ancients of his people, and the princes thereof: for ye have eaten up the vineyard; the spoil of the poor is in your houses. v13: STANDETH UP TO PLEAD v13: STANDETH TO JUDGE: Will look like Psalm 110:5.

Isaiah 5	GH: IPF verse	See the LORD is going to pronounce a series of woes which are also addressed in the N.T. Those woes are to the leaders of the vain religious system, who were entrusted to keep the law but they covered up the law. They gave lip service to the Law, but their heart hated it. We don't have the observances and practices of a religion, but a living, vibrant relationship with the Lord. v20: Those woes are to the leaders of the vain religious system that covered up the law. They gave lip service to the Law, but their heart hated it. v20: WOE UNTO THEM THAT CALL EVIL GOOD, AND GOOD EVIL: Those leaders of Israel's vain religious system come along and turn everything around; calling that which is good evil and that which is evil, good. They made it so that when the people of Israel were led astray by this. They thought they were doing something good in God's eyes, they were actually committing abominations before God. They made laws unto themselves, changing the law by the things being added to it, by 'the tradition of men'-Mark 7:8 and the 'commandments of men'-Matthew 15:9 encrusting the law.
Isaiah 5	GH: IPF verse	v24: AS THE FIRE DEVOURETH THE STUBBLE, AND THE FLAME CONSUMETH THE CHAFF: John the Baptist used this terminology to describe these religious leaders in the days of the Messiah - BURN UP THE CHAFF WITH UNQUENCHABLE FIRE-Matthew 3:12. v24: BECAUSE THEY HAVE CAST AWAY THE LAW OF THE LORD OF HOSTS, AND DESPISED THE WORD OF THE HOLY ONE OF ISRAEL: These leaders have "cast away the law" and "despised the word" which the Lord gave them when He came. And because they have, they are going to get that "baptism of unquenchable fire."
Isaiah 5:1-7	GH: Sonship	1 Now will I sing to my wellbeloved a song of my beloved touching his vineyard. My wellbeloved hath a vineyard in a very fruitful hill: 2 And he fenced it, and gathered out the stones thereof, and planted it with the choicest vine, and built a tower in the midst of it, and also made a winepress therein: and he looked that it should bring forth grapes, and it brought forth wild grapes. 3 And now, O inhabitants of Jerusalem, and men of Judah, judge, I pray you, betwixt me and my vineyard. 4 What could have been done more to my vineyard, that I have not done in it? wherefore, when I looked that it should bring forth grapes, brought it forth wild grapes? 5 And now go to; I will tell you what I will do to my vineyard: I will take away the hedge thereof, and it shall be eaten up; and break down the wall thereof, and it shall be trodden down: 6 And I will lay it waste: it shall not be pruned, nor digged; but there shall come up briers and thorns: I will also command the clouds that they rain no rain upon it. 7 For the vineyard of the Lord of hosts is the house of Israel, and the men of Judah his pleasant plant: and he looked for judgment, but behold oppression; for righteousness, but behold a cry. Third of a trilogy of songs with Song of Solomon and Psalm 45. This is the song that the Father sings to the Son about the Father/Son relationship and the Son's faithful commission as an adopted Son.

Isaiah 5:5	GH: WoD Teaching	5 And now go to; I will tell you what I will do to my vineyard: I will take away the hedge thereof, and it shall be eaten up; and break down the wall thereof, and it shall be trodden down: When Israel became Satan's LAWFUL CAPTIVE (Isaiah 49:24), it brought them to a place where Satan not only owns them, he's going to be able to come into the land and set up his base of operations in that land that he previously was not able to do. There was a HEDGE and a WALL that protected Immanuel's land. Satan can now come in and take control of a land that God said is Mine. TAKE AWAY THE HEDGE BREAK DOWN THE WALL
Isaiah 5:7	GH: WoD Teaching	7 For the vineyard of the Lord of hosts is the house of Israel, and the men of Judah his pleasant plant: and he looked for judgment, but behold oppression; for righteousness, but behold a cry. As Israel is getting nearer to this 5th CoP, here is what Israel is doing: - They are drawing closer and closer to the adversary - They are lining up with what he is doing At this point of no return, God gives Israel a bill of divorcement (Isaiah 50:1).
Isaiah 5:8-24	GH: WoD Teaching / WoD Category : LUST OF THE FLESH	LUST OF THE FLESH - The great debaucheries. These don't need to be perversions, they just need to be excesses. OED: Debauchery: vicious indulgence and excessive debaucheries in fulfilling the desires and passions of the flesh. v8: WOE UNTO THEM: v10: MM says these are very small measurements. v11: WOE UNTO THEM: v11: THAT RISE UP EARLY...THAT THEY MAY FOLLOW STRONG DRINK: That's an excess. v13: THEY HAVE NO KNOWLEDGE: Those to whom the word of God was committed to that the people were supposed to receive the word of the Lord, had rejected the word of God. Another place he says MY PEOPLE PERISH FROM LACK OF KNOWLEDGE-Hosea 4:6. v18: These are people who are attaching themselves to iniquity and it sin. The wicked ones that are actually cooperating with Satan's WORKS OF DARKNESS-Romans 13:12. v20: When Israel went into the 5th CoP, they were already doing this. Not every single person but the purpose of the DARKNESS is sometimes it can't deepen the DARKNESS in these people but it can broaden the DARKNESS to more people who haven't gotten there yet. Talking about how much it permeates the whole population. Get to the 5th CoP and what Satan is doing is now going to promote with them the enlightened thinking that changes how they perceive what is good and what is evil.

Isaiah 5:8-24	GH: WoD Teaching / WoD Category : LUST OF THE FLESH	v20: WOE UNTO THEM THAT CALL EVIL GOOD, AND GOOD EVIL: MM says when he was a young preacher boy, he wondered how this could ever happen. He didn't know that there were WORKS OF DARKNESS-Romans 13:!2 meant to produce this. v20: BITTER: When you put something bitter in your mouth, the first thing you do is spit it out. Means those things which were meant to be SWEET you want to get rid of. v24: AS THE FIRE DEVOURETH THE STUBBLE, AND THE FLAME CONSUMETH THE CHAFF: v24: One of the categories of the WORKS OF DARNESS-Romans 13:12 is going to go after the word of God so that it is DESPISED and rejected and CAST AWAY. These same WORKS OF DARKNESS are still working in this DOGG. These same WORKS OF DARKNESS will be used against you in the battle against the adverary and those WORKS OF DARKNESS are going to try to get you to doubt the doctrine. v24: THEY CAST AWAY THE LAW OF THE LORD: v24: DESPISED THE WORD OF THE HOLY ONE OF ISRAEL
Isaiah 5:20-24	JUSTIFICATION #4: Justification by human judges	20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! 21 Woe unto them that are wise in their own eyes, and prudent in their own sight! 22 Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink: 23 Which justify the wicked for reward, and take away the righteousness of the righteous from him! 24 Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the Lord of hosts, and despised the word of the Holy One of Israel. JUSTIFICATION #4: Justification by human judges. (Deals with civil and criminal matters within Israel) v20: WOE UNTO THEM THAT CALL EVIL GOOD, AND GOOD EVIL v23: JUSTIFY THE WICKED: Deals with the indictment of the leadership of Israel and their being worthy of the 5th Cycle of Punishment. v24: GH: John uses this terminology in Matthew 3:10.

Isaiah 5:24	GH: WoD Teaching	24 Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the Lord of hosts, and despised the word of the Holy One of Israel. THEY HAVE CAST AWAY THE LAW OF THE LORD...DESPISED THE WORD OF THE HOLY ONE: MM showing that historically, this is the same thing he was doing with the nation of Israel (GH: MM teaching the WORKS OF DARKNESS attacks of the 3 pillars). MM says this is happening today. People are despising His word. CAST AWAY: Throw it away. DESPISED: By the time you get to when God is not speaking to them at all, they're not just playing footsie with the DARKNESS, they have totally embraced the DARKNESS. They have accepted Satan's DARKNESS.
Isaiah 6	Divine Council	
Isaiah 6:1-5		1 In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple. 2 Above it stood the seraphims: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly. 3 And one cried unto another, and said, Holy, holy, holy, is the Lord of hosts: the whole earth is full of his glory. 4 And the posts of the door moved at the voice of him that cried, and the house was filled with smoke. 5 Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the Lord of hosts. This is part of what you would have already known about holiness when you read it in Romans 6:19. What Isaiah sees is taking place in the Throne Room of the 3rd heaven. It's a place where a particular aspect of God's character is demonstrated to everyone and that is His Holiness. Isaiah sees the Lord on a Throne, high and lifted up. There's a majesty/grandeur associated with this. v1: I SAW ALSO: Not saying someone was sitting with Him. Isaiah is layering on more information on top of Isaiah 1-5. He is picking up from THE VISION OF ISAIAH-Isaiah 1:1. Giving you the next part of the vision. v1: ALSO: Not saw one than one person, this is the SAW (vision) in addition to what he saw (VISION-Isaiah 1:1) earlier.

Isaiah 6:1-5		1 In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple. 2 Above it stood the seraphims: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly. 3 And one cried unto another, and said, Holy, holy, holy, is the Lord of hosts: the whole earth is full of his glory. 4 And the posts of the door moved at the voice of him that cried, and the house was filled with smoke. 5 Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the Lord of hosts. v1: TRAIN: MM thinks of a Bride's long gown that flows behind her. The Lord's robe literally fills the Temple. See it spread out in its majesty/glory. v2: See there are 6 wings on a seraphim. TWAIN" two. v3: That single characteristic of God - His Holiness - is being extolled in front of Isaiah and he sees it and hears it. Holy is the very essence of who God is. v4: As Isaiah realizes the Lord is on His Throne, He's high and lifted up, His train fills the Temple, this is majesty, this is the Creator of the Universe, I am standing in the presence of the Creator and His Holiness is being declared by the seraphim.
Isaiah 6:1-5		1 In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple. 2 Above it stood the seraphims: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly. 3 And one cried unto another, and said, Holy, holy, holy, is the Lord of hosts: the whole earth is full of his glory. 4 And the posts of the door moved at the voice of him that cried, and the house was filled with smoke. 5 Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the Lord of hosts. v5: The first thing that enters Isaiah's mind - he so recognizes how Holy God is, it occurs to him how unholy he is. MM laughs at people that say, when I see God I am going to tell Him...when you see God you are going to realize what a worm you are. All you have to do is see Him and there's unbelievable majesty. When Isaiah sees this and realizes he is unclean and the people he dwells in the midst of are unclean when he sees God in His Holiness. Isaiah calls the perfect opposite to holiness 'unclean'. But this is just defining holiness as the opposite of something else. If something is unclean, God does not want it around Him. MM goes through the clean and unclean throughout the law.

Isaiah 7:11		11 Ask thee a sign of the Lord thy God; ask it either in the depth, or in the height above. IN THE DEPTH, OR IN THE HEIGHT ABOVE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 7:14	Covenant : Davidic / God giving a sign	14 Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel. Davidic covenant promise: He is going to be God in the flesh. BEHOLD A VIRGIN SHALL CONCEIVE AND BEAR A SON, AND SHALL CALL HIS NAME IMMANUEL: God doesn't leave it up to the people to guess the sign, He tells you what the sign will be so that when you see it, you'll know what the sign is then, rather than guessing about it and guessing wrong.
Isaiah 8	GH: IPF verse	v13-15: Explaining what Jesus did and taught His disciples. Peter quotes this when he is explaining what is happening in the day of wrath (GH: find verse). v16-18: The Lord begins His public ministry in Galilee just as the prophets said He would. He calls His disciples to Him and begins to teach them. He is fulfilling Isaiah 8:16-17 in Matthew 5. He is binding up the testimony and sealing the Law among His disciples. These are the ones who were “given” Him for “signs and wonders in Israel” by the Father. Lay down the requirements for what it will take to be made part of the Lord's royal house, which is the government that will be set up when the kingdom is established and those that will be ruling with Him as part of His government. They're going to be installed in positions. v16: BIND UP THE TESTIMONY: The corrective doctrine given by the Lord Jesus. v16: SEAL THE LAW AMONG MY DISCIPLES: The disciples are to dispense both the Law and the corrective doctrine to the remnant. v18: GIVEN ME ARE FOR SIGNS AND WONDERS: Referenced in the Gospels. v20: When the program resumes, the “testimony and the law” are going to be preached to the nation within the gospel of the kingdom. The warning Isaiah gives is that if anyone speaks to them (the nation) contrary to the corrective doctrine of the Lord and the liberated Law which has been stripped of the traditions and commandments of men, then they are to know that they do not tell the truth (there is no light in them). v20: TO THE LAW AND TO THE TESTIMONY:
Isaiah 8	GH: IPF verse	v18-20: This is Isaiah looking forward to the 5th CoP-5th installment. v18: THE CHILDREN WHOM THE LORD HATH GIVEN ME ARE: Disciples prophecy. Quoted John 17 (multiple times) and THE CHILDREN WHICH GOT HATH GIVEN ME-Hebrews 2:13. v19: When you are tempted to join the apostate nation in their occultic practices, don’t follow them. Part of what is going to be happening in the Baal worship of the tribulation. They are going to tempt the remnant to participate in this. v20: TO THE LAW AND TO THE TESTIMONY: This is another testimony other than the tables of stone. The law of the testimony. Is being held not only by the disciples in the Days of the Messiah, but also by the believing remnant all the way through the Day of Wrath. MM says you have the O.T. law and the testimony of Jesus Christ through the Spirit - that's Israel's program. v20: THE LAW: The law of Moses.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 8	GH: IPF verse	v20: TESTIMONY: Refers to 'the testimony of Jesus Christ' prophecy - HE SHALL TEACH YOU ALL THINGS...BRING ALL THINGS TO YOUR REMEMBERANCE-John 14:26. That testimony was held by the little flock from the Days of the Messiah (such as John) and also will be held by the believing remnant in the coming Day of Wrath. v20: IF THEY SPEAK NOT ACCORDING TO THIS WORD, IT IS BECAUSE THERE IS NO LIGHT IN THEM: Their knowledge of the testimony will expose them as the false prophets they are. This is the equipping that is provided for the remnant. This equipping is not only to physically survive, but to discern the false prophets in spite of the “lying signs and wonders.” v20: THIS WORD: The law and the testimony. v20: THERE IS NO LIGHT IN THEM: They're false.
Isaiah 8:8		8 And he shall pass through Judah; he shall overflow and go over, he shall reach even to the neck; and the stretching out of his wings shall fill the breadth of thy land, O Immanuel. In the 5th Cycle of punishment when God is going to leave the land and allows the nation to be taken captive out of that land, and as He took down the hedge that allowed the adversary to come in, Isaiah used this terminology that says he comes in to “fill the breadth of “thy land, O Immanuel.” Isaiah knows to whom the land belongs. The earth belongs to the Lord, as He is the creator of it. On the earth, there is a piece of real estate that is marked out with boundaries fixed. Inside of that there is a place for His Sanctuary that has a special “set apartness” to it where God’s residence will eventually be set up. From there God will tabernacle among the people. THY LAND, O IMMANUEL He just told you in Isaiah 7:14 that a virgin will conceive and bear a Son and they shall call His Name Immanuel.
Isaiah 8:13-20	GH: SIIP Verse	See the same issue of some additional information being given after the Lord departs. Same as Daniel 12:4 and John 14 - 16. At the time Isaiah writes this, the “law” has not yet been completed, and the testimony hasn’t yet been given. But it will be. v16: BIND UP THE TESTIMONY, SEAL THE LAW: v16: TESTIMONY: Is talking about the additional instructions given to them by the Lord during His earthly ministry (which would be recorded in the gospels), plus the information given by the Holy Ghost after the Lord went away that was revealed to them and recorded in the books of Hebrews to Revelation. v16: THE LAW: Is a general reference to the entire Old Testament (OT) scriptures; Genesis to Malachi. When Isaiah is written, there are still other Books yet to be written.
Isaiah 8:14		14 And he shall be for a sanctuary; but for a stone of stumbling and for a rock of offence to both the houses of Israel, for a gin and for a snare to the inhabitants of Jerusalem. Jerusalem being in Judah but he is really talking about both houses here.

Isaiah 8:16-18	GH: WoD Teaching: PRIDE OF LIFE	16 Bind up the testimony, seal the law among my disciples. 17 And I will wait upon the Lord, that hideth his face from the house of Jacob, and I will look for him. 18 Behold, I and the children whom the Lord hath given me are for signs and for wonders in Israel from the Lord of hosts, which dwelleth in mount Zion. GH: MM showing how the WORKS OF DARKNESS-Romans 13:12 category THE PRIDE OF LIFE attacks the word of God. v16: 4. Now, He has to hear this (GH: What the Father will tell us at the beginning of LEVEL 3) from His Father. v16: AMONG MY DISCIPLES v16: MY DISCIPLES v18: THE CHILDREN WHOM THE LORD HATH GIVEN ME: Saying the Jesus and His disciples were given for signs and wonders. MM said they performed those. Jesus didn't get married and didn't have any kids but the Lord gave Him His disciples. Looking at this way, you now see the wisdom and the timing behind Jesus calling His disciples. It isn't just a good idea, it is what a Level 3 son does!
Isaiah 8:18	GH: GPPI/EoM verse	18 Behold, I and the children whom the Lord hath given me are for signs and for wonders in Israel from the Lord of hosts, which dwelleth in mount Zion. Disciples prophecy. Fulfilled in Acts 1 - 7. I AND THE CHILDREN WHOM THE LORD HATH GIVEN ME ARE FOR SIGNS AND FOR WONDERS IN ISRAEL: Quoted in Hebrews 2:13. To confirm the message that Jesus was the Messiah, the resurrection, and the last days to Israel. See Hebrews 2. Acts 1 - 8 not for us.
Isaiah 8:20	GH: WoD Teaching	20 To the law and to the testimony: if they speak not according to this word, it is because there is no light in them. IF THEY SPEAK NOT ACCORDING TO THIS WORD, IT IS BECAUSE THERE IS NO LIGHT IN THEM: Reminds of THERE IS NO TRUTH IN THEM-John 8:44.
Isaiah 9:1	Prophecy : Jesus	1 Nevertheless the dimness shall not be such as was in her vexation, when at the first he lightly afflicted the land of Zebulun and the land of Naphtali, and afterward did more grievously afflict her by the way of the sea, beyond Jordan, in Galilee of the nations. Says the first thing the Messiah will do when He shows up is to travel to Galilee. Fulfilled in Matthew 4:12-16.
Isaiah 9:2	Prophecy : Jesus	2 The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined. Prophecy about the Messiah is going to show up to the nation and this nation was in darkness. Fulfilled in Matthew 4:12-16. A GREAT LIGHT: Was going to come from their Messiah.

Isaiah 9:6-7	Covenant : Davidic	6 For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. 7 Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this. MM jokes it is usually read at Christmas even though it has nothing to do with Christmas. See the 5 titles - All pertain to the 5 mandates of the Davidic covenant - they are not in there by accident. They are in the exact order He functions in the Davidic covenant. v6: A SON: Should mean more to you now. v6: CHILD: Jesus v6: AND THE GOVERNMENT SHALL BE ON HIS SHOULDER v6: WONDERFUL, COUNSELLOR, THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE: MM says that these 5 titles line up with the 5 mandates of the Davidic covenant. Five titles all tie to the mandates of the Davidic covenant in that order. Describes the kingdom as it tied to the mandates of the Davidic Covenant.
Isaiah 9:6-7	Covenant : Davidic	6 For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. 7 Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this. v7: Over and over we find in this that the government is going to be upon His shoulder, that not just the throne of David and His kingdom but of the increase of that government there shall be no end. v7: OF THE INCREASE OF HIS GOVERNMENT: Government on this earth. Doesn't mention anything about the heavenly places because it is a mystery and he couldn't know anything about it. v7: INCREASE OF HIS GOVERNMENT AND PEACE SHALL BE NO END: Your Heavenly Father's Business will always be getting better, always doing more. v7: THERE SHALL BE NO END: Your Heavenly Father's Business will always be getting better, always doing more. If these are true for the earth, what do you expect about the heavenly places? That government is not restricted to the earth and to Israel, but we will fill the government of God in the heavenly places just as Israel will on the earth. v7: JUDGMENT AND WITH JUSTICE: MM now realizes that these are godly skills that are taught to a son who has been educated in the wisdom of His Father. Not justice according to the world's norms and standards, that government is going to be according to the **Heavenly Father's norms (of behavior) and standards (of conduct)**. v7: OF HIS GOVERNMENT AND PEACE THERE SHALL BE NO END: MM says there was government before us, there's government now, and in eternity there's still going to be government. You're going to be part of that government in the creature.

Isaiah 9:6-7	GH: GPPI verse	See a doctrinal truth set forth regarding what God swore to David in 2 Samuel 7 - referring back to the Davidic covenant. Verses are referring to the kingdom. He provides these things for Israel that they cannot provide for themselves. v6: The 5 Names all have to do or are in direct correlation with those 5 mandates of the Davidic Covenant which come out from the 5 core Jehovah compound names. These 5 are elaborated in the Book of Psalms. MM says that God is going to produce this through His Jehovah-ness. This is the thing He is been wanting to do and this is the most important reason that God interrupts the cycles and shows them what it could be like in the kingdom. Then He made a covenant with David about One who will be King of kings, who will come from David's line, and establish the kingdom of righteousness on this earth forever. v6: A CHILD IS BORN, UNTO US A SON IS GIVEN: Reason so that God can put His Jehovah-ness into effect for Israel. v6: A SON IS GIVEN: Through the Son that is given are the 5 core Jehovah provisions accomplished for Israel. This is what they will call Him when the kingdom arrives. He is going to be THE SON OF DAVID.
Isaiah 9:6-7	GH: GPPI verse	v6: WONDERFUL: Will call Him Wonderful in connection with His redemption which He performed on the Cross at His first Advent - Redeemer. Psalm 1-41. v6: COUNSELLOR: Will call Him Counsellor in connection with His deliverance in the day of the Lord's wrath - Deliverer. Psalm 42-73. v6: THE MIGHTY GOD: Will call Him The Mighty God in connection with His avengement in the days of the Lord's wrath - Avenger. Psalm 73-89. v6: THE EVERLASTING FATHER: Will call Him The Everlasting Father in connection with role as Blesser in the kingdom - Blesser. Psalm 90-106. v6: THE PRINCE OF PEACE: Will call Him Prince of Peace in connection with His kingship - King. Psalm 107-150. v7: UPON THE THRONE OF DAVID: Is the throne He will sit upon in the kingdom. Part of the Davidic covenant - YOUR THRONE WILL BE ESTABLISHED FOREVER-2 Samuel 7:16. v7: THE ZEAL OF THE LORD OF HOSTS WILL PERFORM THIS: God will produce this through His Jehovah-ness.
Isaiah 9:7	GH: Zeal verse	7 Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this. When you are zealous about doing something, it's like you are fervent about it (GH: MM tying to Romans 12:11b.). If you are zealous to do something, it is important to you. Like it takes over everything else. It's in your thoughts and then you will do it. You are eager to get this done. You can use the work enthusiastic about getting this done. It is your intention to get this done. If there's something you really want to do and it has taken over your thoughts, that's the ZEAL OF THE LORD. Really wants to get this done, He intends to do it. No new circumstances are going to change His Mind. Zealous and FERVENT are things we are or that we are not. Don't say that guys work is really zealous, say that guy is zealous.

Isaiah 10:5		5 O Assyrian, the rod of mine anger, and the staff in their hand is mine indignation. ASSYRIA IS THE ROD OF MY ANGER: GH: God used Assyria to punish Israel and then punished Assyria. God didn't make Assyria that way but use their wickedness to serve their purposes.
Isaiah 10:12	GH: GLORY Definition	12 Wherefore it shall come to pass, that when the Lord hath performed his whole work upon mount Zion and on Jerusalem, I will punish the fruit of the stout heart of the king of Assyria, and the glory of his high looks. **THE GLORY OF HIS HIGH LOOKS: The word "glory" is also used to describe the pride of those who are living contrary to God.** HIGH LOOKS: Pride
Isaiah 10:22-23		22 For though thy people Israel be as the sand of the sea, yet a remnant of them shall return: the consumption decreed shall overflow with righteousness. 23 For the Lord God of hosts shall make a consumption, even determined, in the midst of all the land. GH: Romans 9:27-28 - Paul to Romans GH: Paul quotes in Romans 9:27. Isaiah is not saying God is going to interupt your program, he is saying to them that even though all of Israel will not follow them, even though all of Israel won't be obedient, a remnant will and He is going to finish the work with that remnant. They still don't know anything about an interuption of the program because back then you could look at that and say, boy, Israel is so rebellious. How's God ever going to get this done and He tells you.
Isaiah 10:24	GH: SIIP Verse	24 Therefore thus saith the Lord God of hosts, O my people that dwellest in Zion, be not afraid of the Assyrian: he shall smite thee with a rod, and shall lift up his staff against thee, after the manner of Egypt. **Please see 'Definition : God : Hebrew Names' in the Commentary.** LORD GOD: 'Lord GOD' is always a reference to the Father.

Isaiah 11	GH: GPPI verse / GH: GPPI/EoM verse	Talks about the new heavens and new earth at the Second Advent before the kingdom and the things going on in that kingdom during this time. v1: Talks about Jesus being the capital B - Branch that will come. v4: He will judge with righteousness. v6-9: Things that will take place in that kingdom when He does rule in righteousness. Disciples understood this to be a literal kingdom, refuting commentators on Acts 1:6 saying there was no literal kingdom in view. v6: A LITTLE CHILD SHALL LEAD THEM: Not a tether around their neck. What this is speaking of is a little child saying to a lion or bear or whatever, “Come on” and the animal will just get up and follow. Willful submission on the part of the animal kingdom in eternity will be just the way it was originally intended in the Garden. The animal kingdom will once again be submissive to human kind. v7: See the curses taken off here (GH: from the Fall and the 3rd CoP). v9: This is the way is was in the beginning, this is the way it will be in the kingdom but when Israel comes along and disobediently and the whole world is under sin, God brings the 3rd CoP. Goes from involving your enemies (1st CoP), to involving making the land desolate (2nd CoP), to now whittling down your numbers through wild beasts in the land (3rd CoP). v9: THEY SHALL NOT HURT NOR DESTROY: In the kingdom, things will be restored to that “default setting” as the animals are once again willing servants to the redeemed of Israel. MM showing the full circle from man having dominion over animals in Genesis 2 to the 3rd CoP and wild beasts (Leviticus 26:21-22; 2 Kings 2:22-24).
Isaiah 11:1-9		Passage (v1-9) describes what is going to be happening from Egypt to the Euphrates/Iraq - all the Kingdom. It is NOT automatically be happening in the rest of the world YET. There's a process that has to take place here. You’ve got a number of things in this passage: God’s government, the righteousness that is going to dwell on this earth (and especially in the land of Israel), the establishment of the kingdom and so forth. A passage describing what it will be like both in Israel and the rest of the world when the Lord Jesus Christ sits on the throne of David and rules over the world. Easy to see this is about the Messiah and what He is going to do. Understand when this is. The Messiah does not show up until the Kingdom. That is when He is going to do that. When He does the curse (Genesis 3:17-19) that was put on the earth/animal kingdom is going to be removed.
Isaiah 11:1-4	Prophecy : Jesus	1 And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots: 2 And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord; 3 And shall make him of quick understanding in the fear of the Lord: and he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears: 4 But with righteousness shall he judge the poor, and reprove with equity for the meek of the earth: and he shall smite the earth: with the rod of his mouth, and with the breath of his lips shall he slay the wicked. 5 And righteousness shall be the girdle of his loins, and faithfulness the girdle of his reins.
Isaiah 11:1-4		This is the same terminology the Bible used to describe events following the new heaven and the new earth in Isaiah 65!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 11:1		1 And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots: JESSE: David's father. Referenced in Romans 15:12. BRANCH: Notice the capital B. Capital B Branch - reference to the Lord Jesus, the Messiah. Starts with Jesse. Guess where David developed the heart that God told Samuel, 'he (David) is the one'. Jesse! David was the only one out of all those boys who got that kind of heart from their father. Jesse had no idea this was coming, he simply did what a father should be doing. Jesse set David's attitude. But what he did results in God looking at David and and saying the thing I AM looking at your heart for - that attitude - that's the exact thing that I AM looking for. Add in Solomon and you have the whole cycle - an educated son (David) teaching his son (Solomon).
Isaiah 11:2		2 And the spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord; REST UPON HIM: That Branch WISDOM: He had His Heavenly Father's wisdom. UNDERSTANDING: Right out of the Table of Contents. COUNSEL: A MAN OF UNDERSTANDING SHALL ATTAIN UNTO WISE COUNSEL KNOWLEDGE: From the Table of Contents. FEAR OF THE LORD: Comes right out of the first exhortation.
Isaiah 11:3		3 And shall make him of quick understanding in the fear of the Lord: and he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears: Making decisions based on the same things that have been outlined for you.

Isaiah 11:4		4 But with righteousness shall he judge the poor, and reprove with equity for the meek of the earth: and he shall smite the earth: with the rod of his mouth, and with the breath of his lips shall he slay the wicked. WITH RIGHTEOUS SHALL HE JUDGE THE POOR, AND PROVE WITH EQUITY THE MEEK OF THE EARTH: Takes you back to the 'Sermon on the Mount'-THE MEEK MEEK: From the sermon on the Mount - the little flock. RIGHTEOUSNESS...EQUITY WITH RIGHTEOUSNESS SHALL HE JUDGE HE SHALL SMITE THE EARTH WITH THE SWORD OF HIS MOUTH, AND WITH THE BREATH OF HIS LIPS SHALL HE SLAY THE WICKED: MM says not with atomic bombs and machine guns but by His Jehovahness. Funny we take the parts literally we need to take like redemption but then these kinds of things we can't take literally. God is talking about Him doing it. Not 1948 prophecy fillment. SMITE THE EARTH WITH THE ROD OF HIS MOUTH, AND WITH THE BREADTH OF HIS LIPS SHALL HE SLAY THE WICKED: Reminds at what happened in Revelation 19 at the Second Advent. SMITE THE EARTH WITH THE ROD OF HIS MOUTH: Going to take place out there in the day of wrath. SHALL INHERIT THE EARTH. Lord picks up on this passage and talks about the very things that will happen out there in the Kingdom. SLAY THE WICKED: Going to take place at the third mandate of the Davidic covenant at the Battle of Armageddon where the Lord functions as Israel's Avenger.
Isaiah 11:6-9		6 The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them. 7 And the cow and the bear shall feed; their young ones shall lie down together: and the lion shall eat straw like the ox. 8 And the sucking child shall play on the hole of the asp, and the weaned child shall put his hand on the cockatrice' den. 9 They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the Lord, as the waters cover the sea.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 11:6-9		About the removal of the two-fold curse. The curse, the bondage of corruption and everything that God brought upon creation in connection with sin, actually came in two major parts: - the first part is described back in Genesis 3 - the second part comes with the flood Both effects (GH: SOPT & SOC) are removed when the Lord establishes his kingdom and they are not going to "hurt or destroy at all in his holy mountain." While that pertains especially in the land of Israel, it also extends out to the Gentile nations. v6: Look what's going to happen in this kingdom. Look how everything that this BONDAGE OF CORRUPTION, the SOPT get. All of this gets removed in the time of the Kingdom. Animals that were prey or predator will be pal-ing around together and this little child is going to lead them. Alfalfa farmers will have it good - more animals eating straw. POINT: It (BONDAGE OF CORRUPTION, SOPT) is all going to be removed. Keep reading and Isaiah will talk about the effect this has on the Gentiles.
Isaiah 11:6-9		Looks what happens. Put a bear and calf together now. The bear is thinking 'burgers'. The curse / BONDAGE OF CORRUPTION is going to be off of that. All the sufferings taking place will be done away with. These are the passages guys run to when they talk about Israel being a nation in 1948 and they go back into the land and they dwell safely and all that kind of business. Comes right out of these types of passages. MM notices though, their lions are not eating straw, the verses are not working so it is kind of hard for him to buy into that. Taking the prophetic program and dumping it into the DOGG. v6: THE WOLF SHALL DWELL WITH THE LAMB, AND THE LEOPARD SHALL LIE DOWN WITH THE KID: Sounds just like what was happening in Isaiah 65:25. Makes sense if you created and new heaven and new earth and the curse on the current earth was removed. v7: THE COW AND THE BEAR SHALL FEED v7: THE LION SHALL EAT STRAW LIKE THE OX v9: THEY SHALL NOT HURT OR DESTROY IN ALL MY HOLY MOUNTAIN
Isaiah 13	GH: Ungodliness	This is instruction for the believing remnant of Israel who will find themselves out there in the Day of Wrath. Isaiah 13 will refer them back to the redevelopment of THE WORLD OF THE UNGODLY-2 Peter 2:5. They are being shown some things so they understand what is happening around them so they can start looking at the world at large the same way their Father looks at the world at large. The the effects of the Lord's Day of Wrath upon both the world and the apostate element of Israel. Both Israel and the world have outraged God's justice at this point. MM says that this is a pretty dreadful description of what's going to be happening at the Day of the Lord. v6: THE DAY OF THE LORD: The Day of the Lord's Wrath on our timeline. v6: AS A DESTRUCTION FROM THE ALMIGHTY: Description of the day of the LORD. v7: THEREFORE: Is pointing you back to the Day of the Lord. Here are the things that are going to happen as a result of that. v7: EVERY MAN'S HEART SHALL MELT: They are going to be facing the reality of the Lord's Wrath, caused by fear.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 13	GH: Ungodliness	v9: WRATH AND FIERCE ANGER: MM says these words ought to conjure up the extremeness of God's justice being outraged with THE WORLD OF THE UNGODLY-2 Peter 2:5. WRATH AND FIERCE ANGER...LAY THE LAND DESOLATE...DESTROY THE SINNERS v9: MM says there are 2 things here: 1. TO LAY THE LAND DESOLATE 2. DESTROY THE SINNERS THEREOF OUT OF IT v13: I WILL PUNISH THE WORLD FOR THEIR EVIL, AND THE WICKED FOR THEIR INIQUITY: Like we goad Satan with the Lord's Table, MM says these men goad God into doing something and this is provoking The Lord's justice. v11: MM says in the old days, he would read this and think He is just repeating it in a different way. But the word AND will not let you do that. It's not a repetition.
Isaiah 13	GH: Ungodliness	Otherwise, you wouldn't have the word AND in there. God is going to PUNISH 2 things: 1. THE WORLD FOR THEIR EVIL, AND: The big group. The world is opening its arms to the adversary and welcoming his policies of evil and are promoting ungodliness and unrighteousness and unholiness. They' are welcoming that repudiation of everything that God is doing. They are making an open choice, we don't want God, we do want ungodliness. They want it, they revel in it, they boast of it, and they're proud of it. They aren't making any bones about it, they don't want God. MM says this is where it is going. This should get you thinking that you understand why God is looking at the world the way He does and why He returns at the Second advent. The world at large is going to oppose Him. They are just expressing how much they hate God. They will reach a point where they will be considered wholly evil (GH: verse?). These are the guys riding the train. But there are other people who know exactly what they are doing on that train. They may not know what's going on but they love doing what they do. MM says that the flesh of man loves to get caught up in ungodliness. They are not selling it but that doesn't excuse them. EVIL: OED: Evil: the antithesis of good in all its principal senses. MM says in the pre-Flood world, there was a small group that disagreed with them. 4There was 8 on the boat. There were not many at Sodom and Gomorrah. How many people will need to be faithfully living in the DOGG before God considers the world at large to be wholly evil. Doesn't mean that every single person has to be evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 13	GH: Ungodliness	2. THE WICKED FOR THEIR INIQUITY: The ones who purposefully sign up to be the promoters of ungodliness in the world. They are the movers and shakers behind Satan's POE. They are the ones that go out and convince the rest of the world to get on board with the POE that Satan puts forth. Driving that, Satan's right hand men to keep it going. To not only be ungodly but to be satanly, to take on the characteristics of the adversary. These are the guys that are shoveling coal into the engine and stoking that fire in the engine compartment to move the train faster down the tracks and it is picking up speed. WICKED: The same men that would have promoted the ungodliness of the world in time past and the same king of men that will join the antichrist for the extermination of His people Israel and to make the world into the world of ungodliness. They are the very men who will oppose Christ at His Advent, that do not want Him to return, that do not want His Righteousness, and do not want His Kingdom. They are going to stand with Satan in that and they're willing to participate in that.
Isaiah 13	GH: Ungodliness	INIQUITY: Talking about the way God views sin or ungodliness or an act being sinful or an unrighteous act or an ungodly act, that's what God calls INIQUITY. He is talking about the abominableness of how He views that particular axt that causes His outrage to boil up in Him to the point to where what He wants to do is immediately stamp it out and exterminate it. It is that bad to Him and when He uses the word INIQUITY, He is saying the things that they are doing, they're not just sinners committing sin, but they're actually involved in the escalation of sin to bring it to a point of such utter ungodliness and rebellion against God and they're so aligned with what Satan is doing that when God sees INIQUITY, His instant reaction is to want it annihilated on the spot. But in this DOGG, with MUCH LONGSUFFERING-Romans 9:22 He is enduring this. But that doesn't means this is not how He feels about it. These are given the same descriptive term given to the man of sin (GH: antichrist) in the tribulation [THAT WICKED-2 Thessalonians 2:8] and what they are doing God considers to be INIQUITY. If it were not for the more important thing that God is doing, His fury with the point at which the ungodliness of the world has come to, if it had not been for the DOGG, you could have shoved the tribulation right over to Acts 7 on the timeline.

Isaiah 14		Satan's plan in Isaiah 14 is to usurp control of both of these realms. There's an idea that Satan's throne was on this earth. When Satan fell, God says OK, I am going to turn it over the Adam. This is the reason Satan really hates man, because he thinks this is his domain. Satan has to get God's regent, Adam, to fail, to sin. So Satan also becomes the prince of this world.

Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. Isaiah prophecizing about the end of Lucifer, when it is all going to come to a conclusion. The Satanic plan - lists the steps he must take to achieve his goal, then he will give us his goal. Going back in time at the rebellion of Lucifer, when he gets lifted up with pride. Satan was the big shot - 'the anointed cherub that covereth'. He was lifted up with pride - looked around and said there isn't anyone like me? The Lord said 'hang on, there will be a bunch of people that will make you look like nothing. Have your replacements coming and they are way smarter than you are'. v13: SIDES OF THE NORTH: Heaven is north. v14: GOAL: I WILL BE LIKE THE MOST HIGH (Genesis 14:18-19: means possessor of heaven and earth - that's what Satan is after). Satan is not saying he wants to replace God. He knows he can't do that. He says he will usurp the heavens and the earth. So he traffics his iniquities and defiles his sanctuaries (Ez 28:18).
Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. The Satanic PLAN of Evil - different from the POLICY of evil - The 5 'I will's' or steps that Satan is going to take - I WILL - 4 Steps given in order that Satan must accomplish to achieve the goal: 1. I WILL ASCEND INTO HEAVEN 2. EXALT MY THRONE (is power and authority) ABOVE THE STARS OF GOD (not just talking about the physical stars, STARS are another way the Bible describes angels) 3. SIT ALSO (this is another throne-it's a little higher throne) UPON THE MOUNT OF THE CONGREGATION, IN THE SIDES OF THE NORTH 4. ASCEND ABOVE THE HEIGHTS OF THE CLOUDS (clouds in heaven, not the clouds on this earth): This is the next throne. HEIGHTS even though plural is the area that Romans 8:39 is referring to. MM understands these are 3 thrones that Satan had to occupy in order to make his goal come to fruition. CLOUDS: Mentioned 141x in your Bible and over 100 of those times is talking about the clouds in the heavens not the clouds on the earth.

Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. GOAL: I WILL BE LIKE THE MOST HIGH (Genesis 14:19: means possessor of heaven and earth - that's what Satan is after) Satan is not saying he wants to replace God. He knows he can't do that. He says he will usurp the heavens and the earth. So he traffics his iniquties and defiles his sanctuaries (Ez 28:18). 5. I WILL BE LIKE THE MOST HIGH: Lucifer wants to be like the most High, which as we know, is a title that means possessor of heaven and earth. The ultimate goal of the plan of evil. He doesn't say 'I will be God'. Satan knows that he can't get rid of God, knows he can't kill off God. He wants to BE LIKE THE MOST HIGH, possessor of heaven and earth. Not saying he wanted to be God, wants to be possessor of heaven and earth-defined in Genesis 14:18-19. He doesn't want to be like Adonai or Jehovah, he wants to be like the most High. There is a particular aspect of God that He is the possessor of heaven and earth and Satan says I want that and starts with the rebellion in the heavenly places.
Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. His Satanic POLICY of evil is what he has to do to make these things happen. The plan of evil contains three thrones that Satan needs to occupy in in order to achieve his goal. The 3 thrones comprise the fullness of the creature. He wants put his throne over the angelic realm and to take possession of the creature. Points: - Those three thrones comprise the fullness of the creature - The first throne puts Satan over the angelic realm - By this throne he seeks to take possession of the creature - The third throne that Satan will “ascend” to is “above the heights of the clouds” (there is that word “heights”) - The clouds referred to are in the third heaven (clouds are mentioned almost 141 times in the Bible with over 2/3 of them referring to the clouds in heaven) Back before Adam, the anointed Cherub, Lucifer, has a plan of evil and that plan of evil is written down in Isaiah 14 - 5 steps. Satan was the big shot - 'the anointed cherub that covereth'. He was lifted up with pride - looked around and said there isn't anyone like me? The Lord said 'hang on, there will be a bunch of people that will make you look like nothing. Have your replacements coming and they are way smarter than you are'.

Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. v13-14: Five step plan of evil with the last being the ultimate goal. v13: SIDES OF THE NORTH: Heaven is north. This is the plan that hatched into Satan's mind when he thought I would be a better possessor of the heaven and earth than God. These 5 I WILLs are the steps he would take to make that happen. The last one being the goal - the Most High - possessor of heaven and earth.
Isaiah 14:12-14	Plan of Evil - Satan and the 5 'I will's	12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. v13: THOU HAST SAID IN THINE HEART: When Satan was first doing this, he had to have a plan on what he was after. This is when Satan first began to put this thing together. When Satan formulated this plan, it was back before there was ever an Israel on this earth and before the body of Christ. Satan knew nothing about the body of Christ because it was a mystery hidden from the foundation of the world. Means there are things he put into motion that did not account for the body of Christ showing up. All of a sudden, Paul comes along and that gets going. Satan tries to do some things and they won't work because he didn't realize what he was going to be dealing with. He thought this was going to work a whole nother way. v14: HEIGHTS: MM wants to explain this HEIGHT issue (GH: from Romans 8:39). Looking at here that throne that is in the HEIGHT because if he doesn't possess the heavens it is impossible for him to carry out his goal of being like THE MOST HIGH and it will be extremely difficult for him to do what he wants to do on this earth. The heavens are the main key to what is being done. v14: I WILL BE LIKE THE MOST HIGH v14: CLOUDS: Not clouds in the earth, clouds in the heavens. It's where this whole context is. v14: I WILL BE LIKE THE MOST HIGH: Not just adjectives, this is a title that means something to God. Genesis 14:19 tells us the MOST HIGH GOD title means POSSESSOR OF HEAVEN AND EARTH. Satan knows he can't get rid of God, why he says LIKE. But what he can do is usurp or steal the control of heaven and earth.

Isaiah 14:13	Divine Council = MOUNT OF THE CONGREGATION	13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: You know about the Plan of Evil and the 5 I WILLs. Here is what he is after here - he wants to be in charge of the Divine Council, he wants to call the shots, he wants to run the show. God normally runs the council. He has been part of that council and he is thinking I could do a better job at running this. MOUNT OF THE CONGREGATION: AKA MOUNT OF THE HOLY ONES-v?, MOUNT OF THE MIGHTY-v? - 'Divine Council' terminology
Isaiah 14:14	GH: WoD Teaching / GH: GPPI verse	14 I will ascend above the heights of the clouds; I will be like the most High. LIKE THE MOST HIGH: Doesn't mean that he thinks he can destroy God, he does not means he thinks he can do away with Him. Just because he usurped possession of heaven and earth, doesn't mean he gets God's Thrones. He doesn't get to sit on the Throne John sees in Revelation 5. He wants to set up 3 similar counterfeit thrones from which he will rule over the area that he has taken possession of. Satan wants God to say, OK, you've got this stuff. You rule over your part and I WILL rule over My part. But we know that God is NOT going to say that. He is either going to have it all or have none. He is not going to compromise with the adversary. But Satan is just trying to hang onto his part. To be LIKE THE MOST HIGH, he has developed 3 categories of THE WORKS OF DARKNESS-Romans 13:12, all 3 are pointed at strategic targets (GH: like the WW II & German ball bearing plant story). Satan is declaring the goal of his plan of evil; to become the possessor of heaven and earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 14:15	Prophecy : Demise of Lucifer	15 Yet thou shalt be brought down to hell, to the sides of the pit. Will be the end of the adversary. Where Satan finds himself at the time when the policy and plan of evil are going to be destroyed. Picture Michael the archangel, holding onto Satan, ready to cast him into the (GH: bottomless) pit. Satan is bound with chains. Satan is wrapped in chains, standing at the opening of the pit. Israel is singing to him as God demolishes Satan's plan of evil and his policy of evil. Satan's unclean spirits are cast into prison in Old Babylon. And the bondage of corruption gets done away with at this time. While this is very interesting to study, what we want to focus on is that it is at this time that the sufferings associated with the POE are done away with at this time. Bible talks about angels being bound with chains under darkness and the redeemed of Israel is going to be standing by, gathered together to watch this and they are going to sing a song. The song they will sing is about him. This is what you said you would do and now look what has happened to you? Think of as a zoo with cages. These unclean spirits are actually going to be kept in an area, actually a couple areas, one is Babylon, they are going to be cast into prison. During the Kingdom, when people travel to Jerusalem, they will be able to pass by there and be able to go in and look at those spirits that aligned themselves with Satan. THOU SHALT BE BROUGHT DOWN TO HELL, TO THE SIDES OF THE PIT: Is the exact opposite of what Satan thought. Instead of being highly exalted in the heavenly places, Satan end up as stated in v15. That pit is at a location on this earth. MM wants to talk about this verse to rub it in the nose of the adversary. When you get out there in the Kingdom and all the nations come in that day and see the King, they will pass through several different paths to get to the Land of Israel. There is going to be set up along these major routes to Israel. Almost like a zoo. The unclean spirits and those fallen angels are going to be on display and people are going to pass through and look at them. Will be set up like a zoo where you can look at all the animals in the cages. God is going to put on display those who rebelled agaisnt Him from the angelic realm. For the people that pass by, it's a reminder that this is what happens when you rebel against God. This is the end.
Isaiah 19:25	GH: Inheritance verse	25 Whom the Lord of hosts shall bless, saying, Blessed be Egypt my people, and Assyria the work of my hands, and Israel mine inheritance. ISRAEL MINE INHERITANCE: GH: Verse that indicate God will receive an inheritance (MM teaching Ephesians 1:18).
Isaiah 22:13		13 And behold joy and gladness, slaying oxen, and killing sheep, eating flesh, and drinking wine: let us eat and drink; for to morrow we shall die. GH: 1 Corinthians 15:32 - Paul to Church at Corinth
Isaiah 24:18		18 And it shall come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that cometh up out of the midst of the pit shall be taken in the snare: for the windows from on high are open, and the foundations of the earth do shake. Watch this progression in v18-23. Notice the terminology of what is happening to the earth, it looks pretty final. HE WHO FLEETH FROM THE NOISE OF FEAR: There is something that's creating fear and when they hear the noise, they run. THE EARTH DO SHAKE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 24:19		19 The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. EARTH IS UTTERLY BROKEN DOWN CLEAN DISSOLVED MOVED EXCEEDINGLY
Isaiah 24:20		20 The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again. REEL TO AND FRO LIKE A DRUNKARD REMOVED LIKE A COTTAGE IT SHALL FALL, AND NOT RISE AGAIN: Looks final.
Isaiah 24:21	GH: Prophecy : Christ : Second Advent	21 And it shall come to pass in that day, that the Lord shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. See the 2 groups being punished here. You are going to orchestrate angels to go out and conduct a military campaign throughout the entire universe and every single one of those angels is going to get hunted down, found, and cast down to the earth. Why it says at Armageddon, He is not only going to come against the kings of the earth but against the host of the high ones that are on high. MM says gather them together in a pit. The military expression is shooting fish in a barrel.
Isaiah 24:23		23 Then the moon shall be confounded, and the sun ashamed, when the Lord of hosts shall reign in mount Zion, and in Jerusalem, and before his ancients gloriously. THE MOON SHALL BE CONFOUNDED, AND THE SUN ASHAMED, WHEN THE LORD OF HOSTS SHALL REIGN IN MOUNT ZION: Introduces the next concept. Paints a picture they hid themselves. THE MOON SHALL BE CONFOUNDED, AND THE SUN ASHAMED, WHEN THE LORD OF HOSTS SHALL REIGN: Sun and moon will not be doing what they are doing now in the AGES TO COME.
Isaiah 25:1-8		Is a song of deliverance. In this chapter, the great tribulation has passed and the SUN OF RIGHTEOUSNESS-Malachi 4:2 has arisen. SUN OF RIGHTEOUSNESS is one of the ways that Israel's Messiah is pictured in reference to the Kingdom set up on the earth. This is a chapter of pure joy as it speaks of the 1000-year kingdom of Christ upon the earth. v1: v4: v6: Talking about things that are considered to be bountiful. A superlative way of describing what the Lord is providing. v7: MM says there are two things that Satan did to keep control of the things that were happening on the earth. 1. he put a covering over all of the people (not just about Israel) so they couldn't see. 2. he puts a vail over all of the nations. This is a double covering. At the kingdom, what Isaiah is talking about here, both of those get destroyed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 25:1-8		v7: HE WILL DESTROY IN THIS MOUNTAIN THE FACE OF THE COVERING CAST OVER ALL PEOPLE, AND THE VAIL THAT IS SPREAD OVER NATIONS: Satan did two things - double covering. At the start of the kingdom, both of these get destroyed. The Lord will, at the #me of His kingdom on the earth, destroy two things: 1. COVERING: Got put in place at the tower of Babel (Genesis 11). 2. VAIL: Got put during Babylonian captivity - 5th CoP. The LIGHT to the nations that Israel was supposed to be is not being shined. This is the vail. MM recalls the respite the God gave Israel during the time of David and Solomon, postponing the judgments and giving them a foretaste of the kingdom. Not near as good as the kingdom but still so good. EX Queen of Sheba story. He gave them a taste of what it will be like if you follow the Lord, this is what you can be if you abandon those idols and those false gods of yours. But Solomon falls, he dies, and then the kingdom divides and you are back in those CoP again. God is saying, look, you guys are not really cooperating with what I want to do here. People are supposed to look at Israel and say what God is there that does these kinds of things? There was supposed to be a manifest difference. But when they go away captive, they are thinking so much for that one. Look what that got them. That is the VAIL that got put over the world in addition to the covering.
Isaiah 25:1-8		People will still have the free will to not submit to Israel in the Kingdom even with the covering and vail removed. But the decision you have made is with your eyes wide open which really makes you accountable instead of oh, I got fooled. The Covering was established at the Tower of Babel to blind the nations to God. God raises up His nation to be a “light unto the Gentiles.” Satan blinded the nations to that light by means of his “vail,” which was established at the 5th CoP. But, at the establishment of the Kingdom on earth, God will destroy the covering and the vail which blinded the nations. v7: ALL PEOPLE: More than just Israel. v8: HE WILL SWALLOW UP DEATH IN VICTORY: Death will give way to victory. The resurrection of the saints (justified believers who have died) at the beginning of the Kingdom for Israel. Paul quotes DEATH IS SWALLOWED UP IN VICTORY-1 Corinthians 15:54 and this is at the BLESSED HOPE-Titus 2:13. In the Kingdom, death will give way to victory (life) by means of the resurrection. This is not yet the time when death is done away with, so this is a reference to those who have died, being raised from the dead at the start of the Kingdom.
Isaiah 25:1-8		The “victory” is that which Christ Himself achieved over death. Death is no longer reigning for them. v8: THE LORD GOD WILL WIPE AWAY TEARS FROM OFF ALL FACES: Tells us that God will furnish a complete and perfect consolation to the broken-hearted. v8: THE REBUKE OF HIS PEOPLE SHALL HE TAKE AWAY: Means that God will take away all reproach, contempt and opposition to the Believing Remnant (BR) of Israel.” Come from the other nations of the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 25:6-7	GH: GPPI verse	Describes the wondrousness of the day when the kingdom is established. See a wonderful feast that is set up by the LORD of hosts. God will lay out this great banquet and feast for the remnant that the angels have brought back into the land of Israel. v6: MM says the terminology is unfamiliar here but all you need to know is there's a really good banquet here and the Lord is the one that did it. v7: At that time, God will destroy a covering that has been cast over all people and He will destroy the vail that is over all nations. This is a reference or description for what we have called Satan's "plan of evil", which is the covering (over the people) and a vail (cast over the nations) that was cast over the people and nations in Genesis 4 - 11. Both of these hinder your ability to see past them. The plan of evil put a cover and a vail over the people and the nations - ALL people and ALL nations. Even the nation of Israel got caught under the plan of evil and began to worship other gods and make idols and make their children pass through the fire and they forgot about God. Even came a time when someone discovered the Book of God in the Temple ad brought it to the king.
Isaiah 25:6-7	GH: GPPI verse	It was read and he went oh my goodness, it's the word of God. Get the prostitutes out of the temple, we're supposed to have sacrifices in there. They had forgotten all that. MM asks how far away can you get from God before you don't understand what this building was constructed for anymore? The nations continued to be infected and followed that same course that was charted long ago. This "plan of evil" was just like Isaiah said; it was a "covering" that was cast over all people and it was like a "vail" that was spread out over all nations. A covering and a vail have some things in common, in that when they cover and are spread out, they create a darkness. They block the ability to see what is beyond them and this is just what Satan was doing. The covering kept them from looking above and the vail kept them from seeing around them. Satan was darkening their understanding. I suppose you could say that Satan's strategy was to keep the world "in the dark" with regard to the truth. Even Israel, during their history, was under that covering and darkened by that vail. But at the establishment of the kingdom, all that is going to be destroyed.
Isaiah 25:6-7	GH: GPPI verse	The "light" of God's ways and paths will go out to the nations to remove the vail and rip away the covering and for the first time, the nations will see what they had actually been involved in. God will repossess the land of Israel and plant His people in that land. They will, as that holy nation and kingdom of priests, carry the word of the Lord to the rest of the nations. Through their activity, the nations of the world will be reconciled to God. To do this, He will send our His angels to the four corners of the earth and they will gather together His elect. Another passage says, He will gather them one by one. The angels are going to be sent out to gather them back in. They will, as that holy nation of kingdom of priests, carry the word of the Lord to the rest of the nations, and through their activity the nations of the world will be reconciled or brought back to God. When God destroys the plan of evil, the blinders come off and people are able to see things for what they are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 25:6	Prophecy : Kingdom	6 And in this mountain shall the Lord of hosts make unto all people a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined. Describes the great celebration that will be taking place. Not only do the SOPT get destroyed (Isaiah 65:16-17) but the SoC too. MM says it may seem like strange terminology, but he is going to shorten it up - it's a celebration. It's a celebration for a particular reason. There is something that God will have done away with. Celebrating that something doesn't exist any longer - Satan's plan of evil and policy of evil. A (great) FEAST: A lot of unfamilar terminology that we wouldn't use. All of the phrases have meaning, Picture in your mind the ultimate celebration that could ever be had and what is happening: - a new heaven and a new earth - things that troubled you are gone - the curse is gone
Isaiah 25:6	Prophecy : Kingdom	6 And in this mountain shall the Lord of hosts make unto all people a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined. - SOPT is gone - BONDAGE OF CORRUPTION is gone - plan of evil is gone What kind of celebration do you think that would cause? Exactly what is going on with this. MM says the remnant has parallel issues with us. When the Lord comes back and He destroys His enemies and He sets up His kingdom, something wonderful is going to happen with the whole world. He is going to set up a feast of high royalty and invite the whole world when the kingdom gets itself set up. This is what is being described in Isaiah 25.
Isaiah 25:6	Prophecy : Kingdom	6 And in this mountain shall the Lord of hosts make unto all people a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined. Isaiah is not only talking what was done in the past with the COVERING and the VAIL, he is taking you forward to the start of the Kingdom and talking to you about what God is going to do at the start of that Kingdom. The first thing is this huge feast that takes place for all the people of the world. ALL PEOPLE: Not just Israel. Terms we are not used to but all descriptive of a festivity that is of a high royal nature and it is at the start of the kingdom and all people are going to be invited to this feast. People come and they've never seen anything like that in their life. The Lord is going to say I want you to go back to your countries and I AM going to send My representatives to you and they're going to come to you with Truth. This is going to begin the repossession of the earth. The Lord doesn't just take that back in a moment and by His own Power. There is a process whereby nations choose, people choose to be part of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. MM says have you ever wondered why it is so hard for people to see this/understand this. It looks plain to him. Look what is in the very next verse after the celebration verse. Tells you why there is a great celebration, for the “plan” and “policy” of evil are both destroyed. Terminology used in Isaiah to describe Satan's plan of evil and the policies he instituted to carry out that plan. VAIL: The VAIL that was spread over the nations, MM sees as more the particular POE. Just because Satan, during the Kingdom, is in the bottomless pit, doesn't mean his policies are not having a residual effect. They are. HE WILL DESTROY
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. THE COVERING CAST OVER ALL PEOPLE COVERING: Is the Satanic plan of evil, which is outlined in Isaiah 14:12-14-the 5 'I will's, with the last one the ultimate goal-'I will be like the most high'. Notice the COVERING cast over ALL the people and God is going to destroy that thing when the Kingdom gets here. So you know without even knowing what it is, you know it isn't something God wanted. MM sees that as his overall plan. THE VAIL THAT IS SPREAD OVER NATIONS VAIL: Satan's policy of evil. The things Satan is doing to achieve his plan of evil. Call them the COVERING and the VAIL (GH: plan and policy, respectively), that is really what those amount to. He is going to remove both of the categories of suffering.
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. Answers the question why you have such a hard time with the people that you talk to (GH: about KJV, RDW, Sonship, mystery, etc.) and they don't get this. It's hard for people to come to grips with this because of what they've learned and what they're used to knowing. That's part of the DARKNESS, the ability to blind their minds, lest the LIGHT should shine unto them. Satan did 2 things at 2 different times. 1. he cast a COVERING over all people. If someone casts a covering over you, you are in DARKNESS. You can't see what's going on on the other side. At some point, Satan was successful in casting a covering. 2. he cast a VAIL over all nations. v7: HE WILL DESTROY: Will happen at the same time He starts His Kingdom. He will DESTROY the COVERING that's cast over all people and the VAIL that is cast over all nations. And THE WORD OF THE LORD (will go forth) FROM JERUSALEM-Isaiah 2:3.v The COVERING and the VAIL that hid their minds from seeing the LIGHT has been destroyed and now there's an honest opportunity for them to hear the Truth and respond to the Truth and be part of that Kingdom. He doesn't do this till the start of the Kingdom. MM asks is Satan's COVERING and Satan's VAIL got done back in O.T. times, aren't they still in place? You better believe it. The COVERING and the VAIL are still there - even people who know the Lord, even people who go to church every Sunday, even the people who have all the trappings of that, they are going to hear the LIGHT, they'll see this LIGHT, you'll try and tell them, and they won't hear. Same testimony that the Lord used in the O.T. - EYES BUT SEE NOT WHO HAVE EARS THAT HEAR NOT-Jeremiah 5:21.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. That part hasn't changed. Our group was SOMETIME DARKNESS but have now come to this place and learning about what's happening and what Satan has done to keep things entrenched the way they are. MM says he used to meet people who would be vehemently opposed to this and think they are just being a jerk. Now, he thinks they are under the COVERING and the VAIL. They can't acknowledge what they don't see. They can't explain what they don't understand. You can't convince them because the DARKNESS outweighs the LIGHT, it's a status of NIGHT. GH: We are dealing with these issues as well in our commission. But we will begin to impact that as we CAST OF THE WORKS OF DARKNESS-Romans 13:12. THE COVERING...THE VAIL VAIL: GH: Don't think of bridal veil where you can kind of see through, think of the VAIL of the Temple that separated the holy place from the holy of holies, a thick woven, dyed curtain that was so heavy and so thick that no one could see what was going on on the other side. Would have made the holy of holies dark. So what is in there beside the Ark of the Covenant? The candlestick because you've got to have LIGHT in there because the VAIL keeps the LIGHT from coming in.
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. This COVERING was especially for the Gentiles because God's Purpose in calling out Abraham and making an unconditional covenant with him to make of them a great nation and to be the people through whom God would repossess the earth back from the adversary to Himself. Then, Satan is making a plan whereby if hos policies of evil fail against Israel, the COVERING will make it all the more difficult for the Gentiles to see that LIGHT and be impacted by it. At the same time, that COVERING can also be applied to the nation of Israel and he is hoping it has the same affect on them. But if it doesn't, and God's LIGHT of the Truth gets established in Israel, then he has a foothold with the Gentiles and that covering has 3 aspects to it. 1. It is designed to keep people in DARKNESS or untruth. That is now more predominant and has brought the world into a NIGHT situation. There was a time that Satan's NIGHT came into existence by the preponderance of untruth over truth in the hearts and lives of men and now he brings that covering in to keep people in DARKNESS.
Isaiah 25:7	GH: WoD Teaching	7 And he will destroy in this mountain the face of the covering cast over all people, and the vail that is spread over all nations. 2. It is meant to obstruct the LIGHT of Truth. It's supposed to make it so that someone can be faced with the LIGHT of Truth and not see it. 3. It is meant to intensify this increasing DARKNESS, to intensify the DARKNESS of his untruth, to make it more cemented in and to replace what Truths are still there and still believed, those are going to go away. In the Kingdom, both the COVERING and the VAIL are going to be destroyed so that when the word of the Lord goes forth from Jerusalem to the nations of the world, they are no longer under the COVERING and the VAIL. They will be able to hear and to see the Truth, the LIGHT of the Truth and be more likely to respond positively to that LIGHT.

Isaiah 25:8		8 He will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth: for the Lord hath spoken it. The prediction that is fulfilled in Revelation 21:4. WIPE AWAY TEARS FROM ALL FACES: Not just Israel. MM says reminds of the Book of Revelation. ALL FACES: Not just Israel THE REBUKE OF HIS PEOPLE: That's Israel. Rebuke would come from the other nations of the world. HIS PEOPLE: Israel GH: 1 Corinthians 15:54 - Paul to Church at Corinth

LEVIATHAN will get his just desserts at the day of the Lord. v1: Reference to the day of Advent. v1: GH: Gives us a connection or time element between God, Leviathan, and the day of the Lord. Dragon is in the sea is just like Job 41. v1: See that there is a particular place on the earth where Satan has chosen to live. The Lord is going to deal with him at that very place. This is a particular stronghold that Satan has set up on this earth. The sea that is under consideration is the Red Sea. It is one of the enterances to the pit. Isaiah 27:6		23 I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, That unto me every knee shall bow, every tongue shall swear. False prophecy: Israel, once a desolate desert, would blossom in the last days and export produce to the world. MM rolls out a satellite map of Israel. When the Kingdom and the covenant promises fulfilled, it won't look like that. Contingent on the Convenant made with David to be filled by the Messiah.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 28	GH: GPPI/EoM verse	What to expect following the death of the Messiah on the Cross. The response of the religious leaders prophecy. The false religious system, upon which the leaders of Israel stood, was an uncertain foundation. In spite of the miraculous ministry and kingdom message of the Messiah, they rejected everything about Him. They refused His message and rejected Him with a growing intensity that resulted in His crucifixion on the Cross. They said “no” to the “tried stone” of his ministry, “no” to the “precious cornerstone” of his redemptive death on the Cross and now they have an opportunity to respond to the “sure foundation” of His resurrection as they are given time, in the extension of mercy, to respond to the sign of the prophet Jonah. This is the work the apostles are doing, and, as prophesied, they are doing it under the administration of the Holy Ghost. v14-15: Israel leaders rejecting the kingdom is at hand message. Looks at the response of Israel’s religious leaders to the preaching of the kingdom. This is the response to the preaching of John the Baptist, Jesus, the twelve and the seventy that the nation needs to repent in view of the approaching day of wrath. They say, “it shall not come unto us.” v14: The rejecting response of those during the Lord’s earthly ministry.
Isaiah 28	GH: GPPI/EoM verse	v14: SCORNFUL MEN: Not just saying derogatory things about them. Israel's religious leaders pushing the vain religious system. v15: They thought they had made a back-door arrangement that would allow them to escape the evil that would come upon them in the final week/tribulation. It was not going to come unto them. They rejected John the Baptist message, Jesus message, and the disciples message in Acts. - v16: This does refer to the Lord Jesus Christ, but this is not what pertains to the Lord’s earthly ministry. This is what God does with His Son, following the rejection of nation at the Cross. The foundation stone is the Messiah. v16: See 3 stones. Saying: * in His earthly ministry - perfect * in His Cross - redemption * in His Resurrection - sure foundation

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 28	GH: GPPI/EoM verse	They rejected all of this. They rejected His earthly ministry, they rejected His redemptive work on the Cross, and they rejected the Truth of the Resurrection. And when the apostle come out in the EoM/Acts 1 - 8 confirming that ministry which the Lord Himself started, they rejected that ministry as well. Jesus talked and predicted this. v16: I LAY IN ZION FOR A FOUNDATION A STONE: This refers to what takes place following the Cross, the pinnacle of their rejection of Him and His message. That rejection doesn't stand. v16: A TRIED STONE: This refers to the Lord's *earthly ministry* when he was tried and tested from the start of His ministry (40 days in the wilderness) and the way to Cross. He withstood those tests and trials during His earthly ministry, therefore becoming a "tried stone." See Matthew 21:42. v16: TRIED: Tested v16: A PRECIOUS CORNERSTONE: This refers to *the Cross* where the Lord Jesus functions as Israel's Redeemer. The preciousness is in the redemptive work/death on the Cross when He sheds His Blood for sin. See THE PRECIOUS BLOOD OF CHRIST-1 Peter 1:19. v16: A SURE FOUNDATION: The house of Israel must be built upon that sure foundation if they will receive the kingdom. The "sure foundation" is laid by the apostles during the first eight chapters of the book of Acts, who are operating under the direction and power of the Holy Ghost. MM says this is he sign of the prophet Jonah - *the Resurrection*. (GH: Which one?) When Peter says LET ALL THE HOUSE OF ISRAEL KNOW ASSUREDLY-Acts 2:36.
Isaiah 28	GH: GPPI/EoM verse	v17-21: Gives us the rest of Israel's program. If they don't respond, once the extension of mercy is over, they will be taken away in judgment. He is saying you keep rejecting everything I AM sending to you, you're rejecting it and you're going to keep rejecting it and pretty soon you're going to experience the wrath. v17: Talking about judgment coming on these SCORNFUL MEN-Isaiah 28:14. v18: YOUR COVENANT WITH DEATH SHALL BE DISANNULED, AND YOUR AGREEMENT WITH HELL SHALL NOT STAND: They made a covenant with death thinking that whatever is going to happen is not going to happen to them. That covenant is going to be annulled and will not stand. v21: Talking about His day of wrath, that last week that was set to come upon the nation. v21: THE LORD SHALL RISE UP: When the Lord rises up, He will strike through the hearts of kings, He will slay the heads of many nations. He will do all these things in Isaiah. But this is their opportunity to make this right.
Isaiah 28-35		Deliverance is not found in Egypt but in the LORD. This historical setting is that wicked king Ahaz is gone/dead and Hezekiah (a rare good guy) is king of Judah. The Assyrian with Sennacarib(sp?) army is on its way and so Isaiah' prophecy begins with "Woe…". The "woe" speaks of impending disaster. They are advising him to form an alliance with the Egyptians. God says this is the wisdom of this world and I AM going to destroy this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 28:1-3	GH: WoD Teaching: PRIDE OF LIFE	1 Woe to the crown of pride, to the drunkards of Ephraim, whose glorious beauty is a fading flower, which are on the head of the fat valleys of them that are overcome with wine! 2 Behold, the Lord hath a mighty and strong one, which as a tempest of hail and a destroying storm, as a flood of mighty waters overflowing, shall cast down to the earth with the hand. 3 The crown of pride, the drunkards of Ephraim, shall be trodden under feet: v1: Speaks of impending disaster. v1: CROWN OF PRIDE: The rulers of Israel were responsible for dispensing the word to the people but they never did do that. v1: THEM THAT ARE OVERCOME WITH WINE: A bunch of drunks. Not just talking about inebrated (sp?) with alcohol but MM is sure it's on the list. Talking about they way they are living their life to the flesh and all things that appeal to the flesh. v3: CROWN OF PRIDE
Isaiah 28:1	GH: WoD Teaching: PRIDE OF LIFE	1 Woe to the crown of pride, to the drunkards of Ephraim, whose glorious beauty is a fading flower, which are on the head of the fat valleys of them that are overcome with wine! WOE: This historical setting is that wicked king Ahaz is gone and Hezekiah (a good guy) is king of Judah. The Assyrian army is on its way and so Isaiah' prophecy begins with "Woe…". The "woe" speaks of impending disaster. CROWN OF PRIDE: Still an issue. THE DRUNKARDS OF EPHRAIM: At this time, Samaria has not yet fallen. She is still the crown of the pride of the drunkards of Ephraim. But Isaiah has more than just actual drunkenness in view in verse 1. This refers to their pride that delights in the flesh and finds pleasures in trifles rather than in love to the Lord. OVERCOME WITH WINE: The way they are living their life and appealing to the flesh and not the Lord.
Isaiah 28:9	GH: WoD Teaching: PRIDE OF LIFE	9 Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts. WEANED FROM THE MILK, AND DRAWN FROM THE BREAST: Talking about a child. He is talking about teaching not just physical children, but spiritual children because they need the very basics.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 28:10-13	GH: WoD Teaching: PRIDE OF LIFE	10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little: 11 For with stammering lips and another tongue will he speak to this people. 12 To whom he said, This is the rest wherewith ye may cause the weary to rest; and this is the refreshing: yet they would not hear. 13 But the word of the Lord was unto them precept upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little; that they might go, and fall backward, and be broken, and snared, and taken. MM used to hear this is the way you study the word of God - LINE UPON LINE, PRECEPT UPON PRECEPT. What this is - this is the basic childhood fundamental doctrines that you teach children who don't yet know anything. It's the RUDIAMENTS, the rudiamentary teaching the very basic teaching. It's the '1+1=2' math. I need to teach you about numbers not Trigonometry. This is just learning how to handle numbers. Unless someone tells it to them, they cannot figure it out because all they know is LINE UPON LINE, PRECEPT UPON PRECEPT. They can't take what they know and look at something in the scripture and realize this is what it's telling me. PRECEPT MUST BE UPON PRECEPT: GH: Class says how the word is progressive and builds on top of each other. MM didn't shoot it down but didn't jump on board. v12: Talking to the rulers of Israel. There are things in this fundamental doctrine that were supposed to be a REST to the people you're supposed to be ministering to. This is meant to be a REFRESHING to people. But they didn't get that REST and they didn't get that REFRESHING because you rulers didn't teach them, not that the people didn't hear. v12: YET THEY WOULD NOT HEAR: Paul quotes in AND YET FOR ALL THAT TWILL THEY NOT HEAR ME-1 Corinthians 14:21.

Isaiah 28:14-15	GH: WoD Teaching: PRIDE OF LIFE	14 Wherefore hear the word of the Lord, ye scornful men, that rule this people which is in Jerusalem. 15 Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves: The issue of pride. This is pointed to the rulers of Israel back when John the Baptist showed up. When God began to work with Israel again. These are the rulers of Israel that are being indicted by the prophet. They CAST THY LAW BEHIND THEIR BACKS-Nehemiah 9:26 and they CAST ME (God) BEHIND THY BACK-Ezekiel 23:35, the only time they used God's word was for their own agenda when they corrupted it to say what it really didn't say. The condition that Israel found itself in as these WORKS OF DARKNESS-Romans 13:12 produced a repudiation of God and an acceptance with the adversary. When it gets out there, they'll not just be a rejection of God, they'll be a receiving of the adversary. They'll not just be a rejection of the Lord's Christ, but they'll be a receiving of the antichrist. This is going to work on many different levels. Israel is in agreement with Satan and they will come to a place that they will make an agreement with him. Those WORKS OF DARKNESS have caused them to tear down what God put in place and replace it with Satan's substitute. Describing the condition of things when John the Baptist showed up. What Israel had done in the 400 years of silence. They were to the point that they made an agreement and they were in agreement. This is where Israel is going. This is the effects of the WORKS OF DARKNESS-Romans 13:12.
Isaiah 28:14-15	GH: WoD Teaching: PRIDE OF LIFE	14 Wherefore hear the word of the Lord, ye scornful men, that rule this people which is in Jerusalem. 15 Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves: v15: A COVENANT WITH DEATH v15: WITH HELL ARE WE AT AGREEMENT The deception is so great that by the time that John the Baptist shows up, the nation has made this COVENANT WITH DEATH and WITH HELL ARE WE AT AGREEMENT. When the judgement is here, it's call the overflowing scourge. When this predicted judgment comes, they believe it is not going to come to them. Later they say, what we are doing, God isn't even taking notice of. We're getting clean away with this. MM says why would you think this? After 400 years of not hearing from God? There was no prophet showing up saying, 'hey, thus saith the Lord, you better get yourself straigthened up'. There wasn't any of that. So they are thinking, we are going to be OK with this, nothing is going to happen. v15: WHEN THE OVERFLOWING SCOURGE SHALL PASS THROUGH, IT SHALL NOT COME UNTO US: They are thinking this is not going to come on us. But God says when the OVERFLOWING SCOURGE comes, they will be TRODDEN DOWN BY IT-Isaiah 28:18. v15: FOR WE HAVE MADE LIES OUR REFUGE, AND UNDER FALSEHOOD HAVE WE HID OURSELVES: They think they have fooled God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 28:16		16 Therefore thus saith the Lord God, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste. GH: 1 Peter 2:6; Romans 10:11 - Paul to Romans Paul talked about in Romans 9:32-33 that Israel had stumbled at that ROCK OF OFFENCE which was Christ, and that STUMBLINGSTONE resulted in the blindness that they are experiencing today. That means today that: - the gospel of the kingdom is not being preached - God is not pleased with that - preaching that would be completely out of the Will of God This refers to two specific aspects of what Jesus did: 1. It was during the Days of His Ministry that He becomes a TRIED STONE 2. When He functions on the Cross as the Redeemer that He is that PRECIOUS CORNERSTONE. If He says I LAY IN ZION..., it means that those events have to have already been taken place so that the earthly ministry and the crucifixion redemption acts has already happened before Jesus is laid as that FOUNDATION STONE. And the Stone that is laid, Paul is going to say is the one that builders tripped over, it's the one they stumbled at so that's just another evidence that when the blindness took place, it was after the extension of mercy, not after the Cross. That stumbling took place not before the Cross but during the extension of mercy.
Isaiah 28:18	GH: WoD Teaching: PRIDE OF LIFE	18 And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it. YOUR COVENANT WITH DEATH SHALL BE DISANNULLED, AND YOUR AGREEMENT WITH HELL SHALL NOT STAND
Isaiah 29:1		1 Woe to Ariel, to Ariel, the city where David dwelt! add ye year to year; let them kill sacrifices. There is an indictment being made against Jerusalem (Ariel). God is going to pronounce a judgment against the city of Jerusalem. WOE: Like Chapter 28, also starts with a WOE. ARIEL: Having first spoken to Samaria's destruction, Isaiah now turns to Jerusalem, the capital of the southern kingdom, calling it Ariel. Ariel is a reference to Jerusalem. v1: He calls the city by a different name - Ariel.
Isaiah 29:10-12		10 For the Lord hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered. 11 And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed: 12 And the book is delivered to him that is not learned, saying, Read this, I pray thee: and he saith, I am not learned. GH: v10: Romans 11:8 - Paul to Romans v11: A BOOK THAT IS SEALED v12: I AM NOT LEARNED

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 29:9-14		v9-14: This describes what God is going to do in light of Israel's apostasy and unbelief.
Isaiah 29:13-14		13 Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: 14 Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid. GH: v13: Jesus prophecy - Mark 7:6-7 GH: v14: 1 Corinthians 1:10 - Paul to Church at Corinth v11: SEALED: Not saying theirs a physical binding on it and can't open it, saying even though I am smart, I don't know what that's talking about. I can't help you because I am not smart. I can't help you because that's talking about something I (GH: as a smart person) have no knowledge of. v14: Notice the colon and see the lists of the MARVELLOUS WORK. He is going to take away all the wisdom, all the understanding, that's the marvellous work.
Isaiah 29:13-14		13 Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: 14 Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid. This is not a small judgment, this is a huge thing brought about by Isaiah. v13: THEIR FEAR TOWARD ME IS TAUGHT BY THE PRECEPT OF MEN: This is the wisdom of this world. v14: THE WISDOM OF THEIR WISE MEN SHALL PERISH, AND THE UNDERSTANDING OF THEIR PRUDENT MEN SHALL BE HID: Paul quotes in 1 Corinthians 1:19. This is no small judgment. Isaiah said that God will bring about the perishing of this people's wisdom. Their wisdom will vanish and disappear from the scene. In their wisdom, Jerusalem thought they could ally with Egypt and forestall Assyria. That wisdom was folly. Their wisdom also said that the Lord surely would not give them over to Assyria, they are His possession. God is bringing them to an understanding that confidence in human wisdom is foolishness. There was no man in Judah with wisdom enough to get them out of their predicament. Isaiah's language is strong. Not only will their wisdom perish, but their prudent men will have no understanding. God is doing this so they might turn to the LORD, the only source of true wisdom. God is completely removing all human wisdom at a time of crisis! And the people only have their hypocritical worship to blame.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 29:13	GH: IPF verse	v13: Jesus references in Matthew 15:7-9. v13: WITH THEIR LIPS DO HONOUR ME, BUT HAVE REMOVED THEIR HEART FAR FROM ME: Jesus quoted - DRAWETH NIGH UNTO ME WITH THEIR MOUTH, AND HONOUREHT ME WITH THEIR LIP, BUT THEIR HEART IS FAR FROM ME-Matthew 15:8. How they CAST AWAY THE LAW OF THE LORD OF HOSTS, AND DESPISED THE WORD OF THE HOLY ONE OF ISRAEL-Isaiah 5:24. v13: THEIR FEAR TOWARD ME IS TAUGHT BY THE PRECEPT OF MEN: Israel's religious leaders did not teach the law in truth, but rather what they had made it become. And because they did this, the people that listened to them and believed them thought they were a 'doer of the law' but in face, were breakers of the law.
Isaiah 29:15		15 Woe unto them that seek deep to hide their counsel from the Lord, and their works are in the dark, and they say, Who seeth us? and who knoweth us? WOE UNTO THEM THAT SEEK DEEP TO HIDE THEIR COUNSEL FROM THE LORD: People are trying to hide their counsel from God and they think, if they go deep enough, they can. Their foolish wisdom has convinced them that things in the dark are hidden from the LORD. They think their hearts can devise things and their works can be carried out without the LORD knowing about any of it. Think they can devise things in their own thinking that God doesn't know anything about. Think they can hide from God what's really going on in their heart and their works are in the dark. They think they can devise things on their own thinking that God doesn't know anything about. These people say the right things but what is really going on in their heart is foolishness. STORY: Missionary in third world country that was growing pineapples and he would notice there were always pineapples missing in the morning. As he began to lead some of the people to the Lord, they confessed to training their kids to go steal them at night. They did it at night because they thought your God couldn't see us. Got saved and discovered that God can see in the dark.
Isaiah 30:21		21 And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left. Isaiah is a 5th cycle prophet so you know this will be directed toward the remnant, and very likely the remnant out there in the Day of Wrath. MM purposefully gave you this one single verse because this is the way it will be presented to so to say, see this is God, a word behind you, guiding you to the left or the right. If you read the verses up to this, you will find out that the voice behind them is their teachers talking to them. That's the old systematic theology way of doing things - just pull a verse out, make it say whatever we need it to say.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 33	GH: IPF verse	See a description given of the qualifications not only necessary to escape the judgments of the day of wrath but also the reward promised to them that they will be able to see the King in His beauty. What will happening when the Lord is no longer seated at the Father's right Hand, but is standing to have His day of wrath. v10-18: GH: Another passage that speaks to an education on GH: the day of wrath? v10: The Lord says what will happen when He rises up and is no longer seated at the Father's right Hand. v10: NOW WILL I RISE: Standing, not sitting. v11-12: The fire connected to the Lord's day of wrath. v13: The remnant is geographically divided into 2 sections: 1. FAR OFF: Those that are scattered. Covered in James - Revelation.
Isaiah 33	GH: IPF verse	2. NEAR: There is a concentration of the believing remnant that is in Jerusalem. MM not sure if they didn't want to or didn't get to or didn't know to. Covered in Hebrews. v14: Talking about going through the judgments of the day of wrath. The day of wrath is going to come. They MADE AN AGREEMENT WITH HELL-Isaiah 28:15, it's going to be undone, and this is going to surprise them, and fear is going to grip their heart. When the day of wrath comes, fearfulness will surprise those hypocrites. v14: THE HYPOCRITES: Recall Jesus calling the religious leaders of the vain religious system this. v14: DWELL WITH THE DEVOURING FIRE: v15: The answer to the questions in v14 - Who will survive this time? These are the ones who make it through this time. There is going to be some who escape all of this (v14), if they do these things that they may be accounted worthy to escape those things that are coming upon the world. v15: HE THAT WALKETH RIGHTEOUSLY AND SPEAKETH UPRIGHTLY: v16: These will be provided for. The angels will minister to them just as they did to Elijah.
Isaiah 33	GH: IPF verse	v16: DWELL ON HIGH: Ties to the New Jerusalem or 'holy hill'-Psalm 15:1. v16: MUNITION OF ROCKS: Refers to a hiding place for the believing remnant in the day of wrath. MM says when the antichrist's extermination policy is in effect, they can't just run to any city to hide. There are specific places that God has designed and prepared for them to hide. This is a description of one of those places. Another example is SECRET CHAMBERS-verse? v16: BREAD SHALL BE GIVEN HIM: MM says they can't just walk down to the local 7-11. GH: God will miraculously feed the believing remnant that fled into the mountains. Will provide for them just as He did for Elijah. v17: These are the ones who will see the king when He returns. v17: THINE EYES SHALL SEE THE KING IN HIS BEAUTY: The reward: These are the ones that will see the King when He returns. v18: WHERE IS THE SCRIBE? WHERE IS THE RECEIVER? WHERE IS HE THAT COUNTED THE TOWERS?: They are destroyed. GH: See 1 Corinthians 1:20.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 33:18		18 Thine heart shall meditate terror. Where is the scribe? where is the receiver? where is he that counted the towers? These are forms of oppression from Assyria in Judea. For Isaiah, the point is that the enemy has been so defeated, that you must recall the terror from your memory (meditate). These 3 all have to do with areas of oppression by Assyria when it was at the gates. MM says not an exact match but like Paul's quote in 1 Corintihians 1:20. It has to do with the accounts of tribute paid to the oppressors and the limiting of defensive towers available to Judah. Isaiah is saying, “Where is the one who sought to terrorize us? Where is the one who calculated our overthrow? Where are the tribute collectors now?” They are nowhere to be seen because the Lord has so defeated Sennacherib that they are gone. Paul semi-quotes in 1 Corinthians 1:20. THINE HEART SHALL MEDIDATE TERROR: You are going to have to go back and think upon or MEDIDATE how it was when Sennacherib and his army were at the gates of Jerusalem and you are going to have to remember that TERROR that everybody felt.
Isaiah 33:18		18 Thine heart shall meditate terror. Where is the scribe? where is the receiver? where is he that counted the towers? WHERE IS THE SCRIBE? WHERE IS THE RECEIVER? WHERE IS HE THAT COUNTED THE TOWERS: MM says all of these were forms of oppression that the Assyrians were accomplishing in Judah. Isaiah is saying you are going to have to go back to remember that terror and that scribe that kept all the accounts of the tribute that was paid and the limiting of those defense towers. All of that is gone. That's not there anymore. Because God has so destroyed Assyrian army and Sennacherib that now its nothing more than a matter of historical record that came and went. So thoroughly that He killed 185,000 Assyrian soldiers in a single night. Sennacherib gets up the next morning and finds most of his army dead and decides to go back to Assyria. WHERE IS THE RECEIVER: The tribute was being paid to the Assyrians to keep them at bay. TOWERS: They were restricting the number of defensive towers that Judah had at their disposal.
Isaiah 33:20-24		20 Look upon Zion, the city of our solemnities: thine eyes shall see Jerusalem a quiet habitation, a tabernacle that shall not be taken down; not one of the stakes thereof shall ever be removed, neither shall any of the cords thereof be broken. 21 But there the glorious Lord will be unto us a place of broad rivers and streams; wherein shall go no galley with oars, neither shall gallant ship pass thereby. 22 For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; he will save us. 23 Thy tacklings are loosed; they could not well strengthen their mast, they could not spread the sail: then is the prey of a great spoil divided; the lame take the prey. 24 And the inhabitant shall not say, I am sick: the people that dwell therein shall be forgiven their iniquity. Talking about what they are going to see at the end of the Day of the Lord. Talking about Jerusalem - This is talking about what they’ll see at the end of the day of the Lord. v20: There will be no more Gentiles coming to war against them. v21: NEITHER SHALL GALLANT SHIP PASS BY: Reference to the Gentiles that's going to coming to war against them. That's not going to be happening anymore.

When you get into the Kingdom, nobody is going to be saying, I'm sick. The SOPT being banished. There's that most basic issue of sicknesses once again, as part of the bondage of corruption. In that day the inhabitant is not going to say, I am sick, because that's something that is going to be banished. When Jesus and His disciples were preaching the Kingdom is at hand, healing the sick was one of the 2 hallmark signs to prove that (GH: other is casting out evil spirits). That just didn't come out of thin air. Wasn't just compassion that was making them do that. That was sitting back in their prophets. If they were going to say the Kingdom was at hand, they had to demonstrate it. Because anybody can say anything, can't they? v24: FORGIVE THEIR INIQUITY: That's the new covenant - I WILL FORGIVE THEIR SINS AND REMEMBER THEIR INIQUITIES NO MORE-Jeremiah 33.
Isaiah 34:1-7		Armageddon starts the house cleaning in the heaven and the earth. v1: YE NATIONS v2: THE INDIGNATION OF THE LORD IS UPON ALL NATIONS v4: ALL THE HOST OF HEAVEN SHALL BE DISSOLVED v4: THEIR HOST SHALL FALL DOWN v5: MY SWORD SHALL BE BATHED IN HEAVEN: Conflict will start in heaven and then come down to the earth. v7: THE UNICORNS SHALL COME DOWN WITH THEM, AND THE BULLOCKS WITH THE BULLS: Imagery language to keep you from just getting locked into the earth bound conflict.
Isaiah 34:4	GH: Jesus Teaching - Matthew 24:29; Jesus teaching - Mark 13:24-25 - Jesus on the future	4 And all the host of heaven shall be dissolved, and the heavens shall be rolled together as a scroll: and all their host shall fall down, as the leaf falleth off from the vine, and as a falling fig from the fig tree. GH: Revelation 15?

Isaiah 35		What's going to be happening in Israel during the kingdom. Messianic chapter
Isaiah 35	GH: GPPI verse	See these two signs set forth as the glowing results of the kingdom being established in Israel. No more physical infirmities or any kind and no more unclean spirits in the land. No better signs could they get. That's why these are the hallmark signs that accompany the preaching of the kingdom.
Isaiah 35:4-10		Even though there are two "comings," they both constitute the climactic stage of the program. When Israel's God came, specified healings would take place in Israel. Those healings functioned as specific signs of the presence of Adonai Jehovah in the land of Israel (Matthew 11:1). Point: When Israel's God comes, there's going to be all these healings that take place in Israel. Jesus is performing certain types of healings, even during His First Coming. v4: YOUR GOD WILL COME: He will actually come twice (both comings are in the climactic stage). The first time the Messiah comes, He will perform signs and miracles such as listed in verses 5-6 and provide for the redemption. MM says this is really talking about the second time. Some things are in common with these two Comings, like this issue of healings. v5-6a (...SING): All going to be true the second time He comes but it is also true the first time He came. v6: FOR IN THE WILDERNESS SHALL WATERS BREAK OUT, AND STREAMS IN THE DESERT: The part that didn't get fulfilled the first time Jesus came. All at the Second coming. Both comings are in the climactic stage. When He comes the second time, all of that will be true along with some other things listed in the passage. v7-10 happen the second time He comes.
Isaiah 35:4-10		v6: THEN SHALL THE LAME MAN LEAP AS AN HART, AND THE TONGUE OF THE DUMB SING: v6: STREAMS IN THE DESERT: v8: AN HIGHWAY SHALL BE THERE, AND A WAY, AND IT SHALL BE CALLED THE WAY OF HOLINESS: v9: NO LION SHALL BE THERE, NOT ANY RAVENNOUS BEAST SHALL GO UP THEREON: v10: THE RANSOMED OF THE LORD SHALL RETURN: v10: SORROW AND SIGHING SHALL FLEE AWAY:
Isaiah 35:5-6		5 Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. 6 Then shall the lame man leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out, and streams in the desert. Prophecies of the GIFTS OF HEALINGS-1 Corinthians 12:9 that Jesus reiterated in Matthew 11:5. v5: THE EYES OF THE BLIND SHALL BE OPENED: Jesus saysTHE BLIND RECEIVE THEIR SIGHT-Matthew 11:5 v5: THE EARS OF THE DEAF SHALL BE UNSTOPPED: Jesus says AND THE DEAF HEAR-Matthew 11:5 v6: THE LAME MAN LEAP AS AN HART: Jesus says THE LAME WALK-Matthew 11:5 v6: THE TONGUE OF THE DUMB SING
Isaiah 35:6		6 Then shall the lame man leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out, and streams in the desert. IN THE WILDERNESS SHALL WATERS BREAK OUT, AND STREAMS IN THE DESERT: But not until they come under the Authority of the King and His people. Then they get those blessings.

Isaiah 35:6	Non-MBI	planitall YouTube : BIBLE TIMELINE - People of Israel were to be looking for a Messiah who performed 2 distinct types of miracles: v5-6: Christ performed many physical healings in keeping with this prophecy (other was casting out demons and unclean spirits)
Isaiah 35:7		7 And the parched ground shall become a pool, and the thirsty land springs of water: in the habitation of dragons, where each lay, shall be grass with reeds and rushes. PARCHED GROUND SHALL BECOME A POOL, AND THE THIRSTY LAND SPRINGS OF WATER
Isaiah 35:8		8 And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein. HIGHWAY: There's a highway that leads right to the City of the King.
Isaiah 35:9		9 No lion shall be there, nor any ravenous beast shall go up thereon, it shall not be found there; but the redeemed shall walk there: NO LION SHALL BE THERE, NOR ANY REAVENOUS BEAST SHALL GO UP THEREON: What we know about lions in the kingdom: lie down with the ox, eat straw - but only in the land areas that have given themselves over to the Kingdom.
Isaiah 38:17		17 Behold, for peace I had great bitterness: but thou hast in love to my soul delivered it from the pit of corruption: for thou hast cast all my sins behind thy back. Implication is if the sin was still applied to me I would be in corruption.

Isaiah 40		Isaiah 40: Find yourself at the time of John the Baptist (the 4th part of the 5th course).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 40:1-3	GH: GPPI verse	Both John the Baptist AND his methods are prophesied here. Isaiah says there's a prophet coming and John claims to be that prophet (John 1:23) and Jesus identifies John the Baptist as that prophet (Matthew 11:10). They both preach the kingdom is at hand. If you are familiar with Leviticus 26 and the prophesied curses that will come upon the nation of Israel and you also recognize that Israel has just come through a four-hundred year “famine of hearing the words of the LORD” (Amos 8:11-12), then you understand the “comforting words” being spoken of in Isaiah 40:1-2 are John’s words that Israel’s Messiah is about to appear and that their long-awaited kingdom is “at hand.” Isaiah prophesied that John would come on the scene and preach a certain message. That message concerns the coming Messiah and certain things that the Messiah would do. One of those things that John says will take place is the events that take place on the day of Pentecost. John’s message to Israel includes the baptism of the Spirit which takes place in Acts 2. v1-2: MM says when you first read this, you think this is the kingdom but then you look at the very next verse. GH: context. v2: John is the one that is going to be speaking comforting words. Up until then, Israel has gotten the curses (MM recounts the 5 CoP history to this point). These are not comfortable words, these are words of judgment. But now after 400 years of not hearing anything from God, God says the thing that you're going to hear when the silence is broken is comforting words. John the Baptist is giving the comforting words - I'm heralding the arrival of your Messiah and the kingdom is at hand. MM says these are comforting words to a people who have been under judgment all of this time.
Isaiah 40:1-3	GH: GPPI verse	v2: SPEAK YE COMFORTABLY TO JERUSALEM: John the Baptist is the one who begins the Speaking COMFORTABLY. MM tying to BRING HER INTO THE WILDERNESS, AND SPEAK COMFORTABLY UNTO HER-Hosea 2:14. Think this is the kingdom until you read the next verse. GH: context! Remember before, He wasn't speaking at all. v3: The start of God Speaking COMFORTABLY to His people in the 5th CoP-4th installment. This is a prophet who is coming to Israel who will “speak,” in the wilderness, some comforting news to the nation. This is John the Baptist. MM says when you read this verse, you know that a prophet is coming and he is going to be comforting the nation. John the Baptist is the fulfiller of this verse.
Isaiah 40:5	GH: GLORY Definition	5 And the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it. **THE GLORY OF THE LORD SHALL BE REVEALED: Glory may refer to an external manifestation of God which is revealed, as in Isaiah speaking of the millennial kingdom.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 40:12-14		12 Who hath measured the waters in the hollow of his hand, and meted out heaven with the span, and comprehended the dust of the earth in a measure, and weighed the mountains in scales, and the hills in a balance? 13 Who hath directed the Spirit of the Lord, or being his counsellor hath taught him? 14 With whom took he counsel, and who instructed him, and taught him in the path of judgment, and taught him knowledge, and shewed to him the way of understanding? Series of questions being raised, by the prophet, to the nation of Israel. Look at these questions and remember you are in Israel's program. v13: WHO HATH DIRECTED THE SPIRIT OF THE LORD, OR BEING HIS COUNSELLOR HATH TAUGHT HIM? During the time it was written or any of the periods Isaiah wrote about - Nobody. Because they are under tutors and governors. As long as you are under a tutor and governor, you cannot produce Sonship. GH: Paul quotes in 1 Corinthians 2:16 but gives a different answer. Under that law, since Sonship wasn't an option, there was no chance of them ever attaining unto wise counsel or under-standing any dark sayings.
Isaiah 40:22		22 It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in: MM: Curtain implies temporary heavens. STRETCHETH OUT THE HEAVENS AS A CURTAIN SPREADETH THEM OUT AS A TENT TO DWELL IN God's program with Israel is linked to His design and purpose for the earth. Which explains why, in His program with them, the 7th day Sabbath is observed, because it connects them to God fulfilling what He originally designed and purposed with the earth. Spreading them as a tent. And stretching them out like a curtain (Psalm 104:1-2). Two different things are going on here.
Isaiah 41:4		4 Who hath wrought and done it, calling the generations from the beginning? I the Lord, the first, and with the last; I am he. God's program with Israel is linked to His design and purpose for the earth. Which explains why, in His program with them, the 7th day Sabbath is observed, because it connects them to God fulfilling what He originally designed and purposed with the earth.
Isaiah 42	GH: IPF verse	v21: HE WILL MAGNIFY THE LAW AND MAKE IT HONORABLE: This is what Jesus came to do. He did not come to do away with the law, but to magnify the law and make it honorable again. This is the purpose of the Messiah's corrective doctrine to recover the truth of the law for them. The law was not being magnified at all in Israel, it had been covered over with the traditions of men. When Messiah shows up, He is going to strip all the encasement, all the dross of the vain religious system from the law which made it abominable to God. He will clean that all up so that they could be a DOER OF THE WORD-James 1:22 in truth. He is giving the PERFECT LAW OF LIBERTY-James 1:25.
Isaiah 42:1		1 Behold my servant, whom I uphold; mine elect, in whom my soul delighteth; I have put my spirit upon him: he shall bring forth judgment to the Gentiles. Christ is the "elect" of God. That's His Standing before God. And anybody in Him, God now sees as ELECT. (GH: Israel: Isaiah 45:4; Body of Christ: 1 Corinthians 12:12, 27: Colossians 3:12)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 42:5		5 Thus saith God the Lord, he that created the heavens, and stretched them out; he that spread forth the earth, and that which cometh out of it; he that giveth breath unto the people upon it, and spirit to them that walk therein: When astronomers say that the universe is expanding, that is because that original action by God is still going on. GH: God stretched out the heavens at the Tower of Babel.
Isaiah 42:8		8 I am the Lord: that is my name: and my glory will I not give to another, neither my praise to graven images. God reserves to Himself the right to exclusive worship.
Isaiah 42:21	GH: Timeline : Days of the Messiah / GH: WoD Teaching: PRIDE OF LIFE	21 The Lord is well pleased for his righteousness' sake; he will magnify the law, and make it honourable. Speaking about the generation that was going to be present during the days of the Messiah. Jesus came to magnify the law and make it honorable again. What Jesus was prophecied to do when this is going to happen. Why would He have to do this? Because they/Israel's VRS had made the law of none effect with their traditions and commandments. HE WILL MAGNIFY THE LAW, AND MAKE IT HONOURABLE: He will begin to teach that they had corrupted, that law that they despised, that they cast behind their back-Nehemiah 9:26 and He is now going to begin to teach the believing remnant about the law. Israel VRS thought that the oral tradition codified in the Talmud was on par with the law. Jesus didn't come to destroy the law, but to fufill. He was coming to magnify the law and make it honorable again. (Matthew 5:17-20)
Isaiah 43:1-7	GH: Ties to Ephesians 1:18	1 But now thus saith the Lord that created thee, O Jacob, and he that formed thee, O Israel, Fear not: for I have redeemed thee, I have called thee by thy name; thou art mine. 2 When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee. 3 For I am the Lord thy God, the Holy One of Israel, thy Saviour: I gave Egypt for thy ransom, Ethiopia and Seba for thee. 4 Since thou wast precious in my sight, thou hast been honourable, and I have loved thee: therefore will I give men for thee, and people for thy life. 5 Fear not: for I am with thee: I will bring thy seed from the east, and gather thee from the west; 6 I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth; 7 Even every one that is called by my name: for I have created him for my glory, I have formed him; yea, I have made him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 43:1-7	GH: Ties to Ephesians 1:18	Is describing the time when the day of wrath is over, the avengement has taken place, the remnant is going to be regathered into the kingdom and the New Covenant will take the place of the old which will "vanish away." Israel's Program - Shows what it's going to be like for the remnant. At the start of the Kingdom, get the benefit of the new covenant. v5: BRING THY SEED FROM THE EAST, AND GATHER THEE FROM THE WEST: MM says we know it's going to be like this at the start of the Kingdom. v6: BRING MY SONS...DAUGHTERS: MM says holy mackerel. This is the day Israel is been waiting for. v7: FOR I HAVE CREATED HIM FOR MY GLORY: God is saying that's the issue. Takes us back to the whole reason God created man to begin with. Satan tears the whole thing up and tells God you won't be able to do anything with that. God says you know what? Tear it up, burn it, scatter the ashes and what I am going to do when I AM through is produce exactly what it's going to produce when I started. Now there's the opportunity. MM asks how much glory is in that? That He would take His mind and His heart and impart them to His creature that He created to have the unique capability to receive that and to process that, and to share the intelligence of Hmself is a demonstration of His glory!
Isaiah 43:18		18 Remember ye not the former things, neither consider the things of old. REMEMBER YE NOT THE FORMER THINGS: Ties to FOR THE FORMER THINGS ARE PASSED AWAY-Revelation 21:4. FORMER THINGS: The "former things" that brought tears and death and sorrow and pain and crying (Rev. 21:4) are the two categories of sufferings. And they are going to be destroyed one day when Israel's program is fulfilled.
Isaiah 45		We see God talking about the day of wrath and how close it comes to them being consumed, but He cannot allow that to happen since He has vested His reconciliation of the earth in them. It is assurance doctrine given to the believing remnant that they will be delivered in the day of wrath and they will be saved with an everlasting salvation.
Isaiah 45:4		4 For Jacob my servant's sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known me. Israel is the "elect" in Him. God does not elect anyone outside of His Son. GH: Jewish members of the believing remnant. If they have faith that He is their Messiah, then they are in him. If He is the elect and they are in Him, now they are the elect.
Isaiah 45:6		6 That they may know from the rising of the sun, and from the west, that there is none beside me. I am the Lord, and there is none else. THERE IS NONE BESIDE ME: God is not saying there are no other gods; He is saying that none of them are what He is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 45:7		7 I form the light, and create darkness: I make peace, and create evil: I the Lord do all these things. Isaiah is a Fifth Course of Punishment prophet. When you see these types of things that God says. FORM THE LIGHT, AND CREATE DARKNESS: They are opposites. We have Isaiah talking about a darkness of captivity. And do not forget that in this fifth course of punishment, Israel is not just captive to Gentile nations, but they are Satan's lawful captive. I FORM LIGHT, AND CREATE DARKNESS: Not referring to the creation account back in Genesis 1, but rather was referring to the liberty and captivity of the nation of Israel. Isaiah was God's prophet called to declare their coming captivity. That captivity was referred to as darkness. That was the not the first time the Bible referred to captivity as darkness (Genesis 15:12-13). I MAKE PEACE, AND CREATE EVIL: Evil used in a lot of different ways. Evil means conflict or war, NOT abominable things. Under a systematic theology, the admission that God creates evil makes people think that God has orchestrated all of the bad, sinful things that have happened in the world. That teaching says that God is responsible for Satan and all that Satan has done, for evil men and all that they have done. (I) CREATE EVIL: People say wait a minute, why does a righteous God CREATE EVIL? God did not create Satan EVIL. He created him PERFECT IN THY WAYS-Ezekiel 28:14. Lucifer was a free moral agent. God is not forcing him to be good. TILL INQUITY IS FOUND IN THEE-Ezekiel 28:14. Lucifer became EVIL but God did not create him that way. If you are talking about EVIL as in judgment, God definitely does that. But if you are talking about EVIL in that morally reprehensible sense, He did create Satan but He didn't create him in that disposition.
Isaiah 45:15		15 Verily thou art a God that hidest thyself, O God of Israel, the Saviour. The remnant will say this when the Antichrist unleashes that extermination policy on them. They will ask 'God were are you?' This is the way He will be perceived during the first part of the day of wrath by the remnant.
Isaiah 45:16-17		16 They shall be ashamed, and also confounded, all of them: they shall go to confusion together that are makers of idols. 17 But Israel shall be saved in the Lord with an everlasting salvation: ye shall not be ashamed nor confounded world without end. Even though it will not appear to be this way as the policy of evil cranks up its extermination of Israel agenda, God is assuring the remnant of their salvation. This is the context for the things we are about to read. God is about to tell them that He must save them for if He does not, then He cannot fulfill His original plan and purpose for the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 45:18		18 For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else. FORMED THE EARTH AND MADE IT: Look how He is forming all of this because He knows that it is going to be inhabited. When God says that He created the earth to be inhabited, the main inhabitant was to Himself. He has determined to accomplish this through the nation of Israel and to tabernacle among men and for the earth to contain the gate of heaven. If He does not save the remnant, He cannot do these things, which He planned from the beginning. God is the number 1 inhabitant of the earth. God is saying I AM making a place for Me.
Isaiah 45:23	Prophecy : Jesus2	23 I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, That unto me every knee shall bow, every tongue shall swear. Paul quotes in EVERY KNEE SHALL BOW, EVERY TONGUE SHALL SWEAR(CONFESS)-Romans 14:11. Points to each individual in the body of Christ.
Isaiah 46:9-10		9 Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me, 10 Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure: v10: God's program with Israel is linked to His design and purpose for the earth. Which explains why, in His program with them, the 7th day Sabbath is observed, because it connects them to God fulfilling what He originally designed and purposed with the earth.
Isaiah 47:10		10 For thou hast trusted in thy wickedness: thou hast said, None seeth me. Thy wisdom and thy knowledge, it hath perverted thee; and thou hast said in thine heart, I am, and none else beside me. AND NONE ELSE BESIDE ME: God is not saying there are no other gods; He is saying that none of them are what He is.
Isaiah 49 - 57	ction 2 of 2 : Pa	Section 2, Part 2: God's provision to deliver Israel from their sin. About their deliverance from sin. Isaiah 53 is right in the middle and 700 years before it happened. The prophecy about their Messiah and what was happening to Him. That is pertinent to their deliverance from sin. He HATH LAID ON HIM THE INIQUITY OF US ALL-Isaiah 53:6. MM says probably the most prophecy anywhere in the O.T. about the Messiah. GH: Before Jesus, Jews thought this was about their Messiah. Today, the consensus is the suffering of the nation of Israel is paying for the sins of the world.
Isaiah 49:6		6 And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth. I WILL ALSO GIVE THEE FOR A LIGHT TO THE GENTILES: God covenants to do these marvels because I AM making an impact on the Gentile nations. I AM putting something up in the display window for them to see.He is using Israel as a conduit to shine a light to the whole world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 49:24	GH: WoD Teaching	24 Shall the prey be taken from the mighty, or the lawful captive delivered? Things are looking so bad that the prophet Isaiah is kind of asking a question rhetorically. Is THE PREY going to get taken away from THE MIGHTY? Or, is it going to get delivered? How is Israel going to extracate herself from the adversary? THE PREY: The nation - Israel. THE MIGHTY: Satan - the adversary. AND ARE LAWFUL CAPTIVES IN THE JUDGMENT OF HIM: GH: Israel became Satan's lawful captive when they were exiled to Babylon. THE LAWFUL CAPTIVE: If they get expelled out of the land (GH: 5th CoP, 1st Installment), they will become Satan's lawful captive. Like Gentiles being given over to the adversary at the Tower of Babel. LAWFUL CAPTIVE: When they were taken out on the land into Gentile lands. When Satan was able to come into Immanuel's land. When they went away captive, the Gentiles had dominion over them and the Gentiles belonged to Satan. When Israel gets there, they realize that they cannot deliver themselves from the hand of the adversary. They don't have the strength.
Isaiah 49:24	GH: WoD Teaching	24 Shall the prey be taken from the mighty, or the lawful captive delivered? LAWFUL CAPTIVE (cont'd): Israel - When they are in this position, they are shining zero LIGHT to the world. They are exactly where Satan wants them to be. MM says they have cooperated with this process. What God meant for them to do is to labor with Him against the adversary. But instead, you cast God to the side and their LIGHT was extinguished and instead of qualifying themselves to labor with God. MM says think about us, there will be something that is done to extinguish our LIGHT while your Father is trying to train you to labor with Him in His operation against Satan. Satan is working to extinguish your LIGHT. Think about how you feel about the nation of Israel, who got themselves into a predicament where instead of being the LIGHT OF THE WORLD-MAtthew 5:13, now they are part of the DARKNESS. This is a parallel issue of what Satan wants to produce with us. Israel's primary sphere of influence was supposed to be on the world. They have a secondary impact on Satan and his realm. The body of Christ's primary sphere of influence is principalities and powers in the heavenly places. But we can have a secondary impact on men. If Satan, can extinguish either LIGHT, both primary and secondary impacts go away. When we shine as LIGHT we qualify ourselves for that attack from the adversary. The attack against us is not just to extinguish our LIGHT, it is also geared to kill your desire to go on in your education so that you don't want it. If he can kill your desire to go on, you will be those people that don't really ever do anything they just talk about it. Talking is fine, just so you don't do it. If we don't have judgment, this is going to happen. We will be going through a very specific and personal attack from the POE and even though you've been given everything you need to stand against it you will not. You cannot afford to let that happen.
Isaiah 50:1	GH: WoD Teaching	1 Thus saith the Lord, Where is the bill of your mother's divorcement, whom I have put away? or which of my creditors is it to whom I have sold you? Behold, for your iniquities have ye sold yourselves, and for your transgressions is your mother put away. BILL OF YOUR MOTHER'S DIVORCEMENT: As the 5th CoP gets closer and closer and Israel reaches the point of no return, God gives Israel a BILL of DIVORCEMENT.

Isaiah 50:4-8	GH: Sonship / Prophecy : Jesus	4 The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary: he wakeneth morning by morning, he wakeneth mine ear to hear as the learned. 5 The Lord God hath opened mine ear, and I was not rebellious, neither turned away back. 6 I gave my back to the smiters, and my cheeks to them that plucked off the hair: I hid not my face from shame and spitting. 7 For the Lord God will help me; therefore shall I not be confounded: therefore have I set my face like a flint, and I know that I shall not be ashamed. 8 He is near that justifieth me; who will contend with me? let us stand together: who is mine adversary? let him come near to me. Prophecy of Jesus from childhood to the Cross. Lord Jesus learned, were taught to Him by His Father in a real Father/Son relationship, just like the one being offered to you. Reaffirms that there was a process of education that Jesus went through with His Father. The Father didn't wake Jesus up on one morning and plant all the wisdom He would ever need in Him. No, the Father wakened Him "morning by morning" to hear as the "learned." Shows how He woke up every morning for His Father to begin teaching Him. If Jesus knew it all, why did the Father need to wake Him up every morning and educate Him? Means there would be no pattern for us to look at. I AM going to really go through it in a way you're going to go through it and you apostle is really going to go through it the way you will go through it. v4: THE LORD GOD HATH GIVEN ME THE TONGUE OF THE LEARNED v4: KNOW HOW v4: WAKETH MORNING BY MORNING: God woke Jesus up every morning and taught Him Sonship. God woke Jesus up every day and educated Him in the edification/doctrine. v4: TO HEAR AS THE LEARNED v4: The Heavenly Father woke up Jesus every morning and instructed Him as the Son. His Father woke Him up every morning and instructed Him and He grew in wisdom.

Isaiah 50:4-8	GH: Sonship / Prophecy : Jesus	4 The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary: he wakeneth morning by morning, he wakeneth mine ear to hear as the learned. 5 The Lord God hath opened mine ear, and I was not rebellious, neither turned away back. 6 I gave my back to the smiters, and my cheeks to them that plucked off the hair: I hid not my face from shame and spitting. 7 For the Lord God will help me; therefore shall I not be confounded: therefore have I set my face like a flint, and I know that I shall not be ashamed. 8 He is near that justifieth me; who will contend with me? let us stand together: who is mine adversary? let him come near to me. v6: Jesus Prophecy v7: Jesus Prophecy v7: NOT BE CONFOUNDED: I AM not confused about what is going on. I didn't turn away from that. Did what I AM supposed to do. It didn't befuddle me in any way. v7: SET MY FACE LIKE A FLINT: You will learn to do that same thing as an adopted son or daughter once you understand what your Heavenly Father has in His Heart and Mind about an issue and you decide that's what you are having in yourt heart and mind about an issue, you will be able to set your face like a flint and the policy of evil will not be able to move you from that position. v8: You will get to that place, where the Adversary is going to come with this policy of evil and you are going to say who is my adversary, let him come near unto me. But that's only a thing that an educated son can say. MM jokes if we can live long enough, we are going to get there.
Isaiah 52 - 53		Four chapters are called 'The Song of the Suffering Servant - includes Isaiah 53.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	Greatest portrait of the Suffering Servant. MM says when He is being spoken of here, He is going to be called THE SERVANT OF THE LORD. v52:13: BEHOLD, MY SERVANT: See also MY RIGHTEOUS SERVANT-Isaiah 53:11. v53:3: DESPISED AND REJECTED...A MAN OF SORROWS, AND ACQUAINTED WITH GRIEF: v53:4: HE HATH BORNE OUR GRIEFS...CARRIED OUR SORROWS...STRICKEN, SMITTEN OF GOD, AND AFFLICTED: By going through the various kinds of insults, pains, sufferings, rejection, mocking and tribulations He was not only identifying with the ones He was redeeming, but He was providing a way for them to have victory over those things; to benefit from those things. Means when we endure any kind of suffering, pain, slander, rejection, cruelty, hatred, or evil treatment, our Savior, through His suffering and vicarious death on the Cross, has devised a way for those things to do something spiritually good and eternal in us when we respond to them appropriately.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	If we are ever to see our sufferings the way our Father does, then we must learn the same lesson that Jesus exhibited in His own sufferings. v53:4: HE HATH BORNE OUR GRIEFS...CARRIED OUR SORROWS: Because He is going to redeem it. v53:6: THE LORD HATH LAID ON HIM THE INIQUITY OF US ALL: Certainly true for Israel, but also for us, includes the body of Christ. The truth of this is for the whole world in every dispensation. It was the job of the Servant of the Lord to willingly allow the iniquity of the world to be placed on Himself. v53:7: HE WAS OPPRESSED, AND HE WAS AFFLICTED, YET HE OPENED NOT HIS MOUTH: When the Father laid the iniquity of us all upon His Son, Jesus did not scream in protest about how unfair that was, not one bit. Not even a word of protest because this was the method which was determined by all three members of the Godhead before the foundation of the world, to answer the problems of suffering, pain and evil. He didn't complain, he didn't gripe, because He knew what going through those things is for.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	Point: When the iniquity of the world was placed on the Son of God, before the Cross and on the Cross, GH: He didn't say a word about any of it. All the lies, the slander, the mocking, the rejection, the vilification, He wasn't griping about any of that. Because He was going through these things for a purpose and to Him and the Father, the purpose was worth it. So He was gladly, He was willingly going through those things because He knew what those things were for. MM says others may not know what you are going through but he does know the One who knows exactly what you are going through. If we can see our sufferings the way our Father does and we learn the same lesson that Jesus exhibited in His Life and that Paul knew to be true in his life and he wrote in his epistles, it will change the way we see our own sufferings.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	v53:7: HE WAS OPPRESSED, AND HE WAS AFFLICTED: Broad terms that carry a lot of different things that go on in His Life. Point: When we suffer these same kinds of things, we should let that same mind be in us that was also in Christ Jesus-Philippians 2:5. The Mind that was in Him was HE OPENED NOT HIS MOUTH, He wasn't complaining. He wasn't going to make an issue out of it. But He understand that something better than not suffering was being provided for our proper response to the sufferings that we go through, to endure them patiently and to become obedient just as we see the Lord Jesus was. MM says this is easier said than done. v53:7: HE OPENED NOT HIS MOUTH: Means that He didn't complain, He didn't gripe. Because of what He is going through and knowing what those things are for, ??? MM points to the illegitimate stigma of His Birth, not knowing it was a Virgin Birth. How hurtful would it be when You knew there was noting illegitimate about it but God was your Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	v53:9: HE HAD DONE NO VIOLENCE, NEITHER WAS ANY DECEIT IN HIS MOUTH: Even though He had done no violence, neither was any deceit in his mouth, yet it pleased the LORD to bruise him. MM says that He didn't do anything to deserve this. These things didn't come upon Him because of who He was or because He deserved it. Or somehow He provoked that kind of thing in an evil way. v53:10: YET IT PLEASED THE LORD TO BRUISE HIM, HE HATH PUT HIM TO GRIEF: The Father took pleasure in the bruising and wounds of His Son. The Father can take pleasure in the bruising and wounding of His Son because He knows what the suffering was for. God is omniscient, He knows the end from the beginning. He knows that the pain and suffering of His Son was not without purpose. All of Christ's sufferings, and I mean all of them, up to and including the death on the Cross, had meaning and purpose. God could look at His Son in His agony and take delight, that in this act of sacrifice by His suffering Servant, the redemption of His people was being accomplished. And to God, it was worth it. MM tying to THEREFORE I TAKE PLEASURE-2 Corinthians 12:10.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	v53:10: PLEASED: It does not mean that God took some diabolical pleasure in tormenting His Son. Nevertheless, there was something profoundly "pleasant" to the eyes of the Father, in the bruises and wounds of His Son. God saw something in the suffering of His Son that is, by and large, invisible to the world. For the Father to be "pleased" to bruise His own Son required a depth of insight to see beyond the sufferings themselves. God could see the sufferings for what they really were. Seeing beyond the sufferings is the result of godly knowledge. Reasons why the Father not only allows these things to happen but actually ordain these things done to His Son, not just the Cross, but all the sufferings leading up to it: 1) because by going through the same things that those He would redeem go through, Jesus was qualifying Himself to be Redeemer. Not the Cross, but everything up to the Cross in which He was "fulfilling all righteousness." He was qualifying as the Redeemer by going through the exact sufferings of the ones He was redeeming.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	2) Jesus went through the same sufferings, sorrows, rejection and griefs as we do because He was providing something for those He was redeeming; not just a redemption from sin, but a redemption from the effects of all their sufferings. This is not some case of cosmic child abuse as some theologians say. Well-known theologians and scholars. If God didn't do this, then we are undone. Saying there was something profoundly pleasant in the eyes of the Father when the Son was bruised and was put to grief. God is able to see something in suffering that's invisible to the world. MM knows that the religious leaders stirred up the people and the people pressured Pilate. He was sort of blackmailed into punishing Jesus. They did it on their own and God didn't coerce them to do it. They did it of their own free will. But when Isaiah talks about it, he doesn't say it please Pilate or it pleased the people or it pleased the religious leaders of Israel.

Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	It said IT PLEASED THE LORD TO BRUISE HIM. Normal thinking would say how in the world can a father be pleased with the bruising of his son? MM says seeing beyond the sufferings themselves takes a godly education. If you can't change the way you see your sufferings, then you'll always just be subject to them. When we read the gospel accounts, God isn't looking at the evil of men, He is looking at what His Son is going to produce through this suffering and the result of that. People sitting in this room and on Zoom/Remote, you're part of the result of that, the ongoing result. God not only allowed these things to happen, He ordained them to happen. This is the plan by which we would be able to have eternal life. Not just talking about the Cross, talking also about the sufferings that were leading up to the Cross. Jesus went through the sufferings because it was necessary.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	When you're going to perform the act of redemption, it is necessary for the One doing the redeeming to experience all of that, for those for which He was redeeming. He had to go through the same types of sufferings as those who He was redeeming. He is qualifying to be the Redeemer. EX A guy owes a debt and he is broke and he can't pay his debt. He doesn't have anything. But he has an uncle and his uncle loves his nephew dearly and he doesn't want hi to go to debtor's prison. So the uncle says I'm going to liquidate all of my assets and I'm going to pay your debt. But the uncle, once he pays the debt, winds up in the same position as the nephew. The redemption is not allowed. He's disqualified from being the redeemer because you can't, at the end of the redemption, be in the same shape. But if a guy can pay off the debt without destituting hiself, then he can. So Jesus is qualifying to be the Redeemer. He did a lot of things to be able to do this. Please see Matthew 3:15 commentary.
Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	v53:10: LORD: Capital LORD. We would say Jehovah. v53:10: WHEN THOU SHALT MAKE HIS SOUL AN OFFERING FOR SIN: On the one hand, Christ on the Cross was the most hideous, grotesque specimen as the sins of the world were placed upon Him in a moment of time (just think for a moment about all the heinous sins that have been committed in the world), while on the other hand, from the vantage point of redemption, it was the most beautiful sight in history because the Savior was providing salvation. v53:11: HE SHALL SEE THE TRAVAIL OF HIS SOUL, AND SHALL BE SATISFIED: Could be referring to either the Father or the Son - true for both but talking about the Son: * Certainly, the Father will see the travail of His Son’s soul, and be satisfied. * Could be the Son because on the other side of the Cross, Christ will not only provide salvation, but He will also see all of the riches which He provided for His people through His suffering. That was the fruit of His travail. He will look back and be satisfied about the thing that He went through.

Isaiah 52 - 53	Sonship Suffering '25 / Suffering Servant Passage	MM tells the story of delivering a baby as an EMT and the joy the mom experienced. She went through that pain knowing what it was going to produce and when she did, she is able to look back on that and go, yeah, I got this. This is what is happening with the Lord Jesus and His Father. He is enduring all of these things that culminate in His Death on the Cross. But at the end, He is not regretting any of that because He knows what it is for. And if we know these things, we realize that there is a cause worth suffering. Someone who is satisfied after going through travail is someone who sees the value of his work, and of his sacrifice, and of his pain. There is nothing worse that laboring, having hardships, or suffering for nothing. Remember, suffering is never for nothing. Christ would see all that was produced by His sufferings (the travail of His soul), and He would see that it was worth all the pain and suffering He endured. v53:11: TRAVAIL: Is a word normally reserved to describe the pangs of child birth. v53:11: MY RIGHTEOUS SERVANT: See also BEHOLD, MY SERVANT-Isaiah 52:13.
Isaiah 52:1-4		1 Awake, awake; put on thy strength, O Zion; put on thy beautiful garments, O Jerusalem, the holy city: for henceforth there shall no more come into thee the uncircumcised and the unclean. 2 Shake thyself from the dust; arise, and sit down, O Jerusalem: loose thyself from the bands of thy neck, O captive daughter of Zion. 3 For thus saith the Lord, Ye have sold yourselves for nought; and ye shall be redeemed without money. 4 For thus saith the Lord God, My people went down aforetime into Egypt to sojourn there; and the Assyrian oppressed them without cause. Context: Is the kingdom. v1: PUT ON THY BEAUTIFUL GARMENTS: MM says that this is a kingdom reference. v1: HENCEFORTH THERE SHALL NO MORE COME INTO THEE THE UNCIRCUMCISED AND THE UNCLEAN: MM says this will only be true in the kingdom. Until that time, they will be trodden down of the Gentiles. v4: THE ASSYRIAN OPPRESSED THEM WITHOUT CAUSE: This is the Assyrian Pharoah that Satan brought in so he would have a Pharoah who didn't know Joseph or Joseph's God.
Isaiah 52:5	GH: GPPI verse	5 Now therefore, what have I here, saith the Lord, that my people is taken away for nought? they that rule over them make them to howl, saith the Lord; and my name continually every day is blasphemed. See that it is through Israel’s performance that God’s name is blasphemed. Their performance does not impact the world for God, their performance causes the world to blaspheme God’s name. That is how effective their performance is. Israel will only have an impact on the nations through God’s Jehovahness. MY NAME CONTINUALLY EVERY DAY IS BLASPHEMED: This is what He got because of Israel's performance, His Name was BLASPHEMED. It was not their merit that was going to bring great glory to God and it never was going to be that way.

Isaiah 52:7-8	Gospel of Peace	7 How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth! 8 Thy watchmen shall lift up the voice; with the voice together shall they sing: for they shall see eye to eye, when the Lord shall bring again Zion. GOOD TIDINGS: Another way of saying gospel. Preached to Israel. It's about (gospel of) national peace and national salvation. This gospel takes place when the Lord Jesus Christ is reigning in the Kingdom (Millenium). Begins to be preached in the opening chapters of the book of Acts. GOOD TIDINGS of peace - The gospel of peace here at the end of Isaiah. Gospel of Peace that Israel will enjoy in the Millenium/Kingdom once their enemies have been put down. v7: HOW BEAUTIFUL UPON THE MOUNTAINS ARE THE FEET OF HIM THAT BRINGETH GOOD TIDINGS MM says you can see in this verse this is a kingdom passage. v8: WHEN THE LORD WILL BRING AGAIN ZION: MM says that's another Millenial reference.
Isaiah 52:10		10 The Lord hath made bare his holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God. THE EYES OF ALL THE NATIONS: God covenants to do these marvels because I AM making an impact on the Gentile nations. I AM putting something up in the display window for them to see. ALL THE ENDS OF THE EARTH SHALL SEE
Isaiah 53		Don't expect the Messiah to be some noble, aristocratic, high brow type of individual. You're going to esteem Him very differently from that. MM says if they had gone to the prophets instead of the Pharisees, GH: they would have seen that. MM says that has always been where the decision is...are you going to go with what the Bible says or are you going to go with what men decide? That has always been the case. THE SERVANT OF THE LORD chapter - MM tying to servants and masters in Ephesians 6:5-9.
Isaiah 53	Non-MBI	Rose: The Suffering Servant Prophecy: Isaiah prophecies about the suffering Servant who would suffer on behalf of God's people. The prophecy anticipates the coming of the Messiah, Jesus, who comes to save the world. v1-2: Because of Christ's humility, many people will not believe He is the Messiah. v3-4: Christ will endure much sorrow and rejection. v5-8: Christ willingly pays the penalty for our sins to provide a way of reconciliation. v9-12: God is pleased to send His Son to allow humanity a way of salvation.

Isaiah 53:1-3		1 Who hath believed our report? and to whom is the arm of the Lord revealed? 2 For he shall grow up before him as a tender plant, and as a root out of a dry ground: he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him. 3 He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not. Isaiah is writing as a prophecy how they're going to receive the Messiah when He shows up. This is how a nation, as we whole, is going to respond to the Messiah. MM says if you know this and you see the religious leaders going no, this not it, He is not it, we are not following Him, wouldn't you say, wait a minute? Just as they rejected the message in Isaiah's day, they rejected the message in Jesus' day as well. v1: WHO HATH BELIEVED OUR REPORT v2: THERE IS NO BEAUTY THAT WE SHOULD DESIRE HIM v3: DESPISED AND REJECTED OF MEN v3: WE HID AS IT WERE OUR FACES FROM HIM v3: WE ESTEEMED HIM NOT
Isaiah 53:4		4 Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. YET WE DID ESTEEM HIM STRICKEN, SMITTEN OF GOD, AND AFFLICTED: MM says this is what the nation of Israel should have been looking at (GH: during Israel's earthly ministry, and not have listened to the Scribe's and Pharisee's vain religious teachings.). These are not prosperous, hi-brow, high-class descriptive terms. The doctrine that the Pharisees were putting forth was that of a regal, royal ruler that was very high-class and they put that doctrine out there. This doctrine runs exactly counter to what we find in the prophets.
Isaiah 53:5-7		There may be a question about how much Satan actually knew from passages like Psalm 22 and Isaiah 53. What did Satan know when John the Baptist said of Jesus, “Behold the Lamb of God that taketh away the sin of the world?” Satan knew enough to know he might ultimately lose possession of the earth, but, in his mind, he would keep the heavenly places, thinking that Israel had no way to inhabit or reclaim the HP. But that is where the mystery comes in. What Satan did not know was all that Jesus Christ was providing for in His death on the Cross and His resurrection from the dead.
Isaiah 53:8		8 He was taken from prison and from judgment: and who shall declare his generation? for he was cut off out of the land of the living: for the transgression of my people was he stricken. WHO SHALL DECLARE HIS GENERATION?: Talking about Isaiah. Can be part of the Lord's generation and be back in the O.T. FOR HE WAS CUT OFF OUT OF THE LAND OF THE LIVING: FOR THE TRANSGRESSION OF MY PEOPLE HE WAS STRIKEN: Talking about Jesus.

Isaiah 53:10	GH: Cross verse	10 Yet it pleased the Lord to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the Lord shall prosper in his hand. God will pour out all His wrath and Jesus will suffer during the 3 hours of darkness but God will be satisfied. Prophets called Him Redeemer. Just didn't know His Name back then. THOU SHALT MAKE HIS SOUL AN OFFERING FOR SIN: Jesus is human, and being faced with his suffering on the cross, His bearing the sins of the world, His enduring the curse of the law, and the wrath of His Father being poured out on Him, whereby His soul was made an offering for sin.
Isaiah 53:11	MoG 2 of 18 : IN Christ Identity : Justification 1 of 3 : Forgiveness = HE SHALL BEAR THEIR INIQUITIES	11 He shall see of the travail of his soul, and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities. IN CHRIST IDENTITY - JUSTIFICATION STATUS 1 of 3: Forgiveness - ??? MANY: Not all. Calvinist verse - limited Atonement. BEAR THEIR INIQUITIES: Christ would ‘bear their iniquities.’ That is exactly what He did on the cross, when He was made a curse for us. Mercy - Foregiveness verse. It was the Cross-work of the Lord Jesus Christ on the Cross that satisfied God's wrath against sin. MM realizes he is back in Isaiah. Isaiah is not looking forward to the Dispensation of grace. But Christ did bear the iniquities of us all.
Isaiah 54:5		5 For thy Maker is thine husband; the Lord of hosts is his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called. THY MAKER IS THINE HUSBAND: The marriage relationship is so significant that God chose it as a picture of His relationship with His people. In the Old Testament (OT), God pictures Himself as the husband to Israel. For Israel, the marriage relationship was not of Christ and the church, but a picture of the Lord and the people of Israel which were His creation. THY MAKER: Talking about God. THY REDEEMER THE HOLY ONE OF ISRAEL

Isaiah 54:8-10		8 In a little wrath I hid my face from thee for a moment; but with everlasting kindness will I have mercy on thee, saith the Lord thy Redeemer. 9 For this is as the waters of Noah unto me: for as I have sworn that the waters of Noah should no more go over the earth; so have I sworn that I would not be wroth with thee, nor rebuke thee. 10 For the mountains shall depart, and the hills be removed; but my kindness shall not depart from thee, neither shall the covenant of my peace be removed, saith the Lord that hath mercy on thee. v8: IN A LITTLE WRATH I HID MY FACE FROM THEE FOR A MOMENT: God said he will be just a little angry during the Day of Wrath. v10: COVENANT OF MY PEACE: 'material blessings'. Called this because God is not angry anymore. My Wrath has turned away. It's like the waters of Noah unto Me. Just like I AM never going to cover the earth with water like that, I AM not going to get angry anymore. See all the things He is going to do in the rest of the chapter and the next. These are different, these are Kingdom blessings, given to them once the Kingdom gets established.
Isaiah 55:3	GH: GPPI verse	3 Incline your ear, and come unto me: hear, and your soul shall live; and I will make an everlasting covenant with you, even the sure mercies of David. AN EVERLASTING COVENANT WITH YOU, EVEN THE SURE MERCIES OF DAVID: Paul quotes in Acts 13:34. SURE MERCIES OF DAVID: David was worthy of death but received the SURE MERCIES OF DAVID.
Isaiah 56:7	Prayer : Israel	7 Even them will I bring to my holy mountain, and make them joyful in my house of prayer: their burnt offerings and their sacrifices shall be accepted upon mine altar; for mine house shall be called an house of prayer for all people. FOR MINE HOUSE SHALL BE CALLED AN HOUSE OF PRAYER: Talks about the PLACE where prayer was to take place - was in the Temple or before that, the tabernacle. The people would all gather morning, noon, and evening in the court yard and all pray. Jesus picks up on this when he whips the money changers out of the Temple and He said this was supposed to be a house of prayer, you have turned it into a den of merchandise-Matthew 21:13, Luke 19:46. GH: Psalm 55:17 tells the PLACE of prayer for Israel - EVENING, AND MORNING, AND AT NOON.
Isaiah 58 - 66	ction 2 of 2 : Pa	Section 2, Part 3: Detail the salvation of the earth from its curses in the kingdom, specifically the New Heaven and the New Earth. About their deliverance of the earth from the curse that it was under from the beginning/kingdom.

Isaiah 58:13-14		13 If thou turn away thy foot from the sabbath, from doing thy pleasure on my holy day; and call the sabbath a delight, the holy of the Lord, honourable; and shalt honour him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words: 14 Then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father: for the mouth of the Lord hath spoken it. Isaiah is a 5th cycle prophet. This is a verse for Israel. v13: MY HOLY DAY: That day belongs to God. v13: CALL THE SABBATH A DELIGHT: Israel got to the point they hated this restriction. v14: THEN THOU SHALT DELIGHT THYSELF IN TO LORD: If you understand this is My Holy Day and you'll not do what you want to do but you'll do exactly what I WANT you to do, He is not saying you will be delighted about it. This is the expression that God is using to say God Himself now finds you delightful. I AM going to be delighted in you if you'll observe that which is holy. Very important to understand this aspect of holiness. True that holiness stands in contrast to that which is evil/unclean/sin/wicked. Rest of v14 - there's going to be something in that for you. Remember that is Israel, who is under a performance system.
Isaiah 59:2	Prayer : Incorrect	2 But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear. HE WILL NOT HEAR: People incorrectly believe that God will intervene if they confess their sins. Say that if you have sin then God is not going to hear you. Their sins were remitted not done away with because the Thing that does away with our sins hadn't taken place yet. What kept them from going to hell before Jesus paid for their sins.
Isaiah 59:4		4 None calleth for justice, nor any pleadeth for truth: they trust in vanity, and speak lies; they conceive mischief, and bring forth iniquity. Get these leadership/decision making skills from a whole different perspective. Describing the corrupt governors of the nation of Israel. If they would have had WJJE, they would not have been corrupt. v4: NONE CALLETH FOR JUSTICE: There are people in positions to make decisions concerning the lives of others and they are not calling for justice. They don't have that skill.
Isaiah 59:8-9		8 The way of peace they know not; and there is no judgment in their goings: they have made them crooked paths: whosoever goeth therein shall not know peace. 9 Therefore is judgment far from us, neither doth justice overtake us: we wait for light, but behold obscurity; for brightness, but we walk in darkness. v8: NO JUDGMENT IN THEIR GOINGS: Not a coincidence that he has said these things are missing in you guys because if you are going to govern properly, you have to have these 4 skills. v8: CROOKED PATHS: Wisdom has to do with finding the right path. v9: JUDGMENT....JUSTICE

Isaiah 59:20-21		20 And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the Lord. 21 As for me, this is my covenant with them, saith the Lord; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the Lord, from henceforth and for ever. REDEEMER: First aspect of the Davidic covenant. From Isaiah's standpoint, this is the thing that has to happen first. He is making a prophecy about that. v20: MM says most people tie to Romans 11:26-SO SHALL ALL ISRAEL BE SAVED. Paul uses DELIVERER but Isaiah uses REDEEMER.
Isaiah 60 - 65		All things about the kingdom.
Isaiah 60 - 61	GH: GPPI verse	Speak of the glory of the nation of Israel that they will have in the kingdom as they function as the “great nation,” the “kingdom of priests” and the “holy nation.” See the details of how they will function in the kingdom. In the kingdom, the world will see that Israel’s God is the true and living God. In the kingdom, the nations of the world will also be given discernment to see how deceived they were by the plan of evil. To sum this up in as few words as possible, there is going to be a display put up, outside the land of Israel, that showcases the entire “course of this world” which was put into motion in Genesis 4-11. A museum of sorts, that will preserve “how things used to be.” The purpose of this will be so the Gentiles can see exactly what they had been part of, under the satanic plan of evil. Included in this display will be the then imprisoned devils who operated in conjunction with the worship of idols. You could say this thing that is built, that I am calling a museum or you could say a “zoo” of sorts, will show the Gentiles what they participated in under the plan of evil and all they involved themselves in as they followed the course that Satan charted for this world back in Genesis 4-11. They will be able to go there, in the kingdom, to walk through and observe all those things.

Isaiah 60 - 61	GH: GPPI verse	There they will see how they walked after Satan's ways and according to his paths. From this they will recognize that Israel's God is the true and living God and they will recognize Israel as "the Priests of the LORD" and the "Ministers of God." This has never yet happened to Israel in all of their history. Israel will be glorified at that time in the kingdom, but that glory will not be the product of their performance, but rather they will only get it when God gives it to them by His Jehovah-ness and grace. MM says when the nations come to see the King every year on the Feast of Tabernacles, they will be able to go through this display, which actually contains the imprisoned devils and physical displays that describe the COTW-Ephesians 2:2 that they all followed when they walked after the adversary, when they were under the deception of Satan, when they were talking in his ways. And Dog is going to set up something that is like a museum or a zoo. Probably a combination but the Bible doesn't say these words. In the kingdom, God pulls back the curtain and says, here's what the lie was, and here's what you did in accordance with it, and now you're going to see it for what it really was. MM points to Dorothy pulling back the curtain in the Wizard of Oz. She's totally let down. She had one idea on what it was and then she found out it was a scam. This is the display set up in the kingdom and the curtain is going to be pulled back and they're going to see the little guy back there with the microphone and pullies and bells and switches and whistles.
Isaiah 60 - 61	GH: GPPI verse	And they are going to go "This is what I cooperated with!?!? I didn't think it was that at all." When they see it, they will say "The Lord is the True & Living God and we were deceived." And they will submit themselves to His people in the kingdom. And they will come every year to worship the King of kings and Lord or lords and they will see it for what it is. They will understand the only reason they will even be accepted in the kingdom is because of God's people, Israel. And they will understand that its fullness and it will cause them to turn to the Lord.
Isaiah 60:1-3	GH: Kingdom	1 Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee. 2 For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee. 3 And the Gentiles shall come to thy light, and kings to the brightness of thy rising. Talking about the kingdom. Never been anything about God dealing with Gentiles apart from Israel. Told to Israel - have not yet become that great light that was promised to them. v1: THY LIGHT HAS COME: The LIGHT is the GLORY OF THE WORLD. Physically and spiritually LIGHT. When He turns on that LIGHT, the whole world will want to come and see that. This is part of Jesus as the BLESSER. **** All of these scriptures are BLESSER scriptures. v2: HIS GLORY SHALL BE SEEN v3: THY LIGHT v2: GROSS DARKNESS: Same as OUTER DARKNESS in the N.T. v3: GENTILES SHALL COME TO THY LIGHT: God covenants to do these marvels because I AM making an impact on the Gentile nations. This is a process that happens in time, in reality. We have this mindset that makes us thinking God's going to magically make it all happen just like when we get to heaven, we are going to know it all. No you won't either. It's a process that starts with the word of the Lord going forth from Jerusalem. It's a process. The Gentiles are going to SEE and HEAR things and make decisions about things. MM says that's why the Millenium is 1,000 years, there is something that's going to be done. Doesn't know if it will take 1,000 years but he wonders if the work we need to do in the creature is enough. The key for them being effective is for them to be distinct and separate from all the other nations of the world. So one of the key elements of Satan's POE is to get them to be just like all the other nations of the world. Assimilate themselves into the rest of the world. MAKE US A KING TO JUDGE US LIKE ALL THE NATIONS-1 Samuel 8:20. God continually warns them not to be like the other nations around them. The Gentile nations followed Satan's COURSE OF THIS WORLD-Ephesians 2:2 and he is going to use these other nations to tempt Israel to LEAVE THE PATHS OF UPRIGHTNESS-Proverbs 2:13 and walk with the wicked in their path-Proverbs 4:14.

For he has clothed me with garments of salvation and arrayed me in a robe of his righteousness, as a bridegroom adorns his head like a priest, and as a bride adorns herself with her jewels. 11 For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations. planitall YouTube : BIBLE TIMELINE - Blesser (1 of 5 mandates in the Davidic covenant): fulfilled when the Kingdom is established After establishing His Kingdom, Christ will fulfill the 5th and final mandate of the Davidic covenant. v11: so the Lord God will cause righteousness and praise to spring forth before all of the nations.
Isaiah 62:2		2 And the Gentiles shall see thy righteousness, and all kings thy glory: and thou shalt be called by a new name, which the mouth of the Lord shall name. THE GENTILES SHALL SEE: God covenants to do these marvels because I AM making an impact on the Gentile nations. I AM putting something up in the display window for them to see. He is using Israel as a conduit to shine a light to the whole world.
Isaiah 63:1-7		Context: In the first 7 verses, Isaiah is talking about the Second Advent of the Lord when He returns in His Great and Terrible Day of the Lord - Armegeddon. When Israel was afflicted, the Lord was afflicted. He was moved to bestow “great goodness” upon them (God was “cleaving to that which is good”). Here is an example of God abhorring the evil (the afflictions) and cleaving to that which is good-Romans 12:9. Remember prior to Romans 12, the only One who displayed lovingkindness was God Himself! Godly lovingkindness is not just some kind of sentimental emotional feeling, but it results in godly action.
Isaiah 63:7-9	GH: Lovingkindness of the Lord verse	God gives us an example of His LOVINGKINDNESS. You see this when Israel was afflicted, the Lord Himself was afflicted. v7: THE LOVINGKINDNESS OF THE LORD v7: GREAT GOODNESS v7: THE MULTITUDE OF HIS LOVINGKINDNESSES v9: IN ALL THEIR AFFLICTION HE WAS AFFLICTED: Reminds you of Paul's doctrine, THE FELLOWSHIP OF HIS SUFFERINGS-Philippians 3:10. When that happnens to us, that happens to Him. Remember, IF SO BE WE SUFFER WITH HIM -Romans 8:17- that's the fellowship of His sufferings. That's that commonness. v9: God looked at their situation in need and then He does that. This is a great example of what Paul is talking about or the members of the local assembly to do for each other, to be able to see those folks as hurting in some way or something is going on and now we are going to respond to that. v9: HE REDEEMED THEM v9: HE BARE THEM v9: CARRIED THEM

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 63:7		7 I will mention the lovingkindnesses of the Lord, and the praises of the Lord, according to all that the Lord hath bestowed on us, and the great goodness toward the house of Israel, which he hath bestowed on them according to his mercies, and according to the multitude of his lovingkindnesses. Even though we know that time of wrath is coming on Israel's calendar, Isaiah is saying I want to remind you of something, lest you think God is just a wrathful God that delights in punishing people. Even though the Great and Terrible Day of the Lord is coming, don't think He hasn't done anything out of His LOVINGKINDNESS because He has. MM says this is a pretty good analogy on how we should feel about each other (GH: MM teaching Romans 12:9b). I WILL MENTION THE LOVINGKINDNESS OF THE LORD: Don't you know that even though you have been worthy of this wrath all along, He has been bestowing to you a lot of things out of his LOVINGKINDNESS. GREAT GOODNESS ACCORDING TO HIS MERCIES: Not because they deserved it but out of His mercies. ACCORDING TO THE MULTITUDE OF HIS LOVINGKINDESSES
Isaiah 63:9		9 In all their affliction he was afflicted, and the angel of his presence saved them: in his love and in his pity he redeemed them; and he bare them, and carried them all the days of old. IN ALL THEIR AFFLICTION HE WAS AFFLICTED: Even though God is up there and Israel is down here, when Israel was afflicted, God was afflicted. When the affliction came upon Israel, this is how God felt about it. MM wondered when were they AFFLICTED and he found Genesis 15:13-AFFLICT THEM FOUR HUNDRED YEARS. Talking about when they were in slavery in Egypt. SAVED THEM...REDEEMED THEM...BARE THEM...CARRIED THEM: God's love was without DISSIMULATION-Romans 12:9.
Isaiah 64:4-5		Context: Talking about the glory of the kingdom. This kingdom has been promised and God s saying this thing is so great and so glorious and so wonderous, you can't...there's nothing you've ever seen, you can't even imagine what this is going to be like. Then he talks about for those that work righteousness or remember them in their ways. He is fixing to introduce here - I have something very special prepared for them that are actually doing this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 64:4		4 For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him. Paul quotes in 1 Corinthians 2:9. Isaiah is writing in reference to the prophetic program, and more specifically, the glory of the kingdom (Isaiah 64: 1). The kingdom has been promised and God is saying this thing is so great and so glorious and so wonderous that you cannot imagine. There's nothing you have ever heard, nothing you have ever seen, you can't even imagine what this is going to be like. He is saying that, at no time in the world, and by no nation of people, had such blessings and happiness, such proofs of love and protection, been promised, as God has promised in His kingdom. FOR HIM THAT WAITETH FOR HIM: Means for him who patiently 'trusts in God'. The idea here being that “waiteth for him” is for those who are in a faithful disposition of trust, confidently waiting for the promise of God of the glorious kingdom. Pauls says FOR THEM THAT LOVE HIM-1 Corinthians 2:9. This is not a blanket promise for everyone in the kingdom it is for those who met a standard of behavior. Patient trust in the promise without getting all antsy or anxious about it - the glories of the kingdom.
Isaiah 64:5		5 Thou meetest him that rejoiceth and worketh righteousness, those that remember thee in thy ways: behold, thou art wroth; for we have sinned: in those is continuance, and we shall be saved. Isaiah says that no one has ever seen such great things as God is offering to His people who “worketh righteousness” (v5) and “remember thee in thy ways” (v5). In other words, this is not a blanket promise to everyone. It is reserved for those who meet a standard of behavior. WORKETH RIGHTEOUSNESS...REMEMBER THEE IN THY WAYS: This is not a blanket promise for everyone in the kingdom it is for those who met a standard of behavior.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 64:6		6 But we are all as an unclean thing, and all our righteousnesses are as filthy rags; and we all do fade as a leaf; and our iniquities, like the wind, have taken us away. FILTHY RAGS: Israel trying to produce their own justification (self-righteousness). MM says where the world is headed. They are going to get rid of God but they are still going to be righteous without Him (GH: they think). MM says it is going to be very unpopular to really be a believer. The fundamental things we hold onto today are not the fundamental things we held onto 50 years ago. Christianity is going to have to give those things up or at least quit talking about them out loud. Our self-righteousness or the world's righteousness. When you were back in your lost condition, because of your identity in Adam, because of the mastership of sin, giving to charity, mowing widow's lawn, taking friend to the hospital, volunteer for a soup kitchen, it doesn't matter how good that act is. If you do it in that condition, your Heavenly Father looks at that and it is stench in His nostrils. Isaiah calls it filthy rags. But when you become JUEL, you have been made dead to sin and alive unto God. Can do those exact same things, and do them out of a life that does NOT have sin as its master. You do it now out of a life that has been set free from sin and it's alive unto God. God looks at those same things and now goes, I really like that. Before you got saved, doesn't matter what type of food you dredge out of the dumpster, He is not interested in eating it. But when you serve off His Table, He says I like that. I would like to have some more of that. MM says it's like showing people pictures of your children and grandchildren. God is showing angels your fruit and they are going 'here was go again'. It was determined from the foundation of the world that we would do this. Then He kept it a secret. Then He provided for it. When it was all provided for, Israel had gotten their extension of mercy. MM say its like God said, "OK OK. I AM not keeping it a secret any longer. Let me tell you what I did', and He reveals it all. There are eternal repercussions that come from this. Before we were saved, our attempts at righteousness are valued no differently than they were in Isaiah's description.
Isaiah 65	GH: IPF verse	v1-2: Speaks of making a manifest wedge/division among the people. Ties to Ezekiel 34 and John 12:37-38. v1: This is happening to the Lord when He is here in His earthly ministry. v3-4: Were all violations of the law. They already had the law. v4: EAT SWINE'S FLESH: Explains the presence of the swine herd into which Jesus cast Legion into (Mark 5:9; Luke 8:30); they were eating the swine's flesh, as foretold in Isaiah. They were raising the herd so they could sell it for food. Doing exactly what the law told them not to do. v5: STAND BY THYSELF, COME NOT NEAR TO ME; FOR I AM HOLIER THAN THOU: This is Pharisee-ism in a nutshell. v6-7: Talking about what is happening in the days of the Messiah. When Jesus was talking to the Pharisees who were opposed to His ministry - see Matthew 23:35. v7: Is the reason Jesus says what He does - 'upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias'-Matthew 23:35.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 65	GH: IPF verse	v7: YOUR INIQUITIES, AND THE INIQUITIES OF YOUR FATHERS TOGETHER: Fulfilled in Matthew 23:35-36. v8: He is not going to destroy everyone in the nation, there is a group called His 'servants'. v8: SERVANT'S...THEM: Both are a reference to the remnant, which will not be destroyed in the day of wrath. v9: SEED: The is the remnant who is the called out seed of Jacob which will go into the kingdom with Him. v11-12: This is referring to those who say, 'I am holier than thou'-v5 Pharisees. They will be bowed down to the slaughter because when He called (during His earthly ministry) they did not answer. v11: YE ARE THEY THAT FORSAKE THE LORD: The 'ye' is apostate nation. When the Lord was stretching out His Hands to a rebellious people and they didn't want anything to do with it.
Isaiah 65	GH: IPF verse	v13: MY SERVANTS SHALL EAT, BUT YE SHALL BE HUNGRY: Here, 'servants are the remnant, and 'ye' is the apostate nation. Continues through v14-15. Another example of the wedge/division that started in the days of the Messiah and will continue into the 5th CoP-5th installment. At the end, the apostate element of the nation is going to be destroyed and His 'servants' are going into the kingdom. At these times, there is going to be an exposure policy put into place so that the remnant can tell the false from the true and keep themselves from being deceived.
Isaiah 65:1-8	GH: WoD Teaching	v1-7: The particular time being talked about here is the Climactic Stage of Israel's program, specifcally before the Cross and especially during the extension of mercy. Paul quotes this when he talks about the dispensational change in Romans 10:19-21. v1: BEHOLD ME, BEHOLD ME: v3: Going through the religious aspects of sacrifices and altars and burning incense and those types of issues. v3: PROVOKETH ME TO ANGER CONTINUALLY v5: STAND BY THYSELF, COME NOT NEAR TO ME; FOR I AM HOLIER THAN THOU: The apostate nation saying to the believing remnant, don't come near to me because I'm holy. This is the attitude of these folks. They believe that they are righteous, they believe that they are holy and God is up here saying they provoke Me to anger-v3. Everthing they have done has been wrong. These are the ones that are blaspheming God.
Isaiah 65:1-8	GH: WoD Teaching	v5: THESE ARE A SMOKE IN MY NOSE, A FIRE THAT BURNETH ALL THE DAY: MM says you can die of smoke inhalation before you die of a fire. If you have smoke continually in your nose, you are going to fix that one of two ways: 1. Move away from the smoke if you can OR 2. Put that fire out that's causing the smoke God is telling you how He feels about these people - they are like a smoke in His Nostrils. He is saying He has got to do something. Shows why God is justified in what He is doing, He is explaining why He feels about it the way He does and this is the unfolding picture of that. This is the disgust that He has for this.
Isaiah 65:1-5	GH: GPPI verse	v1-5: Shows Israel's worthiness of the 5th CoP. God says they do these things, they transgress all My laws, and then they go don't get too close to me, I'm holier than you are. That's just abominable to Me. v6-7: The consequences. Indeed He will in the 5th CoP. v6: IT IS WRITTEN BEFORE ME: God has no option for this is what they contracted for back at Mt. Sinai. This is all going back to the schedule of curses that come in response to their disobedience.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 65:5	GH: IPF verse	5 Which say, Stand by thyself, come not near to me; for I am holier than thou. These are a smoke in my nose, a fire that burneth all the day. THESE PEOPLE ARE A STENCH IN MY NOSTRILS: God's view of Israel's religious leaders running their vain religious system.
Isaiah 65:16		16 That he who blesseth himself in the earth shall bless himself in the God of truth; and he that sweareth in the earth shall swear by the God of truth; because the former troubles are forgotten, and because they are hid from mine eyes. HE THAT SWEARETH IN THE EARTH SHALL SWEAR BY THE GOD OF TRUTH: Why? BECAUSE THE FORMER TROUBLES ARE FORGOTTEN, AND BECAUSE THEY ARE HID FROM MINE EYES. The things that used to be happening, those troubles are no more. Those are now going to be done away with, because now God is going to be dealing with Israel, not according to the BONDAGE OF CORRUPTION or the SOPT, GH: but by the New Covenant? BECAUSE THE FORMER TROUBLES ARE FORGOTTEN: All the things that used to cause you problems are going to be gone. BECAUSE: GH: the WHY for the first half of the verse.
Isaiah 65:17		17 For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. I CREATE A NEW HEAVENS AND A NEW EARTH: How God is going to do v16. GH: How all the troubles/BONDAGE OF CORRUPTION will be done away with. He creates a new heaven and a new earth for his kingdom to dwell in and what's new about it is that there is no more bondage of corruption in connection with it. Compare to Revelation 21. Culmination of the fifth cycle of judgment when God is going to bring everything full circle around. NEW HEAVENS AND NEW EARTH: GH: Ties to NEW HEAVEN AND NEW EARTH-Revelation 21:1. See the new heavens and the new earth precede the kingdom! THE FORMER SHALL NOT BE REMEMERED, NOR COME TO MIND: The BONDAGE OF CORRUPTION is going to be so far behind people at some point, they're no longer going to remember the old way - pretty remarkable. MM says you will get so far out into eternity laboring with the Lord and someone will come along and say, you know who I haven't thought about in a long time? The devil. The Bible says he won't be remembered. And the old heavens and earth won't be remembered. It won't even come to your mind anymore because of the gloriousness of where your Father is taking things out in the AGES TO COME.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 65:17		17 For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. The things you are going through right now, the SOPT, will one day be a distant memory (GH: Think MM is saying, even though this is future for Israel, it applies to us in the heavenly places). Won't remember your former troubles. Isaiah didn't talk about the heavenly places because he (GH: and no one else) knew about it. It was a mystery. Satan will no longer give you a headache, you are going to give him one. All those principalities and powers that joined him in the rebellion, you are going to throw them out. People will come in and say you guys talk about the mystery and the creature, the Bible already talks about that. The NEW HEAVEN is not the same thing as delivering the creature from the BONDAGE OF CORRUPTION. You can create the heavens new but that does not mean that the creature has been delivered from the bondage of corruption at all. GH: Missing the transfer of power in the weightiest part of the creature. Can't limit your understanding of the creature to just the things you can see.
Isaiah 65:20		20 There shall be no more thence an infant of days, nor an old man that hath not filled his days: for the child shall die an hundred years old; but the sinner being an hundred years old shall be accursed. MM showing the people will have a longer lifespan in the kingdom but some will still die. NO MORE THENCE AN INFANT OF DAYS: Nowadays, a child may live a few days and be gone. In the Millenium, that won't be the case. NOR AN OLD MAN THAT HATH NOT FILLED HIS DAYS: The lifespan of people is going to get increased. You are going to live out that life. THE CHILD SHALL DIE AN HUNDRED YEARS OLD: During the Kingdom, things are going to go back to the way they were prior to the Flood. They lived almost a millenia. If you only live a 100 years, they will say you died as a child.
Isaiah 65:25		25 The wolf and the lamb shall feed together, and the lion shall eat straw like the bullock: and dust shall be the serpent's meat. They shall not hurt nor destroy in all my holy mountain, saith the Lord. THE WOLF AND THE LAMB SHALL FEED TOGETHER, AND THE LION SHALL EAT STRAW LIKE A BULLOCK: Makes sense if you created and new heaven and new earth and the curse on the current earth was removed. THEY SHALL NOT HURT NOR DESTROY IN ALL MY HOLY MOUNTAIN Point: This is all a millenium passage - started with new heaven and new earth.
Isaiah 66	GH: GPPI/EoM verse / GH: IPF	Talks about the new heavens and new earth at the Second Advent before the kingdom and the things going on in that kingdom during this time. v7: Israel is going to travail, and bring forth a Son, the Messiah. And when He comes, that will be HOW MUCH MORE THEIR FULLNESS- Romans 11:12.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 66	GH: IPF verse	v1-5 GH: Predicts the change from the Aaronic to the Melchisedekian priesthood talked about in Hebrews 5 - 10. v1-2: Speaks of the changes to the priesthood after the Messiah functions as Israel's Redeemer. v1: THE HEAVEN IS MY THRONE, AND THE EARTH IS MY FOOTSTOOL: WHERE IS THE HOUSE THAT YE BUILD UNTO ME? AND WHERE IS THE PLACE OF MY REST?: Stephen quotes HEAVEN IS MY THRONE, AND EARTH IS MY FOOTSTOOL: WHAT HOUSE WILL YE BUILD ME? SAITH THE LORD: OR WHAT IS THE PLACE OF MY REST?-Acts 7:49. v2: FOR ALL THOSE THINGS HATH MIND HAND MADE: Stephen quotes HATH NOT MY HAND MADE ALL THESE THINGS-Acts 7:50. v2: FOR ALL THOSE THINGS: Talking about the heaven, the earth, the house, the place of His rest from v1. v2: POOR AND OF A CONTRITE SPIRIT: The believing remnant, not the apostate nation. v3-5: Describes God's disposition about the temple sacrifices following the death of His Son on the Cross. v3: See how God feels about the apostate nation and the remnant of the remnant that returned to the temple to restart the animal sacrifices in Daniel's 70th week. See this change in full swing in Hebrews. God has no high opinion of this whatsoever.
Isaiah 66	GH: IPF verse	v3: AS IF HE SLEW A MAN: v3: AS IF HE CUT OFF A DOG'S NECK: v3: AS IF HE OFFERED SWINE'S BLOOD: v5: HEAR THE WORD OF THE LORD, YE THAT TREMBLE AT HIS WORD; YOUR BRETHREN THAT HATED YOU: v5. YE THAT TREMBLE AT HIS WORD: Know this is the believing remnant from v1. v5: YOUR BRETHREN THAT HATED YOU: The apostate nation. v5: HE SHALL APPEAR TO YOUR JOY, AND THEY SHALL BE ASHAMED: Describing the reaction of both groups at the Second Advent.
Isaiah 66:2		2 For all those things hath mine hand made, and all those things have been, saith the Lord: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word. TREMBLETH AT MY WORD: The prophets came along with a message and that message was the 5 CoP were coming upon them because they walked contrary unto God. Their standing before God was CORRUPT and UNCLEAN. This was the message of the prophets in a nutshell. When they heard this was their position before God and they believed them. Not everyone believed the message the prophets were giving. The nation had corrupted itself. They were putting their faith in the message the prophets were giving was true. Those that believed that TREMBLED AT HIS WORD because His Word said they had gone away from God. That's what they were believing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Isaiah 66:3-6	GH: SIIP Verse	The remnant should have in their thinking what Isaiah prophesied about this time. This is how God views these sacrifices and so should the remnant. Isaiah is looking out ahead to the 5th installment and he is describing what those sacrifices are to him. v3: God doesn't have a very high opinion of all of this. Everything that was an abomination to them, God says, that's what you are doing. MM says this is no light matter to God. This is how God views/thinks about these sacrifices in the rebuilt temple and so should the believing remnant. v3: HE THAT KILLETH AN OX IS AS IF HE SLEW A MAN: v3: HE THAT SACRIFICETH A LAMB, AS IF HE CUT OFF A DOG'S NECK: v3: HE THAT OFFERETH AN OBLATION, AS IF HE OFFERED SWINE'S BLOOD: v3: HE THAT BURNETH INCENSE, AS IF HE BLESSED AN IDOL:
Isaiah 66:3-6	GH: SIIP Verse	v4: BECAUSE WHEN I CALLED: He called during the 2nd EoM or time of repentance to Israel between THE BLESSED HOPE-Titus 2:13 and the start of Daniel's 70th week. v5: YOUR BRETHREN THAT HATED YOU, THAT CAST YOU OUT FOR MY NAME'S SAKE: v5: HE SHALL APPEAR TO YOUR JOY: v6: THE LORD RENDERETH RECOMPENCE TO HIS ENEMIES:
Isaiah 66:5		5 Hear the word of the Lord, ye that tremble at his word; Your brethren that hated you, that cast you out for my name's sake, said, Let the Lord be glorified: but he shall appear to your joy, and they shall be ashamed. HEAR THE WORD OF THE LORD, YE THAT TREMBLE AT HIS WORD: The ones that believe that word is true. He is talking about those who believe the word and take it to be true. YOUR BRETHREN THAT HATED YOU AND CAST YOU OUT: is the apostate nation. TO YOUR JOY: is the believing remnant. THEY SHALL BE ASHAMED: is the apostate nation.
Isaiah 66:8		8 Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children. False prophecy: The nation Israel would be born in one day. MM said it has to do with Israel believing in their Messiah. Nation born NOT EQUAL UN acknowledgment.
Jeremiah		It was to the prophet Jeremiah that God revealed how long that captivity (GH: out of the land; Babylon) was going to last - 70 years of captivity and Jeremiah writes that in the Book that bears his name. Before it ever takes place, God reveals to him what it's going to be. Told how long the 5th CoP, 1st installment is - 70 years.
Jeremiah	GH: GPPI verse	Is the prophet that tells them, hey, the 5th CoP is coming, you better get your act together and if you don't, judgment is coming. Talks about in Lamentations as well. Jeremiah that tells us how long the land is going to lay desolate; seventy years. The seventy years is only first part of the fifth cycle. Learn that there is more to come than just the seventy years and he describes those additional parts to the fifth cycle. Jeremiah does not tell us how long those extra parts to the fifth cycle are, for that was given to Daniel. Jeremiah was told before the 5th CoP ever came upon the nation that there was going to be 70 years involved in that. There was a purpose, this wasn't an arbitrary number.

Jeremiah 1-11		God is telling Jeremiah how terrible the people have become and He is giving him this long list of things that they have done that God is unhappy about and He is telling Jeremiahs you're going to have to go tell it to them straight and don't you be fearful, you go say it. MM says Jeremiah does have something to be afraid about because unless God protected him they would kill him for this message.
Jeremiah 1		Jeremiah: The prophet is being instructed as to things that will transpire in the day of wrath. Under special consideration is the avenging of God’s cause with Israel upon the nations that have followed the satanic policy of evil against Israel. A cup of indignation is given to them that brings together in one place so that the Lord may destroy them all at the same time. When the Lord does this, He travels from one place where He presently dwells to another place where He will dwell and I want you to notice that He calls them both “His habitation.”
Jeremiah 1:13-16		13 And the word of the Lord came unto me the second time, saying, What seest thou? And I said, I see a seething pot; and the face thereof is toward the north. 14 Then the Lord said unto me, Out of the north an evil shall break forth upon all the inhabitants of the land. 15 For, lo, I will call all the families of the kingdoms of the north, saith the Lord; and they shall come, and they shall set every one his throne at the entering of the gates of Jerusalem, and against all the walls thereof round about, and against all the cities of Judah. 16 And I will utter my judgments against them touching all their wickedness, who have forsaken me, and have burned incense unto other gods, and worshipped the works of their own hands. v14: OUT OF THE NORTH AN EVIL SHALL BREAK FORTH: The Chaldeans, that was Nebuchadnezzar who was the king of Babylong and his army. v15: JUDAH: The southern kingdom. v16: WORSHIPPED THE WORKS OF THEIR OWN HANDS: The idols that they made.

Jeremiah 1:17		17 Thou therefore gird up thy loins, and arise, and speak unto them all that I command thee: be not dismayed at their faces, lest I confound thee before them. Jeremiah has been given the task to tell the Hebrew people that they are about to go away into captivity if they do not return to the Lord and he knows they are not going to do that. God is saying to Jeremiah GIRD UP THY LOINS and don't be afraid of what I AM telling you. GIRD UP THY LOINS: Take courage or don't be afraid. Be courageous. BE NOT DISMAYED AT THEIR FACES:
Jeremiah 3:15-16	GH: GPPI verse	15 And I will give you pastors according to mine heart, which shall feed you with knowledge and understanding. 16 And it shall come to pass, when ye be multiplied and increased in the land, in those days, saith the Lord, they shall say no more, The ark of the covenant of the Lord: neither shall it come to mind: neither shall they remember it; neither shall they visit it; neither shall that be done any more. v15: This is during the kingdom. v16: MM says people today say 'We got to find THE ARK OF THE COVENANT but it says here they aren't going to remember it or visit it. God doesn't give two flips about THE ARK. v16: MULTIPLED AND INCREASED IN THE LAND: Because the only ones going in are a remnant. Just a small portion.
Jeremiah 8:2	GH: Creature description	2 And they shall spread them before the sun, and the moon, and all the host of heaven, whom they have loved, and whom they have served, and after whom they have walked, and whom they have sought, and whom they have worshipped: they shall not be gathered, nor be buried; they shall be for dung upon the face of the earth. Not just talking about the sun and the moon, talking about 'gods'=fallen angels. The pronoun is not WHICH, it's WHOM.
Jeremiah 8:17		17 For, behold, I will send serpents, cockatrices, among you, which will not be charmed, and they shall bite you, saith the Lord. I WILL SEND SERPENTS, COCKATRICES, AMONG YOU: All of this is part of the judgment that came upon them. GH: Ties to the CoP in Leviticus 26.
Jeremiah 9:23		23 Thus saith the Lord, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: In Jeremiah 9:23-24, those who claim to be wise are going to suffer judgment (put to shame) because they have rejected the word of the LORD. GH: Paul quotes in 1 Corinthians 1:30-31. GH: Same principle in 1 Samuel 2:1-10. MM says don't glory in your riches or strength or wisdom, glory you know Me. NOT THE RICH MAN GLORY IN HIS RICHES: Takes you back to Jeremiah 5.
Jeremiah 9:24		24 But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise lovingkindness, judgment, and righteousness, in the earth: for in these things I delight, saith the Lord. LOVINGKINDNESS: GH: Verse that ties to the KINDNESS aspect of God's love-Romans 12:9-10.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 11:1-5	GH: GPPI verse	v1-5: Jeremiah is saying that God is doing anything other than what the nation agreed to. It isn't injustice on God's part at all. The curses that come upon the nation are the result of their performance under the contract they freely engaged in. MM says they didn't do this and God knew that they couldn't do that. The whole thing talked about here is the fact that they just wouldn't keep that covenant. v3: CURSED BE THE MAN THAT OBEYETH NOT THE WORDS OF THIS COVENANT: v5: SO BE IT, O LORD: v7: I EARNESTLY PROTESTED UNTO YOUR FATHERS IN THE DAY THAT I BROUGHT THEM UP OUT OF THE LAND OF EGYPT: v8: THEREFORE I WILL BRING UPON THEM ALL THE WORDS OF THIS COVENANT: If they are getting the curses (and they are) and they are getting "all the words of this covenant" then they have to be in the final cycle of punishment. Otherwise, they wouldn't be getting "all the words" of those curses brought on them. Because they didn't do that (GH: keep His covenant).
Jeremiah 11:4		4 Which I commanded your fathers in the day that I brought them forth out of the land of Egypt, from the iron furnace, saying, Obey my voice, and do them, according to all which I command you: so shall ye be my people, and I will be your God: FROM THE IRON FURNACE: GH: IRON FURNACE describes the way the Israelites were treated by Pharoah in Egypt post-Joseph. Gives you a picture of trying to burn something up and that is exactly what Satan was trying to do with Israel who he knew was God's nation and he is going to use one of these Gentile nations to do it.
Jeremiah 11:6-8		Israel contracted under the law for curses because God had already shown them they were not going to be capable of keeping the law they agreed to. v7: I EARNESTLY PROTESTED UNTO YOUR FATHERS IN THE DAY THAT I BROUGHT THEM UP OUT OF THE LAND OF EGYPT: MM says that God did indeed PROTEST to them. v8: THEREFORE I WILL BRING UPON THEM ALL THE WORDS OF THIS COVENANT: God is only bringing upon them the words of this covenant and doing what he devised, fulfilling his word. The curses are exactly the agreement they contracted for if they broke the law contract, which they did. When MM says Israel has actually contracted for the curses, it is because they could have gotten the blessings. But God knew they wouldn't and actually are not capable of.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 12		v1-4: By the time you get to Jeremiah 12, he is so impatient for God's Judgment to fall on them (GH: Judah), now he is kind of asking God when are you going to do this because they are kind of rejecting the message and he sees it and he's asking the Lord when is this going to happen? Because they deserve it, and they do. Jeremiah says nothing is going on with them, they are still just moving along like everything is rosy. Jeremiah is saying I am getting wore out with putting up with this people. MM says he really is getting put through the ringer. v5: God responds to Jeremiah (v1-4) and starts talking in v5. v5a: If you are running with the guys that are running and you are getting wore out, what are you going to do when you are running against those on horseback? In other words, Jeremiah, you need a lot more endurance than you have had up to now because it's going to get worse. If you are getting wore out with Israel (GH: Judah?) now you ain't seen nothing yet. It's really going to get rough. That's the statement God is making to Him.
Jeremiah 12		v6: His own house wants to put a hit out on Jeremiah. They will come and say sweet things to you like we are behind you, we support you, He says don't believe it. MM says it is easy to read these words and pass over that, but if everyone in your family hated you...that apostate group wanted to get control of everything. They used everything they could to get Jeremiah to back off this message and he is not doing it so God warns Jeremiah that his family is going to betray him. v7: God says I AM going to forsake My Temple(MINE HOUSE) and I AM going to forsake My people(MINE HERITAGE-the people of Israel) because I AM going to put them in the hands of their enemies. THE DEARLY BELOVED OF MY SOUL: Israel is God's DEARLY BELOVED in God's Plan and Purpose with Israel but that's not going to keep Him from turning her over because of her rebellion. God is going to send Nebuchadnezzar and the Babylonianss and take them captive 70 years. DEARLY BELOVED: A term of DEAR affection that God has for Israel. v15: God is sure to tell Jeremiah everytime He talks about this happening (v5-7), He does tell him it won't be that way forever. It's going to be undone.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 13:1-9	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	Living at the time of the start of the 5th CoP. And just before they go into it, God is going to use Jeremiah to give them a sign. They are about to go into the 5th CoP, 1st installment, the 70 year captivity and God said I AM going to give them a sign. Jeremiah is in Jerusalem and God tells him to go to Euphrates (in present day Iraq) and hide this girdle. After several days Jeremiah went back to retrieve the girdle and said THE GIRDLE WAS MARRED-v7 so it was useless. It started decomposing and decaying and rotting away. v9: AFTER THIS MANNER WILL I MAR THE PRIDE OF JUDAH, AND THE GREAT PRIDE OF JERUSALEM: The things they were so boastful in (GH: MM teaching the PRIDE OF LIFE). Self-willed and arrogance and presumptous and prideful thinking and false wisdom - all of this caused them to reject the LIGHT of the Truth and embrace Satan's DARKNESS. God says when I take you over there, I AM going to do to your pride what I did to this girdle because only till that pride gets revealed for what it really is will it be turned from and they'll once again turn and the word of the Lord can have an effect on them. Necessary to do this in the 1st installment (GH: will also be done in the day of wrath) because at the end of the 1st installment, God is going to give an opportunity for what turns out to be only a remnant to return and rebuild Jerusalem. So you have to have somebody that will hear the word.
Jeremiah 13:1-9	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	In order to get that done, I AM going to have to destroy the thing that's keeping you (GH: from the word of God) just like I destroyed that girdle and marred it. You are going to realize that this prideful thinking didn't get you anywhere and that you should have never turned from God. I should have kept my eye on the Lord. I should have listened to His word. Nehemiah is up on the wall rebuilding it and he says I'll tell you why they didn't come over here, it's because they despised the word of the Lord. It was their prideful thinking that didn't allow them to see the LIGHT. It kept them from it. This is a sign to the remnant - what happened to us while we were sitting in Babylon, God gave us a sign about this very issue that our pride was going to be destroyed and we are once again going to have His word having an effect on us. That remnant is going to come back from Babylon. All of them were given the opportunity to come back as far as the Medes and Persians were concernted. Darius was fine with all of them coming back. But the majority wanted to stay. But the word had an effect on some of them and God needed it to have an effect on them. Once again, He is not waving a magic wand and saying, I AM just going to make a remnant. He is going through a real process of what has to happen. He is destroying the PRIDE OF JUDAH and the GREAT PRIDE OF JERUSALEM. The reason why He says it this way (GH: next week).
Jeremiah 13:1-9	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	The Levites were responsible for keeping that word and despensing that word to the people - LINE UPON LINE; PRECEPT UPON PRECEPT-Isaiah 28:10-13, the basic childhood teachings of doctrine, those priests where supposed to be doing that. The people who had the responsibility of getting the word out to the people, they wouldn't hear it and they threw it behind their back. Their GREAT PRIDE caused them to reject the very responsibility that God had given them. So God is saying I AM going to get you out here and I AM going to MAR YOUR PRIDE because I need a remnant to come back and when the 2nd installment starts, I NEED a remnant to be sitting right back here in Jerusalem and unless this pride gets dealt with, this is not going to happen. MM says there's a real flow of action in these verses. It's not that He is just punishing them, there's purpose to it. God is doing this because He is not going to bring the full force of the 5th installment on them in the 1st installlment. He is doing some things to keep that from being forced upon them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 13:9	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	9 Thus saith the LORD, After this manner will I mar the pride of Judah, and the great pride of Jerusalem. AFTER THIS MANNER: God is saying, you know what, I'm fixin' do to to your pride is what's about to happen to this linen girdle. It's going to go all the way out of this land and to the Riber Euphrates, that's what's going to happen to you. Babylon, the Chaldeans are up there, they are going to be carried away up there. He could have done it in Jerusalem but it was AFTER THIS MANNER where's He's going to take them, that's where the girdle is going. WILL I MAR THE PRIDE OF JUDAH, AND THE GREAT PRIDE OF JERUSALEM: I AM going to tear that down. And when you go into those lands, I AM going to destroy that issue of pride. When I SEND you away captive, this is not just punitive, I AM accomplishing something for the future in this. God has an Eye toward the future and if there is going to be a believing remnant, He is going to have to destroy THE PRIDE OF LIFE category of the WORKS OF DARKNESS-Romans 13:12. If He doesn't tear that down while they are captive in that land when they're expelled our of their land, there will be no remnant. It's more than God being a punitive God and whacking them with a stick but that whack you with My stick because you are out of line, but that whack is meant to not just punish them, it is meant to destroy this. So no matter how proud you were, when you went in 70 years later, you won't be thinking that way anymore. And those WORKS OF DARKNESS are not going to be what you thought they were and God is going to destroy all that. MAR: Punish
Jeremiah 13:10	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	10 This evil people, which refuse to hear my words, which walk in the imagination of their heart, and walk after other gods, to serve them, and to worship them, shall even be as this girdle, which is good for nothing. EVIL PEOPLE: This is a people that are in league with the adversary. Not just they did some bad stuff, they have embraced the DARKNESS and they have made an AGREEMENT WITH HELL-Isaiah 28:18 and a ? REFUSE TO HEAR MY WORDS
Jeremiah 13:18	GH: PoA verse	18 Say unto the king and to the queen, Humble yourselves, sit down: for your principalities shall come down, even the crown of your glory. Context: The 5th CoP is about to come on the southern kingdom of Judah. The northern kingdom has already been carried away captive by Assyria. The ones that sit on the throne of David in Jerusalem, he says that crown of glory is going to be stripped away from them along with all of their principalities. This is all the areas that they have rulership over. they are all going to be carried away captive. They did not turn themselves around even though they were specifically warned about it. PRINCIPALITY: Applies to earthly government. Talking about human rulers and the principalities that they have power over. Only other time the word PRINCIPALITY is mentioned in your Bible outside of Paul.

Jeremiah 17:9-10	GH: WoD Teaching: PRIDE OF LIFE / God giving a sign	9 The heart is deceitful above all things, and desperately wicked: who can know it? 10 I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings. How God searches the heart for wicked men even though they don't ask them to. They can fool other men because man cannot know a man's heart, but God says you can't fool Me. Does it by His omnis. I THE LORD SEARCH THE HEART: Not talking about Sonship here. In this context, God is using His omniscience to search men's hearts. By His power He looks into men's hearts and knows their motives, their agendas, their desires and all about them. COVENANT WITH DEATH-Isaiah 28:18
Jeremiah 18:1-10		v6: O HOUSE OF ISRAEL, CANNOT I DO WITH YOU AS THIS POTTER? SO ARE YE IN MINE HAND, O HOUSE OF ISRAEL He is saying that He can change His Mind about this thing if He wants to. I can turn a VESSEL OF HONOR into a VESSEL OF DISHONOR and v.v. (GH: Romans 9). Israel was a VESSEL OF HONOR coming out of Egypt. By the time they get carried away captive out of the land, they were a BYWORD AMONG THE NATIONs and a VESSEL OF DISHONOR. People in the land hear that Egypt was the greatest military power of their day and their God not only destroyed Pharoah and his army, He parted the Red Sea and those people walked across there. They are thinking that's the people coming here? Oh brother.
Jeremiah 18:8		8 If that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them. THE EVIL: Not moral evil. Evil means judgment here. Called evil because it is not a good thing.
Jeremiah 19:13	GH: Creature description	13 And the houses of Jerusalem, and the houses of the kings of Judah, shall be defiled as the place of Tophet, because of all the houses upon whose roofs they have burned incense unto all the host of heaven, and have poured out drink offerings unto other gods.
Jeremiah 22:24		24 As I live, saith the Lord, though Coniah the son of Jehoiakim king of Judah were the signet upon my right hand, yet would I pluck thee thence; Je=prefix for Jehovah God stripping His Name from Jeconiah and saying from now on you are called Coniah. Many kings put the pre-fix JE- in front of their names because that was the pre-fix for Jehovah. Jeconiah: Coniah is in the line of David. Raised the bar on evil.

Jeremiah 23:1-4		1 Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the Lord. 2 Therefore thus saith the Lord God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: behold, I will visit upon you the evil of your doings, saith the Lord. 3 And I will gather the remnant of my flock out of all countries whither I have driven them, and will bring them again to their folds; and they shall be fruitful and increase. 4 And I will set up shepherds over them which shall feed them: and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. v1: WOE: Pronounced a woe because haven't had the type of leaders needed. v1: PASTORS: Religious leaders
Jeremiah 23:5-6	GH: Prophecy : Jesus2	5 Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth. 6 In his days Judah shall be saved, and Israel shall dwell safely: and this is his name whereby he shall be called, The Lord Our Righteousness. v5: RIGHTEOUS BRANCH, AND A KING: Jesus prophecy v5: Capital B Branch shows up at the Kingdom. That's when He is going to execute judgment and righteousness in the land of judgment. v6: EXECUTE JUDGMENT AND JUSTICE: Reminds of the 4 decision making skills. v6: SHALL EXECUTE JUDGMENT AND JUSTICE: That's the responsibility of a king/King.
Jeremiah 23:11		11 For both prophet and priest are profane; yea, in my house have I found their wickedness, saith the Lord. BOTH PROPHET AND PRIEST ARE PROFANE
Jeremiah 23:15-16		15 Therefore thus saith the Lord of hosts concerning the prophets; Behold, I will feed them with wormwood, and make them drink the water of gall: for from the prophets of Jerusalem is profaneness gone forth into all the land. 16 Thus saith the Lord of hosts, Hearken not unto the words of the prophets that prophesy unto you: they make you vain: they speak a vision of their own heart, and not out of the mouth of the Lord. v15: PROPHETS OF JERUSALEM IS PROFANENESS: He has said this to you twice. Going to now tell you want that profaneness is. v16: VAIN: Empty PROFANE: When someone says, God spoke to me when God did no such thing. MM said prophets are telling them what they want to hear. Jeremiah is in the minority. All the other guys saying that Jeremiah, he is always so negative. No evil is going to come on you. Don't worry, everything is going to be fine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 25:7-14	GH: 5th CoP Outline	This passage is a general outline of the 5th CoP that begins with Babylon/Nebuchadnezzar and ends at the Second Advent when the kingdom is set up and dominion is given to the nation of Israel. Tells you once THE BLESSED HOPE-Titus 2:13, they are going to be back under Gentile dominion and they will be under Gentile dominion until Jesus shows up to deliver them. They are not going to deliver themselves. Two sets of nations in view. The nations roundabout Israel, they're the ones being conquered just like Israel. But in addition to Assyria and Babylon, Daniel now knows that other nations are going to come along and do that as well. So the Medes & Persians is not a big shock to Daniel because he knew from Jeremiah that other nations were going to come along and do that. What he doesn't know is the time element. He gets the first two names but doesn't know the names of the others. The whole thing (GH: in Daniel) isn't new information, just some details about it. v9: Nebuchadnezzar hasn't invaded yet. Daniel is written after. MM showing the things in Daniel are talked about beforehand.
Jeremiah 25:7-14	GH: 5th CoP Outline	v9: AND AGAINST ALL THESE NATIONS ROUND ABOUT: It's not just Israel. Point: You have to follow the nations that are roundabout, not just Israel because they are being conquered too. v9: NATIONS ROUND ABOUT: and grant from river of Egypt (the Nile) to the Tigris and Euphrates Rivers in Babylon or present day Iraq. One day there will be no divided kingdom, it will be one kingdom. But Israel is only in a fraction of the land. You have other nations (MM says the -ites) out there occupying the land grant promise to the nation. That's the NATIONS ROUND ABOUT. So no matter what the name of the nations are, you know it's the same land area. Understand where the boundaries are and everybody in that is included. So when the Babylonians come in, they are not just after this little slice of the southern kingdom, they are after all of this. Satan is the protagonist, the Babylonians are just being used. Satan's knows the boundaries and he wants these nations to contend with Israel over the land and to have possession of it. You can trace it all the way back to Genesis. MM says there's one more fight. Notice the nations in the land grant are the ones consistently against the nation of Israel. That is not an accident. When this outlives the lives of people it is because there is a spirit being behind this that has lived all the way through this and he knows what's coming and he is trying to thwart those things.
Jeremiah 25:7-14	GH: 5th CoP Outline	v11-12: GH: See the 70 years prophecy. v11: THESE NATIONS: This is a different set of nations. The first set of nations are those that are roundabout Israel (GH: WHOLE LAND). Now he is talking about nations that will have dominion over Israel and those nations roundabout. The nations roundabout Israel that are being conquered like Israel. Nations Satan has used to oppress Israel from the very beginning. v14: MANY NATIONS AND GREAT KINGS SHALL SERVE THEMSELVES OF THEM ALSO: Different set of nations. Daniel knew that there were “other nations” that would serve themselves of Israel in addition to Assyria and Babylon. This is what the image in Daniel 2 is explaining. v14: MANY NATIONS AND GREAT KINGS: Includes the Medes & Persians and Greece. There will also be another kingdom post-THE BLESSED HOPE-Titus 2:13 that will be the setup for the antichrist. v14: THEM: Israel and the nations roundabout them.
Jeremiah 25:7-14	GH: 5th CoP Outline	The land is the major issue in God's program with Israel. It is important for us to understand that. In the kingdom, there won't be a divided kingdom anymore. Those nations that are roundabout Israel are the nations that Satan has used to oppress Israel from the very beginning. You realize and recognize the land area and you can go back to Genesis to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 25:8-14	GH: GPPI verse	See a breakdown of the 5th CoP. Jeremiah is BEFORE the 5th CoP kicks off. They haven't gone away captive yet. He is the one that said if you don't turn yourself around, the next cycle is coming upon you. v9: The threat is, I AM going to take you captive, and I AM going to use Nebuchadnezzar and Babylon to do it. v10: Take all the things you think are so great...life as usual...everything's going right along. That's all going away when this happens. v11: See the 70 year captivity. v14: FOR MANY NATIONS AND GREAT KINGS SHALL SERVE THEMSELVES OF THEM ALSO: The THEM is the nations roundabout Israel. So there's more coming. He is going to take you away. Life is going to change. It won't be the same anymore. And then others are coming after that. When Daniel reads this, he understands the 70 years. But what he doesn't understand is who those others are. And that is what constitutes his prayer about that.
Jeremiah 25:29-30		29 For, lo, I begin to bring evil on the city which is called by my name, and should ye be utterly unpunished? Ye shall not be unpunished: for I will call for a sword upon all the inhabitants of the earth, saith the Lord of hosts. 30 Therefore prophesy thou against them all these words, and say unto them, The Lord shall roar from on high, and utter his voice from his holy habitation; he shall mightily roar upon his habitation; he shall give a shout, as they that tread the grapes, against all the inhabitants of the earth. There is a place in the third heaven that God calls “His habitation” and there is another place, on the earth, that God calls “His habitation.” The later being the place God has chosen to dwell when He transfers His residence from the third heaven. This land is God's. It's holy and He is guiding them to this here. v30: HIS HOLY HABITATION: The third Heaven. v30: UPON HIS HABITATION: The earth.
Jeremiah 27:12-17		THEY PROPHECY A LIE: 3x in the passage. When Babylon invaded the southern kingdom of Judah, they sacked the temple and took the vessels of the Lord’s house back to Babylon. Then they determined to take the people of Israel captive out of the land of Israel and install them in Babylon. But if you were a descendent of Abraham, Isaac and Jacob, if you were the Lord’s chosen people, you might just have a hard time believing God would allow such a thing even though God’s prophets had told you that would happen. So when another group of prophets come along and tell you that you are not going to be taken away out of your land, that you are going to have the vessels of the Lord’s house returned unto you and that everything is going to be okay, because you are “wise in your own conceits” you will chose to believe the lie because you want it to be true.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 29:10-11	GH: Gospel / GH: Prophecy : 70 Years	10 For thus saith the Lord, That after seventy years be accomplished at Babylon I will visit you, and perform my good word toward you, in causing you to return to this place. 11 For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end. Gospel that was preached in Israel following the 1st part of the 5th cycle of punishment (the 70-year Babylonian Captivity.) GOOD WORD: more good news or gospel. Get to go home after 70 years. Doesn't get preached forever, about 70 years. Jesus, the 12, and Paul did not preach this gospel. v10: SEVENTY YEARS: GH: Jeremiah prophecizing the 70-year Babylonian captivity that is part of the 5th CoP-Installment #1.
Jeremiah 30:17	Prayer : Incorrect	17 For I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord; because they called thee an Outcast, saying, This is Zion, whom no man seeketh after. Preachers preach a whole sermon on that - that God will give them health if they are sick or heal their wounds if they are wounded. Read: - the rest of the verse and you realize that this is about ZION (GH: Jerusalem). - earlier in the passage and you realize this is THE TIME OF JABOB'S TROUBLE-v7 (GH: Tribulation) - then DAVID THEIR KING, WHOM I WILL RAISE UP IN THE KINGDOM-v9. MM says someone can come along and say we're Israel's replacement but the Bible is not going to teach you that. I WILL RESTORE HEALTH UNTO THEE, AND I WILL HEAL THEE OF THY WOUNDS: How saved, but uneducated Gentiles pray when they need health. Lift a verse out of Israel's program and also usually out of its context and try to claim it as God's promises today. Praying this way ignores what God is doing and, at best, manifests a lack of understanding (ye know not…) and, at worst, an unwillingness to cooperate with God (I don't care…).
Jeremiah 31	GH: New Covenant	**The New Covenant - comes to pass at the time of the kingdom**. Could not be adopted sons under the law. They are not under sSonship, they are under tutors and governors. If you are still under tutors and governors, you are still a child and not an adopted son. As long as they are under the law, they can't be adopted. As soon as they get out here (Age to Come? Kingdom), they are going to be adopted as sons and daughters that are going to carry out the Father's business on this earth 'in front of the nations of this world' AND their works will be done in the sight of men. When Paul says "all Israel shall be saved," he is talking about the believing remnant. There will be an apostate element of Jews that will be deceived by the beast, worship him as God and believe that He is their Messiah. They will not be "saved," no matter how you define "salvation." You/Gentiles have never been under the tutors and governors of the law. Amazing Gentiles get saved and want to go under the law. He's adopted so he can't be under the tutors and governors and thinks 'I must be under the tutors and governors'. Weren't even under tutors and governors in your lost condition. The remnant (first fruits that happen in the kingdom) is going to get an opportunity in the Tribulation to be adopted and to do through a curriculum from Israel's program and the extortations and the doctrine recorded in the O.T. New covenant is all spiritual in nature. Not about a land or kingdom or throne or victory over their enemies or blessings. It was about spiritual fitness for Israel that they will never get under the law and produce on their own.

Jeremiah 31:11	****	11 For the Lord hath redeemed Jacob, and ransomed him from the hand of him that was stronger than he. THE HAND OF HIM THAT WAS STRONGER THAN HE (Israel): They don't have the ability to do it, so God has to do it (GH: bring them back into the land?). God knows that is coming (Leviticus 26). God knows He has to do the 5 mandates, He knows that Israel will become Satan's LAWFUL CAPTIVE-Isaiah 49:24 to the point that when the Son shows up, they crucify Him. But when He shows up, He provides for the first mandate of the Davidic covenant and provides for some things. If God doesn't do something, instead of being THE HEAD OF ALL NATIONS-Verse?, they are going to end up under Gentile dominion. When Jesus showed up, Israel was under the Romans/Gentiles. Before that, they were under the Grecians. They were carried away captive, the northern kingdom by the Assyrians and the southern kingdom by the Babylonians. They've been under the TIME OF THE GENTILES-Verse and that's not going to change unless God does something about that. After the rapture, they will be back under Gentile dominion or God lied when He said I AM going to have to do this for you. They will split up the land in a 10-king confederation and 5 will belong to the king of the north and 5 will belong to the king of the south. Instead of becoming the head of all nations, they are going to be under Gentile dominion. Instead of becoming a great nation and make their name great, the prophet wrote you are going to become a by-word among the nations. You are not going to have a great name, you are going to be made fun of. You're going to be an object of ridicule. That's not what God had for them, but Satan is thinking that things are looking pretty good. They are told they will have to be vigilant out here and be the LIGHT OF THE WORLD-Matthew 5:13 out here. The same thing that happened to the remnant back there is the same thing that will happen to the remant out there. They are going to get bogged down in the same circumstances that they are living in the midst of. This is the success of the POE. Even when they were warned about it. Even when they were told about it. We are going to be warned about it. We are going to be told about it.
Jeremiah 31:13	GH: IPF verse	Those that mourn will have their mourning turned into joy in the kingdom. I WILL TURN THEIR MOURNING INTO JOY, AND WILL COMFORT THEM: Ties to 'Blessed are they that mourn: for they shall be comforted.'-Matthew 5:4. MAKE THEM REJOICE FROM THEIR SORROW:
Jeremiah 31:24		24 And there shall dwell in Judah itself, and in all the cities thereof together, husbandmen, and they that go forth with flocks. JUDAH ITSELF: It is within the proper use of the language to use “it” to refer to the Spirit of God. You could leave ITSELF out and it would still make perfect sense. ITSELF is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun.

Jeremiah 31:31-34	New Covenant	31 Behold, the days come, saith the Lord, that I will make a new covenant with the house of Israel, and with the house of Judah: 32 Not according to the covenant that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt; which my covenant they brake, although I was an husband unto them, saith the Lord: 33 But this shall be the covenant that I will make with the house of Israel; After those days, saith the Lord, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people. 34 And they shall teach no more every man his neighbour, and every man his brother, saying, Know the Lord: for they shall all know me, from the least of them unto the greatest of them, saith the Lord: for I will forgive their iniquity, and I will remember their sin no more. Making this covenant with the house of Israel during the 5th cycle of punishment. All of the elements of the New Covenant are spiritual in nature. None are physical. Nothing about the land or the seed of the throne or the kingdom in the New Covenant. v31: (NEW) COVENANT: The New Covenant. The New Covenant is all spiritual in nature, as it does not covenant for land, kingdom or any such material thing. v33: I WILL PUT MY LAW IN THEIR INWARD PARTS, AND WRITE IT IN THEIR HEARTS: Not the law of Moses. This is an inward issue, a spiritual issue.
Jeremiah 31:31-34	New Covenant	v33: PUT MY LAW IN THEIR INWARD PARTS, AND WRITE IT IN THEIR HEARTS: Not talking about the law of Moses, talking about the commandments of a father to a son. v33: **PUT MY LAW IN THEIR INWARD PARTS (N.C. component 1/Sanctification part 1)**: Doesn't sound right because it is supposed to be grace. Realize LAW has a different meaning than the one you normally default to. Talking about the law of righteousness or the law of Christ. Talking about Spiritual things (Romans 8:2). This law should be IN YOU now. There's a law of righteousness that comes out of your sanctification and it is not anything that you produce. It's something God gave you as a free gift when He gave you sanctification. v33: MY LAW: Not talking about the law of Moses. v33: WRITE IT IN THEIR HEARTS: See in Romans 8 that God will write in YOUR heart, not with Israel's doctrine but with grace doctrine. Take their educational curriculum and write it on their hearts. v33: **WILL BE THEIR GOD, AND THEY SHALL BE MY PEOPLE (N.C. component 2/Sanctification part 2**)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 31:31-34	New Covenant	v34: There isn't going to be anymore teaching going on for THEY SHALL ALL KNOW ME. v34: ...**KNOW THE LORD... (N.C. component 3/Sanctification part 3)**: They are being educated but no longer because it's going to be a Father-son relationship. Don't need to instruct them about Me. v34: **I WILL FORGIVE THEIR INQUITY (N.C. component 4/Justification part 1)**: Justification v34: **I WILL REMEMBER THEIR SIN NO MORE (N.C. component 5/Justification part 2)** Notice He gives sanctification first? In Romans, does it in the proper order-justification, sanctification, & adopted son. v34: FOR: Because. He is saying your sanctification is coming out of your justification. Jeremiah has to write this because they have to go back and see the New Covenant in there (GH program) and say, oh, this is what God is going to do for us. If under the New Covenant, can't be under the T&G of the law and be sanctified. When sanctification is described in the New Covenant, Sonship is one of it's components. It's there you learn about the 3rd Member of the Godhead (under that covenant) putting God's laws in the minds of the recipients and writing it upon their heart.
Jeremiah 31:31-34	GH: Pattern : Godliness	Five spiritual things/components of the New Covenant that relate to your spiritual fitness (Jeremiah 31:31-34)-below are v33-34: Sanctification related-perfect santification: 1. PUT MY LAW (not the Mosaic law-NC wouldn't put you back under the law) IN THEIR INWARD PARTS, AND WRITE IT IN THEIR HEARTS (Jeremiah 31:33): Your Father will instruct you, not somebody else. - Heart Writing. **Ties to THINKING like God** - God takes what is on His Heart and writes it on your heart so you will begin to think like Him. 2. BE THEIR GOD (Jeremiah 31:33) - **Ties to LIVING like God** - How we conduct yourselves 3. KNOW THE LORD (Jeremiah 31:34) {ADOPTION/SONSHIP - they know Him-taught by God-intimacy of fellowship} - **Ties to LABORING like God** Justification related-perfect justification: 4. FORGIVE THEIR INIQUITY (Jeremiah 31:34) - forgiveness 5. REMEMBER THEIR SIN NO MORE (Jeremiah 31:34) - permanent At-one-ment God gives Israel the New Covenant in the Kingdom, but little flock gets it before that out in the day of wrath (see Hebrews 2:10).
Jeremiah 31:31-34	GH: SIIP Verse	Two components of the New Covenant: 1. Perfect Justification 2. Perfect Sanctification

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 31:31-34	GH: IPF verse	See the New Covenant. See the change from physical, material blessings in the Old Covenant to spiritual blessings in the New Covenant. No material blessings whatsoever. Meant to be a replacement of the Old Covenant for Israel. The New Testament was given to those who were under the Old Testament. Understand: * The NC does not concern itself with Israel's material blessings of any kind * The NC does not provide for the land, the physical kingdom or any such thing * The NC provides spiritual blessings to the inner man Gives them spiritual fitness (perfect justification and perfect sanctification) * The NC is appropriated on an individual basis * The NC provides for a special relationship in which God will operate within the people by His Spirit * The NC gives its members an intuitive knowledge of particular aspects of God and His character * The NC provides for God's forgiveness and lack of memory of sin * The NC will replace the old covenant of the Law
Jeremiah 31:31-34	GH: IPF verse	v31: THE DAYS COME: v31: THAT I WILL MAKE A NEW COVENANT: Jeremiah says that this new covenant will not be like the old covenant, which was the covenant of the Law. v31: WITH THE HOUSE OF ISRAEL, AND WITH THE HOUSE JUDAH: Both kingdoms are in view. v32: MY COVENANT THEY BRAKE: The Mosaic covenant. v33-34: Five spiritual things or components of the NC: v33: 1. PUT MY LAW IN THEIR INWARD PARTS...WRITE IT IN THEIR HEARTS: Provides for "inner" changes to take place. Israel is going to benefit from what God is doing "in them." God is going to instruct them. Ties to godly thinking. v33: 2. BE THEIR GOD...BE MY PEOPLE: Is about a "state of being" between God and His people. He will "be" their God and they will "be" His people. Ties to godly living. v34: No one will teach 'know the Lord' because they will already know Me. There are some things that the New Covenant will allow everyone to automatically understand about God's character and nature. An intuitive knowledge.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 31:31-34	GH: IPF verse	v34: 3. THEY SHALL ALL KNOW ME: Has to do with an innate knowledge that will be present for Israel under the New Covenant. Know the Lord. Ties to godly labor. v34: FORGIVE THEIR INIQUITY...REMEMBER THEIR SIN NO MORE: Has to do with how God is going to deal with their sin issue. Not only will He forgive their iniquity, but God is going to do something that produces an effect on Himself; "I will remember their sin no more." v34: 4. FORGIVE THEIR INIQUITY: Forgiveness v34: INIQUITY: Has to do with the "offensiveness of sin or of something against God's character." The offensiveness that God has toward our sin. He will forgive that and take away the offensiveness of it. It will no longer to be an offense to Him. v34: AND: Is a connector showing two different things. Not just repeating himself or saying the same thing two different ways. v34: 5. REMEMBER THEIR SIN NO MORE: Take the memory of sin and replace it with another memory so that He in fact does not remember anymore. Permanent At-one-ment.

Jeremiah 33:15-17	GH: Prophecy : Jesus	15 In those days, and at that time, will I cause the Branch of righteousness to grow up unto David; and he shall execute judgment and righteousness in the land. 16 In those days shall Judah be saved, and Jerusalem shall dwell safely: and this is the name wherewith she shall be called, The Lord our righteousness. 17 For thus saith the Lord; David shall never want a man to sit upon the throne of the house of Israel; v15: Capital B Branch shows up at the Kingdom. That's when He is going to execute judgment and righteousness in the land of judgment.

Jeremiah 36	GH: GPPI verse	Jeremiah is given the time concerning this first part of the 5th CoP's goal - the restoring of the land's Sabbaths - and it is connected to those Sabbaths we mentioned earlier. v21: TO FULFIL THREESCORE AND TEN YEARS: Jeremiah is prophesying during the Babylonian invasions and he is given to understand that this first part of the 5th CoP is going to run for 70 years. This is the marker for the 5th CoP. But the 5th CoP is not over when the 70 years are fulfilled. Jeremiah makes it clear that when this first part is over, there are other parts to follow. He is not given the timetable for them, as that is reserved for Daniel.
Jeremiah 36:31		31 And I will punish him and his seed and his servants for their iniquity; and I will bring upon them, and upon the inhabitants of Jerusalem, and upon the men of Judah, all the evil that I have pronounced against them; but they hearkened not. The “evil” that is being described in Matthew 5:38-41 is the punishment for injuring another in some way. GH: Move? Reference? I WILL PUNISH HIM AND I WILL BRING UPON THEM ALL THE EVIL THE EVIL: The “evil” is God’s punishment.
Jeremiah 44:29		29 And this shall be a sign unto you, saith the Lord, that I will punish you in this place, that ye may know that my words shall surely stand against you for evil: I WILL PUNISH YOU FOR EVIL
Jeremiah 46:10		10 For this is the day of the Lord God of hosts, a day of vengeance, that he may avenge him of his adversaries: and the sword shall devour, and it shall be satiate and made drunk with their blood: for the Lord God of hosts hath a sacrifice in the north country by the river Euphrates. DAY OF THE LORD: GH: Only O.T. reference that is camel case. DAY OF VENGENCE...AVENGE HIM OF HIS ADVERSARIES....SWORD SHALL DEVOUR...DRUNK WITH THEIR BLOOD
Jeremiah 46:10	Non-MBI	10 For this is the day of the Lord God of hosts, a day of vengeance, that he may avenge him of his adversaries: and the sword shall devour, and it shall be satiate and made drunk with their blood: for the Lord God of hosts hath a sacrifice in the north country by the river Euphrates. planitall YouTube : BIBLE TIMELINE - Avenger (1 of 5 mandates of the Davidic covenant - 1. Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jeremiah 50		Nations can be assigned to be BEASTS 1. Northern kingdom carried away by Assyria 2. Southern kingdom carried away by Babylon THE LIONS ASSYRIA BABYLON Look on down this passage - these are BEASTS: BEAR: Medo-Persian empire LEOPARD: Grecia MM says when you see these beasts, something is happening with Israel in the land and there is a contention going on there.
Jeremiah 50:17		17 Israel is a scattered sheep; the lions have driven him away: first the king of Assyria hath devoured him; and last this Nebuchadrezzar king of Babylon hath broken his bones. Before the southern kingdom was taken away by Babylon, the northern kingdom had already gone into captivity under the beast of Assyria. Talking about the two captivities. THE LOINS: Plural - 1. KING OF ASSYRIA (took the 10 tribes of the northern kingdom captive) 2. NEBUCHADNEZZAR (took the 2 tribes of the southern kingdom captive) -- describes as LIONS in Daniel. KING OF ASSYRIA: First LION. Assyria was so terrible that it almost successfully invaded Jerusalem. It even seemed like that was God's intended purpose. But, because of Hezekiah's repentance, Sennacherib was unable to carry through the captivity of Judah. It was certainly the hand of God that stopped Sennacherib cold. From that time forward, Assyria "exits the stage" as far as Israel's dealings with it are concerned. After God's deliverance from Assyria, Israel again failed to keep the Law and the 5th CoP came upon them. According to the contract, Israel would be taken captive out of her land and delivered into the hand of the Babylonians and the "times of the Gentiles" commenced. When Israel is going to be taken captive out of the land, the 5th CoP. FIRST: Israel/northern kingdom is taken away first. LAST: Then Judah/southern kingdom is taken away. Second LION.

Lamentations 2:17	GH: GPPI verse	17 The Lord hath done that which he had devised; he hath fulfilled his word that he had commanded in the days of old: he hath thrown down, and hath not pitied: and he hath caused thine enemy to rejoice over thee, he hath set up the horn of thine adversaries. Jeremiah writes this in view of what's happening to Israel at that time. The enemies of Israel are beginning to overrun them. And he is reminding them, that these are the thing that you knew should have been coming, that you should have known are coming on you all along and what you agreed to. THE LORD HATH DONE THAT WHICH HE HAD DEVISED: Doesn't mean that God just thought it up. This was all written beforehand. This is exactly what He said. If you do it right, you get blessings. If you don't, you get the curses. God is only bringing upon them the words of this covenant and doing what he devised, fulfilling his word. The curses are exactly the agreement they contracted for if they broke the law contract, which they did. HE HATH FULFILLED HIS WORD THAT HE HAD COMMANDED IN THE DAYS OF OLD: The contract back on Mt. Sinai. All He is doing is fulfilling His part of the bargain. THE LORD HATH DONE THAT WHICH HE HAD DEVISED: The city of Jerusalem has been overrun. The 5th CoP is underway. Jeremiah sees that what was now underway is only that which was put into place back when they came out of Egypt.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 1		Here and Ezekiel 10, people want to make a WHEEL WITHIN A WHEEL a space ship. MM says it is not a space ship. There's a bunch in this passage we don't have time to talk about and a bunch in this passage MM is not sure about. See all this functioning as a single creature like the CREATURE will. MM explains the four creatures (are GH: in a pattern of a square) wings touch each other. Another set of wings covered their bodies. There's a firmament above them and then a Throne above it and a rainbow over it. The firmament up is the third heaven. Described in Revelation. What is happening below the firmament is an absolute model and replica of the CREATURE except it is functioning. MM didn't draw it because he doesn't know how to draw it - wheels within a wheel, rings full of eyes, appearance of fire infolding itself like a flash of lightning, etc. Like taking everything and pulling it all down like a hologram where you could just spin it around and look at it and go that's the creature.
Ezekiel 1:1		1 Now it came to pass in the thirtieth year, in the fourth month, in the fifth day of the month, as I was among the captives by the river of Chebar, that the heavens were opened, and I saw visions of God. THIRTIETH YEAR, IN THE FOURTH MONTH: Almost half way through the 70-year Babylonian captivity. AMONG THE CAPTIVES: Ezekiel went/carried away in the Babylonian captivity along with Daniel.
Ezekiel 1:4-11		v4-11: When they go into captivity in Babylon, just before Nebuchadnezzer comes and takes them away and leaves the land desolate, the presence of the Lord God comes out of the holy place of the Temple, out through the courtyard, out through the edge of the city, out to the edge of the land, and up to the third heaven in a cherub-driven chariot. He vacates. And the Bible said then Satan and his cohorts are able to come in and cover Immanuel's Land. Messianic term - that land belonged to God and the Messiah. Jesus said a similar thing - YOUR HOUSE IS LEFT UNTO YOU DESOLATE. When the Lord leaves out in Ezekiel, that starts the first part of the Fifth Cycle. The adversary can now come in and do what he couldn't before.
Ezekiel 1:4		4 And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire. FOUR LIVING CREATURES THEIR...THEY: Notice the plural pronouns throughout the passage. Do you see the references are all plural as they apply to the creatures (plural)? FOUR FACES: Man, Lion, Eagle, Ox. All 4 around the Throne of God with God in the center and the face of the man is observing that Throne. They don't (GH: rotate?), the face that faces the Throne always faces the Throne.
Ezekiel 1:6		6 And every one had four faces, and every one had four wings. EVERY ONE: Know that you are talking about more than 1.
Ezekiel 1:7		7 And their feet were straight feet; and the sole of their feet was like the sole of a calf's foot: and they sparkled like the colour of burnished brass. CALF'S FOOT: MM says the old pictures of the devil with cloven hooves or cow's feet - this is where that comes from.
Ezekiel 1:12		12 And they went every one straight forward: whither the spirit was to go, they went; and they turned not when they went. SPIRIT: Small case 's'. Change from THEY/THEIR/EVERY ONE to 'the spirit'. This is NOT the Holy Spirit. This is the spirit of the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 1:15		15 Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures, with his four faces. WITH HIS FOUR FACES: Why not with 'their' FOUR FACES?
Ezekiel 1:16		16 The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel. WERE A WHEEL IN THE MIDDLE OF A WHEEL: MM says this is not a UFO, it's describing these cherubim. The “wheel in the middle of a wheel” is not a UFO. What you have, with these 4 creatures all working in concert, with the wheel in the middle of a wheel, with the rings of eyes, with the Lord GOD in the center of the thing, with the entire structure functioning A SINGLE CREATURE, is a model of the creature that Paul talks about in Romans! Ezekiel is looking at a small scale replica of the creature!
Ezekiel 1:20		20 Whithersoever the spirit was to go, they went, thither was their spirit to go; and the wheels were lifted up over against them: for the spirit of the living creature was in the wheels. THE SPIRIT: Again, lower case 's'. So it is not the spirit of the 4 creatures either - see THEIR SPIRIT in this verse. This is the spirit of the creature. THEIR SPIRIT THE LIVING CREATURE: Notice this is singular, not plural.
Ezekiel 1:21		21 When those went, these went; and when those stood, these stood; and when those were lifted up from the earth, the wheels were lifted up over against them: for the spirit of the living creature was in the wheels. THOSE: Talking about the CREATURES and the WHEELS. FOR THE SPIRIT OF THE LIVING CREATURE WAS IN THE WHEELS
Ezekiel 1:22		22 And the likeness of the firmament upon the heads of the living creature was as the colour of the terrible crystal, stretched forth over their heads above. UPON THE HEADS OF THE LIVING CREATURE
Ezekiel 1:26		26 And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the likeness of the throne was the likeness as the appearance of a man above upon it. God is in the middle of this whole thing. OVER THEIR HEADS WAS THE LIKENESS OF A THRONE THE LIKENESS AS THE APPEARANCE OF A MAN ABOVE UPON IT

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 1:28		28 As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the Lord. And when I saw it, I fell upon my face, and I heard a voice of one that spake. THE APPEARANCE OF THE BOW THAT IS IN THE CLOUD IN THE DAY OF RAIN: A wordy way of saying rainbow. LORD: All CAPS - Jehovah. Now we know who was sitting on that throne. APPEARANCE OF THE BOW: Rainbow has 7 basic colors. In a rainbow, you are seeing light being separated by drops of water in the air, separated into the color spectrum. APPEARANCE OF BRIGHTNESS ROUND ABOUT: There was a brightness round about the One who sat on the Throne. Ezekiel say this was the GLORY OF THE LORD he was seeing. Ezekiel sees: the glory of the Lord the Lord dressed in a garment of many colors of light, not just white light, but colors of the rainbow
Ezekiel 2:4		4 For they are impudent children and stiffhearted. I do send thee unto them; and thou shalt say unto them, Thus saith the Lord God. THUS SAITH THE LORD GOD: Establishes the identity of the One sitting on the Throne in Ezekiel.
Ezekiel 6:2		2 Son of man, set thy face toward the mountains of Israel, and prophesy against them, MOUNTAINS OF ISRAEL: GH: Israel or Jerusalem depending on context.
Ezekiel 10		Describes the FOUR LIVING CREATURES from Ezekiel 1:4 again as CHERUBIMS. Describes the faces as a man, lion, eagle, and CHERUB (not Ox as in Ezekiel 1). The Ox is the essence of the Cherub. Satan, who was the anointed Cherub that covereth, is drawn as an Ox faced, cloven hoofed, with horns. It is because the Ox is the essence. Think the golden calf in Exodus. It wasn't just any FOUR FOOTED BEAST. It was the essence of a CHERUB.
Ezekiel 11		In the Temple in Jerusalem, the Lord is dwelling there in the Holy of Holies. When the 5th CoP is declared to come upon the nation, Ezekiel is given a vision and made to see it. Here's what the Lord does. He moves from the Holy of Holies to the door of the Temple, from the Temple door, He moves into the outer court yard of Temple. From the outer court yard of the Temple, He moves to the east side of the city to the Mount of Olives. From the Mount of Olives, He moves out to the border of the land of Israel. And from the border of the land, He leaves the earth. This is a step-by-step picture that is given to Ezekiel. When God said I AM not going to be around you, I AM not going to be associated with you, and I AM not going to be your God, then He is moving Himself out. See these cherubs moving the Lord's Throne right on off the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 11:13-25		v13: WILT THOU MAKE A FULL END OF THE REMNANT OF ISRAEL?: The only reason you are asking that is it looks like what God is doing is complete and permanent. God has so expressed His disdain and His abhorence for what they have done and for who they have become under Satan's WORKS OF DARKNESS that He has publically and openly by the mouth of His prophets now completely dissassociated. He has condemned what they have done to the extent the nations around them began to think 'man, God's totally through with them'. Even the prophet Ezekiel is asking the question, is this a full end? v16: I HAVE CAST THEM FAR OFF: MM showing CAST OFF-Romans 13:12 in the Bible. In the process of CASTing them OFF, He is going to disassociate Himself with Israel. v18-19: GH: Shows the New Covenant and providing for Israel spiritual fitness: a perfect justification and a perfect sanctification. These are spiritual issues. v23: THE GLORY OF THE LORD WENT UP FROM THE MIDST OF THE CITY, AND STOOD UPON THE MOUNTAIN WHICH IS ON THE EAST SIDE OF THE CITY: The Mount of Olives. Know from Zechariah 14:4.
Ezekiel 16	GH: WoD Teaching	God is speaking through the prophet to Jerusalem. He is explaining what He is going to do during the 5th CoP and why they are deserving of that CoP. Ezekiel talks about not only the capital of Jerusalem and all that God has done for Jerusalem in the past, he's going to talk about their unthankful response. MM says the same is true today, we may not fully appreciate everything that God has done for us in this DOGG. It is easy to overlook all of the things that have been done for us in this DOGG. This should not be a surprise to Israel. They knew if they got to that 4th CoP and didn't repent and turn around, there were some things that were going to happen to them. The Abrahamic covenant is dependent on God already walking through the world and picking out a spot. What the Lord God tells the prophet Ezekiel to say to Jerusalem. v1-14: Through this passage, He is saying this is the abomination state you were in when you came into existence, you were cast aside, but I decided to do something in youin this earth. I made a covenant with you and I caused you to flourish. That's what God did for this city. v2: CAUSE JERUSALEM TO KNOW HER ABOMINATIONS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 16	GH: WoD Teaching	v2: JERUSALEM: Says Jerusalem because it is the capital of Judah and that's where the priests live. They had the responsibility of handling the word of God and the people were supposed to hear it from them. The southern kingdom was supposed to follow the lead of the capital JERUSALEM. The problem is they did follow the lead of JERUSALEM but the problem was it was the worst of the lot. They led the way in cooperating with the adversary. Point: He is not trying to exclude the rest of the southern kingdom, he is talking about the place that bears the responsibility for heading up this whole southern kingdom. v3: Two of the groups of people that got driven out of the land when Israel came in. He is saying I know where you came from. He is going to show that. God was able to righteously expel the Canaanites out of the land and give it to Israel because they had done such evil and abominations before the Lord that God said you know what, you deserve to be cast out of this land. I CAN expel you out of this land because your abominations have come up before Me and I CAN destroy you for those abominations. So He does and gives it to His people. When He talks about the 5th CoP, He is going to say you guys are worse than the Canaanites that were before you. If I drove them out of the land for their wickedness, I AM going to do it to you also. POINT: The AMORITE and HITITE were not godly people. This is the way you were from the beginning, you were steeped in this kind of stuff.
Ezekiel 16	GH: WoD Teaching	v4-5: Think of taking a new born baby and instead of taking that baby and cleaning it up and swaddling it and wrapping it up, instead the baby is cast into an open field. That would be a dispicable way to come into the world and God is making a comparison and saying that is the way you came into the world Jerusalem. v6: I SAID UNTO THEE...LIVE: When you cast a baby off into the field, it is going to die. Then repeats this phrase GH: for emphasis. v7: I HAVE CAUSED THEE TO MULTIPLY v8: God said I picked you out when you were still in the blood of your nativity. v8: I SPREAD MY SKIRT OVER THEE, AND COVERED THY NAKEDNESS v8: ENTERED INTO A COVENANT WITH THEE v9-11: God is saying I saw how you came in, I knew what was happening with you, you would have died. This is before Israel is on the scene. This is when Jerusalem which was not called Jerusalem then, He said when you first came on the scene, when in your nativity, I took pity on you and I said to you live. He is acting like Jerusalem was this young woman that began to grow and she was clothed with bordered work and shod with badger skins on her feet and girded about with fine linen and covered with silk and decked with ornaments and bracelets and jeweled in her forehead and a crown on her. I did this to you and I made a covenant with you, God made a covenant with this city and I AM going to make something very special of you.
Ezekiel 16	GH: WoD Teaching	v9: THEN i WASHED THEE v9: I anointed THEE v10: I CLOTHED THEE v10: SHOD THEE v10: GIRDED THEE v10: COVERED THEE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 16	GH: WoD Teaching	v11: God is looking over the whole earth and He is chosing a land that He's going to set up His residence in and establish the central Kingdom for the whole earth and He choses that land MM is pullling one verse out to show you how He designates that land. He is talking to the land here. v11: DECKED THEE ALSO WITH ORNAMENTS v11: CHAIN ON THY NECK God is promoting that land above all the other real estate on the face of the planet. v11: DECKED THEE v11: PUT BRACELETS v14: IT WAS PERFECT THROUGH MY COMELINESS, WHICH I HAD PUT UPON THEE v15-16: Here's what begins their 'unthankful' response to all of this was. They should have been grateful for what happened to them. He is saying you took all of these great things that I gave you and you use them to play the harlot, you use these for evil and wicked purposes. All of the good things that I did for you.
Ezekiel 16	GH: WoD Teaching	v17: Even the treasures that were given to Jerusalem were used for wicked purposes. v18-19: God is saying the very things that I gave to you, you have now misused against Me. Have been misused for Satan's service. This is what is so distressing about this. v20-21: He is talking about making them sacrifice to false gods and He is saying and this is what you are doing with all that? So she was taken by the True & Living God and now she's turning that all around for the adversary. God is saying this is how you are repaying Me, this is how you are thankful. Because it was by His Hand that she ever became anything at all. v22: THOU HAST NOT REMEMBERED THE DAYS OF THY YOUTH: v23: (WOE, WOE UNTO THEE! SAITH THE LORD GOD;): Not from MMs notes, it's in the scripture. He pronounces a double WOE unto Jerusalem. v24: HIGH PLACE: A place to worship false gods. You have built HIGH PLACES on every single street to the gods that are promoted by My enemy. v25-26: MM recapping - here's how I found you, here's what I did for you, here's what you've done in return. It's a betrayal, so here was your response to all of that. And now He is going to say you know what, I want to review with you the things I have done in the past while you were in the midst of doing all of this to bring you back to Me. I didn't just stand there and let you run off and do this, I tried to bring you back, I tried to get your attention.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 16	GH: WoD Teaching	v27: WHICH ARE ASHAMED OF THY LEWD WAY: MM says that's an insult. You know how bad you are? I turned you over to the Philistines and they were ashamed of what you were doing. The Philistines! v28: THOU WAS UNSATIABLE: v28: COULDEST NOT BE SATISFIED: GH: LUST OF THE FLESH category of the WORKS OF DARKNESS. The great excesses the great debaucheries. No matter to what extent they went it was never enough. She couldn't be satisfied. v29: CHALDEA: Babylon v29: YET THOU WAST NOT SATISFIED HEREWITH v29?: He is saying I did some things to bring you back, I stretched out My Hand over you and brought some judgments upon you to get your attention but it didn't slow you down one little bit so now God is going to indict Jerusalem and by extension the whole group as an adulterous wife. v32: AS A WIFE THAT COMMITETH ADULTERY
Ezekiel 16	GH: WoD Teaching	v33-34: God is saying I would say that you were a harlot but you're really the worst of the group because those that are engaged in prostitution, they receive payment. Here it works backwards. You are paying them to come in unto you. This is how bad you are. Even those that are involved in it say oh my gosh, what is wrong with you? So what God is doing, He has done these things to her to get her to stop her abominations. v36: THY FILTHINESS v36: THY NAKEDNESS v36: IDOLS OF THY ABOMINATIONS v35: THE BLOOD OF THY CHILDREN v38: I WILL JUDGE THEE v39: THROW DOWN THINE EMINENT PLACE v39: BREAK DOWN THY HIGH PLACES
Ezekiel 16	GH: WoD Teaching	v39: STRIP THEE v39: TAKE THY FAIR JEWELS v39: LEAVE THEE NAKED AND BARE v40: BRING UP A COMPANY AGAINST THEE v40: STONE THEE WITH STONES v40: THRUST THEE THROUGH WITH THEIR SWORDS v41: BURN THINE HOUSES WITH FIRE v41: EXECUTE JUDGMENTS UPON THEE v41: I WILL CAUSE THEE TO CEASE FROM PLAYING THE HARLOT, AND THOU ALSO SHALT GIVE NO HIRE ANY MORE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 16	GH: WoD Teaching	v43: THOU SHALT NOT COMMIT THIS LEWDNESS ABOVE ALL THINE ABOMINATIONS: Talking about the special way in which Israel and especially the southern kingdom and the northern kingdom has corrupted herself with this LEWDNESS and He is going to do this by punishing them in the 5th CoP. v44: Still talking to Jerusalem. v45: Goes back to the AMORTE...HITITE angle from v3. v46: God is saying you are just like your sisters, SAMARIA and SODOM. The abominations in SAMARIA and SODOM were committed with the full knowledge that they were in opposition to God and in cooperation with the adversary. Israel was not a people that was not warned about the adversary, they were warned and when they did what they did, they did it with that knowledge in mind. Because they willingly participated in all 3 categories of THE WORKS OF DARKNESS, because they loves the DARKNESS rather than the LIGHT, then God is going to bring this 5th CoP upon them and punish them for their wickedness. Jerusalam is not playing the harlet against her will, she's doing it willingly and freely. v46: SAMARIA: Was the counterfeit capital of the northern kingdom. JERUSALEM was the capital in the southern kingdom. Went away captive first for the same type of things.
Ezekiel 16	GH: WoD Teaching	v46: SODOM, AND HER DAUGHTERS v47: You didn't do what SAMARIA and SODOM did, you did more. v48: Quite a statement knowing how God felt about SODOM. v49-50: Lists all 3 categories of the WORKS OF DARKNESS. v49: PRIDE, FULNESSS OF BREAD v49: ABUNDANCE OF IDLENESS v49: NEITHER DID SHE STRENGTHEN THE HAND OF THE POOR AND NEEDY v50: HAUGHTY v51: Show her her corruption under the microscope. SAMARIA got carried away captive and got destroyed and ransacked an she didn't commit half of your sins, Jerusalem. v51: THINE ABOMINATIONS
Ezekiel 16	GH: WoD Teaching	v51: THEY: SAMARIA and SODOM. v51: HAST JUSTIFIED THY SISTERS: MM says this is an incredible statement. You are so bad by comparison you justified what SODOM and SAMARIA did. You make them look like they didn't do anything, that's how bad you are. That's quite a statement. v52: MORE ABOMINABLE v58: LEWDNESS AND THINE ABOMINATIONS In this chapter, you should be able to see and identify all the WORKS OF DARKNESS and see where they were at work in them. Everything in the list ought to be disgusting to us as it was to our heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 16	GH: GPPI verse	v1: Ezekiel is a prophet of the 5th CoP. He is among the first of the captives taken out of the land to Babylon. God uses Ezekiel to CAUSE JERUSALEM TO KNOW HER ABOMINATIONS. Ezekiel isn't just declaring Jerusalem's abominations, but he is to show them that the abominations that brought in the 5th CoP upon the southern kingdom are the same ones that were being produced when Satan owned that land and made it the "hotbed" for the "abominations of the earth" according to his COTW-Ephesians 2:2. What Ezekiel was to make known to the people of the southern kingdom and to Jerusalem was that they had become "Satan's lawful captive" and that Satan was accomplishing through them what was originally going on there before God gave the land to Abraham. That is how successful the policy of evil was against Israel, that he didn't really need the other nations of the world because he had Israel producing what he wanted. v2: Part of Ezekiel's job is to tell the city exactly how they are acting and how God perceives those actions. Talking about those ABOMINATIONS that are being done in the land.
Ezekiel 16	GH: GPPI verse	v3: Ezekiel gives them a history lesson. Jerusalem was founded in a joint effort/cooperation by the Amorites and Hittites. They founded the city for the purpose of being the headquarters for the spewing forth of Satan's abominations. Satan worked in these two nations to produce a city that could function like that. So Satan has a headquarters set up here and form there the whole land. It's an oven that's cooking this plan of evil that Satan is putting together. And the Amorites are the head of it. This is how he plans to infect not only the other nations of the world, but also afflict the nation of Israel. v4-EOC: Ezekiel talks about what was going on in that city and God saw it and had compassion on that city and decided to make it His. God gave the city value, entered into a covenant with it and then went on the offensive to claim it form the adversary to make it His.
Ezekiel 16	GH: WoD Teaching / GH: GPPI verse	All these things above, He is saying this to Jerusalem because all of this is going to happen to them when they get expelled out of the land and their enemies come against them. Those people in Jerusalem, they're going to lose their treasures. Everything is going to be torn down. They're going to be naked and bare - if you live through it, you are going to be absolutely destitute. She was lifted up because all that God had done for her and now God says I AM going to strip all of that away, many of you are going to die in the city and for those few of you who do not, you will pine away with faintness of heart in your enemies lands. This is what He is going to do to them. You think I AM a bad Guy but I have been stretching out My Hands to you over and over. You wouldn't have any of it. She got herself lifted up. GPPI: Get details of Satan's activities.
Ezekiel 19:9		9 And they put him in ward in chains, and brought him to the king of Babylon: they brought him into holds, that his voice should no more be heard upon the mountains of Israel. MOUNTAINS OF ISRAEL: GH: Israel or Jerusalem depending on context.
Ezekiel 20:44		44 And ye shall know that I am the Lord when I have wrought with you for my name's sake, not according to your wicked ways, nor according to your corrupt doings, O ye house of Israel, saith the Lord God. WICKED WAYS...CORRUPT DOINGS: Equate these together. Notice the connection between sin and corruption.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 23:35	GH: WoD Teaching: PRIDE	35 Therefore thus saith the Lord God; Because thou hast forgotten me, and cast me behind thy back, therefore bear thou also thy lewdness and thy whoredoms. CAST ME BEHIND THY BACK: MM tying to CAST THY LAW BEHIND THEIR BACKS-Nehemiah 9:26. Talking about going after other gods and forsaking Me. WoD today work to do the same today - get men to despise God's word and replace it with Satan's untruth.
Ezekiel 26	GH: WoD Teaching: World's Reaction to Satan's Dry Run	v3-6: What God is going to do to Tyrus. v14: God is saying I AM going to do away with you and you are never coming back. v15: This place is Satan's hotbed of activity and God says I AM going to bring judgment upon you and now people are going to decide was God righteous when He did that OR we don't like what God did. Satan is looking for a response or a straw poll.
Ezekiel 27	GH: WoD Teaching: World's Reaction to Satan's Dry Run	v3: I AM OF PERFECT BEAUTY v30: SHALL CRY BITTERLY v30: CAST UP DUST UPON THEIR HEADS v31: SACKCLOTH v31: WEEP FOR THESE WITH BITTERNESS OF HEART v32: LAMENT OVER THEE MM says don't you know this is exactly what the world is going to say when Satan's city is destroyed in the day of wrath (GH: teaching Ezekiel 26-27). They're going to lament, they're going to cover themselves in sackcloth and ashes and they're going to be looking at that just like they did back here. This is what Satan is looking for. MM says you know what they are doing? They are telling you whose side they are on. That's what they are doing. They are exposing how they really feel. That God has done something to Tyre and oh, if they could only undo it. This same thing is going to be happening out here in the day of wrath with the antichrist. **And here's what Satan knows - I had the whole world behind me when the DARKNESS was at 70% here at Tyre, if I get this DARKNESS to 95% and keep it there in the rest of the NIGHT, he has a chance to get it to 100% out in the day of wrath. But if it backs off, do I have enough time to get it to where I need it to be? This is why he can't stand for us to CAST OFF THE WORKS OF DARKNESS-Romans 13:12**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Ezekiel 28	GH: WoD Teaching: Satan's Dry Run	Two characters being talked about here: 1. PRINCE OF TYRUS: Is the man. 2. KING OF TYRUS: Is a reference to Satan who is the power behind the PRINCE. When the anti-christ comes on the scene, he will get his power and seat and authority from Satan. Satan's dry/test run of bringing his antichrist in. A lot of parallel issues of who the Prince of Tyrus is and what he wants to do and how God deals with him that are very similar to what happens in the mind of the antichrist and how God is going to deal with him. That's no surprise when you understand this is a dress rehearsal for what Satan wants to do. Satan wants to know how people will respond to this at this point. MM says say 70%. We know greater than 50% since it is NIGHT and it is increasing. He wants the people of the world to reject God and accept him. Say it was 95% in Acts 7. MM says the response at 70% was overwhelming (GH: see Ezekiel 26-27). The goal in the remaining portion of his NIGHT is to bring the DARKNESS of the world to 100%. GH: See parallels between the PRINCE of Tyrus and the KING of Tyrus. v2: BECAUSE THINE HEART IS LIFTED UP: MM says wasn't this a description of Satan? v2: THOU HAST SAID, I AM GOD, I SIT IN THE SEAT OF GOD: Doesn't this strike you as familar to what the antichrist is going to do out here in Daniel's 70th week. v2: IN THE MIDST OF THE SEAS: MM says this ought to take you over to Revelation too. v2: YET THOU ARE A MAN, AND NOT GOD: God is saying you're as man, you're not God. You may think you are and you may want to act like you are but your not.
Ezekiel 28	GH: WoD Teaching: Satan's Dry Run	v7: I WILL BRING STRANGERS: Talking about the Babylonians. v7: THY BRIGHTNESS: Satan had a BRIGHTNESS. v11: Now talking to Satan. v12: THE KING OF TYRUS: Satan v12: FULL OF WISDOM, PERFECT IN BEAUTY v13: IN THE DAY THAT THOU WAST CREATED v17: THY BEAUTY: Satan had a couple of problems. 1. his heart was LIFTED UP 2. his wisdom was corrupted
Ezekiel 28:11-12		11 Moreover the word of the Lord came unto me, saying, 12 Son of man, take up a lamentation upon the king of Tyrus, and say unto him, Thus saith the Lord God; Thou sealest up the sum, full of wisdom, and perfect in beauty. Earlier talked about the PRINCE OF TYRUS. v12: KING OF TYRUS: Lucifer? v12: FULL OF WISDOM: Lucifer saying I am smarter than that guy, I don't need to be taught, I am full of wisdom. But not God's Wisdom. v12: PERFECT IN BEAUTY: Lucifer sayin I look better too.

Ezekiel 28:13		13 Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. v13: This guy has music built into him.
