1 Timothy 3:1-7		Credentials/Qualifications of a bishop (pastor) - 21 things Bishops/Pastors decided on their own (GH: offices today) vs. GH: God gave some men the supernatural gift of pastor when the curriculum was being written down and no one had the complete picture. That's how MM did it. Was told that God had to call you to preach, but he had this sincere desire to be a preacher from 6th grade. He abandoned that when told if God doesn't call you He will never use you and you'll never be a success and you'll be out of His Will. He had all these circumstances line up. Finally admitted he just wanted to do it. Found out others did the same thing. Confused circumstances with the desires of their heart and tried to establish themselves legitimately in the eyes of other preachers with this grand glorious call to preach. Sitting right here in our Bible is a verse in the DOGG that says you just have to want to do it-v1. Because Timothy is a Pastor, Paul is saying to him some things about the OFFICE of a Pastor. Not just about the OFFICE of a Pastor but about the deportment of a Pastor - his conduct & behavior.
1 Timothy 3:1		1 This is a true saying, if a man desire the office of a bishop, he desireth a good work. BISHOP: It's the doctrinal directive of all the qualifications of a PASTOR to be able to teach the word. A Pastor or BISHOP is not a prophet, they are not speaking with a supernatural unction that is given to Him by God. THIS IS A TRUE SAYING

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:2		2 A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behaviour, given to hospitality, apt to teach; Qualifications of a bishop. A BISHOP: A Pastor. GIVEN TO HOSPITALITY: Ties to GIVEN TO HOSPITALITY-Romans 12:13b. GIVEN TO: Something that would constantly being in motion. A natural tendency toward that. APT TO TEACH: APT is not LIKELY to teach. It means QUALIFIED to teach. Not a novice. Does not means he's just liable to break out or apt to start teaching at any given moment. Means he has an APTtitude for teaching. Not only has an understanding of the word so that he can teach it but he has some modicum of communication skills that allows him to speak to a congregation without putting the congregation to sleep.
1 Timothy 3:3		3 Not given to wine, no striker, not greedy of filthy lucre; but patient, not a brawler, not covetous; FILTHY LUCRE: At this stage in Level 2, money is an allurement, especially to a Pastor. That is why Paul talks to Timothy the way he does about money and being “greedy of filthy lucre,” etc. The POE will attempt to lure away a Sonship Pastor by dangling the carrot of lots more money in front of him. Paul talks to Timothy about dirty money the same way Solomon talks to the remnant about having a meal with the apostate rulers (Proverbs 23:1-6). Opportunity to better yourself in the world (GH: make more money) but you will have to step away from this (GH: Sonship teaching). We are educated to not turn down a job with more money.
1 Timothy 3:4		4 One that ruleth well his own house, having his children in subjection with all gravity; HAVING HIS CHILDREN IN SUBJECTION: Pastor is supposed to have control over the children of his own household. In control of his children. In order to control his children, he doesn't have to micromanage every detail of their lives - how much cereal they put in their bowl? Does he have to manage how much milk they pour on it? Or whether or not they get a second helping at dinner? Does he have to dictate which shoe they put on first. A bishop can be control of his children without micromanaging every detail of their lives like God can be in control of His creation without micromanaging every detail of the lives of people on the earth. GH: MM dismissing the sovereign view that believes that God has to control every little detail of each of our lives to be in control of His Creation. OED: subjection: 1. The act, state or fact of exercising lordship or control; dominion, domination, control. OED definition of SUBJECTION keeps coming back to CONTROL along with similar words. Correct to say that a pastor is supposed to have control over the children of his own household. That father, while not controlling their every action, can be in control of his children. And that is the issue with God; He does not have to control every detail in order to be in control. A father does not have to tell his children which shirt they will wear or which shoes to put on or how they will order their hamburger or what book they will read in their spare time or how many pancakes they will eat, or which sock to put on first in order to be in control of his household.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:6	GH: Spiritual Warfare verse	6 Not a novice, lest being lifted up with pride he fall into the condemnation of the devil. Starts in v1 talking about desiring to be a BISHOP (Pastor) being a good thing. Starts giving a list of qualifications. v6-7 are just talking about the qualifications of a young man who wants to be a Pastor. NOT A NOVICE: Paul is saying you need someone farther down the Sonship road. A guy that just got saved is not ready to be a Pastor. He has to learn. DEVIL: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses.
1 Timothy 3:7	GH: Spiritual Warfare verse	7 Moreover he must have a good report of them which are without; lest he fall into reproach and the snare of the devil. DEVIL: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses.
1 Timothy 3:8-13		Qualifications of a DEACON. Notice how many of the 21 things that apply to a BISHOP also apply to a DEACON. Why deacons are responsible for catching up people up with the rest of the assembly. Parallel tracks running down through there. Paul talks about the deacons. Gives Timothy some things he should know about that office.
1 Timothy 3:8		8 Likewise must the deacons be grave, not doubletongued, not given to much wine, not greedy of filthy lucre; GRAVE: Means 'serious minded.' Grave does not mean you cannot have a sense of humor, it means you have be serious minded about what you are doing as a deacon. It means you have to take the job seriously and discharge it accordingly. NOT DOUBLE TONGUED: This means not saying one thing to one person and another thing to another person. Speak the same thing to everyone. That is important for they labor “among the people.” FILTHY LUCRE: See comments on Bishop/Pastor in v3.
1 Timothy 3:9-16		Talk about the assembly at large and the things Timothy needs to understand about it. There is a behavior of the assembly at large that has to do with why we're gathering here in the first place. Although there's that aspect to it, the local assembly is not just meant to be a social organization. It's a work of ministry and then there's the behavior that represents that work of ministry. There's a way that saints are supposed to conduct themselves that lines up with the church. When a group gets together to form a local church, it should be able to do the work of the ministry, not just to have a Bible study. A church needs to have some structure to it and Paul is going to help provide Timothy some structure. MM says even organisms are organized, they have structure to them. It's possible to over-organize and kill the work of the ministry. But it is also important to not just be harem scarem with no order and no structure. Here, we have a particular place that we meet - 301 South Alice and a particular time - 1 PM on Sunday afternoons so everybody knows where to meet and what time to meet and everyone can meet at the same time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:9-16		Should not surprise us that the apostle Paul is going to be giving some organizational details for local assemblies. The OFFICES are part of God's organization of the local assembly so that it can function the way He designed it to function, so it can accomplish His purposes. The church is supposed to become this thing (GH: THE PILLAR AND GROUND OF TRUTH-v15) and if it becomes this thing, it is going to manifest the life of God Himself to the community in which the church resides and this is where we are going. Happens as the word effectually works in us to conform us to the image of His Son. It is only going to happen as we are edified unto godliness. It's only going to happen so that we can actually become as a group what God designed us to become. All of the classes and education is going somewhere. Not just having classes for the sake of having classes or being educated for the sake of being educated, there's something that is supposed to happen with regard to all of that.
1 Timothy 3:9		9 Holding the mystery of the faith in a pure conscience. **Please see 'Definition : Conscience : How to strengthen our conscience so that we are not easily offended or wounded' in the Commentary.** HOLDING THE MYSTERY OF THE FAITH IN A PURE CONSCIENCE: The deacon is not necessarily teaching the faith, but he has to be able to “hold” it. In other words, he has to recognize the truth of the mystery when he hears it, he has to recognize error when he hears that, and he is able to maintain the integrity of the message. He knows the doctrine (the truth) and he holds to it. But he is not necessarily the one who is going to teach it, but he is skilled in it. IN A PURE CONSCIENCE:
1 Timothy 3:13		13 For they that have used the office of a deacon well purchase to themselves a good degree, and great boldness in the faith which is in Christ Jesus. GOOD DEGREE: The “good degree” is the high standing or high esteem that the deacon holds in the eyes of the congregation because of the work he has done.
1 Timothy 3:14-16		The goal of the local church: - To exhibit godly behavior - To be the church of the living God - Nutshell: When we talk about this being the church of the living God, it means we're supposed to exhibit something that stands in contrast to all the false idols that the world has out there. We're supposed to make that difference apparent. There is a behavior that is going to demonstrate that. Says 'living God' not just 'God' because God is really the only God there is and because He is the 'living God', He is the only One that can do anything. All those others are just in the minds of men. Those man-made idols can't do anything, they're not alive. All things God is doing today in the DOGG can only be done by the True and Living God. We are supposed to exhibit a behavior that demonstrates that. - To be the pillar and ground of the Truth - We are being educated with a result of being edified so that we will become this. This is a place where doctrine is taught. True statement but that's not the end of it. * PILLAR: Either supports something or it holds something else up so it can be seen. That's what this pillar is supposed to be. This church is supposed to hold something up to this community so that something can be seen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:14-16		* GROUND: The foundation on which the PILLAR sets. You have a foundation that gets laid and then you're able to put something on display that is meant to make an impact on not just the lost world but it is also supposed to make an impact on other members of the body of Christ who are not able to come to the knowledge of the Truth. We are supposed to make that apparent. As we engage in OFFICES, this thing/understanding needs to be in our mind that we are not just choosing OFFICES like it is some game of Monopoly, that it doesn't really matter and we're going through the motions. This is all supposed to go somewhere, it's all supposed to accomplish something. As we progress through the education, we become this through a greater and greater degree. - To put on display the mystery of godliness - Only possible as we are being edified, only possible as this word is working in our inner man, only possible as we are actually being transformed from the inside out. As those things happen, the result is the very life of God is being put on display and held up where folks can see it so that men are impacted by that. MM says when local churches get planted there and there and there they are all meant to do this. MM asks what if every single local church was manifesting the life of God by its members, doing this list? Do you realize the impact on angels that would have they were doing the entire list?
1 Timothy 3:14-15		Paul wants to come and see Timothy pretty soon but he is not sure that this is going to happen.
1 Timothy 3:15-16		God is using the BoC as His agency today to carry out His work. Four goals for the saints: 1. BEHAVE THYSELF-v15 2. THE PILLAR AND GROUND OF THE TRUTH-v15 3. MYSTERY OF GODLINESS-v16 4. ??? These things are the particular behavior that we are supposed to exhibit as part of the house of God.
1 Timothy 3:15-16		The Life of Christ being lived in us is how God is manifested within the local church. And without the Life of Jesus Christ, it's not difficult to live the Christian life, it is impossible. MM says when the Life of Christ baffles your neighbors, it is only then that you are likely to make an impact. It must become obvious to everyone who hears us and sees us that the kind of life that we're living is not just highly commendable, but it is beyond human explanation. It looks weird to the world until they really get a good look at it and then they realize you have something they don't have because the world without Him is full of problems. MM is not saying Christians don't have their share of problems, but they have the solution to that. People need to see this life that we're living is beyond our ability to produce on our own. And it is even beyond our ability to imitate something that we see in the Bible. The life that we live should be of such a nature that it is the result of God reproducing Himself in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:15		15 But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth. The Church is not the building, the Church is the people. You are the Church. When you leave, God goes home IN you. The communication of God's word is the main issue in the local assembly, as it is designed to function as the pillar and ground of the truth. The church is designed as a class room for the communication of sound doctrine for edification. Godly edifying is the objective in the local assembly and therefore the communication of God's word is the issue. BUT IF I TARRY LONG: If I don't get there as soon as I wanted to, he is going to go ahead and write to Timothy the things he would be saying to him in person. HOUSE OF GOD: Not the building but the people who are assembled there. He is not talking about this building. MM says he is looking at the house of God sitting in this building. People think back to the Temple in the O.T. - God's house where the manifest presence of God was. But we are not in Israel's program anymore and the manifest presence of God is in you. When you leave, God is not standing at the door waving 'good bye, see you next week'. No, you are taking Him with you. You are the HOUSE OF GOD. These things we are reading are how we should behave ourselves AS the HOUSE OF GOD. It's referring to us. You are in an unredeemed body but you have a soul and spirit and God is in there. (GH: See 1 Corinthians 3:16, 1 Corinthians 6:19).
1 Timothy 3:15		15 But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth. THE CHURCH OF THE LIVING GOD THE PILLAR AND GROUND OF THE TRUTH: When we become the pillar and ground of the truth we begin to impact the community. That Truth is going to edify everyone. It's the main thing to take place. PILLAR is the support and GROUND is the foundation. We are supposed to be the foundation and the support structure for the Truth (Sonship, edification, godly edifying, etc.). Term for the local assembly. What the local assembly is supposed to be. MM says where will we ever locate the Truth except from the word of God. If there was a way to recognize what is true and what God is doing, that is the job of the church to not only know that, but to make that known so we are not lead astray by doctrine that is counter to what Paul as written. When we get that doctrine and see that doctrine in the scripture and become convinced of it and we understand what Paul is doing here, we are then able to function in that area as THE PILLAR AND GROUND OF TRUTH. The church is designed as a classroom for the communication of sound doctrine for edification. Godly edifying is the objective in the local assembly and therefore the communication of God's word is the issue.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. This verse is often preached as though it is describing the Lord Jesus Christ. MM believes this is an error. Context from v15 is the church. GH: Except He was already justified and He didn't PREACHed UNTO THE GENTILES (GO NOT INTO THE WAY OF THE GENTILES-Matthew 10:5-6). If we believe this is about Jesus, then what does this have to do with being part of the mystery? Nothing. But, if we believe that this verse is talking about us, if we see that Paul is revealing something in the mystery that is true about us, something that was not previously known, then this is doctrine we need to understand and live out of. If you think this is about Jesus, you have missed the MYSTERY component of it and what is taking place here. It is not about Jesus, it is about you. Is talking about God maintaining a visible presence in the world through us; through our flesh and blood bodies, our mortal flesh. This isn't you, this is CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27. The fact that Jesus is God is not a mystery. That was part of the Davidic covenant. The mystery part of this is that this is not about the Lord Jesus, this is about the members of His body, the church. We are supposed to have his life in us. This is supposed to be the normal Christian life. The issue of the MYSTERY OF GODLINESS is not the deity of Christ. He is God. Jesus was God manifest in the flesh because He was deity. God can be manifest in our flesh and we are not. This is the mystery component, the part that no one saw. Is talking about God maintaining a visible presence in the world through us, through our flesh and blood bodies, through our mortal flesh. That's CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27. GREAT IS THE MYSTERY OF GODLINESS
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. MYSTERY OF GODLINESS: Has components to it. It is something that God wanted put on display that before the dispensation of grace, it was impossible to do for anyone. The mystery of godliness has an aspect to it that says even though we are living in unredeemed bodies with sin dwelling in its members, we still have the ability to produce real righteousness that a perfect God looks at and say yes, that matches Mine. The reason is because when the Spirit of God DWELLS IN YOU, He is dwelling IN you for the purpose of having Christ live His Life through you. That's why that is so pleasing to God because it's actually His righteousness being produced through you. The mystery of godliness isn't just about 'functional life', it is also about 'enduring suffering'. Being able to go through the things that you will go through in your life comes under the umbrella of the mystery of godliness. God manifest in the flesh - not talking about Jesus. Man was never meant to be a complete man without God in the man. Not just do the best you can. About you being conformed to the image of God's Son, about Christ being formed IN you. When He gets into the dispensation of grace and he talks about the mystery of godliness, you don't have this mysterious thinking about what godliness is, you understand what God said. Even Israel understood what godliness was. God living in the man is what you were created for. This is Christ living His Life in us in our fleshly, mortal, unredeemed bodies.

1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. MYSTERY OF GODLINESS (cont'd): While godliness itself was not a mystery, what Paul is referring to here is the previously hidden aspect of godliness; which is the very life of God being lived in us. The mystery of godliness is that God intends to be manifest in us, in our fleshly bodies, right now. Jesus could have been His own "cause and effect" for He was God. But if He had done that, He would not have been behaving as a man. He would not have been "godly," He would have been "God." In order to put godliness on display, in order for the invisible God to be seen, He had to be made "in the likeness of men" and took upon Himself "the form of a servant." Jesus, as the perfect man was the vehicle for the Father. He did the things His Father wanted and He said the things His Father wanted. In the same way, we have His life in us. By living out of the doctrine our thoughts are being transformed and our actions are His actions. This is the great mystery of godliness! The mystery part is, this is not about the Lord Jesus, this is about the members of His body. There is a mystery component to godliness - godliness does not come by keeping the law but by the effectual working of Paul's doctrine in our inner man. It requires our proper response to the doctrine so we can do the work in us that God designed us to be - to make us godly creatures. Our proper response involves reading or hearing and understanding that word, meditating (have to put the word into your thinking), praying (talking to your heavenly Father), and implementing this into your everyday life and you are going to repeat that process so that one day as you do these godly things this doctrine is a source of your actions.
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. MYSTERY OF GODLINESS (cont'd): This is the goal of everything concerning the mystery – Christ in us. The mystery of godliness is that God was manifest in the flesh. While this was true of Jesus, God means for this to be true today. The issue in the mystery of godliness is not deity. Jesus was God manifest in the flesh because He was deity. But we are not. So, this is not talking about deity, but it is talking about God maintaining a visible presence in the world through us; through our flesh and blood bodies, our mortal flesh. Elements of the MYSTERY OF GODLINESS: - God can be put on display in our unredeemed mortal bodies. As remarkable as this is, God intends for this to be the normal Christian life. This is the way we are supposed to live every day of our lives; putting God on display. We manifest Him in the flesh by how we conduct ourselves, by the decisions we make, by the things we say, by the way we spend our time, by how we do the things we do, and by living the doctrine. Godliness does not come by keeping the law, but by the effectual working of Paul's doctrine in us. It requires our proper response to each form of doctrine so that it can do the work in us it was designed to do; make us godly creatures. Our proper response involves reading, understanding, meditation and prayer, and then more of all of those things. It means taking what we learn and implementing it into our lives, making the doctrine the source of our actions.

1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. MYSTERY OF GODLINESS (cont'd): A list of things that while they are true for the Lord Jesus, these are things that are supposed to be happening with us and that is really a privilege. We do this list and that is the MYSTERY OF GODLINESS. Godliness was not a mystery. What was a mystery was people in a fleshly, unredeemed body could manifest the very life of God to such an extent that it would be seen by angels and they would be impacted by that. MYSTERY: A mystery is that which was hitherto hidden and unknown, but now is revealed. GOD MANIFEST IN THE FLESH: We take all these things (GH: the MYSTERY OF GODLINESS) and we want to attribute them to the Lord Jesus, that He was God in the flesh. MM is not denying the deity of Christ, of course He was. But the subject here is not the Lord Jesus, the subject is the local church. The subject matter of the whole chapter is the local assembly. Not the building, but the people. God is going to be MANIFEST IN THE FLESH. These bodies are going to behave themselves in certain ways that manifest the very life of God. If you make this verse about Jesus, you have missed the whole idea that this is about you and you will not understand what is taking place in the mystery. Jesus was 'God manifest in the flesh' because He was deity. God can be manifest in our flesh and we are not. That's the mystery.
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. JUSTIFIED IN THE SPIRIT: To be “justified in the Spirit” is the operation or ministry of God the Holy Ghost with the word of God, within the inner man. If this is about Jesus, did Jesus need to be JUSTIFIED? Justified means to be made righteous. Jesus was already righteous. Notice how Paul sets this doctrine forth: - He states that there is a “mystery” aspect to “godliness” - He states how it was done: “God was manifest in the flesh” = the PROVISION for godliness. - And then: “justified in the Spirit” = the MECHANICAL MEANS of the ministry of the Holy Spirit by which godliness gets put on display! JUSTIFIED: Means to be made righteous. Can't be talking about Jesus since He didn't need to be justified. He was already righteous and didn't need to be made righteous.

SEEN OF ANGELS: There are some things we are supposed to be doing so that it actually begins to impact the angelic realm, it is seen by God's angels, which is an encouragement to them. But it is also made to be seen by Satan's angels and this becomes a very disheartening thing for them. It shows that the whole world is now following after Satan's plan and agenda. True that Jesus was SEEN OF ANGELS at His birth. But the mystery is not in the prophetic program. We will be seen of angels - Ephesians 3:10. - At His birth - After the 40 days in the wilderness PREACHED UNTO THE GENTILES: This “mystery” is being preached to Gentiles today, but not by many. Most churches are unaware of the mystery. Satan certainly desires to keep the saints in the dark concerning what God is presently doing with Gentiles in this DOGG. Jesus was not PREACHED UNTO THE GENTILES, Jesus said GO NOT INTO THE WAY OF THE GENTILES-Matthew 10:5 so if you make this verse about Him you have a problem. Most churches don't know about the mystery, and that is our commission. GENTILES: The unsaved.
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. BELiEVED ON IN THE WORLD: MM is not denying Jesus was BELIEVED ON IN THE WORLD. GH: The churches worldwide who understand the mystery and faithfully preach it. RECEIVED UP INTO GLORY: Ties to a component of the mystery. Is our catching away out of this world at the event of the Blessed Hope-Titus 2:13 (also see 1 Corinthians 15:51-58 and 1 Thessalonians 4:13-18). People think this is about Jesus and His Ascension. But again, Paul is not giving us a history lesson of the life of Jesus, he's talking about what the church is designed to be. We are waiting on THE BLESSED HOPE-Titus 2:13 to be received up into glory.
1 Timothy 3:16	MYSTERY OF GODLINESS = God manifest in (our) mortal flesh	16 And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. **Recap: Our response to THE MYSTERY OF GODLINESS doctrine: Understand that godliness doesn't come from keeping the law but by the effectual working of Paul's doctrine so it can do the work in us that God designed it to do - make us godly creatures. So our proper response involved reading or hearing that word, understanding that word, meditating on that word to put it into your thinking, praying about that word and talking to your heavenly Father on how you are going to implement this in your everyday life. And you are going to repeat this process over and over. So that one day, as you do these godly things, the doctrine is the source of your actions. This is when it really begins to make a difference with you and that is what we are after here.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:1-6:21		Further assaults from Phase 1 of the PoE attack against the local church.
1 Timothy 4:1		1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; As a Pastor, Timothy is going to be shown the POE to disrupt his assembly. Same way the attack is going to come against the Monahans assembly. First thing he wants to do is to take us out of the Mystery program and put us back under the law in Israel's program. Has a POE designed to do that. When in Bible college, MM was taught SEDUCING SPIRITS and DOCTRINES OF DEVILS were talking about evil things in the world. Things the devil was doing. The context: Paul is writing to Timothy as a Pastor of a local assembly of believers and he is talking about the attack against that assembly. This is not about how to live for God in a godless world. This is about the attack that's coming against this assembly of believers who are being made to understand there's a Sonship education to be gained and Satan's trying to undo that. This is describing part of the POE to accomplish that. If you are Satan and you are talking to the church and not the world, how do you know you have to present something? It is going to have some appearance of truth to it. It's going to have to be religious. It is going to have to look right and sound right.
1 Timothy 4:1		1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; MM says the local assembly has a singular job called godly edifying and that is given over and over in the Pastoral epistles. To engage in anything else to the detriment of that is the cleverly devised counterfeit that looks good, feels good, and sounds good, but actually has replaced the singular thing we are supposed to do. This is the whole purpose of the POE. It is to move you from what you are doing to doing anything else. Giving heed to seducing spirits and doctrines of devil's is not about porn or debauchery or immorality or vile things you could name in the world. Those are things that are going to come right out of your Bible and they are going to have a form of godliness but denying the power thererof. They are going to look good, sound good, and when you get engaged in them, they feel good and your Father is now going to tell you through what Paul pens to Timothy this young Pastor that is never ever going to produce the thing you are supposed to be. Why it is a doctrine of devils because the POE is let's get you involved in this stuff that you can't criticize. MM said any assembly that is not engaged in the one thing they are supposed to be engaged in has bought into the counterfeit, but they can't see it because there's nothing they're doing that is evil on its face.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:1		1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; LATTER TIMES: Not talking about the LATTER TIMES of Israel's program but in the LATTER TIMES of the DOGG. MM believes this was going on in Paul's day and continues today. He has heard preachers used this to say the BLESSED HOPE is around the corner. MM doesn't think you can time the BLESSED HOPE off of the verse, by looking at circumstances. SOME WILL DEPART FROM THE FAITH: Not talking about the last days of prophecy he's talking about here. It's the latter times of the DOGG. Paul says that some will depart from the faith. They will become convinced by Satan's doctrines of devils. SEDUCING SPIRITS, AND DOCTRINES OF DEVILS: A consequence of deceiving ourselves is opening the door for the adversary to present more untruths to us, to continue to deceive us. POINT: When you deceive yourself, you open yourself up to SEDUCING SPIRITS and DOCTRINES OF DEVILS. DOCTRINES OF DEVILS: Doctrines that are contrary to the Truth. People get false doctrine in their thinking and now that affects how they carry out their spiritual life. You have to learn the Truth about the doctrine and that means you are going to have to take time to look at and understand it, and be persuaded by it.
1 Timothy 4:1	Story : Firehouse	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; STORY: In a community and say we need a fire house. Need people who are trained as firemen so that if there ever was a fire, we have trained people to go put out the fire, save lives, perform CPR, etc. People want to support this and say we need more than a truck, need sleeping quarters at the firehouse. If they are staying at the firehouse, you got to have food and a kitchen area. Need a place to sit down if they are going to be there. If they are going to sit down, need a lounge area with a TV. Then say, to promote the firehouse, really get it going, raise money, get the community behind it. Invite people in the evening to come and eat meals. So many people showing up, we need a basketball goal and ping pong table. Then you've got kids coming up and you need an XBOX for the kids to play. Teenagers and playing basketball, people are sitting in the lounge area. Then we have a softball Team to compete against other fire departments. You got to practice and get a coach. Everything is working around the firehouse. If not careful, all of the peripheral activities are going to begin to overwhelm the reason for the firehouse in the beginning.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:1	Story : Firehouse	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; STORY (cont'd): Instead of people learning how to perform EMS and instead of people learning how to work the truck, that really begins to take a back seat to the fact that this is now a social thing that our whole town is involved in. Some guys who used to always go out on fire calls, if it is not a really big fire, say I will stay and keep practicing softball. Finally, someone stands up and says wait a minute. We are majoring in something that doesn't have anything to do with putting out fires and saving lives. If you are a fireman, need to be trained on putting the fire out or giving medical aid or something to do with this firehouse, or something for what this firehouse was for. But unfortunately, those folks are in the minority. It will come down to this. You people who just want to have a firehouse, you can go somewhere else and have a firehouse. Or we are not coming up here anymore. You are on your own. MM doesn't personally know of a firehouse where that happened but knows a ton of churches where that happened. Even a church that doesn't know about Sonship, does know about people being saved. Everything shifted to become something else. It's about becoming a status, reaching a place. Can't point to any of it and say that is bad/evil. What it's going to produce at the firehouse is evil. MM doesn't believe Satan is using unclean spirits today. Using the DOCTRINES OF DEVILS. After transition period, don't see any healing or casting out of unclean spirits.
1 Timothy 4:1	GH: Spiritual Warfare (Ephesians 6:10-20) Commentary	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; The main ploy of Satan's POE is to attack the Truth of what God says in His word and what He is doing in this DOGG. SEDUCING SPIRITS: Is a spirit the performs some kind of sign, wonder, or miracle for the purpose of deceiving those who see it, to deceive them about the Truth. Not talking about fakery like gold dust coming in from the church ventilation system. MM points to what Satan did to Job's children in Job 1 and the magicians mimicking the first few plagues in Exodus. Not a coincidence, Satan had the power to do that. The power to produce miraculous events that deceive the people that see it and cause doubt in the people who did believe the Truth. A spirit that is able to seduce people to believe the lie because they have the power to accomplish some phenomenon in the world that everybody looks at and says oh, that must be from God. MM says if you start thinking that every miraculous thing is from God, you are fair game for the adversary. The only way to know if it is real is judging the event by the doctrine written in your Bible. That's the only way you can know. This makes the Bible the final court of appeal in all matters of faith and practice, nothing trumps the Bible. These are not common place but within the power of Satan to produce a supernatural event.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:1	GH: Spiritual Warfare (Ephesians 6:10-20) Commentary	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; SEDUCING SPIRITS (cont'd): These seducing spirits will produce miracles for the purpose of entrenching their doctrines of devils. So if the Bible says in the Books that are specifically written to us and about us, that this is what God is doing, and then it looks like maybe God is doing something else, you will then know on the authority of God's word that that is a SEDUCING SPIRIT that is a counterfeit of the adversary to produce a belief in a lie. STORY: In 2011, a guy produced a new version of the Bible based on an angel telling him it was his life's mission. MM says he can judge that event based on what he reads in Paul's epistles. The more you know about the Truth that Paul has written, the more discerning you will be about knowing the Truth from error and all the outward signs won't matter. DOCTRINES OF DEVILS: They are doctrines designed to attack the truths concerning the mystery of Christ. Some of these doctrines will work to put the body of Christ under aspects of Israel's prophetic program. These doctrines will corrupt the saint's understanding of what God is doing today. Are doctrines that are geared specifically to attack the mystery and the DOGG. Things that are pertinent to the time in which we're living right now. Others would be the unique apostleship of Paul, rightly dividing the word, mystery of Christ, etc.
1 Timothy 4:1	GH: Spiritual Warfare (Ephesians 6:10-20) Commentary	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; DOCTRINES OF DEVILS (cont'd): Is a false doctrine that tries to get the Bible to say something that is not true. Doctrines of devils have the effect of: 1) always over Bible doctrines/corrupting Bible doctrine, and 2) they are always connected to scripture. Anything that is not connected to scripture is not part of our spiritual warfare with the Adversary. DOCTRINES: The way Satan is carrying out spiritual warfare today is by doctrines! The battle is in their mind. DEVILS: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses.
1 Timothy 4:1	GH: SIIP Verse	1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; IN THE LATTER TIMES SOME SHALL DEPART FROM THE FAITH, GIVING HEED TO SEDUCING SPIRITS, AND DOCTRINES OF DEVILS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:2-3	GH: Spiritual Warfare verse	v2: SPEAKING LIE IN HYPOCRISY: It is communicating a false doctrine by pretending it is from God; that they are messengers of God and that their message is God's message for today. Presenting doctrines as though they are from God, when in fact they are from the adversary. They're masquerading - the deception is going on there. It's communicating false doctrine as though it is the true doctrine of God. v2: HYPOCRISY: Pretending to be something that you're not. v3: Examples of DOCTRINES OF DEVILS-v1: 1. FORBIDDING TO MARRY-v3 2. COMMANDING TO ABSTAIN FROM MEATS-v3: This is an attempt to put people back under the dietary laws of Israel, which is contrary to what God is doing today. These two are attempts to get people back under the law, just like in Israel's program, which is contrary to what God is doing today.
1 Timothy 4:2		2 Speaking lies in hypocrisy; having their conscience seared with a hot iron; CONSCIENCE SEARED: Some have "seared" their conscience, so that they do not properly empathize with others or discern when their conduct is offensive and improper. They have so damaged their conscience that they no longer have the ability to tell right or wrong anymore.
1 Timothy 4:3		3 Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth. Paul giving them a whole list of things that don't pertain to us. Put people under the law and put their Spiritual life to death. MM taught this was about the Catholic church. Priests can't marry, can't eat meat on Friday, etc. MM said this verse is not trying to bash the Catholic church because when Paul wrote this there wasn't one. These are things out of the law. Remember the POE is trying to get you back under Israel's program. **MM says the denominational thing is the foolishness of men**. MM taught in school this is the verse that condemned Catholics because they didn't eat meat on Friday and their priests didn't marry. These don't come out of the Catholic church, they come out of Israel's program.
1 Timothy 4:4		4 For every creature of God is good, and nothing to be refused, if it be received with thanksgiving: Apostle Paul telling us every creature is OK to eat. Paul says those people who believe and know the truth love ham sandwiches. Don't have to worry about the Leviticus 11 clean and unclean list. No clean and unclean list in the DOGG. False prophecy: Increased interest in vegetarianism anticipated. -> Abstaining from meats is a religious observance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:6		6 If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words of faith and of good doctrine, whereunto thou hast attained. PUT THE BRETHREN IN REMEMBERANCE OF THESE THINGS: You are not under that law. MM just did that, making him a GOOD MINISTER OF JESUS CHRIST. NOURISHED UP IN THE WORDS OF FAITH AND OF GOOD DOCTRINE: Timothy is supposed to remind the members of his assembly of these things, not just know them for himself. It is the "words of faith and of good doctrine" that will insulate all of them from the attack designed to remove them from the faith. WORDS OF FAITH: Words written down in your Bible to produce the education and the edification that God means to take place in us. (the) FAITH: Is not talking about trusting Christ as your Savior, it is referring to the doctrine that was revealed by Jesus Christ to Paul, which he, in turn, delivered to the body of Christ. To depart from the faith is to deny Paul's gospel, deny the dispensational distinction from Israel, and to deny the process of edification unto godliness which comes by the working of the word in us. GOOD DOCTRINE: Bible differentiates between the 2 - Doctrine vs. Good Doctrine. ATTAINED: You have gotten to something.
1 Timothy 4:7-8		v7: EXERCISE THYSELF RATHER UNTO GODLINESS: People are shallow - thinking they have to build themselves up or have a great body. What value is a great body if your soul is bankrupt? If you say you should have both, it's your way of saying you are not going to let go of stuff. When we can let go of that and the fruit of the Spirit can characterize our life then we are free to be exactly who we have been created to be. That's the goal that nobody can block but you. You are the only one that can keep you from becoming what God intended you to be because every situation is an opportunity to do just that, to put the doctrine into practice, to show the sufficiency of grace. v8: GODLINESS IS PROFITABLE UNTO ALL THINGS
1 Timothy 4:7		7 But refuse profane and old wives' fables, and exercise thyself rather unto godliness. Paul tells Timothy to refuse the profane teachings that Satan is circulating (and everyone is repeating) and exercise himself unto godliness. Paul warning Timothy of the things that will get his assembly off track and keep them from what they are supposed to be doing. MM says there's a lot of good things we can involve ourselves in but there's one necessary thing. REFUSE PROFANE AND OLD WIVES' FABLES: Two things to refuse here: 1. PROFANE 2. OLD WIVES FABLES. By the time you get to Timothy, you have already seen God define what something is when He considers it profane. MM asks the group for synonyms for profane - evil, dirty. REFUSE PROFANE: MM was taught this was profane words or profanity. Not what this verse is talking about. Timothy may be a fully educated son but he's under the attack of the POE. Paul is about to show him 2 ways in which that attack is going to manifest itself. When these things rise up, don't pay any heed to this. PROFANE: When someone says, God spoke to me when God did no such thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:7		7 But refuse profane and old wives' fables, and exercise thyself rather unto godliness. POE is going to contain 2 prongs to it - how to counter: 1. REFUSE PROFANE: People are going to show up in your assembly and say 'God told me...' and you can fill in the blank. EX: 'that keeping the law is OK'. Think that is a farfetched statement? Turn on Christan TV programming. 'that sacrifices are OK for the Jewish people'. 'that America is headed in the wrong direction'. MM said that is probably true. When someone comes along and says 'I dreamed', 'God said', 'God told me' -> Paul tells Timothy to refuse that. There's a caveat but will do the next one before it. It applies to both.
1 Timothy 4:7		7 But refuse profane and old wives' fables, and exercise thyself rather unto godliness. 2. REFUSE OLD WIVES' FABLES: Are the accounts of miracles according to Israel's program. Talking about the miracles that God did under Israel's program and acting like that is what He is doing now. EX: 'Let me tell you what God did. We were over in Nigeria and God performed a miracle'. Right out of the Israel program. 'Give people gold teeth fillings to give gold teeth fillings with none' As a Pastor, MM is supposed to identify this for what it is and refuse it. If you don't know WHY, it wasn't your Father talking. He tells you WHY before He tells you what. Shows how superstituous believers have become because they are not grounded in the truth of this Book but they have put their belief system in a circumstance. If you want to use a circumstance to create your doctrine, you are in danger. POE is going to have a field day. Can't say you believe because you have an idea. MM says he has to believe it because he can actually produce that from the pages of this Book in the epistles that belong to us. Oh Brother Mike, you don't believe we should be praying for...it's not what MM believes, it's about what does this Book tell him to pray for. If you disagree, MM will quickly reply that is your right, he is not your tutor and governor. If you are praying for something that you can't find an instruction to pray that way, then you are either praying based on what you want to do OR you created a circumstance that you now base your practice on. FABLES: Are the accounts of the miraculous interventions of God on behalf of the people of Israel. Fable is a tale of some supernatural event.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:7		7 But refuse profane and old wives' fables, and exercise thyself rather unto godliness. EXERCISE YOURSELF UNTO GODLINESS: Do this and don't get mixed up in the above/REFUSE it. Because when you get caught up in these two things (1. 'God told me/dreamed/visions 2. God's miracles) you are not interested in becoming godly. People would bring notebooks instead of Bibles and write down all the prophecies and then live their lives/look at their days for possible fulfillments. MM says they aren't interested in going through an education, that's work. Just tell me/give it to me now. Does Paul say here? Try the spirits and see if what they are saying is true Listen to what they say and see if it is true No. Tells Timothy to flat out refuse it. There's one way that God speaks to you in the dispensation of grace and He gave you a complete curriculum. MM realizes people are falling off the wagon here and don't want to hear this. It's what you grew up with and you have people that you believe that love God with all their heart and they taught you. But your apostle under the inspiration of the Holy Spirit. Paul to Timothy, refuse people who claim 'God said/dreams' and 'God miracles' and pursue godliness (Think, Act/Live, Labor like God). When you think about exercise, you think about exertion and effort. Going to take some time and effort. MM says any church that does this will not be looked at as a normal church. Maybe even a bad light. Won't feel like what people feel church looks like. **Godliness is the working of the doctrine in our inner man**. It is godly living which is the result of godly thinking, which comes from the doctrine in God's word. EXERCISE: Carries the idea of training and discipline.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:8		8 For bodily exercise profiteth little: but godliness is profitable unto all things, having promise of the life that now is, and of that which is to come. BODILY EXERCISE PROFITETH LITTLE: He is not talking about working out in a gym. Look at how he used exercise in the previous verse. This is the performance of outward, religious stuff. MM jokes that God wanted to stop in the middle of a discussion about GODLINESS to talk about working out. Talking about the religious practices that you do when you kneel or make the sign of the cross. BODILY EXERCISE: Outward religious actions or physical rituals with regard to religiion, like making the sign of the Cross, kneeling, kissing someone's ring, making an offering, a Jew not traveling on the Sabbath, etc. BUT: Corner word - going in a whole different direction. All the physical, outward things people do to exercise their religion. GODLINESS IS PROFITABLE UNTO ALL THINGS: In this life that is now, let godliness be the beginning, the middle, and the end of what we think and do. When it is, we are training for godliness to continue to work for us in THAT WHICH IS TO COME. GODLINESS IS PROFITABLE: Godliness is profitable in this life and beyond. What MM's been telling you! To get educated in this is going to serve you out there. It's the only thing you will be able to employ out there. GODLINESS: Not talking about good deeds, talking about 'think, act/live, labor'. See that godliness is going to profit us now and in eternity. Learning to think, live, and labor like your Father. HAVING PROMISE OF THE LIFE THAT IS NOW, AND OF THAT WHICH IS TO COME: Paul says godliness is profitable both now and later.
1 Timothy 4:10	Suffering = SUFFER REPROACH	10 For therefore we both labour and suffer reproach, because we trust in the living God, who is the Saviour of all men, specially of those that believe. This is the job of the pastor of the local assembly. To take every single member of the local assembly through the educational process. Different from most educational processes in that you couldn't wait till class was over. Ever sit in a class and think when in the world am I ever going to use this? GH: Don't have that issue with Sonship. SUFFER REPROACH: If you believe this, you will suffer reproach for this, called the sufferings of Christ.
1 Timothy 4:12-13		12 Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. 13 Till I come, give attendance to reading, to exhortation, to doctrine. Paul gives Timothy the formula for teaching his people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:13-14		13 Till I come, give attendance to reading, to exhortation, to doctrine. 14 Neglect not the gift that is in thee, which was given thee by prophecy, with the laying on of the hands of the presbytery. READING -> EXHORTATION -> DOCTRINE: In that order for a reason. To teach/preach the Bible any other way is to it under a competing form of godliness. You can have all the good intentions you want to but if you decide to NOT follow that formula, then you're actually trying to produce something in a way other than what your Heavenly Father designed for to be produced as a result. v13: Paul is admonishing Timothy to read the exhortations and doctrine in the word of God. They are what constitute the armor of light- Romans 13:12.
1 Timothy 4:13	Proper Bible Reading	**Also see Ephesians 6:10-14.** GIVE ATTENDANCE TO READING: Not saying just open up your Bible and start reading willy-nilly. More than pay attention to reading. Have to engage your mind to say what is being said in the passage. Keep reading and reading, noticing the patterns and coupling it with prayer. The more you do the easier it gets. He is saying: 1) when you are reading the scripture, apply your mind to what you are reading so as to observe things in the text that are going to be important to what you are reading, and 2) let this action of reading be “assiduous,” unrelenting, constant, unremitting. Keep reading it and re-reading it. MM already does this but he takes for granted that everyone already does this. It's a simple but critically important thing to do if you're going to get an understanding of things you are reading in the Bible. What we may not realize is that by giving attendance to reading, we are laying the foundation for this to be more than just an intellectual exercise in the accumulation of knowledge. If that accumulation doesn't work to transform you, you missed the important step. Reading is an integral part of the edification process, where we develop our ability to understand doctrine directly from the scripture itself. What we are after is to immerse ourselves in every passage we study, so that it becomes part of our thinking. So, endeavor to give attendance to reading, specific reading, preferably, reading that which the whole assembly is engaged in studying so that everything you are doing is pointing at the same things and headed in the same direction.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:13	Proper Bible Reading	By giving ATTENDANCE TO READING, we are laying the foundation for this to be more than an intellectual exercise (just accumulating knowledge). It has to be more than that because you can accumulate knowledge, but if that knowledge never works to transform you, you miss the important step. As you GH: relentlessly read in an attentive manner, this lends itself to the doctrine more readily transforming you, than you just accumulating a bunch of facts that MM is giving you. MM says he wants to get everything right, but you need to be able to look at the word and say I see this (GH: either validate or refute). When you do this, you are really putting yourself in a position for edification to take place. And the more you do this, the more skilled you get with it. You will begin to notice things more and more, like things we didn't cover. Everything we are studying, reading is the first step and your opportunity to be transformed by the doctrine. Not just talking about reading the Bible through, really talking about being specific in what we're reading and then constant in how we are engaging with the text and then looking at other things. When you are doing this, you are doing Bible study. MM says don't underestimate the power of reading in your life. MM is not a real fan of the 'read a Bible through in a year' programs because you are not retaining it. Better to read what we are studying together.
1 Timothy 4:13	Proper Bible Reading	ATTENDANCE: OED: attendance 1. c1374 1790 - The action or condition of applying one's mind or observant faculties to something; - Means that you are not just reading, but you're actually thinking and observing things about the text that you're reading. You are really engaged with the text. MM says reading to the bottom of the page and not knowing or remembering what you read would NOT be giving ATTENDANCE TO READING. 2. c1400 1674 - The action or condition of turning one's energies to; assiduous effort; assiduous: OED: assiduous “of actions: unremitting, persistent, constant.” * Not just I read it one time and I'm off to the next thing, but I am reading it because I'm actually thinking about the things I'm reading and I'm relentless in the number of times I'm reading this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:13	Proper Bible Reading	READING: For saints who want to learn the Bible, and be edified by it, there is a critical part of the process of Bible study which is so simple but largely overlooked and underestimated. I think the main reason for that is because when we do it, oftentimes it does not yield great results. Here it is: Read the scriptures/verses. MM doesn't think he is making too much of this. Bible reading is a bigger part of Bible study than most people think. Reading is the foundation for understanding, and understanding always precedes application. If you don't understand it then you can't really apply it to your life. Bible reading is exactly what Paul taught Timothy. How to read properly - the instances and structure of our reading. * Engage in Bible reading daily, not just Bible reading, but specifically the passages we are studying on Sundays and Tuesdays. We must actively engage our minds with the passage in the days we are studying it. MM suggests reading at least once, preferably twice a day - morning and evening. Because reading it just 1x/day is not assiduous or unrelenting. Will have read the passage 14x in 7 days. If you can memorize them, all the better. MM says he is not just trying to get you to read the Bible every day. He is, but he doesn't want you to just pick a place and start reading. Read the passage everyday till we are out of this passage. Read with inflection and pausing at the commas, etc. Really reading it. Engage your mind, looking for patterns and looking at the words that are there. Things will happen in your sub-conscious mind that will open up the scripture for you later on.
1 Timothy 4:13	Proper Bible Reading	* It helps the edification process even more if you can pray Ephesians 6:10 18. You can begin by simply changing the pronouns of the verses to reflect the information in the verses as your own sentiment, something you are saying back to God. But you can also deepen the way you pray the scripture, by putting the words of scripture into your own words and defining the things in the scripture in details of your prayer. * Read slowly and carefully observing words being repeated or other patterns in the passage. If there are words you are unfamiliar with, stop and look them up and then write the meaning in the margin of your Bible. Repeat the reading process with the proper meaning now in your thinking. When you are finished reading, ask yourself these questions: - Did my mind wander while I was reading? If it did, read it again. - Encapsulate what you just read into a single sentence. If you can’t, read it again and try to encapsulate it one more time. If you can’t, try again tomorrow. * If you want to expand the reading process to be more productive, try writing the passage down and underlining or circling words, phrases or patterns that catch your attention. * Once you've exhausted your reading part of the process, now couple it with prayer. Prayer goes hand in hand with reading the scriptures. One of the ways that you can pray is to pray the scriptures. EX Ephesians 6:10 Prayer. Want to personalize your prayers. In the verse, there are two things: 1. be strong in the Lord (His strength in you - GH: strong in your inner man to handle whatever comes your way), and 2. in the power of His might (GH: His strength). This is forcing you to understand the verse.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:13	Proper Bible Reading	If you don't understand the verse, the only thing you can do is repeat the words and you don't really know what that's about. EX: * In response to Paul preaching to you Ephesians 6:10: “I will be strong in the Lord, and in the power of His might.” Just use the words in the page. * In response to God telling Ephesians 6:10 to you: “Heavenly Father, I will be strong in You, and in the power of Your might.” Just use the words in the page. * How to say without just repeating the words: Next level - think about the passage and then use your own words - from MM's prayer journal: “Heavenly Father, I will find my strength in You/Your cause because I need spiritual strength that only You can furnish. Thank you Father that I can rely on Your power and Your might, when the PoE turns it gaze toward me. As I wrestle against the rulers of the darkness of this world, I pray it will be in the power of Your might and not in my flesh…”. Putting it in your own words forces you to understand the verse. Have to understand what these phrases mean. - BE STRONG IN THE LORD: Not in your arms and legs. Know that this is a spiritual strength in your mind - to trust in the things that He has said. You need this strength if you are engaged in spiritual warfare or if you are going through a difficulty, some kind of suffering / calamity / circumstance / adversity / etc. - (be strong) IN THE POWER OF HIS MIGHT: Not in your strength, but in His provision. Not your strength, but His Strength in you. Just do this - action overcomes fear. Like learning to ride a bike. This process is even more effectual if we write our prayer down and keep a journal of some of our prayers.
1 Timothy 4:13	Proper Bible Reading	* WARNING: Don't rush through the reading part in order to get to the prayer. Take your time in the process. Every step is doing work that the other steps don't quite do. So pay attention to the reading and take you time with that and read and reread and it's going to be fine. Means that you are going to be observing words you see in the passage. If you run into a word that you don't know what that means, stop reading and go look it up. Can use a Concordance because sometimes looking at the other references is enough. MM suggests the OED because they list the definitions from 1300 on. Look at the definitions before 1611 and if there are multiple, allow the context to select the best one.
1 Timothy 4:15		15 Meditate upon these things; give thyself wholly to them; that thy profiting may appear to all. Paul is exhorting Timothy to reflect upon the doctrine. MEDITATE UPON THESE THINGS: Paul has written 4.5 chapters and then he says, hey, I want you to meditate on these things. GH: Put your thoughts around the doctrine that you have heard and believe is true and now believe will work for you as you begin to talk to your Heavenly Father about it. MEDITATE: He is not talking about sitting cross-legged in the corner of your room with your hands and palms up, your eyes closed, and you hum. The meditation is on the doctrine/the word. MEDITATE: OED: 1) to refect upon, consider, study 4) to exercise the mental faculties in thought or contemplation GIVE THYSELF WHOLLY TO THEM

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 4:16		16 Take heed unto thyself, and unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee. Paul tells Timothy that by taking heed to the doctrine and he will both save himself (his salvation is nearer than when he believed) and those that hear him (the assembly Timothy is pastoring). Not save them from being attacked, but save them from the effects of the attacks that will come against them.Two things: 1) The thing that will protect Timothy from departing from the faith, from listening to seducing spirits, and from being deceived by doctrines of devils is the doctrine. It is the armor that, if Timothy does not have it working in his inner man, it cannot protect him. He must know it and he must "continue" in the doctrine, which is tantamount to putting it on – all of which means, he must live out of it, he must utilize it in his daily life. 2) The "saving" that Paul refers to in 1 Timothy 4:16 is the same salvation that is in view back in FOR NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED-Romans 13:11. UNTO THE DOCTRINE: Pay attention to that. SAVE: Not salvation from the debt and penalty of sin.
1 Timothy 4:17-18		17 Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine. 18 For the scripture saith, thou shalt not muzzle the ox that treadeth out the corn. And, The labourer is worthy of his reward. Responsibility of the local assembly to take care of the Pastor - Paul uses not muzzling the ox as he threadeth out the corn.
1 Timothy 5:3		3 Honour widows that are widows indeed. MM tying this to Romans 16:1 is Phebe possibly being a deaconess. MM commends the widows in MBI who have remained faithful. They could have a different kind of life if they just threw in the towel but they haven't done that. It's easy for a wife to have her husband's commitment and then when he's gone, she is off the rails now and really doesn't want to pursue that. HONOUR WIDOWS THAT ARE WIDOWS INDEED: A widow that doesn't have any surviving family members (children mainly but sisters and brothers) that are obligated to take care of her. WIDOWS INDEED: A widow over three score years of age, over 60 years old. These are the ones in view. A widow is a woman who is over 60 years old whose husband has died and has no surviving family. If she does not have other surviving family members, such as children or siblings, she is a widow indeed. If she has family, the Bible says it is their responsibility or obligation to care for her.
1 Timothy 5:5	Prayer Aspect : Without Ceasing = PRAYERS NiGHT AND DAY	5 Now she that is a widow indeed, and desolate, trusteth in God, and continueth in supplications and prayers night and day. PRAYERS NiGHT AND DAY: Look at the "without ceasing" aspect of Paul's prayers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 5:6		6 But she that liveth in pleasure is dead while she liveth. Some widows turned to a life of pleasure.
1 Timothy 5:8		8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel. Paul says we should provide for our own households. What the Bible says about a widow who has family but they refuse to take care of her. WORSE THAN AN INFIDEL: If they don't take care of those in their family which are without means to care for themselves (like WIDOWS INDEED-v3), they are worse than an unbeliever. INFIDEL: An unbeliever.
1 Timothy 5:9--11		MM tying this to Romans 16:1 is Phebe possibly being a deaconess.
1 Timothy 5:9		9 Let not a widow be taken into the number under threescore years old, having been the wife of one man. UNDER THREESCORE YEARS OLD: A qualification of a widow is 60 years of age to be taken into the number of people they are caring for. If a widow is 35, she can go to work. HAVING BEEN THE WIFE OF ONE MAN: MM thinks the issue of polygamy. If she were married to two men and one of them dies, she doesn't suddenly qualify as a widow.
1 Timothy 5:10		10 Well reported of for good works; if she have brought up children, if she have lodged strangers, if she have washed the saints' feet, if she have relieved the afflicted, if she have diligently followed every good work. WELL REPORTED OF FOR GOOD WORKS: Someone shows up and lives the doctrine. She's been involved. Not someone who 20 years, got their name on the roll and they haven't seen her since. LODGED STRANGERS: Hospitality IF SHE HAVE WASHED THE SAINTS FEET: IF SEE RELIEVED THE AFFLICTED: GH: Office of mercy. IF SHE HAVE DILIGENTLY FOLLOWED EVERY GOOD WORK:
1 Timothy 5:11-14		Context: Paul warns the younger women in the assemblies about their conduct so they do not give the adversary an occasion to speak reproachfully. GH: The CALLED ACCORDING TO HIS PURPOSE-Romans 8:28. The body of Christ - GOD'S ELECT-Romans 8:33.
1 Timothy 5:12		12 Having damnation, because they have cast off their first faith. CAST OFF THEIR FIRST FAITH
1 Timothy 5:13		13 And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not. LEARN TO BE IDLE TATTLERS ALSO AND BUSYBODIES, SPEAKING THINGS WHICH THEY OUGHT NOT

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 5:14		14 I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully. GIVE NONE OCCASION FOR THE ADVERSARY TO SPEAK REPROACHFULLY: The reproachful speaking of the adversary would be in connection with these younger widows behaving themselves contrary to their own Sonship education. GH: MM teaching Philippians 4. Don't give Satan the opportunity to speak reproachfully about you because of his success in attacking the message. GH: See SPIRITUAL WICKEDNESS IN HIGH PLACES-Ephesians 6:12 commentary. ADVERSARY: One of the names of the devil - talking about his work with this name. Shade of difference between ADVERSARY and enemy (see 'Comparison : Adversary vs. Enemy' in the Commentary section). Adversary vs. Enemy: Adversary is actively engaged against you. Can have an enemy but they may not be doing anything to you.
1 Timothy 5:16		16 If any man or woman that believeth have widows, let them relieve them, and let not the church be charged; that it may relieve them that are widows indeed. It is the job of the church but it is also the job of the family to make sure she is taken care of. IF ANY MAN OR WOMAN THAT BELIEVETH HAVE WIDOWS, LET THEM RELIEVE THEM: If she has family, they should help with this. If any man or woman is a believer in Jesus, and there is a widow in their family, they are responsible to care for them. If you are a believer in Jesus Christ and there is a widow somewhere in your family, let them relieve them and not let the church be charged with that. MM says when you come to Christ, you have obligations, not just to the Lord but towards your family. Helping people who are legitimately needy.
1 Timothy 5:23		23 Drink no longer water, but use a little wine for thy stomach's sake and thine often infirmities. Why didn't Paul heal Trophimus(2 Timothy 4:20) or Timothy? Not getting shortchanged, showing a more excellent way.
1 Timothy 6:2		2 And they that have believing masters, let them not despise them, because they are brethren; but rather do them service, because they are faithful and beloved, partakers of the benefit. These things teach and exhort. TEACH AND EXHORT: GH: MM tying this to the definition of FAITH in THE PROPORTION OF FAITH-Romans 12:6 for a Pastor.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 6:3-5	GH: Doctrine : Godliness - v3	3 If any man teach otherwise, and consent not to wholesome words, even the words of our Lord Jesus Christ, and to the doctrine which is according to godliness; 4 He is proud, knowing nothing, but doting about questions and strifes of words, whereof cometh envy, strife, railings, evil surmisings, 5 Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. Paul's able to give an analysis of that person (pastor) who has been given the corrective doctrine, not to be a teacher of the law, and not to be teaching other doctrines. And if he won't consent, (won't change his mind) Paul then gives a detailed psycho-analysis of that man's human spirit. He describes exactly what's taking place in that man's thinking and the operations of his conscience. He tells Timothy exactly what's going to take place if he continues dealing with that man and that if he doesn't change his mind, then Timothy is to withdraw himself from him because it's not worth it! When a man like a pastor who gets to that Level 3 man of understanding stature gains a skillfulness in regards to being able to "read" people. v3: THE DOCTRINE WHICH IS ACCORDING TO GODLINESS: The thinking like God, living like God, so you can labor with God.
1 Timothy 6:6-8		For the one needing the aid. NOTE: The church has an obligation to help those who are truly needy, provided they also are a functioning part of the church, and that they are unable to work in any capacity on their own. The Bible indicates that if a person can work, they are not needy, but should support themselves by the work of their own hands.
1 Timothy 6:6		6 But godliness with contentment is great gain. CONTENTMENT: This CONTENTMENT can only be produced by the doctrine. Starts in Romans 8:16-25 where you are given a doctrine of a patient endurance. MM says the excellency of His Power will produce a stablility in you, a CONTENTMENT even though the suffering is going on, and a joy with long suffering and patience.
1 Timothy 6:8		8 And having food and raiment let us be therewith content. FOOD AND RAINMENT: Notice Paul does not include HOUSE. Just need food and clothing. Doesn't include shelter/housing. Where was Jesus' house? Is not so much about the limit of what a church should do, but the limit of what we, as individuals, should be asking. That is not to say that our brothers and sisters in Christ cannot help to fill some kind of need, of course we can. But, a church can only do what it can do. In this day, we like to think that our needs go beyond food and clothing, but not according to scripture. The church has no obligation to help those who are living an immoral life. And the church doesn't have the obligation to buy the cell phone or the big screen TV. What we call 'needy' today GH: is not scriptural. RAINMENT: Clothing.
1 Timothy 6:12		12 Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses. God did not just call us "unto eternal life" in connection with our justification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 6:15	GH: PoA verse	15 Which in his times he shall shew, who is the blessed and only Potentate, the King of kings, and Lord of lords; HIS TIMES: The world is still in rebellion and He's not intervening in any capacity as He did in His program with Israel to either punish the world and the wicked individuals in it, or to punish or stop those who say they are doing things in His "name" that are really being done on behalf of the Adversary; He suffers though all that. In this dispensation of grace, God is not having His day. In this DOGG, God is not even having "His times," (which will not take place until the kingdom). Because Paul is talking about more than one time - times on the earth and times in the heavenly places. We already know that as far as the earth goes He will be King of kings, and Lord of lords. But for the heavenly places, He will be "the blessed and only Potentate." Paul has put both "names" together in the verse to give the totality of Christ's ministries and His names for both. Jesus has two names: one in connection with His rulership on the earth, and the other in connection with His rulership in the heavenly places. TIMES: Plural. Because He will occupy those positions at different times. The Lord Jesus will forever and always occupy the form which He presently takes. He will always manifest the body He had after the Resurrection. What MM means by that is that His resurrection body can only be in one place at a time. The Son is not omnipresent in the sense that the Father is because the Father is Spirit. Because Jesus is manifest in a body and that body is only in one place at a time. Those will happen at different "times" because the Son is manifestly only in one place at a time. This is unlike the Father who is a spirit and can manifest Himself in many places at the same time through His omnipresence, omniscience, and omnipotence.
1 Timothy 6:15	GH: PoA verse	15 Which in his times he shall shew, who is the blessed and only Potentate, the King of kings, and Lord of lords; THE BLESSED AND ONLY POTENTATE: Christ's Name in the heavenly places. All the things in the heavenly places will bow to Him. KING OF KINGS and LORD OF LORDS: His Name on earth. All the things on earth will bow to Him. GH: These happen at different times because Jesus is in a body and can only be in one place at a time. In contrast, God is a Spirit and can manifest Him at many places at the same time through His divine attributes. The Lord Jesus does not have this kind of omnipresence. MM says it is important to understand these divine attributes and be able to trust them. But, even when He is seated on David's throne, on the earth, in the millennial kingdom, He still holds the position of being the head of the body in the HP. With Israel, he is not functioning as the head of the body, but, he does hold that position. It will not be held by someone else in His absence.
1 Timothy 6:15	Non-MBI	planitall YouTube : King (1 of 5 mandates in the Davidic covenant): fulfilled when the Kingdom is established. After Christ and His remnant have purged the world of all ungodliness, He will be ready to establish His Kingdom on the earth. The establishment of the Kingdom on the earth will be a joyous time, not only for Israel but for the entire world. Jesus will fulfill the 4th mandate by ruling and reigning on the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Timothy 6:17	GH: Interdispensational Principle - don't trust in your riches / GH: SIIP Verse	17 Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy; NOR TRUST IN UNCERTAIN RICHES: GH: MM tying to DECEITFULNESS OF RICHES-Matthew 13:22. ALL THINGS: Not talking about any of the physical, material world, he's talking about THE RICHES OF CHRIST-Ephesians 3:8, the spiritual riches that are ours and that's where our focus ought to be.
1 Timothy 6:20		20 O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called: Even back then, there were those that were coming along and saying hey, science disagrees with the Bible. There are those that say, God didn't write the Bible to be a science book. Don't try and teach science out of the Bible. MM said the Bible has been ahead of science since the beginning and it is still ahead of science. It is telling you things about the cosmos out there that no scientist has even seen with their eyes and cannot know. The only way they could ever know is to read the Bible. Remember science and flat earth. The Bible said GOD SITTETH ON THE CIRCLE OF THE EARTH. When the Bible says the 4 corners of the earth, He is talking about north, south, east, and west.
1 Timothy 6:20	Non-MBI	PR: Look out for science. Ignored by Christians today. It's science and philosophy (Col 2:8) that have destroyed the Bible picture of creation and the Bible picture of history.
2 Timothy		One of 7 prison epistles that Paul wrote 2 Timothy: Has the 8 ways Satan means to block our understanding and blow us about with winds of doctrine so we remain confused and uncertain about how to see the scriptures - not just 1 verse. Two men's names in 4 chapters that have specific meanings and all 8 of those men are opposed to Paul's ministry and the doctrine. Whole book is about the apostacy that is already creeping into the church in Paul's day, where the churches in Asia have decided that they don't believe what Paul preached anymore. They are going to go back to the old ways. Paul tells Timothy if they don't rightly divide the word of Truth, they are all going to apsoticize. MM says hello Church... that's where we are. We have succumbed to the 8 ways that Satan is corrupting the church in this day. You can live a lifetime and never hear about these issues. This is serious business. 2 Timothy: Last Book that Paul writes. When it is completed, the prophecies have been failing, the tongues have already ceased, the knowledge vanished away. There are more gifts than these 3. These 3 gifts represent a whole category of those kinds of gifts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy		2 Timothy: In the whole Book, you end up getting 7 people mentioned by name that have opposed the doctrine and tried to destroy local assemblies who are teaching Paul's doctrine. 7 names given who are being used to oppose Paul's message and disrupt in cooperation with the POE. - 2 names in Chapter 2. - 2 names in Chapter 3. - 2 names in Chapter 4. - 1 name in Chapter 5. Mentioned in pairs except that last chapter. What they are doing to destroy Paul's message is to MM very similar to those 7 abominations in Proverbs 6:16-19. Proverbs 6 is the exhortations in Israel's program but they seem to be very parallel. Can't be an exact match - one is for Israel and one is for us. MM says you could see 7 things that would destroy Sonship in Israel's program and 7 things that would destroy Sonship in the DOGG. MM believes Paul is showing you the 7 attacks against the 7 aspects of godly wisdom. He is showing these to a Pastor - here's what's coming.
2 Timothy		2 Timothy: Was the last Book written to complete the N.T. Paul says it was given to him to complete the revelation of the Scripture. A lot of time elapses between the time Paul writes 1 Timothy and 2 Timothy. Doesn't talk about anything in 1 Timothy (like church structure and organization). When Paul started and people got on board, they didn't see it as something really living - a vital relationship and it turned into a religion. Paul realizes many of the churches who used to be engaged with this doctrine in a vibrant living way are no longer doing that. He talks about individuals assembling together around the Truth and living out of that Truth. Not every assembly and certainly not every individual ran off the rails, but what Paul was doing had turned into a religion. This is a real danger for us too. Can't let this turn into a religion and not a living relationship. Religion is is set of things you just do - you go through the motions. MM says he is not trying to be ugly but there were folks all over this city that did religion today - show up and do the same thing pretty much every time. Not saying they are bad people or have evil intentions. If we are not careful, will turn into the same thing. Looking at the churches, as far as what Paul was trying to do with them, they had apostasized. Not totally walk away but turn into a formal religion and you have lost what you are supposed to have. Change the way we are doing the Lord's Table to help us keep from doing that. Has to be a real, vibrant, living thing that we are involved in, this relationship with our Heavenly Father.
2 Timothy		2 Timothy: MM says it is the last of the 66 books written in the canon of scripture. Know because Paul says it was given to him to complete the revelation of scripture. He's the one that finished it up. 2 Timothy: Paul names 8 men by name that have been used by the POE. MM says how would you like your name shows up in the Bible that way? MM says no thank you. In every chapter, Paul mentions 2 people that became an opposition to him and the ministry. Each of these attacks represent a different aspect of the POE. None of the attacks that will come against you are greater than the edification that is supposed to take place in our inner man. That enables us to handle everyone of those attacks.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:2	Grace facet/definition: is a Power to produce a PEACE	2 To Timothy, my dearly beloved son: Grace, mercy, and peace, from God the Father and Christ Jesus our Lord. MY DEARLY BELOVED SON: Not God's DEARLY BELOVED, this is how Paul feels about Timothy. GRACE, MERCY, AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER, grace that is sufficient to produce a peace IN your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE IN your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace IN your soul no matter what you are going through. It is sufficient to handle every situation.
2 Timothy 1:3	Prayer Aspect: Without Ceasing = WITHOUT CEASING...IN MY PRAYERS NIGHT AND DAY	3 I thank God, whom I serve from my forefathers with pure conscience, that without ceasing I have remembrance of thee in my prayers night and day; WITHOUT CEASING: Look at the “without ceasing” aspect of Paul’s prayers. IN MY PRAYERS NIGHT AND DAY
2 Timothy 1:4		4 Greatly desiring to see thee, being mindful of thy tears, that I may be filled with joy; BEING MINDFUL OF THY TEARS: What was happening to Timothy that would cause him to be in a condition where Paul says your TEARS, that this extreme sadness had come over him? Timothy had been with Paul for a while, Paul mentored him. There was an extreme amount of pressure on Timothy to reject Paul and his teachings but there was also a timing issue. They were now under the guiding hand of Timothy since Paul was not free anymore. There was a part of his ministry that he handed off to Timothy and under his watch those chruches in Asia turned back to the old way. Timothy is thinking God called Paul, did all this great work, he handed off to me, and I killed it. Timothy was looking at his life like a failure. He had disappointed Paul, the Lord, and certainly himself. When Timothy saw one church after another falling away like dominos, no wonder it is having that kind of an affect on him. May not have happened because Timothy was a poor preacher, might have still happened if Paul wasn't in prison, remember the Corinthians ran off the rails. Paul wasn't in prison then.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:4		4 Greatly desiring to see thee, being mindful of thy tears, that I may be filled with joy; THY TEARS: Are because Timothy is experiencing the spirit of fear, the POE has been pounding him and his assembly at Ephesus for so long and now he's starting to flinch under the POE - the SoC. Just a non-stop barrage and it has reduced him to tears and Paul knows about that. He's praying for Timothy NIGHT AND DAY-v3. Paul gives Timothy some advice a few verses down. Paul leaves Timothy at Ephesus and goes to Rome. Timothy ends up crying his eyes out and wants to throw in the towel, thinking that he took what Paul left him and he has blown the whole thing because all the churches in Asia decided that they were not going to continue to believe Paul's doctrine of grace with the Mystery and all of them had departed from that doctrine and come back to where they were in the beginning. Paul said he knows that. This thing is bigger than us and how we feel about it. Talks to Timothy about the commitment it is going to take. MM knows that if Paul preached a message that people embraced and then fell away, it won't be any different with him.
2 Timothy 1:7		7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. MM says these phrases in your Bible get tossed around and used very loosely. A lot of preachers would tell you, if you have a SPIRIT OF FEAR, that would equate that to some kind of demon or unclean spirit that is in you and he is producing that spirit of fear. That's not what the Bible is talking about here at all. This is not describing demonic activity at all. The sufferings of Christ (SoC) are designed to give us a spirit of fear, discouragement, and resignation but Paul tells Timothy this. GOD HATH NOT GIVEN US THE SPIRIT OF FEAR: This is what had overcome Timothy. For Timothy to function properly, he was going to have to overcome what the POE was doing and that was making him fearful. He is going to have to overcome that. Because of the spirit of fear that has been produced in Timothy, he had been shying away from sufferings. It's made him timid. Instead of I know this is coming my way and I'm equipped to handle this (GH: the sufferings). they've made him have some reservations. Paul is saying, don't shy away, be a PARTAKER-v8. He is reminding Timothy that God has given him this privilege. This is the FELLOWSHIP OF HIS (Christ's) SUFFERINGS-Philippians 3:10. SPIRIT OF FEAR: Is exactly what you think it is and that it is the power of some emotion or frame of mind that's operating in somebody. It's the way you are thinking about it. Fearful about a big boss meeting? That's not a demonic spirit. That's an emotion that you are experiencing because of your uncertainty about that. Spirit of Faith: He is asking you to have this. This is not some angel that's coming in and taking residence in you and producing something supermatural, this is you absolutely believing what He is asking you to believe. That's all that is. It's faith in this word, believing what's written in this word, in the doctrines and the exhortations that are given to you by your Heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:7		7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. A SOUND MIND: Paul talks to Timothy about God giving us a SOUND MIND. What those SOUND WORDS-2 Timothy 1:1) produce. The SOUND MIND comes from the sound doctrine that is working IN our inner man and that is the kind of work that has to be done. A "sound mind" comes from "sound doctrine" which is working in our souls. Timothy is going through some suffering. He is a fully educated son, he's pastoring an assembly so the POE is targeting him. Paul wants Timothy to know that God has equipped him in his inner man. Paul says God has given Timothy all he needs to function properly and that he should not be afraid. SOUND MIND: Our education is comprised of "sound words" which formulate "sound doctrine" which produces a "sound mind."
2 Timothy 1:8	Prayer - Inner Man Power - enduring / Suffering = PARTAKER OF THE AFFLICTIONS	8 Be not thou therefore ashamed of the testimony of our Lord, nor of me his prisoner: but be thou partaker of the afflictions of the gospel according to the power of God; The body of Christ needs a power beyond omnipotence working in us to edify us. What God values is the edification of our inner man (the product of His grace working in us) so that we endure our sufferings to His glory. BE NOT THOU THEREFORE ASHAMED OF THE TESTIMONY OF OUR LORD NOR OF ME HIS PRISONER: The reason Paul had to say that to Timothy is because that was beginning to happen to him. Don't be ashamed of me because I am a prisoner. BE THOU A PARTAKER OF THE AFFLICTIONS OF THE GOSPEL ACCORDING TO THE POWER OF GOD: Enduring Power - one of 5 ways God empowers us in our inner man. Notice that Paul says to Timothy to be a "partaker of the afflictions of the gospel" but how does He say to do that? Answer: "according to the power of God." God gives us the inward strength (the power) to endure this kind of suffering circumstance. PARTAKER OF THE AFFLICTIONS: MM says nobody would make that statement apart from this doctrine. Is not a calous statement by Paul. He is telling Timothy exactly what he needs to hear. Notice just not be a PARTAKER, be a PARTAKER...ACCORDING TO THE POWER OF GOD. Timothy knows about this power, it is not a new thing to him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:8	Prayer - Inner Man Power - enduring / Suffering = PARTAKER OF THE AFFLICTIONS	8 Be not thou therefore ashamed of the testimony of our Lord, nor of me his prisoner: but be thou partaker of the afflictions of the gospel according to the power of God; PARTAKER: You are participating in that. If not, you are taking a step back and not wanting to participate in that. You are involved in that. Timothy is going man, I'm really getting broken up under this POE, it is just crunching me & I'm just fearful and Paul goes you need to be a PARTAKER OF THE AFFLICTIONS. Need to get in there and get some of that. MM jokes that Paul needs to work on his bedside manner. POWER OF GOD: Works in us to produce a patient endurance of these kinds of sufferings so that: - We do not change our message - Phase 1 'attack the message' - We are not intimidated into silence - Phase 2 'attack the messenger' - We are not ashamed (of being discredited) - Phase 3 'discredit the messenger' The INNER MAN Power to endure - Talking about enduring sufferings and going through tribulations Prayer - The Power to endure (Colossians 1:11; 2 Timothy 1:8) - 'enduring power' - Talking about enduring sufferings and going through tribulations
2 Timothy 1:8	Prayer - Inner Man Power - enduring / Suffering = PARTAKER OF THE AFFLICTIONS	8 Be not thou therefore ashamed of the testimony of our Lord, nor of me his prisoner: but be thou partaker of the afflictions of the gospel according to the power of God; If you are a PARTAKER, part/a portion of this belongs to you. You are going to partake in/be involved in that. Timothy is supposed to be a partaker ACCORDING TO THE POWER OF GOD. This is not a quirk in Paul's personality. This is what Timothy really needs to do. MM thinks Timothy knows it and thinks Paul is reminding him of something that sometimes you get in the middle of something and you don't think about it, it is overtaking you and you just need to be reminded. Because of the “spirit of fear,” Timothy is shying away from the afflictions and sufferings. Paul tells Timothy not to do that. He reminds Timothy that he knows better than that and that he is listening to his flesh and to the Adversary. Paul reminds Timothy that God has given him the privilege of His grace to be a partaker of those sufferings. But when you do, you do it according to the “power of God” for then God will give you the capacity to put up with and endure those sufferings. There was a constant bombardment of things that were coming Timothy's way that had produced that small case spirit of fear. Developed a fear around the SoC - specialized acts of the POE to not just make him flinch but to make him quit. Only coming against Timothy because he as making an impact in Satan's realm. Describing how Timothy was beginning to respond to the circumstances that were happening to him. He has become so overwhelmed that he has become fearful of the sufferings. MM says it is a privilege to have this type of suffering (GH: SoC). Should see as a privilege and an honor. Would never see it as a privilege unless you really understand what that suffering was about. The Power of God allows you to ensure those things. Paul is going to put Timothy back on track and remind him of things that he already knows and we need that sometimes. Sometimes we need a reminder when we are lost in the conflict of it. MM is not throwing stones at Timothy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:9	GH: BTFOTW-The Mystery (4x)	9 Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began, Here's the POWER OF GOD-v8 that he is talking about. Getting over into the part now where you are taken back through the education as a father instead of learning the education as a son. Learning it from the standpoint of one who is going to be giving it out. CALLED US WITH AN HOLY CALLING: They/we are called to be (in practice) the saints we already are (positionally) in Christ. HOLY CALLING: That which God determined, that when He had sons and daughters, and they would be part of this body which was all kept secret, there is something that He wanted them to accomplish/to do. They were meant to be involved in His plan and purpose of why He created everything in the first place. Back before anything, back before the world began, God said I AM going to have this ONE NEW MAN-Ephesians 2:15, who is going to be involved in a heavenly VOCATION-Ephesians 4:1 and utilize it out there in the universe. He has a purpose in that in what He is going to do with His Son. God decided what we are doing right now before the world began. The idea is, as God was working with His program with Israel and coming along, and then they crucified their Messiah, and even if you understand the extension of mercy and the 3 opportunities that Israel was given, people say because they rejected Him, He is working with us so that's a good thing.
2 Timothy 1:9	GH: BTFOTW-The Mystery (4x)	9 Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began, MM says that is not the case. Paul says that in Romans 9-11. He not only wants to bring righteousness to the earth. He wants to bring righteousness to the heavenly places. He wants the WHOLE creation to be in subjection to His Son. **He has a Counsel with Himself - the Godhead**. Not wrong to say it this way. Remember, Genesis - LET US MAKE MAN IN OUR IMAGE. That was the Counsel of the Godhead. Wasn't going to be anyone else involved in that. Everything that happens in the dispensation of the fulness of times and AGES TO COME, God knows what He wants to take place. He has to know what is going to happen in order to make those plans - this trait of God is foreknowledge (knowledge beforehand) - He predestinated some things. Here are some things HE did NOT predestinate: He did not make sure that Michael McDaniel would be a believer. He decided there would be a ONE NEW MAN and if MM decided to trust Jesus Christ as his Savior, then all the things God predestinated for the ONE NEW MAN would be his in Christ. HOLY: Has to do with being sanctified. GIVEN US IN CHRIST JESUS BEFORE THE WORLD BEGAN: MM says it is really important that you understand this.

2 Timothy 1:9	GH: BTFOTW-The Mystery (4x)	9 Who hath saved us, and called us with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began, PREDESTINATION: Never ever involves the issue of It (GH: salvation?) is always talking about service. BEFORE THE WORLD BEGAN: Looking at all these references, you learn 3 things about Jesus 1. The Father loved the Son before the world began - John 2. Jesus was going to function as the lamb of God 3. The rest are references to the revelation of the mystery. Shows that you are not an after thought or Plan B, you were Plan A. When talking about Israel's program, He says SINCE THE WORLD BEGAN.
2 Timothy 1:12	Suffering = I ALSO SUFFER THESE THINGS	12 For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day. Context: In 2 Corinthians, one of the things they had against Paul was they were denying his apostleship, they were denying the truth he was teaching them. The basis of this was because Paul was suffering so much. They were going, how can you be a representative of God and going through all of these sufferings? We don't think you are a real apostle. Paul turns around and says, actually, the things I'm suffering are proof that I'm a real apostle and what I'm teaching you is true. This also had an affect on people who were listening to him - man, Paul is suffering so much, they put him in prison. You're following a criminal? People became ashamed of that. This is fiery dart' #3 - make us ashamed. We don't want to associate anymore. They couldn't see it for what it was/is. They never associated it with something that Satan was orchestrating and they couldn't respond to it right. FOR THE WHICH CAUSE I ALSO SUFFER THESE THINGS: NEVERTHELESS I AM NOT ASHAMED: Paul is saying I'm not ashamed of the things I'm having to suffer, the sufferings of Christ. I'm suffering these because I wouldn't succumb to this attack and I'm not ashamed for that. I'm not trying to hide it. Normally, we would hide that but Paul isn't. He's even going to list them. FOR THE WHICH CAUSE I ALSO SUFFER THESE THINGS: NEVERTHELESS I AM NOT ASHAMED

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:13		13 Hold fast the form of sound words, which thou hast heard of me, in faith and love which is in Christ Jesus. HOLD FAST THE FORM OF SOUND WORDS, WHICH THOU HAST HEARD OF ME HOLD FAST THE FORM OF SOUND WORDS: The words Paul has been teaching them. HOLD FAST: MM uses the analogy of the sailors tying themselves to the ship mast so that they are not moved by the siren songs and drive their ship aground. Let the word hold us fast. Cling to it. Don't forsake it. Look at it as a lifeline. Your spiritual life is depending on that. FORM OF SOUND WORDS: SOUND WORDS is the DOCTRINE-Romans 6:17. What conforms us to the image of His Son. SOUND WORDS: When they do their work, they produce a sound mind which we are going to need. Those SOUND WORDS that the Spirit wants to teach us, that Paul exhorts us to hold fast to. Our education is comprised of “sound words” which formulate “sound doctrine” which produces a “sound mind.”
2 Timothy 1:13	Non-MBI	JD: Because the messaage is now not the same as it used to be, you need to listen to my words. Don't depart from what I am sharing. It's different.
2 Timothy 1:14		14 That good thing which was committed unto thee keep by the Holy Ghost which dwelleth in us. HOLY GHOST WHICH DWELLETH IN US
2 Timothy 1:15		15 This thou knowest, that all they which are in Asia be turned away from me; of whom are Phygellus and Hermogenes. Paul says that all those churches in Asia had forsaken him and gone back to their old ways under the pressure of the satanic policy of evil. ALL THEY WHICH ARE IN ASIA TURNED AWAY FROM ME: GH: Result of a POE Phase 3 Attack - Discredit the Messenger. MM thinks the messenger of Satan was successful and he names these 2 names. Not trying to scare us. People in Asia knew the doctrine. They didn't stop believing. The POE attacks were successful enough to cry UNCLE and quit. Here's the deal with this type of suffering - as soon as you stop your Sonship life, it goes away. What Satan was wanting to produce. MM has to believe if the doctrine was working in the people of the churches of Asia, they would have perserved through that. Makes him think there was some kind of gap going on in their understanding. EX of a gap: Confuse getting information (getting a bunch of Bible facts in your head) with being edified (I am now being conformed to the image of God's Son). In order for that to happen, you have to implement that into our daily life. It's not just about learning stuff. Now you have to live it. For the churches in Asia, it may have been exciting to learn about it but not as exciting to live out of it. GH: All the churches IN ASIA quit their Sonship. PHYGELLUS AND HERMOGENES: Two guys that were actually counterfeiting the work that God was doing in order to deceive people and lead them away from the Truth. Exactly what happened to the churches in Asia. They went back to the old ways of doing it. Paul is bringing that up because he understands what Timothy is going through. Timothy is watching Satan rip his assembly up and it is breaking his heart. Paul is saying, I know exactly what that's like.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 1:16		16 The Lord give mercy unto the house of Onesiphorus; for he oft refreshed me, and was not ashamed of my chain: Context: At this time, Paul is not chained in prison, he is chained to a Roman soldier. Everywhere he goes this Roman soldier has to go. THE LORD GIVE MERCY UNTO THE HOUSE OF ONESIPHORUS GIVE MERCY: GH: When God's assembly understands and labors in the MERCY-Romans 12:8 aspect of godly wisdom. The things that did get done in their outward circumstances were carried out by sons who from their Sonship education know what's involved in those 6 components of wisdom, one of which is showing mercy. They would come and to the best of their ability, alleviate some of those physical circumstances. They are not only laboring with their Father, but He is showing mercy. HE OFT REFRESHED ME: He ministered to Paul's needs. There was real PERIL in Onesiphorus doing what he was doing. REFRESHED: Is the word MM is looking for as a result of the office of MERCY being properly handled. WAS NOT ASHAMED OF MY CHAIN: Not Paul had a gold chain around his neck but it wasn't real fancy. Talking about him being in prison. He's chained in a place. Onesiphorus wasn't ashamed of what was happening to Paul.
2 Timothy 1:18		18 The Lord grant unto him that he may find mercy of the Lord in that day: and in how many things he ministered unto me at Ephesus, thou knowest very well. THE LORD GRANT UNTO HIM THAT HE MAY FIND MERCY HE MAY FIND MERCY: GH: When God's assembly understands and labors in the MERCY aspect of godly wisdom. The things that did get done in their outward circumstances were carried out by sons who from their Sonship education know what's involved in those 6 components of wisdom, one of which is showing mercy. They would come and to the best of their ability, alleviate some of those physical circumstances. They are not only laboring with their Father, but He is showing mercy. IN HOW MANY THINGS HE MINISTERED UNTO ME AT EPHESUS
2 Timothy 2		2 Timothy 2: It's going to be necessary for us to have these attributes of godly love working in us. If we are going to be reigning with Christ in the heavenly places, then the things that need to be in someone in a position of rulership starts in Romans 12:3-8.
2 Timothy 2:1-?		Example of the counseling aspect of WISE COUNSELS. (GH: Starts in v4 - v1-3 give the context.) Notice as Paul is giving Timothy counsel, he is going to work his own experience back into the equation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:2	GH: Sonship	2 And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. Describes the process of passing the education down to the next set of sons, who will, in turn, pass it down to those who follow after them. This is designed so that the education can go on and on, uninterrupted. This is exactly what Level 3 Sonship is about! THE THINGS THAT THOU HAST HEARD OF ME AMONG MANY WITNESSES, THE SAME COMMIT THOU TO FAITHFUL MEN, WHO SHALL BE ABLE TO TEACH OTHERS ALSO COMMIT THOU TO FAITHFUL MEN TEACH OTHERS ALSO: Falls into LEVEL 3. Teach others to teach others to teach others so it can survive. MM says this is the issue of LEVEL 3. Unfortunately, everytime Sonship has come up, somebody has to dig it out of the dirt and act like it's the first time it's ever been done. We want to break that cycle, through this assembly and the media we send out. Here's what it doesn't say - teach - uses COMMIT. Stronger word than TEACH. COMMIT is to put into the hands of another or to put in trust. In other words, when Paul says this to Timothly, he says you put this into the hands of men that you entrust the future of Sonship to these. They need to understand what that is. When these guy pass it on, they will be COMMITTing it again to those who will teach others. LEVEL 1 and LEVEL 2 are the teaching. When you get LEVEL 3, it can be COMMITted to you.
2 Timothy 2:2	GH: Sonship	2 And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. You can COMMIT it to that person. They know it from the standpoint of a son and they know it from the standpoint of a father. MM says until you go back and observe the markers and the checkpoints and really see from the standpoint of a father, MM can't tell you how difficult it is to teach this curriculum. It is a scary thing, because you are wondering, are you seeing everything that needs to be seen? He can say things to GR he didn't even know to say when he went through with Monahans. Same thing will happen to us. If you have gone through the curriculum and then gone back as a father, you really are in a very good place to say, let me lead you through the curriculum. Paul is exhorting Timothy to bring others to the same level that he, himself, has attained unto, thus equipping them to “teach others.” In other words, if you are not a Level 3 son, then you really cannot deliver the full weight of instruction to another. GH: Applies to Pastors, Deacons, and MAN OF UNDERSTANDING.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:3	Suffering = ENDURE HARDNESS / Sonship Suffering '25	3 Thou therefore endure hardness, as a good soldier of Jesus Christ. ENDURE HARDNESS AS A GOOD SOLDIER OF JESUS CHRIST: Advanced doctrine. MM can't dwell on what you want to hear. Up to you on what you do with it. ENDURE HARDNESS: Happens in this life and has a pay-off toward our eternal glory. There are some difficulties that are going to come as a soldier of Jesus Christ - persecutions, sufferings - and you are supposed to be able to endure those. Refers to a particular kind of suffering. The kind of hardness that is meant to make Timothy stop his Sonship life. Stop his edification and to quit. Exactly what happened to the churches in Asia. Here's the deal with this type of suffering - as soon as you stop your Sonship life, it goes away. What Satan was wanting to produce. You are going to go through it. You are not going to escape it. He's not going to put His Hand between you and it. He's not going to yank it out of your way. You're going to endure it and your commanded to do it. He is not just saying just endure it, just keep going, stiff upper lip, bite the bullet. It's going to be hard/difficult. Endure according to the POWER OF GOD-1 Timothy 1:8. There is a Power for Timothy to employ to be about to do that and God has given him the capacity to do that. There's a way to do this. He is not talking about Stoicism. A GOOD SOLDIER OF JESUS CHRIST GOOD SOLDIER: It's the military metaphor Paul is using here. What Paul is telling Timothy to do in view of this (GH: 2 Timothy 1:7-8). Not what Timothy wanted to hear in his human thinking. HARDNESS: Means it’s going to be hard; it’s going to be difficult. MAN OF UNDERSTANDING (Proverbs 1:5) has completed the curriculum, endured the SOPT and POE, and bears the scars of battle on his body.
2 Timothy 2:4		4 No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier. Is some great counsel for a pastor. NO MAN THAT WARRETH ENTHANGLETH HIMSELF WITH THE AFFAIRS OF THIS LIFE. Here is the WISE COUNSELS-Proverbs 1:5. Paul is writing to Timothy, who has gone through the Sonship curriculum. Pastor counseling a Pastor. MM says this is a pretty broad heading, means to him that he shouldn't run for office, shouldn't serve on the school board, don't need to be mayor - MM is using this in the political realm because that's certainly the affairs of this life. Why you shouldn't run for office or occupy some poltical positions is because the old way is we need godly Christian people in these positions. But as a Pastor, I don't have time for that. If he does that, guess what suffers? This (GH: teaching Sonship). MM says if I am a Pastor, this has to be the most important thing I put my hand to. This has to get done if nothing else gets done. This is what my Father, as long as MM holds this position, is looking at me for. Non-Pastors can make the same calculation/conclusion. But that's up to every son. Somebody does have to hold these positions, but not a Pastor. Notice what follows the counseling in v4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:7		7 Consider what I say; and the Lord give thee understanding in all things. CONSIDER WHAT I SAY: Paul is not demanding it. Gave him counsel and now he says CONSIDER WHAT I SAY. Paul is not going to be Timothy's tutor and governor. AND THE LORD GIVE THEE UNDERSTANDING IN ALL THINGS: He is saying this is matter for you to take before your Heavenly Father in Sonship prayers and you determine if what I am telling you is right. This is going to happen because Timothy is going to go back and talk to his Father about this thing and the searching of the heart is going to take place. If Paul said, 'this is inspired scripture, bud, do what I tell you', he would be acting as a tutor & governor. Paul is not cramming it down Timothy's throat but treating him like a son. THE LORD GIVE THEE UNDERSTANDING
2 Timothy 2:8-10		Now, look at how Paul injects himself into the counsel his is giving Timothy. Watch Paul inject himself - here's where the experience comes in.
2 Timothy 2:8		8 Remember that Jesus Christ of the seed of David was raised from the dead according to my gospel: MY GOSPEL: Since Paul's suffering is connected to "his gospel-the death, burial, and resurrection," these are the sufferings of Christ. Paul will have a reward for these types of sufferings.
2 Timothy 2:9	Suffering = I SUFFER TROUBLE … EVEN UNTO BONDS	9 Wherein I suffer trouble, as an evil doer, even unto bonds; but the word of God is not bound. He is saying they treat me like a criminal and lock me up and I suffer trouble like I am some kind of criminal. Paul says he is looked at like a criminal because I have been thrown into prison. You are corresponding with a jailbird. After telling Timothy to ENDURE HARDNESS, showing him that he is suffering the same things, going through it too. Paul is saying you are not going through anything I haven't already been through. Paul is saying I may be bound up in prison and can't go anywhere, but the word of God that he is proclaiming is not bound because it will not only happen in this prison, it'll go outside of this prison. It'll spread around the world. WHEREIN: The reason he is suffering trouble is the proclamation of the gospel. He looks like he is suffering as an EVIL DOER, but that's not why this suffering was going on. He's suffering because of the message and if he is suffering because of the message, he is experiencing the sufferings of Christ. I SUFFER TROUBLE, AS AN EVIL DOER, EVEN UNTO BONDS: Paul was not an evil doer, but he was being treated like one; that is his point, evil doers wind up in prison. Most of the others who were in prison were most likely suffering because they were evil doers and they deserved it. The suffering that is going on with Paul, he is suffering as an EVIL DOER. But Paul wasn't doing the wrong thing. His sufferings were the sufferings of Christ. He is saying it looks like I'm a criminal and have broken the law. I SUFFER TROUBLE: MM says talking about tribulations and attacks. EVEN UNTO BONDS: Paul even went to prison for it. THE WORD OF GOD I NOT BOUND:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:10-12	Sonship Suffering '25 / EJP (Equivalent Justice Principle)	Do you just want to be saved, or do you want the salvation which is in Christ Jesus with eternal glory? Paul is making a distinction. v10: Paul is saying that he endured his sufferings because he wanted us to have salvation with eternal glory throughout the ages to come; he wants us to have the reward of the inheritance. v10: I ENDURE ALL THINGS FOR THE ELECT'S SAKE: Paul is saying that he endured his sufferings because he wanted us to have salvation with eternal glory throughout the ages to come; he wants us to have the reward of the inheritance. v10: ALL THINGS: All the sufferings Paul went through. v10: ELECT'S: The saved members of the body of Christ. Paul is enduring ALL THINGS because he is an example of how we're supposed to go through it. MM says if you got everything just because you suffer, then Paul is enduring ALL THINGS for no reason. If all you have to do is suffering, and now you get all of the reward, then there's no need for Paul to endure anything. But if he is enduring it for our sake, then there's either a right way to do it or a wrong way, and he is showing us the right way.
2 Timothy 2:10-12	Sonship Suffering '25 / EJP (Equivalent Justice Principle)	v10: THAT THEY MAY ALSO OBTAIN THE SALVATION WHICH IS IN CHRIST JESUS WITH ETERNAL GLORY: Why Paul ENDUREd ALL THINGS FOR THE ELECT'S SAKE. v10: MAY: Another critical word. Means it MAY or may not happen. v10: THE: Implies there is a SALVATION without ETERNAL GLORY. v10: SALVATION: Not that we are going to be saved, we are already saved. v10: WITH ETERNAL GLORY: Paul making a distinction between do you just want to be saved, or do you want the salvation which is in Christ Jesus with eternal glory? Paul is making a distinction. Do you want your work to be burned up, but you are saved, yet so as by fire? (1 Corinthians 3:12 15). The patience and faith that Paul taught the Thessalonians by his example will produce a salvation with eternal glory for them.
2 Timothy 2:10-12	Sonship Suffering '25 / EJP (Equivalent Justice Principle)	The rewards are not for our glory, but they are so we might have a greater capacity to glorify God. Since it is God who is responsible for every godly response, our rewards are to His glory. If you have little glory, you have little capacity to glorify God. If you have great glory, you have great capacity to glorify God. But if you don't care about this, don't follow Paul's example and do whatever you are going to do. Moan, complain, and let it destroy you. You'll have SALVATION but it won't be with ETERNAL GLORY. v12: It's a privilege of reigning with Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:10	Eternal Glory / Suffering = ENDURE ALL THINGS	10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in Christ Jesus with eternal glory. Talks about eternal glory. Your salvation is so you could participate in the glory that is His. That was the whole reason He saved you. Wasn't so He could just drag you off the Heaven one day and do who knows what. It was so that ultimately, you could share in the glory of God's Son Jesus Christ. That will be the fulness of eternal glory. THEREFORE I ENDURE ALL THESE THINGS FOR THE ELECT'S SAKES: Paul endures all of these sufferings for the sake of the saints. I ENDURE ALL THINGS FOR THE ELECT'S SAKE: Talking about a particular type of suffering that will be for their benefit. I ENDURE ALL THINGS: Paul is talking about the sufferings. ALSO: Because so am I. Because I am the one going through this, I will obtain eternal glory. You also will be able to obtain it. This is an OPPORTUNITY. Not an automatic. When you talk the fulness of what eternal glory is, some of that is everyone gets a piece of, but not everyone.
2 Timothy 2:10	Eternal Glory / Suffering = ENDURE ALL THINGS	10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in Christ Jesus with eternal glory. THAT THEY MAY (not will) ALSO OBTAIN THE SALVATION: There is this idea that if you get saved, you get all of that. Would be the equivalent of, if everybody just shows up at school, everyone gets As. Reality, some get As, some get Bs, etc. What you get out of that is what you 'attained' to. When you get saved, you become part of what God is going to do with His plan and purpose of His creation. You can do more than just get in the door. There is more to it than that. No matter where you served in the Creature your Father would love to have you fully qualified to go anywhere in the heavenly places/creature and work. That's what He is after. Because there is glory for Him in that, to say that is what My word has produced IN My sons and daughters. People hear this and don't like it because they don't want to have to do anything. Everybody wants an A++ and not do any work for it. It's not about Gloria saying, I have got to beat Karen. If thinking about this right, both should look at each other and want the other to get this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:10	Eternal Glory / Suffering = ENDURE ALL THINGS	10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in Christ Jesus with eternal glory. OBTAIN THE SALVATION WHICH IN CHRIST JESUS WITH ETERNAL GLORY: Paul states his goal in terms of the reward; that they will obtain salvation with eternal glory, with a view to reigning with Christ in the heavenly places. It may be that when we refuse evil and choose good that we will suffer in this world, but that temporary suffering will result in eternal glory. OBTAIN: In the sense of 'attainng to' or 'to reach' or 'to arrive at' - the eternal glory issue is not an automatic issue. There will be plenty of people who will be saved and there is an aspect of glory in accordance with that. Just because you are saved, doesn't mean at the Judgment Seat of Christ that everybody will receive identical rewards. Call it works if you want, it's a fact that the Bible talks about. There are other increasing levels of glory. Like an appliance bulb, to a room light, to a 1,000 watt halogen. You think God is going to use a heavenly lottery to determine who is going to be a halogen and who is going to be a refrigerator bulb? We are obtaining something, we are reaching for something, we are trying to arrive at a place in our edification, based on the ability for you to integrate the doctrine into your life, and live out of it. That's not something we produce. SALVATION: Not from the debt and penalty of sin, that salvation is from the effects of the POE. Talking about more than just saving you from the debt and penalty of your sin. It's talking about the fulness of what your salvation is supposed to offer you as a believer in Jesus Christ. Most people don't have a concept of ETERNAL GLORY, needs an expanded study. WITH ETERNAL GLORY
2 Timothy 2:10	Eternal Glory / Suffering = ENDURE ALL THINGS	10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in Christ Jesus with eternal glory. ANALOGY: Move from kindergarten graduation to middle school graduation to high school graduation to college graduation (then Bachelors then Masters then Doctorate). THE SALVATION WHICH IS IN CHRIST JESUS WITH ETERNAL GLORY: This is what our whole salvation is pointing to. He wants you to get the salvation with eternal glory. These verses describe what is waiting for us out there. What are we actually going to be involved in. People who call it works are people who don't want to be responsible for implementing the doctrine into their life. MM calls that lazy, sluggard Christianity. MM says if it costs him listeners so be it. MM is interested in people who want to learn this Book, have that wisdom installed IN their inner man, become skillful in living out of it, so when they get into the creature, they actually know something. That's who MM is interested in. What are the exhortations for? Why are you being asked to walk worthy of the calling if it doesn't matter?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:10	Eternal Glory / Suffering = ENDURE ALL THINGS	10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in Christ Jesus with eternal glory. Two things that always get said about the work that we are doing. MM hears them over and over. 1. That we are teaching Calvinistic doctrine. Not Calvinistic in any way, shape, or form. There are 5 tenets of Calvinism and we teach none of them. We teach the opposite. Not the opposite, that would be Armeanism and we are not that either. 2. People hear what we are saying and say, ya'll are just doing works. We have never taught this for justification or sanctification. People are either not paying attention or purposefully misidentifying what we are doing. Not asking anyone to take MM's word for it. He is asking them to stop mischaracterizing what we are doing here. If you can't do that, quit listening to us and go somewhere else or spend 40 hours a week in your Bible and dig it out. ETERNAL GLORY
2 Timothy 2:11-13		Notice all the colons - independent thoughts that are connected to the thing that follows. Passage has 2 positive statements and 2 negative statements. Talking about the sufferings OF Christ and the attacks of the adversary due do your Sonship edification. Reigning is based on what you did that made you suffer. These positive statements are not a repetition of the same idea. Two different statements with two different things in mind: 1. v11: IF WE BE DEAD...LIVE WITH HIM - JUEL - automatic (doesn't mean you will reign) 2. v12: IF WE SUFFER...REIGN WITH HIM - SUFL - not automatic - have to suffer in the WAY He is talking Our reigning with Him is connected with our suffering with Him. Means that if you have a life with a lot of suffering, you have an opportunity for a lot of reigning and an inheritance. MM doesn't believe these are automatic. Doesn't believe people will automatically reign. Our reigning with Christ is connected to our suffering with Him, but reigning is God’s design for us. MM says just going through suffering without doing it UNTO THE LORD does not produce any benefit to your Savior. The WITH HIM means something. Need to see the godly purposes in our suffering.
2 Timothy 2:11-13		Negative statements - these get reversed: 1. v12: IF WE DENY HIM...DENY US - SUFL - (Old days, think the Gospels - 'I never knew you'-> lose your salvation) - Not about your salvation - it is denying reigning with Him, keeping in the context of the passage - Talking about people who know the truth and believe the truth but they are not willing to do the truth. Why? Maybe they are afraid of the suffering. 2. v13: IF WE BELIEVE NOT...YET HE ABIDETH FAITHFUL - JUEL (Talking about no longer believing what saved us, end with the same thing you started with). If someone talks you out of your faith IN Christ, you are going to get saved a whole nother way. Shows you don't lose your salvation, which is not in what you do, it is in what He did. Talking about people now who have gone to the furthest degree. They don't even believe what they believed to get saved anymore. Problem with the church at Galaitia (1:6).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:11		11 It is a faithful saying: For if we be dead with him, we shall also live with him: IT IS A FAITHFUL SAYING: It is a promise we can count on. IF WE BE DEAD WITH HIM: Positive Statement 1. Not talking about physical death, obviously. Think Romans doctrine - dead to sin, old nature crucified, dead to the law, etc. WE BE DEAD WITH HIM: Paul talks about in Galatians (I AM CRUCIFIED WITH CHRIST-Galatians 2:20). Our OLD MAN, in Adam identity was put to death in Christ. This is what was crucified with Him. WE SHALL ALSO LIVE WITH HIM: If the IF is true, this is true. MM tying to RAISED TO WALK IN NEWNESS OF LIFE-Romans 6:4. This is the Resurrection life of Jesus Christ.
2 Timothy 2:12	Suffering = IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM - GH: Suffering Verse / GH: PoA verse	12 If we suffer, we shall also reign with him: if we deny him, he also will deny us: Not about denying us salvation or denying that we are saved. You don't want to SUFFER WITH HIM-Romans 8:17, then you won't REIGN WITH HIM. IF WE SUFFER, WE SHALL ALSOM REIGN WITH HIM: IF WE DENY HIM, HE ALSO WILL DENY US: Part of the reward (GH: not the GLORY-Romans 8:18). IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM: We know from Romans 8:17 we are supposed to SUFFER WITH HIM (GH: with Christ in us). The ability to REIGN WITH HIM is not received in the heir of God inheritance. This is conditional on the joint-hier inheritance and at the core of it. Reigning with Him is at the core of of this joint-hier inheritance. IF WE SUFFER: Positive Statement 2. Didn't say 'WITH HIM, like Romans. Ingenious - due to the kind of suffering. It's the sufferings of Christ. Here's the deal with this type of suffering - as soon as you stop your Sonship life, it goes away. What Satan was wanting to produce. Not the sufferings of this present life. Even if you quit your Sonship, still have migraines, back pain, flat tires, etc. WE ALSO REIGN WITH HIM (Christ): Happening in the heavenly places. We will be expected to make wise decisions. WITH HIM: Compare to Romans 8:17. The essence of the joint-heir inheritance: If we suffer with Him then as joint-heirs, (Rm.8:17), we shall reign with Him (2 Tim. 2:12). IF WE DENY HIM, HE ALSO WILL DENY US: MM says people say if we deny the Lord we'll lose our salvation. That is not what He is denying. He is denying our JHI. You can give a wrong response you just won't get a reward for it.

2 Timothy 2:12	Suffering = IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM - GH: Suffering Verse / GH: PoA verse	12 If we suffer, we shall also reign with him: if we deny him, he also will deny us: IF WE DENY HIM, HE ALSO WILL DENY US: Not denying in the way He is not my Savior, I don't know Him, I reject Jesus. Not talking about that. That is not the type of people he is writing to here. He's talking about if we deny Him the opportunity to live His Life in us in response to those sufferings, He is going to have to DENY US something, the reward of reigning with Him. If we... - quit walking after the Spirit - stop obeying the doctrine - begin to serve in the energy of our lfesh - stray from the doctrines of the mystery of Christ - quit our Sonship life ...then we have DENYed Him. If we do this, we don't lose our salvation. It's not at the JSoC, God is going to say depart from me, I never knew you, like we are pulling that out of the gospels. This is about Him denying us the opportunity to REIGN WITH HIM. This is a privilege, it's a reward. And because it is a reward, it can be lost. Your Bible talks about loss of reward in Paul's epistles.
2 Timothy 2:12	Suffering = IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM - GH: Suffering Verse / GH: PoA verse	12 If we suffer, we shall also reign with him: if we deny him, he also will deny us: IF WE SUFFER, WE SHALL ALSO REIGN WITH HIM: MM says this comes right out of Romans 8:17 - see the conditional IF. There is a piece here of the sufferings accelerating your Sonship. Point: That suffering is going to have an effect on what happens to you in the heavenly places. See connection between suffering and reigning in the heavenly places. When the Bible says IF WE SUFFER WITH HIM, WE SHALL ALSO REIGN WITH HIM=2 Timothy 12:2, we get a one-dimensional idea of what that is about. EX Sarita working with horses, sees the glory of God in them, and makes that known to everyone. That is an area of the creation that she is REIGNING and RULING. It's not just bossing everybody around, it's the responsible dominion over part of the creation. IF WE DENY HIM, HE ALSO WILL DENY US: Not talking about salvation.
2 Timothy 2:12	GH: SIIP Verse	12 If we suffer, we shall also reign with him: if we deny him, he also will deny us: People read this and mistakenly think you can lose your salvation, but the context is the reward of reigning. He will deny us the reward of reigning.
2 Timothy 2:13		13 If we believe not, yet he abideth faithful: he cannot deny himself.
2 Timothy 2:14		14 Of these things put them in remembrance, charging them before the Lord that they strive not about words to no profit, but to the subverting of the hearers.

2 Timothy 2:15	RDW	15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. At the heart of dispensationalism is to rightly divide the word of truth. The single most important command to properly interpret the Bible is to RIGHTLY DIVIDE THE WORD OF TRUTH. Understand which Books are written for Israel's program and which Books are written for us. Remember, Israel's program has been temporarily suspended. Not a hobby horse. It is the very thing that approves us unto God. There are divisions in the scripture. When Paul is called to be an apostle, God separates him. He divides him off. While we should learn the whole Bible, the scriptures that are specifically to us and about us are the apostle Paul's epistles of Romans – Philemon. The process of identifying which scriptures apply to which program is called RIGHTLY DIVIDNG THE WORD OF TRUTH. Can't confuse the programs. RIGHTLY DIVIDING THE WORD OF TRUTH: The way to study is to rightly divide the word of Truth. Method of Bible interpretation needed to understand what is written to the nation of Israel and what is written to the body of Christ. MM says it is amazing to STUDY TO SHEW THYSELF comes on the heels of v14. God looks back at His Hand being with Israel and then the Gentiles in Acts and then the stumbling, fall, diminishing, and fullness in Romans and say we are going to call this RIGHTLY DIVIDING THE WORD. PRINCIPLE 1: Rightly divide the Word of Truth - so the Bible doesn't contradict itself.
2 Timothy 2:15	Non-MBI	DR: Only verse is scripture the explicitly tells us to study the word of God. It commands us to study the Bible and how to study the Bible - RIGHTLY DIVIDING. Tells you the Bible must have divisions. Since it commands us to RIGHTLY DIVIDE, that means it must be possible to wrongly divide. 100% of the Bible is all true but it is not all written for us today. Building an ark, animal sacrifices. KB: Proper handling is rightly dividing the word of Truth. Make a divsion where the division belongs. The key to properly handling the Bible today. PR: The Whole Bible Is Not Written To You: It's a commandment, as much of a commandment as any commandment in the Bible. Word of Truth has proper division.
2 Timothy 2:16		16 But shun profane and vain babblings: for they will increase unto more ungodliness. And separate from the profane and vain babblers who are out here overthrowing the faith of men because they themselves have erred concerning the truth. VAIN BABBLINGS: Paul is talking about something very specific. UNGODLINESS: Think/Act-Live/Labor like the adversary. Bold statement to label all the stuff about getting back under Israel's program to labor with the adversary.
2 Timothy 2:17		17 And their word will eat as doth a canker: of whom is Hymenaeus and Philetus; HYMENAEOUS AND PHILETUS: MM thinks these are two saved preachers, they're ministers of the gospel of grace. They rejected Paul's eschatological / eschatology doctrine concerning the resurrection of the dead. Paul is saying because of this, at the JSoC, they will suffer loss. But they won't lose their salvation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:19-21		MM showing just because you are in Christ doesn't mean you can live anyway you want to. Misconceptions: 1. We hear this saying, “You are in Christ, and Christ is in you” as if these are one in the same. MM says not everything happens to you automatically the moment you get saved. You still have to grow in grace and you still have an obligation and a responsibility to live a certain way. 2. "If we are going to be filled with all the fulness of God then I just need to ask God to do that and then trust Him by faith that He has done it." MM says that is not how that works. Being filled with the Spirit is a by-product of being led by the Spirit. The Spirit of God is using that doctrine in our spirit to lead us in the things we say, the things we do, the places we go, all of those. This is not just something that you ask God to do. You get filled with the Spirit of God via the edification process. When the Bible says that Christ dwells in our hearts by faith, some take that “by faith part” to mean that the way Christ dwells in us is simply because we asked Him to come and dwell in us and we trust, “by faith,” that He is doing that. But that is not what it means. Can't just ask God to fill you in the FULNESS OF GOD and trust Him to do that.
2 Timothy 2:19-21		We need Paul’s doctrine to work in us so that we “depart from iniquity,” in order that we might be a “vessel of honor, sanctified, and meet for the Master’s use, and prepared unto every good work.” When you act in obedience to the truth, the truth behaves, and the result is righteousness conformity to God’s will in thought, purpose and action. The truth is communicated through the word of God, having its source in God. Who you are in Christ never changes but it is possible to be a VESSEL OF DISHONOR-v20 in your daily life. Paul is talking to Timothy about the responsibility that every believer carries to remove things of DISHONOR-v20 and INIQUITY-v19 so that we can be a VESSLE UNTO HONOR...THAT IS MEET FOR THE MASTER'S USE-v21. This is a criteria. So the more sanctified our lives are, the greater we'll be our capacity to be used by God. So when we sin or even flirt with sin, may not think much about it, but what we are doing is limiting what God can do with us. So the biggest thing we can do to be able to labor with our heavenly Father and make an impact to His glory is to give more attention to matters of personal holiness.
2 Timothy 2:19	GH: SEALED verse	19 Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, let every one that nameth the name of Christ depart from iniquity. HAVING THIS SEAL, THE LORD KNOWETH HEM THAT ARE HIS: Praise the Lord for this seal. MM says isn't this great. Like the Lord has put a plack down on us, saying those are my sons and daughters. THE LORD KNOWETH THEM THAT ARE HIS: He is not implying that they are unsaved. In the following verses, he talks about VESSELS OF...DISHONOR-v20 and NOT MEET FOR THE MASTER'S USE-v21. MM says he doesn't have to point these out if they are lost. No lost person is a vessel of honor. Not terminology for those that don't know the Lord, it's terminology for those who are not faithful to the doctrine that had been revealed to the apostle Paul. Not talking about their justification, talking about a functional sanctification. These are members of His body that are not being faithful to Him and in all likelihood, may not REIGN WITH HIM because they are not being led by the Spirit. SEAL: Like a seal of ownership. LET EVERYONE THAT NAMETH THE NAME OF CHRIST DEPART FROM INIQUITTY: Act like you belong to Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:20		20 But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. The more sanctified our lives are, the greater our capacity to be used of God. When we sin or flirt with sin, it reduces our capacity to be used of God. Give more attention to matters of personal holiness. GREAT HOUSE: Is the Lord's House. We are part of THE HOUSEHOLD OF GOD-Ephesians 2:19. VESSELS...TO HONOUR: Will reign with Christ in the heavenly places. The JSoC will reveal all of this. VESSELS: Talking about the saints, folks that are saved.
2 Timothy 2:21		21 If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work. God’s guidance in establishing friendships. Verse does not mean that God now owes you something. Living a sanctified life is not a promise of a big ministry or a lofty position in the heavenly places either. Holiness alone will not get you what you think. You have to WALK IN LOVE-Ephesians 5:2 and hone those Sonship skills of WJJE. Our ability to serve the Lord after this life is over is up to Him. It will be a life of service. Our motives for doing what we do here and now ought to be our love for Him and for our fellow saints. That means our desire shouldn't be to be a big shot one day, but our desire is to be able to function in whatever position our heavenly Father puts us in. We don't confront sin in our lives because we want ministry success or because we want a big position in the HP, we confront sin in our lives because we are God's DEAR CHILDREN-Ephesians 5:1. What people think about Him sometimes is based on what they see in us. EX Kids acting up, think they had bad parents. We carry the reputation of our heavenly Father so we ought to manifest those things that are great about our God to the whole creation. We ought to desire to glorify God and be usable by Him. Why we crucify the flesh along with our desires and passions. It is possible that Christ is your Master but you are not teaching what you ought to be teaching IF: Conditional. If a man doesn't purge himself of these, he might be a VESSEL OF DISHONOR and won't be MEET FOR THE MASTER'S USE. He won't be PREPARED UNTO EVERY GOOD WORK. MEET FOR THE MASTER'S USE: Acceptable.
2 Timothy 2:22		22 Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:23		23 But foolish and unlearned questions avoid, knowing that they do gender strifes. The body of Christ LEVEL 3 - ties to Proverbs 19:27-29 & Proverbs 26:4-5. He knows how to tell the difference between "foolish and unlearned questions" and "legitmate questions." Ties to Proverbs 26:4-5. A man of understanding has the skill to know when someone is trying to provoke him to anger with questions. Fools need to be answered differently, depending upon what comes out of their mouth. The son has to have the skillfulness to know what kind of fool he's dealing with, and what kind of question he's getting. The information and the wise counsels provide for that kind of discernment and perceptive wisdom that allow you to counsel someone appropriately. There are foolish and unlearned questions that are only meant to cause a division. MAN OF UNDERSTANDING has to know if he is getting a foolish and unlearned question from one of these fools in which case he's not to answer him, lest he be like unto him or whether he's getting a question that indicates that this guy is really starting to rethink some things, and his question is really a product of honesty of heart. In that case, the son is to "answer that fool, lest he be wise in his own conceit."
2 Timothy 2:24-26		GH: What we should do when the COTW-Ephesians 2:2 tries to intimidate or shame us. Before we were saved, we were all part of the course of this world. Our attitude should now be to those who are trapped by the COTW is: * We have a battle against our flesh and it's a tough one. We know that we have a battle with our flesh as long as we live in these unredeemed bodies. This means we must know how to avoid temptations and how to deal with them when they present themselves. * We have a battle against the world, and that's at the centerpiece of the COTW. We also have a battle against the world, which is what the course of this world is pushing. This is the ultimate peer pressure for the lost and saved to conform to a standard that Satan is establishing. * We have an active enemy who is actively engaged against us simply because we belong to God. Satan has a three fold attack planned for any believer who is making an impact on Satan's realm. But we are not without help. We have been given "the whole armor of God" and we are told to "put it on." MM says we need the armor of God for every bit of this if we are going to be able to stand in the evil day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:24-26	GH: Spiritual Warfare verse	v25: THOSE THAT OPPOSE THEMSELVES: Are those who have embraced doctrinal error and positioned themselves against the truth. In the context, it is people who are rejecting Paul and his apostleship and his doctrine. Paul says be gentile on them because what they're doing isn't helping them, they're making it harder on themselves. v26: THE SNARE OF THE DEVIL: Are the DOCTRINES OF DEVILS-1 Timothy 4:1 Paul talks about to Timothy in his first epistle to him. The idea that Paul doesn't really have any authority. He's not really an apostle and all those things he's teaching, there not right. They are not sure about these things: * How is God talking to me today? * What is God doing today? DEVIL: One of 8 verses that mention DEVIL/DEVILS in Paul's epistles. No one is casting out devils, or being possessed in these verses. v26: TAKEN CAPTIVE BY HIM: When people oppose Paul's doctrine or authority, they are easily manipulated to "labor with Satan" in what the devil is doing in this world. Because they have rejected Paul and his doctrine, and embraced the untruths of Satan's "doctrines of devils," their minds do not have sound doctrine operating in them, but they are carried away with error.
2 Timothy 2:24	SS-L3?	24 And the servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient, You've got to realize that this is a person who could, if there is any honesty of heart there, repent and change his mind. GENTLE UNTO ALL MEN, APT TO TEACH, PATIENT, IN MEEKNESS INSTRUCTING: If teachers are supposed to be PATIENT and kind and tenderhearted towards people who are kind of resisting the doctrine, how should we be towards those folks who really want the doctrine? The same way. Just as God meant for teaching to be a part of what was going on when the spiritual gifts were in operation, He means for that to continue to go on today. That's why every church should have a Pastor (not a CEO or an Administrator) who has the ability to study and then the APTitude to teach the word. GENTLE...APT TO TEACH...INSTRUCTING: Attitude of the pastor of the teaching ministry. APT TO TEACH: MM has heard this thing abused his whole life. Means you really have the ability or aptitude to teach this doctrine. Apt doesn't mean I am likely to, means I have the ability to. People that used to be going down the right path with Sonship, then got caught in the POE/snare of the devil. In meekness instructing those that oppose themselves so that they can do what they can to recover and get back on that (GH: Sonship) track again. You are going to have the wisdom to deal with and the experience will teach you how to deal with them in such as way that they're given the best opportunity. MM says answers to questions are not 'one size fits all'. We can't ever allow ourselves to get to the place that if someone came in and they have a question, we just dismiss them out of hand. A Pastor is to teach. MM says APT=Apostle Prophet Teacher.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:25		25 In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; MEEKNESS: GH: Fourth aspect of godly love. THAT OPPOSE THEMSELVES: self opposer: Is the FOOL in Proverbs 20-24 (LEVEL 2 of Israel's program). Used to be part of Sonship, got victimized by the POE and is now a mouthpiece for the POE. MM says you can tell why this is a more dangerous fool. The very thing you were designed to do is what you are actively working against. When Paul talks to Timothy about these, he says they oppose themselves, they are self-opposers and they come in and he tells Timothy they're going to be asking you questions and some of these guys you are not going to answer because all you are going to do is get dragged down in the mud and then some of these guys you are going to answer because there's a possibility they can change their mind. A guy may be looking to cause trouble, but a LEVEL 3 son can see if there is some honesty of heart in this area, and I know what kind of answer to give him to draw on this honesty of heart. Jesus would sometimes ask questions to people who asked Him and if they couldn't answer, He wouldn't answer. But others came to Jesus and asked and He answered them. Jesus is a LEVEL 3 Son. They're in a position where God gives them opportunity for "repentance to the acknowledging of the truth; …that they may recover themselves out of the snare of the devil." Therefore, a son who is a man of understanding has to know if he is getting a foolish and unlearned question from one of these fools(in which case he's not to answer him, lest he be like unto him) or whether he's getting a question that indicates that this guy is really starting to rethink some things, and his question is really a product of honesty of heart. OPPOSE THEMSELVES: What lost people are doing when they are impacted by the COTW.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 2:26		26 And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. These are the ones who have fallen victim to the POE. E9315They don't realize there's a spiritual battle going on. They don't realize what is happening in the culture. They don't realize what is happening in their own mind. They don't realize the repercussions of the things that they are exposing themselves to. THAT THEY MAY RECOVER THEMSELVES OUT OF THE SNARE OF THE DEVIL: This is part of the POE, this is the destruction of our society, and it is going to happen in all of the divine institutions. Marriage is going to come under attack and it is going to be something other than what God created it to be. Family is going to come under attack and be corrupted from what it was originally designed to be. The institutions of civil law and government and order are going to be attacked so that they no longer can function. And the word of God is going to be attacked so that it is no longer a reliable or allowable source of instruction on behavior or conduct. All of these are going to come under attack by the WORKS OF DARKNESS-Romans 13:12, that are attacking these divine institutions because they are the foundations of society and if you can break those foundations up that society will crumble. This is where we are heading. MM says the Sonship Transformation series can be a great first step for them to no longer be a captive to this kind of lifestyle, but can experience true freedom in Christ. This ought to be our aim, to love them and speak the truth in love so they may recover themselves out of the snare of the devil. GH: MM teaching gender confusion in the gender/headship passage in 1 Corinthians 11. RECOVER THEMSELVES: They used to be there. Fallen victim to the POE. WHO ARE TAKEN CAPTIVE BY THE DEVIL AT HIS WILL: The reason is CHRIST IN YOU-Colossians 1:27 did not become a reality for them.
2 Timothy 3:1	Suffering = PERILOUS TIMES SHALL COME	1 This know also, that in the last days perilous times shall come. Paul talked to Timothy about the pure POE attack. LAST DAYS: The last days of this DOGG. Saw this phrase in 1 Timothy too. Not the LAST DAYS in Israel's program, the LAST DAYS in this DOGG. Paul is talking to Timothy about things taking place in churches among saints. He is not talking about the world. THE LAST DAYS: Talking about the end of the DOGG. (GH: ?) LAST DAYS: The LAST DAYS in your Bible tie to Israel's program, not the DOGG. PERILOUS TIMES SHALL COME: It's going to get worse and worse as time goes by. The things that are happening within the walls of churches is going to degenerate. It's NOT price of gas went up or we haven't had any rain. Paul is telling Timothy 'it is gonna get worse'. This (GH: the sufferings) are going to get ratcheted up a level. Things are going to increase and intensify. God is not saying it will get this bad for you, but if it does, there is still a way to go through this. The power is still available. POE can make you forget why you are in this battle. When your attention is on the immediate things you can miss that bigger picture. Paul is bringing Timothy back to this bigger picture. Dangerous times. MM says the best time to learn the doctrine is when you aren't being hunted down. It won't always be this good.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:2		2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Not a description of the world, that's a description of saved people. Not people claiming to be saved, that's people who have been JUEL. This is how their sanctification has turned out.
2 Timothy 3:3-5		MM says how this verse is preached on lists like this, they say it is happening right now. Yes, you see this happening now, but Paul is warning about the POE IN the church, NOT IN the world. Cite these in the local assembly. If you are not going down the path of godliness, you are going down the path of ungodliness and this is the end result of it.
2 Timothy 3:5		5 Having a form of godliness, but denying the power thereof: from such turn away. Turn away from the competing forms of godliness. God has designed this a certain way and to not do it is to not do it according to godliness. HAVING A FORM OF GODLINESS, BUT DENYING THE POWER THEREOF: Part of the PERILOUS TIMES Paul references in v1. There are people who appear to be godly but the power of grace and the power of godliness are not really there. They just look like in Israel's program who looked like they were righteous - the Pharisees (Matthew 23:27). At the Judgment seat, every bit of this gets burned up in the Refiner's fire. MM says that's sad because most folks are depending on someone to tell them the truth about the scripture but they never hear this and so they live their whole life just doing the best they can because that's what they were told to do. No one ever equipped them to do something else. The word will equip you to get you where you are going (GH: MM using the 3 forks in the road analogy). HAVING A FORM OF GODLINESS: It looks like it. If you don't know how to define godliness or define it as good acts, it will look like it. BUT DENYING THE POWER THEREOF: Denying the power of godliness (the power to think/act,live/labor like your Father). Once they saw godliness doesn't have the power to do that, now they can walk away from it and say we're not doing that. And it looks OK. Saying godliness has no power to edify you. TURN AWAY: Before he used a similar term - REFUSE. TURN AWAY means shun it. **Progression: REFUSE, TURN AWAY, SHUN**. People will come into an assembly and promote a form of godliness and they are going to deny the power of real godliness. You are being warned here. MM says there is power in the words on this Page that the Spirit of God takes those words and effectually works to produce all kinds of things IN you. Every doctrine is given to produce something. They are going to deny the word has the Power to do that. They will come into this assembly and seek to disrupt this just in that way and they are going to have a competing form of godliness. If it doesn't take as much work, it will be attractive.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:5		5 Having a form of godliness, but denying the power thereof: from such turn away. The list continues. Wouldn't be as a big deal if this was the world but if this is how the church will end up? These are folks that have a form of godliness but it is not the right form. They will tell you you are not going to produce godliness by going through a curriculum but there's another way and they will put that form forward. Deny the power of this Book to produce that IN you. Why churches get away from the Bible more and more and more. Prophetic churches have people who have stopped bringing their Bible but bring their notebook of the recorded prophecies to see if anything that was said would match up. No effectual working/godliness/think like your Father/becoming a SIMPLE SON. We are going to become the target of every other church that is not engaged in Sonship. The world loves conformity. Everybody do it the same. If anyone gets out of step and the world spotlights that and ostracizes that for the purpose if getting you back in step. When you get over to Romans 13:12, you will be ostracized by everyone in town. Not talking about the lost people, talking about the saved people. MM is not exaggerating it. We will be the cult. For the purpose of shutting us down and making us like everyone else. Not 100% will make it through.
2 Timothy 3:5		5 Having a form of godliness, but denying the power thereof: from such turn away. MM can't predict that form yet because he doesn't know enough yet to know what those will be. Or maybe he won't know till they show up. They will deny the power of the word effectually working IN you to produce that. EX There is a doctrine in this Book for when you go through some sort of tribulation, there is a doctrine specifically designed for you to endure whatever you are going through and give you peace inside while you are going through it. **Take you from enduring it -> having peace about it -> take pleasure in sufferings -> rejoice in tribulations**. We will read these words on the page. Effectual working is going to depend on whether you can believe them. This may sound like taking crazy pills but your Heavenly Father is going to tell you that. Comes out of a doctrine so you not only endure it but come to a place where you can say I take pleasure in these sufferings. Because you are going to know something here you didn't know before. He is going to give you a doctrine that's going to produce the power of grace in your life to such an extent that it won't just be an idea that you're not quite sure how to put it in your hands on it but that believing that doctrine will allow you now to be able to endure every difficult circumstance that life throws at you with a peace in your heart at the same time. Nothing else on the planet but this Book can produce that. Going to be the difference between effective and effectual (this Book).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:5		5 Having a form of godliness, but denying the power thereof: from such turn away. The world would say that is not right, you can't take pleasure in it unless you are some sort of satist who takes pleasure in sufferings. But when you understand what your Father is doing in the midst of that. People say MM doesn't think God is doing anything. MM not only thinks He is doing something, MM read where He told me what He was doing is actually a MORE EXCELLENT WAY than what they think He ought to be doing and those are the very words He uses. Those are the very words He uses - it's more excellent, more glorious, it's greater than that. And if I can believe that, He'll begin to produce something in me/you that angels have never seen and they have seen a bunch. Only in that crucible are you going to be educated to take up a position in the heavenly places and know what to do. You will look at things like He looks at them and think in such a different way that you will now take pleasure in those sufferings. MM didn't always believe this. Many years he got this wrong. He believed that he could pray and have Him take it away. You're a son - you have a choice here. There's a process here, more than just saying I believe.
2 Timothy 3:6		6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, CREEP INTO HOUSES: Churches met in homes at that time. Houses where the believers were assembled. In Bible college, MM taught going into these women's homes and leading them away. Remember, this is early in the Pastoral epistles. There is a point where the POE will be allowed to send people to get the assembly off track. Not someone that says Sonship is all wrong. They get in and very subtly say the law wasn't the way to do it but the law really was righteous though. SILLY WOMEN: Phrase that usually pertains to women but a man could fall into this category. MM says we use language like this all the time. EX 'wise guy' . In Roman, Greek, Hebrew, many ancient cultures, women were not allowed to be educated like men. In Paul's day, that's how it was. MM says Sonship is gender neutral. The Father is offering something to everyone, men and women included. Offering you an opportunity to learn to think, live, and labor like Him. And you women, of all people, if you don't make the most of this opportunity, you have blown it. Silly women is a label for those who are offered Sonship and don't pursue because they know what it's like to not be offered a chance. Could call a guy a SILLY WOMAN too. Silly women is the opposite of the Commitment to Learning and Honest Attendance. When the POE people come through that door, they will seek out the SILLY WOMEN. Women who normally would not have been given a chance for any education that are allowed into Sonship and squandering that opportunity. As level a ground as with any man in the assembly and God said these woman have an opportunity for this and are squandering this.
2 Timothy 3:7		7 Ever learning, and never able to come to the knowledge of the truth. EVER LEARNING BUT NEVER ABLE TO COME TO THE KNOWLEDGE OF THE TRUTH: GH: Most Christians today. Go to all the Bible Studies. EVER LEARNING: How can they be EVER LEARNING if they are frittering away their opporunity? Not fulling applying learning commitment (but getting some) resulting in zero edification. COME TO THE KNOWLEDGE OF THE TRUTH: The things you are learning are now in your inner man, they're in your soul, and now you are being transformed. MM talking about the difference between Bible Study and church. When we are in church, Bible Study is not the end, it's the means to an end when we are here.

2 Timothy 3:10	Suffering = LONGSUFFERING	10 But thou hast fully known my doctrine, manner of life, purpose, faith, longsuffering, charity, patience,
2 Timothy 3:11	Suffering = PERSECUTIONS, AFFLICTIONS … PERSECUTIONS I ENDURED	11 Persecutions, afflictions, which came unto me at Antioch, at Iconium, at Lystra; what persecutions I endured: but out of them all the Lord delivered me. PERSECUTIONS, AFFLICTIONS: He has them everywhere. LYSTRA: Where Paul was stoned to death. References in his epistles imply there were lingering/permanent physical issues. PERSECUTIONS I ENDURED: Under persecution, some have renounced their faith in Christ. Others have converted to a religion they do not believe in order to avoid further persecution. These did not “endure persecutions” because they gave up. ENDURED: To go through it, doesn't mean it is taking away. Doesn't mean it was taken away. OUT OF THEM ALL THE LORD DELIVERED ME: Doesn't mean the Lord actually physically delivered Paul from them. He is saying those things didn't produce what they were designed to produce and that is to quit or doubt or walk away. THE LORD DELIVERED ME: The “delivered” is not delivered in that the persecutions did not take place, but the “delivered” was in the “enduring” of them; delivered from the intended effects of the persecution. People read this and say we can pray for God to deliver us, but Paul just told you what he had to endure. Delivered him in what way? We know it is not from being persecuted because he had to endure that. DELIVERED from the effects of the persecution. When Satan persecutes you, he is trying to get you to stop, quit, throw in the towel, give up, stop your Sonship life. If it is from the POE, if you stop, all that will go away. You will know it is from him because otherwise, he can't get his way. DELIVERED: Not delivered in that the persecutions did not take place, but the DELIVERED was in the ENDURING of them. Delivered from the intended effects of the persecution.
2 Timothy 3:12	Suffering = SHALL SUFFER PERSECUTION	12 Yea, and all that will live godly in Christ Jesus shall suffer persecution. Not a if it is a when. Paul tells us that persecution is unavoidable for those who are godly. Balance of Godliness: - 1 Timothy 2:2: THAT WE MAY LEAD A QUIET AND PEACEABLE LIFE IN ALL GODLINESS AND HONESTY vs. - 2 Timothy 3:12: ALL THAT LIVE GODLY IN JESUS CHRIST SHALL SUFFER PERSECUTION: When MM was a young preacher boy, thought that this meant just be a good Christian and you're going to suffer persecution. But he wondered about that, because he wasn't being persecuted. Listened to the radio broadcast "Voice of the Martyrs" that talked about Christians really being persecuted. Kept lowering the persecution bar till you ran into someone who didn't like God or go to church and then say well I got persecuted.

2 Timothy 3:12	Suffering = SHALL SUFFER PERSECUTION / Sonship Suffering '25	12 Yea, and all that will live godly in Christ Jesus shall suffer persecution. ALL THAT WILL LIVE GODLY IN CHRIST JESUS SHALL SUFFER PERSECUTION: Because godliness stands out in stark contrast against everything else. Godliness shows ungodliness for what it is to God, repugnant. Godliness exposes wrongdoing and it shows immorality to be a bankrupt lifestyle. Godliness exposes evil as wrong, and immorality as a bankrupt lifestyle which is opposed to God. Godliness exposes deceit and fraud for what they are. MM says even though this is good for the society in which we live, it is opposed because when you live godly, that stands out in start contrast against everything else. Satan does not want his darkness exposed. SHALL SUFFER PERSECUTION: Don't miss the word GODLY (think like your Father, live like your Father, and labor with Him in what He is doing). If God was going to put His Hand between you and your troubles, isn't this statement contradictary? Why does Paul keep saying we are counted as sheep for the slaugther, we are killed all day long, we are cast down but not destroyed and persecuted - why does he keep saying that? Paul tells you just the opposite of 'just pray and believe God and none of these things will happen to you'. Paul is saying if you are going to live righteously and be godly, you are going to suffer for that. And yet we are called to godliness.
2 Timothy 3:13		13 But evil men and seducers shall wax worse and worse, deceiving, and being deceived. WAX WORSE AND WORSE...BEING DECEIVED: Their evil deeds will increase in frequency as those evil deeds become a way of life, and increase in severity as their depravity creates an ever increasing appetite for evil which cannot be satiated. MM showing the COTW-Ephesians 2:2 will get worse and worse in two things: 1. In their own being deceived. 2. In their deception of others.
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: It is the goal of the scriptures to completely (thoroughly-v17) train the man of God. Scripture given by inspiration of God and is profitable for: - Doctrine Romans (no one is getting correction because they don't know anything - haven't received the doctrine yet) Ephesians (advanced doctrine) - Reproof Corinthians (get reproved because they were not walking daily in the doctrine they were called to) Reproof = You're wrong - Correction Galatians (got removed from the truth and went back to the law) Correction = You are off course, let's get back on course - Instruction in righteousness ALL BOOKS HAVE It tells you that but doesn't tell you how that happens. You don't see a mechanical process of how God does this (GH: MM teaching this is in 1 Corinthians 2:6-16). GH: IP passage: 2 Peter 1:21.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: The whole purpose of D/R/C/IiR is tied into GODLINESS. The order it is given in is about producing godly edification. If you don't do the process in this order, edification doesn't work. Given to you in this order D/R/C/IiR because this is the only way edification works. If someone jumps to 1 Corinthians 14 (IiR), he is going to do one of 2 things: 1. Get it wrong 2. It's going to be very incomplete - will just be data The way that is outlined when Paul takes to Timothy about that as a Pastor, he is actually showing you the way those Books line out and what's being done. It is the goal of the scriptures to completely (thoroughly-v17) train the man of God. Given to you in this order. The Bible is never random.
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: Scripture given by inspiration of God and is profitable for: Romans: DOCTRINE (no one is getting correction because they don't know anything - haven't received the doctrine yet) DOCTRINE - Identify the problem 1 Corinthians: A REPROOF (get reproved because they were not walking daily in the doctrine they were called to) - First, he is reproving them. Reproof = You're wrong REPROOF - Different from correction. EX Hired someone to do a job, they are doing it wrong and you say hold it, you are doing it wrong. That's a reproof. - I COULD NOT SPEAK UNTO YOU AS SPIRITUAL BUT AS CARNAL (1 Corinthians 3:1) - AS IN BABES IN CHRIST (1 Corinthians 3:1) - I HAVE FED YOU WITH MILK, AND NOT WITH MEAT (1 Corinthians 3:2): Paul is saying I have to bottle feed ya'll. 2 Corinthians: CORRECTION 'getting them back on course'; You are off course, let's get back on course - After reproving them, he is correcting their wrong thinking. CORRECTION - Usually deals with this is why you are doing it wrong so let me correct that. Galatians: INSTRUCTION IN RIGHTEOUSNESS (GH: MM taught CORRECTION at one point) - Are not trying to get away from serving Him, they are trying to do it back under the law. INSTRUCTION IN RIGHTEOUSNESS - Instruct them.. ALL BOOKS HAVE

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: Ephesians: Advanced DOCTRINE (GH: D/R/C/IiR starts over) - A lot of the Romans doctrine gets picked up in the Book of Ephesians and it is carried further. - Attack will be full fledged, that's why you need the full armor (Ch. 6). Way SANCTIFICATION is laid out: FOR DOCTRINE: Romans 6:1-13 - Identified with Christ's death, burial, and Resurrection which made you DEAD TO SIN and ALIVE UNTO GOD FOR REPROOF, FOR CORRECTION: Romans 6:14-7:25 - Deals with the objections of not being under the law but under grace FOR INSTRUCTION IN RIGHTEOUSNESS: Romans 8:1-13 - How to do it This is the proper way/sequence to get that working IN your inner man.The Bible always lays it out in this fashion. It is always in this order for that reason of edification. Lays out the format - not arbitrary or random - Paul didn't just throw them out there. God is really smart and he pulled it altogether with a purpose.
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: When we claim that the Bible alone is the only reliable source of information about spiritual warfare, we are asserting exactly what the Bible claims for itself. MM says the Bible is infallible and what you get apart from it is not guaranteed to be infallible. INSPIRED...PROFITABLE: According to the apostle Paul, the scripture is INSPIRED and therefore PROFITABLE. INSPIRED: When the Bible claims for itself that it is inspired, that does not mean that the Bible contains the word of God (as though God's word can be found somewhere within the Scripture). It does not mean the Bible becomes the word of God when we read it or experience it personally. Inspiration means that the Bible is the word of God whether men believe it or not. The inspiration of the Scriptures means the Bible is an objective, revealed truth from God. God not only gave us His word inspired, but He also promised to preserve His word. Therefore, we can have confidence that our Bible is an infallible and accurate source of information about everything it talks about, including spiritual warfare.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:16		16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: OED: inspired II.5.a. c1384 spec. Of a divine or supernatural being: To impart, communicate, or suggest by special divine or supernatural agency; used esp. in reference to the utterances of prophets and apostles, and the writings of Scripture: PROFITABLE: Means beneficial, useful, valuable. IS PROFITABLE FOR DOCTRINE, FOR REPROOF, FOR CORRECTION, FOR INSTRUCTION IN RIGHTEOUSNESS: The Scriptures are profitable for doctrine, reproof, correction and instruction in righteousness. And by these things, the man of God is perfected, and throughly equipped for every good work. The word of God equips us for life, ministry and spiritual warfare. If we have the Scriptures, we have all we need to succeed in our battle against principalities and powers. We must stop looking elsewhere for information about spiritual warfare. In affirming the Bible as sufficient, we are not saying that the Bible contains everything that CAN be known. God has not revealed everything that can be known about anything. But He has revealed all we need to know, and all He wants us to know. Sadly, many Christians do not view the Bible as sufficient for every good work.
2 Timothy 3:17		17 That the man of God may be perfect, thoroughly furnished unto all good works. Part 1 of the verse: Is saying that the man of God may be “completely and entirely trained and skilled.” Goal of v16. Part 2 of the verse: Goal of the training in v16 and the first part of v17. The man of God who has been thoroughly versed, trained and skilled is “stocked with information which equips, informs, instructs and prepares” him unto every good work. THAT THE MAN OF GOD MAY BE PERFECT: It is the scripture that makes a man PERFECT which means he has been given everything he needs. THE MAN OF GOD MAY BE PERFECT: Paul is teaching every man in all wisdom so that they will be “perfect.” That is to say, that they will be finished, complete, wanting nothing. MAN OF GOD: Pastor BE PERFECT: His knowledge of what is going on in that word, he has that knowledge that is now perfect. PERFECT: The word of God can make a man PERFECT or complete, Everything you need is in the word of God. Doesn't mean never make a mistake or never make a bad decision. In this context PERFECT means complete. The word of God is what makes a person perfect. That's the job of the word of God to do that. And if you are complete, you don't need anything else. The spiritual gifts were only partial. GOOD WORKS: Something about that word GOOD here. THROUGHLY FURNISHED: MM says FURNISHED is part of DWELLing-Romans 8:9, He is furnishing your inner man. This is where your Father wants you to go and this is where the Spirit is leading you. It is the scripture that makes a man throughly furnished. If it is the word of God that furnishes the man to do ALL GOOD WORKS, then supernatural gifts are unnecessary, as they would be working to do the same thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 3:17		17 That the man of God may be perfect, thoroughly furnished unto all good works. There are three words to look at here: 1) PERFECT OED: perfect – 2) fully accomplished; thoroughly versed, trained, skilled or conversant. 2) THROUGHLY: Describing how the man is equipped, informed, instructed and prepared. Throughly is the correct word because it is describing the completeness of the process from beginning to end, not the detail within the process, which would be thoroughly. OED: throughly –through, from beginning to end VS. OED: thoroughly – in all respects; fully, completely, wholly, entirely, perfectly. 3) FURNISHED OED: furnished – 2) Generally preceded by a qualifying adverb 2a) provided or stocked with something material or immaterial 2c) equipped, informed, instructed, prepared
2 Timothy 4:1	JSoC	1 I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom; The JSoC takes place immediately in connection with the Blessed Hope. WHO SHALL JUDGE THE QUICK AND THE DEAD AT HIS APPEARING: Loving His Appearing has to do with more than this transformation/glorified body. It actually has to do with looking forward to the JSoC. THE QUICK AND THE DEAD: Pretty much encompass everyone who is a member of the body of Christ and according to Paul, the JSoC will take place at His appearing.
2 Timothy 4:2		2 Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine. REPROVE, REBUKE, EXHORT: GH: MM tying this to the definition of FAITH in THE PROPORTION OF FAITH-Romans 12:6 for a Pastor. EXHORT: A Pastor is to exhort.
2 Timothy 4:3-4		3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4 And they shall turn away their ears from the truth, and shall be turned unto fables. v3: In the end days, people shall heap to them talking about Israel's life, they'll heap to themselves teachers having itching ears. MM says that's been pretty much true all along. People like a guy who tells them what they want to hear. ITCHING EARS: Telling people what they want to hear.
2 Timothy 4:5	Suffering = ENDURE AFFLICTIONS	5 But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry. WATCH THOU IN ALL THINGS: Ties to the 'watch' component of the office of MERCY. ENDURE AFFLICTIONS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 4:6		6 For I am now ready to be offered, and the time of my departure is at hand. We know that Paul is about to be executed.
2 Timothy 4:7		7 I have fought a good fight, I have finished my course, I have kept the faith: Can really only be said by a son who has reached the level of education that Paul attained to: a fully educated son. The “good fight” is describing the kind of fight Paul was engaged in, not a description of his fighting ability. I HAVE FOUGHT A GOOD FIGHT: He is not describing how he fought, he is **describing the worthiness of the fight he's engaged in**. Like I am engaged in a good work or this is a fight worth fighting. It's a fight my Father wanted me to fight. MM used to look at this verse and think Paul was saying he did a pretty good job but that's not what he's talking about. He is talking about the actual conflict that he's engaged in. Describing the fight. Paul is not saying the way he fought was good, he is saying this is a fight worth fighting. It's a good fight. Paul is not saying I did really good in the fight, he's saying that the fight I was involved in was worth being in it. I HAVE FINISHED MY COURSE, I HAVE KEPT THE FAITH: The issue here is not living or dying, the issue is faithfulness, the ability to continue in the face of opposition. Continuing to endure the sufferings to the glory of his heavenly Father. I HAVE FINISHED MY COURSE: Means he has gone all the way. He knew his time was at hand. I HAVE KEPT THE FAITH: He is not talking generalized terms. He is saying he has done it. This is done.
2 Timothy 4:8	JSoC	8 Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing. LAID UP: **If you have THE BREASTPLATE OF RIGHTEOUSNESS-Ephesians 6:17, that CROWN OF RIGHTEOUSNESS is already laid up. Trade in your armor for a crown. When you get to the JSoC, your battles are over. You won't need armour anymore. If you are wearing a crown, you must be reigning with Him**. Won't need the armor up there. GH: Similar to swords into plowshares and spears into pruning hooks. CROWN OF RIGHTEOUSNESS: At the JSoC. Has the same requirements as THE BREASTPLATE OF RIGHTEOUSNESS-Ephesians 6:17 - faith and love. GH: Ties to Israel Program exhortation AN ORNAMENT OF GRACE UNTO THY HEAD - Proverbs 1:9. Describes the CROWN or ornament that goes on a person's head. LOVE HIS APPEARING: Not just saying I will sure be glad when Jesus shows up. In the context of what is going on here, do not look for that crown. A CROWN: Crowns and rewards handed out at this judgment. THE RIGHTEOUS JUDGE: JoSC - As members of the body of Christ, we are not going to the GWT judgment, ours takes place at the bema. THAT DAY: That day of judgment. LOVE HIS APPEARING: Which has to do with looking forward to the JSoC - which is when something great happens. This is not referring to THAT BLESSED HOPE-Titus 2:13. He is coming to get us to take us the the JSoC. HIS APPEARING

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 4:10		10 For Demas hath forsaken me, having loved this present world, and is departed unto Thessalonica; Crescens to Galatia, Titus unto Dalmatia. DEMAS: He traveled with Paul and labored with Paul and was part of that Team. But there came a time he fell out of that, the POE victimized him and went in a completely different direction. He went to Thessalonica when he left Paul because Satan was going to use him to disrupt that assembly. Thessalonians loved Paul and knew Demas worked with Paul at some point. Can you imagine when he comes in and says. Well, I think Paul has gone overboard and I don't see eye-to-eye with him anymore. Takes right division too far. Supposed to make them think, maybe Paul isn't the guy we thought he was. But MM tends to think, you went to Thesslonica, those LEVEL 3 folks are ready for you. They are not ignorant of the POE. MM says someone will walk through the back door for the express purpose of tearing this assembly apart or to bring in false doctrine or to take those among us that are given to false hearing and pull them out of this or to spread some some kind of rumor or lie about members of the assembly or the assembly in general. A MAN OF UNDERSTAND will recognize these.
2 Timothy 4:13		13 The cloke that I left at Troas with Carpus, when thou comest, bring with thee, and the books, but especially the parchments. Paul said it was given to him to fulfill the word of God-Colossians 1:25 and that context in which he says that causes MM to change the way he understood something. Many years MM taught that Revelation was the last Book written historically in time. Written by John on the isle of Patmos in 96 AD. MM defended it. Paul says to Timothy while he was in prison - bring me the books [already has the gospel of Luke because he quotes from it] . Modern scholar approach is the gospels being late and being copied from each other. BUT ESPECIALLY THE PARCHMENTS: These are the ones that Paul wrote. MM thinks he is going to take the books and parchments and arrange them in the order for the canon of scripture. MM believes God gave it to the apostle of the dispensation of grace to put it in the right order.
2 Timothy 4:14		14 Alexander the coppersmith did me much evil: the Lord reward him according to his works: Paul is talking about someone who did great harm through the words they've spoken and he says this person did great harm to me and he names them by name. But instead of saying I hope he eats dirt and dies, instead he says may the Lord reward him according to his work. Not meant in a sarcastic way. Paul is not denying someone is his enemy. ALEXANDER THE COPPERSMITH: Only one other SMITH mentioned in your Bible - DEMETRIUS, A SILVERSMITH-Acts 19:24. Both are idolaters and both are bad guys. Paul warns Timothy about Alexander saying this guy has done much evil to me and you need to watch him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Timothy 4:18		18 And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen. DELIVER ME FROM EVERY EVIL WORK: Some preachers will preach see, all you have to do is ask God and He will deliver you, nothing bad will happen. Nothing bad will happen to Paul from here on out. Paul did not mean that no evil things would happen to him because God would stop them. He meant that those evil works would not be able to accomplish their intended purpose with him. MM asks did anything bad happen to Paul after this besides getting his head cut off? Paul is saying instead of this thing making him quit, it's going to make him more than a conqueror. MM knows this is not the way everybody preaches it. He doesn't care. If you are going to be a son, you're going to be put to the test and this is the test and you're either going to be conformed to the Image of Christ or you're going to be found wanting. He is saying he is not going to avoid evil work, they are just not going to impact me the way they're designed to. UNTO HIS HEAVENLY KINGDOM: GH: MM teaching our eternal vocation as part of the heir of God inheritance.
2 Timothy 4:20		20 Erastus abode at Corinth: but Trophimus have I left at Miletum sick. Paul says to Timothy TAKE NO LONGER WATER BUT A LITTLE WINE FOR THY STOMACH SAKE AND FOR THINE OFTEN INFIRMITIES-1 Timothy 5:23. Why didn't Paul heal Trophimus or Timothy? Not getting shortchanged, showing a more excellent way.
Titus		One of 7 prison epistles that Paul wrote. Very interesting book. Titus is the first Pastor of the Cretians. See that in the superscription. Cretians live on the island of Crete in the Mediterranean Sea. We spell it Cretan. When we call someone a Cretan, we are calling them a Barbarian. Cretians were known for this. If someone called you a Cretian, they were calling you a liar. They had this propensity for not just lying all the time, but lying to the utmost degree. Not just historical. Told to you in the Bible. Someone who would not tell the truth. MM has known people like this. Even lied when they didn't have to lie. So much a part of who they were that they didn't tell the truth when it probably would have been easier to tell the truth. Corinthian was synonomous with having a licensious lifestyle. Titus is the direct opposite of Timothy. Tough as nails, abrasive as sandpaper. Totally different personalitiies but both had their use. Paul used Titus when things were blowing up. Sent Titus to Crete! Didn't care what people thought about him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 1:2	Eternal Purpose / GH: BTFOTW-The Mystery (4x)	2 In hope of eternal life, which God, that cannot lie, promised before the world began; Tells you where the HOPE OF ETERNAL LIFE-Titus 3:7 comes from. If you are IN Christ, God promised back before the foundation of the world that you would get ETERNAL LIFE and that's going to be part of your INHERITANCE. ETERNAL LIFE: Eternal life was part of this eternal purpose. He knew that. Did all that before the world began. Paul says, hey, I am telling you about these things. These things that God determined way back here before, I am now telling you about them so you can know. GOD, THAT CANNOT LIE, PROMISED: GH: Why Jesus didn't really have a choice to call the angels because the Cross was the only way to have the scriptures fulfilled (Matthew 26:54). BEFORE THE WORLD BEGAN: Titus is saying God said before the world, I AM going to: - have this mystery before the world. - have this body of Christ before the world. - for those people in Christ, make them blameless before the world. - adopt them before the world. - give those people in Christ eternal life before the world.
Titus 1:4	Grace facet/definition: is a Power to produce a PEACE / Son 3 of 5 - A son in the faith	4 To Titus, mine own son after the common faith: Grace, mercy, and peace, from God the Father and the Lord Jesus Christ our Saviour. GRACE, MERCY, AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER, grace that is sufficient to produce a peace IN your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE IN your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace IN your soul no matter what you are going through. It is sufficient to handle every situation.
Titus 1:5		5 For this cause left I thee in Crete, that thou shouldest set in order the things that are wanting, and ordain elders in every city, as I had appointed thee: How Titus got over there to Crete. Just like Paul appointed Titus, he needed Titus to go into the different cities and appoint elders. Need you to oversee this thing and make sure that it runs like it is supposed to. When did Paul leave Titus in Crete? Had to be on Paul's journey to Rome to go to prison (57-62 AD). MM says 61-62 AD. Paul beheaded in 67 AD. Titus gets the authority from Paul to establish churches in every city in Crete. Doesn't mean they have to go to every city. There's a chain of authority you can follow down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 1:6-9	Requirements of a Bishop (Pastor)	6 If any be blameless, the husband of one wife, having faithful children not accused of riot or unruly. 7 For a bishop must be blameless, as the steward of God; not selfwilled, not soon angry, not given to wine, no striker, not given to filthy lucre; 8 But a lover of hospitality, a lover of good men, sober, just, holy, temperate; 9 Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers. Whole list of requirements for a BISHOP (=Pastor) - one is THE HUSBAND OF ONE WIFE. Raging debate in Bible College. MM not trying to answer it. Some people believe it was one wife forever and if his wife died, he was forbidden to enter into a new relationship. Then there were guys in the pulpit telling their congregation that.
Titus 1:8		8 But a lover of hospitality, a lover of good men, sober, just, holy, temperate; A LOVER OF HOSPITALITY: Ties to GIVEN TO HOSPITALITY-Romans 12:13b. MM thinks it is just natural for a Pastor to have that kind of heart.
Titus 1:9		9 Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers. HOLDING FAST: Exhortation that alerts us to the advanced tactics of the POE. HOLDING FAST to the word. TO EXHORT AND TO CONVINCE: GH: MM tying this to the definition of FAITH in THE PROPORTION OF FAITH-Romans 12:6 for a Pastor. TO EXHORT: Those who are receiving that word. CONVINCE THE GAINSAYERS GAINSAYERS: Guys that want to contradict the things that he is saying. Say the only thing that edifies us is the word of God and a GAINSAYER would say you can do it other ways or not that way.
Titus 1:12		12 One of themselves, even a prophet of their own, said, the Cretians are alway liars, evil beasts, slow bellies. Here's a group of people who would not tell the truth, they were barbarians who were evil beasts, who were gluttons, and sluggards. Almost couldn't find a worse combination. Here's what Paul does with Titus - I am going to make you their Pastor. Titus was a tough guy. Had to be to take this on. If Paul would have put Timothy in there, they would have eaten him alive. Wasn't tough as nails like Titus. Timothy was more tender hearted. THEMSELVES: One of their own EVEN A PROPHET: False prophet by the way. ALWAY: Always means they lie all the time. ALWAY means all the time and all the way. The depth of their lying was almost boundless. EVIL BEASTS: Where that barbarism comes from. Had this reputation all around the world for being uncivilized. History calls them barbarious and malicious men. SLOW BELLIES: Puts together 2 characteristics of them - Sluggardness and glutony.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 1:13		13 This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; THIS WITNESS IS TRUE: Even though he was a false prophet, he told the truth about his own people. REBUKE THEM SHARPLY: Don't let them push you around. You take charge of that bunch.
Titus 1:14		14 Not giving heed to Jewish fables, and commandments of men, that turn from the truth. There were some things Satan was using to turn them away from Paul's doctrine and Paul was aware of that.
Titus 2:1		1 But speak thou the things which become sound doctrine: Same type of deal as 2 Timothy 2:2 - passing it on. Understand the doctrine and the education and know how to use them. See others getting in on the action, not just Pastors and Deacons. THINGS WHICH BECOME SOUND DOCTRINE: Not a general term, it's with the parameters of this education. SOUND DOCTRINE: **Our education is comprised of "sound words" which formulate "sound doctrine" which produces a "sound mind.**"
Titus 2:2		2 That the aged men be sober, grave, temperate, sound in faith, in charity, in patience. THAT AGED MEN: AGED is older.
Titus 2:3		3 The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things; THE AGED WOMEN: AGED is older.
Titus 2:4		4 That they may teach the young women to be sober, to love their husbands, to love their children, MM tying this to Romans 16:1 is Phebe possibly being a deaconess. Talking about people who can handle the word of God and make a right application of it. You have folks in your assembly who are not a Pastor or Deacon but you are going to use them to instruct and help and teach these younger people that are coming along. This all results from interaction within the local assembly and this is not being done is some haphazard way. THAT THEY MAY TEACH THE YOUNG WOMEN TO BE SOBER: MM says perfectly fine for older ladies instructing younger ladies. THAT THEY MAY TEACH THE YOUNG WOMEN: GH: MM showing ladies can teach the Bible even though she can't be a Pastor. Women are allowed to teach anyone the Bible outside of the local assembly. In the local church, they are involved in the "work of faith" just like everyone else. In today's church, there are often classes which are aside from the meeting of the whole body, and there, women can instruct other women. So, to MM, it is fine for a woman to teach the Bible outside of the local assembly to whoever wants to listen. MM is plenty of people disagree with him. GH: MM giving two examples of women who taught the Bible. TO LOVE THEIR HUSBANDS: God tells wives to love their husbands. Steadfast love is a choice.
Titus 2:5		5 To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.
Titus 2:6		6 Young men likewise exhort to be sober minded. YOUNG MEN LIKEWISE EXHORT

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 2:7	GH: SIIP Verse	7 In all things shewing thyself a pattern of good works: in doctrine shewing uncorruptness, gravity, sincerity, SHEWING THYSELF A PATTERN OF GOOD WORKS: IN DOCTRINE SHEWING: As joint-heirs, we, through our works, will be counted worthy of the reward of the inheritance through the things we suffer. Point: Our sanctification (Christ in us) has our functional life in view, and manifests itself in our works, which makes us to be "counted worthy" of our calling as saints. Our sanctification salvation package is by the Life of Christ producing the works in us. Something you are going to have to do, not just believe. Point: Our sanctification has our functional life in view and it manifests itself in our works, which allows us to be counted worthy of the kingdom of God. SHEWING THYSELF A PATTERN: All these things you will be teaching other folks have to be at work in your life. You are supposed to be that pattern.
Titus 2:9		9 Exhort servants to be obedient unto their own masters, and to please them well in all things; not answering again; EXHORT SERVANTS
Titus 2:10		10 Not purloining, but shewing all good fidelity; that they may adorn the doctrine of God our Saviour in all things. SHEWING ALL GOOD FIDELITY: What you want to hear, not WELL DONE, THOU GOOD AND FAITHFUL SERVANT-Matthew 25:21. When a task is assigned, that's THE MEASURE OF FAITH-Romans 12:3 that the Father gave to us as His sons and daughters. SHEWING: Not showing. SHEW means that you are putting that thing on display to be seen. You are not just doing it, it is meant to accomplish something. FIDELITY: Honesty, integrity, faithfulness. EX Hi-Fi: High Fidelity - was true to the original recording, it was in accord. In the same way they are to show fidelity to their masters, Christ has shown fidelity in His promises. Fidelity with faithfulness. Paul uses the word fidelity to exhort servants to be faithful to their masters. It is with this same sense that "the faith of Christ" refers to Christ's faithfulness to perform certain things on our behalf as our Substitute-Redeemer.
Titus 2:11-15		At the Blessed Hope, the members of the body of Christ will hear His glorious, powerful voice; the same voice that spoke the whole creation into existence, but this time, that voice will transform us. We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'. Then, we will possess the reality of what we have been waiting for! GH: EX We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'.
Titus 2:11-13	Non-MBI	Clarence Larkin: Justification (v11), Sanctification (v12), Glorification (v13)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 2:11	GH: Practical Sanctification =WE SHOULD LIVE SOBERLY, RIGHTEOUSLY, AND GODLY, IN THIS PRESENT WORLD	11 For the grace of God that bringeth salvation hath appeared to all men,
Titus 2:12		12 Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; DENYING UNGODLINESS AND WORLDLY LUSTS: You are going to have the power to deny sin the power to tell you what to do, to live the way you should in the present world. Because before, that's what it did. Not a matter of your will alone, but by that grace. When you get to Titus, you understand exactly the process described in Romans 6. WE SHOULD LIVE SOBERLY, RIGHTEOUSLY, AND GODLY, IN THIS PRESENT WORLD: MM says this sounds a lot like being HOLY AND WITHOUT BLAME-Ephesians 1:4. WE SHOULD LIVE SOBERLY, RIGHTEOUSLY, AND GODLY

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 2:13	Rapture = THAT BLESSED HOPE	13 Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ; The next time the Lord gets up from His throne at the Father's right hand, and appears in bodily form and utters an audible voice will be at the Blessed Hope! And when that happens, we will all see Him and hear Him. GH: Until that time, we have Paul's epistles. LOOKING FOR THAT BLESSED HOPE: When the HOPE of your redeemed body is fulfilled. MM says people today don't call it the BLESSED HOPE because there is no hope for them, they don't recognize that was a hope that was given to them, they don't make the connection because preachers don't preach it that way. THAT BLESSED HOPE: Hope that precludes you from ever experiencing the day of wrath. He doesn't name the rapture till Titus - 12th of 13 letters. First part of your hope is that you are never going to experience one part of that wrath that is on the calendar for every unjustified man. If you are justified, that can't be on your calendar. (GH: For post-Tribulationers), if you put any member of the body of Christ in the day of wrath, you are now dealing with him as an unjustified man. (GH: Can't be). Critics call pre-Tribers 'escapists'. MM says we are not escaping anything. People have been sawn in half, hunted like animals, hacked to pieces, eaten by lions - what in the world are we escaping? That's not escapism. Only thing we are escaping is the day of wrath because God says once you become justified, mark that off your calendar. Instead of going through the day of wrath, God is giving you a glorified body and is pulling you out of this planet so there is hope for you. The time comes for our bodies to be redeemed, for corruption to put on incorruption, and for mortal to put on immortality (1 Corinthians 15). This will end the DOGG and constitute the FULNESS OF THE GENTILES BE COME IN-Romans 11:25.
Titus 2:13	Rapture = THAT BLESSED HOPE	13 Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ; THAT BLESSED HOPE (cont'd): That one day this body is going to get redeemed. One day we get a new body. The thing we don't have yet but are looking forward to it and know it's going to happen for us. That's one part of the comfort we get in the midst of tribulations. *If you can't recall a verse, it will be really hard to get the benefits from the verse. Better to have the verses in your thinking than say where are those cards with the verses on them because you may not be where those cards are. Cards have the verse on one side and God's promise on the other side. People always want to talk about what God's promises are, but they want to go back to the Psalms and Proverbs and get them. If you get familiar with these verses and have them in your own thinking, those are going to become very, very valuable, not only to you as you go through tribulationss but as you help other people. Because when somebody is going through a tough time when something is happening and their life is falling apart, it would be better to be equipped to be able to take abou how to do through that legitimately. Rather than stand there and feel helpless. Now you will be equipped to do it for yourself and help someone else. After the BLESSED HOPE, God's program with Israel resumes and God is going to do some things that is ultimately going to result in the kingdoms of this world becoming the kingdoms of His Son and Him being exalted as King of Kings and Lord of Lords. We go to the JSoC and you get your rewards. And part of the JSoC will be to determine your position in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 2:13	Rapture = THAT BLESSED HOPE	13 Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ; THAT BLESSED HOPE (cont'd): Different models: 1. Pre-tribulation model, which means that we will be caught up to meet the Lord before the Tribulation begins. The BH ends the DoGG on the earth, and provides for the resumption of the prophetic program. 2. Mid-tribulation model, which means that the body of Christ (BoC) will go into Israel's program and will not be caught up until the mid-point of the Week. 3. Post-tribulation model which says the BoC goes all the way though the Tribulation and is not caught up until the end. 4. Pre-wrath model which says the BoC will go into the Tribulation up to the point where God's wrath begins to be poured out, and then it will be caught up.
Titus 2:14	IN Christ Identity : JUSTIFICATION 1 of 3 : Forgiveness = REDEEM US FROM ALL INIQUITY / GH: GAVE HIMSELF->purpose verse	14 Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works. GAVE HIMSELF FOR US: Anytime you see God gave something, say there is a PURPOSE (two purposes: 1. to redeem us from all iniquity 2. He might purify us unto good works) behind that action and you need to identify it. Any time we see the words that Christ "gave Himself for our sins," we should remember two things: 1. Christ gave Himself *voluntarily*. Chose to do that of his own free will. Gave His own life, no one took it from Him. That was His choice. 2. His Death is *substitutionary*. He died for our sins, not His. He took our place when He solved our sin problem. We had a sin problem that we could never solve. The solution to our problem required the death of God's Son on our behalf.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 2:14	IN Christ Identity : JUSTIFICATION 1 of 3 : Forgiveness = REDEEM US FROM ALL INIQUITY / GH: GAVE HIMSELF->purpose verse	14 Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works. IN CHRIST IDENTITY - JUSTIFICATION STATUS 1 of 3: Foregiveness - REDEEM US FROM ALL INIQUITY: Justification PURIFY UNTO HIMSELF: Sanctification PURIFY: Made clean. He did this so we would be made holy. If you have been made sanctified, you have been made holy. Not talking about justification, talking about sanctification. Purification is an aspect of holiness and holiness has to do with your sanctification. PECULIAR PEOPLE: Not Paul saying you are just weird. Talking about we are a particular possession of God. It means that we are His particular possession. That purifies us unto Himself, which is an issue of holiness which is being separated unto God. ZEALOUS OF GOOD WORKS: Fits in with our sanctification but in some ways it also has our exaltation in view. If a man is not “zealous of good works” then he does not understand what he is supposed to understand concerning who he has been made to be IN Christ. What is the purpose of our being separated unto God? That we might be ZEALOUS OF GOOD WORKS.
Titus 2:15		15 These things speak, and exhort, and rebuke with all authority. Let no man despise thee. THESE THINGS SPEAK, AND EXHORT, AND REBUKE: GH: MM tying this to the definition of FAITH in THE PROPORTION OF FAITH-Romans 12:6 for a Pastor.
Titus 3:1		1 Put them in mind to be subject to principalities and powers, to obey magistrates, to be ready to every good work, TO BE SUBJECT TO PRINCIPALITIES AND POWERS BE SUBJECT TO PRINCIPALITIES AND POWERS: Paul tells Titus this is a good work. (GH: Ties to godly governmental justice - Romans 13:1-7) TO OBEY MAGISTRATES, TO BE READY TO EVERY GOOD WORK: Expands on what he is saying. TO OBEY MAGISTRATES: There's governmental positions on this earth.
Titus 3:5		5 Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost; NOT BY WORKS OF RIGHTEOUSNESS BY HIS MERCY HE SAVED US

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Titus 3:7	MoG : Justification = JUSTIFIED BY HIS GRACE	7 That being justified by his grace, we should be made heirs according to the hope of eternal life. Every "heir of God" has been justified by God's grace and therefore is an heir of eternal life. It is only called a "hope" here, not because it may or may not happen, but it is a "hope" because: 1) it is a certainty which brings us comfort, and 2) we do not yet have it as a present reality; else it would not be hope. MM tying justification to HEIR OF GOD inheritance. BEING JUSTIFIED BY HIS GRACE: Includes every single member of the body of Christ. HEIRS: Heir of God inheritance-Romans 8:17. HOPE OF ETERNAL LIFE: Every single member of the body of Christ gets this. HOPE: Because you don't have this as a present reality yet.
Titus 3:12		12 When I shall send Artemas unto thee, or Tychicus, be diligent to come unto me to Nicopolis: for I have determined there to winter. NICOPOLIS: A place in Macedonia.
Philemon		One of 7 prison epistles that Paul wrote Philemon: Last book of all the Books that Paul writes and it is perfectly placed. Because of some things that Paul says about Philemon and because of the placement of the book at the end of the pastoral epistles. BACKSTORY: MM believes Philemon is a fully edcuated son. Onesimous is a slave that not only runs away but takes a large amount of money with them as he goes. On his journey, he runs into the apostle Paul and gets saved. He decides he needs to stick around and help Paul. Paul is in prison when this epistle gets written. Onesimous is helping Paul while he is in prison. At some point, Onesimous comes along and tells Paul his story. Paul tells him to go back but carry a letter with him. That letter is the Book of Philemon where Paul is going to outline what has happened with Onesimus and that he knows about his background. He knows that he stole money, he knows he ran away, he knows all of that, and Paul is going to say to Philemon I know you have a lot of choices on what you can do and I pretty well know what you are going to choose out of those because I know how far along you are in this thing. It is important for Paul to stick this into the very end of his epistles because now Philemon has a decision to make. Paul is counting on him acting like a son and treating Onesimus like a brother in Christ.
Philemon		There are a number of good paths (Proverbs 2:9) he can choose and any are acceptable to God: 1. The slave ran away with money. Under Roman law, he could have Onesimous put to death, perfectly legal. 2. Take him back as a slave and make him work off the money he stole. 3. Could take him back as a slave and have him work off the debt. What Paul asked. (GH: Diff between 2 and 3?) 4. Free him and have Paul pay the money back. 5. Forgive the debt completely and receive him not as a slave but as a brother. This last epistle of Paul gives us a perfect picture of man who has a number of "good paths" in front of him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Philemon		Paul writes to Philemon that: - Onesimus has come to Christ - he has been a big help to Paul - Paul is sending Onesimus back to you with this letter - I'm telling you what you ought to do is set Onesimus free and count him as a brother and not a servant
Philemon 1:1		1 Paul, a prisoner of Jesus Christ, and Timothy our brother, unto Philemon our dearly beloved, and fellowlabourer, A PRISONER OF JESUS CHRIST: Not AN APOSTLE OF JESUS CHRIST like he does in 9 of the 13 epistles. OUR DEARLY BELOVED: Paul is describing how Timothy and him feel about Philemon. FELLOWLABOURER: Paul knows Philemon. Philemon is a Pastor.
Philemon 1:3	Grace facet/definition: is a Power to produce a PEACE	3 Grace to you, and peace, from God our Father and the Lord Jesus Christ GRACE TO YOU, AND PEACE: Not a homily or fancy catch phrase when Paul wrote a letter. Think of these 2 words (Grace - Peace). He is giving you, by the EXCELLENCY OF HIS POWER-2 Corinthians 4:7, grace that is sufficient to produce a peace IN your inner man so that when everything outside is falling apart, you don't. Paul is saying may that sufficient GRACE produce the PEACE IN your INNER MAN. Paul starts all 13 epistles with this, it is crucial. This is all from God. That sufficient grace produces a peace IN your soul no matter what you are going through. It is sufficient to handle every situation.
Philemon 1:4	Prayer Aspect : Thankfulness = I THANK MY GOD / Prayer Aspect : Without Ceasing = MAKING MENTION OF THEE ALWAYS	4 I thank my God, making mention of thee always in my prayers, MAKING MENTION OF THEE ALWAYS IN MY PRAYERS: Look at the “without ceasing” aspect of Paul’s prayers. Paul prays for a lot of people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Philemon 1:5		5 Hearing of thy love and faith, which thou hast toward the Lord Jesus, and toward all saints; Paul is very clever here, I know how you love the saints. Onesimus who is handing you this letter is now one of those. THY LOVE AND FAITH: What Paul has been talking to the assemblies about. v5-6 is quite a statement. That there's something about the life of Philemon that can actually effectually work to influence others. MM says this guy is really something special. LOVE: God didn't wave a magic wand here and suddenly Philemon loves him. Philemon loves him because he has a heart of gratitude for the things that's been done for him.Tells you what they are in EVERY GOOD THING WHICH IS IN YOU IN CHRIST JESUS-v6.
Philemon 1:6	Prayer	6 That the communication of thy faith may become effectual by the acknowledging of every good thing which is in you in Christ Jesus. THAT THE COMMUNICATION OF THY FAITH MAY BECOME EFFECTUAL THE COMMUNICATION OF THY FAITH MAY BECOME EFFECTUAL: What Paul is praying for. COMMUNICATION OF THY FAITH: To people. Paul wants this to not only have an impact on Philemon, but the people who know Philemon. THE ACKNOWLEDGING OF EVERY GOOD THING WHICH IS IN YOU IN CHRIST JESUS: Prayer of acknowledgement - acknowledging those things that were in Philemon IN Christ were supposed to have an impact. What's IN you, you know and value and you're thankful for which becomes the very motive now.
Philemon 1:7		7 For we have great joy and consolation in thy love, because the bowels of the saints are refreshed by thee, brother. This is an expression in which he is saying there is something about where Philemon is in his life that gives everybody around him encouragement.
Philemon 1:10		10 I beseech thee for my son Onesimus, whom I have begotten in my bonds: Letter part and Onesimous starts in v10. MY SON: Paul is calling Onesimous his son in the faith. Not Paul's biological son. SON WHOM I HAVE BEGOTTEN IN MY BONDS: Onesimous came to Christ when I was here in prison.
Philemon 1:11		11 Which in time past was to thee unprofitable, but now profitable to thee and to me: Something has changed with him when he got saved. WHICH IN TIME PAST WAS TO THEE UNPROFITABLE: When Onesimous was with you previously, he was more trouble than he was worth. BUT NOW PROFITABLE TO THEE AND TO ME: Paul says I know how he used to be unprofitable to you, BUT NOW, he's not just profitable to you, he's profitable to me(Paul).
Philemon 1:12		12 Whom I have sent again: thou therefore receive him, that is, mine own bowels: WHOM I HAVE SENT AGAIN: Paul says I'm sending him back to you. THOU THEREFORE RECEIVE HIM, THAT IS, MINE OWN BOWELS: Receive him like you're receiving me.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Philemon 1:13		13 Whom I would have retained with me, that in thy stead he might have ministered unto me in the bonds of the gospel: Paul says I would have loved to hang onto this guy, have him keep helping me, you are now able to help me, but I know he needs to go back and do the right thing.
Philemon 1:14		14 But without thy mind would I do nothing; that thy benefit should not be as it were of necessity, but willingly. Paul says I'm not going to try and impose on you what you've got to do. It's a Sonship decision on Philemon's part. I know you have lost some money through this thing and I'm going to send it back and want you to do willingly, not because you are feeling pressured about it.
Philemon 1:15-16		15 For perhaps he therefore departed for a season, that thou shouldest receive him for ever; 16 Not now as a servant, but above a servant, a brother beloved, specially to me, but how much more unto thee, both in the flesh, and in the Lord? Paul tells Onisimus to go back. Paul tells Philemon you need to let him go. v15: Paul is saying I know Onesimus ran away and did a prison break so to speak, but instead of this way of thinking that he ran away, think while he intended to run away, he got saved and now he is going to spend eternity with you.
Philemon 1:17		17 If thou count me therefore a partner, receive him as myself.
Philemon 1:18		18 If he hath wronged thee, or oweth thee ought, put that on mine account; That money that Onesimous owes you, if you have to have it, I'll pay it back.
Philemon 1:19		19 I Paul have written it with mine own hand, I will repay it: albeit I do not say to thee how thou owest unto me even thine own self besides. Paul is saying you would not even know how to be saved, let along be in the position you're in if it wasn't for me. Just like you, Onesimous has come along and something has happened to him. Paul's off-handed way of reminding Philemon that hey you didn't start out this way. Paul says I already know what you are going to do, I know you have lots of choices in front of you. I want you to do willingly, not because you feel like it's an obligation or I'm trying to leverage you. MM says there is nothing that tells of Philemon's decision but believes Philemon did more than what Paul was asking him to do. Philemon is able to discern in this case this is the best possible decision that he can make and that is what he is going to do. God is not telling Philemon here's the one you've got to do. That's how we were raised up in church. You've got that one decision or bulls-eye. Only one right answer. Scary when preachers say God has 1 person picked out for you. MM says that is scary - have to meet everyone in the world. God has one place He wants you to live. God has one place He wants you to work. One car He wants you to drive. One person He wants you to be married to. Talk about pressure. Get one wrong and you are off base for the rest of your life. This is about your ability to make a decision as a son, yet we have gotten this ideas that there is the perfect Will of God. You have to learn how to discern that.
Philemon 1:21		21 Having confidence in thy obedience I wrote unto thee, knowing that thou wilt also do more than I say. KNOWING THAT THOU WILT ALSO DO MORE THAN I SAY: He is going to forgive the debt, he is going to free the slave and he is going to treat Onesimus like a brother beloved. And Paul says that he expects that will be Philemon’s decision.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Philemon 1:22		22 But withal prepare me also a lodging: for I trust that through your prayers I shall be given unto you. MM says in the old days, we would say, oh yeah, Philemon is praying for them to let Paul go. But you already know what Acts 24 told you. He wasn't going to be let go until someone paid that money. Later we are going to read that Philemon does make a decision to have Paul loosed. MM says there are decisions being made here but not like Paul is saying something and others are just going and doing it. See that pray with me takes on a different meaning. If MM asked you to pray about a church getting built in Mexico, he is not asking you to go home and say 'God I pray this church in Mexico gets built, in Jesus' Name' and you are done. He is asking you to consider the decision that you are going to make about a need that has been presented. It's your decision to say how involved am I going to get in that? What am I going to do about that? Could go down there, send someone down there, support someone else going down there, etc. I TRUST THROUGH YOUR PRAYERS: Paul doesn't say pay the money, he asked Philemon to pray about his situation. Paul is asking Philemon to meet a 'need' (GH: the bail/bribe money to get Paul out of prison until his court date) out of his 'supply' (GH: Philemon's bank account). This isn't a spiritual need, this is a physical need. Philemon will pray about Paul's need and then make a decision about what he is going to do. GIVEN UNTO YOU: If Philemon is the one paying the money, Paul will be released to him (GH: Ties to Acts 24:24-26). Paul is saying I TRUST that it will be GIVEN UNTO YOU, Paul's not telling him what he needs to do. Paul is OK no matter what Philemon does.
Hebrews - Revelation		Hebrews - Revelation - Cover that last part of the 5th CoP - the Day of the Lord's Wrath or what we commonly call the tribulation. - Don't go back in there and participate in those sacrifices, Jesus already took care of your sins. You don't need to go in there and do that. - Revelation gives the account of what's going to be happening on earth during that time. Hebrews-Revelation are Books written for the little flock when their program resumes. God says I AM going to have all those books written right here. Peter, James, John, and Jude write them. Because once the DOGG is over, they will already be in place. Once this DOGG is over and God resumes His Program with Israel and they're out there in the day of wrath, there are Books written to guide their thinking once they are out there. These are doctrinally pointed to the believing remnant out there in the day of wrath. Contain the doctrine and exhortations for the members of the believing remnant in the final part of the 5th cycle of judgment. The believing remnant out in the tribulation will come back and look at the Psalms and prophets, etc. but the Books of Hebrews - Revelation - there are things sitting in these Books written to the believing remnant who find themselves out in the Day of Wrath. This is one of these parallel issues - it is written to them to generate the same attitude in them that their Father has towards an ungodly world and an ungodly nation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews - Revelation		Is doctrinally concerning the time in the future when the DOGG has come to a close, THE BLESSED HOPE-Titus 2:13 has taken place, and when God has resumed His program with Israel. MM asks is there really a need for another book on prayer? He says YES because none of the books he has read approach prayer dispensationally. The prayer books take you all over the Bible. We need another book on prayer because we are approaching it from the standpoint of our apostle. Hebrews: Writing to Jews that are IN the land of Israel. James: Writing to Jews that are OUTSIDE the land of Israel. Jude: Writing to Jews that are OUTSIDE the land of Israel.
Hebrews - Revelation	GH: SIIP Verse	Are in an edification order for the members of the believing remnant. It's taking them from milk to meat; and actually from Hebrews-Jude, there's an instruction going on for two different types of members of the believing remnant. Once the dispensation of Gentile grace is over and God's program with Israel has resumed, the members of the believing remnant will need to pay attention to the books of Hebrews to Revelation because there's some important doctrinal information for them. It came from the Spirit of God; He inspired them to write those books. What Jesus meant when He said I AM going to go away but I AM going to send SomeOne, the Comforter, the Spirit, and He is going to guide you into all truth. Are a set of books that we call the "Hebrew Epistles" as they are written to the Hebrews, or more specifically, to the believing remnant of Israel. While the Hebrew Epistles contain the gospel of the kingdom, they are primarily written to the believing remnant who are already justified unto eternal life (JUEL) for the purpose of their edification. Possible for an unsaved person to read and find the gospel of the kingdom but the Books are really written to the members of the believing remnant.
Hebrews - Revelation	GH: SIIP Verse	MM says Paul wrote the Book of Romans to the body of Christ but it is certainly possible for a lost person to be reading a Gideon Bible in a hotel room and read through the Book of Roans and realize I'm a sinner and I need to be saved. But keep in mind who is being written to here. This is all about the believing remnant doing two things: 1. Avoiding all of those dangers in the tribulation so that they can make it to the end with their life 2. Stand before the Son of Man at the end and be given reward in the kingdom
Hebrews - Revelation	GH: GPPI/EoM verse	The ones written to the believing remnant, that get the two baptisms in Israel's prescription for cleansing. It's their instructions in how to survive the day of wrath that is coming upon the world. Are the epistles for the last days written in the EoM. Are guidebooks with remarkable details for the believing remnant in the Day of Wrath, it was necessary to have them in place before the resumption of God's program with Israel. Could be called 'the last days' epistles. The Holy Spirit will give them an understanding of the things written in these books so that they can be guided through the day of wrath and survive physically and survive the great deception that's going to come about in the day of wrath. Are not doctrinally aimed at us in the DOGG. Written during the EoM and the beginning of the DOGG well before they are needed because God in a stroke of His great Genius provided for those Books to be rewritten back here because when the Israel program resumes, these Books need to be already written because they need those Books on how to survive in the day of wrath. If those Books aren't written yet, they will be an easy mark for the great deception of the antichrist and the false prophet.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews - Revelation	GH: GPPI/EoM verse	At the time that God has Hebrews to Revelation written, the condition of the little flock is that they are “scattered abroad.” This scattering was a result of persecution by members of their own nation; the apostate element within Israel. This is exactly how it will be after the dispensation of grace is ended. Based on something God will do to initiate the resumption of His program with Israel, there will be members of the believing remnant living outside the land of Israel. The Asia Minor area is one of the three major areas of concentration for members of the believing remnant. As you may have guessed, these are the exact areas that held concentrations of the scattered remnant at the end of the Extension of Mercy. The section of your Bible that pertains to Israel's Fullness. Constitute Israel's prophetic future.
Hebrews - Revelation	GH: GPPI/EoM verse	These supplement the O.T. in a couple of ways: * Give the believing remnant detailed accounts in what to look out for, what to expect, markers time-wise, the schedule, how to discern between the true prophets and the false prophets - all of these details are given to them. * Because the Lord will be orchestrating His day of wrath from the third heaven, the events transpiring on the earth will not be seen for their true intent. Hebrews to Revelation give the remnant the insight into the things which are happening and for what purposes. The OT prophets did not do this kind of explaining. * Because of the convincing deceptive tactics of the Antichrist and False Prophet, the remnant will need more than just what the OT prophets had told them. They will need specifics and details concerning what is coming, what not to do, how to survive the judgments of the day of wrath, and how to discern between the true and false prophets. These provide these details equipping the remnant to survive to the end that the O.T. prophets do not. * GH: There are things the these writers know 'after the fact'/Jesus earthly ministry.
Hebrews - Revelation	GH: IPF verse	The people who lived during Jesus earthly ministry needed to know more than they knew prior to the Cross. The purpose of the Hebrew epistles is to equip them with that knowledge. When the Israel program resumes, Christ will have already died, and they will now be under a New Testament/Covenant. Things will have changed for them. Compare Old Testament/Covenant with the New Testament/Covenant: * Old Testament New Testament * Blood of bulls & goats Blood of Christ * Repeated/Continual sacrifices One sacrifice forever 'this One did in one time what the others could never do repeated over and over' * Aaronic priesthood Melchisedecian priesthood 'a better priesthood; the old priesthood won't work here; Christ is a Priest after the order of Melchizedek' * Jerusalem New Jerusalem 'comes down from God out of heaven' Better Blood, Better Sacrifice, Better Priesthood, Better City. Better Covenant based on better promises.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews - Revelation	GH: IPF verse	If you can have the better, why would you want the old? The ones that had the old will be brought under the new. None of this has anything to do with people in the DOGG. Is what the remnant will hold up to compare with what they know which is true to that which they see and hear to know if it is true or false. Written beforehand because when they come along, everything is all set up to take them through the day of wrath. Not only do the books build on each other, but there are links that connect the end of one book with the next book in line. See the 'milk to meat' progression of the doctrine just like in Paul's epistles. Tells them how to function accordingly under the New Testament. How else would they know?
Hebrews - Revelation	GH: IPF verse	* Progresses from milk to meat. The further the remnant goes through the doctrine the more they will mature (same as us with Romans - Philemon). * Hebrews lays the foundation and then introduces the next Book - the works that they will need to do to endure the day of wrath (think 'faith without works is dead'). * Get to the end of the Book of James and he talks about the fiery trial and testing of their faith, which introduces 1 Peter, which is about the fiery trial and the hope they have to endure that trial. * At the end of 1 Peter, is the POE against them. Exactly how Satan is going to come against them. 2 Peter, 1-2-3 John, and Jude all talk about this same issue. - The provision that they need to be what they are supposed to be. Where God is equipping them. Don't tire of fighting the battle. Don't quit and go back and be a part of the apostate nation, don't do that.
Hebrews - Revelation	GH: IPF verse	Talking about the events taking place during the 5th CoP-5th installment. Is the instruction manual for or doctrinally pointed to the believing remnant as they go through the day of wrath, waiting for and looking for the appearing of the Lord at the Second Advent. MM says if God gave instructions to us living in this age (Romans - Philemon), it only makes sense that He would give instructions to those living in the age to come. These are different ages with different peoples with different circumstances and different things are at work. Gives the remnant a roadmap of the things that are happening. God not only tells them what's coming, He tells them the order in which it is coming, and He tells them what to do when they see it. Talking about things that are unfolding on Israel in her last days. Find the necessary instructions for making it through the day of wrath. MM says you could take out Acts 8 - Philemon, shove the sections together and the whole thing would continue right along without a hitch. Are doctrinally focused on the believing remnant who will need these things to be able to survive the day of wrath. On the timeline, these Books appear after the church age or grace age or DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews - Revelation	GH: IPF verse	The mandates of the Davidic covenant are key to understanding the Hebrew epistles and you understand the mandates by understanding the Book of Psalms. Though the circumstances at the end of the EoM and the re-start of the program are similar, some things have changed with regard to what the remnant is supposed to understand and how they are to function. Hebrews introduces them to these changes. To partake with Christ and have a millennial reign with Christ, the Tribulation saint must "endure to the end" without taking the "mark of the Beast." The distinction is being remade between Jew and Gentile. THE MIDDLE WALL OF PARTITION is put back up and there is a national standing for Israel. God is not so much speaking to individuals as He is speaking to the nation. There are some things that He is calling the nation to do. Teaching them who their Messiah is and what He has accomplished. Things will escalate beyond just being killed by the apostate nation, but there is also a extermination policy that will be enacted through the Antichrist and the confederacy of nations which is much broader than just the nation trying to kill them. In the later half of the Week, the extermination policy will not only be against the members of the remnant but also against the apostate nation whom the Antichrist deceived.
Hebrews - Jude	GH: SIIP Verse	Instructions to two different types of members of the believing remnant. Can be divided into two parts. 1) The book of Hebrews is written to the believing remnant who are still in the land of Israel in the last week of years, the first half of the week. MM believes it was written during the time of the extension of mercy (EoM), and perhaps just into the early part of the DoGG. The book of Hebrews applies doctrinally at the resumption of Israel's program, following the Blessed Hope (BH). 2) The books of James, 1 & 2 Peter, 1, 2 & 3 John and Jude are written to the members of the BR that are scattered outside of the land of Israel, mainly in the lands of Asia and Babylon. This is why you get the references in Revelation like you do...Babylon and Mystery Babylon, etc. and the churches in Asia. These are the two groups being dealt with by the books of Hebrews to Revelation.
Hebrews - 1 Peter		Re-acclimates the believing remnant to their program. The fact that God is going to beging working with the nation of Israel again and those kinds of issues are here. Talks about how God is going to begin working with the nation of Israel again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews		Hebrews: Speaking to the remnant at the resumption of their program. Begins the education proper for the believing remnant. These last set of epistles have nothing to do with you because you are already in the Third Heaven. You are already gone. Hebrews: LAST DAYS resumes/Israel's program has started up again. Nobody that is part of the body of Christ and in grace standing when Hebrews cranks up. Told to hold fast to 2 professions: 1. Jesus as their Apostle (has to do with His earthly ministry here) 2. Jesus as their High Priest ascended into the heavens Told when the temple is rebuilt and they restart the sacrifices, DO NOT participate in those sacrifices. Because your Messiah has made ONE sacrifice for sins that did away with those. Dont get involved with that. That is the apostate nation. He is going to tell the believing remnant don't go over and get involved in that because if you do, what you are saying is, what Jesus did on the Cross wasn't enough. Hebrews said it was not possible that the blood of bulls and goats to take away sin. Will be great pressure put on the believing remnant to do that.
Hebrews		Better covenant (sacrifices part of old covenant). Better promises. Better sacrifice. Better blood (Jesus >>>> bulls/goats). Better priesthood (on the order of Melcheidiek). Your program has started again. Don't go back into that VRS to participate in those sacrifices. Get out of there and separate from them. Hebrews: Reacclimates you to Israel's program. Hebrews-Revelation: RD says written before Paul died. Hebrews: Israel's program resumed. Hebrews: Doctrine written for the believing remnant for when God resumes His Program with Israel. Hebrews is not for Jews who are now Christians. Hebrews are physical descendants from Abraham. Physical line from Abraham. Telling them that their program that got interupted (GH: Acts 9) is about to resume with Daniel's 70th week. Doctrine written for the believing remnant for when God resumes His Program with Israel. Written during the transition time.
Hebrews		The book of Hebrews is broken down into 4 parts and the first book that takes you back to Israel's program. 1. Ch1-2: Demonstrate that Jesus Christ is better than Adam and that He is the rightful inheritor. 2. Ch3-4: Demonstrate that Jesus Christ is better than Moses. 3. Ch5-10: Demonstrate that Jesus Christ is better than Melchizedek, a better high priest. 4. Ch11-13: Give doctrine for the remnant to live in the time of Daniel's 70th week. Heresies taught in the Hebrew epistles: - A particular lie on the Lord Jesus. - Heresies will arrive during that time so the believing remnant won't be taken in by them. - If you rebuild the Temple and reoffer the blood of bulls and goats - will lose their place in the Kingdom. Written to the believing remnant who are out there in the day of wrath. While they are out there, they are going to be treated as sons, they are going to get the benefits of the New Covanent.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews		The background of the Book is discouraged Hebrew Christians. There out there in Israel's program and then hear the message of Christ an believe it. That makes them part of the believing remnant. Initially, be really happy in their new faith. But as time goes by, they will find themselves persecuted by their fellow Jewish brethren. Will be considered traitors to Judiasm. They are going to be told the Lord is coming back but they are not going to see that happening. And then they are going to be wondering - is this really happening? This will cause many of them to go back to the temple worship and get involved in the rituals pf Judiaism. Weary, tired, persecuted, tempted, and rejected, everything will seem to be against them, they will be tempted to give up and return to their former position and do like they did before. GH: MM tying to POE Phase 3 attacks - Discredit the Messenger and THE HELMET OF SALVATION-Ephesians 6:17 is just as necessary for them as it is for us. They will need to put on THE HELMET OF SALVATION-Ephesians 6:!7 as well. MM knows this is a different program.
Hebrews	GH: SIIP Verse	The first of a series of 9 Books that complete the canon of scripture as they are laid out in your Bible. MM believes Hebrews was written during the 1-year extension of mercy. Is divided into four major sections with each section providing foundational doctrine for the edification of the believing remnant, a particular edification that is being given to members of the believing remnant. Four big issues and it does contain the gospel of the kingdom. This is once the DOGG has ended and THE BLESSED HOPE-Titus 2:13 takes place. Chapter 1-2: This section is reorienting the believing remnant to their program by pointing them back to that which was spoken by the Lord during His earthly ministry. Pointing them back to the prophetic program being resumed. Hey, your program has restarted. You are now in this, pay attention. You have to not only remember them, you have got to do them. Don't let them slip. Chapter 3-4: Talking about a particular profession (declaration) they are supposed to make. Instruct the believing remnant in their need to hold fast to their profession of the Christ with respect to his Apostleship. About the profession of Jesus as their Apostle. They need to start looking at Him as their Apostle. May sound weird to you, because He wasn't. He called someone else to be your apostle - Paul.
Hebrews	GH: SIIP Verse	Chapter 5-10: Instruct the believing remnant in their need to hold fast to their profession of the Christ, with respect to Him being a better High Priest, after the order of Melchizedek (not after the old order-a whole different thing from what was going on before). About their profession of Jesus as High Priest, not just a High Priest, but a High Priest after the order of Melchizedek. Talk to you about a better Priesthood, a better Sacrifice. Why he says FOR IT IS NOT POSSITLBE THAT THE BLOOD OF BULLS AND GOATS SHOULD TAKE AWAY SINS-Hebrews 10:4. Get detauk about Jesus being a better High Priest and a better Priesthood, making a better Sacrifice. Better than the blood of bulls and goats. Jesus does it with His own Blood shed on the Cross, which takes away sin. - MM says the old Aaronic priesthood was the Levitical priesthood, who had the blood of bulls and goats. Jesus as the High Priest has the Blood of the Lamb of God who taketh away the sins of the world, which is the better one.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: SIIP Verse	Chapter 11:13: Given exhortations to HOLD FAST to their two professions, in view of: * the *seduction* of Israel's vain religious system (VRS); * the *afflictions* that they will be receiving from Israel's vain apostate religious system. These afflictions from the VRS are the policy of evil's (PoE) opening salvo of attacks against the believing remnant. Reveal to the believing remnant how those seductions and afflictions are going to come and how they should be handled.
Hebrews	GH: IPF verse	Is giving the remnant the vital, foundational information needed in order to properly function under the New Testament instituted at the Cross. This was information that was not given to them by the Law of Moses, the prophets, or Lord Jesus in His earthly ministry. The information in Hebrews prepares the reader for the exhortations from James concerning the necessity of works that will enable endurance "unto the end." Is the Book that explains to the believing remnant what has been done for them because Jesus has died on the Cross. Not explained to them in any book prior. They did not get it from the prophets. They did not hear it from Jesus. They did not learn it from the apostles in Acts 1 - 7. What they learned is, what was done for them on the Cross was actually revealed to them in the beginning of the Book of Hebrews. We learn what God has done for us on the Cross in Romans - Philemon. They learn what happened for them in Hebrews - Revelation.
Hebrews	GH: IPF verse	Hebrews is the book that provides the Believing Remnant with an understanding of what happened for the remnant when their Messiah died on the Cross Covers what changed for the believing remnant from the time of their diminishing to the resumption of Israel's program: * The primary change is that the death of the Testator has occurred, so the New Testament will be in force and they are no longer under the Old Testament. The Hebrew people are the recipients of the New Testament. The New Testament is the "New Covenant" that was the subject of prophecy, thus making it part of Israel's Prophetic Program. We are not New Testament Christians. We are living 'after the event of the Cross', but we are not under any covenant. The New Covenant is given to the same people that were under the Old Covenant. The New Testament is the "New Covenant" that was the subject of prophecy, thus making it part of Israel's Prophetic Program. Concerns itself with the Hebrew nation and the remnant in particular at the resumption of the Israel Program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: IPF verse	Doctrine for their godly edification. Takes them from milk to meat. When you get to Hebrews, the "last days" will be resumed with the program for Israel. If you took Romans – Philemon out of your Bible, and slid Hebrews in, following Acts 7, it would match up. The people to whom Hebrews is written will live in the time when they will see the "wonders in heaven" and "signs in the earth." As such, they will "see the day approaching." They are provided a road map of sorts that allows them to see the approaching "Great and Terrible Day of the LORD." Written to Hebrews, and in particular the faithful remnant, to re-orient them to their program. There will be two groups: 1. The believing remnant/little flock (believe Jesus is the Christ and believe in the gospel of the kingdom) - the minority - Called to separate themselves from the apostate nation. - Quit participating in the sacrifices. - Don't trust in the blood of bulls and goats, but in the Blood of Christ.
Hebrews	GH: IPF verse	2. The apostate nation of Israel (reject Jesus as the Christ and believe in Israel's vain religious system) - the majority - Provides for a foundation and reorients the Jewish people to their program, reference is made to the Lord Jesus functioning as their Redeemer. In connection with that we see the subsequent exaltation to the Father's right hand and the decree given by the Father for the Son to possess His inheritance. Sets forth a number of truths such as: * Jesus death on the Cross is the means for forgiveness of sins * Animal sacrifices are no longer pleasing to the Lord * Once the time of "repentance to Israel" is over, the remnant is to separate themselves from the vain religious system of the apostate nation * The remnant is to hold fast to their profession of Jesus as their Apostle and High Priest without wavering
Hebrews	GH: IPF verse	Four major sections or divisions - where they run and what they are about: Section 1: Hebrews 1 - 2 - the reorientation to God's program with Israel for the believing remnant, informed of their program's resumption. Israel's program has been resumed and the remnant is being reoriented to that fact. A lot of nothing more than O.T. quotes where God is talking about here's something that has happened, here's something that is about to happen, and now it's on the verge of taking place. Saying to the believing remnant, get yourselves prepared because the program is about to get under way at the point that it was interrupted at the stoning of Stephen-Acts 7. Helps them understand the flow of events. Quotes showing what the Lord has done or is about to do. Book 1 Psalm 2:1-3 Acts 4:23-28 (happens at the Cross) Psalm 2:5-8 Hebrews 1:5-6 Psalm 8:5 Hebrews 2:7 Book 2 Psalm 45:7 Hebrews 1:9

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: IPF verse	Book 3 Didn't leave out - it is the issue talked about Book 4 Psalm 102:25-27 Hebrews 1:10-12 Psalm 104 Hebrews 1 Book 5 Psalm 110 Hebrews 1 When you consider all the quotes, there is not a lot of new material in these two chapters, because he is re-orienting them to their program. Saying the very things that were ready to take place in Acts 7 are now ready to take place. The Son is ready to take possession of His inheritance. He has been made heir of all things. Those are the things talked about here. Section 2: Hebrews 3 - 4 - deals with the need of the remnant to hold fast (understand and hold on to) to its profession of Christ, especially with respect to His apostleship, and the consequences if they do not. Gives them the reward topic.
Hebrews	GH: IPF verse	- Need to hold fast to this profession because if they don't, and let it SLIP-Hebrews 2:1: * they won't be hidden in that day * they won't be counted worthy to escape the judgments that are coming on them * they won't be provided food in that day * they won't be able to stand before the Son of Man when He returns. Difficult to do because His Apostleship and His purging death on the Cross is going to be rejected by the apostate nation. Will be a great temptation to throw in the towel and go back into the vain religious system. The majority of the nation will be apostate. People find comfort in rituals, putting on attire and the procession and waving and saluting. Stepping away from that feels unnatural because it's not what you've been used to or what you have known. Because of that, it feels very out of place. The little flock is told to come out of that. Get an education in what the Lord was teaching them when He was functioning as their apostle. MM uses Matthew 5 and 6 as examples.
Hebrews	GH: IPF verse	Section 3: Hebrews 5 - 10 - deals with the importance of their holding fast to their profession of Christ Jesus as their High Priest, (the Melchizedekian High Priesthood of Jesus Christ) and the consequences if they do not. To hold fast to Jesus as their High Priest. - See they will need to hold fast to the High Priestly ministry of the Lord Jesus in the face of Israel's vain religious system. - Knowing the Christ is their High Priest will keep them away from that sacrificial system that is going to be instituted by the vain religious system of apostate Israel, who does not see the Atoning work of Jesus Christ, who do not understand that they are blinded to that, and because of they, they are going to be the first wave that tempts the remnant to throw in the towel. - This part of their profession is important seeing that Israel's vain religious system will: * reject that Jesus is the Christ * reject His purging death on the Cross, and * reject the Melchizedekian priesthood of the Lord Jesus.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: IPF verse	The great temptation will be used to get the remnant to: * come back into Israel's vain religious system * forsake the things Hebrews is calling them to do * get them to go back into the temple and participate in the sacrifices that are being offered in rebellion to what God has offered through His Son. - The remnant is going to have to separate themselves from the vain religious system of the apostate nation, a difficult thing to do, for a number of reasons: * This will cause a division among families * They are leaving that which they are accustomed to * There will be pressure to conform * More will pressure them to 'fall away' - The remnant is going to have to do business with a High Priest who is not a Levite serving in the temple. This will be difficult since people like the physical, the traditions and the rituals. The remnant is going to have to understand that God's view of those sacrifices has changed. Prophesied in Isaiah 66:1-2.
Hebrews	GH: IPF verse	Section 4: Hebrews 11 - 13 - the remnant is exhorted to remain faithful to these two aspects of their profession (Jesus as their Apostle - Section 2/Hebrews 3-4) and Jesus as their High Priest - Section 3/Hebrews 5-10) as they are faced with trials and persecutions from the Apostate Nation and its "vain religious system", which existed back in the days of the Messiah and will exist again with the resumption of their program. Will inform them on how the temptation and afflictions will come upon them. Once they have this in their mind, they will be able to take the things in 1 Peter - Jude and see the details of the PoE as it will work against them. An attack is coming to get you to deny your two-fold profession. That vain religious system existed in Israel in the Days of the Messiah and will exist in Israel again with the resumption of her program. In Satan's policy of evil against the remnant, the first wave of opposition the remnant will encounter will be from its own people/brethren (Israel or the apostate nation). Will put the pressure on them first to throw in the towel on these professions and return back to the old way. He's warning them about that and what's going to happen to them if they do turn back. Told that the temptation to remove themselves from the two elements of their profession will come from the vain religious system of the apostate nation working as the tool for the policy of evil against them. They will be informed about how the "temptation" and "afflictions" will come, including what will occur first and what will follow.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: IPF verse	Once they have this in their mind, they will be able to take the writings in 1 Peter through Jude and see the details of the policy of evil as it will work against them. They will actually be given “signs” that will tell them when the opposition will increase and to what degree. MM says when the Israel program starts back up, Satan doesn't attempt to annihilate Israel, he attempts to corrupt the whole nation. When the remnant is formed, there's a great trial of their faith - persecutions, suffering, tribulations, all these things coming upon them. Satan is trying to get them to 'waver'-Hebrews 10:23. It will be their own people, instruments of Satan, coming to them and saying what are you doing? Get back over here. You are making trouble for everybody. Get back in here and quit making waves. More than peer pressure, will increase and get worse and the remnant gets warned about that. MM says we don't have to hold fast to anything to get the benefits given to us in the spiritual areas. Not so for them. - They need to be able to distinguish between the counterfeit and the true, and to discern the great lie of the antichrist, who will be working to deceive them and that deception will be great. - Hebrews is not written to Hebrew Christians to orient them to the DOGG. Not written so they know how they're supposed to live today. It is written to the whole nation but with special emphasis given to the believing remnant. The whole nation is given a chance to see what they need to know. They reject that and they don't get anymore truth. But the believing remnant that believes this gets more truth (the rest of the Hebrew epistles) to guide them through the day of wrath.
Hebrews	GH: IPF verse	- The Book of Hebrews is to the believing remnant what the Book of Romans is to us, the body of Christ. - Hebrews goes further than Acts. He's not only exalted, He's not only seat at the right Hand of the Majesty on High (Acts 2:33), but the decree has been given, and He has now been given an inheritance and He is going to be the Heir of all things. - It is vital for them to be familiar with these things that were taught by the Lord Jesus as recorded in the gospels. - They will be given warnings and admonitions to continue in the things which they have heard and not let them slip. - They are told to be doers of the word and not hearers only. They are told to live in accordance with the things He taught. And if they do, they will receive great recompense of reward in the Kingdom. - They need this education because if they don't get it, they will be lacking the ability to discern good and evil, which will be of paramount importance to discern “the lie” of the Antichrist and identify the true from the counterfeit. See Hebrews 5:11-14.
Hebrews	GH: IPF verse	- Hebrews is written to prepare a people for that kingdom which will govern the kingdoms of this world. - Is written from the perspective that the time of repentance has just closed out. - The believing remnant is supposed to understand that they are to separate themselves from the animal sacrifices and then disassociate from the apostate nation and their vain religious system by 'going forth unto Him without the camp, bearing His reproach'-Hebrews 13:13. The members of the remnant are being schooled in the resumption of the Israel program. This is done by reviewing what has happened in their program up to the time of its interruption and then what is unfolding as their program has gotten itself underway once again. Remember God is dealing with them as a nation. Easy to just think He is dealing with them as individuals, which is the way we get dealt with. We don't get dealt with as a nation at all. May call ourselves a Christian nation but God is not doing things corporately as a nation with regard to salvation and those kinds of issues. But He does with them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews	GH: IPF verse	For those under the doctrine of Hebrews (all are Israel in nature): * These are the last days - Hebrews 1:2 * An inheritance is being dealt with - Hebrews 1:4 * A throne and a scepter is going to show up - Hebrews 1:8 * The heavens and the earth will vanish - Hebrews 1:10-13 * This has to do with the world to come - Hebrews 2:5 (the Millennial age) * The time of 'the end' is involved - Hebrews 3:6 * Therefore, enduring to 'the end' is part of their salvation - Hebrews 3:6 * They can 'fall short' of entering into the kingdom - Hebrews 4:1 * They can go back unto 'perdition' - Hebrews 10:37-39
Hebrews 1 - 2	GH: IPF verse	Is an attempt to tell the believing remnant that: * your Israel program has started again. * these things you read about in the O.T.... - the redemption has been made - the Resurrection has taken place - the decree at the Resurrection was given - the inheritance is now being made - HEIR OF ALL THINGS - He is exalted at the Father's right Hand - He has been given a MORE EXCELLENT NAME-Hebrews 1:4 - Just as He was made A LITTLE LOWER THAN THE ANGELS-Hebrews 2:9, now He is MADE SO MUCH BETTER THAN THE ANGELS-Hebrews 1:4. * In view of all of this, He is going to speak to them in His wrath and vex them with His sore displeasure. Reorienting the believing remnant to the resumption of Israel's program. We have already gone.
Hebrews 1	GH: SIIP Verse	Tells how Christ is so much better than the angels. v1: Talking about God speaking through the O.T. prophets. v1: GOD: v2: HATH IN THESE LAST DAYS SPOKEN UNTO US BY HIS SON: When Jesus was on the earth, it certainly was the “last days” of Israel’s program and God was speaking to them by His Son (Matthew 17:5; Mark 9:7; Luke 9:35). GH: Why MM thinks Hebrews was written during the EoM. When Hebrews is being written, they are still in the LAST DAYS. v2: THESE LAST DAYS: He can't say THESE LAST DAYS if he is sitting in the DOGG so Hebrews has to be written during the EoM. v2: LAST DAYS: Last 3.5 years of the 5th CoP, 4th installment - the earthly ministry of Jesus. Known as 'the last days of Israel's program'. Once He resumes His Program with Israel after THE BLESSED HOPE-Titus 2:13, there will be another EoM when the program resumes because this is a different set of people that are going to be hearing that gospel of the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: SIIP Verse	v2: LAST DAYS (cont'd): And when that second EoM is over, the believing remnant is given some very specific instructions about what to do and what NOT to do. And if they are going to escape those things in the tribulation, they are going to have to be obedient to this instruction. If they are going to stand before the Son, when He returns for reward in the kingdom, they're going to have to obey these instructions. These are not optional. So there's a lot on the line with this. The LAST DAYS didn't end at the Cross, they go through to the end of the EoM. v2: US: The nation of Israel. v3: WHEN HE HAD BY HIMSELF PURGED OUR SINS, SAT DOWN ON THE RIGHT HAND OF THE MAJESTY ON HIGH: v3: OUR: Members of the believing remnant. v4-14: Emphasizes how much better Christ is than the angels.
Hebrews 1	GH: SIIP Verse	v4: BEING MADE MUCH BETTER THAN THE ANGELS: The rest of the chapter talks about Christ being “so much better than the angels.” v4: EXCELLENT NAME: Position/Title of Authority. MM laments all those years in Bible college he think the Name Jesus was the MORE EXCELLENT NAME and that's what that was. v5: UNTO WHICH OF THE ANGELS: Answer: None. God didn't say this to any of the angels. v13: TO WHICH OF THE ANGELS: Answer: None. God didn't say this to any of the angels.
Hebrews 1	GH: GPPI/EoM verse	Get a big hint on who it is to - HEBREWS. Doesn't say saved Hebrews. Is the resumption of Israel's program, the resumption of the last days. The last days for Israel begin for Israel following the Cross and those days were suspended in the DOGG and will be resumed. Then start back up and end at the great and terrible day of the Lord. v1: TIME PAST: Israel's program. v2: THESE LAST DAYS: The “last days” for Israel began back following the Cross in the early chapters of Acts but were suspended when Israel’s program was put “on hold” and the dispensation of grace was brought in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: IPF verse	Chapter 1 begins with the word 'God' but the subsequent 12 chapters all begin with a transitional word that take you from the information in the prior chapter into the information in the next chapter. Is dedicated to showing the remnant that their program is once again underway and that there is a similarity of circumstances between the time the program was interrupted and the time the program is resumed. Is establishing the fact that Jesus has successfully functioned as Redeemer and as such He has been given the authority and capacity to function as the four remaining mandates require. Is reorienting the remnant to their program and explaining all that has taken place to elevate the Son to a place above the angels. Once they are warned of the restart of their program and the coming day of wrath, Their FULLNESS is not the issue at hand. Takes you right through the flow of time on the schedule: * PURGED OUR SINS-v3 (at the Cross) * SAT DOWN ON THE RIGHT HAND OF THE MAJESTY ON HIGH-v3 (during the EoM) * What happens in THE DAY OF VISITATION-Isaiah 10:3 and what they'll have to endure * The Lord coming back to set up His Kingdom with a scepter and a throne of righteousness-v8 * Setting up a new heavens and a new earth.
Hebrews 1	GH: IPF verse	See the O.T. references: * Hebrews 1:2 comes out of Psalm 2:8. * Hebrews 1:3 comes out of Psalm 110:1. * Hebrews 1:4 is the mark for the day of wrath and the Millennium (Zechariah 14:9). * Hebrews 1:5 has two parts, one from Psalm 2:7 and the other from Psalm 89:20-27. * Hebrews 1:6 is seen in Psalm 97:7. * Hebrews 1:7 takes you back to Psalm 104:4. * Hebrews 1:8-9 quotes out of Psalm 45:6-7. * Hebrews 1:10-12 is a quote from Psalm 102:25-27. * Hebrews 1:13 is a quote from Psalm 110:1.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: IPF verse	v1-4: Tell the remnant that things are picking up right where they left off when their program was suspended. v1-3: The salient points that are contained in the first three verses are: * God is reorienting them to their program - by taking them over to where they left off in the Book of Acts * He is speaking to the nation again 'in these last days' - which means the DOGG is over. * The resumption of the program in Hebrews takes up where the interruption of the program in Acts left off . v1-2: Notice the jump from TIME PAST-v1 to THESE LAST DAYS-v2. You are immediately reoriented to Israel's program. Have the continuation of what was about to happen when Jesus was standing at the end of Acts 7. God intends to make His Son heir of all things. Jesus functions as Redeemer and following His resurrection from the dead, God makes a decree. After sitting at the Father's right hand, it is time for the Son to claim His inheritance and have "all things put under his feet." The remnant is being informed that the decree has now been made, the inheritance is ready to be claimed and "all things" are ready to be put under His feet.
Hebrews 1	GH: IPF verse	v1: GOD: The first Name mentioned in Hebrews is God's. Is significant, as He again has spoken to the nation. Hebrews begins by taking you back to where things were when the Israel Program was interrupted. Makes who wrote the book irrelevant. v1: SPAKE: v1: IN TIME PAST UNTO THE FATHERS BY THE PROPHETS: Directs the Hebrew people back to when their program was previously enforced - Israel's Historical Past. See Romans 9:4-5. v1: TIME PAST: Israel's historical past with their prophets. v1: THE FATHERS: Abraham, Isaac, and Jacob. Whose fathers did not hear when He spoke from earth. v2: THESE LAST DAYS: Not just a generic phrase. The last days of the time schedule or element given to Daniel. Refers to a period of time that began in Israel's program in Acts 2, with the pouring out of the Spirit. Taking them back to where it ended off to re-orient them. Making the connection for the remnant. The 70th week is the main focus of the last days. Not the only thing but the main thing. v2: SPOKEN UNTO US BY HIS SON: God spoke to them by His Son, a marker for the beginning of the last days. The Son was standing to "speak to them in His Sore Displeasure and in His Wrath"-Psalm 2:5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: IPF verse	v2: SON: The Son is the signal for the last days. v2: BY WHOM ALSO HE MADE THE WORLDS: MM says this is not just an added phrase that God created the heavens and the earth or that He is the creator. Would be out of place if it were that. He is counting on that fact that we understand something else when we read this. v2: APPOINTED HEIR OF ALL THINGS: Jesus receives an inheritance. Now it is now time for the Lord Jesus to claim what has been promised to Him. v2: HEIR: Someone that gets an inheritance. He is going to begin reclaiming His inheritance in these LAST DAYS and when the kingdom is set up, He will inherit ALL THINGS. v2: ALL THINGS: Expounded upon in Hebrews 2:8. v3: Reviews the interruption of the program and the blindness that's put on the nation until now. v3: BY HIMSELF PURGED OUR (their) SINS: Happened on the Cross. Jesus has already fulfilled the first mandate of the Davidic covenant, functioning as Israel's Redeemer. v3: SAT DOWN ON THE RIGHT HAND OF THE MAJESTY ON HIGH: During the EoM. What the Lord did following the Cross; He sat down at the right hand of the Father. He was seated during the EoM, as recorded in Acts 1-7. Subject of prophecy - Psalm 110:1. That was the last event to take place before the interruption of the program. Ascending to the Father, He sat at the Father's right hand waiting until the time His enemies will be made His footstool. Re-orienting them to where they left off.
Hebrews 1	GH: IPF verse	v4-?: The believing remnant has to understand these things. v4: Starts a review of what their Messiah has already accomplished. Ties to Psalm 8:5. v4: BEING MADE SO MUCH BETTER THAN THE ANGELS: Is not referring to the fact that Jesus, as God the Son, was better than the angels. This is describing the process that took place from the crucifixion to the exaltation at the Father's right Hand. v4: BEING MADE: Not in the sense that He was created, but in the sense that when He took on flesh, and was by His human nature made a little lower than the angels. So having been Israel's Redeemer on the Cross and purging them from their sins and His resurrection from the dead, was MADE SO MUCH BETTER THAN THE ANGELS. Based on what He accomplished as He functioned as Redeemer and purged His people from their sins, He was then "made" to be better than the angels. And that through His inheritance He obtained a more excellent name than the angels.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: IPF verse	v4: HE HATH BY INHERITANCE: From I SHALL GIVE THEE THE HEATHEN FOR THINE INHERITANCE-Psalm 2:8. v4: BY INHERITANCE: At the resurrection the decree of Psalm 2 was made and Jesus is given an inheritance, a millennial inheritance -'king over all the earth' and a 'more excellent' Name. v4: OBTAINED A MORE EXCELLENT NAME THAN THEY: He obtained this based on what He did on the Cross. This is the issue in the Hebrew epistles - the name. The name is pertinent to the gospel of the kingdom. What they were preaching during the days of the Messiah and the EOM they will be preaching in the remaining part of the last days. v5-14: In view of v4, the Israel program is underway again and He is ready to function according to the remaining mandates of the Davidic Covenant. Looking for: * a King and a kingdom * One who is our Messiah * the Son to show up and to do the things talked about all along v5: Answer - none. He said this to none of the angels. v5: THOU ART MY SON, THIS DAY HAVE I BEGOTTEN THEE: This is what God the Father speaks to the Son after He fulfills the fist mandate on the Cross. Quote from THOU ART MY SON; THIS DAY I HAVE BEGOTTEN THEE-Psalm 2:7.
Hebrews 1	GH: IPF verse	v5-6: Speak of how Jesus is better than the angels. v6: LET ALL THE ANGELS WORSHIP HIM: Everything is going to be put under His Feet. He will be given everything as part of the inheritance that is given to Him. v7: Ties to v14. This is the way the angels will operate during the day of wrath as they carry out commands given to them as they play their part in the repossessing of the earth. They will operate as FLAMES OF FIRE in the day of wrath. Also involved in the judgments seen in the Book of the Revelation - blow the trumpets, pour out the vials, fell to the earth, etc. They will fulfill his commands and execute His judgments. They will also minister to the heirs of salvation; the remnant of Israel. v8: The Father speaks to the Son in reference to a throne and a kingdom. A throne and a scepter will show up. Won't happen till the Son shows up. Ties to Matthew 25:1. v8: SCEPTRE OF RIGHTEOUSNESS: Refers to the kingdom which will be set up on the earth. v9: HATH ANOINTED THEE WITH THE OIL OF GLADNESS ABOVE THY FELLOWS: This is the second anointing. The first was when He was anointed to function as the Redeemer. And then, after the successful accomplishment of that, He is going to be anointed again WTIH THE OIL OF GLADNESS ABOVE THY FELLOWS. Ties to HATH ANOINTED THEE WITH THE OIL OF GLADNESS ABOVE THY FELLOWS-Psalm 45:7. Jesus was first anointed back in Matthew 3 to function as Apostle and Redeemer when He was made “a little lower than the angels.” After His resurrection, He is anointed again for the performance of the remaining mandates. The goal of those mandates is his THRONE-v8.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1	GH: IPF verse	v10-13: The heavens and the earth will vanish. v10-12: Comes out of Psalm 102:25-27. All of this pictures the Father crowning the Son with glory and honor. These things will take place as the remaining mandates of the covenant are fulfilled by the Son. v11: Shows the remnant that He would have His day of wrath and the heavens and the earth will perish and He will fold them up like a garment. It was through His inheritance and the more excellent Name that He is given that He has the authority to do away with the heavens and earth and bring in new ones to accomplish what was originally intended. There is going to be a new heavens and a new earth. v13: Takes them back to the time the Israel program is interrupted, when He stood to make His enemies His footstool (Acts 7:55). Clues them in that He is ready to accomplish what was about to be done back in Acts 7. Answer to the question - none. God never said that to any angel. v13: THINE ENEMIES THY FOOTSTOOL: Quoted Psalm 110:1. Said after the Resurrection during the EoM. Chapter ends taking you right back where you were before the interruption of the program in Acts 7.
Hebrews 1	GH: IPF verse	v14: The angels do have a very necessary ministry with Israel. Has to do with the angelic activity that will take place as the angels assist in the Deliverer/Avenger concepts. These verses speak of how those angels will function during the day of wrath. Speaks of the angels ministering to people who will inherit salvation. The ones being referred to here are about to inherit salvation, so these angels are ministering to those in the day of wrath who are about to get an inheritance in the Millennium. v14: SHALL BE HEIRS OF SALVATION: Today, we don't inherit salvation, but the believing remnant does. Ties to WHEN THE TIMES OF REFRESHING SHALL COME FROM THE PRESENCE OF THE LORD-Acts 3:19. Happens when He shows up again.
Hebrews 1:1		1 God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, The way God has done it before is not the way He has done it in every age. So God is doing things differently in this dispensation.
Hebrews 1:2	GH: Eternal Glory	2 Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; Christ does inherit all things, but those who inherit all things with Him are those who have Him formed IN them, those who suffer with Him, those who have been conformed to His image; in other words, joint-heirs. This inheritance is never spoken about with regard to our position IN Christ, but our walk; and more specifically, our walk which manifest His life IN us and His mind IN us. The joint-heir inheritance does not come about because of our faith IN Christ, but rather from the faith of Christ IN us. Gal. 2:20! LAST DAYS: Connects you back to the last days when Peter preaching at Pentecost. You have to hold fast. You want to be justified by works? You want to escape those judgments? You want great honor and privilege in the Kingdom and not be an outcast and not be ashamed? SPOKEN UNTO US BY HIS SON

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 1:2	GH: Eternal Glory	2 Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; HEIR OF ALL THINGS: He made Jesus HEIR OF ALL THINGS. Jesus is going to obtain an inheritance. Quotes Psalm 2:8. He's appointed him HEIR OF ALL THINGS. He became “heir of all things” because of accomplishing the Redeemer mandate. In Israel’s program, the suffering is over. He’s going to have “his day” & receive His inheritance. He’s done the hard part (the suffering part), for this was the only mandate that was ever in doubt. If this one gets done, then the other mandates cannot be thwarted. Still waiting on His inheritance even though He has done everything He needs to do. Doesn't have to do anything else to qualify, but He is waiting on it. - What are the things He is suffering in this DOGG? Not things that are pain. He is suffering some things to happen that He did not allow to happen under the law. You will suffer some things in this present time that are painful. We are putting some things on display and that is the reason He is not doing it. Jesus is suffering the fact that He hasn't gotten His inheritance. He is waiting on that. He is shewing PATIENT ENDURANCE until that time comes. God is allowing under grace what He did not allow under the law. What else? Other side of the coin.
Hebrews 1:3		3 Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high: BY HIMSELF PURGED OUR SINS: On the Cross.
Hebrews 1:4		4 Being made so much better than the angels, as he hath by inheritance obtained a more excellent name than they. BY INHERITANCE: Through His inheritance, He obtained a more excellent name. Not talking about His Name is cooler. Talking about position.
Hebrews 1:5	GH: Sonship	5 For unto which of the angels said he at any time, Thou art my Son, this day have I begotten thee? And again, I will be to him a Father, and he shall be to me a Son? UNTO WHICH OF THE ANGELS: None of them/None of the angels were given this kind of relationship. Angels have never, for one moment, experienced the intimacy of relationship that you have in the Father-son relationship. You are being given a privilege of being dealt with by your Heavenly Father in a way that the answer that the angels have never known. THOU ART MY SON, THIS DAY I HAVE BEGOTTEN THEE: Psalm 2. God said this to Jesus. This was one of the proclamations of Him being a Son at His Resurrection. THIS DAY I HAVE BEGOTTEN THEE: From the dead - the Resurrection. I WILL BE TO HIM A FATHER, AND HE SHALL BE TO ME A SON: MM says if you don't understand v5 you will have problems with your Christian life. MM says God never said this to any of the angels. GH: Didn't get the Solomon vs. Jesus point of the verse.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2		Hebrews 2: Sonship Parallel from Israel's program - Jesus in His Sonship life on this earth was made perfect through the things He suffered. True there was a physical suffering on the Cross. That is in Israel's program. Once that got done, it was over. We became beneficiaries of the Cross when Jesus ended up doing way more than just for Israel when He died on the Cross. The suffering that Jesus is doing in this dispensation of gentile grace, it's not the same kind of suffering as He did on the Cross. The suffering Jesus is going through right now is not physical pain and torment like He did on the Cross. Because Jesus was an educated son didn't mean He didn't feel the physical suffering on the Cross, none of that diminished. The Father has decided that there are some things that can only be attained by a son, including His own Son, by suffering. There's a reason why we can't get these things another way. There's a reason here.
Hebrews 2	GH: SIIP Verse	To understand these verses, you have to understand being a JUEL Jew did not automatically gain you entrance into the kingdom (the land area). Jews outside the kingdom will be the ones that let things slip, they weren't serious about it. MM parallels - just because you are JUEL in this dispensation, doesn't mean you are a joint-heir with Christ. Just because you are a JUEL Jew, doesn't guarantee that you are going to be living inside the kingdom and reigning with Him. There is a sanctification salvation which allows him to do those two things, to escape all those troubles during the tribulation and stand before the Son of Man for reward at the end that is coming. The Lord talked about both in Luke 21:36. Failure to discern that this SALVATION is not all guaranteed just because you believe that Jesus was the prophesied Christ of Israel is going to make you start interpreting these verses very differently. It's the believing remnant that are being spoken of. v1: THEREFORE: It is in view of Christ being so much better than any of the angels, having more authority than the angels, & having a more excellent name than the angels that chapter 2 starts the way it does.
Hebrews 2	GH: SIIP Verse	v1: THINGS: The things which the Lord Jesus said during His earthly ministry. v1: LET THEM SLIP: Group says to forget or to not pay attention to it. MM says it means to not have them in mind. Have you ever heard, “Oh that slipped my mind?”. Because being a justified unto eternal life Jew didn’t give you automatic entrance into the kingdom, that’s why they’re being exhorted here not to let those things, which were said by the Lord to the believing remnant, slip. But sometimes, it didn't slip your mind, you just didn't do it. That's the issue here. He is not saying this just in case, he knows this is going to happen. v2: THE WORD SPOKEN BY ANGELS: This is referring to the law of Moses. v2: THE WORD: Law of Moses. v2: JUST RECOMPENSE OF REWARD: They were punished for their disobedience. You are going to get what you deserve. When they transgressed the law and were disobedient to the law, they got punished. v2: JUST: Fair.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2	GH: SIIP Verse	v3-4: The nation had abundant testimony backing up the Lord's message of GREAT SALVATION. This was not just the word of angels; it was the words of the Lord Himself. And it was doubly confirmed by those that heard Him and by God Himself visibly demonstrating the truth of the message. Bottom line: If they let these things slip, they really have no excuse. v3: Jesus was talking to His little flock. He is not talking about a salvation from sin. He is talking about a salvation of what's going to be happening out there in the day of Wrath. Saying if we don't pay attention to the law and every transgression received a just recompense reward, how shall we escape if we neglect so great salvation that is provided for us? They won't. He is talking to the believing remnant. That's not a salvation of their soul. That's a salvation in the deliverance in connection with the second mandate of the Davidic covenant. v3: HOW SHALL WE ESCAPE, IF WE NEGLECT SO GREAT SALVATION: Is not a reference to the gospel of the kingdom for the lost, but a gospel of deliverance for the believing remnant in the time of their fulness. This is being said by the believing remnant.
Hebrews 2	GH: SIIP Verse	v3: ESCAPE: Not hell, all of those terrible things that are about to happen in the tribulation. v3: NEGLECT SO GREAT SALVATION: How do you neglect your salvation? How would you do that? By not behaving as though you were saved, you would be neglecting your salvation. Mistakenly implies that works are important to keeping it. But that's not really what's being talked about there, but that's what it looks like. He's not talking about a salvation from sin; he's talking about a salvation from what is going to be happening out there in the Day of Wrath. v3: SO GREAT SALVATION: Not just talking about being saved from the debt & penalty of sin or being JUEL. Is a salvation package that includes number of things: v3: GREAT SALVATION: Is not talking about being justified unto eternal life (JUEL) or a reference to the gospel of the kingdom to the lost, which saved them from the debt & penalty of sin. The "we" in the passage are already members of the believing remnant. This is a gospel of deliverance for the believing remnant in the time of their fulness. Is about a SALVATION which not only delivers them during the tribulation, it allows them to have entrance into the kingdom. See v5. That "great salvation" was the entire salvation package which began with soul salvation (by faith), included being counted "worthy" to escape the events of Daniel's 70th Week (by works), and concluded with reward in the kingdom (to stand before the Son of man).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2	GH: SIIP Verse	v3: SALVATION: GH: From the Deliverer and Avenger mandates - both have types of salvations. Trying to escape the calamities of the tribulation. v3: SPOKEN BY THE LORD: See WATCH YE THEREFORE, AND PRAY ALWAYS, THAT YE MAY BE ACCOUNTED WORTHY TO ESCALE ALL THESE THINGS THAT SHALL COME TO PASS, AND TO STAND BEFORE THE SON OF MAN-Luke 21:36. The AND shows the two issues sitting there around the Deliverer and Avenger mandates. v3: WAS CONFIRMED: Those that heard Him were talking about things once the Lord had ascended back to the Father. But they did more than talk about it, they wrote Books - Hebrews-Revelation. v3: CONFIRMED UNTO US BY THEM THAT HEARD HIM: Acts during the extension of mercy. v4: GOD ALSO BEARING THEM WITNESS, BOTH WITH SIGNS AND WONDERS, AND WITH DIVERS MIRACLES, AND GIFTS OF THE HOLY GHOST: v4: GIFTS OF THE HOLY GHOST: v5: THE WORLD TO COME: The kingdom.
Hebrews 2	GH: GPPI/EoM verse	v3: SO GREAT SALVATION: Jesus began to preach the “great salvation” that would deliver Israel in the day of wrath. The ministry of the 12 was to “confirm” that message to Israel under the direction of the Holy Ghost. This began on the day of Pentecost (God bearing them witness…with…of the Holy Ghost) and continued on to Acts 8. The “signs and wonders,” and the “miracles and gifts of the Holy Ghost” were for the purpose of confirming: the truth of the Messiah’s message, the fact of the Messiah’s resurrection and the reality that Israel had entered her “last days.” MM says this is talking about that which will be provided to the believing remnant in the day of wrath. They're going to be protected during that time. That's the great salvation that he's talking about here. v3: AT THE FIRST BEGAN TO BE SPOKEN BY THE LORD...CONFIRMED UNTO US BY THEM THAT HEARD HIM: The 12 are confirming to Israel the ministry that was began to them by the Lord. Confirming: 1. the truth of the message that was begun by the Lord. That He was the Messiah. 2. the truth of His resurrection. 3. the reality that Israel has entered her last days. (Peter quoting Joel 2 in Acts 2)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2	GH: GPPI/EoM verse	v4: Tells us the events of Pentecost were all about – confirming the message of the Messiah to Israel! MM says the whole purpose of the signs and wonders and miracles and the gifts of the Holy Ghost was to confirm the truthfulness of the message that they're giving. That's what it was for. Not just saying it, there's a demonstration that those things that they're speaking to the nation of Israel are indeed true. v4: GOD ALSO BEARING THEM WITNESS: v4: GIFTS OF THE HOLY GHOST: Comes at the day of Pentecost in Acts 2. v10: In order for the "many sons" who comprise the "Lord's generation" to be brought "unto glory" (the kingdom!), it was necessary for the "captain of their salvation to suffer." MM says in order to bring MANY SONS into GLORY, He was going to have to suffer. Because if He did not function as their Redeemer, they could never redeem themselves. So it was going through His sufferings that anything would ever be accomplished. v10: MANY SONS: The Lord's generation or the believing remnant. v10: UNTO GLORY: The kingdom!
Hebrews 2	GH: GPPI/EoM verse	v10: THE CAPTAIN OF THEIR SALVATION: v10: PERFECT THROUGH SUFFERINGS: v11: TO CALL THEM BRETHREN: v12: I WILL DECLARE THY NAME UNTO MY BRETHREN: Quoted in I WILL DECLARE THY NAME UNTO MY BRETHREN-Psalm 22:22. v12: CHURCH: Is a called out assembly. This is the "called out seed of Israel" not the body of Christ. There is a "church in Israel" which was prophesied about. Called out of that wicked generation, that apostate nation. MM tying to come out from among them and be ye separate. (GH: See in 2 Corinthians 6:17 but can't locate O.T. reference). v13: Quotes I AND THE CHILDREN WHOM THE LORD HATH GIVEN ME-Isaiah 8:18. v13: THE CHILDREN WHOM THE LORD HATH GIVEN ME: This is His/the Lord's generation.
Hebrews 2	GH: IPF verse	The remnant will be reminded that they need to be faithful to a couple of things: * The gospel of the kingdom - need to have a faithfulness to this gospel * The doctrines that go along with this gospel (not the terminology used) * The things they need to observe so they can escape the dangers of the day of wrath. Not escaping the judgments, escaping or being protected from them. Think Daniel and the fiery furnace. They need to HOLD FAST to some things so that they can be ACCONTED WORTHY to escape the things that are coming. v1: THEREFORE: A transitional word connecting and presenting a flow of information building upon the previous chapter. That is, with all of chapter 1 in mind, here is what you need to know next. v1: MORE EARNEST HEED: Pay attention very carefully. v1: THE THINGS THAT WE HAVE HEARD: Starts out by telling them, the things you have heard, have to find out what are these things. They were the things they heard back before the interruption of the program going all the way back to the OT prophets.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2	GH: IPF verse	v2: EVERY TRANSGRESSION AND DISOBEDIENCE RECEIVED A JUST RECOMPENCE OF REWARD: This is the way it happened for them back under the law and will be the way it happens for them when their program resumes. Under the law contract, every transgression and disobedience received a just recompense. That is, when a man transgressed, consequences showed up. That is the way Christians think things operate in this age, but they do not. v2: JUST RECOMPENCE OF REWARD: The gospel of the kingdom and its accompanying doctrines carry this "just recompense" aspect. They (the believing remnant) have to be faithful to that which they have heard. The remnant is told that their faithfulness in the day of wrath will be rewarded with escape from the judgments of that day. v3: SO GREAT SALVATION: v3: GREAT SALVATION...FIRST BEGAN TO BE SPOKEN BY THE LORD: Another clue this is not about the DOGG. It was spoken back in Israel's program. Jesus was the Minister to the Circumcision in His earthly ministry, so this great salvation would be in conjunction with the Gospel of the Kingdom. v3: WAS CONFIRMED UNTO US BY THEM THAT HEARD HIM: His apostles heard and confirmed Him.
Hebrews 2	GH: IPF verse	v4: God bore them Witness with the signs, wonders, and gifts of the Holy Ghost, which would be a reference to the Extension of Mercy. Apostles did all of this in Acts 1 - 7. The same message was declared in Hebrews. v4: GOD ALSO BEARING THEM WITNESS: v4: GIFTS OF THE HOLY GHOST: v5-14: Reinforcing the point made up to here. Shows them: * they are the church of the last days * the provision is there to purge their sins * there's also has been made a provision for them to be able or to be worthy to escape the things that are coming upon the world. v5: This has to do with the world to come. Has the kingdom in view.
Hebrews 2	GH: IPF verse	v5: SUBJECTION THE WORLD TO COME, WHEREOF WE SPEAK: Is when the Kingdom of Heaven will be set up on Earth. Again, this has to do with Israel's program. v5: THE WORLD TO COME: The Millennium, the kingdom. This is what is being held out in front of them. Not for the body of Christ. We are looking for THAT BLESSED HOPE-Titus 2:13. v5: WHEREOF WE SPEAK: Saying this is what we are talking about (the kingdom). v6: Quote from Psalm 8. v7: MADEST HIM A LITTLE LOWER THAN THE ANGELS: When the Lord took on flesh and became a man and suffered. v7: THOU CROWNEST HIM WITH GLORY AND HONOR: Because He is heir of all things, He is going to get it all. v7: SET HIM OVER THE WORKS OF THY HANDS: Because He is heir of all things, He is going to get it all. v8: ALL THINGS IN SUBJECTION UNDER HIS FEET: Ties to UNDER HIS FEET-Psalm 8:6. v9: JESUS, WHO WAS MADE A LITTLE LOWER THAN THE ANGELS: Comes out of THOU HAST MAKE HIM A LITTLE LOWER THAN THE ANGELS-Psalm 8:5. When He became a man, He was "lower than the angels."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2	GH: IPF verse	v13: THE CHILDREN THAT GOD HATH GIVEN ME: Not only the subject of prophecy but is fulfilled in the earthly ministry of the Lord Jesus as He 'came to His own'. v13: THE CHILDREN WHICH GOD HATH GIVEN ME: Quotes THE CHILDREN WHOM THE LORD HATH GIVEN ME ARE-Isaiah 8:18, a Disciples prophecy. v18: There is a provision that He is able to make for them that has complete understanding of that it is that they are going through and that provision has two components to it. It is part of the escape. v18: HE HIMSELF HATH SUFFERED BEING TEMPTED: Reinforced in IN ALL POINTS TEMPTED LIKE AS WE ARE, YET WITHOUT SIN-Hebrews 4:15.
Hebrews 2:8		8 Thou hast put all things in subjection under his feet. For in that he put all in subjection under him, he left nothing that is not put under him. But now we see not yet all things put under him. GH: Focus is the earth. Heavenly Places passage is Revelation 11:15. THOU HAST PUT ALL THINGS IN SUBJECTION UNDER HIS FEET: Talking about Christ. BUT NOW WE SEE NOT YET ALL THINGS PUT UNDER HIM: This hasn't happened yet but will one day. All the things in the heavenly places are put under Jesus right now. He has already received a Name that is above all names. He is seatch at the right Hand of the Father. And when they're out here and he gets ready to take that book (Revelation 5), they are going to say He is worthy of all these things. But it is not put under Him now in the DOGG, but He is going to be given that book. This will happen one day - all things in heaven and all things in earth will be put under Him. NOT YET ALL THINGS PUT UNDER HIM: GH: Happens after Satan and his angels are kicked out of the heavenly places the first 3.5 of Daniel's 70th week - at the mid-point of Daniel's 70th week. What the day of Christ is - establishing His reign and His authority in the heavenly places. BUT NOW: Back at the resumption of the program for Israel. ALL THINGS: In heaven and earth.
Hebrews 2:9	IP / Suffering = SUFFERING OF DEATH	9 But we see Jesus, who was made a little lower than the angels for the suffering of death, crowned with glory and honour; that he by the grace of God should taste death for every man. MADE A LITTLE LOWER THAN THE ANGELS: Angels don't die so He had to be made lower than the angels for the suffering of death. He's made human and now has the ability to die. FOR THE SUFFERING OF DEATH: Was CROWNED WITH GLORY AND HONOR for this.

Hebrews 2:10	IP / Suffering = MAKE … PERFECT THROUGH SUFFERINGS	10 For it became him, for whom are all things, and by whom are all things, in bringing many sons unto glory, to make the captain of their salvation perfect through sufferings. Written to the remnant out in the day of Wrath. TO MAKE THE CAPTAIN OF THEIR SALVATION PERFECT THROUGH SUFFERINGS: Jesus is the Captain of the remnant's salvation. He was made perfect through sufferings! When we talk about Him being made "perfect," we are not talking about sinless perfection, for He was already without sin (2 Corinthians 5:21). Jesus had a Sonship life in which through sufferings He was made PERFECT. Jesus was made perfect through the things He suffered. It was through suffering that Jesus, as the Captain of their savlation, was made perfect. What does it mean 'made perfect'? Doesn't mean made sinless, not that kind of perfect. Bible tells us He is already without sin (2 Corinthians 5:21). Not talking about sinless perfection. He already had attained that. Jesus was made perfect through the things He suffered. Jesus was perfected through sufferings. THEIR: The remnant IN BRINGING MANY SONS UNTO GLORY: MM showing that the little flock in the day of Wrath gets the New Covenant early. The little flock will be treated as sons out in the day of Wrath because God is putting on display to the apostate nation the glory of what's waiting for them in the kingdom if they will turn to Christ and in the end they will have this great privilege. Means they will have to get their Sonship education quickly and there's things actually done for them to accelerate that process.
Hebrews 2:10	IP / Suffering = MAKE … PERFECT THROUGH SUFFERINGS	Jesus Suffering - He was perfected by the things He suffered as His Father's Son - suffered in every way a man can suffer: - Suffered physical pain on the Cross - nails in His Hands - Suffered at the hands of evil men (the scourging) - Suffered emotional pain (the shame and humiliation) - Suffered temptation/hunger in the 40 days in the wilderness fast - Suffered disappointment - those closest to Him denied Him (Peter) - Falsely accuse Him/Suffered libelous accusations - casting out devils by the power of Beelzebub - attributed His good works to the devil.
Hebrews 2:10	IP / Suffering = MAKE … PERFECT THROUGH SUFFERINGS	- Suffered setbacks (The Kingdom got postponed) - Suffered rejection (He came to His own received Him not) - Suffered lowering Himself (made lower than the angels) - Suffered lack (Didn't own a home - Matthew 8:20) - Doubted by some of His closest followers (Thomas) - Suffered death at the hands of His enemies - Now, suffering some other things in the DOGG. As we SUFFER WITH HIM, we are being perfected. Paul comes along with the parallel to Hebrews 2:10. Just as Jesus was made perfect by the things He suffered, you are going to be made perfect by suffering with Him. What is Jesus suffering in the DOGG? Not suffering on the Cross or the pain of crucifixion anymore. That is done with.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 2:14		14 Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; THROUGH DEATH HE MIGHT DESTROY HIM THAT HAD THE POWER OF DEATH, THAT IS, THE DEVIL: God didn't spare His own Son (Romans 8:32) from someone who has the power to inflict evil. Satan had the POWER OF DEATH and he used that when Jesus was on the Cross. After the Cross, Satan doesn't have that power any more. Jesus comes up from the grave with 2 sets of keys for death and hell-Revelation 1:18. Now, He has control. There was someone who was willing to inflict certain evils upon the Son of God and God did not "spare" His Son; He did not put His hand between His Son the things the Adversary had the power to inflict. That power included death, for Satan (before the Cross) had the power of death. HIM THAT HAD THE POWER OF DEATH: Apparently there was a creature whose governmental name is DEATH. GH: MM tying to the creature DEATH-Romans 8:38.
Hebrews 2:17		17 Wherefore in all things it behoved him to be made like unto his brethren, that he might be a merciful and faithful high priest in things pertaining to God, to make reconciliation for the sins of the people. HIGH PRIEST: Remember Hebrews is for the resumption of Israel's program. Jesus does not function as YOUR high priest.
Hebrews 2:18	Sonship Education Level 3 = Wise Counsels	18 For in that he himself hath suffered being tempted, he is able to succour them that are tempted. HE HIMSELF HATH SUFFERED BEING TEMPTED, HE IS ABLE TO SUCCOUR THEM THAT ARE TEMPTED: One of the benefits that comes from suffering is that when you go through that you are now in a position to turn around and help someone else who's going through the same type of suffering. You can call it empathy. You know something about that. Makes perfect sense in Sonship, because it just isn't about learning a bunch of knowledge but you have some practical experience that gives you wisdom. Part of being a wise counsel to others. Who do you want helping you to go through something other than someone who has gone through it themselves. You can't say 'you have no idea what I am going through' if you are sitting across the table from someone who has. You can benefit from that. One of the by-products of your suffering is helping someone else going through suffering. The suffering that you go through successfully, is going to be the key to turning about and helping someone else who is going through that same kind of suffering. One of the benefits of suffering temptation is to gain the ability to help others who will also be tempted. Wouldn't that fall under the banner of "wise counsels?" And isn't a son supposed to be involved in wise counsel? HE HIMSELF HATH SUFFERED BEING TEMPTED: Jesus was not tempted to sin, He was being tried / tested. MM says that your faith is going to be tested/tried too. And if He SUFFERED (allowed) that to happen, we are going to SUFFER (allow) that to happen. Jesus was tried (tempted) in the wilderness. He was tempted "in every point" like as we are. He was tried and tested and He "suffered" it to be so. Your faith (your Sonship) is going to be tried and tested and you also have to "suffer" it to be so. God did not intervene between the Adversary and His Son and God is not going to intervene between the Adversary and us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3 - 10	GH: IPF verse	Only by holding fast to these professions are they going to be counted worthy to escape the judgments in the day of wrath. Not talking about us, GOD HATH NOT APPOINTED US TO WRATH-1 Thessalonians 5:9. We are gone before that time comes. They will be protected in the day of wrath, like Shadrach, Meshach, and Abednego in the fiery furnace (Daniel 3). He didn't deliver furnace but He did deliver them from the fire. The judgments won't have the affect on them that they have on everyone else. They are going to be miraculously protected in the day of wrath.
Hebrews 3 - 4	GH: SIIP Verse	Must first appreciate the issue of reward and honor in the kingdom. We must first understand that the BR, in the last days, are being offered the privilege of being made part of the Lord's royal house. This is not only the subject of the Old Testament (OT) prophets, but also of the Lord during His earthly ministry and it is constantly spoken of throughout the book of Hebrews.
Hebrews 3	GH: SIIP Verse	v1: Says the believing remnant is to have a two-fold profession in connection with being counted worthy to "stand before the Son of man" which involves entrance to the kingdom and being made part of His "royal house." These professions are in connection with their sanctification, not their justification. These professions are in connection with their reward. Because this is written to the believing remnant, they have already professed Jesus of Nazareth, by faith, as the prophesied Messiah. That is what made them part of the believing remnant. v1: HOLY BRETHREN: Written to the believing remnant. Means they are saved/JUEL. v1: PARTAKERS OF THE HEAVENLY CALLING: Written to the believing remnant. v1: CONSIDER THE APOSTLE AND HIGH PRIEST OF OUR PROFESSION: There are two professions the believing remnant will need to "hold fast" to: 1) Christ as their Apostle, and 2) Christ as their High Priest. Hold fast to their profession of the Christ, with respect to Him being a better High Priest, after the order of Melchizedek.
Hebrews 3	GH: SIIP Verse	v6: Verse encapsulates chapters 3-4. You can start going through this tribulation, but if you get to the point and suddenly now, you have to take the mark, you will have lost everything that you had up to that point. So there's something at stake for them, but they don't lose their salvation. They have lost reward because the ability to be part of the Lord's generation. If you are part of the believing remnant, you have the opportunity to be part of the Lord's Generation, opposed to the generation of vipers. The believing remnant were part of the generation of vipers before they trusted Jesus Christ as the prophesied Christ of Israel and believed in the gospel of the kingdom and were JUEL. Now, they have the ability now to be part of the Lord's Generation, and part of the Lord's Royal House. The Lord's Royal House means they will have the ability to reign with Him in the kingdom. v6: WHOSE HOUSE ARE WE, IF WE HOLD FAST: v6: HOLD FAST: If they do HOLD FAST then they will have the reward of entering the kingdom, and becoming part of the Lord's "royal house" which means they will rule with Him. HOLDing FAST to two things - takes you back to v1:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3	GH: SIIP Verse	1. Professing Christ as their apostle. See chapters 3-4. - Jesus and Paul can still be Apostles through the doctrine they taught/wrote. They will need to have to go back and get the gospels in their understanding. 2. Professing Christ being a better High Priest. See chapters 5-10. - He didn't do this before He died on the Cross. He did this after His shed Blood on the Cross, after all of that was done. They will need to go to Hebrews 5-10 as well as the rest of the Hebrew epistles for this. You could break that profession by going back into that rebuilt Temple and participating in those animal sacrifices because that is the old priesthood. v6: UNTO THE END:
Hebrews 3	GH: IPF verse	Speaks of the opportunity to become part of the Lord's Royal House; referring to those who would rule with Him in His kingdom. v1: WHEREFORE: In view of that. A transitional word connecting and presenting a flow of information building upon the previous chapter. Has in view their understanding of their program being resumed (the subject of the first two chapters). v1: HOLY BRETHREN: Talking to people who are already part of the believing remnant. v1: CONSIDER THE APOSTLE AND HIGH PRIEST: Both elements of their profession are given here, a break-down of the next two sections. Two things they need to hold fast to so they can gain he benefit when the kingdom is established. This is different from us. Told to consider two particular things that spell out the second and third sections of Hebrews: 1. The Apostleship of the Lord Jesus (covered in Hebrews 3 - 4) 2. The High Priesthood of the Lord Jesus (covered in Hebrews 5 - 10) He is saying hold on to these professions and don't deviate from them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3	GH: IPF verse	v1: APOSTLE: The Lord did function as Apostle during His earthly ministry. Jesus functioned as an apostle because He was sent by the Father and as such, He was an authorized Apostle to the nation of Israel. His message, however, carried more than just the Gospel of the Kingdom. It also included, among other things, a great emphasis on the gaining or loss of reward for those who believed the Gospel of the Kingdom. As Apostle, Christ taught them that as Israel entered her last days, the Royal House was being assembled. He also taught them that their participation in that House was contingent upon their faithfulness to what He taught them. Apostle refers to one being sent, is given authority, as a messenger with authority and sent by one who is in authority, accomplishing certain things on the behalf of one that sent him. The Father is the One in authority and He is sending Jesus, giving Jesus authority. So in this sense, Jesus is functioning as an APOSTLE. During His earthly ministry, He is functioning as an apostle sent by the Father to the nation. Should be paying attention to the things He said during His earthly ministry. See Matthew 5 - 6 and Luke 4:14-21 as examples. v1: OF OUR PROFESSION: v2: See that as Christ functioned as the faithful Apostle that He was, something was taking place that was the counterpart of what took place under Moses when he was sent to deliver the people from Egypt and bring them into the land. A comparison is made. The Lord is faithful to Him that sent Him just as Moses was faithful when he was sent back to deliver the people out of the land of Egypt. Even though he did faithfully did what he was supposed to do, the people rebelled against that (the 10 of the 12 spies). God in His Wrath, said they would not enter into My Rest (the kingdom). And if the believing remnant is not careful the way they conduct themselves, the same thing will happen to them. The next time they were faced with this issue was from their own Messiah, when He would come from the Father and He would offer that to them. What was happening with 'the kingdom is at hand' preaching. Historical sequence:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3	GH: IPF verse	1. Initial offer rejected (10 of 12 spies) 2. God has David write about it. (Psalm 95:7-11) 3. Follow-up offer from Jesus, the 12, and John the Baptist rejected. 4. In Hebrews, when the time comes again, don't harden your hearts as your fathers did in the wilderness. Make sure you get it right this time. You once again have this opportunity, don't blow it this time. The opportunity your fathers had back there, just a Moses was faithful, the Lord came and He was faithful and He is presenting something now that they need to pay attention to. He began to preach the same thing that was put on hold back in Moses' day. v2: WHO WAS FAITHFUL TO HIM THAT APPOINTED HIM: Christ was faithful to the Father just like Moses was faithful. Christ, like Moses, obediently did that which He was sent to do. It was more that Christ did than just preach the Gospel of the Kingdom. He, as an apostle, was sent with authority, by one in authority, to accomplish a whole package of things. v2: MOSES WAS FAITHFUL IN ALL HIS HOUSE: The Lord's House was being established. Ties to WHO IS FAITHFUL IN ALL MINE HOUSE-Numbers 12:7. v2: MOSES WAS FAITHFUL: Moses was faithful, but the nation rebelled. Because of that, God swore in His Wrath that they would not enter into His rest, that is, the Kingdom would not be established. He limited a day when that Gospel of the Kingdom would be preached again. When the Messiah came that the Gospel of the Kingdom would once again be preached to Israel. The Messiah would be sent from the Father and would function in a similar manner that Moses did back before. He would teach some doctrine that would begin to establish the Royal House for the Kingdom. They are singing coming out of Egypt, they're separating out their armies, they're putting these positions of government together, the house is being established, and Moses is faithfully doing all of this. The only thing they lack is going into the land. But they hesitate because of what they see in the land. When Moses made all of these preparations and they balked at going into the land, God limited that rest for a certain day.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3	GH: IPF verse	v5-6: The remnant is being told these things to show them that they are living at that time when the royal house is being formed again in view of the closeness of the Kingdom. The remnant is told that if they will be faithful, as Moses was faithful, they will be made part of the Royal House. if you will be faithful, and not do like your fathers did, then you will be made part of his Royal House when the Kingdom is established. v5: Tells the remnant that Moses was a testimony of the things which were to be spoken after; that is by Jesus Christ. Explains why Christ threw Moses into the face of those who refused His words. v5: FOR A TESTIMONY OF THOSE THINGS WHICH WERE TO BE SPOKEN AFTER: In John 5:46-47, John 6:32, John 7:19-22. v5: THOSE THINGS WHICH WERE TO BE SPOKEN AFTER: v6: The time of “the end” is involved. Therefore, enduring to “the end” is part of their salvation. v6: HIS OWN HOUSE: Establishing the Royal House that was attempted but failed in Numbers. They can be that house when the kingdom is established. A spiritual analogy to this in the DOGG is the body of Christ. v6: WHOSE HOUSE ARE WE: Speaks of the opportunity to become part of the Lord’s royal house; referring to those who would rule with Him in His kingdom. Talking about them taking part in that ruling government. v6: IF WE HOLD FAST: For the body of Christ, there are not ifs or buts concerning our position in Christ. v7-8: The fulfillment of 'To day if ye will hear his voice'-Psalm 95:7.
Hebrews 3	GH: IPF verse	v7: TO DAY, IF YOU WILL HEAR HIS VOICE: Quotes TO DAY, IF YOU WILL HEAR HIS VOICE-Psalm 95:7. v7: TO DAY: A reference to a specific period of time back in the wilderness when they balked at going into the land, God put all that on hold. The provocation in the wilderness. TO DAY will be a time when they will be given another opportunity to enter into His Rest. But if you harden your heart, you will fall short of it. v8: HARDEN NOT YOUR HEARTS, AS IN THE PROVOCATION: Quotes HARDEN NOT YOUR HEARTS, AS IN THE PROVOCATION-Psalm 95:8. David is saying when TO DAY comes again, harden not your hearts like you did back in Numbers. v9: YOUR FATHERS: Israel. v10-14: The whole issue is entering into His Rest (Kingdom). They rejected it back then. Don't reject it now. This is what is before you and the decisions that you made are going to determine whether or not you will be able to enter into that Rest. v10: GRIEVED WITH THAT GENERATION: That generation the rejected going into the land in Numbers. v11: SO I SWARE IN MY WRATH, THEY SHALL NOT ENTER INTO MY REST:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 3	GH: IPF verse	v11: THEY SHALL NOT ENTER INTO MY REST: God taking the kingdom from them when they balked at entering the land in Numbers. The only way they will enter into His Rest is not make the mistake that their fathers made. There's not going to be a kingdom for them. v12: Be careful. Don't repeat the same mistake as your fathers. v13: WHILE IT IS CALLED TO DAY: v13: TO DAY: Still hitting on 'TO DAY'-Psalm 95:7. Saying it's 'to day'. The things of Psalm 95 are being fulfilled now that the Israel program has restarted. v14: Because if they turn back, they won't be part of the Royal House. They will receive something much less. v15: AS IN THE PROVOCATION: Still in Psalm 95 - AS IN THE PROVOCATION-Psalm 95:8.
Hebrews 3:8-11		8 Harden not your hearts, as in the provocation, in the day of temptation in the wilderness: 9 When your fathers tempted me, proved me, and saw my works forty years. 10 Wherefore I was grieved with that generation, and said, They do alway err in their heart; and they have not known my ways. 11 So I sware in my wrath, They shall not enter into my rest.) Bringing up the first time they balked at going into the land and suffered a blindness (Deuteronomy 29) to say to them don't do what happened back there. v11: MY REST: A description of the kingdom.
Hebrews 3:10		10 Wherefore I was grieved with that generation, and said, They do alway err in their heart; and they have not known my ways. ALWAY: Doesn't mean ALWAYS. Means all the way, to the end, to the greatest extent. ERRed IN THEIR HEART all the way.
Hebrews 3:11		11 So I sware in my wrath, They shall not enter into my rest.) REST: The Kingdom
Hebrews 3:19		19 So we see that they could not enter in because of unbelief. THEY COULD NOT ENTER IN BECAUSE OF UNBELIEF
Hebrews 4	GH: GPPI/EoM verse	v15: IN ALL POINTS TEMPTED LIKE A WE ARE, YET WITHOUT SIN: MM tying to TRIED STONE-Isaiah 28:16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 4	GH: IPF verse	v1-2: They are to be faithful or they won't enter into his rest. The issue is more than just believing the Gospel of the Kingdom, it is being wise and faithful, holding fast to their profession of Christ as their Apostle and High Priest. v1: Be careful. Just because you have the promise of the gospel of the kingdom doesn't automatically qualify you for it. v1: LET US THEREFORE: A transitional word connecting and presenting a flow of information building upon the previous chapter. In view of all of that, LET US... v1: COME SHORT OF IT: They can "fall short" of entering into the kingdom. v2: UNTO US WAS THE GOSPEL PREACHED, AS WELL AS UNTO THEM: What they were getting back in Moses' day, they are getting now that the Israel program has restarted. v6-7: Shows it is possible to be in the land and not enter into His Rest. Warning that if you are going enter into this Rest, don't do as your fathers did in the wilderness. You need to be paying attention, you need to be faithful, and you'll be made part of the Royal House.
Hebrews 4	GH: IPF verse	v6: If they are going to be "Christ's House" then they are going to have to hold fast to some things. To be part of that House means that one has been chose to rule with Christ in His Kingdom. This is the Royal House that will be established in the Kingdom with privilege and honor being bestowed upon those faithful servants. Just being a member of the remnant does not guarantee any of these rewards. Being a member of the remnant may mean that you are not sent away into the Lake of Fire, but it does not automatically qualify anyone for ruling with Christ. There is a great reward for those who hold fast to their profession and separate themselves from Israel's vain religious system. They will be made part of His Royal House and will rule with Him in the Kingdom. But if they are evil and they join themselves to the "scoffers," then they will not be part of the Kingdom. As their Apostle, Christ was sent to accomplish some things. Their faithfulness to what He was sent to accomplish is the criteria for whether or not they become part of His Royal House. v6: FIRST PREACHED: In the Song of Moses-Exodus 15:2-18. v6: ENTERED NOT IN BECAUSE OF UNBELIEF: When they didn't agree to go into the land based on the report of the 10 spies. v6: ENTERED NOT: They didn't enter into the Rest (the kingdom).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 4	GH: IPF verse	v7: HE LIMITED A CERTAIN DAY: *When the spies convinced the nation not to enter into the land, God said they would not enter into His rest and the makeup of the Royal House got postponed, but He “limited a certain day” when that opportunity would resurface. It is possible to be in the land, but not have the rest. v7: SAYING IN DAVID: In Psalm 95:7-8. v14: LET US HOLD FAST OUR PROFESSION: Admonition at the end of the second section that pertains to the third section. Ties back to the beginning of the second section - 'consider the Apostle and High Priest of our profession, Christ Jesus'-Hebrews 3:1. v15: IN ALL POINTS TEMPTED LIKE AS WE ARE, YET WITHOUT SIN: Reinforcing HE HIMSELF HATH SUFFERED BEING TEMPTED-Hebrews 2:18. v16: FIND GRACE TO HELP IN TIME OF NEED: The apostate nation will be in the majority, which will make it more difficult to separate themselves from that vain religious system. They will need to claim this grace to help them in their time of need. When the pressure is on them to come back and conform to the animal sacrifices in the temple that the antichrist himself is going to provide for, there's going to be a big push to get back in on that. So the admonition is to 'hold fast'-Hebrews 10:23 to your 'profession'-v14. One of the things that makes them 'dull of hearing'-Hebrews 5:11 and keeps them from 'go on unto perfection'-Hebrews 6:1 is the constant pull of the old ways on them.
Hebrews 4:1		1 Let us therefore fear, lest, a promise being left us of entering into his rest, any of you should seem to come short of it. Hebrews 4 is teaching the remnant about the second Sabbath after the first. REST: The Kingdom
Hebrews 4:8		8 For if Jesus had given them rest, then would he not afterward have spoken of another day. Hebrews 4 is teaching the remnant about the second Sabbath after the first. REST: The Kingdom
Hebrews 4:12		12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. THE WORD OF GOD IS...POWERFUL: Verse is talking about the work this word can do IN your inner man. JOINTS AND MARROW: That's your physical body. Can divide the SOUL AND SPIRIT from the body and while the body is falling apart the SOUL AND SPIRIT is going it's OK. I understand how the BONDAGE OF CORRUPTION works. I understand what the POE is doing. THOUGHTS: Only way you are going to get the right THOUGHTS is out of that doctrine. This Book, unlike any other book, has the ability to effectually produce something IN you. It's God's word written. So powerful that the second Person of the Godhead has taken on the title of the Word of God. He is the expressive member of the Godhead and He calls Himself the word. What is written in the Sonship curriculum, in the word of God, is actually going to be able to discern the thoughts and intents of our heart. MM says this is an incredible operation of the Bible, actually getting down inside and revealing things that you may or may not be totally aware of - getting down inside and revealing things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 4:15		15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Remnant will encounter many tough Sonship decisions in the Day of Wrath. Their life will be on the line. Everything they can do as a son can put them in possible danger. The writer of Hebrews said to the believing remnant. Four opportunities that sin was trying to take advantage of to get its way in the physical body of Jesus: 2. DURING HIS MINISTRY: If can't get Him to have a body of sin, the next best thing is getting Him to have sin in His members. Going to put a temptation in front of Him, and if He will just give in to the tempttaion, He may not have a body of sin but He will have sin in His members. - SOLUTION: Hebrews 4:15: The believing remnant needs to be reminded of this. 'At all points tempted, like as we are, yet without sin'. Even though Jesus was tempted at every point like we are, He said no to sin every single time. If He had succombed to temptation, He would be in the same position we are in. 'Yeah, well, I was born with a body of sin'. MM says that got fixed the day you got saved. There goes your excuses. 'Yeah, well, I have sin in my members'. MM says even if you were not born with a body of sin you'd still give into temptation.
Hebrews 4:15	GH: IP : Suffering = ALL POINTS TEMPTED	15 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. We cannot redeem the sins of the world because one of the qualifications of a Redeemer is He does not find Himself in the same predicament as those being redeemed. If He had sin in His members, He could not function as our substitute Redeemer. Don't get off track mentally but Jesus is actually living the sanctified life. ALL POINTS TEMPTED YET WITHOUT SIN: Jesus when He put on human flesh was tempted just like we were. But He understood what sin really was (GH: Theodicy) so He always did His Father's Will even when His flesh didn't want to. IN ALL POINTS TEMPTED: Not talking about specific sins. **Jesus suffered all three of the sources from which every temptation can come (recorded in Matthew 4 and Luke 4 - get all of those):** **1. Lust of the flesh** **2. Lust of the eyes** **3. Pride of life** WAS IN ALL POINTS TEMPTED LIKE AS WE ARE: MM think without sin because He chose not to out of His own Free Will. YET WITHOUT SIN: If He could be tempted, He could have chosen to do it. He did not, and the YET is important GH: to show He didn't go there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5		Hebrews 5: Talk about MILK and STRONG MEAT (the advanced doctrine they they need of Judgment). MM says remember when starting Romans 13:8-14 (Judgment for the body of Christ) he warned of entering a new level in your education. Starts the education. You know that they have already been taught some things. Where they will learn to think discerningly about the things they see that is not necessarily spelled out. Hebrews 5: Begins their initial instruction in the education. Tells them they are going to have to go back and get things refreshed in you because you have let them slip. They have become UNSKILLFUL by not doing it. They weren't doing it. This is the issue that James is going to bring up (GH: James 1:5?), you have to put this into practice.
Hebrews 5	GH: SIIP Verse	v11: AND HARD TO BE UTTERED, SEEING YE ARE DULL OF HEARING: The BR will have gotten lax and spiritually lazy, and Hebrews actually chides them over it. GH: MM tying to THE CARE OF THIS WORLD-Matthew 13:22. v11: DULL OF HEARING: Means somebody says it to you and it has no impact. v12: FOR WHEN FOR THE TIME YE OUGHT TO BE TEACHERS, YE HAVE NEED THAT ONE TEACH YOU AGAIN WHICH BE THE FIRST PRINCIPLES OF THE ORACLES GOD; AND ARE BECOME SUCH AS HAVE NEED OF MILK, AND NOT OF STRONG MEAT: The BR will have gotten lax and spiritually lazy, and Hebrews actually chides them over it. v12: FOR WHEN THE TIME YE OUGHT TO BE TEACHERS: Say MM is right and the 2nd EoM/repentance to Israel is 30-40 years long. If you have had 30-40 years at it, you ought to be good at it, you ought to know something.
Hebrews 5	GH: SIIP Verse	v12: THE FIRST PRINCIPLES OF THE ORACLES OF GOD: You guys should be teaching people at this stage but you need to go back and get the first things again. You have LET things SLIP-Hebrews 2:1. v12: HAVE NEED OF MILK: v13: UNSKILLFUL IN THE WORD: v13: A BABE:
Hebrews 5	GH: IPF verse	The author of Hebrews tells the members of the remnant that they need this education. Immature, they will lack ability to discern good and evil, an ability of paramount importance if they are to discern “the lie” of the Antichrist and identify truth from counterfeit. v1-10: Talking about the Melchizedekian Priesthood of Jesus Christ. v1: FOR: A transitional word connecting and presenting a flow of information building upon the previous chapter. v6: Refers to Christ as a priest AFTER THE ORDER OF Melchizedek. v10-11: See the digression on this topic (the Melchizedek theme) till Hebrews 6:20. v11-12: The position that they find themselves in and they are going to have to grow up. v11: Saying I have many things to say to you but they are hard for me to say because you won't hear them. I have a lot to tell you about this and it is not going to be easy for you to hear, because I know you're DULL OF HEARING.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5	GH: IPF verse	v11: HARD TO BE UTTERED: v11: DULL OF HEARING: There's a temptation coming their way that will cause this and Hebrews gives the solution for it. The provision to remove themselves from being in the state of DULL OF HEARING. One of the things that will make them “dull of hearing” and keeps them from “going on to perfection” is the constant pull of the old ways upon them. One of the reasons they are DULL OF HEARING is that something is happening to the nation nationally, and God's response to that. But when they feel that pull to go back and to engage in those animal sacrifices in the rebuilt temple in the tribulation, they are going to have to observe some doctrine to get rid of this DULL OF HEARING. They have to shake themselves awake. They are going to have to make a clean break from the rest of the nation. The fleeing into the mountains has a dual purpose. Not only are they going to withdraw themselves from all of those sacrifices that begin to take place, but GH: MM pivots to Hebrews 13:13. The key ingredient to shake off this DULL OF HEARING is to have a heart of faith (Hebrews 10:22) because the tangible things are going to be gone for them.
Hebrews 5	GH: IPF verse	v12-14: By the time you guys ought to be teachers, you had need for someone to teach you. This is because some of them saw the marker and are still preaching to the apostate nation. God has already said, here's the marker, times up. Separate yourselves. If you don't, He says you will be worthy to endure the same judgments that are falling on them. You're not going to escape those judgments. There will be no protection afforded them. Some will go back with the message and some will go back and actually participate in those dead works of animal sacrifices because of pressure, participate in those DEAD WORKS of animal sacrifices. They will see the marker but won't observe it because they are DULL OF HEARING, acting like babies with milk instead of mature with meat. These are people that are not doing what they're supposed to do. MM says if you have family members or relatives, children or parents or aunts and uncles or brothers and sisters or friends that have denied that Jesus is the Christ, there is something in you that would say I've got to convince them. The problem is that God is not doing that anymore. The separation has been made. Now is the time to GO ON UNTO PERFECTION-Hebrews 6:1, there's something more you need to understand here. You need to prepare yourself You are about to RESIST UNTO BLOOD-Hebrews 12:4. You haven't yet, but you will because the time will come when they will kill you. Will progress from I don't believe you to throwing them out of the synagogues to the time when they will kill you and they will think they DOETH GOD SERVICE-John 16:2. When they do that, that is the marker that the repentance is over. Recall the marker for the EoM being over was the stoning of Stephen in Acts 7. When their hostility to the message gets back to the point it was in Acts 7, then God's going to end that repentance to Israel. Don't go in there and preach anymore, separate yourselves out, don't participate in it anymore. Don't lay again THE FOUNDATION-Hebrews 6:1 because God is saying I AM not offering repentance anymore.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5	GH: IPF verse	v12: He is calling them babies. The remnant should be teaching but he has to come back and teach you the things you should already know so you can quit being babies. v12: TEACH YOU AGAIN: v12: THE FIRST PRINCIPLES: Once the “first principles” in the book of Hebrews have been learned, the edification process will be built upon by the books that follow. v12: ARE BECOME SUCH AS HAVE NEED OF MILK, AND NOT OF STRONG MEAT: v13: Why it is so important to mature and learn doctrine, even if it is not always exciting. If you are 'unskillful in the word' you are prey for the adversary. v13: HE IS A BABE: v14: This aspect of maturity will give them a maturing spirit to be able to DISCERN GOOD AND EVIL. v14: FULL AGE: v14: TO DISCERN BOTH GOOD AND EVIL: It is paramount that the believing remnant can do this because the false teachers are coming in the day of wrath, wolves in sheep's clothing, sent to deceive them. They will have to be able to discern the lie set forth by the antichrist and the ones carrying that lie.
Hebrews 5:5-14		Hebrews starts the Israel program education proper. When you get to these first 10 verses, teaching the believing remnant a FORM OF DOCTRINE-Romans 6:17 about the Melchizedekian priesthood and as it applies to Jesus Christ. MM says that's an important FORM OF DOCTRINE for them to understand in their program. Paul does not take you through this and it is very particular to them in their education.
Hebrews 5:7-8		**Please see 'Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary' in the Commentary.** Jesus is clearly praying for God to save Him from death, and it also says that He “was heard in that he feared.” In other words, God answered His prayer, and saved Jesus from dying in the Garden. God answered that prayer (Luke 22:42-42).
Hebrews 5:7		7 Who in the days of his flesh, when he had offered up prayers and supplications with strong crying and tears unto him that was able to save him from death, and was heard in that he feared; OFFERED UP PRAYERS AND SUPPLICATIONS WITH STRONG CRYING TEARS UNTO HIM THAT WAS ABLE TO SAVE HIM FROM DEATH, AND WAS HEARD: MM tying to Matthew 26:36-42. MM believes this happened in the garden of Gethsemane when Satan was trying to kill Him there before He even got to the Cross because if He dies in the garden the Cross doesn't happen. Death in the garden, not death on the Cross. STRONG CRYING: Is not weeping, but it means an outcry, a voice of wailing and lamentation, of one who is in deep distress or danger; the result of the agony of suffering. TEARS: Are not the crying in the sense that we normally think of it, but these are tears to be saved, not from the Cross, but to be “saved from death” in the Garden. Hebrews 5:8 YET LEARNED HE OBEDIENCE BY THE THINGS WHICH HE SUFFERED: Christ LEARNED OBEDIENCE doesn't mean He previously didn’t know what obedience was, or that He was at any prior time of eternal past He was disobedient.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5:8-9	GH: Sonship - Jesus - Suffering	8 Though he were a Son, yet learned he obedience by the things which he suffered; 9 And being made perfect, he became the author of eternal salvation unto all them that obey him; God is going to talk to them about a type of suffering. Talking about something that happened back in the gospels. We can look back in the gospels and see this. The Hebrew writer is putting it in a nutshell so it is easy to see it. Written to the remnant, reintroducing them to their program. They are going to have to be instructed about suffering too. There were some things that Jesus Himself was learning through the sufferings. v8: Makes a very important statement about the Son. Just as Christ learned obedience through the things which He suffered, we also learn through the things which we suffer. When we suffer, we learn obedience. MM says if you already want to do something, that's not really a test of obedience. The character qualities that are essential for making an impact to the glory of God cannot be adequately developed without first being under authority. v8: SON: Jesus v8: YET LEARNED HE OBEDIENCE BY THE THINGS WHICH HE SUFFERED v9: BEING MADE PERFECT: Not talking about Jesus became perfection, he is talking about being made perfect through those sufferings in His Sonship life. v9: HE BECAME THE AUTHOR OF ETERNAL SALVATION UNTO ALL THEM THAT OBEY HIM: The reason why Jesus was able to do what He was able to do was because He became that which He should have become and that all happened because of the sufferings.
Hebrews 5:8-9	GH: Sonship - Jesus - Suffering	8 Though he were a Son, yet learned he obedience by the things which he suffered; 9 And being made perfect, he became the author of eternal salvation unto all them that obey him; POINT: The sufferings benefited Jesus. If they benefited Him, then we know that Paul is going to be saying the same type of thing to us. He is saying the things you are going through are going to be for your benefit. The things that the Son of God went through are going to be for His benefit. The things we go through are going to be for our benefit. How do the sufferings benefit us? Group said they perfect the skills here that we are going to learn, allowing us to sharpen those. We will utlize these skills in our everyday life GH: before utlizing them in eternity. The things that happen to our body work to our benefit eternally and now. If you suffer with Him, you are joint heirs. That's an eternal benefit. Those sufferings: - Make us more than conquerors: The work to do the very opposite that what they were supposed to do. - Those sufferings do not discourage us, those sufferings turn around and benefit us. They sharpen those skills. - Through the endurance of those sufferings, His grace is at work in our lives. MM says think about what a privilege that is - to have the Power of God's grace working in your life and manifested in us. - What happens to our bodies accelerates our Sonship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5:11		11 Of whom we have many things to say, and hard to be uttered, seeing ye are dull of hearing. I have a lot of things to talk to you about but they are hard to be uttered seeing you are dull of hearing. The POE made it so they weren't really hearing the things that were being said to them. You are dull of hearing and instead of being teachers you need someone to come back and teach you again. MM says we magically think these guys always get it right, always do what they are supposed to do, but they are just like us, they put their shoes on one at a time. There is no magic in that. They are going to have to go through the education and they're either going to live out of that doctrine or the POE is going to be successful in making them dull of hearing where they don't remember what they once understood and they don't even remember those things anymore and they have to be retaught it. MM says that is putting out your LIGHT and that's what we can't afford to have happen. God is going to say Israel, you can't deliver yourself. If I don't do it for you, it's never going to get done. - If there is ever going to be a kingdom, I AM going to have to do it.
Hebrews 5:11	GH: WoD Teaching	11 Of whom we have many things to say, and hard to be uttered, seeing ye are dull of hearing. - If you are ever going to be redeemed, I AM going to have to do it. - If you're going to be delivered out in the day of wrath, I AM going to have to do it. - If someone is going to avenge the cause, I AM going to have to do it. - If you are going to get a real king and a kingdom of righteousness, I AM going to have to do it. - If your going to have the blessing I told you to expect, I AM going to have to do it. God creates an 80 year interlude of mercy at the end of the 1st CoP and He covenants with David to do these 5 things for Israel because He knows they'll never be able to do it on their own. So when Satan gets them to be like the other nations of the world, not only does he make them worthless in God's plan and purpose, but because they are under a performance contract, they provoke the Lord to anger against them. DULL OF HEARING: In the remaining portion of Satan's NIGHT, the believing remnant, because of some things that were happening around them in the apostate nation, they got themselves in a postion where they became DULL OF HEARING.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5:12		12 For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. He is saying to the remnant you guys should have been teachers and instead of teaching this (GH: IP doctrine) you guys need to be taught again the first principles, which are the very first things you learn. You can't teach, in fact, you can't handle stong meat (advanced doctrine), you've got to have milk (GH: foundational doctrine). Important because what you get out of advanced doctrine has to come out of the foundational doctrine. If you don't have the foundational doctrine fresh and up & running and working in your inner man, the advanced doctrine cannot exist on its own. It's got to come out of the foundational doctrine. That is how critical it is. MM says this is a blistering statement to make to them. This is something they had already been taught. The warning here is before you can get to the STRONG MEAT of Judgments, you've go to get this MILK of Wisdom and Justice down. MM says this is like Romans 8:26 - it is true for all of us. We cannot afford to become DULL OF HEARING and we are supposed to be TEACHERS. You into a rut of it and the fleshness of it and the thrill kind of leaves you. But all of this is necessary. YE OUGHT TO BE TEACHERS, YE HAVE NEED THAT ONE TEACH YOU: MM tying to AS UNTO BABIES-1 Corinthians 3:1-3. YE OUGHT TO BE TEACHERS: Show some maturity and understanding in the word. THE FIRST PRINCIPALS OF THE ORACLES OF GOD NEED OF MILK, AND NOT OF STRONG MEAT: Not talking about chocolate milk and hamburgers. Can't handle the STRONG MEAT.
Hebrews 5:13		13 For every one that useth milk is unskilful in the word of righteousness: for he is a babe. He is saying, look, you got to go back and you got to get this up and running because if you don't, you can't move on. EVERY ONE THAT USETH IS UNSKILFUL IN THE WORD OF RIGHTEOUSNESS: Gives us an objective measure by which maturity is measured, to know whether or not we are maturing. Those who are UNSKILLFUL IN THE WORD OF RIGHTEOUSNESS are BABEs. UNSKILLFUL IN THE WORD OF RIGHTEOUSNESS: You guys learned some things and you didn't retain it. You need to be taught again. You're babes because you are UNSKILLFUL IN THE WORD OF RIGHTEOUSNESS. UNSKILLFUL: You become UNSKILLFUL by stopping the doing of it. It's something you don't do. You haven't practiced it, you haven't done it. You can't just show up and not do anything with it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 5:14		14 But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil. When you ought to be teachers, we had to go back to the very beginning and instruct you. STRONG MEAT: Judgment- it is a step up in their education just like it is for us. FULL AGE: Not talking about a MAN OF UNDERSTANDING standing at the top of the staircase. This is still talking to people down here just getting their education underway. But you have Wisdom and Justice down and your are not a baby anymore. Now you are becoming something. EVEN THOSE WHO BY REASON OF USE: If you have some piece of equipment and you want to become skillful with it, you are going to use it and use it till you get very familar with it. BY REASON OF USE HAVE THEIR SENSES EXERCISED: When you think of exercise, GH: going through the motions of working your muscles. This is the same kind of thing here. When you get this down (Wisdom & Justice) and you get past the MILK stage and now you're moving into Judgment and you're considered to be of full age, now you're going to get some STRONG MEAT (Judgment) and that gets done by REASON OF USE (because they have been doing it) HAVE THEIR SENSES EXERCISED (you are becoming aware of something). BY REASON OF USE: To come UNTO A PERFECT MAN-Ephesians 4:13 is for those BY REASON OF USE, understand God's word AND they have THE WORD OF CHRIST DWELLING IN YOU RICHLY IN ALL WISDOM-Colossians 3:16 which means that are applying God's word to their life so that they are being transformed by it day-by-day.
Hebrews 5:14		14 But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil. DISCERN: What makes Judgment different from Wisdom and Justice. In Wisdom and Justice, everything is black and white. It's either this or that. It's plan. Judgment concerns things more nuanced, that aren't so black and white, you are going to have to look and observe. Some things are written flat out in the scripture. You can turn to it and read it and it says it and there's no question. That's a MILK issue. That's Wisdom and Justice. But there are some thing that you know, not because the Bible says it out right, but because you can take something it said over here and somethings it said over there and then you can put it together and can DISCERN a truth from that. Putting Wisdom and Justice to USE produces a DISCERNment in you now of things, to be able to make determinations that are not spelled out in black and white. It's the effectual working of your Wisdom and Justice that's going to produce the DISCERNment of Judgment. Like the soil and the plant. Without the soil, the plant doesn't thrive. It is not just knowing these things but practicing those things. As we start doing it and doing it BY REASON OF USE it EXERCISEs OUR SENSES to DISCERN. DISCERNment is the by-product of the things that came before it. BOTH GOOD AND EVIL

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6		MM says there's a deal where he talks about that it's impossible to renew them again unto repentence, seeing they crucify to themselves the Son of God afresh and put him to open shame. When they talk about that issue (GH: would God forgive THE WICKED, THE WORKERS OF INIQUITY who stoke the fires of ungodliness in this world), what is happening is these people have so declared themselves to be enemies of God and they have to their maximum amount aligned themselves with Satan's POE and with the antiChrist that they have of their own choosing put themselves in what is like a point of no return. They have sold themselves out completely to the antiChrist. What Satan is doing in this world and members of the apstate Israel will be a part of that, just like the CHILDREN OF MEN (Gentiles), part of them will be a part of that. They are not going to come back to God. If they did, God would forgive them and My Soul abhors them, My Soul hates them. If this is what they are going to do, if this is what they are going to be, then they're going to be recipients of My Wrath. MM says when this assembly gets to the place where it experiences an attack (GH: by THE WICKED promoting the POE), he will despise that attack and those that do it. If they were to come to Christ, he would love it because he would love nothing better than taking one of Satan's guys away from him.
Hebrews 6		Like Paul, somebody suddenly starts pitching for the other Team. Until that day comes, he is going to feel about it the same way God feels about it. This is not about what they do to him personally, this is because they will be a declared enemy of his heavenly Father and of His word and of what He is trying to produce in us. While they publically declare themselves to be an enemy of God, we will publically declare ourselves to be His sons and daughters and that will constitute a conflict (GH: MM teaching Romans 13:12). Won't mean anything to them until we start impacting Satan's POE. There will be a retaliatory effort, mild in the beginning but as we season ourselves, as we become soldiers, those attacks will increase just like they did for the apostle Paul, just like they did for Timothy, just like they did for Titus. MM says we are like a group that is unlike any other group that has ever been formed in the world and when you get up there, you'll be talking about things that only a few folks will be able to understand what that was really like.
Hebrews 6	GH: SIIP Verse	List given demonstrates that they had every opportunity to respond. They were not shortchanged in any manner or form, and therefore they are fully accountable for their negative response so that the remnant can now shut the door on them and disassociate themselves from them. The nation is accountable for what they saw and heard. v1-4: Notice the pronouns. The believing remnant are referred to as US-v1, and WE-v3. Notice v4 doesn't say US or WE, but THOSE who were once enlightened." So, the pronouns tell you this is someone other than the believing remnant. They have "tasted" and "experienced" and "seen" the reality of those things recorded in the books of Acts, either by being alive at that time, or by hearing of and reading the gospel accounts and the book of Acts, which events will be duplicated again in the future once this DoGG has come to an end. The danger for the believing remnant is that if they keep giving the message of repentance to the nation, they will do so to their own detriment; as they will not go on unto perfection, and they will not have disassociated themselves from that VRS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: SIIP Verse	They are in danger because to continue to do this during the 1st half of the Week, is to encounter phase 1 of the man of sin's persecution policy for the believing remnant. The believing remnant need to stop their evangelism efforts, separate themselves from the VRS, for after the Week begins, the apostate element in Israel will seek to "evangelize" the believing remnant to their way of thinking. v1:LEAVING THE PRINCIPLES OF THE DOCTRINE OF CHRIST: This is what the believing remnant has been telling them during the 2nd EoM. v1: LET US GO ON UNTO PERFECTION: Is going to tell the believing remnant to physically disassociate themselves from Israel's vain religious system (VRS) because the time of repentance given to the nation is over. The idea here is to stop their witness to the nation, to disassociate themselves from the VRS, and bear Christ's reproach. Only by doing this will they GO ON UNTO PERFECTION. The believing remnant is going to have to advance in their understanding because now that the 2nd EoM is over, you are going to have to have an understanding of some things to survive. MM says if they don't leave out and separate themselves and stop that witness, they will have not to have GOne ON UNTO PERFECTION.
Hebrews 6	GH: SIIP Verse	v1: US: The believing remnant. v1: NOT LAYING AGAIN THE FOUNDATION OF REPENTANCE FROM DEAD WORKS, AND OF FAITH TOWARD GOD: This is the issue being talked about starting back in Hebrews 5:11 and continuing through all of chapter 6. MM says this is a gospel presentation. v1: DEAD WORKS: They thought they were Israel, they were good with God. v3: THIS WILL WE DO: v2: List the 3 doctrines of baptisms in Israel's program. v3: THIS WE WILL DO: The believing remnant.
Hebrews 6	GH: SIIP Verse	v4-6: Is talking to the believing remnant, but it is talking to them about the unsaved in Israel, the ones they have been witnessing to. Is telling the believing remnant that time is up and now they need to GO ON UNTO PERFECTION-Hebrews 6:1. Passage that used to erroneously teach a "faith and works" justification salvation, and the loss of salvation in Israel's program. People think you can lose your salvation from this passage. Happens when you don't RDW. Even grace preachers say this is not for the body of Christ but shows a member of the believing remnant can lose their salvation. That's not correct. The teaching that comes out of this is that if you are in the tribulation and part of the believing remnant, if you fall away, if you abandon your faith, it will be impossible to renew them again unto repentance, seeing that they crucified themselves, the Son of God afresh and put Him to an open shame. The people being referred to here are not JUEL in the first place. (GH: ?) Passage has a dual application: 1. Back when the Book of Hebrews was written during the extension of mercy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: SIIP Verse	2. After the DOGG is over at the BLESSED HOPE-Titus 2:13, and Israel's prophetic program is resumed. The issue is not about somebody losing their salvation. It's about the believing remnant, not obeying the marker and trying to continue to do something that God is no longer doing. And it's a big deal. You might say, 'What's the big deal if I witness to my family? Seems like God would want that?' MM says you can say that out of zeal but not out of knowledge. You are putting Christ to an open shame. MM asks how do you think God will feel about that when it comes time to deliver you in the tribulation or give you reward in the kingdom? There's a lot riding on that. v4-5: The apostate element is being described and the members of the believing remnant are being told here that it is God's will that they now completely disassociate themselves from the apostate element and their VRS, and stop trying to "renew them again unto repentance." Is the complete testimony and the overwhelming confirmation of what the Lord spoke to them. This list records the full "enlightenment" the nation received. There are 5 things used to describe these people:
Hebrews 6	GH: SIIP Verse	1. ONCE ENLIGHTENED: Unsaved Israel were ENLIGHTENED when you are an unsaved member of Israel and someone of the believing remnant was talking to you about the gospel of the kingdom. That Jesus was the Christ. You were ENLIGHTENED and you had a decision to make. MM says this is mentioned first because this is a good way to sum up the list - all of this list is enlightenment. 2. HAVE TASTED OF THE HEAVENLY GIFT: The heavenly gift was Jesus, who God sent into the world. When they tasted of the heavenly gift, he is talking about getting a taste of what God was doing back in the days of the Messiah. They saw Him with their eyes, they heard Him with their ears, they watched Him heal the sick and cast out unclean spirits and raised the dead - they got a taste of that. They saw all of that what the Lord is doing. 3. WERE MADE PARTAKERS OF THE HOLY GHOST: Doesn't mean that they got saved and the Spirit of God dwells in them. It was the job of the Holy Ghost to convict Israel of their sin because they didn't believe on Him. See John 16:7-10. Also happened in Acts 2, when they heard the apostles speak in the language of the land they were born. They witnessed the signs and the wonders and the miracles that substantiate the message the apostles were preaching. They were witnesses of that.
Hebrews 6	GH: SIIP Verse	4. HAVE TASTED OF THE GOOD WORD OF GOD: Jesus' earthly ministry in the days of the Messiah and the gospels out in the 2nd EoM as well as the Hebrew epistles. They TASTED OF THE GOOD WORD OF GOD. The former saw it with their eyes and the latter will be preached it because the believing remnant knows they have to get the gospel into the thinking of unbelieving Israel if they are ever going to believe that Jesus is the Christ. They TASTED OF THE GOOD WORD OF GOD when they heard the Lord speak or when the gospels were preached to them out in the 2nd EoM. 5. THE POWERS OF THE WORLD TO COME: The two hallmark signs of the kingdom, casting out devils and healing the sick. Both were proof of the kingdom. See Matthew 12:28 and Luke 11:20. This is the complete testimony that is given. MM says if they fall away from all of this, IT IS IMPOSSIBLE TO RENEW THEM AGAIN UNTO WE REPENTANCE. Once the 2nd EoM is done, there's no more opportunity for them to be saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: SIIP Verse	5. (cont'd): Means the nation is accountable for what they heard and saw. Even though they were not present during Jesus' earthly ministry, when they see and hear everything in the gospels, Acts, and the Hebrew epistles, they are going to be held accountable for that. The same signs and wonders happening back here will be happening out there. These are all descriptors of who he is talking about. There are 3 things that v4-6 are doing: 1. Admonishing the believing remnant to stop their witness on the basis of the time for repentance to Israel/2nd EoM is now over. Now that it is over, it is impossible TO RENEW THEM AGAIN UNTO REPENTANCE because God is not offering that anymore. 2. This passage is describing the full testimony of everything they were given during the 2nd EoM and they should have listened to and should have made the decision but they didn't. Includes the 5 items above. God is establishing the fact that you can't come now crying at the end of this because He gave you plenty of opportunities that you are now without excuse.
Hebrews 6	GH: SIIP Verse	3. It is warning the believing remnant that if you continue to offer repentance to Israel after the 2nd EoM you are putting the Son of God to an open shame because you are crucifying Him afresh. It's the warning to the believing remnant - quit trying to do this. The time is up. Time to close the door and separate yourself out. Because there is something they are now supposed to do that God is going to use as a testimony. Doesn't matter if they are motivated by good intentions, they have got to do this. If they don't, they are putting themselves in peril, because as soon as the tribulation cranks up, they are not going to be delivered. MM says there are some other things they are not doing. MM says the gist of the passage is v4a and v6a - it's not about a JUEL Israelite losing their salvation. It's about an unsaved Israelite persisting in unbelief. v4-6 is meant to change the mind of the believing remnant how long they should keep preaching to these people and when they are supposed to separate themselves now from the VRS. Israel has tasted, they have experienced, they have seen, they have heard the reality of those things in Acts 1-7. If they continue preaching, they are humiliating Him by continuing to preach to those who are determined to reject Him and deny Him. The is not about the believing remnant losing their salvation, this is about losing reward in the kingdom.
Hebrews 6	GH: SIIP Verse	v4: FOR IT IS IMPOSSIBLE FOR THOSE WHO WERE ONCE ENLIGHTENED: This is a description of all the testimony that was given to unsaved Israel to convince them that Jesus was the Christ. V4: FOR THOSE: He didn't say for us - the believing remnant. Those the believing remnant have been preaching to. The pronouns tell you there's a change here. v4: THOSE WHO WERE ONCE ENLIGHTENED: Are unbelieving Israelites who have been witnessed to by the believing remnant, and they have rejected the gospel of the kingdom (that Jesus was the Christ). v4: ENLIGHTENED: Unbelieving Israelites were ENLIGHTENED by hearing the gospel of the kingdom. Enlightenment is a term that refers to the effect of abundant testimony, which Israel received during the 5-4 course of punishment (CoP). What they had was the Lord Himself fulfilling prophecy and giving them the truth. v4: HAVE TASTED OF THE HEAVENLY GIFT: Through the knowledge of Jesus being the prophesied Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: SIIP Verse	v4: THE HEAVENLY GIFT: The Lord is that heavenly gift which the nation "tasted" in that they saw Him, touched Him, witnessed His miracles, heard Him speak, and watched His behavior. They saw Him baptized by John at the Jordan River and they heard the voice of God there. They saw him cast out devils and heal the sick. They saw Him raise the dead. v4: MADE PARTAKERS OF THE HOLY GHOST: Through His convicting ministry which Jesus spoke of and described in John 16:7-9. When Israel witnessed the Spirit coming on the day of Pentecost and they heard the apostles tell the wonderful works of God in their own languages. In the year that followed, Israel witnessed the three miraculous opportunities which confirmed that Jesus is the Christ. Not only so, but they heard the preaching of the apostles and the writings of the books of Hebrews to Revelation. v5: HAVE TASTED THE GOOD WORD OF GOD: This is the corrective doctrine given by the Lord Jesus during His earthly ministry, the GOOD WORD OF GOD designed to expose the vanity of Israel's religious system.
Hebrews 6	GH: SIIP Verse	v5: THE POWERS OF THE WORLD TO COME: Were the signs and wonders of the kingdom, which confirmed the message that "the kingdom is at hand." Those hallmark signs of "casting out devils" and "healing the sick" were proofs of the kingdom message. v6: IF THEY SHALL FALL AWAY, TO RENEW THEM AGAIN UNTO REPENTANCE: One incorrect interpretation says, if you stop living for God, or going to church, or such like, then you have "fallen away" and you have lost your salvation. This interpretation is wrong on several counts: 1) the time it pertains to, 2) to whom it refers (not to the saved), and 3) it mis-defines what "fall away" means.
Hebrews 6	GH: SIIP Verse	Another incorrect interpretation by grace dispensationalists say this is not for anyone living in the DOGG, but is only for the time of Israel's program. But many of these also say that this is describing justified Israelites losing their salvation because they did not remain faithful. MM says both of those interpretations are wrong, no one is losing their salvation in Hebrews 6. When that time is up, it will be "impossible to renew unbelieving Israel to repentance." Why? Because God will no longer be offering them the opportunity. And if the believing remnant continue to try to present Jesus as the Christ, God says they "crucify to themselves the Son of God afresh, and put Him to an open shame." v6: IF THEY SHALL FALL AWAY: MM has heard this means 'it's the rapture' or 'it means people in the DOGG or apostatizing'. When you know what is taking place in the prophetic program, then you know what this is and what it isn't. MM says cross-reference is in 2 Thessalonians 2:7-12.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: SIIP Verse	v6: FALL AWAY: Not about the believing remnant. It's about the nation rejecting the testimony of the believing remnant. Is the final rejection of Jesus as the Christ at the end of the 2nd EoM by unbelieving Israel prior to the start of Daniel's 70th Week. Once God is no longer offering repentance to Israel, then it will be "impossible to renew them again unto repentance" – because God is offering them no more opportunity to change their mind. Has to do with unbelieving Israel, not with the believing remnant. The "falling away" is the point of no return for unbelieving Israel, the time of God offering "repentance to Israel" is over. v6: TO RENEW THEM TO REPENTANCE: You can't offer them another opportunity to repent. GH: They had the 2 EoM or repentance to Israel and blew it. Once that time is up there is no longer repentance being offered. They committed the unpardonable sin.
Hebrews 6	GH: SIIP Verse	v6: THEM: Unbelieving Israel. v6: CRUCIFY TO THEMSELVES THE SON OF GOD AFRESH, AND PUT HIM TO AN OPEN SHAME: MM says this is a rebuke. How would you like to stand before the Lord for this?
Hebrews 6	GH: IPF verse	The "time has come" for them to make the break from the religious system of the nation and now 'go on unto perfection-v1.' They are to make the break from that vain religious system by disassociating themselves from it. By this time, the marker for the end of repentance to Israel is already over. They are supposed to take the action that Hebrews instructs them in; they are to 'go without the camp and bear His reproach'-Hebrews 13:13. And then they are to take the doctrine about the reproach and the way in which the reproach is going to come and the way the afflictions are going to be experienced and understand these things in view of the markers given to them in all of this. The believing remnant is still witnessing to the apostate nation and God chides them for it. The majority of the nation is not going to receive this message. And just as those who rejected that message when the time was up, did not become part of the little flock, and they will go into the judgments of the day of wrath at that time.
Hebrews 6	GH: IPF verse	MM drawing on the board. Process happens from the bottom up. Going on to perfection (top) Hebrew Epistles (they are not going to hold onto some of the base because things have changed since the death of Jesus Christ on the Cross) Edification given on top of an enlightenment Acts 1 - 7 Enlightenment that is given Gospels and Jesus earthly ministry Foundation that is laid (bottom) The O.T. Prophets
Hebrews 6	GH: IPF verse	v1-9: See the change in pronouns: * v1: US: Remnant. * v4: THOSE: Not part of the US. Apostate nation. * v6: THEY: apostate nation. * v6: THEM: apostate nation. * v6: THEMSELVES: apostate nation. * v9: WE: Remnant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: IPF verse	v1-6: Hebrews is telling the remnant that the time is over for talking about all these things. God has given them the marker and now it is time for them to “go on unto perfection.” The admonition is for them to stop going back and continually relaying this foundation. It is now impossible for those who have rejected the message to repent. Quit trying to “renew them again unto repentance” seeing as how “they” do something; crucify to themselves the Son of God afresh (“Yes, we’d crucify Him again!”) and put Him to an open shame” (by their hateful, disgraceful, insulting, rejection remarks regarding His sacrifice on the Cross.) v1: THEREFORE: A transitional word connecting and presenting a flow of information building upon the previous chapter. v1: THE DOCTRINE OF CHRIST: The foundation of the OT prophets, which set forth the “doctrine of Christ,” is the subject matter they are to “leave behind” in Hebrews 6:1-2 so that they can “go on unto perfection.” Things that make up the doctrine of the Messiah, Christos. v1: LET US GO ON UNTO PERFECTION: Blocker to this: the remnant has not responded to the marker given to them to show that the time for “repentance to Israel” is over. They are continuing to minister to the apostate nation even though the opportunity given to the nation is now over. They keep laying the foundation that they're supposed to move on from.
Hebrews 6	GH: IPF verse	v1: NOT LAYING AGAIN: There are things you should already know and we aren't going to go back over them. These are foundational things given to them through the end of v2. v1: THE FOUNDATION: They are not to lay again the things in their foundation that now (since the death of Christ) are nothing more than dead works. v1: REPENTANCE FROM DEAD WORKS: The time is up for preaching to them that the old sacrificial system is a system of dead works and they need to repent (change their mind) about that. v1: DEAD WORKS: These are the Levitical, ritualistic, animal sacrifices. We are not going back to that. Not going to return to the animal sacrifices that were laid out at the beginning of the program. The purging death of Jesus has happened on the Cross and the remnant is supposed to be looking somewhere else other than animal sacrifices. Why they have to withdraw themselves from the vain religious system of the apostate nation who are going to re-institute those animal sacrifices. They are going to have to pull away from that and distance themselves from that. They will not be able to GO ON UNTO PERFECTION until they do. These are DEAD WORKS because the animal sacrifices don't mean anything anymore. Jesus has already come and He is the One Sacrifice that took away sin forever. Animal sacrifices are useless anymore. Those works are dead works.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: IPF verse	v1: FAITH TOWARD GOD: The time is up for preaching that they must exercise faith toward God by putting their faith in what their Messiah has accomplished for them. Their faith needs to be towards God, not in DEAD WORKS. v2: DOCTRINE OF BAPTISMS: Part of the law. The time is up for explaining the 3 baptisms in Israel's program and what they all mean. v2: THE LAYING ON OF HANDS: The typical way to look at this is when they laid hands on those who were sick or were being ordained to an office, but here it's the laying on of hands on the scape goat for the transference of sins - see Leviticus 16:21-22. Saying don't rely on this. Don't rely on this because now, Christ has made one Sacrifice forever for sins. The time is up for explaining that you cannot get rid of your sins by placing on the head of a goat and sending him out into the wilderness. Not the way this works anymore. v2: RESURRECTION OF THE DEAD: The time is up for explaining about the resurrection; that the same Jesus that they crucified God has made both Lord and Christ and has demonstrated that by the resurrection. MM says the O.T. scriptures are full of the truth of the resurrection of the just and unjust and if you reject Jesus being the Christ you will wind up on the wrong end of this thing.
Hebrews 6	GH: IPF verse	v2: ETERNAL JUDGMENT: The time is up for telling them about what waits for them out in eternity if they don't change their mind about Jesus Christ. v2: ETERNAL: Eternity is a long time and you don't want to spend it in hell. v3: This is not in the minds of the remnant and they are not behaving this way. They are acting like there is still an offer on the table to the apostate nation. They are stuck there because something is pulling on their heart and they aren't responding to the call to stop and GO ONTO PERFECTION. Hebrews is saying "It is time to go on to perfection and stop dealing with all this," "if God permit." He says "if God permit" because in the minds of the remnant they are thinking God still wants them to do this; offer repentance to the nation. The remnant continues to offer repentance even after God is no longer giving that opportunity. And by doing so, they are endangering their "being counted worthy to escape" the coming judgments.
Hebrews 6	GH: IPF verse	The word from God is that "it is now impossible to renew them again unto repentance." Those that go back into that vain religious system God will "have no pleasure in them-Hebrews 10:38" because they are joining up with those who have put His Son to an open shame. Now, the blood of Christ which was shed at the Cross will do what no animal sacrifice could ever do; take away their sins. It is no longer the Levitical priesthood and their "business as usual" in the temple which will be rebuilt by the Antichrist, but Jesus Christ will be their High Priest. He is not after the order of Aaron, but after the order of Melchizedek. v4-6: Hebrews says to them "No, don't witness to the apostate nation anymore. You can't do this any more. It is now impossible." and He tells them why here. God has concluded this specified period of time. Now it is time to separate themselves from this apostate nation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: IPF verse	v4-6: Five major takes on this passage: View 1. Some who was saved lost their salvation. Taught by most of the mainline denominations. That you were saved and you could lose it. They are applying the Book of Hebrews to you. Problem: They all believe that you can get it back. But they are missing the AGAIN-v6. At least be consistent and say you can't get it back. If people can't come back, not motivating for attendance and giving. View 2: These people are like the spies at Kadesh Barnea in Numbers who came to the edge of the land and then turned back. They turned back on the threshold of their salvation. Problematic: * No one at Kadesh Barnea was filled with the Holy Ghost. * No spy was grounded in the principles of the doctrine of Christ. * The grapes were not the heavenly gift, they were the earthly gift.
Hebrews 6	GH: IPF verse	View 3: It's not people that are going to be burned but their works. This almost ignores the previous part of the passage where it say you can't renew them unto repentence-v6. View 4: The passage is hypothetical. It can't really happen but if it could happen this is the way it would work. If they could lose their salvation then it would be impossible to be saved again. Say that's not possible to lose it. View 5: This is a Jewish believer in Christ who has exercised repentance and faith. The heavenly gift, depending on who you are reading, is either the forgiveness of sins or the Holy Spirit. It just kind of depends on which one you are going with. This man could end up taking what they called a fatal step and cursing Christ in the synagogue and lose his salvation. So a child of God could lose their salvation only if he's a converted Jew. View 6: None of these people in the passage were true believers. To do this, they change some wording where it says they were make partakers of the Holy Ghost, they change that and say that's a bad translation and it should have said companions. That way, it changes from an internal partaking to and external partaking, and they kind of disassociate themselves from that. They really didn't have Christ. They just tasted Him. People who hold to this view are Calvinist, who believe only the elect can repent in the first place.
Hebrews 6	GH: IPF verse	v4-6: One of 5 warnings they are given in the Book of Hebrews and they are all warnings to the nation. The nation is being warned about something. Written to a people, that when the last days crank up, will find themselves in the same situation they were in in the EoM with an opportunity to repent and change their mind about Jesus Christ being their Messiah. And if they believe that Jesus is the Son of God, they will become part of the little flock and they will be given eternal life and they will overcome the world and they are given doctrine that enables them to survive in the day of wrath. The message for the apostate nation is, the rain is falling on you all and you have an opportunity. Be careful what you do. Don't turn BACK UNTO PERDITION-Hebrews 10:39. But most will say give us the law, give us the animal sacrifices, give us something we can put our hands on, this is what we want. And they're going to reject Jesus being a High Priest after the order of Melchisidek and they are going to lay hands on the goat and turn him loose in the wilderness. The apostate nation can't afford to blow off this opportunity like they did during the EOM like it means nothing. This passage hails back to the historic event of offering “repentance to Israel” as recorded in the opening chapters of the book of Acts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: IPF verse	v4-6: IMPOSSIBLE...RENEW THEM AGAIN UNTO REPENTANCE: Why He doesn't want them to keep preaching to the apostate nation now that the marker has been given. Why they don't lay the foundation again. The earthly ministry of Jesus provided enlightenment as He set forth the gospel of the kingdom and demonstrated the truth of His message with signs and wonders. Then, following the Cross, came the testimony of the Holy Ghost which gave them additional foretaste of the "world to come." But they are not responding to the marker. They don't want to give up. Instead of disassociating themselves, they keep extending new offers of repentance to the nation. And they are not supposed to be dong this any longer because God is no longer making the offer. That is why it is impossible to "renew them again unto repentance." They can't go unto perfection until they realize this and "go without the camp" distancing themselves from the vain religious system. This is saying the nation had this opportunity. v4: IT IS IMPOSSIBLE FOR THOSE: v4: THOSE WHO WERE ONCE ENLIGHTENED: This is/took place during the the earthly ministry of Jesus. The remnant are supposed to know these things by holding fast to Jesus as their Apostle. Affected people back in the days of Messiah and will affect the believing remnant as they hold fast to their profession that Jesus is their Apostle.
Hebrews 6	GH: IPF verse	v4: ENLIGHTENED: The earthly ministry of Jesus provided enlightenment as He set forth the gospel of the kingdom and demonstrated the truth of His message with signs and wonders. Then, following the Cross, came the testimony of the Holy Ghost which gave them additional foretaste of the "world to come." v4: THOSE: The author is separating themselves from this group. It's impossible to renew someone again unto repentance if they FALL AWAY. v6: IF THEY SHALL FALL AWAY, TO RENEW THEM AGAIN UNTO REPENTANCE: GH: If they fail to meet the requirements of v4-5. v6: THEY: The apostate nation - who the believing remnant has been preaching to. v6: THEY CRUCIFY THE SON OF GOD AFRESH, AND PUT HIM TO AN OPEN SHAME: Jesus is not coming back at this point but if He did, the response of the apostate nation would be the same as the religious leaders at His Crucifixion - they would crucify Him all over again. What our fathers did was exactly right and we'd do the same thing. Through their blasphemous rejection of Him, PUT HIM TO AN OPEN SHAME. God says don't go back and align yourselves with those guys. You've seen the marker, this thing is over. Don't re-lay all that foundation. Now is going to be the time for you to separate yourselves from them. Let us GO ON UNTO PERFECTION-v1. When the marker is over, the next thing to come is the judgments.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6	GH: IPF verse	v7-8: The idea here is that the rain has fallen on all of you and all of you have had the same opportunity. Shown the same signs and wonders and the apostate nation rejected that. See the two pieces that comprise the nation: 1. Believing Remnant: HERBS 2. Apostate nation: THORNS AND BRIERS v6: FALL AWAY: The majority of the nation and its religious leaders "fell away" after their rejection of the third opportunity to repent offered under Stephen, and they were not going to be "renewed again unto repentance." In other words, the opportunity to "change their mind about Jesus being the Christ; Israel's Messiah," was gone. Prophetically, at the resumption of Israel's program, there is going to be another opportunity of "repentance to Israel" extended to the nation. These verses are telling the remnant that when that opportunity is over, it is impossible to deal with those who have not responded.
Hebrews 6	GH: IPF verse	v8: WHOSE END IS TO BE BURNED: v9-11: GH: or v4-6? MM calls this a blockbuster passage. Two ways to look at this. 1. The believing remnant are a justified people and cannot lose their salvation. They may be losing out on being part of the Royal House to rule in the Millennium. They may suffer loss to the extent that they are forced to dwell outside the land with the Gentiles, but they are not going to lose their salvation. v9: BETTER THINGS: Better things than THEY/THEM/THEMSELVES were doing. v9: YOU: See the pronoun change. Now the writer is talking to the remnant and not about the apostate nation. v11: SHEW THE SAME DILIGENCE: v11: UNTO THE END: The end of a period of time, not an individual's life.
Hebrews 6:1-6		How he admonishes them. They are preaching the foundational elements to the apostate nation.
Hebrews 6:1-2		MM comparing these to the basic doctrines from Romans 12:1-13:10 and being admonished to move on from them, NOT LAYING AGAIN- v1.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6:1		1 Therefore leaving the principles of the doctrine of Christ, let us go on unto perfection; not laying again the foundation of repentance from dead works, and of faith toward God, Written for those in the prophetic program at the resumption of that program after this DOGG has run its course and the Blessed Hope has taken place. Nutshell: Quit talking about DEAD WORKS and start focusing on FAITH TOWARDS GOD. MM comparing these to the basic doctrines from Romans 12:1-13:10 and being admonished to move on from them, NOT LAYING AGAIN-v1. LET US GO ONTO PERFECTION: PERFECTION: Not talking about sinless perfection. Not talking about you knowing everything in the education and there's nothing left for you to learn. He is talking about UNTO PERFECTION. You are on this road that is going to make you PERFECT AND COMPLETE-Colossians 4:12. God is perfecting you in this. NOT LAYING AGAIN TO THE FOUNDATION: He is saying lets move on from the foundation and advance in the education. NOT LAYING AGAIN: We are not doing this anymore. REPENTENCE FROM DEAD WORKS: Change your mind from dead works. MM says not a message to the believing remnant but to the apostate nation. DEAD WORKS: A work that doesn't produce any life - no spiritual life, no physical life, no eternal life. MM says if you think it is 'faith + works' your works are dead. They don't have the power to give you life. Faith doesn't need works to do that.
Hebrews 6:2		2 Of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgment. ETERNAL JUDGMENT: Wouldn't you want to be talking about this if you were witnessing to someone? Of course you would.
Hebrews 6:4-6		The context of the passage (v4-6) is that the remnant is being instructed that at some point in time, they are no longer expected to be a witness to the apostate nation. The nation will have received the witness that they “crucify to themselves the son of God afresh" and the remnant is told to leave them alone.
Hebrews 6:4		4 For it is impossible for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, See how the miracles get described - context is the believing remnant in the Day of Wrath. They are going to be witnessing to the apostate nation. Two parts: 1. Saved part-remnant or little flock 2. Unsaved part-apostate nation
Hebrews 6:4-5		MM says the way this normally gets taught is people can lose their salvation. This is talking about the nation who has been witnessed to by the believing remnant who have rejected their message. These phrases are all describing something very specific. You may think you know what they mean but but in order to know what that means, you have to know what the remnant was preaching back there. MM trying to show there's a time element here, that the people in the apostate nation are going to make a decision.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6:4	GH: Wedge Principle	4 For it is impossible for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, MM uses his 'message as a wedge' analogy to drive people to one side or the other. Meant to be polarizing. The way people want to preach today is to make everybody feel good. This really takes the pressure off of the head. If you preach the Message right, it does make a division, people come down on one side or the other. The Message that MM preaches here will make people come down on one side or that other. People will either say MM is a kook/idiot OR you know what, that looks like what the scripture is saying. The Message during the Day of Wrath is meant to be divisive because once they hear that message, they're going to be so firmly entrenched in what they decide about that, it's going to be the status they're going to be in as they go through the Day of Wrath. MM says they used to debate this passage when he was in Bible school because they didn't RDW. The fact that this was called the Book of Hebrews wasn't any type of tip-off at all. Took this verse to say a person can lose their salvation but that is not what is being talked about here. IMPOSSIBLE FOR THOSE WHO: Who were told some things and shown some things and saw some things. ENLIGHTENED: The ones being enlightened are the apostate nation. The little flock is carrying a Message to them. That message they are going to react to one way or another. HAVE TASTED OF THE HEAVENLY GIFT AND WERE MADE PARTAKERS OF THE HOLY GHOST: This is not 'got saved and received the Holy Spirit'. The word PARTAKER is telling you something different about that.
Hebrews 6:5		5 And have tasted the good word of God, and the powers of the world to come, TASTED THE GOOD WORD OF GOD AND THE POWERS OF THE WORLD TO COME: Refers to the signs, wonders and miracles that were done to show forth the fact that the two categories of sufferings would be done away with in the kingdom. It is in God’s resumed program with Israel that both categories of sufferings will be destroyed. THE POWERS OF THE WORLD TO COME: The miraculous things that are being done in Israel's program that prove the message of the true Christ and the coming Kingdom. It's the signs. Talking about the WORLD TO COME. WORLD TO COME: It's a new earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 6:6	GH: Wedge Principle	6 If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put him to an open shame. It is impossible TO RENEW THEM UNTO REPENTANCE. GH: Talking about the other side of the wedge from the remnant. They have made a final decision. They wiil be forced to make a decision and that will be their decision. That's before they are forced, that's before the Antichrist comes in and makes them take the mark. They have freely made this decision. A guy in the remnant will not want to take the mark and he will lose all of his wealth. Happens in the first month. Once they have received the Message and they've seen the miracles that substantiate the Message and all that work that has been done, if they FALL AWAY (not go back on their salvation, these folks were never saved and part of the apostate nation being witnessed to by the believing remnant). Will be a hard message to believe. GH: Because the Anti-christ will restart the animal sacrifices in the Temple and that will be so hard to pull away from. Go back in their law and see these things being commanded. The believing remnant in preaching this Message will get ex-communicated from their friends and family and may even put their lives in danger. Apostate nation will pressure the believing remnant and say do not throw away what was given to our fathers Abraham, Isaac, and Jacob, do not throw away what was given to Moses. IF THEY SHALL FALL AWAY: If they continue to reject this message. Finally reject the gospel of the kingdom and the message of Jesus then it is impossible to renew them unto repentance. The time of repentance is now no longer being offered. Don't try and renew them again under repentance seeing that they crucified themselves the Son of God afresh and put Him to an open shame. Quit trying to do that. Now, you are supposed to do something else. TO RENEW THEM AGAIN UNTO REPENTENCE
Hebrews 6:6	GH: Wedge Principle	6 If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put him to an open shame. THEY CRUCIFY TO THEMSELVES THAT SON OF GOD AFRESH, AND PUT HIM TO AN OPEN SHAME: If you are a member of the believing remnant, you should stop you in your tracks GH: and not continue to witness to the apostate nation. For the believing remnant (BR), in the resumption of their program, if they ignore the marker that tells them to stop their witness to the unsaved in Israel and they keep that up, they are doing something to Christ, which they do not realize they are doing - re-crucify the Son of God and put Him to an open shame.
Hebrews 6:18		18 That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us: IT WAS IMPOSSIBLE FOR GOD TO LIE: Why Jesus didn't really have a choice to call the angels because the Cross was the only way to have the scriptures fulfilled (Matthew 26:54).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 7	GH: IPF verse	v1: FOR: A transitional word connecting and presenting a flow of information building upon the previous chapter. v11-??: See the differences between the Melchizedekian priesthood and the Aaronic priesthood. The remnant is being educated on these particular differences. v12: If the priesthood changes, the law changes. The Levitical priesthood lacked something. If that wasn't true, then the Lord would not be speaking about another order of priests. Melchizedek is not after the order of Aaron, therefore, he is not "Levitical." It follows that if the priesthood changes, then something about the law is going to change, since the priests were executioners and teachers of the law. v12: Differences between the Aaronic/Levitical priesthood and the Melchizedekian priesthood: * The Levitical priesthood, the one that the apostate nation clinged to, lacked something. If that wasn't true, then the Lord would not be speaking about another order of priests which was a better one.
Hebrews 7	GH: IPF verse	* Melchizedek is not after the order of Aaron, therefore, he is not "Levitical." v14: He cannot come from the tribe of Levi. Jesus was from the tribe of Judah, not Levi. And He is a priest forever after the order of Melchizedek. v15-16: The priest like Melchizedek had to be "made not after the law of a carnal commandment, but after the power of an endless life." As such, He cannot come from the tribe of Levi. See v14. v22: BETTER TESTAMENT: The New Testament is the "New Covenant" that was the subject of prophecy, thus making it part of Israel's Prophetic Program. If it's better, you had to have a worse. That's for them. The New Covenant is for those who were under the Old Covenant. See that the New Covenant is a better covenant, meant to replace the old one.
Hebrews 8	GH: GPPI verse	v1: AN HIGH PRIEST: Jesus Christ. v2: THE TRUE TABERNACLE, WHICH THE LORD PITCHED, AND NOT MAN: The Lord built the tabernacle in the heavens. v4: Israel already had priests that were offering gifts according to the law - the sacrifices of bulls and goats. If He was a High Priest on earth, He wouldn't be doing this because He would be doing the same things already being done. v5: WHO SERVE: Those priests on earth. v5: THE PATTERN SHEWED TO THEE IN THE MOUNT: Moses made it after the pattern. v6: BETTER COVENANT: Means there was another covenant - the one they signed, the O.T. of the law. v7: If the first covenant was so good, why did you need a second one? You wouldn't, would you?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 8	GH: GPPI verse	v8-13: MM says the ark, the box and Moses made that had the cherubim on either side with the wings that came up over the top and inside it contained the tables of the law. The pot of manna and Aaron's rod that budded. Those are all things that had to do with Israel under the law. God didn't want them under the law, He wanted them under grace. And this thing was a shadow of something that was to come. But since Jesus died on the Cross, His Blood went on an ark in heaven. The one you read about in Revelation 11 and Revelation 19 said the Temple of God in heaven was open and there was the Ark of His Testament. The New Covenant is based on that. It is based on better promises. GH: MM asks why would you want the old ark if there's a better one in heaven that has the Blood of Christ? What good is it? The old one is just covered with the blood of bulls and goats, which Hebrews says cannot take away sins. He is bringing the ark in heaven when He comes. Why would you want the old one? What good is the old one? GH: Jeremiah says Nebuchadnezzar took the vessels of the house of the Lord to Babylon. MM tells all the tales of there the old ark is now. Jeremiah told you the time is coming when you won't even think of the ark anymore because it was covered with the blood of bulls and goats and it is going to be replaced with one up in the heavens covered by the Blood of Christ, the one that takes away the sin of the world. MM asks why would God care about a box with bull's blood on it? The only people who care are Christians who don't know what age they are living in. And what will you do with it if/when you find it than condemn Israel with it? That thing is not taking away their sin. In this age, it's the gospel of the grace of God or it's the lake of fire. A box with bull's blood is no good in this age.
Hebrews 8	GH: IPF verse	v1-2: From this point on, the remnant is going to have to do business with a High Priest who is not a Levite serving in the temple. This will be difficult since people like the physical, the traditions and the rituals. The remnant is going to have to understand that God’s view of those sacrifices has changed. v1: NOW: A transitional word connecting and presenting a flow of information building upon the previous chapter. v1: WHO IS SET ON THE RIGHT HAND OF THE THRONE OF MAJESTY IN THE HEAVENS: The same way it was happening at the end of the EoM is the same way it is at the resumption of the Israel program. v2: The remnant is going to have to do business with a High Priest who is not a Levite servicing the temple. Difficult if you have had all these physical traditions for all of this time, and then you don't have that anymore, it feels very awkward. All the rituals and liturgy feels like 'worship' to them. There's the affection for family members. There's the peer pressure. There's the family members turning on them. Some are being killed. There's the idea of feeling out of place, everything is working against me.
Hebrews 8	GH: IPF verse	v6: BETTER COVENANT...BETTER PROMISES: See that the New Covenant is a better covenant, meant to replace the old one. The New Testament is the “New Covenant” that was the subject of prophecy, thus making it part of Israel’s Prophetic Program. Means you had to have a worse covenant and worse promises. The New Covenant is for those who were under the Old Covenant. See O.T. vs. N.T. comparison in Hebrews - Revelation section. v13: READY TO VANISH AWAY: The time is coming in which the old one was “ready to vanish away” and be replaced with the new.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 8:12		12 For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more. Written to the little flock. Does not mean God has lost His memory of what you did. He is saying I won't remember them against you. Because He is God, He doesn't forget. THEIR SINS AND THEIR INIQUITIES WILL I REMEMBER NO MORE: God is not saying that He will lose His memory of them, He cannot do that. What He is saying is that He will not hold those sins and iniquities against them. When the Father looks at us, He sees the righteousness of His Son, but that does not mean He has no memory of when we were lost sinners. It does not mean He knows we were sinners, but He doesn't remember what we did wrong. It means He will not remember it against us.
Hebrews 8:13		13 In that he saith, A new covenant, he hath made the first old. Now that which decayeth and waxeth old is ready to vanish away. THAT WHICH IS OLD IS READY TO VANISH AWAY: GH: Shows the OLD covenant is going to be replaced by the Palestinian covenant.
Hebrews 9-10		There is going to be a time back here when the remnant is going to be told to go to the apostate element of the nation of Israel and they are going to be told to tell the Truth about Israel's Messiah and the sacrifice that He made on the Cross and there is no need for the sacrifical system in the Temple anymore. He has made one sacrifice for sin and it took care of everything forever and sat down at the right Hand of God. Then he says the blood of bulls and goats could never take away sins. This is personal, they are going to be dealing with family members - coming to their parents, to their children, to their uncles, to their neighbors, to their friends, and say, look, I know what is in store for you if you continue down this path. Jesus was the Messiah. Our nation crucified Him. But that was OK because when He died, He provided Redemption that did away with all the sacrifical system. You have an opportunity to have your sins forgiven once and for all. They are preaching this but there is going to come a time that the instruction is going to come to them to say STOP. The opportunity to the apostate nation is over. Now you have something else to do. The temptation is going to be I can't stop this, I've got to continue. MM says just like the opportunity for reconciliation will stop here (at the Rapture), the opportunity for the nation is going to come to a stop. There is this time element that coming when he is going to say, you can no longer stay with the apostate nation. You're going to have to do two things. 1. Going to go UNTO PERFECTION-Hebrews 6:1 - It's time for your education to go on. 2. GH: MADE PERFECT IN EVERY GOOD WORK-Hebrews 13:21 - prayer

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 9	GH: IPF verse	Teaches the believing remnant how to function under the New Testament. The New Testament came into effect at the death of Jesus Christ on the Cross. Compares the offerings of the old covenant (the Law of Moses) to the offering made under the New Testament. You will see where it is said that Jesus is the “Mediator of the New Testament.” Once a specific event had occurred, you will see when that New Testament was considered to be “in force.” Until that time, the Bible says it was “of no strength at all.” Speaks of what was procured by Jesus the High Priest that could never be offered by the Levitical priesthood. If Jesus is 'the mediator of the New Testament', when He is born of the world, He hadn't suffered death yet so you are still in the Old Testament. □ * When He starts His ministry, He hadn't suffered death yet so you are still in the Old Testament. □ * When He performs His miracles and heals people, He hadn't suffered death yet so you are still in the Old Testament. □ * When He was having the last supper with His disciples, He hadn't suffered death yet so you are still in the Old Testament. □ * When He is in the Garden of Gethsemane, He hadn't suffered death yet so you are still in the Old Testament. □ So almost all of the Gospels are part of the O.T., which was given to the nation of Israel, the Circumcision, the Hebrew people. □
Hebrews 9	GH: IPF verse	v1: THEN: A transitional word connecting and presenting a flow of information building upon the previous chapter. v12-14: What was procured by Jesus, the High Priest, that could never be gotten by the Levitical priesthood. v12: BY HIS OWN BLOOD: v12: HAVING OBTAINED ETERNAL REDEMPTION FOR US: v15: The N.T. is going to accomplish what the O.T. could not. Now they are under the N.T., they need to be told about it. It needs to be explained to them. v15: HE IS THE MEDIATOR OF THE NEW TESTAMENT: Jesus Christ. v15: FIRST TESTAMENT: v16: THERE MUST ALSO OF NECESSITY BE THE DEATH OF A TESTATOR: v17: A TESTAMENT IS OF FORCE AFTER MEN ARE DEAD: OTHERWISE IT IS OF NO STRENGTH AT ALL WHILE THE TESTATOR LIVETH:
Hebrews 9	GH: IPF verse	v17: A TESTAMENT IS OF FORCE AFTER MEN ARE DEAD: If you have a last will and testament, it doesn't come into force until after you are dead. v28: UNTO THEM THAT LOOK FOR HIM SHALL HE APPEAR THE SECOND TIME WITHOUT SIN UNTO SALVATION: Infers those who don't look for Him will still see Him but He will be appearing to them for something else.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 9:12		12 Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us. BLOOD OF GOATS AND CALVES: Was a picture of that which was to come. BY HIS OWN BLOOD HE ENTERED IN ONCE INTO THE HOLY PLACE, HAVING OBTAINED ETERNAL REDEMPTION FOR US HOLY PLACE: Third heaven (GH: Sounds like MM believes the following) It has been suggested that the ascension Jesus referred to when talking to Mary and not the one which took place 40 days after His resurrection, but was to happen immediately following His resurrection, to sprinkle His own blood on the mercy seat in heaven, functioning as a high priest.
Hebrews 9:15		15 And for this cause he is the mediator of the new testament, that by means of death, for the redemption of the transgressions that were under the first testament, they which are called might receive the promise of eternal inheritance. MEDIATOR OF THE NEW TESTAMENT: Jesus Christ
Hebrews 9:16-17		MM showing the gospels are still the O.T. Christ is the mediator of the N.T. Gospels all end with the DBR so you can't get into the N.T. until you have THE DEATH OF THE TESTATOR. Doctrinally, the gospels are still in the O.T. The blank pages are symbolic of the 400 years of silence.
Hebrews 9:16		16 For where a testament is, there must also of necessity be the death of the testator. **A covenant is not enforced until the death of a testator. If you have a last will and testament, when does that go into force? When you die. Means the Old Testament is still enforced until the Cross.'**
Hebrews 9:17		17 For a testament is of force after men are dead: otherwise it is of no strength at all while the testator liveth. If you make out a last will and testament, doesn't mean your kids can come and get your stuff now. Means you would have to wait until His Death to start a New Testament. When you are talking about Matthew, Mark, Luke, and John and Jesus is talking to them in parables, He hasn't died yet so you are still in the Old Testament. Blank pages in the Bible from Malachi to the birth of Jesus - 400 years of absolute silence where God doesn't raise up a single prophet, write a single verse of scripture. O.T. prophets closed out where there was a period of time that they were not going to hear a single peep from God. Why you have the blank pages. Next time God is talking to you it will be the forefunner of the Messiah showing up to prepare you the way of the Lord make straight in the desert a highway for our God. Matthew, Mark, Luke, and John are still O.T. writers but we preach out of them every Sunday. If you are still under the Old Testament, you are still under the law. Can't take O.T. verses and put them on the body of Christ in the DOGG. MM says you can't commit a bigger travesty.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 9:19-22		19 For when Moses had spoken every precept to all the people according to the law, he took the blood of calves and of goats, with water, and scarlet wool, and hyssop, and sprinkled both the book, and all the people, 20 Saying, This is the blood of the testament which God hath enjoined unto you. 21 Moreover he sprinkled with blood both the tabernacle, and all the vessels of the ministry. 22 And almost all things are by the law purged with blood; and without shedding of blood is no remission. v20: TESTAMENT: The Old TESTAMENT or the law. v21: WITH BLOOD: The blood of bulls and goats. v22: WITHOUT SHEDDING OF BLOOD IS NO REMISSION: Providing for sins to be remitted back in that old covenant.
Hebrews 9:23		23 It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. IT WAS THEREFORE NECESSARY THAT THE PATTERNS OF THINGS IN THE HEAVENS SHOULD BE PURIFIED WITH THESE
Hebrews 9:24		24 For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us: HEAVEN ITSELF: It is within the proper use of the language to use “it” to refer to the Spirit of God. You could leave ITSELF out and it would still make perfect sense. ITSELF is following a noun. Why even have it? It is placing emphasis. Perfectly fine to use with a neuter noun. FOR CHRIST IS NOT ENTERED INTO THE HOLY PLACES MADE WITH HANDS, WHICH ARE FIGURES OF THE TRUE; BUT INTO HEAVEN ITSELF (GH: Sounds like MM believes the following) It has been suggested that the ascension Jesus referred to when talking to Mary and not the one which took place 40 days after His resurrection, but was to happen immediately following His resurrection, to sprinkle His own blood on the mercy seat in heaven, functioning as a high priest.
Hebrews 9:26		26 For then must he often have suffered since the foundation of the world: but now once in the end of the world hath he appeared to put away sin by the sacrifice of himself. Talking about Jesus Christ. BUT NOW ONCE: MM says if Jesus Sacrifice wasn't any better than bulls and goats, He would have had to keep going. IN THE END OF THE WORLD HATH HE APPEARED TO PUT AWAY SIN: TO PUT AWAY SIN: Only the Blood of Christ can take away sin. MM says this is different than remission of sins before the Cross. END OF THE WORLD: Starts with the 4th installment of the 5th CoP. The WORLD OF THE UNGODLY-2 Peter 2:5 is coming to an end.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 9:28	GH: Cross verse	28 So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation. Jesus took upon Himself the sins of the world, and suffered for all of them in a matter of hours. Point: God is not letting Jesus off the hook by just a few hours on the Cross and you just die a physical death. And I AM going to raise you up, don't worry about it. This is a terrifying burden for anyone to carry. Jesus did that and carried out the Will of His Father.
Hebrews 10		Says to the believing remnant when the temple gets rebuilt and they start doing those sacrifices again, don't go back into that rebuilt temple and participate in those sacrifices because the blood of bulls and goats could never take away sins. If you've already trusted the blood of Christ, what will you do with the blood of bulls and goats? If you have already been baptized into the body of Christ by the Spirit, why do you need the symbol of water? Israel did the symbol because they didn't get the real one. So you know what we do!?! We act like we don't and we're busy getting the symbol.
Hebrews 10	GH: SIIP Verse	v4: IT IS NOT POSSIBLE THAT THE BLODD OF BULLS AND GOATS SHOULD TAKE AWAY SIN: This is the issue when the believing remnant refuse to go into the rebuilt temple and participate in those animal sacrifices and instead go outside the city of Jerusalem to the Cross and identify with Him, bearing HIS REPROACH-Hebrews 13:13. v19: ENTER INTO THE HOLIEST BY THE BLOOD OF JESUS: Only the believing remnant can say that. This is about the remnant. v21: HAVING AN HIGH PRIEST OVER THE HOUSE OF GOD: Talking about a different high priest than that one they are used to. Jesus is going to be a High Priest after a new way, after a living way. This one is efficacious. v23: LET US HOLD FAST THE PROFESSION OF OUR FAITH WITHOUT WAVERING: Is not the profession that you believe Jesus is the Christ, but that He is the high priest of a better priesthood, where the forgiveness of sins is not in the blood of bulls and goats, but in the blood of Christ shed on the Cross.
Hebrews 10	GH: SIIP Verse	About their profession of: 1. Christ as their Apostle (Hebrews 3 - 4) 2. Christ as their High Priest (Hebrews 5 - 10) - MM says there is a whole lot riding on this. It's a big, big deal. Don't go back into that VRS. When they go back into the Temple and participate in the animal sacrifices, you are saying the Blood of Jesus is not enough. v23: PROFESSION: Is that they believe that Jesus is a High Priest now of a whole different priesthood, after the order of Melchizedek. And it is by His Blood that they now have been cleansed from sin and there is no animal sacrifice.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10	GH: SIIP Verse	v23: WITHOUT WAVERING: Don't be wishy-washy or don't flip-flop. Or I am doing it I am doing it but now I am not. v26: Mistakenly, people read this and think if we sin willfully after you've been saved they're going to lose their salvation, that's there's no more sacrifice for sin. That's not what is being talked about here. They don't understand what is going on in the background. What is at stake is not eternal life, but what is at stake is rewards in the kingdom. Is saying that if a member of the BR commits this particular sin, he will lose his kingdom reward, he will lose his divine protection, and he will lose his supernatural provision for the rest of the Tribulation. If you go back in there and you participate in that VRS, there remaineth no more sacrifice for sins. Not talking about going to hell. Look at v27. v26: SIN WILFULLY: You knew you weren't supposed to but you did it anyway. This sin on the part of the believing remnant will result in the loss of salvation. v26: SIN: Not talking about any sin at all, he is talking about a specific sin. There is one sin which will get the most attention once Israel's program has resumed. There is one sin which seems to be hardest one for the BR to deal with. They are not supposed to do a lot of things, but not all of them will immediately cut them off, and land them under the judgment of God. This SIN is to abandon Christ as their High Priest, to go back to the temple and participate in Israel's vain religious system (VRS) with its animal sacrifices, is to make a mockery of the redemption of Jesus Christ on the Cross, and God will not tolerate it. Indicates that they are doing something they know they are not supposed to do, and they fully understand the consequences of their actions, but they do it anyway.
Hebrews 10	GH: SIIP Verse	MM says this is the SIN by which most of the believing remnant will fail. Described as THE SIN WHICH DOTH SO EASILY BESET US-Hebrews 12:1. MM says to go back in and participate in the old deal is such a big deal that it is sin. Won't lose your salvation, you'll lose the ability to be delivered, to be divinely protected when you can't buy or sell, you'll be provided for. And then one day you will stand before the Son of Man and receive a reward in the kingdom. You'll lose all of that. v26: NO MORE SACRIFICE FOR SINS: People mistakenly think see their sins aren't forgiven and they are going to hell, they lost their salvation. MM says you can't just read one verse and get a conclusion out of it. v27: A CERTAIN FEARFUL LOOKING FOR JUDGMENT AND FIERY INDIGNATION: What they have to look forward to if they SIN WILFILLY-v26. Designed for God's adversaries. This is not talking about hell, but the judgments which will fall on the earth. If some member of the BR does not remain faithful to his profession of Christ as his High Priest, if he refuses to separate himself from the VRS and take on the reproach of Christ, he will experience the same judgments which God prepared for His adversaries. He does not lose his soul salvation (his resurrection to life) but he loses the ability to be divinely protected so he can make it alive through the Tribulation, and he loses his reward to enter the kingdom and rule with Christ. From the time of his willful sin, he is treated as though there is no provision (sacrifice) to protect him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10	GH: SIIP Verse	v32: They are being reminded of when they first heard these things, and they stood fast in the face of Israel's VRS, in spite of the afflictions they suffered. v35: CAST NOT AWAY THEREFORE YOUR CONFIDENCE: Something has happened to them in the meantime. They have begun to let those things slip; they are not as confident as they once were about the doctrine. They are not as confident as they once were in their profession of Christ therefore they are exhorted not to CAST NOT AWAY THEREFORE YOUR CONFIDENCE because it has GREAT RECOMPENCE OF REWARD. If they draw back into that VRS, if they ignore the marker for them to stop their testimony to their unsaved brethren, if they participate in those animal sacrifices, they will miss out on two things: 1) the ability to escape the judgments of the Tribulation, and 2) the honor and reward of entrance into the kingdom and ruling with Christ. This is what they have to look forward to when the Lord returns to set up His kingdom and they "stand before the Lord" for reward.
Hebrews 10	GH: IPF verse	Admonishes the remnant not to go back to Israel's vain religious system. Nutshell: * The old sacrifices could never take away sins-v11 (impossible for them to do that) * Jesus offered/made one Sacrifice forever to take away sins-v12 * By that one Sacrifice He perfected forever them that are sanctified-v14 * Where their sins are remitted, there is no more need for sin offerings-v18 (because what Jesus did was sufficient, nothing else needed) * Therefore, they can enter into the holiest...-v19 (God would kill them if they did this before) * ...because Jesus is their High Priest-v21 * So they are to hold fast to their profession without wavering-v23 (that Jesus Christ is your Apostle and that Jesus Christ is your High Priest) * And keep doing good works as they see "the day approaching"-v25 * If they go back into the temple and partake of the sacrifices they will endure the judgments of the day of wrath-v26 * Instead of being counted "worthy to escape" they will be counted worthy of the same wrath that will devour the adversaries-v27 * The Lord will judge His people-v30 (don't get judged with the apostate nation)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10	GH: IPF verse	v1: FOR: A transitional word connecting and presenting a flow of information building upon the previous chapter. v11: THE SAME SACRIFICES, WHICH CAN NEVER TAKE AWAY SINS: The old sacrifices could never take away sins. v12-13: This is the EoM. See Acts 2:32-35. Re-orienting them to where their program left off. v12: ONE SACRIFICE FOR SINS FOR EVER: Jesus offered one sacrifice forever. He will never ever have to come back and repeat this. v12: SAT DOWN AT THE RIGHT HAND OF GOD: This ties to repentance to Israel before and after the DOGG. v13: TILL HIS ENEMEIS BE MADE HIS FOOTSTOOL: This is what He is looking forward to. He is expecting that. v14: BY ONE OFFERING HE HATH PERFECTED FOR EVER THEM THAT ARE SANCTIFIED: By that one sacrifice he perfected forever them that are sanctified. The little flock or believers in Jesus. v16: I WILL PUT MY LAWS IN THEIR HEARTS: Therefore, they can enter into the holiest. v21: HAVING AN HIGH PRIEST OVER THE HOUSE OF GOD: Because Jesus is their High Priest.
Hebrews 10	GH: IPF verse	v23: LET US HOLD FAST THE PROFESION OF OUR FAITH WITHOUT WAVERING: So they are to hold fast to their profession without wavering. v18: WHERE REMISSION OF THESE IS, THERE IS NO MORE OFFERING FOR SIN: Where their sins are remitted, there is no more need for sin offerings because all of this has been taken care of. The little flock understands this and will be preaching this but it's going to be rejected for the most part by Israel's leaders. v19: BOLDNESS TO ENTER INTO THE HOLIEST: Therefore, they can enter into the holiest whereas they couldn't before. v23: LET US HOLD FAST THE PROFESSION OF OUR FAITH WITHOUT WAVERING: The remnant not to go back to the ways of Israel’s vain religious system, but to hold fast to the profession of their faith without wavering. v23: LET US HOLD FAST THE PROFESSION: Admonishes the remnant not to go back to the ways of Israel’s vain religious system, but to hold fast to the profession of their faith without wavering. They need to HOLD FAST because there will be a temptation coming upon them by their brethren, the apostate nation. To not 'hold fast to your profession' but to come back into Israel's vain religious system. It is necessary for them to do this, that's part of their profession, the thing that the Lord will have taught them. Ties back to the beginning of the second section - 'consider the Apostle and High Priest of our profession, Christ Jesus'-Hebrews 3:1. If they waver or they don't HOLD FAST, they will not be counted worthy to escape those judgments.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10	GH: IPF verse	v24: The remnant is told to not only HOLD FAST-v23. v24: TO PROVOKE UNTO LOVE AND TO GOOD WORKS: We have similar commands in the DOGG - Titus 2:12 v25: AS YE SEE THE DAY APPROACHING: And keep doing good works as they see “the day approaching”. v25: THE DAY: Not the day of wrath. They are already in it. A reference to the Second Advent or the Great and Terrible Day of the Lord'. v25: APPROACHING: They will be able to see things that lead up to the Second Advent based on the things in the Hebrew epistles. v26: IF WE SIN WILLFULLY AFTER WE RECEIVED THE KNOWLEDGE OF THE TRUTH: If they go back into the temple and partake of the sacrifices they will endure the judgments of the day of wrath. v26: SIN WILLFILLY: Someone in the believing remnant who decides to go back into the temple and participate in those animal sacrifices that cannot take away sins, they have no value and accomplish nothing. They think 'it feels like church' but he knows better. v26: THERE REMAINETH NO MORE SACRIFICE FOR SINS: Those temple sacrifices are vain, empty, worthless.
Hebrews 10	GH: IPF verse	v27: A CERTAIN FEARFUL LOOKING FOR OF JUDGMENT AND FIERY INDIGNATION, WHICH SHALL DEVOUR THE ADVERSARIES: Instead of being counted “worthy to escape” they will be counted worthy of the same wrath that will devour the adversaries. v27: JUDGMENT AND FIERY INDIGNATION: The judgments that fall during the day of wrath. Instead of being worthy to escape those judgments, if they go back to the apostate nation’s vain religious system, they will feel the full effects of the judgments. Part of the consequence if they do this. See a description of the judgments in Malachi 4:1-3. v27: DEVOUR THE ADVERSARIES: v27: THE ADVERSARIES: The apostate nation and the members of the believing remnant who continued to preach after the marker to stop and/or participated in the animal sacrifices. v27: JUDGMENT AND FIERY INDIGNATION: See Malachi 4:1-3. The believing remnant that succumbs to this is still saved but because their actions are not in line with their position, God says you get the same judgments as the apostate nation. v29: This is what the member of the believing remnant is doing who continues to preach to the apostate nation and/or goes back into the temple and participates in those animal sacrifices.

Hebrews 10	GH: IPF verse	v29: SHALL HE BE THOUGHT WORTHY: v29: HATH COUNTED THE BLOOD OF THE COVENANT, WHEREWITH HE WAS SANCTIFIED, AN UNHOLY THING: v29: WHEREWITH HE WAS SANCTIFIED: v30: VENGEANCE BELONGETH TO ME, I WILL RECOMPENSE: From TO ME BELONGETH VENGEANCE AND REOMPENSE-Deuteronomy 32:35. v30: THE LORD SHALL JUDGE HIS PEOPLE: The Lord will judge His people. From the 'song of Moses' - THE LORD SHALL JUDGE HIS PEOPLE-Deuteronomy 32:36. v31: Be careful what you are looking at, be careful how you are conducting yourself, you know the marker has been given. Separate yourselves from that. Make a clear break. v35: Tells the remnant not to cast away their confidence seeing there is great recompence of reward, being made part of the Lord's royal house out in the kingdom. v36: They will stand fast and not go back into that old religious system. v36: FOR YE HAVE NEED OF PATIENCE: They need patience so that after they do the will of God they receive the promise – which is to be counted worthy stand before the Son (receive reward) and to escape all those things will shall come to pass (judgments of the day of wrath).
Hebrews 10	GH: IPF verse	v36: AFTER YE HAVE DONE THE WILL OF GOD, YE MIGHT RECEIVE THE PROMISE: v36:THE WILL OF GOD: Is for them is to stand fast and no go back into that vain religious system. To separate themselves from the apostate nation. v37: YE MIGHT RECEIVE THE PROMISE: The promise is: * that ye may be able to TO STAND BEFORE THE SON OF MAN-Luke 21:36 - the reward concept of being made part of the Lord's Royal House * that YE MAY BE ACCOUNTED WORTHY TO ESCAPE ALL THESE THINGS THAT SHALL COME TO PASS-Luke 21:36 - the coming judgments that are falling in the tribulation If you do this, you can have this. If you don't, you are not going to get that reward and you are not going to escape those judgments. v37-39: They can go back unto "perdition". v37: Their Messiah will come to deliver them. v37: FOR YET A LITTLE WHILE: It is "yet a little while" and the Messiah will return to deliver them. v37: LITTLE WHILE, AND HE THAT SHALL COME WILL COME, AND WILL NOT TARRY:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10	GH: IPF verse	v38: THE JUST SHALL LIVE BY FAITH: This is true for us as well. Not the only issue for the remnant. The issue with them is not simply justification by faith unto eternal life. There is another justification, in addition to that, that God has in mind for them and that is justification by their works, “as their father Abraham” did. They have two justifications. Compare: - Abraham our (faith or spiritual) father was justified by faith-Romans 4:1-5. - WAS NOT ABRAHAM OUR FATHER JUSTIFIED BY WORKS-James 2:21 Both of these are true. Abraham (and the believing remnant has two in the last days) has two justifications. You have one. v38: BUT IF ANY MAN DRAW BACK, MY SOUL SHALL HAE NO PLEAURE IN HIM: The remnant can draw back into the vain religious system and the apostate nation and God has no pleasure in them. They will not be counted worthy to stand before the Lord upon His return and be given honor and position in the kingdom. They will lose that special status that they could have gotten by holding fast firm unto the end.
Hebrews 10	GH: IPF verse	v38: MY SOUL SHALL HAVE NO PLEASURE IN HIM: You're not going to get the hidden manna, you're not going to be hidden from the antichrist, you're not going to be hidden from the judgments, you're not going to be divinely protected. You are going to get the full force of it just like the apostate nation because you've joined yourself to those who have blasphemed God. v39: BUT WE ARE NOT OF THEM WHO DRAW BACK UNTO PERDITION; BUT OF THEM THAT BELIEVE TO THE SAVING OF THE SOUL: The part of the believing remnant that HOLDs FAST-v23. v39: WE ARE NOT OF THEM WHO DRAW BACK UNTO PERDITION: They can draw back to God’s displeasure, but because they given everlasting life and because they are sanctified, they cannot draw back unto perdition.
Hebrews 10:1	IP	1 For the law having a shadow of good things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the comers thereunto perfect. Israel's forgiveness CAN NEVER WITH THOSE SACRIFICES WHICH THEY OFFERED YEAR BY YEAR CONTINUALLY MAKE THE COMERS THEREUNTO PERFECT: Those sacrifices that Israel engaged in every year couldn't make them perfect, that's why they were practiced year after year after year. THOSE SACRIFICES: bulls & goats. Remember the Day of Atonement every year. They would take a goat and put the sins of the high priest and put the sins of the people on the goat and send it out in the wilderness to die. What about all those sin and trespass offerings that took place during the year? YEAR BY YEAR CONTINUALLY: Had to do it again next year. COMERS: Those who were participating in it. It couldn't make them perfect. Forgive their sins for a year but then need to come right back to that place again next year because those sacrifices couldn't make them perfect.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10:2	IP	2 For then would they not have ceased to be offered? because that the worshippers once purged should have had no more conscience of sins. If those sacrifices could really have accomplished something in those sinful people, they wouldn't have had to repeat those sacrifices year after year after year. They needed a PERFECT forgiveness that not only did the obvious thing - forgave their sins - but it would have also done something to them. Israel didn't get a new identity. All they got was this temporary obeyance for the punishment of sin based in the sacrifices they were involved in.
Hebrews 10:3	IP	3 But in those sacrifices there is a remembrance again made of sins every year. SACRIFICES THERE IS A REMEMBRANCE EVERY YEAR
Hebrews 10:4	GH: Baptism	4 For it is not possible that the blood of bulls and of goats should take away sins. Says that it is not possible for that blood to take away sins. GH: Contradicts Leviticus 4:25-26. Animal sacrifices did actually not take away sins. God required them as an act of obedience, but the only thing that actually pays for sins is the blood of Jesus Christ. And Israel doesn't get their sins blotted out until the future day of atonement. In the OT, God honored the people's faith in offering those sacrifices (which were a foreshadow of the real sacrifice that could take away sins.) TAKE AWAY SINS: The blood of bulls and goats couldn't take away sins like the Blood of Christ can. This is proved by the Day of Atonement that had to be repeated every year.
Hebrews 10:11-15		11 And every priest standeth daily ministering and offering oftentimes the same sacrifices, which can never take away sins: 12 But this man, after he had offered one sacrifice for sins for ever, sat down on the right hand of God; 13 From henceforth expecting till his enemies be made his footstool. 14 For by one offering he hath perfected for ever them that are sanctified. 15 Whereof the Holy Ghost also is a witness to us: for after that he had said before, God tells the believing remnant, when that Temple gets rebuilt, do not go back in and participate in those animal sacrifices. Those sacrifices have been done away with because the One true Sacrifice that did away with sin forever has now taken place. You don't need bulls and goats, you don't need him (GH: the high priest) to enter once a year into the holy place so you can have your sins forgiven for a year. You come to Him and they are forgiven forever. That's what you need. And the believing remnant out there is going to be preaching that the historic Jesus of Nazareth is Israel's Christ. Why do you want to help them rebuild a Temple to reinstitute a sacrificial system that will send them to hell? Just amazes MM. But we are going to raise money to do it in the Name of Jesus. That's how shallow our understanding of this Book is. Why it says He made one sacrifice forever and sat down on the right hand of Majesty - Hebrews 10:12. v13: Once you've got Jesus, you don't need the red heifer.
Hebrews 10:11	IP / GH: Baptism	11 And every priest standeth daily ministering and offering oftentimes the same sacrifices, which can never take away sins: Our forgiveness is different than that. WHICH CAN NEVER TAKE AWAY SINS CAN NEVER TAKE AWAY SINS: If they could, why did they need to do the sacrifices over and over and over?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10:12	IP	12 But this man, after he had offered one sacrifice for sins for ever, sat down on the right hand of God; After Jesus offered 1 sacrifice for sin forever He sat down at the right Hand of the Father. THIS MAN: Talking about Christ. OFFERED ONE SACRIFICE FOR SINS FOR EVER: We hadn't committed any sins when Jesus died on the Cross but the wonderful part about this is it not only does it apply to every sin I ever committed, it covers/pays for the totality of my sins. He not only did something very different than Israel's program: ONE SACRIFICE: Doesn't have to be repeated like Israel year after year. If the blood of bulls and goats could take away sins, how come the priest had to keep doing it over and over? But this Man offered One Sacrifice forever and then sat down at the right hand of majesty.
Hebrews 10:16		16 This is the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them; Written to the little flock. Does not mean God has lost His memory of what you did. He is saying I won't remember them against you. Because He is God, He doesn't forget.
Hebrews 10:17		17 And their sins and iniquities will I remember no more. THEIR SINS AND INIQUITIES WILL I REMEMBER NO MORE: God is not saying that He will lose His memory of them, He cannot do that. What His is saying is that He will not hold those sins and iniquities against them. When the Father looks at us, He sees the righteousness of His Son, but that does not mean He has no memory of when we were lost sinners. It does not mean He knows we were sinners, but He doesn't remember what we did wrong. It means He will not remember it against us.
Hebrews 10:26		26 For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, Because of family connections, they know what is right but they are going to cave in and they are going to participate in those sacrifices. The Bible says about them - FOR IF WE SIN WILLFULLY AFTER WE RECEIVE THE KNOWLEDGE OF THE TRUTH THERE REMAINETH NO MORE SACRIFICE FOR SIN. You can go back in and participate all you want, all you are doing is sinning willfully, there's no sacrifice taking place there. God doesn't honor that thing one little bit. These are the folks that are going to be in utter darkness where there is WEEPING AND GNASHING OF TEETH-Luke 13:28. Those are unfaithful servants. They went right in and cooperated with the POE.
Hebrews 10:28	GH: GPPI verse	28 He that despised Moses' law died without mercy under two or three witnesses: As far as the terms of the law, things such as "mercy" and "grace" are foreign. The book of Hebrews bears witness to this. Being ignorant of God's mercy and grace, many scholars have charged God with being an angry, mean-spirited and capricious God in the OT. But when you understand what the law is about, when you know what Israel agreed to, and how God responds to them, you discover that He was long-suffering and merciful. The fact that Israel survived at all proves God's grace in dealing with them. Even today, men continue to over-estimate what they deserve in treatment from God. MM says if you transgressed the law, there were consequences for it and there was no mercy, there was no allowance for mercy. DIED WITHOUT MERCY: What happened to people who did not obey the law, if you stepped out of line, you got punished. They would stone them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 10:31		31 It is a fearful thing to fall into the hands of the living God. It's a terrible thing to fall into the Hands of an angry God.
Hebrews 10:38-39		38 Now the just shall live by faith: but if any man draw back, my soul shall have no pleasure in him. 39 But we are not of them who draw back unto perdition; but of them that believe to the saving of the soul. v39: TO THE SAVING OF THE SOUL: This is a sanctification issue. Same thing is going on in Paul's epistles. v39: SAVING OF THE SOUL: Is actually a sanctification issue. Our soul is “saved” but it may not look/act like it. The natural man is the man who is influenced and controlled by his soul. You can have the Spirit of God in your spirit and still regard evil in your soul. Sonship is the process of producing the life of God’s Son in every part of us; body, soul and spirit.
Hebrews 11		**Known as the faith chapter, there's not one single person in the list that did anything by faith that wasn't what God had told them beforehand.** Noah did not build the ark because he dreamed it up; he built the ark in response to God’s command, and warning that He would destroy the earth with a flood. Noah’s faith was in what God said, he believed what God said. And so was everyone else’s in Hebrews 11.
Hebrews 11	GH: SIIP Verse	If a member of the believing remnant goes back into the temple, participates in that VRS, they don't lose their promise to be resurrected, but they will lose their opportunity for a BETTER RESURRECTION-v35. v2: A GOOD REPORT: What everyone is looking for. v35: THAT THEY MIGHT OBTAIN A BETTER RESURRECTION: The end result of having A GOOD REPORT-v2, A BETTER RESURRECTION. v35: BETTER RESURRECTION: Implies a worse or lessor resurrection. Would include a “recompense of reward.” The issue with the believing remnant isn’t just JUEL and victory over death, but the obtaining of A GOOD REPORT-v2 which they receive through faith and their steadfastness in the face of oppositions, temptations and persecutions against them. That is the “righteousness” God is looking for. See EXCEPT YOUR RIGHTEOUSNESS SHALL EXCEED...YE SHALL IN NO CASE ENTER INTO THE KINGDOM OF HEAVEN-Matthew 5:20.
Hebrews 11	GH: SIIP Verse	v35: BETTER: Can't be BETTER if it is the only one. Implies a comparison between two. The normal resurrection means out here in the kingdom, you get raised and given life. Will live forever, you're JUEL. A BETTER RESURRECTION is to be raised and to be given entrance into the kingdom and to reign with Christ in His kingdom as part of His royal house, living in the new Jerusalem with the Lord. v35: RESURRECTION: Right before the kingdom, all of the JUEL from time past are going to be resurrected (brought back to life) to go into the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 11	GH: IPF verse	Gives examples to the remnant of those who by faith 'obtained a good report'-v2. Meant to be an encouragement to them, showing them that others have gone through difficulties. A model for the remnant not to be discouraged in their circumstances. If the members of the remnant will remain faithful and HOLD FAST to the end, as these did, they can also OBTAIN A GOOD REPORT-v2, get a BETTER RESURRECTION-v35, and will participate along with these in the coming kingdom. v1-2: The remnant by holding fast firm unto the end, can obtain a good report. They can have a “better resurrection” (reward and privilege) and go into the kingdom. v1: NOW: A transitional word connecting and presenting a flow of information building upon the previous chapter. v2: OBTAINED A GOOD REPORT: They, by holding fast, firm unto the end, can also obtain a good report. They can have a “better resurrection” and go into the kingdom.
Hebrews 11	GH: IPF verse	v31-38: Gives an account at the end of FOR SO PERSECUTED THEY THE PROPHETS WHICH WERE BEFORE YOU-Matthew 5:12. Saying the same thing the Lord said in Matthew 5. They will be persecuted for their stand/belief that Jesus is the Christ, which separates the believing remnant from the apostate nation. That is the issue that will force them to separate themselves from the vain religious system of the nation. If they endure the hardships, the reviling and the persecutions, there is a reward for them in the Kingdom. Those rewards don’t come in the Day of Wrath. But if believe that Jesus is the Christ, their behavior is going to change (get away from the sacrifices going on in the temple). If they conduct themselves rightly, then they will be counted worthy to “escape” the judgments coming on the world and they may be “hidden” from the extermination policy of the Antichrist. v32: DAVID ALSO, AND SAMUEL, AND OF THE PROPHETS: v35: NOT ACCEPTING DELIVERANCE; THAT THEY MIGHT OBTAIN A BETTER RESURRECTION: v35: A BETTER RESURRECTION: They are offered a “better resurrection” by holding firm unto the end their profession. Has the idea of reward and privilege.
Hebrews 11	GH: IPF verse	v36: MOCKINGS AND SCOURGINGS: v36: IMPRISONMENT: v37: STONED: v37: SAWN ASUNDER: v37: TEMPTED: v37: SLAIN: v37: BEING DESTITUTE, AFFLICTED, TORMENTED: v39-40: Even though all these obtained a good report, they did not receive the promise, they didn't get the kingdom.
Hebrews 11	GH: IPF verse	v39: THE PROMISE: Has to do with not only a resurrection, but with an earthly, millennial inheritance in the “world to come.” Once this group in Hebrews (the remnant) comes through this final part of the last cycle of judgment, there is going to be a resurrection and reward in the kingdom. Then, everyone who has that “good report” will obtain the promise that was given all the way back to Abraham.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 11:1		1 Now faith is the substance of things hoped for, the evidence of things not seen. This verse is not talking about the basis for faith, but what faith itself is evidencing. This verse is saying that faith itself is the evidence of things which have not yet come to pass. But true faith is based on evidence. Whenever you hear someone say that faith is believing without evidence, they have misdefined 'faith'. GH: EX We earnestly desire for the Blessed Hope because on this day our FAITH and HOPE give way to 'sight'. FAITH: **Faith is believing what your Father said when there is nothing to see to prove it**. Can't just conjure up a belief (I am going to win the lottery) and now you have faith. **Faith is in what God says in His word**. By faith Noah built an ark. He never did see the rain like was going to come but God told him to do it and he obeyed. By faith Abraham left his country and journeyed to a a place that he knew not (GH: based on what God told him). Is in what God says. THINGS HOPED FOR: Not talking about, I hope it doesn't rain. It's a HOPE, an earnest expectation because God told them about it. EVIDENCE OF THINGS NOT SEEN: Not we believe things that nobody can see. No one is moved without evidence. It's not talking about faith doesn't have any evidence. It's saying faith itself is an evidence of things not seen. THINGS NOT SEEN: Talking about things that haven't yet happened. It doesn't mean no matter where you look, you don't see any evidence for it. MM says we see plenty of evidence that this world is created.
Hebrews 11:3		3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear. Bible tells you about creation and you believed it. We have faith that He is the Creator because He said He was. We didn't dream it up.
Hebrews 11:6	IP / Prayer : Incorrect	6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. WITHOUT FAITH IT IS IMPOSSIBLE TO PLEASE HIM: People incorrectly believe that God will intervene if they have enough faith.
Hebrews 11:7		7 By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith. Noah was TOLD something and that's what his faith was in. BY FAITH NOAH: Noah didn't just say you know I'm going to build an ark because one day it might rain. The only reason he built an ark was because God told him to. He gave him the dimensions, He gave him the blueprint. PREPARED AN ARK

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 11:8		8 By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. Abraham was TOLD to do that. BY FAITH ABRAHAM OBEYED; AND HE WENT OUT: When Abraham WENT OUT, it wasn't something he dreamed up, it was based on what God told him.
Hebrews 11:9		9 By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: God TOLD him to do that.
Hebrews 11:10	Check old file	For he looked for a city which hath foundations, whose builder and maker is God. HE LOOKED FOR A CITY WHICH HATH FOUNDATIONS, WHOSE BUILDER AND MAKER IS GOD: Right now, the New Jerusalem is in the third heaven. This is the city Abraham was looking for as described in the book of Hebrews. GH: See Genesis 1:1, Psalm 104:3, and Revelation 20. GH: See what the Spirit is doing by looking at Genesis 1:2, Psalm 104:1-3, Hebrews 11:10, and Revelation 21:1-4.
Hebrews 11:11		11 Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised. Because she really wanted it real bad and she claimed it by faith? No. Because she believed Him who promised. THROUGH FAITH SARA WAS DELIVERED OF A CHILD WHEN SHE WAS PAST AGE, BECAUSE SHE JUDGED HIM FAITHFIL WHO HAD PROMISED
Hebrews 11:12		12 Therefore sprang there even of one, and him as good as dead, so many as the stars of the sky in multitude, and as the sand which is by the sea shore innumerable. HIM AS GOOD AS DEAD: Talking about Abraham. He was too old too (GH: to have a child).
Hebrews 11:13		13 These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth. THE PROMISES: They didn't come true during their lifetimes but they had faith because God told them.
Hebrews 11:17		17 By faith Abraham, when he was tried, offered up Isaac: and he that had received the promises offered up his only begotten son, BY FAITH ABRAHAM THE PROMISES: GH: The Abrahamic covenant promises: (1) A GREAT NATION-Genesis 12:2 (2) Multiplied lineage-WILL MULTIPLY THEE EXCEEDINGLY-Genesis 17:2. OFFERED UP (ISAAC): God told him to do that. Because God had promised through Isaac the Seed would come, he believed that even if he put him to death on that altar that God would raise him up and keep the promise.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 11:19		19 Accounting that God was able to raise him up, even from the dead; from whence also he received him in a figure. ACCOUNTING THAT GOD WAS ABLE TO RAISE HIM UP, EVEN FROM THE DEAD: Abraham was so sure God would keep His promise that He knew that even if he sacrificed Isaac, God would raise that boy from the dead to keep His promise concerning Isaac. It never was a question for Abraham of whether he would lose his son, he knew he would not. The test here was not about who do you love more, God or your son. The test here was do you trust God to keep His word? Since Sonship is about your Father explaining "why" about everything, there is no "blind obedience" to Sonship. That concept is actually diametrically opposed to what God is doing with us as sons.
Hebrews 12	GH: SIIP Verse	v1: THE SIN WHICH DOTH SO EASILY BESET US: He is not talking about sin in general here; he is talking about the willful sin of joining back up with the VRS in Israel. To abandon Christ as their High Priest, to go back to the temple and participate in Israel's vain religious system (VRS) with its animal sacrifices, is to make a mockery of the redemption of Jesus Christ on the Cross. This issue of separating themselves from the VRS is huge. Is the sin of going back under the old covenant, back under the former priesthood and its way of doing things. You may think this is nothing but think about how Christians grew up in this country and the challenge of understanding RDW? How hard is it to understand that God isn't intervening in our physical circumstances today, He is strengthening your inner man so that you can be conformed to the image of His Son? How about the prayer issue? Because we grew up thinking about it this way, it's how we lived it. That's Israel. MM says God doesn't need a temple today, He has one, in the body of Christ. v1: SO EASILY BESET US: Because the nation is completely wrapped up in it, the members of their families are wrapped up in it, and it has tradition behind it, it has history behind it, it is part of what made them unique in the world, and it is spoken of in their scriptures.
Hebrews 12	GH: SIIP Verse	v4: HAVE NOT RESISTED UNTO BLOOD: No one in the believing remnant have been killed over this yet - no physical harm yet. This is phase 1 of the PoE, attack the message. In the beginning of the Week, apostate Israel, angry at the separation of the BR, harbor a growing hatred for them. This is no longer just a disagreement, now there is hostility but at this point, there is no physical persecution. This animosity that is going on between the apostate nation and the believing remnant hasn't yet resulted in the believing remnant shedding blood. The argument is just things that are being said and a general attitude of hatred. MM says what you resort to when you don't have a doctrinal argument, you just call people names. It's things being said about the believing remnant and how they are treated. GH: MM tying to THE CARE OF THIS WORLD-Matthew 13:22.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 12	GH: IPF verse	See where the writer of Hebrews says the temptation to continue to preach to the apostate nation after the marker is the paramount problem with the remnant. The first and main pressure will come from the apostate nation, to lure the remnant back into the temple sacrifices. It's not the extermination policy at the beginning but that escalates too. At first, it is the apostate nation that tries to kill them. Then, at the half way point, the antichrist institutes an extermination policy that's not just for the remnant but it's even for the apostate nation that he double-crossed. Forget that temple thing. You are going to need to take the mark and worship him or you're going to get your head cut off. v1-3: Telling the believing remnant to take the lesson here. They are going to keep hammering you. You have to endure this thing. You've got to remain stedfast. Hold fast without wavering. Make sure and understand what you are supposed to do. Don't get wearied and faint. v1: WHEREFORE: A transitional word connecting and presenting a flow of information building upon the previous chapter. v1: SO GREAT A CLOUD OF WITNESSES: The ones in Hebrews 11. All the people who did this and that by faith.
Hebrews 12	GH: IPF verse	v1: THE SIN WHICH DOTH SO EASILY BESET US: The issue for them is not go back into that temple system and participate with the apostate nation in the sacrificial system. That is no longer for them. GH: Old habits die hard. v1: THE SIN: May be more than just a general reference to sin. May be a particular sin that leads them back into the apostacy of the nation. A certain sin that they are prone to. v4: Their refusal to go along with the apostate nation has not yet cost them their lives, but it will. See their lives being threatened in James (introduces it) and 1 Peter (gives details). There is an extermination policy that will eventually be instituted against them. v4: AGAINST SINS: This is THE SIN WHICD DOTH SO EASILY BESET US-Hebrews 12:1, going back into the vain religious system and participating in those animal sacrifices with the apostate nation. v25: SEE THAT YE REFUSE NOT HIM THAT SPEAKETH: MM tying to John 16:1-4.
Hebrews 12	GH: IPF verse	v25: SHALL NOT WE ESCAPE: The remnant is told to “refuse not him that speaketh” because those who refused before did not escape and neither will they “escape” the judgments of the day of wrath unless they are paying attention. v25: HIM THAT SPEAKETH FROM HEAVEN: Jesus spoke to them while on earth and now he is speaking to them while He is in heaven. The Son speaks to Israel on two occasions - giving instruction to the Hebrews, the physical descendants of Abraham. Can become a Jew by converting to Judiaism but you can't become a Hebrew: 1. From earth during His earthly ministry in the Gospels 2. During His heavenly ministry in the Hebrew epistles v26: YET ONCE MORE I SHAKE NOT THE EARTH ONLY, BUT ALSO HEAVEN: Taken from YET ONCE, IT IS A LITTLE WHILE, AND I WILL SHAKE THE HEAVENS, AND THE EARTH-Haggai 2:6. This thing prophesied in Haggai 2:6-7 is coming so they had better REFUSE NOT HIM THAT SPEAKETH-v25 from heaven. When this Guy comes, the kingdom comes with Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 12	GH: IPF verse	v1-6: Warns the remnant of Satan's pending war with them. v3: CONSIDER HIM: v3: LEST YE BE WEARIED AND FAINT IN YOUR MINDS: Ties to the parable of the unjust judge or persistent widow - Luke 18:1-8. v4: YE HAVE NOT RESISTED UNTO BLOOD: Peter will tell them, now you will.
Hebrews 12:2	IP / Suffering = ENDURED THE CROSS, DESPISING THE SHAME	2 Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. His exaltation did not make the Cross go away, but it put it in the perspective an adult son should have. FOR THE JOY THAT WAS SET BEFORE HIM ENDURED THE CROSS: Doesn't say the Cross was joy, but there was a joy on the other side of that Cross. FOR THE JOY THAT WAS SET BEFORE HIM: He endured the Cross and there was a joy in receiving an inheritance for enduring the suffering. He became heir of all things. Even though He dispised the shame, He suffered something. Jesus ENDURED THE CROSS. He looked at something else that was going to be accomplished because of the Cross. That something else was the joy. It wasn't the Cross. The joy was in what was going to get accomplished by the Cross. The Cross was suffering. Ties to godly virtue 'patient endurance' from Romans 8:16-25. ENDURED THE CROSS, DESPISING THE SHAME, AND IS SET DOWN AT THE RIGHT HAND OF THE THRONE OF GOD DISPISING THE SHAME: How do you think anyone would feel about dying a slow, painful, shameful, death between 2 thieves? No one would like that, including our Savior. He was able to endure because of the JOY THAT WAS SET BEFORE HIM. There was something else that was of such joy to Him/meant so much, that He was willing to go through that. Has something to do with HE SHALL BE CALLED A NAZARENE-Matthew 2:23. Not talking about the Cross, talking about what the Cross was going to accomplish.
Hebrews 12:7		7 If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not? GOD DEALETH WITH YOU AS WITH SONS: MM showing that the little flock in the day of Wrath gets the New Covenant early. The little flock will be treated as sons out in the day of Wrath because God is putting on display to the apostate nation the glory of what's waiting for them in the kingdom if they will turn to Christ and in the end they will have this great privilege. Means they will have to get their Sonship education quickly and there's things actually done for them to accelerate that process.
Hebrews 12:15		15 Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you, and thereby many be defiled; LEST ANY ROOT OF BITTERNESS SPRINGING UP TROUBLE YOU: It is easy to see how admonishing a fellow brother or sister could be taken the wrong way and produce feelings of bitterness. This can happen with saints in either program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 12:18-21	GH: GPPI verse	v18: There's a new covenant now. v21: SO TERRIBLE WAS THE SIGHT, THAT MOSES SAID, I EXCEEDINGLY FEAR AND QUAKE: Moses loved God. Moses was God's man. But everything changed in a moment. Before God was dealing with them by His grace. But then they entered into this law contract that God was educating them NOT to do. The law contract was a terrifying agreement (Exodus 19). Moses is trembling with fear because the relationship has changed. The events that immediately took place following their choice of being dealt with by the law were so severe that even Moses admits to quaking in fear. From this point on, their entire history is one of fear and grief. They have literally contracted for certain curses to fall upon them, which we will see outlined in Leviticus 26.
Hebrews 12:22-24		22 But ye are come unto mount Sion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels, 23 To the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect, 24 And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than that of Abel. MM tying this to Revelation 5. v22: MOUNT SION: This is the heavenly MOUNT ZION.
Hebrews 12:28		28 Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear: MM knows this is Hebrews and talking about the kingdom. Talking to the little flock/believing remnant. This is talking about the kingdom and the grace which the members of the believing remnant are supposed to have as they serve God with two things: 1) reverence, and 2) godly fear. Remember, they have been made recipients of the New Covenant and as such, they are meant to operate under grace. And that grace not only produces a service which is with reverence, but is also with godly fear. REVERENCE AND GODLY FEAR: Two separate issues. When faced with our actions and the consequences of our actions. MM tying to Colossians 3:22. Showing REVERENCE AND GODLY FEAR are not the same.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 13	GH: SIIP Verse	v12: This identifies the Lord as their sacrifice for sins, and not the bulls and goats of the VRS. This is why the Lord Jesus is a High Priest after the order of Melchizedek, which is a better priesthood; it operates on the blood of Christ to cover sins and not the blood of bulls and goats which could never take away sin. v12: JESUS ALSO: v12: SUFFERED WITHOUT THE GATE: v12: BEARING HIS REPROACH: They are bearing His reproach by identifying with Him, outside the city where He was crucified, while the VRS is at the rebuilt temple sacrificing animals. v13: When the VRS is going into the rebuilt temple to sacrifice the bulls & goats, you are going to go outside the city where Christ was crucified. Shows them your trust is not in the blood of bulls & goats but it's in the Blood of Christ. And if they rejected Him, they will reject the believing remnant. If they hated Him, they will hate you (John 15:18). Apostate Israel is gathering for the sacrifices, the members of the believing remnant remove themselves from the city (without the camp) to identify with the Lord Jesus who also was crucified outside the gate of the city. The issue being put on display here is FOR IT IS NOT POSSIBLE THAT THE BLODD OF BULLS AND GOATS SHOULD TAKE AWAY SIN-Hebrews 10:4.
Hebrews 13	GH: SIIP Verse	v13: LET US GO FORTH THEREFORE UNTO HIM WITHOUT THE CAMP, BEARKING HIS REPROACH: When the believing remnant see the marker, indicating the time is over, they are to stop their evangelistic efforts; they are to “go without the camp” and “bear His reproach.” They will not participate in the sacrifices of the temple, but they will rely on the doctrine which has been taught to them about “bearing his reproach” (things like its progressive intensity) and how to handle it. They are to leave those fundamental issues which they have been testifying to the lost in Israel, and “go on unto perfection.” v13: LET US GO FORTH THEREFORE UNTO HIM: GH: When the VRS starts up the animal sacrifices in the rebuilt Temple, the believing remnant are not only supposed to NOT go into the rebuilt temple and they are NOT supposed to participate in those animal sacrifices, they are supposed to go to the Cross and identify with Christ. v13: UNTO HIM: Talking about the Lord. v13: WITHOUT THE CAMP: GH: Go out of the city limits of Jerusalem to the Cross, which is outside the city, and identify yourselves with Him and completely disassociate themselves with the VRS and bear HIS REPROACH. When the world sees them doing this, they are going to hate them even more.
Hebrews 13	GH: SIIP Verse	v13: WITHOUT: Outside. v13: BEARING HIS REPROACH: The hatred for the believing remnant will ramp up even more from just not going into the synagogues. MM says there will be a RECOMPENSE OF REWARD-Hebrews 10:35 for those that bear HIS REPROACH. v14: The BR “going without the city” (GH: v14?) is a strong testimony against apostate Israel and their VRS. And this is the catalyst for the ramp up in persecutions which now turn more physically violent.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 13	GH: IPF verse	See a series of exhortations on how to conduct themselves in the face of the apostate nations' vain religious system. v1: LET: A transitional word connecting and presenting a flow of information building upon the previous chapter. v5-6: Comes out of Psalms 27 and 54, referring to this time when they will need to remember the Lord is their helper and they are not to fear what man may do unto [them]. v5: I WILL NEVER LEAVE THEE, NOR FORSAKE THEE: Taken from LEAVE ME NOT, NEITHER FORSAKEME, O GOD OF MY SALVATION-Psalm 27:9. v6: THE LORD IS MY HELPER: Taken from GOD IS MINE HELPER-Psalm 54:4. v7: THEM WHICH HAVE RULE OVER YOU: Sometimes misunderstood to be a command to obey civil authorities, who would tell them to take the mark. But the admonition is to follow those "who have the rule over, you have spoken unto you the word of God." The remnant is even told to "follow the faith" of these rulers. This is not a reference to civil magistrates. Same idea in v7. v8: People incorrectly think the signs and wonders that given to Christ and Israel are still in practice today because Jesus Christ is the "same yesterday, and to day, and for ever." The verse is explained in its context. Verses 5-6 just told them that He is constant in His love and promises (the ones we just showed you were in the psalms). Because He is faithful, the remnant is to do what follows in v13-18.
Hebrews 13	GH: IPF verse	v9-13: See the contrast between the table under the New Covenant and the Old Covenant. There is a division here. The believing remnant is going to identify with this altar, with Him that shed His Blood for our sins and sanctified us and there's going to be a separation between them that bear His reproach and they that hated Me, they're going to hate you. v10: WE HAVE AN ALTAR, WHEREOF THEY HAVE NO RIGHT TO EAT WHICH SERVE THE TABERNACLE: Those that serve in the tabernacle were serving the Old Covenant. v13-18: Because He is faithful, the remnant is to do what follows in these verses. v13: LET US GO FORTH THEREFORE UNTO HIM WITHOUT THE CAMP, BEARING HIS REPROACH: Is the "separation" issue that will be made manifest in the day of wrath. Bearing His reproach has to do with the identity distinction between the remnant and the apostate nation. Telling them to make a clean break from the rebellious religion of the nation, which will be difficult for the remnant. The believing remnant will need to make a clean break and separate themselves from the apostate nation. An admonition to make the break from the religious system of the apostate nation. v15-16: LET US OFFER THE SACRIFICE OF PRAISE...WITH SUCH SACRIFICES GOD IS WELL PLEASED: Ties to WHOSO OFFERETH PRAISE GLORIFIETH ME-Psalm 50:23, which points them back to what He has done as Redeemer. Those who praise Him for what He accomplished on the Cross, glorifies Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Hebrews 13	GH: IPF verse	v17-18: Why it is difficult to determine the author of Hebrews. The author doesn't account himself as an elder or a leader. v17: See v7. v17: THEM THAT RULE OVER YOU: These that “rule over” the remnant are the ones appointed to leadership positions. Talking about the spiritual realm. They are teaching and admonishing the remnant. There's a hierarchy that they will need to observe in the day of wrath. See 1 Peter 5:2. v17: THEM: The remnant's religious elders. Author of Hebrews seems to exclude himself from this group. v18: PRAY FOR US: Now the author is looping himself in with the remnant's religious leaders. v18: LIVE HONESTLY: The members of the remnant are being told to conduct themselves like who they are. The idea is, don’t deny who you are. Let the things that you do reflect who you are as a member of the remnant. v18: HONESTLY: Refers to living according to who they are as members of the little flock. Paul makes similar statements to the body of Christ in the DOGG (Romans 13:13). v21-22: To exhort you to receive the edification that you will be getting in the rest of the Hebrew epistles. It's laying the whole prescription for them.
Hebrews 13	GH: IPF verse	v21-22?: The author prays that the remnant will be made “perfect in every good work” and that what will be “working in them” will be “well-pleasing in God’s Sight.” Those references to “works” and “working” dovetail perfectly with the main focus of James (the next book), which instructs that faith without works is dead. v21: MAKE YOU PERFECT IN EVERY GOOD WORK: This is the link that connects Hebrews and James. This is the main theme for the Book of James. v21: WORKING IN YOU: v22: SUFFER THE WORD OF EXHORTATION: v22: SUFFER: Pay attention. v22: IN FEW WORDS: Not talking about the size of the Book itself, talking about the subject he just introduced - MAKE YOU PERFECT IN EVERY GOOD WORK-v20, which is the main theme of the next Book, James. He is saying he hasn't written a lot about this but they are about to get a lot about it in the Book of James. v23: TIMOTHY: Can't prove that this is the same Timothy who was associated with Paul. According the Acts 16, Timothy was a Jew. During that transitional period, both Paul and Timothy dealt with Jews as well as Gentiles in the book of Acts.
Hebrews 13:8		8 Jesus Christ the same yesterday, and to day, and for ever. As a part of aseity, God is said to be incapable of changing. In His very nature and character, God is unchanging. Important because if He changed, if there's something about God He has to come to, that implies development.
James - Revelation	GH: IPF verse	How the POE is going to work against them. All about the final stage of judgment and what God is doing to preserve a remnant that will return at the end of the tribulation/Daniel's 70th week.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James		James: Written to the remnant out in the Day of Wrath. James: Greeting is TO THE 12 TRIBES (of Israel) SCATTERED ABROAD. 'Well, they are saved Jews'. Really? MM missed that word. Need consistency in looking at this Book. Two justifications in James: 1. JUEL by FAITH - for Salvation 2. Justification by WORKS in the sight of men that keep them from coming under the judgments of the Tribulation, that they may be hidden in the Day of Wrath. If your works don't back up your faith, you will be treated just like the apostate nation. Make sure your works back up what your faith is or God will count you unworthy to escape those judgments.
James	GH: SIIP Verse	Written to the 12 tribes scattered abroad in the 5th installment. James tells them to rejoice when the strip the believing remnant of their wealth because it means they have held firm and they will be able to stand before the Son of Man and be rewarded and get into the kingdom. Israel's VRS is just as big of an issue in James as it is in Hebrews. Every chapter is highlighting a major issue for the believing remnant to obey, to know about and live out of. EX Chapter 2 is justification by works, which is not saved in the sense of being justified. It is saved in the sense of being delivered out there as a member of the believing remnant. When James says if a man says he has faith and have not works can faith save him, he's not talking about saving him from the debt and penalty of sin; he's talking to people who are already saved.
James	GH: IPF verse	Builds on what the remnant learned in Hebrews. Contains an outline with 5 points that tie to 5 chapters. All talk about the abomination that God considered Israel's vain religious system and how they had come back and attached to the law and encumbered it so that the people were actually doing the opposite of what God wanted them to do. The exhortations are given to the believing remnant for them conduct themselves in accordance with who they have been made to be, putting a plain distinction between them and the apostate nation by their actions. * James 1 - The exhortation to endure the "trying of their faith." * James 2 - The exhortation to fulfill the Royal Law. * James 3 - The exhortation to be peacemakers. * James 4 – The exhortation to the remnant to cease having friendship with the world. * James 5 – The exhortation to stand fast in the face of the persecutions that will increase with time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James	GH: IPF verse	God wants the remnant to not only have physical separation from the temple and its observances, but He wants them to behave in such a way that reflects the difference between them and those who have rejected the gospel of the kingdom and Christ as their Messiah. Says it is not enough for the believing remnant to leave out of the temple and out of the city, but your works have to be different than the vain religious system's works, which were based on the encrusting of the law by their oral traditions getting written down. Observing these exhortations will make the remnant to be counted worthy: * to be made part of the Lord's Royal House and rule with Him in His Kingdom * to escape the judgments that will fall during the tribulation * to 'stand before the Son of Man (the Lord)'-Luke 21:36 to be given honor and glory and they will be called 'great'-Matthew 5:19 in the kingdom.
James	GH: IPF verse	Points out major areas of abomination that they have added to the law because the believing remnant who he is writing to has to stand in stark contrast to the vain religious system and separate themselves when the marker comes because God is destroying the vain religious system in the day of wrath. Because if the remnant goes back and participates in the apostate nation's vain religious system, then they will receive the judgments right along with the apostate nation. And then when it is time to go into the kingdom, all of that loss of honor and reward that was held out for them to be able to sit with Jesus at His table, to be in the temple of His God, to rule the nations with a rod of iron, all of these things that were promised to them if they were to endure to the end and separate themselves GH: are gone. Recalling to the remnant's minds the Lord's corrective doctrine and admonishing them to live differently from the apostate nation so that they do appear to be different.
James	GH: IPF verse	The remnant has a two-fold justification. 1. They have a justification by faith in the "eyes of God" is what justifies them unto eternal life. Nothing they did or you did justify them unto eternal life. 2. They have a justification by works and in the "eyes of men" James talks about this. Just because you are part of the remnant doesn't mean guarantee that you'll escape the judgments in the day of wrath. Just because you are part of the little flock doesn't mean you will go into the kingdom with great reward. There is a link that connects the Book of Hebrews to the Book of James. He introduces the topic (MAKE YOU PERFECT IN EVERY GOOD WORK-Hebrews 13:20) at the end of the Book of Hebrews, saying little about it. James takes up this topic, as an exhortation and the main thesis of his Book and he carries it through. Then, at the end of James, there's another link. And these links continue all the way to the Book of the Revelation.
James	GH: IPF verse	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1		Begins to talk about the 3 oppositions that the believing remnant is going to face out there in the day of wrath. 1. Self - there is something that is going to be operating within a son that if he doesn't become aware of it, he will oppose his own Sonship life and be his own worst enemy. 2. World - The world at large because it is everywhere but specifically for a son it'll be that society that surrounds him and that he comes in contact with. There is going to be opposition to his Sonship life. 3. Adversary (not in Chapter 1 - in James 4) James talks about this first - MM fear - **how do you oppose yourself? By learning the doctrine and not applying it to your life. You become your own opposer of your Sonship life**. Then James talks about the opposition of the world. You are going to get some criticism and you are going to be ridiculed. You are going to be looked at like an odd ball. Paul uses terms like THE FILTH OF THE WORLD, AND ARE THE OFFSCOURING OF ALL THINGS-1 Corinthians 4:13. This is not a complimentary phrase. Then James talks about the attack that comes from the adversary. MM has tried to demonstrate once you get to the place where you PUT ON THE ARMOUR OF LIGHT-Romans 13:12, that is the signal to the adversary that you can now receive the first round of opposition from him. In an effort to convince you of the reality of that and for us not to look at that like well, that's really not going to be anything different than anything else I've ever encountered before - MM says it is going to be different.
James 1	GH: SIIP Verse	James is exhorting the believing remnant to endure the trying of their faith and to declare unto them that their faith is going to be tried by Israel’s vain religious system. That vain religious system will present some contrary doctrines to the believing remnant. These doctrines are designed to convince them to let go of (to stop holding fast to) the things they have been taught. To endure the trying of their faith and to conduct themselves as “a kind of firstfruits of God’s creatures” which God has privileged them to be, as faithful members of the believing remnant.
James 1	GH: IPF verse	v10: AS THE FLOWER OF THE GRASS HE SHALL PASS AWAY: The rich are said to fade like the flower of the grass. Ties to the corrupted rich men in James 5:5-9. They condemned and killed the “just.” v10: THE FLOWER OF THE GRASS HE SHALL PASS AWAY: Ties to CUT DOWN LIKE THE GRASS, AND WITHER AS THE GREEN HERB-Psalm 37:2. GH: plant angle v11: SO ALSO SHALL THE RICH MAN FADE AWAY: Ties to CUT DOWN LIKE THE GRASS, AND WITHER AS THE GREEN HERB-Psalm 37:2. GH: 'evildoers'-Psalm 37:1 angle. v12: What the members of the remnant are putting on display is that they love God more than the vain religious system. They will prove that by enduring the temptation to go back into that system and participate. v12: WHEN HE IS TRIED: The major trial to come back into the encumbered law that constitutes the operating system for Israel's vain religious system. v12: THE CROWN OF LIFE: This is the reward for those who can endure and hold out faithful in the Tribulation. See Revelation 2:10. Only two mentions in your Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1	GH: IPF verse	v18: Because they are “begotten with the word of truth,” they are no longer part of the generation of vipers. They have been justified unto eternal life. All of this was done for them when they responded in faith to the gospel of the kingdom. v18: WE SHOULD BE A KIND OF FIRSTFRUITS OF HIS CREATURES: A purpose for saving them. It isn’t just to be justified, but the believing remnant will have the unique, privileged position of being “kind of firstfuits of His creatures”. This is to stand in stark contrast to Israel’s vain religious system in their conduct and behavior and to put on display the kind of creatures that will be living in the kingdom before the kingdom is established. The end result of the day of wrath is not just to have the Kingdom established but to also have “God’s creatures,” that is to do things God’s way, operating in that Kingdom while still living in the day of wrath. Being among the first to be equipped for the Kingdom based on their position “in Christ” and to conduct themselves appropriately. You're kind of a foretaste of what everyone in the kingdom is going to get. Do this by: * physically disassociating themselves from Israel's vain religious system - no longer in the temple and no longer participating in those animal sacrifices because Jesus has already died on the Cross and He became the One Sacrifice for sins
James 1	GH: IPF verse	* their conduct & behavior being different and stands in stark contrast from Israel's vain religious system - God gives specific areas of conduct that are an abomination to Him that He wants done the right way This is the corrective doctrine that makes the believing remnant stand in stark contrast to Israel's vain religious system, not just in their heart, but by their deeds. They are noticeably different and separate in locale and how they conduct themselves. They have the privilege, in the day of wrath, of putting on display the kind of creatures that will be living in the Kingdom. All of that will stand in contrast to what has been put on display in His land and with His people. A righteous remnant will go into the Kingdom, but before it gets established, they are able to be the “firstfruits” of those in the Kingdom. They are showing the love God more than the vain religious system. They will prove that by enduring the temptation to go back into that system and participate. v19-21: The actions they are supposed to be taking. v21: The remnant is supposed to be putting on display that they love God more than the vain religious system. v21: FILTHINESS AND SUPERFUIITY OF NAUGHTINESS: James' description of Israel's vain religious system.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1	GH: IPF verse	v22: BE YE DOERS OF THE WORD, AND NOT HEARERS ONLY: Just because they have heard the truth is not enough, they must conform to the truth in their conduct and behavior. v22: DOERS OF THE WORD: They couldn't do that at the time because the word they had, the vain religious system, was not in truth. The Lord actually has to liberate the law from all of this encrustation that had nullified it and made it OF NONE EFFECT-Mark 7:13. No one can do this by following the vain religious system. v22: Their works will be different from those required by the apostate nation's corruption of the Law of Moses. MM says he would agree that we should hear the truth and do the truth but he would not preach this out of James, but out of Paul's epistles. v25: Whoever looks into that law and continues therein will have blessing attached to his work. He expects them to see the corrective doctrine the Lord gave during His earthly ministry. He expects them to understand what is stripped away (the encrusting encumbrances), and continue in that. Says that whoever looks into that law and continues therein will have blessing attached to his work. v25: WHOSO LOOKETH INTO THE PERFECT LAW OF LIBERTY, AND CONTINUETH THEREIN: The remnant will need to continually do this, otherwise they will get caught back up in the vain religious system.
James 1	GH: IPF verse	v25: THE PERFECT LAW OF LIBERTY: The pure law that God gave to them that had been encrusted by Israel's religious leaders oral traditions and the commandments of men. The law that had been cleaned up from the additions Israel's vain religious system had added to it. Pointing the remnant back to what the Lord provided for the members of the remnant while He was here, making the law honorable again and stripped away all the DROSS-Isaiah 1:25 that Israel's religious leaders added to the law. The corrective doctrine the Lord gave stripped the vanity, traditions, and commandments of men of Israel's vain religious system that had encrusted the law. Having "liberated" the law from those encumbrances, He gives the remnant the "perfect law of liberty." They were given the capacity to follow the law in truth and the capacity to break away from following Israel's vain religious system. Is the law set free: * from the DROSS * that which had encrusted it and hidden it * that which encumbered the law and made it of none effect * from the traditions of the fathers * from the commandments of men

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1	GH: IPF verse	v25: HE BEING NOT A FORGETFUL HEARER, BUT A DOER: This is connected, it is important for them to do this. Just because they hear the word, hearing the truth is not enough. they must conform to the truth in their conduct and behavior. It's the corrective doctrine that strips away the encrustments to give them THE PERFECT LAW OF LIBERTY. v25: THIS MAN SHALL BE BLESSED IN HIS DEED: That work or deed is going to be blessed, it's going to produce a reward for them, to be part of the Royal House in the kingdom, to be able to get reward and the honor and the benefit that is offered to the members of the believing remnant. They do this by standing in stark contract to that vain religious system. v26-27: James warns them not to follow Israel's "vain religious system." v25: THIS MAN SHALL BE BLESSED IN HIS DEED: These members of the remnant are supposed to continue to conduct themselves in the manner they have been exhorted and if they didn't just hear, but they were a "doer of the word" they will be "blessed in [their] deed." There is a blessing to be gained by their work and those blessings are spoken of in the beatitudes as they behave themselves as the "kind of firstfruits" they have been made to be in stark contrast to Israel's vain religious system. v26: If this is how the remnant is going to act, then the Lord says that they are no different from Israel's vain religious system. He says this man's religion is vain. This is exactly what Israel's vain religious system would do. He wants them to be totally different from this and to be seen as different from this.
James 1	GH: IPF verse	v26: IF ANY MAN AMONG YOU SEEM TO BE RELIGIOUS, AND BRIDLETH NOT HIS TONGUE: If you trust in Jesus as your all-sufficient Savior and can't bridle your own tongue, you are still going to heaven. Not written to us today. This is part of the behavior the believing remnant is supposed to exhibit to be viewed as separate from the vain religious system. v26: THIS MAN'S RELIGION IS VAIN: Worthless. v27: Not what we today believe to be saved. v27: PURE RELIGION AND UNDEFILED BEFORE GOD: When the believing remnant conducts themselves in the day of wrath like they will in the kingdom. They do that by not only disassociating themselves from Israel's vain religious system, but by their behavior and conduct beings the converse of that of the apostate nation. James defines PURE RELIGION as these two things. taking you back to the Lord's corrective doctrine in His earthly ministry: 1. v27: TO VISIT THE FATHERLESS AND WIDOWS: Israel's vain religious system 'devour(ed) widow's houses'-Mark 12:40. Not just visiting them only, talking about helping or assisting them in their distress.
James 1	GH: IPF verse	2. v27: KEEP HIMSELF UNSPOTTED FROM THE WORLD: Preview of James 4 telling them that friendship with the world makes them an enemy of God. Friendship with the world lumps them in with the Pharisees, scribes and all that group which the John the Baptist and the Lord called a 'generation of vipers'-Matthew 3:7, 12:34, 23:33; Luke 3:7. The vain religious system was put together so that they would be a friend to the world. These are areas for the believing remnant to stand in stark contrast with Israel's vain religious system. v27: PURE RELIGION: The remnant no longer has a vain religion/vain religious system.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:1		1 James, a servant of God and of the Lord Jesus Christ, to the twelve tribes which are scattered abroad, greeting. THE TWELVE TRIBES WHICH ARE SCATTERED ABROAD: Remnant of Israel. Already have salvation from the debt and penalty of their sins. You see: They have already been “begotten” by God They’re already God’s children They’re already God’s “creatures” They’re no longer members of the apostate nation They are not un-justified They are not in their sins
James 1:1	GH: SIIP Verse	1 James, a servant of God and of the Lord Jesus Christ, to the twelve tribes which are scattered abroad, greeting. THE TWELVE TRIBES WHICH ARE SCATTERED ABROAD: Is written to the members of the believing remnant (BR) outside the land of Israel.
James 1:2		2 My brethren, count it all joy when ye fall into divers temptations; COUNT IT ALL JOY WHEN YE FALL INTO DIVERS TEMPTATIONS: Is going to write about some temptations that will come their way. These are not temptations to sin. These temptations are meant to keep them from applying the doctrine that they have learned in their life, to keep them from living out of that doctrine they've heard and learned. MM says this would seem like an odd phrase to anyone except a son that understood the doctrine. He looks at that and says yeah, that's the way I'm supposed to respond to these. INTO DIVERS TEMPTATIONS: Are not the provocations to commit sin, but they refer to the trying of their faith.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:3		3 Knowing this, that the trying of your faith worketh patience. KNOWING THIS: The reaon they can COUNT IT ALL JOY when they are faced with an opposition that is means to keep them from applying the doctrine to their life is something they are supposed to know. THE TRYING OF YOUR FAITH WORKETH PATIENCE: What it is that they would know, when those oppositions came they would count it all joy. Compare to TRIBULATION WORKETH PATIENCE (Romans 5:3-4). GH: Interdispensational issue? THE TRYING OF YOUR FAITH: The TEMPTATIONS. Not to keep them from knowing the doctrine, they already know this doctrine. If you are the adversary, you want to keep them from living out of it, don't let them apply it to their life. Don't let it show up in their conduct and behavior because if it does, that effectual work will conform them to the image of God's Son. Satan is trying to stop that process so he says THE TRYING OF YOUR FAITH WORKETH PATIENCE. Here's what they are supposed to look at - when those things come that are meant to make them stop living out of the doctrine, they ought to count that all joy because their faith is being tried and that means they have this wisdom that they're going to become skilled in as they overcome those temptations. It's just like anything else, the more you do it the more skilled in it you become. What is difficult in the beginning later becomes almost second nature. MM says like learning to drive a car with a manual transmission. Point: THE TRYING OF their FAITH is sharpening their Sonship skills that come out of the beginning portion of their education. THat's the skills that are being sharpened for them. When these times come upon you, you don't need to be moaning and groaning and complaining about it, you need to COUNT IT ALL JOY, because something is going to be done in you when your faith is being tried that cannot be done any other way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:3		3 Knowing this, that the trying of your faith worketh patience. THE TRYING OF YOUR FAITH (cont'd): Means those things that Satan meant to stop them actually works to develop their skills as sons, to overcome those things. It's the practice field and everything that comes your way needsto be viewed like that and you have to do that on purpose because that's not how we naturally think about things. The natural way is to see those things and to object and grumble and complain. Instead, you're supposed to have a whole different mindset. MM says there will be difficulties that come into our lives. Everyone of them need to be met the exact same way. That this is an opportunity, not just to grow in grace, but become skillful for that world to work in us and for that thing that was detrimental is now going to be beneficial because it is conforming us to the image of Christ when we respond properly to it. MM says start looking at these as opportunities. This is not positive thinking, this is not MM trying to put some spin on it, this is the way your heavenly Father wants you to start looking at it so you don't see it the way that you would normally see it or the way the world would see it. Your Father sees it as COUNT IT ALL JOY. He is not saying, be glad that you are going through the struggle, but what He is saying is what the struggle produces is worth going through. It's worth more than avoiding the struggle. MM tells the Mike Jr. gallon of milk struggle. As he grew and gained strength the thing that caused him to struggle so badly wasn't a struggle anymore. Translate this into your Sonship life, as you grow, the things that cause you to struggle in the beginning, GH: as you engage in that you get strength and not running from it, not complaining about it but seeing it as an opportunity to exercise those spiritual muscles so to speak. James starts off by telling them the mechanical means of how they are made perfect and it's through that TRYING OF their FAITH. They are supposed to look at that and COUNT IT ALL JOY because this is their version of Romans 8:28.
James 1:4		4 But let patience have her perfect work, that ye may be perfect and entire, wanting nothing. BUT LET PATIENCE HAVE HER PERFECT WORK: MM says this is the theme back in the Book of Hebrews. YE MAY BE PERFECT AND ENTIRE, WANTING NOTHING: Picks up on the being made perfect in all the will of God theme at the end of Hebrews. WANTING NOTHING: **Lacking nothing** - but he is not talking about physical things. Not talking you won't lack money or you won't lack good clothes or you won't lack shelter, he is talking about you being PERFECT AND ENTIRE, WANTING NOTHING in your education up to this point (MM circles Wisdom and Justice on the board - from Hebrews). He is talking about the wisdom that they ought to be operating out of. That's what he wants them to be. MM says it can't be physical because He is going to have to feed them manna because they can't buy or sell without the mark.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:5		5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. MM says this is a verse that most people memorized and quoted and thought it meant a certain thing. It didn't mean that at all. The context is - you guys are going to encounter some temptations and those temptation are meant to make you not live out of the doctrine that you have learned. Those things are the TRYING OF YOUR FAITH-Jame 1:3 so you should COUNT IT ALL JOY-James 1:2. They already have Wisdom (from Hebrews) and here's what James is going to say - it makes perfect sense if you understand what is happening. IF ANY MAN LACK WISDOM, LET HIM ASK Of GOD, WHO GIVETH TO ALL MEN LIBERALLY, AND UPBRAIDETH NOT; AND IT SHALL BE GIVEN TO HIM: MM says people read this and think if I need to make a decision - should we sell the house or should we stay, should we get a new car or should we not or if we do, which one should we get - I need God to tell me. People then claim this verse and pray 'I need wisdom to know what to do here'. So we think that God is going to somehow plant a thought in our mind that's suddenly now going to be want He wants us to do. This statement is made with the understanding that you already know your ability to get that wisdom and your ability to get that wisdom is being skillful in the WORD OF RIGHTEOUSNESS-Hebrews 5:13. Verse is not an island you can rip out of your Bible and sit it over there. It is saying in a context that's picked up from Hebrews.
James 1:5		5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. IF ANY OF YOU LACK WISDOM: Two ways to take this. Have to understand the context going on in the Book of James - that the education of the remnant is what is being put forth. That's what's happening. This is not a Book sitting on an island. It is part of the continuing education so knowing that's the context of the remarks made there. It is an education and also knowing the point they are at in the education, their place in the education. It's not like they haven't learned anything, they have. MM says you can't think that you are going to get wisdom apart from the word. If God was going to magically just give you wisdom without any connection to His word, you might as well put this Book on the shelf and you never have to open it again. It is worthless and irrelevant if all you have to do is ask God and He will bypass His word. You know this violates a whole doctrine set up in this Book. You have to remember this is talking about an education. There are some TEMPTATIONS that are meant to keep them from living out of the doctrine. Because James knows what is coming up, he realizes how critical living out of the doctrine is. If you are not living out of the first doctrine, don't think the doctrine after that is going to work because it's built on the previous doctrine. If that is not in you, you can't build on a foundation that doesn't exist. So James is concerned for them here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:5		5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. IF ANY OF YOU LACK WISDOM (cont'd): By the time he gets to James 4, they are learning Judgment and being introduced to the adversary and casting off the works of darkness. But before he gets them there, he is going to make sure the doctrine you had before is actually working in you and you are living out of it. It is that important. MM says you could say if there was wisdom you didn't get you need to go back and get before you move on. That would be true, but in the stricter context - if there's some part of the wisdom that you were exposed to that you are not living out of, you need to go back and fix that. If the temptation is 'don't live the doctrine', if that is successful it will destroy their Sonship life. It is possible to know something and not implement it into your life. Satan can bring some temptations along and say let's not let those be a part of your godly living. MM thinks James is saying, yeah you guys learned some things but those things didn't all get implemented into your living and if you are missing that, GH: you need to fix that. Because that's where the word does its effectual work to conform you to the image of God's Son. If you are not doing that, if you are not living out of the doctrine, then your Sonship life has failed, it has stopped and that's what he is after. LACK WISDOM: He is saying if you lack it, go back and get it because it's important. You've got to have it. LET HIM ASK OF GOD, THAT GIVETH TO ALL MEN LIBERALLY: Written to the believing remnant in the Day of Wrath where they are going to have to have widsom on the spot because they didn't have their lifetime to get educating in the whole thing before it is over in 3.5 years. MM asks how would you like to think your whole Sonship education had 42 months? THAT: MM says all these years he quoted this verse and missed a word. It says THAT, not WHO. A WHO would indicate that God is kind of directly doing it but when it uses THAT, it changes it so you get the impression you should have paid attention to the doctrine at all that the wisdom is coming from somewhere else. Yes, God is the ultimate Author.
James 1:9		9 If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. Because you have already been forgiven, you don't need to do anything to have those sins forgiven. They were forgiven the moment you trusted Jesus Christ as your All-Sufficient Savior. You don't have to do this so you will be right with God so He will hear your prayers. Because you are IN CHRIST you can't be anymore right with God. The problem is living out of that new status. Don't automatically live out of it. Still have all the old ways you used to think. God is not looking for you to confess your sins. He is looking for you to stop that and start living like who He has made you to be IN Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:12-13		12 Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him. 13 Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man: These 3 “not’s” are referring to 3 Pharisaical doctrines with respect to how you could be born of God (begotten), and possess God’s Righteousness and God’s Holiness. Never were the Pharisees saying you'll be begotten of God by faith and trusting in Jesus the Messiah. Thought they were already justified because they were the physical descendants of Abraham. James is telling them, the 3 ways you have been teaching people, that's not the way it works. Those that believe on His Name are born of God and not these other things. v12: Tells the believing remnant who are treated as sons out in the day of wrath that when you sin that is a work of your flesh. Satan has a different goal. v12: FOR WHEN HE IS TRIED: If you are enduring temptation, that is a trial. v13: Here is the declaration that God does not tempt any man with evil. God is not tempting anybody to commit evil/sin and neither is the devil. What the devil is tempting them to do to is to operate undisepensationally - in a time that is not theirs. Will make someone come along and say what about all those times that the Bible says that God tempted so-and-so. Temptation is not always about committing sin, but it can also pertain to the trying of a man’s faith. James says about enduring temptation, “for when he is tried,” which indicates a testing of what a man believes; his faith. MM not referring to his “faith in Christ” I am referring to those things which a man believes, the things which make up a man’s faith.
James 1:13		13 Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man: There are some things that God is NOT doing with regard to EVIL. GOD CANNOT BE TEMPTED WITH EVIL: Godhead cannot sin nor be tempted to sin. Exception: When the Son took on flesh?
James 1:14		14 But every man is tempted, when he is drawn away of his own lust, and enticed. Not the work of the devil and not a work of God, but every man is tempted in this way - WHEN HE IS DRAWN AWAY OF HIS OWN LUST. HIS OWN LUST: Sin is a work of the flesh. Satan is not interested in that. MM knows as Christians, we think I need to just get saved and spend my whole life not sinning. MM is not saying that shouldn't matter to you, not trying to give anybody a green light to just go do whatever you want. He is trying to say there is more to it than that. Satan knows the sin issue is going to be your own flesh and you have to control it with the first two parts of your sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:15		15 Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death. Sin kills us, not disease. Why James says the lost bringeth forth sin and sin when finished bringeth forth death. The end result of sin is death - they are partners - don't get one without the other. End of Romans 5 - sin reigned unto death but righteousness unto eternal life. When Christ died, He took upon Himself the sins of the world. And because He took upon Himself the sins of the whole world, if He had not paid in full for everyone of those sins, He would not have been able to resurrect from the dead because Romans 6:23 says THE WAGES OF SIN IS DEATH. His Resurrection from the dead is the absolute proof that He completely paid infull the entire sin debt for the world. SIN, WHEN IT IS FINISHED, BRINGETH FORTH DEATH: MM linking the BONDAGE OF CORRUPTION to the entrance of sin. The principle transcends dispensations – sin brings corruption (of both kinds – physical and moral/spiritual) and eventually leads to death. SIN BRINGETH FORTH DEATH
James 1:18-2:11		James dealing with members of the believing remnant who are already justified unto eternal life. Tell them how to conduct themselves so that they can be that kind of firstfruits that they were designed to be. Conduct themself in a way that an Israelite is supposed to conduct itself. Talking about their conduct and spiritual maturity.
James 1:18		18 Of his own will begat he us with the word of truth, that we should be a kind of firstfruits of his creatures. If you read/study your Bible in the sequence is given, you know that James cannot be talking about the justification unto eternal life. Members of the remnant have already been begotten with the Word of Truth. People already justified unto eternal life. Only for those who have already been justified unto eternal life. Not talking about a guy that didn't have faith and got justified before God by works. They already have John 1:12 - THE POINT IS: Doctrinally, before you ever get to James, you should already understand & appreciate the fundamental issue of how someone gets “Justified unto Eternal Life” (Saved from the Debt & Penalty of their sins) in the Climatic Stage of God’s program with Israel. Just as Abraham was known as a FRIEND OF GOD-James 2:23 derisively, the remnant better be known by the same title, in the midst of a perverse world, in a terrible time of persecution. Only way you will be known by that is for men to see your works. SHOULD: there is no guarantee they will be! (The Bible is precise)
James 1:18		18 Of his own will begat he us with the word of truth, that we should be a kind of firstfruits of his creatures. James telling the remnant members that they need more than just to be justified unto eternal life in order to get into the kingdom WITH REWARDS! In the Day of Wrath, God begins to deal with the believing remnant as adopted sons to show everyone in the nation what is being held out to them in the Kingdom. Different than the was He dealt with Israel in the past. FIRSTFRUITS: A harvest term. God is going to deal with the remnant in the Day of Wrath as adopted sons which they will be. Everybody in the Kingdom will be treated that way - THE ADOPTION PERTAINETH TO ISRAEL - Romans 9:4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 1:18	GH: SIIP Verse	18 Of his own will begat he us with the word of truth, that we should be a kind of firstfruits of his creatures. A KIND OF FIRSTFRUITS OF HIS CREATURES: The issue of the New Covenant is very much a part of what is done for the believing remnant out in the 5th installment, as they function as a kind of firstfruits. This means that the BR, after the resumption of their program, will have a perfect justification and a perfect sanctification, which will make them "fit" to be used by God in His plan and purpose with them as a "holy nation" and "kingdom of priests." Those are the two components of the New Covenant. We, as members of the body of Christ (BoC), have also been given spiritual fitness by a perfect justification and a perfect sanctification whereby we are made to be the righteousness of God in Christ and the holiness of God in Christ, no matter what we do. It is an identity change for us. THAT WE SHOULD BE A KIND OF FIRSTFRUITS OF HIS OWN CREATURES: Is the keystone issue of the entire book of James. FIRSTFRUITS:
James 1:26		26 If any man among you seem to be religious, and bridleth not his tongue, but deceiveth his own heart, this man's religion is vain. Talks about Israel's VRS meaning VAIN = man's religion, no substance to it. Not talking about 'oh, look at me'. Talking about the other. IF A MAN AMONG YOU SEEM TO BE RELIGIOUS AND BRIDLETH NOT HIS TONGUE THIS MAN'S RELIGION IS VAIN. It's the vanity of their religious system.
James 1:27		27 Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world. PURE RELIGION AND UNDEFILED: That which is different from the vain religious system of the apostate nation. PURE: No longer 'vain'.
James 1:27	GH: SIIP Verse	27 Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world. PURE RELIGION: The way the believing remnant conducts themself, before the kingdom is established, will have the opportunity, during Daniel's 70th week, in the final installment of the 5th CoP. The believing remnant will be dealt with by God in this way before the kingdom arrives. God is going to deal with the faithful members of the believing remnant, and they should already begin to view themselves, as part of the Lord's royal house who will reign with Him in the kingdom. Just as we are supposed to see ourselves seated with Christ in heavenly places, and think and act accordingly, so should they in accordance with their future. Their behavior will be in stark contrast to the vain religious system and it will require them to both physically and doctrinally disassociate themselves from it; for once the kingdom is established, that VRS will be destroyed.
James 2		James is not talking about justification unto eternal life. He doesn't mention faith. He is talking about justification by Works in the Eyes of Men as the Friend of God. He is talking about a reward in the kingdom based on the works of the believing remnant that they will perform in the eyes of men that caused them to earn that title of being a friend of God. He is not worried about their salvation, he is worried about their rewards.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: SIIP Verse	Exhorts the BR to fulfill the "royal law" and conduct themselves in accordance with the standard of the royal kingdom. Those faithful members of the BR will have the privilege of conducting themselves, and being dealt with, as royalty, as part of the Lord's royal house. In latter half of James 2, exhorted to fulfill the royal law and to emulate their father Abraham, who was a friend of God * not about being JUEL, in his justification by works in the eyes of men. It was about standing in contrast to the VRS and apostate Israel who was not "the friend of God," but of the world. Understand when you are going through James, he is talking about a different justification, which is by works so that those works are put on display in the eyes of men and the result is reward in the kingdom. It's not about being JUEL, that's a totally separate issue. v8: THE ROYAL LAW: Because to obey this is to conduct yourself as a member of the Lord's royal house who will rule with Him in the kingdom. It is the requirement for rulership! No wonder Jesus said that whoever would be greatest among them let him be your servant. If the BR do not obey the law of liberty (the Lord's corrective doctrine), but follow after the behaviors of the VRS, there will be no reward in the kingdom, just as Jesus told them in the Sermon on the Mount.
James 2	GH: SIIP Verse	- THOU SHALT LOVE THY NEIGHBOR AS THYSELF: The definition of THE ROYAL LAW. Remember said ON THESE TWO COMMANDMENTS HANG ALL THE LAW AND THE PROPHETS-Matthew 22:40: 1. THOU SHALT LOVE THE LORD GOD AITH ALL THY HEART, AND WITH ALL THEY SOULD, AND WITH ALL THY MIND-Matthew 22:37 2. THOU SHALT LOVE THY NEIGHBOR AS THYSELF-Matthew 22:39 v12: SO SPEAK YE, AND SO DO: v12: JUDGED BY THE LAW OF LIBERTY: The means by which they are going to be measured by their rewards in the kingdom. They will be judged by the "law of liberty" to determine their rewards in the kingdom. It is the Law, set free from the corruptions of the VRS, whereby it is made honorable again. In a nutshell, the "perfect law of liberty" is the Lord's corrective doctrine where he teaches the BR the Law in the manner God intended it to be taught and not after the precepts of men.
James 2	GH: SIIP Verse	v12: THE LAW OF LIBERTY: Goes back to Jesus' earthly ministry when He gave corrective doctrine to the members of the little flock so that they would see the law the way they are supposed to see it. THE LAW OF LIBERTY is the law set free from the corruption places on it by the VRS. Why it is THE LAW OF LIBERTY. It's no longer bound up under all of these things that the Pharisee and the Sadducees put on the law. They now see it for what it really is. It's the law set free. Everything they do is going to be in opposition to the VRS. And if they don't obey THE LAW OF LIBERTY, there is no reward for that. in the kingdom. GH: Please see Mathew 5:27-28 for more information. v14: WHAT DOTH IT PROFIT: v14: HAVE NOT WORKS: v14: SAVE HIM?: Is not about his JUEL, saving him from the debt and penalty of sin, but about escaping the calamities of the Tribulation. That's part of his deliverance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: SIIP Verse	v14-26: If you don't understand what is going on in Israel's program, you will be led to James contradicting Paul. He's not. These are instructions for two different programs. Grace preachers know this is not talking about the body of Christ living in this DOGG. They know this is the book of James and it's written for that time when Israel's program is resumed. Implies that for someone in Israel's program, they're going to have to have works in order to be saved. Drives home the point to the BR that merely trusting Jesus as the Messiah is not sufficient for them to be "the Friend of God." James is writing to a people who are JUEL already. In fact, in order to have this second justification, you must first already possess the first justification. v14: CAN FAITH SAVE HIM: Not talking about saving him from the debt & penalty of sin, he is talking to people who are already saved. Faith alone cannot save you in the tribulation. v15: If a brother or sister (other members of the believing remnant) be NAKED, AND DESTITUTE OF DAILY FOOD. The fellow members of the remnant are starving and without clothing because they can't buy or sell without the mark; they're suffering the same things too.
James 2	GH: SIIP Verse	v16: If you see your fellow members of the believing remnant, and they have a need and you're not going to meet that need; then your faith alone (no works) is not going to save you. Not going to save you out here in the tribulation. If you're going to be accounted worthy to escape those things which shall come to pass, you're going to have to have some works; and this is part of those works and they know it. Jesus said the same thing - INASMUCH AS YE DID IT NOT TO ONE OF THE LEAST OF THESE, YE DID IT NOT TO ME-Matthew 25:45. Jesus was teaching them the same principle that is now being enlarged upon here in James. v17: The issue is not eternal life; the issue is making it through the tribulation and not turning back from the things that you are supposed to do. So if you will remain faithful, you'll not only make it all the way to the end; but you will stand before the Son of man to receive a great reward. Not only will you get delivered, you understand Deliverer is a physical deliverance that happens right here. The reward with King, Blesser is going to be out in the millennium kingdom. So if you're able to stand before Him at the end, you'll be part of the Lord's royal house to reign with Him. The BR can lose this because you will only be able to reign with Him, because you were obedient to do what Hebrews through Revelation told you to do – that's the requirement. If you don't suffer with Him, you're not going to reign with him and that has nothing to do with your salvation from the debt and penalty of sin. It has to do with your sanctification, same principle here. Same as reigning with Him in the DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: SIIP Verse	v20: I VAIN MAN: James is making a reference to the VRS. v20: FAITH WITHOUT WORKS IS DEAD: The issue is not eternal life. The issue is making it through the tribulation and not turning back from the things that you are supposed to do. So if you remain faithful, you will not only make it all the way to the end, but you will STAND BEFORE THE SON OF MAN-Luke 21:36 to receive great reward. Not only will you get physical deliverance in the tribulation (Deliverer), there's a reward out there in the kingdom (Avenger). So if you are able to stand before Him at the end, you will be part of the Lord's royal house to reign with Him. MM says it is possible to lose that because you only get this if you were obedient to do what Hebrews-Revelation told you to do. That's the requirement to reign with Him. So, people think if you're saved in Israel's program, you get it all. You don't get it all in this mystery program. MM says he knows people hate that. If you don't suffer with Him, you are not going to reign with Him and it has nothing to do with the debt & penalty of sin. It has to do with your sanctification. v21: JUSTIFIED BY WORKS, WHEN HE HAS OFFERED ISAAC: Justification #2: Justification by works. Not talking about JUEL. Abraham's JUEL took place about 30 years before Isaac was born, so these cannot be the same kind of justification.
James 2	GH: SIIP Verse	v21: WHEN HE HAS OFFERED ISAAC: When Abraham got Justification #2: Justification by works. James is using Abraham like Paul did in Romans 4, but the difference is Paul is talking about something that happened before Isaac was born. James is talking about something after Isaac was born. Talking about two different events. It's problematic if you think that Abraham doesn't get saved until he offers his son. MM says the scripture won't let you do that, you'd have to twist the scripture back on itself. James is not saying people get JUEL by works. He agrees with Paul on this. What James is saying here is there are two justifications. They have to understand that God is asking them to do something that He didn't ask anyone else other than Abraham. Not ask them to sacrifice their sons identical but it is a similar type of situation. And if they do this, they will be supernaturally protected during this day of wrath, they're going to be providentially provided for them if they will put these works on display. Remember in the second half, you can't buy or sell without the mark. They won't need to, God is going to providentially provide for them if the show themselves to be a FRIEND OF GOD. MM says F is capitalized, not talking about an acquaintance, it's a title. If they do this, not only will they be protected during the tribulation, but they will stand before the Son of Man at the kingdom and they will receive reward and they'll be able to enter into the kingdom. MM says there is a lot riding on this.
James 2	GH: SIIP Verse	v23: Context: This is James talking about Abraham's JUEL. Notice two things: 1) Abraham believed God and righteousness was imputed to him (that is his JUEL), and - to be saved/JUEL. 2) Abraham was called "the Friend of God." - is about Abraham's commitment to live for God. This is the second "justification" which is not "in the sight of God," but this one is "in the sight of men." That is why this justification is by works. It is one thing to trust Christ as your Savior, but it is another thing to live for Christ in your daily life. Abraham was justified when he believed God, and Abraham lived for God to such an extent that he became known as "the friend of God."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: SIIP Verse	What James is saying is that there were two justifications at work with Abraham, and in the last days of Israel's program, the BR will also be required to have two justifications. Like Abraham, they will have the privilege of putting their relationship with God on display in the eyes of men. At the end of the 4th installment and in the 5th installment, the believing remnant are called to produce some "works" which will make it evident that they, like Abraham, are the "Friend of God." If they are going to be counted "worthy to escape" the events of the 5th installment, if they are going to be physically saved (delivered), if they are going to receive honor and reward in the kingdom, then they will need to have a "justification by works" like Abraham had. Point: James 2 is not a contradiction of JUEL by grace through faith. It is a different kind of justification which is only for those who are already JUEL, and living in the final stage of Israel's program. Justification in the eyes of men, as the "Friend of God" involves specific works. Out in the 5th installment, these works were meant to stand out in contrast against Israel's vain religious system (VRS).
James 2	GH: SIIP Verse	v23: ABRAHAM BELIEVED GOD, AND IT WAS IMPUTED UTNO HIM FOR RIGHTEOUSNESS: This is Justification #1: JUEL(by faith, believed God; in the sight of God->result: Eternal life) - for Abraham in Genesis 15 - takes place 30 years before Isaac was even born. Even James knows the truth about how righteousness is imputed to someone in his program. Belief is "faith" and not "works." Both Paul and James agree here that soul salvation/JUEL is by faith without works. v23: AND HE WAS CALLED THE FRIEND OF GOD: The issue of being "the friend of God" (is an entirely separate issue from being JUEL-takes place after Isaac is born and he can actually travel a 60 mile journey with his father to a mountain outside of what would be Jerusalem later-by works when he offered Isaac; in the eyes of men->reward in the kingdom). Being called the "Friend of God" is not a result of Abraham's JUEL; it is a totally separate issue. This is Justification #2: Friend of God - for Abraham in Genesis 22. The only way you can demonstrate that you are a FRIEND OF GOD is by your works. Not an off-hand way of talking about it, it is critical for them. MM says this may look elementary to you but he only knows 5 other preachers in the whole world who understand this is the way salvation works in Israel's program. Everybody else thinks they got saved by faith and works.
James 2	GH: IPF verse	v14-26: See the two justifications for the believing remnant. 1. Justification by faith 'in the sight of God' unto eternal life. This is their salvation from sin. This is their eternal life. 2. Justification by works 'in the eyes of men' as a 'friend of God'-James 2:23 so they stand in stark contrast to Israel's vain religious system, as opposed to being a "friend of the world.". This is their reward. This impacts others. If you say I'm a believer but I'm not going to tell anybody, no one can see that. It has to come out before it makes an impact on people. The exhortation to the remnant is that they are to emulate their father Abraham. What you do, let it demonstrate how you feel about your faith toward God. These admonitions are all part of the corrective doctrine for the believing remnant, a two-fold justification for them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: IPF verse	These verses seem to contrast what Paul talked about in his epistles but they don't. James is not contradicting Paul, these are apples and oranges. James 2 and Romans 4 are not in conflict. Not is just a dispensational issue and two different groups written to in scripture. * Paul is talking about justification unto eternal life by faith when we receive Jesus as our Savior. - When you are in Christ, you get all the benefits of that justification, it's part of the package. You can still lose reward, but not what comes to us in Christ. * James talks about faith and works. They have faith that does something for them. But they are supposed to have works, not just should have, must have. This doesn't undo their justification unto eternal life. They have a justification by works in the eyes of men. - For Israel, there's nothing added to their justification unto eternal life by faith. We are both in Christ but they don't get this same salvation package that we do. They have to put on the works of Abraham in the sight of men because if you can't see it, there's no good. Think: * 'don't put your light 'under a bushel'-Matthew 5:15. * 'that they may see your good works, and glorify your Father which is in heaven'-Matthew 5:16. When you get to James, he says you are supposed stand in stark contrast that there's no mistake 'you are no longer a friend of the world, but you are a friend of God'-James 4:4.
James 2	GH: IPF verse	There are no closet members of the little flock that are going to escape the judgments in the tribulation or get reward in the kingdom. If they are a secret believer, the judgments are falling on them just like the apostate nation. They are not going to be in the kingdom, they will not get positions of honor. They will be out there with the Gentiles. v14: CAN FAITH SAVE HIM?: Not saved from hell or justification unto eternal life. This will not deliver them from the judgments of the tribulation. This justification (by works) is saved from the judgments in the tribulation and not being expelled out of the kingdom. James is writing to people who are already saved from hell. Saying can faith alone save you from the judgments that are about to fall? Answer: no. The issue here is their conduct and behavior being in contrast to that of Israel’s vain religious system. v15-16: Good words alone don't mean a thing. You need to give them something to eat and put clothes on their back. Only deeds would do any good. v15: IF A BROTHER OR SISTER BE NAKED, AND DESTITUTE OF DAILY FOOD:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: IPF verse	v17: FAITH, IF IT HATH NOT WORKS, IS DEAD: Not talking about eternal life, talking about these physical issues that are now before them. v18: Showing to those that are looking. This is not about what God sees. This is about what men see. v20: FAITH WITHOUT WORKS IS DEAD: In the DOGG, you can still go to heaven just on your faith alone. It's the only way you are going. Not written to us today. For the believing remnant, faith may get you eternal life, but it doesn't guarantee you will miss those judgments or make you great in the kingdom, or that you are going to sit with Him at His table or that you'll live a life that gets you reward in the kingdom. Faith alone won't do this. This is a different justification. v21-24: See the completeness of what Abraham was doing in the two justifications. v21: WAS NOT ABRAHAM OUR FATHER JUSTIFIED BY WORKS, WHEN HE HAD OFFERED ISAAC SON UPON THE ALTAR: Tells you exactly when this second justification took place. This is 30 years after Abraham's justification by faith - Abraham 'believed in the Lord; and he counted it to him for righteousness'-Genesis 15:6. He needed to be justification by faith first. This is why Abraham is our father. It is our faith that that justifies us unto eternal life. God did this with Abraham and it doesn't matter where you are on the time schedule. Not about being a Jew.
James 2	GH: IPF verse	
James 2	GH: IPF verse	v22: He had faith, he believed God. But as far as everybody else, the world was concerned, that didn't do a thing unless they could see the product of that faith resulting in a change in their conduct and behavior. The very entrance into the kingdom is necessitated upon this justification. v23a: See justification by faith unto eternal life. This is their salvation from sin. This is their eternal life. v23b: See justification by works as a 'friend of God'-James 2:23. This is their reward. This impacts others. If you say I'm a believer but I'm not going to tell anybody, no one can see that. It has to come out before it makes an impact on people. v23: ABRAHAM BELIEVED GOD, AND IT WAS IMPUTED UNTO HIM FOR RIGHTEOUSNESS: AND HE WAS CALLED A FRIEND OF GOD: Here is the two things in Abraham’s justification unto eternal life. See 'he believed in the LORD; and he counted it to him for righteousness'-Genesis 15:6. Also 'Abraham believed God, and it was counted unto him for righteousness'-Romans 4:3. v23: WAS CALLED A FRIEND OF GOD: The result of being justified by works. Abraham demonstrated he was a 'friend of God' when he was willing to offer his son Isaac up on the altar in Genesis 22. This was manifest evidence of Abraham being the Friend of God (and not the friend of the world) and he was called that. James is telling the remnant this is the issue for them as well. They are supposed to conduct themselves in such a way that they will be called 'a friend of God'. Because 'whosoever therefore will be a friend of the world is an enemy of God'-James 4:4. The vain religious system is a friend of the world, it is opposed to God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2	GH: IPF verse	v23: FRIEND OF GOD: The thing that made Abraham the friend of God (after he was justified by faith) was a close intimate relationship. God began to do some things with Abraham and he did some things that indicated that his close intimate relationship was with God and not with the one who was ruling the world; the adversary. And when he was willing to sacrifice Isaac, he put that on display. Likewise, the Tribulation remnant is also being put in a place where they can put on display their close intimate relationship with God in obvious distinction from the adversary. The impact they make in so doing is not just to the apostate nation, but to the adversary himself. The adversary is consumed with proving that men would be more pleased with his system than with God's and their behavior and conduct in the face of the adversary has quite an effect. v24: Accounts for both justifications; a justification by faith and a justification by works. Tendency to see them as separate.
James 2	GH: IPF verse	v24: The justification spoken of in James is not a justification unto eternal life. James is talking about the "justification by works in the eyes of men", standing in stark contrast with the vain religious system. It is this justification that: * will allow them to escape the judgments of the tribulation * will account them worthy to escape and to stand before the Son of Man * will allow them to receive glory and honor in the kingdom People incorrectly say, "if he doesn't have the works, he goes to hell. He has to resist the mark of the Beast or he will be lost. He will need to hold fast to his profession firm unto the end. His works are the evidence of his faith, etc." For a member of the remnant, in the day of wrath, he has a 2nd justification that he has to take care of; one that does not impact his salvation one bit. v24: IS JUSTIFIED: In the eyes of men as a 'friend of God'-James 2:23 and allows you to stand in stark contrast to the vain religious system 'and not by faith only'. There's a justification by faith and a justification by works. v25: Talking about the things that are done that can be seen that demonstrate where your faith unto God is. v26: Not for eternal life but for their escaping the judgments of the tribulation and for their eternal reward in the kingdom.
James 2:10		10 For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all. HE IS GUILTY OF ALL: Have to keep the whole law GH: or your goose is cooked. 99.9% success is failure.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2:12		12 So speak ye, and so do, as they that shall be judged by the law of liberty. They are not going to be judged in that Kingdom according to their eternal life but according to the rewards they are going to get in the Kingdom. Verses preachers take congregations to - if you are going to be saved, you are going to have to do it by these works. MM wants to show this is not what James is talking about at all. LAW OF LIBERTY: Law as it was set free from the encumberances that were placed on it by Israel's religious leaders and the vain religious system that added so many things to the law that they had actually encrusted it over so it was no longer able to function in the manner that it was designed to do. They had made traditions of men the laws to follow. Christ comes to set that law free with His corrective doctrine. Jame refers to as the law of liberty-law that has been liberated or set free from those encumberances. To function properly in the day of Wrath, they will have to have another justification. They had already but justified unto eternal life and saved (the salvation by grace) from the debt and penalty of sin (lake of fire). The other is the justification as the friend of God (in the eyes of men). Descriptive title given to the remnant out there. Salvation from the physical judgments of the Tribulation (during the last part of the 5th cycle - Daniel's 70th week). Have an impact on the world that is watching. MM not saying that we don't carry the gospel of grace to men and that people aren't supposed to see us and recognize that God has made a difference in our life. Claims this is not our primary impact. If we make that our primary impact we have missed the very thing that God is doing in us.
James 2:14		14 What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him? Easy to jump in, see 'faith save him' and think talking about the debt and penalty of sin. James is talking to people who already have that. James is saying, for the first time since Sinai, you guys have the ability to be the kind of firstfruits of what God wanted Israel to be all along. Never in their history did they have this opportunity since they blew it by entering into the law. The wonderful privilege that nobody has ever had, the way it's going to be out in the kingdom. You are going to get that now in its fullness.
James 2:15-16	GH: Prayer : Interdispensational Principle	15 If a brother or sister be naked, and destitute of daily food, 16 And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit? v16: DEPART IN PEACE, BE YE WARMED AND FILLED: Like praying for someone and doing nothing for them. Prayer involves action. Even Jesus talked about getting involved with helping people (GH: and not just prayers for them) in Israel's program. Someone shows up cold and hungry and you say depart, be you warmed and filled. If you don't give them the things they need, what does it profit? Jesus verse - someone comes to your door without sufficient clothes to keep them warm and they're hungry and you say depart be you warmed and filled. Jesus said what good did it do unless you give them those things that are needful? Have to stop thinking Dear God please help Jimmy and now it is kind of up to Him. That is not how that works. v16: BE YE WARMED AND FILLED: What good have you done?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2:17-18	GH: Prayer : Interdispensational Principle : Praying for others	17 Even so faith, if it hath not works, is dead, being alone. 18 Yea, a man may say, Thou hast faith, and I have works: shew me thy faith without thy works, and I will shew thee my faith by my works. v17: FAITH, IF IT HATH NOT WORKS, IS DEAD: Not talking about dead to save you from the debt and penalty of sin, he is saying it is dead to make the designed impact on the rest of the world. Issue is do you have the works that are supposed to accompany that faith in front of everybody. It's going to take some grit to perform those works in the sight of the world with the man of sin institutes an extermination policy that is meant to wipe you out. When you know your works may actually lead you to being beheaded, that's going to take a commitment. He is not talking eternal life, he saying it is not enough to keep you from the judgments of the Tribulation and get you reward in the Kingdom.
James 2:19		19 Thou believest that there is one God; thou doest well: the devils also believe, and tremble. Devils believe Jesus lived on this earth and that He was a real person. Does that mean that they are saved? Absolutely not.
James 2:21	Israel Program : Justification No. 2 - Justification of works before men	21 Was not Abraham our father justified by works, when he had offered Isaac his son upon the altar? Part of the Israel program. James is written to the 12 tribes scattered abroad. Verse that people who object to justification by faith always run to. Even James doesn't say this justified Abraham before God. It justified him as the friend of God. Talking to a people who have already been JUEL by faith, but he is talking to a people that he is trying to get them to miss the judgments that will fall in the Tribulation by being miraculously protected and to stand in front of the Son of Man and receive honor and glory and reward out in the Kingdom. Only receive that if they are justified by works. Called doing THE WORKS OF ABRAHAM-John 8:39. MM used to think James contradicted Paul. This is Justification of works before men. Faith that gave him eternal life with his works allowed him to get a complete deliverance. He is not only get into the kingdom but will be counted worthy to escape the judgments of the tribulation and to stand before the Son of Man. To receive that honor and reward that is going to be handed out. - 'Sit at My Table in the Kingdom and sup with Me' - 'Who shall keep these things and teach others shall be called great in the Kingdom'
James 2:21	Israel Program : Justification No. 2 - Justification of works before men	21 Was not Abraham our father justified by works, when he had offered Isaac his son upon the altar? - All these things are offered to the remnant as reward as they remain faithful in the final week. - Doesn't have a single thing to do with you because you are gone before that can take place. - GH: Abraham had both justifications and therefore called a FRIEND OF GOD-James 2:23 - Whole issue for Israel - to be a friend of God and not a friend of the world. James writing to the little flock. Talking about their sanctification. Second justification is the only thing that means anything to a lost world. Baptism is a part of what Israel is doing. You can get JUEL WITH reward OR WITHOUT reward.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2:21	Israel Program : Justification No. 2 - Justification of works before men	21 Was not Abraham our father justified by works, when he had offered Isaac his son upon the altar? ABRAHAM OUR FATHER JUSTIFIED BY WORKS: Abraham was already JUEL before Isaac came along Bible said ABRAHAM BELIEVED GOD AND IT WAS COUNTED HIM TO RIGHTEOUSNESS-Genesis 15:6; Romans 4:3. That was his JUEL. Decades later, he was JUSTIFIED BY WORKS when he offers his son Isaac on the altar. He is already saved when he offers his son. He didn't get justified again. Abraham was providing a testimony in front the the whole world here. This justification here is not talking about the JUEL one. It's the second one in the eyes of men. Not talking about salvation. If Abraham had not been willing to do this, he would not have been justified by works. His works were not about his salvation, they were about his service. Every Jew has 2 justifications: 1. Justifcation in Eternal Life 2. Eyes of men (has to do with their reward) If you define JUSTIFICATION the same way each time, you don't see the distinction.
James 2:22	Israel Program : Justification No. 1 - By Faith & Justification No. 2 - Justification of works before men	22 Seest thou how faith wrought with his works, and by works was faith made perfect? James uses Abraham as an example of how a saved justified Israelites was supposed to conduct himself out in the Tribulation. As a member of the little flock, men were supposed to see his good works and glorify His Father in Heaven. The 2 justifications working together. Being justified unto eternal life doesn't necessarily mean that they were spiritually mature. Maturity comes through their second justification.
James 2:23	Israel Program : Justification No. 1 - By Faith & Justification No. 2 - Justification of works before men	23 And the scripture was fulfilled which saith, Abraham believed God, and it was imputed unto him for righteousness: and he was called the Friend of God. Telling the members of the believing remnant they will need more than beling justified unto eternal life to get into the Kingdom WITH REWARDS. If they have the second justification in the eyes of men that they are the friend of God manifested by their works, they will get into the Kingdom with great reward. GH: Lists BOTH Israel Program justifications. IMPUTED UNTO HIM FOR RIGHTEOUSNESS: JUEL and FRIEND OF GOD: Works - willing to offer his son Isaac on the altar. Notice the colon and the AND. Didn't just put an AND, put a COLON and an AND for emphasis.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 2:24	Israel Program : Justification No. 1 - By Faith & Justification No. 2 - Justification of works before men	24 Ye see then how that by works a man is justified, and not by faith only. See the two justifications. Combined they are supposed to make an impact on the world. To the people who claim it is one justification of faith AND works. MM says the Bible never mixes faith and works. James says you need a justification by works so you can impact those that are watching and you can be counted worthy to be saved from those physical judgments. If you don't, you won't be saved from those physical judgments. May get into the kingdom but won't get in with reward.
James 2:26	GH: Resurrection verse	26 For as the body without the spirit is dead, so faith without works is dead also. At the end of James where he talks about you see then how a man is justified by works and not by faith, he is not talking about their JUEL, he is talking about their sanctification, this whole thing is about integrating this whole thing in their conduct and behavior the doctrine that they have been learning. This has to get done in them or there's no sense in going on. The other thing - if you want to move on into Judgment and you want to CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT-Romans 13:12 and you don't have the other doctrine up and running in you, you are not going to be prepared for the adversary and the attacks that he brings against you. FOR AS THE BODY WITHOUT THE SPIRIT IS DEAD: According to the Bible, two things happen when our physical body dies: 1) our inward man (our soul and spirit) exits out of our dead physical body - FOR AS THE BODY WITHOUT THE SPIRIT IS DEAD-James 2:26 2) the body wastes away - BUT MAN DIETH, AND WASTETH AWAY-Job 14:10 AS THE BODY WITHOUT THE SPIRIT IS DEAD: If the grave is for the body and hell is for the soul, they cannot both be the same thing because a body dies when the soul leaves the body.
James 3	GH: IPF verse	See the exhortation to be peacemakers. During Jesus' earthly ministry, He pointed out some major issues in Israel's vain religious system that He considered to be abominations. One of them was 'sowing discord among the brethren'-Proverbs 6:19 and the animosity between them as the seed of Abraham. They are exhorted to be 'peacemakers'-Matthew 5:9. Talks about the tongue and the words they speak and why that's important. Their conduct in contrast to the vain religious system is still the issue as James addresses the problems of envy, strife and confusion. v5: EVEN SO THE TONGUE IS A LITTLE MEMBER...HOW GREAT A MATTER A LITTLE FIRE KINDLETH: This is part of the behavior the believing remnant is supposed to exhibit to be viewed as separate from the vain religious system.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 3:14-16		14 But if ye have bitter envying and strife in your hearts, glory not, and lie not against the truth. 15 This wisdom descendeth not from above, but is earthly, sensual, devilish. 16 For where envying and strife is, there is confusion and every evil work. In every dispensation, the wisdom which is "not from above" is three things: earthly, sensual and devilish. The satanic program, the lusts and sin program of Satan, works from the outside in, appealing to the body for pleasures of every sort. Then it moves to the soul where either emotions or intellect run the unsaved man. When we, as believers, allow our emotions to be the basis of how we make decisions, we are acting like an unsaved person. When we live out of our emotions, they will capture our will and bend it to their desires. When we allow our human intellect to dictate what our actions will be, we are still functioning out of our soul, like a lost person. And these are devilish in that we have been captured in Satan's trap and we are traveling down the road he has charted for every man and woman. For a lost person, their body and soul are stuck together. The unsaved person is a SERVANT OF SIN-John 8:34 and Romans 6:17, 20.
James 4		Encounter the adversary for the first time if you are a member of the beleving remnant. They are right where we are in Romans 13. They are going to cast off the works of darkness and shine as the LIGHT OF THE WORLD-Matthew 5:13. MM says that even though there are doctrinal differences in the education, the pattern of what the education is doing is parallel in these programs. It's just the genius that God has done it this way. This isn't MM reading a verse, deciding what it is and then preaching a sermon on the verse - you are counting on God to do something for you that isn't going to get done. EX 'Pray that I get well' - MM says most folks do, even the atheists. 'God answered that prayer' - that's superstition.
James 4	GH: IPF verse	The exhortation to the remnant to cease having friendship with the world. The vain religious system was geared to have that friendship with the world and He wants the remnant to stand in contract to this by not having that friendship with the world. The vain religious system was manifesting their friendship with the world and not with God. See FRIENDSHIP WITH THE WORLD IS ENMITY WITH GOD-James 4:4. Was a major point of abomination in Israel's vain religious system. Abraham was called the "friend of God" and his works set him on display to the world as the "friend of God." Apostate Israel's works were not the works of Abraham, they manifested their friendship with the world. They will be friends with the world and are commanded to stop that. Written to members of the remnant who are scattered among the Gentiles and the temptation is more than what it would be in the land. v4: A FRIEND OF THE WORLD IS THE ENEMY OF GOD: v4: A FRIEND OF THE WORLD: Talking about the apostate nation's vain religious system that was designed to be 'a friend of the world'. Do not align yourself with it. Do not conduct yourself in accordance with it. Do not link yourself up. Do not get buddy with it. Withdraw & separate yourself from it. Live differently from it.
James 4:2	GH: Prayer : Dispensationally Incorrect	2 Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not. YE HAVE NOT, BECAUSE YOU ASK NOT: People incorrectly believe that God will intervene if they ask. Seems straight forward. But when you do that and it doesn't work, you go, what happened? Some guy comes along and says you have to ask and believe (Matthew 21:22).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 4:3	GH: Prayer : Dispensationally Incorrect	3 Ye ask, and receive not, because ye ask amiss, that ye may consume it upon your lusts. A lynch pin verse for (GH: dispensationally incorrect) prayer. 'You didn't receive because you didn't ask' or 'You asked but didn't receive because it was a selfish ask'.
James 4:4	GH: Prayer / GH: Wedge Principle	4 Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God. A relationship with more to it than justification unto eternal life – but one of FRIENDSHIP – a friendship that makes an impact on the rest of the people of the world that have been cut off and without God in the world, those who are far off from God and consigned to friendship with the world (and with the Adversary. Not Gentiles and someone's do and don't list. This is for the little flock who is supposed to be producing a certain kind of works that shows them to be the friend of God and it will polarize everybody - either be impacted by and glorify God OR they will be turned away from the Father. God means for that division to be done. He wants everybody to clearly choose sides because of everything coming down. The remnant of Israel are to COMPLEMENT their justification unto eternal life with justification by works, and to perfect their friendship relationship with God - making the intended impact on the people and nations of the world (salt/light) (Father & Friend). DO THE WORKS OF ABRAHAM BECAUSE WHOSOEVER IS A FRIEND OF THE WORLD IS AN ENEMY OF GOD: Vain religious system was constructed so it would be a friend to the world.
James 4:7	GH: Spiritual Warfare verse	7 Submit yourselves therefore to God. Resist the devil, and he will flee from you. Dispensationally: * Israel's program back there: cast out unclean spirits * Israel's program out here: RESIST THE DEVIL. You don't have all the exorcisms you had back there. Satan is trying to get something else going.
James 4:14	GH: Inter-dispensational - Time is an hour glass	14 Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away. For the believing remnant, time is the issue in a very real sense. There's a prophetic program in place here and there are time restrictions on it and so for them he's saying, hey you got to get this done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 5	GH: IPF verse	The fifth exhortation is to stand fast in the face of the persecutions coming from the vain religious system that will increase with time. This is the issue that links James and 1 Peter - the increased opposition and their 'resisting unto blood'-Hebrews 12:4. v1-6: James speaks about and to these corrupted rich men and what's going to come upon them in this day. These rich have kept something back by fraud and it makes those that are out there cry. And the cries are entered into the Ears of the Lord of Saboath. v3: YOUR GOLD AND SILVER IS CANKERED: Ties to NEITHER THEIR SILVER NOR THEIR GOLD SHALL BE ABLE TO DELIVER THEM-Zephaniah 1:18. v3: THE LAST DAYS: This is the same time element as Hebrews 1:2. v4: CRIETH AND THE CRIES OF THEM WHICH HAVE REAPED ARE ENTERED INTO THE EARS OF THE LORD OF SABAOTH: The cries of His people have entered into the ears of the 'Lord of Saboath'. Title is tied to His Avenger title and the Avenger mandate of the Davidic covenant. He is going to end up telling them, you are going to have to wait a little longer. There is going to be an avengement, just not yet. But it is coming soon. And they're going to have to wait.
James 5	GH: IPF verse	v4: LORD OF SABAOTH: Is a particular title for the Lord Jesus in connection with Him avenging His cause with Israel in His day. v5-9: Addresses the corrupted men that have condemned and killed the just. v7: Switches speaking to the little flock, the believing remnant. v7: BE PATIENT THEREFORE, BRETHREN, UNTO THE COMING OF THE LORD: Not the rapture, because James is talking to the remnant, this is the Second Advent. The exhortation for the little flock to be patient. They are crying out and praying for God to avenge them, but they are told to be patient unto the 'coming of the Lord'-v8. Just as the 'husbandman…hath patience…until he receive the early and latter rain', they are to 'be ye also patient'-v8. v8: THE COMING OF THE LORD DRAWETH NIGH: The hope for their patience. They are to be patient because the time is coming when the Lord is no longer 'sitting', but He will be the 'Judge' who has now stood up and gone to 'the door' and 'stands before it' ready to commence His avengement. v9: THE JUDGE STANDETH BEFORE THE DOOR: The Judge is coming to avenge them of their adversaries. Technically, talking about the last 3.5 years of Daniel's 70th week. The Judge is standing at the door and ready to bring all those things to pass.
James 5	GH: IPF verse	v9: STANDETH: The Lord is standing, not sitting at the right Hand of the Father. v10: AN EXAMPLE OF SUFFERING, AFFLICTION, AND PATIENCE: Important because they're going to need it. v11: YE HAVE HEARD OF THE PATIENCE OF JOB: They were taught from the book of Job, which has suffering as a theme. God put Job in a situation that would reflect that of the remnant; being a captive of the Adversary. Much of what is in the Book of Job will apply to the remnant in the day of wrath. More than a story of a guy who had a tough time and it all ended happily ever after. It is instruction for the remnant on how they conduct themselves in the day of wrath, especially against the adversary. v11: SEEN THE END OF THE LORD:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 5:11		11 Behold, we count them happy which endure. Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful, and of tender mercy. **Job is a picture or type of the Lord's little flock out in Daniel's 70th Week as they also will be persecuted by Satan**.
James 5:16		16 Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. This verse got preached in churches all across the country. THE EFFECTUAL FERVENT PRAYER OF A RIGHTEOUS MAN AVAILETH MUCH
James 5:17	Prayer : Dispensational : Elijah	17 Elias was a man subject to like passions as we are, and he prayed earnestly that it might not rain: and it rained not on the earth by the space of three years and six months. ELIAS: Elijah PRAYED EARNESTLY THAT IT MIGHT NOT RAIN: Elijah didn't dream this up. He knew where he was on the timeline, he also knows what God is doing. He is not just dreaming stuff up. If you don't know what is in Levitcus 26 and 1 Kings 17, it looks like Elijah just dreamed this up. Where did Elijah get the idea to pray for the rains to stop for the next 3.5 years? You might say that God told him to pray that way, but the truth is, God did not need for Elijah to pray in order to send a drought. MM doesn't think God appeared to Elijah in some way and told him to pray that way. MM thinks Elijah prayed for the rains to stop because he understood something. What was it he understood? Well, he must have understood where he was in the outworking of God's Program because he prayed in accordance with something that was already written by Moses. Elijah knew what to pray for; he prayed with an understanding of what God was doing! Elijah prayed in line with what God had already said He would so; punish Israel through a drought (Leviticus 26:19).
James 5:17	Prayer : Dispensational : Elijah	17 Elias was a man subject to like passions as we are, and he prayed earnestly that it might not rain: and it rained not on the earth by the space of three years and six months. When Elijah prayed that it would not rain, he was praying in the revealed will of God because he was praying for what God said to come to pass – just like Solomon did and just like David did. The drought should not have been a secret or a surprise; it was prophesied in their own scriptures what would happen to them. David, Solomon, Elisha, Isaiah, etc. never prayed for it to NOT rain. Could go through all the prophets. Elijah was the only one to pray that prayer because he knew exactly where he was on the timeline and what God was going to be doing. The other folks didn't pray that prayer because they were before (wasn't time for it) or after (God was doing other things) the second course of punishment. These are informed prayers as to what God is actually wanting to do and their prayers are in accordance with what God said He wanted to do. They didn't dream up one stitch of it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
James 5:18	Prayer : Dispensational : Elijah	18 And he prayed again, and the heaven gave rain, and the earth brought forth her fruit. AND HE PRAYED AGAIN, AND THE HEAVEN GAVE RAIN: People will look at this and say if we need rain we can pray for rain. GH: They don't understand where they are on the timeline. When the 3.5 years were over, what is the next thing Elijah prays? He prays for rain. When people pray for rain today, these are the verses they claim to get their prayer answered. But they are not praying with an understanding of: where they are on the timeline (Elijah did), whether or not God is working His program with Israel (Elijah did), why the prayer for drought and the prayer for rain are in the will of God (Elijah did), what the lack of rain was supposed to accomplish (Elijah did), and what the prayer for rain was in response to (Elijah did). Elisha never prayed that prayer for a drought. David never prayed that prayer. Samuel never prayed that prayer. Isaiah did not pray that prayer. Neither did Solomon, Jeremiah, Ezekiel, Daniel, Micah, Malachi, John the Baptist, Jesus, Peter, James or John. So you know why? It isn't because those men did not pray or were not considered to be "righteous men" who could pray fervently like James 5 says. They were not inferior to Elijah in prayer or power. The reason they never prayed that prayer is because they all understood what that was about and when it was supposed to happen. They understood that to pray that prayer would be a prayer that was not in the Will of God because they understood what God was doing in each of their times as well as what God was not doing.
1 Peter		Peter: Writing to the remnant in (from?) Babylon. Talking about the POE (Plan of Evil) that is coming upon them. Number one part is the wolves and sheeps clothing, the false teachers that will come in among you, claim to be prophets of God or apostles, and you will have to be careful because that will being in what the Bible calls DAMNABLE HERESIES-2 Peter 2:1 and MANY SHALL FOLLOW THEIR PERNICIOSUS WAYS-2 Peter 2:2 (they are going to deceive many). False teachers are going to come in among you and try and deceive you. Peter is writing to the believing remnant of Israel after the BLESSED HOPE-Titus 2:13 and God continues His program with Israel. The primary feature facing them is the tribulation which will be a difficult time. If you believe that Jesus is the Messiah it is going to cost you something to live that. There is real suffering here.
1 Peter	GH: IPF verse	Gives the remnant details on the issue of extreme physical afflictions and persecutions that come upon them, increased opposition and their "resisting unto blood' and exhorts them to stand fast. The physical attack is part of the satanic policy of evil, even though it first comes through Israel's vain religious system is enlarged upon by Peter. * doctrinal opposition with the rejection of the message * psychological opposition like reproaches, being made a 'gazingstock'-Hebrews 10:33 and intimidations * eventually, the policy of evil escalates to the hunting down and murder of the remnant Gives members of the body of Christ a thankfulness of the grace age we live in and the magnificence of God's longsuffering, holding off the wrath that we so richly deserved. And that we are promised a deliverance at this time. Not to say we will not suffer in this age (2 Timothy 3:12). But this is not the same as the horror that will be going on during the great tribulation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter	GH: IPF verse	Gives encouragement to the remnant in the face of all the trials that are going to come upon the remnant in the day of wrath, first from the apostate nation and then from the extermination policy of the Antichrist. Discover the policy of evil (the wrath of the dragon) against the believing remnant has different phases to it and they get educated into that. Get introduced to this in 1 Peter and get more details in 2 Peter. Gives the remnant the doctrine that produces maturity in them and they are now 'of full age'-Hebrews 5:14. Outline: * I Peter 1:1-12: Is a message that a great salvation (physical deliverance) is coming for them and that truth should encourage them in the midst of their trials. This is their “great hope.” * I Peter 1:13-25: Is an exhortation for them to conduct themselves like who they have been made to be, even though they will suffer for doing so. * 1 Peter 2:1-10 is a review of their identification - who they are, identification wise, as members of the believing remnant. * I Peter 2:11-3:12 is an exhortation to not conform to the Gentiles among whom they live and not participate in the ungodliness of those Gentiles. * I Peter 3:13-4:19 is an exhortation not to be afraid of the enemy's/opposition’s terror and further instruction concerning the nature of the “last time.”
1 Peter 1	GH: GPPI/EoM verse	v19: THE PRECIOUS BLOOD OF CHRIST: Peter referring to A PRECIOUS CORNERSTONE-Isaiah 28:16. The preciousness is in the redemptive work.
1 Peter 1	GH: IPF verse	The remnant is about to be counted worthy by God in such an unbelievable way that once they understand this, they will give their lives with joy, knowing what waits them out there. Imagine the God of all creation saying I AM enlisting you to do this, to be My instrument to destroy the policy of evil. This is a big fight and He is going to have to give them a special grace to withstand the onslaught. They are going to make huge sacrifices but they will be more than be made up when they get there. Once they realize where they are in this plan and purpose of God, they will charge into the breach, knowing what they're giving themselves for. How else could someone go through something knowing it may cost them their life and look at it with joy? Would either be a maniac or know the thing you are involved in is way bigger than yourself and it has eternal consequences to it. This is before the remnant. v1-12: Is a message that a great salvation (physical deliverance) is coming for them and that truth should encourage them in the midst of their trials. This is their “great hope.” v1: TO THE STRANGERS SCATTERED THROUGHOUT: Picks right back where you left off in the EoM - 'scattered abroad'. Peter is writing to the remnant scattered throughout Asia Minor. v1: STRANGERS: Because that's not their nations where they are. v1: LIST: All of this is in Asia Minor.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 1	GH: IPF verse	v5: SALVATION READY TO BE REVEALED IN THE LAST TIME: Peter is focusing on the salvation provided for the remnant during this time. This has to do with the Lord's return at the end of that time and the great physical salvation that will be for the members of the remnant. There is more than being 'born again'-Matthew 3:7 and justified unto eternal life for them. They have been ordained to a physical salvation during this final part of the 5th cycle which will be consummated by the Lord's return at His Second Advent. v5: THE LAST TIME: Singular. This expression has to do with Israel's time schedule that refers to the final part of the 5th cycle. See v20. v6: WHEREIN YE GREATY REJOICE, THOUGH NOW FOR A SEASON: v6: FOR A SEASON: Has the 'times and seasons'-1 Thessalonians 5:1 concept of the Lord's day/day of the Lord in mind. Paul says we don't need to know about that but these members of the remnant do. v6: YE ARE IN HEAVINESS THROUGH MANIFOLD TEMPTATIONS: These temptations are coming your way. v6: MANIFOLD TEMPTATIONS: Reference to their physical persecutions. v7: Peter is reminding them that they are not going through this for no reason. There is something going on here. God has designed a purpose in this. He means for them to go through this.
1 Peter 1	GH: IPF verse	v7: THE TRIAL OF YOUR FAITH, BEING MUCH MORE PRECIOUS THAN OF GOLD THAT PERISHETH: v7: TRIAL OF YOUR FAITH: Reference to their physical persecutions. See this terminology come up over and over again. v7: TRIED BY FIRE: Reference to their physical persecutions. v7: MIGHT BE FOUND UNTO PRAISE AND HONOUR AND GLORY AT THE APPEARING OF JESUS CHRIST: The remnant is reminded what they are going through is a designed purpose. The privilege of His grace is being granted unto them to stand in stark contrast to the vain religious system and the Gentiles. They are made to know that it will be worth whatever sacrifices are made when the Lord returns. v7: PRAISE AND HONOUR AND GLORY: What 'the trial of your faith' results in. v8-9: See how Peter talks about salvation in detail. v8: EVEN THE SALVATION OF YOUR SOULS:
1 Peter 1	GH: IPF verse	v10: Talking about God's program with Israel and not the body of Christ. v10: THE PROPHETS HAVE ENQUIRED: This is a salvation reserved for the remnant that the prophets knew about and prophesied about. They enquired about this salvation reserved for the remnant. But they didn't understand all about that. Even Daniel is praying for answers. v10: THE GRACE: If they don't get this grace, they will never be able to accomplish this. v11: WHAT MANNER OF TIME: v12: UNTO WHOM IT WAS REVEALED, THAT NOT UNTO THEMSELVES, BUT UNTO US: The prophets knew that the things they ministered were not unto themselves, but to the remnant in the LAST TIME. They did not know all about though they did prophesy of the "grace that should come unto [them]."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 1	GH: IPF verse	v12: WHICH THINGS THE ANGELS DESIRE TO LOOK INTO: The angels understand that they have a role in the Lord's Day. Many passages concerning the salvation of that day involves the angelic realm and the angels desire to look into this. Not just out of curiosity alone, but they desire to see the things they are going to be engaged in as those "flaming fires," ministers to the heirs of salvation," "the Lord's host" and the "guardians of the nation Israel." The angels, just as the remnant, are learning some things by looking into these epistles. In the day of wrath, the angels have a lot of roles to fill. See the Book of the Revelation. They want to know the role they are playing in the destruction of the plan of evil on this earth because they are involved in that. They are going to tend the Lord when He comes back at the Second Advent, when the Lord returns with all His holy angels. There are things they will be doing and they desire to look into that. v13-25: Is an exhortation for them to conduct themselves like who they have been made to be, even though they will suffer for doing so. Understanding they are the remnant and who they have been made to be - their identity. They have: * been 'born again'-Matthew 3:7 * a place in Israel's program * are to live and conduct themselves with this in mind.
1 Peter 1	GH: IPF verse	v18: This is a thing that had been put into play and it had grown into what it was and people were born into this. They just received it by tradition. They thought it was the right thing but they were deceived in that. Remember the remnant that received the corrective doctrine from the Lord are no longer alive. The people that are alive when God resumes His program with Israel have to be reminded about this and to come out of it. v18: VAIN CONVERSATION RECEIVED BY TRADITION FROM YOUR FATHERS: This is what the believing remnant came out of. v18: VAIN CONVERSATION: Had them attempting to be sanctified by their works. That is what Israel's religion was; a vain conversation. They received it by tradition. That tradition came from their fathers. Just like everyone else, the remnant was born into a nation that had a vain religious system. v20: THESE LAST TIMES: Plural. Include the days of Jesus' earthly ministry in the 4th part of the 5th cycle along with the 5th and final part of the 5th cycle of judgment. These two "times" are the "last times." See v5. v23: BEING BORN AGAIN: MM tying to BORN AGAIN-Matthew 3:7. Part of Israel's program.
1 Peter 1	Ephesians Commentary	v6: YE ARE IN HEAVINESS THROUGH MANIFOLD TEMPTATIONS: Why the little flock needs to 'gird up the loins of your(their) mind'-v13. v6: IN HEAVINESS: Weighted down with troubles. v6: MANIFOLD: A lot of. v7: TRIAL OF YOUR FAITH....TRIED BY FIRE: Why the little flock needs to 'gird up the loins of your(their) mind'-v13. v11: THE SUFFERINGS OF CHRIST: v13: In the midst of these 'fiery trials', be encouraged. v13: WHEREFORE: Pointing back to the things in v6-11.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 1	Ephesians Commentary	v13: GIRD UP THE LOINS OF YOUR MINDS: The apostle Peter, speaking to the members of the little flock, tells them to "gird up the loins of their mind." Context: telling the little flock to not faint, to take courage/be courageous in the midst of fiery trials because they will be going through all sorts of trails and sufferings in the tribulation. See 1 Peter 1:6-8. Don't let these fiery trials you are going through shake you of what you know and what you are looking forward to. Don't let it upset you but be encouraged. Different than Paul - LOINS GIRT ABOUT WITH TRUTH-Ephesians 6:14. v13: BE SOBER: Means to remain steady and patient. v13: HOPE TO THE END: Their 'blessed hope' (not to confuse the doctrines), their hope is the Lord coming to them to set up His kingdom, bringing grace into the world. Compare to our 'blessed hope' of the Lord returning and being caught out of this world to be with the Lord when our body will be redeemed. v13: THE REVELATION OF JESUS CHRIST: The revealing of Jesus Christ to touch down on this earth, take care of His enemies, and set up His Kingdom.
1 Peter 1:1		1 Peter, an apostle of Jesus Christ, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia, Look at the list of cities compared to where Paul was told NOT to go in Acts 16. Peter's writing combined with Paul's preaching so God told Paul not to do into those cities at that time. Is a time when they will all get the same message from Paul.
1 Peter 1:19-20	GH: BTFOTW-Jesus (3x)	19 But with the precious blood of Christ, as of a lamb without blemish and without spot: 20 Who verily was foreordained before the foundation of the world, but was manifest in these last times for you, The death of Jesus was foreordained before the foundation of the world.
1 Peter 1:21		21 Who by him do believe in God, that raised him up from the dead, and gave him glory; that your faith and hope might be in God.
1 Peter 1:12	GH: Godly Justice - Government (?) / GH: Wedge Principle / GH: WoD Teaching	12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, glorify God in the day of visitation. MM says this verse reminds of Matthew 5:16. HAVING YOUR CONVERSATION HONEST AMONG THE GENTILES: MM says this parallels LET US WALK HONESTLY, AS IN THE DAY-Romans 13:13. He is still talking to the remnant about impacting those Gentiles. IN THE DAY OF VISITATION DAY OF VISITATION: MM says there is a DAY OF VISITATION that is going to be happening in the future. When the Jewish people are scattered among the nations, they are supposed to be that LIGHT and SALT that puts on display some things that makes the Gentiles go well, that's the True and living God, we don't have anything like that. Wow! Look at those LAWS and STATUTES, we don't have anything like that. It's giving them an opportunity to do something in the Gentile nations they are in. Because once God turns out the LIGHT on Gentiles, He is no longer working with Gentiles and they're goint right back on the other side of the wall of partition. When the Jews that come to a country, don't function as LIGHT and SALT, when THE DAY OF VISITATION comes, ... Day when every nation is going to declare themselves for one side or the other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 1:12	GH: Godly Justice - Government (?) / GH: Wedge Principle / GH: WoD Teaching	12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, glorify God in the day of visitation. DAY OF VISITATION: And the only opportunity for a nation to decide for God is out of those members of the remnant putting these two issues on display so it affects the Gentile nation that they will glorify God IN THE DAY OF VISITATION. People say oh, it's terrible that the Jews are scattered but what God is doing is He is spreading LIGHT in all those Gentile nations. If those Gentile nations IN THE DAY OF VISITATION are influenced by the believing remnant that's in them and they glorify God, the Gentile that glorify God IN THE DAY OF VISITATION miss the wrath that gets poured out on the earth. Those things over in the Book of Revelation, the nations that get those are decided by what nations will glorify God IN THE DAY OF VISITATION and the only way they will choose to do that is if the remant is faithful to function as the LIGHT OF THE WORLD-Matthew 5:14 and THE SALT OF THE EARTH-Matthew 5:13. Nations still have the ability to reject that and not glorify God but there only hope is the remnant. So when the remnant is going out, it is more than just about them, it's about all of these Gentile nations. When God scatters them among the nations, He is giving Gentiles an opportunity to miss the wrath. This is going to be an incredibly important thing.
1 Peter 2	GH: GPPI/EoM verse	v7: UNTO YOU THEREFORE WHICH BELIEVE HE IS PRECIOUS: Peter referring to A PRECIOUS CORNERSTONE-Isaiah 28:16. The preciousness is in the redemptive work. v7: WHICH BELIEVE HE IS PRECIOUS: Just to the believing remnant, just to the seed that will obey Him, just to the little flock. Those are the ones.
1 Peter 2	GH: IPF verse	v1-10: Is a review of their identification - who they are, identification wise, as members of the believing remnant. Their identification is to be put on display. They are the “chosen generation, royal priesthood, holy nation and peculiar people. They need to * be reminded of the privilege of God’s grace given to them to “show forth the praises of him who called them out of darkness into the light.” * understand the significance of being the believing remnant as God is purging out His nation in the day of wrath. They need to be encouraged by understanding who they are and what God is doing with them and this section of I Peter is doing this. Giving them the big picture as to what is going on in the world and their part in it. v1: This list are all points of abomination in Israel’s vain religious system. v2: DESIRE THE SINCERE MILK OF THE WORD, THAT YE MAY GROW: Exhorts them to 'desire the sincere milk of the word' that they might continue to grow spiritually. Still dealing with them about these milk issues. v3: IF SO BE...THE LORD IS GRACIOUS: This is that grace the remnant is supposed to appropriate.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 2	GH: IPF verse	v5: AS LIVELY STONES, ARE BUILT U A SPIRITUAL HOUSE, AN HOLY PRIESTHOOD, TO OFFER UP SPRIITUAL SACRIFICES, ACCEPTABLE TO GOD BY JESUS CHRIST: The remnant understands that the temple sacrifices are like cutting off a dog's neck; Isaiah 66. They know what is acceptable to God. They are as "lively stones" and it was prophesied about them that they would be such. v5: A SPIRITUAL HOUSE: The remnant. v5: OFFER UP SPIRITUAL SACRIFICES: Not animal sacrifices. The animal sacrifices are not needed now that the One Sacrifice for sin was made on the Cross. The remnant now understand the animal sacrifices are an abomination to God. See Isaiah 66:3. v8: WHEREUNTO ALSO THEY WERE APPOINTED: Has Isaiah 65 in mind in which this was all prophesied. There God describes what would be going on in Israel's last time when He would be building the "house of Israel" and it would stand in contrast to apostate Israel (the physical house) and God would make an impact with that spiritual house to His glory as He destroys Israel's vain religious system.
1 Peter 2	GH: IPF verse	v9: CHOSEN GENERATION...ROYAL PRIESTHOOD...HOLY NATION: The little flock is all of these things. This is not a description of the body of Christ. We are not the ones chose to show forth His praises in the midst of the Lord's day of wrath looking for salvation from the apostate nation and the Antichrist at the great and terrible day of the Lord. When the believing remnant are told to conduct themselves based on who they are, this should be in their mind. Peter is saying to them, "Hey, this is who you guys are!" Peter is exhorting them to appreciate the grace of God to them in this and to take their stand accordingly. God means to put the Israel of God on display to apostate Israel, to the Gentiles and to the adversary. As Satan vents his fierce anger against God's plan and purpose for Israel by putting his great wrath against the remnant, they have the privilege to make an impact to God's honor and glory by showing forth the praises of Him who called them out of darkness into His marvelous light! v9: CHOSEN GENERATION: The seed will be counted as a generation, a contrast to the apostate nation, which John the Baptist called 'O generation of vipers'-Matthew 3:7. The generation to set forth His praise in the midst of the darkness of Israel's apostasy. v10: Context comes out of Hosea 1:6-10.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 2	GH: IPF verse	v11-3:12: Is an exhortation to not conform to the Gentiles among whom they live and not participate in the ungodliness of those Gentiles. The policy of evil will eventually include the Gentiles and that will be brought to bear upon the remnant. They are to impact the Gentiles with their conduct and behavior to God's glory. Don't get influenced by this evil that you will be living in the midst of day after day among the Gentile nations. You're supposed to impact these nations. v11: STRANGERS AND PILGRIMS: Writing to Jews that are scattered in the area. v12: Peter is making a distinction between who he is writing to and Gentiles. Asking them to have honest conversation (conduct & behavior) among the Gentiles. They way they conduct themselves is going to be instrumental in whether or not those Gentiles that see them are actually going to be allowed entrance into the kingdom or not allowed entrance into the kingdom. MM says the wall of separation has gone back up out there. v12: Having your conversation honest among the Gentiles:
1 Peter 2	GH: IPF verse	v12: CONVERSATION HONEST AMONG THE GENTILES: Makes sense seeing as they are living among the Gentiles outside the land of Israel. v12: AMONG THE GENTILES: Out there where they are scattered abroad among the Gentile nations. v12: THEY SPEAK AGAINST YOU AS EVILDOERS: Not talking about the apostate nation, talking about Gentiles. v12: MAY BY YOUR GOOD WORKS, WHICH THEY SHALL BEHOLD: Their justification by works in the eyes of men. v12: THE DAY OF VISITATION: Quoted THE DAY OF VISITATION-Isaiah 10:3 (v3-v23). Peter is saying watch how you conduct yourself out here because we want the Gentiles whom you are living in the midst of to glorify God when in THE DAY OF VISITATION. What is transpiring in the day of wrath in the last days. GH: MM later said Second Advent. v19: SUFFERED WRONGFULLY: Reference to their physical persecutions. v21: HEREUNTO WERE YE CALLED: Reference to their physical persecutions.
1 Peter 2:9		9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light; YE ARE A CHOSEN GENERATION: Talking about a group of people, not about a period of 40 or 70 years. It never has been about a period of time, but a group of people. This is exactly what Peter had in mind when we writes about how things will be in the kingdom.
1 Peter 2:9	GH: SIIP Verse	9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light; A HOLY NATION: GH: Will need to be given the New Covenant (for a perfect justification and a perfect sanctification) before they enter into the kingdom to be this. If they would have had this when they got out of Egypt and entered into the promised land, they would have set up the kingdom immediately back then. But they weren't spiritually fit to be that HOLY NATION and KINGDOM OF PRIESTS-Exodus 19:6 because they put themselves under the law and tried to produce all of that in their own power. And God gave them the law to show them, you can't do it for yourself, let Me give it to you as a free gift of grace. You will never deserve it or earn it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 2:11-12		11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul; 12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, glorify God in the day of visitation. They will see those works by the remnant and they'll glorify God.
1 Peter 2:13-24	GH: WoD Teaching	The “thinking” issue is at work in both programs. Just as it is true for us, it will also be true for the believing remnant when this DoGG is over. Here are told that their subjection to governmental powers includes inward honor toward them. Israel is under “the times of the Gentiles” in their program. The loss of their sovereignty was part of the prophesied judgment against the nation.
1 Peter 2:17	Non-MBI	17 Honour all men. Love the brotherhood. Fear God. Honour the king. PR: When Peter wrote 'Fear God and honor the king', Nero the half-mad murderer was in charge.
1 Peter 2:23	Godly Love Feature - PS (Purposed Subordination) sub-feature: being reviled = HE WAS REVILED	23 Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously: HE WAS REVILED: Godly Love Feature - PS (Purposed Subordination) sub-feature: being reviled. Means to subject to insult or abuse; to talk to or criticize in an abusive, angry, or insulting manner; to rail at. This includes abuse and slander in the definitions.
1 Peter 2:24	GH: Cross verse	24 Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed. BARE OUR SINS IN HIS OWN BODY ON THE TREE: Christ did not bear our sins in hell, but while He was on the Cross (THE TREE).
1 Peter 3	GH: IPF verse	v3: A LIVELY HOPE: v13-4:19: Is an exhortation not to be afraid of the opposition’s terror and trouble and further instruction concerning the nature of the “last time.” They are going to see Israel’s vain religious system on the one side and the extermination policy of the adversary on the other squeezing them from both sides. v14: YE SUFFER: Reference to their physical persecutions. v14: BE NOT AFRAID OF THEIR TERROR: Reference to their physical persecutions.
1 Peter 3:1-2		Peter talking to wives with unbelieving husbands who do not obey the word and he is going to say there is a way for you to win them without the word. Not a guarantee but it can be done without her preaching to him. *A wife's respect for her husband is inter-dispensational.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 3:1		1 Likewise, ye wives, be in subjection to your own husbands; that, if any obey not the word, they also may without the word be won by the conversation of the wives; This is a statement on the power of the life (conversation) a godly wife can have on her husband. Peter said that if a woman was married to a man who did not “obey the word,” he could be ministered to do so by the lifestyle of the wife. MM taught if a wife is saved and men is not, she can win him to Christ by her godly character. MM says there's some truth but he doesn't think Peter is writing to lost people. Her chaste conversation can get him to do what the word is asking him to do. IF ANY OBEY NOT THE WORD: Not talking about an unsaved guy. This is a saved guy that is not obeying the doctrine/the word. EX They didn't get out when he was told and now he is thinking about going in and participating in those sacrifices so he doesn't lose his job, so he doesn't lose his family, so he is not cut out of the inheritance. THE CONVERSATION: The life style.
1 Peter 3:2		2 While they behold your chaste conversation coupled with fear. CHASTE CONVERSATION COUPLED WITH FEAR: This is a wife’s godly lifestyle coupled with deference toward her husband. FEAR: Not the fear which is of torment, but the word fear is used to describe a reverential obedience or godly submission consistent with all the doctrine. Same as WIVES SEE SHE REVERENCE HER HUSBAND-Ephesians 5:33. That combination of godly living which is out of a heart of love, and a godly submission to her husband can take a man who doesn’t want to obey God’s word, and change his mind. That is the power of a godly life. MM says it works in every dispensation.
1 Peter 3:3-4		3 Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold, or of putting on of apparel; 4 But let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price. The thing that is going to make the difference in your husband is not the outward beauty and attractiveness, it's the inward part, THE HIDDEN MAN OF THE HEART that makes this impact, that will have an effect on him, but the HIDDEN MAN OF THE HEART-4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 3:5-6		5 For after this manner in the old time the holy women also, who trusted in God, adorned themselves, being in subjection unto their own husbands: 6 Even as Sara obeyed Abraham, calling him lord: whose daughters ye are, as long as ye do well, and are not afraid with any amazement. Peter is saying Christian wives are to couple their godly lifestyle with deference and reverence to their husbands, IN SPITE OF what the pagan women around them might say. v6: SARA OBEYED ABRAHAM, CALLING HIM LORD: MM sees where Abraham is not worthy to have this kind of reverence from Sarah but it is not about that. And Sarah understands that it's not about him earning it, it's about my duty unto the Lord. And that is a different thing. v6: AND ARE NOT AFRAID WITH ANY AMAZEMENT: In pagan marriages, husbands treated their wives as sub-humans but the wives were always rebellious and cantankerous, probably rightly so in those relationships. When they saw any woman who had that kind of deference and reverence for their husband, they didn't understand that at all. And they would verbally attack that woman and persecute her because they felt like she was totally wrong. Now, Peter comes along and says don't let the criticism of these women keep you from doing what you are supposed to do.
1 Peter 3:7	GH: Evidence of a spiritual leader / GH: Oneness of spirit	7 Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered. Ways for a man to build a oneness of spirit: Evidence of being a spiritual leader - Have a personal prayer life for yourself and have a time to pray with your wife and your family. DWELL WITH THEM: Talking about their wives.
1 Peter 3:16		16 Having a good conscience; that, whereas they speak evil of you, as of evildoers, they may be ashamed that falsely accuse your good conversation in Christ. Will pick up the theme (GH: COUNTing TEMPTATIONS as JOY) from James and say you are going to be looked at and branded as EVILDOERS. It's not going to be an automatic thing for them to go into a nation that is hostile to what they beleve and verbally espouse those beliefs. MM says you have to be sure what God is doing in the program which you are living and once you see that, then you understand what being a son is and you just get in and be committed to that.
1 Peter 3:17		17 For it is better, if the will of God be so, that ye suffer for well doing, than for evil doing. See Peter's exhortation to the believing remnant concerning this kind of suffering - suffering for wrongdoing. It's better to suffer for well-doing than for evil doing. FOR WELL DOING: Suffering for righteousness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 3:18	GH: Cross verse	18 For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh, but quickened by the Spirit: CHRIST ALSO HATH ONCE SUFFERED FOR SINS: Jesus, in those hours on the Cross, when He was bearing the sins of the whole world throughout all the ages of the world upon Himself, was bearing the full suffering of those sins in a concentrated form. From eternity to a few hours, meaning the suffering is more intense. In other words, if the time is shortened, the degree of suffering is increased. Jesus was not just suffering the agonizing physical pain of crucifixion, but was, at the same time, taking upon Himself the sins of the world and the full suffering for every sin. When He was taking on the sins of the world, He was physically being killed through crucifixion, which is an excruciating, slower form of death. MM asks how traumatic would that be? And His Back was scourged beforehand. You can get air in but to get air out, you have to use your feet and push up to be able to expel that air out of your lunges so you can take more in then. People would die from asphyxiation, they just couldn't get enough air. Couldn't push themselves up and down long enough. That's the physical thing going on. At the same time, spiritually, He is being the sin bearer and the even worst part is He is going through that alone - MY GOD, MY GOD, WHY HAST THOU FORSAKEN ME?-Matthew 27:46. Of all the mandates of the Davidic covenant, the only one that was ever in question was the Redeemer mandate. He is on the Cross as a Man bearing the sins of the world along and Satan wants Him to die while He is still being the sin bearer because if He does, He'll be doing that for eternity. There's no Resurrection. But when Jesus says IT IS FINISHED-John 19:30, He is finished paying for all of the sins of the world, pressed together in hours of time.
1 Peter 3:19		19 By which also he went and preached unto the spirits in prison; HE WENT AND PREACHED UNTO THE SPIRITS IN PRISON: While He was in hades, Christ did something very interesting: according to Peter, Christ “preached” to some spirits which were down there. MM thinks the message was a two fold message of victory by virtue of the Cross. They wouldn't anticipate this, His own disciples didn't anticipate this: 1) Christ proclaimed His victory (by virtue of the cross) over Satan and all of his realm, over spiritual wickedness in high places (there is the heavens) and over the rulers of the darkness of this world (there is the earth). As such, when He ascended up on high, it was to Father’s right hand far above all principality, power, might, dominion and every name that is named. The saved in both programs benefit from this victory. He LED CAPTIVITY CAPTIVE-Ephesians 4:8. All the area you thought you controlled, Jesus said I own that. I AM going to walk off of the earth and through the property I now own on My way to the third heaven and you can't stop that. - “You guys thought that sending me to the Cross was going to be the end of me, but what you didn’t know is what I accomplished on the Cross was your total ruin and undoing. I wanted you to send me to the Cross. You guys participated in your own destruction and you never saw it coming. You are totally defeated. At my ascension I am going to parade right through your territories in the HP as though I own them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 3:19		19 By which also he went and preached unto the spirits in prison; I triumphed because I won the battle on the Cross. I have overcome all of you and I have come down here to tell you that you failed. I have taken you as my captives. As such, you have no more power over those who believe in me. I am about to take my place at the highest position possible, at the right hand of my Father." He informed them of their defeat. 2) Christ proclaimed His victory over death, hell and the grave; i.e., He preached His own resurrection from the dead to the spirits in prison. GH: took the keys of death and hell. He is down there for 3 days and 3 nights and then He comes out of the grave in a body that has not corrupted. - "Yes, I'm down here right now. But I am here on purpose, not for punishment. Death cannot hold me. In me is life and I am the rightful possessor of heaven and earth; I am the most High. And soon I will demonstrate it to all the creation for I will rise from the dead and then I will ascend to my Father." He is saying I AM not down here because I AM in your condition, this can't hold Me. I am down here to fulfill prophecy and then I AM going to rise from the dead. SPIRITS: These spirits are the ones who were disobedient "in the days of Noah." These are the "sons of God" who perished in the flood along with the Nephilim who sought to corrupt the "seed of the woman" to keep Christ from being born into the world. Those spirits are "in prison" even now.
1 Peter 3:20		20 Which sometime were disobedient, when once the longsuffering of God waited in the days of Noah, while the ark was a preparing, wherein few, that is, eight souls were saved by water. THE DAYS OF NOAH: Back in the days of Noah, the sons of God saw the daughters of men and they took of them wives of all which they chose. In your O.T. people are not referred to as sons of God. Angels are referred to as sons of God because they are created by God. Angels cohabited with human women to produce a race by which Christ could not come. God removed their ability to go back and forth between their physical state and spiritual state and He wipes them out in the Flood. These are THE SPIRITS IN PRISON-v19. Peter says they are under CHAINS OF DARKNESS-2 Peter 2:4.
1 Peter 3:21	GH: Baptism	21 The like figure whereunto even baptism doth also now save us (not the putting away of the filth of the flesh, but the answer of a good conscience toward God,) by the resurrection of Jesus Christ: NOT THE PUTTING AWAY OF THE FILTH OF THE FLESH, BUT THE ANSWER OF A GOOD CONSCIENCE TOWARD GOD: People in Israel's program may think when they get baptized, they are washing away their sins, but they didn't actually get washed away until the kingdom. This exactly the way the OT sacrifices worked? The blood of bulls and goats only symbolically put away sin, but we know that those sacrifices could never take away sins; it was impossible according to Hebrews. Those sacrifices did have a "good conscience toward God." MM says what baptism is about. They are obeying what God told them to be by faith being obedient. It didn't take away their sins. GH: Same with baptism. There is ONE BAPTISM-Ephesians 4:5 that everything else is a picture of, the Spirit baptizing us into ONE BODY-Ephesians 4:4.

1 Peter 4	GH: IPF verse	v12-14: The remnant is told to look at things from God's perspective. They now can see that God is settling a score with the satanic plan of evil and they are directly involved in it. This is thing that puts them in such a state of mind to 'loved not their lives unto the death'-Revelation 12:11. Understanding the doctrine in I Peter makes it a joy for them to make the ultimate sacrifice because they do see the big picture and they comprehend the nature of the things which are coming to pass. v12: THINK IT NOT STRANGE: This isn't an accident, this is something that is a part of what God has designed for the remnant to go through to make a particular impact. And it may cost some of you your lives. You are going to suffer. You are going to be persecuted. You are going to be mistreated. You are going to be terrified. v12: FIERY TRIAL: Reference to their physical persecutions. Talks to the remnant about the “hope” they possess in the midst of the “fiery trial.” He is telling them this thing is coming and they need to know what they are getting into. GH: Ties to the what the remnant is accomplishing the infuriates the adversary. v12: THINK IT NOT STRANGE...AS THOUGH SOME STRANGE THING HAPPENED UNTO YOU: Israel’s vain religious system will unite itself with the world system of ungodliness in an alliance. This alliance will come against the remnant in certain ways that need to be recognized for what it is. Peter is warning the remnant to see "behind the scenes" regarding the circumstances that will be unfolding at that time.
1 Peter 4	GH: IPF verse	v13: There is going to be great reward that is going to be handed out before the Father to the members of the believing remnant. The more they suffer, the greater their reward. v13: BUT REJOICE: In view of what is happening to you. v13: PARTAKERS OF CHRIST'S SUFFERINGS: Reference to their physical persecutions. v14: ON YOUR PART HE IS GLORIFIED: v19: THEM THAT SUFFER: Reference to their physical persecutions. v19: FAITHFUL CREATOR: Not just God is the Creator. It's the view of what's happening in the day of wrath as the heavens and earth will perish along with the satanic plan of evil. And God will make a new heavens and a new earth; a FAITHFUL CREATOR that is restoring creation back to its original purpose. He is reminding them that the kingdom was the purpose this whole thing was created for in the beginning. Get more details of this in 2 Peter.
1 Peter 4:8-9		8 And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins. 9 Use hospitality one to another without grudging. Peter uses HOSPITALITY when he is talking to the members of the little flock, the ones that are yet to come, when the Blessed Hope has taken place and God's program with Israel has resumed. Peter is writing to them. Sounds like Paul in Romans 12:13. v8: FERVENT CHARITY AMONG YOURSELVES: MM says does this sound familar? v9: USE HOSPITALITY ONE TO ANOTHER WITHOUT GRUDGING: MM tying to GIVEN TO HOSPITALITY-Romans 12:13b. v9: WITHOUT GRUDGING: With CHARITY. STORY: Mr. Murphy and delivering a back seat full of groceries when MM on staff but not taking a salary.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 4:9		9 Use hospitality one to another without grudging. USE HOSPITALITY ONE TO ANOTHER WITHOUT GRUDGING: MM says sounds similar to Paul in Romans 12:13-GIVEN TO HOSPITALITY.
1 Peter 5	GH: IPF verse	When you get to the end of 1 Peter, a couple of things are in view. * The activity of the satanic policy of evil against them * Their growing into the maturity of their position within the Kingdom v2: TAKING THE OVERSIGHT THEREOF: See the charge of the elders (see v1) with proper oversight of the little flock. v4: THE CHIEF SHEPHERD SHALL APPEAR: The appearance of the chief Shepherd is at the 2nd Advent when He brings His reward with Him. So there is a reward for the overseers of the flock for conducting their rulership properly. v8-10: Peter gives the link or introduction to the next book. 2 Peter. MM says v8. 2 Peter says here's the POE that's coming on you and here's how you need to prepare yourself. Whatever was going on in 1 Peter the heat is about to turn up in 2 Peter and he is saying, 'get ready'. The next phase of the POE is coming upon you. v8-9: Saying to the remnant that Satan is actively looking for the members of the remnant and his POE against them now is going to be unfolded before them. The link into 2 Peter.
1 Peter 5	GH: IPF verse	v8: BE SOBER, BE VIGILANT: Because they are about to encounter the various phases of the POE, which is taught to them in 2 Peter, 1 - 3 John, and Jude. v8: BE SOBER: The need for them to be clear thinking. Not just in the common sense areas, but especially based on the doctrine that they are being given. This is crucial for them to be able to 'hold fast'-Hebrews 10:23 to the things that they have heard. v8: BE VIGILANT: Be on the look out, be on your guard. Something is coming so 'be vigilant'. Be watching. v8: BECAUSE YOUR ADVERSARY THE DEVIL, AS A ROARING LION, WALKETH ABOUT, SEEKING WHOM HE MAY DEVOUR: Why the remnant should be 'sober' and 'vigilant'. He is going to be now actively seeking to destroy them. v8: YOUR ADVERSARY THE DEVIL: v8: SEEKING WHOM HE MAY DEVOUR: Reference to their physical persecutions.
1 Peter 5	GH: IPF verse	v9: RESIST STEDFAST IN THE FAITH: Means they are going to have to 'hold fast'-Hebrews 10:23 to the doctrine that they've been given. Their justification by faith has been settled for them but not their justification by works in the eyes of men that allows them to escape the judgments of the tribulation and to enter into the kingdom, having great honor and reward. v9: SAME AFFLICTIONS: Reference to their physical persecutions. v10: THE GOD OF ALL GRACE: v10: YE HAVE SUFFERED: Reference to their physical persecutions. v10: MAKE YOU PERFECT, STABLISH, STRENGTHEN, SETTLE YOU: What they need to do to be about to withstand the POE.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 Peter 5:8		8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: YOUR ADVERSARY THE DEVIL, AS A ROARING LION, WALKETH ABOUT SEEKING WHOM HE MAY DEVOUR: Talking about Satan in his capacity as actively opposing the believing remnant. ADVERSARY: One of the names of the devil - talking about his work with this name. Shade of difference between ADVERSARY and enemy (see comparison section).
1 Peter 5:10	GH: IP : Suffering / ETERNAL GLORY	10 But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you. For the believing remnant ETERNAL GLORY AFTER YE HAVE SUFFERED: There are some things that will be done in you for this suffering.
2 Peter - Jude		Written to the believing remnant about the tactics Satan is using or going to use against them. About the tactics that Satan is using against the remnant. These Books tie to the remaining portion of Satan's NIGHT where he is going to bring his NIGHT to a zenith. Talking to the remnant about very particular things that are going on and there are some parallel issues here Paul will be talking to us about. The doctrine is progressive depending on where they are. These are different attainments depending on where they are: LITTLE CHILDREN YOUNG MEN FATHERS Talk about the remaining portion of Satan's NIGHT to the believing remnant, looking at what the 3 categories of the WORKS OF DARKNESS-Romans 13:12. They are gpomg tp be all around them.
2 Peter	GH: WoD Teaching	Context: Being written to the remnant who are out here in the remaining portion of the NIGHT and the DAY is at hand. This is a parallel issue to some things that Paul is going to be saying to us about the DOGG. There will come a day when someone will come through the back door with the specifi reason of tearing this group apart and they're going to bring in these DAMNABLE HERESIES, even denying the Lord that bought them. Paul makes a parallel issue when he writes LET US WALK HONESTLY AS IN THE DAY-Romans 13.13. Outline: - Starts out the passage talking about those false prophets - then God's response to Satan's activities in the world - bring up the world that perished in the Flood - then before he moves on to what's going to happen out in the Lord's day of wrath he brings up the issue of Sodom and Gomorrah.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter	GH: WoD Teaching	Just as Satan did a trial run/test baloon with THE PRINCE OF TYRUS-Ezekiel 28:2 to see how that would work out (how he would be received, what he would be able to do with him - this is not the MAN OF SIN because Satan had not yet brought the world to the complete repudiation of all 3 Members of the Godhead) just before Israel went into the 5th CoP, he did another trial run/test issue with Sodom and Gomorrah and the cities around them in the plain in Genesis 18. Here's what Satan is doing - he is taking all 3 categories of his WORKS OF DARKNESS and because God has destroyed the OLD WORLD with the Flood and brought in some changes. This has impacted Satan's ability to now impact the world to make it THE WORLD OF THE UNGODLY. Satan needs to know if he can produce all of that over again so he concentrates all 3 categories of his WORKS OF DARKNESS on that small area of the world where Sodom and Gomorrah are located to see if that can be done. MM says it was almost to his neglect of the entire rest of the world. He is trying to make this happen in a period of time that does not involve all of world history. So he does this experiment with Sodom and Gomorrah and at the end he has successfully brought them to being a miniature WORLD OF THE UNGODLY. And as it says here, God immediately destroyed that people. Peter says that DESTRUCTION is an ENSAMPLE to those who after shows live ungodly because once Satan understood that he could do that, the only thinkg he understood along with that was it was just going to take a little longer to get it done the second time than it did the first time.
2 Peter	GH: IPF verse	Starts the 'meat' doctrine of the remnant. Outline: * 1:1-11: Exhort to grow spiritually ('go on unto spiritual perfection'-Hebrews 6:1) They will be reminded of all that has been provided for them by God. * 1:12-21: Affirmation of the Kingdom * 2:1-22: 'Pernicious ways' of false teachers * 3:1-10: Scoffers and their persuasive argument that Jesus is not the Christ
2 Peter	GH: IPF verse	Talks about the subtleness of changes of the policy of evil attacks against the remnant, which becomes a focal point. Takes this subject introduced in 1 Peter and enlarges upon it, adding to the edification of the remnant. The policy of evil against the remnant will begin to manifest itself in different ways: * There will be an extermination policy enacted against the remnant and also the nation of Israel in the last half of Daniel’s 70th Week. * There will be infiltration tactics/infiltration policy used by the enemy against the remnant by planting false teachers among the various congregations of the remnant, causing them to follow false doctrines and suffer confusion over the truth. Would think if anyone came in and said, "Jesus is not the Christ" they would stand out like a sore thumb. But they are very clever. They don't just say it, they come in with proofs that Jesus is not the Christ. Once they learn this, they must remember 1 Peter’s admonition to be on guard and be looking for the various phases of the policy of evil against them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter	GH: IPF verse	Why Peter addresses the affirmation of the kingdom (1:12-21) and particularly, the sufficiency of scripture (1:19-21) to address the supposedly unanswerable argument: Written during the dispensation transition period (Acts 9-28). People who were saved under the gospel of the kingdom would have become part of the Little Flock at one of these times: * The preaching of John the Baptist * The preaching of Jesus and the 12 * The preaching of Peter (and others) from Acts 2-7 after His Death, Burial, and Resurrection During this time, the message was 'the kingdom is at hand'-Matthew 4:17. But He also talked about things that would be happening in the Lord's Day when the Son of Man would return and set up that kingdom. By the time 2 Peter is written, Paul has already been saved and the DOGG has already begun. Peter understands something that the adversary understands that the remnant doesn't, and he addresses this in 2 Peter 3. Think about the time between the days of the Messiah and the resumption of the Israel program - it's been a long time.
2 Peter	GH: IPF verse	Peter reminds them 'that one day is with the Lord as a thousand years, and a thousand years as one day'-2 Peter 3:8. If then a guy stands before you and says you have FOLLOWED (a) CUNNINGLY DEVISED FABLE-2 Peter 1:16, after all of this time, it may be tough to hold stead fast. The Lord told His followers 2,000+ years ago the kingdom was at hand. 'Where is the promise of His coming?'-2 Peter 3:4. Where is He? He's just like every other false Messiah that came along. You even claim that He resurrected from the dead. Well then where is He? If He is the Christ, how come He didn't keep His promise? It's been 'at hand' for 2,000+ years, where is He? You believed in the wrong Messiah, Jesus is not the Christ. But we can show you one who is that has all the signs and wonders to go with it, the antichrist. Peter says to them that their “hope” has not changed. Their original expectation for participation within their own program they are still a part of, even though the dispensation of grace has come in. They will be part of that coming kingdom, even though it is in abeyance for a time. But they have not lost what they have been a part of. Israel’s program is still their program and they are not members of the body of Christ.
2 Peter 1	GH: IPF verse	v1-11: Exhort to grow spiritually (spiritual perfection): Exhortation for the remnant to mature and to grow/progress spiritually ('go on unto (spiritual) perfection'-Hebrews 6:1) so they will have great reward in the kingdom. v2-3: Talk about the things that have been provided for them. They have been given everything they need for “life and godliness” and they get that provision through the knowledge given to them to endure all the temptations of the policy of evil that is going to come against them. They have everything they need to 'escaped the corruption that is in the world'-v4. This is different than the prior 3 milk epistles. v2: THROUGH THE KNOWLEDGE OF GOD: v3-4: He is giving you the very things that you need to survive in this day because the attack is not just going to come against you spiritually, the attack is going to come against you physically. And all the things that you will be able to need to survive in both of these areas have been given to you and you're equipped with that. And you're going to have to have it because what's coming on the scene, FALSE PROPHETS-2 Peter 2:1 and FALSE TEACHERS-2 Peter 2:1.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 1	GH: IPF verse	v3: HIS DIVINE POWER HATH GIVEN UNTO US ALL THINGS THAT PERTAIN UNTO LIFE AND GODLINESS, THROUGH THE KNOWLEDGE OF HIM: v5-11: There are those members of the remnant that will believe the Gospel of the Kingdom and will be purged from their sins. But they will not “hold fast” to the things they were instructed. Peter says that if they lack these things, then they have forgotten that they were purged from their old sins. Then, he instructs them to make their calling and election sure by “if ye do” those aforementioned things. For them, if they “do these things,” then “an entrance shall be abundantly ministered” unto them “into an Everlasting Kingdom.” We need no such things to gain entrance into our vocation in the Heavenlies. v5-7: The doctrine they are given produces these 7 things. Seven things they are supposed to add that move them onto spiritual 'perfection'- Hebrews 6:1. They need to 'abound' in these things. They need to put these things on display.
2 Peter 1	GH: IPF verse	1. virtue-v5 2. knowledge-v5 3. temperance-v6 4. patience-v6 5. godliness-v6 6. brotherly kindness-v7 7. charity-v7 All of these things stand in contrast to the vain religious system and these are the things that cause the remnant to put on display some things that make them obviously stand out. These 7 things show it is imperative for the believing remnant to learn the Book of Proverbs. They connect back to Proverbs and they counter 7 aspects of the policy of evil against them. Necessary for them to overcome the attacks that are going to come against them. You can take the Lord's corrective doctrine and divide it into 7 categories and these correspond to the 7 things the believing remnant is supposed to add to their faith. But they also stand in opposition to the 7 things that God said were an abomination to Him and that He hates in Proverbs 6.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 1	GH: IPF verse	v5: ADD TO YOUR FAITH: Peter knows they already have this, they have believed that gospel message and they have faith. Now, they are supposed to add these 7 things to it. v8-9: It's possible to be saved and if none of the things in v5-7 are in your life, that they have forgotten that they were purge from their old sins. v8: YE SHALL NEITHER BE BARREN NOR UNFRUITFUL: The issue is they're supposed to be fruitful. v9-11: The warning if they are not fruitful. Dealing with the reward topic. v9: HE THAT LACKETH THESE THINGS IS BLIND: v9: AND HATH FORGOTTEN THAT HE WAS PURGED FROM HIS OLD SINS: v10: GIVE DILIGENCE TO MAKE YOUR CALLING AND ELECTION SURE: FOR IF YE DO THESE THINGS: v10: GIVE DILIGENCE TO MAKE YOUR CALLING AND ELECTION SURE: There's a tendency to look at this out of its context and say, if they don't make their 'calling and election sure', they are going to fail. This is about the remnant remembering what they have believed and who they know themselves to be in God’s program with Israel. They are to underscore the doctrine in their minds so when the pressure comes, they won’t fall, but stand steadfast.
2 Peter 1	GH: IPF verse	v10: MAKE YOUR CALLING AND ELECTION: Who you have been made to be. Make sure that you understand that. Make sure you understand who you are and who you are in God's program with Israel, so that you can conduct yourself accordingly. Because if you are not sure about who you are and what you are in this program, you're going to be overcome by the policy of evil. This is so important because if you do that, you will never fall. Get that nailed down and you are unmoveable and that's where the Lord wants them to be. v10: SURE: In your own mind. v10: IF YE DO THESE THINGS: You will not be swept away by what's coming. You will not be overtaken by the policy of evil. You will not be devoured by that roaring lion, the adversary. v10: YE SHALL NEVER FAIL: Refers to their falling from their steadfastness om 2 Peter 3, not a reference to falling from their eternal life or falling from grace. They will have to remain steadfast in their conduct if they are to continue to grow spiritually ('go on unto perfection'-Hebrews 6:1.) The satanic attack will come against them to tear them away from the doctrine they are supposed to hold fast to. v11: AN ENTRANCE SHALL BE MINISTERED UNTO YOU ABUNDANTLY INTO THE EVERLASING KINGDOM: What is being held out to them. If you do these things, there will be an abundant entrance for you into the kingdom. Get the idea that if you don't, then you don't get an abundant entrance into the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 1	GH: IPF verse	v11: AN ENTRANCE: v11: ABUNDANTLY INTO THE EVERLASING KINGDOM: v11: ABUNDANTLY: Indicates more than just you got in, but you got in with honor, with privilege, with reward. v12-21: Affirmation of the Kingdom: Peter confirms the kingdom is coming. In view of the policy of evil against them and what these 'scoffers' are going to be saying. Peter gives them an affirmation of the certainty of the coming kingdom. Peter gives a sure testimony that the kingdom is coming. It is indeed going to arrive. He is doing this because what's coming in 2 Peter 3. v16: WE HAVE NOT FOLLOWED CUNNINGLY DEVISED FABLES: Peter is saying this because that is the accusation. The false teachers or false remnant or counterfeit Jews, working within the policy of evil against the remnant, will make this very accusation; that they (the remnant) are following 'cunningly devised fables' - fallen victim to them. They will attempt to plant the seeds of doubt in the minds of the believers in Jesus. They will say they have been put together to deceive you (the real remnant), but we're going to show you the truth. This rumor will spread throughout the assemblies of the remnant, circulating from one assembly to the next, so their belief/faith will have to remain steadfast.
2 Peter 1	GH: IPF verse	v16: THE POWER AND COMING OF OUR LORD JESUS CHRIST: We weren't following fables, this is coming. The kingdom is on its way. v19-21: Peter is saying that the written word is a 'more sure'-v19 testimony than the eyewitness testimony of an apostle of Jesus Christ. These things were spoken of before and you can believe every bit of that. Because these false teachers will come in and they'll try to deconstruct that doctrine that was taught to the remnant, Peter is saying don't be afraid when they begin to mock the doctrine because you are not believing the wrong things. v19: A MORE SURE WORD OF PROPHECY: Peter affirms that not only was he and others 'eyewitnesses'-v16 of the things which he writes, but there is a written word superintended by the Holy Ghost which makes an even 'more sure word of prophecy' than an eyewitness account of an apostle of Jesus Christ. v19: TAKE HEED: v21: HOLY MEN OF GOD SPAKE AS THEY WERE MOVED BY THE HOLY GHOST:
2 Peter 1:4	GH: Inter-dispensational - Christ IN you	4 Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust. YE MIGHT BE PARTAKERS OF THE DIVINE NATURE: Paul says the same thing - this is THE LIFE OF GOD-Ephesians 4:18 that is within them. This is what God wants for each of us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 1:16-19		16 For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty. 17 For he received from God the Father honour and glory, when there came such a voice to him from the excellent glory, This is my beloved Son, in whom I am well pleased. 18 And this voice which came from heaven we heard, when we were with him in the holy mount. 19 We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts: Peter was an eye witness to the things that the Lord did during His earthly ministry, His death on the Cross, His burial, His Resurrection. When it came to preaching the Truth of Jesus being the Christ to Israel, he had his own personal testimony, but when he writes about it, he makes an interesting comment. v17-18: Talking about the Transfiguration. v19: Peter is saying I not only saw and heard that but I also know that we have A MORE SURE WORD OF PROPHECY. v19: A MORE SURE WORD OF PROPHECY: That which was written to the prophets about who He was. Peter is saying I may have seen it and I may have heard it but I'll tell you something more sure than me as an eye witness, what was written in the word. MM says this is because an eye witness can be fooled (tells Penn & Teller story).
2 Peter 1:20-21		20 Knowing this first, that no prophecy of the scripture is of any private interpretation. 21 For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost. What part did the Spirit have in the Word? The Sprit is the One superintending the scripture. The Word the Spirit is inspiring these men to write is in perfect accordance with His Will. Everything is in agreement with that. v20: Peter is saying I'm not deciding what these things are saying, this is all right there in the scripture itself. v21: MM says this is the more sure word. MM is showing the authority of the written word and that the Bible is the MORE EXCELLENT WAY-1 Corinthians 12:31 to get anything done. We know this is true but it doesn't tell you how this happened (GH: DOGG passage: 2 Timothy 3:16).
2 Peter 1:20-21	Non-MBI	20 Knowing this first, that no prophecy of the scripture is of any private interpretation. 21 For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost. VB v16-21 - Bible is a reliable collection of historical documents written down by eye witnesses, during the lifetime of other eye witnesses. They report to supernatural events that took place in the fulfillment of specific prophecies and claimed to be divine revelation rather than human in origin. (2 Peter 1:16-21 derivation) SC: v21: Prophets, apostles, and holy men in after days continuing the work as they were moved by the Holy Ghost, from time to time, until the volume of the Book was complete. Rose: The Bible is inspired by God

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 1:21		21 For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost. HOLY MEN OF GOD SPAKE AS THEY WERE MOVED BY THE SPIRIT
2 Peter 2	GH: IPF verse	v1-22: 'Pernicious ways' of false teachers: Gives the remnant specific instructions concerning the 'pernicious ways'-v2 of the false teachers against them. Given detailed information about what those 'pernicious ways' are and how those will be foisted on them so they are detected. John will pick up with this in his epistles. v1-2: The PERNICOUS WAYS of the FALSE PROPHETS and FALSE TEACHERS are going to be continued to be spoken of in 1 John - 3 John, where they're going to be given a series of tests to apply, questions to ask that will let them know whether or not these people are from the Lord or not from the Lord. See that the policy of evil will install false teachers among the assemblies of the remnant out in the Lord's Day. The issue here is not just that these teachers are not who they say they are, but that they bring in "damnable heresies." What these teach is an assault on the very truth the remnant has been exhorted to stand steadfast in. v1: There will be false teachers among you, just as in 'time past'. The doctrine they have learned is going to come under attack. Those assemblies are going to be infiltrated by these false teachers and rise to places of prominence and influence so that they can deceive people. v1: FALSE PROPHETS: There were false teachers among the people at a time in the past.
2 Peter 2	GH: IPF verse	v1: THERE WILL BE FALSE TEACHERS AMONG YOU: v1: FALSE TEACHERS AMONG YOU: v1: WHO PRIVILY SHALL BRING IN DAMNABLE HERESIES: They bring in their false teachings in such a way that is not easily discerned. So carefully has this infiltration of the remnant been crafted, that these false teachers will be able to "even deny the Lord" and "many" will wind up following their doctrine! The teachings they are going to bring in are going to be craftily put together so that they are not really discerned. These are doctrines that destroy what the remnant is supposed to 'hold fast'-Hebrews 10:23 to. Similar to 'certain men crept in unawares'-Jude 1:4. v1: PRIVILY: Privately. Secretly. Not easily discovered. Not going to outwardly show who they are. v1: DAMNABLE HERESIES: Example would be the false doctrine that Jesus was not the Christ. v2-3: The way the remnant will know the difference is by what comes out of the mouth of these false teachers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2	GH: IPF verse	v2: MANY WILL FOLLOW THEIR PERNICOUS WAYS: Even though the remnant is given the exposure policy, not all of them will use it. Putting the exposure policy to work is not automatic. Many will be fooled and deceived into believing their false teaching. Remember the remnant is not that big to start with. But many of them are going to get deceived. Why the warning is given to them over and over - 'take heed', 'beware', 'be diligent'. They're admonished over and over to do this. v2: PERNICOUS WAYS: Many of the remnant will follow the 'pernicious ways' of the false teachers. They are unrelenting. And it ends in an extermination policy, where he is not trying to get the remnant to defect from their doctrine anymore, he's just going to try and wipe them out. Then, they hide in 'secret chambers'-Matthew 24:26 that have been prepared for them. v2: THE WAY OF TRUTH SHALL BE EVIL SPOKEN OF: The false teachers are going to speak evil of the way of truth. They are going to deny that the truth is the truth. v3: WITH FEIGNED WORDS:
2 Peter 2	GH: IPF verse	v10: DESPISE GOVERNMENT: Not just talking like they don't like government - 'we hate he mayor'. The false teachers will despise the coming kingdom and the places of honor that will offer. They are not afraid to mock the doctrine that says there is a government of righteousness coming. They will insist that Jesus is not the Christ. The government they hate is the government being taught by the doctrine of the remnant, the kingdom of the Messiah. That's the one that they hate, that they can't stand. v10: PRESUMPTOOUS ARE THEY, SELF-WILLED, THEY ARE NOT AFRAID TO SPEAK EVIL OF DIGNITIES: They not only understand there's a government coming but have a part in it. They are going to mock that government, that's a false government and you people thinking you are going to be part of it, you people thinking you're going to be big shots in it, you're not doing anything but serving evil. Think 'call evil good, and good evil'-Isaiah 5:20. v10: SPEAK EVIL OF DIGNITIES: They will speak evil of the positions of honor that kingdom holds for those members of the remnant. Saying don't listen to this remnant guy, he thinks he is going to be a big shot in a false government. v12: BRUTE BEASTS: Describes the marriage/merge of Israel's vain religious system and worldly ungodliness of men. Show up in the final part of the 5th CoP.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:1-6		Peter taking them back to something that happened in the TIME PAST portion of their program. He's going to show them how something that was happening back there is going to be happening again in the TO COME portion of their program so that they can draw an anology from that. List of times when God says that evil and ungodliness got to a point where God had to intervene and produce a judgment in response to that. There's a principle here. The same thing going on back there is the same thing that will be going on in the Day of Wrath. Peter is warning the remnant about something that is happening that has happened to Israel before and now it's going to happen to them again. In this passage, he is giving them 3 examples: 1. GOD SPARED NOT THE ANGELS THAT SINNED-v4: Angels in the time before the Flood, performed some activities that would have ensured that the world would have remained THE WORLD OF THE UNGODLY permanently. The things he was doing with the angels would not have been reversible. That's another reason why God destroyed the world with the Flood, put 8 people in the Ark, and then delivered those angels into chains of darkness reserved against the day of judgment. 2. GOD SPARED NOT THE OLD WORLD-v5: God was making changes in the heavens and the earth that slowed down Satan's POE. 3. CITIES OF SODOM AND GOMORRHA-v6
2 Peter 2:1-2	GH: False Prophets	1 But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. 2 And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. Talking about events after the Blessed Hope. Wolves in sheep's clothing that will come in and mislead the little flock. False Bible teachers would bring in heresies, have many followers, and cause others to reject God's word. MM says there have always been false Bible teachers. It is very common today to find people who reject the Bible out of hand because they have heard it misrepresented by a false teacher. False teachers will infiltrate the little flock churches and deceive them about the Messiah.
2 Peter 2:1	GH: WoD Teaching	1 But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. There were false teachers back then and the same thing is going to happen to you guys, the believing remnant. You are going to find yourselves in Daniel's 70th week and they have to be able to spot these false teachers. PRIVILY: MM says there will be assemblies of believers in Jesus Christ out in the Lord's Day of Wrath and there's going to be false prophets and false teachers that will infiltrate the assembly. But they will not bring heresies before the whole group. What they will do is find members of the group that they think are susceptible to being confused or corrupted and they will go to these people privately behind the scenes (GH: PRIVILY) and they'll start bringing these heretical doctrines to the fore in order to get these people to reject the truth and believe the lie. They don't bring it up in front of the whole group because those that knew better would answer those objections and they wouldn't have an inroad. So what they do is go behind the scenes and they find people they think will give them a hearing and they get them convinced. Then they go to another person and say so-and-so (GH: the person they just convinced) believes this. It's very crafty and done secretly. That's the way Satan is going to work that for them. Peter is giving them this warning.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:1	GH: WoD Teaching	1 But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. OED: Privily: not openly or publicly; secrety, privately; stealthily; craftily DENYING THE LORD THAT BOUGHT THEM: They men will come in and their pernicious ways and with feigned words, they'll deceive many and they'll teach them to deny the Lord that bought them. MM says you think this could never happen but it is cleverly done, it is craftily put together. They are trying to get you to take off your ARMOUR-Romans 13:12. SWIFT DESTRUCTION: Talking about the day of the Lord.
2 Peter 2:2		2 And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. One of the primary ways Satan uses is to corrupt the Truth. AND MANY SHALL FOLLOW THEIR PERNICIOUS WAYS: MM says if you are part of the believing remnant, this has to be a discouraging statement to read.
2 Peter 2:2	GH: WoD Teaching	2 And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. THEIR PERNICIOUS WAYS: The false prophets. THE WAY OF TRUTH SHALL BE EVIL SPOKEN OF: MM tying to verse where they'll call good evil and evil good.
2 Peter 2:3		3 And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not. COVETOUSNESS: MM ties to Romans 13 (GH: v9? Teaching v11-14) WHOSE JUDGMENT NOW OF A LONG TIME LINGERETH NOT, AND THEIR DAMNATION SLUMBERETH NOT: Peter is saying the things that were happening before are going to be happening again once the program resumes and that judgment that seems to been lingering and slumbering is not going to do that anymore. There's a pay day for this and it's coming. What God is saying through Peter's writing is this judgment that they were deserving of, it's been a long time coming and they're going to get it now, what they deserved for a long time.
2 Peter 2:3	GH: WoD Teaching	3 And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not. COVETNESS: Ought to take you back to a category of the WORKS OF DARKNESS-Romans 13:12. He is saying, hey, you (GH: the believing remnant) may think that the judgment due to these guys has been slumbering or it has been lingersing for a long time, that's coming to an end and all that is going to change.
2 Peter 2:4		4 For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; CHAINS OF DARKNESS: The sons of God that cohabitated with women in Genesis 6. MM thinks for angels, darkness is a judgment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:4	GH: spirit beings	4 For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; Peter is going to take an example, could call it ensample, and he's going to make a point out of that. ANGELS THAT SINNED: Not talking about the angels that rebeled with Lucifer. They are the angels that sinned during the time before the Flood. MM ties to THE WORLD OF THE UNGODLY-v5 from Genesis 3 to Genesis 6. Genesis 6-9 are the judgment.
2 Peter 2:5	GH: WoD Teaching	5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; Satan had produced THE WORLD OF THE UNGODLY. As a response to that, God brought in the Flood. Was a judgment by what Satan's WORKS OF DARKNESS were producing in the world. MM says the Flood was part A and the day of wrath wil be part B of the judgment. Noah and his family got off the boat, men began to multiply, Satan reintroduced his WORKS OF DARKNESS, he redeveloped THE WORLD OF THE UNGODLY and then God interupted things to bring in his DOGG where He is offering reconciliation to Jew and Gentile alike. When that is over, Satan will have the remaining portion of his NIGHT and the world will go back to being exactly what it was before the DOGG. It will then take that last natural step to be taken that requires his MAN OF SIN to be in the world. MM says you are a member of the remnant and see all of the DARKNESS around you and you are reading this and remember oh, what this is is God's response to what happened to THE WORLD OF THE UNGODLY back then and then the next thing you would think is God is going to say I AM going to destroy it again out here. But He interjects something in there before He does that (v6).
2 Peter 2:5	GH: WoD Teaching	5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; SPARED NOT THE OLD WORLD: Up to Genesis 6. What came on the scene after the Flood was a new world. Not new in every single aspect but significantly different than THE OLD WORLD. The topography of the earth changed. By putting Noah and the other 7 on the boat then bringing in the judgment of the Flood, for all intents and purposes, God had hit the reset button that brought everything kind of back to a starting place again. When Noah and family get off the boat, they are still going to commit sin and Satan is still going to work on them. But now things are different and this is part of the understanding you have to have when you get to Acts 7 and you hear the phrase THE NIGHT IS FAR SPENT, THE DAY IS AT HAND, these things will come together with a picture in your mind that makes you realize something and MM is giving you all the things that will make up that picture. OLD WORLD: Describes the world from Genesis 3-6 or the world before the Flood. Satan's activities betweeen Genesis 3-6 had brought the world to a fever pitch of sinfulness and ungodliness. So much so that it had become THE WORLD OF THE UNGODLY and God was forced to destroy it. Eight souls get off the Ark and they're the only ones that are saved from the destruction of the Flood.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:5	GH: WoD Teaching	5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; BRINGING IN THE FLOOD UPON THE WORLD OF THE UNGODLY: The Flood that ended the OLD WORLD is Part A of a judgment that that are connected to the one in 2 Peter 3:7, which is Part B. God did Part A because He needed to deal with the overwhelming evil and ungodliness of the world. Why God instituted human government, to control the population because there was violence that filled the earth. Part of the change that took place that slowed down Satan's POD from producing a world of ungodliness. By the time you come on the timeline in Acts 7, the world had again come to a place where it was worthy of that destruction. If you don't know about the DOGG, Part B is the next thing. THE WORLD OF THE UNGODLY: What Satan worked to produce in a very short period of time in Genesis 3-6. Genesis 6-9 are the judgment. Not just a way of describing the world, it is. But it is more than that. It's describing what the world had become. The world had actually become that. GH: Needed the complete rejection of the Godhead/God by the world and Israel to happen. Learned about these two parties in Psalm 2. Wasn't just a phrase. The world at large had rejected God, rejected the LIGHT of the TRUTH, they had embraced the adversary, and embraced the DARKNESS of his untruth, and they didn't want God. They were prideful about it and wore it like a badge of honor. So God sends in the Flood and Noah and his family are the only ones that are left. MM says today people would say the world has become ungodly because they are using God's Name in vain or they aren't going to church anymore but THE WORLD OF THE UNGODLY is produced with the rejection of God.
2 Peter 2:6	GH: WoD Teaching	6 And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly; Is talking about things happening in the day of Wrath and he goes back to pick out something to talk about what's going to happen out there, he goes to that small community and says they were an ENSAMPLE of the vengence of God in that day. God made SODOM AND GOMORRHA an ENSAMPLE UNTO those that AFTER the Flood LIVE UNGODLY. God had given the world the example of SODOM AND GOMORRHA and it was reinforcement of that message - He is still determined to judge the future ungodliness of the world. ENSAMPLE: Something from within. GH: Cracker sample/ensample story. This is an ENSAMPLE of how God is going to deal with ungodliness. This in an ENSAMPLE of the day of judgment but this wasn't the day of judgment. It was a picture of it. AFTER: This is AFTER the Flood. God is saying this is how I AM going to deal with ungodliness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:6	GH: WoD Teaching	6 And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly; SODOM AND GOMORRAH: Were supposed to serve as a dire warning of what was about to happen to those who were going to follow in those same ungodly footsteps. CONDEMNED THEM WITH AN OVERTHROW ENSAMPLE: Can mean out of the sample. MM gives the grocery sample example. SODOM AND GOMORRAH are an example but also an ENSAMPLE. What happened to them is going to be that same kind of judgment that's going to be happening out in the day of wrath. That's the ENSAMPLE principle. OED: Ensample: A warning of dire consequences of any course of action, which is meant to serve as a deterent instance of punishment for those who might follow after.
2 Peter 2:7	GH: WoD Teaching	7 And delivered just Lot, vexed with the filthy conversation of the wicked: Lot lived in Sodom. CONVERSATION OF THE WICKED: Talking about their living, their conduct, their lifestyle - this is how they are doing it. That CONVERSATION was beginning to have an affect on Lot. THE WICKED: This is THE WICKED that is in league with what Satan is doing out there in the remaining portion of his NIGHT. They're the ones that are pushing that. Sodomites - know this because Lot was living in Sodom and because of THEIR (plural) UNLAWFUL DEEDS-v8.
2 Peter 2:8	GH: WoD Teaching	8 (For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;) SEEING AND HEARING: Everything you SEE and HEAR has some kind of an effect on you. In Sodom, he was in the midst of all of this DARKNESS. If you are VEXED, MM thinks you are wore out with it, but he thinks it is affecting you, almost to the point of DESPAIR. How am I supposed to deal with this? How am I supposed to handle this? If we are not careful, we'll get that same way looking at CASTing OFF THE WORKS OF DARKNESS-Romans 13:12 because not every church is going to do it and you will tend to be overwhelmed with it so we have to be careful. FROM DAY TO DAY: That constant barrage of their UNLAWFUL DEEDS. MM tells the story of learning to mispronounce words after living with his grandparents in the mountains of Arkansas one summer. He just naturally/subconsciously started mispronouncing them after spending the summer with them. Satan's DARKNESS is trying to have an affect on us in that way. It is subtle but it is going to really go after us here. UNLAWFUL DEEDS: Not I didn't make a full stop at a STOP sign, this is in contradiction to the law of God. DEEDS that are done specifically and knowingly against God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 2:9	GH: WoD Teaching	9 The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished: This is supposed to be a comfort to the remnant. There are things that the remnant is going to be facing out there, they're going to get some comfort from what Peter writes about this. They get comforted by knowing there is something there that will not deliver me from it happening - the antichrist is still going to be hunting them down and it is going to produce a fear and it is going to tempt anyone to take the mark yes - but there's a doctrine that can deliver you from that fear or the affects of that suffering. There is a doctrine that can deliver you from that fear but it's not going to make the antichrist go away.
2 Peter 2:10	GH: WoD Teaching: LUST OF THE FLESH	10 But chiefly them that walk after the flesh in the lust of uncleanness, and despise government. Presumptuous are they, selfwilled, they are not afraid to speak evil of dignities. DESPISE GOVERNMENT: He's not talking about a political party, he's talking about despise what government's role is as God created it. He created government to do something. These are people who despise what God created government to do.
2 Peter 2:12		12 But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption; BRUTE BEASTS
2 Peter 2:13	GH: WoD Teaching	13 And shall receive the reward of unrighteousness, as they that count it pleasure to riot in the day time. Spots they are and blemishes, sporting themselves with their own deceivings while they feast with you; THEY THAT COUNT IT PLEASURE TO RIOT IN THE DAY TIME: MM explaining that most of the time, rioting happens at night. It is a progression TO RIOT IN THE DAY TIME. People do it at night because it is easier to get away with, more difficult to be identified at night. This is a progression of that. Doing this in broad daylight. The rioting is being taken to excess. SPORTING THEMSELVES WITH THEIR OWN DECEIVINGS: The religious lost. They like the idea of being involved in religion but they are not part of the believing remnant. The church and lost people have some common things that they think are important. Today, people get put in leadership positions at a church that don't really have any spiritual aptitude whatsoever. It's the Mayor, someone who is influential in the community, someone who has a lot of money, etc. Your heavenly Father is not looking for the same credentials as the world is looking for. They are going to start coming into these various assemblies and start making promises of the things they are going to do. Read down the passage, they will promise LIBERTY and misuse this idea of the LIBERTY we have IN Christ. They are going to be flaunting their uncleanness.
2 Peter 3		Peter addresses the issue of “where is the promise of His coming?”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3	GH: IPF verse	Peter talks about this supposedly unanswerable, indisputable, overwhelming, powerful argument that is put forth by the false teachers who infiltrate the assemblies and are presenting to the remnant to prove that Jesus is not the Christ, that they have believed in a false Messiah. and that Jesus is not the Christ. He said 'the kingdom is at hand' and it's been 2,000+ years. This causes many to follow them. Addresses this pernicious doctrine that will attempt to convince the remnant 'cunningly devised fables'-2 Peter 1:16 and many are going to be taken in by that. If your life is on the line and the life of your loved ones is on the line and suddenly you are presented evidence that would make your life a lot easier, easy to think, maybe I was wrong. If I conform, don't have to hide anymore. This is exactly what the adversary is counting on. This is part of the POE, which has different phases with which it will introduce itself. See the argument and the solution. The remnant won't know unless they know what's written in 2 Peter, they will never be able to overcome the argument.
2 Peter 3	GH: IPF verse	In view of the long period of time that will have elapsed from the time of Jesus' ministry to the restart of the Israel Program, and the fact that the Kingdom has never yet come to pass, the remnant needs to be educated in the interruption of their program and the reason why it was interrupted. They need to be educated regarding the apostle Paul, the revelation of the wisdom given to him, and the longsuffering of God in this dispensation (when you look at it from Israel's perspective). Peter answers the question as to why things don't seem to progressing along in their program like members of the remnant thought it should. Peter says the promise is sure, the day of the Lord is going to come, but there's a period of time that Peter calls 'the longsuffering of God'-v9. If they don't understand what Paul says, they will be victimized into thinking that this whole thing about Jesus Christ was just "cunningly devised fables" as Peter says they will refers to. When the body of Christ gets raptured out, Peter came say it's 'nigh at hand'. Both people during the 'diminishing' and during the resumption of the program have to be thinking the same thing. They have to be wondering, 'where is it?' (the Lord's Day, the Kingdom, etc.). In his explanation, Peter acknowledges the work that God is doing through the apostle Paul, reminds them that God is not slack concerning His promise, and that the things they were taught to look forward to (the day of wrath, the coming of their Messiah, the kingdom) are still going to take place, but not until something else has run its course; the ;longsuffering of God;v9 that God is operating through the apostle Paul. Peter knows what Paul is preaching, he is aware of the DOGG, and he calls it the longsuffering of God. He calls Paul's writing scripture and he admonishes the little flock, don't wrest the scriptures to your own destruction.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3	GH: IPF verse	v1-10: Scoffers and their persuasive argument that Jesus is not the Christ: Peter warns the remnant of a powerful area of false doctrine and the scoffers that allow for the remnant to be deceived into thinking that Jesus was not the Christ. v1-2???: Peter says I have written this to you so that you will be warned about this in advance. Because if you didn't know about this deception, they would be overcome by this argument. v1-2: Peter wants to bring to their memory of some things the prophets spoke of and also of the commandments of the apostles of Jesus. v1: THIS SECOND EPISTLE, BELOVED, I NOW WRITE UNTO YOU: v2: YE BE MINDFUL: He is going to remind them of two things: 1. SPOKEN BEFORE BT THE HOLY PROPHETS-v2: What the prophets said. 2. THE COMMANDMENTS OF US THE APOSTLES OF THE LORD AND SAVIOUR-v2: What the apostles of Jesus said.
2 Peter 3	GH: IPF verse	v3: THERE SHALL COME IN THE LAST DAYS, SCOFFERS: v3: SCOFFERS: Are the ones that will come and question the promise of Christ's coming to set up His kingdom. Present a very powerful false doctrine to the remnant to deceive them into believing that the Jesus that they have believed in is not really the Christ. If they are evil and they join themselves to the "scoffers," then they will not be part of the Kingdom. v4: What they were wondering? We thought the Messiah was coming back? v4: SAYING, WHERE IS THE PROMISE OF HIS COMING?: Their message to the remnant will be that Jesus preached that the Kingdom was "at hand" during the days of the Messiah and it has not come. They will "scoff" at His message and ask sarcastically "where is the promise of His coming?" Their conclusion will be that He was not the Christ and therefore was a false prophet Himself. Their proof will be in the non-appearing kingdom. The remnant would be at the mercy of the adversary's "Scoffers" and their message that Jesus' message was untrue. They will preach that Jesus was in error about the kingdom, wrong about the day of the Lord and therefore, He was not the Christ (Israel's Messiah). v4: ALL THINGS CONTINUE AS THEY WERE FROM THE BEGINNING OF THE CREATION: Nothing has changed. 'Scoffers' are telling the remnant you keep thinking a kingdom is coming. It's not coming, you don't understand.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3	GH: IPF verse	v9-10: Peter comforts them with the surety or reaffirmation of the Lord's promise, that it will come to pass and the Lord is going to do this. He tells them that the “day of the Lord” will come, but not until the “longsuffering” is ended. Peter affirms the promise made by the Lord and that the “day of the Lord will come” which will result in the destruction of the heavens and earth and the entrance of the new heavens and earth. v9: THE LORD IS NOT SLACK CONCERNING HIS PROMISE, AS SOME MEN COUNT SLACKNESS: Scoffers would say, "back here, He said it was 'at hand'. It's been over 2,000 years and it's not here yet. Pretty slack on His promise". Peter is saying the Lord is NOT slack concerning His promise as some men count slackness. v9: BUT IS LONGSUFFERING: The age that you are now living in is 'the longsuffering of God'. If you are a Jew and on the wrong side of this 'longsuffering', it is for your benefit because Israel is 'blindness (blinded) in part'-Romans 11:25. Today, a free gift of grace is being offered to Jew and Gentile alike to become part of the body of Christ. They don't have to worry about being appointed unto wrath because they are in a different program. This DOGG will be up when this dispensation is no longer accomplishing the purposes for which God instituted it. When it is up, He will rapture us out, and the 'longsuffering of God' will be over and then the Day of the Lord will come.
2 Peter 3	GH: IPF verse	v10-13: Peter is talking to people that are on this earth looking for these things to happen. You're not on the earth waiting for the heavens to be on fire, you're looking for the Head of our body to appear in the heavens and catch us out in glorified bodies. That's what your future holds. They will be looking for the day of the Lord and the return of a Savior, and a 'new heavens and a new earth'-v13 and a kingdom that goes out into eternity. v10: THE DAY OF THE LORD WILL COME LIKE A THIEF: That thing is going to happen. Compare to Paul in THE DAY OF THE LORD SO COMETH AS A THIEF IN THE NIGHT-1 Thessalonians 5:2. v10: THE DAY OF THE LORD WILL COME: God is going to keep that promise. v10: THE ELEMENTS SHALL MELT WITH FERVENT HEAT: The physical creation will be destroyed. This heaven and earth will be burned up and replaced with the 'new heavens and a new earth'-v13. v10: THAT WORKS THAT ARE THEREIN: The plan of evil will also be destroyed. v11: WHAT MANNER OF PERSONS OUGHT YE TO BE IN ALL HOLY CONVERSATION AND GODLINESS: The destruction of the plan of evil should motivate the remnant to 'godliness'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3	GH: IPF verse	v13: WE, ACCORDING TO HIS PROMISE, LOOK FOR NEW HEAVENS AND A NEW EARTH: v14-16: Peter explains the 'at hand' argument with Paul's writings and the dispensational change. Peter tells them to keep living in the manner they know they are supposed to live. God's "longsuffering" is salvation and Paul has written of those things which may be difficult for them to understand. Peter is aware of what Paul is preaching. He is aware of the dispensation of grace as he refers to it as "the longsuffering of our Lord." Peter acknowledges the "wisdom" given to Paul and he calls Paul's epistles "scriptures." But he also understands that the remnant will not be counted as part of Paul's "one new man." Peter will tell them that the answer for why the expected Kingdom had not yet come and why the "Day of the Lord" had not arrived was explained by Paul in his epistles; God had interrupted His program with Israel to usher in a dispensation of Gentile grace. The natural branches had been cut off and others grafted in, but God is not through with Israel. There will come a time when God will resume and bring to completion His program with Israel, but that will not be until the "fullness of the Gentiles be come in." v14: WITHOUT SPOT: Takes us back to 'pure religion and undefiled before God…to keep himself unspotted from the world'-James 1:27. Part of their behavior that stands in contrast to the vain religious system of Israel.
2 Peter 3	GH: IPF verse	v15: ACCOUNT THAT THE LONGSUFFERING OF OUR LORD IS SALVATION: v15: LONGSUFFERING: Peter knows if the things Paul wrote in his epistles are not understood, then the scoffers are going to have a powerful argument to fuel their abominable heresies. The longer this "longsuffering of God" continues, the greater will be their argument, as they are counting on the remnant's unfamiliarity with the dispensational change and the interruption of their program. The members of the remnant are living in the early years of the dispensation of grace and they need to understand why the kingdom had not come and that their program was in suspension for as long as the "longsuffering of God" was in force. When God's "longsuffering" is over, then their program will resume. Again, if they do not have this understanding, then they will be victimized by the plan of evil against them. Peter has no idea how long 'longsuffering' is going to run, but he is telling the remnant don't trade in the hope you had as the little flock for a different hope. You maintain your hope. You make your calling and election sure. Because if you don't, you're going to be exposed to the adversary's policy of evil when it says you trusted in the wrong Jesus, He broke His promise because He wasn't the Christ. v15: AS OUR BELOVED BROTHER PAUL ALSO ACCORDING TO THE WISDOM GIVEN UNTO HIM HATH WRITTEN: Writes the things Paul is writing are scriptures, the word of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3	GH: IPF verse	v16: IN ALL HIS EPISTLES, SPEAKING IN THEM OF THESE THINGS: Paul is talking about this period of longsuffering that is going on. Israel's program, that was 'at hand', what put on hold, and now God in His longsuffering has introduced a different dispensation in when Jew and Gentile alike are on equal footing. If you read Paul's epistles, you will understand wht the thing that was said to be 'at hand' back in the days of the Messiah and hasn't come in 2,000+ years yet it is still going to happen. But it can't happen 'until the fulness of the Gentiles be come in'-Romans 11:25. v16: IN WHICH ARE SOME THINGS HARD TO BE UNDERSTOOD: Because they are in the Israel program. If you were in Israel's program, wouldn't you be thinking, "wait a minute, you mean to tell me the whole thing's on hold!?!?" v16: THEY THAT ARE UNLEARNED AND UNSTABLE WREST, AS THEY DO ALSO THE OTHER SCRIPTURES: Peter says that the "unlearned" wrest Paul's explanatory scriptures just as "they do also the other scriptures." They false teachers will deny what Paul has written. They will dispute that Israel's program was on hold and the kingdom in abeyance. They will twist what Paul says as though "all things continue as they were from the beginning of the creation" as though it were all one continual program. Understand what Paul is explaining to you about this. Otherwise, you're going to wind up denying that Jesus is the Christ. The remnant will have to understand the mystery as it was revealed to the apostle Paul because it is the only way that they will overcome the argument that Jesus was a false Christ, they He broke His promise and didn't show up like He said He would. But when the 'blessed hope'-Titus 2:13 happens, they will know they are back in their program.
2 Peter 3	GH: IPF verse	v16: OTHER SCRIPTURES: Peter is saying don't get tangled up in Paul's epistles. MM says today, we get tangled up in the Israel program scriptures and WREST THEM TO OUR OWN DESTRUCTION. v17: Peter admonishes them - don't leave what you know that you are supposed to do because the salvation of the little flock is very different from ours today in the DOGG. MM says if you are the devil, it would be a great plan to point them back to Paul's epistles once the Israel program resumes. Get them thinking they are under grace when they are not. v17: SEEING YE KNOW THESE THINGS BEFORE, BEWARE: Peter ends the book by informing them that they should take heed to this warning that is given to them before the events come to pass. v17: BEFORE: Before they happen. Peter says I've told you about it before it happens so that you will be aware because you need to know the answer to this argument. The adversary will try to make sure they don't get the answer. v17: BEING LED AWAY WITH THE ERROR OF THE WICKED, FALL FROM YOUR OWN STEADFASTNESS: If they do not, they will be "led away with the error of the wicked" and they will no longer stand fast for the doctrine given to them, but they will "fall from that steadfastness." Make sure that your calling and election is sure, and if you do these things, you will never fall.
2 Peter 3	Non-MBI	PR: Speaks about the heaven and earth that 1. WERE (v5), 2. that ARE (v7), and 3. SHALL BE (v13). The world was drowned out many, many hundreds of years before the Noahic Flood occurred. Dake: v5-8: The flood of Lucifer (x-ref Genesis 1:2; Jeremiah 4:23-26)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3:2		2 That ye may be mindful of the words which were spoken before by the holy prophets, and of the commandment of us the apostles of the Lord and Saviour: THE HOLY PROPHETS...US THE APOSTLES: Israel's program, the prophets came first because they happened first and then the apostles. When they are listed together in Paul's epistles, the apostles are listed first and the prophets come after. Also see Luke 11:49.
2 Peter 3:3-4		These Hebrew Christians will have been brought up in the Jew's religion. They hear the message of Christ, believe it and become part of the believing remnant. Initially, they will be happy in their new faith, but as time passes, they will find themselves persecuted by their own countrymen, the Jews, who will regard them as traitors. They will have been told the Lord will come back and set up His kingdom, but there will be no sign of His coming. They will be told they have believed a lie, they have made a mistake and they are espousing a doctrine that is not true, that they might as well give it up because it has been proven to be false. Some will become very discouraged and look back to their old religion. GH: MM tying to POE Phase 3 attacks - Discredit the Messenger and THE HELMET OF SALVATION-Ephesians 6:17 is just as necessary for them as it is for us.
2 Peter 3:4		4 And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. Peter talks about you guys are wondering where the kingdom is. We've been preaching it is at hand. It was at hand. Now, years later, it is still not here. You are wondering where is the promise of His Coming? He goes well, you know what our Brother Paul in that which was revealed to him has shown us that all this has been stopped. But it's going to be redone, that's there fullness. God is not through with them.
2 Peter 3:5		5 For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: BY THE WORD OF GOD THE HEAVENS WERE OF OLD: Were told something about the OLD WORLD-2 Peter 2:5. Now you are told something about the old HEAVENS. Find out the Flood not only affected THE WORLD, but the judgment affected the HEAVENS. We are in the heavens and the earth that is different than the one prior to the Flood (GH: And different from the one TO COME).
2 Peter 3:6		6 Whereby the world that then was, being overflowed with water, perished: THE WORLD THAT THEN WAS, BEING OVERFLOWED WITH WATER, PERISHED: When God sent the Flood, He was punishing the world of the ungodly and destroying men off the earth. He did that so He could bring things back to a point that He could start this process over. Even though the adverary is still at work, it's not going to be as easy for him as it was because of the changes that are going to take make in the heavens and also in the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3:7		7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. MM says what was happening back in this OLD WORLD-2 Peter 2:5 (Genesis 3-6), this pre-Flood world, where it became THE WORLD OF THE UNGODLY-2 Peter 2:5 and it provoked a response out of the Lord to destroy that world and kind of reset it from being at this pinnacle of evil and kind of start the thin over . The changes that God made were of such a nature in the heavens and in the earth that Satan's POE cannot spread as quickly as it did before. God is saying I AM not going to stop the POE, it's still going to be working to accomplish all of this but what I AM going to do is I AM going to slow the process down a little bit. THE HEAVENS AND THE EARTH, WHICH ARE NOW: Opposed to the heavens and the earth which are of old. UNGODLY MEN
2 Peter 3:7		7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. BUT THE HEAVENS AND THE EARTH, WHICH ARE NOW: This the the heavens and that earth that started after the changes that were made at the Flood. That Day of Wrath didn't all get executed during the Flood, that day is still out there in the future and God is going to judge that ungodliness. We know the OLD WORLD got destroyed because SPARED NOT THE OLD WORLD-2 Peter 2:5. WHICH ARE NOW: The re-development of THE WORLD OF THE UNGODLY.
2 Peter 3:8		8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.
2 Peter 3:9-14		v9-14: The unanswerable argument that will be used against them that Jesus is not the Christ, a false prophet. What a minute, I thought 2,000 years ago, it was AT HAND? How many thousands of years are you going to hold onto this myth like there is some sort of truth in it? MM says have you seen the list of people who claimed to be Christ in history? Peter knows because God knows what's going to happen. So He gives him an answer to the unanswerable argument. Why did they preach AT HAND if it was going to be at least 2,000 years? Because no one knew about the Mystery. Was hidden, no one saw it coming.
2 Peter 3:9		9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3:10-11		Peter talks about the process whereby God will bring in a new heaven and a new earth by an act that looks very similar to cremation. When we die, our body begins to decay and corrupt. Some forms of that decay happen faster than others. But eventually, everyone's flesh decays. At the day of the Lord, as the Lord is doing away/renovate with old heavens and earth by fire, to make new heavens and a new earth; this describes a heat that is so great that it will literally melt the very elements of the universe and dissolve them. This is a description of the cremation of the heavens and earth. v10: THE ELEMENTS SHALL MELT WITH FERVENT HEAT: v11: ALL THESE THINGS SHALL BE DISSOLVED:
2 Peter 3:10		10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. BUT THE DAY OF THE LORD WILL COME AS A THIEF IN THE NIGHT FERVENT HEAT: People say that's an atom bomb. MM says God is not going to use any man made stuff to do what He is going to do. He says He already has it in a store house/in a treasure house in the heavenly places RESERVED AGAINST THE DAY OF WRATH. Body of Christ will be in charge of opening up those storehouses during the Tribulation. God says I DON'T need your atom bombs or 747s, I have got everything figured out just the way it's working.
2 Peter 3:10	Non-MBI	10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. PR: v9-15: Heavens will pass away. This is the big bang - great noise.
2 Peter 3:11		11 Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, WHAT MANNER OF PERSONS OUGHT YE TO BE IN ALL HOLY CONVERSATION AND GODLINESS
2 Peter 3:13		13 Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness. Peter writing to the believing remnant so it is primarily meant for the believing remnant of Israel. NEW HEAVENS AND A NEW EARTH, WHEREIN DWELLETH RIGHTEOUSNESS: Doesn't just restrict it to the new earth, says there will be a NEW HEAVENS as well and there will be righteousness in that NEW HEAVENS. Reference is not just about the new earth, which is the domain of the remnant, but also includes the new heaven, which is our realm in eternity. The new heavens and the new earth will contain righteousness. The new heavens is our domain and RIGHTEOUSNESS is going to be the atmosphere of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
2 Peter 3:14-16	GH: Peter acknowledging the Mystery	14 Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless. 15 And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also according to the wisdom given unto him hath written unto you; 16 As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction. v15: AS OUR BELOVED BROTHER PAUL v16: SOME THINGS HARD TO BE UNDERSTOOD: MM says if you are a member of the believing remnant, those words “hard to be understood” are an understatement. If you are a justified Gentile engaged in the edification process, and you realize that your program put theirs on hold, and as a result they are suffering, it would be the godly desire to give generously.
2 Peter 3:15	GH: Peter acknowledging the Mystery	15 And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also according to the wisdom given unto him hath written unto you; LONGSUFFERING OF OUR LORD: Church Age Go to Paul because he was the one who was shown what interrupted your program to make you wait. Without the revelation of the Mystery, it would have all been false. Peter validates Paul's writings and says some are HARD TO BE UNDERSTOOD-2 Peter 3:16. If you are a Gospel of the Kingdom Jew, you are like, what!?!? Was hard for Peter because he was not given the revelation of the Mystery. People are saying to Peter, you were with Him and saying the kingdom is at hand. Frankly, it's been 25 years. GH: What's up with that? MM says where is He? If you are a false prophet, you are hoping the Jews in the Tribulation don't understand the dispensational change any better than the Gentiles do today IN the dispensation.
2 Peter 3:16	GH: Peter acknowledging the Mystery	16 As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction. HARD TO BE UNDERSTOOD: GH: Talking about the dispensational change.
2 Peter 3:17		17 Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own stedfastness. THE ERROR OF THE WICKED: THE WICKED is used as a noun and has a group of people in mind. Same as O.T. - see Genesis 18:23, and Exodus 23:7.
2 Peter 4:8-9		8 And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins. 9 Use hospitality one to another without grudging. Peter to the little flock. FERVENT CHARITY HOSPITALITY ONE TO ANOTHER: Sounds like a simiar message (GH: as Romans 12:13-GIVEN TO HOSPITALITY).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John - 3 John	GH: WoD Teaching	Written to the believing remnant of Israel. John is preparing the remnant for a 3-phased attack that is going to come from the adversary. Why you have 3 epistles by John sitting over there at the end of your N.T. They are going to need to know about it before the Day of Wrath starts. Happens when the NIGHT is still unfolding. He is talking about the fundamental aspects of what the adversary is doing as THE POWER OF DARKNESS against the believing remnant. THE POWER OF DARKNESS is also at work against us in the DOGG. Satan has some operations that he is going to carry out against the believing remnant. MM says it is important to see this parallel issue with the 3-phase attack of Satan on the believing remnant in 1/2/3 John - what Satan was doing before the DOGG, he is continuing to do during this DOGG because of what he wants to accomplish in the remaining portion of the NIGHT. When the thing got to just before the dawn of the DOGG and the world was in a condition where they were calls VESSELS OF WRATH FITTED TO DESTRUCTION-Romans 9:22, Satan needed to keep the coal stoked into the engine or to keep the pot boiling, it's very important for him to keep that thing going. It's important that he keeps this thing running during this DOGG because there's something he needs when it gets to the remaining portion of the NIGHT.
1 John - 3 John	GH: WoD Teaching	There is something happening then that he can't let off the gas and start coasting down in the DOGG. The remaining portion of the NIGHT will be the darkest part of the NIGHT and that NIGHT will be dispelled with the LIGHT of the Lord's DAY. Like when the DAY dawns and the NIGHT dissipates, that's what the DAY of the Lord's Wrath is going to do. It's going to dispel the DARKNESS of the NIGHT and do away with Satan's NIGHT and it will take all of that DAY and its fulness to be able to do that. The untruths has do so with THE POWER OF DARKNESS-Luke 22:53. Becomes more and more precise with this issue of LIGHT and DARKNESS. John narrows it down to the written word of God which is LIGHT and that is coming through the mouth of the pens of the apostles as they are writing that word of Truth. On the other side you have the apostate nation/Israel with their mishandling of scriptures with their misinformation and corrupted doctrine and their traditions of men and all those kinds of things coming together. So you have those two contrasting groups - the apostles writing the word of Truth vs. the Pharisses and the Saducees and the scribes and the lawyers. Written to the believing remnant, they are getting instruction about what Satan is going to do to use his DARKNESS to extinguish their LIGHT.
1 John - 3 John	GH: WoD Teaching	Applies to the believing remnant specifically during the remaining portion of the NIGHT. Written specifically to the believing remnant of Israel who will find themselves out in the day of wrath. MM says he is not saying there are no inter-dispensational principles there, there are. The believing remnant are told to love one another. We are told to love one another. That's an interdispensational principle. But you can't just run over to 1 John-3 John and start pulling things out and act like it's for the DOGG or you are going to get yourself in a lot of trouble. 3 things: 1. You have to know this is to the remnant. 2. You have to know John's gospel. If you don't understand the doctrine of John's gospel, you won't understand the things he's saying in 1 John-3 John. It's the same guy writing and picking up on the themes and he's not going back and laying all of that ground work again. He's picking up on what was written in the gospel and he's expanding that in his epistles. If you don't get that, you'll be totally lost. 3. There is a division issue that is being set forth and that is the big issue in 1 John-3 John. See John 15:23. This was so those wolves that were in sheep's clothing would be saying things that would allow the remnant to clearly identify them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John - 3 John	GH: WoD Teaching	There are actually 3 phases of a Satanic policy of evil and he is going to move through these phases. He's going to come along and say there are going to be some tests that you are going to be able to apply that your going to be able to know who's a real member of the remnant and who is a wolf in sheep's clothing because they're going to come in with subtilty and he says they will come in a ravening wolves coming in to consume and destroy. When they come in, they are going to look like you, they're going to talk like you, and they're going to say we believe the same things you believe, but that's not who they are. The believing remnant need to be able to know whose who. They need a way to be able to tell who is a genuine part of the remnant and who is someone that's in there that's really a plant.
1 John - 3 John	GH: IPF verse	Essential to understand 3 things to handle John's epistles properly: 1. John is writing doctrine for the remnant: These epistles have to do with God’s program with Israel and not the DOGG. While there are some inter-dispensational principles, that does not negate the truth that the doctrinal application of these books is to the believing remnant in the Lord’s Day. If you don't get this, you will fall prey to a lot of convoluted doctrine that comes from these. 2. You have to understand/a background of the gospel of John: These are not the first Books John has written, but the gospel of John (and Revelation) are his as well. You can see John’s reference to this all through these epistles where he takes them back to the gospel which he wrote. Things that Matthew, Mark, and Luke didn't record but were the focus of John's gospel. The things he puts into motion in his gospel he talks about the application of in his epistles in the day of wrath and how that affects them and benefits them. Need to understand the doctrinal issues in the gospel of John to understand these epistles. See 1 John 1:1-3; 1 John 2:7; 1 John 2:24; 1 John 3:11; 2 John 1:5-6. See John over and over refer back to 'the beginning', his gospel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John - 3 John	GH: IPF verse	3. Understand the very special/big issue, which is the focus of 1 - 3 John, taking place during the days of the Messiah, which is Lord Jesus, as a minister to the Circumcision for the truth of God, to confirm the promises made unto the fathers. Set in motion back then and John's gospel makes mention of it. This issue continues out in the day of the Lord where it comes to a head. There was an infiltration policy that Satan was sending in with the message of the lie for the purpose of deceiving the remnant. So God is going to counter that with an exposure policy that they need to put into work. It will equip the remnant to be able to tell if those people who have come into their midst, are they of God OR are they of the devil. They will need to know the exposure policy and how to put it to work to produce the result they're going to need. Put into motion by the Lord during the days of the Messiah (and prophesied in the O.T.), when He began to do some things and say some things that began to manifest a wedge/division in the nation of Israel and polarize the two groups. Then, something happens at the Cross, so when the Israel program resumes, no one will be able to walk that middle line, no fence straddlers, plain and clear, black or white, yes or no, remnant or counterfeit, true or false. They will declare plainly and ultimately which side they are on. But they will all declare to speak for God. The false teachers won't identify as such. They will come in and say they are apostles from God and say they have a message from God. When the Lord says, 'By their fruits ye shall know them'-Matthew 7:16, the fruits is what they produce, what comes out of their mouth. The false teachers will be put to the test by the things they say. When you see these things, you will know who they really are. Why Jesus said, 'He that is not with Me is against Me'-Matthew 12:30. There's no middle ground. The Wisdom of God makes it so nobody can kind of walk both sides, but they will actually have to declare outright what they believe. The tests of what they say show which side they are on.
1 John - 3 John	GH: IPF verse	- See the hatred for God the Father and God the Son. This was part of the doctrine held by the false teachers who infiltrate the assemblies of the remnant in the Lord’s Day as part of the infiltration policy. See further details of the policy of evil directed against the remnant to get them to buy into the counterfeit doctrine put forth by wolves in sheep's clothing. Israel’s hatred for the Godhead will reach a high point (just as the ungodliness of {Gentile] men does), and the two will join together in an alliance. - Deals with the phases of false teachers who will come in among them and teach things contrary to the truth. They will perform signs and wonders among them to authenticate their message and it will be confusing to the remnant. This is the next phase of the satanic attack. Will straighten them out on how to know the true from the false by learning the tests if someone is true or false. There's one thing that he cannot lie about and that's where you test him and see if they are found to be liars. Because the apostate nation will send out teachers saying they are part of the believing remnant and will say Jesus Christ has not come, the Messiah has not come. You guys are off base thinking that this historical figure back in the days of the Messiah was the Christ. That's not true. It's a message of confusion for the remnant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John - 3 John	GH: IPF verse	See a series of about 7 tests that the remnant are going to be able to use to determine when somebody gets up and preaches and says here's what the Lord is saying. This exposure policy will be given to the remnant to counter the infiltration policy so that everyone can be identified for who they are, will be impossible to do any other way. Will allow the remnant to determine whether they are of God or of the devil, are they part of the remnant or not. If the Holy Spirit calls it to their remembrance, then they will be able to apply a series of tests to what they hear and know is this guy for real or is he an imposter? Is he true or is he false? These tests are supposed to apply to the teachers that come among them that are an exposure policy for those who: 1. who claim to be in the light (he that hateth his brother is in darkness-1 John 2:9-11) 2. who claim to know God (He that saith, I know him, and keepeth not his commandments-1 John 2:4) 3. who claim the Spirit of God is speaking through them-1 John 4:1;6
1 John - 3 John	GH: IPF verse	4. who claim that Jesus is not the Christ (he that denieth that Jesus is the Christ? He is antichrist-1 John 2:22) 5. who say they are apostles 6. ?seducer is a deceiver? 7. ?who were not of us and went out from us?-1 John 2:18-19 8. ?children of God and children of the devil?-1 John 3:10 These tests don't work today because if you were a false teacher, you would say whatever you would need to say to cover up the fact that you have some other agenda working. You would encapsulate your agenda in some truth to get people to identify with that and buy in.
1 John		First phase of the attack. Happens AFTER the DOGG but BEFORE the Day of Wrath, during the remaining NIGHT. John: Tests to tell whose legit and who is not. Who is from God and who is from the adversary. These Books equip you to be able to do that. Test to apply to tell the difference (find false teachers). Know a couple things: 1. Body of Christ won't be here anyway 2. Written to the believing remnant

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John		Things to understand about 1 John: 1. This is about the resumption of the Israel program. Has nothing to do what is taking place in the DOGG. 2. There's a series of tests that they have been given and if you're talking about 1/2/3 John, you have to know the things written here all have their foundation back in the gospel of John. Why in 1 John it says YOU HAVE HEARD IT SAID or IT HAS BEEN TOLD. Saying John started talking about this back in his gospel. Now in 1/2/3 John, he is coming out of that to give them additional detail. 3. There is a particular sin that can only be committed out there at the resumption of the program that the believing remnant cannot commit. Only the unsaved Israelites can commit this sin. Jesus talked about it in the gospel of John and they've been trying to hide it. But Jesus said something very interesting recorded in this gospel when he said I CAME NOT TO SEND PEACE, BUT A SWORD-Matthew 10:34. This was about making them pick a side. Everything that got done in His ministry was to make people take a side one way or the other, no middle ground. By the time of 1/2/3 John gets here, there will be nobody in the middle. You will either be absolutely opposed to Christ as the Messiah or you will be a member of the believing remnant. This is one of those tests by which they can know who is a wolf in sheep's clothing and who is a real member of the believing remnant because if they commit this sin, you will know they are not one of you.
1 John 1	GH: IPF verse	v1-3: There is a record of all this which John has already written down and that is in the gospel of John. Encapsulate the things written in John’s gospel (or how John opens up his gospel. v1: THAT WHICH WAS FROM THE BEGINNING: Compare to 'In the beginning was the Word, and the Word was with God, and the Word was God'-John 1:1. Giving testimony to Who this is - God manifest in the flesh. v1: WE: John and the other apostles. They all had heard and witnessed these things personally. v9: Does not belong to us. You have already been cleansed from all unrighteousness. MM says he was incorrectly taught that we have a relationship with God and that you are a son of God. When you sin, it doesn't sever your relationship but it affects your fellowship and it means that you are out of fellowship with God. So we ask Him to forgive us and He restores our fellowship and then we are back right with God again. This runs counter to everything Paul has told us. You have already been forgiven. You have already been justified. You have already been sanctified. When you sin, you are still in Christ. You are still justified. You are still sanctified. MM asks to tell him then when you get back in fellowship is going to improve? You never lost fellowship because you never got out of Christ. We misunderstand what being in Christ is, that we can be in Christ but we're really all out of sorts or we can be. Not saying it's impossible to do anything wrong. You can commit sin but those sins are already forgiven. They were forgiven at Calvary and you appropriate that forgiveness at some point in your life. You got all the things in Christ. This is important for our understanding of the Lord's Table.
1 John 1:5-10	GH: WoD Teaching	John contrasts LIGHT and DARKNESS. Starts very general - GOD IS LIGHT-v5 - and then gets more detailed. MM says when you are talking about LIGHT, you are talking about TRUTH. When you are talking about DARKNESS, you are talking about the LIE/untruth. Since GOD IS LIGHT AND IN HIM IS NO DARKNESS AT ALL, we know that God is TRUTH and in Him is no untruth/lies at all. He is the Author of Truth, He is the very embodiment of Truth. Then the opposite would be Satan and DARKNESS and no LIGHT at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 1:5	GH: WoD Teaching	5 This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all. GOD IS LIGHT: Contrast LIGHT and DARKNESS. IN HIM IS NO DARKNESS: Contrast LIGHT and DARKNESS.
1 John 1:6	GH: WoD Teaching	6 If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth: John talking to the believing remnant about the possibility of them walking in DARKNESS. WE: Personal pronoun - John is including himself here. Not just for unsaved people. True for the remnant. True for us. WALK IN DARKNESS: Contrast LIGHT and DARKNESS. WE LIE, AND DO NOT THE TRUTH: Difference between the TRUTH and the LIE/untruth.
1 John 1:7	GH: WoD Teaching	7 But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin. Talking to saved members of the remnant who have already been JUEL. If you get off track, you can confess your sins. This is not about salvation. How you prepare for His secret coming? 1. Sins have to be forgiven - blood of Jesus has to cleanse us from all sin 2. ??? WALK IN THE LIGHT: Contrast LIGHT and DARKNESS.
1 John 1:8-10		Contradicts with 1 John 3:8-10 unless we understand the doctrine in John's gospel.
1 John 1:8	GH: WoD Teaching	8 If we say that we have no sin, we deceive ourselves, and the truth is not in us. IF WE SAY THAT WE HAVE NO SIN, WE DECEIVE OUTSELVES, AND THE TRUTH IS NOT IN US: Contradicts the 1 John 3:9 verse. Depending on people's agenda, they focus on one or the other and act like the other one is not there. THE TRUTH IS NOT IN US: Difference between the TRUTH and the LIE/untruth.
1 John 1:9	GH: WoD Teaching	9 If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. Verse people claim to be able to confess their sins. This is not proper doctrine for us. You are in God's program with Israel under the law. Because you are IN CHRIST, you have already been forgiven of all sins. That's who you have been made to be IN Christ. A truth that you are supposed to live out of everyday. Written to the believing remnant. This is not forgiveness of sins which saves them or justifies them. This is an admonition for members of the remnant who are already saved. This is an instruction of confessing in order to be in right standing before God. Their right standing is contingent upon confessing and turning from their sins; our standing IN Christ is not dependent upon anything we do. Was the old stand by - used to teach when you do the wrong thing, you need to go to God, admit that you did the wrong thing, ask Him to forgive you, and then he will restore His Fellowship with you because now you have judged sin. If you sin again, then just claim 1 John 1:9 again. Rinse. Repeat. This verse is actually written to the believing remnant about a very specific doctrinal issue.
1 John 1:10	GH: WoD Teaching	10 If we say that we have not sinned, we make him a liar, and his word is not in us. HIS WORD IS NOT IN US: Contrast LIGHT and DARKNESS. You know the LIGHT and the TRUTH are going to be found in HIS WORD. The repository for TRUTH is the WORD - the Bible. MM calls out RIGHTLY DIVIDING THE WORD OF TRUTH-2 Timothy 2:15. The word is the repository for TRUTH.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2		For the remnant out here in the tribulation/Day of Wrath.
1 John 2	GH: IPF verse	v1: Talking about sin in general, live your life this way. If we sin, we have an advocate with the Father, Jesus Christ, the Righteous. Contrast with 1 John 3:9. Saying I am writing this things to you so you don't sin, but if you do, you have an Advocate. v4: HE THAT SAITH, I KNOW HIM, AND KEEPETH NOT HIS COMMANDMENTS: A *TEST* for those who claim to know God. Because of who the false teachers are, they will not keep the commandments that the Lord has laid out for them. v7: THAT WHICH WE HAD FROM THE BEGINNING: Takes you back to John's gospel. v7: Takes the remnant back to something that John recorded about “loving the brethren” or you love one another in his gospel. See 'A new commandment I give unto you, That ye love one another'-John 13:34. John says this is not something new, it's something you heard. People during the resumption of Israel's program didn't physically hear it so they will have to go back to what John wrote in his gospel. v9-11: One of the 7 tests. v10: LOVETH THE BROTHER: Is manifested by something the remnant does.
1 John 2	GH: IPF verse	v11: Verse gets misused or misunderstood today. v11: HE THAT HATETH HIS BROTHER IS IN DARKNESS: A *TEST* for those who claim to be in the light. v18-19: These false teachers will persuasive. Their arguments and doctrine will attempt to dissuade the remnant from that which they thought was correct. These counterfeit members of the remnant who come in teaching their 'damnable heresies'-2 Peter 2:1 will not continue with the true members of the remnant. That will manifest that they were not who they claimed to be. The Lord is making a physical division. v18: EVEN NOW ARE THERE MANY ANTICHRISTS; WHEREBY WE KNOW THAT IT IS THE LAST TIME: The Lord spoke to this 'spirit of Antichrist' phase of the POE where many will be deceived by those claiming to be Christ. See 'many shall come in my name, saying, I am Christ'-Matthew 24:4 and 'many shall come in my name, saying, I am Christ'-Luke 21:8. v18: LAST TIME: Refers to the 5th CoP-5th/last installment-Daniel's 70th week. Compare to 'last times', which is the 5th CoP-4th installment-the days of the Messiah, plus the 5th CoP-5th installment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2	GH: IPF verse	v18: THERE ARE MANY ANTICHRISTS: Eventually comes to a head in the day of the Lord in which a visible manifestation takes place that Israel has to declare which side they are on; of God or of the devil. v19: There were some coming into the assembly or the sole purpose of deceiving the remnant and taking away the doctrine that they're supposed to believe. Then, there's a time when that group departs out and John says THEY WENT OUT FROM US, BUT THEY WERE NOT OF US. If they were of us, they would have continued with us. The fact that they left out manifests the fact that they weren't of us. v19: THEY WENT OUT FROM US, BUT THEY WERE NOT OF US: One of the tests. v19: THEY: The false teachers, the false remnant. The counterfeit Jewish group that was coming in. v19: THEY WERE NOT US: v19: THAT THEY MIGHT BE MADE MANIFEST: That it might be made apparent, that you might clearly see. v19: MADE MANIFEST THAT THEY WERE NOT ALL OF US:
1 John 2	GH: IPF verse	v20-27: See some of the provisions made or miraculously given to the remnant to enable them to detect/know these false teachers. The doctrine is re-emphasized that whoever denies that Jesus is the Christ (Christos, Messiah) is a liar and antichrist. That was the message back in Israel's program prior to its interruption; that Jesus was the Christ. v20: YE HAVE AN UNCTION FROM THE HOLY ONE: This is only true if they know the doctrine. v22: WHO IS A LIAR BUT HE THAT DENIETH THAT JESUS IS THE CHRIST? HE IS ANTICHRIST: One of the 7 tests. The false teachers can't fake the message. They can't say 'Jesus is the Christ' and continue with their policy of deception because that's the root of the lie. So if a guy comes in and says 'Jesus is not the Christ', doesn't matter how godly he acts or how spiritual he appears, you know he is 'antichrist'. Don't mistake personality for godliness otherwise you won't see the manifest division. v22: THAT DENIETH THE FATHER AND THE SON: Not just Jesus, they will deny the Father as well. If you are the devil, you wouldn't preach either. v24: THAT: The doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2	GH: IPF verse	v24: HAVE HEARD FROM THE BEGINNING: Can only be learned in John's gospel. Doctrines that were laid down in the gospel of John that they are supposed to understand. v26: THESE THINGS HAVE I WRITTEN UNTO YOU CONCERNING THEM THAT SEDUCE YOU: There are those that are coming to take away the truth from you and replace it with the lie by seducing you. 27: BUT THE AMOINTING WHICH YE HAVE RECEIVED OF HIM ABIDETH IN YOU, AND YE NEED NOT THAT ANY MAN TEACH YOU: Misunderstood passage - People today falsely interpret this as you don't need anyone to teach you anything. They don't study for their sermons because when they stand up, God will give them what to say. This is a ruse or cover to put onto people whatever you want to put on them. Some have decided that this means there should be no paid pastor, even though they have a leader for their studies. Can't see where the money part is in the text. If you don't need anyone to teach you, you don't need to go to the studies. This is something supernatural that the Lord does for the believing remnant out in the day of wrath and for a reason. v27: THE SAME ANOINTING TEACHETH YOU ALL THINGS: This is part of the 'unction'-v20 that is given to the believing remnant. It is something that God does supernaturally for them that is necessary because of the circumstances they find themselves in.
1 John 2:2	GH: Cross verse	2 And he is the propitiation for our sins: and not for ours only, but also for the sins of the whole world. When Christ died, He took upon Himself the sins of the world. And because He took upon Himself the sins of the whole world, if He had not paid in full for everyone of those sins, He would not have been able to resurrect from the dead because Romans 6:23 says THE WAGES OF SIN IS DEATH. His Resurrection from the dead is the absolute proof that He completely paid infull the entire sin debt for the world. PROPITIATION: By what Christ did, He appeased the wrath of God and made atonement (at-one-ment). No. 1 definition is to be made at one with someone. Where there was a problem and now that's been resolved. Jesus did that by His Cross. An aspect of the Work of Christ. THE SINS OF THE WHOLE WORLD: This is the CUP-Matthew 26:39.
1 John 2:3		3 And hereby we do know that we know him, if we keep his commandments.' KEEP HIS COMMANDMENTS: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary.
1 John 2:7-11	GH: WoD Teaching	MM showing that LIGHT is talking about the Truth and the DARKNESS is talking about error/lies/untruth. There is some intensifying of the DARKNESS that has to take place in the GH: post-DOGG portion of the NIGHT and he is going to try and extinguish the light of the believing remnant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2:7	GH: WoD Teaching	7 Brethren, I write no new commandment unto you, but an old commandment which ye had from the beginning. The old commandment is the word which ye have heard from the beginning. THE OLD COMMANDMENT IS THE WORD WHICH YET HAVE HEARD FROM THE BEGINNING OLD COMMANDMENT: To love one another. Showed up in the O.T. and Jesus is teaching that corrective doctrine and how they had corrupted and preverted the law, so He is reteaching the Truth. FROM THE BEGINNING: Not talking about in the beginning, God created the heaven and the earth. This is John writing and he is talking about his gospel, the gospel of John.
1 John 2:8-16	GH: WoD Teaching	This is the adversary working against the remnant to extinguish their LIGHT. v8: LIGHT: Small case - their light. v9-11: How that LIGHT is going to be put into effect. v12-14: Talking to them depending on where they are in the edification process - LITTLE CHILDREN, YOUNG MEN, FATHERS. v14: YE HAVE OVERCOME THE WICKED ONE: Talking about the YOUNG MEN and FATHERS. v14: THE WICKED ONE: Satan v15: WORLD: Not just talking about worldly things in general. These are worldly things that are being utilized against the remnant as part of his POE connected with his WORKS OF DARKNESS-Romans 13:12. v15: THE LOVE OF THE FATHER IS NOT IN HIM: If they still have a love for these things then the love of the Father is not in them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2:8-16	GH: WoD Teaching	v16: ALL THAT IS IN THE WORLD: All that Satan is using in the world to produce this ultimate portion of his NIGHT. All that Satan is using to make the believing remnant back off. v16: Three categories - MM used to preach that all of the sins of the world fit under one of these 3 headings. You could say that. MM is not denying that you could do that. But this is not what John is writing about. 2 Peter-Jude are writing about very specific issues. Because of what's happening to them and where they are out in the remaining portion of the NIGHT, he's not interested in giving them a general overview of just stuff. He's talking about this as what is being used against you, here's what you are going to do in view of it. It's all specific. These things are talked about as part of what Satan has as part of THE COURSE OF THIS WORLD-Ephesians 2:2). Three categories of WORKS OF DARKNESS. All that Satan is doing to drive his NIGHT. Not every sin is doing that. These are the things that are fueling that: 1. PRIDE OF LIFE attacks the word of God 2. LUST OF THE EYES? attacks those interpersonal relationships 3. LUST OF THE FLESH? attacks the institutions of civil law & order Have to realize what is standing out in the remaining portion of Satan's NIGHT, the members of the remnant are going to have the LIGHT of the Truth to be living by. They are going to be shining that LIGHT in the DARKNESS that will be prevalent at that time. Their conduct and behavior is going to stand in stark constrast to the WORKS OF DARKNESS-Romans 13:12. These WORKS OF DARKNESS have been designed by Satan to achieve the purpose that he is trying to get to in this world. Means there are particular aspects of THE PRIDE OF LIFE that fit into the WORKS OF DARKNESS. GH: Same with the other 2.
1 John 2:8	GH: WoD Teaching	8 Again, a new commandment I write unto you, which thing is true in him and in you: because the darkness is past, and the true light now shineth. John is writing an OLD COMMANDMENT and how he's going to add to that a NEW COMMANDMENT. NEW COMMANDMENT: WHICH THING IS TRUE IN HIM AND IN YOU WHICH THING IS TRUE THE DARKNESS IS PAST, AND THE TRUE LIGHT NOW SHINETH: Very important phrase. He is not talking about the night being over. TRUE LIGHT: Jesus Christ

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2:9	GH: WoD Teaching	9 He that saith he is in the light, and hateth his brother, is in darkness even until now. IS IN THE LIGHT: MM says anybody can say 'I'm IN THE LIGHT'. They just want it to be a matter of opinion. Need to judge everything from the truth of His word. That word is always under attack because part of what Satan is doing is always to cast doubt on the standard by which we judge truth and error. John is pointing out this dichotomy again between loving your brother and hating your brother. You can say you are in the LIGHT but if you hate your brother, then you are IN DARKNESS-v9. You are living out of something that is not true. IS IN DARKNESS: If you say that you are IN THE LIGHT but your deeds don't demonstrate what is in the repository of LIGHT (GH: the word), if it doesn't match up with where you can go and find out what is right and what is wrong. There has to be a standard. This is going back to the teaching that the Lord gave Himself about loving one another and that was at odds with what the leaders of Israel's VRS had been teaching. Writing to the believing remnant of Israel GH: when they are out in Daniel's 70th week.
1 John 2:10	GH: WoD Teaching	10 He that loveth his brother abideth in the light, and there is none occasion of stumbling in him. IN THE LIGHT
1 John 2:11	GH: WoD Teaching	11 But he that hateth his brother is in darkness, and walketh in darkness, and knoweth not whither he goeth, because that darkness hath blinded his eyes. IN DARKNESS WALKETH IN DARKNESS: MM says that the believing remnant is JUEL but the scary part is they have the ability to walk IN THE LIGHT or to walk IN DARKNESS. Group says we all have that ability. The remnant has a choice to either WALK IN LIGHT or WALK IN DARKNESS and if their deeds don't match up with their words or with that word of Truth, they are WALKing IN DARKNESS. This is what Satan is trying to produce as THE POWER OF DARKNESS-Luke 22:53. THAT DARKNESS HATH BLINDED HIS EYES: The DARKNESS can be blinding.
1 John 2:13		13 I write unto you, fathers, because ye have known him that is from the beginning. I write unto you, young men, because ye have overcome the wicked one. I write unto you, little children, because ye have known the Father. THE WICKED ONE: Reference to the devil/Satan.
1 John 2:14		14 I have written unto you, fathers, because ye have known him that is from the beginning. I have written unto you, young men, because ye are strong, and the word of God abideth in you, and ye have overcome the wicked one. GH: John or James? Easy to jump in, see 'faith save him' and think talking about the debt and penalty of sin. James is talking to people who already have that. James is saying, for the first time since Sinai, you guys have the ability to be the kind of firstfruits of what God wanted Israel to be all along. Never in their history did they have this opportunity since they blew it by entering into the law. The wonderful privilege that nobody has ever had, the way it's going to be out in the kingdom. You are going to get that now in its fullness. THE WICKED ONE: Reference to the devil/Satan.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 2:16		16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. Three sources from which every temptation can come: 1. LUST OF THE FLESH 2. LUST OF THE EYES 3. PRIDE OF LIFE John writes an epistle to the believing remnant out there about an issue in which all of the components of a temptation are going to be utilized against them. FOR ALL THAT IS IN THE WORLD: MM says didn't Paul say something about not being conformed to the world? THE LUST OF THE FLESH THE LUST OF THE EYES THE PRIDE OF LIFE
1 John 2:17		17 And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever. THE WORLD PASSETH AWAY, AND THE LUST THEREOF: The world and all that's in the world, will pass away. One day, the lusts of the flesh, the lusts of the eyes and everything associated with the pride of life will pass away on the earth and those in the Kingdom. MM's point is just like the heavenly places.
1 John 2:20		20 But ye have an unction from the Holy One, and ye know all things. People say the Spirit gives me unction. Most people take this to mean that the Spirit is some kind of divining-rod for guiding where we are supposed to go and what we are supposed to do. Talking to a very particular group of people here. Not a verse that describes LED BY THE SPIRIT.
1 John 2:27		27 But the anointing which ye have received of him abideth in you, and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him. People look at this verse and start up a group and say we don't need any man to teach us. MM says what is funny to him is they still have someone leading the group, if you don't need any man to teach you, you don't even need the group. This stems right out of the division concept that the Lord was putting into play back during His earthly ministry.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 3	GH: IPF verse	v1: ?GH: The believing remnant has been given eternal life? v3: v8-10: Misunderstood passage - Where people go to today to teach 'sinless perfection' or that you are sinlessly perfect. Is John teaching 'sinless perfection' in v9? This has been referred to as the eradication of the sin nature. Couple things: 1. not to the body of Christ, written to the believing remnant out in the tribulation 2. an earlier Book says 'if we say we have no sin, we deceive ourselves, and the truth is not in us'-1 John 1:8. Looks like a contradiction within John's epistles. v8-9: These are the works of the devil, which is a particular kind of sin that He came to destroy (v8). See 'ye do that which ye have seen with your father'-John 8:38. v8: THE WORKS OF THE DEVIL: This is a specific thing, it's what the apostate nation saw their father the devil doing that they did themselves. They saw 'the works of the devil' and they did 'the works of the devil'. This is talking about something in Israel's vain religious system that has been seen by the religious leaders and they put that into motion and began to do these things themselves. Jesus labels this 'the lusts of your father'-John 8:45 and there is a lie associated with it. They are repeating the lie and this is the one that the remnant cannot commit because of who they are.
1 John 3	GH: IPF verse	v9: Need to understand John 8 to understand this verse. Not talking about sin in general (John covered that in 1 John 2:1), talking about a very specific sin or set of sins that come under the 'works of the devil'-v8. Not you can't sin at all, there's no 'sinless perfection' here. John knows they are not perfect. This is a specific sin related to the action of the infiltration policy of the enemy and the exposure policy of the Lord in making this manifest wedge/division on who's side you are on. And it is impossible for the remnant to commit that sin, will never do, cannot do. And it is impossible for members of the apostate nation to do anything but commit that sin. If you are not part of the remnant, you will do every single time. v10: It's going to become apparent there are 'children of God' and 'children of the devil', who will say they are of God and look at the remnant and accuse/say that the remnant are the children of the devil. And then the remnant will accuse the 'children of the devil' of the same thing. The false ones are going to look like ministers of righteousness and you won't be able to tell the difference without putting the tests to work so that you can try what they say. v10: IN THIS THE CHILDREN OF GOD ARE MANIFEST: Referring to something that has developed out of the Lord's ministry and once He accomplished a certain thing, it would become clear who is a child of God and who is a child of the devil. See the repercussions of the Lord's actions in His earthly ministry would continue in the future Lord's Day for the purpose of exposing everyone in Israel as being part of one camp or the other.
1 John 3	GH: IPF verse	v11: John got that message from the Lord and wrote those things down in John 14-16. v13: ?GH: The believing remnant has been given eternal life? v15: WHOSOEVER HATETH HIS BROTHER IS A MURDERER: Ties to 'whosoever killeth you will think that he doeth God service'-John 16:2. Getting killed for speaking the truth and that hatred of that truth. Also, see stoning of Stephen (Acts 7:54-56).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 3:1-3		The image of God is true for the believing remnant as well. v1: THE SONS OF GOD v3: WE SHALL BE LIKE HIM
1 John 3:8-10		People read this and say you can reach a point of sinless perfection and if you are really saved you won't be sinning. But they say that because they don't understand a doctrine that was set forth back in John's gospel when he talked to them about a specific issue.
1 John 3:9		9 Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God. HE THAT IS BORN OF GOD CANNOT SIN, FOR HIS SEED, REMAIN WITHIN HIM: Contradicts the 1 John 1:8 verse. Depending on people's agenda, they focus on one or the other and act like the other one is not there.
1 John 3:12		12 Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother's righteous. THE WICKED ONE: Reference to the devil/Satan.
1 John 3:13	GH: SIIP Verse	13 Marvel not, my brethren, if the world hate you. THE WORLD HATE YOU: GH: The believing remnant will be hated when at the beginning of Daniel's 70th week, and they are told to separate themselves physically and spiritually from the VRS.
1 John 3:14-18		Point of the passage (v14-18) is the reason we don't do certain things or the reason we do certain things is because there will be consequences and we don't want to pay that consequence.
1 John 3:15		15 Whosoever hateth his brother is a murderer: and ye know that no murderer hath eternal life abiding in him. WE LOVE THE BRETHREN WHOSOEVER HATETH HIS BROTHER IS A MURDERER: John wrote to the little flock, if you hate your brother, you are a murderer in your heart. Just because you don’t kill the guy you hate does not make you good. Again, God looks at the heart. WE OUGHT TO LAY DOWN OUR LIVES
1 John 3:17	GH: COMPASSION or MERCY is inter-dispensational	17 But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him? Written to the members of the nation of Israel who are going to be here after the Blessed Hope. SHUTTETH UP HIS BOWELS OF COMPASSION FROM HIM: If you have the ability to help and you see someone who needs your help and you decide you are not going to help, then don't kid yourself, THE LOVE OF GOD is not working in you. MM says while this is for Israel, this same kind of thing is reiterated in Paul's epistles. SHUTTETH UP HIS BOWELS OF COMPASSION: Ties to the office of MERCY-Romans 12:8.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 4	GH: Spiritual Warfare verse	John is providing the remnant with the capacity to discern when the Spirit of God is in operation and when the spirit of antichrist is in operation. Because the Antichrist will be present at that time, they will need to make that discernment. The spirit of antichrist is produced by the POE and it is trying to convince people of the man, the antichrist. There are some tests in the Hebrew epistles that tell the believing remnant, don't believe every spirit. There are some false spirits out there. They are going to do some things. The false prophet will perform SIGNS AND LYING WONDERS-2 Thessalonians 2:9. He shall deceive the very elect. It's all for deception. And the writers of the Hebrew epistles know this. So they are unfolding a series of tests that you can apply to tell them, here's how to know if it's the Spirit of God or it's the spirit of antichrist because you are going to have to know the difference.
1 John 4	GH: Spiritual Warfare verse	v1: In the Hebrew epistles (Hebrews-Revelation) the believing remnant (BR) are told not to believe every spirit, but to try the spirits. MM says while this is geared for those in the resumption of Israel's program, he think we should do the same in the DOGG. MM says he knows this is in 1 John, but he would love for us to look at this and go, quit believing everything you hear in the DOGG because there's a bunch of error out there. But this wasn't written to us, he gets it. They are being warned how to tell the difference. v2: All through the Hebrew epistles, the believing remnant are being warned about how to tell the difference between the Spirit of God and the spirit of antichrist. Does not apply to us in the DOGG because the “spirit of antichrist” does not operate/exist in the DOGG. The spirit of antichrist (just like the person of the antichrist) only operates in the final installment of God’s program with Israel.
1 John 4	GH: Spiritual Warfare verse	v2: HEREBY KNOW YE THE SPIRIT OF GOD: Here comes the test. v2: EVERY SPIRIT THAT CONFESSETH THAT JESUS CHRIST IS COME IN THE FLESH IS OF GOD: MM says understand that this is not a true test for the DOGG. In this DOGG, there are some false religious systems that are not true that confess that Jesus has come in the flesh. But something changes with the DOGG back to Israel's program and that means that, at that time, every spirit that is not of God cannot confess that. Therefore, if you go by 1 John 4:2 in the DOGG, you will apply the wrong test and you will be deceived. Not a test for today because you can be false and still say that Jesus Christ came. With the change in dispensation, Satan's POE has changed as well. So you can't go back into Israel's program to find out what's going on and you can't go forward into Israel's program to find out what's going on. v3: See that there is a SPIRIT OF ANTICHRIST which is promoting this, and then there's a Spirit of God that is promoting this. But Satan is so clever so that when people see the signs and wonders and observe the experiences, they're going to think that must be God. Look at that. Look what's going on. It's going to be a great deception. Your test is in the written word in Paul's epistles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 4	GH: IPF verse	False teachers will be coming in and you need to know the truth and the genuine one. They will try and get the believing remnant to come back in the fold and if they don't, they will crank up the pressure on them up to the extermination policy where they will try and wipe out the remnant in the middle of the week. v1: Another warning on the false prophets issue. It is necessary considering the counterfeit synagogue and counterfeit teachers and counterfeit remnant that will be in place in the Day of Wrath. Satan's policy of evil put an "infiltration" phase into effect, so God puts an "exposure process" into place to identify them. v1: TRY THE SPIRITS: Someone comes in the back door and says I've got the Spirit of God and I've got a message for you and here's the message. The test in the DOGG today is the not the same test you could apply in the day of wrath under the Hebrew epistles. GH: Romans - Philemon vs. Hebrews - Revelation. If you don't apply the right test, you will believe the lie. v1: BECAUSE MANY FALSE PROPHETS ARE GONE OUT INTO THE WORLD: Why you try/test the spirits.
1 John 4	GH: IPF verse	v2: Today, you better not believe this. Just because a guy says Jesus came in the flesh, doesn't mean he is God's messenger. But understand in the day of wrath, no one is going to say Jesus came in the flesh who works for the antichrist or the false prophet. That's part of the great lie that is in the false religious system in the day of wrath. Their message will be He didn't come in the flesh, you guys are deceived. So if a guy comes in and says Jesus came in the flesh, that guy is of God. That test won't work now. v2: (Whosoever) CONFESSETH THAT JESUS CHRIST HAS COME IN THE FLESH IS OF GOD: One of the 7 tests to see if someone is a false teacher. v6: See the division/wedge concept being talked about.
1 John 4:1	GH: WoD Teaching	1 Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. FALSE PROPHETS: And their untruths/lies going against the word of Truth. They will be espousing DARKNESS and untruth.
1 John 4:3	GH: WoD Teaching	3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world. If you are part of the believing remnant and someone comes to you and says 'you do realize that Christ really didn't come in the flesh', now they have something very specific on how to know if this guy is pushing LIGHT or DARKNESS.
1 John 4:5	GH: WoD Teaching	5 They are of the world: therefore speak they of the world, and the world heareth them. THEY ARE OF THE WORLD: This is not just about Israel, this is going to be happening in the WORLD. In TIME PAST before God started working with us in the DOGG, we were in total DARKNESS, worshipping every god but the True and Living God. But the True and Living God began to deal directly with Gentiles. Then through the message of the mystery, that changed. But when this DOGG is over and God resumes His program with Israel, God's direct dealing with Israel will be on once again and the door for the Gentiles closes, they will go right back to where they were, being in DARKNESS. MM says this alone will be an escalation of the DARKNESS of this WORLD.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 4:6	GH: WoD Teaching	6 We are of God: he that knoweth God heareth us; he that is not of God heareth not us. Hereby know we the spirit of truth, and the spirit of error. THE SPIRIT OF TRUTH, AND THE SPIRIT OF ERROR: Here's the contrast again. We have the dichotomy presented to us again.
1 John 4:19	GH: God makes the first move	19 We love him, because he first loved us. HE FIRST LOVED US: In His Love toward us, God made the first move. God loved us before we ever loved Him. MM says this is in the Hebrew epistles but it's true for us too.
1 John 5	GH: IPF verse	v1: ?GH: The believing remnant has been given eternal life? v4-5: v6-8: Misunderstood passage - Commentaries on 1 John question whether this passage belongs in scripture. Has already been talked about in the gospel of John and you are supposed to carry that knowledge forward. to 1 John. v13: THESE THINGS I HAVE WRITTEN UNTO YOU THAT BELIEVE ON THE NAME OF THE SON OF GOD, THAT YE MAY KNOW THAT YE HAVE ETERNAL LIFE: v16-17: Misunderstood passage - Says there's a sin unto death and a sin not unto death. Not supposed to pray for a sin unto death but can pray for a sin not unto death, and the Lord will give them life because you asked. You can't import this into the grace age today because it presents a real problem. But there's something very specific going on out in the day of wrath that God is addressing with this passage. People get terror stricken thinking they have committed the sin unto death and all the consequences that are going to come. v19: THE WHOLE WORLD LIETH IN WICKEDNESS: Talking about the alliance between the apostate nation of Israel and the 'ungodliness of (Gentile) men' in the world. See similar terminology before the Flood - 'the wickedness of man was great in the earth'-Genesis 6:5.
1 John 5:6-8		Need to understand the doctrine back in John's gospel. He is bringing that forward here.
1 John 5:14-15		It looks like God is only granting all petitions that are aligned with His will. It kind of sounds like God is only interested in doing the things He wants to do. God’s will is found in what God says in the part of His word that pertains to the particular people God is dealing with, and the particular time that is taking place. God’s words are not given to us as an unction, they are in the Bible. For Israel, their prayers were about confessing their sins and asking forgiveness because they were under the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 5:14		14 And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: John is not talking about God's will in the sense of all the kinds of things that might happen to you, or situations and circumstances. He is talking about them asking anything according to God's revealed will. He is not talking about some event that may or may not be God's will, so you pray for it and we will see if it is God's will by whether or not it comes to pass. IF WE ASK ANY THING ACCORDING TO HIS WILL, HE HEARETH US: John, writing to the Believing Remnant (BR) at the resumption of Israel's program, says that they can be confident that if they ask God for anything according to God's revealed will, then God hears that prayer. Infers that if they ask for something that is not God's will, then God won't hear them. Even in this program, John is not talking about the things that might happen to you circumstantially in the course of a day. He is talking about them praying in connection with that. This is talking about the things that God has overtly declared in he Hebrew epistles for the believing remnant at the resumption of their program. He is talking to them about things that are definitely His Will. And if they ask anything according to that will, then He is going to do it. This is the context. Sounds like WHATSOEVER YE SHALL ASK IN PRAYER, BELIEVING, YE SHALL RECEIVE-Matthew 21:22.
1 John 5:15		15 And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him. MM says almost nobody wants to read v14 when they read v15. In isolation, says if God hears us, then whatsoever we ask, God will grant our petitions. GH: But need to read v14. Really says if you are praying according to the revealed will of God, God says, not only will I hear you, but you'll have your petition. But only saints after THE BLESSED HOPE-Titus 2:13 out in the resumption of Israel's program get to claim this. What He will do for one, He will do for all, and that is the promise that He is making to them. But the caveat is ACCORDING TO HIS WILL. This is not about you dreaming something up and hoping that it will be God's will.
1 John 5:16		16 If any man see his brother sin a sin which is not unto death, he shall ask, and he shall give him life for them that sin not unto death. There is a sin unto death: I do not say that he shall pray for it. John is talking about confessing his sins and the sins of his brother. MM says a lot of Israel's prayers are about confessing their sins. Israel's program is full of prayers where they are confessing their sins to God. Here in 1 John, you are even confessing a brother's sins. Your apostle never tells you to do any of this.
1 John 5:18		18 We know that whosoever is born of God sinneth not; but he that is begotten of God keepeth himself, and that wicked one toucheth him not. THAT WICKED ONE: Reference to the devil/Satan.
2 John		Second phase of the attack. Happens AFTER the DOGG but BEFORE the Day of Wrath, during the remaining NIGHT.
2 John	GH: IPF verse	v5: FROM THE BEGINNING: Refers back to what John wrote in his gospel. v7: See the false prophet issue.
3 John		Third phase of the attack. Happens AFTER the DOGG but BEFORE the Day of Wrath, during the remaining NIGHT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
3 John	GH: IPF verse	Addresses a break-down of the leadership. Writes concerning a certain man who has infiltrated an assembly and is spreading his false doctrine. John ends up saying that the man can be known by his works. John calls the man “evil” and as such, it can be understood that he is one of Satan’s “plants” to subvert the truth among the remnant. v8-11: Written to Gaius, John is revealing who Diotrephes really is (he is one of these infiltrators). In so doing, John is dealing with the same infiltration tactics being used against the remnant. Talking about what Diotrephes has done. v9: Would ask yourself why would Diotrephes not receive John? v9: DIOTREPHES: Example of a person who has been used by Satan to infiltrate and gain preeminence among the brethren to the extent to where he's able to cast out of the church those who don't agree. John is saying I will set all of this straight.
3 John	GH: IPF verse	v10: Diotrephes is attacking John, he's attacking the doctrine. v11: BELOVED, FOLLOW NOT THAT WHICH IS EVIL: John doesn't say Diotrephes is well-intentioned but mistaken, he says he is evil. v11: HE THAT DOETH GOOD IS OF GOD: BUT HE THAT DOETH EVIL HATH NOT SEEN GOD: Diotrephes does what he does because he doesn't know God. Diotrephes is not saved. Jesus would tell him, 'if you believed Me, you would believe My word'-John 5:46.
1 John 3:1	GH: Sonship	1 Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not. WE SHOULD BE CALLED SONS OF GOD: MM showing that the little flock in the day of Wrath gets the New Covenant early. The little flock will be treated as sons out in the day of Wrath because God is putting on display to the apostate nation the glory of what's waiting for them in the kingdom if they will turn to Christ and in the end they will have this great privilege. Means they will have to get their Sonship education quickly and there's things actually done for them to accelerate that process.
1 John 3:12		12 Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother's righteous. Cain didn't bring the right kind of offering because he was following someone's path and it wasn't God's.
1 John 3:17	Interdispensational : Mercy	17 But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him? **Mercy is an inter-dispensational principle. Compassion in this verse**.
1 John 3:22		22 And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight. KEEP HIS COMMANDMENTS: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary. 'Why you aren't getting your prayers answered, because you are not keeping the commandments'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
1 John 5:3		3 For this is the love of God, that we keep his commandments: and his commandments are not grievous. KEEP HIS COMMANDMENTS: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary. NOT GRIEVOUS: Not to hard to do. Don't act like it.
1 John 5:17	GH: Interdispensational : All sin is unrighteous	17 All unrighteousness is sin: and there is a sin not unto death. ALL UNRIGHTEOUSNESS IS SIN: This is a principle that is true in every program. If our thinking is unrighteous, it is sinful thinking. If our actions are unrighteous, they are sin. If our motives are unrighteous, our motives are sinful. **The bad news is the more you know about Sonship and being edified, the more things will become sin for you. There is a blessedness to not knowing but once you know, now you are responsible for what you know**.
Jude		Introduces something that only comes in 1/2/3 John, the ungodliness of men that is now reaching a zenith in the world that is now is going to marry itself to Israel's VRS (Vain Religious System) and under Satan's COURSE FOR THIS WORLD, will all come together right here.
Jude	GH: IPF verse	Outline: * 1:1-4 - Earnestly Contend for the Faith * 1:5-10 - Comforting Reminders of the Destruction of the Ungodly Men * 1:11-13 - The Woes are Pronounced * 1:14-16 - The Coming Destruction of the Ungodly * 1:17-23 - How to Handle and Respond to These Brute Beasts and Those Overcome by the Policy of Evil * 1:24-25 – The Goal of the Lord’s Day
Jude	GH: IPF verse	See further details of the policy of evil directed against the remnant. Contains similar doctrinal content as 2 Peter. Not just a review, getting additional details and adding details to things that Peter gave to the remnant. See the issues that are shared by Peter and Jude: * 'false prophets also among the people...privily...damnable heresies...denying the Lord...bring upon themselves swift destruction'-2 Peter 2:1 'certain men crept in unawares...ordained to this condemnation...denying the only Lord God, and our Lord Jesus Christ'-Jude 1:4 * 'the angels that sinned...chains of darkness...Sodom and Gomorrha...making them an ensample unto'-2 Peter 2:4 'the angels that kept their first estate...chains under darkness...Sodom and Gomorrha'-Jude 1:6-7 * 'walk after the flesh...despise government...speak evil of dignities'-2 Peter 2:10 'defile the flesh, despise dominion, and speak evil of dignities'-Jude 1:8

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jude	GH: IPF verse	* 'angels...bringing not railing accusation'-2 Peter 2:11 'Michael the archangel...durst not bring against him a railing accusation'-Jude 1:9 * 'brute beasts'-2 Peter 2:12 'brute beasts'-Jude 1:10 * 'clouds that are carried with a tempest...mist of darkness is reserved'-2 Peter 2:17 'clouds they are without water, carried about of winds...to whom is reserved the blackness of darkness'-Jude 1:12-13 Jude is not just repeating Peter, he is advancing the doctrine. Peter's information is limited to Israel's vain religious system. But the believing remnant needs to understand the policy of evil is not going to operate solely through apostate Israel and her vain religious system. But the vain religious system will merge itself with the high point of the evolution of the world's ungodliness. The two will work together against the remnant. This will create the greatest vileness and the ultimate rebellion against God in cooperation with Satan's policy of evil. Jude focuses on this merger and their opposition to the Lord and His remnant. This represents the supreme strategy of the adversary in the Last Time. Both Peter and Jude understand that the men who are leading Israel in her rebellion against God, in cooperation with Gentiles who have taken the ungodliness of men to its apex, are the product of something that was put in motion all the way back to the beginning.
Jude	GH: IPF verse	Is only one chapter long and you are going to have to understand what it is being put on top of. It will reference you back to some things like 'the way of Cain'-v11 and the Flood. When the ungodliness of men (Gentiles) reaches a zenith in the day of wrath (coming full circle to back where things were at the time of the Flood - see Genesis 6:5-7), it will unite itself with the apostate nation. Think of it like a marriage or a merger that will become a one-two punch in the hands of the adversary. Will be the ultimate form of the policy of evil that will manifest itself out in the day of wrath. And this alliance will come against the believing remnant. So, along with what Peter warned about false teachers trying to carry you away with 'damnable heresies'-2 Peter 2:1, Jude tells them, in addition to this, you have to deal with this terrific ungodliness of men issue that is going to bring itself to bear against you. Don't take that lightly and don't take this as a general reference that people are ungodly, people have always been ungodly. Jude takes you back to the time of the Flood. It was through the false teachers that Satan will seek to corrupt the doctrine of the remnant, but it is under that, coupled with the great ungodliness of men will cause a terror that Satan will seek to cause the remnant to lose hope. Jude gives the remnant insight into why things are happening as they are and why the specific judgments that fall are the ones falling on the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jude	GH: IPF verse	v1-4: Exhortation to 'earnestly contend for the faith'-v4. There is a need for them to do this and it is more than just the vain religious system. v3-4: See policy of evil is still pushing the infiltration policy/tactic in order to turn the remnant from the truth. v3: NEEDFUL: Necessary. v3: EXHORT YOU THAT YE SHOULD EARNESTLY CONTEND FOR THE FAITH: v3: EARNESTLY CONTEND FOR THE FAITH: In view of there is more facing them than just Israel's vain religious system, this is an urgent exhortation for them to 'earnestly contend for the faith' so they can not only deal with the lying doctrines put forth, but also to contend with those that have been influenced by all of this. v4: Shows what has changed from just the vain religious system. Why he gives them the exhortation in v3. v4: FOR: Because v4: FOR THERE ARE CERTAIN MEN CREPT IN UNAWARES: Similar to 'who privily bring in damnable heresies'-2 Peter 2:1. These false teachers need to be identified. v4: CERTAIN MEN: Need to be identified, they creep in unawares. They deny the Lord God and the Lord Jesus Christ because they are paving the way for the Antichrist to go into the temple and declare himself to be God and seeks the worship of the world.
Jude	GH: IPF verse	v4: CREPT IN UNAWARES: Sneakily. v4: UNAWARES: Compare to 'privily'-2 Peter 2:1. v4: BEFORE OF OLD ORDAINED TO THIS CONDEMNATION: The policy of evil has finally achieved the ultimate in ungodliness, which was prophesied about back in the beginning. They were not ordained in that God made them do it, but in that God knew it would come to this and they were ordained to the condemnation that would fall in the Lord’s Day. v4: ORDAINED: They were not ordained in that God made them do it, they were ordained because after the Flood, that same policy of evil cranked up again. It will get worse and worse and at some point, it will get back to the point it was just before the Flood. But God says when this happens, I AM not going to send the Flood again, I AM coming back to deal with it personally (the Second Advent). He will destroy the policy of evil at that time, destroying all that Satan is using to work in this world. v4: DENYING THE ONLY LORD GOD, AND OUR LORD JESUS CHRIST: This is the doctrine. They are denying Him. See this theme all the way through the Hebrew epistles. v5-10: Comforting reminders of the destruction of the ungodly men: The destruction of those in past serves as a testimony to the remnant that the damnation and destruction of the ungodly will come on schedule. Should be a comfort for the remnant, that God is going to deal with them. The remnant will be thinking, how long will the ungodly prevail? v7: SET FORTH: Put on display. They're an example.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jude	GH: IPF verse	v7: Sodom and Gomorrha: The judgment on Sodom and Gomorrah was a pre-picturing of the day of wrath, an idea of what it is going to be like in the day of wrath when the Lord comes to exercise His wrath during the tribulation period. v10: BRUTE BEASTS: Describes the marriage/merge of Israel's vain religious system and worldly ungodliness of men. Show up in the final part of the 5th CoP. v11-13: The woes are pronounced. v11: Three men mentioned are the main characters representing 3 aspects of ungodliness that Satan means to use to achieve or accomplish his plan of evil on the earth. They will be present in the Last Time: 1. 'the way of Cain' 2. 'the error of Balaam' 3. 'the gainsaying of Core' Each are gathering a following to bring in the satanic plan of evil's finest hour through the ungodliness of man. These 3 together represent the policy of evil's finest hour as they come along and try and accomplish specific things in the world. And the remnant is educated on what they will be up against. But in the end, 'sudden destruction cometh upon you like a whirlwind'-Proverbs 1:27 and that is exactly how it will be for the adversary.
Jude	GH: IPF verse	v11: PERISHING IN THE GAINSAYING OF CORE: When the earth opened up and swallowed them into hell alive back when they were in the wilderness. v12-13: CLOUDS THEY ARE WITHOUT WATER, CARRIED ABOUT OF WINDS...TO WHOM IS RESERVED THE BLACKNESS OF DARKNESS: Enlarges on 2 Peter 2:17 and addresses it not from the standpoint of the vain religious system of Israel, but from the standpoint of the world of ungodly men. v12: THESE ARE SPOTS IN YOUR FEASTS OF CHARITY, WHEN THEY FEAST WITH YOU, FEEDING THEMSELVES WITHOUT FEAR: Says that these ungodly men are feasting with the members of the remnant in their assemblies. The false teachers are right in the middle of things, feasting with you and spewing out those 'damnable heresies'-2 Peter 2:1. They are right in the middle of everything that is going on! You can see the great need of an exposure policy. v13: WANDERING STARS: Connects the world of ungodly men to the satanic policy of evil. The tool of 'the prince of the power of the air'-John 12:31, John 14:30 in his policy of evil carried out on this earth. v13: TO WHOM IS RESERVED THE BLACKNESS OF DARKNESS FOR EVER: This will be the end for these ungodly men. v14-16: The coming destruction of the ungodly. Coming back and do this again. First time he just reminded them, now he tells them what He is going to do to these. v14: See how Enoch also prophesied of a coming of the Lord with His saints to execute judgment upon the ungodly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jude	GH: IPF verse	v14: THE SEVENTH FROM ADAM: Indicates which of the 2 Enochs in your Bible is being referenced. Enoch prophesied about 2 judgments; the first being that of the Flood and the second concerning the Day of Wrath. See 2 Peter 2:5. v14: THE LORD COMETH: v15: Notice all the 'ungodly's. v15: TO EXECUTE JUDGMENT: v17-23: How to handle and respond to these brute beasts and those overcome by the policy of evil: See a couple of ways with those overcome by the plan of evil. Some of them they are to have compassion on, others they are to physically pull them away from those “brute beasts.” v22-23: These are the different ways the remnant will be dealing with people that they find in the midst of this GH: ungodliness. v24-25: The goal of the Lord’s Day: The goal is to present the remnant 'faultless'-v24 before the Father with 'exceeding joy'-v24. v25: GLORY AND MAJESTY, DOMINION AND POWER, BOTH NOW AND FOREVER: Refers to the kingdom, which is the hope of the members of the believing remnant, the great reward that is for them in the kingdom.
Jude 1:6-7	GH: spirit beings	6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day. 7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire. THE ANGELS THAT KEPT NOT THEIR FIRST ESTATE: GH: MM tying this to the 200 sons of God on the Divine Council that make a pact to go to earth and start families.
Jude 1:11		11 Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core. WAY OF CAIN: What Satan has established in this world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Jude 1:14	GH: Prophecy : Day of Wrath	14 And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, MM says not knowing how to RDW and not knowing the proper definition of SAINTS is a dangerous combination because it led him to believe we were coming back with the Lord at Armegeddon to the earth. He thought we are coming back to the earth, we've got to be reigning with Him on the earth. MM says most all of us have been there. Jude didn't get the revelation of the mystery and is quoting the seventh from Adam. Getting details that Peter was writing about in 2 Peter 2 and 3 (GH: THE WORLD OF THE UNGODLY-Genesis 3-6; 6-9). Giving you additional information about that. ENOCH...THE SEVENTH FROM ADAM: Enoch from Genesis 5. ENOCH was 7 generations from Adam. He prophecied about the judgment that God was going to perform on the ungodly. ENOCH: Lived before the Flood. THE SEVENTH FROM ADAM: Seven generations from Adam. Just 7 generations from Adam, Enoch was already giving the prophecy about the destruction of what the prophet's would later label the Lord's Day of Wrath, that period of time that we often refer to as the tribulation or Daniel's 70th week. PROPHESIED: Before the Flood there was a prophecy about God coming to judge the ungodly. God says there's a pay day coming for this, there's a judgment coming for this. God did not come with 10,000 of His angels at the Flood (GH: so this is a different judgment). We also know that it wasn't over at the Flood because God destroyed Sodom and Gomorrha as a TYPE that Enoch prophecized about. THE LORD COMETH WITH TEN THOUSAND OF HIS SAINTS: Didn't happen back at the Flood. Will happen in the future. MM says you know this is not talking about us because it is in the Book of Jude.
Jude 1:15	GH: Prophecy : Day of Wrath	15 To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him. His description here is more than men are born with a sin nature or that they commit sin, it's more than that. What you are looking at here is an escalation of all of those things, a worsening of that. These are people that God is going to bring a severe judgment upon because of their attitude toward ungodliness. They revel in it. They take pride in it. They're glad to be ungodly and they're actually working in increasing that ungodliness. MM says you could say they are drunken with ungodliness. They wanted that behavior, they exalted in that behavior, and everything they did was to promote and advance and increase ungodliness in the world. ALL THAT ARE UNGODLY UNGODLY DEEDS WHICH THEY HAVE UNGODLY COMMITTED: Talking about the day of wrath. THEIR UNGODLY DEEDS UNGODLY COMMITTED UNGODLY SINNERS

Revelation		Revelation: Daily newspaper account of all the things that happen - one by one. Remnant can see where they are, see things happening and know exactly what they need to do. Revelation: Taken all the way through the Day of Wrath under different designations. Taken through under: - Seals - Trumpets - Vials These are not chronological. Those are showing you different aspects of the Day of Wrath. Revelation: Know a couple things: 1. Body of Christ won't be here anyway 2. Written to the believing remnant Gives you the thing and the it returns back and goes through it again and again. Does it 4x.
Revelation	GH: IPF verse	Outline: * Section 1 – Revelation 1:1-8 – the introduction: There are 3 things John does in his introduction: - 1:1-3 – what the book is about - 1:4-6 – to whom the book pertains (not us in the dispensation of grace) - 1:7-8 – declares the glory of its doctrine * Section 2 – Revelation 1:9-22:5 – the revelation itself - 1:9-20 – the initial revelation of the readiness of the Lord to have His day - 2:1-3:22 – letters to the 7 churches of the scattered remnant in Asia - 4:1-5:14 – John is taken into the 3rd heaven and sees the preparations in heaven for beginning the Lord's Day - 6:1-22:5 – the daily account of things in the Lord's Day
Revelation	GH: IPF verse	* Section 3 – Revelation 22:6-21 – the conclusion: There are 3 things John does in his conclusion: - 22:6-7 – what the book is about - 22:8-15 – the audience is given some instructions - 22:16-21 – the glory of its doctrine In 96 A.D., John writes this Book which is different than the other Hebrew epistles. John is caught forward in time to the events transpiring during the Day of the Lord. Is like a daily newspaper account of all the things that will be happening in the day of wrath. See this, you know that the first seal is opened. See this, you know that the third trumpet has been blown. See this, you know that the second vial has been poured out. You know what's going on. You know when to run to 'secret chambers'-Matthew 24:26. Given to the apostle John and things that were prophesied about in Daniel's day/in the Book of Daniel. Need to know about the 5 revelations given to Daniel when you study the Book of Revelation. This 'increased knowledge'-Daniel 12:4 is exactly what John receives when he is shown the things recorded in the book of Revelation. John is caught up to the "time of the end" and shown things that will not happen in time until this DOGG is ended. Puts you in the day of wrath.

Revelation 1	GH: IPF verse	v1: JOHN: v2: WHO BARE RECORD OF: v2: THE TESTIMONY OF JESUS CHRIST: Is comprised of two parts, as described in John 14:26: 1. HE SHALL TEACH YOU ALL THINGS: Teaching them. 2. BRING ALL THINGS TO YOUR REMEMBRANCE: Remind them. Bringing to their remembrance. ...which the Lord had said unto them in His earthly ministry comprise the “testimony of Jesus Christ.” This testimony equips them to make it through the day of wrath. This body of truth, the ALL THINGS that are contained in Hebrews to Revelation. NOTE: Copy to Isaiah 8 and Revelation verses. v9: FOR THE TESTIMONY OF JESUS CHRIST: See Revelation 1:2.
Revelation 1	GH: IPF verse	John is shown the Lord ready to begin his day of wrath. v1-8: The introduction. v1-3: What the Book is about. v4-6: To whom the Book pertains (not us in the DOGG). v4: TO THE SEVEN CHURCHES WHICH ARE IN ASIA: See seven letters written to the angels of the seven “safe-house” churches of the believing remnant in the day of the LORD (GH: or day of wrath?). You notice that the seven churches are in the Asia Minor concentration. v5: FIRST BEGOTTEN OF THE DEAD: After the Lord Jesus performs the first mandate of the Davidic Covenant by His death on the Cross, He resurrects from the dead and becomes the “first begotten of the dead.” v7-8: Declares the glory of its doctrine. There's a glory with the doctrine that they are about to see. v9-22:5: The revelation itself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 1	GH: IPF verse	v9-20: The initial revelation of the readiness of the Lord to have His day. The readiness of the Lord to have His day of wrath. v9: Begins the record of the Revelation. v10: I WAS IN THE SPIRIT ON THE LORD'S DAY: The apostle John is taken by the Lord into the future Day of the LORD (or the time of the Lord's Day) and he witnesses the things that are recorded in the book of Revelation. v10: THE LORD'S DAY: Is never a reference to Sunday or any other day of the week. But this is the “day of the LORD.” Misunderstanding started centuries ago, a doctrinal misunderstanding that John was not caught up to the day of the Lord, but he was just there on a Sunday. Trying to establish a holy day for Christians as Israel had the Saturday Sabbath. But Paul teaches that every day is the Lord's and we are standing under grace. We don't esteem one day above another (Romans 14:5). The Bible never calls the first day of the week 'the Lord's Day'.
Revelation 1:10		10 I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet, John is caught up to the Day of the Lord. THE LORD'S DAY: This what John was talking about. Not talking about Sunday, talking about the day of the Lord. A GREAT VOICE, AS OF A TRUMPET, SAYING: See the Voice of the Lord described as being like a trumpet.
Revelation 1:14-15		14 And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, 15 To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him. v14: Already been told to Enoch (7th from Adam) the next time I AM not wiping it out with the Flood, I AM coming back personally. v14: THESE: The ungodly that are living right at the end of the Tribulation period. v15: ungodly deeds of ungodly men that they have ungodly committed - by the time you get to the end of Daniel's 70th week, sin has reached a zenith.
Revelation 1:18		18 I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. Jesus comes up from the grave with 2 sets of keys for death and hell.
Revelation 2-3		You have the 7 letters to the 7 churches of the remnant. They are almost safe house type churches. There's a guardian angel issue in conjunction with them. They are going to be protected in those places in Asia Minor.
Revelation 2-3	GH: IPF verse	See 7 letters the Lord instructs John to write to 7 safe house churches that the believing remnant will be scattered throughout in Asia Minor - the assembled believing remnant of Israel. John is writing doctrine to these churches for this time period. Each of them is told about what will be done if they overcome, that is, if they separate themselves from the vain religious system and obey the things which they have heard, not turning back but holding fast to their profession. Some of these churches will not be in existence until out in the Lord's Day. If you are part of the believing remnant in one of the safe house churches in Asia and in comes someone who says, I have a message from the Lord, if you don't know the information that is given in 1 John, 2 John, 3 John, and Jude, you will not know the right questions to ask in order to determine whether they're of God or not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 2	GH: IPF verse	v1-3:22: See the letters to the 7 safe house churches of the scattered remnant in Asia. v2: THOU HAST TRIED THEM: See the need for the exposure policy in John's epistles. The church at Ephesus understood the need and used it. They knew how to put the false teachers to the test. v2: THEM WHICH SAY THEY ARE APOSTLES, AND ARE NOT, AND HAST FOUND THEM LIARS: The members of the remnant are going to be equipped to discern true teachers from false by applying certain tests. In this church, they "tried them which say they are apostles" and found out they were not. He is commending them because they understood the test that they would apply for those false ones that came in and claimed to be apostles. v7: I GIVE TO EAT OF THE TREE OF LIFE: The reward issue - handed out for those that qualify. v8-11: Concerns the church at Smyrna which is one of those "safe-house" churches for the believing remnant in the day of wrath. They are told to hold out faithful so that they can receive A CROWN OF LIFE-v10. There are going to be some that come into their congregation and they're going to claim to be part of the remnant, claim to be Jews. But they're not. When you are under fire and find another small pocket of the resistance movement, there is a desire to immediately welcome them right in. That is exactly what these are counting on.
Revelation 2	GH: IPF verse	v9: WHICH SAY THEY ARE JEWS, AND ARE NOT, BUT ARE THE SYNAGOGUE OF SATAN: See a similar thing happening with the church in Smyrna as the one at Ephesus in v1-2. Some have come to this congregation of the remnant and called themselves Jews in order to get a hearing. God says that what they teach is blasphemy. There's a 'wolf in sheep's clothing' issue here and that's why in the Hebrew epistles they're going to be equipped with the test to be able to determine who is telling the truth and who is not. In the tribulation period, Satan is going to erect his own synagogue with his own jews that are not really Jews and his own remnant. They are all counterfeit. They are going to pose themselves as a counterfeit remnant so that they can work themselves into the true remnant and lead them astray. That's the purpose and it is very clever because they are going to have all the credentials, everything they need to be able to work themselves in and become leaders in those assemblies. And some of these assemblies will not survive this phase of the POE, they are going to succumb to it, even though they've been told upfront. v10: BE THOU FAITHFUL UNTO DEATH, AND I WILL GIVE THEE A CROWN OF LIFE: This is the reward for those who can endure and hold out faithful in the Tribulation. See James 1:12.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 2	GH: IPF verse	v9: THE SYNAGOGUE OF SATAN: During that time, Satan will have instituted his own counterfeit synagogue and his own counterfeit "members of the remnant" which will teach his doctrine. The ministers of this synagogue will claim to be of the Jews so they can infiltrate the assemblies of the true remnant. The believing remnant will need to be equipped to discern these false teachers so that they do not fall victim to their false doctrine. v10: BE THOU FAITHFUL UNTO DEATH, AND I WILL GIVE THEE A CROWN OF LIFE: Here's the admonition - the reward issue - handed out for those that qualify. Will be a thing of honor that is given to them and people will know what their conduct was in the tribulation because of this crown they will have. v17: GIVE HIM A WHITE STONE: The reward issue - handed out for those that qualify. v18-20: The saints in Thyatira were not putting the tests into effect like those in Ephesus, they were not using the exposure policy laid out in the gospels and John's epistles. They were being seduced by this woman who called herself a prophetess when in fact, she was not.
Revelation 2	GH: IPF verse	v20: THOU SUFFEREST THAT WOMAN JEZEBEL, WHICH CALLED HERSELF A PROPHETESS, TO TEACH AND SEDUCE MY SERVANTS TO COMMIT FORNICATION, AND TO EAT THINGS SACRIFICED UNTO IDOLS: They did not put the exposure policy to work for them. She seduced them through the teaching she gave them and they swallowed it. v26: GIVE POWER OVER THE NATIONS: The reward issue - handed out for those that qualify. Ruling with the Lord. v28: What a singular honor for the Lord to do this.
Revelation 2:1-6	GH: WoD Teaching	v2: HOW THOU CANST NOT BEAR THEM WHICH ARE EVIL: This is their attitude. It is the attitude of their Father. v6: THOU HATEST THE DEEDS OF THE NICOLAITANS, WHICH I ALSO HATE: MM says even though they left their first love, there is something they are getting right and He commends them for it. MM says they hate the DEEDS and the doctrine that come out of a group of people called the NICOLAITANS. v6: THE DEEDS OF THE NICOLAITANS: Happen out in the Day of Wrath. They are THE WORKS OF DARKNESS-Romans 13:12. Satan is behind those and he is producing those through the agency of men.
Revelation 2:12-15		You get the idea that there are omnious clouds of oppression that they are living under and are in fear of their lives everyday. v15: SO HAST THOU ALSO THEM THAT HOLD THE DOCTRINE OF THE NICOLAITANS, WHICH THING I HATE: God hates THE DOCTRINE and He hates THE DEEDS-Revelation 2:6. MM says there are things that God abhors and hates and despises. The remnant ought to feel the same way about it and we ought to feel the same way about it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 3	GH: IPF verse	v5: HE THAT OVERCOMETH: Talking about the remnant. v5: I WILL CONFESS HIS NAME BEFORE MY FATHER: Is more than just an introduction, but is for the purpose of reward that is going to be given out during the kingdom. The confessing of their name before His Father is for the purpose of reward being distributed in the Kingdom. v7-9: Satan has his own counterfeit synagogue which is for the purpose of deception. v9: THOSE THAT SAY THEY ARE JEWS AND ARE NOT: Claiming they are Jews to come in and teach part of the lie. To get in there, they have to be a Jew and part of the remnant. Instead they are of THE SYNAGOGUE OF SATAN. Called WOLVES IN SHEEP'S CLOTHING-Matthew 7:15 in the Gospels. v9: THE SYNAGOGUE OF SATAN: There's a counterfeit synagogue, a counterfeit Jew, a counterfeit remnant, and a counterfeit gospel. All for the purpose of deceiving the remnant. v10: THE HOUR OF TEMPTATION: The Lord is referring to this entire period of time as an 'hour'. The 'hour' refers to Daniel's 70th Week. v12: All of this is a reward for overcoming. v12: I MAKE A PILLAR IN THE TEMPLE OF MY GOD: The reward issue - handed out for those that qualify. The temple is one of the two places. v21: I GRANT TO SIT WITH ME IN MY THRONE: The reward issue - handed out for those that qualify. An opportunity to rule with the Lord.
Revelation 3:7-8		MM says this is where people get the preversion that God will give them wisdom and direction by opening and closing doors for them. It's not God's will for MM to go and rob the Dairy Queen but you know what, He won't close that door. If you are counting on this, you are going to get way off track. MM says this is a very specific thing written to the remnant church of Philadelphia. Is not even about them making decisions in their ordinary life. v7: HE THAT OPENETH, AND NO MAN SHUTTETH; AND SHUTTETH, AND NO MAN OPENETH v8: IS HAVE SET BEFORE THESE AN OPEN DOOR, AND NO MAN CAN SHUT IT
Revelation 3:7		7 And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth; KEY OF DAVID: MM jests is this the key to David's house? Does God have a spare? People read this and have no idea what that (GH: OPENETH and SHUTTETH) is talking about. MM says people say things like this: “If God doesn’t want me to do this or that, He will close the door.” But God is educating us to think like He does and thereby make the same kind of decision that He would make. Most people find comfort in the “tutor and governor” system of being told what to do. We should find our comfort in the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 3:17-18		17 Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: 18 I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see. YOU THINK YOU ARE RICH, BUT YOU ARE POOR, DESTITUTE, AND NAKED: Letter to the church at ??? in the day of Wrath. Godly thinking looks at wealth differently than the world. World looks at you and sees wealthy. God looks at you and sees poor, destitute, and naked.
Revelation 3:20-22		20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. 21 To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. 22 He that hath an ear, let him hear what the Spirit saith unto the churches. v20: Jesus is not talking about salvation. He is not standing at someone's heart door and He is not asking them to open the door so He can come in. Don't get saved by opening a door. Way you get saved is by your trust in what He did for you on Calvary's Cross. Kinda means I need to do something and then He'll do something. Really, He's already done something. You'll either trust it or you won't. People say If God didn't want you to do this, He would not have "opened the door". People pull it out of Revelation 3 because they understand nothing about RDW, nothing about the age they live in. Not what that verse is talking about and you can't take it out of Revelation 3 and put it on a saved person in the DOGG.
Revelation 4	GH: IPF verse	John is caught up to the third heaven and speaks to particular things that are in the throne room of heaven. A door is opened and John is ushered into this throne room and records what he sees. v1: John is caught up to the third heaven. v1-5:14. John is taken into the 3rd heaven and sees and records the preparation in heaven for the beginning or commencement of the Lord's Day. John is caught up to the third heaven and he sees specific things that are being done and taking place in a sequence of time to prepare for the Lord's Day. There's this grand event where the Lord is officially given what He needs to have to make His enemies His footstool and to be given glory and dominion and honor. v4-11: The 24 elders casting their crowns before the throne is an actual event. People think they will be doing this but they will not. This is an official ceremony that happens before the Lord opens the first seal of the book that kicks things off. It is at that ceremony He is given the seven-sealed book. There is an angel weeping saying there was no one in heaven ever found worthy to open the seals of the books but then the Lamb shows up and then they say thou art worthy to open the seals and open the book and look thereon. We have ceremonies here like to swear in the President, but up there, it's the King of kings and it is a grand and glorious thing in your Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 4:1	GH: GPPI verse	1 After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. Verse that doesn't apply to us and gets misapplied to the rapture. Not about the rapture, about God's program with Israel. Is not a reference to the catching away of the body of Christ. The event of the catching away was a secret, a mystery and hidden. THE FIRST VOICE WHICH I HEARD WAS AS IT WERE OF A TRUMPTER TALKING WITH ME, WHICH SAID: See the Voice of the Lord described as being like a trumpet.
Revelation 4:2	Third Heaven	2 And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne. HEAVEN: MM says this is the THIRD HEAVEN. There is a Throne Room in the THIRD HEAVEN and John, who writes the Book of Revelation, gets caught up to that Throne Room and sees the Throne.
Revelation 4:3-4		3 And he that sat was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne, in sight like unto an emerald. 4 And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold. So there is a Throne with SomeOne sitting on that Throne and then around that Throne there are 24 seats with 24 elders sitting on those seats. MM says there are not 24 seats by accident. This is the start of where you understand how this government gets divided into 24 sections. v4: RAINMENT...CROWNS OF GOLD:. When you see CROWN OF GOLD you think of a king or some position of authority or a rulership position of some kind. Because these guys are wearing crowns, they have something to do with ruling. GH: Similar to Colossians 1:16.
Revelation 4:6	Non-MBI	6 And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind. PR: Waters represents 'the deep' in Genesis 1:2 or the body of water which now exists above the solar system. It is the frozen 'sea of glass' at absolute zero, described in Revelation 4:6 & 15:2. This is the deep freeze which Amana copied for a trade name. Dry ice burns like fire.
Revelation 4:8		8 And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come. Holy, Holy, Holy: One for each member of the Godhead.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 4:9-11	Third Heaven	9 And when those beasts give glory and honour and thanks to him that sat on the throne, who liveth for ever and ever, 10 The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying, 11 Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created. This is a scene taking place in the third heaven, in the Throne Room of God where there are 4 beasts that are up there giving honor and thanks to Him that sat on the Throne. And the 24 elders fall down before Him that sat on the Throne and they cast their crowns before Him. People read this and incorrectly think we are going to cast our crowns at the Feet of Jesus. Problems: 1. Jesus is not sitting on this Throne 2. You are not one of the 24 elders MM says if you believe this, how many times are we going to do this? There's something happening here that makes the 24 elders do this. The Father is holding a Book with 7 seals on it and SomeOne is going to come and take that Book out of His Hand because they are found worthy to do something. MM says this is really a very exciting thing. Notice how the 24 elders are described-CLOTHED IN WHITE RAIMENT-v4.
Revelation 4:9-11	Third Heaven	9 And when those beasts give glory and honour and thanks to him that sat on the throne, who liveth for ever and ever, 10 The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying, 11 Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created. v10: THE FOUR AND TWENTY ELDERS FALL DOWN BEFORE HIM THAT SAT ON THE THRONE v10: AND CAST THEIR CROWNS BEFORE THE THRONE, SAYING v11: THOU ART WORTHY, O LORD v11: GLORY AND HONOUR AND POWER: MM says these things belong to those in authority. v11: GLORY: Glory belongs to God alone, which is why God can be “jealous” and not share His glory with another and it is not a sin because it is not a sin for God to be jealous of the glory that rightfully belongs to Him and only Him. This word “jealous” is used this way in connection with the worship of false gods.
Revelation 4:10		10 The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying, When the 24 elders are casting their crowns before Him, the Lamb comes in and they fall on their faces and say, THOU ART WORTHY TO RECEIVE GLORY AND HONOR AND POWER and majesty and they all put those accolades on Him because of what He has done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	Classic passage on the Divine Council. There's a legal preceding going on and the Divine Council is acting like a jury so to speak. Scene where all power is given - there's One that sat on the Throne and 24 seats and 24 elders with crowns sitting on those seats. Both the heavens and the earth have 12 governmental sections each. These represent the 24 elders around the Throne in Revelation. John said I wept because no one was worthy to come and take the 7-sealed book out of the hand of the One who sat upon the Throne. When John is caught up to the third Heaven to see this scene, this is not out in eternity. This is actually at the start of Daniel's 70th week. God the Father is sitting on the Throne and He is looking to see if there is anyone worthy to take the 7-sealed book from His Hand. John says he wept because no one on heaven and earth was found worthy to take from Him that sat on the Throne and to loose the seals thereof. Then one of the elders says to him weep not for behold the Lion of the Tribe of Judah had prevailed to take the Book and to loose the seals. And John saw in the midst of the elders, a Lamb that had been slain from the foundation of the world and He took the Book from Him that sat on the Throne.
Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	There's a whole lot of things that are going on. At this point, the elders get out of their seats and they cast their crowns before Him that sat on the Throne. This book is not the Bible, it is the title deed to the earth and within it are judgments that need to take place for God to repossess the earth back to Himself. That happens with the opening of each of those seals. One of the elders said weep not, for behold, the Lion of the Tribe of Judah hath prevailed to take the book and open the seals thereof. And he said and I looked and behold, a lamb as it had been slain, stood in the midst of the beasts and elders. And He came and He took the scroll from the Hand of Him that sat on the Throne and the 24 elders fell down and cast their crowns before the Feet of Him that sat on the Throne and said worthy art thou O Lord to receive GLORY and HONOR and POWER. He took out of the Hand of Him that sat on the Throne the 7-sealed book. Just saw the 6th seal in Revelation 4. Revelation 5: The Dispensational Prayer of the Deceased Remnant. Flash forward past this DOGG and into the future when God has resumed His Program with Israel and the believing remnant is the one He is dealing with on the earth.
Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	CONTEXT: There is an event/scene in Revelation - He that sat on the Throne. There were 24 seats and 24 elders sat on those seats, and it says those elders had on their head crowns. He that sat on the Throne had a 7-seal book in His Hand. John says he wept because no one on heaven and earth was found worthy to take from Him that sat on the Throne and to loose the seals thereof. Then one of the elders says to him weep not for behold the Lion of the Tribe of Judah had prevailed to take the Book and to loose the seals. And John saw in the midst of the elders, a Lamb that had been slain from the foundation of the world and He took the Book from Him that sat on the Throne. There's a whole lot of things that are going on. At that point, the elders get out of their seats and they cast their crowns before Him that sat on the Throne. And so Thou art worthy o Lord to receive honor and glory and they extol all of these great things about God. People read this and think that is what we are going to do when we get to Heaven.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	Couple things wrong with that: 1. This is in connection with God's Program with Israel and the repossession of the earth. We are not involved in that the way they are. 2. Sloppy exogensis of the passage. MM makes fun of that and says won't that be a great eternity? We'll sit down, fall down, and cast our crowns at Jesus' Feet. Wait 10 minutes. GH: Rinse. Repeat. He is called the Lion of the Tribe of Judah and now He is going to execute these judgments on the earth. v5: (Jesus) HATH PREVAILED TO OPEN THE BOOK AND TO LOOSE THE SEVEN SEALS THEREOF: Get over to Revelation 6 and He begins to loose those seals. MM says Revelation 5 might be his favorite chapter in that whole Book - it is just fantastic. This doesn't pertain to us. At that time, we'll have already received our glorified bodies and will be in the heavenly places or about to be put in our positions in the heavenly places. This is a huge deal. Think of the things people gather for - the swearing in of the President. This is the Lord taking the title deed to the earth from the Father and now executing what it's going to take to get the earth back. It's a huge issue and there's a lot of grandeur to it. In Revelation 5 we have the seven sealed book being held by him that sat on the throne. John sees the lion of the tribe of Judah prevail to open the book and to loose the seven seals.
Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	And so Thou art worthy o Lord to receive honor and glory and they extol all of these great things about God. Revelation 5	The Dispensational Prayer of the Deceased Remnant / Divine Council	There's an event here that is one of the greatest events that has ever happened in the world. MM clarifies the 'ever happened' - this is going to take place up in the THIRD HEAVEN. It's going to be in the Throne Room. There's a number of saints there, the 24 elders are there, the 4 beasts are there, and MM believes the body of Christ will be there. You will get your glorified body, you will go through the JSoC, and MM believes we'll see this particular event take place and then we will be dispatched to our place in the heavens.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 5		Takes place after THAT BLESSED HOPE. MM believes we'll see this - one of the most awsome spectacles that we will ever see. Jesus Christ is worthy to take the book and open it because He has purchased everythig in heaven and earth by His blood. He purchased everything in heaven and everything in earth to reconcile it back to God so that one day He can present the whole creation to His Father. This is a huge issue. v9: HAST REDEEMED US TO GOD BY THY BLOOD v12: TO RECEIVE POWER, AND RICHES, AND WISDOM, AND STRENGTH, AND HONOUR, AND GLORY, AND BLESSING: He is worthy to receive these things. If He is going to receive these things, you have to clear the heavens out first. MM has theories that he doesn't want to share yer but this doesn't happen in a moment, this happenly progressively. If you look up, the heavens are pretty big. GH: In war when you take over a territory, as you take parts over, you leave people behind to maintain control - that's what the body of Christ is going to be doing. v13: EVERY CREATURE v13: IN HEAVEN v13: ON THE EARTH v13: UNDER THE EARTH v13: IN THE SEA
Revelation 5		v13: BLESSING, AND HONOUR, AND GLORY, AND POWER, BE UNTO HIM THAT SITTETH UPON THE THRONE, AND UNTO THE LAMB FOR EVER AND EVER: The day which every creature in heaven and earth declare blessing and honor and glory and power to the Lamb, that day is coming but it is not here yet. It will come when: 1. Satan and his angels are removed from the heavenly places, because as long as they are there, all things are not yet put under Him. 2. The Lamb has to open that book. He will get off the Throne at the right Hand of the Father and He will move into the heavenly places where He will orchestrate his day of Wrath to punish His adversaries and repossess the earth. The day of Christ is giving Him that power, honor, and glory in the heavenly places. The day of the Lord is giving to Him on the earth.
Revelation 5	GH: IPF verse	Introduced to the seven-sealed book which contains the title deed to the earth (and some other things). Records the last things that must take place prior to the beginning of the LORD'S day of wrath. The 7 seals take you through the entire Day of the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 5:1-3		1 And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals. 2 And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof? 3 And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon. Context: The Father is seated on the Throne, has a 7-sealed book in His Hand. v3: (no one) WAS ABLE: No one was able to take the book and loose those seals (GH: MM tying this to the SHALL in Romans 8:33, 35). v2: THE BOOK: MM doesn't know if it is the only thing in this book but the MAIN thing in this book is the title deed to the earth. v3: NO MAN IN HEAVEN, NOR IN EARTH, NEITHER UNDER THE EARTH: Look at how it says this. They looked for a man anywhere to say who is worthy to take the book and to open the seals and they said no one was found worthy.
Revelation 5:4		4 And I wept much, because no man was found worthy to open and to read the book, neither to look thereon. AND I WEPT MUCH: MM says you have to understand what is in the book to realize why this is so important. Whoever is found worthy to open that book and own the title deed is going to now possess the earth and there's only going to be One that is going to be found worthy to do that.
Revelation 5:5		5 And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Judah, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof. (Jesus) HATH PREVAILED TO OPEN THE BOOK AND TO LOOSE THE SEVEN SEALS THEREOF: Get over to Revelation 6 and He begins to loose those seals.
Revelation 5:6		6 And I beheld, and, lo, in the midst of the throne and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven eyes, which are the seven Spirits of God sent forth into all the earth. A LAMB AS IT HAD BEEN SLAIN
Revelation 5:8-10		8 And when he had taken the book, the four beasts and four and twenty elders fell down before the Lamb, having every one of them harps, and golden vials full of odours, which are the prayers of saints. 9 And they sung a new song, saying, Thou art worthy to take the book, and to open the seals thereof: for thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation; 10 And hast made us unto our God kings and priests: and we shall reign on the earth. MM says the misreading of this passage is that the ones that are singing the NEW SONG in v9. It's not the elders, it's not the 4 beasts. They FELL DOWN BEFORE THE LAMB. THEY (the saints) SUNG A NEW SONG. Point: This scene doesn't just have elders, it has men as well. v9: THEY SUNG A NEW SONG: The saints. v9: HAST REDEEMED US: The saints. v10: HAST MADE US UNTO OUR GOD KINGS AND PRIESTS v10: WE SHALL REIGN ON THIS EARTH

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 5:9		9 And they sung a new song, saying, Thou art worthy to take the book, and to open the seals thereof: for thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation; THEY SUNG A NEW SONG: All MMs life, he'd hear preachers say, I can't wait to hear what that new song is. That's already been recorded. They are also going to sing Deuteronomy 32 - Song of Moses. There's a whole set of psalms that are called 'new song psalms'.
Revelation 5:13	GH: SIIP Verse	13 And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing, and honour, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb for ever and ever. AND SUCH AS ARE IN THE SEA: There is catastrophic death going on during the Lord's Day of Wrath. Calculating the death rate with today's population of 8 billion people, billions would die. This does not reflect the extermination policy of the Antichrist, or other judgments/events of the Tribulation. Point: That death and destruction is so widespread during the Tribulation that if God did not intervene on the behalf of the BR, none of them would make it through to the end.
Revelation 6 - 22	GH: IPF verse	Need to understand how God is providing information in this section, using a pattern that God is able to give information in small increments. The process is that God lays a foundation of new information and then after establishing that, He returns again to fill in detail. See: * Get a general sweeping account is given first. Not a lot of detail, but a look at the entire span or scope of the time under consideration. * The next chapters return back and lays down additional details that are to be placed on top of the first account of general information. * Every time the return for detail takes place, more and more detail is added so that in the end, there has been presented a complete, detailed account. See this return for detail pattern other places in the Bible. See Genesis 1-2 and Genesis 5 - 6.
Revelation 6		John has been caught up to the third heaven, he has just seen this event where the Lamb takes the Book from the Father seated on the Throne. In Revelation 6, he is describing the opening of the seals of the Book. John has been caught up to the third heaven and he is given to see what happens at the opening of the seven sealed book. At the opening of the 5th seal, he sees the souls of the members of the little flock who have been killed. They have been slain, which means their bodies are dead, but their souls are not. Their bodies are still on the earth, but the souls of these saints are in the third heaven, under the altar. (And, they are not asleep, for they are about to pray to the Lord for something.) Notice, they are in the presence of the Lord as they ask their question. Fifth seal probably means you are now in the beginning of the seven year tribulation. You have kind of moved along.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 6	GH: IPF verse	v1-22:5: The daily account of things taking place in the Lord's Day, the entire account of the events of the LORD'S Day of wrath. There is an angel that is with him and tells him to write down the things you see and hear. The things contained here are vital to their survival of the day of the LORD. Will prove invaluable to the remnant because they are now able to observe the things taking place and know what's coming. The knowledge from this will be instrumental for them to survive out there. The Lord gives them a blow by blow account of the things they need to be aware of, what to expect, what not to do, things to avoid, things to look for, markers for where they are on the time schedule (what time are they in), plans that are made against them, judgments that coming and the return of their Messiah. There are also things that he is told to not write down. God has allowed John to see but He does not want the adversary to understand or know. John is almost functioning as a newspaper reporter. Get a broad foundational account of the entire day of the Lord's wrath, a general sweep of the major events of the Lord's day. This is foundational information. Takes you all the way through the tribulation under the seals. Learn that the seals have two major sections to them with a number of the seals occurring in the 'great tribulation'.
Revelation 6	GH: IPF verse	v1-17: Get a broad scope account of the things that are happening, the Lord is going to open that first seal and the day of wrath gets underway. These seven seals take you through the entire day of wrath, giving you a broad foundational scope of what is happening in the day of wrath. v1: See the beginning of events of the day of the LORD'S wrath. We have the opening of the first seal on the seven-sealed book and the day of wrath is under way. v1: COME AND SEE: John is going to step over on that sea of glass and look down and observe some things that are taking place on the earth. One of the four beasts says this to John because he is going to have to make a record of this. God wants this written down. v2-8: Recall the colors of the horses from the Book of Zechariah. v2: Starts the recording of what John saw. What John sees is recorded back in Daniel and Zechariah. All the prophets, from Isaiah to Malachi, write in connection with the events of the final cycle of judgment. v12-14: The 6th seal. These are the very signs of His coming at the end of His day of wrath in what is the 'great and terrible day of the Lord'-Joel 2:31. The sixth seal contains the 'sign'-Matthew 24:3 of the Lord's Second Advent and that advent is the seventh seal!
Revelation 6	GH: IPF verse	v12: EARTHQUAKE: Look at the earthquake as a marker in each of the upcoming return for detail sections. It shows up over and over. v12: The 'sign' of His Coming. v13-14: Have to do with the advent or seventh seal. v15-17: Ends with the "great day of his wrath" which is a reference to events attending the Lord's Second Advent when he returns to the earth and begins the Armageddon Campaign. v16: They know He is coming and they have hid themselves.

Revelation 6:1		1 And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. WHEN THE LAMB OPENED ONE OF THE SEALS: The Lamb begins to loose the seals one by one.
Revelation 6:8		8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth. HIS NAME THAT SAT ON HIM WAS DEATH: Apparently there was a creature whose governmental name is DEATH. GH: MM tying to the creature DEATH-Romans 8:38. DEATH: Capital D. If a metaphor and not a real creature, why capitalize? Not an appellative.
Revelation 6:8	GH: SIIP Verse	8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth. The Day of the Lord's Wrath is going to be a time of unparalleled judgment and hardship on the earth. THE FOURTH PART OF THE EARTH, TO KILL WITH SWORD, AND WITH HUNGER, AND WITH DEATH, AND WITH THE BEASTS OF THE EARTH: Looks like unless God does something to intervene on their behalf, every member of the believing remnant would be killed in one way or another, no one would survive. THE FOURTH PART OF THE EARTH: At 8 billion people, that's 2 billion dead.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 6:9-11		This is the believing remnant. They have been caught by the anti-Christ, they have been slaughtered on an altar sacrificed to him. These souls know exactly what has happened to them, they know about a timeline and they are asking God about it. They have a memory of what has happened, they understand the circumstances in which their bodies were killed and their souls continued to communicate with God about their situation. These people would be in Abraham's Bosom. They have their faculties as bodyless souls (GH: MM disproving soul-sleep doctrine). If you think this is a metaphor and not an actual event, then OK, nothing is an actual event. A body which is dead appears as one which is asleep and vice versa. The “sleep” is always a description of the physical body and never the soul. Your soul does not sleep. The saints in the Tribulation are killed and they are crying out to God for vengeance and justice. THE SOULS OF THEM THAT ARE SLAIN...SAYING, HOW LONG, O LORD, HOLY AND TRUE, DOES THOU NOT JUDGE AND AVENGE OUR BLOOD ON THEM THAT DWELL ON THE EARTH: Example of disembodied souls which can still reason, speak, hear and feel. Don't look like they are sleeping. GH: MM refuting soul sleep. They act like they know what they are doing and what is supposed to happen. v10: HOW LONG, O LORD, HOLY AND TRUE, DOST THOU NOT JUDGE AND AVENGE OUR BLOOD ON THEM THAT DWELL ON THE EARTH v11: IT WAS SAID UNTO THEM v11: AND WHITE ROBES WERE GIVEN UNTO EVERY ONE OF THEM: Why are they given white robes if they have no kind of body? What is a robe for? It is to cover the body.
Revelation 6:9-11	GH: SIIP Verse	Happening during the third part of the first half and the second half of Daniel's 70th week. By the time the mid-point of the week arrives, the believing remnant has already been under a kill order and they are just trying to stay alive.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 6:9		9 And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held: THE SOULS OF THEM THAT WERE SLAIN: Members of the believing remnant that were killed by the anti-christ and those with him because of their WORD OF GOD AND THE TESTIMONY WHICH THEY HELD. They were killed for their faith. Their bodies are on the earth. They/We are a 3-part being - body, soul, and spirit. When your body dies, your soul and spirit goes to be with the Lord. But your body stays here on the earth. When you get your glorified body at the end of the DOGG at the rapture/Blessed Hope, the bodies will be changed and so the Lord will bring us our soul and spirit back with Him and those bodies will be changed and they will rise and that is going to be the eternal body or vehicle that we're going to function out of for all eternity. Go ahead into the tribulation. The DOGG is over, God has resumed His Program with Israel, the anti-christ has been revealed, he's gone into the rebuilt temple, declared himself to be God, he begins hunting down the members of the believing remnant to exterminate them. Now John says by the time the Lord has opened up the 5th seal, he sees the souls of them that were slain because of their faith and they are under an altar up there in the third heaven. THE SOULS OF THEM THAT WERE SLAIN: The Bible talks about the conscious awareness of the souls of those whose body has died. Saw their souls, not their bodies. SLAIN: Is a reference to their bodies, not their souls. Says some of the believing remnant are going to be martyred (GH: Romans 8:35-tough Sonship decisions). Will be discovered and put to death over this issue. If you are part of the believing remnant, have to be wondering am I one of those people?
Revelation 6:10	Prayer	10 And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? This is not called a prayer in the verse, but they are talking to God and that is exactly what prayer is; talking to God. And what are they asking? They are asking God how long it will be before God avenges their deaths? So here are some questions and things to take note of: - They obviously do not yet have their resurrected bodies, as they are “souls under the altar” - Has the Lord returned at His Second Advent yet? The answer is “no.” So, if the Lord has not yet returned, where is He? Answer: He is still in the third heaven. - At the time they are asking their question, what is taking place on the earth? Answer: the Tribulation. How do we know that? Not only are they not asleep, they understand what is going to come and they have an expectation of it. Their faculties are still intact.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 6:10	Prayer	10 And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? Two things: 1. There is an idea that some folks hold that when you die, because of the way the Bible uses the term SLEEP, that your soul just goes to sleep and your unconscious until the time of the resurrection. MM doesn't believe that & does not believe the Bible teaches that. Largely a Seventh Day Adventist doctrine although they are not the only ones that hold that view. MM says it doesn't sound like they are sleeping here. MM mentioned the rich man and Abraham's bosom to one and they said that's a parable. MM replied so you are telling me that Jesus actually served up an example of something that contradicted other doctrines? MM finds that very hard to believe. Just because He used a parable to teach something, what makes that untrue? Anybody that believes that parables contain elements of untruth needs to quit preaching the Bible. God doesn't go about establishing truth by riddling it with all sorts of untruth. Those parables are true in every part of their form. 2.
Revelation 6:10	Prayer	10 And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? They are praying HOW LONG, O LORD, HOLY AND TRUE, DOST THOU JUDGE AND AVENGE OUR BLOOD ON THEM THAT DWELL ON THE EARTH? Not praying because they are mad they got killed, this prayer is in perfect accordance to what God said He was going to do. Not asking IF, asking WHEN. Their question reflects an understanding of what God is going to do. They are just asking how much longer before He does. And how would they have known what God was going to do? They would know it from the scriptures that were specifically to them and about them as members of the believing remnant of Israel living in Daniel's 70th Week. Praying for God to avenge us today would be wrong because God is not bringing about judgments and punishments on men today as a result of their sins and trespasses. THEY CRIED WITH A LOUD VOICE, SAYING: These souls know what has happened to them and they are asking God how long it will be until He avenges their blood which, evidently, they know He will do. The are awake, they are talking, they have memory, and this is all being done as bodiless souls.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 6:11	Prayer	11 And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled. Hold your horses, this is not through. There are still some more people that are going to give their lives here. WHITE ROBES: MM believes Israel will have some sort of celestial bodies (GH: or terristrial?), otherwise, why would you give them a robe? Bible references angels wearing linen garments (Revelation 15:6). GH: MM reputing 'soul sleep'. UNTIL THEIR FELLOWSERVANTS ALSO AND THEIR BRETHREN, THAT SHOULD BE KILLED AS THEY WERE: Answer to the prayer in v10 is not yet because there are more that are going to be killed just like them. They will be avenged - one of the mandates of the Davidic covenant. Prayer is not for God to go do it, their prayer is a question to say WHEN are You going to do it? The only way you can ask that is to understand what God is doing. Those prayers that are proper have to do with an understanding of what God is doing at the time that it's being done for them. IT WAS SAID UNTO THEM THEY SHOULD REST YET FOR A LITTLE SEASON, UNTIL REST: Not the common definitions of rest, same as Genesis 2:2 - HE RESTED-He ceased from activity or labor.
Revelation 6:12	Prayer	12 And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; The 6th seal is during the end of the Tribulation, just before the Advent.
Revelation 6:12	GH: SIIP Verse	12 And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; THE SUN BECAME BLACK AS SACKCLOTH OF HAIR, AND THE MOON BECAME AS BLOOD: GH: 30 days of darkness passage.
Revelation 6:13		13 And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. STARS OF HEAVEN FELL UNTO THE EARTH: Ties to STARS SHALL FALL FROM HEAVEN-Matthew 24:29.
Revelation 6:14		14 And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. AND THE HEAVEN DEPARTED AS A SCROLL WHEN IT IS ROLLED TOGETHER: God is going to roll the heavens up and it is going to look like they are falling to the earth. When you take the stretched out heavens and roll them back up, you will be looking at the Throne. See like it was before the heavens were stretched out in Genesis 11.
Revelation 6:16		16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: HIDE US FROM THE FACE OF HIM WHO SITTETH ON THE THRONE: They are saying that because they are looking at Him. GH: And the Lamb is standing next to Him.

Revelation 7	GH: IPF verse	Get another broad scope of the 5th CoP-5th installment. Brings you back to the beginning (return for detail) and review detailed information that is contained at the beginning of the seals and the end of the seals. Return for detail and get more details on two things: 1. One before the start of the seals 2. One after the seventh seal at the start of the kingdom. v3: HURT NOT THE EARTH: The return for detail concerns the time before the "earth is hurt". We read about 'hurt'-Revelation 6:6 in Revelation 6 so we know this is before that event. Means this event in Revelation 7 has to happen first. Therefore, the sealing of the 144,000 of the tribes of Israel takes place before any of the seals get opened. They come on the scene and begin their ministry before the first seal is opened by the Lamb. This tells you that in the “gap” between the Blessed Hope (Rapture) and the Beginning of Sorrows, the twelve thousand from each of the twelve tribes are sealed and begin their ministry. Happens before the events that constitute the day of the Lord. v3: TILL:
Revelation 7	GH: IPF verse	v9-17: See another event after the 7th seal has been opened. This is a different group, not the 144,000. Reasons: * This one contains such a crowd that 'no man can number'-v9. The 144,000 were numbered. * They are not just from the tribes of Israel but they are from every nation and kindred and people. * They are people who have come out of 'great tribulation'-v14 which refers to the last half of Daniel’s 70th Week. Know this is 'the time of the end' because of 'then shall be great tribulation'-Matthew 24:21. v9: PALMS IN THEIR HANDS: Takes you all the way past the Advent to the official start of the kingdom. They are ready to fulfill the feast of Tabernacles, why the palms are in their hands. The 'palms' were part of the feast of Tabernacles. That's what's being rehearsed. Ties to 'Took branches of palm trees, and went forth to meet him, and cried, Hosanna: Blessed is the King of Israel that cometh in the name of the Lord'-John 12:13
Revelation 7	GH: IPF verse	v14: WHICH CAME OUT OF GREAT TRIBULATION: If the great tribulation runs from the midpoint to the end, and the ones in Revelation 7 have come out of 'great tribulation' then you are taken all the way to the end of the Tribulation and you are looking at the group that has come through the tribulation and are standing before the Lord ready to celebrate the feast of tabernacles which is the start of/enter into the kingdom.

Revelation 8	GH: IPF verse	Once again given a broad view of foundational information with this return for detail going through a broad scope of the seals, but with a twist. See another layer of detail under the trumpets from the mid-point of the tribulation to the end. v1:10:7: See return for detail back to the mid-point of the week to the beginning of the 'great tribulation'. Things that begin to happen at the mid-point of the 7 years: * Israel's seven guardian angels are given seven trumpets and they begin to blow those trumpets. * Things are happening on earth in connection with the blowing of those trumpets. * Michael the archangel stands up and these seven guardian angels stand up with him and things begin to happen in accordance with the Davidic Covenant where God says He will avenge His cause with Israel. That is what the trumpets and the judgments associated with them are all about. v1: Tells us that the trumpets begin to take place at the half-way point of the seven-year period.
Revelation 8	GH: IPF verse	v1: SILENCE IN HEAVEN ABOUT THE SPACE OF HALF AN HOUR: The first half of Daniel's 70th week, puts us at the mid-point. v1: HALF AN HOUR: Not 30 minutes like we think. `Since an 'hour'-Revelation 3:10 refers to Daniel's 70th week. This is half that time. For heaven, the time frame is 'half and hour' for the first three and one-half years on the earth. v1: SILENCE: Silence in heaven about a particular thing for 3.5 year before these trumpets begin to sound. It's not total silence because the seals have already told us about things that are happening up there where people are talking. Satan is doing some things during the first half of the week and God is completely silent, like He is ignoring what is taking place. The seals happen all the way through the week but the trumpets and the vials happen the last half of the week and are God's response to what Satan is doing the first half of the week. v8: Return for detail back to the beginning of the 'great tribulation'. These details have to do with the city of Jerusalem which is called 'that great city'-Revelation 17:18.
Revelation 8:9	GH: SIIP Verse	9 And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. THE THIRD PART OF THE CREATURES WHICH WERE IN THE SEA...DIED: There is catastrophic death going on during the Lord's Day of Wrath. Calculating the death rate with today's population of 8 billion people, billions would die. This does not reflect the extermination policy of the Antichrist, or other judgments/events of the Tribulation. Point: That death and destruction is so widespread during the Tribulation that if God did not intervene on the behalf of the BR, none of them would make it through to the end. MM believes there are people involved here based on the cross-reference of Revelation 5:13.
Revelation 8:11		11 And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. BITTER: Talking about the fact they were poisoned.
Revelation 9:11	Non-MBI	21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. RS: MARK IN YOUR BIBLE - people are not going to give up, they are not going to kneel, in fact, they will turn around and grab into the pharmacia and pornea (drugs & sex). The end times will be - We will shake our fists at God and hang onto our drugs and engage in immorality - one-half of the earth has been killed at this point and people are saying get me my drugs.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 9:15	GH: SIIP Verse	15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. SLAY THE THIRD PART OF MEN: There is catastrophic death going on during the Lord's Day of Wrath. Calculating the death rate with today's population of 8 billion people, billions would die. This does not reflect the extermination policy of the Antichrist, or other judgments/events of the Tribulation. Point: That death and destruction is so widespread during the Tribulation that if God did not intervene on the behalf of the BR, none of them would make it through to the end.
Revelation 9:18	GH: SIIP Verse	18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths. THE THIRD PART OF MEN KILLED, BY THE FIRE AND BY THE SMOKE, AND BY THE BRIMSTONE: There is catastrophic death going on during the Lord's Day of Wrath. Calculating the death rate with today's population of 8 billion people, billions would die. This does not reflect the extermination policy of the Antichrist, or other judgments/events of the Tribulation. Point: That death and destruction is so widespread during the Tribulation that if God did not intervene on the behalf of the BR, none of them would make it through to the end.
Revelation 9:20-21		20 And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: 21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts. v20: AND THE REST OF THE MEN: GH: Balance after the THIRD PART OF MEN-v15. They don't repent of evil, they double down. v20: REPENTED NOT: Eternal separation from God makes sense if the occupants of hell remain eternally unrepentant.The people know exactly what they are doing, they know who they are rebelling against, they know there are consequences and yet, they persist in their actions. They don't repent of evil, they double down. v21: NEITHER REPENTED THEY: Eternal separation from God makes sense if the occupants of hell remain eternally unrepentant. The people know exactly what they are doing, they know who they are rebelling against, they know there are consequences and yet, they persist in their actions. They don't repent of evil, they double down.
Revelation 10	GH: IPF verse	v8-11:17: The next return for detail on the trumpets through 'the great tribulation'. Come through again to provide additional details that we didn't get in the foundation information under the designation of trumpets.
Revelation 10:1-11		Revelation 10:1-11: Angel #7/7th angel. Sequence of events that takes you to the very end.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 10:6		6 And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: THERE SHOULD BE TIME NO LONGER: MM says it doesn't say TIME SHALL BE NO MORE. The 7th angel says there should be time no longer. Time is up for those 7 angels. He is talking about the fact that the time alloted for the Day of Wrath, there is no more time left. It's ended. He is not talking about there's not going to be any more time at all, that time has stopped. The phrase "there should be time no longer" has to do with the time for the day of wrath, not time itself. We still have "time" in the millennial kingdom after this 7th angel has sounded! Know that because what follows the Tribulation? The 2nd Advent. Daniel gives you a list of days from the Abomination of Desolation to the Second Advent. 1,260 Days - comprise the last half 1,290 Days 1,335 Days - takes you all the way out to the Advent. What about the (1,000 year) Millenium? Still have seasons and months and feast days. If you have days after the 7th angel, don't you have time? This is all part of the Lord's Day of Wrath.
Revelation 10:7		7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets. Doesn't take place till the Tribulation. John is carried forward to the time of the end in the Lord's day and he is going to be given the information that Daniel didn't write (Daniel 12:4). That's going to be called THE MYSTERY OF GOD-Colossians 2:2. Identifies this angel as the 7th. IN THE DAYS OF THE VOICE OF THE SEVENTH ANGEL: MM says in the Book of Revelation, there's a lot of sevens going on - seals, trumpets, voice of the 7 angels. You know that the 7th of any of those is the last one. GH: Continues into Revelation 11:15. THE MYSTERY OF GOD SHOULD BE FINISHED: GH: John finishing what Daniel started (Daniel 12:4). Means this thing is about to wrap up. THE MYSTERY OF GOD is going to be unfolded and when you get to the end of the Tribulation, then THE MYSTERY OF GOD is going to be finished. MYSTERY OF GOD: Do not confuse the MYSTERY OF GOD with Israel with the MYSTERY OF CHRIST in the DOGG. MYSTERY OF GOD is something God is doing with His Program with Israel. GH: Please see Colossians 2:2.
Revelation 11:8-9	Non-MBI	8 And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified. 9 And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves. Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 11:15		15 And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. GH: Continued from Revelation 10:7. GH: Focus is the heavenly places. Earth passage is Hebrews 2:8. THE SEVENTH ANGEL SOUNDED: Still talking about this from Revelation 10:7. THE KINGDOMS OF THIS WORK ARE BECOME THE KINGDOMS OF OUR LORD, AND OF HIS CHRIST; AND HE SHALL REIGN FOR EVER AND EVER: Christ reigns over the kingdoms of this world in the millennial kingdom. He will have repossessed all of that back to Himself.
Revelation 11:19	GH: GPPI verse	19 And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail. THE TEMPLE OF GOD WAS OPENED IN HEAVEN: MM says this one came first. The one on earth was made after the pattern of this one. The one here was a shadow of the real.
Revelation 12		There is an event coming that is going to make the creature worse than ruins. It is not enough to just cast out Satan and his angels. Will have to do something to stop the physical corruption of the creature as well. This is something different. Fixed in Revelation 12 where Satan and his angels are cast down to the earth and the creature is no longer under that moral corruption of Satan and his angels. Doesn't mean the physical corruption got fixed yet. Third of the stars cast to the earth: We think this means a third of the angels rebelled. MM is not sure. MM says Satan is sending a third of his heavenly forces to the earth for the Armageddon campaign.
Revelation 12	GH: IPF verse	v1-14:5: Is the foundational trip through the Tribulation, but this time it is a little different. * The details given in this layer of information concern the man of sin, the one we commonly call “the Antichrist.” Tells us who he is, where he is from, where he gets his power, what he is attempting to do, how he will go about it, and how all of that is wrapped up in the Satanic policy of evil for this earth and against Israel. * There's another difference in the scope of foundational information. Before this account takes the remnant through the great tribulation (last half) one more time, it goes further back to connect the things that are going to be covered with the plan of evil at its beginning. v1-5: Takes the remnant all the way back to the beginning of the Satanic plan of evil on this earth and the specific strategy of evil against Israel. The remnant is reminded of some things from the inception of the plan of evil up to the “great Tribulation.” This historical account is given in a quick, recap type form. The remnant will need to know about the plan of evil before they come to this, otherwise this will do them no good. All of these things are actually going to happen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 12	GH: IPF verse	v1: Looks very symbolic but you have already been shown this in the Book of Genesis, where Joseph told of a dream he had that made his brothers so mad, they sold him off to slavery in Egypt. Represents the nation of Israel. v4: Satan and his angels are cast down to the earth at the mid-point. v6-14:5: Return for detail through the great tribulation again with Satan's plan of evil and the activity of the Antichrist in view. v7-17: See the remnant given a marker for when to expect the ramping-up of persecution against them and a review that brings them to their own time when they will be receiving the brunt of the policy of evil against Israel. Satan's "great wrath" will be directed against them. This happens at the mid-point of Daniel's 70th week. This is the grand, last ditch effort of the adversary. He is pouring everything out at this time. v12: GREAT WRATH: After he is kicked out of heaven at the mid-point of Daniel's 70th week.
Revelation 12	GH: IPF verse	v12: A SHORT TIME: 3.5 years. v13: WOMAN: Israel v17: THE DRAGON WAS WROTH WITH THE WOMAN, AND WENT TO MAKE WAR WITH THE REMANT OF HER SEED: Satan makes war against the remnant, the very ones being written to in the Hebrew Epistles. v17: THE REMNANT: v17: WHICH: v17: KEEP THE COMMANDMENTS OF GOD: Justification by works. The law. v17: HAVE THE TESTIMONY OF JESUS CHRIST: Justification by faith. See Revelation 1:2.
Revelation 12:1		1 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: Notice John doesn't say a word about us/you. Wonder what our part is in this. The revelation of the Mystery wasn't given to the apostle John, was given to the apostle Paul. When he is writing Revelation, he is writing to the remnant, he is not writing to us. MM says until Satan and his angels are cast out, we can't occurpy those thrones. WOMAN: The nation of Israel. TWELVE STARS: Are the 12 tribes. GH: Ties to Joseph's dream.
Revelation 12:6		6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days. A THOUSAND TWO HUNDRED AND THREESCORE DAYS: 1,260 days - 42 months based on the Hebrew/Lunar calendar or a 3.5 years. At the mid-point of the 7- year tribulation. From this point on, she (the nation of Israel) is going to be scattered. First half of the tribulation, the anti-Christ is acting like he's their Messiah.

Revelation 12:7-12		v7: THERE WAS WAR IN HEAVEN v8: NEITHER WAS THEIR PLACE FOUND ANY MORE IN HEAVEN: Means they don't get back in. They are permanently cast out. ***** 47:30 v10: NOW IS COME SALVATION,AND STRENGTH, AND THE KINGDOM OF OUR GOD v10: THE POWER OF CHRIST v10: THE ACCUSER OF OUR BRETHREN IS CAST DOWN v12: WAR IN HEAVEN v12: REJOICE, YE HEAVENS: The inhabiters of the heavens. v12: YE THAT DWELL IN THEM: MM says that's us. Who do you think is going to be up there? v12: WOE TO THE INHABITERS OF THE EARTH v12: HE KNOWETH THAT HE HATH BUT A SHORT TIME v12: SHORT TIME: 3.5 years.
Revelation 12:7-9	GH: Spiritual Phenomena Verse	Both beasts (the Antichrist and the false prophet) get their power from the DRAGON (Satan). They are getting their power from Satan to carry out this work. v7: THE DRAGON: Satan. The dragon is the Adversary; Satan himself. v9: THE GREAT DRAGON WAS CAST OUT, THAT OLD SERPENT, CALLED THE DEVIL, AND SATAN, WHICH DECEIVETH THE WHOLE WORLD: How we know the DRAGON is Satan. The dragon is the Adversary; Satan himself. While both “beasts” get their power from the dragon, the False Prophet is utilized by Satan in a special way. This falls into the category of God sending them “strong delusions” which are spoken about in 2nd Thessalonians. This is where all “the power, the signs and the lying wonders” come from. Look at one of the signs spoken about here; one of the lying wonders.
Revelation 12:7	Second Heaven	7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, Context: When Satan has been cast out of Heaven. When did that happen? This does not happen until the resumption of the prophetic program in the middle of Daniel's 70th week. Just as it is a domain (?) on earth, it is a domain in the heavenly places. They have a place up there but there is coming a time that they will no more have that place. God is going to take the entire thing back under the authority and under the subjection of His Son Jesus Christ. THERE WAS WAR IN HEAVEN: That's not the third heaven. That's the second heaven. Where Satan and his minions are in charge right now. DRAGON: Satan

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 12:8	Second Heaven	8 And prevailed not; neither was their place found any more in heaven. PREVAILED NOT, NEITHER WAS THEIR PLACE FOUND FOR THEM ANYMORE: Satan and his angels are defeated by Michael and the good angels. Means we as members of the body of Christ, we get installed in those positions in the heavenly places. NEITHER WAS THEIR PLACE FOUND ANY MORE IN HEAVEN: At the mid-point of the tribulation, Satan and his angels have a war with Michael and his angels and they get cast out to the earth.
Revelation 12:9	GH: Where BONDAGE OF CORRUPTION is fixed	9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. Satan will no longer give you a headache, you are going to give him one. All those principalities and powers that joined him in the rebellion, you are going to throw them out. CAST OUT INTO THE EARTH: Says they will be CAST OUT INTO THE EARTH. Then you will be seated with Christ in heavenly places-Ephesians 2:6. Bondage of corruption is fixed in Revelation 12:9 where Satan and his angels are cast down to the earth and the creature is no longer under that moral corruption of Satan and his angels. Doesn't mean the physical corruption got fixed yet. There are a number of titles given here. The different titles talk about the different realms that Satan is functioning in. Same guy functioning in different areas. 1. THE GREAT DRAGON 2. THE SERPENT 3. THE DEVIL 4. SATAN
Revelation 12:10-11		10 And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. 11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. False prophecy: You have to testify about Jesus. You shall overcome by the blood of Jesus Christ, the Lamb, and the Word of His Testimony. Yes, you will overcome the devil. Let not your heart be troubled. Today will prepare ourselves for the coming of the Lord. Again, confusing the programs. GH: This is the believing remnant - GOD'S ELECT-Romans 8:33. v10: THE ACCUSER OF OUR BRETHREN v10: WHICH ACCUSED THEM BEFORE OUR GOD DAY AND NIGHT: Unceasing. v11: THEY: GH: The CALLED ACCORDING TO HIS PURPOSE-Romans 8:28 in Israel's program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 12:12		12 Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabiters of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. Devil is mad because he realizes he doesn't have much time. He'll try and put his plan together in 42 months. The soonest that you can be installed into the heavenly places is 3.5 years into the tribulation because that is when Satan and his angels are cast down. This is where the moral corruption gets fixed. The creature is no longer under the corruption of Satan and his angels. You are going to orchestrate angels to go out and conduct a military campaign throughout the entire universe and every single one of those angels is going to get hunted down, found, and cast down to the earth. There is the issue of when we are going to take up that station in the creature. Because Satan and his angels are getting cast out at the mid-point of Daniel's 70th week. So then there's 42 months before the Second Advent. Says THE DEVIL HAS COME DOWN UNTO YOU, HAVING GREAT WRATH. But it also says REJOICE, YE HEAVENS, AND YE THAT DWELL IN THEM. WOE TO THE INHABITERS OF THE EARTH AND OF THE SEAT FOR THE DEVIL IS COME DOWN UNTO YOU, HAVING GREAT WRATH, BECAUSE HE KNOWETH THAT HE HATH BUT A SHORT TIME: Angels will be involved in that but they will be under our administration. MM reserves the right to change this but he believes there is a two-part thing going on here: 1. We are going to unseat them but that doesn't remove them from the heavenly places, it just means we take over the government of God up in the heavenly places. 2. Then there's a war in heaven in which they get cast down to earth. MM doesn't think the fallen angels will fight this war from positions of authority, he believes they will have been already deposed by us.
Revelation 12:14		14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent. Woman with the sun bringing forth a child and the serpent and water and saved them on eagles wings. EAGLES WINGS
Revelation 12:17		17 And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ. WHICH KEEP THE COMMANDMENTS: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary. From Romans to Philemon, the words KEEP COMMANDMENTS don't show up once. (GH: 1 Corinthians 7:19: 'keeping of the commandments of God.')

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13	GH: GPPI verse	In the first verses, you see a beast coming up out of the sea having 10 horns and upon his head the name of blasphemy. This is the anti-Christ. He has a deadly wound that's healed. v11: See another beast, the false prophet and he is called this in the Book of Revelation. v12: He causes the world to worship the beast whose deadly wound was healed. The antichrist actually gets killed and when he does, he's not in the land of Israel. He's somewhere else, then he resurrects rom the dead, then he comes back into the land, they stop the daily sacrifices and the oblation, he sits done in the temple, proclaims himself to be God, and then they set up the image which is the abomination that maketh desolate, he goes back to his headquarters out of the land, and everybody receives the mark. And they'll either worship the image of the beast and take the mark OR they'll be put to death by having their heads cut off. And that will be the part of the worship of Baal at that time. It will rise to its height there and there's going to be a controversy about, wait a minutes, this in in the middle of Israel for goodness sake, and don't we know something about the True God and we know about the sign of Jehovah and that's exactly what's being re-enacted right here in Revelation 13 where the false prophet does this in v12. He exercises all the power of the first beast before him calls the earth and them that dwell therein to worship the first beast whose deadly wound was healed.
Revelation 13	GH: GPPI verse	v13-14: How he does v12. He is going to repeat Elijah's fire from heaven about who really is God because he'll call down fire on the earth in the sight of men in Israel. We don't know what that is because we don't study the Bible. But everybody in Israel understands fire from heaven is the sign of Jehovah. And when they see that, he'll say you want to know who the real god is, I'm telling you, this one that was raised from the dead, I'm telling you is the real God and I'll prove it to you and he'll call down fire from heaven that will consume the sacrifice. They'll all remember 1 Kings (GH: Elijah) and he is the anti-type of Elijah the prophet. He's the false prophet. He's the forerunner for the messiah, but the false messiah. He's the anti-Christ forerunner. He's the Elijah. He's the John the Baptist. And so Elijah, that's how he is going to portray himself, he says, I'll give you the sign of Jehovah. He'll call down fire, and the whole apostate nation, except for the remnant, is going to believe that and they're going to enter into Baal worship and they're going to worship the beast. This is what this is about. He's counterfeiting the 1 Kings thing between the prophets of Baal and Elijah the prophet. Except now, he is posturing himself as the true prophet and he proves it.
Revelation 13	GH: GPPI verse	And God lets him do that and Paul tells you why in 2 Thessalonians. There's a specific reason why God allows him to deceive them with lying wonders. MM says the story of the prophets of Baal and Elijah is not just in there to fill up space. See in the 5th CoP prophets the worship of Baal going on out here (GH: resumption of Israel's program). And the Lord comes back to set up His kingdom and He destroys that thing. It's the worship of Baal that is going on when the Lord returns at His Second Advent. MM says Baal means bull, in an animal sense. Why do you think they made a golden calf? That wasn't an accident. That was part of the worship of the fallen cherub. That whole thing is connected and Satan is posturing this thing all along through here. And when those days comes in Revelation, he will do that. You can guess what that image that will be set up in the holy place is going to look like. Remember the golden calves set up in Dan and Ephraim in Samaria? See the connection here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:1-4	GH: Spiritual Phenomena Verse	The first beast of Revelation that comes up out of the sea is the Antichrist. Antichrist and False Prophet both get their power from the DRAGON (Satan). They are getting their power from Satan to carry out this work. This is the BEAST that is going to represent his kingdom. v1: SEVEN HEADS: The 7 kings of Assyria that persecuted Israel are all mentioned by name. v2: THE DRAGON GAVE HIM HIS POWER, AND HIS SEAT, AND GREAT AUTHORITY v2: DRAGON: Satan. Know from Revelation 12:7-8. v3: Most preachers say this happens to the antichrist during the tribulation, but really you already have a record of one of these 7 that was killed by a sword back before. Later in the Book, the antichrist is described as the EIGHTH KING, YET BELONGING TO THE SEVEN- Revelation 17:11. Means the EIGHTH has to be one of the 7. v3: ONE OF THE HEADS AS IT WERE WOUNDED TO DEATH: Sennacarib is already dead.
Revelation 13:1-4	GH: Spiritual Phenomena Verse	v4: WORSHIPPED: They bowed down to it. They paid that reverence or homage to the beast. v4: THE DRAGON WHICH GAVE POWER UNTO THE BEAST v4: POWER: MM tying to ALL POWER-2 Thessalonians 2:9.
Revelation 13:4		4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? WHO IS ABLE TO MAKE WAR WITH HIM?
Revelation 13:5		5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. FORTY AND TWO MONTHS: Last half of Daniel's 70th week.
Revelation 13:8		8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. First part of the verse talking about the anti-christ. See God looked from back here and saw to not only accomplish the exaltation and the glorification of My Son, I AM going to need 2 things: 1. Something working on the earth 2. Something working in the heavens Have something going on on the earth and in the heavens and have 2 different peoples do that. Because He has foreknowledge, He knows that His Son needed to die on the Cross. Decided that Jesus would function as the Lamb of God before the foundation of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:11-16		11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. 12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. 13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, 14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. 15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. 16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:
Revelation 13:11-16		Idolatry is something that plagued Israel back in the past and it is going to happen again in the future. MM tying to GOD WILL SEND THEM A STRONG DELUSION, THAT THEY SHOULD BELIEVE A LIE, THAT THEY MIGHT BE DAMNED-2 Thessalonians 2:11. There is a multi-stage deception that will take place that will absolutely convince apostate Israel that the antichrist is the real Messiah and they're going to see all the signs to prove it. DUMB IDOLS-Habakkuk 2:18 tells us something about the nature of the deception which will come upon the world when this DOGG has come to a close, and God's prophetic program with Israel has resumed, and the events of the mid point of Daniel's 70th Week begin to take place. The false prophet, who will be the religious leader who works in tandem with the Antichrist, will perform miracles which will deceive everyone but the Believing Remnant (BR). v11: ANOTHER BEAST: The first beast, which is the antichrist, comes out of the sea (talking about the Gentile nations - he will be an Assyrian). This beast, the second beast, comes out of the earth (talking about the nation of Israel). This second beast is the false prophet. Coming out of the earth means that he is coming right out of Israel.
Revelation 13:11-16		v11: TWO HORNS: There are two things that the second beast, the false prophet, are going to do: 1. Cause people to worship the beast. There's a religious aspect to it. That's one horn. 2. Anybody that won't worship or take his mark is going to be put to death. That's a civil government action. That's the second horn. So the false prophet has religious power and he has political power. If you are going to put yourself forth as Christ, you are going to have to have a forerunner. Like Elijah, who calls down fire from heaven (see 1 Kings 18, Matthew 17:10-13, Mark 9:2-13, and Luke 1:13-17). MM thinks he may call himself Elijah but this is not all of the deception. v12: AND CAUSETH THE EARTH AND THEN WHICH DWELL THEREIN TO WORSHIP THE FIRST BEAST: Horn number 1. v12: DEADLY WOUND: Happened long ago back in Israel's program. MM hints it was by a sword.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:11-16		v13: HE DOETH GREAT WONDERS, SO THAT HE MAKETH FIRE COME DOWN FROM HEAVEN: Talking about the false prophet. This “calling down fire” is a copy of something done by Elijah the prophet back in 1 Kings 18, (the third course of punishment). Why counterfeit this miracle? Because the Jews understood that Elijah the prophet would come before their Messiah would appear. He would be the forerunner of the Messiah. Trying to get them to look at the second beast in a particular way to give credence to the first beast. v14: In the tribulation out there, the false prophet is going to say we need to build an image of this (first) beast. Paul tells you in 2 Thessalonians they put it in the Holy Place of the rebuilt Temple that the antichrist is going to build over there for the nation of Israel to fool them into thinking that he is their Messiah. That's apostate Israel, not the believing remnant. They know better. MM says it bothers him that so many Christian organizations are dedicating themselves to getting the Temple rebuilt over there. MM asks for what purpose? To restart the sacrifices? There has been One Sacrifice forever made for sin, it happened on Calvary's Cross, and it made the Blood of bulls and goats obsolete. The Temple in Ezekiel 40-48 is going to be His and we don't need to build that. When the false prophet says lets build an image to the beast, they are going to say, yeah, let's do that, because this is the guy that is calling down fire from heaven. If he is doing that, he must be the forerunner of the Messiah.
Revelation 13:11-16		v15: MM says preachers say that, well, they didn't know it then but this is TV. MM asks do you really think that they are going to set up a flat screen in the Holy Place? That is STRONG DELUSION THAT THEY SHOULD BELIEVE A LIE-2 Thessalonians 2:11 because for the first time they are going to build an image and Satan is going to give the false prophet the power to cause that image to do something no DUMB IDOL has ever done - speak. And when it does, they can all point back to Psalm 115 and DUMB IDOLS-Habakkuk 2:18 and go if this wasn't the real deal, this wouldn't be happening. They are going to think this has got to be God. Called an ABOMINATION OF DESOLATION-Matthew 24:15. v15: TO GIVE LIFE UNTO THE IMAGE OF THE BEAST, THAT THE IMAGE OF THE BEAST SHOULD BOTH SPEAK, AND CAUSE THAT AS MANY AS WOULD NOT WORSHIP THE IMAGE OF THE BEST SHOULD BE KILLED: For the first time, an image is going to speak! The image will be brought to life. This is something that has never before been accomplished. They will make this image. They will set it up in the holy place of the rebuilt temple, the false prophet will bring it to life, and it will speak. And apostate Israel will worship the beast (the Antichrist) and his image, and they will gladly take his mark or the number of his name. If the Antichrist and False Prophet are able to do something with an image, which they make, which has never been done before, they could point to the Antichrist being “God” by pointing back to Psalm 115. v16: Get a mark the same place they have been carrying the law - see Exodus 13:16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:11-15	GH: Spiritual Phenomena Verse	v11: ANOTHER BEAST: The second beast that comes up out of the earth is the False Prophet. Antichrist and False Prophet both get their power from the DRAGON (Satan). They are getting their power from Satan to carry out this work. The False Prophet is utilized by Satan in a special way/role. This falls into the category of God sending them STRONG DELUSION-2 Thessalonians 2:11. This is where all "the power, the signs and the lying wonders" come from. MM tying these to 1 Corinthians 12. v12: HE: The False Prophet. v12: WORSHIP: Bow down and prostrate themselves to it. v13: GREAT WONDERS: The False Prophet is where all "the power, the signs and the lying wonders" come from. v13: HE MAKETH FIRE COME DOWN FROM HEAVEN: Fire coming down from heaven is a sign of Jehovah in God's program with Israel! Elijah called down fire from heaven and consumed the sacrifices on Mount Carmel with the prophets of the grove and the prophets of Baal up there saying 'let the God that answers by fire be God'; fire from heaven came down and initiated/inaugurated the Tabernacle; fire came down and inaugurated the temple when it was built. That's a sign of Jehovah to Israel.
Revelation 13:11-15	GH: Spiritual Phenomena Verse	Only happens a few times in the Bible and it is a sign that Jehovah God right there is doing that. Satan counterfeits that sign in the day of the Lord. Israel knows what that sign is and when Satan produces it, it is designed to make people believe the lie. v14: Israel sees a sign come down from Heaven, (the sign of Jehovah) and all of the other miracles he does and it convinces them he is God. That's how they get deceived; by the miracles. But God is not behind this at all; none of these things are being done by God. Even God's own nation (Israel) will be deceived by this. Jewish people understand when you call down fire from heaven, that's the sign of their God. MM tying to God sending them STRONG DELUSION-2 Thessalonians 2:11. v15: HE HAD POWER TO GIVE LIFE UNTO THE IMAGE OF THE BEAST: The power that is exercised to deceive. He will give life unto the image of the beast. Here's this big idol image with a mouth, eyes, ears and that thing is going to come alive! This is no longer a "dumb idol." Therefore, this must be God doing this, they will think. And that is what Satan wants them to think. This image is going to live. It will speak and it also will have the power that "it should cause that as many as would not worship the image of the beast should be killed."
Revelation 13:11-15	GH: Spiritual Phenomena Verse	Satan gives this power to the beast and the beast gives the power to the image, and then the image has power. The focus once again is the power to counterfeit; the power to deceive by miracles. Unfortunately, a lot of Christians are willfully ignorant of that capacity. They see a spiritual phenomenon and they believe it has to be of God. And that is exactly how people living in this DOGG continue to think. Ignorance is exactly what the Adversary needs, wants, and preys upon. No wonder Paul started this section with, "I would not have you ignorant brethren." v15: LIFE UNTO THE IMAGE OF THE BEAST: Some people think this will just be a TV screen. Two things: 1. TV is not a miracle that will deceive the world. People are not going to look at a TV screen and go oh my goodness, look, the image is talking. People watch movies all the time. 2. They are not setting up a TV screen in the Holy of Holies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:11-15	GH: Spiritual Phenomena Verse	v15: NOT WORSHIP THE IMAGE OF THE BEAST: Those who would not bow down and prostrate themselves before that image. If you won't do that as a member of the believing remnant, you're going to be put to death. Reward is hanging in the balance if they want to be in the kingdom of light. Otherwise, outer darkness. MM says once you see all this you will be really glad you are in the DOGG.
Revelation 13:14	GH: Doctrine : False Prophets	14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. DECEIVETH THEM: The False Prophet. The only way to be sure about what is true and what is not is to find it in the part of the word of God that is specifically to you and about you. Satan has the power to counterfeit the power of God to such an extent that without the proper doctrine, a man would never tell the difference on his own. Neither the wisdom of men nor the experience of men are reliable criteria to determine what is truth and what is error.
Revelation 13:15-17	GH: SIIP Verse	MM says we think this passage is saying 'if you take the mark, you are going to hell'. Makes you wonder what if members of the believing remnant take the mark? But that's not what the passage is saying. The passage is not telling us "why" they are going to hell (for taking the mark), it is telling us that everyone who takes the mark is unsaved and therefore, they are going to hell. No one goes to hell for taking the mark; they go to hell because they rejected the gospel of the kingdom. On the question of a member of the believing remnant and the mark of the beast? ANSWER: No one who is a member of the believing remnant will be offered the mark, as they are already under a kill order. v15: AS MANY AS WOULD NOT WORSHIP THE IMAGE OF THE BEAST SHOULD BE KILLED: How you know that everybody doesn't take the mark. v16: HE CAUSETH ALL, BOTH SMALL AND GREAT, RICH AND POOR, FREE AND BOND, TO RECEIVE A MARK IN THEIR HAND, OR IN THEIR FOREHEADS: The false prophet will cause ALL to receive the mark of the beast. Get the idea no matter who you are, you are going to take the mark, but MM doesn't think he is talking about ALL without exception. He is making a statement that all that do get deceived by him and they're taking the mark because they're not going to be able to buy or sell without it.
Revelation 13:15		15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. Satan at some point will have the ability to produce life - 'he will give life (but not quicken it) to the image of the beast so that will both speak'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 13:16-18	The Mark of the Beast / GH: Wedge Principle	16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Mark of the Beast: Something specific that Satan/Antichrist is trying to do in the Middle East. MM doesn't believe this is world wide. Remnant will not take the mark. If you don't have that mark or that number, you can't buy anything and you can't sell anything. Means you are destitute and have to go underground and get it off the black market. Find someone that will help you out and feed you or cloth you because you left your clothes. When you hear about the abomination being set up, you have to get out that instant because Jerusalem is about to be surrounded with an army and you are going to get cut off (very word the Bible uses). Every second counts. Why wouldn't you get out? Because you are still pleading with probably your own family members to come to Christ. MM says he currently sees the MARK OF THE BEAST, not as a worldwide thing, but a localized, Middle East thing. He thinks is it reversible and there is a prescription for that.
Revelation 13:16-18	The Mark of the Beast / GH: Wedge Principle	16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Some are going to stay past the time - trying. Too late - two things happen: 1. Message is like a wedge. It drives through, putting people on one side or another and it polarizes everybody so there is no middle ground. You either hate the remnant and you hate Jesus Christ OR you love the remnant and you're part of it. 2. GH?: Gentile world is removed from that. May be sympathetic and help them out. May be sympathetic to the Antichrist and turn them over. When the abomination of desolation gets set up here, everyone will have made their choice. To stay later is to not only condemn yourself but your in vain trying to persuade someone how has made a final decision.
Revelation 14	GH: IPF verse	v6-20: Return for detail one more time to get information of the great tribulation with regard to the activity of the Antichrist. v12: The book of Revelation drives home this same idea of faith and works for the remnant.
Revelation 14:1-4		144,000 who have not known woman is talking about they have never participated in that Baal worship system that Revelation talks about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 14:1-3		1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. 2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: 3 And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. v1: AN HUNDRED FORTY AND FOUR THOUSAND v3: THEY SUNG v3: NEW SONG v3: BEFORE THE THRONE, AND BEFORE THE FOUR BEASTS, AND THE ELDERS v3: NO MAN COULD LEARN THAT SONG BUT THE HUNDRED AND FORTY AND FOUR THOUSAND, WHICH WERE REDEEMED FROM THE EARTH MM says the elders never sing, they say, but they never sing the new song. It can't be sung by them. They aren't redeemed by His Blood and they aren't singing but they are there when the singing is going on.
Revelation 14:3		3 And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. Sang a new song. All MMs life, he'd hear preachers say, I can't wait to hear what that new song is. That's already been recorded. They are also going to sing Deuteronomy 32 - Song of Moses. There's a whole set of psalms that are called 'new song psalms'.
Revelation 14:6	Gospel = EVERLASTING GOSPEL (God is the Creator)	6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, 7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. THE EVERLASTING GOSPEL: Preached during the Tribulation. It's not 'the Kingdom of Heaven is at hand'. It is v7. Worship the one that made everything. Not the gospel that Jesus preached in His early ministry. It's not the gospel that Paul preaches. A gospel for Gentiles. Preached to Gentiles - EVERY NATION AND TONGUE AND PEOPLE. Put your faith in that God is the creator. What you put your faith in in order to be saved.You will worship the true and living God as the Creator. Not about the gospel of the Kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 14:9-11	GH: SIIP Verse	This passage seems to indicate that anyone who takes the mark of the beast will experience the "wrath of God" in the last half of the Week (vs. 10), and be "tormented with fire and brimstone" (which we liken unto hell or the lake of fire) in the afterlife. MM says this verse really isn't talking about anything in eternity at all. But if you think it is describing eternal punishment, including the believing remnant who have taken the mark, this is very dangerous. Because if you are taking people who have been JUEL and who are in Christ and by something they do, all of that is being reversed, you just did away with your own security. So be careful about that. v9: IF ANY MAN WORSHIP THE BEAST AND HIS IMAGE, AND RECEIVE HIS MARK: MM says nobody goes to deal because they worship the beast. Thinks people are reading this wrong. They go to hell because they rejected the gospel of the kingdom. It's not what they did, it's what they didn't do. They had a chance to have their sins forgiven and believe the gospel of the kingdom and they rejected that. If you rejected the gospel of the kingdom, you aren't going into the kingdom, even if you didn't take the mark or worship the beast. We read this like God is telling you why these people are going to hell, but that's not what He is doing.
Revelation 14:9-11	GH: SIIP Verse	He is describing to you the kind of people that will take the mark. MM says he can't find if you have a kill order on you and you get caught, they are not offering you the mark. If you are a member of the believing remnant, you are going to get your head cut off. They are not offering you the mark because they are trying to wipe out the believing remnant. Before the mid-point, it is impossible to take the mark because that doesn't happen until after the mid-point. Before the mid-point, they are already under a kill order. Catch and shoot to kill. The mark business doesn't take place till the second half and unbelieving Israel discovers this guy is not our Messiah. MM can't find anywhere where unbelieving Israel takes the mark either. Preachers are always so dogmatic about things but MM can't find anywhere in His Bible where any Israelite takes the mark. Appears to him this may be something for the Gentiles. After the mid-point, LET US CUT THEM OFF FROM BEING A NATION, THAT THE NAME OF ISRAEL BE NO MORE IN REMEMBERANCE-Psalm 83:4. Can't exterminate people and then bring them into he VRS. MM doesn't find this. MM believes that the believing remnant are under a kill order before the mark comes on the scene. If you get betrayed by your brother and they come and find you, they cut your head off. They are not offering you the mark. They're getting rid of you. Doesn't believe any members of the believing remnant take the mark.
Revelation 14:9-11	GH: SIIP Verse	v10: THE WRATH OF GOD, WHICH IS POURED OUT WITHOUT MIXTURE INTO THE CUP OF HIS INDIGNATION: Is talking about all the wrath that God is pouring out during the second half of the week. v11: Saying that the punishment and the wrath that they are going to endure in the second half of the week, that is going to resonate forever. What everybody had to endure about that because of how bad it's going to be.
Revelation 14:10	GH: GPPI verse	10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: POURED OUT WITHOUT MIXTURE: During the 7 years of the day of wrath, where the wrath of God is POURED OUT WITHOUT MIXTURE, meaning without mercy of any kind. The undiluted wrath of God poured out. WITHOUT MIXTURE: No mercy at all.

Revelation 14:12		12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. WHICH KEEP THE COMMANDMENTS: Example that Pastors use and pipe it back into the dispensation of grace on how you are supposed to live. Got trained this way in Seminary. From Romans to Philemon, the words KEEP COMMANDMENTS don't show up once. (GH: 1 Corinthians 7:19: 'keeping of the commandments of God.')
Revelation 15	GH: IPF verse	v1-16:21: We have foundation material for the judgments under the vials. These do not go all the way back to the beginning of the great tribulation but begin toward the end of the Tribulation. These are the avenging judgments that precede the “great and terrible day of the Lord.” That means that these vial judgments happen just prior to the Second Advent of Jesus Christ and the Armageddon Campaign. v2-3: See the reward waiting for the believing remnant - will be able to stand on THE SEA OF GLASS-v and sing THE SONG OF MOSES-v3. v2: THEM THAT HAD GOTTEN THE VICTORY OVER THE BEAST, AND OVER HIS IMAGE, AND OVER HIS MARK, AND OVER THE NUMBER OF HIS NAME, STAND ON THE SEA OF GLASS: The believing remnant that HOLDs FAST-Hebrews 10:23 will have victory over all of this. v2: THE SEA OF GLASS: GH: See MOLTEN LOOKING GLASS-Job 37:18. v3: THEY SING THE SONG OF MOSES: Song will be sung by Tribulation saints, not Church Age saints.
Revelation 15:2	Non-MBI	2 And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. PR: Waters represents 'the deep' in Genesis 1:2 or the body of water which now exists above the solar system. It is the frozen 'sea of glass' at absolute zero, described in Revelation 4:6 & 15:2. This is the deep freeze which Amana copied for a trade name. Dry ice burns like fire.
Revelation 16:8-9		8 And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. 9 And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory. v9: AND THEY REPENTED NOT: Eternal separation from God makes sense if the occupants of hell remain eternally unrepentant.The people know exactly what they are doing, they know who they are rebelling against, they know there are consequences and yet, they persist in their actions. They don't repent of evil, they double down.
Revelation 16:10-11		10 And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, 11 And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds. v11: BLASPHEMED THE GOD OF HEAVEN BECAUSE OF THEIR PAINS AND THEIR SORES, AND REPENTED NOT OF THEIR DEEDS: Eternal separation from God makes sense if the occupants of hell remain eternally unrepentant.The people know exactly what they are doing, they know who they are rebelling against, they know there are consequences and yet, they persist in their actions. They don't repent of evil, they double down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 17	GH: GPPI verse	Woman is not Catholicism or Islam. Is Baal worship at its pinnacle. Can see it in the O.T., from how the people dressed to what they did. The normal worship time for Baal was morning till noon. MM jokes and we better be out at noon or the others will beat us to the cafeteria. MM says you can't find Baal worship today but when it does come, he knows exactly when they will meet.
Revelation 17	GH: IPF verse	v1-18:24: Return for details where we return not just to the end of the great tribulation, but we are taken further back in chapter 17 and given the historical account of things that pertain to the "mother of harlots" which will come into view when the action catches back up to the end of the "great tribulation." Return for details on the vials. v18: THAT GREAT CITY: Jerusalem.
Revelation 17:3-10		v3: SEVEN HEADS v7: BEASTS MM used to teach Nimrod, Egypt, Assyria, Babylon, Greece, Roman Empire - but it ran off the rails when the kingdom of the anti-christ was going to be the revived Roman empire. Then people revised and published their books, replacing revived Roman empire with the European Union. Every generation sees something they think kicks things off, but God doesn't need anything to do that. Took the letters in Henry Kissenger's name that have numerical values, added them up and it came to 666. If people knew what was happening they wouldn't be trying to pin those things (GH: Hitler is the anti-christ) on the timeline. MM says it is not 7 beasts it is one BEAST with 7 heads (HEADS OF THE HOUSE- Chronicles 5:23-26). Can't make Assyria, Babylon, Greece, & Roman Empire beasts because they would all be different beasts and not 1 BEAST. v10: THERE ARE SEVEN KINGS: The SEVEN HEADS-v3 are SEVEN KINGS.
Revelation 17:3-10		v10: FIVE ARE FALLEN: The Assyrian Beast and the 5 kings that have come against the nation of Israel: 1. Tiglathpleser - 1 Kings 15; 1 Chronicles 5; Hosea 5 2. Shalmanaser: 2 Kings 17, 18: Hosea 10 3. Sargon: 2 Kings 17; Isaiah 20 4. Senneherib: 1 Kings 18-20; 2 Chronicles 32; Isaiah 36-38 5. Escaraddon: 2 Kings 19; 2 Chronicles 33; Ezra 4; Isaiah 37 v10: ONE IS: That's No. 6. Daniel 11 calls him KING OF THE NORTH (King of Assyria) [GH: King of the south is Egypt] an there's a contention over the land area of Israel. MM says the prophets say the man of sin will show up out here, he is called the Assyrian.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 17:3-10		v10: THE OTHER IS NOT YET COME: No. 7 - also a KING OF THE NORTH. See Daniel 11:20. v10: HE MUST CONTINUE A SHORT SPACE: MM tying to WITHIN A FEW DAYS-Daniel 11:20. HE IS THE EIGHTH, AND IS OF THE SEVEN: MM says No. 8 is the anti-christ or what Paul calls THE MAN OF SIN-2 Thessalonians 2:3. He is the one that this has all been working toward. But the BEAST only has 7 heads. And he is OF THE SEVEN, so he has been here before. He is going to ascend out of the bottomless pit, he is going to be allowed to come back. MM says it is Sennacherib. After he took the northern kingdom he came against Judah and the prophecy says he was going to be successful against them. He wasn't successful but there was a boast that was made about everybody thinks their god is going to deliver them but they don't. Shows the testimony that Israel was supposed to make didn't happen. This was an insult to God because Israel was supposed to be operating in the land as the LIGHT of the wrold and the nations were supposed to look at them by their statutes and judgments and their observation of them and say there is no God like Israel's God. Instead, God said My Name is blasphemed among the Gentiles. That's why he is going to come back. There's something that happens when the anti-christ and those 10 kings come to power that for the first time there is going to be this issue that has always been true about human government that is no longer true out in the day of wrath. You get a picture of how things can fall apart if Satan gets his way with that.
Revelation 18:1	GH: WoD Teaching	1 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. Describes how Babylon the great has fallen. There are people in there but there's something else that he's destroying in that city that is actually underneath this (GH: PRIDE OF LIFE) heading of those different WORKS OF DARKNESS.
Revelation 19-20		(Ch 19) Armageddon -> (Ch 20) Millenial Kingdom/1,000 years or rod and iron (a wedge to force people on one side or another) -> the last great battle -> the great white throne Revelation 19 vs. Revelation 20: Revelation 19: - Armageddon - Human and Cosmic (Satan's army) - MOUNTAINS OF ISRAEL: the whole land, doesn't refer to just Judah Revelation 20: - Great white throne judgment - Human - MOUNTAINS OF ISRAEL: just talking about Jerusalem

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 19		Ch 19 describing **the Second Advent where Jesus returns to execute 'the Battle of Armageddon' or 'the great and terrible Day of the Lord'**. When John sees Jesus sitting on a white horse/vesture dipped in blood/etc. and ready to come back to earth for the Armageddon campaign. But He just finished the battle that goes on in heaven, where He is clearing out Satan's minions from their positions of rulership in the heavenly places and then we get installed (GH: in those vacant positions) as that army moves across the heavens. As they are driven out, more members of the body of Christ get put into place. GH: Clearing out the heavens starts at the midway point of Daniel's 70th week. It will take 3.5 years/42 months to clear out the heavenly places. This is not God snapping His Fingers, this is a real battle taking place in real-time. MM says when you understand how big the heavens are, that's a rout, they are not holding on. Some people will have been installed and doing work for 3.5 years when this battle is over. You will have already been doing work. GH: After Jesus and the good angels clean up the heavens, Jesus headed to the earth for the Armageddon campaign. Then is the Millennium/1,000 year reign. During this time, He is in Jerusalem sitting on the Throne of David on this earth. He must reign until He puts down all the things that oppose God. At the end of the Millennium, after the last great battle where the final enemy of death is destroyed will He then turn the kingdom over to His Father. When He turns the kingdom over to His Father, then He goes back to the heavenly places to be the Head of the body (of Christ).
Revelation 19	GH: IPF verse	v1-21: See the event that commences the actual coming of the Lord at the 2nd Advent. This is about the “great and terrible day of the Lord."
Revelation 19:6-9	GH: SIIP Verse	v9: MARRIAGE SUPPER OF THE LAMB: Happens with the believing remnant the 5 days after the Armageddon campaign.
Revelation 19:6		6 And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth. OMNIPOTENT: Only place in your Bible this word is used. The limitless, infinite Power that God possesses is talked about in other places.
Revelation 19:11-21	Timeline : Armageddon	Jesus at an event we call Armageddon.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 19:11-12	Timeline : Armageddon	11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. 12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself. This is a picture of Armmegeddon when the Lord is coming. v11: WHITE HORSE: Jesus is the Rider. v11: HORSE: MM says there are horses in Heaven and that's the reason why we have horses here, but that is another story v11: FAITHFUL AND TRUE: Notice the capital F and capital T - that's a personification of those terms. Means this Rider is the personification of Faith and Truth. v11: IN RIGHTEOUSNESS HE DOTH JUDGE AND MAKE WAR: MM says if He isn't just, He can't do this in RIGHTEOUSNESS.
Revelation 19:13-14	Timeline : Armageddon	13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God. 14 And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. v13: A VESTURE DIPPED IN BLOOD: About Him coming back to avenge His enemies in the great and terrible day of the Lord. v13: VESTURE DIPPED IN BLOOD: It is from trampling out the vintage from where the grapes of wrath are stored. Remember Battle Hymn of the Republic lyrics? This is really a song that comes out of the scripture about the Second Advent at a battle in which the blood flows up to the horse bridles and as the Lord rides that horse through the blood river His garment gets stained with the blood of His enemies. MM says so much for that meek child born in a stable that everyone loves to talk about. The Bible says when He comes back, He is a Man of War. His garment is dipped in the blood of His enemies. MM is not trying to be gross about it, but you have to understand that this is a war. People need to figure what side they are on because if you end up on the wrong side it is not looking good. v13: THE WORD OF GOD: Notice the caps. Word (Jesus) vs. word (Bible)
Revelation 19:13-14	Timeline : Armageddon	13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God. 14 And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. v14: LINEN: Linen is made from flax. Flax plant is converted into a thread that is used to make clothing. MM says he has a pair of linen pants and hopes there's a dry cleaner in heaven because those dudes really wrinkle up. v14: You have these armies of angelic beings coming back in fine linen. God is not just saying let's get you a garment. SNAP. Let's make it linen. SNAP. Let's make it white. SNAP. Let's make it clean. SNAP. There are agricultural working angels in heaven just like there are soldier angels in heaven. There are valleys and mountains and plains in heaven. Fields of grain there and those that are working them. It was like that up there before this (GH: earth) ever was. Not every angel is a soldier. There is industry going on up there. There are processes that the angels are involved in up there. The earth is made after the patterns of the heavenly. The reason God made the earth the way it is is because God patterned it when He created it after those things He made in the third heaven.

Revelation 19:15	Timeline : Armageddon	15 And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. Everyone of these phrases are full of meaning. OUT OF HIS MOUTH GOETH A SHARP SWORD: Happening at Armageddon. HE TREADETH THE WINEPRESS OF THE FIERCENESS AND WRATH OF ALMIGHTY GOD: God is not just doing grapes, it is the WRATH of God. He is putting people in that WINEPRESS and now He treading out that WINEPRESS. WINEPRESS: Is a vat with grapes and guys get in with the bare feet, pull their garments up and tread the winepress. And there are little holes for the juice to run out into a single collection spot to collect the grape juice. MM jokes in Imperial, would have as much sand as grape juice. In your Bible, grapes are a picture of blood.
Revelation 19:16	Timeline : Armageddon / GH: PoA verse	16 And he hath on his vesture and on his thigh a name written, King Of Kings, And Lord Of Lords. When the Lord returns at the culmination of His program with Israel to put down His enemies and set up His kingdom, that He has His name, His position of authority, written on Him for all to see. NAME WRITTEN, KING OF KINGS, AND LORD OF LORDS: This name is not the appellative by which He is called, Jesus. This is His position or rank as it applies to earthly rule. GH: Jesus NAME above all NAMES. KING OF KINGS: Jesus's Title when He shows up. NAME: Used more than 1 way in the Bible. Sometimes it is an appellative by which we are known - Michael. Can also be a position on which MM will make decisions on behalf of the Lord Jesus and glorify my heavenly Father. This is his rank. OED – name: A title of noble or ecclesiastical rank. 1548 – Hall's Vnion: Henry V f. lxxvv Deprived of all honores, names, dignities and preheminences whiche he then had. 1563 – N. WINȝET Certain Tractates (1888) I. 91 God appropriatis in His scriptir the samin names to His reularis..calling thame godis, kingis, lordis..&c.
Revelation 19:17	Timeline : Armageddon / First Heaven	17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God; SUPPER: Serving His enemies up as a sacrificial banquet.
Revelation 19:18	Timeline : Armageddon	18 That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great. The armies of the earth know who is coming and they are actually going to gather together and fight against the Lord Jesus Christ and His heavenly army. What is amazing is they actually think they can win this.

Revelation 19:20-21	Timeline : Armageddon	20 And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. 21 And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh. v20: The anti-Christ and false prophet are both thrown into the LAKE OF FIRE. v20: BEAST: The antichrist. v20: See the BEAST/Antichrist and the false prophet thrown into the lake of fire. GH: More Amrageddon. v21: They are dying because of something about His mouth, about Him speaking. v21: FOWLS WERE FILLED WITH THEIR FLESH: Birds filled with the carcuses of God's enemies.
Revelation 20	The Last Great Battle	Description of the last great battle. Read about Gog and Magog being used by Satan at the end of the Millenium at the last great battle.
Revelation 20	GH: IPF verse	v1-3: Return for details concerning the 2nd Advent and concerning the final destruction of the plan of evil and the casting of Satan into the lake of fire. v4-14: See the final foundational section where we see the fulfillment of God’s plan and purpose with Israel on this earth and with the earth as a whole. The kingdom is established and everything is set for the final two mandates of the Davidic Covenant to get under way as Israel’s Messiah begins to function as her “King” and “Blesser.” The Millennial kingdom is the subject matter.
Revelation 20:1-4		1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. 2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season. 4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. Ch 20 begins with Satan being thrown into the bottomless pit. On the timeline, you have the Lord coming back, the battle of Armageddon, the anti-Christ and false prophet are thrown into the lake of fire (Ch19), then Satan is now thrown into the bottomless pit for a 1,000 years. That's is the Millenium. Satan was not thrown into the lake of fire here because there is a purpose, something else that has to be done. v2: A THOUSAND YEARS: Refers to the 1,000 year millenial kingdom. v3: HE MUST BE LOOSED A LITTLE SEASON: At the end of the Millennium.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 20:1-3		1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. 2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season. Final blow to Satan - Cast him in a specialized area of hell called the bottomless pit. More about the destruction of the plan and policy of evil. When Satan is loosed out of the bottomless pit that's the very thing he is trying to do as a last ditch effort, to get some kind of hold back on the heavens and the earth. Bible tells you he learns that in the pit and who he learns it from. You won't believe it. v2: A THOUSAND YEARS: This is the thousand years of the Millenium. v3: AND SHUT HIM UP: This is the first part of Isaiah 14-THOU SHALT BE BROUGHT DOWN TO HELL TO THE SIDES OF THE PIT. v3: SET A SEAL UPON HIM, THAT HE SHOULD DECEIVE THE NATIONS NO MORE: He is not going to deceive the nations anymore until/TILL - that's the next word....THE THOUSAND YEARS SHOULD BE FULFILLED.
Revelation 20:1-3		1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. 2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season. v3: Notice that at the end of the thousand years, Satan will be loosed for a short period of time. But there is the banishment of the sufferings caused by Satan and his plan of evil and his policy of evil, at the great and terrible day of the Lord and especially in connection with the establishment of the kingdom. There's someone in the bottomless pit that is going to be let out and the Antichrist is going to learn from them how to do that (GH: Build a tower to Heaven like Genesis 11?). The beast and the false prophet are thrown in the lake of fire and Satan thrown in the bottomless pit. When Satan comes out of the bottomless pit, he is rounding up all the rebels in the world and he is going to try to transverse back into the heavens from the earth. Because if he can do that, there's something that he can do to hold onto his possession of heaven and earth. Happens when he is let out of that pit.
Revelation 20:4		4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. Resurrection of those who lived under the law of Moses and those who will live during the resumption of Israel's program including Daniel's 70th week. I SAW THE SOULS OF THEM THAT WERE BEHEADED FOR THE WITNESS OF JESUS: AND THEY LIVED AND REIGNED WITH CHRIST A THOUSAND YEARS: This requires a resurrection because they were BEHEADED.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 20:6		6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. Implies there was an old creature. GH: verse? PRIESTS OF GOD AND OF CHRIST: Completion of KINGDOM OF PRIESTS-Exodus 19:6. This is the remnant and the Millenial reign of Jesus Christ out in the kingdom. That's Israel's program. Phrase does not suggest a fully functioning body.
Revelation 20:7		7 And when the thousand years are expired, Satan shall be loosed out of his prison, WHEN THE THOUSAND YEARS ARE EXPIRED: There's the end of the Millenial Kingdom.
Revelation 20:8		8 And shall go out to deceive the nations which are in the four quarters of the earth, Gog, and Magog, to gather them together to battle: the number of whom is as the sand of the sea. THE NATIONS WHICH ARE IN THE FOUR QUARTERS OF THE EARTH, GOG AND MAGOG
Revelation 20:9	Timeline : The Last Great Battle	9 And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them. THE BELOVED CITY: Jerusalem Timeline: The Last Great Battle, after the Kingdom. FIRE CAME DOWN FROM HEAVEN AND DEVOURED THEM: The last great battle. It's like they have these big plans, we've got this massive army, Jesus is sitting on the Throne of David in Jerusalem, we're all going to come and get around Him and overthrow Him and just when they all gather together in one spot, God calls down fire from Heaven and BBQs them all. Last Great Battle: Last bit of housekeeping. GH: Not the battle of Armegeddon. The thousand years are up, Satan gets loosed, he is going to deceive the nations. They are going to come against Christ at Jerusalem. Fire is going to come down from God out of Heaven and devour them. We call it the last great battle.
Revelation 20:10		10 And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever. Now the devil is cast into the LAKE OF FIRE. WHERE THE BEAST AND THE FALSE PROPHET ARE: People say they got burned up instantly. MM says not so. Doesn't say where they were, says where they ARE. GH: Devil joins the beast and the false prophet in the lake of fire.
Revelation 20:10	Non-MBI	SC: Unholy Trinity 1. Devil 2. Beast 3. False Prophet

Revelation 20:11-15	Timeline : Great White Throne	11 And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. 12 And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. 13 And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. 14 And death and hell were cast into the lake of fire. This is the second death. 15 And whosoever was not found written in the book of life was cast into the lake of fire. Following the 1,000-year kingdom and the casting of Satan into the bottomless pit, next is the Great White Throne Judgment. The people resurrected up from hell are now being judged by their works as whether or not they are going to be saved, they are not going to be saved. That's why they are in hell. There are degrees of punishment in eternity and when they're judged according to their works, the degree of torment is being determined. v11-12 are the Great White Throne Judgment. But it is not the final execution of God's wrath. It's to be cast into the Lake of Fire. Most people think the Revelation of the righteous judgment of God is the Great White Throne Judgment - it is not - follows the Great White Throne.
Revelation 20:11-15	Timeline : Great White Throne	11 And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. 12 And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. 13 And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. 14 And death and hell were cast into the lake of fire. This is the second death. 15 And whosoever was not found written in the book of life was cast into the lake of fire. v11: GREAT WHITE THRONE: GH: Judgment? At the Great White Throne is that judgment where everyone who has died and everyone who is in hell will be called up before God, the books will be opened, they are going to be judged. The Great White Throne takes place after the 1,000 year reign of Christ, after the Second Advent, after He sits on the Throne for 1,000 years, after the last great battle. When all the dead are called up and judged and then sentenced for eternity into the lake of fire. v13: Death and hell delivered up the dead which were in them - dead suffering the day of wrath in hell. Lake of fire is the second death. Lasts forever for the unjustified. If justified, God is going to give you some glory. Paul's going to talk about it. However miserable it would be in the lake of fire, it is going to be counter-glorious out there in the Creature.

Separation from God in the lake of fire. The first death concerns our body (when you die physically), the second death concerns our soul and spirit are cast into the lake of fire in eternity. Again, this death does not mean to cease to exist, but it means separation from God in the lake of fire.
Revelation 21	GH: IPF verse	v1-22:5: Return for detail on the Millennial Kingdom.
Revelation 21:1-4	Timeline : New Heaven and New Earth	1 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. 2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband. 3 And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God. 4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. ANALOGY: Bride wearing white is not a statement about her, it's a statement about Him. The groom comes out first because he is the one that initiates it, gets it going, like God does. v1: HEAVEN AND NEW EARTH: The new heaven and the new earth were prophesied back in Isaiah and Ezekiel. GH: Ties to NEW HEAVENS AND NEW EARTH-Isaiah 65:17. v2: This is the city that Abraham said he was looking for in HE LOOKED FOR A CITY WHICH HATH FOUNDATIONS, WHOSE BUILDER AND MAKER IS GOD-Hebrews 11:10. Right now, it is up in the third heaven but it is going to come down to this earth and be that NEW JERUSALEM. v4: Talked about in Isaiah 25 - fulfillment of Isaiah 25. All of this gets done away with. GH: End of the SOPT? v4: FOR THE FORMER THINGS ARE PASSED AWAY: Ties to REMEMBER YE NOT THE FORMER THINGS-Isaiah 43:18. v4: FORMER THINGS: That brought tears and death and sorrow and pain and crying (Rev. 21:4) are the two categories of sufferings. And they are going to be destroyed on day when Israel’s program is fulfilled.

Revelation 21:1-12	Timeline : New Heaven and New Earth	Opens up with the creation of the New Heaven and the New Earth. Why MM used to say there was the battle of Armageddon(Ch19)->1,000 year kingdom(Ch19)->great white throne(Ch20)->a new heaven and a new earth(Ch21). Thought it was a chronologiccal set of events. The new heaven and the new earth happen after the battle of Armageddon and the Lord sets up His Kingdom, now you have a new heaven and a new earth right at the start of the Kingdom. What MM didn't really realize is that what God is doing when He gets to that. He is coming back and filling in details now that He has run all the way through it. MM knows this because when you go back and look at the OT prophets that talk about these things, they show you when that happened that way. Chapter 21 is a “RFD” or a “return for detail.” By the time John talks about it in Revelation, you realize what he is doing, he's just circling back around to fill in details.
Revelation 21:1-4	Timeline : New Heaven and New Earth	1 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. 2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband. 3 And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God. 4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. That city is going to come down out of Heaven and sit on the foundations that the Spirit of God laid in Genesis 1:2 and Abraham was looking for in Hebrews 11:10. On the second Sabbath, the holy city is coming down out of the third heaven. It's going to sit right on that piece of real estate and God is going to dwell among His people. Find in the O.T., the foundations for the Lord's house were already laid in that first week GH: Gen 1:2, Ps 104:3, Hb 11:10). Once the second Sabbath, occurs, it's too late. Once the Lord is here, game over. MM correcting Bible college learnings. Israel, wife of the Lord. God still has a plan and purpose for Israel. Culmination of the fifth cycle of judgment when God is going to bring everything full circle around. GH: See what the Spirit is doing by looking at Genesis 1:2, Psalm 104:1-3, Hebrews 11:10, and Revelation 21:1-4.

Revelation 21:1-4	Timeline : New Heaven and New Earth	1 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. 2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband. 3 And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God. 4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. What God is going to do at the end when all this thing is going to be put back together where it's going to be the New Jersusalem is going to come down and God is going to take up His residence in there. He has to save the remnant out of the Day of Wrath or none of that's going to be able to happen because He is going to use them to do it. If He doesn't save them, He has lost His original plan and purpose for the earth. v2: Get details starting in v2. v2: The “bride of Christ” is not the church, but it is a city; the New Jerusalem! Also, the Bible never uses the term “bride of Christ.” It does talk about the city being prepared as bride and as “the Lamb’s wife.” v4: Promise that God gives to Israel. Compare to Isaiah 25:8.
Revelation 21:4		4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. People know God is going to wipe away sorrow and tears and death. But your apostle didn't tell you this. We know Revelation is not to the body of Christ but to Israel and the culmination of that program. Written very much to the people who are on the earth, we still think that that is true for us as members of the body of Christ. We think that because we are all part of the Kingdom of God. There are some things that we take to be true throughout the kingdom. What God is doing here is He is comforting His creatures on earth by taking away death, sorrow, and crying. Because that sets a pattern, we also believe that he will do this with the body of Christ. MM says you have to be careful with this reasoning because there is a very small margin for error.
Revelation 21:7		7 He that overcometh shall inherit all things; and I will be his God, and he shall be my son.

Revelation 21:8	GH: WoD Teaching	8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. All the activities that that group of the wicked, THE WORKERS OF INIQUITY-Psalm 14:4 are going to be involved in over there (GH: in resumption of Israel's program) and they are going to bring this all to a crescendo. And God says they are going to have their part in the lake of fire. That is what's waiting for them. But before that, they'll have the Day of Wrath where I WILL pour my anger out without mixture-Revelation 14:10. The hatred that the Lord has for them is because of this issue, nothing else. He doesn't hate them because of their social status or their politics or their views on education or because of their income. He hates them because they are diametrically opposed to what God is doing in this world. And they are doing everything they can to help Satan hold on to what is happening. MURDERERS: Not just MURDERERS in general. He is talking about the killing of the believing remnant. WHOREMONGERS: MM says it has something to do with the Baal worship that is going to come back up GH: during the resumption of Israel's program.
Revelation 21:8	GH: WoD Teaching	8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. AND ALL LIARS: MM says what people quote when they think someone isn't telling the truth. They may say it jokingly - 'Well you know where liars go?' This is talking about the ones who are stoking the fires of ungodliness, who have publically pronounced themselves to be opposed to God, who have gone on record as being opposed to His word, who are promoting the extreme ungodliness of Satan's POE and align themselves with him. They have not done this by accident, they do not do it unknowingly but they do it knowingly. These are the ones that love and make a lie. Those are the LIARS who will spend GH: eternity in the lake of fire. If you don't understand what this means, you think well if you tell a lie you are going to hell.
Revelation 21:9		9 And there came unto me one of the seven angels which had the seven vials full of the seven last plagues, and talked with me, saying, Come hither, I will shew thee the bride, the Lamb's wife. MM correcting Bible college learnings. Church, bride of Christ, is incorrect. This has nothing to do with Gentiles. THE SEVEN LAST PLAGUES: Talking about the Day of Wrath/Tribulation. I WILL SHEW THEE THE BRIDE, THE LAMB'S WIFE: The phrase BRIDE OF CHRIST is not in the Bible. We are NOT the bride of Christ.
Revelation 21:10-27		v10-27: Describes the LAMB'S WIFE.
Revelation 21:10		10 And he carried me away in the spirit to a great and high mountain, and shewed me that great city, the holy Jerusalem, descending out of heaven from God, SHEWED ME THAT GREAT CITY, THE HOLY JERUSALEM, DESCENDING OUT OF HEAVEN FROM GOD: MM says the bride is the NEW JERUSALEM.
Revelation 21:11		11 Having the glory of God: and her light was like unto a stone most precious, even like a jasper stone, clear as crystal; HER LIGHT: GH: New Jerusalem's light in the city from God.

Revelation 21:14		14 And the wall of the city had twelve foundations, and in them the names of the twelve apostles of the Lamb. TWELVE FOUNDATIONS
Revelation 21:18		18 And the building of the wall of it was of jasper: and the city was pure gold, like unto clear glass. LIKE UNTO CLEAR GLASS: The light doesn't get blocked off.
Revelation 21:19-20		19 And the foundations of the wall of the city were garnished with all manner of precious stones. The first foundation was jasper; the second, sapphire; the third, a chalcedony; the fourth, an emerald; 20 The fifth, sardonyx; the sixth, sardius; the seventh, chrysolyte; the eighth, beryl; the ninth, a topaz; the tenth, a chrysoprasus; the eleventh, a jacinth; the twelfth, an amethyst. 12 precious stones represent the 12 foundations. People say 'streets of gold (Rev 21:18) and gates of pearl (Rev 21:21)'. It's true the New Jerusalem is in Heaven now, one day will be on this earth. Not an adequate description of Heaven because you are just describing the city. More to Heaven than just this city.
Revelation 21:19-20	Non-MBI	DP: The 12 precious stones that John saw in the new Jerusalem are all anisotropic: 1. Jasper (Quartz) 2. Sapphire 3. Chalcedony 4. Emerald 5. Sardonyx 6. Sardius (Carnelian) 7. Chrysolyte (Peridot)
Revelation 21:19-20	Non-MBI	8. Beryl (Aquamarine) 9. Topaz 10. Chrysoprasus 11. Jacinth (Zircon) 12. Amethyst These are the new Jerusalem materials. This laser light test first discovered in the 1960s/1970s. How could have John known? No way he could have known, unless God who made them revealed it to Jesus who revealed it to the Holy Spirit who revealed it to the angel who revealed it to John. This is Pawson's proof that this Book is the word of God because only God knew this 2,000 years ago. Amazing to see science catch up with the Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 21:23		23 And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof. In the kingdom, there's a light that will be shone forth from the lamb. Light by the GLORY OF GOD and THE LAMB. Doesn't mean the sun and moon have been done away with. The rest of the world will need the sun and the moon. THE LAMB IS THE LIGHT THEREOF Two things there. Can you imagine the light show that will come out of that city? This whole thing is light. The light will reflect and refract all throughout creation.
Revelation 21:25		25 And the gates of it shall not be shut at all by day: for there shall be no night there. There's not going to be any night over there.
Revelation 22	GH: IPF verse	v1-2: There's a throne that is set up and a river runs out of that throne and out of that temple. It runs along in a certain direction and along that river are trees that have leaves for healing of the nations. The Jews will come and gather the leaves off of these trees and carry them to the Gentile nations that they have dominion over and they will distribute the leaves that bring healing to the Gentile people themselves. The Gentiles don't come in and pick it. The Gentiles don't come in and request it. This is their ministry in the kingdom, to minister blessings to the Gentiles. If anyone says they are not going to submit to Israel and they are going to go directly to the Lord, they will get vetoed. All of this happens through the agency of Israel. In the DOGG, we get all things, not through the agency of Israel, but apart of Israel. We are not going through Israel for one single thing. That's the difference between today's age and the age to come/IPF. v6-21: The conclusion. Similar to the introduction but not a repeat. He is reminding them of some things. v6-7: What the Book is about. All that they have seen.
Revelation 22	GH: IPF verse	v8-15: The audience is given some instructions. v12: They won't get those rewards then (in the Day of Wrath), but He will bring His reward with Him at the establishment of the Kingdom. He is bringing that reward with Him when He comes. v16-21: The glory of the doctrine that they have seen.
Revelation 22:5		5 And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever. FOR THE LORD GIVETH THEM LIGHT

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Revelation 22:10-11		10 And he saith unto me, Seal not the sayings of the prophecy of this book: for the time is at hand. 11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. Don't worry about those who are filthy in the world and then become more filthy. But mind your own business. You cry for more holiness. Holiness: Doing the Will of God, everyday reading the Bible, asking God what should I do today, what is your promise, what is your command, etc. HE THAT IS UNJUST, LET HIM BE UNJUST STILL: AND HE WHICH IS FILTHY, LET HIM BE FILTHY STILL: There is something else about this idea of the lost being unrepentant and it has to do with their attitude toward God and perhaps toward being in hell or the lake of fire. The scripture does not tell us that any of the occupants of hell will be repentant.
Revelation 22:14		14 Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. HAVE RIGHT TO THE TREE OF LIFE: Part of Israel's program. Their bodies will be different from our glorified bodies.
Revelation 22:15	GH: WoD Teaching	15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie. WHOSOEVER LOVETH AND MAKETH A LIE: This is the LIE talked about in Psalm 119:104/128/163.

Commentary	Bare Bones Lite : Defending Two Inheritances	Objections to 2 inheritances and conditional joint-heir inheritance: Objection #1: A reward and an inheritance are two different things - Answer: Examine the grammar of Colossians 3:24. Objection #2: Making the Joint-Heir inheritance dependent upon our works inserts legalism into grace. - Answer: Examine Ephesians 2:10, I Thessalonians 5:24; Philippians 2:13 and Galatians 2:20. Objection #3: The Bible never uses the plural word “inheritances” so the idea there are two of them is invalid. - Answer: There are a number of words in the Bible where only the singular is used even though there is more than one. EX There is more than one gospel in your Bible, yet the word “gospels” never appears in our Bible. There is more than one occasion of resurrection, yet the word only appears in the singular.
Commentary	Bare Bones Lite : Defending Two Inheritances	Gospel of the Kingdom: Jesus is the prophecized Messiah. Given to Israel during their program. Gospel of the Grace of God or Christ: Jesus in His DBR did everything needed to justify a sinner. Objection #4: To divide the body of Christ at the judgment seat of Christ into these two groups (heirs of God; joint-heirs with Christ) is a display of haughtiness of mind, which Paul warns us against in 2 Cor. 10:12. - Answer: First, the use of 2 Cor. 10:12 is completely off-topic. As for the judgment seat of Christ, where does it say that every saint will receive the same reward? Excuses God of haughtiness. We cannot appeal to Colossians 2:10 (“we are complete in Him”) for this is a statement of our POSITION IN CHRIST and not a description of our PRACTICE. The judgment seat of Christ is not judging our positional status in Christ; it is a judgment of our conduct (sanctification/or lack thereof).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : Defending Two Inheritances	- To confuse these two (position and practice) is to drag elements of our sanctification (practice) back into justification (position)! - 2 Corinthians 5:10; 1 Corinthians 3:13-15 Objection #5: The phrase IF SO BE in the Bible is always used to promote a continuance of logic rather than a condition. - Answer: This is provably false. EX: Matthew 18:13 is conditional. Romans 8:9 is conditional (but this verse was misunderstood by the one who was making the point, therefore it did not "seem" to be conditional due to his lack of understanding.) If these are conditional, then Romans 8:17 cannot be ruled out as conditional based on the premise that the Bible never uses "if so be" as a condition. Plus, as we demonstrated last week, the OED defined the term as "conditional."
Commentary	Bare Bones Lite : Defending Two Inheritances	Objection #6: To say that not everyone will receive the J-H inheritance is to "condemn" members/a form of condemnation of the body of Christ, contrary to scripture. Either in Adam or in Christ. Romans 8:1 - Argument: You are either in Adam or in Christ. - Answer: The proof-text of Romans 8:1 has been misapplied - doesn't deal with justification but sanctification. The "condemnation" is not about our justification or our positional standing in Christ, it is about our sanctification and our functional life. Objection #7: Romans 8 is not conditional in any part. - Answer: Romans 8:9 is a statement of condition. Objection #8: Anyone who is a "fellowheir" in the body of Christ is also a joint-heir with Christ simply by being a member of Christ's body. - ANSWER: Using Ephesians 3:6 is based on an erroneous understanding of the verse being used. 1. FELLOWHEIRS: is not a reference to Jew and Gentile in the same body, which is what is being said by the objector. Not a reference to the body of Christ. Fellow-heirs is not a term that is encompassing Israel and the things they were promised and the body of Christ and things we were promised. 2. This is a reference to Israel having an inheritance in their program. They also have an inheritance that is waiting for them. They have this as part of the nation on the earth. They are fellow-heirs with us but not part of the body of Christ.
Commentary	Bare Bones Lite : Defending Two Inheritances	Objection #9: The mystery is not in any way part of Romans 8 contextually, and therefore has no connection to the suffering of Romans 8:17. - ANSWER: "The mystery" is not formally cited until Romans 16:25. "Not only does the word mystery appear nowhere within the context of Romans 8 but individual unique suffering is not even what the passage is speaking about in general." This is all being pulled back in to our justification again by making the suffering about our "in Christ" position, but this is easily answered; there is no such thing in the Bible as "positional suffering." No such thing as POSITIONAL suffering. You don't suffer positionally in Christ. Objection #10: All believers are heirs of God who inherit all things because Christ inherits all things. - Answer: The confusion comes from assuming that the sanctification "Christ in us" issue is as automatic as the "us in Christ" justification issue.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	**NOTE: This section contains notes from two different sessions taught at two different times. The POINT descriptions vary by session.** The Image of God POINT #1: God is eternally existent. - Bible never defends the existence of God. Because He is eternally existent, that's what makes Him God. God had no beginning. Bible uses terms like everlasting to everlasting. If He had a beginning, then He wouldn't be God. POINT #2: God is sufficient and complete in, and of, Himself. - God doesn't need anything. Didn't create man because He was lonely. He didn't put it altogether because He needed fellowship. There was nothing about God that necessitated a creation or creatures of any kind - Spirit world = angelic realm, animal kingdom, humankind. There was nothing that demanded that God make this kind of creation. In nutshell, God created everything that He created for His glory. God created because He wanted to. It pleased God in everything He created (including Lucifer). MM is not charging God with evil when he says that. Everything that was done was in perfect accordance with God's will and His good pleasure. There was nothing that was contrary to that.
Commentary	Bare Bones Lite : The Image of God	POINT #3: Everything God created has Purpose/Function - MM says this is absolutely true. Your function kind of informs your purpose. It tells you why God made you. Everyone's purpose in this world is directly tied to the image of God. It answers these great existential questions. Philosophers ask who am I and why am I here? Men have always wondered is there a purpose for me being here or is this just a random thing that has no meaning whatsoever. MM says if evolution is true and special creation did not happen, then there is no reason we are here. We are just a happy accident. MM says when a society turns secular and away from God, and just wants to see science. Most of the science says we are nothing more than the result of evolution - time and chance. There is no design here, no overarching purpose. It just happened. If true that here's the answer to the two question. Who are you? Nobody. Why are you here? It doesn't matter. There is no reason to be here, you just happened to be in the way. If that is the way you live life, that's a terrible way to live. MM says there is a purpose for you being here and it is the purpose of purposes. Says he has never heard anyone call the Image of God that before but we always talk about King of Kings and Lord of Lords. This is what happens when you push God out and just turn to your science. In a secular society, the therapists tell you how wonderful you are and how important you are and how much your life has meaning and what a valuable human being you are. Then you go from therapy session to science class and prove you are nothing more than an animal that just happen to show up by accident. MM says it is funny that you have a bunch of people screaming for rights, we want our rights and protections. MM asks on what basis do you deserve those rights? Because if you are just a happy accident, you aren't intrinsically more than a chimp or grain of sand on the beach. You just happened to show up. So on what basis do you deserve these rights?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	POINT #3 (cont'd): Professor at Cornell University looked at the idea of where did the idea of human rights come from and in his research, he discovered that in this western culture, human rights came from biblical principles entering into the European justice system and all of its cultural forms. That all men were made in the image of God and that's what made them worthy of those rights. When someone says our rights are being trampled on, MM asks on what basis do you have those rights? MM explaining Ecclesiastes. If we're all just a bunch of evolved animals and if you don't believe in God then you have to believe we are a product of evolution, it wouldn't be wrong for someone to come along and find you and put you in a zoo. People of every ilk would be up in arms over this. But if you are really nothing more than an animal, why are you so upset about that? What would be the difference? We did it to birds? We did it to fish? We did it to land animals? We're just doing it to another animal. The secularist gets upset that the rights of some group are being trampled and then goes off to the science class to prove that we're really nothing more than animals and a product of evolution. You understand if that is true, you have no basis for rights. Secularists want it both ways. We don't want God and we don't want anything to do with that but we want the rights that come from being made in His image. We are not here without a purpose. Your purpose is your DNA. It really is. Our purpose is exactly who we are. A person without purpose - MM says that's a terrible way to live. A person without purpose has no direction. God's purpose is meant to give you a peace in your heart and a fulfillment in your life. Everything God created was for His good pleasure. He wanted to do that and had a purpose with that. There is a special place we hold with Him as imagers. Because we are His image, a whole redemption has been planned for you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	POINT #3 (cont'd): Ignorance of our God-given purpose will result in 1 of 2 things: 1. Counterfeit purpose - work, achievement, wealth accumulation: It will either send us looking for our purpose somewhere else because it is in our DNA. It's so much a part of who we are, we are looking for something to invest ourselves in that gives us worth and dignity and purpose. That causes us to have some measure of respect and we're naturally gravitating towards that. That's not an accident. It's because you were designed with purpose in your DNA. So if you don't do the purpose that God created you for, you will naturally try to go find it somewhere else. You will find it in your work. People neglect everything in their life but their work because that's where they find their purpose. Or it's in their achievements, what I'm able to do. Philanthropists get buildings named after them because they donate huge sums of money or they involve themselves in some kind of work. Or let me accumulate great wealth so I can have comfort and I'm going to provide comfort for everybody and that's going to be my purpose. Or let me gather riches so we don't have to worry about some adversity coming along and putting us in a difficult situation. If you are ignorant of the purpose you were created for then the first thing that's going to do is to drive you to the counterfeit. MM says he is calling it that because these are all empty sacks. You can invest your life in them and spend your whole life working toward them but at the end when it's over, you won't really have anything. You can accumulate billions but at the end of your life, guess how much you are taking with you? None. But you are going to find a purpose. To men, some of these are well-intention and noble, MM gets that. But they're not what you were created to do. OR 2. Life is not worth living: You are ignorant of your God-given purpose and just don't know what it is or you are just not interested in that, you will either go find a purpose or you will determine that life is not worth living. Doesn't mean that everybody takes their life, there's plenty of that too, unfortunately. They don't care about life anymore. MM will show you the purpose of purposes, it is the reason that you are here and it is the greatest privilege that you will ever engage in.
Commentary	Bare Bones Lite : The Image of God	POINT #4: God created Man in His Image - MM says he was taught this wrong in Bible College and it really impacted his thinking (a big deal because he didn't see anybody else the way they were supposed to see them and he didn't see himself the way he was supposed to see himself). He tried to live for the Lord. It was close but not really it. POINT #5: To be Human, is to be the Image of God: - The key is found in the preposition IN - IN OUR IMAGE-Genesis 1:26. - Equally possessed by every male and every female (every person - all people; if you are human you are in the group) - Our distinction from all other earthly creatures - what distinguishes us from all other creatures - being God's imager (someone actively involved in the function of it - no longer just passive - now it's active) - Not said to be incremental or partial (you have it or you don't or not a little bit in God's Image or one person is not more in the image). Like being pregnant for a woman - you either are or aren't, no such thing as a little bit - Passed on generationally (Genesis 5:3; Genesis 9:6)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	Everything we are learning is bringing our function up to the level of our standing/status. If you sin, you still have a righteous standing before God. Because you are human, you are the image of God. Whether or not you function out of it is something else altogether. It does not change the fact that God looks at you as His image in this world. The real goal is to bring the function up to the status. People argue we lost the image but MM doesn't believe that because the Bible doesn't believe that. If you are a human you are in the image of God. It's more than just a job, it's in your DNA. POINT #6: The Image of God contains two major elements: - Reflection/Reflect God (God's image) to the creation - is no small thing. Fill the whole earth with a species that are nothing more then reflectors of Him and His Glory. Then, find out He is going to fill the heavenly places with them too. Mirror has no ability to reflect without an object. It needs an object. Whatever the mirror is reflecting doesn't originate with the mirror. Two things should be in your mind: 1. Being the image of God is a high, holy thing. But don't get a big head about it because you are just the reflection, not the original object. 2. It's a prvilege and honor but it is not about us, it's about Him. - Representation/Represent Him in the work that He has told us to do (GH: Genesis 9:6) NOTE: Image of God is a position of function. Being made in the Image of God is more important than anything else in creation. POINT #7: We reflect God by reflecting His glory and His character. NOTE: Image of God is a position of function. Being made in the Image of God is more important than anything else in creation.
Commentary	Bare Bones Lite : The Image of God	POINT #7: We reflect God by reflecting His glory and His character. 1. Glory: importance, praiseworthiness, value, significance, magnificence 2. Character: God is saying I WANT to fill my creation with those that reflect my glory and exhibit My character. I want to fill the universe with that. **Please see'Leviticus 17:11' commentary.** POINT #7: The Fall did not erase the image of God. - Genesis 9:6

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	Human capacities that you have that constitute you having such dignity and worth that you are deserving of rights - these are all brain functions. MM says this is how the image of God got taught to him. That God shared His attributes. These are called in the theological works communicable attributes. That God is intelligent and He gave man intelligence. They said we pray and never see animals praying. Monkeys will not sit down at a typewriter and write a Shakespearean play. Monkey will not invent a telephone. Monkeys will not develop an alphabet. The image of God is brain function: 1. Consciousness/Self-Awareness: You are not scum floating on the top of the water with no real self-concept. 2. Sentient: The ability to reason on our own. 3. Intelligence/Rationality 4. Conscience/Morality/Moral Choices: On morality, not just talking about issues of right and wrong but issues of what is appropriate and what is not. 5. Communication 6. Preferences: To discern 7. Emotion 8. Free Will: Because we are given things to be like Him, we have to be given free will. When the Calvinist deny man has free will, then they are saying what God designed man to be he can never be. Because in order to be that, they have to possess free will. The image of God is in your DNA. If you are human, you are in the image of God.
Commentary	Bare Bones Lite : The Image of God	God gave us these communicable attributes. He has some that are not communicable: - He is righteous in and of Himself - Omniscient - Omnipresent - Omnipotent God cannot make another God exactly like Him because the very fact that God would be created would disqualify Him. These are what make us worth something as people. Look at some issues: 1. Abortion: When a women is carrying a baby, it doesn't have human capacities. If this is the way you measure, you could abort because they don't qualify for rights. 2. Senile: When someone gets old and they lose their mental faculties, they've lost their memories and they can't reason anymore, then they no longer qualify for rights and protections. 3. Mental Capacity: No longer qualify for rights and protections. 4. Injured (Coma): You don't have any of the list above.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	MM says if the Human capacities are the image of God then all of the people listed above are in trouble. There are people who say if you are in this condition, you have lost the image of God. MM says this is not taught in your Bible. The image of God is in your DNA. If you are human, you are in the image of God. That's all it takes. If God has another creature that He has designed to be something then all it has to do it be that creature. MM using abortion as an example. Once a woman has conceived and a zygote (cell that is formed when a female egg has been fertilized - it's just a single cell) has been produced, this is the first stage and when you get to here, you are officially pregnant. What is in there is 100% of the DNA of the male and the female. MM reading: The zygote genome is a combination of DNA from both partners and it contains all the genetic information necessary to form a new individual organism in that single cell. In multicelluar organisms, the zygote is the earliest and first developmental stage. That single cell begins to split itself in half and then the halves split themselves, etc. These cells will move down the falliopian tube and when it gets into the uterus, this cell will attach itself to the uterine wall. Then it will keep growing. All of the DNA is already there. This cell is not praying, it doesn't have conscience and morality, it doesn't have measurable intelligence. But it does have all the DNA that makes it human. It has 100% of that. By the time the zygote attaches itself to the uterine wall, it may be divided into 6 cells. It doesn't have any of the 7 things above. MM is not criticizing the zygote, he it criticizing the theology that wrongly identifies the image of God and criticizing the society that denies the image of God. Point: If you think killing someone else is wrong because human life is sacred, it is because we are in the image of God. That is what makes human life sacred. If you think any of the 7 things above are the image of God, you just made a big pro-choice argument for abortion. Even a new born baby doesn't have any of these 7 things. The baby in the mother's womb deserves the same rights and protections of a new born because it was made in the image of God. Animals have emotions and intelligence. STUDY: Toddlers and chickens and found chickens were smarter.
Commentary	Bare Bones Lite : The Image of God	POINT #8: As Imagers of God, we have Value to God - Human life is sacred - Human life is worth redeeming (because of who you are) You are that important because of who you were made to be. POINT #9: A proper understanding of the image of God will tell us: 1) how God sees us, and 2) how God sees everyone else. - The Image kicks in when all the human DNA comes together in the zygote (1-cell fertilized egg).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God+D10551	POINT #9: The sufferings which resulted from God's decision to make us free moral agents was better than not having us at all. - You cannot eliminate free will because then you wouldn't be like Him. Free will is essential to the whole concept of God's image. God knows what's going to happen if He gives man free will. God does it anyway. People want to criticize God for what is going on in the world but the goal that God had for everybody was to live in a paradise where all these things / sufferings / evils would not have existed for us. But man was given a free will. He abused the good gifts that were given to him and when he did, all of these things entered. Don't blame God for that, we should blame ourselves. We are the ones that got ourselves into this mess. If you want to blame God for something, blame Him for giving you life. Even though He knew the things that would happen, you can blame Him for that. Because that would have been the only recourse. The only way to keep from mankind from not messing it up was to not have mankind. MM says if you are broken hearted over things you see, image how broken-hearted He is. He sees it all and for all-time. Yet, God knew that it was better than not having us at all. It's important that we V&E ourselves not just as His imagers but as people who function out of that image. MM says how great is that?
Commentary	Bare Bones Lite : The Image of God	POINT #10: When people neglect their God-given purpose, they either: 1. Find their purpose/identity/value/self-image in other things (men finding their identity in work, women finding their identity in children) 2. They think there is no point in living a. End their life b. Give up on life Identity as a human is not to be confused with your nature. To be a real human is being an Imager of your Heavenly Father and getting your function up to your status. POINT #10: Foreknowledge does not necessitate predestination - You cannot charge God with evil about the things He foreknew. God knew that men would abuse His gifts with their free will. This does not mean that He ordained it. You should take all the people in your life seriously because they are all in the image of God. When the Bible talks about patiently enduring persecution, recognize it is coming from another imager. They are not thinking about it like that and they're not trying to be in the image of God but that's how our Father is looking at them. So although you may not like what they are going, you need to respect the office that God has put them in simply because they are a human and you are going to deal with them out of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Image of God	All the things in Romans 12:3-16 - if we begin to treat each other with the mindset of what it means to be in the image of God and how important those people are and how we should V&E them, it would change the way we treat them. Understand that every lost person you witness to, know that they are in the image of God. That is their job rather they ever do it or not. That's what they were designed to do. If they come to Christ, they can begin to function in accordance with who they have been made to be. Means you should take all the people in your life seriously because they are all in the image of God. When the Bible talks about patiently enduring persecution, recognize it is coming from another imager. They are not thinking about it like that and they're not trying to be in the image of God but that's how our Father is looking at them. So although you may not like what they are going, you need to respect the office that God has put them in simply because they are a human and you are going to deal with them out of that.
Commentary	Bare Bones Lite : The Mystery	**Please see 'Definition : Mystery' in the Commentary.** Nutshell: The mystery is the overall description of the unique ministry and message given to our apostle Paul. At its core, it is what God is doing today in this DoGG, but it contains multiple aspects. The mystery consists of two parts: 1) Paul's unique apostleship ministry and 2) the message that was given to him in connection with what God ordained before the foundation of the world. The overall mystery is comprised of subpart mysteries. In other words, there is more to the message of the mystery than just one thing. Called a Mystery because God didn't talk about it to anyone on the Divine Council. Was given in connection with the DOGG. Planned it before the foundation of the world. None of these things tell you what the Mystery is. The Mystery is set in opposition to the prophetic program. The Bible doesn't say this but our great commission is to make the the Mystery known. In the mystery, God has a plan to exalt His Son in the HP. We, members of the body of Christ, will be seated in those HP where we will fill up that heavenly portion of the kingdom. Can't just run the word MYSTERY and all tie to it.
Commentary	Bare Bones Lite : The Mystery	While we know a lot of things about the mystery… - We know it was called a mystery because God kept it hidden; God kept it a secret - We know why God kept it a secret, which is given in I Corinthians 2:8 - We know that God revealed the mystery first to Paul, who is our apostle; he is the apostle to the Gentiles - We know that the mystery was given in connection with the DoGG - We know that God planned it before the foundation of the world - We know that the mystery is set in contrast to the prophetic program given to Israel …we might have a difficult time defining what the mystery is. Our "great commission" is to make this mystery known!

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Mystery	Background up to the mystery: 1. From the time of Abraham to Acts 7, God is dealing with the nation of Israel by His prophetic program. Largely revealed ahead of time. 2. From the time of their exodus out of Egypt, the people of Israel go under the Law of Moses, which means they were in a performance system of blessings and cursings. 3. God designed a prophetic program with the nation of Israel which called for God to take on human flesh and die as a man (on the Cross) as Israel's Redeemer. 4. After Jesus' Resurrection, God gave Israel a 1-year extension of mercy, in which He gave them 3 opportunities to change their mind about Jesus being the Christ. 5. They rejected all 3 of those opportunities. Last one of those opportunities involved the stoning of Stephen. 6. At that point, God interupted His prophetic program with Israel and intercepted Saul of Tarsus on the Damascus Road, saving him, and calling him to be the apostle of the Gentiles. Paul becomes the first member of the body of Christ. 7. Jesus Christ Himself began to reveal the mystery to the apostle Paul and commisioning him to make it known. Christ commissions the Mystery to the apostle Paul.
Commentary	Bare Bones Lite : The Mystery	The things about the mystery are as follows: a. God ordained everything about the mystery before He created anyone or anything. b. After God created the angelic host, He never said a word about the mystery; He kept it a secret to Himself. c. No O.T. prophet and no gospel writer ever wrote anything about the mystery of Christ because they did not know about it. d. God kept it a secret because if Satan and his princes had known about it, they wouldn't have instigated the death of Jesus on the Cross. (1 Corinthians 2:6-8) e. The apostle Paul was the first one to whom God revealed the mystery of Christ. f. We are presently living during the time of the mystery. Ever since the conversion of Paul. Infortunately, most Christians don't know they are living in this time and they don't know what they are doing. It's ashame because the mystery is THEE context in which you are supposed to live your life. You have to know who you are and how you are being dealt with by God and what He expects. Ray Loving quote: When we get up there, there's going to be a bunch of people with flat palms and flat foreheads going (hitting the palm on their forehead for missing the mystery) everybody is in the dark about it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Mystery	The issue of the mystery is so important that: - if Satan had known about it beforehand, he and his minions would have never instigated the death of Jesus-1 Corinthians 2:8. - now that the mystery is being made known, Satan is doing everything he can to keep it from being known and he has been largely successful. - Satan will attack any assembly that dares to preach, teach and fellowship around the mystery to shut them down. Today, in this DoGG, this is what the spiritual battle is about; it is about the mystery and the proclamation of it by the church, the body of Christ. Mystery is the basis/context around how you should live your life. Have to know who you are and how you are being dealt with by God. More than 1 mystery in the Bible. Need more than a Mystery - doesn't teach you godly love/godliness or how to live out of the doctrine. Don't sell the Mystery as the end.
Commentary	Bare Bones Lite : The Mystery	Most Christians today have never heard of the mystery and if they have, they have no idea what it is about. That is due to the lack of preaching and teaching on the subject. For those who have heard something about the mystery of Christ, they often dismiss it by saying that Paul isn't really teaching anything differently than Jesus taught in His ministry or that was taught back in the OT. This is because of one of three reasons: 1) they think the way God is dealing with men today is how He has always dealt with them; get a real good understanding of what it was for Israel. People read 'mystery' and/or 'secret' in the O.T. scriptures and think it is all talking about the same thing. 2) They mistake how God is dealing with people today (as though we are under the law in Israel's prophetic program); or 3) they just do not know what the mystery is. People think you are in a cult. There are mysteries that make up the Mystery.
Commentary	Bare Bones Lite : The Mystery	But what else He did in His redemptive work, in addition to reclaiming all satanic territory on the earth and stripping away Satan's power over the earth, He would also reclaim all of the heavenly places to His Father and that was the part that was kept secret from the foundation of the world. Christ not only provided for the fulfillment of prophecy, He provided for Satan's power to be broken in heaven and earth. By His death and resurrection Christ broke Satan's power; at the revelation of the mystery He put His Father's plan into action and in the dispensation of the fulness of times, He will physically reclaim every inch of heaven and earth! In a similar manner, when we trusted Christ, the power of sin was broken. Sin wasn't gone, but its power was. When we get our new bodies at the blessed hope (BH), and occupy the HP, then the presence of sin will be broken, done away with. That is the same way God is dealing with His adversaries: He strips away their power and then, at the appointed time, He will remove them completely – total victory. Not everything Paul mentions is part of the mystery. For example, Paul talks about Jesus' death on the cross and His resurrection. This is not the mystery, as these were prophesied. But what is part of the mystery is an element in His death on the Cross and Resurrection that did not pertain to God's program with Israel and was not known. So the death, burial and resurrection are not part of the mystery. But, there is something Christ provided for in His death, burial and resurrection which was part of the mystery. There is more than one mystery that makes up the whole mystery which was revealed to Paul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Mystery	Believing: - Paul is our apostle - that we are bound for the HP - that we are members of the body of Christ - that we are living in the DoGG - that we are to make known the fellowship of the mystery …all of those things are necessary…but believing those things is just a context or framework for the doctrine which is supposed to work in us to transform us.
Commentary	Bare Bones Lite : The Mystery	Because none of the above causes us to: - love without dissimulation - do everything by godly love and charity - rejoice in tribulations - bless them which persecute you - recompense to no man evil for evil - bear the infirmities of the weak MM just listed a few of the transforming doctrines in Romans 12-16, Warning: you can "understand all mysteries" but if these doctrines are not working in you, you are not fully qualified to reign with Him. MM say he just cannot emphasize this enough.
Commentary	Bare Bones Lite : The Mystery	Nutshell: The mystery of Christ is the previously unknown message that was given to Paul, for him to give to us Gentiles. The mystery as it pertains to this DoGG are those things which God kept secret from the foundation of the world, but revealed to Paul at the appropriate time. Things not known: 1. God was going to interrupt His prophetic program with Israel, temporarily setting them aside. Nothing back in the O.T. or the gospels even hints at an interruption of the program. And Paul took full advantage of the interruption to "prove" that Jesus was the Christ. God is not tipping His Hand on this. 2. God set Israel aside so that He might form a new agency, from among the Gentiles, in a new dispensation; the church the body of Christ. 3. The mystery of Christ concerns the gospel, which was given to Paul to preach in this DoGG. It includes the fact that Paul's gospel was not given to him by man, but by the Lord Jesus Himself (Galatians 1:11-12). It would also include Paul's commission to preach that gospel to Gentiles (Galatians 1:15). 4. The fact that we are able to manifest the life of God in our mortal flesh is a truth for us Gentiles which was not previously known; therefore it is very much a part of the mystery. 5. Is our catching away out of this world at the event of the Blessed Hope (Titus 2:13).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Mystery	Do not mistake... - our respect for Paul as our apostle - our appreciation for the mystery - our comprehension of what God is doing with Gentiles apart from Israel - our understanding that Israel has suffered blindness in part - our excitement about going to the HP in a glorified body - our willingness to suffer for making the mystery known - our joy at being part of the body of Christ ...don't mistake those things for the life of Christ being formed in your inner man.
Commentary	Bare Bones Lite : The Mystery	COMPONENT PARTS - The component parts of the Mystery or sub-parts that make up THE Mystery: COMPONENT 1 (Romans 11:25) – Israel has suffered blindness (to their prophetic program-don't see it working anymore) IN PART until God is finished with Israel. God has temporarily interupted His program with Israel and is working with Gentiles but will resume Israel's program. Blindness due to the dispensational change is TEMPORARY. Know we are not replacement Israel. COMPONENT 2 (Romans 16:25) – It is part of our establishment (the preaching of Jesus Christ according to the revelation of the mystery [GH: overarching mystery component]) as the body of Christ. COMPONENT 3 (1 Corinthians 15:51) - GH: The Blessed Hope/the rapture/the resurrection for members of the body of Christ. There is going to be 'a catching away and at that time, we'll get a glorified body. COMPONENT 4 (Colossians 1:25-28) - CHRIST IN YOU, THE HOPE OF GLORY. The heart of the mystery-Might have Christ formed in us which brings God glory because if our practical sanctification is working, it is because what God has done, not what we have done. MM says this is the heart of the mystery.
Commentary	Bare Bones Lite : The Mystery	The purpose of the mystery is so that we Gentiles might have Christ formed in us so that we may be presented "perfect" in our practical sanctification, just as we have been made "blameless" in our positional sanctification in Christ. Because that brings glory to our Savior and to the Father. If our practical sanctification is working, that is all because of what God (all three members of the Godhead) has done, and not we ourselves. The only way to bring our functional sanctification up to the level of our positional sanctification is to have a positional sanctification (Father), to have an inspired word to generate that practice in us (Spirit), and by Christ actively living His life in us (Son). COMPONENT 5 (Romans 1:16-3:26) The gospel of Christ - 2 parts: 1. Saved by grace 2. Paul's gospel (DBR)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Mystery	COMPONENT 6 (Ephesians 3:6) - Body of Christ - 3 parts: 1. FELLOW-HEIRS: MM thinks this is HEIR OF GOD inheritance Three ways to look at-there's a debate about this but MM thinks they are all true-if he picks one, won't do anything different tommorrow/conduct the next day, won't do anything different based on the opinion: 1. We are FELLOW-HEIRS with Jewish people/Jews that gets saved - Jews & Gentiles 2. We are FELLOW-HEIRS with other Gentiles - all Gentiles 3. We are FELLOW-HEIRS with Christ - body of Christ, He is the Head and we are the body REAL PROBLEM: The guy that believes #1 says the guy that believes #2 is corrupting the doctrine/misusing the scripture and the guy that believes #2 calls the guy that believes #1 a heretic. MM says none of you have any godly love and charity so stop it. POINT: Don't be focused on every little detail that doesn't make a difference in your edification, focus on being conformed to God's Son. This doesn't mean MM doesn't care about the doctrine. You know he does but don't major on the non-essential part of the doctrine that doesn't have a bearing on your edification. Just fodder for the cannons we fire at each other.
Commentary	Bare Bones Lite : The Mystery	2. THE SAME BODY Ways to look at-MM thinks they are all true-if he picks one, won't do anything different tommorrow/conduct the next day: 1. Jew and Gentiles in one body 2. Gentiles in one body 3. Gentiles are the body and He is the Head 3. PARTAKERS OF HIS PROMISE
Commentary	Bare Bones Lite : The Mystery	COMPONENT 7 (Ephesians 3:8) -THE UNSEARCHABLE RICHES OF CHRIST Includes the Mercies of God, spritual blessings. 1. FELLOWSHIP OF THE MYSTERY-Ephesians 3:9 'to men' 2. MANIFOLD WISDOM OF GOD-Ephesians 3:!0 'to principalities and powers'
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	Things Paul's (and our) godly response to sufferings will produce: 1. Comfort: To be comforted in the midst of a suffering situation. Paul calls in THE COMFORT OF GOD. That is comfort in the midst of sufferings, not being comforted by removing him from the sufferings. 2. Strength: The strength in our inner man that causes us to patiently endure whatever the situation and the circumstance. 3. Peace: Paul calls this THE PEACE OF GOD that is able to GUARD or KEEP OUR HEARTS AND MINDS from being affected by adversity, affected by the circumstance. 4. Joy and Pleasure: Paul gets this by looking at things that are not seen. 5. Hope: CHRIST IN YOU, THE HOPE OF GLORY. MM just listed 5. More than this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	Attitude from looking at the unseen - what he is thinking when he looks at the things that are unseen and eternal that are now going to be working in his inner man - will be working in those churches he established and they can pass it down to people who come after: 1. Gladness: MOST GLADLY THEREFORE I WILL RATHER GLORY IN MY INFIRMITIES-2 Corinthians 12:9. Some people might argue well, GLADLY is not the verb, GLORY is. MM says that's true. The reason he is being so glad about the infirmities is that the POWER OF CHRIST can rest upon him to do what he cannot do. The POWER OF CHRIST is not describing our resolve/will or our efforts/flesh. This is the power to patiently endure an adversity or a circumstance or some traumatic event. 2. Glory: Romans 5:3 3. Rejoice: Colossians 1:24 4. Pleasures: 2 Corinthians 12:10 - How Paul started feeling about the bad things that were happening to him.
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	DRAWING OF A WHEEL (Please see drawing in 'Maps & Visuals') : Wheel represents the wheel of our life. The Life of Christ is the hub. The life of Christ is everything. Everything stems from the Life of Christ being formed in your inner man (Sanctification). The reason we are going through these doctrines and taking the time to look at every word and every phrase is because every little part you are learning is actually piece by piece, increment by increment, producing the Life of Christ in you. All the things we want are not like cafeteria items where we just go down the the aisle and say I want some joy and some peace and some grace. If we do it this way, this is why people don't get those things. Those are a by-product of Christ IN you. Example, you will never have THE PEACE OF GOD until you have the Life of His Son working in your inner man. Not a light switch. Don't just turn it on and now suddenly we have the absolute fulness of Jesus in us. This comes piece by piece, bit by bit. To the greater extent it gets formed, to the greater extent these things (comfort, strength, peace, joy & pleasure, hope of glory) are happening. All of these are tied to Christ in our inner man. Important to look at these little pieces of doctrine phrase-by-phrase. You can't get the POWER OF CHRIST apart from the Life of Christ being formed in you. The POWER OF CHRIST is not a commodity that God just kind of throws on you like spoofel dust. It's a by-product of this life being formed in your inner man. You don't get one without the other. The POWER OF CHRIST is not our will or resolve, it's not the best efforts of our flesh, it is the ability, it is the power to patiently endure tribulation. It is the result of the scriptures effectually working in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	It is result of of the Life of Christ being formed in our inner man. It's all part of the same fabric. To have the Life of Christ is to have access to that POWER OF CHRIST because His Life is the source of it. If you don't have the source, you can't have what comes from it. If you are going to have grace that is sufficient to take you through suffering so that you patiently ensure it even though it is terrible, then that is going to come because you have the Life of Christ formed in your inner man. This isn't magic and it's not hard. God didn't make this plan to make it hard for you to get it. Spokes on the wheel with the Life of Christ as the hub (there are a bunch more than these): - Patience - Comfort - Power of Christ - Endure those sufferings - Peace of God (want people to see that) - Godly Labor (can't labor with God without being godly, without being edified, without responding properly to scripture, without the Life of His Son being formed in me - no you can't) - Edification (is a direct measure of the Life of Christ being formed in your inner man) - Sufficient grace?
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	Others: Hope, Charity/Love, the fruits of the Spirit, all the graces of the Sonship life, Wisdom, Justice, Judgment, Equity, Subtilty?/?Discernment, Discretion. As you engage in the little things step-by-step - work in the OFFICES, give, help others out of that office of mercy, minister to other poeple and care about them, obey the doctrine - then the Life of Christ is being built in your inner man. Why you can't take someone that doesn't have any of this and talk to them about the hope of being able to have peace in the midst of their suffering. That don't have any frame of reference for that. It doesn't sit on anything. There's no foundation for it it rest on. These spokes turn right back around and feed into the hub. It's almost like a perpetual motion machine, a cycle that feeds on itself. The Life of Christ begins to produce these things and as these things are produced, they in turn go back and they enhance this (GH: The Life of Christ), they multiply this which now has a greater power to turn around and give you more endurance and a greater capacity for love and a greater hope. Can't afford to look at any of the doctrine and go I don't like this as much as I like this other stuff. You need every piece of it because that's what that life of made up so you ought to be looking at every piece of them, get every bit of it you can get because that's where everything comes from. It's the fruit. Should look at this and say I want every piece of it going in your life. Realize if God were to remove the problem, there is now no need for you to be edified. You aren't looking for comfort and strength and peace, you are just looking for God to bail you out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	You don't care about sanctification at that point, you just care about getting relief. If we are going to pray this way, what we're saying to God is we don't need grace at all. I don't need grace if I can ask God to change my situation what would I need grace for. If you pray that way, you don't need THE POWER OF CHRIST, you don't need God to comfort you in the midst of your tribulations, you don't need to be strengthened in your inner man, you don't need the peace that passes understanding, just take away the bad stuff and I'm good. Praying that way is in direct opposition to everything Paul is talking about here. If God is going to miraculously intervene, you don't need the Life of Christ in you because all of the stuff that it is supposed to do, you don't need that. God's just going to fix the problem. But God realizes in the midst of this, an unseen process is going on inside you, and it's an eternal process which is why Paul is going to say quit looking at the outward things that are temporary and start looking at the inward things which are eternal. MM is not saying if some adversity is going on in your life, you shouldn't take steps to remove that. You have a physical problem and you need the doctrine which is spiritual so you can endure the physical problem. You focus on the spiritual but still do every thing you can to fix the physical. You are doing everything you can do to change the physical, at the same time you're doing the spiritual. Two things going on here. You may be able to fix, you may not but at least you have the things produced by the sufferings (GH: comfort, joy, peace, strength, hope). MM uses the problem of persecution. It's not just enough to hunker down and withstand the attack, work to fix the problem by winning my persecutor to Christ.
Commentary	Bare Bones Lite : The Life of Christ & the wheel diagram	This is where your mind ought to be. It's not enough to just withstand the attack. This is kind of what happened to Paul, who was hunting down the believing remnant and sending them to jail and having them tortured and blasphemed the God they believed in. This is the best thing that could have happened for anybody who was a believer in Jesus Christ was for their persecutor to have gotten saved. Take 'The 7 steps to becoming a FES/D' and make it 'The 7 steps to converting my persecutor'. The same formula works.
Commentary	Bare Bones Lite : Divine Council	**Is originally composed of spirit beings all which are loyal to Yahweh. They are included in this counsel. It is His heavenly entourage, all the different members of the heirarchy, may have different roles but they are participating in His Governance and His Sovereign rule over creation. Where the manifest presence of God is in the third heaven there is a Divine Council. Will see other names for it in the scripture. Right now this council consists of the heavenly hosts. The council does not have any members of the spirit realm that rebeled against God. Things to have in your mind on the divine counsel:** **1. All are good guys** **2. Some that used to be on the counsel are bad guys** **At the end, we will replace the heavenly hosts in the creature and fill this role in this assembly that God will utilize to carry out His Business in the AGES TO COME. We will replace these positions. Describes a job we will be doing.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : Divine Council	It meets where God is. He doesn't come to it, it goes to Him. The location of the council is usually where God's Abode is. The terminology is supposed to represent something in your mind. It's always either gardens or mountains. - A garden aspect represents plentiful. MM says in every religion, they always did it this way because you would think wherever the gods are that would be a pleasant place to be. It would be lovely. There would be plenty of food, there would be water, everything in abundance, you wouldn't want for anything. - The mountain aspect is the part where God is not only above everything but He is off to Himself, He is secluded. And back then, they didn't have all the gear we would have today for mountain climbing. They were places that you just couldn't go. - Related terms - FATNESS, PLENTINESS Divine Council : Spirit beings that make decisions with the Lord and then carry things out on this earth.
Commentary	Bare Bones Lite : Divine Council	God doesn't need a council because God needs advice, it's because He is allowing us to participate with Him. When God decides things, He doesn't unilaterally go do anything. He could but He doesn't. He always lets the council decide. If this is true, that tells you something about when we are on that council. MM doesn't think just educated sons are going to be on that council. Simple sons will be on the council. People who don't know anything about Sonship, that don't understand that there's doctrine in here that is meant to conform them to the image of God's son and to put God's Wisdom in them so that they can actually labor with God in the decision making up there. will be on the council. Everyone will be on the council. ALL THE HOST OF HEAVEN is the council that is up there now. He is going to number it - TEN THOUSANDS TIMES TEN THOUSANDS STOOD BEFORE HIM-Daniel 7:10 and A THOUSAND THOUSANDS SERVED HIM-Daniel 7:10. MM says think about the council like you think about Congress. You elect people to go up to the House or Senate, but when in session, there are other people with other jobs besides the elected officials. MM says no members of the body of Christ will be excused from the council but you will not all be doing the same thing.
Commentary	Bare Bones Lite : Divine Council	MM says the Divine Council is in more places in your Bible than you think it is. The council is involved in everything. When you get in this council, you will be involved in everything. You will have specific jobs to do too. Names in your Bible: - MOUNT OF THE CONGREGATION-Isaiah 14:13 - MOUNT ZION - Psalm 48:2 - THE DECREE OF THE WATCHERS, AND THE DEMAND BY THE WORD OF THE HOLY ONES - Daniel 4:17 - MOUNTAIN OF GOD-Ezekiel 28:14 - THE CONGREGATION OF THE MIGHTY-Psalm 82:1 - THE CONGREGATION OF SAINTS-Psalm 89:5 - THE ASSEMBLY OF THE SAINTS-Psalm 89:7

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Lite : Divine Council	God created spirit beings of different sorts to attend to/care for His creation. In accordance with that, God would share His thinking with His heavenly host. At the same time, God would entertain counsel from members of the heavenly host. Obviously, this was not because God needed some fresh ideas, but because God is not always thinking that only He should have input. In view of the rebellion among the angelic hosts, God created the "one new man" to replace them in the positions of authority in the heavenly places (HP) and in His divine council. It is the princes of this world that are influencing men to evil. So, God is going to replace them with the body of Christ, who are "sons of God" and corporately, the one new man. With the mind of Christ, we can be counsellors to the Lord. Again, not because he needs us; but He is entering into a real relationship with us as sons – sons involved in the family business. Instead of what has been going on in the heavens, the body of Christ will facilitate God's Will in the heavenly places.
Commentary	Bible : Holy Scriptures	MM role playing us being at Ephesus and the excitement they had when they heard Paul wrote a letter. We should have the same excitement. Formats: - Papyrus: cheap paper. This is probably what most of the N.T. was written on. - Vellum: fancy leather with writing on it. Would last longer and stand up to more abuse. Much sturdier. Some of the vellum is wrapped up like a window shade (scroll) and some are laid out in pages like a book (codex - Latin for books). - Folio style: which is a single page folded in half or written in two columns side by side. It could be a scroll or a roll. Would roll out one page at a time. - Solid blocks of text! No punctuation; and none of the numbered chapters and verses that we use today. - When a scroll was worn out, they would retire it. - Hebrew reads from right to left - both pages and lines. Synagogue would have a section where they had the scrolls set out on order.
Commentary	Bible : How we got our English Bible	**Please see 'Bible Timeline' in the Visuals section after the Commentary section**. - MM says we go to the store and pick one up but don't think much about it. - The original manuscripts were written in Greek. - The Roman Empire became divided into two halves, the western part and the eastern part. Latin dominated the western half of the Roman Empire. - Within a generation of the apostle Paul, the seeds of doctrinal corruption were already bearing fruit. - In 382, the Pope commissioned a renowned scholar named Jerome to translate the Hebrew OT and the Greek NT into Latin. This work became known as the Latin Vulgate. Jerome makes the dilecto (love) and caritas (charity) distinctions in this translation so he understands the difference between love and charity. - As the years went by, religious tyranny swept across the empire. Corruptions to Jerome's text became widespread. Doctrines contrary to Paul's would manifest within the church. Guys were not honest about what they did and corruptions crept into the text. A guy would get to a part he didn't believe and he would change that in his copy. Another guy would go, there's nothing about indulgences in here, we need to include that. And so now he inserts something about indulgences.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bible : How we got our English Bible	It doesn't take long before the Latin Vulgate is completely corrupted and cannot be counted on. They left out things they didn't like, they included things they did want. As the churches adopted practices they wanted people to do, those would get written in. Remember, the common English speaking person did not know Latin. Why it was up to the priest. In the Catholic church, the whole ceremony was done in Latin. Nobody really knew what was taking place. They would tell you the Bible says but there was no way for you to check it for yourself unless you knew Latin. It was a control mechanism and doctrines contrary to Paul's began to seep into the church and seep into the copies of the Bible. The Truth of justification by faith was almost completely expunged from the Latin Bibles. There were only a few outposts that held true. One was part of Scotland, an island 1.5x3.5 miles had a Bible college - Iona Bible College. They preserved the Truth of Paul's teachings and the scripture as it was originally supposed to be. - GH: Corruption for 200+ years. - For 250 years (600 A.D. – 850 A.D.) the light of God's word and justification by faith would thrive only in Christian outposts like Iona (an island of Scotland), for in Iona would be a great Bible College from which the doctrines of the apostle Paul were being preserved. Iona is a small island (1 ½ mi. x 3 mi.) situated just off the Ross Mull on the western coast of Scotland. It is generally referred to as the cradle of Christianity in Scotland mainly because of the work accomplished by the Training Center set up on the Island by the renowned Celtic missionary, Columba. The Iona Bible College is still there today but MM not sure what their doctrine is today. 130 inhabitants and 120,000 visitors annually.
Commentary	Bible : How we got our English Bible	- GH: Maintained the Truth for 250 years. - The Celtic Church was one of the few bastions of truth that held in check the advances of Catholicism in the British Isles, providing the inhabitants of the Heptarchy with an alternative to both Paganism and the Papacy. - Bible writers did not divide their message into chapters or verses. They just wrote down the whole message God gave them. - The lack of chapters or verses, however, did pose a problem. Paul could only identify his quotations with such words as "as it is written." It would have been difficult to find those quotations unless you were very familiar with all of the OT writings. - 1227 AD - English cleric Stephen Langton, who later became Archbishop of Canterbury, is credited with adding the chapter divisions to the Bible. He did this when he was a teacher at the University of Paris in France. Other scholars tried systems before but the systems were different and incompatible and non one settled on anything. People could not share references because the chapter divisions in their manuscripts did not match. There was no uniform way of dividing it up. Langton developed new chapter divisions in response to this problem and his system spread rapidly across Europe. It soon became apparent that people needed even more than just chapter divisions. Jewish copyists divided the whole Hebrew OT into chapters, but not into verses. But again, there was no uniform system. Mark 12 was different is each person's Bible. - By 1316, the Roman church circulated a License for committing sins, where you could pay in advance to be forgiven for something you were going to do. The License for sin was produced first by Pope John XXII. Pope Leo X had the license to sin printed and published again in 1514.

Commentary	Bible : How we got our English Bible	From an English translation we have the following: * Perjury, forgery or lying $2.00 * Robbery $3.00 * Burning a house $2.75 * Killing a layman $1.75 * Striking a priest $2.75 * Ravish a virgin $2.00 * Murder of parents or siblings $2.50 * Absolution of all crimes $12.00
Commentary	Bible : How we got our English Bible	- John Wycliffe came on the scene and he intended to restore the word of God to its true form and to give the people of England the Bible in their own language; English. Up until this time, the Bible was just in Latin and the church could say what was in God's word and what wasn't and nobody really knew if that was so or not. The church was very much opposed to this, as using only Latin gave them control over the masses who could not read or write it. The church alone could say what God’s word was and there was no way for the people to know if it was true or not. Knowing that the scriptures had been corrupted, Wycliffe translated out of Jerome’s Latin Vulgate Bible into English in 1380. Without a printing press, it took from 10-18 months to write by hand and could only be afforded by the super-rich. John Wycliffe became the champion of the people and everybody loved him. Though the Roman church hated him, he was too popular and too powerful to muzzle. In 1384, John Wycliffe had a stroke while preaching. He died just days later. With their enemy out of the way, the church moved quickly to make a law prohibiting the Bible to be preached, quoted, studied, written or read in any language other than Latin. This lasted from about 1384 to 1496. Started to teach in their seminaries that the original writings were in Latin. They are trying to get control again. the Wycliffe Bibles were collected and burned. EX Burned a man at the stake because he had the Lord's prayer on a piece of paper in his pocket written in English. Made an example of him.

Commentary	Bible : How we got our English Bible	- Without a printing press and depending on how many hours a day a guy worked on it, it took 10-18 months to make a single copy of the Bible. Only the super-rich could afford a copy. Had to pay a guy a 1.5 years of wages so not everybody could have one. - By 1350, the Jerome's Latin Vulgate had been so changed, that it no longer resembled the original text. Mariology, penance, transubstantiation, mysticism, auricular confession, worship of saints and relics, purgatory and indulgences had come to be validated in the Latin scriptures. - John Gutenberg's moveable type press was invented in the 1450s and it would help the spread of God's word. Really changed things. Once you had that type set and brushed the ink across, you can put those pages down on that and the roller comes across and you can do page after page after page, way faster than anybody could write it. Not only gets more Bible out in a shorter amount of time, it reduces the cost of a Bible. Gutenberg press allows God's word to really spread. - In 1496, John Colet, Dean of St. Paul's Cathedral, and the son of the Mayor of London (2nd only in power to King Henry VII - he has connections, his family was powerful), returned to England from Italy and started doing something no one had done before. From his studies in Italy, Colet knew Greek. And he was returning to England to teach God's word, which, for 150 years could only be done in Latin. On the Oxford campus, John Colet stood in front of his classes and read from a Greek Text of Romans (a violation since you are only supposed to read in Latin) and then translated it into English.
Commentary	Bible : How we got our English Bible	His family was of such power the faculty would not stop him or fire him. A church that held 20,000 had about 200 on a Sunday. But when Colet began doing in church what he did in his classes, within six months, over 20,000 people were showing up every Sunday to hear the words of Paul the apostle in English. Colet was not preaching, he was only reading Paul's words in English! - In 1516, a brilliant scholar named Erasmus put together a Latin/Greek Text of the N.T. Erasmus was brilliant. - In 1525, William Tyndale who had fled to Hamburg, Germany, translated Erasmus' work into English. The first Bible translated from the Greek into English! Tyndale moved to Worms, and had several thousand copies of the English NT printed. They began to be smuggled into England. Priest confiscated, threatened and bought the copies to keep is out of England. If they found it on you, you would be martyred over it but if you turned it in voluntarily, they would buy it from you. Today, of the thousands printed at Worms, only 3 remain. Tindale Bible was the first English Bible to be translated out of the Greek. Tindale was strangled and burned at the stake. Still so mad at him 150 years later, the dug up his skeleton, ground it to powder, and threw it in the river. BOOK: The Forbidden Book by Dr. Craig Lampe

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bible : How we got our English Bible	- Martin Luther published his “Justification by Faith” in 1520. And in 1522, Luther translated the NT into German. - In 1526 – William Tyndale’s NT and about 1/2 of the OT – Captured, strangled and burned at the stake. - In 1535 – Coverdale Bible – Myles Coverdale: Coverdale combined Tyndale’s NT and as much of the OT as he did before he was put to death (about half). Coverdale translated the balance of the OT, from German and Latin, making this the first complete English Bible published. Coverdale takes Tyndale's work and he completes the O.T. - In 1537 Matthew’s Bible – Thomas Matthew (John Rogers). Tyndale, Coverdale and Rogers knew each other well. They collaborated and did their own translation work. Some within the church harbored such hatred for Tyndale, that, thinking it was different from Tyndale’s they embraced the Matthew’s Bible not knowing it was John Rogers’ pseudonym. This became the basis of the Great Bible. No longer illegal to translate the Bible into English, this was dedicated to the king of England. - 1539 – The Great Bible (Cranmer’s Bible)
Commentary	Bible : How we got our English Bible	- In 1555, renowned French printer-scholar Robert Estienne wanted to make Bible study easy. He realized how valuable it would be to have a uniform system of both numbered chapters and numbered verses. Estienne divided the Christian Greek Scriptures or what is called the New Testament, into a new set of numbered verses and combined them with those already in the Hebrew Bible. In 1553, he published the first complete Bible (an edition in French) with basically the same chapters and verses that most Bibles use today. The chapter and verse divisions are not inspired by God, but they make it easier for us to pinpoint specific places in every book of the Bible. Divisions not meant to be a hermeneutic, meant to help you locate scriptures. - 1560 – The Geneva Bible (the people’s Bible – lots of notes) This is the first English Bible with both chapter and verse divisions/markings. Had tons of commentary. Was described to a college education. A lot of notes ran contrary to the Catholic church and the Pope.
Commentary	Bible : How we got our English Bible	- 1568 – The Bishop’s Bible In the early 1560's the Church of England had a dilemma on its hands. Many of its parishioners anxious to read the Scriptures for themselves in English had purchased a copy of the Geneva Translation of the Bible. The Geneva Translation was the best English version of the Bible up to that time -- and the Church of England knew it. They had little problem with its text; but they did object to the Notes that were printed in the margins. Most of these Notes were written by English Protestants who had to flee England to escape the persecution of the Church. Some of these Protestant-oriented notes were highly critical of both the Church of England and the Roman Catholic Church. As soon as it was released, the Bishops' Bible became the official Bible of the Church of England, and began replacing copies of the Great Bible in churches. In 1571 it was decreed that "every archbishop and bishop should have at his house a copy of the holy Bible of the largest volume as lately printed in London. ...and that it should be placed in the hall of the large dining room, that it might be useful to their servants or to strangers." Wanted to produce a Bible that didn't have the anti-Catholic notes. - 1611 – King James Bible This story follows the receptus line of manuscripts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Apostles vs. Prophets	APOSTLES (copying the scripture and distributing it) AND PROPHETS (identify scripture as infallible): Not talking about apostles of Jesus and the OT prophets. Apostles and prophets at the beginning of DOGG, where God gave some supernatural gifts. Here is 2 of those gifts. Supernaturally empowered with the ability to: 1. Prophets had the ability to recognize inspired scripture (lots was being written that were not inspired, even some of Paul's writings) 2. Apostles had the ability to copy & distribute scripture EX Paul writes a letter to Ephesus. Prophets ID as inspired. Apostles copy & distribute it to surrounding cities. Paul even says this in some of his letters. Prophets in the surrounding cities would also recognize as inspired. Their apostles would copy and distribute. GH: Rinse and repeat until the word of God went everywhere. The way God preserved His word was through the multiplicity of copies. Look at the manuscripts and papyrus fragments, etc., about 98.?% of them are all reading the same way -> the majority text (because the majority of all of them read the same way). Prophets identified the scriptures and copied the scriptures. It's the job of the apostles to take those copies and get those to other assemblies and testify as to what this is. The prophets in the receiving assembly will take that Book and say yes, this is inspired scripture. These prophets aren't getting revelation, they are identifying inspired scripture and copying it just right. Paul is showing you what needed to happen in order to get this word written, verified, copied, preached, distributed so it went everywhere.
Commentary	Comparison : Bible Study vs. a Church	- A Bible study just studies the Bible. It may do it in a lot of different ways but that's all it is. You don't have to have a Pastor and you don't have to have deacons. Just need somebody to do it. There are all sorts of ways. MM's least favorite way: 'Well I was reading in Romans 8 this week and there's a verse and let's read it together' and then 'does anybody have an idea of what this means?' and then there's 15 minutes talking about the people's ideas. Dangerous way to Bible study - people give incorrect ideas and gives people a sense that they know what they are talking about when they don't. What will you do when you have to correct all those ideas? If you are doing a Bible study and not doing the work of the ministry, you don't need to engage in the OFFICES. Sonship probably won't be taking place in a Bible study because Sonship is the first FORM OF DOCTRINE-Romans 6:17 and is going to necessitate the OFFICES. If you are functioning out of these OFFICES, now you are talking about a church. A church does study the Bible but also does the work of the ministry. Largely what we have today is, even though it says such and such church, it is largely just a Bible study.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Biblical Theology vs. Systematic Theology	BIBLICAL THEOLOGY: Means we start at the beginning of the Bible and we study our way through in the order God has given you in a progressive order, building on things that come before and other details get added as you go, and then finally when you come to the Book of Romans, you've already come through Acts before you ever get to Romans. It is not random, it is specifically designed to accomplish something. Curriculum is already been done and in the right order. Bible is given in a specfic order - not chronological order, not in the order they were written but the order that God is working things out in history - allows you to see how wonderful the Book is put together: - 17 books from Genesis to Esther = History books in the order that history is being given to you - 5 poetic books from Job to Songs - books are about prophetic events - 17 books from Isaiah to Malachi - talking about Israel under the 5th and final cycle of punishment (from Leviticus 26) - what God is doing with Israel up to the 400 years of silence
Commentary	Comparison : Biblical Theology vs. Systematic Theology	Last 3 prophets - Haggai, Zechariah, and Malachi give the last prophecies Israel is supposed to hear - Learn in Malachi after the silence they will be faced with the forerunner (John the Baptist) of the Messiah - In Zechariah, told to look for their Messiah in 4 particular ways - the 4 gospels each present Him in one of these ways - 5 books from Matthew to Acts - take up what God is doing with Israel and past the Cross and God's dealings with the nation of Israel and where the Israel program is interrupted and God begins a new thing called the dispensation of gentile Grace. - 9 books from Romans to 2 Thessalonians - comprise all the edification for the people in this new dispensation of Grace - 4 books from 1 Timothy to Philemon - pastoral epistles designed to carry on the ministry via local assemblies - God's design - instructions to pastors, deacons, and local assemblies on how to carry that thing on - 9 books (starting at the rapture) from Hebrews to Revelation - take you from restarting the program to the dispensation of the fulness of times, out past the Great White Throne Judgment and out into eternity.

Commentary	Comparison : Biblical Theology vs. Systematic Theology	SYSTEMATIC THEOLOGY: Is a discipline of Christian theology that formulates an orderly, rational, and coherent account of the doctrines of the Christian faith. It addresses issues such as what the Bible teaches about certain topics or what is true about God and his universe. (Wikipedia). Biggest job for preachers trained in systematic theology which is how everybody gets trained in Bible college, is to put together a system whereby you present information to everybody in some coherent way so that they can learn the truths of the Bible. Maybe they have a dispensational plan laid out or something else laid out. Got improved from a 5-part plan to an 8-part plan to an 11-part plan. It's what preachers always talk about when they get together. How are you organizing that doctrine? How are you breaking that down? Whose outline are you following? People pull verses throughout the Bible and jam them all together, they think this is talking about eternal life (Romans 8:1). Now, all of the sudden, you walk in the flesh and have lost your eternal life. Think the condemnation is about your eternal life. It's not. It's about your functional life. People pull verses throughout the Bible and jam them all together. Systematic theology: MM taught this for many years and had really good motives, but he was still wrong. There are plenty of people who will preach that the things of Israel's program are being done with us today. They do this really as genuinely as they can. Well-meaning. But that won't make them any more right than it made MM. God has determined in His manifold wisdom not to deal with us out of His attributes. The old systematic theology way of doing things - just pull a verse out, make it say whatever we need it to say. That's the problem with systematic theology, it takes stuff for an advanced son and it tries to make it work for everybody so you have got to make it something it never was in order for that to happen.
Commentary	Comparison : Biblical Theology vs. Systematic Theology	Think of Pauline theology as a form of biblical theology. By “biblical theology,” we don’t mean theology that is based on or in accordance with the Bible. We mean theology that stays close to the biblical text. Biblical theology only cares about what we can discern from the particular text we are looking at. It is not necessarily a topic, but rather a verse or passage in the Bible. Systematic theology, which also deals with the biblical text, but at a little more of a distance, bringing philosophy, the history of discussion and other issues into the theology. Systematic theology is a theology about a particular topic. It takes all the references that have to do with the topic being considered, and it brings them together and attempts to synthesize them into a coherent theology. The problem with this is that it does not account for dispensational distinctions or rightly dividing the word. It assumes that every verse in the Bible is written for every believer, at every time in history, more or less. A systematic theology takes verses from all over the Bible that someone believes are speaking of the same things and puts them together to form a doctrine. A biblical theology maintains that the information that is presented to you in the Bible is not haphazard but is given in a particular sequence in order for you to learn things in a specific order. From the beginning, God has set forth the doctrine in accordance with the way in which He is doing things.

Commentary	Comparison : Brain vs. Mind	MM says it is politically incorrect to say mind. These are not the same thing. When this body dies and your brain corrupts and goes back to dust, you still have a mind. Everybody in the afterlife understands things and they're asking God questions about things and they still have intellect and reason because all of that is a function of the soul. People don't want to talk about the soul, you are just a meat wagon. You're just a physical body and when you die, that's the end. There's nothing else. That's what they want to promote. So you can't say mind, you have to say brain. But God doesn't expect you to NOT use your mind. MM believes the Bible is supernaturally given, it was inspired by God. When you are reading it, you are reading it with your mind. It's the way you look at it, the way you see it, the way you understand it. You hope to study it enough that you let it begin to take control of your thinking. But you are still using your intellect, and you should. Your brain and your mind are two different things. When your body dies, your brain will go back to dust. But in the afterlife, you will still have a mind. You will still be able to communicate and reason and have a conversation and understand. So these are two different things. But the very unique way we were put together is that there is a connection that the mind in a person is connected to the brain of the body.

Commentary	Comparison : Buckler vs. Shield	Buckler: For up close hand-to-hand combat to ward off an attack. Smaller shield that could be held in the hand but normally attached to the arm very tight with leather cords. Poured water on the cords and the leather would start to shrink. Gave you a free hand. Didn't have to hold that shield and it was that and it wasn't going to swivel around your arm. Valuable: - If you dropped your sword, could ward off the enemy till you could get it back. - If knocked down, could hold that buckler up and use your sword hand to get up off the ground and get back into the fight. Buckler is what enables you to get in the fight and stay in the fight all the way to the end. The fight MM is talking about is the whole thing of you being an adopted son and your Father educating you to labor with Him in His Business. The one things that Satan will only be pleased with is for you to walk away from your Sonship. To not be educated and edified in godliness is what he wants. Shield: Ward off long-range attacks like arrows.
Commentary	Comparison : Buckler vs. Shield	SHIELD: When there's distance between the enemy and you. Full body that protects you from arrows and spears. BUCKLER: When there's hand-to-hand combat. Smaller shield strapped to your wrist or arm, MM makes size of his hands like a salad plate. Pour water on the leather so it would shrink, There were a couple of parts: 1. Shield part 2. Protusion: the warded off a glancing blow. Romans 8:33: You are walking uprightly and go into hand-to-hand combat and you go down. If you go down, the buckler is meant to protect you while you put your sword hand on the ground and push yourself back up so you can be UPRIGHT. God has designed our justification so it is on the death of our eternal life and it is not the death of our Sonship life. Buckler: is for close hand-to-hand combat; what enables you to get in the fight and stay in the fight all the way to the end. The fight MM is talking about is the whole thing of you being an adopted son and your Father educating you to labor with Him in His Business. Commentary	Comparison : Fellowship: Horizontal vs. Vertical	Horizontal sense (man-to-man or man-to-Satan) Veritcal sense (man-to-God)
Commentary	Comparison : Flattery vs. Praise	Flattery is giving people credit for things they have no control over. Someone comes up to you and says 'nice eyes'. MM says who gets the credit for that? Because you were kind of born with them. You didn't suddenly make your eyes what they are. No one ever comes up and says something about your character. Typically a physical thing. Praise is when someone says something about your character like 'I appreciate your dedication'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Free will vs. Volition	Free will carries the idea that “I am free to do whatever I want to do.” Communicates a sense of absolute, autonomous, ‘libertarian’ or unbounded freedom. Volition not only carries the idea that you are a free moral agent and can act on your own, but it also includes the idea that you responsible for the consequences of your choices. (Just as God held Adam accountable for violating the one restriction put upon him.). Simply implies power of choice. EX a prisoner locked in a 8' x 8' concrete cell would not be considered to be free by most standards, but could still exercise the choice to either lie down, sit, or stand, etc. The prisoner has certainly lost a large portion of his freedom, but has not been stripped of his volition, as demonstrated by his power of choice, albeit bounded. Accountability is part of what the world (and even much of so-called “Christendom”) rejects today.
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	Ten Objections to the joint-heir inheritance being conditional - GH: usually due to confusion betweeen justification/poisitional and sanctification/practical issues: OBJECTION 1: A reward and an inheritance are two different things - Look at the Colossians 3:24 notes. OBJECTION 2: Making the joint-heir inhteritance dependent upon our works inserts legalism into grace: We have injected legalism into a grace issue, that works are antithetical to grace, and by making that condictional upon works, we are preverting what grace is trying to do. - RESPONSE: What we are talking about is not what we are producing in the energy of our flesh because that can't produce anything. The work that is being done in in that is a result of the word effectually working in us is actually the Life of Christ being lives in us. That's the kind of works that are acceptable to God. Those are the kinds of works that come out of grace, and those are not works that our flesh produces but they're actually the works that the Lord Himself produces in us by the Spirit dwelling in us and using that word to transform us. If we attempt to produce our own sanctification by any works that we are doing, then we would be preverting that issue. But the conditional nature of the joint-heir inheritance is not at all impacted just because good works are done. These works in us are a result of God's grace at work in us, they are a result of His word working in us. - See Romans 8:9; Galatians 2:20; Ephesians 2:10; Philippians 2:13; 1 Thessalonians 2:13; 1 Thessalonians 5:24; 2 Timothy 1:14

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	- If you are only going to make this about being IN Christ and everything about that, then how in the world can you have something because you are IN Christ and now suffer the loss of it? See how dangerous this doctrine is? If you say that because I've trusted Jesus as my Savior and as a result God put me in Christ and I'm a joint-heir and that's only because I trusted Jesus and I have been placed in Christ, understand all of this is about your postiion. It's about your status, your standing. If both of these are automatic simply because you are in Christ, and now you have the REWARD OF THE INHERIANCE in jeopardy of being lost, you have now taken something that was given to you in Christ in which everybody got it and now you are going to strip it away for some people based on what? Makes no sense. They have confused positional truth with practical truth, with the root word being practice. The practice is not about you emulating good works, the practice is CHRIST IN YOU, THE HOPE OF GLORY-Colossians 1:27. If you confuse those two, you have now confused the issues of your justification with the issues of your sanctification. This is what happens when people refuse to admit that the joint-heir inheritance is conditional. They read a verse out of sanctification and talk to you like it is out of your justified position. That is wrong, not the same thing. They misapply the scriptures and manipulate the idea that the joint-heir inheritance has to be positional, given to you in Christ. In order to do that, you have to violate what the scripture is talking about. EX They use 'indwelling Spirit' to mean you (GH: always) have Him, but 'indwelling' is not found in your Bible. But when He dwells in you, that's the word of Christ dwelling in you richly. It is doing something in your inner man. It's transforming you and it is the primary job of the Spirit to take that word and not only produce the Life of Christ in you by living out of that word, but also to transform you into the image of God's Son. MM believes this is the Spirit's primary job in the life of the believer. If you don't understand what it means for the Spirit to DWELL IN YOU, then you don't have enough information to understand what the Spirit is talking about. As a result, you misinterpret the verse, and pull it back under a positional truth when the verse is talking about your functional life on an everyday basis.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	OBJECTION 3: The Bible never uses the plural word 'inheritances' so the idea there are two of them is invalid. - MM says there are a number of words in your Bible where only the singular is used when these people that disagree here understand there is more than one. OBJECTION 4: To divide the body of Christ at the JSoC into these two groups (heirs of God; joint-heirs with Christ) is a display of haughtiness of mind, which Paul warns us against in 2 Corinthians 10:12. MM says this verse has nothing to do with the objection being posted here. This argument is counting on the fact that you are not going to turn to 2 Corinthians 10 and actually look at the context of the verse to understand what is going on. There are people in Corinth that are questioning the authenticity that Paul has as an apostle. The authority that Paul has an an apostle is being called into question by some of the people who are at Corinth. The really comical thing to MM about this is they are making the assessment that Paul is no a genuine apostle by his appearance. They are looking at the way he looks and they're thinking he can't be one. MM is thinking, what is an apostle supposed to look? But they have made that decision based on his appearance. So in order to understand this, you have to go back a few verses to v7. The reason for the Corinthians judging Paul by his appearance and his speech not fit to be an apostle is about as flimsy as this objection. Verse has nothing to do with the issue that we are talking about. We are not questioning the authority of Paul's apostleship and we are not making a distinction among the members of the body of Christ based on how they look. To use this verse as an objection is a disservice. If they had a verse that was really in the context of what we are talking about here, they should use it. Let's hear that. But don't start misinterpreting the meaning of a verse in order to make your point. That is very unfair. MM asks if you really believe that every believer is going to receive the exact same reward and he doesn't know anybody that does, are you not making a division among the members of the body of Christ? Would you apply 2 Corinthians 10:12 to that?
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	OBJECTION 5: The phrase IF SO BE in the Bible is always used to promote a continuance of logic rather than a condition. - Objection here is when the Bible uses the phrase IF SO BE, the Bible is always and only using it to talk about conitinuance of logic and not a conditional phrase. Really? So MM looked them all up. It's one thing to hear something but it is another thing to go and see if it is right. EX Matthew 18:11; Romans 8:9. So this objection is untrue. OED definition for IF SO BE says 'see the conditional if'. OBJECTION 6: To say that not everyone will receive the J-H inheritance is to “condemn” members of the body of Christ, contrary to scripture. Either in Adam or in Christ. Romans 8:1 - If someone doesn't get the same reward that you do at the JSoC, is that also a form of condemnation because that's the implication of this objection. OBJECTION 7: Romans 8 is not conditional in any part. OBJECTION 8: Anyone who is a “fellowheir” in the body of Christ is also a joint-heir with Christ simply by being a member of Christ’s body. - Uses Ephesians 3:6. MM says another verse being used completely out of its context and the fellow-heirs misidentified. Fellow-heir concept not talking about the body of Christ, it's talking about the two different programs.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	- Romans 9:4 Gave adoption to Israel first but there's an adoption to both groups. Not given the same things but still all fellow-heirs. - Ephesians 2:9 Both programs constitute the HOUSEHOLD OF GOD but we are not part of the same body. We are not part of the kingdom of heaven. They are going to be kings and priests. Paul never talks about us this way. We are part of his body and will be in a different location. OBJECTION 9: The mystery is not in any way part of Romans 8 contextually, and therefore has no connection to the suffering of Romans 8:17. - Say this because the word mystery does not show up till Romans 16. MM says you really think the mystery wasn't in operation in the earlier chapters of the Book? - MM chuckles at this because you are already presented with the gospel of Christ back in Romans 1 which is a DOGG gospel, not a gospel of the kingdom. OBJECTION 10: All believers are heirs of God who inherit all things because Christ inherits all things. - Use Romans 8:32 out of context again. ALL THINGS is not everything you can think of. If it did, we would all be rich. MM says the verse doesn't mean that you are automatically a joint heir, that you automatically SUFFER WITH HIM, doesn't mean that you will REIGN WITH HIM. There are the SAINTS and there are the FAITHFUL - there's a division. People use these interchangably to create confusion that they're one in the same.
Commentary	Comparison : Heir of God vs. Joint-Heir with Christ Inheritance	Both are available for every single believer. - HoG: Based on what Christ has done. Doesn't matter about how successfully you have lived for the Lord. Connected to justification. - JHI: Has a behavioral condition attached to it. Living with regard to our sanctification is important. Connected to sanctification.

Commentary	Comparison : IN Christ vs. Christ IN You	YOU IN CHRIST	CHRIST IN YOU
		Automatic	Not Automatic - transformation process - only by the effectual working of the word QUICKEN YOUR MORTAL BODIES-Romans 8:11 MORE THAN CONQUERORS-Romans 8:37 LIFE OF JESUS...IN OUR MORTAL FLESH-2 Corinthians 4:11 STRENGTHENED WITH MIGHT BY HIS SPIRIT IN THE INNER MAN-Ephesians 3:16 CHRIST DWELL IN OUR HEARTS BY FAITH-Ephesians 3:17 BLAMELESS (1 Thessalonians 5:23)
		IN CHRIST	CHRIST IN YOU
		Justification STATUS/POSITION	Sanctification FUNCTION (not automatic, Paul wouldn't be praying for them to get it if they already had it)
		If we weren't given above...	...we could never do above
Commentary	Comparison : IN Christ vs. Christ IN You	Doctrine : IN CHRIST - Is so automatic that you had to be told about it or you wouldn't have even known about it. Doctrine : CHRIST IN YOU - Is not something He did and He's just letting you know Christ being formed in you is a process that takes place by the effectual working of God's word in your INNER MAN. If that was automatic and if that was part of you being COMPLETE IN HIM Paul would never have to say a word about you having the peace that passes understaning cause you'd automatically have it. Doctrine : You IN Christ vs. Christ IN You: - IN Christ: All given to everyone automatically the minute you trusted Christ. Didn't pray for any of these things, didn't have to ask God for any of them. When you trusted Christ, there were a lot of things that you didn't even know existed. Paul had to come along and tell you about them and explain them to you. Things given to us IN Christ represent our STATUS/POSITION - who you have been made to be IN Christ. Problem: This can't be the end of it and say there's nothing else to be done. EX Given imputed righteousness	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : IN Christ vs. Christ IN You	- Christ IN You: Make sure you understand this and have this in your thinking beause is this is the most important lesson we have done yet (SR10:59). Not automatic. Part of a process that involves prayer, the word * where we are conformed to the Image of God's Son * where the life of Christ is made manifest in us Your FUNCTION - not enough to give us a bunch of stuff IN Christ, we now have to learn how to function like who we've been made to be IN Christ. EX The things we do everyday aren't always righteous. Living on earth in this body that is flesh and not redeemed. Have to learn to live out of this and not in your flesh. Don't confuse "Christ in us" issues as mercies which were given to us in Christ. These would be things such as: • the promise of glory (which shall be revealed in us) • hope (that delivers us from the SoPT and SoC) • edification unto godliness This new identity in Christ that changed our condemnation, abomination, and alienation statuses to justification, sanctification, and exaltation statuses.
Commentary	Comparison : Israel Program vs. The body of Christ	Nation of Isreal The body of Christ Scriptures in our Bible written to the nation of Israel Scriptures in our Bible written to us as members of the body of Christ God deals with Israel nationally or as a nation - nation gets blessings or punishments (EX Daniel getting carried away even though he was following God) Not a national thing - dealing with individuals who are members of the body of Christ living around the world- deals with us individually and corporately as a body Israel is under an economy of the Mosaic law The body of Christ is under and economy of grace With the law the focus/emphasis with Israel is physical things - blessings were physical (physical land) and the curses/judgments/punishments/penalties were physical Focus/Emphasis is on spiritual blessings/things - blessings are spiritual (not looking for the physical blessings today; punishments are not happening today) Confess your sins and then repent and then God will forgive you - punished for their sins (5 CoP) Your sins are already paid for/You are already forgiven - emphasis in everything we have been given in Christ - God is not punishing people for their sins today

Commentary	Comparison : Israel Program vs. The body of Christ : Sufferings	- Israel: Satan was attacking the nation (EX Pharoah in Egypt) - Israel: From the Hand of God - 5 CoP-Leviticus 26 - if they followed law, they got extraordinary blessings, more so than other nations - got what they were supposed to have in the frequency they were supposed to have; but when they were under the judgments or curses, didn't just get the SOPT they got the extremes of things. The blessings and curses were both beyond the normal things of nature. Gentiles were just under the normal SOPT. - Gentiles: No need for repentance, we believe that we are already forgiven. Emphasis is not confession and repentance, it is everything that we are given in Christ. - Gentiles: SOPT (GH: both programs) Suffering (GH: unique to the mystery program) - Satan - POE Phase 2 & 3 (Are the intimidation tactics of the adversary to make us quest because this is about silencing the messenger, let's get them to stop; MM says NOT spiritual warfare, which is over Bible doctrine that takes place in your mind) - SOPT - SoC
Commentary	Comparison : Israel Program vs. The body of Christ : Justifications vs. Commissions	Israel: 2 Justifications: 1. unto eternal life (in response to their faith - in the Eyes of God - gets you in the little flock) 2. in the eyes of men they are the FRIEND OF GOD-James 2:23 - very obvious they are serving God, there are no secret disciples in the believing remnant, obviously on the side of the True and Living God and serving Him, make a testimony in front of those who see you. Here on the earth because that's where Israel is going to be. The body of Christ - 2 Commissions: 1. Publish the word of reconciliation - to men (2 Corinthians 5:19) There's a way to be reconciled to God through the gospel. Through Christ you can be reconciled to God. 2. Make known the manifold wisdom of God - to angels (PRINCIPALITIES AND POWERS IN HEAVENLY PLACES-Ephesians 3:10)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program	Prophecy (spoken) program vs. Mystery (hidden) program Israel Program: Don't think about eternity the way Gentiles do. They don't think about dying and going to heaven, the think about being resurrected and being part of the Kingdom on this earth. Big deal to them. If they believed, they became members of the Lord's little flock. If they believe He is the prophecized Christ, the One who the prophets foretold. That He was the fulfillment, that He was the Christ, they were JUEL. The Pharisees and lawyers that rejected that message and rejected that baptism are not going to be part of the kingdom because they did not believe the very heart of the gospel of the kingdom that Jesus is the Messiah who is the King who will sit on David's Throne. Once they believed, an Israelite has 2 justifications: 1. JUEL: In the eyes of God - Has to do with eternal life. 2. Once they know they are going to go in the Kingdom, they are called upon to be justified in the eyes of men that they are the 'friend of God'. Has to do with reward. There are certain things they will be able to do to show their faith by their works. They have a responsibility to provide a testimony to the unsaved portion of the nation of Israel. When John the Baptist and Jesus was here, that testimony was found in being baptized. The ordinance of water baptism is part of the law, part of a gospel of the kingdom. GH: Message in the gospels and Acts 1-7 are the same.
Commentary	Comparison : Israel Program vs. Mystery Program	When Israel goes under the law at Sinai, God begins to deal with Israel in a particular way and it is very different than the way He deals with us today. Prayer is different. The message of salvation is different. MM taught in Bible college the OT got saved looking forward to the Cross and we get saved looking back at the Cross. The problem is, they weren't looking forward to the Cross. Even His own disciples, when He died on the Cross, they thought it was over. They went back to fishing. Remember when Jesus intercepted the disciples on the Amaeus road and He asked them why are you sad and downcast? Look at the gospels where Jesus says I am going to be killed but I will rise again the third day. Said more than once. At the Cross, how many of the 12 were saying don't worry boys, in 3 days He is coming up from the dead? Remember what Thomas said? What were they looking forward to? MM says not the death on the Cross. That sounds good in the seminary classroom - they got saved looking forward to the Cross. You better hope that's not true because if it is, none of them were saved. What God is doing with Israel under the law is very different from what He is doing with us under grace. That effects everything, including prayer. Law vs. grace makes all the difference in the world about just about everything we understand about the Christian life. But because we don't know that, we reach back in Israel's program and we want to pull those things to us. So, if bad things are happening in your life, the Lord is trying to get your attention. This is acting like you are under the law (GH: or some kind of performance system). Understand that Genesis-Malachi is written to the nation of Israel. The law was given to Israel, not Gentiles. Sciptures written TO them and about them. Israel was not looking forward to the Cross. That was them putting Him to death. They didn't understand what that was about/didn't realize that was redemption.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program	Mystery Program: Began with Paul, who is the first member of the body of Christ. Then God begins to deal with us in the DOGG, which ends at the Blessed Hope/Rapture. Once the DOGG is over, God will take up right where He left off in the prophetic program. Because we have been in the DOGG for over 2,000 years, we take for granted that this is the way that it has always been. But it has not always been this way. Wasn't always a time that a Gentile could put his faith in the finished work of Jesus in the DBR and be JUEL but we think that because we haven't known anything in our lifetime or grandparents lifetime or generations before that. Today, God has interupted that prophetic program so the distinctiveness that Israel enjoyed (GH: in TIMES PAST) is no longer enforced. God is now offering to anyone, Jew or Gentile, an opportunity to be saved, reconciled to God, to be JUEL. God is offering this to any and all - doesn't matter if you are an Israelite. Why Paul says there is no Jew or Greek, is no bond or free, is no male or female - Galatians 3:28 - all of these distinctives - national, individual - those are all done away with IN CHRIST. Today, you have Jews and Gentiles making up the Body of Christ. Called the DOGG because even though Jews can get in on it, the focus is on Gentiles. An Israelite can get in on this just like in the prophetic program, Gentiles could be proselytes to Judiaism. Today the focus is on that word of reconciliation that God is publishing to the whole world. Breaking down the middle wall of partition was not talked about in the prophets. God calls Paul, interupts the prophetic program and starts the Mystery program. He calls Saul of Tarsus to be Paul the apostle to us Gentiles. Get introduced to the doctrines pertaining to this dispensation of grace. No one knows how long the Mystery will go. God didn't tell them when to expect it to start and He didn't tell you when to expect it to end. God has a program of grace going on.
Commentary	Comparison : Israel Program vs. Mystery Program	Mystery: Not readily seen or observed. Mystery of Christ: No O.T. prophet talked about it. Mystery Program: Satan didn't see this coming and God never said anything about it in those prophetic scriptures. Not one angel knew about it. When the Lord Jesus was here, He never mentioned one thing about it. Israel: Circumstance (PG) Mystery: Inner Man (PG) The Resurrection was about raising Christ to sit on David's throne (Acts 2) for the prophetic program. The Resurrection was about resurrected life for you for the mystery program. Paul glorys in the Cross because that's where our salvation comes from. None of the others talk about the Cross like Paul does. Prophetic program under a dispensation of the law. Mystery program under a DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program	Three main differences: 1. The message - what the gospels are asking people believe are different. GH: All by faith. - O.T.: Believed the prophets and feared God (understood what it would be to sin against a holy God). - Gospel of the Kingdom: Jesus of Nazareth is the prophecized Christ. Some incorrectly believe it was faith + works. James has two justifications. No works, no reward. May live in the Gentile areas during the kingdom. Both groups think the other is sending their people to hell. MM betting on what God's done opposed to let's help God out. - Gospel of Christ: Saving Faith: Trusting what Jesus did on the Cross is sufficient to pay for your sins and satisfy God's Justice. Putting your faith in the finished work of Christ and trust that that will satisfy God's justice. NOTE: Commissions are different as well. 2. The audience - Israel only: GO RATHER TO THE LOST SHEEP OF THE HOUSE OF ISRAEL-Matthew 10:6 - Gentiles and Jews: NO DIFFERENCE BETWEEN THE JEW AND THE GREEK...RICH UNTO ALL-Romans 10:12 TO THE JEW FIRST, AND ALSO TO THE GREEK-Romans 1:16
Commentary	Comparison : Israel Program vs. Mystery Program	3. The signs that accompany the preaching of the gospels - Royal Priesthood & Holy Nation vs. body of Christ - Gospel of the Kingdom: They were to authenticate the message that the kingdom was at hand by performing the two hallmark signs of the kingdom - Matthew 10:7-8: 1. Healing the sick 2. Casting out devils When the prophets talked about the kingdom, said there would be no unclean spirit in the land of Israel and there would be no sickness in the kingdom. THE GOSPEL OF THE KINGDOM, AND HEADLING ALL MANNER OF SICKNESS AND ALL MANNER OF DISEASE...AND THOSE WHICH WERE POSSESSED WITH DEVILS-Matthew 4:23-24 - Make known the mystery of Christ that God is doing something different. MM says he has been in church his whole life and nobody talked about what that was. TO MAKE KNOWN THE MYSTERY OF THE GOSPEL-Ephesians 6:19 - The mystery of the gospel is that while the OT refers to the redemption for Israel provided by their Messiah, God revealed to Paul that in His death on the Cross, Jesus was providing for Gentiles to be dealt with by God apart from Israel. - THE GOSPEL OF CHIRST-Romans 1:16 - MY GOSPEL-Romans 16:26 - Because nobody else preached this gospel. - THE GOSPEL...NOT AFTER MAN...I NEITHER RECEIVED IT OF MAN, NEITHER WAS I TAUGHT IT...REVELATION OF JESUS CHRIST-Galatians 1:11-12 THAT GENTILES SHOULD BE FELLOWHEIRS...THE SAME BODY...PARTAKERS OF HIS PROMISE-Ephesians 3:3-7

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program	- When Paul wrote his letter to the saints at Rome; Israel had been under the Law of Moses for 1500 years. The proclamation of grace was revolutionary! The Law was the standard of what everybody thought. What's the first thing people would think when Paul wrote Romans 6:14. The Law told people everything about their life; what to eat and what not to eat, how to dress, who to marry, when to work, and hundreds of regulations. - Under grace, we have liberty. What the Bible is talking about when it speaks of our liberty in Christ, is that we have the right to choose to do some things under grace which Israel, under the Law, could not do. I am not talking about being given a license to sin, but I am talking about being given a choice about things which, in time past of Israel's program were forbidden to them for reasons of separation, but in this DOGG are neither right nor wrong of themselves. - EX Under the Law Israelites could not eat pork or catfish, or wear certain types of fabric mixtures. But under grace, Paul says we can eat anything we want, wear whatever fabric mixtures we want.
Commentary	Comparison : Israel Program vs. Mystery Program	- EX Under the Law you observed the Sabbath, under grace we regard every day the same. - EX Under the Law, they would not eat meat offered to idols. Under grace you have the liberty to do so if you want. The issue for Paul is not whether you eat meat offered to idols or not; for neither of those makes you spiritual. God cares very much how you live. But being under grace means instead of God giving you a rule about what to eat, how to dress, etc., we take responsibility for making godly Sonship decisions about every area of our lives. Paul tells us that real spirituality is not found in what you eat or don't eat. When someone founds themself on a secondary issue, you should really give that a close look. The thing to found ourselves on are the fundamentals of the faith.
Commentary	Comparison : Israel Program vs. Mystery Program	Examples: - the virgin birth - the bodily resurrection - the inspiration of the scriptures - the blood atonement But there are no secondary issues. Outward expression of things are secondary issues. Real spirituality comes in your inner man.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program : Circumcision	Comparison : Israel Program vs. Mystery Program : Circumcision - Circumcision was an issue back in Israel's program, it was a token of the covenant between God and His people. God was unhappy with Moses for not having his son circumcised (Exodus 4:25). During God's program with Israel, circumcision was a token of the covenant between God and His nation. It was a sign/reminder for Israel to trust in God and not their flesh. But there has been a dispensational change and Israel no longer enjoys a "favored nation" status before God. God's not working with nations today, He is working with individuals in the DOGG. - In the DoGG, two things that were important are now changed from a physical issue to a spiritual issue. Baptism and circumcision are a sign of unbelief in what God is doing today. Why is that? Because in this DoGG, our baptism and circumcision are spiritual (not physical) and they took place the moment we trusted Christ as our Savior. We got a spiritual circumcision, not physical. This is not the default thinking of most believers today. Ask them about baptism and they immediately think of water baptism.
Commentary	Comparison : Israel Program vs. Mystery Program (Circumcision vs. Uncircumcision)	Ephesians 2:14-18: Talking about the distinction between the circumcision and the uncircumcision being removed by Christ's work on the Cross. Christ has removed those barriers/distinctions. Paul is revealing God's hidden plan to create peace between Jews and Gentiles and form a new entity – the body of Christ - by the following: 1. He is our Peace(v14): Not peace between us and God. Christ is the basis of peace between Jew and Gentile. Distinctions don't matter. MM says this doesn't mean much to most Americans since there is a lack of anti-Semitism. Back then, both looked at it that way. When a Jew looked at a Gentile, the word 'dog' came into their head. Not talking about man's best friend, talking about someone who was not worthy. So Christ is the basis of the peace. 2. He has made both one(v14): Israel has fallen to the level of the Gentiles and God is not working with them as a nation today. Therefore, God can have mercy on individual Jews and Gentiles. He is going to take Jewish believers and put them into the body and He is going to take Gentile believers and put them into the body and one is not better than the other. Different than Israel's program. Also means God is no longer working with Israel as a nation. He no longer has to deal with them as a nation, he can deal with them as individuals. EX Daniel was a faithful believer but he got carried away captive because God is dealing with them as a nation. EX When Achan stole and hid the gold, everybody suffered because God is dealing with them as a nation. MM hears people say all the time 'God is judging America...' for whatever their particular agenda is. Problems: 1. This is not a time of judgment, this is a dispensation of grace. Meaning God is not dealing with people based on their performance. That's what the law did. God is not dealing with people today based on performance. Why it looks like wicked people can look like their life is really good.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program (Circumcision vs. Uncircumcision)	3. He has broken down the middle wall of partition(v14): The distinctions between Jew and Gentile have been done away with and replaced with Jew and Gentile being made one in Christ. This does not mean we Gentiles are now an extension of Israel's program; we are not. There has been a cessation of that program and God is now doing something new and previously unknown. The wall was the barrier symbolized the Gentile's lack of access to God, but Christ has done away with that by His work on the Cross. MM talks about a 5 ft wall that converts to Judiasm couldn't get any closer and to violate this boundary was on pain of death. The Gentile did not have the same access to God that the Jew did and now all of that has been done away with. As a believer in Jesus Christ, you now have as much access to God as anybody has ever had. You have more - 24x7x365. 4. He abolished the enmity(v15): God is not done away with the law-1 Timothy 1:8. This means that Christ made the law useless as a way of access to God. The word "abolish" here means to render the law useless or idle. The law still plays a role in convicting sinners.The word "abolish" here means to render the law useless or idle. The law still plays a role in convicting sinners, to demonstrate that.
Commentary	Comparison : Israel Program vs. Mystery Program (Circumcision vs. Uncircumcision)	5. He made Himself of twain, one new man(v15): This is the new entity that God created by virtue of the cross-work of Christ. From TWAIN (Jew and Gentile) Got is now making one new man, which is another way of describing the body of Christ. If referring to the ONE NEW MAN by a pronoun, you would call it 'he'. God is not adding us to Israel's program, now you guys get to be part of Israel's program but people teach that. You are not spiritual Jews or spiritual Israel. You are part of the body of Christ where it makes no difference whether you are a Jew or Gentile. 6. He reconciled both in one body(v16): That one body is a reference to the body of Christ. Every Jew or Gentile who has believed Paul's gospel is made to be a part of the body of Christ with no more distinctions between them. 7. He preached peace to both(v17): This is not referring to the earthly ministry of Jesus, for at that time GH: only Jews-John 4:22. 8. He gave us access unto the Father(v18): This is an access that is unparalleled because it is BY ONE SPIRIT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program : Marriage	Celibate life - Jewish culture - great emphasis on being married. 7 people not going to heaven. Men who are not married. Women without children. Paul is saying it is fine if you are not married. At some point during the DoGG, a doctrine of celibacy was instituted within the Christian religion where the clergy were not allowed to marry. Eventually, celibacy was imposed upon anyone involved in the Christian religion as an occupation and it was required for ordination. The fact that this question is asked of Paul may indicate that this doctrine is already making headway back in his day. MM says some religions have made this a rule, that you are just not supposed to be married. What Paul may have been addressing the Greek philosophers in 1 Corinthians 7:1-8. The Jews, on the other hand, defended marriage as proper, and a duty. They regarded marriage as an ordinance of God. To this day, Judaism holds that a man who is twenty years old and has not married, is sinning against God because it is thought that this unmarried man is breaking the divine command to “be fruitful and multiply.” Suggested marriage at 16 or 17. Dr. Lightfoot produces some examples from the Jewish writers: "The man is commanded concerning begetting and multiplying, but not the woman. And when does the man come under this command? From the age of sixteen or seventeen years; but, if he exceeds twenty years without marrying, behold he violates and renders an affirmative precept vain (not obeying BE FRUITFUL AND MULTIPLY). The Gemara says: It is forbidden a man to be without a wife; because it is written, It is not good for man to be alone. And whosoever gives not himself to generation and multiplying is all one with a murderer: he is as though he diminished from the image of God, etc."
Commentary	Comparison : Israel Program vs. Mystery Program : Kingdom vs. Heavenly Places	For the Jew, he never thought about going to heaven when he died. He thought about being part of a kingdom on this earth, that was eternity for a Jew. MM says it's a bit of a revelation when you go back and look at the scriptures. The streets of gold and gates of pearls is going to be in the kingdom. For us, we should look at it as one day occupying a position in the heavenly places in a glorified body as part of the body of Christ up there in the heavens. GH: People think they would rather be Israel but they haven't really looked at THE RICHES OF THE GLORY OF HIS INHERITANCE IN THE SAINTS-Ephesians 1:18. If you look at a list they get and we get, we get stuff that they don't get. We get all of the blessings they get. We get all of theirs, but then we get some they don't get. MM jokes that doesn't mean that God likes us more.
Commentary	Comparison : Israel Program vs. Mystery Program : Time	When it comes to studying Israel and you are talking about time, there are some oddities with them that did not happen with us. They are kind of different. Examples: - Israel's day starts at 6 PM. Evening 6 PM - 9 PM Midnight 9 PM - 12 AM Cock Crow 12 AM - 3 AM Morning 3 AM - 6 AM 1st hour 6 AM - 7 AM 2nd hour 7 AM - 8 AM Sabbath DAY started 6 PM the evening before. We do morning and evening. The Bible does evening and morning. ARE THERE NOT 12 HOURS IN A DAY-John 11:9.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Israel Program vs. Mystery Program : Time	- The Jews had 2 calendars: 1. Had a civil year 2. Had a religious year These started in different months. When you are looking at a month, have to know which calendar they are actually talking about so you can identify that in the year. - We have colloguailisms that describe a period of time but they are not very specific. Examples: 'I haven't seen someone in a month of Sundays' - not precise or exact, trying to say it's been a while/long time 'only happens once in a blue moon' - a blue moon is the second full moon in the same calendar month - again something that says it's been a long time Jews are more precise. - We can have 31 or 30 or 28 or even 29 days in a month. In Israel's program, all the days of the month had 30 days. They didn't add a day for leap year, went a longer period of time and added a 30 day month. Important because this allows for some precision in their terminology.
Commentary	Comparison : Israel Program vs. Mystery Program : Time	- Jews had a week of (7) days like us but they also had a week of weeks (49 days). Week was a substitute for the number 7. On the religious calendar, Israel had a feast called the feast of weeks. Then Pentecost was the 50th day and came after those 7 weeks. Also had weeks of years. Something happened at the end of everyone of these: At the end of every 7th day - a Sabbath At the end of 7 weeks - a feast day At the end of 7 years - let land rest 7th year (GH: or 6 years?) At the end of a week of years - the Jubilee year (49 years) - If a guy went into servitude because he owed a debt that he couldn't pay, no matter when he went in, on the Jubilee year he got the debt forgiven and was no longer a servant. - If you sold land because you needed the money, in the Jubilee year you got your land back. - MM joked it paid to know when the Jubilee was happening. 4 BC - Christ is born 30 AD - Christ is crucified & Resurrects from the dead

Commentary	Comparison : Bodies : Jesus vs. Believers	Jesus: Sin's failed Attempt #1 of 4-AT BIRTH; kept sin from becoming His master Day 1. Not born in sin-conceived of the Holy Ghost/Virgin Birth/Divine not Human origin (Matthew 1:20). Body didn't need redeeming - no sin in it. Sin never His master - had different equipment. Jesus destroyed the body of sin in you when you were baptized into His death. No sin in His Body. 'Just as sin was incapable of what it wanted in Me (Jesus)...' Sin's failed attempt #2 of 4: Entire Ministry/Life without sin - Jesus resisted temptations that would have put sin in His members and corrupted His eternal body (Hebrews 4:15) Sin's failed attempt #3 of 4: On the Cross: Best attempt when He as bearing the sins of the world in a beaten physically weakened condition while spiritually battling Satan - He finishes BEFORE He willingly dies (otherwise, sin in His members and no Resurrection). Willingly laid down His eternal Body-would have lived forever/function perfectly otherwise. Jesus' body did not die due to sin's corruptive effect (but of His own free will) Sin's failed attempt #4 of 4: In the tomb when Jesus body lying empty (no soul or spirit): MM story of sin whipped and immobile at the foot of the Cross - after 3 days and 3 nights, Jesus body comes back to life with zero decay better than before, having resurrection power. He doesn't need a new body, His old one is perfect. The public display that sin had no hold or hook on Him whatsoever. Resurrection proof of that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Bodies : Jesus vs. Believers	Believers: - At birth, born with a 'body of sin'/slave to sin - born in a sin nature - Body needed redeeming - all 3 justification mercies needed for soul & spirit - Sin our master - born into it, came with our equipment - DEAD TO SIN but still have sin in our members - sin still seeks to corrupt us - we are still able to produce fruit unto holiness with the power of grace - '...I HAVE made sin incapable of getting what it wants in you'. - Our unredeemed body will die one day - sin of corruption will cause our organs to eventually fail - Corruption power of sin causes our organs to fail and cause eventual death
Commentary	Comparison : JSoC (Judgment Seat of Christ) vs. GWT (Great White Throne) Judgment	JSoC vs. GWT The JSoC takes place immediately in connection with the Blessed Hope. The GWT judgment takes place after the millennial reign of Jesus Christ on the earth. The JSoC involves only believers/saved members of the body of Christ, and only believers who are part of the body of Christ, and as such, is not about determining salvation. The GWT involves the lost dead from the beginning up to that time. It is also at the GWT that millennial saints will receive their rewards. The JSoC will take place in the heavenly places. The GWT will take place on the earth. The JSoC is an individualized judgment, not a corporate one. But that is how MM sees the GWT too. (The difference might be with the judgment of the nations.)
Commentary	Comparison : Justice vs. Judgment	Justice is simply the issue of right and wrong, good and evil. We immediately know we do not do certain things because they are wrong. That knowledge tells us what to decide. We make judgment decisions when there is no clear choice of good and evil; when there is more than one right option to choose from and when there is no obvious or immediate answer.
Commentary	Comparison : Justification vs. Salvation	Justification: Showing or making in some manner or form something to be just, right, righteous, or proper. Salvation: The act of being saved, delivered, rescued, etc., from some predicament, peril, destruction, loss or calamity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Justification vs. Sanctification	Justification is about being made righteous. Sanctification is about being may holy. Holy means to be set apart unto God's designed purpose. When God creates things, He creates things with a purpose. When you trusted Jesus as your all-sufficient Savior, you were JUEL because He imputed the righteousness of His Son to you and your standing before God is now one of the perfect righteousness of Jesus Christ. No matter how you live in your everyday life, that is your standing before God, that's your new identity in Christ. That new identity in Christ has 3 parts to it. First, you were in Adam. You were under sin, but when you trusted Christ, you're forgiven. Second, you were unrighteous. But you were given the imputed righteousness of Jesus Christ when the Spirit baptized you into Christ (Romans 6:3) and all His accomplishments, you get the benefit of that. You didn't become Christ, but you got the benefit of being in Him and you got a new identity. Third, you were an enemy of God. But once you trusted Christ as your Savior, you got the Atonement. You were made to be At One with Him. Because of that, Paul says you have PEACE WITH GOD-Romans 5:1. All this is your justification.
Commentary	Comparison : Justification vs. Sanctification	Your eternal life. What people don't understand when they're saying, 'hey, I've got to live good or I can't go to heaven.' They don't understand. You get eternal life based on who you are in Christ, not based on what you do. But when you got saved, you also got a sanctified standing in Christ. You get a righteous standing in Christ too but that doesn't means your life every day is righteous. That's not automatic. But you have the power to change that because He changed who you are. And you can live out of that new identity in Christ. Now, living in this mortal body with sin in its members, you can produce righteousness that God is well pleased with, but it is not your righteousness, it's Christ in you. That's the righteousness that you can now produce in this mortal body. And that's glorious. You got a sanctified standing which God, positionally, in Christ, set you apart for the purpose for which He created you. Justification is about your eternal life. Sanctification is about your functional life. You have a position in Christ that is sanctified but that does not mean you actually live holy every single day. You get to where your functional sanctification lines up to your positional sanctification by edification, the effectual working of the word conforming you to the position that you have in Christ.
Commentary	Comparison : Justification vs. Sanctification	That's a process. And you can't get it any other way. So in this functional life, you got a new identity over here too. To get you to live holy, God had to set you free from sin. So He crucified you with Christ. Because if you die, sin can have no more dominion over you. First, you were made DEAD TO SIN-Romans 6:2. Second, before in Adam, you were dead to righteousness. But now, in Christ, you are ALIVE UNTO GOD-Romans 6:11. Now, the life of God can actually be lived in you. Third, you've been made to be sons and daughters - Sonship. You are made to be adopted sons & daughters of your heavenly Father. This is the whole relationship issue right here.
Commentary	Comparison : Children vs. (Adopted Adult) Sons (dispensational issue)	Child - Works under restrictions - Taught by tutors and governors - Dealt with under the law - Dealt with as a child - Israel Program - TIME PAST Son - Works under liberty - Instructed by his Father - Dealt with under grace - Dealt with as an adult son - Mystery Program - BUT NOW

		Read these and ask yourself - 'do these sound like the same thing to you?' One really bad and one really good. MM wonders for people who say they are the same, he wonders what they are looking at. Paul never talks about the day of Christ the way the Bible talks about the day of the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : DEMONS vs. UNCLEAN SPIRITS vs. POSSESSED OF/POSSESED	MM says 'ideas have consequences' and Satan has some ideas and he wants to plant them in as many people as will hear them. And those ideas are of such a nature that if they are planted in the right person in the right conditions in which they live in an area of the world which is in DARKNESS, they will manifest themselves in the most vile and offensive forms that we would attribute to some creature who was making him do it. But it is not a creature, it is the manifestation of what Satan has produced in his spirit and that's the outworking of it in his body and that's more than a subtle difference. If you mistake this as a little drooling malignant pointy eared/tailed creature, Satan would love to have you doing nothing but dealing with those all day and completely missiing the methodology he is using. There are devils, there are unclean spirits, but they are not of the nature that we have been led to believe, they are much more purposeful in nature.
Commentary	Comparison : DEMONS vs. UNCLEAN SPIRITS vs. POSSESSED OF/POSSESED	All those false gods - Chemosh, Ashtaroth - remember what God said, when you go into the land you drive them out, you kill them, you don't make a treaty with them, you don't intermarry, because when you do, that culture will come to your culture. MM says this is exactly what goes on today. Your first response is to take what they believe about their false gods and integrate it into what you believe about Me. You are going to marry the two together and now you've got a mongrel that is no longer what God wants them to do. But that is Satan's compromise step. He's not asking you to give up Jehovah. If He is THE MOST HIGH, it's OK to have some others. MM says how many religions of the world when they've gone into a place with mission work have absorbed the paganism and even the occult of that area. God knew that was going to happen and HE tells them - this is what you are going to be tempted to do, don't do this.
Commentary	Comparison : DEMONS vs. UNCLEAN SPIRITS vs. POSSESSED OF/POSSESED	Remember how Josiah destroyed and removed GH: Baal worship out of Israel? He cut down the groves, he took the image and burned them, stamped them into powder and strewn them in the river Kidron. He took the priest and he slew them. He took all the things that they could see and hear and touch and he took those things and completely destroyed them. Everything he did was physical. That was remarkable. There was no other god. God says there is no other God than Me. Those other gods were manifested in phyiscal forms but they came from Satan. They were real to a man in his mind.

Doctrine: Romans (no one is getting correction because they don't know anything - haven't received the doctrine yet) Ephesians (advanced doctrine) In your Bible, there are many doctrines: - Doctrines for justification, sanctification, making us think like our Father. - Form of doctrine: think, live, labor - Train our mind to think about on purpose what is given to us in the doctrine and let that be our motivation. DOCTRINE - Identify the problem The whole purpose of D/R/C/IiR is tied into GODLINESS. The order it is given in is about producing godly edification. If you don't do the process in this order, edification doesn't work. Given to you in this order D/R/C/IiR because this is the only way edification works. If someone jumps to 1 Corithians 14 (IiR), he is going to do one of 2 things: 1. Get it wrong 2. It's going to be very incomplete - will just be data

Instruction in righteousness ALL BOOKS HAVE INSTRUCTION IN RIGHTEOUSNESS - Instruct them
Commentary	Comparison : Doctrine vs. Practical Application	Doctrine (learning things) vs. Practical Application (putting those things to practice in your Christian life)
Commentary	Comparison : Education vs. Edification/Effectual Working (the 2 Es)	Education: - Data - You mentally learn it - Stuff you know intellectually - Learning a bunch of data - getting the knowledge Edification: - More than data, effectually (more than just being effective) works in your inner man - When what you mentally learn is now being put into practice in your life/inner man. - Something you begin to do in your life; it's really in you, really how you see is and understand it - When that data is transforming the way you look at AND respond to things and how you understand what God is doing. - then getting that knowledge in your inner man - Is the information. Even when it is properly understood, it's still just the information. But what we want to do is we want to move that information from just stuff in our head to now moving that to our heart so to speak. That begins to transform us from the inside out. What the work books are designed to do. - You are incapable of producing edification on your own. The Holy Spirit takes the written word on the page and produces an edification. Should view both the education and edification/effectual working as necessary or non-optional. No matter how much data you have in your head, without effectual working you won't be qualified to use that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Effective vs. Effectual	Effective: Successful in accomplishing some purpose. Close to being effective but it's further than that. - Most people this think effective when they read effectual. Effective is not used in the Bible in any form. - Works but could be improved upon or could be substituted for. 4 things: Will do what it is designed to do. 1. Successful in accomplishing its purpose (What effective is) - If it is EFFECTUAL, it is 'effective' - 3 additional elements that take is beyond 'effective' 2. It is final and conclusive – as far as accomplishing its purpose 3. It cannot be improved upon/nothing can do it better ('effective' can be improved) 4. It is not to be substituted for ('effective' can be substituted for) At its core, means it will do what it was designed to do and it cannot be substituted for and it cannot be improved upon. It is the fulness of what can happen with it.
Commentary	Comparison : Enemy vs. Adversary	ENEMY: - may be open or secret and may apply to people or things; such as “an enemy to the truth.” Just because someone is your enemy doesn't mean they tell you that. - A man may be your enemy but it does not necessarily mean he is actively engaged against you. They are not doing anything to you. - would make war against and wound the person he opposes. ADVERSARY (1 Timothy 5:14; 1 Peter 5:8) - is one who takes an opposite part, or actively engages in opposition to another. - is actively engaged against you. When doing something against you, they are your adversary. Working/Busy to oppose you. - contends for possession of something of which he would deprive his competitor. An adversary is trying to take something from you - your Sonship Life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Ephesians vs. Colossians	Comparison : Ephesians vs. Colossians - These two books have a lot of terminology in common with each other. Really close but there are distinctions between them. - A lot of things look very close, which they are. People have referred to them as spousal epistles/books, like husband and wife. Ephesians deals with the church, the body of Christ in the position of the "wife" who submits, and Colossians deals with Christ in the position of the "head" or "husband." - Ephesians talks about the doctrine from the standpoint of us being IN Christ. Colossians talks about the doctrine from the standpoint of Christ IN you. - Ephesians talks about God's devotion/love to us and how He has demonstrated His Love to us and what He is doing, what He has done for us. Colossians talks about our devotion to/love for Him. Colossians is for sons and daughters who are serious about Christ being formed in them. These are joint-heirs with Christ and they take their sonship education as the most important thing they can engage in. GH: For serious Christians who want to labor with their Father in eternity. - Ephesians is mostly positional truth. Colossians is mostly practical truth.
Commentary	Comparison : Ephesians vs. Colossians	- Ephesians like wife, body. Colossians like the husband, head. - Differ in their lists of the positions of power and there's a reason for that - Ephesians is talking about His Love to us and what He has done for us so it contains some ranks not in Colossians. Colossians is taking about our live for Him/our dedication towards Him and include Thrones (not in Ephesians list). MM says if you read a verse you don't understand, go read it in the other Book and a lot of time it will shed light on it. On the list of the governmental positions: * Ephesians: Kind of start in the middle and goes to the bottom * Colossians: Starts at the top and runs to the middle There's a little overlap in the middle. You have a lower list and a higher list and the lynch pin is in Philippians 3:14. MM thinks the lists are given this way on purpose. Think of Ephesians-Philippians-Colossians as a set like Romans-Corinthians-Galatians.
Commentary	Comparison : Establish vs. Stablish	ESTABLISH: Get your started STABLISH: Means you're started but now you get stabilized because there are some things that are going to begin to come against you. Don't need to learn those first things again, need to learn some things that will ROOT you and GROUND you so you are not blown about by every WIND OF DOCTRINE. ESTABLISH (Romans 1:11): Cannot be forced on anyone. Have to want the effectual working of God's word in you ESTABLISH: On the beginning of a timeline, is starting something. Starting a church. STABLISH (Romans 16): On the end of a timeline, has to do with the end. MM has used the word stablize with us. Established: Get it going Stablished: To be stablized after it is going. It assumes that establishment has already taken place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Eternal Life vs. Everlasting Life	Eternal is describing the kind of life vs. Everlasting is talking about how much time you get to have that eternal life that God is giving you. - everlasting is a one way street; talking about forever only in one direction. Most of the time in the Bible, this is talking about the future. You are going to have everlasting life. There won't be any end to it. - eternal has a 2-way street in mind. It is talking about both past and the future being without end. With God, there is no end, but there wasn't any beginning. It has always been there. The difference between eternal and everlasting is that when a thing is eternal, it does not just mean it lasts forever, but it means that it has always been; it had no beginning either. God is not just everlasting, He is eternal. - everlasting life is talking about how long it lasts, how long we will have it. - eternal life is describing what kind of life we will have, not describing when you got it. God's life is eternal; He has eternal life within Himself. What He gives to us upon our faith in Christ is His life which is eternal life because His life had no beginning. God didn't just give you life that lasts forever, He gave you His life - eternal life. When you trust Jesus Christ as your Savior, He puts His life in you. Eternal isn't talking about you had it forever. Everlasting is how long you will have it. Verses: Deuteronomy 33:27; Psalm 90:2; Psalm 145:13; Romans 6:22
Commentary	Comparison : Evil Man vs. Strange Woman	EVIL MAN: Shows up in Proverbs 2, 17, 24, 29. As Israel progresses in their education they are going to get another aspect of the EVIL MAN. Won't get everything he's got the first time you encounter him. You will come to a place where for all intents and purposes, the EVIL MAN is going to die. You will come to a point and think, I haven't had an attack in that area in a long time. MM says and you are probably not gonna. No one is driving this one, it's just the world. Will come to a point that the FASHION OF THIS WORLD-1 Corinthians 7:31 is no longer going to be a temptation for you. Like the devil coming to MM and say, why don't you quit preaching? He has settled those issues, just not a temptation for him. World will entice you like it did Israel - to show you what you don't have. Most selling today is based on that. Satan has made this so it is actually fed by ungodliness of unsaved men. Means it has all the power supply it needs. Satan doesn't have to push on the gas because it feeds off itself and runs on its own. Israel program's description for THE COURSE OF THIS WORLD-Ephesians 2:2. First major opposition that will come against you as a son. Has one objective - how you spend your time. Will either spend it on Sonship or something else. it will come right back around, use the world, and try you again. As you progress through the education, you will get to the place where the world is going to become ineffective with you. The draw it used to have, it won't have anymore. Things you are learning is renewing your mind and the world isn't having that draw. EVIL MAN or world doesn't have a house or place - it is everywhere.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Evil Man vs. Strange Woman	STRANGE WOMAN: See her in Proverbs 2, 5 (2x - two different things), 6, 7, 20, 23, & 27. Will deal with all the way to the end. Not going to go away. It is ALWAY. If you become a fully educated son, MM says he doesn't want to scare you. If you are a fully educated son, you really have your Father's Wisdom in you. You really are making an impact on these principalities and powers. Satan will be ramping up his attacks. He's only got one thing left to do and that is to kill you off. He doesn't know who you are now. How many times did they try and kill Paul? Wasn't the world, it was the religious leaders = STRANGE WOMAN = Policy of Evil. Good news: you will get to the place where the world has no impact on you. Bad news: Will be at a place where Satan hates your guts. When she comes into the land, she is going to have the same enemies that she had before she got into the land. Before she got into the land, give me an example of the STRANGE WOMAN. People will come in here and look at this setup and say this is not right. This is not how this works. Not supposed to have tables set up like this. Notes/Notetakers? What they don't understand is this is exactly how this is supposed to go. Because it has gone in a different way for so long, we look like the odd ball. They'll say this doesn't look/feel like church. People are so committed to what they are used to, they resist change.
Commentary	Comparison : Evil Man vs. Strange Woman	Doesn't matter how much evidence you give them, people do what they want to do. Some people, no matter how much you show them and talk to them, they will never GH: accept it. People like what they are used to. The world loves conformity. Let's do it all the same. See in Paul's epistles a Sonship assembly is way different from any other assembly. Lots of ways. MM is not talking about tables. MM has been asked, 'You do 2 sessions? How long are the sessions?' I can barely get through the 20 minute sermon I am used to. Folks in the room are saying we don't think we are going to get it (Sonship education) doing (just) 2 sessions every time we meet. STRANGE WOMAN has a place she abides in. There's a place a location. The place is the church. It's religious, it's spiritual. Not talking about the POE using the world. Talking about when that gets rebuffed. STRANGE WOMAN: There's a religious aspect to it. She has a house, a place where she carries on. If you are Satan and carrying out the POE, where is THEE place you want that to be at work? The church! If your primary goal is to stop the godly edification/Sonship, you would include a whole lot of things except 1 - godliness. Group says make it entertaining. As long is you get used to these other things and busy doing other things, POE is successful.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Evil Man vs. Strange Woman	STRANGE WOMAN: Satan himself is involved in. When the STRANGE WOMAN attack comes against us, even if you resist the world, when it makes its opposition. GH: First attack utilizes the world. If that doesn't work, the attacks will ramp up because it doesn't have the effect he was hoping it would have. Then the POE will come along with the pure unadulterated POE. It will put the clamps on you and see if you will fold. Later the POE will send someone in here for the express purpose of moving us away from what we are doing. Will be smooth, personality - don't confuse with the message. POEs intent with Israel was to get them to go after other gods. We'll build other images and worship those images. Later there came a time in Israel's history after David and Solomon where the Temple wasn't even being used what it was supposed to be used for. When they were cleaning they found a book that was the word of the Lord and somebody said, well what's this, and they brought it to the king and the king said read it to me. How can you ever get in that condition. Right here...you just start mingling this a little bit. Israel was supposed to be separate and distinct/stand out. Instead, just little compromises in the beginning leads finally to a place they don't even know what the word of the Lord is anymore.
Commentary	Comparison : Evil Man vs. Strange Woman	STRANGE WOMAN: People ask 'where's your Sunday school?' Call it what you want. Like Sunday school is in your Bible. Sunday school was an idea from Robert Rakes in the 1800s. At that time, only children of wealthy parents were being educated. He had a burden for the poor children working side-by-side their parents in factories 6 days/week. On the only day they had off, he had what he called Sunday school. A century before kids got together just to go to school M-F. Sunday school was FIRST. He taught them to read/write/the Bible. POINT: People get used to things and then think those things are in the Bible. You meet at 1 PM on Sunday afternoon? Makes us a cult. Don't you know the Bible says meet for Sunday school at 10, service at 11, and get out 12 to get to the cafeteria. POINT: Everything we do is weird. We meet at an odd time, in an odd looking building, what we are doing is weird, the way we are doing it is weird. Like the Pharisees asking Jesus 'Why do your disciples trangrsess the tradition of the elders?' and Jesus says 'Why do your traditions make void the law?' POINT: People resist change. Sonship requires effort. Another reason why people are not going to come in here and do this. People think church is somethng you come to and do, shouldn't take effort. Pay your dues then punch out. Goal of the POE is to de-sanctify you. Sonship is the apex of your sanctification. He wants you out of that. Your Heavenly Father is more worried about and more concerned with your failure in the STRANGE WOMAN area than He is in the EVIL MAN area. Your participation in the counterfeit system out there is more grievious to your Father because of your ability to recover from that than He is if you were over here at the Crimson Lips and came out of there stumbling drunk. Not saying He is pleased with either one of them. Whole lot easier to recover from the EVIL MAN than the STRANGE WOMAN. It is so alluring and it attaches itself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Exhortation vs. Doctrine vs. Application	EXHORTATION: - Mission - Why you need this? Why this is important? What He is asking you to do? Set your attitude on how important this is. 'Pay close attention to this' / 'I am only going to say this once' / 'If you get anything, get this' - Primer coat that makes the doctrine or paint stick - Primes/Sets your inner man up to actually receive that doctrine - Prepares your heart for that is to follow DOCTRINE: - Told what to do. Everything you need to know to carry out that mission-not just info, designed to produce something inside of you. - A body of information that materially affects the way a person thinks. It isn't just teaching. It affects your THINKING which in turn affects your LIVING which in turn affects the way you spend your time which is your LABOR. Doctrine affects all 3 components of godliness. APPLICATION: - Tell you how to take that doctrine and apply it in the everyday affairs of your life
Commentary	Comparison : Passage : BEFORE THE WORLD BEGAN vs. SINCE THE WORLD BEGAN	Running the references there are 3 things from BEFORE THE WORLD BEGAN that concern the Father and the Son: 1. The Father loved the Son before the world began (John 15). Jesus doesn't have to die on the Cross for the Father to love the Son, the Father has loved the Son forever. 2. Another in the gospels 3. One in the Hebrew epistles Every other mention of BEFORE THE WORLD BEGAN are in Paul's epistles and are talking about what God planned for the church, the body of Christ, in accordance with the mystery. You are not an after thought. See God predestinated some things for those who would be saved and He did all of that BEFORE THE WORLD BEGAN. When He talks about Israel's program, He never mentions that term. He says SINCE THE WORLD BEGAN. There's not one exception. The only SINCE THE WORLD BEGAN reference about the mystery is God kept it secret SINCE THE WORLD BEGAN. If He planned it before the world, and then you have the word, you mean that to be a secret. Then it has to remain a secret SINCE THE WORLD BEGAN. When it talks about the holy prophets talking Israel's program it is SINCE THE WORLD BEGAN, but the mystery program is talked about BEFORE THE WORLD BEGAN. Realize you are not Plan B, you are Plan A.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Passage : Psalm 68:18 vs. Ephesians 4:8	The differences are: between Psalm 68:18 and Ephesians 4:8 * The ascension of Ephesians 4 is not to a literal hill in Jerusalem on the earth, but up far above all heavens to the right Hand of the Father in the heavenly places (v10). Got a position FAR ABOVE ALL PRINCIPALITIES AND POWERS-Ephesians 1:21 when HE ASCENDED UP ON HIGH. At the Ascension, because what He accomplished in His DBR qualified Him to be put in that position. There's a conflict going on between God and Satan and Jesus is going to earn this right to be seated at the right Hand of the Father. * The captivity led captive in Ephesians 4 is not about a victory over flesh and blood men, but about the Lord's victory (at the Cross!) over Satan and his minions in the spiritual realm (the unseen realm). In all that Christ accomplished in His death, burial and resurrection, not only did He function as Israel's Kinsman Redeemer, but He also provided for things not only for Israel but also for the body of Christ (BoC) which no one knew about. Did Jesus know about the mystery or as a Man, did He not know? MM thinks He knew but did not say. It is difficult for MM to think that Jesus was providing things for the BoC, in the mystery program, without being aware of them. Doesn't think He could make provisions for us on the Cross without knowing what He was doing. He doesn't think Christ did anything accidently, he thinks He did it with full knowledge.
Commentary	Comparison : Passage : Romans vs. Ephesians	Romans doctrine (position) vs. Ephesians doctrine (function)
Commentary	Comparison : Passage : Romans vs. CorinthIans / Galatians	Two great confusing issues are that when you don't get Romans doctrine working in you so that you are founded on grace and the core features of godly love either: 1. you wind up being a Corinthian walking after the flesh, or (Paul corrects them on the basis of grace, and not the law, he exhorts them by the obligation of grace by telling them who they are (now that they are in Christ) and then challenging them to live in accordance with that - EX 1 Corinthians 6:5) 2. you wind up mixing law and grace and become a legalist like the Galatians. Two great problems of today: 1. when you read through the Book of Corinthians you have a tendency to look at that and say, wow, that's how the church is today. 2. when you read through the Book of Galatians and you go, no, wait, that's how the church is today.
Commentary	Comparison : Passage : Romans vs. CorinthIans / Galatians	Problem is, when you don't have the foundational doctrine in Romans, if you are not founded in grace and those 5 core features of godly love, you wind up either like: 1. the Corinthians walking after the flesh OR 2. the Galatians mixing grace and the law and becoming legalist. Wind up in one of these two camps. Being a grace believer is more than being a mid-Acts dispensationalist, which means you understand the right gospel - the DBR. This is NOT the gospel of the kingdom.

Commentary	Comparison : Passage : Spiritual Gifts for Corinthians vs. Ephesians	Healing Miracles Prophecy Discernment Tongues Interpretation	Pastors/Teachers (not two different gifts - if you are a Pastor you are supposed to be a teacher)
Commentary	Comparison : Passage : Spiritual Gifts for Corinthians vs. Ephesians	Paul writes to the Corinthians about the spiritual gifts just as he does the Ephesians, but you will notice there are some differences. * When Paul writes to the Corinthians, he is writing to babes in Christ and believers who are carnal. Many are misusing the gifts and abusing them. He writes basic, simple and contains a lot of details in explanation because he is correcting them. * Corinthians were utilizing the gifts at the start of the DoGG, were still plenty members of the little flock still around. It is early in the transition time of the book of Acts. As a result, the list of gifts was much larger as Paul's "to the Jew first" sign gifts were part of the Corinthian list of gifts * When Paul writes to the Ephesians, he is writing to adults; mature saints who are not abusing the gifts. His instructions presuppose they know some things. * Ephesian list is limited to the edification gifts. * By the time Paul writes Ephesians, he is in prison and that transition time is coming to a close and the gifts are beginning to slow down and cease to function. The gifts were never meant to be the permanent solution to edification for the BoC. The edification provided by the spiritual gifts was in part and temporary until the inspired scriptures were given by Paul.

Commentary	Comparison : Passage : Psalm 68:18 vs. Ephesians 4:8	Therefore, MM believes He knew what He was providing for with regard to both programs. Psalm 68:18 Ephesians 4:8 ASCENDED ON HIGH-hill/mountain in Jerusalem HE ASCENDED UP ON HIGH-heavenly places
Commentary	Comparison : Passage : Romans 5:5 vs. 1 Corinthians 3:16 vs. 1 Corinthians 6:19	THE HOLY GHOST WHICH IS GIVEN UNTO US-Romans 5:5-Individual THE SPIRIT OF GOD DWELLETH IN YOU-1 Corinthians 3:16-Body Corporate THE HOLY GHOST WHICH IS IN YOU-1 Corinthians 6:19-Individual Spirit dwelling in us is something we allow, which means we submit to Him by walking after the Spirit. What it really means for the Spirit to dwell in us is that we are allowing Him to produce the life of God's Son in us. After all, that is what He came to do, but we must submit to that. We did not "allow" the Spirit to come into our human spirit when we trusted Christ, He just did it automatically. Even if you never submit to the Spirit's leadership in your life, He is still in you. He still seals you until the day of redemption. The Spirit's presence within our human spirit and His work to seal us until the day of redemption are not dependent upon us, but happen automatically in response to our faith in Christ.

Commentary	Comparison : Passage : Ephesians 5:18-19 vs. Colossians 3:16	Comparison : Passage : Ephesians 5:18-19 vs. Colossians 3:16 Passages are connected but actually doing two different things. While they are connected and very similar, being FILLED WITH THE SPIRIT is a little bit different from letting THE WORD OF CHRIST DWELL IN YOU RICHLY. MM admits no one else talks about it this way and when that happens, it makes him wonder. Both contain PSALMS, HYMNS, SPIRITUAL SONGS but they are directing our actions in different directions. Mentioned first in Ephesians because until this is working in you, you can't do it to one another. If something isn't working in you, you can't really help someone else get it. Both done TO THE LORD. Ephesians 5:18-19 — Colossians 3:16 BE FILLED WITH THE SPIRIT — Letting the WORD OF CHRIST DWELL IN YOU (being FILLED WITH THE SPIRIT allows for this-want for others) 'expression of our spontaneous joy from GH: knowing the process' — 'reflects our love and desire to see other saints FILLED WITH THE SPIRIT' AUDIENCE: something you do for yourself(privately) — AUDIENCE: something you do for others(corporately) - SPEAKING TO YOURSELVES / HEART(why you know individual) — - TEACHING AND ADMONISHING ONE ANOTHER / HEARTS (not just about you, about everybody else) AUDIENCE: something you do for yourself(privately) — AUDIENCE: something you do for others(corporately) - SPEAKING TO YOURSELVES / HEART(why you know individual) — - TEACHING AND ADMONISHING ONE ANOTHER / HEARTS (not just about you, about everybody else)

Need them again and again and again. Spiritual blessings never go away, they never stop. You have them in all new circumstances. New circumstances don't change spiritual blessings. - Physical blessings can be seen, felt, and touched. Spiritual blessings cannot be seen, felt, or touched. Question - if you can't see, feel, or touch them, how to we know they are important? Answer: Salvation is a spiritual blessing. Would you say it is important? Word of God can strengthen you, give you peace, it can comfort you, it can guide you, gives you wisdom, prepares you for eternity, you have 24/7 access to God, your sins are forgiven, you're no longer a servant to sin, you have certainty about eternity, you have hope beyond this life, you have a community of fellow saints, your relationship to God has changed, you're no longer the threat of God's wrath. MM would say all of these are pretty good things. But you can't touch them, hold them in your hands, put them in your pockets, but they are beneficial to you today.	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Physical Blessings vs. Spiritual Blessings	Primarily, Israel's blessings were physical in nature, but ours are spiritual. Since our future is in the heavens, God is not working on our outer man or in our physical circumstances, for those things will pass away. God is working on our inner man (we are edified unto godliness; we are being conformed to the image of Christ), which is why it seems to some that God is being silent. He is not. This is a supernatural work that takes place in our soul and spirit through God's word and His Spirit, there is no outward miracle for anyone to see. The other part of the work that God is doing today in this DoGG is to work "through" us. That is to say, to have the life of His Son being lived in us on a moment by moment basis. This requires no outward signs or wonders; no walking on water or miraculous healings. It is simply the process of edification taking place as we respond properly to God's word and the leading of His Spirit. God is not being silent. The outward work of visible miracles is not God's greatest work, it is the transforming work (edification) that takes place within us that makes us into the godly creatures we were created to be. Physical (Temporary) vs. Spiritual (Permanent/Eternal - you can't lose them) Affect outward man vs. Affect inward man (the real you) Spiritual blessings won't be withheld because you did something you weren't supposed to do.

Post-doctrinal Exhortation** (Pre-doctrinal) Exhortation: primer coat (helps paint to stick) - talks to us about the importance of what we are about to hear/cover - makes the doctrine or paint stick; sets your inner man to actually receive that doctrine; Mission When God educates you, He gives you the exhortation (setup) first what makes you want so that when you hear the doctrine, you will get it. Here's the thing about Sonship - God always explains WHY before He tells you WHAT. EXHORTATION: What he is asking you to do. There is a way that your Father presents information to you. When you are an adopted son and not a child, you get: - an exhortation: this is why you need this, why this is important - doctrine: told what to do - another exhortation: this is why you need to have this Education doesn't work this way. When you start in school, the teachers never say here's why you need to know this. They are saying here it is, get over it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Pre-Exhortation vs. Doctrine vs. Application vs. Post-Exhortation	Exhortation: Is kind of like a primer. It makes it so you are able to receive the education that you are going to be given. Like putting on primer so the paint can stick. Pre-doctrinal exhortation: 'place close attention I am only going to say this once' Exhortation: Set your attitude about how important this is that you are about to learn. One of the big differences between education and godly edification. Tell you why it is important and how that's going to come into play. Exhortations: Those things that come after the table of contents in the Book of Proverbs that are meant to give you some information so that by the time you get to the doctrine you'll have some things working in your mind. Before your are given doctrine, you are given exhortation and then you are given doctrine and then you're given exhortation and then you are given doctrine. Always a pattern. Can look at the exhortations in Israel's program, just not the doctrines. Exhortation: Thing that prepares your heart for that is to follow. Sets you up to be receptive to the doctrine so it will stick. Exhortations: Are not only important but necessary. They prime your inner man to receive that doctrine. This is how important what you are about to hear is. You need to pay attention.
Commentary	Comparison : Pre-Exhortation vs. Doctrine vs. Application vs. Post-Exhortation	Doctrine: Paint coat DOCTRINE: Everything you need to know to carry out that mission-not just info, designed to produce something inside of you. Message being given. DOCTRINE: A body of information that materially affects the way a person thinks. It isn't just teaching. It affects your THINKING which in turn affects your LIVING which in turn affects the way you spend your time which is your LABOR. Doctrine affects all 3 components of godliness. Doctrine: Describes several different things. - Information (about various things) of something God did in Jesus Christ for you to know about it -> live out of that doctrine by believing that doctrine and reckoning it to be so/true. If you believe something is true, you will behave that way. JUELBGTF w/o works of any kind at any time - don't need works to be saved and don't need works to stay saved. - Instruction that you implement in your life, translated into everyday conduct and behavior. Instruct you in His wisdom where you can raise on par with your status in Christ. SUFL/Godliness (Think, Act/Live, Labor)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
	Comparison : Pre-Exhortation vs. Doctrine vs. Application vs. Post-Exhortation	Doctrine: Every doctrine is given to produce something. - EX There is a doctrine in this Book for when you go through some sort of tribulation, there is a doctrine specifically designed for you to endure whatever you are going through and give you peace inside while you are going through it. Take you from enduring it -> having peace about it -> take pleasure in sufferings -> rejoice in tribulations. We will read these words on the page. Effectual working is going to depend on whether you can believe them. This may sound like taking crazy pills but your Heavenly Father is going to tell you that. Comes out of a doctrine so you not only endure it but come to a place where you can say I take pleasure in these sufferings. Because you are going to know something here you didn't know before. He is going to give you a doctrine that's going to produce the power of grace in your life to such an extent that it won't just be an idea that you're not quite sure how to put it in your hands on it but that believing that doctrine will allow you now to be able to endure every difficult circumstance that life throws at you with a peace in your heart at the same time. Nothing else on the planet but this Book can produce that. Going to be the difference between effective and effectual (this Book). The world would say that is not right, you can't take pleasure in it unless you are some sort of satist who takes pleasure in sufferings. Doctrine: If all you do is strip the doctrine out of the passages, it won't work in you like it's supposed to. Without the exhortation, it doesn't work like it is supposed to.
Commentary	Comparison : Pre-Exhortation vs. Doctrine vs. Application vs. Post-Exhortation	APPLICATION: Tell you how to take that doctrine and apply it in the everyday affairs of your life so that you take that abstract concept that you are DEAD TO SIN and by the time you get to verse 13, it's going to be a concrete reality in your life. Tough to take something that is abstract and turn it into a reality - what these 13 verses are designed to do.
Commentary	Comparison : Pre-Exhortation vs. Doctrine vs. Application vs. Post-Exhortation	(Post-Doctrinal) Exhortation: Clear coat (protects the paint/preserves the doctrine/causes you to hold onto the doctrine) Post-doctrinal exhortation: tells you how to apply the doctrine you just heard, practical application Exhortation: Talk about the utilization of that truth that you got the APPLICATION of that. Post-Doctinal Exhortation: Do you see how this doctrine actually goes to work for you? Do you get it? Do you see where it fits and not you utilize it? What good it is?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Gifts vs. Offices	The GIFTS/OFFICES SUPERNATURAL GIFT OFFICE Primary Goal: Edification Edify Saints - Edification is the common denominator between the GIFTS when they were in operation and the OFFICES. The word: Speak the word of God/Prophet Written Word - Once all the N.T. Books, God is no longer inspiring people with new scripture. There are people and places today that supposedly get new revelation, but not according to Paul. Now, we have the written word and we can have confidence that we have everything that we need. It is perfect and not in part, it is the completion of the scriptures so that the spirtual gifts that pertain to that are no longer needed (1 Corinithians 13:8-10). In the definition of what we are talking about here, there are no prophets today. God is not inspiring men in order to reveal His Truths.
Commentary	Comparison : Gifts vs. Offices	Edification: Prophet Bishop/Pastor - MM says it is short sighted to think the only definition of a prophet is to foretell the future. That's the only way a lot of people look at that. N.T. prophets were not predicting the future, they were speaking the word of God out of that office. That's what that's about. GH: Inspiration in the former but nonewhatsoever in the latter. - The prophets of old only knew what they were told. We look at it as a great things but sometimes the people weren't exactly receptive to get it and sometimes you were taking your life in your hands when you did that. So it wasn't all just roses. Might ask why God stopped giving divine revelation and chose to do it this way (GH: His word)? The difference is a prophet only knew what was told to him and that was that. What God is doing is allowing us as His sons and daughters to be able to think like Him and deduce things that we are not told that are perfectly in line with His Will and His thinking. Said another way, a prophet is a bit like a horse that has a bit and a bridle and you steer a horse with those reins and the horse just goes where he's told. But God doesn't want that. He wants sons & daughters who are able to think like He does, for themselves and apply that to a lot of different situations in their life and truly become godly. God doesn't want a robot that only does what it is programmed to do, God wants a real relationship with sons and daughters who are able to act on their own as part of a body to accomplish His will. Exactly the way He would want it. That is far better. It's not that God couldn't tell you everything, but He has designed it so that it is beyond that. The supernatural GIFTS, as good as they were, they couldn't produce that. God has put a system in place where we have the ability to think like our Father and apply that thinking a lot of different ways and He is counting on that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Gifts vs. Offices	- Today, in the DOGG, the OFFICE of the Bishop is charged with proclaiming God's word but he is not a prophet. He is to prophesy in the sense of preaching that word but he is not inspired and he carries no extra biblical revelation. - The Operation of God: In the DOGG, God wants that word to be proclaimed and not just proclaimed but he wants that word proclaimed in its rightly divided form so that we really do see this word that way it was supposed to be applied and that is all done to the edification of the saints. The particular way that the Bishop discharges his MEASURE OF FAITH-Romans 12:3 or the way he is going to labor with his Father is to speak for the Lord to the edification of the other members of the assembly of which he's apart. He is not supposed to do this any old way, he's supposed to preach the word with appropirate attention and application that that part that applies specifically to the members of the body of Christ who are living today in the DOGG.
Commentary	Comparison : Glory Levels : HoG vs. JHI	Levels of Glory: 1. Hier of God Inheritance: Not just about your glorified body (everybody gets some amount if they have trusted Christ, no matter what). Romans 8:30. You get a glorified body. Get to go to the heavenly places. You are part of the body of Christ. All this has to do with glory and you are going to get that. Everybody's glorified bodies will have some things in common, but they won't be identical. There is a glory that you get that is automatic, just because you trusted Jesus Christ. The sufferings in 2 Timothy 2. Have all the essential things of a glorified body, including LIGHT and COLOR. 1. HIER OF GOD: Default inheritance that everyone gets just because they received Jesus Christ as their Savior. You have nothing to do with it. Was all provided for you and you qualified (to receive it) for it by grace the moment you received Jesus Christ as your Savior.
Commentary	Comparison : Glory Levels : HoG vs. JHI	Levels of Glory: 2. Joint-Hier Inheritance: There is a glory that you get when we suffer with Him, in handling the sufferings of this present time. (SOPT - things that happen because you live in a fallen world; everyday things you are going through; just because someone is not moaning and not complaining, doesn't mean that they are suffering with Him). The way to suffer WITH Him is to employ the doctrine, to live out of the new identity. It is not just not complaining. There is a glory that will be given to us if we suffer with Christ. 2. JOINT-HIER: Only way you qualify for this is to SUFFER WITH HIM. Doesn't say FILL IN THE BLANK with anything else. It won't work. But that is how we view it. Only achieved 1 way - won't find another verse to contradict this. If you suffer it with Him, you qualify for that JOINT-HEIR INHERITANCE. Runs contrary to what we have always been used to hearing. Just as Jesus' inheritance is possible because of His Suffering, our inheritance is possible because of our suffering. There are some things Jesus is suffering in this DOGG and you have to ask yourself am I going to suffer it with Him? MM wants to help your decision. You really don't have much choice. You are going to go through it anyway.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Glory Levels : HoG vs. JHI	The real question is are you going to respond to it the way He is responding to it? Are you going to suffer with Him? Are you doing it the way He is doing it or are you going to fight that? JHI: 1. Everything in our Sonship Education/Edification (being conformed to the image of Christ) is tied to our "suffering with Him" in various manners that are equivalent to how Christ suffers today in this dispensation of grace. Technical way of saying whatever it is He is suffering today, our Sonship is tied to suffering that with Him. 2. The degree and extent of our heir-ship with Him (our joint-heir inheritance, not heir of God) will be determined at the judgment seat of Christ. 3. The basis for determining that (GH: joint-heir) inheritance will be by the amount of equivalency in our Sonship lives to that which Christ is presently suffering. EX In this DOGG, 50% of the time when you are presented to SUFFER WITH HIM, you get 50% of the JHI. 4. The degree to which we "suffer with Him," is the degree of the reward of our inheritance. GH: Same as #3 just said a different way. When these opportunities come along, if you make the most of them, you can have 100% of the reward of that inheritance. If you only do it half the time, only get 50% of that you could have had. Not everybody is going to get it. You are part of a very select people, not because you are just so intrinsically great, but because you availed yourself to Sonship.
Commentary	Comparison : Godliness vs. Righteousness	Don't confuse the two. Godliness means to be able to think about things the way your heavenly Father thinks about them, to implement (living) them into your everyday living, and do things His way.
Commentary	Comparison : Godliness vs. Satanliness	Spectrum: - Godliness to Satanliness (not just to be in rebellion against God but to be in league with him) The thing that takes men from godliness to satanliness is man's increasing pride. The PRIDE OF LIFE category of the WORKS OF DARKNESS are moving men from godliness to satanliness Thinking: alternative thinking Living: ungodly conduct Labor: labor with Satan
Commentary	Comparison : Godly vs. Ungodly	You can participate in something good and it be ungodly. Do the right thing the wrong way and it becomes ungodly. Some things people think are godly every lost person in the world could do. GH: more to add from commentary

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Godly Love vs. Godly Charity	**Godly love tells us WHAT to think and how to act. Godly charity tells us WHY to think or act that way.**
Commentary	Comparison : Godliness vs. Righteousness	Godliness: Think, do things His WAY, & labor with Him now and in eternity. Righteous: good works.
Commentary	Comparison : Grace vs. Justice vs. Mercy	Justice: Is getting what you deserve. - Leave this with Me. Mercy: Is not giving people what they deserve. Mercy of the court says I'm guilty but please don't give me what I deserve. Romans 12:17 Grace: Is giving someone that which they do not deserve. Romans 12:19 Grace: Unmerited favor - you get something that you didn't deserve. Justice: Getting what you deserve. Mercy: Not getting what you deserve.
Commentary	Comparison Grace vs. Works	Grace is a free gift. Works is a performance system.
Commentary	Comparison : The Gospel of the Kingdom vs. The Gospel of Christ	Gospel of the Kingdom Audience: nation of Israel Messenger: Jesus and the 12 The Message: The Kingdom is AT HAND Believe: Jesus of Nazareth is the prophesied Christ of Israel is sufficient to satisfy God's justice against us. Gospel of Christ Audience: Jew & Gentile - all the world - brought Israel down to the level of the Gentile Messenger: Paul The Message: Salvation is come TO THE GENTILES Believe: Redemptive work of Christ - what Jesus accomplished in His DBR

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : The Gospel of the Kingdom vs. The Gospel of Christ	Signs: 1. healing the sick - because in the Kingdom, there is not going to be any sickness - sign that is true in the Kingdom 2. casting out devils No Sign: Revelation of the Mystery/Mystery revealed Result: Made you a member of the little flock Result: Made you a member of the body of Christ Gospel of the Kingdom: Had nothing to do with Jesus's DBR. Gospel of Christ: Today, what you believe if you are truly saved. What we preach to the lost.
Commentary	Comparison : The Gospel of the Kingdom vs. The Gospel of Christ	Gospel of the Kingdom: Part of this gospel was that He Jesus was the Christ that was spoken about in the O.T. scriptures. Believing this is what saved them. Remember, their message was the kingdom was at hand, meaning it is right almost on you. If you are a member of the little flock and it is 15 years after that Cross, you've got to be saying where is that kingdom? Satan uses that to try and prove this message is a lie. Peter says there's a reason the kingdom didn't come and Paul explains it in his epistles - Romans 9-11. Paul explains WHY this kingdom didn't come because the program with Israel got interupted. God set all of that aside and now He's going to being dealing with us in a completely different way. Doesn't matter if you are male or female, Jew or Greek, bond or free, everybody's going to get dealt with the exact same way. Was a revelation so much that when Paul preached it they wanted to kill him over that message. Gospel of the Kingdom: Water baptism was certainly part of receiving the gospel of the kingdom, but it was not required, it was only a symbolic act. Water baptism did not take away sins.
Commentary	Comparison : The Gospel of the Kingdom vs. The Gospel of Christ	GH: Gospel of Christ: What saves us today is not that Jesus was our Messiah, Gentiles were never looking for a Messiah. They were worshipping false gods. We are trusting in 1 Corinthians 15. Gospel for us is believing that Jesus paid for our sins in His DBR. Peter did not preach that. That's not how Peter preached the Resurrection. We would say I put my faith in what Jesus did on the Cross in His DBR. We are not looking for a Messiah to sit on the throne of David. We are going to be in the heavenly places. So it is not about do we believe He is the Messiah, it's about was he the Son of God who died for our sins. That's the gospel that saves us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : The Spritual Gifts vs. the Operation of God	PAST: Supernatural GIFTS - Prior to Acts; Spoken word - Given by the Spirit; Purposes: EDIFICATION of the saints & SIGNS to Israel - These gifts were given by the Spirit. The Spirit was the One that decided who would get what gift. It was at His discretion and they were given for the purpose of edification and signs. Israel required a sign. Some are edification gifts and some are sign gifts. Will notice that none of the list in Romans 12:6-8 are sign gifts. They are either edification gifts or practical gifts that make it possible for the edification to actually take place. Either directly or indirectly serve the purpose of edification/working to that end. There's not a single sign gift in the bunch. Sign gifts are not represented here because God is no longer working in this program with Israel. When He resumes that program, He will be working with Israel. But during the DOGG, He is not. Not, the only thing God is working with now is Jew & Gentile as members of the body of Christ - trying to get them saved and then deal with them as members of the body of Christ. Today, after the completion of the word, you see these gifts as offices. Because these 7 things are all meant to accomplish the same operation that God wants to accomplish in the local church.
Commentary	Comparison : The Spritual Gifts vs. the Operation of God	Then, through the completion of His word, He accomplishes that same exact operation through the OFFICES. Remember when we choose an OFFICE and operate out of that OFFICE, this is meant to accomplish something that God wanted to accomplish by means of the local church. There's an organization to it. It has Pastors, it has Deacons, it has people in the assembly who are engaging in the offices. MM says to remote Zoom members - you will have the opportunity to function as part of this local assembly out of some office and even have the opportunity to operate out of more than the practical offices but also the edification offices. Was something like 17 years from the time Paul was saved till the time he writes his first epistle so God in His Wisdom, does these supernatural gifts. One of the purposes of these gifts was to provide for the edification of the saints.
Commentary	Comparison : The Spritual Gifts vs. the Operation of God	When God gave these gifts: - Prophets: speak the word. God wasn't magically edifying anyone. The supernatural gift was for this man to be able to speak the word. Paul hadn't even written it yet but he was speaking the true word of God. The Spirit is only given him bits and pieces of that. The Bible talks about this gifts are IN PART but when he speaks that word, that was meant to edify the people. It wasn't this magic thing of we all get together and God waves a wand of some kind and now everyone is edified. Edification has always taken place by the word working in people. When there is no written word, it is pretty hard for that to happen so God provides this temporary stop gap measure of the spiritual gifts to get that accomplished. PRESENT: MORE EXCELLENT WAY-1 Corinthians 12:31 (completed word) - After Acts 28; Written word - Word of Truth (replacement for the spiritual gifts); Members choose OFFICES - EDIFICATION and PRACTICAL (not spiritual but material - physical in nature)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : The Spritual Gifts vs. the Operation of God	The local assembly is specifically designed for these OFFICES to take place. MM says he would like to think this happens automatically but when we really begin to understand these offices and how they're all joined together and what is meant to be accomplished by them, when we walk in the door on Sunday, even though we all know this is about being edified (he is not diminishing that), it won't just be about going to to class, but we are we'll now have another understanding working in our minds. We will be thinking about engaging in our OFFICES to the benefit of the whole body. This doesn't exclude edification, but won't just be about edification, but about what you do. The OFFICES that you participate in, as they work with the OFFICES that others are involved it, to the accomplishment of our Father's will and to the benefit of the entire assembly. When that happens, we'll begin to see ourselves the way we're supposed to, as part of a body. Not just an individual that shows up in any church. You can have 300 individuals show up but it is just 300 individuals. Having folks show up as part of a body is something different and that is what the Lord is after here. When we walk in the door, we think about the various offices and that operations that our Father wants to get done and what part are we playing in the accomplishment of that.
Commentary	Comparison : The Spritual Gifts vs. the Operation of God	FUTURE:
Commentary	Comparison : Holy Ghost vs. Holy Spirit	**Holy Ghost vs. Holy Spirit: Same Person but not the same thing. The Holy Ghost is the one given to you when you got justified. When the Bible uses the term Holy Ghost, it is talking about the Person of the Spirit. He is the third person of the Godhead - the Father, the Son, and the Holy Ghost. When the Bible uses the word Spirit, it is not talking about Him as a Person, it is talking about a ministry He (the Holy Ghost) is performing a ministry. EX Provides for your sanctification. (Romans 8:2). He is performing some ministry or work. It's the same Spirit doing different functions**. Holy Ghost vs. Holy Spirit: Same Person but not the same thing. Reason to use different terms, He's not just switching it up to say, we'll I am kind of tired of saying Holy Spirit, I think I will say Holy Ghost. Why the change from SPIRIT OF GOD to the SPIRIT OF CHRIST? All of this is talking about the Holy Ghost. It's the same Person. The Holy Ghost is the one given to you when you got justified. When the Bible uses the term Holy Ghost, it is talking about the Person of the Spirit. He is the third person of the Godhead - the Father, the Son, and the Holy Ghost. When the Bible uses the word Spirit, it is not talking about Him as a Person, it is talking about a ministry He (the Holy Ghost) is performing. He is performing some ministry or work. It's the same Spirit doing different functions.
Commentary	Comparison : King vs. Lord	A lord is designated authority from the ultimate authority. Delegated that is a step down from a king.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Kingdom of God vs. kingdom of heaven	kingdom of heaven: the literal, physical, visible, Jewish, Messianic, Davidic kingdom that will be set up on this earth. Where Jesus will set on the throne of David in Jersusalem and will rule the world during the Millenium. It is part of the Kingdom of God. MM says when we think about being justified, we think about going to heaven. A Jew did not think about going to heaven, they think I'm going to get resurrected and I'm going into the kingdom where the Messiah is going to be ruling over everything. David gets resurrected and he's going to be over Israel and the 12 are going to be resurrected and they're going to be over the 12 tribes of Israel. There's a whole governmental setup but Jesus is King of Kings and Lord of Lords. He will be over all of that. Kingdom of God: When MM talks about citizenship in a kingdom, he is talking about this one. This is the whole of the kingdom (GH: kingdom of heaven is a sub-part of the Kingdom of God). EX Texas is in the US and if you are standing in Texas you are standing in the US. - With salvation in Israel's program, it was very usual to talk about and use that phrase to inherit eternal life (Mark 10:17; Luke 18:18). They looked at eternal life very differently from us. We think when we die we go to heaven and be with the Lord. They thought when I die I am going to be resurrected to go into a literal, physical kingdom.
Commentary	Comparison : Law vs. Grace	**Law:** **- MM analogy: God has a stick in His Hand that is cocked.** **- Uses justice to bring people to Him. But men despise His Justice. But men despise His Goodness.** **- One of the points of the law was no one can do this in and of themselves.** **Grace:** **- MM analogy: God puts the stick down and is longsuffering.** **- Uses goodness to bring people to Him.** **- Is the desire and power to do the Will of God.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Law vs. Grace	Just to take what we now know and apply to the Scripture at hand (Law vs. Grace): God is the One who put Israel under the law (during their program) / God is the One who has now put us under grace The law was a system that gave sin dominion / Grace is a system that renders sin's dominion impossible Under the law sin is empowered / Under grace sin is impotent (like a fish out of water) The law was about functional death (how I live unto God everyday) / Grace is about functional life The law caused the offence to abound / Grace causes fruit unto holiness to abound God is the one who instituted the law, bringing sin's dominion / God is the one who instituted grace, ending sin's dominion Just as God, who has that authority, gave sin dominion by instituting the law, He has also taken away sin's dominion by now instituting grace, and the law has no dominion over that. It is impossible for you to functionally live unto God by using the law. Law is not really about doing good, but not doing evil - THOU SHALT NOT. Grace doesn't major on what NOT to do, grace majors on what to do. It wants help people/edify/build up. Grace is the ONLY motivator to make you stop sinning and to do good.
Commentary	Comparison : Law vs. Rule	Law: Every time Rule: It's generally true or most of the time, here is how it happens.
Commentary	Comparison : Legalism vs. Discipline	**Legalism says, "I will do such and such in order to gain God's approval." Discipline says, "I will do such and such because I love God and I want to glorify Him."**
Commentary	Comparison : Liberty vs. Freedom	LIBERTY: Liberty is the power to do what you ought to do - why Paul doesn't say we have freedom in Christ, says we have liberty in Christ. We have the power to do what we could not do before. Is a cornerstone of Sonship. When you are being told what to do, that's not indicative of an adult son. It's indicative of a child with limited decision making. FREEDOM: Freedom says I can do anything I want to. Difference between liberty and freedom: Freedom says I can do anything I want to; Liberty is the power to do what you ought to do - why Paul doesn't say we have freedom in Christ, says we have liberty in Christ. We have the power to do what we could not do before.

Commentary	Comparison : Mystery of God vs. Mystery of the Father vs. Mystery of Christ	VERSE MAP: MYSTERY 1: MYSTERY OF GOD - Believers (GH: Believing remnant) on the earth are IN Christ but not part of the body of Christ. MYSTERY 2: of the Father Ephesians 1:8 - ABOUNDED 1:9 - Father's Will 1:10 ----------Philippians 2:8-10----------Colossians 1:12-16 GATHER ALL THINGS ALL THINGS ALL THINGS

Commentary	Comparison : Mystery of God vs. Mystery of the Father vs. Mystery of Christ	MYSTERY OF GOD: He is going to gather together all of the things in the earth and bring them under the dominion of His Son. MYSTERY OF THE FATHER'S WILL-Ephesians 1:10: It was God's good pleasure to take all the things in the earth and all the things that are in heaven and bring them together into one under His Son, so that He might have dominion over all things in heaven and all things in earth. This is THE MYSTERY OF HIS WILL. Before the foundation of the world, God says, this is the mystery of My will, that the whole creation is going to be brought under My Son, and I AM going to exalt Him above that.
Commentary	Comparison : Names vs. Things	NAMES: Positions of authority - principalities, powers, mights, thrones, dominions - and every name that is named, which is every little position that you can think of all the way down to the most minute. THINGS: Talking about governmental positions of authority

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Old Covenant vs. New Covenant	Old Covenant: A man justifies and sanctifies himself. New Covenant: God does it for him.
Commentary	Comparison : ONLY BEGOTTEN vs. FIRST BEGOTTEN (GH: IPF verse)	Only begotten refers to the Lord's coming into the world when He was born of a virgin. First begotten has to do with following His resurrection from the dead.
Commentary	Comparison : Patience vs. Endurance	PATIENCE vs. ENDURANCE: - PATIENCE: I am not only going through it/enduring it, nobody knows I am going through it. Patience applies only to the evils that actually hang over us. (Ref: English Synonymes by George Crabb - 1830, pg.149) - Patience applies to any troubles or pains whatever small or great. It consists in the abstaining from all complaint or indication of what one suffers. - ENDURANCE: Can go through it and complain the whole time. Not verbalizing it, not sighing heavily trying to get someone's attention, etc. The ultimate ground of our hope rests in the unfailing steadfast LOVE OF GOD. Romans 8: The LOVE OF CHRIST-v35 is meant to produce something in you too.
Commentary	Comparison : Peace of God vs. Peace with God	Two different things going on here: 1. Peace OF God (GH: sanctification): Peace you get from the effectual working of doctrine in the midst of adversity. Allows us to GLORY IN TRIBULATIONS-Romans 5:3. 2. Peace WITH God (GH: justification): Because you have trusted Christ as your Savior and you are no longer at odds with Him. God will never ever be against us again. MM says it is easy to hear this and kind of yawn but it really is an incredible thing that not everybody understands.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Perfect vs. Complete	Colossians 4:12 - PERFECT AND COMPLETE: Shows they are different words/meanings. Great prayer for each other. Proof to MM's contention that PERFECT and COMPLETE are two different things. You can complete a project and say, you know what, that's not perfect. It can be complete and not perfect. You can complete part of a project that could be perfect but doesn't mean it's complete. **PERFECT (nothing can be improved upon) and COMPLETE (nothing can be added to it)** PERFECT vs. COMPLETE: - PERFECT: Most people think it means be perfect and sinless and like God. Talking about the PERFECTing of your education. If you can improve on it, it's not perfect. The perfect he is talking about that you are going to see all 3 (GH: godliness characteristics) in effect. - COMPLETE: Can be complete and not perfect. Can not be complete and a part be perfect. Have to have both. If you can add to it, it is not complete.
Commentary	Comparison : Plan of Evil vs. POE (Policy of Evil)	The PLAN of evil never changes. The POLICY of evil is always changing and adapting. Satan's plan of evil is to be like the Most High, possessor of heaven and earth, that doesn't change. He had a policy to corrupt Israel to keep them from being what God promised them under the Abrahamic covenant, because if they ever do that, God is going to be able to repossess the earth back to Himself. But when God interrupted that program with Israel and revealed that he had made a provision through Jesus death on the Cross to redeem Jew and Gentile in the dispensation of grace that was going to make up the body of Christ that was going to be used to repossess the heavenly places, his PLAN didn't change. But his strategy of policy of evil changed because the way you deal with Israel is not the way you deal with us. If he dealt with us the way he dealt with Israel, it's going to be ineffective. So he changed his policy. EX Don't let the assembly know about the Mystery. Don't let the assembly know about right division. Don't let the assembly know about the (KJV?) Bible issue. Keep the Mystery, RDW, Sonship a secret. If the Mystery is revealed, the policy changes to attack the message that talks about the Mystery. As long as we never get to Sonship, the devil is OK because we will never be educated. Now you know Sonship and you are working on it, they policy changes to make you quit Sonship. Make sure you don't continue. Let's find a reason for you to not continue in this Sonship education. Doesn't matter what the reason is, Satan is happy with any of them you will buy into. Only needs you to walk away. The only thing the curriculum can't fix is you walking away.
Commentary	Comparison : Plan of Evil vs. POE (Policy of Evil)	Satan's Plan of Evil: The steps that will allow him to be like THE MOST HIGH GOD (possessor of Heaven and Earth). The main thing all the way through. Satan's Policy of Evil or POE: Not a synonym for the PLAN. It's the policies he is going to enact in order to get things done on this earth the way he wants them to get done. - Israel: Corrupting them, getting them to rebel against God, so they would never become that great nation. - When he got surprised by the Mystery program, his plan didn't change but his policies did. Has to deal with us differently because things are very different in this dispensation. Intended purpose of the Satanic Policy of Evil: 1. Hide Sonship and 2. If you know about it, get you to walk away from your Sonship

Commentary	Comparison : Preachers vs. Prophets	Comparison : Preachers vs. Prophets - MM says there has been some well meaning people who have thought they somehow occupied that office of prophet today. They don't claim to foretell future events but they do proclaim God's word and because they proclaim God's word, they think that makes them prophets. Pastors do present the word, they do preach the word, they do teach the word, they do defend the word, but that doesn't make them prophets in the biblical sense of the word because there's an ingredient that's missing and that's divinely inspired. That's the critical ingredient for a prophet. MM would never stand up here and say he is divinely inspired to do this. Pastors and Bishops and their OFFICES require them to do the very things - preach the word, reprove, rebuke, exhort. They're not prophets because they are not divinely inspired in any of those tasks. MM is not divinely inspired to preach, exhort, teach, defend God's word.
Commentary	Comparison : Prophet - O.T. vs. N.T.	O.T. PROPHET: One the the OED definitions - One who communicates divine mysteries and edifying communications. OT Test of a Prophet: Never fails. What he says will come true every single time. Everything comes to pass with no misses. N.T. *** ADD ***
Commentary	Comparison : Religion vs. Relationship	Religion vs. Relationship - You pray because you have a relationship. - Muslims and Buddists pray because it is part of their religion. - You are not in a relgion. Why Paul tells you that you are not observing holy days or certain rituals. Those are things of religion. Kneeling, holy water. - Religion is what replaces relationship. - If you don't have a real relationship, you have to do something that makes you feel like you are OK with God.
Commentary	Comparison : Say vs. Speak	MM thinks when Paul uses 'speak' it is more official. Making a speech is different from something you say.

Commentary	Comparison : Servant vs. Slave vs. Bondage	Servant vs. Slave vs. BONDAGE are in degrees SERVANT: N.T. Greek is doolos - often translated 'slave'. Then people want to say the Bible is in favor of slavery. Bible doesn't translate as SLAVE, translates as SERVANT. If you work a job you are serving someone. They are paying you to do it. Doesn't mean that you are less of a person, just means someone hired you to do a job. SLAVE: Owned by the master. There are degrees of slavery. In the past, people have volunteered to be a slave for life. BONDAGE: Extreme end of slavery. Slavery is bad enough but bondage is more severe than slavery. Has 2 things added to it: 1. The loss of personal liberty 2. Cruel treatment Servant does have obligations but a servant has a will about matters that a slave does not. Slave conjures up someone who is dominated completely and has no choice or will whatsoever. Paul called himself a servant of Jesus Christ in Romans 1:1. But at the same time, he has liberty in Christ. So the idea of liberty or a certain amount of freedom is not inconsistent with being a servant. There are three types of slavery referenced in the Bible: indentured servitude, bond-slave, and captive. GH: Map to the 3 above? When the Bible talks about masters and servants, we can understand it to mean for us: employers and employees.

Commentary	Comparison : Sonship Orientation vs. Sonship Establishment	Sonship Orientation: The Flyover - Getting oriented, being told about it, what to expect when you begin this education. Go back in the Bible so you have everything you need to know/orienting you to your Sonship so when you read Romans 8:14-15. When you get to Romans 8:14-15, you should have had gone through your Bible and the prior Books were in your mind. They weren't so we are going back and covering what you need to know to really get oriented to our Sonship. Paul will lay all this out in Romans. In Orientation, just showing you what is coming. SO: Like getting in a plane and flying over the top and getting a look. Not like you understand everything. Only two verses long (Romans 8:14-15) because Paul expects all the Bible prior to be in your thinking which is why we went back to study it. Knowing about Level 1, Phase 1 is something 99.99% of the ordained ministers in this country do not know. When they read those verses, they have no concept that they are looking at that. Fly over Imperial and see the school and the water tower. Here it is in a nutshell. Don't really know anything about it, just looking at it. Getting markers, land marks. SO: MM says we have spent 14.5 months going back and filling in things he thought needed to be in our thinking. SE: Land the plane and walk through the territory and see it. Stuff you saw up in the plane, now you are experiencing it.

Commentary	Comparison : Sonship Orientation vs. Sonship Establishment	Sonship Establishment: Get the effectual workings of the exhortations: Commitment to Education (Material, Data): Measured in 3 ways 1. Honest Attendance 2. Interactive Learning 3. THE Top Priority Commitment to Edification (when the education is in you and you begin to operate out of that - the power to do that is the effectual working of the word - makes it different from every other book) SE: Doctrine that will prepare you for the education. SE: Drive through Imperial and see the school and the water tower and know exactly where you are going. SO and SE are the most important parts. Without them, you won't make it through the curriculum.
Commentary	Comparison : Soul vs.Spirit	Soul vs. Spirit - MM says there is a big debate about this. MM maintains you are a tri-part being: 1. Body (SON) 2. Soul (FATHER) 1. Mind: not your brain-things that influence you, that you think about; your physical brain is connected to the mind of your soul. Is the thinking process of the soul. 2. Will: things that you do 3. Emotion: guiding all of this All these things are working together to formulate a particular character in your spirit - character gets forms in us in a particular lens and it is different for every individual
Commentary	Comparison : Soul vs.Spirit	MM believes that consciousness is not a product of the brain but of the soul. Just because you have a brain doesn't mean that you have consciousness. EX You are self-aware. After surgery, you are regaining consciousness. MM thinks some animals can have a brain and not be self-aware, not realize that they are thinking. Different animals have different levels of consciousness. Doesn't think any have it to the level we have it. 3. (Human) spirit (SPIRIT) - There are people that want to put the soul and the spirit together because everything that happens to your soul happens to your spirit. Soul is telling you have to think, do, and feel about things and your spirit that is going to make the decision out of who it has become or becoming.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Spirit of CHRIST vs. Spirit of GOD	It's the same spirit doing different functions. Talking about the Holy Ghost performing some ministry. 1. SPIRIT OF CHRIST: The ministry He is performing is justification - to put you into Jesus Christ. To make you justified. Saw this in Romans 8:1 (IN CHIRST JESUS). Paul is saying if you don't have the Spirit of Christ, you have never been justified/saved and you are not His. You don't even belong to Him. Once you have been justified your position is IN Christ. So the work the Spirit did to get you justified, to put you in Christ, He does it as the SPIRIT OF CHRIST. 2. SPIRIT OF GOD: When you come to your sanctification where He DWELLS, He is called the SPIRIT OF GOD. It is the relationship of the Father and the son and now he introduces this. You are about to get educated in 3 verses that God as your Father has adopted you and He's going to start this Father-son relationship with you. That's the representation o that relationship - as a Father to a son. It's not that when you got saved, you didn't belong to Him. You did. Now, He is talking about being sanctified. The whole idea about God is, He wants to take what's on His heart and write it on your heart. That's what He is going to do as the Spirit of God.
Commentary	Comparison : Spiritual Warfare (POE Phase 1) vs. Sufferings of Christ (POE Phase 2 and POE Phase 3)	The battles of spiritual warfare are over sound doctrine and these battles take place in our minds. That attack in connection with that doctrinal battle, is the attack against the message, the doctrinal truths revealed to Paul concerning the dispensational change, the mystery of Christ, principles of right division, the manifold wisdom of God, and all of the things that go along with this. This is where the attack is - Phase 1 - Attack the message. In this phase, there is no suffering. This is the spiritual warfare part. The suffering doesn't start until Phase 2 and Phase 3. If you won't corrupt the message, now you get punished. Spiritual warfare and the SoC are two different things. Spiritual warfare is always about doctrine. The sufferings are because you didn't fall victim to the wiles of the devil. The SoC are a result of the Phase 2 attack against the messenger, which is why Ephesians 6 says that it happens in the EVIL DAY. When it's no longer Phase 1-Attack the Message, it is Phase 2-Attack the Messenger. That's the EVIL DAY. And because of that, the nature of spiritual warfare doesn't change. It's still a battle over doctrine, it still takes place in our minds, but Satan is now turning his attention to silencing the messenger. And 2 Corinthians is going to show us exactly what Phase 2 is about, exactly where these come from.
Commentary	Comparison : Spiritual Warfare (POE Phase 1) vs. Sufferings of Christ (POE Phase 2 and POE Phase 3)	- Phase 1: Attack the Message (no suffering/the spiritual warfare part) - Things that constitute Spiritual Warfare - attacks on sound doctrine (Dispensational Change [deny or make it at the wrong place {EX the Cross or Acts 2}], Mystery of Christ, Manifold Wisdom of God, RDW) - major headings, almost everything else can fit under one of those. No suffering in Phase 1. **** THE EVIL DAY-Ephesians 6:13 - when the attacks move from Phase 1 to Phase 2. From 'spiritual warfare' to 'sufferings of Christ'. Phase 2 & 3 are not spiritual warfare. If you aren't going to corrupt the Truth, he moves to Phase 2. **** - Phase 2: Attack the Messenger (suffering) - The Sufferings of Christ [the evil day] NOTE: Attack the message may continue You are standing for the truth of Dispensational Change, Mystery of Christ, Manifold Wisdom of God, RDW. - Phase 3: Discredit the Messenger (suffering)

Commentary	Comparison : SOPT vs. SoC	SOPT: Happens whether you are a son or not. Happens whether you are saved or not. God is not orchestrating these. SoC: The individualized attack that comes from the adversary that is made against you to get you to quit your Sonship life. There is something being accomplished in us by going through that suffering and laboring with our Father in the midst of that. We are not sadists, we are not looking for pain, that would be an abnormal response. The different types of Suffering: 1. SOPT (THE SUFFERING OF THIS PRESENT TIME-Romans 8:18). These are the sufferings that happen to you whether you are saved or lost. Not things you plan on. EX Sitting at a red light get rear ended and it injures your neck. That pain and suffering is part of the SOPT. Satan didn't have him rear end you and God didn't orchestrate that either. This is what happens when you live in a fallen world. - Sub category: our own foolish mistakes. Things we knew better but did them anyway and suffered the consequence of them. 2. Based on the general PoE (Policy of Evil) that is at work in this world. GH: MM references Ephesians 2:2.
Commentary	Comparison : SOPT vs. SoC	SOPT - sufferings that stem from living in a fallen world. Don't have to be saved to get those. Don't have to be a son to get those. Everybody gets those. Learn there's a doctrine of how to handle these sufferings. Things that God is not doing to you and Satan is not doing to you. There has to be doctrine to deal with these things so that we can patiently endure to the glory of our Heavenly Father. When you utilize the doctrine to deal with the sufferings you are allowing Christ to live His Life in you in response to those doctrines. That's how you are SUFFERing WITH HIM-Romans 8:17. He is not in the third heaven agonizing over this, He wants to be the response to those sufferings in us. SoC - individualized POE that is directed against you to get you to stop your Sonship life. Happen at the end of Romans 13 when you CAST OFF THE WORKS OF DARKNESS-Romans 13:12. SOPT: No order to them. They affect everyone. God's grace works. SoC: Come on people who are faithful. They don't come on the folks that aren't trying. They are coming on those who are doing the spiritual work to get them to quit. You will know it when it happens because if you don't, how do you know to make you quit? Will be obvious. God's grace works.

Commentary	Comparison : THOU/THEE vs. YOU/YE	THOU/THEE (singular) vs. YOU/YE {plural)
Commentary	Comparison : Trespasses vs. Sins	Trespasses are against other people and sins are against God. MM says both are against God. - Are two different things, two different kind of offences. Trespass is a sin-Leviticus 5:6. Not every sin is a trespass, but every trespass is a sin. There is a difference between a sin and a trespass that really does not show up, or become apparent, until it comes to what it takes to atone for them. Atonement for a trespass is more involved than atonement for sin; it requires more. A trespass is “a wrong committed against another by “going beyond” and taking that which belongs to another.” In Leviticus we have a description of the trespass offering and the sin offering and they are different. The atonement ritual was different for a sin from that of a trespass. - Different in that which is to be sacrificed/what's supposed to be sacrificed - Different in conditions that surround the sacrifice - Different in the priestly protocols with regards to judging that trespass The main difference between a sin and a trespass is that a trespass required compensation to restore the one that was offended, an additional penalty, AND a sacrifice. A sin offering only required a sacrifice. It takes more to atone for trespasses than it does for sins. If you committed a sin, you just brought a sin offering to the priest. With a trespass, you still have to make an offering to the priest but now you have to make full restitution to these things.
Commentary	Comparison : Tribulation vs. Trouble	TRIBULATION vs. TROUBLE: TRIBULATION: a condition of great affliction, oppression, or misery; even persecution; distress; vexation; or disturbance of life. It simply means that which causes trouble. But it is not merely ‘trouble,’ but trouble that has come upon us, personally. Tribulation is trouble that has been brought upon you/directed at you. By you know who. TROUBLE: Bible uses the word trouble. You can get yourself in trouble. Hit your finger with a hammer. You're just a bad shot. Those tribulations we encounter are going to try our faith and produce a patience in us, and as we get over to Romans 8 we discover they are going to test our Sonship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Tutors vs. Governors	Tutors & Governors: Over the span of a child's life, he would have more than 1. One would take him so far and then another would take over. When we think of tutor today, you think my child needs help in math. Tutor was basically a person who not only helped the child with his studies, he was actually responsible for giving the child an education. He also carried the strap or the rod of correction because part of the Tutor's job was to teach the child right from wrong. When those kids start to get educated, you have the tutor who is in charge of their general education, teaching them right from wrong, and he carried that strap of correction. The governor is someone that was a little different. The governor controlled every area of a child's life and he came to live in the home of the child. The child never got away from the governor. The governor decided when he would get up, what he would wear, what he could eat, when he could play, what he could play at, when he would go to the tutor, and then he was under the direction of that tutor. When the tutor was finished with him, he came back and the governor now would tell him what to do. When he would go to bed. The child's whole life was controlled. The child had very limited decision making. Later, at the time appointed of the father, the tutors & governors get dismissed and now his instructor becomes his father. Education of the tutors and governors wasn't just the 3 Rs - reading writing arithemtic. Education also included things about the father and things about the father's business.
Commentary	Comparison : Tutors vs. Governors	The son learned who his father was, not just by the limited exposure he got to his father, but he learned about his father from the governor, sometime from the tutor. Would tell them things about his father - what he valued, something he said, what things were important. The kid could then say, oh, now I know this about my dad. Then the child would learn things about his father's business, here's what your father's business does. The whole purpose of the tutor and governor education was to produce the attitude (thinking like your father, liking and disliking what he likes, valuing what He values). So when the father came along and looked over his children and says who am I going to adopt to carry on the family name/business, one of those kids would be a man after the father's heart. Didn't happen in a vacuum, happened on purpose. The work that gets done in the child is enough (doesn't know all about the father) that when he hears something about his father and the limited exposure he gets to his father, he formulates an idea about what does he think about his father, who his father is to him, and to David, he had this thing perfectly cultivated in him. So when God comes along and say not just I need a king but I need a king through whom I AM going to show adoption to Israel. Because it is adoption, I need a guy to have this attitude in him that I call being a man after mine own heart. Wants to have all that attitude written on David's heart.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Comparison : Tutors vs. Governors	Tutors and governor: Just teach about the Father. How great a business man his Father was or how smart he was in a particular business he was engaged in or how knowledgable he might be. They might talk about all these good things. Tutors and Governors: Part of their job was to teach the child about the/his father. Taught about his business to adjust his attitude. Should be thinking that his father and business are great. What the child knows about it is very second hand. Can only know about it to such a degree. The teaching about the father was all about adjusting the child's attitude and that is what Jesse did. He taught his sons about the Heavenly Father and the only one that adjusted his attitude was David. If you would have asked David what does he think about God he would have said, 'God is great!'. If you would have asked David about the Father's business (MM will show he knew what that was) David would have said, 'I think it is great and I want to be a part of it!'. They would come and visit their parents. Would be odd for us. Father was not there to deliver the child from the governor and the tutor, he chose them. As the child came up in years, he would come to a point where the father would look at his son and say, "I now want to begin developing my son in the things that I know, so he can come into the work that I am doing and get established in this work, learn this work, and one day, take over this work. Mold the child so that the son begins to think what the father thinks. So when the son does something, the father would say that's exactly what I would have done.
Commentary	Comparison : Unity of the Spirit vs. Unity of the Faith	UNITY OF THE SPIRIT: the cohesiveness of the body as they view each other vs. UNITY OF THE FAITH: Completed revelation of scripture and we will all see the same thing UNITY OF THE SPIRIT: Talking about the things that ought to bind us together as members of the same body. Not we are all in the same bowling league or we all like golf or we are all from Tennessee. These are things the world finds unity in. But what binds the body of Christ together is these kinds of things - that we have all been given grace to the same degree and a peace with God and we all desperately needed it. UNITY OF THE FAITH: Talking about the complete set of doctrines given to us in Paul's epistles.

Commentary	Definition : Ten Unchangeables	Things that you don't have any control over - they are what they are: 1. Physical features -- some things we can change, some we can't. 2. Parents -- God chose your parents to develop your character a certain way so He could use you for His glory. 3. Siblings -- God also chose your siblings to hone you into a servant for Him. 4. Race and nationality -- He has a special plan for you where you are. You're in the right position to do great things for Him. 5. Mental capacity -- We can train ourselves to be as smart as we can be, even if we are mentally challenged. 6. Time in history -- Your time is now. (Esther 4:14) 7. Gender -- God designed your DNA to determine who you are. There's nothing you can do to change it, so learn how to be the best man or woman you can be. 8. Birth order -- God places us where we need to be to develop our character. 9. Aging -- Until God initiates His new order at the end of the ages (Revelation 21:1-5), we will grow old. We have two choices on how well we age: either we wear and tear, or we rust and rot. Either way, we will grow old. 10. Death -- Dead is the curse of man for his sin. (Genesis 3:19)
Commentary	Definition : Abomination	ABOMINATION: Characterization of how you lived
Commentary	Definition : Adoption	You either have to believe that Jesus came on the planet knowing everything from the beginning OR He went through a process of being educated as a Son so that the process could be verified and documented and shown to be true. Why He says over and over the words He speaks are the Fathers and the Father taught Him. He didn't say I speak that which I have known from the foundation of the world. If Jesus was born with all knowledge, when you got saved, God would have opened your head, poured in all His godly Wisdom, shut it, and said you are ready to roll. He didn't do that, he means for you to do what happened to Jesus - learn at the feet of the Father. How could you identify with Him if He came in with all the knowledge of deity? You couldn't. Instead, He came to show you exactly how that's going to get done. You are going to get wisdom and instruction from your Father. He was given a doctrine for the program of Israel that He was born in that's what the Bible says He came to His own. But you are going to be given a doctrine for the program you are involved in. He is not going to come down and give it to you. He gave you a written record of that entire curriculum and then He put in you His Spirit and He called him in Romans 8 the Spirit of Adoption and Spirit will deal with you as an adopted son. If you know anything about Biblical adoption, if you get adopted, the one thing you will have to do is to learn from your Father. Just because the tutor & governor went out the door, his education is not over, it's just starting. The education is not about reading, writing, and arithmetic, now it's about the Father's Business. And he is going to learn the Father's Business forward and backward. You know that is coming. But the Bible doesn't use the word curriculum. MM doesn't care what you call it - you're going to get instructed/educated. Nothing in the world that educates you to run the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Adoption	Can't be educated by just showing up once a week on a Sunday afternoon. Going to have to spend time with your Father during the week. Amount of time is between you two. You will learn how He is going to speak to you and your heart and you are going to talk to Him - a real two-way communication. Won't be a 2-minute prayer once a week but won't have a 24x7 thing either. Don't let the adversary confuse you by swinging the pendulum all the way the other way. o (He is going to) Write the things in His heart on your heart (talked about this in the New Covenant) - A man after God's own heart (1st requirement God was looking for from David - what He is looking for from us) o Edify you to labor in His business in the heavenly places (forever in His Business with Him) - Adoption is the purpose behind your redemption (Gal. 4:5). Your adoption is THE big issue with God (not just a big issue) - If it is not THE big issue with you, your education as a son is not going anywhere. Settle it or stop fooling yourself. o Adoption is not just confined to the dispensation of grace (God wanted to adopt Adam, labored with him; wanted to adopt Israel) o God dealt with Adam as an adopted son
Commentary	Definition : Adoption	o Everything God will do with Israel will be through adoption o Everything God will do with us will be through adoption - You must desire to be educated (can't twist anyone's arm; If they don't want it, you can't make them want it). God has given you a curriculum in His word. His Spirit will lead you through the curriculum. Your Sonship will be opposed (get it from family, from friends; the worst will come from saved people; the further you get in the wierder you will be to the world). This world, and Christianity at large, is geared so that if someone actually begins to live out their Sonship, you will be actively opposed in that you all are meeting at 1 PM in the afternoon? Don't you know that the ballgames are on? What is wrong with you all? They already know what you are supposed to spend your time and this ain't it. o By the evil man – the wisdom (of this world) and evil of this world o By the strange woman – the policy of evil - Abba Father is the cry of a son (or daughter) who understands that God their heavenly Father is freely offering, by adoption, the opportunity to be personally educated by Him in godliness (think, live and labor like their Father) through an intimate, 2-way Father/son relationship, for the purpose of (among other things) equipping them to labor with Him in His Business out in the heavenly places for all eternity, and that the son not only desires his adoption, but he also understands what is being offered to him, he sees that adoption education for what it is, he thinks about it what his Father thinks about it, he values it as His heavenly Father values it (above all else) and he is willing to commit himself, his time and his effort to this education, this edification and this relationship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Adoption	Father: Teaching makes the son look at the Father in a whole new way that he was not able to understand before. What the tutors and governors didn't do, the Father will. Take the son into His confidence and reveal the business secrets and the plans/dreams for the business. Will never be accomplished until the son gets adopted and the Father begins to educate him. MM says not adopting your kids is almost like you disinherited them. Adoption wasn't for giving a kid a chance. That type of adoption did occur back then but the real adoption took place in the context of a ceremony, like a bar mitzvah, where a guy officially passed from boyhood to manhood. Bat mitzvah for a girl. Galatians 4 talks about this - when the father dismisses the tutors and governors. The tutors are the educational instructors-came in and taught reading, writing, and arithmetic. Governors are the ones that lived in the home and, aside from the education, controlled every aspect of the child's life. They decided when they would get up, they decided what they would wear, the decided what they could do in their leisure. But when you become an adult, the tutors and governors are dismissed and the kid is considered an adult and he is going to get taught by the father the family business. MM says we don't do that in this culture. STORY: Alfalfa farmer and none of his boys wants to alfalfa farm.
Commentary	Definition : Adoption : Biblical Adoption	Biblical Adoption: A father adopted his son for the purpose of installing and instilling his wisdom into his son so that the son would labor with his father in all his business. Reveals the business secrets to the son that the others will never know. Pulls the blueprints out of the safe and says this is where this is going. What you are going to be privileged to learn as you are educated as an adopted son, that other sons will never know. Biblical adoption is about your Heavenly Father desiring for you to labor with Him in His Business that's going to carry on throughout eternity and you will be involved in that Business if you are saved. Where you will be involved in that Business and what you will do depends on how qualified you are to engage in that Business. Biblical adoption: series of events to take place once a son has been adopted: - Tutors and governors are dismissed - The father undertakes the son’s education - The education specifically pertains to the father’s business - In that education, the father seeks to take the things in his heart and write it upon the heart of his son The beginning of the adoption process is when we make the cry of ABBA, FATHER-Romans 8:15 and the end of that process is the redemption of our body (Romans 8:23). This is why we say that at the Blessed Hope, our adoption process is over.

Commentary	Definition : Adoption : Adoption Structure	Basic structure of adoption doesn't change from program to program. Have to go back to Israel's program to see it. The doctrine does change from program to program. Have to understand the basic structure of adoption because if we don't, when Paul gives us doctrine, will have no idea where that plugs in and what it's supposed to do. Adoption is the big issue with God: o Adoption is not just confined to the dispensation of grace (God wanted to adopt Adam, labored with him; wanted to adopt Israel) o God dealt with Adam as an adopted son o Everything God will do with Israel will be through adoption o Everything God will do with us will be through adoption Adoption Parts/Steps: 1. Get declared to be a son 2. Get declared again when you get the education.
Commentary	Definition : Adoption : Adoption Structure	Jesus declarations: - At the river Jordan - This is My Beloved Son in whom I AM well pleased. - At the Mount of Transfiguration - This is My Beloved Son - At the Resurrection - This is My Son to which of the angels do you ever say at any time this is my son this day I have begotten Thee (Psalm 2:7; Hebrews 5:5) 3. Glorified Body 4. Get placed in the heavenly places In the dispensation of grace, we need to know there is a structure and an outline and a sequence to adoption (and that education) that is given by Solomon that was taught him by his father David who got it from God Himself. Need to know how that basic outline lays out and understand the very quality that God was looking for in David, is the very quality He is looking for today by adopted sons. Just as Jesse taught David about God, it was different when God Himself took David and began to educate him. The real work of edification is going to be done between you and your Heavenly Father. Apostle Paul refers to that fact when he is looking out at all of the churches and all the men who are in charge of those churches and are standing up and instructing those that are in their assemblies. Basic structure of adoption shows here is the process that we're going to be taken through so that when we go back over to Paul's epistles we'll understand here's what is going on with us. Here is what he is going to do with us here. He is not going to reinvent the wheel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Adoption : Adoption Cycle	Complete cycle of adoption through Jesse-David-Solomon: Jesse sets David's attitude so he becomes a man after God's own heart. Jesse must have done a pretty good job with David for David knew a lot/Points to the good job Jesse did rearing up David (what a tutor and governor would do. David turns around and adopts Solomon and teaches Solomon the curriculum. Solomon is the one who gets the curriculum written down. Jesse served as a proper tutor and governor for David's Heavenly Father. Not only prepared David for the things in this world but he also prepared him to have a heart for His Heavenly Father. David gets educated and put in a position as king (close relationship between Sonship and king - David will labor with His Father as king - will get resurrected out there and be over Israel in eternity). Because of this, God is going to use David and his son Solomon to write down scriptures that will actually educate Israel and give them knowledge about what it is like to be an adopted son. God used David as an adopted father to Solomon and together put forth a curriculum for Israel's Sonship. Curriculum will be accessed by the believing remnant out there in the Day of Wrath. Look at Hebrews-Revelation and the Books written by David and Solomon. Actually 3 involved - Bible says A ROD OUT OF THE STEM OUT OF JESSE-Isaiah 11:1. Jesse doesn't write scripture, but he sets the heart of his son David. Then, David being educated by His Heavenly Father, is going to turn around and give that education to his son Solomon. God will then use Solomon as the writer of the curriculum so that there will be something on the pages of scripture for Israel to be able to go back and look at.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	David:
	Adoption :	- He knew about God's Jehovahness and grace (and this is how God wanted to deal with His people)
	David	- He knew about God's Jehovah "names" (those compound names - he understood at least 5 based on the scriptures - he understood what God had pledged to do)
		- He knew something of God's Business (knew some things about what God wanted to do on this earth and what His plan and purpose was)
		- David knew something about God's likes and dislikes
		David really is a man who understands: what God is doing what his business is about what God wants to do in that land something about God's Jehovahness and grace
		David has a lot of things in his understanding.
		- Realizes the Interlude wasn't deserved (or predicted). He may not know all of the reasons WHY the Interlude of Mercy is taking place but he does know WHAT is taking place.
		- God has big plans for the Interlude and those plans involve Sonship.
		- David wants to labor with his Father. He understands something about his Father's Business. He wants to get all of God's Jehovahness working for Israel. He is right that this is the right time.
Commentary	Definition :	- First thing David thinks is - I am going to build Him a House. The reply through Nathan to David is very revealing.
	Adoption :	- First thing David puts his hand to is to bring the Ark back to Jerusalem.
	David	- How does David know that that land/Jerusalem is special to the heart of God? He understands that and knows exactly where this is all supposed to take place.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Adoption : Solomon	**Solomon: Is a picture of a son of David who forsook his Sonship education and Jesus is the Son of David who shows you the adherence to the Sonship education**. Why Jesus is David's greater Son. What's true of the Father-son relationship between God and Solomon is also true of the Father-Son relationship between God and His Son, the Lord Jesus Christ! Solomon is going to function (as David did) as a son to whom has been imparted the wisdom of his father. Solomon is the one known as the wisest man who ever lived and there are examples of his wisdom (comes through his Sonship) given in the biblical record (remember God said He would give him anything he wanted and Solomon asked for wisdom). The wisdom that characterized Solomon is the result of his Sonship education. What Solomon got in his Sonship education was under the law. Yours under grace will be in the fullness of Sonship. But then we can also see the failure of a son in Solomon who, because of his own negative and improper response to the Sonship education, allowed himself to be victimized by the Satanic policy of evil. Policy of evil has changed against you. It is gone from keeping you from knowing you are a son to getting you to drop out of your Sonship. POINT: Both Jesus and Solomon are Sons/sons of David and they're going to be dealt with as adopted Sons/sons. - David educates Solomon. - Our Heavenly Father educates Jesus. So here is the rundown: - God is going to use David to educate Solomon - God is going to give David doctrine—so that he, as Solomon's physical father can impart doctrine (much like his own father, Jesse, did) that will allow Solomon to function as a son of God (in that same kind of limited capacity that David did)—with wisdom, and discretion, and discernment—to rule and reign in Israel righteously and justly
Commentary	Definition : AEP (Accelerated Education Program)	AEP (Accelerated Education Program): What new people have to have if they come in the back door: Clifford Kidd overseeing this. - Overview of Israel's program as it pertains to the CoP - this gives you a timeline that you can place everything on - Larry Thomas (CA) / Karen Cocharan - Overview of the DOGG & RDW (and introduce your identity in Christ) - Rudy D. - Bible and KJV - David R. Commentary	Definition : AEP (Accelerated Education Program)	- Details in Sonship Establishment - Details in the Dispensational Change - Adam J. / Madison T. - Overview of Sonship Prayer - Eric Fleming - Romans 12:1-2 Checkpoint - RE 1 & 2 (Checkpoint and Wisdom) - RE 3 & 4 (Justice and Judgment) - RE 5 & 6 (Equity & Final Issues) MM is going to try and condense the above in 20 lessons or less. One a week for 5 months and then they are through Romans. Once we get these recorded, just need someone in each area to do a Zoom group and take people through the accelerated education.
Commentary	Definition : AEP (Accelerated Education Program)	Whoever does it needs to get familar with the big study. MM says he wants a Dr. Winters (taught Louisiana history every semester for 30 years) in every one of these. Plug people in where they need to plug in. For the first time, a Sonship church will have an actual mechanism to catch people up. We are carefully looking at the scripture to make sure that what we're going is being done properly without violating any of the things that our apostle has written to us and is certainly in line with what the word of God says with no desire to give into the pressure of the world as it wants to determine doctrine by culture. You can be involved in an OFFICE that is not just a practical office but is actually helping edify people. MM says he is not worried about outside criticism but wants to make sure we stay within the parameters of the scripture when we do all of this. MM knows there are godly ladies in Monahans, GR, on Zoom who are wondering if they can be involved in the AEP. When MM says he is going to rerecord those, he is the one teaching the Bible - the Bishop. That's him on those videos. That's his image and that's his understanding of the doctrine. MM is not trying to provide you a platform for you to disagree with his understanding of the doctrine. If you are going to be involved in the AEP he needs you to be able to re-enforce that doctrine. If you can't do that then this is not an OFFICE for you because he is not going to give someone a platform. If you want to do that, go start your own church/own Bible Institute and gather your own OFFICE. God bless you. You are a son/daughter, you can disagree. But hoping the disagreements are minor because they are not fundamentals of the faith that you can extend a little grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : AEP (Accelerated Education Program)	MM is counting on you, him, or both of us getting corrected by the doctrine as the years go by. Need people to facilitate showing those videos and assisting people in their understanding of that and then referring them back to the bigger studies and answering their questions and really caring about them. Ladies can do that and MM is going to organize it that way that gives us the least amount of criticism. Need a guy to be involved in every team. MM says if you really want to learn the doctrine, learn to teach it. Just helping people with that teaching to ward off criticism. EX Joyce Cate - daily verse emails. MM is not saying: - women are supposed to take the teaching role in the local church. Paul forbids that. - woman are supposed to usurp authority over men. Not what AEP is about. - women are supposed to be lording over men. Godly women understand that there is a very important role that they are playing in all of this and they have those things in mind. When every member of this assembly all fill all of these different OFFOCES and fill all of these roles we will have the fulness and completeness of ministry that the local assembly was designed to have. That's what we are after and we're not going to violate scripture to do it. This is not a cultural thing, it's a biblical thing. MM talking about the extent that ladies can be involved in (GH: teaching/leading) AEP.
Commentary	Definition : Affirmations	Can be right out of the scripture. There are some who take these affirmations to be something more kike they are a magic formula for undoing curses or hexes. Are not for the purpose of breaking any generational curse, or hex. That's not what these are talking about at all. These are simply for the reinforcement of truths (doctrines) that were not previously working is us; in our minds. The affirmations are a recommended part of the process whereby we “put off the old man and his deeds” and “put on the new man and his deeds.” The way to “put off” and “put on” is by first having a change in our thinking. It is part of the renewing of our mind. EX Christian that was taught we can lose our salvation and prayed 1 John 1:9 constantly. Then, the learned the doctrine/truth of their justification and hears preaching that you cannot lose your salvation. Then spiritual warfare is going on in his mind and he has to make a decision about what is true according to the Bible. So, in order to replace that old thinking which has been in them for years, it will be beneficial for them to pray or affirm those things which they now see are true for them. MM thinks affirmations are a good way to reinforce God's word, to get the Truth ingrained into your thinking/mind.
Commentary	Definition : Affirmations	These may look like this - these are part of the process that you would use to pull down this STRONG HOLD: * I have trusted Jesus Christ as my all sufficient Savior * I am justified unto eternal life * The righteousness of Christ has been imputed to me * I am the righteousness of God in Christ - truly who you were made to be when you trusted Christ as your Savior * I have a new identity in Christ * I am forgiven of all my sins * I am “at one” with God - no longer God's enemy

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Affirmations	* I am no longer under the penalty of sin * I cannot lose my salvation * My security is in Christ, not in my works * My fellowship with God cannot be broken - because you are in Christ, you cannot lose your fellowship with God * When I sin, God wants me to live as the justified, sanctified saint that I am in Christ, (not an apology) MM says this gets you branded as heretics, hyper-dispensationalists, because we think God is dealing with us entirely different. They would say, if you don't repent and confess, you're not even saved. God doesn't want to hear that you are sorry for your sin, He wants you to start living like the person that He has made you to be in Christ.
Commentary	Definition : Affirmations	All of these affirmations are biblical and true for believers in Jesus Christ. There is nothing wrong with making these kinds of affirmations or putting these into a prayer of thanksgiving to God. That's perfectly OK. But remember the first caveat; these are not for the purpose of breaking a generational curse, or a hex or any such thing. The second caveat is that we do not address or talk to Satan when we are praying or making these affirmations. This strays back into a superstitious and erroneous understanding of the doctrine. These affirmations are about establishing biblical truth, especially at a time when you're pulling down an untruth and trying to get the truth established. Help you go from 60% convinced to 95% convinced.
Commentary	Definition : Ages	Ages: - Divisions within a dispensation - Parts of a dispensation
Commentary	Definition : Ambassadors for Christ	As Ambassadors for Christ: * we have a message for the lost world, the Gospel of Christ how Christ died for the sins of the world * we also publish the Manifold Wisdom of God to angelic creatures how Christ took Satan in his own craftiness and defeated him * we also publish the fact that God has not only made peace between Jew and Gentile (insofar as His dealings) but is also offering peace to Gentiles in their relationship with God.
Commentary	Definition : Anacoluthon	Is a break in the middle of a sentence. Firstly, in literature, this device more naturally mimics how people speak, so it makes the character more human, more relatable. A second reason for using this device is to be able to communicate something that is difficult, emotional, or complicated. Paul uses in 1 Corinthians 9:15.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Angels	Angels 101: - Don't age. - All shouted for joy (Job 38:7) at the creation of the world. - Angels don't go through Sonship education. Angels created with built-in amount of wisdom and understanding. Angels don't go to school. Day Lucifer was created - full of wisdom and perfect in beauty. He corrupted that wisdom. As you go through this education, angels, at some point, are going to begin to know something about you. Not only know something about you, they are watching you. Because they know something, they have high expectations for what is going to be happening with you when you finally get your glorified body and are installed in the heavenly places. - Why Satan hates us so much - man no big deal (lower than the angels). Then God said let's make man in our image and in our likeness. Means that godliness or God-likeness is possible for you and me. But we are not going to get it automatically. We will be taught that. No redemption for angels because there is no kinsman. Jesus would have had to take the form of an angel and die on the Cross to pay for an angel. Every angel is a unique and special creation, which means He would have to die for every fallen angel. They are not connected like the human race, which all comes from Adam. Would have to have a death for every single one.
Commentary	Definition : Angels	Angels 101 (cont'd): - We will have a major impact on those angels in the heavenly places. MM will talk about the impact you are going to make on the good angels first because those angels know what it is that we are supposed to do as sons when we get up there. The good angels know that are are going to deliver the creature from the bondage of corruption and they understand that their world right now is going to change completely when we get up there. - We also have an impact on men. It's more than just the gospel. When we only see that, we have Xed out the primary place of impact. Reason to wrap our minds around that is because you won't hear about it or see it while you are living in this body on this earth. You will only see the result of your impact after you get up there. The Bible will tell you about an impact that you are going to make on angels, both good and bad. - 24 governmental positions - 12 on earth and 12 in the heavenly places. The 24 areas are all out there. There are 12 with a direct connection to the earth and 12 with a direct connection to the whole rest of the universe.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Angels	- Angels not only can't just move however they want to move or just blink and suddenly they are on the earth, they have to follow PATHS and WAYS. - Right now, in their own realm in the heavenly places, it is dangerous to travel. You are going to encounter conflict and opposition. Analogy: Traveling in Mexico unsafe, car jacking, etc. What if someone had the power to make travel in Mexico safe? The Mexican people would be dancing in the streets. Now you know what the angels are looking for because they can't do that. And when you come you will help change the whole atmosphere of what it is like in those heavenly places. Right now, it's controlled by evil/controlled by Satan/darkness. You are going to bring light to darkness and godliness where there was nothing but evil and peace to a place where there was only conflict. Those angels know what to expect of us and we are going to be equipped to do that. Just talking about making an impact on the good angels right now. Some angels are going to look down and say we want so-and-so. You will get to a place where you are known by them and they are looking at you and they are actually saying that's the one we want. - Angels think differently than we do because even though we know something is true, sometimes we still make stupid decisions.
Commentary	Definition : Angels	Angels 101 (cont'd): - Hot button topic - When you go to the bookstore, there's tons of books on angels. People want to know about angels, what angels can come and do for them what got done in Israel's program. Come give me a message of what I am supposed to do. MM says that's contrary to Sonship, now you have made angels your tutors and governors. The reason why Israel got ministered to by angels because they refused to be built with a son's. The body of Christ is supposed to know more than angels. We're supposed to be educating them, not the other way around. Working in a job where you know more than your boss. Isn't that frustrating? Especially when no nothing boss tries to come in and tries to tell you something. What do you think angels think about most Christians - 'They are going to be charge of us?' Angels say, we are going to pass on that one. We'll wait for the next one. When a son comes along, angels say that's the one we want. MM doesn't know how it works. Will it be a draft? Do angels have anxiety around getting a dud son? Most Christians have this backwards. They think angels are the big shots that come tell us stuff. The truth of the matter is, you're not only supposed to understand how they think, you're going to know more than they know, that's why they are going to take their orders from you. You will get to the point that you are educating angels now. Angels don't have the capacity to have godly edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Angels	Reasons why you have to think about the way angels think: - Angels are intellectual beings but they are of a very different nature than we are so we need the education to know how to deal with them/understand how they think/communicate with them. - Whether God's angels or fallen angels, angels by their nature have a way that they think about things. You will be up against the thinking of some pretty diabolical angels. When you encounter Satan's POE, that gives you an advantage. With godly wisdom you will see right through that whereas before you would just see the face of it. Not given doctrine for the sake of getting a bunch of doctrine. Not given an education so you can sit on it. Given and education so you can put it to use. You are going to take that wisdom and buy some things, purchase some pieces of spiritual merchandise, you're going to put those things to use and practice them while here so you can use them up there. - Angels didn't descend from each other, they're all created beings. MM suspects that God created the angels who were highest in authority first and followed that same order to fill in all of the rest of the angelic positions. Doesn't have a verse on this. Just keeping the headship/structure/authority/the creation theme in mind.
Commentary	Definition : Angels : JUDGE ANGELS	Angels are not looking forward to you coming to “judge” them because they think God has performed a bunch of miracles for you to bail you out of troubles. They are looking forward to you coming and ruling over them because they see godly edification has taken place in you that allows you to know more than they know and to do that which they cannot do. They are looking at that relationship of Father/son, which they will never have. The angels are looking at your education in all three components of godliness which they can never have. They want to know that you understand more than they do, that you have the ability to educate them, that you have been through things they will never do, that you have a relationship they will never have, and they want to have confidence in your ability to judge them. God deals with angels as omnipotent, omniscient God, but that is not how He deals with His sons. The only relationship they really understand. The fact you have been given a whole Sonship curriculum that will allow you to be educated by your Father is something that blows their mind. Watching this and think I wish I could do this. We will educate angels. We will bring their understanding up. But they won't become godly creatures. It's almost like, if you don't teach them, nobody will teach them. And when angels see us going through the things that come our way, and responding to those sufferings with the understanding that God is not going to intervene, responding to those sufferings with the understanding that God is doing something in our inner man, responding to those sufferings with the understanding that we are going to receive a glory that makes those sufferings (even the ones which are “unto death”) pale in comparison, THAT IS WHAT MAKES AN ANGEL’S JAW HIT THE FLOOR.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Angels : Angelic Rebellion	Context: God has ordained a government in the heavenly places and in that government angels took those positions of responsibility. Find out in Revelation there are 24 divisions of government (Principality) throughout the whole entirety. Underneath are are Powers, then Thrones, then Mights, then Dominions. (GH: old order) These are governmental positions. Two-fold Angelic Rebellion: 1. Heavenly places: One-third of the angels joined Lucifer in his rebellion but not just any third. Satan went behind the scenes. Going strategically to angels who were in positions of authority in the Government of God and getting them to join the rebellion. A third of the angels that rebelled were the ones that held those govenmental positions of authority. According to Daniel, all but 1 of them follow Lucifer's rebellion. Don't have it all but if you have 23 of 24, you pretty much have control. He became the usurped possessor of the heavenly places because he controls most of it. To take control back, have to take control of these governmental positions. Satan gets title PRINCE OF THE POWER OF THE AIR. God did something that stopped that rebellion in its tracks - He created hell. Jesus when He talked about hell said it was created for the devil and his angels. Angels can travel in a way that you and I don't get to travel. MM implies that angels have taken a look at hell. Not a matter of belief for them. God needed a plan to repossess the heavens and that is where we come in. He made a provision for a second program on the Cross. We are part of the mystery program that was kept secret from the foundation of the world. We need glorified bodies so when Satan and his fallen angels are cast out of the heavens to the earth and we are installed in those positions in the government in the heavenly places, the bodies we have right now won't function very well up there. You will have a glorified body likened to His Resurrection body. Jesus said don't touch Me I have not yet ascended to My Father in heaven. Later that same day, they touched His feet. He did the roundtrip during the day. Why we are given a glorified body.
Commentary	Definition : Angels : Angelic Rebellion	2. Earth: Gets the earth when he gets God's regent on the earth, who has dominion over everything, Adam, to sin. Satan gets title PRINCE OF THIS WORLD. If Israel fails, God will not repossess the earth. Between these two, he has become the usurped possessor of heaven and earth. Now, he wants to hold onto both. God is not going to just put His Hands in His pockets and go wow, he took my stuff. God is not going to sit by so Satan is going to try and hold on. What is God doing in response to what Satan has done? • God has initiated two great programs by which He will repossess the heaven and the earth back to Himself • He will utilize his prophetic program with Israel to repossess the earth • God will utilize his mystery program with the body of Christ to repossess the heavenly places Rebellion in the HP was principalities (national POE) then powers (city POE), then mights (local POE) - GH: Thrones and then Dominions are higher than Principalities. Those that are closest to God didn't rebel except Satan. - 70 Principalities in Genesis 10 - 214 Principalities today
Commentary	Definition : Angels Type : Archangel	ARCHANGEL: OED An angel of the highest rank.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Angels Michael	Michael is a dominion, as the head over the armies of heaven. Also, he is a dominion in his position as an archangel. But as a prince over Israel, he holds the dual role of principality.
Commentary	Definition : Anger	The kind of anger that God has: A justifiable anger that motivates us to take appropriate action. 1. Correction of wickedness; Restraining sin: We can restrain those who are subject to our authority or power EX restrain sin in your kids to keep them from becoming wicked or sinful people 2. Take appropriate actions Righteous indignation is a justifiable reaction to the things which anger God, motivating us to confront injustices by taking appropriate action. If you see something and it causes righteous anger in you, naturally you should want to do something about it - to take appropriate action. But not everything is under your authority or your control. But there are some things you don't have any control over. But righteous anger (makes you mad) which does not result in righteous action (no action) Satan will use this and it often leads to two things or misuses: 1. Cynical: cynicism
Commentary	Definition : Anger	2. Judgmental: merely sitting in judgment of each other. Instead of doing something about it, the only thing they want to do is gripe and complain about what's going on, but they're not going to do anything about what's going on. MM says this is a deed of the OLD MAN and you have to PUT that OFF. So if you are going to get worked up about it, you have to do something about it. Instead, righteous indignation should lead us to do something constructive (forgive; pray; alleviate suffering or oppression; campaign for justice, etc.). Goals: - restrain sin - correct wickedness - prevent injustice

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Anger	Right: - Campaign for justice - Intervene personally if you have to the right to do - Admonish one another - Pray to have the right Sonship outlook - If done against you, you will forgive them Wrong way - don't let just anger lead to unjust actions - Drives you to sin - EX Being against abortion and killing an abortion doctor or blowing up a clinic. This is the wrong response to a just anger. Because these actions violate other Biblical principles. You can't fulfill a principle by violating another principle. There are some things which we should be angry about, but not so that our anger leads us to sin against God or another person. Anger is not a way of life or even an attitude to have; it is a temporary signal that tells you something is wrong somewhere sometimes with something outside of ourselves, and other times with us.
Commentary	Definition : Anger : Unjust Anger	Unjust Anger: 3 categories/forms of unjust anger 1.Anger that comes from lack of control(a blocked goal): Anger over things we don't have control over (our blocked goal). You have allowed yourself to become distracted and you are no longer thinking about the thing you should think about. Doesn't have to be a big goal or a life goal, can be something simple. EX Stuck on the highway in a traffic jam, get angry and hit your steering wheel. A blocked goal is unjust anger. If it is a goal that you ought to have, getting stuck on the interstate cannot block it. Your heavenly Father isn't interested in you making your dentist appointment on time, He is interested in you being conformed to the image of His Son. You pitching a fit in traffic is not being conformed to His image. The life of Jesus is not being lived in you because you are angry over something you don't have control over. If it is something you can't control, a signal ought to go off in your head - this is unjust anger. People still mad about things from two weeks ago - this is eating you like a cancer. The result is often anger, anxiety or depression. The NEW MAN deed would be patient endurance. That's the thing that produces the life of God's Son in you. This is the only thing you are taking with you. That's going to count for something so load up on that.
Commentary	Definition : Anger : Unjust Anger	2. Anger that comes from flesh patterns (another name for strongholds): Anger from a flesh pattern (stronghold). Flesh patterns are formed from false beliefs developed as a means of coping with something in our life apart from dealing with it by grace and Christ. If you are coping with it for anything outside of the doctrine that is going to form a false belief. The false belief which lays the foundation for a stronghold to get built in you. Then for the next 20 years, every time a situation comes up, you'll revert to that coping mechanism instead of the Lord allowing you grace. Then when you finally hear the message of grace and realize that you can be free of that, you don't want to be free from that. This is your crutch, your oxygen mask, your pace maker, your iron lung. This is what you need to make it and you won't find your sufficiency in Him or the Power of His grace, but you'll find it in this thing you invented in your flesh to be able to get yourself through the day. STOP. That's an OLD MAN thing. We are PUTting those things OFF. He is sufficient for you to be able to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Anger : Unjust Anger	3. Anger that comes from unhealed wounds from the past: Someone did something, said something - MM is not trying to trivialize that - but you can be set free from this. MM hears people say, well I forgive them but I will never forget it. You are really saying you don't forgive them. The Bible is not asking you to forgive anything but to make a transaction between you and your heavenly Father, not you and your offender. That's where the business takes place. People think if they don't come back and apologize, I can't forgive them. This is another lie of the devil that allows you to hold onto your anger. Satan is using this like a club to beat you into submission. Don't allow that to happen. That's an OLD MAN deed. Now, in order to be set free, two things have to happen. Two things must be true in order for people to be set free and their wounds healed: 1) They have to be a new creature in Christ, because if you don't know Him, you don't have the basis to do what you're going to have to do to be set free from this. Need to be saved. 2) They have to forgive as Christ has forgiven us. Need to forgive as you have been forgiven. The only way you can do that is to know Him. Lost people can forgive things but not on the basis that produces godliness. This is the world's version of it. The world has a version of everything - patience, endurance, forgiveness. But none of them are coming out of the doctrine. It's coming out of human goodness. Means: 1. there's a limit to it. Can get pushed past your limit. God doesn't have a limit. He didn't say, forget it, I AM not sending My Son. There's not a line so sinful that God says you are so bad that Jesus didn't die for you.
Commentary	Definition : Anthropromorphism	ANTHROPROMORPHISM: God's ear is heavy that He cannot hear, His Hand is not short that He cannot save - when you assign those kind of attributes to God, God doesn't really have any of that, it is just using that. Utilizing things you're familiar with so that they could talk about God/illustrate it. Not true - supposed to see it exactly that way.
Commentary	Definition : Anthropopathism	ANTHROPOPATHISM: Windows of Heaven are opened - not really windows, it's an anthropopathism. To take things, like this creature, and give it a will and give it an expectation (v19). You have to decide - is God just using a fancy terminology to paint a little picture in your mind OR is He telling you how it really is? MM believes He is telling you how it really is. Not true - supposed to see it exactly that way.
Commentary	Definition : Apostle	Apostle means sent forth with a message in the authority of someone else. One that is sent by One with authority to represent Him to others.
Commentary	Definition : Ark of the Covenant	Ark of the Covenant: Box covered with gold and has a lid/covering called the Mercy Seat and 2 cheribums that have wings that touch over the Ark - very ornate piece of furniture. Contains the stone (GH: 10 commandment) tablets. Word ARK in Hebrew is coffin. Hebrew has several definitions - box, coffer. The law goes into that Ark and they carry that. The Palestinian covenant is carried OUTSIDE the Ark right beside it because they are never going to produce spiritual life out of that law, put it in there (GH: the coffin). The Palestinian covenant is a living issue and carried outside the Ark.
Commentary	Definition : Apostacy	APOSTACY: Liking your way better than God's way.

Commentary	Definition : Armour	Doesn't come out of thin air or out of the blue. You don't conjure it up by convincing yourself that you have it. Have the ARMOUR out of something that you already understood. Out of the doctrine that has already been taught to you. You can identify that doctrine, and then if you have it, you are able to utilize it. This is what it means to be able to put on the whole armor of God. It is to think back to the doctrine that it is attached to and employ that doctrine. That's how you put on the armor. If you know about the doctrine and constantly employing the doctrine in Romans 12:3-13:7, that's where the BREASTPLATE comes from. HELMET comes from multiple places. The first place is Romans 8:38-39. It is produced in you by the effectual working of God's word. MM asks how much armor will you need when you get up to the heavenly places - everything has been conquered, Satan and his angels are in the lake of fire, the POE has been destroyed, all the phony, counterfeit wisdom has been done away with, and now you are going to be with the Lord. What are you going to do with that armor? You are going to trade it in for crowns. Like changing swords into plowshares. Paul says you will trade that in for a CROWN OF RIGHTEOUSNESS. It's called the same thing. There are 6 pieces of armor and 2 divisions (GH: two sets of 3 pieces) and three pieces you are supposed to wear all the time and 3 that you only pick up when you need them. The BREASTPLATE and the HELMET represent the 2 divisions or categories in the armor. When you have those you have everything you need to enter into spiritual warfare against the adversary. When he attacks you, we should run to meet him (GH: like David ran to Goliath because of the confidence he had in God-1 Samuel 17). But you can't do that with confidence unless you have the doctrine working in you. We aren't taking on a physical giant, but we are wrestling against principalities and powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.
Commentary	Definition : Aseity	Is the property by which a being exists of and from itself. The word comes from two Latin words, a = “of, by or from” + se = “self” - broken up into 3 parts.

Commentary	Definition : Assembly	ASSEMBLY: Going through and learning the curriculum is what church is about. But it 'doesn't feel like Church' because growing up we never had 1 service where church really happened. Supposed to follow a format - sing an opening song, turn around & greet each other, let's sing, have a word of prayer, be seated, announcements, sing more songs, 13 minute sermon that better make them beat the lunch crowd or they will take their tithes elsewhere so he does that. Think you went to church. God thinks you have never been. Every member of the body of Christ has a function within a local assembly that makes this one complete body. We're all part of the body of Christ. MM uses Paul's analogy - someone's an eye, an ear, a foot, etc. Not until this body comes together - Bible says FITLY JOINED TOGETHER-Ephesians 4:16 - can that body now fully function to do what God created it to do. He created the local assembly/church, one of the divine institutions, to do something. Not to do all the things they do today. Allow the church to do something that you have never seen a church on this planet do. MM doesn't want you to see it, he wants you to do it. You will see it. A fully functional body. This group will begin to do something together that we cannot do separately. Not trying to discourage folks listening that live far off. Can get the education but can't be part of a local assembly that fully functions with a complete body. Like a car with all its parts functioning properly. Like seeing a hot air balloon or pictures vs. going up in it - a whole different deal. If they came and visited, would be the same way. Would need time in the assembly to flow into that or function into that. Going from one NFL team to another. Even though it's the same game, he has to practice with those guys to get familar. No replacement for being in an assembly that is going to function that way. Best you will get is to know about it. There are some Sonship skills that can only be put into practice within these walls. Take principals and experiences and apply in the heavenly places. When God created the local church and gave a Pastor the commission to take his people through the Sonship education, what you are doing right here and now is what church was intended to be.
Commentary	Definition : Assembly	Assembly Order: - 2 or 3 prophets would dispense part of the curriculum - Pastor/Teachers would expound on it - All the congregation would 'prophesy' or talk about it and say it in ways that made sense to others, edifying the saints. One-by-one - everyone has a chance. Would include someone saying I have a question. Taking about what was said and edifying the body.

Commentary	Definition : Assembly	Local Assembly/Church: Is not just a Bible class. A church is a gathering of the saints for he purpose of having a work of ministry. Work of ministry (Why God created the local assembly in the first place) includes 2 purposes/issues: 1. Give/Preach the gospel to the lost. Present the gospel to the lost so that they might be saved - happens in the individual lives of the members as they live every day - God really didn't design the church to be the place for evangelism. 2. Edification of the saints: Bring those newly converted people into the local assembly/Edify the saints unto godliness/with an end toward godly edification (so important to carry out God's operations in the DoGG) Do what God designed the church to do. He is forming the body of Christ. Remember first and foremost, we are members of the body of Christ. Our ultimate alliegance is not anything in this world, but to the Lord God. He designed the church to be the place where edification of the saints takes place. If you are spending your church time trying to win the lost, nobody's being edified unto godliness. That function is never going to happen. Things God wants accomplished through the local assembly:
Commentary	Definition : Assembly	- Provide a classroom for the progressive education of its members/the saints, the end goal being that education being to make the saints into godly people who can think, live, and labor like/with God (edification) - Wants/Make all men see what is the fellowship of the mystery - To make an impact on the principalities and powers in the heavenly places - Requires more than good intentions - To put the excellence/excellency of God's power on display - To impact the community it resides in (as we become the pillar and ground of the truth-become as the individual members are knit together) - Can't rush it or fake it. To do that, it needs to exist in a way that is visible and impactful to the community in which it resides. - To be the practice field for the heavenly places where we will function with the entire body of Christ to accomplish our Father's eternal purpose, etc.
Commentary	Definition : Assembly	**4 Operations of God in the Local Assembly in the DOGG:** **1. Provide for the edification of the saints - accomplished by the offices of Pastor and Deacon** **2. Provide for the sustenance and maintenance and continuance of the local assembly/church - accomplished by the office of giving - Ability for the assembly to maintain itself in its various expenses. God wants this assembly to sustain itself so that it can continue.** Can't wire building, be the GOFER. Can't do phyiscal work, pick up lunch. Can't climb a ladder, hold it. Can't trim hedges, bring water to them. **3. Provide for local church orderliness - accomplished by the office of ruling** - Requires various types of ruling with diligence. Guy who heads up parking lot security and the ones who help, missing the service to help the whole assembly. Sub-offices can fall under the category of ruling; may fall under the category of giving. Division of labor goes on in the body to greater or lesser degrees. Lift something with hands, arms, back, etc. **4. Provide for the well-being and relief of the saints - accomplished by the office of mercy**

Commentary	Definition : Assembly	The modern church: Starts with a noble cause but then it shifts focus. Eventually loses its first goal and purpose. In effort to grow numbers and finances and they make compromises. Wonder about the depth of their ministry. Do softball leagues save people or minister to people? What is not told to you as part of the ministry of the local church - MM could name 100 things here. VBS - nothing wrong with VBS. MM had to go. Did you find this instruction in the Bible where the ministry of the church is laid out? POINT: Well meaning Pastors, in an attempt to do something spiritual in the lives of adults and children in their congregations, have no problems in engaging in something that your Bible does contain the total ministry of the local church, never said one peep about. They will fight Sonship tooth and nail and that is the only thing that is in there. Because the POE has become so pervasive that it is the rule and anything that varies from that rule is the exception. You will be viewed as part of a cult because you are not like everybody else. But you are going to learn, thank God we are not like everybody else. MM says we really can't get a whole lot bigger than we are if everybody shows up because we won't be able to function with this interactive learning the way we are supposed to. - What if we had 200 people and he looks out and there's 85 people that don't have a clue. Does he hold everybody up until we get them to understand? Up above 75 people would need to be a fully educated son as pastor. The good news is if you really don't want this Sonship education, 2 hours is too much to endure. Most people say, an hour!?!? The fact that you come for 2 makes you weird. What we have gotten used to in this country is the church that does everything but godly edification. Not saying any of those things are evil, they are replacements for the one thing we are supposed to do. Do you think that when God created the local church He knew how He wanted that thing to function? If so, do you think He had a design ministry already in mind for that local church? Do you think that as God designed this local church ministry, do you think He left out an key important points? No He did not.
Commentary	Definition : Assembly : 4 Main Models of the Church/State Relationship	4 Main Models of the Church/State Relationship: 1. Erastianism - the state controls the church - from a guy named Erastius 2. Theocracy - the church controls the state - MM taking us back to the Middle Ages. Before England's king decided to rebel agains the Pope at Rome, all of those Papal states or governments who were under Catholicism, the church ruled the state. There was king in England that wanted to divorce his wife and marry someone else and the pope wasn't going to allow him to do that. He said we are going to do a deal now where instead of the church controlling the state, the state would control the church. When someone died and they had great holdings, there was always 2 people there, an emissary of the church and an emissary of the government. They always wanted to know where he was going to leave his holdings, to the church or to the state. The church had a tool of leverage - if you don't leave it to the church, you might not make it into heaven. MM jokes like doing that ensures entrance into heaven, right? Wonders how many people about 10 seconds after their death said ought-oh. The state had leverage as well - we can make life miserable for all the loved ones that you leave behind.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Assembly : 4 Main Models of the Church/State Relationship	3. Constantinianism - the compromise in which the state favors the church and the church accommodates the state in order to retain its favor - Roman empire was big and kind of got divided into 2 pieces, the western and the eastern. The western is where Rome was. The eastern capital was Constantinople and the emperor was Constantine. He had a dream that God was going to give him great victory in battle if he would pledge his allegiance to God. So he put the emblem of the Cross on his flag and made a big deal this was going to be God's war and he won that victory. That's when Christianity became the official religion of the Roman Empire and brought in Constantinianism. MM says it was kind of a I wash your back you wash mine type of thing. 4. Partnership - church and state recognize and encourage each other's distinct/separate God-given responsibilities in a spirit of constructive collaboration - MM says this seems to be the one that runs closest to what Paul put forth and even the Lord Jesus Christ-RENDER THEREFORE UNTO TO CAESAR THE THINGS WHICH ARE CAESAR'S-Matthew 22:21 & Luke 20:25.
Commentary	Definition : Assembly : The PURPOSE of the Local Church	The Purpose of the Local Church: Why God created the local church to begin with and why we are meeting together to do this. There's a difference between a church and a Bible Study. To do the work of the Ministry: We do study the Bible but we do it so the outworking of that study actually produces the work of the ministry as outlined in the scripture. There are two components to this (1 Timothy 4:2). 1. Save the lost/Salvation for the lost: The work of the ministry that brings the gospel message to the lost is not designed to be carried out within the framework of the saints gathering together. MM grew up in church and almost every Sunday you get a salvation message to a bunch of people who were already saved. Used the Sunday service as an evangelism tool. This is not what it's designed to do. We're not gathering together to get people in here so we can do that carrying of the gospel. **The carrying the gospel is supposed to happen in our daily lives outside of this assembly**. This is the way that God designed it.
Commentary	Definition : Assembly : The PURPOSE of the Local Church	2. To come to the knowledge of the truth/Edification of the saints: Once a person is saved, then the next steps is to begin educating them so that (All these phrases are talking about the same thing): - they can be edified unto godliness - they can mature in the faith - they can grow in grace and learn to live out of that grace - they can be conformed to the image of God's Son - they can come unto a perfect man
Commentary	Definition : Assembly : The PURPOSE of the Local Church	- they can put the life of Jesus Christ on display - they can function as adopted sons & daughters that they've been made to be MM says for these 2 goals, there are a lot of tools churches use to do these. But sometimes you get so caught up in the mechanics that you're just doing things because those are the things that you do and you kind of forget what they were designed to accomplish. You can have a church that has a bunch of stuff going but if it is not accomplishing these two things, then it's not doing the work of the ministry.

Commentary	Definition : Assembly : The GOAL of the Local Church	**The goal of the local church** (1 Timothy 3:14-16): - To exhibit godly behavior - To be the church of the living God - Nutshell: When we talk about this being the church of the living God, it means we're supposed to exhibit something that stands in contrast to all the false idols that the world has out there. We're supposed to make that difference apparent. There is a behavior that is going to demonstrate that. Says 'living God' not just 'God' because God is really the only God there is and because He is the 'living God', He is the only One that can do anything. All those others are just in the minds of men. Those man-made idols can't do anything, they're not alive. All things God is doing today in the DOGG can only be done by the True and Living God. We are supposed to exhibit a behavior that demonstrates that.
Commentary	Definition : Assembly : The GOAL of the Local Church	- To be the pillar and ground of the Truth - We are being educated with a result of being edified so that we will become this. This is a place where doctrine is taught. True statement but that's not the end of it. * PILLAR: Either supports something or it holds something else up so it can be seen. That's what this pillar is supposed to be. This church is supposed to hold something up to this community so that something can be seen. * GROUND: The foundation on which the PILLAR sets. You have a foundation that gets laid and then you're able to put something on display that is meant to make an impact on not just the lost world but it is also supposed to make an impact on other members of the body of Christ who are not able to come to the knowledge of the Truth. We are supposed to make that apparent.
Commentary	Definition : Assembly : The GOAL of the Local Church	As we engage in OFFICES, this thing/understanding needs to be in our mind that we are not just choosing OFFICES like it is some game of Monopoly, that it doesn't really matter and we're going through the motions. This is all supposed to go somewhere, it's all supposed to accomplish something. As we progress through the education, we become this through a greater and greater degree. - To put on display the mystery of godliness - Only possible as we are being edified, only possible as this word is working in our inner man, only possible as we are actually being transformed from the inside out. As those things happen, the result is the very life of God is being put on display and held up where folks can see it so that men are impacted by that. MM says when local churches get planted there and there and there they are all meanto to do this. MM asks what if every single local church was manifesting the life of God by its members, doing this list? Do you realize the impact on angels that would have they were doing the entire list?

Commentary	Definition : Assembly : Steps to Church Discipline and the dispensational distinctions of it	Most churches use Matthew 18 - Israel program - kingdom pattern vs. the grace pattern. Will be implemented in the kingdom. See the differences between what happens under the law and what happens under grace. Step One: Private Rebuke - Kingdom Program: Matthew 18:15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. - Grace Program: Galatians 2:11 But when Peter was come to Antioch, I withstood him to the face, because he was to be blamed. - If an assembly is working properly, this should be sufficient to solve what is going on. If an assembly is working properly, this should solve it. If no other witnesses, this is as far as you can go.
Commentary	Definition : Assembly : Steps to Church Discipline and the dispensational distinctions of it	Step Two: Witnesses Rebuke (more than 1 person) - Kingdom Program: Matthew 18:16 But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. - Grace Program: 1 Timothy 5:19 Against an elder receive not an accusation, but before two or three witnesses. Step Three: Public Rebuke - Kingdom Program: Matthew 18:17 And if he shall neglect to hear them, tell it unto the church: Bring that before the assembly as a whole. - Grace Program: Galatians 2:14 But when I saw that they walked not uprightly according to the truth of the gospel, I said unto Peter before them all…Bring it before all.
Commentary	Definition : Assembly : Steps to Church Discipline and the dispensational distinctions of it	Step Four: Excommunication - Kingdom Program: Matthew 18:17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican. - Grace Program: 1 Corinthians 5:13 … Therefore put away from among yourselves that wicked person. MM says you would remove them from the assembly. How these are different under law and under grace: How you consider the brother involved in the sin. - In Matthew 18, the process ends with: Matthew 18:17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican. Look at him as an unbeliever.

Commentary	Definition : Assembly : Steps to Church Discipline and the dispensational distinctions of it	- But Paul says something different in 2 Thessalonians. 2 Thessalonians 3:14 And if any man obey not our word by this epistle, note that man, and have no company with him, that he may be ashamed. 15 Yet count him not as an enemy, but admonish him as a brother. Still look at him as a brother. Paul is not judging his salvation, still calls him a brother. MM says there's not a sin on the planet that believers haven't done. Point: Under the kingdom program, excommunication results in the man being looked at as a heathen. Church discipline in this dispensation of DoGG should always have in view the restoration of the offending brother. RESTORE SUCH AS ONE IN THE SPIRIT OF MEEKNESS- Galatians 6:1
Commentary	Definition : Atonement	To be made at one with someone again.
Commentary	Definition : Baptism	Like other words, more than one usage/meaning. 3 technical terms: A PURIFICATION unto SANCTIFICATION or separation that results in a new IDENTIFICATION/identity (God never gives a NEW identification without doing it through some sort of baptism). Old identity=Adam; New identity=Christ When you see a baptism, you are looking at a NEW identification. Every time your Heavenly Father wants to give you a new identification, He does it through a baptism. Not every baptism is a water baptism. God never gives anyone in any age a new identity without doing it through a baptism or some kind. MM says people get baptized because they don't know the doctrine. God doesn't hold them not knowing the doctrine against them and aren't you glad. MM says you don't need water baptism because you have the real one. Why would you need the shadow if you have the real one? MM says it is OK to let people live out of the edification they have not that he has. Otherwise, he is creating a law for them. It's a picture of washing the flesh of any uncleanness away from it. - Some guy believes he has to be baptized to be saved. He has a peace about it. - Couple having their baby sprinkled. Thinking this is ensuring a chance for salvation of this baby.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Baptism Mode : Water Baptism	MM says water baptism never has been a a requirement for salvation. EX Thief on the Cross got a blood atonement sacrifice made for him but he never got baptized. If it was a requirement, people would have said man, sure wish you could have gotten baptized. If people get saved and get water baptized, God is not made at them because they don't know the doctrine. You don't need to be baptized because you already have the real One (Spirit baptism). When you trusted Jesus Christ as your Savior, the Spirit baptized you into the body of Christ. If you have the real one why do you need the shadow? MM says it is OK to let people live out of the edification of where they are, not where he is. Because if he tries to impose where he is on folks who are not there yet, he has made a law for them, not because they're really there in their own understanding of the faith. They're just doing it to make the preacher happy. He thinks this violates exactly what God is trying to do in their heart because he created a law. Would have to think if someone asked him to baptize them. Would have a discussion first. Show them they have the only one that really counts, do you really want to do this? But he doesn't want to go around making a law for people who just aren't there yet. It's a progressive thing. We grow up in the faith, it's a process.
Commentary	Definition : Bare Bones	Barebones are standalone studies that don't relate to the curriculum or MBI.
Commentary	Definition : Belial	Means worthless. When Satan begins to function to destroy Israel's separateness and put out their LIGHT so that they have no impact on the rest of the world, that is him functioning as BELIAL. Worthless has to do with what God has become with regards to God's plan and purpose. They are going to be worthless to God if he is successful in this endeavor. When you see BELIAL, think about Satan's attempt, his POE directed to extinguish some kind of LIGHT that is being shown that is impacting what he is doing and that work to extinguish that LIGHT and to put it out. How he does this to Israel: - introduce other gods to them EX LET us GO AFTER (worship) OTHER GODS, WHICH THOU HAST NOT KNOWN-Deuteronomy 13:2 - why you see all those warnings over and over again. None of the other nations know the True & Living God so the other nations are already following Satan's COURSE OF THIS WORLD-Ephesians 2:2. He wants to get Israel down that path as well. - to add other practices to the things that they are doing - when Israel was wandering in the wilderess, they not only carried the Tabernacle of the Lord, they carried a tabernacle to a false god complete with a bunch of so-called priests that actually erected that tabernacle and set that thing up. MM says that's an amazing thing when you think about that.
Commentary	Definition : Belial	He is going to use these other nations to influence Israel to go down that same path that they are going down and the people attempting to do that are THE CHILDREN OF BELIAL-Deuteronomy 13:13. Means Satan is the one behind the idolatry, the one behind the worship of the false gods, the one behind the unclean lifestyle, the one behind those abominable practices (EX when they cause their children to pass through the fire they're actually burning up their children to these false gods). He is the author of those things. He has already made the nations of the world worthless as he functioned as BELIAL and now he is going to seek to do that exact same thing with the nation of Israel. EX: Joshua takes them into the land and then at the end of that 450 years under the judges, the people come to Samuel and say something very instructive in the way they say it-1 Samuel 8:4-7. MM says if you knew anything about God's plan and purpose for the nation of Israel as part of the nation of Israel you would have known that this was a step in the wrong direction.

Commentary	Definition : Belief	A true belief is something that you hold/believe to be true with a certainty that ranges from 51% to 100%. If you are less than 50% then you really don't believe or you don't know. 51% to 100% is increased certainty.
Commentary	Definition : Believing Remnant or True Israel or the Lord's Little Flock	Believe that Jesus fulfilled the prophecies to be Israel's Messiah. Little Flock=Believing Remnant=True Israel. In Israel's program, those Israelites who believe that the historical Jesus of Nazareth was the prophesied Christ in the O.T. prophets, Messiah for Israel. Was the whole question during His earthly ministry when up in Bashan, Jesus asked Peter, who do men say that I AM? Some say John the Baptist, some say Jeremiah, some say one of the prophets. And He looks at Peter and He says who do you say that I AM? And Peter says THOU ART THE CHRIST, THE SON OF THE LIVING GOD-Matthew 16:16. And Jesus said, BLESSED ART THOU SIMON BAR-JONA, FOR FLESH AND BLOOD HATH NOT REVEALED IT UNTO THEE, BUT MY FATHER, WHICH IS IN HEAVEN-Matthew 16:17. This is the whole issue - who is the Christ? And you believe Jesus Christ of Nazareth actually fulfilled those prophecies, that He was the prophesied Messiah for Israel. And those are going to come under the severe attack of the POE. When the man of sin comes on the scene, there will be an extermination policy that is put into effect to try to get rid of the believing remnant.
Commentary	Definition : Believing Remnant Curriculum	Orientation/Establishment - Job - Psalms - Proverbs - OT Prophets - Gospels Education - Hebrew epistles - Wisdom/Justice (Hebrews) - James (Judgment)
Commentary	Definition : Believing Remnant Curriculum	Before they get into Judgment (James), it is absolutely imperative that the things they got in Wisdom and Justice are up and running in them. Those things can't just be something they got at one time. Has to be something that is alive in them and it's walking in them and they're living out of it. Will say if you don't have Wisdom and Justice you cannot move onto Judgment. James gives them a checkpoint and asks them if they are missing anything specifically about WISDOM - IF ANY OF YOU LACK WISDOM-James 1:5. All takes place in their program. Progression for milk to meat. They have progression in theirs as well. Progression follows them like it follows us. You can see this progression. MM uses the building analogy and importance of the foundation. If we disregard what we get in WISDOM and JUSTICE and kind of push it off to the side, we will not get this (GH: JUDGMENT) right. Think of Judgment as the plant and Wisdom and Justice as the soil. Can't just throw a plant down. The life from the plant comes out of the soil.

Commentary	Definition : Bible : Basic Book Divisions : Old Testament Spokesmen	The issue of spokesmen runs all the way through the Bible and there's a lot that depends upon how people respond to the spokesmen. It's always been that way. BOOKS THEME NUMBER SPOKESMEN TIME PERIOD Genesis-Deuteronomy Pentateuch (Torah) 5 Moses (Noah, Abraham, Isaac, Jacob, Joseph, *Moses) 4004 B.C. - 1500 B.C. (about 2,500 years) - Creation of man till the death of Moses. Listen to God's chosen spokesman in order to know God's will. The choice was simple: ignore the spokesman (like Korah rejected Moses) in Numbers 16:1-3, or follow the spokesman (like Joshua and Caleb hearkened to Moses) and entered the Promised Land in Numbers 32:11-12. By following God's spokesman, a person displays genuine faith in God and God's word. While the specifics of the message may change throughout history, God always requires faith. Joshua-Esther History 12 Joshua, Ezra, Prophets, etc. 1500 B.C. - 500 B.C. - Emphasized Israel's history, beginning with the conquest of Canaan, and ending with the Jews scattered (some in captivity, while others remained in the land of promise). - The rise of the judges and the establishment of the kings, along with their captivities and the multiple returns of the Jewish people to their promised land in multiple stages. Job-Song of Solomon Poetry/Wisdom 5 David, Solomon, Job, Elihu (Job 32-37), Asaph (12) No definable time element - More based on content than chronology. Major spokesmen would include Job, David, and Solomon. Lesser spokesmen were figures like Elihu and Asaph.

Divided into major and minor prophets. - Center around the captivities and restoration of God's people, Israel. Much of it has been fulfilled, in part and will find complete fulfillment when God restores His nation at the establishment of His kingdom. - Either spokesmen before they go away captive, some are spokesmen while they are in captivity, some are spokesmen after they come back from captivity. Commentary	Definition : Bible Study Tips	Bible Study Tips: - Every word carries weight. - God wrote it. He inspired it. Then He preserved it. And now we just go through it. - So marvelous and so precise that the very words are meant to fit perfectly in your human spirit. No other book besides the Bible is alive. There are words in it made to produce something in us. And when they do, they produce a thinking that is exactly what God's thinking is. - Everytime you see a list, you have to know there's a purpose behind it. No list is without sense and sequence. - You can know alot about the Bible and not have anything in your edification. Words of the Bible are very precise and given to you in a certain order. There's a perfect sense and sequence so when you hear/read those things, they are supposed to produce something in you. Things don't happen in the Bible helter-skelter. Everything is precise and for a reason. You need to understand that just as we have talked about every word is precise and needs to be there. Everything done by Jesus in His earthly ministry is not showing Him off and it's not Him doing things we think He's doing. Remember His statements like 'My Father has instructed Me' or 'doing the will of My Father' or 'He doesn't do anything on His own'. - Our Bible are laid out in the order of God’s working in history.
Commentary	Definition : Bible Study Tips	Bible Study Tips: - KJV standardized English is a more accurate English than modern English used today. The vocabulary control in modern English is very sloppy. People know what we mean but we are not being precise in our terminology. - No other book besides the Bible is alive. There are words in it made to produce something in us. - Don't fall in a trap of seeing a word and defining it only one way every time you read it. Bible uses the same words in different ways. 8 or 9 definitions of SAVED. Remember the same words can mean something different depending on the context it's used in. Says "God being justified when He speaketh" - does that means somebody imputed righteousness to God? When you see a word, don't define it the same way every time, let the Bible define it. (GH: context) - Every book has a salutation, body, and a benediction or ending. We look at the body. Don't neglect the salutation or benediction. Salutation gives you a heads up on where they are in their edification. Mentions individual people and where they are in their edification process. Benediction Scripture will define its terms. Define terms the way God defines those terms, not the way a Preacher does. - Read passage as a whole and then devise a single sentence that describes the main focus of the passage. - The way the Bible uses some words is different than the way we use them today. Our modern poor speech patterns have made them synonyms when they are not. Need to make our vocabulary line up with the Bible. If you believe the Book is the word of God then let's really understand the terms that are in it.

Commentary	Definition : Bible Study Tips	Bible Study Tips: - All of the Bible is for us to learn, but not all of the Bible is for us to practice. OR All of the Bible is for you to know, but not all the Bible is TO you or FOR you. - You can pull verses out of Isaiah all you want to, but your doctrine is in Romans. If you think Isaiah is yours, you need to figure out what cycle of punishment you're encountering right now. - One mistake Grace preachers make - they don't learn all the Bible, they just stay in Paul's epistles. - Reason why you have to learn it all, when Paul begins in Romans, he discusses people and events and ideas that he is counting on the fact you already know something about because he doesn't go back and reteach it. He assumes you already know the nature and character of God in the O.T. - Start using Bible terminology because if you don't you lose the important meaning of words. - The Bible is not hard to understand, it is hard to believe. - As you study your Bible, always ask yourself why does it say it like this?
Commentary	Definition : Bible Study Tips	Bible Study Tips: - MM says Greek/Hebrew word studies are worthless/counter-productive. EX all the words that translate to love. Word studies don't observe context. - Don't read things into the Bible that aren't there. - When you read a verse, there are things that need to be occuring in your mind. - If you don't know why, you can't begin to think like He thinks. That's the first things He is going to establish in you. - Anytime you are teaching the Bible or learning the Bible, to make sure you absolutely understand there's one question you need to be able to answer: Why? Every Sunday school teacher can take a story in the Bible and teach who, what, when, and how. The overwhelming question they cannot answer is why? Your job is to answer why. - Most Christians look at the Bible and don't see any design there. Everything is disconnected. It's just a bunch of random stories. They do not see that main story line of the Bible that runs and connects every single thing in your Bible. - The Bible is put together in a specific order that you might study it in that order. It is not a bunch of hodge-podge unconnected things, it is a single story line with many parts. - You mix the programs and you lose the doctrine.

Commentary	Definition : Bible Study Tips	Bible Study Tips: - The Bible doesn't defend God's existence, it assumes it. - Criltics say Bible is contradiciting itself. Don't realize God is speaking different things to different people. - You are going to read things that there's nothing in this world that's going to tell you that's true except the words on this page. - Don’t get to thinking that these are “words of accommodation” or “anthropomorphisms". Bible is precise and accurate description of what is real. - Bible is not a hodge-podge of stuff. Everything you read in the Bible has order and pattern to it. When the Bible gives you a list, there is always an order and you should look for that. - Italics words are critical. Make the nuances clear. Translators knew what was exactly going on in that text. There are some words that just don't translate. - You can lift any verse out of its context and make it say a lot of things it wasn't saying in its context.
Commentary	Definition : Bible Study Tips	Bible Study Tips: MM wants you to see things in the Scriptures: - Words of Logic (therefore: introducing a conclusion, that: introducing a purpose/reason for what is being done) - Tenses of words - Capitalizations - Trigger Words: think about something when you automatically see them. Breaking down and seeing the components of a verse. Downside is missing the flow the verses are presenting to us. When you translate from one language to another language, there's a couple of different ways to do it. - Dynamic equivalent - Trade terminology - There are words that need to be added to the English so that you completely understand the sense of, in this case, the Greek that was translated from the text. Every Bible writer was from a collectivist society, not an individual society. Have to understand the culture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Bible Study Tips	Bible Study Tips: - When God is communicating His word in the Bible, He is not inventing new definitions in the Bible that people have no clue about. - The doctrine can't work in you until you understand it. - Have to make sure we understand what a verse is talking about. It can't work in you to produce the comfort or the peace or the patience or the endurance or any of the other things you need it to do if you don't. MM believes that God superintends the layout of Paul's epistles in the Bible. Quitting your Sonship life is ceasing to engage with the scripture in a way that edifies you unto godliness. There are a number of ways or degrees to which you can quit: 1. To quit everything (no going to church, quit reading your Bible, quit praying, everything) 2. Needs a fuller discussion RDW is not the end, it's the means to the end - being conformed to the image of God's Son.
Commentary	Definition : Bible Study Tips	Think about a couple of things: 1) the words and phrases the Bible uses, and - Need to understand these to preach, teach, or study God's word. Changing the words to more modern words changes the meaning and GH: you lose the original meaning. Better to integrate the Bible words back into our vocabulary and that means we need to know what the existing words in our Bible actually mean. - EX When the Bible uses the word “charity,” we almost always replace it with the word “love.” When the translators of the KJB came to the Greek word “agape,” they translated it as “love” 114x but 28x they translated it as “charity.” Charity is not so much a feeling (although you may or may not have that), but a decision; that at the core of “charity” is to “value and esteem.” Charity is a love or dearness for something because of placing a high value on it.” Thus, charity is “a very caring-affection because of a very high value placed upon the object of affection.
Commentary	Definition : Bible Study Tips	2) the chapter and verse divisions in your Bible. - Was tough for Paul's converts to go back and see the O.T. scriptures Paul quoted because there was no chapter and verse markings. Neither in Paul's letter, nor in the O.T. passage where he is quoting. Most of the time, Paul just says AS IT IS WRITTEN. And they divided the books differently than us. The prophet books are all in 1 book called The Twelve. Shows how well Paul knew his O.T. When you are writing a letter, do you put chapter and verse marks in it? No, this is an epistle. The Bible writers did not divide into chapters and verses, just wrote down the whole message that was given to them. Paul couldn't say 'Isaiah 14:12'. He might say as is written in the prophet Isaiah. But that is as close as he could get was to tell you what Book it was in. The chapter and verse markings are not part of the inspired writing. Overemphasis of misuse of Gematria or Bible numerics. They were never meant to convey spiritual truth; they were for locating a place in the Scriptures easily and quickly; and they do that. If you learn to apply this to the small things you won't be overcome by the big thing when it comes along.

Commentary	Definition :	"Sonship Prayer is a Lifestyle"
	Bible Study Tips	If you want your spiritual life to flourish, you will need to pray! If you want your prayer life to flourish, you will need to pray on purpose! MM remembers when people taught that the way to be filled with the Spirit was to confess all of your sins, and then ask God to fill you with His Spirit. But that is not how it works. Being “filled with the Spirit” is a by product of being “led by the Spirit” not us just asking for God to suddenly fill us with His Spirit. Being FILLED WITH THE SPIRIT is a by-product of being LED BY THE SPIRIT. Remember: Learning or using this terminology is not what edifies anyone. The issue is not the terminology. The issue is that you learn the doctrine and understand how to put it to work in your everyday life; that you learn how to live out of the doctrine in the details of your life. If you want your prayer life to flourish, you are going to have to pray on purpose. Easier to pray for your natural family members. The attachment we are supposed to have with each other is based on both trusting Christ as their Savior, they are our brother in Christ, will be laboring together in eternity, etc. Should cause us to pray very differently.
Commentary	Definition :	All of Paul's epistles should be read with an understanding that there is a dispensational filter to them and to the terms that Paul uses. Even when he takes you back to the O.T. he has a point he wants to make that is specific to the DOGG.
	Bible Study Tips	MM says 80% of today's prayers are for physical needs/circumstances. Mature prayer doesn't just pray in relation to bad things that are happening. Paul prays for the Ephesians who are doing well. If you can concentrate on every FORM OF DOCTRINE-Romans 6:17 and get that doctrine working in you, that doctrine works to transform you and renew your mind. When you come under attacks from the POE, need to look at it like our apostle looked at them, not the way the natural man would look at it. We are no longer children in our understanding. He did away with those spiritual gifts and that is what paved the way to be adult sons and daughters. Everything you do comes out of something that you are thinking.

Commentary	Definition : Bible Study Tips : Books	BOOK: Smith's Synonyms Discrimminated, 1901 edition BOOK: George Crabbe's Book on Synonyms is not the Bible. It is not inspired of God. MM uses it alot - 1806 version. Those men, even removed from 1611, they understood how language was used. So they talk about it that way. What is remarkable to MM is that George Crabbe can almost never give you a word without using a father-son analogy. BOOK: Crabbe's Synonyms: takes words /English Synonymes by George Crabbe - 1821 edition - that are synonyms that mean the same and takes them from the most general to the more specific. Men that wrote in the 1800s that understood 2 things: 1. the language 2. MM believes a lot about the Scripture Giving you the way the words of the Bible were when it was put into English. BOOK : Ian Thomas : The Mystery of Godliness - He did properly understand that the life that we're supposed to be living is not the best life we can manage in the energy of our flesh, but it is learning how to be transformed by the doctrine so that Christ can actually live His Life in and through us.
Commentary	Definition : Bible Study Tips : Books	BOOK: OED (Oxford English Dictionary): Has kept all those old meanings and as the word has gotten other meanings, they add them. But they always go from oldest to newest. Way words were first known to be used. OED cites the date and place where this version of the word was used in history. Sometimes there's a bunch. When it was first put together, what they did was they took a word and they not only listed the definition for the word but they went back and they found that definitions usage of the word somewhere in print previously. And then they dated it when that word first began to be used in that way. They didn't do away with all the old archaic words, they kept them. They just kept adding the new definitions. This is important when you are trying to determine a meaning for a word that is used in your Bible, if a possible definition came into use in 1769, you know that's not it, it wasn't being used that way by the KJV translators in 1611. Why OED? It retains the original meanings of these words and as the years go by, they only add the new meanings, they don't replace the old ones. Tells you when that word first came into use in that way and they give you the example of where to go look for it. BOOK: 1828 Webster's Dictionary - Defines terms how the Scriptures define terms and gives you the Scriptures in the Dictionary. These books don't RDW but because their reading of the scriptures, they understand the preponderance comes out of Paul's epistles because he is the one that talks about Christ IN you, the hope of glory. * BOOK : Life on the Highest Plain by Ruth Paxson - first book that talks about the life of Christ in you and not you trying to live that life in your own power. * BOOK : The Normal Christian Life by Watchman Nee (he has several others)

Unfortunately, many of us have distorted images of God and mostly think of him in fearful, punitive ways. This leads us into unhealthy patterns of self-defeating behaviors and toxic relationships. But our lives can change when God renews our minds with a truer picture of him. Psychiatrist Tim Jennings unveils how our brains and bodies thrive when we have a healthy understanding of who God is. He dispels common misconceptions about God and shows how different God concepts affect the brain differently. Our brains can adapt, change and rewire with redeemed thinking that frees us from unnecessary pain and suffering. Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Bible Study Tips : Principles	PRINCPLE #1 - God has given us the books in our Bible in a specific order that is doctrinally progressive. Every book in the Bible is in the sequence and it is in for layering on the additional information and building your knowledge in the word. As you come through your Bible, Romans is placed in your Bible in the exact spot that God means for you to encounter it as you study your Bible in a biblical theology. Romans is the next logical book to follow the historical book of Acts because Romans is the foundational doctrine given to you and me living in the dispensation of grace to build our edification. PRINCIPLE #2 - Each book in our Bible has a specific function focusing upon doctrine, reproof, or correction. PRINCIPLE #3 - There are 2 ways in which our edification is described in Paul's epistles by use of building terminology and growth terminology. PRINCIPLE #4 - God has designed a specific process by which your edification will be carried out beginning with the foundation of Romans-Galatians, continuing with the structure of Ephesians-Colossians capping off the structure in 1 and 2 Thessalonians, & finishing with the proper implementation of the doctrine within the local assembly from 1 Timothy-Philemon. PRINCIPLE #5 - Ephesians along with Philippians and Colossians comprise the structure or what we might call the advanced doctrine that sits upon the foundation of Romans through Galatians.
Commentary	Definition : Bible Study Tips : Principles	PRINCIPLE #6 - The reason God sent His Son into the world to redeem us from our sins was so that we would receive the Spirit of adoption. The grand goal of God is to give you the Spirit of adoption and make you a son. NOTE: You don't have to have any edification to be a son. PRINCIPLE #6 - Paul is called to a separate and unique apostleship which is set apart in distinction from the 12. PRINCIPLE #7 - There is more than 1 gospel in the Bible, therefore, when we encounter the word "gospel" in the Bible, it is not always referring to the gospel of our salvation. PRINCIPLE #8 - Paul's gospel of the death, burial, and resurrection is unique in 3 ways: 1. The Cross is declared to be 'good news' 2. It is revealed to Paul that the Cross is the power of God and the wisdom of God. 3. Paul's gospel to the Gentiles 'apart from Israel' and 'in spite of Israel'. PRINCIPLE #9 - Paul is going to explain his message to the Gentiles is 'apart from Israel' in that it is not part of Israel's program and 'in spite of Israel' which tell us it will not be through the agency of Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Bible Study Tips : Principles	PRINCIPLE #10 - The promise to the Gentiles in the gospel of God is that we Gentiles have PEACE WITH GOD-Romans 5:1 and DELIVERED US FROM THE WRATH TO COME-1 Thessalonians 1:10. Body of Christ can't go through the Tribulation. Tribulation was to go against Gentiles who are in rebellion against God. If no apostle Paul, the next thing on the calendar would have been the day of wrath or Tribulation. PRINCIPLE #11 - God has designed more in the gospel than just SALVATION of those who believe. He has also designed, in the gospel, the ESTABLISHMENT of those who believe it. Establishment is in the Gospel, the foundation. Then we get to Sonship. PRINCIPLE #12 - The doctrine of justification is designed to produce the understanding that when we are saved (Paul beats these points to death in Romans 2-5): - When we got saved, we were given a perfect judicial standing before God - God makes this judicial declaration - He sees perfection. - Get that standing not on the basis of anything you do, but on faith alone without works of any kind. Faith is the only non-meritorious action you can take that isn't a work. - You exercise faith everyday - sitting in a chair and trusting it will hold you up. There's no work or deed to it. If it is by anything else, it is no longer grace. Now it is earned. - Our standing is unalterably eternal (Romans 5)
Commentary	Definition : Bible Study Tips : Principles	Once God puts His justification on you, you are stuck with it. Not even God can do anything to get out of it. God cannot lie. Would make God unjust in His own words. PRINCIPLE #13 - The holding back of God's wrath in the dispensation of grace is described by Paul as "longsuffering". PRINCIPLE #14 - God reviews the details of mankind's sinfulness so that we fully understand and appreciate what took place when Jesus was on the Cross, functioning as our Substitute Redeemer. When you understand how ungodly you really are, and when you understand when Jesus was hanging on that Cross and He took upon Himself the sins of the world, exactly what He was doing. Every sin of every saved person ever committed and every sin of every lost person ever committed was placed on Jesus, and God poured out His wrath in proportion to those sins. Principle #15 – We are all worthy of God’s wrath. Principle #16 – There is no excuse that can be offered up that will excuse anyone from being worthy of God’s wrath. Principle #17 – There is nothing anyone can do that will enable them to escape God’s wrath. Principle #18 - none

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	PRINCIPLE #19 - Those who are in a position of being 'justified freely by his grace' are now for the first time being given the additional information that they are in that position through the Cross-work of Christ who put His Jehovahness into effect in functioning as their unique Kinsman/Substitute Redeemer.
	Bible Study Tips :	
	Principles	PRINCIPLE #20 - When we get raptured out and go to the Judgment Seat of Christ, there we will either gain or lose reward according to 1 Corinthians 5. From there, will all be presented to God in a formal ceremony. - Then God will decide what our inheritance will be. - We will then go and occupy the place we have been assigned in the heavenly places. - What you will be doing depends on where you are. - Things will be happening all over the universe, not just on earth. PRINCIPLE: Grace can never respond to works of any kind at any time.
Commentary	Definition :	PRINCIPLE: Grace can only respond to faith, alone.
	Bible Study Tips :	PRINCIPLE: Being justified by grace through faith apart from works isn't "too good to be true". it is the only way men have ever been justifed. Same way with the Israel program. Not only too good to be true, it's the only way it ever happened.
	Principles	PRINCIPLE: Being justified by grace through faith apart from works is the ONLY way men have ever been justified unto eternal life. Paul has been utilizing Abraham to show us how that God saves a person or justifies them unto eternal life by grace through faith without works of any kind. Only way Abraham could be justified is by faith alone. PRINCIPLE: Justification, Forgiveness, and Imputation are not to be seen as just an EVENT, but they are to be seen as part of a permanent STATUS which God's justice has placed us in. No verses in the Bible where we are UNjustified or that God disowns you. Whole idea of adoption is to make an irrevocable permanent position for us. - IMPUTATION: God putting the righteousness of Jesus Christ on us - EVENT vs. STATUS: In Bible school, MM saw Sonship as a one-time event, not a permanent status like he does today. - Birth of a baby is an event but there status as a human will never change. May act like a wild animal but there status is still a human. Only ones who don't act like what we are. You are stuck in that status. PRINCIPLE: The meaning of a thing, what God intends to show you from it or what it signifies, can change depending on what God is doing. People want to say Abraham was JUEL when he got circumcised in Genesis 17 in spite of the fact that both Genesis 15 and Romans tell you he was JUEL 14 years earlier.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	Principles of Biblical Interpretation 1. Context: Always the first thing you want to look at. Context is that which surrounds a word or passage which can throw light on its meaning. We observe the overall: a. historical context, which is the time period being discussed (MM points to the timeline), and b. cultural context, which includes societal norms and political events surrounding the word of passage. Every society has norms and standards that are going on at that time and that's not automatically what we think living in a western nation in the 21st century. Includes the way they think about things, the political events going on at that time. c. scriptural context of a verse, paying attention to its: i) immediate context: verses the precede and follow the verse ii) the chapter: EX Romans 4 is Justification and Romans 7 is Sanctification. iii) the section: of the particular Book EX Dividing a Book by Thinking, Living, and Labor. iv) the Book itself: EX Romans is to establish us in the faith VAIN DECEIT-Colossians 2:8 works to ignore as many of these contexts as possible.
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	- EX Romans 8:1: If we ignore that the context for the previous two chapters has been our sanctification in Christ, this verse is read to mean that if we “walk after the flesh” (which is interpreted as “not living for God” in our everyday lives) we will lose our salvation. But, this is in a context of our sanctification and not our justification. This “sanctification” context began back in Romans 6:1 and continues up to this point. This is not a condemnation of your justified status in Jesus but it is a condemnation of your practical sanctification in your everyday walk. No one is losing their salvation. Preach if you are not coming to church and tithing, you are going to hell. MM says principalities and powers are sending this thing down the pike. People say I don't want to go to hell so they do this. They are not living out of grace and don't know how. They've never been taught to do that, so everything is a law. Paul says the law puts your spiritual life to death. Satan is happy with that because you are no threat to what he is doing at all. d. author and then the context of [NOTE: MM doesn't think that Paul wrote Hebrews.] e. audience: goes hand and hand with the author. Even Paul talks about/to Israel. (Israel/believing remnant of body of Christ) VAIN DECEIT-Colossians 2:8 works to ignore the audience. Is this written to the believing remnant of Israel under the law, or was it written to the body of Christ under grace? - EX Matthew 24 is often interpreted as being for us and the things listed there are “signs” of the soon coming Rapture. But RDW tells you that these are the things of Israel’s program after this dispensation of grace has come to an end and the BLESSED HOPE-Titus 2:13 has taken place. Need to understand the author/audience context. MM says do you think during WW2 anyone was preaching this passage?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	2. Genre: There are different kinds of writings that appear in your Bible. a. Narrative: time action sequence with a plot, setting, and characters, and takes the form of a story; the story form of literature VAIN DECEIT-Colossians 2:8 when a preacher makes a spiritual application from some story in the Bible and puts that on us in this dispensation of grace. To teach what we should expect God will do and how we should act. - EX David & Goliath teaching as long as we are faithful to God, He will make sure that we "win" in every battle we face - business, health, healing, etc. Trust in the Lord and you will be successful against the giant. The world says: * If you deny that God is intervening in the physical circumstances of life in the dispensation of grace, then you are labeled a heretic. * If you deny that God is doing the miraculous in the physical world as He did in His prophetic program with Israel, then you are accused of teaching false doctrine. But what they don't understand is this narrative is not written to you, it's not about the DOGG.
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	b. Law: the legal commands and material of the law of Moses c. Poetry: The use of songs and images to convey meanings, using words to paint colorful pictures with an emotional impact. Very metaphorical. d. Prophecy: Written or spoken of preaching messages to either Israel or Judah (or both). These may include visions from God. e. Wisdom: Theology for practical living such as the Book of Proverbs. f. Gospel: The eye-witness accounts of the ministry of Jesus. g. Epistle: Letters written to specific believers (Titus) or whole churches or groups of believers (the church at Rome) which contain greetings, exhortations, doctrines, and warnings. 3. Meaning and Language * Meanings should first be looked for as a. Literal, and when appropriate, look to see if there's a literal meaning in the passage. MM says the Bible is really written this way. Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	b. Figurative, EX A STAR FALL FROM HEAVEN-Revelation 9:1 - not talking about a literal star, but this is metaphorical language to describe an angel. MM says if you run the references, sometimes you will see that angels are sometimes likened unto stars. There's a reason for that. c. Accepted Meanings: MM says this is the one people miss. Words in the Bible are used in accordance with their accepted meanings, and sentences are written according to the accepted rules of language and grammar. Why we use the Oxford English Dictionary (OED). We read a text for its plain and obvious meaning first. The Bible is not inventing meetings that nobody knows apart from the Bible. Sometimes you will read a word and keep reading and the Bible will define it. Point: That meaning is never going to be different from how we normally accept that word in our language. So the Bible will never say blue to tell you red. We get off into doctrinal error when we invent a meaning for a word that nobody understands. Calvinists do this all the time. EX Redefining the word FOREKNOW-Romans 8:29. In no dictionary does FOREKNOW mean for-ordained. * Language: words carry thoughts, so we look closely at the words used in the scripture, examining the part each plays in the overall message. Look for how:
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	a. How words or phrases connect: MM says this is the most unpopular part of interpretation because this requires you to do some grammar. b. How sentences are constructed: MM says this is especially important in your KJV Bible. c. Notice and identify subjects, predicates, modifiers - can't take a modifier and turn it into a noun 1. Diagram the verse or even sentences (MM notes 'Diagramming for Scriptures' book). Helps you see the verse more visibly. Please see example diagram and pronouns list in the Maps & Visuals section. You need the pronouns because you aren't standing there to see who is being spoken to (EX John 3:7-don't marvel that I say unto you, Nicodemus that the nation needs to be born again - NOTE: Paul doesn't use the born again terminology and MM thinks there's a reason for that but he doesn't argue with people about it.). 4. Intentionality a. Discern the author’s intentions in writing the text. A rule of thumb is: “A text cannot mean what it never meant.” Can't just make up a meaning out of the blue. What is the meaning? If Paul is writing, what is he trying to get across? b. The Spirit of God wished to convey through the writers of scripture? What does the Spirit of God intend? What is He trying to convey through the author?

Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	5. Theology: Though a text has an intended meaning, it can have several theological themes or applications. a. Identifying these themes and understanding how they relate to each other helps us grasp the meaning of the verse or passage. b. identifying the pattern of doctrine as a part of “theology,” but it could just as well been in “context.” EX godly thinking, godly living, godly labor in Romans. Reproof, Correction, and Instruction in Righteousness in Corinthians. c. rightly dividing the word of truth, but this also could have been addressed under “context.” MM says yes, there are inter-dispensational principles that are just as true in Israel's program as they are in the DOGG. But this doesn't mean we teach from Israel's scriptures. If it's inter-dispensational, then Paul will teach it to us. To get the proper interpretation of a verse or passage, we compare it to other verses or passages in the Bible, but we must be careful to do this under the parameters of RDW.
Commentary	Definition : Bible Study Tips : Principles of Biblical Interpretation	The wile of VAIN DECEIT-Colossians 2:8 either ignores or contradicts these principles in order to hide or pervert the truth. If we know these principles, it will keep us from falling victim to his VAIN DECEIT. You won't be prone to look at a scripture wrong but just as importantly, when you hear someone on YT, GH: you can discern what is true and what is not true. It will pop in your head, he violated the context or theology or he is totally oblivious to the pattern of the doctrine. You don't get caught mishandling the scripture and you don't fall victim to the VAIN DECEIT. - EX 2 Chronicles 7:14: Teaching this for today.
Commentary	Definition : Bible Study Tips : RDW Process	Process : How to rightly divide the word - questions you should always be asking to get the right interpretation of the passage. We have to have: 1) context, then we have to 2) divide between prophecy/Israel and mystery/body of Christ, then we have to 3) divide between justification and sanctification, then 4) dividing between positional (who you have been made to be) and practical (what you do, how you are living everyday), and 5) dividing between individual (Paul speaking to individuals-1 Corinthians 6:19) and corporate (Paul writing to the body-1 Corinthians 3:16) These are all necessary steps.

Commentary	Definition : Bishop	The word bishop means “overseer.” And just as the verse says, this is “in the Lord” as the bishop labors among the assembly to its edification. The word “deacon” is an Anglicized form of the Greek word diaconos, meaning a "runner," "messenger," "servant." The deacon is a “servant-at-large” to the whole assembly. The bishop and deacons are to look for ways to selflessly serve the edification needs of their assembly. These are the edification offices that are now in use in “the more excellent way.” While the bishop and deacons my engage in practical ministry opportunities, those must never preempt the edification obligations. Means overseer because he is actually overseeing the edlfication of the flock. He better be teaching that word, he better be exhorting folks - not just present the word and not just teach the word but based on what he sees happening in the congregation, make sure they are exhorted with what he sees in this group. It's the doctrinal directive of all the qualifications of a PASTOR to be able to teach the word. A Pastor or BISHOP is not a prohet, they are not speaking with a supernatural unction that is given to Him by God.
Commentary	Definition : Blessed Hope	Blessed Hope or Rapture signals the end of the DOGG. What triggers the Rapture? Not: - Some historical event from which a 'countdown' can be attached - A Jewish feast day attached to some prophecy in Israel's program - Certain 'signs of the times' such as earthquakes in diverse places, wars and rumors of wars, etc. - Finding the ashes of the Red Heifer - Laying the cornerstone on the Temple Mount in Jerusalem - Erroneously matching scriptures pertaining to the Advent with the event of the Rapture - Something to do with the European Union - Something to do with the Revived Roman Empire or the Catholic Church or Hitler or some world leader will be the anti-Christ
Commentary	Definition : Blessings	A blessing is something that is spoken. It means to speak well of. MM says when your kid comes in with a good report card and you pat them on the shoulder and say 'I'm really proud of you, I'm so pleased', that's a blessing. You're blessing them, you're saying good things about them. EX When the Lord makes the heavens and the earth and saw that it was good and He blessed. Remember the Sabbath day, were He said good things about it. I HAVE completed all that I NEED now to bring my residence down. It was all good and He said good things. But after Genesis 1, we don't see blessing again for 1,800 years until Noah and his family get off the Ark. That's the next time you see blessing. This is because: * Sin has come in and established THE WAY OF CAIN-Jude 1:11. * He has defiled mankind with THE SONS OF GOD-Genesis 6:2. * He established the GREAT NATION-Genesis 11 concept with the Tower of Babel.
Commentary	Definition : Blessings	There's not much to bless. But when the 8 get off the boat and God says I AM going to say some good things about you. And He does. But there's no more blessing after that because it all cranks up again. Satan is at work. You don't see blessing again until the Abrahamic Covenant. There's just not much going on to bless. Everywhere from the Garden, He cursed the ground, He cursed the Serpent. Cain kills Abel and he gets God's curse. The curse is put on the rest of the world at the Flood. This thing of blessing is inherent in the Abrahamic covenant and God means to do that.

Commentary	Definition : Blindness	Blindness Recap: 1. Upon their first opportunity to enter into the promised land, Israel was offered the setup of the kingdom. 2. Their unbelief kept them from entering into that kingdom and as a result of that stumbling, they were placed under a blindness and from that point, they didn't hear or see things pertaining to their kingdom being offered to them anymore. 3. That blindness lasted until John the Baptist comes on the scene and Israel is once again hearing and seeing the things pertaining to her kingdom. 4. The national rejection of Jesus was discerned not only by Him but by His Father and an extension of mercy was then granted to the nation to give them another opportunity after the Cross. 5. To facilitate that extension of mercy, God placed a judicial blindness on everyone so they could be unaccountable for the Cross, making it possible for Israel to get another opportunity in the extension of mercy. 6. Israel rejected every opportunity during that extension of mercy and as a result, they stumbled and were placed under another blindness (recorded in the Book of Numbers). 7. Paul is saying in Romans 11:7-8, that just like it happened to you back there, it is happening to you again now. During this DOGG, Israel will not be seeing or hearing the things pertaining to her kingdom.
Commentary	Definition : Blood	Right now, the life of the body is in the blood. We will have a celestial body that is capable of living out in the heavenly places and we'll need that body when we get out there. The life of that celestial body will be by the very Spirit of God and that will sustain us forever. That body will never age, it will never get sick, it will never grow old, it will never injure itself.
Commentary	Definition : Body	Anatomy of the human frame: (1) Nothing is useless. Every part contributes to the general result the health, and beauty, and rigor of the system. Not a muscle is useless; not a nerve, not an artery, not a vein. All are employed, and all have an important place, and all contribute something to the health and beauty of the whole. (2) None are overtaxed. They all work according to the "measure" of their strength. Nothing is required of the minutest nerve or blood vessel which it is not fitted to perform, and it will work on for years without exhaustion or decay. So it is true of the church. There is no member so obscure and feeble that he may not contribute something to the welfare of the whole; and no one is required to labor beyond his strength in order to secure the great object. Each one in his place, and laboring as he should there, will contribute to the general strength and welfare. Body: How we recognize each other - facial features, build of your body. When you die physically, your body is separated from physical life. It's gone. Mortal.
Commentary	Definition : Brain	The interface between your mind (what the HELMET OF SALVATION protects) and your soul/body. If your brain is damaged, you are out of the fight. MM explains that brain is just the interface between one's mind (which is part of your soul) and physical body. If someone has dementia, all that doctrine they learned is still in their mind. Inflammation in the brain may not enable them to be able to communicate or recognize or pull it out of their mind, what we would call memory. The wonderful part is, the doctrine is still in their mind, they just can't translate it into their physical body.

Commentary	Definition : Calling	MM finds 11. There is a calling: - to suffering - (called) to be saints
Commentary	Definition : Calling: The Father's Calling	Examples: - we are called to be saints - called unto liberty - called to peace, etc. Every “call” of God has a “hope” that is produced by that calling! - EX the call to prepare for a heavenly vocation carries the hope of reigning with Christ. - The call to holiness carries the hope of being conformed to His image. - The call to suffering carries the hope of the glory which shall be revealed in us. - The call to engage the adversary carries the hope of being more than conquerors. - The call to salvation carries the hope of eternal life.
Commentary	Definition : Calvinism	Says that Jesus only dies for those that God knew were going to trust Him. And a real Calvinism says it's not only because He only knew who would trust Him is because He knew who He was picking to be saved. It wasn't in their ability to choose on their own apart from Him. The only reason they would choose is because God chose them first. They think somehow the sovereignty of God is negatively impacted if Jesus died for a sinner that did not come to Him in faith. You misunderstand what sovereignty is about. Get that notion out of your head. This is another condition, it's another complication. That really charges God with a lot of things that are contrary to the scripture. If you are a Calvinist, you would say Christ only died for the little flock, only the elect. You would be frustrating the grace of God again, not understanding grace. If anyone is doing any thing apart from God's Will, for that to happen, then He is no longer sovereign. God is ordaining EVERYTHING.

Commentary	Definition : Charity	Today, people normally look at charity as giving to some poor people or needy people or making provision for somebody in a less fortunate circumstance. In your Bible, 1 Corithians 13, charity is talking about love. Charity is God's Love. Godly charity is to V&E (value and esteem) someone or some thing so much more than yourself that you would give up of yourself for their benefit. Today, we use the word love loosely - I love tacos, I love my kids - this is talking about something very different. When the Bible uses the word charity, it has something else in mind and that is that you V&E someone to such a degree that you are willing to do that which is deterimental to yourself in order for them to have a benefit. MM says this is not a minor issue, it's a major issue. Today, we think about love with an emotional aspect. Godly charity is a mental aspect. You are making a decision about this. Two things: 1. This is the first issue you are faced with once you begin your Sonship education in Romans 12. This “charity” is how you are going to live your life from Romans 12:3 onward. 2. Producing godly charity in you in the most important ministry the Spirit of God has with you as a son.
Commentary	Definition : Charity	Godly charity is learning to think about other members of the body of Christ the same way your Father does. It is learning to conduct yourself with other saints the way your heavenly Father would. It learning to labor with your Father out of this godly love or charity. And here is how important this is: this is the primary focus of your Sonship education; from start to finish. At no time in your education will ever leave this issue of godly love or charity. It is woven into everything; it is the very fabric of Sonship. When we value and esteem one another, we strengthen the assembly. CHARITY: V&E one and other for the same reasons your Heavenly Father does. Godly love and charity - Value & esteem my fellow members/neighbor/colleague/etc. made manifest by my Christ-like actions towards them. - Not an emotion, a decision based on what God has told you in His word. charity - we value and esteem others and it translates into Christ like actions towards them; not just nice thoughts Charity is the motive for our actions toward others. We defined “charity” as “the mental attitude of our valuing and esteeming of other members of the body of Christ.” Godly love is when our attitude is manifested by our Christ-like actions toward them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Charity	In a way, charity is a species of love, but there is a difference between the two. There is a difference between love and charity (the Bible uses both words). When it comes to defining godly charity (which is the only way the Bible uses the word "charity") there are three aspects to consider: 1) **Charity is a mental attitude of valuing and esteeming someone, not how you feel about them with your emotions**. Charity is not a feeling but a mental decision; how you think about them in your mind. This is how God loves us. Even though there was nothing about us which was deserving or worthy of God's love, He valued and esteemed us regardless of our actions. It was a decision that God made in His mind. 2) **God's word produces our mental attitude**. The way we value and esteem others does not come out of the blue. It is not up to us to decide how much to value and esteem others; charity is a mental attitude that stems from the doctrine in God's word. In other words, the Bible is going to instruct us as to how we should think about others; how we value and esteem others. 3) We **manifest our mental attitude (of value and esteem) toward someone by our Christ-like actions toward them**. Even though there was nothing about us which was deserving or worthy of God's love, He valued and esteemed us regardless of our actions and He manifested that value and esteem by sending His Son to die for our sins. **Charity is our doctrinally produced decision to value and esteem others being manifested in our Christ-like actions toward them**.
Commentary	Definition : Charity	OED: charity – The Christian love of our fellow-men; Christian benignity (OED: kindness) of disposition expressing itself in Christ-like conduct: Even the secular OED understands that charity is the disposition of Christians kindness expressing itself in Christ-like conduct. Charity is not just an attitude, it's not just something we are thinking but it has to show up in our conduct and has to be manifested in our actions. We can do this because our heavenly Father has done this, He has already modeled that for us in Himself. MM say when Paul writes, he doesn't always use the godly version of that character trait in front of it. Paul (and MM) don't always put 'godly' in front of 'charity'. That's the only kind he is talking about and you need to establish that in your mind. PROCESS: From the word of truth comes doctrine… from doctrine comes knowledge… knowledge apart from godly charity produces pride and wrong thinking/wrong actions… but knowledge accompanied by godly charity produces edification (Christ in you!). Gives you all of your Heavenly Father's norms and standards, telling you what He values and esteems. Godly love or charity is learning to value and esteem what your Father values and esteems. You will find yourself lining up with His norms and standards with what He values and esteems because you want to think like He does, you want to see it from His point of view so you can make His decision about it. Charity: the ability to value and esteem what you Father values and esteems so we can think like God, do things His way and labor with Him in what He is doing. It is the greatest of the three. Without it the spiritual gifts were nothing. Paul admonishes us to do everything we do with charity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Charity	Bible breaks it down into 3 component parts: 1. The mental attitude of valuing and esteeming someone - it is NOT an emotion that you feel. It is a conscious decision to place value and importance on something or someone. Not about how we feel with our emotions. This is the way God loves us. When there was nothing about us that was lovable / that made us worthy / that was valuable, He chose to V&E us regardless of our actions. That was a decision He made from the beginning - to send His Son to bear the sins of the world. 2. God's word produces our mental attitude - We are not supposed to invent it or conjure it up to the best of our ability, the Bible will tell use the particulars of how we are to V&E whoever or whatever. All that comes from God's word and that ought to be a relief because you don't have to dream that up. The Bible will guide you in that process. 3. Charity is the manifestation of the mental attitude of V&E someone which is made evident by their Christ-like actions - It's decision that will come out of the instructive doctrine in the word and it will be manifested in your actions. It's not enough to mentally think of them that way but this is now going to produce something that can be seen.
Commentary	Definition : Charity	Charity is the umbrella and selflessness, lovingkindness, meekness, etc. are the features of it. You need all of the features so that you can have that perfected way of demonstrating godly charity. Not talking about an emotion or a feeling, talking about a decision that we are making based on something written in the doctrine that is telling us how to think and then how to behave in accordance with that thinking. Charity is a species of love but it is different. Decision to V&E someone that is made manifest by our Christ-like actions toward them. - It's 'not a feeling or an emotion'. We get to thinking we have to generate some sort of emotional attachment to people that you would naturally go I don't feel that emotional attachment to them. This is how to world does it. - Your heavenly Father is asking you to make a 'decisions to do something'. BOOK: Gary Smalley : Love is a Decision. Godly charity is a decision to V&E whoever is in view the same way your heavenly Father V&Es them. When you V&E someone, you are not supposed to make that up, it doesn't come out of the blue. You V&E them for the same reasons your heavenly Father V&Es them. That is His thinking towards them and if you are going to be godly and not just good you need to be thinking the kind of thoughts that He is thinking.
Commentary	Definition : Charity	Is a love or dearness for something because of placing a high value on it." Thus, charity is "a very caring-affection because of a very high value placed upon the object of affection. Charity comes right out of the doctrine and is producing Christ in you. Since the translators of the KJB recognized this from the Wycliffe Bible and the (Jerome's) Latin Vulgate (which used: dilecto = caring affection (love), and caritas= caring affection including a high value (charity) to translate the Greek), they rightly recognized the shade of meaning difference, and used "charity" instead of "love." Stephen White quote: "Charity results in godly actions such as edification (1 Corinthians 8:1) and Christ-likeness (1 Corinthians 13:4-8)." GH: They saw this difference being made. GH: If someone doesn't look or talk or act like you want them to do, think I need to love them like my heavenly Father loves them. The Bible uses the word LOVE hundreds of times. But the word sometimes get translated as charity (Love 183x; Charity 26x approximately) they are trying to communicate something beyond just using the word love.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Charity	Ever before charity was understood to be “benevolence for the poor/people helping people who have a need,” charity was known to be “Christian love in its highest manifestation/form.” If we trace the word “charity,” we find that it comes from the Latin “caritatem” which means “costliness, esteem, affection” and from “carus” which means “dear, valued.” We have taken both of these and made our definition of charity; “to value and esteem” like our heavenly Father does, and for the same reasons He does. This is a love that begins with a decision, not an emotion. This is a love that can be generated in us by the scriptures. In the Latin Vulgate, Jerome translated the Greek word “agape” by the Latin word “diligere” which means to esteem highly, to love. The noun "agape" is used 114 times in the Greek. The King James Version translates it "love" 87 times and "charity" 26 times. This shows they knew the Greek word means “love.” Yet they purposely translated the word as "charity" in some places. MM says this means something is going on when they used the word 'charity'. Charity is derived from Latin caritas, which itself is derived from the adjective “carus,” meaning dear, in both the meanings of expensive and loved. So, caritas means affection and love, and that's where charity comes from. Over time, the meaning of charity has evolved from “Christian love” to “providing for those in need; generosity and giving,” a transition that began with the Old French word charité.
Commentary	Definition : Charity	LATIN carus (value) -> LATIN caritas (esteem) -> OLD FRENCH charity -> MIDLE ENGLIGH karite -> charity - carus: Dear, beloved. Expensive. Valued. MM says actually an adjective. He points out 'dear' and 'valued'. - caritas: Charity, the attitude of kindness and understanding towards others. Esteemed. Costliness. Dearness. Price. MM says costliness reminds of value. Also affection. The one he is after is to hold in high esteem. MM has combined them for 'valued and esteemed'. When we see charity, should think something that is valued, esteemed, costly, dear, etc. He is showing how to defined charity and to differentiate it from benevolent giving. But in the Bible case, 'to value and esteem it the way your heavenly Father does and to V&E it for the same reasons He does'. Please see '1 Corinthians - Session 58 Notes' to trace the word 'charity' back to its Endo-European roots - Latin -> Greek -> Old French -> ... -> English.
Commentary	Definition : Charity : Godly Love and Charity	When the Bible talks about godly love and charity, it is not talking about your emotions, it's about you making a decision to value and esteem our fellow saints, the unsaved, our enemies, whoever it is. We V&E them like our heavenly Father does and the important part is - for the same reasons He does. You can like someone because of their personality or you can like someone because they are related to you but your heavenly Father looks at people and V&Es them in a very particular way. MM says it is not enough to just copy the actions. If we're going to be transformed, this has to be taking place.
Commentary	Definition : Checkpoint	CHECKPOINT: Alerting you to something you have to have firm in your thinking or it's fruitless to go on. Commentary	Definition : Children	We don't want to be children because God has made us to be adults and if we desire to be children then we are not walking worthy of our calling. Need to be adults to WALK WORTHY. * Children have to be told to do the things they OUGHT to do, and they don't show initiative (Earthly: Clean your room, make your bed, pick up your clothes, mow the yard, wash the dishes, etc. Spiritually: Read the scriptures, pray, study/meditate, and work on your own edification and get involved in the edification of others. Adults do this. There are things you don't want to do but you OUGHT to do and you do them.) Take this application over to the spiritual realm. * Children don't see down the road; not thinking about the long term consequences of their actions because they don't have the life experiences to be able to do that. (Look down the road to your life, the JSoC, and the ages to come. Adults do this. We learn to be able to look down the road and see that.) * Children's priorities are often out of balance. Again, they don't have the life experience to be able to do that. * For children, obstacles are an excuse to quit instead of using hardships/the obstacle as an opportunity to grow. Learn to utilize the doctrine you know to grow through difficulties and oppositions. EX Mike Jr. and carrying the sweating gallon of milk that he struggles to get in the house and gets it on the table. As time goes by, no big deal, what else can I take?
Commentary	Definition : Children	In the spiritual realm, we can cry that was can't do it but you have been given everything you need to be successful in your Christian life. That's what all the SPIRITUAL BLESSINGS-Ephesians 1:3 are about, that's what the MERCIES OF GOD-Romans 12:1 were for. You were given all of this the moment you trusted Him as your Savior. MM describes the advanced POE attacks as a bigger container of milk. * Children are Selfish; (they haven't learned godly love and charity) * Children cannot discern deception * Children don't know how to stand alone; (it is more important to fit in than to stand for truth; take the path of least resistance.) This takes getting some things firmly in your mind so you can "stand" on those things. Settle the issue of the things you will do, and will not do. * Children want the good things of life without doing the things beforehand necessary to provide for them. Adults know there is a price to be paid for everything. * Children's prayers mostly consist of asking for things.
Commentary	Definition : Christ-like Actions	MM doesn't mean looking in the gospels and seeing what Jesus did and trying to copy that. Christ-like actions are the actions that take place because the doctrine has worked in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Church	MM says we get used to coming to a church building. But the church is not actually a building. **When the Bible talks about a church, it is not talking about a building, it is talking about the people that are in the building**. In Paul's time, the churches met in homes. But the Jews met in the synagogue so the idea of a meeting place outside was already there. Good thing about meeting in a building is that it is all set up and just like this when we come in next week. If you are in a home, it is not always so easy. Summers home is styled after a big kiva room like the Indians having a big kind of meeting room. They have completely disrupted their living room in order to accommodate the Tuesday study. Uses the sauna room for what Mark does at Monahans. They just turn their home over and MM doesn't think you would get that everywhere. The difference between Monahans and Glen Rose is one feels more like church and one feels more like a Bible study. There is an atmosphere in a home that is really hard to replicate in a building that everybody just goes to. Means Monahans will have to work harder to establish that kind of family atmosphere in this group because in a home, it just feels different from the time you walk in. Has more of a closeness to it like having someone come into your home.
Commentary	Definition : Church : Characteristics of a spiritually healthy church	A saint-centered ecclesiology (ecclesia: EC-out KALEO-called - a church is not a building that sits on the corner of some street, a church is a called out group of people) - a church is a called out assembly. Doesn't have to be for religious purposes. Anything called out of a larger group to stand on its own could rightly be called a church. EX Israel coming out of Egypt was called the church in the wilderness. We are called out of the world (we are in the world, but not of the world). We do not hold a worldview that is common in the world. We look at a Christian lifestyle, a Biblical Theology. When the church is assembled together, it is for the purpose of educating and edifying the saints. That's how you get changed. That's how your mind gets renewed. This is what it means to have a saint-centered ecclesiology. The church service is for the saved because that's where instruction takes place so that we might be edified, that we understand the word. So that when we leave here, we can actually put that word to work in our everyday life.
Commentary	Definition : Church : Characteristics of a spiritually healthy church	If we turn this in to an evangelistic tool and all we did was concentrate on getting lost people to come in and every Sunday preach an evangelistic message, the church may grow numerically but not spiritually. We have it backwards. The church is for the education and edification of the saints. We go out from here (the church) with the message of the gospel. Because MM says most lost are never going to come to church. So 'seeker sensitive' churches try and accommodate for that to make lost people feel comfortable so that they can give them the gospel. MM is not saying churches should make lost people feel uncomfortable, he has seen those too. What he is saying they have adapted their whole service to this and as a consequence, many of the doctrines for personal holiness don't ever get mentioned anymore because it may offend these lost people and then they won't come back. So those kind of doctrines go away. We try and entertain them but with Christian stuff. And we want to make sure everybody has a good time and they have a good feeling about it when they go out the door. And then church becomes more of a social club than it does of really saints practically holiness and learning the word of God and being transformed by it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Church : Characteristics of a spiritually healthy church	MM says the reason we do it the way we do is it is the way the church was originally set up. The church is not set up that when it assembles itself together, we do evangelism. We do that when we go out in the world. Still OK to bring lost people in, but if the preacher doesn't know if the new people are saved, he may jettison his planned message and preach an evangelistic one. You end up getting that same message every Sunday. This was the way when MM grew up in church. We can't have an ecclesiology that is going to do what the church was designed for it to do, unless we're going to teach the word of Truth when the church is assembled together. Otherwise, when will you learn to do this? The gathering of the church is not for the purpose of evangelism. That is what the church is engaged in outside of the assembling of ourselves together. Point: Organizing our church meetings to accommodate the lost is to lose our assembling to the world. Whenever a church changes to accommodate the lost, the teachings have to be restricted (no mention of God's wrath, sin or self denial) or they must be very shallow, always taking people back to the gospel. The emphasis often changes from sound doctrine to entertainment and a motivational speech. EX SC church sang AC/DC's 'Highway to Hell'.
Commentary	Definition : Church : Characteristics of a spiritually healthy church	A DFW church sang Marvin's Gaye's 'Let's Get it On'. MM says this is where we've come to in trying to present ourselves as oh look, we're cool too. We're just like you. MM says but folks, we are not like that. Not trying to insult or offend people or make them uncomfortable, but if we are really going to become the saints we are designed to become, we have to have a saint-centered ecclesiology.
Commentary	Definition : Circumcision	Circumcision - two things or meanings at different time: 1. A seal of the righteousness by faith (what Romans 4 is talking about) - Originally, circumcision was a sign to say your righteousness is by faith 2. Remind them of the covenant that God has made with them - to make them a great nation and to put them in the land and to make them head of all nations - a separate and distinct people - Distinguished them from the nations of the world - made them a peculiar (different/unique) people
Commentary	Definition : City Type : Levitical Cities	Scattered throughout the land of Israel were 48 cities called Levitical cities. In the 12 tribes, there were 48 of those and they were scattered all throughout the whole entirety of the land and all 12 tribes were given an inheritance. The Levites were not part of the 12, they were the 13th tribe. They didn't get a land grant, they were given 48 cities so the priesthood could be scattered all throughout the land and they could instruct the people of Israel all over the nation in the ways of the Lord. That is what that was designed to do. The way their property was handled was different from the way normal property was handled. EX Bertha is living in Israel and she needs some money and she is from the house of Levi. She sells her home and gets the money. Because she is a Levite, if she wants to buy her house back, she could. Also, the year of Jubilee happened every 49 years, every 7 7s of years. 7 represented a complete cycle. Every 49 years, if Ruby sold her house and Clifford bought it but it was the 48th year of the Jubilee, next year, she gets her house back without paying for it. The land for a Levite returned to the original owner every Jubilee year.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : City Type : Levitical Cities	So if you were going to buy a house from a Levite, you would kind of want to know where you were in the cycle of the Jubiliee. God made that provision because there was no land grant for them and this way their homes could never be permanently taken from them so they always had a place. These 48 Levitical cities were walled cities, they were made for a defense. There were other people besides Levites living in the cities, but they had homes in the city that they could never permanently lose. Outside of the cities were pasture lands to grow their own livestock or their own grains or whatever. The Levites could not sell their pasture lands. They could sell property inside the city but not the pasture lands surrounding the city. Outside the city there was areas of houses like suburbs. Don't confuse a Levitical city with a city of refuge. The cities of refuge were also Levitical cities. Every city of refuge was a Levitical city but not every Levitical city was a city of refuge.
Commentary	Definition : City Type : City of Refuge	Don't confuse with a Levitical city. There were 7 cities of refuge. If you accidently caused the death of someone else, the system of justice worked like this. If you could make it to one of these cities of refuge, the avenger of blood could not come in and kill you over this. It was a way for the justice system to separate out murder from manslaughter. The cities of refuge were also Levitical cities. Every city of refuge was a Levitical city but not every Levitical city was a city of refuge. The priests were in charge of maintaining all of this. When the kingdom split, Jeroboam put in replacement priests, who instead of protecting those that were coming into these cities, they laid in wait on the side of the road and when somebody was coming into the city, they robbed them and took their stuff-Hosea 6:7-9.
Commentary	Definition : Communion	The same Greek word for 'communion' is translated both as “communion” and “fellowship.” These two words are very closely related. The literal meaning of communion means “to hold in common.” OED: communion 1.a. a1382 - The action or fact of *sharing or holding something in common with others*; mutual participation; the condition of things so held, mutuality, community, union. 2.a. c1405 - *The fellowship or mutual relationship between members* of one church, or between bodies which recognize each other fully as branches of the universal Christian Church; membership of a church. 2.b. 1529 - gen. *Fellowship*; the fact of being associated in one's actions or relations; mutual association, society, converse. 2.c. ?1548 - Originally: *religious fellowship* or converse, *close spiritual union*. Later also (originally poetic): intimate engagement or union of a spiritual or mystical nature. Notice in 3 of the 4 definitions of communion you find the word fellowship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Communion	Three Major Aspects of Communion (Fellowship) 1. IDENTIFICATION - with Christ (communion with Christ based on His shed blood) - by His Blood - The blood of Christ is the very basis of our identification with Him - THE COMMUNION OF THE BLOOD OF CHRIST-1 Corinthians 10:16 - by His Death, Burial, and Resurrection - we “hold in common” the benefits of what He accomplished in His death, burial and resurrection. (Romans 6:1-4) - by His position in the heavenly places - RAISED US UP TOGETHER AND MADE US SIT TOGETHER IN HEAVENLY PLACES IN CHRIST-Ephesians 2:6 - There are other blessings we could list * with other believers
Commentary	Definition : Communion	* our union with Christ makes us a union as members of His body - we are identified with the Lord; there's a communion or fellowship we are supposed to have among ourselves; because of this, it makes a difference rather or not we separate ourselves from some things because we have this identification with the Lord and you are participating in something that is obviously not of the Lord, that is running counter to the identification we are supposed to have. 2. SEPARATION - issue of holiness - is two-fold: - Separation FROM - from Satan's realm - WHO HATH DELIVERED US FROM THE POWER OF DARKNESS-Colossians 1:13 - Separation UNTO - unto GOD (As believers, we are all separated unto God as His possession) - PECULIAR PEOPLE-Titus 2:14 Paul is pointing out in Corinthians 10 when these people come together, they are supposed to be demonstrating or making manifest their IDENTITY with Christ and their SEPARATION unto God. ENDS Correction part of doctrine - 1 Corinthians 10:22 STARTS Instruction in Righteousness - 1 Corinthians 10:23
Commentary	Definition : Communion	3. LIMITATION (to/of your liberty - ALL THINGS ARE LAWFUL FOR ME [MM says this was a saying amongst the Corinthians that represented the culture; a saying that was repeated.], BUT) - true communion knows when to limit our liberty and when not to limit our liberty - to things which are improper - EXPEDIENT - ALL THINGS ARE NOT EXPEDIENT-1 Corinthians 10:23 - to things that bring us under their power (addiction) - I WILL NOT BE BROUGHT UNDER THE POWER OF ANY-1 Corinthians 6:12 - to things which do not edify - ALL THINGS EDIFY NOT-1 Corinthians 10:23
Commentary	Definition : Conscience	Is our inner sense of right and wrong. It kind of guides our behavior all through the day on what we think we can do and can't do. When you violate your own conscience, you instantly feel guilty about that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Conscience : How to strengthen our conscience so that we are not easily offended or wounded	Not talking about convincing yourself to go back into Zeus' temple and eat meat, but about seeing the eating of that meat for what it really is, AND strengthening our conscience so that in life you are not easily hurt or offended. Our conscience in 1 Corinthians is our inner sense of right and wrong. It guides what we think and what we do. * Some people have a weak conscience, and they are often hurt by what others say or do. They need to strengthen their conscience. * Some have "seared" their conscience, so that they do not properly empathize with others or discern when their conduct is offensive and improper. They have so damaged their conscience that they no longer have the ability to tell right or wrong anymore. Most of the world says, "Let your conscience be your guide." Christians corrected that to "let your Bible be your guide." That might be better, but most of them don't rightly divide their Bible anyway.
Commentary	Definition : Conscience : How to strengthen our conscience so that we are not easily offended or wounded	MM thinks Paul is saying is, *"Let the faith of Christ (Paul's doctrine) conform our conscience to the standard of godliness."* And we can change our conscience by "exercising it" by the word of God working in us to produce godly love and charity, which is manifested as we live out of the doctrine. MM says he is going to talk about 2 ways to strengthen your conscience. 1. A guy was previously in the occult and now he is very sensitive about all of those things. We are not supposed to talk him out of that. He will strengthen his own conscience by the word teaching him and that word effectually working in him. Being persuaded in his own mind by the word. This is supposed to happen in the normal course of the assembly. Not people pulling him aside and saying hey, we need to straighten you out on this issue. That's not it. He is going to hear the preaching of the word. He is going to look at that word himself. He is going to spend time praying to the Lord. It is possible that the day will come when he'll understand that carved idol is a man made thing and there's nothing to that. I'm not worshipping Zeus anymore. 2. ???
Commentary	Definition : COTW (Course of this World)	Course of this world 101: Ephesians 2:2 - The direction that Satan laid out for this world to take it on a path away from God and away from the things of God - so people will follow the direction that he wants them to go. Satan got it started or moving. As it goes through the years, it decides what is normal in people's lives. If you don't conform, you will look like an oddball. For everyone who is in the world, Satan has put something into the world which would influence people, especially unsaved people. It wants to produce a godless world and we have been under it our whole lives. - Course of this world has so ingrained the Israel program into us that while we would deny the law and deny that program we still live like that's how God is dealing with us. MM knows it is hard to purge out. - Part of the general POE at work in the world. Everybody falls under that. It is meant to effect anyone/everyone. - It's like a snowball at the top of a large long hill and it starts to roll downhill and it has its own momentum, it just carries itself. That means Satan doesn't have to superintend/overlook it. It is just moving along and it's not only gathering in mass, it is gathering speed as well. At this point, it is so overwhelming that probably 50, but 2 main things are happening: 1. It is so prevalent that no one understands they're under the influence because that is all they have known from the day they come into this world until the day they die. MM says it is like the movie Matrix.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World)	Course of this world 101 (cont'd): 2. It is meant to put pressure on anyone who steps outside of it, to bring them back into the fold. Is the plan that Satan has put into motion that determines what normal behavior is and it also make those who are NOT in step with the COURSE OF THIS WORLD become very obvious and they become then somehow ostracized/shunned/made fun of/marginalized. It tells us how we are supposed to spend our time and what things we ought to involve ourselves in. Happens from the day we are born, no matter what country you live in. It has created a culture in which certain things are just understood by everyone and if you don't follow that you are out of step and the more criticism you will get and the more pressure that will be applied. There's a lot of facets to the COURSE OF THIS WORLD. It ranges from everything, it has something for everyone, it's like a buffet, it doesn't matter what you like, it has something that will appeal to you. It ranges from those who are atheists (we don't believe there's a God). Welcome to the COURSE OF THIS WORLD, you have swallowed that aspect. Or the agnostic (I don't know if there is a God). That's part of the COURSE OF THIS WORLD. Or I'm a Buddhist. Welcome to the COURSE OF THIS WORLD. Here's an unpopular one...today's Christian who thinks God is nothing but a genie in a bottle to run and do everything that we just conjure up in our minds that we would like for Him to do. Welcome to the COURSE OF THIS WORLD.
Commentary	Definition : COTW (Course of this World)	Course of this world 101 (cont'd): - Doesn't have to be religious, can be as far is business goes, can be as far as politics goes, it's in forms of government, it's in philsophies of life. MM points back to Ecclesiastes. Those are all determined by the COURSE OF THIS WORLD because Satan is taking this world somewhere - the absolute and utter rejection of the true and living God. Satan is fine if you have another one (GH: god) going. He really doesn't care. He just doesn't want the One. - The world has been there before, where the world at large had just rejected God: - the Flood (8 people on a boat and God wipes out the rest of the world) - the tower of Babel (Satan's HQ) - at the Cross (had already rejected the Father, here rejected the Son, the only thing left was the Spirit in the first 7 chapters of Acts- then instead of the Day of Wrath, in God's mercy, He brought in the DOGG and due to the goodness and longsuffering of God, he is offering everyone a chance to be saved)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World)	MM says the world will get back to that again and the thing that is driving that is the COURSE OF THIS WORLD. Within the COURSE OF THIS WORLD, there are some things called the WORKS OF DARKNESS-Romans 13:12. There are 3 categories of the WORKS OF DARKNESS. Those are the things Satan needs to bring the world to a place of its utter and absolute rejection of God to produce a godless world so he can maintain his possession of the heavens and the earth. That is what he is after. That will allow him to continue to hold on what he has gotten. - Those who are walking according to the "course of this world" are living their lives in accordance with Satan's plan. The course of this world influences more about us than we might imagine. It dictates what is normal behavior and impels us to shun those who are "out of step" with the course of this world. The CoTW tells us such things as how we should spend our time or what things are important. It is multi-faceted which is to say, it presents itself in many forms. Therefore, it does not matter if: you are rich or poor, well-educated or not, athletic or not, where you live, the type of music you enjoy, religious or not, male or female, sick or well, kind or cruel, young or old, generous or greedy, extrovert or introvert, single or married, organized or disorganized, genuine or shallow, political or not, popular or not, well known or not; none of that matters because the course of this world is designed to offer something for everyone. There is an aspect which will appeal to you.
Commentary	Definition : COTW (Course of this World)	Course of this world 101 (cont'd): - The goal of the CoTW is the complete rejection of the true and living God by the entire world. * It seeks to produce a godless world. * It works to produce a godless world by means of all kinds of works which it promotes, * but especially by three major categories which Paul calls "the works of darkness." * Even if you are saved, you are still influenced by the course of this world in more ways than you imagine. We have been under it our entire life, so its effects feel as natural as breathing. Only the effectual working of God's word will expose all the tentacles which have wrapped around you and held you hostage to obey it.
Commentary	Definition : COTW (Course of this World)	- In the COURSE OF THIS WORLD, certain things are just going to become commonly how people thing about stuff. You don't have to feel obligated to say anything about it unless it is the 3 categories. You cannot let that pass. - Satan learned what happened at Sodom and Gomorrah and a couple other places there were 3 things that were needed to bring the world to a state of godlessness. COTW engages everyone, including believers. He really wants it because the pressure of that and to remain 'relevant', churches begin to adapt themselves and their services and the things they teach line up as much as possible with the world. Makes it compatible with the world. MM is not really worried about becoming compatible with the world. His concern is the folks that come here get edified unto godliness so that they're equipped for their heavenly vocation. The world will not like that and most of the Christian world will not like that. MM gets it. Also means that you, because of this (Sonship), at some point in the future you will come under criticism. It will be the 3 phases (Round 1): 1. Attack message 2. Attack messenger 3. Discredit the messenger

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World)	Course of this world 101 (cont'd): - There is an aspect of the COTW that no matter where you live in this world and what kind of culture you're part of. no matter what the norms of society are, there is something that will appeal to you and it will attract you and if you ever step out of line with it there will be pressure exerted to bring you back in line. Let's say you get saved. When you do, Satan's number 1 objective for you is he doesn't want you to understand the Truth of the doctrine that pertains to you. He is OK with you integrating in Israel's doctrine. Because if you like the Bible and you like those religious things, then he just wants you to get the wrong version of this. So he is going to try and put you back in Israel's program. Paul talks about this all over the scripture. There is another generalized attack against anyone who gets saved to make sure they don't come to understand the real Truth of who they are IN Christ, who they are as a member of the body of Christ, of what we are going to be doing in eternity, what it will take in order to function up there - he wants all of that to remain a mystery/secret. But now, when you begin to learn the Book of Romans, Phase 1 of the POE is going to start with the Romans doctrine and as you go through that, what you will find is you're going to learn things that will put you at odds with most religious people in your circle of family and friends. Why MM says don't feel obligated to get into an argument with everybody about everything. Even if they ask, you need to read the situation about how far you want to go. Don't start off with you all are morons and don't have a clue. As true as that might be, that is not the Dale Carnegie way of winning friends and influencing people. As a son, you have liberty to interject something anytime if you think something is horrendously bad and say I am not going to allow that to stand.
Commentary	Definition : COTW (Course of this World)	Satan created when mankind became his possession at the Fall. He put all of it into motion. Two main features: 1. **Oppose God**: It naturally causes people to do things in opposition to God and in opposition to His purposes; and the dual purpose is as God responds to bring people back on course, it causes men to reject that 2. **Assist Satan**: Assists Satan in his plan of evil. Designed to fend off God as He responds to what Satan is doing. God is not looking at what Satan is doing with the COTW and the WORKS OF DARKNESS and saying, well, OK I AM going to just go over here and do something else. He has a response to Satan's activities and that response is made to have an impact on men. But Satan's WORKS OF DARKNESS as they fuel the COTW are designed that when a man sees God's response, he doesn't get affected by that to go, oh, I have been going in the wrong direction, all of it is designed to block those off and respond negatively to what God is doing.
Commentary	Definition : COTW (Course of this World)	Following the COTW doesn't mean that everything you do is despicable. Everything they do is despicable to God, MM is talking about the way men look at it. A lost man can give money to a charity that helps children with disabilitiies. The world would look at and say that's not despicable. It's not despicable when you consider that other men are engaged in activities that destroy lives, but as far as God is concerned, that's still following the COTW because the world has a counterfeit for godly charity, it has it's own version of charity. And it thinks it can do its charity without God and that's the COTW.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	Is Satan's device to push the unsaved further and further away from God. More than that, it is Satan's use of the vain imaginations and the immoral lifestyle of unsaved men to create a norm (the acceptable thing that we as a society say is acceptable) for living in the world. This is the downward plunge into depravity. Look at what was acceptable 60 years ago versus what is acceptable today. The norm has continually declined. But the norm in 10 years the depravity will only increase. What becomes normal, acceptable behavior is constantly in flux. The COTW is the vehicle by which Satan is continually increasing the depravity of the world and then normalizing it. It is creating a standard of behavior and morality of darkness that it insists must be adhered to. EX A guy has a moral code of things he is willing and not willing to do. GH:As he lives his life, this will change/worsen. Because the COTW is consisting on conformity to it. It will start out 'you need to be tolerant of this guy and let him live his life, let him do what he wants to do'. Once that gets entrenched in the culture, they aren't tolerant of that anymore. And not this guy must not only be tolerant of this, he must embrace him as just as good as what he is doing, just as acceptable. That creates a worldview called post-modern relativism, which says that there's no such thing as objective truth.
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	There is nothing in the world that is true for everybody. When people are in the minority, they whine and say you need to be tolerant of my moral code. Then people buy into that and say I don't want to be a troublemaker, just live and let live. Do whatever just to get along. You do your thing, I'll do my thing. But once that becomes the culture, not they're going to look at you and go, you're dangerous to society. We're at risk because of you and we need to do away with you. See how that turned? You need to tolerate us and now that we have a big group, and now we're not going to tolerate you. The COTW is constantly increasing the depravity of this world, it's normalizing it, and then it's insisting on everyone's compliance. Why it will be harder and harder to live for God because the world will not allow you to do that. They may go, hey, I got my life, you got your life. But then when they get control, you don't have your life anymore. You must engage with them or you'll pay a penalty. The course of this world is Satan’s way of forcing believers in Jesus Christ to first, tolerate, and then, conform, to an increasingly evil standard of thinking and behavior. And finally, the course of this world is Satan’s tool to bring the world at large to the total rejection of God, while intimidating Christians into silence.
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	Satan’s course of this world does not just conform to man’s sinful nature, it caters to it. The course of this world is part of Satan’s PoE for this dispensation of grace. It produces a conversation (a lifestyle) governed by the lusts of our flesh. When they can move the culture and change the moral code and chastise us for not being tolerant of it. When enough people are, then it becomes the norm. Now they will look back and you and they will either insist on you conforming to the new moral code or you'll be labeled as a danger. And then one day we'll pass laws to deal with people who are that danger. Satan is behind this and it is part of the COTW. He is engaging in it to bring the world to the total rejection of God. MM says to be faithful to God and to stand on the truth of the scripture will cost you something in this world. This world is not welcoming that, it is opposed to that. MM is not saying you have to do it in anger and at the top of your voice. GH: MM is saying engage with godly love and charity. Satan is very clever. He has produced something that the Bible calls the COTW. That's a mindset or understanding that he has gotten people to buy into that this is the normal way to live your life, this is the how you spend your time, this is what you ought to be interested in, and if you are not, then something is wrong with you. And so the COTW is like this big peer pressure that gets you to confirm to what Satan is convincing men to do in the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	An integral part of Satan's POE. It is the way Satan influences the world to think and live so that it is designed to continually/COTW introduced a couple worldviews that massively changed the cultures: 1) Move the lost/unsaved further and further away from God (the way Satan influences the world to think & live/behave so that it is continually moving the lost people away from God; mitigates the behavior of people) - We are born in trespasses and sins. By appealing to their sinful nature, Satan is directing the lost world to act in ways that do not acknowledge God, apart from God, separated from God. When this country started, there as a big influence by the pilgrims that created a Judeo Christian ethic in the culture. By the mid-1800s, that had gone away. When the western world had a Judeo Christian ethic, even though men were lost, they still mitigated their behavior to an acceptable standard, at least in public. MM says this was in place in the 1950s. Says they never locked their home doors when they went out. First time he remembers was a two-week vacation across Texas. Churches never locked their doors. But the culture changed. Look at the TV shows in the 1950s and compare them to today.
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	See the difference in what you see and hear. It is light years different. What happened? The culture changed because of the influence of the COTW. Satan is catering to the natural, sinful condition of the lost and he is catering to it by implanting ideas. He's getting men to go further than they have gone on their own. He is helping them become pioneers in evil. So that is what causes the COTW to become worse and worse (2 Timothy 3:13). The COTW is working to increase the evil that's already in the heart of unsaved men so instead of being random things of evil they engage in, it increases now to become a lifestyle of evil. It's how they live every day and it's what fills their thoughts all day long. It also increases the depths of depravity. The top 5 problems teachers had when MM was in school are not on the list today at all. Honesty/Told the truth/Conducted yourself with honesty, hard work, civil behavior, and respect for authority, were the result of the influence of Christianity on the culture. But the course of this world took the evil imaginations and desires of the unsaved and changed the culture. In Europe, that change happened slowly over many years; like slowly letting the air out of a balloon. But here in America, within a generation, the balloon just popped. The course of this world continues to instigate behaviors whereby evil men “wax worse and worse.”
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	The way Satan is influencing the world so that the lost people in the world are continually moving away from God. Satan appeals to the sinful nature and directs people to act in ways separate from God. When this country started, there was a big pilgrim influence that created a Judo-Christian ethic. MM says even in the 1950s, it affected how people behaved in public even if they weren't saved. Respected authority, told the truth. God is no longer a mitigating factor in suppressing the sinful behavior of men. The COTW introduced a couple of worldviews that are very prominent in this country that began to change everything about the culture. So the things you used to be able to count on everybody to do, you can't count on anymore. You need to lock the door and the locks only keep the honest people out. If they want in, they're going to get in. 2) Move the lost/unsaved from the knowledge (about how we think) of God (thinking, what's in your mind - influencing men in their thinking) - Is directing the lost world away from the knowledge of God by feeding the imaginations of unsaved men with thoughts and fantasies of the pleasures of sin. Is either convincing people that:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	(1) there is no God (2) for those who think there is a God, it is producing a wrong understanding of God. It's painting a picture of God that is not given to you in the Bible by using the IMAGINATIONS-2 Corinthians 10:5 of men. These first two are for unsaved and what feeds and energizes the course of this world. The unsaved belong to the Adversary and he is using them to destroy themselves. 3) Move the saved away from God's Ways - Another way of saying 'godly living' is doing things God's way. Conduct & behavior does not reflect God's Ways (ungodly living). Get you so intimidated that you won't say anything. The lost don't realize it but they need some saved person to CAST OFF THE WORKS OF DARKNESS-Romans 13:12. Satan intends to use the course of this world to intimidate Christians away from godly living (doing things God's way.) because only the saved can do things God's way. He intimidates believers living like the world by the attacks of the POE. Satan's Policy of Evil (PoE)
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	* Phase 1: Attack the Message * Phase 2: Attack the Messenger * Phase 3: Discredit the Messenger This all starts early in life, as a child is subjected to sinful conditions and behaviors. He grows up listening to certain words, seeing certain behaviors, watching movies and listening to music, and talking to his friends who have been subjected to the same kinds of things. Sin gets a foothold early on and as sinful thoughts are acted upon, they get even more entrenched, establishing strongholds in the mind. Before a stronghold ever gets established, people think about certain sinful things, which is their nature. That opens the door to the mind. The more they think about the lusts of their flesh, the wider the door swings open. The wider the door opening, the more Satan can tempt and suggest.
Commentary	Definition : COTW (Course of this World) : Spiritual Warfare (Eph 6:10-20) Commentary	Satan is always working to take men further into sin and deeper into depravity. And when a man acts on his thoughts, he is laying the foundation for a stronghold to get built in his mind. If this takes place, then Satan always has an "in" and he will use it drive a Christian into despair. This is why the Sonship Transformation book is so valuable; it helps you to identify and pull down those strongholds. Even when a man pulls down the strongholds in his mind, in order to "close the door" of his mind to Satan's thoughts, he must guard what he allows into his mind; guard what he allows his eyes to see. In short, he must bring his thoughts in line with Christ. MM says this unfortunately is a pretty good plan when you think about it. He is moving the lost further and further away from God so that the culture is not influenced by all of that. He is getting the lost to a place where they'll just reject the existence of God altogether or see Him as an enemy. And for the saved people, let's get you guys intimidated so you won't say anything. What the lost really need is for some saved person to CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOR OF LIGHT-Romans 13:12. To dispel those untruths and to tell them the truth. The COTW is using the vain imaginations of men and the immoral lifestyles of the unsaved to create ???

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant	Covenants: God still has a plan for Israel. He still does want them to repossess the earth. So God constructed a series of agreements and put them in place to make sure that everything He wanted to happen would happen. Called those agreements covenants. They make sure everything that's supposed to happen does indeed happen - that's the purpose of covenants. People get confused on the subject of covenants. 1. It's a huge massive subject matter. 2. Most preachers don't understand what each covenant was designed to do. Bible college doesn't teach WHY they are given or the ORDER they are given in. Have to learn the principles of the covenants - the only way you will get to the structure of your adoption so that you can properly CRY ABBA FATHER. Covenants given in a specific order and on purpose. And there is a pattern to be seen. Covenants given to Israel but they are listed in the things given to Israel right along with elements of their adoption. When they did a covenant, they took an animal and cut it in half. Separated the halves out and there was just a blood path between those 2 halves. As you walked between those 2 halves you were entering in that covenant. Today, you would sign a contract.
Commentary	Definition : Covenant	God never covenants for something He has done in another covenant. No two covenants covenant the same thing. God does not re-covenant for things already covenanted for in a previous covenant. Covenant vs. Testament: Come from the exact same Greek word or one is Hebrew. One is Greek. Once you understand these covenants, you have a piece of the foundation that you have to have from Israel's program concerning adoption. MM is just giving you the minimum of what you need to know. Mistakes people make with regard to the Covenants: 1. Say we are not associated with the NC at all. MM understands why they say that. God says I WILL make a covenant with the house of Israel and the house of Judah. MM argues we are beneficiaries of the NC and God has made it that way. The 5 components of the NC you got when you trusted in Christ. You are not UNDER the NC. You are not Israel. But you are BENEFICIARIES of the NC. IN THEE ALL THE FAMILIES OF THE EARTH BE BLESSED-Genesis 12:3.It is up to each of us to look at the doctrine as it is stated in the scripture and deal with it honestly. But there are other applications of the doctrine which we can make, and we should.. Because it doesn't covenant for the land or Israel's kind or for Israel's throne or for Israel's Kingdom or for Israel's blessings or Israel's earthly inheritance (God couldn't take away from that), it doesn't take away from Israel.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant	Therefore, God can give that to whosoever He wants and it doesn't take it away from Israel. NC was GIVEN in Jeremiah but not ENFORCED in Jeremiah. Something had to be done to ratify the N.T. - Jesus had to function as the Redeemer on the Cross and shed His blood. That's why it says THIS IS MY BLOOD OF THE NEW TESTAMENT-Matthew 26:28. Words TESTAMENT and COVENANT are the exact same word. If you don't think you could be a beneficiary of something spiritual because it happened in Israel's program, then the Cross wasn't for you. Can't have it both ways. Jesus ratified the NC on the Cross. No one at the Cross knew that Gentiles were going to get included in that. God did that because Paul tells you that. 2. Say we are a covenant people. Replacement Theology: This idea that we get the covenants swings the pendulum the whole other way and says we get all of Israel's covenants. We are Israel now. We are spiritual Jews. Says the church has replaced Israel and we get all of their promises. MM says we are a totally different **people** with a totally different **program** accomplishing a totally different **purpose** and a totally different **place** at a totally different **time**. Replacement Theology: God is all through with Israel and now we have replaced Israel. Pretty common today. People think they have replaced Israel and along with that, they have inherited the promises and the blessings of Israel. Justify that by saying they are spiritual Jews. May not be descendents of Abraham in the bloodline but we're spiritual Jews. Paul dispells all of that. It's important for you to understand this is because one of the pet doctrines of the adversary is to confuse the programs. He would like nothing better than to take things in Israel's program and bring them over to us in the DOGG. If you start to live that way and integrate areas of Israel's program into your life, it will kill your Sonship life because it works completely differently than Sonship. MM says there is something at stake here. Replacement theology: God is mad at Israel and decided to replace them with the body of Christ and we have not only taken their place but we get the promises (what God has ordained for Israel is a wonderful thing, it is a high honor, but would not trade - He has done so much more for us that it is hard to comprehend since Israel is chosen gets beat into our head 24/7 - get through Romans and will thank God we are not Israel's replacement).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant (GH: IPF verse)	Each covenant covers something distinct and different that God means to provide. God doesn't give covenants that duplicate. * Abrahamic: instrumental in providing the land - unconditional. Can't be given to whomever He wants because it is not a replacement covenant. * Mosaic: the law of Moses or Old Covenant - conditional that wasn't being met, therefore, He has the right to replace it. - The old covenant was to prove to Israel that they could never earn spiritual blessings on the basis of their own merit. Israel had rejected that testimony before they ever got to Mt. Sinai and they continued to reject that testimony all the way up to the interruption of their program. God knew from the beginning they would fail. He knew they would never achieve the necessary spiritual blessings. Coming a time that the Old Covenant will be done away with and replaced with something else. * Palestinian: replacement covenant - can replace any conditional covenant that is not working, He reserves the right to replace it; doesn't mean this is the replacement, this is the covenant that allows for a replacement. Second aspect is for whatever covenant I AM going to replace, I reserve the right to apply it to whomsoever I will. - They came out of Egypt, they went to Mt. Sinai, they got the law, and then they journeyed to go into the land. Before they go into the land, and just before Moses dies, he writes a song and teaches them. Establishes another covenant BEFORE they go into the land - the Palestinian or replacement covenant. The Old Covenant is not enforced until they go into the land. Before the go into the land, God says I AM going to make a new covenant that allows for me to replace any covenant that is not being fulfilled. * Davidic: 5 mandates and what the Messiah will do for Israel - covenants for the kingdom and the throne
Commentary	Definition : Covenant (GH: IPF verse)	* New: something that God is going to do. - Is one of a number of covenants given to Israel. Two mistakes people make that make them think there's no application of the New Covenant in the DOGG: 1. We have read too much into the New Covenant. Through systematic theology, we have grouped together passages that do not belong together under a true Biblical theology. There are no material blessings in the New Covenant. 2. We do not have an appreciation for another of the covenants, commonly called the Palestinian Covenant, where God has reserved the right to Himself to do something that has tremendous bearing for us. Through the New Covenant, God gives them by His Jehovah-ness and grace all that they spiritually need and could never provide for themselves. The New Covenant is the means by which God will make Israel fit to be used for His plan and purpose. Under the spiritual benefits of the New Covenant, because it was a replacement, God has reserved the right to apply that to whomsoever He will and He has chosen through the N.T. to bestow those rights upon us and He calls himself a minister of that (2 Corinthians 3:6).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Noahic	
Commentary	Definition : Covenant : Abrahamic	Abrahamic Covenant - 'A land and a people' (Announced: Genesis 12:1-3; Ratified: Genesis 15:18) Components: 1. A LAND...A GREAT NATION (Land and people are primary)-Genesis 12:1-2 2. THY NAME GREAT-Genesis 12:2 3. A BLESSING to the world-Genesis 12:2-3 Where God is going to use the nation of Israel to fulfill what man was originally designed to do when He put him on this earth back in the Garden. In Genesis 13, 28 and 32, God amplified upon the covenant He made with Abraham and underscored its significance in different aspects of God's plan and purpose with Israel.
Commentary	Definition : Covenant : Palestinian or 'His Jehovahness'	Palestinian Covenant (scholar's term) or Jehovahness'God's Jehovahness and grace' Covenant (Bible doesn't call it that). Does not covenant for the land. MM doesn't like the term because it makes you think of land. Land got covenanted for under the Abrahamic covenant. MM prefers Jehovahness covenant. Only says I WILL do it for you (the things you can't do on your own). Two primary things it covenants for: 1. For God to implement His Jehovahness - He will implement His Power to accomplish everything He wants to accomplish. 2. God reserves the right to apply anything/aspects/benefits in one of his covenants to anyone He wants. He's just reserving the right to do that. Be thankful for this. Otherwise, we couldn't be adopted as sons and daughters. Had to do this because Israel went under the law and rejected His Jehovahness and grace. Gives them this covenant while on Mt. Nebo (don't think of the Rockies, don't think of the Ozarks-not trying to take anything away), at the edge of the land. When you stand on Mt. Nebo, you can look across the land of Israel and see 3 major cities. See how little a slice of land they own. God basically says to Moses, there is no way these people will succeed in this and I know it. To make sure everything I need to have happen with them happen, I AM going to make a covenant right here. Says at the end, after you have failed so miserably, that the land spews you out, I AM going to bring you back (GH: the covenant).
Commentary	Definition : Covenant : Palestinian or 'His Jehovahness'	This time, instead of you doing it, I AM going to do it for you by My Jehovahness and My grace. Covenant says that you will never get it on your own and I KNOW it so before you ever set foot in there, I AM going to covenant now to do this for you. When God makes this covenant with Israel, He takes into account their absolute FAILURE to keep the Law covenant. He knows it is humanly impossible for them to make themselves spiritually fit to be the "holy nation" and "kingdom of priests" that the Abrahamic Covenant called for them to be when they are in the land. Given 40 years after the Old Covenant. What now qualifies that law covenant to become old at some point. Why when the remnant read their epistle in the Book of Hebrews, it's going to talk about the law and it says THAT WHICH IS OLD IS READY TO VANISH AWAY-Hebrews 8:13. There's something new that is coming in. Meant to make the Mosaic law old. Haven't gotten a New Covenant yet.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Covenant of Peace	The Covenant of Peace - 'material blessings' (Isaiah 54:8-10) Very little known. Covenants for the material, physical blessings that are going to be Israel's in the Kingdom. WHAT your blessings are vs. WHO your Blesser is - Davidic covenant. Called this because God is not angry anymore. My Wrath has turned away. It's like the waters of Noah unto Me. Just like I AM never going to cover the earth with water like that, I AM not going to get angry anymore. These are different, these are Kingdom blessings, given to them once the Kingdom gets established.
Commentary	Definition : Covenant : Davidic	Davidic Covenant - 'a throne, kingdom, and a king (2 Samuel 7:12-17). Covenants for a King, a Kingdom, a Throne, and a House. The King is God infleshing Himself in the line of the Seat of David to do these 5 things because He is the only One who can do them. They are so critical and so big they can't be done by anyone else. God used Jesse, David, and Solmon, not just to exempify, but for David and Solomon to write down the structure of adoption for Israel. Might ask if Israel had already gone under the law, why would He use David to talk about adoption? He is not adopting them, they are under the law. Someone had to write down what it would be so that the remnant out in the Day of Wrath would have scriptures with their doctrine wrapped around it. They could go see about their own adoption. Uses David and Solomon, a father and son to do it. David is writing the basic structure of adoption, therefore you see it in Psalms and Proverbs. God will do the mandates by Himself alone by infleshing Himself into David's lines and doing the 5 mandates. God says I AM going to do it Myself and I AM going to inflesh Myself in the line of the seed of David.
Commentary	Definition : Covenant : Davidic	Things provided for in the Davidic covenant - He will function in these 5 mandates/capacities (found in the Psalms) on their behalf: 1. Redeemer (already happened) - Jesus 2. Deliverer - Jesus (deliver them in the day of Wrath) 3. Avenger - Jesus (avenge His Cause with Israel at the Second Advent) 4. King - Immanuel 5. Blesser - Immanuel Other things given in conjunction with all that. To make sure this all happens, God enters into a covenant with David. He is ensuring through the Davidic covenant that the Abrahamic covenant is going to get done. What God is going to do with David, He is going to make sure it happens because He is going to covenant to do it all Himself in the fulfillment of the 5 mandates of the covenant that He makes with David. Notice the progression: Suffering -> 5 mandates to alleviate all that suffering -> adopted Son wisdom -> God's Wisdom >>> other wisdom -> wisdom plants you in a position of your Father's business out there. Books given a sense and sequence - there's a structure to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Davidic	God promised to perform certain things by His Jehovahness and grace. That was His promise to David. What the 5 mandates are about. To do that, God promised to inflesh Himself into the line and seed of David and do all those things and do all the things for Israel that they would never be able to do for themselves. The backdrop of the covenant that God makes with David: Jesse educates David. He not only begins to educate him as an adopted son and we saw that thing ins Proverbs 3 where David said I was my father's son and the only beloved of my mother. David was the only son they adopted because he is the only one who had the heart for it, the right attitude about it. What Jesse saw in him made him special and different from the other boys. If you understand Biblical adoption, every father was looking for a son to adopt, was not the anomaly, it was the rule of the day. If the father had a business, how was he going to carry on that business after him? By adopting a son or daughter and training them in the business. That's how the business and the family name survived. Would be hard pressed to find someone in the Bible who didn't adopt somebody. MM is not going out on a limb saying Jesse adopted David just because there's not a verse that says that. David knows what time it is (the interlude of mercy). He knows the judgments have been rolled back.
Commentary	Definition : Covenant : Davidic	David understood at least 5 of the 7 Jehovah compound names. EX What does David say to Goliath? God is going to deliver you into our hands. David has a heart, is a man after God's own heart, has that attitude, has a desire for the things in there in his father's heart (Jesse) to be written on his heart, and has a desire for the things in there in his Heavenly Father's Heart to be written on his heart. God looks at that and says, that's the guy I want. Even though David sinned, had some failures in his life, that heart was always there. David has many sons but there are 2 sons by which God is going to put Sonship on display. 1. Solomon 2. Jesus - Called the Son of David (Matthew 1:1 - everybody understood that when the Christ came, He would be the Son of David) Everything you need I AM going to do. There are 2 names given to the Christ that are very indicative of something. More than just names. Mary and Joseph didn't get their baby book out and go let's pick a Name. An angel told Joseph separate and then an angel told Mary separate you're going to call Him Jesus. There's a two-Name issue. There's a reason for that Name. Because there's a two-Name issue, in the first 3 Davidic covenant mandates, He is called Jesus. In the last 2 mandates, He is called Immanuel. Davidic Covenant: God said to David, I AM going to inflesh Myself in the line of your seed and that is going to be your Christ/your Messiah and He is going to accomplsih 5 particuar things that if He doesn't do them, you will never have them. God is saying, Trust Me, I AM going to do it for you.
Commentary	Definition : Covenant : Davidic	When God made that covenant with David, He promised to establish a throne and a kingdom for Israel. He promised to do for Israel what they would not be able to do for themselves. These are the things that God is going to provide and He is going to do all of those things so that His Plan and Purpose for them is carried out. The 150 psalms in the Book of Psalms is divided into 5 parts or divisions or Books and each Book deals with a mandate of the Davidic Covenant in the order they happen. Doesn't mean there is nothing about Jesus being the King in the first 41 psalms. These tie to the 5 compound names of Jehovah: Rapha, Jireh, etc. - these all match these mandates.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Davidic : SIIP	Five mandates detailed in the Book of Psalms, divided into 5 groupings each highlighting a mandate. There's a marker at the end of each one that tells you that's the end of the Book. These five mandates constitute the complete “salvation package” that is provided for by the Davidic Covenant. All 5 mandates are part of a package of different salvations. You know about the Redeemer salvation, but people stop there and never progress to the other salvations. GH: MM says 1, 2&3, and 4&5 are groupings based on the timeline. 1. Redeemer (1-41): Sin/Justification salvation - carried out at the Cross - Salvation from the debt & penalty of sin. Respond by faith. Doesn't matter if you are in Israel's program or the DOGG. 2. Deliverer (42-72): Sanctification salvation - carried out in the time of Jacob’s trouble, Daniel’s 70th Week, tribulation - Starts at the beginning of the tribulation (a time of unparalleled judgment & hardship on the earth) and works its way through. May be delivered from certain sufferings like: * not being able to buy or sell because they didn't take the mark and a provision of sustenance will be provided for those faithful members of the believing remnant Why GIVE US THIS DAY OUR DAILY BREAD-Matthew 6:11 is in the Lord's Prayer. Because this is a prayer that finds them out there in a time where you're not going to be about to get it the way you normally do.
Commentary	Definition : Covenant : Davidic : SIIP	* protected from the beast and the POE, from the extermination policy of the anti-Christ Go back to the Lord's Prayer again, DELIVER US FROM EVIL-Matthew 6:13. The Lord's Prayer has a very specific application to where they are. MM says today people are running around praying that prayer like it is some sort of magic chant that does something. But these phrases have real meaning for the believing remnant out there in the tribulation because these two issues have to do with their sanctification salvation. * hidden in the tribulation so that they cannot be found; going to be a deliverance aspect in that they are going to get hidden. HIDDEN ONES-Psalm 83:3. - There is some information that the believing remnant are going to need to survive during this time, if they were going to be counted worthy so they could escape and that they could survive this time. 3. Avenger (73-89): Sanctification salvation - carried out in the time of Jacob’s trouble, Daniel’s 70th Week, tribulation - When the Lord is going to come back and defeat His enemies. In a sense, this is a deliverance (MM trying to show the connection between the two). The avengement is fulfilling something that was said in the Book of Genesis (22:15-18) to Abraham about something that needed to happen before the kingdom could get itself established. Has to do with the destruction of God's enemies. About avenging God's cause with Israel. That issue has to do with Israel’s enemies being dealt with.
Commentary	Definition : Covenant : Davidic : SIIP	GH: NOTE: After the 5th installment and before the kingdom is the Armageddon campaign or the great and terrible day of the Lord. MM noting it's between the completion of the 5th installment and the beginning of the kingdom. 4. King (90-106): Exaltation salvation - carried out in the Millennial Kingdom 5. Blesser (107-150): Exaltation salvation - carried out in the Millennial Kingdom

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Davidic : Mandate 1 : Redeemer (the Cross)	5 Mandates - God doing things that we cannot do for ourselves: Redeemer (Fulfilled at the Cross): I WILL be your Redeemer because you can't redeem yourself. Redeemer was the only 1 of 5 that was ever in doubt/in question. Would He be able to do that? Because He had to suffer on His own. Wasn't guaranteed. Because that got done, the provision for all these is now automatically made. There is now no way for Satan to thwart these other mandates of the Davidic covenant. Everything that needed to happen for His victory over Satan was accomplished on the Cross. What He needed to do to take possession of the heaven and earth from Satan. The following 4 hinge on this One - if this one failed at any part, none of the others could have come to pass because they stem directly out of the successful redemptive act of the Redeemer. If this One happens, the other 4 are guaranteed. The power to do the other 4 is vested in this One. When Jesus rose from the dead, one of the first things He said was 'all power is given unto Me in heaven and earth' (Mt 28:18). He is saying, everything We ever promised we are going to do, it's a done deal. Just waiting for the time, watching the clock. Give them redemption as a free gift of grace. All Israel will do is believe it. Ties to Psalm 1-41.
Commentary	Definition : Covenant : Davidic : Mandate 2 : Deliverer (Day of Wrath)	Deliverer (Tribulation/Day of Wrath): Delivers the remnant from the Antichrist in the middle of the week in the Day of Wrath. The Antichrist turns on an extermination policy to wipe them out completely and if God doesn't deliver them from that, THERE WOULD NO FLESH BE SAVED-Matthew 24:22. Wouldn't be anyone who would make it. I WILL be your Deliverer because if I don't deliver you you will never be delivered. During Daniel's 70th week, He will give/provide for them deliverance. Deliverer: Happens at the beginning of the tribulation (MM usually draws as a thunder cloud). Israel is under the hand of him that is stronger than Israel and they can't deliver themselves from that. If they haven't gone into the temple are participated in those animal sacrifices, they will be delivered from the affects of the tribulation.
Commentary	Definition : Covenant : Davidic : Mandate 3 : Avenger (Armegeddon or Great & Terrible Day of the Lord)	Avenger: Pay you back for all that you have done. The avenging takes place at the great and terrible Day of the Lord at His return, to avenge His Cause with Israel. When Jesus returns to function as Israel's Avenger at the Armegeddon campaign, that is not going to be the army of the believing remnant that God is helping to overthrow that God is helping to overthrow the Antichrist. It is not. The remnant doesn't even have an army, they are scattered everywhere being hidden in the Day of Wrath. When He returns and avenges His cause with Israel, no one will say it looks like a man did this. You will never mistake God's Jehovahness for something man does. It will obviously be Him. I WILL be your Avenger because you can't avenge. Avenge His cause with Israel. Will deliver Israel and do the avenging with His cause with Israel. When Jesus shows up. In the tribulation, they are still under the Gentile boot. They are sovereign right now because Israel's program is not in effect. Avenger: Happens at the Second Advent/Coming. When He returns to avenge His cause with Israel, He will put down His enemies. Avenger: When the Lord returns at the great and terrible day of the Lord or what we know as the battle of Armageddon and the blood flows to the horse's bridles of His enemies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Davidic : Mandate 4 : King (Millennial Kingdom)	King: As you get into the Millenial (1,000 year) Kingdom. When He sets up this Kingdom and gathers them in, it will not be mistaken for anything a man has done. I WILL be your King because you are not able. With the setup of the King. Happens in the Kingdom. King: Talk about the Messiah sitting on the throne of David and being King of kings and Lord of lords.
Commentary	Definition : Covenant : Davidic : Mandate 5 : Blesser (Millennial Kingdom)	Blesser: I WILL be your Blesser because you can't do it. There are some very particular blessings Israel will be a part of. Happens in the Kingdom. 4 & 5 happen at the same time. Blesser: And His blessings. God to going to produce a blessing to the whole world through the nation of Israel.
Commentary	Definition : Covenant : Old Covenant	Old Covenant or the Law of Moses: Covenants for spiritual fitness. Covenanted for a man to produce his own justification and sanctification by performing under the law. To make them spiritually fit. If they could have kept it, they would have been. Two components of spiritual fitness: 1. Righteousness - Justification 2. Holiness - Sanctification The law is a covenant for the choice - either let Me give it to you by grace OR you can produce it on your own by keeping the law. The law was a covenant to produce spiritual fitness (their own justification and their own sanctification). Why the law was a death sentence for someone. Can't do either one of these because the law gets its power from the flesh and the flesh is weak. The Old Covenant (The Law) covenanted for a man to produce His own Spiritual Fitness under a performance system Old Covenant: Will end up making them just the opposite of what they intended: - Unrighteous - Unholy Can't produce their own justification and they can't produce their own sanctification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : New Covenant	New Covenant (Jeremiah 31:31-34): Given to Israel. Covenants only for spiritual fitness, The NC does NOT covenant for any land, king, throne, kingdom, or anything along those lines at all.. Provide for God to provide justification and sanctification and give it as a free gift by grace. According to the apostle Paul, we are beneficiaries of the New Covenant without actually being under that covenant - Palestian covenant - God can apply to whoever He wants to. Have to have it or we could never be dealt with as adopted sons and daughters. Neither could Israel. Because of the Palesinian covenant, God can say all these things given to Israel under the New covenant I AM going to apply to yall in the dispensation of grace. Old covenant and new covenant covenant for the same thing, but they don't. Covenant to produce spiritual fitness, only not by law but by grace. All spiritual - nothing to do with physical. Because if God doesn't give it to them by His Jehovahness and grace they will never get it. Mentioned in the O.T. (Jeremiah 31) and in the gospels (Jesus at the Last Supper takes the cup and says this is My Blood of the N.T.), all part of Israel's program. But it is perfectly right and perfectly natural for Paul to come along and say we are going to be benefiicaries of this. Made the New Covenant with Israel (Jeremiah 31:31-34). He didn't cut a covenant with us/didn't establish the covenant with the Body of Christ. Paul is going to show that we receive all the benefits of the new covenant as members of the church/the body of Christ. Great thing that we don't have to wait thousands of years to get our sanctification because they kicked that out when they chose the law, telling God to take His Jehovaness and grace and go sit down over there because we don't need it, we got this. This pushed their Sonship adoption off for millenia when that happened. The wonderful thing is, God didn't give us a choice. He said when you received My Son, I AM just going to give it to you by grace. If you are Paul and provoking Israel to jealousy, isn't it provoking to know that God wanted to do it with Israel back here and they still don't have it but with these Gentiles, God said I AM just going to give it to them. He would have given it to Israel. Wasn't like He withheld it. That was their deal. And He gives it to us. MM is sure this is one of the things that made Paul unpopular, especially with the Jews. We don't have to wait thousands of years, till we get taken captive and expelled out of our land, etc.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : New Covenant	Five spiritual things/components of the New Covenant that relate to your spiritual fitness - below are v33-34: Sanctification related-perfect santification: 1. PUT MY LAW (not the Mosaic law-NC wouldn't put you back under the law) IN THEIR INWARD PARTS, AND WRITE IT IN THEIR HEARTS (Jeremiah 31:33): Your Father will instruct you, not somebody else. - Heart Writing - Ties to THINKING like God - God takes what is on His Heart and writes it on your heart so you will begin to think like Him. 2. BE THEIR GOD (Jeremiah 31:33) - Ties to LIVING like God - How we conduct yourselves 3. KNOW THE LORD (Jeremiah 31:34) {ADOPTION/SONSHIP - they know Him-taught by God-intimacy of fellowship} - Ties to LABORING like God Justification related-perfect justification: 4. FORGIVE THEIR INIQUITY (Jeremiah 31:34) - forgiveness 5. REMEMBER THEIR SIN NO MORE (Jeremiah 31:34) - permanent At-one-ment Perfect Spiritual Fitness = Qualified to be Utilized By God - works this way in every program. New Covenant: Without being under the new covenant and not being Israel, you are now going to be a beneficiary of the elements of the New covenant. God has taken those things and given them to you by grace. Comes after the Palestinian covenant, is the one that says here are the things I WILL do to give you spiritual fitness. No material, physical things. Amazing that scholars all maintain that in the New Covenant is the promise for the Land.
Commentary	Definition : Covenant : New Covenant	There's no promise for the land, not even mentioned. It's only spiritual things. The ONLY thing that the New Covenant covenants for are SPIRITUAL THINGS (you can't see them or lay your hands on them) N.C.: Benefits are all spiritual, not physical at all. Have to have them to be utilized by your Father in any program. Made possible by Jesus as His function as Redeemer. The times of refreshing when their sins will be blotted out.
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	Five Aspects of Covenant/Five characteristics of a covenant relationship (marriage is a covenant): 1. Covenants are Initiated for **the Benefit of the Other Person** - Will be evidenced by a spirit of giving. EX the covenant between Johnathan and David-1 Samuel 18:1-4. The evidence of this covenant is giving. Enter the marriage covenant for the others benefit. When you get married, it is not for what you get out of it, but for what you can give the other person. 2. In Covenant Relationships, People Make **Unconditional Promises** (means doesn't matter what the other person does, they are going to follow through on their end of it) - Yes, sometimes God's covenants are conditional, but oftentimes they are unconditional. Yes, sometimes God's covenants are conditional, but oftentimes they are unconditional. When we got married, we exchanged vows promises of what we would do in our marriage - it is an unconditional covenant. In covenant relationships, people make unconditional promises. Yes, sometimes God's covenants are conditional, but oftentimes they are unconditional. 'Sickness and in health, etc.' are not the kind of promises we are talking about here. After we have entered into the marriage, we may find it necessary to make additional promises. Not making willy-nilly promises every time you turn around. And if you do, these promises need to be unconditional.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	Promises: (1) to stabilize the marriage: When unforeseen and unsettling circumstances threaten the marriage, promises may help stabilize it. EX Financial or health situation makes someone uncertain, the other person can promise that this will not affect our relationship. Making this commitment means you have to follow through on it. (2) to repair the marriage: When, through the actions of one or both spouses, the marriage relationship has been significantly damaged, it may be necessary to make promises in order for the marriage to continue. Don't take these types of promises lightly. (3) to enhance an already good marriage: We are talking about promises regarding the spiritual aspects of the marriage. MM likes this idea. Challenge: next 3 days, when you have a negative thought about your spouse, turn it around with a positive thought. Then tell your spouse this positive thought. 'Praise:Criticism' ratio of 10:1 for your kids. Needs to be about character or real things.
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	(4) Promises should be unconditional so that they are in keeping with the unconditional nature of the marriage covenant. The marriage covenant is unconditional. Promise should be kept because it is not dependent on the other person/doesn't matter what the other person does, on the passage of time, or a change in circumstances. I will follow through no matter how hard it may be. Here is the principle: When a covenant is unconditional, then the promises within that covenant must also be unconditional. Just as important as the promise we make, is our motivation for making the promise. If our motivation is not for godly reasons, we are setting ourselves up to fail. Our motivation for making these promises must be godly. In other words, the promises we make within our marriage should come from our love for God or our spouse. The best promises are spiritual in nature. In other words, they are promises which promote the covenant (of our marriage), and accomplish God’s purposes for marriage. No spouse should ask the other to make these kinds of promises; this must come from the heart of the one making the promise. Have to stay in your lane. Covenant marriages are characterized by both spouses making unconditional promises. Don't make promises lightly or emotionally.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	(5) Promises are motivated by godly love. Not talking about an emotional attachment or a love that you can choose to do. Just as important as what we do is why we do it. - MM says nobody should ask the other person to make these kinds of promises. These need to come out of the heart of the one that's making the promise. Everybody has to kind of stay in their land when it comes to that. And you shouldn't make those promises lightly or emotionally, they ought to be made after careful consideration and a lot of prayer. If you make a promise lightly and not carry through with it you will be worse off than you were before. 3. Covenant Relationships are **Based on Steadfast Love** - Steadfast love is not romantic love. This is something deeper. Steadfast love is godly love rooted in the doctrine in your inner man that does not change through time, or circumstances. Any emotional love we feel for our spouse should stem out of our steadfast love; godly love and charity. The kind of love Paul is talking about does not change because it is not dependent upon the other person or the actions of the other person. It does not change because it is rooted in what the doctrine has produced in us, and not what we feel because of outward circumstances.
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	- Tip: Really get to know who your wife is. Find out what her hopes and fears are, who her best friends are, and what things she most enjoys doing. Ask open ended questions that will encourage her to talk. What is she most pleased with in her life? Where does she see herself going in the next couple of years? What are her greatest difficulties? These are the kinds of questions that will let her open up so you can really see her, see who she is. Be a good listener which means you don't debate with her about her answers, or condemn her for being honest. Learn to listen. Don't be too quick to jump in with advice, just listen. If you hear something you don't agree with, keep it to yourself, and that includes the look on your face. Be the best friend she has in the world. Tell her what you admire about her. Tell her why you love her, assuming you do. Express sincere gratitude for the things she does. Praise her for positive character traits.
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	4. Covenant Relationships **View Commitments as Permanent** - The Biblical ideal is one man and one woman married for life. As Christians, we don't want to lower this ideal. But, at the same time, we recognize there are times when that is not possible. God does not abandon us when we are contrary to Him, but He works to bring us back, so much so that He sent His Son to die for our sins on the Cross. God made a great sacrifice to offer us reconciliation. God did not wait for us to make the first move, He made the first move. MM says this is a high bar. There are times when this is not possible, but the bar needs to be high. The answer is not lower the bar, the answer is to raise ourselves. 5. Covenant Relationships **Require Godly Confrontation and Forgiveness** - Confrontation (don't think of this in a bad way, not harsh or ugly) means holding the other person responsible for their actions. Confrontation is communicating your sense of being wronged and the resulting pain or hurt, while giving your spouse the opportunity to clarify their actions. That means we either explain the misunderstanding or we acknowledge when we were wrong and ask for forgiveness. When a covenant relationship is not working right, there has to be a godly confrontation and forgiveness because neither spouse is always going to get it right. The obligation of the other spouse is to forgive them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Covenant : Five Aspects / Characteristics of Covenant relationship	- Forgiving means a willingness to lift the penalty and continue a loving and growing relationship. - God's response to mankind has always been confrontation with a willingness to forgive. This is the way God deals with us. Ignoring the failures of your spouse is not the road to marital bliss. A covenant marriage is not about "grin and bear it." A covenant marriage means we have a willingness to forgive, but it also means that the other person is responsible for their actions. But you are responsible for your actions. Clarify the wrong and give them a chance to admit fault and ask for forgiveness. You can be godly when you are tired like you can when you are not tired. Take it as an opportunity to try and do a better job of living the doctrine.
Commentary	Definition : Covenant : Unconditional	Unconditional covenant means it is going to be filled by His Jehovahness and grace.
Commentary	Definition : Covetousness	To place your affections on things or people instead of on God. Anything that you desire greater than you desire God. AKA Idolatry.
Commentary	Definition : (Whole) Creation	CREATION: Two things constitute it (Genesis 1:1): 1. (second) Heaven (the creature) 2. Earth People say the earth is not in the middle. MM says he doesn't see how you would know that unless you were on the outside looking in. Stand out there without seeing a map and tell him you are in the middle of Texas. Only way is see it on a map or see it from the outside. Everything out there is the body, that's the creature. When the Father sets up His Throne on the earth, that will be the soul and spirit of the Creature. Will be carrying out our Father's will out in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : (Whole) Creation Evidence	MM says there are a lot of geo-clocks in the creation that don't point to the multiplied millions of years that evolutionists that when evolutionists claim as fact. - Whenever NASA was going to send a man to the moon, they knew that interstellar dust is settling on the moon at a measureable rate. So they were looking back and saying if the moon has been there for all of these eons they they claim, then there could be 12-15 feet of interstellar dust and when the shuttle touched down it could be buried under 12-15 feet of interstellar dust. If a guy gets out of there and steps off, he may just sink to the bottom. Not in the main recording, but when he stepped onto the lunar surface, it was solid. It was only about a quarter inch of interstellar dust. - The sun is burning away at a measureable rate. That's the way physics works - something can't burn in and of itself without diminishing. All that energy is transformed into other forms. If you take the solar system back for the the time evolutionists claim it was there, the first 4 planets would be orbiting inside the sun. The gravitational pull of a sun that big would have stucked them in. - Polystrate fossils - they use this circular reasoning. They dig down and say OK, we're in this cretaceous limestone. These bones we are finding - they're (guessing) 200 million years old. How do you know? Because we found them in this strata. How do you know the strata is that old? Because of the bones we found in it. MM says that's called circular reasoning. None of that proves anything. You have to assume one to get the other and whichever one you ask about, they just base it on the other. It makes no sense.
Commentary	Definition : (Whole) Creation Evidence	- Polystrate fossils - You have all these layers - mesozoic, musczoic?. paleozoic, cretaceous, etc. You find a tree petrified and preserved in several of these layers that are supposed to be so far apart. It's not like they found one, they find them all over the world. Find a single fossil that transcends several of these layers. - First I was a tadpole swimming in the sea, then I was a monkey climbing in a tree, and now I'm a doctor with a PhD. - What is strange is there are no transitional fossils, no transitional species. - MM says the Puluxy River bed had tracks of dinosaurs and humans and GH: they were destroyed. Reason - men love darkness. When a man talks about the 'fact' of evolution when there is a Biblical account of creation written in this Book, he has bought into the untruth and rejected the LIGHT. People get in situations and compromise and say well, God created but used evolution to do it. That's called theistic evolution but your Bible doesn't teach that. In 6 days He created the heaven and the earth and all that is in them is. That's what it teaches and He is not going to kowtow to a bunch of folks that are immersed in the WoD because they are going to paint him as a nut job. They will do that anyway.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature	CREATURE: Second heaven. Is ALL of or everything IN creation, minus the earth. Contains the heavenly places. Bible doesn't use the term universe or outer space. Is massive/enormous. Two ways to view - it's BOTH at the exact same time: 1. As a creature, a living organism, or a body that does something. 2. As a physical building or an ediface or an architectural structure. MM says it's both. As educated sons, you will sit in that building and run God's Business. You'd never know that the heavenly places (outer space) are this creature unless God told you about it in His word! Creature: Everything made in that creation week minus the earth. The creature is different than the creation. Creature: As we view “outer space” today, in view of what God did at the judgment of the flood of Noah’s day (GH: God released a barrier of water in the heavenly places to cause the flood?), coupled with the issue of God subjecting the creature to vanity (which happened way back when sin entered that realm and it became the usurped possession of the Adversary), there is no physical evidence that the creature even exists.
Commentary	Definition : Creature	Creature has a soul: 3 components: 1. Mind: has expection 2. Will: unwillingly 3. Emotion: groaneth and travaileth CREATURE: What God calls the universe. He is not just making up a term. Term is actually telling you something. If God uses us or Israel or both to reconcile the earth back to Himself and He has no other means to reconcile the rest of the creature, the Adversary still owns most of the creature and you have robbed God of what He is doing in this age. Two ways to define CREATURE. Both are right and need to include both into your thinking. 1. Reference to Satan. He is a creature and in the creature. 2. Above both? Wait till Romans 8. The things God we'll be building in the new heavens and new earth will be in the perfect pattern of the way He has been building things all along (EX 3 stories). Satan and his minions control that out there now. Lucifer at one time had a place of authority up there in the 3rd Heaven, he won't hold any place in that which is to come. MM thinks the apostle Paul will take Lucifer's spot.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature	Look up in the sky and see points of light in darkness because of 2 things: 1. The scientific laws with atmosphere and all of that kind of business - laws are in place because you are supposed to look at and realize that's the perfect picture of the spiritual condition, that Satan has turned the creature into darkness and you are living in a universe of darkness. In the fulness of times, no one will ever look up and see it that way anymore. 2. Sun is doing more today than God intended it to do. Gives us light, heat, the seasons - depend on it most as a light source. God never intended for this to be the thing. It doesn't look like it has life in it. That's because you're going to restore it. That creature is going to look very different once we get out there and it is going to act differently. Before the mystery was revealed to the Creature, it would be like a man, in a hopeless and irreversible situation, sunken into despair. But what must have been the change when the mystery was revealed. When the manifold wisdom of God was put on display, God makes the entire creation to take notice! Even the creature was able to comprehend that there was a day of deliverance from its predicament. It understands the plan of God better than most preachers do. That can't be observed at all, and no one would ever know that the heavenly places (outer space) are this creature unless God tells you about it in His word. When God made the creature subject to vanity, that means that anything by which it could give evidence of that creature being functionally alive, is now being restrained from being given.
Commentary	Definition : Creature : Constellations	Zodiac: the constellations as they lie in the ecliptic. Imagine painting the constellations on the inside of an umbrella. Rotate, draw a line in the middle. As the night goes on, some are below the horizon and some of above the horizon. Winter (Orion) and summer constellations. Virgo: pointing at something. When you see Virgo, that is the beginning of everything in your Bible pictured in the Heavens. Because when you start with Christ, He comes into this world born of a virgin and that's what Virgo (Virgin). It is surrounded by other constellations and what you have is the title of that constellation and the stars that are named in that constellation. God made and named those stars. People say talking about Mary. MM says Virgo and the other constellations are not talking about the woman, they are talking about the Child in her lap. 'Gospel in the Stars' Libra Scorpio Sagittarius (12 o'clock) work your way around...

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	Leo (last one before Virgo - lion - Lion of the tribe of Judah - constellation of the King) Every constellation has decans (major constellation with minor constellations around it). You have the entire story of your Bible painted up there in those constellations. Orion: Has 2 first magnitude stars - almost everybody sees it. Has 78 stars. The Akkadian name Ur-ana means 'the light of Heaven'. Denderah zodiac has the name Ha-ga-t, meaning 'this is he who triumphs'. NOTE: Denderah zodiac from a Temple in Egypt. There was a break between Leo and Virgo. They understood there was a beginning and ending to that story. Started with the Virgin and ended with the King. Left foot is on the head of the enemy (the serpent). Left foot is on the head of the constellation serpent. The bright star that marks the foot is called Rigel = The Foot that Crushes. The star of the other foot is Saiph = Bruised. Have Genesis 3:15 in these 2 stars. Bruised is at the Cross. The Foot that Crushes is when He eliminates the adversary and his plan of evil. Bright star on the shoulder of the Prince is Betelgeuse (Beetlejuice) = The Coming of the Branch (Jeremiah 33:15; Jeremiah 23:5). Other shoulder is Bellatrix - Swiftly Destroying = Going to have to destroy His enemies before He takes over as King - SUDDEN DESTRUCTION-1 Thessalonians 5:2-3.
Commentary	Definition : Creature : Constellations	When you look up, you will see more than constellations. The whole history is laid out in the heavens. Because of the Babylonian astrologers and the Greek myths, the constellations get perverted. New star charts will say Hercules in the heavens. They changed the name of the constellations but didn't change the names of the stars. They all have the same constellations. They all have the same stars. They all have the same definition for the star names. So while they may have changed the constellation name to Hercules, they didn't change the star name that said the Coming of the Branch. Says that in every star chart in the world. They could change the constellation to Mickey Mouse but when you look at the star names they all point to Christ. No deviation among any of them. Tells you there was a common understanding from which all of this came. Not every star and constellation are mentioned in your Bible but the ones are are mentioned for a reason. You are supposed to not only know where they are, but you are supposed to know what's going on there, and that's why they were the ones that got mentioned. And you are going to know what you're going to do. It's great to know the story in the stars but that won't help you do what you've got to do up there. Because something is wrong with what is up there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	You are going to fix it. That's your workplace. Will look at places and know whats wrong, what needs to be fixed, and how to fix it. Say this to your neighbor who knows nothing about Sonship and they will think you are a fruitcake. Now, you are looking out there, and you are seeing a lot of things but not really seeing it (GH: the creature?). There is water up there like a MOLTEN LOOKING GLASS-Job 37:18 (prevents you from seeing into the third Heaven) that acts as a mirror and when you are looking at the stars, you're not just looking at the star, you are getting a reflection off of that thing. You are seeing a star but also a reflection of a star. Put mirrors up in a room to make it look bigger. if you have mirrors in front and back of you, you see yourself from behind and in front and it keeps getting smaller and smaller. Universe may look like it goes on forever, but this thing is inside a mirror. Saints who have fallen asleep are in the third Heaven today and waiting for something that was promised to them as an adopted son and that is the glorified body (completes the adoption). At the Blessed Hope, the bodies in the casket, is going to get reassembled into a glorified body, soul and spirit is going to get reunited with that body. Then, go to the judgment seat of Christ, and receive their position in the heavenly places. Once that is received, not going back to the third Heaven, going into the second Heaven. The creature is everything God created in that creation week MINUS the earth. WHOLE CREATION: Heaven and the earth
Commentary	Definition : Creature : Constellations	From this perspective, when you are on this planet and you look up, you see the constellations mentioned in your Bible - see Orion, crooked serpent, Pleiades. But if you are somewhere else in the galaxy, you don't see those at all. Those stars are not situated the same distance from earth. Think 3-dimensionally. These were meant to be viewed from this planet. Orion is a winter constellation. Out in the day time during the summer. MM's job is to point you at verses of scripture that allows you to see things you can't presently see with your physical eyes, to understand it in your mind and believe the scriptures concerning that thing. You know those principalities and powers are in the heavenly places and if you could travel out past the barrier between what God has sectioned off for us and where they are, you would see those principalities and powers, would see those strongholds, and if you could get in those stongholds, you'd see those thrones set up in there. They are not just floating around out there in space. Right now, so far away, you can't see it. Go out at night and look through a telescope, you just see light. That is all that you see. Move it off from the star, and you see total darkness. If a star a 1,000x bigger than our sun looks like a spec, can you imagine what an angel looks like? But they are up there and those strongholds are up there and you have to start thinking with that in mind because you, right here and now, will actually have the ability to make an impact on them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	Earth: The Body of Jesus is seated as the Head of the body of Christ. The Father and Spirit are going to be on earth. Jesus said if you have seen Me, you have seen the Father. He is the phyiscal representation. - Tri-Part Being - Father, Son, and Spirit - You are a tri-part being - body, soul, and spirit - Jesus is the physical manifestation of God - He represents the Body - IF YOU HAVE SEEN ME, YOU HAVE SEEN THE FATHER Soul is the Father. Spirit is the Spirit. Those 3 things constitute the whole creature. The creature not only has to be able to respond to its own body and to the other parts of its body, it has to be able to respond to the soul and spirit as well. As you get ready to do this and you watch this creature really begin to function, you are the life of the creature. You are not only going to deliver it from the bondage of corruption, but you're the central nervous system for the creature. You are what is going to make it all work.
Commentary	Definition : Creature : Constellations	Think about the chemical and electrical messages it takes to run your body. Now, think about the messages it will take to run the creature. Imagine what it will take to get the creature functioning the way it is supposed to. How big is this creature? And guess what? You are going to run it. Communication from one end of the creature to another is going to be almost instantaneous among members of the body of Christ. Now, if that is going on in your body, can you imagine what it is going to take to run the body of the creature in eternity? Can you imagine the network of activity and communication that will be necessary to bring the creature to fullness of function? MM jokes we will never get any time off/vacation. Maybe the creature sleeps. When you are asleep, something is still running your heart and your liver is still working. Think of the creature cut into a 24 slice pie because you are going to end up in one of those slices. Will occupy a position of authority that looks something like this: Principality, Power, Throne, Might, Dominions (GH: old priority list). Scientists think the universe is expanding, why they think big bang. MM thinks it is still expanding from when God stretched out the heavens like a curtain.
Commentary	Definition : Creature is functionally dead	The creature is not functioning properly today in two aspects: 1. Observable 2. Not observable Never know about it unless God told you about it. Tells you because you are the ones who are going to restore it. Imagine if your body was cut off from your soul and spirit? That's where the creature finds itself. It doesn't look like it is living and moving. Looks like it's on life support. Think about what we are called - there is purpose behind these phrases - all are descriptive phrases that fit perfectly with the creature: o The church, the body of Christ o The new creature o The one new man We are all members of one body and one creature and when we get in it, we're the one new man. Then we're the new creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : 'Building' Metaphor	In the creature, this organized administration consists of principalities, powers, thrones, mights, dominions, etc. This kind of governmental breakdown breaks up the heavenly places into a territorial structure. It really is a government. But it is much more than that, so don't get to thinking that all there is to this is you filling a position in God's government. Creature is also a building - God talks about laying a foundation, about fastening things up - He uses building terminology to describe what we call the universe. God never called it the universe. He uses very precise terms. We're the ones that got off-track. We talk about outer space. God never talks about that. He talks about the creature. He talks about a building. Bible does not use the word universe or outer space. It talks about it as a creature or as a structure or building. First way you are talked about that as a creature and there is a reason you are taught that first. **Congress - Creature analogy - it's both at the exact same time:** **- Think of as a physical building** **- Think of as members** **- Are in that building to carry on what they are doing**
Commentary	Definition : Creature : 'Living Organism' Metaphor	The creature is a living organism and we are going to bring functional life to that living organism. Really is a living creature: - It may not properly function, - it may be subjected to vanity, - it may be paralyzed, - it may not be able to respond to the rest of its parts or the earth, - but it is a living creature. The creature is aware of the mystery! How aware is it? It is aware enough to know who is going to deliver it – the sons of God. - It even knows these are "adopted sons." - The creature even knows when that deliverance will take place; when those sons are "manifested."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	ORION (Job 9:9; Job 38:31; Amos 5:8): See shoulders, knees, and belt with a sword hanging off the belt. Has 2 stars that are first magnitude stars that are some of the brightest stars in the northern hemisphere sky 1.Rigel (between sun and Betelgeuse but it is blue-white[=very bight light] hot) - at the bottom right and 2. Betelgeuse (reddish monster at the top left that makes our sun look like a shelled pea in comparison. - Middle star in Orion's belt is actually called the horsehead nebula with billions of stars packed together - so far away with unaided eye just looks like a single star. Brilliant hues of colors that are amazing to look at. HE HATH GARNISED THE HEAVENS-Job 26:13 with these. A nebula is billions of stars all put together - reddish color. In pictures, it looks like a horse's head. - Horsehead nebula (GH: looks like the left most star of the belt and below Betelgeuse) - Great Bay Nebula of Orion: GH: Same as the horse head nebula. - M42 is easily visible to the naked eye as the “fuzzy” star in the middle of Orion’s sword. - (Compared to Pleiades) Orion has stars that are not flying in concert with each other. MM says everything (GH: in the universe) is moving. MM is not saying that there aren't spots on earth that are beautiful, but where you are going to be in the heavenly places will be breath taking.
Commentary	Definition : Creature : Constellations	PLEIADES (Job 9:9; Job 38:31): Commonly referred to as the Seven Sisters or M45 - is the name of an open cluster in the constellation of Taurus. - Seven Sisters (and 2 parents-not part of Pleiades) myth. All of the truth of the Bible has been covered over by men's myths (EX Hercules). - Discovered those 7 stars turned out to be 250 stars. Per the US Naval Observatory, all 250 stars are moving in the same direction at the same rate without breaking their formation, flying through the universe like a flock of birds that know where they are going. MM asks would you like to know where they are going? This is entirely unlike other constellations whose stars are moving in different directions and are far apart, only appearing to be together in a single group. Saved Christian scholars who are trying to defend the Bible (MM says he appreciates them) saying: - the Orion stars are all moving away from each other - LOOSE THE BANDS OF ORION-Job 38:31 - and will one day no longer appear as a constellation. - BINDING THE SWEET INFLUENCE OF PLAIDES-Job 38:31 as though it is bound together and all moves in concert. MM understands what they are saying but that is not what that is talking about. They are saying 1 is flying apart and 1 is staying together. You would have to have a telescope to tell you that. Anything God's going to tell you in His word you don't need a GH: scientific, modern device to understand it. Know what that is with His word. MM says if he didn't know about Sonship, what he just explained sounds like a pretty good explanation. With Sonship, you know Orion and Pleiades, but you have a context there of ordinances and how it connects to the earth and now you understand God's really talking about something totally different.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	ARCTURUS (Job 9:9; Job 38:32): Right by Arcturus is the tail of the serpent to the left. Arcturus dwarfs our sun and Betelgeuse dwarfs Arcturus. Another star dwarfs Betelgeuse. There are some huge, huge stars. When you see Arcturus, which is the brightest star in the constellation Bootes, you will notice that Arcturus is the brightest star of all, located next to…guess what constellation? The Serpent! Arcturus is visible from both hemispheres in the sky, as it is located less than 20 degrees north of the celestial equator. The star culminates at midnight on about the 30th April, being visible during the northern spring or the southern autumn. From the northern hemisphere, an easy way to find Arcturus is to follow the arc of the handle of the Big Dipper. By continuing in this path, one can find Spica, "Arc to Arcturus, then spike to Spica." Our sun travels at 12.5 miles per second. Arcturus travels at 257 miles per second. CANST THOU GUIDE ARCTURUS WITH HIS SONS-Job 38:32. It is one of the fastest moving stars that we know of. Think then of the prodigious momentum this motion implies.
Commentary	Definition : Creature : Constellations	Hydra/CROOKED SERPENT (Job 26:13; Isaiah 27:1?) is the largest constellation in the Heavens. Takes up an enormous part of the heavens. MM believes the strongholds that Satan has built had been given to you as the major places in the constellation of the Serpent and he built those strongholds not just arbitrarily out there but he has built them a critical, crucial places in the creature where he and his minions can protect and defend a part of this creature that is necessary to have control of it. MM is not pretending to know everything there is to know here about that. He has a long ways to go. As MM sees the serpent - God formed the serpent. He set that constellation which means that He is showing you something about these places up there in the heavens. Those are critical places to take control of while we dismantle what Satan has put into place up there. Hydra doesn't have a lot of bright stars. Not a single first magnitude star in it. Those stars are a long way off and there's a place up there and there's something else. When you are yanked out at the Blessed Hope and go to the Judgment Seat of Christ, you are going to pass right through this area on one of those ways and paths. He has stretched out to take control of a huge block of the heavens and you are going to have to pass right through there to get to the third heaven. There is a danger that is present there. Most heavily fortified of everything in the creature. Hydra is the largest and longest constellation in the sky. It stretches fully one quarter of the way around the horizon. You not only have to know where you are going but you have to be able to get there. God in His manifold Wisdom has provided for us a glorified body that is able to make the trip from here to there in a snap of your fingers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature : Constellations	Pyramid in Giza: - Sphinx: Say it is a body of a lion and head of a man. Some scholars today say it is not the head of a man, it's the face of a woman. The nose is missing off of it and other things and it has that Egyptian type head covering so it is hard to tell. MM tends to go with the head of a woman - with the woman and the lion, you have the Virgin birth (Virgo) 'beginning' and the Lion of the tribe of Judah (Leo) 'end' - sees the beginning and the end of the Zodiac. Whole story lies between those 2 - from the time He was born of a Virgin into this world until He returns as King of kings. It's all in those 12 constellations. - 3 pyramids - great pyramid in the middle - are in perfect alignment with the stars of the belt of Orion It is also interesting to note that all the pyramids are lined up on the same latitudinal line on a map of the earth. Pyramids at the same arc all the way around the earth. Some are built on islands. - Alcyone comes into direct alignment over the Chichen Itza, Pyramid -Temple of Kukulcan (Quetzalcoatl) in central Mexico. This is the Mayan Indian Pyramid that was built over 1000 years ago facing westward in direct alignment with the Pleiades central Sun, Alcyone. Very eroded over time. - Great pyramid is huge and it is the most correctly oriented to the compass building of its size that has ever been erected on the planet. Even today with our technology, we can't build a building that big and orient it to that way. Wackos in our society would say our sky brothers came down and built all this and planted life on this planet. Just evolutionists wrapped up in a new wrapper. - Temple of Din Dero - reconstructed in the British Museum on London. On the floor they have all 12 constellation going along and they have a break between Virgo and Leo. Exactly the way it happens in the Bible.
Commentary	Definition : Creature Dimensions	UNIVERSE/SOLAR SYSTEM/SECOND HEAVEN?: - MM talking about Light years. Sun 93 million miles away and light gets here in 8.5 minutes. Things have to be fast because the universe is big. - Alpha Centari - closest star to us is 4.3 light years (186,000 miles/sec) - it sits on the edge of the Milky Way galaxy. There's a lot of space betweeen us and our nearest neighbor. This is the space between 2 stars in the crowded area. More space between galaxies than the galaxies themselves. - almost 1,000 years later, we come to star number 2, in a galaxy that has billions of stars - Travel 4 billion years at the speed of light, will look back and say, there's the Milky Way galaxy We are in the tail end of the S-shaped galaxy called the Milky Way. As you look up through it, it is that hazy band that goes across the sky- the densest part of our galaxy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Creature Dimensions	The Milky Way galaxy is 100,000 light years across. Light travels at 186,000 miles/second. - Then you have lots of blank space before you get to the next star in the next galaxy. The distances between the galaxies is bigger than the galaxies themselves. - MM says he wants to do a bare bones on the edge of the deep that stands at the edge of the universe that separates off the third heaven. - Andromeda is a big galaxy that is 4 billion light years across. MM jokes pack a lunch. - We are going to labor up there because things are going on all over the universe. - Forever is a long time and this Kingdom is going to increase through all eternity. MM talks about Hubble telescope pictures - not just bright white lights but bright reds and bright blues & purples and oranges and greens. Our sun is yellow. There are some that are red. There are some that are blue-white. Measure of the amount of heat produced. Blue-white is hotter than the yelllow.
Commentary	Definition : Creature : GH: Godly Thinking	When you look up at the stars at night: - is a living creature - Look up at the sky and see a single body made up of a lot of parts like you look at a person. See it as the whole collective. - which was previously caught in what appeared to be a hopeless situation - but which came to understand the mystery - and thereby understands that its deliverance is in your hands - that it knows who you are (a sons of God) - and it has serious and deep expectations of you - and in the meantime, it is waiting for YOU!
Commentary	Definition : Creature : GH: Godly Thinking	As an adopted son of your heavenly Father: - have a future inheritance in that creature - also have an opportunity to administrate that creature - will restore life and function back to the creature - That this creature is “core” to your Father’s Business and to your part in that business - And since this is going to be your vocation for eternity, your Sonship education is of paramount importance
Commentary	Definition : Cycle Pattern OR Return for Detail (RFD)	Where God tells you something and then comes back later and adds more detail and then comes back later and adds more detail.
Commentary	Definition : Darkness	Blatant evil - The DARKNESS is the untruth that Satan is using to replace the Truth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Day of Christ	Paul is the only Bible author that uses this term. Several derivatives like THE DAY OF JESUS CHRIST. Day of Christ has derivatives/variations (day of Jesus Christ, day of the Lord Jesus, the day of our Lord Jesus Christ) 1. None of the variations are meant to be understood as being the same as "the Day of the Lord" 2. All of them are meant to be understood as the day of Christ 3. All of them are referring to the same period of time Should be looking forward to the day of Christ just as much as the Blessed Hope. This is when you get installed in your position in the heavenly places and you labor with the Lord in THE AGES TO COME. The DAY OF CHRIST begins when two things take place: 1. Satan and his angels have been cast out of heaven. 2. The members of the body of Christ, (having been through the JSoC and fully confirmed) are installed in their positions in the HP, establishing the fulness of Christ in the heavenly places.
Commentary	Definition : Day of Christ	The DAY OF CHRIST is the time when Christ has: - Repossessed the Heavenly Places, and - Installed the members of His body into their respective positions of authority, - So that they might labor with Him in the achievement of God's eternal purpose (that He might gather into one, all things in heaven, and all things in earth, even in Him.) The day of Christ is establishing His reign and His authority in the heavenly places.
Commentary	Defintion : Deaconess	Per Albert Barnes, The reasons given for their appointment are: (1) The females were usually separate from the men. They were kept secluded, for the most part, and not permitted to mingle in society with men, as is the custom now. (2) It became necessary, therefore, to appoint aged and experienced females to instruct the young, to visit the sick, to provide for them, and to perform for them the services which male deacons performed for the whole church. It is evident, however, that they were confined to these offices, and that they were never regarded as an order of ministers, or suffered to preach to congregations, 1Ti 2:12; 1Co 14:34.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Defintion : Death	DEATH: Is a separation. Everyone lives forever, it is just a matter of where. If God considers something as death, He doesn't want that around Him. (GH: Because God is LIFE.) ETERNAL: Separation from the heavenly places and the lake of fire. FUNCTIONAL: Separation from your sanctified life. Is a separaration. When your soul and spirit leave your body, your body will be dead. It is a permanent, irreversible condition. Think of a separation. In addition to our own weakness, sinfulness and rebellion; in addition to the world, our flesh and the adversary; in spite of our experience and our sufferings, the last enemy is death. Death overcomes all men; none can escape it. But, because of the resurrection of Christ, and the power that produced it, we can have absolute confidence that nothing can prevent us from carrying out God's purpose with respect to us. No power can withstand Him and His power. All have been defeated and the resurrection is the proof of it. God, who is working in us, will keep us while we are still here and make us fit for our future indescribable glory. It is He who is doing so, not us ourselves.
Commentary	Defintion : Death : Physical death (saved)	Separation of our soul and spirit from our fleshly body.
Commentary	Defintion : Death : Physical death (unsaved)	Separation of the soul and spirit from the fleshly body and the separation of the soul and spirit (with the soul going to hell and the spirit returning to God who gave it (Ecclesiastes 12:7)). Same except where it goes.
Commentary	Defintion : Death : Spiritual death	The separated condition of the soul and spirit from God - Ephesians 2:1. Adam and Eve in the Garden died spiritually.
Commentary	Defintion : Death : Second death	Eternal and irreversible separation from God - Revelation 20:14
Commentary	Defintion : Death : Positional death	Separated from our in-Adam identity - Romans 6:3; 1 Corinthians 12:13. Everyone who has trusted Jesus Christ as your Savior has had a positional death, meaning you are now dead to who your were in Adam. How? The Bible says you were crucified with Christ. You didn't die physically, you died to who you were before.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Defintion : Death : Functional death	This is for a person who is saved. They are justified unto eternal life and sanctified unto functional life. When a person tries to live for God by putting themselves under the law they have put their functional life to death. Killed their functional life. Only way you can do that is by grace. FOR TO BE CARNALLY MINDED IS DEATH-Romans 8:6.
Commentary	Defintion : Death : Dead to sin (saved)	Separated from our old relationship to sin - Romans 6:2, Romans 6:11
Commentary	Definition : Deception	People who are self deceived are the hardest to help. They do not believe they are deceived and therefore they don't have a problem. We are self deceived when we believe we are someone other than who we really are. This is why our identity in Christ is so important. There are many evidences of self deception, but perhaps one of the greatest is to think we will face no consequences for our behavior.
Commentary	Definition : Deity	Comes from the Latin word for God, "deus".
Commentary	Definition : Delivered	DELIVERED: Saved - root word of delivered - to run to a person's assistance in the moment of difficulty to save and make safe. Because there is a real, personal, imminent danger with the utilization of the law in our sanctified life. He delivered us from the fruit unto death, that is the only think the law could produce. He is making it so we can truly have a sanctified life. George Crabbe: Deliver carries the idea of "to take and save, to keep from evil." "A person is delivered from the hands of an enemy by force or stratagem." Deliverance involves a "taking."
Commentary	Definition : Demon	MM says the Bible never uses the word 'demon' or 'demon possessed', it's for a purpose. The Bible is very precise. These are not poetic, there's real meaning behind these word choices. Phrase POSSESSED OF DEVILS is also referred to as UNCLEAN SPIRITS. These are synonymous. MM says don't think DEVILS and 'demon' are interchangeable or you are going to lose an important truth about what Satan is doing here. You don't want to read POSSESSED OF DEVILS and think 'demon possessed'. You would think of a demon as some sort of a spirit, supernatural being. Debate on where the devils come from. Some thought that the devils were fallen angels. Some thought the devils were the spirits of those Nephilim who were killed in the time of the Flood. Some taught devils were a different creation that actually joined Lucifer's rebellion. All of these point to devils being some form of demon. MM says he doesn't believe what the Bible is teaching us. The Bible always says POSSESSED OF DEVILS not 'possessed by devils'. It never talks about being 'possessed by devils'. You are not possessed of a car. It does not possess you. You possess a car. Being possessed of something is different than being possessed by something. When you ask 'can a Christian be demon possessed?', MM says that's the wrong question because you've used a term now that makes you think about something different than it actually is. Stop thinking about that, they are called devils for a reason. Every name has meaning behind it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Demon	OED: Demons 1) A supernatural being of a nature intermediate between that of gods and men. 2) Evil or unclean spirits by which demoniacs were possessed or actuated 3) A malignant being of super human nature The Bible doesn't use the word DEMON. People use the term 'demon-possessed' but the Bible doesn't say it that way. Doesn't even say 'devil possessed'. The Bible says they are 'possessed OF devils'. Different from being possessed by devils.
Commentary	Definition : Denomination : Lordship Salvation	Is the idea that you cannot be saved until you make Jesus the Lord of your life. MM says this is an inaccurate portrayal of the gospel. Incorrect because: 1. Faith in the finished work of Christ - saving faith - is not about you making Him Lord or anything else because faith in the finished work of Christ is an issue of your justification/eternal life. When you are talking about making Jesus the Lord of your life and living in a way that's pleasing to Him, you are no longer talking about your eternal life of your salvation. Making Jesus Lord of your life and living for God on a daily basis is the subject of your sanctification. These are two different things. One is about getting eternal life. One is about your functional life. One is about saving you in eternity. One is about living for God everyday. These are two separate issues and the Book of Romans separates them and talks about them differently because those are two different processes. You cannot look at your Bible and come up with a doctrine that says if you don't live out the the sanctification that was given to you as a free gift of grace when you trusted Jesus as your Savior, you can't be justified unto eternal life. You have just put the cart before the horse. The truth is, you can't make Jesus the Lord of your life until you get saved. You can't live out of your sanctification until you have been JUEL. They look at sanctification is something you are producing. MM says I'm sorry but you can't do anything to qualify yourself for salvation. You qualified by being a sinner. That was it. These same folks think sanctification is what your flesh does in trying to serve God.
Commentary	Definition : Denomination : Lordship Salvation	They can't separate that out because if they understood that was something God did for you and you are now learning to live out of what He gave you when you got saved, they would understand you can't do this (sanctification) before your get this (justification). There's not a condition. Lordship salvation puts a condition in coming to Christ, a condition that is impossible to accomplish biblically. You cannot make Jesus your Lord before He is your Savior. Why Romans 1-5 is all about justification. It's not till you get that nailed down that you get to sanctification in Romans 6-8. If you believed this, you would want to make Romans 6 be the start of the Book, do 6-8 and then 1-5. They use the verse WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED-Romans 10:13. MM says He is Lord whether you make Him or not. That's a title and you don't get to decide it if He has or not. MM references the verse where Peter at Pentecost said GOD HATH MADE THIS SAME JESUS WHOM YE CRUCIFIED, BOTH LORD AND CHRIST-Acts 2:36. He is the Lord. When he says calling on the Name of the Lord or believing on the Lord, he's not talking about you having to make Him Lord, he's telling you who He is. That's what that is. He is not giving you a condition to being saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Denomination : Marcionism	Marcion of Sinope held a number of errant views, such as the God of the Old Testament is not the same as the God of the New Testament; that these were two different Gods. Jesus was the Son of the New Testament God, but not of the Old Testament God. He also held that Jesus should not be seen as fulfilling the Old Testament Messianic prophecies. Marcion did, however, mark out the Old Testament as being radically different from Paul's epistles, and thought the Old Testament did not have authority over a Christian. But the point is that Marcionism did have a doctrine of baptizing for the dead and that is the earliest record we have of such a practice. Marcion would have been more than 100 years after Paul, so was this what Paul was talking about? Perhaps there was someone doing that back in Paul's day, but again we have no such record, unless you interpret 1 Corinthians 15:29 as referring to this. First instance of being baptized in water for the salvation of someone who is already dead.
Commentary	Definition : Denomination : Missionary Baptist	Doctrine of Baptist Perpetuity said the way you really got to be part of the body of Christ is by being water baptized.
Commentary	Definition : Denomination : LDS (Latter Day Saints)/Mormon	The practice was believed that if someone, who was a Mormon, died without receiving baptism during their lifetime, then a living Mormon could be baptized for them. And since LDS doctrine says that baptism is essential for salvation, those who die without being baptized still have an opportunity to accept the gospel and receive its blessings through this proxy baptism. This is why Mormons are so concerned with tracing back their family members, so they can be baptized for them. This is why they are the biggest drivers behind genealogies. The baptism must take place in an LDS temple, which is considered a sacred place where ordinances are performed. The proxy baptism must also be in an LDS temple. This doctrine was not invented by the Mormons, but is a heresy of Marcionism in the mid second century A.D.
Commentary	Definition : Denomination : Baptist Perpetuity or Landmark Baptist	Believe that the Baptist church is the only real church because John the Baptist baptized Jesus and He started the church. That John the Baptist was a Baptist, as in the denomination. And since he baptized Jesus, that made Jesus a Baptist. And since Jesus founded the church, that made the true church the Baptist church. And the only ones going in the Rapture are the Baptists. Landmark Baptist is the traditional way the Baptist Perpetuity was taught in this country. Called themselves 'Landmark Missionary Baptist Church'. Way the titled their names.
Commentary	Definition : Denomination : Universal Salvation	Ultimately everybody is going to be saved. They may spend a little time in hell but after they paid their debt, then God says, OK, everybody come up. We're one big happy family again and everybody is going to be saved and go to heaven. Some even believe in the final restitution of the devil. So when it talks about him being tormented day and night forever, it's not really forever but OK.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Discernment	Sometimes, discernment sometimes dictates that we wait to speak if the timing is not appropriate (EX like thinking you will sell some insurance policies at a funeral - not the time or the place). Another instance, is when there is not enough time to have the discussion (EX You had people over to your house and you hit them when they are putting on their coats to leave or EX Or when someone is already angry about it and pitching a fit about it.). On the other hand, discernment also means that sometimes we should not wait to speak. When it does, that discernment that says go ahead and speak now also tells us what to say, and how to say it so that it truly reflects godly love and charity. Discernment also means that we know how much to say. Not magic, a Sonship skill that we develop. Many times, we don't speak because we don't want to make people upset or we are fearful of their reaction, so we don't say anything at all. We just want to get along; and who doesn't? Everybody wants to get along, but we all have to decide whether the truth is worth defending or not. In order to have the courage and discernment to engage with people over doctrine, we need certain doctrines to work in us that will give you boldness and courage. MM says when someone is already opposed and worked up, don't use statements, ask questions. Questions appeal to a person's conscience and begin to change their attitude. Statements harden their conscience and make them more opposed than ever. MM says think of the times that Jesus led with a question. He is trying to persuade people, not make them mad. He is trying to convince them of something. Paul does this too. Part of this is knowing the doctrine well. If you know the doctrine well, you can have confidence in that you have to say about it.
Commentary	Definition : Discretion	Discretion is a form of judgment.
Commentary	Definition : Devil	Four major things accomplished by the adversary as he charts his course for this world and the world follows it - And God's response in judgments: 1. Adam sins – God drives him from the garden, posts a cherub with a flaming sword so he doesn't come back in and eat of the tree of life. 2. Cain kills Abel – God drives him away and sets a mark upon him - WAY OF CAIN (Jude 1:11) 3. Sons of God corrupt mankind (Genesis 6) – God sends the flood 4. Tower of Babel – God confounds the languages and scatters the people There are others here. Devil Names: over a dozen - Devil - Satan - Lucifer - tempter: he is not tempting people to sin, but is tempting them to operate contrary to the dispensation they are living in. (Matthew 4:1-3; 1 Thessalonians 3:5) - The tempter is tempting them to operate outside the doctrine that's meant for them. That is what temptation is - get them back in Israel's program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Devil	TEMPTER: One of the names of the devil - only used 2x in your Bible (Matthew 4:3; 1 Corinthians 10:13). When he is called the tempter, he is not tempting anybody to commit a sin. Not what he is doing, he is trying to do something else. He did it to the Thessalonians and he is going to attempt to do it to us. Satan is not interested in getting you to sin, that may shock you. That is a work that is not his to do. Flip Wilson used to say 'the devil made me do it'. MM says that is not true. **When Satan operates as "the tempter," he is not tempting people to sin, but is tempting them to operate contrary to the dispensation they are living in**. For the Thessalonians, the "means" he employed was to create doctrinal confusion over the issue of the day of wrath and the 2nd Advent of the Lord Jesus. If Satan is interested in getting the saints at Thessalonica operating as though they were back in Israel's program, he is interested in doing the same thing with us today. **By doing this, Satan seeks to usurp our edification process**. God is not tempting anybody to commit evil and neither is the devil. What the devil is tempting them to do to is to operate undisepensationally - in a time that is not theirs. The tempter is tempting them to operate outside the doctrine that's meant for them. That is what temptation is - get them back in Israel's program. - dragon - adversary (1 Timothy 5:14; 1 Peter 5:8) - ADVERSARY: One of the names of the devil - talking about his work with this name. Shade of difference between ADVERSARY and enemy (see comparison section). - Beelzebub All of these names represent a particular function that he is engaged in. Not just names thrown out there. They're telling you the way he is operating at that particular time. The name tells you the kind of capacity Satan is operating in at that time.
Commentary	Definition : Dispensation	DISPENSATION: Is a word in your Bible. When God uses that word, He is talking about the different ways He is dealing with people. The manner in which God is working in a particular time. You might be a dispensationalist if: - You believe there's an Old Testament and a New Testament. - You believe there's an old covenant and a new covenant. Hyper-Dispensationalist is anybody that believes there is a Mystery program in which God is dealing with you differently than He did with Israel in TIMES PAST. When the Mystery Program is through, God will resume and complete His Program with Israel. A dispensation is not a period of time, but it happens during/in a period of time, so we really cannot separate the two. The dispensation is actually a "dispensing" of something like the law, or grace. Technically speaking, a dispensation has to do with the way God has arranged/ordered the things He is doing and how He has chosen to do them; the action of administering, ordering or managing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Dispensation	Preachers talk about a dispensation as a period of time and then people go it's not a period of time and get all bent out of shape. It happens IN a period of time. It may not BE a period of time, but it happens in a period of time. A dispensation is an arrangement of how God is dealing with people in a different way than He was before. He is dealing with us under grace. He dealt with Israel under the law. It's a different dispensation. When someone says I hate the word dispensation, MM doesn't know where that comes from. It's talking about the way that God is now dealing with people in a different way than He was dealing with people before. If it wasn't different, it wouldn't be a new dispensation. MM says people hate the word 'dispensation' because they have a doctrinal understanding that is not dispensational. Three different views/positions/times/ideas: 1. Acts 2 2. Mid-Acts: 3 different times/ideas - they all believe that the body of Christ began with the ministry of Paul before he wrote his first epistle 1. Acts 9 – with the conversion and commissioning of Saul of Tarsus/the apostle Paul - first member of the body of Christ - one that MM holds to - believes Saul is the first member of the body of Christ 2. Acts 11 – with the establishment of the church in Antioch where believers were first called Christians 3. Acts 13:2 – where the Holy Ghost/Spirit said, “Separate me Barnabas and Saul for the work whereunto I have called them.” For the first journey. 3. Acts 28
Commentary	Definition : Dispensation	MM says there are a lot of people that do not like the word dispensation. The Presbyterian Church USA describes dispensationalism as "evil and subversive." Calvinistic churches despise the notion of dispensationalism. This is because dispensationalism runs contrary to doctrinal stances which certain denominations hold to. Not every brand of dispensationalism is correct. At the same time, the critics of dispensationalism often misunderstand it and their rejection is based on their own misunderstanding. A dispensation is a dispensing, and even though it takes place in time, it is not really about a period of time. A dispensation describes how God is going about, doing the things He is doing. A dispensation is really close to an economy (which is our English word derived from the Greek word). If we were to write the Greek word up on the board, it would be almost identical to our word economy as defined in its #1 definition: I. The way in which something is managed; the management of resources; household management. A dispensation is the way a master of his house manages his household. Talking about God dealing with people in a very particular way. If He changes dispensations, it means by definition, He is now dealing with people in a different way. A dispensation of grace is a dispensing of grace as the way God is managing His work in the world. Makes grace the center piece of how God is dealing with people. A dispensation may not describe a period of time but it happens in a period of time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Dispensation	Dispensationalism detractors: - 'Dispensationalism basically says Paul contradicts Jesus so you don't need to follow Jesus' teachings since He was teaching under and wrapping up the old covenant. Paul taught the new covenant and he is the one Christians should follow. Which sounds like a convenient trick of the devil...' REPLY: Paul said he got his doctrine from the Lord Jesus Himself. The contradiction was one that Jesus made, not Paul. Paul was following Christ. Christ was not contradicting Himself. What He is doing is instructing two different programs. One is under the law for Israel alone and one is under grace for the body of Christ. EX Driving on the right side of the road in the US vs. left side of the road in the UK. It's a different dispensation, a different way of arranging the laws in two different countries for two different groups of people. Not a contradiction. Just something different for someone different. - 'Dispensationalism in the US inspires its adherents in the US to blindly support Israel at all costs, and it supports warfare/turmoil in the Middle East in general, believing that anything destructive occurring in Biblical areas will cause Jesus to return, or some prophecy to happen...' MM doesn't know anyone that believes that if we can stir up trouble in the world it will make the Lord come back or be some fulfillment of prophecy. If you really understood dispensationalism, you would realize that no prophecy is being fulfilled in this DOGG.
Commentary	Definition : Dispensation	- '...it's a very political kind of doctrine, extremely focused on present-day times, adapting scripture to everything currently going on, as if every single minor political event happening fulfills something in scripture...' MM repeats the answer above about no prophecy being fulfilled in the DOGG. - 'It is an extremely new phenomena in Christianity which did not exist until the 19th century, and is almost non-existent outside the US sphere...' MM says it didn't start in the 19th century, it started with the apostle Paul. Contradicts with the first detractor. People say who else teaches this and MM says the apostle Paul. You have to compare to the word of God, not which what most people teach. Hyper dispensationalism is dividing up the Book of Acts so that all of Paul's miracles are not part of the DOGG. If you don't like dispensationalism, MM wants to know what is better about the law than grace? Says you ought to not be ashamed but rejoice that you are a dispensationalist because you understand that God is now arranging His affairs in a different order than He did before.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Dispensation	Technically speaking, a dispensation is not a period of time. It refers to the particular way in which God is administrating over things. It is true that any dispensation takes place “in time,” but it is not actually a time, in and of itself. Of the 16 definitions of the word “dispensation,” five of them were in use prior to 1611. c1374–dispensation, n. Ordering, management; esp. the divine administration or conduct of the world; the ordering or arrangement of events by divine providence. c1384–dispensation, n. The orderly administration of things committed to one's charge; the function or office of administrator or steward; stewardship. a1387–dispensation, n. The action of dispensing or dealing out; distribution or administration to others; expenditure, spending, or disbursement (of money); economical use or disposal (of anything). A dispensation is a dispensing of something, or it is a system of administration or management. And sometimes, it may include both of these. Dispensations are administrations of truth which God has dispensed during a period of time. A dispensation is the way in which a householder arranges his household. MM says in a lot of Christian circles dispensation is a dirty word that upsets people.
Commentary	Definition : Dispensation	Dispensation of the Law / Dispensation of Grace Basis: Performance / Basis: Identity (Position/Status) Getting what you deserve / Giving you what you don't deserve OBEY Disobey / In Adam In Christ - Blessings - Curses(Judgment) / - Mercy - Blessings - Physical - Physical (Temporary) / - Longsuffering - Spiritual (Permanent/Eternal) Lesser SOPT Amped up / - (till death) People of Israel/Proselyte / The body of Christ (no Jew/Gentile distinction) Religion / Relationship (call Him our Heavenly Father) Restricted access to God (levels) / Unlimited & unrestricted access to God (go to Him anytime you want) Went to a physical place / Don't have to go to a particular place (it's not physical, it's spiritual) Outside land, prayed 3x/day facing Jerusalem / Don't have to face a particular direction (it's not physical, it's spiritual) Actions determined blessings or curses / Nothing you can do to make God love you more in Christ (God is not oblivious or approving sin, but it's not the basis on which He chooses to love you) POINT: The way God ran His household under the law is different than the way God runs His household under grace. That is a dispensational change.
Commentary	Definition : Dispensation	Comparison : Dispensation of the grace of God vs. Dispensation of Gentile grace - Both terms refer to the same time period and the same program - same dispensation, same thing. They are merely emphasizing two different aspects of the dispensational change: the DoGG1 emphasizes “grace” as opposed to the law, and DoGG2 emphasizes that God is now dealing with “Gentiles,” as opposed to Israel only.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Dispensation : DOGG	Is the time of God's - Goodness - Longsuffering - Forbearance Emphasizes its unique application to Gentiles apart from Israel and their program. Even though that exact wording is not found in the Bible, the teaching of it is found there, and so MM uses that term almost exclusively to speak of the administration of the mystery that was revealed by Paul for us members of the body of Christ.
Commentary	Definition : Divine	Divine: Has to do with God.
Commentary	Definition : Divine Council	Divine Council Functions: - reporting before the Lord - Job 1 - deciding what to do - 1 Kings 22 - courtroom setting where judgments are being made Classic divine council passages that show you what's going on in it: - 1 Kings 22 - Jeremiah 23 - Isaiah 6 - Daniel 6 - Revelation 5 - Job 1 - Ezekiel 1-10
Commentary	Definition : Divine Institution : Secular Institutions	EX government, church, family, marriage, schools, corporations
Commentary	Definition : Divine Institution : Principles (cover both Divine & Secular)	Principles: true for both divine and man-made institutions 1. We tend to identify with the institutions you are a part of. EX colleges or companies we work for. Family is easy to do based on the last name when born into a family. We identify ourselves with the institutions we are a part of and not the other way around. 2. No individual is more important than the institution itself. If this happens there will be chaos within the institution. You will have people doing what they want to do and not what the institution is designed to do. May lose what it's doing and be chaotic within it. So no individual is more important than the institution itself. EX No member of the body of Christ is more important than the body of Christ itself. So you do things for the good of the body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Principles (cover both Divine & Secular)	3. Every institution has a structure of authority and it has to, otherwise it will become chaotic. Have to have a structure of authority in place. EX In town, you have a police force with a rank & file within the police force. EX At your job, you probably have a boss and then they have a boss.
Commentary	Definition : Divine Institution : 1 Corinthians 12/Spiritual Gifts Commentary	MM says every institution, every government, doesn't matter if it is local or state-wide or nation-wide or somewhere else, doesn't matter. Every institution, every government, anywhere, where you are installed as a leader or someone who has a position of authority, you need to understand that there are spiritual powers who are in charge of manipulating every single position of authority in the world. **When nations go to war, MM is absolutely convinced that is happening in the heavenly places. And there is an influence being exerted on this earth that is in parallel when you get to the heavenly places**. You are going to take the positions of those principalities and powers that rebelled with Lucifer. You are supposed produce a just and righteous judgment on the earth by your influence in the heavenly places. And the way you do that is you look around on this earth and understand what a godly response is to things that happen and how those would be facilitated. This means calling to account evil institutions from the standpoint of God's justice, not you own personal convenience. So if we can learn to do that here (MM says a very interesting and very involved topic, not sure we can see the complexity of this), there are things in scripture that if we pull those out and look at them, there are people down here doing things that are a problem, but that's why Paul is saying it is not about flesh and blood, it's about principalities and powers. Not saying to ignore people here but you have to look beyond them. Start looking further than that because that's where it's starting. That's where the spiritual battle is. We get locked into the immediate of what we are seeing.
Commentary	Definition : Divine Institution	A divine institution is any entity established by God for the orderly arrangement and structure and regulation of people with a view toward the accomplishment of His eternal purpose. Are those institutions that we believe were created by God and we do them because God instituted them. Any of the absolute (unchangeable) social constructs which God created and put in place for the entire human race, believers, and unbelievers alike. Divine Institutions are created in their fullest and most perfect form from their inception.Can't be changed or improved. Divine Institution: Are unchangeable. Can't alter or improve what God created the divine institution to accomplish. If you change it you may corrupt it. - Labor - Genesis 2:15 - Godly labor results in responsible dominion. Instituted at creation. - Marriage - Genesis 2:22-24 - designed by God, an absolute construct for saved and unsaved. Instituted at creation. - Family - Comes from the Marriage DI and one of the Biblical purposes behind marriage - Fruitfulness. Instituted at creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution	Societies/Cultures are formed with these foundations of marriage and family. The Family is the first school, first church, and first state. The family is the training ground. It is in the family that children first learn authority, love, and responsibility. The child is to learn humility under authority—either willingly or enforced. To ensure the continuance of this function the Mosaic Law executed children who rebelled against their parents (Deut. 21:18-21). A successful society depends upon successful families. This family structure spills over from the Triune God, namely the Father and the Son. Humanist cultures try to erase these distinctions within families because it reminds them of God's character which they hate. Therefore they are out to destroy these divine institutions. When a society or individual tampers with one of these three absolute structures, the results are devastating. God has divinely instituted these structures and when we break these structures the result is poverty, crime, disease, and death. - Local assembly/Church - Human Government - After those eight people left the ark and began to multiply, God brought about another divine institution: Human Government = Romans 13:1-7. It would be through this divine institution that God would tamp down the violence which men, unchecked, would unleash upon the whole earth. God gives government the right to force the death penalty. Government (God had a government in place before man was ever on the planet) Have to ask yourself for each of these - Why did God give these to us? What was the purpose behind that? Need to know the purpose so you know that you are doing with those things what you are supposed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution	Divine Institution: Those things which are created by God. They are for you to take all of your Sonship skills and as an apprentice, put them to work in divine institutions. Some Sonship skills that you will only be able to practice in the framework of a local church because that is the only time the local assembly is FITLY JOINED TOGETHER-Ephesians 4:16. This body is supposed to do something to the thrill of everyone of it's members. We have never done it. MM has never seen it done because almost nobody understands what the purpose of the body is. We think we come together to worship God. You can worship God by yourself. There is some thing this body was designed to do and we have gotten so far away from it, we think we just go to church because it's Sunday. Right in Paul's epistles are what we are supposed to be doing. Things we have to know before we will ever get that done. When it happens, it will be to the thrill and amazement of every single member of this assembly. Will recognize you are finally engaged in what the Church was created to do why the Church was told to come together. Wasn't for corporate worship. God doesn't want when you get up there to say, 'I read about it in a Book but how does this work?' He wants you to already know how it works so He is putting you in the driver's seat down here. Put those Sonship skills into practice to sharpen those skills so when you get up there, you are not putting your hands on the wheel for the very first time. People think I am going to get to Heaven and God is just going to fill me in. There's not a verse in your Bible that says that we just dream that up. If that was the way it was going to happen, why would any of us need to study? God made these things because each one of these things you are going to be able to put into practice the skills that you will learn as an adopted son that you are going to use when you get up to the heavenly places so when you get there, it won't be the first time you will have actually sat in the seat and put your hands on the wheel and your hand on the shifter, but you will have already been using these in your life on earth-local assembly is supposed to give you the ability to do that. If you don't know what those skills are, you can't put them into practice.
Commentary	Definition : Divine Institution	Divine institution is something that God designed and put into motion because it accomplishes something that He wants done. EX Church, Marriage, Family, Government. Every divine institution has an order about it. EX Local Church has Bishops and Deacons. Government has a structure. In the home, there's a structure. In creation, there's a structure. Notice that Satan is really after the divine institutions. Family / Marriage / Government is no longer what the Bible said, now there's a corruption. MM says you don't think of it this way but the creation is sort of a divine institution. God is the one that created every divine institution and every divine institution has something critically important going on and something is at stake in its success (MM gives fire department analogy of practice because there is something at stake - lives, property, etc. The trucks are maintained to go at a moments notice - hoses, ladders, etc.). Men didn't come up with this idea, God came up with this idea. These are not just ideas that God pulled out of the air, these are critical to actually putting men with free will on a planet together in order for them to not destroy themselves.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution	Definition : Divine Institutions - Church: Romans 12:3-10 - Human Government: Romans 13:1-7 - Marriage: Ephesians 5:22-33 - Family: Ephesians 6:1-4 - Work/Labor: Ephesians 6:5-9 The divine institutions are Satan's favorite targets because he knows that in order to turn the world against God he must attack and destroy the divine institutions (DI). By rejecting the divine institutions people are rejecting God; they are participating in and furthering Satan's course of this world.
Commentary	Definition : Divine Institution : Gender Roles	There are only two Divine Institutions where gender assigns a role/where a woman is in subjection to a man. 1. The Home GH: Marriage? The husband has the role as the leader or the head of the home. His wife has a role because of her gender. It's not about whose smarter or any of that kind of stuff. She has a role of being in subjection to her husband. Not her being a doormat for him to wipe his feet on. That's not what this is at all. Doesn't mean she is inferior, but there are positions that people hold within any institution and you've got to know to function in that role. Otherwise, the thing ceases to function in the way it is meant to. Fulfilling her role of subjection to her own husband, not every man. 2. The Local Church: In MM's mind, everything Paul is saying about the Pastor of a church is a man. He doesn't believe in women pastors.
Commentary	Definition : Divine Institution : Labor	GH: Genesis 1 & 2. God adopting Adam and them laboring together. Notice that God puts Adam to work; Adam is to labor by subduing the earth, and dressing and keeping the garden. (By the way, the first thing presented to us in the Bible about God is as a Laborer – He labors six days to create heaven and earth.) This makes Labor the first Divine Institution (DI). The dominion "office" Adam has been assigned by God, that Adam is given the instruction to work because dominion requires labor. (Godly Labor results in Responsible Dominion.) The two are connected; there is no dominion without labor. So, the institution of "Labor" comes from God and it becomes the basis of the social structure that God is going to put into place.
Commentary	Definition : Divine Institution : Labor : Ways to Greatness	Man's Way to Greatness — God's Way to Greatness Focus on POWER — Focus on SUBMISSION - getting in and staying in power Emphasis on FREEDOM — Emphasis on RESPONSIBILITY - Freedom not bad but if that is the emphasis, you missed the point Concern for GAIN — Concern for GIVING Desire IMMEDIATE FULFILLMENT — Desire LASTING ACHIEVEMENT - Most of what this world cares about Yearn for PRAISE OF MEN — Yearn for THE APPROVAL OF GOD Aspire to be SERVED — Aspire to SERVE OTHERS

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Labor : Ways to Greatness	Seek SELF-GRATIFICATION — Seek SELF-CONTROL Need to PUSH AHEAD — Need for PATIENCE (not talking about procrastination) Strive to LEAD MEN — Strive to FOLLOW GOD - Instead of strive to lead men and follow God, GH: leading men follows Interest in COMPETITION — Interest in COOPERATION This thinking gets you thinking like God.
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	Six Steps of Action to take when asked to do something you think is wrong - participate in evil, commit sin - something you can't do in good conscience Instead of popping off, minister to the one in authority so he can change his mind. Need to conduct yourselves in a particular way up to that point so it has some weight and you get get them to change their mind. 1. CHECK OUR ATTITUDE: We are talking about attitudes before we talk about actions because our actions are often the result of our attitudes. * An independent spirit is the basis of DISLOYALTY * A disrespectful spirit is the basis of DISOBEDIENCE - We respect the position, while at the same time we may be very aware of his personality deficiencies. * A condemning spirit is the basis of SELF-RIGHTEOUSNESS * An ungrateful spirit is the basis of PRIDE
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	* A lazy spirit is the basis of and POVERTY AND DISHONESTY * A bitter spirit is the basis of SELFISHNESS * An impure spirit is the basis of SELF-INDULGENCE 2. DEVELOP A CONSCIENCE WHICH IS VOID OF OFFENCE: The single greatest hindrance to having a conscience void of offence is the feeling that the ones we offended were wrong too. We often feel they were more wrong than we were. This is a scheme of the Adversary. By focusing on blaming them, we attempt to assuage our own guilt, but in the end, we are forced to live with both guilt and blame. Our natural inclination is to find other people or circumstances which are to blame for what we have done. The greater our guilt, the more we must blame. The resulting bitterness and guilt are devastating to our mental and emotional wellbeing and provide the basis for strongholds to be built up in our soul.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	* Correct any WRONG ATTITUDES * Fulfill any UNFINISHED DIRECTIONS * Acknowledge our wrong and ASK FOR FORGIVENESS - MAKE RESTITION when necessary - LIMIT FREEDOMS to avoid offending others It is essential that we recognize and confess wrong actions against those whom we have offended. This can be more difficult than we realize. We are so involved with our thoughts and emotions that we fail to realize the attitudes which we are actually reflecting to the people around us. People are reacting to our attitudes. It is therefore essential to learn how to “judge ourselves” in wrong attitudes in order that we be not judged by others, and by the Lord.
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	3. DISCERN BASIC INTENTIONS * Ask WHAT THEIR GOALS ARE * Find their FRAME OF REFERENCE in the command - A wrong frame of reference on our part comes from thinking that when we are told to do something wrong, that we must either be blindly obedient or exhibit a spirit of disobedience. That is not the case. - Discover the frame of reference for the authority. In other words, discover what is going on with them that makes them give you a wrong command. * Ask them to point out any BLIND SPOTS * Discern GOD'S GOALS in the situation
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	4. DESIGN CREATIVE ALTERNATIVES * Remove any RESISTANCE SPIRIT to being creative * Use DIFFICULTIES to expand your frame of reference * Gain insight from THE DOCTRINE * DESIGN AN ALTERNATIVE to accomplish the goal 5. APPEAL TO AUTHORITY * Have the spirit of a LEARNER AND SERVANT * EXPLAIN THE CONVICTIONS without condemning

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Labor : Six Steps to take if someone asks you to do something you think is wrong	* Present your CREATIVE ALTERNATIVE * Explain how it will REACH HIS GOAL * Leave the FINAL DECISION up to him Only when we have applied the above five steps are we scripturally ready for step six, if indeed it comes to that. 6. SUFFER FOR NOT DOING WHAT IS WRONG: When we work for someone in the way Paul is about to explain in Ephesians 6:5ff, this process is given power to work.
Commentary	Definition : Divine Institution : Marriage	6 Bibical Purposes behind Marriage / God's Purpose in Marriage: 1. Companionship - MAKE HIM A HELP MEET FOR HIM - Genesis 2:18 2. Fruitfulness - BE FRUITFUL, AND MULTIPLY, AND REPLENISH THE EARTH - Genesis 1:27 3. Illustration: Marriage is a living object lesson of the relationship which Christ has with the Church, His body. A married couple has the unique opportunity and responsibility to be a living epistle of God's Truth by demonstrating this relationship in their marriage. 4. Protection: When a man enters into the marriage, he is pledging his strength, resources and life to his wife. In the same way, when a couple has children, it is a rewarding responsibility for parents to give whatever sacrifices are necessary to protect their children.
Commentary	Definition : Divine Institution : Marriage	5. Completeness: Completeness is bringing together in marriage that which God divided in creation. God took part of Adam to make Eve. Then God brought her to Adam as his "completion." The word complete is absolute in that it cannot be qualified by another adjective such as more or most. This rules out the adding of another wife to the marriage. It also rules out the potential of greater fulfillment in extramarital relationships. Completeness is promoted by a servant's spirit; working to make our partner successful. Completeness is rewarded when major decisions are not made until both partners are in oneness of spirit. 6. Pleasure: It is important to distinguish between godly pleasure and lustful pleasure. One of the principles which must be employed is that of self-control. Any wholesome activity can be turned from enjoyment to drudgery by excessive indulgence. Self-control (temperance) is listed by Paul as a fruit of the Spirit in Galatians 5:22-23. On the other hand, our apostle also admonishes that marriage partners not defraud one another by withholding this area of marriage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage	Applications of marriage: 1) Man was created first 2) Man was given Responsible Labor 3) His Labor shapes his choice of wife 4) The wife is his needful helper (Gen. 2:18) and his glory (1 Cor. 11:7) 5) Man and wife are to separate from their own families and build a new family (Gen. 1:26-28; 2:24) 6) Only in a new separate family (in contrast to an extended family) does a young man have to face full leadership responsibility under God (Gen. 2:24) You can see how differently God views marriage, men and women. The typical TV husband is pictured as a dumb, comical, father-fool or an adventurous, unmarried gun-slinger, both of which emphasize male immaturity and irresponsibility. The Bible stresses the opposite; maturity and responsibility.
Commentary	Definition : Divine Institution : Marriage	Marriage is understood by believers to be a divine institution of God; hence it is a sacred institution. God designed it, created it and gave commandment in accordance with it. He had purpose behind it. Marriage, by the ordinance of God, makes two to be one flesh and it unites them together in the sanctity of the marriage union as a picture of Christ and the church. MM says submission is not about you are not important or you are of less value, it's about the divine institution of marriage and making sure it runs properly. The wife is supposed to submit to her husband because the marriage is supposed to picture Christ and the church - Ephesians 5:21-33.
Commentary	Definition : Divine Institution : Marriage : Seven traits to look for in a marriage partner	Seven Spiritual Traits/Qualities you should look for if you are single and looking to get married: 1. Must be genuinely saved not just religious - does he have a clear testimony of salvation? 2. He should accept himself for who he is in Christ - if he finds his identity in anything else, that is an open door to problems. EX If he finds his identity in how much money he has, what happens when the economy goes south or his investments go under? If he finds his identity in who he is at work, he'll spend all of his time at work and neglect his family. He needs to be able to find his identity in Christ and let everything else come out of that. 3. He needs to be a man under authority - If a guy is always complaining about his boss, you don't know what it is to be under authority. And if you don't understand how to be under authority, how good will he be when he is in authority? Find a guy who knows what it is like to be under the authority of someone else because then he'll have that position in mind knowing that he has that position of authority in that marriage and will treat her accordingly. If a guy doesn't want to submit to any authority is going to be a terrible authority.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : Seven traits to look for in a marriage partner	4. He must have compatibility of doctrine - believe the same kinds of doctrines/things - doctrinally you want to be on the same page. MM says there is one spouse that sees Sonship and want to engage in it but the other spouse does not and that makes it difficult because you can't have those kinds of discussions. The more you have in common doctrinally, the more oneness you are going to have in that and the more compatibility that you will have in those relationships. Everybody thinks they are the exception. You are not, you are the rule. 5. He must have moral freedom (not moral failure) - if he has failed in the past, he must deal with that before God so that can be put behind him. Means he is dedicated to treat you respectfully prior to the marriage. You don't want to go into your marriage with moral failure so the door is wide open for Satan to use. He has to understand the 'spirit->soul->body' order. 6. He needs to know God's purpose for his life - it's the same for everybody - to be conformed to the image of His Son. If he knows that and is working on that. That's a great spiritual quality. 7. He needs to have financial freedom - is money a means for him or an end? Is he generous or charitable or stingy? How is money used in his life? What is he after? Does he have wisdom with regard to that? 3 problems marriage shipwrecks on and money is one of them.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Principles for a believing wife that has an unbelieving husband. Today, there is a movement among women (and some men) who think these scriptures are outdated and irrelevant and, as a result, they seem bound and determined not to show respect to their husbands. Their thinking is: “I’m just as important as he is, he should be paying respect to me.” Even Christian wives struggle with the concept. Principle #1: Respect Men have a four fold need: Respect, Honor, Admiration and Esteem. - Ladies want love and security. Men want honor and respect. MM says this is not just him just dreaming this up. Mentioned Jennifer Flanders book. Men have a four-fold need: 1. Respect 2. Honor 3. Admiration 4. Esteem
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Everybody likes this but this is how men are ingrained/wired, the need is ingrained in us. Any man craves respect. No matter what his education is or what his personality is or if he is young or old, the thing he genuinely craves is to be respected. A man wants to know that his friends, his family and his co workers have a level of respect for him, trust his judgment, recognize his abilities and value his opinions. But more than those, he wants his wife to recognize his opinions and to value him. If she does this, he will be a different guy. This is very true in marriage. Your husband wants to know that you will always be in his corner; that you are on his team; that you believe in him. And it is your job, as his wife, to assure him of these things. Respect is one of the greatest expressions of love. Being respectful to your husband doesn’t mean: * You are inferior to him/her husband. * You are not as smart as him. * You are less capable than he is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	* You are a doormat.
	Divine	* You are his slave.
	Institution :	* You can't think for yourself.
	Marriage :	* You always agree with him.
	How Wives	Respect doesn't mean any of this.
	Minister to	OED: respect:
	Their	1. to admire someone deeply, as a result of his abilities, qualities or achievements.
	Husbands	- Ideally, this is what a wife ought to feel for her husband, and what a husband ought to be working hard to earn and maintain. It's a two-way street.
Commentary	Definition :	2. to show due regard for the feelings, wishes, rights or traditions of others.
	Divine	- Respect is a courtesy we should extend to our husbands as well as everyone else we encounter. It is nice when this courtesy is reciprocated,
	Institution :	but it is not essential. This sort of respect really reveals more about the giver than it does about the receiver.
	Marriage :	Quote: Respect for ourselves guides our morals and respect for others guides our manners.-Laurence Sterne
	How Wives	Even best husbands have flaws and sometimes their behavior doesn't always warrant admiration - but this doesn't exempt wives from treating
	Minister to	their husbands respectfully. If you are waiting for him to turn around, you will be waiting forever. You cannot make your obedience to the
	Their	scripture contingent on someone else's performance. You can be exactly what you are supposed to be. It is nice when it is reciprocated but it is
	Husbands	not essential for you to do what you are supposed to do. You are responsible for your own actions and reactions. Ephesians 5:33
Commentary	Definition :	Feeling and demonstrating respect are two different things. Actions speak louder than words. You can say you respect your husband, but he
	Divine	will have a hard time believing you unless your behavior backs it up. Your behavior will tell him whether your professed respect is just lip
	Institution :	service or genuine.
	Marriage :	Ways a wife can communicate respect without even uttering a word:
	How Wives	Suggestion #1: Be Joyful.
	Minister to	- Do not use moodiness as a way to manipulate and control your husband, it will not work and tears at the very fabric of the marriage. Having
	Their	a pleasant and joyful attitude will automatically make the rest of a man's life happier, fuller and more satisfying. Woman have the power to do
	Husbands	this. Wives can transform their homes into a place of joy. Your outlook on life not only has an impact on your own happiness, but on the happiness of your husband and children. You do yourself and your family a disservice when you cultivate a perpetually sad or sour disposition.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Your circumstances really have very little to do with your attitude and your disposition. That's a matter of choice. So make a choice and not rely on your circumstances, and turn it into a prayer: “I choose to be cheerful and happy in whatever situation I may find myself. I have learned that the greatest part of our happiness depends on my disposition, not on my circumstances.” This is finding joy in the Lord in your circumstances. If you are trying to find your joy in your husband, you are going to be sad sometimes. But if you find your joy in the Lord, it won't matter that much about your husband because he won't be the source of your joy. Your relationship with him will come out of your relationship with your heavenly Father and the Lord Jesus Christ. Being joyful is about choosing to dwell on the good instead of the bad and it's about rejoicing in what we have (content) rather than what we don't have. Joy doesn't ask what other people can do to make you happy. It's asking what can I do in the relationship with the Lord to produce that joy. Now, having said that, choosing to be joyful is not about putting on a show for your husband’s sake. It is not about repressing feelings; it is about attacking negative attitudes at their root through prayer and the word. Being joyful is about choosing to dwell on the good instead of the bad.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	It is about rejoicing for what we have (contentment) instead of being upset over what we do not have. Joy has an outward focus, not an inward focus. Joy doesn’t ask what others can do to make me happy, but what I can do to make others happy. It is never too late to live happily ever after. The choice is yours, so choose joy. Philippians 4:4; 1 Thessalonians 5:16-18 Suggestion #2: Honor His Wishes - Make those things your husband thinks is important a priority, whether it is having his dinner ready when he gets home from work, the house clean or whatever it is. Talk to your husband about his priorities for you and his goals for the family. What does he want out of all of that. Ask him to give you a short list (3 5 things) he would most like to see you work on, then address those things cheerfully and consistently. Men are different. Some are I just want my dinner ready when I get home from work. MM remembers a couple where the husband didn't like the wife feeding the dog first and then him. He took it as an insult. She did it so the dog was not begging for food and bothering them when they were eating. If you happen to live with a man who really tries to show his love for you, try and outdo that. Living this way is not always the easiest thing to do, but do it, even if it is inconvenient. Romans 12:10 - This isn’t just for our neighbor; this is also for our spouse.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #3: Pay Attention - As much as you can, give your husband your undivided attention. When talking to him, lay aside your tasks, look into his eyes, and listen to what he is saying or trying to say with the goal of understanding and remembering his words. MM jokes the wives are saying could you teach this lesson to my husband but we aren't talking about the husband, we are talking about the wives. MM suggests doing this with everyone. Listening is a gift we should all give to each other/everybody. Make sure you are listening actively, with your mind fully engaged in the conversation. Fold down the laptop or turn away from the desktop and focus on your husband. Active listening is a skill to be developed. An Active Listener — A Passive Listener Focuses on what is being said — Daydreams until your turn to talk Let’s words sink in — Is a million miles away

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Listens w/ an open heart/mind Fixated on your opinions Sees the other point of view Remains stubbornly unconvinced Follows the train of thought Rehearses your response Seeks a clearer understanding Seeks an end to the conversation We don’t get points for pretending to pay attention when we really aren’t. So focus on what your husband is saying. Commit today to give your husband the valuable gift of your full attention and affection. The first duty of love is to listen. When you hear him speaking, perk up and pay attention. And train the children to do the same. Do not make your husband compete with your phone or computer. The next time he tries to tell you something, make a point to put down what you are working on, look him in the eyes and listen.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #4: Do Not Interrupt - Not everybody does this. Have you ever been around a person who won’t let you finish a sentence? That becomes irritating pretty fast. Even if you think you know what your husband is going to say, give him the opportunity to say it without cutting him off mid-sentence. This is not only common courtesy we should show everybody, but it is also a demonstration/show of respect. Also, do not talk so much that you tempt others to interrupt. Rodney Dangerfield said: “I haven’t spoken to my wife in years. I didn’t want to interrupt her.” Even if your husband is quiet or introverted, do not monopolize the conversation. Pause frequently enough to at least give him the opportunity to respond. If he doesn't fine, but at least don't steam roll.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #5: Emphasize His Good Points - Sure your husband has faults, but dwelling on them will only make you miserable. He won't feel respected and you won't really get any joy out of that. Choose instead to focus on the qualities in your husband that you most admire about him. If we only focus on your husband’s weak areas, it will lead to contempt, bitterness and resentment in the marriage. This will rip apart the love and intimacy of your marriage and take its toll. Look for areas where your husband compliments you and completes you and emphasize those. Look for the good in your husband and search for it like you would buried treasure (doesn't mean he doesn't have anything that is easy to detect and it's going on a treasure hunt for it). If this has been a struggle for you in the past, let this be an area of prayer for you; to see your husband with new eyes. Praise and admire him verbally and often. Are you glad he is in your life? Then tell him so. Would you feel like you were missing out without him? Let him know it. Get creative - Send him a text, write him a poem, compose a song, or write a note and leave it for him to find, praising him individually for the good points you admire. MM says praise and admiration done verbally means a lot.

Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #6: Pray For Your Husband - Pray for him every day. This will not only transform him, but it will transform you. And I'm not talking about telling God all the things you don't like or things he does wrong or the disagreement you had with him or all of his shortcomings. Not that you can't talk to God about that, but your routine prayer for him should be to intercede on his behalf to God. If you don't know what to pray for the Lord about then sit down and ask him. Doesn't have to be a long conversation. Just say I want to pray for you everyday, give me a few things that are really important in your life and let me pray with you. Doesn't mean you will point out every time he gets something wrong. * Pray for his mind: that God would be his first object of affection and that his mind would be directed by the Lord. MM likes this one a lot. * Pray for his eyes: that he would guard them diligently, for they hang pictures on the walls of our souls which are hard to take down. MM says the things that you allow yourselves to look at are like pictures that are hung up in your soul and if it's not the right picture, Satan will keep pointing you to that over and over again. Not just wicked and evil stuff. Guard your eyes.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	* Pray for his ears: that he would discern among those things which he hears. MM says this is a really good one. * Pray for his mouth: that nothing but godliness would issue from it, that he would speak the truth in love. * Pray for his arms: that everything he does he would do as unto the Lord, that would be strengthened in his inner man. * Pray for his heart: that Christ would sit enthroned upon it, that he would love God more than anyone or anything, for only then can you have your rightful place with him. * Pray for his legs: that he would have endurance and patience, that he will not be weary in well doing. * Pray for his feet: that he would flee from temptation and evil, and run toward righteousness, wisdom, peace, love and truth. Remember - that if you are going to pray for him, then let your prayer encourage you to give thought as to how you might help him in all these ways. What is your part in this? The next time you are angry or irritated with your husband, try praying for him instead of arguing. And while it is ideal for him to initiate it, see if he is agreeable to pray each day with you. This may be the last thing at night, first thing in the morning, or whatever time fits your schedules. Don't try and strong arm him, especially if he is an unbeliever.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #7: Do not Nag - Your husband is a grown man, so don't treat him like a 2 year old. Let God do the work on him. You aren't the Holy Spirit, so don't try to do His job. Husbands can be forgetful, and a gentle reminder may be welcomed, but constant, unsolicited pestering is rarely appreciated. If the relationship is already strained, a gentle reminder sounds like a rebuke. Be patient and use some discernment about what you can do and when you can do it and work toward that. Husbands don't always feel the same urgency you feel. Give the man a little space. In the end, only God can change your husband's heart, but pave the way for that to happen by working on yourself. A patient, gentle and loving attitude goes a lot further than a critical, faultfinding or demanding demeanor. Season your words with grace and speak in a respectful and loving way. Let go of the notion of fairness in your marriage. Marriage is not a 50/50 proposition although MM understands what they are saying. People think both are giving half but actually it's 100% and 100% so the husband gives everything and the wife gives everything. Give 100% and refuse to harbor resentment even if you perceive your husband is giving less.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #8: Be Thankful - Cultivate an attitude of gratitude. Work on this if it is not already in you. This is repeatedly given in the scripture. MM references all of Paul's prayers and thankfulness. Thankfulness goes hand in hand with prayer. MM says there are two things he says to the Lord when he prays: 1. he always tells the Lord how much he truly loves him with all of his heart and wants to learn to love You more 2. thank you for all the things given to me in Christ - mercies of God, spiritual blessings, etc. These become an automatic part of his prayer before he goes anywhere else. In Paul's epistles, it works this same way. We owe a debt of gratitude to God which ought to spill over into all our relationships, but especially our marriage. Don't take your husband or the things he does for granted. Express genuine appreciation for everything he does for you, whether it is great or small/little. Make that a habit. Always say thank you. Also realize that real gratitude runs deeper than words, but it should affect how we live around people and how we treat the people around us as well. There are two things that will snuff out our gratitude:
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	1. envy: Envy fills our hearts with jealousy and resentment, so that we begrudge others the good things they enjoy and pity ourselves for not having the same. If someone is jealous of their spouse for whatever, that is going to kill their ability to be thankful and grateful for what their spouse does. Envy sometimes makes us jealous and resentful and then we begrudge people and then we have a pity party. 2. expectations: Putting the bar too high and when they don't clear that bar, you are disappointed, and you are not going to be grateful. Expectations give rise to a sense of entitlement, this is what we are owed, this is what we ought to have. It is impossible to be truly grateful for anything you think the other person owes you. Expectations have destroyed a lot of marriages. The husband is the head of the home but preaching that to the wife is a mistake. And the husband may not do all the things the wife wants him to do, but exposing that with a lack of gratefulness and thankfulness for the things he does is a mistake.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #9: Smile at Him - Smiles spread happiness. When you smile at people it changes the way things are. Communication starts before a single word is said. It begins with attitude and posture, with body language and facial expressions. It is said that the actual words we speak constitute only 7% of total communication. Facial expressions account for 55% and vocal tones make up 38%. So ask yourself, “What are my nonverbal cues saying to my husband? Is this the message I want to send/ought to be sending scripturally?” So smile at your husband every day. Let your smile be the first thing he sees in the morning and the last thing at night.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #10: Respond Physically - Say your husband sneaks up and squeezes you from behind. Do you: A) tense up, B) bark at him to get off, C) Try to get away, D) turn around and squeeze back? The way your respond (or don’t respond) to your spouse’s romantic gestures have a real profound effect on his self confidence. Your enthusiastic response to his advances will assure him of your love and make him feel respected. There are theoretical acceptable alternatives for taking care of every other need your husband has. Theoretically, someone else could cook his meals, clean the house, do his laundry, watch the children...but you are the ONLY person on earth who can rightfully address and fulfill his need for physical intimacy God intends for him to have with his wife. Can't farm this out to anybody else. In 1 Corinthians 7, Paul says to fail in this area is to defraud our spouse. Jennifer Flanders said, “Waiting for the mood to strike is fine, as long as you make certain it strikes with predictable regularity. Otherwise, you should just go ahead and get started without it.” If your husband has the stronger sex drive, make it your goal to never turn him down again. Are you the spouse with the stronger drive? Don’t be afraid to make the first move. Just point out all the benefits he will miss out on if he doesn’t cooperate.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #11: Eyes Only for Him - Other than the obvious way to interpret this, marriage not only changes the way we relate to our family (we are no longer children under the authority of our parents, you are the adult, get married and are the authorities in your own home) but it also alters how we handle/carry out our friendships. Friends that are other couples, great. Yes, our friends are still our friends, but time spent with them can no longer predominate our lives or free time. This is especially true when it comes to male/female friendships. Time spent with the opposite sex should be scaled back to zero unless spouses are present. If not willing to do this then don't get married. If a guy is friends with a girl at work and then he gets married to another woman, he shouldn't go to lunch with the woman at work. Doesn't mean anything is going to happen, but you are really putting yourself in a position where Satan could take an advantage of it. The appearance of this is not great and MM thinks that it's a mistake. If you are a wife and have an old boyfriend, MM doesn't think that going out with your old boyfriend is a good idea. Not wise - all of this changes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Some of those friendships are going to have to change in their deportment so their is no ambiguity. Let there be no ambiguity about your commitment to your marriage and your husband. Do not compare him to your father, your father in law, family members, friends, fellow workers, Facebook followers, fictional characters or the fantasy of ideal manhood. Assure your husband that he has your whole heart. Affirm and admire him every chance you get. Having eyes only for your husband doesn't really start with your eyes; it begins with your heart and mind. If you have been comparing him negatively to others, then decide to turn over a new leaf. Suggestion #12: Kiss Him Goodbye - MM says he probably should not have limited kisses to goodbyes. Wives should make a habit of kissing their husbands so often that he would consider your kisses to one of the best things in his life and if he didn't have it he would miss it. Study done in Germany that indicated that men whose wives kissed them goodbye every morning as they went off to work were more successful than men who weren't kissed goodbye by their wives. MM says if it is good at home, he can endure not so good at work. But if it is not good at home, it can't get good enough to offset that in the other places to make up for it. Before that goodbye kiss, brush your teeth and maybe a swish of mouthwash. If you are the one leaving for the day, seek him out before you go, tell him you are leaving and plant one on him. Make him think about you long after you are gone.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion #13: Feed Him his Favorites - If you know there is something he enjoys, do that. And it doesn't have to be you cooking. And if you go somewhere you don't like that he does, don't have a frown on your face the whole time that you hate being there. Stop. Suggestion # 14: Cherish Togetherness/Cherish the time you spend together - Be intentional about the time you spend with your spouse. Set aside time each day to connect with your husband. Maybe over coffee in the morning before the day gets going. Let this time be intentional. Have something everyday where you can really talk together. Suggestion # 15: Don't Complain - Stop complaining.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion # 16: Resist the Urge to Correct - Sometimes a little correction is necessary. EX MM accidently said Satan and not the Holy Spirit. Suggestion # 17: Dress to Please Him - Yes, women are much more than their physical attributes and appearance and should be valued accordingly, but to say appearances do not matter is to swing the pendulum too far the other way in response to that. Men are visual creatures, and a wedding ring doesn't negate that fact. Dress to please him from time-to-time. Every once and a while, do that for him. Because if you do it for someone else and not him, he feels disrespected. Suggestion # 18: Keep the House Tidy - Run your home like a small business and treat it with the same seriousness. MM says a husband can get involved in this but it depends on how your particular situation is. If you are a stay at home mom and the house is your responsibility, then keep it neat. If both of you work on stuff, that's great.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	* Have a method for dealing with clutter - women are usually better organizers at this * Designate a place for everything and keep everything in its place Suggestion # 19: Be Content - Be thankful for what you have and you will end up having more. Concentrate on what you don't have and you will never have enough. Suggestion # 20: Take His Advice - Especially if you ask for it. Suggestion # 21: Admire Him - It has been said, "To love is to admire with the heart; to admire is to love with the mind." Don't just tell your husband you admire him, but tell him why. Be as specific, generous and sincere as you can be. Both men and women want to hear why you love them.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion # 22: Protect His Reputation - Your husband is at your mercy. You know him more intimately than anyone else on the planet. How will you use that knowledge? Will you choose to be a crown or a curse to him? Don't let irritations and disagreements at home tempt you to badmouth him in public. Live in such a way that others will have no trouble understanding why your husband married you in the first place. Never criticize your spouse in public. Live in a way that other people will have no trouble understanding why your husband married you in the first place. Suggestion # 23: Forgive His Shortcomings - Please see Sonship Transformation studies for more information.
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	Suggestion # 24: Don't Argue (Proverbs 21:19; 25:14) * Listen attentively * Demonstrate Genuine Love * Keep your voice calm * Keep your speech sweet * Exercise patience * Be humble Suggestion # 25: Follow His Lead There's wisdom in this list. People don't naturally get this right because the tendency is to begin to react against the things that we see and experience. So like any other part of your life that you are going to have to work on, you have to do it with purpose and you have to commit yourself to it, but you really can.

Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	25 Ways to Communicate Respect to Your Husband: A Handbook for Wives (list from chapter 10) * Sex strengthens the marital bond: hormones released during sex help knit spouses' hearts and minds together. * Sex improves health and boosts immunity: * Sex calms and quiets the nerves: * Sex allows for better rest: * Sex makes for a happier home: * Sex is a virtual fountain of youth: studies show that an active sex life can boost your energy and make you look 10 years younger. * Sex provides an engaging pastime:
Commentary	Definition : Divine Institution : Marriage : How Wives Minister to Their Husbands	* Sex is essential for growing a family: * Sex helps guard against outside temptations * Sex lends credence to our testimony: An active sex life assures our kids that it really is worth the wait to save sex for marriage Are you surprised that there isn't a bunch of religious instruction here? Well, this is a good start at how a wife can win her husband to Christ "without the word." This is also a good way for a saved wife to minister to her own saved husband, or unsaved husband.
Commentary	Definition : Divine Institution : Family	Is meant to preserve a society of people and later when nations are formed, even preserve the nations. Because God knows if you are going to put men in this world, there's going to have to be some sort of structure, some way of organizing themselves into some kind of unit to preserve themselves. If God had not created marriage and family in the very beginning in the Garden, men would have destroyed themselves and the world long, long ago. This is how critical these divine institutions are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Bringing kids up in the nurture of the Lord: Teaching them that (besides teaching the attributes of God) before children are saved: ********** Teaching/Exposing Kids to God's Existence/What God is Like ********** 1. God is self-sufficient (the aseity of God) 2. God is all-powerful 3. God is three Persons (Father, Son, & Spirit) 4. God is all good 5. God is all knowing 6. God is all loving 7. God is everywhere 8. God is forever, He is eternal 9. God is Spirit (The Son takes on flesh and becomes the image of the invisible God) 10. God is the Creator (take kids out at night explain the constellations and explain what it means to be the Creator of the universe) *** List to this point for kids that have not yet come to Christ or too young to *** 11. The story of Redemption (to redeem mankind from the penalty of sin) 12. Sin and man's fallen condition (right and wrong) 13. God's remedy - The Cross
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Teach them to be thankful for what God has done for them and to do that, they need to know what He has done. Giving them an appreciation for what God has done for everyone, but why He has done it, because of how much He loves the world/His great love for us. By teaching them these things we are exposing them to the Truth about God's existence and what God is like. All 13 fall under this umbrella. All can be done in a very informal way. Don't have to sit them down at the kitchen table (formal). Not every instruction needs to be class room instruction. Can do this just as a matter of the course of living your life. Can find ways that doesn't seem like a classroom. When it doesn't seem like a classroom, they tend to latch onto it a little better. Can use a variety of methods such as: the Bible, audios, videos, books, object lessons, etc. Can include the kids in the spiritual disciplines in our family. EX The use of Prayer. Teach kids to pray in two ways: 1. Teach them to pray individually 2. Teach them to pray as a family
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Kids learn how to pray by the way adults pray or their older brother or sister pray. Other ideas: - If you take your kids to school. Stop before you get there and have a word of prayer. - Prayer before a meal. An opportunity to direct everybody's thoughts towards spiritual things. Even at restaurants when we eat out. - Have a word of prayer before you put the car in gear. Becomes a ritual. - Teach them to pray for immediate members of the family. - Teach them how to think of others as they pray, such as family members. - Teach them to be thankful for the things God has done for them. - Teach them to pray for others and the obligation to do something in getting with that prayer answered.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Prayer is a spiritual discipline that you have working in your life and your kids see that and you want them to participate in that. Since prayer activates the doctrine, inserting prayer throughout the day's activities is beneficial, it's a really good idea because it will help you remember the doctrine whenever certain situations arise. **When you accept a prayer request, you are immediately obligated to do something**. The wrong way to think about prayer is to just give God a whole list of stuff you want Him to do, and then you do nothing. We have it backwards. Can pray about this but now you have to get involved in the answer in some way. Sometimes you can do it directly and sometimes indirectly. When your kids see the constant interaction with prayer, the more they see about this, the better. This is bringing your children up in the nurture of the Lord, when they see these kinds of things happening, in the home, when you are out in public, and throughout the course of the day at certain events. The more they see that, the more they get the idea that God is a very important part of our life.
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	After kids get saved/come to Christ, can then begin to teach them the various doctrines of the Bible (new identity in Christ, Forgiven, Justification). Can continue to talk about what God is like and what God has done even after they are saved. MM quotes 'Jesus grew in wisdom and stature'. Continue to give more details on the things you are teaching them. Above is the spiritual end/nurturing, but kids also need physical nurturing and emotional nurturing.
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Most successful parenting model is two-dimensional Parenting - 2 Dimensions: 1. Warmth (NURTURE) - parents showed the children love, approval, acceptance, and affection, and giving them their support, establishing sensitivity, affection of parents when dealing with their children, the quality of the dialogue they engaged in, communication and reasoning with them, and communication using inductive reasoning. Other labels: responsiveness, involvement, acceptance or implication, or affection. 2. Strictness (ADMONITION) - the extent to which parents used discipline toward their children, controlled and/or supervised their behavior, established norms for children's behavior, maintained a position of authority, placed demands on children to promote compliance, physical and/or verbal coercion, and demanding attitudes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Family : Bringing kids up in the nurture of the Lord	Four Parental Styles/Ways in which kids are dealt with by parents: 1) authoritarian (strictness but not warmth) 2) authoritative (strictness and warmth) - best model 3) indulgent (warmth but not strictness) 4) neglectful (neither strictness nor warmth) Hypothesis: The children's well being is more influenced by the father's companionship than by the mother's companionship.
Commentary	Definition : Divine Institution : Family : Three Gifts Parents Can Give Your Children	There are three great gifts that parents can give their children: 1. When parents have a great, intimate relationship with God themselves a commitment to God's word that the kids can see, the place God has in your life, and a commitment to God’s word working in them, that is a gift beyond compare. These are all God-centered core beliefs. It is a gift beyond compare when have relationship with God and our kids can see it. 1. An intimate relationship with God: Don't secret your faith away, but let it be something that your kids can see.
Commentary	Definition : Divine Institution : Family : Three Gifts Parents Can Give Your Children	2. The gift of the parents having a great marriage and the way they treat each other. When parents love each other and give themselves to each other unreservedly, that provides the kind of security every child needs as they are growing up. They can't explain how it happens but it happens. 2. Give your kids a great marriage (why marriage doctrine before children doctrine) because it gives your kids real security. Why the marriage teaching comes before family. Sometimes a couple gets married and have a kid and then put their marriage on the backburner and put all the concentration on their kids. GH: Shouldn't do that? Studies show that healthy marriage means kids stay in school longer and wait to get married a little later in life. A great marriage makes for a better life for the children. Study: 'a parent's emotional connection with each other affects child rearing so much that it shapes their children's future'. MM says studies are true no matter where we live. GH: Please see studies in 'Ephesians - Session 56 notes'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Family : Three Gifts Parents Can Give Your Children	3. For the parents to love their kids unconditionally and demonstrate it by all they say and do toward their children. Let me say it this way, when children know their parents love them desperately; when they see that honesty of heart in their parents, it will be difficult to provoke these children to wrath. When children know the Lord and see Him at work in their own family; when children rest in the security of their parents love for each other; and when children live in the light of their parent's love for them, these parents are well on their way to obeying v4 and it will be really hard to provoke those children to wrath. As parents deal with their children with godly wisdom, they are laboring with God in their family, right along with the children who obey and honor their parents. Best tool to win your unsaved parents to Christ is to overcome evil with godliness. To despise them will not change them. The greatest power to have them change from them to either be saved or to begin to live for God and to change the way they do that is to love them unconditionally in a godly fashion. That's why you do that. Not because they deserve it, but because that is the best way to minister to them. But when the commands of a parent are unreasonable or unfair or too severe, children become discouraged-Colossians 3:21. GH: All sides may need to appropriate the grace of God to deal with unreasonableness and unfairness in the world. Don't be motivated by external means, be motivated by your inner man.
Commentary	Definition : Divine Institution : Family : Three Gifts Parents Can Give Your Children	3. Love our kids unconditionally. MM says studies say home life has a great impact on the kid and their future. These loving relationships are critically important. Loving family give kids the ability to cope with all types of stress. Reminds MM if everything is good at home I can deal with everything else. Ninety percent of brain development happens before the age of five. So, all children must have access to quality care including nutrition, health, learning, play and protection. That includes being in a nurturing environment. The home life of a kid has a big impact on their life and on their future. Vital for a child to reach their full potential in life. MM encourages the hugging of kids. When kids received affection from their parents it changed their kids brains. Children who received affection when they were children are happier as adults. But don't go overboard and smother kids. They have an individual comfort level.
Commentary	Definition : Divine Institution : Government	The Purpose of Government 1. To organize and carry out the work of God (GH: not evangelism and edification) 2. To bring order the control to the creation (controlling the people) 3. To control violence within society The instruction to be subject to government (Romans 13:1) - Is for every soul (saved and unsaved alike) - Is for every level of government (national to local) - Is not based on: * Type of government you live under * The spiritual condition of the people in office * The policies of the government

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Government	Why we should be subject to government - God is the Creator of government - Government is ordained by God - God's long-term work in this world is aided by every government Be ordaining government - The nature of government (natural capacities) - How government functions (ministry of civil rulers) - What governement does The institution of government itself was in place in the heavenlies long before human government was established on earth. Government is a divine institution. It first came into being in the heavenly places. The government God established on the earth is an extension of government that God originally instituted in the heavens. God is not reinventing government. Government on the earth may be in a different realm from the heavenly government, but it accomplishes the same purpose; to organize and carry out the work of God. And as such, it has to power to control, to rule, to manage and to direct. This is the whole idea of "dominion."
Commentary	Definition : Divine Institution : Government	Seven purposes of our godly response to government 1. To goverment: We properly expose its corruption God uses our patient, godly response to government to showcase when a government has become corrupt, or improper in its actions. 2. To fellow citizens: we manifest godliness - In what way? (1) by showing the power of God's grace at work in us, and (2) demonstrating the character of God - To what end? (1) to their salvation (2) to their edification - What is God attempting to do by our actions? (1) To bring people to salvation by showing them something in us they do not possess. The ability to have peace when everything around you is blowing up makes an impact to those who see it. (2) God is also seeking to make an impact on believers who have not yet come to the knowledge of the truth concerning this particular doctrine and the working of God's word in them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Government	3. To Satan's realm: we make manifest the manifold wisdom of God (obeying Ephesians 3:10). As we respond rightly to government, we are making an impact on the principalities and powers in the heavenly places. 4. To the creature: We manifest the coming righteousness (Romans 8:19-21). When the creature sees us being transformed by the word of God, it is giving the creature hope that righteousness is going to return to it and its realm, and that we possess the skills to govern the heavenlies for its Creator. 5. To God: We manifest our understanding of His work and it's importance to us When we respond rightly to government: - we are demonstrating that we understand what God is doing, no matter how good or bad a government may be. - We are showing how important that work is to us, and that we are willing to set ourselves aside and obey the doctrine. 6. To our fellow saints: we edify/encourage by our example As our fellow saints see our godly response to government, especially when it is acting badly, it encourages them to live out of the doctrine too. 'mutual edifying' 7. To ourselves: We rejoice in the effectual working of God's word IN our inner man Having the proper attitude toward government and the people who serve in it is another example of how we can rejoice in the midst of trials and tribulations. When we see ourselves being conformed to the image of God's Son as we obey the doctrine; that is a reason to rejoice, that God's Will is being accomplished in us!
Commentary	Definition : Divine Institution : Government	If you do not care about the divine institution of government and what God is doing with it, then don't worry about having a godly response to it. The time we spend griping and complaining about things would be better spent by engaging with the doctrine in Romans 13:1-7 to change our outlook from worldly to godly. Human government should not be opposed any more than any other divine institution, such as marriage, the church, or family. 1. When we think of the institution of government, we should think of it as we do with the other divine institutions 2. The issue of how to view government was at work in Israel's program just as in this DoGG Outward reverence and respect, both in speaking to them and in speaking of them is the goal. But we will not want to achieve this goal unless we see our Father and His purposes behind it. We should not want to disband the offices of government any more than we ought to disband the enforcement arm of the police. In either program, just because a magistrate is an unbeliever, it does not destroy their civil power and authority. - Just because a magistrate is not a Hebrew, the Jews were still to submit to Gentile authority. - In like manner, just because our particular political party is not in power does not relieve us of our godly obligation toward government.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Government	By our proper response to government, we put godliness on display. put the character of God on display. **We are living in a day when we cast off every divine institution when it disagrees with us, legitimately or not.** **- People are lazy or entitled, so they refuse to labor.** **- People are unhappy in their marriage so they violate it by their adulteries.** **- Children despise their parents so they emancipate themselves from the family.** **- People don't like preaching so they withdraw from church.** **- People hate government and so they refuse to abide by its laws.** **The point is there is not a DI in existence that men do not deface, insult, corrupt and deny when it suits them. God expects better from us**.
Commentary	Definition : Divine Institution : Government	Principles of Human Government - The institutions of human government are for saved and lost alike - Unsaved men can and do occupy the offices of government and God created government so unsaved men could occupy office and still do the one thing government is supposed to do. Possible for a lost man to carry out human government. - **God's main purpose in human government is to control the population of nations (so they do not devolve into chaos, utter violence and the evil that goes along with that violence**) - The reason for ordaining government as the power to enforce peace and tranquility has to do with the optimum atmosphere for God's work to be done. God knows in a society where there is peace and quiet, there's a better opportunity to evangelism and edification - God's intention is that nations make laws to control their people with the power to enforce those laws - There are all kinds of "violence" that government is meant to contain, for example: o Violence against the government (treason, insurrection, sedition, revolution) - Some people don't say Pledge of Allegiance because their allegiance is to God. MM says to oppose the country you live in is self-distructive.
Commentary	Definition : Divine Institution : Government	o Physical violence of the citizenry among itself (assault, injury, murder, even if these are accidental - manslaughter) o Material violence: theft (didn't injure you physically) - MM says he will not kill anyone over stealing his lawn mower o Property violence: trespass - STORY: Mark and Sarita and the intruder story. Pressed charges versus taking it into their own hands. o Business violence: fraud, identity theft o Character violence: slander and libel o Disturbing the peace is a form of violence o Kidnapping is a form of violence - even if not physically abducted - Government, in an attempt to quell all sorts of violence, passes laws to control these types of behaviors in all the areas of life. - We are to obey these laws without exception as they are the good works (Romans 13:3) - If we violate these laws, we should expect to pay the penalty according to law

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution : Government	1. The institution of human government is for saved and lost alike. 2. Dues, tribute and custom are meant to convey every category of taxation. School tax, sales tax, property tax, income tax, you name it. 3. The wickedness of men who make or enforce the laws does not render the law null and void, nor does it void our obligation to obey it. 4. Godly labor must be done intelligently and be motivated by godliness. 5. Unsaved men can and do occupy the offices of government. 6. The reason for ordaining government as the power to enforce peace and tranquility has to do with the optimum atmosphere for God's work to be done. 7. By paying our taxes, we support the ordained power of government. 8. The holders of governmental office are God's ministers. 9. Tribute is a form of tax imposed by government in return for peace, security and protection.
Commentary	Definition : Divine Institution : Government	When He shows up He is going to set up a true theocracy because God is going to be in charge. You will never vote on it because it's a government unlike any other government any set of humans could produce. There have been plenty of dictators in the world. In fact, Jesus is going to have a title KING OF KINGS-Revelation 19:16. There have been kings in the world that are men but they don't have the righteous wisdom that He has because a king may be benevolent or he may be a despot, but when Jesus becomes KING OF KINGS, that is going to be a kingdom unlike any other kingdom the world has ever seen. If He just let men put it together themselves, they would ruin it. POINT: Just because He is going to set up a kingdom, doesn't mean that every government has to have a king. Can have a representative government. God invented human government to accomplish one primary purpose (GH: control chaos and promote an atmosphere of peace). Government does a lot of things today, a lot of things they shouldn't even be doing, but God created human government to do one thing.
Commentary	Definition : Divine Institution : Government	It wasn't to promote Christianity, not why God created human government. Every single government in the world today is doing this one thing, which means your Sonship can work no matter what government you live under in this world today. If the government ever fails to do this, it will be taken over by another government who will do that one thing. When God looks at human government, He looks at it very differently than we do. He wants it to do one thing and to understand what that is, you have to go back to the days before the Flood because that is where Paul takes you. In the days before the Flood, there was no human government, that didn't come till after the Flood. God created human government and set it up and now human government has one thing to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution Type : Government	God is the creator of human government. Government is a divine institution. Most Bible colleges teach government started with Genesis 11. God originally put it in the hands of Adam and told him to have dominion over everything and that is a governmental position. But Adam lost that. From Adam to Babel, you had no human government and when you have no human government, then God's purpose of instituting goverment is not being fulfilled. God only has ONE purpose in human government and it is NOT to put forward a Christian agenda. MM says he knows we think it is. PURPOSE: To exercise control (not talking about controlling sin). The earth was FILLED WITH VIOLENCE-Genesis 6:11 is a result of no human goverment. Take away the police and sheriff's department and what happens when someone wants something from your home - they are going to come and get it. STOP signs and YIELD signs are all controls. Take away the controls and what will the roads be like? God created human government for one reason - if there isn't control this world will implode upon itself, it will be total chaos, it will self-destruct. God didn't create human government to promote the Bible, it wasn't to carry the gospel, it wasn't to keep America from sinning. God has a different program for that. One reason was to exercise control. GH: Governments can allow abortions, beheadings, etc. and as long as it does this one thing - EXERCISE CONTROL - He calls them HIS MINISTER.
Commentary	Definition : Divine Institution Type : Government	If anyplace on the planet goes without any kind or any form of government, it will be taken over and they would install a government in there. Satan can no more overthrow a government and bring it to the level it was before the Flood because another goverment now will take it over. There will be one-time when God will remove the ability of human goverment to do that and that will be during the Antichrist rule when his kingdom completely falls apart and has lack of control. Will watch the whole world descend into chaos just like before the Flood (Genesis 6:11) just before the Son shows up at the Second Advent. It will implode on itself - the 10 nations turn on the beast, the kings of the east come, and it will implode upon itself. For the first time in human history God will have allowed human government to no longer fulfill its purpose.
Commentary	Definition : Divine Institution Type : Government	We are so engulfed by our notions of democracy that we think this is the only legitimate form of government. But even a democracy run by men is as corrupt as another form of government. When Jesus shows up, it will not be a democracy - He is not being elected, He is not running for office. When He sets up His kingdom, you aren't going to vote. He is going to set up a monarchy. And “civil disobedience” against Him or His laws or against His Kingdom will not be met with dialogue or rhetoric, but with a rod of iron. MM says this great experiment we have, don't be surprised if it corrupts itself. That's why when God shows up there is only one way. MM says the Constitution is not on par with the word of God. It is an inferior document. Although he loves living in this country, he does not suppose that the principles that we enjoy everyday are on par with the principles of godliness. MM says even if they censor him on every platform, his Sonship still works, they can't take that away because it is not in a building or place. His Sonship still works in a third world country run by a dictator. Sometimes, we equate our politics with our Christianity and those are not the same thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Divine Institution Type : Church or Local Assembly	Ideal Church/Assembly: When this body is functioning right and it comes together, this body is going to do what it was intended by God to do when He made it a divine institution. When that happens, 2 great things are going to happen: 1. The wonder and glory that will flood your soul is beyond MM's ability to describe 2. We will then get the attention of the adversary and we will go under the gun **The church is not the building, the church is the people. You are the church. When you leave, God goes home in you**. HOUSE OF GOD: Not building but the people who are assembled there. When we become the pillar and ground of the truth we begin to impact the community.
Commentary	Definition : Doctrine	DOCTRINE: Doctrines do different things, it just depends on what the doctrine is. Every doctrine has a purpose, it's designed to do something. Doctrine tells you how you are supposed to think and act towards other believers. Doctrine that is supposed to produce comfort in our hearts in the midst of the SoC. Doctrine that teaches us how to function together as a single body. Doctrine - for it to do what it is supposed to do: 1. Have to UNDERSTAND it 2. Have to BELIEVE it (positive response to the doctrine) 3. Have to LIVE it or implement/integrate that into your conduct (proper response to the doctrine) In our justification, we are going to live forever with God. In our sanctification, we can live unto God by doing those things which honor and please Him. In our exaltation, we can live for God right now to His glory and not for the adversary as we used to.
Commentary	Definition : Doctrine	In our justification, we were made the RIGHTEOUSNESS of God in Christ, got that imputed righteousness. In our sanctification, we were made the HOLINESS of God in Christ. In our exaltation, we are going to be made the GLORY of God in Christ All 3 make up your entire identity in Christ. POE has something to corrupt all 3 of these because that is the total of who you are in Christ. How you are going to live from now through eternity and it is not going to change/go away. Today, God is not punishing you to get in line. He is using His longsuffering and goodness and forebearance. Doctrine goes into spirit to soul and changes the way you think about it so you are thinking in accordance with that doctrine. Spiritual transaction. God changes your thinking and then He changes your living out of that new thinking. What establishes us in the faith. Starts in Sonship Establishment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine	Steps: 1. He gives us the Truth of His word. 2. We respond positively (understand and believe) and properly (live out of that Truth) 3. That strengthens our inner man 4. When our inner man gets strenghtened in response to that doctrine, Christ life is now being lived in us. MM says we should be standing on our chairs jumping up and down. This is what you were created to be. The pre-requisite for Christ living His Life in us is for us to be strengthened by His Spirit in our inner man. We get strengthened in our inner man by responding positively and properly to the doctrine. MM says it is simple and makes sense. When you look at what's in this Book, you/read->understand->believe=>live out it that, the Spirit is strengthening your inner man. If Christ is going to live His Life through you, you are going to need to be strengthened in your inner man and the only way to do that by responding positively and properly to the doctrine. MM says when you respond positively and properly to the doctrine every good (GH: spiritual) thing you can imagine begins to happen. Don't think this is so far beyond your scope that you can't get it done.
Commentary	Definition : Doctrine	Our Two Main Resources: We have two resources: 1) We have the doctrine which we do know - What we do for ourselves and that concerns our living out of the doctrine. As we continue our education and become more edified as we advance through the doctrine, we will be able to do more and more for ourselves. We will have more of the doctrine to draw from and we will be more skilled in applying the doctrine to our own situation. No matter how little or how much doctrine we know, each one of us needs to learn how to employ the doctrine we know for ourselves. It is important to know what the doctrine actually does and does not do so that we are expecting the right result of living out of it. If we are sick, the doctrine will not heal us. If we are injured, the doctrine will not keep the pain away. If we have a relationship problem, the doctrine will not solve the problem. If we lose your job, the doctrine will not get us a new one. If someone steals our car, the doctrine will not replace it. The doctrine is an “inner man” issue. 2) we have the office of mercy in our local assembly - What others will do for us. If there is a physical thing that can be done to help us, then others can supply that need to alleviate suffering. If the suffering is mental in nature then our fellow-saints can come alongside to encourage us and strengthen us. Strengthen fellow saints by gently reminding them of the doctrine as we talk with them and have compassion.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine	Definition : Doctrine - Is a set of instructions that is informing you about something. - Doctrine in Romans that is instructional about your justification and it is teaching you all of the things about your new identity IN Christ with regard to your justification. - Doctrine in Romans that is a set of instructions about your new identity in connection with your sanctification. - Doctrine in Romans that is a set of instructions that speaks to the dispensational change. - When you get into Romans 12, you are talking about the individual forms of doctrine that are meant now to go to work in your inner man to conform you to the images of God's Son so that Christ is formed in you so He can actually live His life in and through you. Starting in Romans 12, you are talking about every FORM OF DOCTRINE-Romans 6:17. Means there is a pattern to it - think, live, labor. These 3 things together constitute a FORM OF DOCTRINE. Doctrine comes in different forms.
Commentary	Definition : Doctrine	Doctrine - for it to do what it is supposed to do: 1. Have to UNDERSTAND it 2. Have to BELIEVE it (positive response to the doctrine) 3. Have to LIVE it or implement/integrate that into your conduct (proper response to the doctrine)
Commentary	Definition : Doctrine Benefits	Benefits of the doctrine: 1) Keep us from being overwhelmed by our situations of suffering - Appropriating God’s grace comes by responding properly to the doctrine. We get overwhelmed when our physical suffering continues for an extended period of time in which it does not let up or it gets worse. May need godly patience until the Blessed Hope when God will completely heal our bodies at the redemption of our bodies. We get overwhelmed when our suffering is of such a nature or is of such magnitude that we feel like we cannot deal with it. Appropriating God’s grace comes by responding properly to the doctrine. 2) Keep us from falling apart when our world is shaken - The doctrine will not make the sense of loss go away and it will not keep us from sorrowing that they are gone, but it will keep that sorrow from adversely affecting our inner man so that we sorrow appropriately and not as those who have no hope (I Thess. 4:13). 3) Give us a peace in our heart in the midst of terrible circumstances 4) Allows us to look at things the way our Father does (His POV) - The doctrine reminds us of our Father’s point of view; the way He looks at circumstances which may cause suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine Benefits	5) Change our focus from our circumstance to our response to it - The key to living the doctrine is to focus on how we are responding to the suffering circumstances. Often, the pain of suffering "catches us off guard" and before we know it, we are all wrapped up in whatever is causing us to suffer. When that happens, stop, take a step back and evaluate the godly response you need to have based on the doctrine you know. 6) Reminds us to pray - Prayer activates the doctrine and so let the doctrine remind us to pray. It is as we talk to our Father about what is happening that we begin to get our spiritual bearings and work through our suffering in a godly manner. 7) Remove our fears by producing the mind of Christ IN you/us - When the doctrine produces the peace of God in our souls, it is protecting or guarding our hearts and minds. 8) Cause us to rejoice no matter if our suffering stops or not - There will come a time in which we will have practiced the doctrine to such a degree that our joy over the strengthening of our inner man, and the building up of the life of Christ in us will become so important and so obvious (to us) that finally, we will be able to say like Paul, "I take pleasure in infirmities…" As we continue to reckon the sufferings unworthy to be compared with the glory, and as we continue on through the doctrine, the glory of Christ in us will not just be something we look forward to one day, but it will have become a present reality.
Commentary	Definition : Doctrine : Atonement	At One with someone, made one again. Closely related to reconciliation (to be restored). Includes all 3 aspects - OFFERING, SACRIFICE, & SWEET SMELLING SAVOUR-Ephesians 5:2 - of how Christ gave Himself for us.
Commentary	Definition : Doctrine : Christology	A lot of component parts, like God's omnipresence. Has two parts to it: 1. The Person of Christ - this is the central doctrine of the incarnation 2. The Work of Christ - not the Carpenter (GH: Cross-work of Christ?)
Commentary	Definition : Doctrine : Consolation and Salvation	The Doctrines of Consolation and Salvation are those doctrines which produce mental comfort and peace of mind in the midst of sufferings so that instead of overwhelming us to despair, they work to conform us to the image of God's Son. The doctrines are primarily found in the books of 2 Corinthians, Philippians, 1 & 2 Timothy and Titus.
Commentary	Definition : Doctrine of Devils : Deconstructionism	Deconstructing their Christian faith (MM says that sounds so intellectual doesn't it) - produces A REPROBATE MIND-Romans 1:28. Denying the Resurrection or the fundamentals of the faith or I don't call myself a Christian anymore. They don't think God is who they originally thought He was. They don't think salvation is what they originally thought they trusted. They have decided this things are no longer true. They finally have come to the 'light'. They say they deconstructed their faith. It's been around since the beginning. You can class it up with a word like 'deconstruction', but you've just apostatized. They have allowed themselves to be talked out of the faith that they believed that gave them eternal life. These people have fallen victim to one of Satan's DEVICES-2 Corinthians 2:11 where he has now talked them out of the Truth. MM says the cure or innoculation for this is the first piece of armor - LOINS GIRT ABOUT WITH TRUTH-Ephesians 6:14. MM says when he sees someone who deconstructed their faith, he knows there some things that they didn't understand. Satan used that weak spot and overturned their faith.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Foundational	Where spiritual warfare takes place, in attacking these things in 3 particular ways. Spiritual ways not physical. * Dispensational Change: Program change/how God is working and what He expects. - God was working with the nation of Israel in 'time past' and He was dealing with them in a very specific way. And then, there came a point recorded in the Bible, where God interrupts that program and introduces an entirely new program and that switch is referred to as the dispensational change. This new program is called the mystery of Christ. - Grace: God is now dealing with us by Grace/not the Law (which was a performance system) - Spiritual: His emphasis is now on the inner man, or the spiritual/not physical - The body of Christ: The people God has in view/focus are the members of the body of Christ/not national Israel * Mystery of Christ: The present program (which was kept secret from the foundation of the world until God revealed it to the apostle Paul) and then Paul writes `13 New Testament books that explain and detail it (the mystery). - Our new identity in Christ: when you got saved, you were made a new creature and you were given a whole new identity in Christ.
Commentary	Definition : Doctrine : Foundational	- Dead to sin - Spirit within - Written word - members of the same body so we can be encouraging and helping each other - Edification - grow and see our functional life grow and increase - Reconciled - Forgiveness of every sin - nothing to condemn us when we stand before God - Church is the divine institution - Spiritual blessings - got every one of them when you trusted Christ - Grace - Unlimited access - Hope for eternity Not an exhaustive list but look at what all God has done for us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Foundational	- Manifold (many folds or many parts) Wisdom of God: Really important. Is a huge subject as it includes all that God planned before the foundation of the world. Satan wants you to be in the dark on the mystery of Christ but especially the manifold Wisdom of God. Manifold is God's great plan where He is working a lot of different things to the same end, that are in concert with each other. * God would not make His Wisdom known but keep it a secret within Himself: Before the foundation of the world, God looked down through time (because He is omniscient) and He saw what was going to be happening. So God devised a whole program with this future time in mind and He was going to keep this future thing a secret. Not even the angels knew. First part of the manifold Wisdom is God's Wisdom in knowing I AM going to plan this and determine it ever before I DO anything so I CAN keep it a secret in Myself. * God would take Satan in his own craftiness by allowing Satan to do the very thing which became his downfall: This was crucifying Jesus. Satan thinks if I can kill Jesus on the Cross, that will get rid of Him. But what He didn't understand, because God had hidden some things, if he does this, he has now lost everything. Satan thought he was so wise that there was no secret that could be hidden from him. When we say God 'took him in his own craftiness'-Job 5:13, Satan thought he was so keen and so wise, and he made a decision about what to do. That thing that he did was not only his downfall, but it showed him to be not all wise. God allowed Satan to destroy himself.
Commentary	Definition : Doctrine : Foundational	* God, at the appropriate time, would bring in a new dispensation where He would deal with the world under grace: GH: See Dispensational change commentary above. * God will ultimately destroy the entire/whole satanic plan of evil (both in the earth and in the heavens): Satan's plan of evil has 2 goals to it. One plan of evil is working in this world and one plan of evil is working up in the heavenly places. Part of God's manifold Wisdom is that He will destroy Satan's entire plan of evil, whether it has to do with the earth of the heavens. * God would provide for a “new creation” made from redeemed humanity by which he would repossess the heavenly places: This new creation will work with Him to repossess the heavenly places. MM says it is not a big shock that God would use people to repossess the earth back to Himself because this is where we are. But what Satan didn't see was there was going to be a new people, a new creature, that God was going to make out of humanity that would, in eternity, populate the heavenly places, and repossess that back to God as well. Wouldn't guess that because it's hard for a person to breathe in space and it's cold. The glorified body allows you to function up there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Foundational	* God would establish His Son as the “Lord of glory” over all things, over the entire creation - That Blessed Hope-Titus 2:13 * Rightly Divide the word: how we properly handle our Bible, how to understand the Bible, discerning what is written to whom and for when. Comes out of 2 Timothy 2:15. - There are things in the Bible that look like contradictions (like the dietary laws). But in the DOGG, you can eat pulled pork BBQ and catfish. But this is not a contradiction. God is talking to different people who He is dealing with in different ways. - Entire Bible: the whole Bible for our learning but the whole Bible is not written to just one group of people. God is writing to different people at different times to show that He is dealing with them in different ways. - Paul's epistles: his 13 letters are for our practice. Learning how to live so that you can please God. - books arranged in a “milk to meat” curriculum
Commentary	Definition : Doctrine of Devils : Post-Modern Relativism	Nothing is true for everybody. Your truth is different than someone else's truth. Says that there's no such thing as objective truth. There is nothing in the world that is true for everybody. If it is true for you, that's your truth, but if I don't like that truth, then that's not true for me and I'm just as right as you are.
Commentary	Definition : Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	MM says once you begin to plumb the depths of this, it is one of those doctrines that kind of pulls back the curtain on who God is in a way that you don't normally see Him. And for that moment, you stand in absolute awe because now you recognize the depth o something that you may not have fully appreciated before. God did not come from anywhere - He has always been. Means that no one brought Him into existence and He doesn't need anything to continue to exist outside of Himself. He is independent. He is self-sufficient. When we come into the world, we need things - oxygen, nourishment. God doesn't need oxygen, He doesn't need anything to eat. He doesn't need protection from the elements. He is totally sufficient within Himself. MM says Bible college taught that God wanted fellowship with man. MM disagrees, He had fellowship with the Godhead. Would imply that God was incomplete without the creation. God is self-existent but the creation is not. Is the doctrine that presents God as self-existent. That is to say, God does not depend on any other cause than Himself for His existence. This represents God as absolutely independent and self-existent by nature. Aseity has two aspects, one positive and one negative: Aspect 1: absolute independence: affirms that God is completely self-sufficient, having within Himself the sufficient reason for His own existence. (positive) God is all He needs to continue. Aspect 2: self-existence: affirms that God is uncaused, depending on no other being for the source of His existence. (negative) God didn't need anyone to bring Him into existence. - Self-existence sets God apart from every other thing or person in such remarkable ways that, to study it and begin to truly understand and appreciate the aseity of God and stand in awe of God in a way that you may not have done before.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	As a part of aseity, God is said to be incapable of changing (see Hebrews 13:8). Changing implies development. Since God was, and is, and is to be the Absolute Perfection, there is no need to change. God is not getting wiser with age. He was totally wise in the beginning. God is perfectly perfect. Since He has always been, He is eternal. That's what makes Him God. If He had a beginning, He wouldn't be God. You have: - God - people call God the Supreme Being - the supernatural - man - we are a being because there is a God. Once you are here, you only continue because you are in the Mind of God. Colossians 1:17 - animals - plants - rocks (inanimate objects)
Commentary	Definition : Doctrine : Divine Aseity or the Aseity of God (God's Self-Existence)	Can argue the only being is God. Everyone else is not being, their becoming - predestinated to be conformed to the image of God's Son. He won't but if God ever died, everything would cease to exist in a moment. Nothing can fall out of God's Mind. Everything that exists depends on Him to the nth degree. If someone says I'd like to see a proof for God - MM says you are here aren't you? If you like sunsets, walking through the snow, walking through swallow water on a beach with your bare feet, looking at the majestic mountains - those things are only there because God is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Essential Doctrines	Essential or Primary or Critical or Necessary or Non-optional Doctrines: Essential areas of your Christian life cannot be developed without them. Are all categories of doctrine that are very important to your Heavenly Father because we will never become the sons and daughters we are supposed to be without them. Still go to heaven, still get a glorified body but your most essential areas of your Christian life will not be developed and spiritual growth is going to come to a halt and won't get the benefits of what is supposed to come your way. Prefaced by I WOULD NOT HAVE YE IGNORANT. These are given in order because understanding an essential doctrine depends to some extent on understanding the previous doctrine. Are real important. The POE has counterfeited these 6 doctrines, like they deserved special attention from Satan. They are meant to decieve you and if you don't get this straight, he doesn't say you are likely to be deceived, he says you will follow the counterfeit. The whole time you are following the counterfeit you will think that you are serving God. In the pastoral epistles the terminology that highlights them is not DON'T BE IGNORANT OF, it's a little different. Uses THIS IS A FAITHFUL SAYING or THIS IS WORTHY OF ACCEPTATION or THIS IS A TRUE SAYING. Addressing these 6 essential doctrines in the framework of the local assembly and how the POE attacks the assembly with regard to these 6 doctrines. Pastors need to be warned how the POE is going to try and corrupt this. How many people don't know that Romans is the start of your godly edification? Would never know about unless you are told specifically. Have to be told about it. Indispensable if you are going to go anywhere as far as your Heavenly Father is concerned; have to get these 6 right; critical for your spiritual growth; most people are ignorant of these - 6 areas where the chruch has made a mess of stuff- incredible how successful the POE has been in all of these 3 areas (GH: 3 POE phases/attacks?).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Essential Doctrines	In Paul's epistles, there are 6 categories of doctrine (Essential Doctrines) that are laid out from Romans-2 Thessalonians. Then they are echoed in the pastoral epistles (1 Timothy-Philemon). Important because all 6 of them are necessary if you are actually going to mature and grow like you're supposed to. They're all in the Sonship education and you will get to see them. Will see the 6 but just wants to talk about 1. You will see why. Spelled out in Paul's epistles where you can very easily find them. Paul uses certain terminology for them, like DON'T BE IGNORANT OF and then he will spell it out. When Paul talks about them, he is emphasizing how critically important they are. That is highlighted in the DON'T BE IGNORANT phrase. These 6 categories of doctrine are 'favorite' targets of the adversary. These are pet doctrines that Satan really has in his sights. Because they are special to your Father, they are special targets of the POE. Trying to accomplish 1 of 2 things: 1. he is seeking to keep all people ignorant of the Truth in these doctrines so they will be in the dark about them. If you do find out about them, there is a special work on his part to corrupt your understanding of those doctrines so you don't have a handle on them so knowing them doesn't do you any good. The POE is targeting these things. MM says you could call these battle ground areas. If he can keep someone ignorant of even corrupt their understanding, it is a real feather in his cap. It is a way for him to boast about how successful his POE has been. 2. Once you discover or hear about them, the POE now wants to corrupt your understanding so that somehow this thing doesn't actually work the way it is supposed to work - effect you and your Heavenly Father. There's something that He is doing in this - Satan doesn't want that to happen. You are supposed to be able to appropriate grace in the midst of these sufferings - Satan doesn't want that to happen. Easy to locate because they all had a similar type phrase attached to them where Paul said 'I would not brethren that you be ignorant'.' It is of interest to the Adversary to promote ignorance of all 6 of these categories of doctrine or to produce doctrinal corruption.
Commentary	Definition : Doctrine : Essential Doctrines	Essential Doctrine 1 of 6: Romans 1:13-15 – The Purpose of Paul’s Special Apostleship (godly edification) - Don't see this, won't get godly edification. Essential Doctrine 2a of 6: Romans 8:18 - Sufferings (SOPT) - There are two aspects that make this an essential doctrine. 1. God wants us to look at sufferings differently than Israel would have looked at suffering in their program - you can't look at it from Israel's program/going back to the O.T. and know what to do today. 2. The nature of suffering: there is no natural desire/inclination in us(anyone in their right mind), by our own human nature, to want suffering (they don't want it/avoid at all costs - no one wants to suffer) It is natural to want to avoid the pain of suffering. Essential Doctrine 2b of 6: 2 Corinthians 1:3-10 – Sufferings (SoC) Essential Doctrine 3 of 6: Romans 11:25 – The Dispensational Change (learn about Israel and the Mystery) - Don't see this, won't see the need to rightly divide the word. Essential Doctrine 4 of 6: I Corinthians 10:1 – Godly Sanctification - being called apart for God's Purpose

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Essential Doctrines	Essential Doctrine 5 of 6: I Corinthians 12:1 – Spiritual Gifts - teaches about the excellency of His word and the ability of it to do something that surpassed anything else that had ever been done on the face of this earth. Get an education on the excellency of the word of God. You are supposed to carry that understanding forward. Essential Doctrine 6 of 6: I Thessalonians 4:13 – Death, the Rapture & the Lord's Day (3 issues) Reasons these are important: 1. The POE has developed very precise counterfeits for each. Need to understand just how well that counterfeit has been crafted. If you don't have the proper doctrine in the Bible, you will be victimized by the POE. POE wants you to think about differently. Doesn't care how it corrupts your thinking, it just wants the understanding to be very confused so you don't get it right. 2. Godly thinking: You will never come up with these in your own wisdom. Why people will look at you like you are crazy. About thinking like your Heavenly Father thinks about things, seeing it from His perspective. This is the goal. This doctrine is going to produce this kind of thinking.
Commentary	Definition : Doctrine : Essential Doctrines	Essential Doctrines: When Paul uses the terminology THAT YE SHOULD BE IGNORANT, that is one of Satan's pet areas of attack from the POE and you have got to take notice of that. You can't just read over it lightly. Means that there's an issue at stake. Here's an area where Satan is working harder on than other things to get the confusion and the corruption done in the minds of people. There are 6 times/areas (some have more than 1 part) that Paul uses this phrase. 1. Romans 1:13: Paul's authority as an apostle and the edification that is meant to go on under this ministry. 2. Romans 11:25: 'Israel and the Mystery' - GH: Israel is blinded until the DOGG completes. 3. 1 Corinthians 10:1: Talking about an issue with regard to godly sanctification (or being set apart) and he is going to illustrate that by Moses and the pilar of cloud. 4. 1 Corinthians 12 - 14 (Spiritual Gifts) 5. 2 Corinthians 1:8: SoC (Sufferings of Christ) 6. 1 Thessalonians 4:13: The doctrines of death, the Day of the Lord, and the Rapture 7. 2 Corinthians 2:11: Knowing Satan's devices In the old days, MM says we would say here are the fundamentals of the faith - the deity of Christ, the blood Atonement, the bodily resurrection, the inspiration of the scriptures, the triune nature of God. The areas that Satan is attacking is not so much those areas but it's these 6 areas for us in the DOGG. These are 6 areas that we can't afford to be ignorant of these because if you are, there are dangersous consequences to being duped by the POE.
Commentary	Definition : Doctrine : The Incarnation	You have One God being manifested in 3 Persons - Father, Son, and Holy Ghost. You have the middle person with two natures, very man and very God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Imputation	Is the doctrine that is essential to the cause of all of the elements under the umbrella of justification. And imputation is a two-way street. First, when we put our faith in Jesus Christ, God imputes the righteousness of His Son on us. Most believers know their sins are forgiven/ask Jesus to come into my heart and forgive my sins. This is what they know. But what they don't realize is that if that's all that happened, you're still in trouble. Because He can forgive your sins, but if that is all He did, you are still unrighteous. Nothing really changed about you. So the first way imputation runs is that He takes the very righteousness of His Son and He puts that on us and make that our status, our position before Him. So no matter what you do, you are at the very core of who you are in Christ, you are righteous because He was able to do that. He put your old man to death, raised you to walk in newness of life, imputed the righteousness of His Son to your account. The imputation that runs the other way is our sins, the sins of the world, got imputed to God's Son. Means what happened at Calvary has real meaning. The sins of the world got imputed to God's Son.
Commentary	Definition : Doctrine : Penal	Penal System = Prison System = Punishment System He didn't just take our place when He died, He took the penalty of sin upon Himself as well. Until you recognize that the Death of Jesus was both substitutionary and penal, you will never realize how much He loves you or what He did for you.
Commentary	Definition : Doctrine : Substitutionary	The Death of Christ that atoned for our sins was substitutionary. He took our place. Until you recognize that the Death of Jesus was both substitutionary and penal, you will never realize how much He loves you or what He did for you.
Commentary	Definition : Doctrine : Doctrine of Suffering	Doctrine of suffering carries 2 Es - Two excellencys - both are wrapped up in the doctrine of suffering: 1. EXCELLENCY OF THE KNOWLEDGE OF CHRIST - Philippians 3:8 2. EXCELLENCY OF THE POWER - 2 Corinthians 4:7 The goal of the doctrine is to get you through it without murmuring and complaining and whining and despairing and all of that. IT IS THE EXCELLENCY OF THE POWER of God's word to produce a tranquil soul and spirit, even thought the OUTWARD MAN IS PERISHING, that makes an impact upon the angelic realm.
Commentary	Definition : Doctrine : Sonship Suffering	Sufferings do not strengthen us, but they are the opportunities for us to be strengthened as we respond to them in a godly manner, (in the way God has provided). As we respond properly to suffering, we are strengthened in two particular ways: 1. We are strengthened to withstand the effects of the suffering in our inner man. This strengthening of our inner man results in an ever-increasing ability to withstand the effects of sufferings. EX mental pains and emotional injuries which lead to anxiety, fear, resignation, depression, anger, grief, etc. 2. We are strengthened to become MORE THAN CONQUERORS-Romans 8:37. We are talking about a process that takes time and effort. The more times we respond properly to our sufferings, two things happen: 1) the less time it takes us to recover, and 2) the less impact those sufferings have on us, until finally, they just don’t affect us anymore.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Doctrine : Sonship Suffering	Think of this as our ability to “hit back” against the effects of suffering. Being more than a conqueror is our offensive strengthening. As we gain sensitivity to the suffering of others, we get involved in helping them both physically and spiritually so they too can be strengthened by their sufferings (The office of mercy, etc.). We understand that our suffering has eternal ramifications, it prepares us for eternity. God allows sufferings because there are some things which cannot be done in us apart from suffering.
Commentary	Definition : Doctrine : The Immutability of God	Doctrine : The Immutability of God - It means God in His great nature never changes. - Includes HIS GREAT LOVE-Ephesians 2:4.
Commentary	Definition : Dominion	DOMINION: Dominion is a power given/granted to someone/something by a higher authority. Given by someone/something that has the power to give/grant that dominion. Can also take it away.
Commentary	Definition : Doxology	Where you are trying to extol the greatness of the virtues and attributes of God beyond using verbiage like perfectly perfect.
Commentary	Definition : Dwell	Actually has 9 definitions but MM only interested in 2 definitions for the word DWELL. The one where the Spirit of God dwells in us. The context will tell you which one of these he is talking about. 1. He is just taking up residence in you. The Spirit of God lives in your human spirit. You were spiritually dead, but when you got saved, the Spirit of God comes to take up residence in your spirit. The Spirit dwells in every believer in the sense that they have Him permanently residing in their human spirit. 2. The Spirit has you. You are being controlled by the Spirit. Not robotically. Means you are being led by the Spirit. You are walking after the Spirit. It means you're making a decision to obey the doctrine. The Spirit dwells in spiritual believers in the sense that He produces something in their unredeemed body whereby it produces fulness of function
Commentary	Definition : Early Church	Saul/Paul is the first member of the body of Christ (Acts 9) and he is preaching the gospel of the grace of God. Jesus Christ Himself revealed the elements of the mystery to Paul. During this time, the church also has the spirtual gifts in operation. PAP (Paul, the grace Apostles, & the grace Prophets). Prophets look at the letter that Paul wrote, the Spirit allows them to bear witness, the apostles copy that down and carry it to other churches where the process repeats. You have a multiplicity of copies and that is how the word gets perserved.
Commentary	Definition : Earth	Earth is placed in the midst of the heaven.
Commentary	Definition : Edification	MM says there is a sense that the right thing said to someone at the right time can benefit them or edify them. It doesn't necessarily have to be a spiritual thing - edification unto the general well-being of others. What secular counselors try to do. But in the Bible which is what we are after, there is an edification that takes place in our inner man that is producing godliness-edification unto godliness. Edification: Means we'll be able to see our functional life grow and abound.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Ecclesiology	Doctrine of the church - Is the study of the church. The Greek word for church is “ecclesia.” “Ec” is the prefix which means “out” and “kaleo” is the verb which means “called.” A church is a called out assembly, called out of the world. The church is not supposed to be like the world, for we are not of the world.
Commentary	Definition : Eschatology	Doctrine of future events or last things
Commentary	Definition : Edify	OED: Edify: In religious use: To build up (the church, the soul) in faith and holiness; to benefit spiritually; to strengthen, support - MM says if you look at the other non-religious definitions, it means kind of the same thing - to strengthen someone, to support someone that they would benefit by something that was said. - Comes from the word ediface, which is a building. But most of the definitions for edify and edification are not physical in nature. Most of these thing are the building up of the soul or imparting some sort of moral or spiritual stability or strengthening of some kind. MM says don't get to thinking that the only kind of edification that ever happens to someone is spiritual in nature or that edification is only physical in nature. But the only edification that results in godliness is by the doctrine. You can encourage someone without the doctrine but it only does that. The doctrine is what makes that difference. The edification that Paul talks about is GH: the doctrine unto godliness. POINT: It is possible for someone to benefit in their soul by someone coming along and encouraging them in some way but that doesn't produce godliness. OED: Edification: The building up of the church, of the soul, in faith and holiness; the imparting of moral and spiritual stability and strength by suitable instruction and exhortation.
Commentary	Definition : Effectual Working	Aspects of “effectual working” you need to be aware of. 1. God designed His word to effectually work to produce things in you for this dispensation of grace 2. God designed His word to effectually work in Israel’s program to produce things for the nation of Israel - He wants the word to always be the means by which it effectually works to produce something. It is what God says. Wants it working in BOTH programs. 3. **There are 2 stages to the effectual working of God’s word (Philippians 2:13)** **1. Stage 1 is to get you to “will”(want it) to do what he is talking about. 'desire'** **2. Stage 2 is to tell you how “to do” it in a way that honors and pleases Him. 'power'** Nutshell: the desire and the power
Commentary	Definition : Election	MM describes as a Calvinistic term. Is a deliberate choice between alternatives. What God chose before the foundation of the world, not who would be in the body of Christ, but that there would be a body of Christ. That is the “vehicle” so to speak. It was the body of Christ that was chosen, not each individual in that body. Christ is the “elect” (Isaiah 42:1), Israel is the “elect” in Him (Isaiah 45:4), and the body of Christ is “elect” in Him (1 Corinthians 12:12, 27; Colossians 3:12). It is always “in Christ.” We are elect because we are in Christ who is the Elect. God does not elect anyone outside of His Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Elohim	God and the word Elohim: MM says when you see the letters G-O-D you automatically start thinking of a specific set of attributes - omniscience, omnipresent, etc. That's not really what's in the word Elohim. The Bible actually has a number of things that describes that word. An Elohim is any being whose natural estate is the spirit realm and does not possess a material/physical/corporeal body. - God of Israel - Psalm 82:1 - The gods of Yahweh's council - Psalm 82:1 - The gods of the various nations (Ashtoreth, Chemosh, & Milcom) - 1 Kings 11:33 - Devils - Deuteronomy 32:17 - Disembodied human dead - 1 Samuel 28:13
Commentary	Definition : Elohim	Elohim describes anything in the spirit realm where the spirit realm is their natural state and they do not possess a physical body. So God is Elohium. All of the created spirits are Elohim. Humans who have died and lost their physical power are Elohim. But no Elohim is like Yahweh. Now take all those specific attributes and put them on Him because the others will never be that. So when you see 'gods' in your Bible, think of something in the spirit realm that no longer is in its natural state possesses a body.
Commentary	Definition : EJP (Equivalent Justice Principle)	EJP (Equivalent Justice Principle): Issue of sowing and reaping, do unto others. The way you do it, that is the way it is going to be done to you. In the 5th installment, whatever you do, I AM going to do back to you. There's a bit of this in the DOGG. This is a principle the believing remnant needs to understand. There's a splash of this in Paul's letters.
Commentary	Definition : Eternal Life	Your eternal life begins once you have trusted Christ. Don’t think of eternal life as something you don’t get until you die, but connect it all up and think about living your eternal life right now.
Commentary	Definition : Eternal Vocation	Body is in the heavens. Earth, since the Father is going to set up His residence, represents the soul and spirit of the creature. Body, soul, and spirit make up a complete entity. God means for the heavens/body to respond to what is happening on earth/soul & spirit. We will restore both: - Make judgments that are going to restore the heavens and their connection with each other. Fix what's happening to all the parts of the body of the creature (JUDGE ANGELS) AND the connection between the world and heaven (JUDGE THE WORLD). - Make judgments in connecting the heaven and the earth and the earth is going to respond to the heaven in a particular way and the heaven is going to respond to the earth in a particular way. Goes both ways. There’s going to be a physical dismantling of the physical structure of some of the aspects of the heavenly places as they surround the earth, as well as a spiritual dismantling of some things that has to do with how and where and why Satan established his dominion in those heavenly places. You are going to get to run that creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Eternity	Means never ending. The life to come will dwarf this life into obscurity in two ways: 1. In the amount of goodness in our lives. When you get up there, all of that sin and death is done away with. 2. In the amount of time. We are only here 70, 90, 100 years. MM says do you think 2,000 years into eternity, you are going to be worried about what happened last Tuesday? Not saying you will lose your memory, but the glory that will be unfolding in the AGES TO COME will finally give you some perspective on the things of this life that we thought were so important. We'll find out they weren't near as important as we thought they were.
Commentary	Definition : Excellent	Excellent in the Bible: - Good choice - Better choice - Excellent choice
Commentary	Definition : Exhortation	According to Crabb's Synonyms, an exhortation **is meant to impel someone to action. "One with authority exhorts, an equal persuades. Exhortations are employed in matters of duty or necessity.**" EXHORT(ation) for prayers to be made to positions of governmental authority.
Commentary	Definition : Exhortation : Pre-Doctrinal	Pre-doctrinal exhortation: Works as a checkpoint for what you just came out of, you got it down. It's a way to assess your understanding of the doctrine.
Commentary	Definition : Exhortation : Post-Doctrinal	Post-doctrinal exhortation: Going to make you sure that you are responding positively and properly to the doctrine. Without either one of these, that's an incomplete response.
Commentary	Definition : -ful / ful-	When you see this in the scripture, whether as a suffix or a prefix, the way to understand what's happening with that word is to flip it around and to put the preposition OK in between. - CAREFUL-Philippians 4:6 Full of care - FULFIL-Colossians 1:25: Filling the word full or bringing it to a completion.
Commentary	Definition : Fundamentals of the Faith	Examples: - the deity of Christ - the blood Atonement - the bodily resurrection - the inspiration of the scriptures - the triune nature of God
Commentary	Definition : Gate	In the Bible, the "gate" is often an expression of governmental power. You can see this demonstrated in Genesis 19 and Ruth 4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Gematria	Gematria, commonly called Biblical numerology (Bible Numerics), is the study of the numerical values of Hebrew or Greek letters as they apply to biblical interpretation. Those languages had no number characters. Instead, certain letters were given numerical values, as we see in Roman numerals. It is wrong to over-emphasize the chapter and verse markings to make them divinely arranged. If they were, they would all work, all of the time. Point: Gematria is not meant to be used in connection with the chapter and verse markings. MM says this is one of the ways Satan gets us off course GH: and not focusing on the main thing.
Commentary	Definition : General Revelation	Has two parts: 1. The creation itself: The fact that men can look, no matter where they live in the world or what time they live in the world, there's something about the creation that speaks of a Creator. 2. Everyone who comes into the world is giving a conscience of right and wrong: Not necessarily the finer points of it, but people generally realized there are some things that if they do them they are wrong and if they do that it's right. There are things that people instinctively know - that's your conscience. Now, you can damage your conscience but everyone comes into the world being sort of self-aware of this.
Commentary	Definition : Glorified Body	We will have a body but it will not be like the body we have now where the “life of the body is in the blood.” We will have a celestial body, capable of functioning in the kingdom of God out in the HP. The life of our celestial body will be by the Spirit of God, whereby we will be sustained forever. No more death or aging after we get our resurrection bodies. You can't talk in space so how does your glorified body communicate? It's the compression of air coming across your vocal chords. If you don't have that, this mortal body can't speak. Due to the size of the solar system/universe/heavenly places, we will have to move in a very different way. Maybe we will communicate in a very different way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Glorified Body	Today, your soul/spirit and body are separable. One day, your body will die, and when it does, your soul & spirit will leave that bod and go to be with the Lord. But when you get your glorified body, when your soul & spirit are united with that body, there's a particular kind of life Paul is talking about here in which your soul & spirit will be inseparable from your glorified body. You will never have anything different. The things this body was err to is not going to affect your glorified body at all. In 10,000 years into eternity, your glorified body will be as vigorous as it was the moment you got it. You will live forever in that body and your soul & spirit are absolutely inseparable from that body. Here's the only thing you need. The only thing you need is the particular God gives you in that body. And that's it. You don't need food. Yes, Jesus ate fish and MM thinks will probably be able to eat if we want to, but you won't need it to subsist. Won't need any water. In this life, you got to have water. Here you need air. Your glorified body, because it's a CELESTIAL-1 Corinthians 15:40 body, it is specifically designed to function in that realm. MM says understand what happens to you if you don't have gravity. People that go into space have to really keep working (GH: their muscles) vigorously because you start suffering muscle and bone loss after a time when you don't have that gravity. MM says this earth is fine-tuned to the life that is on it. MM thinks God created the planet. Read (not sure if true) if the gravity was just a little off one way or another, life would have already left this planet. Even so, we still have to have protection from the elements. That body is going to be specifically designed for life in the heavenly places. It doesn't need food or water or oxygen, it will need the very life of God to sustain it. Other than that, it needs nothing on the outside. The only One who doesn't need ANYTHING outside of Himself is God. God does not require anything outside of Himself. He is sufficient to Himself. We will need Him.
Commentary	Definition : Glory	**Please see 'GH: GLORY Definition' references in the Bible Margin column**. “Glory” = God’s unchanging essence and attributes which, in turn, indicate that God has a character that is absolutely perfect in norms and standards A good way to understand the glory is to see it as the measure of Christ in you, or the measure of your edification. There are scriptures which attribute God’s glory in the above sense at Mt. Sinai, in the tabernacle, in the fire of the sacrificial system, in the Ark of the Covenant, and in the temple of Solomon. When the Bible speaks of giving God glory, it does not mean that we add to His glory, we merely recognize it and acknowledge it. There's a future glory because of how we respond to sufferings here on earth. There is also a present glory that allows us to patiently endure those to the glory of our heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Glory Meanings	Glory can mean many things: - Having an exalted Position: Genesis 45:13; Psalm 21:5 - Having possessions: Genesis 30:43-31:1 - Having wealth, not just money: Psalm 49:16-17 - Refers to physical strength or endurance: Proverbs 20:29 - Refers to the long life of the righteous: Proverbs 16:31 - Can be aspects of human character, especially in overlooking the faults of another: Proverbs 19:11 - Comes from being made in the image of God: Psalm 8:4-5; 1 Corinthians 11:7 - Describe the pride of people who live contrary to God: Isaiah 10:12; Proverbs 25:27 - Most significant way is in connection with God and His majesty: Exodus 16:10
Commentary	Definition : Glory Meanings	- An external manifestation of God (w.r.t. the kingdom): Isaiah 40:5 - Refers to God's Power when that Power can be observed in a certain way: Numbers 14:22 - Another sense in which God has glory that is not connected to an external manifestation of it, meaning God's glory does exist apart for some manifestation that someone might see in some way: Exodus 33:18-22 (God's GOODNESS, GRACIOUSNESS, and MERCY); John 17:5 - Refer to a kingly rule - Psalm 145:11 - God clothes Himself with glory/honor: Job 40:10 - Can be God's presence: Psalm 8:1; Psalm 113:4; Psalm 148:13 - Sometimes God's glory is manifest in a particular way, like a pillar of cloud or a devouring fire: Exodus 16:10; Exodus 24:17 - Can be His majesty and greatness: Deuteronomy 5:23-24 - Can be His majesty in the above sense at Mt. Sinai, in the tabernacle, in the sacrificial system, in the Ark of the Covenant, in the temple of Solomon
Commentary	Definition : Glory Meanings	- Can be His perfect standard of righteousness: Romans 3:23 - Can be the brightness of light: 1 Corinthians 15:41 - Can be to trust in something: 1 Corinthians 3:21 - Can mean to boast or exalt in something: 1 Corinthians 9:16 - Can be praise or exaltation: 1 Corinthians 10:31 - Can be to your exaltation: 1 Corinthians 2:7

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Glory of God	The GLORY OF GOD is the intrinsic that God has in and of Himself because of His Character and His Attributes. In Exodus 34, Moses had gone up on the mount to get the tables of stone. When he went up to get those tables of stone in the presence of God, the glory was so great the Bible say his face shined. He does came off the mount and the people saw that shining face it frightened them and they didn't want to look at him. It was weird. The character and attributes of God constitute His Glory (Exodus 34): - Mercy - Grace - Longsuffering - Goodness - Truth - Forgiving - Justice He is all that wrapped up into 1 and the shining forth of all of those attributes constitutes the GLORY OF GOD.
Commentary	Definition : Gnosticism	**Please see '1 Corinthians - Session 13' notes and the 'Reservoir of Knowledge #1: Gnosticism' section.** Gnosticism comes from the Greek word 'gnosis', which means to know, or, to have knowledge. Gnosticism is a general description of a wide range of religious ideas, which became very popular during the second and third centuries. There were many different gnostic schools, all of which had different beliefs and practices, but who all claimed their particular group had the secret knowledge, which would alone achieve salvation. To say you were a Gnostic was to say: “I know something you don’t. I’m in on the secret. I’ve been enlightened. I’m spiritually on a higher level.” Gnosticism was an attempt at answering the centuries-old problem of the relationship between good and evil. Members of the gnostic sects were convinced that they possessed secret and mysterious knowledge, which they had received by revelation. This knowledge was deeply veiled to the world around them, and could not be found outside the teaching of their group. Gnostics received this knowledge by being initiated into one of the gnostic sects. Salvation was achieved by receiving this esoteric knowledge. In Gnosticism, knowledge took the place of faith, so the Gnostics became a club of the illuminated, rather than the society of the redeemed. Gnosticism should be categorized as a mystery religion. There are many, too many, false teachings in Gnosticism.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God	God is a pre-existent God. He is not created, doesn't come from anywhere, there wasn't ever a time there was no God. Was always there. The Bible doesn't defend God's existence, it assumes it. God: The most striking example of equality and subordination is the Triune God. All three persons of God are equal, yet the Son is subordinate to the Father and the Holy Spirit to the Father and the Son. Subordination of role does not mean subordination of essence. The Father is God, the Son is God, and the Spirit is God but the Son and the Spirit take on subordinate roles. This does not change the essence of God in any way. Thus, there is equality of essence among the persons of the Trinity but a willing subordination of role among the persons. If equality and subordination are in the Trinity then they can't be contradictory. God is a God of Order - There is a necessary order to everything we are learning. - In Romans 1-5 the doctrine of our justification was set forth. This is the important foundational doctrine which must be laid before we can "build" anything that follows. - In Romans 6-8:13, the doctrine of our sanctification was set forth. This is the natural next step to instructing us in those things which were given to us in Christ. Once the justification doctrine of our eternal life has worked in us, the sanctification doctrine of our functional life is built upon it.
Commentary	Definition : God	God exists in and of Himself. He is complete and perfectly whole without anything outside of himself. He is sufficient in and of Himself. He is unique. And He is separate from His creation in the sense that no part of creation is a subset of God (Pantheism) or contains deity. God is eternal. That is to say that He had no beginning and He will have no end. There was no one before Him and there will be no one after Him. He is immutable. What does that mean? It means that God is a spirit, whose being, wisdom, power; holiness, justice, goodness, and truth are infinite, eternal, and unchangeable. Immutability means that God's nature is the same yesterday, today and forever. God is independent of everything in that He has no need of anything outside of Himself. God is sufficient within Himself. As the Creator, God is not only the source of all that was created, but He is also the sustainer of all that exists. If anything were to ever leave the mind of God, it would cease to be. God is the source of all true wisdom, power, holiness, justice, love, goodness and truth. He does not just possess these things; He is all of these things. They are part of His being, not just things that He does. God reserves to Himself the right to exclusive worship. 1. God will not do things that make people violate their free will. At the same time, 2. God will not create a cartoon world. EX Road Rummer & Wylie Coyote. God can't deal with the real world as though it was a cartoon world. Adam and Eve had a free will to eat of that tree. And because they chose to, the consequences of that are real. 3. God has to do everything He is doing also without violating His own righteousness. God can't be wrong in order to be right. God must always be righteous. And if He is perfectly righteous, that means He is perfectly just.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Hebrew Names	Three Hebrew words: 1. Jehovah: Is English for ALL CAPS LORD. Can be talking about either the Father or the Son. 2. Elohim: Is God. This is God (capital G little case od). 3. Adonai: Is Lord (capital L little case ord). When you see 'Lord God' (2 & 3 combined), this is always a reference to the Second Person of the Godhead, Jesus Christ. When you see 'Lord GOD', this is always the Father.
Commentary	Definition : God : Love of God	Talking about this in either two ways: 1. The love that you have for God 2. The love that you have for your fellow saints Under the banner of love for God is a host of related issues: I am purposefully applying the doctrine because I want to: * Demonstrate that God alone is the most high (Possessor of Heaven and Earth) * Glorify God * Fill a practical office to the sustaining of God's work/church * Put the power of His grace on display * Accomplish God's Will * Make known God's manifold Wisdom * Show forth the exceeding riches of His grace
Commentary	Definition : God : Love of God	Under the banner of love for the saints is a host of related issues: I am purposefully applying the doctrine because I love His body and I want to: * Edify the saints (applying the doctrine in your life helps the edification of the body) * See the body fitly joined together and compacted * Prepare the body for its work in the heavenly places (HP) * See the body conformed to the image of God's Son * Impact men and angels * Further the work of the ministry * Members one and another The more you can do this in every area of your life, instead of serving ourselves, the more godly we will be, the more conformed to His image we will be, the more spiritual we will be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Three views to God intervening	Three views to God intervening - looking at these because we want to understand what God is doing today: VIEW 1 - Sovereign view: Calvinists and others hold to this. This is theological view that sees God superintending, orchestrating, and controlling every single event that happens down to the smallest detail. Not just the good stuff but everything. The idea is in order for God to be in control of His creation, He has to control every single aspect of it. Which shoe you put on first is God's design. MM questions this. If you believe this and MM does not, there is no such thing as free will because God is controlling every detail. Folks that believe the sovereign view believe God is one big intervention from beginning to end. MM using 1 Timothy 3:1-5 and a bishop being about to have his children in subjection without micromanaging the details of their lives. VIEW 2 - Hands off view: It has a couple of components to it: (1) God has given us His word (2) God has given us His Spirit Then God is hands off. He doesn't have anything to do with it and everything that happens to us is either by chance or by luck. The people who subscribe to this view see chance and luck as actual entities that can make things happen.
Commentary	Definition : God : Three views to God intervening	MM says he has two problems with this: (1) MM does believe God gave us His word and gave us His Spirit. He does not believe he is hands off. (2) Chance and luck have no ability to determine anything. They cannot manipulate a situation or determine an outcome. MM believes God is involved, but the way He is involved in the subject of the 4th view when we get to that. VIEW 3 - The In & Out view: Sometimes God intervenes and sometimes He doesn't. MM says that's convenient, isn't it? People are looking at the circumstances and trying to come up with something that kind of fits those circumstances. MM says when you are talking about the law, when you are talking about a time when God is dealing with everyone under a performance system of the law, you get different things happening. Sometimes you get the blessings, because you were walking after that law and keeping His commandments and all of that. Sometimes though, you didn't get those blessings, you got the curses. That was part of the performance contract. But when you come into this DOGG where God is working with us Gentiles, not through the agency of Israel, which is all part of their program but apart and separate. MM is not saying grace never appeared in Israel's programs but that program was run by and large under the law contract. Grace is the feature by which God is dealing with us today. There is no law. There is no performance contract that dictates how God will deal with us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Three views to God intervening	Principles: - When you are talking about God dispensing things by His grace, if God is doing it all by grace, what He does for one member He will do for all members. If God is going to do something in this circumstance, He will need to do that every time in that circumstance. - People don't get treated differently under grace. He is not picking winners and losers. What He is doing is He is saying I AM going to give it to you out of My grace and My goodness. I AM going to give it to you, not because you deserve it but because I AM giving it to you. When you get these two principles in your mind, you will be able to readily identity what God is and what God is not doing. MM remembers praying for God to not let him run out of gas. But if he understood grace properly, if God would have done this for him this time, He would also do it for him the next time. Not only that, God would do it for others too. If God is sometimes doing it and sometimes not and He is doing it for some people but not doing it for other people, GH: there is nothing in Paul's epistles that supports this, that He is playing favorites and going to do it for this person or group but not offering that to someone else. Everything that He did when He put us IN Christ, He did for everybody. Everything that He is offering us as part of our edification, He is offering to everyone. MM doesn't find this principle in Paul's epistles that sometimes I DO and sometimes I DON'T. Another problem with the 'In or Out View' is that it makes it really hard to know if God is going to do it, right? MM has known people who believed with all of their heart that God is faithful. They ran into a circumstance in which they became financially destitute. So destitute, that every once and a while when a little money would make its way into the family and they actually got to sit down and eat a meal, it actually hurt because they weren't used to having food in their stomach. In the midst of that, they were saying 'God is faithful' because that is what you are supposed to say.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Three views to God intervening	But you would have to ask yourselves, why in the world if God loves them and you know He really cares about them, why would He not have at least provided food in its minimal supply for them and other things? MM's response is because God is not intervening in that way by means of His omnipotent power. If He is picking and choosing, you have to ask yourself, based on what? That gives people the ability to charge God with capriciousness. There's no real rhyme or reason to it, there's no logic behind it, there's no system you can identify. If He just kind of feels like it, maybe I WILL do it today and if I don't feel like it, I don't do it tomorrow, that makes for an unfaithful God. That makes for a God that you cannot depend on and God is not unfaithful. He is not undependable. Our problem is not with God, our problem is with our understanding of what He is doing. That's where the problem is. We say He can do anything and we interpret events as though, but there are some things in this world we just absolutely know He is not going to do. EX MM would have a tire with low air and he used to ask God to get it to the gas station so he could air it up. But he never asked God to fill it up. Because He is not going to. It is not cause He doesn't have the power, it is because that is not what He is doing. Sometimes he makes it to the gas station and sometimes he doesnt. It works the same for a lost guy. View 4 - God working IN us view: This is the one that MM subscribes to and has verses on this (Philippians 2:13, 1 Thessalonians 2:13, Galatians 4:19, Romans 8:11, Philippians 1:6, Colossians 2:11, Colossians 1:27, 1 Timothy 3:16, Colossians 3:16, 2 Corinthians 12:10, Colossians 1:24, Romans 8:17-18, 2 Corinthians 4:18). The preponderance of verses are demonstrating in this dispensation of grace, God is working and His desire is to work IN us to produce something eternal in nature and not temporal and not physical.
Commentary	Definition : God : Three views to God intervening	- He began that work IN us when he placed us IN Christ (a spiritual thing). - When He places us IN Christ, He also gave us His Spirit (Romans 5:5) - a spiritual thing. - He also designed His work to work in our inner man (many verses) - a spiritual thing. - He gave us a new identity in Christ. Didn't change the way we look, didn't change our family name - a spiritual issue. - He performed the circumcision made without hands (Colossians 2:11) All of these are inner man issues. Then He gives us a sanctification whereby we can live for Him in the deails of our lives. Because it comes out of something that He provided and gave you as a free gift of grace when you trusted His Son as your all-sufficient Savior. So He did all those things when He began that work in you. He continues that work when He begins to conform Christ in us. This is also an inner man issue, it's a spiritual issue. And by that working of the word, He is constantly conforming us to the image of His Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Three views to God intervening	By this constant conforming, He is working to bring us UNTO A PERFECT MAN-Ephesians 4:13. PERFECT is not saying that you never do anything wrong, you never make a mistake. He is talking about a PERFECT MAN in the sense of completeness, that this work He started actually has the ability to be accomplished in you and completed in you and bring you to being that PERFECT MAN. This is a spiritual thing too. Every one of these things are spiritual and are way more valuable than intervening in the physical affairs of your life - every one of them and any one of them. MM knows we don't see that for what it is. We'd rather make it to the gas station. No one wants to run out of gas or have a flat tire. And don't go out and run out of gas in purpose so you are 'suffering with Christ'-Romans 8:17. All of this is an expression of the Power of His grace. MM knows everybody wants to look at His omnipotence. He has the Power to do this and to do that and to create and to part the Red Sea and to take loaves and fishes and feed thousands and all that. That's His omnipotence. What we are talking about now is the Power of His grace which MM believes is the greatest Power that He possesses. The reason - Paul calls it THE EXCELLENCY OF THE POWER-2 Corinthians 4:7. The root word is EXCEL, it surpasses every other power that God possesses and the Power of grace is the power that works IN YOU. Why would you want to settle for dabbling in the arrangement of physical circumstances when you could have the Life of Christ generated in your mortal body? This is what living out of grace is about. That's why the law puts your spiritual life to death.
Commentary	Definition : God : God's Operations	These operations are how we labor with Him. Applying this in other ways is godly living. The godly thinking and godly living are necessary before you can labor with Him. The labor will translate directly into a skill that you are going to use in eternity throughout THE AGES TO COME. Need to start looking at for what it really is. This is the practice field for what you are going to do in eternity.
Commentary	Definition : gods (little 'g')	gods: Little 'g' gods in your Bible is not talking about false gods. MM taught in Bible college gods=angels. Discovered since then that not all of the angels are referred to as gods. ONLY the fallen angels because they wanted to be worshipped. Part of the deal that Lucifer made with them that he would make them objects of worship. These are the ones the educated sons and daughters are going after. The angels that follow God are never called gods in your Bible. gods: When we run into the “gods” in the Bible we will know two things for sure: 1) Just because the Hebrew Scriptures talk about gods, that was not because they were polytheists. 2) Israel was monotheistic: The Lord our God is one God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God's Cause	God's Cause for the body of Christ: Our Father is not waiting until we "get to heaven," but He is talking about us having an impact on creatures in the heavenly places right now. And His "cause," which we are engaged in, is greatly impacted by our conduct and behavior in ways which go beyond simply sinning or not sinning. And, as His cause becomes our cause, it takes on such a proportion, that it changes the way we think entirely. You see there is a Cause that is worth giving your life for. People who die for causes really believe in it. Find out what God believes is the greatest Cause He has and He has vested that Cause in us. When that becomes clear in LEVEL 2 Phase 2, you don't need anyone encouraging you along anymore, you now have a Cause that no matter what the POE does to you here, there's a Cause that says don't let this scare you. By the time you get here (GH: LEVEL 2, Phase 2), you do understand there is a cause that even if the POE were to take your life, the cause is more important than your continuing on this earth in this physical body. If the POE does that, all it does is accelerate your Sonship. In the greater Cause, you will learn there will be some things that you are going to learn for Jesus' sake. Why Paul early on made the statement FOR ME TO LIVE IS CHRIST, TO DIE IS GAIN-Philippians 1:21, because he understood the cause.
Commentary	Definition : God's Inner Man Powers	**Five ways in which God empowers us in our inner man**: Paul doesn't talk about God's Power in changing our situation or circumstances or healing us or those kinds of things. The things going on in the inward man-God's power is not being demonstrated in a material, physical form. It's only for believers in Jesus Christ. It's hard for people to wrap their arms around because these are spiritual in nature. All 5 are inner man powers 1. **Saving Power or Salvation Power**: There is power in the message of salvation/in the gospel; the gospel has power to save/redeem/reconcile/regenerate us. God's saving power put to work in the life of those who believe and that power is manifested only in the inner man. (When we get saved, we don't get changed in any physical way. If you are bald, you are still bald. If you are short, you are still short. If your eyes are blue, they are still blue. The point being that God's saving power is only a power manifested inwardly.) 2. **Sustaining Power or Preserving Power (AKA Sealing Power - Ephesians 4:30)**: When a believer is saved, this is the power that keeps them in this position. God is able to keep all these things in place no matter what you did. You can't undo it and no one else can either. When God saves a believer (**by redeeming, regenerating and reconciling him who believes the gospel of Christ**), He also keeps the believer in that redeemed, regenerated and reconciled status. This is what took place when the Spirit "sealed us unto the day of redemption." God's sustaining power works to preserve us in our saved condition and that is not manifested in any outward way, but again, it works only in our inward man. We cannot see the sealing of the Spirit nor can we feel it. In fact, the only way we would know about it is to be told about it. Even then, there are no outward evidences so, by faith, we stand on the truth of what the Scripture has told us. All the things that were done when we trusted Jesus Christ as our Savior continue to be done. Changes in the INNER MAN are spiritual in nature and cannot be seen with the naked eye.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God's Inner Man Powers	3. **Enduring Power**: Power in connection with the HOPE OF HIS CALLING. This is a power that most believers do not want to acknowledge. But it would be good if they did. Important based on what it has to do with. Power that allows us to endure the sufferings from the POE. Not a power that does away with those sufferings. Not a power that intervenes itself between us and those sufferings. Power that is available to you in the midst of sufferings and trials & tribulations. It is a power that works in us to produce a peace in our heart in the midst of those sufferings and the ability to endure those sufferings without being overwhelmed by them. The same enduring power that allows us to go through the SoC is the exact same power that you will use with regard to the SOPT. Use the same doctrine to produce the ability to go through those sufferings. This power will not keep us from getting any of the things that may happen in this world. There's nothing in Paul's epistles that says if you are a believer and you are serving God, then here are some physical things that God says will not happen to you. No such verses that explain this kind of power. Most believers today do not understand that God means to be glorified by how we handle either one of these kinds of sufferings. God wants you to have a certain response to the everyday things that happen to you and it is not 'oh poor me' or 'God, why are you doing this?'
Commentary	Definition : God's Inner Man Powers	Enduring power allows us to patiently endure those things that we suffer. Might be some sort of persecution due to our message or may just be the normal things of life. But God is looking for a certain kind of response there. There is a power that allows us to endure all of those sufferings in a way that reflects His work in us. Can be put to work in your inner man to produce a peace (Philippians 4:6-9). Even though your outward man perish, you inward man be renewed day by day. Doesn't matter if it is the SOPT or SoC, it keeps you from being overwhelmed. 4. **Sanctifying Power**: A power by which we will be presented blameless before God. The point to make is that this power is, like all the others in this DoGG, working in our inner man and not in the outward circumstances. Meant to work in us in such a way that our body, soul, and spirt can be preserved blameless (1 Thessalonians 5:23) and that is definitely an inner man issue. 5. **Stablizing Power**: Keeps you from being shaken, to be sure. In a stressful/anxious situation, shouldn't pray for peace. Peace is a result of knowing something. Should pray about the doctrine that produces peace (Philippians 4:6-9). Power of God: Paul talks about 5 powers and they all deal with inner man issues. At no time is God intervening in the physical circumstances. Inner man powers to conform you, transform you, have Christ formed in you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God's Will / Will of God	God's Will: God did not do what He did with Israel because of His Will. If Israel needed rain / fruit on the trees / the ground to produce / victory over their enemies / health, the key to that was just keep the law. God promised in a written covenant that's how you get it. If they don't, they get the SOPT but they are amplifiied because they are a judgment. God's Will doesn't enter into that whatsoever. If they are keeping the law and being obedient, they never go out and lose to an enemy. There are no exceptions to that. In the DOGG, if we pray and get something, say God answered our prayer. If we don't, it wasn't His Will. Can't point to a single verse in 13 epistles that supports this. People try and defend this, not with a verse, but with a story. Because they have no verses. Israel is a dispensation of the law. We are in the DOGGrace. Grace is the primary way God is dealing with people. Your sins don't come back on you. Under Israel's program, when they rebelled the rain stopped. He is not punishing evil right now. GH: See examples everywhere. He can live in a bigger house, have better health, etc. He is not being punished because it is not performance. **POINT: If it is under grace, it is not performance. The law is performance. With grace, there is no performance**.
Commentary	Definition : God's Will / Will of God	If God is doing it by grace, it is a free gift to anyone without any restriction of time. If it gets asked, everytime He is asked, He says yes. Guy that is the most evil might get the most rain. If you don't want to suffer drought, you have to irrigate. If you can't afford it, you are under the SOPT. Only 2 ways to get anything. Either earn it or it is given to you as a free gift. Either law or grace. The Calvinist is wrong. He didn't just die for the elect, He died for all. God is not capricious (GH: Saying YES one time and NO another time). The Power is in the pages of this Book. That's the Power that Satan didn't realize. Satan knew all about the power of creation, power to part the Red Sea, etc. to do all of the things they had seen God do. Angels have seen God do a lot of things. But they never saw the power that was vested in the written word of God. Called the EXCELLENCY OF THE POWER-2 Corinthians 4:7. Greatest Power God possesses, even greater than creation. But it was the Power necessary if you are going to be ruler of heaven and earth that Satan did not possess as well. This Book is designed specifically to do this work in our inner man, We call that godly edifiying or your edification. Satan made all those boasts but we, who have been made a little lower than the angels, are actually going to supercede his wisdom, that is a real and bothersome thing to him. One of the reasons why he hates you so much because you are going up to his realm and we're going to be put into positions of power up there.
Commentary	Definition : God's Will / Will of God	Will of God: MM was taught it comes in 2 different parts: 1. REVEALED Will of God: That's the will we find in the Bible. 2. PERFECT Will of God: That was His Will that guided all of the aspects of our life that were not found in the Bible. But Sonship corrects that thinking. Because the Will of God is found in the word of God and everything outside of the word of God is not about His Will it's about your Sonship decision. MM recounts people asking him to pray that God would find their perfect partner or hear couples say that they were His Will for each other. MM says that sounds sweet but you are putting words in God's mouth. His Will is found in His word and He has the same Will for each of us. His Will is: - that we stand perfect and complete IN Him - that we understand about our justified position IN Christ and that we don't have to worry about whether or not we are going to heaven when we die - it's His Will for this - for us to live by this Bible, rightly divided to be settled and done in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God's Will / Will of God	The reservoir of knowledge or doctrine that you have are also things that constitute His Will. It's not His Will for us to suffer and not everyone suffers the same things. If it was God's Will, we would all go through the same thing. Now we are all going to suffer something different for each one of us. For some it will be harder, for some it will be easier. **POINT: It is His Will that no matter what you are going through, that you do it unto His Glory without going 'Oh God, why me?!?' or 'why is this happening?!?'. It is His Will for you to go through that differently than the world goes through that**. He has given us everything about His Will in His word. Everything else - where am I going to go to college, who am I going to marry, what am I going to do for a living, am I going to take this job or that job - these are all Sonship decisions. God wants us to make these decisions based on the wisdom that He is teaching us. He is teaching us to think about things the way He does and to do things His Way. You have the liberty to make any decision you want. He is educating you to be His extension, to be His son or daughter. You are my son or daughter, represent Me in this decision because we are in this Business together that I AM doing. He wants you to make this decision in the best possible way out of the supply of doctrine that you do possess. We are a long ways (Sonship Pt5: RE Pt1:61-Romans 12:12c) but He is not asking you to panic on what you don't know. He is asking you to make a Sonship decision based on what you do know. It is OK to pray that you feel there's a lot you don't know that you wish you knew. GH: Over time, you will look back and see how your reservoir of doctrine has grown based on prior decisions you made. If you have a question and you can't find the answer in this Book, you have asked the wrong question - that's not a question concerning His Will, that's a Sonship decision.
Commentary	Definition : God's Will / Will of God	(GH: EphSess6A) MM says people say 'God show me your will'. Not a bad thing to want it but bad if you don't know what it is. He is going to tell us. There's a mystery of the Father's Will and we are going to run into it. He is going to tell it to you and He definitely wants to help you achieve it in this world. There's a tri-fold mystery: 1. The mystery of God 2. The mystery of the Father 3. The mystery of Christ - we will understand what it is to have the mystery of Christ There are mysteries about things in the O.T. Jesus spoke in parables because it was for His disciples to understand the mysteries of the kingdom but not to them. If He speaks in parables, He can speak to everybody, but you guys will get what I AM talking about but they won't.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Holy Spirit : CRIBS	CRIBS - a five-step ministry that is carried out on our behalf by the Spirit of God. Five things that take place with every believer when they trust Christ as their Savior: C = Circumcision * CIRCMCISED WITH THE CIRCUMCISION MADE WITHOUT HANDS...BY THE CIRCUMCISION OF CHRIST-Colossians2:11 * We are identified in the Person and work of Jesus Christ. His death at the cross becomes our death. In His death, we also died. Not physically, but we are dead in our old identity in Adam, in our old sin nature, in our enslavement to sin. * YE WERE THE SERVANTS OF SIN-Romans 6:17 * YE WERE THE SERVANTS OF SIN-Romans 6:20 * WERE: Not any longer. Circumcision is where God cut our soul loose from our body. He broke the connection. Our body is not redeemed, so God breaks the bond between our soul and our body. * Before the court of God's justice, our sin has been officially cancelled. Our bondage under sin is broken and the "captives are set free." This is a non-experiential truth in that there is nothing happening to you when you get saved that tells you the spiritual circumcision has taken place. Therefore, we have to be told about it. Whether we know it or not, we have been set free from sin.
Commentary	Definition : God : Holy Spirit : CRIBS	R = Regenerated * We have been regenerated in that our dead spirit has been made alive. I = Indwell * The Bible doesn't actually use the word "indwell." It does use the word "dwell." When it does, it can be one of two meanings: 1. Is describing the Spirit taking up residence in our spirit upon our faith in Christ. This is the meaning we are after right now. When this happens, we are in direct contact with the life of God, through His Spirit. 2. Has to do with our sanctification, where the Spirit is in control; we are obeying the doctrine which means we are "walking after the Spirit." It is possible for a person to have the Spirit of God and not be under His direction. But the point we are making now is that every saved person has the Spirit. B = Baptized * We are baptized into the body of Christ by the Spirit of God. By that baptism, we are now one with Christ. This is why water baptism is so unnecessary because water baptism hides and obscures the true baptism and our new identity in Christ. If you doubt that, just ask your Christian friends to define baptism, and listen to what they say. Invariably, they will talk about water baptism as an act of obedience, like it is a "thing" in and of itself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : God : Holy Spirit : CRIBS	S = Seals * God places us permanently in Christ so that no matter what, we will never lose our position in Christ or our identity with Him. We are sealed until the day of redemption, meaning the redemption of our body. All these take place at salvation. His death set us free from our old life and identity, and His resurrection gave us new life in Christ.
Commentary	Definition : Godliness	Godliness is the contraction 'God Likeness' with the 'ke' stricken out of it. 3 Components to Godliness - our Godliness Edification: 1. Think like God thinks (man's wisdom vs. God's wisdom) - MM is not saying man doesn't have any wisdom. Sonship education will equip you to begin thinking about things the way He thinks about them, to see them from His viewpoint 2. Act like God acts/Do things His Way - Both of these are for the purpose of what you're going to be doing in eternity. 3. Labor with God in His Business/Labor with God in what He is doing (no one can labor with God till he has perfect justification and perfect sanctification) (GH: here) and out in eternity (goal of the first two and qualify us to do this labor) - Install us into what He is doing in eternity. We are actually going to carry on in God's business based on the education we are getting right here in the Bible. Not only learn the things that equip us to get engaged in that Business, we learn about the Business. Take the godly thinking and godly living and applying it to the godly labor. You can't labor with your Father without the godly thinking and the godly living. Has to be in this order. Godliness: If the doctrine is going to produce that in you, then doesn't it make sense that it has to follow that (GH: think/live/labor) outline? Have to be able to THINK and LIVE/ACT to LABOR with Him. Can't get this anywhere except this Book. Don't confuse godliness with righteousness.
Commentary	Definition : Godliness	MM: Godly is an overused term used out of its Bible definition. Most people don't fit the 3 conditions and yet we give them that label. To the world it means he went to church, he read his Bible, he did some good stuff. God wants Godliness put on display to the only creatures that we'll impact. This world will not be impressed with a true Godly person. Paul says we'll be the off-scouring of the world. Getting further along in your Sonship will not make the world say, those people are Godly. They're going to say, those people are wierd. Those people are in a cult. Those people have something wrong with them/over the top/fanatical. Even Christians will look at Sonship people and say, look, you are overdoing it. You need to moderate that a little bit. Why? They are very at home here. The further you go in Sonship, the wierder that you will get by the world at large. Whole world won't beat a path to Israel's door either. Godliness: How do most saved people define it? Living right, doing good. You understand there are 3 components. Most churches don't teach this and you won't be able to labor with Him and at the Judgment Seat, that will be a surprise. MM not saying we have an exclusive little club, he wishes everyone knew this. GODLINESS: Need to ditch what man likes in favor of what your Father says.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godliness	Godliness: The Bible doesn't use this word as we do. We look at it as righteousness, good acts, good things that we do. That's not being godly, that may be rightesous but that's the difference. Contraction of GOD-LIKENESS - think, act/live, labor. MM says he doesn't want anyone to think your Creator or you are going to be like gods. You are made so you can be educated so you can learn to think just like your Heavenly Father thinks and once you begin to think like Him you're able to conduct yourself like he would. The things you do would be the very things He would do. And once you get that, He can put you in a position up in those heavenly places and turn that over to you and know that you are going to run it just the way you're supposed to. That's what that education is all about. Don't look at godliness as righteousness. Look at it as what it is. MM's job is to take you through the curriculum to educate you so that the day that you get out in to the heavenly places you know exactly what to do because God's not going to stick any of us in a position we are not qualified to run and eternity is a long time. Godliness: The way this is supposed to work is that godliness becomes an individual issue as you are growing up in your family. When you become an adult, godliness is already at work. Then you get married and each partner brings godliness into the marriage. Each one has a position and responsibility in the marriage and the discharge those under godliness. When children come along, the instruction of the parent brings godliness into the family unit. The parents instruct their children as individuals who will be godly themselves. Then godliness that has been at work in the family is brought into the local church. Take it from the local church and put it on display in the world. And one day, it will be brought into the entire body of Christ in the heavenly places.
Commentary	Definition : Godliness	Godliness consists of three parts/components - don't confuse godliness and righteousness: - Godly thinking: learning to think about things the way your heavenly Father thinks about them because you won't automatically think of them this way. Have to be taught that and the doctrine does that. The Bible calls this the renewing of your mind. - Godly living: learning to take this new way of thinking about things and now implement that thinking into our conduct & behavior in our everyday lives. Learning to do things God's Way. Teaching you a Sonship skill on how to apply that thinking to now change your conduct & behavior. - Godly labor: God will reveal a specific operation that He wants to accomplish right now in this DOGG in this world, and then we have an opportunity to take that and now labor with Him in accomplishing something. Important because He is not going to do it if we don't. So there's something at stake here.
Commentary	Definition : Godliness	Once you learn godly thinking and godly living, you will find all kinds of ways to implement this into your life and you ought to, that's what it's designed to do. But, then what happens is, you will see in God's word, specifically Paul's epistles, as you are working through the doctrine, you'll see a specific thing that God wants to accomplish and the only way that's going to get accomplished is for us to get involved in that, to labor with God in that. Godly labor is different from godly living in that the labor is us not looking around trying to figure out how we are going to labor with God. He is going to tell you in His word what the labor is. He is not going to leave it to us to figure this out. To labor with God, you have to understand what you are doing. Can't accidently do it. Lost people can't be godly. Submit ourselves no matter what the conditions because you understand God's purposes.

Commentary	Definition : Godliness / Non-MBI (TBC)	What godliness (being like God) is not: - Does not occur automatically - this is one of the biggest problems - most Christians think well I'm saved and it is just going to happen. Godliness did not happen the instant that you were saved. You become godly. - Does not happen with church attendance or church activities or church programs - Does not happen by carrying a Bible around. - Does not happen by observing religious holidays or a religious calendar - people observe Christmas and Easter which are two holidays not found anywhere in the Bible and God never told you do to either one of them. MN not telling you not to do them, just that God never told you to do them. Nor a religious calendar that religions like Roman Catholicism and Judaism follow. - Does not happen by prayer. There is nothing you can tell God, say to God, or ask of God in prayer that will make you godly. - Does not happen by peaceful meditation in some serene environment. - Does not happen by dedicating your life to Christ. You can walk an aisle but public dedications don't make you godly. - Does not happen by good intentions and doing good to others and in general doing good things.
Commentary	Definition : Godliness / Non-MBI (TBC)	- Does not happen by giving money to the church or to missions or to religious organizations. - Does not happen by perfect Sunday school attendance. - Does not happen by perfect church attendance. - Does not happen by acquiring church language - Christian cliches. - Does not happen by mortification of the flesh. - Does not happen by a miracle. - Does not happen by being slain in the Holy Ghost. - Does not happen by God speaking to you in an audible voice or still small voice. MN says when some preacher today says 'God told me' he says did you write it down in the Bible? It should be in here. - Does not happen by speaking in tongues. In fact, MN says this was against edification. - Does not happen by any book in any Christian bookstore by any author from 68 AD till today.
Commentary	Definition : Godliness / Non-MBI (TBC)	Godliness occurs by the effectual working of God's word rightly divided & properly handled. From Romans to Philemon, in the order and sense & sequence that God wrote, composed, compiled, and arranged those 13 letters of the apostle Paul. Called godly edifying which is in faith. Godliness occurs by an education, by learning what God has said in His word, and its effectual job being done in your inner man. MN says it is an education to get edified and this is the biggest turn-off with Christians today. Godly edification occurs by means of education and that by Sonship a specialized form of education. The mechanical means of Sonship edification is accomplished by grace, by God giving you something by His Jehovahness and grace. In order for a man to be godly, the living words of a living God must live in Him in order to produce the three major features of godliness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Ungodliness	In Adam : Ungodly : Sinners by nature : Cannot become godly on our own Ungodly thoughts-> ungodly living -> prime candidates for laboring with Satan in his work in this world (Satan keeps men in a lost condition but used them to create an atmosphete of ungodliness that effects the world at large). Satan promotes ungodliness through his COURSE OF THIS WORLD and the POE-not by accident. Goal is to increase this until the world stands in total opposition to/rejection of God. Satan wants the total rejection of God and all the members of the Godhead. His goal is to increase the ungodliness of this world. He has to earn the right to do some things. A lot of pressure is born to bear on the world. Godliness begins with godly thinking and vice versa. What Satan has found there are 7 particular truths that he must attack. Counterfeits sound more believable/desirable. Not about what we want to hear. It is what is true. UNGODLINESS: Ungodly thinking. The antithesis of/contrary to godliness. Instead of doing God's way, doing things the way of the adversary. Laboring against God.
Commentary	Definition : Ungodliness	Need to understand ungodliness. Attacks will be against 7 volitional truths. Necessary to believe to be delivered from our ungodly condition. In attempt to keep his ungodly hold, Satan works by various means to convince and encourage men to reject these 7 truths. He only needs to be successful in 1 keep a man from putting his faith in Christ. But he wants to establish many errors to increase the bondage of his victim. Satan cannot force anyone to reject God's truths, as men are still free moral agents capable of making their own decisions. Satan cannot override man's will on salvation. He is clever, using natural inclinations and motivations of men so that they think what they do and do what they do, being unaware of the ungodly path Satan is directing them down. Men are unsaved because their ungodliness has progressed to the point of rejecting certain of these 7 truths; truths that must be believed to be saved. With the passing of time, ungodliness progresses, causing the rejection of more and more of God's Truths. Why children respond more positively to the Gospel than adults. If you know someone will have an issue with a point, you are doing them no favors leaving it out. Need all 7. Could talk them into thinking they are saved when they are not. Robert Reich Quote: The great conflict of the 21st century will not be between the West and terrorism. Terrorism is a tactic, not a belief. The true battle will be between modern civilization and anti modernists; between those who believe in the primacy of the individual and those who believe that human beings owe their allegiance and identity to a higher authority; between those who give priority to life in this world and those who believe that human life is mere preparation for an existence beyond life; between those who believe in science, reason, and logic and those who believe that truth is revealed through Scripture and religious dogma. Terrorism will disrupt and destroy lives. But terrorism itself is not the greatest danger we face, conservative religious believers are the greatest danger we face.
Commentary	Definition : Ungodly	Serving God out of the energy of our flesh (self-righteousness [saying I don't need God to do this, I can do it on my own-you are making yourself God], as noble as your intent may be). God is not the author of it. To cut people slack, preachers have never taught them how to live out of grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Love	Godly Love: The information about the mercies of God is critical to the production of a godly love in us which is without dissimulation. It is that heart of gratitude that generates our love for God. The more we review those mercies and the more we understand about them (how critically important they are), the more we will see our love for God increase (deepen) and abound (become multi-faceted; for many reasons). An abounding love for God will produce an "ever-increasing" desire to be godly. - You will desire to be "like your Father" in more and more ways - More and more of His "table of likes and dislikes" will become yours - Our desire for the education will increase proportionally As our love for God increases, we will also desire to labor with Him, both here and also in the heavenly places. Therefore, our office becomes an expression of our love for God! Godly Love: Choosing to V&E the other person as God does. Get equipped in Romans 12. What we need is for God's ability to love unlovable people to be in us. There was nothing loveable in us when God loved us.
Commentary	Definition : Godly Love	We practice living out of the doctrine by training ourselves to constantly ask the question, "Who or what is behind my actions; what are my motives?" As we assess our daily actions, what are some godly motives for doing what we do? **• Love my Father** **• Love His Business** **• Love my fellow saints because my Father V&E them, because they are part of His body and we need each other to accomplish His operations, because I care about their edification** As we respond properly to the doctrine, the character of Jesus Christ is formed IN us, transforming us to possess godly selflessness as a part of our character. The core features of godly wisdom are important because they are the very foundation for being able to "reign with Christ" in the heavenly places.
Commentary	Definition : Godly Love	6 Attributes of Godly Love: MM says the first two are two sides of the same coin and the other 4 are built on top of these two. There is some intelligent design around giving you (Attribute 1) SELFLESSNESS and (Attribute 2) LOVINGKINESS first. Need to be SELFLESS to do the second one. First way to put these into practice is in the confines of the local assembly. MM says it is not good for him to stand up and tell you all the way in which to do this, you have to be thinking about that on your own. So much so that we should really want the testimony for this group to be like it was when Paul wrote 2 Corinthians when he was talking about someone else and he said those people are addicted to the ministry of the saints. Everyone can stay busy all week long doing stuff. These are things you got to think about, you got to incorporate, you got to take time to do it. This group is one body IN Christ and there's wisdom in looking at ourselves that way, not only corporately we see ourselves as one body but individually, we look at each other as members of our body. EX When Bob is out in the hospital, MM has to think part of my body is out over there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Thinking	Godly Thinking: Is for the purpose of figuring things out. Skill will need in the heavenly places if we are to occupy any of the 5 main positions of power. Thinking has to go back to the ultimate godly reasons. Want to have all decisions be godly. GODLY THINKING: Needed in the heavenly places if we are to occupy any of the 5 main positions of power in the heavenly places: - Principality - Power - Throne - Might - Dominion
Commentary	Definition : Godly Thinking : GH: Closing the Sanctification Gap	You want the gap between positional and functional to be diminishing as you continue through the Sonship education. Bring you up where you are called to be. What you have been made to be positionally so you can be that in reality. NOTE: Whenever the doctrine is not working in us (for whatever reason), it will always manifest itself in undesirable ways that has consequences. See undesirable consequences of the doctrine not working. You understand there are two programs, that you are not under the law but under grace, that Paul is your apostle not the 12, etc. You understand you didn't get saved under the gospel of the kingdom, you got saved by hearing that Jesus died on the Cross for your sins and shed His Blood and that Sacrifice is enough to satisfy God's justice and wrath against you and if you put your faith in what Christ has done, God will justify you and make you righteous and forgive you sins. Nobody preached that before Paul. MM says you think the 12 got saved this way? Remember when He is with the 12 and He says 'hey, I AM going to have to go to Jerusalem. They are going to put Me to death on the Cross' and Peter says 'not so Lord'. Did Peter understand the death on the Cross? They all believed in the resurrection. Were they all there at the tomb on the third day? They were locked in the upper room for fear of the Jews and when the women tell them He is risen, (GH: they didn't necessarily believe) Peter and John run to the tomb. They tell Thomas and what does he say? He said he is not going to believe until I put my hands in those scars. They weren't looking forward to the Cross, they were given the gospel of the kingdom, that Jesus was the prophesized Christ of Israel and the kingdom He would sit on the throne of David was at hand. That's the gospel they believed. If this is the gospel you believe you didn't get saved because you're not an Israelite under the law in the prophetic program.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Thinking : GH: Closing the Sanctification Gap	You're a Gentile in the DOGG, part of the mystery. So you talk about this as a member of the body of Christ, that there are two programs, you have to rightly divide the word and understand what scriptures are to you and about you as a member of the body of Christ AND what scriptures are to and about the believing remnant of Israel who are part of the little flock, you understand Paul is our apostle and not the 12, and when you say this, people attack you for that - lost person, the POE, someone in your family, someone you work with, someone you go to school with, brethren outside this assembly - when they hear that and they attack you and that attack starts to affect you. GH: When you don't look at the attacker with the love that Christ would have for the attacker, you know that attack has gotten to you. Because you are not looking at them the way that Christ looks at them. Remember if He is living His Life in you, that is not him bad mouthing your attacker. He is saying I died for that guy. Remember THE MEASURE OF FAITH-Romans 12:3. Don't get to thinking you are bigger and better than everybody else. We're all in the same boat. Or if you quit, that's a sign that the attack worked. Remember the 3 phases of the attacks. MM reminds that ALL WHO LIVE GODLY IN CHRIST JESUS SHALL SUFFER PERSECUTION-2 Timothy 3:12, because if we know the truth we can't shut up about it and if we say something about it, we're going to get attacked God says I know and that's why I AM giving you grace that's sufficient. If the affect of the attack continues and you kind of give into it, the doctrine is not working in you. The fix/solution is to go to the doctrine and have that doctrine work in you that produces a love for them that is appropriate to what your Savior has so that you might continue to minister to them on His behalf. That's so not about you but that is kind of the point, isn't it? It's not about us, it's really about Him.
Commentary	Definition : Godly Thinking : GH: Closing the Sanctification Gap	If you are attacked over some area of your Sonship life (RDW, grace, DoGG, HP, edification) by anyone (the lost world, the PoE, family, business, school, brethren outside the assembly, brethren inside the assembly) and that attack works to affect you (I hate that guy) or discourage you to make you quit in some way (to silence you, or even to forsake the message), if that affect continues, then that is a signal (a symptom!) that some part of the doctrine is not working in you. The solution to that (on your part) is not for them to apologize and “make up.” The solution is to go back to the doctrine which has not done its effectual work in you and engage in the edification process with that doctrine. -EX Because you are a grace believer, you understand that God interrupted the prophetic program and ushered in a DOGG and God is now, not using Israel to bring the gospel to Gentiles. That was the prophetic program, that is what was promised to Abraham (in him and his seed will all the families of the earth be blessed). But God has interrupted that program and now apart from Israel God is directly bringing the gospel and the appointed agent a DOGG apostle who was Paul. God is now dealing with us directly. Your position is make a reality so your practice can become a reality. And when it happens, God gets the glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Thinking : GH: Imitation Won't Work	We know that imitation is not the way because the capacity/power to imitate is vested in the one who imitates without necessarily shared the motives of the one being imitated, who remains passive and impersonal to the act of imitation. MM says there are well-meaning preachers who don't know any better that read something in the Bible and say well, this is the way it ought to be. The only way you can do this in your flesh is try and imitate it. But doing it in your flesh is not the way to do it. You're just doing the best you can. God did not create us to imitate Him; there is no mystery in that. He doesn't want your best, He wants His life in us. MM says if you are imitating Jesus, it is not the power of His grace working in you, it's you just trying to imitate. Can you see the hallow shell this would be? This is not the same thing as Christ living His Life in you. Him living His Life in you would not be passive and impersonal, it would be Him actually doing it through you. Godliness is the direct consequence of God's activity in man (this was the Mystery)-that is what 'God manifest in the flesh' means. Imitating righteousness was not a mystery. Men have been doing that since they've been on the planet. Jesus was 'God manifest in the flesh' but you will have a hard time with this passage if you make v16 about Jesus. This is different than us trying to do the best we can - 'I know this is what the Bible says I should do so I guess I'll do it but I don't like it'. Is this godly? No. Godliness is what transforms our thinking about that. If the life of Christ is not being lived in us, we are perpetuating the pagan practice of religion and doing it all in the energy of our flesh.
Commentary	Definition : Godly Thinking : GH: Imitation Won't Work	If it is you doing it, it's self-righteousness, which is saying to God 'I don't need you'. What nation does this remind you of? Man was created in such a way that he could bear the image of God without God Himself becoming visible. It was not man's physical form, but it was his capacity to behave that was designed to be the means through which God intended to express His nature and character. This is the activity of God in the man. God behaving in us and God behaving through us. God's behavior is the cause, the life of Christ is the cause and we are the effect. If we are doing the right thing, why is God not satisfied with that? Because: 1) when we do so, we eliminate God (or the need for God) from the process of righteousness 2) only God has the right to be source of His own 'godliness' - we don't have that right
Commentary	Definition : Godly Wisdom	Godly wisdom will allow you to see consequences of your decisions, not just immediately, but way down the road. Why having a person with godly wisdom as President or Texas governor won't work. The world will look at your wisdom and call it foolishness. The bulk of the decisions you're going to have to make as a son of your Heavenly Father, right here and right now on this earth, are going to be either: - wise or foolish decisions (if your decisions are not made out of godly wisdom, your Father counts what you're using to make the decision as foolishness) - just vs. unrighteous decisions - judgmental vs. decisions that lack properly evaluation of the facts - equitable decisions vs. self-centered, selfish decisions

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Wisdom	GH: Godly Wisdom Review 1. The first item we are to be educated in is our Father's Wisdom - format stays the same in both programs - not getting Israel's doctrine. Because it is the first thing you get and so vital, it is critical for decision making. 2. Godly Widsom is found in Romans 12:3-16. 3. Our Father has chosen to install His Widsom in us by instructing us in godly love - there are reasons He chose to do it that way and MM wants us to understand those reasons 4. Godly love is a large and critical issue - when you get all the way to being a MAN OF UNDERSTANDING and realize it is way bigger and more important than you think it is in REPt1:11. 5. God has chosen to teach us His Wisdom by way of godly love for several reasons: (1) A 'case study' approach to wisdom will not achieve godly thinking *Our church gets criticized for using terminology not found in the Bible but they use plenty of terminology not found in the Bible but because the terminology we are using they are not using they have a problem with it. If MM uses education or curriculum because it accomplishes the same as that then they have issues with it. He could form sentences using terminology that is in the Bible but they are not using that either but at least that is in the Bible. As we are being instructed as sons, you will get different scenarios in your mind and think what about this case or this circumstance or this situation?* Case study won't work because it doesn't do you any good to memorize a bunch of scenarios because that doesn't equip you to put that into practice. Once this gets worked IN you, you will be able to answer your own questions.
Commentary	Definition : Godly Wisdom	(2) Esteem the things He does, the way He does. By showing us what He loves, our Father is addressing the 'first things first' issue of what He V&Es so that we will value as He does (3) Godly love is the necessary FIRST ISSUE for knowing what to do when we get out in the creature If you think you are going to labor with your Father out in the creature and you don't think this instruction will enable you to do that, MM wonders what you think you are going to be doing. 6. We discovered the pattern for godly edifying: - Every piece (GH: FORM) of doctrine is presented to us by means of the THREE components of godliness: 1. We are instructed how to THINK 2. We are shown how to implement that thinking into our conduct and behavior - godly LIVING 3. We are given an example of how we can use it to LABOR with our Father 7. Every doctrine is interconnected with other parts; no doctrine is a 'standalone' doctrine. These have to be in your mind. Can't just hear it and cast it aside.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Wisdom	8. We learned that in the Book of Romans we will be given SEVEN features of godly love: - We are given TWO features in the section on wisdom The first is in Romans 12:3-8 (godly love is selfless) the second is in Romans 12:9-10 (godly love is lovingkindness) the third is in Romans 12:11-16 (godly love is tenderheartedness) - We are given ONE feature in the section on personal justice in Romans 12:17-21 (longsuffering / meekness)
Commentary	Definition : Godly Wisdom	- We are given ONE feature in the section on governmental justice in Romans 13:1-7 (benevolent goodness) - We are given ONE feature in the section on judgment - We are given TWO features in the section on equity - We are given ONE feature in the final section (15:8-16:27) Will encounter this all through out the curriculum. Again as a young man, as a WISE MAN, as a MAN OF UNDERSTANDING. 9. After the Book of Romans, more DETAILS will be added to our understanding of godly love As you get into the advanced epistles, love is ABOUNDING and it is actually going to go somewhere. Will never get out of the education on godly love. It's always going to be there.
Commentary	Definition : Godly Wisdom	Wisdom: - George Smith - Wisdom makes us think and act to the purpose. Wisdom seeks to find the right way for accomplishing its ends. Wisdom is reason made perfect by knowledge. - OED: Wisdom is good judgment. - Webster's 1928 Dictionary: Wisdom is the right use or exercise of knowledge. MM says wisdom isn't just data, but it is knowing how to use that information that you've been given. When people talk about wisdom under the systematic theology context, we thought about wisdom as the apex. Once you got wisdom there wasn't anything higher. MM says but you can have wisdom at every level of an application.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Wisdom	Wisdom: You would expect that He would tell us what wisdom is and these are wise things and these are not wise things, but if He does it this way, He is putting us back under the law with DOs and DON'Ts. Instead, He is going to teach you principles that apply to any situation so He doesn't have to come along and GH: and manage you. Like memorizing math vs. understanding the principals and concepts of math. Not learning things you will never see again, learning things you will use the rest of your life. MM says if the Bible was a list of everything you could and couldn't do, do you know how big it would be? It would be growing all the time. Someone would say I have all these DOs and DON'Ts but there's nothing in here about the Internet. Your Father doesn't need to talk to you about the Internet because you have principles that will allow you to make a decision about any arena of your life. Doesn't matter that none of the Bible writers knew about computers because the principles will remain the same. These principles are the way that we are going to put our new identity into practice. Have to be able to articulate what this Sonship education is going to do for you. Group: 1. See things from your Father's perspective. 2. Teach us godliness. 3. V&E what He does. Two things God is doing in this DOGG - why He didn't redeem these bodies: 1. Quickening our mortal bodies so that we don't have to obey sin anymore. 2. He is putting the power of His grace on display in the endurance of the sufferings that come our way.
Commentary	Definition : Godly Wisdom	Wisdom as God views it - teeter toter picture = Wisdom as God views it - We all come into the education with natural (human) reasoning. That is all we have got. God wants to displace this natural (human) reasoning and replace it with godly thinking. What God is looking for is not what the world normally thinks. What He is looking for is what every FORM OF DOCTRINE-Romans 6:17 produces in us mentally. There are plenty of people in the world that do good things, sacrificial things, noble things. But that all piles up under that natural reasoning side. But God wants your motive for what you think and your motive for what you do to come from Him. You get this by some FORM OF DOCTRINE. As we are learning that there is something our Father can produce in our minds that will result in a conduct and behavior that stems from something He has produced IN us, not that we are conjuring up on our own. In the beginning, this has to be done on purpose because this is not the way that we normally live. Don't try and think this too far ahead in areas that you are not familar with. God is going to give you motive and reason for doing it and it's going to be the same one He has.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Godly Wisdom	Clifford question: How do you know the difference between God's righteousness and your righteousness? Can look the same on the outside. At this point in the education, all you have is human goodness. Nothing wrong with that but it is not good enough for us to be godly. Once you begin to learn a doctrine that can apply to that situation, then you need to stop and think, wait a minute, I can do the same thing but let me do it because now my Father has taught me something. It's making conscious decisions for the reasons your heavenly Father would so something. Eventually, the scripture becomes the automatic motive, it's the thing that is driving you. If you say I don't know why I'm doing this you are doing it out of natural human reasoning and doing it out of the doctrine that you have learned is going to take an overt effort on your part. After a while, when you are ready to make a decision, your mind will immediately look to the doctrine. If you don't know a doctrine yet, eventually you will. We are going to replace this natural human reasoning with godly thinking. When we talk about the doctrine being the motivation for doing what we are doing, that the scripture is now the reason for doing this, and MM talks about this being godly, GH: have to remember the definition of godly. People confuse good behavior with godly behavior. That is not the way that God is looking at that. Being godly doesn't mean you have this emotional love for God or you go to church all the time, etc., it means the 3 aspects of godliness are at work in your life. Not talking about copying Jesus in His Ministry to Isreael, talking about godliness as it is written in Paul's epistles.
Commentary	Definition : (God's) Hidden Wisdom	Hidden Wisdom: Has to do do with that big issue. It is the genius of God, bringing about this DOGG - the hidden wisdom is the revelation that there is a dispensation of grace, but rather, it is God’s wisdom that explains what this dispensation of grace is about. Dealing with us the way that He has. There's a genius in God allowing the POE to make us suffer and allowing it to happen. Wouldn't know it unless He told you about it. Part of the hidden wisdom.
Commentary	Definition : Goodness	Goodness is expressed as we live the doctrine in the workplace, consistently
Commentary	Definition : Glorified or Redeemed Body	The colors of our glorified bodies are not indicators of heat. MM jokes don't get next to that guy, he's like 1,000 degrees Celcius. The colors are an indictor. They are not just for garnishment. They are not just for looks. Like everything God has created, those colors are indicators. Just like the color of the sun is an indicator of its heat, the colors of a glorified body are indicators of position. In our military they all wear insignias/patches on their shoulder to indicate rank on them. Pretty much same uniform except for the rank. Creature has to have a body (which is run by the mind). God has designed the soul to always be encompassed in the body. That's why in eternity, you're not just going to be a spirit floating around, you are going to get a glorified body. People on earth will get a body that eats of the tree of life and that body will live forever. Not a glorified body. The creature is the body of the whole creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Gospel	Gospel = Good News - From Genesis to Revelation, there are at least 15 gospels - MM was taught there was 1 gospel in Bible College. Try to make that fit in your head. There are different gospels that were preached in the Israel program at one time and not preached anymore after that. Other gospels were meant to be preached later in the Israel program but not up to the time of the ministry of Jesus. These other gospels are under the law so they have a characteristic about them. Examples: - Gospel that the 12 apostles preached, that Jesus preached, that John the Baptist preached before the Cross - Gospel of the Kingdom: to the little flock of the nation of Israel - Everlasting Gospel: preached in the book of Revelation - Compare these with the gospel that Paul is preaching - see it is a completely different unique gospel that God has decided to put forth during the dispensation of Grace. This is the gospel that Paul is separated unto.
Commentary	Definition : Gospel of the Grace of God or Gospel of Christ 'Ephesians Commentary'	Definition : Gospel of the Grace of God or Gospel of Christ: How we can have eternal life with God once this life is over. Presenting the gospel is an important part of our life because we are ambassadors for Christ, showing people how they can be reconciled to God. In order to be saved (to be acceptable to God and to have eternal life), there are four things that need to be understood and affirmed: 1. I am a sinner. Sins are all the things we do which are wrong - lying, stealing, adultery, murder, etc. The Bible says that everyone has sinned, that none of us are perfect. ALL HAVE SINNED-Romans 3:23. MM says you don't need to know someone to know they have sinned. Everybody has sinned. Nobody has been perfect, nobody has done everything right. This makes us all sinners. 2. My sin will send me to hell. DEATH PASSED UPON ALL MEN, FOR THAT ALL SINNED-Romans 5:12; FOR THE WAGES OF SIN IS DEATH-Romans 6:23[The payment for committing sin is death, but not just physical death (when our body dies) but a 'second (spiritual) death'-Revelation 20:14 if we are unsaved. Means separated from God and separated from heaven for all eternity because we are sinners.]. MM says this is bad news but you've got to know it. The payment for committing sins is death, not just physical death, but once our body has died on this earth, our soul and spirit also experience death. The real “you” is not your body, but your soul and spirit constitute the real you. The body is the container for the soul and spirit, which allows us to interact with the physical world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Gospel of the Grace of God or Gospel of Christ 'Ephesians Commentary'	Physical death, the death of our body, separates us from this physical world. (See chart: Body, Soul, Human spirit). Death for our soul and spirit does not mean we cease to exist, but it means we are separated from God for all eternity, not in a place of bliss, but in a place of spiritual torment. Therefore, when the Bible talks about salvation, it is talking about being saved from the penalty (wages) of our sin, which is to be in hell, separated from God. That is the spiritual death that sin condemns us to. 'This is the second death'-Revelation 20:14. The first death concerns our body, the second death concerns our soul and spirit in eternity. Again, this death does not mean to cease to exist, but it means separation from God in the lake of fire. This is really bad news. 3. Christ Died For My Sins. CHRIST DIED FOR US-Romans 5:8. Starts the good news. You can put the gospel on five fingers/one hand: Christ/Died/For/Our/Sin. Why He came and died. God is aware of our predicament, He knows everyone is a sinner and because we are a sinner we are condemned to hell. God is a just God. For God to be God, He cannot be unrighteous, He cannot be unjust. Means sin has to be punished. God loves us and wants everyone to spend eternity with Him. God knows about our predicament, and He made a way for us to be saved, so we could go to heaven. To do this, God had to send His Son into the world to live a perfect and sinless life, and then to die on the Cross, to pay for the sins of the world, every sin that was ever committed.
Commentary	Definition : Gospel of the Grace of God or Gospel of Christ 'Ephesians Commentary'	Nobody else could do this because everyone else are sinners (GH: Redeemer disqualification). When Jesus was on the Cross, God placed upon Him, the sins of the world. Every sin you and I have ever committed was placed on Jesus and He paid the price for our sins as our Substitute (He takes our place), dying for the sins of the world. He doesn't want us to be separated from Him for eternity. The reason we are in this condition is not God's fault, it is because men rebelled against God. Because God is perfectly just, He must punish sin. God hates sin. It is the very antithesis of God, who is perfectly righteous. Knowing that God must punish sin, Jesus volunteered to take our place, to take our sins upon Himself, and to suffer the punishment for our sins. And now that you know that, you have a choice to make. 4. I can accept (or reject) Jesus' payment for my sins. You can say YES or NO and God is not going to force anyone to say YES or NO. Totally up to you. When you put your faith in what Jesus did for you, to pay the price for your sins, God counts that as righteousness and He makes a spiritual transaction that the Bible describes in a lot of different ways, but your soul and spirit are no longer condemned but they are going to have eternal life. It's all by faith and a free gift of grace. BUT THE GIFT OF GOD IS ETERNAL LIFE THROUGH JESUS CHRIST OUR LORD-Romans 6:23.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Gospel of the Grace of God or Gospel of Christ 'Ephesians Commentary'	In order to accept Jesus' payment for our sin, the only thing we need to do is to trust what Jesus did as sufficient to satisfy God's justice. God is offering us salvation by grace, which means that we are not asked to earn it, work for it, or deserve it; it is offered as a free gift. God is offering us eternal life as a free gift of grace. How do we receive God's gift of eternal life? By trusting in what Jesus did as sufficient to satisfy God's righteous justice. In other words, put your faith in what Jesus did for you. BY GRACE ARE YE SAVED THROUGH FAITH-Ephesians 2:8. Do not trust in your good works to get you to heaven, they cannot save you. Do not trust in some ritual or ceremony to save you. Joining a church will not save you, being a preacher will not save you, getting baptized will not save you. The only thing that can save you is faith in Jesus: that is "saving faith." Saving faith is trusting in what Jesus did, and only in what Jesus did, to save you from the penalty of sin. And how did Jesus do that? He did that by dying on the Cross, taking on the sins of the world. The evidence that God accepted Jesus' sacrifice of himself on the Cross was that after Jesus was buried, He rose from the dead on the third day. It is that same resurrection life that is promised to us. Here's the difference between this and the world's religions. They say what did/do you do to make yourself acceptable? What did you sacrifice? In this, God does the Sacrifice. All we have to do is to put our faith in that. That's it. That is called 'saving faith'. This is when things really can now change for you. We tell people the gospel because we believe there is a God and that what the Bible says is true and we don't want to see anybody wind up in hell.
Commentary	Definition : Gospel Type : Gospel of Christ	(which is the gospel of the grace of God) was that Christ's sacrificial death on the Cross was sufficient to totally satisfy God's justice and wrath against us, and for those who put their trust in the finished work of Christ for their salvation, God counts their faith as righteousness, places them in Christ and they are justified unto eternal life (JUEL.) While the gospel of the kingdom was that Jesus was the prophesised Christ of Israel, the gospel of Christ (which is the gospel of the grace of God) was that Christ's sacrificial death on the Cross was sufficient to totally satisfy God's justice and wrath against us, and for those who put their trust in the finished work of Christ for their salvation, God counts their faith as righteousness, placed them in Christ, and justifies them unto eternal life. Nobody knew about this, it is part of the Mystery.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Gospel Type : Gospel of the Kingdom	Gospel of the Kingdom: Jesus was the prophesied Christ of Israel. Your Messiah is here, look at all the signs and wonders He is performing to prove that, and the Kingdom is at hand. Gospel of the Kingdom Elements: - Repent - Confess your sins - Be baptized (Water/Saved, Holy Ghost/Saved, Fire/Unbelieving Israel) - (because the) Kingdom of heaven is at hand (and implied Messiahship of Christ) - Kingdom talked about since the Davidic covenant - Message is 'The Kingdom is at hand'. - Believe that Jesus of Nazareth was the prophecied Christ of Israel - 'Who do men say that I AM?' - JUEL by believing Jesus is the prophecized Messiah/Christ You are not going to get to heaven today by believing that the Kingdom is coming. As they preach the Kingdom of Heaven is at hand, they are performing the 2 hallmark signs of the Kingdom - Jesus giving them a small taste of the Kingdom - were supposed to substantiate the truth of their 'the kingdom is at hand' message: 1. Cleansing the nation by casting out unclean spirits / devils 2. Healing the sick/diseases/all manner of sickness - no one is going to be sick
Commentary	Definition : Gospel Type : Gospel of the Kingdom	Gospel of the Kingdom (The 11): Acts 2 - Acts 15 Didn't preach about the Resurrection pre-Cross but if He didn't raise from the dead, what they were preaching was null and void. Gospel of the Kingdom: Is the gospel to Israel that God is about to set up the Millennium and that Jesus is going to sit on the Throne of David. It is NOT the death, burial, and resurrection of Jesus Christ. It's that Jesus is the Christ/Christos/anointed One/Messiah/the One we are waiting for to set up the Kingdom. When people saw this happening, what should have been in their mind is this is exactly the way it's going to be out in that kingdom. They are showing they can produce that therefore their message must be true. That's the whole point of that. Along with 'the kingdom is at hand...repent' find that when they performed these signs, would often tell them what these signs meant.
Commentary	Definition : Gospel Type : Gospel of God	Gospel of God: Jesus is the Messiah based on His Resurrection from the dead. Prophecied in the O.T. but no one preached it back there because He has to raise from the dead before you can fulfill the prophecy. He IS the Son of God. He IS the Messiah. By virtue of His Resurrection from the Dead. Preached by Peter after Jesus rose from the dead in the early chapters of Acts. After the Cross, now have proof of His Messiahship - The Resurrection - subject of prophecy - THOU SHALT NOT LEAVE MY SOUL IN HELL, NEITHER ALLOW THY HOLY ONE TO SEE CORRUPTION). Says Jesus is the Christ, Messiah, by virtue of His Resurrection. MM says this is the issue all along. Gospel of God (Paul): Acts 9 (after he gets saved-only one he knows after the Resurrected Christ appears to him). **Foundation for both the Gospel of the Kingdom and the Gospel of Christ. Because if Jesus didn't raise from the dead, nobody's gospel is true**.

Commentary	Definition : Gospel Type : Gospel of Christ	Gospel of Christ: Gospel of God + if you trust Him you will be justified from all things by which the law of Moses could never justify you. They had never heard this and that's why the Jews stumbled at it. - Paul is preaching a Gospel that no one ever preached before him. - The Mystery. Gospel of Christ (Paul): Acts 13 - (after coming back from 3 years in Arabia) - Says not just that Jesus is the Son of God and the Messiah by virtue of His Resurrection (Gospel of God), but all who believe on Him are justified from all things by which you could never be justified by the law of Moses. - We read and we say, yeah, yeah. It is a BOMBSHELL when he says it. Says Jesus died, was buried, and rose again on the 3rd day and by Him you can be justified and that is the only way.
Commentary	Definition : Gospel Type : Gospel of the Grace of God	Gospel of the Grace of God - Same as the Gospel of Christ but adds the twist that it is available for both Jews and Gentiles for free. - Free is implied in the Gospel of Christ. Spelled out on the Gospel of the Grace of God.
Commentary	Definition : Gospel Type : Gospel of Peace	GOSPEL OF PEACE: Two different ones: 1. Peace that Israel will enjoy in the Millenium/Kingdom once their enemies have been put down - Isaiah 52:7 2. The peace that now exists between the Gentile members of the body of Christ and Jewish members of the body of Christ. Those 2 together in one body. A gospel by which Jew and Gentile new are fellow members in one body the body of Christ. - Ephesians 6:15 Don't confuse these 2 GOSPELs of PEACE. Not the same thing at all. Isaiah is not talking about Gentiles and Jews being together out there in the kingdom. He is talking about Israel dwelling in their land with Gentiles dwelling in the Gentile nations of the world and Israel having peace in their land, in that Kingdom.
Commentary	Definition : Governor	Governor was the one who controlled everything about the child's life - when he would get up, what he would have to eat, when he would go to school, when he would go out to play, what time he would come back in, when he would go to bed, what he would wear, what activities he was involved in.
Commentary	Definition : GPPI (God's Plan and Purpose/Program with Israel)	Includes the destruction of Satan’s “plan of evil” and his “course for this world” and the establishment of God’s ways so that the world is blessed through them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Grace	Unmerited favor - you get something that you didn't deserve. Grace is a position, a standing, and a power. It is the greatest power that God possesses, greater than any other power at His disposal. Grace is the engine of your sanctification. Going to run your sanctification. That's how much power you have. God has given you a mallet of grace to crush the head of sin. God's grace reigns supreme. Facets of Grace {everyone has to do with you}: 1. free gift {how you got saved] [sin used to reign unto death, now grace reigns unto eternal life] [justifying you UEL] 2. power to overcome sin (Grace >>>> sin and death) 3. power in us every moment of every day - the power at work in us that allows us to bring forth fruit unto holiness [power to make you dead to sin] {your sanctification - engine that drives your sanctified life}. Your Father wants you to produce something in this sanctified life, it's not going to be produced in your flesh. It's going to be produced in your sanctified life and He calls it 'fruit unto holiness'. That power of grace produced in us to be continually “under” its power on a moment by moment basis in every detail of our lives. 4. Riches of His grace [Level 2 of Sonship - Ephesians] - {exaltation} 5. Another facet in the AGES TO COME {eternity} - When you get through looking at the facets of grace and the total diamond of grace, you will say that's the greatest power that God possesses.
Commentary	Definition : Grace	**GRACE: God does all the work** **1) THE OBJECTIVE - 'Being justifed freely'** **2) THE MEANS - 'by His grace' and now we will get** **3) THE LEGAL AGENT - "through the redemption that is in Christ Jesus** Grace is the greatest power that God possesses. It's even greater than His power to create. Grace: Is the most powerful tool in God’s arsenal and for us “grace reigns through righteousness unto eternal life.” That is to say, when “grace reigns” we have been permanently made to be at one with God. When we put our faith in Christ, God’s grace is mightier on our behalf than sin. Before, grace was not working for us at all. Now, grace reigns. Grace is like a diamond. A diamond reflects light differently from angles. Grace is a free gift, freely given to us. Saw grace as a free gift. Why Paul kept hammering the idea of no works. If you worked for it, it was wages. You got paid. Grace wasn't just a free gift but a power. It's a different facet of the same stone. Not just a power, it is the greatest power that God possesses, per the scriptures. Grace is the greatest power in the universe. Greatest power God possesses. Have to know this before we look at Romans 6. Has to be firm in your thinking. That is the board He is expecting you to run to the end and jump and spring your way into your sanctified life because grace is what powers it and He wants you to know how much power is in this grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Grace	Grace is the engine of your sanctification. It is not in us in what we can produce. He has already built an engine and that engine is called grace. That our justified position in Jesus Christ was made possible by “Grace” which we now understand to be a power – the greatest power God possesses – greater even than sin (MM said even greater than the creative power of God to bring all of creation into existence). That sin had “reigned unto death,” but now “Grace reigns…unto eternal life” (MM lifting this out of the last 2 verses of Romans 5). When you see grace for what it is you are going to understand it is way/far greater than anything else at His disposal. That's the power in me to run my sanctified life. God spoke the worlds into existence but He has a power greater than that and He is going to put it in you. Living out of grace: Is not seeing a set of rules and now let me try and keep those rules. But instead, it is having the character and attribute of your Heavenly Father installed in your inner man so that you are transformed from inside-out with the end result of you being coformed to the image of His Son. It's not trying to keep a bunch of rules. You being conformed to the image of God's Son. The Character of your Heavenly Father being installed in your inner man transforming you from the inside out so that you are conformed to the image of God's Son The offer is incredible in its grandeur and glory. GRACE: God does all the work. Grace is the function of the unified attributes of God to the benefit of mankind, while at the same time never violating the integrity of God Himself. Grace: Is giving someone that which they do not deserve. - Romans 12:19
Commentary	Definition : Grace	Grace is now the means by which God deals with individuals; it is the means by which God is administrating to the world; both lost and saved. Implications: * God is not arranging punishments for the world today, nor is He arranging blessings for certain nations over others. There is no favored nations. Israel has fallen to the level of the Gentiles. God is not blessing America because we are a friend to Israel. Has nothing to do with what God is doing. Our blessings in the DOGG are spiritual in nature and as believers we already have them-Ephesians 1:3. This is the way He is ordering this household. This is the way He is ordering things in this dispensation. * When acts of God are happening, people are saying that people in Washington are so bad God is using tornados to punish America. MM asks then why didn't He send the tornado to Washington? * God is not choosing to “bless” one person over another. God is not choosing to punish one person instead of another. And He is not doing this with the nations. Grace is an unconditional free gift and you don't merit grace. Means you didn't earn it. Your performance has nothing to do with grace. If you earn it, it is no longer grace. Grace is never distributed by merit, as that is no longer grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Grace	Things given by grace have nothing to do with the recipient and it has everything to do with the Giver. Grace is unconditional. This is how we know that what God is doing now has to do with our inward man and not in our physical circumstances. MM says people God always has shown grace but this has not always been the primary way He has done things. It did not nullify the performance of the law. In the dispensation of the law, it was the law, not grace. Even when God showed grace (GH: during the extension of mercy), that did not undo the courses of punishment. The primary operating system for today is grace and not the law. MM says people want to thank God and give Him credit for the positive physical circumstances of your life. But God doesn't want/need credit for things He had nothing to do with. We get focused on the outward things too much but His focus is on our inner man. Grace is a free gift. If it is earned, it is not grace. Grace is given to every one of us. Abundant grace is given to us. Grace is constant. Today, grace is the operating system of how God is doing things, all the time, with everyone. We cannot exhaust God's grace. Grace is always a free gift for the receiver, but not for the giver. It costs God something to provide what we receive as a free gift. Think Christ giving His life with His Death on the Cross. And when we do ministry, when we minister "grace" to someone who is hungry, or has some need, it will cost you something, but for them, it is a free gift. But it may cost you something. EX Mr. Murphy back seat of the car full of groceries story.

Commentary	Definition : Greed	When the Bible talks about greed, it is never a compliment. Thinking living in abject poverty makes us spiritual is a mistake too.
Commentary	Definition : Grove	Grove was an area where they set up a place of worship to a false God.
Commentary	Definition : Hardness	Greek word for “hardness” is porosis, which comes from the word poros, which means “a stone harder than marble.” We would call this a heart of stone. This hardness of heart describes their inability and unwillingness to respond to God’s truth. The more they suppress the truth, the less capable they become of discerning spiritual reality. They have “given themselves over” which means they are doing this voluntarily and on purpose. They know what they are doing and they are choosing to do it, no matter what.

Commentary	Definition : Head Coverings/Toga	TOGA: 12' to 20' white wool oblong shape and guys wrapped up in this. Men and women wore and then the women's changed a bit. Represented status in society. In many places, needed to be a Roman citizen to wear it. Not just anyone could get and wear. It was restricted and public officials or politicians would wear it in formal ceremonies in the discharge of their duties. It was kind of like a uniform that showed who they were. MM says what was happening was some men who were praying or prophesying in the church at Corinth were taking that toga and pulling it over their head and covering their head. Paul is not talking about facial coverings like the Muslim world, he is talking about head coverings. Showing pictures: 1. Caesar Augustus with a toga pulled over the top of his head. Roman rulers were sometimes pictured like this because they are supposedly filling the office of high priest in the Roman religion. No covering in their military attire. Picturing them in a position of religious worship. Title Pontifex Maximus = high priest. Years later, the Catholic church took that and applied it to the Pope.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Head Coverings/Toga	2. Roman emperor Tiberius portrayed in a religious position as the high priest of the Romans religion. 3. Someone accepting a sacrifice at an altar with a head covering. 4. Several people in togas with a man and woman with the head covered. Tells you they are Roman and they are participating in the ceremony. 5. Guy with a wand wearing a cap instead of a head covering. Better picture of the cap. 6. Augur with a chicken. If there was clouds and no birds above, they would release a chicken in the templar, which is just the sky area above, and then study the chicken and when it landed then make an interpretation. 7. 1st Century B.C. Roman coin with a picture of a guy with a head covering with a little jug behind his head. The jug was for liquid libations or liquids that were being poured out as sacrifices. Also had a picture of the Augur's wand used for prophesying. MM says it was not secretive, it was on their coins.
Commentary	Definition : Head Coverings/Toga	All of these are head coverings, NOT face coverings. Unless you were officially participating in the ceremony of praying, prophesying, or making a sacrifice, you didn't wear a head covering - men or women. There are 3 times when they would wear this in the pagan Roman religion. 1. Prophesying 2. Praying 3. Making a sacrifice People were getting saved and part of the church at Corinth. Paul never mentions sacrifices because that's not part of the church but these guys are pulling that toga over their head because that's what they have always done. Outside of the Roman religion, nobody covered their head. Ended up having competing customs that are coming in to the church at Corinth and not everybody is like that.
Commentary	Definition : Head Coverings/Toga	The one doing the prophesying would be holding in their hand a staff or a wand - called an Augur's wand. The Augur was a priest in the Roman religion and his main role was Augiury, which was interpreting to everyone else the will of God. MM says it sounds like prophesying. He would look up in the sky and observe those things he would see up there and from those things he would imagine what was being revealed to him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Headship	Partners to serve God Model for Marriage Relationship a. Husband-head (picture of Christ) b. Christ-head c. God-head d. Wife-body (picture of the church) e. Church-body f. Christ-body a. A husband's role is to function as the head of the marriage. The head of the husband is God. God puts the husband on the planet to serve Him. Then, He says it is not good for him to be alone. b. Christ is the head of the church. c. The head of Christ is God the Father. The Son is subject to the Father. d. People say the reason the husband is the head is because the wife got tempted by the serpent and she was deceived. That may be true but that is irrelevant to this. This is a headship issue even before the Fall because of the created order. Because God is doing something with the creation. Man was created to have dominion over the earth and man was supposed to serve God.
Commentary	Definition : Headship	God puts the husband on the planet to serve Him. The wife is a helpmeet in helping her husband serve the Lord. God creates both man and woman to serve the Lord. Looking at two partners that God creates in an order. Notice He doesn't create them at the same time, He is creating an order. God has a purpose and everything God does has a structure and authority in place. e. The church/we are His body. Why in this DOGG we are referred to as the body of Christ. It is meant to point to a relationship that we have with Him. f. MM says this is sort of like a framework of business (explains all the different functions and the need for every one of them and the need for priority and organization) but the Bible talks about it in the framework of a body. This created order doesn't have anything to do with the Fall.
Commentary	Definition : Heart	HEART: Refers to more than just the thoughts of the Father. Also the same values as the Father and the same likes/dislikes as the Father. Someone that was looking at Him and all that He was and wanted that for themselves. That was David's attitude and therefore he was only selected to be king but he is going to be selected to be the one to carry on the Sonship and we will see that with David and his son Solomon. Despite his shortcoming and failures, David maintains this attitude his whole life. He always has this idea that he wants what's in his Father's Heart.
Commentary	Definition : Hebrew Alphabet	The Hebrew alphabet has 22 letters and 5 variant letters which only appear at the end of words. The first 9 letters of the Hebrew alphabet are equivalent to the numbers 1 through 9. The first letter (aleph)=1, beth=2, dalet=3, etc. The next nine letters raise by tens/levels of 10 so that yod=10, kaph=20, lamed=30, etc. The last four letters rise by 100s so that quph=100, resh=200, etc.
Commentary	Definition : Heaven	HEAVEN: Singular but we know there are 3 heavens. Which one is he talking about? Third Heaven was already in place. MM believes the first Heaven is part of the creation of the earth. MM thinks this refers to as the second Heaven. Ties with the rest of the passeage - sun, moon, and stars; greater light and lesser light-v7 & v14. - First Heaven: Atmosphere around the earth - THE BIRDS FLY IN THE FIRMAMENT OF THE HEAVEN. - Second Heaven: The whole rest of the universe - the sun, the moon, and the stars and all that. AKA the Creature. - Third Heaven: The place were God lives. Where the manifest presence of God is. The Throne. The New Jerusalem.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Heaven : First Heaven	The atmosphere around the earth is called a “heaven.” This would be where the birds fly, the tops of the trees are, and the clouds float.
Commentary	Definition : Heaven : Second Heaven	What Paul refers to as the heavenly places. It's the created universe. This is where we will spend our eternity after we get our glorified bodies.
Commentary	Definition : Heaven : Third Heaven	The third heaven is above the second heaven. There is a great body of water that sits between the 2nd and 3rd heavens which is referred to as the great deep. The third heaven is where we commonly refer to as the where the manifest presence of God is. The third heaven is where the action of Revelation 5 takes place. It is where the Divine Council meets. And, it is the place that Paul was caught up to when he was stoned in Lystra. The third heaven is where the souls and spirits of all the departed saints go after their physical body has died where they will return with the Lord and get a glorified body. Satan has no control over the 3rd heaven. He no longer holds his old position up there as the “anointed cherub that covereth.”
Commentary	Definition : Heavenly Places	HEAVENLY PLACES: There are places in the heavens. There is a geographical place but also has to do with position. Because there is a governmental structure, those places are run by those in governmental positions of authority. When OUR CONVERSATION IS IN HEAVEN- Phillippians 3:20, we should conduct ourselves in accordance, not just with the geographical places up there, but with the positions we are being called to. If someone runs for President, someone asks 'Do they look Presidential?' Should want to look the part at some level. The way we are living down here should begin to reflect the positions we are going to be given up there. That we might look like someone who might be equipped to hold those positions. Real, tangible place. Bible talks about it that way. There is structure and organization. Way more space BETWEEN the galaxies than the galaxies take up. Travel is way faster than the speed of light. It will be at the speed of thought. See light from stars and their reflection off of the third heaven floor. If PLACES is in italics, it means it wasn't in the Greek text. The translators added to the adjective the noun PLACES in order for it to make sense for you and me. Had a construct in the Greek language where they would often use the adjective and not give the noun. Not a problem for them. Not in italics every time. There is structure and organization to the heavenly places. (GH: Think MM means governmental structure).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Heavenly Places	HEAVENLY PLACES & ISRAEL: Israel knew about the heavenly places but did not know how they were going to get repossessed. Even though the heavenly places are talked about back in Israel's program, there never was any indication as to how God was going to reconcile them back to Himself. And there certainly was no indicator of the role of the church, the body of Christ. Satan knew there were 2 realms - heaven and earth. Caused a rebellion to get one and a fall to get the other. He didn't know how the heavens were going to get repossessed. The secret was, there was a plan for the heavenly places all along but no one knew about it. Got provided for at the Cross. Another thing that is not known. Didn't get revealed till after that. Israel knew about principalities. Daniel talks about the prince of Persia, Michael self-identifies, etc. Didn't know about the DISPENSATION OF THE FULNESS OF TIMES or the AGES TO COME. Never spoken about in Israel's program. Israel's knowledge of the heavenly places is limited - know it exists, know their are principalities - but other than that, they don't know much. They are concerned with a kingdom that will be set up on this earth and that Kingdom will go out through eternity. Paul says what you are doing in your DOGG Sonship is going to be different from Israel's. When we get out to be a LEVEL 3 son, we're not just going around looking at a bunch of DARK SAYINGS to give the remnant because they got information they've got to know, they can't understand it until they have become a MAN OF UNDERSTANDING who has ATTAINED UNTO WISE COUNSELS. Have an aspect of the DISPENSATION OF THE FULNESS OF TIMES and the AGES TO COME that applies only to you. (GH: When God says what do you think we should do now?). By the time God finishes up His program with Israel, the repossession of the heavenly places has already taken place. We are already seated up there by the time the day of wrath is over.
Commentary	Definition : Heavenly Places	The heavenly places are both: 1) A building or architectural structure (Ephesians 2): It's a territory with administration to it that's housed within a building-type structure to it. It's really not until you get out here in Level 2 of our Sonship education that we begin dealing with the details of the creature or the heavenly places as the physical, architectural structure that is going to need to have all these adjustments made. 2) A creature (Romans 8) —a living organism - The 1st skill sets we receive are primarily designed for the 'living organism' aspect of it. Look up in the sky and nothing suggests its a living creature, due to: (1) the things done by the adversary and God in making a separation between earth and the heavens. (2) putting the creature in a state of paralysis. He can't respond to himself up there. EX Congress 1) Congress is a body of people who make decisions for the nation. 2) Congress is also the building (or structure) in which that body of people carry out their business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Heavenly Places	Heavenly places divided up into different areas. A governmental structure: - Principalities GH: Satan targets these. (GH: this is a dated order of understanding) - Powers - Thrones - Mights - Dominions Heavenly Places: Heavens are the body and earth is the soul and spirit. Our bodies are connected. MM wants to pick up this marker, just has to think about it. When the creature is connected and God has set up His resideence on this earth and He has a Will about something, all He'll have to do is think it. We will be out there making that happen. How will you know what to do? Because you have been educated to make decisions to make that come to pass. GH: Think like God. MM asks how many places are there? MM thinks there are divisions in the heavens but the Bible never refers to them in the singular. Always plural.
Commentary	Definition : Heavenly Places Communications	Heavenly Places Communications: Here on earth, radio/sound waves are pretty fast. So fast it looks instantaneous. If bouncing around satellites, you notice a bit of a delay. Mars satellite sending back photos took 8.5 minutes - bigger delay. Communication in the heavenly places is different. There's no delay. It's like strumming a string of a guitar, that whole string immediately feels the vibration. This is like communication with the angels. They hear instantly in the far reaches of the creature what goes on the other side. As soon as so-and-so gets placed for some place out in that creature, those angels instantly know. When they find out an educated son or daughter is coming to do what they had been waiting to have done all this time, they are going to greet you with a hero's welcome because you are bringing the very thing they have been waiting for. Doppler Effect: Ambulance coming at you, sound waves compressed vs. ambulance moving away, sound waves spread out more - get different pitch. Scientists measure in the red shift of light to find out how far away a star is from us. Monday 121.3 light years
Commentary	Definition : Heavenly Places Communications	Tuesday 61.5 light years Wednesday 121.3 light years Thursday 61.5 light years Friday 121.3 light years Saturday 61.5 light years Sunday reclicks and starts over Monday 121.3 light years Tuesday 61.5 light years Can't put this in a text book because then you don't know how far it is. You want to be able to say the earth is this old, the dinosaurs are this old, etc. Design trick to make a room look bigger, put mirrors on the wall. POINT: Are you seeing the real star or its reflection?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Heavens	Third Heaven: Heaven. The Throne/Abode of God, sea of glass, the new Jerusalem. The place were God lives. Where the manifest presence of God is. EX Paul talks about being caught up when they stoned him Lystra - I was caught up to the third heaven. Is above the second heaven, it is outside the universe. The universe has a limit to it. Second Heaven: Universe; Solar System; rest of the creation; closed firmament - the whole creation - Bible doesn't use the term universe or outer space. The closed firmament of the heavens. Outside the atmosphere, it is the whole rest of the universe - the sun, the moon, and the stars and all that. AKA the Creature. GH: Genesis 1:1 First Heaven: Earth's atmosphere above us or around the earth/OPEN FIRMAMENT OF THE HEAVEN. Where the trees are and the birds fly. AKA 'the firmament of the heaven'. The firmament or atmosphere around the earth. EX Birds fly in the open firmament of the heavens. This heavenly rebellion allowed Satan to be the prince of the power of the air.
Commentary	Definition : Heaven's Structure	Heavens Structure: Is laid out in stories. The way the Heaven is made is after a pattern. Two types of terminology the Bible uses when it talks about the heavens: 1. Building terminology - PILLARS: If you are going to stretch out a curtain to give it shape, you are going to need pillars. 2. Body terminology Reveals interesting things about the place we will go to work throughout the AGES TO COME. MM says much to get into but the Bible always talks about the earth being ground zero or the basis from which you start. No matter where you are standing on the earth, it all looks up. Bible says it is in THE SIDES OF THE NORTH-Isaiah 14:13. The guy at the south pole is looking the wrong way. He has to point through the earth to it. These heavens have 3 stories - but they are big. 3 for a reason and they are establishing a pattern. God stretched the heavens out like a curtain (Psalm 104:1-2; Isaiah 40:22). Like the tabernacle, these heavens are temporary. He calls it the TABERNACLE OF THE HEAVENS-verse? - He already planned that those things are temporary and they are going to be replaced with a permanent one that will never be moved.
Commentary	Definition : Heaven's Structure	Priest's Vesture analogy for the heavens: Open at the top to put your head through. Seamless. Open at the bottom. What if this is a more accurate depiction of the heavens? Top (around the collar and effectively a circle) - the great deep - darkness was upon the face of the deep (GH: waters that are above the heaven and the floor of the Throne Room). Ice would look like a molten looking glass. Throne of God sits on top. John in Revelation is caught up to the Throne Room and said I saw a sea of glass like unto crystal. Says it twice. The inside of the garment 'cylinder' is the created universe. Scale wise couldn't see the earth but it's a focal point. There are angels growing fields of flax in the third heaven. Where do you think men learned how to farm? God passed that knowledge on way before men. We think men are so smart but God was forming fabric before men. MM believes angels are growing and harvesting flax in the third heaven, stitching up garments. He could create something out of nothing, but you're going to find that's not the way He often does everything.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Heir	Heir: someone who is going to get an inheritance. God has 2 ways of dealing with His heirs: 1. He deals with them as sons OR 2. He deals with them as children Way He treats them is very very different. Will be very apparent. Their inheritance is different. What they are going to get is different. Son can get what the child gets PLUS something else.
Commentary	Definition : Hell	In hell, there were compartments. The compartment for the “saved” dead would be “Abraham’s Bosom”-Luke 16. Not all of hell is a burning torment punishment. But there was also a compartment of torment for the unsaved.
Commentary	Definition : Holiness	HOLINESS: When God sees something that is holy, He sees something that is compatible with Him in His very essence/at His core/at harmony with Him. When this happens, His heart literally leaps for joy. You are doing it for the sole purpose that you know that is what your Father loves. That is motivation to stop sinning and to do that which is good because it thrills my Father's heart. That's totally different from the law and that is what He created you to do. Holiness to God is something that is in complete compliance and harmony with His Character/God Himself. Anything that is incompatible with His Holiness He doesn't want around Him. That's because it is not fit for His use.
Commentary	Definition : Holy	Set apart for God's designed purpose, for the purpose for which God created it. You have been set apart for God's purpose when He created mankind. We are finally being set apart back unto that. HOLY: OED: holy – 1) Kept or regarded as inviolate from ordinary use, and appropriated or set apart for religious use or observance; consecrated, dedicated, sacred. 3a) of persons: specially belonging to, commissioned by or devoted to God
Commentary	Definition : Honest	HONEST THINGS: If the word “honest” was being used as an adjective, it would precede the noun (things). In this case, the “honest” is describing the “things.” Honest is describing the behaviors or actions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Hope	WORLD DEFINITION: maybe something good will happen BIBLE DEFINITION: absolute confidence; assured knowledge; earnest/confident expectation; look forward to/waiting for; don't have it yet but out there promised to you. Not because it may come but because we know it will come. When it comes, would be the thing we would need/want. Get hope when JUEL whether you believe it or not. Not faith-dependent. Not having hope runs the risk of you believing/spewing the POE message. NOT 'I hope it rains today'. It's the expectation of a sure and a certain good. Every HOPE is about a good thing. If it is a bad thing, you may expect it but you don't hope for it. Always carries the idea of something good. Definitions: - The absolute confidence and certainty that a future good event will take place. - To have a hope is to be fully persuaded of a future certainty which is welcome. - Hope is an attitude – a way of thinking HOPE: Is not wishful thinking about something, but rather it is a confident expectation regarding something God has promised; something which we do not yet possess. Hope is the absolute certainty that God will make true what He has promised. In the New Testament (NT), hope has the elements of expectation, a trust in God, and the patient waiting for the outworking of God's plan. So, when God called us (to salvation) there was a hope, a confident expectation, connected to that calling.
Commentary	Definition : Hyper-Dispentationalist	Acts 2 dispensationalists call mid-Act hyper-dispensationalists. True hyper-dispensationalists make the Book of Acts a dispensation.
Commentary	Definition : Idolatry	Anything that you desire greater than you desire God. AKA Covetness.
Commentary	Definition : Imputation	IMPUTATION: God putting the righteousness of Jesus Christ on us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : In-Christ	Is a non-experiential truth, (which means there is no tangible way to observe or measure it) there is no way for us to know about it unless God reveals it. When it happens, there is nothing that you can feel or hear or taste or smell that will tell you something has changed. MM says there are days he doesn't do very good but God doesn't say 'you messed up' because He is looking at us based on IN Christ and not what we do or don't do. Have to understand that there is nothing you can do tomorrow to make God love you more in Christ than He does today. Or less. That is a blessed promise. Not giving you a license to sin, giving you the power to live out of grace. Otherwise, you put yourself under a performance system again. Welcome back to the law o ye Galatians. MM says he works really hard to look at people based on who they are in Christ, not based on what they do. V&E them on that basis. The doctrine will change that to where you don't have to fake it till you make it. This is talking about really changing you to think about them the way your Father thinks about them. We want God to think about them the way we think about them but you want God to think about us the way we are in Christ. God is not oblivious to what people do but He looks at every member of the body of Christ as being IN Christ. He has to give you everything positionally so that you can achieve it in function. Otherwise, you are just producing this in the energy of your flesh. It has to be out of what He has done.
Commentary	Definition : Incontinence	Lack of self-control
Commentary	Definition : Inspiration	Inspiration guarantees: - When you have the completed word of God you have the life of Christ in a tangible item, the word of God - The ongoing work of the Spirit teaching ended when the word was completed. His Method upon teaching you now is line-upon-line or precept-upon-precept STUDY. If God was going to just give it to you, He wouldn't have told you to study. MM says that there has to be an objective standard of truth for everything we see and hear to measure if something is of God or a counterfeit, if it's from Him or us, because there is an adversary in the world to corrupt our understanding. You have to have something that you can live by that's objective and not just up to everyone's opinion. It's Truth from God Himself that says when you see this, it's from Me and when you see that, it's not. When you see this, that's what I AM doing and when you see that, that's NOT what I AM doing. You've got to have a standard that you can measure all of that because if you don't, how complicated would life get? You see people on TV say God gave me a vision or revelation or a dream or gave me a word, and none of that is out of the word. It's all extra-biblical. God informing whoever is being inspired what God wants to have written. MM says he would get an argument from scholars on this. He doesn't think inspiration is a result of a man looking somewhere else and seeing something and then copying it down and that becomes inspired scripture. MM just doesn't see that. EX Supposedly, Mark wrote his gospel first and Matthew copied from Mark. MM says he can copy from Mark and he doesn't have to be inspired to do it. Can't just pick and choose to do something and then claim inspiration. Come on.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Inter-dispensational Principles or Truths	Truths that are true all the way across the board - true whatever age you're in. - Did Jesus say to His disciples 'love one another'? Yes. Is the little flock out here in the day of wrath supposed to 'love one another'. Yes. As we, as the Church, the body of Christ, supposed to 'love one another'? Yes. - God is going to deal with everyone of us by His Jehovahness and grace, no matter what age you live it. If you are going to get salvation as a Jew, you are going to get it by His Jehovahness and grace. If you are going to get it as a Gentile, you are going to get it by His Jehovahness and grace. - God is omniscient & omnipotent & true (not a liar) in every dispensation Just because you can look through and find 5-6 things that are true in every dispensation, doesn't give you license to disregard the 150 that are completely different. Can't look at it as all the same. Can't say I could get just as educated in 1 Peter as I can in 1 Timothy. No you can't. That's the whole reason for this doctrine.
Commentary	Definition : Intimacy	Intimacy: For most people, intimacy is associated with the physical. But intimacy involves much more than that, as intimacy is not an act, it's a state of being. It is a state of existence in which both partners in the marriage trust each other with more and more of their innermost thoughts, wishes, and emotions. It is the job of each partner to earn that trust both before and during the marriage. Needs to be cultivated. The world looks at the physical aspects and wants to call that intimacy. Many marriages fall short of genuine intimacy which can cause many problems in marriage. This is because we live in an age of romanticism, where each partner expects instant intimacy. But you don't get that in an instant, that is a process of really getting to know someone. They feel intimacy can be achieved by means of physical or emotional methods/means. They fail to see that true intimacy begins and is maintained by oneness of spirit. The chief purpose of dating is to develop a oneness of spirit which, when achieved, can be the basis of a continuing friendship, or the basis of engagement or marriage.
Commentary	Definition : Intimacy	Today, people expect instant intimacy but you don't get this in an instant. True intimacy begins with a oneness of spirit - the chief purpose of dating someone is to develop a oneness of spirit. This becomes the foundation for continuing a friendship with someone as well as dating/courting or engaged and married. Pays off dividends all the way through. Point: if we had developed our friendships in a godly fashion, we would have developed that oneness of spirit in our date life/marriage. Then, it would have been so much easier to have a great marriage because we would not have damaged our relationship through moral failures. But, even if you didn’t get yourself on track until after you were married, the good news is that God can still accomplish His purposes in your marriage. You can develop oneness of spirit right where you are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Israel Program	Starts with Abraham, then Isaac, then Jacob. Jacob has 12 sons, they become the progenators of the 12 tribes. They are small in number, go into Egypt, then into captivity. When they come out, they are a great people. They travel toward a promised Land, they get over there on the way, they go under the Law. And then God outlines the entire course of their history. Because they went under the contract of the law, they are now in a performance system. If they do the right thing, they get these blessings. If they do these wrong things, they get these curses. God shows them 5 Courses of Punishment. When the Assyrians came in and took the northern kingdom and the Babylonians came in and took the southern kingdom, that began the 5th CoP. At the end of the 70 years of Babylonian captivity, Daniel prays is this all because he knew it was 70 years because Jeremiah had already written a Book about it. Daniel asks is this going to be it, this 70 years? And God tell him there's going to be 70 weeks of years or another 490 years to that. This is on top of the 70 years, making 560 years (GH: ?) total. Broken up 7 weeks and 3 score and 2 weeks (62), which left you 1 week which was the 70th week, which is the tribulation or Day of Wrath. In the midst of this have the 400 years of silence where God didn't say anything to the nation.
Commentary	Definition : Israel Program	Point: In over 500 years of what God said was going to be happening to them, by the time they get to the climactic stage (John the Baptist), when Messiah shows up, you know you only have a little time left on the program - Days of the Messiah (34 years) and tribulation (7 years) is 41 years. First CoP - Judges was over 400 years. If you get down to the last 41 years, you would say you were close to the end. If the Kingdom was the next thing, you could be saying it is at hand. Because the Messiah is on the scene, you know that the mandates of the Davidic Covenant are about to take place. Point: It is in the 4th and 5th installments of the 5th CoP that these Davidic Covenant mandates begin to be carried out. MM says He realizes that King and Blesser take place in the Kingdom but they have to because it's about the King. He has to do something in the eternal Kingdom that they can't do for themselves and He will do those too. When the Tribulation starts up, you have elements that are geared for the apostate nation of Israel in their land and you have elements that are geared for the world at large.
Commentary	Definition : Israel Program : Doctrines of the O.T. Prophets	Prophets: Isaiah to Malachi - 18 prophets sitting in your Old Testament. Some called major and some called minor. MM taught in Bible college the major prophets were bigger books and the minor prophets were smaller books. In all of the prophets, there are 7 major doctrinal issues that are being set forth. The major prophets talk about all 7. Minor prophets talk about 1-3. Different in each one. Minor prophets taking the information from the major prophets and adding to it so that you have a fuller understanding/further detail of 1 or more of those 7 issues. Everything contained in the prophets will fit under 7 major categories of things that God is educating the nation in. The larger prophets may talk about all 7. The minor prophets may talk about 4 of the 7. They all revolve around these 7 things. Isaiah talks about all 7 of them. Need to be able to take the things that the prophets are saying and connect them up with the things that are said by the Lord Himself and then connect them up again in the Hebrew epistles as they are talking again to the believing remnant. MM says this may sound like a lot but we've got to know our Bible this well. This is the difference between showing up to hear a sermon and really being a son. It's not about IQ, it's about seeing the connections there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Israel Program : Doctrines of the O.T. Prophets	**7 Major Doctrinal Issues**: **1. The Fifth Course of Punishment**: Started with Israel's captivity - when they went away captive. Only a couple prophets wrote before this happened. They warned the nation that this was coming. The rest of those prophets don't come along and write until the second installment of the Fifth course. All of those prophets are giving you what is yet ahead in the Fifth course of punishment. Detail the entire 5th Course of Punishment, which starts at the 70-year captivity in Babylon and continues to the Lord's day of Wrath, the 5th installment of the 5th Course of Punishment. ".
Commentary	Definition : Israel Program : Doctrines of the O.T. Prophets	**2. The Davidic Covenant (The Doctrine of the Messiah)**: The Davidic Covenant isn't listed in there but what is listed is the 5 things/mandates the Messiah will do for Israel that they cannot do for themselves. 5 things in RED: Redeemer, Deliverer, Avenger, King, Blesser REDEEMER: Israel cannot redeem themselves. He is going to have to do it for them. DELIVERER: When they are facing the anti-Christ, they are going to need deliverance.
Commentary	Definition : Israel Program : Doctrines of the O.T. Prophets	**3. The New Covenant**: What makes them spiritually fit to be utilized by God in His plan and purpose out there once all of this is brought to a head. **4. The Lord's Day of Purging and Avenging Wrath:** When you talk about the Day of Wrath/Tribulation/Daniel's 70th week, it is always important, no matter what you are talking about, to understand what God is doing when He does this. OR to ask the question - WHY is God doing this? When you understand WHY He is doing it, it informs you so that you understand it the right way. Why is God having a Day of Wrath? Why did He plan all the way back to have that last week of years? To have those specific judgments - the 7 seals and 7 vials? He IS accomplishing TWO things: 1. Purge out unbelieving Israel: Get rid of the apostate element of Israel. Because the only ones going to the Kingdom are members of the remnant. Has to separate the remnant from the unbelievers. 2. Avenging His cause with Israel among the Gentile nations that mistreated them and abused them and turned them over to the antichrist and rejected their message. He IS punishing those Gentile nations. And they will know it is because they rejected the message of the believing remnant.
Commentary	Definition : Israel Program : Doctrines of the O.T. Prophets	Two types of people He is dealing with: 1. Unbelieving Israel 2. Rejecting Gentiles **5. Israel's Prescription for Cleansing**: How do you become a member of the remnant so you can get into that Kingdom; what do you have to do **6. The Time Schedule for Israel's program**: There are bits and pieces but when you get to Daniel, you get a lot. **7. The Kingdom**: Broad stroke - a whole lot of issues about the Kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Israel Program : GH: Doctines for Daniel's 70th Week	In Israel's Books, the members of the believing remnant are being told how to avoid two things: 1. How not to get caught up in the judgments that God is going to sending onto the earth. They are not going to get raptured out, they are going to have to be there. But God does give them a way to avoid those judgments in the tribulation. 2. He is also teaching them to avoid the extermination policy of the anti-Christ. Not only are there judgments falling on the earth. But the anti-Christ, at the midpoint of Daniel's 70th week, 3.5 years into the tribulation, is going to start an extermination policy for all of those members of the believing remnant that do not take the mark. Escaping the judgments and the anti-Christ hunting them down is a different salvation than being JUEL. This is the salvation that He is going to be talking about. JUEL is by faith alone. There's something riding on their works but it is not their soul salvation. It is important to understand this so you don't go off the rails doctrinally. You will understand what the person doesn't understand in Israel's program. MM says if it is 'faith and works', when do you get saved, when you believe or when you do the works? And how many works do you need to do to get saved? And what if your works were done in the energy of your flesh? MM says there is only one way to be saved by works - perfection or to have never sinned. Can't use the 'faith + works' scriptures to get salvation or lose your salvation. MM says if you can lose your salvation but then get it back, can you ever really know if you have been saved on any given day?
Commentary	Definition : Israel Program : Feasts : Feast of Tabernacles	Two issues with the Feast of Tabernacles: 1. Has to do with water. Prior to the water ceremony, Jesus said I CAN give you water and you will never thirst again. 2. Has to do with light. The illumination part comes up and Jesus said I AM the Light of the world-John 8:12. He is pointing to what these things have been picturing. They have been picturing Him. Pretty shocking if you have been doing this every year on the Feast of Tabernacles and now Jesus shows up and says I AM THE LIGHT OF THE WORLD-John 8:12.
Commentary	Definition : Israel Program : Two Justifications	PRINCIPLE: The believing remnant is supposed to have 2 justifications: 1 – justification unto eternal life which saves them from the debt and penalty of their sins (which is by faith); and spiritual salvation of their soul gets them entrance into the kingdom by grace through faith “in the sight of God” 2 – justification in the sight of men, as they demonstrate by their works they are the “Friend of God,” which saves them from the judgments of the day of wrath (Tribulation). physical salvation from the judgments being poured out at that time gets them into the kingdom with reward by works which are meant to “perfect” that faith. “in the sight of men.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Israel Program : Two Justifications	PRINCIPLE: Abraham had TWO justifications. (1) Only one of them is justification unto eternal life (Romans 3:20). That is his justification by faith. Abraham believed God and it was counted to him for righteousness. It was at that point Abraham was justified "in God's sight." (2) The other justification is "before men" (Romans 4:2) as Abraham outwardly demonstrates he is the "Friend of God." Therefore, this "justification" is by Abraham's works. Every Israelite had a salvation package that was supposed to contain 2 justifications.
Commentary	Definition : Israel Program : Outline	God's Program with Israel: From the calling out of Abram to the setting up of the kingdom of heaven on the earth, there are 14 stages in all. • Stage One: The Formation Stage – the calling out of Abraham. (Genesis 12) • Stage Two: The Exodus Stage – Exodus, Leviticus, Numbers, Deuteronomy There are four major divisions of the second stage. Each of those divisions corresponds with the four Books that make up this stage and each Book is divided into four major sections. I. Exodus deals with Israel's exodus out of Egypt. 1. Exodus 1:1-22: The fulfillment of Genesis 15:13. 2. Exodus 2:1- 15:21: The fulfillment of Genesis 15:14. The second major part in Exodus is divided into 3 sections: 1) Exodus 2:1-4:31: Moses is raised up as Israel's deliverer.
Commentary	Definition : Israel Program : Outline	2) Exodus 5:1-12:30: God's judgment against Egypt. 3) Exodus 12:31-15:21: Israel's exodus with great substance and a high hand. 3. Exodus 15:22-18:27: God educates Israel about His grace. 4. Exodus 19:1-40:38: Israel contracts with God to be dealt with on the basis of their work and the details of that contract. II. Leviticus deals with Levitical (priestly) things. 1. Leviticus 1:1-10:20: The laws and statutes regarding the various offerings and the service of the priest. 2. Leviticus 11:1-25:55: The details of the middle wall of partition. 3. Leviticus 26:1-46: Description of the contracted blessings and curses. 4. Leviticus 27:1-24: Regulations regarding vows and tithes (which contains the issue of redemption)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Israel Program : Outline	III. Numbers deals with numbering for a particular reason. 1. Numbers 1:1-10:10: The numbering at Mount Sinai to establish the armies and God's instructions for preparing to enter the land. 2. Numbers 10:11-21:35: The third major unfortunate incident since the exodus; they balk at entering into the land. 3. Numbers 22:1-25:18: God warns the Gentiles that nothing will thwart his plan and purpose with Israel; not the tumult of the Gentiles nor Israel's own rebelliousness. 4. Numbers 26:1-36:13: The historical details of Israel's 40 years in the wilderness and, once that generation was destroyed, their being instructed and numbered again to enter into the land with their armies. IV. Deuteronomy deals with the second giving of the law. 1. Deuteronomy 1:1-3:29: Moses rehearses the last 40 years and the issue of Israel's failures with the new generation, exhorting them not to follow in their footsteps. 2. Deuteronomy 4:1-28:68: Details of the law contract. 3. Deuteronomy 29:1-30:20: An additional covenant that reconfirms their possession of the land. 4. Deuteronomy 31:1-34:12: Moses' last acts to Israel; the song of Moses which is Moses' final appeal for them to learn the issue of God's Jehovahness and grace.
Commentary	Definition : Israel Program : Outline	Within the second stage of Israel's program, there are 5 major issues of concerns: 1. God's Jehovahness and grace (There are five particular times between the crossing of the Red Sea to their arrival at Mount Sinai that God focuses their attention on this issue of his Jehovahness and grace.) 2. The blessings and the curses 3. Nothing will thwart God's plan and purpose with Israel 4. An additional covenant concerning the possession of the land 5. The song of Moses (A review of Israel's rebellious history) • Stage Three: The Conquest Stage – Joshua The first 9 verses in chapter 1 give the entire book in a nutshell: 1. The details regarding Israel's physical entrance into the land that God promised Abraham, Isaac, Jacob and their seed. 2. The details regarding the conquest of the land along with the removal of the Gentile nations that possessed it. 3. The details regarding the inheritance of the land according to the tribes of Israel. Commentary	Definition : Man	Man is a tri-part being - MM drawing 3 concentric circles within each other: 1. Body: The outside, the part you see. 2. Soul: Inside the body you have a soul. That has 3 parts: (1) Mind: Doesn't mean that everything that you are thinking comes from God, GH: even if you are saved. Because you learned to get along in this world from the world-where you lived, the kind of home you grew up in, the friends you made. EX Kid grows up in a broken home and told he will never amount to anything. Satan can turn things into a stronghold and a person will live their whole lives out of that. Why one of the first things you have to learn is your new identity in Christ, not just from a theology standpoint but from a practical/reality standpoint. That way he will find out what he means to God (GH: not a worthless burden but a child of God). Really understanding that your identity got changed. (2) Will: Doens't mean everything that you will to do is exactly what God wants you to do, GH: even if you are saved. (3) Emotions: Doesn't mean all of your emotions are now under the control of the Holy Spirit GH: if you are saved. There is a process in your soul (GH: mind, will, emotion) where everything that has been going on through your sanctification - your mind is getting renewed, all of this is going to get transformed because God is working to conform you to the image of His Son. When God takes up residence in your spirit through His Spirt, that makes you spiritually alive. Then there is a process where everything that's been going on in your soul through your sanctification, your mind is being renewed. All of you is going to get transformed because God is working to conform you to the image of His Son.
Commentary	Definition : Man	3. Spirit: Within a man, he also has a spirit. When a man is born, he is spiritually dead (death is separation - separated from God, not that your spirit are rotting away). Before Adam & Eve ate of the tree of knowledge of good and evil, they were physically alive and spiritually alive. Spiritually alive means it was connected to God. When they sinned, their spirit was no longer connected to God because they died spiritually. DEAD IN TRESSPASSES AND SIN-Ephesians 2:1 means you were spiritually dead, not physically dead. When you are saved, you are given the Holy Spirit. The Holy Spirit is in your spirit and now you are connected back to God and you become spiritually alive. Satan can't build a stronghold in your spirit with the Spirit of God living there. Your soul and spirit are in connection with your body (GH: when you are phyiscally alive). When your soul and spirit leave your body, your body dies. When you come into the world, you are spiritually dead, you don't know God and you don't know His ways. When you get saved you are given the Spirit and He resides in your spirit. You are then connected back to God and you become spiritually alive.

Commentary	Definition : Manuscripts	MM says we don't have the originals of anything. Copies were made of the originals and then copies made of copies and actually God preserved His word with the multiplicity of copies. The more copies that got made out there, the harder it is to get rid of them all. You have a series of different manuscripts. - You have majuscules which are text that are written in all capital letters - You have miniscules which are text that are written in all small case letters - Third area - you can go back to early sermons where they quoted verses. MM says there are some verses in your Bible where we don't have any pieces of manuscript. We have 5,995-ish pieces of manuscript. Some are very small papyrus fragments from the second to fourth century and are old and very delicate/fragile. You wish you could put them together into a complete Bible. There were verses that some people called into question because they said we don't have anything from back there that has that verse anywhere. Then as more things were discovered, the amount grows to almost 6,000 pieces. There are still those today who will take specific verses and say we don't have that anywhere and most of the time because of the particular verses they're choosing to do that with. They lied because there's 3 places you can go and find these are all numbered, the papyrus fragments are numbered 1 through whatever.
Commentary	Definition : Manuscripts	You have to understand the genius of God. If all of this is not going to historically take place in front of us, there has to be a reliable record and that means language had to be developed which was not an accident and the ability put things into print. That is going to have to be there (GH: for the remnant).
Commentary	Definition : Marriage	Marriage is designed by God to be the most intimate of human relationships. The Bible teaches us how to have that intimacy that every human craves. And it does that by having us view our marriage as a covenant and not a contract. Yes, legally, marriage is a contract. A society cannot exist without laws regulating marriage relationships, so in this sense, marriage is a legal contract. But a Christian marriage is more than just a legal contract, it is also a covenant. And we need to recognize the differences. Points: 1. Your relationship with God greatly enhances your marriage relationship. This is true for both husbands and wives. The better your relationship with the Lord, the greater/better your marriage relationship can be. Because you will be learning things in this relationship that translate right over to that one. 2. No relationship of all the ones that we have require as much discipline as marriage. It is the one that requires the most application of Biblical principle. Especially in the areas of how to handle conflict, how to resolve anger issues, and how to deal with misunderstandings. No relationship demands so much Christian discipline as marriage. That discipline will come from biblical principles which teach us how to handle conflict, anger and misunderstandings.
Commentary	Definition : Marriage	Marriage requires most discipline and Biblical principles. While a husband and wife are partners, the term partnership is insufficient for what Paul describes in Ephesians 5; they are partners (like 2 people in a business relationship) but marriage is much more than a partnership. MM likes 'my better half', the other half of the whole. It's pretty Biblically accurate. It isn't two units; it is two halves of one.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage - Godly Thinking	Marriage - Godly Thinking: - In the marriage relationship, two become one. We learned about the unity of the marriage relationship. - Marriage is a covenant which we make with our spouse. We are supposed to now engage in this marriage as though we understand we have entered into a covenant. - We learned that we must die to self as we give ourselves unreservedly to our spouse. - MM just giving 3. Things like these should be in your mind so you can implement them into your conduct and behavior. And as we believe these things and the implications of these things and apply them to the way we live, it impacts the way we treat each other. This is the kind of way that we are supposed to be thinking about it.
Commentary	Definition : Marriage - Godly Living	Marriage - Godly Living: - And as we integrate that into our everyday conduct and behavior by submitting one to another in the fear of God, then we get this - that's our godly living. This is the outworking of what we came to understand.
Commentary	Definition : Marriage - Godly Labor	Marriage - Godly Labor: - Then we are given an opportunity to labor with God in our marriage by making our marriage a picture of Christ and the church. This is the godly labor aspect. o How wives labor: *Reverence their husbands* and submit yourselves unto your own husbands, as unto the Lord - Every time she submits to the headship of her husband, she should do so because she realizes this is not just her service to the Lord, it's the way she labors with God in her to make the marriage what it is designed to be. Impossible without godly thinking and living. - Once she understands the doctrine, to fail to reverence her husband is refusing to labor with her Father in her marriage. - When a wife disrespects her husband in word or deed, she is laboring with Satan in her marriage. o How husbands labor: *Love their wives* as Christ loved the church and gave Himself for it - Every time he cherishes and nourishes his wife, every time he decides to treat her with tender lovingkindness, he not only knows he has been called to love her as Christ loved the church, but he realizes this is how he labors with God in his marriage to make that marriage everything that God designed it to be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage - Godly Labor	- When a husband fails to respond to his wife with unconditional love, he is not laboring with God, he is laboring with Satan in his marriage. Satan is working to destroy these divine institutions. This is what is working behind the scenes. Not that we are intentionally doing it, but by failing to labor with our Father, we're automatically helping the adversary. - Anytime a husband fails to labor with God in his marriage, he is contributing to something bad happening in his community, in his nation, and in the world at large. In every divine institution, there is something important going on something is at stake. Marriage and family are divine institutions, so something is at stake by these. When marriage is no longer practiced in the world, when family is no longer a viable unit, the world will destroy itself. God is preserving the very foundations of our society, of our communities, and ultimately, our nation by this godly labor of wives reverencing their husbands, and husbands loving their wives. God wants saints who are conformed to the image of His Son because he wants sons and daughters that not only think & live like Him but what He is really after is He wants sons and daughters to labor with Him in what He is doing. MM says what a Christian is for - to labor with your Father. When we don't labor with God, we don't see the immediate effect because it doesn't affect everything in a moment.
Commentary	Definition : Marriage - Godly Labor	It can affect the marriage in a moment of the family in a moment. But you understand if you don't fix it, you are contributing to the overall demise of those institutions within our communities and within our nation. There's something at stake in this. We are really having an effect. But when it happens over such a long period of time, or we're such a small part of the nation, we think if we don't labor with God, it's OK, because I'm just one little part. But when all the little parts begin to think that way, you end up with a nation that is now falling apart and it doesn't get that way in a vacuum. But because the building blocks that make it up are crumbling. MM says he is not trying to make anyone feel bad but there's something at stake here. We will never be the nation we are supposed to be until our families are what they're supposed to be.
Commentary	Definition : Marriage : Marriage Covenant or Covenant Marriage	This is the term which most clearly expresses the uniqueness of Christian marriage. It is the term that best describes a marriage that pictures the relationship between Christ and the church. Just as God is the initiator of His covenants, it will be the husband who initiates the covenant marriage with his wife. This is born out in how the typical marriage ceremony takes place, with the groom coming out first and standing at the place where the vows will be exchanged, because he is the initiator of the covenant. God is the Initiator of every covenant. (GH: ?) Points: 1. The husband is the initiator of the marriage covenant relationship (meant to be two-way). He is commanded to love his wife. And the natural expression of the covenant and his love for her is to give. Not just things, but to give himself to her without reservation. But in a covenant, the relationship is not one way; each spouse is committed to the other’s well being. The motivation is not that of self gratification but giving of self for the other’s benefit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : Marriage Covenant or Covenant Marriage	This is the first duty of any husband who wants to have a covenant marriage: to be deeply concerned about his wife's well being; to spend a great deal of time and energy seeking to understand her needs and find ways to minister to her. And this marriage really takes off when the wife has the same attitude. In the marriage ceremony, the groom comes out first because he is a picture of Christ and he is the initiator of the covenant. When it is God and man, God initiates the covenant. Now the marriage is the covenant and because he's a picture of Christ, he is going to initiate the covenant. He is commanded to love his wife and the natural expression of the covenant is to give. Not just stuff, although wives appreciate stuff. Give himself to her. The husband should be so concerned about his wife's well-being that he would spend the time and the energy to understand what her needs are and fill those needs. But men like to fill her needs based on what we perceive she wants. Need to fill that need based on what she thinks. MM says the marriage really takes off when the wife begins to do the same thing. It's God's way to find a marriage that is equally fulfilling for both spouses because it truly does picture the relationship between Christ and the church and that's where we are trying to get to.
Commentary	Definition : Marriage : John Stott on marriage	John Stott on marriage: "it is the sacrifice of self in the service of another. It is a service of the will, not a victim of the emotions." He means that we choose (it is a choice/decision) to sacrifice ourselves in the service of another; it is not something we do because we feel like it.
Commentary	Definition : Marriage : O.T. vs. N.T.	In the OT, marriage is a picture of the relationship between God the Father and the believing remnant (BR) of Israel, and in the NT marriage is a picture of the relationship between Christ and the church. In our human marriages, the husband is supposed to treat his wife like Christ treats the church!
Commentary	Definition : Marriage : What makes a marriage successful?	What makes a marriage successful? a. mutual respect for each other b. open communication c. shared values d. willingness to compromise e. commitment to work through challenges together f. plus: must be love, trust, intimacy, forgiveness/ability to forgive Most of these people would agree with and notice these are not uniquely Christian. A lost couple would look at this and agree. MM say every book on marriage will give you these types of things. g. understand your marriage is a covenant you are entering into - a divine institution (only one on the list that makes it uniquely Christian). This is the key to manifest the relationship and love that Christ has with the church. - it's not a byproduct of our ministry or our job - those being successful don't guarantee your marriage being successful; The success of our marriage is measured by the quality of the relationship between husband and wife. This one is uniquely Christian.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : What is a successful marriage?	What is a successful marriage? - ask 5 different people get 5 different answers; they tend to turn it around into 'What makes a marriage successful?' because they can identify that - MM says a marriage is successful to the degree when it manifests to all people (including the marriage couple themselves) the fulness of the relationship between Christ and the church, the members of His body (uniquely Christian) - not MMs opinion, comes out of Ephesians 5.
Commentary	Definition : Marriage : Six Purposes of Marriage	God has SIX purposes for marriage: If you don't feel you need this for yourself/your marriage, this will equip you to give WISE COUNSELS to others. In your Bible, there are 6 basic purposes behind marriage. 1. Companionship: God has a design for marriage is the complete unity between a husband/man and a wife. This unity is made up of a oneness of spirit, of soul, and of body, and they should happen in this order, just like man. God wants to base everything on our oneness of spirit (courtship). This is where the relationship should start. Then engagement period, comes down to oneness of soul (engagement) where you begin to talk about the more intimate details of your life and future plans for a family. And then oneness of body (marriage - and two shall become one). In today's society, it is based on oneness of body. The body becomes the basis for everything. When you do that, not only are you opening yourself up to being in bondage to this immorality and it's going to guide so many areas of your life, it's going to negatively impact this relationship. Getting oneness of spirit is the same way you get happiness. Oneness of spirit is a by-product of other things - like the way the husband and wife treat each other. This is mostly geared to husbands. Ten ways to build companionship. Most husbands look at marriage differently than the way the wife does.
Commentary	Definition : Marriage : Six Purposes of Marriage	Don't see the delicate cause-and-effect in the relationship. Forget the little things thinking they don't have to deal with them. End up being seeds of destruction. It is God’s design for couples to experience a complete unity together, and it is the longing and desire of men and women to find fulfillment in the companionship aspect of marriage. The most important part of any couple’s unity is oneness of spirit, for this is what generates deep and abiding companionship Oneness of spirit is like happiness, in that it is a byproduct of other things. True happiness does not come by trying to be happy and true oneness of spirit does not come by trying to produce a oneness of spirit. Instead, oneness of spirit is produced by a husband and wife’s treatment of each other within the marriage. Without oneness of spirit, seeds of discontent may grow up to choke the marriage. This is why so many marriages built on a physical relationship either fail, or are unhappy. Oneness of spirit should be the foundation from which springs the entire marriage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : Six Purposes of Marriage	2. Pleasure: It is important to distinguish between godly pleasure and lustful pleasure. The principle for pleasure is: self control. Satan's goal is: self gratification. One of the keys here is in observing times of abstinence in your physical intimacy, such as during a woman's cycle. In 1 Corinthians 7:2-6, Paul warns couples not to defraud each other in this area. Important for men to be abstinent during his wife's cycle. 3. Completeness: God took part of Adam and made Eve; then He brought her to Adam to complete him. God's hidden design is for couples to have a oneness of spirit. There is a real design here for husband and wife. 4. Fruitfulness: Couples should consider how great an impact they could have on the world by their children. Consider how much of a impact in the world you can have with your children. In the Bible, Jesse had 8 sons; if he had only had 7, David would not have been born. Satan's Goal: pleasure without responsibility. 5. Protection: When a man enters the marriage covenant, he is pledging his strength, resources and life to his wife.
Commentary	Definition : Marriage : Six Purposes of Marriage	6. Illustration: Marriage is meant to picture the relationship between Christ and the church. A married couple is a living epistle of God's truth by demonstrating this relationship by their marriage. What is the basic principle of the illustration? Self-denial (the good of the other person). What is God's hidden design for the illustration of Christ and the church? The wife's submission and the husband's sacrifice. Everybody has a role to play. MM says he could have taught through this but wanted to find some practical application. There's a sowing and reaping on the other side of the coin.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	How to create Oneness of Spirit in your Marriage/How does a husband create oneness of spirit with his wife. Even a lost guy can do this but won't be in all 10 areas he won't be able to build if he is not JUEL. God graciously made it so unsaved people can build good marriages. Good marriages provide an atmosphere of receptiveness to the gospel. Not a guarantee but it sets the stage for this. Most will work for anyone. Only in order based length of the description. Do 1-2 at a time. Geared toward the men but woman can think about the other side of the coin because there is a proper response with this relationship to her husband. People talk a lot about this but not much about the way this gets done. Many husbands are unaware of the "little" offenses that cause an ever widening separation in the spirit of their marriages. Men must understand that within the relationship there is a very delicate balance of "cause and effect." Men assume that an occasional offense will soon be forgotten, but every offense is a seed of destruction of the relationship. It must be scripturally dealt with before it takes root and grows into a harvest of devastation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	There is “sowing and reaping” going on in your marriage all the time. And you are either sowing to a oneness of spirit and building the relationship in your marriage or you're sowing to the destruction of your marriage. No matter where your marriage is today, it is never too late to start rebuilding it. 10 Ways a husband can build a oneness of spirit in his marriage - these are not the only 10 there are: 1. For the man to be the spiritual leader in his home. Every woman has certain needs which will only be met by strong spiritual leadership. Spiritual leadership is not only a description of where a man is spiritually, but it is also the direction he is going spiritually. Two hallmarks of a spiritual leader: (1) Lives by the doctrine - has to know the things that are in the Bible, the doctrines that can conform him and then commit to living out of them (2) Has a heart for the Lord - means he has to have a real desire to know the Lord intimately and to grow in grace and to live his life in a way that is pleasing to the Lord
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Don't want to do the first one without the second one so you need to develop a heart for God. There's a delicate 'cause and effect' that is going on in every marriage. MM is going to change to Bible terminology 'sowing and reaping'. SOW: He shows lack of interest in being the spiritual header. REAP: She feels insecure, unable to place full confidence in him; seeks spiritual leadership from others. But if he takes the leading spiritually in his home, he'll build a oneness of spirit with his wife in this area because she can trust him to make godly decisions that are in the best interest of their whole family. She will find security in that and that will help knit her to you.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Evidences of a spiritual leader - Be willing to teach and model godly/God's principles to your family. Teach your children and model them to your wife. Deuteronomy 6:7- should be happening all the time - look for ways to put spiritual principles into your kids. Can happen at the dinner table, when you are taking a walk, when you are riding in the car, when you tuck them in at night, when you get them up in the morning. All of these are opportunities and they ought to be woven into your everyday life. - Have a personal prayer life for yourself and have a time to pray with your wife and your family. MM talks about rituals that Billie and him did. Laid in bed, held hands, and prayed together. Still have personal prayer life. 1 Peter 3:7 - In your own life, have your own regular time of personal Bible study and prayer. IF you are busy, just pull out the notes from last week's lesson and talk to the Lord about the doctrine working in you. It's a built in Bible study.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	- Memorizing scripture consistently that pertain to this so you can meditate on them during the day. Don't memorize scripture for the sake of memorizing scripture. Be more purposeful. Identify weak areas of your life and say I really need to learn about this or that, or I need to develop this Sonship skill or I really need to understand this doctrine. Whatever it might be. - Sharing Christ with other people. Being able to share Christ with others is an important aspect of being a spiritual leader. If you don't know how to do that or are not comfortable with that, then view the School of Evangelism. Pass out the MBI business card - QR codes - the most important decision. 2 Corinthians 5:19 - Refusing to compromise your spiritual convictions. 1 Corinthians 16:13; Galatians 5:1
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	2. Notice and express gratitude. - Notice the little things that wife does (and the big things) and express gratitude - praise them for these things and to be thankful. Proverbs 31:28-31 Should be a 10:1 ratio between praise and criticism with children - MM applying it to the wife. Not that you should correct your wife. Be careful about how you say things so that you do not wound her spirit. The better the oneness of spirit, the more honestly you will be able to talk to each other without getting your feelings hurt and that is important. When you understand how much the other person loves you and is committed to you and you have this intimacy of relationship, then you can begin to really take things in a way that they were meant. To the husband it may be a little thing but to the wife, it is a big thing. Many men failed to realize that women are usually more detail-oriented/little details then men. Men are more big picture. But she will respond to the little things as well. So you need to be more detail oriented. She notices little things, and she responds to little things. She needs to have her husband do the same (respond to the little things). The “little things” that she does to brighten the life of her husband and family are really “big things.” They represent her commitment to her husband and family, thought, time, and energy in making him and the family successful. So be thankful for those things. Not just on her birthday or on Mother's Day or Valentine's Day. Do this as a general way of life.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	SOW: He is insensitive to special little things that she does to please him. REAP: She seeks admiration and praise from others, loses creativity, and seeks outside interests. But if he takes notice of the things she does and he acknowledges the things that she accomplishes, he will build a spirit of oneness between him and his wife. 3. Demonstrate Self-Control - When a man lives out of his emotions and loses control of his emotions/temper, he may not realize it but he damages the oneness of his marriage. When he brings home or watches pornographic material, he disrespects his wife and violates the sanctity of his marriage. When a man exhibits bitterness and lack of forgiveness, instead of building a oneness of spirit, he produces a spirit of fear in his wife. Yelling at his wife or their children, talking down to his family, constantly criticizing, resorting to name calling, and the use of profanity are all indicators of a lack of self control. These do not glorify God and they do not build the spirit of a marriage. Wife will think what if it was me if I crossed that line.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	- The silent treatment is really just as bad, it is just another way to punish the person.. We can flip the script to the other extreme and say that "the silent treatment" is just another way to punish the other person. Neither of these extremes build a oneness of spirit. SOW: He lacks discipline in anger, displays moral weakness, and refuses to discuss it. REAP: Her admiration and respect for him are greatly damaged. But if he can control his temper (not just talking about his wife), ??? MM says there are some things in the world that ought to make us angry but that doesn't mean we are going to be out of control and we're going to act certain ways. That's not what he is talking about. Talking about a guy that lives his life everyday and loses his temper with everybody and everything. If you can control your temper and treat your wife with respect an the children kindly, and you let your words reflect that godly response to whatever circumstance that you are going through, what you'll wind up doing is building that spirit of oneness in your marriage.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	4. Be Appropriate in Public - Never ever yell and scream at your wife in public. Don't ever correct your wife in public. Husbands demonstrate what they think about their wives by how they talk to them, either in public or in private. If there is something that needs to be corrected, make sure it is done in love and in private. It is foolish for a husband to correct his wife in public, for he is actually criticizing himself. God holds the husband responsible to purify the wife by the word of God. The wife is actually part of the husband and she is a reflection of his care, wisdom and leadership. When a man decides he is going to correct his wife, he is actually correcting himself. Rather than correcting in public, a wise husband will pray for his wife while examining his own life. - Colossians 3:19; Colossians 4:6 SOW: He uses jokes or cutting remarks in public to emphasize something he has been trying to change in her. REAP: She feels her self-worth is damaged and reacts with a desire to retaliate in public.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	There's another aspect of this besides not correcting your wife in public. EX Couple get out of a car and the husband bolts to the store. Could be a young couple who has to get the baby and the diaper bag and she is 15 steps behind him. He is through the door and oblivious to that. Can happen to older couples as well. She gets upset and then he gets upset that she is upset. The real meaning of her statements is these: (1) I wish you would pay attention to me in public. Then the guy overdoes it. - She is saying I want you to love me (emotions). (2) I wish you wouldn't pay attention to me in public. Then he lets her go. - She is saying I don't want you to embarrass me in public (will). (3) I want you to pay attention to me in public. Then he says you don't know what you know. - She is saying I want others to know you love me (mind). And I don't want to have to tell you to do it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	(4) I expect you to pay attention to me in public. - She is saying I don't want to have to tell you to do it (I don't want to have to tell you to love me). She is speaking out of her mind, her will, her emotions, her spirit. MM opened Billie's door and walks with her to the door, they are talking and holding hands walking across the parking lot. Ladies have to get used to this. Develop a list like this and ask which ones she likes and which ones she doesn't. 5. Discuss Major Changes - We make decisions about things every day. Most of them are small and insignificant. But there are some decisions that we make in life which are big decisions. Let your wife be the first person you talk to on big decisions (moving, changing jobs). You are in this life together and you should decide things together. A wife needs to move mentally before she can move physically. Means she needs to see the place where she is moving so she has an idea about what that's going to be like and how she's going to function.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	SOW: He does not give her time to rearrange her frame of reference for major adjustments. REAP: She becomes insecure, apprehensive, and eventually she will become bitter. (Because her world gets turned upside down and she doesn't feel like she has any idea that it's happening and she doesn't have any say about it.) These guys are going to be in control of every single decision, they are not going to discuss it/not open for discussion, and they are going to do what they're going to do. There's sowing and reaping that happens out of that. This is not the way to build oneness of spirit in your marriage. - But when she is a part of every decision, she learns to trust her husband and fully support him, even if she may have some reservations about what they're doing. EX Billie would work just as hard to make it work, even if she wasn't sure.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	6. Praise her for Godliness - Let most of your praise be inner-character and godliness and not on the physical, because that's the shallow end of the spectrum. If you married her because how she looks, then all the compliments will be about the physical and you will have a hard time establishing a oneness of spirit. She knows she won't always look like she is 25 and she is thinking who else you are looking at because this seems to be the thing on your mind. EX Pre-marriage counseling and when asked what drew you to her, the response was 'she's hot'. MM says what a sad response. You are telling her you better always look like this because this is the No. 1 reason I'm interested in you. Looks are not the basis for a life time. That's not how this works. Remember the 10:1 rule on praise to criticism. Make most of your praise about godliness and character. Sure you can tell her she is beautiful, and you should. But do not let all your praise be about physical things. Problems with praise for physical things: 1) it causes fear of the future: as he gives the impression that he may not love her as she gets older and her looks change. Sowing praise in the physical things will make his wife fearful of the future because she won't always be young.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	2) it de emphasizes godliness: as his praise makes her more concerned with the physical. This is de-empathizing godliness and emphasizing all of the things the world treasures and that puts her mind on the wrong thing. 3) it tells his wife that he may be looking at other women who are attractive. Makes her wonder where his eyes are straying. - This deemphasize godliness and empathize what the world does. - Never compare your wife with ay other woman/someone else. Never say 'why can't you be more like...', you are not building a oneness of spirit, you are actually damaging the fabric of your marriage. - 2 Corinthians 10:12 SOW: He openly admires appearance or abilities of other women, which she lacks. REAP: She is deeply hurt, becomes jealous and begins to reject herself.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	- Wish you would dress like so-and-so. - Number 1 thing for a man is respect. Comparisons can be made in many areas: work, cooking, housekeeping, dressing, gardening, responding to pressure, etc. When a husband compares his wife to another woman in any of these ways, it not only destroys her sense of self worth, but it causes her to have a wrong focus on the individuals with whom she is being compared. On the other hand, when a husband favorably compares his wife's character with that of the Lord Jesus, he encourages her to delight in the inward qualities and to grow in her relationship with the Lord. When a man delights in inward character, it frees his wife to respond to physical difficulties that would normally devastate a woman. If you have ever said this, you should apologize and go back and get this right and never make this mistake again. Because men don't like this pill either. The number 1 thing for a man is respect. A man wants to be respected.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	7. Value her Opinions - Matthew 27:17-19 SOW: He evaluates her opinions from his larger frame of reference versus her immediate frame. REAP: She is hurt and hindered from sharing cautions concerning his judgment and character. - There are several rewards that come to a man when he listens to the cautions of his wife. First of all, he strengthens the spirit of his marriage. Secondly, he may avoid unwise decisions. One day something will back-fire and he will say why didn't you tell me? Because of 15 years. God gave the wife the calling of being a HELPMEET and sometimes a wife will forsee danger that the husband will not see. If she has an objection, you need to listen to it.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	8. Make your Wife #1 (this is the big one and should be at the top - Ordered to fit the triangle-shaped notetaker.) - Biggest one - this goes a long ways toward building a oneness of spirit. - 1 Corinthians 7:32-33; Ephesians 5:25 NOTE: If this list of 10 looks overwhelming, pick 2, maybe 3, that are most important and go to work on those. Get those done and pick 2 more. If you try and do all of these at the same time, it won't work. SOW: If a man becomes preoccupied with other people, his possessions, or activities to the exclusion of his wife - If you are going to marry her, make her #1. If you just needed a housekeeper, you should have hired a housekeeper.

Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	REAP: She doubts his love and become insecure. Ways: - At least every other week, have a date night with your wife. Just you and her. Go somewhere she wants/likes to go. - Steer away from on date night: Don't let your mind wander to all the other things you can think of or have to talk about on date night. So when she says what do you think you are not replying I was thinking of something else. No phone calls. Silence the phones or leave them in the car. Don't show up late - be punctual. Start/Be ready on time. No talking to friends when you meet-don't make it a foursome.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	No looking at other women. Your pupils get bigger and she will know it. Lack of manners/Have some manners. Improper dress or grooming/Get dressed up. Dress properly Groom a little bit. No distracting music/surroundings. Movies are a bad date night. Going to movie is a bad date night. You are not talking, just watching a big TV. Don't bring up unpleasant subjects. Tells how important the other person is.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Learn to communicate. Know topics your wife enjoys discussing with you and ask her about them. These might include: * Events of her day/How did her day go? * Needs and activities of the children * Her ideas on home improvement * Enjoyable past memories. IF you have to, bring up both of them. * Spiritual lessons and insights * Clothes she is buying/considering getting * How she really feels about certain things/situation - have to be willing to hear an answer
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Make surprise appointments for lunch if you work away from home Give her occasional calls during the day just to say you are thinking about them Prepare* for the most exciting moment of her day Help with the dishes. If you work in an office, if she has direct access without going through your secretary. Met her deepest need - it's security. Really wants intimate conversation. Intimate conversation takes place when a wife is able to trust her husband with the secrets of her deepest emotions. Meet her deepest need intimate conversation. A lot of times, a wife will have fears or she'll feel guilty, have other anxieties she wants to discuss and may be hesitant to share them.

Commentary	Definition :	SOW: Preoccupied with people, possessions, or activities.
	Marriage :	REAP: She doubts his love and becomes insecure.
	How to create Oneness of Spirit in your Marriage	Intimate conversation takes place when a wife is able to trust her husband with the secrets of her deepest emotions. Very often a wife will have fears, guilt or other anxieties which she needs to discuss. She may, however, be hesitant to share them for one or more of the following reasons: - Feeling guilty for having them in the first place - May feel guilty for feeling this way. - Hoping they will pass although she is worried right now - Fearing rejection from you - Afraid if she tells her husband, he may reject her. - Desiring to reduce your burdens - She doesn't want to add to your burdens. She doesn't want to be another problem you have to solve. - Knowing you don’t have answers to help her - She doesn't think you have the answer.
Commentary	Definition :	If it is any of these, those are things to be fixed. Sometimes, she'll couch it as another couple's or woman's problem if she has something going on in her head. 'There is somebody I know and here's the situation they are going through...'. Looking to see if the husband is going to have patience and kindness and compassion with that. If he dismisses it she will never bring that up. Some of those fears might be/Women concerns: - Insecurity if the husband dies if an older couple - where will I live and how will I be taken care of - Getting old/health concerns and can't do all of the things I used to do - Fear becoming unattractive to her husband and afraid that is too important for him - Ill health due to past sins - Failing as a mother or wife

Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Combat with scripture: Take each fear your wife expresses and spend time praying and searching the scripture to resolve it. (1) Which scripture deals with this fear? Study and memorize it. (2) What steps of action can you take? Begin/Start taking them. (3) What steps of action can she take? Encourage her to take them. (4) If you cannot find the answer on your own, ask someone for help. 9. Ask Forgiveness - No commentary due to time constraints. SOW: He tends to not to want to admit his failures. REAP: She reacts to his pride and loses respect for him.
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	- If you mess up, just say it and ask for forgiveness. MM references Forgiveness section of Sonship Transformation. 10. Manners - Purpose to have good manners, which is a show of respect. - 1 Corinthians 13:4-5: Godly charity has good manners. - List of manners - find out what's important to her. Don't pre-empt with 'you really don't want me to do this one do you?'. Allow her to decide. Helping her with her coat/Helping her on and off with her coat Seating her at the table Opening doors for her, especially the car door Lifting heavy objects
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	Knowing and using table manners Picking up after yourself at home Punctuality Properly introducing your wife Telling her your schedule Refraining from crude language, criticism and improper subjects Personal cleanliness, neatness and grooming
Commentary	Definition : Marriage : How to create Oneness of Spirit in your Marriage	- Having good manners is an excellent way to demonstrate to your wife just how valuable she is to you; that you cherish her and that you enjoy being in her presence. Do this over and over and you will build a oneness of spirit in your marriage. You treasure her and enjoy being in your presence. She may not realize this, but your wife subconsciously/unconsciously “measures” your awareness of her presence every day. So be present. Be where your feet are. Attention to the details in good manners tells her she is an important part of your life. Remember, developing a oneness of spirit is just ONE aspect of Companionship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : The Message	The foundational doctrines (like the dispensational change, the mystery of Christ, and rightly dividing the word) and the truths that are taught to us by our apostle Paul which are necessary for us to know about and to practice or to live out of.
Commentary	Definition : Mystery	**Please see 'Bare Bones Lite : The Mystery' in the Commentary.** Nutshell: The unknown message that was given to the apostle Paul so he could give to us Gentiles. The thing that was not known was God was going to interrupt His prophetic program with Israel and temporarily set it aside. There's nothing back in the O.T. and nothing in the gospels that ever indicates that God was going to interrupt this program. God is not tipping His Hand about that. Paul took full advantage of the program to do something wonderful and that's to prove Jesus of Nazareth was the Christ. Another thing that was new - God sat Israel aside so that He might form a new agency from the Gentiles, the body of Christ. And this would be a new dispensation. The body of Truth that is actually revealed by the Lord Himself. MM says don't confuse things about the mystery with being the mystery. Things about: * We know why God called it a mystery because God kept it hidden. The Bible says it was a secret that God never talked about to anyone. * God had to keep it a mystery to get Satan to incite the Jewish leaders to crucify their Messiah. * The mystery was given in connection with the DOGG. He is now revealing things of the mystery because it is about us. Nothing revealed back in the prophetic program. The mystery is set in opposition to the prophetic program. Today, we are not under the law but under grace. We are not following the 12 but following Paul who has a specific doctrine to us that revolves around the mystery. * God planned it before the foundation of the world. Need to know what the mystery is because making the mystery known is our great commission. (GH: Ephesians 3:9-10). To make it known to 2 groups. Everyone wants to latch on the Israel's commission in Matthew 28:18-20. Given to Israel as part of their prophetic program. If we are going to make the mystery known, only makes sense that you know what it is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery	Mystery: Even though it didn't get revealed until Paul/DOGG, He put it all together: - before He created the heaven and earth - before He created a single angel He kept it all a secret. God in Himself decided about the mystery and then decided to keep it a secret. Remember Satan's boast that there was no secret God could hide from him. Mystery: MM has heard preachers say that Satan's throne was the throne of this earth when he became THE PRINCE OF THIS WORLD. Just repeating - Satan thought he may lose the throne of the earth but that was OK because Israel would never take back the heavenly places. They don't have the capacity to do it. They're in human bodies. That's the sacrifice - I'll sacrifice my rook in order to checkmate. And that's where the mystery comes in. What he didn't know was in that crucifixion, Jesus wasn't just making an atonement for the earth, He was actually supplying a way for God to repossess the heavens. That's why HAD THEY KNOWN IT, THEY WOULD NOT HAVE CRUCIFIED THE LORD OF GLORY-1 Corinthians 2:8. Satan and minions are thinking if I crucify Him, I will lose the earth, but still keep the heavenly places. God is saying, what you don't know is if you do that, you will lose it all. This is the whole point of the mystery. Can debate how much Satan knew. There are O.T. passages that talk about the death of the Savior. MM doesn't think that was hidden. When Satan hears John the Baptist down at the River Jordan say, BEHOLD THE LAMB OF GOD, WHICH TAKETH AWAY THE SIN OF THE WORLD-John 1:29, MM doesn't think Satan was oblivious to that. Verses: Psalm 22:1. Mark 13:31-32
Commentary	Definition : Mystery	Mystery Timeline: - From Abraham to Acts 7, God is dealing with the nation of Israel by His prophetic program that was by in large revealed ahead of time. The prophets would talk about the things that were happening before they happened. - From the time of their Exodus out of Egypt, and not long after that, they come under the law of Moses and are Israelites because they are under the law. They're under a performance system where they get the blessings of God if they obey the law and walk in God's ways. And if they do not, they get what the Bible calls the curses or judgments. Things will come upon them because of that. - Gentiles could get saved under the prophetic program for Israel as a Jewish proselyte. They were waiting for Israel to become who they were supposed to become - a holy nation, a kingdom of priests, etc., and then the blessings would flow through Israel out to them. If you are a Gentile waiting on that you are just waiting. Being a proselyte did not give you full access as an Israelite. - God designed the prophetic program for the nation of Israel. It called for God to take on human flesh and die as a Redeemer for the nation of Israel. Recall the 5 mandates of the Davidic covenant and the Redeemer mandate. You couldn't go everywhere in the Temple compound an Israelite could because you were still a Gentile.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery	Mystery Timeline (cont'd): - After the Resurrection of Jesus - Jesus dies on the Cross, He is buried, on the third day He rises from the dead, 40 days later He returns to the Father - and then the 1-year extension of mercy starts and is recorded in Acts 1-7. It's a 1-year span of time in which Israel, the whole nation and especially the religious leaders, are given 3 opportunities to change their mind about Jesus being the prophesied Messiah of Israel. On the last one in Acts 7 at the stoning of Stephen, Stephen rehearses the history of Israel and presents the truth to them and they reject that and they stone Him to death. This is still in God's prophetic program (Abraham to the stoning of Stephen). If saved during the prophetic program, called the little flock or part of the believing remnant of Israel. - They rejected all 3 of these opportunities. - At that point, God interrupted the program with Israel under the law, intercepts Saul of Tarsus on the Damascus Road, Saul has an encounter with the Lord Jesus by which he gets saved, and MM believes he becomes the first member of the body of Christ as He ushers in the DOGG. Christ reveals the mystery to Saul/Paul and then He commissions him to make the mystery known. - God determined this mystery BEFORE THE FOUNDATION OF THE WORLD and it remained a secret or mystery until God revealed it to Paul. The body of Christ members will get glorified bodies and occupy the position of the fallen angels in the heavenly places.
Commentary	Definition : Mystery	Mystery Timeline (cont'd): - If you are saved during the DOGG or mystery of Christ, you are not the believing remnant of Israel and you are not Israel's replacement. You are a member of the body of Christ and God is dealing with you in a very different way because you are no longer under the law but under grace. This is a totally different way than the law or a performance system. Grace is not performance, it's a free gift. - After Paul gets saved on the Damascus Road, the Lord Jesus Himself appears to the Apostle Paul and He reveals to Him the mystery of Christ. In some places in your Bible, it is just referred to as the mystery. The mystery has parts to it. There are mysteries that make up the (whole) mystery. - In the DOGG, everybody is on the same level - THEIRS NEITHER JEW NOR GREEK, etc. - At the end of the mystery program, when it is over, THE BLESSED HOPE-Titus 2:13 or rapture takes place. When this takes place, THE FULNES OF THE GENTILES BE COME IN-Romans 11:25 and the prophetic program with Israel will resume and run its course to completion. An a-millennial believes instead of believing that this program with Israel is going to resume, he thinks this is all there is and we are going to bring in the kingdom. Believe this kingdom is not a real physical kingdom on the earth, it's just a kingdom in your heart and all of that, which is really hard because when you're going through the O.T. scriptures the kingdom is literal, material, physical but suddenly we are supposed to believe it transitions out of the physical into the spiritual. You don't get that clue in the scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery	MYSTERY: A mystery is that which was hitherto hidden and unknown, but now is revealed. Something that God didn't reveal. Only revealed it to those who had eyes to see and ears to hear. There's an overall mystery that was revealed to Paul. Everything that pertains to Paul's unique apostleship and message. In Corinthians, it says we are supposed to be STEWARDS OF THE MYSTERIES OF GOD-1 Corinthians 4:3 - plural. Then in Paul's epistles, you have all these listings of these different mysteries. The overall thing is called the mystery. GH: then mysteries under it. The mystery is comprised of individual mysteries or sub-parts. There are a lot of mysteries (plural) that make up the overall mystery. A number of mysteries that together make up THEE mystery. - THE MYSTERY...BLINDNESS IN PART IS HAPPENED TO ISRAEL-Romans 11:25 (MM calls this the first component part) - God has interupted the prophetic program and has begun to work with Gentiles - the mystery of His will - the mystery of godliness - BEHOLD I SHOW YOU A MYSTERY - about the rapture Knowing the mystery should be in your mind like knowing the gospel is the DBR. The Cross is not part of the mystery but there's a mystery component as part of the Cross for the body of Christ that Satan never knew about which made him think they could crucify Christ and win.
Commentary	Definition : Mystery	Can't just run the word MYSTERY through the N.T. EX THE MYSTERY OF INIQUITY ALREADY WORK-2 Corinthians 2:7 is not part of the mystery of Christ. The things that are component parts of the mystery represent a whole. These are different parts of the same mystery. Angels didn't know about the mystery. The O.T. prophets didn't know about the mystery. Not this mystery - the mystery of the body of Christ. You are now living during that time. Now, Satan's agenda is to keep this a mystery. To make sure people don't know about it. Because if you know: - who you are as a member of the body of Christ - when you are living - in the mystery - what the whole dispensation is about - grace - who your apostle is - Paul it will change your Christian life. Satan knows this so he is working hard to keep the mystery a mystery.
Commentary	Definition : Mystery of Christ	This doesn't mean that Christ was a mystery. The fact that there was a Christ is not a mystery. We are living in the time of the mystery of Christ. It is the secret purpose which God was accomplishing in Christ, which no one knew. That God had a secret purpose for Christ to accomplish that was not known back in the prophetic program. That secret purpose was to call out the members of the body of Christ, to make of (or call out) both Jew and Gentile, ONE NEW MAN-Ephesians 2:15, which would inhabit the heavenly places and take up positions in the government of the heavens. This was the secret purpose that God hid from the foundation of the world. Don't think of all the different aspects that were part of the mystery.

Commentary	Definition : Mystery Components	Mystery Components: 1. Israel blinded - Part 1: Dispensational Change - Part 2: Blindness temporary 2. 3. Blessed Hope - Part 1: Catching Away - Part 2: Glorified Body - WE SHALL ALL BE CHANGED-1 Corinthians 15:51 4. Gospel of Christ - Part 1: Salvation by grace without works to manifest your faith - Paul's gospel is the death, burial, and resurrection - it was the blood atonement that paid for sins. His resurrection was to give you a new life, not pay for your sins.
Commentary	Definition : Mystery Components	5. Body of Christ: things God ordained before the foundation of the world for members of the body of Christ. - Part 1: FELLOWHEIRS-Ephesians 3:6: heir of God inheritance - every saint gets - Part 2: OF THE SAME BODY-Ephesians 3:6 - References: Romans 12:5; 1 Corinthians 12:12; 1 Corinthians 12:20; 1 Corinthians 12:27; Ephesians 5:30; Colossians 1:18 This relationship of being His body was totally un-prophesied, it was not known about, the body of Christ. Israel, she is the bride of God. They are a royal priesthood and a holy nation. That's what they are going to be. Each of us have a role to play. - Part 3: WE ARE PARTKERS OF HIS PROMISE IN CHRIST BY THE GOSPEL 6. THE UNSEARCHABLE RICHES OF CHRIST-Ephesians 3:8 - UNSEARCHABLE because no one knew about it. Includes THE MERCIES OF GOD-Romans 12:1 and THE SPIRITUAL BLESSINGS-Ephesians 1:3. Paul says in Colossians don't let anyone rob you of these riches by putting you back under the law. - Part 1: THE FELLOWSHIP OF THE MYSTERY-Ephesians 3:9 - this is something we are putting on display to men - Part 2: THE MANIFOLD WISDOM OF GOD-Ephesians 3:10 - this is something we are making known to principalities and powers in heavenly places MM says when Paul talks about making manifest something to men and to angels, there you are.
Commentary	Definition : Mystery Components	7. CHRIST IN YOU-Colossians 1:27 THE MYSTERY WHICH HATH BEEN HID FROM GATES AND FROM GENERATIONS...THIS MYSTERY AMONG THE GENTILES; WHICH IS CHRIST IN YOU, THE HOPE OF GLORY...THAT WE MAY PRESENT EVERY MAN PERFECT IN CHRIST JESUS-Colossians 1:25-28

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery Components	GH: Other references: - Ephesians references: - The mystery concerns the full meaning of the Cross, in that we have redemption through “faith in his blood” without any works required to manifest our faith. - The mystery includes God’s program with Gentiles during the time Israel’s program is in abeyance. - The mystery includes the Blessed Hope; the catching away of the body of Christ at the end of the DoGG. - The mystery reveals the union between Christ and the church; He is the head and we are His body. - The mystery reveals the equality of Jews and Gentiles, that we are fellow-heirs, of the same body, and partakers of His promise in Christ. - Ephesians 6:19 - the mystery of the gospel - Colossians 4:3 - the mystery of Christ - 1 Timothy 3:9 - the mystery of the faith - 1 Timothy 3:16 - the mystery of godliness
Commentary	Definition : Mystery of Christ	MYSTERY OF CHRIST: When Jesus died on the Cross, He was not only fulfilling a mandate (Redeemer) from the Davidic covenant made with Israel, He was also doing something for us that no one knew anything about, no one talked about. Was not made known to men before. It was not known until God revealed it to Paul and then begins this thing called the body of Christ which is very different from the Israel program. Christ wasn't just about Israel's program, He also made a provision on that Cross for the DOGG and the body of Christ. All that Jesus Christ was providing for in His death on the Cross and His resurrection from the dead. GH: Preversions: - Most Christians today have never heard of the mystery and if they have, they have no idea what it is about. That is due to the lack of preaching and teaching on the subject. - For those who have heard something about the mystery of Christ, they often dismiss it by saying that Paul isn’t really teaching anything differently than Jesus taught in His ministry or that was taught back in the OT. - You will hear some of them say, “Paul isn’t the only one to talk about the mystery. There are several mysteries talked about in the Bible.” And that is true, there is more than one “mystery” in the Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery of Christ	Mystery of Christ: Is all of the teaching/doctrine that was given to Paul for the DOGG. It's the mystery of Christ because Christ was talked about in the O.T. prophets, but that was in conjunction with Israel. That part wasn't a mystery, that was talked about and written about and was known. But now, something about Christ's ministry and especially His death on the Cross, His burial, and His Resurrection, that is the mystery that was NOT known. That part got revealed to Paul and Paul calls it the mystery of Christ. In other words, what Christ did, wasn't just for Israel. But later, you find out there was someone else in mind when He did those things as well. And God had kept it a secret. MYSTERY OF CHRIST: Concerns the gospel, which was given to Paul to preach in the DOGG. It includes the face that Paul's gospel was not given to him by any man who gave it to him. Jesus the Lord, did it Himself. It would include Paul's commission to preach the gospel to the Gentiles. The mystery of Christ is a secret purpose which God has in Christ involving a new dispensation (grace) and a new creation (the church, the body of Christ).
Commentary	Definition : Mystery of Christ	Refers to an entirely new program which God had previously kept secret from the foundation of the world. Because it was “kept secret,” it was a mystery. The mystery of Christ is the preaching of Jesus Christ in accordance with that which God previously kept secret, but has now revealed. See Romans 16:25. Include doctrines such as: * the dispensational change * Grace Living as opposed to being under the Law * God working directly with Gentiles apart from the agency of Israel * the Manifold Wisdom of God * the Gospel of the Grace of God * the formation of the One New Man, the Body of Christ. These doctrines are ONLY found in the books of Romans Philemon.
Commentary	Definition : Mystery of Godliness	This is the mystery of godliness. That the life of our Savior could be lived IN us and through us. MYSTERY OF GODLINESS-1 Timothy 3:16: The Lord Jesus says, hey, the works that I AM doing, it's really the Father working in Me (John 5:19; John 9:4; John 10:37; John 14:10). Then, He makes us members of His body and He wants His life in us. Because if you have His Life in you, you automatically have the Father's in you. See the process here. MM says if you are just trying to emulate this (GH: MM pointing the 'Father' written on the white board), hard to do. But when He comes as a Man and increases in wisdom and stature, we can identify with that. This is what the mystery is about. MM says people like to think Jesus was an all-knowing God. When He came into this world, if He was, then He could not complete the mission of modeling exactly what humanity was supposed to be like, with God living in them. This is what He was doing and it's a process. Jesus was growing and moving along in this education with His Father and there's going to come a day when the wisdom of the Father is installed in Him. And it doesn't just happen magically because He is deity because if it does, then we don't have a chance. The Father is the cause, the Son is the effect. Jesus is not doing all of the on His own out of Himself. He is being dependent upon the Father. Jesus could have been His own cause and effect because He is God. But this is not what He did. He humbled Himself and took upon Himself the form of a servant-Philippians 2.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery of Godliness	If He had done this, He would not have been godly, He would have been God. He didn't come to be God, He came to be a Man, a godly Man. As the perfect Man, the Son is the vehicle for the Father. He did the things the Father wanted Him to do, He said the things the Father wanted Him to say. By living out of Paul's doctrine, our thoughts are being transformed and our actions line up with this renewed thinking and the Life of Christ is put on display in us. KEY: We know that imitation is not the way because the capacity to imitate is vested in the one who imitates without necessarily sharing the motives of the one being imitated...Explanation: MM says there are preachers that because they don't know any better, read something in the Bible and they say, OK, this is the way it ought to be. The only way you can do that in your flesh is try and imitate it. But doing it in your flesh is not the way to do it. If you could do it in your flesh, you don't need His example. You're just going to do the best you can. He doesn't want your best, He wants His Life in us. People will say well if you are doing the right thing, what does it matter if you are just imitating it or if He is living His life in you? The capacity or power to imitate is vested in the one who imitates without necessarily sharing the motives of the One being imitated. Point: We know that imitation is not the way because the capacity to imitate is vested in the one who imitates without necessarily sharing the motives of the one being imitated, who remains passive and impersonal to the act of imitation. So if you are imitating Jesus, it's not the power of His grace at work in you, it's just you trying to imitate. You may or may not have the same motive He has, but Jesus Himself will remain passive and impersonal. It's just all up to you trying to emulate that to the best of your ability. Point: Godliness is the direct consequence of God's activity in man - that is what GOD WAS MANIFEST IN THE FLESH-1 Timothy 3:16 means.
Commentary	Definition : Mystery of Godliness	Imitating righteousness was not a mystery, men have been doing this as long as they've been on the planet. It's true that Jesus was GOD MANIFEST IN THE FLESH. Jesus was GOD MANIFEST IN THE FLESH but you are going to have a hard time if you try and make this verse about Jesus. Godliness is not us trying to imitate it the best we can - EX 'Well, I know the Bible says to do this but I don't like it but I guess I'll do it'. Is this godly? No. Godliness transforms the way you are thinking about that so you are not doing it begrudgingly. So even if we trusted Christ, we know about the mystery, that God is offering salvation to the Gentiles apart from the agency of Israel, we know we are living in the DOGG, if the life of Christ is not being lived in us, we are perpetuating the pagan practice of religion and we are doing that in the energy of your flesh. This is the trap of the adversary because then your flesh feels good, I did some good stuff today. But it was you doing it, God calls that self-righteousness. Self-righteousness is saying God I don't need you for that and I can produce that on my own. MM says this reminds him of a certain nation that thought they could produce all of that on their own. Point: Man was created in such a way that he could bear the image of God without God Himself becoming visible. It was not man's physical form, but his capacity to behave that was designed to be the means through which God intended to express His nature and character. And that was to be the result of the activity of God in the man, God behaving in us, and God behaving through us. So God's behavior is the cause, swap places with Jesus. The Life of Christ is the cause and we are the effect. God’s behavior is the cause, while our behavior is only the effect.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery of Godliness	Imitating Christ in our flesh is self-righteousness. But, if we are doing the right thing, why is God not satisfied with that? Because: 1) when we do so, we eliminate God (or the need for God) from the process of righteousness, and 2) only God has the right to be source of His own "godliness." MM jokes if you were perfect maybe you would. This is the goal of everything concerning the mystery – Christ in us. The mystery of godliness is that God was manifest in the flesh. While this was true of Jesus, God means for this to be true today. The issue in the mystery of godliness is not deity. Jesus was God manifest in the flesh because He was deity. But we are not. So, this is not talking about deity, but it is talking about God maintaining a visible presence in the world through us; through our flesh and blood bodies, our mortal flesh. Elements of the MYSTERY OF GODLINESS: - God can be put on display in our unredeemed mortal bodies. As remarkable as this is, God intends for this to be the normal Christian life. This is the way we are supposed to live every day of our lives; putting God on display. We manifest Him in the flesh by how we conduct ourselves, by the decisions we make, by the things we say, by the way we spend our time, by how we do the things we do, and by living the doctrine. Godliness does not come by keeping the law, but by the effectual working of Paul's doctrine in us. It requires our proper response to each form of doctrine so that it can do the work in us it was designed to do; make us godly creatures. Our proper response involves reading, understanding, meditation and prayer, and then more of all of those things. It means taking what we learn and implementing it into our lives, making the doctrine the source of our actions.
Commentary	Definition : Mystery : GH: Live it not just know about it	Mystery misconception: MM says there is an understanding out there that your ability to reign with Christ in the heavenly places is dependent upon the mystery as though it is the only criteria. An erroneous idea that all of our accountability is in regard to the mystery. He does think it is important that you are living in the time of the mystery and that you stand for the mystery and that you can articulate it. It's the context on how we live our lives so you can't do away with that. You can't be acting like you are part of Israel's program and expect everything that's going to happen for you in your edification the way that it is supposed to happen. You can't go around acting like you are still under the law and expect that you are going to be reigning with Him in the heavenly places. There's this idea that makes the mystery the end or the goal instead of the means to the end. Because the mystery is the context in which some things are being done to conform us to the image of God's Son. Same with right division. People feel like it is the end. But RDW is just the door that allows you to have the proper doctrine working in you. It's not the end, it's the means to the end. MM directing us to UNDERSTAND ALL MYSTERIES-1 Corinthians 13:2. To Paul, it looks like there is something than understanding the mysteries. Important but doesn't go far enough because what you are going to be judged on at the end is your conformity to the image of God's Son. That's what the judgment is going to be about. That can only be done for us within the context of the mystery, just like edification for Israel should be done in the context of the prophetic program.

Commentary Definition : Mystery : GH: Live it not just know about it		You can know about the mystery, know about all of its component parts, know that God came to it before the world began and this NOT cause you to: * think about our fellow saints, according as God has dealt to every man the measure of faith - Romans 12:3 * function in an office to the sustaining and maintaining of the local assembly - Romans 12:6-8 * give with simplicity - Romans 12:8 * love without dissimulation - Romans 12:9 * be kindly affectioned to one another - Romans 12:10 * do everything with godly love and charity - 1 Corinthians 13 * show mercy with cheerfulness - Romans 12:8 * prefer one another in honor - Romans 12:10 * be not slothful in business - Romans 12:11
Commentary Definition : Mystery : GH: Live it not just know about it		* rejoice in tribulations - Romans 12:12 * distribute to the necessity of the saints - Romans 12:13 * be given to hospitality - Romans 12:13 * bless them which persecute you - Romans 12:14 * condescend to men of low estate - Romans 12:16 * recompense to no man evil for evil - Romans 12:17 * avenge not yourselves - Romans 12:19 * overcome evil with good - Romans 12:21 * be subject to the higher powers - Romans 13:1 * love your neighbor - Romans 13:8
Commentary Definition : Mystery : GH: Live it not just know about it		* cast off the works of darkness - Romans 13:12 * put on the armor of light - Romans 13:12 * despise not a weaker brother - Romans 14:3? * bear the infirmities of the weak - Romans 15:1 Knowing the component parts of the mystery doesn't guarantee that any of this is working in your inner man. This is the doctrine of the mystery. The doctrines that conform us to the image of His Son. Those things working in us. This is where the joint-heir inheritance comes in. It's godliness, it's edification. You can know all about the mystery but it doesn't guarantee that you do any of that. It's not knowing the mystery alone, it's knowing the mystery so that you can identify the doctrine that is supposed to be working in you. The JSoC is not going to end with a pop quiz on the mystery, it's going to be how much of this effectually worked in your inner man to produce the character of God's Son in us. None of these is automatic because we understand the mystery.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Mystery Program : Misc. Commentary	God doesn't just stop all the evil now because what is being produced in this DOGG is much greater. - Glory to God - Benefit to us What comes out on the other end is better than if He had just stopped it. The only way to know that is not through human reasoning and the wisdom of this world but is is what Paul calls the HIDDEN WISDOM that is written on the pages of scripture that explain to you why God is doing what He's doing. God wants you to know why/wants you to understand this process. Because only then can you patiently endure things that are happening to you because you realize that this hope that is out there. We are part of a very small group in which God has vested everything. MM says he is not trying to develop a cult/some brainwashed small group, he is trying to teach the word exactly as it is written without changing one single word of the text. Trying to teach this word without just telling you what it means, but showing you what it says. Trying to encourage you to believe what you read, not what MM tells you. People are looking all the time to say amen to what we are talking about and then slightly twist it and change it. Part of being a son is having the table of your Father's likes and dislikes written on your hearts and what He values and esteems, you value and esteem. A son should want what's in his Father's Heart written in his heart.
Commentary	Definition : Mystery Program : Misc. Commentary	Settle this issue: - God did not make a mistake when He chose to deal with you apart from His omniscience and omnipotence. - God is not turning His back on you when He declines to put His hand between you and bad circumstances. - God did not give Israel preferential treatment or better treatment because He miraculously intervened for them from time to time. - What God is doing with us, as members of the body of Christ, necessitates that He deal with us in a Father/son relationship, apart from His omnipotent intervention, and results in something far better than His miraculous intervention between us and adversity. Any time you think the material, physical things of this earth are more valuable than the inner man issues of godliness, righteousness, holiness, wisdom, understanding and perception, you have a very different perspective from your heavenly Father. Any time you think being motivated by a relationship of fear instead of relationship of love, you have a different outlook than God does. If you think having God as a real Father is somehow inferior to what Israel had, then you do not know much about a real Father/son relationship. If you think God cared about Israel more than how Paul describes us in his epistles, then you underestimate how much a Father cares for His sons and daughters. As it goes out into eternity, God is doing everything on this earth and everything in the heavenly places with sons and daughters. The plan is not to do it by miracles.
Commentary	Definition : Mysteries of the Kingdom	Not told to Paul. Jesus talked about in His earthly ministry. He gives them a parable and talks about the reapers and the planters and then gives them the interpretation. The reapers are the angels. The good seed is the word of God. He is explaining it all. Does this look like He was waiting to reveal it to Paul?
Commentary	Definition : (Satan's) Night	Satan's DARKNESS of untruth is trying to take the place of the LIGHT of God's Truth. When the untruth is more believed than the Truth (the scale tips), the world moves into a condition that we call the NIGHT. The NIGHT is the condition when the untruth holds sway.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Last Days	In your Bible, there are two kinds of LAST DAYS: 1. Day of Wrath, Antichrist - the last days of the Israel program. These last days started when the Messiah showed up. 2.
Commentary	Definition : Law (generic)	Law is an operative principle by which God administers certain things and you are to abide by. EX Law of gravity. Something so true, so much that you just say it's a law.
Commentary	Definition : Liberty	Is the right or freedom to do something. Mostly related to personal choices that we make. From time to time, limit our liberty when appropriate, say for our brothers and sisters in Christ. There are three major components to our liberty; two of them are ministry related (but not just limited to Pastors) while the third pertains more to our personal life. A three part definition for liberty - Our liberty is the freedom to: 1) allows us to effectively minister the gospel to the lost: Our liberty allows us the freedom and latitude to minister the gospel. Please see 1 Corinthians 9:19-23. EX encouraging your Pastor. 2) allows us to minister or serve our fellow saints: Our liberty has an application to the lost. We have been given liberty in order that we might effectively reach the lost. Our liberty is part of our being equipped for evangelism. STORY: MM's gospel movie bus bright color paint, curtain behind he driver's seat, projector, sno-cone machine, and Christian film made for kids.
Commentary	Definition : Liberty	Park in neighborhood or apartment complex, pass out fliers, run movie every 30 minutes between 1 and 4. Watch movie, get a free sno-cone. MM says if we were waiting for those people to show up at their church, how many of them would have ever heard that? Even though he didn't think of it that way, they had the liberty to do that. We were doing like Paul, becoming all things to all men, or to say it another way, we were giving them the gospel where they were, putting ourselves in their shoes, and presenting Christ. When we think about our liberty, we ought to be thinking about how we minister to and serve our fellow saints. Please see Galatians 5:13. Liberty is the freedom to witness and the freedom to serve. 3) allows us to enjoy our lives on this earth as believers. Ties to our personal lives or personal liberty. EX eating meat offered to idols-1 Corinthians 8. EX Going to Disneyworld, Epcot, and Sea World as a family. Not spiritual but good to do and fun. Had the liberty to do that in Christ. Can make a decision to do that. EX Skiing on the Lake of the Pines and camping as a family. Always left Saturday night to be in church on Sunday.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty	MM sees two aspects to all three components: 1. a positive aspect (what we can do) and - 1 Corinthians 9:19-23 (I AM MADE ALL THINGS TO ALL MAN, THAT I MIGHT BY ALL MEANS SAVE SOME-v22) 2. a negative aspect (when we should limit our liberty, in a certain circumstance, we might limit our liberty). - EX regarding the conscience of a brother who would be offended by our actions (1 Corinthians 8) - EX not witnessing to a checker checking out at the grocery store, MM has liberty to witness to the checkout clerk, but because he realizes she is being paid to do a job, and he would be holding up the line, he would choose to limit his liberty for the sake of not turning her (and others) off to the gospel. It would be viewed as inconsiderate and would actually damage his witness. His liberty gives him the ability to make a wise Sonship decision about whether or not he should give the gospel. He is at liberty and not under a law. He is not forced to witness, but he is free to witness.
Commentary	Definition : Liberty	Most of the time we see liberty as the ability or "right" to do some things, but we mostly see those in connection with our personal choices; "I can eat meat offered to idols if I want to." Misconceptions on our liberty: * Liberty is not a license to sin. MM says you think this goes without saying but there's a theological debate that says we can do anything, it's all been covered on the Cross, don't worry about it, etc. The apostle Paul will not agree with that theology. Liberty is not I can do whatever comes into my mind, it's not a get out of jail free card. God is not telling us, "Okay, I have forgiven all your sins, even your future ones, so now it is okay to do whatever you want; whatever comes into your mind to do." That is not liberty. And God did not give us liberty so we could indulge in sin. While we are not under the law, we still have been given clear commands about staying away from sin. That is why, back in Romans 6, we were given the details of how we overcome sin in our lives. We are not under the law but under grace but even under grace we have been given clear commands to stay away from sin (Romans 6). Paul explained to us that we are "dead to sin" and "alive unto God" and that sin should not have dominion over us. Just because God says to "flee fornication" or "stay away from idolatry," or any other sin, does not mean we are back under the law. The Jews under the law did not have liberty. Everything was prescribed for them. You don't need to go to the O.T. to see what fabrics you can wear so you can check the tags at the clothing store.
Commentary	Definition : Liberty	Keith Blades: Liberty is the crowning jewel of our Sonship life. Not only a great privilege, carries a great/awesome responsibility as well. If we are not careful, our liberty can be abused to the detriment of the work of God, a detriment to our fellow saints and also a detriment to ourselves/our own spiritual lives. If we don't understand that, it has the potential to do that. Right now is that if the policy of evil (PoE) has its way, our liberty in Christ will become so misunderstood and twisted that by its misuse, Satan will gain an advantage with us, and we will end up in rebellion against God, accusing God of unrighteousness, and engaging in behaviors that are far outside the bounds of our liberty. Liberty, properly exercised, is a wonderful gift, but mishandled, it is spiritually dangerous. With the mis-use of liberty, there is a natural next step and natural next step and natural next step until you find yourself in rebellion against God. Satan is very clever about this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty & Sin	Points: * We will not lose our salvation by committing the occasional sin, or even by living in sin. It is the work of Christ that makes us righteous, not our works. There's not a sin on the planet that Christians don't commit. - Your salvation is not dependent on your righteousness. It is dependent on the righteousness of Jesus Christ. It is sure and secure and you can't lose it by your sinful actions because you couldn't gain it by your unsinful actions. Your salvation is not in your works. * We will not lose our fellowship with our heavenly Father if we sin. MM taught this as a boy. We don't need to claim 1 John 1:9 so we can restore our fellowship with God. Because we are "in Christ," we cannot be out of fellowship with God, for that fellowship is not vested in us; it is vested in His Son. Your fellowship is not vested in your works. - Your fellowship is vested in Jesus Christ. When you got placed into Christ, everything about your relationship with God is now through you being His Son. The only way for you to lose fellowship with the Father is for Him to lose fellowship with His Son. That is never going to happen.
Commentary	Definition : Liberty & Sin	* God is not punishing us if we sin through the physical circumstances of our lives for sins we commit. This is tempting to do but we are acting like we are back under the law. MM reminds of Romans 6:14-15. We read this and say thank God I'm under grace and then turn around and act like we are under the law, which was a performance contract. God is not punishing you or rewarding you based on how good you have been that week. It's not God's version of Santa's naughty & nice list. This is something very different. The things that happen in our lives are not individualized, personalized, targeted punishments from our heavenly Father because those sins have already been forgiven. Unfortunately, this gives rise to the thought that you can do whatever you want. Don't think there is not a consequence for sin because there is. We may well suffer "the reproofs of life" just like everyone else, but this is not a targeted, individualized punishment from God. All of this got done in Christ so that God could give you a position in Christ in which you have been made righteous. MM says really it is His righteousness. Although all our sins are forgiven, don't think sin won't have a harmful effect on us; it will. Left unchecked, sinful behaviors/continuing in sin will establish strongholds in our souls. A stronghold is a pattern of thinking which is contrary to the truth of God's word, which is designed to put us in spiritual bondage. It gives him a foothold to move into other areas of your soul - sin -> guilt, shame, anger, anxiety, depression.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty & Sin	What Sonship Transformation is about. It is like this missing piece of the puzzle. Will end up affecting every area of your life and kill your spiritual life. For many Christians, it traps them in a vicious cycle of “sin and confess; sin and confess; sin and confess.” While sin promises to bring us pleasure, in the end, it will make us miserable and cripple our Sonship lives. Strongholds produce effects which will torment a person every day. The point here is that even though our sins are forgiven, sin can still have a devastating effect on us personally and on our spiritual lives. Get to the point where a person thinks the world would be better off without me. They are trying to get you shipwrecked in the faith. So, liberty is not a license to sin. God did not give us liberty so we could indulge our flesh. It is true that through our liberty we can enjoy the things of this life we have here on the earth. But think of liberty as the freedom to make wise Sonship decisions; hopefully, wise and godly Sonship decisions. We are free to make decisions about things which are not sinful. But for what purpose? For godly purposes and even for purposes of enjoyment of our lives. Liberty gives us the freedom (the power) to do the things we ought to do.
Commentary	Definition : Liberty in Christ	Liberty means we have freedom: - We are free to make wise godly choices/godly/Sonship decisions (not every decision is a Sonship decision; this is making a decision based on the doctrine that you have in your inner man; making a decision out of convenience or 'I want to' is not a Sonship decision; a Sonship decision is what should I be thinking about this and the decision I'm making, how does that align with the doctrine I've learned; you don't need to be told, your Father want you to just live out of the doctrine you have, not out of someone else's doctrine; if someone tells you what you should do, they just created a law for you and they become a T&G for you and that's condemned in this DOGG; as you grow in grace so will the reservoir that you can draw on to make Sonship decisions; you have liberty to not make the best decision) - We are free to serve others - MM says this is one of the cornerstones of our liberty. The reason you have liberty is so you can serve other members of the body of Christ. - We are free to serve God - at the very core of how we serve God
Commentary	Definition : Liberty in Christ	- We are set free from the power of sin - this is at the core of these others; these others couldn't take place if the power of sin didn't get broken (this is different than our sins getting forgiven and free from the consequences of sin - He paid for all of our sins past, present, and future - He paid for all of your sins before you were ever born to commit them) Remember we are no longer under the T&G of the law. The law was a code of conduct that affected absolutely every area of life. And because of that, everyone seems to think about that and carries that with them. But for us, as members of the body of Christ, we have liberty. But just because we have liberty to do whatever we want to do, we do not have liberty to sin. That's not why God gave you liberty. God does care how we live our lives. MM is using the word freedom but the Bible uses the word liberty. There are two things you really need to know about liberty 1. There is no real liberty without righteousness. 2. Liberty means that there is responsibility.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty in Christ	So, liberty requires righteousness and responsibility. There are limits to our freedom. Even though we have been forgiven of every sin, we do not have liberty to commit sin. If we do sin, we need to understand/remember three things: 1) We do not lose our salvation. (We are still justified unto eternal life (JUEL.)) There is nothing you can do to undo that. This is not vested in your conduct, that is vested in His - the finished work of Christ. 2) We do not lose our fellowship with God. (We are in Christ and we cannot be estranged from our heavenly Father because that relationship is based on His Son.) God's Love for you is not based on what you do, God's Love for you is based on what His Son has done and that's why God loves you are the very maximum He can love you and there's nothing you can do to make Him love you anymore or less because His Love is not based on you, it is based on His Son. This means when you are not doing things you are supposed to do, God is not mad at you and He is not doing things to try and punish you because you have run off the rails a little bit. MM says the only way to be estranged from your heavenly Father is for Him to be estranged from His Son Jesus Christ. That is never going to happen. But this is not a license to sin, that's a reason to rejoice.
Commentary	Definition : Liberty in Christ	- MM says he had to learn or unlearn this from Bible college and the 1 John 1:9 teaching. 3) We do not incur God’s wrath. (God is not using the circumstances of our lives to punish us for sin. He laid all that on His Son, on the Cross.) Under grace, it is not something you earn or something you merit. God is now dealing with you out of His goodness. Liberty is not a license to sin, and by the same token, liberty is not a license to ignore the things we are exhorted/commanded to do by Paul/in the Bible. Sometimes, people think that because we are not under the Law, and because we are under grace, we have not been commanded to do anything. Instead, they think God may strongly urge us to certain actions, but not command us. This is because Paul uses word like EXHORT and BESEECH, but he also uses words like COMMAND, COMMANDMENT, & COMMANDMENTS. They also think that because we are not under the “law” being given a “commandment” would violate being under grace. There's another idea that under grace, nobody can tell you want to do. MM is going to suggest that your heavenly Father has every right in the world to tell His sons and daughters how to behave. This is a misunderstanding of grace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty in Christ	Three misunderstandings: 1) Just because we are not under the Law of Moses, does not mean that God cannot issue a command to us. Being given a command does not violate being under grace. Grace doesn't mean we get to run wild and do whatever we want because God is somehow precluded from giving us orders. They think that if you are under grace and someone gives you a command, that somehow violates grace and anyone who gives you a command violates grace. Liberty requires responsibility. 2) They misunderstand the differences between the commandments of the Lord to us in the DOGG, and the commandments of the Law of Moses in the O.T. Ours are given for an entirely different kind of purpose. In Israel's program, the over arching principle of how God was dealing with them was by the Law, under a performance system. There may have been infrequent occasions of mercy or grace, but primarily God dealt with them by the Law as a performance system. For us, the over arching principle of how God is dealing with us is grace. While we have things said to us which we should consider to be "the commandments of the Lord," our "commandments" are of an entirely different nature, they serve a completely different purpose, and they are all given "under grace."
Commentary	Definition : Liberty in Christ	You are not given commandments to be acceptable before God, you are already acceptable before God in Christ and you are given commandments to glorify Him. So it is really serving a whole different purpose. Plus, it's not given under the last, it's given under grace. MM is not denying that in the O.T. there were times when God had grace or mercy, but back in Israel's program, the overarching principle by which God dealt with everyone was under the law, and blessings and cursings came in connection with that. The overarching principle in the DOGG is grace, which is very different from what is going on with them. 3) They misunderstand the nature of a command that God gives us while living under grace. MM says Paul uses words like COMMAND, COMMANDMENT, & COMMANDMENTS but don't think of them like the 10 Commandments. Liberty is not the ability to run wild and do whatever you want to do no matter what it is. MM says if you believe one day that we will stand before the Lord and give an account, if He didn't give us any commands, what in the world would we be given an account for? MM think we will stand before Him because there are some things that He has said to us and He expects us to be able to understand those things.
Commentary	Definition : Liberty in Christ	Liberty means that we are free to make choices; Sonship decisions, about many things in our lives, which, under the Law, they could not. (They could not eat catfish or pork, for example, but when you look at the menu at a restaurant, you can order the pulled pork sandwich or the catfish fillets if you want, and God is not unhappy about it or angry when you do that.) In this DOGG, God is accomplishing something different with adult sons and daughters, which is what you became when you trusted Christ as your Savior. MMs job is not to give you the word of God, you have that in your Bible. That's the thing you can depend on. MM's job as a pastor and teacher is to explain through these passages so that you can actually see that. And then you are supposed to look at that word and go, let's see if he's right. And if you don't see that, then you shouldn't just jump on the wagon. You should look at that carefully. But if you hear what's being said and you look at your Bible and go, that makes real sense to me. Not everyone has the time MM does to dig it out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Liberty in Christ	But liberty is more than not being under the Law. But keep in mind that liberty is not about choosing between right or wrong. God has not given us the liberty to commit sin. But, liberty pertains to those things in which we are not instructed one way or another. It's about choosing between choices, none of which are prohibited. Should remind of godly judgment. Then you make a Sonship decision. A true Sonship decision is when you make a decision based on the doctrine that is in you. Liberty is not just for the purpose of doing stuff that is not sin, Liberty is for the purpose of serving others and your own edification and it comes from the wisdom from knowing the doctrine. A "Sonship decision" is not about pleasing our flesh, it is about being motivated by godly love to live out of the doctrine in some way, depending on the decision. We can make a decision purely on personal preference or out of convenience, or because we just want to, and we have liberty to do that. But that is not the purpose of liberty. We are given liberty to make a decision based on the doctrine we know, and when we do…that is a Sonship decision.
Commentary	Definition : Liberty in Christ	God, in His grace, has made it so that even when our choice is not the wisest, as long as we have not violated what He has told us, we have not sinned against God. MM says our liberty is given to us for a reason and it is meant to be a good thing. STORY: MM grew up a southern Baptist but he became an independent Baptist. Independent Baptist are against everything and proud of just how against everything you are. There came a time he stopped doing that based on some things he began to understand in the Bible. It bred the idea of arrogance but you don't think you are. He didn't stop because there was worldly stuff he was missing out on and he wanted to do that. And he didn't stop because he was embarrassed to be a Christian and wanted to fit in. He stopped for 3 reasons: Reason 1: Realized he was living for God in the power of his flesh. When MM discovered He was displeased with that, it was a revelation to him because he had spent his whole life serving God out of the best of his ability. It was all manufactured and that bothered him.
Commentary	Definition : Liberty in Christ	Reason 2: MM wanted to really understand how to live out of grace. He would hear people say this and then try and teach it. It bothered him if someone asked him how to do it, he could not have told them. He could have just told them do the best you can. MM learned that the power to live for God was resident in His grace, not his flesh. He wanted to be able to do that on a daily basis. Reason 3: MM learned about liberty, and this was embarrassing for him. The way he was living the Christian life didn't have any liberty whatsoever. Those are the things that caused him to stop and take a look at scripture again because he knew the things that it was talking about were the very things he couldn't explain to you. He didn't know how to appropriate grace himself. Then, he learned how to live out of grace and everything changed for the better. Liberty is not the litmus test for spiritual maturity - don't judge me because I can do these things, I have liberty to do them, don't be a legalist.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Lord's Table	MM says there are two big issues about the Lord's Table: 1. About the mystery, which Satan got caught in his own craftiness and he knew nothing about. 2. Has to do with celebrating a perfect justification and a perfect sanctification that is given to a people by grace alone, that makes them spiritually fit for His plan and purpose with them. When it gets celebrated, it is calling attention to the fact that we've been given that spiritual fitness in Christ. It doesn't matter what you do, He has made you to be the righteousness of God in Christ (your justification) and the holiness of God in Christ (your sanctification).
Commentary	Definition : Love	LOVE: MM says that the worldly concept of LOVE is feelings. Feelings is a dangerous way to live your spiritual life. MM says commentators teach a feeling in prayer. life and this is why things are so uncertain for people. Instead of trusting what God has said is true, they want God to give them some kind of a feeling that is true. This is what their whole prayer life is focused on. MM thinks we have gotten completely off base. The world talks about romantic love, which is a feeling we have for someone. MM is not trying to say that's a bad thing but that's not the kind of LOVE that Paul is talking about here. The Bible is talking about real intimacy that we have with the other person and the LOVE that we have for them is something that we choose to do. MM talks about Gary's Smalley's book and the chapter title 'Love is a choice'. Not a feeling, talking about the kind of love Paul is talking about here. Not a feeling, but an attitude that results in the appropriate behavior. This is something that you can choose to do. MM says think godly love and charity, when we value & esteem the other person and that doesn't have anything to do with them. That has to do with us making a choice. MM asks do you think God valued mankind? MM quotes Romans 5:8. It's not a feeling, it's what you decide to do, because the Lord has said you need to think this way about this person.
Commentary	Definition : Love	LOVE: The worldly concept of love focuses on feelings. In the Bible, love is not basically a feeling, but an attitude expressed in appropriate, godly behavior. It is the attitude that chooses to build up another, to put their interest above your own. Love is something you choose to do. This doesn’t mean that there are no feelings attached to love as the Bible describes it; the Bible does speak of romantic love. In fact, understanding the biblical concept of love will enhance romantic love. The worldly concept of love is feelings and feelings are a dangerous way to spend your spiritual life. In prayer, people look for feelings vs. trusting what God says is true. Love is not a feeling. It's an attitude that results in appropriate behavior. This is something that you can choose to do. MM talks about God's Love in Romans 5:8.
Commentary	Definition : Liturgy	Men's natural flesh loves liturgy - the practices, traditions, or doing something that man believes has some kind of spiritual value to them. It's alluring to them. EX 3x/day a guy takes a little prayer rug and rolls it out and then he gets down on his knees and bows down and touches his forehead to the ground then he turns his head to the left and whispers some things and then he turns his head to the right and he whispers some things. Paul talked about the infirmity of our flesh - that men love that ritual and they love and gravitate to it. They want to do something that makes them feel like they've done it and people see that an they are not only curious about it that become alluring to them. Why God warned Israel about this. ADD
Commentary	Definition : Parembole	Is a parembole, which is a type of parenthesis or insertion. Where the writer has inserted something and by doing so, has interrupted the main thought. You need to notice these, not necessarily remember what this is called.

Commentary	Definition : Paths & Ways	PATHS AND WAYS: Once you get out from the buffer zone betweeen the earth and the heavenly places and there is a buffer zone there that angels don't operate in that buffer zone. Man will never get past that buffer zone. Man should be glad because angels are out there are not friendly to men. MM says they will make the Borg and Klingons looks like kindergarteners. When angels are passing through these different territories, even to come to earth, they have to travel in a specific path, they can't just go willy-nilly whereever they are going to go. Hard for us to think of it like that, we just see a bunch of space. Paths and ways may be siimilar to the way impulses in your body. They are not going to get done any other way than following those paths. ANALOGY: Go to Abilene - can't go as the crow flies - that's called trespassing. There are PATHS AND WAYS for you to go. In the heavenly places, there are WAYS AND PATHS that angels must follow. MM said there's this buffer zone around the earth that is sort of like a no fly zone for angels. Like a DMZ. This is a zone that God has said to the principalities and powers that are rebellious that you are not going to carry on any activity in this zone. Outside the buffer zone, in the places of principalities and powers, when they move around, there are paths that they have to follow. God created the buffer zone because if we were ever able to send people out beyond the buffer zone into the area that is occupied and controlled by Satan's forces, you would put yourself in a very dangerous position. That's why God has restricted the activity to outside of it. When angels come to this earth. There is a way they come to this earth even though there is a buffer zone and they understand it.
Commentary	Definition : Peace	PEACE: Is the atmosphere that the Work of God thrives in. Do the things that lend to that.
Commentary	Definition : Penalty	Idea is I'm going to pay a price if I do this and get caught. Doesn't deter everybody but take the penalties off all the laws today and you would have absolute chaos.
Commentary	Definition : Plan of Evil	Plan of Evil: for Satan to be like the Most High Plan of evil: Those 5 I WILLs in Isaiah 14. Last one is I will be like the Most High (possessor of heaven and earth). Goal is to get control and possess the heavens and the earth. When he trafficed his preverted wisdom/iniquity in the heavenly places, he was very smart about it. He only got a third of the angels but the third he got held the positions of power and authority in the govenment of God. Those where the principalities and the power and all those things you see listed in Ephesians. He wasn't interested in the 'foot soldier' angels. He was interested in the ones that controlled the heavenly places. Daniel said out of the 24 principalities, there was only 1 who didn't rebel. Doesn't mean he was the only angel that didn't rebel. He knows he can't get rid of God so he wants to make it so people don't retain God in their knowledge any longer. God is going to destroy that plan of evil and we will have a part in it. Not saying in eternity you won't remember there was a Satan or the things he did to try and usurp possession of heaven and earth. What God has planned for you in your Sonship out in eternity is so great, you are going to recall less and less of what Satan did. Will be eons between thinking about this. As each new age comes and and new things come with it, you're going to be so focused on where you're going and what's happening it will all be a dim memory. Will be unfolding new forever. Poetic justice in what Satan wanted to do with God, God is going to do with Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	POE Phases/Attacks: 1. ATTACK THE MESSAGE (change the message). 2. Then ATTACK THE MESSENGER (shut up the messenger) so Paul comes under fire. If you can't get him to shut up, 3. then DISCREDIT THE MESSENGER (so people won't listen). POE shifts in Ephesians, Phillippians, and Colossians from 'making you quit' to 'getting you to lose your reward'. Definition : POE 3-Phase Attack Phase 1: Attack the message: Satan would rather have you giving the wrong message. Instead of just stopping you, he wants to corrupt that message so you are actually assisting him in what he is doing. If that doesn't work and we don't compromise the message... Phase 2: Attack the messenger: To get him to shut up or quit. If he won't quit and is going to continue to talk... Phase 3: Discredit the messenger: So even if he is talking, no one will listen to him. What he says won't carry any weight.
Commentary	Definition : POE (Policy of Evil)	POE: Satan/POE does not get to attack us in Sonship Orientation. The attack you are under now is the EVIL MAN/the world. The primary goal of the POE is NOT: - to get you to drop out of church - to get you to sin - to get you to go back into the workd The primary goal of the POE is to keep you from becoming a fully educated son. To see that this assembly eventually shuts down and disintegrates like so many Sonship assemblies before us have done. That's a frightening thing for any Pastor with a Sonship assembly. The history has been that they have been victimized by the POE at some point. There were more before and some of those have been destroyed. But not all of them. There are others still operating in the country and we are certainly glad for that. One of the ways the POE does this is to produce a counterfeit godliness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	POE: Will try and get you to drop out of your Sonship education so that you are not equipped to labor with your Father up there. Will make a very strong move/use flattering words to get you back under the law of Moses. Will be almost undetectable and done using your own Bible. The whole plot is to get you away from right division and get you back into taking parts of the Bible that belong to Irsael and start you back into that and get you back under the law that way. Will change tactics on you. First it is going to use the world. Then it is going to change tactics on you. Corinthians and Galatians tell you about that tactic change. Clever attack that will use the Bible itself to get you away from your Sonship education. Going to use flattering words - they will sound good and you will like to hear them but they're meant to distract you. POE: Preacher will stand up and go back into God's program with Israel. He'll pull out that gospel of the Kingdom. He'll read it and he'll say isn't it in the Bible. And if all people know is that, they will go, well, yeah. But there is more than 1 gospel in your Bible. It's is not God's program with Israel today. MM says what is crazy is, most of the preachers that want to put you under the law, can't tell you what the gospel of the Kingdom has in it. Will use the very Bible itself to try to get you out of your Sonship. It will mishandle the Bible. MM is NOT saying the Bible is wrong. POE: Bible defines it as very subtle and if you don't have subtilty, you can't see through it. Godly subtilty will see through this. Someone infiltrates the assembly and tries to corrupt us.
Commentary	Definition : POE (Policy of Evil)	POE: Trying to get you to commit indiscretions will be the bulk of the attacks. Not about getting you to sin, your flesh does that. Not trying to get you to quit. The bulk of the attacks are going to be to get you to behave in a way that is inconsistent with being a LEVEL 2 son so that you are unaware that the way you act and what you say and how it impacts other people and the heavenly places. It's not that God doesn't care about sin, just that at this point you have settled the issue of whether you are going to continue as a son. You don't need a pep talk. That's not the issue. So the attack changes and if he can get you to damage your reputation, that's as good as getting you to quit because you have been nullfied. POE trying to make an indiscreet decision in this particular way. POE: Come along and catch you in an indiscretion and run that reputation. Policy of evil: Means by which he will accomplish his plan of evil. When God called out the nation of Israel and said I AM going to use them to repossess the earth, Satan developed a POE against the nation of Israel so all the things he was doing against Israel was for the purpose of keeping them from being utilized in God's plan and purpose. When the DOGG got sprung on him because it was a secret, is POE changed to acccomodate this new creature, the body of Christ. Sonship is the one he really hates because that takes you somewhere you'll will be able to make an impact on his realm. He will exert pressure to get you to walk away from that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	The attacks under the POE are going to do one of 2 things: - they will either make you quit (Satan's goal) or they will make your Sonship advance (your Father's goal.) - you will be separated from the love of Christ (Satan's goal) or you will be conformed to the image of Christ (your Father's goal). - you will succumb to the attacks of the adversary or you will become MORE THAN A CONQUEROR-Romans 8:37. - You will give in to the POE because you failed to be edified by the doctrine or the doctrine will have effectually worked in you to allow you to withstand the effects of the POE. Without a POSITIVE and PROPER response to the doctrine, the POE will victimize you and you will go down. Satan is more clever than you think he is. We tend to look at the POE as something we want to do away with, but God has allowed that. He has allowed that to say, anything you do to my sons, actually advances their Sonship against you. Everything you throw at them: - makes them stronger sons than they were before the advances - their Sonship make them more conformed to the Image of My Son - Christ will be magnified in my body by life or by death
Commentary	Definition : POE (Policy of Evil)	Everything about your Sonship education/edification is going to happen under the POEs attack against you. The only right response to that attack really puts that doctrine to work. It doesn't work in the practice field like it does in the game. Can't just be data in your head, has to be doctrine that is really in you. Like a halfback coming off the field and complaining to his coach the guys on the other team are trying to tackle me, make them stop. POE: Becomes more crafty and cunning when we get to LEVEL 2 than what we have talked about before. The POE, for the son that will rightly respond to it, you have a little bit of cause to say thank you for doing that. You gave me a chance to advance along the way that I would not have before. Before you get to the point in your Sonship life that the POE is going to attack you, you already know that: - it is out there - at some point it is going to come against you personally - it is dangerous and supposed to make you stop your Sonship life - it does have that capacity if you are victimized by it When you get to LEVEL 2, the POE will ramp up only in measure to match your Sonship education. Can't all of a sudden turn on the guns on you. The enticements and allurements that make it so attractive increase. Dealing with the POE as a LEVEL 2 son - your confidence to handle the POEs attack must be in the curriculem and not in you. If you think you have it you will fall victim to the POE. The ability to handle the attack is found in the doctrine working in you. You can't do it without that doctrine. If you start thinking 'I got this' and the POE will have it's way with you and you are going to start thinking the same way the Corinthians were thinking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	POE: There is coming a time in your Sonship that the POE will not allow you to have all of that. MM says you may be thinking, I am already just barely making it. I am ready/prepped. People are going to look at you and your struggles and say what is wrong with you? You must have sin in your life. God is judging/punishing/chastening you. You know how grace works. You know that is not what is going on. Only an assembly that understands this is really going to be able to know what's going on in the midst of all that. MM is not talking about the general way, talking about when the POE targets you specifically in an area and if you quit that will immediately go away. Not talking about rough economic times, talking about a specific attack. As you progress as a son, things get worse for you. Runs counter to what we hear preached today. Student says the more you are suffering at the hands of the POE, the better you are doing. Here's what the POE wants to do and was doing with the Corinthians. It wants to substitute a counterfeit form to replace what God really wants to do and that is called a FORM OF GODLINESS-2 Timothy 3:5 because it has all the trappings that people associate with that. It has all of the plusses and none of the minuses. You can see this as the counterfeit form that Corinthians were engaged in. Has all the plusses - full, rich, reign as kings, honorable, strong, wise. There's the counterfeit form. MM is not saying you should go out and try to be a fool or poor. Don't try and do any of that. The POE is trying to put the pressure on you to make you cry uncle and as long as you continue, you will just be under the gun. After you have been under the gun for a while, you understand why Paul would say WE WERE PRESSED OUT OF MEASURE-2 Corinthians 1:8 and DESPAIRED EVEN OF LIFE. MM says you look at Paul and understand where he was on Sonship, there isn't anyone like him.
Commentary	Definition : POE (Policy of Evil)	He doesn't think he'll ever have the things put on him that were put on Paul. MM likes to think he will be a fully educated son before it's over. How the FORM OF GODLINESS-2 Timothy 3:5 works in most towns: you are the church that everybody knows, if you go to church, that is the one you go to. Where the mayor/chief of police/council/school board goes. If you are anybody, that's where you go. If you went anywhere else, you are outside the mainstream of what is going on. The way you were on the inside. Lots of ways they demonstrated that to everybody and you were made to know that. MM says we are never going to be that church. That's OK because what they are in, you don't want to be in. If you are suffering, they will say must be something wrong with you, look what God is doing to you. That's how they will view that. If you quit, it will go away and some people will end up saying that to you. There are those under the POE influence that will say if you will just adjust yourself here a little bit. Someone says they are CHILDREN OF DISOBEDIENCE. This counterfeit form of godliness has all kinds of plusses and none of the negatives. Has lots of programs going on, lots of things to get members. MM is not saying the programs are evil, they are just not doing the 1 thing that is supposed to be done. Why the counterfeit is a replacement. The counterfeit convinces the members that they are doing great things for Jesus and they feel good about that. So they go and participate and feel good. They have been involved in spiritual stuff and that is all you really need for most folks. They don't realize that they have been victimized by the POE and don't realize just how clever and subtle this attack is. EX The POE is going to focus on for the purpose of keeping you away from your Sonship with a very powerful sense of satisfaction.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	So powerful that if someone is in a church that does not do godly edifiying at all, they feel so fulfilled by the spiritual stuff, the good stuff they are involved in that when you talk to them about Sonship and they understand what you tell them, their answer will be that sounds really good but I like where I am. That's how powerful this sense of satisfaction is. I like my preacher/church. Even in Sonship, the POE is very clever. It gives you this false sense of maturity before you really are mature. MM is not saying there is not a godly satisfaction. Even in Sonship, you can get to thinking, I am farther along than I really am or I am more spiritual than I really am, like the Corinthians. Today, the POE wants to substitute a “form of godliness” that has all kinds of attractions and none of the negatives that Paul refers to. It has Bible programs of all kinds and convinces its members that they are doing great things for Jesus and those involved “feel good” because they have been busy doing some “spiritual stuff.” And they have no idea they have played right into the hands of the POE. That’s just how crafty and subtle this attack is at this point and it’s only going to increase. POE: In LEVEL 2, as you are advancing, the POE will advance as well. It becomes much more subtle, more cunning, more crafty - you are going to need to see below the surface about things that are going on. There's a strategy that Satan will employ that if he can't get you to quit your Sonship life, then he has something else that will do that. What he really wants to do is to destroy the functional life of this church. He would be perfectly happy for us to meet and 'play church', but for no real edification to take place. He has found a way. Through LEVEL 1, it is trying to make you quit, make you quit, make you quit.
Commentary	Definition : POE (Policy of Evil)	If you say, I am not quitting, then he says, OK, if you are not going to quit, I have another angle I can come at you with that you can come to church everytime and I will still get what I want. MM's point: Having church is not enough, it's what we are doing while we are there. MM says ask yourself how many churches are living their sanctified life, are living out of who the Spirit has made them to be in Jesus Christ and now you will understand why there is no functional life in those and Satan is perfectly happy for those to take place every single Sunday. You drove up, went in, you hear it, you come out, get in your car and feel pretty good because you 'punched the clock'. First goal of the POE is not to destroy a church, not to keep you from going to church, In fact, the POE has a religious aspect to it. It's not to do away with all the trappings of the church, it loves that kind of stuff. It just wants to make sure the church doesn't engage in 2 issues: 1. Right division - it can live with this as long as you don't get educated as sons, really where you cross the line 2. Sonship education - There's a general POE to not let right division be known. If you do know about it, when you get into Sonship and know that it is true, the POE now becomes not general but personal (about Romans 13:12) because now you are in a place in your Sonship where you get noticed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	There are things about the POE that are very attractive/alluring that would capture a person's imagination. Ephesians, Philippians, and Colossians talk about the ramped up POE. This is another angle of POE attack. First round is to quit your Sonship. There's something else that will give Satan the same result, even if you didn't (GH: quit). For most people, Sunday is about 'going to church'. Grew up with that. But when you find out church is supposed to be doing something very specific, all of a sudden church changes. For most of our lives, if we missed on any given Sunday, it really didn't matter, did it? We acted like it did because we were supposed to but the truth of the matter is, if we missed that sermon, it probably isn't anything we were going to do that week that the sermon would have impacted anyway, right? While we wanted it to be a big deal and believed that it ought to be a big deal, the truth of the matter is, it wasn't a big deal. What we were missing is what actually did make it a big deal. When you look at what God is doing with you now as a son, you have an ideas of what that is and you think about it this way. I am going to the heavenly places/do some things up there/sit in some seat of authority/judge something/rule over some things/He wants to educate me to do that. That's all right, that's the way the education goes.
Commentary	Definition : POE (Policy of Evil)	The one big thing God wanted to do cannot be done as long as your in that mode. They can't put that on you till you are ready and have gotten to that place in the doctrine. There is something they are watiing to see in you that is the signal that says they now have the green light to do this. This is a subtle attack and even though you have been warned about it, if you are not careful, you won't see it coming. It's a trap. Something you walk into that you don't realize what you are walking into. GH: POE LEVEL 2 NUTSHELL: The POE is designed to get you to quit - If you quit, your impact on Satan’s realm is negated - If you quit, your reputation is ruined - If you quit, God’s wisdom, in you, cannot be put on display - If you don’t quit, but you murmur and complain about the sufferings of Christ that come your way, the same goal has been achieved; your impact has been negated. Therefore, complaining about the sufferings of Christ (attacks from the POE) not only affects your reputation in the heavenly places, but it also affects your cause – the cause of Christ. Which is why Paul says that those who do this are “enemies of the Cross” – that is, they are opposing that which Christ provided for in His work on the Cross. POE: Principalities and powers (not Satan) will unleash a clever aspect of the POE that is not meant to get you to quit but to complain. When you complain, they have successfully eliminated God's big issue from the equation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	As the son advances, so do the attacks of Satan's POE. Just as the POE becomes more subtily in the way it attacks a son, so the son needs subtilty to see those attacks for what they are not be victimized by them. And the son gets that subtilty from the curriculum. POE: Context: You are advancing as a son. The POE knows that it can't get you to quit, so it is going to bring some sufferings into your life and it's going to make you murmur and complain and gripe about it. If you do, there are some things that are going to happen that God does not want to happen: 1. Your reputation in the heavenly places (not on earth) that you will have purchased with your Sonship prior to this is going to be ruined. This is part of that big issue. Your main sphere of influence is not with men on this earth, the main sphere of influence is in the heavenly places with the creatures up there. Not saying we don't carry the gospel to men and we don't live in a way people...MM is not saying that. Learn in LEVEL 2 the main sphere of your impact is up there and God means for that to happen while you are still here on this earth. Part of this big issue. You have this reputation that is being built and then you get over here (GH: LEVEL 2) and now Satan is allowing you to be attacked just because of your Sonship. Murmurings and Complainings = TEMPT CHRIST-1 Corinthians 10:9. Your reputation in the heavenly places is like earth. Can lose it in a minute. Here, not everybody sees what you do. Up there, they do. There are things that can come out of your mouth that will completely undo everything you've been working to do. Don't have to say it out loud, can just be thinking it.
Commentary	Definition : POE (Policy of Evil)	2. You make an impact on the heavenly places/principalities and powers - it is negated if you murmur and complain. 3. Could make you quit. If you are going to gripe about it, you may consider at some point it is not worth it. If you quit: 1. No impact 2. No reputation 4. Enemies of the Cross. What son would ever want to be labeled an enemy of the Cross? Can recover from but to show you the severity of it, he takes you back into Israel's program and shows 2 things. Want to know how much God is counting on this not happening? (1) They murmured and complained in the wilderness, God destroyed them (2) When they got bit by serpents, they died **God says you may not think murmuring and complaining is a big deal. I killed them over it. God wants to say even though they are fragile earthen vessels, My Power in them can overcome anything you can throw at them**. (GH:big issue?) POE: Another angle on the POE attacking your reputation is LOSS OF REWARD. PRUDENCE, KNOWLEDGE, DISCRETION are not just terms, if you don't have them, LOSS OF REWARD will happen. MM says we misunderstand some things about the Judgment Seat. Everything you have earned is able now to be lost. MM says it's almost makes you want to say I will stop at Phase 1. But if the opportunity for loss is there, so is the opportunity for glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	POE: Gets really ramped up in LEVEL 2, which is why you need the whole armor of God here. When you get to LEVEL 3 the POE will try and stop you from passing it along to the next one. The danger a WISE MAN poses to the adversary - he has the ability to reproduce himself. So the POE says, we are going to shut this down. MM laments on the POEs success in hiding Sonship in church history/mainstream churches. Every once and a while, you find someone that wrote something that you can tell they understood about the issue but there's not really anything you can go and just put your hands on. MM would really love for us to change that. Living at the time to do that. The ability to get information out there has never been better. POE: **- LEVEL 1: Get you to quit** **- LEVEL 2: Ruin your reputation by commiting an indiscretion** **- LEVEL 3: Make you not teach other sons/not pass that down. You don't INCREASE LEARNING**. If you go through LEVEL 3 and you stop, the deception of the POE will turn you into the biggest critic/enemy of someone who is continuing in LEVEL 3. They are a particular type of fool that gets described over there. Satan looking for destruction in an assembly. MM says this is one of the scariest things he sees with regards to the POE. The POE is designed to keep Sonship from being passed on from and educated son to another son.
Commentary	Definition : POE (Policy of Evil)	POE: At the bottom of the counterfeit wisdom is a business. The adversary's business. GH: All the counterfeit wisdom in the churches is aiding Satan's business. The bottom of godly wisdom is your Father's Business. Gives you the counterfeit wisdom not just so you won't work in God's Business, he wants you to work in his business. The POE will attempt to get you to cooperate with the counterfeit wisdom. POE Attack Phases: - Phase I: Attack the message - 1 Corinthians: Wants to corrupt the message. It doesn't want the messenger to shut up, it wants him promoting the wrong message. - Phase II: Attack the messenger - 2 Corinthians: Meant to make the messenger quit/stop - Phase III: Discredit the messenger - Galatians: So no one will put much stock in what he says - Romans + above is the SIMPLE SON education MM says the POE and the course of this world are making leaps and bounds. The course of this world is producing a Godless mindset. The halfway point on that is just religious involvement. As long as people can go through the motions and the trappings of religions. Makes their flesh feel good like they've done something. Nothing of real consequences is taking place. But they went to church on Sunday and punched the clock and that is good enough and now everything moves right along. Can't be that way for us. If this word doesn't transform us, we are just not getting the benefit. The attacks of Satan’s policy of evil (PoE) come in three phases (3-fold attack)/Sufferings of Christ Components (always happen in the same order over and over in Paul's epistles): NOTE: Message is the message of grace and all the doctrines that go with it as set forth in Paul's epistles and he teaches with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil)	**1. Attack the Message – purpose: teach the counterfeit** - Always the first thing Satan does. Try to get you to change your message so that it lines up with the counterfeit that he has designed for the world. Rather than quit talking, he would rather have you promoting his counterfeit. Attack the message so we change our mind on what we have learned in the Truth in the word to now what he wants promoted in the world. He has a substitute/counterfeit and he would rather have us doing that. Phase 1 of the Policy of Evil is to attack the message of grace and its accompanying doctrines as set forth in Paul's epistles. He doesn't want us to hear the message of grace and if that fails, he wants us to reject the doctrines that we hear and he is wildly sucessful at this. The general work of the POE as it pertains to everybody across the board. 1. Keep the Mystery a mystery 2. Keep from understanding right division and the two programs 3. Do not understand Sonship
Commentary	Definition : POE (Policy of Evil)	POEs: - There's a general POE at work against everybody. - There's a general POE to keep people from being saved. - Once they are saved, there's a general POE to keep them from understanding what he is doing with his WORKS OF DARKNESS-Romans 13:12. They don't know how to CAST them off. - There's a general POE that keeps people from understanding how to rightly divide the word. - There's a general POE that keeps people from knowing the difference between God's program with Israel and His program with the church, the body of Christ. - These are at work all the time. POE: Specifically geared to make you stop your Sonship life. Need to know that up front and the Bible will clue you in on that. Nobody quits Sonship but continues to practice the principals of Sonship. Can quit and start up again and only consequence is the time you lost to move through the curriculum.
Commentary	Definition : POE (Policy of Evil) : Generalized	There is a general policy of evil (PoE) at work in the world against every believer. What I mean by that is that the course of this world which Satan has generated contains built in attacks and oppositions to being a believer in Jesus Christ. These are not necessarily directed against any particular individual, but are applicable to all those who consider themselves to be Christians and seek to live their faith. Makes it difficult for anyone who claims to be a Christian and tries to live their faith, they will run into opposition. It doesn't have anyone particular in mind, Satan is creating a world system where it will be opposed to the values of the Bible. More generalized vs. the SoC, which are more individualized. Don't see a lot of physical persecutions in this country.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil) : Progression	Phase 1 of the POE - In Romans, you got initial Phase 1 POE. Basic tactics - Attack the Message. POE sought to corrupt our understanding of the foundational Romans doctrine. EX: Learned you are saved by faith and grace but later hear it's faith + works. In the place of the truth, false doctrines are presented to corrupt the message. EX Need works to be saved or need works to stay saved. Two ways: 1) It may be through thoughts that Satan planted in our minds. He can more easily do this if we already have a predisposition against the truth; either a stronghold, or something we do not want to believe. It is much easier for Satan to plant a thought into your mind if there's an existing stronghold already in your soul. If you haven't pulled out that stronghold, then he has ground from which to operate. From there, he can affect other things in your life. Makes your life miserable because they are experiencing all the tormentors that are coming out of this untruth. Remember, Satan is subtle. Hey is not coming in and identifying himself.
Commentary	Definition : POE (Policy of Evil) : Progression	EX Person grew up with a lot of rejection and criticism - didn't grow up in a home of love, producing a stronghold in his mind that he is not worthy and will never amount to anything. Presented the gospel that God loves them and demonstrated it by the Cross. Satan will use the stronghold to say 'God doesn't love you, He doesn't even know you'. May result in initially rejecting the gospel. Presented the gospel again and gets saved. Satan has a place (ground) from which to oppose this doctrine. Need to clear the old garbage out and go through the Sonship Transformation course. Just because you trusted Jesus Christ, there's no reset button. Everything you grew up with and thought about, it's still there. MM says Satan loves to take something that you don't understand properly and he loves you to start operating out of that untruth. When he plants that in there, he builds a stronghold in your soul and your behavior begins to come out of that. You begin to think about that. Think NEITHER GIVE PLACE TO THE DEVIL-Ephesians 4:27. Don't give him a spot from which to operate. Remove that.
Commentary	Definition : POE (Policy of Evil) : Progression	2) Satan uses people to be his mouthpiece for corrupt doctrine. It may be through people which Satan is using for his own purposes. They may or may not be willing participants with Satan’s attacks. May be evil people or may be the opposite, they may want to serve God in what they are doing. These attacks are insidious and crafty; as Satan will use anyone who happens to present an opportunity to utilize and error in the doctrine of an understanding to be able to corrupt the message and attack the message. Our best armor against this form of the attack is to be grounded in the truth of the scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil) : MM's Example	How he works on MM - makes sure the negative comments people make find their way back to him so it becomes a discouragement. Trying to get MM to go get a job and just do his own Sonship. Says he is a long ways from that. STORY: MM has been through terrifically bad hardships in his ministry - zero income and didn't quit. He has watched colleagues fall into the dirt and quit, watched people personally attacked, etc. and he is not quitting. In the last 2 years, MM has begun to see things about the policy of evil that does frighten him and he has never been frightened before because he didn't know enough to be frightened. MM also knows this - there's a provision in the curriculum for anything that comes MM's way. God is not going to step between MM and the policy of evil coming against him. God is going to give him grace to endure it and there's something he is going to get on the other side for doing it. MM worries every week on whether this group will continue to show up because he knows what the POE is and how fragile a work is. People get all bent out of shape over the most insignificant stuff. MM has decided that he has to endure this for the long haul. MM won't leave you for another group because he knows you all are in it.
Commentary	Definition : POE (Policy of Evil) : MM's Example	MM is not moving and His Father is not going to move him because MM has liberty to make decisions as a son. Saying God told me to go is just cover for doing what you want to do. Just be a man and say it. For the first time in his life, he is doing what he is supposed to be doing as part of a local assembly. No longer about the bigger ministry or better opportunity. He found a place that does Sonship and he is going to do it. But, there is something way bigger than that that is behind all of this. There's a much bigger issue at stake. More hanging in the balance. More than just you getting an education and you get told in LEVEL 2. Way bigger and more involved and it is not just what it does for me, this this is much more complex than I thought. There's a bigger issue behind it all and Satan knows what that issue is. He has devised a very precise attack that works to thwart that bigger issue even if you don't quit your Sonship. Satan knows what the big/real issue is. It is not about getting you to quit, it is keeping you from that big issue. We are being educated to go up to the heavenly places/sit in seats of authority/govern the creature/etc. Not that this isn't important, but there's an issue so much bigger than this. Even if you don't quit, it can still effect the big issue (GH: complaining and murmuring and disputing about doing Sonship - NO to God's cause). God has a cause and that cause is going to cause us to go through the SUFFERINGS OF CHRIST.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	POE Phase 1: Attack the Message (the doctrines/truths taught to us by our apostle which are necessary for us to know and live out of; focus is one Paul's 13 epistles in this DOGG. Not saying he won't attack the others, but Paul's are his focus.) * OBSCURE/PROMOTE IGNORANCE: to keep people ignorant of the doctrine revealed to the apostle Paul: Obscure the doctrines, to keep people ignorant of knowing about or understanding these doctrines. Obscure these doctrines so people don't know about them. EX If you don't know RDW, the PoE will work to keep you ignorant of it. * CORRUPT/REPLACE: to replace any sound doctrine with false doctrine: Corrupt the truth of the doctrine by replacing sound doctrine with false doctrine. Getting you to take a truth that you change your mind about and get you to go in an opposite direction. EX POE may work to think you must keep the law to please God. Then, put you back in Israel's program. MM says this is what spiritual warfare looks like - a battle over doctrine that takes place in our minds. For people who are aware of these doctrines, Satan will try and get you to change from believing sound doctrine to some false doctrine in connection with it. EX You believe in the dispensational change and Satan works to change your mind on this. That now you know about it but you will reject it. EX Know you are under grace but convince you to put yourself back under the law, which kills your spiritual/functional life - puts it to death.
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	You will be operating under a program that is no longer in force, spinning your wheels. This has been Satan's MO from the beginning - see Genesis 3:4-6: * CONFUSE/SILENCE: to cause such/enough uncertainty and confusion about a doctrine that we silence the truth: Confuse/Silence/Make you uncertain or unsure of the truth - it puts counter arguments in front of you, attacking sound doctrine. If you are unsure, less likely to talk about it. Even though you may not embrace the counterfeit or change your mind and go the complete opposite direction, you will be so uncertain about the truth that you will be silenced and you won't publish the truth anymore. If the next time, you don't mention it, Satan counts that as a win. He got you to quit publishing the truth. Get you so uncertain and confused that you don't talk about the truth. To destabilize our understanding of the truth. If this phase 1 attack is successful on any of these fronts, then “spiritual wickedness” takes place in the heavenly places. You don't get to see or hear it but it takes place in the heavenly places. All of Satan’s realm is told of the policy of evil’s success in keeping some doctrine secret or hidden, or in corrupting some doctrine, or in causing sufficient uncertainty as to silence the truth from being proclaimed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	POE Phase 2: Attack the Messenger: - When the Phase 1 Attack - Attack the Message fails, Satan unleashes the Phase 2 attacks - Attack the Messenger. Designed to intimidate those who would make known or publish the doctrines of the Mystery - Dispensational Change, the Mystery of Christ, and the Manifold Wisdom of God (Group: RDW) into silence. Here, Satan has certain 'wiles'-Ephesians 6:11 that are designed to rob us of our courage to speak about these things. See the dispensational nature of the Phase 2 attacks. There's a generalized POE in the world but there's also an individual attack for those who are making known the dispensational truths of living in this time in the world. There are 8 categories of these attacks in 2 Corinthians and they are called 'the sufferings of Christ'-2 Corinthians 1:5. The attacks against the messenger are because we would not corrupt the message/doctrine (GH: succumb to the Phase 1 (Attack the Message) attacks). Come from two sources: 1. People who are outside the church 2. People who are inside the church
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	Attacks: 1. Attack on Paul's integrity (your trustworthiness) - he is being duplicitous, he's being two-faced and dishonest (saying one thing over here and another over there) He is misleading people They spread the lie that Paul was insincere and he could not be trusted. Then they insisted Paul was little more than a tyrant. They looked at Paul's leadership style and the determined that he was domineering and they he was bossy and that he was overbearing with people. They accused him of being heavy handed, being over-assertive, basically they painted Paul as a bully and kind of a dictator ho intimidated people and terrorized them into believing his doctrine, forcing his doctrine on them. All of this is part of that attack on Paul personally at Corinth. These are people that Paul led to Christ, he helped form their church, and now they are saying these kinds of things against him. This would be hurtful because Paul deeply loved these people. The love that Paul had for the people at Corinth is the kind of love that most of the world doesn't see from someone in that kind of relationship. We think our family loves us and maybe our closest friends.
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	But when you're talking about Paul and what he had invested his life in them and what he was enduring for their sake, he truly loved them with godly love and charity. MM doesn't think the Corinthians understood it in its depth. So when they turn around and make these kinds of accusations of Paul, MM believes these are deeply hurtful because of how much he does really care about them. It's meant to not only affect Paul but to affect the other people because they aren't saying it kindly. They are attacking him personally to injure him in the minds of others as well, causing them to turn from Paul's doctrine and deny Paul's apostleship. All you need is for someone to make the criticism.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : POE (Policy of Evil) 'Ephesians Commentary'	POE Phase 3 Attack - Discredit the Messenger: In order to discredit the messenger, there must be a damaging message being sent or published to those who know you. Therefore, Phase 3 contains a two-pronged attack: 1) to discredit us/you in the eyes of others and (rejecting the message - people think they shouldn't listen to us/you anymore and go back to their old understanding) 2) to discourage us/you from being faithful messengers by that discrediting - trying to give up or quit if no one is going to listen to us/you.
Commentary	Definition : Position : In Adam	Our Identity when we came into this world - in Adam identity: A. Our eternal standing before God before we trusted Christ was condemnation. We were: 1. under sin 2. Unrighteousness before God 3. Enemies with God Because this is who we were before we got saved, it didn't matter how much we gave to charity or how much we volunteered at the hospital or how much we helped our neighbor. When you are talking about our eternal standing before God, none of these things changed this.
Commentary	Definition : Position : In Adam	B. There is also our 'live for God' standing, our ability to live for God every day. Everything we did was an abomination (because they are being done out of the flesh of a person who has been condemned by God. There's nothing about this person that God looks at and says I CAN accept that.) 1. Servants of sin 2. Free from righteousness 3. Followed the COTW C. There is our standing as far as eternity is concerned. Our standing was: Alienation - we were going to be alienated from God for all eternity. 1. As Gentiles we are the uncircumcision - we weren't part of Irsael, we weren't part of the chosen people, we weren't part of the covenant people, God didn't make a promise with us 2. Satan's possession - we belonged to the adversary. We may not have thought we did, but we did. You can belong to him and not know it. You can fool yourself. 3. We aided the adversary. Mostly helped him do the things that he wanted to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Position : In Christ	New Identity in Christ: Jesus Christ, when He came into this world, looked at all 3 of these areas in His DBR and said something has to be fixed. These 3 statuses need to be changed. It's not enough to change just one of them, I need to change all 3 of them and that's what He does. So: - our condemnation status is changed to justification and the components under that means this: - When you become justified you become the righteousness of God in Jesus Christ - while we were under sin, God says I AM going to fix that - I AM going to make you FORGIVEN of every sin - it's done! - because you were unrighteous, you were by nature unrighteous, God says I AM going to fix that by giving you imputed righteousness, He imputes the righteousness of His Son to you. If you could live a perfect life, you wouldn't need Jesus. But you can't. When He gives you the righteousness of His Son, He has to give you eternal life. That's the way He set this up. - He took this fact that you were an ememy of God and made you at one with God - Atonement - this is the No. 1 definition in the dictionary for Atonement. We are no longer on opposite sides, we're now together in this thing. We're at one with each other. You have been made permanently at one. He took the 'at oneness' of His Son and gave that to you so the only way you would ever not be at one with God would be the day His Son was no longer at one with God.
Commentary	Definition : Position : In Christ	MM says if someone says 'well, I don't know about this once saved, always saved'. MM they are right about the first part - they don't know. There is nothing you did to do this and there's nothing you can do to undo this, it's done. In the next part, our Abomination standing has been changed to sanctification. When you were given a new sanctification: - When you become sanctified you become the holiness of God in Jesus Christ - Went from servants of sin to dead to sin. That thing no longer has mastery over you. - Went from free from righteousness to now you are alive unto God - Went from following the COTW to now we are adopted sons - why we are transformed by the renewing of our mind - Finally, your alienation standing is going to be changed to exaltation - When you become exalted you became the glory of God in Jesus Christ - Went from uncircumcision to having a heavenly vocation - Went from Satan's possession to now we are citizens of Christ's kingdom (not the kingdom of heaven that will be set up on earth but the overarching kingdom of God that contains everything) - Went from aiding the adversary before to now we are part of the ONE NEW MAN (the body of Christ)
Commentary	Definition : Prayer	Prayer is dispensational. In Israel's program back under the law, if they did good and kept the law, they got blessings. If they broke the law, then they got punishments and curses. But we, as members of the body of Christ, are not under the law. We are under grace and our prayers must reflect that change. He is no longer dealing with us like He did with the nation of Israel and our prayers must change in accordance with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Intercessory	To intercede is to interpose on behalf of another or others. To “interpose” means to “come between" someone and the thing that is opposing them or is injurious to them or the evil that is seeking to injure them. Prayer is responding: 1. to what God has said in His word/responding to God's word 2. to God's revealed Will (in His word) 3. to what it is that God is doing In Paul’s epistles INTERCESSION is mentioned five of those six times in the N.T. The word “intercession” can refer to an action, or it can refer to a particular kind of prayer. When you understand what God is doing and not doing, it changes the way you pray. OED: intercession - The action of interceding or pleading on behalf of (rarely against) another; entreaty, solicitation, or prayer for another; mediation. A prayer is intercessory when we sense an active danger of some kind to another person. Has to do with us inserting ourselves between the one we pray for and the bad we think may come upon them. Interceding is for one of two purposes: 1) the alleviation of any present suffering, or 2) the avoidance of any future suffering. When we see someone coming under some kind of attack (mental, emotional, physical, etc.), which will have a detrimental effect on them; then our prayer for them becomes an intercession. EX loss of a child, suicidal thoughts, enduring the SoC, death of a parent).
Commentary	Definition : Prayer : ISP (Intelligent Sonship Prayer)	ISP is prayer that understands what the will of God is in the various circumstances of our lives, understanding what He is and is not doing, and how to pray in connection with that knowledge or praying in connection with that. This means that this prayer is effectual. Prayer that actually accomplishes something requires that we know the doctrine. Means understanding the will of God in the various circumstances of life in a dispensational way, and praying in accordance with it. Prayer that is effectual (accomplishes something) requires that we know the doctrine. God is no longer dealing with us as He previously did with the nation of Israel, and our prayers should change accordingly. Sonship prayer doesn't come out of the blue or out of a vacuum, it is connected to things. For many, once they learn that God is no longer intervening in the outward circumstances of our lives, but rather God is working in our inner man to produce the life and character of His Son, their prayer life falls off. It’s not that they don’t want to pray, but they don’t know what to pray.
Commentary	Definition : Prayer : Sonship Preparatory Prayer	Is prayer that prepares us to listen to the word of truth being taught and get the most out of it. Suggestion: spend a few moments with our heavenly Father to focus our minds on the teaching before us. This helps get us “up to speed” immediately and it does away with distractions. It primes us to better understand the doctrine and enhances our ability to apply the doctrine in our everyday lives. This prayer is always about understanding the doctrine. Why? -> preparing for any task makes the task more successful, including studying the doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer	Prayer is a way of preparing ourselves to hear the teaching of the doctrine, it prepares us to listen to the word of Truth being taught and to get the most out of it. This is the kind of prayer we should pray as we prepare to hear the teaching of the word, either live or even when we are watching the video recording. Do it before you hit the PLAY button. Preparatory Prayer is a good way to begin learning Sonship Prayer, so if you have been looking for a way to enhance your prayer life, this is it. This prayer is adaptable for preparing us to study any doctrine. Try praying this prayer every time you attend a class or listen to teaching and see the difference it will make. Plus, it will acquaint you with basic principles of Sonship prayer. Our first prayer ought to be to understand the doctrine because if we do not understand the doctrine, it cannot work in us. We are asking to understand the doctrine, that is the outcome we are after. But even as we ask for the outcome, our prayer should reflect the spiritual process which will produce that outcome. Sonship Prayer is not giving God a list of things to do; it is giving ourselves some things to do. As we understand this, our prayer life matures from childhood prayer to intelligent, adult prayer. With every prayer request comes an obligation on the part of the person praying. When you are getting ready to hear the teaching on Sunday or Tuesday, and you pray to understand the doctrine that will be taught that day, what is your obligation with regard to that prayer? Your obligation is two fold: 1) to listen attentively (don't allow yourself to become distracted, but focus on the teaching), with the right heart attitude (you want to understand the truth, no matter how that affects you; you are not placing conditions on what the doctrine says or requires of you), and - EX Father, whatever You ask of me (by way of the doctrine), I will do. - Having the right heart attitude means that you are submitting yourself to the doctrine without reservation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	- When you pray to understand the doctrine, it implies that you are going to listen with the intent of obeying the doctrine.
	Prayer :	2) to ask questions if you don't understand something.
	Sonship	- You are obliged to ask questions if there is something you don't understand. Ties to the three fold commitment to our Sonship Education,
	Preparatory	but this time it concerns our Interactive Learning.
	Prayer	MM's obligation is two fold: 1) I must lovingly present the doctrine as simply and plainly as possible so every member can understand. That means that my motivation is for our assembly to be edified and conformed to the image of Christ. That means I can't teach out of anger or frustration. I cannot teach to make myself look like some kind of "big shot." I can't allow my pride to creep into the lesson. All of the five core features of godly love must be at work in me as I prepare the lesson and as I teach it. 2) I must be willing to entertain questions and answer them in a godly, loving fashion. It is up to me to create an atmosphere of trust with all of you, so that you are comfortable with asking questions. And since we have Zoom, it is up to the members of this assembly to encourage others in a way that makes them feel comfortable to ask questions. Preparatory Prayer increases our learning because it paves the way for us to have a better understanding of the doctrine to be understood by doing five things: 1) focuses our minds on what we are about to do: gets our minds focused on the doctrine we are about to study so we are immediately ready to engage with the doctrine 2) it tests our attitude as we approach the doctrine
Commentary	Definition :	3) it presents an immediate commitment to the doctrine
	Prayer :	4) it is going to present a future commitment to the doctrine
	Sonship	5) it shines a spotlight on Satan's tactics that seek to hinder our understanding: this prayer makes us aware of Satan's tactics to hinder our
	Preparatory	understanding.
	Prayer	Example Preparatory Prayer: Whole Prayer: Reaffirm Commitment This demonstrates my complete confidence in my heavenly Father by committing to the doctrine no matter where it takes me or how uncomfortable it makes me feel, because I know it will be for my spiritual good. MM's EXAMPLE PREPARATORY PRAYER: Heavenly Father, thank you, that in your great wisdom, you created marriage. I know that by this doctrine, you are training me to be a wise son/daughter; therefore I pray to understand the doctrine. I commit to you now, if I do not understand something, I will ask about it, and continue to read and study until I do understand. And once I understand, I pray to put the doctrine into practice so that I can accomplish your great purpose of manifesting Christ and the church to the whole creation, and I love you for that. I pray to be aware of the tactics of the Adversary to prevent me from being conformed to the image of Your Son in this area. Father, whatever you ask of me, I commit to following you. I am sure of your love to me and your desire for my marriage to be successful. Therefore, I ask that you would teach me the truth about marriage, and change me, and my marriage, to your glory, in the name of Your Son I pray, Amen. Decomposed Prayer:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	"Heavenly Father,"
	Prayer :	- Because I know I am a son and what that entails, I like the relationship term, “Father” but you can use whatever you like.
	Sonship	thank you, that in your great wisdom, you created marriage.
	Preparatory	- I am focusing my mind by doing three things:
	Prayer	(1) NAME THE DOCTRINE: By naming the doctrine, I am focusing my mind on the doctrine I am about to study. By reminding myself that marriage is a divine institution and that I should be looking at the doctrine with that in mind, I am focusing my mind on the task at hand.
		(2) THANK GOD: By expressing my love for God or thanking Him in connection with the doctrine, (in this case, marriage), I am deepening my focus on the doctrine.
		(3) GLORIFY GOD: I glorify God for the reason of His “great wisdom” in connection with it. I call it His “great” wisdom because I don’t think anyone other than God would have made such a design. This makes me stand in awe of God and His works.
		- Any time I study doctrine, I expect to learn something great. By acknowledging the greatness of God, it helps put my mind in the right place to hear or study doctrine by creating a spirit of expectation.
		"I know that by this doctrine, you are training me to be a wise son/daughter; therefore I pray to understand the doctrine."
		- Make My Request: To Understand the Doctrine. That last phrase is the prayer request: I pray to understand the doctrine. I am making my request known unto God, in accordance with Philippians 4:6. We did the 'thanksgiving' part in the first sentence.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer	- The first part of the sentence reminds me of where I am(edificationally) and where I am heading. In other words, I need to be able to express why it is important for me to understand the doctrine. - Orient Myself: By orienting myself, I am reminding myself of what I am doing, being edified. When I say “orient myself,” I mean, think about where I am in the doctrine and what is going on in this phase of my education. Ephesians doctrine is beyond the scope of Romans doctrine because it is perfecting my faith. So, I should not be surprised when I am confronted by doctrine which requires me to do more than I am already doing. Because I know what I am engaged in, I don’t want to balk when the doctrine stretches me out of my usual comfort zone. That is the whole idea behind getting our Father’s wisdom installed in us, and for being in the book of Ephesians in the first place. - Stablish the Process: The part of the prayer is reminding me I am being trained in the “wise” level of my Sonship education. I remind myself I am here on purpose. This is all part of the plan. Maybe not my flesh’s plan, but my plan, and God’s plan. - 'I pray to understand the doctrine': meant to establish the edification process in my thinking. This part of the prayer is my recognition that before I can be trained, I must first understand the doctrine. It puts the emphasis of “first things first.” - “Articulating the Process” is an important part of the prayer as you are first engaged in either process of edification and/or Sonship prayer. Eventually, once the practice of the process is established in your subconscious mind, articulating the process may fade out of your prayers. "I commit to you now, if I do not understand something, I will ask about it, and continue to read and study until I do understand." - Declare My Present Commitment: I am setting myself up to receive the doctrine by talking about my part in the process and declaring my commitment to it. In order to be edified, I must understand the doctrine, therefore I am declaring my commitment to do so.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer	- Interactive Learning: Praying this (especially out loud) is a very powerful tool for setting us up mentally to hear and receive the doctrine. This is another one of those aspects which may eventually fade away because the work to prepare you to receive the doctrine will become a part of you, as the word transforms your inner man. "And once I understand, I pray to put the doctrine into practice so that I can accomplish your great purpose of manifesting Christ and the church to the whole creation, and I love you for that." - Declare My Future Commitment: To Live the Doctrine - Anchor My Commitment - This part of the prayer accomplishes several things: 1) by praying to apply the doctrine, I am making a commitment to follow through with my edification. In a sense, I am anchoring, or cementing my commitment in place by praying this prayer. Test My Understanding 2) I am also measuring the intelligence of my sonship prayer by stating what the doctrine is designed to do. If I find myself stumbling to articulate it, then I know I am not clear on the doctrine. But this “intelligent prayer” can only pertain to doctrine I know about and am working on. Abound My Love: In the event that I am about to be faced with a new doctrine, then this is an opportunity for my love to abound. (Another reason to love my Father) If it is a doctrine I already know about, this is an opportunity for my love to deepen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer	3) I am just about always going to find a way to express my love for my heavenly Father. It is a common aspect of all of my prayers. But, I want my love for God to increase and abound. "I pray to be aware of the tactics of the Adversary to prevent me from being conformed to the image of Your Son in this area of marriage." - Anticipate the Policy of Evil: This is my way of reminding myself of any attempts for Satan to plant thoughts into my mind which are contrary to the doctrine, or a hindrance to me applying the doctrine. If I encounter them, I will identify them for what they are, and cast them off by countering them with the truth from God's word. If they reveal a stronghold they are connected to, I will stop and take the time to pull down that stronghold in accordance with what we learned back in sonship transformation. - The prayer is basically over but I don't like to end a prayer focused on the Adversary and his attacks. So, I reaffirm my commitment to the process of edification. "Father, whatever you ask of me, I commit to following you." - Reaffirm Commitment: This demonstrates my complete confidence in my heavenly Father by committing to the doctrine no matter where it takes me or how uncomfortable it makes me feel, because I know it will be for my spiritual good. "I am sure of your love to me and your desire for my marriage to be successful." - God's Intentions: This is a reminder of why God is doing what He is doing. Everything God does is not just about Him, but it is all ultimately for our benefit. "Therefore, I ask that you would teach me the truth about marriage, and change me, and my marriage, to your glory."
Commentary	Definition : Prayer : Sonship Preparatory Prayer	- Summation: This is my summation of all I am asking God to do, which implies that I am going to do my part, for God will not change us or our marriages unless we engage with the doctrine. "In the name of Your Son I pray, Amen." Recap - major elements: * Focus my mind on the doctrine I am about to hear. * State my request: to understand the doctrine. * Declare my present commitment: To ask questions * Declare my future commitment: To live the doctrine * Anticipate the policy of evil's attacks The last parts of the prayer are: * To reaffirm my commitment to the doctrine * State God's intentions with the doctrine * Summarize my prayer

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer	You should be praying a longer, more detailed version of this prayer before you ever get to the start of the session. Create a prayer journal or at least take time to construct a carefully thought out prayer which you write down on an index card, put in your Bible, and pray before the session begins. This will help develop your prayer life. Every prayer request in the DOGG places an obligation on you. Pray to understand the doctrine.
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	Sonship Preparatory Prayer prepares us for the word of Truth being taught and to get the most out of it. MM encourages us to formulate this type of prayer GH: to use for each lesson. Does 5 things. Gateway prayer to all the other prayers. It increases our learning by 5 things: 1) it focuses our minds so that we are immediately ready to engage with the doctrine 2) it tests our attitude as we approach the doctrine 3) it presents an immediate commitment to the doctrine 4) it presents a future commitment to the doctrine, and 5) this prayer shines a spotlight on Satan's tactics to hinder our understanding. Can do all at once instead of spreading it out all of the week. Process : Five Step/Component Preparatory Prayer
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	MM's EXAMPLE PREPARATORY PRAYER: Heavenly Father, thank you, that in your great wisdom, you created marriage. I know that by this doctrine, you are training me to be a wise son/daughter; therefore I pray to understand the doctrine. I commit to you now, if I do not understand something, I will ask about it, and continue to read and study until I do understand. And once I understand, I pray to put the doctrine into practice so that I can accomplish your great purpose of manifesting Christ and the church to the whole creation, and I love you for that. I pray to be aware of the tactics of the Adversary to prevent me from being conformed to the image of Your Son in this area. Father, whatever you ask of me, I commit to following you. I am sure of your love to me and your desire for my marriage to be successful. Therefore, I ask that you would teach me the truth about marriage, and change me, and my marriage, to your glory, in the name of Your Son I pray, Amen. 0. Sunday/Tuesday: Before starting the process do two things: (1) When the session ends, list all the major points from the lesson you just consumed and review them. EX Session 48 major points: 1) Four levels of friendship 2) Nine qualities for a marriage partner 3) Six purposes for marriage (five were for us, for you-Companionship) - one that God wants us to do - marriage illustrates the relationship between Christ and the church - a godly labor

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	(2) Read next week's text / Read the doctrine for next week. EX Ephesians 5:22-33
	Prayer :	Goal of '0.' - Connect this up with what you are about to do.
	Sonship	1. Monday/Wednesday: Focus my mind on the doctrine I'm about to hear / Focus your attention on your mind and behavior - 3 specific things:
	Preparatory	- MM says that the prayer that you pray before the Sunday/Tuesday session actually starts to formulate Monday/Wednesday. Start thinking
	Prayer :	what you are going to pray in the next session. MM's example prayer is 90 seconds but a whole lot went into that prayer during the week.
	Process	- Review the major points from the prior day to make sure you understand them.
		- Read the scriptures we will cover in the next session. Seek to focus my full attention on the doctrine at hand. EX Session 49 is Ephesians 5:22-33 to connect what you just got in Session 48 with what you are about to do in Session 49.
		- Take the elements of preparatory prayer and apply them each day.
		- Pray about 3 things - MM's takes about 90 seconds but a whole lot went into that prayer during the week. Comes out of instruction that Paul is giving us on things so it is not like MM is just making it up. Remember the prayer before the session comes out of prayers you have been praying the week before.
Commentary	Definition :	#1: Name/Identify the doctrine and write it down on the worksheet: tell God what you understand is the doctrine, and write it down on your
	Prayer :	worksheet. Sometimes Paul names the doctrine (EX spiritual gifts in 1 Corinthians 12-14) and sometimes he doesn't (EX marriage in
	Sonship	Ephesians 5:22-33 - but does use husbands and wives)
	Preparatory	- Sometimes, Paul will name the doctrine in the passage. EX Paul using the term 'spiritual gifts' like in BRETHREN, NOW
	Prayer :	CONCERNING SPIRITUAL GIFTS, I WOULD NOT HAVE YOU IGNORANT-1 Corinthians 12:1. But sometimes Paul just describes it
	Process	and you have to come with the name. EX In Ephesians 5:22-33, Paul doesn't use the word 'marriage' one time. GH: But you can tell based on what he is saying.
		- This prayer ramps up your mind for the lesson. Gets your mind focused on what we are about to study, what we are about to learn about.
		- EX Prayer: Put all 3 aspects together in a single sentence: 'Heavenly Father, thank you that, in your great wisdom, you created marriage'.
		#2: Thank God for something about/some aspect of the doctrine: and thereby deepen your focus on the doctrine. Not just thankfulness in general, but specific to the doctrine at hand. It needs to come out of your heart and it needs to be genuine.
		- Start your prayer with an expression of love for my heavenly Father, or thankfulness for something He has done in connection with the doctrine. EX Thank God for something about marriage.
		- MM thankful for the time he did have with Billie. Learned to thank God for his parent's marriage. Marriage is the only righteous way to bring children into the world. Acknowledge marriage as a divine institution - we have to have it. MM's example prayer is not thanking God for his marriage or his parent's marriage but that he created marriage as a divine institution. Means He created it from the very beginning as something He was going to do. Divine institutions are not optional, meaning the world has to have it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	- MM found out he prayed about things he never had previously.
	Prayer :	- WHAT are you thankful for and WHY?
	Sonship Preparatory Prayer :	- Follow the pattern of prayer in Philippians 4:6 - includes thankfulness as a requisite part of "letting our requests be made known unto God." This is a natural part of prayer.
	Process	- Have a conversation with God like He is sitting in the room with you (because He is in the room with you). He is your Father, so just talk through why you think you should be grateful for whatever the doctrine at hand is. - Monday's prayer is both: * an end (as it is a genuine Sonship prayer about some doctrine) and that helps me right then and there in several ways * also a means, which has the final Preparatory Prayer (PP) in view as I recall my earlier prayers just before the start of the session Even though your final PP is short and to the point, it does exactly what it is designed to do; focus your mind on the doctrine at hand. #3: Glorify God in connection with the doctrine and His great Wisdom: get your mind focused on the Glory of God. Find a way to glorify God. - Colossians 3:17 - see the thanks again. Whatever we do in WORD (prayers are words) OR DEED, we are going to do it to God's glory. - EX God deserves glory for creating the institution of marriage. His great wisdom knowing we would need the great institution of marriage. - EX For liberty in Christ - all the benefits you get from this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	- Make a statement to God's glory, and make sure it is in connection with the doctrine you will hear next Sunday/Tuesday. Go through the mental process to determine what you can say that will glorify God about. Just talk to God the whole time you are thinking about this, only say it out loud. It is not so God can hear; it is because things happen in your mind when you hear yourself say things out loud. This is a great way to practice your sonship praying. - EX Prayer: 'Heavenly Father, thank you that, in your great wisdom, you created marriage'. Point: By the time you have named the doctrine, thanked God for some aspect of it, and given Him glory in connection with it, your mind is pretty well engaged. Should conjure up all of that previous praying just before we start the lesson: it focuses my attention on the doctrine. When you pray the final PP just before the session, your mental juices are already flowing and you are ready to jump right into the doctrine. - GH: Talk to God about Step 0 and Step 1 in a prayer. 2. Tuesday/Thursday:? Make my request to understand the doctrine - Philippians 4:6-7 (always for preparatory prayer) - deals with your attitude - Prayer Request: You are either praying for an initial understanding of the doctrine, or for a further, more advanced understanding of the doctrine. EX Prayer: 'This is the first time I have heard that marriage is an illustration of Christ and the church and I want to know about that'. a. Orient myself educationally (identify my place in the doctrine) - think about where you are (EX Book of Ephesians) - Don't just state - remind myself of where you are in the doctrine and what you are doing here. Look at where the Book is in the building of your own education. Look at the Books on where they are taking me educationally.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	- EX Ephesians is beyond the scope of the foundational Romans doctrine because it is perfecting my faith. I should not be surprised when I am confronted by the doctrine to do something more than I am already doing. I realize ahead of time that this doctrine is going to take me out of my comfort zone in some areas. Know first half of Ephesians is asking you to know some things - the YOUNG MAN doctrine. EX Know Ephesians 5 is WISE MAN doctrine. Reminds me I am being trained in the “wise” level of my Sonship education.' Not just know it academically but have it working in you. Know it is training you to be a WISE MAN. - EX Prayer: 'I know that by this doctrine you are training me to be a wise son/daughter, therefore I pray to understand the doctrine'. This is saying if I don't understand this doctrine, I won't be able to put it to practice in your life and if you are not going to be able to put it into practice if your life, you can't be a wise son. You can't get to the WISE MAN level of the education. MM wants to get there but when he is talking to the Lord on Tuesday, he is having a much fuller discussion with Him. b. Establish/Stablish the process of my edification: by bringing it into my thinking. - Talk about the doctrine and establish it in your thinking because you know where you are going here. Get the process straight in your mind. Sonship has a goal to it, you are going somewhere. Know there is something a son is supposed to achieve here. This is a conversation with my Father. - Pray to understand the doctrine that trains me to be a WISE MAN because if I don't get the doctrine, I can't put it into practice and I can't be a WISE MAN.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	- Instead of the subtle thoughts of the Adversary tempting me to choose whether or not I will obey this doctrine (either before or after I hear it); I remind myself I am here on purpose. There will come a time when you make decisions in your everyday life and you will change what you do or what you say because you realize where you are as a son and what is expected of you. It's not my flesh's plan, but it's my plan, and it's God's plan. Part of getting to where you are going, is knowing where you are. MM says this will change your behavior for the better. c. Articulate the Process: If you are just now establishing a process which you purposefully engage in, to get the doctrine working in you, articulating the process will be an important tool for establishing the edification process. - Eventually, once the practice of the process is established in your subconscious mind, articulating the process may fade out of your prayers. Until then, let it do its job of establishing a certain kind of thinking in you. 3. Wednesday/Friday: Make a declaration or declare my 'immediate commitment to learn the doctrine': Set yourself up to receive the doctrine by talking about my part in the process and declaring my commitment to it. In order to be edified, I must understand the doctrine therefore I am declaring my commitment to do so. - Make a verbal commitment to your Father - two steps: EX Prayer: 'I commit to you Father, that if I do not understand something, then I will ask about it, and continue to read and study until I do understand'. Making a verbal commitment to my Father. Step 1) Commitment to 'listen attentively' with the right heart attitude (I'm going to hear the doctrine and determine if this is the verses are actually talking about this.). - Some people listen just to find something to disagree with.
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	Step 2) 'Ask Questions' - Interactive learning: Second of the 3 commitments of a son or daughter. - EX Prayer: 'I commit to your Father that if I don't understand something I will ask about it'. MM has tried to nurture this in this assembly. - EX MM and the Lord's Table-1 Corinthians 11. Praying for this but no one he can ask that he knows well enough. Just read and study till he does understand. You have the advantage of asking M what he understands about things. - Praying this (especially out loud) is a very powerful tool for setting us up mentally to hear and receive the doctrine. 4. Thursday/Saturday: Declare my 'future commitment to live the doctrine' or edification or put the doctrine to work. - Have to understand the doctrine before you can be edified by it. Sonship prayer requires that if your prayer is going to be effectual, you must understand the doctrine. You can't be ignorant of the doctrine and suddenly the doctrine works in you. It doesn't work that way. Making the commitment to edification, maybe even before you get the education. - EX Prayer: 'And once I understand, I commit to put the doctrine into practice so that I can accomplish your great purpose of manifesting Christ and the church to the whole creation, and I love you for that privilege'. Says to the Lord you know you need to understand the doctrine before it goes to work in you but shows you are committed to put it into practice. Ties to what you learned in the prior week. MM says makes him think seriously about his position as a husband. - By declaring my future commitment to living the doctrine, I am doing three things:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prayer : Sonship Preparatory Prayer : Process	A) Anchor/Cement my commitment to follow through with my edification: I am making my commitment more sure thereby anchoring my commitment. B) Test my understanding: I am also measuring the intelligence of my Sonship prayer by stating what the doctrine is designed to do. Can't put it into practice unless you understand it. If you try to put into practice a doctrine you don't have a firm handle on, may become frustrated with that. It will break down at some point and you will say this is not working the way it is supposed to work. This is a signal to go back and review your understanding of the doctrine. Test to see if you understand something - explain it to somebody. C) Abound/Increase my love: I am just about always going to find a way to express my love for my heavenly Father. It is a common aspect of all of my prayers. But, I want my love for God to increase and abound. God can't love you any more than He already does now that you are saved and you came to Christ. Because we are creatures, our love can grow. Couples can love each other more over time. First, can love each other for things they didn't recognize before - your love is abounding. Then sometimes you are loving them more for the same reasons - your love is deepening. Because we get to manifest Christ and the church, this is another reason to love Him. MM says it makes him think seriously about his position as a husband because that is a pretty high bar and he wants to picture that right. God is asking us to labor with Him in this. Should make a great impact on us. * If I am about to be faced with a new doctrine, then this is an opportunity for my love to abound. (This is another reason to love my Father.) * If it is a doctrine I already know about, this is an opportunity for my love to deepen. 5. Friday/Sunday: Anticipate the adversary/POE: Shine a spotlight on the POE to keep the doctrine from working in you. MM says there is no way that you can engage with the doctrine on this level and Satan is just going to leave you alone. Examples of the POE:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition :	- He will try and distract you. (against step 1)
	Prayer :	- Get you to lose sight of what you are actually after here. (against step 2)
	Sonship	- MM thinks he knows it all, you don't need to listen to him. (against step 3)
	Preparatory	- You don't want to embarrass yourself by asking questions. (against step 3)
	Prayer :	- Worry about that when you get over there, you don't even understand the doctrine. (against step 4)
	Process	- Don't worry about trying to find another way to love God. (against step 5)
		MM says all of these thoughts that come into your mind and try to GH: get your eyes off the prize.
		- EX Prayer: 'I pray to be aware of the tactics of the Adversary to prevent me from being conformed to the image of your Son in this area of marriage'.
		* If I encounter them, I will identify them for what they are, and cast them off by countering them with the truth from God's word.
		* If they reveal a stronghold they are connected to, I will stop and take the time to pull down that stronghold in accordance with what I learned back in Sonship Transformation.
		At least get to here. MM likes to do the balance. The 90 second prayer will pull all of this back in his mind. MM does 3 things:
Commentary	Definition :	1) Reaffirm my commitment to the doctrine: EX Prayer: So you aren't ending the prayer focused on the adversary, 'Father, whatever you ask of me, I commit to following you'. Means whatever I learn in this doctrine, I'm making a commitment now - I'm going to learn it and I'm going to apply it. ***
	Prayer :	
	Sonship	
	Preparatory	2) State God's intentions with the doctrine: EX Prayer: 'I am sure of your love to me and your desire for my marriage to be successful'.
	Prayer :	- Satan will whisper 'if you do this you will be miserable, just sitting in the living room reading Bible verses to each other 24x7.' Satan has no commitment to the success of your marriage, just destruction.
	Process	- Remember: Everything God does is not just about Him, but it is all ultimately for our benefit.
		- 3) Summarize the/my prayer: Could just jump straight to this. EX Prayer: My summation of all I am asking God to do, which implies that I am going to do my part, for God will not change me or my marriage unless I engage with the doctrine. 'Therefore, I ask that you would teach me the truth about marriage, and change me and my marriage for your glory'.
		EX Prayer: End with 'In the Name of your Son I pray'. MM says praying this prayer before the lesson floods your mind with all the sessions from the previous week.
		MM says you can pray this prayer a dozen different ways, just trying to show you a format that includes these 5 areas that are meant to be going through the week. They are just conversational. Do anywhere - driving in the car, laying in bed. Can do them all together instead of spreading them out.
		TIP: MM uses 3x5 cards and puts a sentence together a sentence at a time. MM says people criticize written prayers but if he really has that in his heart that shows effort and desire. MM is more concerned with Pastors that mindlessly pray the same thing each time. If it helps in the beginning to jot things down then do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary Prayer : Sonship Preparatory Prayer : Process	Definition :	TIP: Keep a prayer journal. This not only helps me organize my thoughts, but it allows me to track my own growth in prayer, and construct a prayer that I will wind up praying many times during the week. Can pass it down and it may win them to Christ or get edified. First thing or a morning, MM has a convo with his heavenly Father. Write what you know about the doctrine and what you don't know or what you are working on. Has one page everyday. Do it long enough and you will see how God has been working in your inner man to grow you or teach you or mature you. Back there you were asking about things that now you understand. Can pass that down to the generations behind you and they can learn a lot about Sonship and the things that were going on in your life through that. You may think you already know how to pray. Jesus disciples asked Jesus how to pray. Paul has model prayers in his epistles. Extra/Major Elements: * Focus my mind on the doctrine I am about to hear. * State my request: To understand the doctrine. * Declare my present commitment: To ask questions * Declare my future commitment: To live the doctrine * Anticipate the policy of evil's attacks
Commentary Prayer : Sonship Preparatory Prayer : Process	Definition :	Major Points: * * * Goals: * Provide you with practical resources to explore God's word on the subject of prayer * Deepen your understanding of prayer in the DOGG * Help your prayer life flourish
Commentary Prayer : Supplication	Definition :	Praying for someone to know some things which will benefit them spiritually. EX know the death of a parent is imminent but they know the doctrine: 1) thanking God for their steadfast faith in the doctrine 2) making a request for their faith to be an inspiration to others 3) praising God for the doctrine which gives them such peace 4) making a request to God that they would continue to trust the doctrine to sustain them, or 5) thanking God for an example of Jesus living His life in them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Predestination	MM describes as a Calvinistic term. God's determination that something will take place, and therefore it must. For example, every single member of the body of Christ will be adopted/given "the adoption of children by Jesus Christ-Ephesians 1:5" and God has predestinated that. The scripture does not teach that is predestinating anyone to be saved. Predestination has to do with what God has determined to do for/with the saved. Therefore, predestination is not a justification issue, but a sanctification/exaltation issue. God never predestinates who will be saved. He predestinates things that will happen for those who are saved.
Commentary	Definition : PoA (Positions of Authority)	Hierarchy: Can refer to the position OR the creature that holds the position (EX President Trump or the office of the President) Ephesians 1:21 (singular) / Colossians 1:16 (plural) / Ephesians 6:12 (plural) FAR ABOVE (no THRONES) / MM thinks this is the hierarchy / MM thinks this list in order of ranking Principality / Thrones (highest) / Principalities Power / Dominions / Powers Might / Principalities (rebellion here downward) / Rulers of the darkness of this world Dominion / Powers / Spiritual Wickedness in high places Every name (all the others) Not in order of rank/not random / Order of rank / Order of rank Repeats the word AGAINST each time
Commentary	Definition : PoA (Positions of Authority)	Composite Ranking or pecking order of authority (based on Colossians 1:16 & Ephesians 6:12 listing): Thrones Dominions: include divine council and Michael and role as an arch angel Principalities: over the nations (rebellion happened from here on down) - devise a POE to a nation; POE on these levels is structured and efficient, not hodge-podge - men at every level get influenced by the POE Powers: over the cities (the ones on the next line are ALL directly under Powers; these 3 don't have jurisdiction over each other) - devise a POE to a city within the nation These 3 are all at the same next lower level - same level, different responsibilities: - Might(over local municipalities; includes strongholds) - devise a POE to a local government administration - Rulers/DEPTH-Romans 8:38/THINGS UNDER THE EARTH-Philippians 2:10/devils - Spiritual Wickedness/HEIGHT-Romans 8:38/evil angels

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : PoA (Positions of Authority)	- MM says he is teaching things where there is not a verse that spells it out, he is deducing things from other things that are said. Will take us through the scriptures and show where he is getting things. He knows we want to hear about these things, but doesn't know if it is wise to put it on the Internet. There are things you have to be ready to hear and if you are not ready to hear them, it'll be damaging to your spiritual life. When talking about someone's spiritual life, there are things that MM wouldn't lead with. They require a foundation. If you start with that, they'll just reject that out of hand-John 16:12. - MM says he wanted to go beyond hey these are positions, they are in the heavenly places, one day we'll occupy them, and have some duties. He wants to give us some insight into them with regard to the spiritual battle that we are involved in. - All of these positions are occupied now. Some of them are good and some of them are evil. They will hold these positions until God restructures the heavens by installing His sons and daughters into these heavenly positions of authority
Commentary	Definition : PoA (Positions of Authority)	- MM believes there is a hierarchy just like there is in any governmental structure. Those that are higher have authority over those that are lower. - MIGHT, RULERS/DEPTH-Romans 8:38, Spiritual Wickedness/HEIGHT-Romans 8:38 are all on the same level and do not have power over each other, but are in charge of different aspects of the PoE. DEPTH & HEIGHT are either sub-set or synonym or of 'Rulers of the darkness of this world' & 'Spiritual Wickedness in high places'. These are kind of independent of each other, they don't have any authority over each other. But they are all subject to POWERS. - There have been times in which a sovereign ruler has placed a throne next to his and then placed someone on that throne. God the Father has done this with His Son. The Father's throne is not spoken of as being "above" the Son, but the Son is said to be at the Father's right hand. - When it comes to the kingdom, evidently, there will be thrones on the right hand and left hand of the Lord Jesus Christ because those positions were coveted by a couple of the disciples and Jesus did not correct their assumption that someone would be sitting on His right hand and on His left - Matthew 20:20-23
Commentary	Definition : PoA (Positions of Authority)	- MM thinks the Divine Council is part of Dominions. Michael the archangel is a Dominion, head over the armies of heaven - see in Revelation. Michael plays a dual role. He is also a Principality-Daniel. - Principalities and Powers (because this is where the rebellion began): Go hand and hand. Principalities are always linked with Powers. Never see Principalities by themselves. There's a tandem that's at work here. Are on the list of creatures opposed to us-Romans 8:38 Are who we are supposed to make known THE MANIFOLD WISDOM OF GOD-Ephesians 3:10 (because these are the guys that rebelled) - Doesn't say THRONES and DOMINIONS since they didn't rebel. Didn't say MIGHT because they are under PRINCIPALITIES and POWERS-automatically included. Are who we wrestle against-Ephesians 6:12 Are who Christ spoils after His resurrection from the dead-Colossians 2:15

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : PoA (Positions of Authority)	- Principalities are governmental authorities over nations. Michael is not just a prince, he is the chief prince and why MM thinks he actually has a double role. He has a Dominion place as an archangel, the leader of the armies of heaven and he also serves as a principality over the nation of Israel. There were 70 nations when God scattered them at the Tower of Babel so you would need 70 Principalities. But now, there are more than 70 nations in the world - MM thinks it is around 234 today. - Powers are over the cities within a nation. - Issues of placement - in rank and the geographic location in Israel was indicative of the power or authority. Not talking about rank, talking about physical position. God's house (the temple) in Jerusalem will be built at the top of the mountain - it was above everything else. Below God's house is the king's house. Poorest people in lived in the lower valley areas below.
Commentary	Definition : PoA (Positions of Authority)	- Might are over local municipalities. Includes strongholds. As a believer in Jesus Christ, you can still have strongholds built up in your soul (EX kid grows up in tough circumstances and he is always down on himself and it leads to depression and he has a lot of instability in his life because of it. Dozen different ways to have a stronghold over your finances. Could be an emotion or fear or anxiety or frightened about a situation or tomorrow.). Report to the Powers. Paul said the word of God that is MIGHTY IN THE PULLING DOWN OF STRONGHOLDS-1 Corinthians 10:4 and made MM think of MIGHT. - Rulers of the darkness of this world are over THE COURSE OF THIS WORLD-Ephesians 2:2. Includes DEPTH-Romans 8:38 and UNDER THE EARTH(devils and unclean spirits)-Philippians 2:10. - Spiritual wickedness in high places include the HEIGHT-Romans 8:38 and the evil angels that rebelled.
Commentary	Definition : PoA (Positions of Authority)	- When Satan rebelled, he was Lucifer and called the anointed (something special about him that differentiated him from other cherubs) cherub (cherubs are throne guardians) that covereth-Ezekiel 28:14. Lucifer covered the Throne of God. You had the Throne of God and cherubims on each of the four corners of that throne and they were moving the Lord's Throne. Lucifer was up in the element of Thrones. MM points to the '5 I WILLS' - I WILL EXALT MY THRONE ABOVE THE STARS OF GOD-Isaiah 14:13. He had a throne that puts him up high. Everybody that joined Lucifer was below THRONES AND DOMINIONS. None of the other cherubim in the Bible joined him. No Dominions joined him. MM still thinks every Principality except 1 joined Lucifer in his rebellion. MM says rebellion is not that simple. EX Some (like those “sons of God” which left their first estate, cohabited with human women and produced the Nephilim) EX The ones that went to the Gentile nations to bring them back to God and got the nations to worship them instead. They may have acted for self-promotion (gaining worship for themselves from humans) and not so much as to promote Satan - thinking they could do the same thing. They were induced to obtain things for themselves which previously were only reserved for God. But finding themselves on the same side of the fence with Satan when the lines got drawn, they became co-belligerents with Satan against God; “the enemy of my enemy is my friend.” They are in league with Satan but what got them there was the same self-interest.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : PoA (Positions of Authority)	When Satan traffic his iniquity and claimed that he could run things better than God. He offered them things to entice them to join him, like giving them a greater responsibility in his kingdom than they had in God's kingdom. MM thinks he did that in a number of ways that are identifiable. 'I would have you higher up because you deserve to be higher up. If you join me, I'll promote you.' Satan using those same flatteries in the past to speak to those with authority in ways that made them feel overlooked, unappreciated, and short-changed from what was rightfully theirs. Did join Satan's rebellion and directly involved with him. These are the kinds of things that work in this world. Where do you think those came from? Not all of the supernatural creatures rebelled. If Satan hears, 'I'm not doing that', he will replace him with his own. So if a Power rejects him, maybe a Might moves up. Not a wholesale defection, every angel makes that decision individually. But all the principalities but one joined him.
Commentary	Definition : PoA (Positions of Authority)	The rebellion that Satan had against God. It is against God but MM believes the focus, the real contention is between Satan and the Lord Jesus Christ. He does want to be possessor of heaven and earth but his real issue is with the Lord Jesus Christ. He is jealous of the Lord Jesus. MM thinks his animosity is toward the Lord Jesus. What he wants is the inheritance of the Lord Jesus. He has the audacity to ask Jesus to bow down and worship him, and he will give him the kingdoms of the world. He is acting like I have something that you don't have and I can give it to you. You just need to bow down and worship me and I will give it to you. There is something in Satan's mind that makes him think that somehow he has a position that is superior to the position of the Son of God. Satan knows he can't rid of God. Satan knows that he is not more powerful than God. While he is disrespectful to God the Father, he goes beyond that with the Lord Jesus saying bow down and worship me and I have something You don't have and I will give it to You. This presumes in his mind that he is superior to the Lord Jesus. The Lord went through that temptation in the wilderness, Satan winds up crucifying Him, etc. MM thinks he wants the inheritance of the Lord Jesus- Matthew 21:37. The Son will inherit all things in heaven and in earth. And since we share in His inheritance, that means Satan is after your inheritance too. Sometimes Paul doesn't list everything. Sometimes, he just says principalities and powers as the general description and we understand that includes everyone under them.

Commentary	Definition : PoA (Positions of Authority) : Throne	A throne can be the actual chair or seat that a ruler sits in. Can be a ruler, can refer to a ruler as a throne. It can also be a position of sovereign power or authority. Throne – a chair or seat for a ruler. It is the highest seat in a kingdom. A throne can be a seat of authority for a deity, for royalty or for a dignitary. Thrones don't have authority over each other because their spheres of authority don't overlap. One of the jobs of a throne is to "judge" or to make wise "judgmental decisions." It is through Paul's epistles that we have godly wisdom installed in us so we can make godly judgments. Everything about a Throne in the Bible is that you are supposed to manage wise decisions. Being able to make wise decisions puts you on a throne. The throne of the Son is subject to the ultimate throne of everything, and that is the throne of the Father. Some members of the body of Christ will have thrones in the HP, as we will reign with Christ, but our positions of authority will be subject to Christ (our Throne will be subject to His Throne), who will be subject to the Father (His Throne will be subject to His Throne). The various kings on the earth will be subject to Christ who is subject to the Father. The point being that in its particular scope of jurisdiction, a throne is the ultimate authority, while at the same time it can be subject to a different throne with a greater sphere of jurisdiction. According to Isaiah 14, Satan had a throne and if he had a throne, there was a jurisdiction he had a rule over. When he rebelled, no one above principality rebelled with him.
Commentary	Definition : PoA (Positions of Authority) : Dominion	Mentioned in Ephesians 1:21 and Colossians 1:16. Is one who carries out the commands of the throne. A dominion is delegated authority from a throne. George Crabb – pg. 186-187: power, strength, force authority, dominion – power is influence or control over the actions, persons, property, etc. of others; to grant privileges or take them away. Power is indefinite as to degree; one may have little or much power. Dominion is a positive degree of power. Dominion, from dominus a lord, signifies the power of a lord or the exercise of that power. George Crabb – pg. 187-188: empire, reign, dominion – Dominion, may, in the proper sense, be applied to the power which man exercises over the brutes, over inanimate objects, or over himself. George Crabb – pg. 188: prince, monarch, sovereign, potentate – prince signifies the first person in the nation; the one having sole authority, potentate is one having supreme power. Prince indicates a lesser degree of power from monarch, sovereign or potentate. Potentate indicates the highest degree of power. A potentate is powerful by means of his subjects.
Commentary	Definition : PoA (Positions of Authority) : Principalities and Powers	Terms are always used together in Paul's epistles - 8x. Never see them used separately. Principalities always has Powers attached to it. These are only mentioned by Paul. Are heading up the large scale operations like the nations. Responsible for the large scale POE that is happening in the world. When Paul uses P&P, sometimes he is using them as the all-inclusive heading for them and everyone under them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : PoA (Positions of Authority) : Principalities	A principality is a position under the king, under “thrones.” It is also under “dominions.” It seems that principalities and powers have to do with influencing things on the earth. These are the ones overlooking the nations, saying let's develop a POE specifically for this nation. EX In America, logical reasoning -> make the materialistic, life of pleasure. In Brazil, witch doctors and consulting what they should do. Overlooking a national POE and then having it carried out by those in positions below them. Why Paul writes we wrestle not against flesh and blood, but principalities and powers. MM no longer thinks this is the highest level. Prince would not be the highest. Prince is a king in waiting and he sees the throne as the highest.
Commentary	Definition : PoA (Positions of Authority) : Rulers of the Darkness of this World	Have a more hands-on approach to the individuals that live in those nations. MM believes they are offering some people in some countries a life of comfort and ease so they don't encounter the sufferings of Christ.
Commentary	Definition : Pride (Ungodly Thinking)	NUTSHELL: Pride causes men to reject God's grace and causes men to reject God's words (2 things) and therefore is dealt with right off the bat (GH: Romans 12:3). Is the first thing you are taught in godly wisdom (GH: ungodly thinking). Is the rejection of something beneficial. One of the ways you can see pride and we don't look at it as so bad is when someone is in a desparate situation, you offer them help, and they reject it and say NO. It looks like it is so honorable but it is not. When there is a legitimate need, it is pride that would keep us from being able to help accept something that's beneficial. Is the first reason men reject God's grace - it is pride. They try and produce their own justification. We have seen that in the gospels. Is why they think they are justified because they can point to someone who is worse. Is why a Jew thinks that he is justified by nature and is not like the Gentiles. In the matter of sin, doesn't matter if you are a Jew or a Gentile, they are all under sin. God doesn't see that any differently. Is not the only reason why man, by nature, rejects God's grace, it is also the issue in men (just as in Satan himself - his wisdom was corrupted because of that pride) that causes them to reject God's words. (GH: Mark 10:17-22-Rich Young Ruler). Is why men reject to being called a sinner when they have never been saved and once they get saved, they never want to be corrected about anything.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Principle : Already, Not Yet	This is when a writer declares something as though it has already taken place when the physical realization of it has not yet come to pass. Paul does this in several epistles. EX Ephesians 1: Paul talks about us being in heavenly places as though we are already there, even though we are physically still on the earth. But Paul speaks of it as though it is an accomplished fact. EX Ephesians 2: Paul talks about us being seated together with Him in heavenly places, even though we are still presently on the earth. EX Colossians 2:15. Some commentators will say that is so sure it to take place that God can talk about it like it has already come to pass even though it hasn't. MM doesn't deny the surety of it but you are missing the point of what He is really driving at. God uses this principle over and over again for a reason. It's more than the surety of it. Understanding what Paul means will change your Christian life and it is meant to.
Commentary	Definition : Principle : Principle of Both Add	Get to looking at 2 different things and say which one is it? Sometimes it's both. IN HEAVENLY PLACES-Ephesians 1:3 is one of the places it is both.
Commentary	Definition : Process : Edification	Edification Process: 1. Revelation - God to Man (The Lord instructing Paul in the mystery - Paul could not come up with this on his own) 2. Inspiration (because God wants to preserve that) - God superintending Man to Paper (Paul writes things down to various churches and that writing is inspired) NOTE: No more direct revelation or inspiration going on. We have all the Books we are going to get. First half is not taking place anymore. Second half is taking place. 3. Illumination - Paper to inner man 4. Preservation - Generation to Generation (or it will be lost after the originals are gone)
Commentary	Definition : Principalities	PRINCIPALITY: OED 1) The condition of being principal; chief place or rank; pre-eminence; 2) a chief ruler, supreme authority; 3) a region ruled by a prince MM says can refer to an area or a ruler of that area. In his mind, in the hierarchy, a principality is the highest of those positions that are listed in the scripture. Over a whole large area. Word comes from a Greek word - ARCHON - root word from which we get the word 'Archangel'. Root word of PRINCE in it. Right now, the angels that hold these positions are the ones who joined Lucifer and his rebellion against the Lord.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Prophesy	OED: Prophesy 1a. To speak by divine inspiration, or in the name of a diety; to speak as a prophet. - MM says this is not happening today. STORY: Little boy comes into his Pastor/Dad's office and asks does God tell you want to say when you are preaching? Dad says yes. Boy asks how come you have so much of your notes marked out? MM says it is not about God divinely giving him what to say. That GIFT of the prophet, God's not inspiring anyone to do that anymore. 1b. To utter predictions, to foretell future events 1c. In the Apostolic churches, to interpret or expound the Scriptures, to utter divine mysteries and ediftying communications (as moved by the Holy Spirit)... - Those prophets at the beginning of the DOGG were given the GIFT of being a prophet. MM says it is possible for him to do 1c but not 1a or 1b.
Commentary	Definition : Propitiatory	By what Christ did, He appeased the wrath of God and made atonement (at-one-ment). No. 1 definition is to be made at one with someone. Where there was a problem and now that's been resolved. Jesus did that by His Cross. An aspect of the Work of Christ.
Commentary	Definition : Prophet	OED: Prophet 1a. One who speaks for God or for any deity as the inspired revealer or interpreter of His will; one who is held or (more loosely) who claims to have this function; an inspired or quasi-inspired teacher. - MM says look at the last part. GH: This is mega-Pastors today - they are the only one that gets God's Will and they'll tell the people. Now, this is what an O.T. prophet did. In your Bible, there are a bunch of false gods - Baal, Astaroth, Molech. They are all false gods, they don't exist. They are not real gods. But they had prophets. For example, the prophets of Baal. But were they really inspired revealers of Baal's will? They 'claimed' to be the inspired revealer of this god's will but if there's no god, then there is really no revelation. - Those at the beginning of the DOGG, they really did function as prophets and the declaration of God's word was supernaturally committed to them and they were inspired to give it.
Commentary	Definition : Proselytes	Proselytes still part of the little flock. Don't get to change trains once you get justified. That's who you are. Proselytes could only get 500 feet from the holy of holies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Eternal Purpose of God	Eternal Purpose Nutshell: **God is going to take everything in the creation and make it subject to Jesus Christ**. The reason He has given us glorified bodies is so that we will make that happen in the heavenly places. - It's great that the glorified body will live forever. - It's great that we get to participate in this. - It's REALLY great that that body is going to be used to accomplish God's eternal purpose which is to produce the eternal glory of His Son as being set on high above everything. - Saying it this way - you have an opportunity to share in that. - The fulness of that glory... isn't just from being saved isn't just from going through the SOPT or suffering WITH Him. but from the sufferings OF Christ. The edification process that takes place in us will bring us to the fulness of what God wants to give every single son.
Commentary	Definition : Eternal Purpose of God	When we got saved, we became part of that eternal purpose that God is trying to accomplish. Everything that God has done, He has done by His determinate counsel and foreknowledge, mapped out every step of what needed to be accomplished. Even the death of His Son. He was the lamb slain from the foundation of the world. Is all about the exaltation of His Son. When we trusted in Jesus Christ we were made part of the plan and purpose of God. Because of God's foreknowledge and determinate counsel realized that there are things He needs to do for those who will be part of this. His purpose is to fill ALL of His entire creation in Heaven and in earth with a creature and a creation that is in His image and is subject to His Son as Lord of all. When we get out to those heavenly places, we will transform them to also be a reflection of His image. When the whole creature is finished, it is going to be in the image of His Son, and you get to be part of that. The part you get to play will depend on how much of the conformity to His image got done in you. The Place of Eternal Glory - the Heavenly Places: verses show the special places will have with these heavenly places.
Commentary	Definition : Evil	Evil: MM condenses to committing a sin, doing a moral wrong, or doing something illegal. Evil: - Evil is no thing. Not self-determined, no self-existent appartus for evil. - Two pendulum swings to good and evil: 1. Christian Science (is neither): There is no such thing as evil, it is just an illusion. Evil is not an illusion. 2. Our culture gives us the other pendulum swing that evil is some sort of entity or force. Evil is not a self-existent thing that exists on its own. - Evil is the result or action of something that is a thing. Some thing can produce evil or the consequence of evil. - Evil is not a thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Evil	Evil: 1. Evil exists (actuosa) it is not self-existent (negation). God did not create a thing called evil. 2. Evil is not a substance, person, or force (negation) 3. Evil is a part of reality (actuosa) and not an illusion (negation) 4. Evil is not a creation of God (negation) 5. Evil is the negation or deprivation of good (privation) 6. Evil is not eternal, personal, or equal to God (negation) 7. Evil cannot exist apart from the good (privation), although good can/does exist apart from evil
Commentary	Definition : Evil	8. Evil is the absense, privation, or lack of some good, whether in a living thing or in God's intentions for the moral created order (such are immorality, ungodliness) (privation) **Four types of evil:** **1. Physcial: Floods, Hurricanes, Diseases, Valdez oil spill - MM say these are SOPT - They talked like directed the tornado at the mobile home park. God did not bring evil into the world, mankind did.** **2. Moral (people): Sin, disobedience, rebellion, injustices - actions or the consequences of the actions which is a thing** **3. Satanic/Supernatural (Satan): Finds its origins in Satan's plan of evil and policy of evil in the world** **4. Metaphysical: Things God cannot do**. Cannot replicate another God that is an exact replica of Himself because there are attributes of Him that would not be true for the duplicate. Includes that He is supremely perfect. Says there is evil because man is not supremely perfect like God. Calvinists say God put metaphysical evil in every man. Made man in the Image of God - intelligence, preference, libertarian free will (can make your own decisions without God loading the dice - what MM believes we have). Because we have not been made to be supremely good and have libertarian free will, we can do evil. God is the only One who is supremely perfect and supremely good. Not possible for God to lie.
Commentary	Definition : Exhortation	According to Crabb's Synonyms, an exhortation is meant to impel someone to action. "One with authority exhorts, an equal persuades. Exhortations are employed in matters of duty or necessity." Crabbes: Comes from 2 words: 1. EX - Latin 2. HORT - Greek - excite or impel to action This exhortation should be exciting you to do something. A superior or friend exhorts and because his words carry authority they rouse us to action. Exhortations are employed only in matter of duty of necessity; persuasions in matters of pleasure or convenience.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Exhortation	EXHORTATION: Prepares you for the doctrine that is about to come. It will serve up how important this doctrine is so you have a reason for paying attention. It's the equivalent of grabbing your attention, like if you get anything I said tonight, get this. It sets the stage for the doctrine so that it is received. Two types of exhortations - get these on either side of the doctrine: 1. Pre-doctrinal exhortation: Gives you a heads up what's coming up is real important - Comes before the doctrine - like a primer coat that gets the surface ready so when the doctrine is applied it really sticks. 2. Post-doctrinal exhortation: Tell you what you've just heard, this thing was not only important for you to hear but now here's how to put it into practice, how to utilize it. - Comes after the doctrine - like the clear coat that seals everything on there
Commentary	Definition : Faith	Hebrews says faith is THE EVIDENCE OF THINGS NOT SEEN-Hebrews 11:1. It is faith in what God says! Faith always has an object. In the Bible, biblical faith always has as its object the word of God. When you have faith, it is in what God said, NOT in what you hope happens. Faith is God tells you something and you believe that's going to be true. Faith is in what God says, not in what you dream up or hope will be true. The only thing you can have faith in is what He told you He would do. EX If you believe God created the heaven and the earth because you read it in His word that's faith. If you are going do something BY FAITH, it's only going to be, if it's true biblical faith, it's in response to something God told you. If He is dwelling in your hearts by faith, then it is by faith in the word of God. He's given us a completed revelation of scripture. Before then, He had to tell prophets things to be written down. Now that it is written down, everything you need is in this Book. MM says this Book is so perfect and so complete that everything you need is in there.
Commentary	Definition : Faith	OED: The word FAITH has 104 different meanings. Faith can mean 4 things in the Bible: 1. faithfulness, fidelity, or trustworthiness - FAITH OF CHRIST-Galatians 2:16 (not faith IN Christ) - Not talking about Jesus having faith in something, it's talking about His Faithfulness, the fact that He did exactly what the Father wanted Him to do. He was able to be trusted to do that. That was His Faith. 2. fulfilling one's trust (given to us by another), allegiance owed to a superior, fealty - THE MEASURE OF FAITH-Romans 12:3 - God has entrusted every one of us, every member of the body of Christ, to be something and do something. 3. belief based on evidence, testimony, or authority - FAITH IN CHRIST-Galatians 3:26 - This is the one people typically default to, we believe in something or we trust something. New atheists like Richard Dawkins and Christopher Hitchens, who are always arguing for atheism.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Faith	They're saying that faith means you don't have any evidence. There's no reason. You're just choosing to believe it. To them, that looked like nonsense. MM agrees. You can't just dream it up and think I'm just going to believe that. That's not what faith is. There's not a definition among the 104 in the OED that says faith is believing something for which there is no evidence. That's not a definition of faith. Got this out of THE EVIDENCE OF THINGS NOT SEEN-Hebrews 11:1. This is not talking about the basis for faith, it's talking about faith itself being an evidence of something. 4. belief in a set of doctrines held to be right & true - WORK OF FAITH-2 Thessalonians 1:3-4 - EX doctrine that when you trusted Jesus Christ as your Savior, you were JUEL - EX doctrine that when you trusted Christ, the Spirit of God came into your human spirit and baptized you into the body of Christ so that now you are in Christ - EX doctrine that once you're in Christ, there's a whole laundry list of things that are now true of you All these doctrines and more combined are what we would call THE FAITH.
Commentary	Definition : Faith & Form Cycle	MM says there is a cycle that takes place. You start out with a generation that has faith and form. MM says he is not advocating for a cyclical timeline with this. - Faith: based on some things that you understand about God and what He considers to be righteous; certain things become part of your thinking and behavior and practice - Form: Follows out of faith or stems out of our faith. What God has taught us about what is right and what is wrong. There's a lot of things that you won't do that people do everyday. Next generation says we don't like the faith part but realizes the value of the form part. They X out the faith and they just keep the form because they realize there is value to not having someone kill you or run through red lights or steal your money. They understand the form has value but we don't like the faith so they eliminate it. Like the idea no one should murder us or take our stuff. Faith is a crutch. The third generation comes along and realizes that form without faith is empty. It's subjective, it's just a matter of opinion. And what if someone has a different opinion? MM says people do have different opinions. Realize if there is no faith the form is worthless. GH: Can get to the point where men act like animals. Keep telling men they are animals and they will act like that. Peter says BRUTE BEASTS-2 Peter 2:12. Evolutionist think there is no difference. This is where the DARKNESS takes men, they get degenerated and they sink into the depths of depravity. Depending on the DARKNESS in them they act in ways that are despicable and abominable and vile and evil and on their part, they don't even think of it that way anymore. Have to go one of two ways.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Faith & Form Cycle	They have a choice to make. They either: - Reject the form and the faith and treat everybody like an animal OR - Return to the faith, which gives the form substance Those that return to the faith, then they'll have the faith and the form. Then the next generation comes along and say, well, we see the benefits of the form but we don't like the fatih. Then the next generation comes along and says your form is worthless. Without faith, all you have is someone's idea. When you don't have the faith, the form no longer holds. GH: Cycle repeats the the 'faith and form' crowd gets smaller and smaller? STORY: MM reflects on his childhood and the hippie/anti-establishment craze. In school a classmate said that the establishment needed to be torn down? Teacher asked what he would replace it with? MM says if you don't replace it with something, it would be the pre-Flood world - chaos and violence. Want to talk about it's not a perfect system? What do you have to replace it? Good luck with fallen men running it.
Commentary	Definition : Faith : True Greatness of faith	Will only make sense to someone who is saved, is a son, and is committed to God's purposes. MM is not saying we are an exclusive club. True greatness requires becoming great in the right areas - in your family, in your marriage, in your workplace. We have to learn to be great in: - our faith (in the doctrines that Paul is giving us; have to learn them, practice them, get involved with them) - godly character - Wisdom (in God's word) - Self-control - Patience in the midst of sufferings - kindness - godly love and charity
Commentary	Definition : Faith : Fundamentals of the Faith	Include: * the Virgin Birth (if Jesus is not born of a virgin, He doesn't qualify to go to the Cross for us) * the Deity of Christ * the Blood Atonement (if not real, there's no redemption) * the bodily Resurrection * the inspiration of the Scriptures (if not God-breathed, this Book is like any other book men ever wrote) If these are not true, everything else falls. But if you know your Bible, these are really hard to dispute.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Feasts	Feasts: Each of the seven feasts are associated with one of God's compound names. These feasts contain what God calls "my Sabbaths." Passover is the first and Tabernacles is the last. Jireh through Shammah (is here - takes place in the Kingdom when He is here). Historically the Cross is Jehovah-Jireh. Historically Jehovah-Shammah will take place at the Millennium. In their calendar they are foreshadowing all the things done for them from the Cross to Millennium. At the end of the calendar when they celebrate the final feast forshadowing God coming to dwell among them. That final feast typifies the second Sabbath following the first. 7 compound names each have a meaning, each tie to a feast day, each tie to one of the 7 candlesticks. The feast of tabernacles includes the original feast day on the 15th of the month and declares it to be a Sabbath. The feast runs for 7 more days and declares the last of those days to also be a Sabbath. Therefore, you have 2 Sabbaths in connection with God "tabernacling" with men. Since this is exactly what God was preparing to do in the creation week, God would, in that second week, educate Adam and Eve as to the work they were to be involved in. On the 2nd Sabbath, they would open up the connection between heaven and earth and God would bring His New Jerusalem down to the earth and set up His residence here.
Commentary	Definition : Feasts	Celebrating Tabernacles did 2 things: 1. Supposed to point them back to what God intended to do in the beginning 2. And since it didn't happen, it is supposed to point them forward to the day it really will happen - BASE: I AM THAT I AM _____ - 7 Feast Days for Israel: Celebrated them at a specific time each year Celebrated them every year Supposed to remind them of something, point them to something. - Everything that Israel was going to need to become what God intended for her to become is going to be provided for by God Himself, by His Power and His Power alone. He is going to give it to them by grace and that's the only way they are ever going to get it. BTW, when He does things for us, it's the only way He is going to get it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Feasts : Menorah Candlestick	Menorah Candlestick Diagram with 7 Stems: Each stem contains a feast day and an aspect of God's Jehovahness. This is particularly Jewish. These manifest the 7 ways in which God will do for Israel, all that she needs, which she cannot perform on her own. The last candle is the one we are looking at; the feast of tabernacles. It refers to a time in which God will "tabernacle" with men on this earth, hence, the kingdom. - Stem 1: Passover - Jehovah Jireh (God being their Provider [big umbrella] and Redeemer) - GH: The Cross EX Hungry -> manna; Thirsty -> water from a rock; kept their shoes from wearing out - Not talking about providing them all with a Mercedes Benz. He is talking about providing them with everything they need in order to become what He created them to be. To fit His plan and purpose. The Lord will be there. It's in this feast of Tabernacles that we find this thing about the second Sabbath. - Stem 2: Unleavened Bread - Jehovah Rapheka - Stem 3: First Fruits - Jehovah Shallum - Stem 4: Pentecost - Jehovah Raah - Stem 5: Trumpets - Jehovah Nissi - Stem 6: Atonement - Jehovah Tsidkenu - Stem 7: Tabernacles - Jehovah Shammah (The Lord is there) - GH: Kingdom / Second Sabbath
Commentary	Defintion : Feasts : Menorah Candlestick	Happens in the Millenium at the Second Advent and He'll defeat His enemies, set up His Kingdom, sit on the Throne of David in Jersualem, and rule from the midst of His creation. Tabernacles is the completion of 'The Lord is there'. The Lord is going to show up on the second Sabbath and He is actually going to bring His City down from Heaven and put it in a particular spot on this earth. We know that city to be the New Jerusalem and we know where that spot is.
Commentary	Definition : Fear	Two things have to be present for fear: 1. Potency: it has to be strong enough to actually be able to do something to you 2. Immediacy MM says they have rattlesnakes and he is not thinking about them at the podium because they are not present, there is no immediacy.
Commentary	Definition : Fellowship	FELLOWSHIP: Different people coming together for a single purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Firstfruits	Plural. That tells us that Christ did not come up by Himself. Firstfruits make us think of the Jewish feast day, and also makes us think of the actual first part of the crop/harvest which was grown in the field. The first part of a harvest that was harvested early is called firstfruits. Usually, the firstfruits were superior to the rest of the crop, being ripe the earliest, therefore stronger and more vigorous. The firstfruits are a picture of the excellency of Christ's human nature and Him being the first to be resurrected from the dead in a glorified body. The firstfruits were gathered the day after the Sabbath. When the firstfruits came in, they would take a sheath and the high priest would wave that before the Lord as a way of offering up the firstfruits to the Lord. And when they offered firstfruits to the Lord, it sanctified all of the rest of the harvest. It dedicated all the rest of the harvest to the Lord. So here is Jesus being the Firstfruits, and in a way, He is sanctifying all the rest of the resurrections that are going to happen here to the Lord. Because Paul has linked the resurrection of Jesus with the resurrection of the dead, then Jesus would be a pledge for a harvest to follow.
Commentary	Definition : Firstfruits	* The firstfruits were the first to be harvested and so they are a shadow of Christ, the first to be raised from the grave to immortality. * The firstfuits were gathered "the morrow after the Sabbath," which is exactly how the resurrection of Jesus took place, the day after the Sabbath. * Just as a sheaf of the firstfruits was lifted up to the Lord. The high priest would wave the sheaf so that it might be accepted by the Lord. As the firstfruits from the dead, Christ was presented to God and His sacrifice was accepted by God. * The firstfruits sanctified the whole crop. In the same way, Christ's resurrection makes it possible for us to be raised. * The firstfruits were a pledge that the harvest will/yet to follow. The same way Christ is the pledge that a resurrection harvest will follow.

Commentary	Definition : Flesh	Flesh 1: the “meat” on your bones. Flesh 2: that which can be accomplished by natural abilities. God expects that you will steer your car, push the gas or brake by your learned abilities of your flesh to drive, but how you do that in relation to other drivers on the road and the road signs, that is supposed to be done in godliness. Flesh 3: this use of “flesh” refers to the sinful tendencies or habits that reside in the body, and whose nature is opposite to that of God. Certain sins reside in certain members of your body. - Sinful habits from your past take up residence in certain members of your body. Why you have to go to work on those areas. (Romans 7:17; Romans 7:23). Shoplift? Work on the hands. Things coming out of you mouth that shouldn't? Work on the mouth. Looking at things you shouldn't be looking at? Work on the eyes. Change the habits of sin in our members to become habits of righteousness. If you don't make that change, you are going to have to face it at the JSoC. MM references Paul's YIELD YOUR MEMBERS references in Romans 6. Where the habits dwell. That's what needs undoing. Have to make this change on purpose. When we say fleshly, we are not talking about our body. This mistaken idea, which has its roots in Gnosticism, has given rise in the past to people whipping themselves or abusing themselves in order to keep their body in submission to God. The flesh is representative of all of the lusts and desires of our soul. We may commit sins or carry out lusts with our body, but they find their origin in our soul.
Commentary	Definition : Flesh	Flesh is the word that the New Testament most often uses to describe the sin nature, which is the ruling principle within all fallen children of Adam. The moment that Adam sinned in the Garden, he acquired a sin nature. Having a sin nature means that there is an influence, a disposition to sin in the unbeliever. This sin nature, or flesh, creates a desire to assert one's own will and authority over God in every area of life. It is passed on to all of Adam's descendants. The flesh prompts someone to do religious activities in an effort to gain God's favor. The flesh, in its pride, seeks to establish itself and its own efforts as meritorious before God. The clear teaching of the New Testament is that the flesh, not the devil, is the main and most influential enemy that the Christian faces. Since we have been identified with Christ in his death, burial, and resurrection, our old man is crucified; dead and gone. We're no longer the person we once were in Adam we are now new creatures in Christ.

Commentary	Definition : Fool	In the Old Testament, the word fool is actually a translation of five different Hebrew words that reflect subtle differences in "types" of fools. Need to understand the progression of rebellion that is reflected in the Bible's description of fools. 1. The SIMPLE FOOL: The simple fool opens his mind to any passing thought and opens his arms to any passing stranger. In other words, he lacks discernment. He has an oversimplified view of life and fails to recognize the cause-and-effect sequences that affect every area of life. (See Proverbs 22:3.) Because the simple fool is not discerning, he is easily captivated by all kinds of enticements and deceptions. He is dangerously immature, extremely gullible, and intensely curious. In the absence of instruction and consistent discipline, the simple fool will naturally become more foolish. A simple fool is especially vulnerable to seduction, lacking an understanding of the irreversible consequences of moral failure. (See Proverbs 7:6–7.) The Proverbs provide instruction for the simple fool: "The proverbs of Solomon the son of David, king of Israel … give subtilty to the simple [pethîy], to the young man knowledge and discretion" (Proverbs 1:4). Scorning fools will seek out simple fools and try to become their heroes. Therefore, to protect simple fools from the destructive influence of the scorning fool, it is critical to bring swift correction to scorning fools. "Smite a scorner, and the simple [pethîy] will beware …" (Proverbs 19:25). The simple fool would be one of the types of fools that we would answer, as in Proverbs 26:5.
Commentary	Definition : Fool	2. The SILLY Fool: The mouth of a silly fool often gets him in trouble. "Wise men lay up knowledge: but the mouth of the foolish is near destruction" (Proverbs 10:14; see also Proverbs 20:3). When things go wrong for a silly fool, he becomes angry, resulting in more damage. "A stone is heavy, and the sand weighty; but a fool's wrath is heavier than them both" (Proverbs 27:3). A silly fool believes that his own way of thinking is right (see Proverbs 12:15), so much so that he reacts to instruction when it is offered: "The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction" (Proverbs 1:7; see also Proverbs 10:21). Argument, persuasion, and advice from wellmeaning friends fail to convince silly fools of error. Proper correction by authorities, which publicly shames the silly fool, will more often be effective in helping him change his ways. (See Proverbs 29:9 and Proverbs 7:22.) The silly fool is a type we would answer, as in Proverbs 26:5.
Commentary	Definition : Fool	3. The SENSUAL Fool: One who rejects the correction of parents or other authorities will become a sensual fool. The word denotes a person who seems determined to make wrong choices. He does not have a mental deficiency, but rather rejects the wisdom of God. The sensual fool's focus is on that which brings him immediate pleasure. He glories in that of which he should be ashamed. "It is as sport to a fool to do mischief …" (Proverbs 10:23; see also Proverbs 13:19–20). A sensual fool is unreasonable. As a silly fool, his mouth got him into trouble. Now, as a sensual fool, his mouth gets him into more trouble. "A fool's lips enter into contention, and his mouth calleth for strokes [blows]. A fool's mouth is his destruction, and his lips are the snare of his soul" (Proverbs 18:6–7). Scripture gives more warnings about the sensual fool than about any other type of fool. His motives and methods are subtle. He should be avoided, because those who follow him will be led astray. "… A companion of fools shall be destroyed" (Proverbs 13:20). Severe punishment is prescribed for the sensual fool: "A whip for the horse, a bridle for the ass, and a rod for the fool's [kecîyl] back" (Proverbs 26:3, see also Proverbs 19:29). The sensual fool is a type we would not answer, as in Proverbs 26:4.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Fool	4. The SCORNING Fool or "scoffing fool: " The scorning fool's facial expressions communicate the disdain and contempt he has in his heart toward his authorities, including parents, civil authorities, and God. This type of fool not only has rejected truth; he also has embraced that which is abominable to God. Psalm 1:1 describes the progression of foolishness, referring to a man who first walks "in the counsel of the ungodly," then stands "in the way of sinners," and finally sits "in the seat of the scornful." The scorning fool utterly detests people and ideas that contradict his false thinking, and he expresses his scorn through derisive attitudes, behavior, and speech. The scorning fool turns a deaf ear to rebuke: "A wise son heareth his father's instruction: but a scorner heareth not rebuke" (Proverbs 13:1; see also Proverbs 14:6). Those who attempt to lead the scorning fool away from the path of destruction that he seems determined to follow will suffer his wrath. "A scorner loveth not one that reproveth him: neither will he go unto the wise" (Proverbs 15:12). "He that reproveth a scorner getteth to himself shame: … Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee" (Proverbs 9:7–8). A scorner must be punished—for his own sake and for the sake of those whom he can potentially influence. "Smite a scorner, and the simple will beware …" (Proverbs 19:25). "When the scorner is punished, the simple is made wise …" (Proverbs 21:11; see also Proverbs 22:10). The scorning fool is a type we do not answer, as in Proverbs 26:4.
Commentary	Definition : Fool	5. The STEADFAST Fool: The most dangerous type of fool is a steadfast fool. The Bible identifies this type of fool as "wicked" and "vile." A steadfast fool totally rejects God and His ways. "The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good" (Psalm 14:1). This type of fool is self-confident and close-minded. He is his own god, freely gratifying his lower nature. It is his goal to draw as many others as possible into his evil ways. Attempts to reprove him will be futile and bring frustration to the one who tries to influence him. Only God can successfully reprove a steadfast fool. The steadfast fool is a type we do not answer, as in Proverbs 26:4.
Commentary	Definition : For	In speech, the word 'for' can be used in two different ways: 1) as a preposition (I bought this book for you), and 2) as a conjunction (to show purpose). Can replace with because if linking up with something prior. It means that it is connecting up with what came before.
Commentary	Defintion : Forbearance	Forbearance is a species of "patience and self control."
Commentary	Definition : Foreknowledge	MM describes as a Calvinistic term. Something God knows about before it happens. God knows all things which are real and possible. Just because God knows what can possibly happen does not mean He has ordained it to take place. (See 1 Sam. 23:11-13).
Commentary	Definition : Forgiveness	Forgiveness is a component of our justified status in Christ, and that justification rests on the resurrection of Jesus. Because Jesus did rise from the dead, when we put our faith in Christ, we are given a new identity in Christ in three areas: our condemnation is changed to justification, our abomination is changed to sanctification, and our alienation is changed to exaltation. And these happen in order: we are justified, and then we are sanctified, for we cannot be sanctified unless we have the components of our justification (forgiveness, imputed righteousness, and atonement). And we cannot be exalted without first being sanctified (made dead to sin, alive to God, and adopted as sons).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Form of Doctrine	A common thread that begins to run through things. You should read far enough to see the entire form of doctrine.
Commentary	Definition : Fornication Consequences	* Any type of sexual relationship outside of marriage is sin. Immorality brings all kinds of consequences. Young people pay attention to this. 4 consequences of immorality: 1. Physical: * Sexually transmitted diseases (STDs) are increasing in number (In 1980, the most common STDs were syphilis and gonorrhea, but since then there are more than 25 new STDs identified), but * STDs are spreading among the population (in 2022, there were more than 2.5 million cases of syphilis, gonorrhea, and chlamydia reported in the U.S. That is an increase of 80% from 2018). Recording from 2024. * Congenital Syphilis (transmitted from pregnant mother to unborn baby) increased 183% (thousands of babies born with Syphilis).
Commentary	Definition : Fornication Consequences	2. Mental/Moral: Society loses their moral compass of what is right and what is wrong. People suffer shame and guilt. * They lose their moral compass of good and evil * They justify their immorality (there's a reason it is OK for you - sears the conscience) -> helps fuel the COTW-Ephesians 2:2 * They condemn/mock the righteous (the Bible/God) * They fuel the course of this world (CotW) * They reproach their Savior (saved) * They dishonor their own bodies * They suffer shame and guilt * Blind to how this affects other areas of life
Commentary	Definition : Fornication Consequences	3. Relational: Relationships founded on immorality are typically failed. * Their relationships have poor foundations if built on immorality Founded on lust not **true love (wanting God's best for the other person)** Immorality affects the commitment to the relationship * They sow the seeds of failure in relationships Distrust Disrespect Incontinence (lack of self-control) * Start off in an immoral way and they continue the cycle by passing immoral thinking to their children and it continues the cycle

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Fornication Consequences	4. Spiritual: Has them in bondage. Ask them how difficult it is for them to quit. These are really big. * Puts believers in bondage to sin (opens a big door in your life to sin without you really noticing it) * Halts/Stops edification (limits growth to intellect only) * Blocks grace and the ability to grow in grace and become the kind of believer you want to be and that God wants you to be * Blocks the desire to do the will of God * Blocks the power to do the will of God * If you doubt the bondage part, just ask someone how hard it would be to stop sleeping around, looking at pornography, or fantasizing. Affects people's desire to do the will of God. The power comes out of the word, not sinful behavior.
Commentary	Definition : Free Will	Libertarian free will - need Libertarian because Calvinist use free will but it is not free - theirs is scripted free will
Commentary	Definition : Friends / Friendship	In our life we have friends. It is usually among those 1) friends that we 2) date 3) get engaged, and 4) marry. The success of each of these steps depends a great deal on the success of each previous step. Since the first step has to do with our friendships, we need to talk briefly about them. It is out of the development of godly friendships that we find the pattern that leads to marriage. Chief purpose of friendship/dating is to develop a oneness of spirit that will carry forward into our marriage.
Commentary	Definition : Fruits of Righteousness	FRUITS OF RIGHTOUSNESS: • Our love will increasingly abound in knowledge and judgment - Philippians 1:9 • We will approve things which are excellent - Philippians 1:10 • We will be “without offense” before God - Philippians 1:10 • We will be presented “blameless in spirit, soul and body” - 1 Thessalonians 5:23 • We will patiently endure the SOPT - way this happens is by Christ Living His Life IN us • We will be “more than conquerors” when it comes to the SoC - Romans 8:37 - When the POE has directed its attacks against you in order to make you stop it we will be MORE THAN CONQUERORS if Christ is living His Life in us. • We will not faint at our tribulations - when tough times come, we will not quit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Fruits of Righteousness	• We will not be ashamed of those who are suffering for the truth - 2 Timothy 1:8 - In Timothy, there were a lot of people that when Paul went to prison, GH: they were out. FRUITS OF RIGHTEOUSNESS keep that from happening. When Paul went to Rome as a prisoner, they were ashamed. You are following a guy that is a prisoner. • We will be persuaded that God will do what He says He will do - SE - We will have confidence in that • We will be persuaded that God's Word will produce what it was designed to produce - SE - This is the fruits of righteousness we're talking about, this is the fruit of Christ living His Life IN us. We'll see the reality in that. • We will be partakers of the afflictions of Christ - AFFLICTIONS OF THE GOSPEL- 2 Timothy 1:8
Commentary	Definition : Fruits of Righteousness	• We will be partakers of God's grace Not the grace that saves us, the grace by which we live. The grace life is the life of Jesus being lived IN us. • We will stand fast in one spirit (unity) in the face of those who seek to divide the assembly MM says this day will come. If we don't have Christ living His Life IN us, you know what will happen. • We will not be terrified by our enemies, but our afflictions will cause others to wax confident, speaking the word boldly without fear When some of them saw what was happening to Paul in prison and how he was responding to that, that made them all the more bold. They thought this works, it will work in me like it worked in Paul. • We will not have a spirit of fear, but of power, love and a sound mind - 2 Timothy 1:7 • We will, in whatsoever state we are in, be content - Philippians 4:11 Notice all of these are INNER MAN issues.
Commentary	Definition : God	God is a Spirit being, non-physical, non-material.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Glory	"Glory" = God's unchanging essence and attributes which, in turn, indicate that God has a character that is absolutely perfect in norms and standards GLORY: Glory is our exaltation - it is an exalted postion that we will occupy out there in the creature. Just like there will be degrees of punishment in hell, there will be degrees of exaltation in the creature. Glory: honored, dignified, exalted. Often associate GLORY with events that not only have extraordinary effort but sometimes have great peril attached to them. EX Medal of Honor winnner - only one in the Iraq/Afganistan wars. Glorious: to be impelled to extraordinary efforts and to great undertakings, something beyond the normal. MM says we automatically know that when we say something is glorious. Glory comes in 2 forms/phases - exactly the way it will happen with you - has to be in your mind all the time, not just when you are going through suffering: 1. When the event takes place, that actions that are above and beyond are considered glorious Glory here: Suffering with Christ - to Him that is glorious. For those who "suffer with Christ," your actions of doing so are counted by your heavenly Father as glorious and they will result in a public display of "glory" when you receive your joint-heir inheritance. 2. Later when there is a public recognition made for that glorious and galant action, there's a glory in the public declaration of what was done. Public display/acknowledgement that is going to result in a glory. Glory there/later: A part of your JHI that you will have for eternity.
Commentary	Definition : Glory of God	GLORY OF GOD: **3 things that constitute the GLORY OF GOD**: 1. **Who He is** God's Glory includes everything that He is. It is who He is. There is no allowance for dishonoring who He is. That would be sin. God will hold anybody responsible who violates the glory of who He is. EX Taking God's Name in vain - Exodus 20:7 - there is no tolerance for that. Trampling on God's Glory. 2. **What He has done** EX In the creation itself - Psalm 19:1; Romans 1:20; Romans 1:23-26 - when men worship the creature more than the Creator OR assign evolution to the creation instead of the Creator or defy the Creator, they are trampling on the GLORY OF GOD. 3. **What He will do** None of this (GH: trampling on God's Glory) is going to pass without His knowledge. All of this is going to be brought to account one way or another. Sin is a challenge to the glory of God. GLORY OF GOD: Refers to the full honor and magnificence of our completed redemption.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Glory of God	GLORY OF GOD: God's intrinsic GLORY, it is the GLORY that He possesses in and of Himself because of this He is. He is often given the title of God of glory. There is a glory that God possesses by His very nature. The character and attibutes of God constitute His Glory (Exodus 34): - Mercy - Grace - Longsuffering - Goodness - Truth - Forgiving - Justice He is all that wrapped up into 1 and the shining forth of all of those attributes constitutes the GLORY OF GOD. The GLORY OF GOD is the intrinsic that God has in and of Himself because of His Character and His Attributes. We can't add to that glory or diminish that glory, it's His.
Commentary	Definition : Glorified Body	Your glorified body will emanate with light and color and they will look at you and know (GH: where you got in Sonship). Will be like your rank is seen by everybody. They will know who you are.
Commentary	Definition : Grace	Grace: God accomplishing in your inner man what you can't do on your own. When you allow that to happen, that is how you get transformed. GRACE: Is going to be defined for us as **the goodness of God**. God could have ushered in that Day of Wrath upon the earth. Instead, He ushered in the DOGG. God has always had grace from time to time but that is the fundamental operating principle now of how He is dealing with people. Grace is the function of the unified attributes of God to the benefit of mankind, while at the same time never violating the integrity of God Himself. GRACE: grace is now a standing or position or where we stand. God looks on a new standing to your justification - grace is now a standing or position or where we stand. Grace is: 1. a free gift 2. a position 3. a power (greatest power God possesses-the power of His grace) 4. a standing Grace is a position, a standing, and a power. It is the greatest power that God possesses, greater than any other power at His disposal. We should be glad that is the case. Be glad His grace is more powerful than His justice or we just get what we deserved and that would be the final word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Grace	GRACE: Is the desire and power to do the Will of God. Grace is like a diamond. A diamond reflects light differently from angles. Grace is a free gift, freely given to us. Saw grace as a free gift. Why Paul kept hammering the idea of no works. If you worked for it, it was wages. You got paid. Talked in a prior session grace wasn't just a free gift but a power. It's a different facet of the same stone. Not just a power, it is the greatest power that God possesses, per the scriptures. Grace is the greatest power in the universe. Grace is the engine of your sanctification. It is not in us in what we can produce. He has already built an engine and that engine is called grace. GRACE = God's Riches At Christ's Expense.
Commentary	Definition : Habit	Habit: an ingrained tendency to act, think or feel in a certain way without choosing to do so.
Commentary	Definition : Hope	HOPE: Confident expectation, not HOPE as 'Well, sure hope it happens. Maybe it will and maybe it won't'. It's the confident expectation of CHRIST IN YOU.
Commentary	Defintion : Host of Heaven	Whoever is sitting in those positions, they are the intelligensia for the creature. There is an ungodly, evil influence that would seek to run the creature and if God hadn't disabled it through making it SUBJECT TO VANITY-Romans 8:20, that's what they would be doing with it.
Commentary	Definition : Jehovahness	God's Jehovah-ness doing all the work - God does all the work Jehovahness: His Power as Jehovah God to provide for Israel everything they will need to become a great nation. Because they can't earn it, God says I AM going to have to give it to you as a free gift of grace. What I DO for you, you can't earn.
Commentary	Definition : JSoC (Judgment Seat of Christ)	MM believes we will trade the various parts of our armor for crowns. If you have the "faith" and "love" that produced the "breastplate of righteousness" when you get to the JSoC, the Lord will give you a "crown of righteousness" in exchange. On earth, that righteousness is armor. In the HP, that righteousness is a crown! If you earned the armor on earth, you automatically qualify for the crown at the JSoC. That crown will forever indicate the righteousness (the particular "faith" and "love") that you possessed during your earthly life and then it will signify your place or status in the HP. Think of it, we will trade armor for crowns! We will hand over our breastplate of righteousness and we will receive a crown of righteousness. God cannot recreate Himself. If He creating anything it would not be FROM EVERLASTING-GH: Psalm 93:2. He cannot reproduce Himself. But what He does do is He gives man certain communicable attributes. This are things that He Himself gives us so that He can make us in His image. Does not mean that we get every attribute of God. You don't get omnipresence and you don't get omnipotence. The number one communicable attribute of God is free will. This is what makes our love and devotion and loyalty to Him means something - because we choose to do it. If He makes you do it, there's no glory in that. The problem is - if you create creatures that are not God, because He is perfectly righteous, when you create creatures with a free will that are not God and they can't be, there is always the risk that they are going to sin. God will solve this in two ways:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : JSoC (Judgment Seat of Christ)	1. JSoC: This is not an embarrassment, this is supposed to show you something. MM believes this is what THE TERROR OF THE LORD-2 Corinthians 5:11 is. You will get a first hand look at how your sin impacted the world when you thought it was negligible. MM says we will all get this first hand look because we don't understand that. This is the reason why God allowed for evil to exist in this world. He is teaching you the lesson - this is what rebellion against Me produces. All the evil in the world didn't come from righteousness, it came from unrighteousness / sin / evil. At some point you have to quit doing what you are going to do because you are creating this thing. 2. The personal relationship that you will have with Jesus Christ in eternity. MM believes that He will take the initiative because of His position. The one whereby you will finally see Him for who He is. MM believes that God the Father looked at Jesus the Son before the Cross and said I WANT to have a family and I WANT them to all be like My Son. Our goal is to be conformed to the Image of His Son so that He might be the firstborn of many brethren-Romans 8:29. God wants this type of family to fill that up and that's what He is trying to do. God looks at His Son and says if you really knew Him the way I KNOW Him, you would love Him more than anything in the universe. And you are going to get that chance in eternity.
Commentary	Definition : JSoC (Judgment Seat of Christ)	So when you see what evil produces at the JSoC, even the smallest rebellion, which the scripture says REBELLION IS AS THE SIN OF WITCHCRAFT-1 Samuel 15:23, once you see that for what it really is, you will feel about Jesus in such a way that if you were ever presented with the opportunity to be lifted up with pride or to rebel in any way against God, you will look at that and say I will never ever betray Him, because God is not taking away your free will. But if you choose to never go back to that based on what you know about sin and how you feel about Him, that glorifies God. MM says one day in eternity the Lord Jesus is going to come into your presence and He is going to say 'I want to tell you how much you mean to Me'. When He gets through talking about the things you are going to do together and then He walks away from that, you are going to be thinking I have never known anyone like that. And if there was any kind of presentation to be disloyal to Him would come up, you would never do it. MM says he will never jab his eye out with a pen because he knows what the consequences are. Once you learn the consequences of sin, you will decide to never do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : JSoC (Judgment Seat of Christ)	MM doesn't think it is to humiliate us for all of our failures in the past. Those sins have been covered by the blood. And because you got justified. you have forgiveness of sins. MM believes the JSoC is about a couple of things: 1. Giving information to us that is vital for us in eternity. We have been given a free will and he doesn't think that changes in eternity. Doesn't see anything in the scriptures where He removes our free will so we never sin again. Not only not in the scriptures but doesn't see how this is glorifying to God if He makes it impossible to do the wrong thing because He has taken away your free will. Anytime God creates a creature, the one thing He cannot do is make it God. There's only one God that possesses all the attributes of God. He is totally righteous, totally holy - all of those attributes He has when He creates man or angels and He gives them free will. They are not intrinsically God. You run the risk of rebelling. That happened in the angelic realm and that happened on the earth with humans. When we get to the JSoC, He is going to pull the curtain back and say do you want to see the ripple effect of the sins you committed on this earth, even the ones that you didn't think affected or were harmful to anybody else, but want to see it from My POV? Because once you see it from My POV, you will never again see it the way you used to see it. This knowledge will cause you to understand what it is you are actually engaging in. MM uses the pen and jabbing your eye out illustration. GH: This is how you will look at sin after the JSoC.
Commentary	Definition : JSoC (Judgment Seat of Christ)	2. Our love for Him. MM reminds of one of the two great commandments - love the Lord God with all your heart and all your soul and all your mind and all your strength. When you really love someone, you will modify your behavior based on your love for them. And if you love the Lord the way that you are supposed to, no matter what it would do to you, you would look at that, if you were to sin against Him in eternity, what would that say about your relationship with Him and your love for Him? This is another thing. He is going to turn us loose in the creature, we're going to be free moral agents and we are not going to do those things that are displeasing to Him because we love Him that much. 3. We love each other really as fellow members of the body. All these things are meant to come together and to modify our behavior. After the JSoC, we will intelligently understand all of these from our heavenly Father's POV. MM mentions FOR IF WE WOULD JUDGE OURSELVES, WE SHOULD NOT BE JUDGED-1 Corinthians 11:31. Says when he read it, it became his favorite verse.
Commentary	Definition : JSoC (Judgment Seat of Christ)	MM says what we do with this and with every doctrine is going to show up at the JSoC. Not saying to leverage you, but to remind you. After the JSoC, we are all still individually recognizable. Some people think we are all identical clones after that. MM doesn't think this is right. At the JSoC, we get turned inside out. Not physically, but all of the work that Jesus has been doing in our inner man is not going to be how you are known and recognized forever from that time forward. This is how you are going to be known, this is how you are going to be recognized, and this is what people will see. In eternity, you will see all of the work that Jesus did in other people. That's the real you. What's in your inner man gets manifested outwardly and that's what everybody is looking at. It will be the inward man by which we are known. After the JSoC, your whole appearance by which people will recognize you and know who you are is going to be because of the work that had been done in your inner man, which is now outwardly manifested to all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : JSoC (Judgment Seat of Christ)	If you realize that, then responding to this doctrine is meant to be doing this work in our inner man and that is what we are going to be wearing in our glorified body for all eternity. MM says that makes an impact on him. At the JSoC, we are all still recognizable. At the JSoC, we get turned inside out, not physically. All of the work that Jesus has been doing in your inner man, that is how you will be known and recognized from that time forward. MM doesn't think we will be physical clones. This is how you will be known, recognized, and what people will see. See all the work that Jesus has done in you.
Commentary	Definition : Justice	**Justice: God's norms (of behavior) and standards (of conduct)**. Justice: Is getting what we deserve. - Leave this with Me. Getting what you deserve.
Commentary	Definition : Justice : Personal Retribution	Knowledge gives us 4 things - MM says pay attention to these types of principles, will use in eternity so you know what to do: 1. Knowledge gives the right and responsibility to act It authorizes us at times. It requires certain actions of us. The right to do something but may also have the responsibility to take some type of action. When people see us doing the wrong thing or messing up, people may say what do you think you are doing? Who do you think you are? If we look like we don't know what we are doing. EX Wouldn't want to hear a dentist say I think this is the right tooth. Get out of the chair. Want your dentist to have knowledge. Gives him the right to pull the tooth. 2. Knowledge gives us the right to direct action 3. Knowledge gives us the right to formulate policy and supervise it This is why you will JUDGE ANGELS-1 Corinthians 6:3 4. Knowledge gives us the right to teach
Commentary	Definition : Justice : Personal Retribution	Romans 12:19 is talking about personal retribution. Not talking about the law, the system of justice we have that is able to right wrongs. It's talking about taking that into your own hands in your own personal life and carrying a vendetta forward. Nothing happens without His knowledge. Why we have trouble obeying this: 1. Upbringing: We are not keenly aware of the fact that God the Father has actually witnessed what is going on. We are born into this world, dead in trespasses and sins. We didn't know God and didn't know God's ways. We didn't know how to be godly. As we grow up, we keep getting a lot of information and all that information is really comes from the world around us. We learn how the world thinks about this issue not God. GH: Remember God is omniscient. Our upbringing did not acquaint us with God’s ways, but the world’s; and the world’s ways teaches us to avenge ourselves. Almost none of this programming is godly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Justice : Personal Retribution	2. After we get saved/our salvation: We bring all of this upbringing into our Christian life. We live our Christian life with all this info in our head and think it is normal. After we were saved, we brought all of that human wisdom into our Christian lives and thought it was normal, we continued to live out of it. You don't remove your existing ungodly programming. We don't obey the scripture automatically because that is not how we got taught. EX Action movies taking personal retribution for the things done to them. People don't read this and say, there's things that I have been taught that are not true and now you are living your life based on those untruths and there are consequences in your life personally because you are living based on the untruth. Part of the renewing of your mind is to replace the lie with the truth and then match your conduct & behavior with the Truth. If we don't learn to do that now, GH: we won't be edified. Two very important processes go hand in hand with this. This verse needs to work in your inner man to transform you. God sees everything that happens to us and says v19. If this is working in us, we would obey it. If not working in us, we just use a version of the thing we have already used.
Commentary	Definition : Justice : Personal Retribution	3. Traumatic Experience: There is something else that sometimes happens to keep us from practicing the doctrine; when we go through some traumatic experience. If we do not have the doctrine working in us, a traumatic experience produces a worldly coping mechanism; a way to deal with what has happened. This becomes a pattern of our flesh. EX Lady gets raped and she is fearful and angry and hurt. People will say she should forgive him but no one tells you why. Not forgiving people because they don't ask for it is totally wrong. If she doesn't forgive him, the bitterness that wells up in her will destroy her. This is not to protect your offender, it is to protect YOU. Bitterness is you drinking poison and hoping it kills the other guy. EVENT->EMOTIONS->FALSE GUIDE (God doesn't love me). False guides are thoughts you hear from someone or that you have concluded on your own or thought that have been given to you by the adversary, more specifically principalities and power. Thoughts in your head that are contrary to the truth of God so that you might now base your life decision on that which is not true.
Commentary	Definition : Justice : Personal Retribution	A whole host of what the Bible TORMENTORS start happening to you - guilt, bitterness, resentment, fearful, anxious - these things are going to plague you. There's no way to undo that on your own until finally these will drive a person to become unstable. These are happening in your soul. Can't discern your thought and the thoughts that principalities and powers/Rulers of the Darkness of this world are orchestrating and take full advantage of our coping mechanism. Want to get you thinking in the wrong way and get you living out of that. Coping with things based on untruths. If we think God is not concerned or not aware, we will never obey this. If we don't understand why He is telling you not to avenge yourself, you won't understand you are opening the door for the adversary to establish a beachhead in your soul and get you living out of a lie that you come to a conclusion out of. This is protecting us from having a false guide being established in our thinking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Justice : Personal Retribution	4. Our part is to not allow our anger to be the motivation for our response, because if it is, we will never do what this verse tells us to do. We replace Satan's untruth with the Truth of the word of God. Our part are to not be motivated by our anger but to be motivated by godliness. Point: Everybody talks about this stuff but they don't explain why. We think they are going to get away with it and God says vengeance is His. If a believer, their day of reckoning will be at the JSoC. If not saved, their day of reckoning is the great white throne judgment. 5. God's part is to "repay" for the offense committed to us. Because of His qualities as God, He knows everything; nothing escapes His attention, and He will deal with it. God will not let this slide. He cannot because He is by His very nature a God of justice. He cannot be unjust for one moment. And this is why He can't take our sins and sweep them under the run and go I FORGIVE you. That wrath gets poured out on somebody. His justice gets poured out on Him so He can offer us mercy. But God is not just letting stuff go. He is telling you very clearly, don't take this into your own hands.
Commentary	Definition : Justice : Personal Retribution	Process: Truth (I was wronged)->Thought (I need to do something)->Untruth (otherwise they will get away with it) -- this process denies 3 truths about God. Personal vengeance denies three truthful things about God: 1) God is totally just. He is a God of justice. Do you know what it means for God to be just? He cannot be unjust, not even for a moment. Because of who He is, it is impossible for God to be unjust. If He were unjust just once, He wouldn't be God. 2) He is aware of everything. This is His omniscience. There is nothing that escapes Him. His memory is perfect; He is not going to forget. He knows everything and everything that is possible. Nothing escapes Him. He has always known everything that He is known. He knew about it before it ever happened. Also, God doesn't forget. MM says there is evidence to think Satan thinks God's wrath has cooled and it won't be as bad at the end of the DOGG. GH: He is incorrect. God not only knows everything, He memory is perfect. At the JSoC, we won't have to remind God of wrongs against us. Downside - He doesn't need to be reminded of that we did either.
Commentary	Definition : Justice : Personal Retribution	3) He will deal with every injustice. What the verse says. He says that vengeance is His and He will repay. He has the power and authority to do that. If you think someone will get away with some wrong which they have committed, then think about these three truths and let them renew your thinking. This is what it means to live out of the doctrine. It means we are going to trust God's word rather than our emotions. This is how we deal with the wrongs committed against us. We have to BELIEVE the doctrine before we can OBEY the doctrine; we have to believe that vengeance is the Lord's and He will repay. We have to believe that God knows about the injustice. We have to believe He will keep His word about dealing with it. If we don't, we will likely not obey the doctrine. But if we do trust that God knows and He will deal with it, then we can rest in the verse, we can leave it with the Lord. Our emotions are primarily a product of our thought life. If what we believe does not reflect truth, then what you feel does not reflect reality. This is where Sonship prayer comes in. When you find that someone has done something to you that makes you angry, then that is a signal to take this issue to the Lord and talk to your Father about verses like Romans 12:17. When you get the reality of these 3 truths, you can rest in this verse. This is what it means to live out of the doctrine. Nobody will get away with anything. The more time you spend with the process, the easier it is. If you trust in these truths, you will trust in the divine attributes to do this. GH: If you tit for tat, you are both holding each other hostage.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Justification : Justification in the DOGG	When a person trusts Christ as their Savior, the first thing that happens is that the Spirit of God takes up residence in their human spirit(Romans 5:5). This is because the first act of the Spirit is to baptize that person into the body of Christ(Romans 6:3). And in Christ, they get everything they need (the mercies of God) to possess eternal life/live forever, and to live for God in their everyday life. All the things they need to live for God. So He needs to get it, He puts us into Christ, we get a new identity, we get the MERCIES OF GOD-Romans 12:1, we get all these things, and all those happen in our immaterial soul and when they do, there is no outward evidence of any of it. You look just the same the moment before you get saved as you do the moment after. Things like, our new identify in Christ (it's a huge thing), forgiveness of sins, imputed righteousness, the spiritual circumcision; all of these things happen to us in Christ and we can't "feel" when it happens . We have to be told about them before we can know about it and then live out of them. As we learn about each thing which was done in us, and for us, the Spirit of God bears witness with our spirit(Romans 8:16), further evidencing (making evident, convincing) us that we are God's children. Once we have been saved, we all have the Spirit of God residing in us. We have all of Him. The question is - how much does the Spirit have of you?
Commentary	Definition : Kingdom / GH: GPPI verse	**MM says the kingdom is the main theme of the Bible. The kingdom represents the purpose for the creation of the earth in the first place and it is the kingdom that is in view at the end of your Bible. It is this understanding that gives cohesion and flow to everything you have in your Bible. This is not a book of unconnected stories.**

Commentary	Definition : Law	Law: Is a performance contract. If you do good, you get good stuff. If you do bad, you get the bad stuff. What people mistakenly think they are living under today. - When good stuff happens, it's because God is happy with me. - If bad stuff happens, it's because God is mad at me. LAW: Designed to: 1. give sin dominion 2. Remind Israel they couldn't do it on their own 3. Show them how bad they were 4. Put them under the dominion of sin 5. Gave law under the motivation of fear (Exodus 20:19-20)
Commentary	Definition : Like/Likeness	LIKE/LIKENESS: Identical/Exact match; no perceivable difference between the 2 things.
Commentary	Definition : Live out of the truth	It means that our conduct and behavior is consistent with a truth which God has accomplished, given to us, and informed us about in His word. It means that once we understand a particular truth, it dictates our behavior, it guides what we will now do.

Commentary — Definition : Mercies of God

Abomination Status — Sanctification Status

ABOMINATION: Characterization of how you lived

- Servants of Sin
- Free from Righteousness
- Course of this World

Alienation Status

- Uncircumcision
- Satan's Possession
- Aided the Adversary

Didn't realize; everything we did was a product of our flesh

- Dead to Sin (only reason sin would have a hold on you now is you let it; God has severed that)
- Alive unto God (can now produce a righteousness that God Himself produces)
- Sons of God (following something different)

Exaltation Status (found in the advanced epistles)

- One New Man (the collective body that's going to up there in the heavenly places)
- Citizen of Christ's Kingdom
- Heavenly Vocation

Commentary — Definition : Mercies of God

MERCIES OF GOD - CATEGORY #2 - Non-identity Mercies: Not out of your identity IN Christ but still got them

- Our liberty in Christ
  - o Freedom from fear motivation - thankful that I don't have to serve You because I am fearful what You will do to me

Freedom from the bondage of the law - now serving Him out of grace

Freedom from serving out of fear - if you were in bondage to the law you did serve out of fear because if you didn't do the right thing, consequences happened

- o Freedom from the rudiments of the world (Colossians 2:8, 20; Galatians 4:3) - if you are under the rudiaments of the world, you are acting like a child, not like an adult son

Freedom from a strictly regulated "religious" lifestyle - in which you observe days, months, times and years, and you use rituals, ceremonies and observances (such as water baptism, physical circumcision, holidays (holy-days), Sabbaths, dietary regulations and so forth) - Israel was under this

- o Freedom from governorship and limited decision-making - if you don't have liberty IN Christ, you are being told what to do like a child. A child doesn't have enough sense to know on their own. May think they do.

Freedom from tutors and governors (Galatians 4:2) - T&G hired by the father and they told the child what to do

As a son you get to make decisions on your own; decisions that are made in light of your Heavenly Father instructing you out from the pages of His word and not from the opinion of men or any other competing system of wisdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Miracles	Demonstrate the coming of the kingdom. Evangelizing the unsaved. Also times, the Lord is performing miracles that are not for unsaved Israel. Said see thou tell no man. Does these with a particular audience in view. Because John is exemplifying His deity, He is showing THE WORLD TO COME. Seven special miracles that are manifesting His glory. Some in the other gospels but no other gospel has them all. - Normal miracles - evangelizing. - Special miracles - manifesting His glory. Maybe a limited audience that sees them. Why 7 miracles? Are all in accordance with the 7 Jehovah (LORD - can be the Father or can be the Son) compound names. These miracles represent the 7 names. Each connects with one of the 7 major feast days.
Commentary	Definition : Mystery of Godliness	**The mystery of godliness - God in the man doing what the man alone cannot do; take an unredeemed body and manifest Jesus Christ through it.** MYSTERY OF GODLINESS: Has components to it. It is something that God wants put on display that before the dispensation of grace, it was impossible to do for anyone. The mystery of godliness has an aspect to it that says even though we are living in unredeemed bodies with sin dwelling in its members, we still have the ability to produce real righteousness that a perfect God looks at and say yes, that matches Mine. The reason is because when the Spirit of God DWELLS IN YOU, He is dwelling in you for the purpose of having Christ live His Life through you. That's why that is so pleasing to God because it's actually His righteousnes being produced through you. The mystery of godliness isn't just about 'functional life', it is also about 'enduring suffering'. Being able to go through the things that you will go through in your life comes under the umbrella of the mystery of godliness. God manifest in the flesh - not talking about Jesus. Man was never meant to be a complete man without God in the man. Not just do the best you can. About you being conformed to the image of God's Son, about Christ being formed IN you.
Commentary	Definition : Neighbor	Our neighbor is whomever we are around and have some degree of interaction with and some level of acquaintance: - People who live next door - Your kid's school teacher - Co-workers if you eat lunch or interact pertaining to business - Employee at a store you frequent - Barber/Hair Stylist - Mailman if you know them

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Neighbor	Note you probably don't owe these people money so you can see Paul is not talking about money. (OWE NO MAN ANYTHING-Romans 13:8). Neighbor is a level of acquaintance below the more intimate friendships & relationships we hold in life. - It's not family. - It's not members of our assembly. - It's not the people you pass in the isles of Walmart. - If you recognize but don't have any interaction, probably not your neighbor. By defining more scripturally who my neighbor is, MM now finds that he can successfully live out of the doctrine and accomplish my Father’s purposes. He used to think it included everyone he saw.
Commentary	Definition : Neighbor	NEIGHBOR: Four Levels of Friendship/evolving friendships - Neighbor somewhere between acquaintance and casual friendship.: 1. Acquaintance: occasional contact; try and remember their name if you meet them again to develop this level of friendship into something more - General questions that will provide “public” information: “Where do you work?” or “Where do you go to school?” Your questions will demonstrate your acceptance and sincere interest in them. - Be a good listener as your new acquaintance responds to your questions. 2. Casual Friendship: usually develops over common activities and interests (Cowboys), no necessarily spiritual issues; there is a oneness of soul (mind, will, and emotions) - As you discover common interests, activities, and concerns, you may be given freedom to ask more personal questions. For example, you could ask questions about his goals, wishes, or opinions. - Discover your friend’s strengths and praise him for positive character traits that you observe. Be honest about yourself and acknowledge your own weaknesses when appropriate. Be a trustworthy friend. Learn about his hopes and goals in life; show interest and sincere concern if he shares problems with you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Neighbor	3. Close Friendship: area of fellowship (Romans 14) - reflects oneness in spirit - true fellowship Biblically are people with the same life goals - True fellowship requires that both persons share the same life goals. - Picture true achievement for one another, exhorting and edifying one another. - Discuss specific goals in your lives; identify potential hindrances to achieving those goals; creatively design projects to help you reach your goals. - Your fellowship should include investments in projects that will equip you to achieve your life goals. 4. Intimate Friendship: deepest level; you are really committed yourself to what is in their best interest, not just about a great friendship; look to give and not just get Based on a commitment to generously invest in one another's lives with the goal of helping each other mature in Godly character. MM is not saying lost people can't have intimate friendships but not in the fullness that the Bible talks about Correct one another and point out each other's blind spots. Sharpen conversational skills - ask good questions. Not a quesy feeling but nothing will knit you together like this.
Commentary	Definition : Neighbor	General Questions to Ask an Acquaintance - Family Where does your family live? Have you lived in many different places? How many brothers and sisters do you have? In the birth order of your family, where do you fit in (first-born, second-born, etc.)? Do you know the meaning of your name? What does your father do for a living? Commentary	Definition : Neighbor	- Faith What do you think God's purpose was in making you? What were the events that led up to your becoming a Christian? (His answer may reveal the need to explain salvation to him.) God gives each Christian a spiritual gift. Do you know what yours is? Have you ever dedicated your life to God? What do you see as the greatest difficulty in living the Christian life? What has been the most difficult experience that you have had in your life so far? Listen attentively to each response. Pray for your friends as the Lord makes you aware of needs in their lives.
Commentary	Definition : Neighbor	In Scripture, numbers can have more significance than just their numerical value. EX a common way of understanding numbers is as follows: 1=Unity, 2=Witness, 3=Trinity, 4=the world, 5=some say death, some say grace; EX the Tabernacle contained five curtains, five pillars, five sockets, five bars, and the altar was five cubits by five cubits, etc. That 5x5 altar required a death but, at the same time, was a means of dispensing grace, 6=man, 7=completion or perfection, 8=new beginning, 10=Gentiles, 12=Israel, or governmental perfection, 13=rebellion, 14=deliverance. GH: Don't tie these to chapter and verse numbers. MM says you can't get your doctrine out of a number. While it is true that God did sometimes use numbers to convey a deeper meaning than just the number itself (using numbers as symbols), as we study, we cannot over-emphasize the meaning of numbers or rely on them too much for our interpretation of Scripture. Exaggerating the significance of numbers has led to bad theology and even occultic ideas being brought into theology. We cannot use chapter and verse markings as part of Bible Numerics because those were not inspired of God.
Commentary	Definition : Numbers	Decide to Seek God Concerning Friendship: 1. Choose your friends carefully, based on their desire for God's best, your ability to fellowship together in the Lord and in His word. True friends exhort, edify and encourage one another. 2. Purpose to verbally identify with Christ whenever you are asked to compromise. Learn to "stand alone" against evil. With a loving and meek spirit, be quick to explain, "I have given my life to the Lord Jesus Christ, and I am not able to do that." 3. Realize that those who reject Christ should reject you. You can have casual friendships with non-believers, but you should be careful about intimate friendships with non-believers, as you do not share the same goals. 4. The ultimate purpose for friendships with nonbelievers is to give them the gospel and see them come to faith in Christ.
Commentary	Definition : Obedience	MM says you have two kinds of obedience. 1. Passive obedience: When He allowed the sins of the world to be placed on Him. He didn't do anything, He just allowed it. 2. Active obedience: Going to the Cross.
Commentary	Definition : Obey	Doing what you are told to do when you are told to do it with the right heart attitude.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices	Offices: Are opportunities to labor with God in the accomplishment of His Operations. Two broad operations that God has us involved in/two categories of offices: 1. Edification needs, which concern the communications of God's word to the edification of the saints - Bishop/Pastor or Deacon: Every church is familar with. Everyone understands those offices. May not understand exactly what these offices do Biblically in the DOGG, but they recognize the offices. 2. Practical needs, which are necessary to the continuance, supply, support, and maintenance (sustenance) of the local assembly - Instead of God supernaturally putting you in one of those offices like He did with the gifts in 1 Corinthians 14, instead you are going to choose which office you are going to operate in. Means by which the operations of God get accomplished and that has meaning to us. Have a minimum number of offices for the local assembly. Every operation is fulfilling a divine purpose. STORY: Car has an electrical system, fuel system, exhaust system, chassis, wheels, engine, transmission, battery/power source. Missing any one thing, you are not going anywhere. Put all the parts together and you can do something with that vehicle that you couldn't come close to doing if you had most of the parts. Bible does not use the illustration of an automobile, it uses the illustration of a body. You are the body of Christ. Only when every part of the body is assembled, Paul says that it is fitly joined together, can the Body do what it was intended to do.
Commentary	Definition : Offices : Choosing	Every member of the local assembly is going to choose their office. If the church operates according to what it is supposed to do (MM confesses he has never seen it in his life except in the scripture-why he said a month ago he is not qualified to be your Pastor-just now learning what we are supposed to be doing, finally sees it-stuck with him till someone comes along that knows more than he does), that can only be done when we meet together, no matter when it is. It's something more than the sum of its parts. There is a misuse of offices just like there were with the gifts. The offices we choose to function in are carried out without abusing our authority to perform them. We are to be as those who possess godly selfless love for the other members of the assembly. Take a look at all of these offices. Determine what office I am going to function out of. Standing at the edge of an exciting part of the process. Many doing things that would constitute you functioning in an office but not thinking that way. Change the motivation. Replace the fleshly motivation with the godly motivation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Thinking	The importance of viewing things as doing as offices and not just some random thing we are doing. A local body of believers is made of many members operating out of various offices because those offices are the means by which God's operations are carried out. When you think about an office, then - think about being created to carry out an operation God wants accomplished. Because that is how your Heavenly Father sees it. - think in that way reminds us of the body attributes which should guide the discharge of the office. They are the means by which our Father's Operations are carried out. - think about every job as an office sets our motives to be godly. **Godly thinking about every office:** **- This is my measure of faith.** **- The is how I serve the Lord.** **- This is how God's Operations get done.**
Commentary	Definition : Offices : Thinking	**As we perform our offices, we must continually evaluate:** **- Why are we doing what we are doing? Remember to do it for the godly reasons. Remind yourself you are doing things for the godly reasons or motivations above.** **- Are we doing it with godly charity? Think of how we value and esteem other members (loving our fellow members) - Prefer others above yourself, esteeming others** **- Are we doing it selflessly?** **- Are we giving with simplicity?** **- Are we ruling with diligence?** **- Are we doing the office of mercy with cheerfulness?** View ordinary jobs as an office because that is how the Father sees it. - Don't think of it as stuff you are doing. Think of it as either giving the gospel and edify the saints. - Make sure your motivation is in line with the doctrine.
Commentary	Definition : Offices : Thinking	Thinking of it that way reminds us of the body attributes which should guide the discharge of the office. They are the means by which our Father's operations are carried out. Thinking about every job as an office sets our motives to be godly (as opposed to the natural human reasons for doing things). These are offices we need to participate in and not see them as random. Think about them as offices that we labor with our Father. Not just something I do, but I see it that way. God has particular operations that He wants to accomplish. If they fail to get done, there's no Plan B. It's HIS operations. You realize the importance being done.
Commentary	Definition : Offices : Edification	Edification Offices: God wants us to be educated/taught/edified unto godlinesss - office of bishops and deacons. Edification Offices: - Bishop (Pastor) - Deacon

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Edification Type : Bishop	Bishop/Pastor: - Understand what they need to hear or understand so he can teach that. Anticpate the educational needs. - Educate the saints. - Exhortation - Help people respond to the doctrine - Wait on his exhorting.
Commentary	Definition : Offices : Edification Type : Deacon	The operation of ministering is the primary function of a deacon in the local assembly. Deacon looks at a local assembly and the edifcation taking place and constantly looking out for their edification. - Meet spiritual and educational needs. - Wait on their ministering. - Looking out for the spiritual good of the congregation for the benefit of the assembly.
Commentary	Definition : Offices : Practical or Material	Every practical need of any local assembly can be met but some office that can be found in one of these 3 operations. As these practical offices are **undertaken and discharged properly with godly selflessness (charity) in mind**, we will begin to discern other 'not so obvious' needs and work to meet them without being told. We are not given a list of practical needs because not every assembly has the same practical needs. Some needs every assembly has in common, but other needs vary from assembly to assembly and even within the same assembly. We are meant to learn by applying our Sonship skills to other situations. 3 Categories of Practical Offices by which the needs of the local assembly are met. Take place so that edification can be facilitated/the practical needs of the assembly can be met. Can occupy on a continual basis; principle of immediacy that needs to come into play from time to time. **View these offices are opportunities to:** **1. Make the whole body successful in accomplishing our Father's operations** **2. Labor with our Father** **3. Practice the Sonship skills we will use in the heavenly places**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical or Material	Attitude is important in the discharge of every office. Filling this offices is guided by the doctrine. Go out of godly selfless love for other members that we V&E like our Father does. Don't do for the WRONG motive - recognition, gain, reluctantly. Engage in the offices: - Practice doing everything out of the doctrine. Have it in your mind. Do it on purpose. - Train your mind to think about/ remember the doctrine. Have your Father's Business in your thoughts all the time. - Make wise Sonship decisions based on the doctrine working in you and knowing everytime you do this, you are engaging in a process that is transforming you. - Every time you think of the doctrine and let it be the reason for your actions -> Renewing your mind -> Christ is being formed in you (what you will need when you get to the heavenly places) -> getting your Father's wisdom installed in us. - 'Taking out the trash' is not a named operation of God whereby we are laboring with Him, it can still be done for godly reasons and should be. - Giving as an expression of how we value and esteem others which is NOT directly connected to the accomplishments of God's operations is considered to be part of our GODLY LIVING.
Commentary	Definition : Offices : Practical or Material	Giving as an expression of how we value and esteem others which is directly connected to the accomplishments of God's operations is considered to be part of our GODLY LABOR. Don't get too caught up in what is godly living and what is godly labor. We should be engaged in both of them. One is not more godly than the other nore carry a greater weight of reward. Labor are things God means to have done in His DOGG. Non-optional, critical to God's Will today in this DOGG. Not given a list of practical needs because not every assembly has the same practical needs. Some vary from assembly to assembly. Going through the practical offices. Necessary for the operations of the local church to be carried out. Important for a local assembly to function as a body. The church can only beome what God created local churches to be will only be accomplished as we learn to function as a body. It's not about: who our members are having a particular kind of member how many members we have

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical or Material	members who are: - young (with energy) - old (with wisdom) - rich (with much resources) - poor (without the enablements/accruements of the world) - smart (highly educated professors) - plain (folks with common sense) or any of those kinds of things Not missing something which keep us from being what God created us to be. All the ingredients are here. Will take all of us - can't succeed without each other. If one of us drags their feet, it effects the whole group. Don't think 'the group would be better off without me'. Paul's doctrine does NOT tell you to think that way; the adversary loves to hear that. Who are you serving? Throwing in the towel is not godly thinking. Practical Offices: So that the assembly exists and functions properly. Need a place to meet, electricity, heat & A/C, chairs/tables. Make the education easier to accomplish. Means there are offices come under the category of giving, ruling, and mercy.
Commentary	Definition : Offices : Practical or Material	OFFICE / GOD'S OPERATION / PURPOSE Giving / Sustain the local church / Work of the ministry (two parts) Ruling / Provide order/structure to local assembly / Edification Mercy / Comfort/Relieve fellow members who are suffering / Their Edification continues Minimum number of offices needed for a local assembly to function as a body. He has given us liberty to choose the office.
Commentary	Definition : Offices : Practical : Giving	**1. The hands of the body - office of giving** **GOAL: The continuance, supply, support, and maintenance (sustenance) of the local assembly**. Giving Romans 12:8: Meets some kind of physical or material need. Fill one of the offices that God established for the continuance and maintenance of the local assembly. Every office under the 'giving' umbrella is geared to the very existence of this assembly. Joy of giving comes from knowing we are laboring with our Father in His Business and fulfilling His will. Bring us joy in realizing that we are being conformed to the image of His Son. Exciting that this part of our training for our vocation in the heavenly places. Giving to an opportunity we did not foresee, that giving is part of our 'godly living'. Give on purpose to accomplish our Father's Operations in some areas is part of our 'godly labor'. Joy comes from knowing we are laboring with our Father in His Business, fufilling His Will and furthering His Work in this world. Happy by-product of selfless giving: We are being transformed and trained for the heavenly places. Giving motives example: Electricity bill - Ability to read the word - Provide active involvement with this assembly for remote viewers - Assist reviewing/studying materials

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	- Assist people discovering Sonship/MBI GIVING NUTSHELL: Our giving is a result of godly, selfless love and it is done without any strings attached. Give selfess, with simplicity, with godly charity, be willing and cheerful, comes from the doctrine. Like your Heavenly Father's offer of salvation. Give money, time, talent, possessions, experience, expertise, assistance all of these meet a practical need of the assembly. When you give, have your service to the Lord in mind (serving Him by serving His body). When you give, do so for the good of the other members and the body as a whole because you V&E them and they are necessary/needed parts of a body which God wants to use to accomplish His operations. Understand that the other guy is not just part of a day(?), but that He is part of the Lord's body! And the Lord loves every single part of His body, just we do for members of our physical body. Give with SIMPLICITY - no strings attached, without conditions or exceptions. If not done with simplicity, then it is not genuine labor. Give for the right reason - selfless godly love and charity -> transforms us so that we give without desire for recognition and without getting anything in return, or credit/benefit. Perform your giving with godly charity (by thinking how much you [and your Father] V&E the other members of the assembly. CHARITY: Means that we V&E the other members of our assembly like our Father does. Must develop godly love for the church because of what God made it to be (His purposes for it) as the pillar and ground of the truth and godly love for its members because of whot they are as part of His body (and members one another with us) who also have been dealt the measure of faith.
Commentary	Definition : Offices : Practical : Giving	Attitude of Giving - Reflection of the love for God - Reflection of the condition of our heart - Indicator of our desire to labor with our Father - Indication of the other members of the assembly we are a part - ??? - Degree doctrine working in us - Own edification progress - Attitude of the rest of the church about you. - Attitude of Giving: Give: 1. for the right reasons 2. with charity 3. with the right attitude (NOT grudgingly or of necessity - 2 Corinthians 9:7)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	- The Joy of Giving: Knowing that we are laboring with our Father in His Business and accomplishing His Will in the world. Realizing in doing so, we are being transformed (Romans 12:2). Valuable part of our training for the heavenly places. - Other benefits of giving: Every time we give for godly reasons, we are continuing the process of making us into godly people who are being conformed into the image of God's Son - these Sonship decisions are how that transformation takes place. The more we discharge our offices for godly reasons, the more we are being changed from the inside out (2 Corinthians 3:18). When we give for the right reasons, it is training us to labor with our Father in the heavenly places. We can increase our confidence that God's word will accomplish in us that that which it was designed to accomplish. - When we see an opportunity to serve the Lord (by serving His body) we are motivated to give out of selfless love that makes evident how much as V&E the other members of this body. Giving notes: - Cover godly motives for giving - Different ways to give - The practical gift of giving is performed 'out of the doctrine' - understand we are laboring with God in something He is doing today in this DOGG. - Giving Purpose: Give with a godly purpose - so that our Father's will, as it pertains to local churches, can be accomplished.
Commentary	Definition : Offices : Practical : Giving	Not churches for the sake of churches - wants assembly that: - practices right division - knows about grace - understands the mystery - doing the work of the ministry - View giving as laboring with Him to make that a reality - We should give because * we want the same thing your Father wants. Because you want to participate in God's operation on the local assembly. * what you read in Romans 12:8 * love God for adopting and educating you as sons and daughters * you V&E the other members of the assembly

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	* you understand what your Father's Will is and want to see it accomplished so that the saints will be edified inthe context of the body that is fitly joined together. Bottom line: All reasons point to the same thing: the Operation - Give because you know this is something God is doing today. A lot of people give for good reasons, we give because: - we are accomplishing our Father's operation in the world. - to see His Will accomplished The WHY is a BIG deal. It is the key to be conformed to the image of God's Son. When giving as Romans 12:8: - working to make us godly people - laboring with our Father in a genuine operation He wants to see accomplished - conforming us to the image of God's Son This is how it happend. A dozen little ways add up to comprise our edification. Different ways to give. Other ways to employ the doctrine or Sonship skill, in not-so-obvious ways and work to meet them without being told specifically about it. This is a natural byproduct of the proper discharge of the offices.
Commentary	Definition : Offices : Practical : Giving	The Office of Giving: MM wants to continue to emphasize the focus on godly motives behind all of our giving. In the godly labor section, we will hear something about the operation that God wants to accomplish. The first and most obvious of the operations that God intends to accomplish through those that give is the ability for this assembly, this local church, to maintain itself in all of its various operations. Building is paid for but we have utilities - gas for heat in the winter and electricity year round and a water bill. Have MMs salary and then once a year make an insurance payment. Only other thing is repairs like an A/C unit went out. MM says he is uncomfortable talking about giving. He has taught 100s and 100s of lessons in a row without talking about it. There is this mindset though with people that anytime a Pastor gets up and talks about giving, they think that is all Preachers talk about - money. But it is God's intention for the local assembly to exist in the DOGG. Everywhere Paul went he established local churches and in those churches, God expected the work of the ministry to be carried out. He did not create anything else to do that. Just like everything we do today, it just takes money to do it. As the practical gift of giving is performed, we need to do that out of the doctrine no matter what way we are giving. We understand we are laboring with God and we are accomplishing something that He wants done. It's His intention for the local church to be THE PILLAR AND GROUND OF THE TRUTH-1 Timothy 3:15. In order for that to happen, the local church has to exist in a way that is visivle and impactful to the community of which it's a part.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	Sonship Reasons for Giving: - Because you LOVE GOD (for adopting and offering the education). MM says he could have listed a bunch of things but just chose a couple. God has put you in a relationship with Him that is way beyond just being a disciple, you're a son or daughter. MM says that's incredible. Another reason if offering us this education where His Wisdom gets installed in us. Doesn't just make us really smart it makes us godly. - Because you LOVE THE SAINTS in this local assembly (V&E, want them to be edified because you understand you are a fellow member of the same body). You realize you are MEMBERS ONE OF ANOTHER in the same body. - Because you WANT TO SEE GOD'S OPERATIONS ACCOMPLISHED (sustain/maintain the local church). He has ordained the local church to carry out the ministry and if there is no local church then there is no work of the ministry. If what God wants to accomplish is important to us then that's a godly reason for giving. - In response to THE MEASURE OF FAITH-Romans 12:3 (laboring with God). What you ought to be thinking in your mind after v3 is that you are going to be laboring with Him in some way. This gives you an opportunity to really get involved in His Business. MM showing how this ties this whole FORM OF DOCTRINE-Romans 6:17 together.
Commentary	Definition : Offices : Practical : Giving	- To ACCOMPLISH GOD'S WILL (the work of the ministry) It is His Will for this church to do the work of the ministry. If we are not going to do the work of the ministry, we need to stop calling ourselves a church and start calling ourselves a Bible study. Edification should be the main thing that goes on inside these walls. The other half of the work of the ministry is the evangelism part. - Because of Romans 12:8 (a godly reason to give) Find something in the scripture that tells you what to do and now you're going to do it because that's the instruction you have from your heavenly Father. - Others: To make all men see what is the fellowship of the mystery - it's part of the work that the church is supposed to be doing as it carries out the work of the ministry To impact principalities and powers in heavenly places - Satan's realm can be discouraged and the glory of our Father and the Power of His grace can be put on display to them. MM says and it should because you are giving evidience of who is THE ONLY WISE GOD-1 Timothy 1:17. MM says Satan fools himself sometimes on this and we have the opportunity to make him think differently. To put THE EXCELLENCY OF THE POWER-2 Corinthians 4:7 on display. The greatest power that God possesses is the power of His grace and we certainly have the ability to make that manifest. To impact the community by being THE PILLAR AND GROUND OF TRUTH-1 Timothy 3:15. Something we become not something we go do. The local church is the practice field for those things we will be doing when we get into the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	MM says this list may look like a bunch of different reasons but really all of these things are connected. Everyone of these motives are inner man motives. There's no outward physical thing. MM brings this up because that's going to make a vital different about other things that we do and why we do them. The normal things that saved people do all the time but they don't think about it for godly reasons, they just think about it for physical reasons. When you give, no matter what form it is, purpose to do this because God is doing something today. Get to the place where these are the default reasons for why you do everything. The WHY behind what we are doing is always a big deal and the key to that is being conformed to the image of God's Son. When we financially support a local church, it is because of something written in Romans 12:8. MM says think about all the thing that come under this banner of giving - people do it in all kinds of ways. Sometimes people don't have an expertise but they go out and get it and bring it into the local church for it to be a benefit. The WHY behind all the ways you can give is the important part. Everytime you give, whether it's a big thing or a very small thing, God wants all of them done for godly reasons. Everytime you do, if you remember the godly reason, you're going to be conformed to the image of His Son-you are furthering this process. But only when it is done for the godly reasons. Not talking about memorizing this list, talking about really stopping and thinking about these. Charity is not just nice thoughts, it's those nice thoughts being manifested by our Christ-like actions toward them. You can give for a lifetime for other reasons but that will not produce the life of Jesus in you. That's how important the motive is. There are some things like giving and once we learn how to operate out of it and we do it for the godly reasons, then we are going to be able to look around and discern other ways to operate out of the OFFICE of giving that were not talked about to us at all in the Bible. This is because the needs of one church is different from the needs of another church.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Giving	Secondly, some needs don't go on forever, they are just temporary. So the church just needs to function out of that thing for a period of time. So there's no list for us to be involved in. The doctrine allows you to look around at your fellow members and at this local church and say to yourself, wow, I see another way to put this office into work. STORY: Pipe bursting at the church and not fixing it with the godly reasons/thinking - won't have water till it's fixed. Not an bad or evil motive to want water, it's just even lost people who have an office building have the same reason for fixing their pipes. To exercise godly charity, MM says take it further. We fix the pipes to turn the water back on so we can use the rest rooms and not have to drive down to the Texaco at the break. MM says if people come here and you don't have water, do you know how many times they'll come back? Water is convenient and sanitation and you want all of that but take it further - because of people are distracted about having to go to the bathroom, how much edification is going on? STORY: Youth camp focused on the food and the bathroom because GH: if those two aren't on point, the kid's mind is on other things when you are telling them about Jesus. Don't have electricity in Texas? How many days a year can you still in the classroom? And you can't put this message out on Zoom. Have to think beyond we want workable bathrooms (the way the world looks at it). Think about the whole reason we are here in the first place, not just to have workable bathrooms. The reason we are here is so edification can go on. Now you are back to the godly reason. If you love the folks that are here, you take the thinking beyond the natural human reasoning. It's not rocket science, it's just taking it beyong the normal physical things that we see to now spiritual issues which is the whole reason we are doing this to begin with. All of these reasons should be in our thinking but we should be choosing our OFFICES based on why God wanted to establish the local church and why OFFICES are a part of that in the first place.
