Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; IN HONOUR PREFERRING ONE ANOTHER (cont'd): **Not talking about your attitude as you do something but it is now talking about the attitude of the rest of the assembly as they preceive the other saints doing something and by seeing that they are supposed to respond IN HONOUR PREFERRING ONE ANOTHER. On one side, you have a person saying I'm not doing this for accolades or promotion, I'm doing this to accomplish my Father's operations because I love Him and I V&E the saints in this assembly. Then you have the saints in the assembly recognizing what is being done and they are calling attention to the faithful performance of an operation by a member the body.** The world has their own version of this - EX the assist in basketball and the scorer acknowledging the person who threw them the ball. v6-8 is the assister and v9-10 is the shooter. There's both sides of this coin. God has put this whole thing together so that it really is able to strengthen the body and strengthen itself in the process. Nutshell: We're setting forward a fellow member in such a way that causes him or her to be honored. Not just in our eyes but in the eyes of the whole assembly. This is an important aspect of this. As we survey our own assembly and find those that we have great respect for and we value greatly and because of our godly thinking of cleaving to that which is good, we hold them up before everybody so that they might be admired before all. MM says we do the same thing with the Lord, right? We love Him and treasure Him but you know what, it becomes more valuable when others understand how much He means to us. The same principle is at work here.
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; PREFERRING ONE ANOTHER: Something you do for/to others/someone else(corporately). IN HONOUR: MM says notice it doesn't say WITH HONOUR. The difference is who it's being talked about. If YOU are doing WITH HONOUR that is how you are doing it. But if you doing something to someone else, you are doing it IN HONOUR. Talking about how you are dealing with them. HONOUR: Means with great respect. OED: Honour - great respect or esteem. 1) High respect, esteem, or reverence, accorded to exalted worth or rank; deferential admiration or approbation. 5a) Something conferred or done as a token of respect or distinction; a mark or manifestation of high regard… 6a) …an action or attribute that confers honour; a source or cause to honour…

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; MM notes we have been using ESTEEM for a while (GH: V&E) and remember HONOUR w.r.t. the spiritual gifts in 1 Corinthians 12:23-24. George Crabb: Honour - as applied to persons is mostly AN OUTWARD ACT; to reverence is either an act of the mind or the outward expression. (We honour our parents by obeying them.) MM says when it is an OUTWARD ACT, it is not enough to simply say I really do think about this person in a certain way, that has to show up in our conduct and behavior. What it Means to Honor a Fellow-Member: 1. High Respect: Actions that demonstrate/show high respect. 2. Token of High Regard: How much you value this other person. 3. Actions conferring Honor
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; PREFERRING: MM says he knew he needed to do work on this word. Doesn't mean 'I prefer scrambled eggs to fried'. Not 'I prefer vanilla ice cream over chocolate'. Don't think PREFER here is to choose. Like many words in your Bible, the word PREFER has more than 1 definition to it. OED: Prefer - promote to a prestigious position. 1a) To put forward or advance, in status, rank, or fortune; to promotion (to a position of or office of dignity) 6a) To set or hold before others in favour or esteem… George Crabb: Prefer: The words encourage, advance, prefer, promote, and forward all speak to using one's influence to the advantage of an object, only they differ in circumstances and mode of action. - 'Encourage' is partial to the end and indefinite as to the means. (We may encourage a child in his rudeness by not checking him.)
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; When we PREFER someone: - We advance them in status: This is half of it. But there is another element we have to put with this. - To set before Others in Esteem: You can show respect for them but if they are the only ones that hear it, that's just the living. If you are going to make it godly labor, now the whole assembly needs to be able to benefit from the respect and esteem and the value that you place on your fellow members. It has to be done in front of others. The preferring is supposed to benefit the entire assembly. You may be lifting up one member of the assembly but the act of that, when it's done right, is actually going to benefit the whole assembly. Sometimes do for an individual, a small group, or the assembly as a whole.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; We may encourage anyone by any means. MM says this means you can encourage people in a lot of different ways and it doesn't mean you are encouraging them to do something good. Plenty of people have been encouraged to do something that wasn't so good. Can encourage people and it is not necessarily a good thing. A man may 'advance' himself but he is preferred by others (IN HONOUR, PREFERRING ON ANOTHER). All of the words may be used of persons or things except for prefer which is reserved for people only. MM says don't get confused, he's not talking about preferring Ford over Chevy. Prefer: To use one's influence to the advantage or promotion of others. MM says this is the godly labor. Not prefer Karen over Clifford. Means to encourage or to advance or to promote. There is an OPERATION that your Father is trying to accomplish with this. There is something He is doing that will not only be necessary for a group that has just come into existence but it is the same next step you will have to take in the creature. Once the entire body of Christ has finally come together as a single body, this will be the next thing that needs to happen. MM says think about anything. Once something comes into existence, if it has any type of life to it, it has to be able to do something naturally. EX A new born colt, a few minutes after birth, is up running around because of something taking place within it. He is being strengthened from within himself. Any new born that does not strengthen within itself is going to die. That is the natural next step. This means in our conduct & behavior, we are going to now start promoting or advancing or increasing or strengthening this body from within by this action of PREFERING ONE ANOTHER.
Romans 12:10	Godly Labor - Romans 12:10b	10 Be kindly affectioned one to another with brotherly love; in honour preferring one another; MM says PREFER is to advance or promote and that is not just for no reason. For the faithful discharge of an office, that's a labor (GH: Romans 12:3-8). Now someone comes along and says, great job. When someone does that, how does that naturally impact people? That encourages you and motivates you to do better. When we do this, the body is strengthening itself from within (Romans 12:9-10). This strengthening is going to come in several different ways: 1. In the particular office which you are functioning. 2. There are more labors that are coming your way and you are going to have to begin to take on a furtherance, to take things further. MM using the body strengthening itself, like weight training. This body is doing the same thing by the promoting of the members within themselves. When you do that, you are strengthening this body to do not only that which is well but also to do more/further tasks in the future/yet to come. That's the natural next step for a body that has come into existence, to now sustain itself and strengthen itself for the future. MM says that will be a natural next step that is also happening in the heavenly places. Satan's POE is more than just opposed to Sonship, it is opposed to us occupying these offices, because if we don't, this really doesn't become a body, not in the sense our Father meant it to. Then, he will oppose strengthening each other.

Romans 12:11-16	THIRD FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 3: Tenderness	Each verse has a context. These are the things that are going to be produced IN us. Because of the short pithy nature of these verses, people view these like the Beatitudes that Jesus gave in the Sermon on the Mount. They call them Paul's beatitudes. MM says if you want to do that you can, but that won't make you edified. We are taught how to take those key characteristics of godly wisdom and apply them to various relationship areas of our lives. Paul is stepping aside from giving us core features of godly love and charity to exhort us to the practical application of them in various aspects of our everyday lives. This is not just a motivational list of things to do in our flesh. These are all opportunities to put what we have learned so far into practice. Exhort us to take the godly love and charity generated in us by v3-10 and move us out of the local assembly to employ our godly wisdom to various relationships and contexts of our lives. Take the greatness of what it means to a redeemed, adopted son or daughter of the true and living God and bring it into the very details of our lives! These verses are one long witness against that failure to live these Sonship truths in the small, insignificant details of life. Where your Father's wisdom comes into play. Not taught 'love is this or that', here you are taught how to put v3-10 into practice. There's a two-fold application here: 1. The local assembly (the number 1 primary application of this because your Father's Business is what He is trying to get accomplished) 2. Everywhere else It's not conduct yourself one way in the church and another way out there. That would be hypocracy. There's going to be a consistency with our living in regard to the doctrine and what it produces in us.
Romans 12:11-16	THIRD FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 3: Tenderness	Carry SELFLESSNESS and LOVINGKINDESS outside the local assembly and into other areas of our life. The places this will be put into action outside of the assembly of which we're a part. Each of these verses is in a particular context. Not just a long list of motivational type things. When people talk about this passage, they say this is what the Christian life looks like. MM takes issue with that. This is not supposed to be our life. The way this gets taught is that you are going to accomplish this in the energy of your own flesh. Even the lost world can do this. Don't look at as a list of this is what I need to start training myself to be, this is actually something now that is supposed to be produced in us by the effectual working of the word. Our purpose behind doing these things becomes what our Father is doing and what He has written in His word. Can't just look at as a list of things we need into copy in our life. These are opportunities to put what we have already learned in this chapter into pratice - godly SELFLESSNESS and godly LOVINGKINDNESS - outside the local assembly. Our Father means to permeate every single area of our life with the doctrine.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; **See Pastor Mike's commentary on 'God's Original Design for Work Part 1 and Part 2' and 'RoK : History of Work and Leisure' in the Commentary section.** Context: Talking about our attitude, how we are going to approach what we are doing. Doctrine is moving out of the local assembly and into the work place. All 3 components of godliness in this verse. Godly Wisdom - Our attitude toward business. Heavenly Father's attitude toward business. All 3 parts of the Father's attitude about business. NUTSHELL: When we are engaged diligently in our work, fervently putting godliness on display, we are serving the Lord. Our Father's view of business is that it should be carried out by His saints with selflessness and lovingkindness. Are not so much about our relationship with our business associates and co-workers, but they are about our attitude toward work itself. Is training us to think about work in a particular way; a godly way because we all grow up with a worldly view of work. Phrase 1 - NOT SLOTHFUL IN BUSINESS: Tells us what not to be - slothful (because a whole lot of the world is) Phrase 2 - FERVENT IN SPIRIT: Tells us what to be - fervent Phrase 3 - SERVING THE LORD: Tells us our motivation - serving the Lord/laboring with our Father
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; If you own a business, you have a godly responsibility to the people who work under you. With the life of Christ IN us, we can work a job we don't like, for a boss who is a jerk, with co-workers who are slothful, and instead of throwing in the towel (and becoming slothful ourselves), we can find that even that job can work together for our good! We are going to take our theology into the workplace. An edified son or daughter who is actively engaged in godliness. That means, the tasks they undertake in their work, are to be carried out "as unto the Lord" Himself. The way they do it is supposed to be HEARTILY-Colossians 3:23 which means from their inner man. If we see our job as an opportunity to serve the Lord, and not just the boss we work for, and we see our job as an opportunity to work with the best interest of the company in mind, as though the company belonged to the Lord Jesus. Note the start of the sentence, which goes from v10 to v13. Context in v10 is the local assembly. MM says v11 is sort of a standalone verse. Yes, it is part of a larger sentence, but it's taking what we just learned and now it's going to do something with it. MM thinks this verse is sort of a nutshell and has everything wrapped up in it. Realizing that all those things we are busy about is a way to SERVE THE LORD will make us FERVENT IN SPIRIT. This really is: - putting our Sonship skills into practice - getting the gospel out - taking saints and giving them the doctrine more perfectly

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; Bring SELFLESSNESS and LOVINGKINDNESS into the workplace. MM's interpretation of the verse: Don't approach your daily work as though it has not part in your spiritual life. Bring the fervency of Christ in you to your workplace. Take the principles that you learned that are at work in the local assembly and bring those in to your job. Instead of letting outside occurences be the things that make you excited about what you are doing. Let us bring it into our place of work! May we showcase the greatness of Christ in us to everyone we work with. May we bring the very doctrine that is transforming us into the business world where, yes, we are surrounded not only by fellow saints but by the lost world. Our Father's view of business is that it should be carried out by His saints with selflessness and lovingkindness. Don't approach your daily work as though it has no part in your spiritual life; bring the fervency of Christ in you to your workplace. Put the principles of Sonship to your business. The three issues contained in v11 are not so much about our relationship with our business associates and co-workers, but they are about our attitude toward work itself. v11 is training us to think about work in a particular way; a godly way. This is because we all grow up with a worldly view of work. Is going to transform us so that we think about work like our Father does. And that process begins by "the renewing our mind" concerning business. Business is important to God. In fact, He is the author and creator of it, for the angels were involved in various work activities (business) in the third heaven before God created the earth. How do you think they got those white, linen robes; magic?
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; The manna that God fed the children of Israel with was ANGELS' FOOD-Psalm 74:25. Where do you think the CORN OF HEAVEN-Psalm 78:24 came from? The principles of farming and textiles and industry were taking place in the third heaven long before men came along. We are to make an impact on employees and employers alike by means of the attributes of godly love being manifested in our treatment of them. We should desire that, be praying about that, and working to that end. The main intention of v11 is to get us thinking about "business" the way our heavenly Father does. Having the right attitude toward your work now will prepare you for your eternal vocation in the heavenly places. If we have a difficult boss, we should consider how changing jobs will impact our inheritance and the skill to exhibit godliness in the face of difficulties. Our work is an opportunity to: - put godliness on display to men and angels - change the way we think about business so that our thinking aligns with our Father's thinking It directly pertains to our attitude toward work more than our impact on our fellow workers because we will never have the impact on our fellow-workers which God wants us to have until we start thinking about business the way He does. Otherwise, the message is incongruent to those we work with. Even without knowing the doctrine, they will sense the "tension" between what we say and how we act. The result is the rejection of our message. Until we adopt a godly attitude about business, our words and actions will not have the effect we want them to have.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; NOT SLOTHFUL IN BUSINESS (tells us what not to do): The first phrase is not to be conformed to the world in the sense of being slothful. Paul exposes the way the world in general thinks/works and exhorts us not to do that, and then he tells us what we should think/do and exhorts us to do that. Talking about our Father's Business and he is saying don't be slow about getting those offices up and running and don't be slow about preferring one another. NOT SLOTHFUL IN BUSINESS, because of the NOT, is not a component. It's an exhortation. NOT: Because it is a negative, don't be this way. SLOTHFUL: To move slowly or impede progress. Opposite is DILIGENCE. Paul wants us to stop and examine our work life so all the slothfulness is culled out of it. 17x in Bible, only once in Paul's epistles. Uses sluggard. Slothfulness is mentioned 17 times in your Bible. Sixteen of those are in the Old Testament with 14 of the 16 being in Proverbs. Jesus mentions it once in Matthew, Paul mentions it once in Romans and the book of Hebrews mentions it once. Comes from the word 'slow moving', means reluctant to work. Can't be reluctant to work in our Father's Business. Similar word - sluggard. OED: Slothful - 1) Of persons: full of sloth; indisposed to exertion; inactive, indolent, lazy, sluggish Antonyms to this are ambitious, diligent, zelous, fervent
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; OED: Sloth - reluctant to work or make an effort; laziness Antonyms of slothful according to the Merriam-Webster Dictionary are (among other words): ambitious, diligent, zealous, and FERVENT! George Crabb: Slothful - A reluctance to bodily exertion is common to all these terms. To be slothful is never to move otherwise than slowly. Laziness, slothfulness and sluggishness are inherently physical defects. Laziness is however not altogether independent of the mind or the will. Slothful people never vary in their pace; they have a physical impediment in themselves to quick motion. -- MM says just because some works demand slow movement because of its intricateness or precision, that doesn't mean that's slothful. Charles Smith: Slothful - (from the word 'slow') is commonly employed as a relative term in connection with ACTIVITY as a duty to one's self or others; hence, such terms as 'slothful in business' [MM says notice what he quotes]. The man is slothful who is sluggish in such a way as to be dilatory or negligent of the duties which claim his attention. The sluggish man does what he has to do lazily or inertly; MM says not one book would let him define SLOTHFUL as a way of thinking. SLOTH is a description of an action, it's a conduct. Now lazy can describe your thinking but SLOTH cannot.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; There are several reasons for Paul to exhort us not to be slothful: - It is destructive for us personally - It is destructive for our family (especially dependents) - hard to provide for people who are depending on you - It is destructive to society - it is destructive to our work - It diminishes our reputation and hence, our message (witness) - It is ungodly in its thinking, living and labor - slothfulness is the antithesis to what it means to be godly - It hinders our Sonship lives - Sonship life takes some effort - takes more than just punching the clock - It steals our future, both here and in the ages to come/heavenly places - when we get up there, there will be plenty of people who look back and think what could have been If the only thing you are doing is things of leisure, you will develop the traits of slothfulness and sluggishness.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; How to become SLOTHFUL. The mechanics of how to be SLOTHFUL. Applies to your work life. - Do only the minimum/least amount of work possible. Just enough so you don't get fired. Come in late and leave early. Can't be a FES/FED and do only the minimum. Can't segment and be lazy at work and industrious as a son. Will all seek its own level. You are what you are. Talk to other people as a great way to waste time - ends up wasting both of your time. Conduct personal business during your work day, or do other things at work. - Hit the snooze button: If you hit the snooze button for an extra 15 minutes per morning, 5 days a week, you will have slept an extra 3,900 minutes a year, or an extra 65 hours in bed! Turn around and invest it in your goal of being a FES. That's a lot of time invested in that.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; - Learn to make great excuses. For everything. Tardiness, why you can't get your work done, didn't see that client, write that proposal. A truth sloth has excuses for everything in their life, not just work. - Don't have any goals. No goals, no direction. The path is uncertain. Don't have purpose for your day. Be as disorganized as possible. Don't work from a checklist. - Be very poor at your work and never improve. Don't do anything that would make others feel like you are good at it. Don't let your wife know you can <fill in the blank>. - Complain about everything - your boss, your company, and your co-workers as much as you can. When you complain about everything, it infects you. Fastest way to destroy a relationship is to complain about the person. Fastest way to destroy your work is to complain about your work. - Do not manage well & do not plan your day - Do minor tasks, avoid doing things of value. Make sure and don't do the most important things, do the little stuff. MM says focus on the most important thing you have to do, results in a productive day. Manage your time and plan your day. When you see real progress in your Sonship life, it motivates you to continue.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; Applying Sonship Principles at Work - The application of v11 into our workplace - can apply your learning on the BODY and OFFICEs into the workplace: 1. Apply the office principles of participate and cooperate 2. Don’t think of yourself more highly than you ought to think - view all co-workers as important 3. Assist others to be successful in their jobs 4. View co-workers as needed and essential (tougher for sales people and bosses who are in charge) 5. V&E co-workers for the work they do (evidenced in the praise you give them; MM says 99% of the public comments people get are complaints - when they go out of their way, they go above and beyond for the good of the customer and the store and no one hears about it, MM thinks this is a travesty in the other direction) 6. Desire the best for the business and be willing to sacrifice (opposite of a sloth) 7. In honor prefer the other workers - Romans 12:10 - in honor preferring one another (didn't learn this for just other members of this assembly) 8. Don’t be slothful

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; NOT SLOTHFUL...FERVENT: MM says everytime a negative gets told to you, he turns right around and tells you what to do. MM says it is not enough to know what NOT to do, you have to know what TO DO. If you allow SLOTHFULNESS in your life, it will spread to other areas. It affects us personally. It becomes harder and harder to get back into work mode. For a country that views work as a bad thing, that's dangerous. MM says he wouldn't want a life with nothing to do. Fortunately, he has more TO DOs than he can get done. BUSINESS: Is not just the stuff you do, it has to do with the godly labor. MM thinks the list here characterizes our LIVING and therefore should be expanded outside the local assembly. We don't just live in the local assembly. The word BUSINESS is not strictly defined in the verse so MM thinks it has a broader application. But God doesn't care how fervently we flip hamburgers at McDonalds, if we don't get His Business done fervently, it won't matter. His Business is big because it is what we'll be doing in the creature. It's not like a 5-star hotel waiting for us to check in and prop our feet up. Things are in disarray, there's no godly love, no body treatment of each other, no selflessness up there, no godly lovingkindness up there. We are going to have to move them out and straighten up that mess they created and put that thing back like it is supposed to be. From the gospels to Romans, the word BUSINESS has only shown up 2 other times: 1. WIST YE NOT THAT I MUST BE ABOUT MY FATHER'S BUSINESS-Luke 2:49 - Father's Business 2. WHOM WE MAY APPOINT OVER THIS BUSINESS-Acts 6:3 - choosing deacons - that was church business
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; BUSINESS (cont'd): MM says this doesn't mean it couldn't be in a work sense. The word is really 'busy-ness'. MM defines BUSINESS as anything that we are busy doing, whatever it is. MM says this could be a whole list of things. Whatever we are busy putting our hand to. Nutshell: Don't be slow about getting involved/doing the Father's Business. - Getting involved in the offices in Romans 12:6-8 AND - IN HONOUR, PREFERRING ONE ANOTHER in Romans 12:9-10 Don't drag your feet on this, start operating out of these offices. Start all the different ways that you can give or the areas in which you can rule and be in charge of getting something done that's necessary to the material needs of the assembly or to mercy or to whatever those are. MM thinks we ought to be going gang busters (FERVENT IN SPIRIT) as well, we have taken long enough to get here. When we understand what this is doing for His Purpose and His Cause, we ought to be saying, yeah, let me in on that. We are going to learn more aspects of God's Business in the local assembly and more aspects of God's Business in the world.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; BUSINESS (cont'd): **God's cause is directly connected to His Business**. MM knows BUSINESS doesn't get used a whole lot in your Bible (Jesus quote on His Father's Business; Acts and choosing deacons; Romans 12:11). Primarily, this is talking about our Father's Business. You can make an application to other things but there is a cause that we are going to have to add to everything else that we are doing. MM says this does not give you license to be slothful in your work or anything else. All ties to what He wants to get done in a local assembly. Two questions: 1. How critical is His Business because if it is critical, His Cause is worth investing our lives in. - If every son walks away from the Sonship education there is no plan B. - If God's Business fails: - Satan's business succeeds - The creature remains under the BONDAGE OF CORRUPTION-Romans 8:21 - The whole creation continues to travail in pain (MM promises you that SELFLESSNESS and LOVINGKINDNESs are not up there now because they are not part of Satan's cause)-Romans 8:22 - Satan remains the de facto possessor of heaven and earth
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; 2. How important/critical are we to that Business? - In a way, we aren't just in the business; we are the business - We deliver the creature from THE BONDAGE OF CORRUPTION. MM says it is not like God doesn't have a part in this, if He didn't educate us, we wouldn't have a clue. - We bring righteousness to the heavenly places - We bring fullness of function to the creature - We prove that God is the only rightful possessor of heaven and earth - We demonstrate that God alone/only God is qualified to be THE MOST HIGH and that Satan doesn't have what it takes to fill that position - We demonstrate the Power of God's grace working IN us - we put it on display - We show forth God's manifold Wisdom which is in accordance with **His 'eternal purpose' (Cause!)**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; FERVENT IN SPIRIT (tells us what to do): The second phrase tells us what to be “fervent” and instructs us how to do that. Small case 's'. This means that Paul is referring to our human spirit and not the 3rd person of the Godhead. Doesn't say unless you don't like your job. God doesn't want you to psych yourself up for a job. That is you in the energy of your flesh. Comes from the French word which means to burn, boil or glow.” So, to be fervent in spirit is to be passionately and intensely disposed toward something; in this case, our work! Is about the boiling, fiery, burning desire to put the life of Christ on display outside our assembly, in our business! We don’t have to do it, we get to do it! It is the intense, passionate display of godliness in our work. Learning this principle will allow you to love unconditionally, to give with simplicity, and to manifest godliness in an ungodly world. This is what causes us to value and esteem our fellow members and to manifest it by our Christ-like actions toward them. Nutshell: To be fervent in spirit means to be passionate about manifesting the life of Christ to everyone we work with by: 1) how well we perform our job, and 2) by living out of the Sonship principles. MM tying FERVENT to diligent. George Crabb: Diligent - Active toward some specific end. Diligent suppposes some degree of activity. Charles Smith: Enthusiast - "literally - I am inspired'. Enthusiasm is to be influenced by a peculiar FERVOR OF MIND. A confident, but not irrational, attachment for some cause or subject. - MM says if you are inspired, something has had an effect on you.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; FERVENT IN SPIRIT (cont'd): To have some enthusiasm. If you are not reluctant, that's one thing. But having some enthusiasm is another. Paul doesn't say be FERVENT IN SPIRIT about your job IF you enjoy it. Didn't specify the job, whatever the job is. If you can't get FERVENT about a job, then MAYBE, MAYBE you should get a different job. But you can become FERVENT about whatever you do. No matter what your job is, no matter how much you like it or dislike it, the exhortation remains the same. To be FERVENT IN SPIRIT. Not a light switch that you turn off and on & sometimes we are and sometimes are aren't. This is what is produced in our inner man so that is really what we become. FERVENT: Is the opposite of SLOTHFUL because you can't be FERVENT and be SLOTHFUL. MM says it is not just don't do what you are doing slowly. A FERVENT spirit requires that we be active and that we be engaged, both inside and outside the local assembly. It's not just acting excited, your Father is not after an act. He is after something actually making us FERVENT IN SPIRIT. There's something he told us that was supposed to produce BODY THINKING in us. MM says there has to be something that produces this in us, you can't just turn it on here or go let's try it out. You can't just turn that on. You can act excited and not necessarily be FERVENT IN SPIRIT. There's a sincerity behind it, not talking about a show. It has to stem from within you.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; FERVENT (cont'd): OED: Fervent - ardently, passionately, vigorously; intensely passionate George Crabb: Fervour - We are fervent in feeling; we are ardent in acting. FERVENT comes from a French word. It means to burn, to boil, or to glow. When water boils, you can see it. You can see these things. Being passionately and intensely disposed towards something. Humanly speaking, it is much easier to be passionate about your work if you enjoy it. Tougher if you don't enjoy your job. If money is no issue, what would you like to spend your life doing? This is what you should try and do. You should work to become excellent at what you do. Most people get good enough to do it, then they plateau off. Work to become excellent. Be in the top 10% of the people who do what you do. Keep studying, keep reading, keep researching, keep learning, keep growing, keep getting better at it. This process will change you. Will help in every area of our life especially our Sonship. A formal education will help you earn a living but personal education will make you excellent.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; FERVENT (cont'd): Charles Smith: Fervour - We feel with fervor. There is more of principle in fervor, more of passion in ardor. In those cases, therefore, in which energy of desire of pursuit is directed to no high moral ends, we use the term ardor, where this is so, fervor. The fervor of a patriot. -- MM says the way you feel about something but doesn't that show up in your actions? MM says when a person feels so strongly about something that they are willing to endanger themselves and even ultimately give their life to that thing, that is a high moral end. There is some principle that is at work here that is so important to them and that is what FERVENT entails. If there is no high moral end, it's just ardor, but when there is something really at stake, it's FERVENT. There has to be something about this that we so V&E that it creates a fervour, causes us to be intensely passionate about something. What is it in the scripture that would cause us to V&E so much, but to not be SLOTHFUL but be FERVENT IN SPIRIT? MM thinks the key in in the last part of the verse - SERVING THE LORD. Easier to be passionate about work if you enjoy it. MM loves what he does for a living and loves the Guy he works for. “If money was no issue, what would I like to spend my life doing?” When you are FERVENT (or zeal) in your inner man, you won't be SLOTHFUL in your actions. It is about who you are, not what you are acting out. Learning to do godly work down here equips you for His work up there. Is about the boiling, fiery, burning desire to put the life of Christ on display outside our assembly, in our business! We don’t have to do it, we get to do it! It is the intense, passionate display of godliness in our work comes from within, from our human spirit when Christ is being formed in us. Learning this principle will allow you to love unconditionally, to give with simplicity, and to manifest godliness in an ungodly world. This is what causes us to value and esteem our fellow members and to manifest it by our Christ-like actions toward them. And this is what keeps us from being slothful in business.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; FERVENT (cont'd): 2 ways to be FERVENT: 1. Man's way - Excitement: From without - comes from outside you / from without - happiness comes from beyond your control - serve God out of your FLESH - WWJD thinking - Something you do on the outside but after a while it wears you out. Something from outside of you is causing you to be set in motion. A promotion or pay raise could cause excitement. Dangerous way to live because instead of you controlling how you live about it, you're allowing external things over which you have little or no control to determine how excited you are about something. That's a bad way to do it. Have to be careful about letting the motivation for how you feel or what you do rest with someone else. You have to cultivate the ability to do that. Motivated from without. Set in motion by outside stimulus. Today, this is wildly animated. Excitement tends to wane because the external motivator needs to continue. Typically temporary and short-lived. More emotional in nature. EX - out of or from without Ciere (Spanish) - to set in motion OED: Excite: To set in motion, to rouse, to awaken, to provoke to action.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; 2 ways to be FERVENT: 2. God's way - Enthusiasm: God stirring the man from within, motivated from within - serve God out of your SPIRIT - Spirit renews your thinking and it manifests in your conduct and behavior - Comes from within you. Motivated from within. Set in motion by inside stimulus. God stirring something within you that now causes you to be motivated. Today, this is mildly animated. Don't want the outward expression to be motivated on what's on the outside. Everything is a decision. Why you want to make wise Sonship decisions. MM says if someone says they are not happy, then you have not made good decisions about that. Don't let your happiness from from things that are happening from outside of you. Let that come from things that are in you. Just like you shouldn't plateau in your work life you should never plateau in your spiritual life. Have to find the motivation in you and through you GH: because this will not wane unless we let it. Is more the control of the emotion. EN - from within THOUS - God (thusia -> theo -> God) OED: Enthusiasm: 1. Inspiration if by divine (talking about God) power; being directly subject to some divine impulse. 2. Enkindled fervor of soul; ardent and imaginative zeal.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; Everything in your life is a fabric where the Life of Christ needs to be made manifest in. One of the main differences between excitement and enthusiasm is that excitement comes from outside of you and enthusiasm comes from within you. And since Paul is talking about fervency inside of us, in our human spirit, then the better way to look at this is to have the proper enthusiasm about business; a motivation that comes from within us and not outside of us. Since excitement is about outside occurrences that stir up emotion, it is often short-lived; however, enthusiasm is more long-lasting. Even the world knows about slothfulness and diligence. But for us, as sons and daughters who have been given the Spirit of adoption, it is that Christ is being formed in our human spirit that keeps us from being slothful. That life of Christ is first formed in our spirit; that is where edification begins. As the doctrine transforms us, it changes our soul and godliness becomes a present reality. SPIRIT: Small case 's'. Talking about our human spirit, not the third person of the Godhead.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; SERVING THE LORD: The third phrase provides our motivation for thinking about business properly as adopted sons and daughters; because it is a means of serving the Lord. The true “trial of our faith” is not found so much in the threat of renouncing the Lord upon pain of death (by that MM means those few and far between instances that require great acts of courage to stand in the face of them), but the trial of our faith is found in the constant, little occasions by which we become weary and we lose ourselves in the details and mundaneness of life. Or to say it another way, it is one thing to make a big and bold stand for that which we believe in and will not compromise, but it is quite another to apply the greatness of all that is ours in Christ into all the little occasions which make up our everyday lives. The real test is not just in doing the right thing each time, but in doing it for the godly reason, hence, “fervent in spirit” and “serving the Lord.” The motivation for this fervency of spirit. Nutshell: When we are engaged diligently in our work, fervently putting godliness on display, we are serving the Lord. MM says in the old days, we defined everything as SERVING THE LORD. We invented that. Now that you know there's actually a way that you labor with your Father, we understand a lot of those old things we thought were serving the Lord actually weren't serving them at all. MM says that is a very general phrase. Thinks this is synonomous with LABORing with our Father. When you serve Him you are laboring with Him and when you labor with Him you are serving Him. He didn't tell you HOW you are serving the Lord and MM doesn't think that's the point.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; SERVING THE LORD (cont'd): That BUSINESS, whatever we are putting our hand to, you now understand that there is a WAY in whatever we are busy doing, there is a way that results in us SERVING THE LORD. MM says if you say this too imprecisely, you start getting the idea that flipping burgers at McDonald's is somehow laboring with my Father, but it's not. Doesn't matter if McDonald's ever got invented or not, it wasn't going to cut out some operation that God was trying to get accomplished. It doesn't matter what you are doing - waiting tables at a restaurant, selling insurance - there's something that I'm putting my hand to that I can actually SERVE THE LORD, not in the actual serving the food or writing the policy, but there are ways to labor with God in something that He wants done. MM says when you set the stage then other people act out their part. If you say the weather is great, people agree and if you say the weather is bad, people agree. Fervency is contagious. It catches other people then they get enthused. Point: If you knew whatever it was that you were busy doing was going to impact people in your Father's Business, that would create fervency. It could be vocation, advocation (a secondary thing you are working), volunteering, if you are SLOTHFUL IN BUSINESS, your reputation is perceived as low. You are not going to impact your boss or co-workers with your ideas. Even the lost world knows it is not good to be SLOTHFUL IN BUSINESS if you want a raise, recognition, promotion, etc. It's got to be more because even the lost world does this. And Christians think you ought to do an honest days work for an honest days pay.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; SERVING THE LORD (cont'd): The motivation behind it all. Nutshell: When we are diligently engaged in the work that we do for a living and we are fervently putting godliness on display, that is, in this instance, how we serve the Lord. How you labor with Him. Look at whatever you do for a living as serving the Lord. View all the work we do as service to our Lord and our God in that job. If we see business the way our heavenly Father sees business, then it prepares for the work that we're going to be doing with Him throughout THE AGES TO COME.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; Final Commentary: Putting godliness on display is your attitude toward your work and your enthusiasm in doing it. It's not starting a prayer meeting or reading the Bible to people. We are to regard ourselves as servants of the Lord in connection with even our worldly employment and work. The proper discharge of our duties in the various employments of life should be seen as service to God Himself. If you own the business - If I am the boss: - I will view my position as one of helping and developing my employees (need to hire wisely but once you hire them you have an obligation to them) - I view this business as though it belongs to the Lord (will run according to the principles I get from Him) - I will give my business to God (tell Him this) - I will operate the business unto God's glory - If you own the business, you ought to give it to God **God's BUSINESS here is**: - **With the lost and getting them to receive Jesus Christ as their Savior, that word of reconciliation**. That is what He cares about. His great Love for them looks at their biggest need and more important than anything else in their life, they need salvation and their great need is His Business with them. That is more important than getting another dollar per hour or getting a newer car. - **With the saints and getting them edified/edification (Sonship)**. He wants them to think like Him, to live like Him, and to labor with Him. This is His Business because this is what He created us to do. When the lost get saved, they move to the saints category, but God is not through with them.

Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; GH: MM hates the phrase 'It's not personal, it's just business'. MM says business is personal. The world is only after 1 more dollar. Making money shouldn't be the only reason we do what we do. We have to go beyond that. If you do not own the business you work for: - I will submit to my boss/bosses (as unto the Lord) - I view my boss as the Lord's servant to help me sharpen my Sonship skills (of diligence/patience/endurance/kindness/selflessness/etc.) as well as my job skills - I will conduct myself as an adopted son (or daughter) in every part of my life - I view my work as though I am working for the Lord Motivational/Business speakers say you are working for yourself, but they have a worldly view of business, not godly. Their motivations are carnal and temporal, not spiritual and eternal. The Bible says that you do it unto the Lord. For speakers, it is all about the dollar. For God, it is all about the people. The normal way we do business today will not allow you to work in your Father's Business at all. So we have to change our outlook on this or all of that is going to get burned up at the JSoC. Living for yourself and not thinking of others is going to come up empty at the JSoC. From have to do this to get to do this. Not dependent on your boss or your job, dependent on your inner man. Godliness doesn't care what your job is, it just wants to be manifested.
Romans 12:11	Paul deals with our attitude toward business (your work life) - 3 phases	11 Not slothful in business; fervent in spirit; serving the Lord; Everything in life: - is an opportunity to serve the Lord - to put the life of Christ on display - to manifest godliness - to live out of the doctrine - to impact men and angels - to make manifest the power of God's grace to transform us - conform us to the image of His Son Putting godliness on display is one of the reasons we work in the business world.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; **See 'Mechanical Means : Enduring Tribulations' in the Commentary**. The secret to dealing with TRIBULATION is HOPE. **See 'Bare Bones Lite : The Life of Christ & the wheel diagram' in the Commentary.** Godly Wisdom - Our attitude toward tribulations - Has 3 components that are going to be very important to us. Can be either SOPT or SoC. MM thinks this is primarily the physical things that are happening to our body based on the way it is presented here. There is the category of TRIBULATION that you will encounter from the POE that is made to make you quit your Sonship life. It's the mildest of the categories of sufferings. Doesn't mean you will say, this is nothing. It will be an attack on par with where you are at. It will be all that you can handle. See how these are connected: HOPE->TRIBULATION->INSTANT IN PRAYER -- We are REJOICing IN HOPE so we can be PATIENT IN TRIBULATION. Doctrine introduced back in Romans 5:3. Building on top of Romans 5. A foundation was laid in Romans 5 for something that is now being said to us in Romans 12. REJOICE IN HOPE OF THE GLORY-Romans 5:2 (noun-the “glory of God” refers to the full honor and magnificence of our completed redemption) OF GOD GLORY-Romans 5:3 (verb-means “to exult with triumph, rejoice proudly.” It is talking about our attitude toward tribulations, which reminds us of being “more than conquerors=Romans 8:37.”) IN TRIBULATIONS GLORY OF GOD: The prospect of the fulness of God's glory in us. GH: MM tying to CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; 1. We can glory in tribulations because we realize what is being produced in us as we go through them properly. And what does it mean to "glory" in them? It means to rejoice with triumph. Instead of being discouraged by tribulations, we see them as opportunities. TRIBULATION WORKETH PATIENCE-Romans 5:3 This is in the middle of a sentence that has been going for 2 verses and will go another verse. - REJOICING IN HOPE - Romans 8:23 (glorified body) - MM believes this is talking about our godly response to the physical infirmities that we encounter in our life with regard to our physical body. Our HOPE that the doctrine is going to help us in our inner man and keep us from being overwhelmed by our tribulations. - PATIENT IN TRIBULATION - Romans 8:18 - why we can be PATIENT IN TRIBULATION and what that does for us - CONTINUING INSTANT IN PRAYER - Romans 8:26-27 MM thinks Paul is taking what he gave us in Romans 8 and now enlarging that. MM says the issue of how God dealt with Israel in TIMES PAST needs to be clear for us where He intervened in the physical circumstances of their life'.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; What godly people should do when they suffer. REJOICING IN HOPE: Ties to Romans 5:2. It is taking us back to what we learned in Romans 8; that we have a hope that produces a patience in our inner man, as we endure the various sufferings of our mortal bodies. We do not rejoice because we think God will minimize the pain, or because God promises our pain will be less tomorrow. Quite the contrary, our situation may be worse tomorrow, but we are still called to rejoice. Reasons we can REJOICE IN HOPE - not because we think God will minimize the pain or take it away - no guarantee that our pain will be less tomorrow than today. We can rejoice because there are some things we know: - We rejoice because we know God is not punishing us - we take for granted because we have known this for so long but Christianity is filled with people who don't know this - We rejoice because we know that one day, we will get a new body; a redeemed, glorified body - a cause for rejoicing - Paul says the suffering is little and the time is brief when we think it is severe and long - We rejoice because we know what is happening in our inner man (Christ is being formed in our inner man) as we respond properly to those outward man sufferings; Christ is being formed in us, something is happening in our inner man The admonition to “rejoice” doesn't mean that you no longer feel any sadness.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; REJOICING IN HOPE (cont'd): Introduced to a HOPE in REJOICE IN HOPE OF THE GLORY OF GOD-Romans 5:2 that had to do with our justification. In Romans 8, we rejoice in HOPE of a glorified body, that one day this body is going to get redeemed but not only that but the Spirit helps our infirmities. The things that we go through in our suffering by doing a work in our inner man, by the effectual working of the word IN us. Now we have a HOPE of a more immediate nature, a more immediate HOPE: The HOPE that the doctrine will equip us and build us up so that we benefit from our sufferings - we'll be MORE THAN CONQUERORS-Romans 8:37, we'll actually benefit from those. That HOPE should cause us to REJOICE. In other words, REJOICING IN HOPE isn't just, one day I'm going to get that glorified body, but REJOICING IN HOPE that as you go through the doctrine it is actually going to create something beneficial for me in the midst of the worst things that happen to me - that is a HOPE. This will translate into a present reality for you as soon as you get this doctrine.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; REJOICE: To feel or show great joy. MM tying to Romans 5:2. Root word is JOY. As you rehearse that HOPE over and over, you are REJOICing. That original JOY is coming back again. REJOICE is not a thinking. It is two things and the closest it comes to thinking is a feeling. RE-: Repeating - doing it again and again. Charles Smith: Rejoice - That which is lively and pleasurable, but may be comparatively calm. It is possible to rejoice inwardly. We rejoice at the possession or accession of that which is good. -- MM says it is a feeling or show of JOY over something good that has happened. Biblical HOPE: Is not wishful thinking about something, but rather it is a confident expectation regarding something God has promised - a sure and certain good; the expectation of something which we do not yet possess. When it comes to handling tribulations, these are the two things which provide hope to get us through the suffering. For an educated son or daughter, these are the two greatest resources for allowing us to patiently endure our tribulations.The confident expectation of God's Promise'. 1. The fullness of Christ (Life of Christ = Mystery of Godliness = Christ IN You) IN us (now)/our inner man, and 2. our glorified body (future) redeemed at the Blessed Hope. Are the two things which provide hope to get us through the suffering. These allow you to be PATIENT IN TRIBULATION. Hoping that your friend gets saved or that you can be edified are certainly in the Will of God, but they are not issues we HOPE for. They are things we work toward, not things we HOPE for. If you hope your friend gets saved, you talk to them about the gospel. Or if you hope to be edified, you work at it.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; HOPE: Not wishful thinking, like I hope we get rain this week. Something sure that you are latching onto and counting on. If there is a hope, that would automatically imply that there's something that needs fixing needs to take place. EX Your fleshly unredeemed body with sin in its members suffering under the BONDAGE OF CORRUPTION (gets sick/hurt/old) needs to get replaced with your glorified/redeemed body, which is the HOPE. You are not wishing about this, God has actually told you that He will do something. That HOPE is supposed to produce a REJOICE-ing attitude. If you don't have a HOPE, it will be very difficult to be PATIENT IN TRIBULATION. Getting a stuff upper lip or toughing it out won't cut it. Your Father is offering the Power of His Grace to be at work IN your inner man and that HOPE is supposed to provude something IN you that allows you to be PATIENT IN TRIBULATION. If you don't understand how this works, you will come to one of two erroneous conclusions: 1. There's something wrong with this doctrine, it doesn't work 2. There's something wrong with yourself Both of these are wrong. This doctrine can work in everyone of us and there is nothing wrong with the doctrine. The real problem comes from 1 of 2 other areas: 1. You don't really understand how this works. MM says we can fix this one. 2. (why you can't preach this in every church) You don't like this doctrine, you prefer the thing you used to understand. MM says that's kind of your deal and he can't fix that one.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; PATIENT IN TRIBULATION: Reminding you of the patient endurance doctrine in Romans 8. It means to bear up under the trouble without complaint or protest. And the secret to dealing with tribulations is hope. Not just verbally but it is actually that way in our heart. And the secret to dealing with tribulations is hope. TRIBULATION: Instead of being discouraged by tribulations, we should see them as opportunities. MM points to WE GLORY IN TRIBULATIONS ALSO-Romans 5:3 and says it is in the exact order. Today, there are many ways to suffer; physically, emotionally, mentally, etc. Suffering can be the result of living in a fallen world or the satanic policy of evil. The tribulation that most pertains to v12 are physical tribulations that pertain to our body. As soon as you see yourself wallowing in self-pity for some situation you are going through, and we recall we are supposed to be PATIENT IN TRIBULATION, we have a decision to make. Will we have a godly response to our TRIBULATION or will we favor our flesh instead? If you choose the flesh, you are telling God no. And that is no little thing. Even if you don't mean it, that's what you are doing. We exhibit patience, not by biting our lip and toughing it out and hoping we can hold out until it passes, but by changing our attitude about the tribulation we are going through.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; PATIENT IN TRIBULATION: **Mechanical means of enduring tribulations** - The mechanics of how we interact with the doctrine so we can rejoice like Paul and be PATIENT IN TRIBULATION. There is a process we can employ to engage and respond properly to God's word whereby we can be PATIENT IN TRIBULATION. Apply at the first sign of things. Better to learn now than learn when you are going through something: Step 1: Identify and Understand the Relevant Scriptures (These are verses MM used during his February 2017 stroke. Not a complaint, just use it as an example. MM had to work on both the physical and the spiritual at the same time.). You need to know and understand how the scripture applies to your situation in order for it to effectually work IN you. Promises: Romans 8:17, 18, 23, 26, 28, 32, 35; 2 Corinthians 4:16-18, 12:9; Philippians 4:6; 2 Thessalonians 1:4 - ones MM used. Could and should add to these. Most from Romans and you have seen already. Step 2: Identify the Problem/Identify your tribulation - lost a spouse, lost a job, bad boss, injury or disease, suffering some kind of persecution. Most of these can be handled in the energy of our flesh. But don't do that because you are creating a habit to default to your flesh to handle things. Learn the godly response in the little things so it will be easier to implement when the catastrophe comes along.

Step 3: List the Spiritual Benefits of your tribulation: List as many benefits of your particular issue as you can think of. Knowing that God didn't put it on us and we are going to do everything we can - if we are sick, to get well. If we are injured, to recover. Take a piece of paper and write on the top a title of what the issue is. EX 'The spirtual, Inner man benefits of my stroke'. Some of MM's examples below: - I have no promises from You on my outer man other than the redemption of my body at the Blessed Hope. - My godly reponse is to be patient because something greater and eternal is being accomplished in the midst of my tribulation. - Impatience, anxiety, and depression are indicators that I do not have Christ in me to the extent I need Him, should have Him, or want Him. Nerves are the slowest recovery thing in the body. Shows that you are not experiencing all the peace and the patience and the endurance that you are supposed to. Tells you that you have work to do.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; - Christ (being formed) in me is the most important thing, both now and in eternity/THE AGES TO COME. What else would I focus on? - These things are working for my good by producing the character of God's Son in me. - This is an opportunity to put the power of God's grace on display to men and to angels. To manifest that God's grace is sufficient to keep me from being victimized by my circumstances. - By going through this exercise, I'm doing exactly what my apostle Paul exhorted me to do in Romans 12:12. - Responding properly to my sufferings equips me to help those that I love when they go through sufferings. - My infirmities make me more reliant on the Lord and His word working in me than what my flesh can accomplish. - My weakness is an opportunity to have the power of Christ rest upon me just like Paul did. - There is an inheritance attached to my proper response to my situation. - Can be more than a conqueror regardless of whether I get better or not. - God says that this also will work to my good because it is working to conform me to the image of God's Son. - Through the doctrine in God's word I can be more than a conqueror no matter what does or does not improve in my body. These make the shift from finding an answer to realizing the benefit. Takes some familiarity with the doctrine to recognize that. In the beginning, this is an uncommon, unwieldy practice. MM says he found himself saying things like 'help me have Christ formed in me'. But He has already done everything that He needs to do. There's nothing left for Him to do on His side of the equation. It's up to us to respond to the doctrine given to me, the power that is resident in that word to transform my thinking and transform my life so I don't think about it the same way anymore. Certainly don't have conduct and behavior that way anymore. He has already done His part. Your Father wants you to ask it right but He understands where you are at and is not expecting more than that.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; Group lists benefits - MM says you could pick any 2 and talk 10 minutes to your heavenly Father about them. You are just talking. Don't beat yourself up about not getting it right. Give yourself some slack and realize you won't get every word right in the beginning. It's a process and you get better by going through the process.: - Activates the Sonship process - To know the love of Christ - MM says He is not going to leave you to go through that alone. In the DOGG, God is not doing the outward thing, He is doing the inward thing. - We get to SUFFER WITH HIM-Romans 8:17 (a privilege - to be counted worthy to SUFFER WITH HIM: joint-heirs by responding properly to the doctrine) - Prove the will of God - Promise that one day this body will be redeemed - Magnify the Life of God in us - Glorify God - Conforms us to the image of His Son - We can do all things through Christ who strengthens us - An opportunity to experience God's peace which passes all understanding

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; Step 4: Engage with your List/ 'Pray'(Romans 12:12c): It gets your mind involved on a conscious level and puts the focus on your inner man. You are going to talk to God, you are going to ask Him questions. You are going to make requests. You are going to think about what it is His answer. Need to verbalize your conversation with Him, the things that are answers are coming into your mind. Take these verses and sit down with your heavenly Father and talk to Him about the things happening in your life and the things He wants to do in your inner man and then responding to those verses. - In order for you to have that kind of benefit you must engage in the process you created. When you first become aware of the tribulation, you will find yourself asking, OK Father, how am I going to handle this? Not really saying how do I do it, saying, how do I put things in place that I know that I'm supposed to do. Learning to do things isn't as fun as when you finally get the skill down. EX bike riding. Will be uncomfortable until you get comfortable with it. But once you get this process down, it will be an amazing process for the rest of your Sonship life. Sonship prayer activates the doctrine in your mind. What prayer is designed to do. It gets your thinking lined up with God's thinking. It turns your focus from the outward circumstances to your inner man. Step 5: Compare your list with the doctrine: Want to make sure the verses you have identified and what you think about them don't actually contradict with the doctrine. Just making sure that the conclusions you are coming to in prayer with your heavenly Father and the things you are writing down as benefits of you suffering this tribulation are not contradicting the doctrine. Step 6: Engage in the process each morning - talk to your Heavenly Father about the list (Step 4-Pray) about the inner man benefits of going through this. First thing in the morning, Can add to the list as you learn more. - Look at this list of verses and list of benefits every single morning as one of the first things you do. This is important because it gets your conscious mind engaging with the doctrine. Step 7: Engage in the process at night, the last thing at night (It puts things into your subconscious mind, which will go to work with the scriptures in your spirit.)

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; Step 8: Put a pencil and paper on your night stand - wake up and things come into your mind. Step 9: Determine to follow the process for 14 days - every day and night without fail. Step 10: Determine how long to Engage -> Evaluate; and stop or continue for 14 more days. 1. Keep you from being overwhelmed by the problem 2. Find comfort in the midst of that problem. 3. Be transformed by the doctrine as the life of Christ continues to be produced in your inner man. Doctrine doesn't mean that you will get a better diagnosis, doesn't mean that the trouble will be removed, doesn't mean there will be a turnaround in your circumstances, doesn't mean the pain will stop, doesn't mean it will work out the way you want it. It does mean THE POWER OF CHRIST will allow you to look at it the proper way. Step 11: Expect the Right Results - What should we expect from engaging in this exercise? - That we will not be overwhelmed by our problem - That we will find comfort in the scripture - That we are being transformed by the doctrine working IN us

Need to practice this process for the SOPT to prepare for the SoC. MM says this is similar to self-help processes. The difference is what you are focusing on. It's not a light switch, it is a process. EX Inner man benefits of 'losing my job'. - More time to read the doctrine - Opportunity to develop patience - Opportunity to spend time in Sonship Prayer - Romans 8:28 - In the midst of something bad happen, something good can happen in your inner man. - Be conformed to the image of God's Son - Display a godly attitude to men and angels

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; PATIENT IN TRIBULATION (cont'd): When the doctrine is working IN us we will be able to be PATIENT IN TRIBULATION because we'll understand: - God's grace is truly sufficient - We're in the process of being conformed to the image of God's Son - an ultimate goal for us, in those things something is being done in us - There's a glory that is being produced IN us by the effectual working of the word When we now understand these 3 things - His grace is sufficient, we're being conformed, and there's a glory being revealed in us - then you can be PATIENT IN TRIBULATION. We are PROVING the WILL OF GOD (GH: which is the word of God). We are making it known, we're making what is written in that word is actually being put on display in our life. That will make you PATIENT IN TRIBULATION. It's not: - I'm tough and just going to tough it out - I'm English and have a stiff upper lip If you are going to GLORY IN TRIBULATIONS-Romans 5:3, then there is something in going through them you can rejoice about, like the work that God is doing in your inner man in the midst of those tribulations. He is conforming you to the image of His Son. Paul is not just giving us a motivational speech to accomplish in the energy of our flesh.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; PATIENT IN TRIBULATION (cont'd): The reason we can be PATIENT IN TRIBULATION is because while we are in that tribulations, these things are happening to us. - We are presenting our BODIES A LIVING SACRFICE-Romans 12:1 - we are allowing these things to happen to our body in exchange for something better. These better things are now happening to us, like being conformed to the image of God's Son when you respond properly to that doctrine. - We are PROVing His WILL. - We are putting on display, we're having an impact in the heavenly places on principalities and powers while we are going through that tribuatlion. They aren't impacted much when everything is rosy. It's during the infirmities and the sufferings and the tribulations and the persecutions are the times you are being conformed, those are the times that a glory is being revealed in you. Not a future glory but the display of that word working IN you and producing not a whining or why is this happening to me, it's producing a patience because you know something good is happening. You know these things that God is wanting to accomplish in you are being accomplished at this time. When it is happening, you can be patient with that.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; CONTINUING INSTANT IN PRAYER: Praying all through the day about things as they occur in real-time. Happening in real-time all throughout our day. MM thinks this is more of an exhortation than a command if you look at the context of the passage (v9-15). You are in the education. These are instructions in godly wisdom. Continuing instant in prayer is like an ongoing conversation we are having with our heavenly Father while daily prayer is more like an occasional phone call. As we continue instant in prayer in the midst of our everyday lives, it is as though our heavenly Father is with us in the midst of everything that is happening. Look at the “without ceasing” aspect of Paul’s prayers. Talk to God, ask Him questions, think of the answers in scripture, read the verses you assembled and think about them. This is a process that you will learn to employ at a moment’s notice; one which you will learn to do instantly! As you do this, the prayer part will begin to activate the doctrine in your own mind by getting your thinking to line up with God’s thinking. This turns our focus away from the outer man and cause us to focus on the eternal, inner man issues.

Romans 12:12	Paul deals with our attitude toward handling physical tribulations / Prayer Aspect : Without Ceasing = INSTANT IN PRAYER / Suffering = PATIENT IN TRIBULATION	12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; Caution: At first, don't get so bogged down in things you actually stop functioning. INSTANT IN PRAYER: Means you can do this anytime. Will be talking to Him all the time. Not just,"OK God, I am getting in my car now". Sometimes shorter and sometimes longer. OED: CONTINUEing: 1) persist in an activity; (1n.) to remain in constant operation. OED: INSTANT: 1) happening immediately Putting the two together, we have an exhortation to persist in prayer that happens immediately; in an “instant!” Prayer that is put off until our “prayer time” or “quiet time” is not instant nor is it constantly in operation. We may pray from time to time, but we are not persisting in prayer. OED: Persist: 1) to continue firmly in a course of action in spite of difficulty or opposition.
Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. Even though the two phrases in this verse are technically talking about different things, they are connected in the sense of our willingness to give when we see a need. Even the world knows about giving to necessity and being hospitable. If godly selfless love is operating in us, if we are preferring each other in honor, if we are kindly affectioned one to another, then we will be on the lookout for necessities and we will meet those needs and we will do so willingly, lovingly, and not out of necessity. DISTRIBUTING TO THE NECESSITY OF SAINTS: Godly charity should drive our distributing to the necessity of the saints. If we are going to be KINDLY AFFECTIONED ONE TO ANOTHER IN HONOR, be on the lookout for necessities and meet those needs, to be hospitable. We're going to do it willingly and lovingly and not out of necessity. Because of the distributing of this verse, MM says it seems like the emphasis is on the saints in the local assembly. Has to do with saints who are either poor or have temporarily become unable to provide for themselves in some way in the very basic things of food and clothing and shelter. It is certainly a godly thing to think about the basic comforts or well-being of life for people and to meet those. People don't have to be homeless and starving to death before we think we can meet their needs or be hospitable. Let's don't put a limit on that and relegate to the very worst. Someone doesn't have to be in that shape for someone to help them. The whole thing behind this is godly charity. Don't have to move to a desolate area to do this.

Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. EX Mr. Murphy bringing groceries to MM when he was an unpaid pastor. Noble, human kindness is out of our flesh. Don't take this as a motivational speech to try harder in your flesh. Have to think about on purpose to make sure we do it for the godly reason we should. DISTRIBUTING: The emphasis here is on saints within our local assembly and the distributing becomes not only the job of individuals and families, but of the assembly as a whole, to the extent it is able. This does not mean that we do not care about nor meet the necessity of saints outside of our assembly. We should care about all saints in the body of Christ. It may not be within our power to help everyone, everywhere, but we should have a heart for our fellow saints and do what we can. To a great degree, this has to do with saints who either are poor, or who have temporarily become unable to provide for the necessities of life; food, clothing, shelter, etc. Should be driving our distributing to the necessity of the saints; godly charity. * May our love for our fellow saints move us to meet their need. * May their value to our assembly be evident in our words and charitable actions toward them. * May our love be without dissimulation. * May our selfless lovingkindness be evident in our care for each other.
Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. GIVEN TO HOSPITALITY: No restriction in this verse that says this is to saints only. HOSPITALITY: The word “hospitality” is only used in the A.V./your Bible four times, and Paul uses it three of the four times; once to the saints (here in Rm. 12:13) and twice to pastors (1 Timothly 3:2; Titus 1:7-8). The other use of the word is used by Peter to the members of the little flock. And what he writes to them sounds very much like what our apostle has written to us. When it comes to the word “hospitality” you should know that the Greek NT word for hospitality means “love of strangers (someone you don't know).” And this includes those people we just do not know. It means there should be something working in us that is willing to demonstrate hospitality to anyone, at any time. Do not overlook the power of hospitality. It, like every Christian virtue has the power to change lives. When we choose to be hospitable for godly reasons, we are employing a very powerful tool for both aspects of the work of the ministry. There is no restriction in the verse that applies this to saints only. MM thinks this goes beyond merely inviting guests into our home, although it certainly includes that mostly. But how about inviting them into our assembly? MM has seen churches ban people simply because they were not of the right income or social standing. There is godly purpose behind our hospitality. Easy to be hospitable to family. May be nervious at first but you will get the hang of it. OED: Hospitality - the friendly and generous reception of guests or visitors

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. HOSPITALITY: Think of inviting people into your homes but it is not limited to that. Can go beyond that. There are a multitude of ways to V&E others. In the old days to show HOSPITALITY you would bring them into your homes and feed them. In heraldry, the boar's head was sometimes used as a symbol of hospitality, often seen as representing the host's willingness to feed guests as well and make them feel well. God is not necessarily asking us to turn our homes into a BNB. MM and Billie did this all the time to put them up and answer their questions on Sonship and talk to them about the Sonship doctrine. That was the desire behind that. Easy for them because they wanted to talk about Sonship. Rick Davis: Everybody seems normal until you get to know them. HOSPITALITY has power to it. It's not to feel good about yourself. STORY: Rosario Butterfield. Can use HOSPITALITY to get the message of RIGHT DIVISION or Sonship to someone. Can demonstrate hospitality even when you're not at home and when we do it for godly reasons and these verses are echoing in your heart and in your mind and now that is motivating you to reach out with hospitality to people that becomes a very powerful tool. Not just for evangelism but also for edification. One of the ways you know if the doctrine is actually working in you is when you have a desire to be hospitable. MM says we need to find ways to work this out of our Sonship lives and to be hospitable. When you can use hospitality to pull someone away privately and meet a need in their life and it's not so public that it becomes an embarassment or uncomfortable or makes them ashamed because what's happening with them. Hospitality gives you the ability to meet that need in a very private and loving way. Don't need to make a big deal about it and humilate them. This needs to be part of our Sonship life and needs to be employed in your Sonship life. Paul is not saying you have too much spaghetti why don't you invite someone over to eat that. No - there's a purpose beyond that. There's a purpose beyond this even if it is the strengthening of the bonds within the local assembly, the knitting together of the body, these are the things that hospitality can accomplish.
Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. For MM and Billie, HOSPITALITY was easy: - we wanted to get the message of Sonship out - we wanted to talk about the doctrine and answer questions - we wanted to make friendships with other sons and daughters Hospitality has a godly purpose. It, like every Christian virtue, has the power to change lives. Do not overlook the power of hospitality. It, like every Christian virtue has the power to change lives. - get the gospel to someone - get the message of Right Division or Sonship to another believer - build or deepen the relationship with someone else in our assembly - knitting us together so we become part of a whole

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:13	Paul deals with our attitude toward giving when we see a need - 2 phases	13 Distributing to the necessity of saints; given to hospitality. People do not have to spend the night with you in order to exhibit hospitality toward them. Hospitality can take place in a single meal or a brief visit. You can even exhibit hospitality away from your home. No wonder that hospitality is among the qualifications for a bishop (1 Timothy 3:2; Titus 1:7). It is one thing to be hospitable when a sudden occasion arises, but it is quite another to plan to be hospitable for the achieving of some godly purpose. When we are hospitable for godly reasons, we are employing a very powerful tool for both aspects of the work of the ministry: - Evangelism - Edification - Share knowledge - V&E (in honor, preferring one another) - could do it in person, over the phone, in a card - honor what they are doing as part of this assembly/body - we take notice of it and we extol that virtue they are exhibiting as part of the body. - display LOVINGKINDNESS
Romans 12:14-21		Paul tells you how to deal with the people who intend evil for you in all kinds of contexts. v14: PERSECUTE YOU v15: WEEP: People WEEP because there's something bad that has happened to them. v17: EVIL FOR EVIL v19: AVENGE NOT YOURSELVES, BUT RATHER GIVE PLACE UNTO WRATH v20: THINE ENEMY v21: EVIL

Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. There is something that we are supposed to say (bless) when we are persecuted and there is something we are not supposed to say (curse not). For a lost person who persecutes us, our aim is to get them the gospel so they can be saved. The "good things" which come out of our mouth would be the word of reconciliation; the good news of the gospel of Christ. The way we "bless" lost people who persecute us is by viewing them as someone our Father wants to save and speaking to them in connection with that. It means we will not be saying those things of vengeance and return insult. We want them to be saved. The context here is talking about what we say when we are persecuted. Has to do with what we say to our persecutors that allows us to communicate the gospel or the truth of the mystery. **Taught how to LOVE your enemy**. How in the world am I going to treat my enemy? What am I supposed to do to deal with that? **Nutshell: Don't say those things that are injurious but say those things that are beneficial**. Paul deals with our attitude toward our enemies. Might naturally assume that we are talking about lost people, but Christians have many times persecuted fellow Christians, even to the point of putting them to death. The "bless" and "curse" has to do with what we say to our persecutors that allows us to do our Father's Business; to carry out the work of the ministry in the midst of every situation. We don't just witness to the people who are nice to us, and we do not publish the knowledge of the truth only with saints who are friendly toward us. We do it even with those who do not like us, who persecute us and despise us. The only way to accomplish the work of the ministry with people is by keeping the door of communication open as much as possible. When we are persecuted (intending to bring harm on you in some way), now we are instructed to BLESS THEM THAT PERSECUTE YOU. Not normally done, normally we would want to get even. Being introduced to this concept of NOT responding to them the way they have responded to you. Should view it as a privilege to be persecuted for Sonship. GH: Similar to Luke 6:28. Our response to those who persecute us is the same in both programs. MM says this verse is setting you up for JUSTICE starting in Romans 12:17 - he's going to take this issue and expand upon it. It's kind of a segway to move us into the next section. Here Paul isn't explaining WHY this issue is so important, he is just declaring it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. BLESS THEM WHICH PERSECUTE YOU: Instruction if we suffer some kind of persecution. Persecution involves an attitude of hostility with intent to produce some kind of harm or pain. If we can “bless” those who persecute, it will allow us to do our Father’s Business; to carry out the work of the ministry. Persecution for being a believer in Jesus still takes place in this world. Persecution takes many forms. The persecution may be mental in nature; attacks against our faith by argument or criticism. This is mostly carried out by individuals who are opposed to Christianity. The persecution pertains to any type of persecution. God asking us to “bless” those who persecute us. GH: MM teaching Paul's endurance or his love for others. MM says the only way we can do this is for those components of godly love to actually be working in us. Otherwise, you will do it but say 'I guess I'm going to have to talk to them about this but Lord knows they don't deserve it'.Because we are His ambassadors and our actions ought to be in line with what He is doing in this world. We are no longer looking at persecution the way we would have before; we are now looking at persecution in light of the work of the ministry. Persecution is like any other suffering; if we can avoid it, then we should. Not just pacifying them, trying to do something that is beneficial for them. Because, maybe through that: - they would end up getting saved - they are are saved, but end up being edified OED: Persecute - To pursue with malignancy or enmity and injurious action; especially to oppress with pains and penalties for the holding of a belief or opinion held to be injurious or heretical. MM says that this 'belief' that you have that causes this is this doctrine of Sonship. You can suffer from just having faith in Christ and in some parts of the world, that is still going on today. MM doesn't believe we are suffering that but the adversary will send people our way who will persecute and they're going to do that based on what we believe about Sonship. The natural response when someone is persecuting you is to say all bad things about them. When persecution comes, we are supposed to have 'patient endurance'. And God is offering the goodness of His grace so that they might change their mind.
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. BLESS, AND CURSE NOT BLESS: To speak well of someone or say good things about them. EX Sons in the O.T. asking their father to give them their blessing. Bless generally means the opposite of curse and it's various uses, therefore it would mean to speak well of someone. Blessing them does NOT mean that you are going out of your way to be a door mat and allow people to persecute you. You should not remain in that state any more than is out of your control. Bless (OED): To speak well of and wish well to (MM says in the context this doesn't mean 'I wish you well in persecuting me') Curse (OED): An utterance intended to consign a person or thing to spiritual and temporal evil, the vengeance of God, [or to a] malignant fate. (MM says they are saying I hope something bad happens to you, I hope God has vengence on you, or I hope you have a bad end.) OED: Curse - to utter against (persons or things) words with consign, or are intended or supposed to consign them to evil spiritual or temporal in nature. Charles Smith: An innovation of evil upon another.

Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. PERSECUTE: Just because things don't go the way you want doesn't mean you are being persecuted. Doesn't mean you got that promotion. Persecution is something that is directed AT you personally and MM believes this is a reference to something that we can anticipate from the adversary. From time-to-time, different individuals in this assembly are going to be pointed out or highlighted by the adversary and they're going to suffer persecution. It doesn't mean the whole assembly will suffer that same persecution. He will carry that out through people. Some will do his work unknowingly and Paul talks about another group who are knowingly going to participate with the adversary to our detriment.
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. Persecution can be a physical persecution carried out against Christians by individuals, rival religions or governments. EX churches not allowed to assemble; no public expression of teaching or preaching, and the controlling of every message and writing. Talk to you about persecution that will put you in that frame of mind. When you are persecuted, this doesn't come up in your mind. Persecution comes in all sorts of forms. - Political persecution which involves things like Arrest/Imprisonment (if not on board with the political establishment) and Assassination/Martyrdom. Marxism: In communist countries like Cuba, China, Vietnam, Laos, and North Korea, Christians are targeted because they vest their faith in the Lord and not the Marxist regimes. - Religious persecution which involves things like restrictions on churches (telling you when you can meet, how long you can meet, how many can meet), forced conversions (Christianity even did this during the crusades), & arrest/imprisonment. Reason why MM doesn't talk or preach about government. Churches veer off and do this because they aren't doing edification to begin with. If someone violates the law, covered in godly Justice.

Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. Islam: Islam is very intolerant toward other faiths. This ranges from job discrimination to the abduction, rape, and forced conversion of Christian women. Persecution is most violent in these countries and often includes the imprisonment and murder of Christians. - Gender and age persecution which involves things like crimes against women(forced prostitution/education restrictions), kidnapping children for sale, men stealing for workforce. - Cultural persecution which involves things like racial discrimination, job discrimination, denial of rights that should be available to everybody, and attacks on life and property - Christian persecution also occurs as a result of social and cultural discrimination. Human beings in general are afraid and intolerant of that which is different from them. Christians are discriminated against, denied employment, physically attacked, and sometimes even murdered. This kind of persecution is most often carried out by governments. Now let's move to the severe side. Every day, somewhere in the world, people are being killed simply because they are Christians. MM says the most dangerous place in the world for Christians is Nigeria where our satellite office is with Princeton Waters. Reads a letter from Princeton. Persecution is going on in the world but we don't see it.
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. If we are being persecuted, Paul is not asking us to compliment them in some way. We are not "wishing them luck" in their persecution attempts. The "bless" aspect has to do with our ministry toward them. We should bless those that persecute you because we are His ambassadors and our actions ought to be in line with what He is doing in this world. We are no longer looking at persecution the way we would have before; we are now looking at persecution in light of the work of the ministry. - For a lost person who persecutes us, our aim is to get them the gospel so they can be saved. The "good things" which come out of our mouth would be the word of reconciliation; the good news of the gospel of Christ. The way we "bless" lost people who persecute us is by viewing them as someone our Father wants to save and speaking to them in connection with that. It means we will not be saying those things of vengeance and return insult. We want them to be saved. - For a fellow saint who persecutes us, our aim is for them to come to the knowledge of the truth. That is the "bless" part of the verse for them. Let it not be our pride, our anger, or our vengeful attitude that keeps anyone from being saved or from coming to the knowledge of the truth. If our persecutor is going to remain lost, if he, being saved, is going to continue to reject the truth, then let it be on him and not on us.

Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. PERSECUTE: This persecution pertains to any type of persecution. Persecution for being a believer in Jesus still takes place in this world. It can run from mild to severe. The mildest form might be what we experience here in America. An occasional slight or someone making fun of something about our faith. Persecution takes many forms. The persecution may be mental in nature; attacks against our faith by argument or criticism. This is mostly carried out by individuals who are opposed to Christianity. Just because someone disagrees with something we believe does not automatically make it persecution. Persecution involves an attitude of hostility with an intent to produce some kind of harm or pain. Persecution is like any other suffering; if we can avoid it, then we should. God is not asking us to find ways to be persecuted. Not just from lost people. Many times, Christians have persecuted other Christians. AND CURSE NOT CURSE
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. Tough one - not our knee-jerk reaction to getting persecuted. By and large, we aren't persecuted much in America. MM wants to present this doctrine to get it working in you before significant persecution takes place and makes it twice as hard. You may think why do you need this but if you continue as sons, you will experience the sufferings of Christ with increasing measures of persecution. So this doctrine needs to be in us and working in us and we need to be thinking about it and praying about it and talking about it. You may think this one seems to be academic but we need to take these edification steps before we actually encounter anything significant. Persecution for being a believer in Jesus does take place in this work but there's a general POE at work in the world that does not like righteousness, the gospel, holiness, and those types of things. Can range from very mild to very severe. Not bad in the US, like someone is poking fun at your faith. EX A comedian making fun of Christians. MM doesn't consider this persecution because it is not directed to him individually. Can move from the mental aspects - mentally and emotionally - to the physical aspects. This is what we largely think of, like Christians in the Coliseum and wild beasts were unleashed on them or they were burned at the stake. Just because someone disagrees with you about something in the Bible doesn't mean that you are automatically being persecuted.

Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. Not saying that guy has really nice hair. Talking about dealing with them and talking about them in ways that open up ministry so that if they are lost we have an opportunity to bring them to Christ and if they are saved it opens up avenues to get them the mystery. Our speech is this way, not just being complimentary to someone who is persecuting you. Our aim for people is if they are lost to be saved and if they are saved to be edified. Has to do with what we say to our persecutors that allows us to communicate the gospel or the truth of the mystery. We don't just witness to people who are nice to us. We should even carry the gospel to those who persecute us. We don't just do the work of the ministry with people that we like. It's necessary to do it with those who are enemies. Have to understand what God is doing in this DOGG. He is not interested in punishing everybody, He uses His goodness to turn them around. If we are going to be His ambassadors, this is the message we are going to operate under and if we get persecuted then we're going to say those things which would allow us to have one of the work of the ministry with them, either the gospel of salvation or the truth of the mystery so they know how to function in this DOGG. That has to be the focus. If you say I don't think I can do that, you are right, but there is Someone who can and He wants to live His life in you. Don't think of this as what you are doing in your flesh.
Romans 12:14	Paul deals with our attitude toward enemies - issue of PERSECUTION	14 Bless them which persecute you: bless, and curse not. When they first heard this (Paul's Conversion), they had to be thinking is this true or another plan to ferret out believers and punish them? MM says he doesn't know if they understood the greatness of what God was going to accomplish with the apostle Paul. POINT: The people in the church got persecuted (GH: Acts 8:1, Acts 22:4-5, Acts 26:9-11, 1 Corinthians 15:9, Galatians 1:13). Every verse Paul testifies to the extent of his persecution. It would be easy to say we need to do something to this guy because he is never going to be a Christian. Not only did Paul get saved, he became the apostle to the Gentiles and wrote most of the New Testament. POINT: You never know. Don't burn that bridge, don't close that door, don't stop having an opportunity for ministry when there is someone persecuting you. It's not pleasant, you won't like it, but you're in the perfect spot for ministry. When we are persecuted by a fellow believer, we want them to come to the knowledge of the truth. The more godly you become, GH: the more likely you will cause displeasure amongst other believers. Let's not let our pride or our anger or our hurt or our wish for vengeance stand in the way of a persecutor being saved or coming to the knowledge of the truth. Persecution is like every other suffering, if you can avoid it then you should. MM says that God is not asking us to find ways to be persecuted. There will be times when it is unavoidable and when it does you need to be prepared by having this doctrine working in your inner man.
Romans 12:15-16		Verses tied together/packaged together. There is a connection between them. When we talk about the circumstances of others, we are talking about everyone; those who are lost and those who are saved, about saints who are part of our local assembly and those who are not. There's nothing that indicates this is just for the fellow saints in the local assembly. This is everyone we are going to come into contact with, whether they are lost or saved. May be part of the local assembly, may be part of the body of Christ but go to church somewhere else and have no connection with us as we get edified in these sessions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. **See Jesus/Lazarus commentary in John 11 'Inter-Dispensational : Rejoicing & Weeping'.** MM says this world is full of people, if anything good happens to you, they don't like it. It's not that they don't like you, it's just that they don't rejoice when something good happens to you. Verse is an expression of our unity, our togetherness for our fellow believers (especially those in our own assembly. Rejoicing and weeping together is a mark of real unity, as we are "truly members one of another." It is the litmus test, so to speak, of just how much we truly are MEMBERS ONE OF ANOTHER-Romans 12:5. This is especially important in this day when a whole generation of people are obsessing over self-identification and individualism. When Paul writes this, he knows nothing of isolated, individual Sonship believers. Paul always assumes the fact that every believer is in some way, connected to a local assembly. When godly selflessness and lovingkindness are working in us effectually, they will produce what this verse is describing. For fellow saints, they will produce a real connectedness, which is exactly what members of a body are supposed to have. After all, we are on our way to the heavenly places…together! When we get up there and placed in our positions, we will be working like the members of Christ's body which we are…together. We are not just together "in Christ" but we are meant to be together in function; together in our thinking, our living and our laboring.
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. Rejoicing with them over the GOOD that is in their life needs to be related in some way to the edification. Or intervening because some type of evil that is happening to them because we see their edification being hindered. in some way. Doesn't means that we can't do that in something other than edification but this is what makes this different than some other social organization. There's something eternal that is going on here so this doctrine doesn't devolve into what the world already does. The world has plenty of social organizations so we don't want this to lower down to that. We want to keep the more important inner man issue in view. To this point, there are a number of injunctions from our apostle, which cannot be obeyed unless we are, in some way, connected with a local assembly of believers. We need to interact with each other out of the attributes of godly love and charity. That is true for the folks who show up in this building on Sunday too. We cannot just see each other on Sunday and have no further interaction or thought for one another until the next Sunday. It will be even harder for those on Zoom, as you will have to make a greater effort. Our connection to each other stems from our godly love one for another to the extent that we actually, purposefully, visibly, genuinely, and authentically enter into each other's joy and pain. And not in a superficial way. Notice things that are happening to other people. Who they are will cause you to look at people differently. See these body attributes(GH: Romans 12:4-5) when one member suffers all members suffer, when one is honored all members rejoice. When we talk about the circumstances of others, we are talking about everyone; those who are lost and those who are saved, about saints who are part of our local assembly and those who are not. Depending on which group we are talking about, v15 will have something different in mind, and you should have already discerned that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. REJOICE WITH THEM THAT DO REJOICE REJOICE: Rejoicing with another: - requires some humility (not thinking of ourselves more highly than we ought to think) - necessitates godly lovingkindness which does away with envy or covetousness. When our love is without dissimulation (when it is the genuine article), then our joy for another's occasion for rejoicing is founded in selflessness. When we try to rejoice with them that do rejoice in the energy of our flesh, we find that it is somewhat difficult for us because we feel relegated or lowered in importance. Our flesh feels like we deserve that good thing happening to us. And when that is the case for us, then our rejoicing with them is artificial and not godly.
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. If that happens, then we must return our minds to the doctrine and **discharge this verse with this in mind realize that this is not about us, but it is about:** **- our brothers and sisters with whom we share commonness of purpose in the same body** **- the lost who need to be saved** **- fellow saints who have not yet come to the knowledge of the truth** The rejoicing mechanism is a good indicator of our love for others and the easiest first place is our own local assembly. The unity that ought to characterize every assembly, the unity that is indicated by our weeping and rejoicing, does not mean we pretend there are no differences between us. It does not mean that we are all exactly the same, which is why there are different offices. But in our differences and distinctions there is a unity of purpose. The work of the ministry ties us together to get the gospel to the lost and the truth of the mystery to the saints. The fact that there are differences between us does not mean that we cannot love each other with godly love and charity. The kind of unity that our Father wants to produce in us is found in how we are directed to the mission and the cause of Christ. Authentic unity is demonstrated by our ability to weep and rejoice with one another because our lives in Christ are intertwined by godly interaction with each other; by caring so deeply that we look for ways to honor one another, that we value and esteem one another as necessary to our own function in the body of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. This is not a church without direction or purpose. That means that our unity is found in our purpose: - getting the gospel to the lost - getting the truth of the mystery to the saints so that they are edified unto godliness: - Paul is our apostle - We rightly divide the word - We are living in the DOGG - Who we are IN Christ and how to live out of that new identity - we are together in function in our thinking, living, and laboring. - Being conformed to the image of God's Son so that we can truly labor with our Father in His Business - Preparing ourselves for the work we will do in the heavenly place throughout the AGES TO COME The unity which should characterize this church is founded in our understanding of what God is doing and our desire to labor with Him in accomplishing His eternal purpose; the exaltation of His Son.
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. WEEP WITH THEM THAT WEEP: Paul realized a big group of people were Stoics. In Paul's day, the excuse was stoicism; a very popular Greek philosophy which people practiced. In a nutshell, these people repressed their emotions and were indifferent to pleasure or pain. They believed everything that happens is up to "fate." Stoicism does not weep or rejoice for it finds no value in either and it does not recognize the reality of either. Stoicism says that all emotional responses are wrong and must be resisted. Stoicism says the right way to live life, the way to experience a conquering life, the key to a successful life was to abstain from emotionally engaging in the world around you. Paul wrote this verse in the face of the popularity of Stoicism in that day. Paul is telling us to do the very opposite of stoicism. And MM will tell you that v15 must occur within any assembly that values unity. Rejoicing and weeping together is a mark of real unity, as we are truly "members one of another-v5." We are not just together "IN Christ" but we are meant to be together in function; together in our thinking, our living and our labor. Verse is an expression of our unity, our togetherness, or what godly selflessness and lovingkindness are working IN us effectually to produce a real connectedness within the members of the body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:15	Paul deals with our attitude toward others' circumstances (everyone - saved and lost)	15 Rejoice with them that do rejoice, and weep with them that weep. WEEP WITH THEM THAT WEEP (cont'd): MM says this is the easier of the two to do. There is a natural empathy that is built in us that causes us to weep with those that weep. To feel their situation or to feel their distress. We are a body and because we are a body, there are supposed to be connections between us that are being ever strengthening so we truly do now being to think about things that are happening so that there begins to be this godly response of weeping with those that weep. Being KNIT TOGETHER is part of all of that process that this is going to be producing. In the beginning you will have to do through the 'Process by which Christ lives His Life in us' process on purpose. MM talks about the pendulum swings here. In the past there have been philosophies of life like stoicism. Stoics were people who just denied emotion one way or the other. The pendulum swing is to live your life out of your emotions. You should never live your life out of your emotions. You should be living out of your spirit and the 'Process by which Christ lives His Life in us' process is what transforms you in your spirit. Your emotions are really quick and they are the last thing to get on board. Some people are more even keel by nature. A Stoic with kidney stones would deny they are in pain, if they suffer the loss of a loved one they are very straight faced about it and deny there was any sadness. MM understands keeping your emotions under control but denying the reality of that is not biblical, not godly. Do not equate Stoicism with godliness. That was an accepted life style in Paul's day. When Paul writes REJOICE WITH THEM THAT REJOICE, WEEP WITH THEM THAT WEEP, he realizes he is going against the grain of a large part of society that he is living in. Preachers swing the pendulum in one of two ways - either see something in the church the Preacher doesn't like and preach a sermon on it OR see something in the word that will rock the boat and you leave that out. Understand the danger of both of those. You have to preach the word and what it is is what it is. Guys say I don't want to get fired, MM gets that. But are you a hireling or a Pastor?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. Everything Paul is talking about here is in the context of edification. JS: Your goal is them but the by-product is building up yourself. PG: Paul is writing to the Roman world where social status is everything. Didn't associate with the lower class. Romans 12 cuts across the grain of accepted society. BE OF THE SAME MIND ONE TOWARD ANOTHER: Gets you back to thinking. Does not mean that we do not acknowledge the differences between each other. Saying that you are going to have to see everyone the same way in this assembly. I care about your advancing in your Sonship. I care about your edification. I care about everybody's edification. If I am doing it right, I care more about yours than I care about mine and you have to care about all of the rest of us more than you care about yourself because you are IN HONOUR PREFERRING ONE ANOTHER - we are taking a back seat. It is your job to put others first. Everyone has to take a back seat to the rest of the assembly. MM says you will always be in the middle - there will be people who know more than you do and there will be people who know less than you do. The focus is not on getting carried away on what's next, the focus is on those people who are not as advanced in their edification, you are going to CONDESCEND to them. As we look at each other in this assembly, you have people from different backgrounds that are in different financial situations. Some folks are retired. Some people work. Some people have different histories. They are in different places in their edification. He is saying that you need to value/view everybody the same-SAME MIND ONE TOWARD ANOTHER. He is not saying people are not different.
Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. BE OF THE SAME MIND ONE TOWARD ANOTHER (cont'd): Takes the context of this now out from the world at large and brings it back into the local assembly. Paul is not just talking about differences but inequalities GH: between various members. He is not saying, hey, we are all equal, we're all the same, we're all identical, and that's the way we are supposed to think about everybody. No, actually to do what he is asking, we are going to have to recognize that there are some things that are a hinderance to the Sonship education for some folks. It is true that we are not going to allow those differences or inequalities to cause a schism in this body. We understand there is something that could discourage them in their Sonship life, discourage them in being conformed to the image of God's Son. So having the same mind means this - we do have the same goal for every member - while we understand that not everybody is the same, we want everyone to achieve the same result, to get the same benefit, to be edified unto godliness. So being of the same mind means don't allow anything to impact your thinking or your fellowship with the other members of this assembly so that it hinders that in some way. Goes back to V&Eing every single member of the assembly.

Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. BE OF THE SAME MIND: Incorrect interpretations/examples: - Enter into each other's circumstances in order to see how you would feel yourself if you were going through these circumstances. This is not a wrong thing for sure, but this really has more to do with the previous verse where we called upon to rejoice and weep with each other. MM says a good thought but not a complete thought. - Be agreed in your opinions and views. MM doesn't think this hits the mark exactly because the verse is not talking about our opinions and views as it is talking about how we think about each other. Paul's not taking about opinion here. - What you regard or seek for yourself, seek also for your brethren/others so you don't have divided interests or goals or honors. Not exactly. The above are all good but are all incomplete. All 3 sentences in this verse are connected and in the same context. So, this is not three separate commands, but three parts to a single whole. - It does not mean that we think everyone in the assembly is equal/identical, for the fact is, they are not. This is just not true, it's wrong. - It does not mean we do acknowledge differences between us. - Put yourselves in the other person's circumstances or shoes. MM thinks it is more than that. - What you seek for yourself desire for your fellow brethren.

Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. SAME MIND: Valuing and esteeming every member no matter what their estate. Being of the same mind means to not allow anything to impact your thinking and fellowship with the other members of your assembly. We will not allow the differences between us to cause some schism in the body, every member will be important, and those which seem to be less honorable, we will bestow more abundant honor upon them. Having the same mind means we have the same godly goal for every member; edification unto godliness. Being of the same mind means not allowing anything to impact your thinking and fellowship with the other members of your assembly. ONE TOWARD ANOTHER: Indicates that the context is back in the local assembly. TOWARD ANOTHER: Doesn't say WITH ANOTHER. If you say WITH, it would mean we are all supposed to be thinking the same way. This means that we should be thinking about everyone the same way about every individual member. MM says not everybody is the same place in the education, not everybody is equal. But we are not supposed to look at someone differently because they are not at the same place. This has to do with: - the concern that we have for each other - the way we V&E each other - the way we HONOUR and PREFER one another - the way we exhibit LOVINGKINDNESS to each other - the way we exhibit SELFLESSNESS to each other These are not supposed to be different among the members. Has to do with treating every member the same. However you minister in this assembly, you should be ministering that way to everybody in this assembly no matter who they are. We look out for every member and we are concerned with every member and we want every member to get it.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. MIND NOT HIGH THINGS, BUT CONDESCEND TO MEN OF LOW ESTATE: Paul sets “high things” in opposition to “low estate” and that will help us define what he means by the terms. MM says some of these terms we automatically think in a certain way about. Paul sets HIGH THINGS in contrast to LOW ESTATE. MIND NOT HIGH THINGS: Saw in Romans 11 to BE NOT HIGH MINDED. HIGH THINGS and LOW ESTATE are opposite ends of the spectrum. HIGH THINGS: MM thought for a long time that this was prideful thinking. HIGH THINGS are the things that are advanced in our Sonship education. BUT CONDESCEND TO MEN OF LOW ESTATE: MM says he is not talking about the dredges of society, he's talking about people who don't know what you know. Godly equity and how to treat a weaker brother ties right into not being WISE IN YOUR OWN CONCEITS. He is not saying go out and act like the dregs of society. Talking about people who are not as far along in the edification as you are. Put yourself to where you see them the same as you see yourself. He is not saying you don't recognize that you are further along, he is saying the way you value them has to have as much value as the way you see yourself. CONDESCEND TO MEN OF LOW ESTATE: Putting ourselves on the level of people who are not as advanced as we are. The job of the people ahead of you is to come along and help you get to where they are. CONDESCEND: This normally means to be kind of arrogant. You are looking down on somebody. MM says that certainly is not what the Bible is talking about here. Be aware of these inequalities and make sure they can be edified right along with us. Has more than 1 meaning. 'Descend' means to come down. MM says it is not like you are lofted up on a perch and you're surveying your realm and I see some peasants in Sonship down there and I'm going to graciously bring my royal self down and bless them with my prescence. That is NOT what is going on here. This is being asked to find those folks who are not as far along and to put yourself on their level and bring them up.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. CONDESCEND (cont'd): It's not about insulting people of LOW ESTATE because there are several reasons why people are behind: - Someone comes in and is part of this assembly next week (we are not thinking about let's get to the next one, we are thinking let's get down to where they are and bring them up to the class, to help them along) - Someone in a larger group will come every Sunday but not doing the work of Sonship (see this in every group you have been a part of) and they are finally ready to make the commitment - Someone has an extreme medical condition that takes them out for an extended period of time (take them DVDs and notes but this assembly has to be aware of this) Because we are all one body, it is all of our jobs to do this with people. OED: Condescend - to come down voluntarily; to depart from the privileges of superiority by a voluntary submission; to sink willingly to equal terms with inferiors (quotes Romans 12:16) What this is correcting - there is no room for snobbery in the body. Can't say I invited them a year ago they should have showed up then. They think they are so smart but they don't know half of what we know. MM says you start thinking like that and we've quit being the kind of body we are supposed to be. We certainly quit being sons. MM says no saint ever needs to feel that they are not useful to this body, they're not welcome in this body, and they're not valued in this body. Because you V&E those other members and decide to encourage them and be patient with them and help them and will move at a pace that the body can move at, that is what condescending it. That's exactly what that is and that has to be done for that. It's not 'let me help you so we can get on down the road!' That's not it. Clifford? said this is exactly how God is patient with us in going through this curriculum. Paul is saying don't allow the inequalities that are in your assembly to create some kind of discord or division or distance or any of those kinds of things. We have to care for every member to the fullest extent that we can and it means that we're going to have to be aware, we have to be on the lookout for ways to be able to do that so we can discharge that office.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. LOW ESTATE: Not high estate and LOW ESTATE as rich and poor. Not talking about a homeless bum that doesn't own anything. Has again to do with the edification issue. - Physical infirmity: As you get older, it can be more difficult to hang onto what you learn. When we see someone with some kind of physical infirmity. We need to take that into account, we need to be patient, we need to encourage them, and we need to be available to help them in that process in whatever way we can. We have to be careful to these in these inequalities. - Make these adjustments because we V&E them. We are making 'new operations' for godly reasons (remember we care about their inner man). - Paul is not saying don't allow inequalities but be aware of them so we can make sure everyone makes this trip together. Everyone needs to be on the lookout for everybody. Paul wants us to know there are inequalities between the members of the assembly. One area is 'mental capacity'. Folks that are not quick learners. Help them. Not everybody has the same mental capacity. This is not an insult to anybody, people are just different. MM tries to say he is in that slower group (GH: LOL). It takes him a while to figure it out. BE NOT WISE IN YOUR OWN CONCEITS: See in Romans 11:25. This is a pride issue. EX If another church in Monahans starts up Sonship, don't look down on them. We really want them to succeed so we are not WISE in our OWN CONCEITS.

Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. - Have patience and give them time to catch up. - Encourage them that they can do it. Have already learned about right division, about the 5 CoP, about the 2 programs. This is just one thing more. ESTATE: When Paul talks about a person's estate, in this context, he is not talking about their property or possessions. Paul is talking about people in a more personal way; a way that has a bearing on how we think of them and treat them within the assembly. There may be some in our assembly, or who later join our assembly, who have some things about them which will necessitate that the other members take those things into account as we seek to include them, educate them and edify them. - People who join later - edificational differences -> don't look at or treat as inferior, don't constantly correct, don't be impatient with them, point them to the AEP - How people learn best -> provide different formats - audio, video, PowerPoint, Notetakers, etc. - Mental capacity differences - some are fast learners, some are slow learners -> record sessions so they can be reviewed over and over, produce books so learning can take place anywhere. - Age differences - the older some people get the more difficult it is to retain knowledge Not a complete list. What we are doing is recognizing that not everyone is the same within an assembly and the care we are supposed to have for every member. An assembly has to be careful to take into account the inequalities of its members and out of godly love and charity, bring specific operations into action to account for them. And that is part of what it means to condescend to those who are of low estate. We consider that every member is an important part of the body and we are not going to care for some less because of some difference (1 Corinthians 12:22-26).

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. ESTATE (cont'd): Paul is teaching us not to allow the inequalities among our members to produce division, discord or distance between us. We care for every member to fullest extent possible and we make considerations for those who for some reason are in a “low estate” as far as their edification goes. It means we go out of our way to make sure they are getting the doctrine. It means we are not only aware, but they are on our mind and we are praying about them and their particular circumstance. Paul is not talking about a person's property or possessions, we would naturally think about a mansion sitting on a large property would be high estate. We would think of someone who is poor and doesn't have any home, we would think of them as low estate. What Paul has in mind is there 'spiritual capacity'. What does God want done unto us? He wants us edified unto godliness, He wants us conformed to the image of God's Son, He wants us transformed, He wants being educated sons & daughters, He wants Christ formed in you (you are IN Christ and you are complete in Him - that has to do with your STANDING and STATUS before God. But it doesn't have to do with your edification of your soul or having Christ in you or your maturity in your sanctified life in your everyday functional life). There will be some who will necessitate/require that the rest of the assembly take a look at the things that are going on with them and identifying some kind of obstacle/hinderance that would keep them from being edified. To stay up with the group, something is going on with them that would keep Christ from being formed in them, something going that they would hinder the Life of Christ being made manifest in their mortal body. MM says with the offices, we are trying to make being conformed to the image of God's Son, that the Life of Christ may manifest in our mortal body, Christ being formed in you, transformed, edified unto godliness, maturing in grace - we're trying to make all of this as easy as possible so you don't feel like you have to invent the process to be able to do this. Why he gave you that process. MM says some one will come into this assembly and we will see some kind of issue that will hinder them in the process we are all supposed to be headed toward - BE OF THE SAME MIND ONE TOWARD ANOTHER.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. ESTATE (cont'd): Meaning we all want to get to the same place and enjoy the same benefits of the same edification, we all want to be conformed to the image of God's Son, we all want Christ formed in our inner man, we all want the Life of God's Son to be made manifest in our mortal body. But then there are some things that will happen that will keep that from being a reality. GH: Reason why the AEP was developed. AEP is doing exactly what this verse is talking about. AEPers are now being of the same mind one with another and are condescending to men of low estate. Low estate doesn't mean that are a bad person or undesirable or talking about their character or their cleanliness. This is all in the context of edification. We don't discount the people who are a little slower because they are no less important to the assembly. We don't disregard them and act like they are an outlier. We don't run off and leave them behind because they cannot keep up. These things should be in your mind: - Help others - V&E them as fellow members - Encourage them on the things they have learned/Encourage one another along - Content to go slower than you can go; patience Wrong thinking will lead to conceit, complacency, 'big I, little you'. Need to do the things that prevent the slower members from feeling inadequate. Means that new operations that are not given to you in the scripture are going to come into play within the framework of the local assembly, like the AEP. God is not interested in giving you a list of every single way you can do this, He is just interested in generating this in you and then you can figure it out because every assembly is different. Have to go home and say to your heavenly Father what is it that I see anywhere in this assembly, where there is some obstacle that may be hindering the edification of another member. And because I V&E them you are going to encourage them and you can do that in a lot of indirect ways and be patient so this whole body can learn and be conformed together.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. LOW ESTATE STEPS/Godly Steps of Action (no matter what the issue is) - How to do for the same reason my Father wants it done. No matter your circumstance, you can take the following two steps of action to keep your limitation from discouraging you or causing you to quit. 1) Identify the problem - Mental thing or understanding thing? MM says the number 1 rule of problem solving. 2) If your problem is unchangeable/cannot be changed(mental capacity, aging, physical limitations; things over which we have no control), then 'thank God' for the opportunity to be edified even with that problem - Don't throw in the towel - Eyesight issues: Sit them closer, share notes, listen to the audio 3) Be creative in dealing with your limitations we notice. Finding ways to make it work and not quitting. 4) Use your limitations to develop patience (GH: Romans 12:12). If you have a limitation, let that be the catalyst for the development of godly patience in your inner man. 5) Be grateful for that which you do have - My vision is not good but I can hear OK 6) Remember that God’s ideal is in your inner man (not the outer man) 7) Accept help from your fellow members - Hard but need to be able to do that. It is difficult for folks to help you right off the bat because they don't want to seem intrusive or judgmental. Make that easy by asking for some help. Then everybody feels comfortable. 8) Be as active in your assembly as possible, Do the things you can do and don't worry about the things you cannot do. May not be able to do the things you used to do but be as active as you can in the things that you can do.

Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. BE NOT WISE IN YOUR OWN CONCEITS: The last of the 3 sentences in the verse. MM says this sort of brings us full circle back to where we started in Romans 12:3. Has to do with your own private opinion and estimation of those of low estate which is colored by personal vanity or pride. Paul is asking us to strip away the pride that may come into our minds whether from our own personal estate or from the education we have so far. This concerns fellow members of your assembly. This is another one of those negatives given to us throughout the Book of Romans. Sometimes we get to thinking because of what people own or the position they hold in society that that is the measure of their worth. Not to your heavenly Father. Don't be wise in your own conceits toward other members of the body of Christ. In Romans 11:25 the phrase means program to program. Don't be wise in your own conceits toward Israel. Reasons: 1. There's a natural tendency to pidgeon hole people into groups - there are differences in people, some are extrovert and some are introvert. 2. Everybody has a different economic situation. 3. (big one) People are going to be at different places in the edification process. Bertha said she thought about this is one Christian talking to another Christian and they are not aware of what you are aware of. MM said this is exactly right. Have to look at them in a particular way. MM says Israel has a tendency to think 'we're great' and there's a real tendency for an adopted son or daughter talking to a mainstream Christian to think the same thing. Realize that you are NOT better but you sure wish they knew.
Romans 12:16	Paul deals with our attitude toward those of "low estate"	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. GH: The way we should look at people with LOW ESTATE (Romans 12:16). This is not meant to be a complete list of all the differences that can occur with an assembly. What we are doing is recognizing that not everyone is the same within an assembly and the care we are supposed to have for every member. An assembly has to be careful to take into account the inequalities of its members and out of godly love and charity, bring specific operations into action to account for them. And that is part of what it means to condescend to those who are of low estate. If you feel of LOW ESTATE, beware that natural, worldly tendency is to feel inferior and that leads to thoughts of giving up and not trying. Need to develop a godly response to anything that hinders or limits us. Take godly steps of action to keep those things from discouraging us and causing us to quit.

Romans 12:16	Paul deals with our attitude toward those of “low estate”	16 Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. QUESTION: If you are not part of either of our assemblies (Monahans or Glen Rose) in Texas and you are following outside of Texas, if we are supposed to BE OF THE SAME MIND ONE TOWARD ANOTHER-Romans 12:16, is it wrong to have a best friend? ANSWER: MM says this is not what this is talking about. Because of your individual personality, there will be people that you will meet that you will more readily attach a liking to than others. MM used the Sonship circles analogy - the believing remnant, the 70, the 12, the 3. Did some things with the 3 that He didn't do with the other 9. Doesn't mean that He didn't care for them all. He ministered to each of them, He died for each of them. The Provision that He made on the Cross was accessible to them all. Do you think He may have felt closer to some than others? Read the gospel of John and how John talks about himself, the disciple whom Jesus loved. MM thinks that John was younger than the others and had a real attachment to the Lord but may not be the case and not relevant. What it is talking about in Romans 12:16 is our treatment of each other as members of this body and our concern for the edification of every member. Have to be just as concerned for Linda's edification as Barbara's. It's fine that there are people you naturally want to hang out and gravitate to but when it comes to this business of being a body and accomplishing this work and being sons, we shouldn't be looking out and saying I don't really care about Amanda's edification but I really care about Ruby's. This is the thing it is correcting here. We are not going to treat some member of our body as though it is unimportant. QUESTION: How do you keep track of where people are in the doctrine so that people don't get left behind? ANSWER: 1. Give people an opportunity to ask questions if they don't understand something or are uncertain about things. 2. Second session Q&A.

Romans 12:17-13:7	Sonship Decision Skill No. 2: Godly Justice: God's norms (of behavior) and standards (of conduct) of what is right and wrong	WHO ARE WE? We are co-crucified, co-buried and co-resurrected IN Christ so that we now walk in newness of life. Romans 6:3-4 We are sons of God who are being led by the Spirit of God into a whole new way of living. Romans 8:15 We are more than conquerors through Him that loved us. Romans 8:37 Whether we live or die, we are the Lord's. We are a spectacle to the world, to men and to angels. We are made as the filth of this world but that is not who we are. We know the world despises us, so we are not surprised or disheartened. We are not ignorant of Satan's devices. We have God's word that prepares us in advance for the attacks against us; that makes us capable. We are ambassadors for Christ. We know who we represent, so our behavior reflects that. We are His workmanship. We know what He wants to make us into and it is our desire for that work to be done in us. We are members of His body, which means we understand our role in God's plan and the privilege of it. We are members one of another. Romans 12:5 We are the beloved of the Lord. We know how our Father feels about us so we never doubt. We are complete in Him. We know our Father's provision (v29-30) lacks nothing (v31-35) which gives us absolute confidence. - GH: SE

Worldly Justice Examples: - Justice in the military says "If you attack us, we will attack you." - Justice in the police says, "If you injure someone, it will not go unpunished." - Justice in a civil society says you cannot harm another person and get away with it. There is a price for crime. - Justice, when it concerns government, is an issue of law. We have this built into us. Have to educate yourself to NOT think like this. Justice: God's norms (of behavior) and standards (of conduct). Good and evil related to justice and injustice. We are being taught to view divine institutions properly and not to look at or respond to them like the unsaved world. Godly Justice: Section One: Romans 12:17-21 - Personal Justice (when an injustice has been done to you) Section Two: Romans 13:1-7 - Human Governmental (Divine Institution) Justice (God has put human government in place to deal with those things so a nation doesn't devolve into total chaos)

Romans 12:17-13:7	Sonship Decision Skill No. 2: Godly Justice: God's norms (of behavior) and standards (of conduct) of what is right and wrong	Justice: Is a decision-making skill that we learn as sons of God and because this skill is in this particular areas in our relationship to government, it is teaching us to think about it the way our Father thinks and then conduct overselves in accordance with that so we can labor with Him. It's a godly decision-making skill that is putting His thinking in us and enabling us to do things His way. That's what makes it godliness. Justice is God's norms and standards for what is right and what is wrong. As we are learning this, we are learning our heavenly Father's norms and standards for what is right and what is wrong. MM doesn't call out MEEKNESS in the studies because if the doctrine is working in our inner man, it will produce longsuffering and meekness, even if we do not think to identify them by those names. MM's fear is that if you get the name up front, you start thinking about meekness in ways apart from the doctrine; you will start thinking about benevolence in ways apart from the doctrine. If the doctrine is truly working in us, it will produce these things no matter if we never name them. Paul doesn’t name them. But, if you were to stop and analyze what is taking place in your inner man, you would likely put these names to their working. We immediately know we do not do certain things because they are wrong. That knowledge tells us what to decide. Justice is a discerned issue of good and evil; right and wrong.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17-13:7	Sonship Decision Skill No. 2: Godly Justice: God's norms (of behavior) and standards (of conduct) of what is right and wrong	Every justice system has norms and standards, normal conduct and behavior. Every justice system recognizes what is good and what is evil. So does God's justice system. A lot of what we understand in the world is brought from what God Himself thinks about good and evil. Every system of justice, if it is correct, is going to be based somewhat on what our Heavenly Father has as His norms and standards. We've seen the world's way all of our life and now our Father wants us to respond to evil His Way. MM says remember the second component of godliness - doing things God's Way or living for Him. MM says we live in complicated days - lots of issues could come up. We are not talking about nations protecting themselves from other nations or going to war with other nations. We are talking about the kinds of personal things that happen to us as saints or as sons by other individuals who are our enemies. We call them that because they are purposefully trying to do us some kind of harm or injury. And when that happens we are not thinking about AN EYE FOR AN EYE or a TOOTH FOR A TOOTH. That is sitting back in Israel's program under the law, which was a system of justice. But we are thinking about, by godly love or even our understanding of godly justice, OVERCOMING EVIL WITH GOOD. [GH: See Romans 2:4 commentary on the 3 things that characterize what God is doing in this DOGG.] As we learn to respond differently like He wants us to, we are responding exactly the way our Father is in this DOGG.

Romans 12:17-21	RE 4: Relationship to your enemies / Godly Justice Section 1: Personal Justice: How we treat others in response to their treatment of us / FOURTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 4: Meekness	Godly Justice Section 1: Personal Justice (the authority is our heavenly Father) - Romans 12:17-21: How we treat others in response to their treatment of us. Personal Justice: Identifies how you should be thinking about yourself with regard to the society you live in and the people you come into contact with. Verses are a package of doctrine that makes a full circle. It starts off with "recompense to no man evil for evil" and it ends with "be not overcome of evil, but overcome evil with good." The passage starts off with what not to do, and ends with what to do. See the three aspects of godliness: Think, Live, and Labor. We are laboring with our Father to accomplish something He wants to do in this world; we are furthering His purpose and will. It is natural for men to hate those who wrong them, to desire to get even, to speak ill of their enemies, and to despise them and desire ill to fall upon them. Some may even go beyond desiring for bad things to happen, to facilitating some of those bad things. We are being plainly told not to engage in that kind of behavior. But we are being asked to do the very opposite of what we naturally would think and do. And we are not left to do this in the energy of our flesh. This can produce a root of bitterness in you that will eat you up if you don't address it. For us to labor with God in this area of personal justice, we need to understand - Need to understand the WHAT and WHY of the passage: 1) what God is asking us to do, and 2) why He is asking us to do it. Once we get the "why" down, it works IN our inner man to produce the godly desire to obey the instructions given to us in Romans 12:17-21. Once we know the "what" and the "why" of what is behind v17-21, we have a real opportunity to labor with our Father in perfect accordance in what He is doing in this DoGG. We know that God wants to accomplish two main things in this DOGG: 1) He wants men to be saved, and 2) He wants those who are saved to come to the knowledge of the truth.

Romans 12:17-21	RE 4: Relationship to your enemies / Godly Justice Section 1: Personal Justice: How we treat others in response to their treatment of us / FOURTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 4: Meekness	The real issue is to understand why God is asking us not to recompense evil for evil to those who wrong us. We are laboring with our Father to accomplish something He wants to do in this world; we are furthering His purpose and will. As adopted sons and daughters of our heavenly Father, we should desire to carry out our Father's Will, even when He calls us to do that which is not natural to do. Everything we do impacts our ability to win the lost to Christ and lead the saints to be edified in accordance with the mystery of Christ taught by Paul. Put your godly response to the evil done to you on display for all to see in your actions and to hear in your conversations so that godliness makes an impact upon everyone who is aware of the "evil" that is being done to you. To obey this doctrine, we are going to have to learn to do something that is not natural. Have to learn to do something that is probably not in our habit. That is to not avenge ourselves to the wrongs that are done to us. Even if you don't try and get people back, you don't think of them the right way and that is not good either. What we really want is the Life of Jesus Christ being lived IN us and through us, His Resurrection Life. It's a whole different way to live. We all have that and it is out of that that we sometimes get angry. EX When someone cuts you off on the interstate and emotion immediately rises up within us and our sense of justice is violated. Emotion is usually anger. Definitely not happy. MM says when we live out of our emotions, our actions come from/out of the habits that have been formed in our thinking and have been reinforced over the years. Habits are hard to break. This sounds simple but it is profound. When we are angry and aware of the doctrine and have been through Romans 12:17-21, even though we know what we ought to do, we very well may be tempted to not do that because our emotions kicked in and triggered a habit of response and that is what we are comfortable with. So one of the biggest roadblocks/hurdles to living out of the doctrine and having the Life of Jesus Christ living IN you and through you so that you are edified and your Heavenly Father is glorified is our emotions or encountering some situation that caught us off-guard and we are living out of our basil ganglia and what we immediately did in response to that is out of the habits we have formed over a lifetime. And out of our emotions come our actions and those actions come out of the habits that we form in the past. We find ourselves doing things we wish we hadn't done.

Romans 12:17-21	RE 4: Relationship to your enemies / Godly Justice Section 1: Personal Justice: How we treat others in response to their treatment of us / FOURTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 4: Meekness	Beautifully addresses the proper mindset we should have when contemplating Personal Justice. The ability to overcome evil with good, (to not avenge ourselves, to leave wrath to God, to not recompense evil for evil, and to minister to our enemy) starts with the understanding that there are things going on behind the scenes which do not appear to our physical senses. It means we must desire to put godliness on display more than we want to salvage our pride and the way the world perceives us. The next time you are wronged by someone, do not allow yourself to be overcome of evil by hating the person, but see them for who they are; a victim of Satan's PoE and you should want to see them delivered from Satan's snare. We cannot do that if we harbor ill-will toward them, not honestly. This doctrine is not about keeping an evildoer from getting what he deserves, it is about keeping us from being overcome of evil. The next time you encounter evil, remember who you have been made to be and determine to allow the life of Christ to respond to that evil through you – to His glory, to the accomplishment of God's Will, and to the display of Christ IN you. When we receive some injustice of evil, we have a Sonship decision to make regarding how we will respond to that evil. When an offence occurs (and it will), the offended person's response should always be godly. Those in the assembly should show godly compassion to the offended member, understanding that we are working to restore wholeness to the body, so that the offended member can be restored to fullness of function. In addition members of the assembly must think of ways to minister to the offender. When we define ourselves by who we are IN Christ, it will keep us from being overcome of evil.

Don't put your fellow saints in the position to take up the offense for you. - We do not take up the offence - We conduct ministry. Get them edified and they can no longer go about offending. When we dwell on the evil done to us, those thoughts fuel our anger and hinder our Sonship life. We must also remember that Satan is really good at misdirection. When we get to thinking that the real battle is between us and some other guy, Satan has succeeded in getting us to think about our situation the wrong way. Treating your enemy with godly love will take meekness and it will produce longsuffering. If the doctrine is working in our inner man, it will produce longsuffering and meekness.

If someone does something to you or your property, God has developed recourse within the court/legal system for those kinds of things. What he is getting at here is you going out and meteing out your own brand of justice and fair play - vigilantaism. If you have that, you have anarchy. Shows the difference between today and grace vs. the law - AN EYE FOR AN EYE where you repay in kind for what you did. Why God is the Creator of human government. Government is meant to do this. Think of the law TV shows and it is the State of Texas vs. so-and-so, making it removed from an individual thing. The state in its role of government is going to right a wrong. Justice is going to be served. MM is not saying there isn't any corruption in any government system, but most of the complaints are the government not doing what they wanted them to do. Your Father realizes that government is not perfect but one day there will be a government established on this earth and a goverment established in the heavenly places, and it will be a government of righteousness. Folks in this room will be filling those governmental positions up there in the creature. **You will have the privilege of serving in your Father's justice system in the creature**. It's way more than that but that's an aspect of it. Those minions of Satan are going to be indicted and justice is going to be carried out on them too.

Clarifications: 1. Just because you are a believer, it does not mean that you can't go to the civil justice system. Of course you can. God is the Creator of human government and that government is there for a reason - to exercise control over the population. 2. If someone is doing something to you you don't just have to lay down and let them do it. Not saying that. What it is saying in your personal life, there will be people in your personal life that just don't like you and they sort of go out of their way to make your life miserable. We're not talking about breaking the law. It is saying if someone is going to treat you this way - you can get a lot of bad treatment without anyone breaking any laws - it's not against the law for someone to not like you. It's saying you are not going to return the same kind of treatment. That (GH: acting the natural way) is an automatic response from us. Little children do it too. 'If that's the way they are going to treat me, that's the way I'm going to treat them.' Your heavenly Father says that is not the godly response so we are not going to recompense to anyone evil for evil. This renewed thinking has to get generated in us because it is not the automatic response. MM says the word enemy may not be technically correct. Antagonist or someone who is trying to make your life miserable.

Romans 12:17-21	RE 4: Relationship to your enemies / Godly Justice Section 1: Personal Justice: How we treat others in response to their treatment of us / FOURTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 4: Meekness	It's more than just being nice for the sake of being nice, your Father wants to go to work in the love of people and in order for Him to do that: - You can't get in the way by repaying evil for evil - if you do that you're getting in the way of what your Father is trying to do here - You can't think that you're going to get vengence, you've got to leave that in the hands of God - Not talking about the civil law system - if someone robs your home you're not supposed to go 'carry it all out and I won't call the authorities'. This is an enemy of yours because of your involvement in your Father's Business. Because of who you are, and MM says there's no law against that, right? Your Father says this is My Work, I AM going to take it on, vengence is mine, I WILL repay. What He is really after is to mold their thinking and bring them to repentence about Him and a different mindset about you. Our response has to be right if our Father's Work is going to get done. You have to love that work more than you love the fact that I'm going to get even because getting even is not the issue anymore.
Romans 12:17-20		v17-18 Enemy vs. v19-20 Enemy: - v17-18: Don't like you because you are from up north or because of your job or because you have kids or because you put up a Green Bay Packer flag. - v19-20: Enemy knows what they are doing and they're doing it on purpose and you are going to have to look at it or think differently and look for a way to serve them because I want to give them the best opportunity to be saved. To do this, you have to love what your Father is doing more than your love/desire to get even.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17-18	Personal Justice Component 1: Getting along with other people	MM sees 3 components based on the 3 negative imperatives. Component 1: Are primarily talking about getting along with other people. Context: trying to live peaceably with all men, and that is slightly outside the purview of criminal offences. Get the foundation laid here for how God wants us to respond to our enemies in a godly fashion. We are not abandoning justice, there is a system of justice in the government for those things that require it. But if you are just talking about the guy who lives down the block that doesn't like you and always yelling things at you and just trying to make your life miserable, you will now have a way that you're supposed to respond that enables God to carry on a work of ministry in his heart and the following verses (v19-21) will expound on this.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men In our personal conduct, we do NOT seek to injure someone who has injured us. MM says you don't get to throw a baseball through their window because they threw one through yours. Your own personal conduct has to be in line with something your Father is doing. Not about being a door mat, it is about recognizing that there is something that your heavenly Father wants to accomplish through us responding to our enemies differently. There's something that He wants to do in the midst of that and if we don't cooperate in that process, what He is trying to get done is not going to get done. If we love the work that our Father is engaged in, if we want to see His Business as it is right now succeed, then this is the formula for making that happen and the truth is, we ought to value and esteem it for now. MM says there is a pay day coming but He decides when that pay day is. We are supposed to V&E the work that our Father wants to do with our enemies more than desiring justice right now. That's got to be the thing that motivates us. He said that but that's easier said than done. The day will come when you have a real enemy and you will have to think about how you V&E what your Father wants to do with them more than you want to get even with them. That is a change in thinking. MM says it is at this point right here people really do have a problem with several areas. MM remembers hearing things his whole life like 'we all have to get along' and 'we have to love everybody' - this is the way the world thinks and there is nothing wrong with that but the world's philosophies never carried this to the extent that your Father's Wisdom does. The world just wanted to get along for the sake of getting along. Your Father wants to do more than that, He wants to do something in the lives of people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men The best atmosphere for God's Work to be done is an atmosphere of peace. That is the best way to get His Work done. Find the LIVE PEACEABLY WITH ALL MEN-v18 theme repeated over and over because there is a work God desires to get accomplished in them. You are NOT being a doormat or letting people walk on you because of what you understand your Father wants to do here. Because you understand what your Father wants to do here, you are consciously choosing to NOT think about this the way you've always seen it done your whole life but you're chosing to look at this from the standpoint of your heavenly Father and you are going to PROVIDE THINGS HONEST and you are going to GIVE PLACE UNTO WRATH and you are going to OVERCOME EVIL WITH GOOD. This is the important issue for us to get in our mind. MM says God's purposes here are missing in the world's philosophies. Some revenge quotes like 'let it go' suspend justice altogether and that's not right either. Your Father is asking to put this issue in His Hands and Paul quotes VENGENCE IS MINE, I WILL REPAY SAITH THE LORD. God says here is your job as My son, respond this way, My Job is to make justice out of everything that is happening. You will be glad He does it this way when you see that we have been the recipients of this postponed justice as well beause you really don't want immediate justice because if we got that we would all be in trouble. We are looking for opportunities for God to do a work in people but our godly response to them. MM says this doesn't mean that we can't protect our family or not throwing away your responsibility to protect your children and family. It is better to reflect God's righteousness to this world opposed to just not being enemies because that is a step up. Your Father is asking you to answer a higher calling than what the world sees. We can all get along and wind up in the lake of fire. We can all get along as Christians and wind up being worthless in the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men We should always live out of this doctrine. There is no time limit on godly behavior. Default response: Put godliness on display. Told to NOT do something and then told TO do something. Realize they are opposites. The opposite of EVIL would be something good. If we are not doing evil, the contrast would be doing good. RECOMPENSE TO NO MAN EVIL FOR EVIL: GH: Compare to Israel Program (Exodus 21:23-25). Should not even be in our thinking. To NOT RECOMPENSE EVIL FOR EVIL and turn into godliness is not always the immediate thing that comes in our mind. Don't worry about trying to go back and get even. GH: MM teaching Paul's endurance or his love for others. There are two results of not recompensing evil for evil. 1) It has an effect of putting godliness on display, 'godliness' 2) It has an effect promoting the ability to live peaceably with all men. 'peace' Our Father wants both of these; godliness and peace. The work that God wants to do with men is best accomplished in an atmosphere of peace. It is difficult to bring a lost man to Christ when he is at odds with us. It is also difficult to teach men the truths concerning the mystery of Christ when they are actively opposed to us. RECOMPENSE: Is payback or revenge. That's a legal term. Paul has to say this because this is our natural response. Same word in 2 Thessalonians 1:6 to describe God (GH: addressing people who have persecuted you and caused tribulations). God says don't you worry about recompense evil for evil because God says I have a day appointed in which I AM going to do this and I AM going to open up the accounts that have been lopsided for all this time and I AM going to settle the score with every one of them. OED: Recompense: Restitution made or punishment inflicted for a wrong or injury.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men TO NO MAN: This is inclusive. We don't get to make an exception. EVIL FOR EVIL: GH: Don't think Law of Moses (Exodus 21) or even Sermon on the Mount (Matthew 5:38-41). It's the tit for tat that we see people doing - doing the exact same thing to them that they did to me. EVIL: **Generally speaking, “evil” is some form of harm, injury or wrongful action done to us by another person or persons**. The harm is not limited to physical harm, but can include things like mental, economic, and emotional harm as well. Way people talk about you. They snub you. Catty remarks about you in front of others. Publicly ostracizing you. Unkind, critical, mean, unfriendly, condescending, demeaning, and unpleasant. It may be in their refusal to be a good neighbor, or to help when you obviously need help. MM says evil is punishable and God is going to make sure that happens one day but in a time and in a way that He Himself is going to decide. Very general way of describing anything that's injurious or harmful. It doesn't have to be physical. It can be emotional or mental in nature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men PROVIDE THINGS HONEST IN THE SIGHT OF ALL MEN: Put your godly response to the evil done to you on display for all to see in your actions and to hear in your conversations so that godliness makes an impact upon everyone who is aware of the "evil" that is being done to you. Now, that is a long way of saying "Put your godly response on display." We are not just seeking to influence the one doing evil to us, but also those who are onlookers to what is happening. Let them see the difference between us and them; let them see Christ IN you. Allow the world to take notice of godliness at work IN us that we do not retaliate in kind. Let that attitude and behavior impact them. Talking about an action we are supposed to take. You are intentionally making some kind of arrangement for something that is about to happen in the future. That's what the preparation is for, something that hasn't happened yet but it's about to happen. There is a response being put on display by you that is supposed to have an impact. What your heavenly Father is trying to do in the lives of your enemies is more important than you getting even or feeling like you are going to give them back what they gave you. If you love your Father's work, this is going to become important. PROVIDE THINGS: MM says some of the commentaries replace this with 'be' as in 'be honest' and it is telling you don't cheat people, just be honest. MM says this is out of the context of what we are talking about. The opposite of vengence is not just being honest with everybody. You are going to supply something for something that we are anticipating.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men PROVIDE: To supply or furnish. Make available or supply something. OED: Provide: 1) To supply or furnish something for a certain purpose / To make available; to supply. To make adequate preparation or arrangements for. Charles Smith: Provide - To furnish or apply with care or calculation, as against the future. MM says if you are providing a meal, you are going to have to think ahead of time on how to make the arrangements to make that happen so that people are fully able to participate in that which you are providing. Need chairs, tables, food would have to show up, think about how many people, how many children, etc.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men THINGS HONEST: **Providing things in response to the evil done to us that is good in nature. Our actions should reflect who we are IN Christ**. That's the HONEST things that we are putting on display to people who have done evil to us. They did evil to us but what they will see in return is PROVIDE THINGS HONEST (MM lists off the Honestly list). When you conduct yourself as a son, you are providing things honest. Your response has to be in line with who you are as a son or daughter. What they are seeing from themselves is 'I did this to you' and what they are seeing from you is something totally different. Your response is supposed to characterize who you are as a son. You are not repaying with EVIL, you are repaying with good. This is the type of behavior that provides for peace. It ensures that our behavior is above criticism in the sight of all men. Nobody ought to be able to look at us and say wow, that's what a son does? So this is the response that really needs to be in us. It's a reflection of our own Father's activities today. God is not looking at the most vile men on the planet and saying I AM not offering you salvation anymore. They too get His goodness. There's no exceptions or distinctions here and we are being called to see it the way our Father does.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men THINGS: Our conduct, actions. The “things” we are providing are our “responses” to the evil done to us; our behaviors. The things we are to provide (the actions we are to take, the responses we are to make) are to be good, kind and gracious. Our response to evil should produce the very opposite effect. If their actions toward us were evil (hurtful, injurious, malicious, bad, harmful, causing discomfort, pain, trouble, etc.), then the “things we provide” (our actions) toward them should produce the opposite effect. The opposite of rendering evil for evil is to render benefice (beneficial action toward the one who provided evil against us) for evil. OED: Benefice: 1) A good deed, kindness, favor, a grace or indulgence Plural because there are many beneficial behaviors we may exhibit toward those who have done evil to us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men HONEST: The placement of "honest" says adverb, while the spelling says adjective. Therefore, MM thinks Paul has both in mind. 1. As an adjective, the "honest" defines the kinds of actions we are supposed to take in response to evil done to us. The kinds of things that we are to provide (the behaviors we are supposed to manifest) are to be "honest." In this case, "honest" things are those responses which benefit and help (godliness) instead of recompensing evil things which hurt and hinder (fleshly). The honest things are a product of godliness. The honest things are the result of Christ living His life IN us. The honest things are the product of selfless lovingkindness at work in every area of our life. 2. GH: adverb? The "honest" defines how we are supposed to provide those beneficial behaviors. In this sense, "honest" would carry the meaning of "genuine, true, authentic, unpretentious, sincere." **The dual application of the word "honest" not only means that we do the right thing, but that our actions are sincere and a result of godly lovingkindness**. The word "honest," is prescribing good behaviors toward those who perform evil against us. To put it together, Paul is saying that we should do the "honest things" and we should do them "honestly." It is true that we can do the right thing, but not for the right reason. We can do the right thing and still not do it properly.The opposite of rendering evil for evil is to render benefice (beneficial action toward the one who provided evil against us) for evil.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men HONEST: Is a modifier, it is describing something. When following a noun with a modifier is to the verb. Is HONEST tied to PROVIDE or tied to THINGS? MM thinks because of the placement, it is an adverb and talking about what we PROVIDE. As from the heart. Not eyeservice unto men but unto the Lord. Took an adjective and put it where an adverb is supposed to go. MM thinks it applies to both. **WHAT we do is the issue and HOW we do is the issue**. Beneficial, Helpful, Kind or if adjective: Genuine, Sincere, and Heartfelt Results of providing things honest: 1. Puts godliness on display 2. Promotes peace with all men HONEST: Since PROVIDE is the verb and THINGS is the noun, HONEST becomes an adverb but the only adverbs in the dictionary end with -ly. Honestly: With honourable or upright conduct, especially without fraud or falsehood, with honest intention or by honest means; sincerely, fairly, frankly, without disguise.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men IN THE SIGHT OF ALL MEN: Your actions are on display. Everybody can see the difference in what you are doing to respond to this thing that has been done against you. ALL MEN: Get along with everyone.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men Not about civil magistrates, it is talking about us personally taking matters into our own hands to exact justice for some wrong done to us. If someone does something to you which turns out to be injurious or offensive in a particular way, Paul tells us not to "get even." Paul is talking about our attitude of behavior toward someone who has done "evil" to us. This "evil" encompasses any kind of harm, injury, insult, or wrong. The instruction not to render evil for evil applies to all kinds of offences against us from mild to severe; but the primary application is to our normal, everyday relationships and our attitude toward those who are "evil," but not criminal, in their treatment of us.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men Varying levels: - If someone commits a felony crime against you, there is a recourse through the criminal justice system and we do not render evil for evil. If a man steals our car, we don't run him over in the street or go burn his house down. - If someone commits a misdemeanor crime against you, there is still recourse within the justice system and we do not render evil for evil. If someone assaults you and takes your purse, you don't find a way to poison them. - If someone treats you wrongfully and mistreats you in a way that is not a criminal offence, we still do not render evil for evil. **Laws and penalties are meant to control the population and control/tamp down violence:** **1. penalties for breaking the law are meant to be a deterrent** **2. they are meant to provide just recompense**. Is producing a mindset in us; an attitude that will govern our behavioral response to the evils done to us. Look at the bigger picture of what God is trying to accomplish. GH: Godly thinking.
Romans 12:17		17 Recompense to no man evil for evil. Provide things honest in the sight of all men The "evil" in this passage refers to things people do to you because, for some reason, they do not like you. Do not be that person who says I am going to treat him like he treats me. Getting even is very much a part of our culture. Is a change from the natural mindset, one of returning evil for evil, to a mindset that refuses to engage in the same behavior. Suppose that someone has committed a criminal offense against you. The instruction from Paul is for us not to take the matter into our own hands. It is not up to us to replace the criminal justice system. That would lead to anarchy, chaos and the destruction of civilization. There is a recourse for those who steal or destroy our property, or injure us in some way, but it is not a matter of us taking the law into our own hands.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:18		18 If it be possible, as much as lieth in you, live peaceably with all men. Your Father is interested in a peaceful co-existance because that's the best place for His Work to get done. If you don't respond EVIL FOR EVIL, you're not fanning the flames. Doesn't matter who starts it, it escalates and gets out of hand. GH: Most of the time, you need two people for an argument. One exception is the POE which is down the road. Is the goal that v17 is trying to establish; live peaceably with all men. If you can do v17, v18 is a much more likely outcome. There are two qualifications given in this verse to live peaceably with all men: 1. IF IT BE POSSIBLE: Sometimes the other person isn't going to allow it to be possible. Look at the life of the apostle Paul. There were people who hated him and wanted to kill him and they were not going to change their mind about that. Paul is not going to return EVIL FOR EVIL to them, instead he is going to respond to them and put on display that which a son does which means he isn't going to return evil, he is going to return good. Is it possible to not have peace with someone. Because sometimes it won't be possible/may not be possible. But Paul says to make sure that the problem is not with us. We are to do everything we can to ensure that we live peaceably with all men. GH: Enemy may not give you the choice to LIVE PEACEABLY. Paul does understand that there are situations and people who just will not, no matter how hard you try, allow you to live peaceably with them. This is why Paul says "if it be possible." Make every effort to live peaceably with all men. If peace is not going to exist between us and someone else, do not let it be because of us.
Romans 12:18		18 If it be possible, as much as lieth in you, live peaceably with all men. 2. AS MUCH AS LIETH IN YOU: MM says we read this and think it means to the limit you can tolerate you will live peaceably with all men. If you look at it this way, everyone has a limit somewhere different but you know this is a Sonship issue. If you say OK, I've reached my limit, MM would say the further you go in the education the greater your limit becomes. Another way or second way to look at this. If your enemy comes to you and says we can reconcile on a condition that is morally reprehensible and you know you can't do it. Implications: 1. Give our best effort to preserve peace and to appease the anger and malice of others 2. We are not the one to provoke a quarrel 3. If a quarrel commences, we do not do anything to prolong it MM says there is a default principle of love that is at work here and he calls it a default principle because Paul is going to say, not in these words but this is what he's getting at. When you come to a situation you have to make a decision about something and your not sure what you should do because you can't identify the principle out of these skills that you're supposed to be drawing from, let love be the default principle and make the decision out of that. **Let how you love the Lord, how you V&E the fellow saints, how you love your enemies - let all of this guide your decision**. Everyone of us can do this much right now. You know enough to make decisions out of godly love right now in any relationship - personal, family, friend, business, school - doesn't matter. You can make that decision out of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:18		18 If it be possible, as much as lieth in you, live peaceably with all men. LIVE PEACEABLY WITH ALL MEN: There are times in which we could "live peaceably" with others, but it would require us to sin before God, violate our own consciences, or to allow the injury of another. Times in which we cannot live peaceably: 1) When the interests of others push us to commit evil. When people are angry that you won't commit evil. 2) Christian virtue sometimes stands in the way of other men's pleasure and is despised. Puts you in a situation where they will not like you. 3) Teaching unwelcome truths may offend others and violate the peace. Jesus taught the truth with love and compassion for His people, yet many were offended in Him. That does not mean that we should not have discretion about teaching doctrine we know people have no foundation for. It also means knowing when to correct something and when not to. 4) Opposing the course of this world and Satan's PoE may rouse up immense amounts of anger. **When we stand for the things mentioned above and they cause a conflict because of our refusal to compromise, that is not a violation of Paul's instructions. Paul is not asking us to "go along" in order to "get along."**
Romans 12:18		18 If it be possible, as much as lieth in you, live peaceably with all men. THINGS which provoke conflict: 1) Offensive language. What we say and how we say it is important. 2) Provoking carriage. By this is meant "non-verbal" communication. These are a visible, if not audible, reflection of our attitude toward someone. 3) Prideful conduct. Humility is not just a duty of our private life, but our public life as well. 4) Selfishness. Selfishness breeds jealousies and envies in every relationship. 5) Untrained jocularity. Teasing, jesting and such like, when indulged at another's expense, the Bible says it is "inconvenient" and foolish. There is a teasing which is pleasant and by which no one suffers, but there is also teasing which makes others feel uncomfortable, and that is the kind we are referring to. 6) The habit of contradiction and argument. This is particularly true of a bully and it does not have to just be physical in nature. There are "logical bullies." If you say anything, they dispute it. 7) Fault-finding. Some have an intuition for discovering faults in others and they tell of them everywhere they go. These tale bearers create ill-will, even if what they say is true. Unless there is a benevolent purpose, we have no right to give an evil report of another, even if it is true. 8) Indiscreet Frankness. Telling other unpleasant truths about themselves or what other people have said about them, this is unwise and ungodly. Blurting out the truth to people to their face is impolite at best. There are those who think that because a thing is true, they can "let it fly" without concern for the consequences. Truth, like a medicine, is to be administered with care and discretion. Just because it came into your head doesn't mean it should come out of your mouth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:19-20	Personal Justice Component 2: Our response to wrongs committed against us and the surety of God's justice in the world	Component 2: Our response to wrongs committed against us and the surety of God's justice in the world. It may seem like v19 is a repeat of v17; don't take justice into your own hands. But a closer reading will reveal that even though they are connected, there is a distinction. There is justice and all things will be set right. Maybe not in the way we thought or the way we hoped, but all offences will be punished. What do we do when someone has committed an injustice against us, how do we feel about that, and what our response is supposed to be. The most common way we fail to live out of the doctrine is when a circumstance comes along that we did not anticipate and something happens. Then all of a sudden we respond to it. When someone does something/says something and it makes us angry and the next thing you know, we want to fire back some comment of some kind. The next thing you know you are supposed to leave your wrath with the Lord. This section talks about a different kind of enemy. The first enemy (GH: v17-18) is an antagonist, someone that doesn't like you and they are not hiding that fact. MM thinks this is a different kind of enemy, where someone truly becomes an enemy and they are dedicated against you. Not just generally but for a very specific reason. There are a couple reasons why he thinks this reason is right: - GIVE PLACE UNTO WRATH: MM says doesn't this say the opposite of what you thought was coming. Thought it would say don't give place unto wrath. - VENGENCE IS MINE, I WILL REPAY: This is now an enemy where God is going to get involved and the reason why He is going to get involved. Is because the nature of the enemy status against you. Because the reason that they are your enemy, they are becoming an enemy of God Himself and He now is going to take it upon Himself to execute vengence. There's a difference between VENGENCE and revenge. This is a different kind of enemy doing a different kind of evil and the kind of evil being done to you here God is going to take it personally Himself because this is impacting what He is doing. MM says this is not about your neighbor's tree leaves are falling off and blowing in your yard so you can rake them up. These enemies impact what God is doing with us. God is going to take this personally and get involved in the just recompense for this evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:19-20	Personal Justice Component 2: Our response to wrongs committed against us and the surety of God's justice in the world	Here we have a determined enemy who is part of Satan's POE, who is against you because who you are IN Christ. This is not a jealous co-worker or someone who doesn't like you for whatever reason (GH: covered in Romans 12:17-18). This is someone who is opposed to you because of who you are IN Christ and they are doing all of the things that they do to you, because they don't like that, they don't like you. That's why in v19 your Father says He is going to take responsibility for that vengence and that He will repay it. This person is not just your enemy, they are actually working against what your heavenly Father is trying to accomplish, they are His enemy. He is saying vengence is not yours to do in this regard, this is Mine. Your part - when you see a need in the life of your enemy, I WANT you to serve your enemy. MM says we don't like to hear that. Exhorts us to change the enemy status to someone who is now our friend. Your Father is going to use those good works to bring that to pass. God doesn't force anyone to be saved but doing this with an enemy is the best chance they have. These are enemies that are unsaved and need to be saved, and your good works are going to set the best stage possible to give them an opportunity to come to Christ. MM says this doesn't guarantee that this will make your enemy your BFF. You are doing to them exactly what your heavenly Father is doing to them in this DOGG, extending to them goodness and grace. He is asking us to not get in the way of that. Labor with Me in what I AM doing because before you got saved, you were an enemy of God too and God was longsuffering with you. We want to labor with our Father in what He is doing and being longsuffering with Him. We are not thrown out there with nothing, the grace of God is sufficient for everything. Not guaranteeing every enemy will be turned around but what we are doing is giving them the best opportunity to come to Christ and to be changed from that enemy status.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. **Please see 'Definition : Justice : Personal Retribution' in the Commentary.** The whole basis for forgiving others is that we have been forgiven. Context: This is talking about personal retribution. Not talking about the law, the system of justice we have that is able to right wrongs. It's talking about taking that into your own hands in your own personal life and carrying a vendetta forward. Nothing happens without His knowledge. We have trouble obeying this. Rather than avenging ourselves, leave it to God to execute His wrath on injustice and exact vengeance. In other words, replace our vengeance with God's wrath. You are being assured that there is justice and eventually all things will be set right. God is saying that there will be justice. Just not yet. This tells you that: 1. There will eventually be justice 2. There is a reason He is waiting on purpose - it is part of a much bigger picture

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. Don't get to thinking that somebody got away with it. They may have gotten away with it as far as earthly authorities go but you cannot escape the Justice of God. The wrong attitude is yeah, God is going to get them in the future! You are supposed to turn that over to your Heavenly Father and let that go. If they don't do their part and you don't do your part, you are both going to be standing up here being judged. So save yourself some grief. Do your part. Things will be made right at the end. Either: 1. A guy will pay for all the things he has done wrong in hell - MM believes there are degrees of suffering in eternity - a guy is either going to pay his own sin debt (Romans 5:12) OR 2. Our enemy is going to have his sin debt paid by Jesus Christ on the Cross (MM jokes you won't like this one) - sin debt will be laid on the Savior and He is going to suffer for that (Romans 4:7; 2 Corinthians 5:21) All of a sudden, we can't be quite so mad about it, because now is about punishing Jesus for that. You say you don't want some thing to happen to you because it is under the Blood. Well so is theirs. If it is fair for you it is fair for them. MM says God doesn't always do things the way we want Him to do it.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. DEARLY BELOVED: Have to ask why Paul adds this in the midst of this list of exhortations? MM thinks there's something instructive but doesn't want to put more into it than there actually is. MM says sometimes there is a a tendency to read more into something than is actually there. MM thinks this is a term of affection for the assembly at Rome. Paul has already used the team BELOVED in Romans (BELOVED OF GOD-Romans 1:7-How God feels about them; THEY ARE BELOVED-Romans 11:28). MM thinks this is talking about how Paul feels about them. Paul uses the phrase DEARLY BELOVED 7 different times and the word BELOVED 28 times. MM says it's not some type of title. First time you see this phrase is in Jeremiah. MM says the only thing the passage in Jeremiah 12:1-15 and the passage in Romans have in common is that phrase DEARLY BELOVED gets used. God is not expecting you to go back to Jeremiah and make any kind of application about what's happening to you. Can't compare the enemy's persecution in each case. In Jeremiah, it was God's judgment. GH: In Romans, it is NOT God's judgment. MM is not denying that we're DEARLY BELOVED of God, but when He says this in v19 He is not meaning for you to take that back into Israel's program and try to determine something about how God feels about you. Based on what you have learned in Romans and His Great Love, you should already known some things about how He feels about you and His MUCH MORE LOVE now that we belong to Him. MM says you are DEARLY BELOVED but he does not think this is God telling the Romans that they are DEARLY BELOVED. he thinks they are, but thinks this is Paul telling them that that to him they are DEARLY BELOVED. It's the way he feels about them. This is the instructive part of this because there are only 2 ways to look at this.

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. Either looking at this and saying: 1. God is calling us DEARLY BELOVED and we take this back over here OR 2. Paul is calling us DEARLY BELOVED to talk about how he feels about them. MM thinks it's this one. He is talking about how he feels about who he is writing to. The godly love that's supposed to be generated in Paul for the saints is demonstrated by these terms of affection that he uses for indviduals and entire assemblies (GH: Search BELOVED for many references). There are people like Timothy who are closer to Paul than others in the ministry. But Paul cares about them all as DEARLY BELOVED. And even though Paul never personally knew us while he was on this earth, he felt this way about the entire body of Christ. MM doesn't deny that Paul knows we are all part of a body and all are valuable and he loves everybody but MM thinks he is looking at something else - the potential that every member has to bring glory to God and to put the manifold wisdom of God on display and make an impact in this work and in Satan's realm. Paul loves that, he knows that is what God wants done and because every saint has the potentialt to accomplish that, Paul loves them with what their Father wants to do with them in mind.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. DEARLY: OED: Dearly - In a precious, worthy, or excellent manner; worthily, choicely, finely, richly. As one held with feelings of tender affection. MM says some how great care and great affection is shone. BELOVED: When you add the prefix BE- to a word, it magnifies the verb-LOVED. Your LOVED but it's like you are MORE LOVED. It's a way of saying how much you are loved. When you string it all together DEARLY BELOVED, it's like the most intense way of saying this is how I feel about you.

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. AVENGE NOT YOURSELVES: Something you do for yourself(privately). Here's the next negative imperative (why this is the second component) after RECOMPENSE TO NO MAN EVIL FOR EVIL. If you think about getting even, don't do it. It means to allow God's wrath to be set in the place of our vengeance. Avenging ourselves would normally be in the heart of someone who had been wronged or experienced some sort of injustice against them. Reasons why we want to execute vengeance for some wrong done to us are: - We are hurt or angry and our instinct is to retaliate - The nature of the offence allows no other recourse - If there is no other recourse, then there will be no justice and the wrong committed against us will go unpunished, and therefore our vengeance is appropriate. When somebody offends, your emotions get all involved. MM says if you give emotions the steering wheel, you will find yourself off the road crashed out in a field because your emotions will run away with it. Do not allow your emotions to climb behind the wheel and drive the car. Use your godliness to get behind the wheel. Make a decision about that.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. AVENGE: OED: One of these is righteous and one of these is not. - Avenge: Carries the idea of just (the core of the word JUSTICE) retribution, as distinguished from the malicious retalitation of revenge. GH: Retribution NE Revenge - Revenge: Hurt or harm from vindictive motives. MM says that God is not doing anything out of vindictiveness, he is doing it out of justice.

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. Reasons this is tough - AVENGE NOT YOURSELVES: 1. One of the main reasons that this is difficult for us is when a wrong is made against us, there is this built-in desire for justice to be done. That's not a bad thing. MM says God put that in there and that is actually a good thing. The problem is when we are hurt or angry, our first initial response is to retaliate. Our Bible is telling us, when you do that, that's your flesh so don't do that. 2. There may be something done to you for which you have no recourse or is in an area that isn't covered by the law. Someone is just being unkind to you. 3. They are doing something that is perfectly legal for them to do, but it makes your life harder and they know it. You look at this and say I don't have any other recourse and it is unfair they did this and you say it's OK if I get them back. But it is not. Because there is a Judge that is above all that goes on here and none of it escapes His Eye. He not only knows what was done, He knows their heart when they did it. This is why Paul can say trade in your vengence and leave that up to God. MM says if there is a feud going on and somebody starts to obey this, it will feel like a burden came off of your shoulders. It will free you up in ways that you cannot imagine. If are wronged and decide not to avenge yourself, but still be really mad about it, MM advises to take the next step and put that into the Hands of God.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. BUT RATHER GIVE PLACE UNTO WRATH: MM says you would have expected it to say 'don't give place to wrath'. GIVE PLACE UNTO WRATH: **Let the wrath be put in/occupy it's proper place**. Instead of avenging ourselves, he is asking us to trade that off and leave that with God. **Exchange vengence with leaving that up to God**. Because if you do it, there will be consequences for that. Remember God sees the things that even we don't see. This will not always be easy. You are not always going to want to do it. Remember it is about making a godly decision. The wrath we are to “give place to” is God’s wrath, not ours. When we trade our vengence for giving it to God, we are doing/becoming 3 things that should motivate you when you are tempted to not do it: 1. Becoming godly because this is what the scripture has asked you to do and this is the Will of God. If you want to do it like Him, then make that trade (GH: your vengence for God's Wrath). Everytime you make that trade, you are replacing what your flesh would like you to do with what your Heavenly Father would like you to do. 2. (you are) Conqueroring the flesh every time you do this 3. the Life of Christ is being formed IN you/IN your INNER MAN

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. GIVE PLACE UNTO WRATH (cont'd): How do you get that to happen? Make this trade (GH: vengence with leaving it up to God). This is how that gets done. This is not magic, this is you obeying the doctrine on the pages of your Bible. Know this - justice will always be done. God is a God who is just. There is no sin great or small that will go unpunished one way or another. Even when there is forgiveness, that does not mean that sin goes unpunished. Your sins are forgiven, but Jesus was punished for them. There are no exceptions to this - every sin, every offence, every injustice will receive its due recompense, either in hell, for those who have committed it, or laid on Jesus as their substitute. But it is going to be paid for one place or another. God sent His Son into the world for punishment to happen, but not to us. He is going to take that punishment for us. If we trust His All-Sufficient Death, that punishment is laid on Him and we get forgiven. Every single one of us deserves hell, because that's what we are by nature. Thank God by His Love and Grace, we are not locked into that. We have the opportunity to avoid that. But we all deserve that. We all deserve God's vengence against us. If you think about who you really are and what you really deserve, it makes it easier to think about the folks who have done an injustice to you. GIVE PLACE: When you GIVE PLACE to something, you are situating it in its proper position. Like a place setting. You are putting things where they belong. WRATH: The WRATH being spoken of here is not our wrath, it's God's Wrath. Talking about God's Wrath, not you avenging yourself. Put God's Wrath in it's place.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. FOR IT IS WRITTEN, VENGANCE IS MINE; I WILL REPAY, SAITH THE LORD: MM says you look at this and say this is written before but you will see this is not an exact quote. MM gave 5 of 25 verses and none say I WILL REPAY. Paul is not giving you an exact quote, he is telling you that there is a very similar principle here. Just as the remnant of Israel was going to have to wait for God to avenge their cause (have to wait till the end of Daniel's 70th week). The similarity of the principle is that you are going to have to wait too. And at the end, it's not going to be you that have wrath to take vengence, it's going to be God who is going to have wrath to take vengence. MM says and He knows every nuance of the situation. Nothing will be overlooked and nothing will be blown out of proportion. He knows exactly what is just. We will endure sufferings until you die or the BLESSED HOPE-Titus 2:13. You have to remember that God is going to do this Himself AND God is not dealing with us directly right now. Therefore, He is not taking vengence on them right now either. MM tying this to Romans 2:4 - if He was good to us, He has to be good to them too because you were all born in the DOGG. If this is the case, if you have an enemy who hates you and is trying to do everything they can to thwart what God is trying to do through you, when that happens, God says hey VENGENCE IS MINE; I WILL REPAY, you GIVE PLACE UNTO WRATH.

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. FOR IT IS WRITTEN, VENGEANCE IS MINE; I WILL REPAY, SAITH THE LORD (cont'd): This is not what our flesh wants or what is preached today - 'God - go get them now!' POINT: Unless they come to Christ and all of those sins get forgiven, there will be a payday for them. But rather than getting even or seeing them get the stick, we would rather see them come back to God. QUESTION: What if the one persecuting you is another saint? MM says it is possible for someone to be saved and be dimetrically opposed to you as a son. But VENGENCE is not yours. Remember that God is not throwing you out there with nothing. There is a grace to endure all of those things to His glory. And what is being built during that time is your JHI. And this is another way that you become MORE THAN A CONQUEROR-Romans 8:37. All of these things that are meant to destroy you can actually REDOUND TO THE GLORY OF GOD-2 Corinthians 4:15. You are not cast out there with nothing and there is that suffering that can go on... GH: If a saved person does not repent, then their JHI is impacted (they lose reward). MM quotes SEEING IT IS A RIGHTEOUS THING WITH GOD TO RECOMPENSE TRIBULATION TO THEM THAT TROUBLE YOU-2 Thessalonians 1:6. We are not expecting God to do this now and God is expecting us to look at what He wants to do in the life of these people to be worth more to us than see them get their just desserts right now.
Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. FOR IT IS WRITTEN: Paul is saying I'm taking an ideas of something that is said back in the scriptures and I'm telling you a similar type thing is going to happen here. FOR: Because, it is a motivation. We don't render evil for evil. We do good instead. The word “for” is one of the motivations for why we cannot return evil for evil. VENGEANCE IS MINE; I WILL REPAY, SAITH THE LORD VENGEANCE IS MINE: Quoted from TO ME BELONGETH VENGEANCE-Deuteronomy 32:35. MM says the only one that really has the right to VENGENCE is the Lord Himself. He is the only One that really has the right to punish anyone. God says vengeance belongs to Him. He will see to it that justice will be done. Punishment will be meted out. Wrongs will be addressed. Vengeance will come. There is only One being to whom belongs the right of vengeance; the Lord God. There is only One being to whom all punishment belongs, and none of us are Him. Only One has the ultimate right to punish…and…anyone to whom He appoints that right. He and He alone has the right to punish those offenders, and anyone He gives that power to (Romans 13:4-governmental authorities). Not everyone will wait to get their punishment up there, some folks will get punished right here on this earth. That is the way God set up human government. But at the end of the day, He is the only One that has the right to do it and He is the only One that has the right to give that power of punishment to someone else.

Romans 12:19	GH: Inter-dispensational	19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. That is what makes the Cross necessary - reasons for the Cross: 1. God is just. He cannot allow sin to happen and then bring everyone into Heaven like it never happened. There has to be a payment for that. 2. Vengeance belongs to the Lord. Down in our heart, there needs to be justice in the world, and we know that. Sometimes we may look around and think that justice is not going to get served and I have to take this into my own hands. What Paul is asking you to do is to look at this and say, have you not been assured yet of the fact that VENGEANCE, God is going to exact it in one way or another. It may not be right now, but it will be (GH: exacted at some point). You let that offence go and it doesn't matter about any of the other. When Paul says this, for 3 centuries there were no protections for Christians and no recognition of Christianity. Christians were persecuted for believing in only 1 God. Makes it sound outlandish for Paul to write, don't avenge yourselves but leave it up to God. He didn't write this in an atmosphere where Christianity is looked upon well. This was going to end up costing him his life. And he knew that.
Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. You are SERVing your enemy in a need because this could result in the change that God wants to happen in them. Feeding our enemy isn't a way of getting even, it's a way of changing them and that's what your Father is after. Not what you have been taught about. MM taught in Bible college when somebody's evil to you or mistreats you or offends you or does something to you, if you turn around and be nice to them then their conscience will bother them and that's going to be like heaping coals of fire on their heads and they'll feel bad about what they did. That's not what that's talking about at all. This could happen but it is not the issue. This is about the POE and it's use of somebody to come in and you've gone through some things - MM says this is not exactly accurate but this is it in a sentence - You can try and get even with them here or you can leave it up to Me later. If you'll do what you're supposed to do, God says He will balance it out and that will heap coals of fire on their head. You are not going to heap coals of fire on their head, He is. Not talking about a nation at war and how you act on the battle field. We are talking about individual justice here in the community where you live and the people you rub shoulders with. MM doesn't think this is restricted to food and water. Turns out to be almost word-for-word what is written in Proverbs 25:21-22.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. THEREFORE: See the continuation from v19 into this verse. Means that you are about to come to a conclusion of things you just previously encountered. FOR IN SO DOING THOU SHALT HEAP COALS OF FIRE ON HIS HEAD HEAP COALS OF FIRE ON HIS HEAD: Not talking about throwing them upside down in your BBQ pit. Not saying we are burning our enemy up with BBQ bricks. MM says this came out of the O.T. Remember his animosity is coming to you from his head. We are molding his thinking to change his mind. Makes them think why am I doing to them what I am doing? By doing this, we are taking their hardened thinking or that hardened heart and we're making things pliable and moldable. Here is a person who is a determined enemy, part of the POE and those good works act like coals to change their thinking. That's the thing that your Father is after. Paul quotes Proverbs 25:21. Two points: 1. MM says this is a principle that God means to utilize in both programs. It's in Israel's program and it's in our mystery program. God means for them to do the same thing He means for us to do. 2. You don't have to go back and look at Israel's program to figure out what they are doing, if there's something they were doing that Paul means for us to do as well, he'll tell us.
Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. Five ways to explain this verse - MM is not happy with any of them and are in a file titled 'Wait for more information/understanding': 1) Heaping coals of fire on his head is a back-handed way of getting even with them - this will be a really good way to get even. This cannot be the case, as it runs in opposition to all the things that are being said to us in this chapter (bless them which persecute you, do not recompense evil for evil, overcome evil with good, not other evil). This is not the way to think about this. Giving them food or drink is not a sly way of doing evil. It's not evil for evil. 2) Heaping coals of fire on his head is the intense agony of the pain that results from his shame and remorse of conscience from his bad behavior in light of our good works toward him. Again, this is not about inflicting pain. He may indeed have some conviction of the evil of his own conduct, but the idea of the coals is not about “intense agony of pain.” It's not about inflicting pain, but he'll have a conviction of evil of his own conduct. The coals are not physical pain but the pain of remorse. MM says maybe but he knows plenty of instances where someone does something evil and someone does good in return and it did not make them have a conscious about it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. 3) Heaping coals of fire is the metaphor of the smelting of metals. The ore is put into a furnace and the fire put under and over it that the metal be liquefied and leaving the dross, may fall down pure to the bottom of the furnace. As the poet wrote: "So artists melt the sullen ore of lead, by heaping coals of fire upon its head. In the kind warmth the metal learns to glow, and pure from dross the silver runs below." The heaping coals of fire is the elimination of those things which made him an enemy so that now he may become your friend, as he is "melted down into repentance." Metals are unforgiving but under heat they become moldable and flexible. It's a metaphor for someone being evil toward you and then you turn around and do good back, it softens that and they think maybe I need to quit being such a jerk. MM likes this one better than others because it kind of suits the reality of life. 4) When we do good to someone their sinfulness is pointed out to them and they get a small reminder of the lake of fire that awaits them. So they have a chance now to do something about it before the Great White Throne Judgment when it will be too late. This is why doing good is better for our enemy and more powerful than doing evil. If you are a literal person, you will say it is this one. The coals are the literal coals of the lake of fire and the judgement that is coming. 5) The last view we will consider centers around the need of fire in ancient times. Heaping coals of fire was the sharing of your coals with your enemy in an act of charity. In the old world, everything was carried "on the head." In a specially designed basket which was insulated to prevent burns, you would provide coals of fire for your enemy which he would then carry them his home on his head. But in the end, that does not make sense. If this is the view, then here is what Paul is saying, If your enemy is hungry, then feed him, for in so doing you will give him coals to make his own fire at home. MM says this doesn't automatically happen because you give a hungry person food. He doesn't like that analogy. Every time you give him a drink, you also have to give coals out of your fire? Doesn't make any sense.

Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. Either he is talking about 1 of 2 things: 1. Something literally physical in nature OR 2. The coals of fire are a metaphor for something. MM thinks it is a metaphor. He doesn't think you are literally putting coals of fire on someone's head when you give them a drink. Because MM believes it is a metaphor, he doesn't have to get the metaphor right to get the message right. COALS OF FIRE: Found 9x in your Bible, 8x in the O.T. Most of these are refering to the Judgment when the Lord returns. But you know words and phrases aren't always used the exact same way everytime you see them. All of the others besides Proverbs 25:21-22 are obviously a judgment. After reading the prior verses in Romans 12, you can tell this is NOT an act of vengence. Feeding a hungry guy or giving water to a thirsty person is not an act of vengence. It is an act of persuasion to change them from being an enemy to no longer being an enemy. Heaping coals of fire on the head of our enemy is something that we accomplish by being kind to our enemy. The purpose of wanting their thinking/attitude to change - MM says this is about ministry. It's about them either coming to Christ or them being edified. Were used to forge metals. MM references blacksmiths in old movies and having a horse shoe or sword in a fire to make it moldable. You can take a piece of metal and change it up through the heat. The same way we can take iron and mold it and change it, that's what God is trying to do by our service, even to our enemies, it mold and change their thinking about us. As strong fire can mold iron, these actions can mold the mindset of an individual. If you don't understand this, you will think this is some kind of punishment, but it is not that at all. In the days where a smith would pound out a sword, they didn't take cold metal, they heated that metal up so that it was able to be fashioned and molded. Once that metal was hot, it was moldable and fashionable.
Romans 12:20	GH: Inter-dispensational	20 Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. STORY: Single lady moved next door to MM in BR, LA and she really didn't like kids. The kids knew she didn't like them but they didn't come in pouting about it they just thought that was her issue. She got sick one summer and her yard got up and MM took MMJr over and push mowed her lawn. While she was never unkind, she was very cool and was not going to carry on a conversation with you. After mowing her grass, she came over and said thanks so much for mowing my grass. That was the turning point for her. After that she would talk to the kids and wave at us. That little bit of kindness changed her. MM tying this to Romans 12:20. Point: We have to see... ...the bigger picture of what God is trying to accomplish. ...that this is part of the process where Christ is formed IN us. ...that this is how we conquer our flesh and not allow it to control us. ...that this is part of a Sonship skill that we are going to have to need when we get into the heavenly places. Once we get this in our head, these become much bigger reasons than let me get even. You are giving up too much when you get even.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 12:21	Personal Justice Component 3: first godly labor of justice	21 Be not overcome of evil, but overcome evil with good. Component 3: first godly labor of justice. This is the summation for everything we have covered from v17 to this point. BE NOT OVERCOME OF EVIL: MM says you could lump v21 in with v19-20 if you want but he sees another/a third negative imperative in this passage. Couple different ways to see this/look at this: 1. The EVIL that is perpetrated on you by an enemy who's part of Satan's POE who was against you because of who you are IN Christ. That's why they are against you. The POE is trying to get you to quit your Sonship education and go back to the old way. If you quit those attacks will stop. If you quit and walk away, you have been OVERCOME OF EVIL. The attacks are all different (Romans 8:35). 2. The idea that we need to take matters into our own hands and when an enemy does something to us, we need to take vengence, we need to revenge ourselves. When every one (what has been done to me!?!?!) thought was what was done to you and how much you hated that and how much you dislike the person that did that. MM said in his ministry he has seen this plenty of times where people are so consumed with bitterness and anger it has eaten away at their whole life and everything they do. That thought is always in the back of their mind and it influences their actions and their thoughts. It robs them of any happiness. They cannot let go and they have been OVERCOME in a very different way. You don't have to quit, you are not going forward anymore. It has accomplished the same goal. The Lord is saying hey, I don't want you to not only not avenge yourself, I AM going to take care of that when the time comes. What I want you to do it look for opportunities to serve your enemy so that work might be done to change them. This is what your Father is after and that's the kind of thinking that has to be here. It's not that this isn't a real injustice, God is saying I AM going to repay that, it's not going to slide, that's a real thing. It's not that they hurt your feelings unintentionally, this is someone who is absolutely cooperating with the POE on purpose. GH: MM teaching Paul's endurance or his love for others. MM says this is about our attitude and what it is supposed to be and the only way this can happen is for godly love and charity to actually be generated in us.
Romans 12:21	Personal Justice Component 3: first godly labor of justice	21 Be not overcome of evil, but overcome evil with good. OVERCOME OF EVIL: **To quit your Sonship life**. Nuture hatred in our heart for one who has wronged us. Should sound an alarm in your spirit. Not hurting the other guy, eating yourself up. That's a selfish reason but true. Don't turn into a victim. Have a godly response to every evil that takes place against you. Let who we are IN Christ define us'. We are being overcome of evil when: - we allow the wrongs done to us to rob us of our peace and joy or define us - we repay evil with evil; get even; avenge ourselves - we wish or facilitate ill to those who wrong us - we nurture hatred in our heart for the one who has wronged us - we realize that we have hatred in our heart for our enemy; that should sound an alarm in our spirit. The fact that Paul says for us not to be overcome of evil is evidence that it is possible for evil to negatively impact us.

Romans 12:21	Personal Justice Component 3: first godly labor of justice	21 Be not overcome of evil, but overcome evil with good. OVERCOME: Crabb's Synoyms: Overcome: signifies to come over or get the mastery over one. It requires for the most part determination and force to overcome. To conquer and overcome may sometimes be applied to the same object: but the former has always a reference to the thing gained, the latter to the resistance which is opposed, hence we talk of conquering a prejudice as far as we bring it under the power of the understanding; we overcome it as far we successfully oppose its influence. - MM boils it down - if you have to OVERCOME something, it is offering resistance. OF EVIL: MM says this seems odd and he was thinking it would be 'by evil' or 'with evil'. Took him a while to determine difference between by vs. with vs. OF. First two are easy.
Romans 12:21	Personal Justice Component 3: first godly labor of justice	21 Be not overcome of evil, but overcome evil with good. BUT OVERCOME EVIL WITH GOOD: He doesn't just leave us with the negative, also gives us the positive. OVERCOME EVIL WITH GOOD: MM says this would essentially turn the tables on the adversary. Instead of him getting what he wants out of this, which is to get you to quit, get you to be discouraged, for you to be overwhelmed by your circumstances, and take this person who was his tool in his POE trying to get you to quit, and turn around and make them a brother in Christ? MM says that would be the ultimate overcoming of evil. MM says Saul of Tarsus was the ultimate rep of the POE. When he converted, some thought it was a trick so he could find out who all the members were and lock them up too. The whole time Saul is doing this, he thinks he is doing God's service. MM says the POE is so clever. To do this, he travels far beyond Jerusalem. Remember Saul is on the Damascus Road when he has that encounter with the Lord. MM says thank God for this event.
Romans 12:21	Personal Justice Component 3: first godly labor of justice	21 Be not overcome of evil, but overcome evil with good. OVERCOME EVIL: We overcome evil with good when we - Refuse to recompense evil for evil - Display - Make every - Forbear - Do personal good

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	**Please see 'GH: Government: Past, Present, & Future' in Pastor Mike : Hot Topics and 'Definition : Divine Institution : Government' in the Commentary section.** Godly Justice Section 2: Governmental Justice - Romans 13:1-7: Divine institution of human government. Paul discusses the duty which we members of the body of Christ owe to civil government. Considering the times we live in, many may find this instruction difficult, but it will be no more difficult today than it was in the day Paul wrote these verses. At the time Paul wrote this, the Roman government is not a friend of Christianity. To understand Governmental Justice we must understand God's Divine Institutions and their importance. As a son, telling you how to interact with the government you are under. He doesn't put a cavaet in there that says if your government is good or if you like it or if it's a democracy, because most of the nations of the world are not. Remember, Romans is written to the church at Rome, which was the seat of government throughout the world in Paul's day. Our ideas of patriotism, allegiance, and the role of government are a major stumbling block to this doctrine ever working IN us: - Christians erroneously think the role of government is to control sin. It is not. - Christians erroneously think that God wants only saved people in office. That is not the issue with God. When God designed human government, He made it so that it functioned in accordance with what He ordained it to do no matter who was running it, lost or saved. To say that because a guy is saved automatically makes him a better leader is not found in scripture. - God is not using national, state or local governments to preach the gospel or enforce a theocratic form of government. (Jesus will do that when He shows up and sets up the kingdom.) Presents the doctrine within the context of our submission to government. While this doctrine does produce longsuffering, its effectual working produces another core aspect of our Father's love; benevolent goodness.

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	God is using government to provide an atmosphere whereby the work of God can be carried out, and whereby the body of Christ can do its job – the preaching of the gospel and the edification of the saints. We expect government: * to protect its citizenry * to preserve their rights (whatever they may be) * to provide for a public peace, and * to provide for a system of justice where the rule of law is upheld. And that is not wrong at all. But Christians think the Declaration of Independence and the Constitution of the United States are on par with (or even superior to) the Bible. They are nowhere close. The documents of the founding fathers, as good as they may be, are not our final authority in life; the Bible is. This world is not my home. I am here as an ambassador of my heavenly Father and His Son. We talk about this no longer being a Christian nation, but the truth is, that is not the fault of the government alone; it is the fault of the people. "We the people": - abandoned the Bible and its doctrine. - are immoral. - revel in sin. - are ungodly. - are more concerned with the fleshly pursuits of life than we are with God. We talk about the sins of government while Americans defraud the government every day.

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	MM says it is important to NOT think about this from the standpoint of being American in the midst of our political situation, he wants us to look at this from the standpoint of Paul's situation when he wrote this. God is not giving us a commentary on a particular form of government. He is not commenting on political parties. He is not talking about politics at all. You will be tempted to look at American politics today and that is not what MM wants us to do. The old idea was Nero was such a bad guy. Don't think about current state because if you get to thinking about Republican, Democrat, or any other party that are out there talking about that, you will miss what is going on here. MM says at the time, there wasn't any setup of authority within the believers of the body of Christ. When MM says in charge, in a rulership position over all the churches in Asia Minor. There was nobody. Realize what Paul is writing about is NOT about church/state relationship. MM showed the models (**please see 'Definition : Assembly : 4 Main Models of the Church/State Relationship' in the Commentary for more information**) to dispel that. What Paul is writing about is your role as a citizen of a government and your relationship to that government. That's what he is concerned about right here. MM doesn't want us to get off-track with this because there weren't any kind of Christian authorities that were in charge of everything. Every church did its own thing and it didn't have any controllers over it.

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	There were other authorities in power - the Roman Empire, the Jews had a religious hierarchy - the Pharisees, the Sadducees, the scribes, the high priest - positions of power and influence. Realize that for the most part, Rome and it's civil authorities and the Jewish religious authorities were all opposed to Christianity. They were not favorable towards Christianity. At the time Paul is writing, Constantine hasn't even been born yet. Paul regarded human government as established by God and that's even the Roman government with Nero in control. You have to know WHY God established human government. Paul is not talking about what he thinks about some nation's foreign policy or domestic policy or their tax code or the way they regulate education - not talking about any of that. So here is the Roman Empire with Nero, who is not a good guy, in control and Paul says God is the Creator of human goverment. Paul's also not talking about what kind of government. Notice that no official is mentioned by name - no Caesar, no Nero, no Agrippa. He's not interested in this nor is he interested in the form of goverment or party platform. When you oppose the powers that be, you are opposing the very thing that God instituted human government to do in the first place so that is the first reason that we submit ourselves th human government.

The Higher Powers: v1-2 - the setup for the rest of this passage.** **2. The Rulers: v3-4** **3. Our response to government: v5-7** Paul is not interested in discussing what kind of governments are good and what kind are bad, he's not interested in talkking about any policies of government, he's not interested in talking about the laws that governments pass and enforce, he's not talking about any of that so don't look for it. No matter what government you live under, it's real easy to look at and say I'm unhappy with the government. EX People say I don't want to pay my taxes because the government uses them to fund things that I'm opposed to. But your Father means for you to look at government the way that He looks at government. He had a purpose in creating human government and that purpose is what's in His thinking.

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	When He looks at human government, He doesn't care what the governments do, if they're oppressive regime or a democratic government, this is not what this passage is addressing at all. The first thing that should spring into your mind is this (controlling chaos & promoting an atmosphere of peace) and if it is you will now have the ability to look at government the way that your Father does. All of those things we get upset about are not the issues He gets upset about. We would say we need to put saved people in government but when it comes to human government, your Father really doesn't care if they're saved or lost because human goverment is made to do one thing. As long as it does this one thing, it has done what God created government to do. MM says there's not a government on the face of the earth that doesn't have corruption in it and it doesn't matter who's in power, what nation you want to look at in the world, they are all corrupted. **One day there is going to be a perfect government of righteousness set up on this earth that will control all the other governments in the world, that will be the one the Lord Jesus will rule over**. MM says his church used to have a list of hot button topics about government - they took prayer out of schools, didn't allow the 10 Commandments to be posted in government buildings, removed the nativity scene from federal areas, etc. MM says they took prayer out of school, but what do you think they were praying? They weren't praying like adopted sons & daughters? They prayed for the same things this group used to pray for.

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	Why would that bother you? The issue was no one was teaching the right way about prayer but say that and become the most unpopular person on the block. We thought God was offended on these things, He's not. He only wants government to do one thing, we wanted government to do other things, but that's not why God created human goverment and it's never going to do those things we get upset about. The sooner we come to grips with this the better. In these 7 verses we are learning what is right and what is wrong as it concerns human government and we are going to operate out of this in the AGES TO COME. MM realizes that politics is one of these hot button issues but this is not about politics. We can look at our government and disagree about policy and procedure, how money is spent, but that's not what these verses are about. These verses are about us V&E government for the purpose for which God created it. Can't let thinking in one of these other areas stop what these verses are trying to work in us then there's where our Sonship stops. We have to get this down and we have to be able to take this into the creature because we are going to be sitting in positions of authority in God's government in the heavenly places. We've got to understand how our heavenly Father thinks about that government. We are not the only ones. The creature is going to have to submit to us in those positions of authority. The creature will have to know something about being subject unto the higher powers which at that time will be you. Another aspect - the angels will be subject unto us in those heavenly places. They're going to have to be able to look at the government in the creature the way they are supposed to so they don't have any problem following the directions that we are going to be giving them. Everyone will benefit from this (viewing this the right way).

Romans 13:1-7	RE 5: Romans 13:1-7 - Godly Justice Section 2: Governmental Justice: Relationship with the government / FIFTH FORM OF DOCTRINE FOR GODLY WISDOM - Core Feature No. 5: Benevolence	When it comes to the doing of good, when it comes to obeying or being subject to those higher powers that be, you can look around at governments in the world who persecute Christians and have to realize they still control their populations. These are 2 different issues. We are still free to meet as a body. But if the day comes where we are not, the exhortation LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS doesn't change. MM prays let us take advantage of the opportunity that we have today. Point: Just because a government may persecute believers doesn't mean it's not doing the thing that God created it to do. Those other things are not for this purpose right here, of controlling the violence of men and bringing order to a society. MM says out of all the Sonship cirrculum, this is the hardest part to teach because he knows this is not the popular way to look at it. But if we are going to be sons and daughters that are actually going to function properly up there, we better get this into our heads and into our conduct & behavior because we're going to be called to labor with our Father out of this. This is another thing that is working to conform us to the Image of God's Son. MM says he doesn't have any sacred cows concerning the scripture that are worth more to him than the Truth, he is not trying to find a loop hole or a way out. If it says it, that's it. Clifford said 'If Paul said it, that's just it'. MM says that's got to be the attitude if you are really going to get this because it's not a cafeteria where you pick and choose things. We get it all if we are going to be the sons we are intended to be.

The institution of human government is for saved and lost alike. 2. Dues, tribute and custom are meant to convey every category of taxation. School tax, sales tax, property tax, income tax, you name it. 3. The wickedness of men who make or enforce the laws does not render the law null and void, nor does it void our obligation to obey it. 4. Godly labor must be done intelligently and be motivated by godliness. 5. Unsaved men can and do occupy the offices of government. 6. The reason for ordaining government as the power to enforce peace and tranquility has to do with the optimum atmosphere for God's work to be done. 7. By paying our taxes, we support the ordained power of government. 8. The holders of governmental office are God's ministers. 9. Tribute is a form of tax imposed by government in return for peace, security and protection. There is a power structure (a structure of authority where there are positions of authority and the accompanying responsibility, and positions under authority and the accompanying submission) in marriage, and in family, and in work. GH: Can't throw it out if the headship person is corrupt.
Romans 13:1-2	Governmental Justice Part 1 of 3: The Higher Powers	Talking godly governmental justice. Talking about government and that kind of business and He's going to teach you something there. If you don't know what happened to government back at the tower of Babel, that won't make any sense to you whatsoever. God's going to use terminology to take you back there. Know: - The HIGHER POWERS are ORDAINED OF GOD - Whosoever resists the POWER resists God's ordinance MM says make sure and pay attention to the plurals and singulars because they are not the same thing. God didn't create the HIGHER POWERS the same time He created the POWER. **- He created the HIGHER POWERS on this earth - they didn't get created till after the Flood.** **- He created the POWER back when He installed the angels in the heavenly government.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1-2	Governmental Justice Part 1 of 3: The Higher Powers	These are two different things that started at two different times. - Group guesses the HIGHER POWERS are men who hold positions of governmental authority. - The POWER is talking about a particular power that the HIGHER POWERS are supposed to enforce or put into use or to project. This POWER was present ever before human government was present. Need to understand: - What was God thinking when He brought the POWER into existence way back in the beginning? - What was God doing when He brought those POWERS into existence by fracturing that power? **God took that POWER at the Flood and fractured it into POWERS**. MM says he had fun seeing the groups reaction and getting that 'calf at the new gate' look. Three things got fractured into 1 parts at the Flood: 1. The POWER: GH: The POWER that Satan had over the world collectively to drive it to lawlessness was fractured into HIGHER POWERS when God created the nations. 2. 3.
Romans 13:1-2	Governmental Justice Part 1 of 3: The Higher Powers	**Five Parts (GH: based on periods and colons):** **1. v1: LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS: This is the exhortation, what we are told to do. Get a two-fold explanation as to WHY. We are sons and daughters so He always tells us why. It's not 'if God said it that's enough let's do it'. Remember, He always tells us WHY. He is not justifying Himself, He wants to start thinking about this the way He thinks about it.** **2. v1: FOR THERE IS NO POWER BUT OF GOD: Explanation - Reason 1 why we subject ourselves unto the higher powers.** **3. v2: THE POWERS THAT BE ARE ORDAINED OF GOD: Explanation - Reason 2 why we subject ourselves unto the higher powers.** **4. v2: WHOSOEVER THEREFORE RESISTETH THE POWER RESISTETH THE ORDINANCE OF GOD: Conclusion (due to the THEREFORE) - what God thinks.** **5. v2: AND THEY THAT RESIST SHALL RECEIVE TO THEMSELVES DAMNATION: Conclusion (due to the THEREFORE) - what government thinks.**

Romans 13:1-2	Governmental Justice Part 1 of 3: The Higher Powers	Romans 13:1-2 Recap: - Goverment, where there is no sin or lawlessness, is the means whereby God carries out His Business - what it's going to be like for us in the creature - Human government was issued after the flood of Noah - there was sin and there was lawlessness there - Human government is supposed to exercise controls over its population - The main area of control is with regard to controlling violence, especially the violence of taking another man's life - what was going on the days before the Flood because mankind was destroying itself - Without the controls of government, Satan's POE would result in mankind destroying itself - By instituting the controls of government, an environment conducive to the living out of our Sonship life is provided - a life that is orderly and peaceable and quiet is the very best atmosphere for Sonship living, that's the best way for that to take place
Romans 13:1-2	Governmental Justice Part 1 of 3: The Higher Powers	- By the institution of human goverment, God has slowed down the effects of Satan's POE provided time for God's plan and purpose to be carried out in the world - Everyone is to be subject to government because: * God is Creator of human government * God has ordained government to be part of the natural order * **To resist government is to resist what God has ordained government to do: maintain order and control violence on every level** * Resistance will result in consequences from goverment
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Is about understanding what our Father is doing with human government and cooperating with Him, even when it is not convenient. If you are living in a democracy, Paul says to be subject to that government. Change what you can by lobbying and elections, but still, we submit ourselves. If the people in government are corrupt, the instruction remains the same. If you are living under a socialist government, then be subject to that government. If the elections are rigged, submit to the government anyway. If the policies benefit only a small minority, you still submit to the government. If you are under a communist dictatorship, then be subject to that government. If there are no elections, it does not matter as far as Romans 13:1 is concerned. If you do not like your government and you don't really have elections for changing the government, then you could try to leave and go somewhere else. If the government restricts that action, then as long as you are under that government, you should subject yourself to it. These are hard words to hear, especially when we do not: - think about government properly - understand why we should submit ourselves to Our subjection is not on the basis of the type of government, the spiritual condition of the people in those positions, or the policies of the government. Nowhere does Paul say that government (or the people in it) ought to be a ministry of God (ministers of God) (GH: ??). Neither does he say it would be good if government would consent to be God's ministry (or its people to consent to being His ministers); Paul simply says that government is and the people in it are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. While Nero is in power and all of the persecution of Christians is going on, Paul says LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS. This is the situation Paul writes Romans 13 in. So don't think about it the way we think about it because no one is putting Christians on pikes and putting them on fire to light up the interstate. No one is doing that today. Yes, we took prayer out of school and other mild persecution things. Yes, there are places in this world where you would give your life to be a Christian. But it is in the midst of the most horrible situation you can imagine that Paul is writing Romans 13 so don't get to thinking he's looking at a government that loves the Lord and wants righteousness and believes the Bible and is promoting Paul's efforts of evangelism. They are not doing that at all. In the midst of this situation, Paul writes these 7 verses. MM says this makes all the difference in the world. You can't say I can't subject myself to human government when you understand the one thing it is designed to do. On the basis of this, you can. MM says you might as well get used to this issue, you're going to be part of the goverment that your Father has set up in the heavenly places one day. And you are going to expect people to have a certain relationship with that government. This doesn't just concern you now, it's going to respond to you later.
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Why would God tell saints to subject themselves to a government that is corrupt or that is evil? When Paul was in Rome, you couldn't get much more corrupt than Nero when he is writing this. God is not specifically setting up dictators, but He is going to use them to do what He wants them to do with human goverment. Also notice Paul gives no cavaets or exceptions to submitting to the HIGHER POWERS. MM went back and looked at his old commentaries and every one listed exceptions of when you don't have to submit to the HIGHER POWERS. He is looking at scripture and he can't find those. But they are not giving you scripture, they are just making a deduction out of their own reasoning. It's possible to be a citizen of a bad government and Paul is going to call us/instruct us to submit to the government that we live under. MM adds if you don't, THEY WILL MAKE YOU. You can't win that, even with your firearms. Paul said THEY BEARETH NOT THE SWORD IN VAIN, they have the power. You can say you're not going to comply but if they want to make you they can. They have the POWER to do it.

Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS: GH: Crux of the passage. Rest of v1-7 gives details. First phrase is an exhortation. No caveat to this instruction. States clearly for everyone to subject themselves unto governmental authority. The "every soul" indicates that it does not matter if you are lost or saved; the instruction is for all without exception. The instruction to be subject to government: - Is for every soul (saved and unsaved alike) - Is for every level of government (national to local) - Is not based on: * Type of government you live under * The spiritual condition of the people in office * The policies of the government LET EVERY SOUL: Let everyone without exception.
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. EVERY SOUL: When Paul writes EVERY SOUL, he's not referring to our emotions or how we feel about something, he's not referring to the invisible part of our being, he is talking about people. Paul has used this expression in Romans once already. The phrase EVERY SOUL is used 5x in your Bible and Paul uses it 2 of the 5 times. MM says since Paul is writing to saved people, why didn't he write 'every saint' or 'every church'? He thinks because this not only works for saints, it works for lost people too. MM is not saying Romans 13 is written to lost people to instruct them about what to do with government, he think he's informing us that this instruction is across the board. Means everyone, believers and unbelievers alike.
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. SOUL: There are 3 ways to look at this: 1. Look at as part of who you are as a tri-part being. Everybody has 3 parts that make up the entirety of who they are - body, soul, and spirit. Means the soul is the invisible, one-third part of you that makes us all that God created you to be. Paul is not using it this way because you don't have more than one. (GH: ???) 2. Soul is the seat of emotions. Your soul is also part of that. 3. Describe a person or group of people without exception. MM could count the number of people and say there are nn souls here today. Not talking about the invisible part of you and not talking about the seat of your emotions. Here is a group of people that I can number. MM is bringing this up because you can read more into it than is there. Explains why the Bible didn't say every person or saint.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. SUBJECT: **Under their control or authority**. MM says if you thought the HIGHER POWERS were angels, remember GH: The Bible never tells you to SUBJECT/submit your yourself to angels. In fact, it is the other way around. You will JUDGE ANGELS-1 Cornthians 6:3. HIGHER POWERS: **The positions of governmental authority on this earth that are occupied by men**. MM says there's an age old debate on what's being talked about here. In the Greek, people say Paul is making a reference to the men who are the civil authorities in government here on this earth and Paul is also talking about the angels in heavenly places. They say it's a double reference. MM doesn't believe it is talking about both. This argument says when Christ finished His Work in His Death on the Cross, His burial in the tomb, and His Resurrection from the dead, that He conquered all of the evil that Satan was doing-SPOILED PRINCIPALITIES AND POWERS-Colossians 2:15. They say when this happened, they all repented, God reconstituted them in their position in the heavenly places, and now those angels serve the Lord. Also saying the human authorities are under the angelic authorities. There's not a verse in the Bible that supports this.
Romans 13:1	Exhortation-v1a	1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. HIGHER POWERS (cont'd): MM says there's a problem with this. Yes, Christ procured victory over what Satan was doing by His DBR but He has not yet put an end to what Satan is doing. There's still evil in the world. Even though it was secured back on the Cross, He didn't bring in the kingdom because everything is on a time table. Just because He was successful as Redeemer, not all of Israel believed He was their Messiah, they crucified Him. So He SPOILED PRINCIPALITIES AND POWERS but He hasn't brought all of that to a close yet. Because of this, MM doesn't believe HIGHER POWERS is talking about the angels. Another problem is context. Coming out of Romans 12, we haven't been talking about angels in heavenly places, we have been talking about right here and now - dealing with other saints and our enemies - all of this is in a context. HIGHER POWERS here is talking about human government. That's what God is talking about here. The HIGHER POWERS in this case would be Rome and all the issue of human government from the top with Caesar (Nero at the time Paul wrote this) all the way down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. HIGHER POWERS (cont'd): Are all the systems of human government. Governmental positions of authority that are established here on this earth. God is the one who has set them in place. This DI (Divine Institution) is designed to provide for civil law and order. And as government got itself underway, it not only provided for national security for its citizenry, but also for domestic peace and tranquility in a variety of sub-levels of government, all the way down to local governments. Paul does not delineate between offices of government, he simply says for us to subject ourselves to the higher powers because God is the creator of human government. Boundaries on this earth - school district, city, county, state, nation, etc. Same way in the heavenly places. One day, you will be, sitting in a position of authority but instead of down here, where you would be over a city or state, you will be over something in the heavenly places. Paul is using terminology we are familiar with down here to understand what is happening up there. It is interesting that Paul uses the term, “higher powers,” instead of governmental authorities. But he does this for the reason of getting us to start thinking about government like God does. We need to see those governmental positions of authority as the “powers” that God made them to be; the powers of control over its citizenry. The fact that every governmental office is a “higher power” is meant to get us thinking about those positions in the way our heavenly Father wants us thinking about them.
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. HIGHER POWERS (cont'd) In telling us to submit to the HIGHER POWERS, Paul is not concerned who is running for government. The one thing that every government in the world does (remember God instituted government before sin was a reality) over a specific geography is ". MM says cutting a guy's hand off because he stole an apple is exercising a power of control. MM says if a government doesn't do this (control its population), it will be overthrown. A coup will take place and the old regime will be out and the new regime will come in. POWERS: Are positions of governmental authority.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. REASON 1 TO BE SUBJECT TO HIGHER POWERS: THERE IS NO POWER BUT OF GOD. The institution of government is "of God." That is why we call it a Divine Institution. God is the creator of government and it is His idea. REASON 2 TO BE SUBJECT TO HIGHER POWERS: They ARE ORDAINED OF GOD. REASON 3 TO BE SUBJECT TO HIGHER POWERS: It is fit for godliness. (GH: verse?) THERE IS NO POWER BUT OF GOD: He is the One that brought that into being. All power belongs to God. THE POWERS THAT BE ARE ORDAINED OF GOD: When Paul says that the powers that be are ordained of God, he is saying that by the institution of government God decreed/appointed: 1. the nature of government (natural capacities which require no intervention), 2. how government functions (as a ministry of civil rulers) - MINISTERS OF GOD: Paul says this 3x in this passage, and 3. what government does (among other things, it provides for the orderly accomplishment of the Father's Business). POWERS THAT BE: Are the HIGHER POWERS we are to be subject to, the various governments of the nations in all their levels and offices. By ordaining the powers that be, every human government will, by nature, perform the officially established rule by which God will succeed in doing His Business. Is a connection between the powers that be and the ordinance of God. To resist the power is to resist the ordinance of God. If we are thinking about our officials the way we are supposed to, we would not be thinking evil toward them.
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. FOR THERE IS NO POWER BUT OF GOD: Is not talking about the form of government (socialism, republic, democracy, communism, etc.) being His doing. Paul is saying that whatever form of government you may be under, the fact that government exists is because God ordained it and put it into place. **This is a way of saying there wouldn't be any governmental power at all unless God brought it into existence**. There is no governmental authority, no matter what kind it is, God is the Creator and the Institutor of human government and He has designed human government to do one main thing. MM says it does a lot of other things but at its core it does 1 thing. MM says the fire department can do other things but at its core its to put out fires. If it doesn't do that you have to find someone to replace that. Government is not man's idea - look from Adam to the Flood, there's no human government anywhere. God is OK with different government because He is only after one thing, a single core issue He wants goverment to accomplish. Notice there are no stipulations as long as government does what it does, nothing on foreign policy or domestic policy or stand on education or healthcare. Because government is not man's creation, it's God's creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. FOR: Giving you a reason. Introduces WHY we are to be SUBJECT. Answer is in the rest of v1 and v2. Is a word that means I'm explaining WHY. If you are living in a nation with a government, Paul's instructions to believers is to be subject to that government. There is no nation which has no government. If there were, it would soon be taken over by a nation with a government. If any form of government begins to fail in doing what God created human government to do, (control the population & violence), it will soon fall into anarchy and chaos and eventually it will be taken over by some other nation with a stronger sense of government. When saints live under a corrupt government, they do not want to be subject to that government. But none of us are the exception. Neither God nor Paul apologizes for what is written here. They are not asking our permission and they are not trying to make us feel better about giving us difficult doctrine. If we are going to be what God had designed for us as members of the body of Christ, then we need to obey all the doctrine. It is not a cafeteria buffet line where we get to pick and choose those doctrines we like and ignore those we do not. Is not about politics; it is not about political party affiliation, and it is not about power. This is about understanding what our Father is doing with human government and cooperating with Him, even when it is not convenient. This is our re-education in Justice, but this time it is God's version.
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. THERE IS NO POWER BUT OF GOD: THE POWERS THAT BE ARE ORDAINED OF GOD: Tell you WHY you are supposed to be SUBJECT UNTO THE HIGHER POWERS. THE POWERS THAT BE ARE ORDAINED OF GOD: He's not talking about the individuals who happen to hold these positions of goverment. he is talking about the positions of government. God created human goverment. It can take a lot of different forms, but any of those forms can accomplish His Plan and Purpose for human government and God doesn't care which one it is. God is just as willing to have one guy in power as another guy as long as goverment does what it is supposed to do. Talking about human government in the first part and still talking about human government in the second part. When He ordained it and set it up, and caused it to be part of the natural order of things, that means when He did that, from that point onward, the world is not going to be without human government because it is part of the order of how the world works. When He instituted that, that's part of the natural order of how things happen. You will never find men saying let's just abolish all the government. Not because governments are so great, but anarchy would be terrible. You would have people coming to homes, shooting you, taking your stuff, and there would be no reprisal. It's government that keeps that in check. This is the control we are talking about and it's the primary thing God wants in human government to do and every government on the planet does this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. POWERS THAT BE ARE ORDAINED OF GOD: Paul is not saying that God devised the various forms of government (socialist, communist, democratic) which are presently in the world, and neither is he saying that the people in those positions of power have been installed by God. He didn't put those people into power. A good guy or a bad guy can be involved. God is not putting His Thumb on the scale for elections. The Roman government was very corrupt-the morality of their personal lives were bankrupt, and Nero is a corrupt guy. Nevertheless, Paul exhorts believers to BE SUBJECT UNTO THE HIGHER POWERS because the positions which those powers hold over men are given to men by God Himself by ordinance, which means that human government is a divine institution. God knows we have to have human government and that is why He ordained it to control violence and protect the citizens.
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Romans 13:1 Review - Everyone is exhorted to be subject to governmental authority. - The only reason any human government exists is because God brought it into existence after the Flood (read Genesis 8-11 for more details). - There are now many governments around the world, hence they are referred to in the plural as 'powers that be'. When they were ORDAINED OF GOD, they were made part of the natural order of things. MM says you wouldn't visit any nation in the world if you didn't believe there were no governmental controls there. - Those 'powers' are ordained of God, which means that God has made human government part of the natural order of this earth. The powers that are ordained of God and God has put them as part of the natural order of things so that they might control. There's a general control but at its core is to control the violent nature of man. - The purpose of government before the entrance of sin in the heavens was to provide a system of controls by which God would carry out His Business. - The purpose of human government was to provide a system of controls to keep men from destroying themselves from the earth, to quell the violence that characterized the earth prior to the Flood.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:1		1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Romans 13:1 Review (cont'd): - We are subject to our government because: - It is a divine institution; it was not created by man, but by God. MM says He doesn't care what form it is or how it spends our tax money. He created it to do one thing and as long as it does that one thing it's doing what He designed it to do. When He sets up His Government, He is going to put those down. - God has ordained that many governments would be the natural order of things in the world. Because He is the Creator of it and it is His Idea and not man's idea, it's doing the one thing that He wants done, hence the exhortation BE SUBJECT UNTO THE HIGHER POWERS. We are going to be subject to this, God put it into motion. - No matter which government you are under, it is doing the one thing God designed it to do: control its population. - Summary: God ordained those powers, He made them the natural order of things, if you are going to resist the power you are resisting what God was doing to preserve your life through that government, and they that resist will receive damnation. The government is not without any recourse. If you want to be violent, the government will deal with you accordingly.
Romans 13:2		2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. WHOSOEVER THEREFORE RESISTETH THE POWER, RESISTETH THE ORDINANCE OF GOD THE POWER: Went from POWERS TO POWER because you don't live under various POWERS, you as an individual live under just one of those governments and it's a single POWER. RESISTETH THE ORDAINANCE OF GOD: Anytime you create any kind of government on any level it automatically is instituting and enforcing control. That's what it does by nature. And to resist the power is to resist the ordinance of God, which means that you are resisting the very purpose that God created government for in the first place. MM says he doesn't like the seat belt laws (thinks that are over reach and a slippery slope) but his heavenly Father asks him to subject himself to the HIGHER POWERS so he buckles up. If you RESISTETH THE POWER, you are tearing at the fabric of the thing that God put here to keep you from being plunged into anarchy and we don't realize it. Even the little things do tear at it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:2		2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. THE ORDINANCE OF GOD: **The decreed purpose of human government - to control violence within a society**. All human governments have this in common; the control of violence. This ordinance is what allows God to continue to carry out His Business in the world. It is the design of government to preserve the peace and quiet of the commonwealth, to protect the persons and properties of men, and to encourage godliness. When the world saturated itself with violence in the days of Noah, God was forced to destroy it. To rise up against government is to resist the ordinance of God. ORDINANCE OF GOD: The ordinance of God works in every government on the planet, to punish the evil of violence and law-breaking, just like the ordinance of God works in every government to "praise" those who lead quiet and peaceable lives within the law. That is what God is after. That is what God wants out of government and that is what every government delivers. It is not the job of government to curb sin or do the work of the ministry. When a government, for whatever reason, fails to punish the various levels of acts of violence, that government is in danger of losing control and ceasing to exist. An edified son or daughter should not be in the cross-hairs of government for reasons of unruliness, disorderly conduct, aggression, violence and law-breaking. We should live a life of peace and good will with godly love and charity.
Romans 13:2		2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. THEY THAT RESIST SHALL RECEIVE TO THEMSELVES DAMNATION: That's the condemnation of the government with the ultimate ability to take a person's life for their crime. DAMNATION: Is not loss of eternal life. It is the condemnation or penalty as imposed by the government itself. Commentators often say of this passage that God is going to get involved in punishing those who resist, but we know that is not the case. MM says don't think about defining DAMNATION the same way every time. It has different meanings to it. If you don't want to subject yourself to the higher power, you will be condemned by the governmental system of justice and you will pay a consequence for not being subject. This is the strongest possible term that can describe what can happen to someone under the justice systsm of government. MM says doesn't the word DAMNATION itself invoke fear in people? This is talking about your prosecution under the system of government.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:2		2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. OED: Damnation - (the #1 definition) The action of condemning, or fact of being condemned (by judicial sentence, etc,); condemnation. MM says this is legal terminology. What Paul is saying is that we shall be called to account for "resisting the ordinance of God" by the very government we are resisting. But God is not the One who will call us to account; it will be human magistrates which do so. The DI of human government is meant for every soul; saved or lost. This reason for submission to government (wrath, or the penalty for violations) is a good reason for lost people to submit to government, but it is not for an adopted son or daughter. If staying out of trouble is our only motivation, this is not godliness. If this is what is going on in your thinking, then you are not thinking about this according to the doctrine. Avoiding penalties for violations of the law may be good enough for a lost person, but not for us.
Romans 13:3-5		Romans 13:3-5? Review: - If we subject ourselves, we will be looked upon by government with favor - Rulers are ministers of God with regard to what God ordained government to do, no matter who they are because God is not interested in the WHO, He is interested in the WHAT - Rulers are meant to discharge their office to our benefit - Rulers are meant to be punishers of those who break the laws of order and control, especially those who are violent - Government has the power to punish (even take a man's life) for his crimes - Therefore, we subject ourselves for wrath's sake - We also subject ourselves for conscience sake; because we are sons
Romans 13:3-4	Governmental Justice Part 2 of 3: The Rulers	Paul talks about "good works" and "the evil." By and large, governments are not a terror to citizens who abide by the laws, who exhibit those virtues which raise a nation, and who by labor are productive members of the society. Governments are not usually involved in terrorizing law abiding citizens. Law breakers are. Most governments are not a terror to good works most of the time. There are always exceptions. There are governments which do not allow the Bible, or teaching from the Bible, or Christianity, or Christian ministry to be carried on that could be considered a TERROR TO GOOD WORKS. The misdeeds of government do not justify ungodly responses. People look at this and say, well, how come they took prayer out of school and how come they won't let the 10 Commandments get posted in courthouses and how come they won't let the nativity scene on government properties - I thought they weren't a TERROR TO GOOD WORKS? MM says people misdefine GOOD WORKS here, there's a context to it. He's not talking about government being a promoter of Christianity. Every government in the world is a terror to the evil and not to good works. God is not talking about politics, He is not talking about policies, He is not talking about legislation, He is talking about the one thing that He designed human government to do.

Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: RULERS ARE NOT A TERROR TO GOOD WORKS: Government is not in the business of 1. Teaching the Bible 2. Evangelism 3. Edification No government on the planet is a terror to citizens who practice peace, harmony, good will, amity, quietness, order, concord or law-abiding. That is what they all want, no matter what kind of government it is. On the other hand, every government punishes those who are disorderly, violent, and law-breaking. Governments punish those who cause chaos, who disturb the peace, who promote destruction and mayhem.
Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: RULERS ARE NOT A TERROR TO GOOD WORKS (cont'd): Can't look at this and say, oh, God is talking about righteousness because the law that is instituted by human government is not necessarily an issue of righteousness. GH: Murder, yes. Speeding, not really. 55, 65, or 75 is not a righteous issue, it's an order issue. Don't confuse what's being talked about here as issues with human righteousness. God is not commissioning the government to pretend that it's the church. The government is not in for evangelism. That's not why God created it. It's not here to promote Biblical righteousness. That's not why it's here. It's here to do one thing and that's control its population and bring order and stamp down the violence that's in men. That's what government is designed to do and it does that. To avoid the consequences from government you obey the law.
Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: GOOD WORKS: Do not confuse “good works” with “spiritual works.” Plenty of governments oppose spiritual works. Plenty of governments oppose Christianity. But this is not the definition of “good works” that Paul is using. Converse of everyone of these is a form of violence - against you, your property, your business. - Peace - Concord - Harmony - Good will - Tranquility - Amity - Quietness - Order - Law Abiding

Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: Opposite: - Violence - Upheaval - Distrubance - Disorderly Behavior - Chaos - Mayhem - Lawbreaking - Discord - Lawless - Emity - Rioting - Obey government for wrath's sake (slow down to escape ticket) - Conscience sake-Romans 13:5
Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: GOOD...EVIL: As government perceives it. GOOD: Obey or submit to the laws that are put into place by human government. EVIL: Disobeying or breaking those laws. Is an umbrella term. Coming back to the worst possible scenario - taking the life of another person. You aren't going to be put to death for breaking the speed limit but some offenses are capital offenses and those can require a person's life but everything from there down. The violation of the laws that produce order in society and control the violence at any level, the violence of mankind.

Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: THE EVIL: MM says he didn't just say EVIL. This is to direct our thinking to a particular evil that God has in mind. He's not talking about the POE. The root of “the evil” is the violence that took its ultimate toll in the days of Noah and would again if not for the restraining power of civil government. After the flood, when God scattered the nations at the Tower of Babel, national governments took up the role of control over the actions of men. And by such, they are God’s ministers to execute wrath upon those who do evil. Two ways to look at what Paul is writing. 1. Paul is talking about the way government is supposed to act, not necessarily how it does act. Problems: (1) Nothing in the verses indicate that Paul is just setting forth an ideal. (2) Nowhere in the context does Paul grant license to oppose or resist the powers that be. 2. Paul is declaring what government is actually doing, not merely setting forth the ideals of it. Problems: (1) It seems as though Paul is making statements that are not true of government; any government.
Romans 13:3		3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: WILT THOU THEN NOT BE AFRAID OF THE POWER?: Paul is saying because they have the ability that if you do the ultimate crime, they can give you the ultimate punishment, which is to take your life, you should have a healthy fear of the government. MM says if you are going to stand against the government, you are going to lose. You are not going to win that. MM doesn't care how many guns you have, how much ammo you have, you can't win that, you might as well settle that issue once and for all. MM says his list of things to die for/over is pretty short. List was longer when he was young and idealistic. That list has gotten trimmed up. DO THAT WHICH IS GOOD, AND THOU SHALT HAVE PRAISE OF THE SAME: You will not be prosecuted for doing the right thing, for doing what was lawful. MM says we have an obligation to live the kind of life that government deems is good and that means we conduct ourselves in an orderly fashion. MM tying back to LIVE PEACEABLY WITH ALL MEN-Romans 12:18. Peace and order is the atmosphere best suited for Sonship and your Father wants government to enforce that as much as it can.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:4		4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. Notice this long verse is composed of a couple of sentences. God is talking about positions of governmental authority. They have the right to punish evil on this earth. Shows that God believes in justice on this earth. FOR HE IS THE MINISTER OF GOD TO THEE FOR GOOD: If we submit ourselves to government, then the government will be beneficial for us. MM says if the government doesn't do the one thing of controlling violence, nothing else works. There is no foreign policy, there is no domestic policy, there is no healthcare, there is no education. If that problem doesn't get fixed, you can't do any of the rest of it because it's total chaos. You have to control it or the whole thing implodes on itself. It's not a minor thing, our whole life changes if that doesn't get done. MM not saying we shouldn't have a better foreign policy, but that's not the issue, this is the more important issue, the big issue. The big point is control, government does that. MM says it doesn't matter who we put in office, your heavenly Father's agenda is not going forward by that and He doesn't intend for it to. He means for this government to do one single thing right no matter what else it does wrong and that's control it's population.
Romans 13:4		4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. HE IS THE MINISTER OF GOD TO THEE FOR GOOD: Those who fill the offices of government are ministers of God to us for good, even when we are being persecuted for our faith! MINISTER: A minister is one who acts under the authority of another, one who executes the commands of another. OED: Minister - One who performs the will of another; an agent appointed to manage business under the authority of another. MM says if they are a MINISTER OF GOD they are operating under God's authority. MM says don't think he's saying they're functioning as a son. That's not what he's saying. He is not saying they are laboring with God as a son. He is saying that God ordained human government and when they filled that position then He wants them to fulfill that purpose for the creation of human government to begin with and when they do that they are operating as an agent who is performing the Will of God for human government, which is to control the population. In this case, an atheist can serve as a MINISTER OF GOD even though he will have a surprise one day. As long as those offices of authority are controlling the population, that's all He is asking them to do, to be His agent, to be His MINISTER. That's a GOOD. BUT IF THOU DO THAT WHICH IS EVIL, BE AFRAID: Paul says to the saints - if you do evil, then be afraid. Paul does not say “Don’t worry if you get in trouble with the government, God will intervene and help you out.” No, he says, “…be afraid.” There are going to be consequences for these types of actions. GOOD: Is not witnessing or passing out tracts.

Romans 13:4		4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. FOR HE BEARETH NOT THE SWORD IN VAIN: This is not an empty threat or bluff. HE BEARETH NOT THE SWORD IN VAIN: The sword represents the ultimate punishment, capital punishment. In other words, God has given governments the right to put men to death for certain crimes. BEARETH NOT THE SWORD IN VAIN: Government has the ability to put you to death. They are not bluffing. SWORD: Capital punishment or death. MM reminds of Romans 8:35. It's an umbrella concept - everything below that is in play as well. Not to take your life but to have consequences or punishment for those things that violate the law. VAIN: Charles Smith: Vain: Fruitless, ineffectual, useless. That which is vain lacks substance, reality, solidity.
Romans 13:4		4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. HE IS THE MINISTER OF GOD, A REVENGER TO EXECUTE WRATH UPON HIM THAT DOETH EVIL: This is not just about the warning of the mandate that God has given to His ministers to execute wrath upon those who do evil, but this also includes the legal recourse we have at our disposal for injustices done against us. The problem with viewing government officials as ministers of God is because of how we view government and the people in it. We still evaluate everything based on a different basis than God, and that is our problem. God ordains government to exist and then commissions it to control the many and nuanced levels of violence within it because that is the optimum atmosphere for carrying out His work in this world. More people will be saved in an atmosphere of peace, quietness, goodwill and harmony than in an atmosphere of unrest, malice, animosity, and discord. In this DoGG, more people will come to the knowledge of the truth in an atmosphere of concord and kindness than in an atmosphere of anger, clamor, and bitterness. The work of God will be better accomplished where people are subject to the powers that be than in rebellion, civil unrest or revolution. It is not the job of government to curb sin or do the work of the ministry. God’s work is best done where, no matter what kind of government is in power, the people obey the laws of the land.

A REVENGER TO EXECUTE WRATH UPON HIM THAT DOETH EVIL: MM says if it is a revenge type of issue, it is not, well, we are going to show mercy this time. Or when a man kills another man, this is the core issue. REVENGER: OED: Revenge: The act of doing hurt or harm to another in return for wrong or injury suffered; satisfaction obtained by repayment of injuries. WRATH: MM says wrath is more than I'm angry with you. Wrath is a step up from that. If someone is seeking revenge, just in the common way that you understand the term, they are angry, want to hurt them, they are not going to feel compassion, there's not going to be any mercy. Charles Smith: Wrath: Wrath is violent and continual anger accompanied by a desire to inflict punishment upon its object. George Crabb: Wrath: Wrath is a heightened sentiment of anger.

Romans 13:4		4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. A REVENGER TO EXECUTE WRATH UPON HIM THAT DOETH EVIL REVENGER: Not about getting even, this is about justice. This definition of “revenge” is much like the “Avenger” mandate of the Davidic Covenant. This is not so much the act of harming someone in return for harm which they have done, but “revenger” is being used in the sense of putting justice into action. HE BEARETH...: GH: Capital punishment Notice that in this role of protecting and preserving the peace, which governments do: they function as “the minister of God.” To threaten the government is to threaten the work they are doing on God’s behalf (even though they do not know they are working for Him.) **To resist the government is to produce the very behavior that God ordained government to control**. Just as we find our self-worth and identity in being God’s imagers, we should find our patriotism and love of country from God’s express decree and purpose in His divine institution of government.

Romans 13:5-7	Governmental Justice Part 3 of 3: Our response to Government	
Romans 13:5		5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. Paul says that one of the reasons we should be subject is because we are not going to be immune from the wrath of government. There is no exception for us. In other words, the fear of punishment is not a godly reason for being subject. Now, that may work for a lost person, and that may be about the only thing that works to restrain their evil conduct, but that is not good enough for us. But Paul brings it up as if to remind us that we are not going to be manifestly delivered if we resist the powers that be. WHEREFORE YE MUST NEEDS BE SUBJECT: YE MUST NEEDS BE SUBJECT, NOT ONLY FOR WRATH WHEREFORE: Takes you back to what government can do to you, you should be subject because they have the power to do that. NOT ONLY FOR WRATH: First reason to be subject to the higher powers. CONSCIENCE: Group says that little voice in you telling you what's good or bad, right or wrong. MM says your conscience is not always a good guide. MM says remember the context - your Father is instructing sons in justice. Because of what government can do to you, be subject unto the higher power because they really do have the power to put consequences on you if you don't.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:5		5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. BUT ALSO FOR CONSCIENCE SAKE: **To honor the divine institution of government and have a godly view of government**. A lost person may be subject out of fear of wrath, but for an educated son, there is a higher reason for being subject. Introduces you to a second reason to be subject to the higher powers. It's not just so I don't get punished by the government because now He's counting on your know something and that's going to be in your conscience. **You know who created human government and you know why God created human government, and without that human government, there would be no order to this at all. It would all be violence and chaos and we wouldn't have any semblence of the kind of kife that we enjoy now**. Because government does that one thing, that is enough for you to decide not just to keep from being punished by them, but because you understand what I AM continually doing every day that government works is, I AM controlling the citizens under that government because that's in your conscience and that now needs to be the motivation for being subject because that means you understand what I AM doing. MM says even a lost person can read the previous verse about wrath and can subject themselves to government. If the kid says my family name means something and I'm not going to lower it you'd say YES!!! Your Father says, yes, government has the power, I HAVE given it the power to do this. GH: There's wrath's sake, which even lost people understand, and CONSCIENCE SAKE. which a son should understand what I AM doing and support it. MM says if you have the idea that because you are saved and because you are a son, you can somehow violate the laws of government and God will intervene to deliver you, you are mistaken.
Romans 13:5		5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. CONSCIENCE SAKE: There is a higher reason for being subject to government than just avoiding punishment. That higher reason has to do with your Sonship life, your edification in godly justice so that the desire of your heart is to honor the divine institution of government, view whose in its offices as ministers of God and know that you have acted godly in view of it. This is what is being referred to as for “conscience sake.” CONSCIENCE: This is not about “let your conscience be your guide.” Rather, this is about the “clear conscience” that comes from making godly judgments. OED: good conscience: (a) a consciousness of acting or having acted rightly, or of being virtuous; (b) a conscience which makes correct judgments (obsolete). Similarly, by contrast bad (also evil, ill) conscience. MM thinks there are times to not obey the government but God is not obligated to bail you out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:5		5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. CONSCIENCE: Webster's 1828: conscience: internal judgment of right and wrong; the faculty, power or principle within us, which decides on the lawfulness or unlawfullness of our own actions and affections, and instantly approves or condemns them. - MM says we are supposed to get to the point where this doctrine has worked IN us effectually and our response to the government doesn't stem out of what government can do to us, it stems out of what our Father is doing with government. It's the proper response. ANALOGIES: Because MM does not believe that God is in the business of injecting Himself in the physical circumstances of our life in order to bring certain things to pass, if he acts/talks/prays like that, he would be pleasing the adversary because he would be demonstrating his lack of understanding or what God is and is not doing. Secondly, he'd be praying out of the Will of God. If he did all the old things and old way that really didn't bring any credit to what God was doing, he would discredit what God is doing. The same thing here is true. OR Do you want your kids to do what you want them to because they know they're going to get int trouble if they don't OR do you want them to do it because there's a relationship with you and you understand that you want what's best for them? You'd rather they do what they do out of an understanding.
Romans 13:6		6 For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing. Paul tells you know matter what type of government you live under in this world, your goverment is doing what God ordained it to do. Even if you live under an Islamic govenment. Steal in a Muslim country and they cut your hands off. That is a deterrent. Even though that's not the right religion and they are not righteous and they may hate God, that goverment is doing exactly what God created that government to do. FOR THIS CAUSE PAY YE TRIBUTE ALSO PAY YE TRIBUTE TRIBUTE: He's talking about taxes. A TRIBUTE is a forced tax upon citizens of a state. EX Income tax. Tribute is a form of tax imposed by government in return for peace, security and protection. No, there is no tax labeled “tribute” in the tax code, but we are to pay it just the same. We do not “pay alms” to the government. It is a just debt since we reap the advantages of government, like military. **By paying taxes, we are sustaining and maintaining the government and that is godly labor, just like our giving in the local assembly is filling an office that provides the same for the local church**. OED: Tribute - a. A tax or impost paid by one prince or state to another in acknowledgement of submission or as the price of peace, security, and protection; rent or homage paid in money or an equivalent by a subject to his sovereign or a vassal to his lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:6		6 For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing. FOR THEY ARE GOD'S MINISTERS: Emphasizing this again. The third time we have been told that the holders of governmental offices are God's ministers. No matter who they are, that is what they are to God. These people are not ministers based upon the fact that they are "righteous" or "godly," but simply because they hold the offices that control the violence of men. As long as they are doing this one thing which government is designed to do, it is doing what God ordained it to do. Governments do this automatically, without even knowing that they are accomplishing the Will of the true and living God. All the other things which government may involve itself in are not qualifiers for being God's minister in government: not education, not health care, not immigration, and not entitlement programs which feed the poor. It is just that one thing; the control of violence. Government is controlling all types of violence. GH: More than just physical violence. ATTENDING CONTINUALLY UPON THIS VERY THING: Means government is always doing it's thing, this is the very thing. Attending to this one issue of controlling its population.
Romans 13:7		7 Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour. Why would Paul ask us to fund the government when they are going to be doing things with that money that we don't think is right to do, it's unbiblical, it's wrong. Because that's not what your Father is after when it comes to human government. MM keeps illustrating this because he wants us to get away from that kind of (GH: improper) thinking. MM is not asking you to be happy about it. When government makes it hard on Christians, you are supposed to go 'yippee!' That's not the issue your Heavenly Father is looking at. He is looking at something different than we have to get our eyes on.
Romans 13:7		7 Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour. RENDER THEREFORE TO ALL THEIR DUES: TRIBUTE TO WHOM TRIBUTE IS DUE; CUSTOM TO WHOM CUSTOM: Dues, tribute and custom are meant to convey every category of taxation. School tax, sales tax, property tax, income tax, you name it. RENDER THEREFORE TO ALL THEIR DUES: Doesn't matter what the tax is or what it covers, you give what you are supposed to give. Remember, Jesus paid taxes Himself-RENDER THEREFORE UNTO CAESAR THE THINGS WHICH ARE CAESAR'S-Matthew 22:21. DUES: If something is due you, it is owed. As the price for peace, security, and protection. TRIBUTE: A form of tax. Gives government the ability for us to live peacefully.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:7		7 Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour. TRIBUTE TO WHOM TRIBUTE IS DUE; CUSTOM TO WHOM CUSTOM; FEAR TO WHOM FEAR; HONOUR TO WHOM HONOUR: Notice the 4 things here, which are broken down into 2 parts. 1. TRIBUTE/CUSTOM: Taxes 2. FEAR/HONOUR: Respect - these are the opposite extremes of things. - FEAR: Doing it because you are afraid not to. The “fear” aspect speaks for itself. Government has the power to enforce the peace: In some cases, even to the extent of the death penalty. Government beareth not the sword in vain. - HONOUR: Respect given to something or someone of worth. High regard and respect for one's station, position or office. Honor is the polar/exact opposite. When we live peaceably, when we pay our taxes, when we obey and submit ourselves to the powers that be: that is a way of honoring those offices and ministers. CUSTOM: A monetary payment that is given to the government in different forms - on goods and services. EX Sales tax
Romans 13:8-14	Sonship Decision Skill No. 3: Godly Judgment	Romans Education, Part 4 - Judgment Presents the doctrine associated with the Sonship skill of judgment. Judgment is the shortest of the 4 sections. The qualities or criteria for making judgmental decisions - **has to do with discernment.** The totality of the Sonship skill of judgment runs Romans 13:8-14. The skill of Judgment is required when there is more than one right option to choose from. Judgment is the skill that allows us to make decisions when there is no wrong answer involved. Judgment is about making the best godly decision we can make with our Father’s purposes in mind.
Romans 13:8-14	Sonship Decision Skill No. 3: Godly Judgment	Judgment Decision: - When we do not have a clear choice of *good and evil* (difference between a justice and judgment decision) that you can immediately discern - When there is *more than one right option* before us (can be 2 but a lot of time it will be multiple options) - When there is no *obvious or immediate* answer or no right or wrong answer that presents itself (MM says it's like a path that immediately splits into 3 paths and you don't know which one to take) - not a matter of good and evil - MM not saying there can't be an evil one in there, there might be - When we need to *consider and think* about what to do - Love is supposed to guide our decisions when there is *no clear cut path*. - If you do not know these attributes of love, if you unaware of them, then *you cannot love* like your Heavenly Father. - When we behave toward one another or when we treat each other with the attributes of godly love for the accomplishment of our Father's spiritual purposes, then our actions attain unto the righteousness on which the law itself stands. MM says that's an incredible thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-14	Sonship Decision Skill No. 3: Godly Judgment	The mechanical means by which we decide what to do is by *applying the attributes of godly love* and basing our conclusion on those. MM says this is the means that we are going to have to get used to in making decisions because the way we're used to making decisions is out of something different. It's meant to instruct us in the process that our Father uses and if we use the same process He uses, if we are thinking about this the way He thinks about it, then we can come to the same conclusion He comes to and we come to the same conclusion for the same reason that He does. MM says God doesn't want us making decisions based on what the world or masses think, He wants us making decisions based on what He thinks. Then it is not a personal choice anymore. No longer just a pro & con list. GH: You just go down the list (Commitment, Selflessness... proper conduct for the ordinance of God, etc.). MM says this is not a popular thing to do because when you make decisions out of godly love you are going to find yourself doing things that you might not have otherwise chosen to do or not do some things that you otherwise would have chosen to do. Even if the old decision process is option B and the godly love decision process is option B, the big deal is HOW you came to that conclusion. The process is what's important. MM says we have learned this already. When you are trying to overcome sin, there are 2 ways to do it. 1. Out of what God made you to be in your new identity IN Christ OR 2. You could do it in the energy of your flesh. If you do it out of your flesh, God utterly rejects it. So the process is what's important.
Romans 13:8-14	Sonship Decision Skill No. 3: Godly Judgment	Godly Judgment Break-down: Part One: Romans 13:8-10 (dealing with people in our everyday lives) Three parts/issues serve as an outline - each are something love IS or something love DOES: 1) Love is an unpaid debt - v8 - you will never say I've loved all I need to love, my debt is paid 2) Love fulfills the law - v8 - this is exactly what the last part of v8 says 3) Love works no ill to its neighbor - v10 Part Two: Romans 13:11-14 (dealing with the PoE)
Romans 13:8-14	Sonship Decision Skill No. 3: Godly Judgment	Coming to an area where you are not given clear cut YES or NO answers because sometimes you will be faced with a decision in which there is a number of possible answers and none of them are necessarily wrong and not necessarily evil. In Wisdom and Justice are clear cut things of what God considers good and evil and our flesh loves to be given a list of rules to follow. Why the law is really appealing to people. If you felt like you kept all the rules...dotted every i and crossed every t, people feel yeah I did that. But when you get to Judgment, you're talking about decisions that don't have any obvious right and wrong. There is no rule you can apply. Now you are going to have to stop and think about this decision and consider it from several standpoints. This education will show you good options and then show you better options. You will not only understand what is the best option but what makes it the best option. This is an area where we will be taught principle, not a list of situations where when you come in this, this is what you do.
Romans 13:8-10	Our relationship with our neighbor	Godly Justice Section 3: Just Treatment of Others - Romans 13:8-10 (GH: old view?) **Taught how to LOVE your neighbor**. Not just the person that lives next door to you. That is the people that you are around, that you have contact with. People you work with, go to school with, live next door.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-10	Our relationship with our neighbor	Verses serve a dual role: 1. Provide a post-doctrinal exhortation for all the things we have just come out of that kind of wraps up thing things covered to that point (summing up everything that has gone before) - Talking about LOVE and how necessary it is and that we have been learning those apsects of godly love. Learn to apply this into areas you were not taught. 2. Serve as a pre-doctrinal exhortation for what were about to encounter
Romans 13:8-10	Our relationship with our neighbor	Motivations for loving our neighbor - Getting them saved - Getting them edified - We are laboring with God - We are creating an atmosphere of acceptance - We are edifying the saints - why God ordained the church - We are exalting the Lord Jesus - We are displaying God's righteousness
Romans 13:8-10	Our relationship with our neighbor	What does love have to do with the Sonship skill of godly judgment? 1. The purpose behind this loving treatment is either the salvation of the lost or the edification of the saved, therefore the ultimate motivation of our love toward them is spiritual! Even when we assist in some material or physical way, it is for the purpose of providing one of those spiritual benefits. 2. We put SKTMB on display in all our dealings with all of them. Godly Living: treat people with the five features of godly love, conducting ourselves to their benefit and welfare. 3. When we identify our neighbor, it should be our desire to develop the relationship through godly questions 1 In prayer, my Father and I create a plan to develop the relationship by asking godly questions 2 for the purpose of carrying out some kind of ministry with them. 4. God says that when we conduct ourselves this way, we are fulfilling His righteousness (the righteousness of the law) whether they get saved/edified or not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-10	GH: Decision-Making Process	Part 1: Dealing with people in our everyday lives. The relational context of who is our neighbor. The Process: We think: I want this person to be saved/edified We exhibit/live: SKTMB We pray: About developing the relationship through questions Results: My decisions are righteous LOVE: The filter which you pass all the judgmental decisions you make in your life. - Actions - 5 core (always used in areas of our life) features of godly love - MM says look at as a 5-stage water filter: - Selflessness - Kindness
Romans 13:8-10	GH: Decision-Making Process	- Tenderhearted - Meekness - Benevolent Goodness - Bottom: Righteousness Equity: has two (only come into play in special circumstances) more but they are non-core
Romans 13:8-10	GH: Decision-Making Process	Does this decision concern my commitment to God or my education? Does this decision impact my local assembly in some way? Is this decision selfless? Am I cooperating and participating to the benefit of my local assembly? MM says all of this is going somewhere. Right now, we all have the idea we are getting edified unto godliness. Where this goes the edification of the entire body. Not about a million lone rangers doing their job, it's a million parts of a body doing their job. We are a microcosm of the entire body of Christ. You ought to want to do things if you have the attitude of your Father.
Romans 13:8-10	GH: Decision-Making Process	Commitment to God - Does this negatively impact my commitment to my Father? - Is it in line with presenting my body a living sacrifice? - Does it reflect the renewed thinking I have been taught? - Is it going to help or hinder me in participating in my Father's Business? - Is it proving the will of my Father? In what way am I putting His will on display?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-10	GH: Decision-Making Process	The 2 SAYINGS for us in the DOGG: 1. OWE NO MAN ANYTHING BUT TO LOVE ONE ANOTHER-Romans 13:8a - I have a debt to every man I encounter, lost or saved, and that is to love them with godly love 2. LOVE WORKETH NO ILL TO HIS NEIGHBOR-Romans 13:10a - This is not contained in the law. MM says these 2 sayings in combination say this, 'I've got a debt of love I pay to anybody I'm around and that love is not going to work any ill toward them so it is really important to identify who's my neighbor. When Paul writes THOU SHALT LOVE THY NEIGHBOR AS THYSELF-Romans 13:9, he is not giving us a commandment, he is trying to give us SAYINGS whereby we operate out of that. These 2 sayings encapsulate the doctrine being taught to us right here.
Romans 13:8-10	GH: Decision-Making Process	The following questions are encapsulated in the above 2 SAYINGS: - Does this decision reflect my commitment to my Father and His Business? - Is this decision selfish or selfless? - Is this decision made out of sincere lovingkindness for this person/cause? - Does this decision demonstrate the value and esteem I have for them/it? - Does this decision reflect longsuffering that is on par with my Father's? - Does this decision stem from my meekness or my pride? - Am I rendering the honor and respect that is due this person/endeavor/cause? - Will this decision result in conduct that is proper for this situation?
Romans 13:8-10	GH: Decision-Making Process	MM says this is just a list of questions but it is certainly not all of them. MM says when we accomplish this, not in the energy of our flesh but out of the godly love that's being generated in us, we can say that: -What we're doing have been done "through the Spirit" because, as we are being "led by the Spirit" through the Sonship curriculum, we are being edified unto godliness. We didn't produce that love, that word effectually worked IN us to produce that love. And when we live out of that, that's not us producing it in our flesh, that's what the Spirit produced in us as He led us through that Sonship education. - When we love out of that, what is produced is "of the Spirit" and not "of the flesh". MM says this is not something that the Spirit is kind of doing but we don't know what's going on, this is the process of taking the attributes of God and incorporating them into our decision-making. They become the filter through which we pour every decision. - We could also say this is "walking after the Spirit". We are walking after what the Spirit has produced IN us. We are walking after Him through the Sonship curriculum.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-10	GH: Decision-Making Process	- We could say it is "letting the word of Christ dwell in you richly in all wisdom". MM says when that word is dwelling in you, you're producing something from what that word did in you. You're living out of that and that's what Paul calls letting the word of Christ dwell in you richly. - This is what it means to be "filled with the Spirit". MM says in the old days, we thought this meant confessing all of our sins and asking God to fill us. There's no such doctrine sitting in your Bible. The way you are filled with the Spirit is by these things (GH: godly love attributes) being generated in your inner man. And when you are filled with the Spirit those things are the Spirit filling you with these things. When you live out of them, you are walking after the Spirit. - Your "neighbor" is *whowever is around you* at any given time. - Our judgment decisions should be based upon the *godly love* that we have learned so far in wisdom and justice. - The righteousness of God is consistent with the *love of God*. MM says that's why love is the fulfillment of the law. These two never run apart from each other. If it is righteous, it is connected to His love. If it is connected to His love, it's righteous.
Romans 13:8-10	GH: Decision-Making Process	- By making a decision out of godly love, we have made a *righteous* decision. MM says here is the confidence that we are supposed to have...if we will go through this (GH: decision making) process, we can have confidence that we are not only thinking about it the way our Father thinks about it. If we are thinking about it the same way we can come to the same conclusion. And more importantly, we are coming to the same conclusion for the same reason. Can do the same thing for different reasons which is why this process is important. This kind of thinking is the only thing you are taking with you to the heavenly places. MM says it will be like a tool belt and everyone of those major attributes is a big tool and all the sub-components are the little things. MM thinks of a socket wrench as a major attribute and the sub-components are the different sized sockets - 1/2", 3/8", etc. Group jokes that's a man thing. MM counters with a make-up kit with the different shades she can use.
Romans 13:8-10	GH: Decision-Making Process	Questions we can ask ourselves as we determine the right "path": - Do I have any instructions from my Father about this? MM says if you do, you don't need to go any further. - Is this conduct in line with what I know to be my Father's Will? MM says you know what He wants to do in this world and know it is not going to be about the physical things, it's going to be about spiritual things. - Does this conduct hinder or promote what I know to be God's purpose in this DOGG? - Is this the kind of behavior by which a son represents his Father?
Romans 13:8-10	GH: Decision-Making Process	- How would this behavior impact Satan's realm? MM says this is something you will ask yourselves more and more as we get into the next section (Romans 13:11-14) because in the next section is where you CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT-Romans 13:12. - Does my behavior violate any known doctrine or exhortation? MM says you can absolutely add to these. Ought to sit down and start thinking through this because you need to remind yourself on purpose 'this is the way I'm making my decisions', these are not going to naturally be in your thinking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8-10	GH: Decision-Making Process	Decision making process (this is the way your Father does it): - Take the two sayings - If this didn't allow for you to make your decision, use the 5 major attributes of godly love and start putting your decision through that process. - If this didn't allow for you to make your decision, use the sub-components (exhortations) of the 5 major attributes under each one. - If this didn't allow for you to make your decision, use the sub-components of the sub-components
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. **Nutshell: Owe no man, love every man**. See the colon in the middle of the verse. Means you have to understand the first part before you move onto the second part. Living out of these godly love attributes and subcomponents is how you fulfill the law. Do the very thing that the law was asking to have done. You can't do it by keeping the law but you can do it by having godly love generated in your inner man. When you live out of that, the Bible says you're producing a righteousness that perfectly fulfills the law. MM says the wonderful thing is you are producing a righteousness that fulfills the law WITHOUT trying to keep the law. It's the means again, it's the way you are doing it. And that righteousness is the very righteousness of God Himself that is being fulfilled in us. Israel had a misunderstanding, they thought they could produce their own justification and their own sanctification by keeping the law. They thought they could do that on their own, thought they could save themselves and produce a holiness that God would be pleased with.
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. OWE NO MAN ANY THING, BUT TO LOVE ONE ANOTHER: FOR HE THAT LOVETH ANOTHER HATH FUFLILLED THE LAW: In this first section of godly judgment, we are immediately confronted with the idea that we owe everyone our love, including those we do not know that well; our neighbors. Do not confuse the love Paul is talking about here with the emotional type love you have for your parents or children or siblings. This love is a conscious decision to think about them and treat them in a particular way for the purpose of either helping them come to Christ for salvation, or be edified unto godliness. - The Lost: If they are going to see God’s love for them, it is going to be expressed by us, His sons and daughters. That is why we are called to love our lost neighbors. - The Saints: As for our neighbors which have already received Christ, our loving actions toward them are supposed to assist in their edification. And that is a big issue because most believers do not know what edification is, nor do they know how it works. It is very likely that you are the only person in their acquaintances that has that knowledge.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. OWE NO MAN ANY THING BUT TO LOVE ONE ANOTHER: Ties together the godly love attributes taught to this point. Paul bringing up the issue of our debt. Paul is not making an official statement about money. While MM says we should pay our bills in a timely manner, this is not referring to any kind of debt, finances included. MM thinks the first 5 words are throwaway words for what follows - BUT TO LOVE ONE ANOTHER. While its preferable to be debt-free, not the subject matter here. MM says the context concerns our relationship with our neighbor. OWE NO MAN ANYTHING: Not a commentary about your money/finances or living debt free. He doesn't have anything in mind. It's a setup line or setup words. Like serving a tennis ball. This is not a commentary on you can't buy a car or you can't buy a house. Means let no debt remain outstanding. OWE: OED: Owe: To be in debt. To be under obligation to pay or repay (money or the life); to be indebted in, or to the amount of; to be under obligation to render. - MM says if you OWE something you have a debt. We owe a debt to love.
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. NO MAN: Not just talking about saints, this is anybody, lost or saved. ANY THING: GH: When you make monthly payments you have paid your debt for that month and that is all that is owed for that month. MM says you should not be thinking 'let me pay this thing off'. We should be looking at this as something we gladly engage in because of what it is going to accomplish. We ought to be gladly shouldering this because: - It is CONFORMING us to the image of God's Son - It is TRANSFORMING us by renewing our minds - It achieves God's PURPOSES today - It is TRAINING us for the AGES TO COME - It displays our Father's WISDOM (His Wisdom is going to show up in us) - It impacts Satan's realm (we're supposed to make that impact on PRINCIPALITIES AND POWERS IN HEAVENLY PLACES) MM says there should be some godly enthusiasm (FERVENT IN SPIRIT-Romans 12:12b) as we go about this. Not walking out the door thinking, '<sigh> I have to love those people at work again'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. BUT TO LOVE ONE ANOTHER: Like saying 'above all else...' Not exactly talking about loving people in China. **We have a debt to love every person we come in contact with and that love is supposed to guide our decisions when there is 'not clear cut path' on what to do**. MM says we are a debtor to a series of things: - Romans 1:14 - debtors to preach the gospel - Romans 8:12-13 - debtors to the Spirit to live after the Spirit - Romans 13:6-7 - GH: debtors to the government (GH: DUES, TRIBUTE, etc.) TO LOVE ONE ANOTHER: Something you do for/to others/someone else(corporately). LOVE ONE ANOTHER: **It is a conscious decision where you choose to value and esteem your neighbors for the purpose of carrying on some kind of ministry with them (salvation/edification), which is ultimately for their benefit because it is an expression of God's love to them**.
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. FOR HE THAT LOVETH ANOTHER HATH FULFILLED THE LAW: Paul explains that love is the fulfillment of the law (and he means the Law of Moses). Paul is not advocating that we go under the law. Nothing wrong with the law itself. The law was righteous. he is going to say that all of the things that are found in the law are actually wrapped up in this concept. Nutshell: SKTMB is now going to be a way of life for us. Everywhere, we manifest godly love. Outwardly, we are accomplishing God's will, doing the work of the ministry, fulfilling an office, putting grace on display/living out of grace, and manifesting the manifold wisdom of God. Inwardly, the life of Christ is being formed in us, we are being conformed to His image, and we are growing in grace. God says when we live this way, we are fulfilling the righteousness of the law without the law, we are manifesting God's righteousness by faith. HE THAT LOVETH: Paul has the filter of SKTMB in mind. Choosing the V&E our neighbor and do the work of the ministry (2 parts). HATH FULFILLED THE LAW: This is something Israel never did. You are able to do it by living out of grace and having Christ IN you. TO LOVE HE THAT LOVETH

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. FOR HE THAT LOVETH ANOTHER HATH FULFILLED THE LAW (cont'd): The kind of love that fufilled the law is not the kind of love that the world knows. MM says the world's love will not fulfill the law because the world has been filled with its own kind of love the and no man could ever fulfill the law so it's got to be only the Love of our Heavenly Father that will fulfill the law. The difference is the Love that is generated IN us from our Father that represented the 'attributes', that's generated out of the doctrine and the exhortations. Just because you love your spouse or kids doesn't mean that you fulfilled the law because we're not talking about love as a feeling, we're talking about something love does as a result of that doctrine working IN us. We're committed, not because we feel like it. We're committed because of what that doctrine has produced (GH: the 'attributes'). *There is a 'spiritual dimension' to what we are doing here that matches our Father's.* The love we have is not the fuzzy feeling of 'oh I just love them'. If you do, fine. **This love is because there is purpose behind it, your Father's Purpose is behind it. His Purpose is either looking for men to be saved or looking for men to be edified**. If they are lost, they need to hear the gospel that saves them. If they're already saved, they need to hear the doctrine that edifies them. MM says your Father has a Purpose behind this love. He's not just going have a fuzzy feeling just because it feels good. It may but that's not the issue. The issue is your Father trying to do something in the hearts of men and this is best going to get accomplished through godly love. *The Justification and Sanctification of people are the issues!
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. FOR HE THAT LOVETH ANOTHER HATH FULFILLED THE LAW (cont'd): He wants them to have eternal life and He wants them to have functional life.* - When our love is SINCERE (WITHOUT DISSIMULATION-Romans 12:9a), it impacts men. - When our love is DISCERNING (we abhor evil and cleave to the good), it impacts men. It identifies the evil and abhors it and the good and cleaves to it. - When our love is KINDLY AFFECTIONED those which receive our love are aware of it and it impacts them. (Remember the purpose, you don't feel this way because they are a terrific person, you're feeling that way about them because you understand what your Father wants to do for them) - When our love causes us to HONOR OTHERS (perfer one another) above ourselves, it impacts men. (MM says the world talks about it but doesn't do it as much as it talks about it) - When our love is enthusiastic (FERVENT IN SPIRIT), it shows that we genuinely care. - When our love is PATIENT, GENEROUS, HOSPITABLE, SYMPATHETIC to troubles, REJOICING, HUMBLE, that's the kind of love that makes an impact and that's the kind of love that opens up that door of opportunitiy to do with these folks what your Father wants to do with them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:8	Love is an unpaid debt	8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. FOR HE THAT LOVETH ANOTHER HATH FULFILLED THE LAW (cont'd): MM says that it may seem strange that in the midst of this, Paul brings up the law. He's about to quote 5 commandments. When he is bringing up the commandments, he's not saying here's what you guys need to do. Because you are never going to get saved by keeping the law and you are never going to be sanctified by keeping the law. There's nothing wrong with the law - the law was God's perfect righteousness. We are called to be perfectly righteous once we get saved. If you are going to be perfectly righteous, you can't do it by keeping the law. Paul is going to tell us the only way you can produce a perfect righteousness, the righteousness of God Himself that will fulfill that law without keeping the law - godly love. Love is the fulfillment of the law. He that loveth hath fulfilled the law. MM says if all of the godly love atttributes/characteristics were working in you, you wouldn't need a law. You'd already be doing it. GH: If you had these attributes, you wouldn't be breaking the law. You can't keep the law, but you can have God's Love generated in your inner man and when you live out of that love, you are fulfilling the law. Point of the phrase: the mechanical means of that is by taking those godly attributes of godly love and then asking ourselves - does this decision reflect this? Is this what my Heavenly Father is after? MM says for Israel, the law demanded righteousness that they could never produce but for us as members of the body of Christ, love allows us to produce that righteousness apart from the law itself and if love is really working in us the way it is supposed to, we wouldn't need a law because we would be producing that by our actions out of godly love.
Romans 13:9-10		Setting the relational context to who is our neighbor. Five of the 10 commandments are listed here. There things that we could do but MM is not sure it would be edifying. Not fulfilling the law, fulfilling the righteousness of the law (through grace). **Please see 'Definition : Neighbor' in the Commentary section.**
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. After Paul explains that love is the fulfillment of the law (and he means the Law of Moses) in v8; he then lists/quotes the last five of the 10 Commandments. Then Paul says, “if there by any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love they neighbor as thyself.” What is important to notice is that by quoting these commandments, Paul is not attempting to put us back under the Law. These concern adultery, killing, stealing, lying, and coveting. All of those things can be violated with your neighbor! Doesn't include the first 3 because they relate to our commitment to God, they are about loving God/have to do with our relationship to God. The 4th is a reminder to Israel to remember the Sabbath and the 5th has to do with our parents. The last 5 our about our relationship to our neighbor.For us who are under grace, when we fulfill the Law in connection with the first five commandments, it means we are going to love God. That is really what the first eleven chapters of Romans is producing in us; a love for God as our heavenly Father that is meant to keep increasing and abounding. GH: Through Romans 1-11 and Romans 12-16, we are fulfilling the righteousness of the Law, without the Law. So, the first five commandments hang on loving God with all your heart and the last five hang on loving your neighbor as yourself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. The part of the doctrine that is going to work in us to produce righteousness is: 1. When we employ those five features of godly love toward our neighbor, (in order to bring them to Christ or to be edified), that is how the life of Christ is lived in us; that is as righteous as if God Himself did it, because He did! 2. When we have a judgment decision to make (not an issue of right or wrong, or one you already know the answer to) we employ godly love (SKTMB) to find our answer by asking ourselves questions in relation to the doctrine which produced that love in us, and that is righteousness that we produce while we are still in these fleshly bodies. This is grace living, not the works of the Law. When we demonstrate godly love (SKTMB) in our daily lives and as we spend time talking with God about the discharge of that neighborly love, we will find ourselves doing things which otherwise, we might never have done. And that is a good thing. This is the kind of prayer that God has been waiting to hear from us; a conversational prayer that pertains to His work in this world. At the same time, we might also find ourselves choosing not to do some things which otherwise we might have done. The doctrine is meant to work in us that way. When we read that "love worketh no ill to his neighbor" we realize that this is not just about being a "do-gooder." There is godly purpose behind our loving our neighbor. This is about carrying out our Father's work (labor) with our neighbor. This is about producing an atmosphere in which God is best received by the lost world. When we love our neighbor properly, then we are creating an atmosphere that is most conducive to people responding to the gospel and to Sonship edification.
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. The godly purpose behind why we love our neighbor. It is about: - helping a fellow member of the body of Christ to be edified (GH: or salvation). - the exaltation of the Lord Jesus in us. - putting the very righteousness of God on display. Making godly decisions about as many things as you can is how you should live your life. That **means not only deciding what your heavenly Father would decide, but it also means deciding it for the same reason He would**. And actually, that is the most important part of the process. **Why we are doing what we do, makes all the difference to God**.

Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. IF THERE BE ANY OTHER COMMANDMENT: There were more than the 10, there were 613. BRIEFLY COMPREHENDED: MM says this seems like a strange way to say this. Why didn't he say briefly stated"? Because for us, there has to be an understanding of those things. We are not just being given something to know, but this has to have meaning behind it. It has to be comprehended in this same way. THIS SAYING: Could have said 'this command' but he calls it a SAYING because: 1. We are not given any commandments. We are not under a law. 2. ?
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. SAYING: To a son, a SAYING is a very important thing. MM says a SAYING is something you have heard that takes a bunch of information and boils it down into a concise statement. A SAYING is easy to handle and can readily come to your mind. That's the purpose of a SAYING, it's getting the ball rolling on beginning to think to make a decision like your Father does. This SAYING corrals all the prior commandments in v9 into one thing. A SAYING is something you've heard so often or you've repeated so often that it should immediately come to your memory. OED: Saying: something that is said; now chiefly, something that has been said by a more or less distinguished person; an apophthegm, a dictum. Something commonly said or a proverb. MM says just because it is a saying doesn't mean that it is true. OED: Apophthegm: a terse, pointed saying, embodying an important truth in a few words, a pithy or sententious maxim.
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. THOU SHALT LOVE THY NEIGHBOR AS THYSELF: Paul quotes Leviticus 19:18 but he is not giving us a command or establishing the law for us. This is the SAYING and is an inter-dispensational principle. It was true in Israel's program and it is true in ours. The problem with Israel's program is that they couldn't keep the law by the energy of their flesh. God has to do something in your inner man and when you live out of that produce that godly love in your inner man. Then you are able to fulfill the righteousness of the law. This is the epitome of what is on the commandments listed previously in the verse. NEIGHBOR: Not just the person that lives next door. This is not trying to limit who you have to be nice to.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:9	Love fulfills the law (GH: s/b v8 or v10?) / GH: Inter-dispensational	9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. NEIGHBOR: **Have some level of acquaintance but less intimate level of a relationship**. Someone that does your hair. Everybody is not your neighbor. Not a total stranger you see in a parking lot. **Our neighbor is whomever we are around and have some degree of interaction with (not just the people who live next door)**. This could be your kids' schoolteacher. But if you never really have any interaction with them, you just recognize them when you see them, they are probably not your neighbor. Some of your co-workers might qualify to be your neighbor. If there are people at work with whom you eat lunch from time to time, or interact with pertaining to business, to such an extent that you have a level of friendship; these can be your neighbor. Perhaps you frequent a particular store or restaurant and have developed a bit of a friendship with a clerk or waiter; if so, they could be your neighbor. It might be your mailman. But not necessarily. Neighbor is really a level of acquaintance that is below the more intimate friendships and relationships we hold in life. It's not family. It's not members of our assembly. It is really reaching out further than these to those who are just within our sphere of influence. Our neighbor is whomever we happen to interact with to some degree and some level of acquaintance. By the way, how many of these people do you likely owe money to? Why MM says OWE NO MAN ANYTHING are setup words. Is not just the person who lives next door to you. It's who you are around at any given time. Don't have to have a permanent residence. This is how you are going to treat everybody that you come in contact with. All of these 5 deal with how you interact with whoever you are around. Look around this room.
Romans 13:10	Love works no ill to its neighbor	10 Love worketh no ill to his neighbour: therefore love is the fulfilling of the law. LOVE WORKETH NO ILL TO HIS NEIGHBOR: Paul defines what love does not do. We take those five core features of godly love and by them we can determine whether our treatment or proposed treatment of our neighbor is "ill" or not. Even though our liberty in Christ is a big part of who we are we willingly, gladly, give up some of that liberty for the benefit and edification of others. This is the product of godly love working in our inner man. And by that love being generated in us, God is able to produce in us and through us everything He purposed, and He can do that without commanding us to do it. Instead of giving us a law or rule, God is producing the life of His Son in us so that righteousness is not by the law, but by grace. Sometimes a righteous decision will not make our neighbor happy. We are not given a guarantee that if we make godly decisions with love and charity that our decisions will always be well received. That is why it is sometimes important to make an explanation of why we are doing what we are doing so that people will know what is behind our actions. When our righteous actions offend our neighbor, do not confuse that with working ill toward your neighbor. When we love our neighbor as ourselves, our actions work to the benefit of our neighbor. And when MM says "benefit," he means that the end result of our actions will be of spiritual benefit (salvation/edification) even when the deeds toward them were physical or material in nature. As we make decisions in our everyday lives, we filter them through the principle of employing godly love and working no ill toward our neighbor. Many of these we will have to think about on purpose in order to do them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:10	Love works no ill to its neighbor	10 Love worketh no ill to his neighbour: therefore love is the fulfilling of the law. LOVE WORKETH NO ILL: Tough to have ill to someone you don't know. Remember when you make a decision about your neighbor. LOVE WORKETH NO ILL ILL: That which is intentionally meant to harm (either by action or neglect) and is meant to be to the detriment of another. MM says God doesn't work evil to people. Under the law it is not a system of grace, it's a system of blessings and cursings based on their conduct. That became a system of justice by which God dealt with them. Now in the DOGG, God is not inputing people's sins to them and judging them. But when this period of grace is over or when their lifetime is over, they will, in the end, be dealt with out of His justice. Even if we are talking about a man who is in the lake of fire, he is not there because God decided to 'work ill to him'. The guy did that and justice demands that. But for us, a righteousness has now been imputed to us that God's justice cannot punish. That is just and that same offer is made him but he dispised the goodness of God.
Romans 13:10	Love works no ill to its neighbor	10 Love worketh no ill to his neighbour: therefore love is the fulfilling of the law. THEREFORE LOVE IS THE FULFILLING OF THE LAW: Is a repetition of love being the fulfillment of the Law. Issues: 1. There is nothing wrong with the law itself, for the law is spiritual and it represents the righteousness of God. The problem is that attempting to keep a bunch of rules in order to please God is something we can only do in our flesh. It is our attempt to be righteous in our own power. That was Israel’s problem. 2. God is not interested in our righteous efforts; He wants His righteousness to be produced in us. And that requires grace, and grace requires that we think about our neighbor like our heavenly Father does, and we treat them in a particular way whereby we may benefit them spiritually, on His behalf – and Paul calls that “love.” We owe that love to everyone. 3. We are exhorted to produce a righteousness that is acceptable to God while we are still in these fleshly bodies. And the only way to do that is by grace. And how do we live out of grace? We live out of grace by exhibiting godly love in all we do, being motivated by God’s work and word. Motive is important!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:10	Love works no ill to its neighbor	10 Love worketh no ill to his neighbour: therefore love is the fulfilling of the law. We should be motivated by God's work and word (1 Timothy 2:4): The reason we are loving our neighbor is because we love our heavenly Father to such an extent that we want to see His will and purposes with our neighbor accomplished. 1. We know He wants them to come to Christ (if they are unsaved) and therefore we think about them and conduct ourselves in such a way as to "earn the right" to present the gospel to them. 2. We know He wants them to be edified unto godliness (if they are saved) and therefore we think about them and conduct ourselves in such a way that we might be able to talk to them about the importance of their edification and help them in it. What is driving us to love our neighbor is the doctrine found in God's word, and our obedience to it is not for self-promotion but is out of love for God and a sincere desire for the life of His Son to be exalted by having the life of Christ lived in and through us. LOVE IS THE FULFILLING OF THE LAW: MM says we are not under the law but because of what's being put in our inner man, we are fulfilling the law by these things. We're not lacking anything here.
Romans 13:11-end of education	God's HID TREASURES/ FINE GOLD or 'Riches' Wisdom	Is God's HID TREASURES-Proverbs 2:4 or FINE GOLD-Proverbs 3:14 level. Represents great wealth, something beyond just a paycheck. A man that has great wealth gains status, respect, power (authority & influence), degree of freedom, time, inheritance (ability to help others increases), benevolence (can't give what you don't have). All the benefits of great wealth in this world end when your life ends or even before your life ends. Because it is HID TREASURES or FINE GOLD level of the education, it's going to necessitate that we invest more time and work at it a little harder because this is not just being handed to us like a paycheck. MM says he is not implying that the SILVER wisdom is inferior. It's the foundational wisdom that you had to have that everything else is going to be built on. This is going to take a commitment of time. You have to be willing to make that commitment or don't expect the payoff that HID TREASURES bring because this is way beyond merchandise that can be bought by SILVER. This is merchandise that is at the very top of your Father's list. Knowing what He is offering you should be a motivation to say whatever it takes to this this, that's what I want to do. Paul calls this THE RICHES OF HIS GLORY-Romans 9:23 or THE UNSEARCHABLE RICHES OF CHRIST-Ephesians 3:8. MM says from this point forward, he is inclined to call it the RICHES wisdom. As we move into the RICHES, we can no longer afford to waste time and this will require something of us.
Romans 13:11-14	GH: Promotion 3 of 3 / GH: Important - Tying Labor to Operations	**Please see Mike's Hot Topics : GH: The World of the Ungodly and God's Judgment in the Commentary.** Part 2: Dealing with the POE: MM's interpretation: knowing where we are in our education as sons and daughters (Rm. 13:11) tells us that it is high time for us to stop living our Sonship lives carelessly and thoughtlessly (by engaging in such behavior as Paul describes in vs. 13 – rioting and drunkenness, chambering and wantonness, strife and envying) as though we are part of Satan's darkness, and start actively paying attention to what we should be doing, putting on the Lord Jesus Christ and living like we are children of the day (righteousness). Paul is exhorting us to be actively involved in our Sonship lives! STRANGE WOMAN for us. Deals with our relationship to our time. Everything up to this point has been about our relationship to someone. Now, all of a sudden it's a relationship to something and that something is time. We will be challenged here as sons and daughters on how we are going to spend our time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:11-14	GH: Promotion 3 of 3 / GH: Important - Tying Labor to Operations	You are given a doctrine that will renew your mind so you begin thinking about it just like your heavenly Father thinks, just like the Lord Jesus Christ thinks, that new thinking is then going to lead you to change your conduct and behavior. Once those (thinking & living) are done and you really get that down, then you learn there is an operation that your Father is trying to accomplish in this DOGG. By accomplishing that operation, that is your godly labor. The labor is accomplishing that operation that God wanted to get done. MM says each section we have studied ties to an operation of God. Analogy: Someone's house catches on fire and soon it's bigger than the homeowner's can handle so we have fire departments that have a particular operation that they are meant to perform and that operation is to put out fires. So everything that they are trained to do revolves around that operation. Also triage smoke inhalation or burns. There's also an ambulance service (these things may cross-over a little bit but you wouldn't call them to put out a fire). Police officer may be trained to resusicate someone but his primary operation is to enforce the peace.
Romans 13:11-14	GH: Promotion 3 of 3 / GH: Important - Tying Labor to Operations	Your heavenly Father has all these operations that He is conducting in this DOGG and in order to do these operations, He is having to train us in different ways so everything that you were learning back in Romans 12:1-13:10. Difference between godly living and godly labor: You may go about your life every day being selfless but there is a particular operation that you will actually be able to use to labor with your Father in. Point: All of these things that we have learned before, we're going to have to carry that with us into this next part. Because if we are not careful, the danger is you will look at the new stuff and have a tendency to leave the old stuff behind. But you can't do that because it is the foundation upon which this hew stuff is built. MM says to get to where you need to, you need to work at this constantly. When you are faced with the idea of finding more time (how much will be different for all of us) because it is getting more complex and because you are adding to something that is already there and because you are going to have to spend more time with your Father, you can't quit the other things, like working on us being a body. Still have things you are trying to work on that we got our initial instruction in the past.
Romans 13:11-14	GH: Promotion 3 of 3 / GH: Important - Tying Labor to Operations	Remember: 1. Don't let our enthusiasm for this new area of doctrine shut out the prior areas like we don't need to continue working on them. 2. Realize that the time we spend working on these issues how to talk to your Father on how you are operating out of your office to help this group really begin to function as a body. MM says you haven't been thinking about that as much as you should have been thinking about that. This is a process that we are going to have to work at to make it happen. We are not going to be able to just show up and slide by and all of a sudden, one day we are seamlessly functioning as a body. That's going to happen on purpose because we actually did the work to get ourselves there. MM say looking back on the work left to be done on Romans 12:1-13:10 made him more conscious of his time. Made him think he should have been working on this harder all along.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:11-14	Proper Bible Reading : Exogesis Example	Romans 13:11: Four parts: 1. AND THAT: He's stepping aside from addressing the entire assembly on loving your neighbor to now addressing a different subject matter. 2. KNOWING THE TIME: Paul assumes there is something we know, something we should already be aware of. Knowing the time: OED 15a: A point in time marking or marked by some event or circumstance; the moment or point of time at which something happens; an occasion. - EX Time to get an haircut: That is not actually an issue of time (since different people's hair grows at different rates), as much as it is an instance of circumstance; "the point of time at which something happens;" the hair has grown out. TIME: The "time" that Paul has in mind is the place to which we have advanced in our education. That place is Romans 13:11. That is why he can say "now" in v11 and mean, right now, at this moment. It is like reading a set of assembly instructions that says: Having attached the back, now turn the piece upside down to affix the casters. It almost goes without saying that Paul is not talking about time in the sense of the hour of the day, or even our time in history, 2022. 3. THAT NOW IT IS HIGH TIME TO AWAKE OUT OF SLEEP: And if we know "the time," we also know that now is the time to do something; awake out of sleep. Paul is saying, "if you understand where you are with regard to your education, then you also know that, at this point (now) it is high time for you to have awakened out of sleep." AWAKE and SLEEP are metaphors. It is obvious we do not take them literally. Believers are considered to be in one of two dispositions; awake or asleep.
Romans 13:11-14	Proper Bible Reading : Exogesis Example	OED: awake 2. figurative. To rise from a state resembling sleep, such as death, indifference, inaction; to become active or vigilant; to bestir oneself. (It makes sense doesn't it; if the sleep is figurative, then the "awake" is also figurative) 4. To be or keep awake; to be vigilant, to watch. OED: sleep 4. figurative. a. To be dormant, inert, inactive, inoperative, or quiescent. 5. figurative. To be careless, remiss, or idle; to live thoughtlessly or carelessly. 7. To put off or delay; to disregard, pay no attention to. 4. FOR NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:11-14	Proper Bible Reading : Exogesis Example	Romans 13:12 Two parts: 1. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND FAR SPENT: The scripture uses the phrase only four times in both testaments and every time it does, it carries the idea that something has passed, it has come to an end, that it is over. - OED: far spent - 2. Passed, gone; come to an end; over: AT HAND: OED: at hand (i) Within easy reach; near; close by. (ii) Near in time; on the point of happening; imminent 2. LET US THEREFORE CAST OFF THE WORKS OF DARKNESS, AND LET US PUT ON THE ARMOUR OF LIGHT: Cast off the works of darkness (whatever they are) and put on the armor of light (whatever that is).
Romans 13:11-14	Proper Bible Reading : Exogesis Example	Romans 13:13 Two parts: 1. LET US WALK HONESTLY, AS IN THE DAY: What to do. 2. NOT IN RIOTING AND DRUNKENNESS, NOT IN CHAMBERING AND WANTONNESS, NOT IN STRIFE AND ENVYING: What NOT to do. Romans 13:14 Two parts: 1. BUT PUT YE ON THE LORD JESUS CHRIST: Is the exhortation of what to do: to put on the Lord Jesus Christ. 2. MAKE NOT PROVISION FOR THE FLESH, TO FULFIL THE LUSTS THEREOF: Is an exhortation of what NOT to do; don't make any provision for the flesh to fulfill its lusts. Put all four verbs together for the verses - Paul is exhorting us to do four things: 1. Wake up 2. Cast off the works of darkness / Put on the armor of light 3. Walk honestly 4. Put on the Lord Jesus Christ / Deny fleshly lusts

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. Talking about your personal time. How you are going to spend your time in a 24-hour day. The available time to get this done is shrinking everyday. Is specifically talking to members who have not been serious with their Sonship life. Knowing the time is to know where we are in our education and as a result of knowing where we are, it should bring us to an understanding that it is high time (past time) to awake out of sleep. Can be broken into two components. Both talking about totally separate things about our time. 1. Knowing where you are in the education, you have now come in the education to the proper time to do something. 2. Talking about the personal time in our life. Talking about the amount of time in your life to do something. It's the motivator to get the first part of the verse done. More complex (not more complicated). Our exhortation to awake out of sleep is between the two components of Judgment. Israel doesn't get it till after the first part of Equity. MM says he can identify it but can't explain WHY. Point: There is an admonition or warning to them about not being a slothful son but that's not what's taking place here. Now you have come to the place in the education that you have come to, things are about to change and it's going to be more demanding and you're going to have to start making wise, judgmental decisions about how you spend your time. If you are not going to do that, then you can forget about this working because it's necessary. MM talks about this is the first place you potentially a threat to the adversary, but just because you are reading Romans 13 doesn't mean you have all the doctrine working in you up to that point.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. v11 whole thing: Knowing where you are in the education that now you've come to the point it is HIGH TIME, it's the proper time, to start making wise judgmental decisions about how you spend your time because you only have so much time to get this education up and running; and if you waste your time and don't get this you are not valuing the education the way it ought to be valued. One of the reasons is people believe that something else that is taking their time is more important. If you say, you are already giving too much time that's an indication that something in Romans 8 didn't get fully settled in you. Other approach is I've been looking forward to this. I have been wanting to deal with the adversary effectively. I've been waiting to labor with my Father in making an impact on a realm I can't even see with my physical eyes. I've been waiting for the day when my Father could equip me and turn me loose on that guy. MM says he had about 100 sayings in an old Bible and one is he who wants to bad enough will find a way and he who does not will find an excuse. You are going to start having to make wise judgments on how you spend your time. Why more time? 1. The education is about to become more complex (means it has many parts to it/multi-faceted, vs. complicated) therefore it will require more time and effort to study, understand, and implement in our life and get skilled at it than before. You will need to find more time.

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. 2. We are about to add a whole new dimension to our Sonship life. In addition to putting on the attributes of godly wisdom, godly justice, and the first component of godly judgment on display in our daily lives, we are about to learn about a completely new operation of God in which we will be equipped to labor with Him. MM says that we can't afford to leave any of the other stuff (GH: things we have learned previously) behind. We have to carry all of that with us. MM says like your boss coming to you and saying I need to give you another duty that you need to take care of and you ask yourself where am I going to find the time? 3. This new dimension of our Sonship life will add to the things that we are talking to our heavenly Father about. This will increase your prayer time. MM says when we come together, it is supposed to be as a body. The Lion's club comes together but this is different. It's important to us because when we get up into the creature the entirety of the body of Christ is there and it's just like we talked about in your physical body. If all the things aren't working together in concert, this body is hampered from being able to function in the way that it was designed. MM gives the example of what it takes body-wise to pitch a marker to someone. Point: Your body knows how to do this naturally. For us, this group has to get practice in being a body, it is a learned skill.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. AND THAT, KNOWING THE TIME, THAT NOW IT IS HIGH TIME TO AWAKE OUT OF SLEEP: Alerts us to a step up or acceleration or an increase or a new level in our education which will require more time and effort. AND THAT, KNOWING THE TIME, THAT NOW IT IS HIGH TIME: Knowing where you are in the education, you have now come in the education to the proper time to do something. KNOWING THE TIME: Refers to knowing where we/you are in our education. This is the time that we have left, knowing where we are in our life and at this point in the education, it's HIGH TIME. Be aware of what you've got left to get this done and knowing that, at this point in the education, IT IS HIGH TIME TO AWAKE OUT OF SLEEP. Because you are passing through a door that will require more out of you than before. But the pay-off is much greater than it was before. An alarm that says what you are about to encounter is going to require more from you than has been required up to this point. Questions: - In what way is Paul using the word "time" when he says, "knowing the time?" Defining "the time" - several ways: - The time that is available in the rest of your life - about where you are in your life - MM doesn't think this is it, this is what the second part of the verse is talking about

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. - Paul is asking you what time is it - MM says that would be pretty ridiculous - The time of this DOGG - because we haven't always been in this DOGG - **The time of where we are in our Sonship education** - this is the one we are going to focus on Nutshell: Because of where you are at this point in the Sonship education, you have arrived at the time that has fully come for you to do something. It is high time to do something. Not as a reprimand like it is past time, but because of where you are in the education, you have come to the right / exact / proper / appointed time to do something and that something is TO AWAKE OUT OF SLEEP. GH: This is about taking what we know and use it like we never have before. MM says we are about to learn doctrine that's taking everything that we've gotten up to this point, we're going to take everything given to us, and we're going to be able to add that to what we're about to learn and we are going to do something very exciting, something we have never had the capacity to do before.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. This is not something that you are going to do one time and walk away from it, this is something you are going to do for the rest of your life. MM says we have been waiting for this day. We are about to labor with our Father in a very particular way that we did not have the capacity to do before but we will not only have that capacity start to be generated in us but we will see the need for this increase as our Sonship life goes on. It's a very exciting area that has to do with casting off the works of darkness and putting on the armour of light. We have been waiting for the time when we can significantly impact Satan's realm and now you're going to get introduced to that doctrine. The doctrine becomes more complex and it requires more time. We are going to have to increase our commitment by making wise godly decisions on how you spend your time because the education is going to require more time and more effort to get this doctrine than anything we've ever encountered up to this point and this is the way it's going to be for the rest of the education. 'Knowing the time' is knowing where you are in the education, now it is high time, it is the right time, to awake out of sleep. - What does Paul mean when he says "wake out of sleep"? - In what way is Paul using the word "salvation"? MM says he is not talking about being saved from the debt & penalty of sin, that is already happened. Being aware of what kind of time we are talking about here. Not it's 1:30 in the afternoon. Not the time of your life or where you are in the DOGG, it is being aware of where you are in this education. Like 'do you know what time it is?' not asking the time but reminding someone something is about to happen. Talking about the time of where we are in the education (GH: Covered 12:1-13:10).

Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. NOW: Is not a particular period of time because Paul writes this almost 2,000 years ago. It wouldn't be now for us. MM believes it is NOW you have come to this place in the education. When you were saved, you did not understand the issues of grace fully, you didn't look at the Bible rightly divided, looked at everything in the Bible like it somehow was supposed to apply to you. Then suddenly, you looked at the Bible differently and understand it differently and then you found out about Sonship. As you were coming through Sonship you came through a door and came from just being saved to being a son and began to be educated as a son (separated saved from sons). The NOW represents coming through another door (separated sons that know the basics from sons that are a real threat to the adversary/Satan's realm) and the education is about to change. Before, it was about our relationship with someone. NOW, it is about our relationship with some thing. Before, things are more basic so everybody is on the same page, like a school class room. Connected to whatever is meant by KNOWING THE TIME.
Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. NOW (cont'd): Then, they begin to do things that are more complex. MM says don't think of complex as complicated, it means there's just more than one facet to it. EX Once you have your numbers down, you can now be taught geometry and algebra. Same thing with letter and reading & writing. When you get to this second component of judgment, the way the information is presented to you is about to be different. MM wants to say it is going to be this way for the rest of the education but he doesn't know that yet. Because the information is more complex, it will require more effort, more time to get this part of the education up and running in you. Your mileage will vary. Because the education is going to step up a notch, our commitment and our time is going to have to step up a notch. NOW is at this point in the education. Start becoming more aware of your time now/today/when you read this. Even if you are young and have a lot of time, the clock is still ticking. The idea that you have got plenty of time usually comes back and bites you. NOW IT IS HIGH TIME TO AWAKE OUT OF SLEEP:

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. IT IS HIGH TIME: Can mean one of three things. It can mean: 1) the arrival of a long-awaited event 2) the appropriate time or 3) almost past the appropriate time - Because we know what it means to awake out of sleep, the only meaning that can make sense, if you know where you are in the education, is that it is past time to awake. HIGH TIME: It is about time you do such-and-such. You can't afford to put this off any longer. It's past time. You are know going to learn to make wise decisions on how you spend your time. The education is going to require more and you're going to have to be willing to give more. If you are looking at this like don't tell me this then that's an indicator you are not looking at this the way you should. He will give you an incentive to look at it the right way. To really become a threat to Satan's realm, you are going to have to start making decisions about your time - what is good, what is better, and what is best. MM says he is not saying become a Sonship monk, it's your interaction with the world that gives you the opportunity to put your Sonship skills to work. We can't put this off, this is now or never. Can be used in a rebuking way.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. HIGH TIME (cont'd): If you look this up, it is mostly defined as 'past time'. EX Parent asked a kid to clean his room 3-4 days in a row and when he finally cleans it the parent says 'well, it's HIGH TIME you got that done'. But this is not how HIGH TIME is being used here. He is talking about it in a different way. When he talks about HIGH TIME, it's the - right time - the appropriate time - the appointed time - exact time - proper time - time has fully come Analogy: Gunfighters meeting at 'high noon' when the sun is directly overhead. We would say 12 noon. The high is saying something about the time. Talking about a particular time that is at the apex. HIGH TIME is the time is just right. Can't pull a cake out of the oven too soon (not done all the way through) or too late (dries out and burns). OED: High Time: The appointed, due or proper time.

Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. HIGH TIME: (1586 Sidney, Psalm 12:1, Lord helpe, it is hyghe tyme for me to call.) (1698, It is high time now to wind up my Bottoms.) (Romans 13:11 - of time or season: well advanced: fully come, complete) - MM says 'fully come' is the proper time, appointed time, it's not too late - OED: Bottom: Is a clew or nucleus on which to wind thread; a ball of thread. MM says it is what is at the center when you wind up thread and if you don't put anything in the center and just start to take the thread and just start to curl it up and wind it on itself it's just a ball of thread. MM says we wind thread on a bobbin. He thinks it was bottom. GH: Here bottoms equals threads. MM says it is not always late, sometimes HIGH TIME is talking about the time has now arrived. Not too early or too late, you hit it at the proper time. It's not the HIGH TIME of a reprimand, it's the HIGH TIME to say the proper time for something has fully come, fully come to the proper time to do something. Instead of this being a reprimand, this is an instruction that you have fully come to the proper time to do something. Is not talking about past time or we have been delinqent with it but it is talking about this is the proper and appropriate time for something to happen and that something is TO AWAKE OUT OF SLEEP.

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. TO AWAKE OUT OF SLEEP: MM says this doesn't give you a good connotation right off the bat. Need to know what is the 'proper time' to AWAKE OUT OF SLEEP. Paul exhortation is to awake out of sleep. If you are asleep, then it is high time to wake up. You may be late getting this together, but, as the saying goes, better late than never! Just as it is never too late to be saved, it is never too late to live out of the doctrine. It is never too late to get serious about your Sonship life. If you have been asleep, Paul is asking you to wake up, put your participation in the things of darkness behind you, and begin making an impact on Satan's realm both on earth and in the heavenly places by casting off the works of darkness. If you have not been asleep, but are awake, you also are being called upon to hinder what Satan is doing in this world by casting off his works of darkness. The HID TREASURES-Proverbs 2:4, FINE GOLD-Proverbs 3:14, and RICHES-numerous in Paul's epistles that you get starting in v11 and onward causes you to AWAKE OUT OF SLEEP earlier than you would have before. MM says like kids getting up early on Christmas because they are anticipating something. Not 'oh brother, I'm going to have to spend more time on this', it's 'this is what I have been waiting to get to'. Not literally talking about getting in the bed. Finding that extra time that the education now requires. **Awake (Take it seriously) vs. Sleep (Not taking it seriously; has to do your attitude toward the doctrine)** AWAKE: The person who is awake will be expectant, prayerful, morally alert and prepared for what is coming. SLEEP: Generally speaking, to sleep is to be living a lethargic Christian life. Slumber represents complacency and lack of readiness. Because Paul is writing this to people who are reading it, then it cannot be about being physically asleep in your bed. Neither is he telling you what time you should get up in the morning. "High time" is not a time of day.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. TO AWAKE OUT OF SLEEP (cont'd): Paul is not accusing us of being slothful and laying in bed all day spiritually or physically getting out of bed. MM tells a story of wanting to see someone and pray with them before surgery and he has to get up earlier than he had planned in order to do so. If you have something on your plate that is more than you normally do and you need more time to get it done, there are 3 ways/approaches to do that: 1. Get up early - MM says this is what is being talked about here 2. Stay up late 3. Find time by not doing somehing you would normally do because it is not nearly as important. It gets replaced with something more important. One most people choose based on the last half of the verse. Areas it will require more time and effort, he's not trying to give you a time element - MM says it has taken him way more time to dig this out than the things before: - More time to implement this into our life - More time spent with your heavenly Father talking to Him on how you plan to implement this and the searching of the heart; still be talking about the other things but now you have more to talk about

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. TO AWAKE OUT OF SLEEP (cont'd): This is critical because we are now being introduced to an area that up to this point we haven't had anything to do with because we couldn't, we weren't able. MM says that watching 'Dancing with the Stars' is not edifying. Not saying you shouldn't or can't watch it. And there are other priorities in your life, but you are going to have to find time somewhere. You are going to have to find time. You have come to a place that will require more time and effort, therefore it is HIGH TIME (couldn't do it earlier than this and you can't put it off) or the right time to begin to make wise judgmental decisions about how you use your time because you are going to need more time than ever before and you are going to have to make those Sonship decisions. You now have something on your plate that wasn't there before and in order to get this done there is a HIGH TIME to find the time to do that - any of the 3 approaches will work. SLEEP: The colon after the sleep tells you that you could actually take the phrases on both sides and they could standalone as a sentence. GH: Supports MM's contention that there were 2 thoughts in the verse. When you are asleep, you are not getting things done. Companion passage in Proverbs 6 but this passage here is not talking about a son being sluggard.
Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. SLEEP (cont'd):Being asleep concerns 2 issues: ISSUE 1. Something that indicates we are to be awake in a very particular way in v11-12. Means failing to engage with the doctrine that we have been given up to this point so that it is effectually working to transform us. Wake up in relation to the doctrine being presented to you. If you are asleep now, it means you have been sleeping through the doctrine that is meant to transform you. You need the doctrine to put on the armor of light. ISSUE 1: People: MM says there are people who want the life of Jesus Christ being lived in them. They want to live the doctrine. But, up to this point, they have not yet settled the issue of getting serious about their Sonship life. - They don’t engage with the doctrine during the week. - They don’t work on their prayer life so they are comfortable talking to God about the doctrine working in them. - They have no goals for what area of doctrine they will work on this week. It is not in their conversation or thoughts. They want it, but they are not willing to do what it takes to have it.

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	SLEEP (cont'd): Things that are supposed to be working in our inner man and shows we are not asleep and we are awake: - giving with simplicity - ruling with diligence - showing mercy with cheerfulness - learned to be selfless - truly values and esteems their fellow-saints - exhibits brotherly love - with kindness honors their fellow member - not slothful in business, but is fervent in spirit, serving the Lord in all they do - rejoices in hope - patient in tribulation - continues instant in prayer

SLEEP (cont'd): - distributes to the necessity of saints and is given to hospitality - blesses those who persecute them and refuses to speak ill of them - rejoices with the good that happens to their brothers and sisters and also weeps with the saints over the evil they endure - condescends to men of low estate - refuses to recompense evil for evil, but who are working to overcome evil with good - provides things honest in the sight of all men - lives peaceably with all men - does not avenge themselves, but rather gives place unto wrath - feeds their enemy and does so for the ministry of the Lord Jesus Christ

Romans 13:11	GH: Inter-dispensational - Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. If there is some area of doctrine that you are balking at, if you are allowing other things to take precedence over your being conformed to the image of God's Son, then you have been asleep and Paul says to you…Wake Up! ISSUE 2. What it means to be asleep comes from another issue sitting in v13-14. There will be some who, while trying to get their Sonship life "off the ground," will still be hanging on to sins of various sorts. These should have been dealt with back in Romans 6, but if they have not yet been dealt with, Paul says that it is now (at this point in your education) it is high time to wake up and deal with these issues because if you do not deal with those sins that you have allowed to hang on in your life, it will affect your ability to cast off the works of darkness. FOR NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED: Produces an 'urgency' to the education by making us aware that our available time to get this education is diminishing. Not referring to salvation from the debt and penalty of sin, for that is an accomplished fact in Christ. There are four main views of what the salvation is and MM doesn't really align with any: 1) There are those who think this is talking about our "salvation" from the day of the Lord's wrath, at the event of the Blessed Hope, at the end of the DoGG. 2) There is the idea that this salvation is from the sufferings and tribulations of this life, for we suffer no more in eternity 3) There is the idea of the salvation referring to the redemption of our body, which takes place at the appearing of our Savior to catch us away. 4) There is the idea that the salvation is talking about what is waiting for us in eternity, in the heavenly places; the fulness of our salvation which would include the glory of our exaltation in Christ. MM says even though they are all true, is because they all take place after this earthly life is over. There is a sense in which all of them are true in relation to "being nearer" than when we believed GH: but this is obvious. The main issue of the final phrase is not to say that time is running out. The context is not so much about the passing of time, or how we spend our time, or how close the day of the Lord is (or the Rapture either, for that matter). It is about the place we are at in our education (knowing the time). The point Paul is making about our "salvation being nearer than when we believed" is something that is supposed to motivate us to "awake out of sleep." ISSUE 2 People: There is another group who is plagued by the habits of sin in their members. If they don't reckon themselves to be dead to sin and alive unto God, this place in their education may well be their last stop. So, Paul says to wake up!

Romans 13:11	GH: Inter-dispensational Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. FOR NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED: This phrase is supposed to create an urgency in us because we have got to make sure that we're investing the time and effort to get this education done because the opportunity is diminishing every day. FOR: Is the English word of logic that tells us "why" we should be motivated to awake out of sleep. SALVATION: Whatever that salvation is, it is supposed to motivate us to (edification) and to engage with the doctrine (so we can put on the armor of light) and motivate us to (righteousness) to overcome sin in our members (so we can cast off the works of darkness). The main issue of v11 is about the nearness (at this stage in our education) of a salvation that was revealed to us back in WE SHALL BE SAVED BY HIS LIFE-Romans 5:10. There is a sense in which we are saved (justification, which is past), we are being saved (sanctification, which is present), and we shall be saved (redemption of our body, which is future). MM wants to focus on the second one. Not saved from hell, but saved in the sense of being conformed to His image. The saving life of Christ is His life being lived in us and through us. MM believes this is the salvation Paul is referring to here. This salvation is a process of our sanctification whereby we walk in newness of life, whereby the resurrection life of Christ is lived in us. This is the mystery of godliness – God living in the man! This is what you were created for. This is the life you can never live on your own; it must come from Him. And the wake-up call is with a big step in view; the ability to impact Satan's realm! And when you get to v11, the saving life of Christ is nearer than when you believed; in other words, you have made progress. And you are almost there where something significant is about to happen! You are about to come to the place in your education where a major step will be taken. And in order to take that step, you will need all the doctrine. In order to take that step, you can no longer afford to let the habits of sin prevail in you. We are going to stop accommodating sin and flirting with it.

FOR NOW IS OUR SALVATION NEARER THEN WHEN WE BELIEVED: Not people that are close to getting saved, talking to people who are already saved. Talking about salvation in a different way. Not something we presently enjoy, but something which is coming to us in the future. NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED: The saying that encapsulates the verse. Two ways to look at this: 1. The time we have left to get this done 2. What is being offered to us via the HID TREASURES-Proverbs 2:4 or RICHES that will take us further than ever before. MM says this is an inter-dispensational principle (Luke 12:16-20; James 4:14). He is not saying they are taught the same way. Don't presume upon the future. It is dangerous to do that. OUR SALVATION: He is not talking about being saved from the debt and penalty of sin, that's already happened. He is not saying you are getting nearer to be saved. Ideas: - Talking about the Blessed Hope, day of wrath, and the redemption of our body. - Talking about dying and all of this will be over.
Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. If this SALVATION happens by either the Blessed Hope happening or we come to the end of our life, it is coming nearer every day. Now, you have gotten to this place, you have to recognize what time it is. The time of your personal life. How much time you have left. Now you are going to start being taught something different than what you were taught before that makes you a genuine threat to what Satan is doing, not only here but in his realm which we can't see with our eyes. It's going to demand that we up our commitment and Paul is saying we need to recognize that. You only have so many opportunitiies to learn the curriculum / to put it into practice / to become skilled before the end of this DOGG or you come to the end of your life. MM prays may we make the most of the opportunities that we have today. We have liberty to show up (GH: at church) to study Sonship without being thrown in prison so let's make the most of it because some places in the world you don't get that. Someone says the suffering motivates us because if you don't suffer you get complacent and coast. MM says people who have to constantly rely on the doctrine, it is kind of a real issue for them everyday. MM talks about the difference between a Christian college and secular college (GH: the former is easier to slack).

Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. OUR SALVATION IS NEARER: It is nearer because now, you are about to cast off the works of darkness (next verse) and you will need the doctrinal armor (the armour of light) to keep you from wavering from the truth. This is the saving life of Christ. This is the salvation that is nearer than when we believed. This is not a salvation that only comes after this earthly life is over, this is a salvation that takes place right now, while we are in the battle with Satan's works of darkness. This is not something off in the future that is closer now than when we believed. MM says this verse is sort of a checkpoint. How we respond when we hear there is going to be a need for additional effort and time to get this new area of our Sonship done. If we are reluctant toward that then that's an indication that there's something missing in what we need to understand about our Sonship. Maybe we are not looking down the road far enough. GH: Fix is in Romans 8. SALVATION: Know it's not saved from the debt and penalty of sin because that is in the past and this passage says NEARER. MM believes it's also not from suffering or not from the POE attacks, but ties to SAVED BY HOPE-Romans 8:24 and getting our glorified body and the completion of our salvation. You know what is true about your opportunity to get educated and put it into practice and get skilled with it. When you get your glorified body, your opportunity is over. MM says he doesn't care how you define it, say POE, the fact that time is ticking away, it is nearer everyday than it was before. But no matter how you define SALVATION you won't get what the gist of this part of the verse is saying. **Nutshell: Everyday represents one last day you have to get this Sonship education and put it to use and get skillful with it. Your opportunity is diminishing constantly**.
Romans 13:11	GH: Inter-dispensational · Time is an hour glass / Exhortation / Our relationship to time	11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. This exhortation has 2 parts to it: 1. At this point in your education you are exhorted to do whatever it takes to meet the increased demands of the curriculum (To sum this up: "Whatever it takes" to meet the increased demands of the curriculum) 2. Your opportunity to be edified by this education, (to be instructed in it, to understand it, to repeatedly (GH: look at a spiritual muscle memory that needs many repetitions) implement it to the degree that you become skilled in it and therefore can effectually labor with your Father in the operation that it is designed to accomplish) is diminishing with every moment of every day - MM says every day is one less day to get this done - not meant to make us panic (To sum this up: Don't waste time but make the most of the time you have OR the clock is ticking OR prioritize and get busy)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12-14		Introduces us to a new area of our education which enables us to labor with our Father in an aspect of His Business which we have never participated in before. MM says within levels of Sonship, you are going to find levels within each level. When you get to Romans 13:12-14, you are moving up to another (GH:sub-level) in this Level 1 education. Another reason why we call this a promotion. You are going to be called on, not only to engage in something you weren't engaging in up to this point, now your going to be equipped in a way that it's actually going to move you up into this level. And what you will find is before you get to Level 2, you're going to have some promotions that come along so that you're not just taking one big jump for Level 1 up to Level 2 but there are actually smaller jumps broken down into smaller parts. These verses will put us on that next step in Level 1. We ought to look at like Paul looked at it, we ought to be zealous and enthusiastic to get this next step done. MM says this is kind of how you know this is working in you the way it is supposed to. This doctrine is supposed to develop an understanding for what these WORKS OF DARKNESS are doing and generating a reall desire to be engaged in casting them off. As you look around in the world, you realize that Satan has been very successful with these WORKS OF DARKNESS.
Romans 13:12-14		Putting on the armour indicates a battle. This doctrine is not: - telling us how to feel about the other members of this assembly - Romans 12:3-8 - telling us how to feel about the rest of the members of the body of Christ - Romans 12:9-10??? - telling us how to feel about people in general - Romans 12:13-15???? - telling us how to feel about our enemies - Romans 12:17-21 - telling us how to feel about the government we are under - Romans 13:1-7 - telling us how to feel about our neighbor - Romans 13:8-10 It is telling us how to feel about our heavenly Father's adversary and the confrontation we are going to have with him.
Romans 13:12-14		MM says it is easy to get in a rut and just go through the motions but we've got to be ready for this. He doesn't say this to frighten you but to warn you. Says Paul made a similar statement. It's got to become important enough to us that we leave here with the purpose that we're going to put this in our life. The only way it becomes second nature as right division is to live out of it. Then you don't have to memorize it. When you do it and it becomes who you are, you are being conformed to the image of God's Son.

Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. **Please see 'WORKS OF DARKNESS-Romans 13:12 Commentary' in the Pastor Mike : Hot Topics section in the Commentary**. You get a promotion but you are also put on the front lines. Where Satan gets the green light to do something to us. It is not until you get to the 3rd decision making skill - Judgment - that you have enough under your belt to actually begin experiencing/encountering the SoC/the adversary. This is how your Bible presents that. MM didn't dream this up. Allows you to be established and stablized and your feet on the ground before the attacks occur. Where you first encounter the POE/the adversary. Learning GODLY JUDGMENT - where your Sonship really begins to shine. JUDGMENT AND EQUITY are skills that begin to equip you to be a threat to Satan's realm. Not saying the first 2 are not important. Getting skills that make you a real threat to him so the WORKS OF DARKNESS are going to be encountered at that point. Before you are sons and know you are sons but do you really have the ability to do anything with it? When you get those last 2 skills and finish the Book of Romans, all of a sudden, finishing the Book of Romans is like your Red Sea crossing. Satan sees you heading somewhere that he is very uncomfortable with. POE will react in kind with that. This wisdom has an impact on the watching angels. When you first practically encounter the POE. In LEVEL 1 and the education in godly judgment. When you get into the last 2 decision making skills (Judgment & Equity), getting to a point that you become a real threat to the adversary. You are on the radar and he is now preparing out of his POE something to get you to back off this education. Given enough here to show up and he wants to get you off track. You will have to develop SUBTILTY to see through how he will get you off track. First time you see any reference to the WORKS OF DARKNESS in Romans. Once you are prepared, once you are suited up in your “armour of light,” once you are at the place in the curriculum where you are ready, Satan not only takes notice of you, but he is allowed to attack you. The main purpose of his attacks, from his standpoint, is to separate you from your Sonship life; to get you to “throw in the towel,” to quit. He wants you to be out of the game, off the field, and only a spectator. But from the standpoint of your heavenly Father, the purpose of Satan’s attacks against you are for the purpose of advancing you as a son! Now you understand why God does not put His Hand between us and the attacks of the adversary. If He did, He is stopping the thing that advances your Sonship.

Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. That's why you start praying differently from everybody else when those attacks come because when you pray 'God, bail me out', you are saying I don't want to advance in my Sonship, I don't want to utilize the doctrine. It's insufficient to deal with what I am going through just get me out. You have thrown down your sword and said I surrender. That's why we are KILLED ALL DAY LONG-Romans 8:36. That's OK because we are MORE THAN CONQUERORS-Romans 8:37. It will backfire and make you more of a son than you were before the attack. When you get to the end of the Judgment section, you are going to put on the armor of light and you show up on Satan's radar. He will now do things with you individually. You become enough of a threat that he has to pay personal attention to you. Will get to a place that you so affect what he is doing that he is going to have to pay attention to you personally (GH: since the general POE is not working on you). Before, you just experience the general work of the POE as it pertains to everybody across the board. 1. Keep the Mystery a mystery 2. Keep from understanding right division and the two programs 3. Do not understand Sonship When you get over to Romans 13:12, you will be ostracized by everyone in town. Not talking about the lost people, talking about the saved people. MM is not exaggerating it. We will be the cult. For the purpose of shutting us down and making us like everyone else. Not 100% will make it through.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Will learn to encapsulate into our thinking: - What Paul is referring to when he writes: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND - What are we supposed to realize about the timing of when God brought in this DOGG - Why it is important for us to understand God's Attitude toward the ungodliness of the world - The 5 mandates of the Davidic Covenant - The climactic stage in Israel's program - The application of the Book of Psalms
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. We need to see a number of issues from God's perspective: - the issue of God judging THE NIGHT - the issue of the Lord having his DAY - the issue of the Lord's Day ending the NIGHT and the DARKNESS of this WORLD - Satan is producing a DARKNESS and a NIGHT. God's DAY is going to put an end to that DARKNESS - the issue of God bringing in the Kingdom of Light and Truth and righteousness (instead of DARKNESS and ungodliness)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. The first phrase of v12 is designed to bring us to a particular 'realization'. There's something this first phrase is intended to make us realize and by realizing that we're going to CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT. The godlly thinking (v12a) produces a further change in our behavior than anything else up to this point. Our behavior is about to be impacted in a major way. Realizing the timing of when God brought in this DOGG generates a certain kind of thinking and that thinking now is going to produce that further change in behavior - CASTing OFF THE WORKS OF DARKNESS AND PUTting ON THE ARMOUR OF LIGHT. That godly thinking produces the godly living of casting off the works of darkness and putting on the armour of light. Once the godly thinking and the godly living have been established in us, we are ready to labor with our Father by WALKING HONESTLY AS IN THE DAY-v13. A further aspect of our godly labor is to PUT ON THE LORD JESUS CHRIST-v14, which is one more step in the process of us being conformed to the image of God's Son. Our godly labor is in connection with a particular operation that our Father wants to accomplish as part of His Business: His operations 'against the adversary and his POE. Paul is trying to produce the godly thinking in us so that we look at what Satan is producing in this world the way our Father does and we look at the ungodliness of the world and what's going on around us in our everyday lives as part of what's moving this world toward becoming more and more ungodly. When God interrupted Israel's Program with the DOGG, the NIGHT was FAR SPENT, not not completely spent.
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND: Makes you think about the timing of when God brought in the DOGG and once you realize that, you are going to do exactly what the godly living calls for here. See this is not describing the DOGG itself, it is describing the timing of when God brought the DOGG in. This takes you back to Romans 9:22-24. This phrase is meant to develop an attitude in you. It's supposed to develop the same attitude in us that is in our Heavenly Father and you are now going to be taught to look at the world at large the way your heavenly Father looks at it. Not talking about the DOGG, talking about the things leading up to it and the things that will follow it. There's instruction on how we are supposed to view the world during this DOGG and respond to it. And we will respond to it by casting off the works of darkness and putting on the armour of light. This phrase is not describing the DOGG itself per se, but it is talking about the time God brought this DOGG into being. It is written to us who are living in this DOGG. The NIGHT and DAY in v12 are not referring to the DOGG itself, but rather to the 'timing' of the DOGG. When he talks about the timing of when He brought in this DOGG, the NIGHT has reached a FAR SPENT place. When the world and the nation got to the level of ungodliness they did in Acts 7, Satan earned the right to do something but before he could do that, God earned the right to do something.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): From Romans 13:12a we realize: - The nation of Israel had reached a degree of ungodliness that merited the final installment of their 5th CoP: Daniel's 70th Week (Psalm 2:1-3; Acts 7:55-56) - The world at large had once again become THE WORLD OF THE UNGODLY-2 Peter 2:5 and it was worthy of God's righteous judgment (Romans 9:22) - Even though God has postponed His wrath for the duration of this DOGG, He has not changed His attitude toward the world neither has His anger subsided (Romans 9:22; Romans 2:5) - Once this DOGG is ended, God will judge the unrighteousness of men by means of His day of wrath (Romans 1:18)
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): It is suppposed to bring us to a realization that then makes us CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT. At this point (GH: just before the DOGG started) everything came to this place that both in Israel and in the world that everything had come to a crisis point or zenith. When you see this phrase, you should be thinking about the fact that the world's ungodliness or the world of the ungodly, which was true back in the days of Noah (GH: Genesis 3-9), but it is also true that it had happened again in Act 7 where Jesus is standing at the stoning of Stephen and he sees Him. Satan's POE had once again worked to produce darkness in the world that is going to bring the world to a zenith or a pinnacle of unrigheousness and ungodliness. MM says 'the kingdom is at hand' was preached before and shortly after the Cross, and the next thing that should have happened was the Lord's Day of Wrath. Just as it was in the days of Noah, the world is filled with blatant evil which the Bible describes as DARKNESS.
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): Godly thinking. When Paul makes this statement, what you are supposed to realize is the things that brought everything to a head where God was ready to destroy them, that's the night. Talking about us here. When this DOGG came in, the world didn't suddenly become godly. The works of darkness continued to get produced, the POE kept going. We are made to realize some things. Now in this DOGG, for the first time, men are going to have the true ability to cast off those works of darkness and that is something that Satan is not going to tolerate well because it's those WORKS OF DARKNESS that he's promoting to bring the world to the place of destruction once again. This phrase is meant to make us think about the world at large in a particular way and it is the exact way that God the Father and God the Son are looking at the world. This is the godly thinking we are going to get in the first part of the verse. This godly thinking is going to produce a godly conduct and behavior. This is doing something in the eyes of the adversary and his angelic followers when God brought this DOGG in and it is going to provoke them. There's something about the timing of the DOGG and what God did that is going to be a provocation to the adversary and his angelic followers. Our behavior is going to produce an action that is going to get a response from them and they are going to try and put out that light.

Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): We will engage the adversary and his angels to our benefit. By engaging in this operation of God we are going to learn some things that we could not learn any other way and we're going to come to understand some aspects of the power of this curriculum that we could not fully appreciate any other way than by engaging in this conflict with Satan. We are going to gain some skills and we are going to get some experience that we can't get any other way than by doing this and all those things we are doing are propelling us along in our Sonship education and this is really going to be beneficial for us. Realize that this is the godly thinking that is renewing our mind. This is part of the process of transforming us and conforming us to the image of God's Son. MM says if this thinking isn't really in us and and done the job it's supposed to do, then the godly living of CASTing OFF THE WORKS OF DARKNESS AND PUTting ON THE ARMOUR OF LIGHT is not going to do its job either and we will not be able to labor with our Father in His operations against the adversary and his POE. This phrase is what is going to start equipping us to confront Satan and his POE. It is supposed to produce the exact same thinking in you that is in your Father toward the ungodliness of the world and specifically toward Satan's WORKS OF DARKNESS that are producing that ungodliness.
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): Got to have this same attitude in us that is in Him and the only way to get that done is understand WHAT He is thinking and WHY He is thinking that way. It encapsulates in a very short statement everything that Satan is doing in the world by his WORKS OF DARKNESS to produce ungodliness. It's what he did before the Flood in bringing the world into becoming THE WORLD OF THE UNGDOLY-2 Peter 2:5. He started that process again after the Flood so that when get got to the stoning of Stephen, the world once again had become THE WORLD OF THE UNGDOLY. All that was involved in that is encapsulated in this single phrase. During THE MIDDLE WALL OF PARTITION phase, God was working with the nation of Israel. While Satan was doing things with Israel, he was on the other side of THE WALL working with Gentiles. He had a program with them to produce THE WORLD OF THE UNGODLY. What he really wanted to do was to bring the world to a point of destruction. He knew that God would have to act in accordance with the ungodliness of this world and He would act in a destructive vengence. The second thing he was doing was using the ungodliness of the world at large on the Gentiles to swallow up Israel or to exterminate them from the earth.

Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): MM says there is a whole lot of action that took place prior to bringing in this DOGG that this phrase is putting into this encapsulated form and shrinking it and compacting it into this short phrase. Have to go back and unpack everything that is in there so you are able to actually see it. The phrase needs to bring all of that to our rememberance. MM says most people read this phrase and their mind doesn't go back to anything. Why we have to have this thing unpacked and lay it all out in front of us. Two things: 1. The related O.T. passages we are looking at here, they'll either be something written back here that apply to something out in the future. Those apply to the believing remnant. These apply to us because this phrase is not about the DOGG. It's about the things leading up to it or following it and we'd go to these scriptures to find that out. 2. Why does Paul do this? Because there are parallel issues, things that are true then and things that are true in this DOGG. Because Paul expects you to GH: understand your Bible, he is going to make shorter statements about what is happening in the DOGG. The time to get this done is diminishing and the door of opportunity is slowly closing so let's make the most of it.
Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): Referring to the timing of when God brought in this DOGG and Satan's ability to bring his christ into the world was postponed. He didn't do that because that's not happening in a reconciled world. God purchased the right through the Death of His Son to actually do this and the happy effect of it in all of that during this time, not only is God offering through His Grace an opportunity for both Jew and Gentile to be reconciled to Him, but He is making out of that Jew and Gentile ONE NEW MAN-Ephesians 2:15. Need to understand what all is in this phrase the the consequence to understanding that. This is what is happening in this world. The NIGHT cannot resume until this DOGG is over. As long as the world is being reconciled, God's plan with Israel is on hold until every reconciled person is removed from this earth at the same moment. Then and only then can Satan begin to resume his FAR SPENT NIGHT to bring it to a conclusion, it's zenith, what he was after all along. Not until he does that and his man comes on the scene because it's the antichrist who orchestrates a 7-year covenant. He can't do that if he comes in the middle of the week. He has to be on the scene before the 7 years but before he can come on the scene, Satan's NIGHT has to be resumed. As long as the world is being reconciled, that can't happen. If the DOGG has to end before the remaining portion of the NIGHT starts, you can't be raptured in the middle of that which can't start till this ends. Can't have the end of the DOGG happen in the middle of the 7-years. You can't get into the middle of tomorrow until today ends.

Romans 13:12	Godly Thinking: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE NIGHT IS FAR SPENT, THE DAY IS AT HAND (cont'd): Doesn't matter when you live in the DOGG, it was just as true in Paul's day as it is today. It's describing the DOGG, it's describing the timing that sits on both sides of it. MM says this solves the Pre-/Mid-/Post issue for you. It's not a matter of when the wrath starts, The antichrist can't be revealed, Israel's program can't resume, and the remaining portion of Satan's NIGHT can't happen until the Blessed Hope and the body is removed. Only then is the world in the position of no longer being reconciled.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. NIGHT IS FAR SPENT: GH: Times Past. GH: Includes the middle wall of partition and the DOGG. The period of time where the WORLD OF THE UNGODLY was happening again. NIGHT: The period of time that brought them to the brink of destruction, and once the DOGG ends, the next thing on the calendar of events is the day of wrath. It's coming to a close. He calls this DOGG MUCH LONGSUFFERING-Romans 9:22. From Genesis 12/18 to Acts 7. It is Satan further developing THE WORLD OF THE UNGODLY-2 Peter 2:5 and God cut that NIGHT off at a particular time in order to bring in this DOGG. He did it when THE NIGHT WAS FAR SPENT. Satan, through his various policies of evil, has developed a DARKNESS and a NIGHT that has enveloped the world. Then God cuts off that NIGHT and brings in the DOGG. When it is over the rest of the NIGHT will take place and then God will, with the DAY, pierce the DARKNESS of the NIGHT. As far as Israel is concerned, they didn't know about this. Now it's been interupted and Paul's telling you where that got interupted - when the night was far spent. Means there is going to be some of this when this DOGG is over. Paul talking about what Satan's WORKS OF DARKNESS have accomplished in the world.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. NIGHT (cont'd): Satan has produced this NIGHT because of his WORKS OF DARKNESS. The NIGHT is getting darker and darker and darker and the WORKS OF DARKNESS are continuing to work during the DOGG. They will go on working as we get back into the resumption of Israel's program. God is going to have to dispel that DARKNESS with His DAY. The NIGHT that is increasing in DARKNESS is not a physical night. The analogy is the NIGHT is disspelled by the LIGHT of the DAY that follows. See how WORKS OF DARKNESS fit. God is going to dispel that NIGHT by the LIGHT of the Truth and the Day of judgment (GH: AKA Wrath?). The DARKNESS of the NIGHT is ruling, it is reigning and God is going to put an end to the reign of DARKNESS with a Kingdom of LIGHT. Realize the NIGHT will continue for some time past the DOGG. When we are CASTing OFF THE WORKS OF DARKNESS, we are not going to turn this into day, but we're doing/revealing something that light does that Satan doesn't want revealed. If God had ended the NIGHT at the beginning of the DOGG, we would not be able to make the impact on Satan's realm that the doctrine is designed to equip us to do. We would not be able to do that. If He waited until all the NIGHT had transpired, we'd be in the same position again because the DAY is what's going to dispel that NIGHT. Difference between DAY and NIGHT: DAY is the time when DARKNESS doesn't reign.

Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. NIGHT (cont'd): Should be able to look at this and immediately know this is something that Satan is doing. Should look at it as the thing that Satan is going in producing DARKNESS in his works as the POWER OF DARKNESS, utilizing his WORKS OF DARKNESS, he is producing that NIGHT. And now it has come to a place that THE NIGHT IS FAR SPENT. WORKS OF DARKNESS: These WORKS OF DARKNESS are necessary for Satan as he functions as the POWER OF DARKNESS. He needs those WORKS OF DARKNESS to make his NIGHT into what he wants it to be. Will see that there are angels assigned to promote these WORKS OF DARKNESS (GH:AGAINST THE RULERS OF THE DARKNESS OF THIS WORLD-Ephesians 6:12). ARMOUR OF LIGHT: When you put it on, it's not just that Satan looks at that and beep, a light came on, but it's what that light is that he is opposed to. It's what that LIGHT is doing in this DOGG with his NIGHT of DARKNESS and how it is negatively impacting this momentum that he needs to build to get into the rest of the NIGHT (GH: post-DOGG). Because of that, he's going to react against you and try and get you to diminish our light. This is all done to keep people coming to THE KNOWLEDGE OF THE TRUTH-1 Timothy 2:4. FAR SPENT: If something is far spent, means it is almost over. He is going to get the rest of the NIGHT to take place and then He is going to bring in His day. Not completely spent. There is a little bit left to go.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. FAR SPENT: MM says someone will come along and sloppliy say FAR SPENT is done, it's not. He didn't say 'half spent' and he didn't say 'fully spent'. Two issues: 1. Progress has been made but the end has not yet been reached: What it means when something is FAR SPENT. If something is FAR SPENT, it doesn't mean that it is over. It's not over. It has progressed to a point but it is not complete. 2. Things have moved along to such an extent that the ultimate objective of the plan is now attainable: Were talking about something that has plan and purpose behind it. Something that has actually been laid out with intelligence. Satan's NIGHT is something that he carefully planned and orchestrated and it has progress to it and things he wants to do. When you get something that has plan and purpose behind it and you say it is FAR SPENT, that means it has gone far enough for the ultimate goal and it is now within reach. It hasn't been done yet so it is not finished but everything that needed to happen to make that a reality has now been done. Something that has planning and intelligence behind it with a goal - it's almost there. A planned strategic process that has an ultimate goal to it. Means that everything that needs to take place in order of the final goal to be achieved has been done. (GH: Done or almost done?). Instead of saying 'almost over' MM says it is 'almost complete'.

Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. FAR SPENT (cont'd): God didn't interupt their program because of what they did with Christ. He had already decided from the foundation of the world He was going to do something in a DOGG and provide for the body of Christ and its role in the reconciliation of the heavenly places. He had already decided that. That has to do with the timing of when He chose to do that. This is the genius of God in this thing. NIGHT is not over but it is close. It's not over. (GH: see Judges 19:11. Mark 6:34, and Luke 24:29). God's Genius on two things: 1. The timing of when He brought in this DOGG 2. What He is doing in this DOGG Going to explain to us the deeper reason behind the DOGG. It's not just we're not part of Israel's program, we're the body of Christ and we're different. It is this but we've known that for years. Now, we'll look at the very heart of what God is doing today and what kind of impact that has on what Satan is trying to do which is going to lead us to why God must remove every single believer at the same moment in time when He ends this DOGG. Will change the way you view the time you are living. Satan does not want us to have this understanding.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. THE DAY (of the Lord's Wrath) IS AT HAND: It's not quite here but it's almost here. DAY IS AT HAND: GH: Restart of Israel's program. The day of the Lord's wrath is at hand. The day when the world of the ungodly is going to be judged. It got postponed back (GH: at the program change) here but it didn't get done away with forever. If God had not inserted the DOGG, He would have destroyed the world of the ungodly.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. With all of this knowledge producing an attitude toward the world and an attitude towards Satan's activities and an honest desire to do something about it. This is how you know the godly thinking is working. Godly Thinking 1. Is supposed to produce a certain attitude in us toward the world. When you see Satan working to produce THE WORLD OF THE UNGODLY-2 Peter 2:5 and your see the DARKNESS of his NIGHT-Romans 13:12 increasing and you see untruths are replacing the Truth, this should make you feel (Group guesses: angry, upsetting, disappointing for the people deceived by it, Monahans: We're real angry about the evil and inquity in it but we have compassion because we want folks to come to Christ)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. 2. Is supposed to produce a certain attitude in us toward Satan and his activities. We should hate this, abhor this, it should alarm us. What is going on in the world is attrocious and it has demanded that God pour His wrath out but because of the provision made by His Son on the Cross, He is able to bring in a dispensation of grace and now deal with men in a whole different standing and give every man an opportunity to be reconciled (MM says don't think of reconciled as saved) to Him. Reconciled is the STANDING the world has been put in and then men have an opportunity to respond positively or negatively to that and be dealt with accordingly. If He hadn't made that provision, that could have never happened. He would have just poured out His wrath. 3. Is supposed to produce an attitude that we have to do something. In view of what we know Satan is working toward, and that we have the ability to impact that.
Romans 13:12	GH: Thinking - > : -> Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. A church can run 5,000 every Sunday, have a big TV ministry, and pat themselves on the back but Satan's WORKS OF DARKNESS are totally unaffected by that. Moving from the godly thinking (Romans 13:12a) to the godly living (Romans 13:12b). MM says in most evangelical circles in this country, they preach the gospel of Jesus Christ, the death, burial, and resurrection. This is a LIGHT. It is the basic LIGHT of 'God Consciousness', who is the True and Living God. Beyond that, the LIGHT gets less and less and less significantly. Mostly because people get saved by grace and then they want to turn around and live for God by putting themselves back under the law. This absolutely kills your sanctified life. Your Father wants you to live out of the grace that He has given you, not out of the letter of the law, whether it be the Mosaic law or a man made set of rules, those things are not going to work. This will end in frustrating attempts to try and please God. Your heavenly Father wants us to understand that the untruths that Satan is promoting in this world have made certain doctine almost unrecognizable. People have begun to look at these types of things in an almost superstituous manner and that's because of the way Satan has actually promoted the doctrine and caused it to be accepted in such as widespread area/way.
Romans 13:12	GH: Thinking - > : -> Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. That's a testament to just how effective he has been. The LIGHT of the gospel alone is enough to make some kind of impact in a nation. We are thankful for that, but that's not all the LIGHT that is needed for God to accomplish His Purpose in this DOGG. Satan has his DARKNESS out there and when people don't have the LIGHT of the Truth, they take what they know about Christ and what they know about Satan's untruths and they merge them together. You wind up with something that just dilutes the Truth and darkens the Truth. MM offers prayer as an example. Most churches/people pray with a complete misunderstanding of the word. They pray the way the religious cults of the world do, thinking prayer is a way to manipulate God into doing what we want Him to do when really prayers is the means by which you are being moved to do something in response to His word and that's what your heavenly Father is looking for. We are about to enter a place in Romans 13 (GH: Romans 13:12b) where we're going to have a chance to evaluate ourselves. Like a self-test am I really ready to move on in this doctrine? In Romans 13:11, MM said we were about to enter a whole nother level of our education. Now, we see what that level is about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	GH: Thinking - > : -> Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. It's actually about confronting Satan and his policies of evil. As we get ready to do that, we have to be able to say to ourselves how do we know the godly thinking has really dont the work in us that it has supposed to have done and that we're ready to go into this next level. Up to this point, have really had 2 broad issues presented to us: 1. The godly love we are supposed to live out of in all the different areas that have been presented to us 2. The godly hatred we are supposed to have for what Satan is doing in this world and the effect that he's having in this world When we realize we are going to have a godly love life and a godly hate life, realize Romans 13:12 isn't just a bunch of information that we're supposed to gather up in our minds. It is information and we do have to have it in our minds but it can't stop there. It is supposed to produce in us a real attitude toward what Satan is doing in this world. When you look at this and say we have to do something about what Satan is doing in this world, that is one of the indicators that godly thinking has done its job in you.
Romans 13:12	GH: Thinking - > : -> Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. This is important. If the godly thinking hasn't been produced a real hatred of what Satan is doing in this world and the desire to do something about it, then we will not CAST OFF THE WORKS OF DARKNESS and neither will we PUT ON THE ARMOUR OF LIGHT. It will be something we end up talking about but we end up never really doing it. MM says churches are really good at this - not actually taking the information and doing what was supposed to be done. We get good at talking about stuff. Like talking about everything you can imagine about a university except the output it provides students. Talked all about it and said things that sounded good. Interesting information about the campus and faculty and history, university is important, what you can do with a degree, future things depending on this, need to get good grades/study hard. Can get to be just talking points vs. learning any math. Did you learn any math? No, but we are committed to math. If this godly thinking doesn't do the job in us that it is designed to do, that's all we are going to be able to do - talk about it, get fired up about it, just talk, talk, talk. Saying things that nobody would deny. Like it is very important for us to labor with our Father against Satan and his policies of evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	GH: Thinking - > : -> Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. We have a grand opportunity to make that impact and an honor to labor with Him. We should want to labor with Him, If you don't want to labor with Him, there is something wrong, wouldn't you say? MM says you can just talk, talk, talk and at the end not have any impact on his realm. This is the critical nature of this. Satan is the master of yeah, let's talk about it, get fired up about it, let's set goals, but let's don't actually do it. POINT: We cannot afford to do it like that because the results in a half-hearted effort. We'll only do enough to demonstrate that yes we are on board, but we are not really going to get something done with this. This is now, out of all the doctrine that we have learned up to this point, from Romans 12:1 to 13:12, this is the first time we'll have an opportunity to be promoted as sons and daughters. MM wants us to understand what we are being promoted to and what that entails. As you are standing there at Romans 13:12, you are going to have to decide am I ready for this promotion? Am I prepared for this promotion? Here's what the Father says to the son: As you get ready to move into the second part of the skill of judgment, I need you to recall the things that you have learned up to this point. You're not going to leave them behind anymore than when you learned your ABCs and started putting words together. DAY IS AT HAND: GH: Restart of Israel's program.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. LET US THEREFORE THEREFORE: The reason why we are doing v12b is because what we are told in v12a. The first phrase enables you to do the second part of the verse. Questions MM wants to answer for us: 1. How do we know this is where Satan will start to attack us? There's no single verse that says this but we understand this based on the other things we are seeing GH: in the scriptures. 2. How do we know the forms of the attack? 3. Is this doctrine really working in us? Do we see it having an effect on us? Are we responding positively and properly to the doctrine? Do we understand the doctrine / believe it's true / integrating it into our life / is the doctrine really working in us? Prayer aspect: Are we actually talking to our heavenly Father about how we are implementing the doctrine even though we don't know it all yet, we should already be talking to Him about that. What is He trying to make us skilled in doing?

Romans 13:12	Godly Living: CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT: These are not to be viewed as separate things but to be viewed separately but as part of a package because one without the other won't work. There will be things brought against us that are geared to make us do two 2 things: 1. Stop casting off the WoD 2. If it can't get you to completely stop, they're going to intimidate you to get you to kind of back off because Satan needs these Satan needs these. He is preparing a world and a atmosphere that by the time his man comes on the scene, they will want that he is offering. They'll desire that. But there's something that God is doing during that time in the remaining portion of the NIGHT and He is doing it for a reason. Will see that once again, the remnant was expecting God to deliver us and it is not happening for a period of time and they are going to be crying out loud and saying God, where are You, we're counting on You to deliver us. There are two reasons for this happening this way. This is God doing something spectacularly wise.
Romans 13:12	Godly Living: CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT (cont'd): You need to abhor these WORKS OF DARKNESS for the same reasons that He does. You need to think about them the way He thinks about them and you will abhor them for the reasons that He does. Because you realize it's the adversary's tool to bring something about in this world that is contrary to our Father that's going to result in the world making a relationship with Satan himself through his man. When they have a relationship with the MAN OF SIN, they have a relationship with Satan. Once we get to the place of learning how to CAST OFF THE WORKS OF DARKNESS, it will be easy to do what MM warned about weeks ago when he said we can either sit around and talk about it and never actually do it or we're going to do it and that's a decision all of us individuals are going to make. Every son/daughter have to make their own decision about that. If what our Father wants done is going to get done, if we're going to labor with our Him in this operation, we're going to have to learn how to do this. If you don't have a healthy disdain for the WORKS OF DARKNESS, the intimidation factor of the adversary will not be overcome.

Romans 13:12	Godly Living: CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT (cont'd): We'll be just like the Corinthians. They looked at Paul's life and the things he went through and said no thank you, we don't want that. MM is not saying we're masochist, we love to suffer. We are just learning about it. God is not asking you to go out of your way to do this. This is something that He is going to ask you to do in the normal events of your daily life. This is not about us getting our picket signs together and flying up to Washington D.C. and holding a rally. Once we understand how to do it, it's about us individually, once we understand how to do it and you'll see it is very simple to CAST OFF THE WORKS OF DARKESS in the routine of our daily life. But in conjunction with CASTing OFF THE WORKS OF DARKNESS, we must of necessity also PUT ON THE ARMOUR OF LIGHT because that is a package that cannot be separated. We will have this godly enthusiasm to CAST OFF these WORKS OF DARKNESS, and to do so gladly and eventually become MORE THAN CONQUERORS-Romans 8:37. MM says this is not the Dale Carnegie approach to building a church but there is something waiting for us on the other side of this doctrine that nothing you will go through will be worthy to be compared with.
Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS: First time in Romans you encounter the pure POE with no world mixed in. Have to know both WHAT we are doing and WHY we are doing it. We know what is going on with this, we know what's involved. Right in the middle of this education around these 4 skills, for the first time, you're being told about the WORKS OF DARKNESS. Nothing about it up till now. In the middle of the education on JUDGMENT. Reason: It's not that WISDOM and JUSTICE aren't important, but it's with the last two - JUDGMENT AND EQUITY - where your Sonship really begins to shine. It's at this point, you are beginning to put on display something that makes an impact on Satan's realm and at Romans 13:11, for the first time, you come on the radar. When you shun that initial POE attack, your Father says you might want to put on that ARMOR OF LIGHT now because that's an open declaration of war. POE will begin to unleash on you but remember that promise - never above where you are as a son. But where you are exactly is where the attack is going to be. When we get to the godly instruction of judgment we better have our game face on. Here's where the gloves come off. We need each other worse than you think. One of the attacks is you are so far along, you don't need the rest of the assembly and your Father will correct that thinking real quickly. Just because you know more than anyone else in this assembly doesn't mean you don't need this assembly. Anybody that understands what this assembly is about knows that you need every part of the body to function properly. Why He uses that analogy for the church. Otherwise, you have a hand thinking, I don't need the rest of the body. I am a hand. God said that's a big mistake because this whole thing works together. This is the POE attack using the world. The way this gets done is by disassociating ourselves from those things and making it clear that we're not approving of that or any part of that. You can do that your own way. God is not asking you to get a sign and picket/go protest/etc. He is saying we need to distance/dissasociate ourselves from these 3 issues. Affect those WORKS OF DARKNESS and CAST OFF their ability to produce THE WORLD OF THE UNGODLY-2 Peter 2:5. MM says every church is supposed to be engaged in this but today, how much impact is being made. This the the success of the POE. MM says you want to talk about spiritual warfare - there is one thing that impacts his WORKS OF DARKNESS and that is to understand how to CAST them OFF according to Romans 13. Everything else is playing games. Everything else is going through the motions. Paul told you to do this and this is what we are going to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS: The Satanic POE. Are certain deeds that get performed that are specifically designed to fuel and promote and increase the DARKNESS of his untruth in the world. Three categories of the WORKS OF DARKNESS. The first time you will encounter it. Satan has created the things that will produce the total rejection of God and godliness in the world. World in this condition twice before: 1. Just before the Flood 2. EARTH WAS FILLED WITH VIOLENCE-Genesis 6:11 GH: Part of the COURSE OF THIS WORLD-Ephesians 2:2. There are 3 categories of the WORKS OF DARKNESS. Those are the things Satan needs to bring the world to a place of its utter and absolute rejection of God to produce a godless world so he can maintain his possession of the heavens and the earth. That is what he is after. That will allow him to continue to hold on what he has gotten. First time you will be looked at on your own by the adversary as some kind of threat to what he is doing. Sounds strange - maybe you have been an international ministry or have a big TV/radio ministry or have a big church and preach to 1,000s or send out media all over the world so Satan must be worried about that. He's really not. Not according to your Bible.
Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): Here's the thing - you have to not invent it out of your mind, you have to find it in the scripture. Paul tells you to CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOR OF LIGHT. Most folks don't even know what the armor of light is about. We don't hear anything about it. This is the first time that you need to get yourself equipped because now, because of what you have come through, you are finally in a place where the adversary is going to look at you and say that person is a threat. Now you are going to suffer an attack. We all go through the general things of the world. If you have ever witnessed to someone and they have rebuffed you, just stand in line with the rest of us. If you have ever been maligned because you go to church, that's kind of the way the world works. Those are the general things that are in place but you are not specifically being targeted. When you get here, you are specifically targeted, and you are going to be pressured to wash out. From here on, this thing is going to continue. MM asks why do men embrace the WORKS OF DARKNESS when they produce such atrocities? One could say if you're the one doing the atrocity you are getting all the spoils. You think it's a great thing. And God says 'you think it's so great? When I POUR out My Wrath on this, you'll find out how great it was.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): Satan is the orchestrator of those. MM says knowing that God will judge the categories of the WORKS OF DARKNESS is not irrelevant to us. Something we will be doing is AS IN THE DAY. The word AS shows comparison. In order for us to do something AS is going to be done out there (GH: in the Lord's day of Wrath), we are going to need to know what IS being done out there. 1. Every work of darkness is a sinful thing. 2. Not every sinful thing is a work of darkness. 3. Satan has used all 3 of those categories consistently since the Garden (Genesis 3:1-6) and every point through history to bring about his purposes: - to produce THE WORLD OF THE UNGODLY-2 Peter 2:5 - to increase the DARKNESS of his NIGHT 4. Because of what those WORKS OF DARKNESS produce, God has a special hatred and abhorence and disdain for them. 5. The WORKS OF DARKNESS are divided into 3 groups.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): GH: MM says betweeen the end of the day of wrath and the end of the kingdom, everyone who did will be convinced they bet on the wrong horse, took the wrong side. Where this is leading - Satan is producing, in the hearts of men, to ascribe something that belongs to God and give that to a man. WORKS OF DARKNESS to fulfill Satan's ultimate purpose. MM says you can track the WORKS OF DARKNESS through all 5 courses of punishment in Israel's program. Have a special vileness to them, a special kind of iniquity to them that God hates especially, they are reprehensible to Him. You have to hate it too. You have to look at what's going on in the world and say I see Satan's footprints all over. He is moving us down the train tracks. He doesn't need 20-30 people here in Monahans and North Texas to cast off THE WORKS OF DARKNESS, saints all over the world were supposed to be doing this. There should be millions of believers casting them off.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): The difference between THE WORKS OF DARKNESS and sin in general. UNLAWFUL DEEDS-2 Peter 2:8 that are done specifically and knowingly against God. We understand that every sin is against God, but he is not talking about sin in general. He's talking about things that are specifically chosen for their ability to produce an antagonism and a contrarianiness and an opposition to God. They are WORKS that are creating an environment that when the antichrist shows up here, they're these WORKS that are about creating an atmosphere that will cause the world to embrace him, not reject him. We talk about what's forcing the world to take the mark of the beast like they are going to be put to death. The world is going to fall in love with this guy, they are not going to have to be threatened. That is means to threaten the remnant. That's what the mark is for. The lost world is going to look at this guy and think he is great. The WORKS OF DARKNESS are things that affect a man's thinking about his accountability to God. They're going to make a man think I don't want to be accountable to God and then they are going to make him think I'm not accountable to God so he can live his life anyway he wants to. He can do it with CHAMBERING AND WONTONNESS to his heart's content. He can carry it to the excess he wants to carry it to and he is not accountable to anyone but himself. This is what the WORKS OF DARKNESS are producing. Of everything that is available to Satan, these are the things that have the greatest effect in each of these 3 areas. He is not just depending on the everyday sins to do it. These are chosen because they are major players in geting the world to become what Satan needed it to become. They are the things that produce the greatest effect.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. DARKNESS: DARKNESS hides things and when you shine a light things that were hidden are now able to be seen or made manifest. Now you see them for what they are. That's why Satan doesn't want us putting on the/an ARMOUR OF LIGHT because it's going to shine on his WORKS OF DARKNESS and show them to be what they really are. MM says you would think that people would already know that but look around the world. People don't know the difference between right and wrong anymore or truth and untruth. They don't know the difference anymore. What Satan can't afford to do, what he is doing by his WORKS OF DARKNESS, it is increasing this DARKNESS. MM says that this world has been in DARKNESS for a long time and that DARKNESS is continuing to increase and it is in a NIGHT that Satan has produced. If the DARKNESS has to do with the 'lie' or the 'untruth' (GH: MM tying in THE POWER OF DARKNESS-See Luke 22:48-53), then the LIGHT has to do with the truth. Difference between DARKNESS and LIGHT: Lies or untruths vs. the truth. And you are going to put on the ARMOUR OF LIGHT-Romans 13:12. You will see through the lie/untruth and expose it for what it is and this is what's going to provoke the response from the adversary. You will be equipped with a truth that will expose a specific lie.

Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. LET US PUT ON THE ARMOR OF LIGHT: Putting on the armor of light is putting on the doctrinal armor which keeps us from being overcome by the attacks of the Adversary. And that is a work that God also does in us. It's a garment that you are putting on. Guess who is looking at you? You become for the first time under the specific target of the POE. Why the 3 commitments need to be in place. If you don't have them, you will walk away like the Corinthians did and say I dont really want to do that. DEAD TO SIN and ALIVE UNTO GOD is good, don't need the adopted son part. First time the good angels look down and go 'Hot Dog! Somebody got to there'. They are hoping you are going to have this commitment to follow this curriculum. God's grace is sufficient but you will have to make a decision about sticking with it or dropping out. The adversary and his angels are thinking, uh oh. When that light comes on, you have already gone too far and they are going to have to do something about it and do it quick. We are going to have to put that light out. God wants to advance you to the point where you say to the adversary, bring it on. Rather than a target, you are going to become a fearful thing to the adversary. At some point, this mundane class we are having down here has now become the subject of conversation of both realms of angels. You are going to be known and talked about and looked at and your Father is going to say I need you to carry this further/keep going. Ephesians 6 talks about putting on the ARMOR OF GOD and there's not a person in the building that can do this. That is something only an advanced son can do. MM is not there. If you think you are, that's up to you. MM references the verse - sons of Sceva trying to cast out a demon and it says Jesus we know and Paul we know. But who are you? Process starts right here for you. MM would like a lot of lights to come on in Texas. Jokes misery loves company. When a lot of fires break out its harder to manage. MMs intention is work him to death. Those are words - a long ways to go.

Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. ARMOR OF LIGHT: When you put on the ARMOR OF LIGHT, it is like Satan is looking at a world of utter darkness and suddenly a light goes BINK! When a light comes on in darkness, you can't help but look at the light. Satan sees that. You are told and will need to put on the ARMOR OF LIGHT when you cast off the works of darkness, that's when the POE unleashes its initial attack. Can't put on the ARMOR OF LIGHT until you finish the education in all the aspects of godly wisdom. Can't put that armor on today. You can't accidently put that on. You put on that ARMOR OF LIGHT, there are good things being said about you. Garment of light - seen by 2 groups: 1. Good angels: Look-ie there! That's good. 2. Bad angels: We gotta fix that. Need the 3 commitments to education in place (Honest Attendance, Interactive Learning, THEE Top Priority) or you will get knocked out of the saddle. Satan is looking at this world and the only lights he sees are sons who understand enough about their Sonship and are far enough along in their education that they have now become a threat to what it is he is doing in the heavenly places. MM says there are not a lot of lights. He is going to look at the world, North America, and Texas and when we get to Romans 13, the light is going to come on in West Texas and he's going to say I have got to shut that down. This is going to get out of hand. MM says all the sermons he preached, all the people he personally won to Christ, all the counseling he did, he was no threat to what was going on on the heavenly places. Not until that light comes on do you get seen for the potential trouble you are and now there's going to be a direct attack from the POE to knock you out of the saddle and get you to walk away from your Sonship. If you say, well, I just won't put on the armor of light then. MM says then as a son, you have stopped your Sonship. You will tell yourself things to make yourself feel better but you have been victimized by the POE. As you go past this in the curriculum, good angels are saying, yes! we want that one up here. You are a threat to bad angels here and now. That's the power of grace working in your life.
Romans 13:12	GH: Pre-Godly Judgment Teaching Commentary	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. ARMOR OF LIGHT (cont'd): When you get noticed for the first time by the adversary because you are now going to become a legitimate threat to what it is Satan is wanting to do and you're impacting those heavenly places. Different kind of suffering that will come your way (besides the SOPT - SoC). When you put this on, this is the green light for the first personalized attack of the POE. The light draws attention to you. When you put on the ARMOR OF LIGHT, this is doctrinal armor. It's not a physical thing but you put it on in your mind. You get that thing established. The more you pray about it, then it becomes very personal. MM thinks it becomes part of the relationship that we have with the Lord. GH: Doctrine you get from Romans 12:3-13:10. ARMOUR: **Please see 'Definition : Armour' in the Commentary.**

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. LET US THEREFORE CAST OFF THE WORKS OF DARKNESS, AND LET US PUT ON THE ARMOUR OF LIGHT: Move from the godly thinking (Romans 13:12a) to the godly living. This is what your actions are going to be. To earn the right to have his finest hour, Satan brought the world and Israel to a total repudiation of God. When we CAST OFF THE WORKS OF DARKNESS, we are going to totally repudiate Satan, his policies of evil, and especially his WORKS OF DARKNESS. A total repudiation of that. What he was trying to get the world to do, we are now going to be doing to him. As Paul says (GH: 2 Corinthians 6:3-10?), we ought to want to engage in this with enthusiasm and zeal. You have negatively impacted what he is doing here and because of that, he wants to do something back. He's going to retaliate to say STOP! He is trying to get you to stop. And when that attack comes, there's going to be some suffering. It's going to start off mild and then it's going to increase as time goes on. As you increase in the doctrine the attacks that are allowed against you also increase. When you understand that a big attack against you is really a testimony that you have been successful on some scale against him.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. MM says when we see what's in this verse, it will produce an 'Ah ha' moment. Will cause us to realize something that up to this point, we may not have realized. This realization will further change our behavior than anything we have encountered up to this point and it is important for us to get this realization. MM doesn't see this as a rebuke of any kind. Structurally, one sentence with a colon so we have at least 2 parts. Parts could stand alone but because there's a colon you know they are more closely connected. Part 1: THE NIGHT IS FAR SPENT, THE DAY IS AT HAND: Thinking - make you say 'OH!!' There is something sitting back in Romans 9-11 - the dispensational change that took place. This hearkens you back to something written in these chapters. But it is not talking about the DOGG itself. Paul is talking to people in the DOGG, but not the DOGG. He is talking about an issue that was taking place before He brought in the DOGG. He is talking about conditions just before this DOGG was brought in. Has to do with where Satan had brought things and where were things as far as the world was concerned. When we realize what this phrase is telling us, we are going to do Part 2 of the verse, that's the further change in behavior. MM says what you are about to see in these verses is an advancement in your sanctification, to take you somewhere that you couldn't have gone before and it is based on the timing and the Wisdom that God had for bringing in this DOGG when He did. Godly Thinking - understanding that when God brought in this DOGG, that is was at a specific time and there was genius behind that time.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Part 1 (cont'd): MM says there were several reasons this was the perfect time to bring in this DOGG, not the least of which has to do with what was happening in the world at that particular time. This phrase points to why He brought the DOGG in when He did. Nutshell: The new aspect of our Father's Business we are now being instructed in is the issue of our Father's operations against the adversary. MM says for the first time in your life you are now being educated in the doctrine that is going to allow you to personally and directly confront and challenge Satan and his POE as it works in this world. This is the new level of your education. This just isn't about we're going to tell folks about Sonship and warn them about the POE and we are going to RDW, this is where you are going to carry the fight directly to him and damage his POE's ability to function in this world. This is why you are being hearkened back to something before, that the condition the world was in prior to bringing in this DOGG. When you understand the timing, not just as far as Israel's concerned. There's a timing that was perfect in their program but this timing was also perfect as far as where the world was in all of this and God interupts all of that and brings in this DOGG. Now He is going to train sons and daughters to confront the adversary and to actually impact the POE at work in this world. When that happens, you know that can't make the adversary very happy and you also know what we have talking about all along before (GH: SoC). This is the point in the education where the adversary gets the green light to retaliate.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Part 1 (cont'd): MM says we are going to throw the first punch and smiles you might want to make sure you have everything you need in your knowledge. The part of the POE that we're going to be equipped to impact first is something that is very wide spread. It's a very prominent part of the POE. To comfort you - as we begin to impact that, Satan's response to that attack is going to be very mild comparatively to what it will be in the future. So don't get to thinking you are going to poke the POE and a sledgehammer will come down on us like in the Road Runner cartoons and smash us like Wylie Coyote. Your Father is easing you into the conflict and he is equipping you all along the way. Satan has to play by the rules, he's not able to pull out the kitchen sink and slam you over the head with it in the very beginning. Initially, we will be attacking this very generic, this very widespread, a part of his POE. Part 2: ...LET US THEREFORE CAST OFF THE WORKS OF DARKNESS, AND LET US PUT ON THE ARMOUR OF LIGHT: Living - out of our thinking - CAST OFF something and PUT ON something. THEREFORE: In view of what you were just told.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. **The "day" being the conduct of righteousness, the "night" being that of evil. The "light" pertains to godliness, while the "darkness" pertains to sin**. THE NIGHT IS FAR SPENT: At this point in your education, the "night" is far spent. NIGHT: Clearly Paul is referring to this present life. The night is an appropriate description of our life without this doctrine working in us; it is our engagement with the sin in our members. When Paul wrote that the night is far spent, he must have been talking about the old life and all it entails is fading away and being replaced with the righteous life of the day. Paul is using night and day metaphorically to illustrate two different lifestyles. One is after the flesh and the other is after righteousness. This is the life you can never live on your own; it must come from Him. And the wake-up call is with a big step in view; the ability to impact Satan's realm! AT HAND: The saving life of Christ is nearer than you think. A major step in your being conformed to His image is just around the corner. In fact, v12 says it is "at hand."
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. LET US THEREFORE CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT: Godly living: The only thing that is going to get us to do this is this doctrine, not MM trying to persuade you. When you do this, it provokes the adversary. He is not happy with that and he is not going to let that ride and so there's going to be a retaliation on his part. We are not only disassociating ourselves by casting off but we are associating ourslves with godliness by putting on the armour of light. That armour will protect us against the attack of the adversary. MM tying EVIL MAN and the STRANGE WOMAN and the adversary's attacks. EVIL MAN is mentioned first because it is the first tool Satan will use against us when we cast off the works of darkness. Then at a certain point, the STRANGE WOMAN is going to come into play. MM says there are 3 adversaries - we got told about 2 of them in Romans 6-8. The third one / component that is an opposition to us, a third hurdle we have to overcome which shows up in Romans 13. We need details on how this attack is going to come and what to expect. Here's where our new identity thinking which you can't see or hear gets translated into living where you can see and hear it to specifically cast off the works of darkness. The adversary is going to see and hear that and for the first time in our life we're going to be the recipients of the individualized attack of the POE, not the general one that is at work in the world. There is a general POE that resists understanding: - right division - the mystery - what it is to be part of the body of Christ

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. LET US THEREFORE CAST OFF THE WORKS OF DARKNESS AND LET US PUT ON THE ARMOUR OF LIGHT (cont'd): MM says it can be known because obviously, we know it. But know there's an individualized attack that is specifically geared to make you back off and not cast off the works of darkness (but just let it go) and not put on the armour of light (but stay quiet). The ultimate goal is to make you stop your Sonship life. It's got an intimidation factor to it. It's designed to create a fear and uncertainty factor in us. Why if you don't armour up, you're going to be suseptible to that attack. If you are casting off the works of darkness and exposing them for what they are and putting on the armour of light, then you are a threat to the adversary. Because he needs to have these working. Casting off the works of darkness and exposing them for what they are is WHY you are a threat to the adversary, not because whatever. We are impacting the one thing he must have going. When he sees you cast off the works of darkness and put on the armour of light, that's the signal that he can legally, rightfully, with God's consent, attack you with the first round of attacks. That's when that starts and not before. When this attack starts the only way to get rid of it is to quit. As soon as you quit, it will go away. when we cast off the works of darkness and put on the armour of light, that is no light thing to that adversary. You might not think it is a big deal, but it's a huge deal to him and it is the signal to now allows him to attack us in return. He wants us to let his works of darkness alone. The big temptation here is to say I have enough, I don't need to go on.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS: When we begin to “cast off the works of darkness,” we are crossing a line with our adversary. We are now interfering with the mechanism which he is using to produce a world of the ungodly. When we effectively and intelligently cast off his works of darkness, we are hindering Satan’s work in this world. And he will not take that lightly. You can expect the POE three-fold attack: 1) Phase 1: attack the message 2) Phase 2: attack the messenger 3) Phase 3: discredit the messenger And we know exactly where this will come from, from the “evil men”. And do not be surprised when the “strange woman” gets involved against us as well.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. **The world will not take kindly to our casting off the works of darkness. And neither will the religious world that does not understand the issues at hand. We should expect opposition from both. The issue of casting off the works of darkness is not just about us not participating in them; it is also about not allowing them to flourish unchecked. When they are raised up in conversation, an appropriate response is expected from us**. CAST OFF: God is not asking us to: - carry a sign and protest - take out an ad in the local paper - rent a billboard

GH: How to CAST OFF THE WORKS OF DARKNESS: 1) Understand the battle you are about to undertake: You don't wage a war without knowing who your real enemy is - AKA 'know your audience'. Do not forget who the enemy is. It is easy to get lost in the fight and the very people we are supposed to be ministering to, become the enemy. Do not let that happen. And the way to do that is to keep that issue in your mind by talking to your Father about it constantly. 2) Have a clear, concise statement for each of the works of darkness: Each circumstance may be different: - Sometimes just a plain statement from you is enough to cast off the works of darkness. - Other times, your statement may lead to a larger conversation. When it does, you need to be prepared. This is part of the spiritual warfare that we are called to engage in. 1. Know your subject matter so you can have an intelligent conversation with the intention of persuading people. Educate yourself with facts, figures and the word of God. Read. Research. Practice. 2. Have a memorized statement you can use when the subject comes up. Make the statement clear, plain and simple. There are just 3 categories to cover here:

GH: How to CAST OFF THE WORKS OF DARKNESS (cont'd): EX I disagree that… marriage is an outdated institution; to the contrary, marriage and family are essential foundations for any society to exist and thrive. EX I disagree that…marriage can be between two men or two women. The full relationship of what it means to become "one flesh" can only be realized by male and female; that is the natural and essential distinction of the relationship. EX I disagree that…getting rid of authorities of law enforcement is the answer to the problem of abuse of power. Without the enforcement of the rule of law, our entire society would devolve into unchecked violence. The loss of life would be far worse than the problem we are trying to solve. EX I disagree that…getting rid of our military would be a step toward global peace. One of the main jobs of government is the protection of its citizenry against hostile foreign powers. EX I disagree that…the Bible is full of contradictions and myths. In fact, the Bible has been proven, time and again, that it is a supernatural Book with the ability to accurately predict the future. EX I disagree that…the Bible is outdated. Biblical morality and ethics, right and wrong, are not issues that change under majority opinion; they are absolutes. For example, torturing babies for the fun of it is morally wrong, no matter what a society decides about the issue.

GH: How to CAST OFF THE WORKS OF DARKNESS (cont'd): 3) Support your statement with points and give evidence for each point: You can do this in several ways: - Data – Statistics can be very convincing, and it is hard to argue with cold, hard numbers. - Examples – Testimonies and anecdotes can strengthen your point. Examples are a lot more exciting than numbers and they help people see things from a different perspective. Be sure your examples are specific and applicable. - Experts – Referencing an expert's knowledge, experience or conclusions is a good way to provide evidence for your argument. 4) Anticipate objections 5) Watch your demeanor as you talk. Be winsome; likable, smile if the situation allows it. Again, this will depend on who you are talking to and the circumstances of your meeting. You have to genuinely care about people in order to get a hearing. Love your neighbor is the issue here. Make a decision to value and esteem your neighbor enough to present a cogent argument for your position with a view toward ministering to them by either evangelism or edification.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. GH: How to CAST OFF THE WORKS OF DARKNESS (cont'd): Be patient. Do not respond to insults and name-calling. Don't render "evil for evil." Do not, in your attempt to do good, give an opportunity for your good to be evil spoken of, in the sense that you "flew off the handle, blew your cool, or exaggerated your argument." Romans 14:16 6) Get your scriptures together: Make sure not to violate Biblical principles. Continue to rightly divide the word. Don't misinterpret a verse to make a point it is not making, even if the person you are talking to doesn't know the difference. 7) If you do not want to get into a full-scale discussion, or if the venue does not allow for it, the simplest way to cast off the works of darkness is simply to say: EX While I care about people very much, I am very much against the kind of behavior you are talking about. EX I disagree with what you are saying. I am not in favor of it and I do not want my silence to be mistaken for my agreement with it. EX If you are interested, I would like to more fully explain my position at a later time, as this is much more than just my personal preference or opinion.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS: By the provoking action of casting off his works of darkness, we now become a target for a more individualized attack than the general policy of evil which is working in this world. We have attained to a level of understanding whereby we can impact what Satan is trying to accomplish in the world, the production of an ungodly world which does not want to retain God in its knowledge. The world has been there before: 1) at the Flood 2) at the tower of Babel, and 3) at the rejection of the Spirit's work as recorded in the opening chapters of the book of Acts.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): In order to bring an end to this dispensation of grace, and bring his man of sin onto the world stage, Satan is at it again. It is important to know that Satan cannot just do whatever he wants to do, whenever he wants to do it. He must "play by the rules" so to speak. By the death of Jesus Christ on the Cross, God earned the right to lawfully interrupt His program with Israel, and bring in a dispensation of Gentile grace, a program which began with the conversion of Saul of Tarsus on the Damascus Road.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): Because you are anticipating something (GH: when you do this), because you know this is going to provoke Satan, and because you know these are his darlings so to speak, they are what he used to get his NIGHT established, it is what is fueling the DARKNESS of his NIGHT, it's still going on in this DOGG, all of this is building toward the remaining portion of his NIGHT, so he is looking for these WORKS OF DARKNESS to continue to produce what they have always produced. When we impact those negatively to him, it is going to provoke a retaliation against us. In view of that, we are going to be called to PUT ON THE ARMOUR OF LIGHT. MM says it is almost like take your shot and then get your ARMOUR on quick because now what's going to happen in response is a retaliation to that attack. It is in its mildest form in this first part, MM says thank the Lord for that. He has put some things in place that governs what the adversary can do. MM says this is the only time as a believer in Jesus Christ that he has seen things that have made him fearful. He is not saying make him not want to do it, he is saying don't take it lightly. Like someone talking about something correctly but they don't believe it is going to happen and then when it happens their whole tone changes. MM wants it to sink in with us that this is how its going to be unless we just play games with it. These sufferings that are going to come our way our THE SUFFERINGS OF CHRIST-2 Corinthians 1:5. You know that God is not orchestrating them, Satan is going to orchestrate them.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): They are designed to: - make you back off from CASTing OFF THE WORKS OF DARKNESS and impact what he is doing - make you stop living as a son - affect your thinking so that instead of a son who thinks I'm going to impact Satan's realm by doing this, he wants you to think well I don't want to get smacked again so maybe I'll just wait a while - intimidate you into thinking about these differently and certainly living differently You know that your heavenly Father is not going to put His Hand between you and these sufferings, those are going to be allowed to take place. But you're not suffering just for the sake of suffering. In addition to doing the right (GH: godly) thing, there is something that is going to be happening in us that will not happen any other way.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): Our Father in His Wisdom has designed it so when Satan does the very thing to us that is designed to make us stop, it actually works to our benefit. MORE THAN a CONQUEROR-Romans 8:37 is more than a title, it is an attainment that we are coming to (GH: think of the stair steps in each level). You are really stepping up a whole new level. What you thought before about 'spiritual warfare' and 'giving the devil a hard time', you will look at this in a whole new light. You will learn all that stuff going on out there in the name of fighting against Satan hasn't slowed him down one iota. This is going to have to be done on purpose by a group of people that know what they're doing and are dedicated to doing it. MM says these verses are going to have to be in your mind or you are going to forget why you are doing what you are doing (GH: charity aspect!). This is the process that the Lord went through.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): The strategy or tactics behind these WORKS OF DARKNESS. STORY: In WW II/1943, there was a strategy the Allied forces put together against Germany. They determined one of them was to shut down the German war machine was to bomb all the ball bearing plants in Germany because every vehicle utilized ball bearings for movement. If they could bomb and shut down the plants, they would shut down the movement. The US 8th Air Force planned day time precision strikes against 7 ball bearing plants that were in and around Germany. England did broad, carpet bombing at night. Daytime is more dangerous and didn't have long-range fighter jet to escort. Suffered a lot of heavy losses. Made 7,933 bombing runs on the first plant with a total number of individual bombs of 592,598 on all plants. This was a strategy to shut down the German war machine, not the only one. When you drop a half million bombs, you have invested something in that strategy. Not just bombing stuff for the sake of bombing, they were locating what they thought were points that had the maximum impact on Germany's ability to conduct war. The adversary, by these WORKS OF DARKNESS, is doing the exact same thing.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): To be LIKE THE MOST HIGH, he has developed 3 categories of THE WORKS OF DARKNESS-Romans 13:12, all 3 are pointed at strategic targets (GH: like the WW II & German ball bearing plant story). Satan knows there are 3 pillars that are holding everything up as far as God is concerned. and those 3 pillars are the targets of the 3 categories of the WORKS OF DARKNESS. The categories are not only working to destroy the pillar but to replace it with a counterfeit. One of the pillars was so necessary to what God was going to do with even the remnant of Israel that that counterfeit had to be destroyed. Because if it didn't get done, there would be no remnant at the end of the 70 years. God said I HAVE got to make sure that I destroy this category for sure. God says here is the reason that I AM destroying the counterfeit, so that the true pillar can be re-established because only if that thing gets established can I have a believing remnant that in the 2nd installment will return to Jerusalem and rebuild the wall. God is looking long-term at this thing and He realizes how overwhelming these categories are. MM is trying to explain how dangerous these WORKS OF DARKNESS are and how successful they were to get Israel to pass the point of no return, to become Satan's lawful captive-Isaiah 49:24, to make God give Israel a bill of divorcement-Isaiah 50:1 that allowed the hedges to be broken down-Isaiah 5:5 and the wall to be crumbled-Isaiah 5:5 and for the enemy to come into Immanual's land and take control. They were so successful against them and they are geared to be successful against us as well. MM says we cannot afford to go into this fight ignorantly. Why Paul says WE ARE NOT IGNORANT OF HIS DEVICES-2 Corinthians 2:11. But MM says he thinks we are, talking about Christianity in general. We have to see WHAT these things do and HOW they do it. This will create that last measure of godly hatred for Satan's WORKS OF DARKNESS and put that full measure of enthusiasm in us to say I want to CAST OFF those WORKS OF DARKNESS.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): This is to the Romans who have already been taught a lot. This is not saying that you guys at Rome need to stop being proud and arrogant and lifted up and having great wantonness and having great debauchery and having prideful thinking. MM says Lord have mercy if that's where they are after the first part of their Sonship education. This is an advancement in their education. And it's not instruction about you have a new identity IN Christ and you need to walk in connection with that. He's talking to them in a context of impacting Satan's realm. 'To cast off': to repudicate or disown, to the point of publically declaring one's distaste for and refusal to be identified with, or associated with that which one casts off. **'To cast off' (simpler version): To openly and publically repudiate and disown Satan's WORKS OF DARKNESS declaring our disdain for them and our refusal to be identified or associated with them**.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): Components: - CAST OFF: pulbically distain or repudiate or disown or refuse to be identified wtih something - PUT ON: would be the opposite of CAST OFF - open or public declaration/embracement of something that we love and we value and we believe and we want to be associated with and we want to be connected with and we want to be identified with and it should stand in constrast to the thing that we have CAST OFF (just thinking in your head I don't like those, I don't want anything to do with those - that part is right but doesn't take it far enough) This is not about you going out of your way to do this. Not about you taking out a 30 second commercial on TV and stand up and say we are making a public denunciation and repudiation of this particular action and we don't want to be associated with it. It is doing it in the normal course of affairs of your life.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): It's not just someone makes a statement and you say 'I don't believe that' and you leave it at that. There is something else that is going to have to be said there about what you do believe. EX In a big bang conversation, it is not just rejecting evolution, it is associating yourself with creation. When Satan sees us do this, when this actually takes place, then he is able now to discern several/3 issues: 1. he understands that we understand/know the controversy between God and Satan. To do this, you understand the WORKS OF DARKNESS are actually producing something in this world that your heavenly Father is opposed to, and that you're going to engage with Him against those WORKS OF DARKNESS on the basis of your understanding of the controversy. When we do this, he looks and you and he says hey, that person understands the real issue that's going on between me and God. He is saying, hey, these people, by doing what they are doing, they really are being conformed to the image of God's Son. They've reached a measure of that and he understands/sees that. 2. he understands the measure of our conformity to Christ. 3. he understands the degree of our thinking. Not talking about thinking in general, talking about he understands the extent of how much we think about his WORKS OF DARKNESS like our heavenly Father thinks about these WORKS OF DARKNESS.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS (cont'd): When Satan sees these 3 things, this is what gives him the green light to bring his POE against us personally. These are the things he is looking for. They are kind of a signal that when he sees that, that's the signal that says, hey, I can now bring the first level of my attack against them. MM says this is tantamount to when you make a public declaration in the normal course of your life (MM says you don't have to be screaming in somebody's face here) of your disdain for some particular part of these WORKS OF DARKNESS and then you PUT ON THE ARMOUR OF LIGHT (which means you turn around and embrace and affliate yourself with the LIGHT of the Truth in that particular area, then Satan looks at that, MM says that is a declaration of war. You want to talk about spiritual warfare, that is the declaration when you do that.). Satan is looking for this and when that happens, he is going on the offensive.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Today, we are still living in that time of God's longsuffering. And that is a problem for Satan, for as long as we remain in the DoGG, Satan cannot deploy those things which he previously earned the right to do, until the resumption of the prophetic program. Therefore, the devil is eager to see an end of this DoGG. The more successful we are at casting off his works of darkness, the more we delay his plans for the revelation of the Antichrist. This becomes a motivation for us to cast off the works of darkness; the continuance of the DoGG and the postponement of Satan's plan. This is what we should want: - the continuance of grace - to extend the opportunity for Jews and Gentiles to be saved and edified under God's program of grace - to enlarge the members of the body of Christ - to respond to the goodness of God We know from God's word that this DoGG will come to an end at some point. Satan's darkness will grow to the place where grace is no longer a message that is welcome in the world. But until that time, we can be a thorn in Satan's side. But, you understand, that will come at a price. We cannot expect to antagonize our enemy without his reprisals. And that is where the armor comes in.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF: It's not 'well, I wouldn't do that but I take take it or leave it'. It's a public repudiation of that. I don't want anything to do with that and I want everyone here to know I'm not associated with that. CAST OFF: To repudiate or disown, to the point of publically declaring one's distaste for and refusal to be identified with, or associated with that which one casts off. MM says you see this phrase being used this was all throughout the Bible. - The way Jeroboam felt about the Levites. - The way God felt about Israel when He got to Mannaseh-Hosea 1:9. I AM not staying in this Temple, I AM moving out-Ezekiel 11.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS: Are not just a general reference to the evil things Satan is promoting in this world. All of what Satan is doing is part of his darkness there is no doubt about that. But, his works of darkness have a special purpose. His works of darkness are designed to bring about the total rejection of God by the people in the world. Satan has carefully crafted his works of darkness to produce a godless world. Before we get into this, let's be clear, Satan does not need for every single person in the world to reject God in order to accomplish his purpose. He does not need every single person to engage with his works of darkness. The things that Satan is attacking, through his works of darkness, are some of God's divine institutions. Satan is attacking, through his works of darkness and he can bring the world to the point of the total rejection of God if he can destroy the divine institutions of marriage/family, human government, and the word of God. The Goal of Satan's Works of Darkness: - To Produce the Total Rejection of God - To Bring in the World of the Ungodly Is literally the engine that is powering the world's ungodliness. It's what's driving the world's ungodliness. It causes the ungodliness of the world to increase more and more. They are what makes the world into THE WORLD OF THE UNGODLY-2 Peter 2:5.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): Are some particular things that Satan is using as THE POWER OF DARKNESS to increase the DARKNESS or NIGHT in the world. These provide for the power that Satan operates under. They give him his strength so he is very interested in promoting these WORKS OF DARKNESS. They are necessary and critical to what will be going on in the remaining portion of the NIGHT. Satan's WORKS OF DARKNESS are producing this blacker and blacker NIGHT. MM says we have to develop this discerning thinking, this thinking of our Father. MM says if you could see the spiritual darkness the world is in you would have a real idea then of how prevailing this DARKNESS is you would say WOW. Would be better to discern it in our spirit than see with our physical eyes. Satan is doing some things in this DOGG as THE POWER OF DARKNESS, he is promoting an untruth in the world so that people are not only blinded to that truth, but he is keeping this DARKNESS at such a level that when this is over it makes it far easier for him to accomplish the thing that he wants to over there in the remainder of the NIGHT post-DOGG. Have real inroads into men - uses man's sinful condition to get his foot in the door. GH: Listed in Romans 13:13-14.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): MM says don't think of every sinful act as being a work of darkness. These are very specific to a particular purpose that Satan wants to get accomplished so we can't afford to just think GH: it's everything. MM says everything is part of the ungodliness of men but Satan's not depending on that to keep everything in place. When you understand what the WORKS OF DARKNESS are, you will see those very differently from all the other things going on in the world right now. It's not that you will look at the other things and say oh, those are wonderful. You won't do that but you're going to see there are certain WORKS that are very critical to what he is doing and you'll begin to view them in accordance with that. All break down into 3 major divisions. Every WORK OF DARKNESS fits into one of 3 categories. When you CAST OFF a WORK OF DARKNESS, depending on which WORK OF DARKNESS you do, he has these things (GH: The 3 pairs of things in v13-14) to confront you with. In each of the 3 categories, there are multiple WORKS OF DARKNESS.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): Need to identify the WORKS OF DARKNESS and distinguish them from other sinful things in general. When he looks at all the bad things that could be done, what he is looking for is particular bad things that will result in the two things: 1. Oppose God in what He is doing 2. Assist Satan in what He is doing Satan is looking for the things that will work in a person and convince them. Satan has an alternative to godliness - alternative thinking produces ungodly living that results in laboring with Satan and what he is doing to become the possessor of heaven and earth. This is the criteria that he is using to produce his WORKS OF DARKNESS. Not all sinful things are actually producing an alternative thinking that have as a natural result an ungodly conduct. MM says people do all sorts of sinful things and don't think about it. It's not something that is working in their mind. Reminds of the saying 'if it feels good, do it' - there's no thinking behind that. At the core of these WORKS OF DARKNESS, Satan is looking to produce a thinking that is different from God's thinking. Once that is in there, it naturally produces an ungodly conduct. Have a two-fold purpose: 1. Fueling Satan's NIGHT and making it darker. 2. Empowering the COTW

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): When Satan decided how he wanted to the world to line up, that's how he laid the (GH: Rail Road) tracks. The final destination is to get it to being THE WORLD OF THE UNGODLY-2 Peter 2:5. You get there by excluding God and all of the Members of the Godhead. We don't want God anymore. There's a long way from Christians doing ungodly things to people saying we don't want God (THE WORLD OF THE UNGODLY) - the total rejection and repudiation of God. He's looking at WORKS OF DARKNESS that are not just sinful things for people to do, he is looking for WORKS OF DARKNESS that will actually drive everybody to the ultimate goal of being in total rejection and repudiation of God. These 3 categories of THE WORKS OF DARKNESS are what has produced the observable changes that we are looking at. These are not just, well, things are getting worse. They are. But you are supposed to be able to look at that and go those are the things (GH: the things in the 3 categories of WORKS OF DARKNESS) that are moving the world down the track so that one day people in this country will go we don't want God. There are people who are already there, but not willing to say it publically because the country is not there yet. Without telling you, they are trying to implement policies that will produce what they believe. Satan has designed these WORKS OF DARKNESS for men to look at and latch onto them and live unto them, it's not an accident.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. WORKS OF DARKNESS (cont'd): When you get out into the remaining portion of Satan's NIGHT, men will not only do the WORKS OF DARKNESS, they will repudiate God and revel in it and wear it like a badge of honor. Satan's goal is not to bring in a Congress that looks at things a certain way, all that is is scenery along the track. What he is doing is bringing the world to a place that it will look at God and say, 'we don't want You'. Not every sinful thing originates with Satan. Men can think of things on their own. They have a fallen nature and can do that. They aren't thinking about Satan's desired ultimate destination. They just do that as brute beasts and doing what they feel like doing. But is looking at things to propel it in a direction that he needs it to go. The very WORKS OF DARKNESS that started in the Garden, that brought the world to THE WORLD OF THE UNGODLY-2 Peter 2:5 and got destroyed in the Flood, that returned to THE WORLD OF THE UNGODLY when God brought in the DOGG, and the same WORKS OF DARKNESS that will bring Satan's NIGHT to its zenith, are the exact same WORKS OF DARKNESS in the exact same categories that we are now going to be called to CAST OFF. Satan is using this same methodology today and he is fueling his NIGHT and fueling the COTW. These specialized WORKS are the specialized works that actually have men doing something more than just opposing God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. MM says this issue of LIGHT and DARKNESS is in way more verses than we looked at. **Search Bible Margin column for 'GH: WoD Teaching'.** **Three Categories of the Works of Darkness** **Category #1: Attack Marriage and Family**: The first category of Satan's works of darkness have to do with the corruption, perversion, and dismantling of the divine institutions of marriage and family. Even though these are two separate institutions, they are so closely related, MM is putting them together. What Satan is seeking to do is to corrupt these institutions. What people do not realize is that the very basis for a nation, the basis of a community, the basis of society, the basis of culture, the basis of moral and ethical integrity all rest in the institutions of marriage and family.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Satan discovered early on that changing up the natural order of marriage and family would have devastating spiritual results. Genesis 6 only gives us four verses about the original perversion of those divine institutions, but the results were catastrophic; a world filled with evil and unchecked violence. After the judgment of the Flood, Satan runs another test case at Sodom and Gomorrah, a test case in which the natural order for things was totally abandoned. People generally, and Christians in particular, seem to know so little about what these two divine institutions are doing. They do not understand how the institutions of marriage and family produce and preserve a civilized society and peaceful lifestyle. As a result of that ignorance, people not only think they can violate these without consequence, but there might be something to be gained by ignoring these divine institutions. They actually think they might be better off. This is the deceptive power of Satan's policy of evil.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. People think they are choosing what they want to do, all the while they are dancing to the devil's tune. The Adversary has been at this a long time. He knows how to manipulate people. All of the issues of the divine institution of marriage can be seen: 1.in the issue of God creating male and female, 2. in them both being created in the image of God, and finally 3. in the issue of what it means to become one flesh. These three issues are at the heart of what God designed for marriage. And when we don't know about them (the divine institutions of marriage and family), it causes us to devalue them. We are in the dark about how valuable and necessary they are. We cannot see what God is accomplishing by them. And it doesn't end there; it has consequences that proceed out like waves from a splash. For example, the ignorance of what those divine institutions do will make people ask questions like: Why does God care who I sleep with, anyway? Today, in our country, it is easy to look around and see the attack on these two divine institutions. But let MM remind us, as long as there has been a policy of evil, there has been an attack on marriage and family. This is not new.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. **Category #2: Attack Civil Law and Order** - government: Human government was God's response to the evil and violence that filled the pre-flood world. The death penalty was instituted for murder and God's authority to punish evil was vested in people who hold positions of governmental power. Attempts to corrupt this divine institution come in forms like: defund or do away with the police (which would impact domestic peace and safety), or reduce or do away with our military (which would impact our national security). When God created the divine institution of human government, He was not thinking about party affiliation, conservative or liberal viewpoints, or getting elected. He was thinking about providing an atmosphere where His work (of evangelism and edification) can be carried out. Satan knows that God's work is hindered when there is anarchy and chaos, violence and evil, and when the peace is interrupted. If we understood it properly, if we knew the consequence of not having it, we would gladly pay our taxes to a government whose policies are at odds with our own thinking. **Category #3: Attack the word of God**: God's word has been banned and burned down through the centuries. It has been maligned and misused. It has been misrepresented and slandered. How important is God's word to our education as sons and daughters? How instrumental is God's word to our edification unto godliness? How essential is our confidence in God's word to produce in us, that which we cannot produce on our own? All the other stuff Satan is doing in this world is just "icing on the cake" so to speak. Sure, he is glad to have it, but he doesn't have to have it. He can bring the world to the point of the total rejection of God if he can destroy the divine institutions of marriage/family, human government, and the word of God.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. DARKNESS: Satan is going to do to use his DARKNESS to extinguish your LIGHT. MM says you have to ask yourself, how can DARKNESS extinguish LIGHT? Look at a couple different ways. If the pressure comes on the remnant, that is to make them back off of the LIGHT. Satan is producing WORKS OF DARKNESS-Romans 13:12 to produce this NIGHT and that DARKNESS is producing a NIGHT time of untruth. Those are the WORKS that we CAST OFF. If we CAST OFF the things that are causing his DARKNESS to prevail, GH: he and his minions will take notice of you. Satan is trying to gain momentum during this DOGG so he can intensify what he is doing in the remainder of the NIGHT so that he can extinguish the LIGHT. If you get to the point were you start bogging that process down and get in front of that and he can't get around it and he is having to gear down or you are doing something to CAST OFF THE WORKS OF DARKNESS so that he loses steam, that affects what he's trying to do. This affects what he is trying to do once Israel's program gets resumed and forces him to deal with you. This is why the response is going to come from the adversary. In the old days, we said Satan hates me because I'm a Christian. MM says are you kidding me? Some Christians are among his best workers. In the old days, it was about being saved or lost, but it is not a big deal to him if you get saved. MM telling the projector bulb story and people believing that Satan burned the bulb out is DARKNESS.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. DARKNESS(cont'd): Satan would rather you not get saved but that's not the issue for him. There is one thing that he will personally attack you over to get you to stop and that is this Sonship educaton. Most Christians don't impact his DARKNESS. Reading your Bible doesn't impact his DARKNESS. Leading people to Christ doesn't impact his DARKNESS. Satan has this ultimate agenda that he's trying to push through and the only time he really worries about anyone is when they try and slow the process down and start impacting what he's doing. Like Satan being the truck driver of DARKNESS and he's got a load he's going to deliver and it's got to be delivered at a certain time. As long as you can keep him from making that delivery or slow him down, he has to deal with you, whoever does that. As he is pushing this DARKNESS, your Father is about LIGHT and there's an ARMOUR OF LIGHT and that truth in that ARMOUR is going to be your defense against the attacks of the adversary. Point: All that stuff we thought Satan was worried about, he's not; because it doesn't impact what he is doing. MM is not saying he loves it, just saying it doesn't matter to him. ANALOGY: Black holes are areas in the universe where the gravitational pull is so great that it pulls everything in and nothing escapes, not even LIGHT. It's amazing to think that LIGHT is subject to gravity. Imagine the gravity it would take to keep LIGHT from moving out. Black holes swallow up everything. Satan's DARKNESS is the black hole of this DOGG.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. DARKNESS(cont'd): Not talking about literal LIGHT and DARKNESS or literal NIGHT and DAY, but there are parallels between literal LIGHT and DARKNESS or literal NIGHT and DAY that parallel the spiritual issues we are looking at. MM says when you are talking about LIGHT, you are talking about TRUTH. When you are talking about DARKNESS, you are talking about the LIE/untruth. When you talk about the NIGHT having DARKNESS, he's not just talking about when you walk outside and there's no LIGHT. He is talking about the condition that Satan has produced, a NIGHT of increasing DARKNESS. Satan established this NIGHT and it is increasing in DARKNESS and if it is increasing in DARKNESS, there are more and more of Satan's lies and when he tells those lies, he is presenting them as though they are the TRUTH. What the NIGHT is trying to produce is the replacement of the TRUTH with Satan's untruth/lies. As the world began to adopt that, he kept telling untruths. That's the way you establish an untruth as the TRUTH. After a while, people default to that and the world has done that and it has bought into this untruth that Satan is establishing. This produced THE WORLD OF THE UNGODLY- 2 Peter 2:5 but we need to look at Satan's activities behind this. He is coming in and establishing that untruth.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. DARKNESS(cont'd): As more people buy in to that untruth, the darker the NIGHT is. You begin to cast doubt on the authority of the word of truth. You have to start correcting it very slyly. MM says some guys do this because what they are taught in school. They don't realize what they are doing but they have kind of gone along. They'll say this is an unfortunate rendering of this word because this word in the Greek is this and what they mean is that and it's unfortunate that the KJV translators used this word because a better word would be this. What they are doing is they are chipping away little by little at the authority of the word of truth. MM says if they are right, there is no repository for truth. If this Book is full of errors, all we have is our opinions and that's exactly where Satan wants it to go because he's got the majority. Then it becomes who can shout down who. There is some intensifying of the DARKNESS that has to take place in the GH: post-DOGG portion of the NIGHT.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. AND LET'S PUT ON THE ARMOUR OF LIGHT: In the Biblical progression of Paul's epistles (we believe they are arranged in particular order), this is the first mention of armor. Notice it is called "the armour of light" which is set in distinction to the "darkness." Cast off those works of darkness, but be sure to put on the armor of light, be sure to put on the Lord Jesus Christ because that is what will save us from being a battlefield casualty. PUT ON THE ARMOUR OF LIGHT: And if you have been asleep in this sense, Paul is telling you it is high time (past time!) to wake up; which means you need to get back to the doctrine and get it working IN you. Because without this doctrine working IN you, you cannot put on the armor of light.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. ARMOUR OF LIGHT: Is doctrinal armor, that once it is in place (that is to say, once it is working in us and we are living out of it) it will protect us from being victimized by Satan's attacks against us. It is called the armor of light because it is distinguishing from the untruth of Satan's darkness. It is the armor of light because it is the armor of truth. The greatest weapon against darkness is light and the greatest weapon against Satan's untruths is God's Truth. The defense against the untruth or the WORKS OF DARKNESS. You won't be covered, you will need to be MORE THAN a CONQUEROR-Romans 8:37. Is a general reference to armor that has parts to it. It's not all of the armor but its the first armor you're going to need. It's the general armor that we need to defend ourselves against the WORKS OF DARKNESS. But when you have a particular category of the WORKS OF DARKNESS, you're going to need one particular part of the WHOLE ARMOUR OF GOD-Ephesians 6:11,13. You need different pieces to defend against different categories. ARMOUR: You put on armor because you are going into battle. It does not keep an enemy from attacking you, but it protects you from injury as you are in the battle. When we cast off the works of darkness, we get the attention of the adversary. The doctrine which we have been given up to this point is meant to protect us from the attack. You might say that his initial goal is to get us to stop opposing him, but really what he wants is for us to get on board and become another mouthpiece for his doctrine of devils-1 Timothy 4:1. LIGHT: The light is about righteousness. We WALK AS CHILDREN OF LIGHT-Ephesians 5:8, in contrast to the darkness.

Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Point: This is more precise and more involved than we might have imagined. Satan in these WORKS OF DARKNESS is saying I know what makes men tick. All the way back in the Garden, he used these 3 categories. When he re-developed that NIGHT, he used these 3 categories. Because of the make-up of men, there is a natural affinity in men for these 3 categories. Here's what he is after - he gets them rolling and producing the very black part of his NIGHT and when his MAN OF SIN comes on the scene, the world will want him. He will be exactly what they wanted, what their hearts pined for, and that DARKNESS will produce that. When we CAST OFF THE WORKS OF DARKNESS that will result in an attack back that is designed to make us doubt or make us rethink unless we have the right piece of armor on. There's a piece of the ARMOUR OF LIGHT that is used to CAST off each of the 3 categories of the WORKS OF DARKNESS. The battle is really more precise and more technical than just well, we hate the devil and he hates us. He has very precise tactics that he's going to employ against us. They are supposed to change our enthusiasm to do this, it is supposed to impact our desire to get involved in this battle. In order to preserve ourselves, we're going to have to understand about that ARMOUR. He didn't say stealing and cheating and lying. These are not WORKS OF DARKNESS. They are bad things but they're not fueling his WORKS OF DARKNESS. Satan has thought this through. He knows what gets people and this is the way that he's going to do it and if anyone does anything against it he'll have a response that is specifically designed for them.
Romans 13:12	Part 1 - Thinking -> : - >Part 2 - Living	12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. GH: Effectual Working Questions for putting on the ARMOUR OF LIGHT: - Do you have on the armor of light? - Is the doctrine understood by you? - Is the doctrine working in you? - Are you nourished up in the words of faith and good doctrine? - Are you exercising yourself unto godliness? - Are you giving attention to reading, exhortation and doctrine? - Are you meditating on the doctrine (vs. 15)? - Are you taking heed to the doctrine? If you are, then continue to do so, for it will be your armor. It will: - keep you from corrupting the message - keep you from departing from the faith - make you impervious to the seducing spirits - expose the doctrines of devils for what they are; untruth

Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. When we CAST OFF THE WORKS OF DARKNESS, we are going to be doing this by saying some things. This is going to be done verbally and they're going to be said with regard to the WoD list in repudiation to Satan's WoD and we are going to reflect our heavenly Father's Attitude toward those WORKS OF DARKNESS by what we say. It will either be said to: 1. Those who are producing those WORKS OF DARKNESS or 2. Those that are viewing those WORKS OF DARKNESS STORY: When MM's kids were growing up and they were watching TV and something was said or done that was glorifying the wrong aspect of life, he would stop and have a talk with his kids about that's not right. They may be saying it but don't get to thinking this is the way this needs to be. At the time, MM didn't hear this principle and the people filming it didn't hear him. But they were producing something that was seen by others so his talk wasn't for those who were doing it, it was for those who were around him hearing it.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Sometimes you will be faced with a person with a PRIDE OF LIFE category of the WORKS OF DARKNESS, and the person that does it is going to hear you say something about it but it will be other times when something will be observed which is a product of a WORK OF DARKNESS and you're going to say it to the benefit of those around you. So CASTing OFF THE WORKS OF DARKNESS is something we are going to be doing verbally. PUT ON THE ARMOUR OF LIGHT: It's not just the CASTing OFF piece: 1. I don't like that 2. I don't have anything to do with that but that is going to be coupled with here is what I am going to be afflilated with it and here's what I'm associated with. We are going to get both issues of that. PUT ON: To PUT ON means: to adopt, to embrace, to accept or to own something for yourself to the point of publicly expressing your love for it and your desire to be identified and associated with it, especially as it stands in contrast to something which you have disdain or contempt for; something you have CAST OFF.

Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. PUT ON (cont'd): First time Paul uses this phrase. When you PUT something ON, you put something on in connection with that new identity in Christ you have been given. If you have a new identity, the things that you put on should match that new identity. Putting on the ARMOUR OF LIGHT is something that is going to match our new identity with regard to our sanctification. When we 'put something on', we put it on because it is true to our identity. MM says what we PUT ON is the polar opposite of what we CAST OFF. The PUT ON is conduct in line with: - our identity in Christ: very general, the rest of the list are the specific things - our understanding of the timing of this DOGG: God did not bring this in until Psalm 2 was true. That the world and the nation of Israel had cast God off. This is when God stopped the clock and brought in this DOGG. - our godly hatred for Satan's WORKS OF DARKNESS: MM reminds of the (GH: WORKS OF DARKNESS) verses where God said I hate this and abhor that. This was to show us how we should feel about it. - our disdain for what those WORKS OF DARKNESS are doing - we hate the WORKS OF DARKNESS because we know what Satan is doing with them. - our understanding of our Father's conflict with the adversary Because we are going to put on the ARMOUR OF LIGHT, all of this comes into play.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. This is the two parts of the package: 1. I have nothing to do with that 2. But I have everything to do with this For the believing remnant, their whole issue is that Jesus is the Christ so when they hear something about that: 1. Their CASTING OFF is 'Your embracing of the antichrist I have nothing to do with. He is not the True Christ.' 2. Their PUTting ON is 'But I'll tell you who the True Christ is - Jesus of Nazareth, that appeared before is the Christ and is our Messiah'. MM says this is a perfect example of one way the believing remnant will CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT. MM says don't think you have to weigh in on every sinful thing and you don't think if don't weigh in on every WORKS OF DARKNESS that you won't get the attention of the adversary.

Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. GH: From here down, didn't add to the PaulineOutline. You will. When you see the categories of the WORKS OF DARKNESS, that is the fight you are going to have to take on. You are going to have to say something. MM rattles off saying like 'don't poke the bear', 'don't rock the boat', 'don't make waves' - don't rile up that thing that could actually now make you sorry that you did that. When it comes to the WORKS OF DARKNESS there is going to be a tremendous pressure for you to keep silent. You don't have to go out of your way to stir this up, just Satan knowing what you are doing will be enough. But on the other hand, there's going to be a great amount of pressure to get us to back off of that. You can already think of 3-4 ways that when someone does this, they are just a trouble maker or you have to make an argument out of everything or you always think you are right - there's all of those brands that they put on you about that. But when you understand those WORKS OF DARKNESS are actually producing something Satan wants done in this world and it is going to now be your privilege to labor with your Father in casting those things off. It's going to require some courage to do that, it won't always be easy. You will get it wrong sometimes. MM says this is a privilege to engage with our heavenly Father on this. Will it cost us something, yep. But we are a long ways from Satan bringing out the big guns. MM jokes this may be the only reason to take comfort in the pace he moves us through the curriculum because not until you get over to Ephesians does he get to the place where he can bring out the really big guns and that may not happen in your lifetime.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CASTing OFF THE WORKS OF DARKNESS and PUTting ON THE ARMOUR OF LIGHT is the two-part package that is directly connected to our sanctification. All the things we learned about our new identity IN Christ are supposed to do something for us. They don't just inform us, they do, but those things are also now supposed to be able to accomplish something for us in how we live for God on a daily basis. Learned the sanctification basics in Romans 6-8, but we're going to get more details about how to take those things that we were told about and how to put them to work in our living for God every day and these things are really suppposed to produce something. Paul uses the phrase PUT ON - this is something we are going to do out of our sanctification so that our sanctification becomes real. Our sanctification is provided for in Christ's DBR and the things that He provided in that, when the Spirit baptized us into Jesus Christ and baptized us into His Death, we took on His identity. MM doesn't mean we're Him, he's talking about in these component parts of this new identity because we were placed IN Him. You were put IN Him and therefore your indentification is with Him. So when Paul uses the phrase PUT ON, this is something we're going to do out of our sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. And when we do that, it's going to be more than just thinking about it, now it's actually going to be taking those things we've been thinking about and doing something with them so that our sanctification becomes real. Even though we were given a perfect sanctification when we trusted Jesus Christ and even though we were given the Spirit and even though we got all of that Spirit that we were suppposed to get, we wouldn't know about any of that unless we were told about it and we were told about it as part of our new identity and became aware of it. But that was more than just a bunch of information that was supposed to be rattling around in our heads, that information was supposed to be able to be used by us to be able to live for God and to withstand the attack of the enemy and a dozen other things. We transfer that from that's some really neat knowledge to wow, this actually now becomes armour; wow, this actually becomes something I'm doing. This is something that will be observed by others, not just I'm thinking some things. I'm not just thinking some really neat stuff, but now that neat stuff is making a provision for me to live in a way that my heavenly Father is able to look at that and say that's My sons and daughters. That's what I wanted this to be. And not only are men going to see this but so is the adversary and his cohorts. When Satan sees that LIGHT (not a physical LIGHT but the LIGHT that comes from an overt act that we will do on the behalf of our heavenly Father in his contention with the adversary), then he knows that we have reached the place where he can now legally direct his POE against us. Not in a general way, that's been going on all along, but in a very personal and individual way. Not every member of the body of Christ is going get to this place in their spiritual life at the same time. This group may get there sort of at the same time but it's going to be an individual opposition that is made to extinguish that LIGHT of the Truth that you are standing for from those EVIL MEN-Proverbs 2:14 called the CHILDREN OF BELIAL-Deuteronomy 13:13.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT: This is part of our sanctification that we are going to live out of. In Romans 6-8 we were told we had a new identity and we were supposed to live out of that new identity. This new identity constituted a new way of thinking - being spiritually minded or minding the Spirit or thinking about who you have been made to be IN Christ - DEAD TO SIN, ALIVE UNTO GOD, and an adopted son/daughter of your heavenly Father. At first, this is just the way that you think about this but now this is going to get translated. As the doctrine begins to further itself and get translated into godly living. This will impact your conduct & behavior. This isn't just something that you think about. Now, it is going to be something that you do. It's going to be seen and heard so we are moving into another realm of our sanctification. We are making it manifest that when it comes to those WORKS OF DARKNESS, we don't have anything to do with those. We're not associated with them, we're not affliated with them, we don't want anything to do with them. MM says there will come a time when you are in a situation and you are going to have to make a difficult decision. You are going to have to make up your mind about what you're going to do with that because MM already knows what it is for him so when the time comes, he is not going to be thinking well, do I want to do CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT or not? I know this will not be well-received and there's going to be drama...or am I just going to let that go? He has already settled that issue.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT (cont'd): You don't have to do it with an angry attitude, doing it will be sufficient enough. As we are thinking about who we have been made to be IN Jesus Christ and we being now living in a way that manifests the CASTing OFF THE WORKS OF DARKNESS and PUTting ON THE ARMOUR OF LIGHT, where we are now really setting forth something that is happening in us - we are being conformed to the image of God's Son. This is something that we should rejoice in, we really are getting changed and that's what the doctrine is designed to do. Before, we were just thinking this is who I am IN Christ. But now, we are going to begin something more than this. We don't have anything to do with Satan's WORKS OF DARKNESS and we want to disassociate ourselves from them, not just because we understand that we are a new creature IN Christ, but that is a very general way of understanding it. Now, you are going to do it for very specific reasons. Not just because we have a new identity IN Christ but because we understand the contention between God and the adversary. Not only that, we understand what Satan has done and why he has done it. At the heart of this contention is Satan wanting to be like THE MOST HIGH-Genesis 14:20, Isaiah 14:14 - posssessor of heaven and earth. We understand why he is bringing these WORKS OF DARKNESS in and why he fanned the flames of fire on them. The ultimate goal is wanting to be like THE MOST HIGH but the more immediate goal of getting men to totally repudiate God via replacing God's 3 pillars with his counterfeit pillars. He is trying to produce THE WORLD OF THE UNGODLY-2 Peter 2:5. This describes a WORLD that has cast God off and embraced the adversary, they don't want God anymore. Paul writes about this in Romans 1. Peter said Israel did this during the extension of mercy. But in mercy, instead of pouring out His Wrath on THE WORLD OF THE UNGODLY where it reached this ultimate rejection and repudiation of God, God changes the status of the world whereby it can now be reconciled to God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT (cont'd): Instead of bringing in His Wrath and pouring it out without mixture, He is able to stop this whole program that He is going and say, now I AM going to change it. I AM going to allow Jew and Gentile to be reconciled to Me. Paul says that we carry THE WORD OF RECONCILIATION-2 Corinthians 5:19. **We also understand WHAT those WORKS OF DARKNESS do - they are going after 3 things:** **1. PRIDE OF LIFE attacks the word of God** **2. LUST OF THE EYES attacks those interpersonal relationships (marriage and family)** **3. LUST OF THE FLESH attacks the institutions of civil law & order (government)** Knowing what they do ought to make us hate them even more rather than just viewing them as sin in general. When we understand what they are truly trying to do in the world, we should dispise them the way our heavenly Father despises them. We understand God's genius in the timining of the DOGG. Now, CASTING/PUTTING is not just done because we understand we've been saved and given a new identity and now we're sons, but that's a very general way. Now, there's something very specific attached to it. We understand there is a real contention between God and the adversary where Satan is trying to be the possessor of heaven and earth and we understand what Satan has done to produce this WORLD OF THE UNGODY-2 Peter 2:5, that he has used his WORKS OF DARKNESS and they are not only going after the word of God, but going after the divine institutions of interpersonal relationships (GH: Marriage, Family). MM knows there's a work of darkness in this world that is intended to make people reject the light of the Truth even when you read it to them. The PRIDE OF LIFE category of the WORKS OF DARKNESS-Romans 13:12 means to tear down the word of God and replace it with Satan's alternative so you can read the verses to them and it won't make a bit of difference. Satan's works of darkness have developed a society and a culture that we don't want God in our thinking anymore.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT (cont'd): They are changing the definition of family, changing the definition of marriage, changing the definition of what is the natural and unnatural use of the body, and then they are going after these institutions of civil law and order so that these things get torn down. Lastly, we understand what the nature of this conflict is about. It's one thing to say I understand who I am and I don't do that anymore. MM says that's great but now we understand even more about it, that there really is a conflict and you know the nature of the conflict and you understand what's at stake and here is what my heavenly Father is doing and you understand what the adversary is doing, you understand the process that he's using to get this done in the world. And because of that and because of the genius of God's timing, that when the world had once again became THE WORLD OF THE UNGODLY and deserved to be judged just like it was back at the Flood, instead of judging it, God in His mercy allows for a DOGG that allows Jew and Gentile to be reconciled to God at the same time. Those who respond to that WORD OF RECONCILIATION-2 Corinthians 5:19 He is calling out to make ONE NEW MAN-Ephesians 2:15, the creature, the church, the body of Christ. When that is finished, the BLESSED HOPE-Titus 2:13 takes place and that ends this, there won't be anybody left here but lost people. When that happens, this great parenthesis of time in which God allowed the world to be reconciled to Him is going to end, and then we're going to go back and pick up the program of Israel right where it left off and that thing is going to move forward. God is going to pour out His Wrath without mixture and that's what's sitting out there waiting to have happen and all of that will be fulfilled. We get all this understanding from the word of God and it's no coincidence that part of what those WORKS OF DARKNESS are designed to do is to destroy the word of God.
Romans 13:12		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT (cont'd): They won't be completely successful in removing the word of God from the earth, but they will be successful in keeping people from believing and responding to the word of God and that's good enough. If people aren't going to respond to it, Satan doesn't really care if it's here or not. He's got what he was after. Because the word of God is so important, we V&E the word of God because really, that's what was given to us to allow us to be able to engage in this operation that God is doing now. This allows us to move from godly thinking to godly living to godly labor where we are actually then going to be able to labor with our Father against the adversary. We live by CASTing OFF THE WORKS OF DARKNESS and PUTting ON THE ARMOUR OF LIGHT but when we labor with Him, that's going to be found in v13-14. We V&E the word of God which the Spirit, who lives within you wants to lead you and in that word by conforming us to the image of God's Son as we respond to that doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12b		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. If Israel was not aware of what is at stake with them, then they begin to question their separateness, rationalize their behavior and start living like the other nations. In the same way, if we don't have a full appreciation of God's plan and purpose with us, we'll begin to question the importance of living out of the doctrine that we're learning and start rationalizing our conduct and behavior. MM says this is a big deal. The Sonship skill of godly judgment is going to be necessary to see and hear these kinds of things and see it for what it really is because the world has a way of rationalizing the things that it does. Giving you a reason why it needs to be this way. It's going to take this discernment that's going to come out of that skill of judgment, to be able to see through that facade and to see those things for what they are. MM asks do you understand the consequences if he manages to put our LIGHT out? If the entire body of Christ was functioning like it was supposed to, do you know what the LIGHT would look like? But instead you have a little spot of LIGHT over here and a little spot of LIGHT over there and a lot of DARKNESS in between.
Romans 13:12b		12 The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Satan doesn't look at that and go, I'm not worried about that little bit of LIGHT. No, he wants DARKNESS. That's why he has these WORKS OF DARKNESS that we are supposed to CAST OFF. MM says when we finally CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT, we are now for the first time, we are functioning in accordance with our plan and purpose as a church, the body of Christ. That's how big a deal this is. The 5 mandates are unique to Israel. The way He is going to do it with us is He is taking His word and that word is working in our inner man to conform us to the image of His Son. So the way things were getting together in the heavenly places is because that word has done its work in us. If we don't get that word to do it's work in us, there's no plan B. God doesn't say I really want you all to do this but if you don't, don't worry about it, let Me just snap My Fingers at the end. That's never the way that is, we've got to see there is really something hinging on this. Sonship is not a pretend thing where God acts like it's important but really it's not. It really is important, He has designed it just this way to work this way and it is people who understand these things that are going to get this done. GH: MM basically says who else do you see getting this done?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:12	Self-Test	Q: What is Paul referring to when he writes THE NIGHT IS FAR SPENT, THE DAY IS AT HAND-Romans 13:12? A: He is referring to the timing of when God brought in this DOGG. The NIGHT was FAR SPENT when this DOGG was brought in and when the DOGG is over, you will have the rest of the night and then the DAY with the DAY being the Day of the Lord. MM says these are the bookends that framed the time in which God brought in the DOGG. The things that lead up to the DOGG and the things that follow the DOGG. Q: What are we supposed to realize about the timing of when God brought in this DOGG? **A: Five things or main issues that we know are true:** **1. We realize the nation of Israel had reached a point of ungodliness that merited God's wrath** **2. We realize that the world at large had again become THE WORLD OF THE UNGODLY-2 Peter 2:5 and it also merited God's righteous judgment** **3. The ungodliness of the world has not diminished but continues to increase during this DOGG** **4. God is being LONGSUFFERING-Romans 9:22 during this DOGG but His Attitude toward the ungodliness of the world has not changed nor has His anger lessened** **5. Once this DOGG has ended, God will judge apostate Israel and the world at large**
Romans 13:12	Self-Test	Q: Why is it important for us to understand God's Attitude toward the ungodliness of the world and how He views the world at large? A: Because we have to have this exact same attitude generated in us and there's only one thing that will generate that in you - the word. Because if this doctrine is going to do its work in us, we must have that same attitude generated in us concerning the WORKS OF DARKNESS and the ungodliness of this world. Q: The phrase THE NIGHT IS FAR SPENT, THE DAY IS AT HAND-Romans 13:12 is intended to produce a particular kind of thinking in us. What does this thinking consist of? A: Bringing up into our thinking the fact that we GH: are supposed to have the same attitude as our Father. It's the disgust and the hatred and the abhorence and the objection and the offence of the ungodliness in this world. As sons of our heavenly Father, He does not expect us to be mindless drones. We're supposed to have an understanding of our Father's Business. I push this button and these things come out but I don't know anything about how it happened. Our Father is not glorified by that and Satan's not intimidated by that. Don't look at it has just show me the button to push and the lever to pull. Can't look at Sonship that way. This is not the issue of learning the motions to go through, this is really being able to intelligently understand this is what my Father is doing and understand what the adversary is doing because part of the display that we're putting forth is our intelligence with regard to what is happening. These are upfront because you are getting the Lord's Attitude toward those WORKS OF DARKNESS-Romans 13:12 and WHAT He is doing in this day of wrath. That's going to highlight the importance of these WORKS OF DARKNESS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:13-14	Labor	Doesn’t it seem a little strange to you for Paul to have to say to people this far into their Simple Son Education, don’t be doing these kinds of things? Does it surprise you that Paul has to say, do not make provision to fulfill the lusts of your flesh? These are the habits of sin that is in our flesh, the things which we should have already dealt with, making it “high time” to do so. By now, shouldn’t we be exhibiting righteousness? Labor - operation that God is trying to get accomplished. Doing the thinking and living qualifies you to begin laboring with your Father in a particular operation of His Business that is meant to impact Satan and his POE in this world. MM says it's a privilege to engage in that. MM says you have so many things that are not perfected yet and then you add this? You better believe that it's going to take more time and effort. **3 sets of 2; 3 pairs of things**. These are not WORKS OF DARKNESS-v12, they are the tools he will use to get you to quit CASTing OFF THE WORKS OF DARKNESS. They are the things that adversary will use against you to keep you from casting off that particular WORK OF DARKNESS. They are the things he is going to use against you to get you to back off, depending on which WORK OF DARKNESS you are impacting. He is starting off with these and saying these are the beginning things that are going to be used against you. Trying to make you think 'maybe I shouldn't do this (GH: CAST OFF THE WORKS OF DARKNESS)'. His WORKS OF DARKNESS fit into one of these 3 things (GH: ??). 1. NOT IN RIOTING AND DRUNKENNESS
Romans 13:13-14	Labor	2. NOT IN CHAMBERING AND WONTONNESS: If you CAST OFF THE WORKS OF DARKNESS here in category 2, these are the things Satan will start using now to get you to change your mind about being so enthusiastic about CASTing OFF those WORKS OF DARKNESS. There are tools he is going to used to get you to quit CASTing OFF THE WORKS OF DARKNESS. 3. NOT IN STRIFE AND ENVYING About to get into the mechanics of it or the nitty-gritty details of this. We are not only going to be able to identify the WORKS OF DARKNESS, we're going to know how those WORKS OF DARKNESS fit into a different category. Will be able to know what is a WORK OF DARKNESS and what is just a sinful thing. MM says this battle has way more calculation to it than we ever thought. This battle has precision to it. Why when you go into this battle, you have to have some knowledge. You have to know which WORKS OF DARKNESS you are impacting so you know what's about to come your way. It won't be which one do I want to do today, it's what's in front of me? MM says this is every bit as orchestrated as war strategies in history have been. Paul is instructing us on these 3 pairs because these are the WORKS OF DARKNESS that will begin to be used against you personally when you begin to CAST OFF those WORKS OF DARKNESS. They will be used to put out the LIGHT that you are supposed to be shining in this world. These are the things that will constitute that first strategy against us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:13-14	Labor	The 3 pairs of attacks that Satan will bring against you for CASTing off THE WORKS OF DARKNESS. This is where you can become MORE THAN CONQUERORS-Romans 8:37. He is not saying to the Romans you guys are doing this stuff, quit doing it, he is saying to the Romans when you cast off the WORKS OF DARKNESS, it is these 3 pairs that are going to be used against you to get you to back off from your casting off the works of darkness. The 3 pairs map to the 3 categories of the WORKS OF DARKNESS. 3 pairs of things that the adversary will use against us using EVIL MEN. Need to learn what is in each of these categories of DARKNESS but then we have to go back and let the Bible show us that each one of these categories are after something very particular. These same WORKS OF DARKNESS are still working in this DOGG. These same WORKS OF DARKNESS will be used against you in the battle against the adverary and those WORKS OF DARKNESS are going to try to produce try to get you to doubt the doctrine and eventually CAST it away-Isaiah 5:24. This is what your establishment was about - to absolutely persuade you beyond a shadow of a doubt that what your Father says to you is exactly what you can count on it to do what He said it would do. He hasn't overlooked anything or left anything out.
Romans 13:13-14	Labor	MM says someone is going to come through the church door for the purpose of carrying out the first phase of the attack of the POE and we have to be able to identify whose who. This is not going to be readily apparent. We need to be prepared for that and we need to know about that. Once we start CASTing OFF/PUTting ON, that is the response we are going to get from the adversary. Need to recognize it on both scales - as individuals and as an assembly.
Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. List of the things of the world. Look at the list - not religious things. The very first attack that you get as you are being instructed in godly judgment is that you're going to get attacked by the POE but it's going to utilize the things of this world. It's going to kind of disquise itself and act like it's the world coming against you. MM says this assembly is going to suffer this attack. When you successfully cast that off and rebuff that attack, that's when the POE is no longer going to disguise itself under the world. It's like, OK, the gloves are coming off and now we are going to war. If you succumb to that attack, POE is OK, done deal. But when you cast off those WORKS OF DARKNESS, you now become an issue and have to be dealt with. The POE is going to try and do something with you and that is to de-sanctify you. The goal of the POE is to get you away from your sanctified life. Get you to get away from the capstone of your sanctification - your Sonship. MM was wondering by the time you get here, why is Paul talking about these things? 3 pairs are connected to Satan's WORKS OF DARKNESS. These are not the only ones, they are just the first ones mentioned to us. You will learn why these are mentioned first. The WORKS OF DARKNESS are the things that not only keep Satan's NIGHT moving along, there's another element THE COURSE OF THIS WORLD-Ephesians 2:2. These are the things that make the course of this world run. For the COURSE OF THIS WORLD, the tracks have already been laid down by the adversary. These are the things that are driving THE COURSE OF THIS WORLD and at the same time driving Satan's NIGHT. As it gets darker and darker, these are the things that are contributing to that DARKNESS. There are a bunch of things going on in the world that if we get away with everyone of them, it wouldn't slow his NIGHT down, it wouldn't impact what he is doing, and it wouldn't affect the COTW one bit.

Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. **Please see 'People : Paul : Paul's WALK List' in the Commentary.** LET US WALK HONESTLY, AS IN THE DAY: You are going to have to understand what is happening out there in the DAY (of Wrath) because that's exactly how you're going to be looking at those WORKS OF DARKNESS. What you are going to be doing when you are casting them off, there's an analogy being made here. LET US WALK HONESTLY: The first component in our godly labor in this particular operation of God. How we are supposed to walk. The word “honest” follows the noun, which would usually indicate that it is an adverb, describing how we are providing. The “ly” suffix changes “honest” from an adjective to an adverb, meaning the modifying is on the verb and not the noun. We are to walk honestly, like children of light, not in those classes of sins which earmark the unsaved. Our honest conduct is in accordance with the doctrine working IN us. What we can do once we do v12. WALK HONESTLY AS IN THE DAY: When you're walking honestly, it means you are walking according to the Truth of who you are or how you are supposed to conduct yourself. Walking true to who you are as a son. Means walking true to who you are or true to the task you have been given or that you have taken upon yourself. So if you take on responsibility to WALK HONESTLY it means you are going to now properly walk true to who you are as a son, I'm going to take this thing on.
Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. OED: honestly 1. In a dignified or respectful manner; worthily, respectably; decently, fittingly. 2. In conformity with accepted standards of behaviour or morals; uprightly, virtuously; spec. chastely, purely. 3a. With honourable conduct; without lying, cheating, or stealing; fairly; truthfully; with integrity or honest intentions. Take definition 1: we should walk (conduct ourselves) worthily, in light of who we are; adopted sons and daughters. Also, fittingly, as conduct which is fitting for those who are sanctified in Christ Jesus and called to be saints. Take definition 2: we conduct ourselves according to our heavenly Father’s accepted standards of behavior or morals. Take definition 3a: our conduct without those behaviors which are unbecoming, but with truth and integrity. Any of those would work and there is a sense in which all three are true, as they are very closely related.

Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. NOT IN RIOTING AND DRUNKENESS, NOT IN CHAMBERING AND WANTONNESS, NOT IN STRIFE AND ENVYING: These 3 pairs of nouns are 2 classes of sins. MM doesn't think Paul is chiding the saints at Rome for this kind of behavior. Our conduct is supposed to stand out in bold relief against the background of the lost world. We walk honestly, like children of light, not in those classes of sins which earmark the unsaved. List 3 Pairs - each belongs in a separate category of the WORKS OF DARKNESS. These 3 pairs are the very first WORKS OF DARKNESS that will be used against you when you CAST OFF one of these categories. Find out one pair is going to fit under each of the following: 1. LUST OF THE FLESH (good for food) Government & Civil Order RIOTING AND DRUNKENESS 2. LUST OF THE EYES (pleasant to the eyes) Interpersonal Relationships-Marriage & Family CHAMBERING AND WONTONNESS 3. PRIDE OF LIFE (make one wise) - Prideful Thinking (Isaiah 2:10-22) The Authority of the word of God STRIFE AND ENVYING When you CAST OFF those WORKS OF DARKNESS, these are the things that are going to be employed to get you to back off. When we cast off the works of darkness in one of these categories, that means one of these pairs is going to be utlized against us and you will need a particular piece of armour to do that. MM says armor does different things: - a shield would be for someone who is getting spears shot at them - a buckler would be to hold off a sword strike and make your own strike
Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. RIOTING AND DRUNKENNESS: First pair of behaviors can be connected with the lusts of the flesh. (civil order)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. CHAMBERING AND WANTONNESS: Second pair of behaviors have immorality in view which would connote the lust of the eyes. (interpersonal relationships) CHAMBERING: OED: chambering: 1) sexual indulgence, lewdness, or aeffeminancy 2) unbridled appetite, unrestrained license OED: chambering 3. Sexual indulgence, lewdness, wanton behaviour. WANTONNESS: MM tying to WANTON EYES-Isaiah 3:16. There will be a zenith in WANTONNESS in the remaining portion of Satan's NIGHT that will make every deviant lifestyle acceptable so that there will be absolutely nothing that people will engage in that will be considered preverse. Nothing will be preverse anymore. MM says if you look around this country, these WORKS OF DARKNESS are producing this mind set in people today (GH: MM says this circa 2015). The line of what is improper gets pushed further and further away but the goal for Satan in the remaining portion of his NIGHT is for people to be able to do anything that occurs to them and it is all going to be acceptable. It will not only be acceptable but if you oppose it, you will come under attack. That is when they will begin to 'call evil good, and good evil'-Isaiah 5:20. MM says men are doing it but there is someone who is behind it all who has an agenda and an end to that agenda and he is using the psychology that he understands against men to get them to buy into this and to participate in this and to get on board with it because he is taking all of this and promoting it. MM says this cuts to the very moral fiber of individuals in this country and we ought to come to that realization that no matter who sits in the White House, you can't change the individual moral fiber of this country through legislation. People are going to do what they are going to do because they are bought into the DARKNESS. There's only one things that affects the WORKS OF DARKNESS and that is sons and daughters who know how to cast them off. What he is doing in the world is going to continue right along. OED: wantonness 2. Lustfulness, lasciviousness; sexual promiscuity
Romans 13:13	Godly Labor	13 Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. NOT IN STRIFE AND ENVYING: Since this is not meant to be a commentary on the saints, then the strife and envying is not referencing divisions within the church (which should not be happening), but the class, social and legal divisions within the lost community. STRIFE AND ENVYING: Third part of behavior is pride of life. (word of God)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 13:14	Christ IN You = PUT YE ON THE LORD JESUS CHRIST	14 But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof. MM talking about thinking like 'I am not keeping up with the class, you all need to go on without me'. MM says this is not a general statement, either. Not talking about just any old PROVISION FOR THE FLESH, he just got through naming them. 1 of 2 places where you really are beginning to take on a conformity to Christ. Other is Romans 15:1-2. BUT PUT YE ON THE LORD JESUS CHRIST: First time you realize you are starting to look like Jesus. MM doesn't mean to look like Him physically - you are thinking/living/laboring like Him. Angels would say you look the same. PUT YE ON THE LORD JESUS CHRIST: AKA CHRIST IN YOU. MM thinks of a guy putting on a coat. This is a description of the doctrine producing something IN you, something you now understand, whereby your practical living is now coming out of your postional understanding. Put on the Lord Jesus Christ and not be tempted to go in the other way. He wants to live his life IN us (the saving life of Christ) so that we are protected from the expected attack of the adversary. MM says that this is one more step in the process of you being conformed to the image of God's Son. Another aspect of our godly labor.
Romans 13:14	Christ IN You = PUT YE ON THE LORD JESUS CHRIST	14 But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof. AND MAKE NOT PROVISION FOR THE FLESH, TO FULFIL THE LUSTS THEREOF: Paul's final admonition is not to make provision for the flesh, to fulfill the lusts thereof. In other words, do not make plans for the lusts of your flesh. Do not do that which accommodates the flesh and the habits of sin that dwell in our members. We must replace those habits of sin with habits of righteousness and it can be and should be done. To choose a life apart from righteousness is to choose a life of weighty burdens, failures and disappointments. Satan's works of darkness produce a life which is trapped in endless problems that are never resolved. The "cost of discipleship" is small when compared to those who reject Jesus' invitation to have His life in us. The discipline of our mind is one of the greatest of challenges. Scripture often equates this as a discipline of the eyes. Do not confuse discipline with legalism. **Legalism says, "I will do such and such in order to gain God's approval." Discipline says, "I will do such and such because I love God and I want to glorify Him." A big part of the difference lies in our motivation**. Do not get slack in your response to the doctrine. Constantly evaluate where you are and where you want to be. Engage in those activities which conform you to the image of God's Son. Our conduct is supposed to stand out in bold relief against the background of the lost world. MAKE NOT PROVISION FOR THE FLESH: MM exhorts you to make no provision for the flesh in your thinking or in your behavior.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:1-15:7	Doctrine : FORM OF DOCTRINE : Godly Equity	Romans Education, Part 5 - Equity: Biggest section altogether. This Sonship skill is bigger than any others as far as how much time Paul has taken to get that established IN you. EQUITY: The quality of being equal or fair; fairness, impartiality; even-handed dealing. (The Latin æquitas was somewhat influenced in meaning by being adopted as the ordinary rendering of Greek ἐπιείκεια (see EPIKY n.), which meant reasonableness and moderation in the exercise of one's rights, and the disposition to avoid insisting on them too rigorously.) Moderation in the exercise of Christian liberty is exactly what Paul is teaching in this section of Romans, but he is doing this with a specific goal or purpose in mind. It is not only about what we are to do (and not do), but it is also about why we are doing it. Often the thing we do may be the same as those in the world, or in some religion, would do, with the main difference being "why" we are doing it. You can perform the greatest sacrificial acts, but unless they are done the right way/for the right reason, there is no profit to doing them. Motivation is important to God - EX 1 Corinthians 13:3. We not only do what our Father would do, but we do it for the same reasons He would do it. If we do it for any other reason, we are not being "like Him;" we are not being godly. As we put together a summary statement of the entire form of doctrine (Romans 14:1-15:7), it is not only about what we are to do (and not do), but it is also about why we are doing it.
Romans 14:1-15:7	Doctrine : FORM OF DOCTRINE : Godly Equity	Nutshell: Managing our liberty in Christ to the edification of our fellow members and the continued flourishing of God's work in the assembly. The pattern of edification in the doctrine of equity goes like this: - Godly Thinking – Romans 14:1-12 - Godly Living – Romans 14:13-23 - Godly Labor – Romans 15:1-7 Equity deals with other saints by being aware of the dictates of their conscience. When people honestly find themselves in a situation whereby they are a weaker brother, the godly equity of the stronger brother is not after the letter of what is right and what is wrong, but defends that which is done in good conscience by another brother or sister. This doctrine of equity is important when you realize what God is trying to achieve in all this; and along with that, realize that this is the reason Satan is so intent upon causing strife, division and contention among the members! Satan, by these things, is keeping us from who we are supposed to be AS AN ASSEMBLY.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:1-23		The corrective doctrine of Romans 14 can be applied to every weaker brother situation that may arise in the assembly, as the weaker brother may have any number of doctrinal deficiencies concerning what he believes and how he should live. The two illustrations are pointing at two different kinds of issues (eating meat and observing days) that could come up when there are edificational differences and we know this because the actions we take in response to each issue are different. Still Paul exhorts us to "receive him"…not just let him attend the assembly, but to fully love and embrace this brother. We are to value and esteem the brother right where they are in their edification. The idea is that our love toward our weaker brother, and patient trusting in the edification within the local assembly, will enable our weaker brother to grow in grace. Even when Christians are not intelligently living out of their liberty in Christ it is still the wrong attitude to dismiss them as unimportant or inferior in some way. We are to love them and trust in the edification process to mature them in grace living. This section of godly equity is important to the preserving of that weaker brother and to the continued edification of the assembly as a whole. Paul is writing in connection with this DoGG and the proper doctrinal understanding – the issue of liberty. We have liberty, but what we are not free to do is impose our liberty on another brother who, by his own conscience, is reluctant to do something he feels is morally or spiritually wrong. The stronger within an assembly must trust the edificational process to do what it was designed to do. Confidence in the edification process is their focus. They will also need patience and love while they wait for the weaker brethren to catch up.
Romans 14:1-12		Godly Thinking
Romans 14:1		1 Him that is weak in the faith receive ye, but not to doubtful disputations. **The 'stronger brother' is strong in the sense that he has an understanding of the DoGG and how it impacts his conduct.** **The 'weaker brother' is weak in the sense that he does not yet possess a sufficient understanding of how living in the DoGG affects his conduct**. HIM THAT IS WEAK IN THE FAITH: This is not faith in the sense of believing, but rather the faith as it pertains to the mystery of Christ; the instruction which pertains specifically to us as members of the body of Christ. WEAK IN THE FAITH: Means his edification in some doctrinal area is lacking. Is not: - related to believing and not being sure about their trust in Jesus as Savior - being used to describe a brother who is sinful or rebellious or any such thing and this is an important distinction - how Paul describes a disobedient Christian - believer who is rebellious or disorderly - a believer who has been beguiled by false doctrine - talking about a brother who is living in sin - being used by Paul as a rebuke or reproach to a weaker brother

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:1		1 Him that is weak in the faith receive ye, but not to doubtful disputations. The way the assembly is to respond to these kinds of things is different from how it responds to a weaker brother, and that is why we need to make the distinction. They are not “weak in faith” (believing), but they are weak in “the faith.” Weak in the faith means there is some issue of doctrine they have not yet learned, or is not yet working in them. EX A person may be JUEL, but they are not aware of Paul’s teaching regarding Sanctification in Romans 6-8. They are still JUEL but, not knowing about sanctification, they may still think the way to live for God is by keeping the law. WEAK: As you read through the passage, you might get the idea that a weaker brother is one who doesn’t eat meat or observes certain days above others, but that would miss the point. The point is that his edification in some doctrinal area is lacking. In every assembly that is working its way through the doctrine, it is possible for someone to come into that assembly whose edification is not on par with the rest of the assembly. Paul is addressing this because this is a possible problem for the one who is weak in the faith and a possible problem for the assembly itself. Specifically, how the assembly handles this issue will determine how much of a problem this will be. All that instruction in godly love and charity needs to be carefully followed in this situation. EX Some new person comes into the assembly and you hear them talk about “praying for rain” or “keeping the law” or etc. What can you do to get them to change what they believe? How do you get them to believe Paul’s doctrine? Or, to say it another way, how do you get them edified? Answer is: you don’t. Edification is under God’s purview. And there is a process for godly edification. They need to go through the process so that the Spirit of God within them, and the word of God effectually works to change their thinking or practice; not you. When we hear something we know is not right, and we automatically jump to correct it, we are being a tutor or governor. We are not handling our weaker brother with godly love and charity. What will happen in our hearts is that we will devalue them. Instead of value and esteem, we will begin to look down on our weaker brother.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:1		1 Him that is weak in the faith receive ye, but not to doubtful disputations. IN THE FAITH: Are justified brothers and sisters IN Christ. These things, all these doctrines, all these exhortations, everything we encounter…it is all being written to a body of believers who have a level of understanding as to the purpose of a church (the education/edification of its members), and have committed themselves to that. That is encapsulated by the phrase "in the faith." That phrase is not just talking about being saved from the debt and penalty of sin. It is referring to the whole of Pauline doctrine; the mystery of Christ. If a church does not understand about the education, if they are not being edified unto godliness, if they do not understand what this is all about, Paul does not have that kind of a church in mind as he writes this. You have a church which is involved in the progressive education of sons and daugthers, with the intent of edifying its members unto godliness. That means this church has moved, or is moving, through the doctrine, in order, from Romans to Philemon. - The people understand they are involved in a progressive education. - It is led by a Pastor who is a son himself. - This church has deacons who are committed to the edification of the assembly. - It consists of saints who understand about the Sonship education (no matter how they refer to it) and they are involved in the edificational process in their individual lives with a desire for the entire assembly to be edified as a body. - What we have is a group of people who want to become fully educated sons and daughters. We are not afraid to die, but we would like to get a little further along in our education. We are ready for the Blessed Hope, but we don't mind sticking around to further our edification. - It means when someone new comes into the assembly, it is for the purpose of being educated and edified. THE FAITH: We usually think of faith as connected with salvation; we are saved by grace through faith. But in verses like Romans 14:1 and 1 Corinthians 16:13, he uses it to describe the whole of the doctrine of the mystery of Christ.
Romans 14:1		1 Him that is weak in the faith receive ye, but not to doubtful disputations. These saints, new to the assembly, can very well be (depending on their background) weaker brothers. They probably do not realize they are weaker brothers because you cannot know what you do not know. But, as they 1) go back to pick up the doctrine they missed, and 2) continue with the assembly in the present doctrine, they will encounter those doctrines which they did not understand and the process of edification begins to bring them up to speed. MM says the AEP Program is for the purpose of solving this 'weaker brother' issue. Point: If this is the kind of church, the kind of saints, then the answer to the problem is, even when we understand that God is not troubled over where we are in our edification that does not make us want to quit. It just shows His patience and love toward us. THE FAITH: Describes the whole of the doctrine of the mystery of Christ. The faith concerns his edification in the doctrines of Paul. RECEIVE YE: Allow him into the assembly and include him in its fellowship, so that he can be edified as a son, just like everyone else. To receive the believer who is weak in the faith, but we are not to work on getting him to change what he believes. The Spirit of God within him, and the word of God effectually works to change his thinking or practice; not you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:1		1 Him that is weak in the faith receive ye, but not to doubtful disputations. BUT NOT TO DOUBTFUL DISPUTATIONS: Is a warning to the assembly about the importance of how we receive a weaker brother. If "doubtful disputations" arise, then it is on us. This is such a big deal to God that we will answer for it at the JSoC! Properly receiving a weaker brother is a big deal to God. DOUBTFUL DISPUTATIONS: Subject Paul said almost nothing about but leaves you with a lot of questions. These are smaller matters, not the weightier matters. Can argue about till the cow's come home and it doesn't impact the mystery. EX fasting Paul is not telling us not to dispute with anyone. He is telling us that we are never to dispute with a weaker brother – no exceptions - Because it will either destroy the weaker brother or wind up destroying the assembly. DOUBTFUL: The "doubtful" is not about things. These are disputations that arise between one who is strong in the faith and one who is weak in the faith, and the weaker brother is made to doubt because of the dispute with the stronger brother. The issue is that the stronger brother is the one making him doubt, not God. It is the job of God's word and the Spirit of God to create that doubt, not a stronger brother. The stronger members of the assembly never want to be in an adversarial position with a weaker brother. Not only do we run the risk of destroying our weaker brother, but we also put the entire assembly at risk. Strife and disputing will stunt the spiritual growth of the entire assembly. Disputation is not how the edification process works. An educated son realizes that different kinds of saints are dealt with differently, and all with godly love, charity and patience.
Romans 14:2-5		Both (v2-MEATS & v5-DAYS) have in common is that they are both doing what they do as "unto the Lord." The weaker brother's view is honestly held by him as being honoring unto Christ. As he grows in grace, he will learn to see the days differently, in accordance with the DoGG in which he lives. Two issues: 1. the stronger in the assembly is to look at the weaker the same way God looks at them. 2. recognize the power of grace in the edificational process. (GH: in upcoming verses) Paul shows the common ground between the stronger and weaker brother. They both honestly believe what they believe and do what they do. Both of them are acting as unto the Lord.
Romans 14:2		2 For one believeth that he may eat all things: another, who is weak, eateth herbs. FOR ONE BELIEVETH THAT HE MAY EAT ALL THINGS: ANOTHER, WHO IS WEAK, EATETH HERBS: EX Eating meat. Example of how this doctrine works. We have two people - one is the "stronger" brother and the other is the "weaker" brother. The stronger brother believes he can eat all things. In this example, the issue is eating meat. The weaker brother, for whatever reason, will not eat meat, but only vegetables. There is nothing wrong with eating vegetables, he is not committing sin. The context has only to do with his belief that eating meat would be, in some sense, morally or spiritually wrong. Not talking about not eating meat due to health reasons or allergic conditions. When we are dealing with an issue of equity, we are not talking about things which are wrong or sinful. If it were an issue of right or wrong, this would be a decision that would likely fall under justice, and it would be dealt with in a different way. The issue is that the weaker brother is not yet edified to the place where he understands Paul's doctrine for the body of Christ living in this DoGG. He may have some hang-ons from his old Gentile religion, or, if he is a Jew, he may have retained parts of living under the Law as part of God's program with Israel. It could be that the weaker brother has any number of doctrinal deficiencies concerning what he believes and how he should live.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:3		3 Let not him that eateth despise him that eateth not; and let not him which eateth not judge him that eateth: for God hath received him. If God has received every one of us, no matter where we are in our edification, then we should do the same for all of our brothers and sisters; and do so gladly and with love (SKTMB). LET NOT HIM THAT EATETH DESPISE HIM THAT EATETH NOT; AND LET NOT HIM WHICH EATETH JUDGE HIM THAT EATETH: Wrong thinking can be had by both parties. The stronger brother, if he does not think properly, will despise his weaker brother. The weaker brother, if he does not think properly, will judge his stronger brother. DESPISE...JUDGE: Thinking portion of the doctrine. Both these words are describing pride. Shows that wrong thinking can be had by both parties. **- The stronger brother, if he does not think properly, will DESPISE(look down upon; to view with contempt; to think scornfully or slightingly of) his weaker brother**. **- The weaker brother, if he does not think properly, will JUDGE(should not criticize, view unfavorably, or condemn) his stronger brother**. DESPISE: OED: Despise 1. To look down upon; to view with contempt; to think scornfully or slightingly of [Slightingly means to disrespect, disregard and ignore, the very opposite of value and esteem!]
Romans 14:3		3 Let not him that eateth despise him that eateth not; and let not him which eateth not judge him that eateth: for God hath received him. JUDGE: When Paul says the weaker brother should not judge, it means he should not criticize, view unfavorably, or condemn the other brother. There is something that the stronger brother is doing (in this case, eating meat) which the weaker brother finds offensive. The weaker brother perhaps does not realize that in this DoGG, you are free from the dietary restrictions of the Law and you are free to eat whatever. OED: Judge 3. transitive. To pronounce an opinion about; to pass judgment upon; to criticize; esp. to express, or indicate that one holds, an unfavourable view of; to condemn, censure. Also (esp. in later use) intransitive. Churches today label lots of behaviors as sinful where the Bible did not. It's an honest attempt to live for God, but it was at the preaching of men rather than the study of God’s word. End up doing exactly what Paul says not to do; being a T&G. Irony is this is two groups of weaker brothers. We were oblivious to what real edification was. We thought when someone stopped doing one of those supposedly sinful things that was spiritual growth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:3		3 Let not him that eateth despise him that eateth not; and let not him which eateth not judge him that eateth: for God hath received him. FOR GOD HATH RECEIVED HIM: No matter where he is in the edification process, God is not displeased or troubled by him; he is approved. We were all, at one time, weaker brothers and sisters, as we did not yet have very much of the doctrine working in us. When we were, God was not upset or impatient with us. We were all, at one time, weaker brothers and sisters, as we did not yet have very much of the doctrine working in us. When we were, God was not upset or impatient with us, and neither should we be with our brother. If God has received every one of us, no matter where we are in our edification, then we should do the same for all of our brothers and sisters; and do so gladly and with love. HIM: Referring to either brother. Depending on which side of the issue you are on, it refers to the one on the other side. - If you are the stronger brother, you will read it, "God hath received your weaker brother." - If you are the weaker brother, then you will read it, "God hath received your stronger brother." PROBLEM: once a person realizes the truth of this, then what happens if they just decide to stop where they are and not go any further. "No more work, no more provoking the Adversary, no more problems. I am going to quit right here because Romans 14 says wherever I am in my edification, God approves of me and is not upset." MM says this is not acceptable because all of this is written in a context.
Romans 14:4		4 Who art thou that judgest another man's servant? to his own master he standeth or falleth. Yea, he shall be holden up: for God is able to make him stand. Sentence 1 of v4: What right do you have to judge the servant of another? It is to his own master (in this case, God) as to whether he is approved or disapproved. Sentence 2 of v4: With an emphatic Yes!, this brother is approved by God, for God Himself is able to approve him and to keep him in this state of approval "in Christ." WHO ART THOU THAT JUDGEST ANOTHER MAN'S SERVANT: Who gave you this right to sit in judgment on others? It is not ours to sit in judgment on the servant of another man. Even more so, it is not ours to sit in judgment on the servant of God. He has the control over him; and if he chooses to forbid his doing anything, or to allow him to do anything, it pertains to his affairs, not ours. Why are you worried about another man's servant? Isn't it up to that guy? We stand or fall to our Father, that's who we have to be concerned about. MM says this gets violated every day. WHO: When you look back and see that WHO, there is no pronoun that will tell you who that is. WHO is not identified. GH: Example of why Romans 8:33 is a general reference to WHO. The "who" in the question has no pronoun to connect it to anyone. The Bible is full of that kind of expression. In this case, the "who" refers to whomever is judging another man's servant. Therefore, it has specificity to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:4		4 Who art thou that judgest another man's servant? to his own master he standeth or falleth. Yea, he shall be holden up: for God is able to make him stand. YEA, HE SHALL BE HOLDEN UP: FOR GOD IS ABLE TO MAKE HIM STAND: YEA: This is one of those words like “Verily” or “Nay” that is meant to bring greater emphasis to what is about to be said. HE SHALL BE HOLDEN UP: Is way of saying that God will hold him up or approve him. FOR GOD IS ABLE TO MAKE HIM STAND: Is talking about stand in the sense of (OED 22b definition) to remain in a state of approval before God.
Romans 14:5		5 One man esteemeth one day above another: another esteemeth every day alike. Let every man be fully persuaded in his own mind. Deals with the observance of days or certain days. The weaker brother is observing days because he has not yet been edified to the place where he understands that for the body of Christ, every day is as spiritually important as any other day. In this dispensation of grace, God isn’t interested in us observing certain days, but He does want us to assemble ourselves as a body. There are some who think it can only be on Sunday, and it must be at 10 a.m. if there is a Sunday School, and 11 a.m. for preaching. Sometimes the traditions of men get mistaken for scripture. ONE MAN ESTEEMETH ONE DAY ABOVE ANOTHER: ANOTHER ESTEEMETH EVERY DAY ALIKE: EX Observing days. Example of how this doctrine works. We have two people - one is the “stronger” brother and the other is the “weaker” brother. The issue is that the weaker brother is not yet edified to the place where he understands Paul’s doctrine for the body of Christ living in this DoGG. He may have some hang-ons from his old Gentile religion, or, if he is a Jew, he may have retained parts of living under the Law as part of God’s program with Israel. The 'stronger brother' is strong in the sense that he has an understanding of the DoGG and how it impacts his conduct. The 'weaker brother' is weak in the sense that he does not yet possess a sufficient understanding of how living in the DoGG affects his conduct. It could be that the weaker brother has any number of doctrinal deficiencies concerning what he believes and how he should live. LET EVERY MAN BE FULLY PERSUADED IN HIS OWN MIND: GH: MM doesn't want to tell anyone how to think about violence examples in governmental justice. This is not about Paul having no opinion about what the right thing is to believe. This is not saying that a person can believe anything he wants to believe, as though it doesn’t matter to God. It does matter. What Paul is saying is for a man to be persuaded in his own mind through the edification process, not by the imposition of the stronger brother. When we allow our brother to “be fully persuaded in his own mind” we are allowing the edification process (God’s word / Holy Spirit) to work….and this is the power of God’s grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:5		5 One man esteemeth one day above another: another esteemeth every day alike. Let every man be fully persuaded in his own mind. LET EVERY MAN BE FULLY PERSUADED IN HIS OWN MIND: We don't take over their faith, we allow them to operate (and we also operate) by grace through faith, by allowing the working of God's word and the Spirit within them to convince/persuade them of the truth. We manifest godly equity when we carefully handle our responses to weaker brothers ensuring we do not injure them or their edification by violating their conscience, and by trusting the edification process, the power of God's word to persuade us of the truth of any doctrine. To superimpose our knowledge on a weaker brother is to create a law and thereby put their spiritual life to death, the very opposite of what we should want for them. Look, the lack of doctrinal understanding will get fixed by edification. Why it is important for you to see this in the scriptures for yourself. Don't just trust in MM, determine it for yourself.
Romans 14:6		6 He that regardeth the day, regardeth it unto the Lord; and he that regardeth not the day, to the Lord he doth not regard it. He that eateth, eateth to the Lord, for he giveth God thanks; and he that eateth not, to the Lord he eateth not, and giveth God thanks. Paul is going to take this issue of their service to God (their heart attitude/honesty of heart and desire for edification) and present that as sufficient as far as the stronger brother is concerned.
Romans 14:7-8		v7 is not referring to the fact that we have some measure of influence on those around us, but along with v8, indicates that our whole existence, our life and death, is an issue between us and our Lord. And since this is all in the context of our edification, Paul is describing brethren with honesty of heart; which is the prerequisite for edification (as opposed to the rejection of the doctrine). Therefore, the stronger brethren of an assembly are to leave these other issues (illustrated by meat and days), which are the product of a lack of edification, to your fellow brother's honesty of heart (here described as "living and dying unto the Lord") and the process which the Lord has devised within the local assembly to produce the edification of the weaker brother. The idea is that our love toward our weaker brother, and patient trusting in the edification within the local assembly, will enable our weaker brother to grow in grace. Paul is restraining the stronger brother from imposing his own knowledge and maturity on the weaker.
Romans 14:7		7 For none of us liveth to himself, and no man dieth to himself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:8		8 For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's. WHETHER WE LIVE THEREFORE, OR DIE, WE ARE THE LORD'S: Indicates that these contextual issues of meats and days (which are representative), will be resolved between the saint and his Lord. The Lord will do this through the educational ministry of the local assembly to bring saints to an understanding of the doctrine (renewing their thinking about a particular issue) and then through their personal response to that doctrine in their time with the Lord which results in the effectual working of the word (a convincement of the truth of this new doctrine they are learning) to produce a change in their behavior. The stronger within an assembly must trust the edificational process to do what it was designed to do. Confidence in the edification process is their focus. They will also need patience and love while they wait for the weaker brethren to catch up.
Romans 14:9		9 For to this end Christ both died, and rose, and revived, that he might be Lord both of the dead and living. Verse ???: This third level of friendship (fellowship) carries with it the responsibility to picture true achievement for one another, exhorting and edifying one another. True fellowship requires that both persons share the same life goals.
Romans 14:10-12	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	v10-12: Bema Seat: After the Blessed Hope has taken place. When all the fruit unto death is going to be burned up for Israel like the Book of James says in preparation for entrance into the Kingdom. There's going to be a judgment in which that fruit unto death is going to be burned up. God is going to purge all of that out. When it comes time for our reward in connection with our sanctification, He is going to destroy every bit of fruit (unto death) so that it will not be around, it wil not endure, there is going to be an end to it. Verse we have seen that says that fruit unto holiness will have everlasting life applied to it (Romans 6:22).
Romans 14:10	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	10 But why dost thou judge thy brother? or why dost thou set at nought thy brother? for we shall all stand before the judgment seat of Christ. JUSTIFICATION #6: Justification at the Judgment Seat of Christ. At the judgment seat of Christ, it says all our works are going to be tried by fire. Everything the flesh produces gets burned up and what is left is holy. Paul says 'it remains'. God is getting rid of everything that is unacceptable to Him. Shows the JSoC is NOT a corporate judgment. BUT WHY DOST THOU JUDGE THY BROTHER? OR WHY DOST THOU SET A NOUGHT THY BROTHER: The “judging” is what the weaker brother does, and the “set at nought” is what the stronger brother does. This is picking up on what was first set forth back in v3. JUDGE THY BROTHER: Saved members of the body of Christ. FOR WE SHALL ALL STAND BEFORE THE JUDGMENT SEAT OF CHRIST: Paul then says that both brothers will stand before the judgment seat of Christ (JSoC) and give account of their actions. Points to how important this issue is for both brothers the stronger and the weaker. It will be our edification (or lack of edification) which will be the focus at the JSoC, which will determine our joint-heir inheritance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:11-12	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	11 For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God. 12 So then every one of us shall give account of himself to God. The following is from Isaiah 45:23-25. Realize that Isaiah is not talking about the JSoC, since that was not known until the mystery was revealed to Paul. It's about Israel. Paul references it because Isaiah is talking about Israel's accountability to God and Paul is showing that to be a parallel issue for us and the JSoC. This is the first mention of the JSoC. Just as there will be a judgment for those in the prophetic program, there will be also for us in the mystery program. And now we know that a part of that judgment will pertain to how we handled the edification of a weaker brother. v11: EVERY KNEE...EVERY TONGUE: Reference in Isaiah 45:23 - pointing to each individual in the body of Christ. v12: EVERYONE OF US SHALL GIVE ACCOUNT OF HIMSELF: GH: JSoC. It is not, "we" (corportately) will give an account of "ourselves" (corporately). v12: US: Saved members of the body of Christ. Everyone of us shall give account of himself to God.
Romans 14:13-23		Godly Living section Part 1: Has to do with the proper conduct toward a weaker brother and his individual edification. (Romans 14:13-18) Part 2: Has to do with the proper conduct as it affects the edification of the assembly as a whole. (Romans 14:29-23) In both of these two parts, Paul describes behavior that is contrary to godly equity, followed by behavior that is in accordance with godly equity. EX Paul says to no longer judge one another in v13. Then he describes the spiritual danger of that ungodly living: lest we put a stumblingblock in our brother's way, which is to say that we have created an obstacle to their edification. We manifest godly equity when we carefully handle our responses to weaker brothers, ensuring we do not injure them or their edification by violating their conscience, and by trusting the edification process, the power of God's word to persuade us of the truth of any doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:13-23		Some behaviors, though not wrong in and of themselves, will prevent us from being conformed to the image of God's Son. • We should always be thinking about the wise exercise of our liberty, and not just doing things because we can, such as feeding fleshly desires and ignorantly reveling in them. • When we put a stumblingblock in our brother's way, we have created an obstacle to their edification. • When we abuse our liberty; when our liberty is harmful to the weaker brothers in our assembly; we are allowing our good to be evil spoken of. There is a law that supersedes our liberty and that is the law of love. Our decisions should be made with the body in mind. Grieving our weaker brother is not beneficial to him individually and not to the body as a whole. To superimpose our knowledge on a weaker brother is to create a law and thereby put their spiritual life to death, the very opposite of what we should want for them. If we don't handle the situation properly, our brother will be grieved and if he is grieved, it will demonstrate that we have not behaved charitably. The desire to sacrifice (by limiting) our liberty for the spiritual good of another is the feature of love that fits with godly equity. Equity deals with other saints by being aware of the dictates of their conscience. When people honestly find themselves in a situation whereby they are a weaker brother, the godly equity of the stronger brother is not after the letter of what is right and what is wrong, but defends that which is done in good conscience by another brother or sister. We should be satisfied with cherishing our liberty, and acting on it in private, where God is the witness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:13	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	13 Let us not therefore judge one another any more: but judge this rather, that no man put a stumblingblock or an occasion to fall in his brother's way. Where you are first told you that you have a reputation. Find out in GODLY EQUITY. Ways this will happen. What you are doing is not sinful but its going to be a STUMBLINGBLOCK to a brother and he says let's not do that. That's equity, that's preferring the other person, that's being able to see them in the light that your Father wants you to see. LET US NOT THEREFORE JUDGE ONE ANOTHER ANY MORE: **Summation statement for the first 12 verses**. Here is a brother who is being criticized for exercising his liberty in Christ by a brother who does not fully understand the doctrine in this area. Natural response because the stronger brother knows he isn't doing anything wrong, his immediate response is to defend his actions pointing out what a weaker brother doesn't know. Instead of letting the natural process of edification take place, he jumps ahead and wants to start an argument. Wrong on both parts: 1. The weaker brother (who, by the way, probably does not know he is the weaker brother) is being critical of another's liberty in Christ. 2. The stronger brother now resents the weaker brother and tends to dismiss him because he doesn't know what he is talking about. Paul is talking to both of them, correcting both of them. For the weaker brother, (and you won't identify yourself that way - may consider himself more spiritual for abstaining from meat and living out of his flesh) when you look around and see people behaving in a way you think is wrong, you need to stop and consider that situation. - Is this something that is plainly identified in the Bible as sin? EX is it as obvious as stealing or adultery? If so, there is a way to deal with that, but that is not the situation Paul is dealing with here in Romans 14. - Is the problem with something that is not plainly identified in scripture, like eating meat? If it is about one of your preferences (which is often called convictions) which they appear not to have in common with you, then stop thinking about your brother in a critical, judgmental way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:13	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	13 Let us not therefore judge one another any more: but judge this rather, that no man put a stumblingblock or an occasion to fall in his brother's way. Even when Christians are not intelligently living out of their liberty in Christ it is still the wrong attitude to dismiss them as unimportant or inferior in some way. We are to love them and trust in the edification process to mature them in grace living. This is the kind of thing that takes place in most churches, where you have a mix of worldly and committed Christians, none of which understand the basic issues of RDW, living out of grace, or how to engage with the doctrine to be edified. These are churches which largely preach some version of a law in order to be spiritual. - When it comes to examples of edificational differences such as eating meat illustrates, the problem is usually with the weaker brother. He is offended by what he doesn't know; his brother's liberty in Christ; in his mind he isn't "separated enough." - When it comes to the observing of days, the problem is more likely with the stronger brother who is offended by the setting forth of the things in Israel's program being put on members of the body of Christ. US: Covers both types of brothers. Same US as in v12. THEREFORE: In view of everything I just told you (v1-12) stop judging each other, but instead, start thinking about the actions that are a result of your wrong thinking. And this gets us started in the godly living section of the doctrine. JUDGE: For everyone involved, the stronger brother and weaker brother. The judge is no longer confined to the weaker brother who is judging the liberty of the stronger brother. Both are making a wrong judgment about the other. Paul is saying for both the stronger and the weaker to stop thinking about each other in a critical and unfavorable way so that they do not put a stumblingblock in each other's way. There are plenty of things we are supposed to judge. In fact, in this very verse following the colon, Paul says "judge this rather." Paul is using the word judge the second time in the sense of carefully considering our thoughts and actions toward our fellow saints so that we do not hinder their edification, we do not discourage them, and we do not allow any kind of adversarial relationship to develop within the assembly. OED: judge - 3. transitive. To pronounce an opinion about; to pass judgement upon; to criticize; esp. to express, or indicate that one holds, an unfavourable view of; to condemn, censure.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:13	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	13 Let us not therefore judge one another any more: but judge this rather, that no man put a stumblingblock or an occasion to fall in his brother's way. BUT JUDGE THIS RATHER, THAT NO MAN PUT A STUMBLINGBLOCK OR AN OCCASION TO FALL IN HIS BROTHER'S WAY: Our improper thinking about our brother will be that we put a stumblingblock in his way; an opportunity for him to fall. This is hardly what we should want for a fellow saint whom we value and esteem, who we selflessly love as a brother or sister in Christ, who we honor and whose edification we care about as much as our own. JUDGE THIS RATHER: In the first part of the verse to judge meant to criticize. But when Paul says, "…judge this rather," he is using the word "judge" in a different meaning. JUDGE: We are to think about this stumblingblock issue in a very judgmental way, in a discerning way. It means we are being careful not to handle this situation in a way which would hinder the edification of our brother or affect the atmosphere of the assembly at large and thereby affect its edification. That means instead of rushing to defend ourselves to the weaker brother by overwhelming him with doctrine he does not yet possess, we understand what is going on. He has a genuinely held belief that he thinks is "unto the Lord." We should admire that about him, knowing that one day he too will understand his liberty in Christ, and he will hold to that just as tenaciously. When you rush to defend yourself, to the brother who doesn't know or understand the doctrine it only looks like you are trying to justify some kind of wrong action. He does not yet have a basis for understanding your liberty or how it glorifies God. OED: judge - To form an opinion or conclusion about (a person or thing), esp. following careful consideration or deliberation; to assess, evaluate, or appraise. STUMBLINGBLOCK: Not physical but the obstacle is to our brother's edification. Our wrong critical thinking will produce an attitude and behavior which will prove detrimental to the edification of our brother. This can happen with either the weaker or stronger toward the other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:14		14 I know, and am persuaded by the Lord Jesus, that there is nothing unclean of itself: but to him that esteemeth any thing to be unclean, to him it is unclean. Dual Edification I KNOW, AND AM PERSUADED BY THE LORD JESUS, THAT THERE IS NOTHING UNCLEAN OF ITSELF: The first half of the verse is written to everyone; stronger and weaker brothers are to cease from judging one another. PERSUADED BY THE LORD JESUS: He was personally taught by the Lord Jesus Himself! Persuaded there is nothing unclean of itself. GH: Compare to Leviticus 11:8 & 11:10. But now Paul is coming along and saying that nothing is unclean and now, in this DoGG, we can eat those things which were forbidden in Israel's program. Paul says that nothing – which would include meat offered to idols – is unclean in and of itself. And he says this on the authority of the Lord Jesus. PERSUADED: Because, as a Jew, Paul did not already have this opinion. Because he grew up knowing about Leviticus 11, he needed to be persuaded, just like every brother who is "weaker" in this area of diet. This is one of the dispensational differences between prophecy and mystery. BUT TO HIM THAT ESTEEMETH ANY THING TO BE UNCLEAN, TO HIM IT IS UNCLEAN: The second part of the verse, Paul is mainly speaking to the stronger brethren in the assembly. Paul is describing saints who are unaware of what Paul was taught by the Lord Jesus. They may still be hanging on to certain parts of the law as it concerns what can and cannot be eaten. Their conscience would be violated if they were to eat a certain meat and so he is quick to say, "but to him that esteemeth anything to be unclean, to him it is unclean." Paul knows that edification comes by persuasion and not by argument. - When the doctrine of liberty says nothing is unclean, that is doctrine aimed at the weaker brother. - When the doctrine of equity says "to him that esteemeth anything to be unclean, to him it is unclean," that is doctrine aimed at the stronger brother to regard his brother's conscience.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:15		15 But if thy brother be grieved with thy meat, now walkest thou not charitably. Destroy not him with thy meat, for whom Christ died. Paul showing EQUITY by saying if a brother is offended by eating meat, he won't eat meat. He had the liberty to do it but EQUITY says I am not going to make a weaker brother stumble over my liberty. I am able to check my own rights in favor of edifying a weaker brother. If we don't handle the situation properly, our brother will be grieved and if he is grieved, it will demonstrate that we have not behaved charitably. Our decisions should be made with the body in mind. Grieving our weaker brother is not beneficial to him individually and not to the body as a whole. We participate in this matter by loving the weaker brother and including him in our sphere of fellowship and cooperate by trusting the edification process to do its work. NOW WALKEST THOU NOT CHARITABLY: Continues talking about godly love. You don't V&E them like I DO and you are supposed to. If it is Christ IN you, you should be doing it the way that God does it. WALKEST NOT CHARITABLY: If you offended a weaker brother. CHARITABLY (Charity): Recall the 5 features of godly love and the 4 body attributes. DESTROY NOT HIM WITH THY MEAT, FOR WHOM CHRIST DIED: Exhortation. Don't let the meat be more important than you brother's edification. Don't let your liberty be more important than the peaceful fellowship and continued edification of the assembly. Yes, you have that liberty to eat meat, but godly equity limits liberty out of love for others. How important is this brother to you? How important is he to God? Important enough that Christ died for him (for whom Christ died). That should work to produce a V&E (value and esteem) on our behalf toward him. DESTROY NOT HIM
Romans 14:16-17	Doctrine: ??? - FORM OF DOCTRINE FOR GODLY WISDOM - (non-core) Feature No. 6: Sacrificial Love	See these verses together. GODLY LOVE FEATURE NO 6: Sacrificial Love: There is a law that supersedes our liberty and that is the law of love. Attitude towards a weaker brother.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:16		16 Let not then your good be evil spoken of: Do not, in your attempt to do good, give an opportunity for your good to be evil spoken of, in the sense that you "flew off the handle, blew your cool, or exaggerated your argument." Even though you are correct in your understanding of your liberty in Christ, when it is not used in love, we are creating a situation whereby our liberty can be spoken of as evil. Do not allow the truth to come under reproach. We can do the right thing the wrong way. There is a law that supersedes our liberty and that is the law of love. We have liberty and there is no right and wrong about that. You either have it or you don't. Liberty is always true. But, it is possible to abuse our liberty in Christ. When we abuse our liberty, we are allowing our good to be evil spoken of. Ways our liberty can be abused: When our liberty is harmful to the weaker brothers in our assembly. The desire to sacrifice (by limiting) our liberty for the spiritual good of another is the feature of love that fits with godly equity.
Romans 14:17		17 For the kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost. Context: The treatment of our weaker brother. Is the reasoning behind not letting our good be evil spoken of. Do not let your good be evil spoken of because the heavenly kingdom of which we are a part is directly connected to our edification (and the edification of others) and the external issues (such as: what we eat) have no bearing upon our standing before God. Those things themselves have no bearing on God's operations in the heavenly kingdom because those are "outer-man" issues. But MM says, it does have a bearing on the edification of your inner man. To our heavenly Father, the treatment of a weaker brother is incredibly important because it is directly related to His Kingdom in the heavenly places. FOR: A FOR of explanation. KINGDOM OF GOD: Since Paul is talking to the body of Christ, realize he isn't talking about the kingdom on earth. There is an aspect of the kingdom of God that pertains to the mystery of Christ. It involves us in glorified bodies delivering the creature. Paul is giving us information that was not known in the TIMES PAST of Israel's program, this is about the kingdom that will be established in the heavens, where we will reign with Christ! We are not involved in establishing God's kingdom on this earth, but His kingdom in the heavenly places. That means that our integrating godly equity into our thinking and living – the way we treat our weaker brother – is directly connected to the Kingdom of God and our work in the heavenly places. This means what we are being taught right now is going to have an application out in eternity to the accomplishment of some operation of our heavenly Father! This is equipping us for the future! This is teaching us that the kingdom of God is not manifestly about physical things, but about spiritual things. Learning: What appears to us as such a small and insignificant issue, the eating of meat…what appears to be conduct that is not a big deal, the treatment of a weaker brother…to our heavenly Father this is incredibly important because it is directly related to His kingdom in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:17		17 For the kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost. GH: Ties to edification. RIGHTEOUSNESS, AND PEACE, AND JOY: All three are inner-man issues which have a connection to our edification. Let us not be seen begrudgingly and uncharitably exercising our liberty in Christ. But let it be the joy of the Holy Ghost in us as we live out this Sonship life to the benefit of the weaker brother and the rest of the body of which we are a part. RIGHTEOUSNESS: The issue of righteousness has to do with God. The righteousness of the law is fulfilled by godly equity, that is true. But this is not just the righteousness of the law, but it is the very righteousness of God Himself. The godly use of equity to limit our liberty in order to benefit our weaker brother exhibits that kind of righteousness – the righteousness of Christ made manifest in us; the righteousness of the kingdom of God. PEACE: The second issue of peace has to do with respect to our fellow saints. The atmosphere of peace (respect to our fellow saints) should prevail in the assembly in order for edification to take place. JOY: The third issue of joy has to do with ourselves. That "joy in the Holy Ghost" makes it so that our joy is viewed as we gladly and genuinely limit our liberty for the benefit and edification of our brother. We rejoice to demonstrate the discernment of equity so that we are not only seen of men, but we rejoice in that we are also seen of angels.
Romans 14:18		18 For he that in these things serveth Christ is acceptable to God, and approved of men. First taste of seeing a reputation. Finishes the first part of the godly living aspect of the doctrine. Paul has told us what to do and what not to do, now he tells us why, which is a process for a son. When we limit our liberty to preserve the edification of another saint, there will be reward at the JSoC in the form of the reward of the inheritance; the joint-heir inheritance. IN THESE THINGS: The things which make up the doctrine of godly equity, the things which cause us to limit our liberty for the sake of a weaker brother, the things of the kingdom (righteousness, peace and joy), the things of godly love which now includes sacrificial love which gladly limits liberty for the benefit of others. This is how we serve the Lord Christ! IS ACCEPTABLE TO GOD, AND APPROVED OF MEN MM says before he knew this was a curriculum, he just looked at that and said that's saying that if we serve Jesus, there we're acceptable to God and approved of men. Had no idea this was in the context of teaching him GODLY EQUITY. How you are supposed to view others/see others. He calls that SERVING CHRIST. Makes you: 1. ACCEPTABLE TO GOD: The marker that your Father is now really looking at. MM tying to ACCEPTABLE UNTO GOD-Romans 12:1. ACCEPTABLE also shows up in Romans 12:2. Recall ACCEPTABLE in Romans 12:2 had to do with their godly living.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:18		18 For he that in these things serveth Christ is acceptable to God, and approved of men. 2. APPROVED UNTO MEN: Men would have to observe something. When you get to this point and people see GODLY EQUITY in your life, people see the decisions you make, and they see why you're making the decisions. As we begin to live out of the doctrine of godly equity, our fellow sons and daughters will certainly approve. In fact, it will be an encouragement to them in their own living out the doctrine. The reason MM thinks this has to do with the fellow saints in our assembly is because the world at large will probably never see our equitable treatment of a weaker brother. And if they did, not sure they would know what they were looking at. They might even be critical as they perceive us a being weak. But to fellow sons and daughters, this is evidence that the doctrine is working in us, that we are ready to move on the next part, and that we are manifesting that we are being readied for the heavenly places – for the kingdom of God! People will say why did you do that and you will give them that reason out of godly equity and they will say WOW, that is something. When you can make this equitable decision, your Father says this is what I AM looking for, and now you are ACCEPTABLE TO GOD but that thing that makes you APPROVED UNTO MEN. Your REPUTATION in LEVEL 1 starts out with men. By the time you get to the end of LEVEL 2, your reputation has grown and broadened and it is in the heavenly places. Won't stop with men. Has to start somewhere. MM says it is like a guy that is local and develops a reputation but as time goes by the the word gets out, that reputation goes out from there. The world will think you are nuts but you do have a reputation with sons. MM thinks that is what we are talking about here. Who else understands that? Here you have a reputation with God and with men and will have one with angels. Both good and bad angels are thinking about what they are seeing. This issue of your reputation starts back in Level 1. You come to understand that this is more than just gaining 4 really neat skills that allow you to "prove what is the will of God." Now you are faced with the fact that your use of these skills impacts more than just you.
Romans 14:19-23		The terminology is not about the weaker or stronger brother, although we are still in that overall context, but it is a general US and WHEREWITH ONE MAY EDIFY ANOTHER. These are not just responsibilities of a stronger brother, but of every member of the assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:19	GH: Interactive Learning / EDIFY	19 Let us therefore follow after the things which make for peace, and things wherewith one may edify another. THE THINGS: The “things” which make for peace and wherewith we may edify another are, among other things: - the Sonship skills being put to use within the assembly - the features of godly love exercised toward our fellow members - the understanding that there is, along with our individual edification, an overall edification for the church as a whole ONE MAY EDIFY ANOTHER: God wants to make sure that weaker brethren are edified by stronger brethren. MM says in Bible college, he was taught that preachers were producing everything that needed to be done. But MM says when this body is functioning properly, he is going to teach something and you will all hear it, but there will be someone after the service will say it in a way that someone else didn't quite grab it but when it is said that way, they will go, oh, I get it now. This is EDIFYING ONE ANOTHER. AKA Interactive Learning. Every saint, regardless of their office, is to be involved in edification. Paul is saying this is how you need to look at each other. We are supposed to love each other so much that we're thinking about the spiritual well-being of the other members of this body. That means we really do want to EDIFY ANOTHER. We do want to build each other up in the faith. We do want to participate in that. GH: EDIFY Theme: Romans 14:19; 2 Corinthians 12:19; Ephesians 4:16; 1 Thessalonians 5:11
Romans 14:20		20 For meat destroy not the work of God. All things indeed are pure; but it is evil for that man who eateth with offence. We should not allow the exercise of our Sonship liberty (no matter what the issue is; it is not just restricted to eating meat) to destroy the work of God. FOR MEAT DESTROY NOT THE WORK OF GOD DESTROY NOT THE WORK OF GOD: Don’t destroy the weaker brother and do not destroy the work of God. Instead, let our treatment of each other result in righteousness, peace and joy-v17. THE WORK OF GOD: Makes MM think this is about the assembly at large and not just a single brother. He is edifying the individual members, but He is also producing a microcosm of the creature which will have the entire body of Christ in it. And in that microcosm, He is looking at the church as a whole and working to conform it to the image of His Son. It's conformity to Christ is measured in its ability to work together as a single body, with every member of that body vitally involved and joyfully committed to the success of the local body of which they are a part, so they will be able to do the same in the body of Christ in the creature one day. ALL THINGS INDEED ARE PURE; BUT IT IS EVIL FOR THAT MAN WHO EATETH WITH OFFENCE: Has two parts: 1. All things are pure, so there is no dietary restriction. 2. But what is not pure is a stronger brother who doesn’t care about how he handles a weaker brother and doesn’t care how his liberty impacts his brother. Paul says that man is “eating with offence” and it is evil for him to do so.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:21		21 It is good neither to eat flesh, nor to drink wine, nor any thing whereby thy brother stumbleth, or is offended, or is made weak. ANY THING: See the meat and days issues were representative of any kind of edificational deficiency which constitutes a weaker brother. It doesn't matter what the issue is; the godly thing to do is to limit our liberty to keep our brother from stumbling. STUMBLETH...OFFENDED...MADE WEAK: There descriptors of damaging a weaker brother's edification: 1) stumble: Causing someone to stumble is the general term that describes when we have hindered or prevented the edification of a fellow saint. 2) offended (insulted, embarrassed, hurt, angered): When our brother is offended, we now have a cause for his stumbling; a way in which his edification is hindered. Since the weak brother does not have sufficient edification to understand the actions of a son exercising his liberty, if the strong brother confronts the weak, there is a risk of the weaker brother being emotionally hurt, taking the correction personally, as a rebuke. When that happens, in the mind of the weaker brother, the issue is no longer about the doctrine, but it is about the other brother himself. He can't see the doctrine. We do not practice liberty in a way so as to give offence, and produce disturbance in the church. 3) made weak (made to feel foolish or inadequate) - This moniker of "weaker brother" is a descriptor for us to know, but not to use!!! Have some discretion and discernment about how to talk to people in the various relationships you have. MM thinks these are slightly different: 1. More than one way in which a weaker brother's edification can be damaged. 2. Different because of the word OR - 2 uses of the word OR giving us 3 elements OED: or - 1. Used to coordinate two (or more) sentence elements between which there is an alternative.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:21		21 It is good neither to eat flesh, nor to drink wine, nor any thing whereby thy brother stumbleth, or is offended, or is made weak. OFFENCE: OED: offence 5. With reference to feelings (the chief current use). a. transitive (in passive). To be displeased, vexed, or annoyed. Now usually: to feel personally upset or hurt; to take offence. Usually with with, at, by, etc., or with clause b. transitive. To hurt or wound the feelings or susceptibilities of; to be displeasing or disagreeable to; to vex, annoy, displease, anger; (now esp.) to excite a feeling of personal upset, resentment, annoyance, or disgust in (someone). Offence carries the idea of being a stumblingblock by causing the weaker brother to be embarrassed, hurt or angered. This division can wind up affecting the entire assembly, but at the very least, there are two members of the body whose fellowship has been adversely affected, which will affect the body as a whole. To correct the weaker brother may feel to him like a personal attack that diminishes his knowledge and his commitment to Christ, even when that is not the intent of the stronger brother. WEAK: Is not feeling insulted or offended by being made to feel foolish or inadequate. There is no animosity between brethren in the “made weak” issue. Weaker brothers shouldn't be bullied, embarrassed, intimidated or forced to comply, because that is very damaging to the edification process. It short-circuits that process because their liberty would not be the result of the word of God working in their inner man; it would not be them being “led by the Spirit.” You realize what that means: there is no edification working at all when a saint is influenced to violate their conscience. OED: [made] weak 2. b. In the translations of the Bible from Tyndale onward, used to render Greek ἀσθενής, ἀσθενῶν, applied by St. Paul (esp. in Romans xiv and 1 Corinthians viii) to believers whose scruples, though unsound, should be treated with tenderness, lest they should be led by the example of the more enlightened into acts condemned by their conscience. Hence allusively in weaker brethren (often supposed to be a scriptural phrase), applied to the more timorous members…, who are in danger of being shocked by extreme statements…

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:22		22 Hast thou faith? have it to thyself before God. Happy is he that condemneth not himself in that thing which he alloweth. HAST THOU FAITH: Is a way of saying, "Do you believe that it is right to eat all kinds of food, etc.?" This is identifying the audience. So, if you are that guy, then the next part of the verse is for you. HAVE IT TO THYSELF BEFORE GOD: We do not force our faith or opinions on others. We should be satisfied with cherishing our liberty, and acting on it in private, where God is the witness. God sees our sincerity, and will approve our actions. But we do not practice liberty in a way so as to give offence, and produce disturbance in the church. The limiting of our liberty will not offend God, as though we have betrayed the truth, but our weaker brother may well be offended. HAPPY IS HE THAT COMMENDETH NOT HIMSELF IN THAT THING WHICH HE ALLOWETH: Two-fold happiness: 1. We certainly will have peace of mind and happiness as a result of not insisting on exercising our liberty. We may have doubts about what we are doing, but we have no doubt about the propriety of abstaining from them. 2. MM sees this as talking about our weaker brother and his happiness that comes from our equitable behavior. We, by our our godly equitable actions toward a weaker brother, providing for his happiness! - At the same time, we are happy because our own conscience is free from offence because we have acted with godly equity toward our weaker brother.
Romans 14:23		23 And he that doubteth is damned if he eat, because he eateth not of faith: for whatsoever is not of faith is sin. Still talking about the weaker brother in v23 because the stronger brother doesn't doubt as to whether he could eat or not. AND HE THAT DOUBTETH DOUBTETH: Means that the weak brother is not fully satisfied in his own mind. He does not have a clear conscience about his actions. For whatever reason, he conscientiously believes there is a difference between certain foods. IS DAMNED IF HE EAT: Is not saying he would lose his salvation and wind up in hell; it is saying that the person who violates his own conscience would incur guilt and would be blameworthy in doing it. If a man does something that he believes is wrong, then he is guilty of that wrong, even if it is not actually wrong in the eyes of God! DAMNED: Is almost exclusively used to talk about the future punishment of the unsaved in hell or the lake of fire. But the actual meaning of the word is "to condemn." OED: condemn 3. a. transitive. To pronounce (a thing, practice, etc.) to be bad, unfit, inadequate, invalid, etc.; to condemn (a person or thing), esp. by public expression of disapproval. 4. transitive. To bring condemnation upon (a person or thing); to cause the downfall or ruin of (someone or something)…

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 14:23		23 And he that doubteth is damned if he eat, because he eateth not of faith: for whatsoever is not of faith is sin. BECAUSE HE EATETH NOT OF FAITH: We should not force our faith or opinions on others. If he still has doubts, but he eats anyway, something he believes to be wrong, then his eating is not "of faith." - His eating is not a product of edification. - He is not fully persuaded in his own mind. - He is not operating out of grace. - He is not being led of the Spirit. - He is not being spiritually minded. - He is not being conformed to the image of God's Son. - He has put his spiritual life to death.
Romans 14:23		23 And he that doubteth is damned if he eat, because he eateth not of faith: for whatsoever is not of faith is sin. The weaker brother is acting out of the flesh and his eating is NOT OF FAITH if: - obeying the law of Moses - just following the stronger brother - just trying to fit in - acting out of: - anything other than the leading of the Spirit to obey the doctrine he has come to understand - anything that does not include his talking with his heavenly Father and meditating on the word of God that speaks to the area under question - anything other than a settled mind which is at peace on this doctrinal issue - anything other than his understanding of this DoGG and how it differs from the prophetic program given to Israel - anything other than the doctrine written by his apostle
Romans 14:23		23 And he that doubteth is damned if he eat, because he eateth not of faith: for whatsoever is not of faith is sin. God condemns eating NOT OF FAITH just as if he were doing a sinful thing! No matter what we are doing, if it is not a product of what God is doing in us, then it is unacceptable to Him. FOR WHATSOEVER IS NOT OF FAITH IS SIN: This does not have to do with you believing something will come to pass, or referring to you doing something without any evidence attached to it. There are two issues here: 1) Let us not violate our consciences by our behavior, but let us be fully persuaded of the rightness of it in our own minds, and 2) let our actions – especially any and all changes in our belief and practice – be the product of God working in us (edification) and not anything or anyone else.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:1-3	Doctrine: ??? - FORM OF DOCTRINE FOR GODLY WISDOM - Feature No. 7: PS (Purposed Subordination / Subservience)	Godly Love Feature No. 7: Purposed Subordination for the body of Christ (the final feature of godly love): Dual issues: 1) bearing the infirmities of the weak and - v1 2) not pleasing ourselves - v1 Christ loyally and gladly bearing the reproach of His Father for the glory of God the Father, is an example of the Lord Jesus who did not please Himself, but in accordance with the Will of the Father willingly bore reproach for the purpose of accomplishing His Father's Will. The Son subordinated Himself for the glory of God and, in the specific context of Romans 15, provided for our edification. When Jesus took on the form of a servant; that was being subservient which is part of the definition of subordination. Godly equity teaches us that there may come a time when we take on the reproach of another in order to preserve or advance their edification. When we willingly and gladly subordinate ourselves in order to fulfill our Father's purpose; the edification of some individual saint or of the local assembly as a single body we are exercising Purposed Subordination/Subservience (PS). When we make ourselves subservient to or secondary to some other, for the purpose of the edification of another we are exercising Purposed Subordination/Subservience.
Romans 15:1-3	Doctrine: ??? - Second FORM OF DOCTRINE FOR GODLY WISDOM - Feature No. 7: PS (Purposed Subordination / Subservience)	Purposed Subordination/Subservience (PS). - to take the reproach of another - Romans 15:3c - humility (the opposite of pride or haughtiness) - Philippians 2:8 There may come a time in which we lower ourselves in dignity, position, condition or degree in order to benefit a fellow member, particularly with regard to their edification. - being abased - Philippians 4:12 - being reviled - Matthew 27:39; Mark 15:32; 1 Peter 2:23 - suffering - 1 Corinthians 1:4:12 In all of these things there is a reward of the inheritance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:1-2		1 We then that are strong ought to bear the infirmities of the weak, and not to please ourselves. 2 Let every one of us please his neighbour for his good to edification. 1 of 2 places where you really are beginning to take on a conformity to Christ. Other is Romans 13:14. This is the decision making skill - EQUITY. MM says this is not telling you if somebody wants something and I want something different, I'm just going to always give in to them - not what this is about. That's the worldly way. This is about making a decision that is going to result in their edification. They're not going to remain weak with your response, they are going to become strong. You may have to check your rights at this particular time in order to do this but you are doing that for their good/edification. Sometimes, you won't be able to explain it because you don't want a T&G situation. We have not pleased ourselves for the edificational good of another-v1-2. Then we have the example of the Lord Jesus who did not please Himself, but in accordance with the will of the Father, He willingly bore reproach for the purpose of accomplishing His Father's will-v3. v2: HIS GOOD TO EDIFICATION: God wants the work of God to continue for the entire assembly.
Romans 15:1		1 We then that are strong ought to bear the infirmities of the weak, and not to please ourselves. There are the dual issues of: 1) bearing the infirmities of the weak and 2) not pleasing ourselves.
Romans 15:2		2 Let every one of us please his neighbour for his good to edification. There is the issue of the edification of another.
Romans 15:3		3 For even Christ pleased not himself; but, as it is written, The reproaches of them that reproached thee fell on me. There is the example of Christ, loyally and gladly bearing the reproach of His Father for the glory of God the Father. FOR EVEN CHRIST PLEASED NOT HIMSELF: He is saying when you do this (this EQUITY thing) you're acting exactly the way Christ Himself conducted Himself, you are being conformed to His image. Christ exercised godly equity in Israel's program as a fully educated Son. EX He beared our reproach for our benefit. He didn't go through the events the day of crucifixion for no reason. That was all for a godly purpose behind it. Isn't that exactly what Jesus did when he took the reproaches of others on Himself, (when He deserved no such thing) for their benefit? The Cross is one of the best examples of "equity" ever put on display. AS IT IS WRITTEN: From/Quotes Psalm 69:9. THE REPROACHES OF THEM THAT REPROACHED THEE FELL ON ME: Godly Love Feature - PS (Purposed Subordination) sub-feature: To take the reproach of another. There is an identification of the Son with the Father - the reproach of the Father reproached the Lord Jesus. The reproaches against His Father were the same as if they were cast on Him. This is a feature of subordination; to take the reproach of another. Godly equity teaches us that there may come a time when we take on the reproach of another in order to preserve or advance their edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:4		4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope. GH: MM says this is a good prayer for an assembly. AFORETIME: Before now. WHATSOEVER THINGS WERE WRITTEN AFORETIME WERE WRITTEN FOR OUR LEARNING: When you understand the things that are supposed to be happening in the future then you have a better idea of how you are going to be utilized with the Lord. THEY ARE FOR OUR LEARNING: To think that things written during the time of Israel's program is for us is doctrinally not accurate. Written for our learning, NOT practice. FOR OUR LEARNING: Means we ought to know them. There is a benefit to knowing them – especially when you are living in a time when the mystery epistles are not complete. The HOW is explained in 1 Corinthians 10.
Romans 15:4	GH: SIIP Verse	4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope. Paul says that back in the prophetic program. It was WRITTEN FOR OUR LEARNING – no not for our practice, but for our learning. MM showing why understanding SIIP is important. MM says since those things were written for our learning, let's learn them properly, because if you don't understand it properly, it's not going to do what it is supposed to do. You are going to need to understand Israel's program because if you have a wrong concept of this, you are not going to be very usable whenever this all cranks up. MM wants to make sure that we all understand and that we get it.
Romans 15:4	GH: GPPI verse	4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope. REASON 2 for understanding God's Plan and Purpose with Israel: THINGS WERE WRITTEN AFORETIME WERE WRITTEN FOR OUR LEARNING: Another reason to study God's program with Israel. We are supposed to profit from knowing about those things which were written before. Notice: * Written for our learning, not for our obedience/observance/practice. We are not under the law. We cannot obey those things, even in the name of Christianity, and please God today. But we can gain something from the things written to them before this time. * We are supposed to gain HOPE by what we read concerning God's program with Israel. Even though that program is not ours today, there are some things for us to learn pertaining to God’s character and His faithfulness and those things are supposed to give us hope as we understand what God says to us today. MM says when we see God faithfully functioning in His program with Israel, then we also understand that He will faithfully function in the program in which He deals with us, in this program of the mystery. THINGS WERE WRITTEN AFORETIME: Genesis - Malachi, the Gospels, and the opening 8 chapters of Acts.
Romans 15:4	Non-MBI	PR: AFORETIME: Genesis through Malachi (GH: through Acts 8)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:5-7		Contains a Sonship checkpoint. At the heart of this checkpoint is how we value and esteem the edification unto godliness, and how committed we are to being transformed by the various forms of doctrine in Paul's epistles. Three issues: 1. THE GOD OF PATIENCE AND CONSOLATION-v5 - Is the patience and consolation of our heavenly Father working in us toward our fellow members? Is what is IN Him in us? We need to be able to assess that in ourselves. 2. 3.
Romans 15:5	Sonship Suffering '25 / MP : Blessings - Spiritual / GH: Paul's Prayers	5 Now the God of patience and consolation grant you to be likeminded one toward another according to Christ Jesus: Ends in a colon, which connects v6 closely with v5. Paul's prayers are overwhelmingly spiritual. Paul's prayers are overwhelmingly spiritual. NOW THE GOD OF PATIENCE AND CONSOLATION GRANT YOU TO BE LIKEMINDED: It is God who will grant them to be patient with one another and it will be done by the doctrine, which Paul has been giving them, working effectually IN them. NOW THE GOD OF PATIENCE AND CONSOLATION: The sooner we look to the "hope" of our suffering, the sooner we can experience patience and consolation. [SS '25] GRANT YOU TO BE LIKEMINDED ONE TOWARD ANOTHER ACCORDING TO CHRIST JESUS: To be of the same mind. A spiritual thing, not a physical thing. CONSOLATION: This is not just some kind of pep-talk, but this cheering and comforting is done by the scriptures. Are we using the doctrine to alleviate sorrow or mental distress? OED: consolation - 1. The action of consoling, cheering, or comforting; the state of being consoled; alleviation of sorrow or mental distress. BE LIKEMINDED ONE TOWARD ANOTHER ACCORDING TO CHRIST JESUS: The way they are supposed to think about each other is in accordance with how the Lord Jesus thinks about them. And He (the Lord Jesus) is not looking at Jews or Gentiles, He is looking at members of the same body who are engaged in an edificational process together. He is not looking at who is eating meat and who is not; He is looking at members of the body of Christ who are training to reign with Him in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:5	Sonship Suffering '25 / MP : Blessings - Spiritual / GH: Paul's Prayers	5 Now the God of patience and consolation grant you to be likeminded one toward another according to Christ Jesus: BE LIKEMINDED ONE TOWARD ANOTHER: Among the believers at Rome, a good number of them were Jewish. For those who came up under the Mosaic Law, we can see how the issues concerning the weaker brother might come up; not eating meats and observing days. This fits perfectly for an assembly with Jews and Gentiles in it. The Jews want to observe days and refuse meats which are either forbidden or not prepared according to the Law. The Gentiles, never being under such restrictions are readily engaged in their liberty. LIKEMINDED: It means for all of them to be thinking the same things toward one another in accordance to how the Lord Jesus thinks about them. And if one group is judging while the other group is despising, they are a long ways from being likeminded. As an assembly we are to be likeminded. We need to consciously evaluate our decisions in light of how it affects the body and manifests the doctrine working in us. In relation to our heavenly Father - 'like Father, like son'. The Father deals with our tribulations and worries and fears by working His word IN our inner man. We are likeminded in that that is the remedy will employ for each other. ACCORDING TO CHRIST JESUS: To reign with Christ up there will necessitate the ability to function together as a body. The ability to function as a body is a product of edification whereby the members look at each other and think about each other "according to Christ Jesus."
Romans 15:6		6 That ye may with one mind and one mouth glorify God, even the Father of our Lord Jesus Christ. THAT YE MAY WITH ONE MIND AND ONE MOUTH GLORIFY GOD: Here is the result of being likeminded (v5) with God in this area of patience and consolation (v5) as it concerns the edification of our fellow saints: That we glorify God with one mind and one mouth. Is pointing to something more than just our individual edification; it is pointing to the edification of the assembly as a whole, as a unit, and as a body. At this point in our education, we should, as an assembly, be able to do something (As a body, we have one mind and one mouth to the glory of God.) It means we understand something, and we are going to act out of that understanding. We will encounter situations involving other members of the assembly. Those situations will require us to make decisions (For example - judgmental: which means there will be more than one path we can take, or equitable: which discerns the circumstances before us). Those decisions we make will "glorify God" when they continue/produce an environment conducive to the edification of every member of the body, and to the body as a whole. Will need edification to take place for Jews and Gentiles to GLORIFY GOD with ONE MIND AND ONE MOUTH. Otherwise, both groups may seek to GLORIFY GOD out of their ethnic distinctions, instead of the doctrine. But that is not the kind of glory God's desires, in fact that would not be glorifying to Him at all, not in this DoGG and in the face of the doctrine Paul is presenting to them. Both Jews and Gentiles would need to glorify God for the same reasons. They would be thinking the same thing (one mind) and they would be saying the same things (one mouth.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:6		6 That ye may with one mind and one mouth glorify God, even the Father of our Lord Jesus Christ. THAT: Introduces the result of being likeminded with your heavenly Father. YE: Is the plural of 'you'. MM believes this means the whole assembly. ONE MIND AND ONE MOUTH: We are talking about this whole body of believers thinking (one mind) and laboring (one mouth) out of the things generated in us by the Sonship education. This assembly is now taking on the characteristics of our Father. Characteristics is talking about edification. This is the goal of any local church. There is no other Biblical reason to have an assembly of believers. ONE MOUTH: Refers to the ability of the assembly to understand and articulate what we are about – what it is we are doing (education/edification) and why we are doing it. God is glorified when we understand the process whereby we are edified unto godliness AND we engage in that process. In other words, when the life of God's Son is formed in us, when we are edified unto godliness, as we are transformed by the doctrine, as we are conformed to the image of God's Son, as our Father's wisdom is installed in our inner man, as the doctrine effectually works IN our inner man – all of those ways of saying it – God is glorified.
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. RECEIVE YE ONE ANOTHER, AS CHRIST ALSO RECEIVED US: The process and result are for God's glory. We are putting something on display that most people have never seen. RECEIVE YE ONE ANOTHER: Something you do for/to others/someone else(corporately). Godly equity ends just like it started - RECEIEVE YE-Romans 14:1. The logical thing to say if there were Jews and Gentiles in the same assembly. The Gentile cannot be thinking: - These Jews are not really part of this assembly they are just hanging on to the Law. - I'm going to be civil, but don't expect me to get all buddy-buddy with these people. - I'm glad they are saved, but they really put a cramp in everyone's liberty. - Maybe I should start an assembly in my own home and invite just Gentiles; we could all enjoy our liberty then. - I can see how it would glorify God if all of our members understood the same things.
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. The Jew cannot be thinking - These Gentiles are so unholy, they are ruining this assembly. - We have so little in common, I just don't see how I can have much of a relationship with them. - Praise God I have plenty of Jewish brethren to fellowship with. - Better yet, maybe we should start our own assembly; just Jewish believers in the Messiah. Yeah, I can see how that would glorify God. The edification is not just for individuals, but for the assembly as a whole. But the body is not edified apart from individuals being edified. This has its own challenges in the Romans assembly where there are both Jews and Gentiles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. RECEIVE: Not just let them come to the assembly. We welcome anyone who comes in the door. We invite them in, offer them a place to sit, allow them to hear the lesson and we give them materials. In that sense, we receive them. But that is not all of what Paul has in mind. RECEIVE means to extend to them the fullness of what it means to be a member of a Sonship assembly where all are members one of another. It means that no matter where they are along the edification spectrum, or even if they are not edified at all, we do not dismiss them or relegate them as unimportant. They too have been given the "measure of faith!" We receive them: - on the same basis that Christ received us - to the same degree that Christ receives us - to the glory of God just as Christ also received us to the glory of God.
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. We are patient with them as He is patient with us. It means: - we treat a weaker brother in a loving, godly way - we understand the edification process we are involved in - we know there is a discernment that goes on as we make decisions with godly equity in mind and we employ that discernment as we deal with other members - now our thinking includes the edification of the assembly as a whole and is not limited to individual edifications - we need to be aware of them, taking an interest in being helpers of their joy - we need to become skillful in laboring together as a body Our sphere of fellowship will need to be enlarged and that will only happen as we find ways to do these last two on purpose. The goal of our fellowship is to enhance the body's ability to function together as a unit. In order to do that there must be a basis of fellowship (in some form or fashion) whereby we get to know our fellow members.
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. Thinking: 1. We have to start thinking about the assembly as a whole and about ourselves as a part of it. 2. We need to consciously evaluate our decisions in light of how it affects the body and manifests the doctrine working in us. Possible Questions for Evaluating Decisions: - Is it good for the assembly as a whole? Individually? - Would it be damaging for the assembly as a whole? Individually? - Is my decision edifying to the body?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:7		7 Wherefore receive ye one another, as Christ also received us to the glory of God. - Does it reflect that I am a participating part of the body? - What can I do to further the edification of this body? - How can I encourage others to function as part of the body? - How does this reflect my love for my fellow members? - Am I insisting on my liberty? - Does this manifest godly love and charity? So when we receive someone, we receive them to the same degree and on the same basis that Christ receives us (to the glory of God). We are to extend to them the fullness of what it means to be a member of a Sonship assembly where all are members one of another. No matter where they are along the edification spectrum, or even if they are not edified at all, we do not dismiss them or relegate them as unimportant for they also have been given the "measure of faith!"
Romans 15:8-16:27		Romans Education, Part 6 - Final Issues [One other issue - will see He needs to tell you something else. There's a naturalness and you will expect it.]
Romans 15:8-33		Romans 15:8-33: A reiteration of the dispensational change and Paul's special apostleship in connection with it. He goes through this again because this is a specialty issue for the adversary. There will be an attack of the adversary for you to bring some aspect of Israel's program into the DOGG. Summary Statement: Paul reviews the dispensational change and details his apostleship in connection with it. Has three subparts to it: 1. v8-12: the earthly ministry of the Lord Jesus and Gentile expectation in connection with the fulfillment of Israel's program; (God has always means to have a benefit in His P&P with Israel. God's unconditional covenanent with Israel means that Gentiles are in God's mind.) 2. v13-21: the present DoGG and Paul's distinctive apostleship in connection with it; and (Paul moves from the time back in Israel's program in v12 and bolts us back into this DOGG.) 3. v23-33: Paul's desire to see the saints at Rome in person and to bring them the fullness of his apostleship. (MM speculates between his two appearances with Nero, he was released for a period time and may have gone to Spain then.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:8	GH: RDW	8 Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers: Paul comments back to Jesus (GH: earthly) ministry. God will take it upon Himself to do whatever He needs to do to reclaim the nations. Because God means to be glorified by the whole earth, not just the nation of Israel. JESUS CHRIST WAS A MINISTER OF THE CIRCUMCISION: Jesus is rightly referred to as a minister (BUT TO MINISTER-Matthew 20:28). Is not referring to the administration of the ritual of circumcision, for we have no record that Jesus ever administered such to anyone. It is, in its most basic sense, saying that Jesus came as a minister (servant) to the Jewish people. MINISTER OF THE CIRCUMCISION: Jesus was a Minister of the Jews. Uncircumcision would be the Gentiles. FOR THE TRUTH OF GOD: The very fact that God had a plan with the circumcision manifests his love for the Gentiles. And while God may have allowed them to go their own way in their rejection of Him, His unconditional covenant with Abram demonstrates that the Gentiles are still in His heart; they still have a future with God (Genesis 12:3; 22:18; 28:14). Even when God was making promises to the fathers of the nation of Israel, those promises were not to Israel alone, but contained reference to his desire to bless the Gentiles as well.
Romans 15:8	GH: RDW	8 Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers: TRUTH: This truth would be that God has always meant to benefit the Gentiles within His plan and purpose. TO CONFIRM THE PROMISES MADE UNTO THE FATHERS (back in TIME PAST): That's a Jewish thing. Doesn't have anything to do with us, even though we love to get our sermons out of the gospels. Verse does not end with a period, but with a colon. Have to connect with v9. CONFIRM THE PROMISES MADE UNTO THE FATHERS: The earthly ministry of the Lord Jesus was not to Gentiles. Our instructions are not found in the Books that pertain to Israel's program. THE FATHERS: Abraham, Isaac, and Jacob. There were promises made to them called the Abrahamic covenant.
Romans 15:8	GH: SIIP Verse	8 Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers: TO CONFIRM THE PROMISES MADE UNTO THE FATHERS: During His earthly ministry, the Lord was not just preaching the gospel, but He was demonstrating the signs of the kingdom and speaking to the nation about the fulfillment of all the prophets had spoken of. In effect, He was CONFIRMing THE PROMISES MADE UNTO THE FATHERS. He, and His disciples, gave confirming testimony concerning the entirety of the message so that the nation was “without excuse.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:8	GH: GPPI verse	8 Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers: GH: Paul takes the O.T. and the gospels and groups them together under the Israel program. They preached, repent, for the kingdom is at hand and that goes back to the O.T. as well. That kingdom of heaven that appears on earth is a literal, physical, Messianic kingdom that Israel was supposed to be looking for. But today, we preach the gospel of the grace of God. And if you are saved, you believe the gospel of the grace of God, you put your faith in the finished work of Jesus Christ in His DBR when He forgave you of your sins and He became your Savior. When that happened, it's because you believed on the gospel of the grace of God. JESUS CHRIST WAS A MINISTER OF THE CIRCUMCISION...TO CONFIRM THE PROMISES MADE UNTO THE FATHERS: Notice: * Jesus was a minister to the circumcision; the Jewish people. * His ministry was to confirm the promises made unto the fathers. The fathers would include Abraham, Isaac & Jacob. Jesus is confirming promises made to them. That is the purpose of his ministry. It was time for those things to come to pass. Why they preached the kingdom was at hand. That is why Jesus said in Matthew 10 that was He was only sent to the lost sheep of the house of Israel-Matthew 10:5-7. THE FATHERS: Abraham, Isaac, and Jacob.
Romans 15:8	GH: GPPI verse	8 Now I say that Jesus Christ was a minister of the circumcision for the truth of God, to confirm the promises made unto the fathers: See this has absolutely nothing to do with the Gentiles. This was the whole reason for God calling out the Jewish people in the first place, because He was not going to use any of the Gentile nations to accomplish His plan and purpose. God sent Jesus to confirm to the Jewish people the promises made to Abraham, Isaac and Jacob. God made promises in a covenant that was given to Abraham and passed down to Isaac and Jacob. The sign of the covenant was physical circumcision. JESUS CHRIST WAS A MINISTER OF THE CIRCUMCISION: Jesus Christ came to minister to the circumcision, which is the Jewish nation. It was to the circumcision that Jesus came to minister in TIME PAST-Ephesians 2:11. The earthly ministry of Jesus was not to Gentiles, He was A MINISTER to THE CIRCUMCISION. MM asks if God was going to use a Gentile nation, why create the Jewish nation? He already had Gentile nations. CIRCUMCISION: Israel. The Jewish people. Capital 'C' Circumcision. So then they automatically call Gentiles the Uncircumcision. TO CONFIRM THE PROMISES MADE UNTO THE FATHERS: Is the reason/purpose Jesus was coming to the circumcision. This is what He was intending to do during the days of the Messiah during His earthly ministry. FATHERS: The “fathers” of the circumcision/Jewish nation are Abraham, Isaac and Jacob. MM tying to Exodus 3:15, Deuteronomy 1:8, and Acts 3:13. This makes these promises very Jewish in nature. God confirmed this covenant with each of them and the sign of the covenant was circumcision. The Jewish people were called THE CIRCUMCISION.

Romans 15:9-12		9 And that the Gentiles might glorify God for his mercy; as it is written, For this cause I will confess to thee among the Gentiles, and sing unto thy name. 10 And again he saith, Rejoice, ye Gentiles, with his people. 11 And again, Praise the Lord, all ye Gentiles; and laud him, all ye people. 12 And again, Esaias saith, There shall be a root of Jesse, and he that shall rise to reign over the Gentiles; in him shall the Gentiles trust. Four references to Israel's time past program. 1. v9 – References Psalm 18:49 – the writings; 2. v10 – References Deuteronomy 32:43 – the law; 3. v11 – References Psalm 117:1 – the writings; and 4. v12 – References Isaiah 11:1, 10 – the prophets. See the theme of the first phrase of v9 repeated throughout – that the Gentiles would glorify God for His mercy. Every part of Paul's Bible (the law, the prophets and the writings), declares that the Gentiles will glorify God for His mercy, will sing unto His name, and rejoice with His people. We know this future blessing of the Gentiles is part of the kingdom purpose in God's program with Israel. It is interesting that in the very next verses, Paul is going to move from the time past of Israel's program to this present DoGG.
Romans 15:9		9 And that the Gentiles might glorify God for his mercy; as it is written, For this cause I will confess to thee among the Gentiles, and sing unto thy name. There was an expectation that through the FULFILLMENT of God's program with Israel there would be blessings for the Gentiles. The word needs to go forth from Jerusalem. AND THAT THE GENTILES MIGHT GLORIFY GOD FOR HIS MERCY: God means to be glorified by the whole earth, not just His chosen people. Jew and Gentile alike will glorify Him for His mercy.
Romans 15:13	MP : Blessings - Spiritual / GH: Paul's Prayers	13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. Nutshell: Paul expects the doctrine to work in them and expects them to be filled with joy and peace in believing. Saints at Rome are beginning to see their edification building. MM talks about how far we have come as individuals and as a group. Easier for other folks to see that advancement. Paul jolts you back to the present. MM says it sounds a lot like a prayer, just add a word. Paul's prayers are overwhelmingly spiritual. NOW THE GOD OF HOPE FILL YOU WILL ALL JOY AND PEACE IN BELIEVING: Is another way of saying "may their edification in the doctrine" produce all joy and peace in their inner man. That is how God works anything in us – by His Spirit working His word in us to transform us. FILL YOU WITH ALL JOY AND PEACE IN BELIEVING,THAT YE MAY ABOUND IN HOPE, THROUGH THE POWER OF THE HOLY GHOST: MM asks how many pounds of JOY and how many bags of PEACE do you need? A spiritual thing, not a physical thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:13	MP : Blessings - Spiritual / GH: Paul's Prayers	13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. FILL YOU WITH ALL JOY AND PEACE: This is not an expression to indicate that they have the maximum amount of joy and peace they will ever have, as though they have come to the fulness of their edification in view of the doctrine he has presented beginning in Romans 12 up to this point. This is a reference to their capacity. When Paul says “fill you with all joy and peace” he is talking about filling them to their present capacity. But, as they continue to mature, their edification will build and produce an expanded capacity for joy and peace. In other words, Paul thinks they have all the joy and peace that they can have at this stage of their edification. Paul expects the doctrine to work in them and therefore he expects the saints to “be filled with all joy and peace in believing.” FILL: To exhaust somethings capacity.
Romans 15:13	MP : Blessings - Spiritual / GH: Paul's Prayers	13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. ALL JOY AND PEACE: Joy and peace come by believing (i.e., the expectation of edification). At this point, the saints at Rome are beginning to see their own edifications building, they are beginning to see the unity of their assembly come together. What is in their mind is: It’s actually happening; we can see it! That encourages them to continue their education/edification. Not everyone has JOY in their edification: - Fear of POE and what it might do to them if they continue to progress - some people's edification is not joyful, but clinical. They approach their edification in a way that is coldly detached and dispassionate. - riding the fence or half-measures do not produce joy and peace - they are not convinced the edification will work in them like it can in someone else and for all the wrong reasons, they are uncertain and they do not have a confident peace that this will work for them; don't doubt God's word/God/fellow members, doubt themselves

Romans 15:13	MP : Blessings - Spiritual / GH: Paul's Prayers	13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. Remember, edification is up to God and is out of grace; which tends to life, not death, and joy, not dread. Once you see your edification happening, once you notice these Sonship skills being lived in your everyday decisions, you come to the realization that this works! The more we see our own joy and peace which comes by believing, the more we abound in hope of the rest of it (our edification)! BELIEVING: Believing the doctrine Paul has taught them. More than believing it's true, this kind of believing means that they have put their faith in Paul's doctrine with a full expectation that it will produce in them an edification unto godliness. This kind of believing is accompanied by action. THEY YE MAY ABOUND IN HOPE: By His promises recorded in His word, God gave hope to the Gentiles that by the fulness of Israel's program; that He would provide for them. As our God of hope, He will, by His Spirit and His word, produce an edification in us individually and (just as importantly) an edification for the assembly as a body. ABOUND IN HOPE: Is to have strong expectations and confidence in that which has not yet been realized. This would keep them from quitting their Sonship education. HOPE: Our hope is in our edification as a body, which will produce the unity of the faith (Ephesians 4:13) in us. Our hope is in our being knit together in love so that we function as a single unit; as a body. It takes place (any edification takes place), by the power of the Holy Ghost, working that which is in God's word in our hearts. A confident expectation through the Power of the Holy Ghost. HOPE is not a physical thing, it's an inner man thing. Paul believes this is happening to them; they are filled with joy and peace in believing.
Romans 15:13	MP : Blessings - Spiritual / GH: Paul's Prayers	13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. Couple things that can rob you of joy and peace in believing: 1. The POE - we are just looking at the suffering / criticism / tribulation 2. To ride the fence on your commitment to the education - MM says just as troubling as the POE - People hear, get excited, but don't fully commit to it and then wonder why it doesn't work. Can't talk someone into it. v13b: Something that you haven't yet realized. MM says Sonship is nothing more than what we should be doing in the local assembly, that is edify the saints. MM doesn't understand why someone would disagree with reading the scripture, letting it interpret itself, and then living out of it.

Romans 15:14		14 And I myself also am persuaded of you, my brethren, that ye also are full of goodness, filled with all knowledge, able also to admonish one another. Paul is essentially saying: “I am not only persuaded that God has filled you with all joy and peace in believing (v13), but also (additionally), I myself am persuaded…” of something else. Paul is persuaded 1) they are full of goodness; 2) they are filled with all knowledge; and 3) they are able to admonish one another. AND I MYSELF ALSO AM PERSUADED OF YOU, MY BRETHREN: I MYSELF ALSO AM PERSUADED: Paul does not mean that he, in addition to someone else is persuaded of some things about them, for there is no “someone else” Paul points to. Therefore, the “also” is not modifying Paul, but the things of which he is persuaded. ALSO: Second ALSO means 'in addition to'. THAT YE ALSO ARE FULL OF GOODNESS: Being filled with goodness is a measure of the heart’s desire to be conformed to the image of God’s Son. FULL OF GOODNESS: The desire to be edified. The goodness here being their inclination to obey this doctrine Paul is giving them, to correct any ungodly thinking and conduct themselves in accordance with Paul’s instructions. It has to do with their heart attitude toward the doctrine which inclines them to “believe.” And since Paul says they are “full” of this inclination, it means they are totally committed to their edification. They are not holding back. They want this and it has value to them. They are looking at their education/edification as though they are great riches; a treasure. Being filled with goodness is a measure of the heart’s desire to be conformed to the image of God’s Son. Their inclination to believe the doctrine the Paul has given them. He's not saying you can't do anymore than you are doing now.
Romans 15:14		14 And I myself also am persuaded of you, my brethren, that ye also are full of goodness, filled with all knowledge, able also to admonish one another. FILLED WITH ALL KNOWLEDGE: This is not to say that Paul is calling them fully educated sons. Not there is nothing else to learn, but they have the foundational knowledge. Romans is foundational doctrine, not advanced. Therefore, they are “filled” to their present capacity. There are two ways to look at this phrase: 1) they have an understanding of all the things that Paul has taught them 2) he has given them everything they need for this part of their edification to take place Paul is confident they have an understanding (knowledge) of the things he is giving them; of the doctrine that edifies them. ALL KNOWLEDGE: Is not talking about knowing how to speak all languages or knowing all the sciences; it is not “all” without exception. The “all” is in a context. KNOWLEDGE: The Sonship doctrine.

Romans 15:14		14 And I myself also am persuaded of you, my brethren, that ye also are full of goodness, filled with all knowledge, able also to admonish one another. ABLE ALSO TO ADMONISH ONE ANOTHER: This ability comes from the previous two fillings gives them the ability to admonish and be admonished: 1. being full of goodness (the desire to be edified) and 2. being filled with all knowledge (the sonship doctrine) OED: admonish - 1. transitive. To exhort or urge (a person) to do something, esp. as a duty or obligation; to tell or warn (a person) that he or she should do something. Proper admonishing: - without becoming someone's T&G - without putting them under the law - without wounding their spirit by the manner which it is done Proper receiving admonishing: without becoming angry, embarrassed, or hurt takes humility and a hearts desire for the education which exceeds our pride. It is easy to see how admonishing a fellow brother or sister could be taken the wrong way and produce feelings of bitterness. We can see that the ability to admonish as well as the ability to be admonished requires some edificational steps, (joy and peace, goodness, knowledge) as well as some wisdom and love in doing it.
Romans 15:14		14 And I myself also am persuaded of you, my brethren, that ye also are full of goodness, filled with all knowledge, able also to admonish one another. TO ADMONISH ONE ANOTHER: Something you do for/to others/someone else(corporately). ADMONISH ONE ANOTHER: Can mess this up both ways: 1. Look like you are talking down to someone 2. Takes some humility
Romans 15:15-19	GH: Spiritual Phenomena Verse	Paul is making the Gentiles obedient in word and deed through mighty signs and wonders. Those are the things that Paul has the ability to perform that's getting the Gentiles. GH: MM showing spiritual gift operation 2: To confirm to unsaved Gentiles that God is now doing something with you and the miracles were to confirm that. Paul is talking about his special apostleship in connection with his ministry to the Gentiles. MM says if he has a ministry with the Gentiles, there must have been a dispensational change. The purpose of Paul having miracles is the exact same purpose - to demonstrate/confirm that God is now working with Gentiles apart from the agency of Israel. Paul is doing the exact same thing that anybody else who got that gift. MM believes after Paul left a church he planted someone was given the gift of miracles, it has to be that way. Otherwise, when Paul is gone, everything shuts down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:15-16		Basically have three issues: 1) Paul admits his writing to them is bold - MM thinks he means presumptuous; “who is he to tell us what to do?” 2) Paul tells them why that is - his boldness is a result of the office which Jesus Christ called him to; the apostle to the Gentiles 3) then he tells them how that benefits them - that his bold writing is ultimately for their good, that they might be acceptable in the sight of God in 2 ways: 1. to be acceptable to God by their believing Paul's gospel - in connection with their justification 2. in connection with their sanctification - If Gentiles are going to be acceptable to God in their living and in their service, then it must be in accordance with what the Holy Ghost is producing in them…by the effectual working of Paul’s doctrine. These are never exclusive of each other.
Romans 15:15		15 Nevertheless, brethren, I have written the more boldly unto you in some sort, as putting you in mind, because of the grace that is given to me of God, His boldness is a result of the office he holds as the apostle to the Gentiles. Where he gets his authority to speak boldly. BOLDLY: Paul explains that his boldness is a result of the office which Jesus Christ called him to; the apostle to the Gentiles. This is where Paul gets his authority to write more boldly and it is for their benefit: to be acceptable to God by believing Paul’s gospel and in accordance with what the Holy Ghost is producing in them. Paul not only preached the gospel of Christ, but planted churches. His heart’s desire was to preach the gospel in places where it had never been heard before.
Romans 15:16		16 That I should be the minister of Jesus Christ to the Gentiles, ministering the gospel of God, that the offering up of the Gentiles might be acceptable, being sanctified by the Holy Ghost. Message that Paul gave that Israel didn't want to hear. I SHOULD BE THE MINISTER OF JESUS CHRIST TO THE GENTILES: THAT THE OFFERING UP OF THE GENTILES MIGHT BE ACCEPTABLE: Paul is saying I'm offering up the Gentiles to God. It means that ministering to the Gentiles. THE OFFERING UP TO THE GENTILES THE GENTILES MIGHT BE ACCEPTABLE: Being acceptable to God by believing Paul’s gospel is in connection with justification. BEING SANCTIFIED BY THE HOLY GHOST: There's the sanctification we get. In this DoGG, God wants to offer up the Gentiles to Himself and does so by the “sanctifying of the Holy Ghost.” That means the Gentiles which respond to the gospel in this DoGG were being “set apart” unto God. Paul would come into an area, preach the gospel, organize them into a church, instruct them in basic doctrine and we he left, there were those in the assembly who had the spiritual gifts and were operating out of them. It means that ministering to the Gentiles, and “offering them up” to God is what the Holy Ghost is now doing. The Holy Ghost was “setting apart” (sanctifying) Paul’s ministry to the Gentiles as the main thing (center-stage) in this dispensation of grace. This is now what God is doing; this is what is being put on display.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:16		16 That I should be the minister of Jesus Christ to the Gentiles, ministering the gospel of God, that the offering up of the Gentiles might be acceptable, being sanctified by the Holy Ghost. BEING SANCTIFIED BY THE HOLY GHOST (cont'd): That offering up of the Gentiles to God is what the Holy Ghost is now doing. Paul has been set apart for a ministry to the Gentiles. MM says Paul's whole ministry here is being set apart by the Holy Ghost. That's what God is doing, that's what is being put on display. SANCTIFIED BY THE HOLY GHOST SANCTIFIED: Setting apart. The way you live everyday and serve God.
Romans 15:17-21		Summary Statement: An enumeration of the success which God has given to Paul as the apostle (minister) of the Gentiles.
Romans 15:17		17 I have therefore whereof I may glory through Jesus Christ in those things which pertain to God. I MAY GLORY: GLORY: Greek is usually translated 'boasting'. Paul himself uses this word in lots of places where it is translated “boasting.” The translators this time (and this is not the only time they digressed from boasting) translated “glory.” Usually, we think boasting is a bad thing - pride and ostentation. But there there is also a definition of “boasting” which is not out of pride. OED: boast - 4. …to make (one's) boast: to boast of, to glory in; Notice “boast OF,” or “glory IN.” The “glory” of v17 is the setting forth of the truth that Paul is a minister of Jesus Christ to the Gentiles and the rest of the passage is an enumeration of those things which serve to authenticate Paul’s claim of apostleship. Just as Jesus produced the hallmark signs of the kingdom to authenticate His message that the kingdom was at hand, so Paul has been given authenticating “things” to verify his claim of authority over Gentile believers. We may not be glorying in our apostleship, but we can certainly glory in what Christ is doing in us and through us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:18	GH: Spiritual Phenomena Verse	18 For I will not dare to speak of any of those things which Christ hath not wrought by me, to make the Gentiles obedient, by word and deed, Paul is saying, if I wasn't involved in it, he is not bringing it up (taking credit for it). He won't mention anything he did except the things Christ did through him. The first thing which Christ accomplished through Paul was to make the Gentiles obedient; obedient to the gospel and second, obedient to the faith. God used Paul by word (his preaching/teaching) and deed (his living of the doctrine) to bring the Gentiles to obedience. All Paul did was by the power of the Spirit of God. Nothing was a product of the deceiving work of Satan, the wisdom of men or Paul's fleshly abilities. What Paul taught is what he lived! Paul is saying that there are things that Christ has wrought by him, there are works Paul has done to make the Gentiles obedient by word and deed, and the way in which he did it is by mighty signs and wonders, by the power of the Spirit of God. Paul was an apostle but also had the gift of miracles, he probably had all of the gifts. FOR I WILL NOT DARE TO SPEAK OF ANY OF THOSE THINGS WHICH CHRIST HATH NOT WROUGHT BY ME: Paul is saying a couple of things in this opening phrase: 1) Paul will refuse to speak of anything that was not done by him. The implication is that there were false teachers circulating which claimed to have done things which were not done by them at all. So, the first issue is that Paul is going to tell the truth of those things which he accomplished; he is not going to take credit for someone else's work or deeds. 2) Paul will not mention anything he did do, unless Christ was the one doing it through him. Paul may have done some things, but the only things that count are the ones that Christ was doing through him. No wonder Paul counted all that other stuff (Philippians 4:3-8) as worthless, as those were not things done by Christ in him. Application for us - We may not be glorying in our apostleship, but we can certainly glory in what Christ is doing IN us and through us. I WILL DARE TO SPEAK: The word "speech" is kin to "speak." There is even a subtle difference in "talking" and "giving a talk" where one has a more official capacity to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:18	GH: Spiritual Phenomena Verse	18 For I will not dare to speak of any of those things which Christ hath not wrought by me, to make the Gentiles obedient, by word and deed, THOSE THINGS WHICH CHRIST HATH NOT WROUGHT BY ME TO MAKE THE GENTILES OBEDIENT, BY WORD AND DEED: What those signs, wonders and miracles were all about. The power of the Spirit of God there worked through that individual with the working of the miracles gift to make the unsaved Gentiles obedient. These miracles were to prove to unbelieving Gentiles that God is now working with them so that they would believe the gospel of grace. TO MAKE THE GENTILES OBEDIENT: If Gentiles are going to be acceptable to God in their living and in their service, then it must be in accordance with what the Holy Ghost is producing in them…by the effectual working of Paul's doctrine. BY WORD AND DEED: Causing the Gentiles to obey that gospel by "word" (things Paul said) and "deed" (things Paul did in their sight.) Those bracketing commas tell us the word and deed is not connected with the Gentiles' obedience, but rather that it was Paul by his word and deed which God used to bring the Gentiles to obedience. What Paul said and what Paul did was a match! BY WORD: The "form of doctrine" was Paul's gospel message which the Gentiles heard and "obeyed from the heart." WORD: Paul's preaching and teaching. DEED: Was the mighty signs and wonders which were wrought by the Spirit of God through Paul. The Gentiles could see that God was "offering them up to Himself" which is another way of saying that God was truly now turned to the Gentiles and dealing with them apart from Israel. Paul's example of behavior, his living out of the doctrine in front of them.
Romans 15:19	GH: Spiritual Phenomena Verse	19 Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ. Autumn, 57 AD: Paul evangelizes in Macedonia and Illyricum. THROUGH MIGHTY SIGNS AND WONDERS, BY THE POWER OF THE SPIRIT OF GOD: This is a proof (GH: MIRACLE-1 Corinthians 12:28) that God is now dealing with Gentiles. The miracles confirmed Paul's ministry as legit and they worked as a proof to the Gentiles of Paul's message. After Paul was left the area, doubts would, no doubt, set in. These miracles were the constant reminder of what God was now doing with them. As it was for Jesus, so it was for Paul, the signs and wonders were the evidence of the truth of his message. And in that transition period of the book of Acts, Paul has all the signs of an apostle working in him, even when God had stopped doing such signs and wonders through Israel's apostles (Peter, James, John, etc.). Paul does have all the signs of an apostle working in him to authenticate the message. At the start of the DoGG, God was giving evidence, through these miracles, that God had turned from His program with Israel and had now turned to the Gentiles, just as Paul was preaching.

Romans 15:19	GH: Spiritual Phenomena Verse	19 Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ. THROUGH MIGHTY SIGNS AND WONDERS, BY THE POWER OF THE SPIRIT OF GOD: BY THE POWER OF THE SPIRIT OF GOD: Casting out devils and healing the sick is by this. Putting it all together: - the Gentiles coming to Christ - Paul's preaching and example of life - the mighty signs and wonders of healing the sick - casting out devils and raising the dead All of these were done "by the power of the Spirit of God." None of it was a product of the deceiving work of Satan, the wisdom of men or Paul's fleshly abilities. SO THAT FROM JERUSALEM, AND ROUND ABOUT UNTO LLYRICUM, I HAVE FULLY PREACHED THE GOSPEL OF CHRIST FROM JERUSALEM, AND ROUND ABOUT UNTO LLYRICUM: MM showing maps - this is basically everywhere short of Rome. THE GOSPEL OF CHRIST: Paul says everywhere he went he preached this gospel.
Romans 15:20	GH: IPF verse	20 Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation: Paul not only preached the gospel of Christ, but planted churches. I STRIVED TO PREACH THE GOSPEL, NOT WHERE CHRIST WAS NAMED: Paul did not attempt to convert those Jews who believed that Jesus was the Messiah. Paul recognized their part in God program with Israel under the teaching of the 12. What the missionary journeys are about, he is preaching to Jew and Gentile alike. NOT WHERE CHRIST WAS NAMED: GH: Paul preaching to the non-little flock portion of Israel.
Romans 15:21		21 But as it is written, To whom he was not spoken of, they shall see: and they that have not heard shall understand. Paul's heart's desire was to preach the gospel in places where it had never been heard before. Paul was blazing a trail for others to follow.
Romans 15:22-33		Summary Statement: Paul's desire to see the saints at Rome in person and bring them the fullness of what his apostleship can offer them.
Romans 15:22		22 For which cause also I have been much hindered from coming to you. Paul's missionary work of preaching Christ where no one has heard is the reason he has not had time to visit those saints at Rome. I HAVE BEEN MUCH HINDERED FROM COMING TO YOU I am going to Spain and on my way to Spain, I will stop at Rome, but before he does that, he is going back to Jerusalem.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:23		23 But now having no more place in these parts, and having a great desire these many years to come unto you; BUT NOW HAVING NO MORE PLACE IN THESE PARTS: Means that there are no more places that have not heard. IN THESE PARTS: Look back at v19 - basically from Jerusalem to almost Rome. It is the areas just described from Jerusalem to Illyricum. HAVING A GREAT DESIRE THESE MANY YEARS TO COME: This is simply an expression of Paul's "great desire" to see them and he plans to do so when he takes his journey into Spain, where the gospel may or may not have yet taken root.
Romans 15:24		24 Whensoever I take my journey into Spain, I will come to you: for I trust to see you in my journey, and to be brought on my way thitherward by you, if first I be somewhat filled with your company. SPAIN: MM says it is not settled on whether Paul ever made it to Spain but he tends to think that he did. IF FIRST I BE SOMEWHAT FILLED WITH YOUR COMPANY: Paul is saying "but before I go on to Spain, I plan to stop and enjoy your company, for I expect to be refreshed and have much spiritual pleasure from your fellowship."
Romans 15:25		25 But now I go unto Jerusalem to minister unto the saints. Paul says he is going to Jerusalem to carry an offering. The saints at Jerusalem, which Paul has in mind, are members of the believing remnant of Israel. The contribution (collection) is evidently for the poor saints at Jerusalem, and not all the saints. Paul's first collection was under Claudius Caesar where the church of remnant at Jerusalem suffered. Relief was sent by the saints at Antioch in the form of a collection. This is a different collection, made years after the previous one. For the members of the remnant, some of them suffered joyfully the spoiling of their goods by their own unbelieving countrymen, knowing they have a better and more enduring reward. The situation is that believers in Judea were under heavy persecution by the Sanhedrin (Acts 8:1; Acts 12:1). As a result, they were opposed by both Gentile rulers and persecuted by the people of Israel. Paul sought to relieve them by this offering and at the same time, promote fellowship between them and the Gentile Christians, which is part of what Paul is setting forth doctrinally in Romans 14-15. Although these Jewish saints live far away and are not personally known by the saints in Macedonia and Achaia, the Gentile saints heard of their distress and cheerfully gave to relieve them because of the spiritual relation they have in God and with Christ. These Jewish saints believed the gospel of the kingdom, and were waiting for Daniel's 70th week which would be followed by the Messiah and His kingdom. They sold their possessions and put the money into a common fund for all the church; and the fund was now exhausted. They were unaware that God had ushered in the dispensation of grace, and their program was put on hold.
Romans 15:26		26 For it hath pleased them of Macedonia and Achaia to make a certain contribution for the poor saints which are at Jerusalem. MACEDONIA: Phillippi & Thessalonica ACHAIA: Corinth A CERTAIN CONTRIBUTION FOR THE POOR SAINTS: Paul taking up an offering for the saints in Jerusalem. Jerusalem is poor because they sold everything and had all things common waiting for the Kingdom. Now the Kingdom didn't come and we are broke. So Paul took up an offering. MM believes Paul wrote Romans in Corinth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:27		27 It hath pleased them verily; and their debtors they are. For if the Gentiles have been made partakers of their spiritual things, their duty is also to minister unto them in carnal things. IT HATH PLEASED THEM VERILY: The giving was not done by constraint, but it was freely done. Neither was it done for show or the praise of men, but from their love for the saints, an awareness of their poverty, and their godly desire to alleviate their suffering. They did it cheerfully and bountifully. Their giving was in accordance with the doctrine. The Gentiles were not giving to relieve the poverty of the apostate nation, but of Jewish believers in Christ. These believers thought the kingdom was about to appear. According to all they knew, they were on the brink of Daniel's 70th week which would be followed by the Messiah and His kingdom. But that was all 25 years ago and now the money had run out. No doubt they had questions. THEIR DEBTORS THEY ARE: Most of the commentators identify the "debt" the Gentiles owe as being: 1) Jesus was a Jew, so be grateful for the Jewish people 2) the scriptures came through the Jews; so be grateful again.
Romans 15:27		27 It hath pleased them verily; and their debtors they are. For if the Gentiles have been made partakers of their spiritual things, their duty is also to minister unto them in carnal things. MM is not saying there is nothing to that, God did those things (the scriptures and the Messiah) for Israel and the Gentiles would become beneficiaries but (in Israel's program) after Israel turned to their Messiah in faith, or (in this DoGG) after they rejected their Messiah. IF THE GENTILES HAVE BEEN MADE PARTAKERS OF THEIR SPIRITUAL THINGS: Those saints who gave to alleviate the suffering of Jewish saints are debtors, for if the Gentiles have been made partakers…and they were made partakers, then they have a duty to those saints who are suffering because their program was put on hold, to their hurt. The reason most people don't see it this way is because they do not realize there has been a dispensational change. THEIR DUTY IS ALSO TO MINISTER UNTO THEM IN CARNAL THINGS: Since the little flock is diminishing, and since their immediate needs are material, the duty is to minister to them in carnal things. They'd heard of their distress and cheerfully gave to relieve them because of the spiritual relation they have in God and with Christ. At that time, the Gentile saints were debtors because they had been made partakers of the Jewish saints' spiritual things, so out of love and not constraint, they had a duty to those saints, since their program was put on hold, to their hurt.
Romans 15:28-29		Paul is saying that when he comes to see them on his journey to Spain, he will come in the fulness of the spiritual blessings which are theirs by the gospel of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:28	GH: SEALED verse	28 When therefore I have performed this, and have sealed to them this fruit, I will come by you into Spain. Context from v26 where Paul is taking up an offering for the Jewish saints. Paul again expresses his intent to see the saints at Rome on his way to Spain. WHEN THEREFORE I HAVE PERFORMED THIS: Paul is anticipating going to Jerusalem to carry the offering to the poor saints there. AND HAVE SEALED TO THEM THIS FRUIT: Means when he has placed the offering securely in their hands. THIS FRUIT: Is the offering. Is the collection that he has taken up for the poor. SEALED: When I have safely put this into their hands so that they have it. I have made it secure, now it is sure. Could say preserve, preserved until he gets it to them. Has to do with faithfully delivering the offering to Judea, secure and sure. Paul should deliver the offering whole and safe, and in such a manner as to leave no suspicion that he had used any part of it for himself. FRUIT: Paul is talking about is the offering which the Gentiles have given for the poor saints at Jerusalem.
Romans 15:29		29 And I am sure that, when I come unto you, I shall come in the fulness of the blessing of the gospel of Christ. THE FULNESS OF THE BLESSING OF THE GOSPEL OF CHRIST: GH: Segue from Romans to Ephesians - exactly what the Book of Ephesians is about. The next level of doctrine which he intends to teach them. Are the doctrines which concern the fulness of their edification. GH: Ephesians doctrine - provide for our edificational advancement; producing in us a perfected godliness in all its component parts. When we think of the gospel, we are not always meant to limit our thinking to the forgiveness of sins which is ours when we trust Jesus Christ as our all-sufficient Savior. Includes everything that now brings with it. The Romans are already saved. Not limiting this to the gospel of the DBR. Paul expounds on this in Ephesians 1:3-14. FULLNESS: These doctrines will provide for the fullness of our edification too. Type of terminology Paul uses in Ephesians. GH: Paul will talk about things based on Romans doctrine and he won't reexplain it to you. He is going to take for granted that you already have that. Ephesians is 'perfecting your faith (the practice of your Christian life)'. Taking it further than it did from the Book of Romans.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:29		29 And I am sure that, when I come unto you, I shall come in the fulness of the blessing of the gospel of Christ. THE FULNESS OF THE BLESSING: Is a Hebrew mode of expression whereby a noun performs the purpose of the adjective. It means "with full or abundant blessing." BLESSING: GH: MM tying to our spiritual blessings in Ephesians 1:3-14. Talking about the spiritual blessings that are ours because we trusted Christ and as a result, we were put in Him. OF THE GOSPEL: Is not limited to the blessings of salvation from the debt and penalty of sin (which is what is normally thought of when speaking of the gospel). The gospel, in this use, has within its scope the entirety of the mystery, of which salvation is only the entrance. THE GOSPEL OF CHRIST: Paul is not limiting "the gospel of Christ" to the message of salvation, but he connects it with everything salvation makes possible. Coming to the knowledge of the truth should be the seamless transition from being saved. GOSPEL: Paul does not confine this to the DBR or just things like being forgiven. Paul means this phrase in a much broader sense. The blessings of the gospel turn out to be the spiritual blessings that are ours because we trusted Christ and as a result, have been placed "in Him." From that point of salvation onward, we are identified with Jesus Christ. (VERSE?) THE FAITH: We usually think of faith as connected with salvation; we are saved by grace through faith. But in verses like Romans 14:1 and 1 Corinthians 16:13, he uses it to describe the whole of the doctrine of the mystery of Christ.
Romans 15:30-33		30 Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me; 31 That I may be delivered from them that do not believe in Judaea; and that my service which I have for Jerusalem may be accepted of the saints; 32 That I may come unto you with joy by the will of God, and may with you be refreshed. 33 Now the God of peace be with you all. Amen. Sometimes Paul asked for people to pray for him so he may continue to preach the truth in the face of his enemies GH: **Please see 'GH: Paul's dangerous life' in the Bible Margin**. Paul asked for prayers for three separate issues: 1) deliverance from his enemies in Judaea (big one since we learned in Romans 8 that God is not going to intervene in the physical circumstances of life & we know Paul is not asking for this). What God values is the edification of our inner man (the product of His grace working in us) so that we endure our sufferings to His glory – and that is the kind of deliverance that Paul is praying for. Essentially, it is not a prayer to be delivered from his enemies from finding him or acting against him, but to be delivered from the spiritual effects of what they might do. In other words, this is a request for the saints to pray that Paul will not faint under the attacks. The deliverance is not from the attack, but the intended effects of the attack. 2) the acceptance of the offering to the poor 3) that he may meet with them in a way that is profitable to both him and them Not praying for physical deliverance, praying that he would continue to preach the gospel. Asking that he not change his message or water it down in view of their threats against him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 15:30		30 Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me; When Paul talks to the Romans about praying for him, he “beseeches” them. To “beseech” is “to ask urgently of someone,” (OED) or to “seek strongly.” (Crabb’s) Synonyms that are similar to BESEECH: It is like unto “beg, solicit, entreat, supplicate, implore, and crave” but there is a shade of meaning difference between each of these words. All of these words denote a species of asking, they vary as to the person, the object and the manner. Paul asking them in very urgent terms, I really need you to pray for me. MM doesn't see BESEECH as a command, thinks that is a little different. Doesn't mean he doesn't think we ought to do it.
Romans 15:31		31 That I may be delivered from them that do not believe in Judaea; and that my service which I have for Jerusalem may be accepted of the saints; Paul is not contradicting what he has said in a dozen other places. Asking them to pray that he will remain faithful in the face of the opposition. THAT I MAY BE DELIVERED FROM THEM THAT DO NOT BELIEVE IN JUDAEA: Sometimes Paul’s request for the saints to pray for him is that he may continue to preach the truth in the face of his enemies. Paul is not asking for the bad guys to leave him alone, he is asking for prayer that he not change or stop his message. That he won't back down from it.
Romans 16:1-27		Summary Statement: Paul expresses his godly love for the saints at Rome and concludes with a recap of the purpose of the epistle. Romans 16:1-27 has four subparts to it: 1. v1-16: Paul expresses his love for the saints at Rome; Salutations and affections for the saints in the various house churches at Rome 2. v17-20: Instructions concerning Phase 1 of the PoE (attack the message); Warning concerning the PoE 3. v21-24: Greetings to the saints from Paul’s retinue (GH: a bunch of people with Paul); Greetings to the saints from those with Paul and 4. v25-27: Paul emphasizes the purpose of the epistle. Paul ends the epistle by underscoring the purpose of the epistle Romans 16: Begins with various salutations affections for the saints in the various house churches at Rome. In a way, this is Paul’s way of having the saints at Rome come back out on stage and take a bow. The way Paul talks about these people, we can tell they were very much in his heart. The things that are said about them are sometimes incredible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:1-16	GH: Paul's Godly Labor - Romans 12:10b	Romans 16:1-16: Paul is going to talk about his godly love for the saints at Rome. He is not just saying some nice things. He is demonstrating some of the very things that we have been taught. He is giving us a chance to see that which has effectually worked in him into action and you are going to get an example of it. Greeting and saluting various people. Introduces Phebe because she is taking the epistle to Rome. Allowing the Roman saints to come on stage and take that bow. Can tell that they are really close to Paul's heart. GH: Paul's godly labor - verbal Romans 12:10b. Paul mentions 30 people by name. Also mentions whole groups of people. He is honoring, preferring a bunch of people in front of the saints at Rome. Remember, the saints at Rome didn't meet in a single building. They met in houses all over the city at different times. When Paul wrote this letter, it was going to have to circulate from house to house for everybody to see that. Almost all the names that Paul is honoring here are Greek. Paul says GREET/ASSIST/SALUTE/RECEIVE so-and-so. MM says these are people that, at some time or another, must have not lived in Rome but moved to Rome so they could be known by these people. Otherwise, why in the world would you even say that to them? When Paul has written this letter, he had never been to Rome. So he had to meet these people outside of Rome, had to know these people from somewhere else and they had to show up in Rome so when he writes this epistle to the Romans, he can talk about everyone of them.
Romans 16:1-16	GH: Paul's Godly Labor - Romans 12:10b	In the list you have men and women, you have elderly people and young people, you have prisoners and free men, 5 people who are related to Paul. There are people who are noteworthy and when you say their name, everybody knows who that is. Then you have people, because of obsurity, have been lost to us and we can't ID their name. Some names are common and not sure who he is talking about. There is a common bond of love between this list and Paul. And that did not get created by accident. That was selfless lovingkindness at work in the assembly and that's what we are talking about in Romans 12. Talking about: - being able to produce this kind of unity and cohesiveness - being able to strengthen this assembly - increasing our capacity to labor with our Father - insulating ourselves from the attacks from the outside - edifying itself in love All of these things don't appear out of thin air. They are the by-product of the doctrine working in us.
Romans 16:1-14		GH: MM giving two examples of women who taught the Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:1		1 I commend unto you Phebe our sister, which is a servant of the church which is at Cenchrea: Why does MM believe Paul wrote Romans from Corinth? Phebe is going to Rome and Paul thinks, I will send this letter by her. Paul writes Romans in this 3-month period. PHEBE: The first of many saints Paul mentions in Romans 16 is Phebe. Paul is not sending her a greeting, but he is introducing/commending her to the assembly in Rome. Means that Phebe is the one carrying Paul's letter to the Roman assemblies. Since she is, it makes sense that the first one to be introduced in this portion of the epistle would be the messenger carrying the letter; Phebe. This is the woman Paul entrusts with this task. MM says she must have earned a reputation of trustworthiness and must have been actively engaged in the edification process. A SERVANT OF THE CHURCH WHICH IS AT CENCHREA: MM thinks this is describing an official capacity rather than just "she helps out a lot." For example, the word "servant" in v1 is the same word (diakonon) that is otherwise translated "deacon." This has led some commentators to think that Phebe was a deaconess. In church history, there is record of women who were known as deaconesses. For example, in vol. 3 of the Apostolic Constitutions, it says "ordain a deaconess who is faithful and holy, for the ministries toward women." These deaconesses (**Please see 'Definition : Deaconess' in the Commentary.**) appear to have all been aged and experienced widows, sustaining a fair reputation and fit to guide and instruct those who were young and inexperienced [1 Timothy 5:3; 1 Timothy 5:9-11; Titus 2:4]. CENCHREA: Cenchrea is a small seaport village about 9 miles from the isthmus of Corinth. A port city of Corinth.
Romans 16:2		2 That ye receive her in the Lord, as becometh saints, and that ye assist her in whatsoever business she hath need of you: for she hath been a succourer of many, and of myself also. THAT YE ASSIST HER IN WHATSOEVER BUSINESS SHE HATH NEED OF YOU: MM jokes do you think Paul only means to go to Phebe's 8-to-5 job and help her? This is the way MM is looking at BUSINESS-Romans 12:11. May include your workplace but it is not limited to it. It's whatever you are busy with, whatever the business of your life is about. ASSIST HER IN WHATSOEVER BUSINESS SHE HATH NEED OF YOU: It looks like Phebe is not just delivering a letter, but once that is done, she has some kind of "business" to attend to in Rome. Was it secular? Or was it spiritual, something to do with the church at Rome? SUCCOURER: Phebe was important to Paul and to the assembly of which she was a part. MM thinks she probably did all of these OED definitions. OED: succour 1. To help, assist, aid †3. to relieve or remedy (a state of want, weakness, etc.); to relieve (a diseased condition) 4. To shelter, protect.
Romans 16:3		3 Greet Priscilla and Aquila my helpers in Christ Jesus: After introducing/commending Phebe, the first people Paul introduces is a couple: Priscilla and Aquila.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:4	Prayer Aspect : Thankfulness = I GIVE THANKS	4 Who have for my life laid down their own necks: unto whom not only I give thanks, but also all the churches of the Gentiles. WHO HAVE FOR MY LIFE LAID DOWN THEIR OWN NECKS: MM says this is quite a statement. These two (PRISCILLA AND AQUILA-v3) are on Paul's side no matter what.
Romans 16:5		5 Likewise greet the church that is in their house. Salute my well-beloved Epaenetus, who is the firstfruits of Achaia unto Christ. THE CHURCH THAT IS IN THEIR HOUSE: Priscilla and Aquila have a church meeting in their home, not unlike some of you!
Romans 16:7		7 Salute Andronicus and Junia, my kinsmen, and my fellow-prisoners, who are of note among the apostles, who also were in Christ before me. He says these guys are apostles. Not a part of the 12.
Romans 16:13		13 Salute Rufus chosen in the Lord, and his mother and mine. Makes MM wonder did Paul's own mother cast him off after his conversion? Was she no longer living? MM doesn't think that Paul and Rufus are brothers. Not talking that she is a mother to both of them by blood. But he calls her his mother. Doesn't think she's the person that raised him, think she is the mother of a man who is dear to him. Had a special relationship with her that he refered to her as Mom. This is how he felt about her, his estimation of Rufus' Mother.
Romans 16:16		16 Salute one another with an holy kiss. The churches of Christ salute you. SALUTE ONE ANOTHER: Something you do for/to others/someone else(corporately).
Romans 16:17-20		These verses have to do with the policy of evil and they start the transition into the next book as it appears in your Bible, 1 Corinthians. In each of Paul's epistles, there is a transition made at the end of each letter which segues you into the next, so there is a natural flow of the doctrine. Summary Statements: v17 – mark and avoid purveyors of false doctrine v18 – they are false teachers whom Satan uses to deceive v19 – you saints at Rome have done well in your edification, please continue v20 – And…(implied – if you do…the God of Peace will bruise Satan under your feet shortly!). The only way to really impact Satan is for: 1) God to do it 2) for it to be done on the basis of spiritual warfare, not physical. Is describing the Phase 1 attack against the truth of Paul's doctrine. Satan's POE goal is he wants to stop the truth. He wants to publish his untruth. But ultimately, he wants to stop edification from continuing within an assembly. If that attack fails, it isn't like there is no consequence to him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:17-20		Paul does warn you at the end of the Book of Romans once he has laid this out. You'll have understood your justification, your sanctification with the crowning part of your Sonship. You'll have gone through that first level of education as sons and daughters and when you get to the end, he is going to tell you that there are some people who are going to come in and you better spot those folks and know what they're up to because they are going to come in and oppose the doctrine he had just laid out to you. You have to mark it down in your own mind so you are not shocked. He is telling you how the POE works. When you finish your education in Romans, you have become simple sons. By the time this group becomes simple sons, there will be things known about you. Some people (GH: this group OR outsiders?) will rejoice in that and others will not. When you rebuff the initial POE attack and you get through that and you put on the ARMOR OF LIGHT, the tactics of the POE is going to change. Instead of attacking you with the world, instead of attacking you so you give up, it's going to attack you using this Book. Telling you something very important - now that you are a simple son, know this is coming your way. As an assembly of simple sons, there will be people come in with fair speeches and good words that are going to come into this assembly to do one thing. CAUSE DIVISIONS AND OFFENCES CONTRARY TO THE DOCTRINE.
Romans 16:17-20		Romans 16:17-20: Paul's warning and instruction to them concerning Phase 1 of the POE against them (and us). GH: Not sure the verse? At the end of Romans, you will be tempted to do something that you never ever thought you would do in your life. Will be tempted to quit your Sonship education in the Book of Romans. You are going to look around and say I know so much more than everybody else around me. Will know preachers who don't have an inkling of any idea of the things you are going to know. You are going to have something but all you really have is just enough to be dangerous. What you have really is good but the big temptation is going to be to look around and say this is enough. I don't need anymore. To counteract that, when you get to that place and that temptation comes, God is going to show you or tell you about a couple things that are meant to motivate you to continue on and not be satisfied with that. The temptation will be I kind of arrived here. Like when you graduated high school. You were never any smarter. You knew everything there was to know. Then, when you had to start making a living, your parents got increasingly smarter. They were dumb back then and all of a sudden, Wow! They weren't as stupid as I thought they were all along. Will get through Romans but will have to avoid that temptation. Your Father will talk about some hidden wisdom reserved only for those who go on. Not talking about the mystery.
Romans 16:17-20		He is talking about enticing us with something that we don't know so that we're encouraged to not stop our Sonship education. MM made a big deal of this and he meant to. It is going to be a big deal. MM realizes not every session is as exciting as he lit himself on fire and he is juggling chain saws as they are running. When you get to the end of Romans, you can't say, wow, how many years were we in that? That's enough. Let's do something else. If we do that, the temptation at the end of Romans will have had its intended effect and that means you will have only qualified to become something but you won't go any further. Temptation will come at the end of LEVEL 1. You will look around at the world, at most of the saved people in the world, including the preachers and you'll say because of what I have learned here, I understand things that those folks don't understand at all and that's enough. I don't need to go any further.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:17-18	GH: Spiritual Warfare (Ephesians 6:10-20) Commentary	What to do when we encounter those doctrines that are contrary to what Paul wrote to us. When we encounter those who sow the seeds of division within an assembly by opposing the doctrine which Paul has written to us, we should identify them (mark them) and we avoid them. It comes as no surprise that Satan is working within a local church to deceive and confuse the saints from the truth. CONTRARY TO THE DOCTRINE WHICH YE HAVE LEARNED: We avoid people we encounter who are teaching doctrine which is contrary to what Paul wrote to us. AVOID THEM: The more you hear that, the more acclimated you are to it. Then you don't see the danger. v18: DECEIVE THE HEARTS OF THE SIMPLE: v18: THE SIMPLE: Not really edified. Unaware. They hear these GOOD WORDS AND FAIR SPEECHES and think, oh, that's a good preacher. I like that guy. But they have no idea that the things he's saying are really echoing the very deceptions that Satan is trying to produce in the world today. Satan would love to destroy any of the fundamentals of the faith. But if you know your Bible, these are really hard to dispute. So today, Satan's attacks are dispensational. Hide the doctrines of the mystery. Put you back under some other religious system and it is even better if you make it Israel's program.
Romans 16:17-18	GH: Spiritual Warfare (Ephesians 6:10-20) Commentary	If they get you to live out of Israel's program, I can show it to you in the Bible and then teach something that's really not true for the DOGG. That's what gets done today. Turn over to the O.T. and apply a passage to you. Don't talk about a dispensational change. MM says today, in a lot of circles, dispensation is a dirty word. Paul was a dispensationalist. Anybody that really knows anything about scripture is a dispensationalist, including Satan. Because he has adjusted his WILES-Ephesians 6:11 to fit the dispensation. How many people have never even heard of the mystery. They read it was hid from the foundation of the world and then they don't tell you because they don't know. Satan and one of his DEVICES-2 Corinthians 2:11 does that. His plan is to hide the mystery, don't talk about the dispensational change. So what we do is grab some verses out of the O.T., grab 1 or 2 from Paul, grab some from the Book of the Revelation, we'll throw them together and we'll make this hybrid monster Frankenstein doctrine that we stitch together, and we'll try and serve God out of that. That's not an accident, that comes from Satan, passed down to the principalities and powers that pass down to mean who know preach that every day. MM says there are 100s of books on prayer. He has 35 in his library. There may be one out there, but he has never seen a book on prayer that rightly divides the word. Means they are teaching you to pray like you're an Israelite under the law, under a performance program. These are all to keep people in the dark about spiritual disciplines, about the mystery, about grace, about what God is doing and what He is not doing. No wonder we're so confused. No wonder Satan is having a hey day with us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:17		17 Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. You are being asked to do two things: 1) MARK: Means to identify, take notice of, to observe, to pay attention to. This is a thinking issue as the definition also includes "to take notice of mentally." Mentally identify and be aware. In order to mark people, you have to know Paul's doctrine. 2) AVOID: If they are contrary to Paul's doctrine, avoid them. If they follow Paul, imitate them. These both pertain to a particular kind of person. THEM WHICH CAUSE DIVISIONS AND OFFENCES: We mark "them which cause divisions and offences contrary to the doctrine which ye have learned" from Paul. This can have application to those within the assembly, and it can apply to those outside the assembly, but in either case, this is mainly pointed at men who are teachers of doctrine. To "mark" them means to notice what these people are doing; they are causing divisions and causing offences within the assembly by teaching doctrine which is contrary to what Paul taught. Obviously not talking about: - the weaker brothers whose edification has not yet advanced to fully inform their thinking in the doctrine - your Christian friends who have never heard of right division or grace or Sonship
Romans 16:17		17 Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. Use the questions (back in Romans 13) to develop a sufficient relationship to talk to them (GH: above two groups, NOT those who are causing divisions) about their edification. Within the assembly, this hearkens back to the obvious problems which could arise between Jews and Gentiles. - Some Jewish converts, who insist on observing the rites of Moses, would constantly press their Christian brethren to the Law, claiming it to be of greater purity and orthodoxy of life. - Gentiles might bully a believer into actions which violate his conscience; causing him to sin, just as we saw back in Romans 14:15. Both of the above can CAUSE DIVISIONS AND OFFENCES in the assembly. MARK THEM THAT CAUSE DIVISIONS AND OFFENCES CONTRARY TO THE DOCTRINE: Have to be sure and preserve the doctrine. THEM: People who are officially in front of a group and teaching the scripture. DOCTRINE WHICH YE HAVE LEARNED: Those 4 decision making skills.

Romans 16:17		17 Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. DIVISIONS: Factions or groups. The result of the doctrinal teaching of these men was to create division within Sonship churches for the purpose of halting their edification. Ultimately, this is an attack of Satan's PoE. The false teacher may not have, as his agenda, the cessation of edification; he may not even know what that is. But it is the goal of the adversary, and he uses this man's teaching as a tool to accomplish his purposes. OFFENCES: Are those things which give occasion for others to fall into sin; a course of life which would lead others into sin. CONTRARY TO THE DOCTRINE WHICH YE HAVE LEARNED: Not only is the false doctrine contrary to Paul's doctrine, the creation of division and offences within the assembly is also contrary to Paul's doctrine. If these false teachers are part of the assembly and have been through the doctrine and decided not to obey it, this is very dangerous. It gives them a platform that says, "I have heard what you have heard but I have rejected it." That does away with the idea that they just don't know about Paul's doctrine. These are wolves in sheep's clothing and they will scatter the flock. False teachers can be outside the assembly through books, electronic media, Internet, etc.
Romans 16:17		17 Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. AVOID THEM: Not to punish or embarass them, but so it doesn't have an effect on your education. EX Someone within the assembly holds a Bible study as a way to teach doctrine that is contrary to Paul's. This is promoting divisions and offences within the assembly. Our responses should be: - Don't take part in it/don't attend - Love this brother and pray for his recovery, but do not even give the appearance of agreement with his agenda EX Someone outside the assembly. Our responses should be: - Don't promote their teaching - Don't support their ministry

Romans 16:18		18 For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple. Summary statement – they are false teachers whom Satan uses to deceive FOR THEY THAT ARE SUCH SERVE NOT OUR LORD JESUS CHRIST: Things that demonstrate these dividers are teachers or leaders: 1. They SERVE NOT THE LORD JESUS CHRIST (why they are called false teachers): Another indication of an office of ministry or an official capacity. 2. BUT THEIR OWN BELLY: To serve yourself (compare to WHOSE GOD IS THEIR BELLY-Philippians 3:19). They are 'enemies of the cross of Christ'-Phillippians 3:18 and their belly is their god. They are the most important thing in their universe. They are selfish, and what they do is in service to themselves. Serving their own belly is serving themselves. It's all about them. 3. BY GOOD WORDS AND FAIR SPEECHES: Another indication of an official capacity. Are designed to deceive people. This is more than just casual conversation where they are expressing a view (although they may do it there too). It is in their speeches; therefore it seems more official. Are designed to deceive. Knowledge of sound doctrine and spiritual discernment will expose these for what they are; fraudulent.
Romans 16:18		18 For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple. SIMPLE: Who are deceived by these false teachers. They certainly aren't advanced in their edification. Not meant to be derogatory, represents lack of knowledge or lack of edification to be able to judge truth from error. MM doesn't think this ties to SIMPLE SON. GOOD WORDS AND FAIR SPEECHES DECEIVE THE HEARTS OF THE SIMPLE: (GH: LEVEL 1) Education ends in Romans 15:8. You are a simple son now. SIMPLE (son): See the change in tactics of the POE. You can see a SIMPLE son is going to come under this. POE is going to use men standing in pulpits using this Book and teach you a doctrine that is contrary to that which you have learned. Tell you the idea of RDW is wrong. Tell you that the idea that your are not supposed to go over to Hebrews-Revelation for your doctrine is wrong. When we say we are not going to get our doctrine out of Israel's program, they will say that's wrong.

Romans 16:19		19 For your obedience is come abroad unto all men. I am glad therefore on your behalf: but yet I would have you wise unto that which is good, and simple concerning evil. Nutshell: Paul says: - YOUR OBEDIENCE IS COME ABROAD UNTO ALL MEN: “Everyone knows of your obedience to the doctrine I have taught you.” Close to Romans 1:8. They weren't trying to hide it. - I AM GLAD THEREFORE ON YOUR BEHALF: “I am glad that you have been so receptive.” - BUT YET: “But yet, I would have you…” So now, he is talking about the future! - I WOULD HAVE YOU: "This is my desire for you" - WISE UNTO THAT WHICH IS GOOD, AND SIMPLE CONCERNING EVIL: “If I had my way, you will continue to be edified by my doctrine, and all the false doctrine circulating out there will have no effect on you to hinder your edification.”
Romans 16:19		19 For your obedience is come abroad unto all men. I am glad therefore on your behalf: but yet I would have you wise unto that which is good, and simple concerning evil. YOUR OBEDIENCE IS COME ABROAD UNTO ALL MEN: The obedience mentioned here is to Paul’s doctrine. Christians everywhere heard of the saints at Rome and their faith; their obedience. Paul is not only encouraging them and “boasting on their behalf,” but he is also reminding them that the Christian world is watching. Passage is very similar to how Paul started - YOUR FAITH IS SPOKEN OF THROUGHOUT THE WHOLE WORLD-Romans 1:8. OBEDIENCE: To the (Paul's) doctrine. I WOULD HAVE YOU WISE UNTO THAT WHICH IS GOOD, AND SIMPLE CONCERNING EVIL: He is talking in the context of their being influenced by false teachers and doctrine contrary to his. WISE UNTO THAT WHICH IS GOOD: Means continued edification. GOOD: Paul's doctrine. SIMPLE CONCERNING EVIL: Not hampered in their edification by false doctrine. EVIL: Contrary doctrine. The false teaching of those who are contrary to Paul and his doctrine.

Romans 16:20		20 And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. God bruising Satan is dependent upon you holding fast to Paul's doctrine. When you identify and reject the contrary doctrine, God bruises Satan. After a number of times, Satan then moves to POE Phase 2. AND THE GOD OF PEACE SHALL BRUISE SATAN UNDER YOUR FEET SHORTLY: Is a promise of what God will do to Satan every time we endure those attacks without being defeated by them, discouraged by them, overwhelmed by them, victimized by them…the God of peace will bruise Satan under our feet! When an individual saint who withstands the attack against the message and continues his/her edification, God bruises Satan under his/her feet. When an entire assembly withstands the attack against the message and continues its edification, God bruises Satan in a much larger way under the feet of the entire assembly. That's working together as a body. Two entities are work in the bruising of Satan: 1. GOD OF PEACE 2. YOUR FEET We are not going to bruise Satan, God is going to do that. In his epistles, Paul never instructs us in this DoGG to rebuke the devil, to cast out unclean spirits, to plead the blood or any such thing. The way Satan is defeated is by our edification unto godliness!
Romans 16:20		20 And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. GOD OF PEACE: GH: Similar to PEACE OF GOD, WHICH PASSETH ALL UNDERSTANDING-Philipppians 4:7 PEACE: A description of the peace in our hearts as we confront that attack! BRUISE SATAN UNDER YOUR FEET SHORTLY: Don't confuse with throwing him into the bottomless pit or throwing him into the lake of fire. Read SHORTLY - has to do with you overcoming the POE when it comes against you. It was that way for the Romans. It will be that way for us. When we get through with this education in Romans and become simple sons and daughters, there are those who are going to come and by good words and fair speeches, seek to deceive everyone of us and stop our Sonship education and oppose the doctrine that you will have been learning. They are going to be smooth. These are Satan's men. He says mark them and avoid them. If you do that, you get this promise in v20. You are going to have to know what is happening, see it for what it is, and not give it a foothold in your assembly. He's warning them about Bible teachers and preachers to come in with these other doctrines. This is why Paul's office of an apostle has to be magnified for us. It's Paul's unique and distinct apostleship. BRUISE SATAN: Proof that we are talking about the POE. To send him away not successful. BRUISE: Is something that is destructive and damaging but not fatal (Genesis 3:15). A bruise is not the end. It is damaging and it does have an effect, but it doesn't kill. When God bruises Satan under our feet, it is a defeat for him, but that is not his final defeat. That will not come until the final judgment. Takes place at the moment the attack is unsuccessful and you put off that contrary doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:20		20 And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. UNDER YOUR FEET: Here's is the really humiliating part of it; Satan is being bruised "under our feet." Oh, that has got to sting! God does the bruising, but He does it "under our feet." This happens every time we mark them which preach contrary doctrine and avoid them. The "marking and avoiding" constitute a defeat of Satan's attempt to move us away from the Truth. If an assembly is affected by the attack on Paul's doctrine, then edification stops and Satan conquers the assembly. If an assembly stands strong and continues their edification while rebuffing the Phase 1 attack, then God bruises Satan – under our feet. It is that accumulation of bruises that eventually move him to Phase 2; attack the messenger. Continuing our edification (which is being wise concerning the good) and doing so unaffected by the Phase 1 attack (which is being simple concerning evil), is one of the ways we carry out spiritual warfare. SHORTLY: Describes the time between our continuance in edification and when God bruises Satan. If you withstand the attack immediately, then the bruising is immediate. If it takes a while to cast it off, then the bruising takes however long that takes. GH: MM says this blows up this is Satan's finality. THE GRACE OF OUR LORD JESUS CHRIST BE WITH YOU. AMEN: The benediction. THE GRACE OF OUR LORD JESUS CHRIST: Grace is a power, the greatest power God possesses. It is the power for God to do for us what we cannot do for ourselves. But in this context, this grace has to do with our overcoming the attack of the PoE to move us away from Paul's doctrine and stop our edification. We cannot do that on our own. Edification is something God does in us, not something we produce.
Romans 16:21-27		Paul underscores the design and purpose of this epistle. He is making sure that that we are stablished.
Romans 16:21-24		Are greetings to the saints at Rome sent by those who are with Paul. There are eight individual names listed and whole churches.
Romans 16:23		23 Gaius mine host, and of the whole church, saluteth you. Erastus the chamberlain of the city saluteth you, and Quartus a brother. GAIUS MINE HOST: Paul is staying at Gaius' house. WHOLE CHURCH: Whereever Gaius is, there's a church there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:25-27		Is a description of God's power and what that power has accomplished. God's power has the power to stablish us. - to my gospel - and the preaching of Jesus Christ - to the revelation of the mystery, o which was kept secret since the world began o but now is made manifest - and by the scriptures of the prophets - according to the commandment of the everlasting God o made known to all nations for the obedience of faith Five means God has to establish & stabilize us: 1. According to my gospel (we are established in the faith by the gospel of Christ (for salvation) which includes all doctrine and exhortations given through Paul (for edification))
Romans 16:25-27		2. According to the preaching of Jesus Christ (we are established in the faith by learning about and possessing the unsearchable riches of Christ-Ephesians 3:8, which are all the riches that Christ provided for the body of Christ through His death, burial and resurrection – beginning with the mercies of God and including the manifold riches of His glory (Romans 9:23). - THE RICHES OF THE GLORY OF THIS MYSTERY AMONG THE GENTILES, WHICH IS CHRIST IN YOU - how Christ gets to live His life IN us - Colossians 1:27 - THE RICHES OF THE WISDOM AND KNOWLEDGE OF GOD - Romans 11:33 - THE RICHES OF HIS GRACE - Ephesians 1:6 - THE RICHES OF THE GLORY IN HIS INHERITANCE IN THE SAINTS - Ephesians 1:18 - THE RICHES OF THE FULL ASSURANCE OF UNDERSTANDING - Colossians 2:2 All of which are accomplished by Jesus Christ, hence the preaching of Jesus Christ. 3. According to the revelation of the mystery (firstly, as set in distinction to the prophetic program – we are established in the faith by all that was revealed to Paul by Jesus Christ which was kept secret from the foundation of the world concerning what God is doing when He ushered in a DoGG, and how that fits into His eternal purpose: - THE MYSTERY OF HIS WILL - Ephesians 1:9-10 - THE FELLOWSHIP OF THE MYSTERY - Ephesians 3:9 - THE MANIFOLD WISDOM OF GOD - Ephesians 3:10

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:25-27		4. By the scriptures of the prophets - not O.T. prophets, but those that verified N.T. scripture through the spiritual gift of the prophet, given at the outset of the DOGG for that purpose. 5. According to the commandment of the everlasting God - We are established in the faith by those things which God has **commanded (ordained)** before the foundation of the world. - BEING CHOSEN IN HIM BEFORE THE FOUNDATION OF THE WORLD - Ephesians 1:4 - BEING PREDESTINATED UNTO THE ADOPTION - Ephesians 1:5 - MAKING US ACCEPTED IN THE BELOVED - Ephesians 1:6 - THAT WE SHOULD BE THE PRAISE OF HIS GLORY - Ephesians 1:12 Preaching Jesus Christ according to the revelation of the mystery, not according to prophecy. Paul is being very dispensational here.
Romans 16:25-26		A good scriptural definition of the mystery. We do not follow Christ as He was revealed in the OT (which includes the four gospel accounts). We are to follow what God has revealed from heaven to us through Paul in his epistles from Romans to Philemon. We are not learning about Jesus Christ according to the O.T. Demonstrates that God kept the mystery a secret since the world began. Paul mentions 3 things that stablish/stabilize (because there are attacks to destablize you or make you uncertain) the believer in the faith: 1) Paul's gospel, the gospel of the grace of God 2) the preaching of Jesus Christ according to the revelation of the mystery (which was secret but now is manifest), (GH: not according to the prophetic program) and 3) by the scriptures of the prophets, which is a reference to the OT. (GH: Old view?) MM says this is a correction for anyone who wants to throw away everything except Paul's epistles. And Paul alludes over and over to the O.T. throughout his epistles. He expects you to know it because he doesn't explain it. There is a comma and an "and" in v26. Some read the verse by omitting the word "and." This would create a contradiction, for it would make the revelation of the mystery be the scriptures of the prophets, which it is not. , AND: Show these things are different from each other. ACCORDING...MANIFEST: Paul's commentary
Romans 16:25-26		**Three things that establish a believer:** **1. MY GOSPEL-v25 (gospel of the grace of God)** **2. THE PREACHING OF JESUS CHRIST, ACCORDING TO THE REVELATION OF THE MYSTERY-v25 (not talked about anywhere in the O.T.)** **3. AND BY THE SCRIPTURES OF THE PROPHETS-v26**

Romans 16:25	Prayer - Inner Man Power - Stabilizing = POWER TO STABLISH / RDW / GH: Mystery Verses - Component 2: Establishment as members of the body of Christ / GH: STWB-Mystery (1x)	25 Now to him that is of power to stablish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, Today we are living in the Mystery program which God kept secret since the world began, until He revealed to the apostle Paul. Acts 9 marked the beginning of a new dispensation or program of the Grace of God, that God had kept secret. NOW TO HIM: HIM is referring to God. STABLISH: Stablize, not to be shaken or lose confidence. End of the Book of Romans. Compare to ESTABLISHED-Romans 1:11 - By the end of Romans, they have been established, they have this doctrine in them. The INNER MAN Power to sustain us. Someone getting STABLISHed is a foundational issue. MY GOSPEL: Gospel revealed to him-the gospel of the grace of God. . The gospel that Paul is preaching is different than the gospel preached in the Gospels. This is the gospel revealed to him that should be preached during the DOGG and it is NOT the gospel of the kingdom. MM said people believe there has only been 1 gospel forever and that is not the case. By the preaching of Paul. Because nobody else preached this gospel Paul was preaching. THE PREACHING OF JESUS CHRIST, ACCORDING TO THE REVELATION OF THE MYSTERY: This is what Paul is preaching. Paul is preaching Jesus Christ, but he is preaching Jesus Christ “according to the revelation of the mystery!” In other words, Paul is preaching Jesus Christ in accordance with this new dispensation of grace! Paul is not preaching Jesus Christ according to the prophetic program with Israel because that program was put on hold back in Acts 7. Talking about that dispensational change.
Romans 16:25	Prayer - Inner Man Power - Stabilizing = POWER TO STABLISH / RDW / GH: Mystery Verses - Component 2: Establishment as members of the body of Christ / GH: STWB-Mystery (1x)	25 Now to him that is of power to stablish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, Paul is not preaching Jesus Christ according to the Messianic program which is recorded in the gospel accounts, because that program is in abeyance. Paul says he was preaching Jesus Christ, not according to the prophetic program, but according to the revelation of the Mystery which was kept secret since the world began. We are not part of Israel. We are part of the body of Christ. REVELATION: A revealing. He is preaching Jesus Christ. MYSTERY: Christians can live their whole lives and never hear about the mystery. THE MYSTERY, WHICH WAS KEPT SECRET SINCE THE WORLD BEGAN KEPT SECRET SINCE THE WORLD BEGAN: (GH: prayer topic) Have an appreciation for all that has been done for us by God by knowing that God had this in mind before the foundation of the world should tell us something about the crucial nature of this as part of God’s plan and purpose from the beginning. SECRET: God has a whole dispensation that no one knew. Not the same as SECRET-Daniel 2:19 & Nebuchadnezzar's dream. Prayer - The power to stablish us (Romans 16:25) - 'stabilizing power' - **STABLISH: Stablize, not to be shaken or lose confidence - Stablizing Power - one of 5 ways God empowers us in our inner man**.

Paul's gospel: The death, burial, & resurrection of Jesus Christ 2. The preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, but now is made manifest Need to know foundation before advanced. Have you ever tried to stand up walls when the concrete was still wet or the mixture wasn't right? Romans 1: To get them established in the faith Romans 16: power to stablish you (Romans is to stablize you) What you are being educated in was not revealed prior to it being given to the apostle Paul. This is all part of the “revelation of the mystery.” Not even the creature knew about this before Paul began to put it on display, preach it and write it down in Romans 8. It certainly was not part of Israel’s program and neither was it ever part of the wisdom of men. Everything you are being told is meant to produce the attitude of your heavenly Father IN you, so as you go through the doctrine, think about what that is. Ask yourself , “What attitude does this doctrine produce in me?”
Romans 16:25	Prayer - Inner Man Power - Stabilizing = POWER TO STABLISH / RDW / GH: Mystery Verses - Component 2: Establishment as members of the body of Christ / GH: STWB-Mystery (1x)	25 Now to him that is of power to stablish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, Paul didn't say I am preaching Christ according to the prophetic program, he says I am preaching Jesus Christ according to the revelation of the mystery which was hid from the foundation of the world but now is made known. KEPT SECRET SINCE THE WORLD BEGAN: Paul uses it to say that no one knew about the mystery since the world began because God kept it a secret; kept it hidden in Himself. If God decided on the mystery of Christ before the foundation of the world, and He wanted to keep it a secret until He revealed it to Paul, then the mystery had to be a secret “since the world began.” Sometimes, we get to thinking that the body of Christ was an after-thought, or a kind of “Plan B.” But Paul says, God decided all of what He would do with the church, the body of Christ, before He created anything, before “in the beginning.” Since the world began - talked about the prophetic program. Before the world began (GH: even before the host of heaven/angelic realm were created) - talked about the mystery. And when the world began, We just didn't talk about the mystery anymore. Because if Satan and his minions had known, they would not have crucified the Lord of Glory-1 Corinthians 2:8. The only Ones who knew about the mystery is the Father, the Son, and the Spirit. Then, the angels show up and God starts telling them things and creating things and they oooh and ahhh, they know nothing about the mystery because it was HID IN HIMSELF-verse? Point: What God is doing with us is not Plan B. It was Plan A.

Romans 16:25	Prayer - Inner Man Power - Stabilizing = POWER TO STABLISH / RDW / GH: Mystery Verses - Component 2: Establishment as members of the body of Christ / GH: STWB-Mystery (1x) / GH: GPPI verse / GH: IPF verse	25 Now to him that is of power to stablish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, THE PREACHING OF JESUS CHRIST, ACCORDING TO THE REVELATION OF THE MYSTERY: Paul is not going to preach the kingdom of heaven, but he is going to preach the gospel of the grace of God. Paul is not going to say "Repent, for the kingdom is at hand." Paul is not going to tell people to keep the law or its observances. Paul is given the revelation of the mystery of Christ. Paul is clear here that God is starting a new program that's going to include Gentiles. He is temporarily suspending His program with Israel and now is going to usher in this new program and it will be so UNTIL THE FULLNESS OF THE GENTILES BE COME IN-Romans 11:25. This is not replacement theology. We don't take Israel's place. We don't get their promises. We don't get their covenants. This is a different people in a different program to achieve a different purpose. God still means to achieve His plan and purpose with Israel and when this mystery program is over, He will re-institute the Israel program. MY GOSPEL: Paul's gospel, gospel of Christ, is different from the apostles gospel, the gospel of the kingdom. It's unique to him. ACCORDING TO THE REVELATION OF THE MYSTERY: Not according to the Old Covenant, not according to the law, but according to the prophets, but ACCORDING TO THE REVELATION OF THE MYSTERY. Peter and the apostles understood nothing about the gospel of the grace of God.
Romans 16:26		26 But now is made manifest, and by the scriptures of the prophets, according to the commandment of the everlasting God, made known to all nations for the obedience of faith: BUT NOW: It's made known. We are letting everyone know about it. But Satan doesn't want everyone to know about it. He wants it to be kept secret. He works very hard to get you back into Israel's program. Feels good to your flesh. It's the doing of things and observing of things and participating. The flesh loves that because it feels like it is doing something. We feel so holy. This must be spiritual because we feel so good about it. Those are the things that the flesh gravitates to. BY THE SCRIPTURES OF THE PROPHETS: Not the O.T. prophets. They (GH: validated as inspired and) wrote them (GH: made copies) as part of inspired scripture. How do we know we have the right books? It's not up for some counsel to decide. God, through His Spirit, gave men the ability to identify the right books and all of those writings. Paul comes along and says he was the one that finished up the scripture. He is the one that fulfilled all the written scripture and after he got through, there wasn't going to be anymore. THE SCRIPTURES OF THE PROPHETS: Says it this way since they are the ones that verified that it was the word of God. Not the referring to the Book of Amos. PROPHETS: N.T. prophets - ID inspired scripture and then apostles make copies and take them to the surrounding churches.

Romans 16:27		27 To God only wise, be glory through Jesus Christ for ever. Amen. TO GOD ONLY WISE: Is the issue of the rightful possessor of heaven and earth (PoHE). In view of everything Paul lists here, God is the only One capable of being the rightful PoHE; only His Wisdom can do it. This is a fitting end to the book of Romans. GOD ONLY WISE: Paul is rubbing it in the face of the adversary that he doesn't have this kind of wisdom. GH: Power of grace to have these unredeemed bodies with sin in our members conformed to the Image of Christ. Satan is not wise enough to be the possessor of heaven and earth.
Romans 16:27+		When you come to the end of the book of Romans: - You will understand that your entire life is actually a dress rehearsal or a apprenticeship for what we will be doing in eternity (You really will see your whole life as a training ground and as a practice field for your eternal vocational training) - You will be putting those Level I decision-making skills into practice every day. You are going to get more and more/increasingly skillful with them by your practice of them. The more you use them the better you get at them, like learning a stick shift. - You will no longer look at each other (the members of this assembly) the same way. When you look at any part of yourself in a mirror, we see our body. You look at that as you. It's a whole/a composite. The scripture will teach us about in this assembly, we are a body and we are all parts of that body. Today, you look at so-and-so and that's so-and-so. Will look at people and see parts of the body. Look at Billie and say, that's an eye. Get that first in Romans 12 and you'll have that all the way through and that has to be in place before you get all those skills finished up. - You will no longer view your job the same way. The way you work your job down here is the way you work your job up there. - The things that happen to you in your life (both common and uncommon circumstances-only happen to you), you will begin to view differently. Stuff that happens to all, will look at differently. Stuff that only happens to me, will look at differently. You will know the answer to that question and you won't trade out of it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Romans 16:27+		- You will understand that what you learn now is going to translate into abilities and capacities and might and power that you will draw from when you are sitting out in the Creature. - You will know what every doctrine contained in your Level I Sonship is for and how to put them to use in your life. That's a big order but not as big as you think. - You got the attention of and you have faced the adversary for the first time, as he directly opposed your Sonship education. You will have round 1 under your belt. - You have encountered both the “evil man” and the “strange woman” oppositions to your Sonship life and education, including their great temptation as to how you will spend your time. (Don’t make the mistake of underestimating that one) - You will not have suffered the full assault of the POE by the time you get through the Book of Romans. You will have encountered it, yes, but it won't be everything he has to throw at you. He's not going to be allowed to do that. He can't deal with you beyond where you are in the education. - You know precisely where and when the strange woman will produce its first powerful seduction with its temptations and allurements. He is going to say here's where the POE is going to come against you. Here's exactly when. Here's exactly how. And here's how you handle that. That's how plain it will be. Context: At the end of the Book of Romans there are 2 segways: 1. Takes you into 1 Corinthians 2. Takes you into Ephesians
1 Corinthians - Galatians		**POE Attack Phases:** **- Phase I: Attack the message - 1 Corinthians - Wants to corrupt the message. It doesn't want the messenger to shut up, it wants him promoting the wrong message.** **- Phase II: Attack the messenger - 2 Corinthians - Meant to make the messenger quit/stop** **- Phase III: Discredit the messenger - Galatians - So no one will put much stock in what he says** **- Romans + above is the SIMPLE SON education** **Provide the details that you fill in what was already introduced to you in Romans.** CARNAL: Corinthians FLESHLY: Galatians 1. Walk after the world - lust of the world 2. Walk after the flesh - try and use the law to live for God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		**Please see '1 Corinthians Commentary' and 'Place : Corinth' in the Commentary section.** Corinthians: Written to correct the Corinthian saints that got off track. When Paul is correcting them, he is giving them the Romans doctrine over again. Is the correction for Romans. Corinthians: Outwardly, didn't seem to have any problems. Were an assembly with a lot of people and a lot of money. They were sort of a flagship assembly. They were going pretty well till they got up to the issue of Sonship and they saw something. It wasn't about being educated as a son, it was something contained in Sonship that caused them to balk and stop dead in their tracks. Paul preaching the Romans doctrine to the Corinthians even though Romans wasn't written yet. MM not trying to shoot at somebody. Real issue here. Corinthians were exactly where the mega-churches are today. Doesn't matter where you draw the line - doesn't have to be thousands, ten thousands. Outwardly and as the world defines success. Those churches look very successful by conventional wisdom - how much money comes in, how many people, how big your youth department is, how professional are your musicians, size of the auditorium. People want to feel good to excel as a church, and not yet begin to labor with their Father. MM says there are so many connections between 1 Corinthians and Ephesians he can't keep track of them.
1 Corinthians		Having a bunch of programs, youth camps, VBS, etc. is not what your Father has in mind when He talks about laboring with Him. Not saying those things are bad or motivated by evil. You don't find any of them in your Bible which is a textbook that tells you what you are supposed to be doing. Don't find a mention of it. Means someone came up with it other than your Father. Because MM's church doesn't have those things, most people will never come here. Have other things motivating them as to why they are choosing a church. People like prestige. Let's go to the biggest church or where all the big shots go. Mentality of a club we belong to and we are all winners. MM says it depends on how you define win. Find Paul defining success a little differently than you guys. No one today had it all going for them like the Corinthians did. Were looked at as the crowning jewel or pinnacle of what a church is supposed to be. Even though they had all the outward trappings of success, Paul is pretty tough on them. They understood some things - knew they were justified, knew they were sanctified. Corinthians: Talking about a people that when Paul corrects them, he brings them back to the doctrine in Romans. Not a different doctrine or an additional doctrine, it's just a detailed explanation of what he's already given. He didn't give that in Romans because they weren't having those problems. Corinthians: Chruch in Corinth sat right next door to the synagogue.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		Corinth was a city at the cultural and economic cross roads of the world. Anybody who was anybody at some point probably came through Corinth. Have a large, wealthy, affluent group of believers in Corinth who outwardly appear very successful but when they got to Sonship they saw something that scared them to death and they just stopped. Even though they looked successful - most cars, biggest building, biggest chandelier, etc., he writes 1 Corinthians to straighten them out. They had fallen victim to Satan and the POE as it works against someone new in their Sonship. Part of the policy is to get you to quit. They were not willing to pay that cost. One of the things they saw was the SUFFERINGS OF CHRIST in the life of their apostle Paul. They were saying woah, Nelly. We don't want any of that. They weren't willing to pay that price. Set aside the times Paul was beaten, did without, shipwrecked, etc., how was he perceived by his peers? Using the vernacular of the day, all the best-selling authors hated Paul. All the megachurch pastors despised him. He was an outcast. He was not well-received. They looked at that and said if doing what you are doing results in that, wow! Not people who were indifferent. There was an active, hostile opposition - enmity. Paul writes 1 Corinthians to straighten this out and it works. Then he writes 2 Corithians to tell them how to hold up under these sufferings. Along with that, Paul is going to explain some things about the new covenant that they are beneficiaries of the new covenant and how that effects their Sonship education.
1 Corinthians		Paul gives them a warning - do not try and employ the law because if you do, here's what the result is going to be. When Israel said they were going to do the law, they slit the throat of their sanctification. They put it to death. Why Paul says the law MINISTERATION OF DEATH-2 Corinthians 3:7 if you are trying to get saved that way and MINISTRATION OF CONDEMNATION-2 Corinthians 3:9 if you are trying to get sanctified that way. Corinthians: GH: Loved all the mercies of God up to being adopted. Like being adopted son. One of the big things is liberty to make your own decisions. They liked that. Your Father is not going to tell you what to do, not going to punish you for making bad decisions. They learned God is not going to make them do the right things. Not going to whip them into it. They learned if they were to continue down this road of getting educated that there was a particular specialized type of suffering that was going to come their way. When the Corinthians saw that, it absolutely scared them to death. They decided to back it up a notch, do the first 5 but leave out adoption. Paul writes 1 Corinthians to get them back on track and they do get back on track. After they get back on track, Paul writes the second letter to show them how to deal with the POE that Satan has put against them and how to go through that. He is going to equip them to go through that. When they get back on their Sonship education curriculum, Paul gives them the command to BE PERFECT-2 Corinthians 13:11. He is going to talk about the perfecting that comes in going through the curriculum. Corinthians: Continues to take them back to Romans and talk issues of their Sonship. Gives more details than in Romans.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		1 Corinthians Purpose: Take someone who has an affection for the things of this world and especially the wisdom of this world and undo/lose that affection to such an extent that you are no longer ashamed to be looked at by the world as 1 Corinthians 4:13. A letter of correction. They were doing all sorts of despicable things to each other, defrauding each other, and taking each other to courts of the unsaved. Paul says if you are the one that got defrauded, if your brother is the one that did that to you, you forgive him. The world would say that's crazy, I'm not letting anybody walk over me like that. Corinthians: Is not instructing you in the doctrine as much as it is correcting your error from the doctrine. A Book of correction. Form of doctrine - reproof, correction, and instruction in righteousness - RCI. 1 Corinthians: The Corinthians got off track and Paul writes this Book to get them back. They respond to his letter and get themselves back on track. Is working to correct the Phase 1 attack of the policy of evil (attack the message) against the Romans doctrine. That epistle has its intended effect on the Corinthians by getting them back on track doctrinally. So, Satan puts Phase 2 into action. 1 Corinthians is POE Phase 1 - Attack the message.
1 Corinthians		The Corinthians had a slew of problems and Paul is writing to straighten out a lot of those. When Paul writes 1 Corinthians, he is really writing to them. Not only do they have a love for the wisdom of this world and the fashion of this world and the things of this world, but they do not want to be considered what Paul said - if you exhibit godly wisdom you are going to be considered the filth of this world and the offscouring of all things - the 2 things he mentions specifically. Corinthians looked at that and said, we don't want to be looked upon that way. If they go along with the world the world will think they are just fine. What does their Father think about that? Thinks they are foolish sons. They had a lot of problems and instead of solving within their assembly, they were going to the worldly courts and suing each other. The secular courts of the world had a wisdom to settle these matters - the wisdom of this world. But they were supposed to use godly wisdom. Paul is saying you are supposed to have godly wisdom yet you are going to the world to get this settled. First thing that outraged him. Paul says DARE ANY OF YOU - strong terminology. Like saying how dare you guys do this because they were going with competing wisdom and not godly wisdom, the very thing you are supposed to be engaged in. Corinthians: Victimized by the attack from the EVIL MAN. 1 Corinthians: Believed to be the first Book that Paul wrote - 56-58 AD. 1 Corinthians - Ephesians GH: parallels

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		Corinthians: Paul told them the world will look at God's wisdom and call it foolishness. They thought the wisdom of this world was so great. Then he turns right around and says we are fools for Christ's sake because that is how the world sees us. Paul had that godly wisdom. He was a fully educated son. This should not come as a shock. You will either be viewed a fool in your Father's eyes or the world's eyes. Don't think the world is going to come to you and say, we need to hear from you. They are going to say, those guys are idiots. This whole assembly will be viewed that way by the world. Even worse. Everybody of believers caught up in the counterfeit system will view you as fools. Not just the world, it's the people busy entertaining themselves on Sundays. Corinthians: Ran off the (GH: Sonship?) rails. You will see in the scripture exactly how you know that. Knew they were DEAD TO SIN, ALIVE UNTO GOD, and adopted sons. But when they got into this orientation, they saw some things that they were not going to do. They succumbed to the attack of the EVIL MAN or the COURSE OF THIS WORLD.
1 Corinthians		The Corinthians problem was the EVIL MAN or the world. That's what got them off track. Not saying the POE wasn't working. One of the first things the POE does is it uses the world. - Problem 1: Corinthians liked the FASHION OF THIS WORLD, the way the world sees things. They loved the world. - Problem 2: Corinthians liked to be well thought of by the world. Wanted to be well-thought of by the world. - Problem 3: Corinthians knew about the Sufferings of Christ. Not personally but because Paul had been there in Corinth and he is telling them about them. Paul gives his own life as an example. So they are looking at Paul and he's going to give them this list of things that have happened to him that are a direct result of him suffering as a son (not SOPT).
1 Corinthians		Paul says in my life, here's how its gone, all these things have happened. Corinthians saw this list and said we don't want that. That does not look appealing to us at all. Realized to pursue this education, the world would consider them fools. They looked at what Paul went through and said no thank you. Saw Paul's SoC and it terrified them, they didn't want any part of that. Other problems: Abused their liberty in Christ. See the world was one of those major oppositions for them and it got the Corinthians. The Corinthians got introduced to their Sonship (Romans 8:14-15). They got that far. Will see the evidence. Knew they were justified, dead to sin, alive unto God - they loved all of that. But when they found out they were sons and that was going to change everything for them, that was a scary thing so that ran off track. 1 Corinthians: What Paul is doing in his correction of the Corinthians (and it is always this way), is that he corrects them on the basis of grace, and not the law. He exhorts them by the obligation of grace by telling them who they are (now that they are in Christ) and then challenging them to live in accordance with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		Corinthians: Didn't do their Sonship at first. They eventually do, but Paul has to write a letter to get that done. They had the same idea that is popular today. If you serve God and are really faithful, then there's a whole bunch of good stuff that is automatically going to happen. Then Paul makes it very clear to them - if you are going to pursue your Sonship, the POE is going to crank up against you. You are equipped for it, told about it, given everything you need to deal with it, and you are actually going to benefit out of it. When they looked at him and he detailed for them the things that was happening in his own life in conjunction with the attacks of the POE, they decided we don't want any of that so they backed off. Part of the problem that was going on with them. They didn't stop church/didn't quit assembling together/didn't eliminate ministries, they kept doing all of the things that a church would do except they did not pursue their Sonship education. Why Paul says, your meeting together is not for the better, it's for the worse (1 Corinthians 11:17). He wasn't chiding them because they weren't having church. They had allowed the functional life of their church to be destroyed. God says that if they are living out of anything other than the sanctification He gave them by grace, then their whole Christian life is nothing but functional death. 1 Corinthians: Book of rebuke, trying to get them back on track.
1 Corinthians		Corinthians: Faction challenged Paul's apostleship. Those that compare themselves is not wise. Corinthians: Doctrine that produces a faithful ambassadorship but you don't get that until you are already a SIMPLE SON. Possible to suffer because of your ambassadorship.
1 Corinthians		This would include: - the Lord's Table, - Spiritual Gifts and the Operations of God, - Good Manners, etc. - Had several things going on in their assembly. Act like they had a spiritual gift when they did not - wanted people to look at them like a big shot. Here's the problem, when a genuine prophet comes in and says yeah, that's the word of God. The problem is when that happens, when a guy is faking it goes, no that's not the word of God it caused confusion. Every true prophet of God would give the same testimony. Were taking the spiritual gifts and counterfeiting or faking them. Some were easier to counterfeit than others. Also had the abuse of the genuine gifts going on. - Liberty got corrupted. - Lord's Table got corrupted. - Spiritual gifts created confusion in the body so it is no longer a spiritual thing, it's a corrupted thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		POINT: We look at this issue of prayer like it is automatically a spiritual thing, but when it is not in accordance with God's word and His Will, when it is not dispensational in nature, that also gets corrupted and it no longer serves the purpose for which God designed it. Now, instead of being a benefit, it's actually now a road block to what prayer is supposed to get done. When the Corinthians saw what Paul was going through through those personalized attacks of the adversary, it was enough to scare them out of their Sonship education. They just stopped dead cold. They looked at Paul and said if that's what's in store for us, we don't want any of that and they threw in the towel. Paul has to come along and write 1 Corinthians to get them back on track and then he's writing 2 Corinthians which is dedicated to help them cope with the POE as it targets them specifically now that they are back in their Sonship life and able to make an impact on Satan's realm. Wanted their justification and their sanctification but didn't want the attacks of the POE. Wanted their prestige of being THE church in Corinth, wanted the easy road, wanted affluence, wanted everything to work without a problem. Paul is not saying that these things WILL happen to you (GH: POE),
1 Corinthians		Paul is saying these things could happen to you. GH: Satan will customize the POE for each of us. Won't go through anything that the POE offers up that you will not have first been prepared to go through. Were separated from their Sonship life by tribulations. Every church in Asia were. 1 Corinthians: Notice repeated words and phrases - EX OF THIS WORLD: o Disputer of this world – 1:20 o Wisdom of this world – 1:20 o Princes of this world – 2:6 o Fornicators of this world – 5:10 o Fashion of this world – 7:31
1 Corinthians		When Paul is writing this, the whole idea of sanctification hadn't been revealed yet. Because the knowledge was in part at this stage. Part of the things they didn't know are the things that God really wants them to know, because that's the part of how they understand how much God V&Es them. MM says there are a lot of people that know Jesus died on the Cross but don't know much more than that, but they are very thankful that He died on the Cross and shed His Blood. They don't know why He needed to shed His Blood, but they know He did and they're glad and they know they got forgiven. But it is way more than that and it is way more than the 3 Justification aspects of your new identity in Christ. MM says the command is to love God with all of your heart and mind and strength but nobody does that. There may be a moment which you do. Jesus Christ took on flesh and He grew like any normal human did in wisdom and in stature. MM doesn't think He was lying in the manger doing calculus. They think I AM a baby but I AM the God of the universe and I AM going to sit here and do quantum mechanics until I AM old enough that it won't be a shock. MM doesn't think He was doing that. There was a time He came to understand who He was as taking on flesh and that's part and seeing that leads to another great doctrine, the incarnation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians		You have One God being manifested in 3 Persons - Father, Son, and Holy Ghost. You have the middle Person with two natures, very man and very God. As you understand this, you ask why does He says at one point that no man knows the day of the hour, not the Son, but the Father only. Point: So much wrapped up in this. The more you learn it, the more you have an appreciation for what God has done. MM hopes will see the genius of God in everything that He has done. MM understands there's debate today on whether the spiritual gifts are going on our not, but if you understand what you have today, in the completed revelation of Scripture as opposed to the spiritual gifts, including having Paul in their midst, we're better off today. May sound crazy. We're better off today because Paul had to learn it too. MM quotes Romans 13:9-10. What we have today is so much better. Not MM's opinion, he quotes Paul again - 1 Corinthians 12:31. Church at Corinth: Had a large section of Jews and Gentiles. Can't assume Gentiles were current on Israel's history. Jews knew the stories but probably didn't understand the story behind the story. Same with Christians today.
1 Corinthians	Doctrinal Progression	1 Corinthians: In response to our establishment as sons, Satan unleashes the first round of attacks, beginning with the POE Phase 1. This is the subject of 1 Corinthians. Remember, this is the initial round of attacks in Phase 1. In the case of the Corinthian church, the Phase 1 attacks were successful. The remedy for having succumbed to the attacks against your establishment doctrine is found in 1 Corinthians. We can't skip 1 Corinthians. The attacks against the message are listed in 1 Corinthians and the doctrinal remedies for those attacks. See exactly how Satan will attack your Romans education - this is the Book that tells you how. 3 Major Divisions - GH: POE Round 1/Phase I - Attack Message: 1. 1:1 - 4:21 - RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly THINKING (10 components/component parts) 2. 5:1 - 10:33 - RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly LIVING (4 components/component parts) 3. 11:1 - 16:24 - RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly LABOR (5 components/component parts)
1 Corinthians	Doctrinal Progression	MM will show you the verses that are reproofs, corrections, and instructions in righteousness for each attack to show how it is taking place. Show you exactly how Satan is going to do that with us. If God is going to show you what your adversary is going to do before he does it and then give the doctrinal remedy, then there is no reason that he should succeed. It's not like Satan is scared of us. These attacks are against the foundational edifying produced by the Romans doctrine. In accordance with these kinds of attacks, this epistle works: - first to reprove the specific ungodliness - then the necessary corrective doctrine is applied - and finally the instruction in righteousness which is meant to cancel the ungodliness and implement godliness in its place

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:1-4:21		RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly THINKING (10 components) - Their ungodly thinking-not thinking properly. Paul corrects their ungodly thinking in connection with: 1. their collective identity in Christ (1:10-17a) 2. Paul's temporary and special use of water baptism from Israel's program (1:10-17a) 3. their use of the "wisdom or/of words" in presenting the gospel - thought they needed to find cleverly contrived ways to do this (1:17b-31) 4. their employment of the "excellency of speech or wisdom" (2:1-5) 5. thinking the wisdom of the world exceeds godly wisdom (2:6-3:4) 6. regarding ministers of Christ and the work of edification (3:5-17) 7. being wise in this world (and is that really wise?) and who actually is wise (3:18-23)) 8. judging and evaluating ministers (4:1-8) 9. regarding the SoC (4:8-4:17) 10. GH: judging their ministries compared to the Power of God (4:18-21)
1 Corinthians 1:1-9		This is a Book of correction but for the first 9 verses, Paul doesn't correct 1 thing. Doesn't start immediately jumping on them. Instead, He talks about things that God has done for them, some spiritual blessings that they have in Christ. When he gets to v10, he starts with the correction.
1 Corinthians 1:1-3		MM says he doesn't think any prophet said those words at any point prior to Paul writing these words. First, because Paul is naming himself so they can't quote it as though they're Paul. Second, how do you even know if they knew who Sosthenes was? Maybe some of them did, maybe some of them didn't. Point: The way they heard the truth was way different than the way we hear it. It's essentially the same truth of the doctrine at its core, but the words being used are different from that words we have now.
1 Corinthians 1:1		1 Paul called to be an apostle of Jesus Christ through the will of God, and Sosthenes our brother, PAUL CALLED TO BE AN APOSTLE OF JESUS CHRIST THROUGH THE WILL OF GOD: Paul is our apostle and called by God. CALLED TO BE AN APOSTLE: Paul, like the original 12, was appointed to the office of apostle by the Lord Jesus Christ, Himself. SOSTHENES OUR BROTHER: Paul mentions Sosthenes as a "brother" which is informative. In Acts 18, Paul is in Corinth, where Sosthenes was the "chief ruler of the synagogue." He had replaced Crispus, who had converted to Christianity. MM says Paul is doing a pretty good job at preaching the gospel. SOSTHENES is the main prosecutor of Paul at the Bema seat in Corinth (Acts 18) and now he is traveling with Paul as a BROTHER. MM says this talks to the Power of the gospel to change the hearts of men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:2	GH: Positional Sanctification = SANCTIFIED IN CHRIST JESUS / GH: Practical Sanctification = CALLED TO BE SAINTS	2 Unto the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints, with all that in every place call upon the name of Jesus Christ our Lord, both their's and our's: See to who Paul is directing the letter. Paul makes the point three times in the second verse of the first chapter that reminds them of what constitutes the ground of their being and their identity as Christians. The Corinthians concern for autonomy led them to devalue their identity as part of a whole. In the same sentence, Paul switches from the positional truth to the functional truth. THE CHURCH OF GOD WHICH IS AT CORINTH: To whom Paul is directing the letter. TO THEM THAT ARE SANCTIFIED IN CHRIST JESUS: Not talking about their functional life/sanctification. This is a huge mistake people make by making all of this functional. This is the positional sanctification given as a result of their new identity in Christ. The positional sanctification allows for the functional sanctification to take place. The Corinthians have received a positional sanctification whereby they have been set apart (what the word holy means). SANCTIFIED IN CHRIST JESUS, CALLED TO BE SAINTS: This is something God has done for them even though it looks more like something He wants them to do for Him. But, the fact there is a calling means something has been done for them, AND there is a HOPE connected to that calling! And that is something God has done for them, not the other way round. SANCTIFIED: Is not talking about functional sanctification, but positionally IN Christ. You have a positional (set apart in a particular way) sanctification and a functional sanctification (CALLED TO BE SAINTS). If God doesn't do the positional truth you can never do the functional truth. GH: Take the former and put it to work in the latter. Paul says the Corinthian believers are “sanctified in Christ Jesus.” This has to do with their identity in Christ. If you don't see this difference and you will think they are already living holy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:2	GH: Positional Sanctification = SANCTIFIED IN CHRIST JESUS / GH: Practical Sanctification = CALLED TO BE SAINTS	2 Unto the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints, with all that in every place call upon the name of Jesus Christ our Lord, both their's and our's: CALLED TO BE SAINTS: In the same sentence, Paul switches from who they are positionally in Christ to who they should be practically in their lives. By “called to be saints” Paul is now referring to the outworking of their sanctification. They are called to be, in function, who they already are, in Christ. They/we are called to be (in practice) the saints we already are (positionally) in Christ. Doesn't mean you are living this way but God wants you to. You are called to live up to the standard of who you have been made to be IN Christ. This is a call to holiness. It's possible for God to call you to holiness but you not be holy but it should be that way. SAINTS: Root word of SAINTS is sanctification, being set apart for God's purpose. MM says if God doesn't change who you are it doesn't matter what you do, you are still an enemy of God, you are still in your sins, you are still unrighteous. God knows first things first. Paul is tipping his hand here - they have been CALLED TO BE SAINTS and to live as who they have been made to be in Christ. But you can't do this in the energy of your flesh, only under grace (responding to the FORMS OF DOCTRINE-Romans 6:17 in Paul's epistles that it transforms your inner man and that works out to your conduct and behavior in your everyday life). It's not you trying to mimic what Paul is saying, it's you really being turned into that by the effectual working of the word. MM tying to CALLED US WITH AN HOLY CALLING-2 Timothy 1:9. WITH ALL THAT IN EVERY PLACE CALL UPON THE NAME OF JESUS CHRIST OUR LORD: Paul completes his statement about who he is writing to. Not just limiting this to the church/people at Corinth. Paul is saying that his epistle is for “the church of God which is at Corinth” along “with” every other place where people call upon the name of the Lord. Essentially, he is saying that his epistle is for every believer, no matter where they live; you don’t have to be a part of the church at Corinth. GH: Proof that Books written to local churches in Paul's day can be applied to the corporate church - the body of Christ. Paul even says to share the letter with other churches and vice versa. You are SANCTIFIED IN CHRIST JESUS and CALLED TO BE SAINTS, this is a call to holiness.
1 Corinthians 1:3	Grace facet/definition: is a Power to produce a PEACE	3 Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. GRACE BE UNTO YOU, AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER, grace that is sufficient to produce a peace IN your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE IN your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace in your soul no matter what you are going through. It is sufficient to handle every situation. This is the same greeting in all of Paul's epistles, GRACE and PEACE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:4-8	MP : Blessings - Spiritual / GH: Paul's Prayers	4 I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ; 5 That in every thing ye are enriched by him, in all utterance, and in all knowledge; 6 Even as the testimony of Christ was confirmed in you: 7 So that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ: 8 Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ. Paul's prayers are overwhelmingly spiritual. v4: FOR THE GRACE OF GOD WHICH IS GIVEN YOU BY JESUS CHRIST: v5: YE ARE ENRICHED BY HIM, IN ALL UTTERANCE, AND IN ALL KNOWLEDGE: v8: THAT YE MAY BE BLAMELESS IN THE DAY OF OUR LORD JESUS CHRIST: A spiritual thing, not a physical thing.
1 Corinthians 1:4	Prayer Aspect : Thankfulness = I THANK MY GOD ALWAYS	4 I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ; I THANK MY GOD: An interesting way that Paul normally opens up his epistles, by thanking God for something about the church he is writing to. But after I THANK MY GOD, this on takes a turn from the usual way he starts his epistles by complmenting them. Paul is not thanking God for anything they are doing. It is almost as though he can't think of anything to praise them for. Changes the way he commends the Corinthians. He is reminding the Corinthians what God has already positionally done for them. ON YOUR BEHALF: For things which God has done for them. While this could be taken as a sort of rebuke, it is at least a reminder of what God is doing with them. Paul is being sincere, not sarcastic. FOR THE GRACE OF GOD WHICH IS GIVEN YOU BY JESUS CHRIST: What Paul is thanking God for. GH: Paul doesn't praise them for something like he did the Romans, Philippians, Colossians, and Thessalonians. He is reminding them what God has already positionally done for them. THE GRACE OF GOD WHICH IS GIVEN YOU BY JESUS CHRIST GRACE: Refers to the spiritual gifts which are in operation in them at the time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:5		5 That in every thing ye are enriched by him, in all utterance, and in all knowledge; IN EVERY THING YE ARE ENRICHED BY HIM: Has in mind the spiritual gifts. In every thing that God is doing in them by use of the spiritual gifts, they are "enriched." This is the benefit; they were spiritually enriched by the proper use of the gifts. These are important in the interim so people could function out of their positional sanctification. Telling you about THE THINGS OF GOD-1 Corinthians 2:10 so they can respond to the CALL TO BE SAINTS. ENRICHED BY HIM, IN ALL UTTERANCE, AND IN ALL KNOWLEDGE ENRICHED BY HIM: Paul has in mind the spiritual gifts. IN ALL UTTERANCE, AND IN ALL KNOWLEDGE: GH: Two of the 3 categories of gifts, the other is prophecy. UTTERANCE: Talking about speaking. Is something that is said out loud, so this would pertain to the spiritual gift which involves speaking; the gift of tongues which the Corinthians valued so highly. First category is prophecy, tongues, and the interpretation of tongues. UTTERANCE or tongues SHALL CEASE-1 Corinthians 13:8. KNOWLEDGE: Second category is wisdom, discerning of spirits, and knowledge. Knowledge will VANISH AWAY-1 Corinthians 13:8.
1 Corinthians 1:6		6 Even as the testimony of Christ was confirmed in you: The truth of their redemption by Jesus Christ and His work in them was made evident by the spiritual gifts. No lost person could have the spiritual gifts operating in them. There were things given to them to enrich them but they have abused them and used them out of pride. And some people didn't get the gift they wanted so they acted like they had a different one that was a little more prestigious to them and they faked it. This caused confusion. Paul talks about those who are leaders need to get on the same page. THE TESTIMONY OF CHRIST WAS CONFIRMED IN YOU: The fact that they had these gifts confirmed they were in Christ because the Spirit doesn't give that to lost people. No lost person could have the spiritual gifts operating in them. CONFIRMED: By the fact that these gifts are operating in you.
1 Corinthians 1:7		7 So that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ: The Corinthians thought they had "arrived" spiritually. Their gift was the sum of their Christian experience. But Paul reminds them that the goal of the Christian experience is Christ, not their spiritual gifts and not their personal glory by the use of those gifts. Those gifts were meant to be for the benefit of others, but the Corinthians were nullifying that effect by their wrong motives. SO THAT YE COME BEHIND IN NO GIFT: The Corinthians were in a competition to see who could exercise their gift the most and perform it with the most amount of "show." The Corinthians took the self-centered culture they lived in and injected it into their Christianity. Their concern was that they not be less (come behind) active in their gifts than believers elsewhere. They had some ungodly thinking which motivated them in the use of the gifts. They were afraid that someone somewhere were doing more with the gifts than them, it was a point of pride with them. They thought that spiritually they had arrived and the gifts were the sum total of their Christian experience. GH: No edification, just look what I can do.

1 Corinthians 1:7		7 So that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ: THAT YE COME BEHIND IN NO GIFT: This is a little bit sarcastic because Paul knows what their problem was - don't think you are going to become behind in these gifts. The Corinthians were afraid that there were other people somewhere who were doing more with the gifts. It was a point of pride with them. With them, it not only needed to be done, it needed to be 'showy', it needed to be ostentatious, it needed to be bigger than life so everyone oohed and awed at what the Corinthians were doing here. They were faking and counterfeiting some of the gifts. The Corinthians really thought they had arrived and that made the gifts the sum total of their Christian experience. Dangerous because it was no longer about being edified by these gifts. It was no longer how do I bring my sanctified living up to my sanctified position, now it was let me show you what I can do. Paul reminds them the the goal of the Christian experience is Christ, not the spiritual gifts and certainly not their personal glory in exercising these gifts. Any benefit they were almost nullifying because they were abusing the gift. GIFT: The "gift" Paul alludes to refers to any of the spiritual gifts, which Paul discusses in 1 Corinthians 12-14. WAITING FOR THE COMING OF OUR LORD JESUS CHRIST: The BLESSED HOPE-Titus 2:13 or the catching away. It is in this self-centered atmosphere of ungodly thinking that Paul says, "Don't worry, none of you are going to come behind in any gift." Then, to bring them back to their senses he adds, "…waiting for the coming of our Lord Jesus Christ."
1 Corinthians 1:8	GH: Positional Sanctification = BLAMELESS / GH: Day of Christ Verse	8 Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ. CONFIRM YOU UNTO THE END: Meant to turn the thinking of the Corinthians to the faithfulness of God. It means that which God did for us IN Christ, He will continue to do "unto the end." His purpose with us remains sure and steadfast. Those things which God did for us when He placed us in Christ will not cease or diminish at any point, or to any degree, during our lifetime. We will be just as saved, just as righteous, just as holy, just as dead to sin, just as alive unto God and just as…everything else, fill in the blank…at the end of our lives as we were the moment we trusted Jesus Christ. This means that the "clean slate" that we received upon salvation and forgiveness of sins; it means that the perfect righteousness of Jesus Christ that was imputed to us and our changed relationship to God (from enemies to atonement) is unalterable no matter what! By confirming us unto the end, it provides for God to do something with us at the future "day of our Lord Jesus Christ." This truth of being confirmed unto the end is not an excuse not to respond to the calling unto the fellowship of God's Son, but rather, it is informing us that it is our positional status in Christ that makes it possible for that fellowship to be a practical reality for us in our everyday lives.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:8	GH: Positional Sanctification = BLAMELESS / GH: Day of Christ Verse	8 Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ. CONFIRM YOU UNTO THE END (cont'd): There is something God is doing to CONFIRM YOU in your position in Christ so that when you get when you stand before Him, your standing will be perfect and blameless before Him. Talking about their positional sanctification. Even the guy that gets saved, doesn't read his Bible, doesn't grow in grace, doesn't care about or doesn't do any of that, he is still HOLY AND WITHOUT BLAME-Ephesians 1:4 before God. Same thing as in Ephesians! The Corinthians and the Ephesians were miles apart in their thinking, in their conduct and in their labor with God, but they are not miles apart "before God." Their standing in Christ is identical to each other. No matter what you do or don't do in this body, when you get to the BLESSED HOPE-Titus 2:13, you will be just as blameless / perfect / holy as you were when you trusted Christ as your Savior. What He started with you, He is going to take it all the way through to the end because if He doesn't and you lose that, then the BLESSED HOPE is not an option for you, then going to the heavenly places is not an option for you. Now, He still wants you to be blameless in the day of the Lord Jesus in your practical sanctification, but MM says thank God it doesn't rest on that. When people confuse their position with their practice, it creates a works-based salvation. THE END: Either the end of their life OR the end of the DOGG. Because the Lord could rapture them out at any moment or they could die.
1 Corinthians 1:8	GH: Positional Sanctification = BLAMELESS / GH: Day of Christ Verse	8 Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ. THAT: Purpose statement. THAT YE MAY BE BLAMELESS IN THE DAY OF OUR LORD JESUS CHRIST: MM says it has to do with the postional sanctification - kept blameless positionally is different than functionally/practically. When you read Paul's correction, you realize that the Corinthians are not functionally BLAMELESS. God's "confirming us unto the end" of our earthly lives is what allows Him to make us "blameless" at the Blessed Hope (the day of the Lord Jesus Christ). If we are not "blameless" in that day, there will be no catching away, no glorified body, and no future in the heavenly places. It means that God Himself is taking responsibility for us being blameless in the day of our Lord Jesus Christ. We will be without charge against us because we are IN Christ. We are unimpeachable. That is only true because we are in Christ. We are invited to rest securely on God's promise that He will keep us "to the end" so that we shall be "blameless" in that day. He wants you to be BLAMELESS in your functional life. You only can be because He made you BLAMELESS positionally. If you didn't have that, you wouldn't have a chance of doing it in your everyday life. This is something the Lord has done - positional sanctification because this is going to happen. YE MAY BE BLAMELESS: Because WE ARE HIS WORKMANSHIP-Ephesians 2:10. BLAMELESS IN THE DAY OF OUR LORD JESUS CHRIST: Ties to BLAMELESS -1 Thessalonians 5:2 and HOLY AND WITHOUT BLAME-Ephesians 1:4 and WITHOUT OFFENCE-Philippians 1:10. This is not an automatic thing. (GH: ?) MM says this is quite an accomplishment for this to be done.

1 Corinthians 1:8	GH: Positional Sanctification = BLAMELESS / GH: Day of Christ Verse	8 Who shall also confirm you unto the end, that ye may be blameless in the day of our Lord Jesus Christ. THE DAY OF OUR LORD JESUS CHRIST: The BLESSED HOPE-Titus 2:13. What you are waiting for. If you are not BLAMELESS positionally, you don't get to go in the rapture. The reason this is an accomplished fact is He has already done this spiritually for you. He already put you into Christ and made you who you really are. BLAMELESS: Every believer will be confirmed BLAMELESS because God is faithful. He will do His part. This is your POSITION IN Christ. MM says you have to see the positional truth in this. Talking about your position in the past tense so your future is secure. Paul says this over and over in Philippians, Ephesians, and Thessalonians. Want the gap between your position and function to diminish as you continue through the eduction. Presented BLAMELESS after the JSoC. Unless He does this, there will be no BLESSED HOPE-Titus 2:13 for you. Can be no functionally participating in it unless it is positionally already true. Done so you can be taken up at the BLESSED HOPE and get a new body. If you are not in Christ, you don't have a guarantee of anything, but He did it.
1 Corinthians 1:9	GH: Sonship	9 God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord. Context: Has a context of looking at the after life. MM doesn't believe that FELLOWSHIP will be dissolved at the Blessed Hope, but he believes our fellowship will be perfected. The fact that we are the same members of the body of Christ implies a fellowship that must continue. Here we are reminded of our part. This is the heart of the first issue of the ungodly thinking of the Corinthians. God is not only faithful to hold fast every component and benefit of our “in Christ” status, but He calls us unto something: “the fellowship of His Son Jesus Christ our Lord.” This is important because this introduces the issue of Sonship; it gives context to the fellowship. This is the issue which the Corinthians lost sight of. This is where their thinking was corrupted and became ungodly. The Phase 1 attack of the PoE (attack the message), was successful against them. This is where their Sonship lives stopped. YE WERE CALLED UNTO THE FELLOWSHIP OF HIS SON JESUS CHRIST OUR LORD: We are called to the “fellowship of Jesus Christ” which MM takes to involve every member of the body of Christ. This is written for every member of the body of Christ and MM thinks it involves every single one of us. THE FELLOWSHIP OF HIS SON JESUS CHRIST OUR LORD: Parts of this: 1. The Blood of Christ is the very basis of our identification with Him. When we believe the gospel, the Spirit of God identifies us with Christ. Therefore, we are “in communion” with Christ when we believe on Him. 2. We are identified with Him in that we “hold in common” the benefits of what He accomplished in His death, burial and resurrection. (Romans 6:1-4).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:9	GH: Sonship	9 God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord. FELLOWSHIP OF HIS SON: Our Christian life is meant to be lived in as participants in the Sonship of Christ. This “fellowship” to which we are called is our communal (communion with Him!) participation in the sonship of Christ. This means we are “living out of a derived Sonship that draws its character from what it is for Christ to be God’s Son. Our “Sonship” is defined in terms of Christ’s Sonship.” This is what it means to be called to the fellowship of God’s Son; a fellowship where His Life becomes our life. (Our response to this call is not the basis of our being blameless, but it is the basis of our edification.) This fellowship includes everything. It is how we think about everything and everyone. It is about what we do in our everyday lives. It is about how we respond to the things which happen to us. This fellowship is in our edification, in trials and sufferings, in temptations, in resurrection life, in privileges, in hopes, in promises, in comforts; everything. Fellowship lies in mutual and identical interests. It means we love what He loves, His motives are our motives, His purpose is our purpose. Has nothing to do with training our flesh. It has to do with being transformed by His Spirit and His word. Nutshell: We are called unto the fellowship of God’s Son so that our practical sanctification matches our positional sanctification. Our positional sanctification makes us holy and unblameable at the Blessed Hope. Our practical sanctification makes us like Christ today. The Corinthians viewed the “glory” of participating in the fellowship of God’s Son through fleshly eyes (the spiritual gifts). When they did, the gifts became an opportunity for self-promotion. Pride drove them to engage with the gifts. God has called you to the Sonship that Jesus Christ has. *Christ IN You* GH: It is you and HIS SON that will bring your functional position up to par. The only thing God is concerned about is the life of His Son in you, MM says this is the FELLOWSHIP OF HIS SON. He has called you to the Sonship that Jesus Christ has. Not just called to be a son, called to a fellowship with His Sonship life. HIS SON: God is faithful to do this. The whole issue is the life of My Son in you.

1 Corinthians 1:10-17	Doctrine : Corrective : Ungodly thinking about their collective identity in Christ (disunity) AND Paul's temporary and special use of baptism from Israel's program	There are two major issues to address in this passage: 1. The issue of disunity/unity – v10-13a - their ungodly thinking as sons - This passage is full of applications to the divisions and contentions of the Corinthians. They weren't looking at their collective identity, just themselves. - The Root of the Problem: they failed to recognize their collective identity in Christ. The doctrine that was meant to produce a tripart unity among them (same speech, same mind, same judgment) was not effectually working in them. You have a new identity in Christ, something was done for you positionally, but collectively, a body of believers is supposed to have an identity in Christ as well. They weren't looking at the collective identity of the group, they were just looking at themselves and how they could promote themselves. - The Symptoms of the Problem: The divisions and contentions that Paul mentions in vv. 10-13 are the result of failing to think properly about the assembly as a whole. Divisions and strife are not the problem, they are the symptoms.
1 Corinthians 1:10-17	Doctrine : Corrective : Ungodly thinking about their collective identity in Christ (disunity) AND Paul's temporary and special use of baptism from Israel's program	- Paul’s Prescription: Paul doesn’t just want them to get rid of their symptoms, he wants them to go back to the Romans doctrine and fix the problem at its root. It is the doctrine sitting back in Romans that allows for the kind of unity we should have in the assembly. Remedy is WE HAVE THE MIND OF CHRIST-1 Corinthians 2:16. 2. The issue of baptism – v13b-17a Pattern for edification in 1 Corinthians: 1:10-12 - Reproof 1:13-17a - Correction 1:17b - Default Instruction in Righteousness

1 Corinthians 1:10	GH: Body thinking	10 Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment. GH: Body thinking Three things: 1) Paul is making a plea to them (beseech), 2) he makes that plea to them as "brethren," and 3) he makes that plea on the basis of the Lord Jesus Christ Himself.
1 Corinthians 1:10	GH: Body thinking	10 Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment. BY THE NAME OF OUR LORD JESUS CHRIST: Paul is saying what I'm writing to you comes from the Lord Jesus Christ. Means it is coming from the Lord Himself. Like saying the Lord Himself has told me to tell you this. He is saying the authority is not in me saying this. This is supposed to make the Corinthians sit up and take notice. Way of saying the Lord Himself has told me to tell you this. THAT YE ALL SPEAK THE SAME THING: Paul exhorts the same speech. SPEAK THE SAME THING: **First exhortation - outside message**. MM thinks this may pertain to the teachers in Corinth. And their "speech" has to do with the external testimony of the church; in other words, what was being heard/observed from those outside the church. Paul is saying to these teachers, "Your message needs to be unified. Let the outside world hear the same thing from all of you." SPEAK: MM thinks "speak" has to do more with official teaching, while "say" just has to do with everything else. These are house churches and you have a teacher in every one of them. They all need to "speak the same things" in front of the outside world. All these teachers need a unified message of doctrine. If everyone is teaching something different, the world will only see confusion.
1 Corinthians 1:10	GH: Body thinking	10 Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment. SAME THING (speak)....SAME MIND...SAME JUDGMENT: The doctrine is supposed to produce a unity in what they say, what they think, and what they decide. SAME MIND AND IN THE SAME JUDGMENT: MM says these are two different things. SAME MIND MIND: They should have the mind of Christ! SAME JUDGMENT JUDGMENT: Is not about passing a sentence upon someone, but it has to do with knowledge.

1 Corinthians 1:10	GH: Body thinking	10 Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment. AND THAT: Indicates Paul is about to add another instruction. NO DIVISIONS AMONG YOU: **Second exhortation - inside message**. Concerns the internal testimony of their unity. THAT YE BE PERFECTLY JOINED TOGETHER IN THE SAME MIND AND IN THE SAME JUDGMENT: The prescription to achieve internal unity. This internal testimony concerns having the "same mind" and making the "same judgment." The church is perfectly joined together in the same mind and in the same judgment by the members having: - the same mind (the mind of Christ created in us by the doctrine) and - the same judgment (in situations where there is no direct instruction). In these instances, we make informed decisions (judgments) based on the forms of doctrine which have been learned.
1 Corinthians 1:11-13a		Paul gives examples of their disunity.
1 Corinthians 1:11		11 For it hath been declared unto me of you, my brethren, by them which are of the house of Chloe, that there are contentions among you. Example of people trying to import parts of the law into the DOGG. The people in the church at Corinth were fragmented in their doctrinal allegiances. Paul uses himself and others as an example of the kind of divisions that are taking place in the churches at Corinth. People were aligning with a leader based on personal preference. In this case, it is not about doctrine, but about personalities. HOUSE OF CHLOE: MM says Paul spills the beans on who he heard from. CONTENTIONS AMONG YOU: Doesn't mean they are arguing about things outside of the church, like are you Republican or Democrat. Not what he is talking about here. These contentions have to do with doctrine. CONTENTIONS: Paul also used the word DIVISIONS (1 Corinthians 3:3, others). Is an argument. Paul responds to these CONTENTIONS and DIVISIONS in 2 Corinthians.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:12		12 Now this I say, that every one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ. Have 4 main groups at work in the Corinthian assembly. Think about this, they would wind up sitting together. Not little things they were disagreeing about, it actually divided this assembly into factions. Very devisive thing. Notice all 4 of these are teachers. Read in 1 Corinthians 4:6 where he uses the names below instead of the actual names of the teachers in Corinth. Paul is telling these teachers your message needs to be unified. Paul is asking, why are you guys so divided? Is it about us or is it about Christ? 1. OF PAUL: There was a group that held to Paul and his doctrine. People were so against the message of grace, they began to look at Paul and say he doesn't even look like an apostle. How in the world could he be an apostle? 2. OF APOLLOS: Wound up getting corrected by a couple who understood Paul's doctrine. Apollos had a mix of doctrine. 3. OF CEPHAS: Peter. People think well, this is the guy that walked with Jesus and one of the central figures and we like Peter's doctrine. 4. OF CHRIST: MM says talking about trumping every other group - considered themselves the most spiritual and with the most authority. Sounds really good doesn't it? Makes everyone else look like their position is inferior. Would be teaching the Sermon on the Mount. The Peter faction would agree.
1 Corinthians 1:13b-17	GH: Baptism	QUESTION: If, as most grace churches affirm, that baptism is not an “ordinance” for churches to practice in the DoGG, then why did Paul baptize anyone? Is it necessary to be baptized? Is it okay to be baptized? If someone is baptized, are they sinning against God? The issue of baptism was one of the greatest sources of division within the early church. According to our apostle, there is no place for water baptism today in this dispensation of Gentile grace. It is not necessary at all. Most of what we understand about baptism came out of the prophetic program and was based on what was back in the law. People don't understand the prophetic program got put on hold. When the DOGG ends, it will start back up and God will bring it to a conclusion. MM says baptism has always been a source of division, even in the early church. What mode of baptism should we use? Immersion? Sprinkling?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:13	GH: Baptism	13 Is Christ divided? was Paul crucified for you? or were ye baptized in the name of Paul? Paul branches off from their issue of unity and pivots to the issue of baptism, asking 3 questions. IS CHRIST DIVIDED? WAS PAUL CRUCIFIED FOR YOU?: Two questions: 1. IS CHRIST DIVIDED?: He is not. If Christ is not divided, then it makes sense that Christians should not be divided. If the members of any body were to oppose each other, how detrimental it would be for that body. The same is true for the local assembly; the only way for it to be effective is for its outward and inward testimonies to be that of unity. 2. WAS PAUL CRUCIFIED FOR YOU? Paul asks this because some Corinthians were elevating some human leaders to the same level as Christ. Paul is getting them to realize that they cannot worship him (Paul); that is reserved for no man, but for Christ alone. They elevated certain men in the church to the level of Christ, which is a dangerous opening for Satan. Paul is asking, "Did any of the apostles die for you?" No? So, stop with all the divisions and being satisfied with so little when God has given you so much more. Paul, Apollos and every other minister (and MM says "minister" instead of apostle because God gave more than just apostles when He "gave gifts unto men") were given for their benefit. WERE YE BAPTIZED IN THE NAME OF PAUL?: Third question.
1 Corinthians 1:14	GH: Baptism	14 I thank God that I baptized none of you, but Crispus and Gaius; I THANK GOD THAT I BAPTIZED NONE OF YOU...CHRIST SENT ME NOT TO BAPTIZE, BUT TO PREACH THE GOSPEL-v17: The brackets of the passage. I THANK GOD THAT I BAPTIZED NONE OF YOU: While naming the people he baptized, Paul brackets that admission with statements which indicate that baptism was not part of his gospel. MM says if baptism was important, he wouldn't say that. Means that baptism was not part of Paul's gospel. It was a part of previous gospels. CRISPUS AND GAIUS...I BAPTIZED ALSO THE HOUSEHOLD OF STEPHANAS-v15: Paul did water baptize some people. CRISPUS: One of several Jews with Roman names. GAIUS: One of several Jews with Roman names.
1 Corinthians 1:16	GH: Baptism	16 And I baptized also the household of Stephanas: besides, I know not whether I baptized any other. QUESTION: If Paul is writing by divine inspiration, then why can't he remember whether he baptized any others besides the ones named? Paul's lack of memory demonstrated the fading importance of baptism in the new dispensation. MM asks why wouldn't he remember. Thinks there are two things: 1. Paul's physical condition after to being stoned to death at Lystra (GH: his memory condition?) 2. Would take too long Paul was a Pharisee under the law and he knows all about baptism. If this was still important, he would remember and there would be more people who got baptized.

1 Corinthians 1:17b-31	Doctrine : Corrective : Ungodly thinking of the Corinthians in the use of “wisdom of words” (the how) and the “wisdom of this world” (the what) to communicate the gospel of Christ	Paul corrects the ungodly thinking of the Corinthians in the use of “wisdom of words” (the how) and the “wisdom of this world” (the what) to communicate the gospel of Christ. In the home churches, the Corinthians were acting like the pagan world; enamored with the “wisdom of words” and the “wisdom of this world.” These look the same but they are different. There is a two-part criticism that Paul has here. Therefore, Paul pits the wisdom of the world against the wisdom of God. He demonstrates that human wisdom falls short in that. 1) it does not assist us in understanding God’s wisdom, and 2) it is under God’s eschatological judgment! If you think this sounds apocalyptic, you'd be right. In this, Paul is deriding both Greek and Jewish wisdom. They both have a wisdom that is not the wisdom of God.
1 Corinthians 1:17b-31	Doctrine : Corrective : Ungodly thinking of the Corinthians in the use of “wisdom of words” (the how) and the “wisdom of this world” (the what) to communicate the gospel of Christ	Breakdown of 1 Corinthians 1:17b-31 - 1:17b-25: Denunciation of Human Wisdom o 1:17b-21: The Cross Divides Humanity (how God divides the world; the world uses other things - Jew & Gentile) o 1:22-25: The Wisdom of God Outsmarts Human Wisdom and Overpowers Human Strength - 1:26-31: God’s Unexpected Choice of the Lowly in Corinth (Paul is talking about the Corinthians and he is not being very complimentary)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:17b-21		There was a culture at Corinth like there is a culture here today and we interpret things in light of that culture. EX Our western interpretation of adoption compared to the Biblical interpretation. The culture got into the teachers of these house churches and it leeched right down into the saints. What Paul sees in the Corinthian church is the integration of the culture in the teachers, preachers and in the saints as a whole. The course of this world (CoTW) had been successful at Corinth. The penchant for human wisdom and the cunning ability for oration which the lost possessed had seeped into the church. For whatever reasons, the saved retained their old mindset and it is part of the reason why their education/edification has stopped. If the Corinthians are ever to get back on track, they must start thinking about things differently. In this case (v17-31) they must discern two things: 1) the message they are hearing (the wisdom of this world) 'What' and - palatable to the people in Corinth; what they wanted to hear. Like cultural Christianity in America. - Corinthians liked the Cross for salvation but liked the wisdom of this world. 2) the form (the wisdom of words) of delivery (style and presentation) for that message. 'How'
1 Corinthians 1:17b-21		Paul is interested in forming, in the minds of the Corinthians, a worldview based on the Scriptures. Therefore, the first thing Paul sets out to do is to change their ungodly thinking, (to renew their minds) in this area of “wisdom.” Not sure to what degree, if any, Sophists had control of the pulpits in the various home churches. In ancient Greece, a sophist was one specially engaged in the pursuit or communication of knowledge; esp. one who undertook to give instruction in intellectual and ethical matters in return for payment. A “sophist” was considered an expert in speaking and could be an expert in another area. By the 5th century B.C., the term came to be applied specifically to a new type of intellectuals, professional educators who toured the Greek world offering instruction in a wide range of subjects, with particular emphasis on skill in public speaking. If the Sophists were involved in the teaching of the house-churches, it is easy to see why Paul would have a problem with the content of their sermons as well as their delivery style. While the Sophists focused on persuading their audience, Paul focuses more on comprehension, leaving the persuasion to the Spirit. Paul does not try to persuade, but he is trusting in God’s Power working through him and his message rather than trusting in his own powers of persuasion.
1 Corinthians 1:17b-21		Paul knows the message of the Cross, while deemed foolish by some, has divine power which other messages do not have. Sophists concentrated on promoting the (GH: non-spiritual) gifts that they had, oratory or whatever. They are not looking at the Wisdom of God, but THE WISDOM OF THIS WORLD-1 Corinthians 3:19 because this was very palatable to the people in Corinth. It was telling them what they wanted to hear. Paul does not have a message that they want to hear. He's been beaten, stoned, whipped, snake bit, ship wrecked. He shows up and says you can be JOINT-HEIRS WITH CHRIST IF SO BE WE SUFFER WITH HIM-Romans 8:17. And they are going whoa. What? No. And they realize you can't build a church on that. Think they need a message that everybody will flock to. MM says that happened in this country, it's called cultural Christianity. It's just part of being an American and there really isn't much of the bad stuff it's all just kind of the good stuff. Paul says ALL WHO LIVE GODLY IN CHRIST JESUS SHALL SUFFER PERSECUTION-2 Timothy 3:12. May not be in the coliseum but if you preach Paul's doctrine in the coliseum of life, you will get plenty of it, plenty of folks will persecute you. Paul is saying I only have two problems here. First is what you are doing. Second is how you are doing it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:17b-21		Part of the complaint against Paul was his appearance wasn't exactly what they wanted it to be and HIS SPEECH CONTEMPTIBLE-2 Corinthians 10:10. Have to understand the message culturally - Paul was preaching one thing - the gospel. One thing - the Cross, which was a form of execution for criminals. MM says not equivalent, but what if someone founded a religion on the electric chair? Your first reaction would be kook, something's wrong with that guy, unbalanced. Paul is talking about the Cross being pivotal and that was a very well-known and practiced form of execution for criminals. And yet, Paul doesn't do a lot of explaining on it. To the more refined at Corinth, this was a very unpalatable message and they thought it needed sprucing up somehow, or say it with different words. And Paul is not interested in changing his style LEST THE CROSS OF CHRIST SHOULD BE MADE OF NONE EFFECT-1 Corinthians 1:17. Because if you water down the message, you will lose the message. So the first thing he is out to do is to change their ungodly thinking about the way the gospel ought to be communicated.
1 Corinthians 1:17b-21		They finally got to the point that they understood the Cross was necessary for salvation and they accepted that. But if you are talking about how we're going to live our life every day, we like THE WISDOM OF THIS WORLD-v20. It's like I'm going to get to heaven with the Cross but I'm not going to live by that in my daily life. I'm going to live by THE WISDOM OF THIS WORLD. This is what Paul is talking about, THAT THE CROSS OF CHRIST SHOULD BE MADE OF NONE EFFECT-v17. Paul is saying the Cross is not only good enough to save you, but it is a means of how you live your life on a daily basis. MM says this isn't a popular message, back then or today either.
1 Corinthians 1:17	GH: Baptism / The Cross Divides Humanity	17 For Christ sent me not to baptize, but to preach the gospel: not with wisdom of words, lest the cross of Christ should be made of none effect. The Cross Divides Humanity: Paul begins this process by explaining why He refuses to preach in “wisdom and eloquence.” CHRIST SENT ME NOT TO BAPTIZE, BUT TO PREACH THE GOSPEL: Paul says that baptism is not part of his gospel. MM says he doesn't know if Paul understood this from the very beginning. The real issue is not baptism, but whether you believe the gospel of the grace of God that was being preached by him. This is different from the gospel of the kingdom and why he calls it his gospel. MM says that things in his hippocampus don't seem to stick. Paul may have baptized people early that had Jewish roots but the real issue is not baptism, it is whether or not you believe his gospel. Why it became insignificant to Paul. CHRIST SENT ME NOT TO BAPTIZE: Paul understood he had to distinguish the message he preached from the message that had been preached before. NOT WITH WISDOM OF WORDS: Paul transitioning from the baptism issue to where he is going next. Is a reference to the way Paul preached. He knew he was not eloquent and that was by design. He had no desire for the effectiveness of his preaching to be measured in terms of style. WISDOM OF WORDS: Is the style of your presentation or style. They prized oratories and it was almost a contest between assemblies on who had the best speaker's voice. CROSS OF CHRIST: The Cross of Christ destroys human wisdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:18-31		3 arguments/proofs that Paul's gospel doesn't come from human wisdom. Never was about human wisdom, it was about His Wisdom. - First argument/proof is Christ died on the Cross - v18-25 - Second argument/proof is the message and the people who believe it are unimpressive - v26-31. MM says it is about His glory. - Third argument/proof is the people are foolish and weak. - v27-28 In the world's eyes, the church in Corinth was made up primarily of plebeians as opposed to the elite and those of influence in society - a fact that confirms the gospel is not of human wisdom, else it would be the other way around.
1 Corinthians 1:18-25		The message is unimpressive in the world's estimation. Paul cites the first argument of 3 that he is going to give us to prove that his gospel doesn't come from human wisdom-because Christ dying on the Cross is exactly the opposite of what everybody expected. Not a very impressive message. First way you know men didn't do this.
1 Corinthians 1:18	Prayer - Inner Man Power - Saving or Salvation = SAVED IT IS THE POWER OF GOD / The Cross is the Great Divider	18 For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God. The Cross is the Great Divider: The whole human race is divided at the Cross; it is foolishness to some but power to others, those who are PERISHing and those who are SAVED. The world at that time and in that place had its own way of dividing people up: Paul doesn't care about Roman or barbarian, Jew or Gentile, bond/slave or free, male or female, etc. He only cares if you are PERISHing or SAVED and where you are is what you did with the Cross. Paul is the only one who says he glories in the Cross because he realizes for us Gentiles this is the big difference maker. Looking to die and go to heaven while Jews looking to get resurrected into the earthly kingdom. The Cross renders all these divisions obsolete. The only separation that counts is you are either perishing or you are saved. THE PREACHING OF THE CROSS: Is a reference to Paul's message. Paul has no other message, no matter how unappealing the Cross might be to the culture in Corinth (or anywhere else). THE CROSS: For them, at that time, the cross was an instrument of capital punishment for a criminal. It evoked the image of evil, shame, rejection and punishment. It was a curse to be crucified-Galatians 3:13. Because we do not live in that culture, we do not see it that way, but, in their human wisdom, they did. Today, it would be the equivalent of exulting in the gas chambers of Auschwitz. THEM THAT PERISH...US WHICH ARE SAVED: Where the Cross divides humanity. Where you are on this depends on what you did with the Cross. What separates those two classes is their response to the message of the Cross. To the lost, the Cross is foolish because it represents a repugnant worldview. The Corinthians (lost and saved) valued power, glory, honor and success and the Cross seems to be the antithesis of those.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:18	Prayer - Inner Man Power - Saving or Salvation = SAVED IT IS THE POWER OF GOD / The Cross is the Great Divider	18 For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God. The Corinthians embraced the message of the Cross as the basis of their relationship with God, while continuing to live in a way that rejected its lifestyle implications as foolish. They preferred to live according to the standards of human wisdom. Paul's argument is that this is not only inconsistent, but theologically and morally offensive. To Paul, the Cross is not just a way of salvation, but it is a way of life! UNTO US WHICH ARE SAVED IT IS THE POWER OF GOD: Saving power or salvation power - one of 5 ways God empowers us in our inner man. There is power in the message of salvation; the gospel has power to save. US WHICH ARE SAVED: Justification (past tense of our salvation). IT IS THE POWER OF GOD: For Paul to come along and equate the Cross with the power of God would have seemed very strange. When something is said to be powerful, it means that it is effective in its action to accomplish a specific purpose. The message of the Cross is the power of God in the following ways: - God's intention to defeat evil - God's intention to make Himself known, and - God's intention to save those who believe
1 Corinthians 1:19-???		Paul pulls 3 quotes out of the Book of Isaiah that he uses here in 1 Corinthians. The time is very early in the 8th century B.C. and the prophet Isaiah is rebuking Israel for following after THE WISDOM OF MEN instead of the Wisdom of God and he pronounces a destruction upon that kind of wisdom. 1. Isaiah 28-35 Context & v19: Ahaz, who is a king, is a bad guy, is now dead and has been replaced by Hezekiah who is one of the good guys. The Assyrian army and Sennacherib are on their way to conquer Judah. Earlier they had already conquered the northern kingdom/10 tribes. Now they are on their way to conquer the southern kingdom/Benjamin & Judah. Ahaz is dead, Hezekiah is in power, and people are advising the king. They are saying send some messengers to Egypt and see if Egypt will form an alliance with us against the king of Assyria. God says this is THE WISDOM OF THIS WORLD-1 Corinthians 1:20 and I AM going to destroy it. You are thinking about this totally wrong. The Assyrian army are on their way and he begins with the word WOE-Isaiah 28:1. A WOE speaks of impending disaster. Isaiah 29 starts the same way. Quote comes from Isaiah 29:13-14. This judgment in Isaiah will bring about the perishing of the people's wisdom. That's going to vanish from the scene. That wisdom was folly and Egypt does not come to help them. They were saying God is not going to let Assyria take us over, after all we are His people. MM asks how did this work for the 10 tribes up north? God is saying there isn't anyone with enough wisdom in Judah to get you out of this predicament. MM says this is what the Cross of Christ does. It destroys all human wisdom. Not talking about the wisdom to have medical knowledge so that you can bandage a wound or the knowledge to be able to read or write.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:19-???		Talking about the kind of knowledge that replaces living by the Cross of Christ and what that entails. Trading that for living by THE WISDOM OF THIS WORLD. What the world thinks is really worth. There's going to be a time when God destroys all of that. The Corinthians valued this wisdom. They were having contests between the churches on who could be the biggest orator. The Corinthians wanted to be saved by the Cross, but were seeking to avoid the lifestyle of the Cross in favor of the wisdom of the culture of their day. 2. Isaiah 33:18 and v20: Isaiah is warning them about an enemy. By the time you get to Isaiah 33, you understand that what is happening in history is that as Assyria is coming in and overwhelms the northern kingdom, the message here for the southern kingdom is to say, don't worry, God is not going to allow this to happen to you. Not yet, anyway. So there's some comforting words that get said here with regard to Sennacherib and the Assyrian army being at the gates of Jerusalem down in the southern kingdom of Judah. Isaiah 33:18 and 1 Corinthians 1:20 are not an exact match but the whole idea is the flow of the thought here. Why is Paul quoting Isaiah because the Corinthians are not facing an enemy like Assyria who is coming to overthrow them at Corinth. The way predicament that got Israel in trouble in the first place is now going on in Corinth because the enemy now is the wisdom of men. And the wisdom of men that seeks to reject the wisdom of God and it seeks to replace the wisdom of God. 3. ???
1 Corinthians 1:19-20		Indicate that Paul thinks the Corinthians have a problem with pride, and this becomes very clear in chapters 3-4.
1 Corinthians 1:19		19 For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent. Paul pronounces judgment on human wisdom and he quotes THE WISDOM OF THEIR WISE MEN SHALL PERISH, AND THE UNDERSTANDING OF THEIR PRUDENT MEN SHALL BE HID-Isaiah 29:14. God is saying there isn't anyone with enough wisdom in Judah to get you out of this predicament. By quoting Isaiah 29:14, the implication is that the Corinthians also “draw near to God with their lips, but their heart is far from Him. What Isaiah said God would do with their wisdom (take it completely away and destroy it, showing it to be the foolishness it was) Paul now says that the Cross of Christ does the same thing; it destroys human wisdom that seeks to avoid the lifestyle of the gospel! Paul is not disparaging an education to read or write, or medical knowledge to bandage a wound, or to create or labor more effectively. He is talking about the kind of wisdom that says, “Yeah, go ahead and be saved by the Cross, but living by the Cross is so out of step with everything we hold dear, so we will reject the constraints of the Cross on our daily lives and opt instead for what we, in our wisdom, believe to be better.” That is the wisdom that God destroys by the Cross. The Cross is God’s eschatological judgment on the wisdom of this world and its subsequent salvation. God has put the wise to shame through the “foolishness” of the Cross, the event that shattered forever, human wisdom. The Corinthians still valued the wisdom of this world and failed to notice the contradiction between it and the wisdom of God which provided redemption through the Cross. GH: MM tying this verse to the COTW. Calling good evil and evil good is a product of the COTW. Wanted the salvation of the Cross but didn't want the lifestyle of the Cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:19		19 For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent. Paul is talking about a real event in which God is going to destroy THE WISDOM OF THE WISE and bring to nothing the UNDERSTANDING OF THE PRUDENT. There's a thing the Bible calls THE COURSE OF THIS WORLD-Ephesians 2:2. This is talking about not just the direction this world is moving, but is an understanding of the world and your place in it, and how you ought to behave yourself in accordance with it. This is under the direction of Satan himself, Paul says he is the initiator of this. It produces a culture in a nation where people learn to think about certain things in certain ways. So to talk about 'the shed blood of Christ' or to 'glory in the Cross', the world would say oh, that's so inappropriate or don't talk about it that way or Paul needs to say it a different way. All of these are a product of THE COURSE OF THIS WORLD. MM says if you have ever looked at the world and say things seemed to be getting worse, he says: 1. It's always been that way. Things have been getting worse ever since Noah, his sons, and their wives stepped off the boat where everybody in the world knew God, things have been getting worse. 2. It's THE COURSE OF THIS WORLD that is moving us in this direction. MM likens the COTW to a snowball at the top of a steep hill. All Satan needed to do was give it a push. As it goes down the hill, it not only gets bigger and engulfs more and more things, but it gets faster and kind of moves under its own power.
1 Corinthians 1:19		19 For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent. Once it is moving, Satan doesn't need to do anything to keep it moving. Men keep it moving by their adherence to it. You are sitting in a Bible study on a Tuesday night and people look at you like there is something mentally off with you, because you are sitting here doing this, what a colossal waste of time. You do this twice a month!?!? Oh my goodness. This is part of the thinking of the COTW. There used to be a day where the world kind of knew what is right and what is wrong. Now, we have come to this. MM remembers as a young preacher boy reading in the O.T. prophets there was going to come a day when they'll call good evil and evil good (WOE UNTO THEM THAT CALL EVIL GOOD, AND GOOD EVIL-Isaiah 5:20). He thought how in the world can you ever do that? If it's evil it is obviously evil. Welcome to that day. Not saying the O.T. prophets had the DOGG in mind, but we have come to this place in the world. You know there are people that would say you can't meet at 1 PM on Sundays, that's when the Cowboys play. When we decided on this time, this was not an inadvertent way on MM's part to compete with the Dallas Cowboys or any other NFL Team. There were just circumstances that dictated that was the time in which we had to do that. If you accommodate everybody, you will never do it because you can't find a time that suits all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:20		20 Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? Corinthians were having a problem. Two things at work here: 1. Godly wisdom 2. Everything else falls under the category of the wisdom of this world. Corinthians problem was ungodly thinking. Paul is correcting their ungodly thinking saying you will never be what you are supposed to be living by THE WISDOM OF THIS WORLD. If they are going to get back on track, the Corinthians need to cancel all of this and that is extremely hard to do but they do wind up doing it. If you are going to think like your Heavenly Father, the world will see you as foolish. What matters more to you - that God thinks you are foolish or the world thinks you are foolish? That's the pressure MM was talking about. Paul ends the chapter by taking us back to two places: Jeremiah 9:24 and 1 Samuel 2:10 and the lesson from both is this: the Corinthians should not evaluate themselves by human criteria before God. They should consider themselves in the light of the salvation plan of God in Christ. MM says Paul was a brilliant guy and could have faked this but he had no desire to be lumped into this.
1 Corinthians 1:20		20 Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? There's a big disconnect between what you are preaching and what you should be preaching. Paul says you will never be what you are supposed to be with the wisdom of this world. He is reminding us that Christian members of the elite (counselors, lawyers, philosophers, etc.) must be vigilant concerning the danger of adopting the prevailing paradigms for their work. The wisdom of the Cross judges the values of the world, and Christians in every walk of life must live in a way that consistent with it. Are four questions which are rooted/indicate the reference back to Isaiah 33:18. Context is not attack from an outward enemy (like Assyria in Isaiah 33:18) but the enemy is human wisdom that rejects and replaces God’s wisdom. So, Paul asks, “Where is the wise? Where is the scribe? Where is the disputer?” The implied answer to all three is “Nowhere to be found.” Whoever is represented by these three categories, they would be considered to be “experts” in their fields of learning; people full of this world’s wisdom. These are the ones whose wisdom has been destroyed and their intelligence frustrated. They have been outsmarted and have nothing more to offer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:20		20 Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? Not facing an enemy army like Assyria in Isaiah 33:18, but it's the wisdom of men/the world attempts to replace the wisdom of God. At the Cross, the wisdom of men and wisdom of the world got destroyed. They are not to be found. WISE...SCRIBE...THE DISPUTER OF THIS WORLD: MM says it doesn't matter how you interpret Isaiah 33:18 because at the root of what Paul is saying here is when I came to you, I didn't come with all this oratory skill and the wisdom of men and the wisdom of this world, I came in the power of the gospel. And that's the only thing that will make a difference. Remember, the Corinthians were getting sophists, the experts, to come in and be their preachers. Paul is saying, this is not going to work. In the Corinthians eyes, this was the new way of doing it. Paul understands that's not the way to do it at all. THE WISE, THE SCRIBE, and THE DISPUTER OF THIS WORLD are not going to be found because the Cross is going to make this difference. The implied answer to all of these is all the same, they're not here anymore. These are the ones whose wisdom has been destroyed and their intelligence frustrated. They have been outsmarted and have nothing more to offer. HATH NOT GOD MADE FOOLISH THE WISDOM OF THIS WORLD: Fourth question. Framed so that we expect the answer to be in the affirmative/yes. In the light of the Cross, God has manifested the foolishness of a wisdom which drives us to lust, greed or pride; those things which are contrary to God's Wisdom. Phrased for pre-supposed the answer is yes. WISDOM OF THIS WORLD: Is the actual way of looking at things that you could consider to be wise, the message.
1 Corinthians 1:21	Saving Faith	21 For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe. We believe that God, through His Son, provided everything necessary to save us from our unsaved condition. THE WORLD BY WISDOM KNEW NOT GOD: MM says the world can't use the WISDOM OF THIS WORLD to figure out God. They don't possess that, they will never figure that out. God is going to have to reveal that BY THE FOOLISH OF PREACHING. This is exactly like the Gentiles thought. MM says this is not the way man would have done this. Putting it in the hands of men is a dicey plan.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:21	Saving Faith	21 For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe. IT PLEASED GOD: Not an arbitrary thing. All uses in the N.T. of this phrase are in connection with His Son. It pleases God to save them who believe in His Son. Usually some great thing God has done that is contrary to all expectations. Look at these and say wow, that's really a big deal and no one saw it coming. They are all connected to His Son. THE FOOLISHNESS OF PREACHING: God, in His wisdom, knew that man, in his wisdom, would never come to know God/find God. God solved this problem through the preaching of the Cross. So, it pleased God to make Himself known by the "foolishness of preaching." He did not say, "by foolish preaching" or that "preaching is foolish." The "foolishness of preaching" is the preaching of the Cross, which was considered foolish by the world. God's plan is to save them that believe in Jesus. The world, in all its wisdom, would never find God. God solved this problem through the preaching of the Cross. MM jokes You are putting this in the hands of men to tell this? Shouldn't You put it in the sky? This is the way the world sees it, BY THE FOOLISHNESS OF PREACHING. When the world looks at it, it looks at the preaching of the Cross. There are two groups - Jew and Gentile - and both have a problem with the way God is revealing the thing about Himself. There are philosophies that circulate to date that have the exact same problem. TO SAVE THEM THAT BELIEVE: Not get baptized. That's what the (GH: saving) faith is about.
1 Corinthians 1:22-25		Summary Statement: The Cross Outsmarts Human Wisdom and Overpowers Human Strength. Paul's message is that Christ is the power of God and the wisdom of God, insisting that his gospel confounds the wise and overcomes the strong. Two things Corinthians didn't understand: 1. Using spiritual gifts for Israel/The purpose of the spiritual gifts was to minister to the synagogue next door 2. The temporary nature of those gifts
1 Corinthians 1:22	GH: Spiritual Phenomena Verse	22 For the Jews require a sign, and the Greeks seek after wisdom: THE JEWS REQUIRE A SIGN: They are demanding proof, miraculous proof that God is at work, so they don't need faith. That is what a "sign" is. They are insisting on a powerful confirmation of God's deliverance that renders faith unnecessary! They are looking for some miraculous proof and this is the way they would get confirmation of what God is doing. If you have this, you don't need to have faith. You have seen the sign. While the Jew is hoping for some irrefutable and impressive sign, Paul preaches Christ crucified! This is like hearing "I have good news, the market has collapsed" or "Good news, the holiday has been cancelled." Christ is the King who is destined to rule. To announce His demise seems to brand Him as a failure and hardly seems to constitute a "gospel" (good news). The Jews were looking for a victorious Christ, heralded by angels, who would restore the glory of the kingdom of David and Solomon. Paul does not preach a gospel revealing Christ as a conqueror or as a great philosopher. Instead, Christ "humbled himself…even to death on the cross." This was a quality lacking in the Corinthians. When Paul says the Jews require a sign, that should have rang a bell with the Corinthians, as they had "sign" gifts. They did not understand the purpose of their gifts (like witnessing to the Jews next door). He is talking about this in reference to the redemptive act of Jesus on the Cross. Gentiles pithy saying is 2 Corinthians 5:7. The Jews found it hard to believe, and so Paul's message becomes a "stumblingblock."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:22	GH: Spiritual Phenomena Verse	22 For the Jews require a sign, and the Greeks seek after wisdom: THE JEWS REQUIRE A SIGN (cont'd): The Jews really do like to see a SIGN. The Jews don't just want to see a sign, they REQUIRE a sign, and so they should; based on the covenant of Exodus 34. They are not out of bounds doing so because God made a covenant to do these things. If we are ignorant of the fact that signs naturally belong to Israel then Satan will take advantage of that ignorance to deceive believers today by having them follow counterfeit spiritual phenomena during this dispensation of grace. Remember two things: 1) The covenant that God made to do these signs was not with the world at large, it was with the nation of Israel, not to the world 2) the program which contains that covenant is on hold during this dispensation of the grace of God. The covenant will only be enforced as long as that program is in force. Because when God interrupted this program, every covenant in connection with it also got put on hold. So as soon as this DOGG is over and God resumes His program with Israel, you should expect to see signs , wonders, and miracles again. This is one of the reasons why knowing how to rightly divide the word is so important.
1 Corinthians 1:22	GH: Spiritual Phenomena Verse	22 For the Jews require a sign, and the Greeks seek after wisdom: SIGN: They are demanding proof, miraculous proof that God is at work. That is what a "sign" is. THE GREEKS SEEK AFTER WISDOM: The Gentiles (Greeks) seek after wisdom (very impressed by wisdom, really registers with them), but what kind of wisdom are they looking for? Answer: Man's wisdom; the wisdom of this world. Gentiles are naturally very impressed with man's wisdom. Gentiles thought this message of the Cross to be foolish.
1 Corinthians 1:23		23 But we preach Christ crucified, unto the Jews a stumblingblock, and unto the Greeks foolishness; BUT: Notice the word "but" in v23 sets up a contrast with "requiring a sign" or "seeking after wisdom." Paul isn't giving a third alternative, but a single alternative to the other two. PREACHING CHRIST CRUCIFIED: Preaching He is the prophesied King of Israel who will establish David's throne, who will rule over the whole earth with Israel, as the Head of all nations. MM say preaching CHRIST CRUCIFIED is tantamount to saying I have good news, the market crashed or your vacation is canceled. But it's the very opposite. No wonder it is a STUMBLINGBLOCK if you are a Jew. STUMBLINGBLOCK: The Jews found it hard to believe, and so Paul's message becomes a "stumblingblock." If you are a Jew, you are looking for this great King being heralded by angels and you are finding out He died. It looks like failure to them. That's the STUMBLINGBLOCK issue that they could not get over. It doesn't really look like it qualifies to be a gospel. FOOLISHNESS: Gentiles thought this message of the Cross to be foolish. THE GREEKS: The Gentiles or everybody else. Rome is in power but everything is still in place from Greece.
1 Corinthians 1:24		24 But unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God. Paul is saying I don't want to be your T&G, I'm not going to have dominion over your faith. POWER OF GOD: This POWER works in us and allows us to become the Christians we are made to be in Christ. Anything that is done in us, truly done in us, is by His power within us. God is doing the work.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:25		25 Because the foolishness of God is wiser than men; and the weakness of God is stronger than men. Paul says his gospel will confound the wise and overcome the strong.
1 Corinthians 1:26-31		GH: The members of the church in Corinth are unimpressive. Paul asks the Corinthians to reflect a moment on their own worth by human standards. In the world's eyes, the church in Corinth was made up primarily of the plebeians as opposed to the elite and those of influence in society – a fact that confirms the gospel is not of human wisdom, else it would be the other way around. Paul cites the second argument of 3 that he is going to give us to prove that his gospel doesn't come from human wisdom. Because not only is the message itself unimpressive. but the people who believe it are unimpressive. God says it is all going to be about My Wisdom and My glory. If men were doing it, you would have a more impressive message (first argument) and a more impressive people doing the message. People think if we could just get (GH: righteous) people in positions of power. We would like all of them to come to Christ, but you have to understand this is not the way God designed it. The church at Corinth is made up for not among the elite for the most part. There are a few but not comprised of the 'who's who' for the most part. MM says it's hard for rich people to see the need for the Cross - He is saving me from what?
1 Corinthians 1:26		26 For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called: NOT MANY WISE...NOT MANY MIGHTY, NOT MANY NOBLE: These three attributes are just the kind of speakers the Corinthians wanted in their house-churches. That way, they also could be considered such by emulating their teachers. But Paul pops their balloon by saying they are not wise, mighty or noble, at least the vast majority of them. Means most people in the Corinthian assembly are not WISE or MIGHTY or NOBLE. Not a compliment to them. Not the Dale Carnegie course on how to win friends and influence people. WISE MEN AFTER THE FLESH: How the world looks at it.
1 Corinthians 1:27-28		Since there is no period at the end of v27, the two verses go together. God has chosen the foolish over the wise (the world's perspective), the weak over the influential, and the lowly over the noble. The "low born" were regarded with disdain, on the bottom rung of social hierarchy. But God has chosen them over the others. He prefers no-bodies over some-bodies. This way, the Cross turns the values of the world upside down. This is to preclude all human boasting. The exaltation of the foolish and the lowering of the proud is so that no one can sing their own praises in the presence of God (v29). All praise is to be reserved for God, for it is because of Him that you are in Christ. Paul cites the third argument of 3 that he is going to give us to prove that his gospel doesn't come from human wisdom. God is saying it never was about your strength or your power or your wisdom, it is about Mine. Why Paul keeps hammering the drum about the Power of the Cross. It's not how persuasive you are, or if you are a good orator, or if you have good credentials, it's the Power in the gospel. He is trying to get the Corinthians to realize this because they are looking this in an entirely different manner. MM does believe there were people in the church at Corinth who did not abandon Paul's principles and who understand this perfectly and they don't have a problem with it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1:27		27 But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; Not only are you not the things in v26, you are FOOLISH and WEAK. THE FOOLISH...THE WEAK: Not only is Paul saying that most of the Corinthian believers are not in those three groups (WISE...MIGHTY...NOBLE-v26), but he tells them what they are.
1 Corinthians 1:28		28 And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are: Now, they are “foolish” and “weak.” But, before they can get bent out of shape over that statement in v26, Paul insists that God has repudiated the world’s wisdom in choosing people like those who make up the Corinthians’ assemblies.
1 Corinthians 1:29		29 That no flesh should glory in his presence.
1 Corinthians 1:30-31		The Instruction in Righteousness
1 Corinthians 1:30	GH: Three components of your new Identity in Christ	30 But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption: Those four terms in vs. 30 (wisdom, righteousness, sanctification, redemption) tells us that to be in Christ is to enjoy a secure status before God and present a new model of existence in solidarity with other believers – the body of Christ. These all characterize Christ and are imparted by Christ. We have them only by virtue of the fact that we are “in Christ.” Paul’s solution to spiritual pride and divisions is to focus on something worth celebrating, namely, God and His salvation in Christ, rather than on individual groups and their supposed superiority over other groups. WISDOM: Very specific. The widsom of the mystery. RIGHTEOUSNESS: Your justification. Justification means to be made RIGHTEOUS. SANCTIFICATION: What it is. Sanctification. AND REDEMPTION: Is your glorification. Has the same meaning as SALVATION-Ephesians 6:17. By “redemption,” Paul means the ultimate, completed, final and full deliverance a complete salvation in glory. Talking about a salvation that is the complete package of everything that is being offered to you in Christ. REDEMPTION: The ultimate, complete, and full salvation.
1 Corinthians 1:31		31 That, according as it is written, He that glorieth, let him glory in the Lord. AS IT IS WRITTEN: Know you need to go somewhere and find that. Jeremiah 9:23-24 - don't glory in your wisdom or your strength or your riches, GLORY IN THE LORD. Glory in that you understand and know Me according to the revelation of the mystery. If our Sonship takes a back seat to the accolades of this world, we would have gotten this wrong.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:1-16		Corinthians problems: Paul continues to talk about the power of the gospel of Christ and the wisdom of God. The Corinthians had several problems which Paul is writing to correct: 1. The Corinthians put way too much emphasis on the sign gifts (tongues) and not enough on prophesying (preaching the mystery) 2. There were some at Corinth who admired the philosophies of men and they thought the church would be more successful if they used/integrated man's wisdom and philosophy to win converts rather than the message of the Cross/Gospel. Paul will compare and contrast three sets of opposing views: 1. two wisdoms - Paul shows God's Wisdom superior to man's wisdom - the plain preaching of the cross and the mystery are more powerful than persuasive philosophical oratory
1 Corinthians 2:1-16		2. two spirits - Paul compares God's Spirit with man's spirit 3. two different types of people - the natural man is contrasted with the spiritual man The Corinthians were saved, and as such, their sanctified position in Christ was/is secure. The problem was with their practical sanctification. They were carnal and fleshly. They were spiritually useless to God (Romans 8:13). Talking about the practical area of your sancified life. Your positional sanctification is secure. But they are supposed to be bringing up their everyday living with your position in Christ. The Corinthian teachers and preachers sought to be popular. They cared about the wisdom of men and the fashion of this world. As a result, they were living contrary to who they were in Christ. They were missing their practical sanctification (Romans 6-8).
1 Corinthians 2:1-5	Doctrine : Corrective : Ungodly thinking on their employment of 'excellency of speech or wisdom'	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:1	The Reproof	1 And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God. Paul is saying the whole emphasis in these house churches, they had all these professional guys in there that are preaching all of these sermons with oratory skills that's supposed to make everybody look good. This is the way they wanted to do it. Paul says when I came to you, I declared unto you not the wisdom of words, but I just presented to you the testimony of God, so that you would be saved. And he is reminding them of that. That's the gospel that they heard from him. It's just the plain gospel. Paul didn't see any need to dress it up or make it more palatable for people. Like he is saying it worked for you, why are you changing this? They were trying to present this from a whole different standpoint. They thought the way Paul did it was a little outdated and that they needed to present it from a whole different standpoint. The way Paul does it was a little outdated and kind of dull. We need to spruce this thing up a bit and make it more exciting so people will want to be saved. Paul is actually going to say if you really want them to get saved, this is the way it's going to happen. I didn't come to you with excellency of speech or of wisdom, but I came declaring the testimony of God.
1 Corinthians 2:1	The Reproof	1 And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God. The reproof: Paul is coming on the scene with a very, very different message, especially where it concerns Gentiles. Think about what that sounded like to the people who heard him, especially if you heard the prior message. You hear Paul say this and it sounds a bit like Paul has gone off his rocker. Paul is reminding them of how they got saved. When they heard the gospel from Paul, it was the plain preaching of the Cross without all the “excellency of speech and wisdom” which they were now using in their churches. Paul is saying, “What you are doing is not how you got saved. It worked for you, why are you changing it?” In this chapter, Paul is about to prove to them his message is absolutely from God. WHEN I CAME TO YOU: When he came to them, it was not like what was going on in their house churches where the whole emphasis was on professional preachers who impressed everyone with their speaking skills. Paul said he came not with wisdom of words but with the TESTIMONY OF GOD. The Corinthians wanted to spruce it up.
1 Corinthians 2:1	The Reproof	1 And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God. EXCELLENCY OF SPEECH: Is not I had all these fancy words, but I didn't use them on you. Paul did not come to them with “excellency of wisdom” because they were not able to bear it. When he is talking EXCELLENCY, he is talking about things of the highest that they could hear. - Therefore, all who believe will be forgiven and have His righteousness imputed to them (positionally) - Not until Paul do we find out that Christ died for our sins (Gentiles in the DoGG) apart from the agency of Israel. DECLARING UNTO YOU THE TESTIMONY OF GOD: According to Paul, has two parts to it in v2: 1. Has to do with Jesus Christ 2. Has to do with Him crucified

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:1	The Reproof	1 And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God. TESTIMONY OF GOD: Components: * God's plan for the virgin birth - he is avoiding Adam's sin nature by doing this * Christ's unblemished life - He was without sin - qualifies Him to be the Lamb of God that taketh away the sin of the world * Christ's work on the Cross - He is taking upon Himself the sin the world and experiencing the wrath of God on Himself * Christ's victory over Satan while He was on/nailed to the Cross, this is prior to His Death * Christ's resurrection from the dead - not secret, a subject of prophecy/as prophecised * Everyone who believes will be forgiven and have the perfect righteousness of Jesus Christ imputed to them (+R = the perfect righteousness of Jesus Christ imputed to them) - made it this way positionally so you can live this way practically * Christ died for our sins - He died for us Gentiles to redeem us apart from the agency of Israel
1 Corinthians 2:2	The Correction (start)	2 For I determined not to know any thing among you, save Jesus Christ, and him crucified. The Correction (start): Context: Paul is talking about when he first showed up at Corinth, before they were saved/they were unsaved. Do you really want to be talking to them about anything except the gospel? The fancy teachers in Corinth were coming at it from a totally different angle. Don't want to hurt people or offend people. But any converts may not be as converted as they think they were. The point he is making is that the message of Christ and the Cross was Paul's only point of preaching to them. You just need to talk to them about one thing. No confetti or cannons going off. The fancy guys were coming from a different angle. MM says modern preachers don't say things to offend and their converts may not be as converted as they think. This is a rebuke. When I came to you, the only thing I could take for granted/count on you knowing is that you knew was Jesus died/crucified on the Cross. Not a compliment. Churches use this verse like a badge of honor. Like he is bragging on them here. Some preachers think this is all you would teach but Paul violated this if true.
1 Corinthians 2:3		3 And I was with you in weakness, and in fear, and in much trembling. WAS WITH YOU IN WEAKNESS, AND IN FEAR, AND IN MUCH TREMBLING: There is something that Paul was concerned about communicating and he was in this kind of condition because he wants to make sure this spiritual work gets done in them. MM indicates that Paul was trying to handle this very carefully. WEAKNESS: Is not a spiritual weakness because Paul has been talking about the Power of the gospel. This weakness could be referring to Paul's physical appearance like HIS BODILY PRESENCE IS WEAK-2 Corinthians 10:10. Remember Paul was stoned to death at Lystra. MM envisions a guy who is so phyiscally mistreated it just shows up. Greek means 'feeble' or 'sickly' and his Roman name Paul means 'little' or 'small' when you consider all the things that went on with him. Went from Saul (think first king-head and shoulders tall)) to Paul (means little). In Biblical times, names had meaning behind them. Same Greek word as INFIRMITY-Galatians 4:13. Whatever interpretation does not affect your edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:3		3 And I was with you in weakness, and in fear, and in much trembling. IN FEAR, AND IN MUCH TREMBLING: Is about being greatly frightened, it's about being scared out of your wits. There was some FEAR and TREMBLING on Paul's part at what the POE was seeking to do to him. We have this idea that Paul was an edified robot. Edification does not make you oblivous to danger or remove the fear of it. What it does is give you the courage to do the things you ought to do and a little bit of wisdom to know when you shouldn't. By the time he gets to this point, things have been happening to him to make him understand his very life is in danger and it is worth trembling over. AND IN FEAR, AND IN MUCH TREMBLING: Two different ways (probably 5) of looking at the “fear and trembling.” Either Paul means: 1. he was afraid because of the violence and threats and persecutions against him, or (GH: MM thinks this one) 2. his fear was for those to whom he preached, lest they reject the truth of the gospel and be condemned before God. Fear for the eternity of those who rejected his message. Paul is not oblivious to these things. You can still love God and do it in the face of fear. Paul had fears, just like any man. Paul had many enemies. They seriously despised Paul and wished to do him harm. Paul was stoned to death, snuck out of town in a basket over a wall because people were trying to kill him, had 40 people take an oath to not eat or drink anything until they killed him - do you think there was some FEAR and TREMBLING in him?
1 Corinthians 2:4		4 And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power: NOT WITH ENTICING WORDS OF MAN'S WISDOM: Not only was Paul’s presence not very impressive, but his speech and preaching were not using the wisdom of men to persuade them. He didn't appeal to emotions or use background music to persuade people to do things. Paul had no such intention. Instead, he used the word of God to convince men of their need of the Savior. Paul knows that if a man is converted with enticing words of man’s wisdom, then that is the place where his faith stands. Instead, Paul wants his faith to stand in the power of God. All the tactics of men cannot produce the power of God. It was the POWER OF GOD that made the difference. ENTICING WORDS: Smooth talker

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:5		5 That your faith should not stand in the wisdom of men, but in the power of God. SHOULD NOT STAND IN THE WISDOM OF MEN: Paul means “sustained” by the wisdom of men. If men are persuaded because of an emotionally charged presentation, then that persuasion cannot be expected to last. MM talks about the emotional music during an altar call. But if men are persuaded by the truth of the gospel, the power of the gospel, then that truth, that power will sustain them throughout. When the emotion is gone, so is the resolve. The decision has to be made for the right reason. Paul is saying don't do this. POWER OF GOD: GH: MM tying to Romans 1:16 - SAVING POWER. It is the power of God to the Greek who viewed it as foolishness and to the Jew who viewed it as untrue, hence, a stumblingblock. The gospel has the power within it to change anyone who responds to it properly. The Corinthians may have wanted the show, the glamorous, the ostentatious display, but Paul preached the unvarnished truth of the gospel and he did so unashamed of the comparison with the more culturally correct teachers in Corinth.
1 Corinthians 2:6-3:4	Doctrine : Corrective : Ungodly thinking about the wisdom of this world and thinking it exceeds God's Wisdom	New form of doctrine - 2:6-3:4 - correcting their ungodly thinking about the wisdom of this world 1 Corinthians 2:6 - Reproof 1 Corinthians 2:7-16 - Correction 1 Corinthians 3:1-4 - Instruction in Righteousness Paul is correcting their ungodly thinking they have gotten from the teachers in these house churches and the leadership in the assembly in a number of different issues on THE WISDOM OF THIS WORLD: * They have gotten this idea that the wisdom that Paul is offering them is somehow inferior to THE WISDOM OF THIS WORLD, that they are going to be missing something if they just go with Paul's wisdom. That they are going to need THE WISDOM OF THIS WORLD. Paul doesn't explain these terms because they know exactly what he is talking about but MM doesn't think 21st century America does. MM thinks we take godly wisdom and put it on a shelf in a box and say this is good for me to use when I'm at church or talking about the Bible or when the Pastor is calling me on my phone. But for the rest of my life, I have a different wisdom that I'm operating out of and that is the one that really is important. * Thinks that this wisdom he is talking about really isn't as important as he's letting on. If we are really going to be successful, we really need THE WISDOM OF THIS WORLD.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:6-16		See the subject change in v6 and change from I/MY to WE/US (PAP). Paul is about to prove to them his new, radical message is absolutely from God. Paul is writing under divine inspiration but what Paul is going to do is to describe this process. Paul knows this message is radical. Paul is going to show them exactly how this message comes to be and why he is able to say it the way he is able to say it. Once you understand this process, you realize this can only be from God. When Paul says in other places, I didn't get this from men, that's true but that didn't describe the process of inspiration. Paul says that he is going to walk you though the process because no man could conjure this up. He is going to walk you through and show you what I am writing down here is exactly right. The most detailed discussion of how divine revelation (GH: not only Paul/PAP) and divine inspiration (GH: when written/Paul) takes place in the entire Bible. MM says this is who the WE/US are. Paul's explanation that the revelation of the mystery was a "wisdom" that came from God alone. When someone says 'the Lord showed me', they are claiming divine revelation. MM says you can't claim this and be true to the word. Paul is saying in this passage that I'm going to walk you through the process because no man could conjure this up. So that you know what I'm writing down here is exactly right.
1 Corinthians 2:6-16		MM says this is one of the most misunderstood passages in the entire N.T. Trying to undo 40 years of the way you have previously understood this passage. The most extensive explanation of divine revelation and divine inspiration than anyplace else in the Bible. The reason is this message is different than anyone has heard before. Imagine a guy showing up today/tonight and saying 'everything you all believed is not true anymore, God is doing something different and I'm the one who God chose to reveal it to you'. Imagine the response. There was no magic happening with Paul, that was the response with Paul as well. He explains exactly how God transmitted this truth of the Mystery in a way that they'll understand that this is not him and that there is no other explanation for it other than God. The question is - If men can't dream this up on their own, how did Paul come to understand the mystery? Paul goes through a very detailed explanation of how he knows this could have only came from God. Doesn't mean everyone will believe it, because people have free will, which is one of the key characteristics of being made in the image of God. Paul has to be able to discern which thoughts are my thoughts and which thoughts are the Spirit of God's thoughts. What direct revelation is about. Have to know what the Spirit of God is now telling you in your mind, not your brain. When you die, your brain corrupts and goes away. But your mind lives on.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:6-16		The five things that Spirit of God needed to make sure Paul got right. Paul is supernaturally given to know 5 things. In this process of revelation and inspiration, Paul is supernaturally given to know: 1. the truth the Spirit wants conveyed/God wants revealed to Paul - the Spirit is in Paul's spirit and He is communicating to Paul's mind the truth about the mystery. 2. which words in his vocabulary accurately convey that truth - The Spirit didn't give Paul the vocabulary he used or he didn't know. He is pulling the words out of his vocabulary. 3. which thoughts in his mind are his thoughts 4. which thoughts in his mind are from the Spirit - have to discern between these two to get inspired scripture 5. when his thoughts are perfectly in line with the Spirit's With these 5 things, God is making sure the things that are getting written down on the page are exactly what the Spirit conveyed to Paul using Paul's vocabulary with the ability to discern between what he is thinking and which thoughts are from the Spirit so that he is able to use his vocabulary to say exactly what the Spirit wants said.
1 Corinthians 2:6-8	GH: IPF verse	v6: THE WISDOM OF THIS WORLD: The wisdom of men - the men part. v6: THE PRINCES OF THIS WORLD: The wisdom of the principalities and powers in heavenly places. v7: THE WISDOM OF GOD IN A MYSTERY: v7: HIDDEN WISDOM: Hidden from the PRINCES OF THIS WORLD. The reason for hiding is given to us in the passage; if they had known what the “wisdom of God in a mystery” was, they would not have crucified Jesus. And it was imperative that they did crucify Him. Paul’s wisdom was not like the wisdom of men (wisdom of this world) nor was it like the wisdom of the princes of this world. He was speaking the “hidden wisdom” which God had kept secret for a reason. It was their undoing. It completely annialated the plan of evil. It completely took them by surprise. It's the manifold wisdom of God. v8: PRINCES OF THIS WORLD KNEW: Have reference to angels. Men are categorized under WISDOM OF THIS WORLD. Paul mentions both categories as having an influence on this world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:6	Sonship	6 Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: Starts a new FORM OF DOCTRINE-Romans 6:17. Get a big subject change in this verse. Move from I/MY (v1-4) to WE/US (v6-16). Contrasting THE WISDOM OF THIS WORLD with the wisdom he is speaking. HOWBEIT WE SPEAK WISDOM AMONG THEM THAT ARE PERFECT: Paul is speaking to those who are spiritually mature/spiritual maturity and will understand what he says. Not everyone has abandoned Paul. He is saying he is speaking a wisdom that those folks will understand. WE SPEAK WISDOM AMONG THEM THAT ARE PERFECT: The “wisdom” which Paul possesses and which Paul is preaching is for those who are “perfect” in that they are continuing in Paul’s (foundational, Romans doctrine) and maturing in the faith. They are practicing what they have learned so far. Paul says that this wisdom is for those people. Have come through Romans and growing in grace and have not run off the rails anywhere in Romans. They are being perfected. Paul’s “wisdom” (contained in the mystery) is not according to the world of men, nor according to the supernatural “princes of this world,” for all of their wisdom will perish in the end. WE: Now steering away from I and MY. See v1-4 - I (4x) and MY (2x). Paul and the apostles & prophets during his ministry. WISDOM: Not the wisdom to do surgery or the wisdom to do math. Talking about your philosophy of life, which now dictates how you live. Tells you what is and what isn't important. Tells you how to spend your time. The world would look at a son or daughter's Sonship life and say 'foolish'. Also dictates how you carry out business.
1 Corinthians 2:6	Sonship	6 Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: THEM THAT ARE PERFECT: Not sinless perfection, talking about spiritually mature sons, those that are continuing in Paul's doctrine. They did not run off the rails anywhere in the Book of Romans. This did not include the Corinthians. Those continuing in Paul's doctrine. They have come through the Romans doctrine and they have not run off the rails any where in the Book of Romans. They have taken that and living out of that, doesn't mean perfectly. They are being perfected. Not everybody in Corinth abandoned Paul and his doctrine. There are people in the Corinthian assembly that love Paul, that believe his doctrine, and understand what it is supposed to do with them. Paul is speaking a wisdom that these folks understand. YET NOT THE WISDOM OF THIS WORLD, NOR THE PRINCES OF THIS WORLD: MM says this is not talking about two different kinds of wisdom, but where this wisdom comes from, those members of the heavenly hosts who were supposed to be the influencers of the leaders of the nations and various levels, were supposed to be influencing them for good and for God. But they did not. They neglected THE MEASURE OF FAITH-Romans 12:3 that were given to them and they gave the world a corrupted/counterfeit wisdom. To influence men to do what they want them to do and to think what they want them to think.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:6	Sonship	6 Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: YET NOT THE WISDOM OF THIS WORLD: The wisdom that Paul is going to present is not the wisdom of this world. The people that follow the wisdom of this world are set in contrast to “them that are perfect.” Evidently, there are some who have not abandoned Paul or his doctrine, but they have increased in the faith. WISDOM OF THIS WORLD: Is the accepted wisdom of men, saved and unsaved. What the principalities are feeding into the minds of men. Not the ability to build a house or the knowledge to do surgery. He is talking about your philosophy of life. Your philosophy dictates how you live, what is important or not, how to spend your time, etc. World would look at us and say we are foolish. This philopshy of life will also dictate how you carry out business. Paul is saying I'm going to give you godly wisdom that will replace all of this. Paul is explaining where it came from. What the principalities are feeding in the minds of men and then they get a bright idea.
1 Corinthians 2:6	Sonship	6 Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: NOR THE PRINCES OF THIS WORLD: Is not referring to men, but this will be qualified by v8, where we understand that these are referring to the principalities and powers who have aligned themselves with Satan. These are the “princes” that have been influencing the people in the world and shaping the wisdom of the world. PRINCES OF THIS WORLD: Wisdom of the rebellious heavenly hosts. MM doesn't think this is talking about men although most all commentaries do. These are the principalities that are influencing men. In Satan's kingdom, you can get promoted. MM believes these are supernatural. Men didn't give 2 flips but the spirit beings in the heavenly places sure do. There is some disagreement about who the “princes of this world” are. Some say this refers to people, while others maintain that this is a reference to principalities in HP who have influence upon men and upon the world. While MM leans in the direction of these being principalities in HP who orchestrated the crucifixion, when it comes to the point that “no one knew about the mystery of Christ,” it makes little difference, for neither of these two groups knew. Satan, before the Cross, was the de facto possessor of heaven and earth. Satan knows that Jesus has rejected his offer of the kingdoms of the earth at the outset of Jesus’ ministry. He has watched Jesus’ earthly ministry and, I believe, Satan knows about the death of Jesus in the OT-Psalm 22:1. Are seeking to influence men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:6	Sonship	6 Howbeit we speak wisdom among them that are perfect: yet not the wisdom of this world, nor of the princes of this world, that come to nought: PRINCES: Principalities - not talking about human government and humans that hold offices on this earth. Talking about the heavenly places. MM says he doesn't think this is two different types of wisdom. MM says there's a connection between the principalities and human government leaders in accordance with what God wants. A way Satan influences men in this world. THAT COME TO NOUGHT: The wisdom of this world will come to naught. God will one day destroy all competing wisdoms. Not talking about wisdom in the sense of understanding mathematics or how to build a house, or how to perform a surgery, or any of that. This is talking about wisdom in the sense of our life philosophy, how we think and how we live our lives. MM says that the principalities and the men that promoted the wisdom of this world will end up in the lake of fire. THE WISDOM OF THIS WORLD is going to be destroyed and the men that promoted it and THE PRINCES OF THIS WORLD that promoted it are all going to wind up in the same place - the lake of fire. NOUGHT: Nothing.
1 Corinthians 2:7	GH: BTFOTW-The Mystery (4x) / GH: GLORY Definition	7 But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory: WE SPEAK THE WISDOM OF GOD IN A MYSTERY: Paul is making that mystery known. The hidden wisdom of God was a secret that was not mentioned in the Bible until God revealed it to the apostle Paul. MM says the mystery is all about us. If there is anything you should know, it's the subject that happens to be about you. WE SPEAK WE: PAP (Paul, the grace Apostles, & the grace Prophets). The “we,” are the ones to whom God is now revealing the mystery which would include Paul, and those who had the supernatural gifts of the Spirit; apostles and prophets. The ones to whom God revealed the mystery. Would include Paul. MM thinks God revealed it to Paul first, but if you are waiting for Paul to write a letter to you, you are going to be waiting a while. It's 20 years before Paul writes his first epistle, so you will be waiting a while if you are waiting for it to be written down. This is the edification of the body of Christ in the early church. MYSTERY: MM warns it is easy to gloss over this word when reading this passage. The overall description of the unique, distinct, separated message given to our apostle Paul. Came up in Romans 16. MM says it is also in Romans 8. The word doesn't have to be there for the concept to be there. The doctrine by which God is now dealing with the members of the body of Christ; the time has come for the mystery to be known and lived. HIDDEN WISDOM: The Mystery. Paul says I can't talk to them about it because they weren't at a place they could hear it (GH: not far enough along in Sonship). When Paul speaks that wisdom among them that are perfect, he speaks “the hidden wisdom” which pertains to the mystery which was revealed to Paul. What Paul could not tell the Corinthians is the genius of why God did what He did when He brought this dispensation of grace into being and began to deal with people the way He does. The truths which He ordained for all of this before He created anything and kept it secret until He revealed it to Paul. Called HIDDEN because nobody knew about it. He ordained all of this before He created anything.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:7	GH: BTFOTW-The Mystery (4x) / GH: GLORY Definition	7 But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory: Hidden wisdom not there was a DOGG. It's in the Sonship curriculum. MM says it is sitting in Ephesians, Philippians, and Colossians. Something that you wouldn't know, wouldn't naturally come to. Corinthians knew about the DOGG but not "why God did it in the first place." They would need "subtilty" in order to understand, and that is something they didn't have. Paul is talking about the HIDDEN WISDOM that was ORDAINED before the world but not REVEALED until God revealed it to Paul. WHICH GOD ORDAINED BEFORE THE WORLD UNTO OUR GLORY: God, in His wisdom, ordained things in the mystery of Christ "unto our glory." No one knew about it, not even Satan or the angels. Now, look at v9 in that chapter. MM says the GLORY is going to be of such magnitude that you will not remember all of these things that took place in comparison to it-Romans 8:18. WHICH GOD ORDAINED BEFORE THE WORLD: (GH: prayer topic) Have an appreciation for all that has been done for us by God by knowing that God had this in mind before the foundation of the world should tell us something about the crucial nature of this as part of God's plan and purpose from the beginning. GOD ORDAINED BEFORE THE WORLD **UNTO OUR GLORY: Exaltation.** He will share this glory as well. GH: We will get a GLORY as well as an inheritance. Unto our exaltation.
1 Corinthians 2:7	Non-MBI	Columbus Bible Definition: Is the best scriptural definition of what a MYSTERY is.
1 Corinthians 2:8		8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory. Why God kept the mystery a mystery. The mystery is so important and such a big deal that if Satan had known about it beforehand, he and his supernatural minions would have never instigated the death/crucifixion of Jesus on the Cross. This is what God needed them to do because they lost everything. If Satan had known about the Mystery program, they would not have crucified the Lord of Glory. For if the princes (Principalities) of this world (not talking about kings and queens - men) would have known, they would not have crucified the Lord of Glory. What they thought was Christ's undoing was their undoing. The Lord says He has taken Satan in his own craftiness and beat him in his own game. Satan thought he was so wise there was no secret God could ever hide from him. Can you imagine Satan's surprise when the apostle Paul came on the scene and said I am going to show you a Mystery? By doing this, they lost everything. They can't reverse this, it is a forgone conclusion now. This is because the mystery reveals that through the Cross, everything they had been working to accomplish has been undone. By crucifying the Lord Jesus, they have lost the heavenly places and nothing they do can reverse that. The mystery reveals the truth that they have lost the heavenly places, even though they are still up there right now. (They occupied the HP ever since they lost them at the resurrection of Christ, and they will continue to occupy the HP until the dispensation of the fulness of times (DoFT). Even so, their losing the HP is a foregone conclusion awaiting only God's timing to remove them.). GH: The reason things are done differently in the gospels than in Paul's epistles is due to the power that Jesus stripped from the principalities and powers during the Cross-work of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:8		8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory. PRINCES OF THIS WORLD: Is not a reference to human rulers or men (contrary to the commentaries), but to Satan's realm (those rebellious principalities and powers which joined with him) which ruled over the earth and the people in it. MM believes these are supernatural. The job of these sons of God that are giving the account to the Lord (divine council) is to influence the nations back to God. But instead, they saw an opportunity to be worshipped themselves and to have something that before was reserved only for God. God will one day replace the PRINCES OF THIS WORLD and replace them with members of the body of Christ. The study of God's word is to equip us for that day when we are assigned for a position in the heavenly places to carry out the will of God throughout the ages to come. If you make this humans, so what? What does this mean to men? The only ones who have a dog in this fight are the creatures that live forever in the heavenly places. Satan thought he may lose the earth, but I'll keep the heavenly places. What he didn't know was that Jesus wasn't just making atonement for the earth, He was also supplying a way for God to repossess the heavenly places. PRINCES: Root of principality. If you are a prince, you are not the king.
1 Corinthians 2:8		8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory. HAD THEY KNOWN IT, THEY WOULD HAVE NOT HAVE CRUCIFIED THE LORD OF GLORY: Satan was not intimidated by Israel at all, but with the Mystery, for the first time this world now has people on it that are not just sons & daughters, but can actually possess a godly wisdom that is able to make them go through anything that can come their way. That His Grace really is sufficient for them that no matter what happens they can bare it and even benefit from it. And all of that will equip them to take those positions in the heavenly places that are occupied by Satan's minions today. MM says it is like watching kids grow up, you see them everyday but you don't realize it and then you see a picture from 3 years ago and say oh my gosh. Satan is looking at this and there is something is happening in Sonship churches where you are being taught and getting this godly wisdom and this understanding and you are really willing for this to work in your life and Satan & minions realizes this is our undoing, it's the thing that is going to end us right here. We are not going to maintain a hold on the heavenly places because of these people. This was the threat. MM doesn't think he was intimidated by Israel, they were like putty in his hands. But now there is a spiritual work being done in us and that work is intimidating to him. That is the Work that God has pledged Himself to do, that is the Work God is doing today and we are partnering with Him to get that work accomplished. Keeping the mystery a secret was crucial to God's plan to defeat Satan. God needed Satan to incite the Jewish leaders to crucify their Messiah. As important as the mystery was, God didn't say a peep to anyone on the divine council. MM believes the instigation of the Jewish leaders to crucify Jesus didn't come in just a day. That were working on it all along and you can see it all along in His ministry. Was brewing and cooking all along. This idea with Satan started when Jesus didn't succumb to temptation in the wilderness at the beginning of His ministry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:9-12		Paul is revealing the 3 steps of how God made known the mystery: 1. Revelation: The revealing of the things of God that can only come through the Spirit of God. The Holy Spirit gives PAP a revelation. This is the act that puts the Truth in Paul's mind, not brain. At this point, Paul may or may not know the exact words to communicate the thing that is being revealed by the Spirit. The Spirit is saying, here's the Truth. I AM going to make it evident in your mind, so Paul, have confidence in this. 2. Illumination 3. Inspiration: This is where the Spirit helps Paul choose the right words out of his vocabulary. The inspiration is not in the writing. Realize Paul did not write all of his epistles. But the words being written down are the ones Paul is speaking. MM says why in the world would Paul be going to all the trouble to explain this unless he is giving a defense of the truthfulness of this message, the mystery, which is unlike anything they ever heard before. If he doesn't give some kind of explanation, people will just reject that as if a guy walked up here and said 'God is no longer dealing with you the way you all think. So He revealed it to me'. You would say get that bum outta here. MM says this is the way they treated Paul. He is explaining the process. God has revealed what is in His Mind to PAP by His Spirit. Revelation does not come from men's philosophy or scientific observation, it comes directly from the Spirit of God.
1 Corinthians 2:9-11		See the 4 occurences of THINGS in this passage. Makes MM think THINGS is more than just the mystery but in this context referring to the things of the mystery. It continues down through the chapter.
1 Corinthians 2:9		9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. God searches the hearts; He knows our hearts. The Spirit of God knows the mind of God. God knows the mind of the Spirit because the mind of the Spirit is the mind of God. They are one in the same. That is the way it was prior to the mystery. He is not talking about Heaven, he is talking about the GLORY in v7. This world has bestowed glory into people - monuments, great praises, etc. but the Father says the kind of GLORY waiting for us - EYE HATH NOT SEEN-1 Corinthians 2:9. You have never seen anything like the GLORY you are going to get when this is all done. This is not talking about heaven. Paul is making a point on THE THINGS of the Mystery by quoting Isaiah, not the third heaven. Taking something Isaiah said and he is applying it to the mystery. Nobody is making this up. This didn't come from anybody's imagination. It's not similar to something else. Paul is not making this up. This didn't come out of anybody's imagination. AS IT IS WRITTEN: Paul quotes Isaiah 64:4. Isaiah was not talking about the mystery; he was talking about the glory of the kingdom. Paul is picking up that same theme, but he is applying it to the mystery of Christ, he is not talking about the kingdom. Paul understands that the “glory” of that which was evident in Israel’s program (even back to the days of Solomon, the previous zenith of glory for Israel) is no match to the “glory” of the unsearchable riches of Christ. So, he reaches back to this passage in Isaiah to borrow the terminology and apply it to what God is doing by way of the mystery in the DoGG.

1 Corinthians 2:9		9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. EYE HATH NOT SEEN, NOR EAR HEARD, NEITHER HAVE ENTERED INTO THE HEART OF MAN: By any means necessary, nobody has ever seen what God has kept secret from/since the foundation of the world. No one could see this coming. That was the point. Because then Satan did what he did. 1. EYE: Nothing you can see by observation or look at that would inform you about the Mystery. No scientific observation. 2. EAR: Hearing is rational argument or logic. There is nothing that you could hear that would have clued you in about the Mystery. No philosophical argument. 3. HEART: Not your imagination and not faith in some belief. None of that will qualify you to know THE THINGS of the Mystery or any of THE DEEP THINGS OF GOD. NEITHER HAVE ENTERED INTO THE HEART OF MAN, THE THINGS WHICH GOD HATH PREPARED FOR THEM THAT LOVE HIM: No one has ever even dreamed of how good this is. MM says it reminds you of Romans 8:18. No matter how many verses we run on it, we will get up there, you will look at MM and say, this is way better than you said. THEM THAT LOVE HIM: The more you love God, the more you will enjoy and appreciate eternity in the heavenly places. Therefore, you should go to work on loving God will all your heart, soul, mind and strength. MM tying to THEM THAT LOVE GOD-Romans 8:28 and LOVE HIS APPEARING-2 Timothy 4:8.

1 Corinthians 2:9		9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. THE THINGS: Paul is saying that by no means available to them, could men know about or discover or discern or imagine the great truths of the mystery and how those things pertain to us. Paul uses THINGS throughout this passage - Are the THINGS of the Mystery. Is about “the things” of the mystery and the fact that they cannot be understood by: 1) observation (empirical science) [see], or by 2) rational logic (philosophy) [hear], or 3) by imagination (faith in a belief) [entered into the heart]. POINT: There is only one way for us to know about the “things of the mystery;” it must come from God Himself. When God Himself reveals “things” which man could otherwise not know, we call this “divine revelation.” THEM THAT LOVE HIM: Is not describing an emotion or fuzzy feeling we feel about God. This is referencing back to who this is written to - the church of God at Corinth. We know this because: 1) we have already been given a context from v6 that this information is for “them that are perfect,” and 2) this is also in the context of the mystery. THEM THAT LOVE HIM: Is referring to those people who have been following Paul and obeying his (Romans) doctrine as sons and daughters who are being edified unto godliness. They are getting the Romans doctrine up and running in them. Is the same group as THEM THAT ARE PERFECT-v6 - the group Paul is writing to, and that is the group for which God has “prepared” some special things which have been hitherto unknown. Not the group that said 'We love Paul but we think he is taking this thing a little too far'. MM says it should take you back to TO THEM THAT LOVE GOD-Romans 8:28.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:10		10 But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. Divine revelation is when God reveals something we otherwise could not know and God does that by His Spirit. The Spirit of God can reveal the things of God because God's Spirit searches THE DEEP THINGS OF GOD. The Spirit of God knows what is going on, that God kept a secret all along. BUT GOD HATH REVEALED THEM UNTO US BY HIS SPIRIT: When the mystery came along, he says no one's ever seen it/heard it/entered it into their thoughts, but now the Spirit is going to reveal this to you. This is going to be your HOPE so you are going to have to be told about it. Divine revelation by His Spirit. GOD HATH REVEALED THEM UNTO US: Is describing the process whereby they can know about the mystery and all that pertains to it-direct/divine revelation (otherwise we wouldn't know about it). Men can't discern it or dream it up on their own. God did this by direct revelation - BY REVELATION HE MADE KNOWN UNTO ME THE MYSTERY-Ephesians 3:3. GH: Revelation is followed by inspiration so that those words get written down. If men can't dream it up on their own, out of their own understanding, the question is, How did Paul come to understand about the Mystery? The only reason a man is self-aware and knows what he is thinking is because he has a spirit within him. That makes him aware of it. God has revealed what is in His Mind to PAP. REVEALED THEM UNTO US BY HIS SPIRIT: The Spirit of God can reveal the things of God because the Spirit of God searches THE DEEP THINGS OF GOD. The Spirit of God knows what is going on. GOD HATH REVEALED THEM UNTO US BY HIS SPIRIT: This is the way God communicates to us, through the Spirit. Know the things in v9 by the word. THEM: Those ALL THINGS. US: MM used to think WE/US was members of the body of Christ, but it's PAP. The plural pronoun again. Because if it was about God revealing the Truth of the mystery to members of the body of Christ, realize the He didn't do this with every member of the body of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:10		10 But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. FOR THE SPIRIT SEARCHETH ALL THINGS: The Spirit knows (searches) all the deep things of God, therefore, we need the Spirit to reveal those truths. ALL THINGS: Makes you think there's more to this than just the Mystery. THE DEEP THINGS OF GOD: Are those things which men could not know about unless God told them about it. They are “deep” because they are only in the mind of God. Would include a lot of things, like the mystery for example. MM says people could look at this and say this is the mystery but that's only part of this because these are THINGS plural and he uses the term MYSTERY in the singular. Because of this, MM thinks there is more to THE DEEP THINGS OF GOD than just the mystery. An example would be your new identity IN Christ. It is a non-experiential truth, (which means when it happens, there is no tangible way to observe or measure it) there is no way for us to know about it unless God reveals it or tells it to you. You will only know about THE DEEP THINGS OF GOD if you are told. When you got saved, you didn't say 'well, I just got the imputed righteousness of Jesus Christ'? No, because you didn't know about it. Nothing that would tell you this. POINT: The Spirit searches all THE DEEP THINGS OF GOD so it makes sense that He would be the One that would reveal it to PAP. DEEP THINGS OF GOD: Understanding that God's not fixing the outer man but He's working on the INNER MAN is part of the DEEP THINGS OF GOD. GH: Things you wouldn't know unless you are told about them (EX MERCIES OF GOD-Romans 12:1; SPIRITUAL BLESSINGS-Ephesians 1:3). Only way to know is for God to reveal them in His word. DEEP THINGS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:11		11 For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God. You want to know what God's saying, that's what the Spirit is saying. The Spirit knows what the Will of God is and what He communicates to us is the Will of God. The Father is thinking what the Spirit is thinking. The Spirit is thinking what the Father's thinking. The word is reflecting what they are both thinking. Paul uses how things go on in us as an illustration. Just as the only one who knows what you are thinking is you, the only one who knows what God is thinking is God. Why would Paul be going to the trouble to explain all of this unless he was giving a defence of the Mystery which is so unlike anything that they have ever heard before that people would reject it otherwise. FOR WHAT MAN KNOWETH THE THINGS OF A MAN, SAVE THE SPIRIT OF MAN WHICH IS IN HIM: The only person that knows what you are thinking is you (then the only one that knows what God is thinking is God). You can be saying one thing and thinking a completely different thing. We know what we are thinking because of our spirit within us. Thoughts are not physical things, so the only way to know our own thoughts is by our spirit. In the same way, the Spirit of God knows the things God the Father is thinking and so He is perfectly capable of revealing those things to Paul or those with the gift of an apostle or prophet. Here's what this is saying, the only person/only one that knows what you are thinking is you and that is because you have a spirit within you. Your spirit knows what you are thinking. No one else can really know what you are thinking, but your spirit knows. You can be saying one thing and thinking something completely different. Saying the only one that knows what is going on inside a man is the spirit of a man within him and the only one who knows what's going on with God is the Spirit of God. Point: When we claim that the Spirit is the One that shows this about the mystery, He is the only One that can know. No one else can really know this.
1 Corinthians 2:11		11 For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God. EVEN SO THE THINGS OF GOD KNOWETH NO MAN, BUT THE SPIRIT OF GOD: A man is the only one that knows what he is thinking in his spirit, then God is the only one that knows what God is thinking. When the Spirit shows them things about the mystery, He is the only One that can know. God’s Spirit knows what is in God’s mind; God’s Spirit knows what no man can know, God’s thoughts. So, the Spirit is perfectly capable of revealing “the things of God” to man. When He does, that is called revelation. THE THINGS OF GOD: Paul is going to explain how the “things of God” which pertain to the mystery were revealed to man. Paul is explaining how he received divine revelation. Paul starts off by saying that those “things” cannot be known by the wisdom of men, but only by the wisdom of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:12-13		Paul is getting into the nuts and bolts of how the Spirit transmits THE DEEP THINGS OF GOD to PAP. Didn't come from THE SPIRIT OF THIS WORLD or human/man's wisdom. The Spirit reveals the Truth to Paul's spirit. Inspiration does not come from the wisdom of the world. And inspiration does not come from within us. It comes from God's Spirit. Paul describes this process. The Spirit reveals the truth to Paul. The Spirit then helps Paul choose the right words by comparing (finding words "of equal standing") from his own vocabulary. When the Spirit reveals the doctrinal truth, as Paul searches through his own vocabulary to express that truth, the Spirit is involved in that process. Paul isn't just thinking and trying to figure it out; when Paul comes across a word in his vocabulary that is of equal standing with the truth revealed to his spirit, then the Spirit of God confirms that to him. When the Spirit of God reveals the mystery to Paul, God is going to reveal that through His Spirit who is now residing in Paul's spirit. God not only had to reveal the truth of the mystery which no one knew anything about, so Paul doesn't have an inkling of it. It's coming out of thin air as far as he knows. So the Spirit is revealing it to him in his spirit. But the Spirit has to do something else. If Paul is going to communicate this, especially if he is going to write it down on paper, Paul is going to use his own vocabulary. You can read Paul's letters and Peter's letters and see they are written by two different guys.
1 Corinthians 2:12-13		The revealing of the things of God can only come through the Spirit of God. Here is the progression: 1) Revelation: God the Holy Spirit gives a revelation. This is the act which puts the truth into the mind of Paul. At this point, Paul does not yet know the exact word to use to communicate this "thing" which the Spirit has revealed. 2) Inspiration: Now the Spirit uses inspiration. This is where the Spirit helped Paul to choose the right words. 3) To write those words down to be seen and read by all.
1 Corinthians 2:12	GH: MoG	12 Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Paul is going to talk about the next step in the process of taking the things which are only in the mind of God, that only He knows, and to not know only getting Paul to understand them but getting them written down on paper for all to benefit by, so the rest of the body of Christ can read and understand Paul's knowledge in the Mystery. Just as Paul explained how revelation could not happen (v9), here in v12, before Paul tells us how inspiration takes place, Paul is going to tell us how it doesn't take place. WE HAVE RECEIVED...THAT WE MIGHT KNOW NOT THE SPIRIT OF THE WORLD: Paul tells us how inspiration doesn't take place before he tells us how it does take place. SPIRIT OF THE WORLD: How inspiration does NOT take place. Whether this is the COTW or the collective WISDOM OF THIS WORLD, it does not matter because neither of these can produce inspiration. It has nothing to do with that. WE MIGHT KNOW THE THINGS THAT ARE FREELY GIVEN TO US OF GOD: The things given to us IN Christ are certainly things which are "freely given to us of God."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:13-3:1		See the word SPIRITUAL 4x in close proximity and talking about something different each time. v13: SPIRITUAL THINGS: the 'truths' revealed to Paul v13: WITH SPIRITUAL: the 'words' in Paul's vocabulary v15: HE THAT IS SPIRITUAL: the 'person' or a man that is living out of his spirit (vs. the man who is carnal or fleshly) - being absolutlely aligned with the revelation given to him Incorrect Bible College Teaching: - Natural man: unsaved - Carnal man: saved but not living right/doesn't act like it - Spiritual man: saved and living right/acts like it Context is still about receiving a direct revelation from God. Means everything the Spirit is revealing to his spirit. Those are the things that now Paul is going to put to paper. He is spiritual because the Spirit has now given him the ability to know which of his thoughts are a result of his thinking and which of his thoughts are the ones the Spirit is communicating. v16 says WE HAVE THE MIND OF CHRIST. Remember MM says the Spirit is communicating this to Paul's mind. The very thing that God wanted in the mystery of Christ that he wanted communicated, Paul says He gave me that understanding. That ability to think in my mind. You can have THE MIND OF CHRIST but not from v16. Yours is LET THIS MIND BE IN YOU WHICH IS ALSO IN CHRIST JESUS-Philippians 2:5. v1: NOT SPEAK UNTO YOU AS TO SPIRITUAL: Being controlled by the Spirit, not in a robotic sense. Not talking about how much you know, it's talking about walking in accordance with what you do know.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:13		13 Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. Paul is saying I didn't dream this up. MM says this reminds of HOLY MEN OF GOD SPAKE AS THEY WERE MOVED BY THE HOLY GHOST-2 Peter 2:21. WHICH THINGS ALSO WE SPEAK, NOT IN THE WORDS WHICH MAN'S WISDOM TEACHETH: Paul is being clear. What is being revealed to me is not something that a man can figure out. When the Spirit of God is going to reveal the Mystery to Paul, God is going to reveal that through His Spirit which is now residing in Paul's Spirit. God not only has to reveal the Truth of the Mystery, but He has to do something else, especially if he is going to write it down on paper. Paul is going to use his own vocabulary. As the Spirit is revealing this Truth, here's the things He has to do: 1. Reveal the Truth: Revealing of the things of God that can only come through the Spirit of God. The Holy Spirit gives Paul or PAP a revelation. This is the act that puts forth the Truth into Paul's mind. 2. Give Paul the ability to discern because this has got to go through Paul's mind. Otherwise, God is just putting Paul in a trance. Give Paul the ability to discern between what the Spirit is telling him and what our his thoughts. Important because if Paul can't do this, things will get written in the scripture that God never intended to be there. God is in charge of this process. Pauls is saying, I'm not figuring this out on my own, 'give me a hint God and let me see what I can do with that'. No - God is not doing that. God is revealing the whole Truth to him and then He must cause Paul to discern what is coming from Me and what is coming from his own mind about this. Because if you're being told this, your mind immediately starts thinking. WE SPEAK: Don't lose the context. Still the same way - PAP.
1 Corinthians 2:13		13 Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. 3. The words: The Spirit reveals the Truth to Paul's spirit. Inspiration is where the Spirit helps Paul choose the right words out of his vocabulary. In his mind, he is able to discern this is the thing that is coming from God and it is not me thinking about it. He can separate those (MM says we cannot do this. We think we can but we cannot.). They have this because they are going to be writing inspired scripture. You can't leave that up to chance. These are the words the Holy Ghost teaches, not what a man's wisdom teaches. Even though Paul is a really smart guy, God is not leaving it up to Paul. WHICH THINGS ALSO WE SPEAK...WHICH THE HOLY GHOST TEACHETH: Paul says that the things we (he and grace apostles and prophets) speak (holy men of God spake as they were moved by the Holy Ghost), are the things which the Holy Ghost teaches them to speak. WHICH THINGS WE SPEAK: Those WHICH THE HOLY GHOST TEACHETH. WHICH THE HOLY GHOST TEACHETH: Tells MM the Spirit of God is directly involved in this part of the process. He is the One that is instructing. The Holy Ghost is the One: 1. Communicating the revelation to Paul 2. Communicating what's in His Mind 3. He is discerning what are Paul's thoughts and and what's not (God's thoughts)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:13		13 Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. COMPARING SPIRITUAL THINGS WITH SPIRITUAL: As a young preacher boy, taught this verse was how you studied your Bible. You ran references in other books and lining up those references. May have value if you RDW but his teachers didn't RDW. The Spirit of God, who is teaching, knows what it is trying to communicate. So those SPIRITUAL THINGS are being compared to the spiritual words that are sitting in Paul's vocabulary. The Spirit knows what words are in Paul's vocabulary. He not only knows the Truth, He will distinguish between what He is revealing and what Paul is thinking, and then, in order for Paul to know exactly how to do that, He is going to have to reveal to him THE SPIRITUAL THINGS and those are going to be matched with the spiritual words of equal standing in Paul's vocabulary. This is so what Paul communicates isn't a fairly accurate description of what God is doing, it is what God is doing. The Spirit helped Paul take the "spiritual things" which were revealed to him, and find corresponding "spiritual words" from his own vocabulary. This is how human authors of the Bible could convey divine truth, and at the same time, use their own vocabulary. About how God superintended the divine revelation of truth to the apostles and prophets and the divine inspiration of putting those words on the page for the apostle Paul. How human authors could convey the Truth of God in their own words and it would be accurate. This is what the Spirit does with everyone that is writing inspired scripture. MM says this is so much better than handing down a verbal story from generation to generation. There's no guesswork here. Find a comparable word in Paul's vocabulary that describes what is from Me. Compariing the truths revealed to Paul to Paul's vocabulary. COMPARING OED: Compare: 1. equal, of equal standing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:13		13 Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. SPIRITUAL THINGS WITH SPIRITUAL: Are the “spiritual” things revealed to Paul, compared with “spiritual” words from his own vocabulary to communicate this truth. The Spirit knows what words are in Paul's vocabulary. This is how human authors could convey divine truth and yet use their own distinct vocabulary. Then, using those words, these truths get recorded in scripture, so they could be seen and read by all. This is so much better than verbal things which are handed down from generation to generation. Are the SPIRITUAL THINGS revealed to Paul compared to the spiritual words from his own vocabulary and that is how human authors could convey the Truth of God in their own words and it would be accurate. MM says there is no guess work here. The Spirit helped Paul, taking the spiritual things about the Mystery being communicated to him and find corresponding or equal word in Paul's vocabulary to describe the thoughts that are going on in your mind that you know are from Me, the Spirit of God. MM sees the Spirit of God involved in this whole process from start to finish. The next step is to write it down so it can be seen by all. But the inspiration is not in the writing. Paul didn't do the writing in all of his epistles. But the words being written down are the ones Paul is speaking. The Spirit is saying, here is the Truth, I AM going to make it evident in your mind, you know this is not your thoughts, but these are Mine, so Paul, have confidence in this. Neither one of the “spiritual” mentioned in v13 is describing a type of person; they are truths and words. The passage about 'spiritual things with spiritual' is not how you study your Bible, this is about how God superintended the divine revelation of truth to the apostles and prophets and the divine inspiration of putting the words on the page to the apostle Paul. When you see this, you won't feel like you got short-changed.
1 Corinthians 2:13		13 Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual. SPIRITUAL THINGS: In this context is the mystery. The truths revealed to Paul. Paul is going to be telling them about a mystery that has been hid from the foundation of the world and it will run contrary to everything they've heard up to that point. The natural response to this message would be this guy is crazy, no one has ever talked about this. So Paul is telling them let me tell you how I've come to know this about the mystery. The SPIRITUAL THINGS revealed to Paul that were previously unknown with the exception of the Godhead. The 'truths' revealed to Paul (GH: surrounding the Mystery). He is telling people about a Mystery that has been hid from the foundation of the world. Paul had to discern between his thoughts and the thoughts God is giving them. The revealed truths which were made known to Paul’s mind. In other words, God is revealing doctrinal truth to Paul. Once those truths are revealed to Paul by the Spirit, the Spirit then “compares” those truths with words in Paul’ vocabulary (words which the Holy Ghost teacheth) to ensure those truths are accurately conveyed.' WITH SPIRITUAL: These are the words in Paul's vocabulary. The “spiritual” that the Spirit is comparing with the things revealed (spiritual things) are the “words” which the Holy Ghost teacheth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:14	GH: Subtilty	14 But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. Divine revelation is not received by the “natural man.” Paul is saying that God is not leaving it up to Paul for him to figure out what to write. Paul is not just using his own human intellect to write scripture. Even in this part of the process, the Spirit of God is at work. The point Paul is making is this: divine revelation is not received through the soul because that part of Paul would not understand the “things of God” because they are “spiritually discerned.” Paul is explaining the supernatural process whereby the things of the mystery were revealed to him to demonstrate that there is no possibility of error or misunderstanding. This whole process was overseen by the Spirit, who revealed the things of the mystery, not to Paul’s soul, and then left it up to Paul to put it on paper, but to his spirit where the Spirit of God gave Paul the capacity to understand with his mind the spiritual things of God that the Spirit was communicating to him.
1 Corinthians 2:14		14 But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. NATURAL MAN: MM says he was taught in Bible College this is the unsaved man, the carnal man is the Christian not living for God, and the spiritual man is the man who puts something in the offering plate every Sunday & reads his Bible every day. There's more to this. This is a man that is living out of the things of his soul, he is not being lead by the Spirit. He is not obeying the doctrine. He is not being conformed to the image of His Son. He is just living out of his soul. The way every man lives naturally. Making decisions like the world does. The spirtual man is living out of this (GH: MM pointing to the inner circle of 3 concentric circle diagram where your spirit and the Holy Spirit reside) because this is the only part of you that is controlled by Him. Because Satan can't build a stronghold in your spirit with the Spirit of God living there. He can and does and will build a stronghold in your soul if you let him but that can be pulled down. POINT: Paul is saying we're not dreaming this up, it didn't come out of our imagination, this is not based on anybody's previous deal, we're not trying to invent this out of our thinking, because the natural man does not receive THE DEEP THINGS OF GOD, the things you would only know about if you got told about them. Paul is still talking about himself. The natural part is his soul. He is talking about how the revelation was given to him. Paul is not suddenly leaving the discussion of how the mystery was revealed to him to say, out of the blue, “Hey, the Spirit of God is not revealing scripture to lost people.” Paul says that he cannot write unto them as those who are controlled by their spirit, because they are controlled by their flesh (souls). Natural men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:14		14 But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. NATURAL: Divine revelation is not received by the natural man and he is not saying God is not revealing scripture to lost people. Paul's soul. God is not leaving it up to Paul to decide about this. He is defending this process. Paul is not figuring out what to write. Paul is not using his own human intellect to write scripture. That would be THE WISDOM OF MEN, the natural way to do it. Paul is not doing it that way. Even in this part of the process, God is still at work. Point: Divine revelation is not received through the soul, it is received through the spirit. Why a couple verses earlier, he says the only way a man knows what he is thinking is because of his spirit. THEY ARE FOOLISHNESS UNTO HIM: He doesn't get it. He is not living out of the doctrine. NEITHER CAN HE KNOW THEM, BECAUSE THEY ARE SPIRITUALLY DISCERNED: SPIRITUALLY DISCERNED: Just as a lost atheist cannot discern the scriptures, most saved people cannot discern the scriptures. The POE has been so successful that they will never discern the spiritual aspect of the scripture. Scriptures themselves are “spiritually discerned” and you will need subtilty to see beyond what is merely lying on the surface. That is part of what makes this Book different from any other book in the world.
1 Corinthians 2:15		15 But he that is spiritual judgeth all things, yet he himself is judged of no man. People want to lump this in with Matthew - JUDGE NOT LEST YE BE JUDGED-Matthew 7:1. This has a different issue in mind. Paul is still in a context of explaining how this revelation takes place, and he is still talking about those to whom the Spirit revealed truth. HE THAT IS SPIRITUAL JUDGETH ALL THINGS...JUDGED: Think of 'judge' as meaning 'discern'. This is part of the process which the Spirit is involved in. He that is spiritual is the one to whom truth is being revealed. HE THAT IS SPIRITUAL JUDGETH ALL THINGS: He is able to discern that what the Spirit was revealing was spiritual truth. He can say that because the Spirit of God is communicating those truths in his spirit, not in his soul – making Him…spiritual. HE THAT IS SPIRITUAL: Talking about a person. Is referring to the one receiving revelation from God. He is said to be “spiritual” because God has given him the ability to discern that what the Spirit communicated to his mind was indeed spiritual truth. He is “spiritual” because the Spirit has given him the ability to know which of his thoughts are the result of his own thinking and which of his thoughts are those which the Spirit is communicating. Not the natural guy, the guy that could discern what was being revealed to his spirit by the Spirit of God. He understands what God was trying to communicate to him. Was able to differentiate between what the Spirit was revealing and his own thinking. If the Spirit did not also give Paul the ability to discern that what was coming into his mind was spiritual truth being revealed by the Spirit, then things could have wound up being written in the scripture which were not given by the Spirit at all. But, the Spirit did not leave it up to Paul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:15		15 But he that is spiritual judgeth all things, yet he himself is judged of no man. The Spirit is revealing two things: 1) the things of the mystery, and 2) the discernment that these things which are in Paul's spirit, are coming directly from God – and are not a product of Paul "figuring it out on his own" or Paul "thinking about it on his own," or Paul's iimagination. This was unique. It had to be. It must have been unlike anything that ever happened to Paul before. It had to be, else Paul, like us, might confuse what we are thinking with what the Spirit was revealing. So, if the Spirit is able to produce a discernment, not in Paul's soul, but in his spirit (mind), that these things of the mystery are not the product of his thinking, but are coming directly from the Spirit, no man could discern how such things were revealed to Paul ("…is judged of no man."). MM says we like to think we have this hotline to God and every once and a while He tells us, but He is not. He's heard a lot of preachers say God revealed something to them and then after they said it he knew good and well God didn't reveal that to them. JUDGETH: Discern ALL THINGS: The spiritual things that God is revealing. YET HE HIMSELF IS JUDGED OF NO MAN: Is a discern in the sense that the only one that knows what is going on inside Paul when this process is happening is Paul. Other men cannot look at this and go, oh, because they have no frame of reference for this. MM says this process is not happening to us because we are not writing inspired scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:16	GH: Sonship	16 For who hath known the mind of the Lord, that he may instruct him? but we have the mind of Christ. Nobody sees this passage because they don't see this passage in the context of Sonship. When are you supposed to get the MIND OF CHRIST? Everyone wants to say, oh well, we won't get that till we get to heaven. MM says that's not what is going on here. Paul doesn't say you are going to get. FOR WHO HATH KNOWN THE MIND OF THE LORD: The rhetorical answer is no one - only God knows what is going on in His Mind. Unless God reveals His mind to a man, that man cannot know what God is thinking, especially when God was thinking before the foundation of the world! WHO HATH THE MIND OF THE LORD, THAT HE MAY INSTRUCT HIM: MM tying this to WHO HAS BEEN HIS COUNSELOR?-Romans 11:34. He doesn't say no one, because when you have the MIND OF CHRIST, the mind of an educated son that Paul had, it's not that God needs instructing but He could come to you and say, what do you think ought to be done about this and you are going to have the ability to give Him the very answer He Himself would give. That's godly edification, that's the goal. FOR WHO HATH KNOWN THE MIND OF THE LORD, THAT HE MAY INSTRUCT HIM? Paul quotes Isaiah 40:13 and you will see a different answer. Was nobody in Israel's program under tutors and governors. BUT WE HAVE THE MIND OF CHRIST: Paul's answer in the DOGG is different than Isaiah's. This not just talking about us having some doctrine IN our inner man. BUT: English word of logic - it's about to go off in a different direction isn't it? It is a “cornerword” in that it alerts you that your thinking is about to go off in a different direction. WE: PAP - not us. MIND OF CHRIST: Get this when you are getting the education here on this earth. Get the beginning of it as a SIMPLE SON (get pieces along) but not until you become a MAN OF UNDERSTANDING.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:16	GH: Sonship	16 For who hath known the mind of the Lord, that he may instruct him? but we have the mind of Christ. WE HAVE THE MIND OF CHRIST: Not talking about every member of the body of Christ-see Philippians 2:5 for this passage (talking about PAP). Talking about PAP. We should have THE MIND OF CHRIST but doesn't mean that everyone does. Not a general instruction to every member of the body of Christ. GH: Those that have divine revelation and divine inspiration. You are not being divinely inspired to write anything. MM jokes he has some really good notes but they aren't divinely inspired. MM says he is speaking to you but it is not through divine revelation. Once the cannon of scripture is complete, there's no more inspiration taking place. You are supposed to read the inspired scripture. Another error is people saying 'I think God is showing me...'. MM says stop. You are claiming divine revelation when you do that. You can't claim that and be true to the word. That only happened to Paul and the apostles and prophets who had the supernatural gift. They had the mystery revealed to them when they didn't know it. Paul knows it and then reveals it to all the apostles and prophets. The WE and US is not about how you study your Bible. They didn't just kind of figure it out - the spirit just revealed that. MM says of course you can get THE MIND OF CHRIST. But not the way that Paul did because he was being used to author the scripture. Point: No man can figure out what God wants to reveal, how then can Paul claim to be doing just that? Because, he (we: Paul and the apostles and prophets) have been given “the mind of Christ.” The mind of Christ is an explanation for how Paul can know what God has kept secret since before the world began. If they weren't given THE MIND OF CHRIST, how much of the scripture could we rely on?
1 Corinthians 2:16	GH: Sonship	16 For who hath known the mind of the Lord, that he may instruct him? but we have the mind of Christ. You have gotten to the goal. MM says this ought to be exciting for all of us to think about the opportunity that we're going to have with our Heavenly Father (GH: If we become a MAN OF UNDERSTANDING). His Mind and Heart put IN us to be able to discuss the new plans for His Business. An incredible honor. Then the Father can come to the son and say, where do you think My Business ought to go? MM not the way we typically think of counseling but that's a real definition of the word COUNSEL. Before you leave this planet either in death or at the Blessed Hope, you are meant to have “the mind of Christ.” That is the understanding that comes from being a fully educated son in the Business and a man of understanding who has attained unto these “wise counsels”-Proverbs 1:5. WE/US: Can either mean the body of Christ OR Paul and the apostles and prophets. MM doesn't think that this is talking about us. The WE is not really talking about you. He does believe that we can have THE MIND OF CHRIST. We have this as the doctrine in Paul's epistles works in our minds to conform us to the image of Christ. After v16, Paul has left the subject matter of how he has received the truth of the mystery, and the accuracy of his understanding of it and the certainty of the communication of it, because the Spirit of God superintended the whole process – he is leaving that subject to address a whole new issue, the lack of spiritual growth and the carnality of the Corinthians.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 2:16	GH: Sonship	16 For who hath known the mind of the Lord, that he may instruct him? but we have the mind of Christ. WE HAVE THE MIND OF CHRIST: The “mind of Christ” (for the Corinthians, at this point) consists of those forms of doctrine back in the book of Romans. Paul’s corrective doctrine in Corinthians is pointing them back to the Romans’ doctrine: - where they are supposed to operate as a body - where they are supposed to be treating each other with the core features of godly love - where the edification of the whole body is the central issue - where every member is actively involved to the good of their fellow members - where we rejoice for the good and abhor the evil that befalls the body of which we are a part That is part of what it means to have the same mind. When it comes to those areas for which an assembly has no set instructions, the doctrine working in us should first of all allow whoever has the administration over that area to do so without opposition. For those issues which are more broadly for the whole assembly to decide, the doctrine should produce the same judgment decisions throughout the body.
1 Corinthians 3:1-3		The problem with the Corinthians is they didn't grow up and were susceptible to the Phase 1 POE attack - Attack the Message.
1 Corinthians 3:1	Edification Terminology : Growth = BABES	1 And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ. An indictment against the Corinthians that I can't speak to you Corinthians who are living out of their spirit, but people who are living out of their soul. For the Corinthians, their soul was not in good shape. A lot of strongholds. Makes sense that 2 Corinthians tells them how to pull down STRONGHOLDS and bring every thought captive to the obedience of Christ. NOT SPEAK UNTO YOU AS TO SPIRITUAL: Not talking about SPIRITUAL THINGS/truths-1 Corinthians 2:13, not talking about WITH SPIRITUAL/words-1 Corinthians 2:13, not talking about HE THAT IS SPIRITUAL/person-1 Corinthians 2:15. This doesn't sound like they HAVE THE MIND OF CHRIST-1 Corinthians 2:16. See the subject change. The Corinthians are saved and have the Spirit of God living in them but they are not living out of their spirit which is controlled by the Holy Spirit. They are living out of their (ungodly) soul and everything that Satan has done over time. This is possible because all of that didn't get undone just because you got saved. MM says Satan has ruined peoples lives and they never complain about him, they complain about God. Remedy: Uncover the lie that Satan has put in the minds of people, expose it as being from him, and then replace it with the appropriate truth from God's word so that they can now begin to live out of that instead. That is the only way that works. It is not talking about them receiving direct revelation from God, he is talking about what is not controlling their lives, their spirit. Contrary to living out of your spirit would be to live out of your flesh (soul).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:1	Edification Terminology : Growth = BABES	1 And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ. A “spiritual” person is not necessarily someone who is always talking about the Lord, or goes to church or any of that type of thing. A “spiritual” person is one who is controlled by his spirit, which in turn, is controlled by God’s Spirit. Not in a robotic sense, but you are living out of the doctrine you know, which means they are walking after the Spirit; spiritual. The word of God is known and understood but you are choosing to live out of that doctrine. And when you do, that is being led by the Spirit. That is walking after the Spirit. It is when the Spirit is in control. He is not strong arming His way in, but you have knowledge about what you should be doing and what you shouldn't be doing and you can choose to walk after the Spirit. Spiritual is not a degree of knowledge. SPIRITUAL: Being controlled by the Spirit. Being spiritual is not about how much you know, it is walking in accordance with what you do know. Talking about an indictment against the Corinthians, who are a group of people who are not living out of their spirit but living out of their soul. The Spirit knows the truths it wants to convey. The Spirit also knows which words in Paul’s vocabulary correctly expresses these truths. As Paul is thinking about how to express these truths, the Spirit is confirming or denying his choices. The spiritual person may know a little or he may know a lot, but spiritual is not a degree of knowledge.
1 Corinthians 3:1	Edification Terminology : Growth = BABES	1 And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ. CARNAL: Problems with the church at Corinth is they were 'carnal' (word Paul used). One of the first evidences of carnality is lack of Bible study. Not wanting to know God's word is a hallmark sign of carnality. Paul is using growth terminology (babes in Christ) to describe their edification. Babies are not mature enough to eat meat. Not mature enough to process it in their system. AS UNTO BABES: The Corinthians were not babies, they were 'as babies' because they were carnal. They haven't grown up. They should have grown beyond this or grown beyond where they were. They had heard enough of Paul’s doctrine to have matured but they haven't. MM says this will be the problem with the believing remnant once this DOGG comes to a close (See Hebrews 5:12). But as you learn and begin to live out of the Truth, it will mature you. AS: Is a simile, like 'like'. Shows a comparison.
1 Corinthians 3:2	Edification Terminology : Growth = MILK, AND NOT WITH MEAT	2 I have fed you with milk, and not with meat: for hitherto ye were not able to bear it, neither yet now are ye able. Paul is using growth terminology (with milk and not with meat) to describe edification. FED YOU WITH MILK
1 Corinthians 3:3		3 For ye are yet carnal: for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men? List the things going on in that church. He is saying we are all part of the same doctrine. We are all saying the same thing. Quit choosing up this one or that one.
1 Corinthians 3:4-6		Paul is saying there is divisions and strife among you. Becomes an argument session and debate. Paul says he is after to edify the whole group in godliness. MM says you can argue doctrine that doesn't have anything to do with your edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:5-17	Doctrine : Corrective : Ungodly thinking regarding ministers of Christ and the work of edification	
1 Corinthians 3:5-15		Pay attention in this passage because things change back and forth without warning signs. If Paul planted and Apollos watered then the crop is the members of the body of Christ, which means these verses are really directed to those that are ministers. But look for a change in the middle of a verse and he is talking to every member of the body of Christ. Then, it will go back to talking to ministers and then to every member of the body of Christ. The Corinthians are so focused on certain men that Paul uses an analogy to say get your focus back on the Lord. MM's understanding was these were people that met in different house churches across Corinth but they had some commonality between them. So Paul doesn't write a dozen different letters to a dozen different places, he treats them all as part of the same. Paul came in. Apollos came in. People like different personalities which was part of the problem here. They kind of got divided upon that. See in Ch 4 that Paul and Apollos' ministries were very different. Apollos was very dynamic, he had a presence, when he stood up there was something about him. He was eloquent, he was powerful, he was confident, and people responded to that. Paul said he stood up there trembling. Folks looked at that and said that Paul, was the Rodney Dangerfield of apostles for the Corinthians. GH: MM says the Pastor you are under should have the pre-eminent place over the other Pastors you may follow. MM says sometimes preachers get too divisive and too factious like they were in Corinth and this is a bit grievous to him.
1 Corinthians 3:5		5 Who then is Paul, and who is Apollos, but ministers by whom ye believed, even as the Lord gave to every man? Paul starts off talking about himself and Apollos. They are just ministers and as ministers, they do have a part to play in laboring with God. See God is using the apostle Paul to lay the foundation for what's going to happen in the DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:6		6 I have planted, Apollos watered; but God gave the increase. GH: Stems from 1 Corinthians. Who's Paul? Who's Apollos? They are just the ministers. Analogy with the planting and watering and giving the increase - agriculture. From planting and watering to laying a foundation and building. Happens really fast. A farmer plants, then someone (maybe him) comes along and irrigates. You need all of this. But the real miracle of getting the crop doesn't lie in just planting or watering, something has to happen in that seed. The miracle of life is actually in that seed and God is in charge of that. Why he says NEITHER HE THAT PLANTETH (Paul - he's not anything), NEITHER HE THAT WATERETH (Apollos - he's not anything either). Their focus was off. MM says this is a problem today too. We tend to get our eyes on men and forget that it's about the Lord. MM says he reads this and is grateful for this person or that person but then realizes that if it wasn't for God doing all of this, none of us would be anywhere. Really have to keep that in focus. The Corinthians got that way out of balance.
1 Corinthians 3:6		6 I have planted, Apollos watered; but God gave the increase. Then, it will go back to talking to ministers and then to every member of the body of Christ. Wrong thinking: * You waterers wouldn't have anything to water if us Planters didn't plant. * When are those planters going to get their priorities right? You got to water. What Paul is trying to say is the guys that plant and the guys that water are not the issue. It's the Lord that giveth the increase. This is where the attention ought to be going. MM says saying it is one thing but conducting yourselves this way is another. Doesn't matter what kind of credit you get as the minister, just make sure that God gets the glory. He is the One that makes the difference. No spiritual work gets done without Him. MM says he can't edify anybody. The planter or the waterer are not who is important, but the One who gives the increase. God is the one who gives the increase, so all the glory goes to Him, not to God’s ministers. We really need to understand that without God, there would be no increase; the crop would fail. Without God doing the spiritual work in the inner man, Paul and Apollos can preach the gospel but no one would be saved. And for the saved, they can teach all they want, but without God, there would be no effectual working to edification. So, God is the essential part of the process. God doesn't dismiss what Paul and Apollos do as insignificant or unimportant, but it is to say that the Corinthians lost sight of God as they focused on the men and created divisions among themselves.
1 Corinthians 3:6		6 I have planted, Apollos watered; but God gave the increase. PLANTED: MM equates this to laying a foundation. This is the first step to getting a crop - MM thinks the gospel which results in salvation, but doesn't have to be limited to that. It can be the “planting” of certain doctrines in the minds of those who are already saved. It is because the mystery of Christ was first revealed to Paul, not Apollos. The gospel of Christ was first revealed to Paul.
1 Corinthians 3:7		7 So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. SO THEN NEITHER IS HE THAT PLANTETH ANY THING: He is not saying that what he and Apollos are doing is not important or necessary, because he is going to talk about a reward that God is holding out for them at the JSoC.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:8-17		**Three different kinds of building activities going on which will all be evaluated at the JSoC:** **1) those who build well (gold, silver, precious stones) - building the right way/will receive reward** **2) those who build poorly (wood, hay, stubble), and - building but NOT the right way/will suffer loss of reward (EX living out of the wrong program, doing things out of your flesh)** **3) those who do not build at all, but are actually destructive to the church being and doing what it is called to be and do - 'defiler' & being destructive-isn't building at all/will suffer something worse, which Paul describes as HIM SHALL GOD DESTROY-v17-all reward is gone**
1 Corinthians 3:8	JSoC	8 Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. HE THAT PLANTETH AND HE THAT WATERETH ARE ONE: Paul is saying, you guys don't understand Apollos and I care about each other and we know what we're doing and we're complimenting the work that each one is doing. This is not me vs. him or him vs. me. That's not how Paul and Apollos thought about it. We are all involved in a work together, or at least we should be. We are members of the same body, after all. EVERY MAN SHALL RECEIVE HIS OWN REWARD ACCORDING TO HIS OWN LABOR: Concept of REWARD gets furthered here. Reward via GLORY introduced in Romans 8:18. We are working together as ministers, but each one of us is going to receive his own reward according to his own labor. So there's an individual reward that is attached to that. MM says this is the way it is supposed to be. Understand RDW, two programs, DOGG, that Paul is our apostle, that were members of the body of Christ, the Romans-Philemon are written to us and about us - preachers that understand all of that and teach these things really kind of see themselves as one part of the whole that's trying to get the message out there. EVERY MAN SHALL RECEIVE HIS OWN REWARD: Indicates an individualized judgment. Shows the JSoC is NOT a corporate judgment. EVERY MAN: Couple things going on. First is in the context of ministers. Certainly true for ministers. Now, Paul is going to add some things to that and talk about what you ministers are supposed to be doing that is in line with the will of God for the body of Christ. True that every minister will receive their own reward, but EVERY MAN makes MM think also members of the body of Christ. Some will disagree and say this whole context has been about ministers and it doesn't change here. MM says he doesn't say 'every minister' and thinks there's a dual application that is going on for that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:9	GH: Godly Labor / Edification Terminology : Building = YE ARE GOD'S BUILDING	9 For we are labourers together with God: ye are God's husbandry, ye are God's building. Paul changes analogies from agriculture to construction or building terminology. Notice the pronoun change - WE -> YE. Changes metaphors in a single verse - from agriculture to construction. WE ARE LABOURERS TOGETHER WITH GOD WE: Going back to ministers like he and Apollos. YE: Notice change in the pronouns. Reference to the Corinthians in particular and the body of Christ in general. HUSBANDRY OED: husbandry: the business of occupation of a husbandman or farmer; agriculture, cultivation; (deployment of) farming methods and techniques YE ARE GOD'S BUILDING: The “building” is us! We are the edifice! So, the JSoC has to do with our edification. Your edification is being judged here. GH: MM tying YE ARE GOD'S BUILDING to Romans 15:1-3/Edification. Switches from I/Paul planted, Apollos watered, and you guys are the crop. But you're also GOD'S BUILDING. Not just any building, talking about in reference to the Temple, which was the place where God was going to manifest His presence. That didn't happen just anywhere. BUILDING: The Temple. In the past, God’s temple was constructed by Solomon. Today the temple is the body of Christ collectively.
1 Corinthians 3:10-14	GH: Day of Christ Verse	Doesn't explicitly say it but this happens at the JSoC.
1 Corinthians 3:10-11		Paul is saying for the mystery/one new man message, I laid the foundation and you can't lay any other foundation than I've laid, and that foundation is Jesus Christ. If Paul laid the foundation, it can't be the O.T. prophets and the 12 in Ephesians 2:20.
1 Corinthians 3:10	Edification Terminology : Building = MASTERBUILDER … FOUNDATION … BUILDETH / GH: RDW	10 According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. Paul using building terminology (masterbuilder, foundation (Romans), buildeth) to describe edification. He is constructing an edifice. The gospel gets you planted (or gets your foundation laid), other ministers may get you started in the doctrine (which is watering, or building on the foundation) which follows your salvation. But at some point, each of us is going to build upon the work of ministers who got the process going. It is not just the job of ministers to “grow” us, or “build,” us, although there is a place for their work, but it is up to every man to build on the foundation of Jesus Christ which was laid by someone else. ACCORDING TO THE GRACE OF GOD WHICH IS GIVEN UNTO ME...I HAVE LAID THE FOUNDATION: Paul tells us that he laid the foundation in this DoGG. Again, God gets the glory. Cross-reference is in Ephesians 3:1-3. GRACE OF GOD: Is not about salvation, but about the message of grace which was revealed to him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:10	Edification Terminology : Building = MASTERBUILDER … FOUNDATION … BUILDETH / GH: RDW	10 According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. A WISE MASTERBUILDER: Reminds of a guy who is skilled in the art of building or construction or engineering of a building like an architect that knows exactly how things are supposed to be. Could also be someone who is in charge of doing work for other people. Paul is now certainly in charge of how the body of Christ is supposed to be taught and how it is supposed to be formed and what is supposed to happen to it after it is. Just as Paul planted, he is the one that will lay the foundation. I HAVE LAID THE FOUNDATION: Paul's labor is first. MM says this is great information to substantiate that there has been a dispensational change - the foundation for the mystery. The prior foundation was for the prophetic program for the nation of Israel. The foundation for BOTH of these is Jesus Christ. One is Jesus Christ according to prophecy. The other is Jesus Christ according to the revelation of the mystery. MM says if we were just a continuation of what was sitting back in the gospels, Paul would not have laid the foundation. You see that there's something different going on. LAID THE FOUNDATION: The Romans Doctrine. Paul is saying I have given you all the foundational doctrine, be careful how you build upon that. FOUNDATION: MM believes it is the foundation of the doctrine contained in his epistles. ANOTHER BUILDETH THEREON: Paul's work was foundational but he realized that others would build on it.
1 Corinthians 3:10	Edification Terminology : Building = MASTERBUILDER … FOUNDATION … BUILDETH / GH: RDW	10 According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. BUT LET EVERY MAN TAKE HEED HOW HE BUILDETH THEREUPON: Back to a broader scope. MM believes you are supposed to build on this foundation and take responsibility for your own spiritual life. Only way this happens is if you submit yourself to this. Ministers can't do this for you. MM's view: back in the day, Paul laid a foundation that ministers have been building on (some has been good and some has not been good) and some people have taken responsibility to build on that foundation. MM believes the foundation is the gospel of the grace of God. Later Paul said I'm a father to you which makes me different from all these instructors in Christ. I'm the one that really gave you to gospel that allowed you to come into all of this. LET EVERY MAN TAKE HEED HOW HE BUILDETH THEREUPON EVERY MAN: Every member of the body of Christ.
1 Corinthians 3:11-15	JUSTIFICATION #6: Justification at the JSoC (Judgment Seat of Christ)/Bema Seat	JUSTIFICATION #6: Justification at the Judgment Seat of Christ/Bema Seat - Think what a waste to live an entire life, thinking you are doing the right thing, only to see it all go up in smoke at the Bema seat! GH: Producing a life-time of works out of your flesh.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:11-15	Sonship Suffering '25	The Refiner's fire is testing our works, not punishing our sins. If our work is GOLD, SILVER, PRECIOUS STONES, then we shall RECEIVE A REWARD - THE REWARD OF THE INHERITANCE-Colossians 3:24! It is the GLORY THAT SHALL BE REVEALED IN US-Romans 8:18. Not everyone will receive the same glory. Paul talks about this in 1 Corinthians 15. If they did, that would not be a reward, but a gift. **POINT: the most important reason for enduring sufferings with patience and grace is so that we glorify God and put the power of His grace on display by being conformed to the image of His Son. We are not enduring suffering just to get a treasure chest of gold, silver or precious stones. MM is not trying to monetize our reward, the GLORY encompasses much more than that. It includes the privilege of reigning with Christ**. Do you want your work to be burned up, but you are saved, yet so as by fire? (1 Corinthians 3:12-15) That means you have trusted Christ but you will have no rewards once you get to the heavenly places. Is that what you want?
1 Corinthians 3:11-15	Sonship Suffering '25	v11: If you don't have Christ, you don't have a FOUNDATION. In your life of serving the Lord, Jesus Christ is the FOUNDATION upon which everything gets built. Means your spiritual life gets started when you trusted Christ as your Savior, that's the FOUNDATION. MM says there is no other FOUNDATION that can be laid other than that. So if you don't have Christ, you don't have a FOUNDATION, and there's no other foundation that can replace that. v12: BUILD UPON THE FOUNDATION: MM says let's start putting up stud walls, etc. on the FOUNDATION-v11 which is Jesus Christ. You are going to start to build your spiritual life and you are going to build on that FOUNDATION. v12: GOLD, SILVER, PRECIOUS STONES, WOOD, HAY, STUBBLE: Talking about the way you are building on that FOUNDATION. v12: GOLD, SILVER, PRECIOUS STONES: (The good->ABIDE-v14->REWARD-v14) We are not enduring suffering just to get a treasure chest of gold, silver or precious stones.
1 Corinthians 3:11-15	Sonship Suffering '25	Point: While the most important reason for enduring sufferings with patience and grace is so that we glorify God and put the power of His grace on display by being conformed to the image of His Son. Realize that every time we endure sufferings in a godly fashion; that is something that will endure at the Judgment Seat of Christ as gold, silver, and precious stones. Every time you endure sufferings in a godly manner with patience, it means you are not freaking out, griping, etc. Even the little stuff. But if you are griping and complaining, there's no reward for that because the WOOD, HAY, STUBBLE gets burned up. The treasure chest analogy is not to appeal to people's greedy nature. MM pulled this right out of the scripture. Remember two things - we can redeem our sufferings and the more glory you have, the more your capacity is to glorify God. This is the reason that is important because if you just have a little, then your capacity to glorify God is just a little. We don't want this to show everybody you're a big shot or to show how much better you are than other people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:11-15	Sonship Suffering '25	That's not it at all. Have to understand the purpose of the reward. The purpose of the reward is to increase your capacity to bring glory to God. God saves us and He does all these things - MM rattles out the elements of our salvation package - and all you are doing here is making a choice. Are you going to serve Him out of all the things He has provided for you and given to you as a free gift of grace? God says if you'll just choose to let what I HAVE given you and you choose to live out of that, you will get a REWARD. You didn't produce any of these things, but you still get the reward. The greater that REWARD is, the greater your capacity to glorify God. MM says the treasure chest is a picture of: * Christ IN you * the doctrine working in you * the power of grace working in you.
1 Corinthians 3:11-15	Sonship Suffering '25	The REWARD is not about us, it's ultimately about Him. You can't give what you don't have. If you think about it, if everything a guy does is in the energy of his flesh, what does he have to point to to show how great God is? He's trying to do it himself. MM says even if the suffering is a little thing, redeem that because you are laying up a future. Don't say 'but I don't want to be selfish', it's not about you, it's about Him in you. The more He is able to reward you, the greater His glory. It's really about Him. v12: WOOD, HAY, STUBBLE: (The bad->BURNED-v15->SUFFER LOSS-v15). MM says that it gets taught that all you have to do is suffer but he has learned there are wrong ways to serve the Lord because that gets burned up. Point: We should endure sufferings in a godly fashion and not a worldly fashion, and that means we have patience, we stop whining, we stop complaining, we stop telling everybody about the stuff that's bugging us or what they did to us or how this happened to us.
1 Corinthians 3:11-15	Sonship Suffering '25	Instead, we begin to employ the doctrines. That's the FAITH, a belief in a set of doctrines that new tells us to change our perspective on the sufferings that are happening to us. And if we do that, we have GOLD, SILVER, PRECIOUS STONES. MM standing next to a treasure chest filled with trinkets (GOLD, SILVER, PRECIOUS STONES). Think this could be yours if every time you suffered you lived out of the doctrine. Even little things that are inconveniences. Understand your proper response to these is conforming you to the image of God's Son. Here's what God does. He goes, yeah, that's not a big one, but look, here's a few PRECIOUS STONES. Disclaimer: MM is NOT trying to monetize the reward. God knows that the GLORY is a lot more involved than just that GOLD, SILVER, PRECIOUS STONES. GH: But the proper response to sufferings add up over time. Because once you get it, you never lose it. (GH: ?). This is not only the way you find comfort in the midst of your sufferings but you are going to be able to trade that suffering in. MM says that the GOLD, SILVER, PRECIOUS STONES in the treasure chest represents the GLORY, which includes IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM-2 Timothy 2:12.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:11-15	Sonship Suffering '25	MM then pulls a crown out of the treasure chest. He is saying you are going to get to redeem that suffering for a GLORY and He has given us this metaphor of GOLD, SILVER, PRECIOUS STONES. MM says this is the picture he wants in your head the next time that some kind of suffering or tribulation or persecution or infirmity is happening to you that is not pleasant. Instead of thinking, oh my God, my life is falling apart, stop and ask yourself how can I take this and be conformed to the image of God's Son? How can I deposit into my future account? MM says the glorious thing is you cannot lose that. v13: REVEALED BY FIRE: The Refiner's fire is testing our works, not punishing our sins. God is going to try those elements (GOLD, SILVER, PRECIOUS STONES, WOOD, HAY, STUBBLE-v12) with a refiner's fire. v14: HE SHALL RECEIVE A REWARD: THE REWARD OF THE INHERITANCE-Colossians 3:24, which is THE GLORY WHICH SHALL BE REVEALED IN US-Romans 8:18. v14: REWARD: It is the 'glory' which shall be revealed in us. Not everyone will receive the same glory. v15: BUT HE HIMSELF SHALL BE SAVED: He is not losing his salvation.
1 Corinthians 3:11		11 For other foundation can no man lay than that is laid, which is Jesus Christ. There's no other foundation than Jesus Christ. MM cross-references THE PREACHING OF JESUS CHRIST, ACCORDING TO THE REVELATION OF THE MYSTERY-Romans 16:25. Point: The foundation that is laid is not Jesus Christ according to prophecy, but "Jesus Christ according to the revelation of the mystery" which was given to Paul. Paul is saying that you can't lay any other foundation than the one he laid, which is Jesus Christ, according to the revelation of the mystery. If you try to lay a different foundation, then no matter what you build on top of it, the foundation will not hold. FOR OTHER FOUNDATION CAN NO MAN LAY: If you try to lay a different foundation than this, then you are completely off base. It all has to be in line with what was revealed to the apostle Paul. He laid the foundation of Jesus Christ and no other foundation is going to be acceptable. Wrong foundations would be: * anybody that preaches Jesus differently than Paul (who was inspired to write 13 Books of the N.T.) * all the cults that talk about Jesus the wrong way or proclaiming Jesus as part of the prophetic program as part of the DOGG and thinking we have the covenant promises made to Israel and all the physical blessings they were promised (MM says they pick and choose what they believe - don't see a bunch of people selling all they have and following Jesus-Matthew 19:21; Mark 10:21; Luke 12:33 - it's not a cafeteria - NOTE: Paul says we should provide for our own households-1 Timothy 5:9) WHICH IS JESUS CHRIST: Both of these foundations have Jesus Christ as their foundation. If what you believe doesn't have Jesus Christ as the foundation, you know that you are off base.
1 Corinthians 3:11		11 For other foundation can no man lay than that is laid, which is Jesus Christ. Paul did not say he was the foundation, he said the foundation was Jesus Christ. On Him are built the two programs: 1. The earthly program with Israel spoken about from the beginning, and 2. The heavenly program with the body of Christ was kept secret from the foundation of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:12		12 Now if any man build upon this foundation gold, silver, precious stones, wood, hay, stubble; Notice in ANY MAN-v12 EVERY MAN-v13. ANY MAN: Back to the this. BUILD UPON THIS FOUNDATION GOLD, SILVER, PRECIOUS STONES: These have to be the works that God Himself is doing in us and through us - look at GOD THAT GIVETH THE INCREASE-v7. MM tying Philippians 2:13 - a good work is a work that He performs through us. When you learn that doctrine of Paul's and internalize that doctrine so that now you begin to live out of that and not any ulterior motive. EX Pastor who wants to evangelize their community to validate their success as a Pastor - WOOD, HAY, STUBBLE. But if it is something that God is now doing in you because of the effectual working of His word, because godly love and charity is working in you, that same action can now be GOLD, SILVER, PRECIOUS STONES. Obviously, the wood, hay and stubble are useless materials for God's eternal projects. MM says to God, a good work is that which He performs through us as we submit ourselves to Him and we do that through the doctrine that Paul has written in his epistles. If our work is approved by God, it will survive the fire. Fire burns up wood, hay and stubble. But fire, refines gold, silver and precious stones and makes them more valuable. BUILD: If you are saved, and you are trying to live for God, you are building. PRECIOUS STONES: MM doesn't think he is talking about diamonds and rubies and sapphires. Thinks he is talking about granite and quartzite and marble. Those are building materials in MM's kitchen. If your house burned down these would survive the fire.
1 Corinthians 3:13-15	JSoC	EVERY MAN'S...ANY MAN'S...HE...HE HIMSELF: All of the terminology indicates an individualized judgment. GH: JSoC. When MM says that the JHI inheritance is based on something, this is not out of line with what we understand about the Judgment where that reward will be determined. There is not another judgment, this is where you get THE REWARD OF THE INHERITANCE-Colossians 3:24.
1 Corinthians 3:13	JUSTIFICATION #6: Justification at the JSoC (Judgment Seat of Christ)/Bema Seat	13 Every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is. Notice the requirement for the refining fire was not how successful it was, it was what sort of WORK it is. People get this idea that if it is wildly successful than it must be acceptable to God. But that wildly successful definition is in the terms that the world understands it and not your heavenly Father. All the things that men are doing are going to be put into the refiner's fire and if it survives the fire, if it abides, he shall receive a reward. MM asks does this sound like someone is receiving a reward just because they were in Christ? EVERY MAN'S WORK SHALL BE MADE MANIFEST FIRE SHALL TRY EVERY MAN'S WORK EVERY MAN'S WORK: 2x MADE MANIFEST: Shown openly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:14	JUSTIFICATION #6: Justification at the JSoC (Judgment Seat of Christ)/Bema Seat	14 If any man's work abide which he hath built thereupon, he shall receive a reward. IF ANY MAN'S WORK ABIDE WHICH HE HATH BUILT THEREUPON, HE SHALL RECEIVE A REWARD: To receive the reward, our work must abide the fire of judgment. If it doesn't, there is no reward. Therefore, the reward cannot be connected to our position in Christ, for those things cannot be lost. When it comes to the reward for laboring with God in our earthly work, it must be done from the heart, with charity. We know from 1 Corinthians 13, that if it is not done in godly love, it counts for nothing. ANY MAN: MM thinks two things: 1. If you are a minister, you better make sure you to building on Paul's foundation with materials that will stand the test of time, that are eternal in nature. 2. If you are a member of the body of Christ and you are building on that foundation yourself, you need to be paying attention on how you build thereupon.
1 Corinthians 3:14	JUSTIFICATION #6: Justification at the JSoC (Judgment Seat of Christ)/Bema Seat	14 If any man's work abide which he hath built thereupon, he shall receive a reward. MM says some folks will build with gold, silver, precious stones and some with wood, hay, stubble but a lot of folks will be a combination of the two. People tend to look at this and say gosh, he loses everything. This is not what it said. MM thinks he suffers loss for the wood, hay, stubble kind of building. Can still have reward for the gold, silver, precious stones building. WORK: Works which are GOLD SILVER, PRECIOUS STONES and proceed from Philippians 2:13. To God, a good work is that which He performs through us as we submit our lives to Him. ABIDE: If your work is of the right sort, it will "abide;" it will survive the fire. And for whatever work abides, there will be a reward. HE SHALL RECEIVE A REWARD: Infers if he doesn't build on this, he won't receive a reward. A REWARD: The JHI.
1 Corinthians 3:15	JUSTIFICATION #6: Justification at the JSoC (Judgment Seat of Christ)/Bema Seat	15 If any man's work shall be burned, he shall suffer loss: but he himself shall be saved; yet so as by fire. IF ANY MAN'S WORK SHALL BE BURNED, HE SHALL SUFFER LOSS BURNED: Means those works have been rejected by God or deemed unacceptable. HE SHALL SUFFER LOSS: If you start your Sonship education/edification and then quit. SUFFER LOSS: A loss of reward, not salvation. MM points to Romans 8:35-39, 1 Corinthians 1:22, and Ephesians 1:13 for eternal security verses. Loss of reward. He is not going to lose his salvation, he is going to lose THE REWARD OF THE INHERITANCE-Colossians 3:24, which is based on us living the doctrine. That makes that reward conditional. BUT HE HIMSELF SHALL BE SAVED: Again, this is not about salvation/JUEL.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:16	GH: Temple/Corporate	16 Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? Talking to the church as a whole. You are members of the same body. Contrast with talking to members individually-1 Corinthians 6:19. This is different than the way it was in Israel's program where the temple was a building and God dwelled in that holy of holies. This is talking to the body corporately, which means that God means to live the life of His Son in and through us, the body of Christ. TEMPLE: Talking about all the members of the body of Christ in the collective sense in a single body. In 1 Corinthians 6:19, he is going to talk about TEMPLE as the body of the individual saint. DWELLETH: People commonly think that if you have the Spirit of God within you, then you are indwelt by the Spirit. But the Bible never uses the word indwelt or indwell. Even so, they read the Spirit "dwells" in you and they think that means the same thing as He is "in you." But that is not the case. Confusing having the Spirit of God with the Spirit dwelling in them. If the Spirit of God is dwelling in you it means that He is having His way and you are WALKING AFTER THE SPIRIT-Romans 8. It's possible for a believer to have the Spirit of God and for them to disobey what God wants them to do. This would NOT be walking after the Spirit or the Spirit dwelling in them. Remember, many of the Corinthians individually are not walking after the Spirit. But here he is talking about them corporately and says THE SPIRIT OF GOD DWELLETH IN YOU.
1 Corinthians 3:17		17 If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are. Notice the change from v16 from singular to plural. Does not mean if the man is saved they will lose their salvation and MM doesn't believe it means God will kill him in this life. DEFILE THE TEMPLE OF GOD: He says if any man defiles the temple (the corporate body of believers [ye – plural]), him (singular) shall God destroy. Any action which hinders the body from being the vehicle for the life of Christ being made manifest in it and through it. This may be false doctrine(going back under the law), it may be gross immorality(will defile this body of believers); it may be by causing strife and divisions and disharmony, bring something in that doesn't belong there, or anything else that keeps the church from being holy – set apart for the purpose God created it for/functioning how God designed them to.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:17		17 If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are. TEMPLE OF GOD: The body of believers corporate. The Spirit not only lives in us individually, He also lives in us corporately and MM says we better learn how to do this because this is the way it's going to work when we get up to the heavenly places and we function as the body of Christ, a single collective unit. HIM SHALL GOD DESTROY: MM tying to the admonition KNOWING THE TERROR OF THE LORD, WE PERSUADE MEN-1 Corinthians 5:11. DESTROY: When you run this word through your Bible, it is not always talking about killing someone or ruining someone. Here's we are in the context of building with reward. If a guy does this, he is now an enemy and a destroyer of that work. MM thinks that all of his rewards are gone. MM thinks there are things that you can do to lose any reward that you might have gotten. MM tying to KNOWING THEREFORE THE TERROR OF THE LORD, WE PERSUADE MEN-2 Corinthians 5:11. If a lost person does this, it will get addressed at the GWT. YE: Not you. Plural. Talking to the Corinthians together as a corporate body.
1 Corinthians 3:18-4:6		Has two sections or passages of scripture, each that begin/open up with LET NO MAN-v18, LET A MAN-v1 (third person singular command). Both sections put forth previous themes. Section 1 (v18-23): How we regard ourselves/How we are supposed to look at ourselves/How we think about ourselves. Ties back to 1 Corinthians 1:18-2:16, where Paul connected the themes of wisdom and foolishness to factions and boasting in leaders. It kind of re-empathizes something Paul has already covered - denouncing the wisdom of world and the wisdom of men. * I WILL DESTROY THE WISDOM OF THE WISE-1 Corinthians 1:19 * HATH NOT GOD MADE FOOLISH THE WISDOM OF THIS WORLD-1 Corinthians 1:20 * NOT WITH EXCELLENCY OF SPEECH OR OF WISDOM-1 Corinthians 2:1 * NOT WITH ENTICING WORDS OF MAN'S WISDOM-1 Corinthians 2:4 * YOUR FAITH SHOULD NOT STAND IN THE WISDOM OF MEN-1 Corinthians 2:5 * WE SPEAK WISDOM...NOT THE WISDOM OF THIS WORLD-1 Corinthians 2:6 * WE SPEAK THE WISDOM OF GOD IN A MYSTERY-1 Corinthians 2:7 * FOR THE WISDOM OF THIS WORLD IS FOOLISHNESS-1 Corinthians 3:19
1 Corinthians 3:18-4:6		Section 2 (v1-6): How to regard others, especially God's servants/How we are supposed to look at others. These verses rehearse the argument of 1 Corinthians 2:6-3:17 and reinforces the conclusion that human evaluation is inherently faulty (1 Corinthians 2:6-16) because men do not know everything a man does and they do not know his heart; only God knows those things in their entirety. Paul applies this specifically to the evaluation of God’s servants (ministers or apostles) (1 Corinthians 3:5-17). - For the Corinthians, they don’t need to bicker over who they will follow, Paul or Apollos, for God has given all of the apostles and teachers to them for their benefit, which means God should get all the glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:18-23	Doctrine : Corrective : Ungodly thinking being wise in this world and who actually is wise	
1 Corinthians 3:18-20		The culture of Corinth also produced a tendency to over-value “knowledge” and “wisdom.” Corinthians’ society at large valued freedom over and above such things as love and respect for others. Paul makes sure to demonstrate that “wisdom and knowledge” are not about knowing the right people, knowing the markets, operating on strategies of success, promotion in employment, etc.
1 Corinthians 3:18-19		The central theme that the world’s wisdom is folly is recalled from 1 Corinthians 1:18-2:16. This was what this worldly church at Corinth were thinking. They were looking at Paul and thinking this does not look pleasurable to us, we don't want any of that. To them, it looked foolish. MM says when you begin to live out of the doctrine, even saved people will look at you and think that you are being foolish because you are not responding to that the way the world does. You are going to have to know this is the way that will happen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:18	GH: Self-Deception: The man who thinks the wisdom of this world qualifies him to be wise in spiritual matters has deceived himself	18 Let no man deceive himself. If any man among you seemeth to be wise in this world, let him become a fool, that he may be wise. LET NO MAN DECEIVE HIMSELF: Third person singular command. DECIEVE HIMSELF: MM says it is very possible for a person to deceive themselves (believing something that is not true and having your emotions respond to this untruth). Self-deception ultimately comes from believing a lie instead of believing God's truth. Satan has three main ways by which he is dealing with men: 1) temptation/tempt them - to sin or rebel against God - if they give in, he goes to #2 2) accusation - 'what a great Christian you are!', 'you fall for this every time', 'God is going to get tired of forgiving you for this, you might as well give up' 3) deception - know when the others are going on, but you are kind of oblivious to this one It is one thing to be deceived by Satan, but it is another to deceive ourselves. If we deceive ourselves, then we are open to the influence of deceiving spirits. What you need to do is to exchange this lie for the truth of God. Choose to believe the truth no matter how you feel and then act on that truth. Sounds simple but MM says you'd be amazed at how many people don't figure that out. Makes all the difference in the world. A consequence of deceiving ourselves is opening the door for the adversary to present more untruths to us, to continue to deceive us. LET HIM BECOME A FOOL: In the eye's of the world... THAT HE MIGHT BE WISE: ...so that he might be wise in the Eyes of God.
1 Corinthians 3:19-20		Include citations from Job 5:12-13 and Psalm 94:11 which emphasize the fact that human wisdom is going to come under the judgment of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:19		19 For the wisdom of this world is foolishness with God. For it is written, He taketh the wise in their own craftiness. If you are going to think that way, your Father thinks that as foolish. Corinthians problem was ungodly thinking. If you are going to think like your Heavenly Father, the world will see you as foolish. What matters more to you - that God thinks you are foolish or the world thinks you are foolish? That's the pressure MM was talking about. THE WISDOM OF THIS WORLD IS FOOLISHNESS: The wisdom of men, the wisdom of the world and the wisdom of the princes of this world work to make a man think that God's Wisdom is foolishness. Therefore, Paul says to become a fool in the eyes of the world so that you might truly be wise. Spiritual wisdom can only come from God and His word. Every other wisdom God will destroy. MM says this is the pendulum swing to the world thinking God's Wisdom is foolish. Both look at each other's wisdom as foolish. WISDOM OF THIS WORLD: Is not talking about the developed ability to medically treat injuries, or build/construct a house, or engineer a bridge so it can support a load or any of those kinds of things. He is talking about the wisdom of the world as it produces a worldview, in having a life philosophy, in the principles which guide the way we live our life, in our attitude and thinking toward circumstances, people and God. In these things, the world always gets it wrong and therefore, the wisdom of this world is foolishness with God. Talking about the way the world impacts you in your inner man. HE TAKETH THE WISE IN THEIR OWN CRAFTINESS: Paul quotes HE TAKETH THE WISE IN THEIR OWN CRAFTINESS-Job 5:13. It means that God catches them with their own schemes and ambitions. It means God will use their wisdom against them so that their schemes produce their own undoing.
1 Corinthians 3:20		20 And again, The Lord knoweth the thoughts of the wise, that they are vain. THE LORD KNOWETH THE THOUGHTS OF THE WISE, THAT THEY ARE VAIN: Paul quotes THE LORD KNOWETH THE THOUGHTS OF A MAN, THAT THEY ARE VANITY-Psalm 94:11. THOUGHTS OF THE WISE: The supposed wise people of the world.
1 Corinthians 3:21-23		Paul recalls the names we saw back in I AM OF PAUL, AND I AM OF APOLLOS AND I AM OF CEPHAS; AND I OF CHRIST-1 Corinthians 1:12 and I AM OF PAUL; AND ANOTHER, I AM OF APOLLOS-1 Corinthians 3:4 - WHETHER PAUL, OR APOLLOS, OR CEPHAS-v22. Paul is not saying that everything in life will be pleasant for the Corinthians. Just as every minister is for their benefit, so is everything they encounter: life, death, etc. - think Romans 8:28. All of the things we go through and experience are meant to conform us to the image of God's Son. Even the sufferings are meant to make us more than conquerors. And this is possible because we belong to Christ!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:21	GH: GLORY Definition	21 Therefore let no man glory in men. For all things are your's; **Please see 'Definition : Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)' in the Commentary.** THEREFORE LET NO MAN GLORY IN MEN: We don't glory in men, we glory in God because ALL THINGS ARE YOURS. GLORY: Glory can mean to trust in. FOR ALL THINGS ARE YOURS: If you are a being, it is because there is God. If you have Paul, it is because there is God. If you have Apollos, it is because God is. If there are ministers, and if there is a message of truth, that is only because of God. The world exists because there is God. There is life and death because there is God. The things present are because there is God; you are here because you are in the Mind of God. The things to come are because there is God; you only have a future because God has determined a future will be. Don't mistake what is being said here. God is not manipulating the free will of men so that they only do what He wants them to do. If there is anything you enjoy, a sunset, a rainbow, a rain shower, a mountain, a sandy beach, a blue sky, the Milky Way, a full moon, fresh fallen snow, a cool breeze…you name it, who do you think gave those things? How about gravity, and oxygen and plants to produce oxygen, who did that? It wasn't men, it was God. And if someone is a minister, even the apostle Paul: who made him possible? Paul didn't do that on his own – it is God. And if a man invents something you like, such as air conditioning, or a fan, or electric lights, then you know that all the laws that govern those things by which they can be discovered and by which they work – all come from God. A man may plow a field, plant the seeds, water the plants, but who makes the seed germinate and grow and produce fruit after its kind? That is God. He has given all things. Point: If there was no God, there would be nothing. If God ever ceased to exist, so would everything and everyone – instantly. If anything ever fell out of the Mind of God, it would cease to exist. ALL THINGS ARE YOURS: Doesn't mean 'everything' is yours.
1 Corinthians 3:22	GH: Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	22 Whether Paul, or Apollos, or Cephas, or the world, or life, or death, or things present, or things to come; all are your's; ALL THINGS ARE YOURS; WHETHER PAUL, OR APOLLOS, OR CEPHAS: While the Corinthians were choosing which teacher they belonged to, Paul turns it on its head by saying you don't belong to them, they belong to you. This puts the teachers in their proper role as servants. You don't belong to Paul, you belong to Christ, and Christ is God's. WHETHER PAUL, OR APOLLOS, OR CEPHAS: Reminds you of I AM OF PAUL; AND I AM OF APOLLOS; AND I AM OF CEPHAS, AND I OF CHRIST-1 Corinthians 1:12 and I AM OF PAUL; AND ANOTHER, I AM OF APOLLOS-1 Corinthians 3:4. The Corinthians were choosing which teacher they belonged to and what Paul is going to do is turn it on its head and instead of saying, hey, you belong to Paul and you belong to Apollos, he says, hey, wait, those guys belong to you. This really puts the ministers in the position of being a servant where they belong instead of that other way around. Paul is saying if you are saying I am of Paul or I am of Apollos, you are selling yourself short. When Christ ended up on high and gave gifts unto men, those gifts were HE GAVE SOME. APOSTLES; AND SOME, PROPHETS; AND SOME, EVANGELISTS; AND SOME, TEACHERS-Ephesians 4:11.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 3:22	GH: Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	22 Whether Paul, or Apollos, or Cephas, or the world, or life, or death, or things present, or things to come; all are your's; WHETHER PAUL, OR APOLLOS, OR CEPHAS (cont'd): These were given for the benefit and the edification of the saints. All of these were meant to benefit them. What they were doing is they were kind of isolating themselves just in one part when God really meant for them to benefit from all of that. Paul is saying this life is not all there is. OR THE WORLD, OR LIFE, OR DEATH, OR THINGS PRESENT, OR THINGS TO COME; ALL ARE YOURS: Expands the list beyond ministers from 1 Corinthians 1:12. ALL ARE YOURS: Paul repeats ALL THINGS ARE YOURS-v21. Paul is saying to them, you don't belong to Paul, you belong to Christ, and Christ is God's. And if God gives all things to unsaved men (see Acts 17:15-28), how much more does Paul mean is ours, when we are in Christ? Doesn't mean that all things will be rosy for you - Romans 8:28 is in the Bible too. Even those sufferings are meant to produce something for you but you have to be a child of God to get this one. All things are given to us because there is a God. DEATH: Paul is saying that physical death is not the end, for our life in Christ continues on beyond that. OR THINGS PRESENT, OR THINGS TO COME: Paul is saying that believers are not in bondage to things which are, or things which will come in the future, for those things belong to us because we are in Christ. THINGS TO COME: The future. The only reason there is a future is because God has decided there is a future to be had. When time runs out on anything, then there is the end of that.
1 Corinthians 3:23	GH: Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	23 And ye are Christ's; and Christ is God's. YE ARE CHRIST'S: You are not Paul's or Apollo's.
1 Corinthians 4:1-6	Doctrine : Corrective : Ungodly thinking around juding & evaluating ministers	GH: Passage-v1-6 ties to Romans 8:33. Paul applies this specifically to the evaluation of God's servants (1 Corinthians 3:5-17). How we are supposed to regard others, specifically, ministers. Remember, Paul is not the favorite of many of the Corinthians. They are critical of Paul and they don't like some of the things that Paul is saying. As a result, they make statements about Paul and his ministry. And they are really into this, let's assess everything and determine what we think, let's give Paul 4 stars and Apollos 4.5 stars.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:1	GH: Mystery Verse	1 Let a man so account of us, as of the ministers of Christ, and stewards of the mysteries of God. LET A MAN SO ACCOUNT OF US: Third person singular command. US: MM says he used to read this and think Paul is talking in the third person. Talking about all of them who were revealing the mystery. MINISTERS OF CHRIST: About the apostles in the early church and the gifts He gave them for their own edification. MM doesn't think he is included in this. GH: PAP. (faithful) STEWARDS OF THE MYSTERIES OF GOD: How God measures ministers - the measure of success with God. If something good happens in MM's ministry, God gets the glory. That is not him being humble, this is him being Biblical. STEWARDS OF THE MYSTERIES: Need to be able to define and list the component parts of the mystery. By the preaching of Paul and other men (apostles and prophets), who were given mystery truths supernaturally by the Spirit of God is... - how people are being edified - the means people are growing in grace ...seeing as they don't have a Bible.
1 Corinthians 4:3-4		Paul is saying that because he is God's servant, only God can truly evaluate him. In the same way, only God can truly evaluate all those individuals who live out of the foolish wisdom of the cross of Christ, because only God can fully discern their hearts. No amount of popularity holds any sway with God. For the members of the body of Christ, all will be evaluated and judged righteously at the JSoC.
1 Corinthians 4:3		3 But with me it is a very small thing that I should be judged of you, or of man's judgment: yea, I judge not mine own self. Paul responds to the Corinthians criticism of his ministry. IT IS A VERY SMALL THING THAT I SHOULD BE JUDGED OF YOU: The Corinthians don't know what is going on in Paul's heart. They don't know everything he is thinking or doing. JUDGED OF YOU, OR OF MAN'S JUDGMENT, YEA, I JUDGE NOT MINE OWN SELF
1 Corinthians 4:4	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	4 For I know nothing by myself; yet am I not hereby justified: but he that judgeth me is the Lord. JUSTIFICATION #6: Justification at the Judgment Seat of Christ. Paul is not worried about how the Corinthians judge him, or other men's judgment of him. Do you see that Paul says that it is the Lord that judges him. Paul is saying that even his own assessment of his ministry is not decisive because it is the Lord who gives the final word on how faithful Paul has been. YET AM I NOT HEREBY JUSTIFIED: BUT HE THAT JUDGETH ME IS THE LORD: MM says he is not talking about JUEL. You may look at me and say you don't deserve to be an apostle. Not justification unto eternal life; it is worthiness. This is not about Paul being saved, it is about Paul being vindicated. Paul is not worried about what the Corinthians are thinking about him, saying it is the Lord that judges him. Paul even defended that one time - I WAS NOT A WHIT BEHIND THE VERY CHIEFEST APOSTLES - 2 Corinthians 11:5.

1 Corinthians 4:5	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	5 Therefore judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of God. Paul is saying that some of the Corinthians, who think they have assessed Paul's ministry, should wait until "the time," which refers to the JSoC. The Corinthians were engaging in the assessment of ministers. Because their knowledge was limited and partial, that was an unfruitful exercise. What is hidden in the lives of others will be exposed at the JSoC. God knows everything and will judge accordingly, and He is the only One who can do that. God will bring to light the hidden things of darkness and make manifest the counsels of the heart. THE TIME: JSoC. MAKE MANIFEST THE COUNSELS OF THE HEARTS: Because your Father "makes manifest the counsels of the heart," your stumble, your failure will not keep you from succeeding as a son. It will not affect your heir of God inheritance. It will not affect your position in the heavenly places. It will not negate your Sonship up to that point. But remember, this is all judged as a heart issue. COUNSELS OF THE HEARTS: MM says that is important because that is the criteria by which your Father can look at your failings and say I don't have to just wipe all of this out. GH: Ties to Romans 8:33. Because if in your heart you're saying well, I'm not going to do this because I don't think it's that big of a deal, now you are putting something in jeopardy if you think that. But if you are saying I'm trying to get this, I'm involved in Sonship, I want to make this happen, but I applied this and I did it wrong/messed up, MM says you can do some serious damage when you do it wrong. Not just talking about trifles, talking about some signficant things and you are going to get them wrong. MM feels this pressure all the time when he is leading us through the curriculum. Feels the pressure to have to get this right. Thinks what kind of damage if he gets something wrong. It can be significant. You may do something and think you totally blew that and then think you have ruined your Sonship life. Your Father can say don't worry, this isn't going to do that damage it otherwise would have done. This is not going to keep you from being successful as a son. This is not going to end all of this work that you have been doing as a son. Ought to bring you comfort.

1 Corinthians 4:5	JUSTIFICATION #6: Justification at the JSoC(Judgment Seat of Christ)/Bema Seat	5 Therefore judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of God. The place where the JSoC fits into our theodicy. When the Lord comes, He will: (GH: 1 and 2 are part of completing our education at the JSoC.) 1) Bring to light (will be revealed, so that all see them) the hidden things of darkness (are those things which have been done in secret). It is not because God is being vindictive or seeking to humiliate us, but this is for the education of the whole body. A wise man is able to learn a lesson by watching what happens to someone else, it is the fool who cannot learn by other's mistakes, but has to experience it on his own. 2) Make manifest the counsels of the hearts (your will or what you will decide to do - we have a free will) Is where our final education for sin comes in. If we do not recognize the full consequences of our wrong actions, we can't change our mind about sin to the degree we need to. This sober revelation of our contribution to the evil in this world will remove all doubt about the consequences of sin and rebellion. We will no longer fool ourselves into thinking that failure in the doctrine is not as benign as we thought it was. This is the part of what God will make manifest that will show us how we have contributed to the evil in this world either by our sinful actions, or our lack of living out of the doctrine, because these actions were a result of our will – what we freely chose to do or not do. Show how our willful decisions have actually impacted this world so we see the real consequences of our actions. Once you see that, no one has to say anything more about it because the mystery is removed. Must come to a place where the veil gets pulled back on our 'little' rebellions against God or our little failures or our little sins. 3) Every man shall have praise of God

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:6		6 And these things, brethren, I have in a figure transferred to myself and to Apollos for your sakes; that ye might learn in us not to think of men above that which is written, that no one of you be puffed up for one against another. Paul is saying if you put somebody up there (GH: on a pedestal), all of a sudden, when they mess up, all of a sudden now all of that's destroyed. Paul says that the issue in Corinth really isn't about the church dividing up over these four guys names in 1 Corinthians 1:12, but that he was really only using these names to keep from naming the actual teachers from the house churches in Corinth who were causing a problem. I HAVE IN A FIGURE TRANSFERRED TO MYSELF AND TO APOLLOS...ABOVE THAT WHICH IS WRITTEN: Paul is saying that he is illustrating this truth (not thinking of men above that which is written) by making an application to himself and Apollos. I HAVE IN A FIGURE TRANSFERRED TO MYSELF AND TO APOLLOS FOR YOUR SAKES: Paul refrains from using the names of the actual ministers like he did in 1 Corinthians 1:12. Instead of using the names of ministers at Corinth, Paul uses his name and Apollos' to illustrate the error of making divisions among ministers. Paul may not want to call them out by name, but certainly, by using him and Apollos between whom there was no division, he is illustrating his point. The unity observed between them (Paul and Apollos) becomes the model for how the Corinthians are supposed to view the ministers at Corinth. You don't look at us and divide that up, why are you doing it to them? There were differences between all the leaders at Corinth and they were looking at those differences and they were deciding who was important and who should be listened to and who shouldn't. This is causing them to be puffed up against another and causing divisions that really should not be there.
1 Corinthians 4:6		6 And these things, brethren, I have in a figure transferred to myself and to Apollos for your sakes; that ye might learn in us not to think of men above that which is written, that no one of you be puffed up for one against another. FOR YOUR SAKES: Paul now tells the Corinthians why he has given this extended reflection in his ministry and that of Apollos. It is for their benefit. The problem is that the Corinthians had a pride issue and were "puffed up" against one another in their assessing the qualities of the various ministers and ministries. Paul is writing to correct their ungodly thinking which has the effect of them being puffed up (prideful) for one minister against another. **We are really quick to look at certain behaviors and call them sins, while overlooking the less conspicuous things like pride & rebellion go by the wayside. But God hates pride so much more than you might realize because pride swings a door in your soul wide open to the adversary and allows him to establish a stronghold in your life and provides a foundation for rebellion against God**. So, Paul is countering that. MM tying in Romans 14:4. MM knows he just has to report to One, to the best of his ability. THAT YE MIGHT LEARN IN US NOT TO THINK OF MEN ABOVE THAT WHICH IS WRITTEN: He is talking about what is written in the Scriptures concerning men, their actions and their hearts. You see, Paul is trying to get them to focus on the message, not the messenger. So, if there is any glory in this situation, it goes to God. God is the one who gave the message and made it true, not the messenger. While Paul and the other ministers are worthy of honor because they labor in the word, the Corinthians had begun to focus on the men as opposed to the message. Paul says this will result in being puffed up for one against another.

1 Corinthians 4:6		6 And these things, brethren, I have in a figure transferred to myself and to Apollos for your sakes; that ye might learn in us not to think of men above that which is written, that no one of you be puffed up for one against another. LEARN NOT TO THINK OF MEN ABOVE THAT WHICH IS WRITTEN: The problem is that the Corinthians had a pride issue and were "puffed up" against one another in their assessing the qualities of the various ministers and ministries. ABOVE THAT WHICH IS WRITTEN: Written in the Bible/word of God. It talks about the intents of men/men's hearts. Evidently, some in Corinth were preaching something additional to Paul's message in the form of a "wisdom-based" spirituality. they would be thinking ABOVE THAT WHICH IS WRITTEN. Don't be thinking about people above the way I have told you to think about them because this is the right way to do it. It was because they went beyond scripture that led to the divisions within the assembly. EX They are going beyond scripture when they insisted that: 1) the supernatural gifts of the Spirit reveal status within the assembly and (GH: had the gifts in the wrong order) 2) those gifts are an indicator of spiritual maturity (not the case - think 1 Corinthians 3:1 - they were like babies). 3) they are going further than scripture when they judge ministers with a judgment that belongs to the Lord alone (judging ministers). MM can make this apply to everything across the board, but especially the spiritual gifts given by the Spirit of God, that were given at the beginning of the DOGG for the edification of the saints because at the beginning, there were no Pauline epistles by which they would be edified.
1 Corinthians 4:7-17	Doctrine : Corrective : Ungodly thinking regarding the SoC	GH: Paul corrects their ungodly thinking regarding the SoC. The PoE is trying to thwart Paul at every turn. Paul introduces the next issue of the Corinthians ungodly thinking; this time, it concerns the sufferings of Christ. v7-8: Reproof: Don't think that being full, rich and reigning is the life for now (Paul doesn't necessarily want to be broken, beaten, thirsty, and hungry but if that's what it's going to take to do this work for God, then that's what it's going to be) v9-13: Correction: The godly life God wants will result in suffering (areas in this world where identifying as Christian may cost you your life - that's exactly where the apostle's were) v:14-17: Instruction in Righteousness: Be ye followers of me (Paul) (do it the way Paul is doing it) As we continue through the education, there will come a time when the SoC are going to kick in. MM asks if this was the description of our Sonship life today, how many people would be here next week? MM says he hopes we would be but this would be a tough way to live. And it would all go away if he would stop his Sonship life. They'd let him back in, he'd be a member in good standing, all of a sudden he'd have the things that he needed. He'd have food, clothing, a place to live. When the POE is directed at us individually and the SoC begin to produce these kinds of effects, how valuable will the OFFICE of MERCY be in this assembly? MM says you will know/have to know it's the POE and not the world because their whole purpose is to get you to stop your Sonship life. If you don't know what it is, you will just continue on like everything else. He needs you to know.
1 Corinthians 4:7-11		God wants Godliness put on display to the only creatures that we'll impact. This world will not be impressed with a true Godly person. Paul says we'll be the off-scouring of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:7-8		Reproof
1 Corinthians 4:7		7 For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it, why dost thou glory, as if thou hadst not received it? MM says it doesn't matter the context of these 3 questions. Life in general? Spiritual gifts? Position within the assembly? Same answer answers all 3 of these questions. Essentially, Paul is telling them to stop being lifted up with pride because one differs from another. Paul is correcting the Corinthians' ungodly thinking as it pertains to their judging each other and determining worth based on the particular gift. MM can make case for spiritual gifts. Paul is saying hey, quit being lifted up with pride because you go something different from someone else and you think yours is intrinsically better. If anyone had a right to kind of get prideful, it was the apostle Paul because he was the apostle to the Gentiles. He is the one who had the mystery revealed to him which puts in in a very unique spot. But Paul gives God credit - 1 Corinthians 3:10. Paul wasn't thinking I got saved on the Damascus Road because God couldn't have done it without me. No. Paul knows the only reason he ever did anything that was worthwhile or eternal is because of the grace of God working in him. WHO MAKETH THEE TO DIFFER FROM ANOTHER?: Like every big church in town going, we got it. Being different is not bad, but what they are different in is the issue.
1 Corinthians 4:7		7 For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it, why dost thou glory, as if thou hadst not received it? Question 1-FOR WHO MAKETH THEE TO DIFFER FROM ANOTHER (Who made you different from someone else? God): The implied answer is 'not yourself'. The answer is God. The ungodly thinking is to think that you are what you are because of yourself. MM says it is easy to start thinking like this and it happened to the Corinthians and it happens today. Go back to Paul in 1 Corinthians 3:10 to see the right way to look at things (ACCORDING TO THE GRACE OF GOD...I HAVE LAID THE FOUNDATION). Sometimes we look at someone and think, "Wow, what could that person do for God if they got saved!" What we should say is: "Wow, what could God do in that person if they got saved." One might be prideful about being an apostle, but Paul isn't Because that kind of ungodly thinking has been corrected in him. The Corinthians thought that the spiritual gifts were indicators of spiritual maturity and position of importance in the assembly. So, answer these questions with that in mind: Who makes you to differ (in which gift you received) from another? The gifts were given by the Spirit, so don't get to thinking that because you have one of the speaking or wisdom gifts that you are hot stuff; you had nothing to do with which gift you got. The things that you have, why do you act like they weren't given to you but you got that intrinsically. There's an attitude/mentality that Paul is talking about here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:7		7 For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it, why dost thou glory, as if thou hadst not received it? Question 2-AND WHAT HAST THOU THAT THOU DIDST NOT RECEIVE (Given the spiritual gifts from the Spirit): The implied answer is “nothing,” especially if we are talking about spiritual gifts, which is most likely the intent. But can be applied to just about anything. Remember all of our lives are the accumulation of a lot of people investing in us over time. EX Your success in business, or your ability to do your job is not just about you. You received some kind of education that set you up to do the things you do. EX Reading your Bible is not just about you. Someone taught you to read and somebody printed it up and somebody had to translate it. You didn’t come into the world with anything. Everything you have is either from someone else who provided at least the means or opportunity, or it came from God. Anything worth having, you did not produce on your own; it is ultimately from God. Those things which are not eternal therefore, should not be the source of our greatest pleasures and comfort. Deals with pride, selfishness, and self-sufficiency. Which spiritual gift did you get that wasn’t given to you? For them, the gifts were a source of personal pride and a measure of their worth. Ungodly thinking!
1 Corinthians 4:7		7 For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it, why dost thou glory, as if thou hadst not received it? Question 3-NOW IF THOU DIDST RECEIVE IT, WHY DOST THOU GLORY, AS IF THOU HADST NOT RECEIVED IT (Why are you being so prideful like you did it when God did): Paul is asking, “If God is the One who gave those gifts to you, why are you being so prideful as though it did not come from God?” They were glorying in things that God did and should have gotten the credit for, but instead of that they're going around acting like God didn't give this to them, that they got it on their own. That's problematic.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:8	Reproof	8 Now ye are full, now ye are rich, ye have reigned as kings without us: and I would to God ye did reign, that we also might reign with you. Reproof - Contrast the way the Corinthians were living - they thought it was great. They looked at Paul and the apostles and they we're ahead of you all, we are better than you all. Look at all the stuff that happened to us. You are still going through this. Paul is about to really shake up their thinking. These were not indicators of a godly live, but they were indicators of a carnal life. YE ARE FULL, NOW YE ARE RICH, YE HAVE REIGNED AS KINGS WITHOUT US: This is the way the Corinthians were thinking. Ungodly. Generally speaking, the Corinthians were living a life of ease/living with relative ease and everything is going good for them while the apostles were suffering. They were “full, rich and reigning” which is a way of describing how they felt/THOUGHT about themselves and their situation. The Corinthians thought they were enjoying life “without Paul and the rest of the apostles.” MM thinks there's a bit of sarcasm here, but he is still talking to them as a 'father', he does not see them as adversarial. The “fullness, riches and reigning” attitudes of the Corinthians was in a secular sense which the lost world around them would have recognized. They (the Corinthians) reflected the values of the wisdom of their age. They occupied a position at the opposite end of the spectrum from the apostles. Paul is saying that it is God's intention for the body of Christ to reign with Him. YE ARE FULL: Not just saying I couldn't eat another bite. He is saying they don't lack anything, they have whatever they need. Whatever we need, we've got it, we are full.
1 Corinthians 4:8	Reproof	8 Now ye are full, now ye are rich, ye have reigned as kings without us: and I would to God ye did reign, that we also might reign with you. YE ARE RICH REIGNED AS KINGS YE HAVE REIGNED AS KINGS WITHOUT US: Some people say the Corinthians were confused eschatologically and they thought they were in the Millennium. MM doesn't believe this. When Paul answers, he doesn't answer by straightening out their timeline. He answers them by straightening on their behavior. YE: The Corinthians. WITHOUT US: Is in reference to the apostles.
1 Corinthians 4:9-13		Correction

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:9		9 For I think that God hath set forth us the apostles last, as it were appointed to death: for we are made a spectacle unto the world, and to angels, and to men. Starts the correction portion of the doctrine. Picture of captives, at the end of the triumphant procession, about to enter the arena to their death, as the spectacles they are. GOD HATH SET FORTH US THE APOSTLES LAST, AS WE WERE APPOINTED TO DEATH: Not saying the apostles have chosen one lifestyle and the Corinthians another. What is happening to the apostles is the work of God. Doesn't mean God is the source of suffering, He is not doing it to them. He is not using Satan to attack them nor is He punishing them. MM thinks of a victorious army returning followed by the spoils and then the prisoners in shackles who are going to be put to death in the arena or coliseum. How the apostles are being looked at by the world and believers who think like the world. They don't want anything to do with this lifestyle of the apostles. Paul is calling attention to himself and to his own suffering as an apostle. There is a link between Paul's message and his suffering. This link was clearly seen from the time Paul became a believer in Jesus. MM says that suffering were part of the apostolic office. MM says Paul is not feeling sorry for himself. He realizes the doctrines of the mystery are directly linked to the experience of the sufferings of an apostle. MM says if the false apostles at Corinth understood this, they would realize their sufferings don't disqualify Paul from being an apostle, they are the necessary qualification. There's a link between Paul's message and the suffering. Unlike believers in general, the apostles are called to suffer as a means to revealing God's power. GOD HATH SET FORTH: God has set forth the apostles to this lifestyle, their life and dire situation. God is the subject of the sentence and it is God who has set forth the apostles in this fashion. Paul is not saying I chose to live this way, this is the life I wanted to live. Not what he is saying. He is saying because of what is required of him as an apostle, who is going to be faithful to the Lord (would be true for any believer), God has set forth the apostles this way. AS WE WERE APPOINTED TO DEATH: Doomed to die. He did it to make a spectacle of them to the world, and to angels and to men; God is putting something on display! APPOINTED: On the calendar - it is set.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:9		9 For I think that God hath set forth us the apostles last, as it were appointed to death: for we are made a spectacle unto the world, and to angels, and to men. WE ARE MADE A SPECTACLE UNTO THE WORLD, AND TO ANGELS, AND TO MEN: None of these are omniscient. They don't know what you are thinking. Godly thinking will translate into godly living because we are supposed to be making an impact on someone. We have to put that living on display so it does have impact. There is something that God is making manifest by the apostles and the way they are responding to the sufferings that are in their lives. WE ARE MADE A SPECTACLE OF THE WORLD: Spectacle conjures the idea of everyone gathering in the Coliseum to watch this event. Truth of the matter is, when you're a spectacle, it is a miracle if you come out of that alive. MADE A SPECTACLE: Everbody came to observe. Pair with APPOINTED TO DEATH and think of the Coliseum and the gladiators. If you came out of that arena alive, everyone was kind of shocked. We are being watched by men and by angels. Something that helps you see. Group says 'a sight to see'. Made a spectacle to: 1. The world 2. Angels 3. Men
1 Corinthians 4:9		9 For I think that God hath set forth us the apostles last, as it were appointed to death: for we are made a spectacle unto the world, and to angels, and to men. SPECTACLE: MM says you know what spectacles are? Glasses. It's something you are looking at. Group responses: something is on display, it's an event, like the gatherings in the Coliseum. MM said it may not be something necessarily good. It may be a difficult thing. Paul says we are made a spectacle. We are made a spectacle to the world, men and angels. That means that not only God's angels see us when the life of Christ is lived in us, but so does Satan's angels. So does the creature. And MM believes, so does the body of Christ. **When we get this right and actually live out of the doctrine, when we pray in accordance to God's Will and purpose, the heavenly and Satanic angels are made to watch because something is being demonstrated in that - who is the rightful possessor of heaven and earth. This is the demonstration of God's grace at work in a free moral agent**. God makes the angels watch when you live out of the doctrine. You are made a SPECTACLE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:9	GH: IPF verse	9 For I think that God hath set forth us the apostles last, as it were appointed to death: for we are made a spectacle unto the world, and to angels, and to men. WE ARE MADE A SPECTACLE...AND TO ANGELS: We are being watched by these angelic creatures, both good and evil. Both camps of angels. We are providing an education of sorts for both camps. Paul says that we are being watched by them. The evil ones are watching for they are "made to watch" – the impact, and the good ones are watching in order to rejoice that godliness is once again coming to their realm. We are being seen by the world, angels and men. Why are those angels watching? Because God is making them watch and learn. There are things that God has us do that are designed to have an educational impact on the angels. SPECTACLE: If you are a spectacle, then someone is watching.
1 Corinthians 4:10-13		Paul is writing to the Corinthians and they have seen this in his life. He is being a bit sarcastic with them. The Corinthians looked at the apostle Paul and what was happening to him and they thought we don't want any part of that so we are going to do this. It was not happening to the Corinthians because they had walked away from their Sonship. Paul went through these and he was able to because of what the curriculum produced in him. This only happens according to the way that God says it can happen. Nutshell: When we go through these things - FOOLS, WEAK, HUNGER, THIRST, NAKED, BUFFETED, NO CERTAIN DWELLING PLACE, REVILED, PERSECUTED, DEFAMED, FILTH OF THE WORLD, OFFSCOURING OF ALL THINGS - we are going to need some things to get us through that.
1 Corinthians 4:10		10 We are fools for Christ's sake, but ye are wise in Christ; we are weak, but ye are strong; ye are honourable, but we are despised. Paul is talking about how Corinth is perceived by the world and how Paul is perceived by the world. Comparing how he is being perceived compared to how they are looked at. Paul as a son was viewed as a fool, not just by the world but by fellow believers. Paul is perceived exactly as you are. There aren't very many of them. They are doing something weird over there. You can't get lifted up on this deal. We are not there. When the day comes we get there, will know enough about humility and where we came from to not get puffed up about that. Corinthians thought they were godly but in the true Biblical definition, that is the last thing they were. Even the lost thought the Corinthians had their act together - did things for the community, don't force it on anyone, etc. Were the megachurch of that day. They looked at how they were going to be perceived if they were educated as a son and realized all of this was going away and they were not willing to trade that in. Either going to be a fool for Christ's sake or the world will look at you and go that's really neat. How many times have you heard people say, if you serve God, you won't lack anything, you'll have wealth, God will make you kings, you'll be wise, you'll be strong, you'll be honourable? That's exactly what the Corinthians thought. Paul is saying that the Corinthians are not suffering like he is suffering because they aren't doing what they are supposed to be doing. Corinthians were not going to trade in their great reputation in town for that. Part of what made them say, we are not doing that/we are done with that. Why Paul said we're fools/weak/despised, you're wise/strong/honorable. You got it altogether - got the money, choirs, organization, building/etc. And Paul is going to say you have completely missed the point.

1 Corinthians 4:10		10 We are fools for Christ's sake, but ye are wise in Christ; we are weak, but ye are strong; ye are honourable, but we are despised. Paul is saying I am not any of those things, not by choice. MM says who wouldn't rather be a wise, strong, honorable, rich king? Doesn't that sound enticing? No one says I want to have nothing, be walked on, dirt poor, stupid, weak, and dishonorable. Nobody wants that and God understands that. When you get to a certain place, the POE is going to attack you in ways in which you are not going to be those things. MM says he is not trying to scare you off. MM says this is not a real enticing thing, it's not the Dale Carnegie way of getting people signed up for Sonship. He'll strip you of your wealth and you will be poor and destitute and naked. Corinthians saw what was happening to Paul and said no way we are going through that. Paul says don't stop because you see that. Where you are in your Sonship Orientation right now, this doesn't look very appealing. But when you get to a place in your Sonship life, whatever attacks are at that level, you will be able to endure that. In fact, as you advance, you'll be able to more than endure, you'll take pleasure in it. I THEREFORE TAKE PLEASURE IN INFIRMITIES (2 Corinthians 12:10). The Corinthians, by how they are perceived by the world in contrast to the apostles, are living the very opposite lifestyle; which is unto godliness. The Corinthians have the wrong thinking when they look at themselves and what is happening to them when compared to the apostles and what is happening to them. The lifestyle of the Corinthians which convinces them they are “full, rich, and reigning” is the very opposite of what it is for the apostles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:10		10 We are fools for Christ's sake, but ye are wise in Christ; we are weak, but ye are strong; ye are honourable, but we are despised. WE ARE FOOLS FOR CHRIST'S SAKE: The Corinthians considered Paul to be a fool because of his doctrine that he was teaching so that is how they talked about him in a very bad way. He endured this evil, not because he was cowardly or because he didn't have an answer, but he endured this kind of treatment for two reasons: 1. For CHRIST'S SAKE. It was in obedience to Christ that he suffered the things he did and Paul counted it an honor. He was willing to do it because he was doing it for CHRIST'S SAKE. 2. For their sake. FOOLS: Paul didn't really think he was a FOOL but that was the way that he was being portrayed. WE ARE FOOLS...WE ARE WEAK...WE ARE DISPISED: Paul lays out three contrasts between the apostles and the Corinthians/Corinthian leaders. This is the way the world sees them. He is not saying they are FOOLS. The Corinthians are really after the world's approval and they're going to look at it the same way as the world - Paul is foolish in this, he is weak and he is despised. WE ARE FOOLS: Talking from the world's/Corinthian's perspective. To the lost world (and ungodly believers), the apostles appear to be fools, but the Corinthians appear to be WISE. WE: The apostles. YE: The Corinthians, especially their leaders. WE ARE WEAK: To the lost world (and ungodly believers), the apostles are weak, but the Corinthians are STRONG. WE ARE DISPISED: To the lost world (and ungodly believers), the apostles are DISPISED, but the Corinthians are HONORABLE.
1 Corinthians 4:11-12		Paul puts together all the sufferings that are related to his life as an apostle. He does not distinguish between grades of suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:11		11 Even unto this present hour we both hunger, and thirst, and are naked, and are buffeted, and have no certain dwellingplace; You read this verse and it doesn't faze us what Paul is saying. MM jokes Paul lists all these things happening to him and says he wants them to happen to the Corinthians too. He doesn't want them to suffer, but he does want them to be godly. Paul introduces his list of 6 sufferings - HUNGER, THIRST, NAKED, BUFFETED, NO CERTAIN DWELLING PLACE - notice the ones from Romans 8:35. This is suffering for the gospel in Paul's days and some places in the world today. The Corinthians aren't experiencing any of these. The spiritual elite in Corinth would not have been BUFFETED and would not have to WORKing WITH THEIR OWN HANDS. Paul is describing the unpleasantness of life that distinguishes him from the honored citizens of Corinth. The shocking part – Paul is offering them by way of example for the Corinthians to follow! These 6 sufferings were not in the thinking of the spiritual elite at Corinth. Paul was no annoyed and didn't think it was unfair and didn't think he deserved greater respect and honor from the word nor did he envy what the Corinthians had. Paul understands in their current condition, the Corinthians will never impact the world the way God wants them to. The work they desperately need in their inner man will never be accomplished. The Corinthians were looking at the things happening to Paul and said not only is that not for me, but that's a disgrace. How in the world is that guy serving God? When a guy is worldly in his outlook, the last thing he wants to do is suffer like Paul.
1 Corinthians 4:11		11 Even unto this present hour we both hunger, and thirst, and are naked, and are buffeted, and have no certain dwellingplace; EVEN UNTO THIS PRESENT HOUR: From the time Paul was with them until the writing of this letter, nothing has changed. Paul is telling them that things have not changed in his life since he left them. This is not some temporary phase which the apostles grow out of as they mature and become more spiritual. Even as he writes, the apostles are suffering for the sake of Christ. MM says the more you grow in grace, the more the persecution is. PRESENT HOUR: No food, drink, clothes, beat up for the sake of his faith, no house. Recognize the office of mercy could help? HUNGER, AND THIRST, AND ARE NAKED: I'm hungry, I'm thirsty, I don't have any clothes because the PoE is so impacting Paul's life. BUFFETED: Went to Luby's? Remember they buffeted Jesus in the face. Doesn't mean they went to Golden Corral. Beatings or they have been beaten. The spiritual elite at Corinth would never be beaten and MM doesn't think they had to work with their hands. HAVE NO CERTAIN DWELLING PLACE: Not real appealing. Not very prestigious. Homeless.
1 Corinthians 4:11		11 Even unto this present hour we both hunger, and thirst, and are naked, and are buffeted, and have no certain dwellingplace; Remember the 7 categories of the POE in Romans 8:35 - see a couple of them here. Paul pointing out the areas of attack of the POE. Those are advanced attacks that haven't killed him yet but move him right up toward it. MM says today it is a popular doctrine to preach to people that if you serve God, you'll have all the things the Corinthians considered themselves to have. MM is not saying this IS GOING TO happen to you, that is not what he is saying. Paul lived at a time and place where he suffered in a particular way that right now in this country you don't. Start seeing the 7 POE categories from Romans 8:35 show up right here. Will be worse for some than others.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:12-13		BEING REVILED, WE BLESS; BEING PERSECUTED, WE SUFFER IT-v12 BEING DEFAMED, WE INTREAT-V13: See the doctrine working in Paul in these set of contrasts and all three progressive phases of the PoE.
1 Corinthians 4:12	Suffering = BEING PERSECUTED, WE SUFFER IT (SoC) / Godly Love Feature - PS (Purposed Subordination) sub-feature: suffering = WE SUFFER IT	12 And labour, working with our own hands: being reviled, we bless; being persecuted, we suffer it: LABOUR, WORKING WITH OUR OWN HANDS: MM says Paul is not against work, he says if you don't work you don't eat. Having to work for his own support. Because in addition to working a job to support himself and his ministry, Paul has to prepare messages and preach them, something Paul is constantly doing. All of this means Paul is probably operating on a few hours of sleep and he is always tired. He not only worked a job, but he preached until midnight, he was often in the synagogue on the Sabbath. He was teaching daily with converts to his gospel. He traveled great distances, much of which was by foot. And we don't think about it much, but Paul had to study. What would he study? He studied his own inspired writings. The SoC may be the reason Paul can include working with his own hands is because Satan has worked to strip away Paul's support, forcing him to take time away from ministry just to make a living and perhaps limiting Paul's ministry at the same time. MM thinks Paul was worn out a lot. He's in the synagogues on Sundays, he is teaching daily, he was preaching at midnight when the guy fell out of the second floor loft and broke his neck. When MM realized his preaching had more power than Paul. He had to preach till midnight to get one guy to fall asleep MM can get half the congregation in about 30 minutes. MM says working is listed with the SoC because he believes the PoE is working to stop people from supporting Paul so he can invest his full-time in the ministry. MM says most grace preachers work full-time jobs and he is so thankful he gets to do what he does on a full-time basis because he can invest more time in this than he ever could before. WORKING WITH OUR OWN HANDS: Paul is not talking about being the supervisor, he is talking about doing the actual work.
1 Corinthians 4:12	Suffering = BEING PERSECUTED, WE SUFFER IT (SoC) / Godly Love Feature - PS (Purposed Subordination) sub-feature: suffering = WE SUFFER IT	12 And labour, working with our own hands: being reviled, we bless; being persecuted, we suffer it: BEING REVILED, WE BLESS; BEING PERSECUTED, WE SUFFER IT: GH: MM teaching Paul's endurance or his love for others. It was more important for him that the truth that was revealed to him by the Lord be working in the lives of people than for him to get even. REVILED: This reviling would be over the message or ministry or Paul's doctrine. Think of the first component of the PoE's attack: Attack the message. OED: revile, v. - transitive. To subject to insult or abuse; to talk to or criticize in an abusive, angry, or insulting manner; to rail at. WE BLESS: When Paul is subjected to verbal insult and abuse, when he is criticized, he responds by "blessing" those who oppose him. This means Paul is not giving back to them what they are giving to him; he is saying good and beneficial things to them. Paul is not complimenting them or making up good stuff to say about them. Talking about expressing his desire for God to be at work in them and make of them what they were created to be. Blessing them does not mean Paul is arguing or defending himself or his message. Neither is he okay with their error. He is refusing to render to no man evil for evil-Romans 12:17. Paul is talking about how this message could change their life for the better. He might even say God could change their attitude.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:12	Suffering = BEING PERSECUTED, WE SUFFER IT (SoC) / Godly Love Feature - PS (Purposed Subordination) sub-feature: suffering = WE SUFFER IT	12 And labour, working with our own hands: being reviled, we bless; being persecuted, we suffer it: BEING PERSECUTED, WE SUFFER IT: This is not what the average believer wants to hear. When we have been persecuted, we feel we have earned/gained the right to persecute them back. We are talking about being persecuted for Christ's sake. When it comes to persecution, think of the second step in the PoE's attack: attack the messenger. This is for the purpose of making the messenger stop proclaiming the message. If you are persecuted... * for talking about the mystery * for living accordance to godliness (there are people who don't want you to be godly because that stands in contrast to their ungodliness) * because you do not follow the world's wisdom * because of the gospel * over your allegiance to Paul's doctrine * for making known the manifold wisdom of God * over the fellowship of the mystery * for living righteously * for the work of the ministry ...then SUFFER IT for the glory of God. Suffer it gladly, like your apostle. You are going to endure that. You know what you can do to make it stop - quit.
1 Corinthians 4:12	Suffering = BEING PERSECUTED, WE SUFFER IT (SoC) / Godly Love Feature - PS (Purposed Subordination) sub-feature: suffering = WE SUFFER IT	12 And labour, working with our own hands: being reviled, we bless; being persecuted, we suffer it: BEING PERSECUTED, WE SUFFER IT (cont'd): Part of our suffering with Christ. Better endure it or no reward. Guess what, you are still going to be persecuted. BEING PERSECUTED: We ask God to take away our persecution? No. WE SUFFER IT: Christians DO NOT want to hear that. Today people think if you are suffering, you must have sin in your life/not have enough faith/God is punishing you./don't have God's blessing. MM says they don't have a clue what God is doing in this dispensation. Teach that all you want, you will get to the Bema seat with an empty sack. Godly Love Feature - PS (Purposed Subordination) sub-feature: suffering. How valuable would it be to have an office of the mercy working here?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:13		13 Being defamed, we intreat: we are made as the filth of the world, and are the offscouring of all things unto this day. God wants Godliness put on display to the only creatures that we'll impact. This world will not be impressed with a true godly person. Paul says we'll be the off-scouring of the world. What kinds of things are happening that makes Paul use this kind of language? He is talking about enduring some tribulation, some persecution. Paul is talking about the enduring of sufferings. He is fixing to enlarge on it. Has nothing to do with us, but everything to do with Christ IN us. He is talking about enduring some things that produce an impact in the eyes of men and angels. Talking to the Corinthians about this type of suffering and they wanted no part of it. Not going to trade in what they had for what Paul was offering them. They said NO. It is that suffering he is referring to here and that he is introducing us to is the suffering we will endure with such an understanding and we don't have it yet. It's us enduring that suffering with such understanding and such faith and such love and such attitude that it is in that crucible that God puts His great Wisdom on display to men and angels and He means for it to be that way. God is not interested in bailing us out of every struggle and tribulation. Not what He is doing in the dispensation of grace. Corinthians saw this and said we are never going to do that. They are looking at Paul and saying, man, if you were living for God/right with God, you wouldn't have all those problems/things would be better. Looked at Paul and said you are not bringing anything to the table, Paul. You don't think the world makes money? Tie it to God not doing that. A prosperity performance system puts you back under the law. God is not interested in Paul being rich and wealthy so he can get a 100-fold return on the seed he planted, he is saying you are going to be perceived this way. If you are not willing to be perceived this way, then don't pretend to be educated as a son. That's how you are going to be seen. Not saying you going to lose your wealth or not have a place of live.
1 Corinthians 4:13		13 Being defamed, we intreat: we are made as the filth of the world, and are the offscouring of all things unto this day. BEING DEFAMED, WE INTREAT: The third phase of the PoE's attack: Discredit the messenger. To slander them or their reputation in some way. DEFAMED: To slander, to impugn their name or reputation. It means to bring dishonor and shame upon them, to disgrace them. INTREAT: Invites them to believe his message. When defamed, the apostles continued to speak truthfully of Christ, entreating people with kindness, despite the deliberate distortions of their character and their positions by those who slander them. It means they did not stop the message to defend themselves, they just kept preaching the truth and inviting (intreating) people to believe it! Paul is not stopping what he's saying to somehow revive his reputation with them. He knows what they're doing, he's inviting them to the truth of the gospel so that their lives might be tracked. He is saying you need this and they want to get a rise out of him and sidetrack that whole conversation. Paul is saying this is the greatest thing that God has ever done in the history of the world and He did it for you Gentiles. You are no longer going to have to go through the agency of Israel, but God is now directly dealing with you. And if you put your faith in the finished work of Christ, you will be a son or daughter. He will give you all spiritual blessings in heavenly places, all the mercies of God, he'll JUEL. He'll SUFL. Give you a glorified body one day. You will reign with Him in the heavenly places. And He planned this before the foundation of the world. Paul is intreating them, he is not stopping the message.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:13		13 Being defamed, we intreat: we are made as the filth of the world, and are the offscouring of all things unto this day. WE ARE MADE AS THE FILTH OF THE WORLD, AND ARE THE OFFSCOURING OF ALL THINGS UNTO THIS DAY: Two-part summary. Both of these phrases carry the idea of that which is to be scraped off or wiped away. Today, it might be said, “the scum of the earth” or “the dregs of society.” Again, this is all from the world’s point of view. Like something you wipe or scrape off your shoes. Stands in stark contrast to the Corinthians who were full, rich, reign as kings, etc. Paul says I'm the slimy stuff you scrape off your shoe. Because the Corinthians don't want this lifestyle. How the world views you if you pursue godliness. Two labels the world will give you: 1. THE FILTH OF THE WORLD 2. THE OFFSCOURING OF ALL THINGS: If you think of a pot that you are scrubbing things out of, MM said you are pretty close. Some people will say if someone looked this way at me I don't know if I could handle that. MM says that is what the adversary is counting on. Right now, the world doesn't care about this assembly. But it will come to a point that it will care and it will apply pressure. MM knows the group has said we don't care what the world thinks, we are different from others. Not always a bad thing. There will be pressure brought to bear with that. You need to carefully consider all the things the prosperity gospel preaches, if you are properly following Sonship, you aren’t going to have any of those things. Thought they were OK, even though they saw Paul and they fainted by looking at those tribulations. They thought they made a wise choice to not go through that. What they thought was wisdom God called foolishness. Has to be done within the framework of the curriculum. If you get to the place where you are treated as THE FILTH OF THIS WORLD and the OFFSCOURING OF ALL THINGS, you're going to need something from the curriculum to enable you to endure that to your Father's glory. Otherwise, it will crush you. This curriculum is going to have to do something for you.
1 Corinthians 4:14-17		Instruction in Righteousness
1 Corinthians 4:14		14 I write not these things to shame you, but as my beloved sons I warn you. There is something else here at work, far greater than what the world calls success. I WRITE NOT THESE THINGS TO SHAME YOU: Because Paul does not believe his relationship to them is adversarial, he knows his sarcasm will be hurtful to them, just as it would if your friend said something like this to you, but Paul does not mean for his statements to hurt or destroy them. Is not a lifestyle which he has voluntarily adopted, but it is what God has called him and the apostles to. Paul is not limiting this to the apostles. All believers are called to be followers of Paul and therefore of Christ, in accordance with the mystery. Every believer should be experiencing the things which the apostles are suffering, and if they are not (like the Corinthians) then they are not living the life God has called them to. Paul is looking at them affectionately and not in an adversarial position. He knows they're not doing the right thing, but he knows they are in Christ and he is going to exhort them on this basis. BUT AS MY BELOVED SONS I WARN YOU: They are supposed to take this just this way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:15		15 For though ye have ten thousand instructers in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the gospel. The point here is that the Corinthians have had plenty of instructors in Christ but not many fathers. TEN THOUSAND INSTRUCTORS IN CHRIST: A lot of people teaching you about Christ. INSTRUCTORS IN CHRIST, YET HAVE YE NOT MANY FATHERS: What preachers do today. Talk about Jesus/the Bible/the Cross and preach sermons. But we are supposed to be functioning as fathers, leading sons and daughters through the curriculum that our Heavenly Father gave us. You don't have many people who are actually EXHORTING you to do the right thing. INSTRUCTORS: Were well known in Greek society to be well trusted slaves who would keep a child of a wealthy family at his studies. This “instructor” was usually pictured with a stick in hand, and was regarded as a taskmaster. Like the tutors in T&Gs.
1 Corinthians 4:15		15 For though ye have ten thousand instructers in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the gospel. YET HAVE YE NOT MANY FATHERS: But nobody as a father is actually taking you through that edification process that the church was created to do. NOT MANY FATHERS...I HAVE BEGOTTEN YOU THROUGH: Paul is talking to them as a 'father'. Paul is talking to them as his beloved children and he expects them to respond to him as children to a father. He believes his relationship with them is deep and personal. NOT MANY FATHERS: Paul is being a father to them. FATHERS: Paul contrasts himself by referring to himself as a loving father, not a taskmaster with a stick in hand. Father in the sense of bringing them the gospel. FOR IN CHRIST JESUS I HAVE BEGOTTEN YOU THROUGH THE GOSPEL: Saved by his gospel. I HAVE BEGOTTEN YOU THROUGH THE GOSPEL: The whole reason they are saved is Paul's ministry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:15		15 For though ye have ten thousand instructers in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the gospel. Problem for Corinthians is that they viewed it just as information. The Corinthians had the problem of THINKING about this as just an education, just a bunch of “wisdom” to learn. They were wrong. They missed the part that makes this different from every other education in the world. Until LEVEL 3 PHASE 1 gets completed, you don't really have anybody (GH: Who can teach the curriculum - NOT MANY FATHERS). Why MM has added the caveat that he reserves the right to come back and add things he didn't know earlier. Paul says you have 10,000 instructors in Christ but not many fathers - the relationship that is normally going on is not that father-son relationship but that God-man relationship. Under the God-man relationship, you learn about God. God is omniscient, omnipotent, omnipresent, merciful, gracious. Then you learn doctrine. MM all in favor of this but you are just learning about God. We're going to study the grace of God and learn about God's grace. Living in God's grace is better than learning about God's grace. Having your Father come along and tell you things about God is better than learning about God. Father-Son = man teaching you vs. God-man = God teaching you (lost person operates under this type of relationship - relative righteousness - just knows about God). God doesn't want us in the 10,000 instructors in Christ but wants us in this relationship.
1 Corinthians 4:15		15 For though ye have ten thousand instructers in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the gospel. The church today is involved doing a lot of things, they're not bad things and they're not motivated from evil, but none of those things are the one single thing we are to be engaged in. MM says you are looking at this backwards. Say we are looking at this ministry like VBS/mission trips/build churches/worshipping God. Not saying there is anything wrong with these, but we are doing EVERYTHING EXCEPT THE ONE THING that we have been called to do and that is to take every member of our local assembly through a course that will result in their godly edification (not a generic term). That a Pastor, not a replacement for your Heavenly Father, but in the position of a father in leading that assembly through the curriculum so that they can labor with their Heavenly Father, truly be edified in godliness. If they are, that means they are being equipped and given the knowledge and given the skills that when they get into the heavenly places they will actually be able to function without someone holding their hand and looking over their shoulder and pointing out all the things that need to be done. Not going to happen. As good as VBS/mission trips/building churches is, that's not why you meet together as a church. MM says that he doesn't need a whole group of people to worship God. Not why God created this divine institution called the church. Can worship on your own. The reason you do have to have this local assembly is to be able to put those godly edification/Sonship skills into practice and this thing is laid out just so you can get that done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:16		16 Wherefore I beseech you, be ye followers of me. Paul wants the Corinthians to reflect Christ. As strange as it might sound to those with only a worldly wisdom, Paul knows his life can help the Corinthians see what this looks like in everyday practice. Paul is not just asking them to imitate what he says and does. He wants them to do this intelligently, with understanding behind what they are doing. That means they must know the doctrine and have it work in their inner man to transform them. He is not asking them to simply be copycats. BE YE FOLLOWERS OF ME: Paul thinks he carries enough authority with them that they will not only listen, but heed his call to "follow him as he follows Christ." GH" The Corinthians were reluctant to do this OR had enough of a connection to Paul to respond to this? Paul gets a doctrine and the doctrine that Paul is preaching can't be found in the gospels. This is a doctrine of Gentile grace, not Israel. Remember, Paul is saying, you are rich/wise/all that and sliced bread. I am asking you to be followers of me. They are looking at Paul and thinking that doesn't look very appealing. Paul is God's authority for the church today. We follow him as he follows Christ. Paul says this on 3 occasions (1 Corinthians 11:1, Philippians 3:17). Paul says 3x follow him as he follows Christ. Because there are 2 programs that you can follow Christ. Why didn't he just say, 'Follow Christ'? Nothing to do with his ego. Has to do the ability to follow Christ in 2 ways: 1. In accordance with Christ's public ministry to Israel 2. In accordance with the (GH: heavenly) mystery which He revealed to Paul If we do not observe the doctrinal distinction between the two, we may wind up trying to follow Christ's Messianic ministry in God's program with Israel. But if we follow Paul, we will only be following Christ in accordance with His mystery program which is in effect during this DOGG. If we follow Paul, we are following Christ in a dispensationally correct manner. MM says while he is glad Paul didn't say to us to 'follow Christ' (GH: impossible benchmark) but it turns out just following Paul turns out to be a pretty high bar.
1 Corinthians 4:17		17 For this cause have I sent unto you Timotheus, who is my beloved son, and faithful in the Lord, who shall bring you into remembrance of my ways which be in Christ, as I teach every where in every church. Paul did send Timothy, who was mild-mannered. He went over there and tried to love those folks but the Corinthians did not respond to that. So, Paul calls Timothy back and he sends Titus. Since they didn't love the little puppy, Paul sent the pit bull and that got their attention. GH: Another example of Paul doing something after praying about something - sending Timothy. FOR THIS CAUSE: He just said you have 10,000 preachers but not many fathers. Because that is what you need, I am sending Timothy. MY BELOVED SON: Paul is describing how he feels about Timothy. BELOVED SON: In the faith. Sending Timothy to function as a father. FAITHFUL IN THE LORD: MM thinks this means Timothy is a fully educated son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:18-21	Doctrine : Corrective : Ungodly living	Paul is not coming back to correct their philosophy or their bad doctrine. He has every intention of coming back and when he does we are going to measure your preaching to see if it is producing godliness or not. It's one thing to be eloquent and make everybody marvel at your oratory skills, but it's another thing for that word to be presented in a way where people are now being transformed and becoming godly people. This is evidence of power. Paul is going to measure their preaching to see if it is producing godliness. The is about the kingdom of God, not being in word, but in power, the power rests in the word of God. Paul is saying when he comes, he is going to test those things they're preaching. He will compare them to his epistles because that's where the power is, the word of God. Paul is going to compare all of that so they will see what they were supposed to be doing isn't what is being done at all. Some of those instructors in Corinth who were teaching for the purpose of worldly gain (monetary gain) have gotten PUFFED UP because they think Paul is not coming back to correct their bad doctrine. Instead matters of status in the world is of more concern than becoming obedient sons and daughters of God. Far too many act like they are reigning now as they seek the respect of people who are rooted in the wisdom of this age.
1 Corinthians 4:18-21	Doctrine : Corrective : Ungodly living	Analogy/Application: Wouldn't it be easier if the world at large accepted local assembly of believers? Churches go too far trying to accommodate the world where they compromise the message or they get off track from the ministry of edification they are supposed to be having where they get off track. There is a danger of wanting to be accepted and the Corinthians really wanted to be accepted by the world around them. Why churches today get away from the truths in the Bible, especially those difficult ones they don't want to hear about. They create a social gospel where the church is just kind of doing things and the church just becomes one more charitable organization of one type or another and they get away from the truth of what they are supposed to be doing. For the Corinthians, the spiritual gifts (knowledge and wisdom gifts) segued perfectly into the culture in the Greek culture of the day. In the Greek culture, the big deal was wisdom. Think of the knowledge and wisdom type of spiritual gifts. Those segued perfectly into the church to be admired by the community at large. They were abusing to become a spectacle to the community/society. We have something here and we are to be admired for it. Today, Ministers build a brand around themselves.
1 Corinthians 4:18-21	Doctrine : Corrective : Ungodly living	Analogy/Application (cont'd): Communication skills are not bad as long as they are preaching the right gospel and edifying the saints. The word and its power should be the focus, not the preacher. Their status in the world is very important to them. The average preacher doesn't have WEAKNESS AND FEAR AND MUCH TREMBLING in their mind very much. The status of the world becomes important and it was important to them in Corinth. Even people today, look at the church and they want to make sure that they are viewed with respect by the world around them. MM is not saying to purposefully appear to be fools, but if the motive is to get the world to like us, they we've headed in the wrong direction. Application: If they accept the correction of this epistle, he can come to them rejoicing that they have not allowed false doctrine to overtake them. In that case, he would come to them in love and meekness. v18 – Reproof v19-20 – Correction v21 – Instruction in Righteousness

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 4:18		18 Now some are puffed up, as though I would not come to you. PUFFED UP: Some of those instructors in Corinth who were teaching for the purpose of worldly gain (monetary gain) have gotten "puffed up" (v18) because they think Paul is not coming back to correct their bad doctrine. Paul writes to them and says it is his intention to come back and when he comes back, we'll measure your preaching to determine whether it is producing godliness or not. What he is talking about when he says not being IN WORD, BUT IN POWER. MM says it is one thing to be eloquent and have everyone marvel at your oratory skills, but it is another for the word to be presented in a way where people are now being transformed and becoming godly people. That's the evidence of power. Paul is going to come back and measure their preaching to see if it is producing godliness. The power rests in the word of God. MM believes he will compart them to his epistles because that's where the power is so they will see what they were supposed to be doing wasn't being done at all.
1 Corinthians 4:19		19 But I will come to you shortly, if the Lord will, and will know, not the speech of them which are puffed up, but the power. Paul says he will come back and when he does, he will measure the spiritual power of their preaching to produce godliness.
1 Corinthians 4:20		20 For the kingdom of God is not in word, but in power. Paul measures the spiritual power of their preaching to produce godliness. Paul is saying that when he comes, he will test them to see if their philosophical arguments have the power of his epistles, which are the word of God. That power will be evident in that it will produce godliness in all its forms which apparently is not what the Corinthians were experiencing. MM says Paul will compare to his epistles. That's where the power is. Because this is about the kingdom of God being "not in word, but in power," and the power certainly rests in the truth of the word of God.
1 Corinthians 4:21		21 What will ye? shall I come unto you with a rod, or in love, and in the spirit of meekness? Paul contrasts himself by referring to himself as a loving father, not a taskmaster/INSTRUCTORS-v15 with a stick in hand. MM brings this up because at the end of the chapter, Paul seems to give them the choice as to which they want. Paul says we can do it either way. ROD (of grace): The correction of people and how you do that under grace. ROD: Is not the law, but it is a rod of grace, just as he used against the Galatians. MM says this may sound contradictory. Talking about the correction of people and how you do that under grace vs. how you do that under the law, which is a whole different way. MM says some of these guys mistook him for the way he came the first time - well, he's all talk, he's not coming back, nothing is going to happen out of this. We saw how he was the first time. If he's like this again we can handle that. Mistook the way he showed up the first time as his unwillingness to do that. What Paul means is that this time he will not come to the Corinthians with "fear and trembling" as before-WAS WITH YOU IN WEAKNESS, AND IN FEAR, AND IN MUCH TREMBLING-1 Corinthians 2:3. There was something that Paul was really concerned about communicating and he was doing it carefully because he wants to make sure this spiritual work is done in them. Paul was trying to handle this carefully. Paul is saying it is not going to like it this time. He hopes to come in the spirit of meekness and if they will be corrected by this doctrine, he will. If they accept the correction of this epistle, he can come to them rejoicing that they have not allowed false doctrine to overtake them. In that case, he would come to them in LOVE and MEEKNESS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:1-10:33		RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly LIVING (4 components) - Their ungodly living.
1 Corinthians 5:1-13	Doctrine : Corrective : Ungodly living in the use of their liberty in Christ as an occasion to the flesh	**Please see 'Definition : Assembly : Steps to Church Discipline and the dispensational distinctions of it' in the Commentary.** FORM OF DOCTRINE: The ungodly living of use of their liberty in Christ as an occasion to the flesh. v1-2 – Reproof v3-8 – Correction v9-13 – Instruction in Righteousness
1 Corinthians 5:1-2		The reproof deals with two issues being dealt with here: 1) the particular sin of incest, and 2) the apathetic response of the assembly in response to it. Paul begins by referring to fornication within the assembly, which is well known and publicized. This is a moral issue which will give Satan a huge door of opportunity to implant certain lies in the minds of those committing these sins, to erect a stronghold, and in time, affect the assembly as a whole. This will not only hinder the edification of those committing these sins, but will also affect the assembly as a whole. Not the man's mother but his step-mother - father has passed away. It may seem strange that this kind of sin could occur, but it was common for men to marry much younger women, especially if their first wife had died. When the father died, it left this young woman living in the same house with the son, who may have been close to her age. This was considered incest under both the law of Moses (Leviticus 18:8)/Mosiac law and Roman law. Once this happens, now things are happening in the life of both the believer and unbeliever that if they don't get taken care of, if going to affect all the other areas of their life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:1-2		Need to resolve these issues before they get married or these moral failures will eventually destroy the marriage. Point: Moral failure opens up a door in your soul to give place unto Satan. Then there's a battle with guilt and shame and the tormenters are free to wreck havoc. Once they are involved in this, things happen in the lives of the believer and unbeliever. What this guy is doing is going to have an affect on the rest of the assembly. Some will say that's not right and others will say he has liberty in Christ. Paul doesn't name the guy. MM doesn't think this is the only fornication that is going on in the church, but Paul uses this particular case as a model for how they should be dealing with this kind of sin. They could have used church discipline and he could have repented or he could have left the church. If he realizes his sin is grieving the assembly, he may stop it or remove himself. You don't want him to leave but also you don't want a LITTLE LEAVEN TO LEAVEN THE WHOLE LUMP-Galatians 5:9. MM says the woman is not saved so he doesn't have anything to correct her about. Paul doesn't say anything about her, he has nothing to correct her about. She is not going to the church so no reason for her to leave. MM says this is well-known in the assembly and probably not the only case. He does say something about the guy because he is a believer. Paul is using this a model for the other cases. World looks at these types of things and says what's the big deal? The big deal is moral failure opens up a door in your soul that gives place to Satan. Satan would love to have us fall morally so that he would actually now gain a foothold in us.
1 Corinthians 5:1-2		From there, it gets worse and worse because now a person is fighting a battle with guilt and shame. A person will continue down this road till it destroys them. You can't lead that kind of life and avoid consequences. Point: This is not only happening in him as an individual, but because the church is looking at this, not just turning a blind eye, they are kind of puffed up about this. Not proud over the sin, but from their misuse of their liberty. Some people would take issue, saying Paul doesn't mention LIBERTY till 1 Corinthians 7. MM thinks they are using their liberty as an occasion to the flesh. What they are boasting in or what they are proud of is their exhibition of their liberty in Christ. You have something happening to the assembly as a whole because what he's doing is going to have an effect on the rest of the assembly. Some folks will say, that's not right. Some folks will try and defend it saying he's got liberty in Christ and can do whatever he wants to do. No. You can't murder people and say I've got liberty in Christ. That doesn't fly with earthly authorities or God either. Paul doesn't call the man by name and he doesn't address the woman at all. Bible never says they got married, just lists it as the sin of fornication between a step mother and step son. This relationship is condemned in the mosaic law. Would have been condemned under Roman law as well. Both condemn it as incest. Paul lays out a model here to treat all these things that are going on in the Corinthian church.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:1		1 It is reported commonly that there is fornication among you, and such fornication as is not so much as named among the Gentiles, that one should have his father's wife. AND SUCH FORNICATION AS IS NOT SO MUCH AS NAMED AMONG THE GENTILES: You guys are condoning actions that the Gentiles themselves wouldn't even do. Saying hey, wake up - do you see what's going on here? Can't just sweep this under the rug so to speak. There is no mention of a “marriage". It seems that with the passing of his father, this man, whom Paul declines to name, has begun a sexual relationship with his stepmother, which is one form of the “fornication” which is commonly reported to be among the saints at Corinth. Paul points out the shamefulness of this behavior as it is so abhorrent that not even unsaved Gentiles think this behavior is acceptable. How much more those who are SANCTIFIED IN CHRIST JESUS, CALLED TO BE SAINTS-1 Corinthians 1:2 should find this behavior to be shameful and ungodly. MM doesn't think this is the only case. MM says it's a sad day when a church stops mourning over sin. If they would have reacted to this man the way they should have reacted, then this might have happened differently. FATHER'S WIFE: Step-mother. If it was mother, he would have said so.
1 Corinthians 5:2		2 And ye are puffed up, and have not rather mourned, that he that hath done this deed might be taken away from among you. Paul is going to address the church’s attitude toward this behavior. The Corinthians assembly did not respond to this sin properly. Remember this is the correction of their ungodly living. They permitted this sin, got puffed up over their liberty and using it incorrectly. Actually, Paul will point out two deficiencies/addressing the church's attitude - remember - ungodly living section: 1) AND YE ARE PUFFED UP: Spiritual pride (in the abuse of their liberty) 2) AND HAVE NOT RATHER MOURNED: Spiritual apathy (like you don't care and don't think it will have any affect on the assembly - but it's already had an affect on the assembly) PUFFED UP: This is a misuse of their liberty as an occasion to the flesh. Not only did the church permit this sin, but they were “proud.” MM didn't think they were proud of sin but they may have used their liberty inappropriately. It is sad when a church stops mourning over sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:2		2 And ye are puffed up, and have not rather mourned, that he that hath done this deed might be taken away from among you. HE THAT HATH DONE THIS DEED MIGHT BE TAKEN AWAY FROM AMONG YOU: If the church had reacted differently, he may become so uncomfortable that either he would leave of his own accord or be motivated to repent of his sin. MM doesn't believe some commentaries - God would have killed him. Could get TAKEN AWAY FROM the Corinthians in a couple of ways: 1. They could have exercised church discipline to remove him from the assembly 2. If they reacted appropriately, this man might have done one of two things: (1) he might have repented and stopped (2) he might have removed himself from the assembly If the church treats him like any other member, he probably won't change. But if the church is broken hearted over the fact they have a brother caught in this and it's going to have an affect on the assembly as a whole, if he recognizes the grieving people in the assembly, that may motivate him to think about what he's doing and maybe stop that sinful action. Or, if he sees the reaction, he may decide you know what, if you guys are not going to approve of what I'm doing, then I'm just not coming back here, meaning he would remove himself from the assembly. You don't want a guy leaving but you also don't want a little leaven leavening the whole lump. Don't want that affect on the assembly. This is no small thing, this is a big moral failure.
1 Corinthians 5:3-8		Correction portion of the doctrine - There are two issues covered here: 1) what to do with the man, and 2) what to do with the assembly (because they are not responding to this the right way).
1 Corinthians 5:3		3 For I verily, as absent in body, but present in spirit, have judged already, as though I were present, concerning him that hath so done this deed, JUDGED: Some folks say we should never judge, but what does it mean to judge? He is not talking about handing down a verdict. The word here means to “distinguish or decide.” To make a decision about something. Paul is saying that he has already decided, as if he was already there in person that this man is in error. Paul has already decided. Paul assumes the man is a saint but he is walking morally contrary to the word of God.
1 Corinthians 5:4-5		Paul outlines the action they need to take.
1 Corinthians 5:4		4 In the name of our Lord Jesus Christ, when ye are gathered together, and my spirit, with the power of our Lord Jesus Christ,

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:5	GH: Day of Christ Verse	5 To deliver such an one unto Satan for the destruction of the flesh, that the spirit may be saved in the day of the Lord Jesus. TO DELIVER SUCH AS ONE UNTO SATAN FOR THE DESTRUCTION OF THE FLESH: Some take this to mean “death.” MM says this scared him as a young preacher boy. Could be an apostolic chastening that we cannot do today. If the man did not repent, this would be the natural result in his life. Paul is not judging his salvation. Says he is a brother in v5 and v11. But there are times when the saints should judge when someone is walking contrary to the word of God, especially in a moral area such as this. DELIVER SUCH AS ONE UNTO SATAN: Means to cut him off from the preaching and fellowship so he must live in the world among sinners. Let him go from the assembly so he may encounter the destruction that comes from living after the flesh. The idea here is that he continues in sin to his own destruction or by getting to the “end of his rope” so to speak, he repents and returns. Thinks 1 of 2 things: 1. May be an apostolic chastening that we don't have the ability to do today. 2. Cut him off from the preaching and the fellowship of the assembly.
1 Corinthians 5:5	GH: Day of Christ Verse	5 To deliver such an one unto Satan for the destruction of the flesh, that the spirit may be saved in the day of the Lord Jesus. DESTRUCTION OF THE FLESH: Destruction that comes after living after the flesh. If the brother decides to continue to live in this sin, there's a natural destruction that is going to take place in him. Not something God doing something special to him, that's going to be the natural result of this in his life anyway. Could be what is talked about here. Hope is the guy gets cut off from the church and out there on his own, that will have an impact on him. If it gets bad and to the end of his rope, he may decide I can't do this anymore. I'm going to have to go back and do something about this. Either way, church discipline in this dispensation of DoGG should always have in view the restoration of the offending brother.
1 Corinthians 5:6-8		Paul is illustrating the importance of dealing with sin in the assembly. A little leaven (sin) will leaven the whole lump-v6. A greater purpose for removing a sinning brother from the assembly; for the purity of the church and the good of the ministry/assembly. Paul is showing how you deal with people under grace - remind them of who they are in Christ and then exhort them to align their conduct & behavior with their identity. MM says it would be real easy to scold them but Paul doesn't do that. This is all a metaphor, he is completing the illustration. When he deals with them under grace, he says, this is who you are (in Christ), live up to that.
1 Corinthians 5:6	Non-MBI	6 Your glorying is not good. Know ye not that a little leaven leaveneth the whole lump? PL: A LITTLE LEAVEN LEAVENETH THE WHOLE LUMP: If you get one bad thing in the head, GH: can mess up your theology.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:7		7 Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us: PURGE OUT THE OLD LEAVEN: He is talking about this issue of church discipline. AS YE ARE UNLEAVENED: In Christ, you are perfectly righteous and not a sinner. We try and be a sinner - 'I'm a sinner saved by grace'. MM says no you are not. You're a saint, you're a holy one. You are the righteousness of God in Jesus Christ. That's who you've been made to be. If that is not how you are living, that's a different issue. Once you trusted Christ it's no longer who you are. LEAVEN: Is a picture of sin.
1 Corinthians 5:8		8 Therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth. KEEP THE FEAST: He is not telling them to go back under the laws of Israel and observe the feasts, he is finishing his illustration. Just as Israel kept the feast in a practical way, by ridding their homes of leaven, so the church "keeps the feast" in a practical way, by disciplining the offenders in its midst.
1 Corinthians 5:9-13	Justice	Instruction in righteousness: Justice issue of good and evil. Paul talks about some members of the Corinthian assembly who are committing fornication, which is to say, they are not married but they are sexually active. Paul instructs the assembly as to how they should handle these fellow members. Paul exhorts the church to holiness by separating themselves from those who are intemperate and wicked.
1 Corinthians 5:9-11		The standards are higher for a believer. If someone is a brother and they claim to know Jesus as their Savior and they are morally bankrupt, with that guy, do not fellowship. Don't even sit down to a meal with that guy because they are not trying. It's not to punish him, but to bring him back from those things because he is a believer in Jesus Christ and he must live to a higher standard. Not talking about staying away from the extortioners or the fornicators of this world because they are everywhere. You would need to leave the planet.
1 Corinthians 5:9		9 I wrote unto you in an epistle not to company with fornicators: This previous epistle was not inspired, another letter than Paul had written to them. Paul wrote to the Corinthians not to company with fornicators. Some of the Corinthians misunderstood what Paul meant. They took it to mean that they should not keep company with anyone and seclude themselves off from the world. When it comes to the lost, those guys are going to be fornicators, covetous, extortioners and idolators. Are we not to have friends or acquaintances among them? Should we do business with them or not? Do we ever socialize with them? The answer is "Yes." Difference? The believer knows better and has the power to do better. The lost are going to act like lost people. Therefore, you don't withdraw from them for two reasons: 1) you want to win them to Christ, and 2) if you withdraw from every lost person who acts like a lost person, you would need to withdraw from the whole world!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:9		9 I wrote unto you in an epistle not to company with fornicators: I WROTE UNTO YOU IN AN EPISTLE NOT TO COMPANY WITH FORNICATORS: When it comes to the saints, who should know better and behave differently, if one of them is a fornicator, then don't keep company with him. Yes, you do want to recover them from the snare of the devil, but until that time, Paul says to limit your fellowship with them. I WROTE UNTO YOU AN EPISTLE: GH: Proof Paul wrote to the Corinthians BEFORE 1 Corinthians. Wrote summer of 52 AD. I WROTE: Past tense. Didn't say I'm WRITING to you now in this letter. EPISTLE: A letter. OR WITH IDOLATERS: When it comes to the saints, who should know better and behave differently, if one of them is an IDOLATER, then don't keep company with him. Yes, you do want to recover them from the snare of the devil, but until that time, Paul says to limit your fellowship with them.
1 Corinthians 5:10		10 Yet not altogether with the fornicators of this world, or with the covetous, or extortioners, or with idolaters; for then must ye needs go out of the world. List of ungodly living. Corinthians problem was ungodly LIVING. You can have fellowship with lost people otherwise you will probably never win them to Christ. You are trying to make an impact on them. Not hypocritical if the lost are liars and extortioners. MM say what do you expect lost people to be like? YET NOT ALTOGETHER WITH THE FORNICATORS OF THIS WORLD: Paul explains that he is not talking about the FORNICATORS OF THIS WORLD. FORNICATORS OF THIS WORLD FOR THEN MUST YE NEEDS GO OUT OF THE WORLD: Paul is saying that as you go about your daily life it is impossible to not do business with, live next door to, work with, or go to school with lost people who are engaged in sinful behavior. If you try to do that, Paul says, you will have to leave the world/planet! You cannot avoid all contact with sinners.
1 Corinthians 5:11		11 But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolator, or a railer, or a drunkard, or an extortioner; with such an one no not to eat. The discipline Paul has in mind is the withdrawal of social fellowship. In the culture of Paul's day, to invite someone to your home for a meal was a sign of intimate friendship and fellowship. Paul warns them not to continue that practice with a brother overtaken by sin for the reason of that sin not affecting the church as a whole. The issue is one of purity for the local assembly. NOT TO KEEP COMPANY: In those days, when you invited someone into your home for a meal, it pictured intimate friendship and fellowship you shared with those people. If your brothers are involved in these types of things, don't keep company with them. Depending on what they are doing, they may be expelled from the assembly. BROTHER: A BROTHER can be an IDOLATER. NOT TO EAT: Talking about fellowship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 5:12		12 For what have I to do to judge them also that are without? do not ye judge them that are within? Paul knows you can't control who lives next door to you, the people who you work with, the people you go to school with - if you avoid all, you're going to lead a monastic life that you'll never be involved with anybody. You'll have to leave the world. It's not our job to judge the world, it is our job to judge those that are within. And if there's this kind of wickedness, then it needs to be addressed. FOR WHAT HAVE I TO DO TO JUDGE THEM ALSO THAT ARE WITHOUT: GH: Outside the assembly?
1 Corinthians 5:13		13 But them that are without God judgeth. Therefore put away from among yourselves that wicked person. BUT THEM THAT ARE WITHOUT GOD JUDGETH: Leave them to God. Paul says it is not his job (or ours) to judge the lost world; that is God's job. But, we do judge those within; and if there is indeed some wicked person in our midst, we are not to keep company with them. Evidently, the woman with whom the man was having relations was not saved, as Paul says nothing about her at all. She obviously did not attend the assembly, and so she is outside the purview of church discipline.
1 Corinthians 6 - 8		The relationship between knowledge, freedom and moral conduct, with a contrast between knowledge and freedom on one side and love and respect for others on the other side.
1 Corinthians 6:1-11	Doctrine : Corrective : Ungodly living of use of Failing to Employ Sonship Judgments	Doctrine : Corrective : Their Ungodly living of use of Failing to Employ Sonship Judgments v1: Reproof v2-3: Correction - Who they are and what they have in their salvation and how to live?? v4-11: Instruction in Righteousness
1 Corinthians 6:1-11	Doctrine : Corrective : Ungodly living of use of Failing to Employ Sonship Judgments	Background: Paul talks about 3 courses of action available when wronged by a fellow Christian - fellow saints who are members of the same assembly. Both parties would need to be members of the same assembly. In our present culture, Paul's doctrine is so foreign that few churches would even be willing to arbitrate and very few saints would be willing to submit to the ruling of the assembly if it did. But Paul says, "How dare you" not have a good enough relationship with your brothers and sisters in Christ who are part of the same assembly that if you have a problem with one of them, you can't go to them and work things out between you! How dare you not love each other enough to settle things between yourselves without going to law before the unsaved! Today, people would be appalled at doing it Paul's way - let the church arbitrate disputes on Biblical principles. This is a scandalous thing to Paul. But in today's culture, suing someone else is the norm. As we read through Corinthians it is easy to look at that church and say, "That's how the church is today." Not talking about major crimes, talking about settling disputes. Here are the 3 choices Paul lists: 1) Turn to the secular courts to judge the case (totally wrong - was evidently the route the Corinthians were taking) 2) Seek arbitration within the assembly before the saints (acceptable) 3) Deprive themselves of their rights (acceptable)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:1-11	Doctrine : Corrective : Ungodly living of use of Failing to Employ Sonship Judgments	MM says not talking about the church usurping the courts and trying murder cases. He is talking about disputes among the members of an assembly that are suing each other and going to court. There should be enough wisdom to handle these. The problem is three-fold: 1) Having a dispute with a brother/dispute between brothers a. This would suggest either someone committed a wrong to another brother, or someone was being falsely accused. Either way, someone is in the wrong. This also suggests that forgiveness had not taken place. 2) The insufficiency of wisdom in the assembly - you guys pride yourselves on all your wisdom but it doesn't seem to produce anything in their lives a. Paul clearly states that this is wrong. Believers in Jesus Christ should be able to settle disputes in a godly fashion. Even so, MM wants to point out the fallacy that the courts are never to be used by a believer. In cases such as domestic abuse, governmental authority is in place for a reason. And while a battered wife may forgive her abusive husband, that does not mean that she cannot appeal to the authorities for protection. And MM also believes she should separate herself from any dangerous situation. But understand, this is actually a different issue from the one Paul is addressing, which is one person suing another.
1 Corinthians 6:1-11	Doctrine : Corrective : Ungodly living of use of Failing to Employ Sonship Judgments	b. Why else is this one a problem? Firstly, because unbelievers have different values from believers. We cannot assume that unbelievers will suggest a godly resolution to the matter, or that they have more wisdom. And when it comes to spiritual issues, the unsaved will have no real wisdom to resolve the conflict. c. Lastly, lawsuits bring reproach on Christ and the church/the assembly as believers air their “dirty laundry” before the unsaved. 3) Unbelievers have different values than believers. a. 50% of people when they go to court are unhappy with the verdict. Maybe 100% in some cases. b. If this dispute is over a spiritual issue, how much confidence do you have in an unbeliever sorting that out? None. c. The lawsuits not only bring reproach upon Christ, but it brings reproach on the assembly too because you are now parading all your dirty laundry in front of the lost world.
1 Corinthians 6:1-5		Paul rebukes the Corinthians because they didn't have godly wisdom, the Wisdom of their Father. They were having disputes among themselves and to get them settled, they were going to the court of law to get them settled and Paul is rebuking them for that. If you had godly wisdom, you should be able to settle things among yourselves. You are going to the unjust to get your matters solved (GH: and not getting experience or practice using the doctrine).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:1		1 Dare any of you, having a matter against another, go to law before the unjust, and not before the saints? When Paul is saying this, he is appalled at what they're doing here. But when people read this, they're appalled that anyone would think about doing it that way. This is how far we've come from when Paul set it up. PROBLEM: Members at the church of Corinth are taking each other to court and suing each other before unbelieving judges. There are things wrong with this and it was scandalous to him. MM says think about how strange this is to our culture - you have a dispute with another member of the church and you let the church arbitrate that on Biblical principles. The number of people who would abide by this is less than the number of churches that would do this. DARE ANY OF YOU: Paul is upset because they had a chance to buy (GH: spiritual) merchandise that they were going to utilize forever in eternity. They could have taken the godly skills, put them into practice, the very things that they're going to be utilizing in eternity but instead they threw away that opportunity and turned the decision over to people who were going to make a decision according to the wisdom of this world. GO TO LAW BEFORE THE UNJUST, AND NOT BEFORE THE SAINTS: You guys at the local assembly have an argument or disagreement and instead of settling it among the saints, who are supposed to have godly widsom, you are going to lost people to settle your issues.
1 Corinthians 6:2-3	Eternal Vocation	Correction Context: People were having disputes in the assembly at Corinth and instead of depending on godly wisdom to sort that out, they were suing each other before the unjust/lost world and took them to court. Paul was saying you guys are supposed to have enough wisdom that one day you're going to judge the world and you can't solve these issues? Paul corrects them by means of grace. He talks about who they are and what they have in their salvation and what they should become in their everyday living. It seems like Paul is expecting some kind of objection, like, “Christians are not qualified to settle legal disputes.” Paul answers this with two reminders. Our 2 vocational roles to fulfill/Two-part vocation: MM is not saying this is the first thing you are doing to do. It's when your job gets going. There are some things you have to do before you can start doing your job: 1. v2: THE SAINTS SHALL JUDGE THE WORLD: We will have to oversee the work of getting the creature to respond to the earth and the earth to respond to the creature and we will do that as we “judge the world.” Does not mean that we are taking up Israel’s responsibility to rule and reign on the earth. It means that as we accomplish Ephesians 1:10, we will be making “judgments” to restore the connections between heaven and earth, thereby “gathering together in one all things in heaven and in earth.” Uses the word WORLD and not 'earth'. GH: Earth would tie to Israel and the Kingdom. Israel will be making decisions for the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:2-3	Eternal Vocation	1) JUDGE THE WORLD-1 Corinthians 6:2 - Normally, you see this and think of judging between right and wrong. Word JUDGE is where we are getting held up here. You are going to be making judgments that angels are going to be carrying out. You are going to decide, they are going to go do it in the heavens. (1) The saints will judge the world. By the way Paul says this, this is something the Corinthians should have already known. - We usually think of "judge" as in "to decide a verdict," but this time the word "judge" means to administrate over or rule over. Understanding this to be the proper meaning, some have drawn the erroneous conclusion that saints of this DoGG will return with the Lord at His 2nd Advent to rule with Him over the earth by being "on the earth." Don't RDW. This idea contradicts/violates Paul's clear message that our vocation will be in the HP. Don't have to be on the world to exercise some sort of jurisdiction in the world. EX Daniel & Nebuchadnezzar wandering in the fields. - We shall rule, from the heavenly places, over the earth, but not from the earth; we will do this from the HP. I can hear an objection: "But I thought Israel was supposed to rule over the nations." That is true. But that does not mean we do not rule over the world too, only in a different way. How so? In the same way that the heavens have always had influence over the earth. And just remember this, the final authority has always been in the heavenly realm which "outranks" the earthly realm.
1 Corinthians 6:2-3	Eternal Vocation	2. v3: WE SHALL JUDGE ANGELS: It will be our responsibility to make it so that the creature can respond within itself to its various parts and we will accomplish that as we "judge angels." When Paul talks in Romans 8:22 about our "delivering the creature from the bondage of corruption," this is what he is talking about. We are God's provision not only to repossess the heavenly places, not only to take up positions of authority in them, but to also put things right between the heavens and the earth. It will be our job to fix that broken connection between them. This is what we are doing as we "judge angels" and "judge the world." 2) JUDGE ANGELS-1 Corinthians 6:3 - restoration of things in the heavens - First thing you are going to do is you're going to restore the creature's ability to respond to all of its parts. Any physical body needs to be able to interact with all of its parts. Your body works in concert for even the smallest things. You could blow up the world and the rest of the universe would not be effected. When your appendix is about to rupture, your body knows. Even your soul and spirit respond to that. You've got stuff going on up here (MM pointing to his head). Because the creature has been made subject to vanity, it doesn't have the ability to respond like a body. There is no life going on up there. You don't see it working in concert with itself. It will be our responsibility to make it so that the creature can respond within itself to its various parts and we will accomplish that as we "judge angels." We oversee the work of getting the creature to respond to the earth and the earth to respond to the creature and we will do that as we "judge the world."

1 Corinthians 6:2-3	Eternal Vocation	(2) The saints shall judge angels. Some have taken the word "judge" to mean as to hand down a sentence, so they think we will be involved in the final judgment of wicked men and wicked angels. MM does not think this is correct. So, what does Paul refer to? - We shall judge angels in the sense that we will send them/dispatch them to where they need to go to take care of certain issues, and we will settle issues in areas that angels are unsure how to handle. MM says there is no sound doctrine operating in the inner man of an angel. Angels do not have sound doctrine in their inner man as we do. The angels do not understand the "deep things of God." If we are going to be ruling or administrating over angels, we're going to do that from the standpoint of the mystery and those things that angels cannot do. We will handle those things that they do not know how to handle. This is going to require an education from our Father in the word. You are going to have to learn it and go through this process. DoFT: The body of Christ will be using mystery doctrine to determine where to send angels and to settle matters which they are unsure how to handle. Think of this as a similar principle to how the judges were set up to rule over Israel in Exodus 18:25-26. We are going to be involved in those kinds of judgments concerning the world and angels, surely the saints of the body of Christ can judge matters that come up between believers in the local assemblies. Especially since these are temporal matters and nothing to be compared with the eternal matters we will be involved in, in the future.
1 Corinthians 6:2-3	Eternal Vocation	Your Sonship education will enable you to make decisions about these very things. - You will know the order in which things need to happen. - You will understand what the final goal is and you will know what steps need to be taken in order to reach that goal. - You will understand the layout of the heavens with relation to the earth. - You will understand how your Father intends to carry on His Business through the various paths and ways. And because of that understanding, you will know exactly what to do. Your decision-making skills, subtilty, you will understand the finer points of your Heavenly Father's Business.
1 Corinthians 6:2-3	Eternal Vocation / GH: SIIP Verse	Paul mentions both realms - THE WORLD and ANGELS - the earthly realm and the heavenly realm. You are not Israel, but you are involved in both realms.

1 Corinthians 6:2	Eternal Vocation	2 Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters? You are unworthy to judge the smallest matters so you guys are going to court over these little things. MM says you have to put these (GH: Sonship) skills to work at some point. SAINTS SHALL JUDGE THE WORLD: Doesn't mean you are going to be here on this world, there's something in particular that you're going to have control over that does impact the world. Part of your position in the heavenly places. Most people say, the rebuke is, you don't take a Christian brother to court. What the real rebuke here is you guys don't have enough godly wisdom to solve your problems but you have to go to those who have the wisdom of this world. You are going to a competing wisdom to get your solution. I am giving you something superior to that. JUDGE THE WORLD: Bible defines WORLD in more than one way. God is saying if you are going to run My Business, and you can't do this? What's wrong with you? JUDGE: Not banging the gavel on the desk and saying 'guilty!'. He is talking JUDGE as the Bible uses the word - to rule over and orchestrate and send them out to do things. WORLD: MM says WORLD gets used in different ways in your Bible. * Sometimes, talking about the planet, the earth. * Other times, talking about the age you are living in. EX UNPARDONABLE SIN...THIS WORLD AND THE WORLD TO COME (Kingdom). * WORLD is qualified by angels and so they are talking about the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:3	Eternal Vocation / GH: PoA verse	3 Know ye not that we shall judge angels? how much more things that pertain to this life? There are processes that the angels are involved in up there. When you get installed in the heavenly places and Paul says in Corinthians, KNOW YE NOT YE SHALL JUDGE ANGELS? Angels are actually going to be assigned to you to carry out duties as we're reconciling the heavenly places back to God. The only ones that can do that of course are those that understand how the process works. WE SHALL JUDGE ANGELS: He is not talking about things that pertain to this life, he is talking about the one to come. Remember, the Bible uses words in more than one way. He is not talking about sitting behind a desk with a wig on and looking at an angel and say guilty, I'm the judge. You are going to be given instructions and coordinating and overseeing their labor. Why would he bring this up other than another example of if you are going to be doing a big thing, why can't you solve these little things? That point was made already. Point: To sit on a throne is to have the ability to make wise judgments. You are expected to be able to make wise judgments. It is through Paul's epistles that we have godly wisdom installed in us so we can make godly judgments. JUDGE ANGELS: To administrate over or command. You are going to orchestrate and organize the military of God's angels for the encounter in Revelation 12. You can get involved. You have liberty to do so. MM uses the analogy of someone who loved being in the field so much that their administrative job they were supposed to be doing GH: lacked. The company loses focus and become chaotic. Somebody has to oversee every war. Somebody has to strategize and put it together. Because your wisdom is going to exceed their wisdom. The angels will work for you forever. You are going to orchestrate angels to go out and conduct a military campaign throughout the entire universe and every single one of those (GH: fallen) angels is going to get hunted down, found, and cast down to the earth. Talking about administrating over them, making wise judgment decisions, and dispensing angels for those tasks.
1 Corinthians 6:3	Eternal Vocation / GH: PoA verse	3 Know ye not that we shall judge angels? how much more things that pertain to this life? JUDGE: Not sitting behind a desk with a gavel and going guilty or not guilty. Judging in the Bible has to do with making judgments - that's the root word. Remember the 4 judgmental decision making skills. You are going to be making judgments that angels are going to be carrying out. You are going to decide, they are going to go do it in the heavens. HOW MUCH MORE THINGS THAT PERTAIN TO THIS LIFE: If you can do these two things - judge the world and judge angels - you can solve anything that you run into here with those 4 decision making skills. Those are the skills used to judge the world and angels. For those educated in godliness - to think about things like He does, to do things His way, to live like Him, so they can actually labor with Him without Him having to look over their shoulder. For these people, the Bible says you will JUDGE ANGELS. You will be commanding angels to get things done and you will be overseeing that work. One of the first things you will do is to deliver the creature from the BONDAGE OF CORRUPTION-Romans 8:21. Creature doesn't look like a creature because it was made subject to vanity, it was emptied out. You know Who did it and when it was done and why it was done. You are going to fix that. Delivering the creature from the bondage of corruption is a task for adopted sons who have been educated in this godly edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:4		4 If then ye have judgments of things pertaining to this life, set them to judge who are least esteemed in the church. SET THEM TO JUDGE WHO ARE LEAST ESTEEMED IN THE CHURCH: There are a lot of different ideas about v4. - To emphasize just how inconsequential the things of this life are compared to judging the world and judging angels, so he says to appoint them who are the least esteemed in the church to judge these matters. Just have the LEAST ESTEEMED handle these. - Paul is being sarcastic. - Paul is saying to pick the most humble person in the church and let them judge these matters. - The church members lack the courage to judge in these matters because they are worried about their reputations. Since anyone can do the job, appoint the least esteemed to do it, since the rest of you are too afraid to make unpopular decisions. - Since the “least esteemed” in the church are unbelievers, Paul is asking them why they are putting unbelievers in charge of these matters because they shouldn’t be.
1 Corinthians 6:4		4 If then ye have judgments of things pertaining to this life, set them to judge who are least esteemed in the church. SET THEM TO JUDGE WHO ARE LEAST ESTEEMED IN THE CHURCH (cont'd): MM doesn't think it is any of these. He believes the ones who are LEAST ESTEEMED in the assembly are the ones who respect and follow Paul. They had gotten this far off track. There was a remnant within the church that still followed Paul and understood his doctrine and wanted to know what he had to say about things because they were going to follow their apostle. MM thinks they became the LEAST ESTEEMED in the church at Corinth. Might include THE HOUSE OF CHLOE-1 Corinthians 1:11-these people were faithful and loyal to Paul and when things were falling apart at Corinth, they were the ones that wrote Paul and said, hey, you need to get involved in this. LEAST ESTEEMED because they ratted on them. If you want to settle these matters, appoint them. These LEAST ESTEEMED also have the most wisdom and the only ones qualified to do this. This is what qualifies them to judge these matters between brethren. In fact they are probably the only ones qualified to judge these matters. If you want to settle these matters, appoint them because they will settle these matters from a scriptural principle and not from their own thinking.

1 Corinthians 6:5		5 I speak to your shame. Is it so, that there is not a wise man among you? no, not one that shall be able to judge between his brethren? Why he asks is there not a WISE MAN among you? MM admits this doesn't sound very graceful. Paul is pressing them to the godly resolution of their problem by means of grace. He appeals to them on the basis of who they actually are, and then shows them their actions which are in contradiction to their true identity in Christ. Paul is basically asking, "Is there no one among you living out of their identity in Christ?" Saying - "Isn't there someone among you who has enough wisdom to figure this thing out? Is there anyone in your whole assembly who can work out these disputes among you? Is there not one person in your church who has any wisdom? Shame on you guys! For a church that prides itself on wisdom, you don't seem to have very much." IS IT SO: A question. There SHOULD be a WISE MAN in their midst. I SPEAK TO YOUR SHAME: GH: You should be embarassed of yourselves, that you don't have someone this far along in the curriculum. IS THERE NOT A WISE MAN AMONG YOU: You don't have a LEVEL 2 son in your assembly? When you do this, you are putting into practice the very skills that you will use out there in the creature. The real rebuke here is not about going to the lost courts, the real rebuke is you guys are supposed to have wisdom that exceeds theirs and you don't. There's a need for an assembly to move through the curriculum and Paul is rebuking them for not taking that up.
1 Corinthians 6:5		5 I speak to your shame. Is it so, that there is not a wise man among you? no, not one that shall be able to judge between his brethren? NOT A WISE MAN AMONG YOU: You don't have anyone that far along in the curriculum? The Corinthians prided themselves on wisdom. Paul says you guys that make your living on wisdom, you don't seem to have very much because you can't even sort out these matters between brethren. WISE MAN: 3rd level of Sonship. Has: 1. 4 decision making skills 2. SUBTILTY 3. KNOWLEDGE AND DISCRETION. If God says this, what would He say about an assembly that didn't even have a SIMPLE SON? Easy test - ask them the 4 decision-making skills that enable you to be a SIMPLE SON. How many churches in America possess a SIMPLE SON? Now you know how God feels about those assemblies. MM thought all the years he pastored churches without a SIMPLE SON - what was God thinking about that? Churches are so busy puffing their chests and thinking how good they are doing, God had a different measuring stick for all of that. There is one thing God is asking the church to do and that is GH: take people through the Sonship levels. NO, NOT ONE THAT SHALL BE ABLE TO JUDGE BETWEEN HIS BRETHREN: Next question. Again, he is appealing to where they should be in their edification and exhorting them to handle it like that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:6-10	GH: Self-Deception: The man who tries to live his life (solve his problems) the way the world does has deceived himself	6 But brother goeth to law with brother, and that before the unbelievers. 7 Now therefore there is utterly a fault among you, because ye go to law one with another. Why do ye not rather take wrong? why do ye not rather suffer yourselves to be defrauded? 8 Nay, ye do wrong, and defraud, and that your brethren. 9 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, 10 Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.
1 Corinthians 6:6-8		Talking to those that are suing. You're doing wrong because you're trying to defraud. Paul is saying it is better to allow yourself to be defrauded than to take a brother to court over this thing between you two.
1 Corinthians 6:7		7 Now therefore there is utterly a fault among you, because ye go to law one with another. Why do ye not rather take wrong? why do ye not rather suffer yourselves to be defrauded? SUFFER YOURSELVES TO BE DEFRAUDED: Something you do for yourself(privately).
1 Corinthians 6:9-11		Passage is misinterpreted as if you do these things as a believer, you aren't going to heaven. Paul is not talking about being saved/JUEL here, he is talking about their identity. MM says some people would look at this and say they are going to hell. Paul is taking the opportunity to say doing these things is hypocritical - acting different than who you are/have been made to be in Christ. Not trying to give people a license to sin but Paul spent Romans 1-5 explaining that JUEL is by faith by grace and there is nothing you can do to undo it.
1 Corinthians 6:9-10		KINGDOM OF GOD...KINGDOM OF GOD: MM teaching the parts of the HEIR OF GOD-Romans 8:17 inheritance. Who will inherit this kingdom? The righteous. Not a list of if you are guilty of any of these things, you're not going to heaven: - 5 sexual sins - 3 material items - 2 have to do with bad character He is not saying if you do any of these things, you are not going to heaven. Have to understand who you are in Christ - it determined if you go, not what you do. These are people who are still in Adam. They are not righteous, they are not holy, they are not sons & daughters of God. These are the people you want to settle your issues? You really have that much respect for them.

1 Corinthians 6:9		9 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, KNOW YE NOT THAT THE UNRIGHTEOUSNESS SHALL NOT INHERIT THE KINGDOM OF GOD: Unrighteous are NOT a child of God and will NOT inherit a citizenship in Christ's kingdom (HEIR OF GOD inheritance). THE UNRIGHTEOUSNESS SHALL NOT INHERIT THE KINGDOM OF GOD: These are people who have never been JUEL. UNRIGHTEOUS: These are members who are not saved and not RIGHTEOUS. Not talking about their behavior, talking about their identity. If unrighteous, you are not saved.
1 Corinthians 6:11		11 And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God. The Corinthians were doing everything wrong - they can't think right, they can't live right, and they can't labor with God. But you are still WASHED, SANCTIFIED, JUSTIFIED. That's their identity in Christ. That's their position before God, not about their behavior. AND SUCH WERE SOME OF YOU: How they were before they were saved and trusted Christ. No one is losing their salvation in Corinth. WERE SOME OF YOU: Still doing it but that is not who they are anymore so quit acting that way.

1 Corinthians 6:12-13		Paul has liberty in Christ, he can do any thing he wants but not everything is beneficial so he uses his liberty wisely.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. GH: MM tying this to Romans 14 and godly equity and our edification. ALL THINGS ARE LAWFUL UNTO ME, BUT NOT ALL THINGS ARE EXPEDIENT: Paul is saying you have the liberty to do some things but all those things you have liberty to do aren't necessarily the things you ought to be doing. You have the liberty to do them and you can. Spiritual maturity is not found in the exercise of our liberty to do those things which are not expedient. ALL THINGS ARE LAWFUL UNTO ME: Paul is quoting the 'Corinthians slogan'. MM doesn't think Paul is the one saying this. Paul quotes it 4x in 1 Corinthians. Thinks this phrase was in the letter from Corinthians sent to Paul. Not saying that he can sin now or that it is impossible for him to sin or committing sin is OK. There is nothing you can do to 'unsave' you. It is possible for a saved person to commit sin. Paul is not talking about sinful things, talking about all the things that fall into this area. He is talking about their liberty in Christ. Paul knows that he can do whatever he wants, and it will not affect his salvation. But he cannot do what he wants and be conformed to the image of God's Son. Our liberty in Christ is not a license to sin, but it supplies the freedom for Christ to live His life in us. It will be this issue which will be under review at the judgment seat of Christ (JSoC). Paul sort of quotes again in the same verse. MM says this was a saying amongst the Corinthians that represented the culture; a saying that was repeated. It's like Paul is saying, 'live and let live', you do your thing and I'll do mine. They say 'yeah!', and then he is going to correct them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. BUT ALL THINGS ARE NOT EXPEDIENT: There are a lot of things I can do, but they don't help me in my spiritual walk, they may even hinder me in my spiritual walk. But the thing I'm doing may not be sin. EX MM preparing for the lesson - he should be looking at the scripture and running references and putting the notes together. But instead, he binge watched a Netflix series. It's not sin to watch something on Netflix but was it beneficial to MM spiritually? No. Certainly not to the study. Point: We have liberty in Christ but if you are looking at your liberty like this you are looking at it the wrong way. The liberty is not going and doing as much such as you can do, it is what SHOULD I be doing. Paul knows he has liberty in Christ, he can do whatever he wants, but not everything is beneficial for him to engage in if he wants to be conformed to the image of God's Son. Paul knows that if he caters to his flesh, he will not attain unto the high calling of God in Christ Jesus. So he wants to live in way in which he uses his liberty wisely. MM ties to Philippians 3:14. Important to not use our liberty as an occasion to the flesh and only use our liberty in way that really benefits us instead of hampering our spiritual growth. If you allow your liberty to take you off track, you are not sinning against God but you are certainly not giving your best efforts ether. He is saying that there are some things we can do, and if we did, they wouldn't be sin, but they can 1) distract us from the more important things, or 2) they can outright hinder us in our spiritual walk. Paul corrects the first statement with BUT ALL THINGS ARE NOT EXPEDIENT. It means that even though the Corinthians believed ALL THINGS ARE LAWFUL FOR ME, Paul warns them that not everything is beneficial or even proper.
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. NOT EXPEDIENT: Saying that not everything he has the liberty to do will help our edification or the edification of the body. In fact, if it is not expedient, it actually provides an obstacle to edification. Yes, it is possible to have the liberty to do something which ultimately winds up stopping or damaging our edification. This is why we need discernment and not greedily and selfishly demand our liberty just because we have it. And this is another way we abuse our liberty in Christ. EXPEDIENT: Beneficial or suitable. It's proper, it's fit, it's right, it fulfills a purpose. - If you allow your liberty to take you off track, you are not sinning against God GH: but this is not the best thing. Can distract and hinder your spiritual walk. OED: II.2. Conducive to advantage in general, or to a definite purpose; fit, proper, or suitable to the circumstances of the case.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. EXPEDIENT (cont'd): Things you have liberty to do but are not healthy spiritually; although you are free in Christ to make that choice. Point: spirituality is not found in our liberty to do those things which do not edify. Sure, when we make choices, we can make the choice that is not sinful, but it doesn't edify either. If you make that choice enough, you will have neglected your own edification. People think they can exercise their liberty with no consequences, and that is not what Paul tells you. It is possible to engage in things that are not sinful behaviors but are just not EXPEDIENT, they don't edify and there is no real spiritual benefit to them. You have liberty to do this but if that is what you are constantly doing it's like eating food with empty calories - cotton candy for breakfast, ice cream for lunch, donuts for supper. You don't get a lot of nutrition. May taste good, be fun, but eventually, it's going to affect your health. You can use your liberty to do things that are not EXPEDIENT and don't edify and you haven't sinned against God, but eventually you will ruin your spiritual health because you will have neglected the important issue of edification. MM says people try to get as close to the line as they can get but that's really not what liberty is about. Don't neglect your own edification or the edification of others. We are supposed to look at liberty from the perspective of how it affects the people around us. You have liberty but if doing it is to the detriment of another saint, you curtail your liberty.
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. BUT I WILL NOT BE BROUGHT UNDER THE POWER OF ANY: When it comes to liberty, we want those things which commend themselves to our edification; things which are expedient. MM says if you are brought under the power of anything, it means you are engaging in something (not talking about godliness), some kind of behavior that you probably can't stop. MM not filling in the blank because it doesn't matter what fills in the blank. He is not just referring to bad things (such as those listed in v9-10 in this chapter), but he is including things like the law and the "good deeds" of the flesh. It means that you have developed a dependence upon something to the point that it is not likely that you can stop. Paul says that he is not going to allow himself to be controlled by or under the power of anything (other than the Lord). Means you are engaging in some type of behavior that you cannot stop. Because being BROUGHT UNDER THE POWER OF ANY, no matter how benign, is a stepping stone to a stronghold being erected in your soul and now you have a problem. Different than BUT ALL THINGS EDIFY NOT-1 Corinthians 10:23.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. Strongholds: - blind us to the truth - tell people and they do not recognize truth - people can't think logically anymore. MM says you see this everywhere - society in general, in religious conversations - blinds them to the truth. Tell them something that is absolutely true and they do not recognize it as true one bit. MM used to think people can't think logically anymore. - convinces us of the untruth of some lie that Satan is pushing in the world - BELIEVE A LIE...RECEIVE NOT THE LOVE OF THE TRUTH-2 Thessalonians 2:10. MM never believed we could get to the verse saying they will call good evil and evil good (Isiaiah 5:20) but here we are - implants his thoughts into our minds - he deceives us of the true nature of things (this isn't so bad, God doesn't exist, this life is more important than the one to come, etc.) - make decisions and come to conclusions that really aren't true EX Thinking life here is the most important thing. The best life is the one to come. This is the one you want to prepare for. - hinders our spiritual growth/convince us to quit our Sonship lives
1 Corinthians 6:12	GH: Godly Equity	12 All things are lawful unto me, but all things are not expedient: all things are lawful for me, but I will not be brought under the power of any. At some point they have opened a door in their life and because of that, they have opened the door for Satan to build a stronghold in their soul. When that happens, they can no longer recognize the truth. They absolutely defend and believe the lie and now they are ripe for Satan to plant thoughts in their minds. Satan wants to put thoughts into your mind that are consistent with what you really believe and how you're really behaving, because those are camouflaged to look like your thoughts. When someone gets to the point of thinking, 'the world would be better off without me', MM says that is not their thought. That thought comes from the adversary. The only reason that thought has any traction is because things are happening in their life that give an attachment to that thought to make it sound rational. BROUGHT UNDER THE POWER OF ANY is a pre-cursor to the stronghold.
1 Corinthians 6:13-20		Paul introduces the idea that the things we do in our body are important to God and there is a way to be godly. And there is a way to be fleshly. He's going to condemn the fleshly components and elevate the godly components.
1 Corinthians 6:13-14		Our body is not for the fulfillment of our fleshly appetites but for serving the Lord. The body is significant to God now because He wants the life of His Son manifested in it. The body is significant to God in the future, as he will raise it up at the Blessed Hope (BH) to be powerful, glorious, incorruptible and spiritual. Therefore, let us not defile ourselves with sins, such as fornication and instead yield the members of our bodies unto the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:13		13 Meats for the belly, and the belly for meats: but God shall destroy both it and them. Now the body is not for fornication, but for the Lord; and the Lord for the body. MEATS FOR THE BELLY AND THE BELLY FOR MEATS: Was probably a common saying/adage in Paul's day - talking about the gratification of appetite - eat, drink, and be merry. This was a philosophy which over-emphasized food or the gratification of appetite. We have heard the saying, “some eat to live, others live to eat” or "eat, drink, and be merry for tomorrow we die". That latter phrase seems to fit the Corinthians. They were self-indulgent in food and fornication. Paul is not advancing it because he turns right around and condemns it - GOD SHALL DESTROY BOTH IT AND THEM. BUT GOD SHALL DESTROY BOTH IT AND THEM: The “belly” is the natural appetite and the “meats” are the provision. God will destroy both of them so that in eternity, we will not have those fleshly appetites. That does not mean we will not eat in eternity, but it means that the flesh’s propensity for engaging in things which prove to be spiritually detrimental will be gone. The reason Paul talks about this is so that we can live right now consistent with our sanctified status in Christ. Means we don’t blindly engage our liberty to fulfillment of our flesh, but rather to the edification of others and ourselves.
1 Corinthians 6:13		13 Meats for the belly, and the belly for meats: but God shall destroy both it and them. Now the body is not for fornication, but for the Lord; and the Lord for the body. THE BODY IS NOT FOR FORNICATION, BUT FOR THE LORD; AND THE LORD FOR THE BODY: He flips it around and says this is the way you ought to be thinking about this. Our bodies are to be used to serve and glorify God - see THAT THE LIFE ALSO OF JESUS MIGHT BE MADE MANIFEST IN OUR BODY-1 Corinthians 4:10 (the goal). Controlling our appetites are not a work of our flesh and our will, but should/ought be a result our spiritual growth that is happening in our life, a result of Christ being made manifest in us. Means living in accordance with grace. Grace living means allowing the doctrine we have learned to effectually work to change us and to produce the life of Jesus in us. The things we do can then be Him doing them through us. The more conformed you are to Christ, the less you will be under the power of any other thing. Doesn't just change what you do, it changes what you want to do. MM says it is hard to get people to do things that they do not want to do. But grace has the ability to impact the desire and then it gives you the power to be able to do it as well. THE BODY IS NOT FOR FORNICATION: MM says in our culture today, you would have a hard time finding subscribers to this. Paul changes this around.
1 Corinthians 6:14		14 And God hath both raised up the Lord, and will also raise up us by his own power. The future resurrection of our body is as sure as the resurrection of Christ. It is the Blessed Hope-Titus 2:13.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:15-19		In the Corinthian assembly, fornication was a problem. Fornication is antithetical to who you have been made to be in Christ. Paul gives 3 reasons to FLEE FORNICATION-v18: 1) v15: We are putting our Savior to an open shame: Has to do with us behaving in connection with our new identity in Christ. Paul is telling us that we are the members of Christ, of Christ's body. That is who we are both individually (1 Corinthians 6) and corporately (1 Corinthians 3). MM ties to the Believing Remnant in Hebrews 6:6. We are His body, so whatever we allow in ourselves, we are allowing in connection with Christ. Meant to make us stop and think about the fact that we are no longer doing things on our own, but as members of His body, we are dragging Him right along with us in everything we do, the things we see, the things we say and the places we go. - SHALL I TAKE THEN THE MEMBERS OF CHRIST, AND MAKE THEM THE MEMBERS OF A HARLOT-v15: It shames our Savior. Whatever we are participating in, we are dragging Him along with us. We are making members of His body the members of a harlot. We are dragging our Savior along with that.
1 Corinthians 6:15-19		- MM says when people do things, they rarely think about the consequences of their actions, they just think about themselves. MM tying in Hebrews 6:6 GH: as a believer needing to recognize the consequences of their actions. Here, their engagement in fornication is actually joining the members of Christ to a harlot. Whatever we allow ourselves to participate in, we are dragging Him right along with us. *Pro Tip: Concentrate on building an awareness that God is present all the time. Be more aware of His presence in everything that you are doing and everything that you are saying. Conduct yourself like the Lord Jesus is sitting next to you in the car or standing beside you at a place of business GH: because He is. Take Him everywhere you go. This immediately puts him in a posture of talking to his heavenly Father. 2) v18: We are putting ourselves in bondage: According to Paul, the sin of fornication is the only sin which a man commits against his own body. Fornication leads to sexual bondage (a guy thinks if I get married it will fix this but it doesn't - his wife senses what is going on and she withdrawals and now he is really in a fix - leads to a lot of problems) and this is one of Satan’s primary ways of stunting your spiritual growth. When a man or woman fails morally, they have given ground in their soul to Satan. In all likelihood, this may have started even before you trusted Christ. Although those sins are under the blood and you will not lose your salvation, they will exact a heavy toll on your spiritual life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:15-19		- EVERY SIN THAT A MAN DOETH IS WITHOUT THE BODY; BUT HE THAT COMMITETH FORNICATION SINNETH AGAINST HIS OWN BODY-v18: We are putting ourselves in bondage when we do this. Fornication leads to sexual bondage. Steps to get out of this bondage: (1) Identify the first moral failure. First time you gave ground to Satan's control. This is where it started and you going to have to go back and look at what was happening in your life. Need to go before the Lord (this is what's happening to me, I'm kind of in bondage to this, I know it is not glorifying to You, I want to tear down this stronghold and clear all of this out of my life). Will be amazed at what comes into your mind. Allow Him to walk you through your life. Ask God's Spirit to reveal to you the first/initial time you violated God's moral law and began to give ground in your life/soul to Satan. This is so you can identify the original lie which you believed. Allow God to walk you through your life and acknowledge all the areas that He brings to your mind. (2) Once you identify what the lie is, then renounce that lie. Confess that these things are wrong, not so you can be forgiven (because you are already forgiven), but so that you realize they are part of Satan's ploy to destroy you spiritually and in other ways too. You are going to have to undo this. Renounce what Satan was telling you to make you think it was OK.
1 Corinthians 6:15-19		Understand that immorality produces a bond between people, especially on the female's part. This bond needs to be broken spiritually before it can be broken physically. If it isn't, there will be more failure in the future. - EX Woman that keeps going back to a man that treats her bad. Once they have that connection physically, she has bonded with him. You are going to have to break the spiritual bond before you can break the physical bond. (3) Announce the truth - the truth you find in God's word and that Satan has no spiritual authority over. Claim the spiritual authority that is yours in Christ; that you do not have to be subject to temptations or to Satan. You are seated in a position of authority at the right hand of Christ, above all of Satan's realm. (4) Identify the stronghold. When these thoughts come into your mind, don't think just because you did Step 1-3 that Satan won't try and re-tempt you. Take those thoughts captive to the obedience of Christ. You understand where they are from and how you are going to respond to them so you don't fall right back into that same place that you were. Acknowledge any strongholds that you see in your life and resolve to pull them down. When those thoughts come back into your mind, bring your thoughts into captivity to the obedience of Christ. Resist dwelling on them, fantasizing about them; but resist what Satan is trying to do in your mind, regain a foothold.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:15-19		(5) Make no provision for the flesh to fulfill the lusts thereof. Whatever you read or watch or see - you have to guard your mind on this - the conversations you have, the videos you watch, the things you read, whatever you are feeding your mental process - you have to stand guard against that. Resolve to guard your mind by refusing conversations, pictures, videos, books and thoughts that feed into the temptation. (6) Memorize the appropriate scriptures - putting your mind right back where it ought to be. And finally, identify scriptures that identify the truth that ties to the particular stronghold and memorize them to use in times of temptation. Fight the "fire" of temptation with the "water" of the word of truth. 3) Our body belongs to God: YOUR BODY IS THE TEMPLE OF THE HOLY GHOST-1 Corinthians 6:19. Don't use your body that belongs to God for your own purposes. When we sin we are defiling that place where God's Spirit lives. This is a sin you commit with your body and your body belongs to God. Your body is the temple of the Holy Ghost.
1 Corinthians 6:15-16		Paul picking up body thinking from Romans 6:13; 19. Fornication was a problem in the Corinthians assembly.
1 Corinthians 6:15		15 Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make them the members of an harlot? God forbid. KNOW YE NOT THAT YOUR BODIES ARE THE MEMBERS OF CHRIST: Question 1. Principle: Paul is telling us that we are the members of Christ. That is who we are both individually and corporately. SHALL I THEN TAKE THE MEMBERS OF CHRIST, AND MAKE THEM THE MEMBERS OF A HARLOT, GOD FORBID: Question 2. Application of the principle: Shall we join Christ to a prostitute? As Paul said, "God forbid." SHALL I TAKE THEN THE MEMBERS OF CHRIST, AND MAKE THEM THE MEMBERS OF A HARLOT: It shames our Savior. Whatever we are participating in, we are dragging Him along with us.
1 Corinthians 6:16-17		GH: Tying back to Romans 6:13; 6:19. We are members of Christ's body - both corporately and individually.
1 Corinthians 6:16		16 What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one flesh. SHALL BE ONE FLESH: Marriage terminology. The world looks at this differently, but the world is being run by the adversary who is leading the world down a path of misery and destruction.
1 Corinthians 6:17		17 But he that is joined unto the Lord is one spirit.
1 Corinthians 6:18		18 Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body. **Please see 'Definition : Fornication Consequences' in the Commentary.** Corinthians had a huge problem with this. They were doing carnal things that Paul had to correct.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 6:19	GH: Temple/Individuals	19 What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? Talking to the members individually. Contrast with talking to members corporately-1 Corinthians 3:16. God no longer dwells in temples made with hands, now it's you. It's not a physical brick and mortar building or wood building, now God has taken up residence IN us. This is different than the way it was in Israel's program where the temple was a building and God dwelled in that holy of holies. Paul's whole instruction here is to have the Corinthians glorify God in their body, by a monogamous (exclusive) relationship as husband and wife. Paul's admonition to glorify God in your body through a monogamous relationship.
1 Corinthians 6:20		20 For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's. Glorify God in all of that. FOR YE ARE BOUGHT WITH A PRICE: In the context that your body is the Temple of the Holy Spirit. You are bought with a price. BOUGHT WITH A PRICE: Christ's shed Blood and His Death on the Cross, the giving of His Life to pay for our sins. GLORIFY GOD IN YOUR BODY AND IN YOUR SPIRIT, WHICH ARE GOD'S: The Temple was God's house, the place where God manifested His presence. But now, God is not interested in a stone building, but He wants to live in a living temple; in us. Even though our body has not yet been redeemed, every part of us belongs to God, including our body. God's Spirit lives in our human spirit. MM tying to PRESENT OUR BODIES A LIVING SACRIFICE-Romans 12:1. GLORIFY GOD IN YOUR BODY: In your conduct or deeds or actions. In this monogamous relationship of husband and wife. GLORIFY IN YOUR SPIRIT: In your thinking.
1 Corinthians 7:1-40		First thing Paul does in Chapter 7 is talk about people who live a celibate life. Paul is a Jew and in the Jewish culture, there was a great emphasis on being married. There was even a saying that came out of it. There are 7 people that will not have eternal life and No. 1 was the man who was not married. No. 2 was the woman who has no children. There was this great oppressiveness on the single lifestyle and Paul uses the first 7-8 verses to talk to people who are single and he is going to say to them it is fine for you to not be married. If you don't understand the context, you will think Paul doesn't want anyone to get married. Paul answers questions from a letter they wrote him (we don't have that letter - wish we did - doesn't restate the question, he just answers it). Mostly Marriage. 1. Marriage 2. Meat offered to idols (GH: Ch 8-10) 3. Spiritual gifts (GH: Ch 12-14) Whatever situation you find yourself in, married to a believer, married to an unbeliever, married but your spouse passed away, not married/single, whatever it is, wherever you find yourself in that, wherever you are, when you get saved, whatever disposition you are in, just rest of the Lord in that position. Don't think that oh, I got saved, now I got to do this or do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:1-40		There are particulars here in 1st century Corinth that are not in play for us. CH's overriding principle - it doesn't matter. You don't have to do one or the other, you have the freedom to do whatever you want. Takeaway/Application: There is nothing physical that you are going to be doing that is actually now going to enhance your relationship with the Lord.
1 Corinthians 7:1-7		Paul talks about the responsibilities that married couples have toward each other.
1 Corinthians 7:1		1 Now concerning the things whereof ye wrote unto me: It is good for a man not to touch a woman. Paul begins to answer questions about several different issues, the first one being that of marriage. NOT TO TOUCH A WOMAN: Not saying you can't shake hands or touch a woman, this is referring to sexual intimacy outside of marriage. Paul is going to make the point that married people should not have sexual relations with anyone outside of the marriage. Most commentators think Paul is going on a commentary of the single lifestyle/single men and he is telling them not to commit fornication, but he just spent the better part of Chapter 6 doing this and doesn't think this is a repeat. MM believes Paul is talking about married couples. In Corinth, there were the temple of Aprodite and they had 1,000 prostitutes who raised money for the temple. MM thinks some were playing both sides of the fence. Believed in Jesus but went to the temple. This immorality was socially acceptable in Corinth. Paul is referring to sexual intimacy outside of marriage. Need to leave that alone.
1 Corinthians 7:2		2 Nevertheless, to avoid fornication, let every man have his own wife, and let every woman have her own husband. Paul is talking about sexual intimacy only being allowed by God within the marriage relationship. Normal way of looking at this verse is 'if you can't contain yourself/your passions, then get married.' MM disagrees. Two reasons: 1. Paul is not telling men to get married if they can't control their lusts or to solve a lust problem: that is a terrible reason for getting married. Not fixing the lust problem, bringing the problem into the marriage. His wife will sense this and withdraw from him and now he will become more frustrated. 2. Look at the terminology - let every man have his own wife, and let every woman have her own husband. Sounds like a married couple. Don't get out the confines of the marriage.
1 Corinthians 7:3-5		Paul will talk about the responsibility that each partner in the marriage has toward their spouse with regard to the physical relationship in marriage. The conjugal relationship within a marriage is meant to be a pleasure and a joy, but it is also a responsibility to be committed to one another and please one another in this relationship. Marriage was a big deal to Paul because he understood about what marriage was going to do. Think Purposes of Marriage No. 6-marriage is a picture of the relationship between Christ and the church (Paul covers in Ephesians 5:22-33). Husbands and wives are supposed to be in a marriage relationship to please one another in every area of the relationship. But also, and this is what is in Paul's mind, marriage is a big deal and it needs to done right because it is a picture of the relationship of Christ and the church! That means the man will be striving to love his wife as Christ loved the church, and the wife will behave toward her husband as the church toward Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:3		3 Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband. In the strict context of the passage, both the husband and the wife have a conjugal responsibility to each other. The immediate context is in the physical relationship of the marriage, but MM says this goes beyond that. DUE BENEVOLENCE: This is another indication of Paul trying to be delicate as he deals with a very personal issue. Paul means affection/kindness/tenderness. This is because it is easy to become offensive and depending on who he is writing to, this could be a sensitive area of their life. Paul will still not pull punches on what the truth is but the way he is going to say it is very appropriate. Most writers on this subject at the time were pretty course. For the husband, this affection includes sexual intimacy, but it is not restricted to that alone. As a reminder of the sacredness of their vows that in every respect they belong to each other, and therefore have a debt of conduct toward each other. Husbands, render to your wives the affection and kindness that you owe them (not based on their deservedness, but based on our responsibility as the husband.).
1 Corinthians 7:3		3 Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband. DUE BENEVOLENCE (cont'd): For the husband, this affection has to be in place before the physical intimacy because she has to be convinced of it. MM thinks Paul says DUE BENEVOLENCE because when you get married there is something that each partner in the relationship owes to the other one. Husbands are supposed to give their wives affection that they deserve, even if they don't deserve it. And wives, also toward their husbands, even when they don't deserve it. We do it because that's the commitment that we make when we enter into the relationship. Paul enlarges on the husband and the wife both having a conjugal responsibility to each other from v3. Paul may have been giving this instruction in response to the idea that was promoted by the philosophers of his day and pushing back on it, that there was some kind of special virtue and merit to couples living separate from each other, and behaving as though they are single. Were promoting this idea that for married couples, if you really wanted to be spiritual, you should remove yourself from any physical union with your spouse and conduct yourself like a single person.
1 Corinthians 7:3		3 Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband. DUE BENEVOLENCE (cont'd): Philosophers such as Lycurgus, Thales, Antiphanes and Socrates thought that, considering “the intractable (stubborn, obstinate) tempers of women, and how troublesome and fraught with danger was the education of children,” it is wise not to get married. Many philosophers who allowed marriage, considered it to be “a necessary evil.” Either dissolve it or remove yourself from it. MM believes there were members at the church at Corinth who were doing this and they were doing this because they believed that this would make the marriage holy. Means they were refraining from any kind of physical relationship within the marriage but Paul is going to say that's not making your marriage holy. This is actually setting your marriage up for failure and he is going to explain why.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:4		4 The wife hath not power of her own body, but the husband: and likewise also the husband hath not power of his own body, but the wife. Some scholars believe that in Corinth, there were people who believed that acting single within a marriage was holy. They thought that refraining from sexual relations within the marriage was somehow holier than if you enjoyed the marriage relationship. Instead of being holy, it was actually setting their spouse up for temptation. Because, even in that act of coming together, it can be a godly expression of love and gratefulness for your spouse; that is perfectly in union with what God created for a husband and wife, so that even then, prayer and spiritual work can continue. But, that is up to each couple.
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. Paul only mentions fasting once but doesn't exhort you. Paul never tells you to do it. DEFRAUD YET NOT ONE THE OTHER: Withholding that intimacy. When a spouse were to deprive the other of the intimacy of marriage, doesn't matter whether it's a man or woman, Paul calls it DEFRAUDING one another. For Paul this is an important thing. He is giving you a reason to step away from this relationship and there's 3 criteria to it. - EXCEPT IT BE WITH CONSENT FOR A TIME..GIVE YOURSELVES TO FASTING AND PRAYER: Paul gives 3 parameters/conditions for the proper withholding of sexual intimacy within marriage. 1) EXCEPT IT BE WITH CONSENT: It is with consent. Let’s (husband and wife) sit down and talk about this and agree on abstaining from physical intimacy. 2) FOR A TIME: For a time. Let’s agree on the time frame, when this will begin and when this will end.
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. 3) GIVE YOURSELVES TO FASTING AND PRAYER: For fasting and prayer. The reason for withholding sexual intimacy is not because “I’m mad at you,” but because we are giving ourselves to prayer and fasting. Prayer is something we should always do, but fasting is something that we might occasionally do for certain reasons. Typically, a person will fast for a short period of time, a few days usually. So, you consent together and agree (1), you establish a time period/duration - start/stop (2), and then it's for the purpose of fasting and prayer. Paul is saying you could make an exception for this reason, but you don't have to. It's not a rule. It's not a commandment. So as a result he speaks this by PERMISSION-v6. You could or you couldn't do this. FASTING AND PRAYER: People pray all the time. Why FASTING AND PRAYER? Why would Paul say your can interrupt that physical relationship for a while but it would need to be with these components in place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. FASTING: Fasting is usually refraining from food for health reasons - this is not what he is talking about here. Talking about paying attention to the spiritual part of your life that you need to totally focus on. So instead of stopping to go fix a meal and eat, I'm going to stay focused on whatever spiritual activity I'm engaged in. But it also means I'm not going to go watch TV. Still watching TV kind of defeats the whole idea of FASTING AND PRAYER. It means you are letting go of the physical and putting both hands on the spiritual. EX Find the verses that apply to your situation and memorize at least one of them so you don't have to open up your Bible and look at it. Every time he wants to think about it, he memorizes it so his subconscious can work on it all day long. Then it will be the last thing he looks at and prays about before he goes to bed because your subconscious is working all night long. Many times, it will be the first thing he looks at in the morning to keep the process continuing. The Bible is not saying you have to do this for 3 days - FOR A TIME means whatever you decide. Again, not talking about intermittent fasting for health purposes.
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. FASTING (cont'd): Talking about letting go of the physical, getting super involved with the spiritual, and letting yourself be transformed by the doctrine. The spiritual thing can be the marriage relationship. This is putting both hands on the spiritual for a while. The kind of fasting Paul is talking about is, in essence, the letting go of the physical in order to concentrate on the spiritual without distraction. Ordinarily, we live every day with one hand on each; the physical and spiritual. Normally, we get up, get a cup of coffee, go to school or work, doing chores around the house, watching a ball game - doing things all during the day,. It's just the processes of life. And we have the other hand in the spiritual where we have fellowship with God, we're praying to Him, we're looking at scripture so that it effectually works in us to transform us and conform us to the image of His Son. Every once and a while, something will happen where we need to focus on the spiritual. But, there are times, when we need to devote our full time and attention to the spiritual, so we let go of the physical (we stop eating, we don't watch TV, we turn off our phone, we don't invite folks over, we don't mow the lawn, we don't go to work, we don't pay our bills, we don't schedule doctor's appointments, we don't play games with the kids, we don't go to the movies, etc.) and we take hold of the spiritual (with both hands), by spending time in God's word, praying constantly through the process, and focusing solely on those spiritual things to which we are attending.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. COME TOGETHER AGAIN: Means to resume the physical relationship. THAT SATAN TEMPT YOU NOT FOR YOUR INCONTINENCY: So that Satan does not tempt you for your lack of self control. Make sure we don't present ourselves with a problem here, that Satan is tempting someone to violate the sanctity of their marriage. When you exchange those vows and when you get married, your body belongs to your spouse. In a marriage, neither of you own yourselves any more. You are to serve your spouse and be sensitive to their needs. Sex is not a weapon to fight with; it is a tool to build the relationship with. It is totally unscriptural, and ungodly, for either spouse to use lack of sexual intimacy as a punishment to their spouse, or as a bargaining chip for something they want. When you married that person, this is the commitment that God expected you to make. If you were not willing to make that commitment, if might have been better for you to not have entered in the marriage in the first place.
1 Corinthians 7:5		5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. If you say I didn't know you need to make the commitment now. You are to serve your spouse and be sensitive to their needs. It is totally unscriptural and ungodly for either spouse to use a lack of physical intimacy as a weapon to punish their spouse or to manipulate them into doing the things they want them to do. That is not God's way. Everything Paul is going to say about that is going to work just the opposite. Paul says I don't want you to get in a position where you lack of self-control will now get you in trouble with your marriage. INCONTINENCY: Lack of self control.
1 Corinthians 7:6		6 But I speak this by permission, and not of commandment. I SPEAK THIS BY PERMISSION: This is not part of what the Spirit was inspiring him to say, but he did have permission from Christ to say it. MM believes Paul is fully aware about what God tends to communicate through him. PERMISSION: Talking about what he said in the first half of v5. Paul received permission from Christ to put this in. This isn't Paul just adding his footnote. He gets permission from the Lord. Lends itself to the idea that Paul knows what the Lord is trying to communicate through him. Covered in 1 Corinthians 2:6-16. Paul is not saying that part of you defrauding each other, that's by permission. No, that's the commandment part. This is why you can trust Paul, because he is not pretending that every single thing he jotted down here is precisely from the Lord. When he says something like this, he tells you. But understand if Paul writes it by permission and Christ gave him the OK to do it, you should look at it as the word of God because it's in the word of God. You can't all of a sudden introduce fallacy into your Bible because Paul has said something out of his apostolic authority.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:6		6 But I speak this by permission, and not of commandment. THIS: Not talking about defrauding one another and he is not talking about the husbands and wives not having power over their own bodies. He is talking about what he said in the first half of v5 the temporary interruption of normal marriage intimacy for the purposes of prayer and fasting. That is what he spoke by permission. AND NOT OF COMMANDMENT: Saying that this is not part of what the Spirit was inspiring him to say, but he did have permission from Christ to say it.
1 Corinthians 7:7		7 For I would that all men were even as I myself. But every man hath his proper gift of God, one after this manner, and another after that. I WOULD THAT ALL MEN WERE EVEN AS I MYSELF: Not talking about being celibate or being single. MM says most of the commentators think this but this would be problematic if so. He is still in the context of marriage/marriage relationship. He is talking about the "gift" of continence, which he had. In other words, his desire is that men might not be in any danger from Satan's temptations that whether married or single, that they might be more fit for and pursue the service of Christ. He is single when he says this but he can't be saying, 'I wish every man was single' because the population would die out unless it sinned against God. Paul is saying whether you are married or single, I wish you understood how to have self-control. Talking about the gift of continency. EVERY MAN HATH HIS PROPER GIFT OF GOD: Paul is going to say that if you can stay single, and keep temptations at bay, it is a "gift of God." He will also say, that if you need to be married, that also is a "gift." And we will explain this a little further down in the passage. The problem is not singleness. But it is a problem to be married and act like you are single or to be single and act like you are married. MM thinks it is possible to have both gifts - possible to be completely happy and satisfied in marriage and then it is also possible to be completely happy living as a single. POINT: Even though marriage is a divine institution, it is not bad, it is not evil, if you remain single. It is not the norm, but it isn't evil either. So, Paul says that celibacy is a good lifestyle, if you can remain unmarried without falling into sin and suffering the spiritual consequences that come from that. Paul is not saying one is bad and the other is good.
1 Corinthians 7:7		7 For I would that all men were even as I myself. But every man hath his proper gift of God, one after this manner, and another after that. GIFT: MM doesn't think GIFT as in the supernatural gifts of the Spirit where God is putting one or the other on you because MM thinks Paul had both, when he was married and now single. ONE AFTER THIS MANNER: He is single. AND ANOTHER AFTER THAT: He is married.
1 Corinthians 7:8-9		Paul talks about what if you lose a spouse? Would be good to do like him and concentrate on your relationship with God. Paul is giving permission to the widows and widowers to remarry even though he thinks it is better for them to remain single. MM doesn't think this means if you cannot contain lustful thoughts than get married because that's a terrible reason to get married.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:8		8 I say therefore to the unmarried and widows, it is good for them if they abide even as I. In v1-7, Paul is talking to couples. Now in v8, he is talking to people who have lost a spouse. At this time, it seems obvious that Paul was unmarried, as he has the "gift" of celibacy. UNMARRIED: Widowers - because if you were just talking about unmarried in general, he didn't need to say WIDOWS. They would have already been under that umbrella. IT IS GOOD FOR THEM IF THEY ABIDE EVEN AS I: It is good if they remain a widower. He is not saying you can't get remarried. He says this in v9. This is the verse that makes MM think that Paul lost his wife. MM says he must have lost her early because when he writes Corinthians, it is still 24 years till the day he is beheaded. And he is not creeping around, he is traveling everywhere in those 24 years so MM doesn't think he is super old. MM thinks this is a give away to the condition that Paul is in - widower. ABIDE EVEN AS I: Indication that Paul may have been a widower.
1 Corinthians 7:9		9 But if they cannot contain, let them marry: for it is better to marry than to burn. Paul is giving permission for widowers and widows to remarry. Those that used to be married but have lost their spouse. Many commentators use this verse to advise all unmarried people who are "burning" with passion to get married. Not only is that a terrible reason for anyone to get married, but it is also an incorrect use of the verse. No one should get married to satisfy their lusts. The correct interpretation is to understand that Paul is talking to widowers (unmarried) and widows who have already legitimately enjoyed the pleasures of sexual love, and since their spouse has died, they are eligible to remarry. BURN: The passion to be remarried.
1 Corinthians 7:10-?		Paul talks about what if a believer is married to an unbeliever.
1 Corinthians 7:10-11		Christian marriages: The Lord is permitting, but not commanding, separation, with a view toward reconciliation. Some preachers say it doesn't matter, you are supposed to stay in there and take it. MM disagrees. These verses make it absolutely clear that there is a time when a woman might depart from that relationship. The intention needs to be that eventually she'll be reconciled to her husband. But that needs to be when he earns it. A separation sometimes needs to take place for the safety of the spouse or children. MM would be the first to admit that this society looks at divine institutions like disposable cups that they can just toss away on a whim. We've swung the pendulum too far that way. However, in an attempt to honor the Bible. some preachers become inflexible in how they do things.
1 Corinthians 7:10		10 And unto the married I command, yet not I, but the Lord, Let not the wife depart from her husband: Not everyone agrees with MM on this and Paul doesn't give any details on it, but MM thinks Paul understands there are some circumstances in which a separation between a husband and wife is appropriate. Discussed in Sonship Transformation, if either party, usually the woman, would find themselves in an abusive relationship here, GH: then separation is appropriate. YET NOT I, BUT THE LORD: See he makes it clear he is changing back. This isn't him talking, this is the Lord talking.
1 Corinthians 7:11		11 But and if she depart, let her remain unmarried or be reconciled to her husband: and let not the husband put away his wife.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:12-14		Paul is talking about a marriage with a believer and a non-believer. Considering Paul's exhortation for a believer not to be unequally yoked with an unbeliever (in all kinds of ways, marriage included) how then can this come to pass? It may be that two unbelievers get married, and what sometimes happens is that one of them becomes a believer in Jesus Christ. This gives rise to the question about whether a believing spouse should stay with an unbelieving spouse. First of all, understand that Paul is writing to the believing spouse, not to the unbelieving spouse. If the believer is pleased to dwell with the unbeliever, then you just continue on. Paul is talking to the believer. He never gives any instruction to the unbelievers. What the believer does is based on how the unbeliever feels about that. So if the unbeliever says, I don't like this Jesus stuff and don't want to be involved in that, I'm going to hit the road, he gives instructions on that. But if you want to stay with it, do it. Mixed marriages - a believer and an unbeliever. Point: Husbands and wives of unbelievers should remain with their unsaved partners. Both Paul's opinion and the word of God. The personal thoughts which Paul records are the word of God. Paul is distinguishing between those things which were specifically revealed to him by Christ as opposed to the things he writes with apostolic authority.
1 Corinthians 7:12-13		If you have a believer and an unbeliever in a marriage, don't let the believer be the one to walk away from that. Believing husbands and wives should remain with their unbelieving partners.
1 Corinthians 7:12		12 But to the rest speak I, not the Lord: If any brother hath a wife that believeth not, and she be pleased to dwell with him, let him not put her away. BUT TO THE REST SPEAK I, NOT THE LORD: See the switch again. Paul is pretty honest about this and MM appreciates that. Remarkable candor. Means v12-14 are both Paul's opinion AND the word of God. BROTHER: A believer - a brother in Christ.
1 Corinthians 7:13		13 And the woman which hath an husband that believeth not, and if he be pleased to dwell with her, let her not leave him.
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. MM says this is one of the most complex verses in the entire Book of 1 Corinthians. Nothing in this verse is about unbelievers being saved. Paul covers in v16. Can't read v16 and assume he is talking about this in this verse, he's not. Paul is giving a reason/instruction for a believer who are married to an unbeliever to remain married to an unbeliever and he tells them why. In Israel, if a Jewish man were married to a pagan, he had to put her away, or divorce her, and get rid of her children as she was "unclean" (they are unacceptable in the sight of God) in the sight of God. This may have led the believing Corinthians who were married to unbelievers to wonder if they should continue in their marriages, and if not, what about their children? But under grace, this is not the case. Paul, speaking only to the believers, says not to dissolve the marriage over the issue of one spouse being an unbeliever. In fact, he says that the unbelieving spouse is "sanctified" by the believing spouse. When Paul comes on the scene teaching the doctrines of the DOGG, this is not what they are used to hearing. They are used to hearing the law. FOR: A FOR at the beginning of the verse indicates/introduces the purpose statement or the "why" a believer should stay with an unbeliever in marriage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. SANCTIFIED BY THE HUSBAND/WIFE: Many ideas here. Can't refute them all. Tried to create categories of understanding. EX if one is not saved but married to a Christian, they will still go to heaven. No. Cannot mean the following 3 things: No 1. An unbelieving spouse would become holy, (in the sense of being a Christian) by the mere fact of being married to a believer in Jesus. This would be contrary to scripture & v16 (future tense) clarifies this. GH: Sanctification is not a synonym for justification. No.2. That the unbeliever husband would (as though it is a promise) eventually be inclined to Christianity, by observing its effects on his wife, and eventually be saved. Though this could happen, this is not what Paul is talking about because: 1) this is far from a promise of future salvation, and 2) children are not holy right now just because one day their father or mother will be saved.
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. Some people teach that God has made a promise to save every unbelieving spouse that is married to a Christian. This is not true. Comes out of 1 Peter. There is no guaranteed promise anywhere the God will override someone's free will in order to make them justified. The Bible does talk about what the believing spouse can do to help that take place, but God is not going to violate anyone's free will and make them trust Christ as their Savior. No 3. That the unbelieving husband might more easily be sanctified(interpreting this to mean believe on Jesus), or become a Christian, by being married to a Christian wife. Cannot be sanctified as you were taught in Romans 6-8. You have to be a believer BEFORE you can be sanctified. As true as this may, or may not be, this cannot be what Paul is talking about because: 1) he is speaking of something in the marriage which made their children holy, and 2) he is not using the word “sanctified” as a synonym for “justified” or “being saved.”
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. MM interpretation - these are the two things that should matter to the believing spouse: 1. It means that God accepts the marriage and looks at the children as legitimate. The believing spouse now is to hold the marriage covenant in such high regard, that instead of severing the marriage, they extend the sanctity of the union to their unbelieving spouse so that they stay within the marriage as long as the unbelieving spouse will stay. The “sanctifying” that is projected onto the unbelieving spouse is the commitment to the marriage for all God intended for it to be, which is made by the believing spouse. The believing spouse brings an aspect of holiness to the marriage union in which the marriage can be dedicated to God by a single saved spouse. As one spouse is considered now to be holy by virtue of their faith in Christ, the marriage of which they are a part is considered to have a holy or sanctified aspect to it. When God looks at that marriage, he doesn’t see it as counter to His design, but He sees it as what He created it to be. And one saved spouse is all it takes to do that. Therefore, it is proper for them to continue to live together in marriage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. 2. It means there is a greater opportunity for the spouse and children to be saved with a believing spouse. Think v16. Better chance to the children to know the Lord too. - SANCTIFIED: The usual meaning of the word “sanctify” is, to make holy; to separate it for the purpose for which it was created for; to set apart to a sacred use; to cleanse, to consecrate. Sanctification for the believer consists of him becoming more like Christ and less attached to the world and more attached to those things which are unseen and eternal. Paul is talking about sanctification with regard to their marriage, not to their inner man. Paul is not using the word SANCTIFIED as a synonym for 'justified'. He is talking about something in their marriage that makes their children be considered by God as HOLY. It doesn't make sense that something the husband might do makes the children holy right now. It doesn't work in the verse. MM says words are always used in a context. If you are going to understand what Paul talks about when he talks about an unjustified person being sanctified, can't be talking in the context we usually appreciate the word. You can't be sanctified until you are justified. So obviously Paul is using the word in a different way. In accordance to the context of what he is talking about here.
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. Turns out to be a really big deal. The subject under discussion is rather or not it is proper for a believer to dissolve their marriage with an unbeliever or not. In what way is an unbeliever going to be sanctified? Can't mean trusting Christ as their Savior because that's not a word that ever gets interpreted that way. Paul is not talking about sanctification in their inner man, he is talking about sanctification in connection with their marriage. The believer is not going to be made unclean by associating with the unbeliever because of something about the marriage. This is in the eyes of God. It is proper to continue the marriage so the believer should never leave the unbeliever, certainly not because they're an unbeliever, because in God's eyes their union has not become holy, and that extends to their children - ELSE WERE YOUR CHILDREN UNCLEAN:. So you have a believing wife or husband that sanctifies the unbeliever and evidently changes the disposition of the children from UNCLEAN to HOLY. The believing spouse sanctifies the unbelieving spouse and thereby makes the children holy. The believing spouse is the difference in the equation. It makes God look at marriage differently, but He looks at the unbelieving spouse differently, and He looks at the children differently. So a believer should not come out of this ungodly union with an unbeliever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:14		14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. ELSE WERE YOUR CHILDREN UNCLEAN, BUT NOW ARE THEY HOLY: A wrong idea about this is as long as one of the parents are saved, if the kids die as children, they get to go to heaven. Implies that if neither of the parents are saved and the children die when they are little, they are going to hell. In the eyes of God, children who are the product of two unsaved parents are “unclean” or in some sense, not legitimate within what God designed the institution of marriage to be. Point: What God is trying to accomplish in marriage and what it is a picture of cannot be accomplished unless at least 1 of the spouses know the Lord. If neither of the spouses are saved, then neither of them are SANCTIFIED in the way Paul talks about it here.
1 Corinthians 7:15		15 But if the unbelieving depart, let him depart. A brother or a sister is not under bondage in such cases: but God hath called us to peace.
1 Corinthians 7:16		16 For what knowest thou, O wife, whether thou shalt save thy husband? or how knowest thou, O man, whether thou shalt save thy wife? Instead of thinking that being married to an unbeliever taints the marriage or makes it unclean, in this DoGG the believing spouse sanctifies the marriage in the eyes of God. One of the reasons to stay in the marriage is you don't know, you may win them to Christ.
1 Corinthians 7:17-24		To further drive the 'don't change that marital relationship' point home, Paul is going to give two illustrations, circumcision and slavery, but the subject is still marriage. Paul is not suddenly changing the subject, but illustrating his point of not changing your marital status because you got saved. These two things don't change when you get saved so that marriage relationship shouldn't change when you get saved. Circumcision is a dispensational example of being true to the program of which you are a part, part of the mystery, the DOGG and we are members of the body of Christ. This doesn’t have the bearing on us today as it would have had back in the first century at Corinth because today, we only have members of the body of Christ (BoC) and the mystery program. But, when Paul wrote this, there were still “circumcision” believers left over from the “kingdom” program (saved before Paul got this message of grace and saved as part of that kingdom program), and there were “uncircumcision” believers who were part of the new “grace” program. Had two different things going on. We don't have this kind of thing going on now. MM says you get the picture that outward things don't matter, yet how many times do we see things where people want you to observe an outward thing in some way in order to received a spiritual benefit. This is not the way that works. This is a big part of the population.
1 Corinthians 7:17-19		Paul uses physical circumcision to illustrate his point about not changing our marital status when one spouse gets saved. Paul says not to change your physical circumcision, as the physical is not the issue, but obedience to Paul’s doctrine. Paul is not suddenly changing subjects, 1 Corinthians 7 is all about the different aspects of marriage. Paul is not changing the subject to circumcision. Paul is saying you shouldn't look to change anything, getting saved didn't change any of that. Paul is telling them to remain in the same physical condition that they found themselves in when they were saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:17		17 But as God hath distributed to every man, as the Lord hath called every one, so let him walk. And so ordain I in all churches.
1 Corinthians 7:18-20	Non-MBI	RS: Are you called while being circumcised (having been a Jew), then remain as you are; if you are called as an uncircumcised pagan, then remain as you are. Let everyone remain in the distinctiveness with which they were called.
1 Corinthians 7:19		19 Circumcision is nothing, and uncircumcision is nothing, but the keeping of the commandments of God. Whatever condition you are in regarding physical circumcision when you get saved, there is no need to seek a change one way or the other. Don't try and alter that because it has absolutely nothing to do with your salvation. Circumcision is not the issue, loving obedience to the faith, following Paul's doctrine, that is the issue. Application: just as we do not jump from the "circumcision" program to the "uncircumcision" program, neither should we jump into a different marital status when we get saved. CIRCUMCISION IS NOTHING, AND UNCIRCUMCISION IS NOTHING: Neither one is better than the other. What Paul is saying is for a saint to remain in the same physical condition you are in when you are saved. If you were circumcised before you got saved, don't try and change that after you got saved. There is nothing for you to do physically in this DOGG. During this DoGG, circumcision is nothing.
1 Corinthians 7:19		19 Circumcision is nothing, and uncircumcision is nothing, but the keeping of the commandments of God. KEEPING THE COMMANDMENTS OF GOD: Paul is not referring to the Ten Commandments or the Law of Moses, but to those things/scriptures which our apostle has written for us, the members of the BoC. We should consider Paul's doctrine to be "the commandments of God" as far as our obedience to them goes. Talking about the same thing as BUT FAITH WHICH WORKETH BY LOVE-Galatians 5:6. Is his way of referring to the doctrine which he was teaching to the body of Christ (BoC). It's keeping Paul's doctrine. He doesn't mean for you to look at it like you look at the 10 Commandments, but he means for you to say when you see what Paul is teaching, you should consider that the commandments of the Lord. That's how you should be looking at this. This is how much weight they ought to carry, that's how important they are. For people thinking that MM is just being a dispensationalist, please see THE THINGS THAT I WRITE UNTO YOU ARE THE COMMANDMENTS OF THE LORD-1 Corinthians 14:37. THE COMMANDMENTS OF GOD: When Paul writes his doctrine, should look at it as THE COMMANDMENTS OF GOD. MM is not saying it's another law but it's the thing that hold authority in our lives.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:20-22		Next illustration concerns slavery. Faced with the question of whether believers should seek to change their socio economic status or work. Just like with circumcision, Paul says to "stay where you are." Servant/Servanthood can be applied to a job situation today. He does also say that if you have an opportunity to improve your workplace, then take it. Paul is illustrating that you don't change your marital status just because you got saved. You don't change your circumcision status because you got saved and you don't change your work status because you got saved either. Paul says not to worry about whether you are a servant or free because servants are free in Christ, and free men are Christ's servants. If you are a slave and you have a chance to be free, Paul says to take it. If you get saved and you are a servant, just keep doing what you are doing. Is you are a freeman, you don't have to become a servant to somebody. MM says he knows this is common sense and this is what Paul is hoping for here. You don't change your job because you got saved. You don't change your circumcision because you got saved. Then don't change your marriage because you got saved.
1 Corinthians 7:22		22 For he that is called in the Lord, being a servant, is the Lord's freeman: likewise also he that is called, being free, is Christ's servant. When Paul writes this letter, almost 50% of the people in the Roman empire were slaves of one sort or another. HE THAT IS CALLED IN THE LORD, BEING A SERVANT, IS THE LORD'S FREEMAN: Doesn't mean that God is now obligated to set him free from being a servant, not what this is talking about. The servant's obligation before God is to obey their masters as unto the Lord. If someone was a slave with an obligation to serve an earthly master, he or she was exempt from serving the Lord (outside of his/her own testimony as a servant). MM takes this to mean if you have an earthly master, except for your godly duty as a servant to you earthly master, you were exempted from being a servant of the Lord. MM say he knows what people are thinking but otherwise, there could be a conflict that arises. The servant would say, hey, I need to serve the Lord by doing this. So I know my earthly master told me to do that, but I can't do that because I'm going to serve the Lord. And what happens is a conflict comes out of that. Someone will use this as an excuse to not discharge their duties as a servant. If you were free, you can serve the Lord in whatever capacity you desire and you are Christ's servant. Point: If you have an earthly master, don't change what you are doing except do what you are doing as unto the Lord.
1 Corinthians 7:22		22 For he that is called in the Lord, being a servant, is the Lord's freeman: likewise also he that is called, being free, is Christ's servant. LIKEWISE ALSO HE THAT IS CALLED, BEING FREE, IS CHRIST'S SERVANT: Things are different for the freeman. The one who was free from slavery was to be "Christ's servant." There would be no restrictions for them to fully serve the Lord as they have the freedom to do so, and therefore the expectation is for their full service to God. Point: The guy who was free from slavery, he becomes a servant. And the guy who was a servant, he is still a servant, but he becomes free to not have to do all the other things that his job may or may not restrict him from doing.
1 Corinthians 7:23		23 Ye are bought with a price; be not ye the servants of men. YE ARE BOUGHT WITH A PRICE: Second time Paul says this in two chapters - first is 1 Corinthians 6:20. PRICE: The Blood of Christ, the Sacrifice that He made on the Cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:24		24 Brethren, let every man, wherein he is called, therein abide with God. Says no matter where you find yourself, married, divorced, single, you are not alone, for God is with you. This is what is meant when Paul says “abide with God.” MM believes the relationship which the believer has with God is meant to be a comfort to those who have difficult marriages with unbelievers, and those who find themselves no longer married and alone. MM says if you are a servant, do that. If you are a free man, do that. ABIDE WITH GOD: Paul is saying continue in whatever that state was and if is OK with God for that to be the case. If you are a servant, do it through your servanthood. If you are a free man, don't worry, that can still work. Whatever situation you find yourself in is fine. Get the idea that God is saying, that's OK, that can still work.
1 Corinthians 7:25-40		**Do not let some sorrow or tragedy in your life (they that weep) keep you from serving God. Don’t dwell on your sorrows and get on with serving the Lord.** *** Will you let some pleasure (they that rejoice) in your life take the place of laboring as a son or daughter with God?** *** Will you let your business (they that buy) take the place of working for the Lord?** *** Will you let your possessions become the focal point of your life?** *** Will the getting of things be what stands between you and wholehearted service to God?** Married men ought to be just as faithful to God and just as pious in every respect as if they were unmarried.
1 Corinthians 7:25-35		Paul gives three reasons for choosing not to marry. Paul changes the topic and asks the question: “Should I marry?” Paul is going to deal with this question and answer it from three perspectives: 1) from the perspective of the virgin (men and women who have never been married) 2) from the perspective of the virgin’s/young woman's father 3) from the perspective of the widow. Paul gives 3 reasons why you can remain single and be OK. * There are those that can do this and if you can you are welcome to do it. * If you can't, it will be difficult for you to go down that road. Remember he called it a gift. GH: Gift with either path but regardless, serve the Lord. * ???

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:25		25 Now concerning virgins I have no commandment of the Lord: yet I give my judgment, as one that hath obtained mercy of the Lord to be faithful. When Paul got instruction from the Lord, he took that instruction to be commandments. NOW CONCERNING: Paul says this when he is changing subjects - new subject is VIRGINS. Paul often distinguishes between subjects by use of the words “Now concerning.” VIRGINS: New subject. Virgin means 'one set aside', a reference to the fact that they have had no sexual relations themselves. The word is used in the Bible to apply to both women and men. The custom at that time was that couples who were espoused (engaged) to each other, were referred to as “husband” and “wife.” See Matthew 1:18-20. CONCERNING VIRGINS I HAVE NO COMMANDMENT OF THE LORD: In addressing a certain segment of the church, Paul says that he has no specific instruction from the Lord regarding them. I HAVE NO COMMANDMENT OF THE LORD: Means the Lord did not give Paul specific instructions concerning virgins. But if He had been given instructions, Paul would consider it to be a COMMANDMENT OF THE LORD. YET I GIVE MY JUDGMENT: Paul is making an informed decision (judgmental decision!) based on things he already understands from the Scriptures.
1 Corinthians 7:26		26 I suppose therefore that this is good for the present distress, I say, that it is good for a man so to be. THE PRESENT DISTRESS: He doesn't tell us exactly but the folks in Corinth obviously know. Generally thought to be the sufferings and persecutions they are going through due to this new faith that is beginning to spread and increased opposition to it. If you get married in this climate, there will be extra pressure on your marriage. Paul does not explain what that is, but this is generally thought to refer to the sufferings during the formation of the body of Christ. As this new faith was being spread, there was increasing persecutions. Point: in view of this persecution, it would be best to not marry under these extremely difficult circumstances.
1 Corinthians 7:27		27 Art thou bound unto a wife? seek not to be loosed. Art thou loosed from a wife? seek not a wife. Talking to virgins. The word 'virgin' means one set aside. Applies to both men and women. Paul is telling espoused virgins not to break their espousal, but if they already have, not to necessarily seek a wife. The custom at that time was that couples who were espoused (engaged) to each other, were referred to as “husband” and “wife.” See Matthew 1:18-20. There is something going on at the time that makes Paul think this will be difficult on you if you go through with this. ART THOU BOUND UNTO A WIFE? SEEK NOT TO BE LOOSED: If you're engaged, don't break off the engagement, SEEK NOT TO BE LOOSED. ART THOU BOUND UNTO A WIFE: Paul didn't switch subjects, still talking about virgins. ART THOU LOOSED FROM A WIFE? SEEK NOT A WIFE: If you aren't engaged, don't go get engaged.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:28		28 But and if thou marry, thou hast not sinned; and if a virgin marry, she hath not sinned. Nevertheless such shall have trouble in the flesh: but I spare you. THOU HAST NOT SINNED: If you avoid Paul's instructions in v27, it's OK. If you want to do it, you can and don't think that you're sinning against God by doing it. AND IF A VIRGIN MARRY, SHE HATH NOT SINNED: Unless you understand this background, it doesn't even make sense. TROUBLE IN THE FLESH: For those couples who decide to continue with the espousal and marriage, Paul tells them this. He would hold off but if they want to go ahead and get married, do that. Paul talks about if they marry anyway, they are not sinning, but they can have TROUBLE IN THE FLESH. If you get married in this climate, there will be extra pressures on the marriage which need to be taken into account. The extra pressures would be those persecutions by Nero, as he plotted against believers in Jesus Christ. This is in the context of v26 which referred to THIS PRESENT DISTRESS. Nero has been plotting all along about how to get these Christians. Before you rush into marriage knowing what is about to happen here. If you rush into this marriage at this time of persecution, it may be that the husband may be dragged from the side of his wife to appear before magistrates and be required either to renounce/deny Christ or die. Take him front of magistrates to deny Christ or be killed. What will happen to her and what if she is with child? He has to think about his wife and children. If he dies, she is out on her own now. This is one possible thing that could be in Paul's mind. TROUBLE: MM doesn't think this is limited to the persecutions, but it is certainly a part of it.
1 Corinthians 7:29-31		MM thinks Paul is looking at all of the things that can be happening to keep you from either serving the Lord or keeping your profession in the Lord. All the things Satan could use to get you to back away.
1 Corinthians 7:29		29 But this I say, brethren, the time is short: it remaineth, that both they that have wives be as though they had none; THE TIME IS SHORT: Commentators say that Paul is saying the Lord is returning at any moment, don't rush into marriage. MM doesn't believe this. Paul didn't say, "the time may be short," he said "the time is short." Jesus didn't come back in his lifetime. If Paul was talking about the Lord's return, Paul was wrong. MM thinks he is talking about the persecution of Christians that is about to reach a zenith. Has to do with the persecutions and distresses being "at the door" so to speak. Nero was, at that time, already plotting the persecutions with which he would devastate the church. So Paul says that in view of the escalation of persecutions and the pressures it bring upon a marriage, it is okay to wait on getting married. THEY THAT HAVE WIVES BE AS THOUGH THEY HAD NONE: Need to see this in the context of v29-31. Paul is not saying to husbands they don't have any obligations toward that woman anymore, treat her however you want.. When Paul says for married men to "be as though" they have no wife, he is not talking about treating their wives unkindly or neglecting them. He is not encouraging men to fail in the duties of love and fidelity. But they are not to suffer the attachment to their wives as something which would interfere with their service to God. You need to be as steadfast in the Lord in your profession of him as if you hadn't gotten married. In a world of increasing persecution, they should live unto God and not allow their affections to their spouse to adversely affect their affection for God or interfere with living for Him. A married man should be just as faithful, just as committed to God as he would be if he had no spouse or family of his own.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:29		29 But this I say, brethren, the time is short: it remaineth, that both they that have wives be as though they had none; WIVES (marriage/family-could include your children): Married men ought to be just as faithful as unmarried men. Your obligation didn't change. - **Don't allow your family to stand in the way of you serving the Lord**.
1 Corinthians 7:30		30 And they that weep, as though they wept not; and they that rejoice, as though they rejoiced not; and they that buy, as though they possessed not; WEEP (sufferings): Don't allow the sufferings because your belief in Christ be the things that make you stop your profession of the Lord or your service to Him. This has been an issue down through the ages. **- Don't allow your sufferings to stand in the way of you serving the Lord**. REJOICE (pleasures): Don't let the pleasures of the world adversely affect your commitment to the Lord and your profession to Him. - **Don't allow the pleasures of life to stand in the way of you serving the Lord**. BUY (business/possessions): MMs first impression: Don't let your business stand between you and God. MMs second impression: Don't let your possessions or things of this world stand between you and God. - **Don't allow the possessions you have to stand in the way of you serving the Lord**. This is all in the context of THIS PRESENT DISTRESS-v26 and having TROUBLE IN THE FLESH-v28. Your deportment or your commitment to Christ should not be affect because you got married or because you are suffering some things or because you're enjoying the pleasures of this world or because you own a bunch of stuff. MM says there are other verses that corroborate this throughout the N.T. and Paul is kind of putting it all together here at one time.
1 Corinthians 7:31		31 And they that use this world, as not abusing it: for the fashion of this world passeth away. It is sometimes easy to live a life of excess to the detriment of the Lord's work, to let a life of abundance stand in the way to your commitment to the Lord. And in this country, it is easier to do that than in some other countries. MM is not trying to make us feel guilty for having something but THE FASHION OF THIS WORLD sometimes becomes the thing that actually inhibits our commitment to the Lord and our service to Him and Paul is warning us. Therefore, Paul reminds us that these things are passing away. Don't let them be the thing because you are not going to have them forever. ABUSING: Abuse it by overusing it. THE FASHION OF THIS WORLD PASSETH AWAY: Paul is saying all these things you traded for your Sonship, the things that ungodly men have fashioned or put together in this world system, all of that is going to pass away. Will include the wisdom of the world and the fashion of this world. THE FASHION OF THIS WORLD: About their conduct. Corinthians problem was ungodly LIVING. Corinthians buckled to the FASHION OF THIS WORLD. Don't think of dresses and hats. Think of the way the world sees things. The Corinthians liked the FASHION OF THIS WORLD. The world saying this is the way it is supposed to be or what's in fashion this season and what everybody is wearing. The world does this too. This is what you ought to be spending your time on, this is what you should be engaged in. The world has a fashion and a son doesn't follow that. Is going to pass away.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:32-33	GH: Oneness of spirit	Ways for a man to build a oneness of spirit: Make your wife #1. Paul is not griping about this, he is saying this is the way it's got to be.
1 Corinthians 7:32		32 But I would have you without carefulness. He that is unmarried careth for the things that belong to the Lord, how he may please the Lord: WITHOUT CAREFULNESS: Not saying don't be careful. Don't be full of care/anxious for the things of the world. Don't let your marriage distract you from serving the Lord. But it doesn't have to be the case. Many married couples have great marriages and they serve God with their whole hearts. If a man is unmarried, he can concentrate 100% on things that belong to the Lord, how he may please the Lord.
1 Corinthians 7:33		33 But he that is married careth for the things that are of the world, how he may please his wife. Those who are married have a divine (God given) responsibility to care for their spouse. Serving God is not an excuse to discharge that responsibility carelessly. But neither can we live for our spouse and children and not for God. GH: He has an obligation and responsibility as a husband and if you don't understand this you probably shouldn't signed up for it. He is not saying his wife is worldly, he is just saying that he has an obligation and responsibility to her as her husband and he needs to fill that responsibility. If he doesn't want to take the time to do that, he probably shouldn't have gotten married in the first place. He is not saying it's a bad thing to be married and he is not saying it's a bad thing to be unmarried, just the truth of what is expected.
1 Corinthians 7:34-35		Paul is making a case for why some people should remain unmarried. There are some people who can remain single and serve the Lord without distraction, but there are those which cannot. The thing Paul is after is for everyone to serve the Lord.
1 Corinthians 7:36		36 But if any man think that he behaveth himself uncomely toward his virgin, if she pass the flower of her age, and need so require, let him do what he will, he sinneth not: let them marry. MM thinks he is talking about the perspective of the unmarried daughter's father. Tough to see because this is not the way it happens in our culture today. Dowery represented the value he placed on her. There were poor families looking for a pay day. MM doesn't think Paul is teaching that is it better if no one gets married. Yes, it is better from the standpoint of serving God without distraction, but it is just as possible to serve God with a spouse, and Paul can't be thinking that ideally, no one should get married. That just doesn't make sense, seeing that marriage is a divine institution. So, here is a father who has not allowed his daughter to marry. But, after considering her age and her desire to marry, he decides to allow the marriage to take place. Remember, in first century Corinth, the dad could marry off his daughter to someone she didn't want to be married to and he could tell her no to someone she really wanted to be married to. ANY MAN: Is the father. PASS THE FLOWER OF HER AGE: An idiom that she is now finally old enough to get married/marry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:36		36 But if any man think that he behaveth himself uncomely toward his virgin, if she pass the flower of her age, and need so require, let him do what he will, he sinneth not: let them marry. HAVING NO NECESSITY: The father doesn't need or is influenced by the dowery or money. BUT HATH POWER OVER HIS OWN WILL: He is not another man's servant. If so, that guy would make that decision. LET HIM DO WHAT HE WILL: He can say to her yeah or he could say to her no. Paul is not saying you just be the big shot and call what you want about that marriage. This is actually looking at his daughter in her best interest. She may be wild about a guy who is absolutely no good. LET THEM MARRY: He can say YES.
1 Corinthians 7:37		37 Nevertheless he that standeth stedfast in his heart, having no necessity, but hath power over his own will, and hath so decreed in his heart that he will keep his virgin, doeth well. Still talking about the father. We don't do this in this culture either, but back in that day when a gal wanted to get married and there's the guy and he wants to marry her, the father got a dowry from the family of the groom. Not trying to buy her like cattle. The dowry was really representative of the value that he placed on her and the desire of her to become his wife. That is what this was supposed to represent. There were poor families that were looking for that dowry so it would salvage them financially. MM says look at the English period pieces. Those guys loved having daughters because they were going to get a pay day for every one of them and they are looking at that. If there was more than one suitor, they would say YES to the biggest dowry. These are big financial things. Saw in the previous verse that father can make a decision about this. So here's a father, he's going to stand stedfast in his own heart, he can't be bought, he doesn't need the money (or needs the money but it doesn't matter to him), and he has power over his own will. He can decide what will happen with his daughter one way or the other, and has so decreed in his heart that he will keep his virgin. That's a no to the marriage. Remember the previous verse - he has the freedom, he can say no or he can let them marry. If he decides that, he DOETH WELL-v38, it's OK if that's what he wants to do about that.
1 Corinthians 7:37		37 Nevertheless he that standeth stedfast in his heart, having no necessity, but hath power over his own will, and hath so decreed in his heart that he will keep his virgin, doeth well. HE STANDETH STEDFAST IN HIS HEART: Sometimes a godly father will deny permission for his daughter to marry. Perhaps he sees something in her suitor that she does not see. Perhaps it is a matter of timing, and he is asking her to wait. Whatever the reason, he STANDETH STEDFAST and does not allow the marriage to take place. Assuming the father is saying no for good or godly reasons, not just being selfish or a control freak. HAVING NO NECESSITY: First thing. May have to do with pressure from the wife or daughter to allow the marriage, but more likely, it refers to the dowry paid to her family which often was a financial help to a poor family. But in this case, the father has “no necessity” and may decide not to allow the marriage. The father doesn't need the dowry and is not influenced by the dowry. Can say no and it is not bargaining to get the price up. I don't need the money. WILL KEEP HIS VIRGIN: He is not letting them marry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 7:37		37 Nevertheless he that standeth stedfast in his heart, having no necessity, but hath power over his own will, and hath so decreed in his heart that he will keep his virgin, doeth well. BUT HATH POWER OVER HIS OWN WILL: Second thing. Means he is not another man's servant because if he is another man's servant, that guy would be the one to make that decision. If you were under a human master, he didn't just call the shots for you, he called the shots for your family too. Refers to the fact that about 50% of the population were slaves in Roman times and many fathers did not have the right to decide if their daughters would marry. They did not have "power over their own will" as that was retained by the slave owner. Point: context of a godly, loving father providing leadership out of love, not selfishness, pride or stubbornness. This is not the way marriage is done in this culture today, but the sense of this is that "let them marry" is the good thing, whereas "giving her away" against her will, is better served by "not giving her in marriage."
1 Corinthians 7:38		38 So then he that giveth her in marriage doeth well; but he that giveth her not in marriage doeth better. This is the verse that shows this is the guy giving her in marriage, not the guy married her. This is not the guy that marries her, this is the guy giving her in marriage.
1 Corinthians 7:39-40		Paul is now going to change the subject to address widows - from the widows perspective. MM doesn't believe God is picking who you married, he believes that it is a Sonship decision. God is not commandeering your free will in all the areas we think He is. In a nutshell, a widow can remarry if she wants to. MM says we don't live in a first century culture with regard to all this marriage business so there's no need to get too carried away here. But there are two things to notice here: 1) The phrase WHOM SHE WILL negates the idea that God has picked the person we are to marry. MM does not believe that. He believes that is a Sonship decision. You get to pick, she gets to pick rather or not, she wants to be married and MM believes she gets to pick who she wants to marry. She's no longer a young girl who has passed the flower of her age. She has been married and she is on her own, and she can decide if she wants to get married or not and she can decide who she will marry. But there is a restriction - ONLY IN THE LORD-v39. 2) The only restriction is "only in the Lord." That is to say, the person she picks needs to be a fellow believer. Paul is adamant about not being unequally yoked with unbelievers.
1 Corinthians 7:39-40		MM says some people say they got married because God told us to. You may believe that, but he does not think God is commandeering your free will in all the area that we think He is. This passage looks to him like she gets to decide who she wants. The caveat is ONLY IN THE LORD-v39. He has to be saved. This is not to be UNEQUALLY YOKED TOGETHER WITH (an) UNBELIEVERS-2 Corinthians 6:14. You don't want to start your marriage that way. Paul didn't say, is free to remarry but only the one that the Lord picks for her. That's not what he said. MM says people love to be told what to do, he thinks it is our flesh. This is why it is so hard for people to live under grace. They want a rule. That's why people gravitate to the law.
1 Corinthians 7:39		39 The wife is bound by the law as long as her husband liveth; but if her husband be dead, she is at liberty to be married to whom she will; only in the Lord. ONLY IN THE LORD: She can remarry but he must be saved.

1 Corinthians 7:40		40 But she is happier if she so abide, after my judgment: and I think also that I have the Spirit of God. BUT SHE IS HAPPIER IF SHE SO ABIDE: If she just remains on her own.
1 Corinthians 8 - 10	Doctrine : Corrective : Liberty in Christ	**Please see 'Definition : Liberty' in the Commentary.** Ch8 - The Principle of Liberty Ch9 - The Pattern of Liberty Ch10 - The Proper Application or Practice of Liberty Constitute a section where the apostle Paul is correcting and instructing the Corinthians in the proper use of their liberty in Christ. Address the subject of liberty in Christ and the proper use of liberty. These 3 chapters are all about liberty and they go together and constitute a section in themselves. After completing these 3 chapters, you should understand the fundamental doctrine of liberty in Christ well enough that you can explain it to someone else in just a few sentences. You should be able to understand when liberty is the right choice to make and when liberty is not the right choice to make. Should be able to apply liberty in your own Christian life. Paul doesn't list every example you could possibly use, he is trying to establish the principle with us so that we really understand it, we get a handle on it, and we begin to practice it. And when it is really working in you and transforming you, you start seeing other areas. MM says the doctrine will change you so much that you'll look back on things that you thought were just normal because everybody thinks this way and suddenly you'll start thinking like your heavenly Father for the same reasons He does. And when that takes place, you are being prepared for your heavenly vocation. That's what you are going to take with you. Paul's corrective doctrine for the Corinthian's ungodly living as it pertains to their liberty in Christ - instruct us about our liberty in Christ.
1 Corinthians 8 - 9		Many people look at Romans 12:1-2 as though that is the measure of a truly dedicated Christian. MM would suggest that what we are looking at in 1 Corinthians 8-9 contains the evidence of our dedication. It's a very good indicator, not only to the doctrine that we have, but to the Lord Himself. Because if you can truly understand your liberty in Christ and then we are willing to give up our liberties/restrict those liberties for the reason Paul is going to tell us, to forego our rights for the good of others, that is the evidence/indicator of our love for the brethren and our dedication to the Lord Himself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8	The Principle of Liberty	Paul reproved the saints at Corinth for not loving those saints who were “weak in the faith.” Paul identifies their lack of love for their brethren as stemming from a lack of love for God. Point: our education begins with instructions to love others like God loves them; we cannot love others like God loves them until we first love God. Paul continues to answer questions from the Corinthians assembly. The subject now changes from issues of marriage to meats offered to idols. Actually, the question is about the liberty the Corinthians have in Christ. Godliness is not produced by exercising our liberty to the detriment of our fellow saints. Context: Idolatry was rampant in Corinth and there were plenty of animal sacrifices being offered to false gods. It was everywhere - animal sacrifices, all kinds of pagan temples, all kinds of sacrifices going on. Everything was an occasion for a sacrifice in a pagan temple. A birthday, a marriage (sacrifice hoping the gods would bless your marriage), a safe return from sea (sacrifice to thank the gods for a safe return), etc., were all occasions to make a sacrifice in some public temple. When sacrifices were made to heathen gods, the animal which was brought to the pagan temple was prepared by first marking the animal with the mark of the idol. Several ways to do this, marked to show it was to be sacrificed to this idol. This was done by gilding the horns or hooves, or by attaching fillets, garlands, etc. - some sort of decorative piece to signify that.
1 Corinthians 8	The Principle of Liberty	The sacrifice itself was usually divided into three parts: 1. a part of the meat was given to the priest that officiated the sacrifice. 2. a part was offered to the idol, but not the meat. The legs and entrails were cut out and burned on the altar to the false god. Burn that right on the altar. 3. (the principal part) of the sacrifice remained/retained the property of the one who originally brought the animal. The third portion: * Sometimes the meat was consumed at the temple. Was a public place but you could invite friends and business associates who would be invited to the temple to participate in the feast. They would eat in the temple or in the surrounding grove. * Sometimes they would take the meat home and prepare a feast, where friends would be invited to attend in their home. * Sometimes the meat would be taken home and consumed as food blessed or having been offered to an idol. For a pagan family, every meal was dedicated to the household gods by laying some portion on the family altar.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8	The Principle of Liberty	* If the sacrifice was large, often the excess meat was sold in the market ('sold in the shambles'-1 Corinthians 10:25) along with other meat. Since meat offered to an idol bore no visible mark, it would be hard to tell which meat was offered to an idol and which was not. QUESTION: Is it okay to eat that meat when invited to the idol temple, the house of a heathen friend, or when it was for sale at the market? Two things that made this attractive: 1. The meat was usually cheaper. 2. The meat was usually fresher. Because of this, people said I'm going to eat that meat. This issue was polarizing to the Christian community at Corinth. People would say I'm just going in for the cheap steak. There were people who had some scruples about going into that temple. Some used to participate in those false gods/temples and then came to Christ. In their conscience, said they didn't want to be associated with that.
1 Corinthians 8	The Principle of Liberty	But someone else who didn't have that background but came to Christ, it didn't mean anything to them other than cheap meat and they are just going in there to eat that. This was a divisive issue for the church. The ones who had a conscience would judge the ones going in the temple as very worldly. And the ones going in and eating the cheap meat would look at the that wouldn't and despise them for the scruples they had. This kind of divided everybody up so they are asking Paul what he thinks here. Paul has to explain to the Corinthians liberty and that it carries with it responsibility. God absolutely cares how we live. Even though we don't have the same environment as the Corinthians, the real issue is not the meat as it is the issue of our liberty. The concern was, as a believer in Christ, to partake of meat offered to idols, either in the temples or at the feasts of their neighbors, might be seen as affirming the idol worship and make one appear to be unfaithful to Christ. If someone would see you going into the temple, they might wonder why you were going into the temple. Are they going into the temple of Zeus because they worship Zeus? Really don't know. They should know that if you are a believer in Jesus Christ you are not going in to practice idolatry, but that's not what the apostle Paul says (1 Corinthians 5:11).
1 Corinthians 8	The Principle of Liberty	This is hard for us to understand because we don't have these temples all through America in this society like they did there. If you were a believer in Jesus Christ, you wouldn't be a believer in any of those false gods. Back then, Christians were called atheists (MM recounts Paul at Athens and all the shrines/altars of all the false gods and the altar of the unknown God). People may believe in a dozen gods in a household and when a Christian was asked how many they believed in and said none, they were called an atheist. The Christian would go I actually believe in the true and living God and they would go never heard of that one. On the other hand, to refuse the request to eat might threaten personal and business friendships, brand the Christian as not being a good citizen, or open them up to persecution. All this polarized the Christian community. Those who saw they could eat without spiritual contamination scorned those with scruples, while those with scruples judged the eaters to be worldly. Under the Law, they would not eat meat offered to idols. Under grace you have the liberty to do so if you want. People can get all excited about their liberty in Christ, but the issue for Paul is not whether you eat meat offered to idols or not; for neither of those makes you spiritual.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8	The Principle of Liberty	For Paul, the important thing is to recognize there are some restrictions to our liberty, and those restrictions are supposed to stem from our love for those who are our weaker brothers. Paul explains liberty to the Corinthians; the liberty which they (and we) have under grace; that our liberty carries with it a responsibility. In this chapter, Paul spells out the principles which allow us to exercise our Christian liberty responsibly. Summation: The problem with the Corinthians was their sanctification. They were babes in Christ/spiritual maturity who needed to grow and become spiritually mature. Paul says he is allowed to eat meat offered to idols, but if it offends the conscience of a fellow saint, he will not eat it. The principle is that there are limitations to our liberty when it comes to a weaker brother. Paul asked those who were eating meat sacrificed to idols to be willing to give it up for the good of a brother in Christ, to keep it from being a stumblingblock for your weaker brother. Form of Doctrine: * 8:1-3 Reproof * 8:4-12 Correction * 8:13 Instruction in Righteousness
1 Corinthians 8:1-3	Reproof	Reproof - The question is about whether the saints ought to be eating meat which has been offered to idols. Paul doesn't reference Acts 15, he doesn't reinforce the “meat offered to idols” issue. Reasons: 1) Paul’s knowledge of liberty, and 2) the fading apostolic authority of the “12” over Gentile believers. **Principle: In matters of Christian liberty, love must rule over knowledge**.
1 Corinthians 8:1	GH: Charity	1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth. Paul is not contrasting knowledge with charity, but knowledge alone with knowledge accompanied by charity. MM thinks Paul is responding to something in the letter he received from them. Yeah, we know that we all have knowledge but you better temper that with charity because if you don't, it doesn't edify. If you have knowledge but you aren't V&Eing people around you like your heavenly Father does for the same reasons He does, that knowledge gets you nothing. MM tying this to 1 Corinthians 13. MM says don't confuse this with the emotion. WE ALL HAVE KNOWLEDGE: So Paul starts off by saying that the decision they made was based on knowing some things and later in the chapter he will say that the things they based their decision on were right, but their decision to eat the meat was still wrong. Evidently, this comes right out of the Corinthians’ letter to Paul. So, he acknowledges that, but then he adds something to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:1	GH: Charity	1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth. KNOWLEDGE PUFFETH UP, BUT CHARITY EDIFIETH: The problem as Paul sees it is between knowledge and love. Knowledge, (without love,) puffs up, (or produces pride), but love edifies. Knowledge puffs up the individual, but love builds up others. When it comes to your liberty in Christ, are you more interested in promoting yourself, or in building up others? KNOWLEDGE PUFFETH UP: Makes you proud. Reminds you of NOT TO THINK OF HIMSELF MORE HIGHLY THAN HE OUGHT TO THINK-Romans 12:3. KNOWLEDGE: Talking about KNOWLEDGE without love. PUFFETH UP: Makes them prideful. Just because you have some knowledge doesn't mean you're where God wants you to be. That knowledge has to be tempered with the love you have for the brethren. Paul says, if you have knowledge, it will make you prideful. What he is saying is that knowledge alone produces pride.
1 Corinthians 8:1	GH: Charity	1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth. PUFFETH: OED: puff – To inflate or cause to swell with vanity, pride, ambition, or the like; to make vain, proud or arrogant; The knowledge the Corinthians had did not produce charity, but it produced pride and arrogance. Instead of the knowledge building them up (edifieth) it has puffed them up. The problem is not with the knowledge. The problem is with the wisdom to use that knowledge. This was knowledge without charity. BUT: Is a corner word, which means that it is about to take you in a different direction. **Please see 'Definition : Charity' in the Commentary.** CHARITY EDIFIETH: Paul is not contrasting KNOWLEDGE and CHARITY. He is not saying KNOWLEDGE is bad and CHARITY is good, he is saying KNOWLEDGE without CHARITY is bad but KNOWLEDGE with CHARITY is good. Can't just be learning for the sake of learning. Learning to value and esteem our fellow saints will keep us from being puffed up. The first mention of charity in our Bible tells us that charity builds people up; it edifies them. To edify them means to build them up in the faith, specifically, in Paul's doctrine. **Point: See that CHARITY is directly related to edification**. CHARITY: In a way, charity is a species of love, but there is a difference between the two. There is a difference between love and charity (the Bible uses both words). EDIFIETH: To build someone up. An edifice is a building and to edify is to build them up. Being built up in Paul's doctrine, being built up in the faith.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:1	GH: Charity	1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth. When it comes to defining godly charity (which is the only way the Bible uses the word "charity") there are three aspects to consider: 1) **Charity is a mental attitude of valuing and esteeming someone, not how you feel about them with your emotions. Charity is not a feeling but a mental decision; how you think about them in your mind. This is how God loves us**. Even though there was nothing about us which was deserving or worthy of God's love, He valued and esteemed us regardless of our actions. It was a decision that God made in His mind. 2) **God's word produces our mental attitude**. The way we value and esteem others does not come out of the blue. It is not up to us to decide how much to value and esteem others; charity is a mental attitude that stems from the doctrine in God's word. In other words, the Bible is going to instruct us as to how we should think about others; how we value and esteem others. 3) **The third aspect of charity is when we manifest our mental attitude (of value and esteem) toward someone by our Christ-like actions toward them**. Even though there was nothing about us which was deserving or worthy of God's love, He valued and esteemed us regardless of our actions and He manifested that value and esteem by sending His Son to die for our sins.
1 Corinthians 8:1	GH: Charity	1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth. Putting it all together, **charity is our doctrinally produced decision to value and esteem others being manifested in our Christ-like actions toward them.** We need all three parts in order for godly charity to truly exist. - Valuing and esteeming others for reasons other than those the scriptures give us is not godly charity. - Manifesting good deeds without the mental attitude of value and esteeming is not godly charity. - Having the right mental attitude without the accompanying Christ-like actions is not godly charity. OED: charity – The Christian love of our fellow-men; Christian benignity (OED: kindness) of disposition expressing itself in Christ-like conduct: Even the secular OED understands the charity is the disposition of Christians kindness expressing itself in Christ-like conduct. **PROCESS: From the word of truth comes doctrine… from doctrine comes knowledge… knowledge apart from godly charity produces pride and wrong thinking/wrong actions… but knowledge accompanied by godly charity produces edification (Christ in you!)**
1 Corinthians 8:2		2 And if any man think that he knoweth any thing, he knoweth nothing yet as he ought to know. Watch out for the man who thinks he knows everything. We all have a lot to learn. When you get true knowledge, one of the first things you discover is that you don't know as much as you should. Is talking about the man that is puffed up with his knowledge. Paul is saying, if all you have is knowledge, and that it is not combined with charity, then even with your knowledge, you don't know anything, for that knowledge alone is insufficient without charity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:3-4		**Tells us that liberty without charity is wrong**. You may know more than the other person but knowledge alone only puffs up, but charity edifieth and that's what ought to be in our minds. Charity means we value and esteem one another the way our Father does and for the same reasons He does. We always prefer our fellow saints over our liberty. We should develop the Sonship skill of discerning every situation of our liberty and act accordingly. This is part of godly judgment.
1 Corinthians 8:3		3 But if any man love God, the same is known of him. Paul charged the Corinthians with not loving God (for something other than salvation). The problem with the Corinthians was they did not stop to think about why God had given them liberty in Christ in the first place; what was it for and how was it meant to operate, etc. These are the kinds of things that take place in relationship prayer. The mercies of God are just the beginning; but they are the jumping off point for talking to our Father about those the mercies He has given to us in Christ, understanding why He gave them to us, what they are meant to accomplish, etc. This is the means whereby we learn to love God in a myriad of ways. BUT IF ANY MAN LOVE GOD, THE SAME IS KNOWN OF HIM: If you truly love God, your “knowledge” will be accompanied by “charity” and it will be “known of him;” which is to say, it will be evident in his life by his words and actions.
1 Corinthians 8:3		3 But if any man love God, the same is known of him. BUT: Ties back to the previous verses. Original direction was warning people who had some knowledge but allowed that knowledge to make them proud and puffed up because it lacked godly charity. MM says you can't approach these studies as just gathering data. Meant to transform us, to be put to use in our inner man. This is the only thing you are taking with you when you leave this life and get to the heavenly places. You do have to get the information and you do have to understand it but once you understand it and then go work on it, then the Spirit of God takes that doctrine and begins to conform your inner man to the image of God's Son so that you are truly godly. This means you think about things like your Father thinks and your conduct and behavior comes out of that godly thinking. And now you have the skill to labor with your Father here out of that doctrine and also in the AGES TO COME when were in the heavenly places and in glorified bodies. This is going to be a doctrine that you will continue to live out of. MM believes when we get up into the heavenly places, we are going to learn a depth of all these doctrines that we just didn't have time to learn here. He believes the things contained in the scriptures are just inexhaustible because that is God's word and He is infinite and His Wisdom is infinite. Our whole eternity is going to be shown the breadth, the length, the depth, and the height of all that God is, and what He has done and what His word has in store and it is going to be glorious.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:4-6		4 As concerning therefore the eating of those things that are offered in sacrifice unto idols, we know that an idol is nothing in the world, and that there is none other God but one. 5 For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,) 6 But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him. Their reasoning is that they know an idol is nothing; there is only one real God. So, when they eat the meat offered to an idol they are eating meat that went through a worthless ceremony that had no effect on the meat whatsoever. That wooden idol can't talk or move, it is lifeless and it is not a god in actuality. So, for the ones asking the question, the meat they were eating has been offered to nothing, because there are no other gods.
1 Corinthians 8:4		4 As concerning therefore the eating of those things that are offered in sacrifice unto idols, we know that an idol is nothing in the world, and that there is none other God but one. Paul starts off by saying that the actual carved figure of an idol is nothing. It cannot speak, hear, or move on its own. It is the creation of some person. Therefore, the idol, in and of itself, is nothing. But this is not saying the idolatry is nothing. Need to understand the difference. Paul is not saying if you engage in idolatry, that's OK. That's not OK. Was possible to be a believer in Jesus Christ and be an idolator. Paul is not saying that idolatry is nothing, he is saying the idol in and of itself is nothing. **Point: You can't tell a person's salvation by their actions**. MM says Christians have committed every sin imaginable. AN IDOL IS NOTHING IN THE WORLD, AND THAT THERE IS NONE OTHER GOD BUT ONE: MM says this is quite a statement. Remember, in Corinth, people worshipped hundreds of gods, and here comes Paul saying there is only one God. The statue of Zeus, in and of itself, is nothing, because it is man made/carved by men and it cannot animate itself - it can't move, can't speak, can't hear. And, there is no (little) god like the true and living (capital G) God. That is not to say that there is no cosmic creature behind idol worship, there is. And Paul will address this in 1 Corinthians 10. But the idol itself is nothing but man made and it has no power in and of itself. Superstitious Gentiles will assign it to that but we know really when it comes to the capital GOD, there's just one. Remember, people in Corinth called Christians atheists because of this. Paul affirms this in 1 Corinthians 10:19.
1 Corinthians 8:5-13		**Principle: Do not allow your liberty to be a stumbling block to your fellow Saints. If we do, we sin against them and against Christ. Again, godly charity is the guiding principle for liberty**.
1 Corinthians 8:5-6		Paul renounces all the Greek "little g" gods, and identifies Israel's God as the only true and living "capital G" God. Some of the saints don't have this understanding and it's because of their background. They have come out of that idolatry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:5		5 For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,) The religious background of Corinth extended well beyond Judaism, Christianity and Aphrodite which Paul possibly alludes to here. GODS: 'Little g' gods - the angelic realm, and it can apply to the angels of God or fallen angels. Can all be referred to as the 'little g' gods. Has to do with them being spiritual beings and not physical beings. And these are the ones behind the superstitious idolatry of the Gentiles. Paul refers to them in WE WRESTLE...AGAINST PRINCIPALITIES, AGAINST POWERS, AGAINST THE RULERS OF THE DARKNESS OF THIS WORLD, AGAINST SPIRITUAL WICKEDNESS IN HIGH PLACES-Ephesians 6:12.
1 Corinthians 8:6		6 But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him. THERE IS BUT ONE GOD: Paul refutes polytheism (many gods).
1 Corinthians 8:7		7 Howbeit there is not in every man that knowledge: for some with conscience of the idol unto this hour eat it as a thing offered unto an idol; and their conscience being weak is defiled. **Please see 'Definition : Conscience : How to strengthen our conscience so that we are not easily offended or wounded' in the Commentary**. Paul agrees with the “knowledgeable” Christians; the idol is nothing, there are no “gods” like Paul’s God, and Paul’s God is the only true God. But Paul goes on to say that some saints did not yet have this full understanding of things. Paul reminds them that not all believers understand that the idol itself is nothing. In their mind, they associate the eating of meat in the temple of Zeus with their previous worship of Zeus. To them, eating meat offered to Zeus seems disloyal to the true God which they now love and serve. EX Here's a guy that used to go into the temple of Zeus. He believed in Zeus and thought Zeus was a real god. He sees the idol and they're making sacrifices, and he is participating in the feast as a worshipper. To him, it is the real deal. Then one day he hears the gospel, trusts Christ, and wants to serve the True and Living God. He doesn't instantly know everything he needs to know yet. He doesn't want to go back in there because his conscience is weak. Not a derogatory term. it is describing something he was previously involved in that now is affecting how he thinks he ought to behave. And as a result, he doesn't want to go back in and eat that meat because it reminds him of when he was worshipping Zeus and he doesn't want to worship Zeus anymore. That looks very disloyal to the True & Living God. So to him, if someone would say that's just an idol.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:7		7 Howbeit there is not in every man that knowledge: for some with conscience of the idol unto this hour eat it as a thing offered unto an idol; and their conscience being weak is defiled. Zeus is nothing, that meat didn't get affected, there are no demons in the meat, you can just come on in. See what you are doing when you do that? You are making him defile his own conscience and to him that would be sin. The scripture says if that's what he feels about it then that's what that is. Don't make me sin. Paul would say to him don't go in there but he would also say to the other brother don't try and talk him into it either. If he sees another brother going into the temple they both used to attend he may get bullied into going in and eating the meat and then afterwards he's all broken up because he has been dishonoring the Lord (and if he thinks that he was). This is the whole issue of limiting our liberty. This is why liberty without charity is wrong. Paul is not trying to talk anybody into going back into the temple and eating meat. It is possible for a brother to go into the temple and eat meat and not be disloyal to the Lord and not be an idolater. But if your action adversely affects your brother, then you should not do that. MM says there are people who insist on their liberty - no one is going to tell me what to do and what I can't do. Well, your Lord will so stop acting like He doesn't have the authority to tell you want you can and can't do. You are not under the law, you are under grace, which is why you have liberty and you are supposed to have charity along with that knowledge. If you don't have charity you will insist on your liberty and that would be an indication of where you need to go to work.
1 Corinthians 8:7		7 Howbeit there is not in every man that knowledge: for some with conscience of the idol unto this hour eat it as a thing offered unto an idol; and their conscience being weak is defiled. HOWBEIT THERE IS NOT IN EVERY MAN THAT KNOWLEDGE: Someone can hear the gospel and get saved, yet they don't yet know that the idol in itself is nothing. They don't get that yet. AND THEIR CONSCIENCE BEING WEAK IS DEFILED: CONSCIENCE BEING WEAK: A weak conscience means (among other things) that someone is susceptible to past associations which are inconsistent with Christian beliefs.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:8		8 But meat commendeth us not to God: for neither, if we eat, are we the better; neither, if we eat not, are we the worse. Paul affirms that the meat itself is neutral, he is not trying to get them to do either, and the meat is not harmed or changed by being offered to an idol. In this DOGG we are not commended to God by what we eat or don't eat. Point: the issue is the proper discharge of our liberty has to be with charity. It doesn't matter if you eat or don't eat, what matters is how you exercise your liberty in Christ. If you feel like you can go in and do that, you can. But if you offend someone because you are doing that, you might be getting them to violate their own conscience. Paul said if eating meat offends my brother, I will be a vegan for the rest of my life (not exactly what he said). Said I WILL EAT NO FLESH WHILE THE WORLD STANDETH-1 Corinthians 8:13. Paul is saying this is a non-optional thing as far as our liberty goes. We are not under the Law. We don't have a list of rules we follow in order to be spiritual. Living under grace is not like living under the Law. There is no punishment for those who exercise their liberty, even if the thing you are doing is not the best choice you could have made. Think about that. Just because you have liberty to do something, does not mean that you should do it. It means you can do it, and it will not be a sin against God. If you understand that an idol is nothing, and that there is no god like God, and that the meat is unaffected, you can you eat the meat which is offered to an idol. That's liberty.
1 Corinthians 8:9		9 But take heed lest by any means this liberty of yours become a stumblingblock to them that are weak. Paul is saying that even if you know an idol is nothing and even if you know you can eat the meat because it is not tainted and even if you know there is only one True & Living God, a weaker brother may not yet understand this. Therefore your liberty must be limited by your love for this brother. Not because you have an emotion for him but you V&E him like your heavenly Father does and do it for the same reasons He does. TAKE HEED LEST BY ANY MEANS THIS LIBERTY OF YOURS BECOME A STUMBLING BLOCK: What is the point of learning to properly exercise our liberty in Christ if, in eternity, God will just magically make it happen. Example that our liberty will not be inappropriate in eternity but will learn to use it just as we are learning it here. We have liberty but we are restraining that liberty in this particular circumstance. MM showing that if there was godly purpose to our liberty here, MM believes that godly purpose will continue there. Don't use your liberty to cause someone else to stumble. Sin of selfishness(Thinking about yourself more than you are thinking about others). Call it abusing your liberty IN Christ, call it not living with others in mind, call it being an offense to others, but it all boils down to selfishness. This says a lot about why the first core feature of godly love that is presented in the Sonship education is selflessness. Ties to the beginning of the education and Romans 12:3-selflessness. To think of yourself more highly than you ought to think (Romans 12:3) is to sin against God and against our fellow members of the body of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:9		9 But take heed lest by any means this liberty of yours become a stumblingblock to them that are weak. THIS LIBERTY OF YOURS BECOME A STUMBLINGBLOCK THIS LIBERTY OF YOURS BECOME: Liberty is the issue of the chapter. STUMBLINGBLOCK: Point: Do not use or allow your liberty to become a STUMBLINGBLOCK to them that are weak. MM says you can choose to do that and because you've been instructed by your apostle to have godly love and charity for your brother, that's the reason you're doing it. When you make that choice to limit your liberty for the sake of your brother in Christ you are being conformed to the image of God's Son. A process in your inner man is taking place so that is who you are really becoming. In the future, you will now do that because that is who you now are and it will be different from I'm doing to now because I know that's what the scripture is having me do so I am V&E my fellow brother. I'm going to limit my liberty on their behalf. This is godly love and charity. You are making a decision that is Christ in you. You want His life. If you do that and do that, the Spirit is in there working that word in your inner man. And then one day, it won't be the decision, it will be the default. MM says this is what you are taking with you when you go at the BLESSED HOPE-Titus 2:13 and that will be part of the measure of where you will be in the heavenly places and what you will be tasked with. Because more of these skills you develop the more you will be able to labor with your Father and that's what we are after.
1 Corinthians 8:10-11		EX Three guys invited to the heathen friend's banquet and the 3 believers are there. One of the guys sees something that makes him think the meat was offered to idols at the temple or maybe he asked one of the servants and they say it was offered to an idol. Then he announces to his two brothers in Christ at the table, this meat has been offered to idols. One of the two smiles at that and looking at the host and not wanting to disappoint him and wanting to exhibit great liberty in Christ, accepts the plate and goes about his business. The other of the two declines the plate because he doesn't want to put the brother with the weaker conscience on a spot where it may be making him violate his own conscience.
1 Corinthians 8:12-13		There is guiding principle of how we manage our liberty. This is how we live our liberty responsibly. Notice it is in regard of curtailing our actions which are not sinful. It is a principle of abstinence. It does not work the other way, as in doing something for the sake of a weaker brother. For example, praying with him for rain or for physical healing. That is no longer an issue of liberty.
1 Corinthians 8:12		12 But when ye sin so against the brethren, and wound their weak conscience, ye sin against Christ. WHEN YE SIN SO AGAINST THE BRETHREN YE SIN AGAINST CHRIST: MM says this is a line that we don't want to cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 8:13	Instruction in Righteousness	13 Wherefore, if meat make my brother to offend, I will eat no flesh while the world standeth, lest I make my brother to offend. Instruction in Righteousness - Paul is going to make some ultimate sacrifices in his liberty and he is not going to insist on his rights. MM says we are living in a day, it's probably been this way throughout the world all along, but people are insisting on their rights. MM says the greatest freedom is not the freedom he has as a citizen, but that which he enjoys being a son of his heavenly Father. Not everyone lives here. Are we supposed to make them think the only way you can truly have a great Christian life is if you live in a country like this? MM thinks that Princeton in Nigeria, where the government is persecuting Christians, can have a very fulfilling Christian life because of his freedom in Christ, which no government can take away, which no government can influence. If this freedom (GH: national?) is your main freedom, then you are going to be griping everyday of your life. But if you'll live out of the freedom given you in Christ, you can rejoice no matter where you live in the world. Doesn't mean we shouldn't try to live in a free society, MM is just saying don't make the lesser one the more important one. Make the greater one the more important one. This is the guiding principle of how we manage our liberty.
1 Corinthians 9	The Pattern of Liberty	**Please see 'People : Paul : Times Paul Refused Ministry Support' in the Commentary.** The Pattern of Liberty: Paul sets himself as the pattern of liberty. He is going to talk about how he lives out of the liberty he has in Christ and what it means for him. Pulls back the curtain on what is going on in Paul's life and you see things that you never really saw before. Because Paul is not a whiner. Like Paul coming here and at the break and saying let me tell you about my ministry with the Corinthians and taking you behind the scenes and saying here's my liberty and here's how I put my liberty into practice with the Corinthians and I did it for these reasons. He is going to show the pattern for this. Paul gives 3 reasons to curtail our liberty. MM doesn't believe that he means that to be a rule, think he means for that to be the measure of how liberty is really working in love. Because when it is, no one would have to tell you that, you would naturally want to do it that way. Paul defends the fact that he is an apostle and he is going to lay the groundwork for an argument about how he practices his liberty as an apostle who has authority to do certain things, but he will abstain from doing those things because of his liberty. Paul is going to spend the entire chapter talking about himself as a picture or example of how our liberty is properly used. The reason Paul starts off with a defense of his apostleship is to establish the truth that even Paul, as an apostle of Jesus Christ, with the authority that goes along with that, even Paul is going to sacrifice some rights and curtail his liberty.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9	The Pattern of Liberty	So, Paul will use himself as an example of how liberty works. Paul loved them so much and every time they mistreated him and threw it back in his face every time he exhibited that love toward them. They supported the FALSE APOSTLES financially but questioned Paul's apostleship. These guys said it and they followed it. Paul said it and they discredited it. The Corinthians didn't know them longer, they came along after Paul. MM points to the verse where Paul says you guys are the very evidence of my apostleship because I'm the one who brought you the gospel that you got saved by and helped you organize your church. Paul is going to say I haven't taken a dime from you guys and I'm not going to, even though God has ordained that those that preach the gospel should live under the gospel. I'm going to refrain from that because I don't want my ministry to be hindered because as soon as I do, all those false apostles are going to say he was just after money while they are taking their money and smiting him in the face the whole time. And Paul does all of this lovingly, laying all of this down because if his great love for them. Paul didn't love the Corinthians because of their behavior, he loved them because of who he was in Christ. You can do this too. Remember, we don't love people based on what we do. MM says the good news is that we all predestinated, we are all going to get conformed to the image of His Son. That's going to happen. The bad news is that it is not automatic on this earth. You are going to have to be engaged with the scripture and with your heavenly Father for that process to get done. This is going to determine what you are going to be doing in the heavenly places. God wants fully educated sons & daughters who He can sit down and talk about THE AGES TO COME and put in our hands the ability to carry out those ages to His glory.
1 Corinthians 9	The Pattern of Liberty	Paul is using himself as the picture/example of how we limit our liberty, how we manage our expectations as saints, how we give up our rights as sons, for the good of others because we love them. Paul is teaching us by example that this is how it is done. Now, if we try to do this in our flesh, we are going to be miserable. We won't want to limit our liberty and if we do, we will complain about it. Complaining is the signal for several things: 1) that we don't love our fellow saints 2) the doctrine has not yet worked in us 3) we are being selfish 4) we need to engage in the edificational process and be transformed When you find yourself complaining about…whatever, stop and ask yourself if that is coming from godly love. Stop and consider if there is a doctrine that was working in you, would you feel differently about it?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9	The Pattern of Liberty	Stop and ask yourself, “Am I taking pleasure in infirmities, in reproaches, in necessities, in persecutions, and in distresses for Christ’s sake?” The answer is to advance your Sonship life so that you don’t think about complaining. Even though Paul is teaching them the truth about giving, it is not so he can receive; it is for their spiritual benefit that he teaches this. Because of the circumstances in the assemblies, Paul has never taken a dime from the Corinthians, but he “suffers all things” so that the work of the gospel is not hindered. It is not the norm, but Paul is making a Sonship decision to limit that which he should expect and, by God’s ordination, has a right to. And he is doing it so that he does not hinder the spiritual work he is trying to do with them. Unfortunately, some ministers today use all kinds of schemes as they “beg” for money: using guilt, fear, intimidation, greed, etc. The gospel should be presented and the work of the ministry performed as a “free gift” with no strings attached. From the preacher’s point of view, the ministry should be performed “with simplicity!” This makes it all the more important that mature churches support the ministry and its ministers, so that they might preach the truth “without charge.” Paul limits his rights, his authority as an apostle, and his liberty for the reason of him, by love, serving the Corinthians.
1 Corinthians 9	The Pattern of Liberty	The overall doctrine of liberty is to get our focus, not so much on the reward at the JSoC, but really seeing our reward being that others are benefiting spiritually. Paul is not diminishing the eternal reward, but that reward is really about Christ in him. Paul said that his “temperance” allowed him to run the race so that he would obtain the prize; he worked to “keep under his body and bring it into subjection” so that he, himself, would not become “a castaway.” But not so the Israelites. Paul is talking about limiting his liberty as he runs the race to win the prize. Those who do so will receive an incorruptible crown at the judgment seat of Christ (JSoC). Form of Doctrine: * 9:1-2 Reproof * 9:3-14 Correction * 9:15-27 Instruction in Righteousness
1 Corinthians 9:1-14		Paul shows that he has given up the right to be supported financially by the Corinthians (Paul is limiting his liberty) in order that the gospel message not be compromised and be successful. Paul says they that preach the gospel should be supported by that gospel, but Paul's not going to do that because of the circumstance that he is in. It would actually give fodder to his enemies and allow them to accuse him of being in it for the money or trying to improve his own situation. So Paul is not going to do that. MM says if you get technical about it, even though there are those churches and individuals who are supporting Paul, Paul isn't charging anybody in order to preach the gospel.
1 Corinthians 9:1-2	Reproof	Reproof

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:1		1 Am I am not an apostle? am I not free? have I not seen Jesus Christ our Lord? are not ye my work in the Lord? Remember that Paul's apostleship was constantly called into question. He is laying the groundwork to show his example in liberty and the proper exercise of his liberty. There was a group at Corinth which questioned Paul's claim to be an apostle of Jesus Christ and using scriptures to do it. There was a group of ministers, who called themselves apostles, who were attempting to put the Corinthians back under the Law. MM references FALSE APOSTLES-2 Corinthians 11:13, HIS MINISTERS ALSO BE TRANSFORMED AS THE MINISTERS OF RIGHTEOUSNESS-2 Corinthians 11:15, and IF A MAN BRING YOU INTO BONDAGE-2 Corinthians 11:20. These men were bringing the saints at Corinth back under the bondage of the Law. Therefore, it makes sense that when they talked about the credentials of an apostle, they would have used Peter's qualifications for an apostle back in the time past of Israel's program.
1 Corinthians 9:1		1 Am I am not an apostle? am I not free? have I not seen Jesus Christ our Lord? are not ye my work in the Lord? When the false apostles came to Corinth after Paul had established the home churches around the city, they no doubt had designs on two things: 1) enriching themselves - make money/personal gain, as ministers of the adversary 2) pulling the saints away from Paul's doctrine - doctrinal corruption. Now understand that Paul got there first. Finding that Paul had taken no money from the Corinthians either for himself or for the ministry, they craftily used this against Paul. They boldly affirmed to the Corinthians that Paul was no real apostle because he had not accompanied Christ during his earthly ministry and they doubted he had really saw the Lord, just had his word on that (using the qualifications of an apostle from Israel's program-Acts 1:20-22), and the fact that Paul demanded no financial support from the Corinthians to sustain him (this was proof to them that he was not a real apostle and why he is not doing it he doesn't deserve it), proved that Paul knew he was no apostle and therefore he had no right to their support. Their reasoning was, if Paul knew himself to be an Apostle, why did he not use the rights of an apostle?
1 Corinthians 9:2	GH: SEALED verse	2 If I be not an apostle unto others, yet doubtless I am to you: for the seal of mine apostleship are ye in the Lord. Paul is saying, to some people, he is not an apostle, But surely, he is to the Corinthians because they are a SEAL Of his APOSTLESHIP. He is saying they are the proof of his apostleship. The face that you guys have come to Christ and that you are doing the things, you understand the things that you do and the things you are doing, you're proof of my apostleship. OTHERS: The false apostles. FOR THE SEAL OF MINE APOSTLESHIP ARE YE IN THE LORD: To some people, I'm not apostle, but surely I am to you. They the are proof of his apostleship. The Corinthians themselves were proof of the validity of Paul's apostolic ministry. SEAL: In this case, SEAL means a confirmation, a guarantee, or a proof. THE SEAL OF MINE APOSTLESHIP ARE YE: The "seal" of Paul's apostleship is that he was the one who showed up in Corinth to preach the gospel of Christ, he was the one who organized them into churches, he was the one inspired to write scripture. MM says these are pretty good qualifications. Even though I'm not an apostle to the false apostles, I should be to you because we have a history together.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:3-14	Correction	Correction
1 Corinthians 9:3		3 Mine answer to them that do examine me is this, THEM THAT DO EXAMINE ME IS THIS: Paul is being scrutinized by some in Corinth to decide whether they believe Paul's claims of apostleship; "them that do examine me." Paul's life, ministry, treatment of the church, it is all under the microscope - he, his ministry, and everything he does is examined.
1 Corinthians 9:4		4 Have we not power to eat and to drink? Paul gives his answer to those who question his apostleship. MM says if you take this verse in isolation and don't read the rest of the passage it becomes very confusing. HAVE WE NOT THE POWER TO EAT AND TO DRINK: MM says eating and drinking are the necessities of life. The right thing for them to do would have been to supported him in that. Paul is saying shouldn't I expect that my necessities would be taken care of? POWER: Means authority or privilege, to eat and drink WITHOUT SECULAR EMPLOYMENT. Paul is saying, as an apostle of Christ, "Don't I have the right to expect you Corinthians to support me (food, the necessities of life) without my having to work a separate, secular job?" Paul is not telling them something they didn't already know. They are already aware of their obligation to support apostles.
1 Corinthians 9:5		5 Have we not power to lead about a sister, a wife, as well as other apostles, and as the brethren of the Lord, and Cephas? Demonstrates that ministers not only expected themselves to be supported, but also their family with them. Then Paul uses Peter (Cephas) as an example of this. So, the apostles certainly could marry and expect their wives to be supported with them. Paul is saying not only should I expect that you would take care of me, but you would take care of my family with me as well. It wouldn't just be enough for me. MM says Paul doesn't have a wife here but they support the other apostles in a manner that they can support their whole family. Can't we carry our families with us and expect that we're going to be able to take care of them?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:6		6 Or I only and Barnabas, have not we power to forbear working? Paul is asking, “Don’t Barnabas and I have the same privilege to be supported without us working a secular job, as the other apostles do? Is it just him and Barnabas? There were times in Paul’s ministry where he made tents to support himself. This would have been especially true in the beginning of his ministry before there were assemblies of believers who knew Paul and was ministered to by him. No one really knew him so who was going to support him? But there were other times when he did not, and this is one of those times. There's no Internet or PayPal or Venmo so Paul is making tents, working to make a living. Here he is not making tents and putting all of his efforts into the ministry. So he was being criticized. People were saying he has other people supporting him and he's not even working a job. Paul is asking the question, it is just me and Barnabas that have to work these jobs because everybody else that you guys are supporting, they're not working outside of their ministry either. So why is that just for us and not for them? Is it just me and Barnabas? Why are we the only ones being criticized because we don't have a secular job? MM mentions a seminary he attended that had a doctrinal position of Pastors being bi-vocational or having a secular job. He has done that before. A Pastor has liberty to do this.
1 Corinthians 9:6		6 Or I only and Barnabas, have not we power to forbear working? FORBEAR WORKING: People say 'Paul made tents'. MM mentions a seminary that believed every preacher should be 'bi-vocational'. He should preach on Sunday but work another job through the week and they got that from Paul because Paul made tents. Paul is saying don't we have the ability to FORBEAR WORKING and just concentrate on ministry? To not have to work. Not talking about working in his ministry. Talking about working outside of his ministry.
1 Corinthians 9:7		7 Who goeth a warfare any time at his own charges? who planteth a vineyard, and eateth not of the fruit thereof? or who feedeth a flock, and eateth not of the milk of the flock? If you plant a fruit tree in your yard do you get to eat of that fruit? Sure you do. Paul lists three vocations where the individual is supported in his labors, and so it is for a preacher of the gospel. 1. WHO GOETH A WARFARE ANY TIME AT HIS OWN CHARGES: The soldier doesn’t go off to fight the war by paying for it himself, that would be unreasonable. What soldier pays for his own travel and food to the battlefield, buys his own ammunition, buys his own weapons, supplies his own uniform, brings his own tent, supplies his own medical supplies, brings his own doctor, etc.? What kind of army would you have if this was the case? If a guy goes to warfare, the nation pays for that. 2. WHO PLANTETH A VINEYARD, AND EATETH NOT OF THE FRUIT THEREOF: The farmer who plants the grapes, tends the vines, and harvests the grapes, has the right to eat some grapes. Think of any farmer. He plants it, he takes care of it, he harvests it, and he has the right to eat of the harvest. A guy's got a vineyard but can't eat a grape? 3. OR WHO FEEDETH A FLOCK, AND EATETH NOT OF THE MILK OF THE FLOCK: The shepherd feeds, leads, waters, protects and cares for the flock or herd is entitled to some of the milk or wool. Here's a guy that has sheep. Do you think he will get any of the wool? He's a guy that's got cows. Do you think he will get any of the milk? Of course.
1 Corinthians 9:8:10		Paul points out that the Law of Moses supports his claim by quoting from 'Thou shalt not muzzle the ox when he treadeth out the corn'-Deuteronomy 25:4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:9		9 For it is written in the law of Moses, thou shalt not muzzle the mouth of the ox that treadeth out the corn. Doth God take care for oxen? THOU SHALT NOT MUZZLE THE MOUTH OF THE OX THAT TREADETH OUT THE CORN: When the ox is out there pulling the plow, every once and a while it'll lean down and get a mouthful of that corn and start chewing as it is working. The law said don't muzzle it. That thing is eating corn the whole time it's plowing. Let it be true. This is establishing the principle we are talking about here.
1 Corinthians 9:10		10 Or saith he it altogether for our sakes? For our sakes, no doubt, this is written: that he that ploweth should plow in hope; and that he that thresheth in hope should be partaker of his hope. Can the principle in v9 be applied to what we are talking about here? Absolutely. IN HOPE: Hope that he will get a crop. So if a guy is doing work, he ought to get some of the fruits of his labor, right? That's what Paul is teaching them here in these verses.
1 Corinthians 9:11		11 If we have sown unto you spiritual things, is it a great thing if we shall reap your carnal things? Paul is saying I am sowing spiritual things into you. If you support me, isn't that fair? That is the point he is making. With this evidence (v7-10), Paul then asks this question. Paul is saying that it is proper for those who have benefitted spiritually to return a portion of material support to the one or ones who helped them. Therefore, we offer material support to those who have led us to Christ and labor in the word that we might grow in grace. CARNAL THINGS: Talking about finances. He is establishing what God has actually ordained and he is going to say that.
1 Corinthians 9:12	Suffering = SUFFER ALL THINGS	12 If others be partakers of this power over you, are not we rather? Nevertheless we have not used this power; but suffer all things, lest we should hinder the gospel of Christ. Paul is saying you support others? Why not me? The Example of Precedent: The Corinthians were supporting other ministers, so Paul asks why he should not also expect the same support, especially since he was the founding apostle of the church. IF OTHERS BE PARTAKERS OF THIS POWER OVER YOU, ARE NOT WE RATHER: You're already supporting other people, you are already doing this. If you would do it for them, you're not doing it for us? Why? NEVERTHELESS WE HAVE NOT USED THIS POWER; BUT SUFFER ALL THINGS, LEST WE SHOULD HINDER THE GOSPEL OF CHRIST: Paul is enduring some things from a group among the Corinthians who doubt his apostleship lest the gospel of Christ should be hindered. Paul is an apostle and he has the right to be supported but because of the situation at Corinth, if he were to take support from you, it would actually hinder the ministry that he is trying to have with them. Therefore, he hasn't used this power. He doesn't want this to be the reason for them to reject the ministry he is trying to have among them. Not just giving the gospel to the lost, this is an all-encompassing term that is talking about the ministry that he is having with those who are believers. Putting that all under one heading. Paul is saying if it hinders his ministry and their ability to see and learn the truth, if my taking support from you hinders that, he would rather die than that happen. And he means it. MM says Paul had unbelievable care for the Corinthians.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:12	Suffering = SUFFER ALL THINGS	12 If others be partakers of this power over you, are not we rather? Nevertheless we have not used this power; but suffer all things, lest we should hinder the gospel of Christ. And the Corinthians mistreated Paul. They tolerated the FALSE APOSTLES that abused them and then questioned Paul's apostleship. And it doesn't matter if he takes money or he doesn't take money, they are going to criticize him either way. This does not determine how Paul feels about them. MM asks have you ever had somebody love you that much no matter how you treated them, that is how they thought about you? This is how the Lord Jesus and our heavenly Father feel about us. This is how MM knows that doctrine is working in the apostle Paul because that was what was working in him. He didn't invent that, that got generated in him. MM says it is easy to feel this way about people who love and care for us but really difficult to feel that way about people who are kind of dismissive to us or maybe even slighting us or even making our life difficult. SUFFER ALL THINGS: Paul says there are some things I could do but they would hinder the gospel so I suffer all these things I'm looking at. I endure them. He is not talking about physical sufferings, he is talking about a different issue. He is suffering all of these things because he doesn't want his response to hinder the gospel. THINGS: Lack of things he actually needed to be able to take care of himself. He is willing to do this because that's how much he loves the Corinthians. THIS POWER: The fact that they have been receivers of spiritual things. And they have some responsibility now to help support Paul and his ministry. But he has not taken anything for himself or for his ministry.
1 Corinthians 9:13-14		Paul uses an example of this principle from the Old Testament (OT) priesthood, where the priests received a portion of the sacrifices which were brought to the temple. That's how they made a living, it came out of that. The priest got the ribs or the porterhouse and God wasn't mad about that, it was designed that way. Notice that this issue of supporting ministers is what God ordained. This is God's plan. But also notice that Paul is practicing what he is preaching. He has this group in the Corinthian church that is dead set against him. They are looking at everything he does so they can discredit him. Notice what Paul is doing, how Paul is sacrificing, and how Paul joyfully sets aside his liberty for a group of complaining, carnal, mal content babies who question his very apostleship. Paul endured things most believers would not put up with.
1 Corinthians 9:13		13 Do ye not know that they which minister about holy things live of the things of the temple? and they which wait at the altar are partakers with the altar? Levites ministered the things of the temple and all the other tribes' giving supported them. Levites couldn't own land/couldn't grow crops. Levites just dedicated themselves to the service of the Lord. I (GH: God?) don't want them doing something else. I want them concentrating on this so all the other tribes supported the Levites. That's what the tithes were supposed to do back in the Israel program. Paul is saying if you got an ox and he's treading the corn, if he reaches down to get some, do you whip him and keep him from eating? Don't muzzle the ox. MM says the FIRST RESPONSIBILTY OF THE LOCAL ASSEMBLY is to unmuzzle the ox.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:14		14 Even so hath the Lord ordained that they which preach the gospel should live of the gospel. Ends the Correction aspect of this FORM OF DOCTRINE-Romans 6:17. THE LORD ORDAINED THAT THEY WHICH PREACH THE GOSPEL SHOULD LIVE OF THE GOSPEL: Those who minister the gospel should live of the gospel. Each church should support their ministers who labor in the work for them. It is legitimate that the Corinthians should support Paul. THE LORD ORDAINED: MM says when THE LORD ORDAINs things, those things are absolutely permissible. So it is a legitimate thing for the Corinthians to support the apostle Paul as an ordinance of God.
1 Corinthians 9:15-27	Instruction in Righteousness	Instruction in Righteousness
1 Corinthians 9:15-25		Paul will outline 3 reasons to limit/curtail our liberty: 1) for the sake of the gospel (the ministry we are trying to have with people) 2) for the sake of the lost, and 3) for the sake of ourselves.
1 Corinthians 9:15		15 But I have used none of these things: neither have I written these things, that it should be so done unto me: for it were better for me to die, than that any man should make my glorying void. Starts the Instruction in Righteousness aspect of this FORM OF DOCTRINE-Romans 6:17. Paul is educating them so that they can become the mature godly assembly that they ought to be and a mature godly assembly understands its responsibility to those that preach the gospel. Paul was certainly that guy. This is operating out of one of those practical offices (giving). There are advantages (for not having their patronage) which are more important to Paul than life. Paul would rather pine away in poverty and lack, be exposed to perils of cold and storm, than to lose the advantages of preaching the gospel without charge. Paul uses an anacoluthon to: 1) educating them as to what a mature, godly assembly ought to do, to give with simplicity as Paul taught back in Romans 12:8, and 2) he is demonstrating the limiting of his liberty for the sake of the gospel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:15		15 But I have used none of these things: neither have I written these things, that it should be so done unto me: for it were better for me to die, than that any man should make my glorying void. BUT I HAVE USED NONE OF THESE THINGS: NEITHER HAVE I WRITTEN THESE THINGS, THAT IT SHOULD BE SO DONE UNTO ME: Paul says that he has not been supported by the Corinthians and he makes it clear that he is not saying this so they will start supporting him. FOR IT WERE BETTER FOR ME TO DIE, THAN THAT ANY MAN SHOULD MAKE MY GLORYING VOID: See change at the middle of the verse - an anacoluthon. BETTER FOR ME TO DIE: MM says isn't this rather extreme. Not like 'I don't want to go to aunt Julie's house'. He is saying if I don't take anything from you and it costs me my life/perish than take it and have it hinder the message, this is how much it means to me. Paul wants this do badly that he is willing to give up what God has ordained that he should have, even if it costs him his life so he can do this work. This is the visible manifestation of just how badly Paul wants this and is willing to do it.
1 Corinthians 9:15		15 But I have used none of these things: neither have I written these things, that it should be so done unto me: for it were better for me to die, than that any man should make my glorying void. ANY MAN SHOULD MAKE MY GLORYING VOID: MY GLORYING: He is glorying in the fact that he is not taking any compensation for his ministry among the Corinthians. He is glorying in the fact that he has made a Sonship decision which, although detrimental to himself, was spiritually beneficial for them, for it removed any obstacle on his part. For the sake of his ministry, he has decided to forego something that is rightfully his. MM says sometimes we think of liberty as being something that's kind of optional, but Paul limits things that are absolutely legitimately his to claim. But for the sake of being successful in his ministry, he refuses to do that. He wants to make sure what is happening to them, he wants to be successful in his ministry, and the way he is dealing with them is not an obstacle to any of that. So Paul is not allowing the Corinthians to support him because there's something going on there that would hinder the work that he was trying to do among them. Even though God has ordained that Paul SHOULD LIVE OF THE GOSPEL-v14, Paul is not going to take that.
1 Corinthians 9:16-19	Doctrine : The liberty to volunteer to do necessary things	Doctrine : The liberty to volunteer to do necessary things (if all you are interested in is reward, if you are not going to do it willingly, you might as well say no because there's no reward there - how does that glorify Him?). **Designed to:** *** change our attitude toward unpleasant or previously unwanted tasks** (Paul you are going to be an ensample of how to do things by the power of My Grace; Paul didn't volunteer for it but once God explained it to him, he used his liberty to say 'I'm in', I'm choosing to be committed to this.) *** create a desire to perform these tasks, not from an eternal reward but for a reward that is more immediate AND not for himself but for others**. [the spiritual benefit of those you are ministering to]. (MM says the world doesn't look at it this way. When they've got something that they didn't volunteer to do and they don't necessarily want to do and it's not what they were thinking the wanted to do, if they are made to do it, then you are going to have to listen to them complain about it and make sure everybody knows it.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:16-19	Doctrine : The liberty to volunteer to do necessary things	MM says if you live this way, the world looks at you like a kook but he suggests you are going to be doing this in the heavenly places with your brothers and sisters in Christ. So you need to develop this skill here. MM knows it is contrary to the way the world thinks but you have to come to the place where you realize that the wisdom of this world is going away. Paul's attitude and practicing of this was completely counter-cultural to the way they did things in those days.
1 Corinthians 9:16-18		Why would Paul say that if he had been preaching the gospel since Acts 9? Because the only gospel Paul knew in Acts 9 was the gospel of God. He could use the O.T. scriptures to prove it. Show Christ was prophecied, that the Son of David would raise from the dead. Comes back from Arabia, and begins to teach the Gospel of Christ. Paul is preaching a Gospel here that no one ever preached before him. Then Paul makes it worse - circumcision AVAILETH NOTHING AND UNcircumcision AVAILETH NOTHING - Galatians 5:6.
1 Corinthians 9:16	GH: GLORY Definition	16 For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea, woe is unto me, if I preach not the gospel! **GLORY: Glory can mean to boast or exult in.** Paul is essentially saying even though he is preaching the gospel, there is no reward for him preaching the gospel. Even though God ordained for Paul to live of the gospel, Paul is choosing to forego that support for the furtherance of his ministry. Paul does not glory in the fact that he is preaching the gospel. He indicates that this was thrust upon him, it wasn't his idea. He, of course, is referring to the call that God Himself put upon Paul to carry this message, so the fact that he is preaching the gospel is nothing for him to glory in. FOR NECESSITY IS LAID UPON ME: He is compelled by the Lord. He appears to him and then goes off and gets instructed, etc. This wasn't my idea, I didn't volunteer for it, I didn't ask for this, the Lord laid it on me. GH: MM says that God doesn't do this often because it impinges on your free will. You are kind of in a position where you feel like you can't say NO. No one would volunteer for this because no one knows about a dispensational change at that point.
1 Corinthians 9:17		17 For if I do this thing willingly, I have a reward: but if against my will, a dispensation of the gospel is committed unto me. Paul is saying: "If I voluntarily obey the call given to me to preach the gospel of grace, then I will have a reward at the JSoC, but if I preach out of obligation or force, then I am simply discharging the trust which was committed to me." That seems to indicate that there would be no (JSoC?) reward for that. If we do anything out of obligation and not "willingly," then we are going about it the wrong way. To do something as "unto the Lord" entails our attitude as well as our actions. It is possible to be forced into some action or circumstance, and choose to do it whole heartedly, and in fact, voluntarily. The qualifier is IF I DO THIS THING WILLINGLY. It wasn't his idea, he didn't volunteer for it, so how can he do it WILLINGLY? Paul is talking about the attitude with which you do it. Point: If I do this thing willingly, it's like Paul is looking at this thing that God called him to do and he has decided this is what I am, I am now choosing to do it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:17		17 For if I do this thing willingly, I have a reward: but if against my will, a dispensation of the gospel is committed unto me. THIS THING: MM thinks Paul has both preaching without being paid and preaching the gospel in mind. BUT IF AGAINST MY WILL: I do it but it's not what I want to do. I don't want to do it but it's my duty. MM says there will not be a reward for this. Means the only thing he is doing is what he's been told to do. MM says you can choose to do it WILLINGLY and cheerfully and if you do, you have a reward. But if all you are doing is what you have been told to do, that's not good enough. MM doesn't believe there is a reward for that because of the motive/attitude/mindset. POINT: It is not only doing the right thing it is doing it for the right reason. That makes a difference with God. Your liberty gives you the ability to do this so there will be a reward at the JSoC.
1 Corinthians 9:18		18 What is my reward then? Verily that, when I preach the gospel, I may make the gospel of Christ without charge, that I abuse not my power in the gospel. REWARD: Even if REWARD-v17 is talking about JSoC, reward here is not. MM thinks this is a more immediate reward that comes right here in this life and this is the one that is motivating him in this life. Paul is not looking at a “heavenly” reward, although there will be one. Paul’s “reward” is in seeing people come to Christ/save you guys, yes, but it is also in seeing the Corinthians grow in grace and experience a changed spiritual life. If, by refusing their support, Paul nullifies an accusation, and removes any hindrance to his message, then his reward will be seeing the Corinthians grow in grace and get their Sonship back on track by all the corrective doctrine that he is giving them. Because of his great love for them, and his intense desire to see them grow in grace and to become, in practice, the saints they have been called to be. Paul’s greatest reward is to see the Corinthians conformed to the image of God’s Son. And he wants that more than anything. The real reward Paul is after is not the eternal reward, but the immediate reward of the Corinthians believing his message. For Paul, the reward was the Corinthians growing in grace. This doctrine within the overall doctrine of liberty is designed to move our focus from the reward at the JSoC, to the reward of seeing others benefit spiritually. Paul is not diminishing the eternal reward, but that reward is all about him, (really, Christ in him), while the more immediate reward is about others. MY POWER: Paul was an apostle.
1 Corinthians 9:19-23		Paul has the liberty to become all things to all men (MM tying to the first aspect or definition of liberty). In other words, he can tailor his witness to suit his audience. Paul is using his liberty to minister to all kinds of different people in different situations and in different cultures in different ways, for the purpose of giving them the gospel. Paul is just trying to find some type of footing to give people the gospel and his liberty allows him to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:19		19 For though I be free from all men, yet have I made myself servant unto all, that I might gain the more. MM says a big portion of the Corinthians liked to picture themselves as elitists. Can you imagine their thinking when Paul says this? Paul is really talking about his ministry being successful there. This really takes godliness. We know Paul is a free man, he does not belong to anyone else. And since he is preaching WITHOUT CHARGE-v18, then he doesn't have to give in to any group or patron. But, as a free man, by a loving act of his will, Paul makes himself "servant unto all." While the "servant" is metaphorical in one sense, in the sense of his ministry, it is actual. Paul has made himself a servant to "all" for the sake of the gospel, for the sake of his ministry with the Corinthians. Paul is an apostle, but he is leading as a servant, someone who is "below" the Corinthians; more "foolishness of the cross!" We can imagine what was going through the minds of the elite as they watched Paul willingly become a servant in order that they might be saved, and edified. Another might put themselves into servanthood to pay off a debt, but Paul is not gaining some advantage for himself, it is all for those he is serving. This verse shows us that it is Paul's intention to save as many people as possible. Paul is not saying I did this so I could get ahead. He said I am doing this for your benefit. That's the GAIN to him, that they actually were edified and were able to move forward. I MADE MYSELF SERVANT UNTO ALL: The pastor, in turn, while not relinquishing his position or authority, becomes a servant to all the members of the assembly.
1 Corinthians 9:20-23		While Paul will not violate his own faith (for example, he will not adopt the religions of those he ministers to), he will adapt himself to his environment as much as his faith will allow, and this will all be for the purpose of winning others to Christ. Paul was a Jew, so he used that to connect with Jews. He was also a Roman citizen, so he used that to connect with Gentiles. Paul is going to adapt himself to all different kinds of situations and people that he encounters so that he can give them the gospel or actually teach them the doctrine as he was doing with the Corinthians. MM says sometimes people go too far in trying to be like the people they are trying to reach. Thinks there is a limit to this. EX Paul wouldn't have gone in and participated in worship at the temple of the goddess Aphrodite in order to gain a hearing with them. But he is willing, because he is a Jew, to use that to make a connection with Jews. Because he is Roman, he is willing to use that to make a connection with Gentiles. Paul gives a list of all the things that he is willing to do in order to be able to win them to Christ or to actually see them grow in grace.
1 Corinthians 9:20		20 And unto the Jews I became as a Jew, that I might gain the Jews; to them that are under the law, as under the law, that I might gain them that are under the law; UNTO THE JEWS I BECAME AS A JEW TO THEM THAT ARE UNDER THE LAW, AS UNDER THE LAW
1 Corinthians 9:21		21 To them that are without law, as without law, (being not without law to God, but under the law to Christ,) that I might gain them that are without law. TO THEM THAT ARE WITHOUT THE LAW, AS WITHOUT THE LAW

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:22		22 To the weak became I as weak, that I might gain the weak: I am made all things to all men, that I might by all means save some. TO THE WEAK BECAME I AS WEAK I AM MADE ALL THINGS TO ALL MEN, THAT I MIGHT BY ALL MEANS SAVE SOME: Paul is able to do this because of his liberty in Christ, he is given liberty to do this. MM says isn't it great that people don't have to come to a church and sit down in a seat to hear the gospel and be saved. Paul now has the ability to carry the gospel to a lot of different people in a lot of different ways. Talking about giving the gospel to a lot of different people in a lot of different circumstances and even in different cultures in a way that he can relate to them. This is one of those positive aspects of our liberty. This is not talking about the limiting of his liberty, but it is talking about the things he is able (allowed) to do.
1 Corinthians 9:23		23 And this I do for the gospel's sake, that I might be partaker thereof with you. Paul has dedicated himself to the preaching of the gospel, to win as many to Christ as possible, so that he could spend eternity with many (be a partaker with them of eternal life). Paul has limited his liberty for the good of getting the gospel to the lost, and he has limited his liberty for the spiritual good of his brothers in Christ. MM thinks since the Corinthians are saved, GOSPEL here may be in a larger encompassing way, the doctrine that Paul is teaching them. Paul is saying we are all going to heaven together but at the same time, we're all going to be edified by this doctrine so we get edified unto godliness, we get conformed to the image of God's Son. That's what Paul is really after. THIS I DO FOR THE GOSPEL'S SAKE THAT I MIGHT BE A PARTAKER THEREOF WITH YOU: MM thinks it is talking about 2 things: 1. PARTAKER with you of the eternal life that is ours in Christ. 2. PARTAKER with you of all of these things that the doctrine is meant to produce in you.
1 Corinthians 9:24-27		The Isthmian Games and the victor’s wreath are likely what Paul was referring to. Paul says we ought to run to win, MM does not think that he means we compete with each other (which is what you do in an earthly race), but you compete with yourself. We don’t slack off thinking “someone else will do it, I don’t need to worry about it.” Someone else will “break the record,” or “someone else will finish the race,” or “someone else will win Christ,” or “someone else will “know Him,” NO! We run like it is up to us! Run like you want to “know Him” in all His fulness. Run like to “win Christ” is important to you. - v25:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:24		24 Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye may obtain. Paul is going to give a third reason to limit his liberty and this one has to do with himself/myself and his own spiritual good. Paul has dedicated himself to preaching the gospel but he has also dedicated himself to preaching those doctrines that will mature those people in the faith. RUN IN A RACE: Talking about a race metaphor to talk about how we are supposed to conduct our spiritual life. MM says he doesn't think Paul is talking about us competing with each other. Sees it more like a 4x4 relay. If one wins the whole team wins. MM likes the thinking as a body. Remember the context - Paul is saying there are some things I have the liberty to do, but they don't necessarily help me run the race the way it's supposed to be run. And those are the things I set aside myself so I can win the prize, so I can stay focused on what's really important here.
1 Corinthians 9:24		24 Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye may obtain. RECEIVETH THE PRIZE: The Isthmian Games (similar to the Olympics), which took place every three years near Corinth, were familiar to all in Corinth. Paul uses two events to make a point here (running and boxing/fighting). First, Paul uses the metaphor of a runner in those games on how to conduct our spiritual life; he is running to win the prize. This is not a suggestion that only one person gets a reward at the JSoC. He is not saying only one person is going to get a prize, because there are a lot of people in this DOGG and it is not over yet. MM says there's this idea that those who are involved in Sonship have somehow postured themselves as more elite than anybody else in Christendom and we are trying to set ourselves above everybody else. This is not really what this is about. MM mentions just covering that the focus should not be eternal reward at the JSoC but the immediate reward of actually benefiting our fellow saints spiritually. This is the direction that Sonship is meant to go. PRIZE: Paul is after godliness. GH: MM tying to 'I press toward the mark for the prize of the high calling of God in Christ Jesus'-Philippians 3:14. MM thinks PRIZE has multiple aspects to it: * Part of the PRIZE is THE EXCELLENCY OF THE KNOWLEDGE OF CHRIST JESUS-Philippians 3:8.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:25		25 And every man that striveth for the mastery is temperate in all things. Now they do it to obtain a corruptible crown; but we an incorruptible. Paul gives us a key to obtaining the prize; it is self control. EVERY MAN THAT STRIVETH FOR THE MASTERY IS TEMPERATE IN ALL THINGS: Any man who plans on winning the race goes into strict training, is going have to train for it. And that is why we place the emphasis on this being in an education like we do. We are training to run this race and this is going to be training in Paul's doctrine. We have to learn the doctrine so we can put it into practice. The athlete or an accomplished musician foregoes present pleasures for the sake of a future accomplishment and become the best in the world in what they do. But in doing that, they paid a price for that while everybody else is out doing GH: normal things/living life. Now if an athlete will do what he does to win a physical race and obtain a corruptible crown, what should we be doing to win this spiritual race and obtain an incorruptible crown? MM says he reads this and gets challenged by this and says this is the race he wants to run. This is a race we can all engage in. But everything you need to successfully run this (Sonship) race is either done for you by the Lord Jesus Christ and you receive as a free gift of grace by putting your faith in Christ and you got Christ. Now it is up to you about what you are going to do about that.
1 Corinthians 9:25		25 And every man that striveth for the mastery is temperate in all things. Now they do it to obtain a corruptible crown; but we an incorruptible. TEMPERATE: Paul said that his “temperance” allowed him to run the race so that he would obtain the prize; he worked to “keep under his body and bring it into subjection” so that he, himself, would not become “a castaway.” But not so the Israelites in chapter 10. CROWN...AN INCORRUPTIBLE: GH: Ties to Israel Program exhortation AN ORNAMENT OF GRACE UNTO THY HEAD - Proverbs 1:9. CORRUPTIBLE CROWN: A guy runs and wins a marathon. The Isthmian Games' crowns were made of wilted celery. MM says imagine what that crown looked like after a week. INCORRUPTIBLE (crown): There is a reward for this. This thing doesn't fade away, it's not made of celery. This is an eternal crown. MM says there's a whole lot to this. Has to do with our heavenly vocation, our part in our Father’s business throughout the ages to come for all eternity, our placement in the creature. This is an actual trophy which represents just how well we have run the race; just how much we have been conformed to his image. Paul knows that the reward at the JSoC is real, but that position in the heavenly places (HP) is only the reflection of the race that was run. The real prize, the real win, is to have the saving life of Christ being lived in us and through us on a daily basis, right here and now on this earth. GH: MM tying to Philippians 3:14.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 9:26	GH: Spiritual Warfare verse	26 I therefore so run, not as uncertainly; so fight I, not as one that beateth the air: Paul is saying that he has a choice to make. He can do what his flesh naturally wants him to gravitate to and do, or he can turn to godliness and there is a reward for that. Paul says that if you are going to run, run to win. Act like you are serious about it. Paul is going to move from running the race, to another sport, fighting/boxing, and he will continue this theme of self-discipline. The boxer endures in order to win the title. He not only trains hard and limits his freedoms in order to improve his skills as a boxer, but as he "runs his race," he is hit and beaten up and bloodied in the process for their desire of fame and fortune which will all pass away. In the Isthmian Games, the victors crown was made from withered celery, but our reward is eternal. (run) UNCERTAINLY: EX Running as fast as possible and not pacing yourself. MM says if you were a really smart boxer you would study your opponent and you would understand the way he moves and what he does and how he fades, is he left-handed or right-handed? What's his strength? And you would train for that. Point: Paul is saying you need to prepare for this thing, you need to take it seriously. MM giving a list of all the sacrifices a world-class athlete makes to reach the pinnacle of their profession/sport. If people would go through all of that to win a title that is CORRUPTIBLE, what should we be doing to win a title that is INCORRUPTIBLE? Run to win. This has to be something that you are really engaged in. Talking about what it takes and the issue of self-control.
1 Corinthians 9:26	GH: Spiritual Warfare verse	26 I therefore so run, not as uncertainly; so fight I, not as one that beateth the air: UNCERTAINLY: It means you don't know what you are doing. You haven't trained; you are ill prepared. If you are in a long race, you start off at full speed not realizing you will need to pace yourself. If you are boxing, and all you do is "hit the air," then you may not have trained properly or worked on your craft. Paul is saying, let's not run our race, or fight our warfare like this. We need to learn, we need to train and we need to keep our eye on the prize, which means sometimes, we choose not to do those things which we have the liberty to do, but do not equip us for the task ahead. It may be a distraction, it may take up more time than is wise; but we make our own Sonship decisions about those things. NOT AS ONE THAT BEATETH THE AIR: To not engage in false spiritual warfare ideas (EX praying a hedge of thorns, casting out devils, spiritual mapping, breaking generational curses and hexes, binding Satan and rebuking Satan), we would not be fighting our adversary; we would be swinging at the air. If he can get us distracted by these things, we aren't affecting him at all. There would be a lot of "sound and fury," but nothing will have been accomplished. Paul says I'm not just swinging at the air. MM says remember when you think about spiritual warfare. BEATETH THE AIR: MM says all the commentators interpret this as shadow boxing but shadow boxing is not the fight. Can I guy be in a fight if he is just beating the air?

1 Corinthians 9:27		27 But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway. When Paul is talking about his body, he is talking about his flesh, the unredeemed part. Your soul and spirit are redeemed but this body hasn't gotten redeemed yet. Paul keeps his flesh into subjection GH: because if not and he preached to others, he would become a castaway and quit. Paul is making the application. Paul knows that if he doesn't keep his body under subjection, it will knock him out of the race, or get him knocked out in the fight. BUT I KEEP UNDER MY BODY, AND BRING IT INTO SUBJECTION: If you are going to run this race, you are going to have to have some self-control. LEST THAT BY ANY MEANS, WHEN U HAVE PREACHED TO OTHERS, I MYSELF SHOULD BE A CASTAWAY: MM says it is possible that in the midst of preaching to others, instructing others, helping others for you yourself to become a castaway by forgetting what got you to where you are. If you're going to quit working at it, if you're going to stop your training, if you're going to quit preparing, there is a danger. MM reminds of the warning he gave at the end of Romans where people get through the Simple Son education, there is a danger for some people to say to themselves I think I got it, I don't think I really need to stick with this any longer.
1 Corinthians 9:27		27 But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway. You come out of Romans and look around and see most preachers have no idea what you know. Not trying to be negative but Satan has a real opening to say, you are so far ahead of everybody else, you can kind of slow up here. No. Paul is saying run to win. Get the prize. Go after this thing. You are going to need some self control to do this. In the context of liberty, there are plenty of things MM could do this week but if he does them, he won't be as prepared on Sunday as he needs to be. SUBJECTION: OED: 1. The act, state or fact of exercising lordship or control; dominion, domination, control. CASTAWAY: Means that you will either drop out of the race on your own, or your opponent the adversary will knock you out of the fight. Either way, you will be out. Don't quit, and don't just make it to the finish line, but win the race; win the fight.

1 Corinthians 10:1-13	The Proper Application or Practice of Liberty	The Proper Practice of Liberty: Paul is going to talk to those people who have exercised their liberty to go into the idol temple and eat the meat offered to idols; and he is going to ask them some very probing questions. Yes, they are free to go in there and he is not telling them they can't, but when they do, they may not be making the best decision they could make for themselves or for the other believers in Jesus, especially those with a weak conscience. Paul gives 5 principal elements about the practice of liberty. Paul talks about idolatry again. Paul is going to speak to idolatry and the spiritual dangers associated with it. Was it possible for a believer in Jesus Christ to be an idolator? Yes, it was. And when people commit certain sins or have a certain lifestyle, other believers are prone to doubt their salvation. If we are not careful, our liberty can be abused to the detriment of the work of God, to our fellow saints and also to ourselves. If the policy of evil (PoE) has its way, our liberty in Christ will become so misunderstood and twisted that by its misuse, we end up in rebellion against God, accusing God of unrighteousness, and engaging in behaviors that are far outside the bounds of our liberty. Liberty, properly exercised, is a wonderful gift, but mishandled, it is spiritually dangerous. Get an example from Israel's history when someone doesn't have temperance, don't have self-control. Paul uses this to teach a lesson. Example that ties back to our liberty in Christ. Paul is going to take this principle of self-control and restraint, especially with regard to our liberty in Christ, (from 1 Corinthians 9:25-27) and show how these are the same kinds of things that caused Israel to fail in the wilderness. Remember that a large part of the church at Corinth were Gentiles. And we cannot take for granted that those Gentiles were necessarily well informed with the ancient history of the Jews. So, Paul brings these things before their minds as an illustration and admonition.
1 Corinthians 10:1-13	The Proper Application or Practice of Liberty	Paul is referring to a common meal which Christians commonly held. The ceremony referred to as the Lord's Table was often held at the end of the common meal, and Paul will talk about that in chapter 11. But here in chapter 10, Paul is going to contrast the common meal of Christians with the common meals served at the idol temples, for the purpose of demonstrating the inconsistency of partaking in both.
1 Corinthians 10:1-13	The Proper Application or Practice of Liberty	When we read the O.T., we can learn some things. He is not saying it is written for our practice, just that we are supposed to look at it and make some applications. There are things we can learn from the O.T. even though it is not written for the body of Christ. v1: I WOULD NOT THAT YE SHOULD BE IGNORANT: Pay attention and don't miss what I'm about to say. v6: THESE THINGS WERE OUR EXAMPLES v6: WE SHOULD NOT LUST AFTER EVIL THINGS v7: NEITHER BE YE IDOLATERS v8: NEITHER LET US COMMIT FORNICATION v9: NEITHER LET US TEMPT CHRIST v10: NEITHER MURMUR YE v11: ALL THESE THINGS HAPPENED UNTO THEM FOR ENSAMPLES v11: WRITTEN FOR OUR ADMONITION

1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	1 Corinthians 10:1-6 Talking about Israel's sanctified position in Christ. To be holy and set apart for God's designed purpose. v1: He doesn't want us to be ignorant of is two things: 1) the knowledge of our sanctification, and 2) the kind of attitude we are supposed to have toward our sanctification. Point: Israel went through a sanctification process when God brought them out of Egypt. And Paul says that is an example unto us. Israel didn't appreciate their sanctification. Paul is correcting the inconsistency of the conduct of the Corinthians with respect to their sanctified position in Christ. v1: PASSED THROUGH THE SEA: When they "passed through the sea," a purification took place in which they were sanctified.
1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	v2: In the Bible, a baptism is a purification unto sanctification which results in a new identification. Israel went through a baptism when they came out of Egypt. When God is making you holy in Christ by baptizing you by one Spirit into the body of Christ. Baptized is talking about your sanctification. You went through a purification unto sanctification so you could be set apart for the purpose that God designed you for, and that results in a new identification. You have to have that because you can't change outwardly if you aren't different from who you were in Adam. In Adam, you were UNDER SIN. Sin had dominion over you. Doesn't mean that you couldn't say no to certain sin, it just means that your identity was about the sin nature that was in you. There's nothing you could to in your unsaved condition to please God, because any good deed that you did was not a result of Christ in you, it's a result of self-righteousness, which God is not pleased with. Because self-righteousness is I don't need you God, I can do it on my own. This is what the nation of Israel said. They said we can produce our own justification. we don't need You. God wanted to deal with them by grace.
1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	v2 (cont'd): They were read 623 laws and what they should have said was there's no way we are going to do that. We know that because they already weren't doing it. Should be going I don't know anybody that can do that. And that's what God wanted to hear, we can't do it. God would have said, then let Me do it for you as a free gift of grace. But Moses reads the law and they say ALL THAT THE LORD HATH SPOKEN, WE WILL DO-Exodus 19:8. Lightning and thunder comes out and everybody runs for the hills. When the storm dies down, God says to Moses, read it again. The people come out, they hear again, and at the end they all that the Lord said, we will do. Lightning, thunder, now they are scared to come out. God says read it again. They come out a third time, Moses reads it again and they went, yeah, we'll do that. Here's what you know - BY THE DEEDS OF THE LAW SHALL NO FLESH BE JUSTIFIED-Romans 3:20. People read this and say, well, this is true for the DOGG but it wasn't true back in Israel's program. MM says it says NO FLESH, not 'no member of the body of Christ'. He thinks Israel is FLESH, like FLESH is going all the way back. Nobody ever got saved by keeping the law because if you are going to be saved by keeping the law, it demands perfection. Because the scripture says if you fail in one point, you are guilty of all. The only way to get saved is by keeping it perfectly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	v2 (cont'd): Who besides Jesus did that? There's no one and you can't. That's the whole idea. The law wasn't given to justify anybody. It was given to show you your need of God's grace. So the third time, God says, OK, fine. You think you can do it, let's just see. He put them under a performance contract. If you do good and you keep My law and walk in My ways and you keep My commandments, I WILL give you rain in due season, victory over your enemies, you'll have good health, your fruit trees will blossom, your cattle will multiply, etc. But if you break My law, if you abhor My commandment, if you walk contrary unto Me, I WILL punish you seven times more for your sins. Then He begins to list all of the things that will happen to Israel. They go through the first CoP and they didn't repent. GH: Same with 2nd, 3rd, 4th, and 5th CoP. Nobody ever got saved by keeping the law. Paul brings this up because they were so inconsistent in their conduct with regard to their sanctified position that they were given back there. When they came across the Red Sea, God is like, I AM going to give you a whole opportunity here, a sanctification that's going to be great for you. v4: Connection between the spiritual drink.
1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	v4: GOD WAS NOT WELL-PLEASED: v4: ALL DRINK THE SAME SPIRITUAL DRINK: FOR THEY DRANK OF THAT SPIRITUAL ROCK THAT FOLLOWED THEM: AND THAT ROCK WAS CHRIST: v4: FOR THEY DRANK OF THAT SPIRITUAL ROCK: GH: Talking about your sanctification. v4: ROCK: Capital R. v6: Paul says they were our examples. He is saying that Israel had desires for things which were not in line with their sanctified position in Christ. MM says don't think of this as a general statement. Paul has something specific in mind when he says they LUSTed AFTER EVIL THINGS. They didn't appreciate their sanctification and they had a bad attitude toward it. This is the lesson that is being taught to us here. Appreciate the sanctification that you have been given and make sure your attitude toward it is right. Israel despised it because the things the POE enticed them with appealed to their flesh. And they loved those things more than the sanctification this chapter is talking about. That's what they preferred. You got a purification unto sanctification that results in a new identification. You do not want to follow the attractions that the POE has put in this world. If you do, you're doing exactly what Israel did. They were our example not to do that.
1 Corinthians 10:1-6	GH: MM teaching 1 Corinthians 12:13 & spiritual gifts	v6: LUST AFTER EVIL THINGS: Because they did not value their sanctification, they actually longed for and lusted after things they did under Satan’s policy of evil, which has an aspect of holding out pleasures of sin to make sin attractive. Israel desired those things more than their sanctification. v6: EVIL THINGS: What the POE offered to them and entice them to love them more than their sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:1-5	Reproof	Reproof - The Benefits Given to ALL of Israel - Paul is making a point here: - They were all under the cloud - v1 - They all passed through the sea - v1 - They were all baptized unto Moses - v2 - They all eat the same spiritual meat (manna) - v3 - They all drank the spiritual drink (water from the Rock) - v4 They ALL got all of these benefits. Reminds of the spiritual blessings that are ours in Christ. But because we got all these blessings in Christ, it doesn't mean we will always discharge our liberty properly. MM says people get to thinking, I got this and this and this, I can just do whatever I want. Israel failed miserably with regard to this.
1 Corinthians 10:1	Doctrine : Essential Doctrine 4 of 6: Godly Sanctification	1 Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; 6-7x Paul says I WOULD NOT BE YE IGNORANT of this and then he gives you a subject matter. Should set an alarm off in your head. These are the areas that Satan is working the hardest to cause ignorance. Paul is saying pay attention and listen to what I'm about to say. I WOULD NOT THAT YE SHOULD BE IGNORANT: GH: Exhortation around Essential Doctrine 4 of 6: Godly Sanctification. Need to read the whole connected passage. Talking about the Red Sea crossing. God called them out of Egypt for His Purpose. That's what sanctification is, being called apart for God's Purpose. Essential Doctrine 4 of 6: I Corinthians 10:1 – Godly Sanctification - being called apart for God's Purpose
1 Corinthians 10:1	Doctrine : Essential Doctrine 4 of 6: Godly Sanctification	1 Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; MOREOVER: How you know this is still connecting back to the previous chapters (Ch 8-9). I WOULD NOT THAT YE SHOULD BE IGNORANT: There were also a percentage of Jews in the house churches in Corinth. And while they were much more likely to have the events of their history more readily in their minds, Paul does not want them to be ignorant of the circumstances which happened to the children of Israel that came out of Egypt and how that knowledge serves them now that they are members of Christ's body. Those Jewish members of the Corinthian assembly may well have been much like Christians today they know the O.T. from a "story" standpoint, but they do not really understand what was happening below the surface (so to speak) or how it pertains to the present. And Paul does not want them to be ignorant of the real message they are supposed to learn. They understood the story but not the lesson behind the story. HOW ALL OUR FATHERS WERE UNDER THE CLOUD: MM thinks Paul is speaking as a Jewish man. Otherwise, gives rise to a doctrine of us being spiritual Jews/Israel. ALL OUR FATHERS: The nation of Israel. ALL: Keeps saying ALL - making a point.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:1	Doctrine : Essential Doctrine 4 of 6: Godly Sanctification	1 Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; UNDER THE CLOUD, AND ALL PASSED THROUGH THE SEA: This was Israel. OUR: Doesn't mean Jews and Gentiles at Corinth. Paul uses the pronoun “our” because he is a Jew, and he is speaking from a racial standpoint. He is not saying that those people back there were “fathers” to the Gentiles in the Corinthian assembly. UNDER THE CLOUD: MM thinks this cloud led them so they knew where to go and it also covered them and sheltered them from the heat of the sun so that they were constantly walking in shade. And when the Egyptians drew close at night, it turned into a pillar of fire and became a barrier between the Egyptians and the Israelites. It was a measure of protection from both the heat of the sun and their enemies. It was a manner of provision for them. THE CLOUD: It was the pillar of cloud which went before them and led them by day, to lead them, and became a pillar of fire by night, to give them light. But it did a lot more than that. During the day, the pillar of cloud covered the whole assembly to shield them from the heat of the sun, so they were always in the shade. At night, it was a pillar of fire to give them light to see. It would also go behind them to provide a barrier between them and the Egyptians who pursued them. That is what it did, but what was it, really? It was the Shechinah - the visible symbol/manifest token of God’s presence, provision and protection.
1 Corinthians 10:1	Doctrine : Essential Doctrine 4 of 6: Godly Sanctification	1 Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; AND ALL PASSED THROUGH THE SEA: Is reference to them being delivered safely on dry ground through the Red Sea.
1 Corinthians 10:2		2 And were all baptized unto Moses in the cloud and in the sea; WERE ALL BAPTIZED UNTO MOSES IN THE CLOUD AND IN THE SEA: It means they were brought under the authority and guidance of Moses as their leader. He is God's spokesman, it makes him their leader. He is the one. THEY WERE BAPTIZED UNTO MOSES: Means they were brought under the authority and guidance of Moses as their leader. The affirmation that they recognize that God's Hand is with Moses. BAPITIZED: Baptism was a ceremony of cleansing, a washing for purification unto sanctification (your functional life) which resulted in a new identification. The miraculous cloud and crossing affirmed that God’s Hand was with Moses, the people are now identified with Moses, hence, they were “baptized unto Moses.” A baptism is a picture of cleansing or of washing. IN THE CLOUD: The miraculous cloud and crossing affirmed that God’s hand was with Moses, the people are now identified with Moses, hence, they were “baptized unto Moses.” Remember, you were baptized into Christ.
1 Corinthians 10:3		3 And did all eat the same spiritual meat; ALL EAT THE SAME SPIRITUAL MEAT: The manna. As a result of identifying themselves with God’s spokesman, they were all given the manna (spiritual meat) to eat. God gave manna to all of them. Angels food.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:4		4 And did all drink the same spiritual drink: for they drank of that spiritual Rock that followed them: and that Rock was Christ. ALL DRINK THE SAME SPIRITUAL DRINK: They all drank of the water supplied miraculously (spiritual drink) to them by God. Came from the Rock. God told Moses to strike the Rock and everyone of them were able to drink of that. THAT SPIRITUAL ROCK THAT FOLLOWED THEM, AND THAT ROCK WAS CHRIST: Paul is given to know something more than what was written back in the OT scriptures; that the spiritual Rock which followed them was Christ. “God” which was in the cloud was Christ! We usually attribute the presence of God in the cloud and in the fire as being God the Father, but now Paul tells us it was Christ; the Son. MM doesn't see anything in Exodus that tells you this. Names and titles used in your Bible: The Father will be all caps GOD (300+ times) and if it is God (2700+ times), then it is Christ/the Son. Christ is more prominent in the O.T. than people think or gave Him credit for. Means Christ is doing a lot more in the O.T. than He is given credit for. Point: Paul saying this is not off the wall. Christ is more prominent in the O.T. than we first think. ROCK WAS CHRIST: MM says he doesn't see anything in Exodus that says this. Believes this is inspiration and the Lord revealed this to him. He is the only one that could say this. ROCK: Christ
1 Corinthians 10:5		5 But with many of them God was not well pleased: for they were overthrown in the wilderness. Paul is warning the Corinthians, and by extension, any member of the body of Christ (BoC) who is misusing their liberty in Christ. This is the end of the “reproof” section of the doctrine. WITH MANY: Stands out after the 5 ALLs in v1-5. Even though God gave those five benefits to all, without exception, that did not mean He was pleased with all of them, for He was not. The result of God’s displeasure was that “many” did not reach the land of Canaan, but died beforehand. THEY WERE OVERTHROWN IN THE WILDERNESS: It means they disqualified themselves because of their disobedience and as a result they were not allowed entrance into the Promised Land. They died. OVERTHROWN IN THE WILDERNESS: They died.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:5		5 But with many of them God was not well pleased: for they were overthrown in the wilderness. OVERTHROWN: They were OVERTHROWN because of unbelief. They had no “faith” to trust God; they were mal contents with what was given to them, and they would not exhibit self control or restraint. They wondered where they were going to get water and complained when they got manna everyday, saying it would have been better for us to stay in Egypt than to die out here in the wilderness. MM asks does this sound like they are trusting God? This is the people that watched God part the Red Sea and drown the Egyptians. How could you look at that pillar everyday and wonder where's God? And this was true of them in spite of everything that God did for all of them, without exception. They were disobedient, they were idolaters, died not receiving the promise because of unbelief. They wanted to go back to Egypt. Don't get so proud and thinking you are good. If only 2 of the 335,00 made it in, equate that today. If there are 60 million Christians in the US (according to most polls), means about 200 believers from the U.S. would receive rewards at the JSoC. Think about the service to the Lord in the energy of the flesh instead of Christ IN you, this doesn't look completely out of bounds. MM says the JSoC will take a while but the rewards ceremony will not.
1 Corinthians 10:6-22	Correction	Correction
1 Corinthians 10:6-10		What the nation of Israel learned from Exodus (see the downward spiral): - Do not lust after evil things - v6 "they weren't satisfied with what God gave them" * Starts with the misuse of liberty. It doesn't start with a rebellious spirit, shaking your fist at God and declaring what you will or won't do. The misuse of liberty allows the PoE the opportunity to get us to lust after evil things. Evil things would be dependent on a person's background. - Do not practice idolatry - v7 "that enticed them to look for these things and now they have a moral failure - a downward spiral" * People say well, we don't do that, people haven't done that for so long. This is the next step in the downward spiral. They may not be setting up a golden calf and worshipping that but look at how the Bible defines idolatry. See STUBBORNESS IS AS INIQUITY AND IDOLATRY-1 Samuel 15:23 [Stubbornness toward God, regarding exercising your liberty. Saying there's nothing wrong with this, I can do it. Don't tell me what I can do. You're not living my life, I'm living my life.] and COVETNESS, WHICH IS IDOLATRY-Colossians 3:5. [If it causes our brother to offend, we should limit our liberty. Here our liberty is now something where we really have no right because it is going to work adversely toward our brother in Christ. That would be COVETNESS, really desiring it.]

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:6-10		- Don't commit fornication - v8 * - Don't tempt Christ - v9 - Don't murmur - v10 Paul means to use Israel as an example to the body of Christ who are misusing their liberty. This is the lesson here. When a person misuses their liberty, they are starting on a downward spiral where one thing leads to another where things naturally begin to regress.
1 Corinthians 10:6		6 Now these things were our examples, to the intent we should not lust after evil things, as they also lusted. SHOULD NOT LUST AFTER EVIL THINGS: The first thing they were to learn was not to lust after evil things. There is a downward spiral whenever a person misuses their liberty in Christ. The first step is that they begin to lust after evil things. For us, the misuse of our liberty provides an opening for the PoE to tempt us to lust after evil things. What those evil things are depends on the person, their background, any strongholds which are present, and the specific misuse of their liberty. LUST AFTER EVIL THINGS: Progression: the cause is the misuse of our liberty. That opens up an opportunity for us to lust after evil things. Next, stubbornness against God's truth (idolatry) begins to assert itself and we covet things which are not a part of our program. Read this and think they were doing terrible things and they just wanted to go back to Egypt-Numbers 21:4-6. EVIL THINGS: Depends on the person and their background. Correction portion of the doctrine. These things were recorded in Israel's scriptures to serve as an example to them, to Israel, of what not to do. For us to know about and learn a lesson about. He means to use Israel as an example to the BoC on the misuse of their liberty. When a person misuses their liberty, there's a natural downward spiral. Doesn't start with a rebellious spirit. The misuse of our liberty allows the PoE to get us to lust after EVIL THINGS. Paul is going to put back to GH: God's warning around the EVIL MAN and STRANGE WOMAN as our EXAMPLE.
1 Corinthians 10:6		6 Now these things were our examples, to the intent we should not lust after evil things, as they also lusted. EXAMPLE: Don't lust after those things, it's a pattern you follow. THESE THINGS WERE OUR EXAMPLES: MM says these are O.T. things. OUR EXAMPLES: Notice the case match between "our father" and "our examples." The "our" is a reference to Israel in the time past of their program. Paul is going to tell it to the Corinthians so that they learn from Israel's failures, but the point here is to say that the immediate example was to the nation of Israel. TO THE INTENT: What we are supposed to learn.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:7		7 Neither be ye idolaters, as were some of them; as it is written, The people sat down to eat and drink, and rose up to play. Notice the pronoun change as Paul now begins to refer to the Corinthians, and not to time past Israel. Was OUR FATHERS with the Jewish connection to YE talking to the Corinthians in general, Jews and Gentiles. This is the next step in the downward spiral. NEITHER BE YE IDOLATORS: You would think it would reference graven images but that is not what it says. Says THEY SAT DOWN TO EAT AND DRINK, AND ROSE UP TO PLAY. MM says it expands you view of idolatry, doesn't it? NEITHER BE YE: Changes pronouns again - talking to the Corinthians. To YE not WE. SOME OF THEM: THE PEOPLE SAY DOWN TO EAT AND DRINK, AND ROSE UP TO PLAY: From 'the people sat down to eat and to drink, and rose up to play'-Exodus 32:6.
1 Corinthians 10:8		8 Neither let us commit fornication, as some of them committed, and fell in one day three and twenty thousand. Not a warning if you do this in the DOGG, He will kill you. MM tying to Numbers 25:9. There is a spiritual danger/danger to them spiritually we need to be aware of - it has eternal consequences. It will put their spiritual life to death. FORNICATION: 1 Corinthians is full of this warning against fornication because, while moral failure may or may not have physical consequences, it always has spiritual consequences which are intended to destroy you spiritually. It is not a warning that if you do this in the DOGG, God will kill you, although it gets preached that way a lot. MM says if God killed everybody who was committing fornication today, there would not be much traffic on your drive home. This is not what's happening. But there's a spiritual danger that we really do need to be aware of which is actually worse than the physical, because the physical just happens. The spiritual has eternal consequences to it. FELL IN ONE DAY THREE AND TWENTY THOUSAND: MM tying to AND THOSE THAT DIED IN THE PLAGUE WERE TWENTY AND FOUR THOUSAND-Numbers 25:9.
1 Corinthians 10:9		9 Neither let us tempt Christ, as some of them also tempted, and were destroyed of serpents. First place the big issue shows up. Corinthians were balking at enduring the sufferings of Christ (v1-10). Corinthians were having problems in this very area and they were balking at enduring the sufferings of Christ. Let spiritual things dominate in church and quit their Sonship. The Israelites spoke against God's plan for them and what Moses was doing - THE PEOPLE SPAKE AGAINST GOD, AND AGAINST MOSES-Numbers 21:5. NEITHER LET US TEMPT CHRIST: MM says you have to be asking how to not do that?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:10		10 Neither murmur ye, as some of them also murmured, and were destroyed of the destroyer. NEITHER MURMUR YE: The kind of temptation you are going to be faced with in Level 2 of your education. You are going to be faced with issues of murmuring and complaining. Murmur = Complain NUTSHELL: Tempting Christ is succumbing to the POE when it is not trying to get you to quit but it's trying to get you to complain about what is happening with you with the SUFFERINGS OF CHRIST. When you say, 'I am sick and tired of this,' now you are tempting Christ. When you say that, you are either saying: a. don't know about the bigger issue for which you are suffering or b. don't care about the bigger issues I just want to quit suffering
1 Corinthians 10:10		10 Neither murmur ye, as some of them also murmured, and were destroyed of the destroyer. Your attitude is extremely critical. The way you conduct yourself in your Father's Business is more important than you can know right now. Not talking about the general complaining (price of gas or milk, things of life). This is murmuring and complaining about your Sonship and the Sufferings of Christ. In the beginning, POE was to make you quit. When you don't quit, it is to make you murmur and complain about suffering under the POE. This is somebody in LEVEL 2 of their Sonship and they are being directly attacked by the POE because of their Sonship and they are not going to quit but the attack is geared to get them to go around murmuring and complaining about the fact that they're SUFFERING WITH CHRIST. God said when you do that, you have completely undone that big issue that was behind everything. When you are a LEVEL 2 son, what comes out of your mouth has a big impact on things. You are going to be responsible for watching what you say and watching what you do because you're realizing that just the words that come out of your mouth can completely destroy the main issue that God has at work here. The ones who "tempted Christ" were destroyed of serpents and the ones who murmured were destroyed of the destroyer.
1 Corinthians 10:10		10 Neither murmur ye, as some of them also murmured, and were destroyed of the destroyer. MURMUR: It means that they complain against God about everything and how He is doing things, they accuse God of being unrighteous, and they blame God for the consequences of their own actions. They have come to the place where there's a real rebellion against God. The main point is that Korah and some others decided to murmur (complain, turn the congregation against Moses). When they did, God immediately released a plague that, if had not been for Moses' and Aaron's quick actions would have wiped them out. Instead, 15,000 die in a matter of minutes. Satan would love to get members of the BoC to this point, where they lust after evil things, when their hearts became stubborn, then they give in to their lusts to commit moral sins, they tempt God and finally they blame God. Point: God performed so many benefits for all of those in Israel when they came out of Egypt and crossed the Red Sea, but that did not prevent the people from going back into idolatry and rebellion against God, and then when the consequences of their rebellion kicked in, they murmured against God to their own destruction. Paul is making the same point for those in the DoGG, the difference being that the danger is primarily spiritual. DESTROYED OF THE DESTROYER: MM tying to THAT YE MURMUR AGAINST HIM-Numbers 16:11. The plague that came against them.

1 Corinthians 10:11		11 Now all these things happened unto them for examples: and they are written for our admonition, upon whom the ends of the world are come. He'll go down a couple verses and say those temptations are an ENSAMPLE to us. ENSAMPLE: For Israel, it was an ensample, it was something they were supposed to learn by. Is something more than an example. It not only means you follow this pattern exactly, but it includes how you follow the pattern. An “ensample” is something that you ignore to your own peril. Meaning: These two oppositions (EVIL MAN and STRANGE WOMAN) that came to Israel are coming to you in the exact same way. It's an ensample. That pattern is going to be exact and there is a way to say NO to those oppositions and that is going to have to be following precisely. Just as the world/COTW/EVIL MAN came against Israel, it is coming against us. Just as the POE/STRANGE WOMAN uses the world (gold and silver off those graven images), it's going to use that against us. Then there's a straight POE attack to try and mislead folks and Paul will tell you what those things are. Meant to draw you away from your Sonship. You are at liberty to walk away from it. If you walk away, God is not going to cause you to lose your job/get sick. There are some (GH: eternal) consequences to that action.
1 Corinthians 10:11		11 Now all these things happened unto them for examples: and they are written for our admonition, upon whom the ends of the world are come. ALL THESE THINGS HAPPENED UNTO THEM: The the things that happened to Israel in their program. OUR ADMONITION, UPON WHOM THE ENDS OF THE WORLD ARE COME THE ENDS OF THE WORLD: Represents the end of the ungodliness or WORLD OF THE UNGODLY-2 Peter 2:5 in this world and the ungodliness in the heavenly places. MM says these don't happen at the exact same time. ENDS OF THE WORLD: Two programs - there's an end of Israel's program and there's an end of the DOGG. ENDS: Plural - about both programs. There is an “end” in relation to God’s program with Israel, and there is an “end” in relation to the DoGG. That is the one Paul is referring to, so he says “ends.”

1 Corinthians 10:12		12 Wherefore let him that thinketh he standeth take heed lest he fall. Instead of using their liberty to serve one another in love, the Corinthians were using their liberty for their own personal gratification. This is a misuse of their liberty. In 1 Corinthians 9:25-27, Paul talks about limiting his liberty so he could run this race and win the prize and receive an ICORRPTIBLE crown. In view of this, MM thinks this verse is about loss of reward. In Israel, a whole generation came out of Egypt and crossed the Red Sea. Only 2 actually made it to the Promised Land in the Bible, Joshua and Caleb. MM thinks there may have been more. Maybe it was the children. When they came out of Egypt, there were 335,000 ready to fight in the army. If only 2 out of that adult group made it in, let's do a thought exercise. Think of the people in Israel would were all that self-righteous stuff and how many actually made it into the land of that adult generation? Only two get a reward. No one would have thought that in the beginning. Thought experiment: 60 million Christians would equate to 200 people. Think about the amount of service to the Lord done in the energy of people's flesh instead of Christ in you. All of these other motives rather than love for God or love for the brethren, all of a sudden that 200 number doesn't look completely out of bounds. Paul is using Israel as the example, MM is just extrapolating the numbers. Point: The JSoC may take a while but the reward ceremony may not. LEST HE FALL: About losing reward. MM tying back to the race/fighting analogy from 1 Corinthians 9:25-27. Doesn't think anybody is losing their salvation here.
1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. Even though we are secure in Christ and we know about the victory over the powers of darkness (HE LED CAPTIVITY CAPTIVE-Ephesians 4:8) by His death, burial and resurrection, we are still vulnerable to Satan’s accusations, temptation and deceptions. This is the victory we share in. We didn't win it, it was given to us as a free gift of grace. Now that we are justified saints/JUEL, we can never be owned by the adversary no matter how despicably we may live we'll never be owned by Satan. But it is possible for some saved people to be controlled by him and it is even probable that many believers are influenced by him. We are still vulnerable to Satan's accusations, the things that he would put into our mind that run contrary to the scripture. We are also vulnerable to his temptations and lastly, his deceptions. It is the “outer circle” of the target that we find most of his accusations, temptations and deceptions. If we are deceived and believe his lies, he can gain some measure of control over us. The only thing Satan can do is suggest. He cannot make you do it. We have to realize who we are and the victory that was won by Christ and then we have to believe that is true even when Satan is whispering something else into our minds. When you are tempted, see those temptations, not as a promise of something you want or enjoy or life, but you see it as Satan’s disguised means/method of gaining some foothold in your life, in your mind, and then in your soul. If you do this, you are much more likely now to treat that temptation for what it actually is.

1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. We are not the first to lose a loved one, suffer financial difficulty, have a disease, lose money, suffer calamity. As you progress through your Sonship education and you are moving up, Satan cannot put something on you above that which you have been equipped to handle. Two elements: 1. God will not allow Satan to put on you what you are not able to bear 2. You are not going to be where you are now - you are going to move up and when you move up, the attacks move up POE attacks will ramp with your education. But he has to deal with you right where you are in the education. You are never going to have the POE come against you to a greater degree than where you have advanced as a son but when you get there, that doctrine has to effectually work IN your inner man so that you will be able to bear it. Whatever is coming our way, that is how we are able to bear that. The promise is not that God will take away the problem, the suffering or the adversity. Paul tells us these “sound words” are what makes us able to “bear it.” COMMON TO MAN: GH: SOPT?
1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. NO TEMPTATION TAKEN YOU BUT SUCH AS IS COMMON TO MAN: With every temptation, God makes a way of escape that you may be able to bear it/escape it. MM says he used to use this verse to say God will never allow more to be put on you than you are able to bear. That is true when you are under the SoC, Satan is never able to attack you at a level above where you are. But the SOPT are not under that kind of control. Means even a person who is not strong in their character or constitution can undergo horrific things in the SOPT to where they don't feel like I don't want to go on anymore and take their life or wish they could die. MM says the doctrine is suffcient to do that but if you don't know that doctrine, this verse has no application for you. This verse only applies to you, in both categories of suffering IF you know the doctrine because it is the doctrine that effectually works to produce that. It's an automatic thing with the SoC. Not an automatic thing with the SOPT. Can't just look at this verse like a magic wand. Have to have the doctrine to be able to make that happen. Satan has to play by the rules. Whereever you are in your education is only where you can be attacked - to the doctrine you have attained to. Have to have it to be attacked. MM says you want it don't you?

1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. TEMPTATION: Systematic theology would say this is tempting you to sin. It is not. Trial or test. Need to be clear about what this is. You can't define a word the same every time you run into it - can't happen. Tested or tried. It's NOT about temptation to sin. You are never going to be able to see that for for what it is (GH: if you think temptation to sin). WILL NOT SUFFER YOU TO BE TEMPTED ABOVE THAT YE ARE ABLE: Talking about the SoC. Satan doesn't get the green light to put any attack on you/can't throw the kitchen sink at you from the beginning. Not until you are 3/4 of the way through the SIMPLE SON education does Satan even take notice of you to attack you personally with the POE. When an attack is coming, it will give you the nature of that attack and train you to endure that attack before that attack takes place. God is not giving you a quiz on material that you have never covered. **You will only be tried in areas that you are educated in**. Should give you great comfort.
1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. TEMPTATION (cont'd): Have you ever noticed that what tempts you may not be so tempting to another person? Those things are different. Those temptations that are from without lack power unless there is a corresponding desire within. So if there is a weakness, if there is a stronghold, if there is something in your background that you have not gotten rid of, and Satan can connect his temptation with that, you'll think he has the power because it'll really feel like, oh I'm really drawn to this, I'm really going to do this, I want to do that. Explains Jesus's statement in John 14:30. Most believers will not be tempted to commit overt sins (EX go kill someone because they made you mad or did whatever even if the thought came into your head) because Satan is too subtle for that. He knows we would recognize the flagrant wrong and we would be unlikely to act on them. That is not to say that such crazy thoughts might not pop in our minds; but when they do, those who are uninformed will wonder what is wrong with them for thinking such things. Usually, the tactic is to take a good thing and blow it beyond its proper proportion like our liberty in Christ.

1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. SUFFER: Allow WAY OF ESCAPE: If you are dealing with an area where you have failed over and over or repeated failures, you may need to go back over the Sonship Transformation videos. Learn how to pull down any stronghold, identify the lie that Satan is telling you (in whatever temptation category), counter that lie with the truth from God's word, resist the temptation and then stand on that truth/stand firm in the victory that Christ Himself has provided for you/made available to us. This is how that gets done. The way of escape is always provided to you early on in the temptation, not at the moment before you fail. It's not at the last second, it's at the first second. The further you go in the process before you take your way of escape, the less likely you will just remember that. The earlier you quit debating and make a Sonship decision based on the doctrine, the greater your way of escape. Is not the last second, the WAY OF THE ESCAPE is at the first second, always at the very beginning. So when the lie comes into your mind, the way of escape is to immediately confront that with the truth from the scripture and make a choice to obey the truth of the scripture. Every time you do that, you're getting rid of that connection in you that makes that so appealing from Satan. And you come to a day where like Jesus you can say THE PRINCE OF THIS WORLD COMETH AND HE HATH NOTHING IN ME-John 14:30. Once we have taken back ourselves from the influence of the adversary, and overcome his temptation, stand fast in the victory that Christ won. THAT YE MAY BE ABLE TO BEAR IT: The Sonship education/curriculum is what enables you to bear that TEMPTATION (trial/test). If you are looking at Romans 8:35 and think I don't know how I will go through these, you don't need to know. All you need to know is that God has put it in the curriculum and when you get here you'll never be tested in to before you get there.
1 Corinthians 10:13	GH: Doctrine >>>>>X10 Suffering	13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. Nutshell: The "temptation" and "tempted" in this verse are not talking about being tempted to sin, but they refer to "the trying of your faith." When it says "with the temptation also make a way of escape, that ye may be able to bear it," it is talking about the provision made by the Sonship curriculum that enables you to "bear it." That is what is taking place as you go through the curriculum. There isn't anything happening to you Corinthians that isn't happening to everybody. It's COMMON TO MAN.
1 Corinthians 10:14-15		Point: Flee idolatry.
1 Corinthians 10:14		14 Wherefore, my dearly beloved, flee from idolatry. Paul is not talking about suffering at the hands of their enemies (Romans 12:19), he is telling them to get away from idolatry. If Paul is telling them to flee from idolatry some of them are obviously doing idolatry. MY DEARLY BELOVED: Paul wrote this letter to chew them out but he still loves them like the Philippians [2:12; 4:1] and Timothy [2 Timothy 1:2]. Paul is describing how he feels about them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:16-22		Paul shows the folly of trying to continue fellowshipping with idolatrous worshippers after you have come to Christ/becoming a believer is Christ.
1 Corinthians 10:16		16 The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ? **Please see 'Definition : Communion' in the Commentary.** Most believers in Christian circles think of/view communion as a little ceremony where we eat a little cracker and drink grape juice from a tiny cup and we think that's communion. But when the Bible is talking about communion, it goes way beyond the meaning of that and it actually falls short of the true meaning of the word. Paul is talking about the bigger issue of communion here. House churches throughout the city would occasionally come together and share a meal. This was not uncommon. Two things are at work here: 1. The meal itself. Covered in 1 Corinthians 10. 2. Would observe that ceremony, the Lord's Table at the end of the meal. Covered in 1 Corinthians 11. Two things - the meal and the observance of the ceremonies. Paul is making a contrast to celebrate communion set against a meal in the idol's temple. He is making a contrast between the gathering of all these saints to celebrate a fellowship or a communion with each other. He is going to set that in contrast to what's happening if you were to enter into the idol's temple and participate in the meal that's going on.
1 Corinthians 10:16		16 The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ? Paul asks two questions: 1. IS NOT THE COMMUNION OF THE BLOOD OF CHRIST: One concerning the communion of the blood of Christ. We are identified with Christ through His blood. Is the very basis of our identification with Him. 2. IS NOT THE COMMUNION OF THE BODY OF CHRIST: One concerning the communion of the body of Christ. COMMUNION: Greek word is translated in other places as FELLOWSHIP. These two terms are very closely related. When we believe the gospel, the Spirit of God identifies us with Christ. Therefore, we are “in communion” with Christ when we believe on Him.
1 Corinthians 10:17		17 For we being many are one bread, and one body: for we are all partakers of that one bread. We are not the One Bread, we are the partakers of the One Bread. We have “communion” with other believers as we are members of Christ’s body, and therefore we have “fellowship” on that basis. Not only does “the fellowship of His Son” join us to Christ, but it also joins us to every member of His body. Our union with Christ and with the members of His body requires that we consider our relationships in this world, and that we separate from inappropriate relationships. ONE BREAD: Jesus Christ. We have communion with Him: * by His Blood-v16 * by this Bread * by His Body-v16

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:18		18 Behold Israel after the flesh: are not they which eat of the sacrifices partakers of the altar? Paul uses an example from Israel's worship to demonstrate separation "unto God." When the worshipper brought the sacrifice and the priest offered it on the altar and does the sacrifice, part was burned at the altar and certain parts of the sacrifice were returned to the one who brought the sacrifice for their own consumption. The priests also were allowed certain portions. Their consuming these portions showed their identification with the altar and with God. Paul is asking a question 'is the priest going to eat the portion that he gets?' Yes. Is the guy that brought the sacrifice going to take home a portion and eat of it? Yes. When you do, you are now partakers of the altar. If you bring a sacrifice and it gets made and then you take that with you when you go home with that and your family eats that, they are by that act showing themselves to be in unions with the altar. MM says if they that eat of that which was sacrificed are partakers of the altar, when you go to the Idol's temple to sit down at that common meal, you are now identifying yourself with a table of devils because in the temple, it's an act of worship.
1 Corinthians 10:18		18 Behold Israel after the flesh: are not they which eat of the sacrifices partakers of the altar? He is going to make a big difference/distinction between: - buying that meat in the open market place. - for if some believer brings you over to his house and is serving you meat that was offered to an idol. - going into the idol temple and participating at that table, participating in that meal. Get different instructions on all 3 of these. Take these 3 scenarios and make wise Sonship decisions in our own life that aren't about going into a temple of a false deity or buying meat sacrificed to idols because that's not the issue for us today. MM says when you go to Wal-mart, no one asks if this has been sacrificed to Zeus? But you can take those principles and apply them.
1 Corinthians 10:19-20		Paul has pointed out that when one participates at the Lord's Table, they illustrate their identity with Christ. When the Jews ate of the altar, they were identified with the altar and with God. And in the same way, the Corinthians' participation at the idol temples actually identifies them with devils.
1 Corinthians 10:19		19 What say I then? that the idol is any thing, or that which is offered in sacrifice to idols is any thing? Paul affirms that an idol, in and of itself, is nothing, it is not a god who made the idol. The idol was made by man, the idol itself is not a god. That image is not a "god." An idol has a mouth but it can't speak; it has hands, but it can't touch; it has a nose, but it can't smell; it has feet, but it can't move. THAT THE IDOL IS ANYTHING: No, it's not anything. THAT WHICH IS OFFERED IN SACRIFICE TO IDOLS IS ANY THING?: Did the meat change because it got offered in sacrifice to a false god? MM says there is nothing about the meat that changed. It is not reverse transubstantiation, it's not suddenly turning into something else. If you put it under a microscope, it's exactly as it was before. Paul is affirming what he started in 1 Corinthians 8:4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1	GH: Spiritual Warfare verse	20 But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils. Now you are in their temple. To go into the temple and eat that meat you are a partaker of that false God's idol. It is not right to eat at the Lord's table one day and the devil's table the next. If you are SEPARATED from Satan's realm and SEPARATED unto God, I WOULD NOT THAT YE SHOULD HAVE FELLOWSHIP WITH DEVILS. If you go into the temple and eat that meat you are a partaker of that false god's altar. Paul says you can't meet with other believers and have a common communion one day and the next day go in and be partaker of the altar of false gods. He is talking about participating in that sacrifice, going into the temple and being a part of that. You can't be a partaker of the Lord's Table with believers and then be a partaker of a sacrifice in the idol's temple. Paul is saying that is hypocritical to do that. SACRIFICE TO DEVILS: False gods. The Gentiles that don't know God, they're sacrificing to devils. DEVILS: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses.
1 Corinthians 1	GH: Spiritual Warfare verse	21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils. Couldn't be a partaker of the Lord's Table and the altar of devils. Paul states that the Gentiles are actually sacrificing to devils. DEVILS: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses.
1 Corinthians 1	Three Major Aspects of Communion	Three Major Aspects of Communion (Fellowship) 1. IDENTIFICATION - with Christ (communion with Christ based on His shed blood) - by His Blood - The blood of Christ is the very basis of our identification with Him - THE COMMUNION OF THE BLOOD OF CHRIST-1 Corinthians 10:16 - by His Death, Burial, and Resurrection - we "hold in common" the benefits of what He accomplished in His death, burial and resurrection. (Romans 6:1-4) - by His position in the heavenly places - RAISED US UP TOGETHER AND MADE US SIT TOGETHER IN HEAVENLY PLACES IN CHRIST-Ephesians 2:6 - There are other blessings we could list * with other believers

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 1	Three Major Aspects of Communion	* our union with Christ makes us a union as members of His body - we are identified with the Lord; there's a communion or fellowship we are supposed to have among ourselves; because of this, it makes a difference rather or not we separate ourselves from some things because we have this identification with the Lord and you are participating in something that is obviously not of the Lord, that is running counter to the identification we are supposed to have. 2. SEPARATION - issue of holiness - is two-fold: - Separation FROM - from Satan's realm - WHO HATH DELIVERED US FROM THE POWER OF DARKNESS-Colossians 1:13 - Separation UNTO - unto GOD (As believers, we are all separated unto God as His possession) - PECULIAR PEOPLE-Titus 2:14 Paul is pointing out in Corinthians 10 when these people come together, they are supposed to be demonstrating or making manifest their IDENTITY with Christ and their SEPARATION unto God. ENDS Correction part of doctrine - 1 Corinthians 10:22 STARTS Instruction in Righteousness - 1 Corinthians 10:23
1 Corinthians 1	Three Major Aspects of Communion	3. LIMITATION (to/of your liberty - ALL THINGS ARE LAWFUL FOR ME [MM says this was a saying amongst the Corinthians that represented the culture; a saying that was repeated.], BUT) - true communion knows when to limit our liberty and when not to limit our liberty - to things which are improper - EXPEDIENT - ALL THINGS ARE NOT EXPEDIENT-1 Corinthians 10:23 - to things that bring us under their power (addiction) - I WILL NOT BE BROUGHT UNDER THE POWER OF ANY-1 Corinthians 6:12 - to things which do not edify - ALL THINGS EDIFY NOT-1 Corinthians 10:23
1 Corinthians 10:22		22 Do we provoke the Lord to jealousy? are we stronger than he? It is not right to eat at the Lord’s Table one day and the devil’s table the next. To do so, is an affront to God. This ends the correction section of the doctrine.
1 Corinthians 10:23-33	Instruction in Righteousness	Instruction in Righteousness

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:23		23 All things are lawful for me, but all things are not expedient: all things are lawful for me, but all things edify not. This begins the instruction in righteousness portion of this form of doctrine. MM translates this as I have the liberty to do whatever I want to do with my time this week but not everything will edify you. GH: MM tying to the TIME element in Romans 13:11. ALL THINGS ARE LAWFUL FOR ME, BUT ALL THINGS ARE NOT EXPEDIENT: Spiritual maturity is not found in the exercise of our liberty to do those things which are not expedient. ALL THINGS ARE LAWFUL FOR ME: Paul is quoting the 'Corinthians slogan'. MM doesn't think Paul is the one saying this. Paul quotes it 4x in 1 Corinthians. Thinks this phrase was in the letter from Corinthians sent to Paul. Paul quotes it again in the same verse. MM says this was a saying amongst the Corinthians that represented the culture; a saying that was repeated. It's like Paul is saying, 'live and let live', you do your thing and I'll do mine. They say 'yeah!', and then he is going to correct them. ALL THINGS ARE LAWFUL: You have liberty to do whatever.
1 Corinthians 10:23		23 All things are lawful for me, but all things are not expedient: all things are lawful for me, but all things edify not. BUT ALL THINGS ARE NOT EXPEDIENT: Paul corrects the first statement with BUT ALL THINGS ARE NOT EXPEDIENT. It means that even though the Corinthians believed ALL THINGS ARE LAWFUL FOR ME, Paul warns them that not everything is beneficial or even proper. Even if what you are talking about is LAWFUL, it may not be EXPEDIENT. BUT: Corner word. Indicates something is coming that's different. ALL THINGS ARE NOT EXPEDIENT: NOT EXPEDIENT: Things you have liberty to do but are not healthy spiritually; although you are free in Christ to make that choice. Point: spirituality is not found in our liberty to do those things which do not edify. Sure, when we make choices, we can make the choice that is not sinful, but it doesn’t edify either. If you make that choice enough, you will have neglected your own edification. People think they can exercise their liberty with no consequences, and that is not what Paul tells you. It is possible to engage in things that are not sinful behaviors but are just not EXPEDIENT, they don't edify and there is no real spiritual benefit to them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:23		23 All things are lawful for me, but all things are not expedient: all things are lawful for me, but all things edify not. NOT EXPEDIENT (cont'd): You have liberty to do this but if that is what you are constantly doing it's like eating food with empty calories - cotton candy for breakfast, ice cream for lunch, donuts for supper. You don't get a lot of nutrition. May taste good, be fun, but eventually, it's going to affect your health. You can use your liberty to do things that are not EXPEDIENT and don't edify and you haven't sinned against God, but eventually you will ruin your spiritual health because you will have neglected the important issue of edification. MM says people try to get as close to the line as they can get but that's really not what liberty is about. Don't neglect your own edification or the edification of others. We are supposed to look at liberty from the perspective of how it affects the people around us. You have liberty but if doing it is to the detriment of another saint, you curtail your liberty. It's proper, it's fit, it's right, it fulfills a purpose. OED: II.2. Conducive to advantage in general, or to a definite purpose; fit, proper, or suitable to the circumstances of the case. - MM says not every decision you can make is fit and proper to advancing your Sonship. We have the liberty to spend our week anyway we want. BUT ALL THINGS EDIFY NOT: MM says it sounds like to Paul that edification is a big deal. Different than BUT I WILL NOT BE BROUGHT UNDER THE POWER OF ANY-1 Corinthians 6:12. ALL THINGS EDIFY NOT: Even though you have liberty to do whatever, everything you can do doesn't EDIFY you. Not all activities are the best use of your time because the clock is ticking. GH: Romans 13:11
1 Corinthians 10:24		24 Let no man seek his own, but every man another's wealth. Paul summarizes this final principle. Instead of seeking our own selfish desires, let us use our liberty, (or limit our liberty), to those things which are right and proper, to keep ourselves from being brought under the power of anything, and to the edification of others and ourselves. LET KNOW MAN SEEK HIS OWN: Don't you seek things that are for yourself, that are just about him. His own indulgence, his own pleasure from exercising his liberty. Saying "I've got liberty and I'm going to do it" is the wrong way to be looking at your liberty. That is not the purpose of liberty. Liberty isn't so you can tiptoe over as close to the line of what you shouldn't do as you can get so you can finally enjoy your life. You have mistook what it is all about. BUT EVERY MAN ANOTHER'S WEALTH: Not talking finances. WEALTH: Italics - meaning it is not in the original Greek. They added that so you can understand what was being said there. Not talking about financial income, that would be completely out of context here. This is talking about edification. Spiritual wealth. The riches he has in Christ. Go back to the previous verse - ALL THINGS EDIFY NOT. See the carryover from the end of v23.
1 Corinthians 10:25-26		The application of the principle today is that we are not obligated to track down every aspect of the things we eat or use in order to make sure that nothing is adversely affecting anything.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:25		25 Whatsoever is sold in the shambles, that eat, asking no question for conscience sake: Paul is fine eating meat from the street market, just don't ask questions or just don't eat it in the idol's temple. Meat is meat. You didn't swallow evil. The issue is idolatry. Paul is saying there is meat sold in the shambles that has been offered unto idols but he is saying it's OK to buy it just don't ask any questions. Don't go through the meat and ask 'was this one offered to idols?' SHAMBLES: This is the term used to describe the street market where meat was sold. It was just a mess, a conglomeration of things going on.
1 Corinthians 10:26		26 For the earth is the Lord's, and the fulness thereof. Paul is saying meat is meat, it didn't change.
1 Corinthians 10:27-28		This is a case of limiting our liberty for the sake of a “weaker brother.” GH: Confusing because it looks like Paul says eat it because THE EARTH IS THE LORD'S, AND THE FULNESS THEREOF and then he says don't it because THE EARTH IS THE LORD'S, AND THE FULNESS THEREOF. Like Paul has his own catchphrase. He got it right. First, eat the meat because nothing happened to the meat. Second, don't eat the meat if someone thinks it was offered to idols and you eating it would offend their conscience.
1 Corinthians 10:27		27 If any of them that believe not bid you to a feast, and ye be disposed to go; whatsoever is set before you, eat, asking no question for conscience sake. If you are invited over to eat with unbelievers, if you decide to go eat, whatever is set before you eat it and don't ask questions.
1 Corinthians 10:28	GH: Godly Equity	28 But if any man say unto you, this is offered in sacrifice unto idols, eat not for his sake that shewed it, and for conscience sake: for the earth is the Lord's, and the fulness thereof: Paul talks about eating meat offered to idols. It never got consumed, it was a false god. Stuck with a bunch of meat. Put it on sale at a discount. Some people were saying, I'll spend less money and eat that meat. I don't have a problem with that. Cause I know that is no god. Others said you can't eat that. They had liberty to make that decision. Neither is more right than the other. Don't use your liberty to be a stumbling block to a weaker brother. Don't eat it if someone said this has been offered to idols for his sake that showed it. MM thinks there is someone in that company that somehow got knowledge that the meat was offered to an idol and they are offended by that. And they are saying, hey, that was offered to idols. If that is the case, don't eat it for his sake that showed it. Don't go, 'quit being such a baby about it, don't you know THE EARTH IS THE LORD'S, AND THE FULNESS THEREOF?' CONSCIENCE SAKE THE EARTH IS THE LORD'S, AND THE FULNESS THEREOF: If limiting your liberty means you ought not eat meat, there's more to eat than meat that has been offered to an idol. The reason.
1 Corinthians 10:29-30		Paul is not, as many commentators suppose, countering his own arguments for limiting his liberty. The commentators think he is contradicting the things he said earlier. Paul is asking a rhetorical questions in v29, which he answers in v30 with another question: “Why should I do anything that would be evil spoken of?”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 10:29		29 Conscience, I say, not thine own, but of the other: for why is my liberty judged of another man's conscience? OBJECTION: "I don't have a problem with it, why am I having to behave because you have/your conscience has a problem with it?" Like Paul is saying, 'hey, you are the one with the problem, not me'. Paul is raising the objection 'why am I allowing my behavior/actions to be dictated by another man's conscience?' Answers in v30 with another question. WHY IS MY LIBERTY JUDGED: Liberty is the main issue of the chapter.
1 Corinthians 10:30		30 For if I by grace be a partaker, why am I evil spoken of for that for which I give thanks? Rhetorical question: Why would you want to be EVIL SPOKEN OF when you are going to do the right thing? By eating that meat? Why would you want to give someone an opportunity to speak evil of you when you're going to do the right thing? You wouldn't, would you. Why would I allow EVIL SPOKEN of by eating this meat. Because if you don't limit your liberty here, you are allowing yourself to be EVIL SPOKEN OF.
1 Corinthians 10:31-33		Paul summarizes.
1 Corinthians 10:31	GH: GLORY Definition	31 Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God. Sums all that up. Is the summary of how to use our liberty, to the glory of God. Everytime we do something or say something or think something (in the normal everyday things that you just take for granted), it's an opportunity to: - be conformed to the image of God's Son - manifest God's Glory - make an impact on principalities and powers in heavenly places Can be done in a way that reflects the very character and attributes of God because it's Christ IN us. EAT OR DRINK: Pretty common - do every day. WHATSOEVER YE DO, DO ALL TO THE GLORY OF GOD: It is our Father's Will and it is to His glory that we conduct ourselves in this godly manner in connection to our work. GH: MM trying to Romans 12:11c. This would include business. **GLORY: Glory can be praise or exaltation.**
1 Corinthians 10:32		32 Give none offence, neither to the Jews, nor to the Gentiles, nor to the church of God: The admonition not to give offence to unsaved Jews or Gentiles, or to the saved by the misuse of our liberty. THE JEWS: Talking about unsaved. THE GENTILES: Talking about unsaved.
1 Corinthians 10:33		33 Even as I please all men in all things, not seeking mine own profit, but the profit of many, that they may be saved. Paul's conclusion is that everything he does or does not do in connection with his liberty is to the profit of others, be they saved or lost.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:1-16:24		RCI (Reproofs, Corrections, and Instructions in Righteousness) concerning their ungodly LABOR (5 components) - Their ungodly labor. 1 Corinthians 11:1-16:24 is divided into 5 parts: • 11:1-16 – ungodly labor because of catering to vain customs & traditions • 11:17-34 – ungodly labor concerning the Lord's Table • 12:1-14:40 – ungodly labor concerning spiritual gifts & the operations of God • 15:1-58 – ungodly labor concerning "good manners" • 16:1-24 – concluding exhortations
1 Corinthians 11:1-16		Their ungodly labor as a result of being influenced by paying heed to vain customs and traditions / Types of corruptions in godly labor. Ungodly labor because of catering to vain customs. FORM OF DOCTRINE: Giving heed to false or heathen customs/traditions/societal norms when they come into the church. Many cultural behaviors or customs have no impact on our spiritual lives, while others do. Paul is solving a contradiction - customs coming from all over the world and people are practicing their worship in different ways and it is violating a Biblical principal. Their past ways of worshipping had crept into the church. Paul is correcting that. MM says not every cultural tradition or custom has a necessary impact on our spiritual lives. Many of those things wouldn't have any impact whatsoever, but some of them would have an impact on that. EX Guy in his old religion has a false/carved idol in his home from his prior religion that he worshipped and then gets saved. May instinctively think he needs to get a Jesus idol and start worshipping that. He is taken something he has a custom of and is now importing this in their Christian life. God would not be flattered by such worship and condemns it in the strongest of terms. The man may not understand why this would be so upsetting to God, but until he does, it would be wise for him to set aside his old ways of worship until he understands how God desires to be worshipped. This way, he does not hinder his own spiritual life, nor that of others who are observing him. Their past ways of worshipping had crept into the church. This was probably done honestly, as a manner of custom. This would be idol/graven images worship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:1-16		Since this would obviously contradict what God has said to do, that would be one of those customs or traditions that Paul would get involved in and say you can't do that. It may be well-intentioned and well-meaning, but this is allowing his worship to be influenced by what MM is calling a false custom. It does make a difference whether you do it or not. Some people, because they have been doing what they have been doing for so long and it has been acceptable to everyone culturally, would wonder why in the world would anybody be upset about this? Has been done for generations. What's the big deal? MM says you have to know something about worship to do it intelligently. EX Missionaries saving people who were steeped in paganism and try and they bring all of their superstition and their occult worship into their Christian life. This is exactly what was happening with the Corinthians. The practice of head coverings had meaning for the Corinthians, but it doesn't for us today. What is important today are the principles of headship which Paul outlines in v3. The normal way this is taught is there were this rebellious group of women praying and prophesying without covering their heads - MM doesn't think that is it. Notice he talks about men and women with equal weight. The issue is head coverings but we don't have that custom. The real issue is in there, he is using head coverings to figure that out - real issue is the Biblical principles their actions were denying. Not about the hair length of men and women either. Paul gives equal attention to behavior changes for both men and women. Point: This is about head coverings but that's not really the issue because we don't have this custom.
1 Corinthians 11:1-16		Summary: * The problem was the mixed cultures of religious practices resulted in sending a message counter to God's truth. * Paul's instructions were specifically for the church at Corinth. * Head coverings were only for those women who were engaged in praying or prophesying in a church setting with both men and women present. * Paul does not mean to make these instructions a custom for other churches. * In this DoGG, a woman does not have to wear a head covering to church, or at home, or when she goes out in public. If she wants to, she can. Since the gifts of the Spirit are no longer in operation, the issue of praying or prophesying with her head covered is no longer an issue.
1 Corinthians 11:1-3		Reproof

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:1		1 Be ye followers of me, even as I also am of Christ. Paul is God's authority for us in the DOGG today. Three places (GH: 1 Corinthians 4:16; 1 Corinthians 11:1; Philippians 3:17?) Paul says follow me as I follow Christ. Paul didn't have a big ego. Couldn't just say follow Christ because it is possible to follow Christ and put yourself right into Israel's program. If he just says follow Christ you can go to the Sermon on the Mount and now you are back in Israel's program under the law. But that is not what God is doing today. So He says follow Paul as he follows Me according to the revelation of the mystery, not according to the prophetic program in Israel. There's an order and a structure to this and it all goes back to the creation. BE YE FOLLOWERS OF ME: Paul is God's authority for the church today. We follow him as he follows Christ. Paul says this on 3 occasions (1 Corinthians 4:16, Philippians 3:17). Paul says 3x follow him as he follows Christ. Because there are 2 programs that you can follow Christ. Why didn't he just say, 'Follow Christ'? Nothing to do with his ego. Has to do the ability to follow Christ in 2 ways: 1. In accordance with Christ's public ministry to Israel 2. In accordance with the mystery which He revealed to Paul If we do not observe the doctrinal distinction between the two, we may wind up trying to follow Christ's Messianic ministry in God's program with Israel. But if we follow Paul, we will only be following Christ in accordance with His mystery program which is in effect during this DOGG. If we follow Paul, we are following Christ in a dispensationally correct manner. FOLLOWERS OF ME: MM tying to FOLLOWERS OF GOD-Ephesians 5:1. MM says while he is glad Paul didn't say to us to 'follow Christ' (GH: impossible benchmark) but it turns out just following Paul turns out to be a pretty high bar.
1 Corinthians 11:2		2 Now I praise you, brethren, that ye remember me in all things, and keep the ordinances, as I delivered them to you. The oldest and most common interpretation is there were a group of women who were troublemakers. They didn’t keep their heads covered like they were supposed to, and people thought they looked like prostitutes because their heads weren’t covered when they came to church. And the teaching was that Paul was telling these women to go around with a head covering so they would not look like prostitutes. This has been the standard interpretation of this passage for many years. But, as we look at the text, we will find there are some other ways to look at the passage which actually address the issues Paul is interested in. REMEMBER: When someone is told to remember, it says that they have already been confronted with the issue previously. KEEP THE ORDINANCES: Ordinances provided for an order for the things that were happening. GH: MM tying to local church orderliness - HELPS, GOVERNMENTS-1 Corinthians 12:28 and RULING, WITH DILIGENCE-Romans 12:8. Paul condemns most ORDINANCES GH: since they are related to the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:3-5		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. 4 Every man praying or prophesying, having his head covered, dishonoureth his head. 5 But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven. Paul is not talking about hats or scarfs, he is talking about authority. Passage makes it clear what the covering of a woman's head is supposed to be - her hair. Anytime you see this issue of hierarchical relationships (i.e. order/rank) between men and women in the Bible it is always based on creation, never on the culture. The headship of the man is not some arbitrary, or cultural decision, it is based on creation. When MM says creation, ties to the way God created us to function. The order of creation carries roles and purposes. The Bible gives the functions and responsibilities of men and women. Paul is saying to the ladies that they are supposed to manifest an understanding of their role in the local church. GH: Ties into selfless thinking, understanding how to value and esteem others. Not in it for credit or recognition or power or position. Just because God has placed the man at the head of the home, it does not mean that his wife is obligated before God to do everything he says. If he asks her to sin, she should refuse. If he asks her to commit a moral wrong, she ought to disobey that request. If he asks her to do that which is a violation of her conscience, God does not expect her to do it for that would be causing her to SIN AGAINST CHRIST. These same things are true in all the divine institutions.
1 Corinthians 11:3-5		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. 4 Every man praying or prophesying, having his head covered, dishonoureth his head. 5 But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven. We are in it to accomplish our heavenly Father's operations (1. see people saved 2. see saints edified unto godliness). We are in it for our Father's glory and the only legitimate way that can happen is for the life of His Son to be lived IN/through us. God's structure of Headship: - God - Christ (under headship but equal/co-equal to the Father) - Man - Woman Course of this world causes us to look at this the wrong way. Godhead all have it's duties.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. **Please see 'Definition : Headship' in the Commentary.** MM says here's a formula that is not seen in the Ephesians 5 passage. The man was created to serve the Lord. So, the Lord is the head of the man. The woman was created to be a helpmeet to the man, so the man is the head of the woman. It is not about who is most valuable, who is smartest or strongest, or any of that; it is about creative order and creative purpose. Talks about the structure and order of the local church.
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. HEAD OF EVERY WOMAN IS THE MAN: He is talking about the man's responsibility to lead. It is headship is a position of authority, but it carries great responsibility before God to the wife. Headship is not determined because the husband is smarter or stronger or something like that, it's not that kind of thing at all. It's not an issue of inferiority either. But there is a priority in the creation act. God says I AM going to make the 'a-d' relationship a picture of the 'b-e' relationship. GH: MM saying we think of authority all wrong. Jesus came to do the will of His Father. He wasn't freelancing in His public ministry. He was doing exactly what the Father wanted Him to do. Everything He did was in perfect accordance with the Headship of His Father and He never once said I know You don't want Me to do this but I AM going to do this but I AM going to do it anyway. He was the perfect Son - obedient unto death. In a like manner the head of man is Christ. We don't get offended. Of course He is our head. Don't look at as deity and flesh. This is about order and structure and function. If it was about those things (deity and flesh) we wouldn't be in the same verse.
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. Is it no insult to say that the Son is subject to the Father. It does demonstrate that the Son has a role to fill. In the same way, when the Bible says let the wife be subject to her husband, that in no way speaks to her being inferior. It is that each of us have a place, position, or role. The man is subject to Christ and Christ is subject to the Father. This is a structure of authority, not a commentary on worth or value. It's not about someone being more important, it's about the role. MM says there is a hierarchy. This is the way God has organized everything for a purpose. And because you fill this slot instead of that slot doesn't mean you are inferior. Everybody has a role to play and it's not about who's worth more. MM is not talking about rewards here. People get upset when you teach THE HEAD OF THE WIFE IS THE HUSBAND, THE HEAD OF THE HUSBAND IS CHRIST, AND THE HEAD OF CHRIST IS GOD-1 Corinthians 11:3. It's not about who is worth more or who is smarter. It's about filling a place in the hierarchy. Is Jesus inferior or disrespected compared to God or thought less of? MM says he doesn't know another way to say it but if he gets to the heavenly places and the Lord says, 'here's a broom, sweep out these stables', he is going to be able to do that without wondering what's wrong. Because if you just know there's a role to play, you do that. In the military, officers ask enlisted men to play a role for a reason. It's not because they are intrinsically worthless or throwaway items, but there's things that have to be done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. Paul is setting forth positions of authority. Is about a principle of headship. All of God's divine institutions have principles of headship. A Pastor is not more important than other members but he has to discharge responsibilities - preaching and ministering. The church is going to have to willingly submit itself to the preaching and ministering of the Pastor. MM says in the kingdom of God, submission is not a bad thing. This is about the divine institution being ordered in a certain way. Problem - Roman women praying uncovered - symbol of authority and men were praying covered - symbol of submission. They are sending the exact opposite picture of headship. If you corrupt the first one, you will corrupt the second one, and then get really deviant and corrupt the third one. MM doesn't think these were women that were acting like they were in charge. Paul is concerned with headship and submission. Paul is setting forth positions of authority. The head of every man is Christ. The head of the woman is the man. The head of Christ is God. These are not statements of worth or inferiority, but of position. Jesus Christ, the eternal Son of God, the Creator of heaven and earth and all that is in them, the Alpha and Omega, the beginning and the end, He has no trouble submitting to the authority and will of His Father because in the ordained order of things, God is the Head of Christ. He is the Son and the Father is the Head over the Son. If Jesus can submit to the Will of God, you can.
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. As godly men who understand the underlying principles which God has put in place, we gladly recognize that Christ is the Head of every man. This does not convey anything negative about us, or anything demeaning. While it is true that we are not equal with Christ, this is NOT what submission is about! But this is what people think, which is why they brace themselves against wives submitting to their husbands because they interpret this as somehow being less important or having less value than men. Unfortunately, many have acted like this was the case; this is not the case. The positions are not a statement of worth or value, but of responsibility and authority. The same is true in the genders. The man is the head of the woman. But Christ is the head of the man. And God is the head of Christ. It means that we all submit ourselves to the positions that God has set forth. When you quit identifying the roles of gender, or when you abandon the structure of authority for men and women, you blur the roles of men and women and corrupt the divine institutions connected to them. And if you do that long enough, girls will think they are boys and boys will think they are girls. Then they will have sex change operations, and the resulting contradiction of who these people really are, and who they are trying to be, will drive these people to the highest suicide rates in the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. MM says this passage is not about modest apparel when out in public, not about how they dress when they come to church, not about what kind of hair you have when you come to church, Paul is concerned about this verse (headship). He is setting forth positions of authority: * the head of every man is Christ * the head of the woman is the man * the head of Christ is God Christ is superior to man but this is not a statement about that. This is about the principle of headship as an example. Within the divine institution, the church, there are positions and offices. The position of Pastor in the church does not make that individual more important than the other members of the church. But, the Pastor is a position of headship within the church. He has responsibilities and he has to discharge those responsibilities, such as preaching and ministering (getting involved with the people). If the church is going to operate properly, it is going to have to willingly submit itself to the preaching and ministry of the Pastor. If it doesn't, chaos will result and no edification will happen.
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. God knows this so He says we are going to have some positions here so that the church can function the way I HAVE designed it to function. Paul recognizes the need for the godly submission of the church to the recognized position of authority that has been set up there. MM says when Americans read this verse, they react against it (GH: see 1 Corinthians 16:16 for more details). This is not about who is better and who is not, not about who has great worth and who doesn't, it is simply about the divine institutions being ordered in a way so that they can function according to their design. Why we are all going to be part of a government in the heavenly places that is going to be put in place so that things don't chaotically happen and nothing really gets accomplished, but so that the Will of the Father gets carried out by the Son and the members of His body throughout the ages to come with the result of glorifying God. You have to have order and structure to get that done. Turning back to the Pastor, without relinquishing his position of authority, he becomes a servant to everyone in the assembly. This is not he is the big shot, he is supposed to make himself a servant unto all. MM says this is not the way TV preachers do it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:3		3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God. THE HEAD OF EVERY MAN IS CHRIST: MM says surely we are not going to fight about this one. HEAD OF CHRIST IS GOD: Jesus is saying this to Paul. MM says if Jesus was like us, He would be going around saying 'I AM as eternal as He is. I HAVE been around as long as He has. I know everything that He knows'. Everything He came to do was to accomplish the Will of His Father and He is not worried about the perception that anyone has about that because He understands that what He is doing is more important than everyone perceiving Him to be this great thing. When that is going on, what is in the Mind of the Father? To exalt His Son. So Jesus is the eternal Son of God. He is the Creator of heaven and earth. He is the Alpha and Omega. He is the beginning and the end. He has no trouble submitting to the Will of His Father and inspired Paul to write this. If you don't have positions of authority and positions of submission, all you have is complete chaos. So there has to be someone in charge.
1 Corinthians 11:4-12		Correction Every once and a while, all the house churches in Corinth would convene to have a meal together, and then at the end celebrate the Lord's Table. Have people from everywhere. Have men and women that are covering their heads, men and women who are not covering their heads, etc. Understand Paul is not concerned with what anyone is wearing to church. That is not the subject of this passage. It's not in there. Just using head coverings to illustrate his point. And he is only concerned with the head coverings when they are praying and prophesying. Paul never says if you are a woman and you come to church, you need to be wearing a head covering. Paul is saying don't let those customs that you brought with you in here paint a picture that violates a principle that the True & Living God has set down. Principle in v3. Also, not talking about modest apparel or immodest apparel when you are out in public or wear to church, it is talking about when you pray or prophesy, depending on if you are a man or woman, your head should be covered or should not be covered. Paul is saying because you brought in these customs, some of you are violating the principle of headship that God has laid down. What you're doing is picturing the very opposite of the truth that God Himself has proclaimed. Stop doing that. This is not an instruction for every church to have people who cover their heads or don't cover their heads as a part of worship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:4-5		**Please see 'Definition : Head Coverings/Toga' in the Commentary.** Traditional Christianity identifies these head covers as 'hats'. Just go back a few decades, women used to wear hats to church. This kind of died out after a while but MM doesn't think this passage has anything to do with hats. Background: 1. Corinth is a mission church. When Paul writes this letter, most of the people had been saved less than 5 years. 2. Almost everyone in the Corinthian church was a convert from a pagan religion and they are bringing in customs and aspects of their pagan religion into their Christian life, into their new life in Christ. MM says it may have been done innocently, it's the only thing they knew to do now they have a new religion. Same thing missionaries face today when they go to the foreign field where people hear the gospel and they trust Christ and then they bring in all those aspects of their old pagan religion into their Christianity. Corinth has been a Roman colony for about 100 years(48 B.C. by Julius Caesar), which promoted Roman values and culture heavily. The purpose of a Roman colony was to promote Roman values and culture. Doesn't mean there's no Greek values and culture. Because it is located in Greece, of course the Greek culture would also be strong. This was a city of people from all over the world; Jewish people, Egyptian people, Asian people, etc. People from all these different backgrounds practiced different religions before they got saved. Point: all these different backgrounds did not all practice religion the same way before they were saved. There are a variety of cultures at play here.
1 Corinthians 11:4-5		Paul says, if a man prays or prophesies with his head covered, he dishonors his head, and if a woman prays or prophesies with her head uncovered, she dishonors her head. This is why MM doesn't think this passage is just about trouble making women because he says just as much about men as women with equal weight. The Christian men and women who prayed or prophesied with their heads covered would have been from the Roman culture. This was what they had always seen done and they were just continuing to do what they were used to. There were also some men and women in the church who were praying or prophesying with their heads uncovered. These would have been everyone who was not from a Roman culture. Paul is not concerned with what people wear or don’t wear when they come to the church. Neither is this talking about modest Christian attire for a woman when she is out in public. The head covering issue was only for those who were praying or prophesying as part of a public worship service where both men and women were present. Head coverings, whenever they were used, were symbolic of submission. So, here is what was going on in Corinth: they had non Roman women in the church praying or prophesying with uncovered heads (implying/symbolizing authority), while at the same time Roman men in the church covered their heads when praying or prophesying (implying/symbolizing submission) these all seemed to defy and blur the principles of v3. MM thinks they are doing what they are doing largely out of ignorance. They did not realize how this looked to anyone who understood God’s authority structure.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:4-5		If we discard the structure, we either destroy or render ineffective the institution. God set up structures of authority and submission for a purpose. When the different cultures of the world came together in the house churches at Corinth, those different cultures, operating in accordance with their old customs, sent a mixed message (they presented a picture) which contradicted God's structure and purpose. The Corinthians are going to reject but Paul's point is what is on your head does have something to do with gender - long hair on men or women being bald is contrary to nature. Paul is supporting his argument about head coverings as they pertain to gender by pointing to an accepted understanding of how the hair coverings are different between genders. At Corinth, head coverings were used a symbols of submission. Compare this to v3. MM says women had the liberty to wear a head covering if she wanted and God was not mad at her if she does. Point: Paul is telling them you guys are sending the very opposite message the way you are doing the head covering thing. Here's what you do - let the woman cover their heads and let the men uncover their heads. This represents the position of headship that God has established. Because if you reverse this one in v3, you will reverse the second one, and then the third one. This is not a command to every church on head coverings, this is unique to the Roman colony at Corinth. They have things going on that are actually antithetical to the principles of headship that God has laid down. MM thinks this was done largely out of ignorance, didn't think woman were trying to act like they were in charge. They were doing it because this was their practices and Paul is saying you are really painting a bad picture here.
1 Corinthians 11:4		4 Every man praying or prophesying, having his head covered, dishonoureth his head. Men at the church at Corinth were taking part of their toga and covering part of their head. When Caesar did this, they were functioning in the office of high priest or religious worship. No covering is a military position. In the Roman religion they would wear a covering when they were praying, prophesying, or making a sacrifice - 3 different times. Paul says that Christian men are doing at least two of the three things which pagan Romans were doing; praying and prophesying. The covering indicated a submission to the god they were engaged in worshipping. This imagery was everywhere: on coins, statues, monuments, artwork, etc. This was known by everyone. It was not secretive. It was common in Roman territories and especially in Roman colonies. The church at Corinth piped this tradition into their church. In the Roman system, everyone who prayed, prophesied, or made a sacrifice covered their heads. Outside the Roman religion, nobody covered their heads. Gives you competing customs. The one doing the prophesying would either be holding in their hand a staff or a wand. The wand is called an Augur's wand. Augur was a priest in the Roman religion and the main role was augury - interpreting the will of God. Would look up in the sky, observe, and imagine what he saw. Thunder and lightning and birds would influence what they would prophesy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:4		4 Every man praying or prophesying, having his head covered, dishonoureth his head. If no birds or clouds, they would throw a chicken up in the temple and observe the chicken and prophesy. Jug represents liquid libations and liquid poured out as a sacrifice. Paul is not concerned with what anyone is wearing to church. He is just using head coverings to illustrate his point. He is focusing on praying or prophesying. Don't bring in customs that violate the principles of the True & Living God. Not talking about modest or immodest apparel, he is talking about if you are praying or prophesying, he is saying whether or not you should have your head covered. They are violating the principles of headship that God has laid down. Head coverings were a symbol of submission. There were people in the church that were contentious about this saying - What difference does it make? We have been doing it this way for centuries. Now, here comes Paul telling them they need to stop. Paul has some concerns about what the men in the church were doing, and not just some women. DISHONOURETH HIS HEAD: Debate here is he dishonoring Christ or is he dishonoring himself? MM doesn't think this is talking about either. HEAD: Doesn't think the man is dishonoring Christ or the women is dishonoring her husband.
1 Corinthians 11:5		5 But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven. MM says this is not ladies wearing hats in church.
1 Corinthians 11:6		6 For if the woman be not covered, let her also be shorn: but if it be a shame for a woman to be shorn or shaven, let her be covered. Talking about the hair issue. If a woman's hair is her glory and it is, then it is not natural for a woman to be bald. This is a true thing. If her head is shaved (it is a shame) which was often the case in centuries past when a woman was found to be of immoral nature her head was shaved and she was paraded through the public streets it was a shame and disgrace to her. For a man, whose short hair was less of a head covering than the long hair of a woman; it was not a shame for him to be bald. This is the difference between the genders. The unnatural thing was for a man's hair to be long like a woman's. As the Romans and Greeks well knew, it was a natural thing for a woman to have long hair and for a man not to have long hair because it was a confusion of the gender roles. MM says there was a time where men wore long hair. He sees ignoring Biblical principles leading to a progressive downward spiral. Someone in those house churches would say what is the big deal? These men and women aren't trying to rebel. Paul is saying when it comes to gender, there are differences here and those differences are directly related to the principles of headship and submission. If you start blurring those in these areas, it will filter down to more fundamental areas of life. EX MM told this joke pre-Sonship. Teacher asks little boy, 'are you a boy or a girl?' and the boy says 'girl'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:6		6 For if the woman be not covered, let her also be shorn: but if it be a shame for a woman to be shorn or shaven, let her be covered. She calls the parents in to talk to the counselor. Asked the boy and he said the same thing. On the way out to the car, the mom asked why he would answer that way and he said 'ask a stupid question, get a stupid answer'. MM says that is not nearly as funny today and you don't get to where we are without marking it all the way back. GH: making a lot of little steps in between. When you blur the genders and say there is no male or female but we're all the same, or let's invent a hundred bogus genders and plug everyone into that. This is the result when we decide that these issues don't matter because then the next issue won't matter. This is a long game of continuing to move the landmark until it no longer represents what it was supposed to represent. Now, you are way beyond that and it has been going on forever. Tells you there's an eternal creature behind that and that men are just the pawns to make that happen because it is outliving men. It's a spiritual battle. We have gender confusion now and we find ourselves in a debate where we either want to erase those genders or invent other ones and want to create 100 different other ones and act like they're all legitimate for the first time ever. Point: Don't think it will stop here. It will not. We're still in a downward spiral.
1 Corinthians 11:7-10		Passage is about men and women praying and prophesying with their head covered or uncovered. v8: THE WOMAN OF THE MAN: It wasn't a separate creation. He created her from the man. v9: THE WOMAN FOR THE MAN: She was a HELP MEET-Genesis 2:18. She was a completer for him. v10: BECAUSE OF THE ANGELS: GH: Check notes if you can find them. ***** Romans Education Part 2 : Session 06B
1 Corinthians 11:7	GH: GLORY Definition	7 For a man indeed ought not to cover his head, forasmuch as he is the image and glory of God: but the woman is the glory of the man. **HE IS THE IMAGE AND GLORY OF GOD: There is an inherent glory which comes from being created in God's image.**
1 Corinthians 11:8-9		There is a natural priority in the creation act that drives headship in v3. THE WOMAN IS OF THE MAN: The man is created first, and then the woman is created. God took a rib and closed up the flesh and from that made woman. v9: God created Eve to be a completer for Adam.
1 Corinthians 11:9-10		9 Neither was the man created for the woman; but the woman for the man. 10 For this cause ought the woman to have power on her head because of the angels. Women were not supposed to pray/prophesy with their head uncovered, an indication of her submissive position in the church. Men were supposed to pray/prophesy with their head uncovered, a sign of their position of authority. v10: POWER ON HER HEAD: Power referred to here is the authority of the man. Her hair is a symbol of submission to God's order which stems from the creation. v10: BECAUSE OF THE ANGELS: Angels are looking to see how women are going to respond to God's structure of order and authority.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:10	GH: IPF verse	v2-10: Paul is writing to the Corinthians about a practice that was out of line with their sanctification. They were not behaving in accordance with the way they should have been. The impact for doing this thing right with regard to being in line with their sanctification is because when they didn't or when they did, it impacted the angelic realm. v10: BECAUSE OF THE ANGELS: There was a negative impact being made on angels and Paul gives instructions to correct it. It is our sanctified position in Christ that allows us to have an impact. Paul is dealing with the Corinthians in matters of their conduct that is out of line with their sanctification.
1 Corinthians 11:13-16		Instruction in Righteousness
1 Corinthians 11:13		13 Judge in yourselves: is it comely that a woman pray unto God uncovered? JUDGE IN YOURSELVES: Something you do for yourself(privately).
1 Corinthians 11:14-15		You have a covering of hair already (MM says except the special ones) on your head. Even nature itself teaches you that the hair on a man's head is perceived differently than the hair on a woman's head. This is a gender issue. Paul has been making this argument about head coverings and now he is going to prove his point. Paul is saying I am going to prove what I'm putting in front of you and I'm going to appeal to something out of nature that we will agree on. And once I point that out to you, then you'll look at that and you'll go, oh, now I see. The thing about the hair is now his appeal to nature to support the gender differences with regard to head coverings. The way hair is perceived on women is different than the way hair is perceived on men and that is by nature. If we woke up tomorrow and every man had long hair and every woman was bald, you GH: would think that's not right. Paul is saying let me appeal to what everybody already kind of understands - women have hair that covers their head. And if a man is bald, that doesn't mean anything. The arguments are when a woman shaved their head they were a prostitute but MM doesn't see that in the passage. He sees Paul saying the covering is natural for a woman. MM says on all the coins and statues men have short hair. Paul is not talking about how long your hair has to be to come to church. He is just saying this is the natural state of this. He is hoping that everyone who is hearing him is going to go, well you know what, that's kind of true.
1 Corinthians 11:14-15		That's the way we automatically look at it. Why he says DOTH NOT EVEN NATURE TEACH YOU-v14. He is appealing to something he thinks they will all get on board with to say this is an issue of how we perceive gender. Sometimes how we see things depends on the cultural context. EX There are some women who go to church in parts of Africa that you would not want dressing that way here in America. But that's part of their culture. Same with an American woman over in some Middle Eastern countries because they could see your face or part of your legs. These are cultural distinctives. Point: Different cultures do dress differently but Paul is speaking to a multi-cultural group and he is trying to present God's plan concerning genders and the related structures of headship and submission so that those divine institutions can function the way He designed. Paul is not really concerned about head coverings as much as the principles in v3 around headship and submission. When you view them for the way God intends them to be, we ought to willingly and joyfully participate in those structures.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:14		14 Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him? Paul's appeal to nature to cover the head covering - headship. The way hair was perceived on women is different than men. Hair is an issue of how we perceive gender. NATURE ITSELF: It is within the proper use of the language to use “it” to refer to the NATURE of God. You could leave ITSELF out and it would still make perfect sense. ITSELF: Is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun.
1 Corinthians 11:16		16 But if any man seem to be contentious, we have no such custom, neither the churches of God. MM says this is not talking about the hair, it's moving you back up to the head covering. The hair was just an appeal to nature to substantiate the gender differences that Paul is talking about. God Himself set it up. He is saying you already have observed this. The whole idea of men covering their heads when they pray or prophesy came from their pagan religious Roman practices. The idea that women should pray or prophesy without a head covering comes from their religious past which was non Roman. By mixing these cultural religious practices, Paul is pointing out that they are doing it backwards. They are sending the very opposite picture of God’s truth as it pertains to believers in Jesus Christ. This is not meant to be instructions for what the rest of the churches I've established out there. Do we have no such custom, neither the churches of God. This is not a rule for every church to follow. The other churches who were not Roman colonies were not covering their heads. IF ANY MAN SEEM TO BE CONTENTIOUS: This is not about hair length, it is about his comments on head coverings while praying or prophesying. If any man has a problem with what I am telling you about these roles of men and women, then understand that we have no such custom, and neither do the churches of God. It may work like that when you are worshipping Zeus, or Aphrodite, but it doesn’t work like that with the true and living God. CONTENTIOUS: Argumentative. Paul, we have been doing it this way for years, before you were ever born. Who are you to come in here and do this?
1 Corinthians 11:16		16 But if any man seem to be contentious, we have no such custom, neither the churches of God. WE HAVE NO SUCH CUSTOM: Means, when it comes to this issue of wearing a head covering when you pray or prophesy, Paul says he has no such custom as the employment of head coverings. For the rest of the churches, don't worry about this, you don't have this custom. NO SUCH CUSTOM: Paul says he personally has no such custom referring to head coverings when praying or prophesying. And neither do his other churches. They all pray and prophesy the same, with their head uncovered. That is not to say that the principles of headship do not apply in every church, they do. But those principles are lived out in your life. NEITHER THE CHURCHES OF GOD:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians	11:17-34	Ungodly labor concerning the Lord's Table Corinthians: Took the Lord's Table and they preverted it into AN OCCASION TO THE FLESH-Galatians 5:13. They used it as an opportunity for drunkeness and gluttony. Paul has to write to them and say you guys have completely corrupted what the Lord's Table was meant to put on display. They were using it as AN OCCASION FOR THE FLESH. Lord's Table: Where we are putting on display what God did and Satan didn't know about in this DOGG that is to his shame and to God's glory. If you turn this into a table of devils, if you turn that into the opportunity for folks to be gluttons and drunkards, then it has lost its meaning. They used a good thing that was supposed to be properly done as AN OCCASION FOR THE FLESH-Galatians 5:13. There is a list of things which were perverted by various assemblies from their godly form, turning them into something ungodly.
1 Corinthians 11:17		17 Now in this that I declare unto you I praise you not, that ye come together not for the better, but for the worse. Paul is straightening out some issues concerning the Lord's table. Here's what the Corinthians were doing - they were coming together having church, but they had quit their Sonship. Paul says you're not coming here for the better, coming together for the worse. Not doing the thing you are supposed to be doing. I can hear some guy saying, "at least I go to church." But so what? MM says WORSE than what? Worse than if you hadn't come together at all. He is saying to the Corinthians it would be better if you guys didn't even meet than to meet and go through the motions. Everybody goes home satisfied and that is the last thing you should be feeling if you are not doing what I am instructing you to do. YE COME TOGETHER NOT FOR THE BETTER BUT FOR THE WORSE: In the years since the church was founded, it has not moved forward, it has moved backwards. It has moved away from everything Paul established it in. Let there be a lesson here for us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:18-22	+ Comparison : Lord's Supper vs. Lord's Table	Paul said it is not the Lord's Supper, it's the Lord's Table. There is a difference. We do the Lord's Table because there's something specific we are doing with that. The Lord's Supper and the Lord's Table are two different things. Most churches don't know the difference. This is not the Jewish supper in the midst of the whole conglomeration of other things. That's something else altogether. Paul says I can't praise you for this. MM says this is the big deal. The STRANGE WOMAN has the ability to take the full activity of a church and turn the whole thing around and destroy the functional life of the saints in that church. The STRANGE WOMAN would be fine with a church continuing to meet, doing all kinds of stuff but stop their Sonship. If the POE does that, all functional life has been completely destroyed. She doesn't want to destroy your going to church. She doesn't want to destroy the trappings of a church. She doesn't even want to destroy Bible study as long as it is not according to the truth contained in Paul's letters. Communion tables in the front of churches - 'Do this is rememberance of Me' - this was the exhortation during Israel's program under the law. Paul talks about celebrating the Lord's Table, not the Lord's Supper, in the DOGG, he includes something in that scripture not found in Israel's program and it ought to be the inscription on the front of our table because it tells what we are doing by celebrating the Lord's Table - 'ye do show the Lord's death till He come'. In other words, what Christ accomplished on the Cross for us, which was a secret and a mystery, we are demonstrating to Satan and his minions that he wasn't so wise after all and what God did in the death of His Son was to provide for Satan's loss of the heavenly places and for us to replace his minions. It is a reminder that he was taken in his own craftiness. The Lord's Table: There's an element that we do that was not part of what Israel did when they celebrated the Passover. There's an element of that that actually celebrates the fact that God has a secret mystery program that He had provided for from the foundation of the world. He hid it in Himself and now here we are. How we are here and going to be taking over those heavenly places shows how God caught him in his own craftiness and it irks him. We are kind of poking the stick at him.
1 Corinthians 11:18-22	+ Comparison : Lord's Supper vs. Lord's Table	Definition : Communion Participation in the Christian sacrement of the Lord's Supper. MM says the term is wrong too - it's the Lord's Table. Not just semantics. The Lord's Supper has to do with this - do this in rememberance of Me. What the little flock was supposed to do. The Lord's Table has to do with this - ye do shew the Lord's Death till He come. Not sitting back in Israel's program. When Christ was crucified and Satan prompted those Jews and Gentiles to kill Him, he was caught in his own craftiness because by killing Him, He became the Redeemer. He made total provision for the church, the body of Christ, that's going to be taking his place in the heavenly places. And this was the provision also by which Israel got a Redeemer. By doing what he thought was going to cut all of this off, Satan shot himself and that's what we are showing. We are showing what the Lord's death was all about because Satan wasn't wise enough to know. 'Oh, I'm so wise there is no secret that can be hid from me' - but God had a secret hid from the foundation of the world. We are showing that - it's a celebration. Satan's an idiot. God is the only Wise God. - These are totally different things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:18		18 For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it. GH: Body thinking - Paul is saying I don't need this kind of thinking going on with you, you all have to be thinking the same thing. DIVISIONS: Disputes.
1 Corinthians 11:19		19 For there must be also heresies among you, that they which are approved may be made manifest among you. HERESIES: Can mean false doctrines but only one definition. Original definition mean sects or parties, like the Republican or Democrat party. Think a clique unto itself that excluded everyone else off in an ungodly manner.
1 Corinthians 11:23-26	GH: IPF verse	v23: I HAVE RECEIVED OF THE LORD: v24-25: Jesus says some things never said before during Passover: * v24: TAKE, EAT: THIS IS MY BODY, WHICH IS BROKEN FOR YOU: * v25: THIS CUP IS THE NEW TESTAMENT IN MY BLOOD: MM says when you do the Passover, you actually take the cup at 4 different time during that ceremony. The 3rd time is called the cup of redemption. This is the one we identify in this account. MM says they probably didn't understand what He said because they didn't understand the crucifixion. That's why the Holy Spirit comes after the Cross, to inform them after the fact because they were going to need to know about that. That is, the death of the Testator and the institution of the New Covenant.
1 Corinthians 11:23-26	GH: IPF verse	v25: IN REMEMBRANCE OF ME: He was establishing a memorial they should afterward observe, part of Israel's program. There is a remembrance that will be made among those beneficiaries of the New Testament of the event whereby God extended His Jehovah-ness and grace. It was to be remembered by the believing remnant of Israel and it natural for us as well, as members of the body of Christ who have received our justification and sanctification by the grace of God under the terms of the New Covenant. They do it by way of memorial. MM says it is a memorial for us too, but our impact is different. Our impact stems from showing something. Israel will have an impact in the day of wrath because their observance of this table in the tribulation is going to impact the apostate nation in two ways: 1. It will either cause them to repent and become part of the believing remnant and part of the Lord's generation OR - They will come out of that untoward generation OR 2. It will infuriate them and that fury they will have against the remnant is going to mount to an apex and poured out on them in the day of wrath. - Solidify their position in the apostate nation. It starts in the EoM but gets interrupted and then the impact continues into the day of wrath. When the believing remnant participates in the Lord's Table in the day of wrath, they are sending a message to the apostate nation that the old stuff (Covenant) is done away with. That's the impact they're supposed to have.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:23-26	GH: IPF verse	v26: Is not part of what the Lord said to the disciples. Jesus did not say this to His disciples. This is what the Lord gave to Paul to give to us. This is the “impact issue” for us in this DOGG. See the reason for taking this observance and bringing into the DOGG. This is an impact that God designed for us to have that goes beyond the “memorial” aspect of the observance. It is true that the Lord’s table is a memorial to them under the Israel program and it is also a memorial to us in the dispensation of grace. v26: SHOW THE LORD'S DEATH TILL HE COME: Is unique to us in this DOGG. Our impact is on governmental positions in heavenly places. Don't show the Lord's death to ourselves or to each other. GH: Paul tells you if this is the case - ourselves-Ephesians 5:19 and each other-Colossians 3:16. Not doing this for ourselves or for one another. Someone else is being impacted by our participating in the Lord's Table. The area of our impact has to do with the area of our vocation. We the beneficiaries of all this given to us in Christ, are given the privilege of observing the Lord’s table to not only celebrate God’s Jehovah-ness and grace, but we keep that “show” going on as we manifest it to the principalities and powers. They are made spectators for God makes them to observe it. And we make that impact to the glory of God and their impending doom. When we observe the Lord’s table, we are publishing the manifold wisdom of God. We are making known that “hidden wisdom” that God, in His great wisdom allowed for the reconciliation of the heavenly places through the death of His Son on the Cross. The princes of this world were provoked into performing the ultimate act of rejection against Him; putting Him to death – and that act of what they thought would solve their problem proved to be their undoing! And we are to show that forth every time we observe the Lord’s table.
1 Corinthians 11:23-25	IP: Communion	Communion: Tied to Israel's program.
1 Corinthians 11:26-28	Lord'sTable	The Lord's Table: Tied to Mystery Program in DOGG. Not in any Gospel account and makes it applicable to us today in the dispensation of grace.
1 Corinthians 11:26	Lord'sTable	26 For as often as ye eat this bread, and drink this cup, ye do shew the Lord's death till he come. Shows the adversary He made a provision for us and you didn't know anything about it and you thought you were getting rid of Him on that Cross. He was dying to provide your undoing and we're going to celebrate this thing till He comes to get us out of here. Ought to do it with a heart that absolutely soars, not this somber, quiet. Not saying we ought to be standing in our chairs jumping up and down, but our hearts should be soaring with the fact that God has made this thing for us. When Paul says SHEW (not show) - something being shown, putting on display. You're acting something out for somebody and this is the stage that is set and you are showing them this show you are putting on. Who is seeing it? Not to men - no one is seeing it but believers. Not reflexive - Bible doesn't say to show it to each other. Like putting on a play for the sake of the actors - ridiculous, right? The audience is the principalities and powers. Everytime we do this, our Heavenly Father says to every angel in the universe, 'watch that!'. We are shewing forth the manifold wisdom of God. Satan delights in churches taking the Lord's Table every week because it doesn't show anything. Doesn't show what it's supposed to. We are showing something. Our God is smarter than the adversary. Our God made a provision and we are part of it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:26	Lord'sTable	26 For as often as ye eat this bread, and drink this cup, ye do shew the Lord's death till he come. Terminology that wasn't given in Israel's program. YE DO SHEW: You are putting something on display. The things that are going on with you are putting something on display, you are being made a spectacle and angels are among those that are watching the spectacle. We are showing something to them as we celebrate the Lord's Table. Showing something to fallen angels because when we get together to do the Lord's Table, people pass by on the street have no idea what we are doing. Does not impact the outside world at all but the angelic realm it impacts because the reason we're impacting them is because what Satan and those angels that rebelled with him thought would be the end of Chrst putting Him to death turned out to be their undoing. That's why he says you show forth the Lord's death. Satan is saying I couldn't get Him to bow down, to change His message, I have tried every way, so I will just kill Him. God needed to provoke the adversary into putting Christ to death. You say, well, the Jews did that. MM responds who do you think was behind that? The leadership of the nation who wanted Jesus put to death, Satan was behind that. Not just him, it was a group called the princes of this world. Those are among the angelic hosts that rebelled with Lucifer. Context: Corinthians have gone through the first phase of the first level of their Sonship.
1 Corinthians 11:31	GH: Key Principle	31 For if we would judge ourselves, we should not be judged. Written in the context of their abuse of the Lord's Table. MM says Paul gives us a principle that goes all throughout the scripture. You want to know about this principle to avoid the rehersal of all the things you have done in the body at the JSoC. MM says he is very interested in this. This is not about imputing sin to you and it's not really about humiliating anybody. This education is going to be uncomfortable UNLESS you can educate yourself. You have been given everything you need to obey your Heavenly Father everyday. Now the question is, will you become a person who has judged themselves. In judging sin, God is looking for 1 thing. He just wants you to stop, whatever the issue is. Doesn't matter what it is, God just wants you to change your behavior about that. If you will judge yourself, which means I will learn the lesson about the terribleness of sin, I will learn the lesson about the consequences of the rebellion against God, even if I think it is a little one. If you will learn that lesson, God doesn't have to teach it to you at the JSoC. Good news! Can this be avoided (GH: 1 Corinthians 4:4-5)? And that is the point of Paul telling us in the first place, so that we can avoid the “accounting” for the “wrong” or “bad” which we have done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 11:31	GH: Key Principle	31 For if we would judge ourselves, we should not be judged. Those wrong actions do not have to be revealed before all. When it comes to our bad behavior at work, or at school, or in our own homes, with family or with our neighbors, once we are believers IN Christ, if we do not judge ourselves, we will give an account to God for our actions. But, if we judge ourselves, we will not need to judged by the Lord at the JSoC. EX Guy using company credit card to fill up his car. What does God expect? Firstly, God does not expect the man to go through a long prayer admitting what he did was wrong and asking for forgiveness. Of course he is wrong, and he already knows it. This sin is already forgiven IN Christ; paid in full by the Cross. But God expects the guy to do two things: 1) Stop stealing the company's gas, and 2) pay back what he stole. The way to judge sin is not to confess it and then keep committing in, only to confess it again and be sorry about it, and then to do it again (GH: 1 John 1:9 approach). No, the real issue in judging sin is to forsake it. And if our sin has caused loss to another, then we are responsible for restoring them. And sometimes that means suffering the consequences. For the man in our illustration, it may mean the loss of his job, if he comes clean.
1 Corinthians 11:31	GH: Key Principle	31 For if we would judge ourselves, we should not be judged. Realize you are doing the wrong thing and are a believer and realize it's not the right things to do, but do it. It's a stronghold your life and you are either not interested in overcoming it and know you are going to face that at the JSoC. Judging that is not saying, Lord I'm really sorry about that, I do feel terrible about that, and I don't want to do it again but for whatever reason, I'm not taking the steps to allow the word to actually pull that stronghold down and clear that out of my life so I can live godly. Know if you can't overcome that here, you are going to have to face that at the JSoC. Would be embarrassing. The only way to not face that there is to not only overcome it here, but to overcome it in such a way in which now I have actually kind of purged it out of my life and it is not an issue for you anymore. And if you can overcome that by the effectual working of the word, you can pull down that stronghold. If you can judge that and if you can honestly say how God thinks about that according to His word and know it is displeasing to Him and for the godly reasons, now I'm turning away from that, then you won't have to face that at the JSoC.
1 Corinthians 11:31	GH: Key Principle	31 For if we would judge ourselves, we should not be judged. This is a true thing but MM says it occurred to him this can't be the reason. Not wanting to be embarrassed at the JSoC can't be your motivation because after the JSoC, there's not another judgment waiting for us after that. If this was the motivation, that motivation would be gone in eternity. Your love for the Lord has to be your motivation. That's why the first and greatest commandment is love the Lord your God and Paul is going to echo this. The second commandment is love your neighbors as yourself and in Romans 12 Paul gives us forms of doctrine on how we are not only supposed to love our fellow saints, but we also love our neighbor, and how we are supposed to feel about our enemies. These are the things that have to reign in our hearts. You should want to judge things in your life now and handle them now but it can't be because you are trying to avoid embarrassment or humiliation. It has to be because He means more to you than those things.
1 Corinthians 11:32		32 But when we are judged, we are chastened of the Lord, that we should not be condemned with the world. GH: Ties to Romans 8:34.

1 Corinthians 12:1-16:24		The third major component to the book; the reproof, correction and instruction in righteousness concerning their ungodly labor. In 12:1-14:40, Paul addresses their ungodly labor with regard to the spiritual gifts and the operations of God.
1 Corinthians 12:1-14:40	GH: Spiritual Gifts / GH: Spiritual Phenomena Verse	Spiritual Gifts **Please see 'Definition : Spiritual Phenomena' in the Commentary.** **Please see 'Comparison : Passage : Spiritual Gifts for Corinthians vs. Ephesians' in the Commentary.** Correcting the Corinthians ungodly labor with respect to the Spiritual Gifts & the operations of God. Flow: Paul wrote Scripture, like the letter to the Philippians. Two of the edification gifts are apostles and prophets. Job of the prophets were when the letter came in from Paul to Philippi, the prophets have the spiritual gift to be able to look at what Paul wrote and decide is it inspired or not? Paul wrote more than 13 letters but only 13 got identified with scripture. The scriptures that were inspired contain references to these other letters. Prophets would verify this is the word of God. Then, it was up to the apostles to copy and carry/disperse those copies to other assemblies. Let's say the prophets in Philippi took the letter to Rome. The prophets in Rome would say the exact thing the prophets in Philippi said, this is the word of God. 1 Corinthians 12:1-3 – Reproof 1 Corinthians 12:4-13:13 – Correction 1 Corinthians 14:1-40 – Instruction in Righteousness Tell difference between the genuine and the counterfeit - the pattern of doctrine/edification for the spiritual gifts. Every one of the spiritual gifts is counting on the others. This is what made everybody so important, so critical to the whole body. Paul tells us that no member is more important than another member, that we need every member, etc. and this is a message he is carrying over to the spiritual gifts. God is trying to teach them to function together as a body so that everybody is dependent.
1 Corinthians 12:1-14:40	GH: Spiritual Gifts / GH: Spiritual Phenomena Verse	God gave Gentiles spiritual gifts at the beginning of the DOGG to accomplish some very specific OPERATIONS. The 5 basic OPERATIONS that God wanted to accomplish: 1. To communicate the word of God (edify the body of Christ) 2. To show that God is now working with Gentiles 3. To show that God is no longer working with Israel 4. To provide for local church orderliness 5. To provide a final sign to Israel that their diminishing was concluded

1 Corinthians 12:1-14:40	GH: Spiritual Gifts / GH: Spiritual Phenomena Verse	The 3 outstanding characteristics of the spiritual gifts: 1. The gifts were temporary; they were only in operation/given for a limited time 2. The gifts only provided for a PARTial knowledge and PARTial understanding 3. The gifts were replaced during the lifetime of the apostle Paul The spiritual gifts were replaced by the following to perform the operations of God - A MORE EXCELLENT WAY-1 Corinthians 12:31, THAT WHICH IS PERFECT-1 Corinthians 13:10, the completed word of God. The MOST EXCELLENT ministry, then and today, of the Holy Ghost is the establishment of godly love (CHARITY) in the saints. It's the premier ministry of the Holy Ghost.
1 Corinthians 12:1-14:40	GH: Spiritual Gifts / GH: Spiritual Phenomena Verse	Essential Doctrine 5 of 6: I Corinthians 12:1-14:40 – Spiritual Gifts - teaches about the excellency of His word and the ability of it to do something that surpassed anything else that had ever been done on the face of this earth. Get an education on the excellency of the word of God. If Paul didn't write what he did in 1 Corinthians 12-14, no one would be able to tell between the counterfeit and the genuine. That's how critically important these chapters are.
1 Corinthians 12-13	GH: Spiritual Gifts	In the beginning of the DOGG, you had God giving Gentile churches supernatural, spiritual gifts. But He gave them with a purpose in mind. The Bible calls those OPERATIONS. God is making sure to get the message out and one of the ways was to give these gifts to the Gentile churches. The answer to why God gave these gifts to the Gentile churches is found in the operations. Those (GH: OPERATIONS) are the purposes God is accomplishing by these gifts. For those GIFTS to operate OUTSIDE of those purposes or OPERATIONS God was accomplishing by these gifts, was an abuse and a misuse of those gifts to operate outside of those purposes. In Corinth: - Some had a legitimate gift - Some were faking a gift because they didn't want what they got - they wanted a different one - Some were actually trying to participate in Satan's counterfeit, but the genuine gifts were there MM says see how confusing this would be. Had 4 things going on there, and you didn't know if a guy came into the assembly GH: if he was legit or not. These supernatural gifts were in play when Paul wrote Romans but those gifts only lasted for a limited period of time and they did end in the Apostle Paul's lifetime. Because of that, Paul says I'm going to shew unto you A MORE EXCELLENT WAY-1 Corinthians 12:31. A MORE EXCELLENT WAY of getting God's operations accomplished. God is saying I HAVE got a better way for you to do that now. A car is A MORE EXCELLENT WAY to get to church than a bicycle. What is happening with the GIFTS is going to dove tail into the OFFICES that we are going to occupy at this time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12-13	GH: Spiritual Gifts	Don't confuse your natural abilities with the supernatural gift because if He had given MM the supernatural gift of TEACHING, he wouldn't be studying during the week. He'd just show up and his gift would go into operation and saying whatever it was he had to say. MM says he does not have that gift. When the GIFTS were in operation, the SPIRIT dispensed those GIFTS as He saw fit. Today, in what is happening with the OFFICES, a big difference here is that (and it is in perfect accordance with the liberty we have as sons) we get to choose that OFFICE we want to function in. Today, God is not giving you the GIFT, He is letting you choose the OFFICE. God is not going to assign your office, you are going to get to choose your office. God is not going to supernaturally empower you, He's going to educate/teach you how to function in that office. Because they didn't have the Bible, there was no way for them (GH: the early DOGG church) to get this information so God had to supernaturally give it to them. So the Spirit has to decide what to give and who to give it to because the only One that knows the OPERATIONS of God is the Spirit. We have an advantage, we have a completed revelation of scripture and every single one of God's operations are listed in written form in His word. Because we are able to look at those operations and know what He wants done, you now as a son, because you know what God is trying to do here, and know all of the offices I choose how I want to function.
1 Corinthians 12	GH: Spiritual Gifts	He gives you an order in the gifts because some gifts are more important than other gifts because of the nature of the operation. They are trying to produce something. When God gave these gifts to those folks in Corinth, was not just something out of the blue that had no connection with anything. They were supposed to understand that the gifts that they were being offered were very specific. They weren't just neat parlor tricks. They all had a purpose and a reason. MM says they are hooked together in pairs. v1-11: Paul talks about these various administrations, operations and gifts that are administered by the Spirit. v27-31: Supernatural Gifts: Because of these, the churches weren't in the dark about letters from Paul being inspired scripture. But problems arise when people fake the gift.
1 Corinthians 12	GH: Spiritual Gifts	1 Corinthians 12 Context: • For a time, at the beginning of this DoGG, the spiritual gifts were in operation • Paul wrote to the Corinthians that during his lifetime the spiritual gifts would be replaced with “a more excellent way” • The spiritual gifts were in operation when Paul wrote the book of Romans, but they are not in operation today. Therefore, we must deal with the passage from the perspective of the more excellent way, not from the perspective of the gifts • Paul wrote Romans so that it instructed those with the spiritual gifts in operation and also us with the more excellent way in operation

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12	GH: Spiritual Gifts	Paul is going to begin addressing the issue of spiritual gifts and he lists those gifts. Not only list them but says there are different administrations which means every Member of the Godhead has something to do. There are different administrations, there are different gifts, there are different operations. Find there are 5 operations here that God is trying to get going at the beginning of the DOGG and He is using spiritual gifts to accomplish those 5 operations. The gifts were not there just for the purpose of being gifts. All of the gifts were given to accomplish these 5 operations. That's the only reason those gifts were given. This was not the way He was always going to do that. The Corinthians were so caught up in the gifts, they were not accomplishing any of the operations. MM says they are just like people today who claim to have those gifts. They couldn't tell you1 of the operations those gifts were meant to accomplish but they got the gift. They don't. Made a bunch of folks watching the DVD mad as a hornet, so might as well finish that up. If you don't know the operations of God, you cannot, it will be impossible for you to determine the legitimate gift from the counterfeit. Paul lists the gifts in the first part of the chapter and then he is going to come along later and rank the gifts in the order of importance. Some of those gifts were supposed to operate inside the local assembly and then the next operation the gifts were supposed to operate outside the local assembly.
1 Corinthians 12	GH: Spiritual Gifts	The Corinthians did 2 things backwards: 1. They emphasized the very least gifts as the only thing you need to be concerned about and they completely neglected the best gifts 2. They took the gifts that were supposed to be used within the local assembly and didn't use them at all and they took the gift that were supposed to operate outside the assembly and they brought them in. So Paul comes through and he is going to chide them over this issue because not only have they now gotten so they were ignorant of what was supposed to be going on, a counterfeit gift showed up and they didn't even know. They couldn't tell the difference. Spiritual gifts: Paul knows it first but after that, the Spirit reveals it so that other churches might also understand the mystery. If they are waiting on Paul to make a personal trip, how long will they be waiting to get that message? God has a better economy than that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12	GH: Spiritual Gifts	Summation of 1 Corinthians 12: - There are different gifts. - Those gifts function under various administrations to serve the Lord (the body of Christ). - The gifts are intended to accomplsh specific operations. (**Operations to/for: 1. communicate the word, 2. unbelieving Gentiles, 3. unbelieving Jews, 4. local church orderliness, 5. final sign to Israel**) - Some of those operations are no longer needed. Don't need to tell Gentiles that God is working with Gentiles, everybody knows that and (GH: mistakenly) think it has always been this way. Means the related gifts no longer accomplish anything. - Other of those operations continue throughout the DOGG. - Paul ranks the gifts in order of importance with the BEST GIFTS being those gifts which produce edifying for the assembly. - None of the GIFTS are possessed by everyone. - Paul tells the Corinthians that there is coming a MORE EXCELLENT WAY-1 Corinthians 12:31 to accomplish God's operations.
1 Corinthians 12	GH: Spiritual Gifts	Review of Spiritual Gifts: **God gave Gentiles spiritual gifts at the beginning of the DOGG to accomplish some very specific OPERATIONS. The 5 basic OPERATIONS that God wanted to accomplish:** **1. To communicate the word of God (edify the body of Christ)** **2. To show that God is now working with Gentiles** **3. To show that God is no longer working with Israel** **4. To provide for local church orderliness** **5. To provide a final sign to Israel that their diminishing was concluded** - The gifts that were considered by God to be the BEST GIFTS - the GIFTS that edified the body of Christ (APOSTLES, PROPHETS, TEACHERS) - Members of a church acquired a spiritual gift - the gifts were given by the Spirit at His discretion (1 Corinthians 12:11).
1 Corinthians 12	GH: Spiritual Gifts	Spiritual Gifts: For the Corinthians, the spiritual gifts segued perfectly into the Greek culture. The gifts of speech and wisdom or knowledge were perfectly in line with the expectations of the society of the day. Today, it could be that a preacher has the ability to communicate well or making our services as contemporary as possible to the extent of compromise in order to be accepted by the community at large. Good communications skills, of course, are not bad if they are used to communicate the truth of the Cross and a godly life. But let us not leave out the idea of weakness, self-sacrifice, humbling oneself and accepting persecution – ideas that the world would not approve of. Today, these are barely heard of. MM says don't get so focused on an event that you disregard the word. This is a dangerous position because you are not smart enough to figure out the adversary. If Paul hadn't written 1 Corinthians 12-14, nobody would know the difference between the counterfeit and the genuine because you can't find it anywhere else. That's how critically important these chapters are.

1 Corinthians 12		**- The 3 outstanding characteristics of the spiritual gifts:** **1. The gifts were temporary; they were only in operation/given for a limited time** **2. It wasn't IN PART anymore. - The Bible is MORE EXCELLENT than the spiritual GIFTS in that the Bible provides a PERFECT AND COMPLETE knowledge and understanding and is therefore MORE EXCELLENT than the IN PART (partial) understanding provided by the spiritual gifts. MM says there are several reasons but this is the most important - they it gives complete knowledge and understanding. - The MOST EXCELLENT ministry, then and today, of the Holy Ghost is the establishment of godly love (CHARITY) in the saints. It's the premier ministry of the Holy Ghost. - No member of the church had ALL of the spiritual gifts. Everyone received a gift but no gift was had by everybody. Remember, Paul even asks this - ARE ALL APOSTLES?-1 Corinthians 12:29. Answer to all of these is NO.
1 Corinthians 12	Doctrine : Corrective	Doctrine : Corrective - to straighten out their thinking on the basis of which spiritual gifts are most important and that is the starting point for getting out from under the deception produced by the policy of evil. Once they are looking at the spiritual gifts like God does (by appreciating all three roles of the three members of the Godhead and especially the issue of the diversities of operations) then Paul is able to say AND YET SHEW I UNTO YOU A MORE EXCELLENT WAY-1 Corinthians 12:31. The spiritual gifts are not in operation today. We are enjoying what Paul calls THE MORE EXCELLENT WAY-1 Corinthians 12:31. MM says when God starts out the DOGG with the spiritual gifts, it was not only necessary for Him to do it but was the way it should be. Important to understand: 1. Why the spiritual gifts are no longer in operation today. 2. There are elements of this that are now part of THE MORE EXCELLENT WAY. 3. To really get ahold of the more excellent way and see it for what it is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12	Doctrine : Corrective	When the spiritual gifts were in operation, everybody had a part but those parts were very compartmentalized. There is no written word for them to look at. Paul hasn't written the scriptures yet. There's 20 years between Paul getting saved on the Damascus Road and writing the first Book, Galatians. Because you don't have any Bible to edify folks, there were edification gifts to help with that. Some of them worked together to accomplish a common thing but what they were doing individually was very different and everybody had a spiritual gift. They didn't have the Book of Romans or the Book of 1 Corinthians to turn to. It was so compartmentalized that if you had a gift, you could do that one thing, but you could not do the other things that needed to go along with that. This is because God is trying to teach them to function together as a body so that everybody is dependent. When you had the gifts, it forced you to rely on the other gifts. Paul talks about the diversities of gifts but they didn't understand how those gifts are meant to work hand in hand to accomplish the operations that God wants to accomplish. If any of this work is going to get done, you're literally relying on each other, relying on all the other members to do their part.
1 Corinthians 12	Doctrine : Corrective	The part about relying on the other members of the assembly didn't go away. When the assembly assembles itself together as THE PILLAR AND GROUND OF TRUTH, we're supposed to recognize some things from the word. But because we don't see this dependence in a physical way, it is really hard for us to get ahold of it. You will see that every one of the spiritual gifts is counting on the others. This is what made everybody so important, so critical to the whole body. Paul tells us that no member is more important than another member, that we need every member, etc. and this is a message he is carrying over to the spiritual gifts. Now, you have the word to edify you but all of us doing our part is critically important. If there was ever an assembly of believers who understood this principle, everyone would understand that I am necessary and I am important to the overall function of this assembly and I am impacting this assembly by whether or not I'm functioning as part of the body. But if someone gets puffed up about their gift and now they are just focused on that, then you get an assembly like the Corinthians who are divided and prideful and ineffective. EX Job of the prophet to declare the word of God, but he can't tell you how to understand it. Like someone just standing up and reading scripture. Someone else stands up and says let me tell you what that means and they will explain it. Then someone else will come up and say, let me tell you how to apply that to your life. See how disjointed this is. Everybody is dependent on the other guy to do his part because there is no Bible to go to to get that. The Spirit is doing this. Back there, you had APOSTLES, PROPHETS, AND TEACHERS. Today you have Pastors/BISHOPS who are APT TO TEACH. These gifts are all connected together but they are doing something different to get to the same end and they are dependent on the other guy doing his part. MM says it really gets a little complex.
1 Corinthians 12:1-3	Reproof	Spiritual Gifts: Doctrine & Reproof Paul identifies the doctrine - SPIRITUAL GIFTS - and a reproof. Reproof is they have been deceived. You are deceived now because there were some things they still didn't know. The Corinthians had been deceived in their unsaved past by counterfeit spiritual phenomenon. Paul reminds them of that and points out the fact that the same kind of deception was taking place again. When they were unsaved, they were deceived by these counterfeit spiritual phenomena in the past. Paul uses this to remind them, hey, you are being deceived again by these counterfeit spiritual gifts. You think something unusual is happening there that it must be God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:1-14:40	Doctrine : Essential Doctrine 5 of 6: Spiritual Gifts	1 Now concerning spiritual gifts, brethren, I would not have you ignorant. Essential Doctrine 5 of 6: I Corinthians 12:1-14:40 – Spiritual Gifts - teaches about the excellency of His word and the ability of it to do something that surpassed anything else that had ever been done on the face of this earth. Get an education on the excellency of the word of God. You are supposed to carry that understanding forward. Paul is going to spend 3 chapters on the essential doctrine of spiritual gifts. MM said if there's an area that people are ignorant of today, this is one of them. He doesn't highlight this for no reason, it's always been this way, so it's not just today but historically. These supernatural gifts were not so that God could manifest His Power. Their purpose was to accomplish certain “jobs” which God wanted to carry out in the world. When God gave the spiritual gifts, the Spirit gave those gifts as He saw fit. The people had no choice in the matter as to which gift they received. 6-7x Paul says I WOULD NOT BE YE IGNORANT of this and then he gives you a subject matter. Should set an alarm off in your head. These are the areas that Satan is working the hardest to cause ignorance. I WOULD NOT HAVE YOU IGNORANT: GH: Exhortation around Essential Doctrine 5 of 6: Spiritual Gifts. Paul is saying that he does not want the Corinthians (and by extension, the body of Christ) to be ignorant of the spiritual gifts. They can't afford to be ignorant about this. Paul uses this phrase 6x in his epistles and every time he uses it, he is pointing out a doctrine that is sort of a pet doctrine of the POE to cause confusion and lead people into doctrinal error. He can do this with any doctrine but these are 6 that he has targeted in the DOGG.
1 Corinthians 12:1	Doctrine : Essential Doctrine 5 of 6: Spiritual Gifts	1 Now concerning spiritual gifts, brethren, I would not have you ignorant. NOT HAVE YOU IGNORANT: MM says if you are ignorant of spiritual gifts, you will be duped by the counterfeit. His plan to use the gifts to get people off track is working. The cure to being ignorant of anything is an education and the only place you can get an education about spiritual gifts is the word. You are not going to be educated by looking at it or by an experience or by a feeling. That's what the counterfeit is for. People today will take these things and put them ahead of the word of God to determine what is true and what's not. All of these gifts are given to accomplish a specific operation of God. We are laboring with God in what He is doing and there's a specific oparation that He wants to accomplish. They are cooperating together for the edifying of the body. If you don't have the word to be educated by, how would you be edified? God said I just can't leave them out there floundering and not be edified. Teaching (without the completed word of God) was a spiritual gift beyond talent. There was a time when God gave gifts supernaturally because there wasn't another way for them to adequately get that done. This is the gift where God is imparting a knowledge to you that you don't already possess. IGNORANT: Ignorance does not mean you aren’t smart, it means there is something you don’t know, and Paul wants us to know about the spiritual gifts. By saying it this way, Paul is actually warning us that we cannot afford to be ignorant, because this is one of those doctrines which Satan loves to utilize to deceive believers and get them off into false doctrine. If they are ignorant, they are going to be deceived about some issues in this doctrine and Satan is going to interrupt their edification. GH: One of the 6 essential doctrines the POE will pervert to keep them in the dark about certain doctrinal truths for the purpose of hindering their edification. OED: ignorant: lacking knowledge or awareness, uninformed, uneducated

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:1	Doctrine : Essential Doctrine 5 of 6: Spiritual Gifts	1 Now concerning spiritual gifts, brethren, I would not have you ignorant. IGNORANCE: **3 categories of ignorance that Satan is counting on:** **1. RDW/Right Division** **2. Two programs** **3. Counterfeits of the power of God with Satan's own spiritual gifts**
1 Corinthians 12:2-3		Finishes up Paul's reproof. The idol worshipping in the Corinthians is a counterfeit action that Satan himself is orchestrating. The counterfeit of the past was Satan convincing the worshippers of idols and false gods that a DUMB IDOL somehow speaking to the priests of that religion; that the gods were communicating through the idol. They totally believed what they were told and Paul describes their deceived status by saying they were CARRIED AWAY UNTO THESE DUMB IDOLS. They had been deceived in the past by spiritual phenomena and they were totally unaware of it. They thought they were serving the real "God." Because of their past ignorance, they were deceived before, and because of their present ignorance, they are being deceived again. Satan has his PoE working in the Corinthian church, and they don't even know it.
1 Corinthians 12:2		2 Ye know that ye were Gentiles, carried away unto these dumb idols, even as ye were led. Paul is making a comparison in how they were deceived when it came to these DUMB IDOLS and now you are being deceived again, even as believers in Jesus. There is something going on here and God is not doing it but I need to be able to educate you about this so that you can tell the difference between the satanic counterfeit and the genuine use of the spiritual gifts as God was working at the beginning of the DOGG. When these people heard the news and began serving the True & Living God and knew about Jesus dying on the Cross, then they began to understand those were not real gods at all. And those religions were false religions and that this was idolatry. They believe the True & Living God has power, but Paul is say you were deceived before because of some things that you didn't know and now you are being deceived again because there are some things that you still don't know. Satan has his POE working in the Corinthian church. YE KNOW THAT YE WERE GENTILES: He is not just saying to you did you know you were a Gentile, you know you are a Gentile, right?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:2		2 Ye know that ye were Gentiles, carried away unto these dumb idols, even as ye were led. CARRIED AWAY UNTO THESE DUMB IDOLS, EVEN AS YOU WERE LED: Telling you what kind of Gentile you were. Paul is saying to the Corinthians, before you trusted Jesus Christ as your Savior, you were carried away to worship dumb idols and you know what, you believed they were real gods. They believed in those gods, prayed to those gods, sacrificed to those gods, told stories about how those gods answered those prayers. Sometimes, they didn't get an answer and said that it wasn't god's will. They had a whole thing made up. After they came to Christ, they discovered those DUMB IDOLS never were gods, they were the counterfeit (GH: POE). But the counterfeit worked so well, they never had a clue that they weren't following true gods. **The same way you were deceived about the true God is the same way you're being deceived about spiritual gifts**. You are following the counterfeit around spiritual gifts and don't even know it. Gentiles worshipped every god but the True and Living God. DUMB IDOLS: Deception was the god was communicating to the priest of whatever pagan religion through the idol and supernaturally were able to understand what was being said by the idol. Everybody that was part of this religion just bought in on that. They can't hear it but the priest can and the gods are communicating through the idol exactly what they want him to hear, and he can understand it. DUMB: They can't speak.
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. **Please see 'Definition : Spiritual Phenomena' in the Commentary.** There was a man in the Corinthians church that was claiming to speak by the power of the Spirit of God, and they believed that was what he was doing. Because they were ignorant, they were also gullible. They never realized the message coming from this man was totally false because they were observing the spiritual phenomena. Paul is going to say he's not speaking by the Spirit of God at all. God is not telling him what to say, he's just making that part up. The POE is at work in the Corinthian church and they don't know that's the POE at work. Paul tells them this guy is just making that part up. They believed, however, because something supernatural is going on. They looked at that and the miraculous part of it, and they went, oh well, this must be God. MM says just because it is miraculous does not mean that God is behind it. EX Exodus and the magicians in Egypt. Have to remember that Satan has the power to do that. In 1 Corinthians 12-14, Paul is showing them how to know the difference between the genuine and the counterfeit. This is information they really do have to know. When there is a spiritual phenomena going on, they are concentrating on the phenomena and going oh, this has got to be God. There was as least one individual, operating in Corinth, through whom the adversary was using these spiritual gifts and producing counterfeit spiritual phenomena. By means of a counterfeit spiritual gift, this man was claiming to speak by the Spirit of God. The Corinthians were not aware that this man was not speaking the truth, at least a good number of them.

1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. The Corinthians got deceived by the this guy who was counterfeiting the spiritual gifts. MM wonders whether he knew he was working for the adversary. Even though there are some people who are anti-God and they know they are working for the adversary, those are not as often as we think. Most of the time those people are as deceived as the people they're talking to. Points to Jesus sayin LORD, LORD, HAVE WE NOT PROPHESIED IN THY NAME? AND IN THY NAME HAVE CAST OUT DEVILS-Matthew 7:22 and the Lord responds I NEVER KNEW YOU: DEPART FROM ME, YE THAT WORK INIQUITY-Matthew 7:23. MM says they believed they were doing the works of God but they were not. Everybody fouls up here, thinking hey, they are casting out devils, they must be on God's side. What Satan is really after is the message they are giving. If he can convince people that they're giving God's message, he can sow a lot of confusion and a lot of error.
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. Spiritual Phenomena are outward supernatural expressions - 98-99% happen in Israel's program and most of the ones in Paul's epistles tie to Satan's counterfeits. Things that don't happen naturally. God’s use of spiritual phenomena in this DOGG is limited to a very short period of time and for the accomplishment of a very particular purpose. Once that purpose was fulfilled, God was no longer uses signs, wonders and miracles in this Dispensation of Grace. Even after the genuine miracles ceased, Satan continued to counterfeit those spiritual phenomena. That is why most of Paul’s references are to counterfeits and not the genuine. MM points to God's covenant to do miracles - DO MIRACLES...SEE THE WORK OF THE LORD-Exodus 34:10. 1. Signs 2. Wonders 3. Miracles
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. The only way to be sure about what is true and what is not is to find it in the part of the word of God that is specifically to you and about you. Satan has the power to counterfeit the power of God to such an extent that without the proper doctrine, a man would never tell the difference on his own. Neither the wisdom of men nor the experience of men are reliable criteria to determine what is truth and what is error. Why the Corinthians were so susceptible to the false prophets. Because they came along and exercised some outward demonstrations and the Corinthians fell right in. Even though the Corinthians were given the legitimate spiritual gifts at the beginning of the DOGG and they were given them for a reason. Even though they received that, there was at least one, probably more who came into that assembly to exercise one particular spiritual gift by which he was calling Jesus accursed. They were so enamored with this guy and this outward manifestation they thought he was the real deal from God and they promoted him that way. Paul said that you are so taken in by the counterfeit and so unable to discern beweeen the genuine and the false that you have taken a man who is calling Jesus accursed and your making him a big shot in your assembly.

1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. The real penance is they had the gifts and they still couldn't discern it. When God calls it THE EXECELLENCY OF His POWER-2 Corinthians 4:7 and someone says that doesn't seem like a big deal, you are supposed to be on the exact opposite side as a son cause you V&E what God V&Es. MM only brings this up because they loved the outward demonstration so much so that they would look at what MM is talking about, about what Paul talked to them about, and the would say, pfft, what's the big deal with that? A guy came into the assembly who supposedly had the gift of speaking in tongues and what he was actually doing, he was saying that he was denying Jesus Christ and he was beginning to have an effect on people because they thought that was a supernatural gift. MM said you had a lot of confusion and no wonder the Corinthians were messed up in their doctrine and divided up. Certainly weren't operating like a body.
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. WHEREFORE: Takes you back to the facts of v1-2: * the fact that you can't afford to be ignorant of this thing that Satan will deceive you with * the fact that you've been deceived in the past by counterfeit spiritual phenomena from the policy of evil - you guys have been deceived by spiritual phenomena before By the doctrine, you should know if a guy CALLETH JESUS ACCURSED, you know the guy is not from God and his power is coming from the adversary. I GIVE YOU TO UNDERSTAND: Paul wants them to understand there is a counterfeit spiritual phenomena going on in Corinth.
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. NO MAN SPEAKING BY THE SPIRIT OF GOD CALLETH JESUS ACCURSED: The Corinthians were easy prey for the counterfeit, they thought it was real. He was calling Jesus ACCURSED and they couldn't figure that out. NO MAN CAN SAY JESUS IS LORD BUT BY THE HOLY GHOST: MM says this was going on in the Corinthians assembly. There was a man who came to that assembly who was exercising a counterfeit gift of tongues and He was actually calling Jesus acursed. The Corinthians were so ignorant of the true gifts by the abuse of those gifts they didn't even realize the counterfeit was working in their midst. NO MAN SPEAKING BY THE SPIRIT OF GOD CALLETH JESUS ACCURSED: Paul's not saying, he wants them to understand about something that is not happening, or something that can't take place, or something that has no relevancy to their situation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:3	GH: Doctrine : False Prophets	3 Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed: and that no man can say that Jesus is the Lord, but by the Holy Ghost. NO MAN CAN SAY THAT JESUS IS THE LORD, BUT BY THE HOLY GHOST (cont'd): Paul is “giving them to understand” that the guy claiming to be speaking by the Spirit of God, is not speaking by the Spirit of God. The way in which you can tell the difference is to listen to what the guy says. Paul has got one particular spiritual gift in view. It’s not the only spiritual gift being counterfeited, we find that out later on in 1st Corinthians 14. But Paul has one particular gift in view right here because it is the main spiritual gift that is being counterfeited by the policy of evil. This individual who was claiming to be speaking by the Spirit of God, and was calling Jesus accursed, was doing that by a counterfeit gift of tongues, a communication gift. The whole purpose of tongues was to present to people in their own language the Truth of Jesus Christ and His Lordship. You can't say Jesus is Lord unless the Spirit of God is giving you that. But this guy was saying that Jesus is not the real one, he was saying Jesus was accursed, He is not the One from God. When you hear that, that is not the Spirit of God. The gift is designed to present Jesus to a people who need to be saved and understand that He is Lord. Why Paul says it just this way. Satan recognizes that tongues is a prime gift to counterfeit. It is attractive and Satan uses it to fascinate people. Along with that, it is an easy gift to fake. Satan doesn’t need to prove his counterfeit is real; he just needs muddy the water to cause enough confusion and uncertainty so people do not know what to believe. Which one is right? Who really has it and who doesn't? That's all he needs and it's a pretty low bar. If they hear of supernatural manifestations of the power of God, they automatically believe them, which is exactly what Satan wants.
1 Corinthians 12:4-13	Non-MBI - TBC	God's Grand Design for Godly Edification: 1 Corinthians 12:4-31 The Godhead v6-God (The Father) DIVERSITIES OF OPERATIONS Amplified upon in: v28-31 v5-Lord (Jesus Christ) DIFFERENCES OF ADMINISRATIONS Amplified upon in: v12-27 v4-Spirit (Holy Spirit) DIVERSITIES OF GIFTS Amplified upon in: v7-11 - When it comes, A MORE EXCELLENT WAY-v31. the complete written word of God, replaces the spiritual gifts. ...all members have not the same office.
1 Corinthians 12:4-13:13	Correction	Spiritual Gifts: Correction Seeing that the correction section begins in 12:4, if we are going to get the full gist of 13:1-7, then we need to see it in the context of the whole.
1 Corinthians 12:4-11		When people read this passage, they skip right over ADMINSTRATIONS-v5 and OPERATIONS-v6 because all they are interested in is saying 'tie my bow tie and untie my bow tie' real fast. Those OPERATIONS were being achieved by the use of the spiritual gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:4-6		Find out that all 3 members of the Godhead are affiliated with this process. v4: DIVERSITIES OF GIFTS: There's more than 1 gift. SAME SPIRIT (Spirit) v5: DIFFERENCES OF ADMINSTRATIONS SAME LORD (Son) v6: DIVERSITIES OF OPERATIONS SAME GOD (Father) I GAVE certain gifts under certain administrations to perform certain operations.When people make a big deal on gifts, MM asks if they can identify the operation that God is accomplishing from that gift and what administration it works under? They can't answer either question which means that can't possibly operating that gift. Paul spends a whole chapter on this because the Corinthians had no idea what they were doing. Paul divides the spiritual gifts into 3 groups depending on their operation.
1 Corinthians 12:4-6		When it comes to the edification of the body of Christ, there were/are… Gifts/Offices: - Then, in-part spiritual gifts; now, the perfect, more excellent way of offices - Then, the Spirit chose; now, we choose - Then, diversities of gifts; now, diversities of offices These offices are designed to fit with the various… Administrations: - Now, the offices are designed to minister to the needs of the Lord (which are the “needs” of the body of Christ) - This is where we manifest those four body attributes of participate, cooperate, serve and welfare
1 Corinthians 12:4-6		Paul gives a general statement about these spiritual gifts - really important. There are diversities of gifts and that those diverse gifts are meant to work in concert to accomplish a particular ministry pertaining to the Lord Jesus Christ; and that through that ministry, there are some particular operations that God the Father wants to have accomplished. You can identify all three members of the Godhead in this passage; God the Holy Spirit, (v4); God the Son, the Lord Jesus Christ, (v5); and God the Father, (v6). EX Think of a car company that has as its goal to make cars available to people. You have to have engineers to draw up the blueprints, obtain all the parts, manufacturing/assembly plants to produce the cars, sales staff and dealership locations to sell the cars, advertising staff to get the word out to the public. These are different jobs (gifts) which are accomplishing different tasks (administrations) which are all working together to accomplish the overall master plan (operations) to sell cars.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:4-6		The setup for v7-31: Though the Corinthians may have recognized that there were diversities of gifts, they did not recognize that there were differences of administrations and they did not recognize that there were diversities of operations. They didn't realize that those differences of administrations serving the same Lord were subservient to the accomplishment of different operations that God sought and desired to get accomplished with them, as a local assembly there in Corinth. They are supposed to recognize that those gifts are not designed to function independently. They are designed to function in cooperation with an effort to serve the same Lord. In other words, they are designed to accomplish some things in the service of the Lord Jesus Christ. When Paul talks about there being differences of administration that's what he's talking about. An administration is just like the English word says; administrate. It is a ministry that adds or aids the serving of a particular individual; the individual here being the Lord Jesus Christ. They should have understood that these gifts were not meant to function independently, but they were to function cooperatively to serve the same Lord. Paul is saying is, "Look, you guys just don't have different gifts for no reason at all, and you aren't all given a different way in which to serve the Lord for no reason at all. These spiritual gifts were supposed to faciliate some particular different administrations unto the Lord Jesus Christ and in turn, those administrations accomplished the 5 operations that God said had to get accomplished. People talk about SPIRITUAL GIFTS but they know nothing about the rest of it. Like the Beverly Hillbillies pool table that was the fancy eating table. Means you had something and you had no idea what you had. There are 5 operations that your Heavenly Father wants to get accomplished and what we are doing is we are acting like we don't even know what those are.
1 Corinthians 12:4-6		You have the different gifts and the different administrations because there are some different operations that God is getting accomplished with these different gifts and these different administrations." - Gifts: given by the Spirit - Administrations (added ministry): all meant to serve the Lord Jesus - Operations (the really big one): Not doing the exact same thing but all are working toward the overall plan of the Father. This one has to come first. Answers the question - what is it that we are trying to accomplish? Then, you design the things that will get that accomplished. This is all part of a plan. Need the gifts so that they can function like this so they can accomplish this. Appreciate for diversities of gifts in the accomplishment of some operations that God wants to accomplish in the local assembly. There are gifts designed to accomplish those operations. But there is a problem; the members don't live in the local assembly all the time. At appointed times, the members COME TOGETHER-1 Corinthians 14:26, to function as a local assembly. And when they did, they were to exercise the appropriate gifts to function as the "pillar and ground of the truth." Therefore, Paul will say, the best gifts were those which edified and those were the gifts the Corinthians were supposed to "covet earnestly." But when the members of the assembly are not gathered together, there are other objectives that God wants accomplished. We will see an example of this when we look at the gift of tongues, which was designed to function with unbelieving Israel outside the assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:4-5		Starts the correction aspect of the doctrine. Describe the role of each member of the Godhead in connection with God's master plan. Paul will describe the role of each member of the Godhead as pertaining to spiritual gifts. You cannot understand the doctrine of the Spiritual Gifts without understanding that each member of the Godhead has a role in connection with them. All three members of the Godhead are working in concert with spiritual gifts. The Holy Spirit is not acting on His own. There is purpose behind the Spiritual Gifts. There is a master plan behind the spiritual gifts to achieve God's purpose. God has an intended design behind each one of the individual spiritual gifts. They are designed so that all of them in operation together accomplish God's overall master plan. Without an idea of what operations God intends to accomplish, without knowing the overall master plan, an individual exercising (or claiming to exercise) spiritual gifts is a lot like the Beverly Hillbillies using a pool table as "a fancy eatin' table" and using the pool cues to pick up the various pots placed on the table. While thinking they are having a fine old time of it, they have no idea what they are doing or what is sitting in front of them. And that is where most people are on the subject of spiritual gifts. Paul talks about the role of the Spirit with the spiritual gifts and the role of the Son (different administrations governing those gifts) and the role of the Father (operations from the overall blueprint). All 3 Members of the Godhead have something to do with the exercise of the spiritual gifts. Most people don't understand this and want to put it all on the Spirit. Corinthians understood there were DIVERSITIES OF GIFTS, but didn't understand WHY. They didn't understand the 3 roles the Godhead played in those gifts.
1 Corinthians 12:4		4 Now there are diversities of gifts, but the same Spirit. DIVERSITIES OF GIFTS: Talked about the details in v7-11. Different gifts were in operation in the beginning of this DoGG. DIVERSITIES: More than 1 gift. SAME SPIRIT: Same Holy Spirit. Shows that the Spirit did this. It's by the will of the Spirit (v4-11).
1 Corinthians 12:5		5 And there are differences of administrations, but the same Lord. The Corinthians understood there were DIVERSITIES OF GIFTS-v4 but there were some things they weren't aware of or understand: - The Corinthians didn't understand the differences of administrations. The administrations are all meant to serve the Lord Jesus. - Within the gifts and the operations they are meant to accomplish, some administrations are meant for inside the local assembly (the saved) and some are meant for outside the local assembly (the lost). Some were meant to happen with Gentiles and some were meant to happen with Jews. Have a lot of administrations going on and they're all meant now to accomplish a particular operation. Many of these gifts were meant to work hand and hand with each other to accomplish those operations. After the word of God was completed, some of those operations were done away with and they weren't needed anymore. One of the examples of an operation that continues today is to edify the local church. Back then, it got done through the spiritual gifts. Today, it is the effectual working of the word that edifies us, but the operation didn't go away. It's just the way it got accomplished. - GH: They elevated the least gifts and de-empathized the most important ones.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:5		5 And there are differences of administrations, but the same Lord. - Gifts were not meant to function independently, they are made to function together. - Because the Corinthians had gifts, they automatically thought it made them spiritual. But Paul tells them that they are carnal, they are divided, they are prideful, they are doing it all wrong. Even though they had the gifts, they were misusing them. And because of this, their assembly didn't function the way that it was designed to function. - On top of all these misunderstandings, you have the Satanic POE working in the midst of all of this to deceive them. So Paul has his work cut out for him. He tips his hand telling them in their lifetimes THE MORE EXCELLENT WAY-v31 is going to come on the scene. MM says don't ever think about the gifts without thinking about what it is designed to do. They should have understood that these gifts were not meant to function independently, but they were to function cooperatively to serve the same Lord. DIFFERENCES OF ADMINISTRATIONS: Talked about the details in v17-26. ADMINSTRATIONS: An administration is just like the English word says, ad-ministrate. A President has an administration that carries out his policies. Root word is ministry. They don't call it an administration in Great Britain, they call it a ministry. It is a ministry that adds or aids the serving of a particular individual; the individual here being the Lord Jesus Christ. OED - Administration: 1) the action of administering or serving in any office; service, ministry, performance of duty. 7) the action of administering something to others
1 Corinthians 12:6	Introduction	6 And there are diversities of operations, but it is the same God which worketh all in all. Corinthians were ignorant of this central issue. Operations are the issue of the working or the operating of something in accordance with a master plan to get some particular, specified objectives accomplished. The important thing is to know that this gift is given because God the Father wants to accomplish a certain objective. Operations are the big one. They are all working toward the overall, multi-faceted plan of the Father of what He wants to accomplish in the world. This one comes first. What are we trying to accomplish and then you design the things that you are trying to accomplish. God has provided each gift and each administration for the purpose of getting a particular operation accomplished. Anyone thinking that mere possession of a spiritual gift was a sign of spirituality was sadly mistaken. The Corinthian assembly was replete with spiritual gifts and Paul’s admonishment to them was that they were babes who could not handle strong meat, they were carnal and not spiritual, and they were being deceived by the policy of evil. OPERATIONS is the big one. If you don't understand why you did it, what you are doing, you're probably not doing it right. There's the Corinthians. DIVERSITIES OF OPERATIONS: Talked about the details in v27-31. These gifts were for the accomplishment of different purposes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:6	Introduction	6 And there are diversities of operations, but it is the same God which worketh all in all. OPERATIONS: The purpose behind each of the spiritual gifts was the accomplishment of an operation of God. In the same way, the offices are for the accomplishment of the various operations which God is wanting accomplished today. The “operation” was the purpose behind the gift; it was why the gift was given in the first place. There are operations that God wanted to get done and He gave those gifts in order to get these operations done. OPERATIONS are the purposes God is accomplishing by these gifts. MM says the Corinthians looked at the spirtual gifts from their perspective and that is a very carnal, fleshly way to look at them because the gifts were not just for show or for flash. The gifts were for an OPERATION. Every one of those gifts (GH: MM teaching the 7 gifts/offices in Romans 12:6-8) had a specific operation, we are going to be able to lump them into groups and they were going to work together to provide a certain operation that God needed to get done. Today, when someone wants to talk to you about some spiritual gift they have, ask them what OPERATION of God is being accomplished by that gift. When they say 'What?', you can say that they don't have the genuine article because if they did, they would know the operation. Think about if you had a prior background in this. Ever remember anyone talking about the operations? MM says he never did. They always just talked about the gift and how you had to get it. They never talked about the operation of God. Yet when Paul talks about it, he is not going to talk about it without talking about the operation of God. Some operations lessened through time. Some operations ended at the end of the transition period in Acts 28. That is to say, those operations that had to do with the transitional period of Paul’s “to the Jew first” ministry came to a stop long before the scriptures were completed. The gifts did not all go away at the same time or at the same rate of dissipation. Some ended earlier than others but none of them exceeded the completion of the word of God.
1 Corinthians 12:6	Introduction	6 And there are diversities of operations, but it is the same God which worketh all in all. OPERATIONS (cont'd): It is this issue of the diversities of operations that is the most critical part of the whole spiritual gift issue. In other words, the important thing is to know that this gift is given because this certain objective is being endeavoring to be reached. God has provided each gift and each administration for the purpose of getting a particular operation accomplished. Anyone thinking that mere possession of a spiritual gift was a sign of spirituality was sadly mistaken. There are OPERATIONS that the Father, as He has done the overall blueprint for what all the spiritual gifts are supposed to do. There are OPERATIONS that they are supposed to accomplish. These things are all according to a purpose. The Father is saying I HAVE this blueprint so all of the spiritual gifts go hand in hand so that when all are functioning together, they will accomplish my overall plan. I HAVE a plan and they will accomplish my overall plan. Within that plan, there are various OPERATIONS that need to be accomplished. EX Edification of the saints, getting a message out to unbelievers, etc. The Corinthians are thinking these gifts are pretty neat and we got them but they don't have any idea beyond that of what ministry they're supposed to perform for the Son or what purpose they are supposed to accomplish for the Father. MM tying in the Beverly Hillbillies and using the billiards table as the 'fancy eatin' table'. They put the table to use but not what it was created for. ALL IN ALL: The overall blueprint, the overall plan.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:6		6 And there are diversities of operations, but it is the same God which worketh all in all. 5 OPERATIONS (Purposes) GIFTS **1. Communicate the word of God APOSTLES, SECONDARILY PROPHETS, THIRDLY TEACHERS (believers; inside the church/local assembly because it is edifying the body; to those who had already believed the gospel)** - Edification is happening/Getting edified in godliness. The BEST GIFTS are those that edify every single member of an assembly. These gifts were specifically for the benefit of the body, for the local assembly of believers. If the local assembly is not getting edified, none of the other stuff is getting done either. Everything comes out of that. **2. Confirm God's work with/to the Gentiles MIRACLES (unbelievers; outside the church/local assembly because it's a testimony to Israel that God's not just doing them anymore; to those who had NOT already believed the gospel)** - Designed to impact unbelieving Gentiles so it functions outside the church where the unbelieving Gentiles are because the only folks coming to the local assembly are the saints and they are gathering to be edified. Miracles are not meant to edify you, you would just look at that as a bunch of neat stuff but no one outside these walls would be impacted. Corinthians were practicing MIRACLES inside the local assembly and Paul said this is an improper use of the gift because it is not accomplishing its intended operation.
1 Corinthians 12:6		6 And there are diversities of operations, but it is the same God which worketh all in all. **3. Confirming that God is turned from Israel HEALINGS (Israel; outside the assembly where Israel can see it)** - HEALINGS sounds very similar to MIRACLES. Notice HEALINGS is mentioned in the plural - it's because those have reference to specific gifts. These are particular HEALINGS and when they are listed, Israel understood what those were (GH: THE BLIND RECEIVE THEIR SIGHT, THE LAME WALK, THE LEPERS ARE CLEANSED, AND THE DEAF HEAR, THE DEAD RAISED UP-Matthew 11:5). If Israel was in the Kingdom, they would be performing these works. And Gentiles couldn't do it, they'd be relying on Israel. Israel would say wait a minute, that's our HEALINGS. And if God has now given them to Gentiles... Peter and those guys don't have this anymore. God took a set of HEALINGS that Israel would have called their own, disabled them, and gave them to Gentiles. so Israel would know He has turned from us. MM says MIRACLES and HEALINGS are two sides of the same coin but you have 2 different audiences in mind, unbelieving outsiders and Israel, respectively. If you leave one of these out, Israel gets to think well, we get to do all the things that we always did. If you leave the other out, Israel thinks no, the Gentiles are on the outside. God has fixed both of those with those gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:6		6 And there are diversities of operations, but it is the same God which worketh all in all. 5 OPERATIONS (Purposes) GIFTS **4. Creating local assembly orderliness HELPS, GOVERNMENTS (inside the local assembly)** - MM is lumping these 2 together. MM is not going to take the time to how you get to all of this (GH: around these GIFTS), just giving what we need to know. **5. Signaling a final sign to Israel DIVERSITIES OF TONGUES (outside the local assembly)** - Tongues are spoken about back in the O.T. and will come into play in the Kingdom. Gospels also - GO INTO THE WORLD AND TEACH ALL NATIONS. Have to have the ability to speak in a language that they can understand. Just as they were supposed to be exercising the GIFTS OF HEALINGS to the Gentiles, they were supposed to be carrying the good news to the nations of the world and they were going to be equipped with that GIFT. Israel had it in Acts 2 but no longer. But Gentile churches do. MM says this is real close to the GIFTS OF HEALINGS. Some of these OPERATIONS are no longer needed. They have been done. They are over with and God is not doing those OPERATIONS anymore. Now, God has A MORE EXCELLENT WAY to accomplish those OPERATIONS than He did with the spiritual gifts. When the real gifts are no longer in place, the only thing left is the counterfeit. For everything God does, there is a counterfeit. When Moses through his rod down, Pharoah's magicians through their rods down and they also became serpents. Remember this is an essential doctrine and a pet target of the adversary to cause confusion and corrupt doctrine.
1 Corinthians 12:7-31		Get the details of GIFTS (v7-11), ADMINISTRATIONS (v17-26), and OPERATIONS (v27-31) in the gifts. Paul goes back and takes each one of those roles and amplifies upon it. The information is progressive in that it builds upon the previous things. Amplify and give us details concerning what we just read in v4-6. They are supposed to recognize that those gifts are not designed to function independently. They are designed to function in cooperation of an effort to serve the same Lord. In other words, they are designed to accomplish some things in the service of the Lord Jesus Christ. The Corinthians needed to realize that all these different gifts were like pieces of a puzzle that fit together with the Lord Jesus being served and that in turn locking into other pieces in operations that God the Father wants to get accomplished. When everything is put together properly, the master plan looks like the completed puzzle.
1 Corinthians 12:7-11		- DIVERSITIES OF GIFTS-v4 Details
1 Corinthians 12:7-10		Paul ranks the gifts in order of their importance. It's how your Father thinks they're important because the most important gifts are the gifts that edify THE BODY.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:7		7 But the manifestation of the Spirit is given to every man to profit withal. Expounding on v4, explaining what the Spirit is doing, detailing the Spirit and the DIVERSITIES OF GIFTS-v4. The explanation of v4. It is the Holy Spirit who equipped the members of the body of Christ there in Corinth with spiritual gifts at the beginning of this dispensation of grace. Each gift provided the supernatural ability to do something. With the function of the spiritual gift, there was a particular thing manifested. Examples: * prophet: person would be able to produce a revelation just like an Old Testament prophet did. * miracles: was able to produce that miracle and there was a manifestation of it that could be seen. When people saw the manifestation of the gift, they realized it was that member of the Godhead (the Spirit). But if that's all they understood, then there was going to be a problem. The Corinthians recognized the diversity issue, but they were not able to appreciate why there were diversities of gifts. They were not able to appreciate that some of those manifestation gifts had different roles to perform. They were not able to understand that in the context of the local assembly functioning as a whole, some of those gifts were more important than others. MANIFESTATION OF THE SPIRIT: The spiritual gifts. WITHAL: It's given to every man/everyone to profit by. Supposed to benefit the whole body.
1 Corinthians 12:7		7 But the manifestation of the Spirit is given to every man to profit withal. The apostle Paul does not explain the basis by which the Spirit gave those gifts, but one of two things is true. Either: * the Spirit gave the gifts in accordance with certain natural capacities or abilities, or, * along with the gift, each person was also equipped with the necessary abilities to discharge their gift. Either way, the fact remains that everyone was not given the same gift, or even gifts of equal importance. No gift was unimportant as they all worked to accomplish an operation of God. Even though the gifts themselves are not equal, the members to whom they were given are of equal value, as they all play a part and fill a role.
1 Corinthians 12:8-10		Lists the various gifts: There are 8 gifts listed and at least 5 OPERATIONS: 1. v8: WORD OF WISDOM: Take what you know and apply it to some type of circumstance. WISDOM: Is the ability to apply knowledge to a given situation to determine the appropriate behavior. 2. V8: WORD OF KNOWLEDGE: This one is very closely connected to the WORD OF WISDOM. KNOWLEDGE: Think about perception and the ability to see below the surface and things not apparent. 3. v9: TO ANOTHER FAITH BY THE SAME SPIRIT: An absolute confidence in what God said and these operations are going to do what He said they would do. 4. v9: GIFTS OF HEALING: Notice the plural GIFTS. This is the only one of the GIFTS that is always mentioned in the plural. 5. v10: WORKING OF MIRACLES: That which supersedes the natural. 6. v10: TO ANOTHER PROPHECY: Someone who would receive a direct revelation from the Lord and they would receive direct information that without that they wouldn't know anything about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:8-10		7. v10: DISCERNING OF SPIRITS: The supernatural ability to detect and recognize the workings of the Satanic POE, to be able to recognize those SEDUCING SPIRITS-1 Timothy 4:4 that brought corruptive doctrine into an assembly. Able to point out those enticing words to get a church back into Israel's program. Able to identify the DOCTRINES OF DEVILS-1 Timothy 4:4 8. v10: DIVERS KINDS OF TONGUES: The supernatural ability to speak in a language that the speaker did not know previously and had never studied. Remember on the day of Pentecost they said HOW HEAR WE EVERY MAN IN OUR OWN TONGUE, WHEREIN WE WERE BORN-Acts 2:8. 9. v10: INTERPRETATION OF TONGUES: The Corinthians had to recognize that all those gifts were given supernaturally with a plan in mind, a purpose in mind. These gifts didn't just come out of the blue, they had direction behind them and those gifts where never ever ever meant to operation in and of themselves. These gifts were ALWAYS operating to accomplish a specific operation for which that gift was designed. All of these gifts have an operation in mind and that's the purpose for their use. Remember they didn't have the completed word of God yet, the only way to be edified was through the gifts that had to do with the word. There are different gifts given to different people to accomplish different operations, but all of them are in service to the same Lord. This is a list of gifts and the categories of gifts are in 1 Corinthians 13:8.
1 Corinthians 12:8		8 For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit; Paul begins to list things. Get the idea that different people get each - WISDOM and KNOWLEDGE. These two gifts are closely connected. FOR TO ONE IS GIVEN BY THE SPIRIT THE WORD OF WISDOM WORD OF WISDOM: Was the ability to properly apply/take that knowledge to a situation or circumstance. The person(s) who had the WORD OF WISDOM had the supernatural ability to take the knowledge and discern the appropriate action. WISDOM: Take that knowledge and apply what is going on in their life. WORD OF KNOWLEDGE: Was the supernatural ability to have insight into a situation which would not readily be apparent. In other words, the Spirit would allow the person with this gift to “see below the surface” or beyond the obvious. Think of the word of knowledge as having the ability to understand things, not obvious, below the surface, see a deeper meaning. KNOWLEDGE: Knowledge was also one of the spiritual gifts, albeit it is a gift in a different category than tongues. To look at something and understand things. See deeper meaning or below the surface.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:9		9 To another faith by the same Spirit; to another the gifts of healing by the same Spirit; Notice Paul keeps saying THE SAME SPIRIT. TO ANOTHER FAITH BY THE SAME SPIRIT: SAME SPIRIT: Keeps emphasizing what the Spirit is doing. FAITH: They need the gift of FAITH because they don't have the completed word of God/revelation of scripture. Having complete confidence in what God says and you can absolutely trust the Power of God to do what He says He will do. MM tying to FAITH-1 Corinthians 13:2. GIFTS OF HEALING: Only spiritual gift mentioned in the plural on the list. There's a reason for this. Will have the supernatural ability to heal others of disease, infirmities, injuries, etc. There was a reason why it was plural. It is never the “gift” singular. It is always “gifts.” There is a specific operation of God being accomplished by the individual who had this spiritual ability. The “gifts of healings” are referring to the ability to heal some particular kinds of infirmities. - THE BLIND RECEIVE THEIR SIGHT, THE LAME WALK, THE LEPERS ARE CLEANSED, AND THE DEAF HEAR, THE DEAD RAISED UP-Matthew 11:5. HEALING: Typically an individual.
1 Corinthians 12:10		10 To another the working of miracles; to another prophecy; to another discerning of spirits; to another divers kinds of tongues; to another the interpretation of tongues: THE WORKING OF MIRACLES: MM used to think isn't HEALING a miracle? It is true that healing someone could be classified as a miracle, but THE WORKING OF MIRACLES is referring to some demonstration of the power of God in ways other than healing. MIRACLES: Typically the multitudes. Miracles would be those things which are in contradistinction from those which are normal or natural. If you don't understand why and how this served the Lord Jesus, people would be out there just pulling rabbits out of their hat (working miracles) and they don't have any idea why. TO ANOTHER PROPHECY: PROPHECY: The supernatural ability to function as a prophet - the prophet would declare the word of God. The person with this gift would receive information from God; he or she would be given a revelation of some thing or event. When the assembly gathered together, one of the main features would be the prophets receiving a revelation from the Lord and giving it to the rest of the assembly. But this is all his gift would allow him to do. As a Pastor in the DOGG, MM has the obligation to also talk about what that means, but not so with the spiritual gifts. See how compartmentalized this was and how much you are depending on everybody else to do their part.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:10		10 To another the working of miracles; to another prophecy; to another discerning of spirits; to another divers kinds of tongues; to another the interpretation of tongues: DISCERNING OF SPIRITS: The person with this gift had the supernatural ability to perceive/discern the working of the policy of evil and to detect “seducing spirits.” This person could tell the difference between what was “of God” and what was a deceptive effort by Satan. Is this something of the Lord or is this something that adversary is doing? Would not have this gift if someone else is able to do it. MM says you wouldn't have this gift unless someone else was able to do it (GH: to counterfeit the gifts). DIVERS KINDS OF TONGUES: The ability to supernaturally speak in a language that the speaker didn't already know, so that he could communicate the truth in a language to someone who didn't speak his language. Is the ability to speak with “diverse kinds of tongues” was the ability to supernaturally speak in other languages which the speaker did not previously know. INTERPRETATION OF TONGUES: When the lost person talked back, this was the interpretation back into the tongues' native tongue. This person had the ability to hear someone speak in a foreign language and could interpret it into the language of those who were hearing it. These TONGUES gifts needed to operate in a pair.
1 Corinthians 12:11		11 But all these worketh that one and the selfsame Spirit, dividing to every man severally as he will. Sums up - ALL THESE gifts were all given in accordance with the Father’s master plan; something that He wants to accomplish with the Corinthian church. These gifts are all “serving the Lord” by the various “operations” God the Father wants to accomplish. The Spirit chose which gift people got. MM says when you get into Romans 12:6-8 where it talks about the OFFICES, it is different because you choose your office. The endowments are produced by the Spirit and He chooses who gets which gift. No one should be prideful on account of the gift given to them, nor should one be depressed, sad or discontent because they have a more humble rank of gift. What the Spirit of God is after is for each member to willingly and joyfully occupy the gift which has been given. The earnest desire should be contentment with the station (the gift) which the Spirit has given. That does not mean that it is wrong for a man to regard the higher gifts of the Spirit as valuable. MM says the Spirit knows what He wants to do with everyone of those gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:11		11 But all these worketh that one and the selfsame Spirit, dividing to every man severally as he will. ALL THESE: Talking about the gifts. DIVIDING TO EVERY MAN SEVERALLY AS HE WILL: The Holy Spirit made the decision who got what. There are a lot of gifts and He did it. He is saying you don't have a completed revelation of Scripture, I HAVE got to give these to you. There is no other way for you to function. You all don't all have it. No one has all the gifts (possible exception: Paul). The obvious deduction is that not everyone got the same gift, but the gifts were distributed among the assembly according to the will of the Spirit of God. The obvious deduction is that not everyone got the same gift, but the gifts were distributed among the assembly according to the Will of the Spirit of God. SEVERALLY: OED: severally: Severally individually, separately, each of a number of persons by him or her self. Apart from others, not together, independently. Differently, variously. Specially, particularly. AS HE WILL: He is the One that made the decision about that.
1 Corinthians 12:12-27		Paul amplifies the issue that these gifts were not meant to function independently, but they were to function cooperatively to serve the same Lord. He talks about us being a unit made up of individual members – which gets called: the body of Christ. He will talk about how the members of the body are to work together and serve an objective laid out by the "head," the Lord Jesus Christ. Paul also talks about how the members serve one another to serve the overall goal and function of the body.
1 Corinthians 12:12-26	GH: 4 Body Characteristics or Attributes	The passage divides up thusly - makes it easier to pick out the component parts - see they naturally break out this way: - The entire passage (v14-26) has 2 major sections - Each section has two closely related parts - the first section contains attributes 1 and 2 and the second section contains attributes 3 and 4 - Section 1 runs from v14-22 - MM sees these verses as closely related - looking at something from 2 different perspectives Part 1: v14-19 Part 2: v20-22 - Section 2 runs from v23-26 Part 1: v23-24a Part 2: 24b-26 - MM tying to Romans 12:4-5.
1 Corinthians 12:12-13		Introduction to the information

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:12		12 For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ. The body of Christ is “elect” in Him. We are elect because we are in Christ, who is the Elect. God does not elect anyone outside of His Son. These gifts are like various parts of the body. MM uses the body illustration for OFFICES in Romans 12:6-8 because Paul uses it. All of them are important to the whole. The eyes see where to go, the legs and feet take you there, the hand reaches for what is needed, etc. Just as we need all the parts of our body to fully function the gifts were all needed in order for the assembly to fully function in the Will of God in the beginning of the dispensation of grace. Paul is stating the reality that we are members of the body of Christ, and just as the gifts and just as the members of a body, we all have different capacities to serve the Lord. That is why in the local assembly Paul talks about people having different offices, different ways of contributing and participating to the good of the whole body and the accomplishment of God’s will. Just like the members of your physical body need to work together, so does the local church. BODY IS ONE, AND HATH MANY MEMBERS: Already got this in Romans 12:4-5. ALL THE MEMBERS...ARE ONE BODY
1 Corinthians 12:13	GH: Baptism	13 For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. After stating that we are all members of the same body, the body of Christ, Paul then continues by explaining exactly how that took place; the baptism of the Spirit. Baptism of the Spirit placing you into the body of Christ. Every single believer is baptized into the body of Christ. Happens when you trusted Jesus Christ as your Savior. MM says doesn't matter the sequence but he believes when you trust Christ, the first thing is you are given the Spirit and the second thing is you are baptized into the body of Christ. FOR BY ONE SPIRIT ARE WE ALL BAPTIZED INTO ONE BODY: The Spirit of God baptizes you/every believer into the body of Christ. This is a spiritual baptism, not a physical, water baptism. This is an operation of God which takes place in us when we trust Christ as our Savior. This is the foundational doctrine for what Paul will teach us in ONE BAPTISM-Ephesians 4:5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:13	GH: Baptism	13 For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. FOR BY ONE SPIRIT ARE WE ALL BAPTIZED INTO ONE BODY: This is not a water baptism; this is spiritual baptism into the body of Christ; that is what the “one body” is talking about. The moment you put your faith in the work of Christ on the Cross as totally sufficient to satisfy God’s justice against you, something marvelous happens – you are baptized by the Spirit into the body of Christ; you are baptized into Christ. MM says this is a work that the Spirit does, not some preacher. This is a spiritual position we have been put into. This is the work the Spirit itself does in putting us into the body of Christ. When you trust Jesus Christ to be your all-sufficient Savior, you are then placed in Christ. It is a spiritual position that you hold before God. Do not confuse your position before God with your practice in your daily life. The former is made to be a reality so that you can make the later a reality. If you are trying to become this without God doing this for you first, that's nothing more than the efforts of your flesh trying to emulate what God has done. It will never work. If you get the genuine thing, God gets the glory.
1 Corinthians 12:13	GH: Baptism	13 For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. BY ONE SPIRIT ARE WE ALL BAPTIZED INTO ONE BODY: The spiritual baptism placed us into Christ as members of His body. WE ALL BAPTIZED INTO ONE BODY: Takes you back to Romans 6:3. BAPTIZED: This is the real baptism, the Spirit baptism. ONE BAPTISM-Ephesians 4:5. The other 7 baptisms in your Bible are a shadow or a type of the real. ONE BODY: The body of Christ. The Spirit put us in the body of Christ the moment you trusted Christ as your all-sufficient Savior.
1 Corinthians 12:13	GH: Baptism	13 For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. HAVE BEEN ALL MADE TO DRINK INTO ONE SPIRIT: Is talking about the Spirit of God being the originator (the source and initiator) of your functional life and being the source of your functional life - the end result. Our practical or functional life. Because we have been positionally sanctified in Christ (when you got baptized/put into Christ), we now have the ability to live for God in our daily lives. This is our practical sanctification. The position (the righteousness of God in Christ) becomes the foundation for the function (to live righteously). The only way to have functional life is by application of the positional status. Things are now working in your life on a daily basis. You cannot produce it in your everyday life until you have that new identity and you understand what these positional truths are. EX Need to know what DEAD TO SIN-Romans 6:2 means. This is the only way God accepts your ability to overcome sin in your life because that will be you overcoming sin on the basis of something God did for you and gave you as a free gift of grace and then told you about it. If we try and overcome sin any other way, that is our flesh and that is self-righteousness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:13	GH: Baptism	13 For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit. HAVE BEEN ALL MADE TO DRINK INTO ONE SPIRIT (cont'd): That's us saying, I can do it. I don't need what God did. We have to recognize that the way we live for God is not by trying really hard in the energy of our flesh, but we do it by walking after the Spirit. By walking after the Spirit (realizing what the Spirit has already done for you-you come to understand and believe and then live out of that truth - that's a life of faith), we receive “functional life.” Implementing spiritual truths into your life really is trusting Him by faith. The Holy Spirit assembles the body, by making us individual members, and gives each of us the capacity to function as a member of that body, and the capacity for the life of Christ to be lived in and through us. It is our job to recognize that the way we live for God is not by trying really hard in our flesh, but by “walking after the Spirit.” This is your sanctification. By us all drinking into one Spirit, Paul is talking about the Spirit being the means by which we have functional life; sanctification. The Holy Spirit baptizes us into Christ’s death, burial and resurrection and we have been made to drink unto him and receive the benefits of that functional life and our functional life comes from Him as we mind the things of the Spirit. The Holy Spirit constructed the body, made you an individual member, gave you the capacity to function as a member, and He functions through you and produces that functional life and the issue is to understand and appreciate that and live (function) in accordance with it. MM tying to 1 Corinthians 10-1-6.
1 Corinthians 12:14-27		Paul teaches the details of this doctrine by using the body as an analogy and amplify it for us. See God using the physical body to illustrate the point that the whole body is dependent on every other member. MM says that is really true. Paul teaches the details of this doctrine using the analogy of the physical body. Paul has switched from talking about the body of Christ, to talking about a physical body. Even though the spiritual gifts are no longer in operation, the offices within the local assembly should be looked at with these principles in mind. See Romans 12:6-8 on the OFFICES.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:14-26		**Paul teaches the details of this doctrine by using the body as an analogy and amplify it for us. See God using the physical body to illustrate the point that the whole body is dependent on every other member. MM says that is really true. Paul teaches the details of this doctrine using the analogy of the physical body. Paul has switched from talking about the body of Christ, to talking about a physical body. Even though the spiritual gifts are no longer in operation, the offices within the local assembly should be looked at with these principles in mind. See Romans 12:6-8 on the OFFICES. See God using the physical body to illustrate the point that the whole body is dependent on every other member. Six major points/outline:** **1. A body, of necessity, is made up of many members-v14** **2. Those members perform different tasks so that the body can fully function-v15-17** **3. God has determined each member and its function-v18** **4. One member cannot constitute a body, but a single body can have many members-v19-21** **5. Even seemingly unimportant members of our body are necessary and deserve honor-v22-24** **6. The body needs harmony among its members, so that their care for each other is the same-v25-26** **Although some gifts seemed to be less important than other gifts, they were all necessary. There were no unimportant gifts. There were no superfluous gifts. The gifts were designed to work in harmony with each other. Some are more important than others, but they are necessary because that way the total function of the body takes place and that's what he is after.**
1 Corinthians 12:14-26		For the Corinthians, all of this was in the context of the spiritual gifts, which means God gave many gifts, for the purpose of performing different tasks, to accomplish different operations or purposes. God chose which gift each person got. And although some gifts seemed to be less important than other gifts, they were all necessary. There were no unimportant gifts. There were no superfluous gifts. The gifts were designed to work in harmony with each other. While the GIFTS are not in operation today, the OFFICES within the local assembly are and these same principles apply to the OFFICES. There was no such thing as an unimportant GIFT, they were all important. However, Paul is going to be certain to tell them some are more important than others, but they are necessary because that way the total function of the body takes place and that's what he is after.
1 Corinthians 12:14-19		- Part 1: PARTICIPATE for the good of the assembly. Because we have a use, we must PARTICIPATE.
1 Corinthians 12:14		14 For the body is not one member, but many. This is not unfamilar after Romans 12:4-5. He explains this in the subsequent verses. THE BODY IS...MANY: In Christ, we have a mutual solidarity: WE ARE MEMBERS ONE OF ANOTHER-Ephesians 4:25. THE BODY: Paul switches from talking about the body of Christ to the human/your physical body. Why we are called the body of Christ because that's the analogy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:15		15 If the foot shall say, Because I am not the hand, I am not of the body; is it therefore not of the body? The hand can't say to the foot, I'm more important than you are. And the eye can't say to the hand, because you can't see, you're not as good as I am. Teaching us how we should begin looking at each other now. Hit your elbow funny bone and your whole body responds to that. He will come after the weakest link. Doesn't just apply to this assembly, it applies to the whole body of Christ. You have this body (Monahans) and then the entire body. MM says they won't feel the same way about you. Why would your foot ever say, because I'm not the hand, I'm not part of the body. Sounds ridiculous for a member of your body to say this, but Paul is using this analogy because he doesn't want someone in the local assembly say, well if I'm not part of the body. Like the foot is saying I'm not important. Foot is really talking about himself. The wrong thinking of the foot is, if I'm not something else, then I'm not part of the body. I. The first attribute is reflexive; that is, this first attribute about how the foot feels about itself, not how it feels about other members. II. Therefore, the application will impact how I feel about myself as one member among many members of a body.
1 Corinthians 12:16		16 And if the ear shall say, Because I am not the eye, I am not of the body; is it therefore not of the body? He's not after the answer, you already knew that. You don't have to know Sonship to know that. III. It is explained that we cannot all be an eye or a hand or anything else, because my office (every office) is needed to complete the body.
1 Corinthians 12:17-26		- DIFFERENCES OF ADMINISTRATIONS-v5 Details
1 Corinthians 12:17		17 If the whole body were an eye, where were the hearing? If the whole were hearing, where were the smelling? Ear makes the same statement - because I'm not the eye, I'm not of the body but if your ear isn't the eye isn't it still part of the body? If the whole body was an eye, you wouldn't hear. Tells you that you've got to have all of those parts, right? Because a body needs every member. Your EYE may be more comely but if you don't have any feet, it isn't going anywhere.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:18		18 But now hath God set the members every one of them in the body, as it hath pleased him. GOD SET THE MEMBERS EVERY ONE OF THEM IN THE BODY: Means there's design here. He's still talking about a physical body here, there's design here. God said two feet, 5 toes each, two hands, 5 fingers each, 2 eyes, 1 nose, 2 nostrils, 2 ears, 1 head - He designed it with all that in mind. Whatever He designed to do, He equipped that body when he SET THE MEMBERS...IN THE BODY as it HATH PLEASED HIM. There is design that leads to a purpose and just like your body has been put together the way it was designed for a purpose. When He now talks about an assembly being a body and there's going to be offices in that assembly and everyone of those offices are SET in their by design and God decided what those office are going to be. He designed it that way because that is going to be how it will fulfill His purpose. MM says that's the genius of God right there. AS IT HATH PLEASED HIM: That's His purpose behind it. GOD SET THE MEMBERS: It's not up to us to decide what the offices are, God has already determined that, like when He created our physical body, He determined what members our physical body needed. In the same way, whether looking at the local assembly or the entire body of Christ, He knows what members He needs there. This means He is the One the decides, here's the offices I NEED filled.
1 Corinthians 12:18		18 But now hath God set the members every one of them in the body, as it hath pleased him. SET: Is by design like when a jeweler makes a ring and it's got one stone or 5 stones in it you know that's called a set or setting and he arranged those things in a very specific way. It's what he wants in that ring. IV. Therefore, no matter what my office (place in the body), I have a use; a purpose. Even if I'm not the hand, I have a use or purpose. The conduct that comes out of knowing I have a use and a purpose in this body no matter who you are in the body. V. The conduct of a living union relationship where a member understands it has use or purpose to the body demands that member's participation!
1 Corinthians 12:19-21		Paul amplifies upon the fact that if you didn't have the diversities of capacity amongst diverse members there would be no way these different accomplishments would get done and the physical body is a perfect illustration of that.
1 Corinthians 12:19		19 And if they were all one member, where were the body? He is going to encapsulate everything up to this point. If the whole body was one member, you wouldn't even have a body. He is saying the same thing here as in Romans 12:4-5, a body is many members and they all don't have the same office. They can't have the same office or it wouldn't even be a body. Which means now the purpose can't be accomplished. It's simple when you look at it in your own physical body but then when you look at it and say that's the way it's supposed to work in a local assembly. You understand that a physical body can't function and really have life until these 4 things are at work in it and you can't become ONE BODY IN CHRIST-Romans 12:5. You can call yourself a church but you can really be that church until these 4 things are up and running in them. When you put your hand on that door knob you are going to say, I'm fixing to go to work. You are going to put these body attributes on display in this assembly. If everything were an EYE BALL, where would the body be? There wouldn't be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:20-22		- Part 2: COOPERATE - Because we need every other member we must COOPERATE.
1 Corinthians 12:20		20 But now are they many members, yet but one body. MM says this sounds remarkably like v14 but it is reversed here. MANY MEMBERS, YET BUT ONE BODY: In Christ, we have a mutual solidarity: WE ARE MEMBERS ONE OF ANOTHER-Ephesians 4:25. ONE BODY
1 Corinthians 12:21		21 And the eye cannot say unto the hand, I have no need of thee: nor again the head to the feet, I have no need of you. Now you have a member talking arrogantly about another member. Takes your back to NOT TO THINK OF HIMSELF MORE HIGHLY THAN HE OUGHT TO THINK-Romans 12:3. I HAVE NO NEED OF THEE: Wrong thinking (GH: ungodly thinking). Then the right thinking is I need you. MM says 'interdependence'. Interdependence is not a conduct. That function can't get done unless those members COOPERATE. MM says these first 2 are 2 sides of the same coin. I've got to participate, but it's not me doing my own thing, what I'm participating in is in cooperation with the body. These are the first 2 body attributes are now going to start taking place in this assembly. Before you can get it right out there, you have to get it right in here with people who understand exactly what you understand. If we can't effectively labor with our Father without every member participating and without all of us cooperating together, but all of that is with the body in mind.
1 Corinthians 12:22-27		Being possessors of the spiritual gifts, this is the way they ought to function. And even though we have been given the “more excellent way,” we are supposed to function that way too; understanding the necessity of the “more feeble” within the assembly.
1 Corinthians 12:22-26		GH: The way we should look at people with LOW ESTATE-Romans 12:16. This is not meant to be a complete list of all the differences that can occur with an assembly. What we are doing is recognizing that not everyone is the same within an assembly and the care we are supposed to have for every member. An assembly has to be careful to take into account the inequalities of its members and out of godly love and charity, bring specific operations into action to account for them. And that is part of what it means to condescend to those who are of low estate. Paul is teaching us not to allow the inequalities among our members to produce division, discord or distance between us. We care for every member to fullest extent possible and we make considerations for those who for some reason are in a “low estate” as far as their edification goes. It means we go out of our way to make sure they are getting the doctrine. It means we are not only aware, but they are on our mind and we are praying about them and their particular circumstance. If you feel of LOW ESTATE, beware that natural, worldly tendency is to feel inferior and that leads to thoughts of giving up and not trying. Need to develop a godly response to anything that hinders or limits us. Take godly steps of action to keep those things from discouraging us and causing us to quit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:22		22 Nay, much more those members of the body, which seem to be more feeble, are necessary: To hope to get one of the best gifts is to aspire to superiority, which is contrary to what should be working in their hearts. WHICH SEEM TO BE MORE FEEBLE: MM says your body doesn't think this way. There's a little bone in your ear that allows you to keep balance and if it gets out of place you get vertigo. You may think it is feeble but let that member not do its job and the whole body suffers. Your femur bone never looks at that little bone in your ear and goes I could crush you. Every other bone wants that little bone to succeed or to function. They want that thing to work, they are cheering for it. Because all of the members are necessary, we can't say to any of them I have no need of you. Not if we are really going to function as a body. MORE FEEBLE: Paul is going to include the "more feeble" members with the idea that they are necessary. The "feebleness" referred to here is not about the individual saint or due to an accident, but refers to the particular gift which was given. Still in the context of the spiritual gifts. People were looking at folks with the lesser gift and looking down on them. Not the godly way to think about it. FEEBLE: OED: feeble – having little strength, an extreme degree of weakness We cannot say to any member, "I have no need of you." But "much more," we cannot say that to the members who are "more feeble." Godly selflessness makes it so that the members who may be "feeble" are actually "much more necessary. GH: Could be FEEBLE in how they perform their office, where they are in the Sonship education, missed some things early in the education, etc. They are "more necessary" because we are to use our office to help them perform their office to the good of the whole body.
1 Corinthians 12:23-24		MM says not everything that gets done within a local assembly gets the same notice and we are supposed to take that into account. Some jobs get done behind the scenes. MM points to Mark (GH: Producer - man behind the curtain). But that job does get noticed when something goes wrong because nobody's getting anything on YouTube, nobody's getting anything on the Internet, nobody's getting a DVD - none of that is happening. So even though that job is LESS HONOURABLE and doesn't get noticed as much, we are supposed to give it more abundant HONOUR like MM is right now.
1 Corinthians 12:23-24a		- Part 3: SERVE/SERVANT - We are going to SERVE when we see a need.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:23		23 And those members of the body, which we think to be less honourable, upon these we bestow more abundant honour; and our uncomely parts have more abundant comeliness. WHICH WE THINK TO BE LESS HONOURABLE: (GH: ungodly thinking) MM says there are parts of your body that get more attention than other parts of the body by virtue of the office that they fill. EX The unsaved world looks at the eyes as not only is HONOURABLE but it is COMELY (talks about beauty and that kind of issue). MM says think about the songs written about someone's eyes. Because of what the eyes are and where the eyes are they get a lot of attention. There's other parts that don't naturally get that type of attention, in fact, the only time you really think about them is when they quit working and then you think about them a lot. MM likes his kidneys after having kidney stones. There's a whole lot of members that work behind the scenes and they don't get the notice. They are not the ones that are looked at in a certain way. The eye doesn't look at any other part of the body and think you're not important. WE THINK: Correcting their ungodly thinking. LESS HONORABLE: Because of the particular gift they received. HONOURABLE: Means esteemed, respected of distinguished rank.
1 Corinthians 12:23		23 And those members of the body, which we think to be less honourable, upon these we bestow more abundant honour; and our uncomely parts have more abundant comeliness. BESTOW MORE ABUNDANT HONOR: If someone had a gift that was not as honorable, you made sure they knew that was not a reflection of them. MM says if you get into the HP and the Lord assigns you to a task that you think is below you, you are not going to say 'Lord, I think there has been some mistake.' He reminds let no man or woman esteem themselves higher or above others. MM takes the group back to Romans 12:3. MM says if he gets up there and the Lord says I NEED you to sweep the streets, whatever He would have him to do, he is there for that purpose. It is nice to be elevated but there has to come a point where that is no longer a motive, that now you are in a place where you understand it is all about Him and laboring with Him and His Business and exalting Him in front of the whole creation. And when you start doing that, it doesn't matter what He asks you to do. Imagine the Lord Jesus coming through the door and asking you to do something. MM says this is because the adversary will come into someone who is operating in an OFFICE that does not seems to be prestigious or maybe as valuable as something else, but we HONOR those members. Not just flattery or manipulation, it is talking about what ought to really be in your heart about this. UNCOMELY: COMELY: Means fair, beautiful, pleasing, or attractive. Some members of the body are just more noticed and more out in front than other members, they get more attention, they get more notice.
1 Corinthians 12:24b-26		- Part 4: RESPOND?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:24		24 For our comely parts have no need: but God hath tempered the body together, having given more abundant honour to that part which lacked. FOR OUR COMELY PARTS HAVE NO NEED: The people who are out in front need no honor. Things that are always out in front. They get noticed. They are in the forefront. They are not lacking any of that. They don't need someone to come along and showcase them but they recognize that there are other members that that if there weren't other members that if they weren't doing what they were doing behind the scenes, that this body wouldn't be functioning at all. Using the analogy of the QB thinking he is the whole team. MM says if nobody is blocking, he's not going to have a good year. The less honourable and uncomely parts are getting some attention from the other members of the body because a possible problem is perceived. There looks like there's a problem that looks like it could come up in the body among the members and order for that problem not to come up there is a need of these seemingly less honourable and uncomely members have. The 3rd attribute ends right here at the colon. This third body characteristic is wrapped up in these members noticing something about other members and doing something. GH: Attribute ties to OFFICE in Romans 12:4-5. If you hold an OFFICE it tells you something about your relationship to everyone else. When you have an OFFICE, you are a SERVANT of the people. The word OFFICE tell you the members of that body are going to serve one another. When we see another member with a need, when someone with no such need gives of themselves to meet that need, they are SERVING. Your pancreas doesn't get one kind of blood but your eyes get a good kind of blood but they all get service with the same blood stream. The blood stream is serving the whole body. You don't need to build up the comely parts, they already have that. MM says reminds him of Romans 12:15.
1 Corinthians 12:24		24 For our comely parts have no need: but God hath tempered the body together, having given more abundant honour to that part which lacked. BUT GOD HATH TEMPERED THE BODY TOGETHER: Starts the 4th attribute even though the theme is kind of remaining here. God is taking those many different members now and merging them and adjusting them together to produce a singular thing in the body. TEMPERED: To bring something (such as a body) into a proper or suitable condition, state or quality by mingling it with something else; to unite in due proportion; to adjust, as parts to each other. God is changing this from us looking at individual members to looking at the body as a whole. The TEMPERing is taking place so there's no SCHISM in the body. POINT: Every one of us, no matter what our role in the body, we're tempered together that the living union relationship is each individually no matter what our office. HAVING GIVEN MORE ABUNDANT HONOUR TO THE PART WHICH LACKED: Why? THAT THERE SHOULD BE NO SCHISM IN THE BODY-v25. THAT THE MEMBERS SHOULD HAVE THE SAME CARE ONE FOR ANOTHER: This is what Paul is after and MM says this is the thing that is important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:25-26		GH: Where Romans 12:9-10 is headed. We understand, the "preferring" which is done "in honor" is supposed to benefit the entire assembly, not just one person. And if it is said appropriately and for godly reasons, several things result: • The body grows in its capacity to accomplish God's operations • The morale of the body will rise • More people will be saved • More people will be edified • The enthusiasm of the assembly will increase • The assembly will be insulated against outside attacks which might otherwise have impacted some member to quit
1 Corinthians 12:25		25 That there should be no schism in the body; but that the members should have the same care one for another. NO SCHISM IN THE BODY: While Paul does say that some gifts are more honorable, he also says that there should be no schism in the body because of that. The care the members have for each other should not be based on the gift they received. They were to have the same care for every member; that is the equitable part of the equation. SCHISM: A division, gap, fighting, divisions, jealousy; a rift or cleft; a division or separation; a breech of unity - MM says remember you were taught selflessness in Romans 12:3-8. MM says a SCHISM is worse than a division, it's a greater degree of that. Charles Smith: schism: Is only used of a church, otherwise, it's a division. MM says SCHISM is a word reserved for what has happened in a body. BUT THAT THE MEMBERS SHOULD HAVE THE SAME CARE ONE FOR ANOTHER: Have to translate this into a conduct. We're taking the same care on for another. Talking about having the same concern for every member. We're taking the same notice that we're taking for every member. We're paying attention to every member. We're NOT paying special attention to one and then not so much to another. THE MEMBERS SHOULD HAVE THE SAME CARE ONE FOR ANOTHER: In Christ, we have a mutual solidarity: WE ARE MEMBERS ONE OF ANOTHER-Ephesians 4:25.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:26	Suffering = ONE MEMBER SUFFER, ALL THE MEMBERS SUFFER	26 And whether one member suffer, all the members suffer with it; or one member be honoured, all the members rejoice with it. MM tying this verse to Romans 12:9 (GH: and Romans 12:15). MM says it ought to be this way. If something good happens to someone in this assembly and that bothers you, that ought to be a danger signal to you that you are not thinking about them or this body the way you are supposed to be thinking about it. This is a signal that renewed thinking isn't there. It's possible to get the doctrine working in you and then make a wrong decision. Have to realize that you need to get that straight. Body thinking was not taught in the Israel program. Law thinking was taught - you had a list of what to do and what not to do. Preachers don't want to preach this because it leaves the doing of it up to you individually. It's easier to get a list of all the things that tick a preacher off and then beat people up on Sunday with it. There's no reward in that, there's no body living. ONE MEMBER SUFFER, ALL THE MEMBERS SUFFER: If one member suffers, GH: the body suffers. Will learn in Romans 12 to look at each other as members of your own body. You would never look down at your foot and say I hate it and I think I will cut it off. Never look at your hand and say I am tired of this hand, I wish I could get rid of it. You would do whatever you could do to keep your foot or hand or eye or ear. That's the way you will begin to feel about each other. MM is not saying you don't love each other now but we are not there yet. The doctrine hasn't been given to produce that yet but it will. So much so that if one member suffers, we all suffer. And if one member is honored, we all rejoice.
1 Corinthians 12:26	Suffering = ONE MEMBER SUFFER, ALL THE MEMBERS SUFFER	26 And whether one member suffer, all the members suffer with it; or one member be honoured, all the members rejoice with it. When you get your position, the entire body of Christ will cheer. Even the ones that didn't care about Sonship. MM knows there is no suffering at the Bema seat but the way we were supposed to practice it here in this assembly is exactly the way we're going to conduct ourselves when we get up into our vocation. Is amplifying what v25 says that we SHOULD HAVE THE SAME CARE ONE FOR ANOTHER-v25. v26 is amplifying on that care. ONE MEMBER BE HONOURED, ALL THE MEMBERS REJOICE WITH IT: MM first thought empathy but we only use empathy in bad situations. Then he thought rejoice but rejoice doesn't fit for suffering. MM says we are really vibrating in tune with what's happening with that member, whether it be good or bad. Group says harmony or responsive. We all respond when something bad happens to a member and we all rejoice when something good happens to a member. We are interested in the WELL-BEING or WELFARE no matter if he's suffering or if he's been honored. We are responding with his WELL-BEING. MM says that is in harmony and that is in accord. Caring doesn't necessarily include you doing anything. This is all a selfless action always with someone else in mind. ALL THE MEMBERS SUFFER...ALL THE MEMBERS REJOICE: In Christ, we have a mutual solidarity: WE ARE MEMBERS ONE OF ANOTHER-Ephesians 4:25. CORRECTION: WELL-BEING or WELFARE are not a conduct - corrected to RESPOND.
1 Corinthians 12:27-31		- DIVERSITIES OF OPERATIONS-v4 Details God has adopted them but the curriculum hadn't been written down yet so God is going to accomplish their godly edification through spiritual gifts. - Paul ranks the gifts in order of importance because the Corinthians got things backwards. Why Paul say “covet earnestly the best gifts-v31”.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:27	BODY OF CHRIST: (not many) Jews (always a remant) and Gentiles	27 Now ye are the body of Christ, and members in particular. Can assume that the members of the Corinthians assembly which received spiritual gifts are indeed justified unto eternal life. All are: - IN CHRIST - all received all the MERCIES OF GOD-Romans 12:1 - given the Spirit of God when they trusted Christ (Romans 5:5) - blessed with all spiritual blessings in heavenly places-Ephesians 1:3 Some got the best gifts and some didn't, but that didn't have anything to do with them. Everything you got is what makes you valuable, not what you do for a living or how much money you have or the kind of house you live in or the kind of car you drive. That's the way the world looks at it but God doesn't look at it that way. When God is looking at it, it doesn't matter which of the gifts you have or don't have because of who you are in Christ, you are just as valuable a member as anybody else. MM tying to the 7 criteria to view another member of the body of Christ-Ephesians 4:3-6.
1 Corinthians 12:27	BODY OF CHRIST: (not many) Jews (always a remant) and Gentiles	27 Now ye are the body of Christ, and members in particular. The body of Christ is “elect” in Him. We are elect because we are in Christ, who is the Elect. God does not elect anyone outside of His Son. What Paul is doing in this list at the end of the chapter, he is actually putting these gifts in an order. He's calling some of them the BEST gifts. He's not demeaning the other gifts but you will understand why he's calling them the best gifts. All of these GIFTS-v4 function under an OPERATIONs-v6. Paul just gets through with the whole thing about the body and the EYES and EARS and says this. This is the verse which indicates that we apply these principles concerning our physical body to us being members of the body of Christ. YE ARE THE BODY OF CHRIST: The parts of the creature responding to each other is the same principle at work in another way, the same holds true for the saved members of the church, the body of Christ. Members of the body of Christ - saved people. So the canon is not finished and these people are members of the Body of Christ. Can't be a member of the body of Christ and NOT be saved. We are members of the body of Christ, in distinction from being Israelites. MM tying to the timeline and us living in the DOGG. If people don't understand this, they may try to incorrectly pray like an O.T. Jew and their prayers will be off-base. YE: Plural - talking to the whole group. BODY OF CHRIST: Don't run into this phrase until Corinthians.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28-31		The most important thing they needed to understand was the diversity of operations, which Paul focuses us on here. Paul is going to rank the spiritual gifts in order of importance with regard to the local assembly. Yes, all the gifts are important, but some are "more honorable" than others, depending on the circumstance and the spiritual objective being achieved. Paul deals with the appreciation for the diversities of gifts in the accomplishment of some operations that God wants to accomplish in the local assembly. There are gifts designed to accomplish those operations. But there is a problem; the members don't live in the local assembly all the time. At appointed times, the members "come together," to function as a local assembly. And when they do, they are to function as the PILLAR AND GROUND OF TRUTH-1 Timothy 3:15 (If there was a way to recognize what is true and what God is doing, that is the job of the church to not only know that, but to make that known so we are not lead astray by doctrine that is counter to what Paul as written). The gifts were for the purpose of providing that pillar and ground of truth. Therefore, Paul will say, the best gifts were those which edified and those were the gifts the Corinthians were supposed to COVET EARNESTLY. This is when members are gathered together but members are not always gathered together. But when the members of the assembly are not gathered together, there are some other objective that God wants accomplished and there are GIFTS that were meant to function out in the world. We will see an example of this when we look at the gift of tongues, which was designed to function with unbelieving Israel outside the assembly.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Paul amplifies upon the diversities of operations issue. Begins to rank these gifts in priority/progressive order. In the assembly, this is the order. The Corinthians had flipped these on their head, being deceived by some counterfeit spiritual phenomena. On the basis of this ranking, Paul can talk about the "best gifts" issue. The Corinthians didn't have any appreciation for that. Their conduct with these gifts made that evident. The gift that was to be used the most and the one which was of greatest benefit in the local assembly was being relegated to a position of least importance. The gift that was to be used outside of the local assembly was being used prominently in the assembly. That is just how backwards their thinking was. The Corinthians may have recognized the diversities of gifts, but they didn't know why there were diversities of gifts. They needed to know how to rank those diversities of gifts and look at them like God does. They needed to recognize that in a local assembly environment, some gifts were better than others. Some of those gifts were "the best" and those gifts were to be coveted honestly in connection with being the best. Though they may have recognized that there were diversities of gifts, they did not recognize that there were differences of administrations and they did not recognize that there were diversities of operations. They were recognizing the role of one member of the Godhead but they did not realize that what that one member of the Godhead (the Holy Spirit) was doing in giving those diversities of gifts was in accordance with the different administrations of the Lord, who was being served by them all. And they didn't realize that those differences of administrations serving the same Lord were subservient to the accomplishment of different operations that God sought and desired to get accomplished with them, as a local assembly there in Corinth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Paul gives a list of 8 gifts and he lists them in order of importance and in order of their appearance. And what makes one gift more important than another? The operation it is designed to accomplish! Certain operations are more important to God than others. Therefore, the gifts that accomplish the most important operations are the "best gifts." The first group consists of apostles, prophets and teachers. These all have to do with the communication of God's word and that is the first and foremost operation of God. And since the communication of God's word is God's top operation, these gifts are the most important gifts. We learned: - The most important gift and the first gift to be put into operation was the gift of an apostle. - The word "apostle" means a "one sent forth." - What did an apostle do? As we see in the Book of Acts, an apostle would come into an area and preach the gospel. - As people came to faith in Jesus Christ, the apostle would organize them into a local assembly. - The apostle would begin to instruct them in the foundational doctrines of the faith. Therefore, the operation God desired to accomplish in this world by means of the gift of an apostle was the establishment of local churches.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Spiritual Gifts: If we do not understand the operations of God, we will never understand why the written word of God is the more excellent way and we will never understand why God stopped the miracles. 1. APOSTLES: Note: People who had the GIFT of an apostle were not technically apostles. One of the requirements of an apostle was to have seen the risen Lord. Today: * If someone claims to be an apostle, MM says he doesn't know of anyone that old. * If someone claims to have the gift of an apostle, then you don't believe that the scripture has been completed. 2. PROPHETS: Don't think of a prophet as one who foretells the future, but think of him as one who speaks for God. OED: 1) One who speaks for God. (The Greek word for prophet was originally the spokesman or interpreter of a divinity) Since there was no written word back then by which to instruct, it was the job of the prophet to reveal additional truths from God. After the prophet had taught the initial doctrines, the next stage of doctrine would begin to be revealed to the assembly by the prophet. The prophets in the assembly were the ones who were able to discern which writings were inspired scripture and which were not. Those identified as scripture were copied and sent out to other assemblies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 3. TEACHERS: The next most important gift was the gift of the teacher and it was the third gift to show up in the assembly. - As the newly organized church: o responded to the initial doctrine of the apostle, and o began to be exposed to additional doctrine from the prophet o there was a need for someone who could teach the word so it could be understood, believed and acted upon The operation of God that was meant to be accomplished by the gift of teaching was the edification of the believers. There is a sense in which all three of these offices are working in concert so that godly edification could take place.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 4. MIRACLES: Those “mighty signs and wonders” which were performed by those with the spiritual gift of miracles were the confirmation of the truth of Paul’s message that: - God has truly turned from Israel to the Gentiles - there really is a DoGG - that God really is offering up the Gentiles unto Himself. The miracles confirmed Paul’s ministry as legit and they worked as a proof to the Gentiles of Paul’s message. After Paul was left the area, doubts would, no doubt, set in. These miracles were the constant reminder of what God was now doing with them. The operation (purpose) of the fourth gift was to confirm to the Gentiles that God has now turned to them (for the first time in over 2000 years.) Needed verification. The “operation of God” behind the gift of miracles was never just to do some neat things or prove what God can do. The gift of miracles operating in a Gentile church at the beginning of the DoGG was a confirmation of what God was now doing. (happen outside the assembly)

1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 5. HEALINGS: The miracles were for the Gentiles, but the healings were for the Jews (Romans 8-physical infirmities are the norm for us). Progression: - God would send an apostle (a preacher). - An apostle comes into an area and would preach the gospel. - Of those who heard the gospel, some would respond. - The apostle or prophet? organizes them into a church - The prophet would organize them into a church and begin teaching them foundational doctrine. - As they responded, the prophet would reveal more doctrinal truth. - Then a teacher would guide them into an understanding of the words of the Lord (or leads them in their edification from that word) so they would understand what they were supposed to do with it; what those words were designed to accomplish in them.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Lists the gifts. These first three gifts are all centered in God's word - APOSTLES, PROPHETS, TEACHERS. See the foundation and order in the list. God is identifying the things that are the most important and necessary for edification. Those first 3 gifts are necessary in order for edification to go on in the church back then. Seperate those 3 by AFTER THAT, and get all these other things. God gave these which means in that time, before there was ever written a curriculum that would educate anybody God had made those things known. He looks out and gives so-and-so the gift of a prophet (NT prophet NE OT prophet - similar but different). Gives so-and-so the gift to function as an apostle. Don't think of the 12, this is an apostle in the DOGG. Gave someone supernaturally the gift to function as a Pastor/Teacher because there was no instruction about anything. The only thing you had was Jewish scriptures. These gifts are listed in order of importance and in order of their appearance. The most important of the gifts which were in operation back then was the gift of an apostle. What did he do? An apostle was a "sent forth" one. As we see in the Book of Acts, an apostle would come into an area and preach the gospel. As people came to faith in Jesus Christ, the apostle would begin to organize them into a local assembly. The apostle would begin to instruct them in the foundational doctrines.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. If they responded positively and properly to that initial doctrine, then the gift of a prophet would show up in the assembly. God would send an apostle (a preacher). He would preach the gospel. Of those who heard the gospel, some would respond. The prophet would organize them into a church and begin foundational doctrine with them. As they responded, the prophet would reveal more doctrinal truth and then a teacher would guide them into an understanding of the words of the Lord so they would understand what they were supposed to do with it; what those words were designed to accomplish in them. But the next gift is not grouped with these. AFTER THAT: Next group of gifts. The “after that” not only sets off the two categories of gifts, but it also serves as a chronological indicator for the order in which the gifts came into operation. GIFTS OF HEALING: It is never the “gift” singular. It is always “gifts.” There is a specific operation of God being accomplished by the individual who had this spiritual ability. The “gifts of healings” are referring to the ability to heal some particular kinds of infirmities.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Some groups of gifts were meant to be practiced inside the local assembly and some groups of gifts were meant to be practiced outside the local assembly in front of other groups because they were supposed to have an impact on them. Group 1: Paul puts the first 3 under a common umbrella and MM doesn't think Paul is being casual. We know there's an order to any list in the Bible. These 3 all have to do with 'the communication of the Word of God. These were the gifts for the edification of the believer. That's how you got built up in the faith. Gifts that were at work when the body came together in the local assembly. FIRST APOSTLES, SECONDARILY PROPHETS: When they are listed together in Paul’s epistles, the apostles are listed first and the prophets come after. In Israel’s program, the prophets came first and then the apostles. Remember, Paul was first and he was an apostle. Also see Ephesians 4:11. FIRST APOSTLES SECONDARILY PROPHETS: Had the supernatural gift to be able to identify inspired scripture. THIRDLY TEACHERS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. The first group consists of apostles, prophets and teachers. These all have to do with the communication of God's word and that is the first and foremost operation of God. And since the communication of God's word is God's top operation, these gifts are the most important gifts. What is God's ultimate purpose with the local assembly? What is the final goal? What is the purpose of "church?" The goal is to make us into godly people. (If all God was doing was preaching the gospel, you would not need a church to do that. But if God is going to edify saved people unto godliness, then that requires a curriculum. A classroom setting would be nice, too.) The goal of church is to take saved people who have been made spiritually fit by all that has been given to them in Christ, and make them into a people who know how to think like God, live like God (do things His way) and labor with God in what He is doing. The communication of God's word was God's top operation because God's ultimate goal of making us into godly creatures would be impossible without it. The word of Truth is the necessary ingredient for edification to take place. Without the word of God, there would be no edification. Without edification, there would be no godly creatures.
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. GH: Group 2: These were not supposed to be practiced inside the local assembly. AFTER THAT MIRACLES: Notice the change in terminology. The ability of a Gentile church to perform miracles was proof that God is now dealing with Gentiles. When Israel saw that God is now dealing with Gentiles, GH: they were upset. Paul said it was to provoke them to jealousy. MM says He was always known as the God of Israel. The proof to Jews was signs and wonders. When God gives Gentiles the ability to produce miracles, that's not being done in the local assembly for their ratification, that's being done outside the local assembly so that Israel will see that God is now working with Gentiles. If you are an Israelite and you saw Gentiles performing miracles, you'd be going wait a minute, how could that happen? That's what that gift was about, that was the operation being accomplished. Miracles were the confirmation that God was now working with Gentiles apart from the agency of Israel. Therefore, this gift was intended to operate outside of the assembly and not as part of the services when the saints gathered together. This gift was aimed at unbelieving Gentiles so they would believe the gospel of Christ. You can also see why miracles are the next most important gift, as they had an impact on the Gentiles whom God wanted to deal with directly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:28	GH: Spiritual Gifts	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. GH: Group 3: THEN GIFTS OF HEALINGS: Notice the plural GIFTS. This is the only one of the GIFTS that is always mentioned in the plural. Even though “healings” can be considered to be “miracles,” when it came to the gifts, healings were separate from the miracles. The healings were aimed at Israel to convince them that God had turned from His prophetic program with Israel to the Gentiles. This is yet another operation of God. The gifts of healings did not operate within the local church either. HELPS, GOVERNMENTS: The “helps” and “governments” provided for local church orderliness. DIVERSITIES OF TONGUES: Was a final sign to unbelieving Israel of God’s displeasure with them. Tongues did not communicate God’s word. They did not confirm that God was dealing with Gentiles. They did not confirm that God has turned from His program with Israel. They did not provide for orderliness in the assembly. (In fact, quite the opposite.) A great number of these spiritual gifts served purposes that only lasted for a very limited amount of time and no longer exist in the DOGG. When the canon of scripture is being written, someone needed to be able to recognize what was the canon of scripture. If the operation a gift accomplished is no longer utilized, God wouldn't still being giving that gift.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Five operations in this verse. Paul utilizes a numbering system; first, second, third, and if we were to keep numbering we would have a fourth (after that), and a fifth (then). By this, there were at least five categories of spiritual gifts. Important to recognize there are not only different gifts but that each of these gifts were accomplishing a different operation. That means there are at least five different operations listed here, and these ranked from best to least. (Some would say there are eight, but it depends on how you see the construction of the sentence. MM will not argue with this.) Each operation has a gift associated with it to accomplish it. Here Paul has taken all those spiritual gifts, and lined them up under these different operations God wants accomplished. Paul takes the spiritual gifts and lines them up under these different operations that God wants accomplished. MM recounts 1 Corinthians 12:4-6 and all 3 Members of the Godhead's involvement in the GIFTS. APOSTLES, PROPHETS, AND TEACHERS: First, second, and third but links them by not saying forth and instead saying AFTER THAT. Different operations but all doing something in common - communicating the word of God. All take place in the local assembly because they are all teaching the word of God with the end result of edification.

1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. APOSTLES: The highest of the gifts. PROPHETS: The next highest gift. AFTER THAT MIRACLES: Miracles have nothing to do with communicating God's word, and they have no real role in a local assembly because miracles were not for the purpose of producing godly edification in a local assembly. AFTER THAT: A break. Represent another group. Instead of saying 'fourthly'. MIRACLES: Message to Gentiles. Different operation that it was accomplishing. Happens outside the local assembly. Are a confirmation to unsaved Gentiles that the true and living God has now turned to them. He was dealing with Israel before. Miracles were to prove the message that God has turned to you Gentiles. Would then need to hear an evangelist so someone would have to travel with the one with the gift of miracles. They were a confirmation of the reality that God was now working with Gentiles. You can see how this is an entirely different operation from that of apostles, prophets and teachers within the local assembly. The second operation of God is to demonstrate that by the dispensational change, Paul's offering up of the Gentiles to God was acceptable.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. The second operation is to demonstrate to the Gentiles that God is now offering them salvation apart from the agency of Israel, and the confirmation of that truth was accomplished by the miracles which the apostle Paul performed. The power of the Spirit of God worked through that individual with the working of the miracles gift in order to make the Gentiles obedient. We are not talking about Gentiles who had already trusted Christ. These miracles were to prove to unbelieving Gentiles that God is now working with them. After the miracles, someone with the gift of evangelism would come along and preach the gospel and the Gentiles would believe. The gift of miracles was to confirm the confirmation of the reality of God dealing with the Gentiles. Paul takes all the spiritual gifts and lines them up under all the operations that God wants to accomplish. THEN: Another break. Represent another group. Instead of saying 'fifthly'. GIFTS OF HEALINGS: Message to Jews. Is the only gift that is always referred to in the plural. Will have the supernatural ability to heal others of disease, infirmities, injuries, etc.

1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. GOVERNMENTS: This is local church orderliness. It is bringing order to the local church. Each of these gifts accomplish different operations and they all serve the Lord Jesus Christ. All gifts fit in 3 categories (1 Corinthians 13:8) based on the break words. At least 5 different operations: 1. FIRST APOSTLES, SECONDARILY PROPHETS, THRIDLY TEACHERS ('the best gifts - the ones edifying the body): Linked by being similar in some sense. When these spiritual gifts were happening, they didn't have the written word of God. These are all doing something a little different but same group. MM recounts the timeline and 17 years between the Damascus Road and Paul's first letter to Galatians 17 years later. Paul later says COVET EARNESTLY the BEST GIFTS-1 Corinthians 12:31. This is the main issue in the local assembly, as it is designed to function as THE PILLAR AND GROUND OF TRUTH-1 Timothy 3:15. They get the spiritual gift and then they get the word of God.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 2. MIRACLES: Nothing to do with communicating the word of God or what's going on in the assembly because they have nothing to do with producing godly edification in a local assembly. Most Gentiles didn't know anything about the True & Living God, they were pagans. MM says when you can perform MIRACLES with the message, people pay more attention. If you are God, You have to get a message out to Gentiles that before didn't know anything about the True & Living God that, hey, here's an opportunity for you to be saved and if you want to know how much power is in this, look at this. MM says unsaved Gentiles are not coming to the church to be edified, they have no connection to that yet. After the miracles, someone with the gift of evangelism would come along and preach the gospel and the Gentiles would believe. GH: Miracles and Evangelism would work together.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 3. GIFTS OF HEALINGS: Double plural. There were certain healings that go back into Israel's prophetic scriptures that foretold that these things would be going on with them and they kind of took ownership of those healings. Get into the DOGG and see that Gentiles have these GIFTS OF HEALINGS but not Jews. MM thinks PROVOKE THEM (Israel) TO JEALOUSY-Romans 11:11 is an issue here. God is saying I HAVE took these things I WANTED you to have and have given them to the Gentiles. 4. HELPS, GOVERNMENTS,: Two sides of a coin (the coin is local church orderliness). Need them both in order to keep order. To bring order to the assembly required more than one gift. Notice these are not listed in v7-11, but some of the gifts listed there are listed here in v28. The gifts would bring order to the local assembly so that it functioned properly and efficiently and there was peace in the assembly.

1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. 5. DIVERSITIES OF TONGUES: Tongues was the ability to communicate in a language that you didn't already know. MIRACLES vs. GIFTS OF HEALINGS: - Both are miraculous. - Both confirmations but are for two different groups that are distinct from each others.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Paul is ranking the GIFTS and talking about which are the more preeminent gifts. The best gifts edify the saints. One of the problems concerning spiritual gifts in the Corinthian assembly was that they were exalting the less honorable gifts, like tongues, while at the same time, despising the more honorable/more important gifts, like Paul's apostleship (first one in the list), like it wasn't a big deal. Part of their ungodly thinking. All gifts were necessary. None of them were unimportant but they were not of equal importance. The best gifts were the ones conforming them to the image of God's Son, the ones edifying them in the faith. They were diminishing Paul's apostleship and he sets the record straight by listing apostles as "first" and tongues as last. The Corinthians had another erroneous/false idea that the gift was the measure of a person's spiritual aptitude, that the gifts were a measure of your spiritual capabilities. That the gifts made you important. What they missed was the principle that while some gifts were better than others, there are no members of the body which are better than others. The Spirit decided who was going to get what and when the Spirit gave those gifts, severally as He will, that was not a measure of, if you didn't get the best gift, that didn't mean that God thought you were less of a saint than other members of the assembly.
1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Paul is saying it doesn't matter which gift you have, you are still as valued as any member of the body of Christ. MM says it seems they just couldn't get it more wrong. MM thinks that everyone in the assembly had a spiritual gift because everyone today has a practical office. No verse that indicates either all had them or just some. If there were members that didn't have a spiritual gift, that would not make them any less of a member.

1 Corinthians 12:28	GH: Spiritual Gifts / GH: Complete verse teaching	The Five Operations the Spiritual Gifts were designed to accomplish (takes you from the best gifts to the least gifts but you need them all): **RECAP:** **Operation 1: Communication of God's word: apostles, prophets, and teachers all have a different job description but all communicate God's word for the edification of the members of the body.** **Operation 2: Confirming God's turning to the Gentiles: gift of MIRACLES** **Operation 3: Confirming God's turning from Israel: was given to the nation: GIFTS OF HEALINGS - to provoke Israel to jealousy** **Operation 4: Local Assembly Orderliness: Both Operation 1 and this happening inside the local assembly.** **Operation 5: The Final Sign to Unbelieving Israel on His displeasure for their unbelief**
1 Corinthians 12:28	Non-MBI-TBC	28 And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues. Diversities of the operations of God (GH: Ranking gifts & tying to operations) *Gifts* *Operations* 1. APOSTLES Operation 1: The Communication of God's word Establish churches 2. PROPHETS Operation 1: The Communication of God's word Identify inspired scripture 3. TEACHERS Operation 1: The Communication of God's word Educate/Edify the local body 4. MIRACLES Operation 2: Confirm God working with Gentiles 5. HEALINGS Operation 3: Confirm God turning from Israel 6. HELPS Operation 4: Local Church Orderliness 7. GOVERNMENTS Operation 4: Local Church Orderliness 8. TONGUES Operation 5: Final sign to unbelieving Israel
1 Corinthians 12:29-30		Are all <fill in the blank>? No. Answers are no, absolutely not. Obvious answer to all of these questions is NO. MM says yet the doctrine that surfaces around today says everybody is supposed to have them. Even when they were given, not everybody had them. Paul then establishes, through a series of rhetorical questions, that there was no gift which everyone possessed, the answer is NO to all of them. Not a complete list of the gifts. Instead, only some within the assembly possessed any of the gifts. Therefore, not everyone was an apostle; not everyone was a worker of miracles; and not everyone spoke with tongues. The answer to each of the questions is "no." The whole idea behind the rhetorical questions is that there was not "equity of endowment." Some were given the best gifts, while others were given lesser gifts. The Spirit chose who would get which gift. Can assume, based on v27, that members of the Corinthian assembly are all JUEL. MM says Paul might have had all the spiritual gifts.
1 Corinthians 12:29		29 Are all apostles? are all prophets? are all teachers? are all workers of miracles?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:30		30 Have all the gifts of healing? do all speak with tongues? do all interpret? GIFTS OF HEALING: It is never the “gift” singular. It is always “gifts.” There is a specific operation of God being accomplished by the individual who had this spiritual ability. The “gifts of healings” are referring to the ability to heal some particular kinds of infirmities. Notice the plural GIFTS. This is the only one of the GIFTS that is always mentioned in the plural. Is the only gift that is always referred to in the plural. Will have the supernatural ability to heal others of disease, infirmities, injuries, etc.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. Nutshell: For now, I am recommending the best gifts which edify you, but I am about to show you a better (more excellent) way to be edified in the future, once the spiritual gifts have been done away with, because edification isn't going to stop. You are seeking the best gifts, but I show you a better way. Paul ends the chapter by promising the Corinthians that he will show them a MORE EXCELLENT WAY to be edified unto godliness. It was actually a more excellent way to do all the operations the gifts were designed to do, all of the operations that God wanted to continue in the world. When Paul writes this letter (55-56 A.D.) the spiritual gifts are still in operation and will be for several years. In the meantime, he says COVET EARNESTLY THE BEST GIFTS. Stay focused on that. Paul did not die until the more excellent way was in effect. That more excellent way replaced the spiritual gifts. We have seen the why and the when of that. The more excellent way is the issue of the completed revelation from God, the completed written word of God. God’s word is the superior way for accomplishing the operations that God wants accomplished, and that is being put on display in this dispensation of grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. BUT COVET EARNESTLY THE BEST GIFTS: Paul talking about the first 3. He is not saying for you to have those gifts but you should desire to have those gifts at work more than any other. These gifts had to do with the word of God and they did something that the other gifts didn't do - they edified you. COVET EARNESTLY THE BEST GIFTS: Paul has to tell them this because they were not doing that. You know some are better than others. They are all needful but not all the same value? God says NO because some of the those things help the entire body and some things just help you. Corinthians problem: The gifts that were told to them in the passage that were the least, they had magnified to be the most important and the gifts that were most important were the ones they had relegated to being the least important. The POE had worked to get them to swap the emphasis. Take that which is greatest and make it the least and take that which is least and make it the greatest. The old switcharoo. He does this with everything. He didn't want them using the gifts the helped the whole assembly. Some gifts are easier to counterfeit than others. The gifts he is after are both easier to counterfeit and easier to fake. But Satan can't fake/duplicate the word of God effectually working IN your inner man. Doesn't have a book that can produce that. The ones that edify the assembly. When the Corinthians read this verse, should have been standing on their chairs and cheering and throwing confetti in the air. They are not looking at it like He does. He has to convince us that's not the greatest power. We would rather see O.T. stuff. That is the lie. Are the things that have to do with the communication of the word of God and the edifying of this body of believers. Those are the things you should want working IN you now. Yet, he's about to show you A MORE EXCELLENT WAY.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. COVET EARNESTLY THE BEST GIFTS: Two major schools of thought and MM disagrees with both: 1. Sees the first half of v31 as a command (MM agrees - he is telling you something to do) but what they think Paul is commanding is for them to pray to God for the best gifts; for them to hope they get one of the best gifts. This kind of selfish thinking is wrong. It is the Spirit that determines who gets which gift and this is not a prayer issue. Earlier in the chapter, you are already told everybody is not going to get the same gift and it is up to the Spirit to decide who gets them. MM says this is not about dear God, please give me the best gifts or to hope I get one of those best gifts. Doesn't make any difference what you would ask about this because the Spirit knows what He wants to do with the giving of everyone of these gifts. MM tying to Romans 12:11. So we shouldn't be prideful about which gift we get because we're not the One that did that. And should not get discontented or depressed over their gift because the Spirit is in charge of all of that. Nutshell: Is to really desire for those edification gifts to be well-received by yourself and to engage with that edification process. What those gifts are offering you, you really want. You are COVETing EARNESTLY the edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. COVET EARNESTLY THE BEST GIFTS (cont'd): 2. Does not see this verse as any kind of instruction, they see it as a description of what's going on - doing the wrong thing. Instead, they go back to the Greek, and seeing the verb as indicative, they deduce that Paul is not telling them to do something, but he is stating what they are already doing, what is already going on (not a compliment). But he is literally telling them BUT COVET EARNESTLY THE BEST GIFTS. Disagreements: (1) When they give the gist of the verse, they leave out “earnestly” and only use the word “covet.” MM thinks the word “earnestly” helps us discover the proper meaning of “covet.” (2) MM thinks that the Corinthians were petty and jealous; immature and divisive, but even though that is happening. MM doesn't think that's what they were talking about here. They are not EARNESTLY desiring the best gifts, the are coveting the least gifts. MM disagrees with all of this. MM sees it as a command that fits with the rest of the passage. All of them should have had the edification gifts working in them. Not about having the gifts, it's about what having the gift produces. To strongly desire to be ministered to by those BEST GIFTS, that they recognize the value of the edification gifts, and they highly prize them as what he just got through telling them the best gifts. There are gifts here that have a lot of value and you should see them as that.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. COVET EARNESTLY: He's not talking COVET like 'I wish I had your gift'. MM says at the core COVET is saying 'I want it'. What he's really saying is what the BEST GIFTS are doing is what you should want the most. MM says these words don't seem to go together. It doesn’t mean for them to “hope they get one of the best gifts for themselves” because the gifts were not given at their option, plus they were not to emulate the gift of another. To hope to get one of the best gifts is to aspire to superiority, which is contrary to what should be working in their hearts. To earnestly covet would indicate that the coveting is not so much about desiring to have the gift, but desiring what the best gifts produce; edification. Paul is telling them that while these gifts are in operation, earnestly (sincerely and seriously) covet (desire) for the best gifts to edify you. Nutshell: to earnestly covet the best gifts means to strongly desire to be ministered to by those best gifts. It means to recognize their value as edification gifts and highly prize them as the best gifts because the edification gifts are the ones which conform us to the image of God’s Son. That conformity is the “prize of the high calling of God in Christ Jesus.” There is no higher calling. What those gifts offer you, you really want.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. COVET: Not talking about the sin of covetness. You ought to really want those things operating in your assembly. Not 'I wish I had the more important gift'. Honor it for being the most important gifts. Paul says this because the Corinthians took that gifts that were meant to be used to the lost and magnified them as the most important gifts of the assembly. And then they took the gifts that were meant to edify the assembly and they relegated them as least important in the church. They got it completely backwards. Point: This is what happens when you don't understand how all 3 things are working together with the spiritual gifts. OED Covet: 1) to desire; especially to desire eagerly, to wish for, long for THE BEST GIFTS: Are what is edifying you so you should want the BEST GIFTS. Those things should be very important to you. If the local assembly is not getting edified, none of the other stuff is getting done either. Everything comes out of that. He's saying these are the first, these are the basic, these are the fundamental thing you have to have from which every else springs. Normally, when we see the word covet, we think of something that is wrong or in a bad connotation; “to desire that which belongs to another.” MM says it is absolutely possible this was going on in the Corinthian assembly (that they weren't desiring the best gifts). EARNESTLY: In earnest manner, with great seriousness, sincerity or intensity. GH: The Corinthians were doing the opposite of this.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. BEST GIFTS: Some gifts were more important than others. Some of those gifts were to be looked upon as better than others and some were to be looked upon as the best ones. Paul calls these “the best gifts” in connection with the local assembly because they accomplish the main operation of God in the local assembly, which is the communication of God’s word. The edification gifts, given for the edification of the saints, the edification of their souls. The highest was the gift of an apostle. Next, prophet. Then teacher. These are the gifts which edify the body, so they are considered to be the BEST GIFTS. They're the BEST GIFTS because there is no higher calling for us than us being conformed to the image of God's Son, edification. AND YET SHEW I UNTO YOU A MORE EXCELLENT WAY: The “more excellent way” is for the word of God to effectually work in us to produce the very character of Christ. MM says you have to answer the question to do what? Have to answer to get this verse right. The edification gifts are the ones which conform us to the image of God’s Son. One day, the completed revelation of scripture will be completed and the edification process will be taking place that way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. **Please see 'Definition : Yet' in the Commentary.** YET: MM believes is referring to a future time. Can refer to the past - EX 'Have you cleaned your room yet?' Has several related definitions. In the future here. SHEW I UNTO YOU A MORE EXCELLENT WAY: Gentiles did not get short changed with their salvation package. What you got is supposed to provoke Israel to jealousy. God has to create this to get this assembly functioning properly. He does know that's not the way He is going to do it forever. Yet I shew unto a more excellent way. GH: completed word of God. How could they be carnal and have these gifts operating? God gave the gift but people were misusing them. Gives them a reproof in 12:1-3 and then more than a chapter and a half on correction. These verses are in the correction phase. Paul is going to explain to the Corinthians that while God at the beginning of the DOGG was using the spiritual gifts to accomplish the operations of God, here he was going to eventually give them a MORE EXCELLENT WAY to accomplish those operations. A MORE EXCELLENT WAY: A more excellent way than the gifts. Is going to be provided by the Spirit, the Lord Jesus Christ and the Father, and once it is in place, it is going to be better than having any or all of the spiritual gifts.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. A MORE EXCELLENT WAY (cont'd): Even as these gifts were in operation, Paul is still writing inspired scripture. People who have these gifts are identifying those writings as inspired scripture. If anything else came in, the prophets could discern what was inspired scripture and what we not based on the supernatural gift that was given to them. It needs to get copied and sent out to other churches. Prophets identified the scriptures and copied the scriptures. It's the job of the apsotles to take those copies and get those to other assemblies and testify as to what this is. The prophets in the receiving assembly will take that Book and say yes, this is inspired scripture. Don't just take Paul's word for it. Then they will copy just right, and their apostles will take it and it spreads everywhere. If you are Satan and trying to get rid of His word, it has gone everywhere. Have to try and squash out from every corner of the earth. God is not nearly as concerned with the originals. Taught in school it's inspired in the original autographs. People read PROPHETS and think OT prophets and getting revelation from God. These prophets aren't getting revelation, they are identifying inspired scripture and copying it just right. Paul's Books were identifed by DOGG prophets as holy scriptures and copied it and their apostles sent it out and their pastors taught it and churches became grounded in it. And we have this Bible today because of that process.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. A MORE EXCELLENT WAY (cont'd): These offices we are looking at here are part of the foundation that was laid down for the church to put together this Canon of Scripture. It is going to become THE MORE EXCELLENT WAY. Paul is showing you what needed to happen in order to get this word written, verified, copied, preached, distributed so it went everywhere. No one knew everything. This guy had a part and this guy had a part and this guy had a part and the prophets are bringing scripture and are identifying and the pastor is teaching that scripture because he has the gift to do it. He doesn't know what is left to be written, he doesnt know the whole picture, but under that supernatural gift of the Spirit, he has the ability to do that. Saying all this to bring you back to interactive learning (GH: Sonship Commitment #2). There is an interactive learning that will happen for us today. The difference today is, instead of being given the gift supernaturally, now to be a pastor/bishop, that is a thing that you decide on your own. When the DOGG started and the word of God was not completed, they needed to be able to find/understand the Truth and that was given to them through those supernatural gift that were given - gift of apostle, prophet, pastor/teacher, etc. And by that, they edified one another. That was the interactive learning that took place before there was a completed Canon of Scripture.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. A MORE EXCELLENT WAY: He uses a double superlative. If you don't get this phrase in Romans 12:6-8 you are sunk. Is describing the effectual working of God’s word in our inner man. This is even better. In order to get the edification done, the spiritual gifts of apostles, prophets, and teachers were good. But I'm about to show you something MORE EXCELLENT. Have to identify and take back to Romans 12:6-8 - ties right back to the godly labor. GH: Completed canon of scripture. MM says people today, because they are ignorant of spiritual gifts, they don't think those spiritual gifts are the less excellent way, they think those spiritual gifts are the more excellent way. That's not what your Bible says. Your Bible tells you there is something more excellent for us than the working of those gifts. 'Grass is always greener' analogy. After God brought in His “more excellent way,” the Spirit no longer dispensed any of the supernatural gifts which automatically worked in members of the church. If you could get the MORE EXCELLENT WAY, why would you ever want the less excellent way? Because 99% of Christians do not look at this the way our Father looks at this. This is the way that is going to prevail throughout the entirety of the DOGG.
1 Corinthians 12:31		31 But covet earnestly the best gifts: and yet shew I unto you a more excellent way. A MORE EXCELLENT WAY: From the best gifts. Paul will show them a more excellent way than by the best gifts, the edification gifts. Paul is telling them that he will show them a better way to be edified in the future, once the spiritual gifts have been done away with, because edification isn’t going to stop. The written word of God. Some people think A MORE EXCELLENT WAY is love since the next chapter is about love. MM disagrees. The more excellent way has to do with what the “best gifts” were doing; edification. A MORE EXCELLENT WAY to be edified. MM points to FAIL...CEASE...VANISH AWAY-Romans 13:8. If the spiritual gifts are going away, have to have some thing to take their place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13		**Please see 'Definition : Charity' in the Commentary.** Context: This is happening during the transition period in the Book of Acts. The great chapter on love. Get introduced to the CHARITY concept in a very big way. Talk about their abuse of the gifts. Tell the Corinthians that God's use of the spiritual gifts is going to FAIL...CEASE...VANISH-v8. He tells them it is going to be replaced with what and that it will happen in Paul's lifetime. This MORE EXCELLENT WAY you are going to be possessors of and God is going to give you that. MM says the crying shame is out of all the books that have ever been written on this subject, no one ever talks about the operations that they were meant to accomplish. That's how ignorant we are at what's contained in this Book and that's how suseptible we are to the counterfeit. The Corinthians were so enamored with the gifts themselves that Paul said you have missed the most important ministry (the Spirit is doing this) of the Spirit. You guys are running off in all directions and you have overlooked the most important ministry that the Spirit of God means to conduct with you. Then he is going down a list of things that they all got wrong. It's not a complete list of what you can get wrong, it's just a list of what the Corinthians had wrong. Paul is going to establish if you were at the church at Corinth at the begining of the DOGG, you would have gotten one of those gifts, but you would have only gotten one of those gifts. If you have them all yet miss this one ministry of the Holy Spirit that He was trying to produce IN you (GH: Charity is the MOST EXCELLENT ministry), then you missed them all. Then all of those gifts put together won't amount to anything but zero.
1 Corinthians 13		What you do is not as important as why we do it. Show us that doing the right thing is not enough, but we must do it for the godly reasons; that is charity. If we take Paul seriously, the issue of godly charity is important, necessary and non-optional because if we do not operate on godly love and charity, then what we are doing is pretty much useless. lt is useless in that: 1) it does not prepare you for your heavenly vocation, 2) it negates the benefits of other's role in the body, 3) it works out of our flesh and therefore cannot be godly labor, 4) it utterly fails to accomplish God's operations in the world and His goals with the body of Christ.
1 Corinthians 13		**Don't replace the word "charity" with the word "love."** God's most excellent work is to produce charity in us. Godly love is what we are supposed to do (as that is the essence of our Father's wisdom) and godly charity is why we do it (the motive behind our actions). Paul ends Chapter 12 saying AND YET SHEW I UNTO YOU A MORE EXCELLENT WAY and you would think next would be to explain it or tell you about the MORE EXECELLENT WAY. Instead, he is going to explain the number 1 ministry of the Holy Spirit. Summation of 1 Corinthians 13: - The spiritual gifts are not the only ministry of the Spirit. - The most excellent ministry of the Spirit is to produce godly charity. - The display of the spiritual gifts apart from godly charity accomplishes nothing. - Paul announces the gifts will be done away when THAT WHICH IS PERFECT IS COME, i.e., the completed revelation of scripture. Corinthians 12-14 is a unit talking about spiritual gifts. Recall chapter 12 and all the coverage of the gifts. Here in chapter 13, he hasn't changed the subject.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:1-7		Part 1: Paul introduces a particular ministry of the Spirit; that of charity; learning to value and esteem others like your heavenly Father does and for the same reasons He does. This is what MM means when he uses the phrase, godly love, to define charity. Paul is teaching them to look at the spiritual gifts in connection with a very special ministry of the Holy Spirit. MM says if we can understand the first 7 verses and be impacted by that we'll understand exactly why this is such a big deal when we read that CHARITY NEVER FAILETH-1 Corinthians 13:8. 1. v1-7: CHARITY or Godly Love - The spiritual gifts and the giving of those gifts are not the only ministry that the Spirit possesses. There's something much more important than the giving of those gifts. MM is going to refer to this as 'the most excellent ministry that the Holy Spirit possesses'. Was not only true at the beginning of the DOGG it is still the most critical ministry of the Spirit today and it will remain that way throughout the DOGG. It doesn't matter which gift you have or how well it operates, if that thing doesn't operate out of godly love, out of charity, it doesn't mean a thing. He didn't say the gift didn't work, the gift can work but if it's not in accordance with charity, then God's not interested in it. If we have OFFICES we are going to discharge, if we do them but we don't do them with charity, it's not going to mean a thing. We're just a business then. We might as well quit being a BODY and just be a business. POINT: CHARITY or Godly Love is not just what the curriculum was supposed to produce in us, it's a ministry of the Spirit. That's what the Spirit is going to be doing. We will learn what God V&Es so we V&E that and that's where this comes in. That's the ministry of the Holy Spirit teaching us what our Father loves to that we can love what He loves. MM says this had to be an eye opener for the Corinthians. For them to think I've got this gift that can do all these wonderful things and yet if I don't have charity God looks at that as though it is nothing. It would be just as much as an eye opener today because we do a lot of things but we don't do it based on that godly love. MM says if there is something that causes a Sonship church to not be able to function as a body, this most likely is the missing ingredient.
1 Corinthians 13:1-4		v1-4: This list of what charity is and is not was designed for the Corinthians because they were guilty of all of those things: 1. They were not LONGSUFFERING 2. They were not kind 3. They envied one another. 4. They were puffed up and proud.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:1-3		Told of the need to have charity. People have mistakenly preached that charity means 'love'. If so, did you ever wonder why the word CHARITY is used and not 'love'? Important to understand that. LOVE used almost 200x in the N.T. but charity only 28x and 21 in Paul's epistles. See how Paul still has the spiritual gifts in mind, context has not changed from chapter 12. In chapter 12, Paul taught them to look at the spiritual gifts in connection with the operations of God, and rank them in importance as far as the local assembly is concerned. But here in chapter 13, Paul is teaching them to look at the spiritual gifts in connection with another ministry of the Spirit of God, which is so important, that the exercise of the spiritual gifts without the benefit of this ministry, is worthless and unprofitable. This ministry of the Spirit is the over arching context for exercising any of the spiritual gifts. And what is this ministry that is meant to guide the use of the spiritual gifts? Charity. ***Point: No matter which gift you may have; no matter how much you know; no matter what great things you may do by your gift; and no matter how much you may sacrifice of yourself; if you are not doing what you are doing out of charity, then your words and deeds are empty and meaningless. We need to learn to love like God loves. We need His love working in us and through us. The first step to having godly love (charity) generated in us is by learning how much God loves (values and esteems) us. By understanding and identifying God's love to us, we begin to think about godly love the way God does.*** MM points out all the spiritual gifts listed in these 3 verses. If you have any of these gifts and have not charity, don't have V&E in the utilization of the gift, I am nothing.
1 Corinthians 13:1-3		The Corinthians were thinking, man, we have these spiritual gifts. We have got it made. What else could there be? These gifts make us as close to God as we can get. So this is it, this is the pinnacle. But Paul is saying it really doesn't matter which of those gifts you have, if this ministry of the Holy Spirit to produce godly charity in you is not working, all of that stuff you are doing is for nothing. It is unprofitable. This is the ministry that Paul is about to unveil for them. All of this is in the context of the spiritual gifts and the ministry is for godly charity. No matter what gift they may have had, no matter how much they knew, and no matter what they might do by the particular gift that they were given, and no matter how much you sacrifice yourself, if you are not doing what you are doing out of godly charity, God says, that's no good. MM says that is a bit of a bombshell. Here's what God wants to have happen and this is no small point here. He wants us to learn to love like God does. You are not going to get that on your own, you are only going to get this out of the word. So we need His Love working in us and His Love working through us. Getting that love generated in us starts back in Romans 5:5. MM says the sad thing for the Corinthians is that they had all the gifts but they didn't have charity. That means the gifts were not accomplishing what they were designed to accomplish, and it really wasn't beneficial to the assembly. As a result, the assembly was divided. They were babes and not mature saints, and they were being victimized by the POE at every turn.
1 Corinthians 13:1-2		Still talking about the spiritual gifts from Chapter 12. If godly charity or godly love was really operating in them this wouldn't be happening so what he's doing is he's giving them a list to indict them and cause them to kind of get shaken out of their lethargy and realize they've missed something very important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:1		1 Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal. If you can't put My godly love in your work about this, I COUNT this as nothing. MM says he is talking about what was produced IN us in Romans 12:3-8. The Corinthians didn't have it. They were more interested in the gifts of it. Reason why Paul is using the word CHARITY here. All the new translations use the word LOVE. There's a shade of meaning to CHARITY that brings a whole new light to this passage. SPEAK WITH THE TONGUES OF MEN AND ANGELS: MM reminds that a benefit of this education is to learn how angels think. Just because you have the ability to do something, it doesn't mean that it is doing what it is supposed to do. MM says that he doesn't know if there's a specific language that angels speak. Everyone is kind of doing the same thing until the tower of Babel. Are angels doing the same thing? Point: Even you could speak or communicate with an angel in their own language, if you don't have charity, that's a sounding brass and a tinkling symbol (GH: just noise, not communication so no value). TONGUES OF MEN AND ANGELS: Doesn't matter what you say if what you say is not motivated by godly love and charity, it is just noise. I AM BECOME AS SOUNDING BRASS, OR A TINKLING CYMBAL: You are nothing but a noise maker. If you are not doing it out of this ministry of the Spirit (CHARITY), you are just making noise. I AM BECOME: If godly charity (the right motive!) is not behind what we are doing, we become something we did not intend (sounding brass, etc.).
1 Corinthians 13:2-3		You can do the right things but if you're not doing them for the same reason your heavenly Father does them, it's not profitable at all. It is an exercise in self-righteousness. MM is trying to get us impacted by what Paul is saying about the critical nature of godly charity being the motive behind what we are doing. Means this word has to reteach us the purpose and motives behind our actions and we have to do that on purpose. v2: I AM NOTHING v3: IT PROFITETH ME NOTHING

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:2		2 And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. Replace the word GIFTS with the word OFFICES, the principle remains the same. May seem severe but it is Paul's words. We can give and labor to our maximum degrees, but if it is done without charity, it profits nothing. God does not use any of it, it is worthless to Him. The issue is that we are performing our offices with godly charity. If we perform any office apart from godly charity, we are nothing and it profits us nothing. There were prophets at the church at Corinth who were not utlizing that for the edification of the body of believers. Paul says that you think you are big shots, you are nothing. It was given to them. Like the old saying, you were born on third base, quit acting like you hit a triple. Means you could exercise everyone of these spiritual gifts and God is not impressed with that. GIFT OF PROPHECY: The supernatural ability to function as a prophet. The person with this gift would receive information or a revelation from God in the form of the word of God; he or she would be given a revelation of some thing or event. When the assembly gathered together, one of the main features would be the prophets receiving a revelation from the Lord and giving it to the rest of the assembly. In the early church, it wouldn't just be one guy standing up and doing all of the talking. You'd have one guy reading the scripture and then you might have someone else say something about it, and then someone else would have something to add, and then somebody else would to this, and then somebody else would do that. It was a lot going on. See 1 Corinthians 14:26 for support of this. MM admits he read this for years and didn't connect it with the spiritual gifts in 1 Corinthians 12.
1 Corinthians 13:2		2 And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. ALL KNOWLEDGE: Paul says knowledge alone is going to have a bad result. But that knowledge has to be accompanied with charity. THOUGH I HAVE ALL FAITH, SO THAT I COULD REMOVE MOUNTAINS: He is talking about having absolute confidence in the things God says, and in what His power can accomplish. Could get on national TV and move a mountain and God says that means nothing to Me. FAITH: Having complete confidence in what God says and you can absolutely trust the Power of God to do what He says He will do (this is FAITH that can REMOVE MOUNTAINS). Notice the two aspects. MM says we get this in SE (Romans 8:16-39). REMOVE MOUNTAINS: Remind of Israel's program: - EX Mustard Seed parable. I AM NOTHING: We don't believe this. Can have all the fancy stuff and still be nothing. CHARITY: Didn't say LOVE. This is a particular ministry of the Spirit of God is going to put IN you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:2		2 And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. AND UNDERSTAND ALL MYSTERIES: As important as the mystery is, and as glad as we may be to be a part of it, and as much as we may make that mystery known, do not get to thinking that the reward of the inheritance is based solely on understanding the mystery and remaining faithful to it. What MM fears is happening is that some of us, in a well-meaning attempt to obey the doctrine, have made the mystery the object instead of the means. We can rejoice in the truth of the mystery, we can understand the various parts of the mystery, we can make known the mystery, but those things are not the sum total of what God is looking for. In other words, the mystery is not an end it is a means to an end. The mystery is not the goal it is the vehicle to get us to the goal. Just like right division is not the end, but a means to an end. God's purpose was not to have a mystery, but God had a purpose in having a mystery. **Point: Even if you understand all about the mysteries, if God's word (in Paul's epistles) has not effectually worked in you to produce godly love and charity, then all that insight and knowledge and faith and whatever else you may have or do, will profit you nothing**.
1 Corinthians 13:3		3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing. Quite a statement. Most would go, well, if you gave all of your goods to feed the poor, well, they got feed whether you had charity or not. But see, God has a purpose He is trying to accomplish. And if you're trying to separate that act from what He is doing that doesn't accomplish in the world what He means to accomplish. This is why charity is so important. Motivation is important to God - EX 1 Corinthians 13:3. We not only do what our Father would do, but we do it for the same reasons He would do it. If we do it for any other reason, we are not being "like Him;" we are not being godly. It's our godly love and charity for our fellow saints that is supposed to be moving us to meet their needs. Seeing a need and trying to meet that need. A prime example in the Bible that motivation matters. You can perform the greatest sacrificial acts, but unless they are done the right way/for the right reason, there is no profit to doing them. No matter what good act you do, if it is not done out of godly charity, then there is no profit to doing it. BESTOW ALL MY GOODS TO FEED THE POOR: Means give away everything I've got so I can feed those who don't have anything. BESTOW ALL MY GOODS: Give away everything to feed the poor.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:3		3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing. I GIVE MY BODY TO BE BURNED: This is sacrifice. Not only everything that I have but even my own life. GIVE MY BODY TO BE BURNED: MM says that is a pretty serious commitment. HAVE NOT CHARITY, IT PROFITETH ME NOTHING: God says no good, your motive has to be right. It's not just what you do, it is why you are doing it. IT PROFITETH ME NOTHING: People don't want to hear this message today, think if I do it, I'm getting a reward for that. Paul said you can give everything you've got away and give it to the right people, and not get rewarded for it. Nothing wrong with that action. Paul is rebuking what is behind that action. Paul is saying you have been given all this and you are wasting it. What the Corinthians were doing made them personally feel good but it wasn't edifying to everybody else. One is going through the motions for your own personal benefit. The other is we're doing this for all so that all can benefit (Bible word would be comforted). MM doesn't care how much you give/do without charity, God looks at this as nothing. Get same reward as someone who gives for the wrong reason. MM told you that CHARITY is not giving to the poor - Paul confirms it here. Can't have charity and have not charity. Charity is not about giving to the poor. If I do it outside this ministry, it doesn't profit me one thing.
1 Corinthians 13:3		3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing. CHARITY is the very first thing you are taught about when the education starts in Romans 12:3. Teach you godly charity toward the other members of this local assembly. You will learn to V&E the other members of this local assembly to such an extent that you would be willing to give up of yourself for their benefit. AND THOUGH I GIVE MY BODY TO BE BURNED: Even though Paul is talking about martyrdom, the process of what is happening to the body is the same as cremation. If he gave his body to be burned out of charity, then it would be profitable. Notice, Paul didn't say, "if I commit adultery out of charity, it will be profitable." You cannot do sinful things out of charity. So, evidently, having your body burned, Paul does not think martyrdom is committing some great sin before God. Otherwise, many great men who worked to give us a Bible in English would have committed sin by being burned at the stake.
1 Corinthians 13:4-7		A list of 15 characteristics of godly charity, 15 examples of what godly charity looks like. 1. SUFFERETH LONG-v4 2. IS KIND-v4 3. ENVIETH NOT-v4 4. VAUNTETH NOT ITSELF-v4 5. IS NOT PUFFED UP-v4 6. DOTH NOT BEHAVE ITSELF UNSEEMLY-v5 7. SEEKETH NOT HER OWN-v5

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:4-7		8. IS NOT EASILY PROVOKED-v5 9. THINKETH NO EVIL-v5 10. REJOICETH NOT IN INIQUITY-v6 11. REJOICETH IN THE TRUTH-v6 12. BEARETH ALL THINGS-v7 13. BELIEVETH ALL THINGS-v7 14. HOPETH ALL THINGS-v7 15. ENDURETH ALL THINGS-v7
1 Corinthians 13:4-7		This is not the full description of what charity is, but Paul mentions these in particular because these are the areas the Corinthians have been failing in. These were definitely the things that the Corinthians were getting wrong. MM says you don't have to look at this list very long to get convicted about your own life. They have not been longsuffering with each other, they have not been kind, they have envied one another, etc. Paul is not talking about trying our best or the best you can to be longsuffering or kind. He is talking about having the longsuffering and kindness of Christ being lived in us by our engagement with the forms of doctrine that teach us the godly thinking behind those actions. This is what it means to live out of grace, and not our flesh. To live out of grace is to live out of something God has provided to us through His Son, and given to us as a free gift of grace. The sad part of this for the Corinthians is that they had all the gifts, but they didn't have charity. That means that the gifts were not accomplishing what they were designed to accomplish, and nothing beneficial was taking place in the assembly. As a result, the assembly was divided and not unified, they were babes and not mature saints, and they were being victimized by the policy of evil at every turn. If the love that Paul is really talking about here, if that is really working in you, you will be longsuffering, you will be kind, you won't envy, and you won't vaunt yourself.
1 Corinthians 13:4-7		MM says when you tell people to live out of grace and not the best you can out of your flesh, people don't initially understand, how do you do that? How does that work? Living out of grace means that what you are doing is out of something God did for you through His Son and made available to you as a free gift of grace. That's how you live out of that grace. You can apply that to anything. EX For your justification, you are not trusting your works, you are trusting what God did through His Son. That's what you are trusting. That works with everything just this way. EX For longsuffering, it is not about longsuffering because that's what I'm supposed to do. There is doctrine that teaches you that longsuffering. Your Father is longsuffering because He V&Es these people who He is trying to redeem. In this DOGG, we are longsuffering because that's what our Father is doing. That comes from the scripture and your engagement with the Scripture produces longsuffering, but not for any other reason than what the Scripture says to you. Now you are living out of grace. Now you are living out of something God has done, not something you are trying to manufacture. Lost people can be longsuffering but not for the reasons they are doing it are not the reasons God has for them to do it (GH: not out of the Scripture).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:4-5	GH: Oneness of spirit	4 Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, 5 Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; Ways for a man to build a oneness of spirit: Have good manners. Godly charity has good manners. CHARITY SUFFERETH LONG: The godly love that is supposed to be in us is longsuffering, just like our Father's is. THINKETH NO EVIL v5: SEEKETH NOT HER OWN: See the godly selflessness issue. v5: THINKETH NO EVIL: Steadfast love refuses to focus on the negative aspects of your spouse. This does not mean that we are not aware of our spouse's shortcomings, it means we don't think about them in connection with their failures. Choosing to focus on our spouse's good features will greatly affect our own attitude and the overall marriage.
1 Corinthians 13:6		6 Rejoiceth not in iniquity, but rejoiceth in the truth;
1 Corinthians 13:7		7 Beareth all things, believeth all things, hopeth all things, endureth all things.
1 Corinthians 13:8-13		Part 2: In part 1, Paul introduced this particular ministry of the Holy Spirit of learning to V&E others like your heavenly Father. He is talking to the Corinthians because they were thinking that the spiritual gifts were kind of the apex of their relationship with God and there wasn't really anything that would be better than that. Because of that, they were overlooking the work that the Spirit wanted to do to teach them godly charity. Producing godly love in us is the unceasing ministry of the Spirit because God is going to bring about a MORE EXCELLENT WAY to accomplish all of those operations. 2. v8-13 - What Paul is about to do is, he is about to declare that this MOST EXCELLENT ministry that the Holy Spirit has will never be done away with, never going to be replaced with another ministry that's even better. There's nothing better. This is the primary, fundamental, most critical ministry of the Spirit and this thing is what replaces the GIFTS. Three major issues sitting in here: 1. Tells you the manner in which those spiritual gifts are going to stop - uses 3 different terms (VANISH AWAY, CEASE, FAIL) to describe how the gifts are going to stop. Three different categories of gifts that will end in different ways. 2. He's going to give you a comparison between what was going on when the spiritual gifts are in operation and what is going on now with the MORE EXCELLENT WAY. 3. Doesn't matter what you do or what you know. This is not enough. MM has to teach it with a godly love. If this is his motivation, it will impact how he says it. PART 2. v8-13: Declare that this MOST EXCELLENT ministry that the Holy Spirit has will never be done away with, never going to be replaced with another ministry that's even better. There's nothing better. This is the primary, fundamental, most critical ministry of the Spirit and this thing is what replaces the GIFTS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:8-10		MM says the scriptures are completed with the writing of 2 Timothy so there is no more need for a prophet to operate in this capacity. Now, we have everything that we need. We don't have just a PART, we have the complete, we have the PERFECT word of God and everything that God intended to give us we have in His word. God is not revealing new scripture to anyone else, He is not giving men extra biblical revelation.
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. There will come a time when the Holy Spirit will no longer be giving those gifts and no longer utilizing the spiritual gifts to accomplish the operations of God. But charity will never end. Godly love is an unending ministry of the Spirit. Producing godly love in us will be a constant and unceasing ministry of the Spirit of God because God was going to bring about His “more excellent way” to accomplish His operations, and when He does, it will necessitate godly love, just as the spiritual gifts did. Notice there are 3 gifts. Paul singles out three spiritual gifts. Using these 3 gifts as representative for each category of gift. Some have mistakenly understood this to mean that only these three gifts are going to fail or cease or vanish away. Paul pulls one of the gifts from each category and uses it as a representation of the whole group. Therefore, Paul is saying that all the gifts will come to an end, not just the three mentioned. It's not he listed 12 gifts (GH: 12?) in 1 Corinthians 12:8-10 but only 3 are going to stop. Paul is saying these spiritual gifts are not permanent but they're temporary and they are going to be done away with. And then he pulls one gift from each category and he puts it up there to be representative.
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. Two points: 1. their stoppage is immediate, there is no event or time by which to know when they would stop, neither is there a warning that the gift is failing, like with prophecy’s group of gifts. 2. charity will never fail. The Spirit did eventually stop giving and using the spiritual gifts, but He had never and will never stop utilizing charity in accomplishing the operations of God. Charity is the engine for the Dispensation of Grace. It is the fuel for the spiritual life of every member of the body of Christ. Paul is saying that all of the gifts are going to be done away with. They may vary in the process in which that happens, but don't miss the first part of the verse - CHARITY NEVER FAILETH. This is the point that he is trying to get to. These gifts will pass away, but the MORE EXCELLENT WAY is not only going to accomplish the operations that God wants to accomplish, it's going to be far superior to what you were able to do with the spiritual gifts. MM says if you believed that, you would be really looking forward to it. MM thinks the more of the word that gets completed, the more the gifts begin to diminish. By the time the 2 Timothy comes along (66-67 A.D.) the gifts had all just diminished to nothing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. He is not just saying these are the only 3 that are going to vanish away, these represent categories within the spiritual gifts so that all 3 categories are going to be done away. Charity is never going to fail because it is a huge, huge issue. This is the time when that MORE EXCELLENT WAY will be on the scene. These SPIRITUAL GIFTS, as good as they were, were not permanent. But they could not be practiced without CHARITY. All spiritual gifts fall into 1 of 3 categories (gifts similar in what they are designed to do). Paul taking 1 gift to represent that category. All stopping in a different way. The result is the same, the gifts will stop, but the manner of their stoppage is different, which is why he uses different words - FAIL, CEASE, VANISH AWAY. CHARITY NEVER FAILETH: In thinking that the gifts were the pinnacle of the Spirit's work in them, they had overlooked the greatest work the Spirit meant to do in them; to produce godly love. And while the spiritual gifts would eventually, fail, cease and vanish away, the Spirit's work of producing godly love (charity) in us will never stop. GH: EX We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'. CHARITY: All translations other than KJV use the word love. MM says when you do that, you lose a shade of meaning that's important to understanding this passage. CHARITY (godly love) will never be done away with even though the SPIRITUAL GIFTS will come to an end.
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. FAIL...CEASE...VANISH AWAY: MM says it is kind of like the clock at a football game, they will all stop at the same time. PROPHECIES, THEY SHALL FAIL: When Paul says that prophecies shall fail, he doesn't mean they won't come to pass as they predicted, that their predicted prophecies were failing, he means the gift of prophecy was going to diminish and end. This whole group of gifts that prophesy represents they're going to FAIL. KNOWLEDGE, IT SHALL VANISH AWAY: That supernatural gift of knowledge will no longer be given to people so they can complete the edifying of the body. Paul has 3 GIFTS listed here (GH: That are really groupings of gifts and represent a knowledge that was IN PART; compared to the word=THAT WHICH IS PERFECT and complete): 1. PROPHECIES (miracles, gifts of healings, faith, discerning of spirits) 2. TONGUES (and the interpretation of tongues) 3. KNOWLEDGE (and wisdom)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. The GIFTS in these groups go together (GH: not from an operational perspective). These constitute 3 groups and what he did was he pulled out one of each of those groups to talk about how the other gifts and those groups were going to be done away. FAIL: When he says PROPHECIES FAILing, he's not just talking about PROPHECIES, he is talking about everything in that group. These are going to fail. MM says like a water well failing, the supply becomes less and less until it doesn't yield anymore. The guy with the gift of miracles would see that supply wasn't there like before. As the word was being completed, these things would be less and less until finally they just sputtered out and they weren't there anymore. EX Water well fail - doesn't stop suddenly. It begins to diminish a little more and a little more until finally it would just dry up. The gifts which “fail” will gradually lessen until finally they function no more, just like when a water well fails. This group of gifts had less and less to offer until finally there was nothing more for them to give. Warning so that when they finally do “fail,” it should not be a surprise. When these gifts were failing, you had a heads up. You were noticing this isn't as abundant as it used to be. This is becoming less and less. The driver is the more the Scripture is being written the less there is a need for this. Gives you a heads up. CEASE...VANISH AWAY: These two end in the same way in that they stop immediately. GH: ?
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. CEASE: Is a more immediate thing. Is an abrupt/hard stop, like a 'cease & desist'. This is the end. Means one day a guy had the ability to do this and the next day, boom. Sign gifts - there one day, and one day they're gone. Not a gradual stoppage. Means these gifts will immediately stop. The function of these gifts is tied to an event, and when that event takes place, they will immediately and abruptly stop. MM likens this to a judge giving a 'cease and desist order'. This takes place immediately, not gradually. These gifts are going to stop immediately, all at once, immediately go away. They are going to abruptly stop. When they stop, it is in connection with a certain event taking place - GH: when Paul went to prison and his TO THE JEW FIRST MINISTRY ceased. Gives you an end date. VANISH AWAY: It kind of just disappears. Doesn't mean it's gone in an instant but vanishes away. Like watching company vanish away down the (GH: Imperial country) road. Just the tip of the ice berg because of the historical record of what was happening with that. As good as these GIFTS were, they couldn't give you everything. In every way, the word was superior to those gifts. Are not tied to a particular event, but one day they are there and then the next day, people will look for them, but they will have vanished away. While their stoppage is immediate, there is no event or time by which to know when they would stop, neither is there a warning that the gift is failing, like with prophecy’s group of gifts. One second it is there, the next it is not. This one stops immediately but it takes everybody by surprise. There is no event that tells you when this doesn't happen anymore. If you have the GIFT of KNOWLEDGE, you're using it one day and then maybe two days later you are going to exercise that gift again and it just won't be there. So there's no heads up, totally by surprise. Will be a surprise to them, I just did this yesterday.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. Categories of Gifts that will stop in 3 different ways 1. Utterance - cease 'hard stop' 2. Knowledge- vanish away 3. Prophecy - fail 'like a water well' KNOWLEDGE: Not saying that you won't be able to learn anything anymore. Talking about the supernatural gift of the Spirit giving you knowledge. The Spirit just gave it to you and then you had it. Those are going to stop.
1 Corinthians 13:8		8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. MM thinks there are 3 different categories of gifts because when he describes them going away he describes them in 3 different terms. The 3 ways the gifts are done away with are all very different. They don't all stop the same. You have 3 ways they stop so MM thinks the gifts fit into 3 categories. Thinks gifts will go away differently from the other categories. FAIL: When a water well fails, it doesn't just quit all together, it begins to produce less and less and till it is just gone.
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. This is one of the reasons that the SPIRITUAL GIFTS were done away. The gifts only supplied a partial knowledge/understanding. They didn't know it all. All the gifts were meant to do was provide edification until what He intended to begin with could be produced. When the PERFECT comes, the PARTial will be done away with. Both the partial and the perfect are talking about knowledge. What was revealed by the gifts was a partial knowledge, which was good and needed at that time, but God had a plan all along to eventually reveal a complete knowledge; a perfect knowledge. When the knowledge is complete/perfect (the written word), then the knowledge which is in part (the gifts) will be done away because they have been superseded by something “more excellent.” In other words, when we come to the full revelation (complete knowledge) of everything God wants us to have, then God can do away with the gifts. MM says this makes perfect sense if you understand what is really going on here in chapter 13. At that time, the gifts were in operation because without them, the body of Christ could not know what they needed to know, and they could not understand what they were supposed to understand and could not teach what the assembly needed to learn; hence, their problem was, “we know in part, and we prophesy in part.” Again, this is not a reference to the gifts, but to the problem the gifts were meant to fix. At the beginning of the DOGG, the body of Christ only had a partial understanding, and a partial knowledge of what God wanted them to know. Therefore, the gifts were given to bring their knowledge and understanding to the place where it was no longer partial. You can’t be edified by what you don’t know, so if we “know in part,” that is a problem where edification is concerned. Therefore, if a prophet only has partial knowledge, then his prophesying, or forthtelling the truth, is also partial. And that means the edification of the assembly is partial. Paul gives the reason the gifts were given in the first place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. FOR WE KNOW IN PART, AND WE PROPHESY IN PART: Paul says that during the time of the gifts we "know in part" and we "prophesy in part." A man who had the spiritual gift of prophesy could say what he was given by the Spirit, but he didn't know everything there was to know. His knowledge was partial, incomplete. The knowledge under the gifts (which eventually were going to vanish away) is partial. WE KNOW IN PART: This was the problem. Only had partial knowledge. Interpretations: 1. Everything is not coming through Paul. - Actually, the scripture is coming entirely from Paul, not someone else with a spiritual gift, and that may have something to do with Paul's unique apostleship and authority as the Apostle to the Gentiles 2. The form in which the truth that was presented was different. The doctrine was the same. Point: The way they heard truth in those assemblies is way different than the way we do. Actually, the form which the truth took, as it was revealed to those with the gift of prophecy in a local church was different from how it shows up in Paul's epistles. You would say this is basic and this is not what I am used to. Paul is referring to the present "partial knowledge" situation with the spiritual gifts. They were in the partial knowledge situation when the spiritual gifts were in operation. IN PART: Was the spiritual gifts. It means that the work it is doing is not full, it is not complete, it is not perfect, but it is partial.
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. PART: The spiritual gifts were partial. The supernatural gift of the prophet gets a revelation from the Spirit. He is going to talk about what is revealed to him, but he has to know it. If your knowledge is only partial, then the things you can say to every body about that prophesy is going to be partial too. He may have the gift of a prophet, but he doesn't have the gift of a teacher. A teacher is not receiving a revelation from God, He is actually teaching more about things that were given to the prophet, that the prophet explained what he know. Then, the Spirit uses this guy to actually teach some details about that. See the edification being passed around by a lot of different people doing a lot of different things. These things look very close together, because today we don't separate this out. But that was the way it was back then, so that every member of the body was going to have a part in doing one of the operations of God. Some of those in the local assembly and some outside. This got replaced with the completed revelation of scripture. WE PROPHESY IN PART: You can't tell people what you don't know. If your knowledge is partial, what the gifts will be able to produce is also partial. PROPHESY IN PART: Because you can only prophesy what you know. If you don't know it you can't talk about it. PROPHESY: Prophesy is a verb. Prophecy is a noun. IMPORTANT to understand the distinctions. Otherwise, you will be confused by the spiritual gifts, especially in 1 Corinthians 14. Gets used 3 ways in your Bible: 1. (a revelation) *to predict the future*. EX the Old Testament prophets were often foretelling various prophetic events EX Isaiah receiving a revelation from the Lord. MM doesn't think this is what the New Testament prophets were doing. This is an OFFICE in the O.T. (most common way people look at it)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. 2. (a revelation) *to forthtell the truth."* This is what was happening with the spiritual gifts. The one with the GIFT of a prophet was getting a revelation of truth from the Spirit. He would then stand up in the assembly and reveal what was revealed to him. This was not a prediction, but it was still supernatural. This is a GIFT in the N.T. Way it is being used here. There is a supernatural revelation of the truth concerning the mystery of Christ, given to them by the Spirit of God. So they are revealing truth but it still is a revelation. 3. (what they learned) has to do with people hearing and learning the prophet's revelation, and repeating it to others that they encountered in the course of their daily lives. Because they are repeating what the prophet said, they are said to be prophesying, even though they do not have the gift and received no supernatural revelation of truth. Doesn't have to do with predicting the future or having the gift of a prophet. This is something every member of a local assembly is called to do. Only happened while the spiritual gifts were in operation. MM says this is the one people struggle with. They are hearing someone that has the gift of the prophet and what's revealed to him, he is now revealing to them. They didn't get it supernaturally by the Spirit, they heard this guy speak. But when they take in what he says and turn and tell that to someone else, in 1 Corinthians Paul calls that prophesying. MM says it sounds strange. They are extending the teaching of the one who had the gift of a prophet or the one who had the gift of a teacher. If you interpret PROPHESY as a spiritual gift, you have everybody having the gift of a prophet and then you just have everyone standing up and saying, hey the Lord revealed something to me. This one is not about the Lord directly revealing anything. This is the DOGG, God is not going around and having people make a bunch of predictions about things that are going to happen. They are actually communicating the word of God. The form that God's word took with the spiritual gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. MM says it didn't take the form that we are used to, it didn't take the form of 13 epistles. Paul is writing a specific letter to specific assemblies, and by extension, it is meant for the entire body of Christ. This is the way we are used to seeing it. The Holy Ghost is not giving out Paul's epistles ahead of time. That's not the format. But the doctrine is being made available, but not in the form we are used to seeing it. Two things to see here: 1. The purpose of the gifts within the local assembly was edification. But the gifts were partial, no one could get fully edified. Two reasons: (a) It wasn't all coming directly through Paul. (b) The form in which they received the truth was different. GH: Revelation via the spiritual gifts vs. the completed revelation of scripture. 2. No one in the churches could “forthtell” the truth to the assembly if their knowledge was partial; again this is what the spiritual gifts were meant to fix. Extending the teaching to others. Reasons everyone should prophesy: (1) To encourage the other saints in the assembly on/about the truth they had just heard - to discuss it (2) Some people will come in that don't know what the assembly knows and they will prophesy to the UNLEARNED. They are saved/JUEL, but they don't know the doctrine. MM reminds these are not mega-churches meeting in coliseums, these are house churches. He calls on all of them to PROPHESY in that situation.
1 Corinthians 13:9		9 For we know in part, and we prophesy in part. (3) An unbeliever may come in and there's a message for them too. MM says if you went back and sit in on a meeting, you would say a couple things: * Man, this is basic. * This does not look like what I'm used to. When we gather to study the word, it is just really different.
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. There is something coming where these things that are in part are going to be done away with. Because no one knew it all, they were given gifts to do it for that assembly that was supernaturally given. If the knowledge under the gifts (which eventually were going to cease) is partial, then what is being referred to by “that which is perfect?” WHEN THAT WHICH IS PERFECT IS COME, THEN THAT WHICH IS IN PART SHALL BE DONE AWAY: Paul says something is coming, (“when that which is perfect is come”) which will replace that which is in part; i.e., the gifts. WHEN THAT WHICH IS PERFECT IS COME: Paul is talking about the completeness or fulness of knowledge. The complete realm of knowledge that God wanted them to have. This is set opposed to partial knowledge. He is saying I AM going to give you the complete knowledge, everything you need to know. Today, if you want to know something, you know where to go.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. THAT WHICH IS PERFECT IS COME: PERFECT is a reference to the completed word of God. Paul is still writing this and you can't go to all the Books of Paul's epistles and get that full education that they will give you. This is a stroke of the genius on God's part to actually write down and preserve a word that can be seen by someone a thousand years later and they have the absolute truth and the doctrine in front of them. This is the means by which us as adopted sons are getting educated today. Not going to come by any other way. Only by the completed word of Truth. The prophets in the receiving assembly will take that Book and say yes, this is inspired scripture. Then they will copy, and their apostles will take it and it spreads everywhere. THAT WHICH IS PERFECT: The completed revelation of scripture. MM says not everybody believes this because they have an agenda. They don't want the spiritual gifts to be gone. People incorrectly say: * Group 1-talking about Jesus: Not Jesus - He has already come. Then they say the Second Advent, but that implies He wasn't perfect the first time. Another problem here. Paul doesn't use the right pronoun. Paul did not say, “when He which is perfect is come,” he said, THAT. Paul is not talking about a person, talking about a thing. The context is about knowledge, so this “thing” will be providing knowledge. THAT in both the N.T. Greek and English is a neutered pronoun. It is neither male nor female. If it was Jesus, it would have said HE.
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. * Group 2-talking about the Kingdom: Some think this refers to the kingdom. Not talking about the kingdom either. But the context here is not about the kingdom on the earth, as that is part of God’s program with Israel, and Paul has introduced the mystery program. Whatever this thing is, the Corinthians are told to look for it and expect it to come, and when it does, it will complete their knowledge. If this was something that wasn’t going to show up until long after the Corinthians were dead, there would be no need for Paul to talk about the “more excellent way” if they weren’t going to have the knowledge they needed. This would be switching programs. PERFECT HAS COME: MM says the debate in Bible College was that this was talking about the Lord Jesus. Problems with this: 1. He had already come by the time this was written. Jesus had already come and performed the function of the Redeemer on the Cross. 2. Talking about Jesus at His Second Coming. Problem is this is not talking about a Person at all, it's talking about some thing. It didn't say 'when He who is perfect has come' it says WHEN THAT WHICH IS PERFECT HAS COME. 3. If Paul has been saying to the Corinthians, you guys have these GIFTS right now, but I'm going to show you a more excellent way and these GIFTS are in PART and they're going to be done away. 4. Not talking about the Lord Himself, but talking about the Kingdom. The problem is the Corinthians were never told they were going to participate in the earthly Kingdom. They are part of the body of Christ. If they weren't going to experience it, why tell them about it? Like telling Adam to build the Ark. The flood is not even coming in his lifetime.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. PERFECT: Is not talking about sinless perfection or a person at all, you're talking about complete and full. Refers to the completed word of God which is going to replace those spiritual gifts and that means that the word of God, that knowledge was partial under the gifts, is no longer PARTial but it's going to be complete. MM says the Bible is not only complete in one volume, it's in the order it's supposed to be. The dicotomy of something that was IN PART and something that was PERFECT, it (the GIFTS) gave you some look but it wasn't clear (GH: FACE TO FACE=word=PERFECT=clear). The gifts were a PARTial understanding, like childhood, a childhood understanding that wasn't bad. You knew some things but you didn't know it all. This should have made to Corinthians celebrate. The “perfect” is in contrast to the “in part.” So the perfect here is not talking about sinless perfection, or someone who is perfect, but it is talking about being perfect in the way of being complete; the contrast to being “in part.” In this context, complete. The word of God supplied PERFECT or complete knowledge in the sense that you now have everything that you need. Charles Smith: It comes from the Latin word 'to make thorough'. Perfect related not only to quantity but also to quality. A perfect thing is not only complete (it does mean complete or whole) in all its parts, but they are in the best condition and of the best kind. The word embraces the ideas of the utmost possible excellency (MM is like WOW! He used that word!), both physical and moral. God is saying this is what I WANTED all along, I just needed to get you there. This is the way that He views His word. MM says people ask how can you know that PERFECT is talking about the Bible? He says you can know because it is sitting in the context.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. PERFECT (cont'd): OED: Perfect: I.2.a. – c1350 [came into use in the 1300s] - Having all the essential characteristics, elements, or qualities; not deficient in any particular; complete, full; total; (of an emotion) unstinted, unreserved. Perfect is the antithesis of that which is IN PART, the partial knowledge situation in v9. He is talking about the completeness or fulness of knowledge. And we already know that the completeness of knowledge comes with the written revelation of scripture. We are much better off today, with the completed revelation of scripture than the Corinthians were with the spiritual gifts, even with the apostle Paul in their midst. The completed word of God is far superior to the spiritual gifts, especially when it comes to the issue of sufferings and the things that God wants to build in our inner man so we handle tribulations in a godly way; by patient endurance and the sufficiency of God’s grace, and to experience God’s strength being made perfect in our weakness. THAT: Not a He, not the kingdom (because that's not our program). IN PART: MM saying you can't know it all with just the spiritual gifts like you can with the MORE EXCELLENT WAY. They had partial knowledge that was supernaturally given. DONE AWAY: DONE AWAY because it is IN PART, it doesn't give you everything you need. From the beginning, God meant to publish His word. That's what He intended. But if you don't have it done yet because the means by which He produced that word was through human writers. He introduced the DOGG, He starts off with Paul, nobody knows it. On the Damascus Road, no one went WOW! We just saw the start of the DOGG. Not until Paul gets taught and he starts to reveal the mystery. Had to have a way to authenticate what is scripture and what is not. Have to view each other with godly charity or we can't function as a body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:10		10 But when that which is perfect is come, then that which is in part shall be done away. Can't just say I really like Bertha, that won't produce what it is supposed to produce. Charity is V&Eing her because she has been given the same MEASURE OF FAITH-Romans 12:3, the responsibility to labor with the Father. And because it's a BODY, you can't say I have no need of. Not only do I need her, this whole body needs her, and we are depending on her, we're counting on her. No matter what part of the body she is, we want her to succeed in that. It's not the emotional love you have for someone who's part of your family, it's a conscious decision to V&E her. It's on purpose. MM is not saying emotion couldn't come over, but emotion is not going to generate this in you, the last 12 words of Romans 12:3 will. We have to start looking at each other on purpose in that light. STORY: Old days, MM wanted people to show up for the sermon. He wanted them to benefit from the sermon but he didn't have charity because that charity got generated, not from I need you to show up so you can hear me, that charity gets generated from the fact that he needs you as part of this body, because when this body comes together it does something it can't do when we're all disassembled. Doing things together that we can't do on our own is going to translate to a labor with our Father. MM knows that if we don't get this thing settled, we are going to get to a place where we look around at the Sonship education and we're going to say this doesn't work and it will be because of this very first issue out of the box (GH: teaching Romans 12:3-8), we didn't start putting into practice in our lives. Have to look at people as members of the body that just walked in here...thank God. Have to start thinking about each other on purpose, that way. Won't become natural until we do it and do it and do it. One of the ways this will get done is for this group to talk about these issues when we are not in class session - interactive learning and mutual edifying. The issue of charity is that we V&E each other more than ourselves and we're willing to give up ourselves for the benefit of the rest of the body. That means I have to be willing to not get what I want if it's going to benefit all of this body.
1 Corinthians 13:11-12		Paul uses two metaphors to contrast the spiritual gifts with the completed word. Paul describes the gifts as the things of childhood. They were a “stop gap” measure until the inspired writings were given. The spiritual gifts are the things of childhood, they are just partial. When the word of God was completed, we were given everything we need to grow in grace, to be edified. By the word of God, we can live up to who we have been made to be in Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:11		11 When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. Paul describes the gifts as the things of childhood. This is not meant to disparage the gifts or in a derogatory form, but to demonstrate that they were a “stop gap” measure until the inspired writings were given. He is saying these are the things you get in the beginning, but we you want to really mature, you've got to have something better than this. The spiritual gifts are the things of childhood, they are just partial. The gifts were partial so we could get a message but they were not everything that we needed to understand about it. If you are going to be FILLED WITH ALL THE FULNESS OF GOD-Ephesians 3:19, you are going to have to have something better than that. MM says if you were a carnal believer at Corinth and had the gift of miracles, you would have been doing them all the time, like a magic show. That's not the purpose of the gift. The Corinthians needed correction. When the word of God was completed, we were given everything we need to grow in grace, to be edified. By the word of God, we can live up to who we have been made to be in Christ. Just as we no longer speak, understand or think like a child, but we put those things away when we became adults, in the same way the members of the BoC in the early years of the DoGG, needed to prepare to put away the gifts (the things of childhood) and be edified by the effectual working of God’s word (the more excellent way of adulthood). This is in the context of the spiritual gifts while they are THAT WHICH IS PERFECT-v10 to come. The spiritual gifts were overseeing the very rudimentary truths that the body of Christ needed to know first. Those spiritual gifts were kind of taking them through their childhood. MM talks about childhood questions and always asking WHY? There's no understanding there. Paul was not starting people out on the Ephesians doctrine. They never understood the Ephesians doctrine under the spiritual gifts because it was so partial. All in the context of the spiritual gifts while they are waiting for that which is to come.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:11		11 When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. Paul is using the analogy of a being a child (spiritual gifts/basic doctrine) and when he became a man (completed word/MORE EXCELLENT WAY-1 Corinthians 12:31). Paul says these things changed when he became a man because as a child, he only had partial knowledge. When that which is perfect is come is when Paul “became a man.” When the gifts were done away with is when Paul “put away childish things.” Paul is trying to show them the difference here. They were so enamored with the spiritual gifts, but they are less excellent. It's unnatural for a child not to grow up. There is a natural response in every kid that wants to grow up. Ask a kid how old they are and they say 'I'm 9 and a half' or '9 going on 10'. We are supposed to have this same desire for the adulthood doctrine. Three AS A CHILD components - he has 3 things in mind here and they match up with the 3 representative gifts of PROPHECY, KNOWLEDGE, AND TONGUES: 1. SPAKE 2. UNDERSTOOD (EX Saying to your kid, when you grow up, you'll understand. They say how come? and you think if you tell them they won't understand. You say one day you'll know. To them that sounds like a cop out. But they are .... AS A CHILD.) 3. THOUGHT These 3 aspects are supposed to take you away from the physical things of being a child to mental things. This is when all they had was the GIFTS. He is saying the difference between the word and the gifts is the difference between being a child and being an adult, because now you are going to get the whole picture, you are going to get brought into it. Remember, he is saying this to the Corinthians who are being resistant and he is really communicating the ideas that when the completed revelation of scripture comes on the scene, if what you want is to reject that because you think it is better, you're thinking like children.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:11		11 When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. Most believers don't look at the word as their Father does. When He looks at it, He looks at that as an extension of Himself. OT prophets stood up and said 'Thus saith the Lord', but you didn't hear a voice from Heaven you heard the prophet. Paul is saying the words I'm saying are the Words of the Lord. I SPAKE...I UNDERSTOOD...I THOUGHT: Three things related to childhood that all have to do with the communication of the truth. Know he is talking about knowledge. Paul is going to make an analogy of being a child and becoming a man. He isn't just talking about growing up physically or I used to be a kid and now I'm a man, but he is talking about mental processes. He is talking about the reservoir of knowledge that we have access to that we can speak about and understand and think about. Notice there are three of them listed in the verse; speaking, understanding, and thinking. These three issues match up with the three categories of gifts in chapter 12, and with v8. BUT WHEN I BECAME A MAN, I PUT AWAY CHILDISH THINGS: When the MORE EXCELLENT WAY came in, when the word was completed, there was no need for that which was IN PART anymore because it was never going to fail and it was never going to be done away. PUT AWAY CHILDISH THINGS: Doing away with the spiritual gifts. Because the completed revelation of scripture allowed God to now deal with you as an adult. Paul says these things changed when he became a man because as a child, he only had partial knowledge. When that which is perfect is come is when Paul "became a man." When the gifts were done away with is when Paul "put away childish things." CHILDISH THINGS: The spiritual gifts.
1 Corinthians 13:12		12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known. Paul is going to contrast the spiritual gifts and completed word with another metaphor. Saying that when the revelation of scripture arrived from God, the realm of knowledge would be complete. We'll have everything that God wants us to know. FOR NOW WE SEE THROUGH A GLASS, DARKLY: The spiritual gifts. Under the gifts, they did not see things clearly; their understanding was partial. FOR NOW: When he is writing to them, talking about a time when the gifts are in operation. Paul is referring to the present "partial knowledge" situation with the spiritual gifts. NOW: Back when the spiritual gifts are still in operation. SEE THROUGH A GLASS, DARKLY: How they were seeing things with the spiritual gifts. MM asks is this how you want it? You want something clouded? It's dirty or scratched up. You want FACE TO FACE. This is the difference between the spiritual gifts and the MORE EXCELLENT WAY. There is no glory to have your vision dimmed, there's nothing wonderful about not being able to see clearly, but that was the situation at this time, their spiritual vision was dim, their eyes of their understanding could not be fully illuminated, this is the exact opposite of that concept over there in Ephesians chapter 1 when that which is perfect was arriving.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:12		12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known. DARKLY: MM says when you look through a clouded glass, you can't quite see the details you want to see, that the IN PART ministry of the GIFTS. You knew something but you didn't have it complete, you didn't see the whole picture. But WHEN THAT WHICH IS PERFECT HAS COME, it's going to be like looking at yourself in the mirror. That renewing of your mind that takes place here is going to cause you to know exactly who you are according to how your Father views you because we know if He didn't tell us that we would never figure that out on our own. Under the spiritual gifts, when you are looking through a glass darkly, you would never see “the riches of the glory of this mystery among the Gentiles, which is 'Christ in you, the hope of glory'-Colossians 1:27. BUT THEN FACE TO FACE: The MORE EXCELLENT WAY. Not about eternity, he's still comparing the GIFTS with THE MORE EXCELLENT WAY. Haven't left that context. This word is like a mirror. With the completed word of God, it is like looking directly at something with nothing to obscure your view. THEN FACE TO FACE: Now as we see through a glass darkly, but then, when that which is perfect, it will be like “face to face.” You will see clearly when that which is perfect is come. There's nothing blocking your view. FACE TO FACE: Is not talking about when we get to heaven, but it is talking about when the word is completed; therefore, it is talking about while we are living on this earth right now! OED: Face to face means “looking directly at something without anything interposing between.”
1 Corinthians 13:12		12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known. BUT THEN SHALL I KNOW EVEN AS ALSO I AM KNOWN: Because of this Book, you will now be able to know about yourself the way your Heavenly Father already knows about you. You already know some things about you, like you have a new identity IN Christ. But what He's really looking at where He sees you but you don't know that yet. You won't know it until you progress through the education and say I knew He looked at me like this but I know now He looks at me like this. EX In Romans 8:14-15 - knowing you were a child of God but learning you were a son of God. Or that your Father is looking to you to run His Business as a JOINT-HEIR. This is part of that process that the word is producing. This phrase has to do with the fullness of how God sees us in Christ; knowing even as I also am known” by whom? By God. The completed word of God will tell us something that the spiritual gifts did not reveal; the doctrine of our EXALTATION status in Christ. Only by the word of God are we taught about who we have been made to be in Christ.

1 Corinthians 13:12		12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known. THEN SHALL I KNOW EVEN AS ALSO I AM KNOWN: Only when we get the completed revelation of scripture will we really clearly see and understand/know how God now sees us. Implies that they didn't know about their new identity in Christ. For us, that's a pretty fundamental issue, a basic thing. MM is not criticizing the gifts but we have only had the word all along. Big advantage. You will know who you are IN Christ as God already knows who you are IN Christ. They don't have any of that information, they don't know the RICHES OF THE GLORY OF HIS INHERITANCE IN THE SAINTS-Ephesians 1:18, they don't know they are MADE US SIT TOEGETHER IN HEAVENLY PLACES IN CHRIST JESUS-Ephesians 2:6. They only know the fundamental things. The problem wasn't with the gifts, the problem was they didn't know anything. Paul had to feed the Corinthians with milk (foundational Romans doctrine), they were babes in Christ. They don't know anything about what Ephesians or Philippians or Colossians are talking about because they don't understand that, it's like they can't see it. They are looking through a GLASS, DARKLY. The completed revelation of scripture is MORE EXCELLENT because now your understanding can be perfected, complete. Why MM says it is a travesty that today people want the spiritual gifts. Do you want to remain in ignorance? Or would you really like to see how God see you? That's the difference between the gifts and the word. One is partial, one is complete. One is childhood, one is adult. There will come a time when you will be given everything you need to know and then you can be treated like an adult. The Corinthians were pretty slow and wanted to remain in childhood. BUT THEN: When that which is perfect is come; when the word of God is completed. I AM KNOWN: By God.
1 Corinthians 13:13		13 And now abideth faith, hope, charity, these three; but the greatest of these is charity. This builds on what you got in Romans. These things didn't get done away with. The Holy Ghost is interested in preserving these three things and they all have to do with the communication of God’s word. And the greatest of the three is our education in the charity of God. ABIDETH: These three abide; that is to say, they will never be done away with during this DoGG. Notice, none of these are spiritual gifts. But they are things God wants at the forefront of this time. FAITH, HOPE, CHARITY: GH: Post-spiritual gifts, there's a "trinity" that now abides. FAITH: Not talking about the gift of faith. Talking about the FAITH that is built up in us because of the Truth of the word of God. MM says FAITH COMETH BY HEARING, AND HEARING BY THE WORD OF GOD-Romans 10:17. Ultimately, what your faith is in is what you are told in this Book. Faith makes the word of God necessary. It the source of the kind of faith God is talking about here. HOPE: MM says HOPE is one of those powerful doctrines you were introduced to in HOPE OF THE GLORY OF GOD-Romans 5:2. It's not 'well, I hope I go to heaven'. It's what you are counting on. Hope is not wishful thinking, but a confident expectation that we look forward to with absolute assurance of its certainty.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 13:13		13 And now abideth faith, hope, charity, these three; but the greatest of these is charity. CHARITY: Gives you all of your Heavenly Father's norms and standards, telling you what He values and esteems. Godly love or charity is learning to value and esteem what your Father values and esteems. You will find yourself lining up with His norms and standards with what He values and esteems because you want to think like He does, you want to see it from His point of view so you can make His decision about it. Charity: the ability to value and esteem what you Father values and esteems so we can think like God, do things His way and labor with Him in what He is doing. It is the greatest of the three. Without it the spiritual gifts were nothing. Paul admonishes us to do everything we do with charity. BUT THE GREATEST OF THESE OF CHARITY: These 3 will abide all the way through the DOGG but the greatest of these is CHARITY. THE GREATEST OF THESE IS CHARITY: Because the “hope” referred to here is the Blessed Hope, when the Lord returns to catch us out of this world unto Himself, and unite us in the heavenly places. That Blessed Hope should work in us to generate a great and abounding love in us that is built on the “faith” that was laid in our inner man back in Romans. GH: EX We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'. CHARITY is greater than FAITH and HOPE because at the BLESSED HOPE, we all get changed, dead or alive. Today, we walk by faith not by sight. But when the BLESSED HOPE happens, it will be sight and you won't need FAITH and HOPE anymore. The currency when you get into the heavenly places is LOVE. When the BLESSED HOPE takes place, you will have in reality what you trusted (FAITH) and hoped for (HOPE).
1 Corinthians 13:13	Non-MBI	SC: Trinity of Good: 1. Faith 2. Hope 3. Charity
1 Corinthians 14:1-40		Spiritual Gifts: Instruction in Righteousness GH: ??? Give them some corrective doctrine about what they're supposed to be doing with that. He's going to straighten all of that out. ??? He's constrasting the gift of tongues and the gift of prophecy. If you are speaking in a language nobody knows, no one is profiting from that. If someone comes in from the outside and they hear that, will they not say you are mad.
1 Corinthians 14:1-5		Paul explains the foolishness of speaking in an unknown tongue in the church, seeing that the purpose of the assembly is the edification of its members. If people are speaking in tongues, edification is not taking place/happening. This is primarily addressed at the counterfeits and fakes. He's constrasting the gift of tongues and the gift of prophecy. If you are speaking in a language nobody knows, no one is profiting from that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:1		1 Follow after charity, and desire spiritual gifts, but rather that ye may prophesy. MM says this was perplexing to him years ago. He is talking to everyone in the assembly. Compare this to 1 Corinthians 12:8-11 (TO ONE; TO ANOTHER-8x; DIVIDING TO EVERY MAN) and 1 Corinthians 12:29 (ARE ALL APOSTLES? - No). If we don't all have the GIFT of a prophet, how can we all prophesy? Answer is that words in your Bible get described in more than one way. At the beginning of the DOGG, there was no completed Bible. The only way God could do that was to give those gifts supernaturally and then when a guy had the gift of a prophet, God would give him a supernatural revelation and he would tell that to the whole group and everybody could benefit from that. But what he in was IN PART, he only knew a small piece of it. Then later, you might get another piece. Wasn't meant to be that way forever. God says I AM doing this to get us to THAT WHICH IS PERFECT HAS COME about, the completed word of God. Notice PROPHECY was the very first gift listed in Romans 12:6. Paul is saying to the Corinthian assembly, I want you guys to exercise charity in all you do, and I want you all to exercise your gift appropriately, but when it comes to the assembly, I would rather that you all prophesy, or testify to some truth that has been previously revealed by one with the gift of a prophet or the one who had the gift of a teacher. There are three things here: 1) charity, which is always in force, it is not waiting for the MORE EXCELLENT WAY-1 Corinthians 12:31 2) desire spiritual gifts - he says this because after the lecture in 1 Corinthians 13, tempted to say I'm tired of the gifts, lets have the MORE EXCELLENT WAY, I'm tired of childhood stuff. At that time, this was the way the operations of God will be accomplished. 3) but even more than desiring spiritual gifts, desire to prophesy.
1 Corinthians 14:1		1 Follow after charity, and desire spiritual gifts, but rather that ye may prophesy. FOLLOW AFTER CHARITY: All of them should do this! Charity is in force during the time of the spiritual gifts; it is not waiting for the more excellent way. YE: YOU is singular in your Bible. YE is plural. MM recounts the Nicodemus-Jesus convo where Jesus says YE MUST BE BORN AGAIN-John 3:7. He was talking to the whole nation, the whole nation needed to be born again. He's talking to the whole assembly but you know they are not all given the gift of the prophet. AND DESIRE SPIRITUAL GIFTS: Because at that time, this is how God is accomplishing His operations. In view of the more excellent way, Paul does not want them to despise the gifts, as those are, at that time, the way the operations of God will be accomplished. DESIRE SPIRITUAL GIFTS: Whatever spiritual gift you have you ought to be working that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:1		1 Follow after charity, and desire spiritual gifts, but rather that ye may prophesy. BUT RATHER THAT YE MAY PROPHESY: Comes on the heels of 1 Corinthians 13 where they learn the spiritual gifts will pass away. If everybody should follow after charity and if everybody should desire spiritual gifts, then you/everybody should prophesy, which here is extending the teaching to others. Paul expected everyone in the church to prophesy; to talk about, discuss, repeat, and make known the doctrine that came from the prophet. MM reminds not everyone had all the spiritual gifts-1 Corinthians 12:29-30. He is not talking about predicting the future (like an O.T. prophet) or exercising the gift of a prophet because everybody can't do that. But they all can hear the prophet talk and then discuss it among themselves. They are extending the teaching of the one who had the gift of a prophet. If you interpret PROPHESY as a spiritual gift, you have everybody having the gift of a prophet and then you just have everyone standing up and saying, hey the Lord revealed something to me. This one is not about the Lord directly revealing anything. RATHER THAT YE MAY PROPHESY: Paul says of all the spiritual gifts, this is the one you should want because it lent itself to the edification of the body. RATHER: More importantly than that. When you PROPHESY, you prop up, you can benefit the entire assembly from what you understand about that. The whole assembly is edified from this and that's what he's after. PROPHESY: Sometimes it is the spiritual gift, and sometimes it is not. For the saints (all of them) to take what has come through the one with the spiritual gift of prophet; and then deal with it among themselves unto edification.
1 Corinthians 14:3		3 But he that prophesieth speaketh unto men to edification, and exhortation, and comfort. MM says guess what is not in here? Fortelling the future. The gift of the prophet was to speak to them so that their souls would be edified / built up. COMFORT: OED: comfort: 1) To strengthen (morally or spiritually); to encourage, hearten, inspirit, incite 2) ...to support, assist, aid, abet 5) To minister delight or pleasure to; to gladden, cheer (Romans 12:8 - CHEERFULNESS) 7) To soothe in grief or trouble; to relieve of mental distress, to console, solace - All of this is to be done out of the doctrine with charity or it profiteth nothing.
1 Corinthians 14:6-12		Paul emphasizes the edification issue for the local assembly by a couple analogies. The church is not just for communication and it's not just a social gathering, but it is really now a classroom for truth. The purpose of the local church is not just for communication and neither is it just a social gathering. The local church is a classroom for the communication of sound doctrine which results in godly edification. And if that isn't taking place, then there is no need for us to gather ourselves together.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:6		6 Now, brethren, if I come unto you speaking with tongues, what shall I profit you, except I shall speak to you either by revelation, or by knowledge, or by prophesying, or by doctrine? BY REVELATION...BY KNOWLEDGE...BY PROPHESYING...BY DOCTRINE: Paul identifies four different communications that benefit the local assembly, but only one of them (revelation) is associated with the gift of a prophet. BRETHREN: Believers. BY REVELATION: The only one of the 4 that is a spiritual gift. BY KNOWLEDGE...BY PROPHESYING...BY DOCTRINE: MM says he can't take this as far as he would like to because these look really similar to MM. When the gifts were in operation, there was probably a more discernable difference here. BY KNOWLEDGE: How the people in the assembly are all PROPHESYING.
1 Corinthians 14:8		8 For if the trumpet give an uncertain sound, who shall prepare himself to the battle? When the “who” has no pronoun attached to it, it is a general reference to any or all. Paul is talking about the sound of a trumpet or a pipe calling men to war and he talks about an uncertain sound. If the thing isn't sounding the way it is, then everybody's confused about what they're supposed to do.
1 Corinthians 14:10		10 There are, it may be, so many kinds of voices in the world, and none of them is without signification. The way to pick the office to take notice of something that is lacking orderliness and make sure it is done in an orderly manner. (GH: right verse?)
1 Corinthians 14:13-25		Paul speaks to the people speaking in the learned languages and the ones that are faking it to stop. Two things: 1. he instructs those who speak those learned foreign languages as to how to conduct themselves so they don't add to the confusion that's going on 2. he argues for those who were faking the gift of tongues to stop Both of these for the purpose of exposing the satanic counterfeit. Once the bilingual people stopped using their learned languages and the fakers stopped faking it, this would expose the counterfeit as the only one which was speaking in tongues within the local assembly. By this time, he has already made the case to those who have the legitimate gift to not do it in the local assembly. This means there is a time when the only people speaking in tongues in the Corinthian assembly are the ones with the counterfeit from the adversary. And now you are able to see who is who.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:18-20		18 I thank my God, I speak with tongues more than ye all: 19 Yet in the church I had rather speak five words with my understanding, that by my voice I might teach others also, than ten thousand words in an unknown tongue. 20 Brethren, be not children in understanding: howbeit in malice be ye children, but in understanding be men. Paul understands what this GIFT is in operation to do. v19: YET IN THE CHURCH: MM showing TONGUES were for outside the local assembly. v19: IN THE CHURCH: v19: RATHER SPEAK FIVE WORDS WITH MY UNDERSTANDING: MM asks how important is it to edification that you have an understanding? It's critically important. If you don't understand the doctrine, it can't work for you. v20: BE NOT CHILDREN IN UNDERSTANDING: Paul is trying to correct the Corinthians. (GH: They were misusing TONGUES). v20: UNDERSTANDING BE MEN: This satanic misuse and counterfeiting of tongues is why Paul they need to have an intelligent, adult understanding. v20: BE MEN: Grow up and be adults. Understand what we are talking about here.
1 Corinthians 14:18-19		Paul says that tongues within the local assembly can create disorder. Notice Paul says, I speak with tongues more than ye all, but he understood that the role of that gift is not in the local assembly. This is one of the reasons Satan loves to misuse a genuine gift or even counterfeit a gift; to create confusion.
1 Corinthians 14:18		18 I thank my God, I speak with tongues more than ye all: Notice the colon at the end of the verse. The sentence is not finished yet. I SPEAK WITH TONGUES MORE THAN YE ALL: Paul spoke with tongues more than they all because he spoke more than one language by nature; he spoke Hebrew; he spoke Greek; and he spoke Latin. But he also had the legitimate gift of tongues and he could speak other languages by that gift. If you follow his journeys, he goes into other areas where different languages are spoken; so when Paul says I speak with tongues more than ye all, he covers the whole gamut here; the only thing he didn’t do was fake it or have the counterfeit.
1 Corinthians 14:19		19 Yet in the church I had rather speak five words with my understanding, that by my voice I might teach others also, than ten thousand words in an unknown tongue. The first thing Paul says is that tongues are not designed to function in the local assembly. The purpose of “rather speaking five words with understanding” is the teaching; sound doctrine, and edification. What he is plainly declaring there is that the legitimate use of the gift of tongues has nothing to do with a local church. YET IN THE CHURCH: Notice this is in the church when the gifts are in operation.
1 Corinthians 14:20		20 Brethren, be not children in understanding: howbeit in malice be ye children, but in understanding be men. Now he is talking about, the things that he has given to them, understand these things. This letter is part of the written revelation of scripture and every piece you get of that is ???.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:21		21 In the law it is written, With men of other tongues and other lips will I speak unto this people; and yet for all that will they not hear me, saith the Lord. Happened at the day of Pentecost. Those things were in operation for them. They saw the miraculous things but it didn't make any difference to them they still rejected it. Talking to Israel. This is not Israel speaking the language of others, this is other people speaking to them. Context so far is the spiritual gift of tongues and the proper use of it. Comes from STAMMERING LIPS AND ANOTHER TONGUE-Isaiah 28:11. The prophecy in Isaiah had a specific reference to the Babylonians. They are the MEN OF OTHER TONGUES AND OTHER LIPS. God is expressing his displeasure in their unbelief by using the Babylonians. Point: This is now going to happen again, not carried away captive, but here comes Paul. Now he understands he has this TO THE JEW FIRST-Romans 1:16 ministry. And because of that, God has a proclamation that gets written down in inspired scripture that talks about how displeased He is, again, with the nations unbelief. So tongues becomes the last sign, the last warning. Most of you guys didn't respond to this before and now you're going to get one more. This is my final warning to you. I want you do know you've got to turn or there is going to be a consequence. IN THE LAW IT IS WRITTEN: Quotes Isaiah 28:11-12 and Isaiah is not part of the law. People claim this is a mistake. Two things: 1. Often a word in your Bible has more than one meaning. MM says sometimes THE LAW is a general reference to the O.T. 2. May mean this was written in the time the law was in force.
1 Corinthians 14:21		21 In the law it is written, With men of other tongues and other lips will I speak unto this people; and yet for all that will they not hear me, saith the Lord. IN THE LAW IT IS WRITTEN (cont'd): This is other people speaking to Israel. MM says he's really not talking about the people of Israel speaking with other Gentiles, he is really talking about Gentiles speaking to Israel to express God's displeasure with their unbelief. And yet they would not hear. GH: It is almost backwards like it is in Corinth. This turns out to be the final fulfillment of prophecy in Israel's program during the transition period described in the Book of Acts. When the Gentiles were given the gift of tongues, it was, as we previously discussed, the final sign to unbelieving Israel. And what was the result? "Will they not hear me, saith the Lord." OTHER TONGUES: Gentiles. THIS PEOPLE: His people, the nation of Israel. AND YET FOR ALL THAT WILL THEY NOT HEAR ME, SAITH THE LORD: God expressed His displeasure with Israel before He carried them away captive to Babylon, and now, Paul writes that this same thing is happening again. Therefore tongues are the final sign to the unbelieving element in Israel of God's displeasure and this is their final warning. In connection with them not hearing the Lord, there was an event which would take place which signaled the end of that final sign. In other words, it was at this event in Acts 28 where tongues ceased immediately. AND YET FOR ALL THAT WILL THEY NOT HEAR ME: Paul quotes YET THEY WOULD NOT HEAR-Isaiah 28:12.
1 Corinthians 14:22-25		Paul is talking about the gift of tongues in connection with their local assembly. Paul is going to explain the role of tongues.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:22		22 Wherefore tongues are for a sign, not to them that believe, but to them that believe not: but prophesying serveth not for them that believe not, but for them which believe. He is saying some of these things edify this assembly and some of these things are assigned for something else. Identified this back in 1 Corinthians 12. Tongues are for a sign, not to believers but unbelievers. Unbelieving Israelites. Paul is going to contrast impact on the assembly if they all speak in tongues, or if they all prophesy (which is not referring to the spiritual gift). Two categories of gifts had an effect on Israel, tongues and healings, which confirmed the reality of God turning from Israel to the Gentiles. We can see in the record of the book of Acts that God was using these gifts to provoke Israel to jealousy, so that they might be saved. And some were. But God allowed a second gift; tongues, to give a final sign and warning to those who did not respond positively to the first sign. This is detailed in Isaiah 28 29. SIGN: When Peter preached Christ at Pentecost, the unbelievers saw the TONGUES. BELIEVE NOT: Unbelieving Israel. Paul wrote tongues were a sign to them that believed not. TONGUES: Was a final sign to unbelieving Israel of God's displeasure with them. Tongues did not communicate God's word. They did not confirm that God was dealing with Gentiles. They did not confirm that God has turned from His program with Israel. They did not provide for orderliness in the assembly. (In fact, quite the opposite.) BUT TO THEM THAT BELIEVE NOT
1 Corinthians 14:23-25		Paul is saying you guys are all meeting together and every one of you are speaking in tongues. But if you do that: * You are not edifying anybody. * If unbelievers come in or someone who doesn't know anything, they are going to think you are crazy. But if you prophesy, that will have a different effect on the unbeliever or the unlearned. Will be a pretty good result.
1 Corinthians 14:23		23 If therefore the whole church be come together into one place, and all speak with tongues, and there come in those that are unlearned, or unbelievers, will they not say that ye are mad? Paul is going to contrast something that is going on when the assembly meets together and compare to what should be going on in the assembly. It's the impact on the assembly if they all speak in tongues, or if they all prophesy (which is not referring to the spiritual gift). The point here is that when all of the Corinthians acted like they had the gift of tongues; it had the very opposite effect on the unbelievers who attended the assembly, than it was supposed to have. He warning them about a situation that could not occur because that is exactly what was happening in the Corinthian assembly; everyone was speaking in tongues. Four things going on - covers all four kinds of "tongues" that are going on in the Corinthian assembly; the legitimate ones and the illegitimate ones: 1. you have people with the legitimate gift of the Spirit/tongues: The legitimate gift of the Spirit but the problem was it was exercised in the local assembly. Those who have the legitimate gift, use it properly and don't get mixed up in this thinking everybody look at me, I'm special, only use it for the operation outside the assembly - stop doing this in the church-I WOULD RATHER SPEAK FIVE WORDS IN THE CHURCH that could be understood than 10,000 words in an unknown tongue IN THE CHURCH.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:23		23 If therefore the whole church be come together into one place, and all speak with tongues, and there come in those that are unlearned, or unbelievers, will they not say that ye are mad? 2. you have some who were bilingual, who knew more than one language: Learned language - guy knew another language and just spoke this language, acting like he had the gift - Knowing/Speaking Portuguese doesn't edify any body that doesn't know Portuguese. Don't act like you have a gift because you know another language. Legitimate thing but presented as a gift. 3. you have some who are faking the gift, who are just jabbering as though they are speaking a language: Those who were faking it, not a legitimate language so nobody knew what they are saying - Paul says stop. 4. you have some exercising a satanic counterfeit, which is to say that they truly spoke in tongues but it was not by the Holy Spirit, but by the adversary: Problem - it was in a legitimate language. The counterfeit is supposed to mirror the genuine. When you have all 4 of these happening in the Corinthian house churches, Paul is trying to get them to ID the counterfeit by fixing the first three. Point: When all of the Corinthians acted like they had the gift of tongues; it had the very opposite effect on the unbelievers who attended the assembly, than it was supposed to have. NOTE: Paul had the first two - could speak Hebrew, Greek, and Latin. MM says no wonder the Corinthian church had such a hard time because no one was being edified here.
1 Corinthians 14:23		23 If therefore the whole church be come together into one place, and all speak with tongues, and there come in those that are unlearned, or unbelievers, will they not say that ye are mad? IF THEREFORE THE WHOLE CHURCH BE COME TOGETHER INTO ONE PLACE, AND ALL SPEAK WITH TONGUES: This is exactly what was happening. Everyone was speaking in tongues in the church at Corinth when they gathered together. Remember, tongues are for unbelievers. This is an impossible situation because they don't all have the gift of tongues but happening in reality because the 4 examples that were happening - 1 Corinthians 12:30. UNLEARNED: They have trusted Christ as their Savior but they just don't know anything. UNBELIEVERS: People who are lost.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:24		24 But if all prophesy, and there come in one that believeth not, or one unlearned, he is convinced of all, he is judged of all: BUT IF ALL PROPHESY: He is saying in your church, you are going to get to where everyone is going to PROPHESY. But when he uses that word, he's not talking about you have the supernatural gift of a prophet you received from the Lord and you are standing up and doing something nobody knows. That's not how your defining the term we read in v1. In both places, he is using the word in a different way. PROPHESY: This is something different than the supernatural gift of a prophet. The gift of the prophet was given to 2 or 3 and there was an order to it. The guy would turn around and give that to the whole assembly. They then, hearing that, would begin to understand that and ask questions about it and get a handle on it. MM says this has happened in Monahans with the creature/bondage of corruption/glorious liberty - we're talking about this even through classroom breaks. You've internalized that and now that is in your head. When somebody talks about this, it is not new to you. When you talk about that, the Bible calls that PROPHESYing. It's rehearsing and repeating and understanding what the prophet talked about so it benefited all members of the assembly. Taking what the prophet was given and now benefitting the entire assembly. Today, we don't get a supernatural revelation from God now, we get His word. We do the same thing out of His word. Someone could come in the assembly and they are talking about the creature and realize these people know this, if they don't think your nuts, they will realize that these people know some things. Show it to them in the Bible and they go, man, that is there after all. For a people who are counting on going to heaven we know absolutely nothing about it.
1 Corinthians 14:24		24 But if all prophesy, and there come in one that believeth not, or one unlearned, he is convinced of all, he is judged of all: UNLEARNED: Somebody comes in as UNLEARNED, maybe a believer maybe not but he doesn't know anything, he is convinced. HE IS CONVINCED OF ALL, HE IS JUDGED OF ALL: MM says look at the difference between TONGUES and PROPHESY. Opposed to say YE ARE MAD. JUDGED: Not pounding a gavel saying GUILTY!
1 Corinthians 14:25		25 And thus are the secrets of his heart made manifest; and so falling down on his face he will worship God, and report that God is in you of a truth. There is something that an entire assembly is supposed to do that when someone comes in. They may be an unbeliever, they may be a believer, but they don't have any idea what you are talking about. But when everyone does this, it appeals to their heart to convince them that what's going on in this assembly is God at work. THE SECRETS OF HIS HEART MADE MANIFEST: HE WLLL WORSHIP GOD: REPORT THAT GOD IS IN YOU:
1 Corinthians 14:26-40		Paul talks about the proper function of the local assembly in Corinth. Much of this section is designed to do away with the confusion that was so much a part of the church at Corinth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:26-33	GH: Sonship Commitment No. 2: Interactive Learning	How interactive learning takes place in Paul's epistles. Laying out how the service is going to go. Paul doesn't tell anyone to be quiet the whole time. The correction is not that they didn't have spiritual gifts, but the improper use of those spiritual gifts. They didn't have these things unto edifying. See how prophets are supposed to operate in a particular way in the assembly.
1 Corinthians 14:26		26 How is it then, brethren? when ye come together, every one of you hath a psalm, hath a doctrine, hath a tongue, hath a revelation, hath an interpretation. Let all things be done unto edifying. How the church worked with the spiritual gifts. There is order to what is going on; it is not a free-for-all with a mass of confusion and chaos. Things are done decently and in order. Look at the list of things being spoken. EVERY ONE OF YOU HATH A REVELATION: It wasn't that the revelation was wrong, its that there wasn't any edifying going on. Remember PROPHETS are not O.T. prophets. Remember what their job is. LET ALL THINGS BE DONE UNTO EDIFYING: All things that promote godliness. Should be an expectation that interactive learning is going to take place. If you have a question, you can almost be sure someone else in the assembly also has this question.
1 Corinthians 14:29-31		How the church worked with the spiritual gifts. There is order to what is going on; it is not a free-for-all with a mass of confusion and chaos. Things are done decently and in order.
1 Corinthians 14:29-30		Paul is talking to people who have the spiritual gift of the office of the prophet. There is no completed revelation of scripture. Paul is setting some order in the church. As for those with the gift of a prophet, he says to let them speak, two or three, and let the others with the gift of a prophet judge. But notice that sometimes, the Spirit would reveal something to one of those prophets who are not speaking. And if He did, the prophet who was speaking should “hold his peace” and let the prophet speak to whom the Spirit revealed something.
1 Corinthians 14:29		29 Let the prophets speak two or three, and let the other judge. He limits the number of prophets who were going to get up and speak to 2 or 3. MM says this makes sense. More than that it becomes overwhelming and you can't deal with it properly. Paul is talking about those with the gift of prophet. LET THE PROPHETS: Those with the supernatural spiritual gift of the prophet. LET ANOTHER JUDGE: A prophet judging another prophet. GH This was to prevent doctrinal corruption. They would JUDGE to see if that is how the Spirit was talking to them.
1 Corinthians 14:30	GH: Sonship Commitment No. 2: Interactive Learning	30 If any thing be revealed to another that sitteth by, let the first hold his peace. So you don't get everyone yaking back and forth and now it becomes confusing where people go I don't even understand what is going on anymore. LET THE FIRST HOLD HIS PEACE: MM says this could be really chaotic unless you had some kind of structure of how this church gathering was supposed to be carried out. Let the first guy be quiet. MM says this is hard enough to do when the things are legitimately working.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:31	GH: Sonship Commitment No. 2: Interactive Learning	31 For ye may all prophesy one by one, that all may learn, and all may be comforted. Happens after v29-30 and everyone can bring something to the table so to speak one-by-one. Do it one-by-one because God is not the Author of confusion. We know that Paul is not talking about everyone having the spiritual gift of prophecy. He describing the mutual edifying that takes place as the members of the assembly say things about their understanding of the doctrine; thing which become a benefit to the entire assembly. Has nothing to do with the spiritual gift. 3 factors in this: 1. FOR YE MAY ALL PROPHESY ONE BY ONE: That's the order, the way that is supposed to be done. Referring to all the members of the local assembly, not just the prophets. They are going over what they have been taught/heard. Not about someone trying to put themselves in a position of a prophet. It's not for everyone to do their agendas - what was going on at Corinth. 2. THAT ALL MAY LEARN: 3. AND ALL MAY BE COMFORTED: The COMFORTED part here is not a comfortable chair. When you leave the assembly, you can say I know what was said and I see how that is and I understand how that works and that brings that comfort of assurance that you've gotten as opposed to going out the door ad going I just don't get it/I am lost/in a fog. There's no comfort in that. COMFORT: Coming to a place where everything that was said is understood. Not that you can regurgitate everything to anyone, but you are not going out the door saying I don't get this.
1 Corinthians 14:31	GH: Sonship Commitment No. 2: Interactive Learning	31 For ye may all prophesy one by one, that all may learn, and all may be comforted. Here's where people say there's a mistake in the Bible. Here's what you have. You have the office of that prophet (taking what Paul has written, identifying it as inspired scripture, and get up in the assembly and talk about it. They were dispensing the curriculum. After the prophets got up and spoke, the pastor/teacher would come along and would also speak and add something to that. When he talks about ALL PROPHESY, different than the office of a prophet. This is a reference to the INTERACTIVE LEARNING. He is calling it prophesy because this is what it is based on. EX If the group talks about the 2 programs among yourselves, the Bible calls that prophesying. MM said people will say what he says and do it in a better/different way and it will make sense to others GH: edifying the saints. Corinthians weren't doing this. YE MAY ALL PROPHESY ONE BY ONE: MM says you have this house church and I want everyone of you to PROPHESY - so that everyone can learn and be comforted by the truth - ALL MAY LEARN, AND ALL MAY BE COMFORTED. He is not talking about predicting the future (like an O.T. prophet) or exercising the gift of a prophet because everybody can't do that. But they all can hear the prophet talk and then discuss it among themselves. MM says this is really close to being edified or taught. They are extending the teaching of the one who had the gift of a prophet or the one who had the gift of a teacher.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:32		32 And the spirits of the prophets are subject to the prophets. Example of a metonymy. When you see this, you are prone to think he's talking about the human spirit of the prophets. It's not: * If that's what he's talking about, it doesn't make sense in the context of chapter 14. * What just happened with this word SPIRIT is a metonymy (replacing one noun with another noun). He just replaced something that is in the context with that word, SPIRITS, with the phrase 'spiritual gifts'. SPIRITS: Turns the word SPIRITS into spiritual gifts. Not talking about the prophet has control over his own spirit. Means the prophet can use the spiritual gifts for the edification of the assembly if they are used in accordance with the scripture. The prophet has control of that.
1 Corinthians 14:33		33 For God is not the author of confusion, but of peace, as in all churches of the saints. GOD IS NOT THE AUTHOR OF CONFUSION: He says this on the heels of telling them here is the way you are going to do this in the service.
1 Corinthians 14:34-35		MM says people dance around this because they want to stay true to the scripture but they are afraid to say things that are controversial. He believes this was written in a context of speaking in tongues and prophesying in the local church. It's the subject of this whole chapter. When the gifts were in operation, at least in the Corinthian church with all its chaos and confusion, women were not to take part in praying or prophesying in the church. It seems that the women may have been abusing the gift of tongues and using it out of place. Don't find this kind of exhortation to the other churches. The women were using it out of place and Paul's corrective doctrine was designed to expose the counterfeit once this directive was obeyed.
1 Corinthians 14:34		34 Let your women keep silence in the churches: for it is not permitted unto them to speak; but they are commanded to be under obedience as also saith the law. LET YOUR WOMEN KEEP SILENT IN THE CHURCH: MM doesn't take this literally because remember, earlier in the book, women were "prophesying" with their heads uncovered in the assembly. Paul's problem was not that they were speaking in the assembly, but that they appeared not to be under authority. As the gift of tongues is no longer in operation, women may speak in church and ask questions at the appropriate time. This leads us to issue of women in ministry. While MM thinks the Bible is clear that women should not be pastors, that does not mean that they cannot have ministry. Churches have Sunday school and women's Bible studies (THAT THEY MAY TEACH THE YOUNG WOMEN-Titus 2:4) which are fine. MM absolutely thinks woman can teach the Bible but some folks would differ with him. She can't be the Pastor but can have a ministry outside of the local church. Several women labored with Paul and he names some of them. They were working with Paul to get the gospel out to the lost and some of them were working their own ministry. Paul actually tells the church at Cenchrea to help this woman (Phebe, who is not from Rome) in what she is doing (Romans 16:1-2). MM thinks Paul is telling the church at Rome, there's this gal and I need you to help her out-Romans 16:1. MM ties Romans 16:2 to another verse were Aquila and Priscilla minister to Apollos on the doctrine of Christ and he adapts his teaching to that. Both taught him. MM says most people tread lightly on the women in ministry issue. We tend to carry this too far.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:34		34 Let your women keep silence in the churches: for it is not permitted unto them to speak; but they are commanded to be under obedience as also saith the law. NOTE: CH said in that culture it was widespread and highly desired for all of the non-Christian women to serve as Delphi or Oracles. All of them sought it through divination and different means because there was a high status and there was often monetary gain. It was a big thing in their culture. These women who had pursued this all their lives, when they came to Christ, they had a hard time differentiating the difference between the spiritual gifts and the speaking in tongues, which they were already doing, speaking in tongues as Dephi Oracles. The women keeping silence in the church was specific to them, because Paul's trying to combat something that is rampant in that pagan society. Not something that carries over to every Christian. In the context of TONGUES in the local church. Specific to the church at Corinth. Relates to the culling back so that the counterfeit could be surfaced. Doesn't think it means literal because the earlier verse about women praying or prophesying and their talking not be the issue.
1 Corinthians 14:37		37 If any man think himself to be a prophet, or spiritual, let him acknowledge that the things that I write unto you are the commandments of the Lord. Job of the DOGG prophet was to acknowledge what Paul is writing is really from the Lord. This is the kind of understanding that was needed to stop the confusion and deception in the Corinthian church. You ought to see this as inspired scripture. They needed this kind of thing because if you believe what Paul is writing the commandment of the Lord, then you'll pay attention to the instructions that he's giving to you about the things that are going on when the church is gathered together. IF ANY MAN THINK HIMSELF TO BE A PROPHET OR SPIRITUAL: Remember the spiritual gifts were in play during this time and some were faking it. LET HIM ACKNOWLEDGE THAT THE THINGS THAT I WRITE UNTO YOU ARE THE COMMANDMENTS OF THE LORD: We are supposed to consider the doctrine Paul has written to us as THE COMMANDMENTS OF THE LORD. Not only that, but Paul considered the things which the Lord revealed to him as being THE COMMANDMENTS OF THE LORD. That is how he could call his doctrinal instruction THE COMMANDMENTS OF THE LORD. GH: Paul gave COMMANDMENTS separate from the law. The COMMANDMENTS in time past we're not under the law but that doesn't mean anything Paul says is merely a suggestion. (GH:?) We have COMMANDMENTS from THE LORD that come through Paul. COMMANDMENTS: Not talking about the 10 Commandments under the Mosaic law. He is talking about things God is commanding about this dispensation. Apostles is not referring to the 12 and prophets is not referring to the OT prophets.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 14:38		38 But if any man be ignorant, let him be ignorant. There were some in Corinth that no matter what Paul said, they were going to argue and fight and object and disagree. Paul says to let him be ignorant. Arguing and debating will only further divide the assembly/church and unity is gone. Folks aren't loving each other the way that they are supposed to. Paul is saying this because some people are just going to fight about it. Paul is saying let the doctrine work. Don't try and force this issue. Just love them. Don't let this be an opportunity for the adversary to divide up the church. Why MM doesn't want to engage in a running debate on certain things that we teach. Don't wait on them to change their mind, just love them back.
1 Corinthians 14:39		39 Wherefore, brethren, covet to prophesy, and forbid not to speak with tongues. Do it appropriately. Conduct yourselves as I (Paul) have instructed you. The forbid not to speak with tongues was because the misuse was so great, some wanted to not ever allow the gift, even in its proper role. That is why Paul says to do things “in order.” In other words, exercise your gift in the appropriate manner. People could get so disenchanted with the gift that they would say let's just not do it at all. But there was a proper place for it.
1 Corinthians 14:40		40 Let all things be done decently and in order. There's a right way to do these things so do them the right way. MM tying the OFFICE of Ruling to this verse. Context is found in the operation of spiritual gifts. Paul did not want those gifts to decline into the uncontrolled use of gifts, which, because of all the confusion, disorder and chaos, ended up benefiting no one. Take notice of something that is lacking orderliness and make sure it is done in an orderly manner. GH: Office of Ruling. LET ALL THINGS BE DONE DECENTLY AND IN ORDER: GH: MM tying to local church orderliness - HELPS, GOVERNMENTS-1 Corinthians 12:28 and RULING, WITH DILIGENCE-Romans 12:8. DECENTLY: OED: Suitable, appropriate, and proper to the circumstances or special requirements of the case; fitting ORDER: OED: To arrange so as to avoid confusion 3) to put in order or readliness (for a purpose)

How should we prepare our bodies so that when the Lord returns, He can find them and restore them??' in the Q&A section of the Commentary.** Paul uses the subject of the Resurrection of Christ to illustrate his corrective doctrine. The Corinthians were keeping company with people who had worldly life styles and were probably not saved and who rejected the resurrection, and their ideas were beginning to gain traction with some in the church. They were intellectually opposed to Paul's doctrine and probably unbelievers with worldly philosophies of life. This is having an impact on the people in the Corinthian church. They're hearing it, their watching their lifestyles, and they're keeping company with them (forming very intimate relationships with these people, which gives them inroads into influencing the Corinthians). They have been casting doubt on the Resurrection of Jesus Christ and it is having an effect on the church. Paul uses this as an example of a number of things that they are being influenced on but this one is critically important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:1-59	Doctrine : Doctrine of the Resurrection/ Doctrine : Corrective : ungodly labor concerning "good manners"	The entire chapter of 1 Corinthians 15 is one form of doctrine. This form of doctrine concerns correcting the Corinthians' ungodly living as it pertains to the doctrine of the resurrection. So, Paul starts out with a list of eyewitnesses to the resurrection of Christ. Why? Because if Christ was not raised from the dead, there is no hope of resurrection for anyone, ever. MM says the doctrine of the resurrection affects your daily life because if there is no resurrection of the dead, if there is no life after death, then what would that do to the way you lived your life? Think about it; no judgment, no heaven, no hell and no accountability - no eternal life. If a guy believes this, he would live however he wanted and Paul knows this. This is not just about the doctrine of the resurrection of the dead, it was affecting how they were living. Is their ungodly labor with regard to holding on to sound doctrine, as they were being influenced away from the gospel and its primary doctrines. They have been moved away from GOOD MANNERS and the SOUND DOCTRINE connected with the gospel. These primary doctrines include the doctrine of the resurrection. 1 Corinthians 15: Longest chapter Paul ever wrote. About 5 FORs. Romans 8 has 3x as many FORs - things getting explained to you - here's the reason, here's the purpose. The great chapter on the resurrection.
1 Corinthians 15:1-11		Reproof: MM says pretty straightforward, not a lot of guesswork.
1 Corinthians 15:1-4	Gospel of God	1 Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; 2 By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. 3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; 4 And that he was buried, and that he rose again the third day according to the scriptures Understand that Paul is being very dispensational here. v1: GOSPEL: Gospel of God. v2: The resurrection was not the mystery. Mary or Martha talked about it in Lazarus story. Paul notes prior references. Does not mean that Paul preached the same gospel of the O.T. prophets. O.T. prophets never presented the resurrection as good news. Didn't know about the Resurrection of Jesus Christ. Only know about the Cross after the fact because the adversary couldn't know all the details. If he had foreseen them, he would have known better than to crucify the Lord (1 Corinthians 2:8). v3: FOR I DELIVERED UNTO YOU FIRST OF THAT WHICH I ALSO RECEIVED: Paul didn't dream this up.

1 Corinthians 15:1-4	Gospel of God	1 Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; 2 By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. 3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; 4 And that he was buried, and that he rose again the third day according to the scriptures Our gospel - the gospel of the grace of God or the gospel of Christ. All center on the finished work of Jesus Christ in His DBR. PART 1. Christ died for our sins - CHRIST DIED FOR OUR SINS, ACCORDING TO THE SCRIPTURES-v3 PART 2. 1 Corinthians 15:1-4	Gospel of God	1 Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; 2 By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. 3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; 4 And that he was buried, and that he rose again the third day according to the scriptures Paul's gospel is that Jesus' death, burial and resurrection provided for the complete satisfaction of God's justice against us. Belief in that message is the power of God unto salvation. Paul spells out the gospel for us and what saves us. Gospel for us is believing that Jesus paid for our sins in His DBR.
1 Corinthians 15:1-4	Non-MBI	LF: v1: BRETHREN: Christian believers in Pagan Corith who know nothing about Israel's God or the word of God or morality. The heart of pagan worship was sex. Had to be God working a miracle. PR: The Gospel is Christ died (negative) for your sins (negative) and was buried (negative). On the third day, He rose again (positive). The Gospel is 75% negative. RM: Theological Definition of the Gospel (Good News): 1) Death 2) Burial 3) Resurrection PL: v1: THE GOSPEL: Implies there is more than 1 gospel. LF: v2: How we are saved. PL: v4: RESURRECTION: Is a significant piece of the gospel of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:1	Gospel of God	1 Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; MM says there are other things every now and then that get included in when he says GOSPEL, but these 3 things are front and center. Every once and a while, other things get talked about but they're just not a major as these 3. EX The Burial. These are the 3 that you can't separate from the GOSPEL. The Corinthians believed and got saved by Paul's GOSPEL. The Corinthians had believed Paul's gospel and therefore, they were justified by faith in Christ. Because the gospel is not something that you do, it is something that Christ did or has already done. THE GOSPEL: The word GOSPEL means 'good news'. Paul is talking about the GOSPEL OF CHRIST or the GOSPEL OF THE GRACE OF GOD. When you see this term GOSPEL in Paul's epistles, think 3 things/aspects: 1. The Deity of Christ - a very important component that Paul automatically assumes 2. The vicarious, substitutionary death of Jesus Christ - He took our place; intrinsically built into the gospel 3. The Resurrection of Jesus YE HAVE RECEIVED, AND WHEREIN YE STAND: The issue of their JUEL is settled in v1.
1 Corinthians 15:2	Gospel of God	2 By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. BY WHICH ALSO YE ARE SAVED: MM says looks like a condition but it's not. He is not repeating YE HAVE RECEIVED, AND WHEREIN YE STAND-v1. v1 about JUEL, v2 is not. Salvation here is from the influence of these EVIL COMMUNICATIONS-v33. Salvation from what is going on with the Corinthians to move them away from the Truth. YE ARE SAVED: Justification (past tense of our salvation). SAVED: The salvation here is not believing the gospel, is not talking about salvation from the penalty of sin, saving them from hell.. That's not what he's talking about. That's in v1. Being saved from the EVIL COMMUNICATIONS-v33 that is causing them to doubt things like the Resurrection. They are already saved in v1, he is not repeating that. The 3 aspects of the GOSPEL-v1 are the very things you need to refute to pull down the gospel. If you get the things/aspects that are inherent in the GOSPEL-v1 right, then you'll see what's wrong with what you are hearing. This is talking about their being saved from the false doctrines if they continue in the truth of the gospel which Paul taught them.
1 Corinthians 15:3-8		Some of the Corinthians were taken in by the false doctrine that there is no resurrection. If there is no resurrection, there is no life after death. Paul lays the groundwork for his argument by establishing the resurrection of Christ.
1 Corinthians 15:3	Gospel of God	3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; FOR I DELIVERED UNTO YOU: When Paul was originally with them in Corinth, he preached the gospel to them and they believed and were saved. IF YE KEEP IN MEMORY WHAT I PREACHED UNTO YOU: MM says it is like Paul is telling them you better remember what I said because if you don't remember what I said, you're not going to be saved. Obviously not, too many other verses contradict that. I ALSO RECEIVED: From the Lord Jesus. MM says that would be a pretty reliable source.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:4	Gospel of God / GH: Resurrection verse	4 And that he was buried, and that he rose again the third day according to the scriptures MM says he has a lot of material in his library on the evidence that the Resurrection of Jesus is a true event and can be believed reasonably. None of us were back there to be an eye witness ourself, but we are looking at others who were eyewitnesses. People say, well, you know, you can't count that stuff in the Bible because it put its own agenda out there. But the good news is there were other things being written by those who were not writing the Bible, and some of them, not even believers who were talking about the testimony of those who had claimed to have seen the Lord. That's outside of scripture. So that is strong evidence. Also, if they buried Him. that's a pretty good indicator that He was dead, that He did die. Important because there's a whole group that says He swooned on the Cross and revived in the coolness of the tomb. He didn't really die. Remember, the Roman soldiers are coming by, the Sabbath is coming, and they're breaking the legs of those that are on the Crosses because they got to have them down at a certain time.
1 Corinthians 15:4	Gospel of God / GH: Resurrection verse	4 And that he was buried, and that he rose again the third day according to the scriptures If you break their legs, they can't push up anymore in order to get that breath and they're just going to asphyxiate on the Cross. But when they come to Jesus, they discovered that He was already dead. So they didn't break His legs, which was a fulfillment of prophecy. They were pretty good at this crucifixion thing. Not absolute proof He died but it's better that He did than He didn't. Our faith is not based on nothing, it is not based on wishful thinking, or cleverly devised fables. The death, burial and resurrection of Jesus was confirmed by many witnesses, and not just those given in the Bible, but sources outside the Bible also attest to those who have witness of these things. MM says everything that is happening to Jesus in His Life leading up to and including the Cross, when guys write about that, that is His Humiliation. How He was perceived and treated by His enemies. That is followed by His Exaltation. It turns from Humiliation to Exaltation at His Burial. His is buried in a tomb.
1 Corinthians 15:4	Gospel of God / GH: Resurrection verse	4 And that he was buried, and that he rose again the third day according to the scriptures Historically, when they pulled bodies off the crosses, they went to the burn pile in the valley of Henna. They didn't get graces, they got burned with the garbage. Jesus gets a rich man's tomb. And the scripture says He was identified with the rich in His Burial. That's where at His Burial is when His Humiliation first now makes His first turn. And from their on out, now it's going to really ramp up. What do you get after His Resurrection? ALL POWER IS GIVEN UNTO ME IN HEAVEN AND IN EARTH-Matthew 28:18. He is SEATED AT THE RIGHT HAND OF THE FATHER, FAR ABOVE ALL PRINCIPALITY AND POWER AND MIGHT AND DOMINION-Ephesians 1:20-21. BURIED: MM says a pretty good indication He died. Wouldn't allowed Him to be buried if we wasn't dead. HE ROSE AGAIN ON THE THIRD DAY: MM references a two-volume set by Gary Habermas on the evidence of the Resurrection.
1 Corinthians 15:5-7		Paul is giving a list of those who were eyewitnesses of the risen Christ. He says that Christ was seen after his resurrection by Peter, then by the twelve, then by over 500 brethren at once, then again by James, and then all of the apostles. Paul has one more witness to add to the list; himself-v8.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:5		5 And that he was seen of Cephas, then of the twelve: HE WAS SEEN OF CEPHAS, THEN OF THE TWELVE: Seen of Cephas (Peter), then of the 12. Paul uses 12 for 2 reasons: 1. Matthias met the requirement of seeing the resurrected Lord 2. It answers the debate - 'Should Paul have been the 12th?' Paul doesn't include himself as part of the 12. If Paul believes he is not (GH: one of the 12), we should know he is not. CEPHAS: Peter. Christ appeared after His resurrection to Peter, and then to the twelve, which would have Matthias replacing Judas. Also, this happened before James was killed, so it was “the twelve” to whom He appeared. Paul is not counted as one of the twelve, but has a distinct apostleship to the Gentiles, which is why He only comes into the picture after the extension of mercy. THE TWELVE: By the time the Resurrection takes place, Judas has already hanged himself and he was replaced with Mathias. Before James is put to death. GH: And before Paul for those who try and mistakenly make him the 12th.
1 Corinthians 15:6		6 After that, he was seen of above five hundred brethren at once; of whom the greater part remain unto this present, but some are fallen asleep. Paul listing the eye witnesses to Jesus Resurrection when He came out of the tomb. During the 40 days - less Paul. Important because 500 people saw the risen Lord and most were still alive when Paul writes this. Paul is the only one who records this appearance of the Lord to so many at one time, but he does so when most of them were still alive and could attest to the truth of his report. ABOVE FIVE HUNDRED BRETHREN:
1 Corinthians 15:7		7 After that, he was seen of James; then of all the apostles. OF JAMES, THEN OF ALL THE APOSTLES: THE APOSTLES: The twelve that “companied with Jesus during His earthly ministry” and witnessed Him after His resurrection. This “companied with Jesus” was a necessary requirement for being an apostle in God’s program with Israel.
1 Corinthians 15:8-11		MM thought for years this was Paul comparing himself to the 12. Now, he doesn't think he is comparing himself to the 12, he is comparing himself to the other apostles under the DOGG.
1 Corinthians 15:8-10		If there is anything godly that takes place, anything pleasing to God, then it isn’t us, it is God working in us. Paul understood that even the work that got accomplished in his ministry was not the result of his efforts, (even though he labored more than they all), but it was accomplished by the grace of God through him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:8		8 And last of all he was seen of me also, as of one born out of due time. Paul saw Christ after His ascension, at a time separate from all the others who saw the risen Lord. This is fitting as Paul is a separate apostle with a separate ministry. Paul had seen the risen Lord with His own eyes on the road to Damascus. Having seen the risen Lord was something that could only be required AFTER the resurrection. AND LAST: Paul is the last one to see the resurrected Lord. AS ONE BORN OUT OF DUE TIME: Due time would be 9 months. Paul says he is part of Israel who will not get all the things that accompany their salvation until before the start of the Kingdom/Millenium. Paul is saying, when God saved me, I got it early, like a pre-mature baby who got born early. In this dispensation, we never wait for all those things that accompany our salvation that are given to us the moment we believe IN Jesus Christ. It's like we get this big box marked 'salvation', open up the package, and go 'Wow!!! look at all this stuff!!!' If you're Israel, you open up the box and it has a note saying 'you'll get it, but later'. Paul is saying, 'I got my present early'.
1 Corinthians 15:8		8 And last of all he was seen of me also, as of one born out of due time. BORN OUT OF DUE TIME: Not talking about Paul not seeing Jesus immediately upon His resurrection. When a baby is “born out of due time” it means it was born prematurely. She didn't make it to the due date. It describes an infant that is weak and not fully developed or matured. May need extra care initially. Paul is talking about himself. Unlike the other apostles who were made to be apostles after years of faithful service and learning, day in and day out walking with Him and talking with Him. When they were made apostles, they had spent time with him. They had learned, they had watched, they had listened. Paul is made an apostle immediately upon his faith in Christ. He is an absolute “babe” in Christ for all intents and purposes, when Christ calls him to be the apostle to the Gentiles. He knew nothing about the mystery when he is called. v8 is admission of his lack of resume. Paul is saying, when I saw Him and He made me an apostle, I didn't have a track record of walking with Him and learning and listening, but it was just the opposite. He is kind of admitting that lack of pedigree.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:9		9 For I am the least of the apostles, that am not meet to be called an apostle, because I persecuted the church of God. Paul saw himself as the chiefest of sinners. Every time Paul gives his testimony of his conversion to Christ, he mentions the persecutions he inflicted on the members of the Lord's little flock. GH: Acts 8:1, Acts 22:4-5, Acts 26:9-11, 1 Corinthians 15:9, Galatians 1:13 I AM THE LEAST OF THE APOSTLES...NOT MEET TO BE CALLED AN APOSTLE: Ungodly thinking has been corrected in Paul. This is not a pretend humility. Paul wasn't just lost and saved. He was actually involved in putting those people to death, hunting them down, capturing them, bringing them back to Jerusalem, putting them on trial, and some of them being executed. He looks at that and says I'm not worthy to be an apostle. The guys that are with me, they didn't do that. LEAST OF THE APOSTLES: Paul was not the only apostle in the DOGG. Paul writes this letter around 54-56 A.D. and the spiritual gifts have been in operation almost 20 years. There are other apostles out there. Every church had the gift of an apostle (GH: when the spiritual gifts were in operation). On top of not having walked with the Lord or spent time learning and developing spiritually, Paul considers himself the LEAST OF THE APOSTLES because he persecuted the Believing Remnant. APOSTLE: Most people read this and immediately default back to the 12 that were with Jesus. MM believes Paul is referring to the N.T. apostles, not the 12. MEET: Deserving/Worthy.
1 Corinthians 15:9		9 For I am the least of the apostles, that am not meet to be called an apostle, because I persecuted the church of God. BECAUSE I PERSECUTED THE CHURCH OF GOD: Paul's background is that he violently opposed Jesus and persecuted His followers. After Paul was saved on the road to Damascus, as a complete novice, he was called to be an apostle and the primary spokesman for the Mystery Program. While that may not make sense at first glance, it actually makes perfect sense. It must have been done this way. Because no one else had any prior education in the Mystery. After the stoning of Stephen, every saved person on the planet was disqualified to be God's spokesman for the Mystery as they were all part of the believing remnant of Israel and educated to function in the prophetic program. He committed the unpardonable sin and as far as Israel's program, Paul is out of luck. That means the person with whom God would do this work must be someone who has not already believed/wasn't saved. When God interrupted the prophetic program to usher in the Mystery in the dispensation of grace, no one had those credentials. Therefore, God must take an unsaved person, who is not part of the believing remnant, so that by saving him, He can jumpstart the body of Christ with that person. Then God would call him to be an apostle (separate from those assigned to Israel) who is sent to the Gentiles, (a people who were never directly dealt with by God in the prophetic program), and educate him in His manifold wisdom, and then send him out across the world to carry a message to Israel (that their program was on hold) and to Gentiles (that God is now offering them salvation apart from Israel.) THE CHURCH OF GOD: The church of the believing remnant.

1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. But, lest his status of novice or his background as a persecutor be used to discount his apostleship, Paul gives a defense. BY THE GRACE OF GOD I AM WHAT I AM: The only reason Paul is an apostle is by the grace of God. The essential ingredient is not Paul, but God and God's grace in Paul. I AM WHAT I AM: I'm an apostle. HIS GRACE WHICH WAS BESTOWED UPON ME WAS NOT IN VAIN; BUT I LABOURED MORE ABUNDANTLY THAN THEY ALL: Paul is not bragging on himself, finish the verse. HIS GRACE WHICH WAS BESTOWED ON ME: Talking about: * being appointed an apostle * the Lord revealing the mystery program him
1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. * all the things Paul was called to endure * Paul was given to write inspired scripture - 13 Books carried Paul's name - how many other apostles did that? This is the more abundant labor. * Paul is also the one that traveled the world and established churches and you needed those churches for the spiritual gifts to become an operation. * because his sufferings were an example to the whole body of Christ, they were more than anyone we know. Some affected him for the rest of his life but he didn't balk from those because he knows that he was called to those. ' GH: MM talks about some of these above as the abundant labor.

1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. I LABOURED MORE ABUNDANTLY THAN THEY ALL: YET NOT I, BUT THE GRACE OF GOD WHICH AS WITH ME: I LABOURED MORE ABUNDANTLY THAN THEY ALL: Paul is not comparing himself to the twelve, but to the apostles in the DOGG. Even then, Paul is not bragging on himself that he outworked them. Paul's labor was in connection with THE GRACE OF GOD WHICH WAS WITH ME (him). The ways he LABOURED MORE ABUNDANTLY is the ways Acts 9:13-16 talks about. No one else was told that this was their calling; to do these specific things. He is not saying this is a contest between him and the 12, he is saying because of the grace in making him an apostle calling him to be the apostle to the Gentiles and using him as an ensample to the whole body of Christ, here's what he's saying. Because of what God expected me when He called me, I have LABOURED MORE ABUNDANTLY THAN all the other grace age apostles. Every one of the 12 walked faithfully and died for their faith. Not a contest of who outworked who. MM thinks Paul's call to apostleship involved things that no other apostle was called to do and had responsibilities that God expected of him that He did not place on the others. Not saying the other guys didn't give their lives for the faith or they weren't faithful. But when God called Paul, He was expecting some things from him that was above that which He was expecting from others. This is what the more abundant labor is about.
1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. LABOURED MORE ABUNDANTLY: Ways Paul labored more abundantly: * by the measure of truth revealed to him: more truth was revealed to Paul than any of the other apostles in the DOGG. And rightfully so, as Paul was the primary spokesman for the Mystery, because their gift of apostleship was "in part." Paul's knowledge was more complete, and it was his epistles which formed the more excellent way of the written word of God. The gifts were done away with when that which was perfect was come. * Paul labored more in that he was the one traveling across the world and establishing churches. Only after Paul established the churches, did the gifts come into function for the members of each church. When Paul says that he labored more than they all, he is talking in reference to his calling and the things which God performed in him.

1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. YET NOT I, BUT THE GRACE OF GOD WHICH WAS WITH ME: Paul realizes that if he has accomplished anything worthwhile, if he has done anything eternal, if it's been godly, it hasn't been him, it's been Him. It's been the grace of God in him. It's a partnership - God is not doing it apart from people. MM can present the gospel but the real spiritual work is between them and God. You have a great part but it is God that worketh in you. It's not to compare what he did with what everybody else was doing because he say YEY NOT I. This is not a performance contest with other apostles about who worked the hardest, but it was about this: Paul considered himself the least deserving, of the grace age apostles, to be called an apostle because he persecuted the believers in Jesus. Even so, God called him to do things (there is the labor) which the other grace age (if you will let me say it that way) apostles were not called to do (there is the “more than they all”). Paul constantly comes back to the fact that it is not him, but the grace of God in him, enabling him to accomplish the more abundant labors which God called him to perform. The more Paul did, the more God’s grace accomplished, so in the end, it was not about Paul, but about the grace of God. Paul understood that a lot was given to him so a lot was required of him so he wanted to be faithful to that calling. MM says Paul constantly does this type of thing where he makes us understand, this is not him in his flesh, this is him actually now responding to circumstances by the doctrine.
1 Corinthians 15:10		10 But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of God which was with me. GRACE: Paul is talking about being appointed as an Apostle, as the primary spokesman for the mystery of Christ, as the only writer of inspired scripture for the dispensation of grace, as the one who was told that God would send him before Gentiles, kings, and Israel.
1 Corinthians 15:11		11 Therefore whether it were I or they, so we preach, and so ye believed. Paul says it doesn’t make any difference if you heard me preach the gospel, or you heard one of the other grace age apostles preach the gospel, we preach the same gospel, AND SO YE BELIEVED. The 12 weren't preaching the same gospel.
1 Corinthians 15:12-33		Correction Correction - Paul sets forth the duality principle (first and last) of this over and over. EX v21, v22, v45, v47, v48, v49. By man came death, by man came resurrection. In Adam all die, in Christ all are made alive. Then, there is an earthy body, and a heavenly body. Paul’s defense of both the resurrection of Jesus Christ, and the resurrection of the dead. Paul ties them together. Paul has connected the two so that you cannot have one without the other. In other words, you cannot say you believe that Jesus rose from the dead, but you do not believe in the resurrection of the saints. On the other hand, you cannot believe that the dead will be raised at some future event, but Christ did not rise from the dead. Paul is saying that the resurrection of the dead is something that he is counting on. If no resurrection, there's no reason to put his life at risk. Paul is going to prove you can't believe one without the other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:12		12 Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? Paul returns to his theme of the resurrection of Christ. If you say this, you think the Resurrection is a one-time event. MM thinks there are two things at work here: 1. If all of the "twelve" testified to seeing the risen Christ, and over 500 testified to have seen him at the same time, then why are some of you denying the resurrection (and the resurrection of the dead)? 2. If I, Paul, testify to seeing the risen Christ, and the other grace age apostles preach that Christ is risen from the dead, why are some of you Corinthians now saying there is no resurrection of the dead? MM doesn't think the issue was that some were doubting that Christ rose from the dead, for these were people in the Corinthian church, and in order for them to be saved, they will have believed in Christ's death, burial and resurrection. The issue was that Christ rising from the dead was one instance of a fact which only demonstrated that there had been a resurrection and they saw no connection between Christ rising from the dead and a resurrection for all people. They were doubting there was a resurrection of the dead apart from Him. Because if you were part of the Corinthian church, you must have believed in the DBR of Jesus.
1 Corinthians 15:12		12 Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? They were parsing out the resurrection of Jesus to be something different from the resurrection of dead people. Paul's point is you can't separate those two. If you have one, you have the other. And if you don't have one, then you don't have the other. So it's an all-or-nothing kind of thing when it comes to the resurrection. Paul is going to do it both ways. He's going to say it this way, if there's no resurrection of the dead, then Christ did not rise from the dead. And then if Christ did not rise from the dead, then there's going to be no resurrection of the dead. It works both ways. Paul is hooking them together so you can't separate the two. The Corinthians were trying to make a separation between the fact of Jesus resurrection and the resurrection of all people. Some think there was a prominent false apostle in the church from Jerusalem, and he was promoting the idea that there is no resurrection of the dead because of his ties to Sadduceeism, which, as you know, rejects the idea of the resurrection. HOW SAY SOME AMONG YOU THAT THERE IS NO RESURRECTION OF THE DEAD?:
1 Corinthians 15:13-19		**Please see 'People : Jesus : DBR Timeline' in the Commentary**. Paul demonstrates the importance of the resurrection by a series of IFs. By all of these IFs, he is going to try and make his point. If Jesus did not rise from the dead, then our faith is vain and meaningless, our hope for eternity is gone, we are yet in our sins, and the world's view of us would be right; we are believing nonsense, we have been deceived and we acting irrationally. But, if Jesus did rise from the dead, then the converse is true; we are the only ones believing the truth, everyone else has been deceived, and our actions and hope, in accordance with our faith, are the only rational actions to have. Everything hinges on the resurrection.
1 Corinthians 1	GH: Prayer of Thanksgiving	By His resurrection from the dead, we have the promise of a resurrection unto eternal life. EXAMPLE: If we are going to have the promise of eternal life, He had to raise from the dead. See 1 Corinthians 15:13-18. It all hinges on the Resurrection. He was raised from the dead so that we would have eternal life. He is buried because that is proof of His Death. Then after He is raised, He was seen by all these people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:13-14		Everyone’s resurrection is dependent upon Christ being the first to be resurrected from the dead in a glorified body. If there is no such thing as a resurrection of the dead, then it would be because Christ did not rise from the dead.
1 Corinthians 15:13		13 But if there be no resurrection of the dead, then is Christ not risen: IF THERE BE NO RESURRECTION OF THE DEAD, THEN IS CHRIST NOT RISEN: MM says this goes both ways. IF THERE BE NO RESURRECTION
1 Corinthians 15:14		14 And if Christ be not risen, then is our preaching vain, and your faith is also vain. The Resurrection is the basis for all gospels (Kingdom, God, Christ). If He didn't raise from the dead, nobody's gospel is true. Gives the implications of Christ not rising from the dead, that none of what we believe or preach is true. This is why we say that the resurrection is a vital component of the gospel for if Christ is not risen, then we have believed the gospel in vain. The atheists would then be right, and this life would be all there is. IF CHRIST BE NOT RISEN, THEN OUR PREACHING VAIN, AND YOUR FAITH IS ALSO VAIN: This is true but it also implies that our hope in eternity is gone. If Jesus didn't rise from the dead, we're still in our sins and the world would've been right about its evaluation of us. IF CHRIST BE NOT RISEN: VAIN: Empty, useless, worthless. It means nothing.
1 Corinthians 15:15		15 Yea, and we are found false witnesses of God; because we have testified of God that he raised up Christ: whom he raised not up, if so be that the dead rise not. IF SO BE THAT THE DEAD RISE NOT:
1 Corinthians 15:16	Doctrine: Resurrection of the Dead	16 For if the dead rise not, then is not Christ raised: If there's no resurrection of the dead, then Christ couldn't be raised. The only reason our promise of resurrection is sure is because the Resurrection was sure. They were saying they were saved but there was no Resurrection and Paul says I got news for you, if there's no Resurrection you are still in your sins. MM says Paul is saying there is something much more waiting after this life. We would be the MOST MISERABLE-1 Corinthians 15:19 if that was all there is but that's not all there is. IF THE DEAD RISE NOT:
1 Corinthians 15:17		17 And if Christ be not raised, your faith is vain; ye are yet in your sins. IF CHRIST BE NOT RAISED...YE ARE YET IN YOUR SINS: This is the seriousness of how much the resurrection means. If Christ doesn't rise from the dead, you are not forgiven according to this verse.
1 Corinthians 15:18		18 Then they also which are fallen asleep in Christ are perished. Everybody that died before, if He didn't rise from the dead, they're still in their sins too. If Christ was not raised from the dead we are not forgiven, we are still in our sins. Not only us, but everyone who has come before us are “perished;” they are not forgiven, and they do not have eternal life either.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:19		19 If in this life only we have hope in Christ, we are of all men most miserable. The most important life for a believer in Jesus is not this life, but the one to come. This one is temporal, that one is eternal. MM says this is where we have trouble with some doctrines. We get to thinking that in this life is all there is. We know it's not, but sometimes the way we react to things, we act like this life is the only life we have and it's all over when this life is over. But really, the best is yet to come by far. IF IN THIS LIFE WE HAVE HOPE IN CHRIST: Paul is not saying the Christian life is so inferior to the worldly life that if this life is all there is, they have the better life. That's not what this is saying and it+E7451s qualified in an upcoming verse. There's a reason Paul says this and there's something specific he is referring to. He's not talking about the fact that if you're a Christian and you're just living for Christ but there's no afterlife, there's no resurrection, there's none of that, that you got the short-end of the stick because these people are better than you. MM doesn't believe it means this. WE ARE OF ALL MEN MOST MISERABLE: Paul is getting beat to pieces for nothing if there is no resurrection. He is saying WE STAND IN JEOPARDY EVERY HOUR-1 Corinthians 15:30. If we are being whipped, beaten with rods, being scourged, treated as the offscouring of all things and the filth of this world, put in prison, if we are doing all of that and there's no resurrection, why in the world are we doing it?
1 Corinthians 15:20		20 But now is Christ risen from the dead, and become the firstfruits of them that slept. FIRSTFRUITS: Plural. That tells us that Christ did not come up by Himself. Firstfruits make us think of the Jewish feast day, and also makes us think of the actual first part of the crop/harvest which was grown in the field. The first part of a harvest that was harvested early is called firstfruits. Usually, the firstfruits were superior to the rest of the crop, being ripe the earliest, therefore stronger and more vigorous. The firstfruits are a picture of the excellency of Christ’s human nature and Him being the first to be resurrected from the dead in a glorified body. The firstfruits were gathered the day after the Sabbath. When the firstfruits came in, they would take a sheath and the high priest would wave that before the Lord as a way of offering up the firstfruits to the Lord. And when they offered firstfruits to the Lord, it sanctified all of the rest of the harvest. It dedicated all the rest of the harvest to the Lord. So here is Jesus being the Firstfruits, and in a way, He is sanctifying all the rest of the resurrections that are going to happen here to the Lord. Because Paul has linked the resurrection of Jesus with the resurrection of the dead, then Jesus would be a pledge for a harvest to follow.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:20		20 But now is Christ risen from the dead, and become the firstfruits of them that slept. FIRSTFRUITS (cont'd): * The firstfruits were the first to be harvested and so they are a shadow of Christ, the first to be raised from the grave to immortality. * The firstfuits were gathered “the morrow after the Sabbath,” which is exactly how the resurrection of Jesus took place, the day after the Sabbath. * Just as a sheaf of the firstfruits was lifted up to the Lord. The high priest would wave the sheaf so that it might be accepted by the Lord. As the firstfruits from the dead, Christ was presented to God and His sacrifice was accepted by God. * The firstfruits sanctified the whole crop. In the same way, Christ’s resurrection makes it possible for us to be raised. * The firstfruits were a pledge that the harvest will/yet to follow. The same way Christ is the pledge that a resurrection harvest will follow.
1 Corinthians 15:21-22	In Adam Identity - Consequences: Death / IN Christ Identity - Consequences: Life	21 For since by man came death, by man came also the resurrection of the dead. 22 For as in Adam all die, even so in Christ shall all be made alive. Paul is dealing with the doctrine of the resurrection from the dead. v22: IN ADAM ALL DIE: One of the consequences of being in Adam. Physical death is one of those consequences. v22: IN CHRIST: Set forth the truth that when we trusted Jesus Christ as our all-sufficient Savior, we were placed “IN Christ.” We were made to be “IN Christ” by an action of the Spirit. v21: IN ADAM IDENTITY (OLD-desperate condition-very best among us deserved death): Consequences: Death (1 Corinthians 15:21) v22: IN CHRIST IDENTITY MERCIES (NEW - glorious nature of who we have been made to be-mercies are the things received as a free gift of grace when saved/put into Christ/the instant/moment you trusted Christ, got them when you didn't even know you had them - don't have to pray for them and He will never take them away from you-nothing will reverse them - cannot be undone by anything I do - status can't be undone - talk to our Father on all of these - can live our whole lives without knowing them but it doesn't change the fact we have them, just that they never have a chance to effectually work IN us to produce anything): Consequences: Life (1 Corinthians 15:22)
1 Corinthians 15:21	In Adam Identity - Consequences: Death / IN Christ Identity - Consequences: Life	21 For since by man came death, by man came also the resurrection of the dead. FOR SINCE BY MAN CAME DEATH: The man by which death came was Adam. BY MAN CAME DEATH (Adam), BE MAN CAME ALSO THE RESURRECTION (Christ): See the duality. BY MAN CAME ALSO THE RESURRECTION OF THE DEAD: The Man by which came the resurrection of the dead was Jesus.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:22	In Adam Identity - Consequences: Death / IN Christ Identity - Consequences: Life	22 For as in Adam all die, even so in Christ shall all be made alive. Some have used this verse to teach universal salvation, that ultimately everybody is going to be saved, but this is not talking about everyone being saved, but everyone being resurrected; some to everlasting life and others to everlasting condemnation. FOR AS IN ADAM ALL DIE: MM thinks that really means ALL. IN ADAM ALL DIE, EVEN SO IN CHRIST SHALL ALL BE MADE ALIVE: See the duality. EVEN SO IN CHRIST SHALL ALL BE MADE ALIVE: If He is talking about resurrection and MM thinks he is, everyone is going to be resurrected to stand/be judged. Doesn't matter if they want to be or not, it's still going to happen. Combining this resurrection of sinners with the resurrection of the righteous, v22 tells the truth; everyone will be “made alive” or resurrected.
1 Corinthians 15:23-28		Context: Paul giving them instructions on how to deal with Satan's POE against them. At it's highest end, that policy will cause some of them to be put to death - fully educated son attack. Why he mentions death in this passage - the SoC can result in that. Don't panic, doesn't happen to a SIMPLE SON.
1 Corinthians 15:23		23 But every man in his own order: Christ the firstfruits; afterward they that are Christ's at his coming. AFTERWARD THEY THAT ARE CHRIST'S AT HIS COMING:
1 Corinthians 15:24-26		Christ is on the earth during the kingdom, sitting on the throne of David and ruling over the whole earth. We will be in the heavenly places during the millennium. Then, after Christ has put down all enemies, including those at the last great battle, He will deliver the earthly kingdom to the Father, or turn the kingdom over to His Father. Death and hell will be cast into the Lake of Fire.
1 Corinthians 15:24	GH: Eternal Glory	24 Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power. When all the enemies are destroyed, Jesus will deliver up the Kingdom to the Father. He will then go to the heavenly places to rule with us (Ephesians). During the Kingdom/Restitution of all things, Jesus is reigning on the earth. But at the end of that, He'll deliver up the Kingdom to the Father, He'll ascend into the heavenly places and we will be seated with Him in the heavenly places in the dispensation of the fulness of times. WHEN HE SHALL HAVE PUT DOWN ALL RULE AND ALL AUTHORITY AND POWER: This is referring to governments. He is putting them down because He is going to establish a government of righteousness and that government will be the means by which God is accomplishing His Business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:25		25 For he must reign, till he hath put all enemies under his feet. Not just Satan, Antichrist, it's also going to be the plan of evil. Why does Jesus reign for 1,000 years and then there's another rebellion at the end? Why doesn't God solve that when you go into the Kingdom and good from then on? The Kingdom will expose and eliminate God's enemies. It's the same wedge principle - He rules with a rod of iron - think scary, strict punishment. Wedge concept - will cut through the masses and put them on one side or another - people are either going to respond to that rod of iron saying we are going to be over here with the believing remnant and we are going to respond positively and properly to this righteous rule. But there is going to be other people that wind up on the other side of the wedge that are saying we hate this. Rule will make everybody expose which side they are on. The wrong side of the wedge will be destroyed.
1 Corinthians 15:26		26 The last enemy that shall be destroyed is death. You won't need armor in eternity, the battles are over. The last enemy will have already been destroyed. This is going to happen after the millennial reign, after the last great battle and after the GWT judgment. The PoE will have been dismantled and all enemies will have been judged. The point is, there will be no further need for armor. DEATH: Part of the arsenal that Satan is using to make people back off their Sonship and walk away. That is an enemy that is going to be destroyed too.
1 Corinthians 15:27		27 For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him. HE: The first HE is God the Father. HIS FEET: The Son's Feet. IT IS MANIFEST THAT HE IS EXCEPTED: HE is God the Father. ALL THINGS ARE PUT UNDER HIM: Means everything except God the Father. There may be a few reasons for Paul saying this: 1) To avoid misconstruing the phrase to include the Father. He obviously doesn't mean the Father is put under the Son. Making sure no one misunderstands this. 2) To prevent the supposition that the Son is superior to the Father. This is not right either. MM thinks this clarifies this misunderstanding. 3) To emphasize the point that everything in the entire universe, except God, was made subject to the Son. To show to what extent things are put under Him. MM paraphrasing, if you are not God the Father, you get put under Him (God the Son). That's how complete this is. There's nothing outside of God the Father that isn't going to be underneath the Son. Showing you the completeness of this. UNDER HIM: Under the Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:28	Eternal Glory / GH: Sonship	28 And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all. Once Christ has subdued all things, then the Son will (continue to) submit to the Father so that God may be all in all. This has always been the Son's role in the Godhead. Doesn't mean the Son is inferior, it just means He has a role in the Godhead and there's no jealousy or contempt there. Everybody plays the role that they're supposed to have exactly the way it is supposed to be done. ALL THINGS: Everything in heaven and everything in earth (Ephesians 1:10) - make them one. THEN SHALL THE SON ALSO HIMSELF BE SUBJECT UNTO HIM: MM using 'relinguish' that he reserves the right to tweak later. Father-Son relationship. This is so God can be all in all. In the dispensation of the fulness of times, it is almost as though you are going to trade in your Sonship relationship for something more intimate, so intimate with your Father that Sonship won't cover it. At the beginning of the dispensation of the fullness of times, the Lord Jesus Himself, will subject Himself unto His Father, that God may be all in all. At that time, God will take the heavens and the earth, and join them together, and we're going to enter into a further relationship with our Father.
1 Corinthians 15:28	Eternal Glory / GH: Sonship	28 And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all. THAT GOD MAY BE ALL IN ALL: What the Son is doing (GH: In response to the Father carrying out His eternal purpose.) Involves Him giving us some things and doing with us some things and working in way that He held off on doing until this time, that, to put it this way, the term Sonship is inadequate to describe. There comes a point, in every son's life at which a son relinquishes his Sonship. And, as we just read, that even happens with Jesus Christ. GOD MAY BE ALL IN ALL: Everything will be subject to God that He may be "all in all." Meaning: God, will be all things to all His saints (this includes the perfect happiness in soul and body of the saints, the full communication of God's divine favor upon us.) We do not yet fully realize God as our "all in all," but one day in eternity, we will. The Godhead which has supreme authority and rules over all the creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:29-30		The standard way these verses have been looked at is to present the idea that some people at Corinth were being baptized for those who had already died - think LDS (Latter Day Saints)/Mormon doctrine. The practice was believed that if someone, who was a Mormon, died without receiving baptism during their lifetime, then a living Mormon could be baptized for them. And since LDS doctrine says that baptism is essential for salvation, those who die without being baptized still have an opportunity to accept the gospel and receive its blessings through this proxy baptism. This is why Mormons are so concerned with tracing back their family members, so they can be baptized for them. This is why they are the biggest drivers behind genealogies. The baptism must take place in an LDS temple, which is considered a sacred place where ordinances are performed. The proxy baptism must also be in an LDS temple. This doctrine was not invented by the Mormons, but is a heresy of Marcionism in the mid second century A.D (around 160 A.D. almost 100 years after Paul). MM says doesn't make sense in context and he doesn't think Paul is talking about water baptism here. Possible for someone to have believed this but there's no record of it. Finally, if you think this is water baptism for the dead, it makes it sound like Paul is endorsing it and MM doesn't believe that for a minute. The verse says if it is water baptism, it won't do any good-IF THE DEAD RISE NOT AT ALL-v29.
1 Corinthians 15:29		29 Else what shall they do which are baptized for the dead, if the dead rise not at all? why are they then baptized for the dead? BAPTIZED FOR THE DEAD: MM says baptism is one of these words that can be defined in different ways (water, Spirit, fire, baptized into Christ's Death) and if you always use the same meaning, GH: you won't understand the verse. Two interpretations (MM likes #2): Interpretation 1: Does not see this as water baptism, but as being baptized into Christ's death upon our faith in Him. Romans 6:3; 9 - Then v29 means 'What 'good is it/does it do' for all who have been baptized (identified with) into Christ's death, if the dead do not rise?' MM's problem is it says BAPTIZED FOR THE DEAD not BAPTIZED INTO HIS DEATH-Romans 6:3. Not denying the truth of Romans 6:3, just GH: not sure it fits here. Even though this is a true thing, it's too much of a difference. Interpretation 2: Not flawless but MM is comfortable with this one. The baptism is not a water baptism at all, but is talking about baptism in the sense that Jesus spoke of it in Matthew 20:22-23 and Luke 12:50. It was a baptism of suffering and death. Paul is saying why would we go through suffering and death for someone who hasn't risen from the dead? We'd be going through suffering and death for a dead person, for the dead. MM thinks the DEAD is referring to Jesus Christ. THE DEAD RISE NOT AT ALL: If Christ is resurrected, He is alive. But if there is no resurrection, then Jesus is not risen. If He is not risen, He is DEAD! The "dead" is referring to the supposed "unrisen" Lord.
1 Corinthians 15:30-31	Suffering = STAND WE IN JEOPARDY EVERY HOUR...I DIE DAILY	30 And why stand we in jeopardy every hour? 31 I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. MAN OF UNDERSTANDING (Proverbs 1:5) has completed the curriculum, endured the SOPT and POE, and bears the scars of battle on his body. Paul says you Corinthians are throwing a party. I am dying daily. I am in jeopardy every hour. Huge difference. Corinthians are saying we don't want that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:30		30 And why stand we in jeopardy every hour? Rhetorical question. If there is no resurrection of the dead, why risk my life constantly/every hour/everywhere he goes? We are being attacked, we are under some kind of assault every hour because of this thing that I'm preaching, because of the mystery, because of the gospel. If Jesus isn't risen, why are we doing that? Why are we risking our lives to preach this message if we will not be resurrected? Why am I putting my life on the line every hour if there is not resurrection? MM says this takes us back to WE ARE OF ALL MEN MOST MISERABLE-1 Corinthians 15:19. Paul willingly risks his life knowing that if he were to die, he will live again. And while he is not foolishly putting himself at risk, death is not a deterrent for Paul. If he didn't think there was a resurrection from the dead, he wouldn't be doing this. Paul is saying if there is no Resurrection, there's no point of putting his life at risk.
1 Corinthians 15:30		30 And why stand we in jeopardy every hour? No resurrection means: - No eternal life - No glorified body - No being with the Lord - No reunion with your loved ones - No judgment
1 Corinthians 15:30		30 And why stand we in jeopardy every hour? If no resurrection, it would just be over. We have been wrong all along about everything and this life has no purpose, no meaning to our life whatsoever. What atheists say, we are just random cells, then it dies and it is gone and it just didn't matter. There's no real morality, no sense to this life, no purpose. Dangerous. But if there is no God and is no resurrection, then they would be right. If there's no resurrection, there's no judgment (why a guy wouldn't want a resurrection). There's no sense to this life. If no resurrection, you don't have anything. Paul is absolutely convinced there's going to be a resurrection of the dead because if not, he wouldn't be doing what he is doing. If it kills him, he knows that the Lord is going to raise him back up. MM says everybody who has ever lived since Adam will get resurrected to go one place or another and they are all going to be given a body. MM says no wonder people say the very cornerstone of our faith is the resurrection of Jesus Christ. If we don't have that, we don't have anything. Why were the Sadducees so hyped up for a kingdom if there was no resurrection? Because you can't live forever in this body. If there's no resurrection, the only logical thing for Paul to do is to stop putting his life at risk. But he's not going to do that because he does believe that there is a resurrection. MM says there are atheists that say they don't want to live forever, it would be boring and torture. If you think this life is the apex of your existence, you have missed the point completely. This is as bad as it gets.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:31		31 I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. Nutshell: I emphatically avow and affirm the truth of the resurrection so that you Corinthians can rejoice in the same comfort and hope which I have, on the authority of Christ Himself. MM says to him this flows perfectly in the context with what Paul is doing. MM says this verse is unusual/tricky/difficult because of the use of the words and structure of the sentence are not how we speak today. He is using words in a definition that we do not commonly use today, and the way he is forming the sentence is not the way we usually talk. So when you see it, it looks really odd. Albert Barnes interpretation of 1 Corinthians 15:31: The meaning of the phrase, which is admitted by all to be obscure, is probably - "I protest, or solemnly declare by the glorying or exultation which I have on your account; by all my ground of glorying in you; by all the confident boasting and expectation which I have of your salvation." MM doesn't think this is correct. I PROTEST: I am affirming/asserting/declaring emphatically (the resurrection). PROTEST: Don't think about a protest like we do today, like a bunch of people with placards in front of some place. The word does mean that. Paul is emphatically declaring the truth and reality of the resurrection; something which has been cast into doubt. OED: protest 3.a. 1440 transitive. To declare or state formally or emphatically (something about which a doubt is stated or implied); to assert, avow, affirm. - Paul is protesting against the idea that there's no resurrection of the dead.
1 Corinthians 15:31		31 I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. BY YOUR REJOICING: So you can rejoice in HOPE (confident expectation or surety of the resurrection because if you get resurrected you have eternal life), So you can have this joy yourselves. Eternal life is something to rejoice in. BY: Is a little different than the way we normally use BY. For the purpose of or the reason of. Paul is saying, "I am affirming the truth of the resurrection for the reason of (by) your rejoicing." REJOICING: Their joy in the truth of the resurrection. Paul is saying, "I am affirming the truth of the resurrection so that you Corinthians can rejoice in the comfort and prospect of having a sure hope of resurrection from the dead." He is saying I rejoice in comfort and hope that there is a resurrection of the dead and it doesn't matter that my life is on the line because I'll be raised from the dead. WHICH I HAVE IN CHRIST JESUS OUR LORD: Paul is rejoicing in something with regard to the resurrection. Which Paul confidently knows to be true because it comes from Christ Jesus, our Lord. He is the One that told Paul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:31		31 I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. I DIE DAILY: Two ways to look at this statement: 1. Commentators say he is dying to his self/flesh everyday (what is happening spiritually in Paul) - that he is dead to sin/the crucified life - MM tying to Galatians 2:20. While we are indeed dead to sin and we should die to our flesh daily and we are CRUCIFIED WITH CHRIST-Galatians 2:20, MM doesn't think this is what he is talking about because this talking about the crucified life is completely off the subject. MM kind of wishes it was about this because he never wants to miss a chance to teach on the crucified life, which is at the very core of Sonship. Need to remind ourselves of what he just said in v30, where Paul is showing his own certainty in the truth of the resurrection by asking the question, "Why would I be risking my life, if there is no resurrection?" The implied answer is, he wouldn't. If there is no resurrection, then there is nothing to be gained (no benefit) by Paul putting his life at risk. No resurrection means no afterlife, no rewards, and no reunion. If there is no resurrection, the only logical thing for Paul to do is to stop doing the things which put him at risk of death. Because Paul is convinced of the truth of resurrection, the prospect of death does not deter him or frighten him into silence.
1 Corinthians 15:31		31 I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. 2. See it as Paul describing the frequency of his many sufferings, persecutions and brushes with death. Is describing his daily sufferings (which risk THE PAINS OF DEATH-Acts 2:24), the constant danger to his life, and the perils; all of which he has endured because of the certainty of the resurrection. This is talking about the same thing he was in WHY STAND WE IN JEOPARDY EVERY HOUR-v30. He is saying my life is in danger every single day. The daily suffering where Paul is experiencing/encountering the PAINS OF DEATH-Acts 2:24. It's the PAINS OF DEATH that Paul is not afraid of. Paul is saying that his confidence in the truth and certainty of the resurrection is so great, that he is willing to put his life in danger every single day without reservation; he knows he will live again. Remember, Paul is fighting the idea that was circulating in Corinth that this life was all there is, and once this over, then you are gone forever. Paul is not only giving the Corinthians something worth living for, but also worth dying for. What Paul is risking it all for, because he has assurance in the resurrection. *Prayer - 1 Corinthians 15:31: Heavenly Father, Paul affirmed the truth of the resurrection so that I can rejoice in the comfort and hope of life after death. It does comfort me to have assurance that I will be raised to life after I die. While I am here, I want to continue to grow in grace, knowing fear has no hold over me because of the promise of resurrection death has no hold over me. Though my persecutions are nothing like Paul's; my life not being in peril, the prospect does not worry me for I know I shall live again. Amen. - MM says he couldn't copy Paul's exactly because he is not in jeopardy every hour. But he wants that same grace operating in him that was operating in Paul.
1 Corinthians 15:32-33		What the chapter is about. The Corinthians have been influenced by these world philosophies and Paul is going to straighten that out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:32		32 If after the manner of men I have fought with beasts at Ephesus, what advantageth it me, if the dead rise not? let us eat and drink; for to morrow we die. Almost all of the commentaries say this is metaphorical. They say this is really talking about Acts 19 (Demetrius the silversmith passage). MM says this happens just before that. Paul is saying there is no reason for me to go through all of these different things that are happening to me if there is no resurrection of the dead. That would be pointless. People say how come this wasn't mentioned in Acts. MM says he doesn't know. He was shipwrecked 3 times and only 1 was mentioned in Acts. Read the lists in 2 Corinthians 4/6/11 and you realize there is a bunch of stuff that didn't get mentioned in Acts so that's not a valid excuse. MM thinks of the riot at Ephesus where they almost pulled Paul apart but when Paul wrote this, that hadn't happened yet. And we don't have a complete list of everything that Paul had to endure. Two schools of thought. 1. Some commentators say this verse is talking about a time when Paul was put into the Colosseum to fight with lions or other wild animals. And while such events did often take place, other than this verse, we have no further mention of any such thing as it never shows up in any of the lists of things which Paul has suffered, and Luke does not list it in the book of Acts. Those things in themselves are not proof that Paul did not actually fight with beasts. 2. On the other hand, some commentators think Paul is referring to certain men, which he is describing as “beasts” because of their evil and malicious conduct toward him. Paul is referring to/citing an event which took place at Ephesus that was considered remarkable that he escaped with his life, to demonstrate how his life was IN JEOPARDY EVERY HOUR, for the purpose of making a point about the resurrection. Paul made multiple trips to Ephesus. Before Paul writes 1 Corinthians, he has already been to Ephesus once, briefly. It is during Paul’s third apostolic journey that he returns to Ephesus for 3 ½ years. It is during that stay that Paul writes 1 Corinthians.

1 Corinthians 15:32		32 If after the manner of men I have fought with beasts at Ephesus, what advantageth it me, if the dead rise not? let us eat and drink; for to morrow we die. I HAVE FOUGHT WITH BEASTS AT EPHESUS: These opportunities did not come without opposition. GH: MM tying to THERE ARE MANY ADVERSARIES-1 Corinthians 16:9. MM thought about the riot at Ephesus where they about pulled Paul apart. Now, thinks at some point, he was cast into the coliseum at Ephesus. Whether it was evil beasts or evil men, it doesn't matter. What would the point be of fighting WITH BEASTS AT EPHESUS and putting his life in danger if THE DEAD RISE NOT. FOUGHT WITH BEASTS AT EPHESUS: There's an argument among the scholars - does this mean Paul was thrown into the Coliseum at Ephesus to face those wild BEASTS? Or is he describing some evil men at Ephesus? BEASTS: Probably talking about EVIL MEN. Could be actual BEASTS. Have to ask Paul when we get up there. MM says it goes more naturally with animal beasts than with men. His point stands either way. WHAT ADVANTAGETH ME, IF THE DEAD RISE NOT?: How Paul applies the hope that Christ is risen from the dead is the assurance that we shall be raised in incorruption also. Paul is saying he would not go on with this fight if he didn’t know something was coming in connection with it. Paul says it is this redemption, this salvation, this ultimate victory that is coming, and that is sure is what keeps him fighting. Paul is asking what was the benefit of me doing this if there is no resurrection? WHAT ADVANTAGETH ME: What did I gain? What did I do that for? Paul thinks there is something waiting for him because of what he's going through.

1 Corinthians 15:32		32 If after the manner of men I have fought with beasts at Ephesus, what advantageth it me, if the dead rise not? let us eat and drink; for to morrow we die. LET US EAT AND DRINK; FOR TO MORROW WE DIE: The Epicurean philosophy - eat, drink, and be merry - this life is all there is, there's nothing more after this life. So you people who are trying to live for God, there's no God. You're trying to live a good life, but it doesn't matter what you do. This life is the only thing that you have. Paul knows this. He says look, if there's no such things as a resurrection, then those guys are right. Paul says if they are right, we might as well just eat and drink and then die. But if that is the case, then you are just a cosmic accident. There's no purpose behind that. There's no redeeming of any of that. You are just a bunch of cells globbed together and one day you are going to be gone and that's going to be the end of it and there's nothing more. People try to make themselves feel better and say 'I don't want to live forever'. MM says maybe you don't but this is the kind of thing you say when you are pushing a philosophy. MM says if this is all just an accident, there's no such thing as right and wrong. If no one is in control, if there's no God behind it, then none of it really matters. Yet, every single one of those guys accuse God of wrong. If there is no right or wrong, then how can God be wrong. These evil men were putting forth the idea that this life is all there is, once you die, it is over. The Epicurean philosophy says that since this life is all there is, then don't let anything stand in your way of having a good time; do what you want to do because there is no judgment, there is no life after death, and there is no God. And Paul says, if there is no resurrection, then the Epicureans would be on to something, but they are wrong. Death is not the end for anyone. If there is no HOPE OF GLORY-Colossians 1:27, if there's nothing out there waiting for us, let's give up. MM says this is the SALVATION-Ephesians 6:17 that serves as your HELMET-Ephesians 6:17 when you get into the POE Phase 3 attacks.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:32		32 If after the manner of men I have fought with beasts at Ephesus, what advantageth it me, if the dead rise not? let us eat and drink; for to morrow we die. LET US EAT AND DRINK; FOR TOMORROW WE DIE (cont'd): Refers to the Epicurean philosophy, which comes from the philosopher, Epicurus, who taught this idea that there is no after life, there are no God or gods looking over the worlds out in the universe, that the mind is material and all living beings are mortal. Once life is over, it's over. The ancient Epicureans denied any involvement of a god or gods in the creation of worlds or their maintenance. Death, they maintained, is not to be feared but is a condition of nothingness from which all experience, hence all suffering is excluded. When you are alive, you are alive. When you are dead, you are dead. Death does not concern us, because as long as we exist, death is not here. And once it does come, we no longer exist. Nothing to be scared of because you won't feel it. An Epicurean tombstone: "I was not, I was, I am not, I do not care". Saying there was a time that I wasn't here, then there was a time I was here, and now I'm gone and I don't care. There whole life was about - do things that are pleasurable and comfortable and avoid pain. So for an Epicurean, there was no resurrection, no eternal life, no nothing. It's just here and then you're gone. This thinking got entrenched in society at Corinth. Don't confuse Epicureanism with Hedonism (the debauched, way over the line pursuit of pleasure). Do the thing you enjoy, take pleasure in your days, avoid anything that causes pain. MM asks how antithetical is this to what Paul is doing? Paul is not trying to avoid pain because he believes there is a resurrection. Very opposite ends of the spectrum. What Paul is doing is expressing the thought that should be in your mind if there is no resurrection. If there is no resurrection, then you might as well make the most of the pleasures and comforts of this life, because once this life is over, you are gone forever. Of course Paul is not subscribing to this philosophy.
1 Corinthians 15:33	GH: Self-Deception: The man who thinks bad company will not have any affect on him has deceived himself	33 Be not deceived: evil communications corrupt good manners. False doctrine will affect your godly living and labor, it will affect the way you live for God. Subject is still the resurrection. Paul is warning the Corinthians to not be deceived by EVIL COMMUNICATIONS. MM says this is the lynchpin for the whole chapter. Bad company creates bad doctrine. Specifically, these EVIL COMMUNICATIONS have been casting doubt on the Resurrection of Jesus Christ. And the Corinthians have been listening to that and hearing these arguments and observing these people and it is beginning to make inroads into the members of the church. That keeping bad company will have a debilitating effect on us, on our faith and on our morals. The time we spend with bad company will cause us to doubt what we have previously believed, and if left unchecked, doubt will be followed by unbelief. Bad company will corrupt your morals. Many of the Corinthians had been making close personal friendships with the ungodly; listening to their philosophies and watching their lifestyles. Some in the church had wavered from the truth with regard to a number of doctrines, the first of which was the resurrection of Jesus from the dead. Here is the danger, when the lie is repeated over and over and over; when other people repeat it, that constant repetition works to change the minds of those who are listening. Words may seem harmless, but they carry the seeds of change. The evil words and evil lifestyles of certain of the unsaved in Corinth were having an effect on some of the members of the Corinthian church. It was supposed to be the other way round. Paul is not teaching us to cloister ourselves away from the world, as we are supposed to have a corrective power on evil men.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:33	GH: Self-Deception: The man who thinks bad company will not have any affect on him has deceived himself	33 Be not deceived: evil communications corrupt good manners. BE NOT DECEIVED, EVIL COMMUNICATONS CORRUPTS GOOD MANNERS: If you hang out with bad people, don't think that won't have a corrupting effect on you because it will. But if you are going to win someone to Christ, you will have to befriend them to some extent - Jesus was a friend of sinners. Have to discern if you are spiritually advanced enough to be able to win them to Christ without them corrupting you? If you are not, you will need to pull back from that until you are. EVIL COMMUNICATIONS CORRUPT GOOD MANNERS: Nutshell: The false doctrines (EVIL COMMUNICATIONS) were corrupting their godly conduct (GODLY CONDUCT). May seem an awkward way of saying this. Paul is quoting Menander was a Greek scriptwriter/poet who wrote over 100 comedies. Plucked right out of one of these comedies. He died in 390 B.C. It was one of those lines which got picked up and used in everyday conversation as a “shorthand” way of describing when the bad traits or ideas of some people rub off on other people. Like 'One bad apple spoils the barrel'. Paul is saying, don’t fool yourselves; the false ideas you entertain and the bad company you keep will negatively impact you, and your walk with God. Trying to take something they all knew and quote it right into the middle of what he's saying to the Corinthians and they all get that point. Paul is quoting a poet. This is something that everyone repeated. EVIL COMMUNICATIONS: Not just their words (of these evil men) or what someone is saying, but everything about them. Their lifestyle, the words they say, their philosophy of life, how they handle their business, how they handle their social life, all of that. Because all of this is communicating something to you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:33	GH: Self-Deception: The man who thinks bad company will not have any affect on him has deceived himself	33 Be not deceived: evil communications corrupt good manners. EVIL COMMUNICATIONS: Not just their words (of these evil men) or what someone is saying, but everything about them. Their lifestyle, the words they say, their philosophy of life, how they handle their business, how they handle their social life, all of that. Because all of this is communicating something to you. Has two aspects in particular: 1. False doctrine (e.g. no resurrection in the context of our passage): it describes false teachings themselves, such as: there is no resurrection of the dead; that this life is all there is. 2. Companionship with false teachers who are teaching no resurrection - the Corinthians were forming close friendships with them that were espousing false doctrine. It is describing the companionship, the Corinthians' keeping company with those espousing that false doctrine. These were the people they wanted to be with, these are the people they are spending time with, these are the people that they wanted to be around, these are the people that they were emulating, these are the people they were learning from. And they were picking up their lifestyle. MM says if a guy doesn't think there's a resurrection, what do you think is going to keep him in control? Because if there's no resurrection, there's no judgment. It would just be whatever he wanted to do. The Corinthians were being deceived by these people who were espousing false doctrine and it was corrupting their GOOD MANNERS. GOOD MANNERS: Don't think of MANNERS the way we normally think of them. The labor that is being corrected. The good doctrine that Paul is trying to teach them. This is beginning to have an effect on the Corinthians. Refers to their godly behavior or godly conduct. Those Corinthians who were buying in on the corrupt doctrine (believing the evil communications circulating in Corinth), were adopting that Epicurean way of life, acting like this life is all there is, so we should focus on all the comforts and enjoyments of life while we can (it was impacting their conduct).
1 Corinthians 15:34-58		Instruction in Righteousness
1 Corinthians 15:34		34 Awake to righteousness, and sin not; for some have not the knowledge of God: I speak this to your shame. AWAKE TO RIGHTEOUSNESS, AND SIN NOT: Ties to the sin issue in Romans 13:13-14. You think this is benign, but it's not. Why are you elevating people who don't know the Lord and don't understand the truth. By keeping company with these people and embracing their false doctrine, they are engaging in behaviors that are sinning against God. They need to wake up and start being the righteous people they were made to be in Christ. Because when you start hanging around the wrong people and start hearing the wrong things that they're saying, that impacts more than just the doctrine of the resurrection. It starts to impact the morality of your life. The Corinthians don't understand it's affecting them in ways they are not aware of. It is leading them to sin against God. The little things affect other things which affect other things. There's a chain reaction and Paul knows that. So he is warning them to AWAKE TO RIGHTEOUSNESS. You think this is benign, it is now moving you away from righteousness in your everyday lives.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:34		34 Awake to righteousness, and sin not; for some have not the knowledge of God: I speak this to your shame. FOR SOME HAVE NOT THE KNOWLEDGE OF GOD: Some of these people the Corinthians were listening to were not even saved that they were hanging around. And the Corinthians were allowing these to be their teachers. But Paul says some do not know God which implies there are others who did KNOW GOD, but they also did not know the truth of the doctrine either. There were some in Corinth, some saved, some not, who were looking to corrupt the thinking of the Corinthian church from certain truths, such as the resurrection. The Corinthians were cultivating close friendships with these evil people who were engaged in a purposeful attempt to: 1) pervert the gospel by calling the resurrection into question, and 2) to corrupt the conduct of the Corinthians by leading them into sin. They should have been elevating the people who know just know the Lord, but understand the Truth. I SPEAK TO YOUR SHAME: Some people were looking to corrupt the thinking of the Corinthian church from certain truths, such as the resurrection.
1 Corinthians 15:35-50		Paul concentrates on the kind of body we will have in the resurrection.
1 Corinthians 15:35		35 But some man will say, How are the dead raised up? and with what body do they come? SOME MAN: There was a false apostle at Corinth who was corrupting Paul's doctrine and from this verse and the one that follows, it looks like Paul is addressing that specific false apostle. Not sure if Paul is anticipating it or if it had already been said, Paul is going to address it anyway. Paul anticipates some questions and objections. Two questions are asking for the mechanics of the resurrection: 1. HOW ARE THE DEAD RAISED UP?: MM calls this a category question. Once a body dies, it returns to dust, just as the scripture says. You can embalm them and whatever else but all you are doing is slowing down that process. That still happens. If a guy dies and goes to dust, how is God going to reassemble him and reorganize his body? How can a body that has deteriorated back to dust be raised, how can it be recollected, and reorganized? What if it was burned up, or eaten by animals, or lost to the sea? What if it rotted into the ground and plants used it as food? How can it be remolded into a human body? Paul answers in v36-38. 2. AND WITH WHAT BODY DO THEY COME?: If He is going to raise the body up, what will be the form, the shape and the organization of the body at resurrection? Is it the same as this body we now have; will it have the same needs and wants; will it operate and function the same way we operate here? Will the aged/old rise as aged/old people and the young as young/young people? Will those raised in infancy remain infants forever? Will those bodies be material? Will they require support and nourishment?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:35		35 But some man will say, How are the dead raised up? and with what body do they come? MM says you think he is making this up but these are the kinds of questions from people who oppose the resurrection, because they want to present you with problems you can't answer. You say, well, I don't know and they say see, that's right, nobody knows. And now they're happy. MM says he got all of these sub-questions for these two questions from Paul's answers. Paul is not just scatter shooting. He understands what these questions are really about and now he's going to answer them in line with that.
1 Corinthians 15:36		36 Thou fool, that which thou sowest is not quickened, except it die: Starts to answer the first question - HOW ARE THE DEAD RAISED UP-v35 or with what body will we be raised? Makes it clear that our resurrection body will not be the same as our old body. Not teaching farming here, the whole subject is about the resurrection of the human body. What goes in the ground is not exactly what comes up at the resurrection. It's going to be different. It's going to be of the thing that went in the ground, but it won't be the same as that which went into the ground. Not a proof that the resurrection is true, but how foolish the objection to the resurrection is. We have seen this work in the natural world. Paul is now going to make an analogy where something dies is now going to produce life. A seed gets buried in the ground, it has to die. As that seed kernel is corrupting, a first green shoot feeding on the corrupted kernel comes out of it. That seed planted produces more seed. Paul says you didn't plant a plant, you planted a seed but what the seed produced was a whole plant that produced more seeds. This occurs naturally in the world, you have seen this before. And you are thinking it's too hard if God specifically gets involved in it, to take a dead body and raise it. It's a foolish argument because you've seen this before and everybody knows about it. Paul is saying your can't resurrect anything until it dies.
1 Corinthians 15:36		36 Thou fool, that which thou sowest is not quickened, except it die: Paul is appealing to something they all know; that in order for any seed to produce the next crop, it has to be buried in the earth, it has to die, and as that dead seed is decomposing, from the decayed kernel, the first green stalk arises. Even if you don’t know the science of how it works, every farmer knows it works. Not a “proof” of the resurrection or proof that the resurrection is true, but a way of showing that the principle of resurrection (life from death) is in line with the laws of nature. Establishing a principle that we clearly see in the natural world. God built that into the seeds. If that's something that God can just do in the natural course of plant life, how much more can He do when He dedicates Himself to raise the dead? Paul is manifesting that death is not an impediment to resurrection, but a necessity. The truth of this verse is that the body must die before it can be raised to life. Point: the fact that the body dies and returns to dust, in no way impedes resurrection any more than when a seed dies and is buried, that death impedes the future plant. Point: What comes out of a seed is not just the seed but life. Within that seed which has died and that kernel which is decaying, that becomes food for the germ that is now actually going to burst forth and become that plant that comes out of that. Every seed has its own body and the glorified body that we're going to get at THAT BLESSED HOPE-Titus 2:13 is going to retain your identity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:36		36 Thou fool, that which thou sowest is not quickened, except it die: THOU FOOL: MM says at first glance, this looks a little harsh. Paul is not into name calling, he is calling out SOME MAN-v35 and identifying the foolishness of the argument against the resurrection. This likely refers to a single "false apostle" in v35. It's a foolish argument and MM thinks the false apostle knows it. MM doesn't think Paul is just interested in calling names, but in pointing out the foolishness of the objection. Paul is about to respond to the question that raises the difficulty of the resurrection, even though this difficulty is always observed to be overcome in nature. If it is automatically overcome in nature as a natural process, how much less of a difficulty would it be if resurrection is specifically orchestrated by God? THAT WHICH THOU SOWEST IS NOT QUICKENED, EXCEPT IT DIE: Saying that you can resurrect anything until it dies. A resurrection requires a death, that's the whole point.
1 Corinthians 15:37	Eternal Glory	37 And that which thou sowest, thou sowest not that body that shall be, but bare grain, it may chance of wheat, or of some other grain: When your unredeemed body dies, Paul says it is like sowing BARE GRAIN. If everyone was identical, he would have stopped at wheat. That body that may come back. It may be wheat or some other grain. What's the difference between grains? Different grains are used to produce different things. Will be those kinds of differences in our glorified body. At their essence, they are all glorified bodies. But they are not going to be identical in what they can be used to produce. Paul continues the analogy from v36. What is being put in the ground is not a new plant, but bare grain. No matter what kind of seed it may be, that is the kind that will grow from the planted seed. God will use the "germ" of our old body to form our resurrection body, but even so, that new body will be different from our old body. Each "seed" has its own body, which means that the glorified body we will get at the Blessed Hope will retain the identity and the individuality of each person. In your glorified body, will still be you. Won't be recognized so much by your face, hair, eye color, height, or weight, but MM believes we will be turned inside-out. Everything that Christ has accomplished in our inward man will be manifested by light and color in our glorified body. We will be seen for what we have become by our edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:37	Eternal Glory	37 And that which thou sowest, thou sowest not that body that shall be, but bare grain, it may chance of wheat, or of some other grain: My new body will be connected to my old body, in that it is made from it. That means that it will constitute the same species of being. The seed that died did not have flowers and leaves and stalk, but the plant that comes up will, by reproduction, produce more than just seed, but a whole new plant with all of its appendages. In the same way, my new body will be a new, different kind of body, which I believe will include all of the old appendages, but they will be completely new. So, if one was born without a limb, MM believes the new body will have that limb. MM says think about the people who didn't recognize Jesus in His Resurrected Body even though they were looking right at Him. They are walking with Him and talking with Him on the Emmaus Road like He is a complete stranger. Then other times He reveals Himself to some and they know exactly who He is. His Resurrection Body is a little different from our resurrection body. Any blemishes that this body may have will not be present in your resurrection body. Any blemish or scar that you have gotten over your lifetime, it will be gone in eternity. It's going to be a perfect body. But it's different than the Resurrection Body of Jesus. Because His Resurrection Body has nail prints, the place where the spear pierced His side, the marks in His Feet. But what the Bible doesn't say, is that He still bears the marks on His Back from the scourging that took place before His crucifixion. You never see reference to that. You never see reference to the scars on His Head from the crown of thorns. MM thinks that's all gone and the only thing that is left are the wounds that are specific to the Cross, the marks of the Cross are still there. He is the only One that will have any of those types of marks in eternity.
1 Corinthians 15:37	Eternal Glory	37 And that which thou sowest, thou sowest not that body that shall be, but bare grain, it may chance of wheat, or of some other grain: AND THAT WHICH THOU SOWEST, THOU SOWEST NOT THAT BODY THAT SHALL BE, BUT BARE GRAIN: What Paul was just talking about in v36. MM asks what did you sow into the ground. Did you sow a barley plant? And what you buried was not the body of that plant because what comes out of that seed? A plant with all the appendages with the stem and the leaves and then the flour or seed, etc., depending on what the plant is. He says, you only planted BARE GRAIN. He is saying the body you have now that's going to get buried, that which gets sown into the ground or buried when it dies, that's not the body that shall be. The body that SHALL BE is going to be very different than the body that goes into the ground - the one that is raised up. Differences: * Our new body will be fashioned from our old body. Just like the seed that gets planted into the ground and dies. The new plant comes out of that seen. Paul uses this illustration earlier in the chapter. Understand that the new body is not just going to be in and of itself and have nothing to do with the old body. It's from the old body, but it is a totally new kind of new body. Not going to put wheat in the ground and barley comes up. Oversimplification in our mind but the arguments needs to dismantle the resurrection. What goes in the ground is not exactly what comes up at the resurrection. Your glorified body is going to maintain your identity. The way you identify people is not by their GH: soul or spirit but their mortal, unredeemed body?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:37	Eternal Glory	37 And that which thou sowest, thou sowest not that body that shall be, but bare grain, it may chance of wheat, or of some other grain: THOU SOWEST NOT THAT BODY THAT SHALL BE: The body that goes into the ground is not the body we will have when we are raised. Our new body will be fashioned from our old body, but our old body is like the seed of grain which is put into the ground, and our new body is like the new plant that springs forth. It is from the old, but it is not the old; it is a new body.
1 Corinthians 15:38		38 But God giveth it a body as it hath pleased him, and to every seed his own body. Paul is about to talk about the different types of bodies that people are going to get when they are raised from the dead. And that body that's going to be given to the unjust is different that the body that's going to be given to the just. Those that are unsaved are going to receive a body that is specifically made for their eternity. It will be peculiar to what their experience will be in eternity. We won't have that kind of body. We're going to have a body that is suited for where we're going to spend eternity. First difference between the just and unjust is they are going to receive different kinds of bodies but they all will receive bodies of some kind. BUT GOD GIVETH IT A BODY AS IT HATH PLEASED HIM, AND TO EVERY SEED HIS OWN BODY: Means a couple of things: * God is the Designer of the glorified body. That God is the One that puts all of that into place that makes up the glorified body. * There are different kinds of bodies that are going to take people through eternity. Those who are saved are going to get a glorified body that is particularly suited for life in the heavenly places. Those who are not saved are also going to have a body, but it is going to be a body that is not like our glorified body, but it will be a body that is particularly suited to them and to where they will be spending eternity. It's a different kind of body, and it won't be a natural body either.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:38		38 But God giveth it a body as it hath pleased him, and to every seed his own body. When He designs the body for the unsaved, you are thinking about getting cast into the lake of fire and in connection with the body that we have now and that's a terrible thing. MM is not saying that it is not going to be a judgment or punishment, what he is saying he hears people object to this because they're thinking about their physical body. Like your physical body in a fire, but these people won't be perishing that way. This means that the wicked will not have the same body as the saved. There's going to be a fitness to the resurrection body depending on whether you are saved or lost. TO EVERY SEED HIS OWN BODY: Just and unjust will receive different kinds of body. In the plant world, this means that a wheat seed does not produce barley plants. You are not going to put wheat in the ground and barley is going to come up. If you put wheat in the ground, you know wheat is coming up. What comes up out of the ground is the very body that God intended to come up out of that seed. In the resurrection world, it means that the wicked will not have the same body as the just. It means that there will be fitness in each resurrection body, appropriate to the character of the one raised. The saint does not get a body adapted for perdition, and the unjust do not get the body of the just. God is the designer of each kind of resurrection body. MM says these are oversimplifications in our mind but they are the very arguments now that dismantle the objection. Saying the body of those who are raised to perdition, that's a different kind of body than those that are raised to glory. * Don't panic because a body died in order to be resurrected, it had to die.
1 Corinthians 15:38		38 But God giveth it a body as it hath pleased him, and to every seed his own body. AS IT HATH PEASED HIM: Means that the new body is designed by God with certain things in mind. * The wicked will not have the same body as the just. There will be a fitness in each resurrection body, appropriate to the character of the one raised, and appropriate to the eternal destination of the one raised. EX the saint does not get a body adapted for perdition, and the unjust does not get the body of the just. God is the designer of each kind of resurrection body.
1 Corinthians 15:39		39 All flesh is not the same flesh: but there is one kind of flesh of men, another flesh of beasts, another of fishes, and another of birds. Begins to answer the second question in v35. Starts out with an analogy of different kind of animal fleshes - men, beast, fish, birds. Just as there are different kinds of flesh, there will be different kinds of resurrection bodies. He is making this analogy, the flesh of men is different than the flesh of beasts. But there is something very different about human flesh than there is from all of those of the animal kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:40-44	Eternal Glory	Glorified body is going to be changed in 5 particular ways (changes). All of these phrases are just pregnant with meaning. Open up our understanding of what this body is going to have with regard to glory. Paul talks about the complete nature of the 5-fold changes that will take place in our bodies. All of these elements tell us something about those glorified bodies we are going to get. Paul says not every glory is going to be the same. Some have greater glory and some have lesser glory. 1. v41: FOR ONE STAR DIFFERETH FROM ANOTHER STAR IN GLORY: Differ in glory from each other - the light that it produces, differ in brightness and color. The body you get in eternity is different than anybody else is going to have. Our glorified bodies are going to differ from each other as one star is different from another. You are involved in your godly edification and when you get your glorified body, the light and color that comes from that body is going to show radiantly. Meet someone who just got saved, all they are our an HEIR OF GOD. MM not badmouthing that. Never did a single thing with their godly edification. Didn't care about, think about. Will truly be able to sing 'This little light of mine...' A glorified body that is involved in edification is going to look way different. MM says think of those bodies as rank insignia of the uniform. When you are in the military and see stripes or a bird on the shoulder, you know what those mean. Let you know instantly the person you are looking at carries this rank. You will see that by your own glorified body. Bodies will have different levels of JHI and those bodies themselves will be/are going to be insignias of who you are. 2. v42: RAISED IN INCORRUPTION: Means that body will be immortal. Will never grow old or subject to aches and pains. 3. v43: RAISED IN GLORY: Not talking about the 'light' of GLORY, now it is talking about GLORY in another sense - of honor and prestige. There is a prestige that goes along with that body. 4. v43: RAISED IN POWER: There is a POWER that this body is going to have. 5. v44: RAISED A SPIRITUAL BODY
1 Corinthians 15:40	Eternal Glory	40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another. Two kinds of glorified bodies for the two different programs. Bodies on this earth and bodies in the heavenly places will have different glorys. Ones heavenly and ones earthly. 1. TERRISTRIAL: OED (Oxford English Dictionary) Of or pertaining to this world; 2) proceeding from, or belonging to, the solid earth or its soil; 3) consisting of earth or soil 4) of the nature and character of earth, esp. as being dry and solid; possessing earth-like properties and qualities; 5) a terrestrial being, especially a human GH: Israel 2, CELESTIAL: Is a different body. Different kind of glory. GH: Mystery/DOGG Starts out talking about bodies then makes this analogy and then he's going to return to talking about bodies. MM says when we get into eternity, there are going to be different kinds of flesh and Paul lists two here. Talking about the two different glorified/resurrection bodies in the two programs. Detailing the two places where the saved people are going to go. The glorified bodies of the members of the body of Christ will be different from the resurrection bodies of those in the earthly kingdom. Our glorified body will be celestial, which means it is suited for life in the heavenly places. The resurrection bodies for those on the earth will be terrestrial, which means they are suited for life on the earth. There will be a glory to both bodies but it is a different kind of glory because they are different kinds of bodies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:40	Eternal Glory	40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another. CELESTIAL: If you are a saved member of the body of Christ, you are spending eternity in the heavenly places and get a CELESTIAL body. The body you get to inhabit the heavenly places is way different than one they are going to get on here on the earth. Suited to function in the heavenly places. It will be different up there than it is here. Body that: - no longer dependent on temperature control - doesn't need air/oxygen - never tends toward dissolution (never weakens, never gets sick, never gets old, never suffers anything else than it was before) - doesn't need food for sustenance - doesn't need water But it will need the very life of God to sustain it. God is the only One who doesn't need anything outside Himself. TERRESTRIAL: Of the earth, pertains to the Jews. If you are an saved Israelite and you are on the earth, you are going to be a body that is TERRESTRIAL. It will be different from their normal human body. This is the only mention of the TERRESTRIAL body. He continues talking about the CELESTIAL body because it is the one that concerns the DOGG.
1 Corinthians 15:41	Eternal Glory / GH: GLORY Definition	41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. In this case, glory is a difference in light and brightness. Where MM gets that our glorified body will be of brightness and light and magnificent color. Going through the Sonship curriculum, you are determing how your body is going to look like in eternity. It's like a uniform and everybody will know where you were in the education as a son or daughter because your glorifed body. Want the glorified body, not for the ungodly pride reasons, but because God has made this to be a reflector of His glory. The adversary is determined to keep us from this because that is a reflection of the glory of God out in the creature. One of the things that's going to happen when you get out there in the creature and you'll remove those barriers that were put up there to keep him from putting the heavens and the earth together is now going to allow every single person on the face of the earth to see those glorified bodies up there in the heavens. Do you know what type of light that is going to be? Paul using GLORY here as a measure of the light that is shining. You can't look directly at the sun. It will damage your eyes. You can look directly at the moon. MM thinks that all stars will be like fingerprints with different levels of glory. GLORY OF THE SUN...MOON...STARS: Has to do with light. **GLORY: Glory can be brightness of light.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:41	Eternal Glory / GH: GLORY Definition	41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. Introduces a different concept than v40, which talked about the differences in the classes of resurrection bodies, celestial and terrestrial. Here, Paul is talking about the bodies within the same class having differences from each other; the sun more splendid than the moon, and the various stars being different in glory. Here he is talking about the CELESTIAL-v40 bodies because all of this has to do with the heavens. FOR ONE STAR DIFFERETH FROM ANOTHER STAR IN GLORY: The GLORY is about the intensity or brightness of light. Just as the sun and the moon and the stars emanate it different intensity or brightness in excess of what others are emanating, so will our CELESTIAL bodies emanate different levels of glory. Our glorified body is a CELESTIAL body and it's going to be suited for life in the heavenly places. It will differ in glory depending on your sanctification. MM says THEE important thing is your sanctification. We are glad we are justified because you can't be sanctified if you are not justified. You can't be set apart as holy if you are not righteous. You have to be made righteous. Once you are made righteous, then you can then be set apart as wholly unto the Lord. One day you are going to be glorified, but this life from the time you got justified, from the time you trusted Christ as your Savior, all the way to the time you go to be with the Lord (either you die in this life or THE BLESSED HOPE-Titus 2:13), the whole thing is about your sanctification. That is THEE thing, that's the thing that your Father is after because it's in your sanctification that things take place, which are not automatic for everybody. MM reviewing the MERCIES OF GOD-Romans 12:1 that are our justified position in Christ. All the MERCIES happen automatically because you put your faith in Jesus Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:41	Eternal Glory / GH: GLORY Definition	41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. FOR ONE STAR DIFFERETH FROM ANOTHER STAR IN GLORY (cont'd): In response to that, you got put in Christ, you got the Spirit of God, He baptized you into the body of Christ, and then you got all those benefits (MERCIES) automatically. But when you get to your sanctification, you not only have a positional sanctification but you have a practical sanctification that is based on your positional sanctification. So if God didn't give that to you positionally, you'd never be able to live in a way that pleased Him. You wouldn't have the power to do that because you can't manufacture that in your flesh. Because of this, God wants to see you conformed to the image of His Son. That is sanctification. That's what He is interested in. That's going to be front and center at the JSoC. That's going to determine if you are going to be an 80 watt bulb or a 15 watt bulb in your glorified body. That's going to be a representation of who you are in Christ, in connection with your sanctification. MM says there are plenty of people that disagree with this take, saying we are all going to be the same. They think it's all because of Him. He did it all. It's not us, it's Him in us. So it's all the same for everybody. MM asks does the moon shine as brightly as the sun? When he says FOR ONE STAR DIFFERETH FROM ANOTHER STAR IN GLORY, not all the stars shine with the same intensity. There are differences in GLORY. It sounds good to say we're all going to be the same, but the truth is, the practical sanctification that takes place in our life is going to be reflected every time people look at us in the AGES TO COME-Ephesians 2:7. This is going to be a product of Christ IN you. That's a product of your sanctification. There are other important things in your life but the number 1 thing to God is your sanctification. That's what God is working on. That's where you need to be, where you put your time and effort and thinking around your sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:41	Eternal Glory / GH: GLORY Definition	41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. FOR ONE STAR DIFFERETH FROM ANOTHER STAR IN GLORY (cont'd): The argument is this is not about your works, it's God's works in you. MM says we all agree with that. You are not going to produce anything sanctification-wise on your own. That all gets done through Him. They say because it's all about Him, then the measure of glory will be the same for everyone. But even though it's the same source of glory, you have different levels of glory GH: per this passage. If someone has a little glory, it comes from Him. If someone has a greater glory, it comes from Him. EX Here's a guy with tea cup, a guy with a gallon jug, and a guy with a wash tub. They all go to the ocean and fill their vessels with ocean water. It all came from the same source, but does that mean they each have the same amount of water? When you are talking positional truths/MERCIES OF GOD-Romans 12:1/SPIRITUAL BLESSINGS-Ephesians 1:3, everyone gets all of them just because you're in Christ. People ask MM why it looks like God is answering some people's prayer and not other people's prayer? It's because people understood prayer wrong. If it's a positional truth, it will be true for every member of the body of Christ. If it is an opportunity/practical truth, something that is not automatic, like growing in grace, that's not automatic just because a person gets saved. But it is an opportunity for everyone. When you say God is doing something for person A but not person B, you have mis-identified it. The opportunity is the same. If you say well how come God healed this person but not that person? Because you are assuming something here, that God is picking winners and losers. You think God is doing some things for some people and that He is not doing it for everybody. You need to understand in the DOGG, if it's an opportunity, everybody gets it. And if it's something that is a positional truth, everybody gets it.
1 Corinthians 15:41	Eternal Glory / GH: GLORY Definition	41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. DIFFERETH: MM says this is one of those issues that dovetail with our joint heir inheritance and the Judgment Seat of Christ. The celestial bodies will differ in brightness and color. Our light will be to the measure of Christ in us, Christ in us will be our light. Each person will “shine” with a different “wattage.” Not a popular view. The idea being promoted today is: “All believers are, through the merits of Christ, justified and adopted, and therefore they must all be glorified alike. Since all the saints are holy, then they must be perfectly alike in reward and inheritance.” And there are some aspects in which that is true, but as Paul says here, there are some aspects where this is not true, such as the differences in “glory.” The objection is that we must all have the same because it is by grace, and not works. But MM says there are various degrees of holiness achieved in this life, are there not? Angels don't hold all the same office even they are equally holy. MM thinks it is a false idea that just because the glory we all have will come from the same source (Christ), that therefore the measure of our glory must be equal.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:42-44		Prayer - 1 Corinthians 15:42-44: Heavenly Father - Thank You for the hope that I will receive a new body in connection with my resurrection. It will be wondrous to see this body raised in incorruption, so that it will never grow old and never be subject to injury, decay, or disability of any kind. Thank You that it will be raised in power that the life of my body will be inseparable from my soul; so that death will never again be an issue for me to face. Thank You that my new body will be raised a spiritual body, and not just another natural body. In Your Wisdom You will give me a body which is in perfect accommodation with my position in the heavenly places, so that it has no need of anything in order to function. I wonder what it will be like to have no need of sustenance, or water, or air, or shelter, or any such thing. I look forward to serving You and the Lord Jesus Christ tirelessly, in a body that will never grow weary and never get old. Thank You, Father, for making the Lord Jesus a quickening spirit so that He can give me both eternal and everlasting life. Amen.
1 Corinthians 15:42	Eternal Glory	42 So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption: SO ALSO IS THE RESURRECTION OF THE DEAD: Paul applies the principle of differing glory from v41 to the resurrection bodies of the saints. MM says there's not only a difference between the CELESTIAL and the TERRISTRIAL but there's a difference between the CELESTIAL bodies. SOWN IN CORRUPTION; IT IS RAISED IN INCORRUPTION: We know what corruption is for a body that has died, but our new body is raised in incorruption, which means that it will never be subject to decay, sickness, disease, injury or death. Our new bodies are vigorous, holy, glorious and immortal. Our new bodies will never see corruption of any kind, nor to any degree. And this is not the result of a process, but is an instantaneous fact from the very first moment we possess our new bodies. IT IS SOWN IN CORRUPTION: Point: When we die, our body begins to decay and corrupt. Embalming doesn't prevent this process, just slows the process down but doesn't stop it. That's all that it does. Some forms of that decay happen faster than others. But eventually, everyone’s flesh decays. SOWN IN CORRUPTION: All human beings see corruption, because they are born in sin, and liable to the curse. The human body of Jesus Christ, as being without sin, saw no corruption when that body was devoid of soul and spirit as it lay in the grave for three days and three nights. CORRUPTION: When this body goes into the ground, it is going to start wasting away and go back to dust. Means this body is subject to decay, injury, a whole list of things here. RAISED IN INCORRUPTION: Your glorified body will never be corrupted like that (GH: your unredeemed body) again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:43	Eternal Glory	43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: IT IS SOWN IN DISHONOUR; IT IS RAISED IN GLORY: This present body is conceived in sin and shapened in iniquity. It is unclean, as it has sin in its members. Paul is saying that our old body is buried (sown) in a state of dishonor. There is nothing that commends it to God. Once it is dead, corruption and rot begins to take place, as a natural result of the dishonorable thing that it is. SOWN IN DISHONOUR: First of all, due to the presence of sin. Even though we are saved, our flesh has sin in its members. I WAS SHAPENED IN INIQUITY AND IN SIN MY MOTHER CONCEIVE ME-Psalm 51:5. This body, ever since Adam, it's a dishonorable thing, it's a corruptible thing, and it's a weak thing. And there's a big difference between the body you have now and the body that you are going to have. The point Paul is making here is these resurrection bodies are going to have different degrees of splendor, different degrees of glory and that's going to be in connection with the state of holiness in which this body is found. IT IS RAISED IN GLORY: Our new body will no longer carry the dishonor of having sin in its members. MM believes this also speaks to the fact that our new bodies will be perfect in form, without blemish or defect.
1 Corinthians 15:43	Eternal Glory	43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: IT IS SOWN IN WEAKNESS; IT IS RAISED IN POWER: Our old body dies in a state of weakness. It is subject to injury, corruptions of various sorts, infirmities, disease and disorders. It is full of natural infirmities which arise from hunger, thirst, nakedness, labor, etc. All these kinds of things arise from that. Through weakness, it finally dies, and is devoid of strength. Our new body will be raised in power. We will be raised by the power of God, with our new body having the ability to subsist without anything other than God. Our new body will not need to eat to gain energy and it will never need sleep to refresh or repair itself. With great speed and agility it will move itself. It will be capable of service before God and the Lord Jesus Christ, without any weariness. It will never again be subject to weakness or death. In fact, death will have no power over our new body, and our new body will have no infirmity. When we get our new body, we will lay aside all the inconveniences of our old body. EX Starving to death of part of the WEAKNESS of this body. In a spiritual body, you will never perish for lack of something to eat. That is not the nature of that body. Other examples of things you need for this body to make it in the world - air, water. One of the reasons your SPIRITUAL BODY can function in the heavenly places is that it doesn't need air. This NATURAL BODY needs water. Your SPIRITUAL BODY won't need water. MM says scientists say if gravity was just a little bit less or a little bit more than it is now, life would've already ceased to exist on this planet. MM believes our SPIRITUAL BODY will be able to eat if you want based on Jesus' consuming fish in His Resurrection body.

1 Corinthians 15:43	Eternal Glory	43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: IT IS SOWN IN WEAKNESS; IT IS RAISED IN POWER (cont'd): GH: MM saying he is using induction and deduction to glean more out of the verses than they are explicitly stating. MM says what is waiting for us exceeds what we have today. There are people who think this life is the apex and they don't want to go to heaven when it's over because they think heaven is one big church service. That's not what it's about. He is a preacher and he doesn't want that. It is your soul that is really what is seeing, it's really what is hearing, when you feel the texture of a surface, the nerves are just transmitting something so your soul can process that. That is all happening in you, not outwardly. MM points to the rich man and Lazarus - asking Lazarus to dip his finger in water and cool his tongue. Wait a minute, your body's dead. He is talking about body parts because tasting, seeing, hearing, touching, smelling - those are all enhanced when you die because they are a real reflection of what's going on in your soul. These things get clouded in these bodies. The moment you die, you will feel more alive than you have ever felt. It will be more real than anything experienced in this life, it exceeds it in every way. We talk about 120 words a minute but our brains can process about 400 words a minute. When you communicate, you will communicate from your spirit to the spirit of another person and you will have the ability to say exactly what you mean and they will have the ability to understand exactly what you said. MM asks wouldn't that solve a bunch of problems? And if you want to have a meal or a car in this world, you have to have money. That's the currency. If you want to give something to someone, you have to have it. In order for you to have it, you have to have the currency that allows you to have it. Why people in the world are all about money. But we have been trained to do everything with charity. So much so that no matter what you do, if you don't have charity, it profits you nothing-1 Corinthian 13. When you get into the heavenly places, charity is the only currency.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:43	Eternal Glory	43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: IT IS SOWN IN WEAKNESS; IT IS RAISED IN POWER (cont'd): And if you don't have it, then you can't get what you want because won't have the currency to get it and you won't have to give it to someone else. You can't give away what you don't have. If you want to have the currency of heaven, it's charity. Why Paul talks about godly love and charity over and over. Do all things with charity, edifying with charity, above all charity - over and over again. Because we're supposed to be trained to put godly charity into action now because that's going to be your pocketbook in the heavenly places. Makes MM stop and think. ***We can be right doctrinally and be really smart and we can all of that, but he fears that we are going to get up there and we're going to have massive gaps in what we should have been doing and how we were supposed to be thinking and how we were supposed to be treating each other. We are going to get up there and say man, I missed the main thinghere, I missed the main thing.*** The moment that this body dies, not only will you feel more alive than ever before, but when you get out of this body, everything will have changed for you. There will be no more sin for you. The flesh will be gone. You will be out of this world and the adversary has nothing more to try and maneuver against you, to use about you. And your perspective on what is going to be happening with you is going to change 100% in a moment. Not saying you will know it all, you won't, but you will realize that you will look back at things that you thought were so important that you needed to focus on. And you're going to realize those didn't amount to a hill of beans because you missed the most important thing that you were supposed to be doing. And you won't be able to say to the Lord, I don't know what the most important thing is because MM has already told you what it is - sanctification. That's the issue.
1 Corinthians 15:43	Eternal Glory	43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: IT IS RAISED IN POWER: Our new body will be able to subsist without a need for any of the things that this body needs. God will sustain that body so you won't need to eat, have energy, won't need to sleep to rebuild yourself. Will be great to be able to serve the Lord Jesus Christ to the utmost without ever getting tired. MM doesn't understand the agnostics and atheists saying 'I don't want to live forever, who wants to live forever'. They don't understand what they would be living in and what it is really like.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:44		44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. Describing a new species of humanity, the ONE NEW MAN-Ephesians 2:15. Our new bodies are fit to exist in the heavenly places which is a foreign territory that men, by nature, cannot inhabit. We are a new species of humanity fit to function in the heavenly places for eternity. That is where we will carry out the Business of the kingdom for the Lord Jesus Christ. Our glorified bodies will enable us to do this. We are a new heavenly creature that has been given a citizenship in the heavenly places. That is a far cry from being twice-dead Gentiles.The old body is the "seed" so to speak, and the new body is the plant that grows from the seed. IT IS SOWN A NATURAL BODY; IT IS RAISED A SPIRITUAL BODY: What goes into the ground is a natural flesh and blood body, but what comes out is a spiritual body; a body with a different kind of flesh; a body of flesh and bone. Unlike the body we have now, we are raised a spiritual body. MM does not mean we will merely be a spirit without a body, for if that were true, then it would not be a body. But it will be a body, only this one will not be subject to the laws of vital functions. By calling it a spiritual body, Paul is not saying that our new body will have no form or shape; he is not saying that it will not properly be a body. Just as our soul and spirit are not subject to the laws of natural life in this world, but operate independently of them, our new body will have an economy all its own; living without the natural physical laws of life in this world. It will be a body that is inseparable from the life in it. It cannot suffer death, the soul & spirit cannot suffer death, and they will never be separated. MM believes the body is sustained by the Power of God Himself and he doesn't believe anything exists outside of His Power.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:44		44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. IT IS SOWN A NATURAL BODY; IT IS RAISED A SPIRITUAL BODY (cont'd): If there was no God, everything He created would cease to exist in that moment. Doesn't believe anything can subsist on its own. The moment we are born, we are sustained but the power of God and every moment we are here, we are sustained by the Power of God. It's not alive in spite of other things and also not alive on our own without Him. Without His Presence, nothing exists. There's no universe, there's no earth, there's no people, or anything else. The body that we are going to have is rightly called A SPIRITUAL BODY, and it will be very similar to a body like the angels. Angels have a SPIRITUAL BODY. Means they can move in the spiritual realm and function in that realm, which a NATURAL BODY cannot. And they can also manifest themselves in a body that appears to be very natural, but it is not subject to natural laws. The only difference is ours will be more glorious because of there's a redemption and righteousness attached to it that the angels don't have. IT IS SOWN A NATURAL BODY: Although every glorified body is immortal, they shall possess different degrees of splendor and glory, according to the state of holiness in which each soul was found. At our resurrection, our new body will be purged from mortality and corruption, for it will no longer be what is referred to as A NATURAL BODY. From Adam we received a v44: NATURAL BODY: GH: The body we get from Adam & the one you have now - a mortal body, subject to all sorts of issues, will eventually corrupt, won't live forever on its own. As far as this present body is concerned, we have a kind of life which occurs naturally within the physical world, which, unless it is supported by food, air, water, and sometimes shelter, it will cease to function and it will perish, and at the end, it will dissolve back to dust. The physical world governs the type of life that we have in this body. Don't pay attention, may break your arm. But you won't break your arm in your SPIRITUAL BODY because it is not subject to the physical laws. So that body is going to have a whole lot of attributes that are completely different to this one.
1 Corinthians 15:44		44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. SPIRITUAL BODY: Our glorified body. In contrast with a NATURAL BODY, we shall have from Christ, the last Adam, not another “natural body,” but a different kind of body. This body is so different that Paul refuses to call it a natural body, but he calls it a spiritual body. It will be different in that it will have an inseparable life in it. Our new body will be unlike this present mortal body, which can be separated from physical life. Our new body will be inseparable from the life of our soul. It is truly a spiritual body in that it contains life that is perpetually continuing without the need of food, water, air, gravity, climate control or shelter. This glorified body, which is sustained by God Himself, needs none of the things which our earthly body needs to keep it from dying or decaying or having a tendency to dissolution (growing old, or more feeble, etc.). Our new body is rightfully called a spiritual body. Being a spiritual body, it will function much like a spirit, in that: 1) it will continue without outside assistance 2) it will not have the peculiar physical organization of flesh, blood and bones, veins, arteries and nerves as our old body 3) it will live in the manner in which we conceive spirits to live 4) it will live and be sustained only by God and the life He has put within it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:44		44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body. GH: MM thinks when your NATURAL BODY dies, it is separated from your soul and spirit and they go to be in an interim body till THAT BLESSED HOPE-Titus 2:13, where your soul and spirit unite with your SPIRITUAL BODY and they are never separated. In the interim, you are not going to be a disembodied spirit floating around. You are made to have the house of a body and you always will. Each of us don't know how long before we go to be with the Lord and how long before the BLESSED HOPE. Might be 6 months, 6 years, 60 years, 6 centuries in between. However long that is, MM believes you will be in an interim body and then at the BLESSED HOPE, you are going to change that one for the final body, which is going to be that glorified body. Our new body is going to be really unlike this NATURAL BODY in that it will also be when you get this body, it will be inseparable from your soul. When God puts it together, THIS MORTAL, MUST PUT ON IMMORTALITY. MM asks what causes the body to die when your soul and spirit leave? Not sure. MM thinks there are both situations where the body can no longer function and then when the soul & spirit leave. EX Moses when he dies before going into the promised land, WAS AN HUNDRED AND TWENTY YEARS OLD WHEN HE DIED; HIS EYE WAS NOT DIM, NOR HIS NATURAL FORCE ABATED-Deuteronomy 34:7. MM believes we are designed to live this way. No matter if your kidneys fail or if you have a traumatic injury or not, this body is only going to go so far. And when it gets to that end, it is not dying because of injury or sickness, it's just done. Your soul and spirit will leave. This body isn't designed to live forever.
1 Corinthians 15:45		45 And so it is written, The first man Adam was made a living soul; the last Adam was made a quickening spirit. While this is certainly a contrast between what the first Adam did and what Christ, as the last Adam did, there is a reinforcement of the doctrine we have been discussing for the last several verses. THE FIRST MAN ADAM...THE LAST ADAM: See the duality. Last is second. THE FIRST MAN ADAM WAS MADE A LIVING SOUL: Paul getting this from AND MAN BECAME A LIVING SOUL-Genesis 2:7. People think that the physical is all there is and there is no such thing as a SOUL. MM showing Paul disagrees. Like Adam, you are a living soul. Saying Adam became a living, animated being; a being endowed with life. From Adam, we become a living soul and have an existence. But from Christ we have an immortal existence and resurrection from the grave. From Adam, we have a natural human body. From Christ, we will have an immortal spiritual body. WAS MADE A LIVING SOUL: Adam became a living, animated being that was endowed with life. What it is talking about when it says WAS MADE A LIVING SOUL. SOUL: The soul is an immaterial substance that contains consciousness and animates (that makes living) the body. The word SOUL usually we take to mean the intelligent, immortal part of man; the part which reasons, thinks, remembers, is conscious, is responsible, etc. In this case, the word SOUL has to do with describing Adam as one who has been made alive, which is animated with a physical life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:45		45 And so it is written, The first man Adam was made a living soul; the last Adam was made a quickening spirit. THE LAST ADAM WAS MADE A QUICKENING SPIRIT: Talking about a life giving spirit; a spirit which gives or imparts life. He, Christ, is not just a being with vital functions or an animated nature, but He has the power to impart life. The word "spirit" is in reference to His exalted spiritual nature, in distinction from His human nature. Christ has two natures, He is very God and He is very man. He is one person, not two persons. Not that Christ did not have a human nature, He did. And not that He did not have a vital existence as a man, He did. But that His main characteristic in distinction from Adam was that Christ was endowed with an elevated spiritual nature which was capable of imparting vital existence to the dead, hence Paul says Christ was made a quickening spirit. WAS MADE A QUICKENING SPIRIT: This One was given life within Him that He can impart to others. This is a very different thing than WAS MADE A LIVING SOUL. Means He has the ability to give life, the kind of life that Adam did not have in and of himself.
1 Corinthians 15:46		46 Howbeit that was not first which is spiritual, but that which is natural; and afterward that which is spiritual. This is contrasting Adam and Christ, the first and last "Adams." The first Adam was animated in that he had life given to him, the last Adam is animating, in that He could give life to others. The "spiritual" body, although it was the better and more perfect body, was not the first in being, therefore, Christ is the "last" Adam, just as at times, He is also called "David" or "Solomon." He is the last in distinction from the first; He is the heavenly in distinction from the earthly. Talking about Adam being the one on the scene first, was the natural one. The spiritual One came after because He was completing what the first Adam couldn't do. As the last Adam, He completed what the first Adam failed to do, which is why sometime you see David or Solomon. You look at that and think it is talking about Christ and it is. Because He completed what those men were not able to do. That's why that name gets used that way. He is also called the second Man. Adam was given a natural body in the Garden ever before Christ came in a body that was now able to complete what Adam did not.
1 Corinthians 15:47		47 The first man is of the earth, earthy; the second man is the Lord from heaven. The first man, Adam, was made of the dust of the earth; earthy. Christ is the "second man" and the "last Adam." As the second man, He is the Head of the human race. THE FIRST MAN...THE SECOND MAN: See the duality. THE FIRST MAN IS OF THE EARTH, EARTHY: Adam was made from the dust of the earth.
1 Corinthians 15:48		48 As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly. Because Adam was "earthy," then his descendants, who get their nature from him, also have bodies which are mortal and corruptible like his. Those who are in Christ will have a body like unto His: glorious, immortal and incorruptible. Adam's descendants have the nature that they get from him and they have bodies when are mortal and corruptible just like his. But those who are Christ will have a body, that body that gets raised that is going to be immortal, incorruptible, a glorious body. THEY ALL THAT ARE EARTHY... THEY ALSO THAT ARE HEAVENLY: See the duality.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:49		49 And as we have borne the image of the earthy, we shall also bear the image of the heavenly. We were so closely related to Adam as to be like him in our being subject to sickness, frailty and death. In Christ, we are so closely related to Him, that we shall resemble Him in heaven with a body that is free from sickness, pain and death. That's going to be our resurrection body. We have this body now, but we are going to get that one. Talking about the body we have now and the body we are going to have. We recognize that our heavenly body will be different from our earthy body. THE IMAGE OF THE EARTHY...THE IMAGE OF THE HEAVENLY: See the duality.
1 Corinthians 15:50-58		This whole section is about the redemption of the body at the resurrection. Our body; not our soul cannot enter into the HP. Our corruptible (mortal) bodies cannot be the kind of body we have when we are taken into the heavenly kingdom. It is not capable of functioning up there. We will need another kind of body, one that is incorruptible.
1 Corinthians 15:50-56	Rapture	50 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. 51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, 52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. 53 For this corruptible must put on incorruption, and this mortal must put on immortality. 54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. 55 O death, where is thy sting? O grave, where is thy victory? 56 The sting of death is sin; and the strength of sin is the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:50		50 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. NOW THIS I SAY: Paul is saying something significant and he's the only one in the Bible who will tell you this. Two things about this opening phrase: 1) this is Paul's way of introducing some profound statement of significance, saying pay attention to this, and 2) what he is about to say is unique to Paul. No other writers will say what he is about to say because Paul is speaking dispensationally. FLESH AND BLOOD CANNOT INHERIT THE KINGDOM OF GOD: Can happen in the prophetic program - Matthew 25:34. Already died. You are going to have to have a different body than this body right here. You cannot receive your inheritance without an immortal body. If your inheritance is going to be in the heavenly places, you have to have a body that can be there and function there. If we are going to have a part in what God is doing in the heavenly places, then when the Lord Jesus returns at the Blessed Hope, He must change our natural body to a supernatural, immortal, incorruptible, glorified body, for without such, we would be unable to function in our inheritance; the heavenly places. To function up there, we need bodies which do not require oxygen, climate, gravity, food, shelter or any such thing. As a member of the body of Christ, you cannot receive your inheritance without getting this new, immortal body. The "meek" shall inherit the earth, but the one new man will inherit the heavenly places, and we will need bodies that are suited. FLESH AND BLOOD: Talking about your body. That FLESH AND BLOOD body is not going to enter into the heavenly places. Talking about these mortal bodies which we now have will not function in the Kingdom of God. We cannot go into eternity with the kind of bodies we have now.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:50		50 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. INHERIT THE KINGDOM OF GOD: Means we cannot be admitted into the kingdom with these bodies. We will need a new, different kind of body, which has been the subject of this whole passage. Again, this pointing to the necessity of difference between the body we have now and the body which we shall have. All of this is being written to the Corinthians to show them that this denial of the resurrection was contrary to the very program of which they were a part. The people on the earth will also have something different than we have now. MM thinks we could go visit them but not sure if their TERRESTRIAL bodies will be able to come up and visit us. *MM says all of this started with the resurrection is real, the resurrection of Christ is true, and there's going to be a resurrection for everyone.* NEITHER DOTH CORRUPTION INHERIT INCORRUPTION: Still alive. Just as/like flesh and blood will not inherit the kingdom of God in the HP; neither will our corruptible bodies be adaptable to a realm where everything is incorruptible. In other words, you cannot go to the HP in the body you have now. CORRUPTION: Your body corrupts, not your soul. INCORRUPTION: OED: incorruptible: incapable of undergoing physical corruption; that cannot decay or perish, everlasting, eternal. MM says this is a really good description of the type of body we will have.
1 Corinthians 15:51-57		Paul will reveal a secret resurrection that no one knew about before it was revealed to him.
1 Corinthians 15:51-54		God has promised to give every member of the body of Christ a new body, a glorified body.
1 Corinthians 1	GH: GPPI verse	BEHOLD, I SHEW YOU A MYSTERY: It's part of that which was kept secret and hidden. There's a reason God was keeping it a secret/a mystery.
1 Corinthians 15:51-52		Paul gives some details concerning this resurrection.

Bk-Ch-Vs	Bible Margin	Verses / Commentary	
1 Corinthians 15:51	GH: Mystery Verses - Component 3: the resurrection of the members of the body of Christ	51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, During the DOGG, there are those who will not die (sleep). They are the exception to the rule that "it is appointed unto men, once to die" (Hebrews 9:27). Instead of dying, they will be instantly changed from their fleshly bodies to glorified bodies. For those saints who are alive at the Blessed Hope they will have their old body immediately changed into an eternal, glorified body. Raises the question - what about those that die before THE BLESSED HOPE-Titus 2:13? Now Paul introduces the mystery element of what will happen with our bodies. He begins by saying that we will not all die physically, but every member of the body of Christ will have their body changed. Paul refers to the resurrection as a mystery because this resurrection was not revealed in ages past, but God kept it a secret until He revealed it to Paul as part of the Mystery of Christ. They didn't know about this in Israel's program. There were resurrections in Israel's program but the one Paul is talking about here is not one of them. This was unknown. BEHOLD I SHEW YOU A MYSTERY: This introduces another component to the mystery which now from v50 concerns the resurrection for members of the body of Christ. I SHEW YOU A MYSTERY: This is the hidden part. Paul is going to introduce the mystery element to your new body. WE SHALL NOT ALL SLEEP, BUT WE SHALL ALL BE CHANGED: Not everybody is going to die but everybody is going to be changed. Because this is dispensational, talking about the members of the body of Christ living in the DOGG. Your new body is in connection with your inheritance. If you don't have your new body, can't have an inheritance.	q`

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:51	GH: Mystery Verses - Component 3: the resurrection of the members of the body of Christ	51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, WE SHALL NOT ALL SLEEP: Not everybody will end up dying a physical death. There will be some that are alive at the coming of the Lord and they will just be transformed in that moment. MM says Paul is not presenting the idea/doctrine of soul sleep, like Jehovah Witnesses believe. When someone died in the Bible, it often describes it as “they fell asleep.” It's not in today's vernacular but probably should be. The reason for this is because a body which is dead appears as one which is asleep and vice versa. The “sleep” is always a description of the physical body and never the soul. Your soul does not sleep. When you say someone died, misleading because their soul and spiirit did not. SLEEP is describing your body, not your soul. We shall not all die. MM says he does not believe this is soul sleep for a moment. (Please see 'Definition : Soul Sleep' in the Commentary.) This is for people who are in Christ. It's not like that for people who are not in Christ. They are never said to SLEEP, which has a connotation to it. And SLEEP has to do with your body, not your soul. Think about what a dead body looks like - looks like it is sleeping unless you've been dead for a week. This is describing your body. SLEEP: Means the death of the body. SLEEP always has to do with your body, not your soul. Passage is talking about the resurrection of your body. You are going to get a new body, not a new soul. BUT WE SHALL ALL BE CHANGED: Paul is saying that there is an event in the mystery – which no one knew but God – that will affect every member of the body of Christ. We will not all sleep means we will not all die (physically). Talking about the death of the body. WE SHALL ALL BE CHANGED: This is our Glorification (future tense). At the Blessed Hope. WE: Since dispensational, talking about the body of Christ. ALL BE CHANGED:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:52		52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. IN A MOMENT, IN THE TWINKLING OF AN EYE: Means/Happens instantly. Two things will be happening: 1) the dead are/will be raised incorruptible 2) the living shall be changed (the WE is the ones not dead) IN THE TWINKLING OF AN EYE: MM says when you move your eye gaze across a room, you think it is one continuous motion but it's not. Actually your eye is just little miniature darts that go from one little point to another and you just put them all together. It looks like eye movement. Is one of those dart jumps IN THE TWINKLING OF AN EYE? MM says no idea but that has to be fast. AT THE LAST TRUMP: Some equate the timing of this with the 7th trumpet in Revelation, which carries a lot of implications if that were the case. But that interpretation violates the principles of right division and the separation of the programs. Would be confusion of the two programs. This is a mystery that is part of the DOGG and will happen at the end of the DOGG. The 7th trumpet will not take place until the resumption of Israel's program and this DOGG is completely over. Many preachers think this is the last/7th trumpet in the Book of the Revelation. But this confuses the prophetic program with the Mystery, this is a mixing of the programs. These trumpets are blown during the 7-year tribulation and if this is that trumpet, you are not delivered from wrath. But Paul said you were DELIVERED US FROM THE WRATH TO COME-1 Thessalonians 1:10. Trumpets are all over Israel program but only for us at THAT BLESSED HOPE-Titus 2:13. Living are not raised, they are changed. MM thinks this is the Voice of the Lord. At the BLESSED HOPE, there are two groups in view, those who are alive at His coming and those who are already dead.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:52		52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. THE LAST TRUMP: If there's a LAST TRUMP, there must be a first trump. At the Blessed Hope, the Lord will return with a trumpet, which will be blown twice. Those who are alive at that coming will be changed at the last trump or the second blowing of that trumpet. GH: See first trump where the DEAD IN CHRIST SHALL RISE FIRST-1 Thessalonians 4:16. So, if you have trusted Christ as Savior, you will be transformed to receive your new body at one of those trumps. Once you have been transformed, you will be gathered to the Lord along with all the other members of the body of Christ, where we will serve Him in the heavenly places. There are no “times” or “seasons” when it comes to the Blessed Hope. This dispensation of grace ends just like it started, unexpectedly. MM says it makes sense that if Paul is writing to the body of Christ, you should be able to go to his epistles to find this. LAST TRUMP: MM says if you have a LAST TRUMP you have to have a first. See at the LAST TRUMP those who have died in this DOGG, members of the body of Christ, get raised and those that are living get CHANGED. TRUMP: Is the sound that a trumpet makes. One trumpet can make many trumps. This is singular. MM believes when the Lord returns at the BLESSED HOPE-Titus 2:13, He is going to speak words that Paul describes as a TRUMP. He thinks the trumpet is the Voice of the Lord because he believes that is the same voice that spoke creation into existence. Now that Voice is raising the dead and taking that back to dust and putting together a glorious resurrection body. And when He speaks a second time, He transforms the living to have that glorified body and catches them up to Him and those who were dead in Christ. The unsaved world will hear the thundering (we will too). MM doesn't take the TRUMP as a horn blast, he sees it as that Voice of God that raises the dead incorruptible. And that second voice changes mortals immortality. Looks glorious to MM when he thinks of it that way.
1 Corinthians 15:52		52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. THE DEAD SHALL BE RAISED INCORRUPTIBLE: You know this is not your soul because your soul is not corrupting, your body is. For those who have already died, they will be raised incorruptible. INCORRUPTIBLE: OED: Incorruptible means incapable of undergoing physical corruption; that cannot decay or perish, everlasting, eternal. WE SHALL BE CHANGED: The living are not raised, they are CHANGED.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:53		53 For this corruptible must put on incorruption, and this mortal must put on immortality. THIS CORRUPTIBLE MUST PUT ON INCORRUPTION, AND THIS MORTAL MUST PUT ON IMMORTALITY: Talking to two different groups: 1. Corruption put on incorruption: Those that already died. 2. Mortality put on immortality: Those who are still alive. So when the Lord returns, no matter what condition you are in, it's going to have to be changed. THIS CORRUPTIBLE: Point: When we die, our body begins to decay and corrupt. Embalming doesn't prevent this process, just slows the process down but doesn't stop it. That's all that it does. PUT ON INCORRUPTION: This is our Glorification (future tense). At the Blessed Hope. MUST PUT ON IMMORALITY: If we are still alive when the Lord returns at the Blessed Hope, then we must be changed for, as we have already studied, we cannot function in the heavenly places without our heavenly bodies. PUT ON IMMORTALITY: This is our Glorification (future tense). At the Blessed Hope.
1 Corinthians 15:54-55		Paul repeats his confidence in being resurrected. Paul answers in v39-50.
1 Corinthians 15:54		54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. Paul is thinking of Isaiah 25:8 when he writes this. referring to what Isaiah wrote as a 'saying'. For the BR of Israel, Isaiah's prophecy will come true at the start of the Millennial Kingdom. But for the body of Christ, this will all come true for us at the Blessed Hope, when our bodies are changed and the dead in Christ are resurrected. THEN SHALL BE BROUGHT TO PASS THE SAYING THAT IS WRITTEN, DEATH IS SWALLOWED UP IN VICTORY: MM tying to Isaiah 25:8. DEATH IS SWALLOWED UP IN VICTORY: Paul is referring to something written back in the Book of Isaiah - HE WILL SWALLOW UP DEATH IN VICTORY-Isaiah 25:8. For Israel, this is the resurrection of the saints before the kingdom. For us, this is the BLESSED HOPE-Titus 2:13. GH: Tying two dispensationally separate events together.
1 Corinthians 15:55		55 O death, where is thy sting? O grave, where is thy victory? O DEATH, WHERE THY STING? O GRACE, WHERE IS THY VICTORY?: Seems to be a loose quote (not word-for-word) of O DEATH, IT WILL BE THY PLAGUES; O GRAVE, IT WILL BE THY DESTRUCTION-Hosea 13:14. While Israel must wait until after the millennial reign to have death done away with; but that is a reality for the members of the body of Christ at the Blessed Hope. According to Paul, death has lost its sting, and the grave has lost its victory. O DEATH, WHERE IS THY STING?: Paul is saying this because he knows when he dies, there's not STING of DEATH because he won't stay dead. O GRAVE, WHERE IS THY VICTORY?: Paul is saying he's not going to stay in the grave either.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:56		56 The sting of death is sin; and the strength of sin is the law. When Christ died, He took upon Himself the sins of the world. And because He took upon Himself the sins of the whole world, if He had not paid in full for everyone of those sins, He would not have been able to resurrect from the dead because Romans 6:23 says THE WAGES OF SIN IS DEATH. His Resurrection from the dead is the absolute proof that He completely paid in full the entire sin debt for the world. THE STING OF DEATH IS SIN: MM linking the BONDAGE OF CORRUPTION to the entrance of sin. Sin brings physical death and moral/spiritual death. Means that death is the result of sin. GH: MM ties to THE WAGES OF SIN IS DEATH-Romans 6:23. When Christ forgave our sins, He removed THE STING OF DEATH. THE STRENGTH OF SIN IS THE LAW: Means that the Law is what makes sin stronger and more obvious. GH: MM ties to I HAD NOT KNOWN SIN, BUT BY THE LAW-Romans 7:7. Paul is saying the Law showed us what sin was, even in some instances that we didn't identify it. MM says people by nature understand some things are right and some things are wrong because they are self-evident. EX Kindness is a virtue. The Law took what was in a man's conscience and fleshed it out. So a man by nature knows some things are wrong.
1 Corinthians 15:57	Prayer Aspect : Thankfulness = THANKS BE TO GOD	57 But thanks be to God, which giveth us the victory through our Lord Jesus Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 15:58		58 Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord. Paul applies the sure fact of the resurrection to the believer's conduct. He overcame sin while He was on the Cross. His words, "It is finished" were in reference to the redemption by the payment of sins. When did He overcome death? He overcame death at His resurrection. So, there is the death and the resurrection. But what about the burial? The burial was necessary as it was the final sign given to the nation-Matthew 12:38-40, it is fulfilling the sign of the prophet Jonah. THEREFORE: He is hearkening you back to things that he has already said. For 57 verses, this has been about the resurrection, including the mystery portion. 'Therefore, if you have that knowledge of the resurrection, be stedfast, unmoveable...etc.'. MY BELOVED: Paul is describing how he feels about them. YOUR LABOUR IS NOT IN VAIN IN THE LORD: Because we have eternal life, as Christ overcame both sin and death for us. He overcame sin while He was on the Cross. His words, "It is finished" were in reference to the redemption by the payment of sins. When did He overcome death? He overcame death at His resurrection. The burial was necessary as it was the final sign given to the nation (see Matthew 12:38-40). LABOR IS NOT IN VAIN: If there is no resurrection, why would you be laboring? This isn't the end. The things you are working for, these are eternal. IN VAIN: If there was no resurrection, what would you be doing all of this for. Because when your dead, that would just be the end of it. Your labor is not in vain because this isn't the end. The things you are working toward, they are eternal and you're going to get to be part of that.
1 Corinthians 16:1-24		Concluding exhortations All the doctrinal content is over and Paul takes care of some housekeeping items, he is tying up some loose ends. He has a few miscellaneous subjects he is going to cover in the last chapter. See some of the personal aspects of Paul's ministry in this closing chapter. Subjects include: * the collection for the saints at Jerusalem

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:1		1 Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye. CONCERNING THE COLLECTION: Paul starts with the collection for the poor saints in Jerusalem. Paul is taking up collection for the church of the believing remnant/the little flock. Paul truly loves the saints in both programs. More than just guilt from the past. No small issue to the apostle Paul. Spends a whole chapter on it in 2 Corinthians. This is near and dear to his heart. Perfect storm of events happened and Paul really wanted to help them. * Prophesized famine took place and impacted a lot of people. It affected the economy but not just in Jerusalem. Was kind of across the world. MM tying to THAT THERE SHOULD BE GREAT DEARTH THROUGHOUT ALL THE WORLD-Acts 11:28. * The church at Jerusalem had a large number of widows in it which they were supposed to take care of. MM tying to Acts 6:1. The church had a certain obligation to care for widows. * The church at Jerusalem had pooled their money and resources through the years and they were out, they had exhausted/expended those resources. MM tying to Acts 2:42-45 and Acts 4:32-35. * Because of the persecution against the Christian believers, if you were known to be a member of the little flock, you might lose your job or it would be difficult for you to get a job. EX In Jerusalem, many of the jobs took place in the temple. If you are a member of the believing remnant, they know you believe in the resurrection. The Sadducees did not. Some lost their positions in the temple because of their belief in the resurrection.
1 Corinthians 16:1		1 Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye. With all these happening, the church is in pretty bad shape. If someone didn't want to give to the collection, then don't. MM talks about Christians being responsible for many charitable endeavors around the world - EX Red Cross, YMCA (Young Men's Christian's Association), Salvation Army. Other endeavors no longer identify themselves as Christian but were started that way. MM says the local church does have a responsibility to those among its members who are truly needy. Paul brings up this issue of helping the poor in Jerusalem quite a lot. MM thinks it's more than a guilt thing because he used to persecute them. It is personal to Paul because he loves the saints in both programs. The doctrine has, no doubt, worked in Paul to produce godly love and a desire to alleviate suffering. It may also be because Paul remembers how he persecuted these people before his conversion, and now he wants to help those that he previously afflicted. THE COLLECTION: Giving (collection) is an offering which is in addition to what they are already doing in their local churches (Romans 12:8). MM says if someone didn't want to give to the collection then don't. But Paul is taking up a collection.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:2		2 Upon the first day of the week let every one of you lay by him in store, as God hath prospered him, that there be no gatherings when I come. UPON THE FIRST DAY OF THE WEEK: Not talking about a church offering, talking about an offering to the church at Jerusalem. They had abandoned the Sabbath in favor of meeting on the first day of the week - Sunday. MM doesn't think God is upset with GR meeting on Tuesdays. It doesn't matter to the Lord and once you get past the observance of days, it won't matter as much to you. LAY BY HIM IN STORE: Notice that Paul asks them to gather it before he comes so he doesn't have to address it when he gets there. Paul is not placing an obligation on anyone. If some of them did not want to give, then they didn't have to. Paul simply says for them to "lay by in store" each week when they meet, and he would pick up that offering when he comes. Paul asks them to "lay by in store" on the first day of the week because the church had already begun meeting on the first day of the week (Sunday) and not following the Jewish Sabbath (Saturday). GH: MM tying to Romans 14:5. THERE BE NO GATHERINGS WHEN I COME: Paul is saying I don't want to come and raise money. He is telling them about it now so that they can already be doing that over a protracted time. It is probably a pretty good offering by the time it all gets said and done. When Paul comes, he wants it to be done. If you want to participate in it, here it is. If you don't, then don't. He is not forcing anyone to give.
1 Corinthians 16:3		3 And when I come, whomsoever ye shall approve by your letters, them will I send to bring your liberality unto Jerusalem. WHOMSOEVER YE SHALL APPROVE: If you want someone from your church to take this offering to the saints at Jerusalem, they can do that or they can come with me. Or you can give it to me. MM thinks Paul is being really wise about the way he is presenting that to everyone about this giving. Notice Paul never asks for money for himself.
1 Corinthians 16:5-9		Paul is telling the Corinthians that he intends/means to see them again when he is on his way to Macedonia. MM says he is kind of amending his travel plans. GH: See 2 Corinthians 1 commentary for more details.
1 Corinthians 16:6		6 And it may be that I will abide, yea, and winter with you, that ye may bring me on my journey whithersoever I go. WINTER WITH YOU: MM says it was really hard to travel in the winter so Paul stayed somewhere.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:9		9 For a great door and effectual is opened unto me, and there are many adversaries. FOR A GREAT DOOR AND EFFECTUAL IS OPENED UNTO ME: He is saying, 'Hey there's a big opportunity here for me...' Paul says that one of the reasons for such a long stay in Ephesus (3 years) on his 3rd journey was because of opportunity. The first three months found Paul ministering in the synagogue (GH: Jew first ministry). After that, two more years in the school lecture hall of the school of Tyrannus and then "a while" longer as recorded in Acts 19:8, 10, 22. Why school versus a local church? MM thinks the audience is too big to get everyone into a home. Thinks the outreach was greater than the house churches. Point: Even with an "open door of opportunity," does not imply that ministry will not be difficult or there will not be opposition. In fact, to the contrary, an open door may be met with increased opposition and attacks. THERE ARE MANY ADVERSARIES: An "open door of opportunity," does not imply that ministry will not be difficult or there will not be opposition. GH: MM tying to I HAVE FOUGHT WITH BEASTS AT EPHESUS-1 Corinthians 15:32. We get the idea that if there is an open door of opportunity we are supposed to sail right through that because God is leading us and there won't be any trouble. Taught this and then if it is difficult you think maybe this isn't what God wants us to do. Point: Just because there is a door of opportunity doesn't mean it won't be difficult. Sometimes a great opportunity is accompanied by increased opposition and attacks from the adversary. Clifford speculates some of his adversaries may have been from the small churches. MM supports this by saying in 2 Corinthians you are given 8 types of attacks that will come against an assembly of people, some come from outside the assembly and some come from INSIDE the assembly - 50/50. Still the hecklers and troublemakers.
1 Corinthians 16:10-12		Timothy is coming down through Macedonia and he may come see you at Corinth. If he does, please roll out the red carpet for them. Treat Timothy with kindness and to help him in his travels. He has things he is doing for Paul. The people of Corinth really want to see Apollos, the great orator. He also tells them that Apollos is not able to come to see them at this time, but he may visit them later on. MM says this is kind of a warning about Timothy because they wanted Apollos, the great orator. Apollos said he couldn't come at this time. He will come sometime but don't be disappointed it's just Timothy. I need you to really take care of him and treat him with kindness.
1 Corinthians 16:12		12 As touching our brother Apollos, I greatly desired him to come unto you with the brethren: but his will was not at all to come at this time; but he will come when he shall have convenient time. Apollos was a great orator and the Corinthians loved that. They wanted him to come but he was too busy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:13	GH: Evidence of a spiritual leader / GH: Oneness of spirit	13 Watch ye, stand fast in the faith, quit you like men, be strong. Ways for a man to build a oneness of spirit: Evidence of being a spiritual leader - Refusing to compromise your spiritual convictions. Talking about being able to stand, sometimes alone, without compromising your spiritual convictions. WATCH YE: Paul exhorts them to be vigilant against the evils of which he has admonished them: dissension, false doctrine, disorder in the church, false teachers, etc. GH: Ties to the 'watch' component of the office of MERCY. STAND FAST IN THE FAITH: Paul is not saying to stand fast in your salvation, but stand fast in the doctrines which you have learned. Means to hold firm and defend the gospel of grace and the doctrines pertaining to the mystery of Christ, to be firm in maintaining what they believe and hold to the truth in spite of all the a4acks and false teachings. THE FAITH: Describes the whole of the doctrine of the mystery of Christ. The faith concerns his edification in the doctrines of Paul. We usually think of faith as connected with salvation; we are saved by grace through faith. But in verses like Romans 14:1 and 1 Corinthians 16:13, he uses it to describe the whole of the doctrine of the mystery of Christ.
1 Corinthians 16:13	GH: Evidence of a spiritual leader / GH: Oneness of spirit	13 Watch ye, stand fast in the faith, quit you like men, be strong. MM says everything in this verse is in the Ephesians 6:10-20 passage. * Watchings * Standing fast * Quit ye like men * Be strong QUIT YOU LIKE MEN, BE STRONG: Not talking about worldly advice. Don't be like children, be like adult men. Be adult sons and daughters. Make good Sonship decisions. It means to be courageous and brave, not cowardly or alarmed by enemies. This is the only me this phrase is used in the Bible. BE STRONG: Is to be firm, fixed and steadfast. MM tying this to Ephesians BE STRONG IN THE LORD-6:10.
1 Corinthians 16:14	GH: Key verse	14 Let all your things be done with charity. This is of such importance that Paul is constantly repealing this direction. Charity is to regulate all they/we do. If what you are doing is not done out of godly love; then pause to make it right before you continue. Remember, charity is a decision to value and esteem another the way our heavenly Father does, and for the same reasons He does. Charity is a decision we make because we are responding to the doctrine. Don't fall into the trap that thinking knowledge is king. There are people who think knowledge is king. It's important, but it's not king. CHARITY is king. MM points to 1 Corinthians 13. Charity always involved edification. What you are saying and doing should be out of your edification to the edification of the other person. LET ALL YOUR THINGS BE DONE WITH CHARITY: Think of charity as the automatic attachment to every doctrine. Comes back up again, talking about that godly love. DONE WITH CHARITY
1 Corinthians 16:15-16		Take the parenthesis out and see how valuable the Stephanas household is to the church.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:15		15 I beseech you, brethren, (ye know the house of Stephanas, that it is the firstfruits of Achaia, and that they have addicted themselves to the ministry of the saints,) Evidently, the house of Stephanas was among the first of those who believed Paul's gospel in the southern region of Greece, Achaia. Most, if not all of the household of Stephanas had been converted. These were among those whom Paul said he baptized (1 Corinthians 1:15). HOUSE OF STEPHANAS: They are the ones that got the ball rolling, everything came from there. THAT THEY HAVE ADDICTED THEMSELVES TO THE MINISTRY OF THE SAINTS: Means they had devoted themselves to the service of other believers by aiding Paul's ministry, by showing hospitality, by providing for the needs of others, and by assisting and aiding the apostles in their journeys. This whole family willingly, from the time of their conversion to Christ, gave of themselves and cheerfully engaged in the oversight and care of the church. MM says if you are going to have an addiction, that is a good one to have. THEY HAVE ADDICTED THEMSELVES TO THE MINISTRY OF THE SAINTS: The remnant/LEAST ESTEEMED-1 Corinthians 6:4 that is following Paul. MM says look at this terminology. What a testimony. MM says how would you like to have that said about you?
1 Corinthians 16:16		16 That ye submit yourselves unto such, and to every one that helpeth with us, and laboureth. Just as they have done, you submit yourselves to the same kind of thing. THAT YE SUBMIT YOURSELVES UNTO SUCH: In every divine institution there are positions of authority and positions of submission to that authority. In fact, in every institution, whether it is divine or of men, there is a structure of authority which is necessary if the thing is to actually function. Our American culture doesn't like the word submission, so when people read Paul's epistles and see that word "submit," they react against it. But, in the kingdom of God, submission is not a bad thing at all, in fact, it is a noble attribute that acknowledges an authority structure. Proper submission is not about being weak, it is about being godly. Jesus Christ, the eternal Son of God, the Creator of heaven and earth and all that is in them, the Alpha and Omega, the beginning and the end, He has no trouble submitting to the authority and will of His Father because in the ordained order of things, God is the Head of Christ. MM says if these people are ministering, the job of those they are ministering to is to submit to that. YE SUBMIT YOURSELVES UNTO SUCH: Paul is giving the ones who follow him a position of authority. SUBMIT YOURSELVES: Something you do for yourself(privately). SUBMIT: MM says we don't like the word SUBMIT in this culture. We don't want to SUBMIT to anybody, anytime, anywhere. But this is not the position the apostle Paul holds because he doesn't care about American culture. He cares about godliness. If you live in the US and you live say in the state of Texas, you are under authority and you are called to submit to that authority.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:17		17 I am glad of the coming of Stephanas and Fortunatus and Achaicus: for that which was lacking on your part they have supplied. STEPHANAS AND FORTUNATUS AND ACHAICUS: These three men came to Paul in Ephesus and provided information about what is going on at Corinth, carrying a letter from the Corinthian church. By their fellowship Paul learned the state of the church at Corinth. Paul is lifting these guys up too. FORTUNATUS: One of several Jews with Roman names. ACHAICUS: A Greek name.
1 Corinthians 16:18		18 For they have refreshed my spirit and yours: therefore acknowledge ye them that are such. FOR THEY HAVE REFRESHED MY SPIRIT AND YOURS: This was due to the report they gave to Paul which indicated that things in Corinth were not as bad as Paul feared they might have been. FOR THEY HAVE REFRESHED MY SPIRIT: Paul is saying they renewed, they encouraged, they picked him up. REFRESHED is the word MM is looking for as a result of the office of MERCY being properly handled.
1 Corinthians 16:19		19 The churches of Asia salute you. Aquila and Priscilla salute you much in the Lord, with the church that is in their house. SALUTE YOU MUCH: Was a respective greeting with an emotional attachment or special affection that makes them feel more intimate. SALUTE: Is to send them respectful greetings as fellow believers. AQUILLA AND PRISCILLA: They were tent makers. Paul lived with them for a long period of time. Aquila and Priscilla started a church in their home in Rome before they were expelled. Contrast to 2 Corinthians 1:8. AQUILA: One of several Jews with Roman names. THE CHURCHES OF ASIA SALUTE YOU: It's a salutation/greeting. The churches in Asia know about the church in Corinth. Why greetings? What in common? Body of Christ, Paul, all knew what they were working toward - common goal, common apostle, common doctrine.
1 Corinthians 16:21		21 The salutation of me Paul with mine own hand. Paul, for whatever reason, was accustomed to having someone else write his letters to the churches, as he dictated them. But, ever since the counterfeit letter to the Thessalonians that falsely claimed they missed the rapture and were in the tribulation, Paul signed the letters with his own hand so there would be no more forgeries. Paul calls attention to the fact that he has written the salutation of the letter with his own hand.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Corinthians 16:22		22 If any man love not the Lord Jesus Christ, let him be Anathema Maranatha. Saints are accused of not loving God. Paul brings the Corinthians back to the true test of their faith; do they love the Lord Jesus? ANATHEMA MARAN-ATHA: ANATHEMA: Means accursed. This expresses the truth of God's dealings with those who do not "love the Lord Jesus," not the desire of Paul. In other words, this is Paul stating the fact, not wishing destruction upon them. MM thinks it's more likely has to do with some who were in the church at Corinth. These would likely be the false teachers and apostles and those who sided with them who made factions and divisions in the church. These allowed themselves to commit moral sins; they violated the consciences of weak brethren, laying stumbling blocks in their way, behaved badly at the Lord's Supper, and gave in to doctrinal errors and heresies, particularly denying the resurrection of the dead. By these practices, they plainly showed that they did not in truth, love the Lord Jesus. MARAN-ATHA: Is a Syriac expression which means, "the Lord is at hand," or "the Lord is come." The coming of the Lord. This word is meant to convey the time of their destruction, at the coming of the Lord. Has to do with the coming of the Lord.
1 Corinthians 16:23		23 The grace of our Lord Jesus Christ be with you. This is Paul's salutation in every epistle; that he wishes for all of them a supply of grace from the Lord Jesus Christ, and his desire for the increase of God's grace in the saints to quicken them in every duty. Paul is saying, "May the favor, influence, mercy and salvation procured by Jesus Christ be with you, may it prevail among you, rule in you, and be exhibited by you in all your life and conversation."
2 Corinthians, Philippians, 1/2 Timothy, Titus		Contains most of the sufferings doctrines.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians		2 Corinthians: Paul teaches all 5 of the parts of the New Covenant. Paul is not saying we are Israel, just that we have to have the same spiritual fitness to be utilized out there they they have to be utilized down here. Before, Paul educates you in your perfect justification (Romans 1-5) and perfect sanctification (Romans 6-8). Educates you what you have been given to make you spiritually fit so that you can then be educated as a son. 2 Corinthians: Because Paul knows that the Corinthians got back on track and they will be going through the SoC/POE attacks, he is writing to comfort them. 2 Corinthians: All about the SUFFERINGS OF CHRIST (the POE - produced by the POE.). Whole Book deals with the SoC and what to do in response to that. 2 Corinthians: Paul writes on how to deal with a Satanic POE that caused them to get off-track in the first place. 2 Corinthians: Deals with the Sufferings OF Christ, which come from the attacks of the POE directed against us in PHASE 2 of those attacks. Deals with the fundamental sufferings of POE Phase 2. Education dealing with Phase 2 of the sufferings of Christ. Talking about the SoC and he is breaking these down into categories/there are different kinds of attacks - 8 categories (kinds of attacks) & gives in related (GH: similar) groups of 2. 2 Corinthians: Is a correction to somebody who came out of Romans doctrine and didn't get that right. Restabliziing them in the Romans doctrine. Is a whole book dedicated to suffering. Once this doctrine is in you, you can go through any kind of these sufferings to the honor and glory of Jesus Christ.
2 Corinthians		It is this second category of sufferings (GH:SoC) that the entire book of 2 Corinthians is focused on. Paul devotes an entire Book to the SoC. This Book details eight categories of attacks that Satan's POE uses against sons/individuals or churches going through the education, that are really involved in the Sonship life and being edified by it. These all happened to Paul. First 4 are personal in nature, attack Paul personally. The last 4/second 4 are ministry attacks, against Paul's ministry. 2 Corinthians: Paul details 8 categories of attacks that come against the church. In this case, either Paul personally or the church at Corinth. 2 Corinthians: In this book Paul is detailing eight categories of attack from the satanic policy of evil or the sufferings of Christ. These categories of attack are against Paul, against his co-workers, against his ministry, and against the church at Corinth. The attacks are to make the people throw in the towel and quit. The SoC (sufferings of Christ) detailed in 2 Corinthians amount to little more than a character assassination campaign against Paul. the phase 2 attack of the policy of evil (attack the messenger) against the Romans doctrine. He is detailing the attacks of Phase 2 and giving the doctrinal remedy for each one. Paul provides a defense of himself, his co workers and his ministry so that the Corinthians are not “beguiled” away from Paul’s doctrine concerning the mystery of Christ and so they themselves are not victimized by these same attacks. Paul is saying, since you guys are now back on track, you need to expect this from the adversary. Covers the hardest and most difficult days of Paul's ministry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians		Paul in Philippians 4:8 will make a reference to the things sitting back in 2 Corinthians. Not describing the attack, describing the remedy. 2 Corinthians 1:13-24: WHATSOEVER THINGS ARE TRUE: 8 true things 2 Corinthians 2:1-17: WHATSOEVER THINGS ARE HONEST: 7 honest things 2 Corinthians 3:1-18: WHATSOEVER THINGS ARE JUST: 5 just things 2 Corinthians 4:1-6: WHATSOEVER THINGS ARE PURE: 3 pure things (MM says did he miss some?) 2 Corinthians 4:7-5:21: WHATSOEVER THINGS ARE LOVELY: 10 lovely things 2 Corinthians 7:4-9:15: WHATSOEVER THINGS ARE OF GOOD REPORT: 11 issues of good report 2 Corinthians 10:1-18: IF THERE BE ANY VIRTUE: 3 virtues 2 Corinthians 11:5-12:10: IF THERE BE ANY PRAISE: 3 issues of praise THINK ON THESE THINGS: If you don't know those things in 2 Corinthians, you can't think on them. See how the doctrine is progressive and builds on top of each other? As you can see, the doctrine sitting in 2 Corinthians is going to be necessary when we get over to Philippians as it will build upon that which we have already encountered.
2 Corinthians	Doctrinal Progression	2 Corinthians This epistle provides the remedy for the first round of the PoE's Phase 2 sufferings. At this point, the Corinthians are being "partakers of the sufferings of Christ (2 Corinthians 1:7)." POE Round 1/Phase 2 - Attack Messenger and the remedy for those (if he is not going to corrupt the message (Phase 1), let's get him to shut it down (Phase 2)) 8 categories of sufferings/kinds of attacks that Satan will utilize against us all & gives in related (GH: similar) groups of 2 - gives the doctrinal remedy for each 1:1-1:11 - Introductory issues of the Sufferings of Christ/Phase 2 of the policy of evil (PoE) and the design for the effectual working of the doctrine in this epistle. - Paul introduces it and starts showing you the pattern for how all this doctrine is going to follow. 1:12-2:17 - Categories 1 & 2 of the SoC - PERSONAL attacks that come from INSIDE the church - related to issues of personal integrity primarily coming from those inside or within the church. 1:12-1:24 - Category 1 - grievous wolves "outside the church" 2:1-2:17 - Category 2 - of your own selves "within church" 2:12 7:1 - Paul gives the most compelling defense of his apostleship and ministry in all his letters.

2 Corinthians	Doctrinal Progression	3:1-4:6 - Categories 3 & 4 of the SoC - PERSONAL attacks that come from OUTSIDE the church - as they pertain to the offensiveness of Paul's ministry. Related to issues of attacking Paul's personal integrity coming from those outside the church. 3:1-3:18 - Category 3 4:1-4:6 - Category 4 4:7-9:15 - Categories 5 & 6 of the SoC - MINISTRY attacks from OUTSIDE the church - related to issues of ministry integrity primarily coming from those outside the church. 4:7-7:3 - Category 5 7 - 9 - Paul lays out the implications for the repentant Corinthians. Those that believe in him, embracing Paul and the Truth he is teaching. 7:4-9:15 - Category 6 - The fourth offensive issue of Paul's ministry 10 - 13 - Describe the implications for those who still reject Paul and the Truth. 10:1-13:14 - Categories 7 & 8 of the SoC - MINISTRY attacks from INSIDE/within the church - related to ministry integrity primarily coming from those inside or within the church. - Have an additional element - not just attacking the messenger, but have an element to discredit the messenger (moving you into Phase 3) - PoE begins to bleed over into the discrediting objectives of his Phase 3 attacks. This segues us into the book of Galatians, which deals with Satan's successful implementation of the Phase 3 attacks of his PoE. 10:1-10:18 - Category 7 11:1-13:14 - Category 8

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians		The people to whom Paul is specifically addressing are those who stand with Paul, acknowledge his apostleship, and believe his doctrine. The main topic is the comfort which God gives in the midst of suffering; specifically, the Sufferings of Christ. The main theme, or, the epistolary function of 2 Corinthians, which is the comfort that comes from God in the midst of affliction and suffering. The wording Paul uses tells us the epistle as a whole is theologically oriented [theos means God], which means that although Paul does have his apostleship in view [the first attack is Paul's apostleship], the letter is really about God. About who God is, what God is doing, and why He is doing it. Paul primarily uses his sufferings, but Paul has Timothy and Silas with him, so sometimes he uses a literary plural, referring to the apostolic "we," even if they don't experience the exact same sufferings. 8 Categories of the sufferings of Christ: 1. An attack on Paul's integrity. Paul was charged with being twofaced and dishonest, that he was misleading people. They spread the lie that Paul was insincere and could not be trusted. They insisted that Paul was little more than a tyrant. They criticized Paul's leadership style saying Paul was domineering, bossy, and overbearing. They accused Paul of being heavy handed and over assertive. Basically, they painted Paul as a bully, a dictator who intimidated people and terrorized them into accepting his doctrine. As a result, many in the church at Corinth were convinced that these things about Paul were true. It made some of them turn from Paul and his doctrine. It caused them to doubt his apostleship. In the face of all this, 'the shield of faith'-Ephesians 6:16 allowed Paul to continue his ministry in the face of these 'fiery darts'-Ephesians 6:16.
2 Corinthians		Learn about Paul's personality and character. The closest thing we get to reading Paul's journal. He opens himself up in this Book like none of the other epistles. Really get to see into his heart and behind the scenes and the great love that he has for all of the churches, the Corinthians included. The most intimate look at the apostle Paul of all of his letters. Even though Paul established the church at Corinth, in his absence there are some fake apostles that come into that church that not only oppose Paul, they oppose the doctrine that he is teaching and the turn the church, with just a few exceptions, like the household of Chloe and a few others, they turn the church against Paul They convince them that: * he is not a real apostle. * he has nefarious motives for everything that he is doing. * he cannot be trusted on either a personal level or a ministry level. And they have really undone him, which is why when Paul make that brief visit to them to try and straighten all that out, that backfires in a big way. And when Paul leaves there, he is absolutely devastated because they have turned their back on him and his doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians		Paul is setting forth the pattern for ministry in Christ. The keynote idea of the book is that weakness is the source of strength, and suffering is the vehicle for God's power and glory. - Paul has two great goals in this book. This Book is a defense of his apostleship. He is really trying to preserve two things: 1) to preserve his apostleship as being genuine. 2) to preserve the Corinthian church. He doesn't want to let it go and let it become something that it was never meant to be. By this time, Paul has the full attention of the Adversary. Therefore, the Book of 2 Corinthians was wri7en during the most difficult time of Paul's life, for Satan has unleashed phase 2 of his policy of evil (PoE) against our apostle; attack the messenger. Written mid-50s A.D. and Paul is having one of the most difficult times in his life due to the PoE. See eight categories of the SoC: 1. What/Where they are coming from. 2. Against Paul's ministry or against Paul personally. 3. Get the attack and then the doctrinal remedy.
2 Corinthians		For Paul, ministering in a world hostile to Christ meant that his life and ministry constantly overflowed with tribulations and sufferings. At the same time, those sufferings, persecutions, & tribulations were indicators or they underscore the real connection or relationship that Paul had with Jesus, in distinction from the false teachers in Corinth. The false teachers said if you were representing God, you wouldn't be suffering like you are. But what Paul is going to say, you don't understand. My suffering doesn't show that I'm not with God, it connects me to Him. The SoC are a result of your connection with Christ, which was the opposite way the false teachers at Corinth thought about it. The SoC underscore the connection that the apostle Paul has with the Lord Jesus Christ in distinction from these false apostles in Corinth, who have no such connection with the Lord Jesus Christ. Yet they are saying, hey, you know we're of God. We're not having those troubles that Paul is having. We're not suffering like he is. You want to do that!?!?! See, that's not attractive. The flesh doesn't like that. So they are using that to kind of make a difference. So the false apostles lack of suffering was not an indication of a great relationship with God, but rather their connection with the adversary. 2 Corinthians - Ephesians 6 GH: parallels
2 Corinthians		Shows us 8 categories of the SoC. It tells us: * what they are * where they are from (inside or outside the assembly) * pertain to one of two things - either: 1) against Paul's ministry (EX if you are an apostle of God, how come you are suffering so much for your message?) 2) against Paul personally (EX accuse Paul of keeping the collection for the saints in Jerusalem) * for each one, get not only the attack, but the doctrinal remedy

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1, 2, 7, 8, 11, 12	Discernment vs. Fear	Example of the difference between discernment vs. fear: When Paul made his “change of plans” visit to Corinth. After Timothy’s report that the church was no longer following Paul, Paul made an “emergency visit” to Corinth, only to be so rebuffed by them (they don't want anything to do with Paul and tell him in no uncertain terms), that instead of staying to defend himself and “fight it out,” he willingly chose to leave Corinth in humiliation. He did not stick around to debate things. But this was not because Paul did not want to say some things, but rather, he discerned the best way to present his arguments to the church; and it was not by confrontation at that time. So, instead of going back a second time (which the false apostles criticized him about) he wrote in either Macedonia or Ephesus and sent a “tearful,” but stern letter (GH: third letter between 1 Corinthians and 2 Corinthians - not inspired and history did not preserve it) to the church where he bears his heart to the Corinthians. The letter does get down to Corinth. Paul is so worried about what the Corinthians are thinking after reading the letter that he sends Titus back over to check in on them. Titus heads back to Ephesus to report in. But Paul is so anxious to know and it's not like traveling today so he heads towards Macedonia to intercept Titus on the way back. Meets Titus, probably in Philippi and Titus has really good news, the letter turned everything around. Almost all of these churches are back on board. There's a few hold outs but the church has mostly returned. As a result of the tearful letter, the church which had overwhelmingly rejected Paul personally, rejected his apostleship, and rejected his doctrine, changed their minds and returned to Paul. Paul is not thinking that he won’t say anything, but he discerned the best way to say it.
2 Corinthians 1, 2, 7, 8, 11, 12	Discernment vs. Fear	And by that MM means, he intended all along to refute the lies and explain himself in connection with the accusations being made against him, but he chose the best way to accomplish his mission, which was not to defend himself, but to keep from losing the church at Corinth. It was his love for them that was evident in his tearful letter, and it was his desire to continue to minister to them that influenced his decision to handle things the way he did. POINT: A heated debate, which is not done in godly love, is not courageous or the way to reach people with the truth. But neither is closing our mouth and not saying a word. The truth is, sometimes standing for the truth is unpopular, and you may pay a bit of a price for it, but those are the sufferings of Christ. Paul doesn't immediately return to Corinth, but he writes the Book of 2 Corinthians. This Book is written to the two groups of people who are now at Corinth. There's a group that has returned to Paul and now they are totally on board and then there's a small group within the church that are still holding out - we don't like Paul, we don't trust him. Paul writes 2 Corinthians to give encouragement to the first group and to give the second group a chance to be persuaded and change their mind before he comes to them in judgment. Then, he begins to explain in that letter why he did the things that he did and when you see that letter, you figure out that Paul didn't leave in humiliation because he didn't have an answer...Here's what they spread around Corinth - he ran away because he was afraid, he's not a real apostle, he's afraid and we caught him; he can't be trusted, etc. But Paul didn't leave because he was afraid, he left because he made a Sonship decision - the best decision he could make in order to reconcile the Corinthians with himself and with his ministry. It wasn't about his pride - hey, I was called of God here, let me tell you. No, it wasn't like that. He said he didn't write the tearful letter to shame you, I wrote the tearful letter to show you my love for you. And when they really got a chance to see what was going on, that's when most of the church came back.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1, 2, 7, 8, 11, 12	Discernment vs. Fear	MM says this is an example of godly thinking dictating the decisions that Paul is making. Valuable for us to see an example of instead of reacting out of our flesh to the circumstances of life, now we have a chance to really put that doctrine to work in our lives. So he makes the decision to handle things the way he did. Point: He could have stayed, he a heated debate that's not done in godly love and it not end well. Would make things worse. So sometimes, when we hear those untruths, instead of pulling out that SWORD OF THE SPIRIT and standing for the truth, we close our mouths and we don't say a word. Especially, when standing for the truth is unpopular and you know you may pay a price for it and when you are the only one who stands for what is true. Point: Standing alone is very difficult.
2 Corinthians 1:1-7:16	GH: WoD Teaching	GH: MM is tying 1 John - 3 John and the remnant to these chapters and us. Paul is going to come along and talk about some accusations. Important because when we CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT-Romans 13:12, there is a retaliation made by the adversary and MM is going to share the nature of that attack. In the Romans 8:35 progression, this is part of those TRIBULATIONs. This falls in that general category of TRIBULATIONs. Three accusations will be made against you just as they were made against Paul and to the Corinthians to get the Corinthians to distance themselves from Paul. Three absolute attacks from the adversary. This is the second attack broken down into 3 parts or accusations. These are going to be the first kinds of attacks we are going to experience as an assembly. We're going to be warned about what they are before they happen. And then Paul is going to tell you exactly what to do in view of them because he wants us to weather these attacks. MM brings these up because when we CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT-Romans 13:12, these are the things that are coming our way first, so we are going to have to be educated concerning them. The Corinthian church had religious lost people making these accusations. Instead of having religous godly men who loved the word, they brought in lost reliqious guys who could make them appear affluent in the eyes of the community. MM says churches do that today. They don't put godly men on their Deacon board, they bring in the chief of police and the school board superintendent and business men who have clout/money/power because it gives them those things. Then the goals of these men line up with the goals of a carnal church. Paul makes these guys uncomfortable.
2 Corinthians 1:1-7:16	GH: WoD Teaching	Accusation 1: Paul is weak and his God is weak and the reason Paul's God is weak is that Paul claims He is. Because Paul claims that He is not delivering us from the sufferings. His detractors said our God is strong. Our God is omnipotent. Paul doesn't deny that God is omnipotent, but what he does deny is that God is intervening by His omnipotence to deliver them from the sufferings. Paul is going to come along and talk about suffering being a gift. They don't get that. The DARKNESS doesn't allow them to see that LIGHT. So they are going to go Paul is weak and his God is weak. Accusation 1*. Your weak and your God is weak. If you believe that your God is not intervening in the physical circumstances like Paul, then you serve a weak God or your weak or there's something wrong with you. BTW, The counterfeit doctrine that He is intervening in the phyiscal circumstances is a lot more desireable than the Truth that He is not. Being conformed to the Image of His Son by the SOPT are not nearly as attractive as God is going to do a miracle. It's designed to be more attractive.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:1-7:16	GH: WoD Teaching	Accusation 2: Paul's zeal is offensive. Paul is way out of balance talking about his zeal. He is way out of balance talking about his zeal. What Paul is interested in and what Paul thinks and what Paul says, people don't want to hear that. That's what they are saying to the Corinthians. MM says in today's language - you want your church to be big / respected / successful, then there's some subjects you need to steer away from and there's some things that you don't want to talk about and you don't want to offend anybody. So you better find ways to go through the motions without making anybody angry. When you've got that big building and that building note hanging over your head, if you make a significant person or the right people angry and they leave and take people with them, then you're going to stuck with a payment that you can't make and you are going to go under.
2 Corinthians 1:1-7:16	GH: WoD Teaching	MM is glad that we don't go out into this town, find the who's who and give them positions of power in this town because we think that same goals they have are the same goals we have. That's what was going on then and it goes on today, which means the Deacons in most churches are not godly men, they are business men who have pull in the city that they live in. They're the chief of police or the mayor or school board superintendent. MM is not saying our deacons are nobodies, but they are godly men. MM says he'd rather have a godly man working as a deacon in this church than the wealthiest man in Monahans or the most powerful political figure in Monahans. The Corinthians went out and got those type of guys and Paul calls them THE RELIGIOUS LOST-GH: verse?. They are very religious but they are lost and the church at Corinth brought them in because they all had similar goals. Mayor wants to be part of the biggest and best church in town because that speaks to him. And that's what the church wants. Paul says BE NOT UNEQUALLY YOKED WITH UNBELIEVERS-2 Corinthians 6:14. If your goals are the same as their goals then your goals are wrong - they're not your Father's goals. They were saying you're not going to build this church following Paul, that guy is going to ruin you. You better decide what you want - do you want a ministry or do you want to be Paul's follower?
2 Corinthians 1:1-7:16	GH: WoD Teaching	Accusation 2*. Paul's zeal. You're so zealous Paul, nobody wants to be part of that. You are so out-of-balance. You've gone too far. What's wrong with you? (1) No one wants this. If you are going to build a church, you are not going to build it like this. You are going to have to come off of this edification stuff. People dont want to sit through that. MM says that they are largely right. You're way out of balance. They are not looking for godliness, we are looking to build a big ministry. (2) If Paul is right, why isn't everyone teaching this? How come Paul is the only one? MM says he has had people say this to him. If you are right, then everybody else is doing it wrong. Well now, that can't be. If you guys are right, how come everyone isn't doing this? MM says because the DARKNESS of untruth is pervasive and has replaced the LIGHT of the Truth. MM says people like the DARKNESS. That's in the scriptures MEN LOVED DARKNESS RATHER THAN LIGHT-John 3:19. (3) If Paul's right, then how come what he's saying doesn't match what Jesus said when He was here? MM says he's had people that have stopped coming because what he taught was different than what Jesus taught. Glad they saw the difference because that was the point MM was trying to make. What He was teaching to the nation is not what Paul was teaching to us. That's exactly right. MM says this Book hasn't overlooked anything has it? This is exactly how it happens today.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:1-7:16	GH: WoD Teaching	Accusation 3: Paul was beside himself. Means he's lost his marbles, he doens't have good sense. He's crazy. They give 3 reasons: 1. Paul is talking about God stopped His program with Israel and He brought in a whole different programs and it was a mystery that no one knew about and God is doing something now that He wasn't doing back then? Are you kidding me? God never did that before, what makes you think that He is doing it now? 2. If Paul is right, how come nobody else is doing it? How come all the churches aren't teaching this? If you're right and this is what God is doing, how come all the churches/everybody aren't teaching this? 3. What Paul is teaching is not what Jesus talked about. Jesus never taught about a dispensation of grace and an interuption of the program. Paul is crazy and you people who are following him are crazy.
2 Corinthians 1:1-7:16	GH: WoD Teaching	This attack is geared to use these 3 accusations for these 3 reasons and make you go home and start doubting if this is really true or not. Just sow the seed of doubt. 'Well, Mike's a nice guy and I think he is sincere, but how do we know he is right?' MM says it is not about him being right, it's about this Book being right. That's why he keeps pointing us back to this Book. MM has been wrong plenty of times but told us there's not a single attack that you will encounter that this Book hasn't taken into account. Nothing is going to take God by surprise. He has accounted for every contingency and this Book is going to fully answer every objection. MM says the sad thing is, it works. Your only hope is for this word to be effectually working in you so that you identify the DARKNESS of Satan's untruth for what it is. Why MM obsesses over this so much. If it's not working in us, then the attack is going to be successful.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1	GH: Paul's Travel Itinerary Changes	Travel context: After ministering in Corinth for 18 months, Paul returns to Ephesus. Originally, Paul was going to come down through Macedonia to Corinth and see the church before going back to Judea, taking the same route as he did during his missionary journey. But, a report from Timothy, as he passed through to pick up the offering for the poor saints in Judea, that the church was being influenced by false apostles to reject Paul, reject/doubt his apostleship and reject his message, caused Paul to change his travel plans. What Paul decided to do was sail straight to Corinth, get the Corinthians back on track by re establishing his apostleship, then travel northward to Macedonia, then return south and see the Corinthians a second time, before sailing back to Judea. Paul informed them of his change of plans. When Paul arrived at Corinth, the degree of rejection of him and his ministry was much greater than he imagined, it kind of takes him by surprise. The outright rejection of Paul and rebellion against his message was so great, that Paul left Corinth without even debating the issue (GH: the truth of his apostleship and the legitimacy of the Jerusalem offering). He chose to suffer the humiliation rather than to stay and fight. In Paul's mind, to stay and defend himself would have made matters worse. So he decides to leave in humiliation rather than fighting it out. They accuse him of being afraid but see that every decision Paul makes is a godly Sonship decision. After his rejection, Paul makes a Sonship decision not to return to Corinth, but to send the Corinthians a stern, but tearful letter. Paul was so stunned by this that once he was up in Macedonia, he decided not to return back to Corinth at all, so instead he traveled to Ephesus.
2 Corinthians 1	GH: Paul's Travel Itinerary Changes	From Ephesus, Paul writes what is referred to as the "painful and tearful letter" to try and recover the Corinthians to himself and his doctrine. It's a strong letter but it works because it is full of the doctrine. All with a change of heart in mind. MM says it shows how much Paul loves them. We do not have this letter, as it was not inspired scripture and it was not preserved in history. After Paul writes the letter, he sends Titus to check on the Corinthians, to see how they received what he had to say. Originally, Paul would have waited for Titus at Ephesus. But the issue with the Corinthians is weighing on Paul's heart to such an extent, that he sets off northward to Troas in hopes of finding Titus in Troas. After a brief time in Troas, and still no Titus, Paul sets off for Philippi in hope of meeting Titus along the way. We don't know exactly where, but probably in Philippi, Paul finally meets up with Titus who has good news; that through that tearful letter that we don't have anymore, the majority of the church at Corinth has returned to Paul-almost the whole church. The letter was polarizing in that it hardened his opposers and caused the rest of the church to repent. Paul makes another Sonship decision: upon hearing that most of the church has returned to him, instead of immediately returning to Corinth, he writes another letter; 2 Corinthians. There are some holdouts still in the church who are opposed to Paul, so Paul writes the letter of 2 Corinthians. This letter can be somewhat complex because Paul is writing to two groups in the same church: 1. those who have returned to Paul and his doctrine, and 2. those who have not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1	GH: Paul's Travel Itinerary Changes	Instead of going to Corinth, Paul sends off his fourth letter to the Corinthians (2 Corinthians) to give the holdouts one more opportunity to change their minds about Paul, before he comes to the church in judgment. POINT: Paul's critics see where Paul said he would visit Corinth after he went through Macedonia. Then Paul said no, he had changed his mind and now he will come straight to Corinth, visit with them for a while, then go north to Macedonia, and then return south to Corinth for a second visit, before leaving for Judea. But, as we know, Paul did not make that return visit. Instead, he sent a letter. These changes of plans became the basis of one of the charges in this first category of attack; that Paul was double minded. For someone who claimed that he was following Christ and being led by the Spirit, Paul could not seem to make up his mind. Was Paul really following God by this back and forth change of plans? How spiritual can Paul be if he can't make up his own mind? These are the kinds of accusations going on. This will come up again in chapters 7, 8, 11 and 12. Paul is being rejected by a group that he led to Christ and formed them into a church. Act like they don't even know who he is. MM says when he saw the depth of the doctrine working in Paul, it stunned him. See the depth of the doctrine working in them, not with his reputation in mind, but with their restoration in mind. GH: Some people would have just wrote/blown them off.
2 Corinthians 1	GH: Paul's Letters to Corinth	Paul's letters to the church at Corinth: 1st letter - not inspired - I WROTE UNTO YOU IN AN EPISTLE NOT TO COMPANY WITH FORNICATORS-1 Corinthians 5:9. (Written after first visit and 18 months at Ephesus) 2nd letter - 1st Corinthians - answers questions they had on various topics. 3rd letter - Paul writes the tearful letter. We don't have anymore. Not inspired scripture. Almost the whole church returned to Paul and then hardened the ones that didn't return to Paul. 4th letter - 2nd Corinthians - when he hears the tearful letter largely worked. Two-fold purpose: - Equip those who returned to him. Educate them in godly decision making when they are under attack, which they will be because they are back on track. - Persuade the remaining that are still in rebellion. Give them another opportunity of come around before he shows up. The reason he doesn't come back to Corinth immediately is that he is giving these people a second chance. Because when he does return, he is returning in judgment. Whoever is still holding out, it's going to be bad.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1		2 Corinthians can be complex to understand because... Sometimes Paul is writing to the entire/whole church. Sometimes Paul is just writing to the majority group that returned to him after the 'tearful' letter. He is instructing them in the godly decisions he is making and the basis by which he is making them. He is teaching them how to respond to the POE when it attacks them. Speaking to them in a way that they can help him in the endeavor of recovering them (GH: the rebels). Sometimes Paul is just writing to the ones who are in rebellion, who still opposes him. His desire is to come in love and in mercy, not in judgment. But it is going to be up to them. Paul's objectives is not to get most of the church, but to get ALL of the church. Not content with just most. That's his heart. From the outside, it looks like Paul is making decisions out of his own flesh. This is exactly what they are accusing him of. But see Paul's change in decisions reflect his or provide proof of his apostleship and the genuineness of his ministry. They don't see how that is possible, but see it in the verses.
2 Corinthians 1		GH: Category 1 Issues - these are all coming from someone from INSIDE the church: * The Corinthians questioned/doubted Paul's apostleship/that he was a real apostle. - Changing his travel plans not indicative of someone led by the Spirit of God. - Changed mind 3 times - he's duplicitous. This will come up again in chapters 7, 8, 11 and 12. * The Corinthians accused Paul of being a con man. * The Corinthians questioned/doubted Paul's offering to Jerusalem - is he taking up an offering for himself? Double visit to scam the Corinthians. Attacks: - Duplicitous - Insincere - Domineering - Preaching
2 Corinthians 1:1-11		Introductory issues
2 Corinthians 1:1-2		MM thinks these are in the hands of Paul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:1		1 Paul, an apostle of Jesus Christ by the will of God, and Timothy our brother, unto the church of God which is at Corinth, with all the saints which are in all Achaia: As has become his custom, to write his own name. Paul began his letter by signing his own name. Paul doesn't write the body of every letter. In some cases, he dictates it. In some letters, someone is actually the scribe who it writing it, and Paul is dictating the letter. MM recalls the Thessalonian situation where they received a counterfeit letter that was not from Paul telling them you guys missed the BLESSED HOPE-Titus 2:13. AN APOSTLE OF JESUS CHRIST: Does this in 9 of 13 of his epistles as a means of defending his apostleship in the very beginning. Exceptions: Philippians (about servanthood), 1 Thessalonians (no label at all), 2 Thessalonians (no label at all), Philemon.
2 Corinthians 1:2	Grace facet/definition: is a Power to produce a PEACE	2 Grace be to you and peace from God our Father, and from the Lord Jesus Christ. GRACE...AND PEACE: The two-word greeting of “grace and peace” shows up, just as it does in the opening verses of all 13 of Paul’s epistles. It is always “grace and peace,” and never “peace and grace.” Another preacher quote: “Grace is the spring, and peace is the stream that flows from it. We cannot have the peace of God unless we first have the grace of God.” This greeting was a concoction by Paul. The Jews/Hebrews traditionally greeted one another with “Shalom” or “peace.” The Greeks greeted each other with the word “chaire” which was their equivalent of “hello” or “greetings.” This word could also be translated as “rejoice.” The Greek word for grace is similar, (“charis,”), but not the same. It seems that Paul brought the two-word greeting into being as a greeting, recalling the fact that because of grace, we have peace with God, and that is a commonality that should bind us together. “Grace and peace” represent a truth which should enhance the unity of the body. GRACE BE TO YOU AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER-2 Corinthians 4:7, grace that is sufficient to produce a peace in your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE in your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace in your soul no matter what you are going through. It is sufficient to handle every situation.
2 Corinthians 1:3-10	Doctrine : Essential Doctrine 2b of 6: Sufferings (SoC) 'full passage'	Essential Doctrine 2b of 6: 2 Corinthians 1:3-10 – Sufferings (SoC): Full passage on the essential doctrine of sufferings-SoC. Understanding suffering is 1 of 6 essential doctrines. Not only critically important to our Heavenly Father but it is of special signficance to the adversary and it received special attention from him. Paul is going to make the case that we are supposed to look at suffering differently than Israel looked at suffering in their program. He is going to separate those 2 issues out. POE will try and corrupt your understanding of suffering and view it as Israel viewed suffering - as a punishment. It's a bad thing to Israel. Paul will teach you to look at suffering the direct, opposite way. 2 Corinthians 1 - The “sufferings of Christ” (2nd category) - The doctrine is effectual in the midst of our greatest sufferings - We cannot be IGNORANT of the doctrine of suffering

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:3-7		Not some random thoughts that Paul through together here, he is carefully crafting this letter and his thoughts in it. Paul gives his own introduction to the Book. Serves an epistolary (reveal the main function of Paul's letter) function, an instructive (Paul's godly perspective) function, and a directive function. Paul wants them to look at suffering the way he does. Nutshells: * v3: God is praised. Who God is - THE FATHER OF MERCIES, AND THE GOD OF ALL COMFORT. It's theologically oriented means it is about God. * v4-6: God is the subject of the action. * v4a: WHO COMFORTETH US: Here's what God is doing. * v4b: THAT WE MAY TO COMFORT THEM THAT ARE ANY TROUBLE: Here's why He is doing it.
2 Corinthians 1:3-7		Paul “blesses” God for the comfort (not merely a subjective feeling of relief or of psychological support, referring to his present state of peace in the midst of his sufferings) he has received in the midst of his adversity. This peace (or comfort, or patience, or endurance, etc.) in the midst of Paul's sufferings comes from Paul responding to something that Christ said in His word to Paul. Christ says something that Paul has to 1) believe is true (positive response) and then 2) live out of (proper response) - do what it says to do. The comfort (the peace of God) produces a salvation (the ability to patiently endure the sufferings) so that he continues to preach and teach the truth of the Mystery, in spite of the attacks against him. Our mental and emotional comfort does not come from within ourselves, but from the working of God’s word in our inner man. Paul has the ability to comfort others no matter what comes their way. The resource Paul uses to comfort others is the same comfort that he himself has experienced from God. It's God's faithfulness to Paul that enables Paul to pass on to others the same assurance of God's commitment to deliver them as well. For this reason, God is the one who is to be praised, not Paul. Paul’s afflictions, no matter how bad, never outweighed the comfort he received from the Lord.
2 Corinthians 1:3-7		Three Functions of 2 Corinthians 1:3-7 1. Epistolary function: what's the main topic/theme (the comfort of God in the midst of Adversity/Suffering) 2. Instructive function: Paul's perspective, which is God's perspective. Appeal to the Corinthians to join him in this perspective. 3. Directive function: Paul's persuasion/purpose. Trying to change the way the Corinthians think about suffering AND change the way the Corinthians are thinking about his suffering. - The false apostles said Paul's sufferings disqualified him from being an apostle. He wanted to change their thinking to Paul's suffering validated his apostleship. They prove he is speaking for God. The Corinthians had a fleshly way of looking at things. Paul invites the Corinthians to join him in thanking God for his suffering and deliverance. There's also an implicit warning; if the Corinthians should spurn this invitation, their refusal becomes proof of their heart’s rebellion against the gospel. Rather than rejecting Paul for his suffering, the Corinthians should join Paul in praising God for the afflictions that Paul continues to experience on behalf of Christ and the church.
2 Corinthians 1:3-6		The body of Christ needs a power beyond omnipotence working in us to edify us. What God values is the edification of our inner man (the product of His grace working in us) so that we endure our sufferings to His glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:3		3 Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; Verse is all about the Father. Goal of 2 Corinthians is to come out of Chapter 13 and be able to say this. MM says he would like us to be able to say this. The end result of the doctrine is for you to be able to say that very same thing, and for you to be able to say that in the midst of all the SOPT you'll ever experience, and all the SoC you'll ever be privileged to experience. The goal of the doctrine is for you to instead of murmuring, complaining, being depressed, despondent, in despair, in distress by it all, the goal of the doctrine is for you to be able to say that very thing. BLESSED BE GOD: Think 'I'm so thankful to God'. MM says most of the world would say oh God, why me? To say good things about God when He allows you to suffer because of what that puts on display, the opportunity to put His grace on display. An opportunity to put the resurrection power of God on display in your life. MM says we can bless God for this. MM not shooting but it is hard to thank God for the suffering because this is not the way we are wired. This is the other side of "how in the world can God allow this to take place?" Paul blesses God for the comfort he receives in the midst of the adversity. BLESSED: To speak well of, to speak good things about. MM say our word BLESSED comes from our word eulogy - to speak well of the deceased. Two main reasons to Bless or to say good things about God (in the context of suffering):
2 Corinthians 1:3		3 Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; 1. Because God is the Father of Mercies: Notice MERCIES is plural. More than God was extending mercy to us by offering salvation (GH: What the commentators say because of Titus 3:5), but MM doesn't think this is what Paul has in mind (GH: singular in Titus 3:5, but plural here). God has extended many "mercies" to us now that we belong to Him. These mercies are not about being saved, but about what God has done for those who are saved. See Romans 3 - 8 and Romans 12:1. These would include: * the elements or components of our justified position in Christ and sanctified position in Christ * include the Spirit of God being given unto us at salvation * being set free from the bondage of the Law, no longer under the spirit of bondage of the law * being given 24x7x365 unlimited and unrestricted access to God as our heavenly Father * the ability and liberty to make Sonship decisions to the glory of God and are no longer under a T&G * could include the spiritual blessings that is ours in Christ as enumerated in Ephesians 1 - they are part of the mercies 2. Because God is the God of all Comfort: God is worthy of our "blessing" because He is the God who comforts us in any trouble - WHO COMFORTETH US IN ALL OUR TRIBULATION-v4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:3		3 Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; THE FATHER OF ALL MERCIES: Another example there are multiple mercies. Paul will show you more later on than the 18 in Romans (GH: Spiritual Blessings in Ephesians 1 and Ephesians 2). As Paul deals with these attacks, He presents God as the "Father of mercies and the God of all comfort." Through the effectual working of the doctrinal mercies (which produce the life of Jesus Christ IN us) we are able to endure the same kind of sufferings Christ endured, and to do so with the same joy and comfort. MERCIES: Ties to the Romans mercies. GOD OF ALL COMFORT: Some people read this and say, God is going to make it all go away. You missed what comfort is. If it goes away, you don't need COMFORT. MM says BTW, that's not called COMFORT, that's called DELIVERANCE. Need because they are going through sufferings. God is not blind concerning the various sufferings and afflictions and persecutions and infirmities, He does care about these things. So much that Paul calls Him THE GOD OF ALL COMFORT. The goal of the doctrine is to go through the suffering and at the end say BLESSED BE GOD who is the GOD OF ALL COMFORT. MM says that is just foreign to most Christians, isn't it?
2 Corinthians 1:4	Suffering = ALL OUR TRIBULATION	4 Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. Paul is saying I'm going to take the comfort I got from God and I'm going to turn around when you go through a situation, I'm going to show that to you so you can be comforted. There's a pattern to this. Paul went through these things as our ensample, as our pattern, as our model. Then he learned how to appropriate that comfort from God in the midst of the situations that were happening to him. He became a pattern for us. He writes this down in the scripture and then we are able to use it following Paul's example. Same scripture can help those who follow us if we can point people back to them. Paul says one of the reasons when we successfully go through things is that we might be able to turn around and help others who are going to find themselves in that very situation. MM says it is not hard to see that he is talking about a response to suffering here. God is able to comfort them which are any trouble which is really a great thing. So, if we're able to be comforted in any trouble, we can trust God to be able to give you comfort that you need no matter what is going on. He hasn't overlooked anything. Nothing is going to take Him by surprise. You don't have a special or unique circumstance GH: that isn't covered. WHO COMFORTETH US IN ALL OUR TRIBULATION: God is worthy of our "blessing" because He is the God who comforts us in any trouble. Why doesn't God just stop the suffering? Because we live in a fallen world, to have a free will and not always be righteous, and to have an active enemy who is against us and think there is a just and righteous way to prevent suffering, it is not a real world. But in eternity: * Satan will be taken care of * You won't be in a body of flesh * You won't be subject to living in a fallen world * You won't be living in the midst of the children of disobedience

2 Corinthians 1:4	Suffering = ALL OUR TRIBULATION	4 Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. TRIBULATION: Is a broad term which includes distress or pain brought about either by outward circumstances or by mental and spiritual states in the mind. TRIBULATION...TROUBLE: The “trouble” and “tribulation” of v4, Paul puts them all under a single umbrella which he labels, “the sufferings of Christ-v5.” THAT WE MAY BE ABLE TO COMFORT THEM WHICH ARE IN ANY TROUBLE, BY THE COMFORT WHEREWITH WE OURSELVES ARE COMFORTED OF GOD: This is God's goal or purpose. THAT WE MAY BE ABLE TO COMFORT THEM WHICH ARE IN ANY TROUBLE: Suffering prepares us to comfort others. THAT WE MAY BE ABLE TO COMFORT THEM: MM says it is tough to comfort someone if you haven't gone through it yourself. THAT: Introduces a purpose clause. That purpose is so we can comfort others who are going through the things we have gone through. COMFORTETH US IN ALL OUR TRIBULATION ALL OUR TRIBULATION: Because we went through troubles and trials and tribulations and got comforted in the midst of that, we're going to know how to turn around and give that comfort to someone else that's going through those. IN ANY TROUBLE: There are a bunch of preachers running around saying if you are going through any type of tribulation/suffering/infirmity/bad circumstance, they are going to say you've got something wrong with you. Start doing the right thing, God will start blessing you. This already runs against the grain for most preachers as they think that if you are a “good Christian” none of those bad things are supposed to happen to you.

2 Corinthians 1:4	Suffering = ALL OUR TRIBULATION	4 Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. THAT WE MAY BE ABLE TO COMFORT THEM WHICH ARE IN ANY TROUBLE, BY THE COMFORT WHEREWITH WE OURSELVES ARE COMFORTED OF GOD: Is how every joint supplies according to the effectual working in the measure of every part; that is how the body edifies itself in love. Those things which are working in you can help other members of the body to have that working in them. This is how the work of the ministry gets accomplished; by mature believers realizing it is not about them, but about Christ in their fellow members, and dedicating themselves to that. Take that comfort that was given to you and then when you see someone else going through what you went through, you now had an intelligent way of ministering comfort to them. MM asks isn't that better than standing off to the side and saying I feel terrible that's happening to them but I don't know what to do and don't know what to say to help them. Instead, let's get ourselves equipped to do this. That's what the doctrine is doing. When you pray with them you are SPEAKING THE TRUTH IN LOVE-Ephesians 4:15. When you can communicate the comfort that happened in your heart, when you're able to take about the way you made requests known unto God and the resulting peace of God that kept your heart and mind (Philippians 4:6-7) and speak the truth in love, that binds an assembly of believers together. Two things: 1. You have to be willing to be there for the assembly. 2. You have to be willing for the assembly to be there for you. Too often we get to the place where you say I'll just tough it out, I'll deal with it. MM says the doctrine is not made for a lone ranger. It is made for a body of members. And it is there for a purpose. COMFORT: Comes as a result of knowing doctrine.
2 Corinthians 1:5-7		Paul says that they are being afflicted so that they (and we!) can be taught this issue. That is why there are so many “personal illustrations” that Paul writes about. He is describing his own afflictions so that we might have the peace of mind that we also can avoid being victimized by the response the POE wants us to have.
2 Corinthians 1:5-6		The passage is Christologically qualified or a Christologically orientation. What you are going to get from the Father are what you are going to get through Christ. *MM says nothing God wants to give you to given to you apart from His Son. Everything God wants you to know about Him you will learn by looking at His Son or what is revealed through the Son.* EX If you are going to know the comfort, it's going to come through something that you know about Christ. Everything that we received in Christ is ultimately from the Father. Same thing about knowing the Father, you know the Son.

2 Corinthians 1:5	Suffering = THE SUFFERINGS OF CHRIST ABOUND IN US	5 For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. It's just as sure for you as it is for Paul. Means that the Paul thought the things he was suffering was an extension of the SUFFERINGS OF CHRIST. Whatever the measure of the suffering is, the consolation will match it (great thing to know). Paul considered the sufferings he endured to be an extension of the sufferings of Christ (See also Colossians 1:24). Since we are members of Christ's body, afflictions directed at us (the saints) are actually afflictions directed at Christ in us. Informs us that whatever the measure of our sufferings, the consolation is commensurate with them. Both the sufferings" and the "consolations" are experienced in connection with Christ. The mercies and consolations that are from the Father are expressed through His Son. It tells us that * everything we receive in Christ is ultimately from the Father * everything the Father wants us to have will be given to us in Christ * we can know about the Father by knowing Christ * something about the character of our heavenly Father; that He is merciful and desires to comfort us in our sufferings. MM says the afflictions never outweigh the comfort. If the sufferings are THE SUFFERINGS OF CHRIST, then the consolations can't be any less. Paul is not glorifying the suffering per se. He is not looking for ways to suffer. Never does Paul encourage anyone to look for suffering. Suffering is not a Christian virtue, patience is a Christian virtue. Suffering is an opportunity to see God's grace at work in us. Suffering is the opportunity to now patiently endure those sufferings that are happening to us and to do that to your heavenly Father's glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:5	Suffering = THE SUFFERINGS OF CHRIST ABOUND IN US	5 For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. THE SUFFERINGS OF CHRIST ABOUND IN US: What we suffer as a result of SPEAKING THE TRUTH-Ephesians 4:15 are called the sufferings of Christ. We are called to these sufferings. SUFFERINGS OF CHRIST: A category of suffering. Paul names it 3 verses before the NOT BE INGORNANT exhortation. Sufferings not because he happens to live in a fallen world (GH: SOPT). He is talking about the sufferings the adversary is putting on him because of the impact of his ministry. The sufferings and the consolation are all experienced in connection with Christ. SUFFERINGS: Refer to a whole category of progressive sufferings which may come our way. Paul never glorifies suffering per se. There is no evidence that Paul ever sought suffering or encouraged others to do so, as if suffering were some kind of sign of special spirituality. CONSOLATION: This is not just some kind of pep-talk, but this cheering and comforting is done by the scriptures. Are we using the doctrine to alleviate sorrow or mental distress? OED: consolation - 1. The action of consoling, cheering, or comforting; the state of being consoled; alleviation of sorrow or mental distress. ABOUND IN US: Those sufferings surely did abound in Paul for he was always making known the doctrines which comprised the mystery of Christ. These sufferings are a form of persecution for which there is doctrine that is meant to comfort Paul in the midst of these sufferings, and further edify him. The SoC are only for believers in Jesus Christ. The lost world will not encounter these kinds of sufferings. ABOUND: Everywhere. Paul is never saying 'If you live for God, you will lead a charmed life and will never have these types of problems'. Abound means they are plentiful, they flourish and they proliferate. More and more. If your yard abounds with weeds, you have a lot of them. Paul says that the “sufferings of Christ” abound in us. Well, if God is intervening, how can that be true? And now Paul tells you why God is not intervening on your behalf to take away your tribulations, sufferings and afflictions.
2 Corinthians 1:5	Suffering = THE SUFFERINGS OF CHRIST ABOUND IN US	5 For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. The Lord provided consolation to abound where the sufferings abound. Paul calls the tribulations and troubles he describes here as “the sufferings of Christ.” Everybody's big on promises, right? Say I'm claiming the promises. MM says you want a promise? Mark this one in your Bible. Promise: When the sufferings of Christ start abounding, the consolation also abounds. When the SoC start pouring in, you are going to want to remember this verse. MM says this applies to the SOPT too. 2 Corinthians isn't talking about that because that doctrine for SOPT, they already know about. The one they've got to get geared up for is the SoC. Only see this when you rightly divide the word and understand what God is doing in this DOGG is entirely different from what He was doing with Israel. Should look at the SoC as a privilege. Paul's going to be talking about TRIBULATION and TROUBLE, but he is talking about it under the second umbrella of suffering, the SoC. The troubles and tribulations Paul is addressing in 2 Corinthians he is not attributing to this (GH: SOPT), but now he gives it a name - THE SUFFERINGS OF CHRIST.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:5	Suffering = THE SUFFERINGS OF CHRIST ABOUND IN US	5 For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. POINT: Not the first time you were introduced to the SoC, just the first time the name for the SoC has been used. Important because everything in Romans 8 (GH: related to SoC) is under the banner IF SO BE THAT WE SUFFER WITH HIM. US: Paul and the people that are with him, Timothy, Titus, etc. CONSOLATION: Doesn't come because every story (GH: every time you are SPEAKING THE TRUTH IN LOVE-Ephesians 4:15) has a happy ending. The SoC abounds so our consolation abounds because it comes out of that relationship with the Lord. You have done that the right way and for the right reason with the right motive. Still someone may take offense and ostracize you. Don't beat that drum every time you see them. Some groups think if you didn't offend them every time, you haven't been the right kind of person. MM says don't do that. Just leave it alone. You can't badger people into believing the truth, you will just alienate people. ABOUNDETH: Abound means they are everywhere. But so is the CONSOLATION abounding. The suffering can't outdo the CONSOLATION. Does this look like Paul is expecting to be delivered from these?
2 Corinthians 1:5	Suffering = THE SUFFERINGS OF CHRIST ABOUND IN US / Sonship Suffering '25	5 For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. SO OUR CONSOLATION ALSO ABOUNDETH IN CHRIST: The sooner we look to the “hope” of our suffering, the sooner we can experience patience and consolation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. The comfort that comes to Paul comes from Christ. Paul's consolation comes from the Lord, where he got his comfort when he went through the sufferings. But then Paul is going to turn around and write doctrine so that when we are AFFLICTED, it comes from the Lord. Ours comes from Paul to the scripture to the saints. From the Lord to Paul to the scriptures to the saints. The "affliction" and "comfort" are not mutually exclusive alternatives, but Paul sees these as successive events (bang-bang); first the afflictions and then the comfort/consolation. In other words, this is the way it is meant to work. Whether he was afflicted, or whether he was comforted; it was all for our consolation and salvation. The reason Paul was willing to suffer is because his suffering and consolation are our example for when we suffer. And that is a reason for which we suffer, that we might be able to help others endure the SoC just as we did. And endure is NOT with our fists clenched and jaws tightened, but to endure the sufferings of Christ with joy and thanksgiving, which are only available through grace. MM says if you can't say joy yet, there is at least contentment. MM says the consolation and the suffering go hand-in-hand, even though God is not planning any of the sufferings. These are at the hands of the POE. The SoC are the sufferings you are experiencing because you are standing for the truth of the dispensational change, Mystery of Christ, Manifold Wisdom of God, RDW, etc. Paul says that the sufferings are proof of my apostleship and that I'm a spokesman for God. He is looking at this as this is my bona fides. They are looking at it as this disqualifies you, which tells you they are not looking at it like God looks at it. The only time you are attacked by the POE is when you are having an impact on Satan's realm. If you are not having an impact on Satan's realm, you are not going to get that attack. The more Paul suffers, the more evidence of what he is doing is GH: having an impact. Paul is looking at this in a whole different way and he had to learn that. Two more things: 1) the sufferings and the consolation are marks of true Christianity, which should encourage us all, not discourage us, and 2) the sufferings and consolation are both subjects for "blessing God" just as Paul started the chapter with. The apostles (Paul in particular), unlike believers in general, were called to suffer as a means of revealing God's power in Christ to others. In return, God comforted Paul through the doctrine, and gave him great joy by the positive response of the Corinthians to his ministry, enabling them to "suffer with Christ" and become an example to those who see their suffering.

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. Our suffering can bring comfort to others (GH: based on our experience going through them). Paul is saying, I'm going to go through it by the Power of Christ and you'll know that will work for you too. That's how it benefits others. Why God is not intervening on our behalf to deliver us from these tribulations and sufferings. Paul is saying if we are afflicted, a lot of it is because of ya'll. You need to be able to see that someone can go through this so you can have a CONSOLATION about that. See this thing (GH: Grace?) really is able to meet that challenge. MM says why 2 Corinthians is full of personal illustrations of this happened to me and that happened to me and here is how I got through that. Paul is laying all of that out. We are going to be taught to respond to those sufferings, not like the common man, not like the POE would like us to. Because of his ensample status for the body of Christ, Paul suffered more perils than the other apostles in the dispensation of grace. It was Paul who was stoned at Lystra and sent back to continue his ministry. Paul, as the supreme example, suffered the things which he suffered for our sakes, as a model of how to endure suffering with patience and faith. Paul says the reason I'm going through this is so that you'll see how the CONSOLATION works. WHETHER WE BE AFFLICTED: WE BE AFFLICTED WE: Paul has Silas, Titus, and Timothy with him. An apostolic WE. MM says Paul speaks in this plural sense even though sometimes it is only happening to him. AFFLICTED: With THE SUFFERINGS OF CHRIST-v5. MM tying the sufferings to THE SHIELD OF FAITH-Ephesians 6:16.

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. IT IS FOR YOUR CONSOLATION AND SALVATION: Whether it be sufferings or comfort, that is meant for their CONSOLATION AND SALVATION. Realize what is happening to him is directly related to some things that are going to happen to us. What is happening in your Christian life cannot be divorced from this. The first step to say you have to change the way you are thinking about all of this. MM people say 'no thanks' to sufferings, I want as little about that is possible. Paul has to experience every type or category of suffering because he is our ensample. MM says if you are going to identify with the sufferings, you want to identify with the comforts, which now make His sufferings and His comforts something that you want to pay attention to. But the natural mind is not looking at it that way, it is thinking I don't want to suffer. The comfort that comes in the midst of sufferings is part of the MERCIES-Romans 12:1. A different category of mercies but part of the mercies. MM says all of this is being orchestrated in your mind, in your inner man. Once you respond positively the properly to that word, the Spirit takes that word and begins to work it in your inner man to produce all of these things. SALVATION: Not from the debt & penalty of sin but from the effects of the suffering.Paul is not talking about being saved from the debt and penalty of sin, which is what most commentators mistakenly believe. Neither is he talking about salvation in the sense of being delivered from our situation or circumstance of suffering, but rather he is talking about being delivered from the “effects” of the suffering. The intended effects of the SoC are: * to silence us from proclaiming the truths concerning the mystery * to silence us from defending the truth in the face of Satan’s lie, and * to make us quit our sonship life (depending on the doctrine to work in us).

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. MM says that some really slick guys went to the church leadership and said look we like Paul and he's a nice guy and really committed but he is preaching this suffering stuff and this peace of God in the midst of it and we're never going to build a church. We have to set Paul aside. Know he means well. The reason we have a written record of Paul's sufferings and consolations is to encourage us and educate us as to the consolation available to us. Therefore, when we undergo the sufferings of Christ, we will also be partakers of the consolations. Paul talking about himself (and Timothy). The Corinthians are going to be suffering some of the same things that Timothy and he are suffering. YOUR CONSOLATION AND SALVATION, WHICH IS EFFECTUAL IN THE ENDURING OF THE SAME SUFFERINGS: MMs decode: the consolation and salvation given to us by God is powerfully effective to enable us to endure the sufferings of Christ. CONSOLATION: Are the result of understanding some "sound doctrine." The consolations don't just happen; they are a byproduct of knowing the doctrine. MM says see the consolation is NOT in the physical. Notice the consolation is not in the reversal of some outward circumstances, but the alleviation of mental distress. That means that the consolation is spiritual in that it takes place in our minds, not in our bodies. The consolation can give you a peace that passes understanding. Can have joy (last thing most people think of). Can have thankfulness (GH: for what the sufferings are producing in you and the glory that God gets from your proper response). These CONSOLATIONS - peace, joy, thankfulness - are the (mental and emotional) COMFORT. When you have the consolation (EX rejoicing), this is an indication that you have the SALVATION (EX patience). OED: consolation-1.c1374-The action of consoling, cheering, or comforting; the state of being consoled; alleviation of sorrow or mental distress.

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. WHICH IS EFFECTUAL IN THE ENDURING OF THE SAME SUFFERINGS WHICH WE ALSO SUFFER: God is effectually working to produce something IN you in the midst of these sufferings that cannot be produced IN you if He just put His Hand out there. If you knew He was a safety net for every problem, you would just asked for a way out every time. And if you didn't get it, people would say, well, you must have sin in your life, you must not have enough faith. What makes an angel's jaw hit the floor is watching you go through the suffering that you wind up abounding in and you're not expecting God to fix that. And your response to that suffering is not, 'why me?' He is looking for something different. That is the result of the inward man. **When angels see you go through that by the grace of God by the power of you working in your inner man, they look at that when that happens, they say they want you**. The way they're looking at that and they are saying they are looking at a greater power than God's power to part the Red Sea. The power of grace to take you through everything is a greater power than the power God uses to part these waters or multiply these loaves and fishes. The reason we are allowed to suffer is because the enduring of those sufferings is effectual in the working of your inner man. In other words, God is producing something IN you as you endure those sufferings; something that cannot be produced IN you if He were to miraculously intervene. Paul knows, hey, if you follow me, you're going to be suffering some of the same things I'm suffering. I want you to see me go through this so that my CONSOLATION AND SALVATION can be your CONSOLATION AND SALVATION.

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. WHICH IS EFFECTUAL IN THE ENDURING OF THE SAME SUFFERINGS: We not only have the attacks, but we have the consolations that God gave to Paul, which enabled him to endure those sufferings. The deliverance is not from the attacks because this says the consolation and salvation is effectual in "the enduring" of the attacks. EFFECTUAL: The intended effect is that we are able to endure 'the sufferings of Christ'-v5. OED: to have the power to produce its intended effect. IN THE ENDURING OF THE SAME SUFFERINGS: The endurance of the same sufferings. Enduring some afflictions that are supposed to be for the consolation of the Corinthians. Paul is saying the very things that he has been going to go through and the things you are going through - how you get through them is the doctrine producing an endurance of those same sufferings. How is his affliction effectual? It is effectual: "in the enduring of the same sufferings which we also suffer." The effectual working of the doctrine that Paul is about to introduce is meant to give you the capacity to endure the same sufferings Paul went through – even if it comes down to the issue of you "despairing even of life." Shows how Paul being AFFLICTED and how he benefited from that will be a CONSOLATION to them. EFFECTUAL IN THE ENDURING OF THE SAME SUFFERINGS ENDURING: You have to put up with it. Doesn't mean it's going away. MM says the commentators skip down and see DELIVER and say 'oh, God delivered them from this'. No, the delivery is in the endurance. OED: endure: II. To last; to suffer continuously. II.3.a. 1340– transitive. To undergo, bear, sustain (continuous pain, opposition, hardship, or annoyance); (sometimes more narrowly) to undergo without succumbing or giving way. SAME SUFFERINGS: The things that they/we see Paul go through are the things that we will go through and the way they see Paul endure them & get comforted by them is the way they/we will endure them & get comforted by them.

2 Corinthians 1:6	Suffering = WE BE AFFLICTED … IN THE ENDURING OF THE SAME SUFFERINGS - GH: Suffering Verse / Sonship Suffering '25	6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation. Paul suffered and was comforted by God's all sufficient grace so we also might be comforted and saved from the evil effects of our sufferings. Paul is showing us the godly response to sufferings. Paul says do you want to be comforted in the midst of this? Then respond to it the way I am. That's how you get that. Do you want these things to not overwhelm you, then respond to them the way I'm showing you and the way I'm talking to you about it. So, Paul suffered and was comforted by God's grace so that we also would have God's grace to handle or sufferings as well. WHETHER WE BE COMFORTED, IT IS FOR YOUR CONSOLATION AND SALVATION: All of this is for them. Paul is the example. When you are talking to someone on how to handle sufferings, you want to point them to Paul. He is the one appointed to that. WHETHER WE BE COMFORTED: When Paul got comfort and consolation from the Lord, GH: that was comfort and consolation to the Corinthians that they can get this. They see when the attack ramped up, the consolation ramped up. The comfort which comes to Paul is from Christ. IT IS FOR YOUR CONSOLATION AND SALVATION: The sufferings could not shake him in his mind because the peace of God was keeping his heart and mind-Philippians 4:6-7. Same is true for us, which is why Paul went through these things and then talked about them, as our example of how to endure sufferings. YOUR CONSOLATION AND SALVATION: GH: Drives the name for the doctrines for THE SHIELD OF FAITH-Ephesians 6:16. CONSOLATION: Comfort-the peace of God that passes understanding that keeps our hearts and minds or our inner man. SALVATION: Saved from the affects of the suffering. The ability to patiently endure the things that are happening in our outward man-not that the suffering will stop, the suffering will not cause you to be overwhelmed. Enduring the sufferings, get patience, get strength.

2 Corinthians 1:7	Prayer / Suffering = PARTAKERS OF THE SUFFERINGS / Sonship Suffering '25	7 And our hope of you is stedfast, knowing, that as ye are partakers of the sufferings, so shall ye be also of the consolation. MM says this is a great verse. Just as sure as you are going to be a partaker of the sufferings, you are going to be a partaker of the consolation. MM says that is a wonderful promise. Paul's prayer on deliverance. He wasn't talking about being delivered from the attack but from the effect of the attack (v7-11). Paul gets his greetings out of the way and immediately starts talking about the sufferings, but he says don't let that scare you. There are consolations that go along with that suffering so it'll be OK. What we suffer as a result of SPEAKING THE TRUTH-Ephesians 4:15 are called the sufferings of Christ. We are called to these sufferings. AS YE ARE PARTAKERS OF THE SUFFERINGS, SO SHALL YE BE ALSO OF THE CONSOLATION: These are not mutually exclusive. YE ARE PARTAKERS OF THE SUFFERINGS: You are partakers of the sufferings. By this time, the Corinthians are starting to be PARTAKERS of the SoC and they are experiencing things that are coming directly from the POE. Before, they weren't growing, they weren't a threat, the POE didn't have anything to do with that. Now, they are standing for the truth and Paul has to talk about this consolation for them. SO SHALL YE BE ALSO OF THE CONSOLATION: The sooner we look to the “hope” of our suffering, the sooner we can experience patience and consolation.
2 Corinthians 1:8-10		Paul's life had some sort of inconvenience or attack or discomfort every day. But something in Asia went above all of this. Paul is trying to make a point without telling the details. Could be something we have a record of or not. Paul uses his own experience so the Corinthians might learn how they too are to respond when suffering comes their way.
2 Corinthians 1:8-9		The scholars offer three possibilities on what these dangers were: 1) The great duress of Paul’s strained relationship with the church at Corinth, and his regret at being so harsh with them. This does little to explain God’s deliverance in verses 8-10. 2) A potentially fatal illness or dread disease in which Paul “despaired of life” and could only trust in God “which raiseth the dead,” (though it is difficult to see how an illness would be included in the SoC), or 3) Some severe and violent persecution, that is either known about but not fully appreciated, or something that is not recorded in Acts or Paul’s epistles. I tend to think Paul’s troubles in Asia are some sort of violent persecution. This one is probably the most likely. Point: God had to put him in this position to learn this lesson. Laying the groundwork to say, this is where he needs the saints to be.

2 Corinthians 1:8	Doctrine : Essential Doctrine 2b of 6: Sufferings (SoC) / Suffering = OUR TROUBLE … WE WERE PRESSED OUT OF MEASURE, ABOVE STRENGTH, INSOMUCH AS WE DESPAIRED EVEN OF LIFE - GH: Suffering Verse	8 For we would not, brethren, have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength, insomuch that we despaired even of life: MM says he used to see this passage as Paul being discouraged and wanting to give up. But he doesn't see it that way anymore. What Paul is saying is it's not that that we can't be affected by troubles. Paul understood that there were plenty of times that he could have lost his life in all of these different things that were happening to him. It's not always going to be OK in the physical sense. It's not always going to work out that way we want. There are some things that happen to Paul that he did not believe he would survive. EX When Paul was in Ephesus, he was put in the amphitheater and made to fight wild beasts (1 Corinthians 15:32). MM thinks this is what Paul had in mind here when he writes DESPAIRED EVEN OF LIFE. Paul thought I'm not going to survive this. I don't have enough strength for this. Now Paul comes along to warn you to not be ignorant of this essential doctrine on the SoC. Not whining, but he is showing us the power of the word to do its job IN us no matter how severe the suffering. Paul refers to the absolute worst time he ever suffered in all of his life. Three-fold description of how bad this (GH: POE/SoC effects) was: 1. PRESSED OUT OF MEASURE 2. ABOVE STRENGTH: Talking about your strength - not going to be able to hang onto this ourselves. This is going to get worse than that. 3. DESPAIRED EVEN OF LIFE: What our apostle Paul said. He was our ensample.

2 Corinthians 1:8	Doctrine : Essential Doctrine 2b of 6: Sufferings (SoC) / Suffering = OUR TROUBLE … WE WERE PRESSED OUT OF MEASURE, ABOVE STRENGTH, INSOMUCH AS WE DESPAIRED EVEN OF LIFE - GH: Suffering Verse	8 For we would not, brethren, have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength, insomuch that we despaired even of life: God said I AM going to put all these categories of things that can happen on you so the saints and they can see the power of My grace at work in you and know there is hope for them. God didn't overpower his will to make him do that but the love that he had for the Lord and the love that he had for the body of Christ, even those who were not even born yet and he made a decision out of godly love and charity. That was a godly decision on Paul's part. Paul is using this terminology to underscore the fact that you cannot afford to be ignorant of this doctrine because there are things that are coming that will do the above to you. Paul giving this illustration from Asia. If it got him through it, it will get you through it. Essential Doctrine 2b of 6: Sufferings (SoC): 6-7x Paul says I WOULD NOT BE YE IGNORANT of this and then he gives you a subject matter. Should set an alarm off in your head. These are the areas that Satan is working the hardest to cause ignorance. WE WOULD NOT, BRETHREN, HAVE YOU IGNORANT: GH: Exhortation around Essential Doctrine 2b of 6: Sufferings (SoC). POE takes the doctrine of suffering for this DOGG and keeps people in the dark regarding it. OUR TROUBLE WHICH CAME TO US IN ASIA: Terrible ordeals befell them. The trouble that came to Paul in Asia represented the most extreme form of suffering that could be experienced. OUR TROUBLE: There's a glory waiting on the other side that that trouble was not worthy to be compared to.

2 Corinthians 1:8	Doctrine : Essential Doctrine 2b of 6: Sufferings (SoC) / Suffering = OUR TROUBLE … WE WERE PRESSED OUT OF MEASURE, ABOVE STRENGTH, INSOMUCH AS WE DESPAIRED EVEN OF LIFE - GH: Suffering Verse	8 For we would not, brethren, have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength, insomuch that we despaired even of life: WE WERE PRESSED OUT OF MEASURE, ABOVE STRENGTH, INSOUCH AS WE DESPAIRED EVEN OF LIFE: Look how Paul describes this trouble. Paul doesn't know whether he wants to live or not and when you understand what is waiting for you on the other side, that becomes even more difficult decision, doesn't it? It was more than Paul could handle on his own. Even though the false apostles thought the sufferings disqualified Paul, he didn't try to hide them. Paul makes it clear that, humanly speaking, his sufferings were more than he could handle. PRESSED OUT OF MEASURE: GH: The sufferings were more than the register on a gauge that you could measure. ABOVE STRENGTH: There was nothing in me (GH: in Paul's flesh) that was able to go through this. It was above his strength to endure these things. INSOMUCH AS WE DESPAIRED EVEN OF LIFE: I don't really know if I want to go on. Paul is not saying this as a fully educated son. POE working against Paul and these things are as new for Paul as it is for us. He has to learn to rely on that doctrine to strengthen his inner man in all of these sufferings that he is going through. Who do you think was the author of that? Satan. And why is Satan attacking Paul in this way? If it is happening to Paul and the churches in Asia are following Paul, what else do you think is going to happen? These churches will also come under attacks. Contrast to 1 Corinthians 16:19. DESPAIRED EVEN OF LIFE: I just want to die. When you get to this point, suffering can't get any worse. People say what if it kills you and MM replies then you don't have to suffer anymore so there is your out. If you are going to torture someone, you keep them alive so they feel it. You cannot suffer above what Paul is describing here: “having the sentence of death in yourself”(v9) or “despairing even of life(v8).” Was the worst suffering of the apostle Paul's whole life that it took him to the place where he said he just didn't want to go on. Paul is an example of all things that can happen to us. Like God said, OK Paul, I AM going to put one of everything on you. All the kind of sufferings you can go through? Paul goes through them all. Paul thought death was a way out of the suffering. POE was so great against Paul that he just wanted to die.
2 Corinthians 1:9-10		Paul's suffering is not intrinsically good, nor is it a Christian virtue. Rather, suffering is used by God to teach us to trust Him and His provision, and not ourselves. Suffering is the opportunity to have the power of God’s grace at work in us to equip us to patiently endure our sufferings to His glory. And He enables us to do this by virtue of the comfort and consolation which is ours in Christ. Paul knows it works in him, but the joy for Paul is when he sees the comfort of God working in the Corinthians.

2 Corinthians 1:9	Suffering = SENTENCE OF DEATH IN OUESELVES	9 But we had the sentence of death in ourselves, that we should not trust in ourselves, but in God which raiseth the dead: Paul knew that even if he got ripped apart in the Coliseum by wild beasts, it's not the end for him. No wonder he wrote IN DEATHS OFT-2 Corinthians 11:23. Lots of times Paul's life was on the line. Paul was brought to what he thought was the end of his life in order that he would in no way rely anymore on himself, but only "on God who raiseth the dead." GH: Sufferings so great that we will not trust ourselves but trust in God. WE HAD THE SENTENCE OF DEATH IN OURSELVES: There was something that happened to Paul in Asia that PRESSED him OUT OF MEASURE and ABOVE STRENGTH that he DESPAIRED EVEN OF LIFE. Paul didn't even want to keep living, he had the SENTENCE OF DEATH. If you are Israel, you are thinking - God is mad at me, but Paul knows there is a purpose. See the word THAT. Why did God allow this to happen to Paul? God had to let this happen, because we have to learn not to trust in ourselves, but to trust in God. Means I am not going to survive this. He thought that if he continued to discharge his apostleship and message, he would surely die (he had a death sentence). That threat of death worked to silence Paul. But then Paul discovered that he could not trust in himself, but if he was going to remain faithful to his calling, he would have to trust in God. THE SENTENCE OF DEATH: The effect the POE was having on him. THAT: Is a THAT of purpose. This was a purpose that God had. Shows you the reason. Paul is going to learn something. WE SHOULD NOT TRUST IN OURSELVES, BUT IN GOD WHICH RAISETH THE DEAD: Tells why God allowed Paul to have the SENTENCE OF DEATH in himself. Why God allowed this to happen to Paul. There was only one place for Paul to turn to get the kind of help and comfort GH: needed. There was a doctrine that Paul utilized in this extreme situation and it worked! MM asks the group do you see how as you go forward in Sonship that this is going to become a battle? No wonder Paul says WE WRESTLE NOT AGAINST FLESH AND BLOOD, BUT AGAINST PRINCIPALITIES, AGAINST POWERS-Epheisans 6:12. This really is a contest. Have to get over into Ephesians-Philippians-Colossians before you encounter this type of an attack.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:9	Suffering = SENTENCE OF DEATH IN OUESELVES	9 But we had the sentence of death in ourselves, that we should not trust in ourselves, but in God which raiseth the dead: WE SHOULD NOT TRUST IN OURSELVES, BUT IN GOD: Why God let Paul be put in a terrible circumstance or why God allowed the suffering, to get him to this place. Where he learned something. God allowed Paul to be under threat of death so that he would not trust in himself, but he would trust in God. Instead of allowing your suffering to cause you to shut down your proclamation of the mystery of Christ, let your suffering move you to trust God for the strength to remain faithful. The good that comes from the sufferings. GOD WHICH RAISETH THE DEAD: Colon at the end tells you the things in v10 are connected to that. WHICH RAISETH THE DEAD: Paul was brought to what he thought was the end of his life in order that he would in no way rely anymore on himself, but only "on God who raiseth the dead." Just as Christ, when facing death, was to trust in God, Paul also, in his overwhelming suffering in Asia, would trust in God, who, even if Paul were killed, "raiseth the dead." Paul's experience in Asia was an object lesson of the same divine faithfulness and power portrayed in the Cross and in the resurrection of the Messiah. As such, it should draw others to join Paul in trusting and praising God in their present circumstances of suffering. Paul's suffering was a platform to display God's resurrection power, which should tell the Corinthians three things: 1) not to reject Paul for his weakness, but to follow Paul in trusting God for their "consolation and salvation" in the midst of their sufferings 2) that the Corinthians ought to pray for Paul that he may continue to trust God in the midst of his adversities - GH: One of the ways you can help Paul 3) to praise God for Paul's weakness so that the power of God might be manifested to them. MM says the door cracked open for him on this one. Brings you back to v3 and blessing God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:10	GH: Past, Present, & Future Deliverance	10 Who delivered us from so great a death, and doth deliver: in whom we trust that he will yet deliver us; Most commentators say this is deliverance from physical death, but MM says Paul does get his head cut off. This is about the enduring of the sufferings. If the deliverance was from physical death, then what do we say when Paul got his head cut off in Rome; God didn't deliver him? No, I believe the deliverance is from the intended effects of the sufferings. In that sense, God did deliver Paul, and he continued to deliver Paul, even up to the time when Paul was executed. WHO DELIVERED US...DOTH DELIVER...WILL YET DELIVER US: Past-Present-Future. This is not a physical deliverance from the threats or death, but a spiritual deliverance. The deliverance is to continue to proclaim the truth and endure the sufferings. The sufferings may be physical, but the deliverance is spiritual. It is a deliverance from the satanic attack against him in that Paul does not stop proclaiming the Mystery, and he is not intimidated into quitting. That is the deliverance! WHO DELIVERED IS FROM SO GREAT A DEATH: Delivering us from wanting to die/giving up. Here's the deliverance of that. DOTH DELIVER HE WILL YET DELIVER US: Paul knows the POE ain't done. He did it/does it/going to do it. Know he is not talking about deliverance from the affliction because Paul knows more are coming in the future. Paul knows that there are more things coming. He is not done with this. Paul is taking this experience and saying if it can get him through this, it can get him through anything. SO GREAT A DEATH: It is not just 'I wanted to give up and die', he calls it this because there is more to it than just giving up your life. It's turning your back on the whole edification process, throwing in the towel and saying this Book was insufficient in what it was going to produce in me that I couldn't handle it. GH: ???It is SO GREAT A DEATH that it says God couldn't match what the adversary was throwing at Paul.???
2 Corinthians 1:10	GH: Past, Present, & Future Deliverance	10 Who delivered us from so great a death, and doth deliver: in whom we trust that he will yet deliver us; Because of the power of the word, effectually working in Paul, he can say that he is able to face whatever comes his way in the future because of what he has learned in this experience in Asia. GH: Notice the past, present, and future of deliver. MM says he is not talking about being delivered from bad things happening to him, he is talking about being delivered from the effects of those bad things happening to him, from what they were designed to produce in him (make him quit, throw in the towel, walk away). GH: Correct but not related to the verse? - Saved - Past tense - JUEL - Saved - Present tense - SUFL (conforming you to the image of God's Son as you respond to the doctrine) - Romans 5:10 - Saved - Future tense - Exaltation (body will be saved/not a present reality) Paul was not phyiscally delivered from being beaten, going shipwreck, being stoned, mental trauma, etc. There is something being done in Paul in this and he is learning to look at God in a different way than ever before. There is a natural affinity of our flesh to prefer physical deliverance (as in God's program with Israel) to what Paul is teaching you here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:11		11 Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf. MM says this verse is a mouthful. If you read this verse fast, you'll have no idea what it says. YE ALSO HELPING TOGETHER BY PRAYER FOR US: Is context in which Paul says the Corinthians should pray for him. God delivered him from that death wish (the effect of the POE), God does deliver (from the effect of the POE) and God will deliver (from the future effects). A fifth thing that suffering does for us. When we see others who are experiencing the sufferings of Christ (SoC), that suffering produces a concern for them, which is demonstrated in two ways: 1. Prayer (Intercession): Paul is saying he was helped by their prayers for him. GH: He knew because they (1) told him they were praying for him and (2) what they were praying and then (3) got involved in that prayer. Example prayers: * that God would strengthen Paul * that God would comfort Paul * that God would grant him a peace that passes all understanding When you do this, you are encouraging him and bringing the doctrine to his mind. Paul knows the doctrine but you can remind him of it. Tell Paul that he has been an encouragement to you so that you can live this doctrine.
2 Corinthians 1:11		11 Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf. 2. Thanksgiving: The thanksgiving goes to God - THANKS MAY BE GIVEN FOR MANY ON OUR BEHALF: Paul ends where he began in verse three, with thanksgiving and praise to God. In returning to the praise of God, Paul has fulfilled the three purposes of his opening verses. Paul is saying that when those who prayed for him to have the strength to continue, to endure those sufferings and threats, when they hear that their prayer was answered in that Paul did not quit, that would lead them to thank God and praise Him for answering their prayers. Paul knew people in Corinth were praying for him even though he wasn't in Corinth. FOR THE GIFT BESTOWED UPON US BY THE MEANS OF MANY PERSONS THANKS MAY BE GIVEN BY MANY ON OUR BEHALF: THE GIFT: The ability to patiently endure the sufferings, which is not of us but we actually find that strength in the Lord.
2 Corinthians 1:12-2:17		Categories 1 & 2 of the SoC - PERSONAL attacks that come from INSIDE the church

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:12-24		Category 1 of the SoC: Are the sufferings of Christ (SoC) category #1, which comes from outside the church. This is the GRIEVOUS WOLVES-Acts 20:29. * They are charging Paul with being duplicitous. In other words, you're being personally deceptive about your real motives of what you are doing here. * They said what Paul was saying, he wasn't sincere about that. 'insincere' * They said that Paul's ministry was a disappointment. * They said that Paul was arrogant and domineering. * They said that Paul abused his power as an apostle. All these things are actually working together to limit Paul, to discourage him and to get him to change the way he is doing ministry.
2 Corinthians 1:12-14	SoC Category 1: Charges and Doctrinal Remedies	What Paul is using to deal with the attacks against him. The Remedy for the Charge of Duplicity/How Paul deals with this charge - these 3 things/remedies Paul uses to deal with Category 1 of the SoC - his conscience, his life, and his spiritual goal that he has for the church at Corinth: 1) HIS CONSCIENCE: The testimony of our godly conscience (which we still have more to learn about). When I say “godly conscience” it’s what Paul means by his “conscience” which is by “the grace of God.” Paul is rejoicing in his conscience, which verifies to Paul what is true, and that charge of duplicitous is not true and Paul can absolutely know that. 1. Paul is rejoicing in his conscience which verifies to Paul what is true, and this charge of duplicitousness is not true; Paul knows it is not true. (v12) (1) THE TESTIMONY OF OUR (godly) CONSCIENCE (of what is true): The doctrine that we know will have informed our conscience. People should be able to look at the aspects of our life and see God's workmanship in us by the doctrine. So our manner of life will be like Paul with simplicity and godly sincerity. 2) HIS LIFE: Our godly living (as our actions reflect the doctrine working in us). People should be able to look at any aspect of our life and see God’s workmanship in us by the doctrine. Our manner of life should be “with simplicity and godly sincerity,” just like Paul; even in the mundane area of our lives. Paul has an assurance that what he has written to them is a true reflection of the doctrine that he has lived in front of them and they should have seen that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:12-14	SoC Category 1: Charges and Doctrinal Remedies	Paul gives concrete examples of the way in which his suffering on behalf of the Corinthian church itself played out in his recent decisions regarding his travel plans. It was Paul's change of travel plans that became a catalyst for accusing Paul of being two faced and untrustworthy. SoC Category #1: CHARGES (the FIERY DARTS) AGAINST PAUL - POE Phase 2 - Attack the Messenger * CHARGE 1 - 1:13-14: Personal Duplicity [personal attack] - Paul is charged with either *duplicitous* (two faced, dishonest) or he has a hidden agenda. * CHARGE 2 - 1:15-17a: Insincerity & Cavalier [personal attack] - Paul is either being *insincere* or he is being cavalier (careless, inconsiderate) with them. * CHARGE 3 - 1:17b-22: Disappointment & Loss of Enthusiasm is Paul's fault [personal & ministry attack] - Paul's ministry is a big *disappointment* to them and he is to blame for their lack/loss of enthusiasm. In a word, saying Paul's ministry is a 'failure'. * CHARGE 4 - 1:23-24: Arrogant & Domineering - Paul is charged with being arrogant, *domineering* and dictatorial in his actions. Paul rejoiced (v12) in having a clear conscience in the face of those charges. See the common thing that these things are true.
2 Corinthians 1:12-14	SoC Category 1: Charges and Doctrinal Remedies	REMEDY FOR CHARGE 1: Paul has three things by which he deals with the first charge: his conscience, his life, and his goal with those who follow him. These then become the same for us: 1) The testimony of our godly conscience (which we still have more to learn about). When I say "godly conscience" it's what Paul means by his "conscience" which is by "the grace of God." 2) Our godly living (as our actions reflect the doctrine working in us). People should be able to look at any aspect of our life and see God's workmanship in us by the doctrine. Our manner of life should be "with simplicity and godly sincerity," just like Paul; even in the mundane area of our lives, and 3) Our godly/spiritual goal with those we are influencing (which we are about to look at). REMEDY FOR CHARGE 2: The Doctrinal Remedy for the charge of Insincerity 1. The testimony of Paul's godly conscience of what is true (v12) MM says Paul knew why he was making this change. - Paul's enlightened conscience disproves the charge that he has been insincere in his plans. 2. Paul's purpose of a 2nd benefit shows the truth that he was not insincere (v15-16)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:12-14	SoC Category 1: Charges and Doctrinal Remedies	- Paul's original plan was for the purpose of giving them a "benefit" which his change of plans would still accomplish, with the added "second benefit". Whatever benefit Paul designed for his original plans was not thwarted by giving the Corinthians a second benefit, which was clearly for the Corinthians and not for Paul. Paul had an original plan of offering them a particular 'benefit' and his change in plans did not negate that. But what he had planned to do by visiting them in his original plan, he was still going to be about to accomplish in his change of plans. This is important. Paul's purpose of a SECOND BENEFIT shows the truth that he was not insincere. Paul's purpose did not change. 3. Paul's change of plans did not cancel what he was "thus minded" to do in his original plan, showing he was not insincere. (1:17a). - Paul's new plans did not change his being "thus minded" when he planned to give the Corinthians a "second benefit;" they will still receive it, proving he did not "plan lightly" or "change his plans lightly" (v17a). Paul did not abandon his previous intentions to come unto them, but only added an extra visit, proving he was not insincere in his plans toward them. *The personal application to the accusation of insincerity - EX if we make a change in plans for the right reasons in a godly way and not out of fleshly wisdom EX Billie and throwing the power saw across the yard story. {EX MM realizing we needed to go through 2 Corinthians before Philippians, changing his plans}: 1) Is there anything in my conscience that condemns me?
2 Corinthians 1:12-14	SoC Category 1: Charges and Doctrinal Remedies	- MM says that a person that is learning the doctrine is sharpening their conscience, making it more sensitive to right and wrong. Just a conscience in and of itself will only tell you so much about what's right and wrong, but once you go through the doctrine, GH: it sharpens it. Paul's conscience has been heightened by the doctrine. So he has things that would accuse him, that someone else may not be accused of at all if they didn't have the doctrine working in them. {If I change from doing things that what I now think would have been out of order, is there anything in my conscience that condemns me about changing this plan: and the answer is no.} 2) What spiritual benefit was I hoping to accomplish by my original plans/my first plan of action? (This assumes there was one) {The edification of the saints; not just with regard to the sufferings of Christ because we aren't going to end in 2 Corinthians; we're going to go on, right?} 3) Does my change in plans still allow for the same spiritual benefit to others? {Yes. So can we make that change and say it not only meets all those requirements it's actually better. Yes, yes.} REMEDY FOR CHARGE 3: The Remedy for the Charge of Being a Disappointment/the 3rd accusation - this accusation is not just against Paul personally but not it's going to attack his ministry:

2 Corinthians 1:12-14		2. Paul has an assurance that what he has written to them is a true reflection of the doctrine he has lived before them. (v13) (2) Our godly living will reflect the doctrine, even in the mundane (number one definition is worldly) details of our lives. 3) HIS (spiritual) GOAL: Our godly goal with those we are influencing (which we are about to look at). Here we are checking our initial motivation. The spiritual good of those we influence must be at the forefront of our thinking, with a view toward rejoicing in them in the day of Jesus Christ. Concerns Paul's genuine desire for the church at Corinth and that is proof of his godly and singular desire toward them. 3. Paul's genuine desire towards many in the church at Corinth is proof of his godly and singular desire toward them. (v14) (3) Our godly goal with the people we influence. MM says it is really good to have this. MM says the spiritual good of the people we are trying to influence has to be at the forefront of our thinking. We examine our motives in why we are declaring the Mystery, why we are giving the gospel, why we are manifesting the manifold wisdom of God, why we are speaking of the dispensational change, why we are declaring Paul's unique apostleship and the mystery of Christ, because we want the people around us to be saved, because we want them to rejoice at the judgment seat of Christ, we want the spiritual benefit to be there. We want to rejoice in them in that day because God has been at work in them and that work will be reflected throughout eternity. There's also a motive toward God. Our motive also ought to be to glorify our Father and to exalt the Son. Those are the Godward motives, in addition to the 'all the people' motives.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Corinthians 1:12-14		Paul is talking about I don't want to just do my ministry out of the doctrine, I want my whole life to be lived out of the doctrine. I don't want to make any decisions by fleshly wisdom, I want to do it all by the grace of God. And he says and that's the way I've lived in this world, so that's all of those things. He said in especially to you (the Corinthians); there's the ministry end of it. So Paul is saying, I want to live the doctrine, influencing all of the decisions that I'm making in my whole life. MM says this challenged him and he is trying to change because of this - I want to take these mundane areas of life and I really want them now to no longer be motivated because it's something I have to do or something like that. I need to see them in light of something else. MM says you can change the reason you are doing something. MM says he marks his progress in his prayer journal daily. To remind myself at every moment of the day that the things that I'm doing: why am I doing this? Is there a spiritual benefit to this? But being aware of it so you can ask that question is the biggest part of the issue for me. MM is consciously doing things and making decisions about things in light of 3 things: 1) how does this glorify my Father, 2) how does this exalt the Lord Jesus, and 3) how does this spiritually benefit the saints?
2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. There are 3 things that bring Paul great joy, something to rejoice in in the context of these personal attacks. How could he be comforted in these attacks. Paul is raising the bar. In Romans 12, he talked about how to look at our brothers and sisters in Christ and not to think of himself more highly than he ought to think. Now, he's not just talking about how you behave in church, he's talking about your life. So you are no different in the everyday mundane tasks of your life as you are when you are standing in front of a Bible class leading a lesson. The same doctrine needs to be at work and put on display the grace of God to the world, for all to see. Paul's change of plans was not to manipulate simplicity, was not to manipulate the Corinthians but every decision he made was so that he might reconcile them back and have them edified so that they grow in grace so they would be conformed to the image of His Son. He says this will be proved at the JSoC. Because at the JSoC, he wants to rejoice in them. This will only happen if they have been edified and conformed to the image of God's Son. This is his whole motive, even in the midst of the personal attacks happening on the left and on the right. Even in the midst of all of these personal attacks, Paul loves them so much he wants to rejoice in them in the day of the Lord Jesus. Because of this, everything he does with them has this in mind. MM says that this is a different way to live because most of the time when we are subject to the attacks we take them personally and want to fire a volley back. He is not taking the attacks personally. His primary objective is not to defend himself. His primary objective is to get them back.

2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. The process of explaining these decisions is a defense of his actions, GH: but it is not defensive per se. Every thought he is having, every word he is saying, every action he is taking is all out of the grace of God. MM says if this is the test of a Pastor we won't have very many but this is the test if we are going to be Christ-like. The doctrine has so engulfed him that his whole lifestyle in the world has these kind of thoughts in mind. MM says this is a really good lesson but your flesh will rebel at this lesson. MM says Paul is trying to prove through his outward behavior, even his change of plans, are not evidence to call his ministry into question. They're actually now evidence to confirm the grace of God working in him and authenticate God's call to him as an apostle. MM says he knows they didn't see it that way, but Paul's change of plans: * actually confirms his apostleship * actually confirms the leading of the Spirit in his life. They are thinking if the Spirit is leading you, that you decide, that's what you will do. This is a misunderstanding of what happens because circumstances change. And when they do, the godly decision is to respond to that. May also change how you respond to that. And that is exactly what Paul is doing. Nutshell: Paul is saying I've lived in this world, not according to the flesh, but according to the doctrine, and I've done that more abundantly to you. Paul wants them to know that the way he is behaving himself in every area of his life in the world, he is making decisions and he is behaving himself by the grace of God or in accordance with the doctrine.
2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. These decisions get set apart from fleshly wisdom because there's a way that flesh wants to make decisions. MM says there is a fleshly wisdom but Paul is not interested in that. How do you know? One comes right out of the scripture and one does not. That's how you know the difference. If you are thinking this is what you ought to do, which passage told you to do this? It's not just more noble, it's more godly and this is the thing we were designed to be. Following Paul turns out to be a pretty high bar. Point: His outward behavior, rather than calling his ministry into question, actually confirmed the grace of God's call in his life. Paul’s change of plans confirms the truth of his apostleship. Paul’s change of plans confirms the leading of the Spirit in his life. Paul’s change of plans was not a retreat to a private and hidden sense that nobody else can judge. Paul’s confidence that his actions reflect the work of God in his life is supported by his willingness to write openly and clearly, that is, to boast about what he did concerning his recent change of plans. Paul gives us the first of three things which bring him great joy in the midst of the POE Phase 2 attack of the policy of evil: 1. his conscience 2. his life 3. his goal

2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. **Please see 'Definition : Conscience : How to strengthen our conscience so that we are not easily offended or wounded' in the Commentary.** FOR OUR REJOICING IS THIS, THE TESTIMONY OF OUR CONSCIENCE: Though others might accuse Paul, he was comforted by the approval of his own conscience, which is enlightened by the doctrine. That means it is sharper than it would normally be. Paul's conscience is not just a general knowledge of good and evil, but it contains the particulars of godliness as set forth by Sonship doctrine. Nutshell: Paul's conscience is informed and educated by godliness. Paul is showing his outward behavior and change of plans, doesn't question his ministry, but it confirms his apostleship and the leading of the Spirit in your life. They misunderstand when the leading of the Spirit changes course. MM says Paul is saying even though my conscience is much more alert than ever, I am not condemned by the decisions to change my travel plans. Paul knows the doctrine and that has worked to become part of his conscience. He hasn't done anything in fleshly wisdom but by the grace of God. Not just for his benefit. He is not just saving him some travel. What is the best decision to get them reconciled-every decision is through this lens. He can rejoice because his conscience knows what he is doing. There's no guilt here. Paul's conscience is sharper and more alert than it would normally be. Even so, Paul is not condemned in his own conscience because he knows exactly why he is doing what he is doing. There's no guilt here with Paul. His plan was not to manipulate the Corinthians but it was all with their best interests in mind. GH: This includes group guesses - reconcile them, edify them. MM say he wants them to be reconciled so that they can be edified and to be conformed to the image of God's Son so they can be built up in the faith. MM says we are saying the same thing in a different way. The charge against him is dealt with by the truth that he always intended to see them, and he has not changed his mind about that, proving he was not (#1) duplicitous or (#2) insincere. THE TESTIMONY OF OUR CONSCIENCE: Refers to the work of God in his life, which was manifested by his outward behavior. Paul means for his actions to plainly reflect the work of God in his life, therefore, he is totally transparent in what he is thinking, what he says, what he writes, how he lives in the mundane areas of his life and "more abundantly" toward the Corinthians.

2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. CONSCIENCE: This is important because even when a guilty man is found “innocent” of a crime, that acquittal will not change his conscience which still knows him to be guilty. Shows his decisions have no duplicitous or ulterior motives behind them. Paul knows them to be untrue at every level (intent, thought, word and action.) There is a general revelation in the world. Everybody comes into the world with this general revelation, which has two parts: 1. The light of creation - tells you there's a Creator. It will naturally lead them to believe, there must have been a Creator. This all just didn't occur by accident. 2. The light of conscience - the awareness of right and wrong is supposed to convince you there's a Judge who will hold you accountable for your actions. It is not refined but it does work to tell a man some things are right and some things are wrong. And you don't need to read the law of Moses for your conscience to work. The way God reveals Himself to every man. Paul has more than the general revelation conscience that is given to everyone. MM says recall Paul saying I HAD NOT KNOWN LUST, EXCEPT THE LAW SAID, THOU SHALL NOT COVET-Romans 7:7. Shows you that the conscience itself is not sharp enough to tell you everything that is right or wrong, it's very general. But it will tell you on a lot of things, are you doing right or are you doing wrong? He doesn't just have the conscience of an unsaved 25 year old. It is a conscience that has been enlightened by the word of God. It's more than a knowledge of good and evil, it knows the particulars of godliness. That has now become a part of what he believes is right or wrong. That's his own testimony (Romans 7:7). If Paul makes a decision because of his flesh, his conscience knows it and condemns him. MM says you don't have to teach your kids to do wrong, you have to teach your kids to be right. When they do wrong, they know it because they try and hide it. The conscience is a strong testimony. Let's suppose a man commits a crime and he did it, but proclaims his innocence and goes to trial and found not guilty. This does not mean that his conscience goes away. No matter the court result, his conscience will still condemn him. A conscience can be a strong indicator but it doesn't tell you everything. Realize Paul's conscience isn't just a general revelation conscience but a conscience that has been made sensitive by the word of God, by the doctrine that he now knows on how he is supposed to make decisions.

2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. IN SIMPLICITY AND GODLY SINCERITY...WE HAVE HAD OUR CONVERSATION IN THE WORLD: GH: The main thing he is trying to say? We can conduct ourselves with simplicity (no ulterior motives) and godly sincerity (motivated to the accomplishment of our Father's purposes). IN SIMPLICITY AND GODLY SINCERITY: Paul's actions were straightforward and with integrity, as opposed to being deceitful or double-dealing. Paul's change of plans was not to manipulate the Corinthians, but rather every decision Paul made was for their sakes, with their best interests in mind. Paul's decisions and actions were not just honest, but they were in "godly sincerity." POINT: All of our ac7ons ought to be out of the doctrine (the grace of God) and not out of fleshly wisdom. You can tell the difference because one is founded in the Scripture and the other one isn't. This simplicity and godly sincerity are things we should be manifes7ng in how we think, what we say, how we live, the decisions we make, etc. We should put it on display for all to see the work of God in us, and be encouraged to have it for themselves. SIMPLICITY: Give it and you're done. Do your part and it is up to them. Not with subtilty but very straightforward. Paul is saying I've been very straightforward with you from the very beginning. There's no secret agenda that no one can see. No strings attached, no ulterior motive. Paul is saying in SIMPLICITY, he has been very straight forward in how he is working with them. The way Paul is behaving in every area of his life by the grace of God or in accordance with the doctrine. He has integrity in what he is doing. SINCERITY: Paul's decisions that he is making with the Corinthians and his actions are not just honest, but they're also in godly sincerity. Not talking about worldly sincerity.

2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. NOT WITH FLESHLY WISDOM, BUT BY THE GRACE OF GOD: Paul did not make his decisions by fleshly wisdom, but by the grace of God. That means that everything he did with the Corinthians, every change of plans and every action was all coming out of the doctrine he had learned. That is what it means to act in "godly sincerity." It was the doctrine which enlightened Paul's conscience and made it even more discerning. Even so, Paul rejoiced in that his conscience, sharpened by grace, did not condemn him. NOT WITH FLESHLY WISDOM: Paul is saying there's no are of my life where I'm depending on FLESHLY WISDOM. It's true in my life and is especially true for you Corinthians. MM asks why in the world would you be godly to the world and not to the saints at Corinth? We can purpose not to make decisions according to the flesh, to not be motivated by fleshly things, but to find our character and actions rooted in the faithfulness of God. This is a great endeavor which will take time and effort, but the reward is to be conformed to the image of God's Son. This is how we press toward the mark for the prize of the high calling of God in Christ Jesus! GRACE OF GOD: Living by the grace of God is living by the doctrine, not the flesh. The one-word replacement for BY THE GRACE OF GOD is 'by the doctrine'. Every decision Paul is making, every thought that he is having (MM says this is the difficult one), every word that he is saying, and every action he is taking are all out of the grace of God. But Paul didn't get there automatically.
2 Corinthians 1:12		12 For our rejoicing is this, the testimony of our conscience, that in simplicity and godly sincerity, not with fleshly wisdom, but by the grace of God, we have had our conversation in the world, and more abundantly to you-ward. OUR CONVERSATION IN THE WORLD: His outward behavior, rather than calling his ministry into question, actually confirmed the grace of God's call in his life. In other words, Paul's change of plans confirmed the truth of his apostleship. Paul's change of plans confirmed the leading of the Spirit in his life. Not the church, the WORLD. Everything you are doing and everything you are saying. Everything in his life is the product of the doctrine. IN THE WORLD: In all of the mundane things that take up Paul's life, which would also be in most everybody else's life, every bit of it is a product of the doctrine. Not just his ministry, but his CONVERSATION IN THE WORLD. CONVERSATION: : More than just you are talking to somebody, this is your whole life style in the world. Everything you think, do, say. The details of your life. Bible also uses the word CONVERSATION. Our manner of life in all details. Synonym: WALK. Our "walk" is our whole life, both the general tenor of our life and, at the same time, our life in its details. The Bible sometimes uses the word "conversation" to convey this idea. Synonym: WALK. Everything you are doing or saying. AND MORE ABUNDANTLY TO YOU-WARD: He is behaving himself according to the grace of God, and especially to you Corinthians. TO YOU-WARD: The Corinthians.
