Commentary	Definition : Offices : Practical : Giving	Examples of godly giving motives (electric bill) - Electricity for lights: WHY: * (not just convenience) but to provide the ability to read the word; (we V&E the education of the local body) - so we can be edified in the end. MM says you can stay home and read the word but when we gather together here and go through the edification process, that is what we are really after. * Electricity to broadcast the sessions live (remote viewers). If we don't have electricity, nobody is following us on Zoom. * Provide active involvement with this assembly (V&E our remote members and their education) - we want them to be educated and edified unto godliness. We love them enough that they can actually benefit the way folks that are sitting here physically. * Electricity to record the sessions live WHY: To assist for review purposes (V&E present viewers) - to assist those listening to this but need to review the material. WHY: To assist those who discover (V&E future viewers) - for people that are going to come along behind us. We are not going to reteach this live. Why we are archiving and recording this. Wanting electricity is beyond we want to be cool and want to have lights. It goes beyond that. It goes to our own edification, to be able to entertain folks on Zoom, to be able to have an archived recording for future viewers. An example of how to pay the electric bill with godly charity is that anytime you give you are doing it with the understanding that you're doing all of these things. This is how you demonstrate your love for Him because you care about the things that He cares about. This is how you give with charity and this is what MM is trying to get us to understand.
Commentary	Definition : Offices : Practical : Ruling	**2. The eyes of the body - office of ruling** Ruling Romans 12:8 RULING: Paul's definition - an office whereby a member of the church is overseeing a particular job which needs to be accomplished for the good/benefit of some other member(s), the assembly as a whole, or members of the body of Christ in general. May include managing others as they assist in the accomplishment of this job. Keeps things organized, so to speak, so people don't fall over each other with everyone trying to do the same job. Some offices need as many as possible, others would be confusing by everyone's participation. EX Linda Branham: church books, collects monies, makes deposits, produces a report of our finances. Don't want everyone trying to set up a spreadsheet. Would just be confusion. No one edified by bookkeeping but it's a necessary job that requires some structure. Most important character ingredient of this job - diligence. Can't forget why she is doing it: - to assist the smooth running of the church so it can carry out its main job of edification - because she V&Es this assembly & remote members of this assembly Do with charity - without charity her 'ruling' is not godly. - Ruling ministers to the Lord by accomplishing one of His Operations. - Take notice of something that is lacking orderliness and make sure it is done in an orderly manner.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Ruling	RULING EXAMPLE: Shereveport church - about 1,500 with school. Parking lots on all sides not visible from each other. Had a man who was in charge of Parking Lot patrol. - Security - watching empty cars - Directing traffic - Directing visitors to nursery, Sunday school class - Welcoming committee - smile and friendly voice - Carrying things for people - New people - PR people for the church, being friendly, getting them at ease, showing them around - Need to patrol - just need one car broke in - Don't want the same guys in the parking lot - rotate out every 8-10 weeks - Didn't see it as the office of ruling at the time. Didn't see it like our Heavenly Father sees it - a place for edification to take place. - Provide peace of mind so no one is distracted from why they are there
Commentary	Definition : Offices : Practical : Ruling	- Manage parking security but those who were assisting his office by offices of their own. - Possible problems: unwatched areas not enough volunteers no replacements for the sick groups congregating for fellowship leave areas uncovered same men would wind up moving services every Sunday without adequte staffing POINT: Someone needs to rule. They are where the 'buck stops'. They are the one responsible. Everyone should desire they succeed because the whole body benefits when the Father's Operations are accomplished. Unlike the world, not about getting to be boss/have power. It's about members of the body cooperating in many different way to accomplish some Operation of the Father. Can do more than one. Should be thrilled to help someone else perform their office as we are to succeed in our own.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Ruling	Ruling: When we take on some office of ruling, we will discharge that office with diligence because God has given us liberty to choose the 'special assignments' which will allow for His Operation of orderliness to be accomplished in the local assembly to the ultimate goal of the edification of the entire body and our desire to labor with our Father in His Business to His glory. The counterpart of ruling with diligence is to rule with slothfulness. The operations of God being accomplished by the offices under ruling are for providing orderliness in the assembly/local church. The way to pick the office of ruling is to take notice of something that is lacking orderliness and make sure it is done in an orderly manner. The directive to carry out ruling is to do it with diligence. Ruling offices bring order, arrangement, organization, and structure to the church. They provide the necessary background and atmosphere for the edification process to run smoothly and effectively. Godly thinking behind ruling (really EVERY office) 1. This is my measure of faith which God has charged me with - special assignment given by God. 2. Our reasonable service - sheer delight for us. This is how I serve the Lord. 3. My godly labor with my Father. This is how God's operations get done/accomplishing God's operations. 4. This is how the operations are accomplished.
Commentary	Definition : Offices : Practical : Ruling	Have this thinking in your mind so you don't do things for nothing. Office of ruling provides for 1. Local church orderliness 2. Organization 3. Structure: Allows someone to be in charge 4. Atmosphere for edification to go on as smoothly as possible. Ties it back into the work of the ministry. Office of ruling: bringing organization/structure to facilitiate edification. Provides local church orderliness; arrangement, organization, and structure to the church. Provides the necessary background and atmosphere for the edification process to run smoothly and effectively. Overseeing a particular job which needs to be accomplished for the good/benefit of some other member(s), the assembly as a whole, or members of the Body of Christ in general. Think of ruling as carrying out an operation God wants accomplished, local church orderliness. Carry out ruling with: Diligence: difference between godly diligence and the character trait is WHY we are being diligent. Godly diligence is visualizing every task as a special assignment from God, and using all my capabilities to accomplish it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Ruling	Office of ruling: May include managing others in the accomplishment of the job or doing it solo. Nothing to do with T&Gs. Providing order in the local church. When you look around and see things that need to be done for the assembly as a whole or rest of the body and you will have a chance to engage in that process. Edification Evaluation-Ruling: In the discharging of your offices: - Do you see them as the fulfillment of the MEASURE OF FAITH which God discharged you with? - Do you see your office as a way to SERVE THE LORD? - Do you see your office as accomplishing God's Operations? Evaluate the performance of your office and ask yourself to consider WHY you are doing what you are doing? - Discharge your office with GODLY CHARITY? - Exhibit SELFLESSNESS? - Give with SIMPLICITY? - Rule with DILIGENCE? Do you see yourself becoming MORE aware of these issues, GREAT! If not, make yourself remember these important aspects of performing an office?
Commentary	Definition : Offices : Practical : Ruling	The OFFICE of Ruling - 3 parts: * 'Overseeing a particular job' - EX Linda doing the books. She takes care of the bank deposits and keeping up with all of that - our Treasurer. This is a job that needs to be accomplished because if you don't know what you have, you could get NSF charges. But the godly reason is so that this church can carry on its ministry which is the edification of the saints. This is what Linda should have in her mind when she performs this OFFICE. Some jobs are not exciting but thankfully she is willing to do this because she V&Es the other members of this assembly. No matter how good she is at keeping the books, no matter how good her math is, no matter how many different ways she lays it out, no matter how much time she spends on complicated accounting thing, the important ingredient is that it needs to be done with charity. Keeping the books ministers to the Lord and his body by GH: helping the church do the work of the ministry and the edification of the body. One of the main ways you help God is helping the members of His body. * 'which needs to be accomplished for the good/benefit' - not just overseeing any job but a job that needs to be accomplished for the ultimate good and benefit of someone else. That means it is kind of necessary. * 'of some other member(s), the assembly as a whole. or members of the body of Christ in general. This is where the buck stops.' - could benefit some members, could benefit the entire assembly, or stretch out beyond the local assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Ruling	OFFICE of Ruling may include some other people working with you in that and it may include the managing of other people in whatever that particular job is. But it is the job at the top to make sure everything is organized. If you just let everybody get in there and do it, what you have is a bunch of repetitive work and maybe some things fall through the cracks. You need someone to be responsible for making sure that everything in that particular office is trying to do gets accomplished. It's actually organized and structured and arranged so that all of that gets done. Sometimes jobs require a number of people to be involved or they are so difficult that somebody needs to take headship. But it is not about being the boss or telling people what to do. Instead, the attitude should be about grace and proper discharge of the OFFICE. Rudy: How can I do that with godliness and edifying the saints in mind. Eric: Thankful for the opportunity to serve others. From thinking position of power (like the world) to occupying an OFFICE of service. Rune: An indirect application to the edification process to take people's mind off a worry or make them feel wanted. Can rule in one OFFICE and participate in another OFFICE.
Commentary	Definition : Offices : Practical : Ruling	Godly thinking about Ruling (GH: every office): - This is my MEASURE OF FAITH-Romans 12:3. You will be fulfilling this in a number of different ways - more than one OFFICE. - The is my REASONABLE SERVICE-Romans 12:2 to the Lord. - This is my labor with God. - This is how God's operations are done/accomplished.
Commentary	Definition : Offices : Practical : Ruling	Evaluate your Office: will be able to apply this to a lot of different things (GH: the divine institutions) - Why am I ruling in this office? What's my motive? What is it that is motivating me while I'm doing that? - Am I performing my office with charity? Am I doing it with charity? - Am I doing my office selflessly? - Am I doing my OFFICE/it with diligence? Paul is asking us to perservere in our OFFICE. Don't want 5 people doing the exact same thing and have 4 other jobs nobody did. STORY: MM says he has seen so many people empty the trash can and take it to the dumpster at the end of the service but nobody really has that job but he is really glad it gets done because the smell may impact people's ability to focus. It still needs to be done with godly charity because that would be the motive for it. We have this (GH: incorrect) idea that if the world is diligent, we have to be super diligent. MM says diligent cannot supercede itself. The difference is motive - why we are doing it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Ruling	Reasons why the world would be diligent (group): - Want to keep your job - Have power - Leave a legacy - Have people think well of you - Have a business succeed When you talk about the godly reasons for being diligent, you have a whole different set going on. These worldly reasons are a by-product of what godliness would produce. But if you are doing it for the benefit of someone or the assembly itself, if that's your motive for doing that because that's what the scripture has taught you, that now becomes the godly version of this. Do this and people will think well of you. The godly version of DILIGENCE is understanding that we have been given a special assignment from the Lord.
Commentary	Definition : Offices : Practical : Ruling	The OFFICE OF Ruling Provide For - the things that Ruling does: 1. Orderliness 2. Organization 3. Structure 4. Atmosphere for edification to run effectively. MM says this structure will also allows us to effectively give the gospel to the lost - both aspects of the work of the ministry. - WITH DILIGENCE: The difference between the DILIGENCE of the world and the DILIGENCE of us who are discharging an OFFICE of Ruling with DILIGENCE is the motive. The reason we are being diligent is because: - that first core feature of godly selflessness has been generated in us - we are members one of another, of the same body - we V&E all the members of this body just like our Father does and for the same reasons - GH: act out of the body attributes - participate, cooperate, serve, render aid - we want to see this OFFICE being done in the Name of the Lord

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Mercy	Mercy Romans 12:8 Last office is mercy. Equip to do some difficult things. Talk mechanics of how that works. - Visited someone in the hospital and someone asked you to pray for them. What can I pray and what can I expect. Tragic circumstance - what could I properly say to them? Know what to say and what is the result of saying it. - Elements in every prayer and every conversation that will be beneficial to who you are talking to. In the grace movement, we all get the terminology down. But we don't know the mechanics of it. - You/Person: Translate into how that relates when you are sitting in a hospital bed - Body: how to have a conversation with someone who is going through tribulation and they actually benefit from that. Ingredient list for someone who is suffering and how to pray that type of prayer. They will benefit spiritually and you will know what to expect out of this prayer. No one talks about how to do that. Need to understand the mechanics of the office of mercy. How the Father wants the office discharged.
Commentary	Definition : Offices : Practical : Mercy	Mercy: Way more important than most people think. Need now because of SOPT and later because the SoC. Office of mercy: Operation accomplished - maintaining the spiritual wellbeing of the assembly; specifically by providing 'comfort and relief' to those whose suffering may impact their continued 'edification' or the living of their Sonship life or suffering that may adversely affect their continued edification or the discharge of a godly life. When God shows mercy to someone in this DoGG, He always and only does it through his saints. Good news: honor to participate. Bad news: if we don't do it, it won't get done. God is not using His independent, unilateral power in the DOGG. Mercy is still front and center but the mechanics and process is different in the DOGG. By design. God is being wise in what He wants to accomplish. We accomplish the operation of God to provide for the well-being and consolation of the church under sufferings and adversities. God is not supernaturally arranging events or providing miraculous remedies in order to respond to the sufferings of His saints. Today, instead of exercising His omnipotent power, God educates and edifies us to discharge the office of mercy to the comfort and help of our fellow members. There is a divine, dispensational purpose behind doing it this way and it is our privilege to participate in it as His sons and daughters. When God uses his saints to carry out His ministry of “mercy” to other saints, because He is the One who generated this in them, their actions are rightly referred to as “God having mercy” on someone. When God edifies us to some godly labor by helping alleviate the suffering of another, and we are doing it because we are motivated by our love for them and the doctrine to show mercy, that is “Christ being formed in us!” Office of Mercy: Restoring that what was lost. A physical, material thing some of the time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Mercy	**The critical nature of the OFFICE of MERCY**: MM says everybody knows that God is a God of MERCY. MERCY is not just an add on but it's a big/critical deal. God exhibited His Mercy to Israel by dealing with them in a certain way. When they got themselves in a situation, God was there to be able to comfort and bring them some kind of relief. MM shows the 3 types of sufferings (1. Psalm 6:2-Physical things 2. Phase 9:13-Adversary/Enemy 3. Psalm 31:9-Grief) from the Psalms to show **MERCY is inter-dispensational**. MERCY is so important that when God created the local church, He created the OFFICE of MERCY. That's not an accident. MM mentions the MERCIES OF GOD-Romans 12:1, the good things that we received on Him. We don't deserve them, they are MERCIES. But the issue of MERCY is critically different in this DOGG than it is in Israel's program. Just like Israel, we are going to have times of trouble and like them we want God to be merciful toward us. But how will He do that? When Israel was thirsty, God gave them water; when hungry, God gave them manna; when trapped by the Red Sea, God parted it; when their enemies were greater, God still gave them victory over their enemies; when they were sick, they looked to God for their healing. The critical different today is when we suffer and have a need, when we go through some type of tribulation, when we are experiencing Romans 8:35, God is still merciful to us today. But the mechanical means by which He is demonstrating mercy to us is different. Before, when God dealt with Israel, He exhibited His Mercy by His omnipotent power. But today, in the DOGG, God extends MERCY through the members of the body of Christ. It's not a direct display of His omnipotence. But it's different. This is important enough that this is the only means whereby God is going to exhibit His mercy today. If we fail, He is not going to come along and suddenly just interject His Power into the situation and change it.
Commentary	Definition : Offices : Practical : Mercy	So when God shows mercy today, it is only and always through the members of His body. This is why there is an OFFICE of MERCY in the practical OFFICES in every local assembly. God is not supernaturally arranging events or providing some kind of miraculous remedy in order to respond to the suffering of His saints today. Instead of using His Power, He educates us and edifies us to be godly so we can discharge this OFFICE of MERCY to the help of those around us. This is the way God is showing MERCY today. It's not that God COULD not do with us as He did with Israel, but in this DOGG and what He is trying to accomplish, it's that He SHOULD not. It is better. MM says it is a privilege to be able to engage in it. When God is using His saints to carry out this OFFICE of MERCY, He is the one that is generating those thoughts and actions in them by the doctrine effectually working in their inner man, by generating in them a love for their fellow saints. So whenever some saint works out of the OFFICE of MERCY and does it for the proper godly motive, it can truly be said it is God that is showing the mercy. Reminder: When you function out of the OFFICE of MERCY and do it for the godly reasons, Christ is being formed in you. You are being transformed on the inside. When you function out of the OFFICE of MERCY, you are giving Christ the opportunity to live His Life through you. MM says this is a huge deal. Like the scripture said THE LIFE OF CHRIST JESUS BEING MADE MANIFEST IN OUR MORTAL FLESH-2 Corinthians 4:11, that's the MYSTERY OF GODLINESS-1 Timothy 3:16. This is a huge issue and we ought to look at MERCY just this way. When we demonstrate mercy properly and for the right motive, that is actually His actions in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Offices : Practical : Mercy	GH: In this DOGG, God shows MERCY indirectly by providing a natural process that He has set up so that if it is adhered to, the natural result of that will be whatever. The natural process for edification is to think, live, and labor like Him. If you adhere to this the result is edification. God is not going to open up your head and pour edification in and open it back up. You have to engage in the process but when you do it always results in edification. Principle that MM is showing - whenever the DOGG is going on and God is said to have done something, He is never doing it by pushing everybody and everything aside and just using His omnipotent power and now BOOM! it's done. It is always accomplished through a process or some kind of another that He is the Creator of and if it is adhered to, the natural results of that process will be the same thing every time. But in the end, you will be able to say He did it because He is the Initiator of the process. There is a natural process that God has put into place for when people get really, really sick don't wind up dying (GH: Philippians 2:25-30 and Epaphroditus) - the immune system. God put that immune system in your body. If you have ever tasted something that is so good, guess who made your to be able to enjoy it that way? GH: You can say to the Lord I'm so grateful you made us so that we can enjoy food not just for nourishment and that it tastes great. Sometimes, you need more than your natural immune system. You need doctors. There are some that if they had not gotten an antibiotic, they would have died. There body would not have been able to fight off the infection and they would have died. The medical advancement by the way is God. Point: God does show MERCY today, but he does it through the members of His body. Not interveneing by the means of His omnipotent power. Why in the world would He do that? Why would you say MY GRACE IS SUFFICIENT-2 Corinthians 12:9 but this time I AM going to push grace asist and I AM just going to step in and do it for you. Why would He do that? Why would He say, when you are weak, I AM strong (GH: 2 Corinthians 12:9 paraphrased). This is NOT how Paul presents the doctrine.
Commentary	Definition : Omniscience	God knows everything that is true and possible. Because God possesses this foreknowledge, nothing happens without His knowledge. God is not dealing with us out of His omniscience, I am not saying God does not know, I am saying he is not dealing with us out of that knowledge. These are two different things. Describes the fullness of God's knowledge in a word. God knows it all. God has middle knowledge. He not only knows the things that will happen, He knows all possible futures. Some theologians deny this but MM disagrees. EX David talking to God about the men of Keeliah and if they would turn him over to Saul.
Commentary	Definition : Oppressed	There are 7 forms of this word and there are 116 times the Bible uses a form of this word. Only 1 time does it use it with regard to this subject matter. One time-Acts 10:38 - and it is talking about THE devil, not devils or a devil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Parables	Parables: MM was taught in school parables are a teaching aid. They are not. They are the very opposite of a teaching aid. They are an aid in hindering people from understanding. Parables are intentionally given to HIDE TRUTH. It had to do with exposing the VRS and also for providing for the extension of mercy (Acts 1-7) so that the Father could indeed answer Christ's prayer on the Cross of forgive them, they know not what they do. Coming back to the Lord and His use of parables, Christ interprets them (as the man of understanding He was) for the believing remnant. But for the apostate nation, the blindness just gets worse and worse. This is all a foretaste for the time when God resumes His program with Israel. The message is designed to work as a wedge, making the division between the little flock and the apostate nation wider and wider until the remnant will be able to clearly see who is part of the apostate element and who is a genuine member of the remnant. (who is the Christ vs. Anti-Christ). God wants people to be converted, just not against their will. He doesn't want to force that. Allowed believers to hear and benefit from theese parables but for the people who didn't want to believe are now not going to be forced into something. Jesus spoke in parables to hide spiritual truths from unbelievers.
Commentary	Definition : Parables	They were for the believing remnant who has a whole different doctrine and whole different plan than the body of Christ. - They won't be in the heavenly places, they will be on earth. - They are not part of the body of Christ, they are part of the nation of Israel. - They are not going to get a glorified body, they are going to eat of the tree of Life and live forever. - We are going to be doing something up there, they are going to be doing something down here. Spoken in a way that the little flock understood but the apostate nation did not. Parables never mention the outright things but it gives you the parable and then it gives you the interpretation of those things. EX Reapers who went forth and gathered-> Interpretation: Reapers are the angels, the harvest is the end of the world. In a parable, you never have angels in the parable. You have something else as the angels. They are never mentioned in the parable originally. Jesus is not talking to unbelieving Israel. He is teaching the remnant so then unbelieving Israel won't understand.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Possessed	Is used 15x from Matthew's gospel to 1 Corinthians. After that, the word does not appear in the remainder of the N.T. Of those 15 mentions, two of them are not about unclean spirits/the spirit realm at all, the two with owning something. Of the 13x, 11x is 'POSSESSED WITH DEVILS' and 2x is 'POSSESSED OF DEVILS'. Issue 1: The Bible never uses the phrase "possessed by devils." If you are possessed "of" something, it merely means that you have it, not that it owns you. Point: being "possessed of devils" or "possessed with devils" is different than being "demon possessed" and the Bible never uses 'possessed with devils'. People use the term 'demon possessed' and it sounds like the demon possesses him. Makes you think of it in a way that you shouldn't really be thinking about it. Issue 2: A man may invite Satan or his devils to come into his life and I think they will do that. MM thinks that gives them a maximum amount of control over the man and will start in his spirit. We would say he is possessed of/with devils. It is absolutely impossible for a saved person to be possessed "of" or "with" devils because the Spirit of God has taken up residence in the human spirit of the believer and He is not sharing the apartment. When we trusted Christ as Savior, according to our apostle, the person of the Holy Ghost was given unto us, and He is not sharing space with the Adversary. Any other spirit that is in there other than your human spirit is immediately cast out. He has removed every other spirit other than your human spirit.
Commentary	Definition : Possessed	He has done all the work to make it possible for us to be free from all of that. You cannot kick the Spirit of God out. In fact, He seals you until the day of redemption. A guy doesn't have to explicitly ask but he can still be manipulated by spirits - the things he is thinking, the decisions he is making, the way he wants to invest his time/money - all of that can be influenced by the Adversary. The influence from Satan happens in your mind (which is part of your soul), not in your spirit. What has happened in your spirit is that now you have been quickened, you have been made spiritually alive. You are now connected back with God, God has taken up residence in you by His Spirit and he is looking to produce the Life of Christ in you (GH: MM pointing to the 'soul (mind/will/emotion)' on the whiteboard.). MM says it is possible for a guy who has the Spirit of God to think what the adversary wants him to think, but he is commanded to not be conformed to this world, but be transformed by the renewing of your mind. So, it is impossible for a saved person to be possessed of/with devils. That can never happen. A guy can still be controlled by his old flesh patterns, but he has the ability to not only remove all of those old flesh patterns (habits of sin or strongholds), but because of who you are in Christ, you have the ability to tear those down. This is the converting of the soul, where you are putting off the old man and putting on the new man, where you are not being conformed but you are being transformed.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Propitiation	PROPITIATION: Means a complete and perfect provision and sacrifice to meet all requirements. A sacrifice that appeases or satisfies the righteous demands upon the justice of God; a satisfactory sacrifice that brings atonement; hence, to have the perfect demands of justice perfectly satisfied. Same word for mercy seat. 1. The importance of the doctrine of propitiation (or satisfaction) of the justice of God in the cross-work of Christ is the issue that total and complete satisfaction has been met - NOTHING MORE NEEDS TO BE DONE - or can be done - for dealing with the sins and iniquity of mankind - indeed, it is all “set forth” in Christ Jesus, the “propitiation.” 2. Total and complete satisfaction has been met - NOTHING MORE NEEDS TO BE DONE - or can be done - for dealing with the sins and iniquity of mankind. Therefore, Romans 3:24, in dealing with the issue of REDEMPTION, deals with the MAN-WARD side of our justification - of the cross work of our Substitute-Redeemer in paying our debts in full (redeeming us from our sinfulness, and our being in the possession of the Adversary). He didn't just buy us off the slave market is sin, He freed us from Satan's possession.
Commentary	Definition : Propitiation	3. Romans 3:25 deals with the GOD-WARD side of our justification, where in the same cross work, Christ functioned as our Propitiator, who endured the punishment of the court for the offenses of the guilty to the complete satisfaction of divine justice. Out there in eternity, the justice of God will never be able to look at a single thing any of us have ever done and say 'you have to pay for that' because all of that got included in what He did. He paid the whole thing. If He didn't pay the whole thing, there has been no redemption. Either a full payment or nothing. 4. While Israel the remnant thought that their Redeemer was functioning according the first mandate of the Davidic covenant and redeeming them from their sins on the Cross, what wasn't told them was the fact the truths for the gentiles in the mystery program. Didn't get revealed till Paul revealed it. Paul begins to talk about these things as we go through and begins revealing things that Jesus did on the Cross that nobody ever had a clue of. It was supposed to be that way so that Satan never got a whiff of what was actually being provided for there. It was supposed to be a big surprise. Why it wasn't known. Why it was hidden from the foundation of the world. 5. Because of REDEMPTION and PROPITIATION, the justice of God can offer justification to mankind without compromise to the demands of absolute and divine righteousness, or any of the attributes of God. Fancy way of saying that God didn't have to violate His character one single bit when He forgave us our sins and justified us unto eternal life. Jesus crossed every t, dotted every i, jumped through every hoop. He fulfilled every thing to the letter. When He did that, God can sit behind that judge's table and declare that thing is finished. He has done it. Paid it. That's what frees us up.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Proverbs	Proverbs: Are little pithy sayings that usually have a truth, often used as a metaphor. Represents a style of teaching. Examples: - “A rolling stone gathers no moss.” - “A bird in the hand is worth two in the bush.” - “A clear conscience is a soft pillow.” - “A close friend can become a close enemy.” - “A dimple on the chin, the devil within.” - “A friend in need is a friend indeed.” - “You can lead a horse to water, but you can’t make him drink.” - “You can lead a fool to wisdom, but you can’t make him think!” - “Penny for your thoughts.” - “A monkey never thinks her baby’s ugly.” - “The man who sneezes without a hanky takes matters into his own hands.”
Commentary	Definition : Punctuation	Punctuation: Think about the punctuation when you see it. - Period: Is the strongest pause in our language. Realize you just finished a complete thought that can stand alone. Strongest of the breaks. Separates sentences. - Colon: Is the second strongest pause in our language. Have two parts: 1. that which led up to the colon 2. that which led after the colon. Both parts can stand alone but in order to get the complete understanding, you have to put those 2 together. The 2 parts are not necessarily talking about the same thing although it's related. That's why it's in the same sentence. Introduces a list or some sort of ennumeration. - Semi-colon: Is the same thing - do I get/see the first phrase? If I don't get the first phrase, won't see the second phrase. Sets off something that is connected to that which is previous. - Commas: Set things off. PUNCTUATION: Pauses from strongest to weakest: period, colon, semi-colon, comma -- Punctuation Marks in your Bible are like the traffic cops that are directing traffic.
Commentary	Definition : Quickened	Ways used: - Made alive/spiritual way - YOU HATH HE QUICKENED-Ephesians 2:1-Can pertain to spiritual things-made spiritually alive - something is dead and brought back to life. - Rouse to fulness of function/physical way - WHO QUICKENED THE DEAD-Romans 4:17 When you got saved, your body didn't get redeemed. But while you are on this earth there is a way for the very life of Jesus Christ to be made manifest in our mortal bodies. There is a way for us to actually put on display the very life of Jesus in unredeemed flesh. This is raising this body to fulness of function. You don't get any better than to exhibit the life of Christ.

Commentary	Definition : Re-	Means to do something again - EX revisit, reload. This is not the only way RE- gets used. Knowing the way a word is used will influence what you think that the Bible is teaching you. RE- is sometimes used as a point of emphasis - intensive prefix. It is magnifying or stressing what follows. EX Regret - the RE- does not mean do it again. We get the word GRIEF from GRET. RE- is emphasizing a degree of grief over doing something.
Commentary	Definition : Real you / Real me	Is not your body, but is in your body. The real you is not physical, the real you is spiritual. If you amputate your leg or replace your heart or liver, you are still you. If you keep chopping off bits, you still won't get to the real you because the real you is not what you see, it's spiritual. *People make statements about things they really aren't qualified to talk about.
Commentary	Definition : Reckon	Reckon: To acknowledge the truth of something to such an extent that you conduct yourself in accordance with that truth regardless of feelings and circumstances to the contrary. You don't just think it is true, you are going to conduct yourself according to this truth, even though there are things that will tell you it is not true, you will still conduct yourself according to that truth. The natural tendency of your flesh will not say this. The POE will not say this. But because God has said it, Paul is going to account it to be so true he's going to conduct his life on this truth. RECKON: Doesn't just mean count it to be true, but it is so true that it is now the basis of your actions/conduct. RECKON: Not just that you believe that it is true, it's the basis of your reality. RECKON: Count it to be such a reality that it now becomes the basis from which you conduct yourself. You conduct yourself in accordance with what you believe to be true. Count that to be such a present reality that it actually impacts your actions. Reckoning is counting those things to be so true that they are the basis of our reality every day. Something that you believe is so true that it impacts the way you behave and live. Scholars would say 'Count that to be something as true'. Difference between just thinking something and reckoning it to be true. Reckon carries a shade of meaning that this is what I believe to be true or I'm counting this to be true. You can think something is true and not influence your behavior at all (EX Speed Limit 70 mph). Reckon means to count something to be true to the extent that the decisions you make and the life you live is based on that reality.

Commentary	Definition : Redemption	SUMMARY COMMENTS ON REDEMPTION - Romans 3:24: 1. Redemption is the legal purchase price or "price tag" of Justification – and because of this, redemption should be understood and appreciated by every believer for the value that it is to their own justification unto eternal life. 2. The basic understanding of redemption is found in Leviticus 25 and in the book of Ruth. 3. Redemption was to be understood to take place among men in the legal transactions of persons (slaves) and personal property in Israel's program, and was established as a foreshadow and type of the promised Redeemer of Israel, called: "thy Redeemer the Holy One of Israel" (Isa.54:5) A. Under Israel's program, the Law provided for those who had lost/sold their possessions, or even sold themselves as payment of debt to another, to have their property or themselves "bought back." It fell to the nearest kinsman to justly protect the lives and property of the relatives. B. This obligation was called "redeeming", and the man who was responsible for fulfilling this duty was known as a "redeemer." C. The job of redeemer would fall to full brothers first, then to uncles who were the father's brothers, then to full cousins, and finally to the other blood relatives of the family (Lev.25:48). 4. The Redeemer and His redemption is the first of the five mandates of the Davidic Covenant. 5. Therefore, redemption should be understood to be a technical term that refers to the mechanical means by which God would put His Jehovah-ness and grace into effect for His people to do for them what they could not do for themselves in securing their own justification, sanctification, and exaltation.
Commentary	Definition : Redemption	6. The Biblical view of all mankind is they are lost in a slave-market of sin due to their inability to pay their debt of sin, which is often the reason why a person would become a slave to another - because they could not pay their debts. 7. Therefore, the focus of the doctrine of Redemption is upon the Cross work of the Lord Jesus Christ, where He paid the price to "purchase" human beings and set them free from their slavery to sin. 8. Due to Christ's substitutionary atoning death on the Cross of Calvary, He is our Substitute/Kinsman-Redeemer. 9. QUALIFICATIONS OF THE KINSMAN-REDEEMER: Talked about a Kinsman Redeemer in the Book of Ruth. Qualifications/Requirements of the Kinsman-Redeemer - Bible declares Jesus met every single requirement/qualification of our perfect, righteous Substitute-Kinsman Redeemer (some pertinent to Sonship-how many can you do?): 1) The redeemer must be a near KINSMAN. (Ruth 2:1, 20; 3:9) Jesus was born of a woman and took on human flesh, so He could be our Kinsman and get the identification of who He was redeeming all while being 100% divine. Kinsman of the human race dies for the whole race. 2) The redeemer must be perfectly WILLING/VOLUTARILY to pay the full price of redemption without personal loss and cannot be forced into paying it. (Ruth 3:10-13) (do you desire to pay the price for sin? If not, you are disqualified) Jesus had to voluntarily say I will take the sins upon Me and I will do that because I want to. (John 12) Thank God for that 'want to'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Redemption	3) The redeemer must have the ABILITY to fully pay the price of redemption fully/take on our predicament. (Ruth 2:1; 4:8-10) If he cannot pay it ALL, there is no redemption. Jesus takes on the predicament of the one He is redeeming during the last 3 hours on the Cross. Our sin debt He pays for in full. When the debt has been paid, He no longer carries the identity of those being redeemed. But because that debt has been permanently paid, they permanently carry His identity. 4) The redeemer must be sympathetic with, but NOT IN THE POSITION OF THOSE BEING REDEEMED (must personally not need redeeming/he cannot redeem himself), and cannot become compromised in any way in doing it - i.e., he cannot suffer loss in the process of redemption. (Ruth 4:1-6) 5) Must have perfectly fulfilled the Law. (you are disqualified) Others? 6) Redeemer changes identities with the one being redeemed. Jesus temporarily took your identity to redeem you from your predicament, NOT to make you deity/God/Second Person of the Godhead or Sons of God. We have been made sons of God. In everything connected with the Redemptive act, you are now identified with Him in every way now.
Commentary	Definition : Redemption	9. By virtue of all men and women being “under sin” as members of Adam’s race, the LORD Himself would have to come and, as His name “Jehovah” signifies, He would have to undertake for all people and be what they needed Him to be. He would have to redeem and deliver them from their helpless predicaments, and then graciously and freely give them justification opportunity. This was done by the mechanical means of en-fleshing Himself as a member of the human race (kin), qualifying Himself as the Substitute/Kinsman Redeemer, and paying with His blood in His own Cross-work the full purchase price of our justification. Redemption is therefore, the very basis of our justification, and among many other things, results in our adoption as “sons” (Rom.3:23; Gal.4:4-6). REDEMPTION: Freedom or deliverance as the result of a payment. God cannot just declare a sinner to be righteousness without anything taking place. There has to be a payment. Bible sets forth requirements for redemption so the fact that Jesus says that He is going to faithfully perform this.
Commentary	Definition : Redemption	Produced by the Redeemer: - Propitiation: the perfect satisfaction of God's justice and wrath against sin. - Forgiveness - Imputation of Righteousness - Atonement
Commentary	Definition : Redemption	Work of Redemption: - Paid price for sin - Vicarious suffering and death - Acceptance of God's wrath (Are you kidding? We are running from that) - Shedding of innocent blood - Death, burial, and resurrection - Redemption from the curse of the law

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Redemption	You got all these works. Can you manufacture one iota of this redemption process? MM is not trying to be ugly. Trying to shock people in just how pitifully inadequate we are to put 1 fingerprint with what He has done. Exclusions to receiving redemption: Works of any kind. Eliminate all works and you got 1 thing left - faith (a non-meritorious act - not a work). See how impossible it is for us to participate in this process? Talking about things completely above our pay grade. We think we are going to add a little something extra to put us over the top. Aren't you just special? Couldn't meet a single requirement of the Redeemer but somehow you think you are so good that you are actually going to add something to He has done. There are three issues in our completed redemption: 1) Putting us IN Christ as our permanent, righteous standing before God. This is a finished accomplished fact which cannot be altered, diminished or improved upon by anything you or anyone else. God Himself cannot alter it. Made us perfectly righteous by imputing the righteousness of His Son to us. People confuse this STANDING with their FUNCTION/PRACTICE. 2) The forming of Christ in our inner man. This is our ongoing edification which pertains to bringing our function (everyday living) up to the measure of our standing (justified status before God). And this is a “hope.” (Colossians 1:27). An issue of holiness. Ths edification happens when we respond positively and properly to the doctrine. Should be happening every single day. 3) The sure and future redemption of our body; the completion of our adoption. (Romans 8:23)
Commentary	Definition : Remission	REMISSION: is a passing over or a suspension of judgment or a withholding of punishment. Remission is that action of the judge or Court which arrests the execution of justice. It stops it. It interrupts it. God says you are guilty and you deserve this sentence but I AM not going to put you in prison now. We are going to wait. I AM going to suspend judgment. Abraham got God's righteousness = He had righteousness imputed to His account but his sins were remitted. Judgment was held off till the time came.
Commentary	Definition : Resurrection	Resurrection: Is God's seal of approval for His redemption on the Cross. An aspect of the Work of Christ. The Resurrection is a huge deal. It's the cornerstone or basis of our faith, If there is no Resurrection, we are not going to have a resurrection. The resurrection in the prophetic program was about God raising Christ. It was not a secret. It was not a mystery. Peter in Acts 2 said God raised up Christ to sit on David's throne. Says THAT SAME JESUS WHOM YE HAVE CRUCIFIED, (God has made) BOTH LORD AND CHRIST-Acts 2:36. This is not what the Resurrection means in the mystery of Christ. You didn't look at this and say 'thank God, now He is going to get to sit on David's throne'. This doesn't have a thing in the world to do with you. You are part of the mystery that which was hidden from the foundation of the world until God revealed it to the apostle Paul and now he is making known what the resurrection is for you, that you will have resurrection life. He got resurrected so that He could raise you from the dead. Look at the Cross the same way Paul looks at the Cross. Paul glories in the Cross of Christ because it is the means of salvation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Resurrection : 1 Corinthians 15 Commentary	According to Paul, the resurrection is the central doctrine for our faith, it is the lynchpin everything about our faith. Everyone is dependent on Christ to be the first to be resurrected in a glorified body. If there was no resurrection, then the atheists are right - we are foolish, we've been deceived, we're wasting our time. But fortunately they are not right. If the resurrection didn't happen or if there is no resurrection, then everything we have believed about salvation from sin (being saved) is false. The resurrection of Christ is what makes our faith in Christ different from every other religion in the world. MM says this is very, very important. If anyone ever found a single bone of Jesus Christ, then that would be trouble because that would mean our faith would be a lie. Every other religion can survive with its founder being dead and in the grave, but not Christianity. That won't work for us. But Jesus did rise from the dead. And because He did, He can do something for us that no one, no other religion and nothing else in the world can do for us. When we die, He can raise us up to live again. What can science do for us when we die? Nothing. But Jesus will raise us from the dead and give us everlasting life, to live in a reconciled creation, where God reigns supreme and there is no more suffering, sorrow or death.
Commentary	Definition : Resurrection : 1 Corinthians 15 Commentary	Lists of Resurrections: * Jesus Christ: Ties to what MM is teaching - 1 Corinthians 15. It's also the most important one. It's because of this one, the others get to happen. If it weren't for this One, we wouldn't have others. * MANY BODIES OF THE SAINTS WHICH SLEPT AROSE-Matthew 27:52 * HATH RAISED US UP TOGETHER-Ephesians 2:6: A spiritual resurrection. * AFTERWARD THEY THAT ARE CHRIST'S AT HIS COMING-1 Corinthians 15:23 * Resurrection of those before the law-Job 19:25-26 * Resurrection of those who lived under the law of Moses and those who will live during the resumption of Israel's program including Daniel's 70th week-Revelation 20:4 * Resurrection of the unrighteous dead, to stand before God and be judged. We call this the resurrection of sinners. Whether they want to or not, every lost sinner will be resurrected to stand before God and be judged for how he lived his life on earth.-EVEN SO IN CHRIST SHALL ALL BE MADE ALIVE-1 Corinthians 15:22? * Paul revealed a secret resurrection that no one knew about before it was revealed to him, because it was part of the mystery and not counted with what goes on with Israel.-1 Corinthians 15:51-57 MM thinks everyone is resurrected. Some to eternal life and some to eternal condemnation. Everybody gets resurrected and goes through the judgment.

Commentary	Definition : Sabbath	Sabbath: 7th day of the week - Saturday. When Jews do it. Days start at 6 PM, not midnight. Was a sign to Israel to remember something that was happening back there on the day when God labored 6 days then rested on the 7th. This is an everlasting covenant to remind you of that thing back there. More than one kind of Sabbath in your Bible. Paul is going to warn us we got out of this in Colossians 2 were he was warning us about the POE using the things of Israel's program to try and rob us of our reward. You are NOT supposed to observe the Sabbath. Doesn't matter if you are a Jew or a Gentile. You're in the DOGG. Churches today where Pastor dresses up like a high priest and the dress like Israel and they eat like Israel and they talk like Israel & they observe days like Israel. Paul says that's the POE at work. The sign of the Sabbath is God's Jehovahness going to be put into action on their behalf so that they will be sanctified by Him one day and fit to use for His purpose in the earth. The Sabbath hooks Israel to God's purpose on the earth. All this is to educate Israel on His Jehovahness and grace. Every Sabbath was a sign between Israel and God about something He was wanting to do with this earth.
Commentary	Definition : Sabbath	Types of Sabbaths: 1. Seventh day Sabbaths 2. Day of Atonement - Seventh month, on the tenth day of the month - Lv 16:29-31 3. Feast of Trumpets - Seventh month, on the first day of the month - Leviticus 23:23-25 4. Feast of Tabernacles - Seventh month, on the fifteenth day of the month - Leviticus 23:33-35 5. Two more Sabbaths after the Fall feasts - Leviticus 23:39 6. Land Sabbath - Leviticus 25 The most fundamental Sabbath of all Sabbaths is the first one - the seventh day Sabbath and everything else stems out of that. The second Sabbath is a sign and a covenant of something God is going to do that He meant to do back when He started that creation. He was going to do that and He is going to accomplish that. God's got a whole purpose to make that happen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sabbath	Sabbath: See that the Sabbath is a day of rest. God keeps referring you back to the original creation days and it is not because He thinks you know so much about that. The Sabbath Israel was supposed to observe was to remind them of what He was doing when He first created all of this thing. Created 6 days and rested on the 7th. More than 1 kind of Sabbath. There's a weekly Sabbath but there are some others as well. Even though God observed a Sabbath during the Creation week, He did not reveal the Sabbath to men till Sinai when they received the Law contract. Sabbath is unique to the nation of Israel. Don't have an Israel program till the Abrahamic covenent. A lot of years and people God did not reveal this to. SABBATH: God set apart the 7th day from all the other days. He set it apart for His purpose and because its importance to Him. He declared it to be holy. Set apart and means something to Him. When He comes, that land area of the world will be holy and set apear for the other land areas. In this creation week, God has a plan, He is going to put His habitation from up there in the third Heaven to down here on earth. (GH: Middle East, Garden of Eden) Will happen on the second Sabbath. It's not like God was panting and said I NEED a Dr. Pepper. He was finished creating. Creation Days: - Day 1: Light - Day 2: Firmament - Day 3: Waters and Dry Land - Day 4: Sun, Moon, and Stars -> Creature - Day 5: Animals - Day 6: Man

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sabbath	There's an order to that that is purposeful. - Day 7: Rest - Sabbath - On the first Sabbath, nothing is going on (creation wise) except Satan is busy and the Fall happens in the garden. When God comes into the garden the first day of the second week, He finds out man has violated the one command that He gave him, don't eat of the tree of knowledge of good and evil and now everything is derailed. MM says he doesn't mean to relegate it to a game, but it is a chess match. Satan is moving to hold onto the heavens and the earth. God is moving to repossess them. - Day 8: Educate Adam in godliness / Satan got Adam to sin and it put a stop to everything - Can't educate him in godliness, can't bring down His residence. God has to fix this mess. He has to redeem it and reconcile it. As a young preacher boy, MM wondered why He didn't send Jesus Day 8. Why does God wait? When Satan gets Adam to sin, he does become the possessor of the earth. He makes this earth his place of residence. If you were Satan, you would put your residence in the exact same place God was going to do it because he wants to be like the Most High. Much of the plan for Day 8-13 got derailed. Much will fall to you as members of the body of Christ. Satan knows he has to work very quickly to derail these plans. Comes into the garden and gets Eve to eat of the tree of knowledge of good and evil, gets Adam to eat, then all of a sudden they realize they are naked so they make fig tree aprons to cover themselves. When they hear early in the morning on Day 8 the Lord coming into the garden, they hide themselves. Now God has to deal with this whole sin issue because there was something that Adam and Eve were supposed to do during the second week in order to make God's city come down to tabernacle among men a reality. God could do it all, but He wants Adam and Eve to do it or Israel to do it - the idea is adoption in every program. God could have named the animals but He reserved it for Adam - personalizes the relationship of spending time together. Take what's on His Heart and write it on our hearts so we think like Him, do things His way, and then we are qualified to labor with Him. Adam and Eve were asked to do something that you will be asked to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sabbath	- Day 14: second Sabbath - Bring His residence in/down (Satan knows he is on the clock-he understands God's purpose and design and that he doesn't have a big window of opportunity); After the Second Advent / On the second Sabbath, God had planned for what we now know as the New Jerusalem, that was going to come down and sit on the earth and God was going to establish His Residence on the second Sabbath. Because of the Fall, this doesn't happen as scheduled. At the end of Israel's calendar, they commemorate the original design and purpose for the earth and they also tag on the second Sabbath after the first, completing what God intended to do back at the foundation of the world. If Adam hadn't fallen and God set up His residence, you could eliminate all of the timeline. One thing changed everything. Weekly Sabbath does in God's program with Israel is that it reminds Israel of that first creation week with six days of labor to create the earth in accordance with His plan and purpose which is the putting of His residence in the midst of His creation. It also includes the seventh day rest which was sanctified and blessed and declared that everything was finished and ready for His holy habitation to come down from the third heaven to the earth on the second Sabbath following the first. They are also reminded that sin has entered the world and the fulfillment of the second Sabbath was put on hold. They are also to know that they are the means for reconciling all that back to God's original plan, they are the means by which God will deal with the adversary and God will operate to make them fit to function in accordance with the second Sabbath activities. The feasts on Israel's calendar, which also contain Sabbaths, are signs between God and Israel concerning what it will take for Him to sanctify Israel and make them fit to be utilized in His plan and purpose.
Commentary	Definition : Sacrament	The channel by which supernatural grace is imparted. People walk to the front and some guy puts a wafer on their tongue and they believe something supernatural is happening right there where that wafer is becoming the actual body of the Lord and the cup is becoming that actual blood of Christ and that's what atones. They have a peace about it. MM says peace is a terrible way to make a decision or to determine truth. A means by which we obtain salvation.
Commentary	Definition : Salvation	Your justification (past tense), sanctification (present tense), and glorification/exaltation (future tense) represent your complete salvation. Salvation is more than just what happened the moment you trusted Christ; it is the life of Christ being formed in us by the effectual working of the doctrine. Types: - Saved from the debt & penalty of sin - Saved from suffering - Saved from the affects of the attacks of the POE - SAVED BY HOPE-Romans 8:24 - when you get your glorified body - the completion of your salvation Saved - Past tense - JUEL Saved - Present tense - SUFL (conforming you to the image of God's Son as you respond to the doctrine) - Romans 5:10 Saved - Future tense - Exaltation (body will be saved/not a present reality)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Salvation	Everything that happens to you when you get saved happens in a particular order. The things that happen when you get saved, they happen quickly. But they happen in an order. All the things around salvation are happening in an order. 1. Justification: things with our justification happened first. 2. Sanctification: things with our sanctification happened next because God is not sanctifying anything that's not righteous, justified. God is not giving lost people a sanctification. Things that are not happening: - Redemption of our body - get it at THE BLESSED HOPE-Titus 2:13. The spiritual transaction that took place when you trusted Jesus Christ as your Savior. It is not in what you do, it is what Jesus did on the Cross and taking our place.
Commentary	Definition : Salvation : SIIP	Fundamental truths on Salvation: 1. Salvation: being JUEL in this DOGG alone, through faith alone, in Christ alone, without works of any kind at any time. 2. We cannot work to be saved or to stay saved 3. We are secure in Christ and cannot lose our salvation, no matter what we do This is possible because our salvation is not vested in our works; it's not vested in anything that we do; but it's vested in the finished work of Christ and nothing you do actually undoes the work that he did on the Cross. MM says there are misunderstandings around salvation in Israel's program.
Commentary	Definition : Salvation : SIIP	Salvation aspects of Israel's Prophetic Program - Two misunderstandings: 1. There is an idea today that says in Israel's program they were justified unto eternal life by faith and works. No one in Israel's program has ever been justified unto eternal life by faith and works. MM says you may realize this but there are verses that will be troublesome if you don't know how to handle them. 2. In Israel's program a man can lose his salvation. MM says there are some verses when you read them you make say wow, that looks like they are losing their salvation. MM points to Hebrews 2:3, Hebrews 6:4-6, Hebrews 10:26, and James 2:14-17, 20 as examples but their are scores of others in your Bible. Not as simple of an issue if you say I think Israel got saved by faith because you will have to understand these passages and a bunch of others. MM convinced from the scripture that justification unto eternal life has always been by faith without works in any age. Puts him in the minority, even with grace preachers. He used to think the same way.
Commentary	Definition : Salvation : SIIP	Why these misunderstandings/thinking Israel's salvation is faith + works - they fail to recognize: 1. what Israel's salvation includes, and what it does not include; 2. the nature of the David Covenant mandates; (need to understand the Davidic Covenant here) 3. the basis on which Israel's rewards are given; and 4. the proper definition of terms. - Sometimes people read a term, a word, or a phrase and they automatically start thinking about it in a certain way and they don't understand that the word or phrase is being used differently.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Salvation : SIIP	- If every time you read salvation in the Hebrew epistles, you're talking about salvation from sin, then you're going to start thinking you need works, and you can lose your salvation. Because this salvation; (under the Deliverer mandate) is not automatic. To get it you're going to have to do some works and if you don't hold fast to your profession of faith, then you will no longer be divinely protected; and the deliverance will not be taking place for you. But if you thought that salvation (Deliverer) was this salvation (Redeemer), it looks like someone lost their salvation. MM says after we are through with this study, you will understand that no one in Israel's program was saved/JUEL by faith and works, but by faith only. And once JUEL, no one in that program ever lost their salvation.
Commentary	Definition : Samaritans	Samaritans: Samaritans were exiles to Assyria, intermarried with the Assyrians, and came back into the land. Northern Israel. Half Jew/Half Gentile from the Babylonian captivity.
Commentary	Definition : Satan	Satan knows he can't get rid of God. MM says sometimes he makes dumb decisions. Whole thing is about who will be the most High (the possessor of heaven and earth). That is Satan's goal. Wants to bring the earth to the absolute rejection of God. Satan's ace up his sleeve to hold onto the earth is the man of sin. Satan does not get to do what he wants to do whenever he wants to do it. He has to earn it. Rules in play that he has to abide by. To bring MAN OF SIN/Antichrist, GH: the whole world needs to reject God. Satan hates mankind. He is furious that man is going to be given dominion over the earth and they are going to be partners with God. The whole idea of the Fall was to get God to wipe them out. But instead of you guys did what!?!? and get zapped and they are gone, God says that's OK, I HAVE got a plan of redemption. Satan is like, 'wait, what? You have a plan of redemption?' MM says that he didn't see that one coming. When you talk about Satan, you are talking about him in his role as the adversary and an adversary is not an enemy. This is another critical difference. An adversary is someone who is actively engaged in opposing you. You can have an enemy who is not doing anything TO you but he's not an adversary. Both Paul and Peter use the term ADVERSARY. Every name or title has a meaning. They aren't just thrown out there. They aren't derogatory terms, they are describing the nature of his activities.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Satan	Titles: PRINCE OF THIS WORLD (John 12:31; John 14:30): Satan's activities in connection with his usurped possession of this world. Think physical realm. Earned when Satan tempted Adam & Eve and the fell in the Garden. Adam was no longer monarch over the earth, representing God. When Satan becomes the PRINCE OF THIS WORLD. This used to be Adam's title as the king and monarch of all the earth, but he lost that position to Satan when he cooperated with the plan of evil by taking of the tree of knowledge of good and evil. PRINCE OF THE POWER OF THE AIR (Ephesians 2:2): Satan's activities in connection with his usurped possession the heavenly places. Only found in Paul's epistles - relevant for us because that's where we're going. Think spiritual/invisible realm. By virtue of the rebellion in the heavenly places, Satan became the "prince of the power of the air," on "the unseen realm." This would be the realm of those angels who rebelled against God. It is the things pertaining to this title that explains why God determined to bring about the dispensation of Gentile grace and kept it a secret from the beginning. POWER OF DARKNESS (Luke 22:53): Satan's activities with regard to his NIGHT-Romans 13:12 and the untruths he is using to replace the LIGHT of the Truth. THE GREAT DRAGON (Revelation 12:9) THE SERPENT (Revelation 12:9) THE DEVIL (Revelation 12:9) SATAN (Revelation 12:9)
Commentary	Definition : Satan	MM says one person can have a lot of different relationships. MM is a son, a husband, a father, a pastor. Talking about a different sphere of relationships with each one of those. As you talk about Satan you are talking about him as he functions in these different realms. When talking about Satan as some kind of beast, we are talking about him attempting to control the land of Israel, usually by means of another nation on the earth. Examples: - LEVIATHAN (Job 41:1) - BEAST (Revelation 17:7-8) Nations can be assigned to be BEASTS 1. Northern kingdom carried away by Assyria 2. Southern kingdom carried away by Babylon

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Satan	Satan and his activities - if we are going to CAST OFF THE WORKS OF DARKNESS, we are going to need to know some things and look at details: 1. Satan is going to function under the title of THE POWER OF DARKNESS to produce rampant untruth everywhere in the word. 2. By THE POWER OF DARKNESS, (the blacker the DARKNESS, the more power he has), responding to what God is doing with His LIGHT. By the POWER OF DARKNESS, he is not only trying to extinguish the LIGHT, but the people who are in DARKNESS are being kept in DARKNESS. This is he move to counter what God is doing in the world. 3. GH: What Satan is doing in producing this increasing DARKNESS as THE POWER OF DARKNESS is he is spreading that untruth using the WORKS OF DARKNESS. Names: PRINCE OF THE POWER OF THE AIR, PRINCE OF THIS WORLD, LUCIFER, BELIAL, BEELZEBUB
Commentary	Definition : Satan's Counterfeits	Satan, in an effort to keep the mystery of Christ (all the components of it - how we pray, how we look at sufferings, how we treat each other - not just the fact that God interupted His program and brought in a DOGG but it's more than that - God is dealing with us in a very different way than He dealt with Israel) from being fully understoo,d has developed a carefully crafted replacement for what God intends for us in this DOGG. His replacement program does not do away with the chruch, but he uses the church to further his message. MM says just turn on the TV. It's a message that does not fit in the DOGG. And he uses the church to further that message. False doctrine not only gives people false hope but it tears them up because it makes them think there must be something wrong with me, I must have done something. And what do you say? Well, His ways are not our ways. That just comforts you so much, doesn't it? That's not the way you get the peace that passes all understanding. Satan's counterfeit religion is to the body of Christ what the aposate nation's VRS (vain religious system) was to the little flock. Just as Israel's VRS had its idols, Satan's counterfeit today also has its idols. MM is not talking about physical carven idols that you can handle with your hands and see with your eyes. These idols are meant to become something that you depend on and those things are meant to bring you out of grace and back into a system like Israel had under the law. One of the reasons you don't want to spend your time listening to false doctrine is because it will start to replace the Truth.

Commentary	Definition : Satan's Counterfeits	Today, churches have bought-in to and embraced the idols of Satan's counterfeit religion. These 'sacred cows' are designed to produce an intense loyalty to Satan's counterfeit in hearts and minds of its followers. Because with these idols, it is often about the way you feel that is what is appealing to you. STORY: New people coming up after service and say they enjoyed it and learned so much about the Bible but this doesn't feel like church. MM says really? How does the Bible tell you church was supposed to feel? People got used to something they were supposed to feel but you never read that in the scripture. Example of idols: - Water baptism: Comes from Israel's program. The great debate is it sprinkling or immersion? MM said in Bible College, Church of Christ and Baptist preachers would debate this all the time. When do you water baptize? Some churches do it when you are a baby. Others say oh no, only for those who have made a profession of faith in Christ. Another question - is baptism a necessary component of salvation? In other words, if you don't get baptized, you don't get saved - HE THAT BELIEVETH AND IS BAPTIZED SHALL BE SAVED-Mark 16:16. If you thought you were getting your gospel out of Mark 16, of course you would be confused about that issue. If you don't rightly divide the word, you don't stand a chance of getting that straightened out. What about those that don't believe water baptism is necessary? Then the argument is this is just an outward symbol of something that happened on the inside or is baptism an act of obedience to follow the Lord.
Commentary	Definition : Satan's Counterfeits	You only get baptized in the Name of Jesus otherwise your baptism isn't any good. Someone else says you are supposed to be baptized in the name of the Father, the Son, and the Holy Ghost. Then, someone like us comes along and says baptisms were part of those washings that were under the O.T. and since we are not Israel and since we are not under the law, we don't have anything to do with that so we don't baptize. Oh my goodness - you would have thought somebody slapped their grandma. MM says this is one of the idols. Satan doesn't care if it is immersion or sprinkling, dipped or dunked, he doesn't care. Satan is always trying to take aspects of Israel's program and bring it in the body of Christ. Baptism is a very good way to do that. Churches put more emphasis on water baptism than the ONE (true) BAPTISM-Ephesians 4:5 that takes place in the DOGG. MM telling story working at a southern Baptist church in Sherveport where they counted the baptisms and not the confessions/conversions. MM says this is one of the idols because how difficult it is for people to give it up. People are afraid not to be baptized. Even if they don't believe it saves you, it's I better do it just in case. Paul says CHRIST SENT ME NOT TO BAPTIZE BUT TO PREACH THE GOSPEL-1 Corinthians 1:17. MM says if it was important, don't you think Paul would have been involved in it? MM says the idea of 'baptismal regeneration', that if you put your faith in Christ, fine but if you don't get baptized you are not saved. Not saying this for shock value but this is important. Anyone who believes their salvation is in any way dependent upon their water baptism didn't get saved. Trusting in Jesus as 'your all-sufficient Savior' is not Jesus + church membership or Jesus + good works. MM says some preach that water baptism is the first act of obedience and unless you get water baptized you can't really serve God. Baptism creates the feeing you need to substantiate what you have done.

Commentary	Definition : Satan's Counterfeits	All of Satan's idols do that. Not the scripture, not the doctrine, but the feeling. The flesh loves ritual. The flesh loves liturgy. People find comfort and solace in liturgy like confessional and praying the rosary because they were able to participate somehow. When it comes to a spiritual transaction with God and all we are doing is trusting Him and there's no flash of lightning, no voice from heaven, but when we can do something, we feel good about it. We did something. We contributed. We participated. And that makes us feel good. Satan is counting on that feeling to nail that down and to pull that nail out of that board is extremely difficult. If you have Paul's doctrine sitting in front of you and have a feeling that opposes it, the latter is what people will go with most of the time. People love feelings more than they love doctrine. - In the old days (1920s and 1930s) right division was more prominent. See it show up quite a bit in the sermons and books. Today, it has almost been expunged out of the churches. In the orginal Scofield Reference Bible, there was a footnote in Ephesians 3 that said 'In Paul's writings alone are found the walk, the doctrine, the destiny, and the duty of the church today'. This was not an uncommon thing. Today, people carry a Scofield Reference Bible and violate this foot note almost every time they open their mouth. Then there came a group that believed in right division, but they discovered they could no longer go back to Acts 2 and you weren't going to be water baptized anymore if you got right division right. You were going to start praying differently and looking at your troubles differently. They ended up abandoning this and now we are here where we are today.
Commentary	Definition : Satan's Counterfeits	- Prayer - there is a form of prayer in Satan's counterfeit system that has become an idol and it is very much based on how it makes you feel. Not one of Paul's prayers is for a physical intervention by God in our lives but they were all spiritual issues that He wanted to accomplish in our inner man. People can't believe that if there is a tsunami in Indonesia that you can't pray for them. MM asks what do you want God to do? Do you want Him to reverse the wave? Do you want Him to put the structure of their home back together? No, I just don't want them to suffer. MM says if they lost a loved one is He supposed to make them numb to that? What are you asking Him to do? You have decided in a very superstituous way of praying that all you have to do is mention it out loud and now you feel better about it, rather anything happens or not. People don't want to hear that. MM says unless you are planning on doing something for thoese people, because prayer is supposed to move you, then that's not a prayer issue anymore than if your teenager comes in and asks for prayer because they didn't study for their test and they need God to give them the answers. Most folks won't because they know that isn't going to work. Feeling has not only taken over our churches, it has taken over our nation. Satan is using all of these idols to create a loyalty to his counterfeit system that looks so close to the real that no one can tell. People will live their whole lives in the counterfeit system and never realize it.
Commentary	Definition : Satan's Counterfeits	They will never come to grips with it. Not because they are insincere (doesn't mean that), not because they are stupid (they're not). We get taught things, they get engrained in us, and we are loyal to them and we create this whole system by which we think that works and then wehn we get faced with scripture about it, we have a choice to make. The Truth that is presented to us in the word of God OR the thing they are comfortable with. MM says people don't like to get out of their comfort zone. People don't like change, people resist change. We say we don't but we do. We like what we're used to. MM asks is comfort the most important thing to you or is truth the most important thing to you?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Satan's Deceptive Tactics	One of those deceptive tactics is to get the saints focused on false ideas of spiritual warfare. These false ideas of spiritual warfare would include things like: * praying a hedge of thorns * casting out devils * spiritual mapping * breaking generational curses and hexes * binding Satan * rebuking Satan
Commentary	Definition : Satan's Titles	Satan has two titles that are very similar: 1. THE PRINCE OF THIS WORLD-John 12:31/John 14:29/John 16:11: refers to his position as the usurped possessor of the world 2. THE PRINCE OF THE POWER OF THE AIR-Ephesians 2:2: has to do with the control that he exercises in the heavenly places as the principalities in heavenly places joined with Satan in rebellion against God. MM says this concerns us, because our sphere is the heavenly places where God has given us a VOCATION-Ephesians 4:1 in those heavenly places in which we will function to reconcile them back to God.
Commentary	Definition : Satan's War Fronts	FRONT 1: A war is being fought in the world at large (among/against saved and unsaved) against God's divine institutions. We know how important those are to the preservation of society and to the proclamation of the gospel, and we cannot allow them to fall. For unsaved people, he wants them to ignore them and corrupt them. Same for saved people. Saved people may not ignore them but they can corrupt their understanding of them. MM says we know how important the divine institutions are to the preservation of society and to the success of the gospel being preached around the world. So we cannot let these fail. FRONT 2: Satan has declared war against the doctrines which pertain to the mystery of Christ. That means that he will publish doctrines which are contrary to the dispensational change; to the gospel of Christ; to the right division of God’s word; and to grace. This means he is going to publish doctrines that are contrary to what is going on in the DOGG. Means he is not going to emphasize the dispensational change, he'll corrupt the gospel message so that people are hearing the wrong message, he'll refute or keep people in the dark regarding rightly dividing the word, and even blind people to what it means to live in a dispensation of grace. MM says even though we say it many times, people turn right around and believe things as though they're not under grace, but under the law.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Satan's War Fronts	FRONT 3: Satan has declared war against the members of the body of Christ, our edification, and our purpose as the ONE NEW MAN-Ephesians 2:15. He hates us simply because we belong to Christ. But he hates us even more when we make an impact on his realm, when we begin to live for Christ in such a way as to impact what he is working to do in this world and he is rendered from doing all the things that he wants to do. Therefore, he is constantly attacking the sound doctrine which conforms us to the image of Christ/God's Son. He certainly does not want us to be edified. Satan has developed many doctrines, those DOCTRINES OF DEVILS-1 Timothy 4:1 and devices to move men away from the truth. This is his main goal. These started back during the lifetime of the apostle Paul and they continue to this day. These “contrary doctrines” may be promoted by men, but the real enemies are in the unseen realm; Satan and his minions.
Commentary	Definition : Satanic Plan of Evil	The Satanic Plan of Evil has as its goal to maintain possession of the earth. What he got when he tempted Adam, and he fell in the Garden. And everything he is doing now, that COTW-Ephesians 2:2 that he put into play from Genesis 4 - 11 is exactly there for that reason or purpose. To achieve this overall plan of evil. But a specific policy of evil against the nation of Israel is not just another synonym. These are certain actions that Satan has determined to take that help the achievement of the overall plan. There's also a policy of evil against the body of Christ in this day and it is very different from his policy of evil with Israel. Satan is way ahead of most Christians today on this. GH: Basically he wants you to think the policy of evil against Israel is the policy against you. The policy of evil against us is not one thing it is a number of things. If you don't understand this, you can create a ministry out of Israel's program and even put it on TV and you can give to it. And Satan is clapping his hands on this because you have given him an opportunity to speak reproachfully in the face of God on your behalf. This is what we have done when we are IGNORANT OF HIS DEVICES-2 Corinthians 2:11. We are giving him and opportunity to say to the Face of God these people don't even know what You are doing and they don't care what You are doing. They're not paying attention to You. Why should You be possessor of the earth? MM says he doesn't want to give him that ammo. Point: There is an overall plan of evil and then there are policies within that plan and they differ by age because they are accomplishing something within each of those different programs. We don't get schooled in this. We get schooled and mentored in things and they mean well but they really don't understand things like they should or think.
Commentary	Definition : Saved	Sometimes, when the Bible uses the word SAVED, it is using the word delivered.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Saving Faith	Saving Faith: Trusting in the finished work of Jesus is the only thing needed to satisfy God's justice/righteous judgment. Saved by trusting Jesus Christ as your all-sufficient Savior. 3 alones: 1. Grace alone 2. Faith alone 3. In Christ alone Get accused of 'easy believeism'. MM does believe salvation is easy and that God meant it to be that way. A lot of church people don't clearly understand the gospel. People trust the wrong things vs. what He did to save you. They get saved over time. They kind of arrive at that point. There was no day that they can point to. Saving faith is not asking Jesus to do something. Saving faith is trusting what He has already done on the Cross. You don't ask Him to do something, faith is trusting. Faith is trusting what He did on the Cross as sufficient to satisfy God's justice against your sin. That's where He paid for it. If you put your faith in the finished work of Christ, God counts hat faith for righteousness and justifies you unto eternal life. That is all-sufficient. You don't need to add anything to that at all.
Commentary	Definition : Seal/Sealed	1. We are made sure or secure; preserved 2. Confirmation or guarantee (proof) 3. A sign or it is an evidence 4. Proof of authenticity or a mark of ownership - Think of a hot wax seal on an envelope. If seal was not broken, you knew what was in the letter was authentic. - Ownership: stamped in books in his library so people would remember to return them.
Commentary	Definition : Self-Deception/Deceiving Yourself	Self-deception ultimately comes from believing a lie instead of believing God’s truth. Paul talks about five ways in which we can deceive ourselves: 1. The man who thinks the wisdom of this world qualifies him to be wise in spiritual matters has deceived himself (1 Corinthians 3:18). 2. The man who tries to live his life (solve his problems) the way the world does has deceived himself (1 Corinthians 6:6-10). 3. The man who thinks bad company will not have any affect on him has deceived himself (1 Corinthians 15:33). 4. The man who thinks he has arrived has deceived himself (Galatians 6:3). 5. The man who thinks he can fool God is deceiving himself (Galatians 6:7).
Commentary	Definition : Self-Righteousness	Self-righteousness: Saying that you can be righteous without God, on my own. Your whole motive for that is not godly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sermon Types	Definition : Sermon Types - Rollercoaster: You get on, it's a wild ride, it takes you all over the place, it's kind of thrilling, makes your heart pump, but when it's over it kind of drops you off right back where you started. You really didn't go anywhere. Problem with the rollercoaster sermons is they rarely contain any doctrinal content. - Motivational Speech: Mainly when it comes to our Christian walk and the things that we ought to be doing. These kinds of sermons give us tips about how to do certain things. EX Steps for overcoming sin in your life or a list of ways you can be a better person by developing certain character qualities like patience and kindness. The problem with the motivational speech is they also are most of the time devoid of any kind of doctrine but they also contains certain verses everybody wants. They want to make a point about something and they find verses in the Bible to plug in and reenforce what they are saying. But this is putting the cart before the horse - we should be looking at the scripture and not just adding the scripture to the thoughts that we already have. The second problem with the motivational speech is it is more humanistic than godly. In other words, you can go to the bookstore and find a self-help book on trying to be more patient or more kind and read/hear the same kinds of things being written by men who do not know the Lord.
Commentary	Definition : Sermon Types	- Doctrinal Sermon: You would think this would be a good one. While they may contain some Truth all too often, because people do not know how to RDW, they mix the things of Israel's program with the things of the mystery program. This gives you a hodge-podge of things that lead to error. Even when the sermons are dispensational in nature, when it comes to our walk in Christ, once again, the approach is kind of fleshly. We just tell people they need to be more patient, we need to be more kinder, need to work on this or that. But this is the way the world does it. MM says he is going to take issue with that.
Commentary	Definition : Shew	Like so many other words, “shew” has had several meanings. - From 1440, “shew” was a variant of “serve” as in to place/put food on the table. (SERVE - to serve food) - Back as far as 1160, the word “shew” was a variant of “she.” See 'she' (SHE - singular female pronoun) it in the word. In Old English (late 5th to late 11th century), the word, “shew,” served as a variant of: o Shew – as to direct a person’s attention to o Shew – as to put on display, exhibit or present something (version the KJB has in view; SHOW - to put on display, exihbit) o Shew – as in the covering for the foot (later changed to SHOE - covering for the foot) o Shew – as in to fasten, or attach by thread (later changed to SEW - to fasten thread) People think the KJB is written in olde English but it is nothing close to it. Changing “shew” to “show” does not show up until the very late 1700’s (1791). Makes sense that the KJV translators would use SHEW.
Commentary	Definition : Should	SHOULD: What you ought to do, no guarantee, not necessarily what everyone does do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sin	Sin is all the same when you are talking about salvation and justification unto eternal life. But when you are talking about what men are committing in the world and how God feels about it, they're not all the same. You don't treat a guy who rolls through a stop sign the same way you treat a murderer. Would that be just? Sin is “missing the mark” usually morally, but not always. According to Romans 3:23, to sin means to “come short.”
Commentary	Definition : Singularity	A singularity is an occurrence of when those natural laws have been overridden. Twenty centuries ago, we had a singularity, a virgin conceived and bear a Son. People say the miracle is that Mary gave birth to Jesus but that's not the miracle part of that. The miracle is when she conceived by the Holy Ghost. That's the miracle. Once she conceived, she went through pregnancy like any other woman. Not long after, another singularity occurred. A Man who had been dead for 3 days and 3 nights rose from the dead. That's a violation of natural laws. So we know that God has done that. Another singularity - in the beginning, God created the heaven and the earth. Scientists don't like singularities because it messes with all the laws they are trying to use. If it didn't do that, you wouldn't know it was a miracle and think it was just part of the natural process. MM says God never asks you to abandon reason, it is why He gave you a mind.
Commentary	Definition : Slavery	Today, when we think of slavery, we think of what happens years ago with folks being brought from Africa, to do labor and advanced the financial situation of the people that owned them. Bible has 4 different types of slavery: **TYPE** **REASON / SCOPE** 1. Indentured servitude: When a man owed a debt he couldn't pay, would sell himself into slavery until debt paid DEBT / LIMITED IN TIME Happened a lot in ancient times. If a man owned a debt that for whatever reason he could not pay, he would sell himeself into indentured servitutde as a form of slavery and he would work off his debt. Deuteronomy 15:12-15; Exodus 21:2-3; Philemon; Ephesians 6:5 The scope is limited in time. It was not a permanent position, no matter how large the debt was, he was not going to serve more than 6-7 years (in the 7th year he goes free). When set free, did not go out empty handed. Look at what you have to give him things to give him a start. Book : Edward Gibbon : The Decline and Fall of the Roman Empire - Wrote during the time of Jesus it was estimated that were were over 60 million people who were in indentured servitude. When Paul is writing the Book of Romans, that is the Roman culture at work. He is saying this to a lot of people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Slavery	2. Bondslave: Maybe started as an indentured servant, but when the time came to get let go, got engrained with the family and didn't want to leave VOLUNTARY / PERMANENT or forever Got so close to the family they didn't want to leave and do anything different. Voluntary, not required by law. Deuteronomy 15:16-17 3. Captive Slave: Babylon exile (Slavery of war), slaves in Egypt for 430 years (slavery of oppression) WAR / OPPRESSION Not talking about taking prisoners, 4. Human Trafficking: Kidnapping and sold into sex trade or hard labor trade MENSTEALERS - 1 Timothy 1:9-11 Someone goes somewhere else and kidnaps people and then shipping them somewhere else and selling them off. This happens even today where people are kidnapped off the streets and sold into the sex trade or the hard labor trade. MM says it is a world unless you know about it and research it, you never hear about it in the common news of the day. Usually impacts people on the fringes of society because those people don't get missed so much.
Commentary	Definition : Sola	Guys in the Reformation came up with this. MM doesn't agree with them all (GH: must be more of these). Sola Scriptura – which means God's message of salvation, is from scripture alone, for it is the word of God. [It's the scripture alone.] Solus Christus – which means our salvation is in Christ alone, for apart from Him there is no fellowship with God. [It's Christ alone.] Sola Fide – which means our salvation is by faith alone, as faith has no merit before God. [It's by faith alone.] Sola Gratia – which means our salvation is by grace alone. [It's through grace alone.] Soli Deo Gloria – which means that God alone gets the glory. [God alone gets the glory.] MM says he likes these.
Commentary	Definition : Son	SON: Used almost 300x in your Bible. It's used in multiple ways. Different Ways "Son" Is Being Used: 1) A Paternal/Genetic Son—Gen. 4:17 (1st use); II Sam. 19:4; Acts 16:1 (MM has 2 sons) 2) The 2nd Member of the Godhead; the Son of God; the Lord Jesus Christ Himself—Mat. 11:27; 16:14-17; Luke 19:10 3) A son in the faith—(Timothy & Titus - pastors under Paul - he is like a spiritual father) I Tim. 1:2; Titus 1:4 4) The believing remnant of Israel. Talking about them being regenerated son by faith in their Messiah and part of the family of God - With regard to your justification - have all 4 Justification mercies - John 1:11-13 - Paul has a different idea of a son in Romans 8. 5) ADOPTED SONS OF GOD - With regard to your sanctification, more than being in the family of God, something that happens that causes this to be more. Carries #4 further. - Romans 8:14-15 - Paul is like a dad/spiritual father to him/them. Sons of God includes daughters. Bible doesn't use Grandson or Grandfather.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Son of Man	Used in your Bible 193x. It is used all through the O.T., it's used all through the gospels, Jesus refers to Himself. Son of Man is a Messianic title that represents the dominion that is given to Jesus Christ by the Father over the earth. Represents His dominion over the earth. Paul does not use the term because the term has to do with His dominion over the earth. Paul's epistles are not about dominion over the earth, they are about the heavenly places. The last reference in the Book of Acts is in Acts 7 when Stephen says I see the Son of Man standing at the right hand of the Father and you think He is coming back to make His enemies His footstool. Next title is found in Hebrews.
Commentary	Definition : Sonship	Sonship is nothing more than your edification unto godliness - that's it plain and simple. It's taking your heavenly Father's Wisdom which is recorded in the FORMS OF DOCTRINE-Romans 6:17 in Paul's epistles and installing them into your heart so that you are being transformed from the inside and being conformed to the image of God's Son so that His Life can be lived in you and through you. That's all that is. If you don't want to call it Sonship, call it edification, MM doesn't care. This is the term by which MM understands all of the component parts of what we are doing so it is all kind of wrapped up in that phrase. Like using the term 'rapture' even though it is not found in the Bible. People say there is no word Sonship in the Bible but they are going to tell me about the rapture in the next sentence. It's the process by which we become a godly people and as godly people you are destined, this has been predestinated that you are going to be part of the Divine Council. It would be OK for everyone to be a fully educated son or daughter? MM says it would actually be better if you were a FES/FED to do all of those other jobs because they understand how they affect everyone else up the chain. In this world, they would say, oh you're overqualified, you can't teach general math in HS because you understand trigonometry. In Sonship, there is no such thing as overqualified, that just doesn't exist. The shortened suffix -ship actually comes from the word 'shape'. Sonship is to be shaped as a son. MM says this is a one-word encapsulation for a huge doctrine.
Commentary	Definition : Sonship	We are studying through Paul’s epistles in their edificational order for the purpose of being edified unto godliness and being conformed to the image of Christ. To God, our heavenly Father, our conformity to Christ is the most important thing in the world for every believer in Jesus. We are not just preaching through books of the Bible verse by verse, we are engaged in an edification process whereby we are being transformed, from the inside out, whereby the very life of Jesus Christ is being lived in us and through us. We refer to it as Sonship. It is radically different from anything else. To God, our heavenly Father, our conformity to Christ is the most important thing in the world for every believer in Jesus. Commentary	Definition : Sonship Attainment	Levels of Sonship Attainment (Paul's epistles are laid out as a curriculum and have definitive levels of attainment. When you move from 1 level to the next it is like a graduation.): - Adopted Son - Simple Son (by going through Romans. 1/2 Corinthians, & Galatians) - Young Man (by going through Ephesians 1-3, Philippians 1-2, & Colossians 1-2) Get the doctrine down in Ch 1-3 and it produces the Sonship level of the Young Man in you. - Wise Man (by going through Ephesians 4-6, Philippians 3-4, & Colossians 3-4) Get the practical application down and it produces the Sonship level of the Wise Man in you. - Man of Understanding (by going through 1/2 Thessalonians)
Commentary	Definition : Sonship Decision	MM made a Sonship decision on whether or not to include the attack on the Book of Ephesians. When he makes a decision, he is asking himself certain questions. He hears things that make him think people think I'm free to make my own decision. MM says you are, but that's not what making a Sonship decision means. You don't have to be a son to make your own decision, lost people do that every day. MM says when he says Sonship decision, you should make that decision out of the doctrine that you already have in you. It's not let me decide what I like because I'm free to do that and because nobody can tell me what to do because they're not my tutor and governor. That's not what a Sonship decision is. A Sonship decision means I am taking the doctrine that I know and I'm making the best decision that I can make based on that doctrine. A Sonship decision means that I am finding and applying doctrine to this decision that I have to make.
Commentary	Definition : Sonship Decision	Making a Sonship decision doesn't mean you are free to make your own decision. You are but you don't have to be a son to make your own decision. Lost people do this everyday. Making a Sonship decision is making a decision out of the doctrine that you already have in you. It's not about let me do what I like because I'm free to do that, nobody can tell me what to do because they are not my Tutor and Governor. That's not what a Sonship decision is. A Sonship decision is I am taking the doctrine that I know and am making the best decision I can make based on that doctrine. On the decision to include, the question was, will knowing this attack be beneficial to this body? MM thinks it will, at least for some folks. Will knowing how to answer this attack benefit this assembly? MM thinks it will. Then, will knowing the answer to this attack be harmful to members of this body? No. What if someone is I don't care/never heard of/don't think I will ever run into this/etc.? MM gets it but he would ask does it hurt you to hear it? Is it detrimental to your Sonship life to know about it? Does it hinder your edification? So when MM got those answers, they told him it might be a good thing to include it. Will be helpful/beneficial and even if you are not interested, it won't be harmful. If you don't feel you have a lot of doctrine down, MM is trying to teach you to ask yourself those type of questions on how this affects the body? A Sonship decision means that I am finding and applying doctrine to this decision that I have to make.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sonship : Process : Sonship Edification	GH: Edification process to transform=RENEWING OUR MIND Process : How to reinforce the doctrine, extol the greatness of our Savior, glorify our Father, give thanks to God (GH: besides through music): * Music (MM teaching Ephesians 5:18-19 and Colossians 3:16) * Group: poems, setting an example, speaking it, make cards up, living the doctrine, creating a routine * Memorize the scripture * Review the session * Read the notes * Discuss the doctrine and its application * Pray the doctrine * Write the doctrine in your journal
Commentary	Definition : Sonship Decision	MM made a Sonship decision on whether or not to include the attack on the Book of Ephesians. When he makes a decision, he is asking himself certain questions. He hears things that make him think people think I'm free to make my own decision. MM says you are, but that's not what making a Sonship decision means. You don't have to be a son to make your own decision, lost people do that every day. MM says when he says Sonship decision, you should make that decision out of the doctrine that you already have in you. It's not let me decide what I like because I'm free to do that and because nobody can tell me what to do because they're not my tutor and governor. That's not what a Sonship decision is. A Sonship decision means I am taking the doctrine that I know and I'm making the best decision that I can make based on that doctrine. A Sonship decision means that I am finding and applying doctrine to this decision that I have to make.
Commentary	Definition : Sonship Education	Sonship (what it is about: sons in status/sons in deportment) Education (what it is doing: informing us of our status/training us in our behavior or deportment) MM says “Sonship” because we are sons. We have a “status” of being sons and daughters of our heavenly father. That is what the “ship” suffix means. Refers to the status or position of whatever the suffix is added to. In this case, it's the status of being a son. EX Citizenship: the deportment (has to do with your conduct) of a citizen. We have been made sons of God but now He wants us to live like the sons He has made us to be. But you have to “know” about being a son before you can “live” out of that truth. Knowledge precedes practice. When the Bible uses language that is meant to be inclusive (of all males and females), it uses the masculine plural form; in this case, “sons.” Every believer in Jesus Christ is, in that collective sense, a son, no matter your gender. MM says “education” because I believe that is what Paul is presenting in his epistles, an education for His sons. - Education is accurately descriptive of what we are engaged in as we study God’s word together.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sonship Education	- OED: education: “instruction or enlightenment as imparted by a particular thing, or circumstance,” and “systematic instruction, teaching or training.” MM believes this is what Sonship is and that Paul's epistles are doing all of this. Educating us. instructing us, informing us (nothing you feel makes you think you are a son), enlightening us. He believes it's systematic. Systematic means it starts with the simple or the milk and moves to the complex or the meat. Every education that is put together properly does that. You can identify this principle in Paul's epistles. MM says if you don't view Paul's epistles as an education then you may not be educated by it. Romans Education : Simple Son: Justification (1-5)/Sanctification (6:1-8:13)/Adoption (8:14-15)/Establishment (8:16-39)/Dispensational Change (9-11)/Five Core Features of Godly Love & 4 Decision Making Skills [WJJE] (Romans 12:3-15:7) - Being a Simple Son is the first or lowest level that you attain to. All of the foundational things sitting in the Book of Romans. - OED: simple: holding the lowest or ordinary rank or position associated with a particular title or office
Commentary	Definition : Sonship Education	Ephesians 1-3 (Doctrine): Young Man, Pt 1: Ephesians 1-3, Pt 1 (learn the doctrine): Getting the doctrinal instruction. Being told some things that you need to comprehend and you are being educated in that doctrine. In the YOUNG MAN level of our education, we learn about things we possess in Christ. * Blessed with all SPIRITUAL BLESSINGS in Christ-v1:3-14 Seated with Him in HP Holy & without Blame before Him in Love Adopted/Predestinated unto the adoption
Commentary	Definition : Sonship Education	Accepted in the Beloved: Don't need to pray like David in the Psalms (oh God please hear my prayer) because you are ACCEPTED IN THE BELOVED Free: you have been regenerated or redeemed through His Blood. You have been set free from sin and from the consequences of sin in your life and now your life has purpose and meaning. Forgiven of every sin, not only the ones you had committed when you trusted Jesus Christ as your Savior, but all of the sins that you would ever commit in the future are paid for by the Blood of Christ. And that becomes the basis now by which we forgive others because we've been forgiven. Wisdom: He has abounded toward us in all WISDOM AND PRUDENCE. God wants this wisdom to conform us to the image of His Son. He didn't just save you so that you could go to heaven. He saved you so that you could be transformed and you could understand what He is doing and you could labor with Him in His Business. Happens by this wisdom renewing our minds and the affecting us, transforming our inner man.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sonship Education	Mystery of His Will: God has a great plan for His Son and He wants us to know about it because we are meant to have a part in it. Inheritance Predestinated to the purpose of His own will: predestinated to be conformed to the image of His Son To be to the PRAISE OF HIS GLORY Sealed: we have been sealed with the Spirit until the day of redemption * The hope of His CALLING: God has called us to do something important that He wants us to be able to do. * The riches of the glory of His INHERITANCE in the saints * The exceeding greatness of His POWER to us-ward - He will provide all that we need
Commentary	Definition : Sonship Education	* The FELLOWSHIP of the mystery * The manifold WISDOM of God - we are supposed to make that MANIFOLD WISDOM known the principalities and powers * To pray like Paul - PRAYER - learn to pray like Paul * We can be strengthened in our inner man - SIYIM - part of Paul's prayer * To be filled with all the FULNESS OF GOD Philippians 1-3: Young Man, Pt 2 Colossians 1-3: Young Man, Pt 3
Commentary	Definition : Sonship Education	Ephesians 4-6 (learn to put that doctrine into practice): Wise Man, Part 1: MM says if you know doctrine and you are not living out of that doctrine, what good has it done you? See why this would be the WISE MAN. God doesn't want you to stop at knowing the doctrine, He wants you to put that doctrine into practice in your everyday life. Take the knowledge you got out of Ephesians 1-3 and put that into practice in your everyday life. Means you have been given everything you need to do what God is going to ask you to do. MM says our prayer is not 'h God, please help me do this', He has already given you everything you need to do it. Now it is going to concern putting that into practice. You can't be a WISE MAN in and of yourself but you can be through Him.
Commentary	Definition : Sonship Transformation Step 1: Unsaved Man (Spiritually dead)	This man: - does not have the Spirit of God in him - is spiritually dead in trespasses & sins - The “junk” you see in him are all of the wrong beliefs, thoughts and behaviors, that the world, flesh and the devil have built into him, along with the mental, emotional and physical EFFECTS/consequences that come from those. - His status is condemnation

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sonship Transformation Step 2: Saved Man (Spiritually alive)	This man: - He has the Spirit of God in him - Romans 5:5 - He is a new creature in Christ - 2 Corinthians 5:17 (newness is in his new identity) - He is quickened – made spiritually alive - GH: Ephesians 2:1 - His status is Justification (Righteous) - But, all the “junk” in him from his past is still there. He is still contending with the same flesh patterns as before he was saved, and this will hinder his edification. - He has a totally new identity in Christ, all the components of his old identity have been done away with (he has died to his old identity).
Commentary	Definition : Sonship Transformation Step 2: Saved Man (Spiritually alive)	- Need to learn to live for God. Hear stories of people doing that immediately quitting something it was in the energy of their flesh, not the effectual working of God's word in them. It's their self-righteousness and not the righteousness of Christ being produced in us. All of this comes from something that we are thinking. But people concentrate on the behavior. The right way to do it is not changing your behavior but changing what you think. People don't realize everything they are doing is a result of what they are thinking. - EX World thinks hate your enemy, which results in ungodly behavior. Say you need to quit hating your enemy but that's really hard to do unless you know to replace the untruth with the Truth. Replace 'don't get mad, get even' with Romans 12:17-21 and Ephesians 4. What is changing is what he is thinking. - He now has the capacity to live unto God, something He could not previously do, not because of what he did, but because of who he was (in Adam). It does not mean that his old sin habits or flesh patterns, his old way of thinking, his old likes and dislikes have automatically gone away. We try to modify our behavior without changing the thoughts that are driving that behavior. That is an effort of the flesh, and results in the “wretched-man” syndrome that Paul wrote about in Romans 7:24. As God’s truth effectually works in you (the renewing of your mind) it transforms you on the inside, producing the character of God’s Son in you, and thusly changing your behavior.
Commentary	Definition : Sonship Transformation Step 3: Transformed Man (Spiritually alive)	- Gone through the steps to transformation. Got rid of that wrong thinking and replaced with the truth, resulting in the affects of that going away. Has replaced/pulled down all of Satan's strongholds and replaced them with the Truth from God's word. - God is not going to do your part in Step 3 or Step 4. He has done everything you need in order for you to do your part. but He is not going to do that work for you. And no one else can. You have to do it between you and your heavenly Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sonship Transformation Step 4: Edification/Conformed to the image of His Son (Spiritually alive + fulness of function)	- He is learning the FORMS of doctrine and the 5 core features of godly love generated in you so you begin to live out of that and it changes your behavior and you begin to live out of that and you are not fighting it. - See the character of God's Son being put on display in your life.
Commentary	Definition : Soteriology	Doctrine of salvation
Commentary	Definition : Soul	SOUL: It's the real you, it is who you are. Immortal - doesn't vanish or cease to exist. Where your mind, will, and emotions reside. There's a real connection between your body and our soul because someone can make you feel bad without even touching you - say something bad about you. It an affect everything about your being. Made up of 3 parts 1. Mind: Not your gray matter brain, your heart; Bible uses the term heart. Consciousness is also part of our soul. 2. Will 3. Emotion God put a connection between your soul and your body that allows your soul to interface with the physical world. The real you is your soul. A body without a soul is a corpse. He is not turning us loose as bodyless souls in eternity. Only reason he gives you a body is so you could interact with a phyiscal universe. Means for you to interact with the creation in very specific ways. Once we have trusted Christ, our soul is positionally saved, which means when we die, it will join our spirit in eternal life. But functionally, our soul is in the process of being saved, in the sense of being “saved by [Christ’s] life” in us (Romans 5:10). This is the process whereby we are conformed to the image of God’s son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul	Two ways people see the soul - two different ideas on how a person gets their soul - Bible doesn't seem to give us a conclusion on how this process gets done: 1. Traducianism: the idea that in conception, two things come together (the sperm and the egg). And when they do, those two things cease to exist and a brand new substance comes into existence (the zygote). The Traducianist believes that neither the sperm nor the egg have a soul, but when they combine in fertilization, that new product is ensouled as a natural part of the process; a process which God Himself put into place. If this is true, then we got our souls from our parents, but ultimately, we got them from Adam and Eve. MM agrees with. 2. Special Creationism: the idea that every soul is specially created by God and comes “from above.” In this case, we indirectly got our souls from our parents and ultimately from A&E in the sense that if there were no conception, there would be no special creation of a soul. There are verses that seem to support this theological stance too. MM finds it hard to believe that God is sitting up there in Heaven with a sack of souls passing them out when human fertilization goes on. Would have still got our soul from Adam & Eve because if there was no conception, God wouldn't have sent a soul down. Still depends on the conception. Most people in the west like the special creationism idea because we really promote the idea of indivdualism. Like to think of ourselves as separate units and we are not really connected to anybody else. This is the exact opposite of a lot of cultures. They always think in terms of the collective and the connection to others. Either directly or indirectly, you are going to get your soul from Adam & Eve.
Commentary	Definition : Soul	Part of you that is invisible, eternal, immaterial, non-physical essence of who you are - the real you. Soul is who we are; your soul is the real you. We are non-physical beings. It is the soul that gives life to the body. You are an eternal, immaterial being of a soul. A body without a soul is a corpse/dead, it's not the other way around. Your soul gives life to your body, your body doesn't give life to your soul. Brain is conneccted to the mind in your soul and that's where things originate. It is our soul that lives in this physical body and organizes our life and causes to view that. Your soul has been formed by those 2 things MM has been talking about. As a result, how we see the world right now and how we see the future is a result of who we have become in the depth of our soul. God put our soul into a physical body so we could interact with the physical world. If we were just a soul, while we could think and have consciousness, we would not be able to interact with the physical world or experience life in it. Our soul animates our body. By its nature, a soul is everlasting. A soul is eternal in the sense that, as an immaterial being, it does not age, wear out, get tired, or get sick. It cannot be injured in the sense that its function is impaired, and it cannot be killed. Animals have a soul and to the extent that they possess consciousness, they too are eternal beings which means that we at least have to entertain the notion of eternity for them either through resurrection (perhaps in connection with the new earth) or some kind of eternity. Animals were affected by the fall through no fault of their own, but suffered under Adam’s federal headship. If we believe the Lord God will restore that which was affected by original sin, then He will provide for certain of the animals too. A soul does not require a body to think, communicate, reason, see, hear, feel, etc. The real you is a soul in a body. Your soul animates your body. Body may die but the real you will continue right along. Still will have the ability to think and communicate.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul	(MM teaching on EVERY SOUL-Romans 13:1) Greek philosophers used to say that your soul is like a little peanut that tucked away somewhere down inside of you and it's invisible. MM says that your soul is invisible but your soul has a bodily shape. Think of it as an inner tube inside a tire or the bladder inside of a football. GH: See Luke 16:19-31-Lazarus & the rich man passage. It takes the shape of the container that it's in. MM says there is a connection between your physical body and your soul & spirit. So much so that when something happens to you that discourages you or depresses you or makes you fearful, if something happens in your soul in that way it has effects in your physical body. There is some connection there that links your spirit and your soul and your body together. That link between your soul & spirit and your body is severed when this body dies and your soul and spirit leave the body and the body goes into the grace. Today, if a man is lost when he dies, his spirit & soul will go to hell. If a man is saved when he dies, it'll goes to the third heaven. You soul can't be touched by any physical means (Matthew 10:28). If a man dies and is in an unjustified state, he has lost his soul because that is the eternal part of him that is going to spend eternity somewhere (Matthew 16:26). Soul is the seat of emotions. Your soul is also part of that. It senses emotions of various kinds. Philosophers think your soul is some walnut sized thing inside you that's invisible. MM thinks your soul has a bodily shape. EX Guy loses his hand in an accident and one day his hand itches. MM is not sure if your hand itches. See Lazarus & the rich man story and the physical body parts after their souls and spirits left their physical bodies. Somewhere within the soul is the spirit. MM says sometimes body, soul, and spirit are drawn as concentric circles but he doesn't think that is as they are. Soul(SUFL): Made of up 3 parts.
Commentary	Definition : Soul Component 1 : Mind	Mind: What is going on when the Bible talks about your heart. Not talking about your brain. In your Bible, when someone dies, that physical brain decays and corrupts away. There is a connection between your brain, and your mind that is part of your soul. Ties to saying, 'he has head knowledge but he doesn't have heart knowledge'. Means he knows the facts, but that hasn't made any impact on what he knows/thinks or does or any of that kind of business. When information gets down in your soul, that's when information changes you.
Commentary	Definition : Soul Component 2 : Will	Will: - Your will is the executive center of yourself, of who you are, the real you. It is the part where you, and uniquely you – and this is important – initiate processes, cause events to take place and bring things into existence. - While we will never be the Creator God, we are meant to be creators of some (GH: good) things which will be to God’s glory. This “creative process” will be a big part of what we will be doing in eternity/in the AGES TO COME. - Your will is the most precious part of you and God Himself respects it; and why wouldn’t He, He made it. God respects our will so much that He will allow people who do not want to be with Him, to be away from Him. And He will not override their will. EX Praying to God for a loved one to be saved is praying to have God override their will. He is not going to do that.
Commentary	Definition : Soul Component 3 : Emotion	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul : Ephesians 3 Commentary	DEFIINITION: SOUL: The soul is an immaterial substance that contains consciousness (not is consciousness) and animates (that makes living or gives life to) the body. MM drawing of a chest of drawers. The soul is like a chest of drawers and every drawer is a little different. I am a soul therefore I am an immaterial substance with different component parts. Can't take any of these drawers out, they come with your soul. Don't think of your soul as having removable parts, think of it as a whole. MM comparing these to the organs in your body. The soul comes first. MM is not saying that the soul is consciousness, but rather that it has consciousness within it. The soul is a very complex thing. Just as you have one body with a number of "organs" within it, in the same way, your soul has "organs" within it too. Just as the organs of our body have a distinct function within the body our soul has "organs" which also have distinct functions.
Commentary	Definition : Soul : Ephesians 3 Commentary	Analogy: Drawers in the chest and because you are a soul you automatically have all of these things: - Drawer A - MIND: Drawer in the chest. Don't confuse with your brain, which is a physical organ that one day is going to die. A body has a brain. A soul has a mind. When the Bible talks about THE MIND OF CHRIST-1 Corinthians 2:16 or the RENEWING OF YOUR MIND-Romans 12:2, it is talking about this part of your soul. The mind has sub drawers or states of consciousness or conscious states - all come out of the mind, all a product of the mind: MM says there may be more than 5. * Sub-drawer 1 - Concepts: an abstract thought, like formulas in algebra. * Sub-drawer 2 - Thoughts: Can be right or wrong. * Sub-drawer 3 - Beliefs: Something you think is true but may not be. * Sub-drawer 4 - Volitions (Free Will) * NOTE: Sub-drawer 5 - Sensations - A sensation is a state of awareness or sentience; a conscious awareness of sound or pain. Sensations that take place in your soul can happen OUTSIDE my body (look at someone's shirt and notice the color or hear the A/C unit running - you sense that). Can also sense things going on IN my body (someone scratching an itch, pull a muscle, pain) - Emotions are a sub-class of sensation. They are a little bit different. They are a form of being aware of things. Can be aware of something in a happy state or sad state or angry state.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul : Ephesians 3 Commentary	- Drawer B - SPIRIT: Drawer in the chest. Your spirit has a particular function in your soul. It is the organ that died when Adam fell. Your spirit is part of your soul. It's not a physical thing, it's an immaterial substance. How do you pass this down through a physical birth? Difficult question because you can't pass down spiritual things through physical things. No one knows what's in your mind except you-1 Corinthians 2:11. If a man has not trusted Jesus Christ as His Savior, he is unregenerate. And if he is unregenerate, then his mind has no true personal knowledge of God and his spirit is dead. (GH: If he becomes saved,) The Holy Spirit then regenerates that man, sanctifies him as a believer, and now the Spirit of God comes to live in his human spirit and begins to illuminate him about God. Once a person trusts Jesus Christ, the Spirit of God takes up residence in his soul in his human spirit. The Spirit of God takes the word of God and begins to work that word so that your mind gets renewed and things begin to change and transform you in your soul. It begins to affect all of that. MM says if what you are looking at is made up of parts to become a whole, it does not have a soul. If the parts come first, it doesn't have a soul. If the whole comes first and it has parts, but the whole was into being first, it has a soul.
Commentary	Definition : Soul : Ephesians 3 Commentary	- Drawer C - SENSATIONS/Consciousness: Drawer in the chest. MM is feeling a marker - the cap, the ridges, the shape - he is feeling it ultimately in his soul. Feeling pressures on his nerves and then signals to his brain which then transfers that to his soul so in his mind, he has the thought, maybe even the belief that there are little ridges on that cap. He can look down and see them but where he is really seeing it is in his soul. This doesn't bypass the real you. It can't. If it does, you don't have a soul. You are just a meat wagon with a brain. But if it is in your soul, something is going beyond this. Because we are so dedicated to the hard sciences, everything stops with what we can observe, where all this process stops being examined at the brain. You can't test a soul or put it under a microscope. Same with your spirit. So there's a big mistake made by the physicalist that you are just a body with a brain and when you die, that's it, it's all over. There is no soul. The problem with that is it's not true but the reason they think it is true is because that's as far as the hard sciences can take you. And if the sciences can't deal with it, then it doesn't exist. Emotions are subclasses of sensations and so they are forms of awareness of things. In other words, I can be aware of something in an angry or sad way. Emotions are what they are, can't be right or wrong OR true or false.
Commentary	Definition : Soul : Ephesians 3 Commentary	How many faculty members are in a soul? Depends on what you are talking about. - EX primitive forms of life you can see under the microscope and they have sensations. They are moving around and bumping into stuff and reacting to heat or something else. Probably nothing going on in their mind that they are thinking and reasoning and having thoughts. Probably just sensation. - EX A higher form of life like a dog - has thoughts. It has faculties in its soul above that of a primitive type animal. - Mind: Is a faculty of the soul. We cannot separate our mind from our soul. The mind and the spirit are inseparable parts. Even though they are parts of the soul, you don’t want to think of the soul as being made up of all these parts. Don't confuse with your brain - that's a physical organ that one day is going to die. If unsaved, mind has no personal knowledge of God. Everything he knows would be something someone else said. States of the mind.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul : Ephesians 3 Commentary	
Commentary	Definition : Soul : Ephesians 3 Commentary	- Spirit: Is a different faculty of the soul. The organ that died when Adam fell. When Adam sinned, his body or brain didn't die, his spirit died. Saved, Spirit lives in your human spirit. He takes the word of God and works it in you so that your mind gets renewed and things get transformed in your soul. Can't pass down spiritual things through physical things. - Sensations: Perceive the green shirt, hear the A/C running, your shoulder itches. A sensation or awareness of science MM sees Clifford shirt and he sees green. Can also feel sensations in your own body (pain). Emotions are a sub-class of sensations. They are a form of being aware of things - can be aware of something in a happy state or sad state or angry state. But sensations are not the product of the mind. The mind, the spirit and sensations are all separate faculties of the soul. Sensations are one kind of consciousness, while thoughts, beliefs, desires and volition are the other four. Sensations are not the same things as thoughts. Thoughts can be true or false, sensations can't. Emotions are not the same thing as beliefs. Beliefs are things we take to be true, emotions are things we feel. All of these faculties have causal correlations in the brain. But, we are not our brain.
Commentary	Definition : Soul : Ephesians 3 Commentary	There is an idea out there that we are only meat wagons with brains, and that there is no soul. But I want to say two things about that: 1) once again this is because we think the hard sciences (which can offer us absolutely nothing about the soul or spirit) are the primary means of discovering who or what we are (and that is false), and 2) there are things that are true of me (my soul) which are not true of my brain and body. And if that is the case, then I cannot be just a brain and body. I (as a soul) am able to be separated from my body (disembodied), but my brain is not. We could say our spirit is an "organ of our soul." Our spirit has a particular function in our soul. The spirit is the organ that "died" at the fall of Adam, and is regenerated at conversion. How this "being dead in trespasses and sins" has been handed down from Adam is a bit of a mystery, for spiritual death cannot be passed down to successive generations by anything physical. Our fallen condition is not the result of our genes. Once a person has trusted Christ as Savior, the Spirit of God takes up residence in their human spirit. It is in our spirit that the word of God is effectually worked by the Spirit of God to transform us by the renewing of our mind.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul : Ephesians 3 Commentary	DRAWNING OF A BRAIN and your soul: MM says there is a casual correlation going on between your brain and your soul. MM says it is like the brain is like the interface that allows the real you (GH: your soul) to not only sense the things that are going on with your body, but to be able to move and animate your body. So it is not just the brain moving it. You say well the brain fires and the muscles contract and MM says that starts in your soul to your brain to your body part. There are things true of your soul that are not true of your brain and therefore, you can't be your brain. Your soul is dis-embody-able. Means your soul can be separated from your body and it still lives. Not only does it live, it hears, it speaks, it reasons, it has memory, it can communicate, it can feel because that's where all of that is actually taking place anyway, in the real you. MM says you can damage your brain and it may look like you can't form sentences or speak correctly or reason, but that didn't suddenly make your mind go nuts. It's just the thing that translates from here. If you damage the brain it's like the translator got damaged. The problem is not with the original signal. GH: When you die you will find your mind in perfect working order. See Luke 16:22-28 & Revelation 6:9-10 commentary.
Commentary	Definition : Soul : Ephesians 3 Commentary	MM tells stories of people who were clinically dead and they heard and saw the doctors working on them. You can take the soul out of the body and it still does all of the things that it does. If you take the brain out of your body you will not be hearing or seeing or talking. Not possible to remove your brain from your body and your body to keep functioning. Means you can't be just a brain in a body. The human soul has immortality but it is not necessarily immortal. The soul in and of itself is not immortal. It is immortal only because God sustains it. If something happens to your body where your body can no longer live, your soul continues to live and feel and all of that. The reason you get to keep living today is because God is personally sustaining you every moment. When your body dies, the Lord is still there, sustaining your soul. If God 'went away', we would too. Ought to give you an idea of just how big God is because He is doing this not just for us, but for all of the creation, every point in the creation. Not ethereally like He is just some vapor kind of thing that kind of pervades through. He is fully present at every point in His creation. Kind of the point of omnipresence. God could and has the power to annihilate a soul and just stop sustaining it. The whole reason you are going to make it to eternity and then live in eternity is because He is going to sustain you.
Commentary	Definition : Soul : Ephesians 3 Commentary	The natural state of your soul, the way that its made is to be in a body. The soul works best in a body. It's actually designed to do that. So in eternity, you will have a glorified body which will match your soul in that it's not going to grow old, get sick, get hurt, get run down, it's not going to do any of that. God will put us in a body because He wants us to interact with the physical creation and He means for us to do that so we need a body to best be able to do that. Your soul can exist without a body. MM used to think we would get a temporary body between death and the JSoC based on 1 Corinthians 15. Now, he is not so sure. We don't have to have an interim body. We don't the glorified one until the BLESSED HOPE-Titus 2:13. We were made a living soul, like Adam. So if that's who you really are and that's where everything is really going on, that it really doesn't stop at your brain, doesn't it make sense for Paul's prayers to say, I want everything that you are interested in, I want everything that you're preparing, let all of that be about the real you (your soul), not your body. The reason Paul doesn't care about the physical things is that your outward man will perish but your inward man can be renewed day by day-2 Corinthians 4:16. Don't worry, one day you are going to get a new outward man.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Soul : Ephesians 3 Commentary	Some people say: - Spirit: Inner man - Soul: Outer man - MM says no, it's this flesh and blood body. - Body: Most outer man That's not how the Bible talks about it. MM says when we can see in Ephesians 3:16 that God can strengthen us in our inner man by the greatness of His transforming power, it should cause us to stand in awe of Him and of His glory and the genius of what He has done.
Commentary	Definition : Soul Sleep	Soul sleep is a belief that when the body dies, the soul goes to sleep until…it gets another body at the resurrection. But MM says there will be a body given before the Resurrection. (GH: MM may think differently now?) Doesn't think your soul and spirit will be up there drifting along in the ether. EX AND WHITE ROBES WERE GIVEN UNTO EVERY ONE OF THEM-Revelation 6:11. Sleep is always describing your body NOT your soul.
Commentary	Definition : Sovereignty	You can still accomplish Your Will without violating the free will of anybody else on the planet. No matter what people do or don't do, Your Will will still will come to pass in the end.
Commentary	Definition : Spirit	(Human) spirit: Immortal - doesn't vanish or cease to exist. Spirit: You have a human spirit and your human spirit has been formed. It has turned into a certain character. The experiences we go through in our life and the choices that we make every day, those things are actually forming what character our spirit is going to take on. Jack Hyles: You are what you have been becoming. This is the whole idea here. It is from our spirit that we make choices and act, not out of our body. You are sinning now because what is happening in your human spirit. SPIRIT: OED: -7) the frame of mind as operating on or in persons -8) a particular character or disposition existing in, pervading, or animating a person or set of persons; a special attitude or bent of mind characterizing men individually or collectively. Located somewhere within the soul. When you got saved, your spiritual identity changed from in Adam to in Christ. Nothing changed with your physical body.
Commentary	Definition : Spirit	Our spirit is the place where the Spirit of God resides within us. Prior to salvation, we are spiritually dead. We have a human spirit which functions before we are saved. But that spirit is incapable of influencing us to obey the doctrine. It is our spirit that allows us to interact with ourselves. It is our human spirit that makes us self-aware. When we trust Christ, the Spirit of God takes up residence in us, in our spirit, and we become spiritually alive. In other words, our spirit is saved. Immediately upon our trusting Christ, our spirit is as saved as it is ever going to be from a positional standpoint and a functional standpoint. With God's Spirit within us, we can now interact with God. The Spirit of God is the intermediary between our human spirit and God. It is through our spirit that we understand the things of God. This is why the natural man (the man controlled by His soul) thinks the things of God are foolish. The saved man (spiritually alive) that lives out of his spirit instead of his soul, Paul calls this man "spiritual." MM tying this to 1 Corinthians 2:6-16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spirit	Spirit(JUEL): Your spirit has a job to do in you. If you didn't have a spirit, you wouldn't know who you are. You wouldn't be self-aware. It is your spirit that allows you to know that you are and to understand the things around you. GH: MM tying to 1 Corinthians 2:11. So the reason you are able to know what you're thinking and actually have those thoughts is because you have a spirit. Your spirit has a job within you that makes you a self-conscious being. Your spirit allows you to have a connection with other spirits, even malevolent spirits. It allows you to have real communion with another human. Your spirit is for connecting to other spirits. That means our human spirit was naturally able to connect with the spirits of other people and any other spirit creature such as Satan or any of his minions. That is a real advantage for Satan! He has unfettered access from our childhood onward; plenty of time to build up strongholds in us. When you are born into this world, you start to get influenced by the things that Satan has already put into motion. They were put up by the time we come along. MM says that's a real advantage for the adversary because he begins influencing people really early on.
Commentary	Definition : Spiritual	**3-fold quality of spiritual:** **1) Gets into your mind (inner man)** **2) Seeks to motivate you (in this case, restrain sin & promote good)** **3) Seeks to change you (in this case, produce functional life)** Spiritual - Touches your heart and mind - Motivates you to do good GH: Tied to Law vs. Grace and Sanctification
Commentary	Definition : Spiritual Blessings	Every member of the body of Christ receives all of them/all the spiritual blessings (Ephesians 1:3) o Everyone who has put their faith in the finished work of Jesus Christ on the Cross automatically receives all of these blessings, whether you know about them or not **All of these blessings are unconditional** o There is no conditional “if” as in Israel’s program - no IF/THEN o If you are saved, you are in Christ. o If you are in Christ, you get all of the spiritual blessings because that is where they are all in Him o God’s blessings to the believer under grace are unconditional because they do not depend upon us, but only on the finished work of Christ who provides them and God the Father who gives them
Commentary	Definition : Spiritual Blessings	**All these Blessings are complete** o We have been blessed with ALL spiritual blessings; nothing is missing or left out; nothing overlooked o In Christ we have been given everything we need in order to fulfill God’s purposes in us **All these Blessings are spiritual** o Unlike many of Israel’s material blessings, today under grace God is providing blessings for the inner man (soul and spirit)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Blessings	**All these blessings represent the greatest wealth in the universe as far as God is concerned**. These are things that cannot be purchased with silver or gold. They cannot be gotten any other way than by being produced by God Himself and then given to us as a free gift of grace. Much of the work that God is doing is "in" us. That is, we are edified unto godliness; we are being conformed to the image of Christ. Although this is a supernatural work that takes place in our soul and spirit through God's word and His Spirit, there is no outward miracle for anyone to see. The other part of the work that God is doing today in this DoGG is to work "through" us. That is to say, to have the life of His Son being lived in us on a moment by moment basis. Again, this is a work that begins in us and works its way out in our daily conduct. The outward work of visible miracles is not God's greatest work, it is the transforming work (edification) that takes place within us that makes us into the godly creatures we were created to be.
Commentary	Definition : Spiritual Blessings	SPIRITUAL BLESSINGS: Received the moment we trusted Christ as our Savior. As sure as if we have them already. Paul enumerates some of those blessings that unless we were told about them we would never known about them. No matter what happens in the physical circumstances of our lives, you do have these spiritual blessings: 1) chosen to be holy and without blame (vs. 4) - Paul starts out with a really big one; absolutely huge; comprehend and it will change your Christian life 2) predestinated adoption (vs. 5) 3) accepted in Christ (vs. 6) 4) redemption (vs. 7) 4a) Forgiven 5) abundance of wisdom (vs. 8-9) 6) inheritance (vs. 11) 7) sealed with the Spirit (vs. 13)
Commentary	Definition : Spiritual Blessings	Spiritual Blessings are ALWAYS true no matter what your circumstance. Spiritual Blessings - First you need to commit them to memory. If you can't commit them to memory, you cannot interact with the during the course of the day unless you're carrying your notebook or Bible with you. MM implying these are all part of your heir of God inheritance. (BAARF-AIS - Believers are always ready for an incredible salvation.): 1. We are blameless (from the Father) - we are made to be holy and without blame before Him in love. That's our position in Christ. He is going to confirm us to be blameless all the way to the end of our life or until the Day of Christ. 2. We are accepted (from the Father) - He accepts us for who we are and we have access to Him. 3. We are adopted (from the Father) - Means you get to participate as part of your heavenly Father's Business. 4. We are redeemed (from the Son) - Paul uses this word through his epistles. 5. We are forgiven (from the Son) - The combination of the last two keep showing up in Paul's epistles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Blessings	6. He has abounded toward us - Means He has given us an abundance of wisdom and prudence here. He has taken us into His confidence here. He has revealed that to us. 7. He has given us an inheritance - eternal life is at the very heart of this inheritance. We have all of these through THE RICHES OF HIS GRACE-Ephesians 1:7. All part of the Heir of God inheritance. Saved people who never read their Bible, never pray, GH: never tried to get Christ living His Life in them, will still get this inheritance. MM says that's grace. For sons/daughter living out of the doctrine, blameless in their functional life will be JOINT-HEIRS WITH CHRIST-Romans 8:17. 8. We are sealed with the Spirit - GH: means are position in Christ is eternally secure no matter what we do. The spiritual blessings give glory to God for what He has done for us. Let us rejoice in; love God for; and be thankful for all these spiritual blessings. These are things that are supposed to set our godly thinking regarding the fulness of the blessings of the gospel of Christ.
Commentary	Definition : Spiritual Blessings	Why we need to know about them: 1. These blessings are going to add to the “mercies of God” which are meant to cause our love for God to increase and abound by demonstrating how good God has been to us. 2. Knowing about these spiritual blessings are meant to encourage us by revealing the glory of what it means to be in Christ. 3. This knowledge of our spiritual blessings also works to inform us about things that are waiting for us in the future. 4. Understanding about these spiritual blessings reveals more about who we are in Christ, so that we might live accordingly. 5. This knowledge is part of our edification; part of the doctrine that works to conform us to the image of Christ. 6. Knowing about our spiritual blessings gives us an understanding of our spiritual fitness in Christ and, at the same time, sets the stage for our instruction in godly living.
Commentary	Definition : Spiritual Blessings	SPIRITUAL BLESSINGS (A&E had these pre-fall) RESULT OF THE FALL (consequence) THE WORLD'S (culture you were born into/grew up in) FALSE FORMULA (replacement) 1. Security Fear You need to gain status/recognition in this world->Security (safe in the presence of God/provision) (I WAS AFRAID-Genesis 3:10) 2. Acceptance Rejected Appearance: 1. to be admired 2. to fit in 3. Significance Guilt & Shame Performance (what you are able to do) / Accomplishments NOTES: - The world tries to make you feel that you don't have any of these things and then offers you a way to get them. - God's way is getting these back IN Christ. It all gets restored in Christ and it is not this cheap world imitation. What Adam & Eve were given in the beginning so they truly had that with God. Now, we are given an opportunity to get all of that back.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Blessings	- See that the spiritual death is way more important than the physical death. - You can have all of these IN Christ and it really won't matter what the world says about it. - MM says we all bought into the world version before we came to Christ & we know Satan is behind it-Ephesians 2:2. When this is really working in your inner man, you won't need the world's version. - We carried the 'cool kid table' model into adulthood. Why we need to renew our mind and begin to think about things differently and from the standpoint of the word of God.
Commentary	Definition : Spiritual Fitness	Spiritual Fitness: Things needed for God to utlize anyone in His Business (whether it be in Israel's prophetic program or in the body of Christ's mystery program): 1. Perfect Justification (component 1 of spiritual fitness) [+R} (have to have that in place in order for you to really live as a son or daughter of God) 2. Perfect Sanctification (component 2 of spiritual fitness) [+Holy} How to get it: - Produce it yourself (Law (Old) Covenant) - God gives it to you by His Jehovahness and grace (Palestian Covenent, Davidic Covenant, New Covenant) Spiritual Fitness generates the understanding of what your Heavenly Father has done for you by giving you the moment you trusted Christ as your Savior. Got perfect justification and perfect sanctification as part of the package. If you don't have spiritual fitness, no matter which program you are in, you cannot be utilized by God in His purpose for that program. Just have to learn to NOT go and try and produce it, that's back under the law. Mentioned 28x in 23 verses in your Bible in your Bible. From Genesis to John, it is mentioned 1 time. Outside of Paul's epistles, there is also 1 verse in 1 Peter. Every other mention is in Paul's epistles.
Commentary	Definition : Spiritual Fitness	It is a prerequisite for: - Adoption (Sanctification is what makes you a son, you have to be a son to be able to be utilized by your Father) - Educated/Education (no further requirement other than salvation) (not in the list - How smart are you? How long have you been saved? What church do you go to? Do you come from a Christian family? Was your daddy a preacher? - Labor with Him (get educated in this life now so we are qualified to labor with Him in eternity) - How to utilize in your life so you are actually living under God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Merchandise of Wisdom	About 9 pieces of merchandise you will be able to purchase through the Sonship education and your godly wisdom. You are expected to buy them. Gain will be gotten by this wisdom. Better than things money can purchase. Because the things you can purchase with your wisdom you can take with you. Eternal, not temporary. Take it with you to do your job up there - buying your tools for your eternal vocation. Don't want to get to heaven and say here I am, what do I do? What if angels asked you where are your tools? We will use spiritual money from our godly wisdom to actually purchase merchandise. Not cars and houses but better than cars and houses. 1. A Reputation (to angels) [GH: name]: As you begin to get educated/move along/get those godly decision making skills, you are going to be able to purchase a reputation because you are going to be known in the heavenly places. Purchase in the Romans 12:3-Romans 16 curriculum and will begin when you put on the ARMOR OF LIGHT in Romans 13:12. You know you will be getting a name. There will be a conversation that is happening about you.
Commentary	Definition : Spiritual Merchandise of Wisdom	2. Godly Happiness: You will get godly happiness, not the kind that is generated by the flesh. Proverbs 3:13-15 is the exhortation in Israel's program. Get same exhortation from Paul. 3. Godly Skills: Skills you are going to get in the curriculum from Romans 12-16 - WISDOM, JUSTICE, JUDGMENT, and EQUITY. Much of what you are going to do in getting those 4 decision-making skills is going to have to do with you being able to work with angels in eternity. These skills will teach you some things. Learn to combine these skills - use 1, 2, 3, or all 4 at the same in a single decision. Put these into practice in your life and you'll get better and better and more skillful as you do. You will get godly skills - will purchase those through the education. The wisdom you will get will allow youto purchase these skills. The skills that you will take with you in the heavenly places that you can't buy with silver and gold. MM hopes by the time his time comes, God will look at him and say that guy is rich. He has the riches of Jesus Christ. Not defined by anything the world understands but he is taking ever bit of that with him. Be with him forever. 4. Position in the heavenly places: Should begin to view your life on earth as 'practice' for your vocation in the heavenly places. The more wisdom you attain, the more skills you acquire, the better you get at them, you are buying yourself a higher position in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Merchandise of Wisdom	The highest position you could attain to in the heavenly places is that of a principality. Structure: (GH: old interpretation) - Principality - Power - Others - Might, Thrones, Dominions Some verses list in reverse order because thats' the way you're going to achieve it as you go through the education. See how wisdom allows you to purchase another position in the heavenly places. There is something connected with what you are doing in those heavenly places that directly impacts the glory that is givein to God. This really isn't about you and me, it's about glory to Him. 5. Experience: get in 2 particular areas: (1) Dealing with other members of the body of Christ. Talking/Mentoring members who are not as far along in the curriculum as you are. Purchasing godly wisdom and putting it to use. (2) Dealing with people outside the body of Christ. Unsaved world. Supposed to look at this as a practice field or training ground for how one day you will be dealing with the angels. Everything you encounter now is a practice for later. Going through lots of situations here will enable you to go through lots of situations up there.
Commentary	Definition : Spiritual Merchandise of Wisdom	Similar type circumstances/situations/relationships - will carry all that experience up to the heavenly places and utilize that up there. There is a parallel to what is happening to us down here and what will be happening to us up there. Instead of viewing this as 'now I got to deal with this', you're supposed to be viewing that as you know, now I have an opportunity to take one of these skills that I have gotten and put that things to work and get good at it so when you get up there and encounter something you will say you know, I have been in this position before or I've seen this type of situation before and I know what I am supposed to do with this. How is this different than before? MM said before that the divine institutions were given by God so that you could put some of these skills into practice. That wasn't wrong, he is just now enlarging it. Some skills will only be put into practice in the framework of this church or family or your marrage. All the other things around that are happening to us as really training for what's going to be happening up there in eternity. MM has said before that God is not putting His Hand between you and adversity. If you understand this (GH: the experience concept), if He saved you out of every adversity, how in the world would you ever develop the skills to handle that? You have to do it. To ride the bike, you have to get on the bike.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Merchandise of Wisdom	6. Prudence: Nutshell is the ability to see the results or consequences of the decisions that you are making as you go further and further down the road. Allows you to see if I do this (like the Giraffe/Leadership example), it allows you to see what is going to happen down here. Not just tomorrow but down the road say a year from now. This has to do with having the capacity to see how decisions you render or the things you are going to be managing in the operations of your Father are going to play out over a period of time. It deals with things that require forethought and the capacity to think beyond the 'here and now' and foresee the ramifications and implications of decisions you make in the management of the Father's affairs. Prudence is a more highly refined skill than most people think. To have godly prudence is beyond making right decisions, but brings into account how this will play out far into the future. 7. Respect: MM doesn't mean in the worldly way. Similar to No. 1 - Reputation. The respect you get from angels as you work your way through the curriculum and you get those skills, put them into practice, and become good at them. Because of what those angels see in you, while you are acquiring your Sonship education, they will have a measure of respect for you before you are ever placed in your position in the heavenly places. They have heard of you and they know some things about you and they are anticipating what you are going to be doing. 8. Angelic Thinking 9. Trustworthiness: As you begin to properly function as part of a local assembly of believers, edifying one another, putting your Sonship into practice, you will "purchase" to yourself Trustworthiness as it will be viewed by your fellow members.
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	Spiritual Phenomena (signs, wonders, and miracles) are outward supernatural expressions - 98-99% happen in Israel's program and most of the ones in Paul's epistles tie to Satan's counterfeits. Things that don't happen naturally. God's use of spiritual phenomena in this DOGG is limited to a very short period of time and for the accomplishment of a very particular purpose. Once that purpose was fulfilled, God was no longer uses signs, wonders and miracles in this Dispensation of Grace. Even after the genuine miracles ceased, Satan continued to counterfeit those spiritual phenomena. That is why most of Paul's references are to counterfeits and not the genuine. MM points to God's covenant to do miracles - DO MIRACLES...SEE THE WORK OF THE LORD-Exodus 34:10. 1. Signs 2. Wonders 3. Miracles

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	Fundamental areas of knowledge: 1. 98-99% of every mention belongs to Israel program. Spiritual phenomena (signs, wonders, & miracles) are a natural and expected part of God's program with Israel. 2% or less in Paul's 13 epistles (Romans - Philemon - since he is the apostle to the Gentiles, these are the books that are not to Israel) and most of these are about the counterfeit. Not about the genuine phenomena, it's about the counterfeit phenomena that Satan is producing for the purpose of deceiving the saints. Not talking about God is doing, warning about what Satan is doing. The part that are genuine are very small. There's a naturalness for Israel's program to have signs, wonders, and miracles. God stopped but Satan and the counterfeit didn't. The doing of these things themselves was a sign. If they didn't see these, there was something wrong between God and the people of Israel. Point: There is a naturalness to Israel's program containing signs, wonders, and miracles. But even in Israel's program, you can't just trust your eyes. You have to know sound doctrine. You won't be able to look at the manifestation of what's being done and tell the different between the genuine and the counterfeit. Paul is going to say there's only one way to know and that's to know the correct doctrine so you can compare.
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	2. We are not living in the time of God's program with Israel, but in the Dispensation of Grace, as members of the Body of Christ. It is not natural for signs, wonders, and miracles to happen in the DOGG. If you don't make this distinction, your natural assumption is that God is doing all kinds of supernatural things and we should be looking for them. But if you know the time in which you are living and you know what God was doing when He do those small amount of things, and you know what He did to end those things, and now you know what He is doing in place of that, now you don't have that confusion. You have to know the doctrine to be able to understand that. So God did not covenant with us to do marvels or things outwardly in our program because instead of outward things, God is doing inner man work. People don't see that physically. They don't see God intervening. And because of that, they go, well, you must think God is not doing anything. He is doing the most important thing. It is way more important for Him to change your inner man than it is for Him to change your outward circumstance. Looks at Israel. God did all of these miracles, MM recounts the Egypt miracles as an example, did that edify Israel? Next time they ran into a problem, they said we were better off in Egypt. Here's how it works today, I don't care about being edified, just change my circumstances. But that's the wrong idea because God's whole plan for us as members of the body of Christ is to be conformed to the image of His Son. That's the number one goal. His number one goal is not to make you happy, it's to conform you to the image of His Son. When you really understand what that is, nothing will make you happy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	MM says he shouldn't have never said it this way because that feeds into this idea that the world loves to promote that righteousness and doing the right thing are never fun, but doing the wrong things are. There's where the fun is. This is a misnomer because there's a price to be paid for the pleasures of sin. But the real joy comes from serving the Lord, the real joy comes from righteousness and what that is actually doing in you. It is worth way more than the fun the world promises. But that price tag is really heavy. The spiritual gifts at the beginning of the DOGG were spiritual phenomena. A man could not legitimately do them on his own so there is something that God was absolutely doing. Point: It was at the beginning of the DOGG that God used some genuine spiritual phenomena and He did that for a purpose. GH: When that purpose stopped the gifts stopped. But Satan didn't, the counterfeit continued. We are not living in the time of God's program with Israel, but in the Dispensation of Grace, as members of the body of Christ. God did not covenant with us for marvels and those things are not a natural or expected part of our program. Instead of working outwardly, God is working in the inward man today. At the beginning of the DOGG, because of some things God is trying to accomplish some things, and the Spirit of God is giving spiritual gifts to members of the body of Christ (saved people). And those saved people have those gifts and those gifts are supposed to do something. The Corinthians were misusing those gifts and were now observing people who had counterfeit gifts. They thought that if a guy had the power to do spiritual phenomena than they believed the message was from God. And Paul is going to tell them flat our that isn't true. You have a man in your midst that was saying that Jesus is accursed and because he has the counterfeit power to do this miraculous thing, you are buying in like he is speaking by the Spirit.
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	3. Satan has his own counterfeit spiritual gifts by which he counterfeits the power of God. Paul is going to talk about this. They are really good. They look identical. When a person is ignorant of this third issue, they are a prime target/candidate for the deception put forth by the policy of evil (POE). Without the knowledge of what is taught in 1 Corinthians 12, 13 and 14, that Satan has the power to duplicate the power of God by means of spiritual phenomena, it is impossible to tell the difference between the genuine and the counterfeit anytime you see something miraculous it's got to be God. If you are the adversary and you have that power, you just want to keep people in the dark about that. That way when you do it, you can fool them. Satan can produce signs, wonders and miracles. He has the power to counterfeit the power of God. His counterfeits are so accurate that the only way to identify them as coming from Satan is on the basis of sound doctrine. The spiritual phenomena of the POE produced a deception that carried away the Gentiles as soon as God consigned them over to the Adversary in Genesis 11, this is exactly what Satan did. He produced some counterfeit spiritual phenomena and Gentiles went after every imaginable God in the world except the True and Living God. They worshipped and served the sun, the moon, and the stars - they bowed themselves down. In your Bible, your bow down before a king or a god. **He produced spiritual phenomena to cause the Gentile to worship (prostrate themselves) and serve (make a sacrifice/offering) the creature more than the Creator**. If you don't know the definitions, you will think it means something else, that they were emotionally involved (not worship) and doing it's bidding (not served).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	The PoE will produce this same “phenomena deception” with Israel in the 5th CoP, after their program is resumed. It will be for the purpose of keeping apostate Israel in their unsaved condition and making the believing remnant uncertain about what they really believe. And it will be a time of real confusion and he is going to be extremely successful. The Lord taught the believing remnant that the only way they would ever be able to discern between which was genuinely from God and that which is the counterfeit of the adversary, is to be able to understand the doctrine. Even in a program where He taught, where He tells then, you should expect to see spiritual phenomena taking place, but then Satan starts duplicating it. And now you have to know something. MM says the things done out on the resumption of Israel's program are absolutely going to convince members of the believing remnant and apostate Israel that this must be the power of God. And for the believing remnant, this will become very confusing. And that confusion is part of why when they see certain things happening, they don't do what they're supposed to do, what they were told to do. Because now they're confused. MM says the believing remnant out there is kind of a first fruits in his creatures, which means they do have the spirit within them. Which means they are going to be beneficiaries of the New Covenant. This is ahead of time. But it is so that they can put something on display to apostate Israel, in essence, giving them another opportunity to see that what is going on with them is of God and to change their mind about that.
Commentary	Definition : Spiritual Phenomena (signs, wonders, and miracles)	Point: Satan not only had great counterfeiting power in Israel’s program, but he also has it in this dispensation of grace. The reason you need to understand Satan’s capacity to counterfeit, the more you will understand a number of issues that Paul brings up, such as: * the issue of his “seducing spirits and doctrines of devils” * the bringing up of “Jannes and Jambres” who withstood the truth/Moses * the issue of evil men and seducers who shall wax worse and worse * the issue of the sleight (think sleight of hand card trick) of men = the deceptions that men are producing using spiritual phenomena for the purpose of persuading them that what they're saying is of God. That's the sleight. * the counterfeiting tactics of Satan GH: These terms and topics related to deception.
Commentary	Definition : Spiritual Warfare	The battles of spiritual warfare are over sound doctrine and these battles take place in our minds. That attack in connection with that doctrinal battle, is the attack against the message, the doctrinal truths revealed to Paul concerning the dispensational change, the mystery of Christ, principles of right division, the manifold wisdom of God, and all of the things that go along with this. This is where the attack is - Phase 1 - Attack the message. In this phase, there is no suffering. This is the spiritual warfare part. The suffering doesn't start until Phase 2 and Phase 3.
Commentary	Definition : Stoning	Stoning: Dig a hole and put you in it up to your shoulders, cover you back in, and there you are. The person who you offended would throw the first stone. People in our society today that say the death penalty does not deter anyone. MM says baloney.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Stronghold	A stronghold is a mindset impregnated with hopelessness that causes us to accept as unchangeable something that we know is contrary to the Will of God. EX When someone says the grace of God is sufficient, you don't have to do that anymore? And they reply, maybe for you but not for me. I can't do it. When you hear yourself say, I can't do it, you have just pointed out your stronghold. There's something you believe that tells you that is unchangeable. I don't have any hope recovering from that. MM says of course you do. Not going to be easy. That's the whole thing about a stronghold. It's designed to be a fortress that is difficult to overthrow. Strongholds take time to build. They don't happen immediately but by the time they become a habit, they have already happened.
Commentary	Definition : Subtilty	SUBTILTY: Is an umbrella term that has multiple aspects or components. - Moving from something that is very simple to something that is more complex. - Add subtilty to each skill and become more skillful with each. - Is the ability to see more than you saw before. Ability to see below the surface. - Allows you to see through the BEGUILing and the BEWITCHing so it doesn't have the effect on you it's supposed to have. - Allows you to exercise your decision-making skills differently. - Use the 4 decision-making skills in combination.
Commentary	Definition : Subtilty	SUBTILTY: Will be able to go back and see things Paul wrote before and even though you learned it before and it made you a SIMPLE SON, you're going to see more behind those words. If you have no subtilty, you get used by the POE every day. Has no trouble using you. - Is important in 2 different areas. Gives you the ability to see beyond the obvious into the finer points of: 1. Your Heavenly Father's Business and your part in it. Gives you the acuteness to discern the finer points of your Heavenly Father's Busienss and your part in it. 2. The POE against you. Gives you an acuteness into the POE so that you are able to see behind that clever deceptive attempt by Satan to get you off track. The reason you need subtilty is because the policy of evil against you has subtilty. That is why childhood understanding alone cannot suffice. - Really change what you are looking at and what you are perceiving and what you are observing when you look up at the sky. Subtilty will change the way you think as you look up at the sky because you are looking toward the heavenly places. GH: Subtilty adds to your one-dimensionality. Allows you to see things in the scripture that is more than what is just lying on the surface. Like digging for gold.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Subtilty	SUBTILTY: Will give you that acuteness to be able to understand the Bible. When you get this, you will be able to do that for yourself (GH: not have to have MM explain them). You will read things (GH: you have read forever) and say, oh, look at what I see here. People tell MM they don't know how he does it and he says it is just that. You are really suppposed to be able to see things the Bible says and make deductions from that that are perfectly in line with those truths that are obvious. Even a lost man can understand “thou shalt not steal.” That is so plain that unsaved parents teach their children not to steal. But there are many, many parts of the Bible that cannot discerned with a childhood understanding. Those things can only be spiritually discerned by someone with subtilty. There are things sitting in the Scriptures that you cannot see without subtilty. When you get subtilty in these last 2 decision making skills, one of the things you will do is to learn how to put on the armor of light. Because you are about to do battle and you will need that all the way up to Level 2 Phase 2. By then, when you get to Ephesians 6, the attacks will warrant the WHOLE ARMOR OF GOD. That is what you will wear from that point onward. Part of the job of subtilty is to make you aware of what you can handle, to assure you that more won't be put on your than you are able to handle, that this curriculum you can have all the confidence on the world in it and it will do its job. Will put the will in your to undergo whatever comes your way. SUBTILTY allows you to see through the BEGUILing and the BEWITCHing so it doesn't have the effect on you it's supposed to have.
Commentary	Definition : Suffering	Suffering is an experience of evil. Can be small inconveniences and mild or large, minor or life changing. Can grow from it or be defeated by it and sink into despair. They all have a purpose. MM wants us to profit from the things that we go through. There's physical suffering where you feel pain (doctrine will not relieve the pain, it is not an aspirin - if the physical pain went away you wouldn't be suffering) and emotional suffering. There are many different kinds of sufferings in the world. Some are just inconveniences while others are life changing, but they all have purpose. Even though suffering is an experience of evil, we can choose what to do with our suffering: - we can grow from it, and increase our ability to deal with adversity (this is the one we want) or - we can be defeated by it and sink into despair. Knowing the purposes of suffering will help us respond to suffering properly, so that we profit from suffering instead of being defeated by it. So, let’s look at these purposes.
Commentary	Definition : Suffering	**Types of suffering:** **- Physical (where you feel pain)** **- Mental - lead to things like anxiety** **- Emotional - fear, people get paralyzed by fear** **- Resignation - people want to throw in the towel, they want to quit, the extreme is people saying I don't want to live anymore** **- Depression, Anger, Grief**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering	Suffering appropriately: 1. Suffering impacts us 2. Suffering impacts men and angels (that your eyes can't see) 3. Suffering impacts our future reward 3 Ways we respond to suffering / There are 3 particular views people hold to: 1. Response by their flesh / Fleshly response to Suffering. a. Some adversely affected by the suffering - They may become overwhelmed by their sufferings. - If they are a believer, they may begin to question God. - Whine and complain. Secret is not 'OK I'm not going to whine and complain'. - Experience bitterness/anger/fear/depression
Commentary	Definition : Suffering	- Spiritually adverse/doesn't glorify God b. Stiff upper lip - Exercise our will to tough things out - Experience bitterness/anger, or ambivalence (bumper sticker that says 'Stuff Happens') 2. Godly response to suffering - 15 Benefits for going through the doctrine this way: (1) Puts the power and sufficiency of God's grace on display (2 Corinthians 12:9). The grace of God is sufficient to handle all of our suffering. Becomes a spiritual exercise where we grow in grace. Don't get automatically but from a godly response to the doctrine. (2) Creates a godly perspective toward offences (3) Matures us in the faith (4) Activates the power of God to work in us (3 and 4 go together)
Commentary	Definition : Suffering	(5) Makes us more than a conqueror (Romans 8:37). Come out on the other side stronger spiritually than when they went in. (6) Produces godly love toward our offenders (Romans 12:20; Romans 13:10). If not, we are not thinking about them properly. Not just taking the high road, godliness is a lifestyle that you live. (7) Glorifies our Father (8) Produces the peace of God in us (Philippians 4:7) (9) Provides a testimony to men (10) Makes an impact on the heavenly realm (Good and Evil) (1 Corinthians 4:9-12) (11) Conforms it to the image of God's Son (Romans 8:28-29) (12) Gives us hope in our sufferings (13) Prevents despair & being overwhelmed (1 Corinthians 1:7-10) (14) Equips us to give hope to others in their sufferings (Romans 5:3; 2 Corinthians 1:4-6) These help you in your daily life. If you don't agree with (15), don't throw the baby out with the bath water.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering	(15) Provides the reward of the inheritance, which is to reign with Christ (2 Timothy 2:12) - Suppose MM is wrong about the joint-heir inheritance, adoption, and suffering, if you allow the doctrine to work in you, you will not lose anything at the JSoC. Haven't done any disservice. But if there is something to gain, you need to pay attention. There's another way to live and that is what grace is all about.
Commentary	Definition : Suffering : What does suffering do	What does suffering do (GH: SoC) 1. Suffering validates us as true believers/validates we are making an impact on Satan's realm - The satanic attacks against Paul were designed to make Paul quit. The same is true for us. The SoC are indicators that we are making an impact on Satan's realm. If you aren't making an impact on Satan's realm, that means that you are already being silent. The good news is that our consolation is just as abundant as our sufferings. 2. Suffering prepares us to comfort others - See THAT (a purpose word) WE MAY BE ABLE TO COMFORT THEM WHICH ARE IN ANY TROUBLE-2 Corinthians 1:4. - Part of the reason that we are allowed to go through the troubles is so that you can comfort someone else who's going through that trouble. It's really hard to comfort somebody in an area that you have not suffered yourself. MM says trying to do that is somewhat of an exercise in futility because you really feel incapable if you don't know. And people want to do that. God gives it to Paul, Paul writes the scripture, we read the scriptures, we provide the doctrine to others. 3. Suffering builds our Fellowship with Christ - THE FELLOWING OF HIS SUFFERINGS-Philippians 3:10 - MM says this is really important. This is like men that build bonds when they go to war and face death together. That bond is strong and they stay in touch afterwards. We are supposed to develop the same type of bonds. The comfort comes as a result of knowing God. The comfort comes as a result of knowing doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering : What does suffering do	- Our consolation results directly from our sufferings, and it meets the sufferings point for point in every way. Means that only as we experience the sufferings do we find the answer to our suffering. Great suffering produces great consolation from the Lord. Jesus identifies with suffering on His behalf and provides consolation that matches the suffering. This is the truth that gave Paul the desire to know the 'fellowship of his sufferings'-Philippians 3:10. 4. Suffering persuades us to trust God - 2 Corinthians 1:9 - Satan wants to intimidate Paul so badly that he will stop the message of the mystery because that's why the dispensational change came in to present this new program. And there was a time when Paul was fearful about that (1 Corinthians 2:3). But Paul was not going to be silenced. 5. Suffering produces a concern for others - 2 Corinthians 1:11 - produces a concern for others who are suffering in two different ways: a. by instigating prayer (intercession: inserting yourself between someone and something that is going to be injurious to them) - BY PRAYER FOR US-2 Corinthians 1:11 - tell them you are praying for them - tell them what you are praying for them - get involved b. Thanksgiving to God for the gift to endure sufferings - MANY PERSONS THANKS-2 Corinthians 1:11
Commentary	Definition : Suffering : Why do we suffer	Why do we Suffer/Reasons why we suffer/Why is there suffering in this world?: 1. We suffer for Christ's sake and glory 2. We suffer because we live in a fallen world 3. We suffer because we live among the children of disobedience 4. We suffer because of our own foolish actions - consequential sufferings 5. We suffer because we have an enemy that: a. Divides the saints b. Attacks the message c. Attacks the messenger d. Discredits the messenger Even though God is not arranging or orchestrating sufferings, He knows that we will encounter them, therefore, God means to accomplish some things through our suffering that He knows we will have to endure. But that doesn't mean that He is ordaining that suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Sufferings of Christ	When you are standing for what is true and you are suffering for it. Examples of suffering for Christ's sake, which result in a future glory: - When we are attacked for proclaiming or publishing speaking the truth in love - When people treat us badly because of our faith - When we are persecuted for proclaiming the doctrine There's a glory in connection with these. Need to identify the attack for what it is, an attempt to silence us. We are not trying to make people upset, but to stand for the truth in a way that demonstrates the love of Christ working in us. That will come out not only in what we say, but also in how we say it. Discernment means knowing what to say, how to say it, and when to stop talking. There is a pendulum swing: we can be obnoxious as we seek to steamroll over those we disagree with, or we retreat into silence and determine not to bring up anything that might upset others.
Commentary	Definition : Suffering Types	* TYPE 1: Sufferings of Christ - These are the sufferings which come to us as believers in Phases 2 and 3 of the POE and these attacks are related to our making known the Mystery of Christ and the doctrines which are a part of it. This is Satan's way of silencing us with regard to the doctrines of the mystery program, this present dispensation of grace, and the doctrines that work to produce our sanctification; conforming us to the image of Christ. Are more individualized and they sit on top of that general policy of evil. There is reward the responding to the SoC out of the doctrine. The patient endurance of those sufferings is what our heavenly Father is looking for, not out of our flesh (you working that out on their own), but by the doctrine working in us to produce patience and hope in the midst of those sufferings so that we do not despair and stop our message. It produces a peace that passes understanding that allows you to patiently endure these sufferings to the glory of your heavenly Father. They certainly do manifest in physical ways of persecution, which may include bodily harm, but not necessarily so. Some attacks are verbal to discourage, or to discredit us.
Commentary	Definition : Suffering Types	But, the SoC are not being manifested in physical sicknesses or diseases. Satan is not attacking Christians by giving them any kind of disease. He is giving any one cancer to intimidate them into silence. Satan is also NOT arranging accidents for you if you are proclaiming the mystery. If you learn about and proclaim the doctrines of the mystery, Satan is not happy about and on top of the generalized/general POE give you the SoC. They are meant to intimidate you and make you feel uncomfortable so that you stop making the doctrines known. - Related to declaring the doctrines of the Mystery of Christ - Persecution - THE SUFFERINGS OF CHRIST ABOUND IN US-2 Corinthians 1:5 - Doctrine : Edify/Comfort Reward (from the Lord if you respond to them properly; if your response is to stop, there's no reward)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering Types	* TYPE 2: Suffering for Wrongdoing - These sufferings are the natural and built in consequences of our actions when we sin against God, or sin against our fellow man. EX If we steal from someone, there may be consequences of suffering of some kind - go to jail if you get caught. If we violate God's moral law, there will be a different kind of suffering (in you), some of which we will not so easily identify as a consequence of our sin, but it will be there. These sufferings are not just for believers in Jesus Christ (like the SoC), but even the lost world suffers in various ways for doing wrong. Everyone suffers these kinds of sufferings. These sufferings in this DOGG are not God's chastisement/punishment for our sinful behavior. God is not imputing the consequences of men's sins to them as a punishment in this life. There are natural consequences that may come about or upon us because of our sinful behavior. EX a person can destroy their marriage, alienate their family and friends, lose their business, suffer penalties and fines, be incarcerated, suffer financial loss, and even suffer the death penalty, all as a result of being a part of a society which governs itself by laws. When we suffer for wrongdoing, it may be emotionally, it may be financially (money or possessions), it may be personally, or a number of other ways, but there is no doctrine to alleviate these sufferings because these sufferings are meant to punish us and correct our future actions by making our suffering worse than whatever "supposed benefit" we got from our wrongdoing so you don't do it again.
Commentary	Definition : Suffering Types	If God circumvents the suffering, then He is also kind of enabling you to keep doing tht behavior. God is not interested in you feeling better about it, He wants you to be corrected, He wants you to change your behavior. God is not giving us doctrine to patiently endure suffering for wrongdoing, because He means for us to feel the full brunt of those consequences. GH: Not from God because: * happens to everybody * God is not imputing sins to people when they are alive in the DOGG * if God was arranging the consequences for wrongdoing everyone would get caught and they're not - Related to sins against God and men - Correction - I SUFFER TROUBLE, AS AN EVIL DOER, EVEN UNTO BONDS-2 Timothy 2:9 - No edification / No comfort No reward

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering Types	* TYPE 3: Suffering for Righteousness - Is directly related to our godly living, for doing the right thing or suffer for well-doing or suffer from not doing evil. When we begin to think in accordance with the doctrine written by Paul, and our conduct and behavior are changed to reflect that godly thinking, the world will not tolerate that. We will suffer in some way. Not only does godliness shine a light on evil, sin and unrighteousness, but it also exposes the attempts of the flesh to produce its own righteousness apart from God. Godliness shows the wisdom of this world as inadequate and unacceptable to God. Righteousness apart from God is self righteousness, and God rejects it as a cheap counterfeit. Could be part of 'the sufferings of Christ', but the SoC are mainly connected to our godly thinking (our doctrine and the message), but sufferings can also be connected to our behavior; (persecution which results from our godly living/behavior). Is about behavior that refuses to do evil, and insists on doing righteousness instead. If we suffer for well doing, then there is someone who either wanted us to do evil, or did not want us to act righteously. MM says the principle in Daniel 3 applies in this DOGG. If some law of the land asks us to violate that which is written in the scripture to us; if it asks us to commit moral wrong; if it asks us to sin against God by either commission or omission; if it asks us to sin against our fellow man; if it asks us to violate our own conscience, then we can confidently disobey those laws and commands knowing that we are not rebelling against God by doing so.
Commentary	Definition : Suffering Types	But God is not intervening in the physical circumstances of your life. God is not obligated to intervene in our circumstances and change them. Our suffering provides an opportunity to put the power of grace on display, thereby edifying us in the process. When we put godliness on display, the flesh doesn't like it, the world is opposed to it and will not tolerate it. When you suffer for righteousness sake and do it properly, that's the most powerful testimony to change those who are behind your suffering. That becomes a very powerful tool for them to witness so they begin to have second thoughts about what they're doing. It doesn't mean they always will, but that's a very powerful tool. If it asks us to sin against God, either by commission or by omission, if we are asked to sin against our fellow man, if it asks us to violate our own conscience, then we can confidently disobey those laws and commandments, knowing we are not rebelling against God by doing so. But just because we suffer for righteousness sake, doesn't mean that God is going to deliver us from those circumstances. But He will intervene in our inner man by giving us the ability to patiently endure those sufferings to His glory if we respond positively and properly to the doctrine and make everyone who see it wonder, wow, what's going on with them that they are able to go through that with that kind of attitude? So He will intervene, but not in the physical circumstances.
Commentary	Definition : Suffering Types	He will intervene to strengthen our inner man so that we are able to endure those sufferings. - Related to the world's hatred for, and opposition to, godly living - Persecution - ALL THAT WILL LIVE GODLY IN CHRIST JESUS SHALL SUFFER PERSECUTION-2 Timothy 3:12 - Doctrine : Edify/Comfort Reward

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering Types	* TYPE 4: Sufferings of this Present Time - These are the sufferings which come from living in a fallen world. These can include the fact that our bodies are subject to sickness and disease and even to injury. The SoPT happen to saved people and lost people with no distinction - they happen to everyone. Not everyone suffers the SoPT to the same degree - happen to everyone but they are not equal. Some children come into the work with physical problems but God is not punishing these children or their parents. God allows these things because this world is a product of our will, our choices, and our desires, and every time we see these tragedies, we should think, this is what happens when we live apart from God. Because we live in a fallen world, it can be a hostile place just for existing in it. When sin entered the world, it was no longer easy to find something to eat. And if you are going to have to exist in the world, you're going to have to eat. So to eat you had to work. NOTE: God is not sending tornados to punish America for her sins. It's because we live in a fallen world. - Related to the consequences of living in a fallen world - Disease/Climate - THE SUFFERINGS OF THIS PRESENT TIME ARE NOT WORTHY TO BE COMPARED WITH THE GLORY- Romans 8:18 - Doctrine : Edify/Comfort Glory (not reward) MM says if the Character of Christ is formed in you, that's kind of a reward. Connected but not the same.
Commentary	Definition : Suffering Types	* TYPE 5: Suffering of Consequences - This is not the same thing as suffering for wrongdoing, but rather suffering due to carelessness, inattention/not paying attention, ignorance/not knowing what you were doing would result in this, or impulse/being impulsive. God is not causing these sufferings to teach us a lesson - God is not orchestrating these. Satan is not causing these to silence us. These are not part of living in a fallen world. Sometimes we are doing these to ourselves, albeit, unintentionally. Other times, it is the carelessness, inattention, neglect, or ignorance of others which causes us to suffer. When you get rear ended at a red light because the guy behind you was texting instead of watching his driving, you may have whiplash due to his negligence. These are life lessons. There's no reward for these sufferings and no glory for going through them. These sufferings are not transforming our inner man to be like Christ, but are designed to get us to pay better attention and not cause ourselves unnecessary suffering. Many people have corrected these things so they do not suffer them again, but they are not godly in the least. This is learning how to navigate living your life without causing yourself unnecessary and avoidable problems.
Commentary	Definition : Suffering Types	The suffering of consequences are not conforming us to the image of God’s Son and they are not how edification takes place. - Related to carelessness, inattention, ignorance, impulse - Life lesson: Correction, experience, skill, learn - No edification / No comfort No reward (don't get to reign with Christ because you did a bunch of ignorant stuff)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering Types (August 2025)	Three Kinds of Suffering that take place in this DOGG: 1. SOPT (The Sufferings of this Present Time)-Romans 8:18 * Take place/Happen because we live in a fallen world. * Have no connection with our spiritual life, but these things happen to everyone. Have nothing to do with the fact that we are a believer in Jesus Christ or that we are serving the Lord. * Are not part of Satan's POE against us. They are not part of the suffering that he wants to inflict on us. * Bad things but not engineered or orchestrated by either God or the devil. * EX catastrophe and suffering that stem from weather-related events (hurricanes, tornadoes - lose homes or even their lives; drought or flood - lose crop and go bankrupt or died of thirst or died in a flood). Part of living in a sin cursed world. This world is effected by sin. No longer the way it was prior to the Fall in the Garden where you had the perfect climate of the Garden prior to the Fall. Produce of what happens to the earth when sin is allowed. MM believes you didn't have the extreme swings in climate where people were freezing in one area and burning up in another. The world is not always hospitable because this is a fallen world.
Commentary	Definition : Suffering Types (August 2025)	* EX catching a cold or the flu may be part of living in a fallen world. MM says he had to think about this. Water-borne illnesses that killed people in prior centuries may have been a product of living in a fallen world. Not every disease should be blamed on or because of we live in the fallen world. MM is trying to be careful here. 2. Consequential Sufferings: Every suffering is a consequence of something - SOPT because we live in a fallen world but these are more directly consequential in that the suffering has to do with either the ignorance of or carelessness (without paying attention) or neglectfulness of ourselves or someone else, the consequences of someone's actions. ignorance of doing something they didn't know what they are doing. A consequence of someone's actions. EX Rear ended at a stop/red light because someone was looking at their phone instead of paying attention to the road and they rammed the back of your car. This is carelessness. God is not doing this. Satan is not doing this. Not because we live in a fallen world, it was because he/she was not paying attention. EX Suffering from some physical disease because of some unwise life/lifestyle choices. EX diabetes, heart disease, auto-immune diseases are often (not always), but mostly the byproduct of bad diet and lifestyle choices, as these diseases can be reversed. MM says if all you do is eat cotton candy and drink cokes for 20 years, don't be surprised when you have diabetes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Suffering Types (August 2025)	Why MM laughs when he hears preachers say 'we are casting out the demon of diabetes'. This is not a demon, this is diet and lifestyle choices. We know these aren't demons because by diet and lifestyle choices they are reversible. Not 100%, sometimes because of genetics. But these diseases are reversible even when you have a genetic pre-disposition to them. Not a product of living in a fallen world. MM says most people make these choices without knowing the consequences. MM recounts his 2017 stroke. Says this was a consequence of things he had done to his body for 30-40 years. But he had to discover that. He didn't know he was doing that. Done in ignorance, not malicious. Not paying attention. EX Sometimes someone does something with consequences to us and we may not have any control over that. Careless and not paying attention and you injure yourself. Or attempt to do something we are not qualified to do, like fix an electrical problem. EX Can be out of our control, like an economic downturn where jobs may be in jeopardy or lost and we may suffer financially to the point they can't pay their bills. They didn't do anything to cause that but they are still suffering from it. Have nothing to do on whether you are serving the Lord or not. Can be a result of bad fiscal/financial decisions/choices somewhere in the past that led to this effect. MM says the Bible calls it 'sowing and reaping'. In 2 Corinthians 1, Paul is not talking about either of these first two types of suffering.
Commentary	Definition : Suffering Types (August 2025)	3. SoC (Sufferings of Christ): Things Paul is suffering for the sake of Christ, an attack against Christ in Paul. Ministering in a world that was hostile to Christ. * The things happening to Paul have a spiritual dimension behind/to them. What makes these tribulations 'the sufferings of Christ'-2 Corinthians 1:5. * Are things Paul is suffering for the sake of Christ. Not the sufferings of Paul, although they are happening to Paul. They are directed at him. * Any attack against Paul that is because of Christ, is not just an attack against Paul, but is actually an attack against Christ in Paul. See WHY PERSECUTEST THOU ME-Acts 9:4. These are sufferings on His behalf. They identify us with Christ.
Commentary	Definition : Suffix : -ship	Is the state of being of whatever that previous noun is or pronoun. MM tells the report card story with the grade 'Citizenship'. '- Ship: Talking about 2 things: 1. Position - Justification 2. Function - Sanctification EX Citizenship: the state or position of being a citizen; carrying out the duties and responsibilities of a citizen. So you have a position and function as a son.
Commentary	Definition : Survey	Overview with no verses.
Commentary	Definition : synecdoche	OED: synecdoche A figure of speech in which a more inclusive term is used for a less inclusive one or vice versa, as a whole for a part or a part for a whole. - Saying I don't feel well when you have a head ache.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Tabernacle	Was a tent in the center of every camp. Have the outer courtyard then a tent. Inside the tent would be the holy place and then in back the holy of holies. In the holy of holies was a box that looked like a large trunk. In that trunk were several things that Israel was supposed to place. One of those was the table of stone that Moses got from the Lord up on Mt. Sinai. The tabernacle itself is sometimes called the testimony. That box, the ark of the covenant, is sometimes called the testimony. Sometimes the tables of stone were referred to as the testimony. The mercy seat was the top of the box or the ark of the covenant.
Commentary	Definition : Temptation	Temptation main points: - Nowhere does the Scripture indicate that Satan is involved in or even interested in tempting the saints to commit "sins of the flesh" - God certainly does not "tempt" men to commit iniquity or evil - When men are tempted to commit sins, it is the work of their flesh Two accounts of Jesus being tempted - two different sets of temptations that follow the 40 days of fasting. Ten differences between the two accounts (Matthew 4 and Mark 1 and Luke 4): - THE TEMPTER-Matthew 4:3 vs. TEMPTED OF SATAN-Mark 1:13 vs. TEMPTED OF THE DEVIL-Luke 4:2 Three different designations because there are three different functions going on. - LED INTO THE WILDERNESS-Matthew 4:1 vs. DRIVETH HIM INTO THE WILDERNESS-Mark 1:12
Commentary	Definition : Temptation	- THESE STONES BE MADE BREAD-Matthew 4:3 vs. COMMAND THIS STONE-Luke 4:3 - plural vs. singular - reason that this is slightly different Genealogy to Abraham/David; qualifying to operate as a Redeemer as the SON OF DAVID vs. Genealogy all the way back to Adam; being tested as the SON OF MAN - two differences: 1. Jewish nation & Him being the Messiah vs. Redeemer for the whole world 2. Stones->Bread/Pinnacle of the Temple/Kingdoms of this world vs. Stone->Bread/Kingdoms of this world/Pinnacle of the Temple GH: swaps the last two - 1. Stones to bread speaks to the miraculous provision for the believing remnant out in the day of wrath who are going to be miraculously fed out there. Like manna falling from heaven. 2. Lord comes back to His Temple: When He first comes back at that Advent. 3. Lord sets up His Kingdom

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Temptation	- Differences between the two accounts of Jesus' temptation. Either Jesus undergoes one round of temptation and the two accounts are written from different perspectives or there are two rounds of temptations that Jesus undergoes and each account is recording a different round. MM believes 2 rounds of temptations. If you knew what was sitting in the O.T. prophets and got to the temptations, you wouldn't say the difference contradict each other, you'd understand. One is qualifying Him for the Jewish nation as the SON OF DAVID (Matthew) and the other qualifies Him as the Redeemer of the world/SON OF MAN (Luke) Only 3 temptations mentioned because they cover every point in which a temptation can come. Represent the 3 sources/points from which a temptation can come. See 1 John 2:16. All 3 of these points of temptation were experienced by Adam and the nation of Israel. 1. LUST OF THE FLESH 2. LUST OF THE EYES 3. PRIDE OF LIFE
Commentary	Definition : Temptation : Channels of Temptation	**Channel: Lust of the flesh (appetites & cravings)** **- How Eve gave in: 'And when the woman saw that the tree was good for food'-Genesis 3:6** **- How Satan makes his temptation: 'hath God said ye shall at of every tree of the garden'-Genesis 3:1** **- Questions the WILL of God** **- Destroys dependence upon God (you will depend on yourself)** **- Man does not live by bread alone...but by every word...of God**
Commentary	Definition : Temptation : Channels of Temptation	**Channel: Lust of the eyes (self-interest - things that are about me)** **- How Eve gave in: 'and it was pleasant to the eyes'-Genesis 3:6** **- How Satan makes his temptation: 'Ye shall not surely die'-Genesis 3:4** **- Questions the WORD of God** **- Destroys confidence in God (because this is how He is speaking to you)** **- 'Ye shall not tempt the Lord your God'-Deuteronomy 6:16**

Commentary	Definition : Testimony	When the Bible uses the word testimony, it never uses it in this sense. In the O.T., the ark of the covenant, the tables of stone that the law was written on, the tabernacle itself - they were all referred to a testimony. In the N.T., testimony is in line with the No. 1 definition in the OED: OED: testimony: 1. personal or documentary evidence or attestation in support of a fact or statement; hence, any form of evidence of proof. Whenever an Israelite wanted to talk to another Israelite about Jesus being the Messiah, He would not talk about how Jesus changed his life, he would give witness or testimony to the Resurrection of Jesus from the dead and that was the witness, that was the testimony because this is an objective proof that was undeniable. It was true. MM says too many people's testimony is full of subjective things. We don't want to do that. We're going to learn to give our testimony so that we're looking at objective things and giving an accurate report of our salvation experience. But for followers of Jesus in Israel's program, that testimony was mainly made up of the fact that they could give personal testimony of being an eyewitness of the resurrected Lord. That was important and what their testimony was about. Because the Bible never uses the word testimony, the was we use it today, does not mean you should not give your testimony.
Commentary	Definition : Theology : Analytical	Taking the principles/rules of philosophy and applying them to the practice of theology. Define all the terms very precisely. MM approves of this. We do this when we define words multiple different ways. You identify the principle and concepts you believe are true and that you are going to use. MM says too many times people don't define their terms well, they don't identify principles or concepts and they just sort of start jamming things together. EX principle - RDW. Philosophers approach a work like no work on it has ever been done before, they break it down and get precise meanings and concepts. Then they begin to build from there.
Commentary	Definition : Theology : Christology	The doctrine of Christ. Two great headings: 1. The Person of Christ: - The incarnation and the sub-doctrines under it. - A Person with two natures. 100% man while at the same time being God in the flesh, deity. But He is not two persons, He is one Person. 2. The Work of Christ

Commentary	Definition : Thrones	Thrones are for making righteous judgments, not just looking pretty or lording over others. (There are lots of verses that testify to the necessity of the righteous judgment of those who occupy a throne. Mt 19:28: See the 12 apostles will sit on thrones to "judge" the twelve tribes of Israel.) The very nature of a throne indicates there is a measure of wisdom that must be had in order to attain to it. The more of God's wisdom one possesses, the higher the throne they can sit on. The more of the mind of Christ we have, the more judgment that can be assigned to us. This is about ability to function. This is not about who is popular, as though we are running for office. Not about getting to be the boss. This is about being capable of functioning in our Father's Business with a view toward accomplishing our Father's purposes and will. The highest thrones will be occupied by those who have an edification to match. This only makes sense.
Commentary	Definition : Time	There are 3 ways that we view time: 1. Chaotic: All the points in time happen in a very random manner and there's nothing that we get from that. Things just happen. There's no cause and effect. We don't learn anything from history and history doesn't tell us anything about what's coming up. 2. Cyclical: Time is this never ending cycle that just keeps repeating itself and repeating itself forever. MM says this is better than Chaotic view because the Cyclical view does observe a pattern of something at its peak and then it diminishes and starts over again. MM is not talking about the cyclical standard of time. That is the way people always talk about the rise and fall of empires. 3. Linear: It is a line that connects 2 points. A beginning and an end. The Biblical timeline is linear - it's a line. Ancient times (Egyptian hieroglyphics) had a chaotic view. Just saw events and didn't see them as related. The Greeks and Herodotus are credited with being the first historians. They all held a cyclical timeline view. From the beginning, God gave the Hebrew people a linear understanding of time.
Commentary	Definition : Time (Jews / Israel)	The way they keep track of time in the daylight portion of a day and night cycle. The day starts around 6 o'clock. - the first hour of the day: 6 AM to 7 AM - the second hour of the day: 7 AM to 8 AM - the third hour of the day: 8 AM to 9 AM (Acts 2:15 on the day of Pentecost) In the evening, you are no longer counting hours, you are counting watches (Mark 13) - 4 watches: - 6 PM - 9 PM - the first watch is called EVENING - 9 PM to 12 AM - the second watch is called MIDNIGHT - 12 AM to 3 AM - the third watch is called COCK CROW - 3 AM to 6 AM - the fourth watch is called MORNING Nation of Israel was on a lunar calendar, not as solar calendar. They went by the moon, not by the sun. For them, every month had 30 days. Gentiles are so smart, have to ask does this month have 30 or 31 days? Had to add an extra month every couple years or so and it brings everything back in line again.

Commentary	Definition : Time (Jews / Israel)	Things happened every 7 years in Israel. - If you were a farmer, you let the land rest. - Every 7 7s of years was called a Jubilee - let the land rest and all the indentured servants you had were set free. This is a picture of the Lord returning and setting up His Kingdom. MM says you wanted to go into indentured servitude the year before Jubilee since that made for a real short stay.
Commentary	Definition : Transgression	A transgression has to do with a violation of civil or moral law, either God's or man's.
Commentary	Definition: Trespass	A trespass is passing beyond some limit; encroachment or intrusion upon. EX Fence that has a sign that says 'No Trespassing'. It is an offence upon the rights, property or character of another person. A trespass is "a wrong committed against another by "going beyond" and taking that which belongs to another." Can be against God or against our neighbor. Some are done on purpose and some done accidentally, or even unknowingly. Either way, the requirement is the same - restitution and sacrifice.
Commentary	Definition : Tutor	Tutor was in charge of all the child's education - what the child needed to learn, what time he would study this, how long they would do this, what would follow after. Were under the governors and tutors of the Law that decided everything for them.
Commentary	Definition : Universalism	The false teaching that everyone is going to be saved and everybody is going to wind up in heaven, no matter what they do with Jesus or whether you believe the gospel or not. Universalism is a very clever distortion of the truth. It sounds very attractive but it is not true. Example of one of the 3 aspects of the POE Phase 1 attack - replacing sound doctrine with false doctrine. Anyone who embraces universalism, there are 3 Bible doctrines that they do not understand: 1. Doctrine of sin: 2. Doctrine of righteousness: 3. Doctrine of divine justice or judgment People do not like the idea of hell and eternal damnation. Because they do not understand the doctrines of sin, righteousness and justice, when they hear that everyone will be saved, that is a very attractive doctrine for them. If you understand these 3 doctrines, you understand there is nothing a person can do to save themselves. But God knowing that, sent His Son to the Cross to take on the sin of the world. And the only way you can appropriate the wonderful offer of eternal life is by faith, not works. What makes the false doctrine of universalism so attractive:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Universalism	1) it releases them from the responsibility of giving the gospel. - Says everyone is going to heaven. Now God did make a way so that everyone can, but it is up to them. No one would give the gospel if you believed everyone was making the trip. Then if we discovered that Universalism is not true, all the people we should have given the gospel to and didn't hear it because we believed a false doctrine that everybody is saved, then Satan has successfully condemned sinners to hell by keeping them from knowing. 2) it allows them to get God off the hook for being unrighteous in “sending sinners to hell.” - Christians like it because it let's God off the hook for being unrighteous or unfair. Also, if you think that everyone is going to be saved, it will kill efforts to spread the gospel. And if everyone is automatically going to be saved, why would anyone need to trust Christ? Answer: They wouldn’t. The Bible does not teach universalism. But this doesn't keep men from looking at certain scriptures so that they can twist them around so they seem to say what universalism says.
Commentary	Definition : Universalism	Two things: 1. the people that aren't saved, he is keeping them ignorant of the gospel 2. the people that are saved, he is giving them a false doctrine This will have eternal consequences.
Commentary	Definition : VRS (Vain Religious System)	VRS (Vain Religious System): Was empty and had no value to them. It made their flesh feel good GH: and that is about all.
Commentary	Definition : VRS (Vain Religious System) (GH: IPF verse)	Started when Israel began to take the Mosaic law that was given to them and they began to add things to it. They began to so cover up the law with these other things - their tradition about this and a command about that, etc. that it actually made the law 'of none effect'-Mark 7:13. Pre-dated the Pharisees. Jesus talked about this. They encrusted and encased and covered up the law with all these extra trappings Isaiah calls 'dross'-Isaiah 1:25. They didn't think it was a vain religious system, they thought the law and everything they added to it was what they were supposed to do. And generations were born into it so the belief was very strong. Made a system where they thought they were pleasing God, but in reality they were displeasing God. Made it impossible for anyone in the nation to be 'doers of the word'-James 1:22. If the apostate nation will kill the believing remnant thinking that they 'doeth God service'-John 16:2, they must believe the vain religious system is the real thing. Started at the start of the 5th CoP and by the time Jesus arrives on the scene, it's even worse. Started out as things they would say as an oral tradition and that got handed down as if it was just part of the law. And by the time Jesus shows up, these oral traditions got written down. Called the Babylonian Talmud, 22 volumes. like an Encyclopedia.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : VRS (Vain Religious System) (GH: IPF verse)	Background: Originally, the Torah was the first 5 books of the O.T. But the Torah became known as all 3 sections of the O.T. - the law, the prophets, and the Psalms or writings. Then in the Jewish religion, what they began to do (and it started even before Isaiah) but when the 5th CoP began, and Isaiah, being the first 5th CoP prophet, he talked about all of that had really come to a head with Israel. They had compromised themselves by adding 'the tradition of men'-Mark 7:8 and 'the commandments of men'-Mark 7:7 to the law and encumbered it. Not just covered it up, but had actually created a system whereby anyone who obeyed what they now called the law, they would actually be violating 'the commandment of God'-Mark 7-8. They were violating the essence of the law by that which they had added to the law. Why it is necessary for the believing remnant to stand in such stark contrast from the vain religious system because that system, God will destroy in the day of wrath along with the satanic policy of evil. There is a testimony and an impact that the remnant is designed to have during this time. Referring to the Mosaic law that was encumbered, encrusted, polluted and made OF NONE EFFECT-Mark 7:13 by all the DROSS-Isaiah 1:25 or oral tradition and COMMANDMENTS OF MEN-Mark 7:8 that were added to it. During the Lord's earthly ministry, He pointed out the elements of the vain religious system that were an abomination to Him. He gives the remnant corrective doctrine on how not to behave in this fashion. Examples:
Commentary	Definition : VRS (Vain Religious System) (GH: IPF verse)	* Does not honor God or follow the commands at all * Sowing discord among the brethren * Created a system that exempted them from the law when their own traditions violated the law - The baptism of washing of hands to sanctify the hands, allowing them to eat what they wanted - Forgiving people who didn't take care of their parents if they said they can't because they are giving a gift to the temple - They created a tradition that exempted Israel's religious leaders from being adulterers (see John 8:1-11). Was in play for the entire 5th CoP and will be at its apex when you get to the tribulation. God absolutely hates this vain religious system, which began to teach the very opposite of the law for the religious leaders own gain. The leaders didn't want to give up these positions. This is why the remnant are admonished to live in such contrast to it. By their tradition, they violated the law. And every man that thought he would keep that and thought he was keeping the law and pleasing God, was an abomination to God. God hated that.

Commentary	Definition : Wicked	Only shows up 24x in Matthew - Revelation. * Thirteen of those times 'wicked' is used as an adjective (not talking about anybody in particular, describing something/describes a noun): wicked servant, wicked generation, etc., with none of these referring to the devil and none are a noun (person, place, or thing). * However, 6x the word 'wicked' is used as an adjective where it is talking about the devil, but when it does, it makes it specific and singular by having the word 'wicked' modify the word "one." Not a plural like 'wicked'-Ephesians 6:16. Every time it does this, it is talking about Satan. * Leaves 5 that are used as nouns.
Commentary	Definition : Yet	Oxford English Dictionary (OED): ll.5.b. Yet With negative participles and adjectives formed with in--, un--, etc., implying that the action or state implied by the corresponding positive term has still to happen. - Using this definition, the more excellent way is that which has still to happen. II.5.c. Old English With following infinitive referring to something which has so far not happened but might be expected to happen in the future. - Using this definition, why would a better way to exercise the gifts not be expected until in the future? II.7.d. c1400 With ere, before, etc., indicating the ultimate occurrence of something after an interval of time. - Why would there need to be an interval of time unless the more excellent way is not about the spiritual gifts, which are at that time, present, but instead refers to a replacement for the gifts which would be "after an interval of time?" And this fits the history precisely.
Commentary	Definition : Yet	II.8. With a negative, referring to something which has so far not happened but with the implication that subsequent change is expected or a recognized possibility: not as things stand at this point in time (or as they stood at the time in question), still not, not so far, not hitherto. II.9. With reference to future time. II.9.a. Old English At some time in the future See all of these describe this interval of time needed for the completed revelation to finish.

Commentary	Definition : Word of Logic	English words of logic guide you to having a correct understanding of exactly what is being communicated so it is not up to interpretation or the way you read it. Because you can't hear the inflection. MM says logic is something those you work with never use. Logic is the normal progress you make. What I would expect - the normal progression. EX then. A word of logic is placed in a sentence to give you an understanding of something. It furthers what you're going to be able to comprehend. It's going to give you some signals. Tell you something or point you in a direction or give you a marker. The Bible uses a "word of logic" in order to present a logical argument or proof to provide solid understanding of how a body of doctrine is to effectually work within the inner man for proper godly education and edification. 10 Categories of English Words of Logic - the Bible uses them over and over. Have to know them. Will guide the conversation because what they tell you. Don't allow for interpretation or wiggle room. 1. Therefore; Then; So; So then; Hence; Henceforth (know a conclusion is coming based on what was got told you) - Therefore: 'coming to a conclusion'; 'in view of all that' - we are about to draw a conclusion based on the things that came before it. - Then: purpose statement 2. Wherefore; Whereunto; Wherein; Whereof; Whereas; Whereby; Herein; Hereby (MM thinks WHERE OR HERE) A word of logic is placed in a sentence to give you an understaning of something. It furthers what you're going to be able to comprehend. It's going to give you some signals
Commentary	Definition : Word of Logic	3. For, Because, For this/which cause; Forasmuch; Inasmuch as; Seeing; Since 4. If; If then; If so be; But and if (precise way of controlling exactly what you are going to get); But yet 5. But; But now; But if; But and if; But yet (MM thinks just BUT) 6. Now; Now if; Now then 7. Let; Let us 8. Moreover; Furthermore; Besides 9. And; And if; And so; Even; Even if; Even so; Likewise; Or; Or if; As; As also 10.Nevertheless; Notwithstanding; Howbeit; Lest; Yet; Only; While
Commentary	Definition : Word of Logic	Precise control of the English vocabulary is what this Bible does so that you actually get the true intent without hearing it audibly spoken. God does this ingeniously and the way He does it is through these 10 English words of logic. Without them, all you got is a bunch of information in a verse. The English words of logic tell you how to put that together and what to do with it so that you really have an understanding of what all of this is about. In your Bible is punctuation in there and if you ever put a Bible verse into a WORD document it wants to correct all types of things in there. Wants to change the punctuation or it wants to change a word (no clue about ensample, only knows example). The English words of logic and the punctuation is what guides you through this information. This is crucial for you to begin to understand it. Like anything you do, the more you do it the more adept you become. Move from doing it with a struggle to doing it withoout thinking. A word of logic is placed in a sentence to give you an understaning of something. It furthers what you're going to be able to comprehend. It's going to give you some signals

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Definition : Work of the Ministry	Only two parts: 1. Getting the gospel to the lost 2. Edifying the saints
Commentary	Definition : World	Is the culture that you were born into and that you grew up in - and WHEN you were born.. The culture is very different in other parts of the world and it is getting those people to conform to that culture. It is always working to get you to conform to it. SURVEY: 9 of 10 people said the morality of the country, not technology, not cell phones, not computers, etc. Why? Because the there was a culture in that country where it mattered. MM didn't mention the year. Would the country say that today? Probably not.
Commentary	Definition : Worship	The way the Bible uses this work is not at all like it is used today. We talk about Worship Leaders, Worship service, praise & worship, etc. The Bible doesn't know anything about any of that. When they were looking at the O.T. scriptures in the day of Jesus, they were not looking at the Hebrew, they were looking at the Greek translation of the Hebrew. So the N.T. is written in Greek and the they had an O.T., which was written in Greek, which was called the Septuagint. So when they are talking about the Greek and talking about the O.T. scriptures, it's not that they didn't know the O.T. wasn't written in Hebrew. In your Bible, there are 5 words that are translated 'worship' that happen either in the Greek O.T. or Greek N.T. In about 74% of the instances, the number 1 definition of worship in your Bible means to prostrate (bend your knee and bow down). Bible says they fell on their face and worshipped. It's not saying the broke out into a praise song to worship in the Bible. That predominate word means to put your arms out (extended to your sides), face down on the floor, legs out, prostrate yourself before God. And the Bible uses a bunch of terms and they are all in English. They bow down and worshipped. They fell on their face and worshipped.
Commentary	Definition : Worship	It's not 'oh Jehovah, you are so good', That's what we think of worship today but that's ot how the Bible thinks about it. You're thinking if I really get emotionally involved and kind of squint my eyes and try really hard, now I'm really worshipping. That's not what the word means ever in your Bible. Ever. MM says it is in the archeological record that the early church was not gathering to worship. But in this day, we changed that meaning and it has worked its way into our vocabulary. That's not what it's supposed to be. It means to prostrate yourself before the Lord. The other 4 words are not talking about any of that (what modern worship looks like today). 'Worshipped and served (served is about bringing and offering, making a sacrifice)'.

Commentary	MBI Schools : School of Evangelism	This is a process which has proven useful in helping you to focus on the unseen (spiritual aspect of your life) instead of the seen (physical aspects of your life) when facing tribulations and sufferings. PATIENT IN TRIBULATION (Romans 12:12): Mechanical means of enduring tribulations - The mechanics of how we interact with the doctrine so we can rejoice like Paul and be PATIENT IN TRIBULATION: Step 1: Identify and Understand the Relevant Scriptures (These are verses MM used during his 2017 stroke & encourages going above and beyond this list.) - You need to know and understand how the scripture applies to your situation in order for it to effectually work IN you. Get these in your heart and mind. Promises: Romans 8:17, 18, 23, 26, 28, 32, 35; 2 Corinthians 4:16-18, 12:9; Philippians 4:6; 2 Thessalonians 1:4 Step 2: Identify the Problem - Take a piece of paper and write on the top a title of what the issue is. Inner man benefits of 'my stroke'. Some of MM's examples below. I have no promises about my outward man other than the redemption of my body at the Blessed Hope. Something is greater in the midst of this.
Commentary	MBI Schools : School of Evangelism	When people are born into this world they come in naturally ungodly, as sinners by nature, in the sense that their identity is in Adam. Because of that, they're not only sinners by nature but they are not godly in any part and they cannot become godly on their own. There's nothing that we can do to make ourselves that way. As we live in what the Bible calls THIS PRESENT EVIL WORLD-Galatians 1:4, Satan is bringing all kinds of pressures to bear on people so that he can actually increase the ungodliness that is taking place in the world. There's a reason for that. And just as godly thinking starts off the process of godliness for us, ungodly thinking is what Satan uses to start off the process that he wants to work in this world. It is ungodly thinking that gives way to ungodly conduct, it actually produces ungodly conduct. Then those folks who have ungodly thinking and ungodly living, they are prime candidates for Satan to utilize to labor with him. in this world to produce ungodliness and to increase the ungodliness of this world. Looking at a process that Satan uses to keep men in their unsaved condition. He is also creating this atmosphere of ungodliness which has an effect on the whole world. There are a couple things that Satan is using to produce that. He has a policy of evil that is at work in this world that is heading toward a specific goal.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	He also has THE COURSE OF THIS WORLD-Ephesians 2:2 that is charted for men to follow. The strategy is to bring the world to a place where the world at large stands in opposition to God and also rejects every member of the Godhead. That's what Satan is after. The reason for that is that's what is necessary in order for him to bring his man of sin into the world. He has not done that yet. When you understand what God is doing in the DOGG and understand what Satan was doing back in Israel's program, it also makes you understand that the antichrist is not going to be coming into the world during the DOGG. That's not what Satan is trying to produce. The progression of godliness in this world is not something that Satan is leaving to chance, he is actually guiding that process to bring the world to a complete rejection of God. What you have to understand is that the ways in which Satan is working this are planned out and they're orchestrated and they have that particular goal in mind. So Satan really wants to produce that ungodliness in the world. The ways that Satan is working this - they are planned out and they are orchestrated and they have that particular goal in mind. Satan really wants to produce that ungodliness in the world.
Commentary	MBI Schools : School of Evangelism	**Please see 'Satan's Attacks' in the Maps & Visuals section**. Satan's Attacks (GH: 3 areas) NOTE: Areas 1 and 2 are ‘the work of the ministry’ = ‘men be saved’-1 Timothy 2:4 (Area 1) and ‘come to the knowledge of the Truth’-1 Timothy 2:4 (Area 2) Area 1-1: KEEP MEN UNSAVED: MM says there's a lot of evil in the world and a lot of ungodliness in the world but there are really 7 specific things that Satan is going to keep people from coming to hear and believe the gospel. We'll call these VTPs (Volitional Testing Points). Men are unsaved because they don't believe at least 1 of these 7 things. To keep men unsaved, Satan has targeted 7 truths and he wants people to move away from these untruths. It's not enough to get them to doubt those 7 things, but he wants to replace them with 7 untruths that are very attractive to unsaved people and people naturally gravitate to the untruth and defend the untruth because it feels better. It's the one we really want. The 7 VTPs are that men have to acknowledge in order to have 'saving faith'. He only needs for them to hold on to 1 of them to have a problem. They can believe 6 of those but if they reject any one of them it will be impossible for them to truly believe the gospel of Christ and Satan knows that. Would be better to get them to reject as many as he can. These exist in conversations.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	MM giving all 7 untruths in a conversational way: 'I don't really believe in God. I believe man made God so they could control people. God is a crutch for weak-minded people. And even if there is a God, it is not fair for Him to punish people for their sins because if He does, He is not a God of love, He is a God of hate.' I may not be perfect but as long as I'm basically a good person, that's all the really matters. I certainly don't need to get my morale code from some outdated book that was written by a bunch of male chauvinists. If there is a judgment, then there must also be a way around it after all, the ideas of what is right and what is wrong are changing all the time. I don't need saving because there isn't anything wrong with me and anybody who disagrees with me, well, they're wrong.' MM imagines everyone has heard one or more of these sentences and it shows how pervasive all this has become. The good news is that Satan can't force anyone to reject those truths and he can't force anymore to accept his untruths. People are still free moral agents and they are able to make their own decisions. But Satan is crafty and he does know how to do what he wants to do. So what he does he uses the natural inclinations of people and the natural motivations of men to get them to think the way they think and to act the way they act and that way, they are unaware that he is guiding them down a path that is actually going to lead to their destruction at the end.
Commentary	MBI Schools : School of Evangelism	This has a lot to do with presenting the gospel because their ungodliness has progressed to the point of rejecting some very specific truths and they have to believe those in order to have 'saving faith'. See this in societies. A society starts out one way but as time goes on, it gets further and further away from the truth and it adopts more and more of the untruth. That doesn't happen accidently. Satan is moving everything in that direction and he is crafty about it so people don't even know they are GH: being manipulated. MM says he looks at the things happening in this world and people get real upset with flesh and blood, but Paul says we are not wrestling with flesh and blood. MM sees a hand behind things that goes way beyond the lifespan of men, but it is the adversary who has been working all along. This also happens in a life span of a person. When you talk to children about the Lord and about being saved, they are much more receptive. The older they get the less receptive they become. The reason is because ungodliness is increasing. The COTW-Ephesians 2:2 is having a further and further effect. Can even happen with saved people. Get saved early in life and get so influenced by the PoE that they kind of abandon that and move along with the COTW. The COTW is not just working on unsaved people, it is working on everyone to get them to a place of ungodliness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	It happens in the world, in the nations, and in the lives of individuals. MM reflects thinking about 5-Day Club for kids - it was fun because they didn't have all of these built-in objections. A proper presentation of the gospel will contain the opportunity for people to agree with all 7 VTPs. MM is not telling you that is how to structure your presentation of the gospel, he is saying if you do it right, they will be forced to confront all 7 somewhere in the gospel presentation. Don't let that intimidate you or say 'I'm never going to get this'. You want them confronted by all 7 of these because the last thing you want to do is convince an unsaved person that they're saved. If an unsaved person thinks they are saved, they will probably remain that way. That's the danger of someone thinking, I got baptized so I am saved or I joined a church or I live a pretty good life. That's the danger. If you think that saved you and it doesn't, that puts you in real danger about your eternity. So there is a proper way to present the gospel and there's an improper way to present the gospel. Improper presentation allows the person being witnessed to to reject any of these 7 VTPs and lead them to think that that's OK, they can still be saved. An improper presentation of the gospel would be any other than Paul's gospel. An improper presentation of the gospel is anything other than salvation being by grace alone through faith alone in Christ alone. By grace alone through faith alone in Christ alone is a proper presentation of the gospel.
Commentary	MBI Schools : School of Evangelism	MM says you don't have to list all 7 of these VTPs in a proper presentation of the gospel. There is only 3 parts to a proper presentation of the gospel and the 7 VTPs fit in one of those 3 parts. If you have a problem with one of the VTPs, it will come up at the appropriate part of the gospel. Look at the 3 parts and which VTPs are found in which part. Being asked to make a decision about something. Don't necessarily have to ask. If you say 'God loves you and sent His Son to die for you', they are likely to say they don't believe in God. If you make that statement and they have a problem, it will come up right there. Every person in the world that is unsaved is unsaved because they are objecting to one of these 7 VTPs. If they don't object to something, move on. They may object to something that they're hearing in your presentation because they have come to believe one of Satan's untruths, the counterfeit truth that Satan is seeking to replace God's Truth. In this case, Paul is going to give us an answer to their objection. He is going to give us doctrine that is meant to correct their error, unseat the counterfeit untruth, and present them with the Truth. When that is given to them, they will either change their mind and believe the Truth OR harden their heart and continue to believe the untruth. Don't let all this overwhelm you or worry you. If you are giving the gospel presentation and you know that something (GH: one of these VTPs) is going to be a sticking point for them, don't skirt around it. Saving faith is impossible if any of these 7 are objected to, you'll see what MM means as these VTPs dove tail into the presentation. Don't be afraid to present the Truth squarely and plainly if they have an objection - that is an important thing. OED: volitional: An act of willing or resolving; a decision or choice made after due consideration or deliberations; a resolution or determination

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 1. God Consciousness - Romans 1:18-20: Paul's gospel presentation immediately sets forth the existence of God and the fact that God has given to every man enough light to acknowledge that there is a God. He doesn't talk about in the beginning God, but what he does is he's saying that God has given to every man enough light to acknowledge that there is a God. If they have that objection, they will make this known at that point. v18 is giving an answer to those who are going to response negatively. No matter who you are witnessing to in the Bible, Romans 1:18-20 says that God has made manifest to His creation that He is real and that He exists. It doesn't make any difference about someone's background, where they live in the world, God has given to every man the Truth of His existence because the Bible says He put it in them. Find that people that believed in God but later someone has talked to them or some event has happened and they decided to change their mind about that. No man naturally grows up to be an atheist. He has to be persuaded either in his own mind or by the argument of others that God does not exist. Every man really is a testimony of the Truth of God consciousness.
Commentary	MBI Schools : School of Evangelism	If the person that you are witnessing to has rejected the Light of God's resistance, the Bible says THE FOOL HAS SAID IN HIS HEART THERE IS NO GOD-Psalm 53:1. In v18, Paul says God's wrath is against this person because they rejected the Light that was given to them concerning God's existence. It means that we can refer to him naturally just the way Paul did in v18. Don't have to start off our gospel presentation with this big defense of God's existence, it means that we can refer to Him naturally that way just as Paul did in in v18. If we encounter someone who has gotten to the place where they are holding the Truth of God's existence in unrighteousness, then when we mention God, they'll say something about it. v19-20 are designed to work in the heart and mind of a person who is denying the existence of God. Use tracts to deal with those who object to God's existence and object to His wrath. Give to anyone who has rejected the Light of God consciousness. There is one for: - Atheism [trac titled 'But what if you are wrong']: there is no God. They think science has disproven the existence of God, that God does not exist. They believe in evolution, instead of creation. They believe that after this life, they will just pass out of existence. If there is any honesty of heart in them this trac may appeal to them and change their mind.
Commentary	MBI Schools : School of Evangelism	- Agnosticism [trac titled 'Is that your final answer?]: can't really know if there is a God or not, can't really know for sure, Trac also about those who are denying God's existence. Introduces them to the consequences of denying that God exists and that is wrath that they will incur. - Believes there is a god, just not the God of the Bible [trac titled could you possibly be worshipping the wrong God?]: they believe in a god, just not your God Make sure and read the tracs so you can have a conversation with them after they have read those tracs or leave the trac with them and then come back and pick that conversation back up. Other resources are video and notes that will help you handling objections. Sometimes people ask some pretty tough questions that can catch you off guard that you didn't anticipate. Additional resources: Because the printed answer to these questions, there's also some videos that are not long drawn out without a complicated explanation. If you want to build up your knowledge, to assist you with that, every once and a while MM will reference a book or chart or quote that others have created. Will fill in and enhance your knowledge. You might want to dig into the details of polystrate fossils and punctuated equilibrium. EX MM drawing layers on the board that are supposed to represent different periods of time in the earth that are millions of years apart.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	What is odd is when you find a polystrate fossil which is a tree that has been buried in those strata and bridges a number of them. Makes you think, wait a minute, if each layer is millions of years, how come the tree is in all these layers? This is a scientific, observable fact that really deserves an answer. It casts doubt on the fact of how many years are between those layers. Punctuated equilibrium is what the evolutionist uses because creationists say you don't see all the intermediary forms as we evolve so to speak because these would be happening slowly. You don't find any of the intermediaries in the fossil remains you have apes and then you have men. Peter Ruckman: First it was a tadpole swimming in the sea, then it was a monkey swinging in a tree, and now I'm a doctor with a PhD. We should have many of the transitional forms in the fossil record. They came up with a 75 cent term to describe the fact there are no transitional forms in the fossil record - punctuated equilibrium, which is a fancy way of saying we don't really have transitional forms.
Commentary	MBI Schools : School of Evangelism	One Minute Answers (can say in 1 minute or less): - Answer 1 to 'No evidence that God exists' - REPLY: It is interesting that you would say this. There are plenty of books, articles, and videos that claim to provide evidence for God's existence. I was wondering which of those proofs you decided to reject and how did you define them to be faulty? Most haven't investigated any of them, they are just parrots. They haven't honestly investigated any of the proofs for God's existence. MM say don't use proofs that are subjective in nature. Paul's proofs for faith in the Book of Romans are all objective. Means that his proofs are not based on his opinion and they are not based on his preference, but it's based on facts. * Subjective: information based on personal opinion, judgment, feelings, or point of view. * Objective: information that is factual based on observations and measurements. The things that can be proven to be true. Don't try and prove things based on subjective information like 'I heard a story that...' STOP. STORY: Revival at a church in Granbury where God was turning fillings into gold. MM says if you were God, why wouldn't You give them their natural teeth back? Wouldn't that be better? What are you supposed to do, dig it out and cash it in? What will you do then? Don't use stories, stick with the objective Truth of the scripture. Just like Paul. Trying to answer the objection of someone who has honesty of heart and when they hear something to the contrary they are willing to give that a listen.
Commentary	MBI Schools : School of Evangelism	Apologetics: Defending the faith: 1. Complexity: Even the smallest observable parts of our world there are things that indicate these things were created by intelligent design and did not happen by accident. ANALOGY: Walking along a sand beach and saw your name drawn in the sand. You would think someone wrote it. What if someone said it was random and by chance. MM says that sounds pretty iffy, doesn't it? There are many things we observe that are much more complex than having our name written in the sand. Yet, atheist would want to say this is all just random and by chance. Or see a watch laying on the beach and say look at what has randomly assembled itself now by chance with lots of time. Everything about you - DNA, nervous system, eyes - all have much more complexity than just finding your name written in the sand. - Necessity of a Creator Proof: 1953 - two men credited with discovering the double helix of DNA. One was Francis Crick, a British molecular biologist. He was also an atheist and he said he estimated the odds of intelligent life on earth evolving on earth as a result of non-directed chance are 1 in 10 to the 2 billionth power. There's a formula to calculate this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Ten to the * 1st power=10 * 2nd power=100 * 3rd power=1,000 * 4th power=10,000 * 5th power=100,000 * 6th power=1 million (threshold of what people can deal with) gallons of water would create a sphere 62'x62' * 7th power=10 million * 8th power=100 million (larger than all the other power numbers that came before it - that is how much it is increasing - every power is 9x greater than all of the previous powers added up) * 9th power=1 billion gallons of water would create a sphere 623'x623'
Commentary	MBI Schools : School of Evangelism	* 12th power=1 trillion gallons of water would create a sphere 1.2 milesx1.2 miles - cover the state of Ohio in 1.25 inches of water * 15th power=1 quadrillion gallons of water about 12 milesx12 miles - cover the state of Ohio in 107 feet of water or the entire US in 1'7" of water * 18th power=1 quintillion gallons of water about 120 milesx120 miles - all the oceans in the world contains 326 quintillion gallons of water * 21st power=1 sextillion gallons would be 3 times the water in the whole planet - sphere 1,100 mile by 1,100 miles * 24th power 1 septillion gallons would be a sphere 11,000 miles - 50% bigger than the earth * 27th power=atoms in the human body - 1 octillion gallons would produce a sphere of 118,000 miles - somewhere between the size of the sun and the size of Jupiter. * 30th power=1 nonillion gallons in would produce a sphere 1.2 million miles wide - 50% bigger than the sun * 33rd power=1 decillion gallons of water in a sphere would be 11.8 million miles wide - comparable to the largest star in the Alberian group. Alberio (radius is 70x that of our own sun) is a double star that is in the constellation of Cygnus the swan. It is just over 13 million miles wide. Cygnus is not the major constellation, the major constellation is Aquarius, the waterman. It's the picture of this one pouring water into the heavens. It's a picture of the water of life being poured out on the redeemed. MM showing a picture of the waterman pouring out water that is flowing through the heavens and it is going right into Pisces the fish. Pisces is the telling part of the story - the living water received in fullness. You have major constellations and then you have decans (GH: Minor constellations) and these decans complete the story of every constellation. So you have Aquarius, the major constellation and 3 decans that continue to tell the story:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	(1) Pisces the fish, there's the living water received in fullness (2) Pegasus, the winged horse, that is the soon return of the Redeemer (3) Cygnus, the swan - one of the most recognizable constellations (fall and winter constellation), has some very prominent things, like the northern Cross. Alberio is the biggest star-base of the Cross and the head of the swan. Denub is at the head of the Cross and the brightest star. Need 30x magnification to see Alberio as a double star, but any telescope will do it, even a small one. Someone in the body of Christ will be working in Cygnus. Talking about the sure return of the Redeemer. * 48th power=1 quindecillion gallons would be 500x larger than the largest star we know of anywhere in the universe. * 82nd power=1 vigintillion gallons is a sphere of water 19 light-years across * 78th to 82st power=atoms in the known, observable universe * 2 billionth power=odds of non-directed intelligent life evolving - Francis Crick
Commentary	MBI Schools : School of Evangelism	There are a number of evidences that because of their complexity and because they beg for design, they represent astronomical odds that there is a Creator behind that. If you found a set of keys outside, you wouldn't say, look, everything came together over time in just the right way and now we've got these keys. SEE IN BOOK - 6 Proofs of God's Existence 2. Those things we observe require the necessity of a Creator. - Answer 2 to 'Surely God does not exist. If He did, He would appear to us in a public setting and prove it to the world'. - REPLY: You mean like the time when God came to earth in the person of His Son Jesus who raised the dead, healed cripples, and give sight to the blind? And what did they do to Him? They killed Him by crucifying Him. God has already done what you are saying; He appeared publicly to humans and it did not convince people like you think it would. And God knew that...But here's what else He knows, He knows why those public miracles did not convince all who saw them. It is because the acceptance or rejection of what you see is really a heart issue. That is why the public appearance will not change the hearts of people. God has already provided enough evidence for people to know Him i they truly want to know Him. The verses in Romans 1:19-20 are evidence of that.' Takes you right back to Romans 1.
Commentary	MBI Schools : School of Evangelism	- Answer 3 to 'I contend that you and I are both atheists. You do not believe in Zeus or Thor and neither do I. I just take t one deity further, I don't believe in your God either'. REPLY: It sounds like you have been reading Richard Dawkins' book "The God Delusion' or listening to someone else who has, for that is the argument he uses. In the Oxford English Dictionary there are two definitions of 'atheist'. An atheist is someone who does not believe in the existence of any god. Since I do believe God exists, I am in no way an atheist. I understand why you don't believe in Zeus or Thor, as there is no good evidence they exist and there never was. But there are plenty (over 2 billion) people in the world who believe there is intellectually satisfying evidence for the God of the Bible. These evidences would be things like: * the incredible fine tuning of the universe * the complexity of living organisms * the information encoded into DNA

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	And that is not to mention the hundreds of fulfilled prophecies in the Bible, the historical evidence for the life, death, and resurrection of Jesus Christ. For these reasons and many more, many people have concluded that God exists. If I were to share an article, book, or video with you that laid out some of these evidences for God, would you be willing to read it or watch it? QUOTE: For the most part, men who thing there is no God think that because they wish that there were no God. They find it hard to believe in God and continue in their sinful lifestyle so they try to get an easy conscience by denying His existence. - Charles Spurgeon - Answer 4 to 'If God exists, why won't He just heal an amputee by restoring his limb? Then we would all know He exists'. REPLY: You mean like the time Jesus miraculously restored the ear of a man in the Garden of Gethsemane? Did those who witnessed the miracle believe in Jesus? They did not; they led Him off and put Him to death. And what about the times Jesus raised people from the dead? Those are more difficult than reattaching a limb. But even then people still rejected Him. It would be no different today. Think about it. Is your rejection of God really because of lack of miracles? Or might you just want to live without any accountability to God? MM admits this would be difficult to say to some people.
Commentary	MBI Schools : School of Evangelism	Atheist believe in materialism - outside of matter and the way it gets modified - nothing else. Materialism is the belief that only physical matter exists. There is no spiritual work and therefore God can't exist. But materialism is impossible to defend because their main case is complaining about God. Funny - if you don't believe He exists, why would you be so busy complaining about Him? They say if I were God, I wouldn't allow evil and wouldn't allow suffering. But if that is true, you wouldn't allow free moral agents. MM says when people complain, don't take that as an argument. Like the teenager that doesn't like the instructions that his father gave him, doesn't mean his father doesn't exist, it just means he's not happy about what he's heard. So people who want to continue in sin will always find an excuse to be able to reject God. Miracles are not an end argument for convincing people who do not believe. - Answer 5 to 'Belief in God is a crutch. Christians believe in God because they are weak and afraid of facing life and death on their own'. REPLY: You know, some crutches are good. They help you when you have a sprained ankle or broken leg. There is a sense in which God is like a good crutch. He helps those who are under the bondage of sin to be justified unto eternal life. Of course, you can limp your ungodly way through this world without His help.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	He will not force you to have a relationship with Him. But forgiveness, comfort, strength, peace, and everlasting life are for those who know Him. But here's a warning, if you reject God's offer of forgiveness and you persist in this ruse of God not existing, one day you will stand before Him and you will be judged on your own merits. You will be justly condemned and consigned to everlasting destruction. Romans 2:5-9 - Answer 6 to 'It is foolish to believe in things you cannot see, like this God you speak of'. REPLY: Have you ever seen your thoughts? Do they exist? Have you seen gravity? Do you think gravity is real? When you see a painting, do you need to see the painter to know the painting is real? There are plenty of things which we cannot see, but we know they are real because we see the evidence of it. The same is true about God. But at the same time, atheists have no problem believing that (as Richard Dawkins says) "the entire space-time-matter-universe sprang into existence from literally nothing". Atheists believe that non-living matter appeared out of nowhere from nothing and then mysteriously came to life, split into millions of little parts that then assembled themselves over millions of years into thousands of incredibly complex living creatures with bones, muscles, lungs, hearts, and brains.
Commentary	MBI Schools : School of Evangelism	And how did all of this happen? Atheists say 'by billions of unseen random macro evolutionary steps! So, it looks like we all believe in the unseen. But which unseen is more likely? -- MM says you need a Creator to be able to do this. QUOTE: G.K. Chesterton (British theologian): It is absurd for the evolutionists to complain that it is unthinkable for an admittedly unthinkable God to make everything out of nothing and then pretend that it is more thinkable that nothing should turn itself into anything. VOLITIONAL TESTING POINT 2. Wrath Consciousness - Romans 1:18, 21-32 Two Parts - God's Wrath is/will be directed against all ungodliness and unrighteousness of men. (Romans 1:18) - All men are worthy of receiving God's wrath (Romans 1:18, 21-32) If someone agrees they are a sinner than you can move on. They may dispute it or may not believe that God is going to judge sin at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- Answer 1 to 'A loving God would never send people to hell'. REPLY: Let me ask you a question. What would people think of a judge who lets murderers, thieves and child molesters free and even rewarded then? Would they think that judge was 'loving'? No, they would not. Instead, they would think that judge to be immoral and wrong. The Bible assures us that God is loving, but at the same time God is perfectly just in requiring penalty and payment for sins. Because of His Love God had His Son take on the debt and penalty of all the sins of mankind and offers forgiveness to all who accept it. Those who reject that forgiveness will be 'jailed' in hell because of their belief that they are good enough and God should accept them as they are. MM says that even though God is omnipotent, he is not going to force anyone about making a decision about whether or not they will trust the Sacrifice that His Son had made on their behalf. He is not going to violate anyone's free will. This idea of 'universal salvation', that everyone is eventually going to be saved, that God is going to let them all out including the devil and that everything is eventually going to be reconciled back to God. MM says this idea violates the free will of a person. God is not going to do that, He allows people to say no but that know as the Bible warns us, comes with a consequence, but it is still a choice.
Commentary	MBI Schools : School of Evangelism	- Answer 2 to 'I'm a good person. Surely, God is not going to send good people to hell'. REPLY: Let me ask you something, over the course of your life, how many lies do you think you have told? According to the Bible, those are sins. Have you ever stolen anything? Ever had sex with someone you were not married to? Those are all sins. The point here is that we are all sinners and we all need forgiveness. Our good deeds do not cancel out any of our previous bad ones. If we reject God's offer of forgiveness and reconciliation, we will be judged. Our condemnation will be just and we will end up in the lake of fire. But the choice is yours. Take a look at the following verses. Galatians 2:16, Romans 3:12. Because of our sinful condition, we are not as good as we like to think we are. Now, we know that and we've trusted Christ but when you are talking to someone that hasn't done that, there are some things going on in their mind that think I'm really a pretty good person. The problem is, our goodness is measured up against the perfect righteousness of God Himself and when we compare it with that, we all have come short of the glory of God-Romans 3:23.
Commentary	MBI Schools : School of Evangelism	Tracts for Wrath Consciousness: - Escape from Wrath? What in the world are you talking about? -- for a person that doesn't believe that God would view them as ungodly and unrighteous. Takes them to passages that show them God's Wrath is real and that they need to escape that wrath before it's too late. Uses Romans 1:18-32. They need to see themselves as guilty before God and worthy of God's wrath. Then the tract gives them the good news of the gospel. That there's redemption in Christ and encourages them to put their faith in what God has provided for them. - What does your genealogy tell you about yourself? -- takes them to Romans 1 and everything they got. People love to think about their family and where they came from - ancestry.com. We all come from Adam and because of that, we have a genealogy in him that becomes problematic because it means because of Adam's fall every single one of us inherited a sin nature. This tract points that out and shows us that's how we got in this predicament that we're in. It then makes an appeal for them to realize that and then accept God's provision to escape His wrath through the provision He provided through His Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 3. Self-defense of relative righteousness - Romans 2:1-11 - This is a natural reaction for people to have. It is the most common excuse where people constantly compare themselves to others. When you talk about relative righteousness, talking about comparing themselves to others. I know some people who are bad people and those people God needs to put His Judgment on but not people like me because I'm much better than them. The answer to this is Romans 2:1-11. God's perfect justice doesn't operate on relative righteousness. Tracts for relative righteousness: - You may be good, but are you perfectly Righteous in God's eyes? -- The only thing God will accept is perfect righteousness and that comparing themselves, no matter how much better than everyone else they may be, it's not going to make any difference whatsoever. These people need to come to the understanding that they don't have perfect righteousness on their own. Any righteousness they do have doesn't undo the unrighteousness they have done. This tract gets them to understand that and then point them to the redemptive work of Christ.
Commentary	MBI Schools : School of Evangelism	- Do you really want to get a fair deal from God? -- Or do you really want to get what you deserve? Because you don't. This is for people who think they can be dealt with based on what they deserve and they will be OK. This is again them comparing themselves to others who may not be as good. Uses Romans 2:3-4 to show them how that is wrong. - Do you have genuine peace with God? -- This is the erroneous idea that some people get that when I turn my life around then I will have peace with God. A lot of different ways to describe this. I'm going to turn over a new leaf and they think that will make it OK. But redemption is not found in turning over a new leaf or making your peace with God or some how you have solved it all out because you have some to some kind of understanding with God about it and that sort of thing. This tract is going to tell about the error of that kind of thinking and will show them it is absolutely impossible for you to make peace with God on your own, by yourself. No matter what you say, no matter what you decide, no matter what you want to change, that will not give you peace with God. Peace with God is only available through the redemption that is in Christ Jesus. Remember, that is the third part of your identity in Christ for someone who has exercised saving faith.
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 4. Self-defense of extenuating circumstances - Romans 2:12-29 - Thinking that I have a special circumstance. There is something that makes me different and therefore I am not subject to be judged like everyone else. It would be unfair to do that. - v13-16 are for a Gentile: It would be unfair to judge me because You didn't give us Gentiles the law so we didn't have that advantage. You gave that to the Jews, not us. It's not fair for You to judge us. - v17-29 are for a Jew: Jew is claiming an exemption because he is part of Israel, part of God's chosen people. Think because he is the seed of Abraham, they are naturally righteous and naturally holy. The implication to this is the whole issue of justification is righteousness, the whole issue of sanctification is holiness and because the Jew thought because he was part of the chosen people he was naturally righteous and naturally holy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	He is saying I can justify myself and I can sanctify myself. Paul dismantles that argument. Tracts for extenuating circumstances: - Do you have something to say for yourself in extenuation? -- Talks about the common ideas people come up with when they are told that they are guilty before God. Lists some common examples and then points them back to Romans 2 to show there are no extenuating circumstances. There are none that will keep you from being guilty before God. There are no exceptions to the rule. Then it appeals to them to accept God's offer of salvation through the redemption that is in Christ. - It's not my fault! -- This tract also deal with some of the common excuses you hear from people that shift the blame from themselves to someone else. At the end, they are going to be shown there is no one to blame but themselves and to accept God's offer of forgiveness and redemption.
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 5. Stubborn Negative Responses - Romans 3:1-8 - Even when confronted with the scriptures about what all God says about that, people may still continue to double down on their rejection to what the Bible is saying. There's a post-modern argument that says truth is different. What's true for you is not necessarily true for me. But you have to understand, God is not basing His Truth based on what you think it is. He is basing His Truth on perfect righteousness and that righteousness will be the standard by which He will judge everyone. That is an objective truth. What people are trying to do is just get away from the truth. What is rampant in our world today, especially in this country, is that people can't think logically anymore because they don't like where the logic takes them. So they make decisions like if I just stick my head in the sand like an ostrich and pretend there is no danger around me then there won't be any danger. That is a ridiculous way to live and to think. Thinking truth is relative comes in two forms: 1. the soft form of this is when someone has a preference and because this is what they prefer, then they get rid of the facts or they get rid of that because it is not important. What's really important is personal beliefs or personal opinion or you know, some cause that they've invested in or some emotion that they feel about that undoes the Truth.
Commentary	MBI Schools : School of Evangelism	1. the hard approach takes it a step further because it promotes these things that are absolutely untrue and are a perversion of the facts. That is because there's some kind of an agenda that they're trying to put forward and that one has been foisted on people every day all over the world. Not just today, it's been going on since the beginning. But we are living in a day when people do that more openly and it's incredible that we hear those things and don't understand them for what they are. But the righteous leaders did it back in Jesus' day, happened in Paul's day as well, where they absolutely ignored the facts or omitted certain ones order to do what they wanted to do. They did that with Jesus. They made false accusations against Him. Remember when they called witnesses and they could not get the witnesses to agree, they couldn't get on the same page with their story. But that didn't change what they thought they should do. Not at all. It didn't change what they did, they still put Him to death. It didn't matter, it was irrelevant. Facts don't matter. The only reason they went through that charade is in hopes that it would line up. But when it didn't, it really didn't make any difference to them. People do the same thing today. They ignore the Truth and they distort the Truth and MM thinks it reminds of what Paul wrote to the Galatians - AM I THEREFORE BECOME YOUR ENEMY BECAUSE I TELL YOU THE TRUTH - Galatians 4:16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Tracts for Stubborn Negative Responses: - Is your damnation just? -- Informs the reader of the severe consequences for their stubborn rejection of God's offer of redemption and it appeals to them to believe the gospel and it shows them the jeopardy that there in, the damnation they are hoping to avoid is just based on ignoring the facts. - Is this talking about you? -- Focused on the fact that the eternal punishment that someone is going to have because they have rejected God's offer of salvation. Romans 3:1-8.
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 6. Full Prosecution of being UNDER SIN and being GUILTY BEFORE GOD/All men are proven guilty - Romans 3:9-20 - There is no hope of self-deliverance and God has offered this opportunity of grace through His Son. It's at this point we would begin to talk about Jesus as our substitute Redeemer. Tract for All men are proven guilty: - Guilty as charged! I hereby sentence you to... -- The point is that all men have been proven guilty and that is what this tract is talking about here. And is talking about instead of talking about God executing His wrath upon men during their lifetime, God is now withholding that judgment. But that judgment is still sure to come. Don't mistake the fact that God is not correcting people here. Because you have gotten away with it to date, men have been proven guilty and there is going to be a sentence to that. - Can you survive the Death Penalty -- Like the other one, focuses on the eternal damnation of everyone who rejects the offer that God has made to them through the redemptive work of His Son.
Commentary	MBI Schools : School of Evangelism	VOLITIONAL TESTING POINT 7. Good news in the Redemption which is in Christ Jesus - Romans 3:21-26 - God's not just overlooking sin, He is doing everything so that this is rightly done. So when God forgives sin, if He is going to be righteous, He can't just overlook it and forget about it. But there has to be a payment and God is the One that orchestrated all of that through the death of His Son. What Jesus does on the Cross made it possible for every man to receive the benefit of salvation as a free gift of God. We say by grace. You can't earn it. There's nothing you can do to deserve it, and isn't it wonderful that God made it that way because none of us would get it if that was the case. The only thing that grace is compatible with is faith. Faith alone. Why no works can enter into this process. People see Israel under the law and think faith and works. Why no works can enter into this process. Sins in the past were in remission. That means the penalty for those sins is postponed in view of a future payment. He can deal with our sins now because the redemptive act has already been now accomplished so the full means of forgiveness and all the things that go along with that can be done for us. There is only one thing that took away sin. But when you are talking about before the Cross, GH: you had the temporary solution of the blood of bulls and goats/Day of Atonement.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	But Jesus' sacrifice doesn't need any of your works. It was a PROPITIATION-Romans 3:25. Means it alone completely satisfied God's justice and His wrath against us. MM doesn't believe anyone ever did works to be saved because if you were going to be saved because of your works those demanded perfection. Also, there's no good work you can do that will ever do away or outweigh the bad. Paul says BY THE WORKS OF THE LAW SHALL NO FLESH BE JUSTIFIED-Romans 3:20. Takes us back to the whole of mankind. If people's works don't measure up, they lose reward, not their salvation. God is the One who put the redemption together and if anyone would know what it takes to satisfy God's justice, He would know. When He declares that the death of His Son was a PROPITIATION, that it completely satisfies His wrath and justice, who better than God to know if that's true or not? And we know it is true because He has Paul write these words. We can have complete confidence in what God has done. So when we get JUEL, there is nothing that can ever be done to undo that. Once you have been JUEL and placed into Jesus Christ because of that saving faith that is where you are, it is irrevocable. God has made it so He Himself cannot violated that without opposing His own character. That's how permanent that is.
Commentary	MBI Schools : School of Evangelism	Tracts for the Good News: Two deal specifically with this all sufficient payment for sin that Jesus made on the Cross. The other 4 tracts are addressing some kind of perversion of the gospel today and it is usually encapsulated in some kind of cliche. - It's not too good to be true, but is surely is too good to be missed -- This tract deals with 2 of the most common reasons that a person may think that justification by grace alone is too good to be true and that usually stems from the fact that he doesn't understand that Jesus did it all in His redemption. People who want to make faith a work is the heart of the second issue. But faith is not a work, it is trusting something else and that's not a work. So I'm not trusting anything I have done, my trust is in what Christ has done. Faith is not a 'meritorious work'. In other words, it is not some righteous work, it's not something that we do that lends to anything. It's simply putting our trust in what someone else has done. Of course, that someone is Jesus Christ. - But what about these verses? -- These are folks that it is difficult for them to come to grips with the fact that we are JUEL by faith alone. They are looking at verses that do not apply to this DOGG.
Commentary	MBI Schools : School of Evangelism	Because they don't rightly divide the word, they're finding verses that to them make justification by faith alone problematic. Think of the Book of James. This is not talking about justification unto eternal life, this is talking about justification in the eyes of men that they are a friend of God. What they are putting on display to the world, that is supposed to make an impact on the world. James is talking to members of the little flock who are already JUEL. MM says for too many folks, RDW is a end. RDW is a door that opens up a whole new vista. It's not meant to be the end. It's meant to be the beginning. These next 4 tracts deal with cliches that people use when they talk about being saved. - "Give your heart and life to the Lord" -- MM admits to using this in the past. But what does this mean? You may know the terminology but to someone who is lost, that kind of terminology is a little ambiguous. This implies you need to do something to be saved but when it comes to salvation, there is nothing that you have that He wants. You don't have to do bring anything to the table on that. You trust in what He has already done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- "Turn from your sins and receive Jesus Christ into your Life" -- This is not exactly right. Turning from your sins would be something you would do. This is basically repent. GH: You don't have to repent to be saved. MM doesn't believe in order to be saved, someone has to look back on all that they have ever done wrong and feel sorry about that and wish they hadn't done that. MM thinks what a person needs in order to be saved is to understand they are in a lost, sinful condition and the only thing that will save them from an eternity in the lake of fire is to trust God's provision of redemption through His Son and put their faith in that and that alone. That's the only thing that is going to save them because if you have to feel sorry about your sins then you've just done in the DOGG is you have put grace and works together again. You can do this and still not trust Him and Him alone as sufficient to justify God's justice and wrath against you. - "Make Jesus the Lord of your Life" -- This is a theological position that is referred to as 'Lordship Salvation'. Some prominent people are Lordship salvation people and they think that is necessary. Uses verses like BELIEVE ON THE LORD JESUS CHRIRT AND THOU SHALT BE SAVED-Acts 16:31. Think if you're not going to make Him Lord then..., but this verse is not talking about making Him Lord, it is talking about believing on Him, who He is. Another problem is this is not something you can do immediately. This would be a sanctification issue. You have no part in justification whatsoever. It is possible for someone to make Jesus the Lord of their life and still not trust in His propitiatory death alone as sufficient to save them.
Commentary	MBI Schools : School of Evangelism	- "Invite Jesus into your Heart" -- Usually when you give the plan of salvation to someone, people will turn to Revelation 3:20. People say this is Jesus at the door of your heart and if He is knocking and if you will open that door and invite Jesus into your heart He will save you. It is possible to ask Jesus to come into your heart and you are still not trusting in His Work alone as sufficient to save you. MM says this is not a good gospel message. These are not good ways to talk about it but they have gotten into the Christian vocabulary and they've been passed down from generation to generation and we have had them for so long now we think these are good ways to talk about it. The only way to talk about it is the way the Bible talks about it and that is salvation is putting your trust in God's provision and the redemption that was provided by Jesus Christ and putting it in Him and Him alone. MM say what we need now is a generation that will begin to talk about salvation the right way and use terms that are accurate so that they are not misleading. People say you need to pray a prayer and ask Jesus to come into your heart and to forgive your sin and to save your soul. MM says he has said this many times, it's the default statement. But praying a prayer does not save you because you can pray this prayer and still not trust Him and Him alone. Not splitting hairs, just accurately portraying what the gospel message is about. Can't gloss over the 7 VTPs, because today the religious world is becoming more and more like the secular world. EX 2015 pope letter to an atheist - headline 'You do not have to believe in God to go to heaven'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Area 1-2-KEEP THE SAINTS SILENT: Satan wants to keep the saints silent. 1. Fear: One of the big things to overcome any time you talk about giving the gospel to someone is the fear of talking to someone else about being saved. Don't have trouble talking about a lot of things but when we talk about the gospel we have this fear that comes over us. 2. Lack of Knowledge: What the fear stems from. 3. Ridicule: There's a whole lot more here but MM is trying to sum it up. If you talk to someone about the gospel, all of a sudden they start looking at you differently and thinking different things about you. Because of this, people don't give the gospel anymore. If we don't give the gospel, it will be pretty hard to be saved.
Commentary	MBI Schools : School of Evangelism	Area 2-1: KEEP SAINTS UNDIFIED: (GH: in the dark?) 1. Distracts them: There are a ton of distractions. Things take place in this world and everybody gets all caught up in that and all of a sudden edification begins to take a back seat. If you are a son or daughter and you are interested in being conformed to the image of God's son and you are training in your Sonship life, you have to be constantly on the lookout to make sure that the world is not distracting you from necessary time and attention to your edification. So it's just a matter of priority. If you back and remember the 3 commitments of a son, one of these is THE top priority. Doesn't mean you quit your job but it means you have to make time in order for that to happen because it won't happen accidently.
Commentary	MBI Schools : School of Evangelism	2. DOCTRINES OF DEVILS- 1 Timothy 4:1: Doctrines that are contrary to the Truth. People get false doctrine in their thinking and now that affects how they carry out their spiritual life. You have to learn the Truth about the doctrine and that means you are going to have to take time to look at and understand it, and be persuaded by it. You can't just show up and not really understand it. You have to really spend some time to be able to do that. 3. SoC - 2 Corinthians 1:5: The direct attacks by the policy of evil on sons and daughters who are putting their Sonship life into practice. Attacks are made to get them to stop doing what they are doing and if they will, those things will go away.
Commentary	MBI Schools : School of Evangelism	Area 2-2: SILENCE PASTORS 1. False Training: MM says there is a whole host of these. He is just summing it up. As a Pastor, when you go to Bible college or seminary, you don't get any instruction that says your job as a Pastor is the edification of the local assembly. But they did say all of this screw ball stuff that you make up when you don't know the Bible. EX When you go to Pastor a church, it takes about 5 years for you to discover what God wants to do with that church -- NO. It should take 5 seconds if you know the Bible because you knew that before you showed up. In this church, it's the missions program. Another is big in children's ministry. Others have positioned for the college age group. Others had a camp church. Everybody has a niche. Takes about 5 years to figure out your niche. No, the work of the ministry has two parts to it and it is supposed to be the same for every church - to give the gospel to the lost and to edify the saints. Churches do a bunch of things but don't edify the saints. Nothing bad about these approaches but they should be vehicles for edification to take place. They should be platforms from which people are now having the wisdom of God installed in their inner man so that they are being conformed to the image of God's son. If that is not taking place, then we're just entertaining people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Area 3: INCREASE UNGODLINESS 1. WORKS OF DARKNESS-Romans 13:12: Not every evil thing Satan is doing is a work of darkness. His works of darkness come in 3 categories and those are the only things he really needs to get rolling in order to bring the whole world to a place of rejection of God and a place of ungodliness. These are the thing that he needs to do. When you CAST OFF THE WORKS OF DARKNESS, you begin to stand in the way of what Satan is trying to do in this world in a significant way and he is going to pay attention to that. Why you now have a target on you because you are messing with stuff that he has to have in order to bring the world to a place that he wants it. 2. Attendant Evil: There the other bad things that Satan is doing in the world, but they're the icing on the cake. If they get done, it's wonderful for him. But if they don't, he really just needs the works of darkness to go forward. Churches get all wrapped up in these (GH: and not THE WORKS OF DARKNESS-Romans 13:12). Churches have quit talking about THE WORKS OF DARKNESS because it is not politically correct to do so anymore. 3. COURSE OF THIS WORLD-Ephesians 2:2 4. General Policy of Evil
Commentary	MBI Schools : School of Evangelism	Gospel Comparison: - Gospel presented back in Matthew, Mark, Luke, and John is not the gospel that we preach today although a lot of salvation sermons today are right out of the gospels. The gospel that was preached during the earthly ministry of Jesus is called the gospel of the kingdom. GOSPEL OF THE KINGDOM GOSPEL OF CHRIST "Target Audience" Israelites-Nation of Israel All the world - Jew & Gentile - What about John 3:16? God loves the world but the process by which He would bring salvation to the world during the earthly ministry of Jesus is not the same as the process by which people get saved today. The process that God put into place back there is that He was going to do something with the nation of Israel and then through the nation of Israel, a message would come to the Gentiles. Although there were from time to time Gentile proselytes to Judaism, which was the religion of Israel. It meant they believed that the God of Israel, Jehovah God, was the only true and living God. Most Gentiles did not believe that, most Gentiles made up all the false gods that are in the world. They worshipped the sun and creeping things (GH: see Romans 1). They believed the God of Israel was the only true and living God, joined with Israel and then they could be saved.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	But most of the Gentile world rejected all that and did not believe in Israel's God. But God had a plan. He was going to use Israel to bring the Truth of the gospel to the rest of the world. That was at the heart of the Abrahamic covenant (Genesis 12:3; Genesis 18:18). God is going to use Abraham as father of the nations because from Abraham comes the 12 sons and the 12 sons become the 12 tribes and they become the nation of Israel. When Israel becomes that great nation, that is what God is working toward. When that happens, that will be the kingdom. And the word of the Lord will go forth from Jerusalem and it'll be carried out to all the Gentile nations and then the Gentiles will really get that chance to hear the good news and they can be saved. That's not what's happening today. MM asks has Israel as a nation trusted Jesus Christ as their all-sufficient Savior? 'Are you kidding me?' We are not getting our gospel through the nation of Israel, we're getting our gospel apart from Israel. Israel was put in unbelief. Paul says Israel is in unbelief, BUT NOW something else if happening for us. "Main Messenger" The Lord Jesus & the 12 Paul (why Paul says MY GOSPEL) "Message" THE KINGDOM IS AT HAND SALVATION IS COME TO THE GENTILES-Romans 11:11 "Hallmark Signs" 1. The healing of the sick No signs - the revelation of the mystery revealed (no sign it was coming, no one had a heads up about that) No sickness and disease in the kingdom. 2. Cast out Devils
Commentary	MBI Schools : School of Evangelism	Satan isn't doing this today-before you had 1 nation that needed to be corrupted and ungodly. When the thing went to the whole world, this stopped. Notice the only people possessed of devils in the gospels were all Israelites in the land of Israel. No Gentiles outside the land of Israel are ever mentioned. The whole focus was to corrupt the nation and to keep them from becoming that nation that believed God and then could carry that gospel. Why waste resources on Gentiles when you can choke it off in Israel and concentrate all of your effort right there? "Believe/Put your faith in" Jesus is the prophesied Christ of Israel The redemptive work of Christ through His substitutionary death on the Cross He was the One the OT prophets talked about, and that message was the kingdom. You can say that you believe that He was the prophesied Christ of Israel but you are not Israel. You aren't asked to look at Him this way, you are asked to look at Him as the One who paid the sin debt on the Cross. "Result of belief" The little flock The body of Christ

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	When an Israelite believed that Jesus was the Messiah, he got eternal life. And when he did, he became part of the Lord's little flock. Today when we believe, we become part of the body of Christ. Doesn't matter if you are a Jew or a Gentile, those distinctions don't matter in this DOGG. God has done away with all of that. So salvation for us is just like it has been for everybody folks. "GH: Two parts" Belief/Reward in the kingdom Belief/REIGN WITH HIM-JHI Israel had two justifications. One in the Eyes of God or salvation. The other was going to be in the eyes of the world/men and that was going to be for reward in the kingdom. If you confuse those, you don't understand the justification being talking about. It can't include works because to be saved by the law demands perfection. It's not you keep the law and Jesus is going to help you out. If you can't be perfect, you need a Redeemer who was. That's the only way that anybody ever gets saved during all of that. Paul is commissioned by God to preach the gospel of Christ during this DOGG to Jew and Gentile alike and if you are truly saved to day you will believe the gospel of Christ. That's what it is called in the Bible. Should understand the difference between the gospel of the kingdom and the gospel of Christ. Also, what is the gospel of Christ, specifically, and what does it entail?
Commentary	MBI Schools : School of Evangelism	A proper presentation of the gospel will have all 3 of these parts: Gospel Part 1: God's Wrath (to make people aware of God's wrath against sin and the need for salvation - making them aware of God's wrath against sin) Gospel Part 2: Everyone is worthy of God's wrath and everyone is without EXCUSE or ESCAPE and worthy of God's WRATH (no one will escape the justice and the judgment of God based on anything that they do) Gospel Part 3: GH: Good news, the BUT NOW-Romans 3:21.
Commentary	MBI Schools : School of Evangelism	Two types of skeptics in the world: 1. Honest skeptics who are able to be persuaded by the Truth and by facts and by information 2. Dishonest skeptics who don't care what the facts are, they just want to believe what they want to believe. They're kind of like an ostrich that sticks its head in the sand and ignores the reality around it and pretends that something else if going on. There will be a rude awakening for people in that condiion because you cannot wish away the Truth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Misconceptions: - 2021 Pew research poll taken and 65% of Christians thought it was better to share your faith by the way you live rather than to speak about it. There's a problem with that. First, no matter how honest you are or how hard working you are, most people don't associate that with your faith unless you have already been talking about your faith. Otherwise, they just think you are an honest hard working person. Second, no amount of good living is going to effectively communicate the gospel. Just because someone lives a good life doesn't mean the people around them understand that they are under sin or they understand that they cannot save themselves. These actions do not produce a mindset in those folks that tells them that God is going to judge sin or that they are guilty without excuse or that God has made a provision for their sin through His Son and that faith in the finished work of Christ is the only way to avoid God's Wrath and the penalty of sin. They won't understand any of these things. MM thought that was a high number. - 69% of all church goers think everyone is going to heaven. - 21% of evangelicals do not even believe there is a heaven. MM says this leaves a very small portion who do. - POINT: If we don't know how to articulate the gospel, if we can't really give a clear Plan of Salvation to someone, the likelihood is that folks are just going to hell. So we want to make a change in that.
Commentary	MBI Schools : School of Evangelism	Tips: - Have a New Testament. Not as big and as intimidating as the Bible. - Tag pages with circled/underlined verse (so you know where your eyes are going) and write the point you are wanting to make on each page. - Have them read part of the verse. Good to sit beside them. - Do yourself first. - People understand nobody's perfect. - Write at the bottom of the page is the transition statement to the next verse. - Write at the very bottom of the page the next place you are going. MM went from Romans 3:23 to Romans 6:23. - MM used to present in order for you to be saved, you need to know 4 things. This is what MM used to use.
Commentary	MBI Schools : School of Evangelism	1. Everybody is a sinner, that includes me and you. You don't know me but you know based on what the Bible says I'm a sinner. Ask the person who has sinned in Romans 3:23. 'Everybody'. If you have ever committed 1 sin, that makes you a sinner. Doesn't mean you are trying to sin everyway that you can. People get the idea that oh, I'm not a sinner because I try to be a good person. There are only two flavors of people in the world - perfect people and sinners. 2. The second thing you know is over in Romans 6:23 - 'the wages of sin is death'. You may want to use another verse, earlier in Romans where it talks about God judging all unrighteousness of men. 3. WHILE WE WERE YET SINNERS CHRIST DIETH FOR US-Romans 5:8. 4. MM used to use Romans 10:13 before he knew RDW. Would not use this verse. GH: Use Romans 3:21-26 instead?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	TRANSITIONAL QUESTIONS: Take it from a regular conversation to a conversation where you can start to present the gospel. Take the conversation from the secular to the spiritual. Need something that will change the conversation you are having over into the spiritual area. You can do this conversationally using a number of questions such as: - Do you attend church anywhere? * If they says YES, your job got easier. They certainly won't be offended by you talking about it. Ask them to tell you about it. * REASON 1: One of the reasons has to do with Satan's effort to bring the whole world to a rejection of God. To create ungodliness in this world and for God to not be a part. Satan would rather have a world in which no one is thinking about God, no one is really talking about God, that our whole lives get wrapped up in the things of this world because he wants to do that. This is dangerous because one day God is going to bring His wrath upon those who reject Him and His offer of forgiveness. This moves you into a gospel presentation, talking about Wrath Consciousness. Can back up from there and go you know, and the Wrath will be upon all of us, everyone. Because everyone is a sinner.
Commentary	MBI Schools : School of Evangelism	* REASON 2: I can understand why people are often put off by religion, but what I'm talking about is the most important decision you'll ever make in your entire life, a decision that will not only affect you every day for the rest of your life but it will continue to effect you throughout eternity. God created you to be an eternal being. At this point, you could either play 'The most important decision you will ever make' on your phone and let them hear the gospel presentation or you could give that presentation yourself. * REASON 3: Men are sinners and it makes them feel guilty and therefore uncomfortable if they think very much about God or the Bible. Therefore, they prefer to leave God out of their life. You can just say that's not true for every person that doesn't read the Bible or doesn't think about spiritual things. Talking about God or talking about the Bible is very incompatible with their lifestyle so they would rather just leave those things alone. Established the first point - everyone is a sinner. Back in the gospel presentation and off you go. * REASON 4: Don't go to church because they are all hypocrites.
Commentary	MBI Schools : School of Evangelism	* If they say no, there are a lot of people that don't go to church. Satan is actively working to thwart everything that God is doing today in this world. Part of Satan's agenda is to keep people from going to heaven when they die. Then ask the lead-in question. - Do you consider yourself a spiritual person? * Meant to be vague. - Do you sometimes think about spiritual things? - Do you ever read the Bible? * Can use if they say they love to read. Don't debate them on these questions, let them talk to you so you can see where they are really at. MM typically never has to stray outside these 4 questions. If they say NO to all those, say 'you are not alone, a lot of people feel that way. Why do you think that is?'. MM says this is a good question. Once in the spiritual, need that lead-in question.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- Do you know for sure you will go to heaven? If you were to die today, do you know for sure where you would spend eternity? You can ask in a very kind way. Not everybody that goes to church answers this question yes because they don't know for sure they have been saved. They are going to church, they are trying to be a good person, they may have even trusted Christ as their Savior but they still have questions about it, the security issue of it. Because there are still too many preachers talking about losing your salvation. Do you know where you would spend eternity?' is too quick. Examples of the next question: * If they say YES, 'ask how do you know?' - They may say something like 'I got baptized' and you know that they aren't. Could say 'you do realize that baptism doesn't save you' or 'the Bible says there are 3 things you need to understand in order to go to heaven. Can I show them to you?' They need to understand it is faith alone in Christ alone and there is nothing that they can do. - If they say 'because I joined the church', it tells you they may not really understand the gospel.
Commentary	MBI Schools : School of Evangelism	- Not many people can call up a verse even if it is a wrong one. - It's their decision. You can't manipulate them into being saved you can't trick them into being saved you can't force them into being saved, but what you can do, what you do want is to control the presentation of the gospel so they can hear how to be saved. Just trying to give them the best opportunity to say YES or NO to God's offer of forgiveness.
Commentary	MBI Schools : School of Evangelism	LEAD-IN QUESTIONS: Once you turn the conversation from the secular to the spiritual, the next thing you want to do is the lead-in questions. Is an introduction to the gospel presentation. - For go to church -> Do you know for sure you will go to heaven? Church membership or attendance has gone from 80% in 1970 to 47% in 2020. Satan is actively working to thwart everything that God is trying to do in this world and part of his reason/agenda is to keep people from going to heaven when they die. GH: then ask the lead-in question. If they do go to church, 'since you go to church, let me ask you a question, GH the same exact question?' - For 'spiritual person' or 'spiritual things' -> If no, 'understand that many people don't take time to think about spiritual issues but there is one important questions that everyone should think about - do you know for sure you will go to heaven?' 44% of the country would say they don't know (2020 poll). If yes, 'let me ask you a question about that, do you know for sure if you will go to heaven?'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- For read the Bible -> If no, 'a lot of don't take time to read the Bible or think about spiritual things, but there's one very important thing that you need to know.' then the lead-in question - 'do you know for sure that you will go to heaven?' If yes, the lead-in question. Why ask this? Because if we don't, people will wind up in the lake of fire and if we care about them at all...the Bible says they will oppose themselves, they will not make decisions that are best, even for themselves. This is how deceived all of that is. So we want to get to that lead-in question. Answer to the lead-in question will determine whether you need to present the gospel to them our not. Want to determine if they are JUEL, if they have ever been saved. GH: AFTER THE LEAD-IN QUESTION: - 'If I could show you in the Bible, that you would know for sure that you would go to heaven when you die, you would like to know that, wouldn't you? So if you ever decide to do it, you would know exactly that the Bible says to do.' If yes, go immediately into the gospel presentation. If no, GH: lead-in question. Try to quickly get to a place where you know whether someone needs to hear the gospel or not. Make sure and leave a tract with the person to leave the door open.
Commentary	MBI Schools : School of Evangelism	POSSIBLE ANSWERS TO THE LEAD-IN QUESTION: First 3 don't know for sure. Could just do it instead of asking 'If I could show you from the Bible how you could know for sure you could go to heaven, would you like to know that?' MM knows this question allows them to say no but you are not going to trick people into being saved. Add 'so if you ever decided to do that, you would know exactly what to do'. This takes pressure off of them to think they don't know what you are getting ready to ask them to do. Letting them know you are not forcing them to do anything, that this is going to be on their terms and it has to be that way. Trying to take that pressure off of them. If they say yes, go into the gospel presentation. If they say no, say why not and then try and deal with that from there. 1. Well, I hope I go to heaven. 2. No, I do not know for sure where I would go. 3. I think I would go to heaven, but I'm not sure.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	4. I got baptized when I was young. 5. I am a member of such-and-such church. 6. I don't believe in heaven, when you die that's it. NOTE: 30% of unchurched Americans believe this. (GH: 2021 poll?) 7. My daddy was a preacher. 8. I'm pretty sure I'm not going to heaven. Or I am too sinful to go to heaven. NOTE: Only 2%. If they say either 4, 5, or 7 - They may be saved but just gave a crummy answer. Assume they don't know and go into the gospel presentation. If they say 6, they need to hear the gospel presentation. If they say 8, this is relative righteousness in reverse. Christ came to save sinners, not just little sinners. Doesn't matter. No such thing as someone being too sinful to be saved. That would be really good news for someone who looked at their life and thought God would surely just reject them. Doesn't matter if you are pretty good or pretty bad, there's no sliding scale with God. Lastly, God doesn't need any help from a sinner. He has done it sufficiently to cover everyone who has ever come into the world and the redemption is freely offered by grace. God gave with SIMPLICITY-Romans 12:8, with no strings attached and freely offered to everyone.
Commentary	MBI Schools : School of Evangelism	**OTHER LEAD-IN QUESTIONS: These replace the 'Do you know for sure that you will go to heaven' question.** **1. Do you know for sure where you will spend eternity?** **2. Suppose you were to die and you were to stand before God and He asks you why should I allow you into heaven? What would your response be? If they know the Truth, they will say it right there.** **3. Since you hope you will go to heaven, what are you depending on to get you there?** Follow up with 'How do you know?' Make sure they are not trusting in their works because that is not saving faith. They need to understand it is by faith alone in Christ alone and that constitutes saving faith in the Bible. MM says grace is sometimes hard for people to comprehend. Salvation is a matter of heart/trust and it doesn't have anything to do with our works. Even salvation is not found in some kind of prayer.
Commentary	MBI Schools : School of Evangelism	Salvation is in trusting in the finished Work of Christ and there's not anything that we are going to do with that. Only the work that Jesus has done in His DBR will satisfy God's righteous judgment against sinners. That's the only thing. And our trust has to be not in what we're going to do but in what He has already done. So it's not trusting Christ plus my baptism/GH: good works. Don't ask 'Are you saved?' for the lead-in question. First, not everybody understand what you mean by the word saved. You have an understanding of what that means but they may not, especially folks in the world. Also, don't ask 'Do you believe in God?' This sidetracks the whole gospel presentation into a whole different discussion. Also, don't ask 'Have you ever asked Jesus to save you?' When you ask this, people don't understand what all you mean by that. What are they really trusting? Don't ask 'Have you ever invited Jesus into your heart?'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	MM says this is critical because it is equipping us to do the first half of the work of the ministry - giving the gospel to the lost. Spend more time working on yourself than anything else and if you do, you will have the ability to give to other people that which otherwise you would not be able to. If you go to the trouble to know what to say and where to turn in your Bible, you'll always have the ability to help someone who wants to know or is misled about it and they are not sure. Having this confidence MM thinks is a wonderful thing. HOW TO MARK YOUR BIBLE TO OUTLINE THE PLAN OF SALVATION: - Find a blank page in the front of your Bible - Write down the transition question or the lead-in question (Do you know for sure where you will spend eternity?) that's going to get you into the gospel presentation. You can do conversationally. - Want to have something that if you get in the moment, you get a bit nervous, and your mind goes blank, you'll be able to turn in your Bible and see a couple short notes that will remind you about what it say and then show the next verse. - If they say YES, ask 'How do you know?'
Commentary	MBI Schools : School of Evangelism	- If wrong: - Acknowledge what they said and do it kindly. Not, 'well that's stupid'. - Reply 'You know, a lot of people think that, but that is not what the Bible says. Let me show you from the Bible.' - If not sure: - Reply 'Would you like to know for sure, so if you ever wanted to do that you would know what to do. Let me show you from the Bible.' - If they say NO, say 'Why not? Do you not want to go to heaven?' - Let me show you what the Bible says so that if you ever decided to do that, you'd know what to do. In order to know for sure that you will go to heaven, you need to know/understand 3 things. In order to know for sure that you can have eternal life, there are 3 things that you need to know. In these 3 things there is some good news and some bad news.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	**PART 1: The first thing you are going to hear is the bad news. What is the bad news? We all have a problem (GH: two sub-parts)**. You are not asking them to tell you what that is but you are going to let the Bible tell you what that is. - Make sure and get close to the person and show them in the Bible as you read it. You don't want to sit away from them and read it. Get right beside them put your finger under the verse and read it to them while they follow it. It's a good idea to underline that verse. Use a ruler so it is nice and straight. Or use a highlighter. **- SUB-PART 1: Read Romans 3:23 and then ask them the question ' How many of us does the Bible say have sinned?' and put your finger right under the word ALL. 'That's right. The Bible says I'm a sinner, your a sinner, the people we know are all sinners, and even the people we don't know are all sinners'**. Ask them if they have ever sinned in their whole life. Most people will admit they have. Make sure people don't get uncomfortable and think you are going to ask them what have they done? You just want them to understand that we are all sinners and that everybody has sinned and that there is none righteous. None of us are perfect. Would you agree? That includes me, right? It is hard to disagree that 'no one is perfect' because most people have used this time at some point in their lives. Even people we know fall into this category. Our problem is 'we are all unrighteous sinners.' God will judge all unrighteous sinners or He would not be righteous.
Commentary	MBI Schools : School of Evangelism	- If a person doesn't think they are a sinner, there are a couple things to understand. First, if a person will not say they are not perfect, they may just be dishonest about it. Reread Romans 3:23 and ask 'Is the Bible wrong?' We are not sinners because we sin. It's the other way around. We sin because we are sinners. That's who we are by nature when we come into this world. That's what we got from Adam, Adam's rebellion caused his fall but everyone that came from him got born with that sin nature already working in them. Sometimes people think, well, I didn't do anything wrong so therefore I must not be a sinner. A sinner is who you are no matter what you do, that is who you are. And what God knows is that He has to change that, He has to change who you are in order to be able to really save you. Ask if they have ever told a lie, ever taken something that is not yours, ever disobeyed your parents (takes everyone by surprise since we don't think that as sinful), etc. But you can't deal with a person who is not going to be honest. Best thing then is to give them the track 'What does your genealogy tell you about yourself?' and leave that with them. The tract will explain to them the sin nature they inherited all the way back to Adam. They got it from their parents and you'll face it all the way back to the beginning.
Commentary	MBI Schools : School of Evangelism	Two verses to define sin: (1) Romans 1:29-31 (ask have you ever done any of these things? If you have, the Bible says you are worthy of God's wrath.) -> Romans 6:23 (not just talking about a physical death, talking about a spiritual death - being separated from God and from heaven for all eternity) (2) Galatians 5:19-21 (Description of how people behaved as sinners.) If someone still wants to say no, give them the tract 'You may be good but are you perfectly righteous in God's sight?' If they won't acknowledge what the Bible says, won't take the tract, and there's nothing you can say to change their mind, don't burn the bridge behind you. Leave them with this, if you ever change your mind and you'd like to know how to get to heaven, please let me know. I'd be glad to tell you. **- SUB-PART 2. God is going to judge our unrighteousness. Second part of the problem**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- Show them Romans 1:18. Tells us that God is going to execute His Wrath against us. What does this mean? Show them WHO SHALL BE PUNISHED WITH EVERLASTING DESTRUCTION FROM THE PRESENCE OF THE LORD AND THE GLORY OF HIS POWER-2 Thessalonians 1:9. Because we are unrighteous sinners, we will be separated from God in eternity. This is bad news, right? But if God doesn't punish unrighteousness, then God Himself would be unrighteous. So He is bound to do that. After you have gone through the two parts of the problem, you want to review it by just making a couple of statements to put it all together. Say 'I know this is really bad news but part of what you have to understand is that on our own we are just sinners before God and we are going to be punished for that sin. We will be under the righteous judgment of God for all eternity if something doesn't change. **PART 2: There isn't anything you can do to fix you problem on your own.** **PART 3: The GOOD NEWS that God has already provided a way to solve your problem. All you have to do is trust what He has done**.
Commentary	MBI Schools : School of Evangelism	Learnings: - Transitioning a normal conversation into the spiritual (one of the 4) - How to ask the lead-in question to determine or not if a person is already saved - 'Do you know for sure where you will spend eternity?' cuts right to the very heart of things. - The first part of the gospel - Then ask 'How do you know?'. Then say 'you know, a lot of people think that. But that's not what the Bible says. Let me show you from the Bible how to know you can have eternal life and that way if you ever decide to do it, you will know what to do. Then move into the gospel presentation.
Commentary	MBI Schools : School of Evangelism	THREE PARTS OF THE GOSPEL: 'There are three things you need to know so that you can have eternal life'. This is letting them know you are going to follow a sequence. Remember to REVIEW in a single sentence after every point what you have done so far. You don't need to read the verses again during the review. And if they don't have an objection, there's no reason to go into a big defense of things. - 'There's some bad news and there's some good news and we are going to cover the bad news first'. 1. We have a problem: Read the verses with them. 'The bad news according to the Bible is that we are unrighteous sinners'. Then turn to Romans 3:23. Use your finger to point out the verse and point out ALL with your finger. There's a consequence for that. If they admit this, you are off to the next point. If not, leave them the tract.
Commentary	MBI Schools : School of Evangelism	Wrong is our default nature. You don't have to teach your kids to do wrong, you have to teach your kids to do right. - Our sin will send us to hell - Romans 6:23a - Romans 6:23 is talking about a spiritual death, not just talking about a physical death. Spiritual death is being separated from God and from heaven for all eternity. REVIEW: Remember there are 3 things you need to know to get to heaven and the first thing is that we have a problem - we are unrighteous sinners and our sin will send us to hell.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	2. We cannot solve our problem on our own - No exceptions/excuses - no one can solve their problem on their own and there is no excuse that you can give to God that He will overlook sin. - No works will fix our problem - no amount of work of any kind will fix our problem Romans 3:20 - Even if we kept God's law that would not be enough to justify us in the Eyes of God. Titus 3:5a - Nothing you can do that will make up for the fact that at some point you have sinned. So there is nothing you can do on your own to solve that problem. REVIEW: Remember I told you there's 3 things you have to know to get to heaven. The second is we can't solve our problem on our own. We don't have an excuse, we're not the exception to the rule, and there's no works that we can go that will fix our problem. This is bad news - I have a problem that I can't fix on my own. But here comes the good news. God knows about our predicament and He has provided a solution for us through His Son.
Commentary	MBI Schools : School of Evangelism	3. God Himself has provided a solution to our problem You are going to talk about God sending His Son, you're going to talk about Him dying on the Cross, and arising from the dead. You're going to talk about God offering salvation as a free gift. Then you will review one more time. - God sent His Son - He lived a perfect, sinless life and died on the Cross and He died for our sins, to pay the penalty for our sins. Then turn to Romans 5:8. - Christ died for our sins - MM uses the 5-finger analogy - one word per finger - Romans 5:8 - God offers salvation as a gift - Romans 6:23b There is nothing you have to do to deserve it, there's nothing you can do to earn it, and there's nothing you can do to get it. God just offers it as a free gift. God offers everyone eternal life because of what His Son was able to do. This brings you to the place where you're going to talk about them making a decision. You need to understand that everyone is going to make a decision about that one way or another. Even if you decide not to make a decision, that's making a decision. So everyone needs to decide.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- Decide what to do with God's offer - Romans 3:22 - UNTO ALL AND UPON ALL THEM THAT BELIEVE God offers salvation to ALL but He is going to give that perfect righteousness (remember, we are unrighteous sinners) to everyone that believes. What do we have to do? What does it mean to believe on Jesus? To accept: We trust in what Christ has done Believing on Him is to accept Him, to believe Him, or to accept God's offer of salvation. We put our trust in Christ. God knew better than anyone what it would take to fix our problem and so He sent His Son to do just that. And when His Son came, that's exactly what He did on the Cross. Romans 3:26 - Means when we believe in Jesus (not that Jesus was a real person or that you just believe He died on the Cross and He rose from the dead). What you are believing is that you are trusting what Christ has done and you are trusting Him alone. Not Jesus and your good works. Not Jesus plus your church membership. Not Jesus and your baptism. Not Jesus plus anything you can think of. To do it is in Him alone, that salvation is - We trust in Christ alone Titus 3:5b - ACCORDING TO HIS MERCY (not by our works) HE SAVED US - and He is offering that MERCY to anyone.
Commentary	MBI Schools : School of Evangelism	REVIEW: Review one more time, everything in a nutshell. Remember. **First - bad news: we have a problem, we are unrighteous sinners and our sins will send us to hell. Second - the other bad news is we can't solve our problem. We don't have any excuse and there is nothing we can do to fix our problem. Finally - the good news. God has fixed our problem and He has sent His Son to do that. He is offering salvation as a free gift. God is doing this with SIMPLICITY-Romans 12:8, with no strings attached. God's not giving or offering you salvation conditionally. No, He is offering salvation as a free gift of grace**. You will review all 3 but don't stop there. In the old days, MM would ask them to pray a prayer with him, but praying a prayer is not the same thing as trusting Christ. You can give them words to repeat but if they don't really understand what they're doing, that doesn't do anything for them. The important thing to do here is to say you have to decide what you're going to do with God's offer of salvation. The truth is, you can decide to trust in what God's Son has done for you and you can do it right now in your own heart. But no one else can do that for you. Only you can do that. And the very moment that you decide to put your trust in what Christ did, remember, Christ died for our sins, the very moment that you decide to put your trust in what Christ did, remember **the 5 fingers - Christ died for our sins**, the very moment that you decide to put your trust in what Christ did to pay for all of your sins, God changes you in your status before Him, from being an unrighteous sinner to being perfectly righteous.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Not only did God FORGIVE you of every sin you have never committed, but ever will commit. This is a great thing but it didn't solve the problem that you are still unrighteous. So God imputes the PERFECT RIGHTEOUSNESS of His Son to you so that your standing before God, you are no longer unrighteous but you are perfectly righteous. Now, this doesn't mean that everything that you do will be righteous. That's your function. God is fixing is your status. See you were an unrighteous sinner because Adam passed that down and so the whole world became that. And now God is changing that. And now, instead of being an enemy of God , which is what you were because of your status, now you have PEACE WITH GOD. You have been made to be not at odds with Him but at one with Him. How do you accept this offer? By understanding that the only thing that can save you from an eternity in hell is to trust what His Son has done for you. He has completely paid the price for all your sin. And not only that, He has made it so that God can now change you from being unrighteous to righteous and to change you from being an enemy of God to now having peace with God. God will do that the very moment that you decide to trust in Jesus. The key to that is we not only trust what He has done and nothing else. There's 3 of these alone words 1. by grace alone: because there's no works you can add to that 2. through faith alone: because all you're doing is trusting something that is already done 3. in Christ alone: because anything added to that keeps it from becoming saving faith. What the Bible calls 'saving faith'.
Commentary	MBI Schools : School of Evangelism	Ask them, 'Is there anything you can think of that would keep you from putting your faith in what God has done to solve your problem?' - If they go no, I can trust that. Here's the thing, people are looking for some kind of signal or some kind of sign. They won't look any different. They won't act any different. They probably won't feel any different. May be a little more emotional for some than others but the truth is, everything kind of continues. You can say if you trust Christ in what He has done for you that is the only solution to your problem. If you ask them again where they will spend eternity, about half the time like say something like 'well, I hope I spend it in heaven'. This is because grace is really difficult for people to understand or wrap their minds around. This feels odd because nothing magical happened to them, they didn't feel a little tingling. If they say 'hope', ask 'Are you trusting in what Jesus has done?' If they say YES, then say 'well, according to the Bible, where would you go?' This now makes them think there's some authority for believing this, there's a reason to believe this now because what the Bible says. You want them to say because the Bible says it because you can't get any greater security than that. Much better than, well, Mike said it. Have to take their word for it. Or ask them 'If you were to die and stand before God, what would you tell Him to let you into heaven?'
Commentary	MBI Schools : School of Evangelism	Say: 'Now that you have trusted Jesus Christ as your Savior, there is so much more that God did for you but you won't know about it unless you read about it in the Bible. So let me send you some videos and some notes that will help explain it to you. Explain what all happen to you when you put your faith in Jesus and His work on the Cross.' Then send them the DropBox link to Justification. When they are through with that, send them the link to the Sanctification folder. All you are trying to do is to get them grounded, taking them to Romans. If they have a church background, they need RDW & KJV. Ideally between SE and Romans 9-11. IF you are still not sure how to do this, send them the QR codes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	Personal Testimony: - There are a couple of reasons why you would want to have in your mind a good testimony about your salvation. Our personal testimony on how we came to faith in Jesus Christ is best used for two purposes: 1. To present the facts of our conversion that demonstrate that we truly are justified unto eternal life: If someone would ask you if you were saved, that might be a wonderful opportunity to give your testimony. If you can do that properly, you can actually answer that question with some fulness by giving your testimony. 2. To move the conversation towards presenting the gospel to someone. MM admits most of the time, you will not use your testimony to get into a gospel presentation because there will be an opportunity in normal conversation to do that. But sometimes people will say, what about you? And you want to be able to give a concise, good testimony that's actually beneficial for them to hear. So even though you won't be giving your testimony all the time, you need to prepare it for those times when you do because you don't want to be GH: stumbling with it.
Commentary	MBI Schools : School of Evangelism	Your testimony is important. It's something that all of us really ought to have in place. If you don't give that testimony properly, it lead to a problem. Survey over decades: The number 1 answer people gave for becoming a Christian by far and away: That is the way I was raised. The number 2 answer was I had an experience that demonstrated to me that Christianity was true. Those are the top 2 reasons that people give for being a Christian. The experiences are all a little different. If you ask a Mormon, they will say 'because I was raised in the church and I had an experience with the Holy Spirit that demonstrated for me that the book of Mormon is true and that Joseph Smith was a prophet of God.' MM says this answer is no different than the answer most Christians give. The experience that the Mormon had probably wouldn't convince you but we turn around and think the experience we had should convince people. It's no different. If it doesn't persuade us to be Mormon what makes us think it would persuade others to be Christian? There are legitimate reasons to be a Christian though and to give our testimony properly avoids those kinds of things. If we give our testimony properly it avoids these kinds of things. If you don't give your testimony properly, you kind of lead people down a path that is not the way that you want them to do. It is important to have your testimony organized and to be able to do it like Paul did, and keep it in the objective truth and not in the subjective truth that you may or may not have had. Paul is our example. We are going to construct our testimony by looking at his testimony. Paul talks about his conversion 3x in Acts. Your testimony has 6 important features to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	1. It should be told in 3 minutes or less: If you read the accounts of Paul giving his testimonies, his accounts of when he got saved, the longest one is Acts 22. Read aloud it is about 2.5 minutes to go through it. Not very long. MM jokes that some folks make a career out of giving their testimony but actually what they are doing is giving you a biography. In a conversational setting, want to keep your testimony under 3 minutes. There's a pattern we are going to follow to be able to do that. Remember the purpose of the testimony - just recounting the events that led up to your salvation experience and then what the result of what that was in your life. All of Paul's are under 3 minutes. In Acts 22, Paul has been hunting down all of these believers in Jesus and he's been getting them and binding them and putting them in chains, bringing them back to Jerusalem. They've been putting them on trial, making many of them blaspheme God and then they're put to death. He's on his way to Damascus to do this and it's on that Damascus road that Paul has his encounter with the Lord Jesus Christ and Paul gets saved. 2. It should have a great opening line that catches attention: Should get someone's attention. Either grab their attention or create curiosity that they want to hear. 3 PARTS TO YOUR TESTIMONY - 1 MINUTE EACH
Commentary	MBI Schools : School of Evangelism	3. Talk about your life before you were saved (1 min max). MM says in the Baptist church, people come in and give their testimony - 60 minute of how bad they were before they got saved and then 15 minutes of I don't do that anymore. Led to the glorification of all the bad stuff. They weren't trying to do that. Paul wasn't trying to do that. He says it and moves on. Example stories: - Story 1: You grew up in the church (like a lot of folks did), but your faith wasn't your own (really just what your parents believed). You were in church, but not necessarily in Christ. - Story 2: You had an experience that drove you away from God: your parents divorced/family broke up, or you suffered abuse, and you held that against "god" for not preventing it. As a result, you wanted nothing to do with "god". - Story 3: You grew up in a family or an environment in which you didn't have much, if any, exposure to God. Never talked about God, rarely prayed, and were completely unfamiliar with the Bible. Don't need to go into all the glory details, you are just trying to give them an idea of what life was like before you got saved.
Commentary	MBI Schools : School of Evangelism	4. Your salvation experience of your conversion (1 min max). Questions: - Did this happen in a moment for you or did you have to have several conversations with you that when you first heard it, you didn't respond immediately but you finally came to Christ? - Was it an individual, family member, someone at work or out on the street? - Story 1: Something happened that made you choose faith for yourself. That is to say, something make the story of Christ (that you'd heard all your life) finally sink in. It became your faith and not your family's faith. - Story 2: You finally realized that though the past cannot be change, God could change your future. Or perhaps you learned what God really is and is not doing during this DOGG and you found your anger at God to be misplaced. - Story 3: Something happened that allowed you to hear the gospel of Christ. Maybe you met some new friends and they witnessed to you, or maybe someone gave you a tract and it got you to thinking about your salvation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	5. Your life since your salvation/Your life after being saved (1 min max). - Story 1: Though you grew up surrounded by your family's faith, you are now living out of your own faith. Now, even though you are far from perfect, every day you are choosing to live out of your faith. - Story 2: Though your life was one defined by hurt and brokenness, now you are living in the restoration. What once was a wound, is now a source of new life, and healing. - Story 3: Though you grew up not knowing about 'God', you now know, and are known by, the Living God! MM just showing examples on how to bring this back around. 6. It should end with a summation sentence. Something that wraps it all up and ties it all together.
Commentary	MBI Schools : School of Evangelism	Testimony Points: - As you are getting ready to give your testimony, you need to empathize the Truth of the gospel message. The real ingredient that persuades people is not really your details, it's the Truth contained in the gospel. - We didn't stop the testimony to give the gospel presentation, we are using the testimony to get us into the gospel presentation. Why you keep your testimony brief. - It is important to get this right and emphasize things that are true. Gen-X Survey: No interest in Christianity or religious matters - 70% was because we don't see evidence that the things that are talked about are true. So don't use your testimony about subjective stuff. The objective truth is God sent His Son into the world to save us. That's the objective Truth. That's the power of the gospel. Not all this other stuff. - If you can't explain it to a 6-year old and the 6-year old explain it to another 6-year old and they both know what's going on, you haven't communicated well enough.
Commentary	MBI Schools : School of Evangelism	MM's Testimony: - Opening line: I made the most important decision of my life when I was 8 years old. That decision not only changed the direction of my life but it will also impact me for all eternity. * Want people to think what in the world could you have decided at 8 years old that would change the direction of your whole life? - Before salvation: Because my Dad was in the Air Force and was stationed at Barksdale Air Force base, I grew up in Shreveport, Louisiana. Our family went to church every time the door was open so in my lifetime I heard a lot of Bible preaching and teaching. Not just at church, but because at night our family read the Bible and prayed together every night before we went to bed. So at an early age, I understood about God, I understood about Jesus Christ, I understood about why God sent Him to the earth to die on the Cross.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Evangelism	- Salvation experience: Every summer I would go and spend a couple weeks with my aunt and uncle that lived about 3 hours away in Garland, Texas. In the summer of 1961, my uncle and aunt were taking me back home to Shreveport and my uncle sat me on the front seat of the car with him and talking to me about trusting Jesus Christ to be my Savior. And sitting in the front seat of the car traveling down I-20 somewhere between Garland and Shreveport I trusted Jesus and His Death on the Cross for my salvation. - Since conversion: Since that time, God has continued to be the center of my life and it has only increased over time. I went to Bible College and seminary. I worked as an associate Pastor in Virginia, a co-Pastor in Louisiana, started a church in Texas, and founded a Bible Institute in 2001. But the biggest leap of my life came in about 2008 when I came to understand the doctrine of Sonship. How as an adopted son of my heavenly Father, God's Wisdom could be installed in my inner man so that I would be conformed to the image of His Son and made capable of laboring with Him in His eternal Business. - Summation Statement: So you can see, as an 8-year old boy, I not only made a decision that changed the direction of my whole life but it also sealed forever my eternity to be with the Lord in the heavenly places. - Transition into the gospel presentation: Let me show you what my Uncle Frank showed me. And then move right into the gospel presentation.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	**Please see 'Timeline : God's Plan and Purpose with Israel' in the Maps & Visuals section.** Introduction: School of Biblical Studies Overview: Consists of 3 main courses: 1. GPPI (God's Plan and Purpose with Israel): 20 Sessions - Take you from Genesis all the way through the Gospel accounts. Not your typical O.T. survey, it's actually something very different. More specific in nature. With only 20 lessons, not covering everything in the O.T. but there is something very particular we are after here. Formulated to be foundational for your understanding of things going on in the O.T. and the things going on in the Gospel accounts. Things you should expect to learn through this course of study: - This is foundational to both your understanding of the O.T. and the foundational truths of God's program with the nation of Israel. - His Purpose in forming the nation

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	- Learn some things about the law and the purpose for God to allow Israel to go under the law. It was not His preference. - See Israel's entire history in one single chapter - Leviticus 26. - See timeline of events from Abraham all the way to Jesus when He shows up in the Gospel accounts. See specific things that God prophesized about the nation of Israel and what was going to be happening to them depending on what they did with the Mosaic law. Place it all on the timeline. 2. Israel's EoM (Extension of Mercy) 3. Israel's Prophetic Future
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 01: Pendulum of swings understanding GPPI (God's Plan and Purpose with Israel): * One hand - They think we belong in the Israel program and that God is working with us today the same ay He was working all along. MM heard in Bible College that they were looking forward to the Cross and we're looking back to the Cross. Not true. The people in the O.T. were not looking forward to the Cross. The disciples themselves did not understand the concept of Jesus dying on the Cross. That's why they went back to fishing. They thought it was over. Remember the disciples Jesus appeared to on the Damascus Road were all dejected and depressed. They didn't recognize Him and when He asked why are you guys so depressed, they said haven't you heard of the events that have happened? They took Jesus and crucified Him and we thought it was He that was going to bring in the Kingdom. They all understood that it was over. Today, we believe the gospel of Christ. They believed the gospel of the kingdom. The idea that we must incorporate, to varying degrees, elements of Israel’s program into our Christianity.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	- milder form of this sees a general application of scriptures pertaining to Israel as applicable to the body of Christ in some way. - more extreme form perceives the Church, the body of Christ, as the assumer of Israel’s covenants, promises and obligations, incorporating the law into all aspects of life. To live by the law, like that is actually going to please God. This represents a real misunderstanding of what the law is and a real misunderstanding of the age in which we're living. If you have believed that somehow you need to incorporate the dietary laws, the other various 623 laws and 10 commandments, if you thought you needed to bring these into your life somehow and live by them and that would please God, MM will show in the scripture that this does NOT please God. You are not being dealt with as a Jew, even if you are a Jew in this day. God is dealing with you according to the dispensation of grace. And if you are not a Jew, God never expected to keep the law and He is not pleased by your keeping of it.

Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	* Other hand - Those who have the understanding that we are presently living in the dispensation of Gentile grace may question as to why should we spend time studying God's program with Israel. They would view a study of this nature as a waste of time or at best, simply a historical review with little or no application for us. Some people who understand the dispensational change think a study like this is a waste of time. They think studying something like this doesn't doctrinally apply to us (that part is true) and they spend all of their time in Paul's epistles. MM says he's all for Romans - Philemon. But he also understands it is the grace age epistles themselves in which we are instructed to learn these things concerning Israel's program. They even list the benefits that we're supposed to be looking for as we study the word of God in this way. Want to give you a balanced understanding of the Bible, to understand the entire word of God. That's God's intention for us and this will greatly increase our understanding of the O.T.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	MM's proposal: It is the Grace Age epistles themselves that testify that the knowledge of God's program with Israel is both beneficial and necessary for us and at the same time warns us against any observance of Israel's program. Means study will have real practical value for us studying this in the DOGG. Paul tells us that the value is in knowing and not in observing the elements of Israel's program - see Romans 11. God's suspension of his program with Israel is one of the reasons a study like this is so important. If God is finished with Israel forever, if we in this dispensation of grace are "spiritual Israel," and if we are fulfillers and assumers of Israel's program and promises in a literal or spiritual sense, if that is the case, then there would be no value to a study like this at all. But God is not done with Israel yet. We are not spiritual Israel and we do not get their promises or covenants.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 02: Objective: Why it is important to understand God's Plan and Purpose with the nation of Israel. Need to understand both programs so that you can fully understand what is going to be happening in the dispensation of the fulness of times out in eternity. - REASON 1 for understanding God's Plan and Purpose with Israel: Understand God's eternal plan and purpose-Ephesians 1:8-10 - REASON 2 for understanding God's Plan and Purpose with Israel: These scriptures are for our learning-Romans 15:4 - REASON 3 for understanding God's Plan and Purpose with Israel: Confusion studying the Gospel accounts and the Book of Acts. People grow up getting preaching and teaching as though Jesus was talking to you and about you and all the things He did concerned you. As God's words to us, the body of Christ, in this dispensation of grace. But that's not the case. MM says after the Cross in Acts is another area of real confusion.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Why it is important to understand GPPI so that you don't fall prey to the strategy of evil. The more he can get you to do that the less you will understand the grace that you are living under, the less you will be obedient to that and the less you will be able to glorify God. People think when you get to the N.T., that you are in the DOGG that is in effect today. But that's not the case. The twelve are commanded not to go to Gentiles - Matthew 10:5-6. God is dealing with His nation, Israel and that is the focus. If you don't understand Israel's program, then you will never understand the gospel accounts along with the first eight chapters of Acts. - REASON 4 for understanding God's Plan and Purpose with Israel: It will expose us to a Biblical theology as opposed to a systematic theology. In most Bible colleges, you learn a systematic theology. A systematic theology is where you take things from one end of the Bible to the other and you take verses that you think belong together. You assemble those verses and determine a doctrine made from those verses.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	In some cases, this may work out. But in most cases, it will lead you into error, which is why it gets very confusing. Part of the answer to this is RDW. Systematic theology is what you think goes together and you create a doctrine. Biblical theology says this, go back to the start and learn what is happening as you come through the Bible and learn it in the order that God gives it to you. That way, you understand the purpose for which God created the world, based in Genesis 1. And from that, you begin to understand what happened in the world that caused God to call out Abraham out of Ur of the Chaldees and promise to make him a GH: great nation. Then you begin to see, a main trunk line that runs from the beginning to the end that shows that everything that is happening here is a record of the great contest between God and Satan in the contention for the possession of the heavens and the earth. And then God gives you the doctrine in the order that you're supposed to get it. **Please see 'Comparison : Biblical Theology vs. Systematic Theology' in the Commentary**.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	**Bible Nutshell: God creates the heavens and the earth and all that is in them in order to set up His kingdom. He specifically means to make the earth the place of His residence and rule the entire creation from there. Man is the crowning achievement of that creation and he has charged man with the commission to subdue the earth and have dominion on His behalf. Lucifer, in his prideful rebellion, seeks to take possession of the heavens and the earth. He takes the heavens when the principalities and powers in heavenly places join his rebellion. He becomes the 'prince of the power of the air'-Ephesians 2:2. Daniel records that all of those angels who held high governmental positions in God's government rebelled, except one; Michael the archangel-Daniel 10:21. Knowing what God will do on the second Sabbath following the first, Satan comes into the garden and deceives the woman. Adam falls and subsequently the dominion that was given to him falls into the hands of the adversary. Satan becomes the 'prince of this world'-John 14:30; John 16:11. Everything that follows is the "chess match" of move and counter-move between God and Satan for possession of the earth.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	**Satan charts a course for this world, his “ways” are established through Cain, he corrupts the world with the sons of God, and he gathers the nations at the mother of harlots to worship him. In response, God drives the man from the Garden, He banishes Cain and sets a mark upon him, He destroys the world through a flood, He confuses the languages and scatters the people at Babel. The next move is God’s as He calls a man from his country and his family to make from him a people of God’s own creation. It will be this people that God will use to accomplish what man was intended to accomplish all along. Satan’s attention turns to the nation and he attempts to corrupt them, defile them and destroy them. God intervenes on their behalf, punishes them and blesses them. He predicts their future and exposes the plan of the adversary against them. At the appointed time, He sends His Son into the world to accomplish for them that which they must have and which they can never accomplish on their own. In a brilliant move demonstrating His manifold wisdom, God interrupts His program with Israel to reveal a provision He has made from the beginning for a people through whom He will reclaim the heavenly places forever.**
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	**Following the conclusion of the Mystery program, God will resume and conclude the program He began with Israel and finally accomplish that which was His intent from the beginning; He will bring His residence down to this earth, establish His everlasting kingdom and rule from the midst of His creation. He will establish a new heavens and a new earth in conjunction with that eternal kingdom and He will join together those two programs of the Mystery and Israel in the final dispensation; the dispensation of the fullness of times. Every story, every chapter, every verse and every word in your Bible is written to explain this great conflict and give an understanding of these matters.**
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 03: God's plan and purpose with Israel included the destruction of Satan's 'plan of evil' and his 'course of this world; and carry that message and establish God's ways so that the world is blessed through them, Israel. That's what the part of God's Plan and Purpose for Israel is. Session 04: The reconciling or repossessing of the earth is a process. God uses the nation of Israel as the instrument to do this, to reconcile the earth to Him. There is a time schedule given to the nation so that they can place the expressions that are given to them; last days, latter days, many days, etc. Once they know when these occur on the timeline, then they can know exactly where they are. MM says 20 hours on the history of Israel is nothing but we will get the barest of essentials that we need to understand the action of things that are happening. Then, at another time, we'll come back and actually take these different situations or circumstances and do the detail work on them so we can really see the depth of what is there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 05: Everything Jesus did in his earthly ministry both before and after the Cross and everything he will do, from His actions in the last days to avenge his cause with Israel and destroy the plan of evil to His coming to set up his kingdom and bless them unconditionally, was for the outworking of God's Jehovah-ness to the nation Israel. It is what his name, Jehovah, is designed to mean. Israel's only hope is that God will put His Jehovah-ness into effect and give them the benefits of it by grace. That is the only way they will get the kingdom, become a "great nation," rule on the earth as the administrators of God's righteousness and provide for the reconciliation and repossession of the earth unto God's dominion and authority. If God does not, by His Jehovah-ness provide it for them and by His grace give it to them, they will never get it. This subject of God's Jehovah-ness and grace is the main storyline to everything that happens to Israel. This means that every curse, every judgment, every chastisement under the law contract, is meant demonstrate to them that God's Jehovah-ness and grace is their only hope.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 06: God is the only way they will achieve these things. He is their only hope. When God created the earth, He created it to be inhabited and God was to be the primary Inhabitant. We are going to be members of His Kingdom, and Israel is going to occupy their place on this earth. But understand God is the primary inhabitant. MM points to Genesis 28:10-19 where Jacob sees the angels ASCENDING AND DESCENDING-v12 on the ladder and Jacob says this is none other than THE HOUSE OF GOD-v17. He understood the land right there is the place where God means to bring His residence from the third heaven right down to this earth. Jacob finally got clued in on that, just like Abraham before him.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 10 Recap: See the natural progression of events just as the Bible is laid out and the high points of the Books. See how we are taking the Bible in the order that it has been given to us. Genesis: * Five beginnings (5th beginning-the beginning of the nation of Israel) * Abrahamic Covenant * Prophecy of the 400 years of affliction * Jacob's two revelations (house of God, gate of heaven) * Nation begins to multiply in Egypt Exodus: * Moses' education regarding God's name, God's Jehovahness so God can be for His people whatever they needed

Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	* God's Jehovah-ness put on display in delivering the people * God's Jehovah-ness put on display in providing for the people (gave them water from the rock, fed them with manna) * The five trials from the Red Sea to Mt. Sinai - bitter waters at Marah - needed food, they got manna - needed water, got water from the rock - Amalek came against them - Jethro, Moses' father-in-law, who gave a testimony of how great God's Power was in delivering them * The signing of the law contract - God had educated them not to do it and they did it anyway
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Leviticus: * The five cycles of judgment o The layering principle of each cycle - one goes on top of the previous o The worsening principle of each cycle - each one is worse than the previous one o The marker principle for each cycle - there is something that tells you the start of each cycle o The compassion of God for each cycle Deuteronomy: * Additional details of the five cycles - specifically Deuteronomy 27-28 Joshua: * Entry into the land under Joshua's leadership

Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 11: Historically, the northern kingdom was carried away by the Assyrians well before the southern kingdom suffered the arrival of the fifth cycle by the hands of the Babylonians. The 70-year Babylonian Captivity gets the fifth cycle punishment completely underway. The fourth and fifth cycles is known as 'the times of the Gentiles'-Luke 21:24 and runs from the Assyrian/Babylonian Captivities to the “great and terrible day of the LORD” at the Second Advent of Jesus Christ. The only time period not included would be the DOGG which was a mystery, hidden from the foundation of the world. You could say it's the Assyrian/Babylonian captivities mark the start of the 5th CoP and be accurate. NOTE: This tells you what the Assyrians didn't get to do here, they will get to do out in the future (GH: Bible prophecy). GH: MM has said other places that the antichrist is Assyrian. When we see these types of issues Israel is experiencing (GH: in the CoP curses), it does cause us to be very grateful that we live in the DOGG. One of the things we are supposed to benefit from when we study these issues is that we're supposed to see how Israel was treated and then understand what He has done for us, we wipe that sweat off our brow and we go thank You Lord for dealing with us, not according to our performance but according to Your grace. &&&&&&&&&&&&&&&&&&&&&&&&&&
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 15: *See the geographical places they are carried away when they are taken captive. Not all put in one place. Several locations. And the SWORD is what they suffer while they are still captive. *Verse: - Names that God considers the 4 greatest men in the O.T. Though they were there (GH: With Josiah trying to stave off the 5th CoP???). Session 16: *MM suggests reviewing the cycles and the marker from time to time so that to keep the flow of the cycles in your mind, following the storyline through the Bible. *Why the O.T. is a favorite stomping ground for preachers to develop their sermons. Because if we don't follow the Lord, look at the kinds of things that are going to happen to us (GH: MM teaching the curses of the 3rd CoP in Leviticus 26). He says he could create 10 sermons out of this that have nothing to do with us whatsoever.

Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)	Session 20: *When the silence ends, they are going to get called into the wilderness and a guy (John the Baptist) is going to speak words of comfort to them. When John the Baptist shows up, she/Israel confesses her sins. He is baptizing in the River Jordan. The first part of the prescription for cleansing.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel)· EoM	Intro: What you should expect to learn: - The 3 major events that take place in the first 7 chapters of the Book of Acts and why those are significant (MM says incredibly important) - Why God saved Saul of Tarsus on the Damascus Road - not just another conversion, not just another person believing in Jesus. God had something very specific in mind for Saul. - That something important happened to the nation of Israel, a cataclysmic change took place at the stoning of Stephen. Need to understand what happened here. Session 03: All three Persons of the Godhead testify to Israel. - All through the OT the main testifier to Israel was God the Father. He sent the prophets saying 'thus saith the LORD'. Israel rejected the testimony of the prophets and stoned them and this is going to be forgiven them. - From the days of the Messiah up through the Cross, “God hath in these last days spoken unto us by His Son.” Hebrews talks about this. Israel rejected and this is going to be forgiven them. When they crucify Jesus, they are under judicial blindness and really don't understand what they are doing. They rejected the testimony of the Son, they nailed Him to a Cross. .

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel) · EoM	- In the opening chapters of the book of Acts along with the resumption of Israel's program following this dispensation of grace (Hebrews - Revelation), the testifier is God the Holy Spirit, He is the One speaking to them. The wrath will no longer be withheld and that sin and blasphemy will not be forgiven. The unpardonable sin, which cannot be committed by any Christian in the DOGG, it is not possible for you to commit this sin, but is committed by unbelieving Israel in the EoM following the DBR of Jesus. All of our sins are pardonable, but it is the strategy of Satan devised against us to confuse the doctrines and make Christians think they can commit the unpardonable sin No one before the Cross can commit blasphemy against the Holy Ghost. The testimony of the Holy Ghost, which they cannot afford to reject, is going to be found in the sign of the resurrection; that sign testifying that Jesus is the Christ. And when Israel gets the sign, they are also given a period of time to respond to the sign. Now, the cloak that covered your sin in that judicial blindness is going to be stripped away and now they'll be held accountable. If they don't accept the testimony of the Holy Ghost, they will not be able to enter into the kingdom and will be burned up with unquenchable fire.
Commentary	MBI Schools : School of Biblical Studies Level 1 : GPPI (God's Plan and Purpose/Program with Israel) · EoM	&&&&&&&&&&&&&&&&&&&& Session 05: Acts 4:26 v?: Peter quotes HE THAT SITTETH IN THE HEAVENS SHALL LAUGH-Psalm 2:4 Definition : Church - Is a called out assembly. Session 07: Timeline: THAT BLESSED HOPE or Rapture - It is always 100% of the time BEFORE the tribulation/day of wrath. Session 08 v?: Peter is going to tell them, the miracle that you have just seen is a sign of what God is offering you.

Commentary	MBI Schools : School of Biblical Studies Level 1 : IPF (Israel's Prophetic Future)	Intro: *Look at the details of the Satanic POE as it pertains to the members of the believing remnant of Israel. Session 01: Israel's Historical Past: Genesis - Gospel Accounts Extension of Mercy: Acts 1 - 8 Israel's Prophetic Future is the third and final part in our series on God's Plan and Purpose for Israel. Session 05: Definition : Justified/Justification unto eternal life (what it does for you in eternity) - Is the process by which God has made us as though we have never sinned in the first place. He does something to replace His memory of our sin with a different memory. Allows Him to look at us as though we never sinned. Means He doesn't remember your sin anymore. He sees what's been done on your behalf. Definition : Sanctification unto functional life (what it does for you right now, living day by day) No man, in any dispensation, can be saved by works. Not even faith with works added to it.
Commentary	MBI Schools : School of Biblical Studies Level 1 : IPF (Israel's Prophetic Future)	Session 07: - See the angels are involved in the process (GH: The Lord's Table?). Satan wants us to be blinded about this from the beginning. Session 08: James ? - The remnant is told that they will have to recognize the word in truth because there are two things they're going to have to adhere to: 1. the law and the testimony 2. Session 12: 1 - 3 John - There are two primary passages for the remnant (or for us) to understand, otherwise, we are going to get confused and lose track of the action. - There are verses within Isaiah and the gospel of John that seem to contradict each other.

Commentary	MBI Schools : School of Biblical Studies Level 1 : IPF (Israel's Prophetic Future)	Session 16: *Hebrews: 6,319 words. Of Paul's 13 epistles, only Romans is bigger. James – 2304 I Peter – 2476, II Peter – 1553 I John – 2523, II John – 303, III John – 299 Jude – 613 Revelation – Romans - 9477, Galatians – 3098, Ephesians – 3039, Philippians – 2002, Colossians – 1998, I Timothy - 2 Timothy – 1703, Titus – 921; Philemon – even smaller Of Paul's 13 epistles, only Romans is larger at 9477.
Commentary	Mechanical Means : Enduring Tribulations	PATIENT IN TRIBULATION-Romans 12:12c : Mechanical means of enduring tribulations - The mechanics of how we interact with the doctrine so we can rejoice like Paul and be PATIENT IN TRIBULATION. There is a process we can employ to engage and respond properly to God's word whereby we can be PATIENT IN TRIBULATION. Apply at the first sign of things. Better to learn now than learn when you are going through something: Step 1: Identify and Understand the Relevant Scriptures (These are verses MM used during his February 2017 stroke. Not a complaint, just use it as an example. MM had to work on both the physical and the spiritual at the same time.) - You need to know and understand how the scripture applies to your situation in order for it to effectually work IN you. Promises: Romans 8:17, 18, 23, 26, 28, 32, 35; 2 Corinthians 4:16-18, 12:9; Philippians 4:6; 2 Thessalonians 1:4 - ones MM used. Could and should add to these. Most from Romans and you have seen already. Step 2: Identify the Problem/Identify your tribulation - lost a spouse, lost a job, bad boss, injury or disease, suffering some kind of persecution. Most of these can be handled in the energy of our flesh. But don't do that because you are creating a habit to default to your flesh to handle things. Learn the godly response in the little things so it will be easier to implement when the catastrophe comes along. - Take a piece of paper and write on the top a title of what the issue is. EX 'The spirtual, Inner man benefits of my stroke'. Some of MM's examples below. I have no promises about my outward man other than the redemption of my body at the Blessed Hope. Something greater is happening in the midst of this.
Commentary	Mechanical Means : Enduring Tribulations	Step 3: List the Spiritual Benefits of your tribulation: List as many benefits of your particular issue as you can think of. Knowing that God didn't put it on us and we are going to do everything we can - if we are sick, to get well. If we are injured, to recover. MM list of benefits: - My godly reponse is to be patient because something greater and eternal is being accomplished in the midst of my tribulation. - Impatience, anxiety, and depression are indicators that I do not have Christ in me to the extent I need Him, should have Him, or want Him. Nerves are the slowest recovery thing in the body. Shows that you are not experiencing all the peace and the patience and the endurance that you are supposed to. Tells you that you have work to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Enduring Tribulations	Impatient, anxiety, depression are indicators that I do not have Christ IN me to the extent I should. Christ IN me is the most important thing, not only here but in eternity. Romans 8:28-29 Can be more than a conqueror regardless of whether I get better or not. By going through this exercise, I am doing what Paul exhorts me to do in Romans 12:12. Step 3: List the Spiritual Benefits: List as many benefits of your particular issue as you can think of. - Talk to God, ask Him questions, think of the answers in scripture, read the verses you assembled and think about them. This is CONTINUING INSTANT IN PRAYER-Romans 12:12. - As you do this, the prayer part will begin to activate the doctrine in your own mind by getting your thinking to line up with God's thinking. This turns our focus away from the outer man and cause us to focus on the eternal, inner man issues.
Commentary	Mechanical Means : Enduring Tribulations	Step 4: Engage with your List/ 'Pray': It gets your mind involved on a conscious level and puts the focus on your inner man. Step 4a: Compare your list with the doctrine Step 4b: Engage in the process each morning - talk to your Heavenly Father about the list (Step 4-Pray) - Look at this list of verses and list of benefits every single morning as one of the first things you do. This is important because it gets your conscious mind engaging with the doctrine. This does much more than merely set the stage for your day, but it gets your mind involved on a conscious level and puts the focus on your inner man. Step 4c: Engage in the process the last thing at night (It puts things into your subconscious mind, which will go to work with the scriptures in your spirit.) Before you go to sleep at night, go over your list. Think and pray about it as the last thing you do.
Commentary	Mechanical Means : Enduring Tribulations	Step 4d: Put a pencil and paper on your light stand - You may even wake up at night with some epiphany or insight. If you do, write it down before you go back to sleep. When you think and pray about this list as the first and last thing you do each day, you will deepen your understanding of the things written in the verses. You will begin to see connections between the doctrine and your circumstance. Step 4e: Determine the process for 14 days - For many issues, doing this every day for 14 days may be enough to turn your focus to your inner man and relieve you of the anxiety or worry of your problem. Some things are worse than others. At the end of 14 days, if you are still not where you would like to be concerning the suffering or the circumstance or whatever it is that is affecting you, then you will need to continue for 30 days. Step 5: Determine how long to Engage Step 6: Expect the Right Results

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Enduring Tribulations	What should we expect from engaging in this exercise? - That we will not be overwhelmed by our problem - That we will find comfort in the scripture - That we are being transformed by the doctrine working IN us The process will not take away the hurt, sorrow, etc., but it will give you a heavenly perspective on what is being done in your inner man. Need to practice this process for the SOPT to prepare for the SoC. MM says this is similar to self-help processes. The difference is what you are focusing on. It's not a light switch, it is a process. The doctrine does not guarantee a better diagnosis, a removal of the source of your suffering, a turnaround in circumstances, that your pain has stopped, or that God is somehow going to turn everything around so that it works out like you want.
Commentary	Mechanical Means : Enduring Tribulations	EX Inner man benefits of 'losing my job'. - More time to read the doctrine - Opportunity to develop patience - Opportunity to spend time in Sonship Prayer - Romans 8:28 - In the midst of something bad happen, something good can happen in your inner man. - Be conformed to the image of God's Son - Display a godly attitude to men and angels
Commentary	Mechanical Means : 5-Second Countdown	The 5-Second Countdown is a mental mechanism (takes place in your mind) that allows us to do 3 things: 1. break a habit 2. interrupt a learned response to a situation, and (like interupting a needle in a record groove) 3. control an emotional outburst/response in order to recall and insert a different way of thinking or new thinking which leads to/in order to produce a different behavior and the development of a new habit (of living out of the doctrine). Very important - would work in a LOT of areas of life but MM is not looking to teach a self-help course. He is just looking for us to apply it to and live out of the doctrine. The 5-second countdown interupts our fleshly responses to the various situations in life and allows us to live out of the doctrine. Will interrupt the hold process and give you something else to live out of.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : 5-Second Countdown	When do we employ it? There are a couple ways: 1. As pertaining to our edification: When we are establishing doctrine in our inner man, this is a good way to do that. This is the one MM is interested in. We use the 5-Second Countdown anytime we are attempting to establish the doctrine in our inner man, especially in the beginning before the doctrine is firmly rooted in us. Once the doctrine is rooted, we no longer need to employ the mechanism. Remember, we are calling this a "starting mechanism" which means it is only an aid to help us "get started," giving the doctrine a chance to do what God has designed it to do. We use it when we identify a "trouble area" in which we are struggling. We are all different, so what is easy for one person may not be easy for another. If you come upon one that is not easy, a starting mechanism can help. MM wants this to impact our marriages, our families, our relationships, folks we are related to, people we work with and stopping those things which are detrimenal. 2. As pertaining to our physical life: When we are trying to break an old habit or introduce a new one. We use the 5-Second Countdown anytime we are attempting to break an old habit or introduce a new habit. For example, we may want to impact our health by stopping some behaviors (bad foods) and starting new ones (exercise). We may want to impact our marriage, our relationship with our children, our relationship with our parents, our job, etc. by stopping things which are detrimental and introducing things which are beneficial. Can use to get better health, change an eating habit, start an exercise program, etc. Very valuable for a number of reasons, not just the context of Romans 12:19-20. Find a lot of ways to utlize this.
Commentary	Mechanical Means : 5-Second Countdown	How do we employ the 5-Second Countdown: Simply count down backwards from 5 will allow you to do all of these 3 things. Do this mentally anytime you are about to respond out of an emotion or habit. EX Cut off in traffic and your knee jerk reaction is to cut them off in return or give them a bad look or shake your fist at them. Something that makes you angry, that's the auto-pilot thing. We have to find a way to interupt that proecess so when you start counting, here's how it goes To break that habit, you need to do 3 things - what does the 5-second countdown do? 1) (5 seconds...4 seconds) Preemptively interrupts the/a habit of behavior (Preemptively=before it gets going.) - As soon as you see that thing happening, somebody said something, somebody did something, some sort is situation is unfolding, saying/thinking 5...4 interupts the immediate response.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : 5-Second Countdown	2) (3 seconds...2 seconds) Instantly recall the doctrine to our mind - important - not only interupting the old behavior but now bring the doctrine into your thinking - GH: Pre-empt ungodly habits with godly thinking. Takes you from your basal ganglia to your pre-frontal cortex. When you wake up your pre-frontal cortex, it reminds you of the decision you can make on how you will respond to this. 3) (1 second...0) Quickly act on the doctrine - Takes you to your different actions. Only 5 seconds because this has to happen quickly. If it doesn't, emotions will do their thing and take over. Don't count up because you can do that on auto-pilot. Also, 5 isn't the end, you can put it off. What has this mental mechanism done? - It interrupted the pattern of behavior - It helped to assert control over your emotion - It reminded you of the doctrine - It prompted you to act with a new behavior
Commentary	Mechanical Means : 5-Second Countdown	What should we expect out of the 5-Second Countdown. What it does: If you do this every time, you are creating a different cascade of events. It is important to get this down. The sooner you get this down, the sooner your Sonship will take off. EX Spouse - godly response is to take responsibility - if she says you never remember, say, but I will never forget what a great woman I am married to. Way better than snapping back. We have an opportunity to put godliness on display with each other and if we can learn to do that, we can learn to put godliness on display with people who don't like us. We can actually have ministry. MM says there is nothing intrinsically spiritual about the mechanism he is giving here. But as long as continue to live out of our basal ganglia, this will happen and not godliness. The biggest obstacle to the doctrine in MMs life is circumstances that come out of nowhere that catch him by surprise. If he can anticipate something, he can get that doctrine working in his mind ahead of time. But you don't always see everything coming. So as soon as it happens, we need to be able to interupt that process and introduce a godly process where we are all not mad at each other for the next 3 days and doesn't destroy the fabric of our relationship.
Commentary	Mechanical Means : 5-Second Countdown	Hundreds of ways to apply - see this as a way to implement godliness into all the areas of our life. This is good for prayer that you are putting off, for dealing with occasions of suffering, When you are contemplating something, should immediately start counting down from 5. Otherwise, the old habits will kick in and you will say I will do twice tomorrow. This is not meant to be a permanent thing. It's when you are trying to break old (GH: ungodly) habits and create new (GH: godly) ones. It's a mental mechanism that will accomplish that. Counting on that you form the right habits and you don't need to count it down anymore. It will be part of your auto-pilot. Tool that you can use throughout your Sonship life and you encounter new doctrines and you want to form new habits out of those doctrines. This is not the only way to do this. Could probably think of several other ways to do this. MM is just giving you one that wakes up your auto-pilot and moves the decision over to the pre-frontal cortex. MM has found this to be effective.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Edification Process	The Process of Edification: PART 1 (word to you): TEACH-The word is taught PART 2 (your response to the word): HEAR-We hear the word - not just hear it, talking about the first part of our 3-fold commitment to the education - honest attendance. You are paying attention to the things being taught for the purpose of furthering your education so we might be transformed and conformed to the image of God's Son. This is in direct accordance with the first area of commitment PART 3 (your response to the word): READ the word - why we put it on the Powerpoint and in the notes - MM says he has done this from the very beginning because he knows most people won't get their Bible out and look those verses up. PART 4 (your response to the word): UNDERSTAND so we can believe that word - this is your part. PART 5 (word to you): RENEW our mind - As we train our minds to think about the doctrine and that our actions come from what we've understood about that new thinking, the word begins to effectually work in you and the renewing of our mind is beginning to take place. You can know it intellectually but until you begin to know it in the sense that it alters or impacts your conduct then MM doesn't think the renewing of your mind it taking place. We take the understanding of the doctrine out of the classroom and now integrate it into our everyday living.
Commentary	Mechanical Means : Edification Process	PART 6 (word to you): PRAY - This renewed thinking gets combined with prayer. Talking to our heavenly Father about these doctrines that we are learning. MM warns of the temptation of treating it like information that we store in our heads. May even be able to answer questions but if that doesn't translate our minds into living then we've missed the goal that we're after. Temptation is to stub our toe over the godly living part and say if I just think this way it will just happen. But you have to do that on purpose. MM can teach it and help you understand but he can't translate it into your everyday living. That's up to you. When you are praying, you are talking to your Father about that part of the process that you alone can do. MM says you may be surprised at how much more effective your godly living becomes in proportion to how much you're talking to your Father about that. As you engage with your heavenly Father, you will see the light come on and the whole picture come into focus. PART 7 (word to you): SELFLESSNESS - Renewed thinking combined with prayer and the daily practice of that doctrine produces whatever core feature of charity the verses are designed to produce. PART 8 (word to you): GODLY CHARITY - We express of V&E of the other members by our Christ-like actions toward them.
Commentary	Mechanical Means : Edification Process	PART 9 (word to you): CONFORM - Even though each action produces a small amount, you are being conformed to the image of God's Son. MM says some people are looking for a big magical thing or a rush of exhilaration, quit looking for the tingly stuff, this is very identifiable. God is able to work through His word to produce this. This ought to be very exciting for you because now you understand going through this process little by little is actually now conforming you to the image of God's Son, Christ is being formed in you. Like any other job or anything that you do. Starting it looks so big but you keep at it and keep at it. These doctrines are not only installing your Father's Wisdom in your but also installing the life of Christ in you so He can live His life in you. That's what we are after. This is what we are after because it's the only thing we'll take with us when we go to the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Effectual Working	Effectual Working Steps or Mechanical Means or How to do it: 1-3 are steps to being conformed to the image of God's Son / 1-3 is education or godly thinking 1. Confronted (made aware) by the doctrine - God is not going to magically implant it in you without you knowing it. 2. Understand the doctrine (Believe the doctrine is implied) 3. Know what the doctrine is designed to do - if you don't know, how is it going to do it 4. Interact with the doctrine Prayer - If I am understanding this right, here is what I am understanding in verse X. If you can't explain it, go back to the initial steps. How you will put it into practice - purpose - be deadly honest with your Heavenly Father Go do it and follow through for the right motivation - HIS motivation The 959 Plan: Give MM 9 minutes and 59 seconds a week to work on the mechanical means for effectual working.
Commentary	Mechanical Means : Godliness Tips	Have to be godly on purpose until the edification works on the inside. Failing to act in an ungodly way is not enough to constitute godliness. Failing to do evil is not enough to be godly. Lack of a bad action is not godliness. That's the way the world looks at this - 'well, I thought about this but I didn't do it'. This is revealing what is in your heart.
Commentary	Mechanical Means : Godly Wisdom	We should be looking for ways in our every days lives to live out of that new thinking. We should be consciously making an effort to find ways to take that new thinking and have it result in a conduct in our everyday life. Wisdom: The first Sonship skill-properly responding to the doctrine. See in Proverbs the order of the decision making skills and find out this is exactly the order of the FORMs of DOCTRINE that are given to you. When the world thinks about wisdom it thinks about smart/wise/pithy sayings and sage advice and proverbs but when God talks about wisdom He is actually talking about generating in us His version o godly love and charity. Wisom is going to consist of some core features that are in our heavenly Father that need to be in us and these are the core features of His love. Instead of smart saying floating around in our head, His Wisdom is the application of godly love. GH: think of these as decision making filters. This is how your Father's Wisdom works. When He is thinking about what He is going to do, He is looking at these core features of godly love that are in Him. They're godly because they are His. That is what wisdom is - the application of godly love and that's where our education begins. This is meant to guide everything that you think and everything that you do. *There are some mental filters that you are going to have to go through when you start thinking about doing something, when you are about to make a decision. There are some things that you need to think about in order. The mental filters for making decisions:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Godly Wisdom	1. The features of godly love - will be taught all the features of godly love. MM just listing in a general sense here. You should be thinking I've got to put these core features of godly love and charity into effect. Test your decision by saying, is it selfless? GH: and then the next one through the list. Walks you through a process and the first part of the process is being selfless. When MM talks about godly love and charity he is NOT talking about an emotion. Don't expect God to hit you with a magic wand and suddenly you just really like somebody now a whole lot more than you did because because God generated some kind of emotional love in you. That's not what this is about. Book : Gary Smalley : Love is a Decision God is not asking your to get all emotionally fuzzy about someone who has been adversarial toward you, he is asking you to make a decision about them that is in line with how He is thinking about them. **God wants Christ IN them and He isn't satisfied with anything less than that. It's the same way for us and isn't satisfied with anything less. Don't think of love as some emotional, fuzzy feeling, think of love as a decision and that decision is based on some information that you are going to be given. God is going to tell you something and for this reason you need to think about them this way. You need to treat them this way, and honestly, that's how God thinks about us when we were yet sinners. There wasn't anything lovely or attractive about us, there was nothing so intrinsically good about us that God said, I have just got to find a way, they're just so good, I just need to redeem them. God did not make a decision based on some emotional frilly thing on His part, but God made a decision based He saw us for who He created us to be and so He made a decision to send His Son and redeem us and give us a new identity IN Christ and to justify us and make us righteous and sanctify us and make us holy and then give us this word that is designed to work in us to conform us to the image of His Son. He made a decision to do all of those things because He saw us in a certain way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Godly Wisdom	If you are going to be godly, it means thinking like your Father. It means looking around at the other folks in the room, looking at the folks who are on Zoom, and you're going to say I now have to think about them in a certain way and it will be the way my heavenly Father looks at them. MM guarantees you that natural (human) reasoning isn't going to do that. If we mean business, let's allow God to transform us into the sons & daughters He designed for us to be when he did this in the first place. *The process for obtaining Godly Wisdom (properly responding to the FORM OF DOCTRINE-Romans 6:17 given to you): 1. Thinking: By thinking about that the way your Father thinks about it. MM says it looks like a repeat but it's not. It's going to go somewhere different. This is a process for getting that godly wisdom. 2. Praying: Spend time praying or interacting with our heavenly Father about these doctrines and our actions that come out of those. Praying about 3 things: (1) your understanding of the doctrine. You're going to talk to your heavenly Father about what your understanding that doctrine is saying especially as it applies to the specific situation that you're thinking about. Not just I'm just dreaming up stuff. But when you're about to make a decision about something you need to think about what that doctrine is telling you to do. Have a conversation with your heavenly Father because MM would love to hear you say to Him I'm not doing that. MM being sarcastic. When you are talking to Him, He is the One you are dealing with. This is not about making MM happy, who cares if you make MM happy. In fact, you probably can't make MM happy. He's just unhappy all the time. Point: When you're talking to your heavenly Father about your understanding of that doctrine specifically as it applies to this thing you are considering. May hear MM say something that will run contrary to what you have been praying about wrongly. Or may hear other members of the body talking about it in a different way.
Commentary	Mechanical Means : Godly Wisdom	(2) explain to Him that in view of the doctrine what you should do because there may be something in your flesh that says, well, here's what I think I ought to do. But there's going to be something in the doctrine that says, no, if you're going to be conformed to the image of God's Son, if you're going to be godly, if the character of Christ is going to be built in you, then now you're no longer going to do the things the flesh loves to do. Now, you are going to do what your heavenly Father says you should do as a justified, sanctified son or daughter who has been given the Spirit of Adoption, who is going to be laboring with Him in the heavenly places. (3) identify to Him your motive. When you decide what it is that you're going to do then you need to tell Him here's why I'm going to do this. You can't just point back to what MM said. You have to have a conversation about this and if you don't know it well enough to do that they you now know you just don't know it well enough. If so, go back to the doctrine/notes/videos/MM. Then based on your understanding of that doctrine, you need to tell your heavenly Father what you should do. If you say, this is not what I want to do but I understand what I'm supposed to do, that may not be where you want to be but that's where you are. This is the process of not only getting this ball rolling, not just renewing our mind but tranforming us and showing our conduct and behavior to actually being godly. And when you see what it's producing in you there will be generated in you an enthusiasm to do this again, to do the right thing again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Godly Wisdom	Because now you understand this is actually now doing something in you. MM says the world has all kinds of programs to accomplish this and they work - working with drug/food addictions. We have to rely on God's grace to get us through - MY GRACE IS SUFFICIENT-2 Corinthians 12:9. If you decide not to do it, God won't punish you but the thing that you're expecting all of this to produce in you won't be happening. Instead of saying, well that didn't work, you will have to go back and examine your own response to the doctrine and see it is an exercise in futility. MM says that's the warning or check engine like in your inner man that says something is not right. God is not hiding it or being secretive - that you can live your whole life and get this completely wrong and then at the end He will say 'gotcha'. No, His desire is for you to get this. Don't think about this learning being so individualized that no one will ever know what you're thinking, it's not designed to work that way. We are meant to edify one another. That means there has to be some kind of communicating going on.
Commentary	Mechanical Means : Godly Wisdom	3. Action: You have to now act in accordance with what you have been talking to your Father about. You can't talk to Him about it and understand what the doctrine is directing you to do and then go do the opposite and expect that this is going to work. It's your DECISION to do that. No one is controlling you but you. You're no longer under the influence of sin, you've been made DEAD TO SIN. That's the reason He was checking you out in Romans 12:1-2. There's nothing that can force you to do what. 4. Result: The result of this process where your heavenly Father's Wisdom gets installed in your inner man is the result that you are after and that result is godliness. MM says godliness is not like a light switch, it's a process. It starts where you become godly in one area and then it spreads to other areas and you get more and more conformed to the image of God's Son. You get more and more godly as a son or daughter. The result is godliness and you need to see that from the very beginning. It's like the seed that has peeked up above the ground. It is fragile and needs taken care of but one day that thing turns into an oak tree and now you are ROOTED AND GROUNDED-Ephesians 3:17. You can't get ROOTED AND GROUNDED from square one. It takes some time to do that. How long? Depends on how much you GH: work at it or practice the process.
Commentary	Mechanical Means : Godly Wisdom	As we engage in this process, this is how the word begins to effectually work in us and this is how we get transformed. That first takes place in our mind by the RENEWING OF YOUR MIND-Romans 12:2. God's Wisdom is the foundation for all of our thoughts, what we say, what we do in our everyday lives. The godly version of selflessness can only be generated by the doctrine. It cannot come from any other place. This is what has to be in our mind. So when you are thinking about something the very first filter that decision needs to go through is selflessness (Romans 12:3-8). GH: Add filters with the FORMs OF DOCTRINE-Romans 6:17. Sonship Skills Pre-requisites: Things that need to be settled in our mind of this (GH: godliness) process won't work the way it is supposed to. 1. PROPER MOTIVE - GODLINESS: Need to have a 'proper motive' and that motive is godliness. What should be in our minds as we get ready to go through this education, there are a host of good answers but there is one answer that absolutely has to be in your thinking and if it isn't, there's a problem. Godliness is the contraction of 'god likeness'. The very core of why we are engaged in this is to be like our heavenly Father. That's what He wants. Why there's a Father-son/daugther relationship and that is what God is trying to establish here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Godly Wisdom	2. PROPER CONTEXT - TAUGHT, LEARNED AND PRACTICED WITHIN A LOCAL ASSEMBLY: The Sonship skills also require a proper context. Have to get creative with this a bit. The proper motive is that we are godly or that we are like our heavenly Father. The proper context for these skills is that they are taught, learned, and practiced within a local assembly. That's the reason that God created the local assembly, for the edification of the saints. **In the Bible, there are only 2 things that constitute the work of the ministry (1 Timothy 2:4):** **1. Getting the gospel to the lost so they might be saved (doesn't take place within the local assembly. Takes place as we conduct our daily lives.)** **2. The edification of the saints (takes place here in the assembly. It's the best environment to learn the education.)** - MM says the Zoomers can identify with this but what if you live in an area where there's not a local assembly that understands RDW, grace, two programs, Sonship education, etc. Zoom is an attempt to fill that void and speak to people who are not physically here. MM gives multiple Zoom options. Because you are part of the body of Christ, when you begin to study these issues right where you live in your neighborhood, you are a representative of the pillar and ground of the truth, which is what a local assembly is designed to be. It's not about a place, it's about being something. Think of standing in the street and looking at the home where you live. Think about this being the representation in your community that the truth can be known and is practiced here. 3. PROPER RELATIONSHIP - INTIMACY OF FELLOWSHIP (PRAYER): Through prayer with your heavenly Father. See that wisdom as we go through the doctrine.
Commentary	Mechanical Means : Holy	Made HOLY IN Christ - Set apart by sanctification (status) Set apart by sanctification - made HOLY in function Made HOLY in function - Set apart by EDIFICATION (to be built up in the faith) (the job of the local church) GH: Also set apart by crying ABBA FATHER and YES to the education - set apart from people who have trusted Jesus Christ but are not involved in the edification. The things you need to be aware of to become a LIVING SACRIFICE. You need to be able to live out of that sanciified status (Romans 8:14-15). Presenting ourselves HOLY involves 2 simple issues: 1. We have made the cry of ABBA FATHER-Romans 8:15. We understand what's being offered to us and that is our way of saying YES to our heavenly Father. It's the formal thing between you and God. We don't take a poll and ask 'how many have done that?' Then ask people to bow their heads, play music, and pressure you to do this. This is something between you and the Lord. Have to make a genuine decision that this is what I want happening in my life, I want all of this to happen.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Holy	2. We have to be able to intelligently present ourselves. This means 3 things to intelligently present ourselves to the Lord. Important becaue this is a checkpoint and we need to show we really understand what we are doing. God is not tricking us into this. We are understanding what's involved in this. 3 concepts: (1) Means knowing what adoption means to a son or daughter - that the nature of our relationship is that of a Father to a son - Father to son relationship - God's sincere desire is to accomplish all of this through an intimate relationship between you and Him. This is what He really wants. When we realize that's what we're being offered that ought to mean something to us. - We also need to understand the purpose of adoption. The purpose of adoption is so the Father can install His Wisdom in His son so that the son is capable of laboring with his Father in His Business in the heavenly places. - We know what adoption means to us. It means it's a Father-son relationship. It means that the purpose of this is so our heavenly Father can install His Wisdom in us.
Commentary	Mechanical Means : Holy	(2) There are adult freedoms or liberty that are at stake here. You don't give these to children. We understand it involves Sonship liberty and we have these freedoms. - Freedom from fear motivation - In the O.T. they were under the law based on their performance. God wanted to make the point that it was impossible for them to be able to accomplish that on their own without Him. So God dealt with them out of that way. But in the DOGG, God is not doing it that way. The thing that is driving us to do the right thing is not fear that God's going to whip us. - Freedom from the rudiaments of the world - the things that have to do with Israel's program (nutshell description). Observing all of those rituals and those religious hoops that we were jumping through. We are free from that because God is dealing with us now in a different way. - Freedom from limited decision making - God is not telling us what to do every day. In the old days, we had God's revealed will, which is what you could read in the Bible. It's that for everybody but not everybody is supposed to marry the same person / take the same job / go to the same school. Then we got to God's individual will, which you couldn't find in the Bible. GH: So they a. cast lots b. white/black stone c. through dreams/visions d. putting out a fleece. Or you have to read your Bible and God is going to somehow make something jump out that's going to be His way of indicating to you what you're supposed to do. Or, pray about it and see what God gives you a peace about. MM says if it is not written in this Book, it's a Sonship decision.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Holy	- ?? GH: freedom? We understand that as a beneficiary of the new covenant without being under the covenant because God made a provision where He said I reserve the right to give these benefits to anybody I want to. God has made all of His sons and daugthers spiritually fit through 2 things. One through justificatio. You have spiritual fitness because you have been forgiven, you have imputed righteousness, and you have peace with God. You are no longer an adversary against God. He changed all of that when He justified you unto eternal life. Second thing, He made you spiritually fit when He gave you sanctification and He gave you the three component parts of your sanctification. He made you DEAD TO SIN and ALIVE UNTO GOD so that you can actually live for Him and no longer be a slave to sin. He broke the mastership of sin and made it where you really could serve God and produce a righteousness that a perfect holy God can accept without grading on a curve. Because He has made it so that His righteousness can actually be accomplished through us. Third part - He gave us the adoption of sons and when we understand what that is about and what we're saying YES to, we're saying YES to a relationship, we're saying YES to having our Father's Wisdom installed in us, we're saying YES because we understand that we are being treated like adults and not children and we're no longer going to serve God out of fear. We understand that we now can live for God because He gave us a justification and sanctification status in His Son. This is part of understanding these 4 issues and gives us a foundation for what it means to be an adopted son.
Commentary	Mechanical Means : Holy	(3) Means that your know the son's responsibilities in adoption. You know what adoption means and now you also understand what your responsibilities are. This is important. The son's responsibility is to value (to see the worth and importance of something) and esteem (which means to hold in such high regard) two issues: [1] We V&E our Father's Wisdom - Paul says you should want this like you want treasure [2} We V&E the educational curriculum that is God's word - we cherish them like riches We are being offered the opportunity to have your heavenly Father's Wisdom installed in us. The God of the universe is saying that I WANT to put My Wisdom in you and let you live out of that. MM says this is where we should be standing on our chairs and cheering. [3] We understand the 3-fold commitment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Holy	[4] Means knowing the son's prospects in adoption. We have some responsibilites but we and know this offers us some prospects, what we can look forward to: - We expect Christ will be formed IN us-Galatians 4:19/conformed to the Image of God's Son-Romans 8:29/Christ IN you the hope of glory-Colossians 1:27/edification/transformed. This is exactly what God is trying to do, to create the character of His Son IN us. That is going to happen in the process that we are involved in here. This is going to produce the character of God's Son in us. MM says if you are not interested in that, this is not what you should be doing because God is not going to make you do it. - We can look forward to the fact that Satan's POE will oppose us and that is to make you quit. That's what that's about, what it is trying to do is to bring pressure to bear. But God's word says even though there is opposition we can be MORE THAN CONQUERORS THROIUGH HIM THAT LOVED US-Romans 8:37. See how all of this is pointing back to what you have already learned. - We can look forward to being joint-heirs with Christ. MM says there is a hullabaloo about this but the reward of the inheritance is not going to be identical with those who are merely JUEL and have no functional, sanctiied life. It's not going to be the same. Once these issues are understood and they do their work in our hearts, that generates a level of enthusiasm to get this going.
Commentary	Mechanical Means : How to Become a Fully Educated Son or Daughter	Seven Steps to Becoming a FES (Fully Educated Son) or Daughter - MM guarantees this: 1. Decide to be a a FES and write it down - Have a discussion with your Heavenly Father about it and your commitment and what you are willing to do. Decisions/Five Areas of Commitment: - Do some things you haven't done before. - Work hard at it. - Put in the time.
Commentary	Mechanical Means : How to Become a Fully Educated Son or Daughter	- Make some sacrifices. - Make it a top priority. - What you think it means to Him (for me to labor with Him). His whole plan and purpose is hanging on this. - What it means to you (to be a FES). A lot of ways to think about this. To glorify Him to the fullest extent. - When the above happens, something happens in your inner spirit.

Commentary	Mechanical Means : How to Become a Fully Educated Son or Daughter	2. Establish a process for your Sonship life - contains 2 things: 1. (Positive) Things you must do to become a FES/advance your Sonship life 2. Things you must eliminate to become a FES/that are hindering your Sonship life - a lot of things distract us from Sonship - average person checks their phone every 90-140x/day 3. Identify your major goal 4. Create a plan of action 5. Put a time limit on your goal 6. Start working your list immediately 7. Do something to accomplish your goal every single day
Commentary	Mechanical Means : Setting Sonship Goals	Ten Sonship Goals for the Next 12 Months - have a conversation about your Heavenly Father about this list 1. Limit my TV to x hours, not Quit watching TV 2. Understand Sanctification 3. 4. 5. 6. 7.
Commentary	Mechanical Means : Setting Sonship Goals	8. 9. 10. Get the 10 and find the one will help you the most - that's your major goal. Work till completed. Then get your second major goal and work it. Put a time limit or expiry date by every goal. Prayer is part of the process 1. Pray about each Sonship goal 2. Talk to God about what it means to Him for you to be a FES 3. Talk to God about what it means to you to be a FES Takes 17 minutes for the average person to get back on track after an interuption.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Lovingkindness in Action	LOVINGKINDESS IN ACTION: Important - this is the second core feature of godly love - if we are going to become the group we are supposed to become, if you're going to get prepared for the heavenly places, if you're going to be at home functioning up there, if you are going to be able to look at the rest of the members of the body of Christ the way you're having your heavenly Father intends for you to, then you need to be thinking about how this thinking here gets translated into godly living and makig Sonship decisions in accordance with that. Notice in v10 there is no instruction that says how to do this. There are no examples. When it comes to doing that, getting the living aspect going is an opportunity for Sonship prayer. An aspect of Sonship prayer that is going to come in now. As you look at the GOOD and the EVIL to define those terms. As you are looking at the GOOD and the EVIL that is happening now, you are thinking about how in the world am I going to put that thinking into practice in my conduct and behavior. Now you are going to be talking to your heavenly Father about things that are happening with your fellow members, the things that cause you to rejoice with them and the things that cause you concern and you'll be talking to your Father about how you are going to manifest this godly thinking to them. We are going to turn that thinking into action. God is not just assigning us busy work. Our godly living is an outlet for Sonship prayer. We are thinking about each other in the right way and we are putting into action what were thinking about and we're talking to our heavenly Father about it. The purpose is God is using this to build a strong bond between the members of this assembly.
Commentary	Mechanical Means : Lovingkindness in Action	This is a unit, this is a body, this is an assembly, and we are going to be knit together and that's the whole purpose of this. The mechanics of this: 1. Promote the Sonship Life of Others/our Fellow Members: Everyone of us are going to be making a Sonship decision about how we're going to put this godly thinking into practice. Our godly labor is an action that manifests the high respect that we have for another member of the assembly. - We do this by that great respect that we have for another member. - We do that by preferring them. 2. The Assembly Strenghtens Itself: This LOVINGKINDNESS and action not only promotes the Sonship Life of others but this is the mean by which this assembly strengthens itself. It won't happen by accident. This body strengthens itself by the practice of the doctrine. That's how important this is.
Commentary	Mechanical Means : Lovingkindness in Action	3. Increases Godly Labor Capacity: It increases our capacity to: - grow - labor with our Father - accomplish our heavenly Father's operations 4. The morale of the body increases: Not only does it increase our capacity to labor with our Father, but the spiritual morale of the assembly increases. So instead of being discourages and looking around and seeing things that kind of hinder you and worry you and cause you concern and anxiety, the morale of the body begins to rise. When that happens, two very important issues begin to take place with regard to the work of the ministry. 5. More people will be saved: When this assembly is hitting on all cylinders, we're going to see more people come to Christ, more of the gospel being shared - the confidence that comes with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Mechanical Means : Lovingkindness in Action	6. More people will be edified: More people involved with the doctrine, see them maturing in Christ. 7. Enthusiasm for the doctrine increases: Really where our enthusiasm needs to be. Churches today get excited today over a bunch of different stuff but the doctrine is usually not it. These things we are talking about are going to generate an enthusiasm in us for the doctrine. This in turn... 8. The assembly is insulated from outside attacks There is a whole littany of benefits to this doctrine working in us. It is not enough to simply know about this doctine. It is not enough to be aware of this doctrine. We have to start putting it into practice and you are going to have to do that on purpose. MM says will be more difficult if you don't speak out or get heard from but you are going to have to find a way to be able to practice this doctrine so that you can actually not only participate in the assembly but you can actually benefit the assembly. Don't let it be enough to just be along for the ride, but be an active member of this assembly. Even if you are an introvert and watching a recorded session and not involved in the live study at all, doesn't mean that you can't practice this doctrine. If you are on Zoom, you will need to find ways to start putting this doctrine into practice in your life. People think they can avoid the assembly and become a son all on their own. You cannot, because there are dozens of instructions that you will not be able to practice unless you are part of an assembly. You are not going to be able to perform this doctrine without getting involved with other members of the body of Christ, you can't do it.
Commentary	Mechanical Means : Lovingkindness in Action	All those benefits are not going to take place. MM is thankful for the technology that allows for remote members to be part of this assembly but remote members are going to have to engage in this. The method by which this is done/How to put this godly loving kindness into action: MM is not talking about is some kind of mutual patting each other on the back club. Talking about honoring a fellow member and needs to be for something that is actually benefitting the other members in some way, specifically in the area of their edification. It really needs to be related to the edifying work that's being done week after week. When we see the evil and the good and we have some kind of strong reaction to that and we're wanting to live out of that, and because we already know that they're part of the body and we're interconnected and interdepedent and because we care about them and we want to make this godly thinking manifest or turn into some type of action. We want it to be able to be put on display and be able to be seen and we want this to be in connection with our other members. It's not enough to look at the EVIL and say, boy, I hate that, we've got to now put something into action. The mechanical way you are to put this into action to the benefit of all the other members of this assembly. This now qualfies it to be godly labor. The means by whih we IN HONOR PREFER ONE ANOTHER-Romans 12:10 is this - verbally. It is something you say. How easy is that? This is exactly what Paul is going to do in Romans 16. The way we labor with our Father is by something we say.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Statement 1 that's hard to make: This Book, if MM is right about what it is and he believes he is, contains, not just the historical record or what God was intending to do, what happened that through all of mankind off track from the garden, and the steps that God began to take to reconcile the earth back to Himself, all the way to the raising up of a nation of people that would be a chosen people for God, and that it contains an educational curriculum for that nation of people and reveals God's plan and purpose for them, and then it also talks about the interuption of that program and the ushering in of the DOGG and gives us Romans - Philemon - that's our part right here. The doctrine contained in those epistles that are TO us and ABOUT us. MM interjects he has never said just read Paul's epistles. He has told you the opposite of that. God didn't make the Abrahamic covenant with you. We were Gentiles, we were far off. We were on the other side of the wall of separation which is the law. We were without hope and without God. But then God brought this DOGG in He began to work with Gentiles directly, not through the agency of Israel but apart from the agency of Israel. His Program with Israel got put on hold and Romans-Philemon is the educational curriculum to bring you to being a fully educated son so that you are completely competent to labor with your Father in every aspect of His Business for all eternity. If MM is right, then these things are really written to a very small group of people.
Commentary	Pastor Mike : Hot Topics	Because if you don't see that for what it is - why people mangle that up and make all kinds of doctrines out of verses that are right out of context. If you are not looking at this as the educational curriculum to be a son, you are not going to understand what's being said to you. You won't see it segmented, divided up, won't see any continuity to it, won't see any sequence to it, won't see any advancement in the curriculum, won't see the checkpoints and you will read right over stuff that doesn't have meaning to you. MM understands why with the current system the POE has in place generally, around the world, when it comes to Christianity. Easier of the 2. Another example of narrowing. You can believe that Christ is the Messiah, that the historical Jesus is the Christ and by that become part of the little flock, but they can choose not to live like the little flock is supposed to live and not be educated as a member of the little flock. So really, Hebrews-Revelation is for even a smaller goup within the remnant. For us, it is the same way. It's a small group within the group of believers. MM doesn't know the percentages of believers in Jesus in the US. People put percentages to that all the time and he is not sure how you do that. But he knows this, there are a lot of folks that name the Name of Jesus but it doesn't mean anything to them. MM says this Thing is written to a very specified group of people and he happens to be talking to a group of them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Statement 2 that's hard to make: There is a lot of people that got in on salvation that have no interest of if God didn't save you just to saved you and keep you out of the lake of fire. He didn't save you to keep you from something. He saved you to put you IN something. He saved you not to keep you out of the lake of fire, He saved you to make you a son. A purpose has to be more than what it is not. It has to be FOR something. The positive end of that is He saved you so that He could educate you to be His sons and daughters so you were to be able to be qualified and competent to run His Business with Him. That's what He saved you for, not just save you to save you. Thinking He saved you just to save you is like getting hired by a company and never showing up for work - MM admits a bad illustration. Another example - I'm through the (GH: salvation) door, got saved and in the door and you were supposed to go on, not just say Jesus is my Savior and that's it. He didn't save you just to save you and you say I'm saved and that's the end of it. He saved you so that you would go on to being an educated son or daughter. To get in the salvation boat and not want to get into the boat where the boat is sailing seems to be abusing the privilege of getting in the boat. People decide they don't want to go to where God wants the boat to go so decide to stay in the port and build an entertainment center on the boat. MM jokes he's lost everyone now and is just talking to himself. To think I just got saved and that is good enough is to completely deny what the purpose of saving you is about. That's the counterfeit system has devised this thing to make you think the important thing is being saved. MM is not saying Satan is tickled that people are saved, but that's not his big issue. He is just as willing for you to be saved and for you to live your whole life and never become what God sent His Son so that you could become.
Commentary	Pastor Mike : Hot Topics	MM believes we quit framing the gospel the way we are supposed to frame it. Thinks it happened because...not important. We made the gospel all about missing hell. This gospel doesn't lead anyone into having a life with God every day. - Old days called that discipleship. - MM doesn't believe eternal life starts once your body dies, thinks you got it the moment you trusted Christ as your Savior. Why Jesus could say to Israel - WHOSOEVER LIVETH AND BELIEVETH IN ME SHALL NEVER DIE-John 11:26. He was talking about a life they were supposed to have with Him from that moment forward. - We stopped doing that. We started presenting the gospel as a get out of jail free card. People think thank you Jesus for the ticket to heaven. I'm pretty busy with what I'm doing right now so I'll just see you up there. - MM is not saying the gospel isn't a way to miss the wrath of God, but he thinks the gospel should be an invitation to live your life with God. - People want to miss hell but don't have time for good. MM wonders how much that guy is going to enjoy heaven? MM doesn't see God doing a lobotomy and the guy is happy about it.
Commentary	Pastor Mike : Hot Topics	People today do not want to hear it, but God is not dealing with us as He did with Israel. He is not dealing with us as an omnipotent God, but as a Father. He is not intervening miraculously on our behalf, He is giving us grace to endure everything that may come our way. You may interpret circumstances that God is intervening for you in some situation, but the word of God will not back up your assessment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	MM says there is an issue you need to be aware of. There are statements/boasts that the adversary has made which explain WHY God is doing what He is doing in this DOGG. If you don't know about these things, you will always be wondering why is God allowing this or that. We think if someone who was a really good person who was really serving the Lord and their life is cut short early on and you always wonder. Satan has said he has a superior wisdom to God's Wisdom, that he has a better way of doing things than God does. One of the things he maintains. He also maintains that as far is his power goes, his power is more than sufficient to rule the heaven and the earth and he has the ability to do that. What your Heavenly Father is doing in this DOGG, He is showing that He possesses a Wisdom that the adverary doesn't have. That your Heavenly Father produces a Power that the adversary not only doesn't have, he didn't know that it existed. Powers we knew He had: - Spoke the world into existence - there's a creation Power. - Saw Him part the Red Sea - there's part of His Omnipotent Power. - Saw Him bring water out of the rock and bring manna out of heaven.
Commentary	Pastor Mike : Hot Topics	What they (GH: the angelic realm?) never saw even back in God's Program with Israel, the Power of God's word to produce something that Satan cannot produce. It's impossible for Him to do so. That power is called the EXCELLENCY OF THE POWER-2 Corinthians 4:7. It's the most excellent power that God possesses. It not only excels every other power, it's a power that until God began to put it on display through Paul in the DOGG, Satan didn't even know it existed. When Satan boasts I WILL BE LIKE THE MOST HIGH-Isaiah 14:14, he thinks he has all the power necessary to do that. He thinks he has all the wisdom necessary to do that. He thinks he has all the power necessary to do that. Satan's wisdom would never come up with the idea of people going through sufferings, patiently enduring them that they would receive a glory and at the same time it would REDOUND TO THE GLORY OF GOD-2 Corinthinas 4:15. God is putting on display a power that Satan never saw. This power of something bad is happning, make it go away - Satan knows that. Satan can even make things better or worse to his whim. Why the prayer is not for deliverance, the prayer is for endurance. Because that is what puts a Power and a Wisdom on display that Satan doesn't possess, only God possesses that Power. When you go back to anything else, you are putting something else on display that Satan himself can do. And that means he is as good at ruling this thing as God is. He can do it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	But when you are talking about a Power that Satan looks at and goes how do you do that, he has no idea. Talking about a Wisdom that men certainly would not come up with. And when you rightly respond to what Paul writes about responding to those sufferings by patiently enduring them, not only does it bring glory that you know is being built for you, but it brings glory to your Heavenly Father. The third thing it does - He throws it in the face of the adversary - that your wisdom isn't good enough, your power is insufficient. It takes more to rule heaven and earth buddy than are ever thought it did. He thought he could show up and run everything and there are aspects of God's Character and His Essence that you don't even know about. Those didn't get revealed until the DOGG, they were kept secret with the Mystery. MM wants you to see what God did with Israel in the past is not what He is doing with us because Satan can replicate that. God is putting the EXECELLENCY OF THE KNOWLEDGE and THE POWER on display to all creation, but especially to Satan. How demoralizing is it for God to put the Power of His Word working IN you when you're under suffering that allows you to patiently endure, with your eyes on your HOPE, knowing what that is doing: - building your glory - building glory to God - showing just how inadequate the adversary is.
Commentary	Pastor Mike : Hot Topics	That's what you're showing, he can't cut it. We want to go back and live the other way (GH: Israel and deliverance), Satan can match every bit of that. We are not putting anything on display that's special. Moses threw his rod down and it became a serpent. The sorcerer's did the same thing. Turned water into blood. They did the same thing. You know that Satan has power, he is going to give life to the image of the beast so that it speaks. The O.T. idols had lips carved in them but they never moved. Had to have a medium - a priest or priestess that said the idol talked to me, like they had a special gift because everybody is looking at the idol just sitting up there. Why the O.T. prophets said they have eyes but they see not, that have noses but they smell not, they have ears but they hear not, they have lips but they move not, they have hands but they handle not, they have feet but they walk not. And you gentiles got fooled into thinking it was the living God?!?!? Bought into the counterfeit. Satan will create a counterfeit image that will come to life. How many people will buy into that? God says you (GH: Satan) got power, but I HAVE got Power that you never even knew existed. I HAVE Wisdom that you never even knew existed. And if you are going to be the rightful ruler of heaven and easrh, you're going to need all of this and this is the part that Satan doesn't own. He can't produce it. He can't replicate it. You know what he does, he keeps us from it. Because it is the thing we put on display that proves him to be inadequate for the job he is trying to steal.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: We shouldn't be ashamed to believe what we believe about Sonship and eternity. Your views will get attacked. - So you believe the only people that are really going to be something in heaven are people who were in Sonship - You believe that no one else is important MM says we don't think we are the only ones that are important, but no one outside of Sonship is going to be in the positions of leadership in the creature. That's a true statement. It's not because we think we are better, it's because you have to actually be trained to hold those positions. That's why. But people get offended. We don't think we are better than anybody, we think anybody can get educated by this curriculum and MM would love for people to be educated by the curriculum. But let's not make a mistake, if you're not educated by that curriculum and you haven't been by that curriculum conformed to the image of God's Son, you will not be what you were supposed to be. Period. Oh, so you are saying that <fill in the names of the big time preachers on TV> are not as good as you. Intrinsically, they are just as good as MM. What he is saying is they haven't had godly wisdom put in them that their heavenly Father wants put in them. Doesn't make MM smarter than them, It just means they'll work for MM. MM says do you want this in any area of your life? Do you want a guy operating on you that hasn't been to Med School and taught to perform the surgery? We don't do this in any other area but suddenly, because you trusted Jesus you think you are going to be able to do everything there is to do? MM says he is sorry, none of us get to do that. We are all in the same boat. Anybody who thinks we are all going to get the same reward at the JSoC is an illiterate or in denial or ignorant. And he says this with all Christian love. If you get the same thing, why go through it? It is not an acccount of the things done in the body, whether they be good or evil. Those aren't all the same.
Commentary	Pastor Mike : Hot Topics	GH: The end game: Only by the effectual working of this word does God demonstrate the greatest Power He possesses that Satan does not possess. Our ability to patiently endure the sufferings in an unredeemmed body without folding to pressure or whining or crying but understanding that our Father is not only allowing us to endure it but there's a glory that is being given to Him and promised to us. The reason you didn't get a glorified body when you got saved is because God wanted all of creation to witness His ultimate Power at work. It is the Power that qualities Him to be ruler of Heaven and earth. There is something you have to be able to do to really be ruler of heaven and earth and has to be more than one sitting on 3 thrones(Isaiah 14:12-14). You have to be able to put yourself into your creation just by the extension of your word. The written word of God, it is the doctrine in this word that will enable you to go through every hardship, every suffering, even if it's unto death without compliaint and without murmur because Romans 8:18 is a reality for you. When you go through that suffering with the right response, God not only gives you a JHI but He looks at that and says that's the Power of My word working IN you that changes you from 'oh, poor me' or 'why me God?' or 'this is so unfair' to looking at this from a view that God Himself looks at it. You look at this and say this proves that God has the ability that Satan canot do. Satan can do all the other stuff - water into blood, rod into a serpent, life to the image of the beast - but he can't do what this Book has the Power to do. God can put His words with ink on paper and they have the power to transform our very lives to make us just like our Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	To see things His way, to response to it the way He responds to it, so that no matter what Satan does to you, you don't run from it and you don't even want to be delivered from it. Because you know that his attack is nothing more than the response that you're in his way. Your Father's giving you everything you need to handle that. He didn't wave a magic wand and said you are strong, He said it is in your weakness that My Strength is shown. The strength comes from the doctrine in the word that we are studying. When you get to Romans 8:25, no matter what circumstances come up in your life, you will say I can go through this to the honor and glory of God, I am going to suffer with Christ unto His honor and glory. Not for no reason but for the reason He has chosen to do. That's because in that suffering we prove that not only God is the rightful possessor of heaven and earth, Satan can't do that. There is nothing he can write down that can make that a reality in your life. No one can write anything down that can change you that radically, that now changes who you are on the inside and conforms you to the image of Christ, who going to the Cross, suffered every agony of the Cross. But He could look beyond the Cross to the joy of what it was going to accomplish. Why did He need to suffer? Because the Redeemer needs to pay the full price for those being redeemed. It was't enjoyable to do but the reward on the other side/what was happening was so much greater. And the same thing is happening with us, what is happening on the other side is so much greater. Your body is not yet redeemed but God is going to equip you to go through those not just so you get glory, which you will, and not just so He'll get Glory, which He will, but because it is THEE defining difference between who really is the rightful One to rule heaven and earth. Satan's whole idea is 'I can do a better job than God can'. And God's whole assertion is, you don't have what it takes to do it. Like someone who is not qualified to do a job they are in. The Power of the word to effectually work inside someone is a Power that Satan never possessed, didn't even know it existed. It's the greatest power God possesses. He has vested all of this in His word.
Commentary	Pastor Mike : Hot Topics	BIBLICAL THEOLOGY >> SYSTEMATIC THEOLOGY: Today, we have a lot of teaching about God and about the Bible but it is very different from what your Heavenly Father means to have going on in church today. What God means to have going on in church today is not for the Pastor to be like Jesse as a tutor and governor, teach about God via categorical systematic theology. He's omniscient(knows everything), omnipotent(all-powerful), omnipresent(everywhere), eternal(outside of time). All systematic theology does is pull you away from the real thing that is supposed to be going on and that is for you to actually not just be taught about your Heavenly Father but for you to engage yourself in an education where He is actually going to be able to utilize the Spirit that He put within you and the written word He gave you and take you through a milk to meat progressive identifiable educational curriculum in which He is going to instruct you and teach you all about His Business for the purpose that one day out in the heavenly places, you will be able to take a position of authority and decision-making and carry out His wishes/desires/will in His Business in the heavenly places. The office of a Bishop (what we would refer to today as a Pastor) - that office is not only that of a man who is a son to His Heavenly Father but he is supposed to turn around and lead a local assembly as sort of a surrogate father. MM says with some trepidation because he can't lead anybody to be edified/edify anybody, he can only point our way through the curriculum.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	ANGELS: Hot button topic - When you go to the bookstore, there's tons of books on angels. People want to know about angels, want angels to come and do for them what got done in Israel's program. Come give me a message of what I am supposed to do. MM says that's contrary to Sonship, now you have made angels your tutors and governors. The reason why Israel got ministered to by angels because they refused to be built with a son's (GH: godly wisdom). The body of Christ is supposed to know more with angels. We're supposed to be educating them, not the other way around. Working in a job where you know more than your boss. Isn't that frustrating? Especially when the no nothing boss tries to come in and tries to tell you something. What do you think angels think about most Christians - 'They are going to be in charge of us?' Angels say, we are going to pass on that one. We'll wait for the next one. When a son comes along, angels say that's the one we want. MM doesn't know how it works. Will it be a draft? Do angels have anxiety around getting a dud son? Most Christians have this backwards. They think angels are the big shots that come tell us stuff. The truth of the matter is, you're not only supposed to understand how they think, you're going to know more than they know, that's why they are going to take their orders from you. You will get to the point that you are educating angels now. Angels don't have the capacity to have godly edification.
Commentary	Pastor Mike : Hot Topics	CREATION: The reason that God is doing it this way (MM says all of it could have been done differently). When the rebellion happened, He could have thrown Lucifer and every one of those fallen angels into the Lake of Fire and just replaced them. God creates Adam, creates this government, puts it in place, creates the earth, has Adam on this earth. Suppose there is no rebellion in the heavens and no fall on the earth and everything is peachy. God is going to treat man like sons and daughters and He is going to have this wonderful eternal Kingdom on this earth and things are happening that we're going be educated in our Father's Wisdom. But something came along to derail all of that. If you were watching the picture, if this was a movie, and you are watching Adam as he falls in the garden and then he and Eve were expelled and the cherub is placed at the gate with a flaming sword. You are thinking, it's over. There's nothing a man can do to fix that. Watch a little further and what Cain is doing to his brother. It's going down hill. You would say it is over and you don't need to see the end of this. Skip to the end of the movie. You have people seated in heavenly places having WISE COUNSELS with their Heavenly Father directing how it's going to go. You would say oh my goodness, this is the most miraculous comeback in history! MM says if God didn't do it for us it would have never gotten done. We are a testament to God taking a thing that was totally lost and turning around and producing the exact same thing that He would have produced if it never fell apart to begin with. There's one thing this is attached to. It's about His Glory. God took this fragile, earthen vessel steeped in sin, I took this person, pulled them out of this quagmire, I SAVED them, I GAVE them a perfect justification/eternal life, put my righteousness in them, gave them perfect sanctification, I produced My Holiness in them, they are no longer a slave to sin but they are dead to sin, they're alive unto Me, they have a relationship with Me that can never be altered. And now to run this whole show, My son is going to make a decision. That doesn't just make you look good, that makes Him look good.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Because none of those things MM mentioned are produced by us. That was all produced by Him! If He didn't do any of that, if He left any of those out, we'd never be at that end result. He's the One that made the sacrifice, He's the One that did the judgment, He's the One that adopted us, He's the One that wrote the curriculum, He's the One that put His Spirit in us - it's His Wisdom, it's His Heart that is going to be in you, it's His Knowledge that is going to be in you. If you look back and our honest about it, you will look back and say everything I am I owe to my Father. That brings Him glory. To think He dredged us out of the pit to get us there is really the comeback story of the universe. God take us, save us, justifies us unto eternal life, give us a perfection justification whereby he gives us His righteousness, gives a perfect sanctification whereby He gives us His holiness, adopts us as sons, educates and trains us until we each become a man of understanding, take us off this earth, and translates this mortal body into an immortal body, and set us down with Him to intelligently discuss with Him the future of His business – all that being accomplished by Him in us and then given to us by grace – all of that process adds up to one final, stunning, tremendous issue which is that at the end – what we will become is a reflection of His glory! It's not a matter of smarts, it's a matter of believing Him. When they don't get it, His Glory is attached to that. MM thinks that stings because everytime someone who is presented with the opportunity and decides your Wise Plan isn't so great after all. GH: That Satan can say, they would rather live under me. If you think about it, once Adam fell, no one outside of God could have even seen a solution to the predicament we were in. It would have been the end, as far as we knew. Imagine how it must thrill His Heart. He knows where we are. He knows we are in SO. He knows this is the step you have to take to get there. MM hopes we would never lose sight of the path we are on. It's not well worn but it is extremely important.
Commentary	Pastor Mike : Hot Topics	MM Remarks (SPt5: RE Pt1:13): Controversy brewing we are a part of. Evidently we are on the radar. Doesn't know all the details and doesn't want to know all the details. Got many emails from people coming to our defense. There was a conference in April where the NC church/TBC and MM's church were the subject of. People were warned of the danger of what we were doing. Not saying all the things that were said about us. Main issue in how we see Romans 8 and HoG and JHI. MM's official position: MM understands that everyone who has taken issue with us are brothers/members of the body of Christ. Anything he says need to be with the godly edification in mind. Not interested in producing a video to defend our position or getting into a debate. He doesn't have time for that. MM doesn't want anyone to say he is just taking the high road, that is not what he's doing or that he doesn't like a good debate. You know better from his old days. If he is going to love these men the way he's called on to love them than the things that he would say have to be for their edification and if it is not going to work to then his heavenly Father is not interested in it at all. Knows that He loves them unconditionally and he is called to do the same thing. MM is going to do that and he would encourage this body to do that as well. MM is not their T&G. Not his position.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	He will count it all joy to be criticized for an area of Sonship and he is going to rejoice that we're on the radar of some of the best known people in the country that believe the kinds of things that we do think we are worthy of some attention. If we are learning this and don't apply it in our lives, what good is that? According to Romans 12, MM is going to view these brethren with the godly love that his heavenly Father has for them and by that he is going to bring Him glory and bring them benefit as other members of the body of Christ. MM asked us to pray for their advancement in godly edification and pray that our love for them would abound. We are not alone, there's some other Sonship churches that are in the cross-hairs as well. MM is going to comprise a letter that he hopes comprises the thoughts of this entire body that he'll read next week. He'd like each of us to sign it. GH: Sounds like it is to our sister churches. That we are glad to be associated with them and we want to be an encouragement to them. Build that relationship with sister churches because when the POE cranks up, we'll need all the friends we can get. If we don't get body thinking operating in us how in the world are we going to operate when we get into the creature?
Commentary	Pastor Mike : Hot Topics	Importance of the Local Assembly: We aren't meeting just to meet. We aren't meeting for the reason that most churches meet. Fellowship is a great thing but you can fellowship outside of the local assembly. We lost a generation on why you go to church. People think why am I going to church? It's mostly irrelevant. So Preachers have tried to make church relevant and in making church relevant, they have moved it away from its spiritual moorings to now it is very social in nature. Some places don't even preach the Bible anymore. They are 'meeting needs' and talking about all of these subjects that might be interesting to a group of parents with kids a certain age, etc. That's not the purpose your Heavenly Father instituted the local church for, that's not it. Because people don't know what a church really is and what it's supposed to do, there's no appreciation for these offices. You could go into most churches and talk about these offices and they would not see these as relevant at all. What the church is and it will never cease being this: 1. Is a classroom: where you are coming to be taught how to think, live, and labor with your Father - this is the education 2. Now that you are in the education, when you get into Romans 12, it is also training camp
Commentary	Pastor Mike : Hot Topics	If we leave out either of these components, we have left out the purpose of the local church. We are no longer doing what it is supposed to do. It is imperative that we all realize: - Your Sonship was not designed to operate by itself; it is designed to function as part of an assembly of saints. MM says he can't emphasize this too much. Talking about remote members and Skype groups. - There is structure and order to our function which is contained in the offices, therefore, your Sonship was designed to function within one (or more) of those offices as part of a body. - The very first place you will labor with your Father is within the confines of the local assembly. - The offices provide for the saints of an assembly to do something for the benefit of the entire body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	More on the importance of the local assembly: The strengthening of the local assembly's capacity to labor with God by the promotion of the Sonship lives of those in the assembly. MM says the genious of God of creating a local assembly as a small scale of the creature is seen in these first few steps (GH: Romans 12:3-10) are in a way, and he doesn't want to mislead you, the dress rehearsal for the creature. It's the training camp or the boot camp or the practice field, but it's really not. Because what he wants us to have in our mind is that what we are doing here is really more than practice, it's actual labor in God's Business. God's not just giving us labor to say, OK - let Me see you do something with it, it's more than that. With every labor, there is some OPERATION that God is trying to get accomplished. MM says it is easy in the DOGG because we understand what He is doing and what He is not doing. People accuse us of thinking, well-you don't believe that God is doing anything at all. MM says God is very busy doing some things, He has some OPERATIONS. MM redefines that criticism to say if all you're looking for is for God to intervene in the phyiscal world then yes, you're going to say it doesn't look like God is doing anything at all. But what God is interested in is not altering your physical circumstances, He's interested in altering your inner man. He's very interested in that because that's the more important thing. It's more important for you to be conformed to the image of God's Son than for you to just get out of some kind of circumstance because God is going to use that circumstance to conform you. And sometimes the difficult ones conform us in ways having no problem could never do. MM compares this process to weight training where it is through that process things are actually strengthened.
Commentary	Pastor Mike : Hot Topics	The labor is important because it is what brought us (GH: our assembly) into existence. All these different folks that come from all of these different places are now going to begin to look at each other like we are one body. How does this work in the creature? The very first thing you are going to have to know how to do when you get into the creature is to take every member of the body of Christ that shows up there in a glorified body and we'll have to put that thing together as a single unit so as one body, it really exists and not millions of different parts. Somebody has to take all of those parts now and make that thing function across the whole universe across the creature as a single body because how many people are going to show up there and don't even know that. When we practice with the 4 body attributes (Romans 12:4-5) with each other, we're learning the skill we're going to have to have when we get up there. MM says do we have a total handle on it? No. Are we going to get better at it? Yes. But we have to have that skill. Because when we get up there, it's not going to be 30-35 people in here trying to be one body, it's going to be everybody from Paul to the rapture and we are going to have to make that one body. MM half jokes we can't afford to look around and say I give up. After the entire body of Christ gets situated as a body, we need to be able to look at each other and say I know what needs to happen next - this body has to maintain itself and here's how that's got to be done. It has to be able to do something before it can do anything with the creature, it has to be able to do something in and of itself and that's what we are learning in Romans 12:9-10 on a small scale. MM says God has an OPERATION to be done IN HONOUR PREFERRING ONE ANOTHER-Romans 12:10 and that is the very next step that's going to be happening to the entire body of Christ up there in the creature.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	God's Original Design for Work-Part 1: God created man to work with Him, that's why we are here and what He built us to do. The reason we see work differently than we should be looking at it is because of the Fall. When sin came into the world, everything changed. There's this false idea that Adam had to go to work as part of the curse, but that is not technically right. Adam was already working. Adam was told to till and keep the garden. He was going to work in the garden. What changed was now he is going to do it in an environment of thorns and thistles. He's going to eat his bread by the sweat of his brow and the earth is not going to readily spring forth. He was working all along but not the conditions that work is being done in has changed work from something that not only was pleasurable and enjoyable GH: to how we view work today. God gives Adam work to do, more than just till and keep the garden, he's naming all the animals. He gets Adam in a position where he realizes I need help. Then God creates a HELP MEET FOR HIM-Genesis 2:18. She is supposed to come right along aside and help Adam in the labor he is involved in, who is laboring with God. God says it is not good for man to be alone but He waits till Adam comes to that conclusion. MM says he knows people who retired and were not around much longer. You are not built to do nothing. The curse is NOT man had to go to work. Man was always going to go to work. The curse CHANGED work. There was always going to have to be a man to till the ground (Genesis 2:5).
Commentary	Pastor Mike : Hot Topics	God's Original Design for Work-Part 1 (cont'd): Somebody has to prepare the field but it is going to be a different kind of work. There was something that changed the way he V&E what he was busy doing (EX Seeing the faces of people light up while ushering the nightly light parade at Disneyland.) The way we V&E our Father's Business should change our approach to everything we are involved in, it ought to make us FERVENT IN SPIRIT-Romans 12:11b. GH: If you are just griping and complaining at work, how many co-workers will get saved or edified? Because they are already looking at you like you are a loser. This is an aspect of your Father's Business that you carry outside the local assembly to whereever you may be and whatever you put your hand to GH: you have the ability to labor with your Father and your reputation is at stake in this. If your reputation is not good, your message will not be well-received. MM says there are jobs in this society that are not attractive but need to be done because if they weren't, all of our lives would be different. Unfortunately, people look at the job and the person doing it an equivicate the person to the job. MM doesn't care if you are volunteering in the hospital to dump bed pans, there's a way that your Father's Business can be carried on in that. There is a work getting done in you that is preparing you for the creature so no matter what you are putting your hand to, even if you are low man on the totem pole and get the jobs that nobody else wants to do, can't act like you can't wait till the next volunteer comes in. MM says if you are going to volunteer, put yourself in there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	God's Original Design for Work-Part 1 (cont'd): May have to catch yourself when you revert back to the old way of thinking and responding to a situation instead of remembering this is the practice that He told me about. Don't get caught in the circumstance and remember you have been given grace to handle that. As SERVING THE LORD-Romans 12:11c pertains to everything we are involved in, understanding this is going to create a fervency in our spirit that just ozzes out. Then we realize there's nothing I'm going to encounter out there that this won't handle. You can always quit your job. Your Father doesn't tell you that you can't quit even if there's not a high moral principle to quit. By the doctrine that is given to us in Romans 12, we are going to approach everything we put our hand to very differently because there is a way in which we can SERVE THE LORD in everything that we are busy with, all the BUSINESS that we involve ourselves in. That's everything from the job that we work to the hobbies that we are involved with, you may volunteer somewhere and spend time there, there is a way to SERVE THE LORD in all of those capacities. The primary application is don't be SLOTHFUL IN your Father's BUSINESS but be FERVENT IN SPIRIT. MM says you can't be FERVENT IN SPIRIT and be SLOTHFUL, those don't go together. We have opportunities to SERVE THE LORD because as you are out there in the world doing whatever you do, you have an opportunity to give the word of reconciliation to people who are lost. It's that NOT SLOTHFUL conduct that will allow that to happen. If they are saved, there's an opportunity to talk to them about something. Many saints are not even aware of a Sonship education. Here's an opportunity to put our Sonship skills into practice. There are 8 things beginning in verse 12. All the things we encounter that are problems and adverse circumstances and difficult situations are going to be opportunities to put something on display and that is SERVing THE LORD. And not just to men but to principalities and power, this is another way we will labor with our Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	As you move from Acts to the Book of Romans which is the Book written not to the Jew to inform him that something different is taking place but from Romans-Philemon you have the doctrine on how to live for God in the DOGG as a member of the body of Christ. - How many times does Paul heal anybody? - How many times does Paul pray for someone to be healed? - How many times does Paul pray for all those intervening things to happen? None. MM sayiing this for people who say 'we need our church to get back to the early church in the Book of Acts'. MM say really!?!? You want to be back under the law in Israel's program? This is an earnest desire for something that they think is good but they don't realize that God has replaced all of that with something more excellent. If you behave this way, MM won't try to be your T&G but he is obligated to tell you the truth in here (as he taps his finger on his Bible) and tell you why he thinks this is the truth. He can prove these things out of the very Book we believe to be the word of God. It's not his opinion, it's not his interpretation, it's exactly what Paul is telling us. You'll have to invent something that's not in there to get something different. Point: If you are going to invent something different, forget about making known THE MANIFOLD WISDOM OF GOD-Ephesians 3:10. Because God intervening to protect you is not putting anything on display. It's the church that does this. God has been putting His Omnipotent power on display from the day He spoke the world into existence. What they've never seen (GH: the angels) and been impacted by is a believer that the Power of His Grace has transformed his inner man. That's where the manifold Wisdom of God comes in. If we can't get this issue straight then we can forget going through the education because we won't be behaving ourselves like we should. If you go out the door and don't understand the truth, you are not doing what God is not calling you to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	God's Original Design for Work-Part 2: When God created man, MM believes along with designing him to work but to live our life around some sort of central purpose or some overarching cause. MM has noticed that almost everyone who has interest in life has some sort of cause in their life. For those who do not or those who have lost their cause or purpose, they give up and then all kinds of bad things happen. Because of this, there's a natural gravitation to, and we call it all kinds of things - purpose in life or some cause or what we live our life for. For men, not all, but a large number find their purpose for life in their work. Doesn't matter what they do for a living, this is what enables them to get up of a morning and do the things they need to do. They don't need to necessarily love their job, it is just the work that gives them some type of purpose to continue. For that reason, for some, when they retire and can no longer do that work, it really bothers them. Sometimes they are so hard to deal with their wife says can you just get out of the house and go do something? For some folks, when they quit work they quit living and it has been pretty catastrophic. For a lot of women, men can do this too, their purpose in life becomes their kids. And when the kids have kids, it becomes the grandkids. We enjoy those more because we can wind those up and give them back. MM is not saying there is anything wrong with this. MM is not saying that anything is wrong with these types of things, but if those are the things we default to, what about someone who never had kids or someone who didn't marry. What about someone who has lost their spouse? People have all sorts of things that give them purpose in life and sometimes that purpose has to change. What happens when you are no longer able to fulfill the purpose you think you have? As noble as all of these causes are, MM believes there is a greater cause than any of them and that is our heavenly Father's cause because it is eternal in nature. MM says what gets missed in the mix of whatever we are doing, if you add your Heavenly Father's cause to those, it brings a whole different dimension to those.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	EX Devoted to your kids in the world's eyes means we are supplying things to them and devoting things to them but when your Heavenly Father's cause gets added, you are supplying more than just material things to them, you are adding eternal things to them and that is worth more than the material things. Because we were created to labor with Him, we call it His Business but it is His Business which accomplishes His Purpose. There's really no disconnect there, we really are created to be a part of because when He created the heaven and the earth there was something that He wanted to get done. We see Adam starting out at the beginning, it is elementary but he is meant to be a big part of that. He is meant to work right along with his Heavenly Father. This idea has never changed with God and as a result, we are going to have to be able to identify what is our Father's cause is. The doctrine (Romans 12:11-16) is going to work in us to cause us, to be able to see, that every situation we are finding ourselves in has the opportunity to either further our Father's cause or to go in a completely different direction. Satan and his minions have already declared they are not moving in accordance with our Father's cause. Satan has a different cause at work in this world. When sin came into the garden and Adam fell, Satan put the COTW-Ephesians 2:2 into motion so we are all going to be impacted by various degrees. Everybody in the world will be in this thing from the moment they are born so we don't think like our Father and we don't live like our Father and we will actually be laboring according to Satan's cause, Satan's purpose and what he wants to get accomplished. None of us and a lot of other folks would never do this intentionally. MM says he is glad for causes people may be involved in but because of who we are and what we were made to do, there's another cause that often gets left out of that equation that if we don't bring it back into that equation we'll never see this in the way that it was meant to be.
Commentary	Pastor Mike : Hot Topics	The issue today is the excellency of the power-2 Corinthians 4:7 of God’s word operating within our souls and spirits. It is the issue of the excellency of that power being put on display to the entire angelic realm and especially to Satan and his cohorts. It is the issue of the angels being educated in the capacity of God’s Power to work within in such a marvelous way. Wisdom, power, authority and desire are the issues at stake in the contention between God and Satan. We members of the body of Christ, in this dispensation of grace, have the privilege to put on display to all creation (and especially the Adversary): - the superiority of God’s Wisdom - the superiority of God’s Power o in ways the Adversary has already been confronted with o in ways the Adversary has never been confronted with

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	- the doctrinally produced godly desire o the desire to be FOLLOWERS OF GOD-Ephesians 5:1 and not followers of THE COURSE OF THIS WORLD-Ephesians 2:2, which Satan charted o the desire to follow our heavenly Father's Wisdom, showing it to be superior to the Adversary's wisdom, to the honor and glory of God and to the chagrin of the Adversary. God is making an impact in the face of the Adversary and we have been given the grand privilege of being a part of it. That is why MM keeps saying that it is a privilege to: - be who God has made us to be IN Christ - be a part of what God is doing in this dispensation of grace - labor with God in repudiating the Adversary and what he offers - endure sufferings to God's honor and glory
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering: When you got saved, the day you received Jesus Christ as your Savior, not only did your sins get forgiven and you got justified and sanctified, but there was a power that was then in you. It's not yours it's God's and He put that power within you. There was a power that was put in you the day you got saved and it is ready to go. It's fully charged, fully available, live power but it's like electricity in your home that runs to the plugs. It's right there in the receptacle. It's right there but not doing anything on its own. The meter outside isn't running at all. It's just available. What you have to do is you have to plug something in to that receptable and suddenly that power is now put to use and it produces something. If you plug in a lamp that power through the lamp will produce light. A CD player will produce music. A TV will produce a picture. Same with computer, heater, air conditioner, etc. Get different things but the power runs them all. This power within you is the Power of God's Grace and it is sitting there within you and you have it but the power doesn't work by itself / automatically / magically. It is the power source that needs to be connected with something, it is waiting to be connected to the doctrine that is sitting in the word. We have different doctrines that produce different things like different appliances produce different things. This power in you is waiting to get plugged into the various doctrines. MM takes us back to Romans 8 where the Spirit is DWELLing in you, He's not just there, He is doing something there. The Power is there but it's not actually doing anything until something gets plugged into it. Once He does, He is dwelling in you to produce whatever it is that doctrine is designed to produce and that's really going to get produced in you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): So when you need to be able to endure something, that endurance, the power is in you. It's been there since the day you got saved but it's just been sitting there because you didn't have anything to plug into it. Now, with the renewing of your mind (Romans 12:2), you will be getting doctrine after doctrine after doctrine to plug into this to actually produce the ability to endure this infirmity you have. Or you are going through a situation that it's hard to bear up under it and so you'll plug into that doctrine and when that connection is made between the doctrine and the power in you, now you have the endurance to bear up under that or for another or the strength in your inner man. MM points to the MY GRACE IS SUFFICIENT-2 Corinthians 12:9. When you learn this, you either believe it or you don't. MM believes God's Grace is SUFFUCIENT to take him through anything. This is your part. Isn't it great that your don't have to produce the power or produce the doctrine. You believe that doctrine and when you believe that doctrine, the Spirit takes that doctrine and plugs it into the power source in your inner man and that belief now translates into something that's real in your life where you can actually say when you are just about at your limit and can't take any more that His Grace is sufficient. MM says there's not a magic phrase that you keep repeating to yourself and somehow it comes true, this is supposed to be a reality for you.
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): This is where it breaks down for most Christians, they know the sufficient grace verse but they don't know how to appropriate that grace. That grace is appropriated through the doctrine. That's how that gets done and that's what the Spirit is doing when He is dwelling in you, He is taking that word and He is effectually working that word IN you. He is connecting that to that power that is in you and that power translates into your ability to now respond differently to the circumstances in your life, not like the world but in a way that your heavenly Father would respond to those same circumstances. As we go through all kinds of situations and circumstances, as we may be suffering or experiencing some kind of infirmity, whatever that may be, we are going to have to sit down with the doctrine that we have learned and deal with those circumstances. You can't do anything with the doctrine that you haven't learned because you can't deal with what you don't know. The only thing you can do is to take the doctrine that you know right now and deal with your circumstances out of what you do know. We are going to take what we understand to be God's Will, which is revealed in His word, and we are going to apply that to our circumstance. EX You are diagnosed with some dread disease. It's is not in His Will or in His word that you are going to go to Him and say 'God, take this away'. That is not praying as we OUGHT-Romans 8:26. That's praying in ignorance of what He is doing. His Will is for something to take place in you inner man that will strengthen you as your body suffers whatever it happens to suffer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): That's that the LIVING SACRIFICE-Romans 12:1 is all about. In light of the situation you are in, ask yourself what do you understand about Paul's epistles is God's Will because that is the thing that I want to be praying. The only way to PROVE-Romans 12:2 God's Will is through the doctrine that you have been taught so far. Just as you want to see God's Power at work in you, you want it to see God's Power at work in others. We know that God is not intervening in the physical circumstancces by means of His omnipotent power but that does not mean that He doesn't care about your circumstance. Like when you made the cry of ABBA FATHER-Romans 8:15 when you said YES! to the education, you need to make that same cry again when you are talking to your Heavenly Father about this difficulty that you are going through. When you are saying ABBA FATHER, you are saying YES to I want You to do the work in my inner man that will allow me to not be overcome by this circumstance. That the POWER OF CHRIST MAY REST UPON ME-2 Corinthians 2:9, that even though all of these bad things are happening, the effect that they would normally have is not taking place with you. You are not going to faint because of this adversity but you are going to be MORE THAN A CONQUEROR-Romans 8:37. If you want that, that is what you should be saying ABBA FATHER-Romans 8:15 to.
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): If you are disagnosed with some dread disease, if you do this right, (you can do everything you can to get yourself solved), if nothing can be done about it OR until something can be done about that, you should look at this as an opportunity for a great deal of work to be done in your inner man and for the POWER OF CHRIST TO REST UPON you and an opportunity for you to put on display God's Will and have an impact on angels in the heavenly places. To that, you should be saying YES, count me in, I'm on board. This was what this whole thing was about - the reason you didn't redeem my body when I got saved (just redeemed soul and spirit) wasn't a mistake or an oversight. The reason you are suffer these things in exchange You are doing a work in my innner man that actually allows the life of Christ to be made manifest in my body, in this thing that is suffering. MM asks do you realize the Power of God to produce this response in an unredeemed body? It's an amazing thing. Because you want the POWER OF CHRIST TO REST UPON YOU, you will want to be PATIENT IN this TRIBULATION-Romans 12:12b and maybe one day, you will overcome it but whether in death or in life, Christ is going to be glorified in my mortal body. This is very different from 'Dear God, I am double asking you to take this thing away from me'. This is a prayer of ignorance. MM says he is not trying to be ugly but this is a prayer of not understanding what is going on.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): It completely does away with the reason God redeemed you, the whole reason that you are a LIVING SACRIFICE-Romans 12:1, that you are trading what's happening to this body for a glory that is so great the sufferings are not worthy to be compared with it. It's not only a privilege to do this, it is your REASONABLE SERVICE-Romans 12:1. It ought to create a FERVENT SPIRIT and enthusiasm for this. Paui said WILL I RATHER GLORY IN MY INFIRMITIES, THAT THE POWER OF CHRIST MAY REST UPON ME-2 Corinthians 12:9. He's not saying oh, God, strike me with something really bad. He is not doing that either. But if something really bad does happen, Paul is saying let's make the most of this. Something better is being done in me. There ought to be a fervency in spirit in us. This is the EXCELLENCY OF HIS POWER-2 Corinthians 4:7, it's the greatest power He possesses, this is the one that Satan can't duplicate, this is the one he can't counterfeit, he doesn't have the ability. This is the Power that enables us to respond to our difficulties, that power to put on display in us ought to give us an enthusiasm that just bubbles over in us. MM says it is a process and you have to get there. It should be a thrill to know the life of Christ is being made manifest in your body. As we talk to Him about how we are going to perform this REASONABLE SERVICE of SERVING THE LORD-Romans 12:11c and how we're going to do that, then we are REJOIC(ing) IN HOPE-Romans 12:12a.
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): We are going to rejoice in a manifold hope: - Hope that we are being conformed to the Image of His Son - Hope that the grace produced by effectual working of His word will always and alway be sufficient - Hope that we are being made MORE THAN CONQUERORS-Romans 8:37 - Hope that the intercessory ministry of the Spirit (the work whereby the Spirit dwells in us) will deliver us from the effects of the sufferings - deliver you from the EFFECTS of suffering, NOT from the suffering itself Being fully persuaded that His Grace is sufficient-2 Corinthians 12:9, being absolutely convinced that all things do work together for good-Romans 8:28, believing we are joint-heirs with Christ if so be we suffer with Him-Romans 8:17, then we we know we can be PATIENT IN (that) TRIBULATION-Romans 12:12b. This is part of what you are talking to Him about because if you are PATIENT IN (that) TRIBULATION, there is a GLORY THAT IS BEING REVEALED IN YOU-Romans 8:18 that the SUFFERINGS ARE NOT WORTHY TO BE COMPARED TO-Romans 8:18.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Grace (Power)/Grace (Thinking) / Suffering (cont'd): When you have PATIENT IN TRIBULATION-Romans 12:12b because you know what's being accomplished, the Father is able to look at that and go that's My Glory, look at My son. And that gets made manifest in Satan's realm and you make an impact on that realm. Not just to his realm but to ALL the angels. And God is saying this is what I created you to be, an extension of Me. When this (GH: TRIBULATION) starts happening, you go to CONTINUING INSTANT IN PRAYER-Romans 12:12c. The minute it starts happening, CONTINUING INSTANT IN PRAYER ought to start taking place. Realize the Power of God has the chance to REST upon you and you ought to be enthusiastic (FERVENT) about your REASONABLE SERVICE and SERVING THE LORD because you have a HOPE, not only in the future, but there's a HOPE that something is happening to me right now that is such a magnitude that I can be PATIENT IN TRIBULATION. See how the whole thing flows right down. MM says if you don't understand this, there is no need to move on. We have to get this down in our mind. MM is not saying it needs to be fully formed in you now, that's what the ongoing doctrine is about, but you need to see where this is headed.
Commentary	Pastor Mike : Hot Topics	Teaching Approach Change (Sonship Pt5: RE Pt1:65(M)): Going through the Book of Romans differently than we have before. When we are in the Book of Romans, we understand what is happening. This is establishment doctrine, in addition to Corinthians and Galatians. These together lay the foundation to get us established and stablished. Both words occur in Romans. Establish is to get you going, to get that foundational doctrine laid. By the end of Romans Paul is talking stablish you by a foundation that have been laid and now stabliize you by this foundation. There's a bit of difference here. It's going to take all 4 of these epistles to get us established. There is not another Book that comes close to covering the topics of justification, sanctification, dispensational change, and the 4 decision making skills as the Book of Romans. MM was bothered going into preceding Books to teach Romans (EX Teaching 1 Corinthians 12 to teach Romans 12:4-5). Kept thinking that shouldn't he be able to come up with this just out of Romans? He thought it was because he wasn't a FES. Even if you are thinking about body attributes, how do you know there are 4? He came up with 7 initially. Felt guilty pulling this out of Corinthians when he thought he should be able to get it out of Romans. Same with Romans 12:6-8. If Paul hadn't written 1 Corinthians, how would he even know about that? MM couldn't pull it out of Romans 12 yet this is the first thing we are faced with as we come through. Faced with the dilemma of thinking he should be able to pull all of it out of Romans 12. Now, he sees: - Romans 1-11: Details on our justification, sanctification, and the dispensational change. - Romans 12-16: Outline of everything that is contained in the education. Some teachers even teach this way, give you an outline of what they are going to coverage then go back and do the detailed work of each one of those things. This is why MM couldn't just look at Romans and then you would know everything that you need to know. - 1/2 Corinthians & Galatians: Provide the details that you fill in what we already introduced to you in Romans.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Teaching Approach Change (Sonship Pt5: RE Pt1:65(M)) (cont'd): MM thinks this is a wise way to do this. In Romans, you are introduced to some concepts so you know some things about them but when we details you can build on that. MM has been treating every verse in Romans like it was the place to teach all of the detail, so we spent a long time on every verse. Why we spent 122 lessons on Romans 8:14-15 and learned a bunch of stuff before and after this passage. MM's conclusions: 1. Can't know all of the details just by going through the Book of Romans alone 2. We need 1/2 Corinthians and Galatians to be able to fill in all of the details of the things we are going to have to have to get ourselves established Good news - can start treating it like an outline vs. teaching every single detail out of Romans, MM is just supposed to give you what's in the outline and then when we get to Corinthians, we start looking at the details. First Book Paul wrote was 1 Corinthians. The way the word of God was spread via the multiplicity of copies. the churches at Rome had probably already seen it before getting Romans. So for them, Romans didn't serve as the outline, it served as the summary. Romans is compact and precise, all of the doctrine is packed in to these chapters because when you get to the education, you're really just talking about 12-16, 5 chapters. That's all that you are talking about, That means the detail is going to be in 1/2 Corinthians and Galatians and is compacted down to 5 chapters in Romans. For us, it serves as the outline for what is coming and why MM will teach verses faster going forward.
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take: We have never known a day that God was not working directly with Gentiles and pouring out His GOODNESS out on us, His Grace, and LONGSUFFERING and we don't know anybody who ever knew it differently. But there was a time in this world when God was working with the nation of Israel and Paul writes as part of the inspired scriptures that we Gentiles were on the other side of that wall of separation and we were without God and without hope in the world. God wasn't working with Gentiles. MM says if you think that's not very fair, he points back to Genesis 11 and the Tower of Babel where the adversary had been so successful in what he was doing with mankind on the earth that Paul writes in Romans 1 that they had corrupted their thinking about God and they have worshipped birds and four-footed beasts, and creeping things & idols that they could make with their own hands. They worshipped the sun, moon, and the stars. They worshipped and served the creature more than the Creator-Romans 1:25. And here's the shocking part - they did not want to retain God in their knowledge anymore. That's the condition the world had come too.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take (cont'd): And in Genesis 6 and just before God wipes it out in the Flood, the wickedness of man is so great that God has to do something. Now, at the Tower of Babel, the wickedness of man is so great that God has to do something again. But He is not sending another flood, He confounds their languages and scatters the people. And Paul says the very next thing in Romans 1 - GOD GAVE THEM UP, GOD GAVE THEM OVER if you want to live that way and you don't want Me, then you can go serve the adversary, I AM going to let you do it. Then He calls one man, Abraham, out of Ur of the Chaldees and enters into an unconditional covenant with him and he says I AM going to have a people of My own making that I AM going to work with in the world, because the rest of the world doesn't want Me. Abraham enters into that covenant with God and He promises to make of him a great nation and that's the beginning of God's program with the nation of Israel. Everything in your Bible from that point forward (GH: until Paul's epistles) is God working with the nation of Israel, He is not working with the Gentile nations and He is not doing anything with those other Gentiles. He is working with Israel. All the way until Christ comes, it's God's program with them/Israel.
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take (cont'd): The Bible doesn't say anything about the 425-year reign of the Han dynasty because God wasn't working with Gentile Chinese, He is working with the people of His creation the Hebrew/Jewish people and through tme He is going to reconcile the whole world back to Himself and they're going to carry that good news to the ends of the earth. But before Israel can do that, they have to become that great nation. They have to return to the Lord. So when He calls out Abraham and you have Abraham, Isaac, and Jacob and his 12 sons who are the progenators of the 12 tribes and the tribes increase - now you have in your Bible history of what's happening to those 12 tribes. Then you have the division after Solomon's death. We have the northern kingdom of Israel and the southern kingdom of Judah, which goes on until the northern kingdom is carried away into Assyria and the southern kingdom into Babylon. Then you've got the 400 years of silence. Then, suddenly Jesus shows up on the scene as predicted and prophecized in the O.T. scriptures. And when He shows up HE CAME UNTO HIS OWN, AND HIS OWN RECEIVED HIM NOT-John 1:11.
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take (cont'd): That's who he came to. MM points to Matthew 10 and Jesus sending His disciples not to Gentiles or even Samaratians, but to THE LOST SHEEP OF THE HOUSE OF ISRAEL-Matthew 15:24. God is doing this with Israel because He is attempting to do the thing with Israel that is going to result in the salvation of the world, that's what He was trying to do. But Israel (GH: up to this point): - worshipped false gods - go their own way - break His commandments - suffer the judgments of Leviticus 26

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take (cont'd): Jesus shows up and gives the command in Matthew 10 to the 12. Someone will ask well what about those Gentiles Jesus preached to - the Syro-Phenician woman's daughter and the Roman Centurion? These are the only 2 Gentiles that Jesus dealt with in the gospels. If you read those accounts - The Gentile woman came up, He turned her away, she starts working on the disciples until it wears them out and finally they come to Jesus and they say can you send this woman away, she is killing us. Jesus turned to her and says, knowing what she wants and says IT IS NOT MEET TO TAKE THE CHILDREN'S BREAD, AND TO CAST IT TO DOGS-Matthew 15:26. MM jokes if that would have been someone in America, they would have blown up and said 'WELL, I AM NEVER!' But she says TRUTH LORD, YET THE DOGS EAT OF THE CRUMBS WHICH FALL FROM THEIR MASTER'S TABLE-Matthew 15:28. She is saying I know who You are working with and I know that it's the things that can be done with them are actually going to come down to us eventually. She understood what God was doing better than those hard-hearted apostate Jews and the reason Jesus gave her her request was because He was using her as an example this woman understands who she is in this program with Israel.
Commentary	Pastor Mike : Hot Topics	The DOGG, Ephesians 2, Genesis 11, Romans 1, Genesis 6 or hot take (cont'd): But after the extension of mercy in Acts 1-8, God starts this DOGG and now suddenly for the first time, or before Abraham, God is now going to bypass Israel, set their program aside temporarily, and being working directly with us Gentiles. MM says thank God for that. Thank God He saved Saul of Tarsus on the Damascus Road. POINT: It's not God is mad at everybody, He doesn't want to do this or that...it's man who has put himself in this position. It's God who has continually made a way. But here's Saul, who was Satan's tool, probably the greatest tool he had working against God's remnant, and he turns around and becomes God's greatest tool for the DOGG and he writes 13 books of doctrine that we are studying. MM says talk about OVERCOMing EVIL WITH GOOD-Romans 12:21, because that's what your Father is trying to do when you serve your enemy, that's what your Father is trying to have happen.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future: There is going to be a government on the earth where Israel will be the head of all nations and be a kingdom of priests. Government was intended to be part of what was happening. There was a time on the earth when there wasn't any human government. It wasn't till after the Flood of Noah that God instituted human government. God had a government in the heavens. Had angels called PRINCIPALITIES and POWERS, that rebelled with Lucifer. Those are governmental positions and that's a government up there. To determine what goverment is going to do, need to ask why did God create government in the first place? The creation of goverment was not to take care of sin because there was a time when there was no sin and God installed angels into positions of government so He wasn't dealing with sin by that government. Why did God send the Flood? Group answers: - Lawlessness (MM says this is an important feature before the Flood) - Noah as the only one perfect in his generations - It looked like Satan's plan was working

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): Paul said in Romans 1 they no longer wanted to retain God in their knowledge. So He GAVE THEM UP and He GAVE THEM OVER. All the people in the world got consigned over to the adversary and it looks like Satan is winning this thing. But God calls one man out Ur of the Chaldees and makes an unconditional covenant with him, creates children from him when he's too old to have them on his own, so they are really children of God's creation although they did come through Abraham and Sarah. But when He is getting ready to do that, all the things above are going on in the world and it sure looked like Satan was having his way. But after the Flood, God separates the nations and there's a government within every single nation. In order for Satan to control it all, he has to control every single nation and that's more difficult to do. If the whole thing is under one umbrella, he just needs to control one thing. If he is going to use the nations of men to persecute Israel, he can't just focus on Israel any longer, now he's got to be busy. MM says it is like having to solve 10 problems rather than 1 problem, the former is much harder. It works to slow down Satan's POE because prior to the Flood, 1,650 years from Adam in the garden to the Flood, and the whole earth has corrupted itself before the Lord.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): They don't want to retain God in their knowledge anymore. MM says once the world has gone down this slope, the tendency will be to go down faster the next time. God had a time when Christ was going to show up, in the fullness of time, Christ was born, which was 2,400 years from the Flood. GH: Based on the first 1,650 years of experience, the world can't make it till Christ comes without God having to destroy it again so God created human government to slow down evil enough to make it. It didn't stop it but it wasn't designed to stop it. It did slow it down. The fickleness of men works against the adversary as much as anyone else. If we can't depend on them, neither can the adversary. When Christ comes, He comes at a specific time in Israel's program. He comes at the perfect time in Israel's program. God needs to slow this bus down before it careens off the road and goes over a cliff and Satan gets his way in the whole world and it can't be redeemed. [Mark B said God also reduced the life span of man and MM agreed.] This is another one of those things that the POE is doing, so fracturing the power into powers does work to slow it down. Proof it doesn't stop it, God had a government in the heavens but it did not stop Lucifer from rebelling. Lucifer didn't have to convince 1 angel, he had to convince as many principalities and powers as he could and each takes time and effort. What God is trying to do by fracturing that POWER into (HIGHER) POWERS [Romans 13:1-2]. The one thing that every government in the world does (remember God instituted government before sin was a reality) over a specific geography is to exercise control over their population. MM says cutting a guy's hand off because he stole an apple is exercising a power of control.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): MM says you will remember this teaching on the creature because this is at the core of what God wants to do with government. There is a power given to government to control their population. Even though we may not like a repressive country, they control their people. Governments pass laws to control the behavior of the population. When the law is put in place and enforced, the population submits to the HIGHER POWERS. There is something that your Heavenly Father says to us about submitting to the HIGHER POWERS that is going to work perfectly with His plan for human government, even if government takes a terrible turn. EX Let's say government passes a law there will be no more Christian churches preaching Christ to people and Romans 13:1 says let every soul be subject to the higher powers and there's no exception given to us. If we quit preaching Christ, then people will no longer be saved. If people are no longer responding the the message of Grace, God is going to shut down the DOGG, He is going to pull the saved people out at the Blessed Hope, and resume His program with Israel. None of this is contrary to Him. MM mentions those in Rome that met secretly in the catacombs in Rome. If they were found, they paid a penalty but that was a Sonship decision. MM says each of us may respond to situations a bit differently based on the way we understand the doctrine. MM asks how good do you feel about obeying a law that says don't witness anymore? But if God said it, it doesn't matter how much I like it or don't like it, that's got to be it for me.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): But there will be somebody that will look at that and say I just can't let this person go to hell, I've got this prime opportunity and I'm going to risk being judged by the civil authorities for doing this. MM says in some countries, you could lawfully change this law via additional legislation. MM says if a government doesn't do this (control its population), it will be overthrown. A coup will take place and the old regime will be out and the new regime will come in. As long as a nation controls its citizenry, you can live in that nation as a son. When God created human government and put it on this earth, it served a different purpose than when He started government in the heavenly places. When God first instituted governmental power, He did that in the heavens and in the heavenly places, before Lucifer rebelled. God instituted a governmental system and He put the angels in chrge of that government. All but one of those main governmental authorities (GH: PRINCIPALITIES) in God's government rebelled with Lucifer. The Bible talks about him trafficking his inquity in the sanctuaries of heaven (Ezekiel 28:18). It is describing the process by which Satan went to those governmental heads and convinced them to follow Him instead of God. When God first created government in the heavenly places, there was no sin/lawlessness, so you can't get the idea that the purpose of government is to deal with lawlessness.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): That's not what it's about, not in the heavenly places. Shortened up, government is a system of controls by which God has chosen to accomplish His Business, His plan & purpose in the heavens one day in the future when we get out here into the kingdom when Jesus comes back, defeats His enemies, sets up His kingdom, and Jesus becomes KING OF KINGS. That's how God was going to get it done in the heavens. Once Christ puts down all enemies, once the Millennium is over, and all of God's enemies are consumed at the last great battle, once we go into the dispensation of the fullness of times and God has brought all things in heaven and all things in earth together under the Headship of Jesus Christ and now we move out into the AGES TO COME and Jesus bears this title, KING OF KINGS, LORD OR LORDS and the last enemy, which is death is going to be overcome. There's not going to be any more Lucifer rebellion to deal with, there's not going to be any more anti-Christ to deal with, there's not going to be anymore devil to deal with or any of his fallen angels to deal with, and yet God has decreed that He is going to have a government that is going to go on and that government will be HENCHFORTH, EVEN FOR EVER-Isaiah 9:7. Government is a system of controls by which God has chosen to accomplish His Business. It was true in the beginning before there was sin and it's going to be true in the end when we get out past this. When God brought human government onto the earth, He doesn't do that until after the Flood. You will be in that government in seats of authority in the heavenly places running the government of God in the cerature. That's what you are training to do now.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): The only difference is the Lord will appoint you, you won't run for office. You are going to accomplish His Will in the creature when you get there. We are going to be laboring with Him in His Business when we get there. Government is the means by which God will accomplish this, there's order and structure to this thing and that's necessary because if you don't have that, you have chaos and people doing their own thing. That won't work. So this is a system of controls by which God will accomplish His Business. MM doesn't believe that God brought in human government it was for accomplishing His Business, he believes when God brought in human government, he brought it in to accomplish something else that was very needful. Someone may say wasn't it a governmental setup when God put Adam over there in the garden-LET THEM HAVE DOMINION-Genesis 1:26? MM says you could read it that way. MM reads Genesis 1:26-28 and points to the occurences of THEM, not just Adam. He didn't just mean for Adam to have the dominion. He also meant for his wife to have the dominion. MM doesn't believe the word dominion represents governmental power. He gave Adam a commission. It's not the same thing. MM thinks this is a commission. He doesn't think any of it is autonmatic. In fact, the list in v28 are things that aren't automatic but things they have to do. POINT: You can have dominion without having governmental authority. A guy can rob you at gun point and for those minutes, he may have dominion over you, it's lawless but it's not governmental authority. The word dominion doesn't show up in Romans 13:1-7. The words POWER and POWERS show up.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): They don't show up in Genesis 1. We're talking about Adam being told to subdue and have dominion, that's a commission. POINT: The word dominion shouldn't automatically equate to human goverment. MM says he is trying to prove that the dominion that was given to Adam in Genesis 1 is not the same thing as the governmental authority that God established in days after the Flood. The word DOMINION doesn't automatically mean governmental authority. Shows Romans Romans 6:9 and 6:14 as supporting verses. Dominion implies some level of control over something. Why people get this confused with human government because the number 1 thing God wants human government to do is to control. If that government can't control its citizens, then that government will fall and there is no peace and you have anarchism and chaos. After Adam fell in the garden, Satan begins to implement his POE in the world and the world begins to slip into chaos and violence and it's like a snowball rolling downhill, it starts overwhelming the population of the earth. When this starts happening, mankind is going to destroy itself from the face of the earth. There was more reason to the Flood than just wipe out the ungodly, God sent the Flood to save mankind. To recap, the government that God set up before the fall of Lucifer and in the government that will occupy the creature in the heavenly places out in the AGES TO COME, government is a system of controls by which God carries out His Business.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): It will be that way on this earth as God takes His kingdom out into eternity and it will be that way in the heavenly places as well. But human government today is not the means by which God is accomplishing His Business. Government today is not involved in the business that your heavenly Father is involved in. They are not doing it accidently either. They don't just happen to do some thing now that lines up with your heavenly Father's Business. MM says if He hadn't told us about this in His word, we wouldn't have even guessed what this thing is about. If government is carrying out His Business today, MM would like to know what business it's been carrying out because there are a bunch of these governments that don't even believe in God. They are doing something that He wants done, but they're not carrying out His Business and they're not laboring with Him and what He is doing. That's what carrying out His Business implies and that has to be done intelligently. This doesn't get done accidently by communist countries or godless countries around the world. Those countries do what government is designed to do but it's not laboring with God in what He is doing. That's why when Jesus returns, He is going to put down those governments. If they were the means by which He was carrying out His Business, why would He do away with them? 1 Corinthians 15:24 is referring to governments. He is putting them down because He is going to establish a government of righteousness and that government will be the means by which God is accomplishing His Business. MM says in Muslim countries they will cut your hand off for stealing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): Doesn't mean that nobody will steal but you have reduced the amount of stealing significantly. They are controlling aspects of their population and that's what God wants out of government because if it doesn't the whole world will be plunged into a chaos. Point: When God ordained the powers that be, He set them so that they became a part of the natural order of how things are in the world. MM says you would never get millions of people together and say let's just have 1 rule there are no rules. Can you imagine driving on our highways and streets without stop signs and red lights or yield signs or directions or speed limits? MM says that he would be afraid to get out on them. MM wants to paint the big picture of why God created human government and put it on this earth by seeing the condition of the earth prior to the institution of human government. God has to shut off Satan's attempt to contaminate the generations of man and it has reached a point where the earth is going to have to be judged because of ungodliness but additionally because THE END OF ALL FLESH IS COME-Genesis 6:13. God is saying if I don't step in and do something, mankind is going to eradicate itself from the face of the earth. That's what the POE has developed in the years from the Garden of Eden to the Flood. God knows that in the fullness of time, He is going to send His Son to do something but if He doesn't slow this process down, GH: the plan is in trouble. So God saves Noah/the eight. Satan doesn't say, well, down to 8 people, I guess I'll stop. No, he's going to start again because this time God has already promised He is not going to destroy it again with a flood. Jesus isn't going to come until an appointed time on God's calendar so Go has to do something to slow down the rampant violence that has filled the earth and almost destroyed mankind off of it. He chooses to do this by instituting human government and by its very nature, government controls.
Commentary	Pastor Mike : Hot Topics	GH: Government: Past, Present, & Future (cont'd): That is the thing that God wanted human government to do - to exercise control. Government controls a lot of things but the very specific thing is GH: control their population. God isn't creating government to carry out His Business, He is creating human government to keep the human race from wiping itself out under Satan's POE before the Redeemer can come and change everything. MM says government controls a lot of aspects of our life but the control our heavenly Father is most interested in is the control over violence, He wants government to enforce the peace. If you resist the powers that be, not only are you resisting the ordinance of God, but you received damnation. If you want to be violent, you may pay the ultimate price for that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Government in the heavens: When we get these glorified bodies and get up into the heavenly places, things change for us. Because right now, that part of us that's unredeemed (the phyiscal body that has sin dwelling in its members) is where the difficulties come. But once this body is redeemed and you're totally redeemed body, soul, and spirit, once that's totally done, you understand that the issue of sin is not going to be the same for you like right now. But that doesn't mean everybody will know everything automatically so something has to be done about that. People in the body of Christ that don't know anything about this although their position is set in the body and that's never going to change, they're going to have to understand and know and learn and be taught some things. Something has to be done about this. So people in the body of Christ that don't know anything about this (GH: Sonship), they are going to have to be taught some things because that doesn't happen automatically or magically. When you trusted Jesus Christ as your Savior, He forgave all of your sin, but He didn't just do it out of the blue, there was a process that He employed in order to get that done. Remember your new identity IN Christ. In Adam, you were UNDER SIN, but He changed who you are so you are forgiven of every sin. You were unrighteous and He imputed Christ's righteousness to you. Because your were enemies of God, He came along and He gave you a permanent Atonement/at-one-ment (to be made AT ONE with Someone). He didn't just do this out of the blue, because if that's all He does, you're still in Adam and you still got a problem and your still going to be an enemy of God and your standing before Him hasn't changed and He knows that.
Commentary	Pastor Mike : Hot Topics	GH: Government in the heavens (cont'd): Instead of just thinking like well, He forgave my sin and that's what happened. He did do that but He didn't just do it, just out of the blue. He actually changed you from this to this (GH: former IN ADAM atttributes to your current IN Christ attributes) by changing your identity by putting your old man to death on the Cross and raising you to walk in newness of life. He gave you a whole new identity in Christ that is so good that no matter what you do, you are really this new creature in Christ. That's who you are. You may not act like it and you may not think like it but that's who you've been made to be. That's what the education is supposed to do, to conform us to the image of God's Son. Point: When we get into the heavenly places, there is a process whereby things are going to get done. They don't just happen magically, There's still going to be effort involved here. Things are going to have to happen. It's not just be wave a wand and things are fine and everybody knows everything. The angels are going to have to submit to the governmental authorities as well. We're taking this with us. This has got to work this way and because of this, we've got to get this straight in our mind.
Commentary	Pastor Mike : Hot Topics	GH: Re-learning how to pray and spritual muscle memory: Prayer needs to be 'muscle memory' like driving a standard transmission. MM says you have to do something a minimum of 500x before it gets built into you and you can now just do it. We say it is 'second nature'. GH: More if you have to do it a different way - moves from 500 to 3,000x. Six times as much. MM says he is not sure if the numbers are the same for our mind as our body but he knows the principle is true. Think about this with our struggles on this new way of praying. GH: MM is saying try and integrate prayer everywhere you can and the more you do the quicker it will feel natural. MM says it's no longer a list of things for Him to go do, it is talking to Him about this doctrine and how I'm putting it to work in my life and how I'm going to labor with Him in these various operations. You may already be doing this without thinking about it this way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: Re-learning how to pray and spritual muscle memory (cont'd): One day it will be natural but it is way harder to re-learn something than learning it in the first place. EX Thank God for the doctrine to endure a tornado vs. thank God for saving you from a tornado. EX Can be thankful for the things you have, even though God didn't directly do it - MM thinks that is perfectly fine. EX Can be thankful that someone helped you when you had car trouble and not believe God manipulated them to go do that. EX Clifford can be thankful his plane operated properly if he recognizes God wasn't involved in that. EX MM prays before going to GR and is thankful he has a car that he thinks is going to get him there and back. But he doesn't think God is watching over the mechanics of that engine.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment: MM says in school people used to say Jesus was standing to welcome Stephen home (Acts 7). That's sweet but not correct (Psalm 110:1?). You think He is about to make His enemies His footstool and ushering in the Lord's Day of Wrath. But instead of doing that, the Lord returns to intercept Saul of Taursus on the Damascus Road. Saul gets saved. The very people he's been persecuting, he's now one of them. He goes onto Damascus. He's blinded. He gets his sight back. He goes immediately into the synagogue and he peaches that Jesus is the Christ. Then, he goes off to Arabia where the Lord appears to him and begins to teach Paul. He begins teaching him the mystery of Christ, this doctrine that Paul was not only going to write about, but he's going to preach about and teach about. Two things were happening with Israel at the interuption of their program: 1. At the end of the extension of mercy, they have rejected all 3 opportunities to repent and change their mind about Jesus of Nazareth being the prophecized Messiah for Israel. All of those rejections have increased in aggression. First, they just kind of slapped them on the wrist. Second time, they put them in jail. Third time, they stone Stephen to death. Nutshell: It's at this point that the ungodliness of apostate Israel has come to an apex or a zenith. But there's something else happening also.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): 2. Not only are things happening with the ungodliness of Israel, that are happening with the ungodliness of the world at large. At this point, these 2 joined together to do something that made not just Israel but the world at large deserving of and worthy of the wrath of God being poured out on the whole world. They reached this zenith of ungodliness almost like it was coordinated so that together they would just come to this place. Satan is busy in his POE producing a darkness. It's a very pointed goal that he wants to get to and he is producing things that is moving the world along toward that objective. The world's ungodliness is a byproduct of Satan's POE because it is working to produce that darkness. You are going to have to realize the extent to which the corrupt POE that Satan is pushing in this world, how much has crept into the life of everyone and that's part of what you're going to realize.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): Once we realize about the timing of this DOGG, we are manifesting to Satan and his angels: - We manitest a great understanding for how God is dealing with them today. In other words, we are going to have to learn that. How is God dealing with those angels today? This will lead us into another area. Because you are going to JUDGE ANGELS (1 Corinthians 6:3) in eternity, you are going to have to know something about how angels think and this is going to be the first instruction that we are going to get in this area. The complexity is what we are entering into in Romans 13:11-14 is beyond anything we've gotten up to this point. - We are going to manifest an understanding of the genius behind God's dealing with them the way He does. You will have a tendency to look at it and go, well, if I was the Lord and I was omnipotent here's what I would do. But God has a particular way in which He is dealing with Satan and his angels. When we understand what He is doing and why He is doing it, that knowledge/intelligence is being put on display to Satan and his angels. MM says when our intelligence is being put on display, he is not talking about our degrees or our IQ. Talking about the education, that you understand why God is dealing with them the way He does and you understand why that's the exact way to do this. Before you can cooperate with God in that, you have to know what He is doing.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): MM says it is by understanding these 2 things that we CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT. Once you get the godly thinking that you understand what God is talking about when He refers to the timing of when He brought in this DOGG and because there's something you realize about that, that leads to the godly living of you CASTing OFF THE WORKS OF DARKNESS AND PUTting ON THE ARMOUR OF LIGHT. Getting these two down (GH: thinking and living), you will be able to engage in the godly labor, and that godly labor is to actually oppose Satan and his POE as it is at work in this world. It's desire is to promote the darkness that Satan wants this world to be enveloped in and you are now going to impact its ability to do that. And because of that, yes, you CAST OFF THE WORKS OF DARKNESS AND PUT ON THE ARMOUR OF LIGHT, but it is because of what you do against his POE that provokes a response from the adversary. In other words, we take the first swing and we are going to do something to Satan's ability to produce this darkness and that impacts what he's trying to being the world and there is going to be a retaliation for that. It's not we're being a son and he now gets a green light to attack us, we're stopping what he is doing and he's now going to respond to that and try to fix what it is that we're doing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): Their goal is going to be to extinguish the light of that armour that we put on. And if they can't extinguish that light, they will settle for dim that light down. Because it doesn't matter how great the darkness is, even a small light shows up in the middle of that and illumintes things. They will try and put the light out completely, that will be their goal and the only way to do that is to make you stop and throw in the towel and quit. So you understand, this is a big turning point in our education right here. God's wrath is well documented in the O.T. When Jesus comes, they thought He was going to put down His enemies and judge the world. Remember in the early part of the Book of Acts, when Jesus went through everything He did and died on the Cross. When He rose from the dead, the first thing the disciples asked Him was WILT THOU AT THIS TIME RESTORE AGAIN THE KINGDOM TO ISRAEL-Acts 1:6? They were looking for that. They were expecting the Messiah to come in and with this power overthrow Israel's enemies. Everybody knew about that and the accompanying judgment of the world. MM shows I CAME NOT TO JUDGE THE WORLD-John 12:47. Doesn't mean there is never going to be a time that God judges the world. Verse also says I CAME TO SAVE THE WORLD: He came to redeem the world. This is the part that not everybody understood. The reason it was this way was because Satan didn't understand that either.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): You have the gospel of the Kingdom preached during the Days of the Messiah before the Cross and during the 1-year extension of mercy after the Cross. There's no new information given the them, still preaching the gospel of the kingdom. So before the Cross and after the Cross they still believe the kingdom is to be at hand. AT HAND is soon coming. But there is something on the timeline that still had to happen before the kingdom could come - the tribulation still had to happen. MM asks if the kingdom is at hand, isn't the day of wrath even more at hand? The preaching of the kingdom automatically included the understanding that the day of the Lord's wrath was going to precede that kingdom. You had to know the nearer the kingdom got, the nearer that wrath got. There are 2 things happening: 1. Satan is corrupting the nation so they can't be utilized by God in His plan and purpose 2. He is also charting a course for this world to fill this world with darkness -- he is bringing both to a zenith, Israel of ungodliness and the world of darkness. And these two things will meet right there (GH: MM pointing to Acts 7ish on the board).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): MM says there have been times previously that God has judged the world: 1. The Flood - before there is an Israel 2. The Tower of Babel 3. Sodom and Gommorah MM says Satan is still promoting darkness today in the DOGG but you know the one thing God has chosen not to do is to interfere in those circumstances by the use of His supernatural power. He has chosen to deal with Satan and his angels a different way today and that's us. MM says by the time this DOGG is over, the level of deserving of wrath is going to be even more than it was back there. But instead of ushering in the day of wrath, God chose instead to make this the timing of the DOGG. And because of this, men are thinking we can do what ever we want to do and we can get away with it. All these manners of evil in the world, whatever they might be, are nothing more than part of what the power of darkness is producing in this world to bring the world at large to a zenith of ungodliness. It's not just pointed a patriotism and good moral values, it is going to be pointed specifically at grace.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): What will happen in this world eventually is that the darkness will be so pervasive that you as a son will suffer just because you're living as a son. And the impact that you're able to make on this world is going to provoke a response that is going to shut down the message of grace. **It will do one of two things:** **1. It's going to shut down the message of grace so that no one is hearing about it anymore OR** **2. It's going to shut down the response to grace so that no one is now going to say yes to the offer of grace** **This is what the darkness is designed to do. When that happens, there will be no need to continue to offer grace, the Blessed Hope will take place**. NIGHT IS FAR SPENT: GH: Times Past DAY IS AT HAND: GH: Restart of Israel's program See this is not describing the DOGG itself, it is describing the timing of when God brought the DOGG in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): From the time that Satan tempted Eve in the Garden, working through the timeline to Genesis 6, Satan sucessfully produced 'the world of the ungodly'-2 Peter 2:5 and it was so bad that God saved 8 people and destroyed everyone else in the Flood. Then He made some changes (instituted the divine institution of human government) so that would not be able to be done quite so quickly again because that was done in 10 generations. In Genesis 12, God erected this middle wall of partition and He separated Jews from Gentiles. The middle wall of partition was the Law. It's what made a distinction between Israel and the rest of the world. He is longer longer dealing with Jews and Gentiles differently anymore. But here'a part of the problem, people today would think that Israel is still under the law but they are not. If they are saved, He wants to deal with them as part of the body of Christ which is made up of both Jew and Gentile. He has broken down this middle wall of partition. Since there was a middle wall of partition (GH: with people on both sides), Satan had a two-pronged attack. One to corrupt the nation of Israel and keep them from being used by Him and the other one to bring the world to the zenith of ungodliness and produced the WORKS OF DARKNESS. He was even doing this at the Flood, trying to use angels to put that into a permanent position.
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): When Stephen is being stoned and he looks up and sees the Lord standing at the right hand of the Father, you understand that the world has reached a point, because before He was standing at the right hand of the Father the Bible says He was sitting at the right hand of the Father till it's time to make His enemies His footstool. In other words, to execute the Day of Wrath against His enemies. So when Stephen sees Him standing, that's the signal the world is ready for and deserving of that wrath that was prophecized all the way back to Enoch that is sitting all through Israel's scriptures. The prophets are full of the great and terrible Day of the Lord and the Day of His fierce wrath and the vengenance upon His enemies and to avenge His cause with Israel. They are full of that. By the time you get here (GH: late in Acts 7), the next thing on the calendar and the Lord stands to signify that time has arrived. But instead of coming back to orchestrate His Day of Wrath, the Lord secretly returns and intercepts Saul of Tarsus on the Damascus Road and begins with the conversion of Saul who is our apostle. Now, He starts in interuption (GH: of Israel's program) that pauses Israel's program and He starts the DOGG. This evil that has been going on and deserved to be judged is still there but the judgment has been postponed until the end of the DOGG. MM says he may be wrong but he believes the way this DOGG will end is by the message of grace no longer being given or received.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The World of the Ungodly and God's Judgment (cont'd): The message is either been shut down or totally rejected that would be a sign of the unbelieving world was at the pinnacle of ungodliness. MM says that this message is going to get shut down and there's going to be all kinds of means and ways that will be devised to do that and anyone that defies that will pay a price for that. There will come a time when this world no longer wants to hear about grace. MM references Romans 1 and Paul talking about Babel and the world not wanting to know God. It's going to get there again. GH: The world was ready to be judged at Acts 7, God is longsuffering and brought in the DOGG and then the DOGG is over the world will still be worthy to be judged and it will be. Point: All this does have to do with Romans 13:12, because Satan has been developing the world of the ungodly and he has been utlitizing the works of darkness that we are going to encounter. MM says that the world of the rulers of the darkness of this world is wildly successful today. When Stephen saw the Lord standing in Acts 7, we know that He did not bring in that Day of Wrath but instead He ushered in this DOGG. Back in TIME PAST, God had a program in which He was working with Israel. Satan was doing some things with Israel but at the same time, Satan has a program working with the Gentiles, he was producing THE WORLD OF THE UNGODLY through them. He will then use Gentiles as his great instruments or tools for him to use to develop THE WORLD OF UNGODLY and then he will use Gentiles to develop Israel into THE WORLD OF THE UNGODLY and eliminate Israel.
Commentary	Pastor Mike : Hot Topics	GH: Proper response to sufferings: MM says soberly that at some point, the attack of our enemy is going to be of a sufficient enough nature that if you put your eyes on the circumstances instead of what you have been taught, you are going to doubt the doctrine. You're going to say this doctrine must not have been right because it isn't working. The problem is not going to be with the doctrine, MM promises you that because our apostle Paul went through every particular kind of these sufferings that will go through and that grace was sufficient for everyone of them. It is not going to be an easy thing. There will reach a point where you just can't float through it anymore. It's going to actually have an impact and you're going to need absolute persuasion.
Commentary	Pastor Mike : Hot Topics	GH: Christian liberties in the future: MM says you haven't seen the end of them limiting Christian liberties. There's going to come a day where you will have to preach the scripted message or you will be shut down. This will never reverse itself and we will 'bring in the kingdom' because we turned the world into being such a righteous place. That is not going to be the way it happens. If you thought Satan would use the ungodliness of the world to swallow up Israel guess what he would do in the DOGG with sons and daughters who are being educated? He is going to use the world of the ungodly to swallow them up. He is not worried about the rest of it because he is not impacted by the rest of it. If you told MM as a boy that Satan wasn't worried about a guy with a world TV ministry, he would have said how can that be? Because that is not actually producing an impact in his realm. But you let a little group put on the ARMOUR OF LIGHT-Romans 13:12 and you will find what getting someone's attention is all about. Ought to SOBER-Romans 12:3 us in our thinking but shouldn't scare us out of our shoes because we are going to be equipped for this. MM laughs it's one thing to say I'm going to be MORE THAN a CONQUEROR-Romans 8:37 but to do that you have to be in the battle, right?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: God's steps to be longsuffering with evil: MM says that the Flood not only affected things on the earth, but it affected things in the heavens because what Satan did through his rebellion did not just affect the earth. It affected the created heavens as well. God will not only finally throw Satan into the lake of fire but He must also totally stamp out his plan of evil. The plan of evil does not just concern this earth, it also concerns the heavenly places. When you talk about the concentration of where Satan's angelic followers are, you are talking about controlling the heavenly places. God says, yes, I WANT to have My day of wrath, yes, they have driven Me to a limit, yes, I DO not want to look at that anymore, but I HAVE something more important that I AM going to do. I AM going to make a provision for the Mystery of Christ. Which will include delivering the Creature from THE BONDAGE OF CORRUPTION-Romans 8:21 but also includes the destruction of the Satanic plan of evil in the heavenly places and that has not been provided for by anything in Israel's program. If God would have just destroyed it all (GH: at the end of the extension of mercy) and brought in His Kingdom, Satan could have lived with that because he would still control the body of the creature for eternity. But God says I HAVE got something else I AM going to do.
Commentary	Pastor Mike : Hot Topics	GH: God's steps to be longsuffering with evil (cont'd): I AM going to provide for the destruction of Satan's plan of evil in the heavenly places and that is the part that we are bringing to the eyes of the adversary by understanding how God views this present world. Why He is enduring with much longsuffering those vessels of wrath fitted to destruction. Understanding our part as sons and daughters and knowing when this is over, not only will that provision have been made but God will bring about His day of wrath on this earth and destroy the plan of evil here as well. MM says he doesn't want to give God human frallities but He has already reached the point of saying I need to do something about this and it's only because I HAVE this other thing that must be done. MM asks if anything is resting on us or is invested in us and replies are you kidding!?!? No wonder Paul says FOR NOW IS OUR SALVATION NEARER THAN WHEN WE BELIEVED-Romans 13:11. The clock is ticking and we have got to get with the program. It's HIGH TIME-Romans 13:11. You are going to enter into a whole new operation with your Father and to do that, the godly thinking is this is how God is viewing it. MM says when he used to look at the 5 CoP, he didn't realize that God wasn't just looking at stuff to punish people, but He was looking at what must be done in order for His Plan and Purpose to be achieved.
Commentary	Pastor Mike : Hot Topics	GH: God's steps to be longsuffering with evil (cont'd): It wasn't just God being angry about sin. The barrel had already caromed over the falls. The world had come to the place where He says now I have to deal with this. This is what has to be done. God pushed all this back once at the Flood, hit the reset button, and said here we go again. It was ready to go again at the stoning of Stephen. God is now enduring with much long suffering. It'll be ready to go again when the NIGHT IS FAR SPENT, and THE DAY IS AT HAND-Romans 13:12. And MM says there is one more at the end of the Millenium, a final mop up of those who will go into the Kingdom, maybe even be born in the Kingdon, who will not have a heart for God or His Kingdom or His Righteousness and they will only obey because He rules with a rod of iron and God will purge all of that rebellious element out at the end of the Millinnial Kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	GH: The Doctrine is Progressive: See evil in Wisdom (Romans 12:9) and Justice (Romans 12:17) and Judgment (Romans 13:12). MM showing how the doctrine is building, taking us back to ABHOR THAT WHICH IS EVIL-Romans 12:9 (we ABHOR things that are detrimental to the saints). When you look at what Satan is doing to develop this NIGHT and bring the world to the pinnacle of ungodliness, God is showing you His attitude that He ABHORS what is going on and He wants to build that exact same attitude in us. We saw ABHOR and love in the context of other saints in Romans 12:9 and now GH: in the context of the world. Another example is RECOMPENSE TO NO MAN EVIL FOR EVIL-Romans 12:17. When an enemy does EVIL to us, the Lord says VENGENCE IS MINE, I WILL REPAY-Romans 12:19. MM says He is being longsuffering with that, He is putting up with that. Talking about Personal Justice, He is not saying you can't use the legal system that is put in place by human government. Then when you get to Romans 13:12, God is enlarging on evil, He is enlarging our hate love. MM says he knows this is odd to be saying. There are things God hates and He disdains and he abhors and we are going to feel the same way about those things. In Romans 13:12 we are reminded of what Satan has been doing and we're also being told that by his WORKS OF DARKNESS that ungodliness is being produced in this world and we are going to be called on to have a specific attitude toward all of that. Part of the work that gets done here is to conform us to the image of God's Son. Way to think about this - part of what puts the character of Jesus in me is me loving the things He loves and hating the things that He hates. That's part of what's conforming you to His image and renewing your mind.
Commentary	Pastor Mike : Hot Topics	Topic: MM says most preachers are motivational speakers because they don't know any other way to get their point across except in a novel way or with their oratorical skills or some bombastic, attention-grabbling way to persuade people to do something, pound the pulpit and shake their Bible (GH: because they don't know just to teach what they should be teaching).The whole point should be to just teach the people the godly thinking contained in the verse so that thinking changes them and produces the godly living, a certain conduct and behavior and once those are in place and you're ready to labor with your Father out in this thing. But if you are going to know the difference between living it every day and laboring with God, there's a difference. The difference is there is something specific that your Father wants done. You can live out of it a hundred different ways and you should but when it comes to this thing that He wants done, which we are calling an operation. There's a certain operation that He wants accomplished that when you take that skill and you labor with Him in part of His Business, you are not just living it, you are now laboring with Him. MM says this is the way to instruct people. It's not who (GH: which preacher) has the best gift of gab. When we hear sermons, usually a little later we don't recall what it was except for the verse and the illustrations that were used. Teaching the thinking, living, and labor is the way that people get changed is you get conformed to the image of God's Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary: When you get to John the Baptist, you have to understand, not just in Israel but also in the world, the LIGHT which is the TRUTH was almost completely extinguished. Israel had the scriptures and they corrupted them through the traditions of men and their corrupted doctrine and all of their vain religious system. They had made void the law. They created this VRS where the Pharisees think they are so righteous they don't need to be saved, that God's already happy enough with them. While this is happening, Gentiles are worshipping every god but the true and living God. Remember Paul on MARS' HILL-Acts 17:22. Paul declared 'the unknown God' unto them. So the Gentiles are in DARKNESS. The world is DARK and the LIGHT in Israel has been put out too. When Jesus comes early on, He has to teach His disciples because they don't know the Truth either. All they know is what the Pharisees and Saducees and lawyers and scribes have been telling them. John the Baptist is the forerunner for Jesus Christ and when He comes, He is described as THE LIGHT OF THE WORLD, because the whole world is in DARKNESS. John writes HE IS THE TRUE LIGHT THAT LIGHTETH EVERY MAN-John 1:9. What God is doing in response to Satan's increasing NIGHT of DARKNESS is He is shining this brilliant light in Israel.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Now, people are going to have to make a choice about whether they're going to choose untruth or TRUTH, DARKNESS or LIGHT. Jesus in his public ministry begins to take on Israel's VRS. This is one of the reasons why the Pharisees took such unbrage with what He was doing because He is basically correcting all of those things they got wrong for all that time and it was entrenched. That's why the nation was DARK. They were so entrenched in it they hever gave it a second thought. Before John the Baptist shows up on the scene, they had just come out of 400 years of silence from God and they had put together that Babylonian Talmud. They get all these extra books that are supposedly books that belong in your Bible over there like Maccabees and the Shepherd of Hermes and Bell & the Dragon and Tobit and the epistle of Barnabas. They are all created during that time when God said you are not going to get any prophets from Me, you are not going to get any scripture from Me, there's not anybody that is going to get a vision, not anybody that is going to get anything from Me. So they invent their own. By the time John the Baptist shows up, they have developed what James called their VRS, what they have formulated with their own traditions and their own ideas and their own throughts of how they did it. The Pharisees believed with all of their heart they were righteous. They did everything that they were supposed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): The brag was 'I even tithe of the mint in my garden'. They were the sticklers about keeping the law. They believed that they were doing the things of righteousness as prescribed by the law, that's what they thought they were doing. MM says that is what we have today. We have people crossing every t and dotting every i and they are doing every good thing they can think of and they're behaving themselves a certain way because they believe that's what it's going to take and they missed it. They missed it. This is as much of the counterfeit as Israel's VRS was the counterfeit. This is the counterfeit for the DOGG. MM says it makes perfect sense that Satan would develop a system of untruths that saved people would live out of today. He is continuing the NIGHT. MM realizes when he used to teach praying for travel mercies/protections, he was contributing to the DARKNESS of this world. He was cooperating with Satan's NIGHT. You can do this and not mean to do this. Satan is promoting the DARKNESS of untruth and God is promoting the LIGHT of TRUTH. To conduct yourself in accordance with Satan's DARKNESS, MM believes is damaging to the TRUTH. Because everytime someone hears a preacher get up and say 'pray for rain', it's the repetition of untruth that starts getting seeded in people's minds that makes them think GH: this is truth when it is not.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): If someone comes along with the LIGHT, they immediately get looked at the way Jesus got looked at by the Pharisees and Saducees who thought they were righteous but were actually promoting the DARKNESS in this world. When you come along and say, 'you can pray for God to take away your pneumonia but He is not going to do it', that will lose your job in most churches. 'God's not going to send rain', that will cost you. MM says (GH: unfortunately) people love DARKNESS rather than LIGHT. People love DARKNESS or untruth because: - it usually gives them what they want. - it makes them feel good (group) - no accountability (group) During Jesus' earthly ministry, He is looking at a condition of the world where the LIGHT was almost completely extinguished. MM says imagine being a member of the believing remnant in Daniel's 70th week and your family says, when the Temple is rebuilt, we are going to be participating in the sacrifices. No more wailing wall, now we are going to have that Temple.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): If you are a member of the believing remnant, can you imagine the kind of pressure that will be on you to go back and participate in that. Some will. 'Well, you don't want your family to disown you'. Even if you paid that price can you see the way you would justify this? 'Well, you know, I know these sacrifices don't really do anything, it's just the blood of bulls and goats and I know the Messiah has already come. If I go in there, what harm does it really do'. MM says you understand that you are cooperating with the POWER OF DARKNESS and you are contributing to the DARKNESS of his NIGHT. This matters because there are 2 things at work here: - God and Satan - Truth and untruth - LIGHT and DARKNESS - The word and the vain traditions of men - The believing remnant and the apostate nation (IP) - Sons and Daugthers and children of God (DOGG)
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says he is not saying everyone is doing it in purpose but when you contribute to DARKNESS, you have still contributed to DARKNESS. When you propagated the untruth, you still propagated the untruth. As the LIGHT began to wane in the world, Satan is going to fill that void with his DARKNESS. The DAY was the time right after the Flood. A time when the LIGHT is the predominant thing. Goes back to a time when Satan brought the NIGHT-Romans 13:12 into existence. At this time there is LIGHT, that's what you have in the DAY. But at some point, this DAY transitions into a NIGHT. Not the Lord's Day of Wrath, DAY from the standpoint of there is LIGHT or Truth. There's a particular Truth that people know. First, they all knew who God was. Second, they all knew things about God. They didn't just believe there was a God, they did. But they knew who the true God was. MM says this shouldn't be a shock. Eight people got off the boat and they definitely knew who God was. As the 3 sons move out and they began to multiply in the world, there's a period of time where people knew God. Satan has to reverse this and it starts off slow. When it starts off, it almost seems insignificant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Like getting his foot in the door. The implication is it is not going to stop until they get in. Or camel just wants his nose in the tent. But the camel is not going to stop until the camel is all the way in. He uses man's sinful condition to get his foot in the door. Satan is getting his foot in the door. But he doesn't just want to put his foot in the door, he wants to create a full blown NIGHT of DARKNESS that will bring the world to a crisis point. Period of time where Truth outweighted the untruth and the LIGHT was the predominant thing that reigned in the world. Men respond positively or men respond negatively but they all know about God. But as Satan began to promote his WORKS OF DARKNESS-Romans 13:12, men began to be affected by those WORKS OF DARKNESS. Satan is trying to move the world from LIGHT being the predominant condition of the world to NIGHT being the predominant condition of the world. MM says DARKNESS is the prevailing condition of the world and has been a long time. - During that time, God's LIGHT prevails.Why we are referring to it as a DAY. - Romans 1:21-Men knew God - When does the DAY start? Have to get through the Flood (Genesis 9). MM says Genesis 9-Genesis 17. This is a time when LIGHT reigns in the world of men. Truth - they understand who God is and they understand some things about God.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says at a point back after the Flood, DAY/LIGHT prevailed. Then it turned to NIGHT (Genesis 17?). God turned on a LIGHT (GH: nation of Israel), then DARKNESS still prevailed and kept increasing. They crucified their Messiah. The Spirit came and in a sense, God turns on another LIGHT. They stone Stephen and reject that third offer and the ungodliness of the world has reached a crisis point. You move into the DOGG and God is turning on a LIGHT with Gentiles. You are sons and daughters are not just taught to be the sons/daughters, you are not just taught to be the LIGHT of the world and WALK AS CHILDREN OF LIGHT-Ephesians 5:8. You are LIGHT, you have been made to be something. The Truth that you hold now looks very unassuming. That is the LIGHT in your life that is going to come under attack. The Truth that we hold is the Truth that is going to come under attack. The very fortress of what we believe is going to get questioned. MM says this is why we spent so much time in Sonship Establishment so that you would be fully persuaded that nothing's been left out, nothing's been overlooked.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): And this Book can do in you exactly what you need to have done. These are the things that are about to come under attack (GH: MM teaching Romans 13:12) and they're not going to come under attack for no reason, they're going to come under attack becaue everything that we understand about who we are, living right now in this DOGG, and what we are being called to do. If we do it, it's going to elicit a response from the adversary that is going to attack the very core of what we hold to be true, to get you to question if it's true, and then to get you to abandon it. If you do, he will have extinguished part of that LIGHT. That's really what he's after, it to plunge this world into abject DARKNESS. Satan is not omni-present so he has to work with a set of angels called THE RULERS OF THE DARKNESS OF THIS WORLD-Ephesians 6:12. They are assigned to propagating the DARKNESS and extinguishing the LIGHT. That's actually going to be their job. Satan, having failed at the Cross, where he thought he was extinguishing that LIGHT, what he wants to do here (GH: during the rest of the NIGHT post-DOGG) is his only and best chance he has on holding onto the possession of the earth. Everything is riding on that. He is doing a really good job but if we impact his ability to do that by CASTING OFF THE WORKS OF DARKNESS GH: we can slow this down.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Pre-DOGG, it was already at a zenith of ungodliness and now he is going to do something that will help him retain possession of the earth so he doesn't lose it, but God calls time-out and brings in the DOGG. Something is resting on our ability to CAST OFF THE WORKS OF DARKNESS. Everything he has done to develop the NIGHT and increase in DARKNESS is to bring it to this place to accomplish something over here (GH: in the remainder of the NIGHT post-DOGG) and everything has been on purpose. Satan is not willy nilly running around doing a bunch of bad stuff and see if it can mess God up. This thing has purpose behind it, this thing has an agenda and it is all moving in a very specific direction. When he got to Acts 7, he was about to shoot the winning shot and God stops the game and it has been stopped for 2,000 years. And during this time, there are sons and daughters who are supposed to GH: CAST OFF THE WORKS OF DARKNESS. MM says don't take this as a T&G session, he is looking at the hope of the DOGG. MM basically saying there aren't alot of other churches out there that will do this and that God is counting on us. You are the people through the effectual working of His word, have what it takes to impact what Satan is trying to keep rolling so that when this is over and the remainder of his NIGHT comes back on the scene, he is not going to be in a position to do what he wants to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): We could throw our hands up and say we aren't worried about the earth, we're worried about the heavenly places. But all things in heaven and all things in the earth are going to be brought together into one in the dispensation of the fullness of times and that is when the creature begins to fully function. It's like joining your physical body with your soul and spirit, so we have to care about it. This sense of outrage and urgency and desparateness over the success of the adversary. In the old days, we thought he was mad at us because we are saved. MM says are you kidding? Saved people are some of best promoters of his untruth. They put it on their billboards. He sees it going to GR - 'Pray for rain'. You can say it is not a big deal but MM says they are promoting the DARKNESS of the adversary. They are not CASTing OFF THE WORKS OF DARKNESS, they are aiding THE WORKS OF DARKNESS. This has to be more than academia, this have to be living IN us. MM says he is counting on the people in this room to do this. We are going to have to be motivated from within by what the doctrine does IN us, not from anything else. If we see the NIGHT the way it really is and see what all this is leading toward, if we really understood the agenda, we'd look at the danger of that situation and realize something has to be done. There's things riding on this. MM says we were born into this world when it was NIGHT. We have never known a world where LIGHT outweighed DARKNESS. We came into the world in the DOGG long after the NIGHT has reached a blackness that made the world worthy of destruction. We've never known what it's like to live in a DAY world. One day that is going to come to pass.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): We don't just THINK oh, THE NIGHT IS FAR SPENT, but everything that is involved in that (GH: MM referring to all the WoD teaching). This is the same thinking that our heavenly Father has. Both Israel and the world had come to a zenith of ungodliness and Satan had established his NIGHT and he had re-developed THE WORLD OF THE UNGODLY-2 Peter 2:5. It was ripe for judgment and God is now enduring with MUCH LONGSUFFERING THOSE VESSELS OF WRATH FITTED TO DESTRUCTION-Romans 9:22. We realize that NIGHT is not completely spent, it's FAR SPENT. All of these things are involved and constitute godly thinking that is supposed to be IN us. MM's fear is intellectually, we look at the data in this and say, yeah, OK, I get all these things. What he doesn't think is happening is that thing is working IN us the way it's supposed to be because if this phrase was really working and really happening with us, we would be looking and feeling and reacting toward that phrase like we did the 'firebomb this building if you don't stop' note on the church door.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): If it was really working in us, it would have produced anger, fear, and outrage that demanded that we do something on the same level as if we found that note. That's not happening. All this is data and information and it has to be more than that. MM says we are missing it in one of three areas-either: 1. MM is not doing a good enough job teaching it to you OR 2. There's a piece of information that's still missing that hasn't turned that corner for us OR 3. We're just looking at it here and we're going home and not really looking at what that thing is saying and thinking about it and contemplating it, and putting it into our prayer life and making it to separate our conversation. Knowing you are in the midst of the NIGHT ought to scare you as badly as the 'firebomb' note and that ought to make you angry as the 'firebomb' note.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Someone said 'call the police' because you want to do something and that phrase ought to stir you with outrage and abhorrence and anger that you say something has to be done and that's not where we are. If we expect just getting the data of it is all it is we have missed it. This can't be that way, it won't work. It's not going from your head to your heart. MM is not saying he is the only one walking around with this sense of urgency. He has come to the same place about himself. He is only telling us because he thinks that it is true for all of us. He is not saying you don't care. You should look at this verse the same way if you had a note put on your car saying 'your church will be firebombed if you don't stop'. You would instantly think some thing has got to be done and that something is to CAST OFF THE WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT and WALK HONESTLY, AS IN THE DAY. This is the way we know this verse is working in us. MM commits to do his best to fix his end of it to make sure there's nothing lacking. **Sonship works but it won't work unless we work it**. What this is can't be fortune cookie where we read it and move on.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): It's got to elicit the emotional response that the group described. The more you get that, the more that emotional response. It does make you angry and it does make you fearful and that's what motivates you to go do something. MM says if that is not what's motivating us, we are not going to do it for very long. This produces an attitude of such abhorrence, of such objection, of such hatred, of such offensiveness, that we feel compellted to do something about it and this is where this verse has got to go for us. Not supposed to just make you angry, but get you motivated to start replacing the DARKNESS of the untruth with the LIGHT of the Truth. When God started His climactic stage with Israel, Satan started his climactic stage of Satan's NIGHT at the same time. This was not coincidential. What Satan has been producing in his NIGHT is no on the verge of coming to a climax. It is not wrong to think that when Satan's plan reached the point where it is now at its climactic stage, God interupted His silence and started His climactic stage in response to what Satan was doing in the world. MM thinks he (GH: incorrectly) taught it the other way, that God brought His in first.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): When Satan's plan had reached a climax, God brings in His Son, THE LIGHT OF THE WORLD, and He turns on the LIGHT again. They crucified their Messiah, there was the 1-year extension of mercy, and both Israel and the world had come to a place where their ungodliness had reached a zenith, and they were VESSELS OF WRATH FITTED TO DESTRUCTION. It's at this point Satan is about to do something that will ensure that he can hang on the earth and God whistles time-out on the Israel program and brings in this DOGG. The climactic stage of Satan's program did not get interupted, God can stop working with Israel and start working with Gentiles, Satan is still working with Gentiles, he's been working with them all along. In his climactic stage during this DOGG, he has to keep that engine revved. Satan doesn't know the day when the DOGG will end so he's got to keep this thing rolling. God put out a LIGHT in His Son, Satan thought he was putting out the LIGHT but Jesus was functioning as the Redeemer so the very thing he thought was going to help his cause actually sunk his cause. It was an attempt to hang onto the earth. He didn't even think the heavens were at risk but now he realizes the heavens are gone. So now he has one last attempt to hang onto the earth and Satan has this climactic stage and when this DOGG is over, his climactic stage is going to come to this crisis point and he will either be successful or he will not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): This is a huge issue and the only people who are going to be able to stand in the way of that are sons and daughters who are educated to impact his policies of evil to CAST OFF THE WORKS OF DARKNESS, who PUT ON that ARMOUR OF LIGHT. God interupted this thing (GH: Israel's program -> DOGG) for a very critical reason. There is something hanging in the balance here. There is something at stake here. There is something to be lost here and so if we're going to let those WORKS OF DARKNESS continue unimpeed in this DOGG, we are giving Satan his best chance to hang onto the earth. We like to think of it in terms of, well that's not going to happen. But understand that some things are our responsibility. You want to impact what Satan is doing in the world, you really want to do that. This is how you do it. You don't do it by having a big TV ministry and telling everybody they're OK. You have to really stand in his way and here's how desparate Satan is. By opposing those WORKS OF DARKNESS, he is willing to attack us personally and corporately for that and we we progressed through the education and we're able to impact even more of what he is doing, he will eventually get to the place of SWORD-Romans 8:35 (GH: killing you) where he is willing to do just want he did with Paul.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): To take the life of an educated son to get his impact to stop. All that Satan has (GH: or has left?) is riding on what's out in the rest of the NIGHT and we're stopping that, he is not going to stand for it. That's what's at stake here for him or he's going to lose it all. MM is concerned about the group moving on and not being ready for this. All 3 things - CASTing OFF THE WORKS OF DARKNESS, PUTting ON THE ARMOUR OF LIGHT, and WALKing HONESTLY - is all predicated on the godly thinking that comes out of the NIGHT IS FAR SPENT, THE DAY IS AT HAND. If it comes from anywhere else than that didn't get generated by what is sitting in v12.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Recap: Back before Adam and things are created, Satan is up in the third heaven and he decides to be like the Most High. He wants to be possessor of heaven and earth. So in his objective to be the possessor of heaven and earth, he becomes that through the fall of Adam. Jesus refers to him as THE PRINCE OF THIS WORLD-John 14:30. He has to not only get ahold of it, he has to strengthen his grip on it so that he can retain it because God will naturally take steps to repossess the earth back to Himself. Because of that, to hold on the earth, Satan has to produce THE WORLD OF THE UNGODLY-2 Peter 2:5 (GH: think Cain to the Flood). He did that after the Fall of Adam in the garden and that activities that Satan engaged in in the world. He does succeed in 10 generations to bring the world into being THE WORLD OF THE UNGODLY. Recorded in Genesis 3-6. That OLD WORLD-2 Peter 2:5 as Peter called it, was destroyed in God's judgment of the Flood and there are only 8 people left. God, for all intents and purposes, hits the reset button and things start over again. In the days following the Flood, we a DAY condition on this earth that the earth was in which men knew God (GH: See 'GH: WoD Teaching'). They not only knew the True and the living God but they knew some things about God and they understood what God liked and what He didn't like and things about His Character.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): As soon as that happens, Satan knows that again, he has to being RE-DEVELOPING THE WORLD OF THE UNGODLY. He is bringing the world back to being THE WORLD OF THE UNGODLY, but something has changed. God made signficant changes at the Flood between the way things were before the Flood and the way things were after the Flood and Satan's strategy changes in accordance with that. He is now using as his main tools something very different to accomplish this WORLD OF THE UNGODLY than he did before the Flood. Now, Satan is using as his primary means of producing THE WORLD OF THE UNGODLY is the propagation of untruth. This is not to say that before the Flood, Satan didn't have untruths and lies. Those were there but that was not the main tool that he used prior to the Flood. And because of the changes that happened at the Flood, his strategy had to change in accordance with that. In the time after the Flood or as Peter wrote in THE HEAVENS AND EARTH, WHICH ARE NOW-2 Peter 3:7, Satan is using these untruths that he has manufactured and what he wants to do is replace the Truth with his untruths. We know from things that we've seen that those untruths are the DARKNESS that Satan is promoting in this world and that means the Truth is also the LIGHT. So you have the DARKNESS of Satan's untruth and the LIGHT of God's Truth. Those untruths that are called DARKNESS are meant to produce something and Satan is working very hard to do that.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): How Satan changed the post-Flood world. how he brought about a condition that he needed to have happen very badly. From Genesis 9 to Genesis 17 was the time the world was in a condition of DAY. The world was in that DAY status, they were conscious of the True and living God and they knew about things of God and about God and men operated that way. But as men began to multiply from just Noah and his family who come off the ark, and then the generations that follow them, men still know about God. Nimrod knows about God. Melchizedek, the king of Salem, knows about God. So while much of the world does, here's what happens. Satan begins to introduce his untruths in a variety of ways. One of those ways that was observed was through the alternative thinking. In other words, to look at things a little differently than the way God looks at them. That alternative thinking was their VAIN (IN THEIR) IMAGINATIONS-Romans 1:21. One of the first things Satan begins to attack with his untruth is the truth of God Consciousness (who is the True and Living God) and he works in 2 particular way to reverse the understanding of who is the True and Living God. 1. Presents untruths that causes men to no longer glorify God as God-Romans 1:21 2. They became unthankful to God-Romans 1:21

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says these 2 things may not sound like much but what's in there is a lot. For example, when he talks about them not glorifying God as God, that led to making idols of four-footed beasts and creeping things and birds until the worshipped the creature more than the Creator. This means they lost the LIGHT of God Consciousness. They no longer could identify the True and the Living God. As the memory of God began to fade from the earth, this alternative thinking about God and what really was God began to increase and that is an increase in Satan's DARKNESS. So he works with the natural sinfulness of men to accelerate his DARKNESS. DARKNESS is the untruths. Yes, it's a lie but not just a lie, but Satan is producing something, not to just lie about the Truth, he is producing something to replace the Truth so that the LIGHT of the Truth is no longer understood by men and that first LIGHT is the LIGHT of God Consciousness. When Satan's untruths became more predominant (when they served the creature more than the Creator), Satan has succeeded in bringing into existence a condition called NIGHT. It happened in Genesis 17, when the scales shifted and untruth became more known than Truth. In the general understanding in the hearts and the minds of men, there was a shift in which it was no longer a DAY (a period of time when LIGHT reigns).
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says **LIGHT is the Truth and DARKNESS is untruth** so that is why the Bible uses those particular terms. When the LIGHT begins to fade and the DARKNESS of untruth begins to rise, when those things begin to happen that Satan brings a condition of NIGHT into the world, what he really wants to do is he wants the DARKNESS of the NIGHT to increase. Just because his untruths hold sway, doesn't mean they're the only thing out there. There's still some LIGHT of Truth he wants to exterminate that LIGHT and extinguish that LIGHT so there is nothing but his untruths. So after this DAY period, he brought the NIGHT into existence. Because it is now NIGHT, Satan can now begin to function in earnest as THE POWER OF DARKNESS-Luke 22:53. It is by that power that he does something. This is the point where he brings in a COVERING-Isaiah 25:7. If you are under that COVERING, you don't see what is happening on the other side. This COVERING was especially for the Gentiles because God's Purpose in calling out Abraham and making an unconditional covenant with him to make of them a great nation and to be the people through whom God would repossess the earth back from the adversary to Himself. Then, Satan is making a plan whereby if hos policies of evil fail against Israel, the COVERING will make it all the more difficult for the Gentiles to see that LIGHT and be impacted by it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): At the same time, that COVERING can also be applied to the nation of Israel and he is hoping it has the same affect on them. But if it doesn't, and God's LIGHT of the Truth gets established in Israel, then he has a foothold with the Gentiles and that covering has 3 aspects to it. 1. It is designed to keep people in DARKNESS or untruth. That is now more predominant and has brought the world into a NIGHT situation. There was a time that Satan's NIGHT came into existence by the preponderance of untruth over truth in the hearts and lives of men and now he brings that covering in to keep people in DARKNESS. 2. It is meant to obstruct the LIGHT of Truth. It's supposed to make it so that someone can be faced with the LIGHT of Truth and not see it. 3. It is meant to intensify this increasing DARKNESS, to intensify the DARKNESS of his untruth, to make it more cemented in and to replace what Truths are still there and still believed, those are going to go away. MM says look at things that are happening in our country and in our world, 50 years ago, people said they would never ever happen, have long since happened. This is exactly the methodology that Satan is using with his untruths.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Those last Truths, that refuse to be overthrown, people thought we will always believe this and that turned out to be not the case. Those Truths began to be overthrown. That's why it's an increasing DARKNESS. The more of those last Truths begin to get overthrown, the more the DARKNESS of Satan's NIGHT begins to increase and that's what the COVERING was designed to do. Satan is moving constantly to do that and in order to fuel this he has put into place certain WORKS OF DARKNESS that are certain deeds that get performed that are specifically designed to fuel and promote and increase the DARKNESS of his untruth in the world. COVERING is meant to have the Gentiles remain in that FAR OFF condition. Now let's talk about Satan's strategy with the nation of Israel. The COVERING was meant to impact everybody, including Israel, but it was especially designed for the Gentiles. What he wants to do with Israel is to make sure that they do not come to those 2 issues sitting back there in the prophets. They were originally told that they were supposed to be in there influencing the world. Jesus talks about that in Matthew 5 (THE LIGHT OF THE WORLD-v14 and THE SALT OF THE EARTH-v13) and about these 2 issues. Jesus said set the LIGHT on a hill so it gives LIGHT to everyone.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): They had the True and Living God and that LIGHT of the True and Living God was supposed to be shown to all the nations of the world and they didn't know that. Paul goes to Mars' Hill and he sees an idol to every god imaginable but the True and Living God-Acts 17:22. He says that is the One I want to talk to you about. Because the Gentiles are in DARKNESS and if you are in DARKNESS you can't see the Truth about spiritual DARKNESS. Before Jesus begins His public ministry, that nation, their LIGHT has gone out and their SALT has lost its savor. They were in a condition where Satan had been very successful with them. As those CoP begin to unfold, by the time you get to the 5th CoP, in that first part/installment, Israel is carried away captive out of the land to Babylon. When that is done, not only is Israel cast out of the land but they gave Satan the legal right to do some things that up to that point he was not able to do. 1. he was actually able to enter into that land 2. he was able to set up his base of operations in that land
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): 3. Israel became Satan's lawful captives-Isaiah 49:24 4. Satan brought his secondary COVERING into affect (first covering took place right after the NIGHT was established) and now in the 5th CoP/1st Installment and Israel is out of the land, Satan can now come into that land and after doing the first 3 things, now Satan sets up his VAIL-Isaiah 25:7. Like that VAIL of the Temple between the Holy Place and the Holy of Holies. It was a thick, tightly woven, dense curtain that was able to keep anybody from seeing what was going on in the inside of the Holy of Holies. So on top of the COVERING, Satan now puts in this VAIL. If you put another covering over an existing covering, you have now intensifed the density and the thickness of the DARKNESS that they are under and that's what Satan was going there. So both the COVERING and the VAIL are in place when John the Baptist shows up, still in place at the Resurrection of the Lord, and still in place today in this DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): VAIL purposes: 1. The VAIL serves to thicken and intensify Satan's NIGHT. The NIGHT of course is the condition of the prevailing of untruth over Truth. 2. The VAIL increases Satan's ability to keep men from seeing the LIGHT. What the COVERING was made to do, the VAIL intensifies that. 3. The VAIL increases Satan's ability to keep men in DARKNESS. 4. The VAIL darkens Satan's NIGHT toward a particular goal that he wants to reach in the remainder of the NIGHT post-DOGG. MM says Satan's finest hour, his most despicable act happens during the remainder of the NIGHT. These actions are not willy-nilly, this is a planned, orchestrated agenda that Satan has been working toward out here. MM says Satan wanted to do this before, but he had not yet earned the right to do that. Satan has to play by the rules. Because this whole thing is about proving who is the rightful possessor of heaven and earth. Who really deserves to be the possessor of heaven and earth. Satan wants to be like the MOST HIGH, the possessor of heaven and earth. Even though God is the rightful possessor of heaven and earth, God has said I AM not just going to use my omnipotent power to cancel out Satan, I AM going to PROVE that I AM the rightful, only deserving possessor of heaven and earth.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): If He wasn't going to establish the rules of engagement, God could have just consigned Satan to the lake of fire. People always wonder why God doesn't do that, but that would prove Satan's point. The accusation is the only reason God is the possessor of heaven and earth is because you are the big Kid on the block and can beat the rest of us up, it's not that You are right or people want You, You can make everybody because You have omnipotent power. So God says we are going to establish some rules of engagement whereby I AM NOT allowed to immediately consign you to the lack of fire but we'll let this play out so the whole creation will acknowledge who is the rightful possessor of heaven and earth. Satan's VAIL on top of the COVERING, is increasing all 3 things that the COVERING did but in addition to that, his VAIL is enhancing Satan's NIGHT toward the goal that is sitting out there in the remaining portion of this NIGHT and that has been his goal from the beginning. Because if he can do that, he will indeed have his finest hour. He had to do something before he could bring in his COVERING, that NIGHT had to come into existence. Then he could bring in his covering. He had to have Israel as his LAWFUL CAPTIVES-Isaiah 49:24 before he could bring in that VAIL.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): He is trying to earn the right to do something out in the remainder of the NIGHT that he has been wanting to do from the very beginning, that God has been working to keep him from accomplishing by putting obstacles and hurdles and pitfalls in his way. Both the world and Israel had reached a zenith of ungodliness before the DOGG. When their prophecized Messiah showed up, they crucified Him. Not to say there weren't individuals that believe in Him but the nation as a whole and the religious leadership of the nation rejected Him. When things got to Acts 7, Satan had crossed the final hurdle to do what he wanted to do. But God also had the right to before Satan could do that, bring in this DOGG and He did. And that's the timing issue (GH: Romans 13:12a). That before Satan could have his finest hour. God put that program on hold, brought in this DOGG and there's a reason for doing it where He did. That's the timing issue. Both the COVERING and the VAIL will be destroyed at that Kingdom, but during the first 3 installments of the 5th CoP, Satan is cementing or setting in stone the DARKNESS of his NIGHT. He has extinguished the LIGHT of the Gentile world so that the Gentiles are worshipping every god but the True and Living God. And in Israel, he has all but extinguished in the nation. In those first 3 installments of the 5th CoP, Satan's VAIL became firmly fixed on the nations of the world.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): By this time, there is nothing the nations of the world can do to keep that VAIL from having an affect on them and once it comes on them, there's nothing they can do to undo it. They're under it and they're not going to be able to avoid it and they're not going to be able to cast it off. By the time we get to John the Baptist and that silence gets broken, Satan has cemented his VAIL on the nations of the world. Satan's strategy in the climactic stage of Israel's program: This begins with John the Baptist. As Israel enters the climatic stage of her program, Satan also enters the climactic stage if his program and he has to do two things in the climactic stage of his program: 1. he has to deal with Israel's Messiah who was now functioning as the LIGHT OF THE WORLD. He's going to have to deal with Jesus Christ. 2. he is going to have to bring the effects of his VAIL and put them on the nation of Israel to extinguish two things: the Light and the light. Jesus who is functioning as THE LIGHT OF THE WORLD. There is Truth that is being spoken by Him and it is the LIGHT that lighteth every man-John 1:9. The capital L LIGHT is talking about the Lord Himself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): **The light is the information that God is saying is the Truth**. Satan has to deal with both of these issues in that climactic stage. As a result of that second issue, Israel is going to join hands with the Gentiles (GH: read about it in Psalm 2) and take counsel together against the Lord, and against His Christ-Psalm 2:2, Acts 4:26, saying LET US BREAK THEIR BANDS ASUNDER AND CAST THEIR CORDS FROM US-Psalm 2:3, basically saying we don't want anything to do with the LORD (God the Father) and we don't want anything to do with His Christ. MM says if you don't think the world was not interested in Jesus Christ, go back and read about the Chinese dynasties and see how the True and Living God fits into that picture. They are steeped in the DARKNESS of this world. The little l light is the LIGHT of what God is, the True and Living God. That's the basic fundamental question. MM says if you don't have light consciousness, you can't be saved. So here's what's happening (GH: at the start of the climactic stage), the world has completely gone over to DARKNESS, that VAIL and COVERING are having their effect. When Jesus shows up, now what Satan wants to do in response to Jesus shining a LIGHT in the DARKNESS of the nation is he wants to take the effects of his VAIL and bring it onto the nation itself so that nation does exactly what he wants.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): He wants them to join with the world and confederate with the world against God and His Christ. MM says that is more important than you might think. Things that happen are like component parts, there is a condition and order to them. There's a rejection that takes place at the begining of the climactic stage and His Son comes on the scene and they crucify Him. Then there's that extension of mercey that follows where God gives them 3 honest opportunities to change their mind abou the historical Jesus of Nazareth being the prophecized Christ, their Messiah. They reject all 3 of those opportunities and become more violent with each one until at the last one, when Stephen stands up and gives them that message and they kill him. Satan needs to be able to say, 'the people don't want you, God'. By the time they got to the end of the 3rd installment of the 5th CoP, the nation and the nations had rejected God the Father. And He sends His Son into the world to be THE LIGHT OF THE WORLD but He came on His own and His own received Him not. They crucified Him and rejected the Son. In Acts 2 following the Cross, you had the administration of the third person of the Godhead, the Spirit. And they reject all 3 of those opportunities so in Acts 1-7, the ministry of the Spirit is rejected.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): The world has now served notice - we don't want God the Father, we don't want God the Son, we don't want God the Spirit. When it got to that point right there with the third rejection, Satan had earned the right to do that thing in his NIGHT he has been planning on since the beginning. But before he could do that, God said 'time out'. Because this is all in Israel's program God said we are going to suspend that thing. I AM going to bring in this DOGG. And the WORKS OF DARKNESS that had been feeding this NIGHT that Satan has been producing, we are going to CAST OFF THOSE WORKS OF DARKNESS and impact what he wants to do when he gets out there in the remaining portion of his NIGHT. And he can't stand for that. Because of where things where when they entered that/Satan's climactic stage, Satan was under the impression and rightfully so that things were pretty much going his way. That the world and the condition of the nation of Israel were in such a state that by the time that John the Baptist showed up that he was really having his way in the world and having his way in the nation. In spite of his failure at the Cross and the Resurrection of the Lord, he did not view that as a final deadly blow.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): He did view that as a setback but that was not something that would keep him from getting to what he wanted to accomplish. So in spite of that setback, he still saw a viable way to bring his NIGHT to a conclusion, to getting done in that NIGHT what he wanted to get done. Just because Jesus did function as the Redeemer on the Cross and did rise from the dead the third day, he still did not view his plan as impossible to achieve. MM says he brings this up because a lot of times people say, well, look once Jesus died on the Cross, Satan knows its over. Why didn't he just give up then? MM says because that did not impact what he wanted to do. Yes, it didn't work out like he thought it was. He thought he was putting out the LIGHT by killing Jesus. Then, he realized after the fact that Jesus was functioning as the Redeemer. Well that wasn't what he wanted but he can still bring about what he wants to bring about. Only knowing about the things we have looked at and are about to see (GH: search 'GH: WoD Teaching' in the Bible Margin) can we fully appreciate the genius of God's timing.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): When He suspended His program with Israel and brought in this DOGG, not only did He do that at the very moment the extension of mercy was over, but He also did that when Satan's NIGHT had accomplished everything that it needed to accomplish to give him the legal right to do this last dastardly deed so to speak, which would position him to holding onto his possession of the earth, the thing that he has been working toward all along. Satan had all these hoops to jump through and things that had to be done. MM compares them to rules of engagement or playing by the rules. He had finally achieved everything he needed to achieve in order ot bring that to pass. So it is significant that God interuptted that program when He did, when the NIGHT was FAR SPENT and not completely spent. MM says this is all part of godly thinking that is contained in the first phrase of Romans 13:12. Those WORKS OF DARKNESS are the very life blood of Satan's NIGHT and he needs to keep those WORKS OF DARKNESS going on during this DOGG. They were going on back here (GH: TIMES PAST) and they continue to go on today. From the start of the DOGG till today, the WORKS OF DARKNESS have unceasingly worked to fuel Satan's NIGHT and he has done that successfully.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): By suspending His program with Israel, God also suspended what Satan had finally earned the right to do, but could only do in God's program with Israel so He didn't suspend the NIGHT condition that the world was in but He did suspend the culminating act that would take place in Satan's NIGHT. In view of this, we are going to be looking at Satan's WORKS OF DARKNESS in a very particular way will motivate us to CAST those WORKS OF DARKNESS off. When Jesus comes into the world, He is not just coming to fulfill the mandates of the Davidic covenant - Redeemer, Deliverer, Avenger, King, Blesser - but more than that, He is coming into the world to present Himself to Israel. More than that, He is coming into the world with the basic issue of who He is. He is God in the flesh and John is going to write about Him just that way. Now, will go over to John's gospel to see about the thickness of this VAIL and the COVERING concept that Satan had put into place during the public ministry of Jesus Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): See how successful Satan's NIGHT had become. It had done everything that he wanted it to do. Even though that NIGHT is increasing in DARKNESS, even though that LIGHT of God Consciousness is shining about who Jesus is and that DARKNESS comprehended it not-John 1:5, it did not mean no one responded to that because we know better. Some people saw the LIGHT of the Truth of Jesus being who He said He was but the nation at large did not and the religious leaders did not. But a few individuals did so MM is not saying it was impossible for anyone to see but it was very difficult. The DARKNESS can be so thick that even people standing near the LIGHT don't even know a LIGHT is shining.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): In the climactic stage, Satan is dispeling the little L LIGHT (GH: Truth) with his DARKNESS (GH: untruth). He is also dealing with the capital L LIGHT. The temptations are trying to get Him on his side and when those fail, to turn the nation against Him, and the crucify Him. MM says this is basically the people saying 'we don't want God', this is what Satan is after. He has to get the world at large and the nation to say, 'we don't want God'. They rejected the Father at Sinai, the Son at the Cross, the Spirit in the three opportunties to change their mind with the stoning of Stephen. So now you have the total rejection of the Godhead whereby Satan has now met all those requirements and obligations that he needs to bring in this last portion of his NIGHT. Because of Satan's success in the extension of mercy, he has now earned the right to bring his christ on the scene and with that will be what MM calls Satan's finest hour. This is going to be his descpicable deed in our eyes and in his eyes his finest hour. This has been the issue he has been working toward all along.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Because if he can bring that into being, he has the opportunity to do something that will allow him to retain his usurped possession of this earth and he has some dry runs or rehearsals and one is sitting in Ezekiel 28, where he took a man on this earth and he primed him as this dress rehearsal for what is going to happen out there in the remaining portion of his NIGHT. So when you read Romans 13:12, you are supposed to understand that when the NIGHT got to the end of the extension of mercy, it was in a FAR SPENT condition, which means there is a little bit left. And that DAY is going to follow that NIGHT. And the Lord is going to do something in response to Satan bringing in his christ. All of this is wrapped up in the first phrase of Romans 13:12. That's what you have to understand. That everything reached a crisis point because Satan will be able to do something that would entrench him in his possession of this earth. And God's DAY is going to be His Response to that. God says, OK you have earned the right so I AM going to allow you to do it, but when you do it, I AM going to respond to it and we'll see how that works. MM says this is the heart of the contention between God and the adversary over who will be the rightful possessor of the earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): But God earned the right on the Cross to do what He was going to do (bring in this DOGG) before Satan earned the right to do what he was going to do. So God was able to say, hold it. Before you get to do what you have now purchased the right to do, I GET to bring in this DOGG first. All along, Satan has been using his WORKS OF DARKNESS to fuel his NIGHT. Even during this DOGG, those WORKS OF DARKNESS continue and he needs them to continue for what he is going to be producing when he gets out there in that NIGHT following this DOGG. Because we are going to impact his WORKS OF DARKNESS and PUT ON THE ARMOUR OF LIGHT and attack those things that he needs, that's going to provoke a response from the adversary against us. Just because God suspended His program with Israel doesn't mean that Satan has to quit what he is doing. Why didn't Satan go ahead and bring his man onto the scene? MM says if God hadn't brought in this DOGG, there would have never been an opportunity to repossess the earth. If God hadn't have done what He did, the earth would have remained in Satan's possession forever. Satan needs to keep his WORKS OF DARKNESS at a fever pitch so when the DOGG ends, he could go immediately into that dark portion of his NIGHT. He can't afford to let that diminish or cool down but that had to remain red hot when it got to that place (GH: the remaining portion of the NIGHT). So when the DOGG is over he doesn't have to get it started again.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): The remaining portion of his NIGHT is very short. MM says at the beginning of the DOGG, you had an overlap. You have the diminishing of Israel's believing remnant and the rise of the one new man. God let those overlap. He cut off His program with Israel at the stoning of Stephen. They don't perform another miracle, not one. God did cut off their program after the stoning of Stephen. The apostles don't perform another miracle. They are done. That program is suspended. But God does give those SIGNS to Paul for his JEW FIRST ministry, because THE JEWS REQUIRE A SIGN-1 Corinthians 1:22. In Acts 15 when Paul goes back over there and he shows unto them the signs and wonders that God wrought by him among the Gentiles, they look at each other and go this is of God because the same signs we used to be able to produce, we can't produce anymore and he's got them. So God must be doing this. So they come to this conclusion. There is a testimony to Israel given by Paul to say God is not working your program anymore. Now, he's calling out both Jew and Gentile, He is making of TWAIN (Jew and Gentile) ONE NEW MAN-Ephesians 2:15. MM says you will understand the Genius of God yanking everybody out at the end. He couldn't let it overlap one day. You will see the manifold wisdom of God. Both the WORLD (of Gentiles) and the nation of Israel, at the end of the extension of mercy, had totally rejected all 3 Members of the Godhead.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): The Lord put some things in motion back during His earthly ministry and established it before He went to the Cross. That thing he put into motion continued through the extension of mercy and will come to its fullest out in the Lord's Day of Wrath. One of the things is the division issue where there were clearly divided lines (GH: rejection of the Father and the rejection of the Son). MM says when they rejected the Spirit, they didn't reject the Spirit personally, they rejected the ministry of the Spirit which was to testify of Jesus. They rejected that ministry by refusing to believe what He was testifying - that Jesus was the Christ. So they rejected Him in that sense. Satan has been working and has achieved the right to do something and what he has been doing all along was with that in mind. There was an event in Israel's TIMES PAST history where he put together a dry run so to speak. When he brings his anti-christ onto the scene, he has already done some things in the past that refines what he knows or wants to do in how to go about that. If you are going to do something and you only get one shot at it, you want to rehearse or go through the motions and say is this working? MM says when he does weddings, he does it the same way everytime. Satan isn't going to willy-nilly rush his christ into the world, he wants to see some things so he is kind of doing a dry run for this.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Just before Babylon takes the southern kingdom away captive, just before that, you have this thing that Satan is doing with the PRINCE OF TYRUS-Ezekiel 28, and making kind of a rehearsal for what he's going to do out in the day of wrath. And his plan for this final dispicable act to bring his christ in the world, it is not for him to just show up, but once he shows up Satan's going to do something with him, he's there for a purpose. Through that anti-christ, Satan is going to bring about the absolute darkest blackest part of his NIGHT possible. That's what he's after. There will be members of the remnant that are alive out there, but it will be as though the light of Truth is almost totally extinguished at that time. They were down to 8 people who got on the boat during THE WORLD OF THE UNGODLY. MM is not saying there will only be 8 members of the remnant but he is saying Satan is using this 'man of sin' to create this darkness this is as pitch black as it can possibly get. When MM said he had earned the right to bring in his anti-christ into the world, have to realize everything he has done, that he has to earn the right to do. MM says he is reluctant to say it this way because he is not sure it is totally accurate but it is like there are rules of engagement. It's like he has to play by the rules so to speak. Everything that is done has a basis for it to be able to be done. MM says you can't walk out to the parking lot and say Shazam, this is a new car.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): There's a process you have to go through to get that. When God started the first CoP over in Levitcus 26, those judgments were designed by God to cause Israel to repent. For all of this, if you do not repent, then I WILL do this and He brings in the 2nd CoP. There's a chance with every CoP to repent but once the 5th CoP comes into play, if they don't repent at the end of the 4th CoP and they enter the 5th CoP, the rest of those installments are going to happen. If they don't repent by the time they get to the end of the 4th CoP, if they don't turn back and they go into the 5th CoP, they get to a place where God says I AM going to bring the 5th CoP upon you and now there is nothing you can do to stop that. You have reached the point of no return, you crossed the line and now I AM going to bring that upon you. Once you are worthy of this, you're not only going to get the 1st installment, you are going to get all of the installments, so the 5th CoP is a package (GH: 2 Chronicles 36:16). Once they get over there, God is not going to revoke those judgments no matter how good they are. Once they got to the 1st installment of the 5th CoP, Satan didn't have to worry anymore will Israel change their mind because even if they do that won't change a thing. He doesn't have to worry they will return to the Lord. He doesn't have to worry they are going to do something that will stop these judgments from happening.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): He doesn't have to worry about them becoming the great nation the Abrahamic covenant called them to be because there's no turning this around. This is the way it is going and it's unalterable. Once Israel gets to the 5th CoP Satan can now do something with the Prince of Tyrus as a test/dry run (Ezekiel 28) because now he is absolutely guaranteed that he will one day earn the right to bring his christ into the world, there will be no stopping it. He knows the thing he is rehearsing for is now going to happen. The goal in the remaining portion of his NIGHT is to bring the DARKNESS of the world to 100%. Why he needs his man of sin in the world, that's the goal of what the man of sin is going to be doing. When the antichrist comes on the scene they are going to be thinking this is the brightest, most wise individual we have ever seen. In fact, this is what the world has been waiting for. We've been looking for this guy. What he thinks and say is beyond the wisdom of any of us and they're going to embrace that, even though what he is saying is the darkest, blackest untruths that could ever be uttered. They are going to see it as the great light of truth in wisdom. MM says that's the DECEIVABLENESS OF UNRIGHTEOUSNESS-2 Thessalonians 2:10 and Satan is working toward that. The ability to say the most untrue things and it be seen as wonderous wisdom of truth is what these WORKS OF DARKNESS are designed to do when they get out to their furthest end.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Those WORKS OF DARKNESS are designed to deceive men when they are faced with the darkest truths that could ever be uttered to see them as the great wisdom of truth they could ever be aware of. That's what the WORKS OF DARKNESS are after. MM reiterates don't think of every sin in the world as part of the WORKS OF DARKNESS, these are specific because they are geared to do this thing right here. With Satan's corrupted wisdom he was creating a system by which his DARKNESS would produce the DECEIBABLENESS that as he told the darkest truths through his man of sin, the world would buy into that as though it were wisdom. This is important because the world is coming to a place where every person is going to make a public declaration on whose side they are on. (GH: See Ezekiel 26-28 notes). You have seen that Israel has a condition before God that is not going to be remedied (GH: since they were worthy of the 5th CoP). If they are in that condition after the end of the day of wrath, a kingdom won't be set up. Something has to change. And that is something that Jesus provided for when He functioned as the Redeemer on the Cross. That not only changed something with regard to the nation of Israel but changed the standing or position of the world in the Eyes of God. That thing sitting back in Romans 11 (GH: verse) that God brought into play first before Satan could complete this NIGHT was an absolute stroke of genius because He made a provision for something that Satan never saw coming. If God had not brought in a DOGG, all is lost.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MANIFOLD WISDOM OF GOD: When Satan first fell, God certainly had the Power to immediately take him straight to the lake of fire. He did not. Because He did not, it must be because He chose not to because there was nothing that was keeping Him from doing so. So if He chose not to, there has to be a purpose behind that. Here is the purpose: God is demonstrating in view of all creation that He alone is THE ONLY WISE GOD-1 Timothy 1:17 AND the rightful possessor of heaven and earth (GH: Genesis 14:19). He gets that not because He is omnipotent and He can beat everybody else up, but because He is the only One who is truly qualifited to be possessor of heaven and earth and He has to demonstrate that. And Satan has to demonstrate what he would do. God in turn will demonstrate what He will do and God is going to say it's not that I AM going to keep you from having a chance, I AM going to prove it. Because once this is proved there will never ever again be a doubt about it. Even Satan won't doubt who is the rightful possessor of heaven and earth. This is God proving this, This is not going to allow anyone to go, well, God just forces everybody to do things He wants. This is not about that. God knew that Satan would produce a NIGHT but he is going to have to play by the rules so to speak. Satan had earned the right to bring in the remaining portion of his NIGHT, and God earned the right to bring in the DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says people may take umbrage with that terminology and say He's God, He doesn't need to earn the right. If He plays by the rules He does. He can't just willy-nilly do it. MM is not trying to oversimplify but this has to be fair. For example, He can't just come along and say I AM going to forgive everybody of their sins. Something has to happen for that to take place. Someone has to pay for those - the Redeemer mandate gets met. Jesus sheds His Blood, He pays the price for the sins of the world on the Cross. God now has a basis on which to forgive sins. God is not just doing stuff, He is providing a basis for which He will do something else, which will provide a basis for something else He will do. This is a process of removing the COVERING and the VAIL so then in the Kingdom people can now see the LIGHT of the Truth and the word of the Lord going forth from Jerusalem and the Gentile nations see those STATUTES AND JUDGMENTS and they say there's no God like Israel's God. And the Gentile nations go and there's no people like this nation who is so wise and understanding and that begins to affect them. And those nations now, through the kingdom, are going to choose whether or not they are going to follow the Lord. If they choose Him, the kingdoms of this world will be come the kingdoms of the kingdom of Christ. They are going to choose that. It's not God going, snap, Satan's in the lake of fire, I now possess the world. It's not a statement, it's a reality that the world is now going to do that. They're going to turn to that. MM emphasizing there's a process that takes place with all of that.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): When the zenith of ungodliness was reached at the end of Israel's program and God interupted it, when they fulfilled Psalm 2, the kings of the earth (Gentiles) and the rulers (Israel) have taken counsel together against the Lord and against His Christ. Not only did that qualify Satan to have his finest house, but it put the world in a very particular postion that when they totally rejected all 3 Members of the Godhead, it took them to the point of no return. It made them irreversibly and irrevocably and permanently at odds with God and there was nothing that could be done in the world at that point that would change that position. The whole world, with Israel in its midst, there's nothing that would change the position of the world in the Eyes of God. That's what was happening and when they became that at the end of the extension of mercy, with the stoning of Stephen and at that stoning that finally brought it to that FAR SPENT extent where everything that had to happen to get the world to that condition. And once the world actually come into that position, God immediately cut that off with the fall of Israel and the interuption of their program and the bringing in the DOGG. Here's what happens - the world gets itself in such a position that it is now irreversibly at odds with God which means now God has no recourse but to judge the world in His wrath.

Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): But God waits until that point because here's what He is going to do when He interupts the Israel program, He puts the world into a different position based on something He did through His Son. He was in Christ, reconciling the world unto Himself. There's something that God did back here at the Cross that allowed for this time, the DOGG, to take place. MM says there's more to it but this is what he is going to tell today and show the full details next time. **The world is coming along and it rejected the Father, it rejected the Son, and now it's rejected the testimony of the Spirit concerning the Son**. That qualifies Satan now to bring in the remaining portion of his NIGHT. But before he can do that, God say hold it, I know you have earned the right to do that but before you do what you're going to do, GH: I AM going to do something. Satan earned the right to do this at the end of the extension of mercy and God earned the right to bring in the DOGG based on something that happened at the Cross. God earned the right to change the standing of the world before Him. When you get reconciled to someone, it means you were at odds and now you are no longer at odds.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): What Satan did prior to the Flood, the methodology he was using back there, he had two things going: 1. he was filling the earth with violence 2. when the sons of God came in unto the daughters of men and bear children to them, those giants, who were men of reknown; when Satan did that, he broke the rules and that allowed God to come along and completely wipe out what Satan had done at the judgment of the Flood and that didn't count as His day of wrath. Satan actually broke the rules and then God wiped all of that out. But by breaking the rules, he came close. Like he cheated. There was a reset back there at the Flood like at the DOGG. In the day of Wrath, God will judge the world for what they have done. But when He brings in a DOGG, suspends His program with Israel, and breaks down that middle wall of partition, He now deals with Jew and Gentile on the same level. Now, He is giving every individual an opportunity to be reconciled to Him. It's not that they'll all say YES it's that everyone, instead of God saying you are My permanent enemy forever, GH: we have this chance because of what God did at the Cross. Because the world had reached a point that there would have been nothing left for it except the wrath and judgment of God as an enemy, God says TIME OUT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Now, I AM going to give them an opportunity to be reconciled unto Me (GH: 2 Corinthians 5:19) whether they be Jew or Gentile, it doesn't make any different and they are going to be able to responded to something My Son did back on the Cross. God doesn't just get to bring in this DOGG, He provided for it back on what He was doing at the Cross. He never talked about what He was doing with this back in the prophets and He didn't talk about it during the earthly ministry of Jesus and He didn't talk about it during the extension of mercy. Even after the Cross, He never talked about it until He revealed it to the apostle Paul. That's the first time He talks about something that was done through His Son on the Cross that was kept secret. Satan needs the world to come to this permanent enemy status so he can hold onto the world. That's what he is after. And he achieved it at the end of the extension of mercy. He was thinking, aha! I've got the world in an irreversiable position of being at odds with God, it's not going to change. And God says wait a minute, timeout. Before you bring in this last thing you're going to do, before you earned the right, I earned the right to suspend what was happening in this world and bring in this DOGG in which I AM offering men the opportunity to be reconciled to Me. MM says he is not doing this justice and asks do you understand what God did when He did this?
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): That the world was on an irreversible collision course and God suspends that thing and now for 2,000 years men have been responding to the word of reconciliation and they have trusted the gospel. Once they do that, they are no longer enemies of God, they are sons! This was not the way the world was going (GH: end of Acts 7), especially the Gentile world. God decided you know what, as long as things are going here, you have reached the point of no return and now there's absolutely nothing you can do to stave this off, it's going to happen. But before He brings in His day of wrath, He says by the way, there is something I HAD in My Mind back at the foundation of the world that was provided for in the death of My Son at the Cross and I AM choosing this to be the time when I interupt not only My program with Israel but I suspend Satan bringing to the ultimate goal of his NIGHT and I AM offering the world a chance to be reconciled to Me. Nobody saw that coming. Satan never saw that coming. If he had seen it, they WOULD NOT HAVE CRUCIFIED THE LORD OF GLORY-1 Corinthians 2:8. Satan thought He won't fall to the temptations in the wilderness, He won't succumb to the pressure, He won't play ball, I'll just kill Him. That's what Satan thought. But if he had known, he wouldn't have killed Him. Satan cannot bring about his finest hour in a reconciled world. MM says that's why everybody that has ever stood up and taught that we are in the tribulation, everybody that has ever said so-and-so is the anti-christ (Hitler, Mussolini, Churchill, Kennedy), the problem is Satan cannot produce his finest hour in a reconciled world like we have today.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): God has to bring this DOGG to an end and when He does, the world will immediately revert right back to its previous standing. But in order for the world to return to that state, you have to yank every reconciled believer out of it. Right now, the world is in a different standing than at the end of Acts 7. At that time it earned the place of God's forever enemy and God went timeout, I earned the right, I purchased through the Blood of My son the right to bring in this DOGG. As long as reconciling is going on, Satan cannot bring to pass his finest hour. Tying in what we learned before, he still has his WORKS OF DARKNESS, it's still a NIGHT status, but what he has to do is keep those WORKS OF DARKNESS at a fever pitch because whenever the DOGG comes to a close, he's going to bump right into an immediate repositioning of the world as an enemy and he's got to have everything working to bring about this final aspect of his NIGHT. We are impacting that when we CAST OFF his WORKS OF DARKNESS.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): The legal position that God has put the world into allow Him to do something, right now today, that previously could not have been done because the world passed the point of no return. MM says understand the uniqueness of that God is doing today, see this as more than words. More than we're not part of the Israel program. That's true but that's not it. The world and its history in the increasing DARKNESS of Satan's NIGHT, crossed the line of going back to being permanently at odds with God, deserving His wrath. We were VESSELS OF WRATH, FITTED TO DESTRUCTION-Romans 9:22. But God interupts that program and now He is offering THE WORD OF RECONCILIATION-1 Corinthians 5:19. Satan can't cry foul because God purchased the right to do it. This is not just bringing in someone other than Israel, this is about putting the world in a whole different standing before God. As soon as the rapture takes place and every reconciled person is gone, the only people left in the world are lost. Two things are happening at the rapture: 1. Every reconciled person is gone 2. God stops the new standing and put them back in their original standing (GH: End of Acts 7) - like snapping His Fingers
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM hears people say they look at all the things happening in the Middle East and all the things happening in the world and surely this is setting up for us to go into the tribulation. MM says God doesn't need one single historical event to take place in order to restart His program with Israel. He doens't need Isis to be running across Iraq and Syria. He doesn't need the EU. He doesn't need the Euro to bottom out. He doesn't need the Muslims to worship Allah. He doesn't need Egypt to be at odds with Israel. He doesn't need any of that to restart His program with Israel. Paul says it is an easy and a natural thing for God to do this. As soon as He takes it out of this position, it is in the old position. It will be as though the DOGG didn't take place. We don't know and neither does Satan if this DOGG is going to run for 10 more days or 2,000 more years. But brother Mike, do you know how bad things are? MM says people have been saying that for 2,000 years. If you are Timothy and are with Paul and saw all of Asia turn against him/Him, wouldn't you say it looks like the end, it's been a great run but looks like it's over. Point: We've seen these things come and go, come and go, come and go because they are all going to be gone in a few years. We don't know how long it's going to go. MM says he has no idea how long the DOGG lasts (GH: and neither does anyone else).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): God has a purpose in reconciling the world that will fit into what He is going to do in the heavenly places and this thing is going to run according to His good pleasure and there's no signs.When Satan came along and extinguished the LIGHT in every area. When you talk about a linear timeline (GH: see 'Definition : Time'). In the beginning, God created the heaven and the earth. And when we get out here to the end, you realize there's going to be a new heavens and a new earth and then we go off into the AGES TO COME and eternity. Satan has extinguished that LIGHT. At the front, you have a guy named Darwin who proposed a theory that did not say God created the heaven and the earth but that life started with evolving out of - 'out of nothing came something'. At the end, you have a guy named Karl Marx and he said the end of the world isn't going to be brought about by God, it's going to be brought about by man. So you have nature starting it out and man ending it. These are the replacements for the Truth, for the LIGHT, of how it starts and how it ends.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): When Israel was going through these CoP, they were given an opportunity to repent. If they didn't repent, then the next CoP was brought in upon them. When they got to the end of the 4th CoP, if they did not repent, they passed a point of no return. They pushed the ungodliness so far that now they were declared worthy of the 5th CoP and it was going to come upon them. There was nothing that they could do to stave that off. It was going to happen (GH: MM points back to the Josiah teaching in 2 Kings 22-23 and 2 Chronicles 36:15-21). Everything that Josiah did to make things right and God said nevertheless, in spite of all of that, I AM still going to bring this to pass. So once they hit the 5th CoP, Satan is dancing a jig because now he understands once you hit the 5th CoP, the other installments that are in there are going to happen. Have to see the 5th CoP as a package. If you get to the 1st installment of the 5th CoP, you are going to go through all of them. MM says think of it as a slide that is so slick and so steep there's no stopping or climbing back up. Satan realizes that once he gets Israel to the 1st installment, they go out of the land and that second COVERING, the VAIL come in over the nations of the world but now he knows he doesn't have to worry anymore about Israel repenting and turning back the judgments, about coming a great nation. He doesn't have to be concerned anymore about bringing things into place like he wants it to be out there in the ultimate part of his NIGHT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Meanwhile, Gentiles are worshipping every false god imaginable. They are not going to turn it around. There was one people who were designed to be the LIGHT of the world get to a place where God says now this final CoP is going to come upon you and it's going to end out here in the day of wrath, Satan just wants to get them to the 1st installment. Now, their LIGHT has gone out and their salt has lost its savor. When Israel was in the land, those STATUTES AND JUDGMENTS-Deuteronomy 4? were supposed to produce a testimony to the Gentile nations of the world that made them look at Israel's God and say there's no God like Israel's God. It was supposed to make them look at the people of Israel and say what people is like unto this nation that had such understanding and wisdom. You possess a knowledge and understanding that the rest of us don't have. Gentiles are supposed to be in awe of Israel's understanding. GH: Other than the interlude of mercy, Israel has yet to be the LIGHT of the world God designed them to be. God said through His prophets, instead of turning the whole world to Me, instead you have caused My Name to be blasphemed among the Gentiles. By the time they got to the 1st installment, it had gotten to the place where the world didn't see Israel's God any different from the other gods. When Sennacherib came against Israel and was going to carry the southern kingdom away, he said hey, every nation I come to says our god is going to deliver us out of your hand and no god has delivered them out of my hand and neither will your God because the implication is, He is no different than the rest of them.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): This is the way the world began to look at that. And that's the way Israel began to look at that. Satan planted that corrupted wisdom in their heads. This was in the Gentiles but it wasn't supposed to be that way with Israel. Part of the commands that He told them when they went into the land as it pertained to the people who were already in the land, the Canaanties. Kill them all, drive them out, don't marry among them, no peace treaties, don't take the religious items they have and bring them in and intermingle with your understanding because if you do that it will turn you away from Me and you will be just like the other nations of the world. This is exactly what they became. Remember Israel wanting a king to rule over them? They didn't want God to reign over us, we want a man. They wanted to be like the other nations. They were supposed to be different from the other nations. This is Satan doing some things to corrupt their understanding and their view of what's important in the world. Their view of what was important in the world is going to turn from what God thought was important to what they think is important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): At the stoning of Stephen and after the rejection of the Father, the rejection of the Son, and the rejection of the witness and testimony of the Spirit the message of Jesus Christ, Satan has now earned the right to bring in his king. Let's reject God's anointed and bring in Satan's. And he got the world to that point. But on the Cross, there were some things that Jesus provided for that Satan knew nothing about. One of those things was, for lack of a better word, God was purchasing, through the death of His Son (we are purchased possessions), the right to bring in this DOGG. MM gets asked if God knows everything and he knew Satan would rebel, didn't He have the Power to stop it? Of course He did. If He didn't than one thing is true. He didn't because He chose not to. He chose not to for a purpose that was greater than Him just creating the lake of fire and immediately throwing Lucifer in it. Stated very generally, the purpose is God is proving beyond the shadow of doubt to all of creation, be it man or angel, whether fallen or not fallen, He is proving who is the rightful possessor of heaven and earth, who is THE ONLY WISE GOD-1 Timothy 1:17, who is the only one truly qualified to be the ruler of heaven and earth. This is the issue. Every mouth will be shut after this. God is now saying to Satan, you know what, do your best and we will see who is the rightful possessor of heaven and earth.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): God would not have been unrighteous to have immediately thrown Satan into the lake of fire. But He is doing this to prove that in eternity there will never be anyone that will be able to make the accusation that the only reason God is the ruler of heaven and earth is because He can whip everybody. God is going to prove He is the only One qualified, the only One wise enough, the only One deserving to be the possessor of heaven and earth. This is what is behind everything that is going on. When He interupts that program with Israel because of something He had done through His Son on the Cross, He also was able to bring in this DOGG without either Israel or Satan crying foul. Paul answers the objection there is unrightousness with God doing this by saying God did something in the pass that actually allowed Him to do this. Satan realizes that God was able to provide for this DOGG at the Cross before he qualified to bring in his king at the end of Acts 7. Satan understands that God is not changing the rules or cheating, He is doing exactly what He is requiring Satan to do. God does this with everything. God doesn't come along and say, well, I know men are sinners but I AM just going to sweep it under the rug, I AM just going to smile and act like it doesn't matter. If you are going to forgive sin, something has to be done. There has to be a sacrifice or payment. Someone has to bear the cost. He is not just doing things willy-nilly because He is God. He is doing it to prove I can do this and I can do it 'by the book' (MM doesn't like the phrase but point made). He doesn't have fudge it, He can play by the same rules He requires Satan to play by and I can still win. This is what it's all about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): This interuption wasn't just of Israel's program but because the world changes its standing, its position before God, Satan had brought it in rejecting the Members of the Godhead to the point of no return. It was going to be irreversible at odds with God. It was going to be His enemy and there's nothing that was going to be done to change that. Now God is obligated to pour out His wrath on the world. But He made a provision in His Son that He talked about back in the Book of Deuteronomy. But it wasn't perceived like this back then. God said something back there that no one knew what He was talking about. He said something back there that said I reserve the right to deal with Israel differently. There is no unrighteousness with God because He set her (GH: Israel's) program aside and brought in a DOGG. God not only said it, He is reserving that right. But He provided to do that in the death of His Son. MM is trying to show that all of this is following a plan of wisdom of our heavenly Father and it is meant to be perceived that way. All of the things we have been talking about here are packed into the godly thinking on THE NIGHT IS FAR SPENT, THE DAY IS AT HAND-Romans 13:12. As soon as the BLESSED HOPE-Titus 2:13 takes place, God is instantly going to change the position or standing of the world back to what it was before He interupted Israel's program and Gentiles will immediately go back on the other side of the middle wall of partition again and God will begin dealing with Israel alone at the moment the BLESSED HOPE happens.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): There will be no saved people left on the planet. And if you are Satan, you want to keep it that way. Makes you ask the question - where is the believing remnant going to come from? You know that God is not going to do something by magic, He is going to follow some process. God is going to be dealing with the Hebrew people now, He is not going to be dealing with Gentiles. Gentiles don't know what that's like because even the worst, most abominable Gentile on the earth today as an opportunity to be reconciled to God. Now, you get on the other side of this and the program changes. The world is no longer in a position of being reconciled unto God-2 Corinthians 5:18-19. Now, it is VESSELS OF WRATH, FITTED TO DESCRUCTION, and now, Satan is able to bring in his man of sin and every saved person is gone (GH: in the Rapture). MM asked how dark do you think the DARKNESS can get now? It's going to reach the maximum amount. And what Satan is looking to do is to eliminate the LIGHT of Truth in its most basic FORM which is the LIGHT of 'God Consciousness'. Who is the True and Living God. And he just needs to do that for a little while because when it gets out there and this program resumes, all he has got to do is wait for his man of sin to come on the scene.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): STORY: MM born in 1952 and can remember growing up leaving the house and never locking their doors. Go to get groceries and left windows down when they went in. Put the sacks in the back seat go to the next store and leave your groceries in the back seat with the windows down. Churches never locked their doors. You could get into a church 24x7. Everybody didn't understand the Bible but by in large, the LIGHT of the True and Living God was knowable to men. And that light alone was enough to make a moral difference in this country. MM says now he knows you can go up to Baltimore, MD and run a good news club in the public schools and find tens of thousands of children who have never heard the Name of Jesus Christ. In this country, this isn't in the Congo or Russia or China. The basic LIGHT of the knowledge of the True & Living God is being extinguished in this country. And because it is, it is reflected in the culture and society of this country. As the LIGHT has begin to go out and the DARKNESS has crept in to take its place, the behavior of the country has changed accordingly. It's observable. MM is not saying everyone in the 1950s was a Bible scholar but they behaved themselves differently because the LIGHT made a difference in them. That doesn't happen now like it did then. Even though it is the DOGG and even though Satan can't bring his christ into a reconciled world, don't think his WORKS OF DARKNESS aren't still gaining ground or you haven't been paying attention to the history of this country. MM listening to the OKC case where the public building has the 10 Commandments out in front and the court has upheld its ruling that it is going to have to be removed because that is religious in nature.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says that is the natural COURSE OF THIS WORLD-Ephesians 2:2, to divorce itself from and of that. MM says most of the people who commissioned it didn't know what was going on with that but at least they understood who the True & Living God was. The world is approaching a place that even though it is being reconciled to God where it is going to LET US BREAK HIS BANDS ASSUNDER, AND CAST HIS CORDS FROM US-Psalm 2:2. Let's get rid of God. We don't need that. Men are willing participants but they do it not knowing that there is a mover and shaker behind it that has a goal for this world to attain itself to. What he is counting on is there won't be anyone who knows what his WORKS OF DARKNESS are or how to CAST them OFF and if they do, they won't really care about doing it. MM says part of the danger is I know about this and know I'm supposed to do something about this but also realize I'm kind of poking the lion when I'm doing it so you know what, I'm just going to enough to show that I'm doing something but I'm not going to wholeheartedly get involved in this. MM says you need to decide whose side you are on and settle this issue once and for all. This is not a game that God has us playing and you just decide how much you want to do this. The only people who will make a difference in this are the people who are totally invested in it, not the folks that are playing at it. MM says haven't you seen that before. People on the periphery and acting like they are a part of something. But when it comes time to do something or it costs something, you can't find them now. MM says you see this in lots of things. This requires more than that. MM says he is telling you, this temptation is going to be real. That's why your Father tells you this is how these first attacks are going to come and here's how you are going to deal with them. MM warns to not talk about this to anyone outside of this group. There will be no mercy for you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Daniel 11: The original land grant, not just the land of Israel, but from the river of Egypt to the river Euphrates, this whole land grant is going to be in contention by two kings. A guy called the king of the north (Assyria) and a guy called the king of the south (Eqypt). There will be a contention that goes back and forth. Then finally, when the antichrist comes on the scene, he's going to take this whole land area and he's going to divide it into 10 sections and there's going to be 10 kings that are going to reign with him. Five would be representatives of the king of the north and five would be representatives of the king of the south. He is striking a bargain between the two and now he is going to be in control here. The Bible calls him THE ASSYRIAN-verse?. When he divides this whole land area into 10 sections, 3 of the kings decide to rebel against him and he puts them down. He gives the spoils to the people of Israel. Then he has their temple rebuilt. Then he reinstitutes the sacrifices and the holy oblation. Then Israel gets to thinking 'it's our Messiah!'. He is putting down our enemies and he set up the temple. MM asks are they going to be looking at the historical Jesus of Nazareth or are they going go be looking at the guy that is handing it to them? He just needs in the remaining portion of his NIGHT to ge those things set up to bring his man on the scene.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): If he can keep Israel in the DARKNESS and make that DARKNESS so dark that any LIGHT that might shine, the DARKNESS would comprehend it not. MM is not saying it will happen this way, he is saying this is what Satan is thinking. If he can keep them in the dark the next 400 years, how much longer can he hold onto the earth? At least another 400 years. When the LIGHT goes out he has his best opportunity to keep it in that condition. This is why his WORKS OF DARKNESS are so important today because they are cementing the DARKNESS of his NIGHT. If we CAST OFF those WORKS OF DARKNESS, those WORKS OF DARKNESS are what are fueling his NIGHT. If we CAST those off, it can't run at full power and he has to bring things to a close quickly. All of this is producing an attitude in us toward the world, an attitude toward Satan and his activities, and what's being developed in us. Is also supposed to produce an attitude that we have to do something. In view of what we know Satan is working toward, and that we have the ability to impact that. We won't be here at the resumption of Israel's program but if we an CAST OFF his WORKS OF DARKNESS, if we can diminish those, that is the something that we are doing. CASTing OFF THE WORKS OF DARKNESS and PUTting ON THE ARMOUR OF LIGHT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Because we are going to impact his NIGHT and his WORKS OF DARKNESS, it provokes a response from the adversary against us and that's where the MORE THAN CONQUERORS-Romans 8:37 concept comes in. The attack that will come against us because of us CASTing OFF THE WORKS OF DARKNESS are going to come first of all in the form of accusations (2 Corinthians 1:1-7:16). MM says the things going on in the world are an indicators of there is something bigger behind the scenes that and someone is pushing that and it is more than a man pushes. This is part of Satan's NIGHT. MM is not trying to put this off as a spiritual thing but these verses compel him to look at it this way. This is the fruit, not the root we are loooking at and that's why any problems are going to be solved by going back to the root of those problems if they're going to be solved. If it is really working in us there is going to be a natural desire to CAST OFF those WORKS OF DARKNESS but to do that, we have to be able to identify what they are. Every sinful act is not a WORK OF DARKNESS. These are specific things that have purpose that are driving Satan's NIGHT. You can solve for plenty of wrong things and that's not going to slow his machine down. We have to know how to cast them off and how to put on the ARMOUR OF LIGHT. There should be the beginning of the desire to say I see what Satan has done in the world and what he is continuing to do and what he wants to do when it's over and if I have an opportunitiy to impact that I want to do something about that. That's what this is geared to do.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): There are certain areas of the world in which the DARKNESS is greater than the other areas of the world. That's a geographic issue. The worst places of the world are identifiable by the places where the LIGHT of 'God Consciousness' is at its least. They become hotbeds for Satan's activities in the world. They consistently manifest all of the old heathen, cultural practices that were part of the Gentile and TIME PAST. Gentiles practiced all kinds of abominable things and their practices were abominable because they don't know the True & Living God. Still true today in the world. That thing hadn't changed, hasn't ceased. Knowing about the geograhy of some places being greater in DARKNESS, even within a nation, there are areas of a nation that are DARKer than other areas of a nation. There are places where the DARKNESS of Satan's untruth is rampant and so entrenched, so pervasive. It's to such an extent that it affects that area as though it's almost a sub-culture of other things going on around it. Even churches and well-meaning men have propagated Satan's untruths without even knowing it. It's a very deceptive thing. MM says it is at that point that your zeal almost works against you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): **Two hallmark signs of the kingdom:** **1. healing the sick: When Jesus was healing their sickness and diseases, He was fixing their phyiscal body.** **2. casting out unclean spirits: When Jesus was casting out unclean spirits, He was fixing their spirit.** **This was fixing the whole man**. Understand that the things that you see and the things that you hear and the things that you read and the things you experience all work in your spirit and they produce something. MM says this is important. Jesus said THE WORDS I SPEAK UNTO YOU, THEY ARE SPIRIT, AND THEY ARE LIFE-John 6:63. MM says your spirit and your body are connected. Why you watch something scary looking at a box in your room and jump sitting on a couch. MM tying bringing everything in heaven and everything in earth together so the creature is not just a physical body but it is responding to the spirit part of creation. The Father, who has set up His residence on this earth, with His Spirit, are going to be communicating directly with the body (GH: of Christ out in the creature). Your spirit communicates with your body all the time.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): You get envelope and if it is a letter from your child, you are happy but if it is an unexpected bill, it's a different natter. If it is devastating news, you feel it even in your body. What happens in your spirit affect your body and what happens in your body affects your spirit. There is something called an UNCLEAN SPIRIT that are from the devil. When we are talking about what Satan is doing when it comes to using his devils, don't think of this as some sort of little creature but think about it rather according to the methodology that he is using. Casting out devils in the traditional manner we think about don't affect his NIGHT one iota because he has carefully covered up what is really going on behind this. There is a great deception that Satan has foisted on the world about his own activities and the nature of them and the methodology of them. When Satan resumes his NIGHT when this DOGG is over, some things are now historically going to have to take place before his man of sin comes on the scene. It's the setup for his man of sin. These are the things that will naturally lead to the man of sin and the acceptance of him.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): In the past, God reserved the right to deal with Israel in a different way if He so chose. MM is NOT saying that God was looking back here and subtly giving you indicators of the DOGG, he is saying He reserved the right to deal with Israel in a different way. In addition to that, He also accomplished something on the Cross through His Son that alllowed Him to take the world from being in an enemy status with Him to now putting them in a whole different position called THE RECONCILING OF THE WORLD-1 Corinthians 5:19. Don't confuse with the saving of the world. It's the changing of the world's enemy status, doing away with THE MIDDLE WALL OF PARTITION between Jew and Gentile so that God no longer has to deal with Gentiles as though they are FAR OFF. Through Israel's fall, He no longer has to deal with the entire nation as an apostate nation that has rejected Him. He is now making TWAIN, those two, Jew and Gentile, ONE NEW MAN, which will one day, repossess the heavenly places. The only reason this is possible is because God has changed the status of the world from being permanently at odds with Him to now being the whole world having the opportunity to be reconciled to Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): As long as the world has been in this position of being reconciled to God, Satan cannot bring his christ into a reconciled world. It is designed to be brought into a world which is THE WORLD OF THE UNGODLY, which is at odds with an an ememy of God. This is how he wants to do it because this is the place that gives him the best chance to hold onto the world. When the DOGG cuts off, everything will go right back to where it was. - Gentiles will go back to the status they were in previously. - Israel will go back to the status they were in previously. - The status of the whole world to the status it was in previously, being irrevocably at odds with God.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): This is a program change. When the rapture happens, you have nothing but a world of unsaved people. Even if you are a Jew and get saved right at the end, you're not going into Israel's program, you're now part of the body of Christ. When God yanks everyone out of here, He can now revert the world back to being in the position of being not reconciled to Him but of being THE WORLD OF THE UNGODLY. MM says it truly will be down to the last man. There are things that need to happen before the anti-christ is brought in.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): In the heavenly places it is a done deal but as far as His program with the earth. What Satan is doing, even though the Cross could be considered a setback for him, he believes what he is doing and what he has earned a right to do, and will do out in here (GH: post-DOGG) is still on track. Which is why our Father is asking us as His sons and daughters to take those WORKS OF DARKNESS that the adversary is utilitizing to fuel the DARKNESS of his NIGHT and have us CAST them OFF. We're actually going to impact what Satan and his policies of evil are producing in this world. Which is why you are going to be attacked. This is why as soon as you do this, God says you might want to suit up with the ARMOUR OF LIGHT-Romans 13:12 because there is going to be a strike back. The wonderful thing is your heavenly Father is going to detail for you exactly the form that it is going to take.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): You're not going to be taken by surprise, He is not throwing out in the middle of the Coliseum and He says oh, yeah, the gates are open and the lions are coming out, good luck. He is going to give you some ARMOUR. MM says this is why it is so important for this stuff (GH: doctrine) to effectually work IN us. This is not the 'church' game we used to play that had no real practical consequence in your life. It was some idea and it was great to think about but it didn't cost you anything in the long run. MM says there's going to be a tendency to look at this conflict as contention, but as we labor with our Father in His Operation against Satan and his policies of evil, and put on the ARMOUR make God's adversary your adversary, **there's this tendency to talk all about it and never do anything about it. We can't afford to do that**. EX Suppose we send kids off to school and ask them what did they do today. First 3 months - importance of school. Second 3 months - what types of subjects they'll be studying. But then they can't count to 10. Talking all about it but don't know how to do it. Talk all about issues but never do any of them. As long as you don't do anything about what he is doing in this DOGG, he is not worried about us one bit. Now that the godly thinking is being installed in us-Romans 13:12, we turn our attention to the godly living-Romans 13:12b.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM says there are people that genuinely want to live for God, they know the Lord. They really do want to live for Him. But the tactics that Satan is using today are of such a nature that they kind of have us fooled by the 'rock in the bush' trick. He has churches focusing on all kinds of issues except the WORKS OF DARKNESS. Churches with a list of things not to do are majoring in the minors. They look at it as long as you don't do these things, then you were righteous before God. But those things have nothing to do with Satan's WORKS OF DARKNESS. A lot of things preached from the pulpits, you couldn't find in your Bible. When the time comes for this DOGG to be over, God is going to judge the world, Satan's man of sin, the apostate nation, and all 3 categories of these WORKS OF DARKNESS. These WORKS OF DARKNESS God has a particular hatred for and therefore when He judges them, His judgments are precise with them in mind.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Satan's Train Drawing: - Caboose: Sin - not necessarily part of the WORKS OF DARKNESS - Next car: Gentiles - because has in TIMES PAST and now working with Gentiles - Next car: Nations - because he is working with nations; worse in some parts of this world than others - Car just before the engine: apostate Israel - Engine: MM says we can look around this country today and realize we are the train on that track headed to that destination.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): MM wonders how you could get to this point (GH: teaching WoD; Isaiah 2, 3, 5; 2 Peter 2), but things are already happening in this world (GH: said circa 2015) that when he was a kid you never would of believed yet here we are. Don't estimate the power of these WORKS OF DARKNESS to repudicate God, even when it looks like that would never happen. MM uses the frog and the pot of water analogy. Slowly turn up the heat, he will acclimate and eventually boil to death in that pot. But if the water is boiling and you throw him in he'll immediately try to jump out. We are the frogs, the COTW are Satan's cauldron, and the WORKS OF DARKNESS are fueling the heat. MM wonders how much the temperature has changed and him not noticing it like he should. MM says he has come to the place where everything he sees and everything he hears is having some kind of incremental effect on him or it's either helping him or it's hurting him. Doesn't think there is too much neutral stuff. Like watching your children grow up. You don't notice any difference when they go to bed vs. when they got up but one day you look at them standing over with some other people and you go when did that kid grow up? The COTW is happening around us constantly that these things that are happening around us, are making such slow incremental changes that it is affecting him and his thinking and his view of things more than he thinks it is. So every once and a while, when talking to the Lord, trying to figure out how much the world has influenced you like you are in a cloud or a fog and every once and a while the wind blows and you see further than before. It's all happening as part of everyday life. He sees it really clear and thinks this thing is way worse than he thought (GH: circa 2015).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Recognizing the WoD's impact on the world: The message of grace, if it is not properly taught in people, produces a mindset in people that because God's not judging us today or punishing up out right, like I've got a flat tire, He is OK. We're already forgiven and all of our sins are forgiven and since they're already forgiven it's not a big deal if I do that (GH: sin). Not a true statement. We can only live out of what we understand. A year from now, we'll look back and say, there were some things we didn't understand that would have changed the way we thought about something or maybe the way we responded to something. We have liberty IN Christ and we don't have tutors and governors. The decisions we make, it is not God trying to bump you in the direction He wants you to go. You are supposed to make a Sonship decision on your own and if you choose not to, if you know the right decision to make and you don't do it, you are free to make the wrong decision. In spite of all this, this is the amount of freedom and liberty you have as an adult son. When the Bible says that a man ought not to think of himself more highly than he ought to-Romans 12:3 on how we treat the members of the body - this doesn't make a man a wicked component of Satan's PRIDE OF LIFE or a man is going to think he is a god, but it is a step in that direction. GH: MM tying to earlier point about 'frog in boiling pot' and how we don't notice the DARKNESS increasing.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): But the more you progress through the Sonship education, the more of those liberties you give back. You have a situation that you have liberty in decision making and if you know what your Father would do, if you are going to be conformed to the image of His Son, you are not going to consider those (GH: other) options that you know He wouldn't do. I'm going to give up the liberty to do those in order to achieve this greater thing of being conformed to the images of God's Son. You are limiting your own freedom but it's not some preacher standing up and giving you a list of what I can and can't do, it's you as an individual son in a relationship between you and your Father deciding this is what you are going to do. You have to look at your own Sonship life and your desire to change/be conformed, not MM's desire for you to change/be conformed. There's a way to get where you are supposed to be, not in the preacher trying to tell everybody what to do because that didn't effectually work anything in you, that didn't produce that in you. This isn't just data for us to know but it really has to start to work in us. MM doesn't give examples in his life because he doesn't want people to think, 'should I be doing that?' GH: MM is not your tutor & governor. He's not going to give you an example but there are things that are in his life that are not in and of themselves evil or wicked but he looks at them and says he thinks these things are working against him in the long run. A broad example - the time it takes to engage in them. As a husband and a father and a pastor, he has a lot of responsibilities.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): He can be engaged in a lot of necessary things and good things, but if he is not actually working on this (GH: the work of the ministry), he doesn't think he had as productive a week as he needed to have. MM mentions books to get this message out there. He has come to realize we'll never have multipled millions watching us on the Internet. They're going to listen to this a bit and go GH: no thank you. He needs to broaden the scope of what gets out there and one way to do that is in print media. But if he spends the day getting ready for the book and didn't do GH: the education or lessons, he doesn't feel like he had a productive day because the books are not happening today. No one's calling and asking questions from the book. MM is not saying he needs to quit writing, but there are other things that are not of that nature that are not bad things but he is more aware of how his time gets divided up than ever before. He is willing to give up some things that he has liberty in Christ to do, because that is what's happening with me. We are all given this liberty as an open book and then you have a steady progression of taking those liberties away from yourself but YOU do it because of something that is being produced in you, not because you were afraid the preacher was going to call you out. As you progress as a son, you no longer see your life as I can do whatever I want and God doesn't care, but if I'm really going to make an impact for Him in this world, I'm going to be making some choices, some of them are going to be tough choices later one. They're going to be tough because the adversary will have the pressure on us.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): WORKS OF DARKNESS: These WoD are designed to change EVERYTHING. The are designed to: - change men's desires so that they no longer have a desire for godliness. It is eradicating that and replacing with a desire for the things that Satan has produced so they crave and covet those things to the point they get to thinking they require those things. Changes not only their desire but their will - what motivates them to do things. What they are resolved to do in their will is self-gratification. - change the way we think. We used to do this the old way but we are more enlightened now. Our thinking has advanced now. We're more intelligent than before. MM says people already do this with terms out of the Bible. Oh, that's an archaic term. - change the way we view the world - change the priorities of what's important and what's not - change their morale character. Say morality is irrelvant. Immorality is good. Self-restraint is bad. Be in favor of self-expression. The lines of good and evil will get blured and eventually swapped for each other. - impact the way that they respond to God's Truth. Even when faced with the Truth, it doesn't mean they are going to respond to it properly. - change the way they function in society. All of these things are going to be impacted based on what these WoD are producing - an alternative to replace GH: God's 3 pillars. Will change every area of their life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	MM says you read over in the gospels on the Pharisees and Saducees and they're opposed to Jesus and they're bad guys but he didn't understand how much they had bought into Satan's DARKNESS and how opposed to God that they were. By the time Jesus showed up, they had rejected the Father, the Son came & they rejected Him, and in the extension of mercy, they rejected Him again under the administration of the Spirit. They had rejected the entire Godhead. They rejected Him and that doesn't mean they don't know who He is, it means they've chosen to say I don't want You. You don't have to be an atheist to reject God, you can know who He is and just not want Him and that's where they find themselves. They manifested a complete repudiation of Him. As Israel is moving along through her history, there is an increasing percentage of people who are rejecting the word of God. They don't do it en masse, it happens one at a time. And they influence someone and those people influence someone so the percentage of the people buying into the DARKNESS is continuing to grow and by the time you get to John the Baptist, that thing has grown to the place where they have cast God and His law behind their backs-Nehemiah 9:26.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	REVIEW: Those WoD are integral to a relationship with Satan They produce extreme rebelliousness on man's part against God They work to sever man's relationship with God and produce at-odds status with God These WoD set the stage for a substitute relationship with the adversary **People don't jump from godliness to satanliness in a single jump - it's a process. TOLERANCE->ACCEPTANCE->PARTICIPATION** 1. There's a TOLERANCE that is given up. You don't have to but you need to be tolerant of those who do. You may not agree with it but you need to let other people do what they want to do. There's a progression.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	2. When you say, 'well, OK', you have to understand when other people do things there are consequences to those things. 3. The number of people you need to tolerate becomes greater and greater until one day, they are going to tolerate you and then one day they won't. Once acceptance happens, then what will happen is it will extinguish or completely tear down what was in place. This is a process whereby the WORKS OF DARKNESS will produce a whole different attitude and the things that the country by and large rejects now one day they will accept. MM talks about goverment wanting to comment on religious aspects of life while keeping religious aspects from having comment on government - says it is unfair. God is not going to intervene to stop this so we better get our Sonship down so that we can deal with this because if we are living long enough, this is where we're headed. This is where our children are headed and our children's children so we better get the Sonship issue down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	Identify the TARGETS of the 3 categories of the WORKS OF DARKNESS. The 3 pillars or the 3 things Satan must destroy to bring the world to the place that he needs it. Each of these 3 categories are designed with 2 things in mind: 1. Destroy/Tear down the particular thing (GH: pillar) that God has put in place 2. Replace it with Satan's substitute If Satan can get men to participate in these WORKS OF DARKNESS, these 2 things (GH: destroy & replace) will be the natural and unavoidable result. You can't participate in these wtihout these things coming under attack in your own mind and calling into question God's pillars. It changes the way you think about them and then when these get destroyed they're going to be naturally replaced with the thing that Satan is trying to substitute it for. This is an unavoidable consequence. You can't participate in the WORKS OF DARKNESS without that (GH: destroy/replace process) beginning to take place. You can stop or reverse back.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	The only way to dispel DARKNESS is with the LIGHT, the only way to get rid of the untruth is with the Truth. As these WORKS OF DARKNESS grew, not only in the world, but as Satan is working them in this DOGG, they're trying to increase in 2 particular ways: 1. They are increasing in the depth of where all of these things are taking men 2. They are increasing their reach as far as how many people are being sucked into that At one point, there are just a few people that were embracing the DARKNESS. He not only wants the DARKNESS to increase, he wants more people to embrace the DARKNESS. Israel didn't jump from just nowhere to suddenly now they've made an agreement with Satan. This happens in a process little by little. Take the PRIDE OF LIFE. The WORKS OF DARKNESS get someone to start doubting, they are not sure, then they are confused, then they begin to see something as a replacement that maybe this replacement is a good thing. Like watching your kids grow up everyday, you don't notice the changes.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): **Three pronged attack**: MM says take THE PRIDE OF LIFE category and the things in it. They are going to an over the top DARKNESS and sinfulness aspect. They are leading to something that it is the ultimate dispicableness to God. Satan earned the right to bring his christ into the world when Psalm 2 became a reality. When his christ comes into the world, if THE WORKS OF DARKNESS-Romans 13:12 have been doing what they are supposed to do, the very next step for the world will be to take something that belongs only to God and give it to Satan's man. God says I won't share My Glory with any man. If THE WORKS OF DARKNESS keep moving men in the direction they are moving them, when this time (GH: the remaining portion of Satan's NIGHT? Or 70th week?) comes they will have no problem looking at a man and proclaiming him to have deity, to proclaim him to be God. 2 Thessalonians 2:4 said that. The man of sin would sit in the Temple of God showing himself that he is God. And they will give him deity. But it is worse than that. Once his man is in there, he is going to renew an agreement that was made with mankind back in the Garden of Eden. Was only 2 people but will be made again out here when they proclaim him to be God. He is going to promise them something that was promised back in the Garden, YE SHALL BE AS GODS-Genesis 3:5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): This is where THE PRIDE OF LIFE is taking men in its ultimate form out here. They will be so brazen as to take God's deity and and give it to a man and then he is going to turn around and say you're going to be gods. The people eaten up under THE WORKS OF DARKNESS are going to say YES!, that's what we are after. We are going to be gods and we repudiate the God of Heaven. We're going to be gods and our god is going to see to it. That's why they will wear like a badge of honor these WORKS OF DARKNESS because that's what they're after. This is all leading to the most heinous heights of THE PRIDE OF LIFE ever that a man would dare to say I reject You and I'm a god. This is where it is going. There are certain WORKS OF DARKNESS that Satan is promoting that are meant to wind up with this end result. But if during this time, we CAST off these WORKS OF DARKNESS and impact them, people out there won't get to that place (GH: that Satan needs them to get).
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Is the pride that men have as they look at the world around them and what they're doing in that world and they see themselves becoming more and more sophisticated and better & better and advancing more & more sophisticated. Not that they think highly of some things, they are exalting all of these things above the Lord. They are concentrating on the material things, they're looking at the very inwardly in themselves, and God says you're not what you think you are and I AM going to judge this and I AM going to show you no one shares His glory. This is man's self-estimation, this is how much he thinks he is worth, this is the evolution of him becoming better & better. It was prideful thinking that: - took place in the Garden and caused man to fall - produced THE WORLD OF THE UNGODLY-2 Peter 2:5 that the Flood destroyed - reproduced THE WORLD OF THE UNGODLY-2 Peter 2:5 pre-DOGG - will take the remaining portion of Satan's NIGHT to an apex of DARKNESS with regard to the PRIDE OF LIFE.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	WORKS OF DARKNESS-Romans 13:12 Commentary (cont'd): Not every prideful thought is a WORK OF DARKNESS, but these are a particular kind of prideful thoughts that are actually moving man to produce again THE WORLD OF THE UNGODLY. Satan is producing this today, a particular kind of prideful thinking in his effort to hang on to his possession of the earth and in an effort to get man to work right alongside of him to produce what he is after here. Prideful thinking will end up in its worst form out there (GH: Daniel's 70th week): - Men will look at the antichrist and they are going to ascribe deity to him, that which belongs only to God. - Then he is going to renew an agreement that was made back in the Garden with men during that day, that YE SHALL BE AS GODS. This is exactly where this prideful thinking is leading to, that men will believe they're gods. They will exalt the antichrist then they will exalt themselves, we are going to be gods among gods. And God is going to say I AM going to judge that. He hates these WORKS OF DARKNESS because they produce a prideful thinking that lead men to that end. Their HAUGHTINESS-Isaiah 2:11 is going to increase and their LOFTY LOOKS-Isaiah 2:11 are going to increase.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	Driver: Man's increasing pride - tool that Satan is using to produce a world that goes a step further than just the repudiation of God but the total embracement of the adversary - God is going to judge all of these - MAKE ONE WISE-Genesis 3:6 - Prideful Thinking (different ways to describe the issue of Pride) - Presumptuous - Self-Willed - Arrogance - False wisdom - Haughtiness / Lifted Up / Arrogance
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : PRIDE OF LIFE	**PRIDE OF LIFE: Target and attack God's word (is at the heart of man's relationship with God), specifically the word of God's ability to work IN you**. - It is an outright attack on the word but it is especially an attack to keep the word from working IN you because if it does, that's the LIGHT. There's plenty of people that believe good things about the Bible. They believe it's God's word, they believe it's infallible, they believe it's inspired, but they don't know the Truth that's in it. This is the attack to keep that from happening. How would we know about all these things - WORKS OF DARKNESS, Satan's NIGHT, ARMOUR OF LIGHT, etc. - except His word would tell us. We can be sure about these things because they are all in His word. This is working in lost people too. MM says there was a day in this country that even lost people had a reverence for things like the Bible and church and decency, even if they didn't go to church. The word and its ability to work IN you - you are going to be looked at as mentally off balance if what you are getting is from this Bible. Anything Satan wants to disparage, he puts a label on. Men have picked this up, men know how to label things so you are depicted of something bad. It's made to make you back off the stand that you have and later think, 'well, I don't want to be that'. Example label is 'intolerant'. The way to get someone to come off something is to put a label on them. MM says his label is 'hyper-dispensationalist'. Two things: 1. People hate the word dispensation even though it is in your Bible. The more a man's pride grows, the more he tends to reject the word of the Lord.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE EYES	1. Our relationship with God and at the heart of that the word of God and its ability to effectually work in us is attacked by THE PRIDE OF LIFE/prideful thinking. Gets replaced with SATAN'S UNTRUTH.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE EYES	LUST OF THE EYES: Has to do with anything goes morally. These are moral corruptions to the uttermost. Wantonness (WANTON EYES-Isaiah 3:16): The idea that pushes the boudaries of what is out of bounds and pushes those boundaries further and further until finally there is absolutely no act that is person can perform that is considered to be out of bounds or wrong or unnatural or any of those things. Everything is now acceptable. We are not there yet. This is going beyond the things that you are looking at now, this is going to go beyond gender and species to where those things will become the normal. When these things happen out here, the normal relationships will be viewed as evil. The others will be touted as smart and progressive and forward-thinking and inclusive and open-minded and hip and cool and every other word that makes them appealing. Then those outside of that are going to be looked at as dangerous and narrow-minded and bigoted. Will be far beyond anything you see going on now (GH: circa 2015). There's a crime that when a man goes to prison for, even they will not tolerate that. There is coming a day when those things will become acceptable in society. There is coming a day that man can imagine to do that the world at large will not put their stamp of approval on and woe unto you if you oppose it. **Pet parents** - move animals to the position of humans and then take humans and move them to the position of deity. Wantonness removes the word 'preverse' from the dictionary. The believing remnant will be living smack dab in the middle of all of these and the pressure to back off their stand will be intense. To dim that LIGHT. It's what the POE is going to do to them there and to us here. Will be asked to not only come to terms with it but to embrace it and participate in it.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE EYES	**- PLEASANT TO THE EYES-Genesis 3:6** **- Wantonness - WANTON EYES-Isaiah 3:16 - remove the word 'preverse' from the dictionary** **- Lust of uncleanness** **- Eyes full of adultery** **- Heart exercised with covetous practices** **- Concupiscence** **- Lasciviousness** **- No boundaries of what you couldn't do - nothing considered off limits or taboo**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE EYES	**LUST OF THE EYES: Attack interpersonal relationships:** **- Marriage** **- Family** **- The Local Assembly** **- The natural and unnatural use of one's own body** The LUST OF THE EYES category is trying to tear down the divine institutions that deal with interpersonal relationships. This means marriage will be torn down and replaced with something else. MM says we have not nearly seen the end of what the WORKS OF DARKNESS are going to produce here. MM says this will get absolutely horrible and there will be no limits to this whatsoever. At the end of these things working the very depth of their depravity and their evil and their wickedness, marriage will no longer be defined the way people in this room define marriage - between a man and a woman. You say they have already redefined marriage but we haven't got near where this is going. When you get there, they are going to say this is such an enlightened way to think and live, we're so far ahead of that old stuff about one man and one woman. It will go from old-fashioned to detrimental. Will be a sign of poor mental health that you think about things that way. We are going to have to hear you say what marriage is or you are going to be considered a threat to society. The idea of family is going to be dangerous - these narrow minded, intolerant, bigoted, prejudical people are a danger to society.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE EYES	2. Our interpersonal relationships or the divine instituions of marriage & family, as well as how you treat your own body is attacked the THE LUST OF THE EYES/the great WANTONNESS. Try to redefine what family is, what marriage is, and what is the natural use of the body. - Gets replaced with ALTERNATIVE LIFESTYLES. As these alternative lifestyles begin to get traction with mankind and as the course of this world work, then they begin to replace these divine instiutions. MM says we've seen the progression of that in our own society in recent years. Will get to a place where the CALL EVIL GOOD, AND GOOD EVIL-Isaiah 5:20. STORY: MM listening to the news and talking about a Presidential candidate-Ben Carson is not qualified to be President because they believed that everything started at a Garden of Eden and denies the fact of evolution. Looking at someone who has been overwhelmed by Satan's WORKS OF DARKNESS. Not saying personally he wouldn't be a nice guy. The WORKS OF DARKNESS have caused him to openly reject the word of God. The other commentator said he believes in Biblical creation. MM absolutely refutes the idea that someone is mentally deficient because they believe in Biblical creation and he believes this is an indicator of Satan's WORKS OF DARKNESS. It's an indicator that his WoD are cotinuing to be successful and the commentator is merely manifesting the success of what Satan is doing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE FLESH	This is the beginning stages of Isaiah 5:20. After you understand the doctrine in Romans 13, you should see this coming. This is where the WORKS OF DARKNESS are taking us. They would laugh at this take - because they are more enlightened and they're smarter and this is all superstitious mumbo jumbo we're just blaming everything on Satan. The truth is, he is not doing nearly as much as even the people who believe in him think he is doing, we just understand what he is doing. There are people already doing this and that number will continue to grow. If you can say it and get away with it, more people who already think it will begin to say it and the more people that say it the more 'the sheeple' will believe it. The sheeple are a big group of people who just hear someone say something and they believe it. They just fall in with that and at that point, this group will become a very unpopular group. It will go from you are not qualifed to run for President to you are not qualified to run for office to we're not really sure that you're not a danger to society. MM says he knows this sounds crazy but this is where Satan wants to take it, this is what he desires to do.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE FLESH	**LUST OF THE FLESH:** **- GOOD FOR FOOD-Genesis 3:6** **- RIOT IN THE DAYTIME-2 Peter 2:13** **- SPORTING THEMSELVES WITH THEIR OWN DECEIVINGS-2 Peter 2:13 - Sporting (Showing off/Flaunting their) deceptions (errors & promises they make) - the religious lost** **- Drunkeness** **- Excesses** **- Chaos and anarchy**
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE FLESH	**LUST OF THE FLESH: Attack on civil authority, attack on our relationships within society. Civil government is going to come under attack. Examples - those institutions that keep law and order:** **- the police force will come under attack - already see them being painted as the bad guys (GH: MM says circa 2015). That's going to go up the ladder. Remember LUST OF THE FLESH has RIOT IN THE DAYTIME-2 Peter 2:13 and RIOTING AND DRUNKENESS-Romans 13:13.**
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching : Category : LUST OF THE FLESH	**3. Our relationships with civil institutions of law and order. Start in our own community with our own police force and all the way up to nationallty are attacked by THE LUST OF THE FLESH, the great debaucheries or excesses. This allows us to live in a society that is not totally in chaos and violence. It's going to replace it with CHAOS AND REBELLION where the world will return to the way it was in the days before the Flood when Genesis said THE EARTH WAS FILLED WITH VIOLENCE-Genesis 6:11 and endless chaos and anarchy will rule in the place of that.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	**Summary: Satan looked at this and said:** **1. I have to be able to do away with man's relationship with God and replace it with something that actually creates a relationship with me.** **2. I have to do away with God's divine institutions in man's interpersonal relationships. I've got to do away with marriage, family, and how a person treats their own body and I've got to replace that with my substitute so there are no boundaries with men and women, nothing off limits, nothing's tabooo, nothing's considered wrong.** **3. I have got to be able to do away with this civil authorities so that the very fabric of society now can be torn apart. Remember God created human government to control the population**. These are the 3 things that Satan knew he had to get rid of. These are people who despise what God is going with governments, what He is doing in our interpersonal relationships, what He is doing in our inner man through His word. You take those 3 away and embrace the substitutes of those, you have a world that will embrace Satan's prince. They will be THE WORLD OF THE UNGODLY-2 Peter 2:5. They are going to think we are so enlightened, we are so advanced, look at what we've accomplished, and God says I AM going to disannul your covenant with death and I AM going to destroy your agreement with hell and when the overflowing scourge passes over you, you will be trodden down of it. MM says this sounds like light terminology but it won't be. MM reiterating not every sinful thing is a WORK OF DARKNESS because not everything works to do these. Lying is not a WORK OF DARKNESS.
Commentary	Pastor Mike : Hot Topics / GH: WoD Teaching	These WORKS OF DARKNESS are Satan earning the right to bring his MAN OF SIN in and if you can tear away the everything that undergrids every area of our society: **1. our relationship with God,** **2. our relationship with those who are close around us,** **3. our relationship to society and culture** If all of that can get destroyed, he'll bring in his man and save the day. Remember, he is going to come in peaceably. People will look at him and say this is the guy we have been waiting for. All of these will create a situation that will make them receive him. MM says here's what happens - those relationships that we were supposed to have with God, with each other, and with society as a whole - now that's going to get changed. When those 3 pillars are gone and have been replaced with Satan's substitutes, what men will have then is a RELATIONSHIP WITH AND ALLEGIANCE TO THE ADVERSARY (**1. Satan's Untruth 2. Alternative Lifestyles 3. Chaos, Rebellion, Violence)**. MM says when he understands how his Father feels about these WORKS OF DARKNESS and His Attitude toward them, he is going to look at them the same way. He's no longer going to be tolerant of them. Not going to be topics of his sermons but when he sees them and encounters them then he is supposed to have a certain reaction to that. This is going to cause men to rebel against the word of God, which is at the heart of the relationship with Him. They are going to refuse what God has to say and once you've done away with any kind of final authority to govern what's right and wrong, what's good and evil, then men can decide for themselves and that's where Satan wants to take this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	THREE ROADS IN THE EDUCATION: When it comes to the education there are 3 ways for us to proceed. You are on the road to being godly and when you are on the road you are headed somewhere. There are places where the road splits off. There are lanes that split off and take you someplace else. 1. Get in the left lane and you go to 'Selfishville'. MM says he didn't know what else to call it. People that say I am just not going to do anything different. There are eternal consequences from this. Loss of reward. Not loss of salvation. Edification is not going to take place if that's the way you go. If we want to live selfishly, we'll be off to 'Selfishville'. 2. Get in the right lane and you go to 'Flesh City'. This is how most Christians live. We do all of the things that we do in the energy of our own flesh. Trying to live for God, but instead of living for God out of the doctrine, they're just doing it themselves, the very best that they can. You can't justify yourself, you can't sanctify yourself, and you can't edify yourself.
Commentary	Pastor Mike : Hot Topics	THREE ROADS IN THE EDUCATION (cont'd): This is the only way most Christians are ever taught to serve God. Sermons were a lot like motivational speeches, just admonishing everybody to be kinder or pull a verse out of something. But the only way anyone knew how to do it was to generate it in and of ourselves. If you were going to be nicer to people you had to remind yourself to be nicer. But your Father is not doing it this way. When He is talking about selflessness, He is not saying put others first. He is asking us to be that way for a totally different reason. MM admits Flesh City is better than Selfishville but if you are going for godliess, neither one of them are OK. You have to keep the destination in mind. Keep your eye on where you are going. If we want to try and be selfless on our own, it'll take us to 'Flesh City'. 3. We want to take the road to 'Godly Town'. Barbara: **It's not knowing the answers or being about to quote a Bible verse, it's having it in your heart so that it has an effect on you**. MM says that's correct and where we are headed. If we are going to allow the doctrine to work in us which is what this is all about, then it is going to take us to 'Godly Town'.
Commentary	Pastor Mike : Hot Topics	Getting traction with Edification: MM says in the beginning, your flesh is bigger than your edification. There are a lot of people who are used to doing things but they're doing it in order to be exalted in some way. The flesh loves that but it wants to pretend to be humble while its doing it. Your flesh doesn't go away. It's always striving for that. Can we continue to make godly decisions even when our flesh is tempting us to get outside of the godly part which is not for praise and acknowledgment but to do it simply because we love our Father and we love our fellow members enough to be able to do this? It is possible - yes. Don't think you have to get to the place where you never have a selfish thought before you can see that the doctrine is working. Because the decisions that you are going to learn to make are the decisions that you will make on purpose because of the doctrine. If you still want everybody to know what you did or know what is going on, then your flesh is still bigger than your edification. Need to grow your edification and diminish your flesh by living out of the doctrine on purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Getting traction with Edification (cont'd): There comes a point where those things change for you and what you did because you knew it was a godly thing to do and you did it on purpose, there will come a day when all of a sudden that other thing is not nearly as attractive to you - this getting credit/being acknowledged/being appreciated. Don't think we just want everybody to just do whatever they can do and we don't even acknowledge their effort. No - because when you get to v9-10 you are going to get to that side of the coin. But this is not meant to comfort the selfish person, where they think I'm not going to say anything now but later someone else will. This doctrine is supposed to conform you to the image of God's Son and make you give for the right reasons. That same doctrine is supposed to cause others to want to demonstrate their appreciation of your function in the OFFICE of giving. We can demonstrate godliness even in this fleshly body(2 Corinthians 4:11, which is especially that way at the beginning of the education. really tries to assert itself. Don't be discouraged when you feel these tempting thoughts to not do it with SIMPLICITY-Romans 12:8.
Commentary	Pastor Mike : Hot Topics	Getting traction with Edification (cont'd): Just do it and do it with SIMPLICITY. Then the next thing you do, do it with SIMPLICITY. And then the next thing you do, do it with SIMPLICITY. MM says he doesn't think it works exactly this way but it's like the flesh saying this guy is never going to give me credit. I give up. What is really happening is the character of His Son is being built in you so that you don't have to have that, that's not a motivation anymore. MM says how many people quit doing it when they don't get credit? MM is not saying giving someone credit is a big thing, giving with the intention of getting credit is a bad thing. It's not godly giving. We are making the life of Jesus manifest in this mortal flesh and it is a process not a light switch. Just because you are tempted to do it for the wrong reason is not an indication that the doctrine is not working. You have to continue to do that. Especially in the beginning of the education. We make Sonship decisions on purpose and then later they become the reflex. But not in the beginning. Selfless giving looks at what it can do for others without looking at what's in it for me?
Commentary	Pastor Mike : Hot Topics	How we translate these right motives into the heavenly places: We are supposed to learn how to deal with the SOPT, those things that happen to you whether you are lost or saved. Part of living in a fallen world. And for sons and daughthers, learning how to handle the SoC. Concentrate on SOPT for now. **People ask how does this translate to the heavenly places because you are not going to catch pneumonia or fall off a ladder up there because will have a glorified body that won't be affected by these things? The answer is found not in focusing on what you are trying to avoid but what you are trying to produce, what those sufferings are meant to produce - godliness. Godliness will translate into the heavenly places. Don't think about the negative (I'm trying to avoid these types of sufferings), think about the positive. As you respond properly to these sufferings the character of God's Son gets built in you and that does translate into eternity throughout THE AGES TO COME. Don't think of the things you are trying to avoid, think of the things that are getting accomplished - you are being conformed to the Image of God's Son. There's the inner man issue**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Eternal Vocation Commentary: MM says when we are placed in the creature, we will advance after that but we won't advance in your position whereever you are because there is a sequence of events. When you die, where ever you are in your Sonship life, where ever you are in your maturity in Christ, where ever you are in being conformed to the image of God's Son, this is going to dictate your position that you will occupy in the heavenly places. You will continue to learn once you get to the heavenly places. People have this idea that you will get to heaven, God is going to open up the top of your head and pour in all this knowledge and close you back up and you'll just automatically know it all but that's not how it works. There's no Bible verse that talks about that. We will continue to learn because we don't know everything and we need to know because as members of the body of Christ, we have to be able to function like a body and if you don't know how to function that way you have to learn that. Once we die and the DOGG is over, the JSoC will take place (1 Corinthians 3:13-15; 2 Corinthians 5:10). Position won't change once you die and you will be given a position at the JSoC where you are given a account according to these verses. Given an account of THE THINGS DONE IN HIS BODY-2 Corinthians 5:10. When what you are given an account for ends. Means the things done in the body are the basis for the reward that you will received at the JSoC, not the things that you get after that. So if you are thinking, I don't have to do anything here, I can just kind of skate here & get it all there, MM says this is not the way the scriptures portray that, at least not the way he sees it. You will continue to learn there, which will not change your position but will enhance your function. To confuse our position with our practice is usually the reason people don't see things the way they ought to.
Commentary	Pastor Mike : Hot Topics	Issue with unanswered prayer: Preachers say sometimes He says yes, sometimes He says no, sometimes He says maybe. The issue with unanswered prayer is people who do not pray in accordance with rightly dividing the word. If you don't rightly divide the word, you will end up talking to God like you are back in Israel's program and expecting Him to intervene in your phyisical circumstances the way He did for them back under the law when He deal with them not as adult sons and daughters, but as children. Sometimes your prayer gets answered and sometimes not and we chalk it up to well, God's ways are not our ways and we can't figure that out. The truth is, if you don't rightly divide the word, then you know what even your prayer life becomes confusion. This is the number 1 reason for unanswered prayer. The other reason is because we just have that view of prayer that we think prayers is about us giving God a list of things to do. When you understand prayer properly in the DOGG, you understand that prayer is about how you're going to get involved in something that God is doing. If there is something God is doing today, your prayer is going to be about your involvement with that. We have it turned around backwards. GH: We were taught incorrectly. When you understand what God is doing today and are criticized or maligned or mistreated in some way, does your Father suffer with you in that? In a sense, He knows exactly what that's like. But He has given you doctrine that is meant to produce not only a patient endurance of that because now you are going to look at that whole situation differently. He not only wants to make you MORE THAN A CONQUEROR-Romans 8:37 through that and build your edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Using the phrase 'the Father's Business': MM says people have an issue with him calling it the Father's Business. Two things: 1. When the Lord Jesus was sitting in the midst of the elders there in Israel, He said to his mother WIST YE NOT THAT I MUST BE ABOUT MY FATHER'S BUSINESS-Luke 2:49. 2. We use words all the time that encapsulate a whole concept that we are trying to express. We use the word Bible all the time. The word Bible, doesn't appear in the Bible. We don't have a problem with that. We use the word RAPTURE. It doesn't occur in the Bible. We don't have a problem with that. MM uses the word 'Business' to encapsulate with God is doing in this DOGG. When you have a business, you have something that you are engaged in that you are trying to accomplish.
Commentary	Pastor Mike : Hot Topics	On Calvinistic Terms: When you encounter words like CHOSEN, PREDESTINATE, for-ordain, etc. When you get these kinds of words, these terms are never describing who the people are who are going to exercise 'saving faith'. These are describing the position or the standing of those who do exercise 'saving faith'. There are two important things here: 1. Our position in Christ (standing before God): This is our new identity in Christ. It's who we have been made to be. 2. Practical or functional life: How you are living every day. These two things are not the same. It is important to understand which one you are looking at. Because if you get those mixed up, you will come up with doctrine like John Calvin came up with. Try to avoid inventing a doctrine that the Bible isn't teaching us.
Commentary	Pastor Mike : Hot Topics	Why concentrate on edification over education : MM says that in High School he had an Algebra book with answers to the odd questions in the back of the book. There are no answers in the back of your Bible. People teach through the Bible and come up with different ideas. This is indicative of something. It tells you God isn't doing something. We should strive to see what is in the scripture. But there's a lane we should stay in as we study the Bible. The DOGG/Mystery lane for the body of Christ. When you get to an individual verse, people think there are two different views. GH: MM talking about equity and eating meat offered to idols. Live in accordance with what your understanding is and if there is more you will encounter it as you grow in grace. Whatever you think it is, stay true to it. Let that understanding be in your inner man. MM says we go on this quest for knowledge that takes us beyond where we are in our Sonship life. If you have gone through Romans and studying Ephesian and 1 Corinthians, don't worry too much about 2 Thessalonians. If you will concentrate getting the doctrine you are engaged with now working in you, that is actually where the real benefit comes in, not the attainment of all the data, all the information. We have a quest to find out what each verse actually means. MM cheers the effort to do this but don't get the cart in front of the horse here. GH: Better to have 80% of 4 forms of doctrine working in you than 20% of 8 forms of doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Why concentrate on edification over education (cont'd) : Can be so busy getting the education you miss getting the edification. The whole idea is not what's in your head, it's actually what's working in your inner man. EX Can't run over to Ephesians 1:15 if you don't have the Romans doctrine working in you. IF you hear a Pastor preach you ought to follow Jesus' earthly ministry, he's in the wrong lane. Spend the time in the doctrine where you are. The real issue isn't who has the most information and who knows the most and who's got the most answers, and who do you agree with the most, this is a secondary issue. GH: Should continue to focus on getting the doctrine working in you where you are at in the curriculum. It's not enough to be a dispensationalist. It is not enough to just rightly divide the word. These things are necessary and important but they are a means to an end. The road is going to edification. You are going down the DOGG road so we actually become godly people, thinking/doing/laboring like our Father. This is the end result. Need to get the doctrine that transforms you working in you. You can believe in dispensation, RDW, the mystery, the 13 epistles in Paul's doctrine, but none of this edifies you. Just knowing these things does not make you godly. EX MM attacked; response: fired back -> say the right thing but not mean it -> say the right thing and say it for the reasons his Father wants. It's the doctrine that edifies you. Knowing the mystery / RDW / dispensationalism are fundamentally important, but these are not the end, they are the means to an end. God wants you changed from the inside out.
Commentary	Pastor Mike : Hot Topics	Why concentrate on edification over education (cont'd) : Sonship does not mean knowing the mystery / RDW / Paul is our apostle. Sonship means we are responding to the doctrine that is written in God's word in such a way that the life of God's Son can now be lived in us. Sonship is about being transformed by the doctrine we are in now. MM reluctant to disagree with people. First, they may be right. Second, it is not very charitable to disagree them.
Commentary	Pastor Mike : Hot Topics	Why did God need a different dispensation? Why does God go to the trouble to make a dispensational change, call a new apostle, give a different gospel, rearrange everything he is doing in a very different way, and operate it all under grace instead of the law? Paul spends 2 chapters in Romans that says the law will put your spiritual life to death. MM says in most churches, if they see any change at all, they see it happening at the Cross. There's nothing in their Bible that told them that because nothing did change at the Cross. In the first 7 chapters of Acts, they are still over there in Jerusalem with a bunch of Jews coming in for the feast day. Didn't really change, still in Israel's program there. MM is not trying to throw them under the bus but this has led to a lot of wrong ideas like you are going to replace Israel. Why did He need new dispensation when Gentiles were already included (Matthew 28:29; Mark 16:15;Acts 1:8)? God had to interrupt that program. Realize that Saul of Tarsus had committed the unpardonable sin. Jesus talked about blasphemy against the Holy Ghost in Acts 2 when you get that 1-year extension of mercy. During this time, if you got saved you were part of the believing remnant, they didn't know about the DOGG, they thought they were going right out into that 5th installment, the tribulation part.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Why did God need a different dispensation? (cont'd): But if you didn't get saved during that time, that was the blasphemy against the Holy Ghost and now you won't be saved. That was the cut-off. You won't have another opportunity. That's why Jesus said you won't be forgiven in this world, neither in the world to come talking about the kingdom. When it got to the end of the extension of mercy, at the stoning of Stephen, Saul of Tarsus had not received Jesus Christ as his Savior. He held the coats of them that stoned Stephen. So Saul committed the unpardonable in. How in the world could he be saved and become he apostle to the Gentiles? Because that condition was in that program. When He brought in the new dispensation, that allowed Saul or Tarsus to be saved. MM asks imagine how confusing it would be if God didn't call Paul and He had used the 12? They stand up and say we no longer believe the gospel of the kingdoms, we're now doing this thing called the gospel of the grace of God. You are no longer going to obey the law. Now, you are going to fulfil the righteousness of the law without the law. People would be going like, wait, what? Then at the end of the DOGG, would have those same guys saying, wait, time out, we are going back under the law. God has to take the old apostles and strip away their ability to do signs and wonders because after Saul gets saved, they don't have another one.
Commentary	Pastor Mike : Hot Topics	Why did God need a different dispensation? (cont'd): So in Acts 15 when Paul shows up down in Jerusalem, Paul is the only one that has the signs of an apostle. And they're going you know what, there's not much we can say about it because God evidently has His Hands on this guy. So God doesn't reveal it to them, God reveals it to Paul. He gives them all the indicators of what He is doing. So, Paul is now the spokesman for the dispensational change. When people says 'so you are a dispensationalist?' MM says yes. Because God is a dispensationalist. Paul is a dispensationalist. Peter is a dispensationalist (said Paul wrote things he didn't understand). Satan is a dispensationalist. His wiles change with the dispensation. MM says if you don't understand how to RDW, you are going to have trouble in a lot of areas.
Commentary	Pastor Mike : Hot Topics	Doctrine is not the end but the means to the end: MM says he loves the doctrine, wants to live out of the doctrine, he preaches the doctrine, but the issue is not the doctrine. The issue is being conformed to the image of God's Son. The doctrine is part of that process. But don't think the doctrine is the end. Think of it as the means to the end, to be conformed to the image of God's Son. See Romans 8:29. It will happen even if you go kicking and screaming against it. The more you can do here the better. Because once this life is over, everything you have done up to this point is going to determine what you are going to be doing in the heavenly places. You will be kicking yourself that things in this life took precedence over things in eternity. MM says he is not talking about being a big shot in the body of Christ. Not talking about ruling over other members of the body. The greater the position you occupy, the more you will have glorified your God and Savior. Because the only ones that made that possible was them. You can't generate it on your own. Your flesh can't do it. If the word works in you, that's not your word. It was His Spirit that took that word and transformed you by it. So it wasn't your work either. It's going to directly reflect glory to God out of that. MM does want us to learn the doctrine but in the end, it is about Christ being formed in us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Doctrine is not the end but the means to the end (cont'd): It's about us being conformed to His image. The doctrine is just part of the process whereby that takes place and the relationship we have with our heavenly Father, the more we are conformed to the image of His Son. MM asks do you think there is a closer relationship than the Father and the Son have? To be conformed to the image of His Son, our relationship with Him is going to have to get closer and closer. The more we are conformed, the closer that relationship is going to be. Even though it is not like your friends and family that you can see with your physical eyes, the relationship you have with the Father can be your closest and most intimate relationship you have in your entire life. Meant to be that way now and in eternity as well. God the Father thinks that if we could know His Son, and can understand Him the way the Father does, if we can know about Him, then we'll have that kind of relationship with Him. And the more we are made like Him, then the greater the relationship with our Father. Why the doctrine is not the end. Can't just be data in our heads. This has to translate into a living relationship.
Commentary	Pastor Mike : Hot Topics	Throne Timing: To the best of MMs knowledge, the Lord Jesus Christ does not occupy a throne until He returns to this earth to set up His Kingdom. It is true that following His resurrection and ascension, Christ was exalted to sit at the right hand of God the Father, far above all principality, power, might, dominion and every name that is named-Ephesians 1:20-21. And while this is an exalted position for the Son, it is not His throne (Solomon and Bathsheba-1 Kings 2:19). Christ sits in that exalted position until His enemies are made His footstool-Psalm 110:1. It's not a throne in the true sense of a throne - He is not yet ruling on earth, not a throne in the sense of ruling over something. He is not ruling on the earth, even though He has ascended far above principalities and powers and mights and dominions. He is not ruling in the heavenly places right now either. Following His ascension, the Son was seated at the right hand of the Father as a Prince, awaiting the day when He will be made King.
Commentary	Pastor Mike : Hot Topics	Throne Timing (cont'd): He is still sitting there in the DOGG. God has not yet taken to Himself the power to rule this earth. That power was given to principalities and powers and they are the ones who have instigated all the corruption and evil that is in the world. GH: Explaining why the world is in such a mess. Lost people blame the wrong Person on the condition of this world. God has not taken over the ruling of this world. Men (GH: and the supernatural beings controlling them) are ruling this world. They have instigated all of the evil and corruption in this world. If you are blaming God, you are actually blaming the wrong One. There will come a time when God will take that Power and He will rule the world, and things will be very different.

Commentary	Pastor Mike : Hot Topics	Freewill & JSoC: God cannot reproduce Himself. He is eternal. If He created anything, it would not be from everlasting, it would be created. But what He does do is to give man certain communicable attributes. They are the things that He Himself possesses so He can make us in His image. Doesn't mean we get every attribute of God. WE are not any of the omnis. The number one communicable attribute is free will. It is the thing that makes our love and devotion and loyalty to Him mean something, because we choose to do it. If He makes us do it, there's no glory in that. So here's the problem - if you create creatures that have free will that are not God, because He is perfectly righteous (not possible for God to be unrighteous or unjust because of who He is), and they can't be, there is always the risk they are going to sin. He solves this in two ways: 1. JSoC: Not supposed to be an embarrassment, supposed to show you something that MM believes is THE TERROR OF THE LORD-2 Corinthians 5:11. Get a first hand look at how your sin made an impact in the world when you thought it was negligible. MM believes we will all get a look because we don't understand that and that is the reason evil exists in the world. God allowed it to exist because He is teaching you a lesson - this is what rebellion against Me produces. These didn't come from righteousness, they came from unrighteousness and sin and evil. God is saying if you don't like it you have to learn at some point that you got to quit doing what you want to because you are creating this thing.
Commentary	Pastor Mike : Hot Topics	Freewill & JSoC (cont'd): 2. The relationship that you will have with Jesus Christ in eternity: A personal relationship, the one whereby you will finally see Him for who He is. Before the Cross, before God created the world, God was so pleased with His Son He said I WANT to have a family and I want them to all be like My Son. So the goal is to be conformed to the image of His Son so THAT HE MIGHT BE FIRSTBORN OF MANY BRETHREN-Romans 8:29. God wants that kind of a family to fill that up and this is what He is trying to do. MM believes in eternity you will spend time with the Lord. MM believes God looks at His Son and say if you really knew Him the way I know Him, you would love Him more than anything in the universe. You will get that chance in eternity. So when you see what evil produces at the JSoC, even the smallest rebellion, which IS AS THE SIN OF WITCHCRAFT-1 Samuel 15:23, once you see that for what it really is, then suddenly you have a relationship with the Lord Jesus that has been cultivated. MM believes that He will take the initiative in that because of His position. And when He does, MM thinks you will feel about Him in such as way that if you are ever presented with the opportunity to be lifted up with pride or to rebel in any way against God, you would look at that and you would say, I will never ever betray Him. Because God is not taking away your free will. But if you choose to never go back to that based on what you know about sin and how you feel about Him, that glorifies God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Pastor Mike : Hot Topics	Freewill & JSoC (cont'd): One day in eternity, the Lord Jesus will come into your presence and tell you how much you mean to Him. And when He gets through doing that and He is talking to you about the things you are going to do together with Him, when He walks away from that, you are going to be thinking I've never known anybody like that. And if the time ever came that any kind of presentation to be disloyal to Him would come up, you would never do it. MM retells the 'I will never jab my eye out with a pen' story. Once you learn the consequences of sin, Tracy will never have to ask MM 'dad, please don't job your eye out with a pen today'. She doesn't have to do that because MM has already decided he is never going to do that. God is not violating anybody's free will. You have a series of communicable attributes from God. The premier one is free will. God will not violate this. If you have honesty of heart, there is plenty of evidence to believe the truth.
Commentary	People : Abraham	There is a dual fatherhood of Abraham: 1. He is the father of a nation. Abraham has Isaac, Isaac has Jacob, Jacob has 12 sons who become the heads of the tribes. He is the head one, the father of the nation. - Includes everyone who is a physical descendant of Abraham - Israel. There's an incorrect thinking, if I'm part of Israel, I must be in. But when Jesus comes along, He starts talking about it this way - it's not enough for you to just be from Abraham. Now, there's something you have to believe. So, within the nation, there is a believing remnant. That's why Jesus says, don't talk about you have Abraham for your father. GH: Being part of the believing remnant is what is going to count. And you can see in Hebrews-Revelation and even before, there's a remnant within the believing remnant, that is going to hold faithful. The part of Israel not part of the believing remnant are apostate Israel. They are just not saved. The believing remnant is saved Israel. They have been JUEL because they believe Jesus was the Christ. But when it comes to actually now living in accordance with their doctrine, which will give them entrance into the kingdom and a reward, only a remnant of a remnant is going to get that. 2. In Romans 4, there's another fatherhood Abraham has, he is the faith father example to all who believe.
Commentary	People : Apollos	Apollos: Guy named Apollos mentioned in the Book of Acts. He knew what was happening at John's baptism. He believed that Jesus was the prophecized Messiah for the nation of Israel, he believes that He was the Christ. Because of that, Apollos went around preaching everywhere and convincing Jews that Jesus was the Christ prophecized by the O.T. prophets. Apollos was very persuasive and the Bible commends him on a couple points: 1. The Bible says that he is very eloquent. He really has a command of the language. 2. He is very convincing. There's a phrase that the Bible uses describe him in Acts 18.
Commentary	People : Aquila and Priscilla	Aquila and Priscilla: Are a married couple. They are friends of the apostle Paul. Paul comes along preaching this doctrine of grace and they wrap their arms around it. They get saved, they understand Paul's doctrine so much so that they end up going to Rome and starting a church in their home. Then they come back from Rome and begin to assist Paul in some areas and Paul gives them a wonderful review of their work when he says these folks have put their very lives on the line for this Truth and they have served him on many occasions. So they started a church and always looking for opportunities to give the lost the gospel or edify the saints in the doctrines of grace.
Commentary	People : Barnabas	Barnabas: Levite who stands up for Paul in the beginning. They part ways over John Mark. From that time, Paul is called thee apostle to the Gentiles.

Commentary	Person : Cretan	Bigger than describing someone from the isle of Crete, describing not just someone from he island Crete, but it described a type of people who was a serial/pathological liar. You couldn't trust anything that came out of their mouth and they did it without blinking.
Commentary	People : Epaphras	Epaphras: Is one of the members of the Colossians assembly. He is part of that. MM believes he was instrumental in getting that church started. Is the Pastor at the chruch at Colossae.
Commentary	People : Gaius Plinius Caecilius Secundus	Best known as Pliny the Younger, was a successful Roman lawyer prosecuting corruption, government official (including in the treasury), and author of famous letters that paint an important picture of the Roman world around his lifetime. Some of those letters were written to the Roman Emperor, Trajan. Trajan was the Roman emperor from 98 to 117.
Commentary	People : Jesus	The Lord Jesus began something new with Paul: - A new dispensation - DOGG - A new apostle - Paul - A new gospel - Gospel of Christ - A new agency - the body of Christ - A new audience - all people - A new operating system - grace - A new destiny - heavenly places The Lord Jesus is no longer on earth in a physical body. You won’t hear Him with your ears or see Him with your eyes. But, He is talking to you through His written word.
Commentary	People : Jesus : GH: Satan's beef with Jesus	Never in the divine council meetings we are privy to does Satan ask God to join him. But he does the Son. What audacity! You got to be thinking this Guy is really inferior to His Father. Never asks the Father but he is pretty disrespectful to the Father in Job 1. If he can derail the Son, he can have what the Father has. Also, anti-Christ. He disrespects the Son and is jealous of the Son. Really about Satan and the Son more than Satan and the Father. Keith Blades said Satan knows He can't get rid of God but thinks he can replace the Son. The big contention is with the Son. When the man of sin comes in the tribulation to exterminate true Israel in the tribulation, the guy is called the antichrist. MM thinks Satan thinks this is the vulnerable spot. He disrespects the Son, is jealous of the Son, and wants what is promised to the Son. Satan thinks the Son has to earn it and if I can keep Him from earning it, then I can have it. Not about Satan and the Father, it's about Satan and the Son because the Father has put all of His eggs in the basket of His Son. MM says this prideful condition in Satan really took hold in him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Jesus : What the temptations were accomplishing	Jesus starts His ministry where He is carried away in the wilderness and the temptations are given in a different order in Matthew 4 and Luke 4. The reason is in order to function as a Redeemer, you have to qualify in two particular ways. 1. Jesus is being tempted in one gospel in order to qualify in this first way. 2. The second time, those things are coming at Him in a different order. But He is qualifying the second way. You had to demonstrate that, if you were going to be the Redeemer, you had to be able to demonstrate that you were not in the predicament of the ones that you are redeeming. MM says this is common sense. If you had a debt and you were flat broke, then your neighbor, who was also flat broke, he cannot redeem you because he is in the same predicament you're in. The predicament we are in is that we are under sin. He avoids the sin nature by the Virgin birth and by His unblemished life. Meaning He is not in the same predicament we are in. So He qualifies in the first regard. The second is that by providing redemption doesn't bankrupt you and put you in the condition of the people that you were redeeming. If you were redeeming them, you've got to be in a different position than they're in. And then once you perform the redemption, it can't put you in their position. Either of these could be disqualifying.
Commentary	People : Jesus : What the temptations were accomplishing	No record of Jesus sitting on a throne before the Cross, only when sitting at the right hand of the Father. Because of His obedience, He was exalted. MM says Satan's real rub is with Jesus, not with the Father. The inheritance He will get is/was based upon a successful redemption. Because of His obedience, even death on the Cross. Temptations in the wilderness. Temptations in a different order - Had to qualify as a Redeemer in two particular ways - If you were a Redeemer, you had to demonstrate you weren't in the same predicament as who they were redeeming.
Commentary	People : Jesus : Public/Earthly Ministry	Once Jesus began His public ministry, He does things and says things with three Jewish audiences in view. 1) The apostate element in the nation/apostate nation (the unsaved or unbelieving portion of the nation) 2) The believing remnant (those who are JUEL by believing the gospel of the kingdom; everyone who believed/trusted that Jesus is the Christ and cannot lose their salvation) 3) The Twelve (the inner circle of the believing remnant) - the very core of the believing remnant - Some of the things which Jesus says and some of the miracles He performs are meant solely for His inner circle, and not for the entire believing remnant. Point: Whenever you are in the gospel accounts, it is very important to identify which category of people the Lord is talking to, or which group is the intended target of the miracle He performs. When the Lord is in front of a mixed group (apostate and BR), there were times when He wanted to reveal information to the BR, but say it in a way the unsaved would not understand. That is what the parables are about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Jesus : Public/Earthly Ministry	As Jesus begins His public ministry, there are things He says and miracles that He performs which are for the purpose of manifesting Himself as the prophesied Messiah for Israel. This is the general evangelism ministry that is going on for everyone in the nation. This evangelistic effort continues throughout the time of R2I, which runs from the BH (ending the dispensation of gentile grace) up to the start of Daniel's 70th Week. Some things that Jesus says, and some miracles He performs, are meant to do more than just the general ministry of reaching the lost; these things are meant to instruct or edify all the members of the believing remnant. When Jesus is performing the miracles that are the two hallmark signs of the kingdom, they are not coming out of the blue. They are specific because they are showing them what's going to be true for the nation in the kingdom. Two remarkable characteristics in the kingdom: 1. There will be no unclean spirits in the land of Israel. They'll all be gone. One of the signs that Jesus is performing is casting out unclean spirits. When Jesus cast out the unclean spirits, they were cast out of the land area of Israel. Not just out of the person but 30 feet away, they are actually cast completely out of the land of Israel because He is setting forth a sign of how it's going to be in the kingdom.
Commentary	People : Jesus : Public/Earthly Ministry	They have read the O.T., they have heard the O.T. scriptures, they know that's going to be true in the kingdom. Nobody was doing this before Him. Supposed to make people think, this is the way it's going to be in the kingdom. And His message is He is not only the Christ but He preached the kingdom of heaven is at hand. It's right at the doorstep here and in their program it was. So He is coming along, He is preaching the kingdom is at hand, and I AM going to show you what it's going to be like in that kingdom because I AM going to do that very thing that is going to be true in the kingdom. 2. GH: No sickness in the kingdom - the hallmark sign of healing the sick. In the kingdom, there will be no more disease, no more sickness. So Jesus is doing two things that are going to be absolutely true about the kingdom, to substantiate His message that the kingdom of heaven is at hand. When He begins His ministry, He is talking to the apostate nation or unsaved Israel. The miracles are meant to get their attention so that His message would be believers and they would believe on Him as their Messiah. MM says there were some miracles that weren't necessarily meant to evangelize the apostate nation, they were meant to do something for member of the believing remnant. When Jesus is evangelizing the apostate nation, the Bible talks about it like 'they brought unto Him all that were possessed with devils or sick and He healed them all'. It's just blanket.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Jesus : Public/Earthly Ministry	Find that over and over in the gospels. He is doing this with a lot of people. This is the general evangelism of the apostate nation. But when you see a specific one talked about, you are probably looking at a very specialized type of miracle that is meant for a different audience. As Jesus begins His public ministry, there are things that He is doing to evangelize the lost, to make an impact on the, and to remind them of the O.T. scriptures. Because once the 2nd EoM is over and everyone who has said NO to the gospel of the kingdom, that is the falling away. When ministering to the believing remnant, it is not only performing miracles but also when He is speaking. This is what the parables are about. When He has a mixed group in front of Him and there's unsaved people and members of the believing remnant. There might be thousands out there and He wants to say something just to the believing remnant. So He begins to speak in parables. He is not trying to trick anybody or keep them from the truth, He is trying to protect the believing remnant from a time of escalating violence that's going to be conducted against them and He has to tell them how to escape that without letting those that are going to be hunting them down. If He says it where everybody understands it, they are going to know too. So He speaks in parables so only the children of the kingdom will be about to understand. The third audience was the 12 or the inner circle. There was messaging for those that were at the very core of the believing remnant, but not for the believing remnant as a whole. MM says it is important to understand who the audience is that is being spoken to.
Commentary	People : Jesus : DBR Timeline	Understand that all of the things that are happening with Jesus are in connection with the feast days. * 14th of Nisan - Feast: Passover - Death on the Cross (Jesus dies at the 9th hour - 3:00 PM) His blood has been shed, He has taken on the sins of the world, and He has cried, IT IS FINISHED-John 19:30. There is an idea that says, the payment of sins was complete. If it is true that by His shed blood on the Cross, He has paid for every sin and every sin is therefore forgiven, then by the time Jesus “gives up the ghost,” the sins of world; past, present and future, have all been forgiven. But have they? Paul is saying in IF CHRIST BE NOT RAISED...YE ARE YET IN YOUR SINS-1 Corinthians 15:17, if Jesus did not rise from the dead, we are yet in our sins. And in Romans WAS RAISED AGAIN FOR OUR JUSTIFICATION-4:25, there's not going to be any justification. POINT: You can't parse out what He did on the Cross as something different and totally separate from His resurrection. It takes all of that because if He is raised for our justification, there are 3 parts to this. The Bible never talks to you about getting any of these outside of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Jesus : DBR Timeline	You get: * Forgiveness IN Christ * Imputed Righteousness IN Christ * Atonement IN Christ We aren't justified when Jesus died on the Cross. His resurrection made it possible, but you only get justification in response to faith. If you say forgiveness happened just because He died on the Cross, Paul is going to refute that and say, if Christ didn't rise from the dead, you are still in your sins. Which means even after He had done this on the Cross, everybody is still in their sins. So they are not forgiven. Point: If Christ isn't raised from the dead, we are not forgiven. It was His death on the Cross and His shed blood that provided for forgiveness, but if He isn't raised from the dead, there is no justification. And if there is no justification, there is no forgiveness because that is a part of it.
Commentary	People : Jesus : DBR Timeline	* 15th of Nisan - Feast: Unleavened Bread / High Sabbath - 1st day - Tomb/Burial * 16th of Nisan - Feast: Unleavened Bread / Sabbath - 2nd day - Tomb/Burial * 17th of Nisan - Feast: First Fruits - 3rd day - Tomb/Resurrection (Jesus rises early in the morning)
Commentary	People : Jesus : DBR Timeline	* 18th of Nisan * 19th of Nisan * 20th of Nisan * 21st of Nisan
Commentary	People : Jesus : Ministry Sequence	Sequence of Jesus Ministry: * When Jesus comes and when He is born into the world, He is the 'only begotten of the Father'-John 1:18. Only begotten refers to the Lord's coming into the world when He was born of a virgin. * He is anointed while He is here to perform His task as a Redeemer. * When He comes into the world, He takes on flesh and is made 'a little lower than the angels'-Hebrews 2:8. * Next, He dies on the Cross and functions as Israel's kinsman Redeemer, the first mandate of the Davidic Covenant. - It was necessary for Him to fulfill this first mandate before He can put into effect the following four. - This was the only one that was GH: in the balance. Now it has been fulfilled, the other 4 are locked in and inevitable. * Upon His Resurrection, He receives the declaration from the Father, a decree is made 'Thou are my Son, this day have I begotten thee'-Psalm 2:7. Therefore, He is the 'first begotten of the dead'-Revelation 1:5. First begotten has to do with following His resurrection from the dead.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Jesus : Ministry Sequence	* He receives His inheritance and in connection with that He obtains 'a more excellent name'-Hebrews 1:4 than the angels. This will happen between the time He functions as Redeemer (the Cross) and the time he functions as Israel's Deliverer (Day of Wrath). He is not going to get it until He is 'standing'. So when the EoM is over and He is getting ready to stand, He is getting ready to take possession of His inheritance. * He is seated at the right hand of the Father, exalted in the heavens, and He is given by virtue of that inheritance a more excellent Name than the angels. He now waits for the time when His enemies will be His footstool. * Jesus will be anointed again to carry out the remaining mandates of the Davidic covenant. * The remaining 4 mandates of the Davidic covenant are the means by which He is taking His inheritance. The only thing that qualifies Him to do this was to get the Redeemer mandate right. Because He got the Redeemer mandate right, because He did it and functioned as their Redeemer and purged them from their sins, He is now equipped (MM says bad word) and given authority/capacity to carry out or function as the last 4 mandates of the Davidic covenant. * When the day of wrath begins, He will begin the process of "taking possession of His inheritance."
Commentary	People : Jesus : Ministry Sequence	* There are things that are going to be done, like doing away with the old heavens and earth and bring in a new one. He gets the authority to do this is when He is raised from the dead. Remember what He said to the apostles - 'All power is given unto me in heaven and in earth'-Matthew 28:18. He is going to take back what has been given to Him and annihilate the policy of evil completely.
Commentary	People : John the Baptist	When John the Baptist came on the scene, he outlined the entire program with Israel: 1. He administered the first baptism which was a baptism of repentance in water. 2. He then spoke of the Messiah functioning as Israel's Redeemer. 3. He speaks of the baptism of the Holy Ghost that will complete the prescription for cleansing which was administered at Pentecost. These would be the clean remnant of Israel, the little flock that would be brought through the day of wrath.
Commentary	People : John the Baptist / GH: GPPI/EoM verse	John the Baptist was a prophesied man with a prophesied message. He preaches a baptism of repentance and follows 400 years of silence. He carries the message that Israel is told that they need to be looking for. He is speaking those comforting words that your Messiah is coming after me and that the kingdom is at hand. Those are the things that comprise that message. He outlined God's program with Israel and gave the "prescription for cleansing" (3 baptisms: water, Spirit, fire) for the nation (and the rest of the program for Israel). That prescription contained the three baptisms; the water baptism of John, the Holy Spirit baptism by Jesus and the baptism of fire for the apostate nation, also administered by Jesus Christ. His comfortable words: * your Messiah is coming right after me * the kingdom is at hand
Commentary	People : John the Baptist / GH: GPPI/EoM verse	If they would demonstrate that faith in that message by being baptized by John. But John sees another group who was not listening to or believing that message and he calls them a GENERATION OF VIPERS-Matthew 3:7. But for those that believe this message and are baptized by him, later they will be baptized by the Messiah with the Holy Ghost and that would result in them becoming BORN AGAIN-John 3:7.

Commentary	People : Josephus (not in the Bible; Historian)	Josephus recorded Jewish history, with special emphasis on the first century CE and the First Jewish–Roman War (66-70 CE), including the Siege of Masada. His most important works were The Jewish War (c. 75) and Antiquities of the Jews (c. 94). The Jewish War recounts the Jewish revolt against Roman occupation.
Commentary	People : Libertines	As Rome conquered the world, it took slaves of some of the people they conquered and some of them were Jewish slaves. As time went by, some of these slaves earned their freedom. They started/formed Synagogues with an emphasis on freedom, that were specific to being free men, so they called them the Synagogue of the Libertines. People that were ex-slaves. Please see Acts 6:8-11 for more information.
Commentary	People : King James	King James IV of Scotland became King James I of the UK.
Commentary	People : Nero	On his rise to power, he had his mother killed, then had his wife murdered; this is a guy that wanted to be in charge no matter what. Saying: Nero fiddled while Rome burned. MM says Nero didn't actually fiddle at all while Rome burned, he actually wasn't in Rome when the fire started. He was away. MM says that was a fire. All of Rome was divided into 14 different districts (they called them something else). 10 of the 14 burned in the fire, it burned for more than a week. It was said that some thugs that were actually preventing people who are trying to put out the fire. The reason Nero was suspected is because in the inner city of Rome, he wanted to level all of those buildings and build a huge palace for the Caesar to rule from. But the Senate didn't want to destroy all of those buildings that were already in that areas. If those buildings burned down, their objection would be taken care of and he'd be able to build his palace. When he gets back to Rome he actually does a couple good things: 1. He opens up areas to accommodate homeless people who have been made homeless by the fire. 2. Opens up the storehouses to feed people who don't have any way to survive.
Commentary	People : Nero	He does do this, but make no mistake, he is ruthless, a cheat, a liar, a murderer, every dispicable thing you could imagine in a ruler. We don't know if he was behind the fire or if thugs were trying to prevent them being put out. Lots of rumors always rise and we believe the ones that are about people we don't like and don't believe the ones about people we like. We do know the things he did to get into power. We do know that when the pressure got put on Nero that he was the one that started the fire or hired someone to start the fire, he started to look around and see who he could put the blame on. He looked around Rome and found 'a small religious cult' that was engaged in bizarre sacrifice activities and wild orgies and he blamed them - the Christians. These were the things that were 'rumored' about that bunch. We would look at that and say those rumors were probably given to discredit that bunch and MM thinks that's probably true. Why go to the trouble to be a Christian when you could participate in all the ungodliness you wanted as a mere Roman? You didn't have to be a Christian to get that, actually to be a Christian cost you something more. Once they got blamed by Nero for the fire, the reason was they were trying to make their end of the world prophecies come true, so they orchestrated this fire.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Nero	Once that happened, Nero put out an edict saying that the persecution of Christians was fair game. MM says you would not believe the long list of atrocities carried out against Christians by Nero and the rest of the Roman population. Nero had those Christians impaled on spikes and lit them on fire to light his garden at night. To be a Christian was really going to cost you something and it was going to be more than 2 centuries before the automatic persecution of Christians was going to reversed in the Roman empire. (GH: MM telling this story as part of governmental justice-Romans 13:1-7). There were a lot of people who were burned to bits in the Colosseum and were just killed outright. Immediately, upon the revelation of this news, hundreds of Christians were slaughtered. They went underground, meeting secretly. Back then, it cost you something to be a believer. It wasn't like oh yeah, I'm a Christian, I go to church. You could lose your life and everyone you loved could lose their life over that issue. Nero only lasted a few years after this incident. He was ousted by the Senate and the army and he wound up committing suicide. While Nero is in power and all of the persecution of Christians is going on, Paul says LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS-Romans 13:1. When the Christians were being persecuted by Rome, they didn't quit meeting, they went into catacombs (GH: underground cemetaries) and met secretly. If you got caught, you'd be killed and plenty were. They weren't praying, oh God, you have to bail us out of this, they understood the consequences of this.
Commentary	People : Nimrod	Is a type of an anti-Christ. Really is Satan's guy.
Commentary	People : Paul	Paul's messages: 1. The lost Jew and Gentiles - the gospel of the grace of God 2. The remnant - God set your program aside and He is now going to work with Gentiles apart and in spite of Israel. Paul has all the signs of an apostle. Otherwise, the Jew won't believe his message if he doesn't exhibit it. Paul - People ministering along side - Barnabas and Timothy - People ministering to Paul's needs making it possible for him to go do what he is doing - People ministering to Paul's wants - not I want a new Mercedes - genuine wants for ministry's sake - Epaphroditus - Philippians 2:25 Does not write a single letter to a church that is not involved in the Sonship education. Only exception is 1 Corithians. They were in it, they dropped out, and he wrote 1 Corinthians to get them back in the saddle. Big context to pay attention to - nothing is outside of Sonship. Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul	Paul: Goes to Arabia for 3 years and Jesus reveals to him the Mystery of Christ, which are the doctrines that we are to live by in this DOGG. Paul writes this down in the 13 epistles that belong to him. - They are arranged in your Bible in the exact order that they should appear. - In Bible college, MM taught it was a travesty that Paul's letters weren't in chronological order. MM says that would have been the travesty. They didn't realize God was preparing an educational curriculum by which you will be edified in godliness. Paul Timeline: - Saved on the Damascus road - Goes to Arabia and gets the revelation of the mystery - 3 years later comes back to Damascus, then he goes to Jerusalem - Goes on all these different journeys to establish all of these different churches - At some point, he is in Asia, establishing these churches and encountering some problems. Churches of Asia Progression and enduring hardness (sufferings of Sonship) - After that, writes 1 Corinthians - 1 Corinthians is one of the first books Paul writes and he has already visited and established those churches in Asia. Traveling and preaching and establishing churches. - 2 Corinthians is written pretty early too. - 2 Timothy is the last book Paul writes. By now, he is a fully educated son.
Commentary	People : Paul	Last days of (Paul talks about both): - DOGG - Israel's program Except for David, Paul has more of his prayers in the scriptures than anyone else. Paul: Debate on whether he was married or not. Pretty sure he didn't have children. If he was married it would be good if she thought about this the exact same way because it would be tough if she was fighting it every step of the way. Paul was smart, educated, a Pharisee, prestige of being a Pharisee, son of a Pharisee, educated at the school of Gameliel, hired by the high priest to hunt down Christians. Paul was married because he was on the Sanhedrin and you had to be married to be on the Sanhedrin. Paul says some things very differently from the way it was said back in the Gospels. He is a guy that most commentators and people of higher education in religion don't like. He sticks out like a sore thumb. He is different and he is supposed to have been different. He is an apostle to different people in a different dispensation. When they don't recognize that, they just notice the fact that he's so different they really don't like Paul and they'd really not like to just leave him out of their discussion altogther.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul	Practically everything that Paul writes in his epistles is centered around godliness and it's components in one way or another. MM thinks Paul had poor eyesight from the stoning and is why he had scribes for some of his letters. Paul says some things very differently from the way it was said back in the Gospels. He is a guy that most commentators and people of higher education in religion don't like. He sticks out like a sore thumb. He is different and he is supposed to have been different. He is an apostle to different people in a different dispensation. When they don't recognize that, they just notice the fact that he's so different they really don't like Paul and they'd really not like to just leave him out of their discussion altogther. Everything Paul is saying is dispensational. If he is talking about the O.T., it's in relation to what's happening today.
Commentary	People : Paul : Question: Married?	Question: Was Paul ever married? The scholars are split. Some say he was never married and was always on his own. Some deduce that Paul used to be married since he was evidently a member of the Sanhedrin (as he cast his vote in Acts), and it was a requirement for members of the Sanhedrin to be married. Again, we are assuming, as Paul never identifies himself as part of the Sanhedrin and the scholars are divided. So, supposing that Paul was a member of the Sanhedrin and that he was married (he may have been), we can now assume that either his wife died and Paul is on his own (MM leans here-thinks Paul may have been a widower), or, that once Paul became a believer in Christ, she said I'm out and left him. But either way, she is never mentioned. MM is not going to be dogmatic either way but Paul never mentions his wife one time.
Commentary	People : Paul : Letters	Paul's letters are a form of Biblical theology-just concerned about one thing and that is the text or verse that you are looking at and what it says (opposed to systematic theology: Takes a topic that looks at a word all across the Bible and tries to synthesize them all into a single doctrine).
Commentary	People : Paul : Letters : Groups	Paul's epistles get divided up into two groups: - Group 1: To churches: * Named after where letter is sent (Romans, sent to Rome, etc.) Romans, 1 & 2 Corinthians, Galatians, Ephesians, Philippians, Colossians, 1 & 2 Thessalonians * Some areas received multiple letters - 1 & 2 Corinthians - MM says this is better than 1 Paul, ... 13 Paul, like Peter and John. - Group 2: To individuals - the Pastoral epistles: * Names for who received them 1 & 2 Timothy, Titus, Philemon
Commentary	People : Paul : Letters : Features of Paul's Letters	Features of Paul's Letters that make them different from everyone of them: - Paul is the 1st word in each epistle - he is introducing himself - Prayers for readers - prayers in his epistles for the people who he is sending the letter to - Sometimes he is answering questions because they have actually communicated with him and asked those questions - EX 1 Corinthians - Addresses issues that are taking place in these different churches - He gives them doctrines to believe and things to do - He includes greetings from other saints that he is aware of and that no doubt the churches are aware of

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Roles	Paul's Roles: - Apostle: an early church leader who had the authority to speak for Jesus or speak on His behalf; told the believers at that time what they should believe and what they should do; where believers got instructions prior to the scriptures being written; Paul is different from the other apostles in a couple ways: * He is a Pharisee: a religious sect of Judaism that was opposed to Jesus and persecuted the church; when we first meet Paul, he is a Pharisee. * Becomes a Missionary after his conversion: Paul founds churches all across the world * Paul's writings become known as Scripture: By the time Peter writes 2 Peter, Paul's writings were being understood to be inspired scripture; originally referred to the O.T., but later the N.T. writings.
Commentary	People : Paul : Spiritual Gifts Commentary	Paul's apostleship is unique. He is the apostle to the Gentiles. Nobody had all the gifts with the possible exception of Paul. His were going on before the gifts were given. It was through his hand that elders were ordained and the church got organized. Then the Spirit bore witness to the acceptance of all that now being in operation. MM speculates that maybe the gifts are partial because everything is not coming directly through the apostle Paul, versus when you get the completed revelation of scripture, it is all coming from Paul. MM also says the form in which the truth was presented was different. Not that the truth was different. The doctrine is the same, but the form in which it took was not the same. Paul received the initial doctrine from the Lord Jesus. Paul goes on his first apostolic journey where he goes into the synagogues and informs the Jews that their program is no longer in force, and that God is now offering salvation to the Gentiles apart from the agency of Israel. As Paul witnesses to the Gentiles, they believe his message. Paul forms a local church and ordains elders. Not only does Paul do this, he instructs Timothy and Titus to do this as well. Once the Gentile converts are organized into a local assembly by either Paul, Timothy, Titus, or an elder of a church that was ordained of those men that organized the church, the Spirit gave gifts to the members to accomplish the operations of God in their midst; edification being the chief operation for the assembly proper, which is why Paul says to “covet earnestly the best gifts.” Eventually, the gospel spreads to places where Paul has not yet been. Those groups of converts organize into churches, such as the church that was in Aquila and Priscilla’s home in Rome, before Caesar kicked out all of the Jews. Once it was revealed to Paul, then that may then be revealed to others who had the appropriate gift.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Spiritual Gifts Commentary	Paul gets this doctrine and understands it, but he is not writing any inspired epistles for almost 20 years after the Damascus Road experience. In the meantime, God is using spiritual gifts to accomplish all of the various operations that He wants accomplished within the local assembly. But there are other things going on outside the local assembly - there's a message to Gentiles, there's a message to Jews. And God has a lot of different operations going on. When Paul takes his first apostolic journey, he is in Antioch/Syria and then he journeys up into Asia Minor, he's up there at Lyrica and Illyracum ad Antioch/Pisidia. When he is doing this, he is obeying his TO THE JEW FIRST commission. When he goes into a town, the Jews are being educated that now God has set that program aside temporarily, and that God is now offering salvation to the Gentiles apart from the agency of Israel. So when Paul does that, he fulfills that responsibility in front of the Jews. He will preach the gospel to the Gentiles. Not all of them, but a number of them, hear the gospel and believe. Here's what Paul does. He then organizes the into a local assembly. When he organizes them together, he ordains elders who will help lead this church once he goes on his way. It is MMs understanding that the gifts of the Spirit do not begin to function within that group of Gentile until Paul has organized them into an assembly/church and has appointed elders so that there is a structure of authority there. Within the local church, the Spirit is now giving those spiritual gifts to different members to accomplish different things.
Commentary	People : Paul : Spiritual Gifts Commentary	Everywhere Paul goes, this is the kind of thing he is doing. He is not doing this alone. He also tells Timothy to do this same thing. He also tells Titus to do the same thing. These guys are organizing these churches, ordaining elders, etc. Because if you're not really formed together as a church, the spiritual gifts don't really have a body within which to operate. To MM, this makes perfect sense. We find that Paul gets known in places that he hasn't gone to yet. EX Aquila & Priscilla & their home church in Rome, before Caesar kicked out all of the Jews. They didn't come out of the blue, but Paul hadn't been to Rome yet. Paul doesn't go to Rome until he goes to prison. But there's a church over there in Rome already. People in a church who are not from that town at some point go home and witness to their family and friends. Some would probably believe. Then they would go back and then return with an elder to organize them into a local assembly. Once they are formed there's a structure now that the Spirit can begin to do with the spiritual gifts what He was already doing in the original church. MBI is ordaining guys in Summer 2025 is keeping the chain of doctrine correct, so it is not just a bunch of guys doing whatever they want to do. At MBI, saying we are ordaining a guy that sees the scripture as we see it. The fundamentals, an agreement about grace, about the programs, about right division, about the unique apostleship of Paul etc. That way you keep going the way you were because you don't want the next generation veering off course doctrinally.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Spiritual Gifts Commentary	Paul continues to be taught as his ministry goes forward. The structure then is very different than when you later have the completed revelation of scripture and the MORE EXCELLENT WAY-1 Corinthians 12:31. MM thinks the local church is a classroom so that you can be learning the doctrine so that you can be conformed to the image of God's Son. This is the main purpose of the local assembly. And MM the Pastor is doing this. But you see back then in 1 Corinthians 14, there are a whole lot of things going on from a lot of different people when they assembled together, when the spiritual gifts were in operation. See instructions like LET THE PROPHETS SPEAK TWO OR THREE AND LET THAT BE IN ORDER. And not just the prophets, also have the guys that have the gift of teaching. There were a lot of things going on in that service that made it very confusing and chaotic. Why Paul is giving them a lot of instructions about LET EVERYTHING BE DONE DECENTLY AND IN ORDER. Because if you don't have some guide about how to do that, it would be really easy for that to just become total confusion. Add to the fact that the Corinthians were doing the very things when they assembled together that they weren't supposed to be doing. So Paul is trying to solve that and take a very difficult thing and make this work the way God intended for it to work. MM reminded of the axiom never underestimate man's ability to corrupt what God is doing.
Commentary	People : Paul : Times Paul Refused Ministry Support	Three situations/times in which Paul declined/refused support by those he is ministering to - exceptions from the norm: 1) Paul does not take any support from the Corinthians as a rebuke against the Corinthians in light of his critics and his enemies who are questioning his motivation. In other words, because of what he is being accused of, by his critics at Corinth, Paul will not take a dime. He doesn't want to hinder the work that he is doing among the Corinthians. so I'm going to forebear getting any of that. He is not complaining about it and he is not saying well, once you guys learn better you'll do the right thing. MM says he doesn't like the way preachers beg for money in this day. 2) Paul refused to be supported by the Thessalonians when they first became an assembly because they were too young and very few and he did not want to put that financial burden on them. He said I'm not going to receive anything of you. Get your feet under you and get yourselves established. To make it easier for them to get their assembly established, he declined for them to support him. Paul determined that when they first organized as a local church, it would be unwise to put an extra financial burden on them.
Commentary	People : Paul : Times Paul Refused Ministry Support	3) Later, after the church was well established, Paul did not take any support from the Thessalonians because there were some in that assembly who thought a minister should not be paid. Paul goes OK, that's how we'll do it. Paul doesn't despise any of that. He knows exactly where they are and what's happening with him and he gladly restricts his own rights and position as an apostle and limits his own liberty for their spiritual good and he is glad to do it. Paul will teach that it is proper to support those who minister and that a church supporting its pastor is a sign of spiritual maturity and doctrinal understanding. These other guys exalt themselves, but Paul never exalts himself in a way of vainglory. These other guys have even physically assaulted them what kind of ministers can these be? Even with all this, the Corinthians cannot seem to see Paul living the doctrine and cannot see him as the apostle, friend, mentor, and guide that he is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Paul's Doctrine	Paul's doctrine (which is our "commandments of the Lord"): 1) is not a performance system 2) does not carry physical punishments or blessings 3) builds our inner man (which the Law could not do - it couldn't build anyone's inner man) 4) is for what God considers to be adult sons and daughters who take personal responsibility for serving their heavenly Father (the Law was given for what God considered to be/for "children" - children get regulated) 5) powered by grace, it can't be powered by our flesh and that grace actually transforms our inner man and conforms us to the image of His Son so that we not only have the power to do the right thing, but we also have the desire to do the right thing and that's the big difference (the Law: powered by the flesh - the law itself did not have any power to have them keep it, there's nothing there that will give you the strength to do it, you just make a decision out of your own flesh) 6) includes liberty - we are free to make choices/Sonship decisions about the things in our lives (the Law did not - don't have liberty when you look at the legalism of the law)
Commentary	People : Paul : Paul's Epistles	Paul's epistles are usually structured/constructed around a central argument. Usually, the first half of his epistle is devoted to the doctrine behind this argument (working out his argument) while the second half is usually more practical/application. Matches the godly thinking and then godly living pattern. In the doctrinal section, the argument is being worked out while the application of the doctrine is seen in the second section. Therefore, as we study, we should be able to do two things: 1) we should have a general grasp of the argument (doesn't mean that Paul is debating), and once we have that, we can 2) proceed to the particulars. We must understand the general argument and then we must follow Paul as he works it out in all the details. Because everything is built upon the previous, we cannot understand the argument (main premise) of the second chapter if we are not clear about the argument of the first chapter. When I say "argument" I am not necessarily talking about a debate, but rather the setting forth of a doctrine or principle or premise or thesis. Should be able to understand what is Paul's argument. What is he trying to do? What is he setting forth? Then once you get that, then you get the particulars in the second half where he is laying out the application.
Commentary	People : Paul : Paul's Epistles	OED: Argument: 4) statements or reasons intended to establish a position. MM doesn't think that anyone will plumb the depths of Paul's epistles, doesn't think that will ever get done even if you do it every day of your life. The more you learn, the more you see that you never knew was there before. The purpose of Paul's epistles is to conform us to the image of God's son. He wants us to become in our everyday practice what He has made us to be in our status IN Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Paul's Epistles : Doctrine Structure	All of Paul's epistles are specifically to us and about us as members of the body of Christ. They are arranged in an educational order. These are progressive, moving from the more simple to the more complex, and the things you are learning as you go are all based on the previous things that you learned. Everyone of Paul's epistles contain FORMs OF DOCTRINE that are meant to generate some aspect of godliness in us. Means that they have doctrine in them that is meant to transform us and conform us to the image of God's Son. Christ being formed in us is the goal, not just just a bunch of intellectual data on the Books. Paul is our apostle and we ought to cultivate a knowledge of Paul and a love for him as our apostle. Back then if Paul was coming to your town, you would be excited about that, it would be a big deal. Getting a letter would be a big deal too. The more you think about Paul being the apostle to us Gentiles living in the DOGG, even though he has gone to be with the Lord, these words should not carry any less weight than if the apostle were standing in front of us behind the lecturn and talking to us as members of one of the assemblies.

Commentary	People : Paul : Paul's Epistles : Acts Epistles vs. Post-Acts Epistles	Acts Epistles: wrriten during the time of Acts 9-28 (Foundation for Grace Age - 'Junior High'/children/milk - predominately Jewish churches): - Romans (there's a diminishing but then a fulness - foundation for the milk) - 1/2 Corinthians (divisions/babes in Christ/carnal/actions out of line with who they were in Christ) - Galatians (law/doctrine confusion: saved by grace but Judiazers try to make them live like they are under the law) - 1/2 Thessalonians (thought they missed the Rapture and were in the Day of the Lord) Books that give people fits today. In the dispensation of grace WITHIN the diminishing of Israel. Paul is in the synagogues. He is preaching to Jews FIRST. Laid hands on people to heal them up to Acts 28.

Commentary	People : Paul : Paul's Epistles : Acts Epistles vs. Post-Acts Epistles	Post-Acts (THE MORE EXCELLENT WAY-1 Corinthians 12:31 - 'College'/meat/the perfect man[maturity]-understand the doctrines and the Word is effectually working in your inner man): - Ephesians (commission, ambassadorship - foundation for the meat, find out who you are IN Christ) - Philippians (conversations in the heavens) - Colossians (Christ in you) - 1/2 Timothy - Titus - Philemon 2 Timothy 4:20 - Trophimus have I left at Miletum sick Paul says to Timothy TAKE NO LONGER WATER BUT A LITTLE WINE FOR THY STOMACH SAKE AND FOR THINE OFTEN INFIRMITIES - 1 Timothy 5:23 Why didn't Paul heal Trophimus or Timothy? Not getting shortchanged, showing a more excellent way. Book of Acts is not only the record of the fall and diminishing of Israel (which is over in Acts 28), everything changes after it. Change comes moving from milk to meat-the work of the word of God by the indwelling of the Holy Spirit effectually works in you to produce that PERFECT MAN so you can get all of those things that are provided for you IN Christ.

Commentary	People : Paul : Paul's Writing	1. Paul writes efficient: he packs a lot into every word and every phrase he is writing. When studying Paul you need to break those sentences down. Take a sentence and: a. Identify terms and words and phrases: that you already know what they are talking about. If you don't know them, find out what they are. b. Identify the parts of speech/Get your parts of speech correct: identify what the subject of the sentence is, highlight the nouns (person, place, or thing), then get all the verbs and circle them, ID the modifiers (adjectives and adverbs) i. Enallage (anything else for anything else EXCEPT nouns) [in-AL-uh-ghee - sort of like 'analogy' and pronouncing the 'an' as 'en'] is a figure of grammar; and consists of an exchange of words or a substitution of one word for another, but never one noun for another. There are four types of enallages in language. - MM says an enallage is when the author of a book changes this thing out for this thing in every instance EXCEPT when it is noun for noun (a metonymy). ii. Enallage differs from Metonymy (noun for noun) [muh-TAU-nuh-mee] (q.v.1) in that Metonymy is the exchange or substitution of one noun for another noun: 1 Corinthians 14:32 The spirits (i.e., the spiritual gifts) of prophets are subject to prophets: i.e., they are able to use them to edification according to the instructions given in Scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	People : Paul : Paul's Writing	- MM says a metonymy is when your Bible takes a noun and replaces it somewhere in the passages with another noun. It's always a noun for a noun. - EX 1 Corinthians 14:32 iii. Types of Enallages: 1. Antimeria (exchange a part of speech for something else); [an-tuh-MEER-ee-uh] is a change of one part of speech for another: EX Genesis 32:24 And Jacob was left alone; and there wrestled a man with him until the breaking of the day. (The infinitive “breaking of the day,” is used for the noun (“dawn.”) 2. Heterosis (tense, mood, person, number); [het-a-ROY-suhss] changing one tense, mood, person, or number for another: EX John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. (The past (loved) for the present (loveth), God continues to love the world, not just at a point in the past; EX Romans 8:30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. (The past (glorified) for the future (as though we are already glorified.) 3. Antiptosis (case), [an-tuhp-TOH-suhss]; changing one case for another EX Ephesians 1:7 In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace; Grace is the subject, and it is the exceeding wealth of this wondrous grace which has abounded toward those who are "accepted in the Beloved." By Antiptosis the one is put for the other, and the noun "riches" is put for the adjective: i.e., His exceeding rich grace.
Commentary	People : Paul : Paul's Writing	* MM says this is when you exchange case in grammar. One case for another. When you take a noun and turn it into an adjective. +E11778c. Observe the Punctuation: Tells you something about what's going on. d. Order: If there's a list in a verse, pay attention to the order that's in the list. Ask the question - 'why is it in this order?' There is a reason. e. Context: MM says he should have put this higher on the list or put it on the list multiple times. 2. Paul uses different grammatical constructions when he's putting together these things in his epistles. Two things should be in your mind: (1) This guy has a lot packed in here so I need to pay attention to what I am reading. (2) Paul is not only doing the things in #1 (writing efficient), but he's using a whole different grammatical construct * EX Ephesians 3:1-7
Commentary	People : Pliney the Elder	Was a Roman. Among other things, Pliny the Elder wrote the world’s first encyclopedia. His Natural History contained over a million words in 37 volumes. Pliny attempted to document all known facts about the natural world and his Natural History was an authority on scientific matters up to the Middle Ages. Pliney the Elder reared and educated his nephew, Pliney the Younger, Gaius Plinius Caecilius Secundus.

Commentary	People : Tychicus	The scriptures mention Tychicus five times. He first appears at the end of Paul's work in Ephesus, so we surmise that he must have been a convert of Paul, while Paul was in Ephesus. Later, when Paul returned to Jerusalem where he would be arrested, Tychicus was one of the seven who accompanied Paul as traveling companions. Like Luke, Tychicus stayed with Paul through his journey to Rome, including his arrest and imprisonment in Cæsarea, his voyage and shipwreck on the way to Rome and his house arrest in Rome awaiting trial. We believe that Tychicus was the scribe to which Paul dictated the letter to the Ephesians. This is the man to whom Paul has given two duties: 1) to deliver the letter to the Ephesians along with letters to the Colossians, Philemon and a mysterious lost letter to the Laodiceans (Colossians 4:16). 2) to relay to the churches in Asia about Paul's situation and how he was doing.
Commentary	People : History : Preacher : John Stott	England Preacher/Anglican bishop and theologian who lived in England from 1921-2011. Stott was well-known and a major influence in changing evangelical views of sanctification. The Keswick Convention, an annual gathering of conservative evangelical Christians in Keswick, England, founded in 1875, is one of the oldest conferences in the world. In 1965, John Stott addressed the Convention by expounding on Romans 5-8. His key point was that, while our union with Christ makes sin incongruous/incompatible with us, it does not make it impossible. It's because sin is not impossible that Paul calls on us to count ourselves dead to sin to live in a way consistent with our new identity in Christ. On marriage: "it is the sacrifice of self in the service of another. It is a service of the will, not a victim of the emotions." He means that we choose (it is a choice/decision) to sacrifice ourselves in the service of another; it is not something we do because we feel like it. If our obedience to our responsibility is dependent upon our emotions, Satan has us right where he wants us. Because what if your feelings just go away? Stott was instrumental for changing the way conservative evangelicals viewed sanctification. One of the main figures who moved the church into the understanding of sanctification.

Commentary	Place : Corinth	In 44 BC Julius Caesar reestablished Corinth as a Roman colony. The new Corinth became the administrative capital of the Roman province of Achaia. Although Corinth had already been around for several thousand years/long time, it became one of the major cities of the world in the 8th century (think during the reign of Uzziah, king of Judah, prophet Isaiah) due to the location of the city. As Rome was conquering the known world at the time, when it came to Greece, four/4 Macedonian Wars were fought in an effort to keep Rome from gaining control of Greece. Shortly after the Fourth Macedonian War, the Achaean War of 146 B.C. was fought between Rome and the Greek Archaean League(an allianced among the city-states that banded together to keep Rome from taking control of Greece), trying to keep Roman from being in control. This league was an alliance of Archaean and other Peloponnesian states in ancient Greece. The capital of the league was Corinth. City-States were big enough to have its own government and army. They banded together to resist the Romans from taking control of Greece. After the Macedonian wars, there's the Achaen war.
Commentary	Place : Corinth	- Corinth was a large, wealthy city with the ability to defend itself, due to both its large army and its geographically defensible position(great ability to defend itself) . Also, had a double port, one each side of the isthmus. In ancient Greece, there were various city-states which joined together to resist the Roman's Republic. This alliance was called the Greek Achaean League. It, along with others, decided to resist Roman control. This was the start of the Achaean War. The main battle was over quickly (it was a rout), but the Romans stopped their advance toward Corinth for the winter. But in the spring, 23,000 Roman infantry and 3,500 cavalry began the assault on Corinth. Corinth could only muster 13,500 infantry and 650 cavalry. The numbers are lopsided. The Battle of Corinth was a rout. To make an example of anyone who stood against Rome, those Greeks who survived the battle were granted freedom… except the Corinthians (who were the ring leaders, to make an example of them). On orders from the Roman Senate, the Roman army massacred the entire Corinthian adult male population fighting against the Romans and enslaved all the Corinthian women and children without exception. Corinth was the ring leader and Rome wanted to make an example of them. General Mummius was careful not to enslave anyone who was not a Corinthian. Then they completely destroyed the city. The walls/buildings were torn down all the buildings and all the weapons and military equipment (to the Romans arsenal) in the city was handed over to the Romans.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Place : Corinth	Finally, almost a century later, Julius Caesar ordered Corinth to be rebuilt and in 44 A.D. (been a pile of rubble for a century), he made it the capital of Achaia; the southern portion of Greece. Paul does not show up in Corinth until his 2nd apostolic/missionary journey, which started in 53 A.D. Because of its location on the four mile wide isthmus (GH: neck of land) separating the Mediterranean Sea and the Aegean Sea, Corinth became an important transit point for trade between Europe and Asia. Smaller ships were transported over the isthmus on rollers. Sailing around Achaia to the south was dangerous, espeically during the winter. Better to avoid all of that, plus it is a longer trip, you have the danger of losing everything. Corinth is called "wealthy" because of its commerce, since it is situated on the Isthmus (4-miles wide - got started under Nero - sent criminals and slaves to Corinth to dig this out - it was solid rock and didn't get finished in Nero's life time) and is master of two harbors, of which the one leads straight to Asia, and the other to Italy; and it makes easy the exchange of merchandise from both countries that are so far distant from each other. In addition to their wealth, Corinthians worshipped Aphrodite, the Greek goddess of love, beauty, pleasure and procreation. The Romans called her Venus. The worship of Aphrodite is believed to have started around the 8th century B.C. and fully developed by the time of classical Greece (510 B.C. – 323 B.C.) with the temple of Aphrodite atop the Acrocorinthus, the mountain overlooking Corinth. The “Acrocorinth” means “upper Corinth” since it was situated on a mountain just behind the city of Corinth. Why the city was so defensible. Before the Romans destroyed that temple, MM says it was a full-blown circus of debauchery. After it was rebulit, the Romans allowed so many false gods that it never returned to its prior days.
Commentary	Place : Corinth	- Another important aspect to Corinth culture was the Isthmian Games which it began to host around 580 B.C. This huge international athletic festival (and music competitions), second only to the Olympics and dedicated to the Greek god Poseidon, took place every two years. Paul references when he talks about running to receive the prize. In 146 B.C., when Corinth was laid to waste and its inhabitants killed or sold as slaves, worship at the temple of Aphrodite ceased but the Isthmian Games continued, hosted by a nearby city. In 44 B.C., Julius Caesar colonized the desolated Corinth as "Colonia Laus Iulia Corinthiensis," (from which “Corinth” gets its name) rebuilt it as a Roman city and by 27 B.C., it became the capital of the Roman province of Achaia. As its wealth grew, Corinth again hosted the Isthmian Games, where victors of each event won a wreath of celery stalks. The Isthmian Games: a festival of athletic and musical competitions in honor of the sea god Poseidon was held in the spring of the second and fourth years of each Olympiad at his sanctuary on the Isthmus of Corinth. Held from 580 B.C. to 146 B.C. when Rome came in to destroy it. - By the time the apostle Paul arrives on the scene, Corinth has the largest population in Greece (just 10 years after the reconstruction started) with Greeks, Jews and Romans. While the majority of Corinth was Greek, the Latin names mentioned in Paul’s letter attest to its Roman influence. As an important point of commerce, Corinth was also inhabited by Phoenicians and Phrygians from the east.

Commentary	Place : Corinth	- After Corinth is rebuilt, the temple of Aphrodite is restored with its culture of promiscuity; however, the worship of Aphrodite never returns to its former glory. By this time, the Roman empire facilitated the international spread of ideas and religion, and gods from other cultures merged. - In addition to the Roman gods (Dii Consentes), which were similar to the ancient Greek gods (12 Olympians), two cults that existed during the first century bear mentioning: 1. The cult of Isis 2. The cult of Mithras
Commentary	Place : Corinth	- Religious Background: The religious background to Corinth extended well beyond Judaism, Christianity and Aphrodite which Paul possibly alludes to in 1 Corinthians 8:5. Some scholars speculate that Corinth was influenced by pre-Gnostic thought; however, there is no evidence of such a belief system developed during Paul's time. Instead it is likely that components that would lead to the development of the Gnostic belief system in the second century existed during this syncretic religious environment. - Cultural Influence: From his letters to the Corinthians, Paul writes to a church comprised largely of Gentile and Greek members. As new members of Christ, they bring with them a lot of baggage with their pagan and cultural influences such as glorifying wisdom and ecstatic utterances, eating meat offered to idols, promiscuity and the denial of bodily resurrection. Need to understand this to see what they are valuing and what is important to them and how they are thinking about things and why Paul has to defend certain things that he says. The cultural influence is unique unto itself. Paul addresses cultural influences around meat offered to idols and what you need to be and what you need to know to really be someone of value. Is a society of the haves and have nots and the acceptable and the lower people of society. What do we do about meat offered to idols? What do we do about promiscuity? In Corinth, it was a badge of honor to be promiscious. Prostitutes in the world were referred to as a Corthian girl. Christians were under tremendous pressure to live right and in doing so were demoted in the minds of the masses. There was intense peer pressure to behave in a certain way, to conduct yourself in a certain way. It tempted people to be 'a secret believer in Jesus'. I'll be a believer in Jesus but no one will know it.
Commentary	Place : Corinth	Had church leaders that thought they would never grow the church with Paul's message and that they needed to change it (Phase 1 attack of the POE). See 1 Corinthians as a commentary on Romans because these are the people who were confronted with the Romans doctrine and veered away from it. Paul is writing 1 Corinthians to get them back on track. - City Layout: There was a central courtyard called an agora like a town center, a big open public area with shops and businesses around it. There was a big, high platform and whoever was in power would come out and sit on that platform and you could come with any legal matter and get a judgment (GH: 1 Corinthians 6).

Commentary	Place : Ephesus	**Please see images and photos of Ephesus in the 'Maps and Visuals' section at the back** Introduction to Ephesus - historically, geographically, and culturally. Located in what is today modern-day western Turkey. Paul visits Ephesus twice. His letter is written while in prison in Rome - prison epistle. When Paul writes the Book of Ephesians, he has been a prisoner for about 5 years. The Roman Empire made the city of Ephesus a provincial capital. Population around 250,000. Ephesus was the second (or third?) largest city of the Roman Empire. It's one of the top 5 cities in the world, population-wise. It was one of the most important Greek cities and the most important trading hub of the Mediterranean. For centuries, the city served as a crossroads between the East and West GH: port city and the way it was laid out geographically. It was a trade hub and a lot of people moved there. Culture is worldly since people coming from all parts of the world. Paul visited Ephesus twice; once, briefly (just there for a little while with a couple people-leaves Aquila and Priscilla there), on his 2nd journey (near the end) and again, for about three years (longest period Paul spent at any place-he is teaching), on his 3rd journey (on his way out). This was the longest stay at any one place in any of his journeys.
Commentary	Place : Ephesus	His letter to the church at Ephesus was written while he was in prison at Rome, somewhere around 60-61 A.D. When we comes back, he doesn't go to Ephesus because all of the turmoil there but stays in Miletus. He calls for the elders at the church at Ephesus to come and meet him at Miletus. It's a very emotional story because Paul knows he is never going to see them again. He meets with these elders and gives them parting instructions before sailing back.
Commentary	Place : Ephesus	Was a difficult area to carry on ministry/not an easy place to carry on ministry: - Size of the city: Ephesus was a port city and at the time of Paul, 4th or 5th largest city in the world and the second largest in the Roman empire. Housed a large amphitheater seating around 25,000 people. This theater is mentioned in connection with Paul several times in Scripture. The city of Ephesus also hosted athletic events similar to the Olympics. Ephesus sat at the intersection of four major roads in Asia Minor. The settlement history in Ephesus can be traced from the seventh millennium BCE. However, its most famous site – the Temple of Artemis (Greek) or Diana (Roman) – was constructed in the sixth century B.C. . Point: The size of the city alone is enough to overwhelm a missionary. It's a big city, very busy, very cosmopolitan and that makes ministry difficult.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Place : Ephesus	Economy is run through trade and idol worship. It's got the temple of Artemis, it's got big sea ports, it's got a big theatre, it's got a stadium, it's got a library. A cultural and trade center of the world. On a personal-level, there are a number of house churches, the first Paul established circa 52 A.D. during his second apostolic journey. Paul writes Ephesians in 62 A.D. after being in prison about 2 years. Paul wasn't there long but left Aquila and Priscilla in charge. Later, Apollos joins them as the main teacher in the various house churches. About 4 years later (GH: 56 A.D.) Paul spends 3 years there on his third apostolic journey. People in Ephesus know Paul and Paul knows them. They were some of Paul's closest friends. You were there for 3 years and grounded them in the Romans doctrine. They understand about their new identity in Christ, meaning they knew about their justification, sanctification, adoption, establishment, the dispensational change, the 5 core features of godly love that they are living out of and being generated in them. Paul's farewell to the elders and leaders of the church in Ephesus is recorded in Acts 20. 62 A.D. Paul has been in prison a couple of years and decides to write a letter to the Ephesians. Knowing this, what would you be praying for the Ephesians for? How would you pray for the Ephesians? The way Paul prays for the Ephesians is the way we are supposed to pray for each other. Whenever you think to pray for someone, take into account where they are spiritually, how far along they are in the doctrine. If you pray for someone's edification, it would be helpful to know where they are in their own Sonship life in their edification.
Commentary	Place : Ephesus	- The entrenched idol worship and diverse paganism and the culture of Ephesus was steeped in materialism and carnality. Not just Diana, you have everything including the worship of the Caesars. There was a cult which deified the Roman Emperor. Caesar Augustus was spoken of as the “Savior.” His birth as hailed as "the birth of the savior" and “the beginning of good tidings to the world” and the calendar was adjusted in light of his birth. Statue of Trajan and he has his foot on the world. The thing that put Christians at odds here is that when a Christian said “Jesus is Lord,” he was saying or implying that “Caesar is not”, putting you at odds with many people in Ephesus. Tough to preach the gospel in this environment. MM says today everyone is accommodating to everything but Christianity but the same thing was true then too. Ephesus was also the headquarters for the worship of Diana (if you are Roman) or Artemis (if you are Greek). The Temple of Diana is one of the Seven Wonders of the World. The temple was twice the size of any other Greek temple and four times larger than the Parthenon. It had 127 columns which were 18.3 meters (60 ft) high and 1.2 meters (4 ft) in diameter. It took workers 120 years to finish the temple.

It has everything under the sun and there's a big long list in Ezekiel 26-27 about all the nations of the world that came to do their trade there. Commentary	Q&A	QUESTION: Why does Jesus reign for 1,000 years and then there's another rebellion at the end? Why doesn't God solve that when you go into the Kingdom and good from then on? The Kingdom will expose and eliminate God's enemies. It's the same wedge principle - He rules with a rod of iron - think scary, strict punishment. Wedge concept - will cut through the masses and put them on one side or another - people are either going to respond to that rod of iron saying we are going to be over here with the believing remnant and we are going to respond positively and properly to this righteous rule. But there is going to be other people that wind up on the other side of the wedge that are saying we hate this. Rule will make everybody expose which side they are on. The wrong side of the wedge will be destroyed.

Commentary	Q&A	QUESTION: If you are not part of either of our assemblies (Monahans or Glen Rose) in Texas and you are following outside of Texas, if we are supposed to BE OF THE SAME MIND ONE TOWARD ANOTHER-Romans 12:16, is it wrong to have a best friend? ANSWER: MM says this is not what this is talking about. Because of your individual personality, there will be people that you will meet that you will more readily attach a liking to than others. MM used the Sonship circles analogy - the believing remnant, the 70, the 12, the 3. Did some things with the 3 that He didn't do with the other 9. Doesn't mean that He didn't care for them all. He ministered to each of them, He died for each of them. The Provision that He made on the Cross was accessible to them all. Do you think He may have felt closer to some than others? Read the gospel of John and how John talks about himself, the disciple whom Jesus loved (See John 13:23, 19:26, 20:2, 21:7, 20.). MM thinks that John was younger than the others and had a real attachment to the Lord but may not be the case and not relevant. What is talking about in Romans 12:16 is our treatment of each other as members of this body and our concern for the edification of every member. Have to be just as concerned for Linda's edification as Barbara's. It's fine that there are people you naturally want to hang out and gravitate to but when it comes to this business of being a body and accomplishing this work and being sons, we shouldn't be looking out and saying I don't really care about Amanda's edification but I really care about Ruby's. This is the thing it is correcting here. We are not going to treat some member of our body as though it is unimportant.
Commentary	Q&A	QUESTION: Where is the root that will jump start the little flock at the start of the tribulation? ANSWER: MM pauses and playfully pulls his collar away from his neck. Says he has a couple ideas. There has to be an event like John the Baptist preaching and baptizing in the Jordan during the earthly ministry of Jesus. If they believed that message they showed it by being baptized in the Jordan River. God will orchestrate some event that will preach. Once Israel's program cranks back up, the gospel being preached will be the kingdom is at hand and the historical Jesus is the prophecized Christ. Something has to jump start this and there will be some Jews somewhere that hear that message and say YES. They have something then they didn't have at the time of John the Baptist - have Matthew, Mark, Luke, and John who give you undeniable, infallible proof that Jesus was the Christ. Before He ever shows up at His Second Advent, someone will look at that and believe that. MM says there may eventually be prostlytes but at first it will be Jewish people determining something about their Messiah. Israel will be perceived the way they were before. God will be working with them, not the Gentile nations.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	QUESTION: What's going to happen to the unsaved that are still alive at the end of the tribulation and the Second Advent? ANSWER: They are going to live into the time of the kingdom, but not in the land of Israel. Remember in the beginning, the kingdom is the land of Israel. It's got to spread to the rest of the world. They will be living outside that and if they don't obey then there are certain things that will happen to those nations. God says He will cause it not to rain, have drought, etc. If they die in the Millenium, they'll end up in hell. There will be plenty of people born in the Millenium that will not trust Jesus even though He's sitting on the throne of David ruling the world. They won't love Him. Every one of those folks will be dealt with at the end of the Millenium. They come up against Jerusalem in last great battle as the sand of the sea shore. The rest of those will be taken care of by the Lord at the judgment. Remember the Great White Throne judgment will judge everybody. Even if you made it all the way to the end, as someone who was not a believer, you're going to stand before the GWT, you'll be judged, and then you'll be cast into the lake of fire.
Commentary	Q&A	QUESTION: If a Jew today believes Jesus was the Messiah, do they become a member of the body of Christ? ANSWER: MM getting technical, but if all he believes that Jesus was the prophecized Christ, this doesn't necessarily mean that his sins have been atoned for on the Cross because he may go back to the sacrificial system and think that his sin is going to be paid for by the blood of bulls and goats. If a Jew was sitting in Monahans and believed in the DBR, he would very much be a member of the body of Christ. Will be in the heavenly places and be a son. The fact that he is a Jew means nothing today just like the fact that we are Gentiles means nothing today. In fact, we used to be far off. Now God says in GRACE, it is for everybody which is great news for Jews because a Jew who rejected Christ, once grace came in, he gets a whole other chance to be saved.
Commentary	Q&A	QUESTION: What if Israel had not rejected their Christ but had received Jesus as their Messiah? ANSWER: MM says that would change everything. Means a lot of things that were written about things that were going to take place, there would have been no need to have written about those things. If they had repented during the CoP and really come to the Lord, there there would be a lot portions of your Bible that wouldn't be in there now. MM says he can't guess all of that because it didn't happen that way. It did happen that way. The only thing that we can deal with is the way that it did happen. So all of those things are in there and God knew how that would work.
Commentary	Q&A	QUESTION: During the Acts period, people who were saved under the gospel of the kingdom, and part of the gospel of the kingdom was that this Jesus, that John the Baptist declared, He's the Christ. And if they believed that He was the Christ, that faith made them JUEL. That's what saved them. ANSWER: So they became part of the Lord's little flock. Many were still alive by the time Paul gets saved on the Damascus Road. They don't become part of the body of Christ, they are still part of the Lord's little flock. Why they are in a diminishing stage. God had changed programs, and no one saved now is going to be added to the little flock. They will be part of a new creature/creation, the church, the body of Christ. That starts with Paul and then everyone after that hears that message and becomes part of the body of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	QUESTION: What ends this DOGG? ANSWER: When grace is no longer being accepted or no longer being preached so there's no more reason to offer grace so that would be a time to end the program. When God has enough sons and daughters to occupy those heavenly places.
Commentary	Q&A	QUESTION: 'If a lost person does good stuff, what about that? What disqualifies that? Why can't God look at that say say that counts for righteousness?' ANSWER: Any righteousness that a lost man does cannot save him. Any righteousness that a lost man does any good thing, he is doing it out of his position in Adam which is under sin and unrighteousness.When a saved man does something right, he does it from a position IN Christ, which he is forgiven of his sins, he's been given imputed righteousness, and he has atonement. Reason why God can look at a lost guy and say I reject what He does is because it is done from a position of Adam, as an enemy of God. The saved guy is doing it from a position of being IN Christ, who has made at One with God. Coming from a whole different place. It's not about the act, it is where the act is coming from. The righteous things a lost man does are not righteous, because they come from the condemned position of being in Adam. QUESTION: 'If a lost person does good stuff, what about that? What disqualifies that? Why can't God look at that say say that counts for righteousness?' MM will answer that, but understand that any righteousness that a lost man does cannot save him. God says there is only one way for that to happen and that is for you to have perfection. If you miss that, you are in big trouble.
Commentary	Q&A	When God sees the saved man do good things, He goes 'I really like that'. When He sees a lost man do good things, He says 'that means nothing to Me'. Only reason you can do that as a saved person and its righteous is because in Him you have been given righteousness and you were made a servant. He did all that for you so God can look at and say 'I like that'. God is not just looking for righteous acts/good deeds that can be produced by anybody, including a servant of sin. He is looking for a particular kind of righteousness. People may say I don't care what you say, when a lost man did good deeds, that was righteous. See Romans 6:19 and find out that God wasn't just looking for righteousness, He was looking for righteousness that was unto holiness. A lost man can never produce that, it has to do with your sanctification. Until you receive Jesus as your Savior, otherwise you are like Israel and you think you can produce your own sanctification by keeping the law and you can't do that anymore than you can produce your own justification.
Commentary	Q&A	Springboard to Chapter 6. See grace is not only a free gift, it has the power to do something. Grace is the greatest power God has at His disposal. Given last because this grace is the power you will need to live your sanctified life. If not living in the power of grace, you are living in the energy of the flesh. Only 2 options you have. You can try to do it the best you can or there's a power available to live this Christian life that supersedes anything we can ever conjure up on our own and it just happens to be the greatest power God has at His disposal.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	QUESTION: Are we going to start working as a son/daughter immediately even though there are a lot of people that don't know what is going on? ANSWER: First, if you die before the end of the DOGG, you are not going to work in the heavenly places immediately. But when the DOGG is over, there is going to be the JSoC and it is at that JSoC that you're going to receive the position that you're going to hold in eternity. All of that is going to be measured out there. Also, at the Blessed Hope, the soul and spirit of those who have already died will come back and they'll be put back into their body and raised up into a glorified body. Then there will be the JSoC where you'll receive your position in the heavenly places. But MM thinks that before you immediately go into the heavenly places and do that, there's something, an event, that has to take place in the third heaven. It's at the event which is described over in the Book of Revelation where John is standing with the 24 elders around the Throne and there's the Father sitting on that Throne and the four cheribum are around the Throne and it talks about the Lamb came and took the book from Him that sat on the Throne because no one was found worthy to open the book and loose the seals. John wept because no one was found worthy and one of the elders said behold, the Lion of the tribe of Judah hath prevailed to open the book and loose the seals. That of course was the Lord Jesus and that book contains the title deed for the earth. There's some other things in there too but MM believes it is at that point that He's going to begin to possess the earth back to the Lord and that is when we go into the heavenly places. The other part of the question - what about people that don't know anything about being a son? Once the entire body of Christ gets up there, that whole group has to function together. That's why it is called the body of Christ. What about people that don't know this? There's nothing in your Bible that says God is just going to open up their head and pour the knowledge in. They will have to learn it. Their position isn't going to change. Even those who are not FES/FED will have to learn some things. MM says the head of the body is the Lord Jesus Christ and the head is where the thinking goes on. Those folks will have to be trained because when it comes to delivering the creature from the bondage of corruption it is going to take the body to do that. You won't need rest or want rest because you will be in a glorified body.
Commentary	Q&A	QUESTION: How are we going to buy these things/spiritual merchandise? ANSWER: MM said it is not exactly clear how exactly we utilize that wisdom and begin to make a purchase so he is going to give you an answer today but it's going to be a very general answer. When you get WISDOM and you put that wisdom into use, that is what allows you to purchase these pieces of merchandise. Just having it won't be enough. It's having it AND using it. Will see in Romans 12-16. You are going to learn how wisdom gets applied in different situations and if someone is without that wisdom, they are going to see Situation A and Situation B and say they look the same to them but you will notice a difference and why it is better to do one thing in this circumstance and another thing in that circumstance. Angels will not have that ability. You will.

Commentary	Q&A	Q: What did the folks in the tribulation do to deserve the wrath built by the Acts 7 world? A: Paul says whatever it was when it was in Acts 7, as we go through this DOGG to the tribulation the ungodliness of the world has continued to increase. MM says look at Israel today - they have not received Him. When this program resumes with Israel, at some point the members of the believing remnant are going to have to come into existance again because at the Blessed Hope all saved people were taken out so there is no remnant on earth at that time. So there has to be the production of the believing remnant once again and the response by the rest of the nation will be? Jesus said you will be hated for My sake. They are going to suffer a lot. It will be precisely like what it was when the program stopped when the program picks back up. The thing that makes the wrath worse is that all during the time of the DOGG where God is using His Goodness to bring men to repentence, not the stick of the law, but the carrot of grace, men have dispised that Goodness and now they just think they can do whatever they want and get away with it. So God is enduring with much long suffering. Satan's COTW-Ephesians 2:2 didn't stop at Acts 7, it has continued all along. The WORKS OF DARNESS-Romans 13:12 are still being produced and ungodliness is still going on. We think things are getting pretty bad, but if you are living in a part of the world where people are getting put to death because they are a Christian, you are not thinking things are getting pretty bad you are thinking they are bad. Today, God looks at the ungodliness of israel that has reached a zenith in the DOGG - the way God is dealing with the whole world today and God is looking at a people that still want a sacrificial systen, they've rejected the sacrifice of God's Son, they don't want that and the apostate nation will continue that.
Commentary	Q&A	Q: Can't Satan read the end of the Book and see how this is going to end? A: Sure he knows what's in there. Q: Why then is Satan going to all of this trouble? A: Has to do with the remaining portion of the NIGHT out there (GH: Between the end of the DOGG and the start of the Day of Wrath.). There is something happening out there that constitutes the reason why Satan doesn't throw in the towel. If he keeps this whole world in DARKNESS this gives him an opportunity to do something. If he is going to hold onto the possession of the earth, he is going to need to keep everybody in the dark. That is the key for him maintaining the usurped possession of the earth that he got back in the Garden and everything he did was so that he could hold onto that.
Commentary	Q&A	Q: Will the DOGG end in apostacy? A: MM believes it will. You can be a believer but it will be like being a member of the believing remnant and going back into the temple and acting like the sacrifices are a legit deal. There will be believers in the DOGG but this thing (MM referring to the attacks in 2 Corinthians 1-7:16) is going to take its toll.
Commentary	Q&A	Q: Can a Christian be oppressed? GH: possessed? A: No because that assumes you are being possessed by something. Assumes you are possessed by a devil or by God.
Commentary	Q&A	QUESTION: If Jesus told his disciples to not go to the cities of the Samaritans and Geniles in Matthew 10, why did He take them to Tyre and Sidon? ANSWER:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	Q: When did the church start? A: - John R. Rice - prominment Baptist preacher, read THE CHURCH IN THE WILDERNESS-Acts 7:38, defined church the same everywhere in the Bible and said the church started there. - Some say at the Cross - Most Baptist think it started at the day of Pentecost and the coming of the Holy Spirit. That's when they think things changed. - You can go to Exodus, the Cross, or Acts 2 and you are OK. But if you go to Acts 7, you are a hyper-dispensationalist. Exodus to Acts 2, you are in the clear, but go just 5 more chapters, 1 year, and you're a hyper-dispensationalist. Most people calling MM a hyper-dispensationalist don't understand what a hyper-dispensationalist is. Hyper-dispensationalists break the DOGG into pieces.
Commentary	Q&A	Q: When will the DOGG end? A: Satan is working to bring the world to the rejection of God. He will do this by removing or corrupting the divine institutions. These are the underpinnings for the whole of society and civilization, and they provide the most favorable conditions for men to hear and believe the gospel. Satan wants to bring this dispensation of grace to an end, so that he can bring his “man of sin” onto the world stage. Wrong views/ideas about this: * There is a magic number of how many people are going to be in the body of Christ and when the last member of the body of Christ gets saved, God will withdraw His offer of grace and then He will pull the body of Christ out and then resume His program with Israel. This only works if you have a Calvinistic doctrine in mind. Will not end when the final member of the body of Christ has been saved, as though there is a magic number God is waiting for. Yes, God knows the number, but that is not what governs the dispensation of grace. This view certainly works with a Calvinistic view of the world; God has picked a number and once that number is reached, no one else gets a chance. MM disagrees with this view. Doesn't think God has a number in mind that's a magic number and suddenly when we get to that number, it doesn't matter who else would've done whatever, He is just going to pull His grace and now here we go. Doesn't find this anywhere in scripture and can't get it implied anywhere. Knows it is a nice idea but doesn't think that God is waiting on a number.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	* The Lord's got to come soon because the world is getting worse and worse. By the world getting worse and worse, then surely the coming of the Lord must be near. The dispensation of grace will not end because the world is "waxing worse and worse." God not only expects that, but He has a remedy for that; grace. WHERE SIN ABOUNDED, GRACE DID MUCH MORE ABOUND:-Romans 5:20. The more men sin, the more wicked they become, the more God can demonstrate the power of His grace to forgive men and change their lives so that they too can receive an eternal weight of glory. Point: God does not stop extending grace because the world is getting worse and worse, for this is an opportunity for God's grace to "much more abound." God anticipates the world getting worse and worse and He anticipates this, having an antidote for it-Romans 5:20. The problem isn't the world getting worse and worse, that just means grace abounds more and more. The thing which will cause God to close this dispensation of grace is the same thing by which He interrupted His prophetic program with Israel. There is an end to God's program with Israel. There is a sequence of events and a "end game" when the Lord Jesus returns to put down His enemies and set up His kingdom. There's no predicted end of the DOGG.
Commentary	Q&A	It is meant to go indefinitely. Why there are no 'signs' that the end is near. Point: Knowing that grace and works are antithetical, what is the only thing that grace can accept? Faith! So, what is God looking for in this dispensation of grace? Faith! And what will it take for God to stop offering grace to the world? For the Gentiles to remain in unbelief. GH: See Romans 11 for more details. Gentile unbelief will stop the DOGG. When the world, for whatever reason, no longer wants God's offer of grace, then God is perfectly just in withdrawing his offer of grace to the world. And when that happens, He will end this dispensation of grace by returning with the souls of all who have trusted the gospel of the grace of God; He will raise the dead, corrupted bodies and change them into incorruptible bodies, reuniting them with their soul and spirit. For those who are living at that time in mortal bodies, they will be instantly changed to immortal bodies. This is the event in 1 Corinthians 15:51-58.
Commentary	Q&A	Q: How do we dispose of this natural body? How should we prepare our bodies so that when the Lord returns, He can find them and restore them? Is there a "Christian" way to bury our dead? A: Different cultures treat or dispose of their dead in different ways. Three obvious ways to bury the dead: WAY 1: Cremation (back to dust in a couple hours): Examples in Europe go back to 3000 B.C. In ancient Greece, cremated their fallen soldiers as a way to honor them. Early Rome adopted cremation and enacted the first laws regarding the practice of how cremation was supposed to go. With Constantine's Christianization of the Romans Empire, burial practices largely replaced cremation except for times when the spread of disease was a concern. Where the idea that embalming was the Christian way to bury someone came. Early societies practiced cremation because they believed that without a body, the dead could no longer hurt the living. About 1900 B.C. Hinduism and Buddhism cremate their dead and have practiced cremation based on the belief that the god of fire received/accepted sacrificial offerings on behalf of all the gods. Constantine did away with cremation and wanted to do the embalming thing. Where the Christian idea came. Even though the first cremation in this country was in 1876, it wasn't until the 1970s that cremation began to be a popular alternative to embalming and burial.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	In the 1970s in the US, cremation caught on as a viable alternative to embalming and the funeral service. Today, over 50% of the deaths in the US are dealt with by cremation. Up until the last 50 years or so, cremation was not much of an issue in this country. This was true for a couple of reasons: * The culture in this country has dictated that we embalm and bury our dead. But, in the last several decades, people have begun to question certain things in the culture. GH: People realized the embalming wasn't a godly or Biblical as first believed. * The cost of traditional funerals has gone sky high, especially when compared to cremation. Burial prices are expensive - median cost of a funeral is $10,000; if cremation, it's $1,000-$3,000. No viewing with cremation. MM says with Billie, he put photographs everywhere. The temperature at which the cremation of a person's body takes place is somewhere around 1400 to 2100 degrees (typically 1800F) Fahrenheit. After about 2 hours, the body mass is reduced to about 5% of your original body weight. The "ashes" are usually around 5-9 pounds, whatever didn't burn up. for an adult. Usually just small bone fragments, which get put into a grinder and then it's the "ashes". Not really ashes, just the part of the bone that did not burn up. Cremation is a hastening of the natural decaying process. Up until 1966, the Roman Catholic Church banned cremation because they believed that cremation somehow destroyed the soul and prevented a person from being resurrected.
Commentary	Q&A	This is why the Roman Church burned heretics at the stake. They believed that if they burned your body, then you can't be resurrected. This is why they dug up John Wycliffe (who translated the Bible into English) way after he had died from "consecrated ground" and burned his body and spread the ashes in the River Swift. Thinking that way he could not be resurrected. Cremation is a hastening of the natural decaying process. Some people think it is a sin to cremate the dead, while other people are not sure, and still others think it is okay. According to the Bible, two things happen when our physical body dies: 1) our inward man (our soul and spirit) exits out of our physical body - FOR AS THE BODY WITHOUT THE SPIRIT IS DEAD-James 2:26 2) the body wastes away - BUT MAN DIETH, AND WASTETH AWAY-Job 14:10 When the Bible says that our body will return to dust; it is not describing how that happens, but what the end result will be. The issue in the Bible is not how you return to dust, but that you will return to dust. What is important is not what is happening to your body, but what's going to be happening to your soul when it exits your body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	WAY 2: Embalming (takes longer but you cannot undo the 'back to dust' process): Only slows down the decomposition process. A body that is embalmed will take years to decompose. A body by itself will decay in days. A body cremated only takes hours. Goes back to 2600 B.C. - Ancient Egypt - driven by a belief. Egyptians believed in an after life AND in order for a soul to be resurrected, the body had to be intact. Developed and went through a complex mummification to preserve the body. MM says this sounds pagan but you are going to see the church get involved in this as well. In Europe, embalming wasn't practiced for religious purposes during the Middle Ages, but only for preserving bodies for dissection and study. Changed in the 1800s. Modern embalming began in the U.S. during the Civil War, driven by the need to transport fallen soldiers' bodies home. U.S. didn't start embalming until the Civil War when they wanted to preserve fallen soldiers until they got back to their home where they were from so they could be buried. Gave rise to funerals. This rise in embalming led to the development of the funeral industry with licensed embalmers and funeral directors (evolving out of the embalming trend). Formaldehyde replaced arsenic-based fluids in the 19th century. This gave rise to the Christian idea that somehow this was the way to treat a body.
Commentary	Q&A	- Orthodox Jews typically do not use the embalming process. Jewish law and tradition generally prohibit embalming, as it is seen as a desecration of the body and interferes with the natural process of returning to dust. The belief is that the body should return to the earth as it was created, according to the verse in Genesis 3:19. - Judaism does not embalm and does not have an open casket or wake. Point: The ancient history of either embalming or cremation indicates they were not done for godly reasons. The Bible does not tell us which way to handle the body of those who die. WAY 3: Direct Burial (back to dust in a couple weeks or months): This is the one that was happening from the very beginning. When someone died, took their body and buried it directly in the ground. Usually put in some kind of simple container and then buried directly into the ground. Didn't embalm it or anything like that. When this happens, the burial happens fairly quickly. Body buried shortly after death, within 24-72 hours max after death. There's no viewing or no visitation involved, because this all had to be done pretty promptly, so embalming is not necessary. A memorial service may be held at the graveside or later, but that was about it. Today, direct burial is still allowed in the US.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Q&A	There's some state laws and local cemetery laws that you need to pay attention to. Probably the least expensive way to bury someone. Sometimes in a coffin and sometimes not. Direct burial usually costs less than the "traditional" full-service funeral. Direct burial dates back to the earliest of human burials. Still allowed in the US. Dates back to the earliest human burials. Sometimes accomplished with complex rituals or ceremonies and other times just put them in the ground. Couple considerations: - Orthodox Judaism: Direct burials. They typically do no embalming. Reasons: * See it as a desecration of the body because they believe the body ought to be able to go back to dust. So they resist the embalming idea. - Jews: Don't do viewing because this violates their modesty or the modesty of the deceased. MM thinks we make too much of what happens to our body once it is dead; the important part is what happens to our soul. People die in fires; get eaten by crocodiles, lions or sharks. People have died and even been vaporized in explosions, but none of this will prevent God from changing their body and raising it up. Can't undo this process - Bible doesn't direct which way. The Bible doesn't condemn any of these or endorse any of these 3 things. Since we are not going to be superstitious about it, this is a Sonship decision. You get to make the decision that you want to make. But don't try and be T&Ging anyone else.
Commentary	Q&A GH: GPPI verse	QUESTION: Why a Millennium? If you get the new heaven and the new earth at the start of the kingdom, why mark off 1,000 years? Why not just have a kingdom and not have a millennium? ANSWER: Because as this word goes out from Zion and the word from Jerusalem, when all of that goes out to the nations of the world, not everyone will say, 'yeah, I like that'. At the end of the 1,000 years, Satan is loosed out of the bottomless pit. The nations of the world gather together with him to go against Christ in Jerusalem in THE LAST GREAT BATTLE. These are the people that did not want to submit to the headship of Israel and did not want the righteous rule of God over them. They're in the kingdom, but they don't want it. The Millennium is for that final purge of the rebellious element on the earth. It is the final doing away with those who did not want God's rule over them and did not want to submit to Israel and when the opportunity came for them to come and go against Christ, they took that opportunity. And of course, fire comes down from God out of heaven and devours them. So, it's all over. Point: The law is going to go forth, the word of the Lord is going to go out. But not everybody's going to say YAY to that. So as a result, we have this happening and Israel is going out to carry this message and those that will hear the message will be reconciled back to God. Those who do not will be destroyed out of the earth and taken away to judgment.

Commentary	RDW	There are five major issues that properly define the DOGG: 1. This DOGG is headed up by a new apostle; Paul 2. Jews and Gentiles are now on the same level (wasn't true in Israel's program) 3. Israel is not a priority today (MM says this is a hard one) God is not doing anything with Israel today. God is not doing anything with America either. Understand we have a song - God Bless America. MM says well He has - He sent His Son, He's offering you salvation, He's offering you Sonship. If you are looking for material prosperity or no more tornadoes or no more draughts or floods or we are all going to be rich, you're whistling in the wind. Doesn't matter what nation you live in. God has no favored nation status today. God is offering salvation to Gentiles today not through the agency of Israel but apart from Israel. We don't acknowledge them as the head of all nations as they will be in the Kingdom. In this DOGG, everyone is on equal footing. 4. God is holding back His day of wrath Next thing on the calendar. God is holding back His Wrath because of His Grace. 5. All believers today are part of the “one new man”

Commentary	RDW : Israel Program : Fasting & Prayer	Why God taught Israel to fast and pray? There's an important issue here and MM said he has never heard a preacher get it right. Remember, that is Israel's doctrine and you can't take their doctrine. **In every program, prayer is about interceding for others. Prayer is supposed to be inclusive of others**. There was a group in Israel they were never supposed to forget about. They were always supposed to remember them. You find exhortations about this and if you don't know this you will ask why are they talking about this? Fasting: If you are praying and fasting, you are not eating. If you are poor, you are not eating. Fasting was about putting yourself in the position of a particular group in Israel, the poor. It was supposed to make you think that's what that is like for them. If you know that it is like that for them, you are motivated to give and help them. The poor people assembled themselves outside the Temple and they would give to the poor. The world reads remember the poor and think we got to be charitable, that's what we gotta do. It's good humanity. That is all they see it as. God has something else in mind. He put this in Israel from the very beginning. **The little flock will be poor in the Day of Wrath and the Gentiles enterance into the Kingdom is based on how they helped the remnant. Fasting is an Israel thing**. It was supposed to remind them of those who did not have and were poor. Fasting things besides food -> make you geared to think what if I didn't have this?
Commentary	Sonship : Decision Making (SE Pt 3, Pt 2)	Because you are an adult son, one of the outstanding characteristics of your relationship with God is that you have liberty in decision making. Will come a time when you have 5 choices in front of you and none of them are wrong. Possible that one choice is better than the others but any are OK. God would call these choices 'good paths'. More than 1 path you can take to go in the same way. There is also the ability to choose a wicked path. It takes you in a different way. God is using terminology in what this education is designed to do is to teach you how to choose among many good paths that any of which are OK with Him because they all take you in the right way. There is more than 1 wrong way. He talks about the WAYS OF DARKNESS. - Will educate you so that you choose out of the good paths and not everything that you could do. When you have liberty to make decisions, the decisions are on you. He is not interested in telling you, He is interested in you learning enough so you can discern that on your own. His whole interest is in you being about to make that choice. Asking your Father to search your heart is not about asking your Father which of these paths is the best path. You are not asking if path B is better than paths A, C, D, & E? He is not interested in telling you that. All He is doing in the searching of the heart is the path you have chosen one that He considers to be good? It is up to you which one you pick. Naturally, you want to pick the best one but He is not going to tell you, GH: so you need to be educated to think like your Father. Will come a time when you can say any of these are good but one of these is better than the others. God is not bumpering you and maneuvering you until you get in the right spot. GH: Given where you are (SE Part 2), your Heavenly Father is not concerned yet with you choosing the best of several good paths. Right now, He is interested in you choosing out of good paths and knowing the difference between a good path and a bad path. The searching of the heart is getting you to choose out of the good paths. Say 'Here's what I'm thinking about doing, does this sound right, yes or no?' Then you expect to hear from Him back to confirm or deny.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Decision Making (SE Pt 3, Pt 2)	TIP: Get wisdom down in the area that it is taught to you FIRST, and THEN look at other areas to apply it in your life. When you learn the education, these will appear to you naturally. Dont have to force these to happen. Not a race or competition because everyone encounters different situations in their lives than other people. Taught using something in (GH: situation) X and realize can use it in Y. There are also a number of wrong paths or WICKED WAYS. Not that you are intentionally trying to produce something wicked but that it won't produce the good thing that it is supposed to. After you tell Him what you are considering doing, you ask Him to search your heart and if something is wrong with the way that you're thinking about this, you are going to get this check (MM steering away from the word 'feeling') in your INNER MAN. In your spirit or your heart, however you want to describe it. You are going to be made to know that something is not right. Sounds very mysterious but it is not supposed to be. Should be familar to you because what your Heavenly Father is doing to you can be done by an earthly father to his earthly son. It's not spooky / mystical / etherial. God is bringing something down to the ground where you already know that it works this way. In the beginning, you are so inexperienced with the curriculum, it is easy to miss a step. It's not something out there that you never could know about. It is something that you were supposed to know about. You didn't think about it, overlooked it, something like that. You have every clue. This is rooted in this Book. You should be able to know what is a wrong WAY but more importantly, you know WHY it is a wrong way. Unless this doctrine has worked on you, you can't do the searching of the heart, because there is no basis now for which your Father to give you that check. It's not a feeling, it is attached to something you are supposed to know and what you know is in that Book. The further you go in the education and the more advanced you become, the less of the searching of the heart you may do because you get more understanding. MM says but he doesn't think we ever get to a place where we eliminate this completely because in the advanced stages of Sonship you are not just using 1 advanced skill or a couple components of that skill but you are combining components of wisdom with components of judgment with components of equity in a very complex way. When you first begin to do that, it is unfamiliar to you as this basic stuff was when you started it. Thinks there will always be a time to ask our Father to search our heart and make sure we are headed in the right direction but won't be as frequent as we progress through the education.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	RoK : History of Work and Leisure	Back in the Greek and Roman Empire days, work was viewed as a curse. Work was seen as an obstacle to enjoying life, to leisure. Now you can see why slavery was so prominent those times. There were around 60 million slaves in the Roman Empire at the time of Christ. If the general feeling was that in order to enjoy life one had to be free of work, then certainly if any goods and services were going to be produced, you had to have people who were working. Wealthy people looking down on people who work started back in what we call the "Middle Ages" or the "Dark Ages" (roughly 500-1500 A.D.) This is the time period between the fall of the Romans Empire and the Renaissance. In the 5th century, the idea was that the only work that was "good" was the religious work done by the clergy. All other work was meaningless to God and in some ways evil, or at least, menial. So, if you were a priest, a monk or a nun in the church, then that was work that had real value to it because that was the only kind of work God cared about. The thinking was that God had no interest whatsoever in secular work. This kind of attitude gave rise to a problem. You could run a business without morals, ethics and grace because God had no interest or dealings with the business world at all. The next period, the Renaissance, is generally described as taking place from the 14th century to the 17th century. The Renaissance promoted the rediscovery of classical philosophy, literature and art. Some of the greatest thinkers, authors, statesmen, scientists and artists in human history thrived during this era, while global exploration opened up new lands and cultures to European commerce. During the time of the Renaissance, the religious world went through the time of the Reformation. The Protestant Reformation of the sixteenth century was a political, cultural, and religious turning point that changed the course of history and Christian theology! Reformers like Martin Luther, John Calvin, and others sparked movements across Europe. Among other theological issues, they challenged the Catholic Church's claim to be the sole interpreter of the Bible.
Commentary	RoK : History of Work and Leisure	Out of this Protestant Reformation came something called "the Protestant Work Ethic." This work ethic carried the idea that secular work was just as valuable as religious work; that secular work had a dignity to it too. The Protestant Work Ethic did away with the idea that the church was the only legitimate kind of work, and advanced the idea that God is sovereign over all areas of your life, even your secular job. The next period, Enlightenment, took place in the 17th and 18th centuries. During this time, men began to see themselves as more important than God. This gave rise to a corrupted view of the Protestant Work Ethic. And that work ethic began to be despised. Enlightenment says that it is man's effort which is important, so work is just for you and what you can get out of it. The real purpose of work, under the philosophy of Enlightenment is that work is only for making money so you can get what you want; your work is all tied up in self-interests. Then, in the 19th and 20th centuries, there was a conflict which arose between capitalism and Marxism (socialism, which developed into communism). The problem with capitalism is that there is no limit to man's greed. The problem with socialism or communism is that there is no limit to man's desire to control others. Neither of these, left to themselves to be used to satisfy the ends of men, are godly.

Sonship edification is the very reason you have been saved/God's ultimate purpose is saving/redeeming us. It's THEE deal/issue once you get saved - is the key to the Christian life. But there's a reasons WHY He wanted to save sinners. - Is the single most important thing we'll engage in in our lives. - Is so well put together. Is laid out exactly right. Has sense and sequence. - Knows how our human spirit works/knows all the questions we'll be asking about this/knows what will comes your way to make you doubt. - Is absolutely complete. God hasn't overlooked anything or omitted anything. He hasn't slipped up, something didn't fall through the cracks. Won't ask your Father a question and Him say, 'huh, I DID NOT think about that'.
Commentary	Sonship : Curriculum	- Is not like a new toy where the newness wears off. The more you go through the more your Heavenly Father shows you so your jaw just hits the floor over and over and over. Designed/Supposed to be that way. - Is where God is going to be installing His Wisdom into my sons and daughters. Why Satan/Adversary hates man so bad/more than anything else. Adversary wants you to quit your Sonship edification. - Is NOT devotional material. You are going to have to know what the scripture is actually saying. It is the Spirit of God inside you that is leading this edification. Don't pass just before you went through a grade. Have to master the material. - Knows every doubt, there are no new questions, all of them are going to get answered. - Will never be mainstream.

Commentary	Sonship : Curriculum Outline	Edification Curriculum (BOTTOM-UP VIEW): - Romans (foundation slab) starts the foundational/establishment doctrine. It's the first thing that goes down to build this edifice, this building. First book to teach new Christians. If you don't get Romans right (the foundation), everything you build on it is tilted. Won't be right with the other epistles. If you don't have this, it will impact you for eternity. - 1st Corinthians (dress slab) takes the doctrine in Romans and builds on that doctrine. - 2nd Corinthians (dress slab) takes Romans and 1st Corinthians and builds on them. - Galatians (dress slab) completes the formative, foundational doctrine. - Ephesians (build a building on top): Church at Ephesus already had the Romans doctrine. - Philippians

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Process	PROCESS: Sonship [MM is reviewing Sonship for new people. Ephesians Session 43] Not a recording of just having church, we are engaged in a process (Sonship), which will accomplish God's ultimate goal for every one of us. God's Goal: To conform us to the image of His Son (CIC). Means that God wants to transform us into being godly creatures by producing the character and life of His Son in us. **Purpose:** *** it brings Him glory for us to become godly creatures** *** by conforming us to the image of His Son, God is doing something wonderful for us; He is elevating us to the very pinnacle of what it means to be a created being. That is why we are created "in His image" with the goal of being conformed "to the image" of His Son**. There is a process to do this. He is not robbing you or shortchanging you, He is giving you the absolute best life that you could ever have. CIC should be your desire every day. STEP 1: SALVATION: He created in His Image [there are certain communicable attributes that God put into man when He created him]: The first step of being conformed to the image of God's Son is Salvation, to trust Jesus Christ as your all sufficient Savior. In response to our faith in Christ, God gives us everything we will need to be conformed to the image of His Son.
Commentary	Sonship : Curriculum : Process	STEP 2: EDUCATION: As we are members of the body of Christ (BoC) living in this dispensation of the grace of God (DoGG), our education begins in the book of Romans and continues through the book of Philemon. FOUR ATTAINMENTS OF SONSHIP (as a son): As we progress through this education, we reach levels of attainment in our Sonship life. See these as a product of an education. This is a progressive education designed by God to transform us by teaching us how to live (be godly) in this present world, while, at the same time, equipping us for eternity. **Just like a college education consists of four measures of advancement (freshman, sophomore, junior, senior), our Sonship education consists of four steps of advancement:** **1) Simple Son - Proverbs 1:4 - Romans, 1/2 Corinthians, Galatians** **2) Young Man - Proverbs 1:4 - First half of Ephesians, Philippians, Colossians** **3) Wise Man - Proverbs 1:5 - Second half of Ephesians, Philippians, Colossians** **4) Man of Understanding - Proverbs 1:5 - GH: 1/2 Thessalonians?** Working through the Books in our Bible in the order that conforms us to the image of God's Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Process	STEP 3: EDIFICATION -> Conformed to the image of Christ (CIC): As you are educated and apply the doctrine to your life. That education is not just information, but it is meant to be internalized so that the doctrine works in us to produce the character and life of Christ in us; this is edification. To the extent we are edified, we are being conformed to the image of Christ (CIC). PRE-REQUISITES FOR A SIMPLE SON * Preparatory Doctrine 1) Salvation/Justification (Romans 1-5) 2) Sanctification (Romans 6-8:13) - ability to live for God on a daily basis 3) Orientation (Romans 8:14-15) 4) Establishment (Romans 8:36-39) - you can absolutely trust that your heavenly Father can and will do the things He has said He will do and that His word will accomplish exactly what it is designed to accomplish. 5) Dispensational Change (Romans 9-11)
Commentary	Sonship : Curriculum : Process	* Simple Son Education: FOUR SONSHIP DECISION-MAKING SKILLS 1) Wisdom (Romans 12:3-16) 2) Justice (Romans 12:17-13:7) 3) Judgment (Romans 13:8-14) - when there is more than 1 right decision 4) Equity (Romans 14:1-15:7 **SON: Romans - 2 Thessalonians** **FATHER: 1 Timothy - Philemon**
Commentary	Sonship : Curriculum : Process	We aren't just having church, MM is not just preaching sermons, he is leading us through scripture that God designed to accomplish the goal - conform you to the image of His Son. This is not about MM trying to make you feel good or to entertain you. This is about preparing you for eternity. If all of these doctrines are to some degree working in you, don't think you have to be perfect and have an absolute full knowledge of everything that can be traced back in those doctrine. But you do need to be able to have some level of every FORM OF DOCTRINE-Romans 6:17 working in you, to one day be a MAN OF UNDERSTANDING-Proverbs 1:5 or a fully educated son. You have been exposed to the doctrine to some degree have that doctrine working in you. MM says there is something very special waiting for people who are in that condition. But once you have gone through the education as a son, you really do have some measure of responsibility to kind of help other people with what you have learned and if you are helping other people, you are doing that as a father. MM encourages going through the Pastoral epistles because the more the doctrine is working in you, the more you will want to be equipped with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Process	PROVISION IN CHRIST FOR BEING CIC (CONFORMED)-we will not be a FOLLOWER OF GOD simply by changing our behavior. * We need INNER MAN changes (and we got them, don't have to go try and manufacture them) - given to us in Christ as a free gift of grace - way more than two: - When we trusted Jesus Christ as our Savior, we were made to be DEAD TO SIN-Romans 6:2; 6:11 - sin no longer has any dominion over us because as long as sin has dominion over us, we won't be FOLLOWERS OF GOD, we will be followers of sin. You can't be a WISE MAN and serve sin. - When we trusted Christ, God put our OLD MAN (our identity in Adam) to death (crucified with Christ) so that HENCEFORTH WE SHOULD NOT SERVE SIN-Romans 6:6. HE THAT IS DEAD IS FREED FROM SIN-Romans 6:7. Sin doesn't have dominion over a dead guy. - We were QUICKENED (think not just alive but fulness of function or fully functional)-replaces the old man with the new man which has the capacity to be a FOLLOWER OF GOD, to actually do the things He is asking you to do in Ephesians 5:1-7. So, He “quickens” us (raises us to WALK IN NEWNESS OF LIFE-Romans 6:4) and gives us a new identity in His Son (the new man) which means that now, we are followers of God at the very core of our being, and because God has made that status a reality for us, we now have the capacity to be a follower of God in practice.
Commentary	Sonship : Curriculum : Process	It will be the natural thing for someone who is in Christ because God has made that status a reality for us. - God’s work in our inner man was clearing out all the corrupt “equipment” and then He installed all new “equipment,” which would allow Him to take up residence in us (the mystery of godliness!). - If you weren't made DEAD TO SIN and if you weren't quickened, you couldn't be a FOLLOWER OF GOD. And even if you had these internal things, you still need two external things otherwise the only way you are doing it is in your flesh. * We need some external changes/assistance (things external to us and*- external/outside of ourselves if we are to be FOLLOWERS OF GOD-Ephesians 5:1) to bring up our everyday living to our status in Jesus Christ. Needed because we don't have the capacity to do it in and of ourselves. So this is why God is going to get glory for this process. There's no way we can do this even with the inner man changes without these external changes.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Process	- God is the only being who is self contained anywhere and needs nothing external. Everything outside of God depends on something else. So don't be offended when MM say you need external assistance. Even in this physical life, we have to have air, we have to have water, and probably need food at some point. We creatures needed to be made to be ready made containers for God to live in us. That is what everything that accompanies salvation accomplishes making us “move in ready.” **- Given us THE SPIRIT OF GOD-Romans 5:5 (when we trusted Jesus Christ as our all-sufficient Savior - He took up residence in our spirit - even if you didn't know it) 'the power source'** **- word of Truth/word of God (need because it is the only way to change your behavior without utilizing your flesh) 'the gas'** Both of these are external to us. Need both because they are the only way you can change your behavior without utilizing your flesh. Every other way utilizes your flesh. You have to have the Spirit and have to have the word. Change is totally attributable to God. This is clearing out all the old corrupt equipment and bringing in new equipment that would allow Him to take up residence in us and do for us what we could never do for ourselves. Analogy: A car. Needs gas (the word) and a power source (the Spirit) to turn the engine.
Commentary	Sonship : Curriculum Levels	3 levels each with 2 phases and some phases with parts When you move from LEVEL 1 to LEVEL 2 or LEVEL 2 to LEVEL 3, what you are encountering in these advanced levels is what you built on in the previous level. Because of this, can't afford to have gaps in your understanding. Salvation: Justification, Sanctification (GH: LEVEL 0) LEVEL 1, PHASE 1-> ADOPTED SON LEVEL 1, PHASE 2 -> SIMPLE SON LEVEL 2, PHASE 1 -> YOUNG MAN (first man appelative) LEVEL 2, PHASE 2 -> WISE MAN LEVEL 3, PHASE 1 -> MAN OF UNDERSTANDING LEVEL 3, PHASE 2 -> WISE COUNSELSLEVEL 1: Think like (stop and think) -> Think with (automatic) - Romans, Corinthians, Galatians LEVEL 2: Live/Act - Ephesians, Phillipians, Colossians LEVEL 3: Labor - 1/2 Thessalonians - Rapture - makes sense to put it at the end
Commentary	Sonship : Volitional Testing Points	Volitional Testing Points - The cry ABBA, FATHER - Romans 8:14-15 (Orientation) - I AM PERSUADED - Romans 8:38-39 (Establishment) - PRESENT YOUR BODIES - Romans 12:1-2 (Education) - Positive & proper response to the doctrine you just heard - Romans 12:3-8 (after each FORM OF DOCTRINE you encounter)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Commitments to Learning	Three commitments to learning: 1. Honest attendance (you are here and you are here for the right reason) 2. Interactive learning (you will not be content to move on until you understand the doctrine) 3. Top priority (you understand what this education is about and you give it the status it deserves in your time and attention)
Commentary	Sonship : Design	Sonship education is designed to give us principles that we can learn to apply to all situations that we're going to encounter. Wiil be taught one way and then learn to apply it in a totally different area. Whenever you think about the curriculum think about it as having two sides/issues: 1. What the Sonship education is designed to do for you: It is designed so that we take the information and apply it not just to the area in which we have been taught, but that we can also make application to many other areas as well. 2. What the Sonship education is designed to do for our Father: It has specific things that allow our Heavenly Father to know what's going on with us and then guide us on how to get the full benefit out of this education. He has some specific things done with this education and He wants it done properly without violating His Wisdom in the process. Because we become aware of these two issues, we also become aware that we do not possess the skills and abilities required to get these done and that is the product of our infirmities and our not knowing what to ask for (Romans 8:26). Our Father is very aware of this and He makes the perfect solution for us by the Spirit’s intercession so that we not worried or anxious about what we do not yet know.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	Jesus was our Substitute Redeemer when He was on the Cross and functioned in such as way that He provided complete and absolutely perfect redemption to such an extent that by believing in Him we are pardoned from every sin. Took our place and provided the perfect redemption required by God. Faith in the things listed is believing in Jesus. When we exercise faith, God's justice responds to that faith and now everthing that Jesus provided for us is now given to us and imputed to us. God’s cotter pin for us is in that He, by His grace: - Covered every sin in the redemptive work of His Son on the Cross (died for the sins of the world) - Applied that complete redemption (forgiveness) upon faith in the gospel - Imputed His righteousness to the forgiven sinners - Declared the sinner to be just - Gave the justified sinner permanent “at-one-ment” (atonement) (made ONE with your Heavenly Father) - Declares that He will not (absolutely refuses to) impute sin back to the saved, forgiven, justified sinner (the cotter pin - holds it all together)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	You think God knows once we are justified unto eternal life, we are probably going to blow it somewhere along the line? When you got saved, nothing tangible happened to this body. Hair didn't grow back. Eyesight didn't improve. Important observation. Did anything change in your spirit? You bet. Your soul? Yes. You went from being in Adam to being in Christ. MM draws a man inside the outline of a Cross. GH: Represents the man being 'in Christ'. Every single good thing that God wants you to have He gives it to you by placing you 'in Christ'. He has given it to you because you are 'in Christ'. The only place you get FOREGIVENESS is 'in Christ'. Forgiveness isn not something God just puts on a guy. The only way a guy gets forgiveness is for God to put that guy into His Son because that's where everything is. Putting into Christ is where everything is found. There's a reason for what. You have been forgiven and as a free will agent, you can do whatever you want. Preachers don't like that. God is hoping you will live a life of gratitude for what has been given to you. You can't be any more forgiven. You are at peace at God as much as Jesus is. The only way God can be mad at you is to be mad at His Son. The only way God can punish you is to punish His Son.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	1 John 1:9 Grace Counter: Because you have already been forgiven, you don't need to do anything to have those sins forgiven. They were forgiven the moment you trusted Jesus Christ as your All-Sufficient Savior. You don't have to do this so you will be right with God so He will hear your prayers. Because you are IN CHRIST you can't be anymore right with God. The problem is living out of that new status. Don't automatically live out of it. Still have all the old ways you used to think. God is not looking for you to confess your sins. He is looking for you to stop that and start living like who He has made you to be in Christ. If He didn't put you in Christ and all He did was saved you, the problem is tomorrow you will be right back where you were before He saved you. Everything He has to give you He gives you in Christ. Your eternal security is in Christ. If He saves you but He doesn't put you in Christ, you don't have that. If/When you sin again AFTER you have been saved, that is taken care of because you are in Christ. Doctrine : Justification - The Bible declares because of our condition, we are unrighteous and unacceptable before God and now God has sent His Son to pay for the sins of the world. The heart of the gospel that we are going to trust what God provided was so that we can obtain salvation and JUEL. It's not Jesus+something else. It is Jesus as our all-sufficient Savior. Him and nothing else. May sound risky to you, but it is risky to try and add anything else to the gospel. Faith in Christ alone. Trusting His sacrificial death on the Cross as payment for our sins. When you put your faith in that, God responds to that by saving you and placing you IN CHRIST - get a whole package of things IN CHRIST.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	Paul is not telling us that He is the promised Messiah and the Son of God. We do see Him as the Christ, but we believe as the perfect Son of God He was the perfect sacrifice for us and if we will trust in Him in what He has done for us. Something that we cannot do for ourselves. Ludicrious to believe that anyone would be saved by keeping the law. MM says there was a time he thought well we're not saved by the law but maybe Israel is. Paul says the only way to be saved by the law is to perfectly keep it your whole life because if you ever offend in one point, you are guilty in all. Salvation by keeping the law demands absolute perfection. If you are not going to be perfect, then you are undone. God knows that you can't perfectly keep the law. If you mess up one time you are finished. God has offered reconciliation as a free gift to anyone who will believe in Jesus Christ as their all-sufficient Savior. That's the foundational doctrine for the mystery program right here. There is no righteousness that we produce and your flesh cannot be righteous. Men walk after their flesh all the time. It makes the flesh feel good, makes it think its spiritual. Why MM is not a big fan of devotional studies of the Bible. Doctrinal is one thing but devotional so often misapplies the scriptures and gives an opportunity for men to walk after the flesh. They tend to lay doctrine aside, make wrong applications, make the flesh feel really good, and just continue in it. Only one way to be saved by your works - perfection. Righteousness is not found in the thing we are doing. Righteousness comes from a source, comes from your flesh. It's only self-righteousness. That righteousness comes from God, working that righteousness in you.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	Doctrine : Justification - If you think I don't feel very righteous, you are confusing your function and your status IN Christ. Before you can function with your status IN Christ and before you have to actually be. We really are holy in our standing before God. It's not just a made up thing. Treasure map is supposed to show you that you really did become that IN Jesus Christ. That is who you are no matter what you do. That doesn't change and that's how God works with you and deals with you and views you. Doctrine : Justification - Before we were forgiven, we were under sin in Adam. So much so that we could not produce any righteousness no matter what we did. Not because what we did might not have been a good thing but because its source was something other than God. If we did it, that was us producing it and that's just self-righteousness which is not sufficient to save us, to justify us, and the reason that can't save us that righteousness must be a continual, perfect righteousness. You can't mess up even once because if you do, it's not a perfect righteousness. An occasional righteousness is not enough to save us. Forgiveness IN Jesus Christ is total and complete.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	Doctrine : Justification - From I am forgiven to it's complete forgiveness to it's permanent forgiveness. An ongoing forgiveness. You can't lose this forgiveness by anything that you do. Can't do anything to make God undo what He did and put us back in Adam. He would have to opposed Himself to be able to do that. Imputed righteousness replaces (GH: the sin?) as who you are by nature changes. He wipes the slate clean and gives you the imputed righteousness of God. This whole thing that we're doing now is about bringing our function up to who we've been made to be. This is who you have been made to be. Doctrine : Justification - Our forgiveness eliminates the need to confess our sins in order to restore our relationship with God. Another depth of relationship that we are talking about here. IN Christ, our forgiveness: • Impacts our Salvation - never lose it, nothing you can do to lose it, nothing anyone else can do that would cause you to lose it • Impacts our Relationship - our relationship to God never changes - we are always forgiven, we are always righteus, we are always at peace with God, we are always dead to sin, we are always alive unto God, we are always sons • When we understand the depth of our forgiveness, we won't have to resort to the kind of things denominations use in order to get back into God's good graces. You are always in His good graces. • If you disappoint God and respond to a person or a situation in a way that is totally wrong, does He look at you any differently? He does not but you do. Have to work on that because if we are going to look at each other they way our heavenly Father sees us, we're going to have to start looking at each other for the reasons He sees us the way He does. Because in our minds we look at it very differently.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Justification Commentary (Romans 1-5)	Forgiveness/Aspects of forgiveness - winds up in your prayer life - there are people who are enamored with Israel and think the whole key to being right with God is to be like Israel or to be Israel's best buddy, think what God gave them. He didn't give to us or we somehow got shortchanged and they wish they were Israel, look at all those traditions and customs, all those holy days, feast days, ceremonies and they want to observe all of that because they think that gets them closer to God - it does not. Those things are the rudiaments of the world and for the training of children, not dealing with adult sons and daughters - MM clarifies as nations go, the US doesn't have a better friend in the Middle East than Israel-government and principles like ours. Justification: **1. We find out that the death of Jesus Christ was sufficient to satisfy God's righteous judgment against us and all that a person needs do to avail themselves of that propitiatory satisfaction is to put their faith in His finished work**. Salvation is offered to mankind as a free gift of grace without any works to earn it, or keep it, on the part of men. In response to our faith, God justified us unto eternal life and gives a justified status in His Son. Next, we learn that our justified status in Christ has given us a new identity in Him and our old identity in Adam has been done away with so that we truly are a new creature in Christ. We then learn that God has forgiven us of every sin we have ever committed or ever will commit so that nothing we ever do or fail to do has any effect on our salvation. **2. He has imputed the righteousness of Jesus Christ to us so that our standing before him is that of being perfectly righteous, assuring that we can never be in our "lost" condition ever again**. We then learn that because of our justified status in Christ we now have peace with God and are no longer the enemies of God that we were prior to when we trusted Christ as our all-sufficient Savior. Because of the "faith of Christ" our justified status in Christ is permanent and does not rest on anything we have done or will ever do. 3. We become a vessel for the Spirit of God to dwell in and we are given complete and total access to God without restrictions of any kind. We have a kinship with God in which we are "sons of God" in connection with our justified status in Christ; that is to say, we are made to be part of the family of God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	Two questions: 1. Why did God put us IN CHRIST? 2. Why does God want CHRIST IN YOU? When you got saved you got put IN Christ, you got a whole number of things, many of which you didn't know about when you got saved but you got them just the same. One of the things you got was a new identity IN Christ in connection with your justification. When you got that new identity IN Christ, your old identity in Adam was put to death and in its place, you were given a new identity IN Christ. You got a new identity in Christ in connection with your justification and your old identity in Adam was put to death. In its place you were given a new identity IN Christ. • You were FORGIVEN. Most folks understand this one. • You were given an IMPUTED RIGHTEOUSNESS. Not just any righteousness, you were given the righteousness of Jesus Christ. You were given His righteousness and that is your status before God. • You got the ATONEMENT, which means you are no longer an enemy of God but you have peace with Him. • Got all this PERMANENTLY - your POSITION. There is a difference in the POSITION (JUST UEL - above) and that being true in the details of your life (SANCT - functional life - how you live for God in your day-to-day life). • Got a new identity in your EXALTATION with Christ. • Got some other things. • Got a new Spirit (Romans 5). Given liberty in Christ.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	He begins to teach you all this in Romans so you can understand and live out of it. All the above is talking about your status or position IN Christ. Not just enough to have a status. You want to live out of that status, you want to be not only be in that status positionally, but live out of that status functionally in the details of your everyday life. Need the above or it would never happen. You begin to learn and believe and respond properly to the doctrine concerning the mystery, and the process changes you from YOU IN CHRIST to CHRIST (GH: living His life) IN YOU. Allows your POSITION in Christ to be a reality in your everyday life. God says this is who I have made you to be, now I want you to live out of this in your everyday life. You IN CHRIST and CHRIST IN YOU are like 2 sides of the same coin. Not the same thing but they are very connected. ASPECT 1 - You IN CHRIST: MM draws a Cross outline and a stick figure in it. Symbolizes him being IN CHRIST. Fills in the IN CHRIST mercies within. Includes spiritual fitness, heir of God, glorified body, Spirit. All of these are yours because God put you into Christ - an automatic thing. The reason He put you into Christ is that is the only place these things are found. • To be made righteousness is only possible by being in Christ, for He alone was righteous. This is why we get His righteousness, not some version of our own, for we do not have any. • Peace with God is only IN Christ because only He was never an enemy of God; only He was in the will of God constantly. Because we were enemies of God on our own, we cannot have peace with God outside of Jesus Christ. • Being made “dead to sin” is only possible IN Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	• Only “IN Christ” do we have a new identity • Only “IN Christ” are we eternally secure • Only IN Christ can we produce a righteousness that is acceptable to God. Any and all “righteousness” outside of Christ is the self-righteous efforts of the flesh. Our old man being “crucified with Christ,” our old “servant” relationship to sin could not be broken for as long as we live. Christ was never a servant to sin and therefore, in Him is the only place anyone can share in that. We can share in that because our old man was put to death; severing the old relationship with sin. • We can only be “alive unto God” by being “IN Christ.” There is no other way. • All of us are naturally “free from righteousness” and the only remedy to that status is found in the only Man who never was unrighteous. • Our adoption is only possible IN Christ. We must be IN Christ before we can be adopted. • We must be IN Christ before the cry of Abba, Father means anything. We must be IN Christ in order to be dealt with as an adopted, adult son. • The Spirit is only given to those who are IN Christ.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	• Additionally, every good thing God intends for us to have in the future will be given to us “IN Christ. • Our glorified body will be given to us only on the basis of our being “IN Christ.” • Our vocation in the creature is only for those who are IN Christ. • The heirs of God inheritance is only for those who are IN Christ. Only way to be put IN CHRIST is JUEL BGTF. Why did God put you IN Christ? Why did He not just choose to do the things He did for you? Important - has a bearing on our prayer life. Every good thing God chose to do for you He did IN Christ. Why did He choose to put you IN Christ? ANSWER: Because every other way is incomplete. No other way for us to be complete. As a young preacher boy MM used to wonder if Jesus died for ALL and paid the price for all, how come everybody is not saved? He died for the whole world equally but the only way to be a beneficiary is to be found IN Christ. Forgiveness is not out in the world. Forgiveness is IN CHRIST only. Unbelievers are not saved because they are not IN CHRIST.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	Because He was the One that provided it, He was the only One who performed what was necessary, He was the only One qualified to do it- the only qualified Redeemer, so in order to be a participant of that, you have to be where that is. Only way to get eternal life is to be at the place where eternal life is found. That is only in Him. He is the only One to make the sacrifice, the only One qualified to do that. Jesus possesses eternal life, but not because He got saved. He possesses eternal life in and of Himself. If you are going to get eternal life, you somehow have to be identified with Him. Eternal life and forgiveness are inherently in His Son because of His Cross-work. EX Chinese Food Buffet: All the food is laid out but if you are going to eat, you are going to have to go in to partake of what they are offering. God is saying if you will trust what My Son has done on the Cross to satisfy My Justice against you, in response to your faith, I WILL put you IN CHRIST. You IN CHRIST is given to you automatically at salvation. Put IN CHRIST to automatically get all this stuff. Only through Him do we have all these things. You are put IN CHRIST because everything He wants to give you is found in Him. If He doesn't put you in Him, you won't have all of those things. Even if He dumped them on you out there, you would not have them forever. Just until the next time you messed up. Every good thing God needed to give us is only found IN CHRIST/in His Son. He put us IN CHRIST so we would be the permenant recipients of all of that. Some things we received simply because we were IN CHRIST. All referred to as the MERCIES OF GOD-Romans 12:1.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	How to know that God is not punishing you: The solution to that is to do know that you are IN CHRIST and if you are IN CHRIST, God isn't punishing you because your in His Son. For Him to punish you, He would have to punish His Son. IN CHRIST you can't be any more forgiven than you are. Nothing you can say that will increase how much you are forgiven. What you have IN CHRIST/Him is total and absolute and irrevocable and you can't improve on that. The things God did for you IN CHRIST, He didn't do them any other way - they are all eternal/everlasting/not temporary. Didn't get temporary forgiveness or 6 months of adoption. I am in the same good graces Jesus Christ is in with the Father. It doesn't change. When you finally understand this, God is not looking for an apology. He is looking for you to be who He made you to be IN CHRIST. Doesn't mean you will never get sick or contract a disease. But there is something you will need to handle it. 1. Being IN CHIRST: All the benefits we received when we trusted Jesus Christ as our all-sufficient Savior are found IN CHRIST. All the things given as a free gift of grace were given to everybody who trusted Christ. Because you are IN CHRIST, your fellowship is no longer based on what you do, your fellowship is based on the fact that you have now been put into Jesus Christ. Because you are IN HIM, you can't be in any better fellowship with Him. That's the reason that He put you IN CHRIST. Otherwise, we would still be in a mess. If God saved you outside of Christ, think about how much that would change the relationship with Him. Because we are IN CHRIST, there is a permanency to the status we now have before God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : IN Christ Commentary	MM says someone is thinking if we're saved and we're in fellowship with God, then you can live your life any way you want to and we're still in fellowship with God. That's your permanent status. MM says YES. God is not mad at you/not judging you. What being IN CHRIST under grace is all about. Under the law, it is different. When Israel got off track they got judged. When people don't RDW GH: they get into trouble. Today, preachers all across the country and preaching that God is judging America for whatever thing they are trying to get across. All of that misunderstanding got solved because of knowing GH: RDW. MM lists the 3 justification components - they never go away. When God put you IN CHRIST, these things are no longer dependent at all on us. Otherwise, you would be contributing and that wouldn't be by grace that would be by works. Unchanging status that you get to live out of because you are IN CHRIST. MM doesn't view as a license to sin, views as a great blessing in the Wisdom of God to lift that burden off of us. When you discover what has been given to you IN CHIRST and that it is irreversible and irrevocable, that is such good stuff. Get this truth and a great weight comes off of your shoulders. Can't be any more forgiven and can't be any more in fellowship because that is a permenant status that God has put me in. He has put me IN CHRIST. He is not mad. He is not whipping me. Problem: guy thinks God is punishing him because he sees some circumstance in his life. Solution to that is to find out who he is IN CHRIST and talk to His Heavenly Father about that truth. IN CHRIST = 'status': What God did to ensure the permanency of that status taht we have before Him. That we don't have to worry about any of that changing. He gave us everything in His Son.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	ASPECT 2 - CHRIST IN YOU: Why would God want CHRIST IN YOU? To give you the power to live practically in line with who you are positionally. CHRIST IN YOU is not what is automatically given to you - not an automatic thing. It is a description of the process whereby you practically, in your everyday living, begin to line up with who you have been made to be positionally. It is a description of your edification. Is the doctrine producing something IN you, something you now understand, whereby your practical living is now coming out of your postional understanding. It is possible to have everything in the Cross outline, everything you have IN CHRIST and not have CHRIST IN YOU. CHRIST IN YOU = PUT ON CHRIST = CHRIST FORMED IN YOU = LIFE IS HID IN GOD CHRIST IN YOU is now His Life being lived IN you and THROUGH you on a daily basis. How this gets done. Old preacher used to say it like this - Let go and let God. MM didn't know what that meant and not sure the preacher did either. He understood it was not you. Not sure if he knew how to take what is true for me positionally and translate it into something that is practically true in my daily life. Move from POSITIONAL truth to PRACTICAL application by spending time in the word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	MM draws a smaller Cross around the body, signifying you wouldn't see Henry anymore, you would see Christ. The more this process goes, He gets bigger and you fade to the back/diminish. MM says some people watching are freaking out because they look at this as an automatic process. Will show you the verses where Paul beseeches them to do this. If this is automatic, why is Paul asking them to commit to this? If He is automatically doing it, they don't have any part in it. You are made to be CHRIST IN YOU because it is God's goal to be conformed to the Image of His Son/Christ. How you PUT ON CHRIST. Purpose of CHRIST IN YOU: The more this takes place, the more the process takes place that we get conformed to the image of God's Son. Ways He is doing this: • CONFORMED TO THE IMAGE OF GOD'S SON • CHRIST DWELLING IN US (is a process, not ON or off; happens over a passing of time gradually - a piece at a time) - In control - If something is dwelling in you, that is what is in control - Comfortable in there - things are not going on that would grieve Him or quench Him - Leading us - can't be leading unless someone is following - implies we are following along with Him. Spirit is leading us/The word is teaching us (where we find the doctrine to us and about us in the body of Christ) - Participate (by faith - Eph 3:17) - MM clarifies not faith and sit back. Faith in the various forms of doctrine that in total conform us to the image of God's Son
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	• CHRIST IS LIVING HIS LIFE THROUGH US - MM used to hear preachers say all the time let Christ live His life in you. He didn't understand it but He wanted it and it was very mystical. No one explained how that got done. They would talk about yielding yourself and letting Him. But that's kind of vague. How does that happen? It is not magic. • CHRIST IS FORMED IN US-Galatians 4:19 • PUT ON CHRIST - Doesn't mean you are getting saved, means you are being conformed to be like Jesus Christ. It means: He is dwelling in us He is living His Life in us He is being formed in us We are putting on Christ. See how all of those work together.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	- All of these talk about the process where we are responding to the doctrine and it is changing our thinking and conduct and it's equipping us now to labor with Him. - **Godliness = God-Like-Ness less the 'KE'** - get skilled in the thinking and living so you are qualified to labor with Him. • CHRIST IN YOU-Colossians 1:27 - What this whole thing is about • LET THE WORD OF CHRIST DWELL IN YOU RICHLY-Colossians 3:16 - When the WORD OF CHRIST begins to DWELL in you, CHRIST is now DWELLing in you, He is living His Life in you, He is being formed in us, and we are putting on Christ. • CHRIST LIVETH IN ME-Galatians 2:20 - Christ lives in us and the life which I now live in the flesh, I live by the faith of the Son of God who loved me and gave Himself for me. He wants CHRIST IN US so we aren't some goofball that doesn't really fit, but we now being to take on the character and attributes of our Savior. Can't dismiss the importance of the word. Can't just stand off to the side and say now Lord I know you want to dwell in me, you want to change me so just go ahead and do that. The only way for that to happen is for us to know what the word is saying. 1. Understand what the word is saying 2. Believe
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	3. Internalize it or putting it to work in everyday living in the details of my life. As we are being conformed to the image of God's Son as Christ dwells in us as He lives His Life in us as He is formed in us as we put Him on as the Word dwells in us as He lives in us as all those things are happening, something is produced in us a glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	When He really is living His Life in us, it produces a glory (what the Bible calls it) . The whole purpose of putting you IN CHRIST is for CHRIST (to be formed) IN YOU. He didn't put you IN CHRIST so you could continue to be a burger your whole life. He put you IN CHRIST so that Christ could live His Life through you. Because that is the only life that God is pleased to see. That's the one He cares about/is worth something. Being more narrow - it's the ONLY ONE that is worth anything. We produce all the other stuff and He already knows that is not good enough. Until this kind of stuff gets done, the creature doesn't have anything to get excited about. Because only someone who has PUT ON CHRIST, who has CHRIST DWELLING in them can deliver the creature for the bondage of corruption. That is what the earnest expectation of the creature is waiting for - the manifestation of the sons of God. Satan is not worried about you one wit until you get this process going. EX Can have a church with 10,000 people in it and Christ not be formed in the leadership of that church. It's possible, MM says it's the rule, to have a world wide TV ministry and not really understand how Christ gets formed in you. If Christ is not being formed in us, we are not a threat to the adversary at all. This is nothing more than using business philosophy, being smart, taking care of how you do media. MM says you could bring smart business men in to run a church and it would be just as successful in most churches. Unless you are measuring success differently. Unless what you are saying what is successful is to take the people of this local assembly and make them into godly people who are able to think like and live like their Heavenly Father, and are qualified and capable of laboring with Him in what He is doing. That is a different animal. Before CHRIST (can be) IN YOU, you must be IN CHRIST. Things happen in an order. Our faith is in the word, which produces His life in us. Recap: You must be “in Christ” before Christ can be “in you.” Some things we receive simply because we are “in Christ”. These are “the mercies of God” in that we did nothing to earn them; they are freely given to us.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	Two related issues we have been discussing: 1. The goal of what God wants to accomplish in us - WHAT WE ARE DOING - THE GOAL. He wants His Son to live His life in us; in every moment of every day. Nothing else is acceptable to Him. Mankind was created to function out of the life of God within him. Without that life of God within, man is no longer man. The spiritual life of God is not meant to be optional equipment, but it is at the very heart of who we were made to be as the pinnacle of God’s creatures. If a man has not this life within him, if he is no longer man (as God made him to be), then what is he? He is nothing. And he can do nothing. He can do nothing that is acceptable to God, for He is no longer who he was made to be. He is incomplete. In Adam, mankind lost its humanity. God sent His Son to restore it. 2. The process whereby the goal gets accomplished - HOW WE DO IT - THE PROCESS (not magic). The bulk of the lesson today will explain the mechanical means by which Christ lives His life in and through us. Say it another way, now that we know the goal, we must learn the process by which we have the life of Christ lived in us. It is an identifiable process which involves: • His word, • our positive and proper response to it, and • the work of the Spirit within us to transform our inner man, • conforming us to the image of God’s Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	As we make godly decisions based on the doctrine, we are allowing Jesus Christ, through the Spirit, to live His life in us. And as we continue to do this over and over again, little by little we are being transformed on the inside (our hearts and minds/our souls and spirits) to such an extent that it becomes our automatic response…to get out of the way and allow God to do through us what we can never do on our own, and allow Him to be in us, that which we could never be without Him; men, as God created man to be. Continue on the Conformed to the Image of God's Son/Christ Dwelling in/Christ is living in you/Christ being formed in us/Puting on Christ. 2. **CHRIST (being) IN YOU: Describes the edification process taking place in us. Describes the practical work of sanctification**. Problem: guy goes to the doctor and gets a diagnosis he doesn't like. If you understand what God is doing today and what God wants in your inner man to be so strengthened by the doctrine that you are able to hear whatever news he just told you and not be devastated by it. But to understand that His grace is sufficient even if you never get well. Some things are unto death. Death rate has been pretty much 100% till this point. The answer here is, not how do I get God to make me well, it's how do I get my inner man strengthened so that I am able to patiently endure this thing to His glory.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	How can I be the son or daughter that can take everything that is thrown at them and not be overwhelmed by it and not crumble under it but to put on display the Truth that His grace is sufficient - it is not just a bumper sticker. His grace is sufficient, but not magically sufficient. Plenty of people are overwhelmed by their circumstances. Something dreadful happens to them and they never recover/sink into a depression and then their whole life goes haywire. You have to know how that grace works and how you tap into that so that it becomes a reality for you in your everyday life. That's the issue of edification/Christ formed in us/Hope of glory/Christ's life in us. CHRIST IN US 'my everyday function matches my (IN CHRIST) status': Is the work that He wants to do now that we are IN CHRIST. We should want this as badly as anything we want in this world. We should want our function to match perfectly with our status and that gets done as the word effectually works in us. That gets done as we are edified under godliness. The part of the doctrine that we do understand at this point (SR10:19), the part we have working in us is CHRIST DWELLING IN OUR HEARTS BY FAITH-Ephesians 3:17. When He is living His Life in us, when He is formed in us, when we are edified, when He dwells in our hearts by fatih, we are now able to do some things that we were not able to do before. Our status hasn't changed, our position hasn't improved, but the function is what has changed. EX Not until Christ was formed in Paul/living His Life/Christ was dwelling in His Heart by faith was Paul able to say I TAKE PLEASURE IN INFIRMITIES, IN REPROACHES, AND NECESSITIES, IN PERSECUTIONS, IN DISTRESSES FOR CHRIST'S SAKE-2 Corinthians 12:10.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	The mechanical means: 1. Understand the word/Confronted with the doctrine 2. Believe that word to be true/Believe the doctrine (this is the part that is BY FAITH) 3. Practice/Live it/Implement it into our everyday life (have to TRUST it - GH: 2nd component of SE) All in response to the doctrine. CHRIST (is being formed) IN YOU and this is the mechanical means by which it happens. Not by just saying, Dear God make my function line up with my status. Can say God I want my function to line up with my status, but if you stop right there, it is not going to happen. This is the missing ingredient in preaching today. We have been taught by and large in the past by all the things that we've ever heard that you just kind of ask God to do things and then it is up to Him to go do it. But the mechanical means by which that gets done is actually to spend time looking at the verses/ MM's part is to understand what it is we are looking at in these verses. If you look at the verses and say, I see that, now it is up to you. MMs part is over. Now you have to believe it because MM can't believe it for you. You're the one that has to trust it to work in your everyday life. As you implement that into your daily living.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	CHRIST IN YOU Elements: • Christ is dwelling in our hearts • living His Life in us • we are becoming conformed to the Image of God's Son • the word is doing its effectual work in us • truly being edified unto godliness • when Christ is formed in us That's the transforming power that we are looking for in our own lives. That Power is the sufficiency of God's grace in the midst of terrible circumstances. If you don't hear it now, you won't hear it when terrible circumstances are on you.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	Best time to learn this is when you are not in the midst of some traumatic situation. If you are in the midst of a traumatic situation, His grace is still sufficient. You appropriate that grace by looking at the doctrine, by believing that doctrine, and trusting that doctrine to allow you to go through it without being overwhelmed. Most people just tough it out because it is all we know how to do. We have never been taught any other way and they go through it. At the end, if they were believers, they say if it wasnt for the Lord, I would have never gotten through that. But they went through it just like the guy who doesn't believe in the Lord. If you are really appropriating that grace, if Christ is living His Life in you in that area, you will know what gets produced and say I take pleasure in these things for when I am weak then I am strong. It's His Life in us and His Grace in us. Why we talk about the transforming power of God's Grace being the greatest power that God possesses. Greater than His Power to speak worlds into existence/part the Red See/to walk on water/to feed 5,000 with a few loaves and fishes. Greater than that is the Power that works IN US so that Christ is actually now living His Life in us. THat is a greater power and it is the exceeding and eternal weight of glory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	God is wanting to put that on display for everyone to see. It's one thing to say - I'm going to tough it out. It's another to see the eternal weight of glory that is being put on display in you and the all-sufficiency of God's Grace to give you a patient endurance of all that things that are just overwhelming other people. That's not us, that's Him. MM has been in church a lot and never heard anyone teach/preach 2 Corinthians 4:17, 2 Corinthians 12:9-20, or 2 Thessalonians 1:4. Christ in us is not just His life in us, it is the grace life in us. His life in us is the showcase for the power of God's grace as it demonstrates the power of His grace; as it demonstrates what grace can produce in the life of him who believes. CHRIST IN YOU: Christ lives His life in us as we "by faith" respond to the doctrines contained in Paul's epistles. We understand the doctrine, we believe it and then we integrate that belief into our everyday conduct and behavior. Doctrine : CHRIST IN YOU - MM laments in all the years for going to church no one talked about any part of this issue. Wouldn't it be great to grow up with this doctrine? When Christ is living His Life in you, that is the purpose for which you were created and you have to be set apart to do that. MM says that is a magnificent thing, to think that these fleshly bodies could do that.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	Doctrine : CHRIST IN YOU - MM is trying to say it enough times and enough different ways that we understand this whole thing that's going in really is about the Life of God's Son being living in us, being manifested in the midst of our circumstances. Prayer activates the doctrine that activates this. Doctine : CHRIST IN YOU - It is such an incredible thing to think that these mortal bodies that are flesh with sin dwelling in their members can actually be a vehicle through which Christ can live His Life in its actions. The more the Word dwells in you the more Christ lives His life in you, the bigger Christ gets in you until finally you look at this and it's just almost like you don't see you anymore, you just see Him. Doctrine : CHRIST IN YOU - Is a gradual process that gets established and added to over time. When Paul gives you instructions in his epistles about DO THIS or DON'T DO THIS and all you know is to think/have this kind of behavior, he is not asking us to emulate that. He is asking us to take the doctrine and have it produce that in us. Huge difference. Between us doing it and Him doing it. Between that which is totally rejected and the only thing that is accepted. Why this can't be a motivational speech (GH: sermon) that doesn't tell you how this gets done.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	Doctrine : CHRIST IN YOU - As the life of Jesus Christ gets lived in us, CHRIST IN YOU should be true all day long. The decisions/choices we are making, the words we are speaking, the actions we are talking, those all need to be a reflection of CHRIST IN YOU. The more skilled you become at that, the more skilled you will be in the heavenly places to do something. Process by which the doctrine that you are reading on the pages of your Bible, those words, the meaning behind those words, get installed in our inner man and actually begin to change the way we think and the way we live which is equipping us to labor with God not only now but in the AGES TO COME. First thing that happens is you are confronted by the (GH: FORM OF) doctrine. You get told about it and you become aware of it. In the Book of Romans, the FORM OF DOCTRINE is think, live, labor. Before he tells you WHAT to think, he corrects the old thinking which is wrong. Given verses to affect the way you think, you have to change the way you look at it. By the time the FORM OF DOCTRINE has worked, we should be thinking like our Heavenly Father. Then, out of that new way of thinking, that now begins to impact how we live. You have to understand that doctrine. You have to believe in that doctrine. If you don't believe, forget the next part - effectual working. Effectual working requires us to mentally give a scent (?) to it. Difference between education (having a bunch of things in our head) and edification (living out of it). Live out of that doctrine and that's when the word begins to do its effectual work and conforms us to the Image of God's Son by going through that process of changing the way we think and the godly thinking impacts our everyday living, conduct, and behavior. Church is not about doing the best you can.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Christ IN You Commentary	Each form of doctrine is designed to produce something a little bit different IN you. Some of them are the same thing, it's just a different aspect of it. Put your faith in the various forms of doctrine and believe in them. MM says when he says 'participate' he is NOT talking about generating your own sanctification. You can't generate your own sanctification. The only reason we can even be in this position is because of what Christ did for us. We won't be living out of our great intellect, we will be living out of His word. That's what transforms us. Analogy: Hotel room vs. your own home - can paint/furniture/pictures the way you want in your home - not a good idea in someone else's home or a hotel room. It's the same principle - Christ being at home in us. Not you saying 'Lord, whatever you want to do, I am just giving you a blank check'. Not what God is after. He doesn't want you to decide I don't know what is going on but You do so You go do that. He wants you to make this decision with some intelligence, with some understanding behind it. You are not just a bystander with Christ interested in doing all of this. He doesn't want someone who doesn't really know what's happening and Christ is just doing His thing. He wants you to follow and participate(dangerous word - means you understand what He wants to do and you are cooperating with that process - does not mean that you are sanctifying yourself). To make a decision out of understanding. A lot of people today think well God, You know what You want to do and I don't so I am just going to let you take control. He is not going to do this against your will nor is He going to do it secretly behind the scenes and then one day wake up and go oh, I am sanctified. Christ is not looking for permissions to do whatever He wants to go do and we just let Him go do. He is looking for someone who is a like-minded participant who has made the cry of ABBA FATHER and is actively engaged in the Sonship education.

Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sanctification Commentary (Romans 6:1-8:13)	**Please see in Adam and IN Christ pie charts in the 'Maps & Visuals' section**: God's Solution to us being in Adam. Every one of these things that was wrong with us in Adam we got fixed in our new identity IN Christ. IMPORTANT: This is the identity you have to live out of in order to please God. Living out of your new identity in Christ (GH: the circle with pie slices) is how you walk in the Spirit and the Spirit of God DWELLs IN YOU -> QUICKENS YOUR MORTAL BODY -> Enables you to produce God's own righteousness in a fleshly unredeemed body that still has sin in its members. GH: Shows the power of God's grace. Thinking about this is MINDING THE THINGS OF THE SPIRIT - living in a way God is pleased with starts in your head. Marker to show you are ready to get into your SE - Way to look at yourself and know you are ready for SE. Once you see it, you will know if that is really in your or not. The process goes something like this: • He adopts his son - Jesus is adopted at age 12 where He is going to be about His Father's business. • He then makes an official pronouncement or declaration- Jesus's baptism - Matthew 3:17-4:1. • The son is adopted, and then pronounced as a son of his father

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sanctification Commentary (Romans 6:1-8:13)	PROCESS: You are spiritually minded, the Spirit which was "given" to you at salvation now "dwells" in you. That action results in Him quickening your mortal body. When he quickens your mortal body, He makes so that, in spite of the fact that is not yet redeemed and in spite of the fact that it has sin in it, it can produce a righteousness that is of such a nature that God accepts it as on par with His own – because it IS His own (produced in you)! Therefore, you are said to be "in the Spirit" IF SO BE THAT THE SPIRIT OF GOD DWELL IN YOU. The way to get the Spirit to "dwell in you" is to be "spiritually minded," or to "think about who the Spirit has made you to be in Christ!" You live for God out of what He has done for you – without any help on your part – and given to you as a free gift of grace. When you do, you are spiritually minded. When you are spiritually minded, the Spirit dwells in you. When the Spirit dwells in you, He quickens your mortal body so that it can now produce a righteousness that could never be produced by your best efforts in keeping any kind of Law or set of rules. When that happens, you are said to be "in the Spirit." When you got saved, God didn't do one thing with that body for the purpose to make you a joint heir with Jesus Christ and receive an inheritance that you would never get without it. MM has realized that he has robbed His Heavenly Father of the glory He was supposed to be getting from all of creation. He gave him something that was better than being delivered from it and he treated it like it was worthless. Not on purpose but just the same. Didn't mean to do it. God gave MM something better and he treated it like the inferior thing and He didn't know what He was doing. Sanctification is not a process, it's something provided for you as part of your identity when you receive Jesus as your Savior. The only thing you have to know is how do I work this machine?
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sanctification Commentary (Romans 6:1-8:13)	Sanctification has 2 aspects: 1. Positional - you were sanctified: This is who God made you to be in Christ. This is part of your new identity. It's a real thing - no longer in Adam. Now you are in Christ. If you were never made positionally holy IN Christ, you could never be practically holy. 2. Practical -take the sanctified status and start living out of that: • Been made to be holy positionally. But that doesn't mean everything you do everyday reflects that practically. • Getting your positional holiness to become a practical reality in your life. • The more you become conformed to the image of God's Son and the more you grow in grace, these 2 line up more and more. • EX Having a child makes you a parent but doesn't automatically make you a good parent. GH: The core of your sanctification is who you have been made to be IN CHRIST. He is not asking you anything different from who you have been made to be. It is truly who you are. Without this, you cannot live like an adopted son is supposed to live. Everything you need has been given to you by grace to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sanctification Commentary (Romans 6:1-8:13)	Doctrine : Sanctification - Set apart unto God for the purpose for which it was created. When God creates something, he creates everything for a purpose. When that thing is sanctified it is actually now being set apart for the purpose for which God created it in the first place. Sin came in the world and we were unredeemed. When we trusted Jesus as our Savior, our soul and spirit got saved but this body did not get saved. Doctrine : Sanctification - Someone will say MM was saying that this sanctification is something that we are producing. MM says the very opposite - we don't produce our sanctification in any form. We are sanctified when we trust Jesus as our Savior and that is our STATUS OR POSITION before Him IN CHRIST. Sanctification is not just abut a STATUS, it is also a FUNCTION. Possible for a person to be positionally sanctified IN CHRIST and never have Christ dwelling in their hearts by faith. Paul started on this in Romans 6 - MM didn't know enough in Romans 6 to see it then. Still talking about it in Corinthians and Ephesians and Thessalonians because he is talking about this thing on every level-SIMPLE SON, YOUNG MAN, WISE MAN, MAN OF UNDERSTANDING. Get it established in Romans as a SIMPLE SON then you build on it and build on it till you get to Thessalonians. Doctrine : Sanctification - We hear so little about living out of grace. We only know how to follow the rules.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	What you need to make the ABBA FATHER Cry check point - 3 Components (need to be present if v16-39 are going to work in you): 1. What adoption as an adult son is going to 'mean' as a son - what it means to be an adopted son. What does ADOPTION mean for the adult son - 4 things: 1) You have a Father-son relationship - change in my relationship with God 2) Have to know the purpose (someone said value) of adoption - He has a purpose for adopting me and I can identify that purpose. Install what is in His Heart in my heart so I can labor with Him in His Business. Biblical Adoption: a father adopted his son (his biological son) for the purpose of installing and instilling his wisdom into his son so that the son would labor with his father in all of his father's business. 3) Given LIBERTY - Three basic features of our sonship liberty - what I have liberty from - understand what that's about: (1) Freedom from fear motivation. (contrast to Israel: fear the Lord because He is an omnipotent God) (2) Freedom from the rudiments of the world (=the law). (3) Freedom from (1) governorship and (2) limited decision-making. (child has T&G and limited decision making) 4) Made a beneficiary of the things in the New Covenant - got all the benefits of the New Covenant - got everything I need to function as a son has been given to me. Even though you were not under that covenant you have been given all the benefits of the New Covenant. 5 Parts - tied to sanctification and justification.

Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	2. An appreciation for the son's 'commitments or responsibilities' - need this knowledge in your head or it is incomplete - you have some responsibilities in this too. Appreciation for a son's RESPONSIBILITIES or COMMITMENTS in connection with ADOPTION. 1) Commitment to Education (Learning) - your responsibility Honest Attendance - v1-2 Interactive Learning - v3 The Top Priority - v4 Decisions you are going to have to make on how you will spend your time 2) Commitment to Edification (Effectual Working) - God's responsibility 3. Appreciation for what it holds as a PROSPECT for the son throughout the balance of his Sonship life 1) What adoption holds out to you for the rest of your natural life on this earth. Group: edification and what He works in us, conformed to the image of Christ, decision making skills 2) What adoption holds out to you for eternity in the creature. Group: eternal vocation/laboring in your Father's Business, position in the heavenly places
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	Orientation Review/Previous Principles-#1-#20: - We are “sons” in more than one way. - We are made to be “children of God” by virtue of regeneration. Therefore, we are “sons,” in the sense that we are part of God’s family. - Additionally, we are also offered the opportunity to be educated as “sons” by virtue of adoption. Therefore, we are “sons” in the sense that we will now be treated as adult, adopted sons who will be educated by our heavenly Father for the purpose of instilling His character in us, equipping us to think and live like Him so that we can labor with Him in His business. - We identified 3 main liberties that we have as sons which we would not enjoy if we were children. 1. Freedom from fear motivation (What Israel had with the law. Israel under the law operated out of fear. Fear theme over and over in the O.T. Fear of judgment. If you are a child and don't do right, know the tutor is holding the rod of correction.) 2. Freedom from the rudiments of the world (ordinances & commandments of the law) 3. Freedom from governorship and limited decision-making (big one-you are going to make decisions on your own and your Father expects you to do that)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	- God has determined to do the business He has to do on this earth (which is to repossess the earth from the Adversary and his cohorts) through Israel as the mechanical means and to get the job done through a series of covenants He makes with Israel (which safeguards/ensures God to do all the work Himself). - In order for Israel (any Israelite) to enter into doing business with God their Father, they have to have SPIRITUAL FITNESS in order to be utilized by God in His Business. God tells them to go be a holy nation and a royal priesthood (to achieve holiness-PROBLEM: they had a corrupt priesthood - can't achieve on their own-have to be MADE spiritually fit) - Israel rejected God's Jehovahness & grace to give them perfect justification/sanctification, and opted instead to produce it for themselves by foolishly going under/putting themselves under the Law contract - When they went under the Law, it made it so God could never treat them as sons, but would have to treat them as children under the tutors and governors of that law contract. - In His grace, God made this other covenant (the so-called Palestinian covenant) to serve as a legal notice by which He can still find a way to operate with Israel based upon His Jehovahness & grace
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	- This covenant will be the legal means by which God can make the Law covenant "Old" and establish a "New" covenant to accomplish by His Jehovahness what the "Old" covenant failed to do; produce spiritual fitness - Everything God is going to do in His repossession of the earth and repossession of the heavens, He is planning to do it through adoption. That's the plan He has utilized to do that. Loosely, it is a written body of instruction. - That system of tutors and governors under the law of Moses - the law of Moses served as a tutor and governor - The fact that the New Covenant actually includes in it the issue of Sonship education—(especially that 3rd component of NT sanctification: being taught by God/your Father and that issue of personal, intimate fellowship with your Father) - The curriculum for our godly edification was written by God Himself (not man), it is in the Bible, all in one place, in the exact order (we don't change it or rearrange it) in which God wants it taught and in which it must be taught if it going to effectually work - There are no substitutes, there are no alternatives, and no matter how long history lasts/goes: God curriculum for Sonship education can't be improved upon - no one can do it. God will show you - explain some things about the business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary (Romans 8:14-15)	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary	- What is in it for you (can look at it as selfish but God does know there's something in it for you and it is so great that He wants you to know it). He is dangling this carrot out there to try and adjust our attitude to where everybody that gets to Romans 8:14-15, when they get to Romans 8:16, He is going to start adjusting our attitude to say I want this (thinking, likes/dislikes, values) that's in My Father's Heart, in my heart. Shows you why you should want it by showing you something about My Business out there. Being saved people, we hear all this about going to Heaven but we hear almost nothing about what we are going to do when we get there. It's a mystery. Have all these ideas we've made fun of - sit on clouds like fat babies with wings and strum harps - you know that is not it. You are actually going to work when you get to Heaven. MM says you are going to work. But you haven't known this type of work. You won't be in this kind of body, you're going to be in a glorified body. We work here because we like to eat. We work up there being driven by something else. Working in the greatest business that has ever been ever.
		- Show you what you should begin to expect when you start this education. He is going to tell you some things that are going to change for you and here's what you should expect.
Commentary (Romans 8:14-15)	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary	- Shows you that the relationship is going to deepen in a particular way with Him. There's an aspect of your relationship that takes place in the Sonship education curriculum that goes way beyond anything we could have ever imagined before. He is going to hold that in front of us. There's a change in the way the relationship is going to go and a change in the way we are going to communicate with each other.
		- Your prayer life will not only take on added dimensions but you are going to know when it is time to say 'Amen'.
		- Your Heavenly Father is going to show you how you know it is He speaking to you and you will know when it is time to say Amen and go to bed. MM says it sounds mystical and ethereal and spooky but it really is not that way.
		- Tell you the good things and the bad things that will come you way as a result of you being educated as a son. There are some great things that will thrill you but there are also some things that are going to be against you because you started this education. He is going to tell you how to handle all of that.
		- All of the above is packed into the rest of Romans 8. This is to adjust our attitude so that when we come out of that, we are truly not just saying ABBA FATHER I want to be educated, we are truly saying I understand to be educated that I need to think like My Father, I need to know His likes and dislikes, I need to know what He values. Those are the things I want in me.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	- He has to do it this way because if you do it any differently, you have just taken His Business a step backwards. - The issue of being educated in God's Wisdom (and having God's heart imparted to another's heart) is something unique to only one segment of God's creation: Man (of course not squirrels but not angels either) - Angelic beings are created/come into being with wisdom already 'built in' (didn't go to school, get educated, and didn't get adopted) - God created man (not angels) with the uniqueness of being able to function as a son with God as his Father – this is the issue of "godliness" (created in God's likeness) - Unlike the angels, beginning with Adam, man is going to have to be educated into God's Wisdom - God's intent is that He and He alone be the Father and the teacher. And now we are ready to move on as long as we have an understanding of: - The significance of being an adopted son – that God did not save you just to keep you from going to hell and so that you could go to heaven, but His primary reason for saving you was so that He could adopt you, that's the thing He is after - Why God needed to adopt you – so that you could be educated/taught, through an intimate Father/son relationship. God could have presented the Godhead any way he wanted. He could have presented it as King-Prince-Governor. He chose Father-Son-Spirit, and it is the Spirit that manages the father-son/Father-Son? relationship. Not an accident.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	- The goal of adoption – so that you can labor alongside your Father in the heavenly places for all eternity – to share in His glory and His Business - How being an adopted son differs from being treated as a child/how adoption differs from childhood – in that you are offered but not forced to receive this education, in that God fully explains the "why" to the things you are taught, in that the style of teaching is different from child instruction which is a rule-book and case-book type of instruction Childhood: Under tutors & governors / Restricted Decision-Making / Are not explained why / Law=childhood=tutors & governors -> POE keeps people in childhood where they will only learn about their father but they will never have that intimate Father-son relationship and be educated by their Father. (Adult sons): Under the Father-Sonship (living out as a son) / Liberty / Are explained why - Freedom from fear motivation: we don't think God is standing there with a big stick waiting to mess up. - Freedom from the rudiments of the world: Bible terminology to describe the law and all the things that go with it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8:14-15)	- Freedom from governorship: MM can't tell you what to do, he is not your tutor & governor. - Freedom from limited decision making
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8)	Because we are in Romans 8, all we have is SE. Haven't been taught the 4 skills or anything beyond that. - If our lives ended today, you do have something in the creature because there are some things you do know. - Won't be at the top of the pyramid but you still know a lot more than folks that never engaged in Sonship. - SoC are not in view right now but suppose the SOPT come into your life and you begin to suffer. You know that your response to that suffering is supposed to be different from the ordinary person's response. You know that there's a grace that can cause you to endure or bear it. You understand that whining and complaining is the very opposite of how you should be doing as a son. Possible when you are just in Romans 8, that you encounter a suffering that is impossible for you to deal with yet. If you could handle everything without the education, why do you need the education? Your Father is just dealing with you where you are. If you blow something, your Father is not looking at you and saying you blew it, you wiped out your JHI, all that glory is gone, and now you are going to start over.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8)	He knows where you are, He knows what you are trying to do and He doesn't expect you to do something you haven't been equipped to do. - Same way when you get farther in the education, GH: don't return to START. MM says wouldn't that be a way to discourage somebody if this was the case. Your Father is not going to let that kind of discouragement come into your life and make it so that you're not able to mess up. - If you are going through the SOPT, your limited efforts to respond to that suffering rightly are going to result in a glory that is way beyond your suffering. - Because you will be a joint-heir with His Son, He is going to take something that is His, and because you did what you did, He is going to give that to you and you will have that forever. Take out of what He has and give it to you. Will be of such a nature that someone will come along and say, 'Wow! Where did you get that?' And you will say my Father gave it to me. 'What did you do to get that?' You would say I did this and they would say 'That's all you did?' Won't be thinking it when you are going through it but when you get up there, you'll say I would go through that 100x to get that but I got it.
Commentary	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Orientation Commentary (Romans 8)	MM says it moves from glory to glory and what you are going to get as a son in SE as a joint-heir is that much more than what you get as an HEIR OF GOD inheritance. He knows because of where you are, you can only take it so far. God is the one that justifies you (Romans 8:33) and is the One who is going to validate you. He knows what is there and what your intent was.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Establishment Commentary (Romans 8:16-39)	SEDoct: The effectual working of this body of information is designed to produce, in you, the desire to invest your LIFE in this curriculum as you see/perceive what your Father has to offer you, and what your education as His son is ultimately designed to provide you with the skill to do. Therefore you are given a hope that will provide you with the patience that is necessary to see this course through to its end. Designed to give you the "hope" of an inheritance so great and so grand, that you see it as worth investing your entire life in this Sonship curriculum. Having established that Jesus "suffered" as He functioned as Redeemer, and by His death, burial and resurrection He qualified Himself to receive an inheritance. Jesus, in His Sonship life on this earth, was made perfect through the things He suffered. In like manner, you are going to be perfected through suffering some things "with Him." And that suffering is going to qualify you to be a "joint-heir" with Christ. God isn't doing miracles on the outward man, He is effectually working in the inner man. Jesus Christ has some sufferings that He suffers in connection with what is going on in this dispensation of grace and in regard to this new creature of the church the body of Christ, of which He is the head. He's not suffering for sin. He's not suffering agony. He's not suffering pain and affliction, but He is suffering some things. What MM will tell you now is this: 1. Everything in our Sonship Education/Edification (being conformed to the image of Christ) is tied to our "suffering with Him" in various manners that are equivalent to how Christ suffers today in this dispensation of grace.
	Sonship : Curriculum Level 0 : Adopted Son (Pre-Work or Ground Work) : Sonship Establishment Commentary (Romans 8:16-39)	2. The degree and extent of our heir-ship with Him (our joint-heir inheritance) will be determined at the judgment seat of Christ. 3. The basis for determining that inheritance will be by the amount of equivalency in our Sonship lives to that which Christ is presently suffering. 4. The degree to which we "suffer with Him," is the degree of the reward of our inheritance. If a son waits until he has gone to the heavenly places to be educated in the Father's Business or to be educated in godliness, then: 1. He will never obtain a joint-heir inheritance 2. He will never occupy a seat of authority in God's government in the heavenly places 3. He will not be glorified together with Christ 4. He will never be allowed to function in certain areas of the Father's Business It is the Sonship Education and Edification during your lifetime on earth that qualifies you for the benefits of eternity. Understand the importance of suffering as it pertains to your "perfection" and your joint-heir inheritance.

	Sonship : Curriculum Level 1 : Romans Education Part 1/2 (Romans 12:3-8)	
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 1/2 (Romans 12:3-8)	
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	Next core feature of godly love. It is not in your human fleshly effort trying to produce these things which is the way most people see what the Bible is doing when it exhorts you to do something. But it is designed so that the Bible and the verses that are in your Bible will help you to become selfless in a godly way and that means we are selfless for the same reason that our heavenly Father is selfless. Get our motivation out of Romans 12:3-8. GH: As we go through the doctrine, keep going back and looking at the things that you pray about, look at the things about your edification, and be familar with all of those. Now we are going to add something on top of that, that is also going to help us in this edification process. Selflessness is only godly when it is applied for the same reasons that our heavenly Father does. That doesn't mean the world doesn't know anything about being selfless, it does and that's not an evil thing. It's just all the the world can go when they are not JUEL. We are going to have that word working in us to make us selfless, not to act selflessly every now and then but to actually be selfless and let that be the way we live our life as that word has renewed our mind and transformed us on the inside. Just because godly selflessness gets generated in us doesn't automatically mean that we will be selfless in everything that we do. The selflessness we have from the instruction in Romans 12:3-8 is manifested by the V&E we have for our fellow members in this assembly. It shows up in how we treat each other and behave toward each other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	The immediate context is the local assembly because that is the easiest place it is to learn the doctrine in a group of other people. v9: LOVE: Two kinds of LOVE - Paul is saying here is a checkpoint - make sure that godly selfless LOVE we have for others is actually generated out of the doctrine: 1. The godly love generated in us by the doctrine and then the things that we do we do because of that. We make a decision to do that 2. But what would make it dissimulation is if we're not thinking about it out of the doctrine. Possible to go through the motions and not doing it because of the doctrine. No matter how we treat our fellow members, if we are not doing it because of something we read in the doctrine that has now caused us to understand how important those people are and how our Father feels about them and that is the way we ought to feel about them and now we are going to treat them in accordance with that. If this is not spurring what we are doing for our fellow members, than that love is with DISSIMULATION. Whatever it is that you are planning to do, to manifest that love you have for your fellow members, (GH: think) I will help someone else or I will perform a task because I V&E/love my fellow members (the WHY you will do it). Because my Father has told me how important they are and what they're supposed to mean to me. Ask this question in light of everything that you are doing then it will become obvious to you how much of our actions are tied to the doctrine.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	Maybe you are naturally a nice person and you just do nice stuff all the time. While that's not necessarily an evil thing, what your Father is doing here is making sure what is generated in you is His version of godly love. You can only get that from Him/the doctrine that is designed to produce that. So ask yourself a question - everytime you get ready to make a decision. Another way to say it - I'm doing it because of the doctrine. MM says men have a problem with this more than women but if someone loves you and you know it, it's still nice to hear it every now and then. It is nice to not only hear it but see that manifested in someone's actions towards you. If you just buy birthday presents, that's just doing the minimum. It's nice to do more than the minimum. Members of this assembly have to find ways in which they manifest to the other members how much they V&E them. EX Women want to hear the men say I LOVE YOU because she doesn't naturally translate doing all the things a man does to show his love for his wife the way he does. And he may not be motivated out of love, he may be motivated out of not having to hear the whining on things. This is the checkpoint for our love without dissimulation - this assembly has to find ways to do this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	**There are 2 issues:** **1. Genuinely motivated by the doctrine** **2. Taking the opportunitiy to demonstrate that** Admits it is more difficult for Zoom/remote members to do this because we live in different places and we don't see each other's face. But even people physically in this assembly, we don't see a lot of those faces all the time either. So that means we have to find a way and make an effort for the other members of that assembly to understand you V&E them. Not just talking about saying it but taking about finding a genuine way in which you can help their edification. This is not just another version of the 'be nice to people' club. We're concerned about the work of the minstry being done. We're concerned about the edification of everybody that's part of this assembly. Being nice is fine but this has to have some real merit to it. Need to constantly have this in our mind - how is this assembly going to go forward because if we are going to V&E each other and that has to become evident. These are the kinds of things that we're being checked on here to make sure that our love is without dissimulation.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	**The reasons I am doing this is because:** **1. I love my fellow members** **2. I love my heavenly Father (the basis for #1)** **3. I love my heavenly Father's Business (want to see it advance and go forward)** MM asks how do you know if what is motivating you is the right thing? Remember this is a process and not a light switch. It can work and it can work and then something happens and you do it for a whole different reason. That doesn't mean that the doctrine has failed and it doesn't mean that you're a failure. It just means we have become aware, until we get this established in us, what it is that is motivating us. The question to ask ourselves is this - why am I doing anything in relation to my fellow members?
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	Why am I doing that? This can be accomplished through an OFFICE that you are going to work out of. - Do you see whatever you are doing as an indicator of your gratitude to your heavenly Father for all that He has done for you? - Do you see whatever you are doing as accomplishing your heavenly Father's operations? THat's His Business and carrying forward what He wants done in the world. - Do you see whatever you are doing as beneficial to others? (GH: MM points to the 3 'I love my...' bullets above come into play) These 3 things should be a guide for us. Then you have to ask yourself if what ways, whatever it is I'm doing, how are those benefitting? Does it help their spiritual well-being? This is a measure of our edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	GH: another angle - Have I done anything to help someone else in their OFFICE and just as importantly, why did I help them do this? Comes into play more for the people on Zoom. A lot of the ministry umbrella will fall under the Accelerated Education Program. You can be involved and that will be extremely helpful for the edification of others. Did you do it because of how much you value another member or value their office? Isn't helping someone else another way of demonstrating to your heavenly Father how much you care about them? Of course it is. When we see our fellow member as engaged in fulfilling our Father's operations, if we care at all about those, then we would want to help therem achieve that as well. So the exhortation (GH: Romans 12:9a) is genuine. Let it be for these reasons and not for other reasons so that your LOVE IS WITHOUT DISSIMULATION. Means to be loving them for the same reasons our heavenly Father does. What love WITH dissimulation looks like: Warning: Thinking that the love we generate in our flesh is somehow going to be enough to accomplish enough. If it's not our heavenly Father's Love it is not going to accomplish all the things that He wants us to accomplish. Asking the question what's behind our actions is important. The wrong motives we have are not necessarily evil, but they are just not godly.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	DISSIMULATION Motives: - Doing something out of obligation or duty: EX Performing the OFFICE of MERCY with CHEERFULNESS. Because when you don't do it with CHEERFULNESS, they get the distinct feeling they have become a burden and they really didn't want that and this is an inconvenience for you. EX MM says there are gas stations that he doesn't go to anymore where they act like it's the biggest inconvenience of their day to wait on you. Get treated like that at some eating places. It demotivates him to go back. If someone is going to get MERCY from someone who doesn't want to be merciful to them, are you really ministering to them? No - no different than the world at that point. Carry over the love you have for your fellow members, your heavenly Father, His Business and not because you have a duty. Wrong motive: Some people talk about duty as a noble thing, someone did their duty, to do what you are supposed to do when it is not easy to do it. May be noble but just to do it out of obligation or duty misses the point. - Promotion or Exaltation: I'm doing it because I'm going to get something out of it. MM says if everytime you do something you take a step back and ask WIIFM, you may need to take a step back. MM points to AND BE NOT CONFORMED TO THIS WORLD-Romans 12:2. We are more conformed to this world in ways than we ever imagined. We just don't always see them in the moment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	The way we see business today is not the way our heavenly Father sees business. We are conformed to this world when it comes to business. So much so that we kind of cut off what we do in our business life from what we do in our religious life or spiritual life or church life. 'It's not personal, it's just business'. MM doesn't like that one. Your heavenly Father is Creator of business and He has a way He means for that to work. But if the only thing you do it for is to make a living, if that becomes you motive, you have missed the boat again. If the only question you are asking is what do I get out of this, you are asking the wrong question. Or if the only reason you're doing it is so you can get promoted, that's not OK even in Sonship. The driving force can't be I'm going to become the one that knows it all and I'm going to get to the head of the class and I'm going to be in a place of ruling with my heavenly Father above everybody else. Should be what I am going to do to help other folks get there - the way your supposed to be looking at this. Yes, they are supposed to be doing everything they can to get edified because there are some things nobody can do for you. You are going to have to put in the time and the work and the effort. Nobody can replace that for you. But it can't be about well, I'm going to get it. - Fear and Guilt: Guilt is a terrible motivator and if your only doing something because you feel guilty, you're not going to do it for very long and you are not going to get the benefits that you're supposed to get from that.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	- Natural Human Goodness: Sounds very benign but it can't be this way. If human goodness is the reason that you're doing the things that you are doing, then you have missed the point of godliness because that human goodness is not going to be enough to train you for the work you're going to be doing in the heavenly places. Specifically, it is not going to teach you how to make godly decisions when you get into the heavenly places. We look at this like it is one more thing that we are doing. What MM needs us to understand is, how critical these things are to what we are going to be doing throughout the AGES TO COME. As you are making decisions, these are the first things (GH: that I love my fellow members, I love my heavenly Father, and I love His Business) that should go through your mind as you are making a Sonship decision. This is training you to make good Sonship decisions now so you can make good Sonship decisions later. It's about obeying the doctrine, teaching you what the doctrine is teaching you to do. These look like they are not a big deal but if you can't do the little things, you will never do the big things. May not look like a big deal but godliness is always a big deal. Is what will allow us to labor with our Father in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	When we look at things that are happening to the other members of this assembly, this is important because this is part of our education that we will take to the heavenly places and we're going to learn to operate out of that so when we get up there, we'll know exactly how to operate of that. MM says he is going to have to start looking at everything that happens to Gloria and everything that happens to Eric and everything that happens to Barbara and he is going to have to look at these things and how they affect them and see those as GOOD or EVIL in the sense of definition No. 4. Are they hurtful or troublesome to them and if they are, he is going to look at them as EVIL. When we look at the circumstances that we find ourselves in, some of those circumstances are troubling and that we leave to actually care about what is happening in the lives of all the folks that are part of this group and we have to identify those things as either being GOOD or EVIL. Either beneficial or hurtful. Looking at the situations they are in, the circumstances of their life, and remember how we are supposed to respond to that. Bible is not asking us to put on a show, but the care that you have for the other members has to be now one of viewing the things that are happening to them as either hurtful or beneficial and if it's hurtful you need to view is as very hurtful, extremely hurtful. So when someone is having a tough time with something that you don't just go oh well, I'm really sorry about that.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	You may be, but we are not used to viewing it this way. Someone may look at this and say, this is over the top, but the kind of LOVE that this is meant to generate in you is meant for you to be able to look at those other members and really care about what is happening to them. GH: An emotional feeling. To the extent that what's happening to them is now affecting you. MM says we do that with people in our natural human love that we have for people. Say if something happens to one of our kids, we feel that automatically. Now, what the Bible is saying, we're going to generate that for the other members of this assembly so it is not just restricted to those few people that we hold near and dear. The godly lovingkindness that these verses are meant to generate in us will be generated to the same degree that we learn to abhor that which is evil and cleave to that which is good. We are getting the formula here on how to get that generated in us to the fullest extent and that's going to come out of something. The first thing it is coming out of is really abhorring the evil that is happening to our fellow members. In order for this to happen, it will take us doing something, You are trying to get the love generated in you for the other members of the assembly to a level that heretofore we did not have unless someone was married or related to them. In the beginning, when it is not natural, when this is not what you will do automatically, in order to start valuing them, in order to get to know them, in order to really abhor those evil things that are happening, you are going to have to pay attention to the other members of the assembly on purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	It won't become something that you will do until you acclimate yourself to doing it on purpose. This is how you get started. When you decide to do this on purpose, you are making a Sonship decision to think about your fellow members in accordance with v9. The only reason you would do this is because v9 has told you something about how to start thinking about your fellow members. And when you do that, the reason is only because of v9. Nothing else asking you to do that. But when you do, that doctrine begins to transform you on the inside and conform you to the image of His Son. That's how that takes place. To care about someone like they are family because you are. But this family is in the Lord. MM says he sees this working in people even before we got to this verse. Because when SELFLESSNESS is working in you, this is the next natural step (GH: LOVINGKINDNESS). Core Feature: Lovingkindness: 1. Love: We V&E the other members of this assembly 2. Kindness: Benevolent Disposition
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 (Romans 12:9-10)	Found 26x in your Bible. God uses Himself as an example. Should be able to see the commonality in the verses - LOIVINGKINDNESS is from the Lord. When you get to Romans 12, for the first time, you now read about LOVINGKINDNESS being from someone other than the Lord. This is going to be in us and that's going to come forth in the treatment that we have for the other members of this assembly - that's a pretty remarkable thing when you think about it. Because all along it's just been God as mentioned as having LOVINGKINDESS. You see this when Israel was afflicted, the Lord Himself was afflicted (Isaiah 63:7-9). We see that godly LOVINGKINDNESS results in some kind of action. We are actually doing something when we see that evil that is impacting those in our assembly (GH: segwaying into godly living). He feels about it now the way He felt about it back there. But now, we have the ability to have something working in us in the midst of those sufferings. Not saying He is up there wincing in pain, but He identifies with that and He is connected to that. That's the fellowship of His sufferings. There is doctrine that is meant to build you inner man so that in the midst of that, not only fo you know succumb to whatever the tribulation is but you become ?, your edification grows, you become more than a conqueror, the life of Christ is put on display, and you are now able to live out of that all sufficient grace. So when those things happen in the future, you become so experienced in that that now you know how to handle those things and they don't affect you like they did before because you are actually looking at them differently than the world would.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:9	Thinking about people in this body this way (Romans 12:9b) will result in godly lovingkindness toward them that is going to result in an action whereby when something is going on with one of our members, we need to understand if it is a good thing (GOOD) or bad thing (EVIL) and we need to respond to that in kind. This is what you are going to take with you into the creature. **Every age is going to be another unfolding of the exaltation of God's Son, with every age more glorious than the previous. MM says we love Jesus for the things He did but still don't see Him in His fullness. Because if every age is going to manifest Him in a more glorious manner than the previous and it's going to go on forever. If He is worthy of that and He truly is like the scripture says, it will take forever and ever to reveal that. A billion years and you still haven't seen it all. Most people look at one little piece. All the pieces are important, God did them, and none are superfluous, none are meaningless or optional. Everything He did was needed to have been done. We just look at the part that affects us and think that is the big part. It hides Him from whom He really is with us. When you see Him from your heavenly Father's view, you begin to view Him the way He was meant to be seen. This is what our life is about, this is what is being built into us. That's part of the wisdom. We will manifest godly love and kindness up there the same way we manifest it down here. What we do down here for a moment in time, GH: we'll do for an eternity up there. Becomes is pretty big responsibility and how the assembly begins to function**.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:9	Romans 12:9-10 Commentary: We are learning to think about each other in such a way that we're developing this bond together, developing this cohesiveness, and this unity together as members of a body. It is important because we need that unity to be in place when we get to the heavenly places. We don't want to wait till we get there to try and have that. MM can't over-emphasize how valuable that is to be able to work together as member of the body and to be able to think about each other the right way and to treat each other in accordance with that godly thinking that will equip us to be able to labor with our Father when we get into the creature.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:10	Romans 12:9 Commentary: If your edification is being impacted, we ought to really ABHOR whatever that thing is that is the obstacle to your edification. We should do this generally, but that's not where most folks live every day. The evil that is happening, the things that are detrimental, we hate those things and we want to do something. And the good things that are happening, we want to rejoice in that. So if you are not destitute, MM rejoices in that, but more importantly, he wants your spiritual life to flourish. We all look at each other with that in play. Once we begin to look at each other and really begin to think about things we are going through and the things that are happening with the other members of the body and we're able to really be enthusiastically excited for the good things that are happening and abhoring or being absolutely opposed to the bad things that are happening to our fellow members, there there needs to be a way to take that thinking and put it into practice and the easiest place to do it is within the local assembly. This is the most natural conduit for the godly thinking that we are learning because we are related to one another in Jesus Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:10	QUESTION: How does abhor the evil and cleave to the good translate to the heavenly places? Satan and his minions will be removed, we are going to be in glorified bodies, what's the evil that we are supposed to abhor? Your focus is on the wrong entity. When we get there, we are going to change the creature. This kind of thinking needs to become automatic in us. Not because we are going to be going through that evil and suffering up there but because we're going to have to remedy that for the creature, we are going to have to restore that life to the creature, and as members of the body of Christ who get conformed to the image of God's son, with His Life and Character in us, we are going to be the functional life of the creature. If you look at the way God has designed this is that Jesus is not just going to do this on His own. He could, He is God. God could just fill up the heavenly places with His presence. Think about it this way - as Jesus Christ becomes our life-Colossians 3:4, and the bondage of corruption has robbed the creature of the life of God, that's going to have to be restored up there. The way God has chosen to do that is to fill the creature with sons and daughters who possess the life of His Son. God could fill the heavens with just His Son, but instead He chose to fill the creature with us. So if we have the Life of His Son and He fills the creature with us, what He has essentially filled the creature with His Son but He did it in a way that gives us the privilege of participating in that. He didn't do it without us. He has no plan to do it apart from us. The way He means to do it is with us.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	Romans 12:10a Commentary: MM knows the word LOVINGKINDESS is not in this verse but what LOVINGKINDNESS is is absolutely sitting in this verse. MM says we have used the term brothers and sisters in Christ for years but really have to see the IN Christ relationship we have with each other. The way we support each other in our Sonship life, the way we care about each other, the way we contribute to the edification and well-being of our fellow members because we're all part of the same body - all of that is supposed to have an impact on us. QUESTION: When something is happening to someone and the rest of the body doesn't know, how can we respond to something we don't know? And if you make it known, isn't that complaining about your situation? MM says when people ask 'how are you doing?", most of the time they don't want to know how you are doing. It's just a form of greeting and you go 'great, how are you?' But if someone in this assembly really cares and wants to know, is it griping and complaining when you say things are not well. Depends on how you say it. If you say, 'I don't know why God let this happen..', that's wrong, that's complaining, that's whining. But to be able to honestly say what is going on and there is an issue that you are stuggling with, you can say that and that way folks have the ability to help. MM says there's a difference between being nosy and caring about your fellow members. We have to be on the lookout for each other when it comes to our edification but it also means generally. This is what these verses are trying to get across.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	It is godly LOVINGKINDNESS that generates the first steps in accomplishing in his body exactly that your heavenly Father wants to accomplish. MM gives some phrases - look down the road to the destination to see where this is going: - FITLY JOINED TOGETHER-Ephesians 4:16 - EDIFIES ITSELF IN LOVE-Ephesians 4:16 This is where we are being taken. As we learn to do this here, you don't have to relearn it when you get to the heavenly places, you will be taking that with you. That is what qualifies you to be able to function up there. Because you have become that which is able to function up there. This group will already know how this body up there is supposed to work because we are already working that way. We've learned to do that. We've learned to think about each other the way that we are supposed to. When we do the thinking->living->labor correctly, it unifies us and it galvanizes us, and it gives us cohesiveness. It fitly joins us together and makes us the body we are supposed to be. As we put this into practice, not only are we promoting the Sonship life of every member of ths assembly, but the assembly is strengthening itself. And as the assembly strengthens itself, it gets stronger as a unit/body/assembly.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	A lot of Christians think their spiritual life is one thing, but when they show up at work, they turn that key OFF and now they turn on the work key, and now it's almost like you can violate all that because that was for church, this is business. Hear cliches 'it's not personal, it's just business'. Because you are involved in business, it does not give you the license to be unkind or selfish. We don't leave things like SELFLESSNESS and LOVINGKINDNESS at the door of our workplace. These are the things that shape our understanding of work and business so that it's like our heavenly Father's. We act like God's not interested in that, but God has a Business. Even the Lord Jesus talked about it this way before He ever began His public ministry. When He is 12 years old and the realized that they left Jesus. They run back and find Him sitting among the brightest minds in Israel and they are flabbergasted at His understanding and wisdom. When Mary runs up to Him and He says WIST YE NOT I MUST BE ABOUT MY FATHER'S BUSINESS-Luke 2:49. This will bleed over into how we look at our co-workers and unless you run the business, how you look at your boss. Is going to start not so much with the people we work with but how we view business itself. Our view of business/of our work life - BE NOT CONFORMED TO THIS WORLD-Romans 12:2, the world teaches us to think about business in a particular way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	The RENEWing of our mind doesn't just happen in the local assembly, it happens out there (GH: in the business world) as well. Not everyone gets excited about business here but we are going to be laboring with God in His eternal Business throughout THE AGES TO COME. MM thinks one of the things God wants to do is thinking about business the way He sees it so that we not only can prepare for what we're going to be doing up there, GH: we advance our skill set for up there. He means for us to be directly involved in His Business and indeed we will. We have an inheritance and connection with this business. One inheritance comes from just being part of the family. The other inheritance comes from being a joint-heir with Christ. Business is important to God. In fact, He is the Creator of it, He is the instigator of business, and up in the third heaven, business is going on right now. The angels in the third heaven are involved in industry. When the Bible talks about angels clothed in linen, white and clean. Linen is made from the flax plant. This means you have to grow flax, you have to harvest it, and have to go through the process to turn that into a cloth in which now that cloth can be made, cut out, measured, and sewn together so it makes this white garment. There are fields growing in the third heaven, there are farmer angels. There are textile industries up there turning flax into cloth. **Principle: For things that go on on earth, they went on in the third heaven first**. When God created the earth, He created the very environment that He wanted to have here because one day He is going to come down and dwell in the midst of His creation on this earth. When you look around on this earth and see mountains and valleys and bodies of water and all the beauty, all the vegetation, they were all in the third heaven first.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	God is duplicating the things that are here that are already up there. MOUNT OF THE CONGREGATION IN THE SIDES OF THE NORTH-Isaiah 14:13 is naming one of the mountains in the third heaven. We think of heaven as just the Throne room. That it is resplendent in glory and there's One sitting on the Throne with a bright light emanating from His presence and there are angels around it. That's how we think. But the Throne room is only one part of one building in the third heaven. You not only have structures up there, but you've got these areas that are not part of the city. There is a city up there and one day it is going to come down and the new Jerusalem is going to sit right down on this earth. So there's city areas up there and country areas up there, GH: just like we see here. POINT: There is business going on up there. Not every angel is a soldier. Some angels are involved in agriculture some are involved in textiles or manufacturing. The manna that God fed the children of Israel with was called ANGELS' FOOD-Psalm 78:25 and manna from heaven and THE CORN OF HEAVEN-Psalm 78:25. MM said this made him happy since corn is his favorite vegetable. There's got to be corn in heaven because angels are eating manna. We have this idea that God snaps His Fingers and there's corn and He snaps His Fingers and there's manna. The principles of business and industry have been at work in the third heaven all along. We think men came up with that. That men were really smart and had that idea. God passed that knowledge down.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	v11 is educating us that no matter what we do for a living, there is a particular way our heavenly Father wants us to look at earthly business that we are a part of. MM believes the godly attributes that are supposed to be working on our inner man are also going to be having an impact on the people we work with, the people that may work for us, or the people that we work for and we should desire that and we should be praying to our heavenly Father about that and we should be working to that end. The real issue in v11 is to be thinking about business the way that He does so that our attitude toward our work and the things that we do at work can match exactly what He desires from us. So business is an opportunity to put godliness on display to men and angels and to get our thinking aligned with our heavenly Fathers. v11 pertains more to the work itself rather than to our fellow workers. Until we look at business the right way we will never have the impact on our fellow workers that we're designed to have, making sure what we understand and how we act are all coming out of the doctrine. Until we adopt our heavenly Father's attitude toward business, our words and our actions will never have the impact on our fellow workers that we would like for them to have.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	Zealous and FERVENT are things we are or that we are not. Fervency is not a description of our work, it is a description of us. Zealousy is not a description of what were doing or how we are doing, it is a description of us. Don't say that guys work is really zealous, say that guy is zealous. There is a wrong kind fervency (GH: search 'GH: ZEAL verse') and there's a right kind of fervency of spirit that is produced in is by what we do here week-after-week, looking at this word and then going home and allowing that word to effectually work in your inner man so that it changes the way you think and then impacts your everyday behavior. Paul is exhorting us to be FERVENT IN SPIRIT based on something that is happening in our inner man, not by something that comes from without. This is another way of talking about Christ being formed in us. We are learning this principle of being motivated by godliness which allows us to: - love unconditionally - give with simplicity - be godly in the midst of an ungodly world - value & esteem the other members of this assembly - manifest that godly love & charity by our Christ-like actions toward our fellow saints - keeps us from being slothful in business

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:11	If you are going to live in this world, you have to work. But that doesn't mean that your work doesn't have the life of Christ working in you at your workplace. FERVENT IN SPIRIT is a burning desire to put the life of Christ on display in your workplace. People don't understand that by being inappropriate you can damage the cause of Christ. Doesn't mean going around and just throwing Bible verses at them or trying to make everybody feel like they are sitting in a Sunday sermon. MM says there is a pendulum swing to everything that we do. Do I want the check out lady at the grocery store to be saved? Yes but not going to hold up that line to try to witness to her for 10 minutes. The Manager will get involved and everyone in line will get upset. It is inappropriate for the setting of what is going on there. They will start branding the gospel and Christianity with a bad taste in their mouths and I've actually done more damager than good. Have to have wisdom and discretion on how to manifest the life of Christ at our workplace. This has to do with how you conduct yourself with honesty and with virtue and dignity. It should reflect that you have a relationship with Jesus Christ and they way you respond to all things that happen at your job whether they be good or bad. That impacts the people that see us. Whatever you do for a living, be fired up to put the life of Christ on display at work.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:12	MM is trying to prepare us so that when we get into the heavenly places, we will have all of the doctrine working in our inner man that will allow us to actually be able to work in our Father's Business up there throughout THE AGES TO COME. This is part of what needs to be in us. MM is not trying to make anyone feel guilty, what he is trying to do is say, let's equip ourselves. If we already naturally knew it, Paul wouldn't have to tell us about it. Paul doesn't start the chapter with 'hey this is just for some of you', he's writing this to all of us. Let's get these principles at work in us and change the way we live here so that the life of Christ gets produced in our inner man so we will be capable of doing more when we get into the heavenly places. When MM says be in the top 10% of what you do for a living, it's not do you can get ahead and get rich. It's because once you do that, it will automatically flow to the Sonship area of your life. It is really hard to compartmentalize doing what you ought to do in just one area of your life. It tends to seep into every area. While this verse is talking about secular business, whatever you do there also impacts how you do with Sonship and vice versa. Get good at what you do, not for selfish prideful reasons but because that mindset work in all areas of your life.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:12	We must learn to import the great Sonship truths into the small details of our everyday lives. Let me take the Life of Christ in me and bring it into my workplace. Not talking about stopping your work so you can preach a sermon to all of your co-workers. Not talking about handling out literature on company time or invading people's private time. Talking about the way you live your life, the way you perform that job as UNTO THE LORD-Colossians 3:23. This is the way that you see it and this is the way you work it. Sales people and bosses can have a tougher time doing this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:12	Patient Endurance of the SOPT (do not): There are things you don't want to do if you are going to patiently endure the suffering. The things that I don't do if I am going to patiently endure. GH: While the rest of the assembly ABHORs it. - I do not 'whine and complain' about my circumstances. The pendulum swing to this is 'nothing's wrong' and this is not patient endurance. This is an opportunity to demonstrate the sufficiency of God's grace in the midst of the suffering. - I do not ask "why me?' as though I should be immune from these things. - I do not 'question God' or call into question His goodness because something bad is happening to me. - I do not 'interpret my circumstances' as God trying to tell me something or get my attention.
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:12	Patient Endurance of the SOPT (do): - 'See the suffering' for what it is (either the SOPT or SoC) and deal with it accordingly. - 'Spend time in prayer' talking to God about what I am going to do. - 'Think of (this suffering as an) the opportunity' to put the life of Christ on display. MM says this is THE MYSTERY OF GODLINESS-1 Timothy 3:16. There is no higher honor than for God to be in the man. - 'Avail myself' of the doctrine which comforts suffering. Ways to suffer: - Physically - Mentally - Emotionally
Commentary	Sonship : Curriculum Level 1 : Romans Education Part 2/2 : Romans 12:12	Can be a result of living in a fallen world or a result of the Satanic POE. Paul suffered as much as any man MM knows about and he did it without complaint or grumbling. He saw something in the sufferings that other people could not see. MM loves Paul because of how he handled tribulations and for what motivated him to respond to them in a way that he did. Paul went through all the things that he did as our ensample so you can know that God's grace is truly sufficient. No matter what happens to us, His strength is manifested in our weakness. When the power of Christ rests upon us in the midst of our worst sufferings, the peace of God keeps/guards our hearts and minds so that we are not overcome by our sufferings, but we become more than conquerors through Christ. One day this light affliction will be over compared to what is before us. Our sufferings are only for a moment and none are worthy to be compared with the glory that shall be revealed in us. Be steadfast, unmoveable, always abounding in the work of the Lord. Be ye partakers of the sufferings so you shall also be the partakers of the consolation.

Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 01: Pre-Apostolic Journeys	1. Paul's ministry prior to his first apostolic journey - Galatians 1:21-24 - Between the time of Paul's first visit to Jerusalem following his conversion and his first apostolic journey, Paul went into areas such as Syria and Cilicia and established churches for 4-5 years. He wasn't just sitting at home waiting for his first trip.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 02: Paul's 1st Apostolic Journey	2. Paul's first apostolic/missionary journey - Acts 13:1-14:28 - 45-49 A.D. (4 years) - The leaders of the church at Antioch chose Paul and Barnabas to take the gospel west. Leaving Antioch with John Mark (Barnabas' nephew who later turns back for whatever reason - became a point of dispute between Paul and Barnabas later on), start in Antioch, they board a ship at Seleucia to cross to Cyprus. - 1st Leg of the Journey: Setting sail from Seleucia (Acts 13:4-5), they head for Cyprus. The first city on the east side of the island is Salamis, the largest city on the island of Cyprus. a. Salamis – Paul and Barnabas preach in the synagogues. b. Then they cross the island to the 2nd city which is on the west side - Paphos - where 'Elymas the sorcerer'-Acts 13:8 happens; also where Paul's name is changed from Saul to Paul - 2nd Leg of Journey - Ministry in Pamphylia and Galatia: Acts 13:13-52 a. From Paphos, they land at Perga, a humid region of Pamphylia, a narrow strip of land between the Mediterranean sea and the Taurus Mountains. b. John Mark leaves them in Perga (MM thinks they are just getting under way-gives you an idea on how the trip is unfolding), but Paul and Barnabas traveled up the steep road into the higher elevation of Pisidia in Galatia. When the Jews rejected Paul's message, Paul preached to Gentiles. The Jews drove Paul and Barnabas out of the city of Antioch in Pisidia. *John Mark: Barnabas' nephew c. Paphos – Elymas the sorcerer/Paul's name change

Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 02: Paul's 1st Apostolic Journey	- 3rd Leg of Journey - Continued Ministry in Galatia: Acts 14:1-20 a. After being forced out of Antioch, Paul and Barnabas descended the mountains going east into Lycaonia, to the city of Iconium, a commercial center on the road between Asia and Syria. b. Again, forced to flee Iconium(a big hub/trade route), they head to Lystra which is about 25 miles south. Paul is stoned in Lystra(Paul recounts this in 2 Corinthians 12), after which, he and Barnabas travel the 50 miles southeast to Derbe (about 50 miles), which is a border town. After preaching in Derbe, Paul and Barnabas boldly retrace their steps back to Antioch of Pisidia. Get the idea this is just Paul but there is a group with him. There is a retinue delivering and taking him messages and a lot going around that. - 4th Leg of Journey - The End of the First Journey: Acts 14:21-28 a. From Antioch, Paul and Barnabas descend the Taurus mountains back to Pamphylia on the coast. Stopping first in Perga, they went west to Attalia, the main port that sent goods from Asia to Syria and Egypt. b. From Attalia they board a ship bound for Seleucia (and bypass going back through Cyprus), the port of Antioch in Syria. This ends the first apostolic journey.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 02: Paul's 1st Apostolic Journey	c. Between the first and second journeys, the dispute arose in Antioch when some Judeans taught that Gentiles had to be circumcised to be saved. - Between the 1st and 2nd Journeys - when the dispute arose after Judiazers came to Antioch and said Gentiles can't be saved unless they are circumcised as the manner of Moses. MM doesn't think Paul wants to go because it is settled in his mind. But God lets him know this is what He wants Paul to do, because in Jerusalem, they don't know what has been happening to Paul. God wants Paul to go up to Jerusalem and show them what Paul has been doing through Him. By this time, none of the original 12 apostles have the ability to work any signs and wonders. But Paul has them in spades. God is showing the program change from working with Jews to working with Gentiles. From this point forward, the little flock (got saved under the gospel of the kingdom believing Jesus was the prophecized Christ for Israel) is slowly diminishing away. New converts will be part of the body of Christ. a. Paul and Barnabas go to Jerusalem to discuss the issue with the leaders there. This is the Jerusalem Council. Afterward, Paul and Barnabas return to Antioch.

Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 03: Paul's 2nd Apostolic Journey	3. Paul's second apostolic/missionary journey - Acts 15:26-18:22 (53 A.D.) - Walking the Roman Road, which was a well traveled road through Asia Minor. Going by land instead of by sea like the first journey. - 1st Leg of the Journey - The Second Journey Begins: Acts 16:1-8 a. Paul and Silas set out to visit the cities Paul preached in earlier. This time, they go by land, traveling the Roman Road through Cilicia and the Cilician Gates. b. The Cilician Gate was a gorge through the Taurus Mountains. They then turned northwest toward Derbe, Lystra and Iconium. The Spirit forbade them to go into Asia, so they turned northward toward Bithynia. Again, the Spirit of God said "no," so they turned westward through Mysia to the harbor city of Troas, on the far west side of Asia Minor. Where Paul gets to Macedonian call/vision to go over and help them. - 2nd Leg of Journey - Paul Travels to Macedonia (northern Greece): Acts 16:9-40 a. At Troas, Paul receives the Macedonian call. Paul, Silas, Timothy and Luke board a ship at Troas and sail to the island of Samothrace. b. From Samothrace, they continue to Neapolis, the port for the city of Philippi. Philippi sat on the Egnatian Way, a main transportation artery connecting the eastern provinces with Italy.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 03: Paul's 2nd Apostolic Journey	- 3rd Leg of Journey - Ministry in Macedonia: Acts 17:1-34 a. Luke stayed in Philippi while Paul, Silas and Timothy continue on the Egnatian Way to Amphipolis, Apollonia, and Thessalonica. b. Trouble arose in Thessalonica, and they fled to Berea. Their enemies from Thessalonica pursued them and Paul set out by sea to Athens, leaving Silas and Timothy to encourage the believers. c. While Paul is at Athens, he sends out word to Timothy and Silas to join him (Paul had left them in Berea). d. But, they did not join Paul until they arrived in Corinth (Acts 18:5). e. This is the last mention of Silas in the book of Acts. Perhaps he went with Paul to Jerusalem (Acts 18:22) and after that, his labors with the apostle Paul ceased.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 03: Paul's 2nd Apostolic Journey	- 4th Leg of Journey - Ministry in Corinth and Ephesus: Acts 18:1-23 a. From Athens, Paul travels to Corinth, one of the greatest commercial centers of the Roman Empire. There is a 4 mile wide isthmus of land that separates Macedonia and Achaia. b. Paul is in Corinth a year and six months (Acts 18:11). He lives with Aquila and Priscilla. Aquila and Priscilla are Roman names and it was common for Jews to assume such names when they lived outside of Israel. c. Aquila and Priscilla (Roman names - not uncommon for Jewish people to take on Roman names) accompanied Paul from the port of Cenchrea to Ephesus (Acts 18:18, 26) and were still there when Paul wrote the first epistle to the Corinthians (1 Cor. 16:19). Paul leaves them at Ephesus as he continued his journey. The Philippians send him aid while he is at Corinth. Silas and Timothy return from Macedonia. While at Corinth, Paul writes 1 Thessalonians (52 A.D.); and 2 Thessalonians (53 A.D.).

Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 03: Paul's 2nd Apostolic Journey	d. While at Corinth, Paul sees the conversion of Crispus (the President of the synagogue), Gaius and the “household of Stephanas.” e. Corinth is located on a narrow neck of land offering direct passage between the Aegean and Adriatic seas. From Ephesus, Paul traveled to Caesarea, from there he went on to Jerusalem to report his trip before returning back to Antioch.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 04: Paul's 3rd Apostolic Journey	4. Paul’s third apostolic/missionary journey - Acts 19:1-41 (56 A.D.) - 1st Leg of Journey a. Paul heads north and then west as he revisited many of the churches he had planted, but this time he heads more directly westward and heads toward Ephesus. - 2nd Leg of Journey a. Paul spends three years in Ephesus but a riot forces Paul to Troas, then through Macedonia to the region of Achaia. From Achaia, Paul went to Corinth. Paul planned to sail from Corinth to Antioch in Syria but a plot against his life was discovered so he retraced his steps back through Macedonia.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : 04: Paul's 3rd Apostolic Journey	- 3rd Leg of Journey - Paul Travels from Troas to Miletus: Acts 20:6-38 a. From Troas, Paul traveled overland to Assos then boarded a ship to Mitylene and Samos on its way to Miletus. He summoned the elders of the Ephesian church to say farewell to them, knowing he would probably not see them again. It's an emotional farewell. They realize Paul is the Apostle to the Gentiles. - 4th Leg of Journey - Paul Returns to Jerusalem: Acts 21:1-17 a. Paul sails from Miletus to Cos, Rhodes and Patara. Paul and his companions board a cargo ship bound for Phoenicia. They passed Cyprus and landed at Tyre, then Ptolemais, and finally Caesarea, where Paul returned by land to Jerusalem.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : The Influence of Culture	The Influence of Culture: It becomes clear that Christians in Corinth brought many of their cultural traits into their Christian lives. To grow up in or to live in Corinth was to be immersed in a special set of problems and tendencies. The normal Corinthian was driven with competitiveness and self-achievement. This led to a constant desire for and expression of self-promotion. This competitiveness is seen everywhere; the push for success. It was in the Isthmian Games, in business and trade, in social status and in economic power. Instant success was considered more important than following conventions or order. Getting ahead and looking out for yourself was the watchword for a Corinthian. What to do about - intense peer pressure to behave in a certain way: - idols? - promiscuity was a badge of honor - prostitutes were called a 'Corinthian Girl' - Debachery was referred to as Corinthian As far as promiscuity goes, any woman in the world who was a prostitute was said to be “a Corinthian girl.” To engage in debauchery was said to be “playing the Corinthian.” Roman / Greek society permitted prostitution. Society of haves and have nots, like a caste system. Get tremendous pressure to continue living that way after saved. Tempted to think you could be a 'secret believer'.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : The Influence of Culture	Corinthians had a certain attitude: one of self-sufficiency and autonomy, which led to a feeling of entitlement to indulge freedoms. Corinth was not only rich, it had everything. It had an almost inexhaustible water supply in the Peirene Fountains. It had an Acrocorinth for defense, trade from all parts of the world, manufacturing and exports and the Isthmian Games brought in huge numbers of consumers. Natural resources were abundant, employment was available, trade flourished and it drew people from all over the empire to its facilities and spectacles. It is no surprise that once converted, many continued in these same attitudes of self-sufficiency and Corinthian pride. Many wanted/expected a “Corinthian spirituality” that was fashionably redesigned just for Corinth. When Paul spoke of “knowledge,” “spiritual,” “free,” or “saved,” these terms meant something different in a Corinthian understanding and context. So, we find Paul often redefining his terms in accordance with his apostolic message. The Corinthians concern for autonomy led them to devalue their identity as part of a whole.
Commentary	Sonship : Curriculum Level 1 : 1 Corinthians Commentary : The Influence of Culture	The culture of Corinth also produced a tendency to over-value “knowledge” and “wisdom.” Corinthians’ society at large valued freedom over and above such things as love and respect for others. Paul makes sure to demonstrate that “wisdom and knowledge” are not about knowing the right people, knowing the markets, operating on strategies of success, promotion in employment, etc. In Paul’s day, there were two types of rhetoric: classical which had as its aim not only persuasion, but the effective communication of truth. By contrast, Corinth was influenced by a type of rhetoric that was more concerned with “winning” than with truth. For those in Corinth, winning admiration was the more important issue. Therefore, the Corinthians were embarrassed by a preacher who was a tent-maker or leather-worker. They wanted a real professional with all the status that this would bring with it. Like much preaching today, in Corinth, rhetoric was reduced to a “performance” by media stars and cult figures. They are like athletes or singers, who trade truth for what people want to hear.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Session 1A: Introduction #1 - Defending the Book of Ephesians Points: - Two sequeways into the Book of Ephesians - Romans and Corinthians - We are studying the Books in order. They are arranged in an educational order. Start with the more simple and move toward the complex. And, the things you are learning as you go are all based on the previous things that you learn. Can't just jump over and get the full impact. Really need the things that came before that. - All of Paul's epistles are to us and about us as members of the body of Christ. - Everyone of Paul's epistles are forms of doctrine that are meant to generate some aspect of godliness in us. Doctrine that conforms us and transforms us to the image of God's Son. This is the goal, not just a bunch of intellectual data about Ephesians.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- New streamlined approach - focus on the doctrine and then talk about what that doctrine is designed to do in us so you can actually measure whether or not it is working. - We are studying God's word in a particular fashion, we understand there is something particular that we are going to get out of this, something that the word is going to do IN us, there is an end to that - This is what MM calls Sonship. - The purpose of these studies is to facilitate the effectual working of God's word in your inner man so that you get conformed to the image of God's Son. That is Sonship. MM says there are people around the country that misunderstand what this is and they are opposed to it. That's their prerogative. If they're brothers in Christ, we love them. If they're not, we love them with a particular kind of love too. If you Google 'Sonship' you get all sorts of wild, hair brained ideas that don't have anything to do with what we are doing. - Sonship is about sons and daughters becoming like their heavenly Father. Not through our own efforts but - by the word of God - by the Spirit of God and - by the Power of God's Grace producing the Life of Christ IN us and through us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- MM doesn't believe anything else can produce the Life of Christ in you. If it is not the Spirit in you working that word in your inner man to actually transform you, that is not Sonship. If you are opposed to this then you should be opposed to Sonship. - Sonship is allowing the doctrine to generate aspects of godliness in you instead of you trying to emulate doctrines or exhortations that you read in your Bible but you are doing it out of the energy of your flesh (EX Well, I really don't like this person but I guess I need to be nice to them - should be a signal that the doctrine has not produced godly love and charity has not been produced in you). If you try to do this in the energy of your flesh, you will be living your whole life this way. MM reminds in Romans 12 how we should treat our enemies and we can't even treat our brothers and sisters in Christ like that. That's because we are trying to generate all of this on our own. There is a mechanism in place for you to respond properly to that word and it now begins to change your attitude and thinking and that in turn changes your conduct and behavior. That is what Sonship is all about. - The apostle Paul is the author of Ephesians and the Book of Ephesians is part of the inspired canon of scripture. Ephesians is what we call a 'prison epistle'.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	GH: ADD Write 'Prison epistle' at the top of the following Books: Ephesians, Philippians, Colossians. 1 Timothy, 2 Timothy, Titus, Philemon. Informs you about the Book. Ephesians: Defending the Book & Paul's Authorship - Why do we need a defense of the Book of Ephesians? Beginning in 1792, there were 4 Books that called into question Paul's authorship - Ephesians, 1&2 Timothy and Titus. Will study each attack when we study each Book. MBI believes Paul authored all 13 Books credited to him and all Sonship churches believe it. Some people said that not only didn't Paul write it but it wasn't written in Paul's lifetime and maybe written in the second century. MM says over the last 30 years, scholars are about 50/50 on Paul writing all the Books that bear his name in the N.T. Four attacked in total. Also, 1 Timothy, 2 Timothy, and Titus. MBI's official position is that Paul wrote all 13 Books - he is the author. Drivers for not addressing: - MM says he doesn't think anyone who is following MBI has a problem with this. No evidence. - Already have a limited number of sessions so we need to get to the doctrine as quickly as possible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Drivers for addressing (GH: give you instruction/a practical application for making Sonship decisions): 1. Satanic Attack: One of the categories of Satan's WORKS OF DARKNESS-Romans 13:12 is to attack the word of God. If we don't mention it when half of the scholars don't think Paul wrote it, it looks like we don't know of a problem that needs to be solved or ignoring the issue looks like we are either unaware of the issue or that we do not have an answer for it. One of the categories of Satan's works of darkness/attacks is to attack the divine institution of the word of God. MM says he knows about it, knows what the answer is, and wants to give the answer to us. 2. Marginalize church: MM says he doesn't want the church to get marginalized again. Years ago, theology departments and churches quit getting involved in the public debate about issues so all the discussion took place in the world. When the church tried to come in and correct that, the wrong idea had already come in and been planted and entrenched and rooted in people's minds. MM says he doesn't want the church to sit on the sidelines and have all the wrong ideas go unchallenged. Ignoring these kinds of attacks is how the church (and theology departments in universities) became marginalized in the past. MM says the purpose is not to sway the scholars. To be a Biblical scholar there are actually things that you need to be able to learn and do and degrees that you have to have. MM says he is not trying to sway the scholars, doesn't think there's much in that.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	What he does want to do is - to teach the Bible to saints and how it applies to their everyday life. - to teach the Bible in a deeper way than the church they are going to. - to assist those who want to study the Bible full-time but they can't for whatever reason - full-time job, family, etc. - to help Pastors and teachers by making this material freely available to them. He encourages people to make it your own, learn it yourself, copy our notes, teach it in your church - MM will even give you the PPT. He just wants to get this out there. - to help as many people be edified as possible. 3. Equip and stablish the saints: This is the one that has the practical application here. We need to be equipped to give some kind of answer to skeptics so that we might persuade others and have confidence in our faith. Put this under the heading of "loving God with all our mind." - MM wants to be able to give an answer to skeptics or if someone else you know has heard the attack. - MM wants us to be able to persuade them on the legitimacy of the Book of Ephesians. - MM wants us to have confidence in the Book ourselves and know that there are real reasons to believe that Paul wrote Ephesians and that it belongs in the canon or scripture.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	When scholars cast doubt on Ephesians or some other Book or doctrine, they make an argument from silence. They will make a preposterous statement, you say that didn't happen, and they reply well how to do you know, the Bible didn't say it didn't happen. That's an argument from silence. Don't make decisions from what the Bible doesn't say, make decisions based on what the Bible does say. Scholars relish making you doubt your Bible, don't fall into that trap. Call them on that. Attacks: There are all sort of attacks but MM picked the 6 hardest. He will give simple and understandable answers. For more information or details, see Harold Hoehner's commentary Ephesians – An Exegetical Commentary. He takes time to address ALL of the attacks of the Book of the Ephesians. It is the best defense of Ephesians MM has ever seen. MM has a lot of commentaries but none like this. He graphs it and charts it out. He can get pretty technical. MM doesn't memorize all these arguments, he needs a reference book. Main issue is people claim Paul is not the author, that someone used Colossians as a template, wrote Ephesians and put Paul's name on it. If true, Ephesians has been mistakenly included in the canon of scripture, and that is why some scholars conclude that it is not inspired scripture. Want to do away with all 3 of these - Paul is the author of Ephesians, there are similarities with Colossians GH: but enough differences, and it is inspired scripture.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Context: While we do not have the original writing of any of the NT books, some of the very earliest copies/fragments of any NT book are fragments of the book of Ephesians. We learned in the School of Theology course, "The Bible;" how that God preserved His word through the multiplicity of copies. MM goes over the supernatural gifts and now the canon was being written. Additionally, early writers quoted from Ephesians and these are the earliest quotes of any NT book. The belief and understanding that Paul was the author of Ephesians was widespread and strong in the early church. No one doubted for 1,600 years. Objections/Attacks to Paul being the author of Ephesians: 1.Paul is not the author of Ephesians: 1792 by an English clergyman named Evanson came up with the idea that Paul could not have wrote the Book of Ephesians. His objection was made on the basis of Ephesians 1:15-16. Evanson deemed it inconsistent that Paul claims to have "heard of your faith" when according to the book of Acts, Paul spent over two years at Ephesus. Evanson says how can Paul say I've heard of your faith when Acts says he spent 2 years at Ephesus? Doesn't make any sense, he ought to know these people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	2. Colossians was used as a template and they forged Paul's name: Early 1800's on the heels of the Evanson attack, another attack came from a man named Usteri on the basis that Ephesians was so similar to Colossians. Seeing that almost no one contested Colossians being written by Paul, Usteri viewed Ephesians as a forgery. Says someone looked at Colossians, made up Ephesians, and put Paul's name on it. They claimed it didn't sound like Paul at all and had to be somebody else writing this. then people claimed it was written in the second century. 3. Because of #2, Ephesians does not qualify to be inspired scripture. It shouldn't be in the Bible.: Made shortly after that on the basis that Ephesians contained: 1) many parenthetic and secondary clauses, and 2) no new thoughts. " MM says we want to do away/address all 3 of these. It is not a forgery, Paul is the author, it is a lot like Colossians but no one used Colossians as a template. A number of scholars began to think that Ephesians was written sometime in the 2nd century. This, as it turns out, is not true. In his commentary on Ephesians, Harold W. Hoehner has gathered the evidence showing Brown's statement to be untrue. Context of all of this: We don't have the original writing/manuscript of any N.T. Book, has long ago perished somewhere, somehow. We do have a multipicity of copies though.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Quote : Raymond Brown: ""A fair estimate might be at the present moment, 80% of present scholarship holds that Paul did not write the Book of Ephesians". MM says thanks to Mr. Harold Hoerner, who shows this not to be true. He listed every known scholar by name with year dates (over 300) from 1519 - 2001 and he tells you whether or not they think Ephesians was written by Paul. And if they ever changed their mind to the other position, he gives you the date that they changed their mind. Breakdown: - 39% - no - 7% - undecided - 54% - yes Raymond Brown just said this because he was trying to persuade people. If you say almost all the scholars say Ephesians should not be in the word of God, people will say you know, I don't really need to hear anything about Ephesians. But Hoehner comes along and refutes that. But just because most of the scholars think Paul wrote it, that does not prove that he did. MM is just trying to be fair. Even if Brown was correct, that wouldn't prove it either. If it can't prove it for him, it can't prove it for us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Reasons for Rejecting Pauline Authorship OBJECTION/ATTACK 1. The Impersonal (like Paul doesn't know them or he is unfamiliar with them when Acts says he spent years there at Ephesus) Nature of Ephesians. Idea that if this was really Paul writing Ephesians, he would have been a lot more personal. GH: People who question Paul's authorship of Ephesians ask if Paul spent 3 years in Ephesus (Acts 19-53-56 AD) why: - QUESTION: Would he have to say this - AFTER I HEARD OF YOUR FAITH IN THE LORD JESUS?-Ephesians 1:15 ANSWER: Paul does not give personal greetings in 2 Corinthians, Galatians, 1 & 2 Thessalonians, and Philippians. Paul was in Corinth for 18 months and several months in Galatia, but no greetings, and there is no objection to Paul's authorship of those epistles. No, greetings do not mean an imposter has written the book. Paul sends lots of greetings in his Romans epistle, yet Paul had never yet visited the churches at Rome. MM says Paul obviously knew the Ephesians. In his second apostolic journey, in the summer of 52 AD, he went there and ministered in the synagogue for a while. He left behind Priscilla and Aquila and he journeyed on (Acts 18:18-19). According to Acts, Paul knows these people.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- QUESTION: Why are there no personal greetings upfront like his other letters? ANSWER: By the time Paul writes Ephesians, he is in prison and he has not been to Ephesus for 5-6 years. No doubt, there had been new believers added of whom Paul was not familiar, and so he could have "heard" of their faith. As for those he did know already, he could have heard of their continuance in the faith. The fact that Paul shares his prayers for them and asks for their prayers for himself indicates some familiarity with the saints at Ephesus, so the letter is not completely impersonal. These objections do not prove Paul is not the author of Ephesians. It seems that the better Paul knew a church, the fewer personal greetings were included. Perhaps the greetings were to strengthen his credibility, authority and apostleship by connecting with various saints individually. If that is the case, then personal greetings are most needed in places he has not yet been (like Rome) and least needed in places that knew him well (like Ephesus).
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	You will notice that we are going to be moving at a much more rapid pace than we did in Romans. Our goal in doing so is to take an initial pass through of all of the doctrine from Romans to 2 Thessalonians, laying down the doctrines meant to transform us in at least a rudimentary form. We will cover them to the extent they can work in us (when properly responded to) and conform us to the image of Christ. However, we will not run through every reference available, we will not flesh out every detail, and we cannot take the time to be repetitive. You can do as much of that on your own as you desire. Focus on the doctrine you need in the first pass and then come back. Only way to get you through the education in your lifetime. Want to get all the way through the Sonship doctrine once.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	OBJECTION/ATTACK 2. Language and Style of Ephesians: Explanation: Scholars think Ephesians cannot be written by Paul because it has too many unique words; words not used by Paul in his other epistles or writers of other N.T. Books. (“This doesn’t sound/read like Paul. He's using these weird words that he never uses so he could not have written the Book of Ephesians.”). ANSWER: There's no doubt that Paul wrote Galatians so let's compare. Ephesians Galatians Total Word Count: 2,429 2,220 words like OF and GOD get repeated Vocabulary: 530 525 Unique words: 41 35 remember Galatians is 200 words shorter Unique to Paul: 84 90 does it more in the smaller Book (not used in any other epistle) The numbers are almost identical, even though Galatians is about 10% shorter in length. If this does not disprove Galatians’ authorship, why should it disprove Ephesians?
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	It doesn’t/can't. Plus per statistical research, the sample is too small to use statistical analysis to disprove Paul’s authorship. You would need at least 10,000 words of a sample size to properly do the comparison and Paul’s longest letter (Romans is only 7,094; 1 Corinthians has 6,807, 2 Corinthians has 4,448 and Ephesians has 2,429). People arguing this are inconsistent. OBJECTION/ATTACK 3. Literary Relationships Explanation: Most particularly, the relationship between Ephesians and Colossians suggests that Ephesians was copied from Colossians by someone other than Paul invented Ephesians and put Paul's name on it. These books read alike. Answer: It seems like one argument is that Ephesians is too different, and now it is too much alike. While it is true that there is much parallel word and phrase use between Colossians and Ephesians, the same is true in the gospels and also in 2 Peter and Jude. Even the objectors do admit that between the books there is “no indication of a rigid or mechanical copying.” Sometimes a word is used in both books, but each use has a different meaning or application. These objections do not prove Paul did not write Ephesians. Again, statistically,

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- Shared words (words they both have - should be saying Colossians if you believe it) - a lot get used everywhere - THEY, OF, GOD - get used in every epistle - not unique, count every time, not just one time Ephesians 246 of 2,429 Colossians 246 of 1,574 - Unique words: Ephesians 38 of 69 shared Colossians 41 of 84 POINT: Even though Colossians is shorter, the numbers are pretty much identical again. If you were going to use this for a reason, you should be saying Colossians but no one doubts Paul wrote Colossians. MM says the common words sort of make sense when you understand the doctrine sitting in Ephesians and the doctrine sitting in Colossians is connected. Means there is a lot that Paul is talking about that either the same thing or a similar thing or the next thing to so it make sense that he would be picking up terminology in one and using it in the other.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	OBJECTION/ATTACK 4. Pseudonymity Pseudepigraphal writing: writing whose claimed author is not the true author; a group of early writings not included in the biblical canon which were falsely ascribed to biblical characters. EX Book of Enoch rewritten between the testaments. He is the 7th guy from Adam. He obviously didn't write the book. Saying Paul's name is on it but it's really not Paul. Paul would have said something if this is the case. The early church has no issues with Paul being the author. Things in the Book of Ephesians describe what is happening to him. If Paul was dead, wouldn't the readers say 'wait a minute'. Explanation: This is an objection that comes out of the previous argument; if Paul did not write Ephesians, then who did? Their conjectures: a disciple of Paul, a secretary familiar with Paul's thinking, a Gentile convert, and Jewish Christians with some official standing; Tychicus, Onesimus, or an unknown writer collected Paul's writings, after he was dead, and composed Ephesians as an introduction to the collection. They think Ephesians is a pseudepigraphal work.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Answer: there were many pseudepigraphal works in Judaism such as the book of Enoch, but they were composed centuries after those named in their works and were never accepted as canonical by the Jews. But it is hard to imagine that those who knew Paul would have accepted a counterfeit work so closely after his death. Further, most pseudepigraphal works are apocalyptic and epistolary in form. Ephesians is an epistle. For those living at the time, the many copies of Ephesians that had circulated would testify to everyone in the early church that Paul was the author and Ephesians was not written after his death by an imposter. That is why no one ever objected to Ephesians until 1600 years after Paul was dead. OBJECTION/ATTACK 5. Theological Distinctions - there are 3 different ones. Explanation: Soteriology - Some scholars believe, as Kummel wrote, "the theology of Ephesians makes the Pauline composition of the letter completely impossible." He is saying have you read Ephesians, that's not like Paul at all, he never would have written this kind of stuff. There are three main theological areas in which Ephesians is attacked:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	1. Soteriology (doctrine of salvation) - Their problem with the doctrine of salvation in Ephesians is they do not think Ephesians mentions the Cross enough so it can't be him; it spends too much time talking about the resurrection, exaltation and Christ's "cosmic lordship" [His Lordship over all of creation, not just on the earth, even in the cosmos] to be written by Paul. They think there is too little about reconciliation. MM says Ephesians is about 'cosmic lordship' and because of that, Paul is not taking a lot of time to talk about the Cross. Paul has already talked about the Cross, he has already talked about justification, he's already explained redemption. He's not going to come back in this small epistle and do a whole treatise on something he has already given you the full discourse on. Makes sense if Paul is talking about what is going to be happening in the heavens and he is talking to the people who are going to get glorified bodies and reign with Him in the heavens, it kind of makes sense that he's going to be talking about the heavens. The reason it is a stretch for the scholars is they don't understand it is an epistle for the members of the body of Christ because they don't rightly divide the word, they don't understand there's two programs. They're looking at everything like we're all coming back to the earth. Why is Paul talking about all this. Sounds too strange to them. This same formula or lack of information is also present in 1 Corinthians and Philippians, but these are not contested/challenged books. You can see a pattern going on here. The same reasons Paul couldn't write Ephesians are present in other Books but they don't challenge those Books. Seems to be uneven handed in the way they are looking at it.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- The Soteriology Problem: Some scholars also believe that Ephesians contradicts Romans, which they do think Paul wrote so he could not have written Ephesians. In what way do they contradict? Here is their argument: Ephesians contradicts Romans with regard to the Law of Moses. Romans says that Paul's message does not void the Law, it establishes the law (Romans 3:30-31) but then Ephesians says that Christ has nullified the Law (Ephesians 2:14-15). They are saying this is contradictory. On the one hand, if this is Paul, he is saying we didn't do away with the law and on the other hand, he is saying, yeah, we abolish the law. MM says this is the favorite trick of scholars. Called 'the either or'. It's either one or the other. They never want you to think about a third choice. Is the law established or voided, which is it? Can't have it both ways. But there's a third option. To have it both ways. Without reading the context, this certainly looks like a contradiction. But when we read the context, we find that both of these things are true at the same time. How can that be? How can the law be in effect and not in effect at the same time? How can the law be established and abolished at the same time? This is solved by understanding that these books, in these contexts, are talking about two different kinds of people/two different people groups. GH: See Romans 3:30-31, Romans 7:4-6, Romans 10:4, 1 Timothy 1:8-10

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	2. Ecclesiology (doctrine of the church) - The problem here is that Paul uses the same Greek word to talk about local churches (GH: what missionary Baptist teaches) in some of his other epistles, but in Ephesians, he uses the word to refer to the entire body of Christ (what they call the universal church). 1 Corinthians 1:2 - Add to this the fact that when Paul writes about the Spirit giving spiritual gifts to members of the body of Christ, there is nothing he says which makes us think that was limited to one local church. Ephesians 5:25-27 3. Eschatology (doctrine of future events or last things) - The complaint is that since Paul's early ministry anticipated the Lord's return, but in Ephesians, this anticipation of the Lord's return seems to have faded into the background with the focus in Ephesians being that of our relationship to Christ in the heavenlies and the maturity of the believer. They say that Ephesians has given up hope in the rapture or the catching away and now HATH QUICKENED US TOGETHER WITH CHRIST-Ephesians 2:5 says that instead of a catching away, that has been replaced with us being quickened together with Christ. They say Paul wouldn't do this. They then couple this with Ephesians 1:10 and declare this is present realization.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	- Answer: Do you see the problem? Ephesians 1:10 is talking about the whole creation coming under the headship of Christ, but the whole creation has not yet attained unto this status! This is a yet future event which in no way cancels out the Blessed Hope. CONCLUSION: Paul's authorship of Ephesians was widely attested in the early church and with the earliest evidence of any NT book - among the earliest fragments and among the earliest quotes. The objections are recent (the last 2 centuries) and do not prove Paul is not the author of Ephesians. By these objections, it would be very difficult to disprove Paul wrote Ephesians. A Horner illustration - understand what the skeptics are doing - almost 2,000 years after the fact you're trying to look at something and say yeah, I don't think Paul wrote that. Do you know how difficult this would be? They say well, Paul has a certain style and certain way he does things.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Harold Horner tells the story of an English school teacher, a Batchelor, who has some very odd and particular mannerisms of speech. He had these especially as he quoted his favorite poem from class. At a reunion, they developed a competition to see who could emulate their professor the best. In an auditorium the audience and the judges sat out front while the imitators each took their turn behind a curtain where no one could see them but only hear their voice. Unknown to the audience and the judges, the professor slipped back stage to join as one of the contestants. At the end of the event, the professor came in third. How hard would it be to do this 1,800 years after the fact? This is more difficult than you would imagine. Our main goal here is not debating the authorship of the Book of Ephesians or the analytics. The goal in this study is to have the doctrine in the Book of Ephesians working in our inner man to transform us into the image of Christ. That's what we are after. OBJECTION/ATTACK 6. Historical Considerations

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Ephesians Mental Models: dozens of ways to organize the Book. Alliteration: - the wealth (1-3), - the walk (4-5), and - the warfare (6:10f) Chinese Christian, Watchman Nee (English name): One of the most recognized ways to lay out the Book. - Sit (1-3) - seated with Christ in heavenly places - Walk (4-5) - conduct - Stand (6:10f) - standing fast against spiritual opposition
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Defending the Book	Things Nee understood: - The believers' experience of the death and resurrection of Christ is the base and touchstone of a normal Christian life, and the issue of living a normal Christian life is the church as the Body of Christ, which has both a universal and a local expression. - We as believers, have been crucified with Christ and that the normal Christian experience involves Christ living in us through our experience of bearing the cross in our practical human situations (Gal. 2:20). GH: Not trying to live your life based on the Bible, but living your life with Christ being in you and thru you. - Being a Christian is altogether a matter of knowing and experiencing God's divine life in Christ. You can tell much about Nee's ministry by his book titles: Changed into His Likeness, The Spiritual Man, A Living Sacrifice, The Breaking of the Outer Man, The Mystery of Christ. MM struggled with Nee's teachings at first because nobody in Bible college taught this way. Everybody taught it as motivational speeches. Try harder and do better. No one could tell him how in the world he could get the life of Christ being lived in him. It's not what we produce, it is what God produces in us.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians Review 1:1-4:16	If these things are working in you, your benefits never plateau. When you really think about what your heavenly Father did for you, it will produce a desire to live for Him so you don't walk like the other Gentiles walk and a true love for Him and the other saints. The thinking in Ephesians 1-3 that leads to this living in Ephesians 4-6. Pre-Doctrinal Exhortation/Doctrine Ephesians 4:1-16 - Godly Living - Realize that we are members one of another, and corporately we are the body of Christ; instead of thinking about ourselves individually, we start thinking corporately. All in view of that Paul calls THE MEASURE OF THE GIFT OF CHRIST. Because: * we're members of a body * of the special relationship that we have with each other * of the love that we're supposed to have generated in each of us for each other and how we think about each other - Lowliness, Meekness, Longsuffering
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians Review 1:1-4:16	- Forebear (endure some of those things) one another in love - Keep the unity of the Spirit in the bond of peace - 7 things/items listed by Paul that are supposed to actually bind us together as members of the body of Christ - We do not base our unity on personality, interests, hobbies, or things like that. Our unity has been provided for by our Father and it consists of seven issues. World keeps the unity based on personality similarities or common interests or hobbies. When you come to Christ, there is a unity based on different things. 1) One body: We are all members of the same body 2) One Spirit: We all have the same Spirit within us 3) One hope of your calling: We all have the same calling and hope of that calling 4) One Lord: We have the same Lord
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians Review 1:1-4:16	5) One faith: We have been given the same faith (of Paul's doctrine) 6) One baptism: We all have the same baptism (by the Spirit into Christ) 7) One God and Father of all: We all have the same God and Father (which makes us kin to each other) These should be the things which bind us together and by which we value and esteem each other. We have to think of ourselves more and more, not as individuals, but as parts of the church, as members of Christ’s body. - Grow up into Him in all things - Our supreme ambition is to grow up into Him in all things, as He is the Head of us corporately as a body, and by doing so, we attain unto “a perfect man, unto the stature of the fulness of Christ.” - Given grace according to the measure of the gift of Christ - v7 - is in proportion to how much doctrine we have stored in our inner man, and we have been given grace in accordance with that. The grace that is operating in your life is directly proportional to the amount of this word that's working in you. He is giving you the measure of grace in proportion that doctrine in proportion to that truth.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians Review 1:1-4:16	- Christ led captivity captive - this is the victory that has been given to you over all of Satan's realm so you know that you are no longer subject to that anymore. When someone says I'll never break free of that or I'll never be able to overcome that, that's not true. The victory has already been made. Christ has won the victory. - Gave gifts unto men - Edify or build up the body of Christ before the word was completed with the spiritual gifts - Unity of faith - has to do with the completed revelation of Paul's doctrine; once you get the completed revelation of Paul's doctrine, it provides everything you need to become a PERFECT MAN. Not without flaws, means complete. It means now you have been given everything you need to become what God has called you do be. - Not blown about - POE - protects you from being blown about by every wind of doctrine of the POE that is designed to make you throw in the towel and quit. - Speaking the truth in love - speaking the truth to each other binds the body together, how we are FITLY JOINED TOGETHER and COMPACTED. That's how we grow up in Christ, not just as individuals, but that's how we do that as a body. - Body edify itself in love
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians Review 1:1-4:16	MM says our purpose is to live out of the doctrine so that we are transformed by the power of Christ making us godly sons and daughters. That has to happen before you'll have the power to do Ephesians 4:17-29 calls you to do. We work through that on our own but we are doing that as part of the body.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer	Three things Paul wants them to know. Three things that Paul wants God to reveal to the Ephesians about Himself. 1. WHAT IS (only 1 verb in the 3) THE HOPE OF HIS CALLING 2. WHAT (are) THE RICHES OF THE GLORY OF HIS INHERITANCE IN THE SAINTS - MM says this doesn't make sense because the VERB 'are' missing. Every sentence should have a SUBJECT VERB OBJECT. In the Greek text, the verb is missing. - Ellipsis: is an omission. On purpose, not by accident. Doing it to take emphasis off the word omitted and place on the words that remain. 3. WHAT IS (IS in italics-added the word to the text) THE EXCEEDING OF HIS POWER TO USWARD WHO BELIEVE Added the third verb so you know what's going on with the second verb. But Paul is not expecting to say it and the in their mind goes BOOM! I now know these things. This is not going to automatically happen. So when Paul is praying that God will reveal these to the Ephesians, he is not expecting God to pop it in their mind. He is telling them about it. He is giving them the related doctrine that will actually produce those understandings and then they are supposed to respond to that so those things can become a reality for them.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	Talking about what the Father has done: His calling, His inheritance and His power. But, at the same time, all three of these involve us in some way. Paul is praying that you would progressively understand all 3 issues. Your understanding will build over time. He is praying for them to understand the power of God that is already working in them. The emphasis is on understanding the power that is already in us. He wants us to know: this is the power of the Christian life! Paul is almost begging for someone to understand all the possibilities of a life with that power within it. Paul is begging them to get this: 1. The hope of the Father's calling - HIS CALLING (the hope of His calling provides for Christ to be head over all things in heaven and earth. Not about the calling, the hope of the calling) - It is His calling, but that calling has a hope for us. Paul doesn't specify which HOPE or which CALLING. He has no particular call in mind but no matter what the call, our hope is sure. There is a place in our relationship with our heavenly Father where no matter what our Father calls us to do or be, we have absolute certainty that God will make true what He has promised in relation to that call. We have a level of confidence that whatever we are called to, whatever we told (say for instance, that we will receive a glorified body) our Father can make that happen. We are confident we will get that body. The hope of our calling is grounded in the character of God Himself. That is how sure it is and that means we can trust Him absolutely. And if we can settle that trust issue, then whatever God calls us to be or do, we can give ourselves to it completely without holding back. We will have no fear because we understand all the possible aspects of our surrender to His will.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	The calling and the hope of His calling are two different things. Need to understand what the Father called the Son to do. MM found 11 things we are called to do. If this is His calling to us, what is this talking about? It's not His calling to us, it's the CALLING and the INHERITANCE and the POWER that the Father gives to the Son. The Son called to do 4 things (calling to be the Redeemer but can't just show up and be the Redeemer - have to qualify to be the Redeemer): 1. Endure temptations - important, the first part that qualifies Him to be the Redeemer - Christ is demonstrating that He is not in the same condition (Jew and Gentile all under sin) - Christ born a virgin - because if he was from Joseph, He would have been born with a sin nature. If He has a sin nature, He can't be the Redeemer. 2. He lived a perfect life. - He didn't just say no to the temptations, He lived His Life perfectly. 3. His godly ministry - Not just that He carried on a ministry, but that He did exactly what the Father wanted Him to do for the exact reasons that He should have. This is what made it a godly ministry. His obedience to what the Father wanted and it wasn't for any other reason than the same reason the Father had.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	4. Sonship Decisions - Christ made Sonship decisions. Remember when He said He could call 12 legions of angels but He chose NOT to do that because He is doing the Father's will and He knows why He is here and He knows what He is called to do. He is called to be the Redeemer. And that has aspects to it from His birth into the world to the start of His earthly ministry where He endured those temptations, the perfect life that He lived, the godly ministry that He carried on, and now the decisions He is making are perfectly in line with His purpose for being here. MM says that sometimes people think that Sonship decisions means that you have liberty in Christ and you can do whatever you want to do. You were doing this before you got saved. That's not a Sonship decision. It's true. You can decide but that is not a Sonship decision. That's just doing what you want to do. A Sonship decision is a decision whereby we take the doctrine that we know and now we make a decision based on our understanding of that doctrine and our obligation toward our fellow members or to the Lord or to our neighbor or whoever this decision is going to affect. It's not about the idea I get to do whatever I want. That's not a Sonship decision. That's what the whole world does. The world does what they want. A Sonship decision means I have made a decision to do something and I can trace that decision right back to what is written right here in the word.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	Does this decision: - enable me to edify my fellow members? - does it benefit the body? - is it helpful to the work that my Father is doing in this DOGG? - is it true to the doctrine? - is it in line with the mystery? - how does this affect my brothers and sisters in Christ if I do or don't do this? - how does this affect my ability to labor with my Father? If you make a decision out of that, now you've made a Sonship decision. Sonship is the son of God living His life in adopted sons and daughters. It's the life of God's being lived in you. Learn to make decisions out of the doctrine. That's what allows the Life of Christ to be lived in you and through you. Principle: Just because you have the power or the right to do it, doesn't make it a Sonship decision.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	5. The time and the manner of the death of Christ. - The manner of His Death, the way that all worked during His time on the Cross and the timing of that was right, perfectly done in relation to the Plan of the Father. So the totality, from His Birth to His Death had an effect on His ability to be the Redeemer. But that calling had a hope attached to it. Everything from His Birth to His Death was done perfectly. The hope is that if He successfully provides the everything from His Birth to His Death is done exactly the way it ought to be done, there is a hope in connection with that - that He will be exalted. He will be head over all things in heaven and in earth. This is the hope Paul has in mind in Ephesians 1. After 3 days in the heart of the earth, He rose from the dead and that was like the stamp of approval on the redemption. Everything got done exactly the way it was supposed to have done. And after 3 days, this is what He did, (GH: Ephesians 4) He ascended up on high and He led captivity captive. MM says this is perfectly in line with everything Paul is saying in Ephesians. When Christ resurrected from the dead, He became the qualified legal head over all principalities and power on the earth and in the heavens - all of them. He qualified to do it. But all these positions are not righteous and are not following God. If He did that back at His Resurrection, why are they still that way? He qualified for that, they legally became His and that power they had overall of those positions.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	MM calls this Phase 1. Phase 2 is when He actually takes them over and they do become under His authority and dominion and they obey Him. Happens on earth at the 2nd Advent of Jesus Christ where He returns at the Armageddon campaign, puts down His enemies, sets up His Kingdom, and sits down on the throne of David to rule in the Millennium. Happens when all the kingdoms of earth are going to be the kingdoms of Christ. MM thinks it happens in the heavenly places during the last 3.5 years of Daniel's 70th week. He will clear all of that out in the heavenly places and instead of Satan's minions that were up there in those positions of power, He is replacing them with us, the members of the body of Christ. He has qualified to do this but will not until the DOGG has run its course. Before He comes back and does it on the earth, He will already have done it in the heavenly places. MM says think of qualifying like winning the Presidential election in November but not taking over till January. So even though the new guy has qualified to be President, he hasn't taken over the office yet. The hope of His calling is that Christ is going to be exalted and Head over ALL THINGS. That's the hope. You don't already have a hope, a hope is something out there waiting. And there is a glory is attached to this Headship and He is going to share that glory with us because we are going to be in those THINGS and turning over those positions to us and that is glorious for us. There is a glory being Head over all Principalities and Powers and Thrones. MM says the thought of being in one of those positions ought to be a motivating factor for you right now. You ought to run so that you can obtain that.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	NOTE: Redeemers had to qualify for it in two particular ways: (1) not in the same condition as those needing to be redeemed. Can't be in the same predicament as the ones that need redemption. Have to demonstrate I'm not broke so I can pay your debt. (2) once you provide the redemption, it doesn't put you in the same condition . Have to demonstrate that once I paid that debt, I am not in the condition you were in before I paid your debt. Swapping one debt for another disqualifies the redeemer. HOPE OF HIS CALLING (cont'd): This is the Father's calling to the Son. Jesus is called as Israel's Messiah to be the Redeemer, the very first mandate of the Davidic covenant. It is the exaltation of His Son. He is called to perform the perfect redemption. When He did this, there was a cosmic hope/certainty for sure attached to it that you don't have yet. Not restricted to this earth but even a hope that concerns the heavenly places - the whole of creation. It's a hope that concerns the whole universe. There is something that Jesus will be exalted in because of His perfect redemption and God wants His Son to be exalted, He wants His Son to fill everything, God wants His Son to fill up ALL THINGS.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Hope of His Calling	HOPE OF HIS CALLING (cont'd): We the members of His body are the fulness of Him. God wants to glorify His Son. The hope is the exaltation, that He would be lifted up in front of the whole creation. But this hope was dependent on the success of the redemption. Since the redemption was successful, we have a certainty in the hope. One of the ways you know the redemption was successful was because God raised His Son from the dead. The Resurrection was that stamp of approval, sort of Phase 1 of the hope. Today, all of the heaven and earth is not glorifying Him because they are under the control of Satan's minions and they are not going to glorify God's Son. When people look at this, they want to spiritualize it and say it is not going to happen physically. This comes in two parts: 1. He qualifies in His redemption on the Cross. He is declared to get all power at His resurrection. 2. But He doesn't done it yet in the actual taking it over, something the Bible says He will do. -- To fulfill the redemption took 2 things and people break this down differently. MM says it took knowledge and obedience. The Son had to know what it was He was doing and then He had to be obedient to what needed to be done and how it needed to be done. MM is lumping humility into obedience. He is doing what He is supposed to do and He is doing it the way He is supposed to do it, with humility.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Father's Inheritance in the Saints	2. The riches of the glory of the Father's inheritance in the saints - HIS INHERITANCE - It is His inheritance, but that inheritance is in us. We come to understand through the development of our relationship with our heavenly Father is that (1) God has an inheritance to give, and (2) there are glorious riches in His inheritance. There are people that oppose this, saying everything is already Gods therefore He has/needs no inheritance. He already owns it all. MM points to the verses that indicate God will receive an inheritance (Psalm 82:8; Exodus 34:9; Deuteronomy 9:29; 1 Samuel 10:1; 1 Kings 8:53; Psalm 33:12; Psalm 78:62; Psalm 78:71; Psalm 94:14; Isaiah 19:25). When we talk about God having an inheritance, it carries a different meaning than when we talk about us having an inheritance. When we get an inheritance from the Lord, it is understood in this meaning: OED – inheritance: 2b. figurative. Any property, quality, or immaterial possession inherited from ancestors or previous generations; - Property, or an estate, which passes by law to the heir on the decease of the possessor.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Father's Inheritance in the Saints	In this case, our inheritance is not from our earthly parents or ancestors, but it is passed down to us from our heavenly Father. God is giving you an INHERITANCE but He is not going to die and leave it to you. He is not going away. You are not going to take it over like He is not around anymore. God planned for this inheritance before the foundation of the world. But when the Bible talks about God having an inheritance, it is not talking about someone prior to Him handing something down to Him, but it is understood in a different meaning: OED – inheritance: 1a. A coming into, or taking, possession of something, as one's birthright; possession, ownership; right of possession. Israel is God's inheritance, not in that it gets passed down to Him, but it is His inheritance in the sense that He is the rightful owner; He has right of possession; it belongs to Him because He created it! There are other words in your Bible that don't mean the same thing every time they are used. Paul is praying that we understand the incredible glory of God's inheritance to us. And the aspects of that "glory" are manifold. The Son/son gets HIS INHERITANCE.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Father's Inheritance in the Saints	THE RICHES OF THE GLORY OF HIS INHERITANCE IN THE SAINTS: Christ is going to inherit all of those positions of authority up in the heavenly places. They may have rebelled against Him, they may have abandoned Him, they may have walked contrary to Him, but when He successfully performed the redemption, now God says You have earned the right to take them back and that is going to be His inheritance. 3. The exceeding greatness of the Father's power to us-ward - HIS POWER - It is His power, but that power is to us-ward. The power is God's but it is not for Him, it is for us. This is the same power that raised Christ from the dead. Paul wants the Ephesians to know things they previously did not know. He wants them to now more about God to discovered these 3 specific things. POINT: His calling and its hope are for us, the glorious riches of His inheritance are for us, and the exceeding greatness of His power is for us. If we suddenly change the glorious riches of inheritance to be for God and not us, then we have interpreted the second issue in contradiction to the first and third. It seems incongruous to think the calling is God's call to us and the power is God's power to us, but the inheritance is not His inheritance to us, but ours to Him. MM used to think vs. 18 was about us being God's inheritance, but he has changed his mind. God will be glorified in His saints, by their practical sanctification, but MM thinks this is about 3 things God has done for us, not 2 things for us and 1 for Himself.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Father's Inheritance in the Saints	THE RICHES OF HIS GLORY: Refers to the transcendent glory that goes beyond even our imaginations. Paul prays for us to understand the transcendent glory for which we are destined, both in this life as we are conformed to the image of God's Son and the life which is to come in the heavenly places. If we can begin to see beyond our physical sight, if we can see things which are invisible, if we can see what is waiting for us, if we can comprehend the rich glory of His inheritance, if we can make that a reality and not just something we know intellectually, to the degree that it takes us over and we cannot help but live out of it. INHERITANCE: It's a spiritual blessing which means you already have it. You haven't experienced the fullness of it in time but you still do have possession of it. IN THE SAINTS: Two ways to look at: 1. that we are His inheritance 2. there are glorious riches to God's inheritance in the saints

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Exceeding Greatness of His Power	WHAT IS THE EXCEEDING GREATNESS OF HIS POWER TO US-WARE WHO BELIEVE: Is the same power by which God raised His Son from the dead and set Him at His own right hand in heavenly places! That is the power Paul prays to be known and understood. It is the power we are meant to live out of. Allows us to overcome: - the influence of the world - illness and accident - confrontation by the adversary - opposition from the COTW - our weak flesh that strives to be our master THE EXCEEDING GREATNESS OF HIS POWER can overcome all of these. Paul has two things he wants to communicate about the power which he mentions: 1) the greatness of that power, and 2) how we may be certain this great power is working in us.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Exceeding Greatness of His Power	Christian salvation is a demonstration of the power of God in us. A Christian is the result of the operation of God and nothing else. No man can make himself a Christian, only God can make a Christian. Schofield thought this was a prayer for power. MM thinks you are not praying for the exceeding greatness of His power. Because of who you are, that power is already working in you. If you have something but you don't know what you have, you will never utilize it. GH: MM tells Aggie chainsaw joke. As a young preacher boy, they would pray for God's power. What they didn't realize was, the same power that resurrected Christ from the dead and seated Christ at the right Hand of the Father is the same power that saved you by His grace and is working in you. If you grow in grace, that's not you doing it, that's actually the power of God working in you that allows you to grow in grace. Is the power resident in you and already at work. As we obey the doctrine and our mind gets renewed, that's the same power that conforms us to the image of God's Son. EXCEEDING: When you get superlatives on top of each other, He is trying to tell you that this is the same power that raised My Son from the dead. MM thinks that God raising His Son from the dead was the hardest thing He ever did. More difficult than parting the Red Sea or speaking the world into existence. These are just creating and He can do that. But raising His Son from the dead, that's something that different. MM says he may be wrong.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 1:18-19 Prayer : Exceeding Greatness of His Power	ACCORDING TO THE WORKING OF HIS MIGHTY POWER: MM calls this one of the greatest things Paul has ever written. ACCORDING TO: Means 'in consequence of' or 'by virtue of' or 'through' or 'from' or 'on account of' or 'owing to'. THE WORKING: Power that is working is different from power that is available but not being used. MIGHTY: Here mighty is strong; it has strength which overcomes, which prevails, which conquers; a strength which coming up against resistance, overcomes it. This is the measure of the power. POWER: The power which is active which comes from a force which is irresistible, which in turn comes from God. This is the power (and if you don't yet know it, it is the power of grace!) that is exerting itself in us and overcoming obstacles.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 3:16-19 Prayer	This prayer is about Christ in you (want you to do something with what you now know coming out of Ephesians 1). This is about your edification. This is about the life of Christ being manifest in us. So let this prayer be your prayer for yourself and for your fellow saints (just like it was for Paul-v19 and Epaphras-Colossians 4:12). This is a prayer that should be a part of your life from this point forward. Paul's open ended request for the Ephesians (and by extension, the body of Christ, and specifically for us and you is to be strengthened in your inner man by God's Spirit by taking the word of God and working it in you to transform you). There is a myriad of ways that this happens. This strengthening will be a result of the word of God effectually working in you to edify you. This inner man strengthening is the job of the Spirit and there are a myriad of ways in which you can be strengthened. You are strengthened in your inner man (SIYIM) when you are instructed by the doctrine. While the Spirit does the actual strengthening, we do have a part in the process. Once we identify an area of our life we need to work on, or there is some issue or trouble that is adversely affecting us, we need to find the verses in Paul's epistles that are connected with our particular need. We memorize at least one of them so you can have that working in your mind all day. Write the verse/verses down on a card, and look at it during the day, turning the scripture into a prayer (make a prayer out of the scripture on the card, turning that scripture in a request to God to do this work in your inner man), asking God to strengthen us in our inner man by His word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Ephesians 3:16-19	Another way beyond the 7 ways MM gave us, you can be strengthened in your inner man by the instruction of the doctrine, from knowing the doctrine and understanding what the doctrines say. EX Let's say you used to think you could lose your salvation. Then you learned about your justification unto eternal life and learn about your new identity in Christ, who you are in Christ. Once you learned the doctrine and believed it, the Spirit who lives in you worked that doctrine in your inner man, and you became convinced of the truth of your justification unto eternal life. As a result, you no longer doubt your salvation. You rest in the assurance of being secure in Christ. When this happened, you were strengthened in your inner man. MM showing strengthening isn't limited to an outward circumstance. It can happen just within you that really has nothing to do with the things going on outside of you. MM Testimony: Had to make sure these two things have happened or working in his inner man - took him 2 to 2.5 weeks - he is not giving you a theory: 1) God has done more in my life to transform me than I first asked Him to do/asked for, and 2) God has transformed me in ways I didn't even know to ask for.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Ephesians 3:16-19	This made him realize v20 is true! Think really big with your request. When you look back, you will realize He did more. By approaching the doctrine the way MM has taught it to you, God has done exceeding abundantly above what he asked, and above what he thought. Paul isn't referring to a justification issue (something which happened when you trusted Christ), but a sanctification issue, something that has happened as a result of edification, the renewing of the mind, the transformation of the inner man, our conformity to Christ. When Paul talks about "Christ in us" he is talking about the sanctification effect of the life and character of Christ being produced in us by the Spirit's effectual working of the word. This does not automatically happen when we trust Christ, but it is the process of edification.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Ephesians 3:16-19	Paul's prayer request for the Ephesians and by extension the body of Christ. Goal is to learn to pray like prayer. This prayer is about Christ IN us (Sanctification). The prayer in Ephesians 1 is about the benefits of being in Christ (Justification). Want you to do something (Ch3) vs. know something (Ch1). The Spirit does the work but you have to engage in this process. Every part of this prayer is spiritual and not a single part is physical. Misc. - SIYIM: This is a prayer you should pray everyday - either for you or your fellow saints. Sometimes just by the instruction of the doctrine. - Not just from an outward circumstance, can happen within you. - Once you ID the area of life that you need to work on, you find the verses in Paul's epistles that are applicable to it, memorize at least one, and then turn those verses into a prayer morning and night.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Freedom in Christ (Ephesians 4:8-10)	Christ led captivity captive, so that we can choose to believe the truth that right now, we experientially share in Christ's victory over all of Satan's realm. As saints, we are no longer subject to Satan's darkness in any way. We can experience freedom from all the things in our past that have adversely affected our lives. Once we have gone through the steps to freedom, we can truly be transformed by the doctrine. Therefore, this is a truth which we intellectually believe, which replaces the "lies" which we previously believed and acted out of. Excuses like: - "I just can't forgive what they did to me" - this is a lie Satan tells to everybody who has been wounded/hurt/offended. He wants you to be angry and bitter. You can forgive them because you have been forgiven. Good news - in order to do this, you don't have to feel like it. You can make a choice to obey the doctrine and then the doctrine produces the desire in you to do that. If you are waiting till you feel like it you will never get there. - "the doctrine doesn't work in me" - "I will never be what God wants me to be" - "I'm not smart enough to understand all of this"
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Freedom in Christ (Ephesians 4:8-10)	- "God is upset with me because I keep failing/messing up" - "I don't have the power to overcome temptations" - whatever lie Satan has put into your mind MM giving a list. All of these are things that Satan puts in the mind of people. Christ didn't see you free from just a couple of things but everything. When we think things like this, we should identify and renounce the lie, and announce the truth that Christ triumphed over Satan, He ascended to His Father's right hand, and we are seated with Him in heavenly placed (HP), far above any position of power that Satan or his minions hold. Therefore, we are not bound by our adversary unless we choose to be. We are not limited by the devil. Every one of us has the "exceeding greatness of His power" working in us, that same power by which God raised Christ from the dead and sat Him far above all principality, and power and might, and dominion, and every name that is named, and (and this is a big "AND") God put all things under Christ's feet and gave Him to be the head over "all things" TO THE CHURCH!
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Freedom in Christ (Ephesians 4:8-10)	We are a part of His body, the fulness of Him that filleth all in all, and have His victory over the darkness. We don't need to win the victory; we simply rest in His victory by faith in what He accomplished. It is when we are under the assault of the enemy that the power of God can rest on us; just like Paul! LED CAPTIVITY CAPTIVE GAVE GIFT UNTO MEN Which is/are Triumph/Victory over P&P/Satan's realm The spiritual gifts For the purpose of (how is this meant to transform us) Gave us our freedom in Christ PERFECTING OF THE SAINTS Allows for us to be transformed by the doctrine WORK OF THE MINISTRY EDIFYING OF THE BODY

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Freedom in Christ (Ephesians 4:8-10)	Need to know these truths and choose to believe these truths so we can share in His victory over Satan's realm. He did this not only for Him but for us. As saints, we are no longer subject to Satan's realm, his authority, his wickedness, his darkness, none of that has any bearing on us now because we have been set free from all of that (freedom aspect). Freedom in Christ is the greatest freedom that you could ever have and it is still enforced no matter where you live in the world and it can never be taken away from you. This is the most critical freedom you have to have. This is the one that Lord has provided for. Nothing in the outside world influences this freedom and it was provided for when Christ LED CAPTIVITY CAPTIVE. We got rid of all that old stuff (how you were raised, friends, education, etc.) so it is not clouding the picture and diluting the doctrine. Once you clear the garbage out, now the doctrine really has a chance to transform us and to make us the people that God desires us to be. This is a spiritual truth that I can be set free from whatever is out there that's been bothering me. You can overcome and be set free from all that due to what Christ provided and then you really can experience the transformation that the doctrine is meant to do.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Freedom in Christ (Ephesians 4:8-10)	MM reminds the steps for transformation are important because they are going to get all the obstacles out of the way. We have the victory not because we are producing the victory, we are resting in the victory that He has already produced for us. You do this by choosing to believe what He has told you in Ephesians 4:8. Reading this verse and choosing to believe the truth of that even if you don't feel that way. This is THE EXCEEDING GREATNESS OF HIS POWER-Ephesians 1:19 that is at work in us, the same power that God used resurrect His Son from the dead. That's the power that's a work in us. You are seated with Christ in heavenly places so you are not subject to this anymore. You really can have that freedom. He HATH PUT ALL THINGS UNDER HIS FEET, AND GAVE HIM TO BE THE HEAD OVER ALL THINGS TO THE CHURCH, WHICH IS HIS BODY-Ephesians 1:22. This victory is given to us. This is the practical application of v8. Need to have this working in our minds. * We're part of His body, the fulness of Him that filleth all in all * We share in His victory over the darkness

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : How to SPEAK THE TRUTH- Ephesians 4:15 outside the assembly without causing WW III	How to SPEAK THE TRUTH outside the assembly without causing WW III - to the lost or to the saved. Two pendulum swings or exaggerations to SPEAKING THE TRUTH to the lost or to the saved - takes wisdom to strike a balance between these two extremes: 1. I know what I believe is controversial and these people probably don't agree with me about that and since I don't want to turn this into an argument I am not going to say everything or to remain silent (never SPEAKING THE TRUTH). Because the truth of Paul's doctrine may well be rejected, because people might disagree, they may even be angry and reject us, some people choose to stay silent. MM understands that we don't want to be at odds with friends and family but we cannot allow the adversary to use that fear to keep God's truth from being known. At the same time, we cannot bulldoze people with the truth either; we need wisdom to discern what to say and when. Our love for God needs to be greater than the love we have for our family, friends, work associates; anyone. If it isn't we won't find the right balance for when to speak and when not to. Every relationship we have should come out of our relationship with our heavenly Father.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : How to SPEAK THE TRUTH- Ephesians 4:15 outside the assembly without causing WW III	If it does, then we won't be destroyed if they reject our message and us. If we choose not to speak, let it be out of godly wisdom to read the situation, not fear. What we suffer as a result of speaking the truth are called the sufferings of Christ. We are called to these sufferings (2 Corinthians 1:5; 2 Corinthians 1:7; Philippians 1:29; Philippians 3:10; 2 Thessalonians 1:5). MM says Baptist are taught to confront error but when he learned Sonship, realized he couldn't be a tutor and governor and conform every body, even if they weren't there yet doctrinally. Need to use wisdom on when to talk and when not to talk. MM suggests dipping your toes in the water and get a feel for what is going on with that rather than just blurting it out. The truth of Paul's doctrine may be rejected by people. If we say something that cuts against the grain of what they already believe, they may get angry at you. This is what Satan uses to make sure you stay quiet. MM tells the story of the UPS driver and having dinner with he and his wife and she saying the UPS driver was who God wanted her to marry and MM just kept quiet and didn't nod and didn't say anything till she asked. She was receptive to his answers. MM says he wishes every story has a happy ending but you can't bulldoze people with the truth. You can't force them into coming to what you understand. But MM doesn't want Satan to use his lack of discernment to keep him silent, he wants to have some wisdom about what he is doing, about when to talk and when to not talk and when he talks, how to talk about it. He has talked to family members with mixed results.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : How to SPEAK THE TRUTH- Ephesians 4:15 outside the assembly without causing WW III	His love for his heavenly Father is greater than his love for his family which means what he says to them is out of the framework that he really loves his heavenly Father and he thinks that He is offering something that is about the best thing you could ever have and I want them to have it. Will be careful because he doesn't want to turn them off about it. So we need to exercise discernment when we speak the Truth in love and sometimes, no matter how lovingly you say it, someone will still be offended. You are not trying to cause a problem and you are trying to do this wisely and lovingly, but one you decide this is an opportunity and think you have a way to say it, then you say it. God knows that SPEAKING THE TRUTH IN LOVE-Ephesians 4:15 will bring these types of sufferings. Even if we are called to do some things that will evoke the wrath of others. We are called to give the gospel, to CAST OFF THE WORKS OF DARKNESS-Romans 13:12 (MM asks do you not think this will not provoke a response sometimes?) - all of these things that we are called to do so that we can live righteously and soberly in this present world. MM says if you do it the right way and have some discernment about it, he can't tell you the last time somebody got so offended that it became a terrible issue.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : How to SPEAK THE TRUTH- Ephesians 4:15 outside the assembly without causing WW III	2. (other pendulum swing) People who don't love when they are doing it and have very little, if any, discernment when they do it, and they feel obligated to do it everywhere and all the time. When you do this, it is extremely offensive to people and makes it hard for the rest of us. There's a better way than just screaming at people about damnation for eternity. For those who speak the truth, but because of their lack of discernment or love, what they say is offensive and accomplishes little, if any, spiritual good. There's a bunch of people in pendulum 1 and a small group in pendulum 2 but the people in the middle, that's where the work gets done. Ways of SPEAKING THE TRUTH IN LOVE (communicating the truth of Paul's epistles or SOUND DOCTRINE via your talk, conduct & behavior) - out of the love generated in you in the Book of Romans: - preach the gospel

EX forgiveness, self-control. Paul lists 4 deeds of the old man. STEP 1: Put off the old man - v22 1) No matter how many things are going on in your life, deal with each issue individually - if you have several things that need work, don't lump them together and work each all the way through the process individually. Will not do in the energy of your flesh. 2) Identify and renounce Satan's lie (start of the process) * The lie behind Unforgiveness: 1) Forgiveness lies: You should not forgive until they ask for forgiveness, in the meantime, not forgiving them will punish them. If I forgive them, that's a license for them to do it again. They are not worthy of forgiveness. 2) I renounce the lie that I cannot forgive my offender (first thing in your prayer)

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	* The lie behind Immorality: 1] Immorality lies: Everybody does it. It's my body I can do what I want to. It doesn't really matter. God is trying to deny me the pleasures or life, I'm missing out because God is being so restrictive. 2] I renounce the lie that You God are denying me the pleasures of life * The lie behind Spiritual Discouragement: 1} Spiritual Discouragement lies: God rejects you when you fail to live a perfect life; He condemns you and no longer forgives you. When you fail to live a perfect life, God is tired of you and tired of forgiving you; He is mad at you. He is punishing you. This is why things are happening to you. Why your car engine is acting up. Why you are not getting any rain. 2} I renounce the lie that You, God, no longer forgive me * The lie behind Suffering: 1) Suffering lies: What you are suffering is a punishment. God causes suffering to bring you closer to Him. I deserve this. This suffering is more than I can bear (to make you give up completely). 2) I renounce the lie that my suffering is greater than the grace of God
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	STEP 2: Be renewed in the spirit of your mind 3) Identify and announce the Truth (will come from the scripture) 4) Choose to believe the Truth no matter how you feel (you have been given a free will to make a choice to believe the truth rather than the lie so that you can renew your mind). Once you announce that Truth you are going to begin to renew your mind with that truth. * Forgiveness (cont'd) Forgiveness: Father I renounce the lie the my offender must ask for forgiveness. I choice to believe the truth that I can forgive them no matter how I feel. Learn forgiveness is between you and God, not you and your offender. Personally, don't take matters into your own hands. Can use legal recourse. 3) Why should I be bitter toward my offender when the Bible says that vengeance belongs to the Lord? Romans 12:19 (Romans builds on top of Ephesians) 4) I choose to believe the truth that forgiveness is not between me and my offender, but between me and God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	* Immorality (cont'd) Immorality: You belong to the Lord, not yourself. (Prayer for 'It's my body') 3] God wants what is best for us, as sin opens us up to deception and torment 4] I choose to believe the truth that You, God, are the author of life and will lead me into love, joy and peace - Truth that counters 'It's my body I can do what I want to.' -> You belong to the Lord. You called on Him to save you, to keep you from hell, to give you eternal life, to be a son. He gave you every mercy and every spiritual blessing and now you are going to say this to Him? YOU ARE BOUGHT WITH A PRICE-1 Corinthians 6:20. And you didn't belong to yourself before you got saved, you belonged to Satan. * Spiritual Discouragement (cont'd) 3} cannot be separated from the love of God. Romans 8:35 4} I announce the truth that You accept me unconditionally
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	* Suffering (cont'd): Suffering: Your grace is sufficient. All things work together for good. We are more than conquerors. 3. Why should I worry about sufferings when the Bible says that is when the power of God rests upon me? 2 Corinthians 12:9 10 4. I announce the truth that I am more than a conqueror STEP 3: Put on the new man: purposefully applying Paul's doctrine to every area of life IN LOVE, not observing it as a law, but as the means whereby the life of Christ is lived in us by grace. Will not happen if you are doing it by accident. This has to be by design. You have to know what you're doing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	5) Read / Pray / Study / Memorize / Meditate: Flood your soul by reading with purpose what you are reading - READ/PRAY-talk to Him like He is in the room/STUDY-run references/MEMORIZE a related verse so you have it with you all during the day/MEDITATE-on that verse all during the day. Will discover more truths. Part of renewing your mind but also part of putting off the old man and putting on the new man. Bathe your mind in the doctrine all throughout the day, every day for at least a week. Write down those things you renounce and those things which are true and read them each morning and night. Don't read like 'I have to read a chapter a day', but read with purpose and intent. In the midst of that reading, you are going to be talking to the Lord. Envision Him sitting there on another piece of furniture. Then you are going to study or start thinking about the very words in the passages. You are going to run references to this, will remind you of other verses. You're taking/making notes, writing things down, talking to the Lord like He is right there because He is. And then you are studying this, you're really thinking about this, and then you memorize some verse that has to do with that because you want to take that verse with you all during the day.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process or Mechanical Means - PUTTING OFF THE OLD MAN (Ephesians 4:22-24)	It's not enough that you are going to do it a few minutes sitting there in your living room. Unless you are going to carry your Bible and stop and look it up, you better have it in your head. This is the way you do the last piece - meditate on that verse all during the day. As you do this, you will discover more truths in addition to what you discovered when you were first reading. This is what you need to put into practice in your life. This is only 3 or 4 areas but Paul's going to give another list in the verses that follow this. Don't underestimate your adversary. He is clever and he knows how to deceive you. This is why Sonship transformation is so important because it cleared out all the OLD MAN garbage. MM encouraged the group to go back through Sonship Transformation. 6) Actively apply the doctrine in the details of your everyday life (last step) - don't stop with the mental part of it or else you will not put on the new man. You will stop just short. The NEW MAN is the application of the doctrine. NOTE: The framework to do this work has already been given to you in Sonship Transformation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	See how our speech needs to be cleaned up and aligned with who we are in Christ. When it comes to our conversation, the things we say and the way/how we say them need to reflect our Savior. That way, our speech is LIGHT IN THE LORD-v8. And if our speech is light, it will do two things: 1) it will reprove the works of darkness-v11, and 2) it will edify and build up and encourage the saints. Principle: WALK AS CHILDREN OF LIGHT-v8 when it comes to your behavior AND conversations. Means your conversations will have a predetermined purpose. Typically, conversations are off the cuff. It means you will need to plan at least part of your conversations. MM recognizes you can't plan them all out but you want your conversation to be naturally like Paul is talking about here in Ephesians 5. Going to have to put this into practice. Think about the conversations you will have tomorrow and ask yourself how that conversation can be light. Think about some of the things you want to be talking about with them.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	Can talk about sports, the weather, politics, but there needs to be something in that conversation that we know the Lord and He is a big part of our life. When we start advancing ourselves in the doctrine of Ephesians 5, you are going to start planning and thinking about the conversations you are going to have with someone, thinking about that subject matter and how it would be part of that conversation. May feel awkward or clumsy at first but you just have to work through it so you need to plan it. MM says you don't have to preach a sermon to everyone you run into - don't swing the pendulum on him. Saying things that are LIGHT IN THE LORD ought to be a natural part of our conversation. But to develop it as a skill, you are going to have to practice it. For example: * When talking to your spouse, plan to say something that will either build them up (edify them) or encourage them. * When talking to your children, plan to say something to them that will teach them or direct them to Biblical principles. * When you know you will be meeting someone, or they are coming over to your house, or you will be having lunch with them, think about what kind of conversation you would have, as someone who is light in the Lord.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	Instead of talking about the weather, sports, politics, current events, etc., talk about these things. It is pointing to something that is spiritual in nature that will build them up. To be people who are WISE MAN-level, we need to learn to talk differently than the world. The world can talk all day and never mention God except to use His Name in vain. This is a deeper level of godly wisdom that God is trying to get into your life so that He can actually transform you and conform you to the image of His Son. This is how we put godly love into action. When you get skilled enough it will become a natural part of your conversation. Examples of conversations that are LIGHT IN THE LORD: - Things that edify. Something that builds them up. It's pointing them to something of a spiritual nature that will build them up that will be beneficial to them. Can build them up in other ways too. But Paul is talking about build people up in the faith, in the doctrine, in Christ. Try and build people up spiritually, especially saints that are part of our assembly. - Things which encourage. - Things which teach or affirm. - Things which demonstrate our godly love for them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	- (Group input) Recognize their contribution to the church - I really appreciate that you... - (Group input) When someone is talking about the bad things happening in their life, explain that stems from sin in the world. - Ask questions - How are you doing at implementing that doctrine we studied/covered last Sunday? (Group input) Provide positive recommendations. - What if they are having issues implementing a FORM OF DOCTRINE? (Group input) Recommend they read and pray and talk to other saints. - Tell them about something you have been praying about lately. This can steer the conversation in an area that can work to edify them. - Tell me something you have learned recently in the Sonship education? MM loves the question ones because the questions get people going. - Offer some genuine praise for some godly action on their part.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	- Ask for their opinion on a doctrinal matter so they can say something on what they think about that. - Things that teach (something that maybe the other person doesn't know about) / affirm (if they already know it) or re-enforce that doctrine (does for both of you) - Things that demonstrate our godly love for them When we talk, let our speech be light. If we talk about other people: - let it be to demonstrate our love for them - our thankfulness for them - our appreciation for them, and - how we value and esteem them.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : FOLLOWERS OF GOD-v1/WALK IN LOVE-v2	Every conversation is an opportunity to demonstrate our love and appreciation for our fellow saints. Let our conversation be LIGHT for the people we are talking to and even the people we are talking about. There If we do not plan to have these kinds of conversations, then it is likely we never will. Don't need to preach a sermon to everyone. The things which are “light” should be a natural part of our conversations. But to develop this skill, we need to practice it. MM says we need to live like a WISE MAN and not like the world. The world can talk all day without mentioning God. When you get skilled enough, it will become natural. We can do this same exercise with what we think. Let our minds reflect the light of Christ! Recognize that you are light. And you can measure every behavior and thought with this truth – I am light: is what I am about to do, or about to say, reflective of that truth?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Being a FOLLOWER OF GOD- Ephesians 5:1	Being a FOLLOWER OF GOD means: - Is more than telling people we are Christians - we are supposed to live like Him, not just following Him around. This is a general answer that is not wrong, but MM feels doesn't go far enough. People who just follow Jesus but never incorporate anything into their life will eventually quit. - We are to be like God - by being godly - not so people will think you're great, so they will think He is great. * We can live out of some of His moral communicable attributes: things that God does allow us to possess, attributes of His that we can really have - IN RIGHTEOUSNESS AND TRUE HOLINESS-Ephesians 4:24 Holiness - God says BE YE HOLY, FOR I AM HOLY-1 Peter 1:16 Righteousness - God is righteous, and He has made us to possess the righteousness of His Son, and because we have His righteousness, we can be righteous in our conduct. MM says there are others. NOTE: incommunicable attributes that we cannot possess or copy because we are the creatures and not the Creator. GH: The many reasons we can't be God. We are not trying to be God.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Being a FOLLOWER OF GOD- Ephesians 5:1	You can be any of these. God's eternal nature His glory/God is glory His infinite majesty His omnipotence/omnipotent His omnipresence/omnipresent His omniscience/omniscient * We can act/be like God in His character - can take on the character of Christ because we are God's children, something the world knows nothing about (difference between Christianity and mere morality, which is goodness for goodness sake. Christianity is not a moral code that is imposed upon us. We are FOLLOWERS OF GOD because we are His children.) - we can have God's character in us and in fact, He expects no less - we are to refrain from some things and do other things. We can possess all of these are we are supposed to manifest them in our daily lives, we are meant to put them/these things on display every day, as they are part of our life and living, or they are part of Christ's life (His character) being lived in us and through us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Being a FOLLOWER OF GOD- Ephesians 5:1	When we do, we are being FOLLOWERS OF GOD. The world thinks they need to be these things. MM says it's the maximum you can have as God's character and at the same time, it's the least He expects from you. Compassion Faithful/Faithfulness Forgiving/Forgiveness (If someone offends me, I can forgive them) Goodness Just (His justice is always perfect)/Justice Kindness (I am doing everything out of godly love) Loving/Love Lovingkindness Longsuffering
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Being a FOLLOWER OF GOD- Ephesians 5:1	Merciful/Mercy Selfless Tenderhearted/Tenderness Truth (If I say something, it is the truth) MM says there's a lot more. Remember - we are not just being asked to be good people, asking to be FOLLOWERS OF GOD (like Him in His moral attributes and His character, not so people think you are great, so people think He is great). Differences: * The motivation for doing it - because we are God's children * The source of our actions or what we are doing - which is the Lord Jesus living His Life in us
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Being a FOLLOWER OF GOD- Ephesians 5:1	* The means by which we do this - which is the word of God working in us * The agent working in is - which is the Spirit of God in us * The result - you get transformed so you don't drop back into the human goodness approach The world of positive thinking has none of this. In a relationship, our greatest desire should be to be like our heavenly Father. Ought to be the thing that is always in the back of our mind. You can't produce these attributes and characteristics on your own. Can only be produced by the Spirit of God taking the word of God to produce the life of God's Son in you so that you really can be a FOLLOWER OF GOD. STORY: MM's picture drawing of a little boy in his dad's suit. Shoes too big. Pants wadded up over the shoes. Hat hanging down over the eyes. Baggy shirt. Loving expression on his face because he is being like his dad. It's a natural thing. And if we are children of our heavenly Father, we should want to be like Him. It should be a natural thing to want to be like Him spiritually.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process : To BE FILLED WITH THE SPIRIT-Ephesians 5:18	Process : To BE FILLED WITH THE SPIRIT-Ephesians 5:18: Live the doctrine. These are hand-in-hand. If you are doing one, you are doing the other. A walkthrough of how to live out of the doctrine. To live out of a truth means that our conduct and behavior is consistent with the truth that God has given us in His word and something that He Himself has accomplished and He has made available and written down. Now we can read it and understand it and that truth now has the power to work in us, to transform us. Not too complicated, do this everyday of your life. EX Cast iron skillet sitting on the counter. You go to reach for it and someone says 'hey, that just came out of the oven, it's hot. Because you said that, you will now modify your behavior by getting an oven mitt to pick it up. The information somebody told you caused you to modify your behavior. So God gives you information based on something He did through His Son and made available to us. Now, based on this information, we are going to live a certain way, we are going to modify our behavior, and we are going to live out of the doctrine. If we are going to be FILLED BY THE SPIRIT-Ephesians 5:18, if we are going to live out of the doctrine, then our behavior has to be directed by the truth that we find in this Book. This is how we are FILLED WITH THE SPIRIT. So we labor with God, we are conformed to the image of Christ by choosing to live out of the doctrine.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process : To BE FILLED WITH THE SPIRIT-Ephesians 5:18	An example of the process to live out of the doctrine - can do this with any doctrine: 1. God gives us a truth. Truth: We are dead to sin. WE, THAT ARE DEAD TO SIN-Romans 6:2. The way to overcome sin is by the truth that we are now dead to sin. 2. Then, Paul explains HOW this is true, HOW we are DEAD TO SIN. Romans 6:6 - How we are dead to sin. Truth: Old man is crucified (means he is put to death). He was the one who was under sin's power. Old man was subject to sin, he's been put to death and sin can't control a dead man so it doesn't have a hold over you anymore. 3. Then, Paul tells us the RESULT of being dead to sin. FOR HE THAT IS DEAD IS FREED FROM SIN-Romans 6:7 - Result. Not talking about physical death, talking about the death of your OLD MAN, your old identity in Adam. This is the result of your old man being crucified. Truth: No longer under sin's power, we are free. 4. Next, we are given the MECHANICS of how to put this into practice (how does it work, how to put this into practice). Process: Reckon that we are dead to sin, but alive unto God. RECKON YE ALSO YOURSELVES TO BE DEAD INDEED UNTO SIN, BUT ALIVE UNTO GOD-Romans 6:11. Godly Thinking: Reckon ourselves to be dead to sin. We are counting this to be true. There may be days you don't feel DEAD TO SIN (causes: 1. unbelief 2. old habits 3. temptations by the POE) but you always are.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Process : To BE FILLED WITH THE SPIRIT- Ephesians 5:18	5. Now, based on these truths, we are asked to live for God in a particular way. LET NOT SIN THEREFORE REIGN IN YOUR MORTAL BODY-Romans 6:12. GH: Really, Romans 6:12-14. Now, based on these truths, we are asked to do something whereby we can live for God. Godly Living: Don't let sin reign in your body. How to take the godly thinking and translate it into our conduct and behavior or godly living. 6. Being filled with the Spirit is not talking about us getting more of the Spirit, it is talking about the Spirit getting more of us. The Spirit gets more of us as we intelligently yield ourselves to God. YIELD YOURSELVES UNTO GOD-Romans 6:13. And more areas of our life we yield unto God, the more we are being "filled (controlled) by the Spirit." When our actions are under the direction of the Spirit, we are being "filled with the Spirit." We think the way to overcome sin is to ask God 'Lord, please help me overcome sin'. This is not the way but we don't know what to do. He has already done everything that you need, just have to go back and find the doctrine that deals with whatever the issue is. You didn't do any of the above. God did all of the above. **POINT: When God asks us to live for Him, He gives us a truth, which explains a provision that only He can provide, and on the basis of His truth, we modify our behavior to line up with His truth.**
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Six Purposes of Marriage	**NOTE: Wedding info 254-Mo-BookofEphesians-Session 19, 9Nov23 - 40 minute mark** Six Purposes of Marriage (the first 5 are for us; the 6th one is for God and becomes the main purpose of the marriage) 1. Companionship * Principle: Marriage Oneness: God's principle is to create a oneness in the marriage * Satan's Goal: Isolate the spouses and divide the marriage * God's design for marriage is the complete unity of man and wife. This includes oneness of spirit, oneness of soul and oneness in the physical relationship. In order to achieve oneness on the physical level, each partner must recognize that the predominant factor of unity in the marriage comes first by oneness of spirit and then by oneness of soul. Even for couples who achieve a strong physical relationship, they will experience only a small and distorted part of what God intended for marriage companionship. On the other hand, when a couple comes together in oneness of spirit, each partner is free to demonstrate love by giving to the other's needs.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Six Purposes of Marriage	2. Pleasure * Principle: Self-control * Satan's Goal: Self-gratification so that selfishness is really the motive * Important to discern between godly pleasure and lustful pleasure. Self gratification is damaging to the marriage. Because people do not see a direct cause and effect relationship by violating God’s moral standards in the marriage, they erroneously conclude that their marriage is not being harmed. The point is this: partners cannot set their own marriage standards.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Six Purposes of Marriage	3. Completeness * Principle: Godly Love/Godly Unity * Satan's Goal: Damage the spirit of the marriage through selfishness * The spirit of a marriage is deepened through God’s word and prayer. Completeness is promoted by having a servant’s heart. What I mean by this is that each is working to make their partner successful. Completeness is rewarded when major decisions are not made until both partners are in oneness of spirit. 4. Fruitfulness * Principle: Life Multiplication (having children) * Satan's Goal: Pleasure without responsibility

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Six Purposes of Marriage	5. Protection * Principle: Commitment to the Marriage/Family * Satan's Goal: Corrupt the Institutions of Marriage/Family / Abdication of Responsibility * When a man enters into the marriage covenant, he is pledging his strength, resources and life to his wife. When that union produces children, it is a rewarding responsibility for parents to rear their children in a godly manner, and make whatever sacrifices are necessary to protect them. 6. Illustration or Picture (in spite of all those godly purposes, the sixth purpose is the first and primary purpose; main purpose of marriage - it's for God - first 5 are for us - difference between Christian marriage and world marriage) * Principle: **The Wife's Submission/The Husband's Sacrifice** (MM is not saying that submission or sacrifice are a one-way street) * Satan's Goal: Equal Authority * When God, before the foundation of world, looked at this relationship His Son would have with the members of His body, He actually created the institution of marriage. God wants your marriage to succeed. He is the Designer of it and He created it right from the beginning. Men didn't come up with marriage, it is God's invention. He did that right from the beginning by putting Adam and Eve together.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Six Purposes of Marriage	God is the designer of marriage. Therefore, it is a "divine institution." That means that man did not come up with this, God did. And He did so for reasons that would benefit all of mankind. Know that. It is the Adversary that wants our relationships to fail. God created marriage to benefit both spouses in ways society alone cannot mimic. Christian marriage is designed to be distinctively different from marriage in the world. Most books on marriage, most sermons on marriage, and even most counseling about marriage, are focused on providing a list of things people can do to help their marriage. These are not bad in and of themselves: - learn to communicate better - start spending more quality time together As good as these ideas are, there is nothing distinctively Christian about those ideas. A couple does not need to be Christian for those ideas to work, as these ideas are not predicated upon being a believer in Jesus Christ. But, in Ephesians 5, Paul is not talking about these kinds of ideas at all. He is talking about a uniquely Christian marriage which is in accordance with God's design.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : FOUR LEVELS OF FRIENDSHIP	FOUR LEVELS OF FRIENDSHIP (also covered in 'School of Evangelism') Level 1: Acquaintance * The first level of friendship is Acquaintance. Be alert to each new person around you. Learn and remember their name. Ask appropriate questions with interest. If those questions are too nosy, a deeper friendship is not earned. Appropriate questions earn the right for deeper friendships. Be a good listener. Remind yourself of the interest which God has for them. * Freedoms If the questions are: earn the privilege to deepen relationships
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : FOUR LEVELS OF FRIENDSHIP	Deeper friendship is: * Responsibilities: Dating decisions - Commit to God's best - 8 Essential Qualities for Marriage 1. Trusted Christ as Savior 2. Know His Identity in Christ: This is important as it is the basis for self acceptance and the acceptance of others. Without this, a person is always making compromises that bring torments. Can result in a poor self image. In the Addendum at the end of these notes, there is a chart which will walk you through the consequences if this essential quality is not present. 3. Compatibility of Spiritual Beliefs: While we make a Sonship decision about this, some suggestions to consider might be: KJV/RDW/Grace/Dispensational Change/Prayer/Sonship 4. Harmony with Authority: Is this person sensitive and obedient to the wishes of those in authority over him? Does he show deference to their ideas? Is he alert to creating creative alternatives? First authority structure people have is with their parents. If they gripe about their parents or boss, will have an issue with any authority structure. God is also an authority structure.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : FOUR LEVELS OF FRIENDSHIP	* Responsibilities: Godly Projects Avoid the appearance of evil Purpose of Engagement Level 4: Intimate Friendship * The fourth level of friendship is Intimate Friendship. - For most people, intimacy is associated with the physical. But intimacy involves much more than that, as intimacy is not an act. It is a state of existence in which both partners in the marriage trust each other with more and more of their innermost thoughts, wishes and emotions.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : FOUR LEVELS OF FRIENDSHIP	* Freedoms God's Designs for Marriage: - DATE/COURTSHIP - SPIRIT (part where the spirit comes into play): point where you start to develop **spiritual intimacy** (date): The chief purpose of dating is to **develop a oneness of spirit** which, when achieved, can be the basis of a continuing friendship, or the basis of engagement or marriage. POINT: If we had developed our friendships in a godly fashion, we could have dated in a godly fashion. It's the foundation for everything that will happen after that. Develop a oneness of spirit, which is the chief purpose of dating. Basis for a friend ship or someone you are dating or courting or someone you may end up marrying. Point: If we develop friendships in a godly fashion it's easier to have a great marriage. Can start this anytime. - ENGAGEMENT - SOUL: **mental and emotional oneness** (engage) - MARRIAGE - BODY: **physical intimacy** in marriage (marry) Satan seeks to reverse this order and eliminate the spirit part. He is trying to get this out of whack and focus on the physical. MM flips these 3 on the board like a pyramid with the date/courtship being the foundation. * Responsibilities: Application of Biblical Principles

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Questions on Purity	Questions on Purity: QUESTIONS OBSERVATIONS 1. WHAT TYPE OF PEOPLE DO YOU ENJOY BEING WITH THE MOST? The type of friends he chooses to be with will certainly reveal his level of moral purity, since the fellowship they enjoy will be based on their mutual response to sensuality. (1 Peter 4:3,4) 2. ARE THERE ACTIVITIES YOU USED TO THINK WERE MORALLY WRONG BUT NOW YOU THINK ARE RIGHT? If he answers yes to this it will not only indicate that he is involved in immoral actions but also that he has dulled the sensitivity of his conscience. (1 Timothy 4:2, Titus 1:15) 3. (If he denies• the existence of God) HAVE YOU EVER COMMITTED YOUR LIFE TO JESUS CHRIST? It is very likely that if he claims to be an atheist, he has at some previous time committed his life to Jesus Christ but since then has become entangled with guilt of immorality. If God exists then he owes God his life, but if he can prove that God doesn't exist, he Is free to run his own life. (2 Peter 2:1, Jude 1:4)
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Marriage Relationship (Ephesians 5:21-33) : Questions on Purity	4. (To be asked by the potential father in-law with discretion) - All of us have certain inward battlefields in our moral life. First is the battlefield of impure thoughts. If we lose there, we will have a battlefield of impure actions. If we lose there, we will have a battlefield of impure habits. HOW MANY BATTLEFIELDS DO YOU FIND YOURSELF FIGHTING? The question is phrased in such a way that it does not require him to go into detail and it is important to discourage him from doing so since "... it is a shame to even speak of those things which are done of them in secret." (Ephesians 5:12). If one is overtaken in a fault, "... ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted." (Galatians 6:1) 5. IF YOU WERE TO SUMMARIZE YOUR PHILOSOPHY OF LIFE IN ONE PARAGRAPH WHAT WOULD YOU SAY? He will find it difficult to describe his philosophy of life without revealing his attitude toward moral purity. FEAR OF FAILURE — The more clearly defined a man's future goals are, the less fearful he is of present failure. He is able to translate present failure into more precise directions in reaching future goals. WRONG PRIORITIES — Without correct goals, it is difficult to have proper priorities. When demands come for his time and attention, a man must have goals by which he can determine what his involvement should be. PLEASURE MINDED To offset his boredom and to escape the meaninglessness of life and to fill the extra time which he has from lack of purpose, he will tend to give himself to entertainment and diversion which bring him pleasure. MURMURING When situations arise which inconvenience him, he resents these and the people who cause them for depriving him of present enjoyment. Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	v5 is not telling you to obey everything my employer tells me do if you are asked to commit evil (committing a sin, doing a moral wrong, or doing something illegal). God is not expecting blind obedience to your employer. The Christian faith is not blindly following, it's believing something that has already been said by God. He expects intelligent godly obedience which is guided by godliness. Part of the character we need is learning to do those things that we don't necessarily like or necessarily enjoy and do them with the right heart attitude. But if your employer would ask you to do some type of evil, GH: you are not obligated Biblically to do this. Our godly response is to make an appeal to that authority. Instead of just flying off the handle, your heavenly Father wants you to look at them like He is looking at them and have a ministry of some sort with them. You can appeal to the one in authority to get them to change their mind about what they asked you to do. But not just change their mind, it doesn't really just stop here. We don’t just want them to change their mind; we want them to learn the ways of God; to learn their godly responsibility as one who is in authority, by seeing God’s ways and purposes in their position of authority. Even as an employee who is under authority, you can have ministry to those who are in authority above you and the Lord expects you to do that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	1. We serve with a spirit of obedience: Understand that our service is always to be with a spirit of obedience. This is the prevailing way we conduct ourselves as an employee. As we continue through the passage, we will be taught how to have a “spirit of obedience". This consists of a list of things that Paul will teach us about. If you have been serving with a 'spirit of obedience' then your appeal that you make will have much power to change those in authority. But if you don't have a 'spirit of obedience', it just looks like more griping. Once you learn to make a godly appeal, you are going to find out the person in authority continues to insist on you doing wrong, those are going to become very rare, even if your employer is unsaved. MM calls this a powerful, remarkable process. 2. Discern God's higher purposes in suffering for NOT doing evil: Discern the higher purposes of God when He allows us to suffer under the hand of human authority. There may come a time when we suffer for righteousness sake (because you are doing the right thing, people are now unhappy about that), and for not doing/refusing to do evil (which is a bit different than for righteousness sake). Evil examples:
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	a. pressure into sex for a promotion (moral) b. sales person asked to misrepresent his product (sin) c. bookkeeper asked to falsify numbers to avoid taxes (illegal) God is not ordaining your suffering in particular situations (EX forcing any of the evil examples to happen), but God expects you to suffer for righteousness sake (if the appeal does not work). We are not suffering for nothing. Through our suffering for righteousness sake, God means to transform us. There is something to be gained from every kind of suffering that cannot be obtained any other way. If we don’t focus on what our suffering produces, but instead focus on the suffering, we will be overwhelmed by the effects of our grief, fear, anxiety, loss, etc. In order for us to get the benefits, we don’t just suffer; we have to respond to our suffering in a particular way: by patience and faith. This is the godly response to suffering-2 Thessalonians 1:4.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	When we suffer for not doing evil, we are not suffering for nothing. MM says it is amazing how our flesh can excuse us when we're in a situation and Satan is very clever and he knows how to apply pressure. EX Woman thinking you got to pay the bills, your kid is depending on you. There's no safety net if you do evil, therefore, discern God's higher purpose in suffering. Because if you don't do this, it will look like your suffering has no meaning and if you think your suffering has no meaning, you will do whatever it takes to avoid it. MM is not saying look for ways to suffer. But when the choice is do evil and avoid sufferings or do righteousness and suffer, that is the Will of God. The suffering is never for nothing and GH: the eternal benefit is bigger than the temporal benefit. There is something to be gained from every type of suffering that cannot be obtained any other way. STORY: MM working at Henderson Texas Brick company and bricks coming out different than when they came in. Suffering is designed, if you respond right, you are different when you come out than when you went in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	Two things: 1. If you are just focused on the suffering instead of what the effects of the suffering are designed to produce, then you are (GH: not?) going to love the opportunity that is presented to you in the midst of the suffering. 2. Because we live in a fallen world, no one avoids suffering in this world. MM reminds of IF SO BE WE SUFFER WITH HIM-Romans 8:17. The WITH HIM is the qualifier. If you are suffering for NOT doing evil and you make the godly appeal and do everything you're supposed to do, but your authority figure still doesn't change their mind and they are saying you are still going to have to do this or there's going to be some sort of consequence to this, now God is calling you to suffer so it is important to understand God's higher purposes in suffering and calling you to suffer for not doing evil. When you respond positively and properly to the occasion of suffering for not doing evil, two things are manifested in you: (1) Patience (2) Faith
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : General Commentary	This is not about trying to be elite, this is about learning how to be son and daughter within the framework of suffering. But if all you have to do is suffering to get it all (GH: JHI) and MM is wrong about it, you didn't miss anything. But if MM is right and you have to respond to suffering in a particular way to get not only the present benefits but the future glory, it would be a problem if you didn't see it that way. MM says the character qualities that are important and that are necessary for making an impact to the glory of God, those are developed when we are under authority. This is why everybody is under some kind of authority. EX Kids under the authority of parents, parents under the authority of the nation they live in and subject to its laws, companies are subject to regulations, etc. The character qualities that are essential for us making an impact, when we talk about making an appeal, we're making an impact on those who have authority over us. We learn those character qualities by being under authority ourselves and having that SPIRIT OF OBEDIENCE.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority It may be, in the course of your work, someone who is your boss or your employer, may ask you to do something that is wrong or illegal or sinful or contrary to the Bible. Not talking preferences or what we like, what they are asking you to do is either considered to be against the law or it is just evil in God's eyes. It's just wrong or sinful. In these cases, what do we do?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	When we are asked by an authority figure to do something which we believe is morally wrong or that violates the word of God, or causes us to commit sin, or is in violation of the law, and we decline to obey their instructions, we may well suffer in some way. When this happens, it is easy to think that we are following Christ, and we are suffering for Him. But there is a wrong way to decline an evil command and it begins ever before we disobey. Six steps of action to take when asked to do something you think is wrong. Really, the first two steps are preliminary to making an appeal. but part of the process. Are part of the process if we are ever asked to commit wrong in the workplace. The first two steps take place before we are ever asked to do something that is wrong. Because you want to be in a position that if an authority asks you to do something that is wrong, that you know exactly what to do, so that you can change the mind of the person that is in authority. So that you can change their mind. Really, you are giving God an opportunity to change their mind. There's no guarantee here, no magic wand that if you go through these steps right, you will change their mind. But MM believes you can change their mind most times. Not a guarantee and doesn't work every time but that's not what you are after anyway. That's between them and God. You are after doing your part and giving God the best opportunity to work with them.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	STEP 1. Check our attitude (talk about attitudes before actions because our actions are a result of our attitudes) - begins early on; these are attitudes that can creep into the workplace and are detrimental to the workplace and what's going on in the workplace. And if you ever need to make an appeal, it's not going to work. o An independent spirit is the basis of disloyalty - Not that we like to be independent, that want to go their own way. Won't be part of the team. Not in step/Argue with their boss. Find fault. Criticize. Second guess. Leads us to always differ from our employer, often argue, etc. In short, you are being disloyal. And if the boss perceives you as being disloyal, your boss won't want to hear your plea, no matter what your appeal is. He doesn't want to hear it because he knows that you don't have his best interest at heart. You are just there for yourself, and that will show up. If we find ourself criticizing those that are in authority over us because we don't see eye to eye, then we have put our focus on the wrong thing.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o A disrespectful spirit is the basis of disobedience - MM asks what if I don't respect the authority over me? It is important to distinguish between an authority's position under God and their human personality. We respect the position, while at the same time we may be very aware of his personality deficiencies. We can see all of that, but don't confuse those within the workplace. God requires this respectful spirit in the workplace. Because without it, what we're doing is giving Satan all that he needs to build this disobedient spirit. Have people not disagreeing because they are morally wrong, just disagreeing to disagree. Creates an atmosphere that is adversarial and your appeal will not work. In fact, you won't have any testimony toward those who are in authority in the workplace.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o A condemning spirit is the basis of self-righteousness - Self-righteousness manifests itself when we compare our employer to ourselves and find reasons to condemn their decisions, which makes us feel justified in disobeying. This is how the flesh attempts to justify us not doing what we have been asked to do or refusing to do it. A condemning spirit is always looking for flaws, looking for reasons to object to what we're being told so it can build itself up in the eyes of others. This kind of spirit reveals our self righteousness which is not godly. **God condemns self-righteousness in every area of your life, not just with Him, but every area**. The self-righteous man may criticize his boss because he knows better than his boss. And maybe he does. But you are supposed to know more than you boss, that's because you are supposed to be. The good boss should hire people smarter and better at things than them. This is who you want to surround yourself with. If you are better than everyone else, they you're only going to go as far as you can take it. But if you surround yourself with people who know some things you don't know or have some skills you don't have, it makes the whole company better. MM doesn't think God likes the criticism of well, my boss doesn't know as much as I do. MM says that's great. It's what he would want to do, get some people around me who are more skilled at some things than I am so we can be better than I could do on my own.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o An ungrateful spirit is the basis of pride - Easy for prideful people to think they don't have much to be grateful for since they are earning their wages, they are not giving me anything. But that does not mean they are entitled or have an automatic or intrinsic right to the job they hold. You should be thankful for a job. A little humility goes a long way. o A lazy spirit is the basis of poverty and dishonesty - If lazy or won't work, you may no longer have a job, resulting in poverty. This lazy attitude will also deceive us about our work aptitude. Instead of thinking about how little can be done, start thinking about improving your work skill and efficiency, to really get good at what I'm doing. Instead of thinking how little you can do, think how can I really hone this skill. Most people learn their job in the first 6 months and then they never get any better at it. They just keep doing the same thing for the next 25 years. When we decide to be lazy about what we're doing, it really affects a lot of areas of our life.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o A bitter spirit is the basis of selfishness - People often don’t recognize this, but when you allow yourself to become resentful of your job or your boss, it starts a process of selfishness in you that you may not realize is happening. When that begins to happen, you will not be working with godly love and charity, which is the first core feature of the Sonship education. If you are selfish, that first core feature of godly love is not working in you - godly selflessness/NOT TO THINK OF HIMSELF MORE HIGHLY THAN HE OUGHT TO THINK, BUT THINK SOBERLY-Romans 12:3. o An impure spirit is the basis of self-indulgence - When you allow yourself to entertain lustful thoughts in the workplace, you are laying the groundwork for moral failure because thoughts are the basis for actions. But this is not restricted to moral failure; an impure spirit gets us thinking about ourselves, and what we are owed, or how unfairly we are being treated, whether that is actually happening or not.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	MM is showing that our attitude is the basis of our actions. We almost never act independently of our attitudes. If you ever need to make an appeal to authority, you need to have the right attitude. The longer track record, the stronger the appeal. Remember this takes place BEFORE we make the appeal. The more time you do this the more power your appeal will have, so we should do this from the start. If you are going to have an appeal that has any kind of power, you are going to need to have been an employee that has the right kind of attitude in the workplace. Because if any of the above things have been working in you, you have lost credibility to make that appeal. STEP 2. Develop a conscience void of offence (what to do if you haven't always had the right attitude) - Acts 24:16 - MM says this is something the apostle Paul is always paying attention to and he's using this with regard to his ministry. But it's certainly going to work in the workplace as well. GH: Think the offences listed in STEP 1. You want to wipe the slate clean on this. Why it is so important to conduct ourselves in a kind and godly way in the context of the workplace. One of the biggest hinderances in getting a conscience void of offence because if they feel like they did something that was offensive to somebody in some way, that that person was more in the wrong than they were, and they feel like now they're justified in conducting themselves that way. MM says this is a very clever trap the adversary lays for us.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	And if we feel guilty about it, we instantly start to blame someone else. You're trying to get rid of the guilt. But in the end, you will wind up with both the guilt and the blame. You will not be able to escape that. The world always tries that and it never works. MM reminds that you are in the advanced doctrine of Ephesians and you are being asked to take your education to another level and that's not going to happen by continuing to do the things the flesh has always guided you to do. This has to change. And if it doesn't, your edification comes to a screeching halt. This is how it gets done. And know that Satan is going to oppose this working in us because he realizes the power of it. MM says he has a feeling that he isn't asking more than the Lord Jesus expects after everything He has done to justify and sanctify us and make this possible, to live in a different way from other people in this world. He is trying to help us become the people that we are designed to be. The other way is a way of misery. Work is a divine institution and there are people in authority and people under authority in every workplace. If you are under authority, now you have an obligation to live differently. This is the only life worth living.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	- Talking about our deportment, about the attitude with which we conduct ourselves around others, the way we interact with them. It either draws them to us or pushes them away from us. Our natural inclination is to find other people or circumstances which are to blame for what we have done. The greater our guilt, the more we must blame. The resulting bitterness and guilt are devastating to our mental and emotional wellbeing, and provide the basis for strongholds to be built up in our soul. o Correct any wrong attitudes - First thing you have to do. If you have located a bad attitude, now you need to go about correcting that with PRAYER AND SUPPLICATION WITH THANKSGIVING-Philippians 4:6. Look at the STEP 1 list to detect any wrong attitudes toward our employer or boss, then we have to change those attitudes. o Fulfill any unfinished directions - If there are things which you have not done from the past because of an unwilling attitude or a resistant spirit that caused you to say 'I'm not doing that', then make sure you fulfill those tasks, and do it with the right spirit. Not because sinful, you just have been dragging your feet. o Acknowledge our wrong and ask forgiveness
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	- MM says this is a tough one, but it's necessary. Go to your Boss and make things right concerning your previous attitudes with your boss and do it with some humility. People can be reluctant to do this. Hard to do this because of pride. The flesh is full of pride and resists real humility. We just don't like to humble ourselves, we just don't like to do it. But you are not doing this for yourself, you are doing it for the Lord. He is the one that designed work. And work has to have people in authority and people under authority. If we are going to labor within the divine institution of work in a way that glorifies God, then we will do this. It is essential that we clear the air, recognize and confess wrong actions against those whom we have offended. You want to wipe the slate clean so that you can have some power and influence and gain the respect of your boss. Satan is kicking and screaming to keep you from doing this. If you don't do this, no one really knows how your feeling, but the truth is by the things that you do and by the attitude with which you do them with and by the emotions that you experience, everybody around us recognizes what's going on with us. We don't think they do because we're not saying it outright. Everybody knows when this person is discontent because it shows up.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o Make restitution - when necessary - If this has resulted in some kind of dishonesty or attitude, then make restitution when necessary. If you took something that you shouldn't have taken, you need to make restitution for that. That's the sign you mean business. o Limit your freedoms to avoid offending others - Be willing to limit your freedoms in order to avoid offending others. MM says taught extensively in 1 Corinthians 8, 10 STEP 3. Discern basic intentions - Concerns what happens if we are really asked to do something that is wrong. What is the bosses goal? What are they trying to accomplish? o Ask what their goals are - Have a conversation, that is not condescending or angry ("I can't believe you are asking me to..."), what are we trying to accomplish here? A normal conversation where you are trying to make a determination on what they are thinking. You are going to make an appeal at the end and you don't want to derail that before you get there.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o Find their frame of reference in the command/instructions that they have given you - Why are they thinking this is what we ought to do. MM says the frame of reference comes in two parts: 1) a wrong frame of reference on your part come from thinking when we are told to do something wrong, we only have two choices, tell them no or we just do what is wrong. A wrong frame of reference on our part comes from thinking that when we are told to do something wrong, that we must either be blindly obedient or exhibit a spirit of disobedience. That is not the case. That's the wrong frame of reference because there are way more choices than just that. 2) a wrong frame of reference on the part of our authority is just find out what's going on with them that makes them give you the wrong command. You can have this conversation. Discover the frame of reference for the authority. Discover what is going on with them that make them give you a wrong command. o Ask them (the authority) to point out any blind spots - GH: This is basically where you ask your boss to give you open, comprehensive critique of yourself. Say 'are there any blind spots that you see with me that would help me in this process?'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	- Don’t ask this question unless you are willing to hear the answer without arguing. If you are not willing to hear the answer, don't ask this question. If you expect 'We don't see anything', then you are probably going to be disappointed. This effort has to be a genuine effort, which means if they do point something out, you need to go to work on it without disparaging them, or pointing out that they do the same things. Don't ask the question unless you are really serious about doing it. Complaining to others about what the boss had to say is not the answer. o Discern God's goals in the situation - critically important, this is not about you getting ahead in the workplace although it will - This is about what God is trying to do through you in the workplace - some possibilities: * Maybe God wants you to put godliness on display in the workplace through you * Maybe he isn't saved and this conversation you are having with him is an opportunity now & to open the door to give the gospel to you boss * Maybe he is saved and this is an opportunity to get his spiritual life in order, to minister to your saved boss; that we are all going to report to God and you may actually help him get his spiritual life in order
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	- This is a valuable thing to be able to identify. Once you discern what your boss is trying to achieve, don't just say, well, I'm not going to do what you said. Some people are looking for a way to be martyred. That's not what we are after. What we are after is for God to do a work in the life of this guy so that he sees this is not the way to do it, but there's a better way to do this. STEP 4. Design creative alternatives - Is there another way to accomplish this goal without committing sin or doing wrong? If so, how do we do this? Formulating your plan on your own right here. o Remove any resistant spirit to being creative - Remember to remove any blind spots you have as discussed above. This is the first work you need to do. The flesh will give you all kinds of reasons not to do this. But this isn't about what you are being paid to do, this is how you are supposed to live as an adopted son or daughter of your heavenly Father, putting some things on display in this work that they're never going to see from someone else. That's what it's about. This is what you've been called to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	- The flesh will say, “This isn’t my job, to try to figure out another way to do this.” Maybe so, but as a believer in Jesus Christ, it is your job, because this is about more than just the company or the boss, this is about the testimony of Jesus in you, this is about the ability to minister to those in your work place. You can't get away from this. MM says recall the stories of Joseph and Daniel, that in an enemies' land, they were elevated to great positions of governmental authority in the government and land of their enemies because they understood principles that God honored and they lived by those principles and it gained them respect in the eyes of those authorities that were over them. o Use difficulties to expand your frame of reference - Just because something is difficult is not a reason to not try to find an alternative. - Get creative. Do some research on how others are accomplishing the goal in a different way. How do others do this without sinning. o Gain insight from the doctrine - The doctrine is always going to inform our thinking. MM says we talk about this so much it doesn't need any commentary.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o Explain convictions without condemning - Explain why you cannot break the law, or commit sin or that you understand this to be sin against God, but include that you do want to achieve the goals of the company provided they are legitimate goals. This is an opportunity to talk about and showcase your faith, and showcase godliness. Make this part short and concise; don’t turn it into a sermon. This is a chance to showcase your faith. Not trying to paint him as the bad guy. o Present your creative alternative - Here's how I think we can get this done. o Explain how it will achieve his goal - How it will accomplish what he wants to accomplish but you can do this now with a clear conscience.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o Leave the final decision up to him - Don't give him an ultimatum. Not about you, it's about what God wants to do in him. MM says when you give someone an ultimatum, pride rises up in them and they want to go you're fired. Only when you have done/applied these above 5 steps are you ready for step 6. STEP 6. Suffer for not doing what is wrong - You will have to suffer for not doing wrong. Boss is mad at you, you will have to suffer that. Boss takes you off the project and puts someone else on the project. Maybe, he fires you. You have to be willing to suffer for not doing what is wrong. o Suffer willingly - Be willing to do this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Appealing to Authority	o With humility (no complaint) - Don't complain about it. MM says recall Jesus on the Cross and they're saying all these things, He is totally innocent, and He is not defending all that without complaint. It says He opened not His Mouth. If we are going to suffer for doing the right thing, just take it. Do it willingly. Do it with humility. o Yet rejoicing - Do it with rejoicing, not only because you have done the right thing, not only have you honored God in your decision, but you have done it the right way.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Common work motivations for working hard	Common work motivations for working hard - they are not bad but should not be the primary motivation for you working hard, they are a byproduct of you working hard - the No. 1 reason is AS UNTO CHRIST - we are laboring with God in this work and doing it unto Him - that is the motive: * Financial stability and security - so we can make a living - your desired standard of living can't be your primary motivation - this is advanced doctrine, the world doesn't look at it that way - it is not about the finances, it is about Who you are working for * Personal fulfillment and purpose - find real satisfaction in their work and they like the impact their work has on other people * Career advancement and success - we want promotions, higher salaries, increased opportunities, more responsibilities but it only works in a job where you have somewhere else to go. Maybe be working a job where there is no advancement for you. Doesn't mean you shouldn't work hard. Not an excuse to take your foot off the gas.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Common work motivations for working hard	* Sense of contribution or significance - people are very motivated when they have a desire to make a difference. but if you are serving the Lord in your job with singleness of heart as unto the Lord, you are making a difference. It may not be in the area you thought, but it's in the area your heavenly Father wants. * Responsibility and obligation - some people feel obligated to work hard because this guy gave me a job and I'm grateful for it. Not a bad attitude but not what Paul is talking about here. * Building character and skills - it's true if you really work hard in this job, it builds character that carries over to other areas of your life. Character building is great, but what God is really after is building the character of His Son in you so that no matter what you're doing, you can DO IT HEARTILY, AS UNTO THE LORD-Colossians 3:23. * Recognition and respect - wanting respect is not a bad thing, but if you are not careful, it can turn into selfish motivation and a little bit prideful. What you want is to not make a name for yourself, but to make a name for Christ. Notice the people who made a name for Christ, we know them 2,000 years later.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:5-9 : Common work motivations for working hard	* Passion and interest - MM says if the only thing you are motivated to work hard at are the things that you love, you kind of miss the point. The point for us as sons & daughters of our heavenly Father. MM says this is a good lesson for him because he does love his work, because he does hope to earn a living for his work, because he does find some satisfaction in what he does and he hopes he is making some kind contribution to the body of Christ. He feels like he has an obligation to everyone who is listening today. He does hope he is building character as he continues to do this work. But his motivation for his work is not any of that. His motivation is as the servant of the Lord. He wants to do whatever he is doing with singleness of hear as unto the Lord. He thinks that's the way to approach all of this.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Four Principles of Business Transformation	Four Principles of Business Transformation: MM says when he looks at business that goes on in this world, it needs to be transformed. 1. Set godliness as your governing business principle. - The boss needs to set the tone of godliness by communicating the ethics, values and mission of the business. The boss/owner is responsible for doing this, by communicating the mission, ethics, and values this business stands for. It's up to the boss/owner. Whatever your position is, to communicate the ethics that this business is going to operate by, to communicate the values that this business stands for, and to also communicate the mission of this business. - A business is different than a church. MM says a church only has one mission statement and if you aren't doing that, you aren't doing what the church was designed by God to do - edification of the saints. A church is a classroom to be exposed to and learn the doctrine in this Bible that that it can transform you and conform you to the image of God's Son. This is the job of every church. It's your job from God.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Four Principles of Business Transformation	2. Create a collaborative work environment - This is as close as MM is going to get to a business book. Once you know what your business is about, when you go about hiring people to work in that business, get the right talent. Get people that can help you in that particular business. Otherwise, you will get frustrated because you GH: hired the wrong person/people. - This means you will have to learn how to identify and cultivate general and behavioral competencies. Once you know what you business is about, get the right talent to help you in that particular business and develop a coaching or mentoring process. It is not about you, it is about the team, the same way it is in every divine institution. Two things: 1) Get people with some experience or training or some education that makes them a fit. 2) Develop a way to coach these people along so they get better as time goes by - find a way to coach or mentor - The business is not about you, it's about God. This is the way it is in every divine institution.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Four Principles of Business Transformation	3. Learn to impact others through service (if you are the business owner) - MM says this may rub the wrong way if you are the boss/employer/owner. You're going, hey, I didn't start this business so that I could serve others. By serving your employees, you are building true relationships. Partner with your employees to raise their level of trust and engagement with the business. Your whole life is about serving others if you are a believer/servant of Jesus Christ. If you have the business, you have the greater responsibility of service. You have a Master in heaven and you are serving Him by serving others. Just because you're the boss doesn't mean that everybody is serving you. MM says there's a sense that is true, but it doesn't take service off of your plate. Means you are partnering with those people who are working with you and what you're going is you're building a level of trust between you and them so that they will really engage in the business. As you serve your employees, you are building a level of trust between you and them so that they will fully engage with the business. They have to feel like they have a part - STORY: MM leaving a full-time role in Shreveport for an unpaid role in Baton Rouge where he would have a bigger part.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Four Principles of Business Transformation	4. Lead through compassion - MM says compassion is not a synonym for 'be a jerk'. If you are a boss, you have to set the tone for this. As a boss, you must identify your own behaviors, and the behaviors and needs of those who work under you and make sure you meet those needs.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	Laying the Foundation for a Godly Business: This requires that we “renew our minds” about being a boss. It means we change our disposition on how we think and react to situations and people. MM says this is how we become the lovable people in the workplace. 1. Love one another - The way you become loveable is by loving others. This doesn't just work in the church, it works everywhere. MM reminds of the 5 core features of godly love from Romans 12:3-13:14. Others 1 Corinthians 16:14; Colossians 3:14. - Folks in the church should love each other - it's a divine institution. Spouses should love each other - it's a divine institution. **Parents & children should love each other - it's a divine institution**. Same for the workplace. MM says this business world is so dark. Not talking an emotional, warm, fuzzy feeling. Talking about making a choice to V&E them for who they are in that divine institution with you. There are some people you don't have a warm, fuzzy feeling about but God is calling you to love them just the same.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	2. Pray for one another/others [not 'about' then, but 'for' them] - Pray for the relationships you have with your employees. As you love them, and pray for them, you will find that their approach toward you will begin to change. If you are going to become that boss with godly love, love one another and then pray for one another. If you pray for someone, you now have a responsibility to do something. If you pray for someone, that requires action on your part, you have a responsibility to do something. Prayer is not you giving God a list of stuff to do. This is you knowing what ought to be done and volunteering to get involved. Pray for those employees. 3. Give words of encouragement - Everyone likes to hear when they have done a good job and so do bosses. It is up to the boss to take the first step in this. Be liberal with words of encouragement. Make them specific so people know what they are being praised for. Think about what you will say before you start talking. Plan your words of encouragement. Do not use encouragement as an opportunity for criticism or correction. Make the ratio 10:1, encouragement to criticism.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	4. Meet their physical needs (at the business) - Be sensitive to what people need in order to do their job and then give them the tools to be able to do that. This may be physical things, or intangibles, such as sharing ideas with them to enhance their job skill. Doing the right thing in business, as a business owner or boss requires you to renew your mind. Doesn't just work in the church. It also works in the business world. Means we have to change they way we respond to situations and circumstances and people to change the way we do that. So when a boss is irritable all the time or when he's obviously selfish or when he is prideful or lifted up and thinks nobody is as smart as he is or can do what he does and wants everybody to know about it, you can damage the relationship you have with the people that work with you and it impacts your workplace. The quality of our disposition depends on your inner man. If you've got some good things going on in your inner man, it can reflect in your disposition. But if you don't have anything going on in there, you can't manufacture it. If you try, everybody sees that it is fake and that's even worse.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	5. Create an atmosphere of joy - MM says he knows this is crazy in today's work climate, but believers can do this. No one wants to work in a place that sucks the joy out of work for 8 hours every day. Nobody wants to do that. If you are going to have an atmosphere of joy, then the boss has to have a disposition of joy. Have a positive and happy disposition with the people that he is working with. Make joy the workplace atmosphere. The atmosphere that you have in your business is all up to the boss. You can change that for the best. No one wants to work in a place that sucks the joy out of working through situations and circumstances. A joyful attitude requires that we maintain a positive and happy disposition toward each other. How: * Smile & be pleasant when you talk to people and speak enthusiastically with others * Greet people with a welcoming attitude - act like you really are glad that they are there * Be enthused about your own personal development

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	- Just because your the boss doesn't mean that you get to plateau after 6 months. You need to keep going as well. * Avoid negativity/that constant negative attitude - MM says you can know everything that is wrong but dwelling on it is like acid eating away at you. * Demonstrate value and trust with your employees (team) * Celebrate the success of others - When somebody does a good job, then tell them they did a good job. Pat them on the back and celebrate with them. MM reminds of Romans 12:15. The world thinks how come that good thing happened to them and not me? Stop that. If your the boss, celebrate success. * Learn from each other * Have a sense of humor * Care genuinely for others * Listen to each other/the people you work with
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	6. Make work a place of peace - That means as the boss, you will need the peace of God in your heart. The Christian boss must have an inner quality of peace that is based on three things: (1) Trust your heavenly Father - Regardless of the situation and regardless of the circumstances, you are going to trust God in your inner man. Doesn't mean that God will fix every problem and everyone will always live happily ever after, or that God guarantees your business will succeed or that your business will go bonkers because God is in it. Means trust that God knows about your situation and He means to use the successes and the failures to work for your spiritual good. Peace comes from trusting God. (2) Respond out of grace and not out of your flesh - God’s grace is sufficient even when things do not go like you planned them to. List of those watching: * God is watching (for you to reflect His character and glory in the workplace)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	* the world is watching (to see if your faith is real - can it stand setbacks and obstacles) * your employees are watching (because they will take their cues from you - if you are Chicken Little, they are going to panic right along with you) * your clients/customers are watching (to see if you are the kind of guy they want to do business with, to see if this is the kind of business they want to patronize, how are you handling things? If you can do it with grace, that shows them something.) * your family is watching (which will teach them what to think about God, you are setting the stage for that) * all of the angels are watching (to see whose side you are on; are you going to do this in a godly way or are you going to do this in a worldly way?) * Satan is watching (to see where your breaking point is, because once he sees this is the point that you can't go past, he is thinking now I know how to get this guy/gal; just take them to here and they can't handle it after that-he is looking for the breaking point) What will you show them? We never get peace by responding to problems out of our flesh.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	(3) Fix your mind on the doctrine - **MM writes like he talks because when you read his writing, he wants you to hear it as a conversation with him**. - Some kinds of stress are healthy for us; such as meeting deadlines, managing difficult tasks, time management, or handling uncertainty about the future. Yes, these are healthy in that these have a way of drawing us closer to God and back to the doctrine. We find strength in the doctrine written to us. As we pray the doctrine; as we respond to what God has said to us; as we make affirmations (not positive thinking but straight out of the word of God; the Truth in scripture) in connection with the truth; as we meditate on the doctrine; and as we discuss the doctrine, it begins to work in us to change the way we are thinking and gives us peace. These get into your prayer life and begin to impact your conduct and behavior. EX Romans 12:11: 'Father, I will not be slothful in my work, but I will work diligently, like I am working for You.' EX Romans 12:10 'I will treat every team member with godly lovingkindness, and I will honor them by preferring them over myself.'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	- BOOK : Leaders Eat Last - The author heard that quote from a Marine Corps General who explained, “the most senior Marines take their place at the back of the chow line on the battlefield. Great leaders sacrifice their own comfort even their own survival for the good of those in their care.” The world knows this kind of leadership works, so they use it. MM applauds the principle but has a bone to pick with it, GH: the source is the leader's flesh. MM's only problem with using this is that God is not the source of our actions; the word of God is not what is working in us. The difference is by living the doctrine we receive the gold, silver, precious stones of the reward of the inheritance. By just using natural human goodness, or because we have found a way to manipulate people for our benefit, those acts will be wood, hay or stubble at the judgment seat of Christ. The world thinks we don't need God to do this, we can do this on our own. MM says this is a dangerous place for Christian leaders to be. Instead, you do need the principles of this Book to be working in you and not the world's version of it. Don't do it apart from the Lord, do it for the reasons He does it because the reasons He does it won't change. They are godly at their source and they point people back to Him, not you. You want people to look at you and not think how great you are but how great God is. That's where greatness resides.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Laying the Foundation for a Godly Business	Creating an environment of peace: 1. have the PEACE OF GOD-Philippians 4:7 in your own heart 2. living out of that peace in front of everyone at work - this improves your communication with everyone. Means: 1) we need to communicate, and 2) we have to watch our tone in those communications.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Give your Team these gifts	Give Your Team These Gifts: the rest of Galatians 5:22-23 1. FORBEARANCE: Forbearance is refraining from something. Forbearance is a species of “patience and self control.” The boss has to constantly be asking the question to transform the workplace, “what can I do for the people who work here?” When God looked at us, He determined exactly what we needed and He provided it, even at the expense of His own Son. MM asking 'What can I do for you?'. - FORBEARING THREATENING-Ephesians 6:9.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Give your Team these gifts	2. KINDNESS: Kindness in the workplace must involve action, not just a feeling. You have to do something to exhibit kindness. This means we affirm the success of our team. If they have not done so well, acknowledge them and let them know you are rooting for their success the next time. Again, we make a difference one person at a time. We exhibit godly kindness even when those we are kind to, do not exhibit it in return. Bosses are influencers: you have to create what you want your team to become. Kindness in the workplace brings praise and honor to God. - Romans 12:10-11 3. GOODNESS: Goodness is expressed as we live the doctrine in the workplace, consistently. If you as a boss or business owner are going to create the kind of workplace that glorifies your heavenly Father, then it will require three more characteristics which are found among the fruit of the Spirit. - CLEAVE TO THAT WHICH IS GOOD-Romans 12:9; HIS GOOD TO EDIFICATION-Romans 15:2; FULL OF GOODNESS-Romans 15:14; GOODNESS-Galatians 5:22
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Give your Team these gifts	4. FAITHFULNESS: As a business owner, and even if you are just a “boss” in the business, you are serving God in the role of being His minister. In every divine institution, we are ministers of Christ, and stewards of the mysteries of God. We are required to be found faithful. Faithfulness requires accountability to God. Faithfulness stands in contrast to workplace greed and desire for power. A faithful leader will not betray employees or clients to fulfill their own selfish desires. - MINISTERS OF CHRIST...IT IS REQUIRED IN STEWARDS, THAT A MAN BE FOUND FAITHFUL-1 Corinthians 4:1-2; Galatians 5:22; KNOWING THAT YOUR MASTER ALSO IS IN HEAVEN-Ephesians 6:9 5. GENTLENESS: The Lord Jesus was the ultimate example of gentleness. Don’t confuse gentleness with weakness. A gentle leader is strong, but humble; wise but not opinionated; and displays true authority through gentleness. This means that when a situation or circumstance provokes us, we choose to respond with gentle answers/gentleness. Prepare for this by memorizing scripture to use in these situations.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:9 : Give your Team these gifts	6. TEMPERANCE, OR SELF-CONTROL: Self control is necessary for everyone in the workplace, but especially so for leaders. Great damage can be done in the workplace by leaders who cannot keep their emotions under control, and making decisions based on who they like and who they don’t like. They devalue the workplace with their ego and letting pride get in the way. All the flesh is concerned about is instant gratification rather than doing what is right through the love of God. You do not need an impressive resume for God to use you to make a godly workplace, just a love for God and a desire for His will to be accomplished in the workplace, to His glory, for Him to be glorified. - Galatians 5:23

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	Unfortunately, the practice of spiritual warfare has strayed from its biblical roots. Instead of looking at vain deceits or traditions of men or the rudiments of the world or doctrines of devils; the strategy for spiritual warfare has shifted to binding Satan, rebuking Satan, pleading the blood, praying a hedge, identifying territorial spirits, naming demons, and breaking generational curses. We cannot afford to be caught off guard or deceived in this area. Principles: * We get our instructions on spiritual warfare from God's word alone. MBI logo, its crest says "Sola Scriptura" which means "Scripture Alone." This is the only source of our information about how to fight this battle/the only source we need to win this fight against principalities and powers. Scripture is sufficient. It is all we need. We are never being shortchanged by restricting our education to God's word, by just learning what the Bible has to say and sticking with that. Why we needed our Sonship Establishment-Romans 8:16-39. So, the first thing we have to establish in our minds is that God's word is enough. The doctrine of the sufficiency of scripture is foundational to Christian theology and practice, including the practice of spiritual warfare.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	Every error that creeps into the church on spiritual warfare comes from failing to apply the doctrine of the sufficiency of scripture. It comes from something outside of the scripture. The preoccupation with demons and pagan mysticism which masquerades as truth are a result of practically denying the sufficiency of scripture. It is a result of dabbling in things outside of the scripture. Christians tend to fall into two groups when it comes to spiritual warfare: GROUP 1: Approaches spiritual warfare from their observations and experiences. These don't guide us. MM says this is a bad thing because observations and experiences can be manipulated by the adversary. The purpose is to get you looking for direction outside of your Bible. - THOUGH WE, OR AN ANGEL FROM HEAVEN, PREACH ANY OTHER GOSPEL-Galatians 1:8. You don't need this if you have the Book. Make the very best decisions you can make based on the information that you have. Then, He wants you to continue to grow in grace so that later you might make a different decision. To move you along in the education so that you continue to grow in grace.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	- Spend a lot of time learning about devils, demon possession, and how to fight demons. - They get their information from any source. - They interview people who were in the occult and gather information. They comb through the experiences for details. - And they build their doctrine of spiritual warfare from the things they learn from ex Satanists, witches or even from "interviews" with demons themselves. When we base our theology on experiences, we open ourselves up to doctrines of devils and unbiblical practices. - EX Some claim that when dealing with demons, you need to give them specific commands. Those commands must be "in the name of Jesus the Christ, the Son of God." - The confusing thing is when you buy books of spiritual warfare, the authors will often affirm the authority and sufficiency of Scripture in one chapter, and promote a methodology of spiritual warfare not based on single verse of scripture in the next. Techniques and information gleaning from demons, being taught as the truth of God dishonors God and insults His word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	GROUP 2: Approaches spiritual warfare by studying the Bible alone, by studying the doctrines in the Bible. MM says this is what we are attempting to do here. For some people, this seems inadequate, but it is crucial/critical that we build our theology on spiritual warfare on what we understand from the Bible and the Bible alone. And specifically, MM is talking about Paul's epistles. MM says this may be a hard thing to hear. He is trying to say it lovingly because he wants us to get it right. The term spiritual warfare is largely misunderstood. When people hear about this, they envision some kind of mystical hand to hand combat with demons or fallen angels. That's not what's going on at all and you better be glad that's not happening. All of these come from a misinterpretation of scripture and should be rejected as legitimate forms of spiritual warfare.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	The battle today is not over territory, it's over truth. It's about SOUND DOCTRINE-2 Timothy 4:3, as opposed to false doctrine. Satan has devised a lot of these doctrines to move people away from the truth. These are contrary doctrines. They get promoted by men, but they come from the PRINCIPALITIES...and...POWERS-Ephesians 6:12. These are the ones that we are really wrestling against. When Paul wrote to the church at Ephesus, they understood that the POE was working against them as a local church. But they were also made to understand that the POE would work within that local assembly. The church is a divine institution. So Satan is going to attack it from the outside and work from the inside to try and corrupt the edification understanding, to divide the church and cause it to go away or to be ineffective. MM says edification was taking place at the church at Ephesus. There were aware that they were living during the time of the mystery. Satan wants to SPOIL YOU-Colossians 2:8 by stripping us of our armor so you can't fight. If you don't have anything to offensively or defensively engage the enemy, you are dead. Most folks will quit when they get to that place. That's the offensive side. On the defensive side, relates to our edification. Satan wants to injure the sanctification process so that we are no longer being edified. One is the process, the other is the goal. Satan will strip you of your edification by taking away your armor. If we don't get the armor right, we are not going to be able to engage in the battle. And if we don't engage in the battle, he'll ruin our sanctification.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	MM says when we get to the heavenly places, it will not be magic. We won't instantly/automatically know everything. **We're going to be in a disposition of learning throughout eternity**. But there are some things that you will know by nature. You won't know everybody who has ever lived as members of the body of Christ but when you come into the presence of the Lord Jesus, no one will have to tell you He is the Lord Jesus. You will know that and nobody will have to explain it to you. You will know some things about Him automatically, no one will have to tell you about Him. The currency here is fiat but the currency there is godly charity and the more you exercise godly charity here, the more you will be putting in the bank, so to speak, up there. No one will have to tell you how much He loves you. MM believes that Love is going to be palpably apparent. You're going to know when you're in His presence how much He loves you. We on this earth have never experienced that kind of love. When we are up there, all the things that sort of vails that - the flesh, the circumstances of life, the stuff that goes on in our heads - all of that is going to be out of the way.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	And when you're in His presence, you're going to be knowingly in the presence of the One who has loved you more than anyone has ever loved you. And you're going to be convinced of that. There are reasons MM believes this but that's not the point. Point: When a guy says how can a loving God sand anyone to Hell? You're going to know there has never been anyone as smart as God. You are going to look back at all those personal philosophies (PHILOSOPHY-Colossians 2:8) and realize how empty they were. And when you get up there, for the first time, when you get up there without any barrier to that, you will realize no one could do better than what He has done and MM underestimated that He is THE ONLY WISE GOD-Jude 1:25. PHILOSOPHY-Colossians 2:8 is a wisdom that thinks it beats the Bible so it is trying to undermine the authority of the Bible. POINT: Sanctification (where you are living for Him in your daily life and being edified unto godliness) is THEE issue but the process that gets you to sanctification is edification. GH: Said it reverse earlier? MM says we busy ourselves with everything else in this life. He knows that we live in this physical world. But God is after your sanctification.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	Spiritual warfare is for believers in Jesus Christ “wrestling” against Satan’s realm. That is not to say that Satan is not doing things with lost people, but they do not have the capacity to “wrestle against principalities and powers (P&P)” like saved people do.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	The framework or principles we are established on spiritual warfare (later MM stated that PRINCIPAL 2 and PRINCIPAL 3 are primary: PRINCIPAL 1: The Nature of Spiritual Warfare - three things/principles that you should know that you can evaluate anything that you are being taught about how to conduct spiritual warfare and know if that is going to be Biblical or not, if that is what you ought to be doing or not. Three things to know. (1) Spiritual warfare/battle is always over truth, it is over doctrine, over what is true and what is not true. It's in our mind. That's what this battle is about in this DOGG. Because this is a battle over truth, the “wrestling” takes place in our minds. Satan wants to corrupt the truth. Therefore the war is about what the word of God says/teaches. This battle over truth takes place in our minds. Satan's attack is always over truth. (2) It always concerns the word of God or the Bible. (POE Phase 1: Attack the message: so you don't believe the Truth but some untruth that Satan is trying to propagate) (3) Where this battle takes place - the battle happens in our mind, in your thinking. (Not in the world around you)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	Spiritual warfare in this DOGG, the battle is always over truth. It is never about us taking on Satan or his realm in any kind of direct confrontation. Spiritual Warfare does not concern issues outside of the word of God. Why Paul warns against the attacks against the truth, calling it the DOCTRINES OF DEVILS-1 Timothy 4:1, which is a false doctrine that tries to get the Bible to say something that is not true. The way Satan attacked believers in the O.T. is very different than how he attacks believers today. The battle has changed. PRINCIPAL 2: The Sufficiency of Scripture/Scripture or the word of God Alone is Sufficient/Our authority is the written word of God or more specifically, Paul's epistles * This is the foundation/foundational principle for every Bible doctrine, no matter what it is. Things outside of scripture may verify what the scripture says or they may illustrate the truth of scripture, but Scripture alone is how we know any Bible doctrine. Everything we need to know about... - who God is (very important to know the answer to this) - who we are (very important to know the answer to this)
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	- our justification, our sanctification, our future in the heavenly places, our new identity in Christ - our enemy and his tactics, about the weapons of our warfare and how to fight ...is found in scripture. * God means for His written word to be our only source of truth concerning every aspect or facet of spiritual warfare. The Bible is the only source of truth for spiritual warfare: It is the Bible alone/God's word alone, the only authority of how we engage in spiritual warfare. Everything we need to know about spiritual warfare and how Satan is attacking today is contained in the word of God. If you want to know what Satan is doing today, you're going to have to go to the Bible to find that out. Everything you need to know about your enemy is contained in the word of God. Everything you need to know about his tactics are in the Bible. The weapons of our warfare are described in scripture: - how to do this fight - how to wrestle against principalities and powers

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	is described in God's word. And that needs to be the source of our information. Our wisdom and understanding of spiritual warfare comes from God's word only. * No other sources: We don't use any other sources to add to what the Bible has already told us about spiritual warfare. We do not add to what the Bible says about spiritual warfare, no matter what the source. We believe in the sufficiency of scripture. The Bible gives us everything we need to know about this battle going on in the spiritual realm. No extra Biblical revelations. Extra means in addition to. We don't need the Bible and something else. We just need the Bible. It will tell us all we need to know about spiritual warfare. MM says this principle translates into a lot of other areas. He disagrees strongly with the idea that the Bible is not enough or if all you know is what the Bible says, then you're lacking something that's needful. That idea creeps in and then it begins to infect every part of your theology. Then the next thing we know, we're doing things that are not Biblical at all. He believes: - The Bible gives us everything we need to know to be edified unto godliness. - It's the Bible that conforms us to the image of God's Son.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	- Everything we need for the development of our faith is found in the Bible. We are complete in Christ, and the Bible is sufficient. * The Bible gives us everything we need to be edified unto godliness. It is God’s word that effectually works in us to conform us to the image of Christ; nothing else. The Bible gives us everything we need to know for the development and practice of our faith. What is written in other books may or may not be true, but they are not necessary for God to accomplish His will with us. We trust that God’s word is sufficient, for that is its testimony of itself. PRINCIPAL 3: Spiritual Warfare is Dispensational (it changes from one dispensation to another, it was different at other times than it is today in this DOGG) * It is not enough for our information about Spiritual Warfare to be biblical, it must also be dispensational (means God has dealt with different people at different times in different ways).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	Spiritual warfare in God's program with Israel was different from spiritual warfare today in this DOGG. Satan's tactics were different with Israel than with us and he has to change his tactics to deal with the dispensational change. That means the battle has changed. Satan would love for us to engage with him on the basis of how things were during the prophetic program. * CHARACTERISTIC 1 - Comes out of Paul's Epistles (Romans - Philemon): It's not enough to just say, I've got to go to the Bible. Paul's epistles are the source that teach us about and how we conduct Spiritual Warfare today. RDW equips us to properly conduct spiritual warfare. When our warfare is dispensational, as we learn how to fight this battle from our apostle Paul, our warfare is consistent with three things: (1) Who we are as members/part of the body of Christ corporately (who we are) BoC (2) The time in which we are living, the DOGG (when we are living) DoG (3) The outworking of the mystery of Christ, God's program of grace (how we are operating) MoC
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	These are what RDW do for us. These make a difference in how we engage in spiritual warfare. If our warfare is to be successful, then it must be consistent with or in view of these three things. If we were living back in the days of the Messiah during Jesus' earthly ministry, we would conduct spiritual warfare as members of the believing remnant (BR) [not a member of the body of Christ], living in 5-4 course of punishment (CoP) [not during the DOGG], engaged in God's prophetic program (under the Law) [not during the mystery program]. But that is not who we are in Christ; that is not the time in which we are living, and that is not the program God is presently engaged in. If you are living in a different dispensation, things are going to be different, and that means that your spiritual warfare would be different. * CHARACTERISTIC 2 - Is about Bible doctrine (truth): Not only in Paul's epistles but about the Truth contained in the scripture. Spiritual warfare is a constant battle over Bible truth. Satan goes about conducting this spiritual battle in four ways: 1) he convinces us to go back and operate back in Israel's program, or 'think, live, and labor out of God's program with Israel' - to take you back to a part of your Bible that doesn't pertain to you and then he wants to give you instructions from back there that will not be applicable to what's really going on today. Very clever because people say, well, it's in the Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	But you have to be more than Biblical. You have to be dispensational. 'Puts you in a program that doesn't belong to you so that you won't know how to operate properly' 2) (If you are in Israel's program) he perverts scriptures back in Israel's program to get them to teach something that is not true, or, if we know that our doctrine is found in Paul's epistles, then 'pervert those scriptures that don't belong to you and teach you something that's not biblical for anyone at any time' 3) he will attempt to pervert those scriptures in Paul's epistles to teach false doctrine, or 'if you know your a grace believer in the DOGG and a member of the body of Christ, then he will try to corrupt your understanding of what Paul is really saying and put a false idea in your mind out of Paul's epistles' 4) he will replace scripture with extra biblical revelations. This gets people fired up - 'ooo, look at this new information I got'. 'replace the scripture with extra biblical revelations' These are the four ways the battle over truth takes place. Satan is trying to produce his DOCTRINES OF DEVILS-1 Timothy 4:1.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Framework or Principles	* CHARACTERISTIC 3 - The battle is in our minds (not out in the world): Where spiritual warfare takes place. The battle for doctrine is going on in your mind. - THE PULLING DOWN OF STRONG HOLDS;) CASTING DOWN IMAGINATIONS...AGAINST THE KNOWLEDGE OF GOD...BRINGING INTO CAPTIVITY EVERY THOUGHT-1 Corinthians 10:3-5.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	Spiritual warfare does not involve any direct interaction against devils or principalities and powers in order to gain territory back from Satan. We are engaged in a conflict over truth, over doctrine. There's where the battle is. People talk about rebuking Satan and binding Satan and casting him out. If you think you can, how come you have to do it again later? If it works, why doesn't it actually work? Although well-intentioned, we have this false idea of spiritual warfare. But this is a battle over truth and you can't determine truth from experience because Satan is a master counterfeiter and he is much better at it than we are. So, spiritual warfare does not involve any direct intervention against principalities and powers in order to gain territory back from Satan. Paul never talks to us in these terms.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary	The practice of spiritual warfare has strayed from its Biblical roots and instead of looking at the WILES that the Bible is telling us about, here's what we're hearing -talking about: - binding Satan - rebuking Satan - pleading the blood - praying a hedge - identifying territorial spirits - naming demons - breaking generational curses We hear this type of thing but this is not the way the apostle Paul talks about spiritual warfare.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	GH: First 4 WILES are in Colossians 2:8. Nutshell: Be on your guard so that no man stops your edification, by diminishing the authority of God’s word in your mind, or by causing you to mishandle it. BEWARE LEST ANY MAN SPOIL YOU: Four major WILES - the means by which Satan would deceive the Colossians - by the means of these 4 DEVICES-2 Corinthians 2:11 (the primary means by which Satan attacks doctrinal truth in this DOGG), Satan seeks to SPOIL the saints and get them to live in accordance with some part of Israel's prophetic program, either in TIME PAST or the time TO COME: 1. PHILOSOPHY 2. VAIN DECEIT 3. THE TRADTION OF MEN 4. THE RUDIAMENTS OF THE WORLD LEST ANY MAN: MM says don't get distracted. These guys are victims too (GH: from Satan via the principalities and powers). We want to win these guys to Christ, we want them to come and see the Truth. The real enemy are principalities and powers which is why we wrestle against them (Ephesians 6:12).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	SPOIL YOU: Not in the sense that husbands spoil their wives. To spoil someone means to do harm to them. There are four particular ways in which Satan seeks to spoil us, four of the major WILES he uses to deceive people and corrupt the doctrine. These 4 WILES are the primary means Satan uses to attack SOUND DOCTRINE-2 Timothy 4:3; Titus 1:9 in the DOGG. He wants us to either: 1. remain ignorant of the mystery 2. deny the mystery 3. corrupt our understanding of the mystery Satan wants to SPOIL us in two ways: 1. Take our ARMOUR- Ephesians 6:11. Strip you of your armor so you are incapacitied in taking part in the warfare. 2. Injure/Ruin the sanctification process so that we are no longer being edified. Satan will strip you of your edification by taking away your armor.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 1. PHILOSOPHY: **Nutshell: the attacking/undermining of the authority of or your confidence in God's word/the Bible is the final authority in all matters of faith and practice**. Satan works to strip us of that armor by attacking the message, phase 1 of his policy of evil, and he does this by the particular wile of philosophy. When Satan wants to attack the authority of God's word, or challenge something God is doing, he often uses the wile of "philosophy." By philosophy, Satan is challenging the idea that God's word is the final authority in all matters of faith and practice. On a broader scale, philosophy works to plant doubts in our minds about the authority of scripture. On a more personal level, philosophy is when a man evaluates God's words and actions on the basis of what he thinks God should be saying or doing. EX "A loving God would never send anyone to Hell." Because he does not understand the doctrine of soteriological justice, the ramifications of not being "in Christ, or the implications of rejecting God's offer of salvation; he does not like the idea that God would send anyone to Hell. The personal preferences, beliefs, and desires of the philosopher are the means by which God's words and actions are evaluated to be right or wrong based on a man's personal philosophy. This device has a certain appeal because it often gives the appearance of being wise, intellectual or scholarly. Philosophy tends to "look down its nose" at those who take the Bible to be the final authority, in and of itself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 1. PHILOSOPHY (cont'd): Examples of Satan’s use of philosophy might be: * You can’t believe something just because the Bible says it; you have to use common sense. * I don't believe the Bible like you do because there are mistakes in the Bible. * The Bible contradicts itself. * Science has proven the Bible to be wrong. * How could a loving God send anyone to Hell? Only someone thinking foolishly would not sense the pattern of the Bible being right time after time after time.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 1. PHILOSOPHY (cont'd): Paul is not using in the broad sense of the knowledge of God or the things of nature. Talking about a false kind of philosophy that is pernicious in its intent. Satan's attempt to undermine the authority of God’s word, attack God's word as it being the Authority. An attack of the reliability and authority and Truth of God's word. HAVING YOUR LOINS GIRT ABOUT WITH TRUTH- Epehsians 6:14 is the lynchpin for everything else in the armor. If he can destroy your confidence in the word of God, he will strip you of your armor and hinder your edification. This PHILOSOPHY is anything that is going to attack or undermine your confidence in God's word being the final authority in all matters of faith and practice. EX When I guy decides what God should be saying or should be doing in his own mind and then says I don't think that's what the Bible is saying or say I don't care what the Bible says, here's my argument. Can't take the authority of the scriptures, has to sort it out in his own mind.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 2. VAIN DECEIT: **Nutshell: (cause) the mishandling of God's word**. MM says by the punctuation, VAIN DECEIT is closely connected to PHILOSOPHY by the word AND and the rest of the WILES by commas. Serve as a one/two punch against the Truth. The first one is you can't depend on the Bible. But if you do, well then let me get you to look at it this way (GH: a wrong way). All of Satan's devices and all of his wiles are meant to deceive, but this one has the term "deceit" built into it. VAIN DECEIT is the attempt by the POE to get you to mishandle (EX to not rightly divide) the word of Truth/the Bible. You are making it say something that it doesn't say or you're keeping it from saying what it does say. MM says there are preachers that are saved, sincere, & love the Lord that fall into this trap. You can love God and believe the Bible is the inspired word of God and mishandle it on a weekly basis. MM says this is a big one. There are plenty of churches that don't fall for PHILOSOPHY but do fall for VAIN DECEIT every week but they don't know it. It's very clever. MM wants to be clear about how this happens so it doesn't happen to us. Any time the Bible is mishandled or relegated in authority then spiritual wickedness is carried out in the heavenly places. VAIN: Empty or worthless. Is not describing the deceit, it is not telling us that the deceit is not successful; it is telling us what the deceit is doing, it is making truth vain, it is making truth of no effect; it is making the truth of scripture devoid of any ability to edify us and conform us to the image of God's Son. It is describing the goal. It does it by leading us to mishandle the scripture, thus denying the truth of a doctrine and embracing the counterfeit of Satan's untruth.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	OED: vain: 1.a. a1300– Devoid of real value, worth, or significance; idle, unprofitable, useless, worthless; of no effect, force, or power; fruitless, futile, unavailing. PHILOSOPHY AND VAIN DECEIT: Is attack the message. It is Satan's attempt to get us promoting his doctrines of devils instead of the sound doctrine from God's word. If he can get us to mishandle the word of truth, he will spoil the edification of the one who is teaching and the edification of those who hear him. SPOIL US: OED: spoil: III.11.a. 1563– To damage, impair, or injure, esp. to such an extent as to render unfit or useless; to destroy (entirely or par!ally) the good, valuable, or effective properties or qualities of; to mar or vitiate (Vitiate means to render null or void, to corrupt, to infect.) completely or seriously: (what Satan wants to do with our edification) III.12. With immaterial object **[your sanctification]**: to affect injuriously or detrimentally, esp. to an irretrievable extent; to destroy or prevent the full exercise, development, or enjoyment of: Our edification is an immaterial object; and keeping to the context of Colossians 2:8, to spoil us would be to prevent the full exercise, development and enjoyment of our edification.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	SPOIL: When someone gets spoiled, they have been absolutely overcome. Satan seeks to SPOIL us in two ways: 1) by ruining our edification, and 2) by robbing us of our armor so that we cannot continue to stand against Satan and his realm. OED: spoil III.7. The action or fact of spoiling or damaging; damage, harm, impairment, or injury, esp. of a serious or complete kind. I.1.a. c1330– transitive. To strip or despoil (a dead or helpless person); esp. to strip (a defeated or slain enemy) of arms and armour. (NOTE: First definition of SPOIL in OED. MM tying to ARMOUR OF GOD-Ephesians 6:11 passage). III.10.c. 1665–90 † In passive. Of troops: to suffer severely; to be incapacitated for warfare. (MM tying to ARMOUR OF GOD-Ephesians 6:11 passage).
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	AFTER THE TRADITION OF MEN, AFTER THE RUDIAMENTS OF THE WORLD: These have something in common-closely connected: they both contain issues which are not in line with this present mystery dispensation. WILE 3. TRADITION OF MEN: Nutshell: **teaching as the commandment of God something which God has not commanded**. This is when men teach doctrines which they claim are of God, when actually, these doctrines are not authorized by God. The tradition of men is referring to man made religious customs, practices, ceremonies, trappings and rituals. When men teach customs that men have come up with, but they teach it as though it has the authority of God's word. Teaching the traditions of men as though they are the commandments of God are one of Satan’s wiles.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 4. RUDIAMENTS OF THE WORLD: **Nutshell: the rituals and ceremonies contained in law, given to Israel in their prophetic program.** THE RUDIMENTS OF THE WORLD: The “elements of the world” or “the rudiments of the world,” were the basic principles of the Jews’ religious teachings. Even though they were meant to be a type or shadow of the real, by and large the nation had no clear recognition of the spiritual (heavenly) things represented by the rituals. EX the animal sacrifices were the mundane acts of men; that is to say, they were “of the world” in the sense they were material in nature and were only a shadow of the real. The “rudiments” are “of the world” because they concern the physical ritual, which was only a picture of the spiritual. These rituals and ceremonies were incapable of taking away sins hence, they possessed no spiritual power. But the death of Jesus on the cross as the sacrificial Lamb of God; His sacrifice was effectual; it was the only sacrifice which had the spiritual power to take away sins. Jesus’ sacrifice was the real, not the shadow. Jesus’ sacrifice was the heavenly, not the earthly. Jesus’ sacrifice was not “of the world,” but “of God.”
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 5 or EBR (Extra Biblical Revelations): Information that comes from outside the Bible. When you go outside the scripture, it makes it difficult to discern what is true. Can create behaviors and doctrines that may be unbiblical. People believe the Bible is the inspired word of God and then turn around and act like they need something else outside the Bible. EX Look for direction on where to go to college. Point: If God doesn't explicitly tell you how to make a decision, it's a Sonship decision. MM tying this to the sufficiency of scripture by itself. One of those “winds of doctrine” is extra biblical revelations (EBRs) which promote counterfeit communications from God, introduce false doctrines and shake the foundations of our understanding of how God is revealing Himself and His will today. GH: Scenarios: * Some reports of EBRs are lies. People make up a story and tell it to gullible listeners and oft the story goes. * Some reports of EBRs are exaggerated or embellish it, but then those exaggerations get repeated as fact.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	* Not every experience of an extra biblical revelation is made up, some of them really happen, but that does not mean they are of God. Understand Satan does have power. God is not the only One who is supernatural, above human able to do that which we consider to be miraculous. Satan is working to deceive, and he always does it in a way that makes it look like God is the one doing the thing; always. The principalities and powers work in those who are susceptible to their deception because of their ignorance, pride and vanity. They want to be seen as special. They want to reveal what no one else has revealed so they can be lifted up. Satan uses all these thing and then people promote themselves as messengers of God when in fact, they are opposing the truth contained in the scripture. The number 1 way Satan deceives is to duplicate something that God has done. They want to be seen as "special." They want to reveal what no one else has revealed so they can be lifted up. These people promote themselves as messengers of God, when in fact they are opposing the truth contained in the word of God.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	They act like we need extra biblical revelations in order to be who we are supposed to be. In truth, all that is needed for the "perfecting of the saints" is the written word of God. God is not giving extra biblical revelations by any means today. Not by dream, vision, angelic visitation, or out of body experience. But Satan will counterfeit them all for his purpose of deception. Be discerning, not gullible like children who are taken in because they don't know any better. Those who endorse extra biblical revelations promote the false idea that God is communicating with us through visions, dreams, angelic visitations, or by the Spirit of God. They speak prophecies and revelations which lead to the invention of false doctrines. Not saying they are all insincere or malicious in their intent, but they are still being deceived and when they talk about these things, they are deceiving others. What gives extra biblical revelations the ring of truth is that they mimic ways in which the Bible says God has communicated with people in the past. If God used an angel to communicate back in Israel's program, then they will claim an angel gave them a message. If God has spoken by visions in the past, then they will claim God has spoken to them by a vision.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	If the Spirit of God has given direct utterances in the past, they will claim the same supernatural empowerment and message. But that is the very opposite of what the Bible claims for itself as the word of God. Extra biblical revelations misrepresent God and what He is doing. Extra biblical revelations support the idea that hearing God's voice is a gained skill, that only a few certain people have it. To answer this objection, the supporters of extra biblical revelations claim God is always speaking in ways other than the Bible, we just can't hear Him until we "find the right frequency." Evidently, it seems like God is incapable of communicating with us until we somehow "tune in." Extra biblical revelations deny the sufficiency of the word of truth, they cast doubt on the authority of scripture (philosophy), and they lead people to mishandle the Bible (vain deceit). And finally, when left unchecked, EBRs lead to false doctrine (doctrines of devils). People will agree when you say that the Bible is the word of God, it's infallible, it's inerrant, it's preserved, they would go, oh yeah, I believe that. But then they turn right around in some areas of their life and behave as though they need something outside the Bible to help them.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	EX There's nothing in the Bible that tells you where to go to college so they go, 'Lord, which school do you want me to go to?' Remember, if the Bible doesn't expressly answer the question you are asking, it's a Sonship decision. God expects you to make your own decision about that. You have everything you need in this Book to establish you in the faith, to perfect you in the faith. The Bible is exactly what you need to know, it is exactly what you're supposed to know so that we can function. MM says people want some level of guidance on decisions but He is not doing that. It's got to be this word working in you. Otherwise, you have now opened yourself up to a WIND OF DOCTRINE-Ephesians 4:14 that is very dangerous. We don't get our marching orders out of an account of some person, we get our marching orders out of the Bible. God never tells you that you need to go outside of My word to do something. But people do. This is the cleverness of SEDUCING SPIRITS-1 Timothy 4:1. Let's counterfeit it and make it look like God and sound like God and then let's go outside the Bible. And as soon as you step outside the Bible, now you're in dangerous territory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	When you do this, you are saying that this Book is not sufficient, that you need more, you need something else, this is not enough. That's a dangerous position to be spiritually. MM telling the story of looking for an extra-biblical revelation when he got a job offer while still in school. These are deceptive because if you are really looking for them, now it's easy for Satan to manipulate all of those circumstances to try to guide you in the way he wants you to do it. The Bible claims to be sufficient. It never tells us to go outside of itself to find truth. There are things that are true outside the Bible but it is not interested in us pursuing those types of things because extra biblical revelations mispresent what God is doing. People say, 'God spoke to me', but it is not in this Book. People will tell you hearing God's Voice is a gained skill and if you are not hearing God talk to you, there's something wrong with your spiritual life. MM says this is everywhere.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Satan's WILES	WILE 5 (in addition to the 4 in Colossians 2:8): MM says you will immediately recognize it and even though you believe the Truth about the WILES of the devil, there are areas in your life in which your practice demonstrates that you have been victimized by it. MM says even he was victimized it - while denying it we are practicing it. GH: EBR (Extra Biblical Revelations)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	In this DOGG, we are engaged in a spiritual battle, and the battle is over truth, NOT over physical territory. In this battle we have enemies. Satan and those angels in league with him are not our only enemies. All of us have three enemies and you should know what they are and how they work in concert with each other. Point: If you only focus on one of your enemies, the other two will take advantage. MM telling the story about wrestling with the kids. **ENEMY 1: The world** (Does not mean all individuals in the world or the people in the world. it's a system of thinking, a particular mindset, a predominate perspective on lifestyle that do not hold to a Christian worldview, a godly lifestyle, or a biblical theology, a way of life that does not include God or that does not want God as a part of it) - Think COTW-Ephesians 2:2 which Satan put into motion. - Worldliness is more of a way of thinking or a system of thinking or a particular mindset than it is a way of acting. Also talking about a way of life. Is a way of thinking and an overall philosophy of life which stirs the flesh to indulge in specific sins.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	It is a mindset and a worldview, a systematic approach to life which leaves no room for God and His word. It is a way of thinking that is humanistic; man centered and self sufficient. It's a mindset that does not want to include God. Doesn't mean that it doesn't want to be civilized, it just means that it's a way of thinking that really doesn't want God to be part of it. It's a way or thinking or a philosophy that 'stirs up the lust of your flesh' so that you will live and act a certain way. The things that the world is promoting is really feeding right into the flesh. - “The world” is a vast order or system that Satan has put together and promoted which conforms us to his ideals, aims and methods. It is working to accomplish his goals. The devil is the one that put together the COTW-Ephesians 2:2. It is seeking to establish a civilization and seeking to function apart from God; a civilization without God. It wants to do it on its own. - Saying: “Believers are in the world, but not of the world.” We do not hold a worldview that is so common in the world, but we look at a Christian worldview, a godly lifestyle, a biblical theology.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	- Scriptures: BE NOT CONFORMED TO THIS WORLD-Romans 12:2 (the way you think); DENYING UNGODLINESS AND WORLDLY LUSTS-Titus 2:12 - We cannot adopt the world's thinking on the Divine Institutions, on Christian ministry, on truth or on how we live our lives, for if we do, we will lose the spiritual battle. **ENEMY 2: The flesh (fulfilling certain acts, like sexual immorality or drunkenness, are not the world or worldliness, but the flesh)** **- The most dangerous most prevalent and present enemy you have is the flesh, because you live with it every moment of every day.** **- The world stirs the flesh.** **- The flesh is a word the N.T. often uses to describe the sin nature that is in people. That when we got born into this world, we had a sin nature**. The Bible is not talking about your actual flesh. Yes, it will get transformed because this can't live forever, but that's not what the Bible is talking about there. When you got saved, something really did change.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	You put something off and you put something on in its place - put off the old man (old identity in Adam) and put on the new man (new identity in Christ). When you got that new identity in Christ, the power that sin had over you is broken. But sin did not go away. Their is still a connection that sin has with you and the Bible calls that your flesh. Romans 8 is a key passage that describes how the flesh operates. Everyone who is in Adam is in the flesh, and it is also possible to be in Christ and also be in the flesh. References: Romans 8:7; Galatians 5:19-20; Philippians 3:7-9. - MM asks what is it that prompts people with religion? Notes a big surge in a return of people to Catholicism. Part of the attraction is the ritual, the liturgy, the things that you do. He is convinced this is what attracts people who aren't grounded any other way. When you see TV reports of 2 million people in the Muslim world gathering at Mecca and they are putting those rugs down and they all kneel and they are all bowing at the same time and doing all of those things that they're doing. They see all those people doing that ritual and there's something in your flesh that says you ought to be part of that. It looks righteous but it is a righteousness that is apart from God.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	This is people HAVING THEIR OWN RIGHTEOUSNESS-Philippians 3:9. For you to be righteous through your own deeds, it only requires 1 thing - perfection. MM thinks it's funny when people say Israel got saved by their faith and works. If you are getting saved by your works, it demands perfection. The flesh is the thing that tries to gain God's favor through it's own efforts. Reminds of the nation of Israel in the O.T. But the clear teaching in the N.T. is that the flesh is our main enemy. Yes, the world is the enemy and it feeds the flesh. The devil is our enemy and he is the one that put the world's system into motion to feed our flesh. - If we are saved, the flesh has power over us only if we allow it. How to deal with this propensity towards sin, the flesh: 1. We're to know that our old self was crucified with Christ and that we're no longer slaves of sin. Romans 6:1-10 is key. 2. We're to consider ourselves to be free from sin, dead to sin-Romans 6:11.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	3. On that basis, we do not let sin reign in our body by obeying it in its lust-Romans 6:12. We must believe the truth that sin no longer has power over us. We accept it by faith, believing it to be true, that we are no longer slaves to sin. 4. We choose righteousness; we choose to obey God in His word. In this way we walk by faith, believing what Scripture says about our emancipation from sin. Victory over sin comes down to choosing to obey righteousness. If we present ourselves as slaves of righteousness and choose to do righteousness, then obeying righteousness, we become slaves of righteousness. If we choose to yield our bodies to sin, then we become slaves to sin. The unalterable law of sanctification is that we become slaves to the one whom we obey. - We are engaged in a step by step, day by day, decision by decision walk with Christ. The flesh has power over us only if we choose to obey it. We are engaged in a lifelong, daily, habitual battle against the flesh.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	The Spirit wages war against the flesh, and the flesh against the Spirit. Old Puritan phrase 'the mortification of sin' [means 'the putting to death of sin', putting to death the deeds of the flesh by resisting temptation and choosing obedience because the doctrine is working in us] has unfortunately fallen into disuse. We put sin to death. We see sin for what it is; our enemy. We put to death the deeds of the flesh by resisting temptation and choosing obedience because of the doctrine working in us. That is what it means to overcome sin by the power of grace. **ENEMY 3: The devil** - Devil put together the COTW. You can't overlook any of these 3 if you are talking about spiritual warfare. If you concentrate too much on one, the other two will get you. If we do not hold all three in our focus, we are likely to lose the battle.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	Many churches today don't understand the true nature of the battle and because of that, they are losing the battle. The church at large seems to be neglecting the battles against the flesh and the world. Talking about the church corporately but could be talking about us individually. Worldliness has seeped in or taken over many local churches today. MM gives examples of bringing the world into the church (secular songs) to bring the lost into the church. Need to know what each of these 3 enemies are but how they work in concert with each other against the believer. EX All unbelievers are in bondage to Satan, whether they know it or not. He influences them by conforming them to the world system. The world system is in sync with our flesh. This means that Satan has created a system which works to accomplish his work in the world, and our flesh has an affinity for things contained in that system, making us naturally attracted to conform to it. This is how all three work in harmony. The sin nature of unbelievers is sympathetic to the evil nature of the world system.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	Just as we wrestle against principalities and powers (P&Ps) by standing against the wiles of the devil, **we wage war on the world system by:** **1) standing against its ungodly philosophies and imaginations** **2) by proclaiming the truth** **3) bringing into captivity every thought to the obedience of Christ.** When we are wrestling against principalities and powers, when we are standing against the wiles of the devil, we wage war. There are 3 different ways that we stand. So to put on the whole armor of God that you may be able to understand the wiles of the devil. And by standing against the wiles of the devil, we are not in a war against the world because the devil is the one that put that into being. We are warring against the 5 WILES (philosophy, vain deceit, etc.). And by proclaiming the truth, we are bringing every thought into captivity to the obedience of Christ.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	This is saying the world is a system of thinking and we are going to bring our thinking in line with the obedience of Christ. We cannot afford to have the world's way of thinking in any area. Not with the divine institutions, not with how we conduct Christian ministry, not on what is true, not on how we live our lives. If we do, if we take the world system for any of those things we lose the spiritual battle. Churches are doing this today in a multitude of ways. We need to have a saint-centered ecclesiology. - Teaching so far has a two fold purpose: 1) to provide/give us a biblical framework by which we can evaluate certain practices associated with spiritual warfare today, and 2) provide a biblical foundation upon which a biblical theology of spiritual warfare can be built. The frame: 1. THE BIBLE ALONE: We have affirmed that the Bible and the Bible alone should govern our theology of spiritual warfare. In other words, no extra biblical revelations (EBRs).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Our Enemies	2. PAUL'S EPISTLES: Paul's epistles are our instruction, so we rightly divide the word (RDW). 3. BATTLE IS OVER DOCTRINE/TRUTH: We have seen from 2 Corinthians 10 that spiritual warfare is not a hand to hand battle with devils over territory, but a battle over truth waged with the word of God. 4. 3 ENEMIES WORK IN CONCERT: We have spent some time considering our three enemies and how they work in concert with one another.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	Comparison : Spiritual Warfare in the Prophetic Program vs. Spiritual Warfare in the Mystery Program - MM says most all books on spiritual warfare do not take this distinction into account. There are things that are legitimate in the prophetic program, but in order to know how does spiritual warfare get carried out in the DOGG in the mystery that has now been revealed, we will only find that in Paul's epistles. That's the only place we will find such instruction. Practices associated with spiritual warfare that are assumed to be biblical: Examples: * Unbiblical Spiritual Warfare Practice 1: binding Satan: Praying a prayer where Satan is kept from doing something supposedly that he otherwise would have the power to do. * Unbiblical Spiritual Warfare Practice 2: praying a hedge of thorns: Supposedly this is the practice of erecting a spiritual hedge of protection around persons, places or things in order to prohibit satanic possession, influence, or attack.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	The idea is, once a hedge of thorns is prayed around someone, Satan and his devils/angels cannot get through to affect or attack the person or thing or place. This is a little different from binding Satan in that it is not taking Satan's ability away or restricting what he can do, but rather you are praying for someone to be inoculated or insulated against his temptation or attack. Prevents satanic influence in the life or mind of the person being protected by the hedge. The hedge is often treated as a “one size fits all” hedge. For example, you might pray a hedge of protection for your spouse, your family, your home, your children, your job, your car, your church, or even your town. EX Prayer: “Lord, I pray a hedge of thorns around the church service this Sunday, in the name of Jesus, the Son of God.” Supposedly needs to be prayed regularly/daily. MM says if this works, should be able to completely shut down Satan. References: Job 1:10; Hosea 2:6. MM doesn't think this is a Biblical practice. MM believed in this at one time because he thought it worked in the first occasion. Then the next 3 did not. All Satan needs most of the time is for you to do whatever this thing you are doing. And if it works, it is kind of cemented in there.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	* Unbiblical Spiritual Warfare Practice 3: renouncing generational curses or generational sins (hexes and spells connected to this): The idea is that if your great grandfather or someone back in your family committed some great sin and he never repented, never confessed it to God and never asked God to forgive him, even though you are saved and may even love the Lord, God may be punishing you for that sin because no one ever confessed it to God and asked for forgiveness. God is going to punish his son, his grandson and even his great grandson for the sins of that guy back there. Because nobody ever looked at that and went, I got to confess that and repent for it so that God will stop punishing me for the sins of my ancestors. Because God keeps punishing the successive generations, this is called a generational curse or generational sin. The teaching says that only through a prayer of confession and repentance can that generational curse be broken. References: VISITING THE INIQUITY OF THE FATHERS UPON THE CHILDREN UNTO THE THIRD AND FOURTH GENERATION-Exodus 20:5; Romans 2:4; Romans 11:22. The idea of “generational curses” has been taught that your great grandparents may have committed some sin against God that you do not know about and God is judging you for it because no one ever confessed it to God and asked for forgiveness on the behalf of their ancestor.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	That is not biblical. This is Satan attempting to put false doctrine into your mind. As your see that this is not a correct understanding of the verses, a battle is going on in your mind. In this DOGG, God is not “visiting the iniquity” of anyone - NOT IMPUTING THEIR TRESPASSES UNTO THEM-2 Corinthians 5:19. Generational curses are not biblical in either program. The Bible does not teach that God is handing down individual punishments for sins that other people committed. And nowhere is this said to be part of spiritual warfare. * Unbiblical Spiritual Warfare Practice 4: naming and praying against territorial spirits or spiritual mapping: This is the practice of engaging in intercessory prayer for different/specific geographical locations to overcome and dislodge supposed demonic strongholds in those locations. Before you can do this, you need to find out the specific sins being committed in this area because that's the key to what kind of spirits are in control. Secondly, you need to find out the name of these spirits. Supposedly, these devils must be confronted (then you can bind them), bound and removed before the gospel can be effective. Then you can go in with the gospel. MM says you should just go in with the gospel because the gospel is THE POWER OF GOD UNTO SALVATION-Romans 1:16. That Power is not coming from us or tying up those devils. This is not spiritual warfare, this is your Ambassadorship, this is THE WORD OF RECONCILIATION-2 Corinthians 5:19 that is being published around the world.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	These regional and geographical devils are referred to as “territorial spirits.” It is believed that these spirits become entrenched in different regions because of sins committed there. The idea here is that we must discover the sin which has given the demonic realm a foothold in the area, and then we must repent of that sin in order to break the devil’s grip. MM says the Bible doesn't do this. “Mapping” is the practice of determining the exact boundaries of territorial spirits assigned to different regions, nations or cities. It is believed the demons must be specifically identified and named in order to pray, bind and exorcise them effectively. MM says evidently, if you don't know their name, you aren't being specific enough and nothing happens. Where are you going to find the name of these territorial spirits because you won't find it in the Bible. Advocates of this practice encourage people to research their city’s history in order to identify the particular blend of demonic forces which may be keeping people in spiritual darkness. This practice was unheard of until the 1990s. MM asks how was evangelism happening prior to 1990? They believe the Holy Spirit started saying something different in the 1980s and 90s than what the Spirit said in the 2,000 years previous. They admitted that this was an entirely new practice but also one of the most important things the Spirit is saying to the churches in the 1990s. If this is true, then God was speaking outside His word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	Evidently, the Bible is not sufficient for advocates of spiritual mapping. There is no suggestion of "spiritual mapping" in the whole Bible. We never see anyone in the scriptures engaged in this kind of spiritual warfare. Spiritual mapping is a man made way of spiritual warfare. Spiritual mapping says that it is imperative for us to learn the names, locations and hierarchy of each devil involved so they can be called by name and rebuked. But, that would force us to go outside of the Bible for our information. This is extra-biblical revelation. When you start going outside the Bible to get your information or how to fight spiritual warfare or how to defeat Satan you are playing into his hands because it doesn't work. It's another distraction. References: Daniel 10:13-14, 20-21. * Unbiblical Spiritual Warfare Practice 5: evil spirits & exorcisms - exorcising demons from Christians, pagans, or inanimate objects: KJV N.T. uses two terms to describe the entities involved in possession. MM says when you go through the N.T. and you're looking at the mention of these two terms, here's what you have: 1. devils (newer translations change 'devil' to 'demon') * Mentions of 'devil' or 'devils' in the N.T.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	- The Gospels & Acts: 90 verses (What was going on during the Days of the Messiah were different than today) - Paul's Epistles: 8 verses (1 Corinthians 10:20; 1 Corinthians 10:21; Ephesians 4:27; Ephesians 6:11; 1 Timothy 3:6; 1 Timothy 3:7; 1 Timothy 4:1; 2 Timothy 2:26) - Hebrews - Revelation: 12 verses (MM says what's going on out here is different than what was going on back there - why you don't have another 90) 2. unclean spirits * Mentions of 'spirits' or 'unclean spirits' in the N.T. - The Gospels & Acts: 17 verses - Paul's Epistles: 0 verses - Hebrews - Revelation: 1 verse

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	KJV never uses the word “demon” or “demons” but that is the common vernacular today. The Greek word which is used in our Bible is “daimon” (devil) or “daimonion” (of [ion] the devil). Originally, this Greek word was simply talking about a supernatural spirit which could be either benevolent or malevolent. Centuries ago, some cultures and traditions have concepts of benevolent beings referred to as “demons.” There were good demons and bad demons. In the thinking of many, a demon was not necessarily evil, but could be doing something good. An example of a “good” daimon would be a spirit acting as a guardian angel. Could be malevolent or benevolent. These “demons” were seen as intermediaries between deities and humans, offering guidance and protection. (Eu=good or well, + diamon = eudiamon, a good spirit). MM believes the KJV translators always used the word “devil” or “devils” so that all of these uses of “daimon” and “daimonion” would be understood to be malevolent, opposed to God, and evil, no matter what they did. By using “devils” instead of “demons,” the Bible now portrays the fact that there are no “good” daimon. When you use the word 'devil', it is always bad. There are no “good” devils, and Satan is not going around “doing good.” These are for the purpose of deception and confusion. MM thinks this is the point the KJV translators were trying to get across in a culture of people who kind of made a difference in the two types of demons.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	Daimon are ALWAYS bad even if they do good things or tell the truth. They are always bad, even though people were easily deceived by this. - EX Wife dreams that her husband who is in the hospital in a terrible coma-like condition that lasted 6 weeks and he recovers and comes back home and back to normal. Doctors are thinking no way. Six more weeks and no change. Then many weeks of a slow and methodical recovery. Eventually, months later, he went home. Doctors said it was a miracle. Man was in his early 20s and if anyone had a chance to recover, it would be someone young enough and strong enough. Many similar stories. MM says in the DOGG, God is not communicating to us outside of His word. There is nothing in the Bible that told this woman that your husband will get well. MM understands how sensitive this is. This story encouraged the wife and people that she told it to. But what happens to the woman who gets a dream from God and the husband doesn't recover? They start to doubt things and become bitter against God. They feel like, God promised me this/He showed me this. MM says we do not organize our theology around our experiences, but rather we judge and evaluate our experiences by God’s word, rightly divided. If the stories are true as they are reported, then either they are the result of the natural processes of healing, they are miracles from God, or they are produced by Satan’s realm.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	The “hope” the woman received as a result of the dream was seen to be a “good thing.” So, it is assumed that all of this must be from God. But what is this really? This is a clever attempt by the Adversary to convince Christians of two things (two things going on in every story like the one above). Spiritual warfare is over what we believe doctrinally, and to a great degree it is about two things: 1) God is speaking outside of Scripture - What we believe about how God is communicating/talking to us today - why prayer is so important. God is not going to tell you everything in His word. You will need Him somehow to communicate to you outside of His word. If he can get you to believe this, Satan has been successful in getting you to believe the Bible alone is insufficient, you need more. If he can get you looking for truth outside of the Bible, he has opened up a whole Pandora's box. What happens when we begin to evaluate our theology by our experiences. MM says it is not wise to use your experience to dictate your theology. Instead, we should be using God's word to evaluate our experience. There's where the truth is. - If we allow this true, but anecdotal, evidence to persuade us that God is communicating outside of His written word in this DOGG, (how God is speaking) then we can no longer view God’s word as sufficient for our everyday lives.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	2) What we believe about what God is doing today. God is acting to intervene in the physical circumstances of life - About God intervening in the physical things of your life instead of the spiritual things that the apostle Paul talks about. Trying to convince you that God is doing the same thing with us that He did in God's program with Israel, intervening in the physical realm. We don't get that kind of instruction in Paul's epistles. But that doesn't matter when you put the word aside and start to live out of your experience and our interpretation of our experience. - If we allow this experience to dictate our theology about what God is doing in the DOGG, then we would conclude that God is doing today, exactly what He was doing back in Israel’s program; intervening in the physical aspects of life. (By the way, no one who is miraculously “healed” in the Bible is healed over a period of months, progressively getting better, it is instant!). Satan will give you an experience in order to deceive you about these two things. Two things:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	1. If she had never gotten the dream, her husband would have still gotten better. Wouldn't have thought it was a miracle, just getting better little by little, week after week. That's the natural process of how your body heals itself. A miracle would have been for the husband to stand up and be completely recovered in an instant. This is how healings happened in the Bible. Those are miracles. This was the natural response of his body and it happened over time. The hope the this lady received encouraged her but if her husband passed away, she might have been devastated over that. The HOPE is not supposed to be only in the good news. MM understands he is her husband, she wants him around, but your hope is in the wrong thing. That's not the way God gives you hope. That's the way that the world looks at it. 2. Sometimes Satan lies with the goal to deceive people. Sometimes Satan tells the truth with the goal to deceive people. The deception is about doctrine. And Satan knows what people want, so that's what he tries to do. MM says the hope was good for her because the story turned out the way it did, but that wasn't godly hope. MM says when visiting with other Christians, you know she tells this story and he knows she doesn't mean to, they're not doing it on purpose, but they are laboring with the adversary in what he is doing. Because they are helping to spread his message that God is not just talking to us today out of His word.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	If that's the implication, that God is just going to speak to you about stuff, then you can just push your Bible aside and now I'll just get God to talk to me outside the scripture. If a similar story happens and it turns out for the worse, the lady would think her faith isn't strong enough, why didn't God intervene, God loves them more. None of these would be true. MM says this is a very clever deception to get you off track doctrinally. This is what spiritual warfare is. Spiritual warfare takes place in your mind. This battle is over doctrine and it's taking place in your thinking to get you to think differently than the way you were taught by your apostle. MM says even if the communication you think you are hearing is true and it represents a good thing, if it's not in this Book, it is not from God. You have to get this principle down. If you don't, you're going to be deceived about thing and the real spiritual battle, you are going to lose that. Takeaways: 1. There is such a thing as a SPIRIT OF DIVINATION which can tell the future; (Although, not perfectly). This is what SOOTHSAYING-v16 is. If there is a spirit of “soothsaying” at work today, it is for the purpose of deceiving the saints about how God is communicating today, and deceiving them as to what God is doing today.'

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	2. Evil spirits tell the truth for the purpose of deceiving the saints about what God is doing (healing the husband) or how God is communicating with us (dreams). 3. We cannot discern if something we experience or something we hear about is of God based on whether or not the thing was “good” (that is, it had a good effect), or on the fact that it is “true.” Judge the experience by the word. Sometimes Satan lies, and sometimes he tells the truth, both are for the purpose of deception. In both the DOGG and the resumption of Israel’s program, there are ways to tell what the satanic policy of evil is doing, and how to spot it as it seeks to counterfeit what God is doing. Paul has given us the principles of spiritual warfare in the dispensation of grace: - Our battle against Satan is not in the outward world, it is in our minds. - The weapons of our warfare are not carnal. - The battle is over doctrine. - Our authority is the written word of God and specifically Paul’s epistles.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	Based on the definition as described in the gospel accounts, a Christian today cannot be possessed by a devil or unclean spirit. Principle: We do not determine our beliefs by our experiences, but rather we evaluate our experiences by the word of God, rightly divided. References: Luke 4:31-41; Acts 16:16-18 - Exorcisms or casting out devils Commentary (Exorcism perspective): Paul does not promote the casting out of devils since his epistles don't even mention it. To put forth the idea that we are doing these today, you have to run back to the four Gospels and the Book of Acts into Israel's program. The Book of Acts has 4 detailed account of exorcisms or casting out devils. Book of Acts learnings: * Everyone who could cast out unclean spirits could also heal the sick. * Not every Christian had this power. Exceptions: - Stephen (Acts 6:8)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	- Philip, who was sent by the apostles. (Acts 8) - Barnabas (Acts 14:3) * None of the apostles talked to the normal believers (either in the little flock or the body of Christ) to teach them to heal the sick or cast out spirits. * The apostles were given this power for the purpose of authenticating their apostolic ministry and authority and message. * There are no instructions in the epistles of the New Testament (not just in Paul's epistles!) on the subject of exorcisms. - SIX ASPECTS OF EXORCISMS (casting out devils) 1. Exorcisms were performed by the apostles (Acts 5:12-16) 2. Exorcisms were by signs and wonders (Acts 5:12-16)
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	3. Exorcisms were considered healings (Acts 5:12-16) 4. Exorcisms were miracles (Acts 8:6-7) 5. Those who cast out devils also healed the sick (Acts 19:11-12) 6. All New Testament exorcisms are in Gospels & Acts (none are talked about in Paul's 13 epistles; also none in the Hebrew epistles) - Recap: * We, as members of the church, the body of Christ are never commanded to cast out devils, or to have them cast out. Not once. * In the 13 epistles that pertain specifically to us, we are not instructed on how to perform an exorcism. * Paul does not mention casting out devils as a part of our spiritual warfare.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	* If exorcisms were meant to be part of what we're doing today, then why would our apostle fail to even mention it one single time? We can only conclude that there's a contradiction between what the scripture teaches us and what other people are claiming to have experienced. And our authority has to be the scripture. * We do not build our theology on experiences, no matter how real or convincing they may seem to be. Really important. We build our belief and practice on the word of God, rightly divided. That is it. * If the Bible does not command us, as members of the body of Christ, to exorcise devils or unclean spirits, then we can come to only one conclusion: the alleged exorcisms taking place today are not genuine. That means either they are phony, or, they are a carefully cleverly crafted deception, which may manifest a power other than that of God. After all, Satan has power. Pagan religions (such as Hinduism, Voodoo, etc.) practice exorcisms and people are apparently delivered from evil spirits. Clearly, these exorcisms are not done by the power of God. Has nothing to do with the power of God. So, if Satan is using exorcisms as a means to deceive those in pagan religions, what makes us think he would not do the same to Christians living in the DOGG? Of course he would. If we encounter a person who claims to be possessed, what should we do? Depends on whether they are saved or not:
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	- If they are unsaved, if they don't know Jesus as their Savior, this person does not need an exorcism. They need the gospel. That's it. Someone might say, well, don't we need to produce an exorcism so that they can hear the gospel? No. There's nothing in your Bible ever that says a person under the influence of an evil spirit doesn't have as much ability to believe the gospel as a person who does not. There are no examples of that. That's something we get in our mind, but it's not in the Bible. Paul says the gospel is the Power of God unto salvation. - If they are saved, it's not possible for a saved person to be possessed. What if they say, OK, but I'm being oppressed. MM says that's another distraction. They need to hear the Truth of God's word rightly divided. If they are suffering from anxiety or depression etc., that is a result of believing Satan's untruths. To counter that, you don't need to cast out a devil. You just need to present the truth. That's the power of the word of God. References: Acts 5:12-16; 8:6-7; 16:16-18; and 19:11-12.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	* Unbiblical Spiritual Warfare Practice 6: binding the devil: Is the idea that by simply making an announcement, Satan's activity is limited or hindered. This is similar to "praying a hedge of thorns," but not quite the same thing. Examples: - Binding Satan so he doesn't blind the person you are giving the gospel to - 2 Corinthians 4:4. - Bind Satan from an event, like a church service, thus preventing Satan from interfering in some way. - Praying for Satan to be bound from a geographical area, such as your home, your workplace or your neighborhood. The idea is it either prevents Satan from entering that area or if he does, it makes him powerless to do anything there. - Satan, you demonic spirits of AIDS, and AIDS virus, I bind you!
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	Sometimes it is a prayer to God and sometimes they may speak directly to Satan. Claim that if you see someone and their life is certainly not being living for the Lord, before you can go and have any kind of success with them, you're going to have to bind Satan first. They claim 'the effectiveness of binding the strongman (Matthew 12:20) is dependent upon the leading of the Holy Spirit and subject to the scope and limits of the written word of God'. MM says in reality, has anyone ever done this and the situation didn't change? Saying it may work but the Holy Spirit may not want it to work. It's a fancy way of saying, it might work, and it might not work. But if it doesn't work, it's because the Spirit doesn't want it to work so you can't argue about it. MM gives example prayers. MM says you never find anyone in scripture praying this type of prayer. You don't even find Peter praying this kind of prayer. References: Matthew 12:20, 29; Matthew 16:17-20; Matthew 18; Mark 3:27

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	* Unbiblical Spiritual Warfare Practice 7: rebuking the devil/Satan: It is believed by many that the believer's authority in Christ provides us with power over Satan and unclean spirits. They teach that this power can be used to force demonic powers to obey our commands, just as devils and unclean spirits obeyed Jesus during His earthly ministry. There is nothing is Paul's epistles that tell us when we speak the word of God in the name of Jesus, whatever we speak to devils, they must obey our command. This is the idea that spiritual warfare is a conflict that is happening out in the world in physical events, which is contrary to how Paul describes it for this dispensation of grace. Additionally, we do not have any record of such practices in the early church. Paul did not model this behavior when he was attacked. Rebuking Satan puts our focus on Satan instead of on God. Satan is a defeated foe, and rebuking Satan makes too much of the power of Satan and the authority of the believer. Even though we are positionally seated with Christ in heavenly places; that does not give us miracle working power equivalent to Jesus and the apostles in Israel's program. Rebuking devils is unnecessary, unbiblical and unwise. References: Acts; 2 Corinthians 12; Ephesians 6:17
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:10-20 : Spiritual Warfare Commentary : Unbiblical Spiritual Warfare Practices	* Unbiblical Spiritual Warfare Practice 8: pleading the blood of Jesus Things like these have become virtually woven into the fabric of modern notions of spiritual warfare. The legitimacy of these practices is assumed and never questioned. These have become so much a part of the fabric of the prayers and lives of some people in churches that to question their legitimacy in some circles qualifies anyone who objects as a heretic. These things are not isolated to some fringe movement within Christianity. MM is in no way questioning the motives of those who practice or teach the methodologies evaluated here, but only seeking to evaluate the practices. Problems with these kind of practices: * They don't work. * They have no Biblical underpinnings.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	MM's understanding of what Paul says about prayer - what prayer is meant to do: * Prayer is a time of intimate fellowship with God. - (Reason 1) To build our relationship with God: We can build the relationship we have with our heavenly Father through prayer. One of the reasons you should spend time in prayer. This does not come natural because you are not looking at Him with your physical eyes. You don't see God, He is the invisible God. Can't grab Him by the arm. Are going to have to have a way to have a relationship with Him that goes beyond the physical world and prayer is the bridge that does this. Where our relationship with God is becoming more and more real and practical in our lives. This advances our relationship with God and has depth to it and has broadness to it that is ever increasing and that takes time. * Prayer is talking to God about what He is doing in this DOGG which we are living and in this context of Ephesians 6:10-18, about what is going on as we encounter the various phases of the policy of evil.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* (Reason 2) Prayer is a part of the process of edification whereby we take God's word and make those pieces of armor a practical reality for us. Prayer done right transforms us and has a spiritual effect on us whereby we are changed in our inner man and having the character of God's Son built in us. Important. Have to understand some things for prayer to be effectual. If we are really praying the way we are supposed to, it will result in us being transformed by some part of the doctrine and prayer is a catalyst for that. - Where we really do, consciously now, put them to use for which they were intended. When done right, prayer is edifying in and of itself in terms of our relationship with God, but it is also part of the overall process of edification (being conformed to the image of God's Son). NOTE: If your prayer isn't accomplishing reason 1 and reason 2, you are not doing it right. * Prayer is where we talk to God about His revealed will and our conformity to it. Talking to God about our conformity to His Will (the things He has revealed the are the things that we are conforming ourselves to). * Prayer is where we talk to God about our discernment regarding 'the application of His word' (edification) to our thinking and actions - in the details of our lives. Talking to God about the application of His word. Talking to God about our discernment regarding the application of His word to our thinking and our actions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Prayer is where we find direction for our lives and our ministry - however you want to serve the Lord. * Prayer is how we make intelligent requests (not high IQ - informed, in accordance with what God is doing in the Mystery program/DOGG we are living in - should mirror God's Will) and supplications. We are asking for things that we have been told in Paul's epistles that God is doing. We understand what God wants to accomplish in our requests and that our requests are inline with His Will. - We do the leg work, He does the spiritual work. - We carry the gospel, He saves their soul. - We carry the mystery to folks, He uses that doctrine to conform them to the image of Christ. - We communicate the doctrine He produces the character of His Son in them. This is what it means to “labor with God.” We have the part that we are doing and He has the part that He is doing, that only He can do.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	What praying IN THE SPIRIT is not: * Is not liturgy or the constant repetition of prayers that have lost their meaning and taken on a “spell like” nature whereby just the saying of the words is all that is necessary. Just repeating it for the sake of repeating it. This prayer will lose its efficacy and just become a ritual. GH: The Lord's Prayer is carefully structured out and has all the forms of prayer in it (1. In line with the scriptures/may even contain the scriptures. Talking about something God has already said in His word. EX 'thy kingdom come' is something in line with the scripture. OT scriptures talked about bringing in a kingdom. 2. In line with God's revealed Will. The things God has said. EX: 'thy will be done on earth, as it is in heaven' 3. In line with God is doing today. Means you have to have some knowledge. EX It was in line with what God was doing with Israel at that time.) can be this way, it is a great prayer got taken out of the Israel program and has been co-opted by religion. When you pray the Lord's Prayer, you are praying in the wrong program and no longer in line with what God is doing today. When it becomes just a prayer I pray, it has lost its original meaning.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is not prayer that requires external facilities, formalities or aids to prayer. EX Certain types of buildings (like stained glass windows) are necessary for true prayer because they have been set apart for such use. To pray the right way, you need the right building. Don't need a building, you can pray going down the road. * Is not talking about the use of certain forms, ceremonies and rituals which are considered necessary contexts for true prayer. For example, it is taught that prayers must only happen at certain times within a ritual; that the prayer must be of a prescribed wording, and the posture of kneeling is considered necessary for true prayer. You don't have to get on your knees to pray. Most all of this comes from the O.T. But today, you don't have to have that. That's part of the liberty that you have in Christ. Don't have to be kneeling. Don't have to have your eyes closed. * Is not simply/just “saying a prayer.” * Is not the vain repetitions of some kind of a “mantra” or “chant.” Not just repeating a mantra that you just do over and over and over.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is not determined by the length of a prayer or its publicity. Not about how long your prayer is or how public your prayer is. * Is not about asking God to do something over and over and over as if wearing Him out with your asking will get Him to do what you want. That you wear Him out so much that He just decides to do it. MM says this is the most foolish interpretation of prayer that he has ever heard. * Is not about getting a 100 more people to join you and ask Him your prayer. If it is something God is not doing today, you can have the whole world pray about it and if God is not doing it, it won't get done. * Is not merely the rejection of liturgy, ritual or repetition. * Is not the mere uttering of unrehearsed words off the top of our head. Just because you made it up off the top of your head, doesn't mean it's God's Will. * Is not vainly repeating memorized prayers. EX Not 'give us this day or daily bread' every day. This is not for you, this is for the believing remnant in the day of wrath who didn't take the mark and need manna from God. You already have groceries. In this day, if you want to eat, you should go to work IF ANY WOULD NOT WORK, NEITHER SHOULD HE EAT-2 Thessalonians 3:10.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is not praying out of habit, for habit's sake. It is fine to have a routine and develop a godly habit, but we always want to keep track of what is behind the habit. GH: MM doesn't thank God for the food, he thanks God for the people who are at the table, giving him a chance to express what the people mean to him and the cause of Christ as we labor together. MM says that it is great to have habits of prayer but if you are just doing it out of habit and more just going through the motions that you don't want to do that with your heavenly Father. You want it to be living and real and more than just going through the motions. MM gives his examples of his habits of prayers don't just mean he is praying out of habit. If you are going to have a habit, have a godly reason behind the habit. Don't just have a habit for the sake of a habit, because that's now a ritual. Let there be something living and vibrant behind that habit.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	EX MM says he used to pray and thank God for the food before meals. But then he realized God is not the one putting food in his pantry. So his prayer changed. Still prays before every meal, but now his prayer is about the other people that are seated at the table - what they mean to MM, his thankfulness that they know the Lord, that our conversation at this table can honor and glorify our Heavenly Father because we are his sons and daughters. Changed from thank you for the food to being thankful to the people. You can and should be thankful when someone provides the food. God doesn't feel short changed if you don't give Him credit for something He didn't do. He wants the prayer to be about what we are doing right there and building that relationship. When he goes out to eat, he adds something to this. He puts our faith on display, trying to encourage other Christians to not be silent about their faith in a culture that sometimes frowns on that. Not trying to offend people. MM mentions there is not a wrong time to pray. Even if people don't appear to need encouragement, they may need it on the inside. Pray for people to be conformed to the image of God's Son so that we can rejoice with them at the JSoC. * Is not about showing off or offending unbelievers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	What praying in the Spirit is: * Is prayer with a godly motive (why you are doing it). MM wants the church move beyond prayer basics to the 'breadth, and length, and depth, and height'-Ephesians 3:18 of praying in the Spirit. Ask yourself what is driving you to pray the way you are praying. - Why are we asking God for…whatever we are asking for? - Is it out of our love for God? - Is it out of love for others, that we are praying for them? - Is it out of obedience to the doctrine? - Is this to bring glory to God? - Is this to exalt the Lord Jesus? If our motive is found in more worldly motivations, then we consider if these are true issues of prayer.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is prayer with or accomplishes a godly goal/purpose (the goal you are trying to achieve by your prayer). MM says it is easy to confuse these first two things. Can have a goal be your motivation. - Is our prayer is for the accomplishment of our will or God's will? Don't conjecture what it is - look to the scriptures. - Is this for my own spiritual benefit and edification? - Does this build my inner man? Am I obeying the doctrine? - Is my prayer for the spiritual benefit of others? * If they are lost, that they might be saved. * If they are saved, that they might be edified, that they might mature, that they might grow in grace. * These are prayers that have a godly purpose behind them. - Will the accomplishment of my prayer be in line with God's revealed will? This means, can I find it in the scriptures.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	Again, if our purpose is the accomplishment of worldly ambitions, this would not be prayer which is IN THE SPIRIT. But if it is for the spiritual benefit of some other member of the body of Christ or for ourselves, then this would be prayer which is IN THE SPIRIT. Don't try and legitimize worldly ambitions that are really 'give me what I want'. Don't try and disguise our self-centered pursuits with religious language and think that God won't notice. If our desires are truly God's desires, then we can find them in His word, specifically in Paul's epistles. Is only personal in the sense of edification and to effect the doctrine into our daily living. - EX "Lord, bless my business" actually means, "Lord, make me prosperous and make my business grow." Instead, how about prayer that is about how our business can reflect God's purposes in work, "Father, I pray that my business will manifest a picture of, and prepare me for, the labor I will engage in with You, in eternity. May I conduct this business in such a way, that those who work here will develop a servant's heart toward You and to each other. I pray that we will all glorify You as we learn to work as "unto the Lord." But, it is not enough to simply pray the prayer. There also has to be a plan of what you will do to bring this request to pass, and that should be a part of your continued prayer. - Don't make your prayer life like a drive thru window where you just go up, make your order, pull up to the window, get your stuff, and then you're gone. Where you basically give God a to do list and GH: then dust off your hands of it. Like God is our butler.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is dispensational is in line with the doctrines contained in or in line with Paul's epistles. - that is oriented to this dispensation of grace (and not God's prophetic program with Israel). - that it pertains to the members of the body of Christ, (and not to national Israel). - that it is according to grace, (and not the Law). - that God to do spiritual work in our inner man, (and not for physical things). - that pertains to the things of the mystery of Christ, (and not Israel's prophetic program). Just because a prayer is in the Bible (like the Psalms) does not mean that it is a prayer for us today. Just because you see a prayer in the Bible doesn't mean that it is for us in the DOGG.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is a prayer that meets the Biblical requirements for that prayer to be effectual, that the whole process is transforming us. Whole process of prayer is: - forming and assembling our prayer consistent with the doctrine - may be request, prayer of thanksgiving - can change/refine either comes from the scripture or in line with the scripture - framing our requests so they are in line with God's revealed will - can change/refine - actually praying the prayer - engaging in bringing our request to fulfillment - what is my part in supplying the answer to my prayer. This is not about giving a job to God. Prayer is about talking to God for a job for you. We can't do the spiritual work but we can do the physical work. You are His feet and hands - you are going to be doing this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	The whole process of prayer - engaging in all of this is a conversation with God: * Builds our relationship with God * Transforms us * Gives direction for our lives and ministry - how you serve the Lord. This whole process of prayer is a prayer that is IN THE SPIRIT. GH: MM is saying that this is praying as we OUGHT-Romans 8:26. The Spirit doesn't have to make intercession for you anymore. What your prayer would be would be the same prayer that the Spirit would pray. If you are saying the same thing the Spirit would say, He doesn't have to make intercession for you. GH: At the end of Ephesians 6, the prayer issue is resolved. Instead of the Spirit making intercession, you can pray a prayer that is IN THE SPIRIT.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Ephesians 6:18 : Praying IN THE SPIRIT	* Is a prayer that has a scriptural framework. It's all with the doctrine in mind. That is the framework for our prayers. MM says there is a framework for a prayer of thanksgiving and a framework for a request to God. There's one for intercession, where you are getting between someone else and something that is not good for them. That's a different kind of prayer and a different kind of framework. In every kind of prayer, there's a framework that you can develop, and then just depending on what that prayer is for or who that's about, you can put all the details onto that framework. So you are literally going to build this framework and then put all of the details onto this framework. You can create this framework and there's a lot of latitude to do this. Will take some time and effort because growing in grace and being transformed is not a drive-thru window. This is going to take some effort.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer: We make requests about those things as adults by praying for things which we will involve ourselves in accomplishing. Prayer is meant to activate the doctrine in us, which is another way of saying that prayer should move us to live out of that doctrine in connection with those things we are concerned with. When you are talking with your heavenly Father, you ought to be remembering the things you learned in the word. Prayer is supposed to take an advanced step. When we prayed like children, we liked to give God the list of stuff to do while we just sit back and hope it all works out okay. If it does, we like to say, “I prayed for you.” If it doesn’t, we simply chalk it up to “It’s not my fault, I prayed for you; it must not have been God’s will.” Prayer, as it pertains to making requests, is not meant to be a mental exercise whereby we tell God what we would like to see happen and then we can walk away from all of it. Prayer requests are meant to be accompanied by godly actions which stem from the doctrine working in us. That is intelligent, Sonship prayer; that is adult prayer. EX If we think to pray for someone’s salvation, we should have on our “to do” list to witness to them. If we think to pray for someone who has a need (like groceries) then we should do what we can to alleviate their situation. In other words, if we are praying about some situation which can be fixed, then we should be involved in fixing it. But what about those times when we cannot fix it? We can encourage them and our prayer life should include that kind of thinking. We may not be able to heal them, but we can perform various tasks for them which they cannot perform, such as cleaning, cooking, picking up groceries, mowing the yard, etc. We can love them and find ways to include them. These kinds of actions should be the result of our mature prayer life and our concern for our fellow saints.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer Topic: If you are going to love God and that relationship is going to increase and abound, then the spiritual blessings are a good place to start because it makes you realize all of the things that He has done for you and it makes you appreciate Him and love Him even more. Prayer should change from thinking about each blessing individually. Take time and meditate on them individually and talk about why they're valuable to you and what you understand that they are and you appreciate them and know what they are meant to do for us, then you will realize how necessary they are. Realize they are more than a nice gift we happened to get, you'll understand this is something that you can't do without. The more you practice this type of prayer the more natural it becomes and more familiar it will be to you. GH: Will need for God to prepare you for spiritual warfare. MM is not against us making prayer requests, but they should be in line with what God is actually doing. Also, shouldn't be like children - can I have, can you help, can you reach, I want to, etc. It's just a list of stuff to do for them. What childhood praying is like, where you give Him a laundry list of things that you want God to do. And most of the things on the list aren't the way God is doing things today. When you become an adopted adult son or daughter, it's time to change the way you talk to God.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer topic: Sonship prayer is what our heavenly Father is looking for. Not praying like a child about physical circumstances but as an adult son/daughter about inner man issues. MM said he waited till his children got older to have real conversations about things and God looks at us in much the same way. Most people pray about the physical circumstances in their life - a job, a physical provision, a health issue, guidance on a decision. CHART on what people pray for confirms this. Life Way reports that 74 percent of people pray for their own needs and difficulties, and 42 percent pray for "my own sin." Others - pray for your team to win, pray to win the lottery. Not all the people who are praying are praying to the God of the Bible. MM says look at the difference between the way our apostle prays and the way people today pray. Quite a difference.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer Topic: EX Situation in a man's life where he needs patience and he realizes that is the godly response. But he is not being patient and it's a struggle. He can pray for patience but there's a right way and a wrong way to do that. Wrong way is to go 'God, give me patience, I need patience right now, OK?' MM says he shouldn't expect that God is immediately going to overrule his impatient attitude and he is suddenly fine. No. This will be the result of the effectual working of the word in his inner man to be able to produce that patience. You can't just ask for patience, that's not the proper prayer for patience. Effectual working of the word - this doesn't just work with patience, it works with whatever is going on in your life: Step 1: Identify the lie. There is something that you are believing that is producing impatience in you and it is not true and it is contrary to God's word. Satan may or may not be the author of it, doesn't matter. As long as we believe it, he will use that against us. Your problem is your impatience. So, identify the source of your impatience. There is something you believe which is not true, and it is making you impatient. This “untruth” is making you impatient. Satan may or may not be the author of this untruth, but he will certainly use it against you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer Topic (cont'd): Step 2: Replace the lie with the truth in the word of God. Have to stop and take some time and look at your Bible in Paul's epistles and find the verses that show you the truth. If you can't find the verses, may have to ask somebody. Could go online, a concordance, look at previous lessons. You might even refer to the lessons in Sonship Transformation. (1) If you still don't believe the truth, Satan has entrenched you in a lie. Step 3: Follow through. MM know it sounds very general. (2) Find the verses and write the verses that are pertinent down. MM uses a stack of 3x5 cards. Commit at least one of those verses to memory. Want to have access to the verse/the Truth of the scripture no matter where you are during the day if you don't have the cards. Put the card somewhere where you will see it, like your bed side night side so it is the last thing you see when you get read to crawl into bed (your subconscious doesn't go to sleep, it just works in the background). so it will prompt you to look at it and see it. Look that over and get it working in your mind. What you are doing is you're making a choice to replace the untruth with the Truth. Only way to do that is to engage in that. Look at the card in the morning and talk to your Father about it. that you want to work that truth in you so that it really becomes a part of you.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer Topic (cont'd): (3) Pray to God, thanking with Him for that Truth. This is laying a foundation for godly patience (there is a worldly counterfeit to everything that God wants to do and they are done in the flesh.) in his soul. The Spirit of God does this spiritual working in you. He begins to transform your inner man. In prayer, tell your heavenly Father that you renounce the lie (name the lie and tell Him you renounce it) and then affirm the truth of His word (name the truth you are choosing to believe and tell Him you believe it). Do all this out loud where you can hear yourself say it. Make a choice to believe the truth and reject the lie. Say it out loud. Write your affirmation down on a notecard and put it where you will see it, perhaps at your bedside table. Let this prompt you to pray about this first thing in the morning and the last thing at night. - If you do this in the flesh, you have to start from scratch every time. - Patience will probably not happen to you instantly. Need to keep up with the practice for a while. - Find an area that is not a strength in you and go to work on it so you can be more like Jesus.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer Topic (cont'd): MM says through the word of God that you begin to see and hear, you begin to lay a foundation for godly patience (or whatever you need) in your soul. He begins to transform the real you - your soul. Remember there is a worldly counterfeit to every godly thing that God wants to establish in us. The world has their version of patience in the power of the flesh. If you do it in your flesh, you have to start from scratch every time. You don't want to do that. You want this to actually get built in your inner man and this is the process by which you do this. So you are going to spend time telling your Father, I choose to believe the Truth about what You've written here. Don't let Satan entrench you in the untruth. What you have to do is choose to believe the Truth. Because that Truth happens to be in God's word, the Spirit of God is now able to take that Truth and change. MM says don't worry about your feelings, you act on the Truth. If you don't, you will never get transformed. MM believes the feelings will eventually follow but you have to act on the Truth. Everybody wants to wait for the feeling and if you are doing that, it'll never happen. MM says don't expect patience to happen for you instantly. It is good every once and a while to find an area in yourself that is not a strong area and go to work on it just like this. Become as much like Jesus as you can be and be conformed to the image of His Son. Be edified unto godliness and this is the process by which you can do that.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics	Prayer: Instead of praying for Ralph to be saved, should pray how can I get the gospel to Ralph? If you want to get that done, the best way to do it is to just go do it. Give them a tract or if you don't feel comfortable doing it, get someone who does to go with you. But don't just give it to God and say, well, I've prayed, I've done my bit. You can't pray someone out of a stronghold but you can pray yourself out of a stronghold. Praying for someone about a form of doctrine encourages them to live in that doctrine. MM says if you set the stage, people act out of their parts. Complain about the heat and people will complain right back. Works the same way with a person's physical circumstances. Say here's a great opportunity to be more than a conqueror. Remember, some people think 'why is God letting this happen to me?' or 'God did this', Satan loves to put those thoughts in people's heads. But that is not what God is doing today.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	Paul's Prayers (teaching on Ephesians 3:14-19) Paul's prayers are radically different than they way people pray today. Locate things that are consistent in Paul's Prayers; identify the way Paul prays: 1. EXCLUSIVELY SPIRITUAL: Paul's prayers are exclusively spiritual - the all the things he is asking for. They are all spiritual issues. Our prayers should all be spiritual in nature. Not concerned for physical things or material things, but spiritual. Not praying for a change to a physical circumstance, for a new building, praying for their individual buildings. The building of your body (GH: inner man building) is the building God is interested in building up. Paul prays for the spiritual condition of the saints and we are going to pray for the spiritual condition of the saints as well. MM lists all the things Paul prays for in Ephesians 1 and Ephesians 3. If someone has a physical need (covered in Romans 12), need to meet it (EX Paul taking up an offering for the poor saints in Jerusalem). Paul was always after the spiritual welfare and well-being of the saints.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	2a. PRAY ON PURPOSE - PLAN TOMORROW'S WORK (FOR YOU - what am I going to be working on me about): We can do this whenever someone happens to come into our mind (unplanned), but we should be praying for one another on purpose (and with purpose). In other words, we should plan to pray. Pray on purpose and with purpose. MM says if Satan knows you are doing this, he wants to get your mind somewhere else. Need to identify attempts to get you off mentally. If you want your spiritual life to flourish and edification to take place, you will need to pray, your prayer life will have to flourish. You can't just pray when the mood strikes you. Don't act like Sonship prayer is something else you do, it is really a lifestyle. When you begin to pray like Paul, there are areas of your life that will actually change, but do not be afraid of that. Means there are areas of your life that will change, if you are going to engage in the kind of prayer Paul prays. Satan will be whispering you are going to be missing out on some things if you really get committed. But the truth is, your life opens up when you get committed in ways you never would have dreamed it would happen. If you are going to engage in prayer like Paul does you are going to have to pray on purpose.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	If you want: - your spiritual life to flourish - your edification to build - the life of Christ lived in you - to be conformed to the image of God's Son... ...you are going to have to pray. If you want your prayer life to flourish, you are going to have to pray on purpose. Don't just dream up what you want to do but have purpose behind it. Think to yourself, what in my life do I really need to work on? MM asks if you could fix one area of your life in a moment in time, what area would it be? If you can answer that then you have your area. You should look at the verses and memorize at least one of them. Write it down on a card and talk to the Lord about it as much as you can. If nothing comes to mind, take something out of the Ephesians study or the 1 Corinthians study and go to work on that.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	TIP: MM says he uses 3x5 cards every night, one side for the to do list for the next day and the other side for the spiritual work that needs to take place in him. He carries it in his pocket. They are the things he is going to do and the things he is working on and he wants to be aware of them everyday. He writes down what needs to happen in him spiritually next week. It will show up on that card over and over again. Can stay on longer than a week. There are areas of our lives we really need to be working on. If you take the time to write it down, you are more likely to follow through on that. The card is with you all the time, it permeates your mind. Reach for your keys or phone and feel the card, you get a reminder. Before writing it down, he would mean to do the work but at the end of the day he would forget. What is written on that card is the thing that he is after. This will help you work on your own spiritual life on purpose. NOTE: Sounds like one side is split - to do list on one half and the spiritual work on the other half and then on the other side of the card, the memory verses. Personalize the prayer. MM says he has seen this work in him. When you begin to pray like Paul, areas of life will begin to change. If you want your edification, you are going to have to pray and if you want your spiritual life to flourish, you have to play on purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	Two ways to pray on purpose: (1) When we pray throughout the day, it can happen that some things just come into our mind and we pray for them. (2) The night before, plan out the next day. On the spiritual side of the ledger you need to decide what you will be working on spiritually in your own life.This is the issue you will be focusing on throughout the day as you fix your coffee in the morning, drive in your car, and go through your day. Let it permeate your mind. Talk to the Lord about this as often as you can throughout the day. In the beginning, you may find it hard to keep it in your mind, discovering at the end of the day you haven't thought about it until the end of the day. But keep working at it, and you will improve. POINT: Plan to pray throughout the day tomorrow about some area of your spiritual life you need to be working on. Write down your prayer and put it in your pocket. Find/Gather some verses and memorize at least one. If you memorize, if you don't have the card available or you can't pull it out, you have it. Write those references down. Take time to read and study about this work you are doing and then integrate that into your meditation and prayer. Work on yourself by praying on purpose. We pray on purpose by setting aside a time which is specifically dedicated to prayer.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	EX MM wanting to have a greater awareness of the presence of God in His life/with Him all during the day. Wanted to stop praying like God is "up there" and realize the truth that He is right here. Wanted to think about God being with him every moment because He is. In fact, He is here now. This desire to take my relationship to God to a higher level motivated me to study and learn about God's omnipresence so that doctrine could work to transform how I think about His presence. MM looked up the verses. God is not omnipresent as though He is the invisible ether that pervades throughout the entire creation; He is fully present, at every point and place in the entire creation, at the same time. Even those places where there is no man or animal or insect or star or planet. He is at all the spaces in between all the things. Fully present at every place in the universe. He is fully present and listening. Once you fully understand this, it affects GH: talk and behavior.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	Why God has to be omnipresent: Because He is actively sustaining everything in the creation at every moment. If God suddenly died which He can't, everything in the creation would be gone in a moment. He is the necessary being. He is actively sustaining His creation. This is the only reason your soul is immortal, because God is sustaining it. If He ever stopped, you would cease to exist. 2b. PRAY ON PURPOSE - MAKE A PRAYER LIST & TIME TO PRAY (FOR OTHERS): Make a prayer list. Make sure the list has to do with your inner man, not your physical circumstances. And beside each name put your request. Make sure your request is spiritual in nature. Make sure these are spiritual. Make it about the real you on the inside. Don't overwhelm yourself with the prayer list. Put 2-3 people on the prayer list then ask what do I pray for them for? What do you want for them? Tough because you need to understand what is happening in the lives of other people. You can pray when you get up, at lunch, or before bed - doesn't matter as long as you do it. If you make a schedule for it, you are more likely to follow through. Start slowly if you have too. When it takes off, you will make the time. MM says if someone asks what they can pray about for you, be ready with an answer. Ask other people what you can pray for them about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	3. SPECIFIC: Paul's prayers are specific. Paul is not praying generally, he is specific. People today pray 'dear God please bless them or be with them or be gracious to them'. MM says these are the Christian equivalent of 'good luck'. Prayers should be specific AND spiritual in nature. Paul's prayers are always laser focused and precise. Sonship prayer concerns spiritual issues, it is done on purpose, and it is specific. So, when you put those names on your prayer list, out beside them, write down the specific request that you have for them. 4. REPORT YOUR PRAYERS (for 2B - the ones where you are praying for other people): Paul doesn't just say, "Hey, I have been praying for you guys." He does, but then he tells them what he has been praying for them about. He recorded in the letters he wrote to them. You have to tell them AND tell them what you are praying for them about. Then you have to get involved in some degree for that prayer to become a reality. Could be as simple as sending them a note. Ask what can you do for this comfort to become a reality for them. Spend time talking to your heavenly Father about that before you talk to them, saying you need to find a way to comfort them. Tell them but how am I going to do that.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	Prayer with your heavenly Father here will activate the doctrine. When you think of ways to do that, then carry those out. That builds a bond of unity between members of the body of Christ. MM says the kinship we have as members of the body of Christ is meant to go beyond anything that you have ever seen on this earth. There have been times on this earth where people have done things together and relied on each other and they became close and bonded together as a unit. But this thing we are doing for the Lord is of eternal consequence. Supposed to have all this working in us so we are really committed to each other and the love we have shows up in that we are thinking about each other and praying for each other and being involved in each other's lives. Find the scriptures, maybe write them down in a note and send it to them, just to whatever you can to make prayer a reality.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	Important for several reasons: (1) Necessary part of your prayer. Prayer is not a giving God a list of things to do, prayer is an opportunity for God to give you a list of things to do. We have had this backwards. Not saying God is not going to do something but His doing it isn't like we think. Prayer is how God gives us things to do and let God work through that. MM says if He wasn't going to use us to do it, what are we here for? What's our part in this? To just give God some marching orders? When we know of a need within the body, we are supposed to respond to it by meeting that need by edifying, by exhorting, by giving, by ruling (administration) or by mercy. This is the opportunity for us to go to work and let God work is us. Prayer is a call to action. - If you know of someone who needs the gospel to be saved, you can talk to God about that but it is not enough just to pray for them to be saved. You carry them the gospel. If you don't know, go through the school of evangelism. Give them the MBI card. If you care enough for them to be saved, care enough about getting them the gospel message. If you see a need and can't meet it, find someone who can. If you aren't willing to get involved, then don't kid yourself that you are really praying for them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	(2) It activates the doctrine. Prayer turns our thoughts toward the doctrine, for us and for those we pray for. It makes us act for godly reasons instead of fleshly reasons. Start thinking it from your heavenly Father's point of view and not your fleshly point of view. (3) Encourages the people we pray for. Reporting the prayer to the person you are praying for what you are praying encourages them. If they don't know what you are praying, they won't get any encouragement out of that. (4) IMPORTANT - It builds a spiritual bond. Builds the bonds between us. One of the ways we create unity in the body. Have to know someone well enough to know to pray for them. This is one of the ways that we learn to love each other. This is one of the ways we are “fitly joined together.” This is one of the ways we create unity as a body and become members one of another. MM thinks this is the problem in churches it is something we want to have that we think we have but we don't know how to have. Read Acts 20 and see the bond Paul had with the Ephesians. We are demonstrating our godly love for each other. In order for someone to pray for you with a specific spiritual request, you have to really know something about them.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	We don’t get to know people so we will have a legitimate prayer request concerning them. We get to know them because they are part of our spiritual family (as members of the body of Christ) and closely connected to our assembly (as fellow members of the same body). The idea of being members one of another, and being “fitly joined together” and have the kind of “unity” and “fellowship” that we are supposed to have here on earth and also later in the HP as we labor together with our heavenly Father hinges on our caring deeply for one another with godly love and charity. Easy for natural family members. But when it comes to being members of a body with other people with whom our only connection is that they have trusted Christ, are members of the body of Christ and members of the same assembly; we don’t have that natural affection and our godly love for them needs to be generated by the effectual working of the doctrine.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	MM says there's an attachment we are supposed to have with each other: - has trusted Christ as their Savior - part of the same family of God we are a part of - our brother/sister in Christ - part of the body of Christ - going with us to the heavenly places - going to be laboring together up there in some capacity with the Lord Should be enough to look at them very differently than just some person living in the world that we really don't know anything about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	(5) Edifies us and them. The more we do this, the more we are built up in the faith and the more they are as well. How so? Because this is the pattern for prayer. Paul reports his prayers to those he is praying for. Paul is providing God's answer to his own prayer. And that is another key to prayer. 5. PROVIDE YOUR ANSWER: Not you are going to answer their prayers. This is how you are getting involved on their behalf. When you tell them you are praying for them and report what they are praying for you. Trying to get it into their mind so it will benefit them. (1) let them know what you are praying for them, and (2) give them that which will answer your prayer.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	6. TIPS: (1) Turn Paul's prayer for the Ephesians 3:16-19 into a prayer for yourself – write it down for the next day and look at it often and pray it. (2) Determine to pray on purpose throughout the day. Write it down the night before and stay with it until you feel like it is time to move on. (3) Make a prayer list and have a prayer time/create a time to pray; create a routine. Keep it short in the beginning. You will want to add more later. (4) Make a prayer list for yourself. (5) Find out what someone needs spiritually and pray for that. (6) Branch out your prayer life. Pray with your spouse. Pray as a family. Pray with your kids. Pray on your own. Terrific way to build family relationships. Pray throughout the day. Pray with direction and purpose. Plan your prayers and go to work on them. Invest time in prayer. (7) Pray with direction and purpose.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	MM prayer on the assembly's prayers: "Father, I pray that we would all be encouraged to pray, and to make our prayer lives a priority. May we identify Satan's lies that seek to discourage us, and choose to believe the truth, that we can pray effectively. I pray that this week would be a turning point for anyone who has given up on prayer. What we have talked about today is the kind of prayer all of us can do, and it is the kind of prayer You have been waiting to hear. I pray that You, our great Father, the God of our Savior Jesus Christ, would rekindle a fire in our hearts to spend time with You this week."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS: Prayer Scenarios where you need to be STRENGTHENED WITH MIGHT BY HIS SPIRIT IN THE INNER MAN- Ephesians 3:16. That strengthening can produce comfort, peace, instruction, spiritual warfare, patience, or love, just to name a few. The process is pretty much the same, but the doctrine being utilized is different. No matter what each member is going through, they all need to be strengthened in their inner man by God's Spirit. When God's Spirit does the strengthening, it is not by the flesh that this is being done, but it is being done by Christ dwelling in you: 1. Lost a loved one - going through a difficult time. Everyone experiences this - parents, friends, family members IDENTIFY THE NEED: Comfort (see notes for verses) VERSES: PRAY: God would comfort them in their time of sorrow Tell them that you are praying that God would comfort their heart.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): If you have suffered the loss of someone dear to you, you need to be strengthened in your inner man (SIYIM) by God's Spirit so you are not over whelmed by your circumstances. Do you know what the "might" is, in this case? It is the power of God's grace to give you "hope." Ask what can you do to bring that comfort to reality. Spend time talking to your heavenly Father. When the doctrine you know will come into your mind. Prayer activates the doctrine. Builds a bond of unity between the members of the body of Christ. The kinship we have with each other is supposed to go beyond anything you have seen on this earth. Go to the scriptures and share them. RESULT: doctrine produces a peace in your heart even while you are going through troublous times. 2. Hurt or offended IDENTIFY THE NEED: Forgiveness - to forgive their offender. Otherwise, if you don't you start to become bitter and resentful. Now, hampering your own spiritual growth. VERSES: PRAY: RESULT: doctrine produces a godly love for your enemies.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 3. SOPT (things that happen to us/we encounter because we are living in a fallen world - physical injury or disease) IDENTIFY THE NEED: Patient endurance. You are not going to get younger. Eyes get bad get glasses. Hearing gets bad get hearing aids. You are going to have to deal with those things. Need the ability to patiently endure to the glory of your heavenly Father instead of moaning and complaining to God, 'why me?'. This is only accomplished when the word effectually works in you. When that doctrine is understood and you begin to pray, your prayer begins to be different. Now you are praying for your inner man to be strengthened instead of your outward circumstances to change. The focus should be on your inner man, the real you, not this body. This body is not built to do the same thing forever. It will eventually go away but you won't go away, you will still be here and one day you will get a new body that will never get old/wear out that will be way better than this body and it is going to be different. VERSES: PRAY: How to pray for them - Pray they will have patient endurance for the things they are going through. They may recover from it, they may not. Some things affect people every day of their life and when they do they will need patient endurance every day for the rest of their life.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 4. SoC: Being attacked for being godly Because of our godly living, because we teach and believe the mystery, we understand we are part of the DOGG, or we are practicing Paul's doctrine. These are spiritual things that Satan is opposed to and he now tries to get us to stop. EX Talking to some Christian friends about the mystery and they jump on you saying that's ridiculous, we don't believe that. Or, you are trying to live godly, and someone is trying to get you to do something that is ungodly. And when you refuse to compromise, now you are the bad guy. Or, because you are trying to live out of the doctrine and people who don't understand Paul's doctrine would look like at that and say what is wrong with you and criticize you for it. IDENTIFY THE NEED: Do need a degree of patient endurance but have to go beyond that. Have to become more than a conqueror- Romans 8:37. This is more than just patiently enduring. Now, you are actually able to put something on the display that has an effect in the spiritual realm that you can't see. This is the privilege in being able to engage in this the way that we do. Need to know where it comes from. VERSES: PRAY: Pray that they won't quit, that they would be more than a conqueror.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): RESULT: doctrine encourages you not to quit. If you are suffering the sufferings of Christ (SoC), (persecution over the mystery, Paul's doctrine, or godliness), you will need to be SIYIM by God's Spirit. In this case, the "might" is the power of God's grace to make you more than a conqueror as you "suffer with Him." It is the power to keep you from rendering evil for evil and even to love your enemies. 5. Fearful/Anxiety IDENTIFY THE NEED: The PEACE OF GOD to rest in the truth of the scriptures every day without being fearful of what's going to happen. VERSES: PRAY: If you are fearful or anxious over some situation, you will need to be SIYIM by God's Spirit. In this case, the "might" is the power of God's grace to produce a peace in your heart, so that instead of fear, you have the spirit of power, love and a sound mind.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 6. GUILT: They always feel unworthy. They feel guilty about everything. They have a very poor self image. It will work for everybody else but it won't work for me. IDENTIFY THE NEED: To learn their identity in Christ. MM says this is a valuable thing to get. If you know who you are in Christ, you won't have to deal with a poor self-image anymore, it won't be you feeling worthless of guilty. You will know exactly who you are and how your heavenly Father sees you and once you know that you can live out of that, where it becomes a reality for you. Not just faking it. Get the truth of the scripture and choose to believe the truth. Understand who is whispering in your ear you are no good, you are worthless, and you will never amount to anything? We know where that comes from. Don't believe that. Find the truth of who you are in Christ and believe that and then live out of that everyday. Once you know/understand who you are in Christ, won't have this issue. You won't feel worthless or guilty anymore because you will have dispelled the lies. VERSES: PRAY: Formulate your own prayer where you say to your heavenly Father: I realize, Lord, I am your son/daughter and I have great value to you. MM reminds of Jesus speaking to His disciples at the temple and there are people who are poor and didn't have a lot of money. MM reminds of Matthew 10:29.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 7. Spiritual oppression: At some point in your life you participated in some kind of practice which has opened the door to Satan, who has stepped in and you suffer consequences of that constantly. IDENTIFY THE NEED: They need freedom in Christ. Need to be set free from that - need to have the freedom to stop that spiritual interference that is going on in their life. See the Sonship Transformation section on this. Ship the section to them if you don't think you are prepared to be that kind of counselor. Don't worry. You have resources to be able to help them. VERSES: PRAY: Lord, I pray that they would find their freedom in Christ so these spiritual issues would not be a hold back to them any longer. Then, send them the section or the material from the Sonship Transformation book. Go to their house and tell them you have been praying for them and give them the materials. If you are under the attack of some kind of spiritual oppression, you will need to be SIYIM by God's Spirit. In this case, the "might" is the power of God's grace to set you free from that entanglement and convince you that you are seated with Christ in the HP, far above everything in Satan's realm; you are no longer subject to him or his power.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 8. Strongholds: There is something they have done all of their life. It wasn't malicious but Satan has managed to build a stronghold in their life and they just can't overcome it. Been there for 20 years and it has become who they are and all they do. IDENTIFY THE NEED: Tear it down. PULLING DOWN OF STRONGHOLDS-2 Corinthians 10:4. See the Sonship Transformation section on Strongholds. Can either read and talk to them about it or copy those pages and give it to them. VERSES: PRAY: If a stronghold of some kind has been built up in your life and it is so entrenched that it controls you, and you hate it but it seems like you are in bondage to it, you need to be SIYIM by God's Spirit. In this case, the "might" is the power of God's grace to pull down that stronghold, remove it from your soul, and replace it with godliness. Have to change the way we look at prayer. Prayer is where God gives us a list of things to do, not us giving God a list of things to do.

Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 9. Lacking prayer life: Not up and running the way it should. IDENTIFY THE NEED: Strengthening your inner man by instructing in the doctrine. VERSES: PRAY: If you have stopped praying because you know what you shouldn't be praying for, but you are not sure exactly what you ought to be praying, so that you have given up, you need to be SIYIM by God's Spirit. In this case, the "might" is the power of God's grace to teach you about prayer and get you praying again. WAY TO PRAY FOR THESE TYPE OF NEEDS: 1) Identify that need. 2) Talk to your heavenly Father about it. 3) Be specific depending on the need.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): 4) Make sure it is something spiritual that is happening in their inner man. NOTE: Doesn't mean we can't physically help somebody. Give them food, clothing, etc. But when you are asking God to do something, God is not going to send birds to drop cheese burgers on the guy. If he is going to get a cheeseburger it is because somebody is going to go get it for him. If you are talking about physical things, you just go do that if that is what you need to do. If it is a spiritual request, their inner man needs to be built up. 5) Tell them you have been praying for them and what you have been praying for them - tell them out of the scripture. Could quote the verses or give them the verses and encourage them in that way. This is a real prayer opposed to 'I'm going through a tough time' and answering 'well, I have been praying for you'. MM calls this a cheap prayer. This is talking about the kind of prayer that changes us and changes our whole assembly. MM says if you can't help the person on the issue/need, you need to find someone who can.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Prayer Topics : Paul's Prayers	PRAYER SCENARIOS (cont'd): We need to change the way we look at prayer. We look at prayer like it's just words we say and we don't bear any responsibility. We just give God a list of things to do. We have this backwards. Prayer is where God gives us things to do and this is the process whereby that happens. See how someone who loves you and knows you enough to think about you and pray about your inner man and tell you specifically about what they are praying and they get involved, when your issue/need is fixed/met, how will you feel about them? Will build the unity between members of the body. Will increase the love we have for each other. This is what Paul is talking about when he says we are supposed to be FITLY JOINED TOGETHER-Ephesians 4:16. Not isolated parts but parts of a whole. This will transform us as a church, as an assembly of believers.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Pastor Mike's WISE COUNSELS	What Christ did on the Cross: People who sin say if we sin we are going to hell forever but Jesus took it all away in the weekend. Led MM to research. There are degrees of suffering. It can because there are degrees of suffering. The Bible says there will be degrees of suffering. Anti-Christian critics say if we sin, we are going to hell forever, but Jesus took the sins of the world and it cost Him a weekend. How can these be equal? First, there are degrees of suffering (EX Matthew 6:11 (GH: verse?) - several more). Godly Thinking: Everything we do is a byproduct of what we think. The Christian life is not just a general philosophy of life, but it is meant to be a life that has actually lived out in the details of our life. Means that we are the same here (GH: at Monahans) that we are as home. We don't have one life when we're around church and another life when we're at work and another life when we're at home. It is supposed to be the same because if the doctrine is being lived out in the details of our lives, then it means our whole life.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Pastor Mike's WISE COUNSELS	When we trusted Christ as our Savior, we underwent the most profound change in the world and this should always be in our minds, be in the forefront of our minds. That is to say, we are not people who have decided to be a little more moral than we used to be, or decided to turn over a new leaf, or who have decided to join a church, or whatever else. We are a people who have been changed at the very core of our being. What makes us a Christian, what makes us saints of the Most High God, what makes us sons and daughters who have been made righteous and holy & given a totally new nature by our heavenly Father is that we have been given a new nature (you really are different on the inside), we are a new creature (you are altogether different than who you were before you put your faith in Christ as our Savior), and in that we are altogether different from what we were before. A total change took place for us, and the only way you would know about that change is for you to see it in the word of God, to explain what has happened to you down to your soul. As we remember the truth about ourselves, we will find that certain things that used to be true of us are now unthinkable or even impossible. And we'll never look at those things again because we are not who we used to be. We really are different.
Commentary	Sonship : Curriculum Level 2 : Ephesians Commentary : Pastor Mike's WISE COUNSELS	When you trusted Jesus Christ as your Savior, an utter transformation took place in you but you didn't know it. Everything happens in your immaterial soul, not in your physical body. STORY/ANALOGY: Going to an art museum and not being able to fully appreciate the art. But the more you know about art and the artist, the more you appreciate the pieces. MM equating pieces of art for FORMS OF DOCTRINE-Romans 6:17 in Ephesians 5.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	Praying WITH THANKSGIVING to God for something He has done or provided of given to us. Not just being polite (oh, thank you LORD) or logging prayer time or getting what we wanted - it's more than that. There is supposed to be a depth of understanding when we pray a prayer of thanksgiving. Should be a deeper understanding of what is happening when we pray a prayer of thanksgiving. Make sure it is NOT a rote ritual of prayer of thanksgiving, just blurting it really fast out of your memory. That's not a heartfelt prayer of thanksgiving. Don't let yourself fall into some gratuitous speech of “thank you.” We cannot just “go through the motions” of any spiritual discipline, and that is especially true of prayer. Should come out of your heart and not your memory, otherwise it is not producing what it is designed to produce. A prayer of thanksgiving should be based on an intelligent (dispensational) understanding of some things, such as: 1. Why did God do this particular thing? 2. Why do I need it? If God is doing it, it is not superfluous. You needed it. 3. What was God accomplishing by providing this? 4. How is this supposed to affect me with regard to God’s plan and purpose?
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	These questions MM goes through when he is formulating a prayer of thanksgiving because this is training him to pray a prayer of thanksgiving. They train us in godly thanksgiving. Not just training you to say the right words, but when you do this right, that prayer, it is thanksgiving to God, but that prayer is now having an impact on you. Something is happening in you because you are praying this prayer in this way. You have to pray this with intention. The prayer can not only extol God's greatness for doing this, but this prayer now actually beings to affect me in my inner man. It does a couple of things: (1) Build's our relationship with God. (2) Works to edify you in your inner man. It works to produce the character of Christ in you. If we are just going through the motions of any spiritual discipline, including prayer, it won't work and we won't get anything out of it. The prayer of thanks have to be 'heart-felt', meaning it has to have made the impact on us that God designed that prayer to make. The next questions to ask ourselves as we “thank God” in prayer for something: 5 How has this thing impacted me?
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	6. How does my Father perceive this thing He has given to me? What does it mean to Him? 7. Does it have the same meaning for me? Am I thinking about this the way my Father is thinking about this? A prayer of thanksgiving, when performed properly, will do two main things: 1) It will accomplish some things TOWARD God (GH: Nutshell: it brings GLORY to the Father by acknowledging: 1. what God has done 2. what is God's motivation 3. why I need it 4. God's purpose 5. What value to me and by understanding: a. His Will was for you to have every good thing before He ever created and it was His idea from the start and comes to us by His Wisdom) - It brings GLORY to the Father. That glory is not found just in the words, "Thank You", yes, we do that, but by specifically identifying the details of what God has done, His motivation, how He has done it, our need for it, His purpose in it, and our expression of how much we value what we are thanking Him for. A prayer of thanksgiving needs to include these kinds of things. How?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	- By specifically acknowledging what God has done: Don't be too general, be specific about the thing you are thanking Him for. We rightly glorify God the Father because every good thing which has been given to us (I'm talking about in the spiritual realm / Paul takes for granted that we understand this) is because it was the Father's will for us to have it before the foundation of the world. Simply put, if our heavenly Father did not plan for us to have it, then we would not have it. If we have it, or if it is available to us, it is because it was the Father's will, from the beginning, for us to have it. So, we thank Him for it with that in mind. - By acknowledging why I need it: What you are thanking God for. If you are thanking God for it, ask yourself why you need it because it brings to the forefront about what God has done and how important that is. - By talking about God's purpose: MM says this is a little different from His motivation. His motivation for saving us was because He loved us but His purpose could be a little different. His purpose for saving us is to conform us to the image of His Son. Asking why He wants to do this takes you into His eternal purpose. - By talking about God's motivation: Why in the world did He do this thing for us? What motivated Him to do this. It is important it is to understand and speak of God's great wisdom in doing the things He has done.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	Stop and think about the wisdom it took for God, before He had even created the world, to foreknow our condition and realize our need, and together with the Son, to provide it to us in a legitimate way which is in perfect accordance with His love and justice, taking into account everything about us and our circumstances that would have bearing on it. Every time we do this with a specific reference to what He has done, we are manifesting a part of 'the manifold wisdom of God'-Ephesians 3:10 to principalities and powers in heavenly places. We have the opportunity to extol the wisdom of our heavenly Father in all the things He has done (to counter Satan and his minions publishing his 'spiritual wickedness in high places'-Ephesians 6:12. This is a prayer that gets heard in the heavenly places by every angel, good or evil, that reaches into the universe. Make Satan's realm resound with the glory you are giving to your heavenly Father. - Not only should our prayer of thanksgiving bring GLORY to God, but it should also EXALT the Lord Jesus Christ because everything our Father has given us was provided for by some work of Christ, and it is given to us through Christ. And this is by God's design, because the Father's will is to exalt His Son for the great things He has done. Therefore, a properly constructed prayer of thanksgiving will accomplish the Father's will by exalting His Son. Therefore, the prayer should be specific. Should identify the means by which Christ provided for us. It should reflect our understanding of the specific work which Christ did to provide for this thing we are thanking God for. In a prayer of thanksgiving for the sanctification work that is going on in our inner man, we do two things:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	1) we identify those things which glorify our Father (by answering those seven questions), and 2) we acknowledge the specific role the Lord Jesus played in providing it, and making it a reality for us. A prayer of thanksgiving for our sanctified life would recognize that the only reason we can have it is because the Lord Jesus lived a perfectly sinless life on this earth, allowing His life to be lived in us on a moment by moment basis. So, when we are thanking God for the riches which we now have in Christ, part of that prayer of thanksgiving is to recognize the specific work by which Jesus accomplished this, it was by His “becoming poor.” If Christ had not divested Himself of all that He had, then we would never receive the spiritual riches we now possess. Any prayer of thanksgiving would need to include this understanding of which work of Christ made our riches in Christ, possible. It would be His work of becoming poor. See 2 Corinthians 8:9. How our prayer exalts the Lord Jesus: 1. Because that is the Father’s will; the exaltation of His Son. When we pray a prayer exalting Christ, we are praying in the will of God. When we exalt the Son, we acknowledge His motives: He is doing His Father’s will, He is doing everything for our benefit, and all He does is proof of His love for us. And His attitude is doing all of this voluntarily. He does the Father’s will, but whatever that entails, He delights to do it.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	2. We exalt Him because Christ is worthy. He is worthy of being exalted because everything that God would give to you is only given to you through the Son. MM says think about that. There is nothing that the Father willed back before the foundation of the world and wanted you to have that He gives to you apart from His Son. There's nothing. 3. The Lord Jesus is exalted because the Father has given us nothing apart from His Son. Everything that is given to us by God, was provided for by the work of Christ, and then given to us through Christ. Everything you get is through His Son. Everything you get is through His Son. More important - everything you get through His Son is accomplished by something the Son has done, by the work He accomplished. EX If God wants to give you salvation, He accomplishes it by something the Son did. He has to come into the world, live a perfect life, be on the Cross, take upon Himself the sins of the world, and pay that price, die, be buried in the grave, and then rise from the dead 3 days later. All of this is the Work of the Son, and if He doesn't do that work, what kind of salvation will be have? Won't have one. God says I AM going to give them a free will and He says I AM not going to violate their free will. You realize God is not going to overturn your free will to make you do anything. MM says third part and this is the bad news - we are not intrinsically righteous. So when you get someone who is not by nature righteous and they have a free will, they are going to sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	Then that has an effect in the world. Point: God knows He wants to save them, they're going to need saving, that He is going to say to His Son, You are going to have to sacrifice Yourself in order for them to get this salvation. So it's the Will of the Father, but it's the Work of the Son. And either one without the other won't work because Jesus isn't deciding to do stuff that wasn't the Father's Will. So you have to do both of them. So it is worth exalting Him when every good thing you've ever gotten from God came because of something the Son did on our behalf and then offered to us as a free gift of grace. He is rightfully exalted because of this. Summary: Our prayers of thanksgiving should GLORIFY/give GLORY to God and EXALT Christ. So this prayer of thanksgiving has to exalt the Son and that means we're acknowledging a couple of things: - We have to identify the means by which God is going to give us whatever this good thing is that we are praying in thanks for, the means that God is going to do that. Which work Christ has provided for us. EX The means that the Father is using to get us salvation is through the death of His Son on the Cross. If you are going to really thank God for what He has done and what His Son had to do to make that possible for the Father to give that to us. And that means identifying the specific work that the Son did that made that possible.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	So it is more than just dying on the Cross. It's also the shedding of Blood. There's intricacies to this doctrine and our prayers ought to reflect that. If anybody, sons and daughters who understand grace ought to see the intricacies of what God has done through His Son to make things possible for us. It's easy to say in our justification, we are forgiven. But what did He have to do to get that? The shedding of His Blood. Have to understand all of the works that He is doing and none of them are fun. He is not doing fun stuff, He is doing difficult, sacrificial things and He is rejoicing in doing them, He is doing it happily. He is on the same wavelength as the Father. They both know you have to have this, this is not optional. And not just a good attitude (not going to gripe out loud but could be griping on the inside). His attitude in all of this is He is volunteering it do this. The Father never has to say You will do this because I say so. The Father says, hey, here's My Will. I want to save these people and I want to make them fit for eternity in an environment that will be the most blessed, glorious, exciting thing - a glorious eternity that this earth has never been anything more than a shadow of. God is saying, that's My Will for them and the Son is saying that's what I want too Father.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	And both of them know what it's going to take. It's going to take sacrifices on the Son's part and the Son says I am volunteering. MM says it is a good thing He did because there's no one else that could have done it. See the Father is worthy to be glorified and the Son is worthy to be exalted. When we exalt His Son, we do it by acknowledging His motives: - To do the Father's Will, to fulfill the Will of the Father. And the Father comes up with it. It is the Father's Will or idea. But the work to accomplish it is the Son and that's why we exalt Him. - He is doing this for our benefit. He didn't just die on the Cross because He wanted to do it. He did it for our benefit. - This is how He proves His Love. See Romans 5:8. This is the proof that no one has ever loved you like God loves you.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	EXAMPLE 1: Thanking God for the work He is doing in you to save you in the sense of your sanctified life, which is an ongoing process. MM using Romans 5:10. Be specific for which work of Christ provided for this thing. The sanctification salvation is provided BY HIS LIFE- Romans 5:10. Because He lived a perfect and sinless life. Because if He didn't, He can't offer us a sanctified life. That is provided by the Life of the Lord Jesus where He does the Father's Will, where He is obedient, even unto death. Everything that He did in His Life was so that we could have the middle tense of salvation. So we thank God for that sanctification aspect of our life. Think - if someone you loved needed something and it required you to live a perfect life - thought, word, and deed - would they get it? They wouldn't. But that's what the Lord Jesus did so that we might have the present tense salvation. EXAMPLE 2: Thanking God for the riches we have in Christ. See 2 Corinthians 8:9. MM going through the checklist. The Work He did was divesting Himself of everything He had when He was rich. That's the Work that allowed us to now to get those riches of what He divested Himself of to come to this earth and suffer as a Man.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	The humiliation and all of that. He gave up everything in order to come and do this for us. This is a different work from His Death on the Cross. This is a different work from His sinless life. Everything He had, He was willing to give that up. He made the ultimate sacrifice, but not doin His Will, but doing the Will of the Father. MM is trying to take our prayer life to a different level. Prayer of thanksgiving will actually get spread throughout the universe that glorifies the Father and exalts the Son because it recognizes what the Son had to do to bring that to pass. MM says if you ever got something of great value, then likely whoever gave it had to pay a pretty good price so that they could give it away. That's what gives it value. If someone gives you something and it doesn't mean anything to them and it doesn't cost them anything, the gift doesn't seem like much. EXAMPLE 3: It is Work on the Cross that we got reconciled. See Ephesians 2:16. We should be grateful for the Cross-work of Christ when it comes to our reconciliation. EXAMPLE 4: Jesus' shedding His Blood is how we get forgiveness of sins. See Ephesians 1:7.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	EXAMPLE 5: If we are going to have the promise of eternal life, He had to raise from the dead. See 1 Corinthians 15:13-18. It all hinges on the Resurrection. He was raised from the dead so that we would have eternal life. He is buried because that is proof of His Death. Then after He is raised, He was seen by all these people. - What value it is to me: Whatever you are thanking God for, you want something in your prayer that expresses the value that it has to you. This is a normal thing that we do. If you have a birthday, and get a present, a common courtesy would be to thank them. To go beyond that, could tell them what value it has to you. Makes the person that gave it feel good. We are not trying to make God feel good, we are truly trying to glorify Him because that means we understand what He has done and we've been able to answer that. MM says this is similar to the 7 questions from last session. We rightly glorify God because every good thing that you have received comes from your heavenly Father, but GH: make sure you understand the way the apostle Paul is talking about it. Point: God, in His Wisdom, knew what we would need before He ever created the world, before He ever created mankind, before He ever created the angels. God by His omniscience, looked down through time and knew what the predicament would be and knew exactly what we needed, and in that Wisdom, He decided we would have salvation, or this new identity in Christ, or this justification, or this sanctification, etc.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	He decided all of that ahead of time. For every good thing you have, it is His Will for you to have it and that Will was expressed ever before He created and it was His idea from the start and comes to us by His Wisdom. This is what God had in mind from the very beginning. He is thinking about you in your future life before anyone was ever created. God is so wise that He doesn't have to alter His plan after the thing is in motion. MM asks think about the times we plan something out and then as it unfolds we need to add or change something. God didn't have to add or change anything. How wise is God in all of that? This is really important because when you are extoling the Father for His great Wisdom, when we see these kinds of characteristics in people, we say that guy is really smart. When we make known God's great Wisdom, we are publishing 'the manifold wisdom of God'-Ephesians 3:10. The kernel at the heart of this is that God took Satan in his 'own craftiness'-Job 5:13. But it is manifold wisdom, meaning there are more areas than that. This is an area in our prayer of thanksgiving we are extoling the Wisdom of God. GH: When we publish it, God handles the rest, publishing it in the heavens. When we fail, Satan wants to fill up that realm with the spiritual wickedness. Satan wants to flaunt our failures, but God wants us to flaunt His Wisdom. These are the two campaigns going on in the heavenly places. You can't hear or see them, but they are going on out there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	MM says he would love to have our church make the heavens ring with the manifold wisdom of God so much that it would just drive Satan crazy. He would love that. And the means we have is either thinking about it or talking about that or praying about that. When our prayers go up to God on one of these things (GH: on the prayer of thanksgiving checklist) and we are thanking Him for that, all of the heavens get to hear that. They go throughout the whole universe. Every time we thank Him for something specific that He has done, we are manifesting part of the manifold wisdom of God to principalities and powers in the heavenly places. 2) it will accomplish some things IN us - our prayer of thanksgiving impacts us in three particular ways: 1) it bolsters/builds our relationship with God by increasing and deepening our love for Him through an appreciation for what he has done and why we needed to have it. When you have someone who is constantly doing things to assist you and help you, which you cannot do for yourself 2) It deepens our edification in the doctrine we already know, of known doctrine. Not being taught new doctrine here. As you go through the process of constructing this prayer of thanksgiving, you're coming now to a deeper understanding of the doctrines that you already knew were true. But now you have the details that really enhance your understanding of that and that's really important. Just because you learned a doctrine doesn't mean you know it in all its depth.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	3) It either establishes or it generates/develops (if you haven't been grateful) a godly attitude of gratitude/thankfulness, so that we don't take things for granted, but have a true appreciation for all that has been done for us. Some things may be brand new things for you to be grateful for. MM says you will have this in eternity so you might as well get used to it. He is saying this to encourage us. EX Prayer - thanking God for our salvation, when you got JUEL. That's what we are thanking Him for. Group answers: GH: Not sure I got these on the right numbers. 1. Because He loves us. His good pleasure. 2. To accomplish God's purpose. To reconcile the heavens. To conform us to the image of His Son. To satisfy the wrath that was upon us. 3. Spiritual fitness. Escape hell. 4. Transform us. Give us hope. Extremely grateful. 5. Because of this things in #4: Has given me a peace. Change the way we live. 6. How does God look at the salvation that He has given to you/What does it mean to Him: It glorifies Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6	7. MM asks does your salvation have the same meaning for you as it does your heavenly Father? MM says if you really appreciate salvation and you know something about it and you really appreciate it, you might be able to say this has meaning to you like it does to God. But MM says, he doesn't know everything about it that God knows. If there's something there, it can't have the same meaning for you, but it should. We should be moving toward that. You would need to learn all that you could learn about the salvation that was given to you as a free gift of grace.
	Commentary : Praying with Thanksgiving	MM's prayer for this - Father, thank You for saving me. You are the God of my salvation. Sending Your Son to die for me was the proof of Your Love for me, and my heart rejoices in that love. If not for Your saving grace, I would be bound for an eternity of torment separated from You. Therefore, I pray not to take my salvation for granted, but to live in the joy of my salvation every day. When my day is hard, I'm comforted first by the salvation You have given to me through Your Aon because I am at peace with You. Thank You for saving me by Your grace. I was an unrighteous sinner, but in saving me You have lifted me up and exalted me in Christ. How wonderful is Your salvation? I treasure my salvation. And yet the more I learn about it makes it appear more brilliant and glorious than before. I pray that my salvation will mean as much to me as it does to You.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6	And in order to see that prayer answered, I will take the time to study and learn of my salvation so that I might again stand in awe of what you have done. Thank You, Father, for saving me when I was an unrighteous sinner. May my life indicate just how much I appreciate what You have done for me through your son. Amen. MM says 35 minutes to construct and 90 minutes to recite. Point: This was a good investment of 30 minutes because it put together a prayer that genuinely expressed to God how He felt about his salvation, it began to work things in him.
	Commentary : Praying with Thanksgiving	* 'You are the God of my salvation.' - This is one of the favorite things that David says in the Psalms. He constantly says this and MM likes this phrase. Two minor prophets also say it. Also reminds him of 'the Father of mercies, and the God of all comfort'-2 Corinthians 1:3. Then, he thought in Romans, 'the God of hope'-Romans 15:13. 'God of peace'-Romans 15:33. 'God of patience and consolation'-Romans 15:5. Made MM think He is the God of a bunch of stuff. Didn't even list them all. This prayer caused him to see this. Showed him that God is 'the God of...' so many things in his life that he is grateful for. * Took him back to the day he trusted Christ as an 8 year old. He remembered sitting in that car with his aunt, uncle, and cousin. Remembers stopping along the way to get something to drink.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	Instead of getting in the back seat with his younger cousin, he sat in the front seat with his uncle Frank and he talked to MM about the Lord and he trusted Christ in the front seat of that car on the way back. First thing he did when he got home, he ran in to tell his mom and dad that he got saved. Didn't know why. He was 8, just a kid, but he was so aware that Jesus was his Savior and had assurance of that. When he was telling them, he started crying. As he wrote this prayer, it took him back to that to remember that and kind of relive it and to say, LORD, thank You that as a young kid, I trusted Jesus. It reignited the joy of his salvation and how much that really means to him. He is doing this because he is training himself to pray properly. Just reeling off something in your rote memory is not impacting you or anyone else. This type of prayer has changed MM by taking the doctrine he already know and it allowed him to be impacted by it in a deeper way than before. He has done this enough to know what does work and what doesn't work. Don't limit this to these questions - add your own. This investment of time trains us in godly prayer. Most of our prayers are extemporaneous - whatever comes into our heads. We don't plan it and we don't think about it. People criticize writing out a prayer but if they really understood prayer, they would be writing theirs out.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	Don't let someone intimidate you out of the process of teaching yourself to pray. If you can speak extemporaneously and put these kinds of things in it, then great. You should do that. But not everyone has the ability to do that. MM doesn't think rote prayer impact us very much and they don't fully glorify God to the place where a real prayer of thanksgiving would. MM says it works like this in every dispensation. Jesus disciples came to him and said, Lord, teach us to pray. These are guys who grew up in Israel/Jerusalem and heard the prayers at every feast day, every day of their life. MM thinks they heard Jesus praying and they are going, hmmm, doesn't sound like what we are used to hearing. Why else would you come to Him and go teach us to pray. The words they left out were - like You do. Then Jesus gives them what is commonly referred to as the Lord's prayer. Pray this way. MM asks do you think He just threw that out there or was there intelligence behind that prayer? He knew the things He put in that prayer and knew what they meant to the Father and knew what they meant to Him. He's trying to transfer that. Think about the times Jesus went out by Himself and spent the whole night in prayer. MM is not suggesting everybody has to do this to be spiritual, but there was intention behind His prayer.
Commentary	Sonship : Curriculum Level 2 : Philippians 4:6 Commentary : Praying with Thanksgiving	When you/they prayed 'Thy Kingdom come...', you/they are praying in accordance with what God is doing in the Israel program. That's exactly what He is doing. This prayer He gave to them was marvelously put together. MM thinks He had been praying it. MM thinks we have to be taught how to pray, especially since Paul says FOR WE KNOW NOT WHAT WE SHOULD PRAY FOR AS WE OUGHT-Romans 8:26. This was a big clue to MM. He wishes there was something that taught this but if there is, he can't find it. He doesn't have access to everything and he doesn't spend a lot of time looking. Probably out there somewhere. MM exhorts us to take time to do this. What is the thing you are really thankful for and train yourself in godly prayer. Ask these 7 questions and any others.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Simple Son	SIMPLE SON (Freshman): Take each of the 4 decision making skills and make decisions in each area. 1. wisdom 2. justice 3. judgment 4. equity Simple Son: One-dimensional - knows just enough to be dangerous. To get himself in trouble. Inherent weaknesses - where the STRANGE WOMAN (PoE) comes into play. Time when a son is most susceptible to that. Not meant to be derogatory. Just means you are 1-dimensional. You can't afford to stop there. Various definitions of “Simple”: not complex; unadorned; free from refinement; unsophisticated, plain, homely. Just know the basics, but know more than 99% of the Christians in the world. Tendency to put your thumbs in your suspenders and say I don't need to go any further cause I've made it. MM says that would be a tragic mistake. All you really know is enough to get yourself in trouble.
Commentary	Sonship : Curriculum Level 1 : Simple Son	Simple Son (Freshman): completed: AREA 1. TO KNOW WISDOM AND INSTRUCTION (SO) - Proverbs 1:2a AREA 2. TO PERCEIVE THE WORDS OF UNDERSTANDING (SE)- Proverbs 1:2b AREA 3. RECEIVE THE INSTRUCTION OF WISDOM, JUSTICE, AND JUDGMENT, AND EQUITY- Proverbs 1:3 (Four Decision Making Skills). Simple son is the longest and most difficult phase of your education. If you get through Romans and don't have any problems with Corinthians or Galatians... Biggest hurdle. Huge jump to get to SIMPLE SON. Romans -> SIMPLE SON If you run off the track, will do it in 1 of 2 ways. 1. Corrected in the Corinthians letter 2. Corrected in the Galatians letter These 2 dovetail back in to solving any problem you have in getting educated as a SIMPLE SON.
Commentary	Sonship : Curriculum Level 1 : Simple Son	Come to Ephesians 1 as a SIMPLE SON and going to get something added to what you have already been educated in so that there's a place in Ephesians that when you get to that place you will have added to being a SIMPLE SON and you will then become a YOUNG MAN. Will think you know so much after Romans/becoming a Simple Son. Will look at people and say they have no clue. You are still one dimensional. Simple Son: - Romans (Gets done in Romans) - I/II Corinthians: Corinthians had a big problem and Paul writes 1 Corinthians to straighten them out on the first way you get something wrong. Got justification and sanctification right. They saw something in Romans 8:14 that made them unwilling to go any further and go in a different direction. Paul writes to get them back on track with their Sonship. - Galatians: Galatians covers the second way you get something wrong. Galatians issue was falling back under the law. Hopefully, we have beaten that into the ground. Won't spend a lot of time in Galatians because of this.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 1 : Simple Son	Two outstanding conditions that define a SIMPLE SON: (I) = It's a state of being one-dimensional in the understanding and appreciation of your Father's Business and how you fit into it. Will know things but it is a very basic understanding. (II) = It's a state whereby your deficiencies in knowledge and lacking of acuteness of comprehension makes you vulnerable to the subtleties of the Satanic Policy of Evil—vulnerable to being attacked & victimized by it. You are not multi-dimensional yet.
Commentary	Sonship : Curriculum Level 2 : Young Man	YOUNG MAN: Add subtilty to the simple (SON) Young Man (Sophomore: Wise Moron): completed: AREA 4. TO GIVE SUBTILTY TO THE SIMPLE- Proverbs 1:4 - Based on punctation, not a lot of difference between SIMPLE SON and YOUNG MAN. Just add SUBTILTY. MM sees a son/step level division here. Young implies immaturity. Wise implies safety in putting something into his hand. Is just increasing. YOUNG MAN (SOPHOMORE - two latin words - wise moron): When you add SUBTILTY (LEVEL 2, Phase I). There are two outstanding conditions that define a YOUNG MAN - both of these are the ability to beyond the obvious: (I) Extreme acuteness (awareness) in penetrating and discriminating the finer points of the Father's Business and your part in it/what you are going to do with Him (GH: when you get SUBTILTY added to it). Back when SIMPLE SON, have just a basic understanding of the Father's Business and only a partial understanding of what you will be doing in it. Subtilty provides for the son to be multi-dimensional in the understanding and appreciation of the Father's business. Allows you now to know way more than the basics about what God is going and what you are going to be doing with Him. From What does your father do? Works in the oil field. May not know anymore than that. Or may know a lot of detail of what he does. That's the difference in a worldly sense. (II) Extreme acuteness in penetrating and discriminating the finer points of the Satanic policy of evil. Subtilty provides for the son to have acute comprehension to see through the subtleties of the Satanic Policy of Evil so as to not be victimized by it. Being about to discern more than just what lies on the surface.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 3 : Wise Man	Wise Man: Can combine the 4 decision making skills together in various forms for more complex decisions. WISE MAN: Add KNOWLEDGE and DISCRETION to a young man Wise Man (Junior): completed: AREA 5. KNOWLEDGE AND DISCRETION- Proverbs 1:4 Jump from YOUNG MAN to WISE MAN is substantial. When you become a multi-dimensional WISE MAN (finish LEVEL 2): - You have a reputation to uphold, and that reputation is not among men on this earth but in the heavenly places. Your conduct and behavior is going to become paramount, and by this I am not just referring to reigning-in sinful behavior. MM is talking about spiritual indiscretions. It includes that, but it is more than that. At this time, being caught in a sinful indiscretion will be equivalent to being caught in a spiritual indiscretion, which is why the next phase will teach the son “knowledge and discretion.” Just to illustrate what MM is talking about: discretion will enable you to see through the flattering words that are meant to make you involve yourself in something down here that will ruin your reputation up there. By the time you get here, there's another issue at stake because you are now seeing more. Most Christians think I've got a reputation.
Commentary	Sonship : Curriculum Level 3 : Wise Man	People won't need to know I am a Christian so I need to represent the cause of Christ and need to conduct myself properly. MM says that fine, not throwing that away. That's so rudiamentary, when you get here, that's a given. You will have a reputation among both (GH: angelic) camps - good and evil. The POE is going to seek to trip you up but it's not going to be with the things you think. Not going to try and turn you into a sinful maniac. MM is talking about an INDISCRETION (when you make an oversight. Not something like murder or something catastrophic, on the small end of the scale where you just didn't pay attention to what you were doing). MM gives this as an example since no one in the room would be tempted by this and he is not your T&G - for MM a big church in Odessa contacts him and saying come over and teach 1,000 people and will pay your $100k/year, give car allowance, insurance, etc. Going from a group he's teaching Sonship to a church that is not - can't teach Sonship to a church of 1,000. That's too big of a group. They are not looking for Sonship, they are looking for the same thing. For him to do that, it would cause his reputation in the heavenly places to be tarnished. This would also violate the first one. - you’re going to begin to be talked about in the heavenly places (your conversation is going to be in heaven) - Romans 13:12 - the things you are doing reflect upon your Heavenly Father. Again, MM not talking about big things/sins. Talking about the little things of your life - the way you talk, the way you conduct yourself around others, the way you treat folks, and all those kind of issues. Everything you do is now going to begin to be a reflection on Him. Not going to give you a list of things, but SUBTILTY will allow you to see way beyond. Will go into areas where you say, Wow, I really didn't think of that before.

Commentary	Sonship : Curriculum Level 4 : Man of Understanding	Man of Understanding: Can combine the 4 decision making skills together in various forms for more complex decisions. (GH: AREA 6?)MAN OF UNDERSTANDING- Proverbs 1:5: Wise man who increases in learning; shall attain unto wise counsels - WISE COUNSELS- Proverbs 1:5: What will happen in the dispensation of the fulness of times when only fully educated sons who have become men of understanding - ATTAIN: Reached something, gotten it Man of Understanding (Senior): completed: AREA 6. ATTAIN UNTO WISE COUNSELS- Proverbs 1:5 (done out there; the ultimate of the wise counsels is when God sits down at the table with only fully educated sons Jump from WISE MAN to MAN OF UNDERSTANDING is not that great. Education is finished.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding	God could start a satellite business with you. What's the point of educating you if He has to micromanage you. MAN OF UNDERSTANDING (SENIOR): At the end of LEVEL 3, Phase 1. LEVEL 3, Phase 2: Man of Understanding/Senior adds to himself that allows him to do something that makes him elite among the seniors. Like graduating first in their class. MAN OF UNDERSTANDING: You will sit in the privy counsel of your Heavenly Father to talk about those things which He will do in the AGES TO COME. **GH: Man of Understanding = FES (Fully Educated Son)**
Commentary	Sonship : Curriculum Level 4 : Man of Understanding	Ephesians - Session 43-44: Someone who has some measure of engagement with every FORM OF DOCTRINE-Romans 6:17 in Paul's epistles. You understand that very Book that Paul writes has doctrine within it. You are getting educated apply those things to your everyday life, they begin to conform you to the image of God's Son. Being a MAN OF UNDERSTANDING-Proverbs 1:5 is not about who has the most answers to Bible questions, or who knows the most about the Bible or who can best explain a difficult verse. You can do these things without being a MAN OF UNDERSTANDING. A Man of Understanding is describing anyone in this DOGG who has learned, and is putting into practice, the various forms of doctrine in Paul's epistles. A Man of Understanding, or a FES (fully educated son), refers to the full spectrum of our edification, NOT to our theological knowledge. Talking about how much you are edified, not how many facts you know. Just because a person knows more than you do does not mean they are further along in their Sonship life. Don't conflate these issues/areas. MM gives an example of a Bible theologian who knows a lot of information but none of this speaks to his edification unto godliness. Being conformed to the image of Christ (CIC) is about your edification and IT is the issue. Don't ever forget that. Godliness is a product of edification. Being a fully educated son or MAN OF UNDERSTANDING is about edification.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding	Ephesians - Session 43-44 (cont'd): The whole edification process is for us to be conformed to the image of Christ. That takes place as we are transformed by the doctrine so that we are no longer who we are now, trying to work with the doctrine, but the Spirit has taken the doctrine and conformed us to the image of Christ in this particular area, which, in turn, manifests itself by our outward behavior. Being a FES is not about knowledge, it's about edification. Someone who has been edified by the doctrine in Paul's epistles. This is the only thing we are taking with us that is going to determine our position in the heavenly places. And this is going to be the issue at the JSoC. Not saying a MAN OF UNDERSTANDING will never make a wrong decision, but he does know the doctrines and has them working in him, at least in their initial application. Be more advanced in some than others but that is fine. Continue to work on the doctrines in every area of your life. This edification all takes place as we are transformed by the doctrine. Move from a person trying to get it working in your life to now it has happened and you are already transformed. And that transformation manifests itself by our outward behavior.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	HISTORY/BACKGROUND: God had to put a couple specific things in place at the fall of Adam to disconnect the heavens and the earth because sin was now loose on the planet. When sin came into the world, God put 2 particular barriers in place to keep that from happening. Before the dispensation of the fullness of times, there's prep work that needs to be done. FUTURE GAME PLAN (God's level): STEP 1: That is when God is going to reconcile everything in heaven and in earth as one. Restrictive barriers have to be removed because God is going to join the whole creature back together again. We are going to help orchestrate the doing of that. Has to be done before the dispensation of the fullness of times can take place. STEP 2: Talked about in Job - listing of the constellations. He is pointing out to you the places in those heavenly places where Satan has created strongholds in the very places where the creature is fastened (word used in Job). Questions to Job - where were you when I laid the foundations of the earth, fastened the whole rest of this creation out there. Talks about the ordinances of heaven. Don't make the mistake of defining a word one way every time we hear it. Talking about the very ligaments that tie that thing together. Satan went a set up strongholds in the very linch pins of the creature. We have to go fix those linch pin places in the book of Job.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	FUTURE GAME PLAN (Son/Daughter-level): When we get raptured out and go to the Judgment Seat of Christ, there we will either gain or lose reward according to 1 Corinthians 5. From there, will all be presented to God in a formal ceremony. Then God will decide what our inheritance will be. We will then go and occupy the place we have been assigned in the heavenly places. What you will be doing depends on where you are in your Sonship edification when you leave this planet. It drives your commensurate level or position in your Heavenly Father's Business. This life is means to educate, that's why we are going through the curriculum. Things will be happening all over the universe, not just on earth. What you will be doing as a joint heir with Jesus is very different than if you are not. Bible/Paul uses the word VOCATION-Ephesians 4:1 to describe what you will be doing in the heavenly places, not here on earth. If you're going to be out there in eternity you're going to be laboring with God in the eternal Kingdom as a son in a very specific way with a standing before Him a status of Sonship and all that goes with it you gonna have to have perfect justification and perfect sanctification. We won't all be doing the same thing and we won't all know the same thing and won't all have the same position because once you get Sonship, what God now opens up to you is what your heavenly Father left you here.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	You will be installed in positions of God's government depending on where we go in our edification. Makes sense, doesn't it. The idea that we get to Heaven and God's just going to bloop everything into our head and we'll know it all. It's not Bible. It's an assumption. We have an idea when we get to Heaven we're going to be sitting around, strumming harps sitting on clouds in an eternity of boring. Will have a governing position out in the creature out there and you as part of the body of Christ are going to be running that creature, you're the intelligencia for that creature. Using Paul's terminology. We need a glorified body to function/take up your vocation in the heavenly places where your human body can't survive. Glorified body is not a parlor trick. Glorified body is to perform a function out there that we can't do without it. The reason he didn't give you a glorified body when you got saved because he plans to take every one of us as sons and daughters through a curriculum in which He is equipping us to carry out His Business in the heavenly places. NOTE: If God didn't want you to suffer with physical infirmities He would have given you your glorified body when you got justified. MM doesn't want to sit on on the sidelines. Remember, some will be called great in the kingdom and others will be called least. Same out in the heavenly places. MM is dying to tell you about something that He is going to do for you and your glorified body out there in the creature that when people see that, they're going to immediately recognize something about that body too. But MM will refrain. Vocation: deal with both aspects of the heavenly places: • We're going to be giving it it's functional life as that creature • We're also going to be involved in administrating it's government • We are also going to be dealing with its architectural structure (because there's going to be some dismantling we're to oversee and get accomplished by means of utilizing the angels to do the work).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	If you become a fully educated son and you are sitting at a Counsel of your Heavenly Father in the ages to come, and He looks around the table, looks at Gloria and says, 'Gloria, knowing what we are just closing out, where do we go from here in the next age?' The very first principle of thinking that ought to come into your mind if you are asked that question. Today, you are getting a piece of doctrine that is equipping you as a fully educated son to sit in that Counsel and answer that question. Will remember this from today till the day you get your glorified body and get into the Heavenly Places. Couple this with those 4 Sonship decision making skills - wisdom, justice, judgment, and equity. There's a refinement where you see the nuances of those. When you are sitting at the counsel and God asks you where we should go from here, the Number 1 thought that should/will come into your mind is God's eternal purpose of giving glory to His Son. What the whole creation was about that to begin with. The reason He created us is that we might share in that glory. That His purpose is about is eternal glory. That's what we are headed toward. ETERNAL VOCATION: We will be turning the lights on. There will not be darkness anymore. We will not only bring a reviving to the creature, there is something that God is going to do to this earth that is actually going to jump start that creature. We are going to return righteousness to the creature, light to the creature, because that thing is in darkness. This world is in darkness. This is part and parcel of the eternal glory that you are going to have the privilege to have a part in and contribute to and work in as a member of the body of Christ.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	We'll have the Lord Jesus as the Head of the Body, then you will have this governmental structure that will come down from Him. • Probably Paul. • Then a whole series of fully educated sons in the positions of principalities and powers. • God is going to make His Son Head of all of this. • Even if everyone would walk away, MM is still going to do his own Sonship. He is not going to get up there and say I walked away from it and He says explain that to Me? Because he sees it. He really sees it. For MM, not an option. It is THEE thing. Most saved people think - What is the big deal? I got saved, I am going to heaven. Can't lose it. I am busy. I am doing stuff. When I get up there, He will fill me in on what I need to know and we've got eternity. Whateever I didn't learn down here I can learn up there, we have forever. MM says here is the shock of it all - your Father has no remedial courses for people who had neither the time nor the inclination to get educated while school is in session. He is just going to take you and put you to work at the level that you are equipped for. Now you know what your Father really wants from you now (not denigrating any job), but your Father has this business that is incomparable with any business in the world. Don't care what you do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	Surprises: 1. He will just show me what He wants to show me when I get up there. Not going to happen to any degree whatsoever. It's not going to be like, look at all those empty seats and God is going to be in a bind to fill them. How many want to take a class to get up to speed? Not going to happen. You will see it. Forget about fill me in. 2. People think I am a business man and really don't need an education cause I know how business works. I have held leadership positions. There is no job on this earth that equips you to function out in those heavenly places just like your Father would function. You have to be taught. No tutors & governors, no on the job training, no leadership training/seminars can tell you - that's all tutors and governors. Talk accolades all you want and God's not impressed. He is saying until you start thinking like I think, I can't use you in any position. He wants to take his son up to the board room and say I AM going to put some things in your power and I want you to run it. He doesn't want to say, he is My son, you do have a cleanup job somewhere that he can just work for the company? MM not denigrating cleanup, he owned a building maintenance company and cleaned a dozen buildings in Dallas every night. Most mundane work in the world.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	Eternal Vocation: Structure will be very bottom heavy by those that just get in because they are saved. What are they going to do? Saved people will be in the heavenly places, live forever, get a glorified body (differences in the bodies though-will be able to know by looking at them who they were and where they were in the curriculum). Look at some and think they never heard about it and then others and think now that is a fully educated son and others and think that's where they were in the process. You will see ithe differences in glory. Taught in a barebones study, but there are differences in the brightness of those bodies as well as the colors that emanate from those bodies. Wear the glorified body that has a rank on the shoulder, like in the military. When the private walks past the colonel and sees the bird on his shoulder, he pays the proper respect. And the colonel knows what he is. Glorified body will serve as your uniform. MM thinks there is even a difference between someone who knew about adoption and being a son and being educated as a son and someone who did and walked away from it. Your Father's Business is very different than any other business in the world. Ought to go without saying. There is nothing the world can do to educate you in your Father's Business. Not a business in the world that requires perfect justification and perfect sanctification. Before you can labor with Him, before you can even be educated, and before you can even be adopted, you have to have the prerequisite - spiritual fitness. What job in the world requires you to have spiritual fitness (MM showing our eternal vocation is different than any job on earth). MM hates to say it like this but you can't even sweep the street in the heavenly places without spiritual fitness. Why it is great that God said that I AM just going to give it (spiritual fitness) to you because if it is up to you to earn it, you'd be in the same boat Israel is in.

Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	When you get up there, if you are an educated son, it shouldn't take long for you to look around and figure out what you are looking at and what you are supposed to do. The things you are going to do in eternity in those glorified bodies, it's absolutely incredible and the Bible's got it right there. Tells you exactly what it is. Every member of the body of Christ (you have received Jesus as your Savior) is going to be involved in the Father's Business. It's your choice. Do you want to be involved to a very large degree or a very small degree? It's all going to be about His Business. Think about any business. Some folks have almost no impact and some folks actually determine the direction of the business. This is where you get trained, where you get qualified, because when you get up there, God is not going to go 'how many of you didn't pay attention down there in the local assembly? We have a remedial class for you all so put on your dunce caps and go sit in class'. There is no remedial class. This is it. When you fully understand adoption, you will understand why it is that way. Wherever you are in the curriculum when you get up there, that's where you are going to function. The impact it makes will also be in your inheritance. When you are put in the heavenly places, part of your job there is going to bring life and intelligence to the creature so the creature really does operate like a body.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	Right now, when you look up at the heavens at night, don't see anything that suggests you are looking at the body of a creature and that's because the life that creature is not there and the intelligence of that creature is not there because that creature was put under the bondage of corruption. When placed in the heavenly places, your job and your privilege is to bring life and intelligence to that creature, to bring God's intelligence to the creature out there so that body really does begin to function the way that it was supposed to. When God says I AM going to put My Intelligence in that creature, He is relying on us to do that. What the education is for. Your Heavenly Father will be able to point at you out in the heavenly places and say, right here I have someone that thinks exactly the way I think and they live exactly the way I live, they know what My Business is about, and I can send them out into the creature and they are going to begin making the body of that creature function the way I want it. You may be a principality or a power or a throne or a might or dominion - there's a whole list of those divisions in that government. You will be sitting there and know you will be able to put His very life into effect out in that creature. Goes far beyond anything you can do on this earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	When you get up to the third Heaven, you are going to have decisions you are going to have to make. To do that, you are going to have to perceive with your eyes of understanding. When you are out there, what this education is meant to do is to make you fully capable to come to a right, judgmental decision. Those are the things that make you a simple son and that is a huge thing. You will make judgments of all sorts, determining what is good and what is evil on behalf of your Heavenly Father and His Business. You are going to be able to, in this life, just by the education, to be able to see some things that happen to you and you'll be able with those eyes of understanding to be able to point to and say that's THE STRANGE MAN or that's THE EVIL WOMAN. Discern what is good and what is evil from that understanding. Eternal Vocation: When you die, your soul and spirit go to the third Heaven. When the rapture happens, that soul and spirit are coming back and that body in the casket is going to get reformed into a glorified body. When your Heavenly Father begins to teach you about His Business and where it's going to be out there in that creature: • The first way He presents that to you is as a creature and you are supposed to see it that way. • The second way He presents it is as a building or structure. Your soul and spirit is going back into that glorified body and then you are going to the heavenly places. The whole reason you were given that body because you can't function out there in this body. Would have to hold your breath a really long time since there is no air out there. When you get up there, you are going to be placed into a certain position in the heavenly places and the position you are going to be places is commensurate with what you know how to do.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	If NASA hired MM today, he would be sweeping the floors because that is all he is qualified to do. This education is qualifying you to go to work with your Heavenly Father in His Business every day in eternity. People wonder what they are going to be doing in eternity. The idea that you are going to get in your heavenly hammock and strum a harp in the breeze and sip lemonade is not what the Bible tells you. The work will not be like work is now. You are really created for this type of work. You will be involved in the most glorious thing that your eyes will have ever seen. Nothing on the face of this earth wil hold a candle to what's waiting for you up there. This Sonship is going to produce a knowledge and awareness of glories that are waiting for you. God is not asking you to give your life right off the bat. Not like you are going to turn to Romans 12:3 and killed for your faith. That's not it. When educated about the WJJE, you will find out about the glories waiting for you up there. They are going to get a glorified body - that's a glory. May not mean much to you right now. But when you get the doctrine that effectually works in you and you appreciate it for what it is, you will say WOW! MM says some already appreciate this because you get up and you hurt every day. You could use a glorified body. More than not hurting, the glorified body has aspects to it that are almost indescribable. You will be offered a place in the heavenly places where there is a governmental setup. MMs understanding is there are 24 thrones of PRINCIPALITIES spread out throughout all of Creation. A fully educated son will be qualified to be a principality and run 1/24 of the creature. In the Milky Way galaxy, there might be more than a billion earths. Remember Paul, Timothy, Titus, and the Pastor to the Ephesians, Epathras.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	Underneath each, there are multiple thrones that come under the designation of POWERS. Have Sonship education - some will be fully educated sons. Under POWERS, even more thrones - THRONES, DOMINION, MIGHT. Aren't just descriptive terms, they are talking about a whole setup in the government of God. Don't look at like our country's government and God wants me to be a bureaucrat. Because of what we know, we will become the intelligence of the creature. We are going to run that creature. And finally, for the first time, that thing will function the way it is supposed to. Your participation in running the creature is part of the glories. You will go through some sufferings because you live in fallen world. And those being educated as sons will go through a specialized kind of suffering that has a whole different glory associated with it. Once you get that thinking in your mind, you will be like the Lord Jesus. He is at the end of His Life, they are about to nail Him to the Cross, and He replies you are going to do what you are going to do and He tells them about the glory that awaits Him (Matthew 26:62-65). MM showing a picture of the earth in space and the stars/planets all around. Out there in that creation, in the heavenly places, God has taken that whole thing and divided it into 24 sections of government all through the universe. You are learning all the skills that allow you to hold a place in that government. In the government, you have (GH: a heirarchy) OLD VIEW vs. NEW VIEW - Principalities Thrones - Powers Dominions - Thrones Principalities - Mights Powers - Dominions Mights You will hold a position that God is training you to hold.
Commentary	Sonship : Curriculum Level 4 : Man of Understanding : Eternity / Eternal Vocation Commentary	MM showing another picture: 'The Goverment of the Heavens' - 3 purple thrones representing PRINCIPALITIES - 4 white thrones representing POWERS - 7 brown chairs representing (GH: THRONES) - 13 green chairs representing (GH: MIGHTS) - Gets more as the levels go down. - Jesus Christ repossesses the Heavens (His SECOND body, the Church, the body of Christ, defeats the PRINCE OF THE POWER OF THE AIR) 'The Government of the Earth' - Jesus Christ repossesses the Earth (His FIRST body and the Nation, Israel) - Defeats the PRINCE OF THIS WORLD - Earthly theatre of war When you look up at the stars at night, realize that is not functioning the way it is supposed to and it won't until we get there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	This (GH: work) book is born out of a sincere desire not to just get a bunch of information, but for us to be edified unto godliness, that we would truly become the godly creatures who are one day going to be able to inhabit the heavenly places. It assumes we are taking our Sonship education seriously and the acquisition of those 4 Sonship decision making skills of WJJE is something we really want in our inner man. It absolutely insists in our daily walk with the Lord being a by-product of the effectual working of the doctrine in our inner man. The book is the first of a series of studies that are designed to take us through all the different FORMS OF DOCTRINE that we're going to encounter in the education and they comprise what we call the Sonship education. MM titled the book 'The Sonship Life Study Guide' because Sonship really needs to be a way of life. Your life is going to change from what it was before to being something different. It is our heavenly Father's intention for us to live out of the sanctification that He gave us as a free gift of grace when we trusted Jesus Christ to be our all-sufficient Savior. What takes place in this room (MM not underselling its importance) is the least important part. If you just come here and listen to him yap and then go home and that's it, we're going to miss the boat. What you do when you leave is where this book comes in. It's what you do when you leave here and that's where this book comes in, that's the critical part of this book. You can't just jump to the education. There are some necessary things that need to be in your thinking already before you begin the Sonship education. You won't even get out of Romans 12:1 before you are called upon to go back and look at some things to make sure they are actually working in your life. (GH: Justification and Sanctification Mercies) You need to get all of these things settled and under your belt.
Commentary	Sonship : Curriculum Workbook Overview	1. A dispensational change has taken place. There are two programs - one the prophetic program with Israel and one the mystery program with the body of Christ. If you are not aware of this, this education is not going to have the impact on you it's designed to have because it rests on that foundation right there. There are major differences between the programs and if you don't understand those differences GH: that will be a problem for you. - EX One part of this book is going to take you though the elements of Sonship prayer with regard to every single form of doctrine that we're going to encounter in the scriptures. If you don't have this difference in your mind you're going to be wondering why you can't pray about things the old way and that will become a stumbling block for you. Instead of actually learning and moving forward, you will become bogged down with all the things you don't understand and asking questions on things that should have already been settled. You need to have a working knowledge of Israel's program. For instance, the way the 5 CoP are laid out. If you don't have some kind of idea about that, it's going to be really hard to differentiate the prophetic program from the mystery program. You don't understand the uniqueness of Paul's apostleship. Get bogged down in the questions of what about this and why can't we do this?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	2. Need a working knowledge of right division. There are 13 Books in your Bible that are written specifically to us and about us as the members of the body of Christ that we are today. Every part of the Bible is written for our learning but not all of the Bible is written for our practice. If not, you will find yourself in some contradictory positions - then more questions. Why MM says you really need to have a working knowledge of right division. 3. You need to have your justification understood and settled in your own mind. Romans 1-5 give us what we need to know about when we trusted Jesus Christ as our Savior, wew were given a justified status in Jesus Christ and in connection with that, we were given a 3-part identity, a new identity in connection with our justification. Need to know what they are or this is going to be difficult for you. If you are still worried about whether you are saved, then it's going to be hard to move forward because that's always going to be in the back of your mind. These chapters also deal with all of the excuses people give for not believing the gospel. There are also 5 major truths about your justification that demonstrate that we are saved by grace through faith without works of any kind at any time (you don't work to get saved and you don't work to stay saved). MM says if you don't have these 3 things you are getting ahead of yourself to get into the education because it is only going to engender so many questions.
Commentary	Sonship : Curriculum Workbook Overview	4. Your are given the first two components of your sanctification in Romans 6-8:13. The purpose of these is to overcome sin in your life. This is not a 12-step program to overcoming sin. You're supposed to live out of that new identity that was given to you IN Christ and that gets taught to you in these chapters. There's something else that's taught here too and that's why you will never pleave God as you attempt to live for Him by keeping the law. Paul is going to tell you that the law puts your spiritual life to death. MM asks do you see how important this is? If you don't have these things in your mind when you start the Sonship education you are going to be wondering why doesn't MM do a list of DOs and DON'Ts? Why doesn't he give us a list of rules? Because Paul is not teaching you to live out of the law, either the law of Moses or a law of your own construction. He's teaching you to live out of grace and that's the critical difference. If we don't have that at work in us it's going to be very difficult to start the education. You are going to revert back. Until you know how bad it is to try and live for God out of the law, you're going to constantly be tempted to revert back to that old way of doing it. When you do that, you put your spiritual life to death. You kill it and you cannot live for God. Your flesh feels really good about it but God does not accept that at all.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	5. The 3rd component of your new identity in Christ is in your adoption as a son. Found in Romans 8:14-15. Need to understand these two verses and all that is connected with it. MM says we spent 122 lessons on it. It is important to understand what your adoption is about. It's not just you were made part of the family of God that was taken care of in your justification, this now has to do with your sanctified status and your ability to live for God in a way that is pleasing to Him. Important part - the intelligent cry of ABBA FATHER-Romans 8:15 that is the key to the 3rd component, where you realize you Father is offering you the opportunity to have His Wisdom installed in you so that you can think like Him, do things His way, and you are capable of laboring with Him and what He is doing. Now you are able to do something that you never have been able to do before and the cry of ABBA FATHER is saying YES to that offer. If you have not said YES to this offer or said NO to the offer, MM says don't go through the Sonship education. This is literally written to people who desire for this to take place in them. MM says the more you understand about these foundational issues the better off you are. People will do what they want to do but it's best to have all of these foundational issues settled and understood. MM strongly suggests to start at the beginning and work your way through.
Commentary	Sonship : Curriculum Workbook Overview	Workbook Introduction WHO: Who should be involved in this education? Every believer who has made that cry off ABBA FATHER-8:15 (GH: and ideally done the pre-work). WHAT: What is it that we are engaging in? Important. - What we are doing as we study the various FORMS OF DOCTRINE-Romans 6:17 contained in Romans 12-15 is this - we are attempting to have our heavenly Father's Wisdom installed in our inner man by the means of the effectual working of God's word in us with the expectation that we are being conformed to the image of God's Son for the purpose of becoming godly creatures which are capable of laboring with God in the heavenly places throughout eternity. - By the study of various doctrines, we are engaging in a real Father-son relationship with God, which produces godly edifying so that the very character of God's Son is produced in us so that reality is, our lives are no longer us but Christ in us. Paul talked about this issue - it's no longer us but Christ in me. By engaging with the scripture and prayer with our heavenly Father, we are being transformed from the inside out. The first part that takes place in the education is to renew our mind - that's an inside issue. When MM is talking outwardly, he is talking about this new thinking being the driving force for our external conduct and behavior. The humanistic approach starts with the external - you just need to be more patient and more kind. MM says in order for a real transformation to take place, something has to change up here (GH: MM pointing to his head).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	Why he thinks the real battle in its first stages with the adversary are all mental (MM pointing to the first 2-3 in Romans 8:35). First categories in Romans 8:35 are not physical in nature, they are mental in nature. The first stages of the battle are for the mind. Whoever controls the mind controls the man. By engaging with the scripture and in prayer with our heavenly Father we're being transformed from the inside out. Something is taking place in us that shows up on the outside. MM talking about people/churches that understand right division and two programs and grace but take umbrage with the above. We want our heavenly Father's Wisdom installed in us. What's wrong with that? The only place you are going to get that is the part of the word that is written specifically to you and about you with the expectation that you would be conformed to the image of God's Son? The scripture says that's what this is about - the purpose is to become godly creatures. Who wouldn't want that? With a view towards laboring with our Father in the heavenly places - what is so threatening about this stuff? We're to be engaged in a real Father-son relationship and that interaction with the scripture and in prayer with our heavenly Father is intended to produce an edification unto godliness. What's wrong with that? Quick, let's call a conference and make sure no one listens to this guy in Texas because he is a massive heretic. MM says the only part he thinks they take umbrage with is MM doesn't think you can manufacture godliness in the energy of your flesh by just trying to train it to do good stuff.
Commentary	Sonship : Curriculum Workbook Overview	The only way that happens is this word actually transforming us. MM says he is willing to take his chances at the Judgment Seat and have God chew him out saying 'dag gum it Mike, all you wanted to do is to take the Bible and have that be the basis of your thinking and the motive for your actions. How dare you. Why can't you be a good humanist? Why can't you be a motivational speaker and just say try harder?' MM says he's going to take his chances with that. - What's wrong with thinking that our thinking should be godly and that kind of thinking can only be generated by the scripture as it renews our mind? - What's the issue with our daily conduct and bahavior should be godly as it stems from the godly thinking that the scripture produced in us? - What's the problem with our ability to labor with our Father in our eternal vocation is directly tied to the edification that is taking place with us here and now? This edification is the only thing you are taking with you when you die because nothing else is going to or can work up there. It is the scripture effectually working in us which provides the basis for us to live for God, not in the energy or best efforts of our flesh. Most preachers have a tough time telling you how you don't live out of the flesh and how to live out of grace. MM says if you don't know how to articulate it, he is pretty sure you don't know how to do it. It's by our postive and proper response to the scriptures that Christ is formed in us and by which we truly become godly creatures which put on display the power of God's grace at work in us. That's WHAT we are doing. MM says if you don't want this, then you should just throw that book away and do something else because this is what we're involved in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	WHEN, WHERE, HOW: Will have lots of options for this. First, you can follow the Monahans assembly on Zoom at 1 PM Central Time. Second, they will be on the DropBox. Third, these studies will have their permanent home on Vimeo. It's like YouTube with the exception that you need a password. Neil - Apache Junction, AZ. WHY: Why produce a book when we have already been given out notes? The book is going to be so much more than notes. It will have a lot of component parts to it. You need to understand what you are holding in your hands. MM is trying to convince you to get in and to make the kind of commitment that it will take to make this successful for you. Want you to know what we are engaged in and why that is important. Half of the parts of the book concern your education. The other half of the parts concern your edification. This is what the notes never did before, they were only about the education. What MM sees happening is they got the information and they know how to articulate it but the breakdowm comes from moving from just data in the education to now it's actually working in them to produce edification. People say 'I hope I'm being edified', which means you don't know how to measure whether or not edification is taking place. They know the information but they are not sure if it is going beyond that. MM will take you through the component parts of this book to measure whether or not edification is taking place. They know the information but not sure it's going beyond that. Take those verses from just being in your head to something you are now living out of in your heart.
Commentary	Sonship : Curriculum Workbook Overview	Workbook: Was created with the video/audio in mind. Table of Contents: Workbook is divided into component parts (GH: First book is 3 sessions): SECTION 1: Education (getting the information) RE1: Romans Education Part 1: Romans 12:1-2 (MM says Sonship Review took 26 lessons - this book does it in 3-MM is not going to verbally go down every rabbit trail that he did before. Rabbit trails more than 2-3 minutes are in the book but not in the session itself.) PART 1: Interactive Note Taker: Start of every session, you will be working through a series of interactive note takers. Will be filling things in throughout the session. Won't be a ton of writing. MM is trying to create a visual of the concept and then you will fill in the main parts to complete that concept. Hopefully help all of us to better retain the principles MM is talking to you about. Will all be on the PPT - another reason why Video is better. MM recognizes there are different kinds of learners. Some people are visual learners (seeing the pictures is right up your alley), some people are auditory learners (why you need the video), but when you write down something you are more likely to remember it than if you just hear it. MM asking to buy into the process, he wants us to all take the trip together. Fill out the note taker. You will come back later and look at the note taker and it will give you a picture of the principle that was at work there. Note Takers are just a visual of a principle. Some people are kinesthetic learners who learn best by hands on, you have to kind of walk them through it so interactive learning is right up their alley. Your learning will be enhanced by the interative note takers. There is value of having all the information in there and put it on the shelf and later retrieve it. Are on point with the verses. MM apolgizes for the cartoonish images but we don't have the ability to hire a graphic artist. Has to find royalty-free images.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	PART 2: Student Notes: The old notes had everything MM was going to cover and all the rabbit trails and all that kind of business. This is not what this is. We are streamlining the education process. MM is going to stay on point in the videos unless he can do a side issue in 1-3 minutes. Rabbit trails are still in the book. These are all of the notes that pertain to that particular lesson/passage but not all the notes in your book. Just look at the very direct things for the verses covered. The notes have the details that he didn't verbally give us in the session. Read the notes. They will enhance your understanding, fill in some more details, and they'll just kind of solidify all of that. It's your decision - MM is not keeping tabs on all of that. The notes are more comprehensive than the video. MM encourages us to read these notes after the session or rewatch on DropBox or Vimeo. PART 3: Summary: Everything in the summary comes out of the video. Summation of the lessons - 1 page long. So there's a lot of things in your notes that are good to know and helpful but they don't show up in the summary. If you listen to the video, you should be able to look at the summary and say, yep, I got that. The summary is the highlights. If you are straped for time and can't get to the notes, read the summary. These are the things you have to walk away with. Boiled down the notes to the most important, salient points that need to be retained in your thinking. Two videos on 1 page of notes.
Commentary	Sonship : Curriculum Workbook Overview	PART 4: Self-Test Questions: This is a way to measure your comprehension of the material again. Everything on the self-test can be found in the video. Everything on the self-test can be found in the notes. Remember, notes have more than the video. If you can't answer something on the self-test, make a mark because when you are through, you should go back and either listen to the video again or go back into your notes and find the answer and make sure you get that concept down. These are the high points, the things you have to take away. This is meant to make you understand - did you retain everything from the session and the interactive learning or did you not. Not trick questions. MM wants you to have it. These are the things you need to retain to be able to move forward to the next set of information or next verses. Whether you look at the notes or not, you should read the summary and take the self-test. If you don't know the answers to the self-test, go back to the notes and then to the self-test to make sure you've got it. SECTION 2: Edification PART 5: Sonship Prayer: First step in the edification process - don't skip this. MM says grace folks don't have trouble knowing what we shouldn't pray for, grace folks have trouble knowing what to pray for and how does prayer work with this process and edification. MM has seen lots of people that have the data in their mind but it is not working in their inner man. That is edification and that is the goal. Need to understand what we are talking to God about and why are we doing that. You will be talking to your heavenly Father all week about the passage but not just in any old way. Engaging with our heavenly Father with regards to:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	- You understand that prayer today is about inner man issues and not about external circumstances/outer issues. You should also understand why that is the way that it is. It's not that God doesn't care, it is that He is doing something more important than delivering you from some suffering and that is eternal in nature. Even those we know this, HOW to do this Sonship prayer is somewhat ellusive. We understand that Prayer is an integral part of this process but we weren't sure how to engage in that so it could do what it was designed to do. - List of the issues we should be praying about. Point out what those issues are and then go back and look at the mechanics of how those prayers work. - Prayer Formula: In red. Is a guide that will get you to thinking about your prayer life in a proper way. Give you a model of what a prayer might sound like as it follows that formula. Please don't think all you need to do is read the red letters and you are good. This is not like doing 'Our Father...'. MM is just showing how to incorproate all the components into the prayer. GH: On the other hand, if it says exactly what you want, make it yours. Don't shy away from everything. The formula shows the kinds of things that need to be in a proper Sonship prayer that is specific to the verses we are looking at. - Example of a prayer that follows the formula: You don't have to pray or copy this prayer. MM says don't think just because you pray this that you are edified. It's not magic. MM is trying to show how to take that formula and turn it into a prayer that contains all of those elements. MM says you are welcome to reuse if GH: it fits your situation/thinking/understanding.
Commentary	Sonship : Curriculum Workbook Overview	- If you are not getting it, you need to go back to somewhere in the above process to get what you are missing. If that doesn't work, you need to speak with someone. MM says go back because a lot of times you will find it. PART 6: Edification Evaluation: There has to be some way to evaluate if edification is taking place in you or not. Edification is not like turning on a light. It's a process that starts small and the more you engage in it, it continues to work until finally some things become a default in you. Instead of the old natural knee jerk reaction, now there's godly reaction that takes place. MM gives examples of pulling a gun out of a hoster and firing it or shifting a standard transmission car - need to create muscle memory. Takes 500x. But if you have been doing it wrong and trying to correct that, it jumps from 500 to 5,000. You are not building a physical muscle memory as much as you are building a thinking muscle memory. Someone in the group said 'practice makes perfect'. This is to guide us into this process so that edification ccan begin working and we can measure that in its beginning stages. Size will depend on the amount of doctrine. Helps you determine if edification is beginning to take place. If edification is taking place, you should see the beginning of the process of edification. For edification, read everything in the prayer section and go through that. This is you talking to your heavenly Father. OK if it is clumsy at first. SECTION 3: Self-Test Answers - Need to know the results. Hid in the edification section.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum Workbook Overview	SECTION 4: Review Materials - Are NOT a review of the lesson. These are materials that you have already encountered or should have learned before in the past that are somehow relevant to the subject or connected to the subject at hand. Helpful in understanding the doctrine at hand. But they are not specifically about the verses in scope. These may be referenced in the Notes section. Don't think of this as a review of this lesson, that's just the things that have already been taught. Instead of chasing the rabbit in the video, give it in the notes down here. If you still have some questions, go to the review materials and see if that doesn't help you. SECTION 5: Reservoir of Knowledge - MM doesn't just want to build in us a narrow strip of knowledge, but a reservoir of knowledge that you can draw from that is bigger that just the strict point you are looking at. If you are teaching anything, isn't it better to know a whole lot more than you are teaching so that you have other information to draw from. The reservoir of knowledge are things MM has not recorded or things that you have not heard before but are whole subjects of information that take this principle and apply it to a whole other area or expand it out. Will look like a bare bones study on such-and-such. Try to build the reservoir of knowledge that you actually build your information from.
Commentary	Sonship : Curriculum Workbook Overview	Before two Tuesdays pass, look at the notes or at least look at the summary, see if you're familar with that and then give yourself the self-test. MM didn't create this for you to fail. Didn't come up with questions to trick you. Gave you the questions that you must be able to answer in order to get what you're supposed to get out of these verses and that's it. See if your answers were right. As you are reading through your notes, you may see reference to review materials. If interested, take a look. If you've got that, you can pass. Romans 12:1-2 is a checkpoint about 2 different things, it is not the doctrine. This workbook process won't have the weight in v1-2 that it will in v3-8 but MM wanted us to start getting acclimated. Get us used to this process and how this works. Material that we have not necessarily covered before, it's not exactly about these verses we are looking at but it is parallel to them. Show another way this is true or that the doctrine is working. MM trying to expand what you know. When you are teaching a lesson you need to have a reservoir of knowledge to draw from. The verses are narrow and MM is trying to widen out our view so you see a bigger picture. See how the same principle holds true in other areas. MM says the Bible is not walking you through every possible scenario. People think the Bible is a list of do's and don'ts but that's not what it is, that's not how this Book is put together. You learn something and then apply it somewhere else. MM will reference the reservoir of knowledge in the notes for things he can't cover during the lesson. MM says you can see this will require more than just listening on Sundays. Have to make a commitment to do this. How important this education is to you, how important this edification is to you, how imporant your heavenly vocation is to you will determine your success. You're going to have to prioritize and you're going to have to make time and the more you involve yourself in this the more you will see it working. It's like anything else you try and learn. You get what you give it.

Commentary	Sonship : Curriculum Workbook Overview	Structure: - Session 1: The teaching/lesson (on Vimeo) - Session 2: Interactive Learning (not on Vimeo) - MM encourages the Zoomers to ask questions because their Sonship is at stake. MM will also walk us through the edification part of the process so that we're not just coming out of the blue. Workbooks constructed with 2 sessions/day in mind. MM doesn't think he thought of everything with this workbook. What he wanted to do with the book that he did not get to do is to dictate the reservoir of notes and review materials and put them on an audio CD in the workbook so you could hear these materials rather than just reading them. MM says feel free to make suggestions. He is sure we will find things that improve on what we are doing. Blazing a trail, not the first ones down the Sonship road but we're the first one to standardize the education and the edification process and walk everybody through that step-by-step. If there was something already done that we could have just utilized that would have been easier than reinventing the wheel. There will be something overlooked or something that can be tweaked to make it better. It's not that the lesson isn't critical but it is what you do after you leave that is the critical part of it. Can get the video, audio, and notes for everything on the DropBox.
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	What it means is that Jesus: * became personally and practically acquainted (in His earthly ministry when He took on flesh) with the nature of obedience in the midst of a suffering circumstance/sufferings of living in this fallen world. Different than suffering in eternity past, He wasn't as God. He can't suffer. But when He took on flesh and became a Man and the body He was in was very much just like ours. He has two natures, deity and humanity, you only have one. But His body was the body of a man. Jesus was thirsty, hungry, tired. Look at the sufferings of Jesus before the Cross. MM says He needed to suffer every single one of those things, they were necessary. * sufferings from living in a fallen world like everyone else * trials of questioning (by the religious leaders in Israel who were always trying to catch Him and trick Him) and temptations (from the adversary that happened twice and they had to happen twice) which were purposefully perpetrated against him by Satan and the religious leaders of the nation - He had to go through these and still be obedient

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	* tribulations that arose because of His message - MM says all you have to do to get Israel to hate you is call Yourself the Son of God. Martin Luther said that the hatred of man is so great against God, that if God were to make his life vulnerable to the hands of men, He'd be dead in 15 seconds. Jesus opposed their traditions and customs in favor of the word. That did not sit well with them. * constant opposition from his critics, attacks of every kind (mental, emotional, physical). They were saying it to His face they were saying to His disciples, they were saying it to His followers, they were saying it behind His back, they were saying it everywhere. * grief over the condition of the nation and the failures of His little flock. MM thinks that the condition of the nation grieved Him tremendously. How encouraging would it be to be going through this mock trial and your lead guy is confronted at the fire about being your follower and he goes 'I never knew Him'.
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	* rejection of the ones He had come to save, the grief over the failure of the little flock. Not just Peter. The Bible says He came to His own and His own received Him not. The nation at large rejected Him. They didn't want Him. * violence of the scourge (many men died from the scourge and never made it to the Cross because it just ripped their flesh from their backs and their organs would fall to the ground) and the Cross. The religious leaders are so angry at one point the scripture says they went about how they might kill Him. * lack of necessities in His human existence (the Son of Man hath nowhere to lay His head). MM says if you didn't have a home, your life would change. This is the way that He lived His life. * humiliation at His trial of being spit upon and mocked. Being spit upon is a sign of real contempt and a maximum insult. They put a crown of thorns on His head and then a reed in His hand for a scepter and then they mocked Him. Oh, you are King of the Jews. That's humiliation. We are still not even at the Cross yet.
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	* on the Cross, He endured the unjust punishment of carrying the sins of the wicked, the unjust, and the unrighteous upon Himself (sin bearer). He is not dying for His sins. He is not saying I need to go to the Cross anyway because I've got my own sins, I will just go ahead and take yours too. But the Lord laid on Him the iniquity of us all. MM says this is a pretty good list right here that the Lord had to learn obedience through. Because He is discerning God's higher purposes in suffering, when they have that mock trial, they blindfold Him and then they put Him in a circle of men and blindfolded, take turns hitting Him in the face. The prophet said his visage was marred beyond any man's. And when they hit Him, they would say if You're a prophet, prophesy who hit You. They mock Him being the king with a crown of thorns. They spit on Him. They ridicule, if You are really the Son of God, come down from the Cross. Let's see if your God is going to save You. And in that trial, they bring the witnesses and the witnesses couldn't get their stories together. They kept contradicting each other. And Jesus doesn't say a word to them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	Jesus allowed Himself to be taken by wicked and violent men humiliated and the put on a Cross to be executed and never say a word in His own defense because He discerned God's higher purposes in the suffering that He was going through. This sets an example. By Him doing all of these things, when very similar things happen to us, when you are rejected by your family because of whatever. When your kids decide they don't want to fool with you anymore. When your brothers and sisters don't like you and exclude you from the things that they're doing together. When your spouse decides they don't want to do anything with you and they want to go off in a different way. When you're rejected, humiliated, you know why He went through all of these things, carried all of those things with Him along with the sins of the world to the Cross so He could redeem it. Then, when you go through it, it's different than if He hadn't. It is supplying now a power to not just go through those sufferings that you might be more than a conqueror. This is only possible because everything He took on Him on the Cross, He was redeeming it so that instead of destroying you, it makes you something more on the other side. And when you figure that out, you'll start thinking about your sufferings differently. That's what the Lord is trying to do here. He set an example.
Commentary	Sonship : Curriculum : Hebrew Epistles : Hebrews 5:7 Commentary	The Lord Jesus has set an example that the most perfect obedience does not come when asked to do the very thing we want to do, in the best of conditions, but that the most perfect obedience may be manifested in the deepest sorrows of body and soul. It is the object of affliction to turn us to God, for we often forget when things are going well. THE THINGS WHICH HE SUFFERED: The things which He suffered are not a reference to the cross, but a reference to all the things which He suffered up to the Cross.

Commentary	Sonship : Decision Making Skills	Four Decision Making Skills: Educated so when you are out in the Creature and faced with decision that need to be made, you'll be able to make those decisions. All 4 are important and in the correct order, but when you get judgment and equity, you are really and truly a possible threat to his realm. Your 'conformity to Christ' really begins to happen with these 2 skills. You will get to a place where the adversary cannot afford to overlook you and you really have become a threat in his sight. That is the signal for him to attack you. When you get over there, need to know what is coming up. He is going to attack you for the purpose of separating you from the LOVE OF CHRIST (Romans 8:35 vs. LOVE OF GOD-Romans 8:39). See how they impact more than just you, they're going to impact others. Will use the rest of your Christian life and utilized out in eternity. That is what you are going to be using out there. The 4 decision making skills don't get added to - there won't be 15 in total. But you will add some things to those 4 that will enable you to be more skilled in those areas. Will utilize these throughout your life in this DOGG. Not only will you begin to think like your Heavenly Father thinks, but in some ways, you have actually begun to do things His way because you have these skills. Will enable you to do that. To some extent, you will begin to labor with Him. Learn the 4 decision making skills and you will never again ask what is God's will about this or that. Your Heavenly Father will have equipped you to be able to know exactly at every decision point what your Heavenly Father would do. Why people have such a hard time discerning God's will because you are asking God to show you something that your Bible doesn't tell you to do. You are supposed to understand God's will because you have learned to think like Him. It's an education. Paul never writes to the body of Christ if you want to know God's will is about something, then pray about it. If you kid has a test, would you tell them pray and do the best you can? The answer is in being educated. Difference between being treated as a child and an adult son.
Commentary	Sonship : Decision Making Skills	Every decision you make here and make in eternity on behalf of your Heavenly Father and He is giving you the liberty to make those decisions. What the education is about, to equip you. Every decision you make will fall under 1 of these 4 categories or combination of these categories. Taking more than 1 and combining them and coming to a decision utilizing more than just a single decision making skill. This is the grandest thing you will ever put your hand to and nothing will ever compare to it.
Commentary	Sonship : Decision Making Skills No. 1 : GODLY WISDOM	7 aspects of godly wisdom ('seven pillars'-Proverbs 9:1): 1. Wisdom 2. Justice 3. Judgment 4. Equity 5. Subtilty 6. Knowledge 7. Discretion

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Decision Making Skills No. 1 : GODLY WISDOM	WISDOM: Not wisdom according to men, not wisdom according to this world, not wisdom according to the princes of this world but your Heavenly Father's Wisdom. Not just getting a bunch of pithy antecdotes that look like a proverb or saying. Wisdom is where you begin to get educated in godly love. First way you are taught about that. The main reason we didn't have godly wisdom before is before we can love each other they way we are supposed to love each other the way that God does, we have to love Him. It's on the foundation of how much we love God that the doctrine gets erected. If the only reason we love God is because He saved us from hell, you don't have sufficient abounding love for God for this to work. If God gave you 18 things before you got to Romans 12 that you could identify as the MERCIES OF GOD-Romans 12:1. Our love for Him is built on a foundation of all 18 of the mercies. MM wants these mercies to all work in us so that are love for God GH: deepens and abounds. This is a process that continues through your lifetime. The more you understand about your Heavenly Father the more you have to love Him for. If just being saved and grateful for your salvation was enough, we would all have passed Romans 12:1 the last time. Why it is MERCIES plural. Treasure map that gets you to loving your Heavenly Father. You should love Him for these mercies. You should know something about your relationship to your Heavenly Father as his adopted son. You should be thankful for, to have gratitude - that you are not having to ask God for these mercies. He gave you 18 of them because that is what you have to have. Will give you other things AFTER Romans 12 to love Him for but you don't need them in order to get past Romans 12. When He gives us those we'll then need those for something else that He will call on us to do. MM Ask: Take those 18 (GH: 18-something) MERCIES and engage in every single one of them. Some are easier to do than others because you are more familar with them. Some will be awkward at first, like a slinky in one hand and it's trying to spill out. MM says you just have to spend time with it.
Commentary	Sonship : Decision Making Skills No. 2 : GODLY JUSTICE	GODLY JUSTICE: **What is good and what is evil based on the norms and standards of your Heavenly Father. The norms and standards of what God considers to be right and wrong or good and evil**. Is determining what is right and what is wrong based on someone's norms and standards. You will learn God's norms and standards. So once He sets out a norm and standard of what's good and what's evil, it doesn't take a whole lot to figure that all out. Once you understand norms and standards, justices are pretty much given. Making a decision on what is right and what is wrong based on our Heavenly Father's norms and standards. State of Texas has speed limit norms and standards. The ability to discern good from evil according to someone's norms and standards. Bible says the ability to know good from evil. MM says he would say right from wrong but it doesn't carry the same weight. In this education, according to GOD'S norms and standards. MM says isn't that cut and dried? Do you need a lawyer most of the time to know if you are breaking the law or not? Teach you things about government-civics class, making decisions about government (because you will be sitting in places of government). Break down into 3 components. Has an aspect of godly love (GH: which started under godly wisdom) but it is not about people in this local assembly. Several aspects. 1. Dealing with people in your life that don't necessarily like you. They have chosen to dislike you. You haven't necessarily wronged them. 2. How to live in the government that you are under. Doesn't matter what government. 3. Here's how to look at things and this is what I AM after.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Decision Making Skills No. 2 : JUSTICE vs. JUDGMENT	Notice how JUDGMENT and JUSTICE go together. The JU- terms come out of a similar background. The difference is: - One of them you have a set of norms and standards that differentiate between right and wrong. Justice - Have something that tells you the difference between 'right' and 'more right'. Judgment Judgment is a little different than justice. It's when you have 2 or 3 things you can decide on and none of them are considered wrong but you do know that out of the safe 3 choices you can make only one of them and one has to be better than the others. Judgment gives you the ability to discern between these. When you get here, you really are now beginning to exhibit a skill that takes some instruction to be able to do that and to figure that out.
Commentary	Sonship : Decision Making Skills No. 3 : GODLY JUDGMENT	GODLY JUDGMENT: **The ability to choose the BEST thing/path among many good choices**. Not as clear cut as JUSTICE. It really takes skills to do that. There is no right or wrong. Out of several good choices, know which one is the best. Today people would call this 'knowing the Will of God'. People are always saying 'What's God's Will?' How many people would like to have this skill in everyday life? Know based on principals that your Heavenly Father teaches you. Allows you to take 4 options, none that are evil or wrong, and whating what's good, what's better, what's best, what's excellent between those and choosing that which is excellent. Where one decision is better than another. The ability to make decisions between several choices when none of them are wrong. See how godly judgment will come into play when you are deciding what is it you will be involved in (GH: praying for others). The ability to make choices between several good things. Among choices that are out there, even if you choose a choice that is OK, we need to learn how to choose what's really the one that our Father would choose AND to choose those for the same reasons. If that thinking isn't in us, we just happen to choose the one He chose but for a whole different reason. POE starts in JUDGMENT (GH: Romans 13:12). Once Satan is given the go ahead to start his POE against you, he will not quit. Anticipate that you will be opposed by the POE at every turn in your Sonship life. He will never go on vacation. When you get here, for the remainder of your Sonship life, your education and your edification is going to take place under/in the midst of the attack of the POE against you. Not a shock. Choosing among what is good, what is better, and what is best. Of choosing what is wise, what is wiser, and what is wisest. More nuanced decision making.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Decision Making Skills No. 4 : GODLY EQUITY	Equity: How to treat other people/Always concerns other people. A heart of good will and putting the interest of the other person ahead of your own. Israel rulers were doing just the opposite. They were after money. Takes an equal amount of skill as judgment. Has complexity to it. It is a heart issue where you have the best interest of the other person in mind. I am able to check my own rights in favor of edifying a weaker brother. 1. Where you learn to put other people ahead of you 2. Deem other people are more important than you That begins to get noticed by men, and that is where your reputation begins. EX How to treat a weaker brother. EX I am concerned about so-and-so and I have some decisions to make. EQUITY: OED = The quality of being equal or fair; fairness; impartiality; evenhanded dealing. The striking feature of equity that the other 3 do not contain - Others. It is looking at the other person and saying what is best for them even if my own rights are inpinged? EX Paul saying if a brother is offended by eating meat, he won't eat meat. He had the liberty to do it but EQUITY says I am not going to make a weaker brother stumble over my liberty.
Commentary	Sonship : Edification Process	Edification Process 1. Encounter/Exposed to/Come in contact with some FORM OF DOCTRINE - Romans 6:17 2. Understand the doctrine 3. Believe the doctrine Positive response: is when we understand and believe a FORM OF DOCTRINE in His Word Proper response: is when we take that what we have learned, understood, and believes and we put it into practice in our everyday lives 4. Pray the doctrine - activates the rememberance of the doctrine 5. Think the doctrine 6. Live the doctrine

Commentary	Sonship : Father-son Relationship	Characteristics of a real Father-son relationship or in what way is the Father-son relationship different from the other says of seeing your relationship with God: - Group: Sincerity, love, closeness, understanding, acceptance, personal, intimate [ABBA, like Pop or Daddy] - MM has 3 words: 1. Intimate 2. Comfortable/Casualness [opposed to the liturgical forms practiced today; not disrespectful, not God is one of the boys] 3. Spontaneity [don't have to wait till a certain time, doesn't have to run for a specific time, will come to be INSTANT IN PRAYER-Romans 12:12] Characteristics of the relationship between Creator God to created man: - Can still be sincere, love God, there's an element of closeness. First word out of your mouth to describe God should be 'Father'. You have a position way better than friend/friendship. You are a son. - He set all those attributes aside to make sure that the way He deals with you is like a real Father and a real son. - Not demeaning God but He has lifted you up to be His son. Have to see this as a reality and operate out of this. - When you begin to see this Father-son relationship, your prayer life will change dramatically. - In our old understanding, prayer was a very elusive, etheral, mystical, smoky, fuzzy, unclear thing that seems to work sometimes and not work other times. Describe the kind of relationship we have with God - Father-son.
Commentary	Sonship : Misconceptions	Misconceptions on Sonship: - I will get up to Heaven, God will open up my head and pour in the needed knowledge. - Think they already know how to make wise decisions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Telling Friends & Family	Telling F&F about Sonship: MM thought people would embrace it but a lot resist it. Sometimes, the people who seem like they would be the best candidates are the most resistant. Sincere desire for F&F to be involved in this. MM traveled to see family members F2F. EX Sister and BIL Pastor in Mississippi. You know that you cannot force anyone into Sonship. One of the primary issues of Sonship is a son has to want it or it is not going to work. Can't trick or harass anyone into it. When you encounter what looks to be a prime candidate to respond and they don't, don't start having an anxiety attack over it. Complimentary things: 1. It's not as though there is nothing for them - will go to the heavenly places. 2. They are somewhere and to some degree, going to be involved in our Heavenly Father's Business 3. They are going to get an HEIR OF GOD inheritance (greater than any accolade or tribute or reward ever paid to any human in history) There are lots of reasons for why Sonship is important to MM; reasons that have to do with putting on display God's wisdom, with God's right to rule heaven and earth, and with many other issues, but again he will confine my answer to the issue at hand. MM does not care about being "closer" to Him than someone else; I do not think of it as a contest. But I do want to be as close to Him as I can be. I do love Him because He saved me, but I want the love that goes beyond that; I want to love Him with the love that stems from a real, actual and genuine Father/son relationship. I chose Sonship because I do not want to avoid Him (like the children of Israel at Mt. Sinai) but I want to go to work with Him every day of eternity. I want to work side by side with my elder brother, Jesus Christ. I want to have a part in my Father's Business. If He has a work that needs to be done, I want to be involved with it. I have no desire to "go fishing" for eternity, no matter how big the fish are and how beautiful the scenery is.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Telling Friends & Family	I do not want to lay around in a hammock forever. What my Father is doing is what I want to be involved in. I realize not everyone sees it this way but I am talking about why I have chosen Sonship. I do not care about bossing anyone around, but I do want Him to count me as part of His inner circle. If His goal and plan for me is to judge angels, then I want to do it. If He has determined for me to be in the heavenly places, then that is the place I want to be. I want my life now, and in eternity, to please and glorify Him. If He has purposed for me to work to free the creature from the bondage of corruption, then that is what I want to do. And I want to do it with excellence, because what I am able to do and how I do reflects on Him. If He calls on me to tear down Satan's strongholds in the heavens, then nothing would give me more pleasure than to do it unto His glory. It is not my preference to hear His instructions from someone else, (again like the children of Israel, preferring Moses over God) I would rather hear it from Him personally. It would thrill my heart to sit down with my Heavenly Father and have him talk to me about whatever He has to say. I chose Sonship because I want Him to know He can count on me. I want to be like Him and Sonship is the only thing that can produce that: I want to think like He thinks. I want His table of likes and dislikes in my heart. I want His wisdom more than any other. I want to live and conduct myself in His ways, for I believe His are best paths a man could ever walk. I want to labor with Him in His business and I intend to work hard. For me, it really is not about getting my name on the door, it about the honor and privilege of working right alongside my heavenly Father in His business. I realize not everyone feels the way I do. That does not make me better than them, but it does allow me to have a relationship with my Father that they will not have. They may not want that relationship and that is their decision. My decision is different. Then why go through the trouble of Sonship? MM says there are a lot of things he could say but he is going to focus on one issue and let all revolve around that. Every saved person is a member of the body of Christ. It's good to be part of the Business, but there is an opportunity to be on the inside of that Business. Knows that is not appealing to everybody. Every position, no matter how far down you go, is wonderful and important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Sonship Circles	Get accused of thinking you are more special than everyone else. It's not that we are so special, it is what we are engaged in is so special. Jesus had the little flock and groups that were narrower and narrower and narrower. Every member of the little flock had the joy of believing in their Messiah. Jesus dealt with His inner circle different than the entire little flock - Matthew 19:29; Luke 10:1, 17. They spent more time with Him and knew Him better than other members of the little flock. Pull this down from the 70 and look at the 12. The 12 knew Him better than the 70. They walked with Him everyday of His Ministry. They heard things the 70 didn't. Next, you have an inner circle of 3 out of the 12. The Lord selects 3 of the 12 and says I AM going to do some things with you that I AM not going to do with the rest of the 12. I AM going to say some things to you I can't say to the 12 and I AM going to tell you not to tell them. They are the inner circle - Peter, James, and John. When Jesus was going to go up on the mount of transfiguration, and his rainment glows as light, and Moses and Elijah showed up, out of the 12 He only took 3 to see that event-Matthew 17:1-2. When He raised that 12-year old girl from the dead, all 12 were with Him but told 9 of them, stay here, and took 3 of them in with Him to see Him raise this girl from the dead and then He told them don't tell anybody what you have seen-Mark 5:37-41. He is about to go to the Cross and the 12 are with Him in the garden of Gethsemane. He takes Peter and James and John and draws them out and asks them to pray with Him because the hour has come-Mark14:32. Peter, James, and John heard things and saw things that the other 9 didn't. They knew Him in a way the other 9 didn't know Him.
Commentary	Sonship : Sonship Circles	MM is showing you it is not un-Biblical for God to take a whole group of believers and within that group, pare them down to smaller and smaller groups. And the smaller the group, the more intimate the relationship with Him and the more involved they are in His Ministry. You don't have to be an educated son to go to the heavenly places, to get that HEIR OF GOD inheritance, to get a glorified body. But Sonship is a way to know your Heavenly Father that no one out of Sonship can. There is an opportunity to be involved in His Work in a way that that those who are not involved in Sonship cannot be involved. MM is not trying to say we are better, we are just better qualified. Not because who we are intrinsically, but because of the Sonship education. The point I am making is that there is a definitive difference between those who are educated and trained as sons and those who are not. Eternity will be wonderful for every member of the body of Christ, but it will be glorious for a few. Sonship represents a particular kind of relationship that not everybody gets to have. MM says this will make people flaming mad. Making a distinction. Heavenly places will be a wonderful experience for everyone in the body of Christ. But there is something much better you can have there through Sonship that you can't have without it. Not talking about being made God's right hand man, talking about being God's adopted son. That's a position that not everyone is going to hold because they haven't made that cry of ABBA FATHER. Sonship is the privilege of working alongside with your Heavenly Father in a way that is going to be different than the way everybody else does. Sonship is what your Father has dreamed about from the beginning because HE foreknew you. Has been on His Mind and in His Heart that He would have sons and daughters that would labor with Him in His Business. Your Father is giving you a chance to put your name on the door. It's a big deal to Him. Nothing thrills Him more than knowing there are sons and daughters engaged in this. To be counted worthy as a son of God and a brother of Jesus Christ. That's pretty good company. It takes time and effort to do this. In most places, that is not what church is about.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Post-Rapture	When this life is over, at some point you are: - Going to get a glorified body - Going into the heavenly places - Going to work in your Father's Business What you are going to be doing will depend on how far along you are in this Sonship education that qualifies you for different levels in your Father's Business. You are being offered by your Heavenly Father for Him to educate you so that when you get up there, you'll be able to look at what is up there and understand what needs to be done and know how to do it. MM says that sad part is for a people who are expecting to go to Heaven, we know almost nothing about what we are going to do once we get there. Spent our whole life singing about a place and have no clue in what we are doing. But you now have a clue. Not only a clue, but you are supposed to be a fully educated son because that is the whole purpose of adoption.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Statements: - In God's program with Israel, prayer was different than it is for us in this DOGG. - Our prayer is supposed to be the very heart of our relationship to our Father. A very important ingredient to any relationship is communication and it is true with your Heavenly Father. Communication is at the heart of your relationship with Him. That's what Sonship Prayer is about. - What we are engaged in is laboring with our Father in what He is doing. We call that His Business. MM says this term is taken out of the scripture - MY FATHER'S BUSINESS-Luke 2:49. - What you are going to be doing in your Father's Business stems out of your prayer life with Him. You can't just look around and think that you are going to go do a bunch of stuff and somehow that's going to be accomplished. EX Clifford cropdusting a field that wasn't supposed to be sprayed. Your Father has things He needs to be done and He needs them done in a certain way in order for what He is after to be accomplished. We don't just look around for what to do, what we are doing stems out of our prayer life as we are talking with our Father about what we understand He is doing. Need to have a communication with your Father before you go do something.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- We need to understand some things - MM says if you don't know these things, you are just rolling the dice about you are out there doing for God: - What He is doing in this DOGG? - What is the Will of our Heavenly Father (for this DOGG)? - What is the Purpose of our Heavenly Father (for this DOGG)? - Once it's in line with His Will and Purpose for this DOGG, then it can only be asked for someone who is educated in the doctrine. MM says if you don't know about it then it is worthless for you to ask God to do it. - Because of this, our thinking is very important. This is why in your Bible, the doctrine is geared to get you thinking about things like your Heavenly Father does. That way when we are thinking like Him, when we have a decision to make we can come to the same conclusion that He would come to. Because your Father is NOT telling you the answers. When you are working for company A and have an offer from company B, a voice is not coming from Heaven to tell you if you should stay or go. Won't find a verse in the Bible to tell you what oil company to work for. That doesn't mean there's not a way to make that decision in a godly fashion. You can take the principles you have learned and apply to any decision you are making to find out if this was my Father's decision what decision would He be making?
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Parts: 1. Thinking about it like He does so we come to the same conclusion He would come to 2. We have to use the same process to get that decision that He would use, the process is important - Prayer is the catalyst for our service (our service is going to stem out of our prayer life), which means that when we make a decision about something we're going to do talk about your decision based on your understanding of the doctrine, it ought to have been something that we have been talking to our Heavenly Father about out of what we understand is His Will and His Purpose. - Prayer is also the means by which we search our heart. There are things you are going to be doing in searching your own heart in your prayer time with your Heavenly Father. There's some things that you understand to this point and that means you'll be going to your Father and you'll be saying, hey, I did this and I think I did this right and you're going to talk to Him about what you understand. MM says don't get stressed out about what you don't know yet. But what you do know you need to be applying. MM says that he can look back, almost on a daily basis, where he could have applied the doctrine and he didn't. That becomes an issue he is talking to his Father about the way he should have done this. Have a conversation with Him about what I got right and what I got wrong.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- "I'm not sure what to pray for anymore" - MM says everyone of us have been at that spot at some time or another. - GH: MM talking about a list of potential prayer requests and testing whether they are for this DOGG. GH: When something happens, it is not telling you that God is upset or punishing you or giving you a sign or telling you something. He is not doing that. But neither is He going to use His supernatural power to reverse it. So your prayer, if it is going to be in accordance with His Will and Purpose is not to ask Him to fix something. - In this DOGG, God is not going to by the means of His omnipotent power intervene in the physical circumstances of our life. What He is going to do is work in our inner man to edify us or to build us up. The latter is way more important than the former. Because if the latter doesn't get done, we will never become what He needs us to be, what He actually wanted when He created man in the first place. If God is going to spend His whole life doing everything for us we will never become what we're supposed to be IN Christ.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Legitimate requests: - I need patience in a certain situation or this tribulation. - I need to respond properly to my sufferings. - I need peace in the midst of a stressful situation. - I need God to help me remember things (NO). - I need to not be ignorant of Satan's devices. - I need the power of His grace in my life.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- I need to make known the manifold wisdom of God. - I need to be conformed to the Image of God's Son. - I need to be transformed by the renewing of my mind. - I need God to give me wisdom (NO). - I need to follow the Spirit as He leads me through the Sonship curriculum. - I need to make an impact on Satan's realm. - I need to live each day out of godly wisdom. - I need to present my body a living sacrifice.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- You can't pray this for anyone who does not know the doctrine. EX You get peace in your inner man by knowing the doctrine. God wants everybody to have that doctrine so we have to give them the doctrine. - Your need is to know some things. - Other people's need is to know some things. EX A lost guy needs to know some thing. He can't trust Christ if he doesn't know about Christ. If he doesn't know about Christ, he can't see his need for salvation. If he knows some things, he can do something with it. The same is true for us. EX Every suffering is supposed to benefit you. They don't automatically but once you know it those sufferings will benefit you in your inner man. God is saying I AM going to do something in your inner man so you will not be discouraged when you go through the sufferings you will be encouraged when you go through them. You don't come out defeated, you come out MORE THAN CONQUERORS. But they can only work for your benefit if you know something. When you are suffering, you need to remember there is a benefit that is greater than just doing the physical stuff because this is making you into who you are supposed to be. - When you see a situation you should be thinking about prayer and their need to know something - how are you going to engage in my Father's Business according to His Will and Purpose to benefit that person? And out of that prayer comes what you do.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Prayer is not a laundry list of stuff for God to do and then we forget about it. EX When you pray for the people impacted by the tsnami in Indonesia, what are you asking God to do? Dry their house out automatically? Magically build their homes back? Prayer is the communication that becomes the catalyst for your service. Prayer is searching your heart every day about how well you are taking what you know and putting it to work in your life.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- The Spirit is going to lead, but we are going to have to follow. Because if we don't, we are not going to know the doctrine and we are not going to get the benefits that our Father intends to get from us. - Next difficult question: If God is not delivering you from the sufferings, what are some of the benefits we are going to receive for going through these sufferings and utilizing what we know? What does that do for us? Paul calls the list below corporately THE RICHES OF CHRIST-Ephesians 3:8. This is a list of reasons why God is NOT intervening in the physical circumstances of life: 1. The sufferings provide an avenue for us to bring glory to God. Huge issue - at the top of the list. 2. They increase our ability to handle future sufferings. 3. They will allow you to help others going through the same kinds of sufferings. GH: Look at Paul. 4. They put our Father's Wisdom on display.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	5. They put our Father's Will on display. We are actually going TO PROVE WHAT IS THAT GOOD AND ACCEPTABLE AND PERFECT WILL OF GOD-Romans 12:2. 6. They are the means by which God's Power rests on us. This Power doesn't come magically, it comes from knowing the doctrine. MM says in Bible College they used to talk about the power of God but had no clue what they were talking about and neither did their professors. 7. They work to conform us to the image of God's Son. 8. They work to build our JHI. MM says that's different than the inheritance that everybody gets because you trusted Christ. 9. They prepare us for our work in the Creature. 10. They demonstrate that our Father is the only qualified possessor of heaven and earth. 11. They make us MORE THAN CONQUERORS. 12. They provide for the building up of our inner man. EX Routine of exercise and tearing the muscle down. In much the same way, the sufferings are providing for the building of our inner man if we respond properly.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- MM says because this is so new to us, it is impossible to recognize the magnitude of what's being done in our inner man. EX Conformed to the image of God's Son, so when we get to the heavenly places, we are not only equipped to think like our Father and do things His Way, He can actually turn over part of His Business to us and when we do it, He will look at it and say, that's exactly how I would do it. Just incredible stuff. To take us from where we were and not magically superimposing it on us in spite of ourselves. But showing us how to get from here to here. And this is not done in the energy of our flesh, He is doing His part and we are doing our part - it's a joint venture. That's why it's a joint-inheritance. MM says that's an unbelievable thing because the wisdom that is going to be planted in us exceeds the wisdom of the angels. To be conformed to the image of His Son. We look at it like it's words. If you could see it for what it is it would make your mouth fall open in amazement at that. - MM says it is ashame for people to go through suffering and they don't know the doctrine. 1. None of these benefits are taking place for them. 2. They are looking for peace, for some way to endure it, and wanting God to just take it away and then wondering why He does not? The church has invented a host of reasons to make you feel guilty when God doesn't do it: you have sin in your life, you didn't have enough faith, etc. Point: They don't get any of these benefits and they are going to go through it anyway without any of the benefit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Sufferings are meant to drive us to our Father and drive us to the relationship we have with Him. It's why they are the subject of our prayers over and over again. - Next point of contention: I see the spiritual things that Paul prayed for but I am not sure what my prayer for those things are meant to accomplsh. MM gives Ephesians 3:14-16 as an example of Paul praying this kind of prayer. - You have got to be talking to Him about all the benefits suddenly becoming yours (GH: when He saved you and put you IN Christ) because when you are in the midst of that (GH: the suffering) and before you know what to say, you're just groaning with it. You will be glad when you get your glorified body and you will get it but until that day, you've got to function out of what you know. - You can pray for someone based on whatever doctrine they know and understand. If they don't know tell them you are going to pray for them and then after, tell them WHY you prayed the way that you did.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Review of Sessions 1 & 2 - Prayer is at the heart of our relationship to God. If you are going to have a real relationship with your Father, the kind that's going to result in you being transformed, then prayer is going to have to be part of that relationship. But our prayer is going to be in a way that fits this DOGG. - We need to understand the purpose and will of God for this DOGG if we are to pray properly. This means we have to understand what God is doing today along with what He is NOT doing and why. That's the real important key here. Once we understand that, that really does open up our understanding about prayer. - Prayer is the catalyst for our service. MM prays about what he is going to do tomorrow and how he is going to implement the Sonship education in what he is doing tomorrow and how it will practically serve Him. Prayer becomes the catalyst for our service because as I'm thinking about these things, those are stemming out of that prayer relationships with the Father. *** Your decisions, behavior, and labor should stem out of your prayer time with your Father**.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Being an adult son means you want to do as little as what MM is about to describe as possible. Don't want to be like a goose who has come into a new world every day and just play it by ear. A son is thinking about this education and how it's working in his life and how he's going to utilize it. So you want to be thinking about those things. - Prayer is the means by which we search our heart. You look back on your day and say to your Father I think I did this right, I don't think I did that very well because if I'd been thinking about this right, I'd have done this differently. Here's how I'm going to think about this right. I'd have done this differently and here's how I'm going to think about it. - Prayer is directly linked to the issue of sufferings. MM says no sooner are you declared to be an adopted son and told about your inheritance, but then He connects that inheritance wot do IF SO BE WE SUFFER WITH HIM-Romans 8:17. Then from there all the way down through Romans 8 he's talking about the different kind of sufferings so prayer is directly linked to the sufferings. - We are supposed to move from not knowing what to pray for to praying as we ought. MM took this right out of Romans 8:26. Because it is AS YOU OUGHT, you are supposed to know better. Move us from not knowing to knowing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- MM now wants to move from the classroom to the laboratory to make sure everybody sees how this really works in our life. MM is afraid to give a model prayer because then people will do like so many others do with the Lord's Prayer. But MM does want to give you the principles that make up this prayer. As we pray about suffering, we need to be mindful of some things. This is something you should have gotten in Romans 8-MINDing THE THINGS OF THE SPIRIT. *** God did not orchestrate our suffering but He has allowed it - He is not the one that is making it happen and can't look at it as He is trying to tell me something.** **Prayer: Dear Lord, I know that You did not do this. This is part of the SOPT. You have allowed this for my good and your glory.** **Prayer: Father, I know this is not happening because you are mad at me or are punishing me, but You have allowed this for a purpose, to build our inner man. -- MM reminds that God is not doing the physical things but the inner man things.**
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	*** He allows our suffering for a purpose; it is intended to work for our good and His glory - MM says if he is not paying attention and falls off this platform, God is not trying to teach him something. MM is supposed to learn to pay attention to where he is on the platform.** **Prayer: I want to respond properly to this suffering.** *** The work that God is doing in our inner man is much more important and valuable than fixing our physical tribulations** Prayer: Because this impacts the heavenly places by working in my inner man (which thereby is conforming you to the image of Christ, it's transforming you by the renewing of your mind). If you took away my problem, this inner man work would never be done. The work in my inner man is more important than delivering me from this situation.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	MM says there is no Plan B. God has invested everything in the body of Christ, getting His Wisdom written on their hearts, being educated, getting into the heavenly places, and doing all those things in the creature that need to be done. You have to ask yourself, if no one gets this education, what will happen up there? Will God bypass all that and say you all are useless for what I AM doing, I AM just going to have to do it all Myself. MM says there's nothing in your Bible about that. What scares MM about this is there is a bunch of people in that condition. He is not trying to throw them under the bus, he was one of them for a long time. This work inside you is so important to conform you to the image of His Son and to transform you from the inside out because that's what it's going to take to get this done. *** The work in our inner man makes a "supply' available to us** **Prayer: Your grace is sufficient and it produces strength, endurance, peace, and comfort & deliver us from the effects of the suffering.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	MM says when you are suffering, you need some things - comfort, endurance, strength, peace - this is the 'supply'. There is a supply available but it is only available to a guy who has the doctrine working in his inner man. For someone who doesn't know the doctrine, that supply is not available to him. MM says you can go to a secular counselor and they can say some things that help you deal with things. But this is not the same things we are talking about in this 'supply'. This is something far beyond that. Cliches are also different from this 'supply'. This 'supply' comes from the effectual working of the word in our inner man. EX After Susan's funeral this week, Clinton needs that 'supply'. His family needs that 'supply'. As a church family, we need that 'supply'. We are in a position of weakness when the sufferings happen and if we don't get the 'supply', we'll get discouraged. The Bible describes as OVERMUCH SORROW-2 Corinthians 2:7. MM says get things happening in a row and it seems like your whole world is falling apart. His grace is sufficient because the doctrine we are learning is producing these things and more - wrapped up in the single word 'supply'. *** That supply (things like: patience, endurance, peace, strength, etc.) delivers us from the effects of our sufferings** **Prayer:**
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	*** That supply is not acquired automatically** **Prayer: Lord, I know that you are not automatically going to give me comfort / endurance / strength / peace so I need to be mindful of the doctrine or turn my mind back to the doctrine. I don't expect you to give me these things automatically.** This supply is available to adopted sons that are going through the curriculum. You don't know all of the curriculum but what you do know at this point, you have that much of the supply. The further we go the more of this supply you will have. Most people pray for the supply but it is after a feeling and not based on an understanding GH: of what God is doing in this DOGG. He is just after a feeling, he is just after some relief. Not much different than, 'God I broke my arm, make this quit hurting'. The things in the supply only come one way, through the doctrine given here. Why Paul calls this THE MORE EXCELLENT WAY-1 Corinthians 12:31. This is the only way you get that. MM says he prayed the wrong way for all these years, like the things he needed were the things on the cafeteria buffet line and he was just selecting what he needed. This is why this education is so important.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Everyone else thinks the supply is part of the buffet line. I'll have some of this and some of this and a double helping of this. But it doesn't come that way. It comes this way (MM puts his hand on his Bible), based on an understanding of some things. MM says he buried his mom and his dad and that was difficult. But he doesn't look like that is forever because he knows some things. There is comfort that comes to him because he realizes that he is apart from them now but he is not going to be apart from them forever and that gives him a degree of comfort. He believes that based on the doctrine given to him and he believes that doctrine. Whenever that happens, he is going to get changed and they will be part of the body of Christ forever. That doctrine gives him comfort. When Mother's Day rolls around, MM has some very fond memories but he remembers the great promises. Mentioned Paul in THEREFORE COMFORT ONE ANOTHER WITH THESE WORDS-1 Thessalonians 4 - those words are meant to be a comfort. His grace is sufficient because it produces all of the things that we need to be able to go through this which means you have to start thinking about it from His standpoint. Because if you think about it the old way, it will kill you. You will suffer from the effects of the suffering. That supply is not going to be there for you. This doctrine is changing the way we think about it. You can say you got robbed of years with your mom or say you got some great years with her.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	*** That work in our inner man is accomplished by the Spirit as He leads us to know some things - MM says that is really our problem, it's what we don't know - Romans 8:26. The way to get the inner man things is to fix the knowledge problem. It means that He wants to lead you through the education so that you know some things.** **Prayer: These things are produced in me as I function out of the doctrine that I've been taught and I've got to have a proper response to that doctrine. I believe your word is true and when it says your grace is sufficient and I conduct myself in accordance to what I've been taught in your word.** *** The Spirit leads, but unless we follow, we will not obtain any of the benefits our Father desires to impart to us - MM says the Spirit is doing His part but we have to respond to that** **Prayer:** **- This is constructing a process of prayer whereby you:** *** eliminate 'God, why are you doing this to me?' or 'What did I do?' MM says God didn't do it, this is part of living in a fallen world.**

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	*** respond properly to this doctrine - MM says this is a prayer that the adversary doesn't want you to pray. He wants you to do it the way you have always done it.** *** impact the heavenly places by the doctrine working in your inner man, which is really building up your inner man. It is giving you piece-by-piece, those increments of strength. MM says don't think about it as a helping of strength, think about it the way your body gains strength. When you get all the way through the curriculum, then all of the supply that you need is available to you.** - MM says this prayer is trying to look at things from our Heavenly Father's perspective and because he knows they are all true, I have to integrate those in and have to be fully persuaded of those things. If I'm fully persuaded, then I'm going to line up my behavior with that. And when you do that, you are transferring this from just a bunch of information in your mind to now I'm acctually believing and putting it to work in my life, which is when the effectual working takes place. MM says you learn more and more each time to use this process. - MM says you realize how radical this is. Talks about a First Baptist Church sign that said email us your prayer requests. He has been there and knows exactly what this is about.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	**Purpose (what God is doing in this DOGG) GH: notice all inner issues** **- Building/Working in our inner man** **- Educating us in His Wisdom** **- Preparing us for our vocation out in the creature in eternity** **- Putting His Power on display** **- Conforming us to the image of His Son** **- Transforming us by the renewing of our mind** **- Using those things which would be detrimental and using those things to our benefit** **Will (revealed in the word of God - for the body of Christ, Romans-Philemon)** **- His Will is for you to be conformed to the image of His Son and as long as this gets done, you will answer all the questions you used to pray about out of godly wisdom.**
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	If you are going to pray intelligently, it is going to be in accordance with God's Purpose and God's Will. If your prayer life, if it is going to be right, is going to line up with these 2 things. If our prayer is in accordance with His Purpose and His Will and He knows the process He is going to use to get us there, an ingredient is the suffering. It's the reason He starts telling you about the suffering right after you learn that you are an adopted son. Our prayers are tied directly to suffering. If God didn't want you to suffering, He would have redeemed your body when you got saved. Everything that needed to happen in the DBR has been provided for already. He didn't redeem our body because He chose not to do it, not because He didn't have the power to do it. He is tying prayer to suffering because those things that would be detrimental to us are no actually going to work to our benefit. ALL THINGS WORK TOGETHER FOR GOOD-Romans 8:28 and that good is not everything's going to turn out OK, but in the sense of what it works in our inner man. Even if what you go through is unto death, that works a degree of glory in your inner man. You can die from the SOPT doing stupid stuff but the POE can't kill you till you are an advanced son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Definition : God's Will (incorrect version): MM was incorrectly taught in Bible school you have His revealed will (the Bible) then you also have His perfect will (things not found in your Bible but things you think that you need to do in accordance with His will). Questions like who am I going to marry? Which school am I going to attend? Which job should I take? Parts of the incorrect process: 1. Looking for a sign 2. Prophecy 3. 'Throwing out a fleece' - saying God, if you want me to go, then set the parameters for that like let the guy call me 4. Pray & look for a peace At the end, counting on some sort of inward impression, like I feel like I need to do this. MM says all of these things are NOT in accordance with what God is doing in this DOGG. These questions are not prayer issues, they are Sonship issues. As sons, who you are going to marry is not about asking God who that is, it's a Sonship decision. MM says if God has one person He wants you to marry, one place He wants you to live, one job He wants you to take, it's like a needle in a haystack. What are the odds of getting all of these right? Where you live would be dependent on your parents getting it right because where you were born is where they are. Looking for or praying for God's will is a little bit of an insult when it has already been written down in your Bible. Nobody means it to be, but it's a little bit of a slap at what God's done. It's an understanding that's not accurate.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	In Romans 8 (17, 18, 26), you are only being introduced to the issue of sufferings and your need in accordance with them. Immediately after told you are an adopted son, you are introduced to the inheritances and the idea of suffering: v17: IF SO BE THAT WE SUFFER WITH HIM v18: THE SUFFERINGS OF THIS PRESENT TIME He tells you this immediately to let you know that He is not intevening in those physical circumstances. You don't want to be looking at those O.T. scriptures and scratching your head and saying how come God's not delivering me from this or how come God let this happened to me? How many people have had something happen to them and wondered if God was punishing them, if He was trying to teach them something. They won't get the answers and then go to their preachers and hear they have sin in their life. They confess their sins and go back and their preacher says you have secret sins. MM says this is a dangerous game. Then if you get that solved, it's you don't have enough faith. Then if you get that solved, it could be a generational curse. MM says this is a shell game, there's no real answer in all of this. You have to create a system where you create a system where you are always moving from one thing to another. There is nothing in Paul's letters that indicates to you that God's going to deliver you from the sufferings themselves. It's through those sufferings that God is now going to do something in our inner man, because that's when we're weak. Paul say when I am weak then He is strong. My strength is in Him. You can't turn this into something different but He can. We'll go through some suffering that won't last. GH: Fix the things you can, if you can't you patiently endure. Until you can fix it, you go to it through the glory of your Father.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Session 5 Commentary: - In the old way of praying, we just prayed anything for anybody. You walk off, you're done, God's got His list. - You can't pray for someone who doesn't know the doctrine. You have to introduce them to it so they can assimilate the doctrine. - In the Book of Romans, a foundation is being laid GH: that if you know some things, it will produce some things in you. It's the inner man who gets it. It produces some things that keeps us from being overwhelmed by the sufferings. There is something important being done in your inner man, you are being conformed to the image of His Son. - Analogy: Romans is the foundation and the studs are the doctrine that produces: the fullness of peace and strength in your inner man the fullness of longsuffering the fullness of patience the fullness of endurance
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- MM says don't get discouraged we are only 1 chapter into the education. He is going to give you everything you need in the order you need to get it. It's part of a process that builds on itself, GH: like math-> algebra -> trig -> calc. - Just because He told you about it, doesn't mean that it has been done in your inner man. Don't get discouraged yet thinking this is the big comfort/patience/etc. - What you are beginning to know is going to be built on because He is now just laying it out for you. You are going to be MORE THAN a CONQUEROR. If you did it now it would be out of the energy of our flesh. EX We have been told very little about that GLORY we learned about in Romans 8:18. - MM says you think you don't know anything but you are light years ahead of most people and the things you know. - The ministry of the Spirit is leading us to know some things which are meant to enlighten our understanding (godly thinking) and influence our behavior (godly living).This means if you are WALKing AFTER THE SPIRIT-Romans 8:1, you will be engaging your 'mind'.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- The terminology of 'walking after the Spirit' is not so much focused on the Spirit Himself, as it is the ministry of the Spirit to teach us what we need to know. That means there is 'knowledge' involved with the Spirit's ministry to us. - If we are going to serve God properly in our daily life, we must be 'thinking' about what we have been 'taught'. - MIND THE THINGS OF THE SPIRIT: To have the things you have been taught by the Spirit in your 'thinking' and utilize that knowledge as the basis of your 'actions'. **- Every time you learn some part of the doctrine:** *** you are being 'led of the Spirit' - not like a light being off or on, like anything you learn in school; there is no leading outside the Bible/His word** *** you are a partaker of His intercessory ministry - the benefits we need in our suffering are not going to be ours until we understand it and act on it** *** you are being transformed by the renewing of your mind** *** godly thinking is taking place**
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Every time you implement some part of the doctrine: * you are walking after the Spirit * you are minding the things of the Spirit 'thinking about that ministry He taught you something' and now you are putting them into action * the Spirit is dwelling in you - He is adorning you/your inner man with that doctrine * you are being 'filled with the Spirit' - not talking about Him personally or being filled like a pitcher, talking about His ministry teaching you godly wisdom (GH: as we go through the doctrine, we get more filled with the Spirit) * the 'word of Christ dwells in you richly' - this is the Spirit taking the word and educating us * that word is effectually working in your inner man - it's that word working in our inner man that transforms us from the inside out, it produces these things (strength, comfort, patience, etc.) as part of our Father's godliness, that is what He is well pleased with; MM says this is the missing ingredient in churches today - even an atheist can do good works out of their flesh * godly living is taking place
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Example prayer for someone who doesn't know the doctrine: Father, we thank You that You have an all-sufficient grace that is available to us, no matter what we go through. And while we are sad to hear that someone is suffering in this particular way, we know from Your word that this is not because of You. You do not do this to punish us or to show us that you're angry with us. Because we realize that we live in a fallen world, that any of these kinds of things that we see happening to our friends and our loved ones could happen to anyone. You have not left us to go through those things on our own but contained in your word is a wisdom that can give us strength and the power of your grace to endure this to Your glory. And we realize that when we put that word to work that we are putting Your wisdom on display to all the world. And even though we suffer, it is a privilege to be able to do this. MM says things like this can be a comfort to the right person. All this is true. MM can't teach them all of this but he is planting seeds.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Commentary: - His ministry is to teach you what you need to know and through that knowledge help you in your infirmities. - The Spirit's ministry is to teach us: * If you are praying for the wrong things, then there's something you do not know that you need to learn. They probably don't know the doctrine. * If you know and you still pray the wrong way, it is because that knowledge is not effectually working in you. Once the doctrine is known and you integrate into your conduct, you don't pray that anymore. MM says he can't just give you a list of things to pray for, that wouldn't be thinking. Even the right things to pray for can only be prayed for the right person (GH: who knows the doctrine). If they aren't the right person you have to confront them with the doctrine. If they won't give you a hearing, you realize there are a lot of things you can't do anything about.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Review: - With regard to your edification, the intercessory work of the Spirit will only produce what you participate with Him in - The intercessory ministry of the Spirit involves knowing 'what is the mind of the Spirit' - what's in the mind of the Spirit is written in the word - In light of the things we will face in life, we need to know some things and only by knowing them can they produce their benefits to us (things like patience, endurance, and peace) - God will supply your need if you 'walk after the Spirit' - walking after the Spirit is letting that doctrine transform your thinking and then it transforms your actions, means you are following after what is written in this word - If you don't follow His lead, the supply does you no good - MM says the supply is there but only for people who are going to follow. If you don't follow, you don't get the supply.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	As you pray about other saints who are suffering - the mechanical means for prayer: - Your burden for them ought to be increasing - as you are thinking about other saints who are suffering our burden for them will be increasing, we really want to see them helped somehow. - Our prayers ought to concern their edification - MM says when someone is in the hospital, MM wants him to get well, to get home, but these can't be prayer issues for him because those are not the things being done in the person's edification. Prayer: I hope you never go back to the hospital but no matter what does or doesn't happen to you, I want your edification to be able to handle it to the glory of your Father. Our prayers are concerning their edification. Prayers are not to give them edification so much as for you to be talking with them about their edification. What do they need?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	What will bring them comfort in the midst of this? What can they hear that will strengthen their inner man in the midst of this? When all that gets working in you, God puts that all on display because that is at the very core of what God's Wisdom is about. When He is proving who is the rightful posessor of heaven and earth, that is the proof of it right here. Because this is not Him using His supernatural power to change our circumstances, that's the power of His grace enabling us to face a circumstance that is even unto death to His glory. Satan cannot produce that, only He can produce that. - Our desire should be to minister to them (encourage, comfort, etc.) - encourage people in what they know. There is an amount of doctrine that the whole group knows, we are aware of some things. And to encourage those members in those things. That is helpful to those members of the body because it helps us get our mind back on things that we have to be mindful of. EX Someone has a problem and you should be burdened about that and be burdened about their edification in connection with this problem and you really do desire to do something to help them. If you are not the doctor that can open them up and perform the surgery, then there's another way to help them, to help them edification-wise.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	- Our ministry should be to fill their knowledge need - Maybe they know everything you know. Then it's not to fill the knowledge need but it's to encourage them in what you both know, your mutual understanding of the doctrine. - Our prayers are the means by which we determine what we will do - MM says he asks himself this all the time, like when he is going to the hospital. What is he going to do when he gets there that's actually going to be a help and a benefit to this person. Sometimes just being there is enough and sometimes he goes and it is encouraging to him, the person is telling him things about what they do understand.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Praying for another saint who is suffering: As MM is talking to his heavenly Father about some other saint who is suffering, he is talking to Him just like he would his earthly father. He is telling Him what is wrong with them and then telling Him what he perceives that they need in the midst of this. Then, MM is talking to Him about what he is going to do to help meet that need. Is there anything he can do to meet that need? Does he know enough to be able to meet that need and if he does, how is he going to do that? MM is not asking Him to go do a bunch of stuff, MM is talking to Him about how he as His son and His ambassador, how is he going to go and represent Him to benefit them to their help. You will go give them the doctrine or you are going to plant a seed. MM says you can pray about the issues just to make you aware of them - MM talks about His grace is sufficient for anything we go through and even when we go through terrible trials You have the ability to give us peace and comfort and strength through the work of Your Spirit in the word. MM says he didn't say the person had it, he is just talking about it and he hopes they'll say at the end of that prayer tell me more about how to get that strength. This is what that prayer is designed to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	The mechanical means of how prayer translates into godly labor: - We talk about what we know - you are praying and talking to your Father about the doctrine that you do understand - We talk about what it is in His word that makes us think that way - if you are talking to your Father about what you think someone needs, it's important for you to say what is it in the word that makes you think that. Because if you can't identify in the word whay make you think that way, you may be thinking of something wrong. You may not be thinking the right thing. You say to your Father, here's what I think and here's why I think that (because of a certain doctrine) - Then we talk about how we can implement what we understand into our day, our daily life (as a matter of routine), or what we will do tomorrow MM says you probably won't be able to use every thing you are learning every day.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	MM says the old way of praying (GH: God's TO DO list) is hard to break, we keep defaulting back to that. Old way of praying makes us feel better, we can say I've been praying for you. If God doesn't do it, we say oh well, that's His decision. Sonship prayer looks very different. MM & Billie pray on the way to church. Praying a prayer that Paul prayed for every assembly. He is expressing a desire, he's not saying I want you to go do this automatically. MM prays that 'this word will effectually work in our inner man and it will transform us by renewing our mind'. MM prays this every week because this is a prayer that is perfectly in the will of God. MM is not superimposingf this on everybody but he is expressing his desire for this to happen for this group and that's a legitimate thing for him to talk to his Father about. MM wishes his family understood Sonship but he is not asking God to impose it on them. He is just talking to Him like a father. There are some things you know to implement about prayer in your daily life. And the further we go in the doctrine, the more of the benefits we will experience. MM says if we don't have this working in us we're going to face a problem one day from the POE that will absolutely wipe us out. It will overcome us. It's not an option. Now, if we want to become a standard church we won't undergo the POE attack.
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	We search our heart (this is another area of prayer): - We discuss any missed opportunities to apply the doctrine (what we have come to know so far) - think I had a conversation with so-and-so and absolutely missed saying something and putting the doctrine out there and I didn't. This would have been a great opportunity. God is not mad at you, you are finding a way to implement the doctrine. - We talk about how we can do that next time - OK, I missed it this time, I can get this next time - We talk about what we got right - He is not just wanting to browbeat you about what you got wrong, He is wanting you to say here's what I think I got right and here is why I think I got that right because this is how you will get skilled at it - Is there anything that we missed, overlooked, or misunderstood? - maybe you were not thinking about it right or maybe you forgot something

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary (between Pt6 & Pt7)	Here is the mechanical means: - Our love for the saints causes us to discern their need in the various circumstances we observer them to be in - Our prayer for them reflects our sincere desire to "help them" understand and thereby access the supply - As they understand, believe and 'mind' those things, the doctrine will do its work in their inner man and their need of "endurance" (or whatever their need is) will be supplied - Nutshell: We look at what they need, we express our desire, we look at what they need to get there, and then we talk about how we're going to get them there. This is how prayer works.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Session 01: MM says when you learn to pray correctly, you learn what NOT to do, but may not know what TO do. Will address in these sessions. If someone asks you what's Sonship prayer, you will be able to give them 3 short concise definitions. Will cause your prayer life to flourish. MM will assume you know some things - RDW, two programs, etc. This is a ground work section. QUESTION: Now that we have trusted Christ as our all-sufficient Savior, what is God’s will for us while we are still here on the earth? If we do not understand what God’s will is for us, then two things will be true: 1) it will be difficult to cooperate with Him in the accomplishment of His will, and * God’s Will for us is in a word, sanctification, to live a sanctified life. It is the development of our practical sanctification. Sanctification is everything to God and can't be overstated. Why Sonship is such a big deal because Sonship is about our sanctification. God’s will is for us to become holy in the details of our lives. 2) we will not know how to pray; not properly.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	* When we trusted Christ as your Savior, we were given a new identity in Christ. You got that new identity and were JUEL and all 3 aspects of that - you got forgiven, you got imputed righteousness, you got peace with God. You also got a sanctified position in Christ where you were set apart for God's use. This positional aspects in connection with our sanctification did not automatically make us holy in our everyday lives. What our positional sanctification did was make our practical sanctification possible. When we trusted Christ, we were given a positional sanctification, which if we are ever to become holy in the way we live our lives, we had to have. And from that time onward, God’s goal has been the development of our practical sanctification so that it comes up to the level of our positional sanctification, which is 100%, totally perfect. MM says our everyday living is not matching that yet. As the doctrine works in you to conform you to the image of God's Son, you are moving your practical sanctification closer and closer to matching up with your positional sanctification in Christ. That's God's Will. It's not God's Will for you to make a million dollars this year or to get a new car or to buy a new home or go vacationing in Europe.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	* Today, people think of blessing as some sort of physical thing. EX Boy, the Lord really blessed me, I got a raise. People think wealth is a blessing from God but if it was, only Christians would be wealthy. Because God is not giving his sons and daughters what the world is already giving to the unsaved. If God is planning on wealth as part of His blessing, there are places in the world where He isn't doing a very good job. If God was blessing Christians, wouldn't we be the wealthiest people on earth? Because Christians in the west are carnal these days, we don't like to hear that God isn't taking care of us financially. If God is really blessing people with great health, then the very best Christians would be the healthiest people on the planet. If you are going to have a theology, it has to make sense. You have to see it through to it's logical conclusion to see if it actually works. That's the thing about the doctrine, it has to actually work. In the Bible, in Paul's epistles, Paul never refers to physical things as blessings. So if it's not physical things, that only leaves spiritual things. When we talk about blessings in the DOGG, we are always talking about spiritual things. 22x in Paul's epistles he is using some form of the work 'blessing' and in every single time, they are spiritual in nature.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	MM says he pays for his gas and the clerk says 'God bless you'. MM is thinking, I already have them all. Not trying to make fun of their sentiment, but when he hears that, he thinks, He did. MM got them all-Ephesians 1:3. We have all spiritual blessing in Christ. MM doesn't say this to people because if they are saved, they got them all too. And if they are not saved, they still won't get any just because MM say 'God bless you' to them. Since God is working in the spiritual realm today and not the physical realm, He wants us to have the kind of wealth the lost world can never have. We are not going to get physical blessings, we are not going to get physically healed, we are not going to get physical riches, you are going to get spiritual riches.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	- When we trusted Christ, we received THE RICHES OF HIS GRACE-Ephesians 1:7. - Then, after we trusted Christ we received the following riches: * THE RICHES OF HIS GLORY-Romans 9:23 * THE RICHES BOTH OF THE WISDOM AND KNOWLEDGE OF GOD-Romans 11:33 * THE RICHES OF THE GLORY OF HIS INHERITANCE-Ephesians 1:18 * THE UNSEARCHABLE RICHES OF CHRIST-Ephesians 3:8 * THE RICHES OF THE GLORY OF THIS MYSTERY-Colossians 1:27 * RICHES OF THE FULL ASSURANCE OF UNDERSTANDING, TO THE ACKNOWLEDGEMENT OF THE MYSTERY OF GOD-Colossians 2:2
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Every member of the body of Christ is meant experience GH: these spiritual riches of: - Christ-Ephesians 3:8 - His glory-Romans 9:23 - His grace-Ephesians 1:7 - His wisdom-Romans 11:33 - this mystery-Colossians 1:27 - His inheritance-Ephesians 1:18

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Paul never refers to physical RICHES in this DOGG. He wants us to be able to experience THE UNSEARCHABLE RICHES OF CHRIST-Ephesians 3:8. Principle: What God gives to one member of the body of Christ, He gives/will give to every member of the body of Christ. God is not picking winners and losers - you get it but you don't. MM sees the guy with glasses saying, you know, God can heal you? Then they say, well, for me it wasn't His Will. Then why not? If you remember that, you can apply that principle to anything someone is saying and you will know GH: whether it is God's Will, consistent with scripture, etc. If it is by grace, it doesn't mean that you deserve it. It actually means you don't deserve it. MM says this is not doubting God has the power, this is about what God is doing dispensationally. God is not making you sick, but He is using everything that happens in your life, the good and the bad, to conform you to the image of His Son, to sanctify you - practical sanctification. He is using it all.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	That's why Paul say Philippians 4:10-13. That's what God is after, that's the son or daughter that God is trying to get built. God is not doing those things to edify us but He is not interrupting the edification process either because if He was to stop and miraculously intervene instead of letting you go through the process, He would be opposing His sanctification purpose. MM points to Romans 8:28. MM says that sets a loop that you can't contradict, that you can excuse anything. That doesn't really work. Therefore, if a few are getting something they think is a blessing from God, but not every member gets it, then that is not from God. GH: Look at who is healthy and who is not in the saved and lost world. God can use our sickness, injury, and infirmities to edify us and accomplish sanctification even more than He can use your good health. That does not mean God will make you sick to sanctify you, but neither will He give you a miraculous healing because God knows that you will never be edified by a miraculous healing, but by going through it with patience and faith, sanctification takes place. And here is what most Christians don’t know: to God, your sanctification is a thousand times more important than your physical healing. God will never short-circuit the spiritual work He is doing in your inner man to accomplish a physical work. He will never do that which opposes His own will; that we be sanctified. See Romans 8:28.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Not all believers are healthy, but they are all holy in their positional sanctification, they are holy. God knows that someone who responds properly to situations of suffering will enhance their practical sanctification, and that is His will. This is what God is doing with us; making us holy by every means necessary. As part of our practical sanctification, we are being edified unto godliness by the Spirit of God within us and the effectual working of God’s word. Therefore, by everything that happens to us, whether it be good or bad, we are being conformed to the image of God’s Son - see Romans 8:28-29. We are to labor in the word of truth until Christ is formed in us. Our sanctification is what God is interested in and all His eggs are in this one basket. Our life is not about our physical life or the things which pertain to our physical life; it is about our spiritual life. The main issue is not about our advancement in position or lifestyle, but our advancement in holiness. And once we know this, it will reorder our prayer life and center it on what God wants to do instead of what we want God to do. May be hard to understand, but everything that needs to happen in order for us to be justified unto eternal life and sanctified unto functional life, God has already done and made available to us in Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	There is nothing left for Him to do. So, our prayers are not about what we need Him to do, but about how we appropriate that which He has already provided. It is all about your sanctification. Not every believer is healthy, but every believer is holy positionally - who you are in Christ. May not be practically. When we respond properly to the sufferings in your life, it will change the way you start praying about your problems. You will start praying for the sufficiency of God's grace so that your inner man is renewed day by day. No matter what is happening in my outward circumstances. That is Christian maturity. That's what your heavenly Father is after, that's sanctification. If you don't know how to do that, then you don't know how to live out of grace yet. Can't just be happy when it's happening. So if you are suffering, you should rejoice knowing that something spiritually is happening in you that conforms you to the image of Christ, which is way more valuable.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Contrasting the two programs, one of the biggest differences concerns the issue of prayer, especially when it comes to the kinds of things we should be praying for. The problem is, when people are unaware of the dispensational change, or of the implications of that change, they find their prayer model all over the Bible. This has them praying for God to do things which He is no longer doing; they have confused the programs. They think God is dealing with them as He did with Israel back in the Old Testament, and so sometimes they pray for the same things Israel prayed for, expecting God to continue doing the things He was doing with Israel under the Law. But we are not Israel. God has not given us their covenants or promises, and, very importantly, we are not under the Law. God is dealing with us very differently than He dealt with Israel. And this is the Achilles' Heel of almost every book on prayer. They think God is dealing with them as He did with Israel back in the Old Testament, and so sometimes they pray for the same things Israel prayed for, expecting God to continue doing the things He was doing with Israel under the Law. But we are not Israel. God has not given us their covenants or promises, and, very importantly, we are not under the Law. God is dealing with us very differently than He dealt with Israel.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	And this is the Achilles' Heel of almost every book on prayer. This confusion of the programs is something that Satan works to promote among the members of the body of Christ, because if he can keep us praying and living out of Israel's program, we will not become who we are meant to be in this Mystery Program; we will be stuck in the past, living and praying in contradiction to what God is doing today. Paul tells us about a dispensational change and how it works under grace and throughout his epistles, he is going to give us a bunch of prayers. Look at the nature of Paul's prayers. MM says we can find 40 verses about Paul praying for spiritual things and someone will find one verse that they can interpret to maybe mean a physical thing and they think that wipes everything else out. Do you walk away from the 40 for the 1?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Principle: Prayer is not about you giving God a list of things to do. We act like if we don't tell Him, He won't do it and they quote YOU RECEIVE NOT BECAUSE YE ASK NOT-James 4:2. MM says you have to understand what program this is sitting in and the context in which it is said. Principle: When you pray correctly, for something to happen to someone in the spiritual realm, you can't just leave it up to God to go magically do it. When you pray this way, you are volunteering to get involved in the answer to your own prayer. Why Paul tells people this is what I've been praying for you. MM says we have to learn to think like our heavenly Father thinks. And Paul is the model, he is our example. Summation: * God's Will for every believer is for the advancement of their (practical) sanctification * Sanctification is a spiritual work by the Spirit and the word of God to transform us in our soul * The dispensational change changes the focus of our prayers
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Session 02: MM will challenge some things today that you think you understand about prayer: Definition : Sonship Prayer Three Prayer Definitions: NUTSHELL: Sonship prayer is me RESPONDING to: - what God has already said in His word (primarily Paul's epistles) - what God has done, is doing, and will do - His revealed Will.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	DEFINITION ONE. Prayer is our response to what God has said in His word. It's your response to what God has said. Referring primarily to Paul's epistles, your apostle. If you want to get prayer right and you want to pray dispensationally, you are going to be responding to something that God has said in His word. When we think of prayer as a response to something God has said in His word, it changes our prayers in three ways/does three things: (1) When we think of prayer this way, it forces us to connect our prayers to the word of God. When you pray in accordance to God's word, you are praying the way God wants you to pray. Because the written word of God is how we know what God has said. (2) When we think of prayer this way, it automatically guides the subject matter of our prayers. This is an area where some might get challenged. Too often, we want to pray about individualized things which do not appear in the word of God at all. MM admits to being guilty of everything that he is about to correct and he is not trying to have dominion over your prayer life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Principle: If what you are praying about is not explicitly addressed in the word of God, that is a Sonship decision - EX Who you should marry, where you should live, where you should go to school, where we should have the conference this year? With the wisdom that you have acquired in God's word, you're supposed to make the best decision that you can make. We don't like that because God is omniscient, He sees the future and we want Him to look into that crystal ball so to speak and tell us exactly what we should be doing. But God is not doing that. A Sonship decision: * doesn't mean that we are exercising our free will. * doesn't mean we are exercising our free will to do crazy stuff. * means you have taken this decision through a process with the principles in the Bible/of scripture and applying them for my understanding, and applying them now for the glory of my heavenly Father and for the good of the members of body of Christ, and for my own edification. Then you make the best decision that you could make.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	When you make a Sonship decision, it ought to reflect how you feel about: - God - the other members of the body of Christ - your family - your own edification. When you have all of these working, then you can make the best decision that you can make. People will make different decisions because they are at different places in their Sonship life. So you make the best decision you can make at that point in time. It's hard because when you know something and see someone making a (GH: wrong) decision, you are tempted to become your T&G.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	That's somebody that wants to make decisions for you because they know better. If you do try and guide, do it lovingly and wisely. But this is part of the process of being able to grow in grace and become who God intends for you to be. When MM says he is not going to be your T&G, he is not dodging the question, he is forcing us to use the doctrine to make a good decision and you won't get skilled in that until you start practicing that. You have to be able to go through this process using the Biblical principles that you have to make good, solid Sonship decisions. When you are making a Sonship decision, you are exercising your free well, but you're consciously doing that within the bounds of Biblical principles of doctrine that is guiding that decision. EX God will not tell you who to marry. He does not have a 'will' other than they should not be an unbeliever. God is not going to “give you a sign” so you will know if this person is the right one. God is not telling you what kind of work to do for a living, where to live in the world, how many children to have, where to go to college or what to major in. All Sonship decisions that shouldn't make up your prayer life as these are 'off topic'. What God really wants to hear from you is a response to the things He has already said to you in His word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	(3) When we think of prayer this way, we make God the initiator of our prayers, structuring the order and the content of our prayers. The 13 epistles written specifically to you and about you as a member of the body of Christ is God talking first and He is talking to all the subjects that He wants you to be thinking about. When you think about prayer, realize that God spoke to you first and He did that in His word. He is waiting for your response to something He has already said. God can't wait to talk to you about the things He has written, just like MM couldn't wait till his kids were old enough to talk about the doctrine with them. MM says he has a stack of books on prayer and they have a couple of things in common: * They talk about hearing God's voice. Because if you are talking to Him about who to marry, where to go to school, etc., the natural thing to do is think you are listening to God to talk back to you. Can't be waiting for that still small voice to tell you what to do.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Principle: Prayer, when it is properly done, is not about us bringing something to God's attention, but it is us responding or replying to God about something He has brought to our attention. The implication is that when we pray, no matter what the issue of our prayer may be, we are making a reply to God. In other words, we are not the initiator of prayer, God is. This is the inter-dispensational truth of prayer that forms the foundation of our prayer life. What that means is that prayer in both Testaments is a response to what God has already said. If prayer is a conversation we are having with God, then God is the initiator of the conversation, and not us. Realize this runs counter to what you would intuitively think. But when we recognize the Biblical principle involved; that God is always the initiator of every relationship, of every action; then we see this makes sense for prayer as well. Point: God always makes the first move.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	GH: Principle: When you give God a laundry list of things to do, you are praying like a child. Being saints living in the DOGG, God is not treating us as children, but as mature adult sons and daughters. You want your kids to grow up, to mature. Not just their thinking, but their action. God is waiting for that to happen in our prayer life. So, if we are just giving God the typical TO DO LIST, we haven't mentioned one thing that He has already been talking to us about. If you get that in your mind, that is kind of rude. When it is properly done, we are not bringing anything to God's attention. We're paying attention to the things that He has already said. MM warns that this will seem a little awkward in the beginning because we are not used to doing this. MM's book gives you 3 ways to do this, like He is the Initiator in the conversation. The easiest way and the one we'll cover is to 'pray the scriptures'. This is taking a verse or passage and turn it into a prayer, first for yourself. So you are going to start praying what Paul was praying. Using Paul's prayers as a model is the easy way to do this. Paul says I PRAY THAT YOU, and you are going to pray that 'I pray that I'. At first, this will be like climbing on a bike for the first time. Hard to keep your balance and will seem awkward.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Because it's not the way we learned to pray (God, here's what I need.). But this won't take long before it is really easy. MM says if you are praying the scriptures, you are praying in the Will of God. So you don't have to pray, Lord, if it's your Will. Secondly, you are engaging with the word of God to effectually work in you to conform you to the image of His Son. So the more you are engaging in this prayer, the more you're praying the scripture, he more this word is able to work in you, then you find ???. Point: God is the Initiator of prayer because He is the Initiator of everything. (NOTE: Please see 'GH: God makes the first move' in the Bible Margin.). He: - loved us first. - communicated with us first when He created us. He did all that by the good pleasure of His Will. When the Bible talks about God doing something according to the good pleasure of His Will, it's not talking about He had a whim or He had an idea and thought He would just do it. There's design and purpose behind that. God always makes the first move. Now, everybody is running around scratching their heads wondering, why isn't God talking back to me?
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Or their trying to interpret situations and circumstances or hearing a phrase in a Christian song on the radio to get major decisions made in our lives. Understand God is the One making the first move. MM says when you start running your relationship with God on feelings, you're headed for disaster. You want to base your relationship on truth, not your feelings. Although these books are honest attempts to have a relationship with God, they are praying for things that are not in the word. You don't want your prayer life based on a feeling because that's a dangerous place to live. You want our prayer life based on absolute truth and we find absolute truth in the word. Books on prayer also always have a chapter on how to hear God's voice. But everyone has a bit of a different idea on how to do this. MM says don't you know if someone has really discovered that infallible way to know God's Voice, we'd all know about it by now. That would become the standard and preached everywhere. The reason why new prayer books on hearing God's voice keep coming out is because they are trying to discover something that isn't there. God's Voice is in this Book when the canon of scripture got completed. MM doesn't believe in dreams and visions now that we have the completed revelation of scripture in the DOGG.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	That's not the way God is going to communicate. MM believes not only that the word was inspired but that it was preserved and the word of God is without error. He believes it contains everything that God intended to put in it. He also believes from the Bible's own teaching that it is complete and he doesn't need anything else n order to live his life or have a relationship with the Lord. Most people will sign-on to this but then they turn around and ask God to give them something outside of His word or to guide them in their decision making. They don't realize that they are saying the word is not enough. That they need something in addition to the word. STORY: MM says there's the Imperial water tower monster who answers prayer and say to scoffers you don't see him because you don't believe. All we have done is made a Christianized version of this. MM says in 'praying the scriptures', it doesn't have to be Paul's explicit prayers. It is real easy to take the thing that he wrote through the epistles that were not necessarily a prayer and to pray those as well. You get comfortable with this by doing it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Action overcomes fear. Just do it. MM uses the learning to ride a bike analogy. When you do this, you will begin to see connections that you didn't see before. This is not magic, that's what happens when you're in the scripture and reading it, and you're praying it, and then it's in your mind. Your mind is built to make those connections. That is supposed to happen. You should be able to notice a pattern but you have to get familiar enough with it to be able to do that. The Spirit of God is not giving you information outside of this Bible. Secondly, the Holy Spirit is not giving you information that you don't know yet from the Bible. He takes that truth that is in you and now He can work with that truth. He's not making bricks, but He is using the bricks you've got to build you. MM says you can get into a mode where you think God is speaking to you outside the scripture and you can develop some habit and think you've got this thing working and feel like this is a signal from God. MM recommends doing this as you pray together as a couple or family. It's a real good point to learn to pray the scriptures. It's easy because the outline is kind of right there so it's not like you're inventing it. This definition of prayer fits every type of prayer we can pray.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	DEFINITION TWO. Prayer is our response to what God has done, what God is doing, and what God will do in the future. MM is not just talking about “time past, but now, and the ages to come,” but I am primarily talking about this dispensation of grace of which we are a part. It is not that God is not angry with sin in this dispensation of grace, but He has chosen to deal with the unsaved world during this dispensation of grace by enduring their sin and rejection of Christ with much longsuffering. He demonstrates that forbearance and longsuffering by not visiting their sins upon them during their lifetime. This means that the bad things which are happening are not judgments from God for sins. God is not punishing the unsaved by bringing punishments upon them, and He is not punishing Christians for their sinful behaviors either. We will pray incorrectly if we don't understand this. You have to identify the scriptures that pertain particularly to you if you're going to be talking about what God is doing - Paul’s 13 epistles (Romans - Philemon) tell us how God is dealing with us, and they reveal God’s will for us as members of the body of Christ. Therefore, our model for prayer should come from the scriptures which are specifically to us and about us. In other words, if we are to pray according to God’s will, we must know what that will is, and where to find it.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	It is found in Paul’s epistles. We are under grace, which means God is dealing with us differently, and that means that the way we pray is different and the things we pray for are different. Need to know how God is working with us today. God is doing spiritual things in our inner man; not physical, outward things. God, in the time of Israel’s program, blessed them with physical blessings if they obeyed His law. But the entire dispensation of grace concerns spiritual things. Everything that God is doing today is designed for the spiritual realm, not the physical realm. We engaged in a war today, but it is a spiritual warfare-Ephesians 6:11-12. Standing against the wiles of the devil, and wrestling against spiritual wickedness constitute a spiritual battle. It should come as no surprise that if our warfare were spiritual, then our weapons would also be spiritual-1 Corinthians 10:3-5. The war takes place in our minds, which is a part of our soul. Our enemy is spiritual. The warfare is spiritual. Where it takes place is spiritual. The weapons being used are spiritual. Our armor is spiritual. Our victory is spiritual.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	- To know what God is doing, we must know who we are and the time in which we are living. Then, we must identify the scriptures that pertain particularly to us. From those scriptures we will know how God is dealing with us and we can discern God's Will. We are members of the body of Christ-1 Corinthians 12:27, in distinction from being Israelites. Collectively, all the individuals who are "saved" today are part of the new creature which the Bible calls "the body of Christ." That is who you are, and you need to know that. **The more any doctrine is ingrained into our minds,** **1) the greater will be our capacity to discover new truths,** **2) the deeper will be our insight about the things we already know, and** **3) our ability to discern/spot subtle doctrinal errors will be enhanced.** - Benefit of this type of prayer: This is the kind of praying that will deepen your relationship with God. Instead of wondering if God is hearing your prayers and having that negatively impact your relationship to God, start praying by responding to what God has said in His word, to what God has done, to what God is doing, and to what God is going to do.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	- EX of not rightly dividing the word: MM says there is an idea out there that in order to be right with God, you have to confess your sins constantly. There's a whole teaching about repenting and confessing your sins. In the DOGG, MM believes when you trusted Christ as your Savior, you are, as a first component of your justification, forgiven of all your sins. Not just the ones you have committed, but the ones that you will commit. All of that Redemption on the Cross got applied to all of those sins. MM says a lot of us grew up with IF WE CONFESS OUR SINS, HE IS FAITHFUL AND JUST TO FORGIVE US OUR SINS AND CLEANSE US FROM ALL UNRIGHTEOUSNESS-1 John 1:9. Preachers said, 'keep short accounts'. When you sin, confess it right then and get it right because you want to be right with God. Because if you're right with God, He will answer your prayers. MM says he doesn't think that's what God is looking for. You should feel bad about your sin and he is not giving you a blank check to sin. When Paul says WHERE SIN ABOUNDED, GRACE DID MUCH MORE ABOUND-Romans 5:20. God is not waiting for a confession, He is waiting for a change in your behavior. That's what He is after. Doesn't mean that you can't say to God that you feel terrible about your sin.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	But what He is looking for now is for you to actually engage in the doctrine by which you are able to overcome sin and then change that behavior. That's what He is really after. God is not just waiting to hear you're sorry, what He wants for you to actually now begin to live like His son or daughter to actually bring your conduct up to your position in Christ. MM hears dispensationalists say that if you don't confess your sins, God has to judge you and now they're just reading into the things that happen in life as God's judgment. EX I had a flat tire. God is judging me. Or this bad thing happened, this is God trying to get my attention. MM says that is not really the way Paul presents this. Sin does have its effects. It will allow our flesh to get out of control. If God is not chastising us for things we have done, think about those prayers that are trying to alleviate that situation. God is never happy with sin but He has already provided a Cure for that through His Son. People say, well, I want to pray for America. But you have to remember, when you pray for something, you are automatically now assuming responsibility for helping that prayer request to come to pass. So you can't just sit home and say, oh dear God, please help America. God is not judging America or using judgments to bring men to Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	In the DOGG, He is forestalling judgment and dealing with the world under grace (contrast with Israel's prophetic program and the stick of the law). He is using the carrot of HIS GOODNESS-Romans 2:4. Today, God is involved in spiritual things and if we are going to be praying about what God is doing, then it's going to be spiritual things that we are talking about, not the physical outward things. MM points to Ephesians 6:11-12. - MM talking about what God has done in the past (not doing at preset) in the DOGG. * Gave you a perfect justification. MM reviewing the 3 components. * MERCIES OF GOD-Romans 12:1 * EX Say that you are really glad that He saved Saul of Tarsus on the Damascus Road. MM says if there's a person that he loves that he has never met, it's Paul. There are things that he wants to ask Paul. Because they are not in the Book and the Lord is not going to tell him. MM thinks Paul had doubts GH: about the Pharisees/Sadducees position. Paul doesn't fight when he hears the Lord's voice.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	* NOTE: See Romans 4:5 prayer. It's more than "God, thank you for justifying me" and then kind of moving on. There's a purpose in establishing the doctrine in you. It works in your sub-conscious and really begin to get you rooted into that position. People always get blown away by EVERY WIND OF DOCTRINE-Ephesians 4:14 because they are not rooted, they are not established and prayer is meant to do that. The more we pray about God justifying us, the more that truth of scripture gets ingrained into our minds and in our inner man. And we want to have those deep roots so that we can stand against the different WILES-Ephesians 6:11 that are going to come against us. The more you begin to understand about your justification, it's not enough to know, OK, God justified me. That's a great start, but you don't want it to end there. You want to really understand about your justified position in Christ. This is the way it gets done. So the more any doctrine gets ingrained in our mind, the next benefit is the more new truths we can discover. The more you know, the greater your capacity to discover the things you don't know.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	This is the kind of prayer that helps you develop that. The second thing is the deeper the insight will be into that. The third thing is our ability to discern doctrinal errors will be enhanced. You'll be able to spot the wrong doctrine a lot easier. NOTE: These principles on prayer are inter-dispensational. This is the way it happened back in Israel's program too. MM says we have created this Frankenstein monster of prayer. We took pieces out of Israel's program, we took pieces out of Paul's ministry, we invented things that weren't in either, and then we jammed them together to make a doctrine of prayer. And we wonder how come it doesn't always work. This Frankenstein method of prayer that we have developed doesn't work in either program. We've taken bits and pieces from everywhere and stitched it together and brought it to life. Now, we say hey, we need rain. We need to pray for rain. Then, when it is not working, we say, let's get a bunch of people to pray for rain. MM asks where did you find that? Answer was rhetorical, he knows, WHERE TWO OR THREE ARE GATHERED TOGETHER-Matthew 18:20. Even when we rob verses out of Israel's program, we take those verses out of their context to make it fit a theology of prayer that really doesn't exist anywhere in your Bible. And this is what get preached in pulpits all over the country.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	That's the skewed doctrine of prayer. Today, the things God is doing is spiritual and if He is giving them to one, He is giving them to everyone. If you are a saint, you get them all. Now, you may not know about them, but that doesn't mean that you don't have them. Realize that if our prayers are always about something we need, that God hasn't already given us, then we are asking for the wrong kinds of things. It's a bit of a misnomer to say, 'God, give me patience'. That's not like something on the cafeteria line that God just scoops it and puts it on your plate. Here's some patience. You get patience from Romans - TRIBULATION WORKETH PATIENCE-Romans 5:3. Things like patience and longsuffering and endurance are already available to you, but they are available to you by the doctrine. That's part of your sanctification. So you can't say, well, God didn't do that for me. No, those things are already available to you by the doctrine. But God doesn't force it. All of that is available in Christ and our prayers need to reflect that.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	DEFINITION THREE. Prayer is our response to God's revealed will (revealed in His word). People in both programs prayed according to the definitions we have covered so far. GH: God is the first mover. God chose us in Christ before He even created the world. This action was not based on anything we had done; we weren’t even around yet. He did this because it was His good pleasure to do so. Everything concerning God’s good pleasure was necessary and critical, which is why He must be the initiator of all of it. There is no topic that God wants you to pray about that He hasn’t already initiated the conversation in His word. Since we are responding to instructions God has written to us, God has designed prayer so we can instantly communicate to Him without restriction. In other words, there is no position or posture to assume, but we can pray in any position and our prayers are just as viable. We can pray any time, day or night, and He hears us. In fact, this is a big difference in prayer for us in that we have no certain liturgy to perform in order for God to hear our prayers. It makes no difference if we pray audibly or silently in our heart, God hears it all. But what God really wants to hear is us responding to the things He has already said to us in His word.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	MM believes that everything we need to: * live for God * know about how to deal with tribulations and sufferings * know about God’s will * know about who we are in God’s plan and purpose * know about what God has done for us * know about our future * know about what God is doing and why He is doing it * know about salvation * know about everything we need to know is given to us in God’s written word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	If MM is right about that, then everything God wants to talk about He has written to us in His word, then that makes God the initiator of prayer. Why God is so invested in giving us His word: - Because our present relationship to God is not face to face. If it was, things would be different. God has written us thirteen letters to give us all the instructions we need for as long as we are on this earth. - If God did not set the agenda for our prayers by His word, we would not know what to pray for. We would gravitate to the kinds of prayers the heathen developed for their false gods. We would not understand who God is or what He is doing. We would only guess as to His will. But by God giving us an inspired revelation of Himself, we can know the things we ought to know, and pray accordingly. God's word should be the start of every conversation we are meant to have with Him. God is omniscient and it was out of that omniscience that God formulated His word. It is designed to give us answers to our questions, and solutions to our problems without having to name them individually.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	That is the nature of the Bible, and it sets it apart from every other book in the world. When we understand what prayer is (our reply to the things God has already said); when our prayers are directly connected to the portion of His word that was written specifically to us, it will change the way we pray, because we have been looking at prayer the wrong way. We have been thinking that we initiate prayer, telling God what we want; then we wait for God to get back to us. But is He talking back to us? That's the dilemma. Most all books on prayer talk about "how to hear God's voice". While We have been thinking that we initiate prayer, telling God what we want; then we wait for God to get back to us. Is it audible, in our spirit? Is prayer supposed to be so uncertain? If someone found the key to do it this way and it worked every time, it would be preached everywhere. Every year we have more and more books on prayer because we have lost sight of how God has spoken to us; by His written word.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Don't think of the Bible as just a book, but think of it as a series of conversation starters. They give a wide range of strategies to hear God's voice. This ignores the fact God has already spoken to us in His word. When we think this way, we are revealing that we think God's word is not enough. While our desire for a relationship with God is well-intentioned, Satan has used this to blind us to the truth of how God speaks to us today; through His written word. * If we are looking for a feeling to tell us our prayers are working, we are looking at prayer wrong. * If we are thinking that God is going to carry on a conversation like we would have with our neighbor, we are looking at prayer wrong. * If we think it is up to God to engage with our conversation, we are looking at prayer wrong.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Based on MM's research, some authors of books on prayer act like their prayer time with God is very conversational. They are either misled by the Satanic POE or they are making it up. Most, however, recognize that they are not going to get a full blown conversation, so they relegate God's answer to YES or NO. Then, it's usually not a voice, but a feeling, like “I had a peace about my request, so I know that what I am asking is okay with God.” But once you understand what prayer is about, you will realize that “having a peace in your heart” is not the signal that you are in God’s will. Still others are not expecting any kind of answer at all; they simply wait to see if they get what they asked for and then discern God’s answer from that. In the way we have always been taught to pray, we judge God’s answers to our prayers by one of two ways: 1) whether or not we get what we ask for, and 2) the emotional “feeling” we experience.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	This assumes if we get what we ask for, then it must have been God that did it, and that is how we know God is engaged with our prayers. Lots of things produce a “feeling,” some of them are good, godly things, and other things are not necessarily so. There is no need to try to sort through our feelings to determine which are from God. Why not? Because God is not in the business of dispensing feelings; He is dispensing grace and truth. And those things are what they are aside from any feelings, or lack thereof. Prayer is not a feeling or “a series of events” that makes us know God is responding to us. We are not waiting for God to confirm what we are doing; God is waiting on us to confirm what He is doing. We have it backwards. Prayer is about us responding to what God has already said in His word. That makes God the initiator of our prayers. Point: Once we learn that prayer is responding to what God has said in His word, we will understand that we are not looking for a feeling and we don’t need a series of events to convince us that God hears us; that He is present with us, or that He loves us deeply. We already know that.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Session 04: We get prayer to work by knowing and understanding how God is working and we know how God is working by reading the part of the Bible that belongs to us - Romans through Philemon. And once we get that down, they we know exactly what God is doing today. If you were a disciple back in the days of the Messiah, you would be thinking about what the Messiah told you and then align your conduct with those instructions. Someone invented a skewed doctrine of prayer which never existed in any program. Nowhere does the Bible teach that God is doing something by grace, but He is picking and choosing who gets it and who doesn’t. That would be an insult to grace. God is offering grace to all people. God is giving spiritual blessings to all saints. Without exception, that's how grace works. We know about the spiritual blessings, the mercies of God, our new identity in Christ, our justified position in Christ, our sanctified position in Christ, our adoption, the promise of a new body – we know that we will all get those because God said so in the part of His word that was writeen specifically to us and about us. If, in those same epistles, God did not tell you that you could expect to be healed if you prayed, or if a lot of people prayed for you, then guess what – He’s not doing that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Those are things we want Him to do (heal us, give us a job, give us a raise, send angels to protect us when we travel, etc.), but He isn't interested in our list, He is interested in His list. And the only things on God's list in this DOGG are SPIRITUAL THINGS. If we try and read into our circumstances something that God is doing, which He did not tell us about in His word to us then we have perverted the truth. And if you pray according to that perversion, then you will be constantly confused and frustrated. God has told us exactly what He wants us to know in Romans to Philemon. At some point, we must start realizing that if our prayers are always about something we need, which God hasn't already given us, then we are asking for the wrong kinds of things. In Israel's program, this issue of confessing sins in order for God to hear their prayer is the way prayer works in God's program with Israel under the Law. And the other prayers were about God doing the things He said He would do. But for us, living in the DOGG, we do not have to confess our sins to be forgiven because we have already been forgiven. When we trusted Christ as Savior, God forgave us all our sins, even the ones we had not yet committed. And we shouldn't confess the sins of other members of the body of Christ because their sins are already forgiven too. There is no national mandate for us to confess the sins of America so that God will bless the nation and make good things happen to us. So we get prayer to work by knowing how God is working and we know how God is working by reading the part of the Bible that pertains to us. Then, once we know how God is working, we align ourselves with what God is doing.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	Session 05: Purpose: To get you to engage in Sonship prayer in a practical ways. Six ways to not have your mind wander and keep focused during prayers and engaged in the discipline of prayer in a way you should want to be and ought to be: WAY 1: Vocalize your prayers; pray out loud: By expressing our thoughts in audible words, we will bring order and discipline to our mind/our thinking and keeps us on track with what we are talking about. There's an added benefit in that it also impacts us in our inner man in some very important ways. Something happens in your sub-conscious that conforms your thinking to hat you're saying. We greatly benefit when we start to pray out loud. It does something different than when you're just thinking your prayer. When you hear yourself articulating those words, it helps you keep track because as you are talking out loud, it's hard for your mind to engage in something else while you're doing that.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	WAY 2: Have a model, like 'Pray the scriptures': Not talking about praying the Psalms or devotional prayers, talking about praying Paul's epistles. Just start somewhere in Paul's epistles then read those and then turn those into a prayer. Can tie into a time of Bible reading. Read a passage and then then once you read through it, come back and turn at least a portion of that Bible reading into a prayer so you are putting prayer and Bible reading together. Read a verse or passage and then think about how this bears on your own life, and then make those truths the basis of your prayer. Greatly enhance our ability to pray like Paul. We are trying to get the truths of the scripture to be the basis of our prayer life. Remember that Sonship prayer is responding to something that God has already said in His word. So since you're reading His word, then turn right around a respond back to the things you've just read in your Bible. Read the passage slowly and let it sink into your thinking. What does it mean to you? Read each phrase and talk to the Lord individually about each of them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	It's important that you do this out of your understanding where you are right now in the doctrine, how you see this passage and what you understand. Put it in your own words. You can supplement with words directly out of the verse. MM encourages us to do this because it gauges your own understanding of what you're reading. If you can't really put it in your own words, maybe you don't really understand it enough yet and you need more clarity about that. Using phrases and words directly out of the passage is good because it gets those phrases and words working in your mind and when they come into your prayers, you are praying like your apostle. MM says the act of reading a passage and turning it into a prayer is actually teaching us how Sonship prayer actually works. We know that we're not only praying in response to what God has said, we're also praying in accordance with His Will. And not only that, we're also praying in accordance with what God is doing. MM says this is a great way to not only get the scripture engrafted into you, but to actually now conform your prayer life to the model of the apostle Paul. Please see Colossians 1:9-12 prayer.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	WAY 3: Adopt a prayer from Paul's epistles as a model: EX Take Paul’s prayer in Ephesians 1, and make a similar prayer for yourself, your family, your assembly, etc. Works in all of these cases and is a wonderful thing to do. The advantage of looking for a model prayer is that it is easy to get it into our memory. Also a valuable tool for getting children to pray properly. WAY 4: Make a prayer list: This is different than the old way. It is difficult to pray for a large spread of people or a large number of concerns without developing a prayer list. At least for MM. Different ways to format. EX Left side of the page is the things you are praying about and the right side of the page are the things you are going to do to facilitate it. MM has a list of people that he prays for everyday. Might be your spouse, your children, your relatives, your close friends, any of that. He has a second list of short-range things or more immediate issues that are not necessarily going to stay on his prayer list for long. These things are going to rotate off. There's a third page or grouping that he is praying for. These don't happen every single day but they do happen on a regular basis.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	WAY 5: Keep a prayer journal: MM says this one is widely overlooked and underestimated - to be able to write your prayers down. Benefits: * Forces us to change the pace of our prayers, by slowing us down, which now cases you to actually examine and think about the things you are writing. If we are writing our prayers, we are not daydreaming and you are not drifting. * As you are writing your prayers down, you are saying to God something that you understand, there's some requests you are making and it fosters self-examination in the midst of that prayer. When you slow down and write that prayer, it causes you to examine yourself. EX Are you really having patience and longsuffering with joyfulness in the midst of adverse situations? *It provides for a quiet articulation of your spiritual direction which tends toward spiritual growth. We are quietly thinking about what it is that we are writing here and how that pertains to our growth spiritually.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Commentary : Homecoming 2025	* It not only allows us to look back and observe the growth in our prayer life, to see the things we were praying about earlier and how we were actually structuring those prayers. You can actually see the growth of your own prayer life, if you begin to journal. This is something that is harder to recognize if you don't have a record of it. * It can also be a great journal or testimony to hand down to the generations to come after you, so they can see how your prayers were structured and they have a model to teach them about prayer. Also, inspiring them to pray like Paul. WAY 6: Develop a prayer-partner relationship: Have a time of prayer with a prayer partner, meeting together at an assigned time and pray together. Could be your spouse or partner with another couple or your family or a close friend or someone at work.
Commentary	Sonship : Prayer Commentary : Homecoming 2025	MM is not saying you have to do all of these or you're not spiritual or you're not praying right. But these are thing that will actually encourage you in your own prayer life and will encourage someone else in theirs. Learning about grace and understanding what God is doing in this DOGG has not dulled MM's excitement for prayer. It's actually taken his prayer life to new heights and in ways he never experienced before. Just because his prayer is more in line with what God means for it to be, doesn't mean his enthusiasm for prayer has dampened. His prayer life is not only much more productive now, but His Love for God has increased and his love for His word, because he is praying those kinds of things, it's been a real value. So by learning to pray according to the time he is living in, it hasn't really causes him to be less excited about the things he is praying about. But now he has some real wisdom where he feels like he is having an intelligent conversation with his heavenly Father. The more he has learned how to pray properly, the more impact my prayer life has made on him. MM wants to encourage us to stay engaged with prayer as it is meant to be. This kind of prayer will transform us and conform us to the image of His Son. It will change us from praying like children to now praying like adult sons and daughters. This is the kind of prayer that ignites really an intelligent zeal in our hearts to be the kinds of sons and daughters that he designed us to be.
Commentary	Sonship : Prayer 101	Prayer 101: - Is simply talking to the True and Living God. Done properly it is constant communication with Him - proper prayer. - Intelligent: GH: Asking God for rain is not an intelligent prayer. It is understanding that prayer is a dispensational issue. Praying in accordance with what God is doing. Not talking about 'high IQ people' intelligent prayer, talking about you are praying because you're informed about what God is actually doing and you are praying in connection with that. - Prayer is a vital part of the word working IN us/How prayer works in that process. As we understand, believe, and live out of the doctrine, the word (GH: through the facilitation of the Spirit) effectually working (more than effective) IN us. Nothing else can do this. - We are talking to Him on what we know and understand in the word. - Prayer activates the doctrine. Prayer is reminding you of what you know and what you are supposed to believe and what you are supposed to be living out of and your prayer to your Father, that communication with Him is about getting all of that working IN you. Because if you don't get that thinking in your mind, you will get looking at circumstances, instead of what the word is supposed to produce.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer 101	Prayer 101 (cont'd): The Thessalonians even did this. They took their eyes off of it and they start wondering, well, why is God doing this? They thought the troubles they were going through meant they were in the tribulation and had missed the rapture. - If we are going to pray “as we ought,” if we are going to “pray with understanding,” if we are going to talk to God properly the way He expect us to, if we are going to be praying in the will of God, then our prayers must be in connection with us being IN Christ or Christ being IN us. And remember, God put Christ in us for the purpose of Christ living His life IN us. (This, by the way, is how we are conformed to the image of God’s Son.) - Prayer is dispensational and properly performed prayer is always in accordance with an understanding of what God is doing in that particular dispensation. MM says not his opinion - gives examples of several prayers and calls it the testimony of scripture. - If we are going to pray with understanding then we need to be praying in connection with what we understand God is doing with us today. - THE IMPORTANCE OF SONSHIP PRAYER!! - Prayer activates/gets you thinking about/gets you remembering the doctrine. It turns your mind in that direction. Look at Paul's prayers.
Commentary	Sonship : Prayer 101	Prayer 101 (cont'd): - It is not enough to pray for someone who is going through a tough circumstance. That is not getting them where they need to be. You call them up and do exactly what Paul says to the Ephesians and the Philippians and the Colossians and the Thessalonians. I am praying that you will not be overwhelmed by your circumstances but that you will be strengthened with might IN your inner man to be able to endure these to the glory of your Heavenly Father. - If diagnosed with pnemonia, there are some things you should do to recover properly. God is not doing anything in the physical realm. MM had a stroke (GH: Q12018?) and still doesn't feel hot or cold on right side of his body. He figures that's just the way it is and he doesn't pray for God to fix it. - Paul tells them about his prayers for them because he wants to remind them of the doctrine so you will know how you are supposed to go through these things that are now terrifying you. If you hear that, you will be thinking, oh, I know how that works. I am now going to believe what was written in the scripture and live out of that. It's a reminder. They are reminded of what they have been taught, they are recalling the things that have been taught and now think about the things that are happening the same way their Heavenly Father thinks about them. If there's someone who doesn't have the doctrine, they need to learn that doctrine. Which is why he explains it right here. We say it because when someone is going through some type of difficultly, they say 'I have been praying for you'. That's the number 1 way of saying I care about you, sorry you are going through this, you've done everything you can do, etc. Those are the reasons why they are telling you that they are praying for you. MM would pray for them too but we'd be praying for different things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer 101	Prayer 101 (cont'd): - If someone is having financial issues, don't just pray. Carry groceries over to them or pay their electric bill. - The things about our prayer life should be about Christ living His Life in us because that is the only thing God is interested in doing. He is dying to do something in your inner man, not change your outward circumstances. So that no matter what our outward circumstances are: the character of His Son is being built into us we are being conformed to the image of His Son Christ is being formed in us Christ is dwelling in our hearts by faith the Word is dwelling in us it is Christ in us the hope of glory
Commentary	Sonship : Prayer 101	Prayer 101 (cont'd): All of these ways Paul says it - they all dovetail together. MM tries to do the same thing so one will click. These didn't all click for him at first but the first ones that clicked, opened the door for the others. This is what God is doing. This is where God is working. - God is not going to magically meet physical needs, God is going to do that by His word working in His saints and they are going to meet that need. - Look at praying for ourselves before praying for others. * Prayers of thanksgiving, supplication, intercession. * Prayer ATD (activates the doctrine). - Prayer is designed to take the doctrine you are learning and manifest it in the midst of your circumstances. In that way, prayer activates the doctrine. It is meant to take that doctrine and now you are able to put that doctrine on display to whoever is seeing that in this midst of whatever circumstances you're going through. Meant to put something on display in our conduct and behavior.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer 101 : What Prayer Is?	The Fundamental Form of Prayer - What Prayer Is • Prayer is not about changing outward circumstances. • Prayer is about changing us inwardly in the midst of those circumstances. MM says if you have a head ache, take an aspirin. If the door squeaks, grease it. The very thing God is looking for in the midst of your surgery in the midst of your adversity, He is desiring to do a work IN you that allows you to see that thing from His point of view and allow the doctrine that's sitting in God's word to transform your thinking. That's what Romans 12 calls it the renewing of your mind. • Prayer does not work like magic in that all we need do is pray and that is the end of our part in it • Prayer must be accompanied by and attached to an understanding of Pauline doctrine; in fact prayer's purpose is to activate that doctrine in our minds • Prayer, in and of itself, is not the end. In other words, the exhortations to pray are not about engaging in the exercise of prayer simply for prayers sake. This is only "saying prayers."
Commentary	Sonship : Prayer 101 : What Prayer Is?	• Prayer is a part of the means to an end. • Prayer is a necessary part of the process whereby we are conformed to the image of God's Son, whereby Christ dwells in our hearts by faith and whereby His life is made manifest in our mortal bodies. This is praying properly, which is very different from just "saying prayers." • Prayer is not the means by which we get whatever we think of. • Prayer is part of the means by which we get those things which are in accordance with the revealed will of God. Those things will be written in Paul's epistles. • Prayer is not something we do only when we get in trouble, when we really want something or when we need help in some way. In this way, prayer is thought to be only for the "big stuff" with the idea that we can handle the small stuff.
Commentary	Sonship : Prayer 101 : What Prayer Is?	• Prayer is for everything. Since prayer is what activates the doctrine in our minds, it is designed to be a necessary part of every part of our life, all through the day. • Prayer is not about secluding ourselves off in order think about a bunch of stuff to talk to God about, or discuss things after the fact. • Prayer is meant to seamlessly integrate into our everyday lives in real time (hence; instant in prayer-1 Corinthians 12:12c.) For sons and daughters, it is meant to be as natural (and as necessary) as breathing. • Prayer is not something we do because we are told to pray or because it is how get stuff from God. • Prayer is part of the intimate, adopted-son relationship between us and our heavenly Father. Because His presence is not manifested to our physical senses (we do not see Him with our eyes, hear Him with our ears, touch Him with our hands) prayer is the way we carry out and develop that Father/son relationship.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer 101 : What Prayer Is?	And now here comes the big one we need to wrap our minds around. • Prayer is not primarily something we schedule. MM is not saying you cannot schedule a time for prayer each day. What MM is saying is if this is how we carry out our prayer life, we are missing the point. • Real Sonship prayer is a lifestyle. It just goes on all the time and what we live out of every moment of the day. Won't happen by accident, going to have to do on purpose until it transforms us & that's who we've become.
Commentary	Sonship : Prayer 101 : Ungodly Thinking	Prayer 101 - Ungodly Thinking: - Prayer is not give God a list of stuff to do, and if He does, good. If not, oh well. We love to pray that way. EX Sarita is having a hard time and we just go dear God, bless Sarita. And now I am done. I don't have any further responsibility. - Prayer is not about giving God a bunch of things to do and then walking away and seeing if God wants to do it or not, even with the spiritual things that God wants to do. - People accuse us of thinking God isn't doing anything. - Being more than a conqueror doesn't mean put on an iron man suit and whipping everybody. - Most folks today pray for outward man, outward circumstances, situations, not like Paul prays. Every once in a while in your life you will see the resultant damage of the erroneous doctrine on prayer. You'll see how it adversely affects people and that is going to bother you. - If we look at prayer the way we always looked at prayer the only thing we'll be doing now is just asking God to magically do a bunch of inner man stuff and that is not going to work either.
Commentary	Sonship : Prayer 101 : Ungodly Thinking	Prayer 101 - Ungodly Thinking (cont'd): - Even if you know what to pray for - Dear God please make me more than a conqueror - that alone is not going to make you more than a conqueror and that's going to be frustrating. - We have a fundamental misunderstanding about how prayer operates and what it is. MM would like to fill in that missing component so we now start to think about prayer the way Paul thought about prayer. - We have to change the way we actually understand how prayer works and how it's designed to work. Otherwise, this is still going to remain an enigma to us. It's still going to remain uncomfortable. Paul is letting them know what he is praying for to activate/remind of the doctrine in them. - Paul didn't get it right every time, he said so. You do it and do it and do it till you get it right/that is your default response. This word will have worked in you so that Christ is now living His Life in you as an automatic default setting. - People think if He is not making it rain, He is not doing much. If it is not manifested physically, it must not be very important. God's intervention is always going to be in our inner man, no matter what the circumstances. But is it not enough simply to ask God to strengthen our inner man and let that be the end of it. The mechanical means is accomplished by the working of God's word IN our hearts. So our prayer for us to be strengthened by the Spirit in our inner man must be accompanied by us either getting into the Scriptures to learn or by recalling the doctrine we already know.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer 101 : Ungodly Thinking	Prayer 101 - Ungodly Thinking (cont'd): - If someone needs strengthening in their inner man, do you just pray for it? We used to. Same way we looked at prayer before (GH: before: outward now: inward). Can't just replace outward man things with inner man things and act like God is going to magically do that. Can't get caught in that trap. - People see it as a way to help without doing anything themselves. - People tie their prayers to Israel's program. - People think prayer is how we get God to do thing for us or give us something that we need. - Prayer is not the end. You can't just pray and think you are done. Don't view prayer that way. - People incorrectly believe that God will intervene if they meet certain criteria is this: If they ask
Commentary	Sonship : Prayer 101 : Ungodly Thinking	If they ask, believing If they keep on asking If they have enough faith If they confess their sins If they claim the promises If they live/are living for God (this assumes punishment is for sin, God punishes sinners but not the righteous)
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #1 : Romans 8:26	Because, according to our apostle, we do not know what to pray for as we ought. Hard question: What happens if you have not advanced to the place to learn about the doctrine and there's something happening in your life and you need this doctrine to be able to help you get through this difficult thing but you haven't advanced to the point you have gotten to that doctrine? What do you do then? What if it is too big of a jump? Praying properly is so far from what we got taught. It's a little bit uncomfortable. Doing this right solves a lot of questions. If God is doing it, He is doing it for everybody on the basis of grace. Get it by grace or works and if you get it by grace, you can't say you didn't deserve it or God is punishing me. Ephesians says He has blessed us with ALL spiritual blessings in Christ Jesus-Ephesians 1:3. Today, we dream up prayers and wonder why they don't get answered. Praying in accordance with the dispensation they are in has been the only way people have properly prayed. It's not a new thing. Pulling out of your imagination things that you want God to do. God is not likely AT ALL to do that. We know today that God is not imputing sins to them because under grace he is trying to reconcile the world to Himself. We are dealt with under grace. If we are praying for (GH: phyiscal, temporal) things someone needs we are wasting our time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #2 : Superstituous Gentiles	Superstitious Gentiles: Because as Gentiles, we will never figure prayer out on our own. The fact that we are Gentiles means there are some things that true about all of us. Being Gentiles means that we are by nature very, very superstitious. By nature we have wrong thinking about God which needs to be corrected if we are going to talk properly to our heavenly Father. Gentiles worshipped 1,000s of gods but not the One True God. Because God gave them up at Babel. When they formulated prayer man's wisdom or the wisdom of this world guided them. The superstituous nature of the Gentiles - Paul goes to Athens and they are worshipping every god imagineable. The cliche in that day was it was easier to find an image of a god than it was to find a person. Even had an altar built to the unknown god in case they missed one. Let's just make sure we get them all. So when Paul shows up the one you said about the unknown god - I need to tell you about Him. Because you guys are very superstitious. MM says this prevades every area and even intelligent people do that. EX Knocking wood was about devil's being present and getting rid of those spirits. People do it today as an automatic thing. Athletes saying these are their lucky socks ot has this ritual he has to do. Gentiles are very very superstituous and that pervades more of our Christian lives than we'd like to admit and it certainly pervades into our prayer life.
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #2 : Superstituous Gentiles	Paul is going to have to correct all that. Satan doesn't care if you are religious. He is a religious creature himself. You can pray to the wrong god or pray wrongly (like you prayed to things that weren't gods at all) to the True and Living God and he is good with that. That tickles Satan. Here's God's own people and they don't know how to talk with Him even though they've got a Book that contains scripture that instructs them. The mindset of the Gentiles overrides many times what they would find in the scripture. Learning to pray like Paul is the way will learn to pray in the Will of God in this DOGG. The things we give God credit for are the things we can never quite pin down. So we interpret the circumstances because we Gentiles are superstituous. Today, we act like God is a Genie in the bottle and we rub it and we say it and we hope it comes out and if it does, great. If it doesn't, oh well. Won't keep me from saying it again next time. If God is dealing with us under grace, then He cannot be punishing us for what we did wrong and He is not going to do good stuff/good things for you or circumstantially reward you (oh, I got a job). He is not punishing us for the bad stuff. If grace is the basis, if He is doing it at all, He is doing it all the time. As long as it is grace, it is no longer on merit. Trying to get away from the capricious God we have invented that does some things and doesn't do other things and you have no idea why, because there is no basis for anything. But God has a basis for doing what He is doing today. It is grace, that's the basis. It's a free gift. If it's under grace and that's the principle, everybody gets it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #2 : Superstituous Gentiles	We now know in this DOGG, because of what God is doing, if you have something going wrong, God is not automatically going to fix that for you. Look at the people wearing glasses. We live a story and read our interpretation of what God is doing back into that story. Reading it in and saying God is the One that did that. EX Going route A and then changing to route B and finding a tool on the side of the road and saying God wanted you to have that tool. If God really wanted you have that tool, couldn't have He just give it to you? EX Guy catches a TD and points to Heaven. Does that mean God is now mad at the DB? Like God loves me more than you. That is very subjective theology. When it happens the way we want, we say God did it. When it doesn't, we say it wasn't God's Will. Nothing in the Bible to teach you that. That is the mechanism we invent to be able to explain all of that in a way we want to do it. We didn't learn it from the Bible. Circumstances can either be solved by you being IN CHRIST (GH: don't overthink physical blessings like God did them) or CHIRST IN YOU (GH: overcoming sufferings) doctrine. Point: Your proper prayer life, if it is executed correctly, is going to either concern what you have IN CHRIST or what need to happen (with CHRIST) in you by Christ dwelling in you.
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #2 : Superstituous Gentiles	When your prayer strays outside those boundaries, you are praying for something that God is not interested in doing. If your prayers go outside of IN CHRIST and CHRIST IN YOU, you are praying for something outside the Will of God/that He is not interested in doing. This is what He is interested in doing - what needs to happen to/forming CHRIST IN YOU/CONFORMING US TO THE IMAGE OF GOD'S SON/CHRIST LIVING HIS LIFE IN US/OUR LIFE BEING HID IN CHRIST. He is interested in getting this done (GH: IN CHRIST) for you for this could get done (GH: CHRIST IN YOU) in you. If that is what He is interested in, doesn't it make sense to pray in accordance with what He is doing? When you talk to your Heavenly Father about prayer, you are either talking to Him about (what proper prayer is really about): - your STATUS you have IN CHRIST - your function of CHRIST IN YOU - You are thanking Him for the things He has either given you IN CHRIST or the things that He has put IN YOU. But most of the time you are (GH: mistakenly?) thanking Him for things He didn't actually do. MM can't overemphasize how important being IN CHRIST and being CHRIST IN YOU are to understanding Sonship prayer. Pray because our superstituous nature of Gentiles. We invent ways for prayer to work and that's how we practice it.
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #3 : Erroneous Religious Traditions	Gets handed down through the generations, taken to be true, and it never gets questioned.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #3 : Erroneous Religious Traditions Examples	EX Tidalwave in Indonesia. People say I want to pray for the people in Indonesia. God please bless those people. Anyone that is saved is already gotten all the blessings they are going to get because they got them IN CHRIST. They were automatic when they trusted Jesus as their Savior. There are no more (GH: spiritual) blessings to get. They are talking about God doing some physical, outward manifestation and He is changing their circumstances. God is not doing that today. If you really wanted to help the people of Indonesia you could go over there and help someone build a home. Pay for clean water and have it shipped or deliver it yourself. If you can't afford to do this, you are stuck with your old way of praying that God is your butler/conceirge/genie in the bottle. He is not waiting for orders from you so He can go do stuff. Stop thinking about Sonship prayer like you are giving God a laundry list of things you want Him to do. If the folks in Indonesia don't get any relief, you say it is not my fault. I prayed. Or it wasn't God's Will. MM says how convenient is that? Right up there with 'If God wants you to do it, He'll open the door'. These are the religious traditions that have crept in to how we pray and nobody questions it. Unawareness that prayer is a dispensational issue. Look at prayers that were all in accordance with what God said He is doing at that particular time.
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #3 : Erroneous Religious Traditions Examples	**Prayer in Israel's Program: What God was doing with Israel contained things that were physical, material, visible in the temporal world. We get to thinking that is the way God is dealing in their prayers. Even in Israel's program, not getting sick, having good crops, defeating their enemies, having healthy children, having their livestock multiply, all those different & various harvests coming in, having rain when needed, these were not gotten by anyone in Israel for simply asking God for them. Those were the things they automatically got when they were following the Lord. If they ever went to battle and were defeated by their enemies or if they went to gather a harvest and found it was no good, they had been rebellious and this was now the judgments that were coming upon them. In order to overcome their enemies or get that crop, praying for rain didn't fix that, God was looking for the prayer of repentance and confession. Back in Israel's program, they didn't even pray the way we pray. We act like God is a dispensary and we just ask Him and pull the switch and wait for it to fall to the bottom of the machine so we can pull it out. This is what religious tradition invents and gets passed down through the generations.**
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #3 : Erroneous Religious Traditions Examples	EX Let's say Clifford is going through something and he needs patient endurance. If you pray that Clifford would patiently endure, all you are doing is looking at prayer the same way your used to look at it when you said oh God please watch over us. What am I expecting God to do, wave His Arm and suddenly Clifford has patience? Pray that Clifford would endure this, not in his own strength, but out of the riches of your glory which is CHRIST IN YOU. But then I am going to get ahold of Clifford and say Billie and I have been praying for you, that you will endure this situation by Christ living His Life in you. MM/Billie's prayer is meant to activate the doctrine in you. To remind you of the doctrine that you already know. Like the Indonesia example. Can't pray a bunch of stuff for Clifford and now I am walking away. I know I got to get involved. MM is praying for Clifford in the things I am willing to be involved in for that. I can sit at home and pray for Clifford but if that is all I am doing, I might as well pray for him to sprout wings and fly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Reasons why we need to be taught to pray #4 : Focus on the temporal	The tendency of our flesh to focus on the temporal. Oh God watch over us, take this away, etc. See all of Paul's prayers are not about physical outward circumstances but inward things. We understand what God is not doing today and what He wants to do today, the way we view prayer is still just like the way we used to view prayer. MM is talking fundamnetally how we see prayer itself. Because we haven't shared that last bit of confusion, it is still an uncomfortable inigma for us. Before, we only viewed prayer as us asking God to go do something and then once we asked Him, our part was done. If we hang on that idea in the DOGG praying, you will say I don't think this works either. Why everytime Paul is praying for them for something in particular, he tells them about it. Because prayer is not restricted to what you thought it was.
Commentary	Sonship : Prayer : Category 1: Things they CAN do for themselves	Things that they can already do for themselves: EX Guy needs a job and prays God, please help me get a job. MM jokes it will help him if he interviews. When he does get a job because he prayed, he naturally wants to thank God for answering his prayer/be grateful to God/give God the credit for it and says God gave me a job. He is not trying to be nefarious or doesn't know. He is reading something into his circumstances because of what he believes about prayer. He doesn't have any verses that tell him that but that's what he thinks. This is a religious tradition that gets handed down through the generations and is so throughly thought by everyone as true that no one ever questions it and if you do, you certainly are an oddball. Because God forbid you would actually use this Book to come to an understanding of prayer instead of what everybody thinks. God did not arrange the interview. God did not supernaturally intervene for some appointment so he could run into somebody that said hey I heard so-and-so is hiring. God didn't orchestrate any of that. Happens just this way with people who believe in God and people who do not. Happens the same way. Why it is harmful to do this?
Commentary	Sonship : Prayer : Category 1: Things they CAN do for themselves	Five ways: (1) The harm is in *the continued ignorance of what God is doing and how prayer really works*. The more a person engages in the wrong kind of prayer, the more entrenched they become in it and the more comfortable they are with it. When someone prays for a job and gets a job they have a testimony and tell others to do the same. 2) The harm is also in *the further establishment of an untruth about God and prayer*. This becomes a “testimony” to the untruth that causes others to remain in ignorance. It is one of those erroneous religious teachings that has been handed down through the generations until it is generally accepted as truth and no one questions it, even when it does not work. No matter how sincere the intentions which started it, they result in a counterfeit replacement for the truth. It is not biblical, it is not godly and it does not work.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Category 1: Things they CAN do for themselves	(3) The old style of praying is harmful because *it creates guilt, anger and confusion when it does not work*. Because people are convinced that this kind of praying should be working, when it does not, they wonder what is wrong with them; is God punishing them, do they have sin in their lives, did they have enough faith, are they under some generational curse, etc.? Sometimes people become bitter because they perceive God did not keep His promise. The other issue of wrong praying is confusion; “Why does God answer this prayer sometimes and not other times? I guess we just cannot know God’s will.” Preacher will run him through the hoops. Go over to Psalms and say did you confess all your sins? Did you have faith? It is probably a generational curse. (4) The old understanding of prayer is harmful because *it promotes the idea that we cannot and in fact, are not supposed to be able to understand what God is doing or why He is doing it*; all of which are contradictory to what we are supposed to learn as adopted sons of our heavenly Father. Remember in Sonship, God always tells you why. (5) Therefore, the further harm in this seemingly innocent way of praying is that *it works as a roadblock to your Sonship life*. The old way of praying does not produce the life of Christ in us, but rather it depends upon God to alter our circumstances. It opposes what God is trying to do with you as a son. The common way of praying wants God to change our circumstances and we remain the same inside, is in direct opposition to what God is trying to do. We interpret events as answers to prayer. Not only do people pray for things that they could go do (you could go find a job without asking God to give you a job).
Commentary	Sonship : Prayer : Category 2: Things they CANNOT do for themselves	Things that they cannot do for themselves: People pray for the weather. MM says that wind and rain and snow and ice and drought and heat and cold are not in our purview to control. Because God is omnipotent, we pray for rain because we can't make it rain. We pray and it rains, we thank God for rain. We pray and it doesn't rain, the fallback is it's just not God's will. Every prayer Paul prayed was an INNER MAN / CHRIST IN YOU prayer so if you are praying for things in the outward world, Paul is not going to be your model. We have a missing component on what prayer is in this DOGG. Not saying we shouldn't pray, we are commanded / exhorted to do that. If the only thing you think prayer is is how I get stuff and that is the way you see prayer at its core, your Sonship prayers are going to be very frustrating.
Commentary	Sonship : Prayer : Desires	It is - our desire to have the doctrine work IN us, - our desire to be conformed to the image of God’s son, - our desire to have the life of Jesus Christ made manifest in our mortal bodies, - our desire to be edified unto godliness, - our desire to make an impact on men and angels,

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Desires	- our gratefulness for what God has done for us as lost sinners, - our desire to glorify our heavenly Father, - our desire to be an extension of His righteousness in this world, - our desire to be roused to fullness of function as His sons and daughters, - our longing to labor with our Father in His Business, - our need to be renewed in the spirit of our minds, - our desire to put on the new man,
Commentary	Sonship : Prayer : Essential Doctrines	Essential Doctrines - most people are ignorant of these - 6 areas where the chruch has made a mess of stuff-incredible how successful the POE has been in all of these 3 areas: Essential Doctrine 1 of 6: Romans 1:13-15 – The Purpose of Paul's Special Apostleship - Don't see this, won't get godly edification. Essential Doctrine 2a of 6: Romans 8:18 - Sufferings (SPOT) There are two aspects that make this an essential doctrine. 1. God wants us to look at sufferings differently than Israel would have looked at suffering in their program - you can't look at it from Israel's program/going back to the O.T. and know what to do to day. 2. The nature of suffering: there is no natural desire/inclination in us(anyone in their right mind), by our own human nature, to want suffering (they don't want it/avoid at all costs - no one wants to suffer) It is natural to want to avoid the pain of suffering.
Commentary	Sonship : Prayer : Essential Doctrines	Essential Doctrine 2b of 6: 2 Corinthians 1:3-10 – Sufferings (SoC) Essential Doctrine 3 of 6: Romans 11:25 – The Dispensational Change - Don't see this, won't see the need to rightly divide the word. Essential Doctrine 4 of 6: I Corinthians 10:1 – Godly Sanctification - being called apart for God's Purpose Essential Doctrine 5 of 6: I Corinthians 12:1 – Spiritual Gifts Essential Doctrine 6 of 6: I Thessalonians 4:13 – Death, the Rapture & the Lord's Day (3 issues) These are given in order because understanding an essential doctrine depends to some extent on understanding the previous doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Interdispensational Principles	In 1 Kings 8, Solomon is talking to God about his understanding of what God wants to do and that is exactly a principle that we're going to carry over in our prayer. We know what God wants to do when we encounter some tribulation or persecution or infirmity and we know how to get that done. Aspects/Components of David's and Solomon's Prayers - MM doesn't mean to suggest they were just going through the numbers: 1. Air of humility David's Humility – "who am I and what is my house" that God would promise these things…how he starts out. David didn't go, well, it's about time somebody recognized just how great I am. Showed humility. 2 Samuel 7:18-29 2. Talking about the greatness of God - declaring WHO God is and WHAT He can do - Solomon extols God's virtue of keeping His promises to his father David 3. God's Plan and Purpose for Israel - They understood some things that God wanted to do with the nation. They understand what they were about to pray for had a connection to this. 4. Their prayer was in accordance with what God said He would do. That would be praying in the Will of God. Saints in all the ages prayed and many are recorded in our Bible. But even though they all prayed, not all of their prayers were the same/weren't praying for the same things. Saints (believers) in every dispensation pray. Even those that were praying to the same God, their prayers were not identical. Though they all prayed, the content of their prayers was not same. Everytime someone prayed, they were praying in accordance with what God was doing (GH: at that time) so they were praying in a dispensational way. Even though they prayed to the same God, their prayers were not the same. Elijah, just like David and Solomon, is praying in accordance with what He has already been told what God is doing. He is not dreaming any of it up. He's not conjuring up in his imagination. MM shows several prayers that shows people knew what God was doing during their that time and prayed in accordance with that.
Commentary	Sonship : Prayer : Paul's Prayers	What is remarkably absent from Paul's prayers are the physical, material, change in circumstance, outward things, in health - he is never praying about these types of things. What Paul prayed for (MM asks on a prayer meeting night, how many churches have these things on their prayer list?): 1. perfect that which is lacking in your faith (1 Thessalonians 3:10) 2. that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding (Colossians 1:9) 3. That ye might walk worthy of the Lord (Colossians 1:10) 4. fruitful in every good work (Colossians 1:10) 5. increasing in the knowledge of God (Colossians 1:10) 6. Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness (Colossians 1:11) 7. may give unto you the spirit of wisdom and revelation in the knowledge of Him (Ephesians 1:17) 8. The eyes of your understanding being enlightened (Ephesians 1:18)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Paul's Prayers	9. ye may know what is the hope of his calling, (Ephesians 1:18) 10. (that ye may know) the riches of the glory of his inheritance in the saints (Ephesians 1:18) 11. (that ye may know) what is the exceeding greatness of his power to us-ward who believe (Ephesians 1:19) 12. to be strengthened with might by his Spirit in the inner man (Ephesians 3:16) 13. That Christ may dwell in your hearts by faith (Ephesians 3:17) 14. be rooted and grounded in love (Ephesians 3:17) 15. to comprehend with all saints what is the breadth, and length, and depth, and height (Ephesians 3:18) 16. to know the love of Christ (Ephesians 3:19)
Commentary	Sonship : Prayer : Paul's Prayers	17. that ye might be filled with all the fulness of God. (Ephesians 3:19) 18. that I may open my mouth boldly, to make known the mystery of the gospel (Ephesians 6:19) 19. that therein I may speak boldly, as I ought to speak. (Ephesians 6:20) 20. that your love may abound yet more and more in knowledge and in all judgment (Philippians 1:9) 21. That ye may approve things that are excellent (Philippians 1:10) 22. that ye may be sincere and without offence till the day of Christ (Philippians 1:10) 23. Be filled with the fruits of righteousness, (Philippians 1:11) 24. that God would open unto us a door of utterance, to speak the mystery of Christ (Colossians 4:3)
Commentary	Sonship : Prayer : Paul's Prayers	25. That I may make it manifest, as I ought to speak. (Colossians 4:4) 26. that ye may stand perfect and complete in all the will of God (Colossians 4:12) 27. God…comforteth us in all our tribulation (2 Corinthians 1:4) 28. to make all grace abound toward you (2 Corinthians 9:8) 29. that ye do no evil (2 Corinthians 13:7) 30. that we may lead a quiet and peaceable life in all godliness and honesty (1 Timothy 2:2) 31. they might be saved (Romans 10:1) 32. That the communication of thy faith may become effectual (Philemon 1:6) Paul is not asking for wealth or health and changes to the physical outward circumstance. Everything he is asking for is something in your inner man. Everyone is an inner man issue without exception. If you pray like the world prays today you are ruining what He is doing to the joy of the adversary.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Type : Relationship Prayer	Relationship Prayer: The purpose of relationship prayer is to develop our Sonship relationship with: - God as our adoptive, heavenly Father, and - us as his adopted sons and daughters. **Part one: Acknowledgement – we can identify two categories of things which form the basis of our relationship with God**. 1. The things which were given to us "in Christ." 2. The "glory" which is revealed in us by "Christ being formed in us." **Part two: Understanding – we know what those things are about and can talk about them intelligently with our Father as they pertain to his purposes**. 1. His giving certain things to us "in Christ." 2. His accomplishing other things in us by "Christ in us."
Commentary	Sonship : Prayer Type : Relationship Prayer	**Part three: Building the relationship** (Which is really the end result or goal of the first two parts.) – through this kind of praying, three things are accomplished in our inner man. 1. Our love for him deepens and abounds, as we love him in more ways than before. 2. Our increasing knowledge of Him gives us a more intimate appreciation for who he is. 3. Our gratitude is developed in us as we value and esteem what he has done for us. Those three things become the basis for: - Our service 1. We serve Him because we love Him. 2. We serve Him because we know Him; He is worthy of our service. 3. We serve Him out of gratitude. - Our sacrifice (which is our reasonable service)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Type : Relationship Prayer	Components of relationship prayer: - ACKNOWLEDGMENT of the mercies: Means you know what they are, you can name them, and you could tell people about them. - UNDERSTANDING: Can not only name them but have a conversation about them with your heavenly Father that has some intelligence to it. Need to be able to talk about all of them. - THANKSGIVING: These are the things that cause us to understand how grateful we ought to be for the things that were given to us IN Christ as a free gift of grace when we trusted Him as our Savior. Relationship Prayer Produces: - Relationship with God as our heavenly Father: Development of the Father-son/daugther relationship - to get to know someone you have to spend time with them and talk to them - same with God. Relationship we have with God has to be more than just built on emotion because emotion will not take you where you need to go. Excitement is not enough to take you through Sonship in the long-haul. There is going to have to be some substance behind that, more than the initial excitement. There has to be something more than just an emotional attachment.
Commentary	Sonship : Prayer Type : Relationship Prayer	- Changed perspective: As we spend time talking to our heavenly Father on the various mercies that He has given us, this causes these things to get in our thinking and causes us to focus on the spiritual things that were given to us IN Christ instead of occupying our mind with the physical things that our days seem to be filled with. You want your mind to be filled with the spiritual things. As you talk to your Father about it they become more and more familar to you. Should be able to conjure up at a moment's notice because if you can't recall them you can't live out of them. Relationship prayer develops this changed perspective from the physical to the spiritual. - Gratitude: Relationship prayer develops this attitude of thankfulness because we realize all that He has done for us. We realize the enormity of all we received in Jesus Christ. When you go back and look at the 19 mercies you realize (none of which were optional equipment - you need them all) you have to have everyone of them. They all have an important role to play. When you realize that God put all that together and gave it to you, really creates that appreciation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Type : Relationship Prayer	**What relationship prayer unlocks**: - **That we LOVE GOD**: You may say you already love God GH: but this is more than that. We have to begin to love God for more than just saving us from the debt and penalty of sin, we have to love God for more than the fact that He saved us from going to the lake of fire. The love we are supposed to have for Him - Paul talks about over and over. Using the words he uses, it has to INCREASE (the way you love Him needs to be deepened) and ABOUND (need to learn to love Him in more than just 1 way, but for many different reasons). STORY: Elizabeth Browning poem - How do I love thee - let me count the ways. This is loving Him for more than just saving you. In Thessalonians, Paul confronts them on some things they don't yet love God for that need to be up and running in them by that time. MM says let's avoid that classic mistake. Relationship prayer is the key that unlocks that doorway to loving God in a deeper way and for more than one way. - **That we KNOW GOD**: Doesn't mean know things about Him. MM says that's what most Christians do, they know things about God - He is omnipotent, He is omnipresent, He is omniscient, He is faithful, He is loving. But those are just things about Him. You want to get to know Him in an intimate and personal way and He wants that kind of relationship as well. Relationship prayer is the key to that. Because through these mercies and you know what He has done, it tells you some things about who He is and that's important, that we really understand who He is and develop that kind of relationship. This relationship is not based on emotion, this is based on really understanding some things about God Himself.
Commentary	Sonship : Prayer Type : Relationship Prayer	- **That we APPRECIATE GOD**: Two things here: 1. Who He is 2. What He has done The relationship prayer with regard to these mercies is really laying a foundation in our inner man for all of these things in this education to go well.
Commentary	Sonship : Prayer Type : Relationship Prayer : Spiritual Blessings	Praying about the spiritual blessings: Give you the type of prayer that will allow you to practice this kind of thing (GH: Divine Council related) here and now before you actually get up there and have to do that. So that where ever you are up in the creature, in whatever you're doing, you should expect that every once and a while we're going to have to appear before the Lord and He is going to look at you. Yes, He is God. Yes, He already knows everything, but this is a real relationship. He is going to ask you, 'what's going on?' And you will say here's what we/I am doing. MM wants to prepare us for that by getting you to start praying with this in mind. You are supposed to interact with the spiritual blessings and live with them in your mind presently so they have an impact on your conduct and behavior because they change your thinking. Think about this staff meeting, so to speak. When you are praying with regard to these spiritual blessings, think of this is your appearing before the Lord to kind of talk about what's going on.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Type : Relationship Prayer : Spiritual Blessings	Do it like you are showing up before the Lord and saying, hey, here's what I'm doing with these spiritual blessings and here's what you think they are about and your understanding of what they are. Important - if you stammer and don't stammer and don't say much, it is an indicator you don't understand enough to be able to talk about it intelligently. If that is the case, you go back to the notes, go back to the scripture and get your thoughts all arranged. Take about 30 days to develop a habit. This is how your Sonship education works so you have to do it. 1. Explain something about what each blessing IS (For example, what does it mean to be blameless before God? It means: In our standing before God we are perfect and holy.) Not because He doesn't know but it demonstrates to Him that we actually know. EX Blameless means there's nothing that God is holding against you, there's nothing that will condemn you. God's looking at you in your position. All the spiritual blessings are positional truths. He is looking at you like you are not doing anything wrong. A good thing.
Commentary	Sonship : Prayer Type : Relationship Prayer : Spiritual Blessings	2. Explain what each blessing DOES for you and why that is important? What does it do for you? - For example, preserving us blameless unto the end ensures that our standing before God never changes, no matter what happens in our daily conduct. - Why is that important? Being confirmed blameless until the Day of Christ also ensures that we participate in the Blessed Hope, and that we will be taken up to the heavenly places. - Why is that important? And finally, it makes our practical sanctification possible, to become blameless practically in your everyday life. If you didn't have this position, you would never be able to achieve this practically. But that's who you have been made to be in Christ, you can actually love out of that and actually become blameless in your life. If you didn't have this, you couldn't live for Him. That is important because without first making us holy and without blame in our standing before God, we could never achieve it in our practical sanctification; we could never truly be transformed into the image of Christ. Therefore, it is one of the keys to our spiritual life.
Commentary	Sonship : Prayer Type : Relationship Prayer : Spiritual Blessings	3. Thank God for each spiritual blessing (SB). Let this be a natural part of the prayer conversation that you are having with your heavenly Father. Whatever spiritual blessing you are concentrating on, you need to have it in your head the entire day. Take one spiritual blessing each week and concentrate on it. Why? Because the more time you spend on each SB, talking to God about the various aspects of it, and taking time to meditate on it, the more familiar you will become with it, and when you are, you will begin to learn other things about it. Spending this kind of time with each SB is how these things work in us to transform us. 4. Pray about it before you get out of bed in the morning when you wake up (Define it.) Pray about it while you get dressed for the day (What it does for you.) Pray about it while you drive to work (Why that SB is important). Mention it when you pray before meals as just a thank you. Talk to your family members about which SB you are concentrating on that day and include it in your family prayer time. And finally, pray about it as the last thing you do at night before you go to sleep (Thank God for it.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer Type : Relationship Prayer : Spiritual Blessings	5. Go back and look at the notes, as there will be aspects of each SB that you might overlook if you operate from memory alone. We should be able to talk about the SB just as freely as we can talk about Jesus dying on the cross, buried in the tomb, and raised again on the third day. 6. Think of ways you can get the spiritual blessings into your thinking. Think of other things you can do to keep these in your mind to grow your appreciation for what God has done for you, so you can begin to value and esteem (V&E) these the way your Father does, so that these are as important to you as they are to Paul, so these SB do not fall out of your thinking but they cultivate an increasing love for God in your heart, and so you can be mindful of the things which ought to fill our hearts and minds. Suggestion: make little printed note cards and place them in various places around the house – taped to a mirror in the bathroom, or on a cabinet door or to a shelf in the pantry. How else can you put these in your remembrance?
Commentary	Sonship : Prayer : Inner Man Powers	The focus of our prayer life is on the inner man. The aspects of God's power being utlized in this dispensation are all designed to work in our inner man. Five aspects of God's Powers MM showed were God's inner man powers/had to do with inner man issues that you get by grace. Paul doesn't mention any of God's outer man powers. Doesn't matter what the power was for, you would be getting it by grace. God wants to strengthen your inner man with might so that you can endure those things. When you pray for this, you are praying in the Will of God. Get grace working in your inner man to handle a THORN IN THE FLESH. Removing it would be an outer thing. God said that I am not doing that. Praying in accordance would be: Dear God, do what You said You would do and that is strengthen my inner man. That will happen by your looking at the doctrine, understanding the doctrine, believing the doctrine, trusting the doctrine, and then living out of it to do what it said it would do. If think it will work for others but not you, you are falling down on the third one. You don't really trust His word has the Power to do in you what He said it would do. You can live out of that word. You step out by faith and trust Him to come through. Every one of these (GH: inner man) Powers are working in our inner man to accomplish something.
Commentary	Sonship : Prayer : Inner Man Powers	Paul never talks about God's Power to change circumstances / to keep us from getting sick / heal us / watch over us and keep us from injury. Those are external powers and God possesses them but in the DOGG God is not using them and for a very specific reason. We are never instructed in 13 epistles to expect God to use aspects of any of His Powers in the physical, material world. POINT: When you are praying you are already supposed to have an understanding of the kinds of Powers that are at work today and that all of those Powers are meant to work IN you, not in your outward circumstances. All the different powers that God is utilizing today, every one of them are a power that works in our INNER MAN. Not a single one make it rain or get a job. If our prayer life is about the INNER MAN. Then the focus of our life should be on the INNER MAN. That ought to be in our thoughts. The INNER MAN work is going to end up being reflected in our OUTER MAN. What happens inside is going to wind up being put on display on the outside. It is always from the inside-out, not the other way around. When praying for ourselves, we should be talking to our Heavenly Father about things going on in our INNER MAN. When praying for someone else, you are praying for their INNER MAN too.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Inner Man Powers	Reasons why our prayers should be focused on things happening in our INNER MAN rather than our outer man: 1. Because that is the area where God is working 2. The INNER MAN is the basis upon which we should live life now Result of being strenghtened in our inner man: We are strengthened with the ability to withstand, to endure, to suffer, to bear, to continue, to persist those things which would otherwise overcome us, destabilize us, make us uncertain and cause us to be discouraged or quit. We are strengthened with the ability to, just depending on what the needs is, to endure something, to continue in something, to persist in the midst of something that would cause us to become unsure and destablize us or make us uncertain or cause us to quit or to be discouraged. Even Paul's INNER MAN prayers are not something that you just ask God to do it and then you walk away and expect that it's going to get done.

Commentary	Sonship : Prayer : Inner Man Powers : #2 Sustaining Power	The Power to sustain us (Ephesians 4:30) - 'sustaining power' - To leave us in that saved position - all the things that are ours IN Christ we get and are sustained in those. You don't lose them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Relational Prayer or Relationship Prayer	Principle: Relational prayer is part of the process whereby we develop a close, intimate relationship with God as our heavenly Father by: 1. Developing our LOVE for Him - learn to love God for more than just saving us. All the things given to us IN Christ. The more you understand what He has done, the more you understand who He is, and you love Him now for other reasons as well. You find out He did some other things for you and gave them to you as a free gift of grace. When you learn about that and appreciate the value of those things you love Him even more. That's what you are developing in relationship prayer. When Paul says I PRAY THAT YOUR LOVE MAY ABOUND YET MORE AND MORE (Philippians 1:9), he is talking about for more reasons. Elizabeth Browning poem: How do I love thee, let me count the ways. How it should be with God. Don't love Him for one reason. Love Him for many reasons. 2. Developing our KNOWLEDGE of Him - so we now begin to know Him better. Shows up in Paul's prayers THAT I MAY KNOW HIM (Philippians 3:10) 3. Developing an ATTITUDE of gratefulness
Commentary	Sonship : Prayer : Relational Prayer or Relationship Prayer	These things: 1. Love God - this ever deepening and abounding LOVE for Him and 2. Knows God - appreciates something about who God is - this intimacy of knowledge that we now possess about Him and 3. this attitude of gratefulness for what He has done - form the basis for our service. Thankful for those things. These 3 become the bedrock foundation. Serve God out of these motivations, not because you are fearful. These are the things that move him to serve so this doesn't become an oppressive burden that he has to do it, this now becomes a great privilege that is his heart's desire to engage in. Through Relationship Prayer, we learn to serve God not because we fear Him, but because we learn to love Him in ever increasing ways and in ever increasing depth. This way, our service to Him is not an unrelenting burden, but we want to serve Him; we live to serve Him.
Commentary	Sonship : Prayer : Relational Prayer or Relationship Prayer	This relationship prayer, where you acknowledge and understand and build that relationship, especially our adoption relationship with our Father as sons and daughters. That relationship is going to be strengthened the more we engage in that prayer. The more we engage in this: - the more committed we are to the education. - the greater your odds of success. Stay in there and not quit/be sidelined/be overwhelmed. These 3 things become the basis for: - Our service - Our sacrifice, which is our reasonable service - an aspect of our service Relationship Prayer is the first kind of intelligent prayer that we need to be engaged in because the purpose of that prayer is the development of the Father-son relationship. It's an intimate relationship that is beyond being part of the family. It's being connected with what the Father is doing/what His eternal purpose is about. Developing an ever increasing love for God. Have to love God before we can love His Business and then love this assembly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Incorrect Prayer	MM says people today basically pray in 3 categories: 1. financial situations 2. health situations 3. forgiveness of sins - you can forget this one because prayer doesn't forgive sins, only the blood of Christ forgives sins Just because you pray incorrectly (EX make it rain or make it stop raining) doesn't mean that you're forcing God to now do something that He is not doing in this DOGG. It is our intellgent understanding of WHAT God is doing and WHY He gave you the whole list of of things that a proper response yields. When we don't pray that way, we are praying contrary to the will of God in this DOGG. You are either showing that you don't know or that you don't believe that and our heavenly Father is not going to be glorified by that. The sacred cows or idols of Satan's counterfeit religion: - They get so attached to you and feel so good that people don't want to let them go. - Examples: water baptism prayer according to the counterfeit system - So hard to root this out of people. Can't guilt anybody into that. If the word doesn't change their mind. they're not going to be changed.
Commentary	Sonship : Prayer : Topics	Sonship Prayer Conversation Topics: That attitude will be further developed in you by thinking about: - What your responsibilities are and will be (if it frightens or excites you, then you should say that) - The investment the Father has made in His Business which He has made you a part of (GH: Think about all the mercies of God, both IN Christ and not) He has made a significant investment in you by the Blood of His own Son. - The commitments you need to have o to being educated as a son o to your Father’s reputation in you (to His cause) o to your Father’s Business - The confidence you have in your Father and in the ability of His word to accomplish all He has designed it to do - The enthusiasm and ambition you should have with this kind of prospect in front of you

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	PRAYER: - There's a lot of confusion about prayer. Problems: - Hang on around Israel's progrm - Ideas about prayer that permeate our thinking that aren't found anywhere in your Bible at all - inventions of men that have been repeated and taught that are not for anyone in any dispensation - Under the Law, Israel's physical blessing were not a prayer issue. From the time that Israel entered into the Law contract with God, their blessings and cursings from God were in accordance with their faithful performance of the Law, not their prayers. If you follow the Law in Israel's program you have everything you need without having to ask for it. - When prayer works sometimes and sometimes not, need to determine why - sin in your life, not enough faith, not God's Will, His Ways are unknown, etc. - Today, the church gets their ideas on prayer from a man who got it from a man who got it from another man. All of this is nothing more than the counterfeit system that the POE has put into play. - Have to stop looking at prayer with God as a genie or a vending machine. That you pray, dust your hands off, and you are done. - During Jesus ministry, you saw the two hallmark signs of the kingdom - casting out unclean spirits and healing the sick. He is showcasing the kingdom that is to be at hand. No one was sitting in their tent praying, Lord, heal my husband of leprosy. Sitting in the O.T., there are prophecies that every unclean spirit will be out of the land of Israel and there won't be any more sickness. Those are signs of the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	So if you are going to preach the kingdom is at hand, what better things to do than what the prophets declared would be true of the kingdom. Because these are miraculous things, this proves that the message is true (GH: Jews require a sign). If you have a sick daughter, you aren't sitting at home praying, you are taking her to see Jesus because He has the Power to do something about this. Story of the guys who tore a hole in the roof and let him down to have Jesus heal him. Just get him to Jesus. In the gospels, it wasn't let's call a big prayer meeting and let me get well, what you are praying is let me get to Jesus. That earthly ministry (GH: of Jesus) is not taking place here (GH: today in the DOGG). Paul is not preaching the kingdom is at hand. Something else is happening now. God is not intervening for the prayers of people to heal them, yet this teaching is rampant today. MM trying to show what we have been thinking about prayer is all wrong. Paul talks to us about prayer and praying all the time (Romans 12:12c; 1 Thessalonians 5:17). MM says don't get depressed because the for the first time, your prayer life will work like God intended it to work. MM reviewing Leviticus 26 and Numbers 21:4-9. Couple things of note: 1. First thing they did was come clean and say we have sinned. They admitted what they did. 2. Only then did they say pray to the Lord for us to take away the serpents. 3. The people didn't pray, they asked Moses to pray. You don't have people praying dear God, please take away these serpents. You don't have that. If they are asking Moses to pray for them, they are not seeing prayer the way we see prayer. They are not praying for blessings which is different than today's Christian.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Key Point: In all of Paul's 13 epistles, he never says anything to make us think that we should expect God to intervene in our life in a physical way by means of His supernatural power. Everything that Paul is praying for is **inner man issues, spiritual issues, edification issues**. That's what Paul is praying for. And when He is praying, he is talking about how to direct the saints as it pertains to the doctrine for the mystery of Christ. MM says don't let this slide by you. In all Paul's inner man prayers, he is not expecting that to magically happen. It's not that God it not going to do something but not in the way we traditionally think about it. Paul is praying for people, and then there is an important ingredient. Paul is letting people know that he has been praying for them and the important part is he is telling them exactly what he is praying. By now, you know that there is nothing sitting in your Bible that doesn't have meaning behind it. In all of Paul's prayers, he doesn't just say 'I have been praying for you' because that doesn't do anything. Paul tells them what, which is important because he is setting them up for the doctrine that he is about to put in front of them. When Paul says 'I am praying for you that...', it's like a pre-doctrinal exhortation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	It's setting them up for what he's about to give them. It's no coincidence that the doctrine that follows produces those very things. The whole reason Paul writes his letters is he is saying I've been praying for you about this and this is because he has identified the same need in them that the Father would have identified. He knows this is what they need next, so he is not asking God to go do it, he is correctly identifying to God what that need is, he is telling them I have been praying for you about this particular thing, and then he is going to lay the doctrine about that right square in front of them. EX Someone is about to be overcome with something. You talk to your Father about it, not expecting Him to go magically do something. You talk to your Father about what you perceive that this person needs and then you are going to make a Sonship decision on what you are going to do about that. One of the things you have to do is face them with the doctrine that will strengthen their inner man. If he responds to that doctrine, God will strengthen his inner man. If you are doing your part and God is doing His part, you are LABORING with your Father. That's the crux of Sonship prayer, not standing over there praying the people in Africa need to be saved and go about your business feeling good about yourself. If you do your part, your Father will do His part and He will redeem them, He will justify them unto eternal life.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Process: 1. Talk to your Father on the need that you perceive that they have. Doctrine gets stirred up in you to determine what is the need that this person has. MM says teach a Bible class and you will find out the knowledge needs are all over the board. Prayer is not about getting God to go do something, prayer is about getting you to go do something. 2. Communicate to them that you have been praying for them. Not just that you have been praying but WHAT you have been praying. MM says they may not receive it but that's the way Paul did it. MM tells us he has been praying that you would learn to rightly divide the word. MM says the very first person being dealt with by you praying is you. Prayer is stirring up the doctrine in you. 3. Give them the doctrine. MM asks how could you do this for others and jokes you could buy his book and give it to them. You could buy them a RDW book accompanied by a note that says 'enjoyed our conversation the other day...wanted you to know that I have been praying for you, that you would understand a very important issue in God's word, it will make all the difference in your understanding of the Bible...I've been praying what Paul said to Timothy, 'to rightly divide the word of Truth'. I've enclosed a book that will take you through the verses so you can see it'. MM says that this is a set up for them, mentally. Telling them what you are praying is setting them up for this. Another way to get them the doctrine is to go see them, call them, text them, email them, write them a letter (like Paul), send someone. EX For the Corinthians, Paul went to see them, sent them a letter, sent someone (Timothy), etc.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Then when he gets to 2 Corinthians, instead of rebeling from Paul's doctrine, Timothy tells him they are embracing it. Gave Paul a real joy in his heart when he saw how the Corinthians responded to 1 Corinthians. You know if Paul is praying for you, he is going to do something. MM says that you really want Paul praying for you. When he sees what you need, he will do everything in his power to put that in front of you. That's what it does for Paul and that's how to works for other people. You not only tell them you are praying for them, you tell them what you are praying for so it sets them up. - You already know how to RDW, that there are 2 programs, that God intervened in the physical circumstances of Israel's program, that God today is doing things in the spiritual area in your inner man, that the mystery of Christ pertains to the heavenly places, that you are an adopted son, that you have a new identity IN Christ, that you are JUEL and don't have to worry about your salvation - you have this whole reservoir of knowledge going through these classes. When you talk to people who don't know what you know, you know what they don't know. If you are talking to somebody, you can find out where they are in their understanding. EX Someone asking you to pray for their aunt's pnemonia. When you do that, you are perceiving their knowledge need. Prayer stirs up the doctrine in you. The only thing you can give to someone is what you already have. You can't teach them what you don't know. If you don't know how to talk them through something you send somebody who does. Prayer isn't asking God to go do something, prayer is about stirring up the doctrine in you to get you to make a Sonship decision and for you to communicate to them that you have been praying for them and what you've been praying about, and then by some means you are going to set that doctrine in front of them. God is not forcing anyone to do any of this. If they reject that, it can happen. They are a creature of free will.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Two takeaways: 1. A lot of the ideas about how we thought we were supposed to pray don't come from anywhere in your Bible. God never asked anyone to do it that way. 2. Prayer is not about asking God to go over and do something for somebody else, it is first impacting us as sons go get involved in the life of this person and edification need. We will do that by communicating we have been praying for them and what we have been praying for them for/about and then putting that opportunity in front of them. Then it is all up to them - they will either respond to the doctrine or they won't. If they do, then our heavenly Father will do His part, and that's the part we can't do. Characteristics of Paul's Prayers: - Paul is praying specific things for specific people - Paul is not being unclear or uncertain about what he is asking. Because of the nature of prayer in this DOGG, if you do not know what to ask for, then count on nothing being done - Paul is praying about specific things concerning the edification of the saints

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	- Paul is praying those things out of the reservoir of doctrine which is in him (Bible uses the term supply [GH: or supplieth?]) - You have a reservoir of doctrinal and edificational understanding that has been building in you for years - It is out of this reservoir that you will be praying for saints; it is out of your understanding of the word that you will detect the needs of your fellow saints, bear witness with your Father about the inner man work He wants to do in them, developr a plan whereby you will communicate the doctrine / exhortation / warning / correction / encouragement / knowledge / strength / patient endurance / peace or whatever else they need - In other words, you will be meeting their needs out of your supply (the reservoir of doctrine in you) We are not asking God to do that, we are deciding as sons how our Father's Will or Work is going to get accomplished in them - Your prayers will have you doing something in line with the word of God - Paul tells people about his prayers for them because that knowledge is meant to impact them - Letting people know that we are praying for them, and what we are praying for, is one key ingredient to the process of them getting the spiritual work done in them - In a way, it serves as a sort of pre-dotrinal exhortation, setting them up to receive the doctrine
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	- This is the second key ingredient to our prayers (letting them know WHAT we are praying about) - Paul is not just praying and leaving it 'up to God' - God will do His part - the effectual work IN the inner man - Prayer includes/demands that we do our part (because prayer is no longer a spectator sport) - This is not God using His omnipotent power, this is Him using us in connection with what the word of God has produced IN us Characteristics of Paul's Prayers: - Paul's prayers are intelligent, which means they are: 1) They are in line with what he understands about the doctrine (in line with what the doctrine calls for him to do) and 2) in line with what the doctrine calls for in the life of those being prayed for (they are in line with the word and Will of God which will meet the need) - As Paul does his part and the Spirit does His part (the effectual working of the word) they are laboring together - As we do our part in response to our prayers and God does His part in their inner man, we are laboring with God in what He is doing

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Prayer Recap - Round 3 Prayer becomes the means by which we will labor with our heavenly Father. We will be involved in the process of mutually edifying or the building up of our faith in the doctrine that is concerning this mystery of Christ. Will be involved in that in each other's lives. Prayer has a two-fold effect: 1. Paul's prayers are meant to affect him - Paul has in his understanding this whole reservoir of of doctrine (Bible refers to it as a supply - GH: All of these things also constitute His Will). You have a reservoir already - RDW, 2 programs, etc. - you know those things and those are part of the knowledge of doctrine. MM says think about it - if you are ever going to meet someone's need it will be out of your supply because you can't give someone what you don't have. 2. Paul's prayers are meant to affect those he is praying for - the only way his prayers can affect them is if he/someone tells them about them. Paul starts every Book saying he is praying for who he is writing to and he thanks God for them.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Prayer Recap (cont'd): So prayer, contrary to the way we used to think about it, is not an end to itself. We used to pray for people in Africa to get saved and think He was going to go over there and do something and make them get saved because we prayed about it. But the truth of the matter is, that was fruitless even though they make us feel better. We feel like we did our part but we didn't do our part. God says you are My son and you are involved in this work and you are going to do the things that GH: need to get done. MM asks is God going to take a Bible and float it over the ocean and take it to whoever you've been praying for and when it comes to their house it will flop over to the very verse that they need. You know that's not going to happen. If you want somebody to hear the gospel, you are going to have to tell them - give them a tract, show them in the Bible, write them a letter, call them on the phone, etc. That's how that's going to get done. God is not doing the physical things, He is doing the spiritual work in their inner man. The old way of praying is sort of a detached way. You sort of pray for somebody then you go on. Sonship prayer demands there is more intimacy to that and it means the things you are praying about demands that you are going to be involved in that and that you are going to be involved in the edification needs of others. When Paul was praying for someone, you knew that he was about to do something and he did by a number of different ways - by coming and teaching them directly what they needed to know or write them a letter that would contain that doctrine or he would send someone (1 Corinthians 4:17). If we know someone has a need and we are concerned about that, but we don't know what to say to them, we have 3 options:
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Prayer Recap (cont'd) 1. Get in the word ourselves and learn what it is that we don't know - MM says people pray 'God give me wisdom'. How do we expect him to do that? Magically? Automatically? No, that wisdom comes from understanding. If you send Bibles to some group but none of them know how to handle that Book, what really got done there? What are the chances of them sorting that out especially if they're not saved. Have to get in the word. 2. If it is too advanced for you to get it you only have 2 other things: a. Wait till you get there in the education. b. Send someone that does know. In the end, you are looking at what is it that I understand and how can I convey that understanding to someone else?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Characteristics of Paul's prayers: 1. Paul is praying specific things for specific people - he is not being unspecific or uncertain what he is praying for, he knows what they need. If you don't know what to ask for in the DOGG, you can pretty much count on nothing getting accomplished. Your Father is looking at you to go get involved in that. 2. Paul is praying for specific things concerning the edification of the saints. He is praying out of that reservoir of doctrine that is in him. He knows some things and you do too. You know: - There are 2 programs at work: Israel's program and the Mystery program - They are not running at the same time - The word needs to be rightly divided - Why Jesus went about casting out devils and healing the sick
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	- The difference between the gospel of the kingdom and the gospel of the Grace of God - That Paul was a unique apostle specifically for the DOGG - That in Acts 1-8 God gave Israel a 1-year extension of mercy to repent about Jesus being their Messiah - That the mystery was kept secret from the foundation of the world and God didn't talk to anyone about that - The reason He didn't talk to anyone about that is if Satan had known what was supposed to be taking place with us, he would have not provoked them into crucifying Jesus - That the doctrines of the mystery were revealed to Paul - That you are justified unto eternal life and that you are sanctified unto functional life - That you are adopted sons and daughters - That the Book of Romans contains the doctrine to establish you in the faith
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	- That you'll deliver the creature from the bondage of corruption - That you'll get a glorified body at the end of this - That we are going to suffer because we live in a fallen world - That there is a glory for our Father that is connected to our suffering - That you have a JHI that increases with our proper response to the sufferings - That you have an enemy that will oppose you and try and get you to quit your Sonship life - That this local assembly is supposed to function as a body - That there is a love that is supposed to be generated in us for each other

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	- That we are members of the body of Christ together - That God is not intervening in the physical attributes of our life - That His Grace is sufficient for us - That we are to be PATIENT IN TRIBULATION - Romans 12:12b - That we've been given a hope to save us from the effects of the sufferings You already know a bunch of stuff so don't think that your reservoir doesn't have much water in it. It has a lot of water in it. And when you talk to someone, you ought to automatically know, on the things you know, you can immediately discern when they don't know that. They have an edification need to know something. If you are going to pray 'Dear God, let them understand how to rightly divide the word of truth', it can't stop there. Now, what you have to do is you have to make a decision - what am I going to do to get that doctrine in front of them? Then when you decide how you are going to get that done, you are going to tell them that I have been praying for you that you will understand right division. Then, you will present to them, in whatever way you do, with the opportunity to respond to that doctrine. Then, it will be up to them to believe that doctrine and if they do, then God is going to do a work in their inner man that's going to change the way they live and the way they approach the scripture from that time forward.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	3. Paul tells people about his prayers for them because that knowledge is meant to impact them. 4. Paul is doing something in connection with his prayers. He is not just talking to God that I wish that would happen. Now, he is doing his part in making sure that it does. 5. Paul's prayers are intelligent, which means they are in line with: (1) what he understands about the doctrine (2) what the doctrine calls for in the life of those being prayed for. Is it God's will for them to understand about right division, about the two programs, etc. Remember you can't jump stuff out of order because they won't handle that. If you don't understand about the 2 programs, you can't talk to them about prayer and God not intervening in the physical circumstances of life. Once you realize in TIMES PAST that God was dealing with Israel in physical ways and won't deal with them in spiritual ways until out in the Kingdom. And He is not dealing with us in physical ways and won't be till the end when He redeems this body and fixes all of the physical things. Once you understand that, it opens the door to other things. Everything is in an order here. MM says this is a complicated way of saying, BTW, you don't know how to pray and then try and explain this to them, because they won't hear this. There has to be some kind of ground work that is done in their life before that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	6. Paul's prayers assume that he is the conduit for his heavenly Father's work on this earth. If God doesn't want us to be the conduit to carry the gospel, why doesn't He put it in people's heads and save them? That's not how He does it. 7. As Paul does his part and the Spirit does His part (the effectual working of the word) they are laboring together. 8. As we do our part in response to our prayers and God doing His part in their inner man, we are laboring with God in what He is doing. In summary: 1. We need to STOP thinking about prayer the old way. Stop asking God to do something and expecting Him to magically intervene in circumstances to make that happen. That is not happening. 2. Stop thinking about prayer where you are asking God to go do something without you being involved and you are just telling Him what to do. MM laughs isn't that a little presumptious any way? Because we put it under the heading of prayer, it sounds so nice. Aren't we really just giving God instructions? You are praying for people to be saved in Africa and God is going you know, I don't know if I really want to go do that or He wasn't going to be able to do that until you asked Him. Everything God is going to do He is going to do.
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	3. Start seeing yourself as His instrument in the world. You are His son, you are the way He is going to get this done. 4. God is going to do something but the part that He is going to do is to take the word and effectually work it in our inner man, that we really begin to live out of this. 5. God is saying if you will pray and DO your part, He will DO His part. This is how it will work in eternity and we kind of have to get this down. Now you understand what prayer is for and what your involvement is, now when someone comes into your mind and you are praying for them, that means now that you have to decide what you are going to do to meet that need that you know that they have. If you divorce God out of this, you can still do some really good stuff. The lost world does this but we are not humanists. This is being done in partnership with our heavenly Father. Paul's prayer life shows he was always thinking of others. He was always thanking God for these other saints. Part of your prayer life is thanking God for those who come to your remembrance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Prayer : Sonship Pt5: Review (RE1)	Third way God gets glory - the glory that God's creatures give Him. This concerns us. Can't add to or diminish God's intrinsic glory. God's eternal glory has to do with something that we are reflecting back to Him and by reflecting His glory back to Him, we're giving glory to God, not adding to His intrinsic glory. By what we say and what we do, this is what will set you up for that important issue on prayer. The glory that we give to God is going to figure into this issue of prayer and as sons & daugthers, praying correctly. MM prayed for Milt in the hospital that the Grace of God would sustain him in that, that his inner man would be strengthened with might. But all of this won't magically happen in him. We are still incorrectly thinking that God is going to somehow wave the magic wand and make that happen. But this happens by the effectual working of His word IN your inner man. God never circumvents His word to make it happen. In Israel's program, they gave glory to God by praising Him for His wonderful works and who He was/is-1 Chronicles 16:24. As MM looked at all the ways Israel brought glory to God, they did that by their speaking. They praised God, they extolled His virtues. When is comes to the body of Christ, we find it is not just speaking, but it's also in our deeds. We're not just talking about it, we are supposed to reflect in our conduct God's Glory. For us, talk is cheap. Let's see it show up in your actions.
Commentary	Sonship : Stages : Stage 1	Sonship is marked by three stages: 1) The declaration/pronouncement that you've been adopted (the public announcement that the son is entering into business with the Father) - Romans 8:15 'being declared a son and there is an education that follows' Stage 1 (the declaration/education) took place when you trusted Christ as your Savior. You were, at the point of your being justified unto eternal life, declared by your heavenly Father to be his adopted son. - Going to school - Physically: around 12 to 18 years old 'in the real adoption process' - Spiritually: Declaration at the point of salvation - the day you trusted Jesus Christ as your Lord and Savior - Education: Orientation, Establishment, Education - Level 1 - Phase 1 and Phase 2 of the curriculum (Romans, Corinthians, Galatians) - End of Stage 1 - SIMPLE SON

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Sonship : Stages : Stage 2	2) When the Father and the son begin laboring together (the son is receiving his education; he is not ready to labor all by himself yet.) - Romans-2 Thessalonians Stage 2 (the education/apprenticeship) takes place for the duration of your life here on earth and only ends at your death or being caught out of this world at the event of the Blessed Hope. - apprenticeship/on the job training; Going to school by putting your hands on it and learning; you know you're being guided; here's how you run the machinery; know enough to begin laboring with your Father; need to get more skilled but at least at a place that you can be actually involved in the work; put some things you have learned into practice - Between 18-30, making some pretty important life decisions - get married, start a family, etc. - probably has a 12 year old boy that he will adopt and start the same process with decisions on marriage, family, in the Jewish culture had children right off the bat - Physically: around 18 or 22 to 30 years - Spritually: during your life till death or Rapture; if God didn't have something more for you here, the smartest thing would have been to take you out when you got saved. But there is a reason to stick around. - Education: Add SUBTITLY and KNOWLEDGE (GH: and DISCRETION?) - Level 2 of the curriculum (Ephesians, Philippians, Colossians)
Commentary	Sonship : Stages : Stage 3	3) Manifestation of sons (the education and apprenticeship are over, the Father puts up the new sign that reads, “Father & sons.”) - Romans 8:19 Stage 3 (the manifestation/labor) takes place after the Blessed Hope and the Judgment Seat of Christ (where you are placed in your position). The son receives his glorified body and the Father will publicly display to the entire universe His son’s position in the creature and declare the son’s capacity to run His Business just as He would run it. - Put all the education and practice into the real business world - Physically: around 30 years of age - Spiritually: Put into a position in the heavenly places and begin laboring up there; after the Rapture and after the Judgment Seat of Christ (where it is determined what you will be - principality or power or might or throne or dominion). Will be made publically known to all creation who you are and that you are perfectly suited to function in the Father's Business.
Commentary	Sonship : Stages : Stage 3	- In a sense, LEVEL 3 of the curriculum. - LABOR: **Deliver the CREATURE in the TIMES OF THE RESTITUTION OF ALL THINGS** **Heaven and earth are brought together as one in the DISPENSATION OF THE FULNES OF TIMES** **Labor with Him out into eternity in the AGES TO COME**

Commentary	Timeline : Isaiah 14	Back before time started - Satan's Plan of Evil. From the time Satan devised his plan of evil, he has been working it from the pre-Flood world until now. Before God even created this little creation, there was a rebellion. Lucifer got lifted up with pride and actually orchestrated a rebellion among God's angels and 1/3 of those angels followed Lucifer. Not just any third but a third who were in positions of power and authority in the government of God that was set up in the heavens. Many of the principalities and powers and thrones and mights and dominions joined that rebellion, most of them. All but 1 principality joined that rebellion with Lucifer. Then you come to the creation of the earth and Adam.

Commentary	Timeline : Creation Week 1	Creation Week 1: Genesis 1:1: In the beginning, God created 2 things: the heaven (singular) and the earth. Even though He originally created the heaven and the earth as 2 distinct places, He didn't intend that they remain that way. There was supposed to have been Sonship labor to be done in conjunction with God and man in order to bring about what was supposed to happen on the 2nd Sabbath after the 1st. Genesis 1:2: MOVED UPON THE FACE OF THE WATERS: This thing was encased in water. In the beginning when Adam is on this planet, all the way to the Flood, the things in the Heavens are not only more compact, they're closer to the earth. Close enough that when Nimrod said, let us build a tower that may reach unto heaven, he really intended to transverse into the heavens via that tower. He found one of those paths to traverse between the earth and the heaven. Not anybody could build this tower. Only if they knew how and where. There are PATHS AND WAYS. Nimrod said we are going to do it with a tower. God said we are going to stop that. God confounds the languages, scatters the people, and then He stretches out the heavens. Now, you can build a tower every day of your life and you are still in the buffer. WEEK 1, DAY 2: MM used to think Satan rebeled was way before creation. Actually, it's Day 2. Something happens in Satan's heart. HIS HEART WAS FILLED WITH VIOLENCE-Ezekiel 28:16. God sees what is happening to Satan on Day 2, so He does something to the creature. Three days before man shows up. Day 2 (GH: or Day 4?) is when the rebellion takes place. MM believes that God originally made a 2-part barrier block between the earth and the heavens.
Commentary	Timeline : Creation Week 1	Genesis 1:3: God said let their be light (Lucifer means light bearer). MM said he may well have veen involved in orchestrating that original light. Something happened Day 2 of creation that made God put a two-part barrier in the in place. He knew what was in Satan's heart. That would keep him from having something happen automatically with regard to the earth and the heaven. If Satan ever got hold of the heaven which he did and the link between the heaven and the earth were still intact, he would now be able to do something and the ability to stop that would be almost impossible because of what happens when they are joined. God did other things to prevent Satan from making that connection between the heaven and the earth. You will have to disassemble those things. We will get to demolish two different aspects up in the heavenly places. 1. Barriers that God put up to keep Satan from reconnecting that. 2. Things that Satan himself has erected up there as he seeks to control and hold onto the heavens. You will be making the connection between the heaven and the earth so this thing operates as a single creature. Just like my body, soul, and spirit operates as a single unit. Right now, the creature is not responding to the earth and God made it that way because He knew what was coming.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Creation Week 1	Day 2: Because what He observed was happening with Lucifer on Day 2, He created two barriers: 1. One of them came down at the Flood, that is the water. Something happened at the Flood where one of those got removed. When the water comes down, it leaves empty space. Then God had to stretch out the heavens because if He didn't, man never would have survived. Astronomers look through telescopes and proclaim that the universe is expanding. What they are seeing is the continued motion of the "stretching out of the heavens" because that action is still going on today. God had to stretch out the "space" barrier because Nimrod discovered how to breach that other firmament! 2. GH: Firmament - Then, something happened on Day 4 that God anticipated on Day 2. The barrier that was placed between the heavens and the earth effectively severed any link between them. Since that is the only way we have known, that seems normal. That is not the way it was supposed to be. The way things are now are very abnormal as it pertains to how a body functions properly. Put a barrier up there so that it wasn't an automatic thing to join the heaven and the earth as one single creature. That's what it was supposed to be. The heaven was supposed to be the body of the creature. When something has a body, it is meant to do something. Earth is going to serve as the soul and the spirit of the creature.
Commentary	Timeline : Creation Week 1	God is a tri-part being - Father, Son, and Spirit. Man is a tri-part being - Body, Soul, and Spirit. - Jesus represents the body. God manifested in the flesh/manifest appearance of the Godhead. - Father represents the soul (contains your mind, will, and emotions). Guess who you are going to be thinking like. Your mind, will, and emotions will line up with the Father. - Spirit represents the spirit. The earth with a soul and spirit sitting in the midst of the universe is like your soul and spirit sitting in the midst of your body and you have a connection made between your soul and spirit and your body. You can hear something and it can make you depressed and not feel good. You can hear something totally different, and you feel like jumping for joy. Isn't that strange? You just heard a sound and your body is jumping for joy. There's an impulse in your brain that allows you to pick things up. There's a connection. What if the lungs breathed in air, but failed to put oxygen into the blood stream? With no oxygen going to the parts of your body, all of those body parts would die. Your brain would go first and then the whole apparatus would shut down. If the earth blew up and was completely disintegrated, it would have practically no effect upon the other stars and systems in our own Milky Way galaxy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Creation Week 1	The earth is not meant to just whirl around out in space for eternity, but it is meant to have the capacity to interact with the rest of the creation. Neither the world nor the creature are responding to each other today. WEEK 1, DAY 3: Genesis 1:9 - dry land appeared. WEEK 1, DAY 4: Satan rebels. God creates alternative lights. God says I AM going to take the light away from you and make something else do light. He replaces the light. God already knows they won't be able to do in the second week what they were supposed to do - restore the connection between the earth and the creature. As soon as they do that, God is going to tabernacle with men and bring His City down. But Adam and Eve fall. Earth and the heaven/creature are not one today. Since that is the only way we have known about the heavens and the earth, that seems normal to us. But that is not the way it was supposed to be. The way things are now are very abnormal as it pertains to how a body functions properly. Think about your body being separated from your soul and spirit by some kind of barrier so that they cannot interact.
Commentary	Timeline : Creation Week 2	Creation Week 2: Job for Adam and Eve in Week 2 was: - Get educated - Restore that connection - Adam and Eve were going to be involved in the process of bringing the heavens and the earth together. That was going to begin taking place during the week following the first Sabbath and come to completion on the 2nd Sabbath after the first Sabbath of the creation week. Then God would tabernacle with His people on the second Sabbath. That didn't happen. Now there is something out there that wasn't there before. It's not just a matter of God put a barrier up there, now Satan has corrupted that whole creature. Remember, delivered from the bondage of corruption. Even though He originally created the heaven and the earth as 2 distinct places, He didn't intend that they remain that way. There was supposed to have been Sonship labor to be done in conjunction with God and man in order to bring about what was supposed to happen on the 2nd Sabbath after the 1st. Adam and Eve were going to be involved in the process of bringing the heavens and the earth together.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Creation Week 2	That was going to begin taking place during the week following the first Sabbath and come to completion on the 2nd Sabbath after the first Sabbath of the creation week. That timetable mirrors the 2 Sabbaths of the feast of tabernacles, which has as its end result, “God tabernacling” among His people in the midst of His creation. Upon the completion of the process, God would bring His New Jerusalem down to the earth and Adam and Eve would continue to labor with God in what He was doing. What they had to do, because of the original creation and because Satan had not yet rebelled, the work of connecting it all up could have been done quickly. But when Lucifer rebelled, that changed things. Will take time to get this done. MM can't answer if it is because: - There's only going to be 50 of us doing it. - Nobody else knows what they are doing. - It's just so big it just takes time to get that done. MM can't answer the question yet. Because of Lucifer’s rebellion, the job “got bigger.” There is a whole dispensation (GH: Times of the restitution of all things or DoFT?) that is geared toward doing nothing but restoring the connection between the heaven and the earth. When that is done, you have the AGES TO COME.
Commentary	Timeline : Creation Week 2	Some things not only got dismantled, but some things were erected as well. Some of those things were put into place by God and other things have been put into place by the adversary. Therefore, restoring life and connections to the creature is not the only thing we will be involved in. We will also have some dismantling work to do before the restoration process can get underway. You will also be involved in dismantling some spiritual things as well. You and I will be responsible for the destruction of Satan’s dominion in the heavenly places. Well, for Adam and Eve, it was going to be a week’s work to get it so that the Lord could bring His city down to the earth, but all of that was sidetracked by the rebellion in the heavens. Therefore for us, it will be a much more involved task. It's going to take time, like building a house. God could have snapped His fingers and all would be there. Instead, He did it one day at a time. The Bible says He forms it. We can't just snap our fingers. We are going to make that happen. We are going to supervise that work and angels are going to be involved in that work. Our wisdom is going to guide that work.
Commentary	Timeline : THE WORLD OF THE UNGODLY-2 Peter 2:5	From Genesis 3 to Geneis 6. Genesis 6-9 are the judgment. Not just a way of describing the world, it is. But it is more than that. It's describing what the world had become. The world had actually become that. God judges the ungodliness of the Pre-Flood world and He made changes to slow down the POE so Satan can't work quite so quickly. Satan brought the OLD WORLD to a place where it had become THE WORLD OF THE UNGODLY-2 Peter 2:5. Not just a general way of describing things, it is actually describing the status of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : The Flood	Noah's Flood - 2348 B.C. (almost 2,500 years from Adam) When Noah and his family got off the Ark, they entered a world that was significantly different than before. MM not saying everything was different but it was significantly different and those differences impacted Satan's ability to push his plan of evil or his policies of evil at the speed at which he had done so before earlier. Came to destroy THE WORLD OF THE UNGODLY-2 Peter 2:5. Things not only changed on earth but also in the heavens. Geologists & Seismologists, who are not Christians, say that amount of weight of water on the earth, 15 qubits (qubit=18 inches) over the top of the highest mountain (Mt. Everest - 29,028 feet). Rained 40 days and 40 nights. MM says the math says the water is rising 6 inches every minute. Put that much water on the face of the earth, that weight shifts the tectonic plates. This much water would create a tidal wave around the earth that would probably be 6 miles high. We tend to think the Ark was just floating in water like a little box.
Commentary	Timeline : DAY	Time right after the Flood. A time when the LIGHT is the predominant thing. Genesis 9 to Genesis 17. Getting off the boat, all 8 people knew who God was. The most basic LIGHT of 'God Consciousness', who is the True & Living God. Satan began to replace the LIGHT of 'God Consciousness' with GH: untruths - Paul's Romans 1:20-32 passage.
Commentary	Timeline : Tower of Babel	Tower of Babel - 2008 B.C. [340 year diff from the Flood]
Commentary	Timeline : DAY TO NIGHT	Genesis 17 When men got off the Ark they knew God but there came a point when they worshipped and served the creation more than the Creator-Romans 1:25. When they did that, they created an imbalance. Now there is more darkness than light. But Satan doesn't stop there. There's increasing DARKNESS of his NIGHT. He means those things of DARKNESS to replace the LIGHT of the Truth.
Commentary	Timeline : NIGHT	Eventually, they worshipped and served the creature more than the creator (Romans 1:25). This is when the balance shifted. The NIGHT got to the same place after the extension of mercy as it did before the Flood. Just took longer to get it there this time. At the Flood, God put some things in place that slowed that down. Time of increasing DARKNESS of Satan's NIGHT where it is not enough to weigh things in his favor but now he is going after all the Truth to replace it with a carefully crafted and designed untruth that is made to be more attractive and more desirable to people. When someone believes Satan's replacement truth, one of the reasons they hold to it so strongly is because is just sounds so much better to them oftentimes than the Truth, and certainly more desirable than the Truth. With the rejection of all 3 Members of the Godhead at the end of the extension of mercy, the world had again become THE WORLD OF THE UNGODLY. They had reached the point of no return, there was nothing that they could now do that would make God change His Mind and decide He was not going to judge the world. They had gone too far. That's fine with Satan because by what he accomplished with the rejection of all 3 Members of the Godhead he was now poised for his finest hour. This is the zenith of what his plan has been working toward all along. And what he's about to do will give him his best opportunity to maintain his usurped possession of the earth. That's what he's after. He is trying to hang onto it and keep God from repossessing it. Satan needed to have the world reject all 3 Members of the Godhead for him to 'legally' do the next step of what he wanted to do.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : NIGHT	The idea that God and Satan are doing things willy-nilly is just not true. There are rules in place. God knew Satan would rebel. God could have thrown Satan into the lake of fire at any point but He did not. Our Heavenly Father chose not to do that. And God would have been righteous in doing that. It's His creation, the Potter has power over the clay. God is proving to all of creation, and this will be an eternal proof that not even Satan will be able to refute, that God is the ONLY WISE GOD-1 Timothy 1:17, the only qualified and true and worthy Possessor of heaven and earth. No one else has the right to that title. Now God is proving that Satan's boast 'people would rather live in my world than Yours' GH: is false. What Satan is producing here is a repudiation of God to get his best chance to bring in his king into the world and the world will live in his kingdom. But God has a response to that. God says, OK, you earned the right to do that and that is going to happen (becomes the subject of what John writes about in Revelation) but I AM going to do something in respose to that. In response to your NIGHT, I AM going to bring in My DAY to dispel the DARKNESS of your NIGHT. Satan has earned the right to do what he needs to do now that the world is irrevocably at odds with God. Goes up to the end of the extension of mercy and will start up again after the BLESSED HOPE.
Commentary	Timeline : Sodom and Gomorrha	Genesis 18-19
Commentary	Timeline : Middle Wall of Partition (Law; Ephesians 2:14)	Genesis 12 or 18 to Acts 7 - Satan is once again developing the world of the ungodly. God's dealings with Israel. What Satan is doing, while he is trying to corrupt Israel, there is something going on with his POE that attempts to corrupt the world at large and to produce a darkness in the world at large. One side of the wall: Israel - NIGH UNTO GOD - this is their condition when God institutes the MIDDLE WALL OF PARTITION Other side of the wall: Gentiles - FAR OFF AND WITHOUT GOD IN THE WORLD
Commentary	Timeline : RE-Development of THE WORLD OF THE UNGODLY	Parallels THE MIDDLE WALL OF PARTITION (Genesis 18?-Acts 7).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : GH: Continuum - Satan's COVERING - Satan's VAIL - Climactic Stage of Satan's NIGHT	- GH: Looks to run parallel or start with THE MIDDLE WALL OF PARTITION - (Isaiah 25:7) Satan's covering is at the point that it actually became NIGHT in the world. Where DARKNESS outweighed the LIGHT. Where untruth was more prevalent than the Truth. Satan puts the COVERING over all people so just in case Israel becomes the LIGHT OF THE WORLD, that LIGHT won't shine through easily then. - (Isaiah 25:7) Satan's vail starts with the 5th CoP. He didn't wait till then, he couldn't do it till then. Israel is out of the land and they are not in a position to be what they were supposed to be to the nations of the world. This is basically a double covering. First, Satan established a NIGHT in the world and then he added a VAIL. He has a double covering the blinds people from the LIGHT of the Truth. When Israel becomes Satan's legal captive and they are taken out of the land and Satan has control of the land of Israel, he sets his base of operations in the land of Israel and now the VAIL comes into place. These first two move along throughout the 5th CoP until God's program with Israel gets to this place (GH: John the Baptist). - Climactic Stage of Satan's NIGHT is from John the Baptist and goes all the way through the DOGG to the edge of (GH: and includes) Satan's NIGHT.
Commentary	Timeline : The stumbling, fall and diminishing of Israel	These things are happening at different points on the timeline. Points to Romans 11. * Stumbling: At the Cross - I LAY IN SION A STUMBLING STONE and A ROCK OF OFFENCE-Romans 9:33 - they stumbled because the crucified their Messiah. * Fall: At the end of the Extension of Mercy. * Diminishing: At the Fall, there is a diminishing where Jews fall to the level of the Gentiles. Is over at the end of Acts 28. Because at the end of Acts 28, Paul's commission to go to the Jew first is over because he is in prison in Rome. There's a transition between Acts 7 and Acts 28. What is happening is the things of Israel's program are being done away with. And by the time you get to Acts 28, everything that is strictly part of Israel's program is now no longer in effect.
Commentary	Timeline : Israel's Stumbling/Where Israel stumbled	Encompasses the earthly ministry of Jesus and the extension of mercy. He was that stumbling stone, that rock of offence that Israel stumbled at and they not only stumbled at Him when He was here on this earth, but they stumbled also as the Spirit bore witness that Jesus was the Christ in the extension of mercy. They weren't rejecting the Spirit, they were rejecting the message of the Spirit. Jesus said when I send the Comforter, He will speak not of Himself, but He will speak or bear witness of Me. So the rejection of the testimony of the Spirit was to reject Christ once again. They rejected Him at the Cross and at the 3 opportunities in the extension of mercy. That's the stumbling. Where God cut off the program, that is Israel's fall. Rejecting Jesus at the Cross. THEY STUMBLED AT THAT STUMBLING STONE, THAT ROCK OF OFFENCE

Commentary	Timeline : NIGHT IS FAR SPENT	GH: At the end of the extension of mercy. Where the world and the nation had reached a level of ungodliness that Satan earned the right to bring his christ into the world. But before he did that God interupted His program with Israel and brought in the DOGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DOGG (GH: WoD Teaching)	God is reconciling the world to Himself. God postponed Satan's ability to bring his christ into the world. It interupted what Satan was about to do. Satan's program is not Israel's program. When God brings in the DOGG, He brings in the world, by something He had already reserved the right to do. Satan's NIGHT is still continuing in this DOGG. Today, the most wicked, vile person is living in a world that God has reconciled to Himself. Never known a time where God has cut them off, put them on the other side of the wall, turn His Back, and now focus everything He is doing without them (GH: How it will be post-DOGG). MM says when a guy picks up a newspaper in one hand and their Bible in the other, you know he doesn't have a clue what he is talking about. What God is doing in response to what the world had become. No wonder Paul calls it THE TIME OF GOD'S LONGSUFFERING AND MERCY (GH: Romans 9:22?). When the DOGG ends, it will be like the DOGG never happened. Two issues: 1. God has done something that allows Him to legally interupt His program with Israel without violating anything and at the same time, postpone what Satan had earned the right to do. God learned His right to do this through what His Son did on the Cross, but He didn't do it immediately after the Cross. Satan had jumped through all the hoops he needed to earn the right to do what he was going to do but God did this (the Cross) FIRST, so He gets to do His first.
Commentary	Timeline : DOGG (GH: WoD Teaching)	This is why it is important for Satan to keep his WORKS OF DARKNESS-Romans 13:12 boiling at a high rate so that whenever the DOGG is over, and there's no time table to it like Israel's program, GH: people who predict it have no idea what they are talking about. The world had already reached a point of no return. God said that I AM going to do something, I AM going to put the world in a whole different position and I AM accomplishing something during this DOGG and when I AM through accomplishing that, then I AM going to end it, yank all justified people out, I AM going to resume My program with Israel, which is the green light for Satan to do something he has been waiting to do for 2,000 years. Satan is thinking, finally, I can continue what I'm doing to bring about the entrance of my christ into the world and try to establish permanent posession of the earth. That's what he's after. All of that is on hold. POINT: God has done something that allows Him to do what He has done without being charged anything. MM says there are all these ideas out there - they know God is not working with Israel but they somehow believe we have replaced Israel - called replacement theology.
Commentary	Timeline : DOGG (GH: WoD Teaching)	To all the men who hold this opinion sincerely, MM believes they are sincerely wrong. He believes the opinion of our apostle. God cannot make promises to Israel that He never fulfills with them. Replacement theology is GH: an admission they don't understand the Biblical timeline. There are Jews looking at what MM is saying and gasping. We are the chosen people. He's unrighteous to stop dealing with us. Paul addresses in Romans 9:14-17?.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : First (Leviticus 26:14-17 - 450 years under the Judges - Judges, Ruth, 1 Samuel 1-16)	1st Course of Punishment - Leviticus 26:14-17 - 450 years under the Judges - Judges, Ruth, 1 Samuel 1-16 (historical record of the truth of what God said would happen) The first things that will come upon Israel when they get into the land if they disobey and that is exactly what happens. Joshua takes them into the land but when that generation dies out they begin to veer off from following the Lord. When they get to the end of this, they are worthy of the 2nd course of punishment to come upon them. But God adds an 80 year interlude of mercy during the reigns of David and Solomon, bringing in a time of unprecedented peace and prosperity to the nation and victory over their enemies for 3 reasons: 1. (most important) To establish the Davidic covenant Abrahamic covenant: I AM going to make of you a great nation. Satan knows if I can corrupt this nation, God won't be able to repossess the earth. Davidic covenant: I WILL inflesh Myself into your line, David and when I do that, it is going to be Me functioning as Israel's Messiah. As Israel's Christ, I AM going to do those things for Israel that they cannot do for herself. 5 Mandates: Redeemer, Deliverer, Avenger, King, Blesser - God is making a plan for all this to happen because Israel's incapable. Solomon went back into idolatry and the nation corrupted itself again. God said hey, I promised David I wouldn't bring these judgments back during the reign of his son but when the son is dead, I AM going to bring those judgments back.
Commentary	Timeline : Courses of Punishment : First (Leviticus 26:14-17 - 450 years under the Judges - Judges, Ruth, 1 Samuel 1-16)	2. GH: Show adoption? 3. 1st CoP: Leviticus 26:14-17 -> Judges, Ruth, 1 Samuel 1-16 - 450 years - This does not make them repent. God is getting ready to bring in the 2nd CoP but instead he rolls back the 1st CoP and brings in an interlude of mercy. - Suffer border raids and lose your crops out of your storehouses. Go after your enemies, they are going to defeat you. You are not going to get your crops back.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	In between the 1st and 2nd CoP, you have the reign of David and Solomon. God is actually going to be talking to Solomon about the punishment that's going to come upon the nation when he dies. He has promised David not to do that until after the death of Solomon your son. But when he dies, all of that is going to come back. Interlude of Mercy - 1 Samuel 16 - 1 Kings 11 - During the reigns of David and Solomon. For 80 years, Israel has a time of unprecedented blessing - they defeat their enemies, they are at peace with everyone around them, the nation is prosperous - God is giving them a picture of what He wants to do with them as the head of all nations in the world. - They control more land area that at any other time in their history, even to this day. - God rolls back (GH: the 1st CoP) to show them the Davidic covenant and promises them the kingdom. - They see it all but Solomon's wives are able to influence him and get him back into idolatry and the nation follows suit so at the end of Solomon the nation is ready for the 2nd CoP. God saw this but He said because David is Solomon's father, He will not undo this until Solomon's reign is over.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	Interlude of Mercy (and blessing and prosperity - all the good things He wanted to do with them by His Jehovahness but they rejected). (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs). Israel peaks as God gives a taste of the Kingdom (no challengers) if they turn to Him [Rest from enemies, Righteous rule, Great national prosperity]. The Law did not call for it. The Law just talked about the cycles of judgment. Getting what they didn't deserve. Get a respite from the punishments. God rolls cycle of punishment No. 2 back and through David, the man of war, you are going to overcome every single enemy. That wasn't in Leviticus 26. Under Solomon, the man of peace, will be safe in your land and you are not going to worry. Picture of how it will be out there in the Kingdom. Why David/Solomon were a type. God saying I really want to deal with you this way. Let Me just show you what this is going to be like and He lets that happen for almost 100 years. They should have said YES but they had two thoughts. First, they took it for granted. Second, the general population thought that is what they deserved. Show them everything He wants to do for them by His 7 compound Jehovah Names. Show all 7 compound Names at work on Israel's behalf.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	You will see what I can really do. The full effect of God's Jehovahness was never being put on display when they went under the law and were living under that law in the first cycle of punishment. God did do some things, but not in the way his Jehovahness in its fullness would have done it. Still under the law. Just giving them a foretaste which is never the fulfillment of the real thing. EX Battle where they were down in the valley fighting and Moses and 2 others were standing him up on a hill and when Moses would raise his arms they would win but if they got tired they lost. Had those 2 guys hold his arms up so they would win. That's not the fullness of God's Jehovahness. God's Jehovahness can be seen at the Red Sea, water from a rock, shoes not wearing out. Interlude of Mercy: At the beginning, David doesn't know why they are getting all this blessing and wonderful things but he knows that it is happening. Because of this, David wants to build God a permanent house because David has been educated to labor with God in His Business. David knew from the beginning, God wanted to set up a permanent residence on this earth. David is saying let's build God a permanent house and God will dwell among us and we can carry out His Business.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	First thing he does is get the Ark and bring it back to Jerusalem because he is going to build a permanent house. Knew this was the ideal time to do this. God doesn't let David build the house. Solomon builds it. Not a bunch of unrelated stories we learn in Sunday school. Was a shade of the New Covenant even. David was saying let's get God down here permanent. We won't be learning ABOUT Him from somebody. Now, HE WILL TEACH US OF HIS WAYS (Psalms? Isaiah 2:3). God makes the break here because God sees what's in David before David. Why you have the interlude there. I HAVE been waiting for this type of heart. Interlude of Mercy: During the time of David and Solomon when God stopped the cycles of judgment and gave a Father David and a son Solomon to give you the framework for adoption. Interlude of Mercy: Instead of bringing on the second cycle, which Samuel said they were worthy of, God rolls back the judgments and gave Israel a foretaste in advance of what it would be like in the Kingdom when God was going to deal with them as a Father and them as sons. Would be impossible to do if the judgments were underway.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	God begins to do some things: - Begins to enlarge their borders. David conquers all of their enemies. When son Solomon comes along, he is going to control more land area. Israel will cover more real estate than at any other time in their history. - Have great riches. It's a time of affluence. The land again is a land flowing with milk and honey. Queen of Sheba story. - Becoming the head of all nations. Looked at by other nations around them to think there is no nation like this nation. - Gives them scriptures that define for them what it is like at that time when God is going to adopt the whole nation and their going to be his son and he is going to be their Father. That's going to be the relationship and how He deals with them. What He is looking for to teach that to His son but put that down in the scriptures, He has to find a man that meets the kind of qualifications that David meets.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	It's a time of prosperity and affluence and victory and peace that's unparalleled in their history. It's only a TASTE of what it is going to be out there before them into the Kingdom. Only a picture. God can only do so much because they are still under that law contract and cannot be fully dealt with as an adopted son. Interlude of Mercy: God rolls back the judgments from the first cycle of judgment and He brings in His mercy a time of great blessing on Israel the like of which that nation had never seen before. Perfect place to look and see where God is going to give an example of how He is going to treat Israel under their adoption and to produce a curriculum for them. Impossible to bring in the adoption picture during the divided kingdom and the cycles of judgment are rolling. What God is doing here has real purpose. Interlude of Mercy: Didn't get all of the fulness of the Kingdom, just a foretaste, because they were still under the law. You can never get the fullness of any of the things God wants you to have. Interlude of Mercy: The reign of David and Solomon between the first and second CoP (Courses of Punishment). God will use David, who is a man after God's own heart, to pen Israel's Sonship curriculum. God rolls back the judgment of the first CoP and brings in an era of unparalleled prosperity for the nation of Israel, giving them a foretaste of what it's going to be like in the Kingdom.

Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	Under David, overcome all of their enemies. Under Solomon, that occupy more land area than at any other time in their history. Things go so well for the nation of Israel that the word of that goes out throughout the world. Queen of Sheba heard, doubted, and came to see for herself. Before she leaves she says to Solomon TRULY THE HALF WAS NOT TOLD TO ME-1 Kings 10:7. It was even better than was said. Largest land area Israel has ever possessed. Things were so good that Queen of Sheba heard and came to see for herself. When she got there and said she heard it was good but she said THE HALF WAS NOT TOLD UNTO ME-1 Kings 10:7. God intended this and recorded it. That the people of the world would look at the nation of Israel and say there is no nation on the earth like that nation and there is no God like their God. Would cause them to submit themselves to the nation of Israel and Israel's God. Israel would become the head of all nations and God would reconcile the world back to Himself through the instrumentality of Israel. He is showing them this is how I want this to work and during that interlude He establishes the Davidic covenant. If you understand that covenant and the time during that 80 years when there is great prosperity in the land. You recognize that this is God giving them a picture of what He is wanting to do. But the picture that Israel had was only a small portion of what it's going to be like. Because when that Kingdom cranks up for real, the whole world is going to stand in awe of that.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	(80-100 years - Interlude of Mercy: Reigns of David and Solomon - God suspended the punishments and allowed Israel to rise to a place of power and prominence in the wrold that they had never seen and have never yet to enjoyed like they did in that interlude. Israel not only controled more land area than at any other time. They defeated their enemies and became a spectacle to the world. Remember the Queen of Sheba that came and she looked at all the things that were happening in Israel and she said I heard these wonderful things and so marvelous it was I didn't believe it. I had to come see for myself. But truthfully, the half wasn't even told about what's going on here. God was giving Israel a foretaste of the Kingdom. God gave them a sample of what He wanted for them. MM says how would any Hebrew person in their right mind not look at that and go if that's what God wants for us, then we ought to get on board with that. GH: But Solomon gets carried away with the false idols of his wives. God promises he wouldn't start up the courses until after the death of Solomon.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	Between the 1st and 2nd CoP, 80 year rule for David and Solomon. Israel controls more land area than they ever controlled. They are richer than they've ever been. They're more prosperous and the word of what is happening to them goes out into all the world (EX Queen of Sheba hears stories and she came to see and just couldn't believe all of the things - TRULY THE HALF WAS NOT TOLD ME-1 Kings 10:7). Israel didn't deserve this but it was a testimony to the nation of Israel to say let Me give you a foretaste of this kingdom out here. Also, GH: God gave the Davidic covenant. God told Moses the 5 CoP in Leviticus 26 because He knew that they would fail. Because He knows this, He realizes that if Israel is ever going to become that GREAT NATION-Genesis 12:2, if they're ever going to become the head of all nations, if there ever going to be a tool that is fit to be utilized by God in His plan and purpse of repossessing the world back to Himself from the adversary, if that's ever going to happen, then He is going to have to do some things. In this covenant with David He covenants for the 5 mandates. Because if He doesn't provide for that, they demonstrate over and over that they cannot handle BELIAL. They are no match. There will come a point through the 5 CoP that they will be expelled out of the land and become Satan's LAWFUL CAPTIVE-Isaiah 49:24. When they become a nation in 1948 and there is no Gentile power over them, that is not their program that is in this DOGG. This can happen when Satan is no longer focusing on them as a nation.
Commentary	Timeline : Interlude of Mercy (1 Samuel 16 - 1 Kings 11; Psalms, Proverbs, Ecclesiastes, Songs)	Today, if he is wasting energy on Israel, that has no impact on us. He would be leaving us alone to flourish. Someone asks why David didn't build the Temple? MM says he had blood on his hands, he was a man of war. Plus, the father-son relationship is so imperative, it's in everything. You have David writing to his son. Really, it's writing a curriculum to sons plural. This is meant to be something that is carried on. We should be teaching these principles to the generation that follows us and we expect them to turn around and do the same. This is meant to do on - there's a father and a son, a father and a son. It's not just God doing it, we have a real part in this. Even in Israel's program, God undertook to do some things that Israel could not do for themselves but that doesn't mean they didn't/don't have a real part to play. The curriculum that David is writing to Israel as a son, that doesn't take place for anyone until they get out into the resumption of their program. At the time, they were under the law, a performance system, under tutors & governors. MM asks how's that Sonship working? Not at all because it is made for an adult son who is making decisions in the best interest of his Father. God is not telling a son what to do but he is making those wise decisions out of what he knows. David is writing it back here but GH: God wasn't dealing with them as sons then. Why David? Because God found in David what God is looking for in a son - a man after God's own Heart. David had the instruction from his father Jesse - there's the hand me down principle again. Despite all of God's blessings, it is Solomon that opens the door back up to Belial.

During the ministry of Elijah and a 3.5-year drought. - People should be able to look back in the law and say this is where we are, this is what's happening. They knew about it beforehand. - There was a drought and it served notice where they were in the program.

There highways will be desolate - a predicted, prophecized GH: outcome. - It's like God is saying, if you want to persist, this is what it's going to cost you. So they persist. You can't blame God because He did not want them to go under the law in the first place. 3rd CoP: Leviticus 26:21-22 -> 2 Kings 1 - 10:31 - Ministry of Elisha - rise of the animal kingdom

See how these punishments are getting worse and worse. That's the signal of what's happening to them. - CoP came upon both parts of the kingdom but they came upon them at different times. Initially, the northern kingdom and then the southern kingdom, which is the one God is going to begin a time table with.

Commentary	Timeline : Courses of Punishment : Message of the Prophets (something you believe)	Message of the Prophets ('something you believe'): - FEAR GOD (Malachi 4:2) / TREMBLE AT HIS WORLD (Isaiah 66:2) - Standing before God was CORRUPT and UNCLEAN. Salvation message in the O.T. was believe what the prophets are telling you and get yourself back in line.
Commentary	Timeline : Assyrian Captivity	Assyrian Captivity: The Assyrian captivity is the period in the history of Israel's northern kingdom during which the people of the 10 tribes were resettled as captives by Assyria. This was one of the many instances of forcible relocations implemented by the Assyrian Empire. The Northern Kingdom of Israel was conquered by the Assyrian monarchs, Tiglath-Pileser III (Pul) and Shalmaneser V. The later Assyrian rulers Sargon II and his son and successor, Sennacherib, were responsible for finishing the twenty-year demise of Israel's northern ten-tribe kingdom, although they did not overtake the Southern Kingdom. The tribes forcibly resettled by Assyria later became known as the Ten "Lost Tribes." In 722 BC, almost twenty years after the initial deportations, the ruling city of the Northern Kingdom of Israel, Samaria, was finally taken by Sargon II after a three-year siege started by Shalmaneser V.
Commentary	Timeline : Day of the Lord	That "day" begins when Israel goes into captivity under Babylon. That is why you have verses describing the Assyrian and Babylonian captivities as taking place in the day of the LORD. The day of the LORD continues through the 5th installment of the 5th CoP; Daniel's 70th Week, culminating in the Armageddon campaign. The point here is that the Lord's Day is not confined to a single event or moment in time, but runs from the first installment of the 5th CoP to the final installment of the 5th CoP.
Commentary	Timeline : Initial Resumption of Israel's Program	This period of time is for, among other things, the gospel of the kingdom to be preached and the believing remnant (BR) formed both in and outside the land of Israel. There are some "markers" that are given whereby the remnant will know when the EoM is over, because once it is, they are instructed to do some very specific things. Failure to observe the markers and follow the doctrinal instructions given to them will result in them not escaping the threat of the Tribulation, and the loss of their reward in the kingdom. EX FLEE INTO THE MOUNTAINS-Matthew 24:16. MM calls this another time of forbearance and mercy given to the nation. During that time, the believing remnant will witness and preach to unbelieving Israel about Jesus being the Christ. But, when the believing remnant see the marker (signing of 7-year covenant with the antichrist), indicating the extension of mercy is over; they are to stop their evangelistic efforts, they are to "go without the camp" and "bear His reproach." The abomination of desolation is the marker to tell them when to stop their testimony to unbelieving Israel and no longer say anything to them. They will take that doctrine which has taught to them about the reproach to handle it. Will be essentially a second EoM. The believing remnant will be told some things and the very first attack against them is going to be made by Israel's VRS (Vain Religious System). It's vain because it is empty, it doesn't really have any power to it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Initial Resumption of Israel's Program	It is something that is not of God that men have put together. When Satan starts his first attack on the believing remnant, he doesn't do it in his own POE per se, but he is using the VRS in two ways: 1. Make the old way seem very attractive. We're going to find the ashes of the red heifer. We're going to find this perfect sacrificial animal. If you are a member of the believing remnant, you have already trusted in Jesus. The red heifer is inferior to this. MM says, us Gentiles, we get sucked into that. If you know the gospels and the Hebrew epistles, you will know this is not going to be of God. GH: See Matthew 23:38. What is dangerous about this is they have verses on how to make these sacrifices. MM says every error has Bible verses for it, that's why you have to rightly divide the word so you understand what is for you and what's not. They are going to have to HOLD FAST in their professions in the face of 'this is the thing we have been waiting for and praying for, it's finally here'. Don't think this won't have a pull on them. They came out of that to be saved, but that will look attractive to them. 2. Persecution by the VRS. When they can't entice the believing remnant to come back into the Temple and participate in those sacrifices in the first half of the tribulation, they will be talking about how great it was, about the high priest and all of his stuff, and what God is doing. If the believing remnant is not enticed enough to be part of that, then the next thing is to kind of black ball them from any kind of friendship from then on.
Commentary	Timeline : Initial Resumption of Israel's Program	This will happen with family members and Jesus actually talked about this. Family members are going to say, look, if you're not willing to come in and be a part of this, we don't want anything to do with you. And we're not going to let our kinds have anything to do with you. Families are going to get split over this issue - parents & children and spouses are going to get split up over this issue. There's going to be a lot of pressure because you are still living in the world. If this isn't real to you, there will be a great temptation to bow to the peer pressure. But persecution, that is what's coming. And they are going to have to hold fast in the face of the attractiveness of all of this. People want to part of something great, but you have to know something to understand, that's not what' great. That greatness is right back there in what happened in the Redeemer mandate. And you have to know something is on the line. Because there is a time coming when Satan is no longer going to use the VRS.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Initial Resumption of Israel's Program	There's a day coming when the gloves come off and now this intense persecution goes into effect for the believing remnant. Satan will show his true color and now they are going to try to wipe them out of the nation from being a people anymore. And it doesn't matter if you are apostate nation or the believing remnant, you are going to be hunted down. The Lord says when you see THE ABOMINATION OF DESOLATION, let them be, which means you flee to the mountains. You need to get out. Things are fixing to turn rough here. And if you do the things you are supposed to do, then I WILL hide you during that time. I WILL provide for you during that time. What do you think that manna from heaven and water from the rock was about? God is saying look, you know I DID this before, and I AM going to have to do it again. I AM going to supernaturally protect you with my angels. And guess who is going to judge angels? We are. WE SHALL JUDGE ANGELS-1 Corinthians 6:3. We are going to be dispatching that. So they are going to have to HOLD FAST to these two professions. At the end of the second EoM, there's a time when they will stop their testimony to unsaved Israel ad there not going to try anymore because if people, by the end of that, when this marker happens, people would have decided one way or another. That marker is the signing of the 7-year covenant with the antichrist.
Commentary	Timeline : Initial Resumption of Israel's Program	This will make you decide, I'm on over here or I'm over there. MM asks do you know how hard this decision is going to be if you are an Israelite who has been looking at all of these things? The week can't start till the covenant gets signed. Means when you go into that last week, the Teams are already set. Whoever is part of the believing remnant is part of the believing remnant. If you are apostate Israel, you are apostate Israel. And Satan is now going to use the VRS to either attract them or persecute them into obedience, waiting until it gets to the mid-point. And then he'll start a policy to wipe them out. MM asks if you were a member of the believing remnant and there were a member of your family that was not. How hard would it be to NOT go to your family member and say please...you are told not to do that, because you are CRUCIFYing TO THEMSELVES THE SON OF GOD AFRESH, AND PUTting HIM TO AN OPEN SHAME-Hebrews 6:6. You are told not to do that.
Commentary	Timeline : IF (Israel's Fullness)	Timeline : IF (Israel's Fullness) Consists of: * The final installment in Israel’s program * The time commonly referred to as the Tribulation or “time of Jacob’s trouble” or "Daniel's 70th week" * The fulfillment of all the covenants called for, which would include the remaining mandates of the Davidic Covenant * Includes the D and A mandates. - The deliverance mandate is part of Israel’s fulness - The avengement mandate is part of Israel’s fulness - The purging out of the rebellious element in the nation is part of Israel’s fulness

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : IF (Israel's Fullness)	* The Lord’s return at the Great and Terrible Day of the Lord (His 2nd Advent at the Armageddon Campaign) * The establishment of the millennial kingdom on the earth, with Israel functioning as that “kingdom of priests” and “holy nation,” just as God said they would be. - the mandate of the King - the mandate of the Blesser Point: Their fulness is still yet to come; they have fallen already; they’ve been diminished already; but their fulness is still waiting.
Commentary	Timeline : The times of the Gentiles	Refers to the time from the Babylonian Captivity to the Second Advent of Jesus Christ in God’s program with Israel. When God temporarily suspends His program with Israel to bring in the dispensation of Gentile grace, you are not longer in the Israel program and as such you are no longer in the “times of the Gentiles.” This period has to do with the “fullness of the Gentiles” which is an altogether different thing from “times of the Gentiles.” In the times of the Gentiles, it is the Gentile nations that have dominance over the nation and the land of Israel.
Commentary	Timeline : Tribulation	Technically, it involved more than just the final 7 years.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	Timeline : 5 CoP - Comes after Adam and Abraham. - First: 450 years under the Judges - Interlude of Mercy: David & Solomon - Second: Time of Elijah - Third: Time of Elisha * The beast that lived on the earth became so vicious that the highways in Israel became desolate because it was too dangerous to travel from city to city. Two she-bears come out of the woods and maul 42 children (how God kicked off the 3rd CoP). Sign to the nation of Israel, I GAVE you space to repent, you didn't do it, I TOLD you what was going to happen, and now you are encountering the 3rd CoP. MM says a whole lot of people got killed by animals.

Commentary	Timeline : Courses of Punishment : Fifth : SIIP	- Forth: Evil kings of Israel - Fifth: Learn it has 5 installments in Daniel - has the most amount of information written about it in your Bible of the 5 courses. First installment of the 5th course of punishment is the Babylonian captivity and that lasted for 70 years. * God kept warning them and warning them: if you don't repent, if you don't turn around , if you don't obey My law I'll punished you (1), punished you (2), punished you (3), punished you (4), and then we get to 5-1, there's the 5th course and the first installment is Israel's captivity and that begins the Times of the Gentiles. * Please see School of Biblical Studies - Level 1: God's Plan and Purpose with Israel for more details. Second installment of the 5th course of punishment and that is 49 years. * In the rebuilding of the temple in Jerusalem, that's during the time of Nehemiah and Ezra. Third installment of the 5th course of punishment you have the time when the silence of God will last for 400 years. * God is not going to say anything to the people of Israel. There's no prophet – God hasn't raised anyone up. He's not sending angels; none of that is happening. 400 years of silence - Amos 8:11-12.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	NOTE: Israel's LAST DAYS - 5th CoP installments 4 and 5 (less DOGG) Fourth installment of the 5th course of punishment breaks the silence and is the 34 years that starts with the birth of John the Baptist and runs all the way to the crucifixion; and that is the days of the Messiah. * The public ministry of Jesus; and then his death, burial and resurrection and it's all included in the Gospel accounts of Matthew, Mark, Luke and John. When knowledge is increasing after the 400 years of silence. After the 40 days He ascends back to the Father and you have the EoM. MM says this is something that no one saw coming. EoM (Extension of Mercy): God gives the nation of Israel one more chance to change their mind about the Christ (it is for 1 year and it runs from Acts 1-7). God, in that year, the Spirit comes and gives them 3 opportunities to change their mind and believe the Gospel of the Kingdom. NOTE: Gospel of the Kingdom is the preaching that Jesus of Nazareth was that prophesied Christ of Israel that all the Old Testament prophets talked about when they spoke of the Messiah; and when Jesus showed that it was him; and that's what you would put your faith in if you believe the Gospel of the Kingdom. GH: Recall Jesus-Peter convo - WHOM DO MEN SAY THAT I THE SON OF MAN AN? -? THOU ART THE CHRIST, THE SON OF THE LIVING GOD. This is the issue of how you get saved in the Gospel of the Kingdom. Each opportunity is accompanied by what the Bible says A NOTABLE MIRACLE-Acts 4:16.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	And the people that said the miracle was notable were the very ones who were rejecting it. But they're going to reject it anyway and become increasingly hostile in their rejection. The first rejection is kind of a slap on the wrist; the second one is much more significant; and in their third opportunity, they murder Stephen, and then what God does is He interrupts his program with Israel. DOGG: Nothing was known about this DOGG beforehand, it was a secret kept from before the foundation of the world. Age that we are living in today. Ends with the resurrection of everyone who was saved during this dispensation of grace and the catching away of the living members of the body of Christ called THE BLESSED HOPE-Titus 2:13 that takes us all off of the earth and out of the way: and now starts the resumption of Israel's program. At this time, 98% of Israel's program has taken place. The remaining time is referred to by Paul as the time of Israel's fullness (includes Daniel's 70th week, the kingdom, and beyond). When Israel's program is resumed those people are going to hear the same gospel that was being preached back in the days of the Messiah: the gospel of the kingdom (that you put your faith in that Jesus is the prophesized Christ; included an announcement during the days of the Messiah that the kingdom is at hand.). It is the time for Israel's program to be fulfilled. Why Paul calls it their fulness. It's when everything is going to get wrapped up.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	Fifth installment of the 5th course of punishment is 7 years - Daniel's 70th week (69 weeks have already taking place) - a week of years, 7 years. Gas the most amount of information written about it in your Bible of the 5 installments. * Is the climax of where everything is headed in God's plan to reconcile the earth back to himself; to destroy the satanic policy of evil; for Satan to bring his man of sin onto the world's stage. * Middle of the week: - Abomination of Desolation: When the antichrist goes into the rebuilt temple, sits down in the Holy Place, and proclaims that he is God. That's a marker that tells the believing remnant something, that they have to get out of Jerusalem and flee to the mountains-Matthew 24. * When they find themselves out in the time of their fulness, they're going to be living in a very dangerous time and there lives are on the line for various reasons. When the BR is out there living during that very dangerous time, in order to survive, they're going to need some very special doctrinal information that will allow them to survive that time because it is so dangerous.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	It's in the O.T. - the Law, the Psalms, wisdom books, and especially the prophets (all writing about the 5th CoP and a lot about the 5th installment). If you believe the gospel of the kingdom you became part of the believing remnant; they were justified unto eternal life. The members of the believing remnant will have the opportunity to avail themselves of a physical deliverance (not only from the judgments that are going to be falling during that time, but also from the activity of the Antichrist; as part of their salvation package, the believing remnant are going to be offered the opportunity to avoid being overtaken by those events and being killed, hunted down, or dying during that tribulation) during that tribulation time. They already have soul salvation that makes them part of the believing remnant. You can't be lost and be part of the believing remnant, that's the whole idea. They're already justified because they already have salvation from the debt and penalty of sin, because of the first mandate of the David Covenant, when Christ came and functioned as the Redeemer. The Lord can say to them on the one hand that they are saved and they have eternal life, and then he can turn around and say to them if you don't endure to the end you won't be saved. These are two things delivered in 1 salvation package, Why the Lord is able to say some things that sound very confusing. If people think all of this is the same kind of salvation, people think that you can lose your salvation.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	That's not what that's talking about. So the Lord is offering them a salvation package that saves them from the debt & penalty of sin (justification), but by them doing something that is called a work, they are going to be offered escape from the dangers of the tribulation (sanctification). And if you don't do those works, you don't get the miraculous salvation from these things. And they are expected to line up the different mandates with the different salvations because they're all called a salvation. The first mandate of the Davidic Covenant is Redeemer, at the Cross. The second mandate of the Davidic Covenant is Deliver, in (GH: beginning of) the tribulation. He delivers them from all the things listed above. The third mandate of the Davidic Covenant is Avenger, at the end of the tribulation. There are salvations in accordance with the Deliverer and the Avenger mandates. - Responding to the Redeemer mandate saves their soul and makes them part of the believing remnant. They believe that Jesus is the Christ. - Responding to the Deliver mandate saves them from the threats of the 5th installment, from the time of Jacob's trouble. EX providing them food and water. given them a place to hide from the antichrist, protecting them all the other things going on during that time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	This salvation is not automatic, it is contingent. MM asks what do you think He is delivering them from? They are already members of the believing remnant. A salvation from the effects of the tribulation. Will get by holding fast to some things (to not let go of some things) that they are told in the Book of Hebrews. You not only believe it but your actions reflect that you believe it. If a guy says I believe Jesus alone is what saves us but I need to get baptized 12 times just to be sure is NOT holding fast because his actions revealed what he really believed. - Responding to the Avenger mandate at the end of the 5th instalment has a salvation as well. It is the ability to be able to make it all the way till the end and as Jesus says TO STAND BEFORE THE SON OF MAN-Luke 21:36 and be counted worthy. The salvation here is the ability to be part of the Lord's royal house, which means that a member of the believing remnant will get to live with Him on earth in Israel's program. If you define 'salvation' as salvation from sin every time you read it in the Hebrew epistles, you will start thinking: - You need works, and - You can lose your salvation because salvation is not automatic
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	Why the Deliverer and Avenger mandates are such a big part of the Davidic Covenant. God has been talking about this since back in the O.T. and when He covenants with David and get into the Psalms and get an explanation of this, you understand this is a huge, huge issue in Israel's program. God is omniscient, He knows exactly what is going to be happening out here, and He has been spelling this out for them all along so when you get out there, you're part of the believing remnant, you've got salvation from sin, but if you don't have salvation from wrath, you are not going to make it till the end. * Remember, the believing remnant is JUEL, that's soul salvation; that is salvation from the debt and penalty of sin. When you trusted Christ as your all sufficient savior, you were justified unto eternal life; you were made righteous; you were in Christ, and you were made righteous. That's exactly what happened to them when they put their faith in the Messiah. MM shakes his head when people say there has only been one gospel. Do people at the Cross act like they believe in the DBR? The disciples went back to fishing. They thought it was over. If your faith was in the DBR, you would have been sitting at that tomb waiting for that third day. Remember what Thomas says when they say they have seen the Resurrected Lord? Does it sound like he believes in the DBR? That was a different gospel for a different time. There is only one gospel today, the gospel of Christ, His finished work on the Cross. Why Paul says IF WE, OR AN ANGEL FROM HEAVEN, PREACH ANY OTHER GOSPEL UNTO YOU THAN WHICH WE HAVE PREACHED UNTO YOU, LET HIM BE ACCURSED-Galatians 1:8.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	* When Christ dies on the cross as the Redeemer – that is soul salvation, and that always happens by faith. - Responding to the Redeemer saves their soul and it makes them part of the believing remnant. They believe that Jesus is the Christ. When Christ is the Deliver - the physical deliverance in the tribulation. - Responding to the Deliverer mandate saves them from the threats of the 5th installment; from the time of Jacob's Trouble; providing them food and water, giving them a place to hide from the Antichrist, protecting them from all the other things that are going on during that time. That salvation from the effects of the tribulation is not automatic. They're going to get delivered by holding fast to some things that they are told in the book of Hebrews. If you're holding fast to something, it means that not only do you still believe that, but your actions reflect that you believe. The believing remnant is going to be told they have to hold fast to some things, "that ye may be accounted worthy to escape" and then he's going to talk about these things that are happening in the tribulation. The Bible calls that a salvation. You can be part of the believing remnants so you got redeemed, but if you don't have the Deliverer, you're not going to make it to the end. When Christ is the Avenger - there's a salvation here as well.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	- The Avenger mandate is the ability to be able not only to make it all the way to the end; but this is what Jesus calls it: he says I want you to be able to survive all the way to the end "and to stand before the Lord." This is the salvation that goes along with this is the ability to be part of the Lord's royal house, which means the BR will get to live with him on the earth in Israel's program in the two places where he is going to be manifestly present on the earth in the kingdom. The two places are: 1. the temple where He is going to do his work, and 2. the new Jerusalem, which is going to be His dwelling place. NOTE: Jesus to His disciples: IN MY FATHER'S HOUSE ARE MANY MANSIONS...I GO TO PREPARE A PLACE FOR YOU-John 14:2. And that new Jerusalem is going to wind up being right back over there in Jerusalem. The temple is on one hill and on that other hill there is going to be the new Jerusalem; and the new Jerusalem is where they're going to live, because that's where the Lord is going to occupy His dwelling. Then when they go to work, His throne is going to be in the millennial temple. NOTE: Jesus to His disciples: YE ALSO SHALL SIT UPON TWELVE THRONES, JUDGING THE TWELVE TRIBES OF ISRAEL-Matthew 19:28. These thrones will be over where His throne is. Not right at His throne, there's a hierarchy there.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	Important: Just because you are a member of the believing remnant doesn't mean that you are automatically going to live in the new Jerusalem and rule with the Lord. These are not automatic. There are some things you are going to have to do to qualify to do that. This is confusing to us because when we trusted Christ, we just got everything. So we get to thinking they're the same way, but that's not it. The parallel with us is, everybody is a son, everybody gets a glorified body, but not everybody is going to REIGN WITH HIM-2 Timothy 2:12 because they don't suffer with Him. And SUFFER WITH HIM-Romans 8:17. Not everybody will automatically be able to do that. But if you can't see it in Israel's program, you probably can't see it in this one either. So you end up teaching that folks in Israel's program are losing their salvation and they need works in order to be saved because they read salvation the same way every time it shows up and they forget these writers are writing to saved Hebrews. So they are not talking to them about being saved from sin, they're talking to them about being saved in the way about being delivered out of the day of wrath and being part of the Lord's entourage and living with Him in the new Jerusalem and laboring with Him in the millennial temple. So that is quite a different thing. They get this information in: 1. the O.T, especially the Psalms and the prophets
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	2. Jesus's corrective doctrine and all of the things He is telling them about the time which is to come. He is going to say that you are going to need some doctrine that will preserve you out there but you are not ready to hear it yet. I can't tell it to you now, but after I go away - and they look at Him and say whoa, whoa, You are going away? - He says yeah, I AM going away. There is a time when I AM coming back. But I AM going to go away and you are not going to see Me, but I need to prepare you for how to go through this time without Me. And to do that, you are going to need some additional doctrine. Those guys didn't end up going there (GH: into the kingdom). But out in the future, it's going to be guys that didn't actually walk with Jesus. They will need Matthew, Mark, Luke, and John. 3. Hebrew epistles (Hebrews-Revelation): Writers all got this doctrine from the Spirit of God to write these Books. And that is exactly what Jesus is going to say. I AM going to go away but I AM going to send the Comforter, the Spirit, and He is going to guide you into all truth. Israel has a salvation package that involves more than just being saved from sin, but the rest of these salvation that are in connection with the other mandates of the Davidic covenant.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	* Just because you're a member of the believing remnant doesn't mean you're automatically going to live in the new Jerusalem and rule with the Lord. Those are not automatic. In this DoGG, when we trusted Christ we got everything, so we think Israel's the same way, but that's not it. In Israel's program when you get this salvation (the Redeemer), you get saved from the debt and penalty of sin; but that does not mean that you're going to be able to rule with him in the kingdom because there are some things you will have to do to qualify to do that. Analogy: Everybody is a son, everybody's getting a glorified body; but not everybody is going to reign with Him, because they don't suffer with Him. Not everybody will do that. So, if you don't see this in Israel's program, you will teach they can lose their salvation from sin. But they forget these writers are writing to saved Hebrews. So they're not talking to them about being saved from sin. They are talking to them about being saved/delivered out in the day of wrath; and being part of the Lord's royal entourage; and living with Him in the new Jerusalem; and laboring with him in the millennium temple. * When you get out here in the 5th installment, you're going to need God to intervene for you, and He's going to do that by means of his angels. At the midpoint of the tribulation: - When the Antichrist goes into the temple and he sits down, proclaiming himself to be God and then everybody will have to take the mark of the beast because if they don't take the mark, they won't be able buy or sell. So if you're not taking the mark, it's going to be really hard to find food. God is going to use His angels to deliver those kinds of provisions to the believing remnant.
Commentary	Timeline : Courses of Punishment : Fifth : SIIP	- The Antichrist starts his extermination policy and God's angels are going to help hide the members of the believing remnant. The judgments are going to be falling, so they'll need Divine protection. * So the Lord is offering them a salvation package that, by faith, saves them from the debt and penalty of sin. But by them doing something, which would be called a work, they are going to be offered an escape from the dangers in the tribulation. If you don't do those works, you don't get the miraculous salvation from these things. The Lord offers them a salvation package that not only saves them from sin, but also in their sanctification (that's your functional life); he saves them from the dangers of the tribulation. GH: MM teaching the TWOs - Programs - Gospels - Body of Believers *Time Frame of Reference: Our time frame of reference for this study is the 5th installment of the 5th CoP because everything is coming to a head, where everything culminates.
Commentary	Timeline : LAST DAYS	Israel's last days are actually divided into two parts 1. the day of the Lord's purging and avenging wrath 2. the day of the Lord's power and great glory with the establishment of the kingdom. GH: Some places, MM says LAST DAYS includes Jesus' earthly ministry + EoM.

Commentary	Timeline : Latter Days	TBD
Commentary	Timeline : Many Days	TBD
Commentary	Timeline : Courses of Punishment : Fifth : Times of the Gentiles	Times of the Gentiles: Starts at the Assyrian takeover for the northern kingdom and the Babylonian captivity for the southern kingdom. GH: At the end of 70 years, after reading Jeremiah, Daniel prays is this the end? God reveals a time schedule to Daniel in which he talks about: - 7 weeks - another 49 years - Medes and the Persians (they govern as the world power for more than 49 years but know by the 70 weeks prophecy). These 49 years are not a reference to the Medes and Persians being in power, this is a reference to how long they are rebuilding the city and the walls. It is in there because the Satanic policies attack to stop what God is trying to do. Nehemiah saying I don't have time to come down off the walls, I'm doing a work for God. That's the picture in a nutshell of the POE. - THREE SCORE AND 2 WEEKS - 62 weeks or 434 years - After Messiah will be cut-off (The Cross) Divided into 2 parts 1. Big part - 400 years - God going silent (Amos 8) - no signs, no prophets - no one telling them anything about what God is doing. During these 400 years, the Pharisees and Saducees come along because Israel is trying real hard to find a way to hear something from God. They had kind of an interpretation of what is going on and it is called the Babylonian Talmud. MM has a copy in English and it looks like an Encyclopedia. It's all the rabbis taking things from the law and then expounding their own interpretation on them and the law gets way out of whack.
Commentary	Timeline : Courses of Punishment : Fifth : Times of the Gentiles	Today, more emphasis gets put on the Talmud than on the law of Moses. The supposed 'lost books of the Bible', the apocryhal books in a Catholic Bible, everyone of those books - Tobit, Macabees, Bell & the Dragon, the epistles of Barnabas - everyone written during this period of 400 years where God said I AM not going to give you one peep. When someone says 'how come you don't have those books in your Bible?' MM says because they were never supposed to be in your Bible. Jesus tells you exactly what should be in there. He codifies every part of it and He doesn't make any mention of those books. 2. Small part - 34 years - Right before God goes silent, the last 3 prophets to write - Haggai, Zechariah, and Malachi - these guys talk about when the Messiah shows up, there is going to be a forerunner. John the Baptist is born 6 months ahead of Jesus. And Jesus is crucified at 33 and a half. Add those up, there's your 34 years. Learn something else - when you get into the Days of the Messiah, you learn that following the Cross, there is a 1-year extension of mercy that's going to be given to Israel after the Cross, in which the Holy Spirit is going to be given and He is going to superintend these wonderful, irrefutable miracles that prove the message of the apostles. The nation's going to get 3 strikes at this and the leaders strike out. During the Days of the Messiah, the two hallmark signs were healing the sick and casting out devils. TIMES OF THE GENTILES: Don't get fulfilled until the great and terrible Day of the Lord, the second Advent of Jesus Christ, when He will put down those enemies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Times of the Gentiles	Timeline : THE TIMES OF THE GENTILES-Luke 21:24 - Began at the fifth course of punishment when Israel is carried away to Babylon, the southern kingdom and ends when their Messiah comes to rescue them at the Second Advent (direction includes the unrelated 2,000+ year insertion of the DOGG). It all has to do with the prophetic program for Israel. We are not living in THE TIMES OF THE GENTILES which is a bit confusing because today God is working directly with Gentiles, not through the agency of Israel but in spite of Israel.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 1 (Babylonian Captivity - 70 years - Jeremiah 70 year prophecy)	5th CoP - 1st Installment - The times of the Gentiles/Babylonian captivity/Went away captive into Babylon - 70 years 5-1: Babylonian Captivity - 70 years - Jeremiah 70 year prophecy Course 5, Installment 1: 70 years of captivity under Babylon Things to remember: 1. This is a point of no return. GH: Repenting or getting right with God does no good - they are in for all the installments. 2. If they get expelled out of the land, they will become Satan's LAWFUL CAPTIVE-Isaiah 49:24. Like Gentiles being given over to the adversary at the Tower of Babel. 3. The land will now be controlled by Satan. Bring them to a place where Satan not only owns them, he's going to be able to come into the land and set up his base of operations in that land that he previously was not able to do (Isaiah 5:5). 4. The HEDGE and the WALL that was the barrier to keep him from being able to do that in their land is going to be broken down (Isaiah 5:5) and he's going to come in now and take control of what really belongs to the Lord. 5. Israel is given a 'bill of divorcement'-Isaiah 50:1 and what God is doing is He is going to go, "oh, you wanted to run after all of the wickedness and evil of the adversary? That's what you really wanted to do? You wanted to play the harlot with that? Well, fine. I AM going to let you go and I AM going to let you do that so go run after that".
Commentary	Timeline : Courses of Punishment : Fifth : Installment 2 (Ezra, Nehemiah, Esther)	5th CoP - 2nd Installment - Medes/Persians/Rebuilding of Jerusalem and the wall/The return under the Medes and Persians - 49 years [7 WEEKS] 5-2: Reign of Medes & Persians - 49 years - Ezra, Nehemiah, Esther - When some of the Jews return back into the land - Rebuilding of the walls Course 5, Installment 2: 49 years under the Medes and Persians (7 weeks) - MM says there are more than 49 years there but this has to do with some particular punishments when they go back. They're released, they go back into the land and they're trying to rebuild the wall in troublous times.

Commentary	Timeline : Courses of Punishment : Fifth : Installment 3 : The Great Silence / 400 Years of Silence (Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon)	5th CoP - 3rd Installment - God says He is going to go silent to the nation & they are not going to hear the Word of the Lord anymore - 400 years [3 SCORE AND 2 WEEKS = 434 years] The blank pages in the middle of your Bible are exactly how much God said to them - nothing. Institution of the Pharisee is brought into being because they are looking for some way to hear from God and God has said you are not going to hear a peep from Me. GH: No inspired Books were written during this time - hello Apocrypha. MM says if you read your Bible you would know they don't belong. This is what happens when men want to educate themselves in everything except the scriptures. 5-3: 400 years of silence - 400 years - Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon (these are the Books they (GH: Israel) should be operating out of during the 400 years of silence - God goes silent to the nations, prophecized in the prophets Course 5, Installment 3: 400 years of silence No words of the Lord. Use the poetic books to live your life. They have already been written.

Daniel's 70th Week: 5th CoP - 5th Installment - 7 years - only thing left MM says that 1) the message of the Prophets 2) Days of the Messiah & 3) DOGG all have something you believe, but the message isn't all the same. Israel's Last Days - divided into 3 particular parts - given a time schedule, an O.T. prophecy that would tell you about that, all of that would be laid out so when that thing happened, if they understood what the O.T. said, they could see when it was happening and know where they are. - Not only was there an O.T. prophet connected to it but there was a miraculous occurence that took place to show that was the situp and take notice event that made people go whoa, something is happening.

Day of Pentecost - Acts 2 - Joel - HOW HEAR WE EVERY MAN IN THE LANGUAGE WHEREIN WE WERE BORN Before the third one can come to pass, God interupts that program with Israel, calls a brand new aposle Paul, and sends him to the Gentiles. 3. World is still waiting for this one and it won't take place until after the Blessed Hope and we get back into Israel's program. Commentary	Timeline : Climactic Stage of Israel's Program (Installment 4 & 5 - Climatic stage is made up of 2 parts- 42 years)	When God began that climactic stage, He was beginning the process to bring about the END OF THE WORLD. This is what the climactic stage is going to result in. Starts with John the Baptist. Includes the 4th (from John the Baptist to the end of the extension of mercy) and 5th (from the resumption of the program with Israel to the Second Advent of Jesus Christ) CoP. God is accomplishing the mandates of the Davidic Covenant. Takes you from the ministry of John the Baptist up to the Kingdom. There are 3 stages/phases: 1. The earthly ministry of Jesus 2. His apostles after He has ascended back to the Father - appoints Peter(He makes Peter the administrative head of the work that is going to go on on the earth) - doing it under the administration of the Third Person of the Godhead **** DOGG **** 3. Pre-liminary activities and Daniel's 70th Week, culminating in the Lord returning, fighting the battle of Armageddon, putting down His enemies, having a resurrection, establishing the kingdom, and then off they go.
Commentary	Timeline : THE END OF THE WORLD	GH: Starts with the Climactic Stage. Starts with the 4th installment of the 5th CoP and carries all the way to the Kingdom. Both the 4th and 5th installments of the 5th CoP are working to bring about THE END OF THE WORLD-Matthew 13:39/Hebrews 8:26. MM says even though the DOGG interrupted the climactic stage of Israel's program, it did not interupt THE END OF THE WORLD. The WORLD OF THE UNGODLY-2 Peter 2:5 is coming to an end.

Commentary	Timeline : Courses of Punishment : Fifth : Installment 4 (Days of the Messiah - something you believe)	5th CoP - 4th Installment - Days of the Messiah/from John the Baptist birth to the Cross - 34 years Down to the last 41 years about of over 1,000? It's at hand. Salvation message through the days of the Messiah is that this Jesus standing before you, He is the prophecized Christ of Israel, that the O.T. prophets spooke and wrote about. If you don't believe He is, you are not saved. Course 5, Installment 4: 34 years (birth of John the Baptish till Messiah be cut off) - MM says it actually runs through the extension of mercy.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 4 (Days of the Messiah - something you believe)	Days of the Messiah ('something you believe'): Still CORRUPT and UNCLEAN (GH: like 'Message of the Prophets). But now, because most of Israel's program is behind them, entering the climatic stage in the program. **2 Parts of the Gospel of the kingdom** **1. the Kingdom is at hand** **2. Jesus is the prophecized Christ or Messiah that the O.T. prophets said would come, He was THE Son of David** The promise was that God would inflesh Himself into David's line and function as Israel's Messiah or Christ and as such He would sit on the throne of David and rule. They were always wondering when is He going to put down His enemies and set up His Kingdom?
Commentary	Timeline : Courses of Punishment : Fifth : Installment 4 (Days of the Messiah - something you believe)	But when Jesus comes the first time, He doesn't come to set up a kingdom. Before you can set up a kingdom, some things have to be accomplished. 1. He has to function as their Redeemer (why He came the first time) Why didn't He just set up His Kingdom immediately after the Cross instead of going back to the right Hand of the Father - ALL POWER IS GIVEN UNTO ME IN HEAVEN AND EARTH? Why not? Group: body of Christ not formed yet to repossess the heavenly places. Prophetic program laid out a schedule of events and that schedule has not finished up. Still things yet to be done. 2. 5-5: The Days of the Messiah - Matthew - John - Starts when God breaks the 400 years of silence with John the Baptist. - Getting to the final stages of Israel's program. They rejected Him and nailed Him to a Cross. - Only 5 parts, not a 6th. There are certain subjects discussed there. GH: Daniel 9:24 the the final things prove it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 4 (Days of the Messiah - something you believe)	Nobody preaching the gospel of the kingdom in the first 4 CoP because it wasn't at hand. Kingdom promise came up in right before the second CoP in the Davidic covenant (GH: during the 'Interlude of Mercy'). Jesus wasn't famous. Wasn't like He was sitting in the palace with a high position of governorship or numbered among the Pharisees or lawyers in Israel. He is the carpenter's Son. Scandal around His Birth, his mother said she was a virgin. MM thinks there was a lot made about that. Now, here He is making the claim to be the Son of David and the kingdom that was promised to David was at hand, and He is the Messiah, and all those O.T. prophets, He is the One they are talking about. Sounds pretty outlandish, doesn't it? MM asks how many people were going around healing the blind? Raising the dead? Caused the lame to walk? Got the deaf to start hearing? How many of the Pharisees took 12 loaves and a few fish and few 5,000 and then collected 12 basketfuls of fragments when it was over? How many Saducees were out there walking on water? The two hallmark signs of the kingdom - Jesus did these and no one else: 1. Casting out unclean spirits 2. Healing the sick How come none of the folks that opposed Him could all the things that He did. That's not an accident.
Commentary	Timeline : Caesars	Timeline of the Caesars: None of these guys are friendly to Christians. Understand Paul writes Romans in the face of this type of government- Romans 13:1-7. Birth of Christ For the first 70 years of the first century following the birth of Christ, there were five Roman Emperors. 1. Augustus - Luke 2:1 2. Tiberius - Luke 3:1 3. Caligula - 4 years; gets a disease 6 months in and becomes insane; notorious in his debachery; in your face flaunting of immorality; made altar to himself; replaced heads of various gods with his likeness 4. Claudius - Acts 18:2 - commanded all the Jews to leave Rome
Commentary	Timeline : Caesars	5. Nero - 14 years till he took his own life at 32 before they took it for him; ruler when Paul was beheaded; he always won singing competitions in the Senate; very cruel - murdered his first wife, his aunt, and tried to poison his mother 3x; he married three women and two men. When Nero had Rome burned so he could rebuild a more glorious city, he blamed in on the Christians. As a result, many Christians were charged, convicted and put to death. Look at the environment when Paul wrote Romans. - 32-68 AD - events of the Book of Acts Paul writes Romans - 57 AD - When Paul writes the book of Romans, Nero is the Emperor. Paul is in Rome (appeal to Caesar) - 63-64 AD Between the time Paul appeals to Caesar and the time Paul's case is heard in Rome, the government's attitude toward Christians had changed, and not for the better. The justice system in Rome had collapsed so completely that Christians were being thrown to the lions in the circus.

Commentary	Timeline : Extension of Mercy	See Acts 1-7 notes. Extension of Mercy: Israel got 3 opportunities, each accompanied by an undeniable miracle that authenticates that message. GH: Acts 1-7 First time: Miracle 1: Peter and John are making their way to the temple and there is a guy out there that has an infirmity and they heal the guy. Heal a lame man and everybody's talking about it. They bring them in an reprimand them and say do not preach anymore in this Name. Second time: Miracle 2: Peter is miraculously delivered from/broken out of prison. They bring them in and they throw them in prison. Miracle 2: Angel breaks them out. They flog them and then tell them not to preach anymore in this Name. Third time: Miracle 3: Stoning of Stephen - all of the counsel perceive he had the face of an angel. Miracle 3: GH: Stephen and face of an angel = messenger from God. They stone Stephen.
Commentary	Timeline : Extension of Mercy : SIIP	The time written of in the first 7 chapters of the book of Acts, when God extended to the nation of Israel a final (3 times) opportunity (all accompanied by an undeniable miracle-said by the detractors) to change their mind (repent) about who Jesus of Nazareth is, the prophesized Christ of Israel. Who all the O.T. prophets were talking about. What you had to believe to be saved under the gospel of the kingdom. That extension of mercy was rejected by the nation at large. At the end of the EoM, those who rejected the gospel of the kingdom committed the unpardonable sin against the Holy Ghost. Means that once they rejected the gospel of the kingdom and the time of the EoM was ended, then they would all remain in a condemnation status. There was no more opportunity to be saved. The only way Saul of Tarsus could be saved is by God interrupting the program with Israel, and bringing in a whole new mystery program. In the past extension of mercy (EoM), once that time was over (at the stoning of Stephen), the members of the little flock were no longer supposed to present the gospel to the unbelieving Jews. This “cutoff” was not in view of the dispensation of gentile grace (DoGG), for that was still a secret: it was in view of Daniel’s 70th Week. Once that time was over (at the stoning of Stephen), the members of the little flock were no longer supposed to present the gospel to the unbelieving Jews, but they were to perform a certain action given to them in Hebrews 13.
Commentary	Timeline : GH: Program Break	The Program interupted...resumed. The Climactic Stage interupted...resumed. The 5th CoP interupted...resumed. But THE END OF THE WORLD continues.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : GH: Program Break	What is not continuing to happen in this DOGG: - We are not in God's program with Israel - We are not part of God's climactic stage with Israel - Both of those have been interrupted What is continuing to happen in this DOGG: - We are part of THE ENDS OF THE WORLD-1 Corinthians 10:11 - We are part of the NIGHT-Romans 13:12 (the NIGHT is still going on in this DOGG, not that we are complicit with it) - Satan is continuing his works of darkness (we know this because Paul tells us we are going to CAST those off) - Satan's wicked workers of iniquity are present today (Paul names some by name in his day) - We are still to have our Father's attitude toward the world
Commentary	Timeline : WoD (WORKS OF DARKNESS)	Run concurrently with the DOGG. Run in parallel with the DOGG. These are some particular things that Satan is using to continue the DARKNESS of his NIGHT. It is in Satan's interest to keep the blackness of his NIGHT, where his untruths have unseated and replaced the truth, so they will be the prevalent way of thinking and living and conducting ourselves so oonce this DOGG is over it will pick up right where it left off.
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe) - Early Years	DOGG - early years: In the early stage of the DoGG, the spiritual gifts of healing were given to someone in a Gentile assembly as a confirmation of what God was now doing in turning to the Gentiles. This was for the purpose of getting some Jews to put their faith in Jesus Christ, just like the miracles were for the purpose of getting some Gentiles to believe in Jesus. In other words, these were the gifts that help to grow the church. God was giving the Jews 3 opportunities to change their minds: • Paul magnified his office to provoke them to emulation • The gift of healings • The gift of tongues Just as the Jews inside the land got 3 opportunities during the EoM, the Jews outside the land got 3 chances as well, but theirs was during the early stages of the DoGG.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe)	DOGG INJECTION: Salvation message is not about believing that Jesus is the Son of David, it's about believing that our salvation is a result of what He accomplished in His DBR and it is offered as a free gift of grace - no strings attached. God has a plan with us now by which we will repossess the heavenly places. MM adds the first G because Gentiles weren't even in the audience before. Now suddenly, we get our own apostle. We were ALIENS FROM THE COMMONWEALTH OF ISRAEL, WITHOUT HOPE AND WITHOUT GOD IN THE WORLD-Ephesians 2:12-13. Now we have a chance. Just like with grace it is not anything like under the law, prayer has changed too. Now we have a new dispensation opening up, Paul can say YOU KNOW NOT WHAT YOU SHOULD PRAY FOR AS YOU OUGHT-Romans 8:26. You have no idea how to do this because the dispensational change changed prayer dramatically. God was supposed to fill the places with dead bodies and slay the kings of the earth and set the place on fire and shake the earth terribly. Instead, he intercepts Saul of Tarsus and gives everybody an opportunity to be saved under grace. MM says I would say that is a big change. Well, prayer has changed too. Paul writes 13 epistles from we know what to expect from God and how to live and all of that. Salvation is not through Israel, it is apart from Israel. • God is no longer dealing with anyone under the performance contract of the Law, but He is dealing with them under grace. • God is no longer dealing with Israel (or the world) under the terms of the prophetic program. Now God is dealing with the entire world under the program of the mystery.
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe)	Between the 2 climatic stages (GH: 'Days of the Messiah' and 'Daniel's 70th Week/Tribulation') Saul of Tarsus gets saved on the Damascus road. Gospel of the grace of God: What Jesus accomplished in His DBR was sufficient to satisfiy God's justice against us. We are trusting in what He did. That's it. Not baptism or going to church or giving to charities. NO! It is only what He did for us to sufficiently satisfy God's righteous justice against is as sinners. If we will believe, we get put INto Christ and now get all the benefits of being IN Christ. Instead of this final week (GH: Daniel's 70th Week) happening, get inserted the DOGG. Grace to Jews as well, but called gentile because God is now dealing directly with Gentiles apart and separate from the nation of Israel. Before, if you were a gentile and wanted to worship the true and living God, you became a proselyte and went into the synagogue and even then, you were second class. You had to sit in the back. Peter mentions in Acts 2. Not going to be in the synagogue. Not going to be a proselyte. You are going to be a SON! MM says do you realize how radical that doctrine is? The more MM sees the things that we are being taught in this curriculum, the more he understands the way God is doing it in the DOGG is almost the direct opposite of the way he always understood it should be in more and more ways than you can imagine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe)	Can't make predictions about the DOGG if God was tight lipped about it. No prophecies will be fulfilled in the DOGG. Can't fulfill OT prophecies in the DOGG. When someone says the rapture will happen in September. He is not saying they won't be right but they are guessing. Can't get your math out of Israel's program to predict something in the Mystery program. OT prophets prophecy during a time the program was enforced. MM doesn't see our civil liberties as end times. Bible doesn't really venture much outside the Middle East. May be right information but not germaine to the Antichrist. We are on the same level as Israel. They sank to our level. Israel is not God's favorite/favored nation today. Every day brings us one day closer. That's the way time works. Many have been called the Antichrist over the years. Seeing a prime example of mixing the programs. Everybody is going through the Tribulation if you mix the programs. False teachers are part of both programs. 300 Messiah prophecies fulfilled by Jesus Christ. (False) prophecies happen the same way evolution happens - time and chance. The gospel preached today is not the gospel of the Kingdom which the Bible says will be preached to all nations. Being a MAN OF UNDERSTANDING has real meaning in the DOGG and will have real meaning out in eternity.
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe)	It's even more important for Israel due to the time crunch. The MAN OF UNDERSTANDING for both us (GH: DOGG) and them (GH: Israel) is going to be extremely essential when dealing with the POE. Will be the major issue. He will spend way more time answering questions and guiding people with regard to the POE than he will about any other issue. Yes there is an education to be gotten but that's the bulk of that. Nothing written about the DOGG back in the prophets about the age we are living in. The Gospels were not talking about this. Jesus was not talking about this. God didn't even reveal it to the angels. No one knew and it needed to be that way. Today we are in this dispensation. Why Paul says over and over in Romans 6 ye are not under the law but under grace. He spends 1.5 chapters saying it you try to live by the law or a form of the law, you are putting your spiritual life to death. People don't know how to do this because Pastors and teachers by in large don't know how to rightly divide the word. You get this hodge podge of conflicting doctrine that makes people scratch their head and shrug we just don't know. There will be a remnant of Jews saved in this age. However, that does not alter the fact that this new program is. for the most part, Gentile in nature. Mystery, no one saw this coming. In the dispensation of grace, God is not presently: - punishing wicked men for their evil as He did in Israel’s program - punishing nations for worshipping other gods - punishing Christians for their lack of commitment
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe)	What is God doing in this DoGG? We know that God wants to accomplish two main things: 1) He wants men to be saved, and 2) He wants those who are saved to come to the knowledge of the truth - be edified. We don't know when this DOGG is over, Satan doesn't know when it is over, the Internet sites that predict it don't know when it is over - they predict the rapture on the feast of trumpets every year. Satan loves this because people get all riled up about it. Satan is destroying the credibility of the Christian world so that when somebody finally cries wolf for the real deal, the whole world will look at that and just say forget that, they have been saying that for years. They are already saying this. At the end of this DOGG, the body of Christ will be in apostacy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe) : Middle Ages	500 AD to 1500 AD - When someone was being threatened with being burned at the stake or thrown in the coliseum to be torn apart by lions or some wild beast or hacked to pieces by gladiators because they were a believer in Jesus, they were given a chance to recant or take back and say you know what, OK, I know longer follow Jesus Christ. I no longer trust Him as my Savior. And they would let them go. If they had made that profession, they would have been killed. The antichrist is going to give them a similar thing. If they are not willing to back off their profession in the tribulation, they'll have their head cut off. Someone will say, I can do that. Could you to that with your family? It's one thing to have your head cut off because you know what you are dying for. Are you going to be willing to watch your kids and your wife and your brothers and your parents and your sisters and your aunts and your uncles? Are you willing?
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe) : Middle Ages	What Satan is doing here is putting pressure on them to recant. And here's what they've got to do, they have got to hold that profession. MM says you say this sounds like a no-win situation, but wait, there is a way to escape all of those things. See how important it is to do the things that the Lord said so that you would be counted worthy to escape all of those things which will come to pass and to stand before the Son of Man? See it is a big deal to do that. Denominations that don't see the dispensational change, they think, we got to hold fast today or we're going to lose our salvation. You don't lose your salvation today, but they didn't lose their salvation back then. What they would have lost if they let these things slip, is the deliverance salvation that the Lord is preparing and you would have lost the reward in the kingdom because all of that gets tied together.
Commentary	Timeline : DOGG (Dispensation of Gentile Grace) (something you believe) : WoD Perspective	MM comparing it to a two-day sale. The world and the nation were worthy of God's wrath when God brought it in. They will pay the same price after the DOGG. When it is over, things are going right back to where they were before it started. He purchased it and gave it as a gift. Can't have millions of reconciled people running around the world knowing the LIGHT of the True & Living God and the world be in the condition of THE WORLD OF THE UNGODLY-2 Peter 2:5. So you have to remove all of those people at the same time.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : The Blessed Hope or Rapture	Get a new, glorified body that will last forever. Rapture: - MM doesn't see it as imminent. There are no signs for it. - What is happpening today in the DOGG is the POE is actively working to shut down the message of grace. It is being done little by little. It's going to happen one day and if we are still alive when that day comes, then the FULNESS OF THE GENTILES will be come in and we'll be raptured out. POINT: Instead of worrying when is the rapture going to come, let's get as far through Sonship as we can get and hope that we can get somewhere. - The end of the Day of Christ but the start of the Day of the Lord.
Commentary	Timeline : Bema Seat or JSoC (Judgment Seat of Christ)	Bema seat - Bible uses the term 'Judgment Seat of Christ'. Bema seat where a judgment took place that is compatible to that. Not to determine if you are saved or not. If you go in the rapture, you are saved. Right after the Blessed Hope. Bema Seat - Was a place to get justice and a judgment in Corinth. At the Judgment Seat: - be presented to the Father - everyone receives their HEIR OF GOD inheritance. Going to receive your heir of God inheritance. Get simply because you are saved - great, wonderful. - If you have SUFFERed WITH HIM, get the JHI. If you have any of that, it will be declared at this ceremony. - Then, in front of everybody, you are going to be declared a son and told what your position is as a son and going to be placed in your position of authority within the body of Christ. Find out what you will be doing. When you get your position, the entire body of Christ will cheer. Even the ones that didn't care about Sonship. Will have to get your people organized. When you get up there, you have a job to do. Have to also work with peers at the same level.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Bema Seat or JSoC (Judgment Seat of Christ)	Daniel's 70th week is ticking off on the earth when all of that gets formed. Here how this will work: God is going to take the things you did under GODLY WISDOM and the other side the bad - things that were done under the WISDOM OF THIS WORLD. This will constitute the Judgment Seat of Christ. God is going to say, everything you did under GODLY WISDOM, I AM going to consider that good. Everything you did according to the wisdom of this world or the competing wisdom, I AM going to consider that bad. Changes what is going to happen at the Judgment Seat, because it means a bunch of people who did a bunch of good stuff but did it according to the wisdom of this world, that all gets burned up. You are going to be evaluated upon: you being a son, utilizing the wisdom of your Father vs. the wisdom of this world. Failure to get discretion will result in the loss of reward at the Judgment Seat. When your Father puts you at the Judgment Seat of Christ and everything is either wood/hay/stubble or gold/silver/precious stone, the wood/hay/stubble can be some awfully good things based on how people view it, but they were done outside of Sonship. We think wood/hay/stubble is I told a lie, I cheated somebody, that's not the issue he is talking about in Colossians 3:24. Wood/hay/stubble is going back under the law. That is going to be burned up. That is outside of Sonship.
Commentary	Timeline : Bema Seat or JSoC (Judgment Seat of Christ)	Wrong thinking: The way we think that is going to work, because it is the way we have been taught, is that God is going to look at all the good things we did - helped an old lady across the street, mowed neighbor's grass, went to church - and give you a reward for these things. Then, He is going to look at the bad things you did, motivation to confess all the bad things. This is NOT how that is going to work. Misconceptions due to lack of knowledge on Sonship. In other words, they have not yet come to the very first issue in the table of contents, they have not come “to know wisdom and instruction.” Because they do not know Sonship education exists, then they do not properly apply the judgment seat of Christ, but rather they make it out to be a judgment of sins, or a judgment of earthly good deeds and bad deeds. That's just wrong. You could walk away from Sonship and God would not be mad at you or punish you or disinheriting you. You do pass loss of reward at the Bema Seat. Your discipline an adult son different than a child.
Commentary	Timeline : Installment in the Heavenly Places	The timeline for our installment in the heavenly places begins at this mid-point of Daniel’s 70th Week.
Commentary	Timeline : Initial Work in the Heavenly Places	GH: Activities in the heavenly places concurrent with the day of Wrath: - There are things we are orchestrating in up there GH: during the Day of Wrath. Before we orchestrate these things, somebody has to be removed from those present positions in the principalities and powers and mights and thrones and dominions. We are going to kick/clear those guys out. There are things that happen on earth that are orchestrated out in the heavens. EX Those hailstones that fall during the tribulation. They are so many talents of weight. Looking at 60-80 pound hailstones. God says that He has storehouses up there were those are stored. MM has this thing in his head, you bunch of angels, come with me. Everybody get you a snowball. When I say throw it, here's the area we are going to pelt with these hail stones.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Remainder of the NIGHT / Remaining Portion of Satan's NIGHT	Between the DOGG and the 5th installment of the 5th CoP. Remainder of the NIGHT (Romans 13:12) that still has to take place. Between the rapture and the start of the Day of Wrath. Time between the end of the DOGG and Daniel's 70th week. MM says you have to understand there is still some history to take place over there (GH: after the rapture and before Daniel's 70th week). Gentiles will go back to being FAR OFF and without God. You have never known a day in your life like that nor have you ever known someone like that. Has again become THE WORLD OF THE UNGODLY-2 Peter 2:5 and they don't want God anymore but it goes beyond that. It's over the top. That's why God says those WORKS OF DARKNESS-Romans 13:12 are particularly dispicable to Me because of what they are all headed toward.
Commentary	Timeline : Remainder of the NIGHT / Remaining Portion of Satan's NIGHT	Out in the zenith of Satan's NIGHT, these WORKS OF DARKNESS which have been rolling along and moving toward that end. He wanted to keep them at a fever pitch. Once the world is no longer being reconciled and every believer is gone and Satan moves his NIGHT into its blackest, ultimate part of his NIGHT comes into being, All of the things we've been looking at and we notice and we go well, that's not good, people shouldn't think that way or that's terrible. All those things are going to turn a corner to become more perverse and more iniquitous and more evil and more wicked. They are going to become exactly what Satan has been wanting them to become all along. He can't jump from just being sort of bad to the position he needs to get it in that NIGHT, that's all part of a process that has to already be at work and that process is at work. What we are looking at right now is going to be supercharged in the remaining portion of Satan's NIGHT. It's going to turn the world from being godly to turn the world into being Satan-ly. These things are going to make the final step that most believers never thought about us getting to in this world. This is how bad it's going to be. When the Lord judges this out in the day of Wrath, He is looking a particular WORKS OF DARKNESS that fall into this category and some of the judgments that fall during the tribulation are meant to not just destroy those WORKS OF DARKNESS but to make men see that they can no longer hold onto that like the great thing they thought it was. All the things they thought were so important and were such a big deal and they dedicated their whole lives to it was an empty sack and it wasn't worth anything at the end. When the Lord judges these things and He will do things to judge all of these things under the LUST OF THE FLESH, He will do other things to judge the LUST OF THE EYES, and GH: He will do other things to judge the PRIDE OF LIFE. MM says when people say things are so bad the Lord has to come back soon, he says it is going to get a lot worse, worse than it we ever thought it could be.
Commentary	Timeline : 1 John - 3 John	In the remaining NIGHT and AFTER the DOGG. Not over in THE DAY OF WRATH. This is important.
Commentary	Timeline : Psalm 10:1	GH: In the beginning of the Day of Wrath after the deliverance starts.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : The Lord's DAY of Wrath	When the Lord returns for his day of wrath, He will judge (GH: group guesses) unbelievers, antichrist and his confederates, apostate nation, etc. He will also judge things, which is something we don't hear a lot about. The Lord will come back and judge all of these WORKS OF DARKNESS-Romans 13:12, but He is going to judge them very specifically. He will enumerate the list in each WORKS OF DARKNESS category and tell you these have a particular quality of iniquity to Me. I hate these more than I hate other things. He is going to judge these individual WORKS OF DARKNESS. He is going to tell us what they are and part of the judgments are not just going to be on people, but on those WORKS OF DARKNESS. There are going to be some things that are going to be destroyed. Will look at the judgments of the tribulation very differently when you learn this. The WORKS OF DARKNESS that made the NIGHT increase are the ones that He is going to destroy in His DAY and at His Advent. The Lord's DAY will begin to dispel the DARKNESS of Satan's NIGHT. The WORKS OF DARKNESS-Romans 13:12 that have produced this NIGHT and all of the attendant iniquity and wickedness and evil and the things that go with it and the categories of THE WORKS OF DARKNESS that have produced that are going to be directly attacked by judgments in the DAY of wrath so that those things get dismantled and actually the Lord is going to destroy or annihilate the DARKNESS of Satan's NIGHT. That is going to take place there. *Can't find anything about the Rapture in Matthew or Revelation because that was a Mystery that wasn't revealed to them. The verses can't be about the Rapture. They didn't write about it accidently, they didn't write about a DOGG, there were writing about God's revealed prophetic program with the nation of Israel.
Commentary	Timeline : Courses of Punishment : Fifth AKA 'Times of the Gentiles'	AKA 'Times of the Gentiles'. From the start of Babylonian captivity until the Second Advent & setup of the kingdom. Israel is not the only nation in view when it comes to the “times of the Gentiles.” There are other nations who are included in the events which are about to overtake Israel in the years to come. And these are not just any nations, they are the nations “round about Israel.” These nations * have had a relationship with Israel all the way back to Genesis. * which Satan has used in his constant affliction of Israel. * which are included within the territory that Israel will possess when her borders are enlarged to match the land grant of the Abrahamic Covenant. * are the ten horns the dragon has used to oppose Israel ever since the nation became a nation. Do not come out of nowhere. See them in Genesis and can trace through the scriptures. It is the land which is the major issue in God’s program with Israel.
Commentary	Timeline : Courses of Punishment : Fifth : Pre-Installment 5 : Repentance to Israel (2nd EoM)	After the BLESSED HOPE-Titus 2:13, God is granting repentance to Israel before Daniel's 70th week. This is a period of time where the gospel of the kingdom is being preached in the land of Israel, that Jesus is the prophesied Christ of Israel. Once they put their faith in that, they are JUEL and now members of the believing remnant for unsaved Israel, who has rejected the message over and over again. During this time, all the members of the believing remnant are still going to be arguing this in the synagogue, reading the scriptures and debating that Jesus is the Christ. But when the marker appears, this repentance for Israel period is over, the unsaved element in the nation of Israel, is now taken away. It's a done deal. They have crossed the point of no return and God is no longer offering a time for Israel to repent.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Pre-Installment 5 : Repentance to Israel (2nd EoM)	Before Daniel's 70th week starts, there's a time when God is granting repentance to Israel. It is the "gap" between the Blessed Hope (BH) and the start of the seven-year Tribulation. This is the time when God is granting repentance to Israel (R2I), which is the time when God is giving those in Israel the opportunity to believe that Jesus is the Christ, to hear the gospel of the kingdom. When God's program with Israel resumes, the Spirit of God will once again administrate over a time of Repentance to Israel (R2I). By means of the Gospel of the Kingdom, God is calling out of the nation, a Believing Remnant. He has to jumpstart the program to produce a believing remnant who will carry out evangelism within the land of Israel. Those who believe the message that Jesus is the Christ will be justified unto eternal life (JUEL) and become part of the believing remnant. During that time of R2I, the BR will attempt to evangelize the unsaved in Israel. GH: Basically an extension from the first EoM like the DOGG never happened. Obviously, there will be some who will hear the message of the kingdom and reject it. This would be the apostate element in the nation, or "unbelieving Israel." Since only a remnant (minority) of the nation will be saved, most of the nation will reject the message that Jesus is the Christ.
Commentary	Timeline : Courses of Punishment : Fifth : Pre-Installment 5 : Repentance to Israel (2nd EoM)	The time available to Israel to believe the gospel of the kingdom is limited. The BR will be making their case to unbelieving Israel that Jesus is the Christ. Unbelieving Israelites will each be making their decision about whether or not they believe the gospel of the kingdom – that Jesus is the prophesied Christ. At this time, the BR will be attending the synagogue and using their attendance there as a platform to present the gospel of the kingdom, just like Jesus did during his earthly ministry, and even Paul did at the outset of the DOGG. During the time of their witness, the believing remnant are working from inside the VRS. At that time, a full testimony (with confirmation from the Spirit of God by signs and wonders) will be given to the nation so that everyone will be fully accountable for their decision about Jesus. During that time, God is doing some things which will cause each person in Israel to make a decision about Jesus being the Christ. By the end of the time in which God is granting R2I, everyone in Israel will have made a decision one way or another about Jesus. The message of Jesus being the Christ will be presented in such a way that no one will have an excuse. The BR will know when the time has come that repentance is no longer being offered to Israel by the marker of the confirming of the seven-year covenant with the antichrist.
Commentary	Timeline : Courses of Punishment : Fifth : Pre-Installment 5 : Repentance to Israel (2nd EoM)	When the BR observe the marker that tells them to stop their testimony and witness to unsaved Israel, they will know that the time of repentance given to Israel is over. Following this marker, the program will move into the first 3 ½ years of the Tribulation. Once the time of R2I is over, the BR are supposed to separate themselves from the VRS. They are to no longer go into the synagogue and they are to no longer offer repentance to Israel. This is what Hebrews 6:4-6 was about. This separation is the first step the BR are to do as they break off from the VRS and actively oppose it. Up until this time, the BR are trying hard to keep from offending the unsaved while presenting Jesus as the Christ. They are told to exhibit meekness as they debate the issue of Jesus being the Christ. MM says you have some persecution during this time but it really gets ramped up once Daniel's 70th week starts. The believing remnant are told to do something (GH: separate themselves and don't go into the synagogues evangelizing anymore?) and the persecution ramps up. Then something else happens and the persecution ramps up again and it is that way all the way to the mid-point of the tribulation. If the believing remnant can remain faithful to the mid-point of the tribulation, NOT AN HAIR OF YOUR HEAD PERISH-Luke 21:18.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	5th CoP - 5th Installment - Daniel's 70th Week/Tribulation period/The Lord's Day of Wrath - 7 years (Daniel 9:27) - - MM says the more accurate of the terms is Daniel's 70th Week or the Day of the Lord's Wrath. On the earth is that Day of Wrath is taking place. Then the Kingdom is set up. In the Lord's Day of Wrath, when He gets ready to pour out all of these events that happen to bring them to pass. The things the OT prophets talked about are the things written in the Book of Revelation. - During Daniel's 70th Week (Tribulation) God is going to perform a number of judgments on the earth for the purpose of punishing His enemies. - All of those events are a product of His Wrath. He is not just Standing up there saying I am very unhappy with these people. - Things are happening as a result of that Wrath. - Word WRATH sums up everthing that God is going to do toward those who are CHILDEREN OF DIOBEDIENCE.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	- Passages (R 1:18, 2:5, 9:22, Col 3:6, 1 Th 1:10) don't talk about the hail stones that come down or the demon locusts that come out of the pit or any of the other things we know are going to happen in the tribulation. He doesn't need to singled out because all of them are a picture of His Wrath. - If we can understand God's Wrath this way why can't we understand His Love this way? That He has done some things that the 7 things in Romans 8:35 can't separate us from? Those things cannot separate you from what His Love has accomplished on your behalf to make you successful as a son. - The things that God does against the children of disobedience is called "the wrath of God." The actions God takes are described as "the wrath of God." Is it such a stretch to say that what Christ does for a son in order to make him successful would be called "the love of Christ?" Believing Remnant in the Day of Wrath: GH: the Tribulation; Daniel's 70th Week; Time of Jacob's Trouble - They will have the TRIBULATIONS of mental perplexities and confusion of the old sacrificial system and the fact that Christ has already made the one sacrifice for sins.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	- This will be followed by the mental DISTRESS and despair of being barred from their families and even their immediate household. - Then, they will experience PERSECUTION from those who they counted as "loved one" in addition to the rejection of the rest of the nation. - Lastly, they will be hunted down by the Antichrist who will seek to exterminate them. GH: PERIL - Fleeing from Jerusalem, they no longer have their jobs, no income and no home. - They are hiding out for their lives and every day they are completely dependent upon God for their next meal. GH: FAMINE - Without closets full of clothes or pantries full of groceries, they are in danger of being killed by the Antichrist every day. GH: NAKEDNESS 1260 days | 30 days | 10 days of Teshuvah Two pieces: 1. 42 months 2. 42 months: The real tribulation breaks out in the second half of these 7 years.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	Tribulation: - In the tribulation, there is a progression. - The Jewish remnant, the little flock, will start again. There's a period of time that they will try and persuade their friends and family that Jesus is the Christ. There's going to be a lot of pressure put on them to reject that and come back and be part of Israel. But they are suppsed to remain faithful and not do that. - At the 3.5 year mark when the Antichrist sets up the abomination of desolation, they're supposed to get out of Jerusalam because now they're going to become a specific target to be eliminated. Will come a point when the whole nation will come under the attack of the Antichrist but it's progressive. It starts out with those troublemakers that believe in Christ and then they'll reeive the false Christ, the anti-Christ. But then there's coming a time when he's going to turn on theme as a nation. The whole Jewish nation, saved or unsaved, will come under attack. Those Gentile nations will be used by Satan to orchestrate everything he wants to do against Israel.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	The Little Flock Re-establishment: The little flock will get re-established because when you come out of this DOGG, everybody that is saved/Body of Christ is gone in the Blessed Hope. When the little flock gets re-established, there is a Sonship education for them. GH: Proverbs are the exhortations - guided by Hebrews-Revelation. The reason they can be educated to be the kind of first fruits of His creatures because the promise to Israel was you're going to be treated this way but not until I put the New Covenant on you when you go into the Kingdom. They get the benefits of the New Covenant when they go through the Kingdom. It didn't happen for anyone else before, but the little flock, at the beginning of Daniel's 70th week, they are going to be given the benefits of the New Covenant when they receive Jesus as the Christ. If they didn't get that, how can they be educated as sons? No, they would still be under the law. God says I AM going to put on display what is waiting for everybody out in the Kingdom and you guys are going to be a sort of first fruits of My creatures. Peter writes about that. Peter writes that God is to put the benefits of the New Covenent on them, they are going to be educated as sons, and you're going to start to go through this. Somebody in the little flock needs to be come a MAN OF UNDERSTANDING/get to that level because there is coming a time in the Day of Wrath where there's some scriptures - they're going to have to be told what those scriptures mean. For them, a MAN OF UNDERSTANDING is an absolute essential. Big difference between what is going on with them there and what is going on with us in this DOGG in needing a MAN OF UNDERSTANDING. Not talking about the doctrinal differences. The difference is TIME.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	The clock is ticking on them. Think about someone who doesn't get saved till just before the abomination of desolation. They have 3.5 years left to get their Sonship. They are really under the gun. So they have to have a MAN OF UNDERSTANDING that comes along and says to them I've got to show you this so you'll know it because they are digging it out of the dirt on their own. Their process will be like (GH: as slow as) ours. At the mid-way point, the little flock is scattered. If there was a MAN OF UNDERSTANDING in Jerusalem, he is not in Jerusalem anymore. There are 7 major areas or assemblies that the little flock is going to get scattered out to that are going to be formed by the little flock. They got to have this MAN OF UNDERSTANDING because they won't have the understanding for that. The MAN OF UNDERSTANDING is going to short cut this for them. MM says there is a period of time between the rapture and the actual start of the 70th week and we have talked about how much time that could be. When that little flock gets established, somebody has to get on this early and become a MAN OF UNDERSTANDING. Has to go through the education, has to endure all the POE leading up to that, has to be a veteran that has been in the trenches that got this hands on, he can't get this second hand. Can't be operating out of what he thinks might be right or what he has heard, he's really got to know it. Experience goes along with knowledge. You have Moses and Elijah coming back. Have to ask how the little flock gets jumpstarted? What is the igniter for that? Because every saved person is now gone. It is possible that someone will get a hold of (GH: one of MM's videos or the like) and realize there's a Sonship education for me sitting right here in the Proverbs. MM mentions that if you miss the rapture, the gospel that will be preached is not the grace of God. They will be saying I wish MM talked more about my (Israel's) program, he is in that stupid DOGG. He didn't even go to the doctrine in Proverbs, just those lousy exhortations.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	Day of Wrath/Tribulation/Daniel's 70th Week: MM got to thinking about this. Those folks that refuse to take the mark of the beast, they're not going to be able to go into work like they normally did, continue to get a paycheck, and operate like that. On one hand, the good thing is, as they are holed up in a cave with a battery powered lantern, they are going to have plenty of time to work on their Sonship. There is information that is going to be given to them that will only be understood by this LEVEL 3 MAN OF UNDERSTANDING. They'll be the only ones on the whole planet that will be able to look at some portions of scripture and know what that's actually saying. These really are DARK SAYINGS and the remnant is going to have to have that doctrine. There will be SIMPLE SONS, YOUNG MEN, and WISE MEN in the tribulation. They can understand some Proverbs. But there are some Proverbs and DARK SAYINGS that you have to be a MAN OF UNDERSTANDING who has ATTAIN UNTO WISE COUNSELS in order to understand.

Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	Timeline: - Stops the sacrifices - Abomination of desolation - he sets up an image of the beast in the holy place - Commands everyone to worship the image of the beast - Gives everybody the mark, needed to buy and sell - he is tightening the screws that make everybody get in line - can't buy or sell without the mark - If you won't worship the beast, you are going to be put to death. Day of Wrath: - The remnant will be a kind of first fruits of His creatures and they are adopted and treated as sons. The Cross has taken place and God is setting forth a model for the apostate nation of what it is going to be like to be part of the believing remnant to hold out in the Kingdom. Open season for the SoC.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	**Course 5, Installment 5: 7 years (Daniel's 70th Week)** **- God is going to destroy apostate Israel.** **- (next) Avenge His Cause with Israel among the Gentiles.** **- MM says you know there are 2 parts to this: 1. the nation 2. the world at large** **- (next) Destroy Satan's Plan of Evil (the 5 'I WILLs' in Isaiah 14) - it's not enough to just put down His enemies, that plan is going to have to be dealt with** **- Set up His Kingdom on this earth.** **- Bring about THE END OF THE WORLD**. MM says Course 5, Installments 4 & 5 are what compose the climactic stage of Israel's program and God does deal with that final closing stage. The Lord will use the judgments of that day to dispel the DARKNESS of Satan's NIGHT. The terminology is not accidental. It is describing what God is doing in the world at that time.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5	When you get out in the day of wrath for the first time there will be a government on the earth, during the time of the Antichrist that does not exercise control and the whole thing is going to cave in on itself. That's part of what God is going to use to bring down the kingdom of the Antichrist. Those controls are no longer going to be doing what they do and it's going to be a bloodbath on this earth. Then the Lord is going to return to the earth while Satan's own minions have turned on him. The Lord will return and put them all down.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week	MM says some people don't like to use the word 'Tribulation' to describe this period because people all through time have experienced tribulations of one kind or another and they don't want anybody to get confused about that. But the 7-year tribulation is not about the things that are difficult for us today. That's actually a very specific event on the timeline. It's a week of years. It's a very specific time that begins with the signing of the covenant between the antichrist and the nation of Israel. GH: That starts the 7-year clock.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	MM says it is somewhat complex doctrine. Not about believers turning their back on the Lord or their faith. It's about unsaved Israel, rejecting once and for al the message. Won't be on the fence, will make a hard decision one way or another (GH: at the beginning of Daniel's 70th week). Jesus came into the world just as the O.T. prophets had prophesized. In Jesus' earthly ministry, during the 5th CoP, 4th installment, during the Days of the Messiah, He preached the gospel of the kingdom to Israel. But the nation rejected that preaching. Then, He died on the Cross to provide the Redeemer mandate of the Davidic covenant. After He ascended back to the Father, God granted Israel a one-year extension of mercy. In that year that followed, there were 3 miraculous testimonies that Jesus was the Christ and the rejected all three of those with increasing hostility. First time, the sort of slapped them on the wrist and said don't preach in this name anymore. The second time, they throw them in prison and God miraculously breaks them out. The third one is when Stephen is giving that testimony in front of those religious leaders and the stone/kill him. Then, their program gets interrupted. During this EoM, God is granting a time of repentance to Israel. This is recorded in Acts 1-7. After the EoM, there would be no further opportunity to be JUEL in Israel's program because this is what Jesus referred to as the unpardonable sin (GH: rejecting the ministry of the Holy Ghost during the EoM).
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	The blasphemy against the Holy Ghost is not somebody saying terrible things about the Holy Ghost. The blasphemy against the Son of Man is to reject Him like the nation did. The blasphemy against the Holy Ghost is when the Spirit came at the Day of Pentecost and empowered the disciples to preach that message of Jesus being the Christ, to reject that message of Jesus being the Christ, is to commit the sin of blasphemy against the Holy Ghost, which Jesus called the unpardonable sin and He says whoever does this, is not going to be forgiven in this world neither the world to come, which is a reference to the kingdom. After the EoM, there would be no more opportunities in the land of Israel to be JUEL now or in the world to come. Saul of Tarsus was one of the people to who went through the entire EoM and rejected Jesus Christ which means in Israel's program, he has committed the unpardonable sin and will not be forgiven. God can chose Paul to be saved under the gospel of Christ and preach the gospel to the Gentiles because the Israel program is on hold. Therefore, Saul of Tarsus can get saved on the Damascus Road, be the first member of the body of Christ, kick off the DOGG, become the apostle to the Gentiles to whom all the mystery of Christ was revealed.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	That doesn't violate anything in the prophetic program has been interrupted and it is no longer in force. What is in force now is the DOGG. So in this time, God is no longer granting repentance to Israel. But even if the DOGG was gone and we would slide over the timeline, they would have gone into the 7-year tribulation. He resumes His program with Israel, He will give them another EoM before the tribulation. No matter where you talk about it, the EoM is an opportunity for God to grant repentance to Israel. Need the second EoM because everybody who has been saved after the BLESSED HOPE-Titus 2:13 is either dead or gone. So you have to now jumpstart Israel's program. You have to begin now to preach the gospel of the kingdom and reform the believing remnant out here. This happens in a period of time before the start of the 7-year tribulation or the final installment. The believing remnant is going to get formed inside the land of Israel AND outside the land of Israel in the Gentile nations as well. The believing remnant are going to preach the gospel of the kingdom to the unsaved during this time. This is putting their faith in that Jesus of Nazareth was the prophesied Christ of Israel. They will experience opposition during this time but it is just doctrinal opposition.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	They are saying one thing and the religious leaders that don't believe that are going to be countering that with their own argument. So the only opposition they have is the opposition of debate. The real persecution doesn't kick in until the tribulation. When the 7-year tribulation begins, that's when the persecution begins to ramp up. They are going to preach repentance to Israel during this time until they see the marker. When they see the marker, this is what they are supposed to know, they are no longer going to preach and evangelize the unsaved in Israel. Just like at the end of the 1st EOM, if the DOGG hadn't happened, they would have continued in that lost condition into the rest of Israel's program. Whether they get saved during the tribulation will have already been determined before the tribulation starts. So the believing remnant will preach to the unsaved in Israel until they see the marker and when they see the marker they know they are no longer going to preach to them anymore and now they have to do something, they have to separate themselves from the VRS in Israel. MM says the VRS was actually nullifying the law. Once the program resumes, God is going to need to get the gospel of the kingdom going again and produce a believing remnant.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	And for ever how long the second EoM is, that's how long they have to believe the message. Because something is going to happen when they get to this marker, every single one of those up to this point that rejected this message is going to make a decision to believe the antichrist, as GOD WILL SEND THEM STRONG DELUSION, THAT THEY SHOULD BELEVE A LIE. THAT THEY ALL MIGHT BE DAMNED WHO BELIEVED NOT THE TRUTH.-2 Thessalonians 2:11-12. There is a time limit on this second EoM and when it is over, they are not going to get a second chance. At the beginning of the first half of the tribulation, the believing remnant are going to separate from something. And then something else is going to happen that ups the anti and the persecutions, and they are going to separate themselves in another way. See in Matthew 13 and the parables of the mystery of the kingdom. GH: These are two places where a portion of the believing remnant are going to drop out. Then the really ramped up persecution happens at the mid-point. Jesus said if you can hold out to here to the mid-point of the tribulation, if you can hold fast to your profession as your apostle and your high priest after the order of Melchizedek. If you can hold onto that, hold fast to that, Jesus says NOT A HAIR OF YOUR HEAD WILL PERISH-Luke 21:18. You will be supernaturally protected and provided for in the last half of Daniel's 70th week.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	So you have to get there. This first group of the believing remnant is going to say, look, we are supposed to stop witnessing to our friends & family and then you know you are supposed to stop, some members of the believing remnant are going to stay there and keep preaching. MM says he can see why they would want to do that. The other issue is some members of the believing remnant are not going to want to separate themselves in the way that they are supposed to. When they are first witnessing during the beginning of the second EoM, they are witnessing like Jesus did in His earthly ministry. MM points to the gospel account of Jesus going into the synagogue and He took & opened up the scroll of Isaiah and began to read and He stopped before He got to the part that was yet future and said THIS DAY IS THIS SCRIPTURE IS FULFILLED IN YOUR EARS-Luke 4:21. Today this is going to be fulfilled. He is using the synagogue as a platform to get His Message out to Israel. When Paul went his missionary journeys, the very first place he went at each stop is the synagogue, to give that message to Israel that God is no longer working His prophetic program but now He is dealing with Gentiles apart from the nation of Israel and he is in the synagogue reasoning with them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	The believing remnant are going to do the same thing at the beginning of the second EoM. The BLESSED HOPE-Titus 2:13 has happened and we are gone, God resumes the program, the 144,000 get sealed, they are going to preach the gospel, the believing remnant is going to get formed, and after they get formed, they are going to be preaching to the unsaved in Israel and talking to them about it but when they see the marker, not only are they supposed to stop that but they are supposed to make a separation now from Israel's VRS by no longer going into that synagogue. Now they are supposed to take the next step and they are no longer going in that synagogue anymore. There's another marker that takes place after that and there's something they are supposed to do in Hebrews 13:13. It says you are supposed to go without the camp, bearing His reproach. They are supposed to do something outside the city of Jerusalem in a particular place that has to do with the Lord Himself. By the time the 2nd EoM is over, the evangelistic efforts of the believing remnant are supposed to come to an end. All of this is the context to understand the falling away. The falling away has nothing to do with the DOGG.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	MM says there is a verse in Paul's epistles that says in the latter days that an apostacy takes place - IN THE LATTER TIMES SOME SHALL DEPART FROM THE FAITH, GIVING HEED TO SEDUCING SPIRITS, AND DOCTRINES OF DEVILS-1 Timothy 4:1. This is going to happen in the DOGG. But this is not what 2 Thessalonians 2 and Hebrews 6 are talking about. Second incorrect explanation is OK, this is in the prophetic program but it's the believing remnant that is not separating themself. But Hebrews 6 is talking TO the believing remnant but it is talking to them ABOUT the apostate element of Israel. It's talking to the believing remnant about the unsaved once the second EoM is over. It is addressing the members of the believing remnant that didn't stop their evangelistic efforts, they continued to try and preach the gospel. They did not separate themselves. They continued to go into the synagogues and try to do this evangelistic work. The falling away has to do with the final rejection of the nation of the gospel that is being presented to them by the believing remnant.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : The Falling Away	Once the second EoM is over, couple things are happening: 1. After the 2nd EoM, God is no longer offering repentance to Israel. 2. The believing remnant is suppose to cease their witness and separate themselves from Israel's VRS by no longer going into that synagogue. When God is opening back up repentance to Israel/2nd EoM, when the believing remnant is getting saved, the Bible doesn't record any of them falling away during this time. The first time it records people defect from the believing remnant is when they see the first marker that told them that was the end of the 2nd EoM. MM doesn't know the percentages but big portions of the believing remnant fall out at each marker. But if they remain faithful till the mid-point, they will be granted entrance into the kingdom with a great recompense of reward to be part of the Lord's royal house to reign with Him. MM says there are 3 steps of persecution just like in Acts 1-7 - slap on the wrist to serious to deadly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : First Half 'The Beginning of Sorrows'	During the first half, there is going to be an escalation of three levels of persecutions that start to take place when the week begins when the antichrist signs that 7-year treaty with Israel. Ramp up twice before the mid-point of the tribulation. This first half is where they are really under the gun and they need to hold out faithful. And if they do, there's going to be reward for them. The deliverance starts in the first half but it continues all the way through the second half. Not everyone will be delivered. Some will be martyred, some will face death. But if you get to the mid-point and remain faithful, not only do you get a promise of deliverance through the end but in the kingdom you will stand before the Son of Man with reward and you will reign with Him in the kingdom. All that is tied together in a package. All part of their salvation package. You can believe Jesus is the Christ but if you throw in the towel, there'll be no reward. During those 3.5 years, there will be three levels of escalation in the attacks against the BR, and they correspond to the three levels of attack by Satan's policy of evil (PoE). Jesus will describe these in the Parable of the Sower, in Matthew 13.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : First Half 'The Beginning of Sorrows'	As the BR now refuse to be associated with the VRS, and no longer participate in any part of it (you realize that in the very beginning of the Week, the temple has not yet been rebuilt and the sacrifices have not yet been resumed). In the beginning of the Week, apostate Israel, angry at the separation of the BR, harbor a growing hatred for them. This is no longer just a disagreement, now there is hostility but at this point, there is no physical persecution. This is phase 1 of the PoE, attack the message. The attacks have not yet turned into anything physical, which is what YE HAVE NOT RESISTED UNTO BLOOD-Hebrews 12:4 is talking about. As the first half of Daniel's 70th Week begins, the verbal oppositions will continue to increase. These verbal attacks against the BR escalate in hostility to include a real hatred for the BR, but at the beginning, the actual oppositions are not physical.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : Pre-Mid-Point	This phase means to silence the BR once and for all by putting them to death. At this point, Satan, through Israel's VRS, will enlist the help of apostate Israel to identify and find the BR. If the BR are caught, they will not be given a chance to recant, but they will be put to death. By the time the midpoint of the week arrives, there has already been a full-on extermination policy against the BR. But, if they make it to a certain time, in holding fast and being faithful, they will be counted worthy to "escape" all those things which shall yet come to pass. If they can hold fast their professions, if they observe and obey the markers, if they conduct themselves in accordance with doctrine, if they endure the doctrinal oppositions and the escalating persecutions with the right heart attitude, then the promise is that they will be so supernaturally protected that THERE SHALL NOT AN HAIR OF YOUR HEAD PERISH-Luke 21:18.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : 30 Days before the Mid-Point	According to Daniel 12:11-12, there's a middle month of 30 days, it's the last month of the first half of the tribulation. The sacrifices get taken away in that rebuilt template. Remember, they have been going back in and doing the sacrificial system again. They are all excited, it's their Messiah, the temples been rebuilt, and then the anti-christ is going to come in 30 days before the end of the first 3.5 years, at the 1,230 day mark, and he is going to stop or take away the sacrifices. During that 30 days, he begins to set up the image of the beast.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : Mid-Point	These things are happening at the mid-point: 1. THE ABOMINATION OF DESOLATION-Matthew 24:15, which is the image of the anti-christ, gets set up in the temple. The anti-christ goes in and sits down in the Holy Place and proclaims himself to be God. He erects an image of himself that everybody needs to come and worship the image of the beast. 2. Apostate Israel or the unsaved in Israel, at this point, there is now an execution order for them. See this double-edged sword. They thought this was their Messiah back in the first half of the week and now they're turning in their family members and friends and they're going to be executed back in the first half not knowing as soon as you get to the mid-point, we're going to turn the tables on them and Satan is going to wipe out unbelieving Israel as well. 3. He is going to break the covenant. 4. Take the mark or the number of his name.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : Mid-Point	5. He will divide the land for gain. It's no longer going to be the nation of Israel anymore. That's going to get divided up. MM says a whole lot of things are happening here at the mid-point. It is at the midpoint of the week that they are going to be given a 30-day period to worship the beast and his image or they will be put to death or sold into slavery. Now, this is unbelieving Israel we are talking about. The BR has already “fled to the mountains” in obedience to Matthew 24. MM later says these things begin to go into play during the 30-day window before the mid-point so there is an image and a mark and people are going to have to take it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 : Daniel's 70th Week : Second Half 'The Great Tribulation' or 'The time of the end'	
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Remnant told to flee into the mountains	There's something that happens in the midst of the weeks in which the remnant is told when you see this, you get out of the nation. Don't go back to get your clothes. When they get scattered out through the Gentile nations, they are supposed to put something on display out there as a LIGHT to the Gentiles. There is a day coming in the day of wrath when the Gentile nations are going to have to choose - are they going to follow the True & Living God that the remnant, who is living inside them has been telling them about OR are they going to reject the True & Living God and follow the world system that Satan has been laying down. Depending on which one they choose, they will either avoid or incur the judgments of the tribulation. And if the remnant who is living in their midst has been faithful to be the LIGHT unto the Gentiles, some nations, doesn't say who, but some nations will believe their testimony, they had seen their good works, and they will glorify God in the day of visitation. And if they do, that nation will avoid the wrath of God that will fall on the world. But if they don't, if they reject that, and he tells the remnant plain-out, when you're living in these nations, you're going to be viewed and talked about as EVIL DOERS. You are going to look like the evil ones and you're going to be branded that way and you better be able to endure this kind of criticism. What is riding on them being LIGHT is what happens to the whole nation they are living in in the day of wrath. God wants a nation to turn to Him as the True & Living God and the only way to do that is for the remnant to be faithful and function as LIGHT in the face of the oppostion of the adversary. If they do, then they have given the nation a chance.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Remnant told to flee into the mountains	Because if they go to a nation and nobody in the believing remnant functions as LIGHT, God is not going to overlook that. They are going right in with the wrath like everybody else. There is a lot riding on it and there's no less riding on us PUTting ON THE ARMOUR OF LIGHT-Romans 13:12. There are issues that are at stake here and we are not minor players. God's not looking at us and going hey, ya'll it's really important that you do this and then behind our back saying it isn't important if they do it or not, it's all going to get done anyway. This is the only way He has designed for it to get done and it is going to get done by some members of the body of Christ waking up enough to know this thing God has vested it's success in our being and acting and laboring like sone and it's those sons that are going to get it done, both in Israel's program out there and back here during the DOGG. No, we are not dealing with the tribulation, we are dealing with something else. But those issues are not less important. POINT: He wants them to GO ON UNTO PERFECTION-Hebrews 6:1. It's time to stop this (Wisdom & Justice) and move on. So when you get to the end of Hebrews there is a prayer that actually talks about that issue. At the end of Hebrews, he is going to talk about being made perfect in all the will of God.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Christ proclaimed the Lamb Slain from the foundation of the world / Loosening the Seals	Revelation 6? - Even before you take over in those places, there's something you are going to witness in the third heaven before you take over out there. Jesus Christ is going to be officially pronounced as the lamb slain from the foundation of the world, as the Lion of the Tribe of Judah. He is going to come and take the 7 sealed Book from the Hand of the Father who sits on the Throne and when He opens the Book, those elders are going to fall down before the Father and cast their crowns at the Father's feet and declare that worthy O Lord to receieve honor and glory and majesty and praise for thou wast and art and shall be and they're going to - MM says this is a monumental thing - when John was up there and he saw the Throne, he saw the 24 elders around the Throne, he saw the 4 beasts around the Throne, has saw the One on the Throne had a 7-sealed Book, and he wept because no one was worthy to take the Book from Him that say on the Throne and to loose the seals thereof. Then he says one of the elders said unto me weep not for the Lion of the Tribe of Judah have prevailed to take the Book and loose the seals. And he said and I look at behold, the lamb as it has been slain from the foundation of the world, took the Book from the Hand of the One who sat on the Throne. MM says you have to ask the question - why is John weeping? There was no one found worthy to do that and he is crying about that. MM believes will get to see the event when the Lamb gets to take that Book and when we see it, will do it with an understanding of what that means. MM says he doesn't know if we'll get to see Him loose the first seal. He doesn't know if He's going to put His Hand on the first seal and go 'aren't you all supposed to be working out there?' Thinks you willl remember sitting in that building in Monahans and getting your SE and talking this. Will look back and it will be glorious. Having this whole conversation because your JHI is connected to your suffering with Christ. Not to your avoidance of sufferings. Not connected to how many times you have been delivered, it's connected to how many times you have endured it. Because that is putting the power of your Father's Grace on display. So that is what you signed on for when you said ABBA FATHER-Romans 8:15.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Pre-Daniel's 70th Week	Where you have the things in Daniel 11 going on with the king of the North and the king of the South going back and forth in years of conflict back and forth. MM thinks it is about 30 years. And only at the end, that last king of the North is the little horn, that's the antichrist. He can't come on the scene immediately and the 70th week can't start till he comes on the scene.
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Mid-point of Daniel's 70th Week	Following the JSoC, at the midpoint of Daniel's 70th week, the war in the 2nd heaven will commence and the Lord Jesus, accompanied by Michael the archangel and the heavenly army, will begin sweeping across the universe to expel all of Satan's host and we members of the body of Christ will be installed in the positions of governmental authority up there. For now, Satan's host is still occupying those positions, but their ability to wield power over men on the earth is not what it was prior to the resurrection and ascension of the Lord Jesus. While their power is broken, their removal is yet future. This is the principle of "already, not yet."
Commentary	Timeline : Courses of Punishment : Fifth : Installment 5 Event : Great Earthquake	- At the end of the 7 seals there is a great earthquake that precedes the Second Advent of the Lord Jesus Christ. If those 7 seals don't get loosed, God is never going to produce this Day of Wrath that will culiminate in the Great and Terrible Day of the Lord Jesus is coming back to set up His Kindgom and overthrew God's enemies - that's why John weeping.
Commentary	Timeline : The Second Advent or The Great & Terrible Day of the Lord / Armageddon	Great and Terrible Day of the Lord/Armageddon/Second Advent?: Happens at the end of the Day of Wrath/70th week and before setting up His Kingdom. Timeline : Second Advent: - The Lord is coming back to - avenge His Cause with Israel. - destroy His enemies - judge the world in righteousness

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : The Second Advent or The Great & Terrible Day of the Lord / Armageddon Campaign SIIP	Lasts for 10 days. MM says these are 'the days of awe' on the Jewish calendar.
Commentary	Timeline : The Second Advent or The Great & Terrible Day of the Lord / Armageddon Campaign (GH: IPF verse)	* Is the pinnacle of Jesus' avenging His Cause with Israel. * It represents the final and total destruction of several things: - the Satanic plan of evil - Israel's vain religious system * He is going to put down His enemies * Set up His Kingdom * Give reward to His servants
Commentary	Timeline : The Last 5 Days	Armageddon is over, He won the battle. * He sends His angels to the four winds of heaven (Talking about everywhere the wind blows on the earth, that's where they are scattered to. He is going to send His angels everywhere out there and bring them back.) to gather His elect and bring them back. * THE JUDGMENT OF THE NATIONS-Matthew 25:31-46. Judging the nations based on how they treated the members of the believing remnant that were scattered among them - is how they are going to be judged as a nation as you get ready to go into the kingdom. * RESURRECTION OF THE DEAD: He is going to resurrect the dead to go into that kingdom. David is going to get resurrected, he will be king over Israel. The 12 apostles will be resurrected and they'll sit on 12 thrones judging the 12 tribes. And Jesus will be King of kings, He will be over all of that. * God is going to give them the New Covenant. The ones who lived pre-5th installment.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : The Last 5 Days	* The judgment of rewards for the kingdom - some 30-fold, some 60-fold, some 100-fold. * The marriage supper of the Lamb with the believing remnant. * The new Jerusalem (the residence of the Lord and everyone who is part of that immediate ruling counsel in His government) will descend from heaven. It's got to because Jesus said IN MINE FATHER'S HOUSE THERE ARE MANY MANSIONS-John 14:2. * Start of the kingdom
Commentary	Timeline : New Heaven and New Earth	Revelation 21:1-4 - The start of the kingdom is the time of the new heaven and the new earth; both talked about in God's program with Israel. The new heaven and new earth come at the start of the kingdom, not at the end. Right before setting up His Kingdom you get the new heaven and the new earth. Then, the BONDAGE OF CORRUPTION doesn't apply any longer. Question: New Heavens and New Earth BEFORE of AFTER the Kingdom? Answer: Revelation, which is a chronology, suggests after. Isaiah, suggests before.
Commentary	Timeline : Avenger	During the Day of Wrath or the Second Advent?
Commentary	Timeline : Millennial Kingdom	When the Lord sets up His Kingdom. Right before the start of the Kingdom, God is going to do some thing to remove that BONDAGE OF CORRUPTION and then two thing are going to happen: 1. SOPT are going to be done away with completely, never to return. 2. SoC are going to be done away with, the complete plan & policy of evil is going to be completely destroyed. Process of starting His Kingdom: 1. There's a resurrection - David and those guys are going to come back and go into the Kingdom 2. The New Covenant- God will forgive the sins and remember their iniquities no more 3. Israel will be made the head of all nations. 4. The desert is going to bloom as a rose. The whole land is changing - will look like the garden of Eden over there. NOT happening over their now - have a drip irrigation system that produces great produce. Today, Israel looks like Imperial for miles.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Millennial Kingdom	5. There will be a highway built so Gentiles can come into Jerusalem and see the King of Kings. When they submit to Him as King and Israel as the head of all nations, the Jews will turn around and make prayers to go that say bless these Gentiles as You have blessed us. 6. The Father is going to respond to that prayer and then in turn the other land areas are going to begin to look and function like Israel. It is through them this is all going to happen and God hasn't changed His Mind about that. In the Kingdom, Jesus will sit on the throne of David for 1,000 years. At the end of the 1,000 years, there is going to be one more battle fought at the end - called the last great battle. Satan will be loosed from the bottomless pit. Fire will come down from God out of heaven and devour them. GH: God's Kingdom TO DO List: - Take care of His enemies - Throw the adversary into the bottomless pit - Take care of the plan of evil (Isaiah 25:7a-COVERING)
Commentary	Timeline : Millennial Kingdom	- Take care of the policies of evil (Isaiah 25:7b-VAIL; Isaiah 27:1) - Undo the SOPT (Isaiah 65:16) - Do away with the BONDAGE OF CORRUPTION (Isaiah 65:16) - Wipe away all tears and the rebuke of His people (Isaiah 25:8) - Make a new heavens and new earth (Isaiah 65:17) - See the sufferings completely done away with Kingdom: When Jesus sets up His Kingdom, it is not going to be a demogracy or a constitutional republic, it's going to be a theocracy (God runs it all). It's going to be God making the rules and you are going to abide by those rules. He will rule that Kingdom with a rod of iron, means there is not going to be any tolerance for rebellion against that righteous government. MM says if you say/think I am not sure that's the best form of government, that comes from a thinking that did not come from your heavenly Father. That's a thinking defined by men. GH: That's ungodly thinking. It's defined by the adversary and put in the minds of men who very freely carry that on. MM is not saying living in a democracy or a republic is evil, but when you are faced with something different or way you have understood it to be, the reaction is well that can't be right. That's what your Father is trying to undo (GH: MM teaching on Romans 12:2).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Millennial Kingdom	Reconciling the world back to God is a process that happens during the Kingdom. Nations getting blessing will (GH: conditionally happen based on multiple offers) during the Kingdom. Israel will immediately be a a garden of Eden but for the blessing to flow out to the nations will be a process. People just think Kingdom on this earth out of Israel's program because that is the only thing talked about. No one knew about the mystery. Weren't told anything about the heavenly places. Kingdom is the totality of all things. Paul uses the phrase KINGDOM OF GOD 14x. When God establishes the Kingdom in that new earth, the part that is new is the land grant. He created the new earth, but the part that is immediately impacted is only the land of Israel. Everything spreads from there to the other nations as they understand that Israel is the head of all nations. They're a kingdom of priests and their only way to God is through them. As they submit themselves to that Kingdom, then those blessings that flow out from Israel into their lands and their lands take on those same things. Isaiah 11 (GH: lion and lamb lying down together) are the types of things that will happen in that Kingdom. David is going to be on a throne and king of Israel and Jesus is going to be on a Throne and King of Kings. David will be king of Israel and Jesus will be King of Kings. You might be a king but you are going to report to Him. There was one gift which was special to Israel in their future program (tongues) in the kingdom, and that was the gift that God gave to the Gentiles at the start of the DOGG.
Commentary	Timeline : Millennial Kingdom	MM believes the vail between the third heaven and earth will be removed and people on earth will be able to see some activity going on in the heavenly places. We are going to return righteousness to the heavenly places and we're going to deliver the creature from the bondage of corruption and all of those paths and ways through the heavenly places are going to be opened to all the messengers of God in the future. But that is a problem for now (taking Michael 21 days). In the Kingdom, death will give way to victory (life) by means of the resurrection. This is not yet the time when death is done away with, so this is a reference to those who have died, being raised from the dead at the start of the Kingdom. The “victory” is that which Christ Himself achieved over death. “Wiping away all tears” tells us that God will furnish a complete and perfect consolation to the broken-hearted. “And the rebuke of His people” means that God will take away all reproach, contempt and opposition to the Believing Remnant (BR) of Israel.”
Commentary	Timeline : Millennial Kingdom GH: GPPI verse	At the start of the kingdom: * God will repossess the *land* of Israel. * He is going to bring His *people* back into the land. * God will *destroy* Satan's plan of evil (take the blinders off so people can really hear that message) and the course that he charted for this world. The thing that he started back in Genesis 4 - 11. He structured a mechanism that Paul called the COTW-Ephesians 2:2. The COTW was so well put together that once it got going, it operated like a perpetual motion machine in that it carried on under its own power. There were a few times that Satan got in and pushes the gas and revs it up a little bit, depending on the things that were happening, like the days of the Messiah and some other things like that. But for the most part, this thing, once it got rolling, just continued to go under its own power and just keep going and feeding off of itself. It was a sham and counterfeit that much of the world would continue to invest their lives in. * God will lay out this great banquet and feast for the remnant that the angels have brought back into the land of Israel. (GH: Right sequence?)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Millennial Kingdom GH: GPPI verse	* God will *send* His people with that message. The word of the Lord goes out to the nations of the world. * Those that receive that message will *submit* themselves to the headship of Israel. * They will *come* to the mountain of the Lord's House and worship the Lord. * They will be part of an everlasting *kingdom* throughout eternity. MM says the 'send/submit/come' is the process by which Israel is used to reconcile the rest of the world back to God. They will return to the Lord and understand that You alone are Jehovah. We are going to worship You. And this is Your people, we will submit to that. Those that don't, in the Millennium. are going to be purged out.
Commentary	Timeline : Millennial Kingdom - Heavenly Places Activity	When we get put into the heavenly places, it doesn't mean that all the things that Satan has erected up there have magically gone away. God doesn't wave His magic wand and all of that gets fixed. You are going to have to get involved in that. In the Kingdom, there is a ladder ascending and descending and the communication that's going to be going to go on between heaven and earth is going to be centered at Jerusalem. There's a part in the heavenly places where the defection did not take place. Michael is a prince/principality and he did not submit to the adversary, he remained true. His particular location in the heavenly places corresponded to a particular geographic location on the earth, the nation of Israel. When Michael was coming to give the message to Daniel he talked about being held up 21 days in the heavenly places by the prince of Persia. 12 of the 24 places have a connection to geographical places on the earth. MM's understanding is there are 12 other places in the heavenly places that are connected out in the heavens. MM thinks there is one place that is intact and will be made new immediately and from there everything spreads out from there. MM sees the ladder making the connection to the section that Michael currently controls. Makes sense since he is Israel's prince.
Commentary	Timeline : Millennial Kingdom - Israel's FULNESS	When all of Israel's promises and all of Israel's covenants come to pass.
Commentary	Timeline : Millennial Kingdom SIIP	We know not everybody's perfect in the Millennial Kingdom because at the end of the kingdom, Satan is loosed from the bottom of the pit, he deceives the nations, they encompass Jerusalem, and fire comes down from heaven and devours them. Then, it is all purged.
Commentary	Timeline : Reconciliation of the Heaven and the Earth	After the 1,000 year kingdom. Earth represents Father/soul and Spirit/spirit and the Son is the Head of the body out in the Creature. God could have just made the earth. But He put it in the midst of a body that He called the heavens which is in the firmament. The Father is going to establish His Kingdom on the earth and that is going to go out to all of the rest of creation. You have 2 separate entities running that. You have Israel on the earth and you have the body of Christ out in the Creature.

Commentary	Timeline : GH: The Plan	**Deliver the CREATURE in the TIMES OF THE RESTITUTION OF ALL THINGS** **Heaven and earth are brought together as one in the DISPENSATION OF THE FULNES OF TIMES** **Labor with Him out into eternity in the AGES TO COME**
Commentary	Timeline : Times of the Restitution of All Things	THE TIMES OF RESTITUTION OF ALL THINGS: Why does God set up His Throne, do all these great things, and then still have an interuption/another rebellion at the end and a last great battle and a great white throne? Why not end it all here? Two major reasons for that: 1. Just because the Antichrist gets thrown into hell and Satan into the bottomless pit doesn't mean the end of everything that is rebellious on this earth. The Millenium is going to weed them out. 2. Some things have to be restored and this is the time period in which that's going to happen - THE TIMES OF RESTITUTION of all things. For Israel, there will be some things restored down here on earth. Will dismantle the COURSE OF THIS WORLD and the POLICY OF EVIL. For us, we will be restoring some things in the heavenly places. Will dismantle the POE. Will show where - didn't get revealed until after the Flood. Will be able to look at the sky and say I am going to go there and blow that up. In the times of the restitution of all things, in the heavenly places, you will be conducting business and having an impact on this earth - the hail stones, etc. When the times of the restitution of all things has finished, you have that last great battle, that purging battle. Deliver the CREATURE in the TIMES OF THE RESTITUTION OF ALL THINGS
Commentary	Timeline : The Last Great Battle	Revelation 20:9 - What God is doing is there is one final purging thing that has to done at the end of this kingdom before this thinkg starts to go out in eternity.
Commentary	Timeline : Great White Throne Judgment	Revelation 20:11-15
Commentary	Timeline : Death is destroyed-1 Corinthians 15:26	Will happen after the millenial reign, the last great battle, and the GWT.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	Heaven and earth are brought together as one in the DISPENSATION OF THE FULNES OF TIMES-Ephesians 1:10. Dispensation of the fulness of times: near the end of the 1,000 years. After the kingdom and the Great White Throne. Everything brought under subjection to Jesus Christ and turn over to the Father. When the “things in heaven” and the “things in earth” will be brought together “into one” under Jesus Christ where the entire creation can fully and properly function. Finally, at that time, the heaven and the earth will be able to respond to each other. They cannot do so now because God has put some things in place to keep that from happening. Partly because of what man would do, if that barrier between heaven and earth was not in place and partly because of what Satan would do if that barrier was not in place. When everthing has gotten restored (restitution of all things), God is going to do what Ephesians 1:10 says - He is going to take everything in heaven and everything in earth and combine it into one. Notice that TIMES is plural - made up of mulitple ages. The dispensation of the fullness of times is going to be (just as any dispensation) a program put into effect to achieve a particular purpose or purposes. It’s going to be composed of multiple ages. Does not run forever but it's going to be a process because some things have to happen before that can get done and then in doing that, it is going to take some time to do it.
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	If the earth is the SOUL and the SPIRIT and the rest of the earth and the heavens are the body of Christ, can you imagine how your body would function if it was cut loose from your soul and spirit? Not until the “dispensation of the fullness of times” will the work be completed that allows the creature to finally function the way it was intended, created and designed to function. It will not be until both programs (Israel and Mystery) are brought together into one under Jesus Christ that the creature, in all its parts (heaven and earth/ body, soul and spirit), will be that living, moving creature it was created to be. Only then will all of creation function so much as a single organism that it can be called “the creature.” (GH: After Israel reconciles the earth back to Him and we reconcile the heavenly places back to Him) When all the enemies are destroyed, Jesus will deliver up the Kingdom to the Father. He will then go to the heavenly places to rule with us (Ephesians). During the Kingdom/Restitution of all things, Jesus is reigning on the earth. But at the end of that, He'll deliver up the Kingdom to the Father, He'll ascend into the heavenly places and we will be seated with Him in the heavenly places in the dispensation of the fulness of times.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	Your Heavenly Father is going to sit down in the dispensation of the fullness of times with those who are fully educated sons, men of understanding and look at them and say how do you think this ought to go and you will be able to respond to Him we ought to do this and He will say that's exactly what I was thinking. Reason there's not a lot written on it is that God is waiting for you to get there to have it decided. He will put it in the hands of sons who will truly be able to labor with Him. Would be like a father so entrusting his ons with his knowledge of the business to say where do you think our business needs to go next? That's what He is holding out for you. We won't be advising on the DOGG because this has already been written about. It is already in His Word and settled. We are going to be making decisions that have not been written about. The reason He doesn't tell us more is because the people that would be making those decisions haven't made those decisions yet. He is reserving those for when we get out there. You are going to be able to write how eternity goes, going to be deciding that. MM says that is great stuff. MM says need to get up to the heavenly places and see all that before we would be saying about anything. In the curriculum, He is not going to tell you everything that you are going to see. MM knows that in the beginning that's what you are looking for.
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	Remember, he is equipping you with these decision making skills, subtilty, knowledge & discretion so when you get up there, you look around and say, you know what, I know what to do with this and where to go from here. When you get past the dispensation of the fulness of times and into that ages to come, what you are going to find out that's where you are going to work. That means all the prep work has been done, the demolition has been done, all the connections have been done, and now we are going to go to work in a fully functional creature. In the DISPENSATION OF THE FULNESS OF TIMES, He is going to take everything in Heaven and everything that's in earth and going to gather them together. You are going to be doing that. This is all for the purpose of restoring total functional life to the creature. After great white throne judgment, you have the dispensation of the fulness of times. We don't know much about it because that is the period of time that which your Heavenly Father is going to turn to his fully educated sons and daughters and say - how do you think this ought to go? At the beginning of the dispensation of the fullness of times, the Lord Jesus Himself, will subject Himself unto His Father, that God may be all in all. At that time, God will take the heavens and the earth, and join them together, and we’re going to enter into a further relationship with our Father In the DoFT, He is going to take the things in heaven and the things in earth and bring them together into one under Jesus Christ, to be MOST HIGH, to be the Possessor of heaven and earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	In the dispensation of the fulness of times, it is almost as though you are going to trade in your Sonship relationship for something more intimate, so intimate with your Father that Sonship won't cover it. At the beginning of the dispensation of the fullness of times, the Lord Jesus Himself, will subject Himself unto His Father, that God may be all in all. At that time, God will take the heavens and the earth, and join them together, and we're going to enter into a further relationship with our Father. DoFT: When the Lord Jesus will physically remove all the fallen angels from their positions in the heavenly places. As soon as they are pushed out of the heavenly places, members of the body of Christ will get installed and God is going to return righteousness to the creature. They can't reverse this. There is nothing they can do that will cause them to regain that once that got done. It's just a forgone conclusion. The only thing that lacks is their removal. In the meantime, they are doing as much damage as they can do. But it is kind of permissive. They don't have the power they once had.
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	THE DISPENSATION OF THE FULNESS OF TIMES: There are debates about it because people can't define it. Until you know when it is, you can't really say when it is happening. Interpretations on when it happens: 1. the millennial kingdom 2. a special age that follows after the kingdom 3. referring to this present dispensation of Gentile grace - happening right now. Can't know when it happens until you understand what it is. MM loves timelines but he has never seen a timeline where someone put THE DISPENSATION OF THE FULNESS OF TIMES on it. MM thinks this is referring to: - a time when there is a new earth and a new heavens - a time following the completion of Israel's program - a time after the judgment seat of Christ and the placement of the members of the body of Christ in their positions in the heavenly places
Commentary	Timeline : DoFT (Dispensation of the Fulness of Times)	- a time after the last great battle and the great white throne judgment - a time after Christ has delivered up the kingdom to His Father and has put down all rule and authority and power (1 Corinthians 15:24). GH: The earth part of THE MYSTERY OF THE FATHER, bringing everything under the dominion of Jesus Christ and exalting Him on the earth as King of Kings and Lord of Lords. - a time when He has assumed His position as the head of the body in the heavenly places. GH: He qualified to do this when HE ASCENDED UP ON HIGH-Ephesians 4:8. He said ALL POWER IS GIVEN UNTO ME IN HEAVEN AND IN EARTH-Matthew 28:18. But He hadn't brought this to pass yet. GH: Happens before the earth. - a time when God will gather together into one kingdom the two realms of believers in heaven and in earth. Everyone in that kingdom are "in Christ" but the earthly believers are not in the body of Christ. Then, the Redeemer will rule the kingdom of God (GH: See v10). God will accomplish MYSTERY OF HIS WILL during THE DISPENSATION OF THE FULNESS OF TIMES. GH: The work to reconcile the heavenly places and the work to reconcile the earth. God takes both programs, things on earth and things in heaven, and He pulls them together into one for an eternal kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : Ages to Come	Labor with Him out into eternity in the AGES TO COME. Will involve the proper functioning of the entire heavens and earth. We finally put it all together and now we can start the business in the AGES TO COME and you are going to be involved in your Father's Business. We're going to be conducting that original plan that God had in mind when He created this thing in the first place. Bible doesn't give us a whole lot of detail. Mark Newbolt: The reason why God doesn't give a lot of specifics around the things that will be happening in the AGES TO COME is because we are going to be taking part in how all that unfolds so rather than telling us and skewing our thinking toward that, God wants that to happen very naturally in the heavenly places as we continue to learn and experience each successive age. Because that hasn't happened yet, God has decided not to write so much about that. MM says that is logical and fits in what we are going to be doing and what God expects from us and the way our education will continue. To be clear, this is a deduction, not an outright statement of the scripture.
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	TIME PAST-Ephesians 2:2: The period of God's program with Israel prior to the DOGG. - Creation account: the beginning - At that time there was no nation of Israel but only the intention of God's kingdom being established on the earth. - IP - Genesis 12 - Malachi: God's program with Israel as it began with the Abrahamic Covenant and continued through to the fifth cycle of punishment brought in under the Babylonian Captivity. Represent God's dealings with the nation of Israel. We see: * the law given at Mt. Sinai * Israel's history given unto them * the things predicted by Abraham and Moses
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	- IP - The gospels, Matthew, Mark, Luke and John: Also pertain to God's program with Israel as her Messiah is on the earth functioning as Israel's Redeemer in accordance with the Davidic Covenant. Still part of the Israel program. When Jesus shows up, He is the MINISTER OF THE CIRCUMCISION-Romans 15:8. That's the Jewish people. Can see whenever Gentiles come to be under Jesus' ministry He is reluctant to do that (2 exceptions) because He understands who He is there for. You can talk about the servant of the Roman centurion who was healed. All of these Gentiles submitted themselves without reservation to the headship of the nation of Israel and then the Lor dealt with these couple of Gentiles as a picture of the way things would be out in the Millennial kingdom. The Gentile nations will submit themselves to the headship of Israel and they will be a kingdom of priests and will rule over the nations of the world. When those Gentiles in the days of the Messiah showed that understanding and that submission, then the Lord did those miraculous things on their behalf and was thereby able to show everyone a figure or a picture of the way they would be dealt with in the coming Millennium. Aligns with Jesus and the 12 preaching the kingdom is at hand so giving them a picture of things to come would not be a stretch at all. The Gospels give us further information about God's program with Israel as her Messiah has come to the earth to die on the Cross and function in accordance with the first mandate of the Davidic covenant as Israel's Redeemer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	- IP - Acts 1-8: Describes the time of “forbearance and mercy” given to Israel following the death of Jesus on the Cross. This is also part of God’s program with Israel and was prophesied in the OT. AKA Extension of Mercy. There are lots of clues that tell you that God is still dealing with Israel. God was not finished at the Cross, which was a prophesized, necessary event. MM tying to the sign of the prophet Jonah - 3 days and 3 nights in the whale's belly, so the Son of Man 3 days and 3 nights in the heart of the earth - the sign of His Resurrection. If you stop Israel's program at the Cross and say now He is coming in and dealing with us then you have not given the nation any opportunity to respond to the sign because the sign isn't done until the 3 days and 3 nights are served. So God is giving an extension to Israel to change their mind about who Jesus Christ really was - that would be their Messiah. See in these chapters that starts with the day of Pentecost and the coming of the Holy Spirit, which was prophesied back in the Book of Joel for Israel as a sign of the last days. Last event in Acts 7 is the stoning of Stephen. Peter says THIS SAME JESUS, WHOM YE HAVE CRUCIFIED, GOD HATH MADE BOTH LORD AND CHRIST- Acts 2:36. Christ is Christos or anointed One.
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	He is saying this Jesus that you crucified that was your Messiah that God sent to you. Instead of repenting, they stoned Stephen. At that point, God then makes a break. Israel has been faced with the Days of the Messiah, He has functioned as Redeemer on the Cross. They've been given an extension of mercy to change their mind about who Jesus Christ was. They rejected all of these things that were presented to them in Acts 1-8. At that point, God moves in a different direction and He saves Saul of Tarsus on the Damascus Road and when He does, He calls him to be a special apostle and He delivers to him the mystery of Christ and the doctrines that go along with it. BUT NOW-Ephesians 2:13: Paul points out the great dispensational change by referring to the present age of by this phrase. This represents a change, something different. - MP - Romans - Philemon: Is the interruption of God’s program with Israel in which God ushers in a dispensation of grace to Gentiles, putting them on the same level as the Jew. During this time, in accordance with the dispensational change, God calls a new apostle (Paul) to be the apostle to the Gentiles and through him the mystery of Christ and its attendant doctrines are revealed that are to and about the body of Christ in this dispensation. This age will conclude at the Blessed Hope (Rapture). Was an unforeseen, prophesied and secret program that God had in His mind from the foundation of the world.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	None of the OT prophets knew anything about it. God did not reveal this program even to the angels. God kept this a secret that He "hid in himself" for a specific reason in the outworking of His plan. If a Jew comes to Christ, it has nothing to do with the fact he's a Jew. Same with Gentiles. They are on equal footing. Dispensation of grace, not the dispensation of the law. They are mutually exclusive, can't mix the two. Can't have law in effect and call it grace. Can't operate by grace and think that you must adhere to the law. Paul is crystal clear about this issue. Have to know these Books and the doctrines in them if you are not going to be overtaken by Satan and his POE. Have to understand Paul being called to be a special apostle. He is not using the 12, those were the apostles of the circumcision. They were here in the times of the Gentiles. * They were preaching the gospel of the kingdom. Paul is preaching the gospel of the grace of God. * They were adhering to the law. Paul is talking about grace and the liberty that is in Christ. * They were making sure that they followed all f the covenant that was given to them at Mt Sinai. Paul was talking about the benefits that are ours in Christ.
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	Why does God have different programs? * Because through Israel God means to accomplish His original purpose when He created the earth and it is through the nation of Israel that He has declared that He will reconcile the earth back to Himself. * It is through the mystery and the reason it is a mystery and hidden is because God did not want the adversary Satan to know what the Plan was. We (GH: the body of Christ) will be used to reconcile, not the earth, but the heavenly places back to God. Those principalities and powers that rebelled and joined Satan in his government against God are going to be replaced. That's the purpose of our glorified bodies so that we'll be able to live and function in the heavenly places, because this body won't survive out there. We are a different people with a different program with a different gospel with different promises to fulfill a different purpose. MM says the sooner you get this through your head, the sooner that you will get your Bible straight. We never want to confuse these two programs as being one or take elements from one and bleed it over into another.
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	Doing this is falling prey to the strategy of evil against us because one of the primary objectives that Satan has in this day is to get Christians to import elements of the Israel program in and demonstrate their lack of understanding of the age in which they live. God paused the IP at the Cross because Satan did not know about the Provision that had been made in the Death of Jesus on the Cross to redeem men by grace in this MP. Satan did not know that we were going to be used to reconcile the heavenly places. That is something he thought that he had a lock on since every principality or prince that held a position in the heavenly places rebelled against Lucifer except one. Satan pretty much believed he had a lock on the heavenly places because men can't function out there. He never saw this coming. Why Paul calls it the mystery. The fact that God was going to make the body of Christ a ONE NEW MAN-Ephesians 2:15. All of this was hidden from the foundation of the world. This is something no one knew about, no one understood. See the phrasing for this over and over because if Satan had known, he would not have crucified the Lord of Glory. He didn't do it directly but was moving behind the scenes to get men to do it. MM going through Ephesians 2 to show the great contrast between TIME PAST and BUT NOW. Romans - Philemon are the BUT NOW epistles that belong to us and this is where we find our doctrine.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	We have a program and a purpose and an apostle. And we have books that are giving us doctrine just as Israel has a program and a purpose and apostles that are given to them. We would be wise to understand that's part of rightly dividing the word of Truth. When you put these principles to work, so much of your Bible begins to fall into place and to make sense. If we obey the doctrine in Romans - Philemon then we will please the Lord. But we will not please the Lord by going back into the O.T. and obeying the things that are there. They are written to a different people for a different purpose and you will never be able to accomplish that purpose no matter how obedient you are. It doesn't matter if your obedience would surpass that of Israel, you will never be able to please God doing that because He wants you to accomplish something different. And so even though the program to Israel is not ours today, we do learn things about God's character and we learn things about God' faithfulness and those things are to encourage our hearts today. TO COME-Ephesians 2:7: Following the completion of the mystery program, God will resume His program with Israel and Paul refers to this by this phrase.
Commentary	Timeline : GPPI (God's Plan and Purpose/Program with Israel)	- IP - Hebrews - Revelation: This continues and concludes the program with Israel. Cover the Day of the Lord and the Millennium put you right back into the Israel program. Where God resumes and finally culminates His program with the nation by establishing the kingdom of heaven on earth. Think about the title of the first Book, Hebrews. You are put on notice from the title of the Book that you're going to be back in the Israel program. Get into Hebrews 1, and he references 'the last days'. If you understand what those are, then you know you're right back in the program with Israel again and then God is going to bring it to a conclusion.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH : THEME	The Main Storyline (thread or the thing that connects all the dots) of the Bible The main storyline/grand theme (thread or the thing that connects all the dots) of the Bible, from Genesis to Revelation. The stories are all related. Why this is called the main storyline of the Bible. God is doing something. There's an adversary that opposes Him in that and this Book reveals that struggle, that back and forth conflict. Story is all about how God is going to use Israel to repossess the land and Satan's attempt to pollute and corrupt and defile them. From the beginning to the end. NOW, we just happen to be living somewhere in the middle of the story. The Kingdom is the main theme of your Bible. Not saying it is the most important thing, that would be Jesus Christ. More verses on the kingdom than the next 2 subjects put together. God created the earth so He may establish a people and a kingdom and a dwelling place for Himself so He could dwell in the midst of His people. What the whole creation event was about. This whole thing is about God repossessing the heavens and the earth back to Himself. For Israel, Satan is trying to defile them and corrupt them so that they will never become that great nation God promised them they would become under the Abramaic covenant. God has chosen two programs to repossess the heavens and the earth. - One, His program with Israel, is to repossess the earth. - One, His program with the Gentiles/Body of Christ with glorified bodies, to take back the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH : THEME	Why the O.T. is not about China or Europe or anything else? It's the history of Israel. Because that is the nation that God has vested the repossession of the earth in. People say, why doesn't/didn't the Bible talk about this or that? Because God doesn't care about this or that. In the end, He will get His fulness on the earth and in the heavenly places through His chosen people. And once again, God will be possessor of heaven and earth. All of this is just to get us back to square 1 where we can just start going. Recovering what got lost back there so we can actually start over and go where we were supposed to go in the first place. There's a whole thing out there ahead of us. The Books in your Bible are in the same sequence as the timeline. Why God means you to study the Books of the Bible in the same order that they are in. To get the groundwork that prepares you for the things that are coming.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: OF OLD	God is a pre-existent God. He is not created, doesn't come from anywhere, there wasn't ever a time there was no God. He was always there. In the time before man, God created the angels/angelic hosts. Lucifier, the anointed cherub that covereth the Throne of God, gets lifted up with pride & rebels against God before man ever came along. Lucifer, lifted up with pride, decides that he wants to be like the MOST HIGH (possessor of heaven and earth). Believes that these created beings would rather live in his kingdom than God's anyway. Angels are defecting. A third of them have defected. One-third of the angels and all but 1 of the 12 principalities join Lucifer and his rebellion. Because these principalities are in governmental positions in the heavenly places, Lucifer becomes the PRINCE OF THE POWER OF THE AIR (Ephesians 2:2) when the angels rebelled. God did something to stop the angelic defection. Hell created for the devil and his angels. That gets the angels off the ledge. Now there's a consequence, not just whose side do I want to be on? In the beginning God creates the heaven and the earth. He creates the heavenly realm and the angels and all of those spirit beings as well. God decided to have a Kingdom and to dwell in the midst of that Kingdom. That's the reason the heavens and the earth are here. When man sinned, God putting His residence at a particular spot on this earth was postponed.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Times Past/Genesis	Then God creates the heavens and the earth (Genesis 1:1). Then mankind is created. Does this because He means to establish a Kingdom. God is going to have fellowship with men. Satan has already got the heavens locked. What's next? The earth.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: The Fall	Adam made king of the earth. He is told to SUBDUE IT. Running SUBDUE through the Bible you find a military conquering every time. Adam & Eve were going to live in the Garden of Eden forever. Their gospel was don't eat of the tree of knowledge and good & evil. Wasn't believe in Jesus. God was going to have a kingdom and staff it with a bunch of sons. Then sin enters the picture. God told Adam not just dress the garden but guard the garden from the adversary. Going to have to watch. But he doesn't. Without His knowledge the adversary gets in in the form of a serpent and deceives Eve. Adam sinned in the garden. He became a sinner by nature. Because of that he was unrighteous. He was ungodly. He was the opposite of what he was created to be. MM believes the day after the very first Sabbath, before the Lord comes in the cool of the day (early morning), Satan was already working his plan. Eve broke the only rule. Once the Lord is here in the second Sabbath, game over. So Satan wants control of the heavens and the earth. Jokes Adam took it like a man and blames Eve and then Eve blamed the serpent. They eat from the tree, know good and evil, know what they have done, hide themselves. Now here we are in the midst of who is going to be the possessor of Heaven and earth. When man sins in the garden and Adam falls, Satan becomes the PRINCE OF THIS WORLD when Adam fell. After the fall of Adam in the garden, everything after that is the great conflict between God and Satan over who will utlimately be the possessor of heaven and earth. If you don't know there's a POE (Plan of Evil) in this world, if you don't know that Satan created a COURSE OF THIS WORLD-Ephesians 2:2 and he is pushing an agenda, then you don't see the connection. Satan has become the usurper, he has stolen for all practical purposes, usurped possession of the heavens and the earth although he does not own it. He has control over it and had managing ability over it. Because of this, he will move in a way to create a kingdom unto himself. Fall in the garden keeps something from happening on that second sabbath that would have established God's residence right here on earth. Don't see the word Sabbath in your Bible till the law was given. The law was given to teach Israel what the Sabbath was all about anyway. It was about God coming to reside among His people. It's not just about let's have a day and do some special stuff. It comemorated the very purpose for the creation of the earth. Missed the point.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: The Fall	Then, when Adam had children, that sin nature got handed dow to them, and they handed it down to their children. When we are born into this world, we inherited all of Adam's identity (GH: and the consequences of it). Satan comes to the earth and dethrones Adam. Now, Adam is going to die - he died spiritually that day and he is going to die physically. From that time on, the death toll is pretty much 1:1. Everything taking place in your Bible from the fall of the adversary is who is going to be the possessor of heaven and earth? From Adam's fall to to Abraham you have the Satanic plan of evil as it usurps possession of the earth. See the conflict unfolding. What God was going to do in establishing a Kingdom from the foundation of the world and the interruption of that process by Satan by usurping the possession of heaven and earth. Satan is moving very quickly and establishes something called the WAY OF CAIN-Jude 1:11. With the Fall, we have become estranged from God and now we are going to die. He fixes the Fall by the fulfillment of the first mandate of the Davidic covenant where Jesus dies on the Cross and performs the redemption.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: The Flood	Right after creation, you have: THE WAY OF CAIN (Jude 1:11) THE COURSE OF THIS WORLD (Ephesians 2:2) THE SONS OF GOD (Genesis 6) When men began to multiply on the face of the earth, the sons of God come in. Satan has this whole offensive plan going to corrupt man. Sons of God cohabit with the daughters of men and the product is a race of giants. Nephlim were half demonic and half human. He is polluting the human line so no Messiah can come. Jesus cannot come through a demonic line. A fallen human line, but not a demonic line. v9: PERFECT IN HIS GENERATIONS: By the time that Noah had sons and they married, they were the only ones whose generations had not been corrupted. The rest of the earth was part of this continuing ongoing demonic line.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: The Flood	People accuse God of killing innocent men and women in the Flood. They don't understand the Satanic plan of evil and how it was working in that day. They were demonic. God is saving humanity. God said this is getting awfully close so I AM going to have to destroy everything off the face of the earth. God intervenes with the flood. Everyone is wiped out except Noah's 8. Not because God is the angry God of the O.T., He is salvaging mankind. Evil is so great in the world at the time of the Flood that God wipes everything clean except for a few and starts over. Up till now, Satan has been on a break-neck pace, escalating evil in the world. So God does some things with the Flood to slow that process down. God is forced to destroy the world to preserve humanity. God counters with the Flood. Not just a story. This is God's response to Satan's plan to take control and possession of the earth in a permanent way. Up till now he is a usurper. He is trying to make it permanent. Satan said that was close - got them down to 8. Noahic Covenant: God said He won't ever destroy the earth with a flood again. Promised He wouldn't flood them out again. Satan says good, because I didn't promise I wouldn't pollute the blood line again.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Babel	Genesis 7-10: The population that comes from these 3 sons of Noah are spreading out and Satan is already working. After the Flood, they are supposed to spread out. What do they do? Gather at Babel and say let's build a tower that will reach up to heaven LEST WE BE SCATTERED ON THE FACE OF THIS EARTH. They rebelled against God and that's the group that gave over in Romans 1:25-32. Served the creature more than the Creator. There's 2 at work here. People still have pleasure in these things even though God hates them. It's a world that says to the creature, we like your kingdom better. We will live in your world. So God gives them up and gives them over (consigns them) to the adversary. Satan is creating his great nation here at Babel and God says we can't have that. He confuses their language and spreads the people which slows the spread of evil in the world. Doesn't mean that evil ground to a halt. Doesn't mean that people repented and got right. MAKE A NAME...we don't want to be scattered, we want one big pile of us right here in Shinar. Satan is establishing his nation and from that he will conquer the rest of the earth. Satan always has a man - raises up Nimrod. Satan says I am going to establish my great nation at the center of where this population is. Satan's great nation Babel establishes Satan's ways. God's great nation Israel will establish God' righteous rule in the earth. Exactly opposite of each other.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Babel	The tower was a religious thing going on to worship their father the devil. They are opposed to God, they hate God, they don't want God, they don't want God in their knowledge. Romans 1:20-32. God gave them up to vile affections and gave them over to a reprobate mind. Tower of Babel was trying to join the heavens and the earth in a particular way that would entrench Satan's hold on them. Where God co-signed the gentiles over to the adversary to do whatever he wanted to do with them. Gentiles were in the other side of the wall of separation and God wasn't working with us at all. You get to the Tower of Babel and the world of men does not want to retain God in their knowledge anymore/don't want to follow God/worship the creature (includes more than the heavenly places) more than the Creator. Consigned Babel over to the adversary. They were of no use to God. God gave them up to vile affections and gave them over to a reprobate mind (Romans 1:20-32- description of the bunch at Babel). God is going to come and look at it and say this isn't good. They are not binding together for righteousness but for evil. God's response is He confuses the languages and scatters the people. This doesn't stop evil but stops the rapid spread of it. People can't communicate like they could any longer. If you can't do that, what's the use of being together. Remember that's what God wanted anyway. Remember the command FILL THE EARTH.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Abraham	After the Flood, after the tower of Babel, we see God going on the offensive. The whole earth had corrupted itself again. God says there's a guy I know in Ur of the Chaldees and I AM bringing him out. He makes a covenant with Abraham says He will make of thy a great nation. He promises him a piece of property and to multiply his seed. Then God calls out Abram from a nation steeped in idolatry, Ur of the Chaldees, the very place that the Garden of Eden and Tower of Babel were located. (Non-MBI - PR) God is separating Abram from all of this, from a nation steeped in idolatry. Abrahamic covenant (Genesis 12:1-3; Genesis 15:18) - God's purpose with Abraham was to achieve His original purpose with the earth - to establish His Kingdom. He is going to do it through a nation. God asked Abram to take His word that He would make of him a great nation. Abram panicked and thought before I get too old, better have a kid. His wife gives him her handmaid and Ishmael comes along. Is that the way that God was working that? We all know it wasn't. What did God want Abram to do? Believe. What's that? It's that trust in God that God finds so valuable, calling those things which are not as though they were (Romans 4:17). God tells Abram to go make the gesture of possession by walking through the land. When a guy walked back and forth thru the land, that was a gesture of saying I am the owner/I am the possessor. Satan does this in Job 1. Get to Abram, you get the start of God's plan to repossess the earth to Himself. He calls out a guy, makes a covenant with him, raises up a people who are separate from the rest of the world - why they are God's people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Abraham	The seed of Abraham is the nation of Israel. They are not to be numbered with the other nations of the world. They are separate, distinct, and a nation of His own creation because Abraham and Sarah are too old to have kids. When God created this great nation from 2 people who were too old to have children, Paul says in Romans 1 that it's because He had consigned the nations over to the adversary at the tower of Babel and said they are yours, you can have them, you can use them however you want to. It doesn't matter because now. I AM going to bring out a people of my own creation. Abraham and Sarah are too old to have kids when they get the promise and 30 years later, they are really too old. The ones that come are God's people that are not going to be numbered with the nations of the world. They laugh at the promise because Abraham is old and its 30 more years before before it (Isaac) really comes to pass because now they are really too old. Both Abraham and Sarah are too old to have kids and God means for it to be that way because these are going to be a people of God's creation. Will be a chosen people, My people. Won't be numbered with the nations of the world. Going to be separate. Sarah laughs when the GH: 3 men? tell Abraham that he and Sarah will have a son. What's really laughable is that it is over 30 years before they have Isaac. Why wait till after they can have children? Because this is a miraculous birth to form a people of God's creation because He has already consigned the rest of the nations over to the adversary (Gn 11-Babel).
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Abraham	He has already given them up and over to a reprobate mind (Romans 1). With Abraham, God begins His program with Israel and says to I AM going to use you to accomplish my original purposes in creating this earth to begin Abraham's seed will become the head of all nations. Be part of a Kingdom (AGES TO COME) over all the other nations of the world. Thru Israel's fulness will come salvation and blessing for the Gentiles. Israel is the tool that God will use to repossess the earth back from the enemy. Twelve tribes become the nation of Israel and they are separate from all the other nations of the world, which are called Gentiles. He has Isaac, who then has Jacob, who has the 12 tribes (start of the Israel program). Now you have a program where you have a called out people. God says I AM going to put them in this land and reconcile the earth, the place where I mean to set up My Throne. I AM going to use these people to reconcile the earth back to Myself. That's the purpose of the nation. You have the 12 sons, and Joseph's brothers are jealous, and they ship him off into Egypt. Later there's a drought and they all come and he has risen to power. All of that is related because now, they are going to wind up in Egypt. As they are in Egypt, they start growing in number. The 70 go down into Egypt where Joseph is a big shot, second only to Pharoah. You have this nation, Israel, God's chosen people. It is through them that He has vested all that will be accomplished to repossess the earth back unto Himself. God always had a plan for Gentiles but Israel was the head and the rest were the tail. If you did not submit to that order, you would not make it into the Kingdom. Israel is who is expecting a Messiah and a Kingdom. Down there 430 years. By the time they come out of Egypt, they are millions.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Exodus	Pharoah that didn't know Joseph, Israel has grown in number, and there's a persecution called the IRON FURNACE-Deuteronomy 4:20. Wasn't just 'his daddy made him a shiny coat', it's all part of a plan. PHAROAH THAT KNEW NOT JOSEPH'S GOD: He was an import from Assyria. Has no knowledge or history whatsoever. Doesn't know about Jehovah God, Israel, Joseph, any of that. He is Satan's man imported to do something to this nation. He starts persecuting them...Moses is a terrible burier. They come to avoid the famine, grow in number in Egypt, and now they are a great nation. Satan says we can't have that. I'll ship in my guy. He has always got a guy. He doesn't know Joseph or care about Joseph's God. Begins to persecute them and require more of them, and kill them. Then God raises up Moses to be a deliverer for them. When he finally comes back, the plagues come. The plagues are not God saying, let Me show you something really neat - we'll turn water into blood, we'll make a bunch of flies. Those judgments were to provoke the adversary into a specific action. So when the Passover came and the first born died all throughout the land of Egypt, and Israel spoiled those Egyptians and exited with great substance, that Pharoah and the adversary that controlled him would be so enraged that they would follow them into the Red Sea. God means for them to do it. Not crossing the Red Sea at just any spot. Crossing at one of those major entrances into the bottomless pit. Bible said God congealed that across and they passed over on dry ground. When Pharoah and his army came, not only did the waters come, but the pit opened and the Bible talks about going down into hell. Satan's own man caught in Satan's own trap. Bible calls that GOD CAUGHT THE WISE MAN IN HIS OWN CRAFTINESS. That was Satan's proud boast - I am wiser than the Most High. Other side of that boast is there is no secret that you can hide from me. After they get through the plagues and God delivers them, He is planning now to take them to the land, adopt them as sons and daugthers, and utilize them not just to repossess the land but to establish a kingdom in that land that will reach out and possess the whole earth. Why God through Moses calls Israel His FIRSTBORN.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Exodus	*Integrate into the above* As they start growing in number, Satan has a plan. I am bringing in my man, the Assyrian Pharoah (what the scripture calls him). Says there was a Pharoah who knew not Joseph or the God of Joseph. God says you got your man, I've got my man. And we will find out the last man standing. Now begins this conflict. Moses comes in, throws down his rod. Pharoah's magicians come in, throw down their rods. They duplicate for a while and then someone finally figures out, we are turning water into blood - this is counter productive. Moses leads them out at a certain time and a certain place to perform something specific that won't be fulfilled until Calvary. He is provoking the enemy. Poking him in the chest. Go to Sinai and get the Law. Before going into the land, God tells Moses Israel's entire history, including the 5 cycles of judgment. God tells him exactly what the details of these cycles of judgment are. Not every jot and tittle of those judgments but they know that it is in there. Come into the land under Joshua.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Exodus	Satan's strategy was to have them carry the tabernacle of the false god out of Egypt so they would continue to carry it the whole time they are worshipping the tabernacle of God. Korah and company were the guys that led the worship of the false tabernacle. In Egypt, God gave them an education in those plagues about His Jehovahness and Who brought those plagues and Who spared Israel. God wanted to make them a great nation. He called his son out of Egypt. God was going to adopt them. The whole business was in play until at Mt. Sinai they foolishly elected to go into the law instead of saying YES God, deal with us by your Jehovahness and grace. They said NO to His Jehovahness and kicked their adoption 1,000s of years down the trail, and they put themselves in a position now where they are going to be under blessings and curses depending on how they are conducting themselves. God writes their history out for them (Leviticus 26; Deuteronomy 28) and it is not a pleasant one and they derail God's plan to adopt them when they went under the law. This is a push back and forth. God is saying I AM putting all my eggs in the Israel basket and Satan is saying good because I can corrupt that basket. I can get them in idolatry. God definitely meant to adopt Israel. When they foolishly got to Mt. Sinai and decided they would go under the law, they had not idea, but they were postponing their adoption for a very long time. After the Blessed Hope God is going to tell the believing remnant/little flock in the Day of Wrath about adoption and they are going to get educated in their Sonship. When they got to the Red Sea and saw Pharoah's army they whined 'oh, why did we let Moses brings us out?' Did they not watch what God did through those plagues? God opens up the Red Sea, they cross, Pharoah's army goes in and get killed. On the other side they whine 'we're thirsty'.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Exodus	You don't see any water around and God brings water from a rock, saying by My Power, by My Jehovahness, I CAN provide everything you need, trust Me to do it for you and I will give it to you as a free gift not based on you, based on My Faithfulness, My Plan, My Purpose. Got to a place the water was poisoned and couldn't drink it. Whining again. Cut down a tree, throw it in and the water is made sweet. The whole way, God is showing that you can't do it under your performance, you are going to have to let Me give it to you. You have to let Me do it and let Me do it for you freely. When they get to Sinai to receive the law, God does make them an offer. Said I will take them into the land. I will fight the battles for you. This will be the greatest blessing you have ever had. It's going to be great. By the time they get to Sinai, God already sees and knows they are not going to receive this by grace. The whole time they have whined and murmured and complained - acted like children. Get to Sinai and they don't want that. You are going to see the choice. God said look, I can do it or you can do it. They chose the latter. When they chose to do it on their own, God stops referring to them as sons and daughters and starts calling them children of God. At Sinai and the giving of the law, God's plan to repossess the earth has been put on hold because He can't utilize him to do that. They are at Sinai. And they enter into the law covenant. Sin empowered at the giving of the law. They wander in the wilderness 40 years. When they get ready to go into the land, God is now going to rehearse the law to them again before they go into the land. Gives the Palestinian covenant to Moses on Mt. Nebo before they enter the land. God basically says to Moses, there is no way these people will succeed in this and I know it. To make sure everything I need to have happen with them happen, I AM going to make a ovenant right here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Leviticus	Leviticus 26: - All of Israel's history is given in a nutshell. Divided into 5 cycles of judgment/courses of punishment (CoP). Called cycles because God had already known and shown Moses that Israel would fail to keep the law (IF/THEN proposition). Keep law, get blessings (first of the chapter). Break law, get curses. Curses come in 5 cycles/waves/parts/installments.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Judges (1st CoP)	When Joshua dies, everything starts falling apart. When it does and they rebel and they follow false gods and they don't do what the Lord commanded them to do, the first cycle of judgment begins to take effect on them and that is the 450 years under the judges.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Interlude of Mercy	In the end, they get a space to repent and God does something unbelievable right there. He gives them about a 100-year interlude of mercy under David and Solomon. Israel reaches a zenith which they never have reached before. God is giving them a foretaste of the Kingdom. The nations are looking at them and coming to them. They are coming to Solomon for widsom. People are looking at the riches of this nation and how this place is abundant from one end of the land to the other. God is showing them if you obey Me and keep My covenant, this is what I WILL do for you. This is what I mean for you to have in an eternal kingdom where you will always have this status. The people don't stay there very long and neither does Solomon, who follows his wives who follow other gods and they find themselves in the same condition they were at the end of the first cycle, worthy of the second cycle of judgment, Divided Kingdom/Ministry of Elijah. Interlude of Mercy: Israel peaks as God gives a taste of the Kingdom (no challengers) if they turn to Him. God brings in before the Second Cycle. God showing them this is what I meant it to be when I said you would be the head of all nations - foretaste of the Kingdom - didn't get motivatied; Kingdom expanded. Solomon carried away because of his wives, began to worship other gods, let the high places come along, nation begins to deteriorate. Solomon: corrupts himself, practices idolatry, the nation corrupts, and worthy of next Cycle

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Ministries of Elijah/Elisha (2nd CoP/3rd CoP)	Elijah comes along and they get a chance to repent and they don't and the 3rd cycle comes along, the ministry of Elisha. They have a space to repent and when they don't, they go into the next cycle of judgment, the evil kings of Israel and Judah.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Divided Kingdom (4th CoP)	Says I WILL TAKE YOU AWAY OUT OF YOUR LAND AND YOUR LAND WILL LIE DESOLATE YOU WILL GO AWAY WEEPING AND CRYING INTO OTHER COUNTRIES (Is 49:19?). Assyria carries the northern kingdom away and then Babylon carries the southern kingdom away. Jeremiah tells the northern kingdom that they had to straighten out and they hated that message. Then he said Babylon is going to take the southern kingdom and they hated that message. Religious leaders told the nation that they will never happen. Babylon will never come and overtake us. God was using these nations to judge the people because this is the people that He swore He would use to repossess the earth. Get introduced to Ahab, who is a bad guy. He is so bad he is the measuring stick for how evil everyone is who comes after him. Most evil guy in Israel's history until the Antichrist shows up, then he'll be second. If they blow it again, they get the 5th cycle, captivity out of the land. Assyria comes in and takes the northern kingdom captive. Years later, Babylon come and takes the southern kingdom captive and sacks Jerusalem. Now they are out there, scattered in the lands.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Daniel (5th CoP - installments given)	Daniel comes along and he is captive there in Babylon. He knew from reading Jeremiah that the time the land would lie desolate was 70 years. The Lord shows Daniel the last/5th cycle is divided into parts. This is just the first part. Daniel's prayer in Chapter 9 is who else and how long Lord? Who else is coming at us? First part of the 5th cycle (5-1) is that 70 year Babylonian captivity. Second part of the 5th cycle (5-2) is the rebuilding and 49 years under Medes and Persian rule. Third part of the 5th cycle (5-3) runs 3 score and 2 weeks (62 weeks or 434 years = 400 years of famine from hearing the Word of the Lord Forth part of the 5th cycke (5-4) runs 34 years [start of John the Baptist birth to the Cross]). Daniel told you when it ends - AFTER THREE SCORE AND TWO WEEKS SHOULD MESSIAH BE CUT OFF. Fifth part of the 5th cycle (5-5) is the one week left - Daniel's 70th week, the Tribulation. All this is God bringing to fruition what He said would come to pass, to bring Israel back to confession, repentence, and return to Him. Daniel gets carried away in Cycle 5-1 and God gives him 5 revelations. He found out this fifth cycle doesn't end with 70 years of captivity, but there are others that will come and have dominion over Israel as well. Daniel prays Lord, how many more are coming and how much longer are we going to be under this dominion? That's the prayer he had fasted for for 3 weeks that the angel got held up by bringing the answer.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Daniel (5th CoP - installments given)	Daniel finds out there's 5-2, 5-3, and then 5-4 out in the future and then he finds out how long 7 weeks, 3 score and 2 weeks, and 1 week. At the Babylon captivity, the only thing you know is God has written out Israel's history and future. Not a thing about the dispensation of grace. Daniel is carried away captive. Gets 5 revelations recorded in the Book of Daniel. In the 5 revelations, find the 5th cycle of judgment is not over with this 70 year Babylonian captivity. Others are coming after that and it is going to be longer than the 70 years. Daniel prays how long Lord, I need to know. An angel comes after 3 full weeks of fasting. Get the answer in Daniel 9. Learn in Daniel the 5th cycle is actually divided into 4 parts. The 70 Year captivity being the first of those 4 parts. Find out in the first part of Daniel 9 that's 70 weeks of years or 490 years, for God to accomplish certain things with Israel. After the 70 year Babylonian captivity. Medes-Persian rule for 49 years (Daniel 7 weeks prophecy fulfilled).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Intertestimental Period	Intertestimental period for 400 years (Daniel 3 score & 2 weeks - Part 1) When the Lord leaves out in Ezekiel 1, that starts the first part of the Fifth Cycle. The adversary can now come in to the land and do what he couldn't before. By the time they return from Babylon, the law had become encrusted by the elders and the traditions of men to the point they made the law of none effect. Not only that, but anyone that followed that was violating the Command of God. Babylonian Talmud: the additions that's made to the law. MM has an English version - 22 books all about 1.5 inches thick. Looks like a set of Encyclopedias. Over time, they added things to the law that encrusted the law that ended up nullifying the law. Jesus said BY YOUR TRADITIONS YOU HAVE MADE THE LAW OF GOD OF NONE EFFECT-Mark 7:13. During the 400 year silence, they developed an oral tradition, known as the Talmud. Put together in Babylon. Got rolling in Babylon. Teachers handed down to their students and students grew up to be teachers and handed it down to their students. This oral tradition got written down and became what is known today as the Babylonian Talmud (22 volumes - looks like an encyclopedia). Added to God's 623 commandments. Slowly and surely encumbering the law by adding to it. No longer the law of Moses. Isaiah said they encumbered the law with DROSS. Wrapped things around the law that kept them from seeing what the law was all about but it caused them to perform works contrary to what the law was trying to get them to do. Taught that the Talmud was the oral law and it was given to Moses at Mt. Sinai along with the law, making it on par with the law. That written tradition the same authority as the Torah. Way to legitimize something that never had that legitimacy before in their history. O.T. prophets prophecied of these days and this generation that was going to encumber the law in this way about what the Messiah would do when He showed up. It's the vanity of their religous system. They had emcumbered the law so much, by the time that Jesus shows up, He begins to strip away what Isaiah calls the DROSS, that was being added to it back in His day. By the time Jesus shows up, Wow.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels	John the Baptist and Jesus Ministries for 34 years (Daniel 3 score & 2 weeks - Part 2). John breaks that silence out there 6 months before Jesus starts His public ministry in the wilderness of Judea/baptizing in the Jordan/repent/Pharisees scoff/JtB calls them a generation of vipers. Generation during Jesus earthly ministry reached its apex in their rebellion against God. Big part was Israel's VRS (Vain Religious System) Jesus calls His disciples and then He commissions them. Because of that, He commissions them to go to Israel only and preach the kingdom of heaven is at hand. The Gentiles don't know about a promised Kingdom as part of the Davidic covenant. Matthew 10:5. By the time Jesus shows up, there are unclean spirits from one end of the land to the other. That's the armor of the strongman that needs to be stripped away. Before you can bind the strongman, that's what Jesus is doing in His earthly ministry. Why He and the 12 and the 70 have power against unclean spirits. By the time of Jesus, Satan has so defiled Immanuel's land that the whole land is defiled. Satan is building a hot bed of evil right at the place where God wants to put His residence. Jesus is stripping away the dross and the encumberances of the law so He can reveal the law for what it is. When Jesus comes in, He gives the 12 and the 70 power over unclean spirits. They came back rejoicing because of that. The two hallmark signs of the preaching of the Kingdom during the earthly ministry of Jesus were 1) the casting out of unclean spirits and 2) the healing of diseases. Jesus is cleansing the land because something else is about to take place. Unclean spirits ask Jesus not to cast them out of the land, because if He did and because He is there, they don't get to come back in.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels	The unclean spirits are everywhere. If one guy has a Legion, how many do you think are in the land? WHO CAN BIND A STRONG MAN EXCEPT FIRST HE SPOIL HIS HOUSE: Jesus is casting out the unclean spirits and loosening Satan's armor. Jesus deals with gentiles 2x in your Bible. Not all Gentiles, 2 specific ones. The only 2 Gentiles that Jesus dealt with in all 4 gospels both knew who He was, knew who Israel was, knew their place, and because that is the way it will be in the Kingdom and He is preaching the Kingdom to be at hand and doing the signs of the Kingdom (casting out spirits and healing the sick), He gives them their request to show Israel this is how it is going to be. Judicial blindness has been put on them so Jesus can pray on that Cross FATHER FORGIVE THEM FOR THEY KNOW NOT WHAT THEY DO. God did forgive them and gave Israel an extension of mercy to change their mind about Jesus being the Messiah which the prophets told about. R2I (Repentence to Israel) is offered to them. Have a year between the Cross and the interruption of the program to repent and change their mind about Jesus Christ.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels : The Cross	Satan is trying to kill Jesus when He was on the Cross as the 'sin bearer' because if he can kill Him as the sin bearer, He is not coming out. Thinking that He was going to get rid of Him by killing Him, Jesus on that Cross, being the substitute Redeemer taking on the sins of the world and you remember where sin abounded, when it had reached it's zenith, Christ employed the greatest weapon at God's disposal, grace. And grace did much more abound and I am so glad He waited until sin was at its absolute zenith. Wasn't like let's get sin before it gets started. Jesus, in the worst physical condition He could be in, suffered the wrath of God against sin on the Cross as a man and by the power of grace. The thing that God wants to put on display in you and me in the midst of our worst suffering modeled by our Lord, who crushes sin and death. Then, when the Apostle Paul comes along, can you imagine the first time Satan hears him say, 'God had a secret. When Jesus died on that Cross, He wasn't just being the Redeemer for Israel, but He was providing for a group called the Body of Christ and they are going to be outfitted to take over the heavenly places and that's a done deal. Can you imagine what he thought when he heard that because he had boasted he was so wise there was no secret God can hide from him. And Paul said, I've got a secret and when he told it Satan knows he has lost the heavenly places, the only thing now he can to is try and hang onto the earth and that's where it's all going to be directed. So he hates you because you are the reason for the secret. Jesus handled everything Satan threw at Him on the Cross. When He finished being the sin bearer, He gave up the ghost, descended into the lower parts of the earth, preached to the spirits in prison, rose the 3rd day. Taught His disciples for 40 days, ascended back to the Father, sent the Holy Spirit (the Promise of the Father), sat down at the Father's right hand. But when the wrath of God (My God, My God, why hast thou forsaken Me?) is finished, Jesus says 'It is finished' and gave up the Ghost.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels : The Cross	Jesus goes down and preaches to the spirits that are in prison. Something happened down there that was part A of something that doesn't complete itself until you get over in the Day of Wrath and the remnant find out why Satan hates them so bad and wants to implement the extermination policy against them. Something that God is doing with them is a follow-up to when Jesus descended into the lower parts of the earth and preached to the spirits in prision. When they look at that, they say Oh, no wonder! That's why Peter says don't think that some strange thing has happened to you for no reason. You are supposed to understand who you have been made to be and what role you are filling over here and when you do, you'll understand your connection to this thing back here (Jesus preaching to the spirits in prison) that made Satan furious. Once He resurrects from the dead, He is with them/teaching them for 40 days, He ascends back to the Father, tells them tarry in Jerusalem and receive the promise of the Father/baptized with the Holy Ghost not many days hence (turned out to be 10 days-50th days is Pentecost). Satan didn't realize what was happening on the Cross. Otherwise, he wouldn't have let them crucify the Lord of Glory. Satan trembles at the epistles of an adopted son or daughter and know what they are. There is doctrine that allows for us to put something on display that has not been seen until this age. That's what this sanctified life is all about. We have the privilege of showing them the power my Father can put in nothing, in a weak vessel. Every angel knows Lucifer doesn't have anything that can match that. One of the reasons he hates you so badly. You have the power to put something on display that he does not. He can't match it or compete with it. Can only sell a sorry counterfeit to the church at large and hope that will savve their conscience over and make them feel good about it. Even when Paul was put to death, he was producing fruit unto holiness.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels : The Cross	At the Cross, Jesus completely and totally dealt with your sin. God was satisfied with that work. Nothing you can add that will enhance the formula. What He did was not WITH you but IN SPITE of you. Your standing is the righteousness of God in Jesus Christ. It is NOT in the dispensation of the law and it must be by faith in grace. MM's Point: There's something very different about the age that you and I are living in than the age back here (the O.T.).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels : Post-Cross	They went back to fishing. If the 11 thought He was going to resurrect in 3 days, they would have been sitting at the tomb on the 3rd day. Thomas said I won't believe it until I can put my hands through His nail prints. They were preaching the gospel of the kingdom. Not preaching the gospel of the Kingdom today. The Kingdom is not at hand. They weren't preaching the death, burial, and resurrection, they didn't understand the death, burial and resurrection. When He died they thought it was over. People say there is only one gospel. MM says which Bible are you reading? God is not through with Israel, even after the Cross. There was promised a time, R2I (Repentence to Israel - term Peter used to describe that time), a 1-year extension of mercy that is recorded in Acts 1-Acts 8. Peter stands up on the Day of Pentecost. Peter does it then because it is one of the 3 Jewish feast days and the maximum number of Jews would be in Jerusalem. During R2I, they get 3 opportunities to repent/change their mind about Jesus being the Messiah. They don't. Third opportunity ends with the stoning of Stephen. This is the fall of Israel. There's a period of time after the fall of Israel into the Church Age that is called the diminishing of Israel (and the rise of the Gentiles - last 2/3 of Acts). They stone Stephen and Jesus stands up. Everybody thinks, here comes the last week. Instead of standing to usher in His Day of Wrath, instead He secretly returns to a guy named Saul on the Damascus road and saves him. Instead of standing to return for His Day of Wrath, He stood up to secretly return to Saul on the Damascus road and Saul got converted. It was hidden from the foundation of the world. It was a Mystery that God was about to usher in a dispensation of grace that no one saw coming. None of the prohets/disciples/angels knew about it. God kept it secret from the foundation of the world. If the adversary had known what Jesus was doing for Gentiles through the Cross, he would not have crucified the Lord of Glory.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Days of the Messiah / The Gospels : Post-Cross	He prodded him till the devil played that trump card. Hebrews says the devil has THE POWER OF DEATH-Hebrews 2:14. Instead of making His enemies had been made His footstool (Day of Wrath), He appears to Paul on the Damascus road, and all of a sudden, a whole different dispensation starts to unfold. Now we get the privilege of receiving eternal life as a free gift, apart from Israel, apart from the works of the Law. God had to keep this a secret from Satan because this is the crew that God will use to repossess the heavenly places. Whole reason you are going to get a glorified body because your unredeemed body won't function out there. But the one you are going to get will. Saul gets confronted with the resurrected Christ. All these Christians he has been persecuting, now he is one. Saul goes into Damascus, he gets his sight back, he is baptized, and immediately begins to teach from the O.T. scriptures that Jesus was their Christ - the Gospel of God. Then, Paul drops off the scene till Acts 13. Paul spends 3 years in Arabia. God is revealing something to Paul that no one knew about. Rise of the Gentiles takes place in the Book of Acts. Peter goes off the scene and Paul is the focus for the rest of the Book of Acts. Paul gets the commission to go to the Jew first. When he goes on his missionary journeys, the first stop is the synagogues to preach to those Jews. The Jews don't receive the message but the proselyte gentiles do. Scripture said the Jews were moved to envy.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: The Mystery	If it would have been known, they would not have crucified the Lord of Glory and God needed Satan to do that through the Jewish nation so that salvation could come ot the world. If Satan had known what the Lord was doing, he would have not incited them the crucify the Lord of Glory. Now the Cross is complete, R2I is given, God says, oh, by the way, I have this little secret that has been hidden from the foundation of the world. Not even the angels had a hint about this. When My Son died on the Cross, He wasn't just dying for the nation of Israel which was the only thing you knew from your prophets, He was also dying for a group I AM calling the church the Body of Christ. I AM going to not only equip them to function in this world now, as My ambassadors, but also out there in the heavenly places where they will be equipped with glorified bodies to take up their positions in the heavenlies in My Eternal Kingdom. Satan thought he had a lock on that part. On earth, the struggle is trying to keep Israel corrupted so they would never become the great nation. With all those principalities joining him, Satan never thought he would have any problems with the heavenly places. Guess what? God made replacements, gives us glorified bodies, and we kick them out. Why it was hidden, a mystery, a secret. God interupted this other program (Israel's). When the dispensation of grace is complete, bam! Daniel's 70th week. This is the significance of Stephen seeing Jesus standing. It was the marker for the fall of Israel. (Psalm 110:1; Hebrews 10:12). Jesus was seated while R2I was given. Important marker - end of R2I. Now expect Daniel's 70th week, but instead, Saul gets saved and the Lord reveals to him the Mystery.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Now	What is happening now is a battle to repossess the heaven and the earth back to God. God is on the defense here - there is Satanic attack after Satanic attack. Satan is working this world back to its pre-flood condition. The ungodliness of men. God had just slowed evil so it didn't get back to the pre-Flood condition so quickly (1,400 years vs. 5,000 years). At the end of the Church Age and we go out in the rapture, sin and ungodliness will get worse in the Day of Wrath. Most people don't understand there was a dispensational change and that you are living IN that dispensational change. Satan has been very successful in keeping it under wraps in spite of the fact that we are living IN it. Do you know how resisted this message is? It's a free country. You can believe anything you want. Satan has a policy of evil to keep people in the dark concerning everything that pertains to this age. If you conduct yourself like you are in the Israel program, he will leave you alone. When you start acting like you are in Christ and standing in grace and live your Christian life accordingly, now you have a problem. People begin to resist that message and they don't like that message. You are not Israel. You are not spiritual Israel. You are not a type of Israel. You are the body of Christ (anybody that gets saved in this age, Jew or Gentile). Paul never tells you to confess your sins. If we aren't confessing them, what do we do? MM says how about thank you? When you are praying according to your dispensation (you are living in), the answer is always YES. Means you are praying in the Will of God which means you are praying for God to do that for which He already said He will do. Therefore, when you ask, the answer is YES. We invented a thing that the Bible knows nothing about. This capriciousness we charge God with - well, it was His will, or it wasn't His will, or sometimes He does and sometimes He doesn't. Prayer has a completely different purpose in this age than it did in the O.T. Until you know what grace is about, it is hard to know what that difference is. We act like God is a dispensing machine. Here's what I need. Hand it over. Israel got temporal, material things that caused them to return to the Lord. Didn't change them spiritually one bit.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Tribulation	Israel's apostate nation is going to form an alliance (MM says marriage is a more accurate term) with the ungodliness of men. Ungodliness is boiling in the Gentiles. Satan combines them and Jude is warning the remnant, they are coming at you from both sides. Tribulation: The apostate nation will point at the sufferings of the remnant (contrast it with the supposed “blessings” of the nation) and identify their sufferings as the result of God’s displeasure with their adherence to Jesus as the Messiah. And that is going to have an effect on some of them. Do not allow the SoC to fool you into thinking that God is no longer dealing with you by the love of Christ.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Second Advent	2nd Advent/Armeggedon campaign: The world will be just as worthy of God's Wrath at Armeggedon as it was pre-Flood. The ungodliness of men will have reached a zenith just prior to the Advent of Jesus Christ.
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Millennial Kingdom	Sets up His 1,000 year Millenial Kingdom In the Kingdom, Israel will be the head of all nations and all salvation and blessing will come THRU Israel to the gentiles. Ministered by Jews to Gentiles. It's not apart from Israel. It is only through Israel. Abrahamic covenant: IN THEE ALL NATIONS SHALL BE BLESSED through Abraham and his seed. There will be Gentiles out in that kingdom but they will get everything through this nation. Salvation will come through Israel. Every blessing will come through Israel. Every Gentile that gets healed in the kingdom will get it through Israel. Why they are called in the scripture HEAD OF ALL NATIONS. And the King of Kings will sit on a Throne in the capital city of that land in Jerusalem and rule everything. God will end it all in the final/Daniel's 70th week determined on thy people to: - Make reconciliation with iniquity - Make an end of sins - Anoint the most holy - Bring in everlasting righteousness
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Last Great Battle	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones Study : The Main Storyline of the Bible : GH: Eternity/Eternal Kingdom	Everybody, no matter what age you are in, in eternity, are going to receive forgiveness of sins/JUEL based on the blood of Jesus Christ. The blood of bulls and goats couldn't take away sin. There is one Cross, one Savior, and that is the only blood that has efficacy to be able to forgive sin. That does not mean that the MEANS of procuring this Blood atonement is the same. Wasn't in the rest of the O.T. either. They didn't know that. Ready through, you don't even know about the word Jesus. Because you know it now, you can't read it in back there.
Commentary	Bare Bones : Divine Council	Session 1 Commentary: What is happening in Genesis is not a lesson in zoology. We forget that we are looking at it from our culture/standpoint. But when a literate, second Temple Israelite (Ezekiel was about 100 years before the second Temple) was reading in Genesis about a serpent that was talking to Eve, he would not look at that and go wow, I guess snakes used to talk. He would go there's something supernatural happening here. This is not the normal thing. An Israelite would understand this is a supernatural being and it's a bad guy. The Bible never calls it Satan in the Genesis account, it just says THE SERPENT. But you get that SERPENT language in Revelation where it does connect it with Satan. But an Israelite would get that from the beginning because he is looking at it through the culture that is written for. In second temple Jewish literature, they are talking about things that the Bible writers refer to but they only talk of certain things. They assume some things that are common knowledge for people at that time. The account of the Flood - it is in Mesopotamian literature and other ancient literature. But what they don't tell you in the Mesopotamian literature is they have a supreme god who is Baal and he's got this whole hierarchy and the God of Israel in that story is actually one of the created Gods who has His Own Thing going and what those Israelites believed is their God has given them this false story that He is the only God when really He is just way done the pecking order. The Biblical writers come along and correct all of that by telling you that there is no one like the God of Israel.
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): The Flood account in the Mesopotamian literature wasn't brought about by Yahweh, it was brought about by Baal and it was for a whole different purpose. The Biblical writers are going to say OK, here's what happened and they are straightening out the story. Then the N.T. becomes the inspired commentary on the events in the O.T. When you get over to 1/2 Peter, they are giving you details that weren't in the story back then. How did they know about that? MM says it is inspired scripture. God's giving them information. There's an understanding in the mind of a second Temple Israelite that is not in the mind of Americans in the 21st century. MM now wants to aggregate up all the second temple literature in a nutshell - 200 of those sons of God that used to sit on that Divine Counsel decided that they would like to have some family members in their image. They made a pact that they cut and to go down to earth and start their own families. We hate mankind but we are going to raise up our own families. They come down on Mt. Hermon in Bashan, why up on the northern most border of Israel. Remember Ogg the Giant, the king of Bashan. When you get over there in the times of Moses and you have Ogg the giant and all those city names are associated with the underworld. When you get into Bashan, in the literature it's called the gates of hell because they thought that was the enterance into the underworld.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): So it's no surprise when Jesus is nearing the end of His earthly minstry, He takes His disciples and they go all the way up to Mt. Hermon (GH: Matthew 16; Mark 8) and He says to Peter at Cesarea Philippi. MM suggests Googling pictures of it. There's this big cave that goes down and they thought that was an entrance into the underworld and all these sacrifices took place out of that. It was such a vile and evil place. Even the superstitious Gentiles were freaked out by it. And Jesus looked at His disciples and says lets go to Cesarea Philippi and they are thinking why? MM says there is something going on with that. It's when He says to Peter, WHOM DO MEN SAY THAT I THE SON OF MAN AM-Matthew 16:13/WHOM TO MEN SAY THAT I AM-Mark 8:27? Peter says well some say you are John the Baptist or one of the prophets and Jesus says who do YOU say that I AM? And Peter says THOU ART THE CHRIST, THE SON OF THE LIVING GOD. And Jesus replies BLESSED ART THOU SIMON BAR JONAH FOR FLESH AND BLOOD HAVE NOT REVEALED UNTO YOU BUT BY FATHER WHICH IS IN HEAVEN AND I SAY TO YOU THOU ART PETER AND UPON THIS ROCK and Jesus is pointing at the biggest mountain in the whole land area of Israel. On this rock I'll build My church. Now, He is talking about the church of the remnant or believing Israel.
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): He is saying I AM taking over your territory. The big picture is - He is not just talking to the 12 in an empty field, all of the demonic hosts, He is putting His Finger in their chests and He is saying I AM taking all of this over. MM says BTW, that's under Gentile control. He is saying I AM taking the nations back. I AM going to have it all. And He is antagonizing them, He is saying AND THE GATES OF HELL WILL NOT PREVAIL. We used to think it's the other way around. It's that the gates of hell won't prevail against His church. He is saying I AM taking all of this over. He goes back for Passover week and at the end of the week, He is on the Cross. We know the end of that story, FOR HAD THEY KNOWN, THEY WOULD NOT HAVE CRUCIFIED THE LORD OF GLORY. He is poking them in the chest to antagonize them and they're going, let's put this Guy to death. This is what God needed them to do and that's the Redemption that does that. So when Moses and them come up out of Egypt and they come around, the easy thing would have been to just follow the coast around and come up right into the land but before they do that, the balked 40 years earlier because of the giants. God is saying, look you've got to know that when you get into the land, you've got to deal with all of these races of giants so here's what you are going to do. You're going to go outside the land.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): The folks outside the land are related to them but don't bother them because they have already took care of the giants in their land areas. But you have this guy Ogg in the Bashan areas up here and let's go up there and take care of them. They go all they way up north and they defeat the giants up there and then they get to go ahead and come back down and cross over Jordan and go into the land. Moses doesn't but his No. 2 Joshua does and he takes over. MM says you will notice that there's 2 different accounts in the Bible. MM loves it when skeptics look at this and utterly destroyed them and consigned them to death and he killed them all and then over here it says they just took them over and enslaved them. The difference is, if it is the giants they liternally wipe them out, if it was the normal inhabitants just living in Canaan, they just took rule over them. He needed to wipe out the giants because they were unclean. One of the ways something becomes unclean is by the hidden mixture. MM says notice in the law it says don't take this kind of material and this kind of material and put it together? It was a forbidden mixture. The giants were a forbidden mixture, at their very nature they were unclean by nature. So you had these 200 sons of God who come down to Mt. Hermon and make this pact and they cohabit with the daughters of men.
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): **They produce this race of giants. The literature also says that they told men that all of this forbidden knowledge for the ultimate goal of wiping themselves out on the earth (like the weapons of warfare)**. MM says notice that Israel has trouble. They come up against the Philistines who have iron chariots and it's wow, where did all that come from? MM says the notes direct you back to some of the second temple literature. MM admits he doesn't know how accurate that is, it's not in your Bible. But they had the names of groups either 10 bands or 20 or vice versa. One was responsible for teaching about warfare. One was responsible for teaching about enchantments and spells. If you think things like necromancy and contacting the dead is not real, why would God command for someone to do that unless it could be done? It would be like God saying 'thou shalt not flapp thy arms and fly to the moon'. One was responsible for talking to women about making themselves alluring. One was responsible for idolatry. All of that kind of knowledge came from the sons of God who were there at the creation of the world, who used to be part of the Divine Counsel, who understand the very fabric of creation and have been in on almost everything that has been going on and they've got this knowledge. So you have Moses starting to wipe out the giants and then you have Joshua, then you have the third one, David, the man after God's Own Heart.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Divine Council	Session 1 Commentary (cont'd): So Joshua comes into the land, the giants that can't stand, they all flee over into Phillistia over on the coast. Remember Gath was where Goliath was from. When David comes on the scene, he is responsible for wiping out the rest of those giants. We get more commentary in the N.T. - THE ANGELS THAT KEPT NOT THEIR FIRST ESTATE, BUT LEFT THEIR OWN HABITATION, HE HATH RESERVED IN EVERLASTING CHAINS UNDER DARKNESS UNTO THE JUDGMENT OF THE GREAT DAY-Jude 1:6-7. MM says he (Jude) is talking about the 200. MM says don't think of an angel as a thing, this of it as a job like there's my mailman. RD's wife asks if there are no female angels why do male angels have the ability to co-habitate with the daughters of men? Why did God create them that way? MM jokes he didn't know the answer then and he should ask her husband at home like the Bible says. He does know now. Because of what they are, they are Elohim. Because they are Elohim, they do not have as a natural state a corporeal body but they had the ability to manifest a corporeal body in every detail and then to leave that estate and go back to their original estate. That would not limit them to just mimicing a human. It's not that they were created with that, they have no corporeal body, they have no physical body but they are able to manifest themselves with any physical form that is necessary for them to do whatever it is that they are doing.
Commentary	Bare Bones : Divine Council	Someone will ask what will I do and MM replies what will you do? You will be called upon to function in the manner to which you can function (GH: in godliness). If you say I'm not doing anything down here, I'm not getting ready, then be prepared for a job that this qualifies you for. QUOTE: Patrick Miller - "The Divine Council is a fundamental symbol for the O.T. understanding of how the government of human society by the Divine world is carried out." -- MM says he is relegating all that back to the O.T., he doesn't understand Sonship. But he is saying when I see the Divine Council in the O.T., he understands that is the means by which all the things that are decided up there are carried out down here. Messengers of divine decree that are being decided by the council: - the announcement of the birth of a child to Abraham and Sarah - the destruction of Sodom and Gomorrah
Commentary	Bare Bones : Divine Council	Three rebellions that turned the world into what it was - don't get to thinking that all the rebellion happened at one time, wasn't just the angelic rebellion: 1. The Fall - Genesis 3 2. The sons of God - Genesis 6 (200 - MM reminds the second temple literature is not inspired scripture - passing down what they understood to be true) 3. The Tower of Babel - Genesis 11 - recall Paul's commentary at the end of Romans 1 - didn't want to retain God in their knowledge anymore, worshipped and served the creature more than the Creator, etc. We have all that background. There have been 3 Human/Cosmic [supernatural beings] Rebellions that have created the kind of world that we live in. When people look around and ask why is the world in the condition that it is in? Where does all of this evil come from? Have to understand God didn't do this. 1. Lucifer fell at some point - Ezekiel 28:14

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Divine Council	With the scattering at the Tower of Babel, He calls out the 70 and that is a pre-cursor to what is commonly referred to as 'the Great Commission' and going into all the world. Even though God has said OK you don't want Me anymore, My inheritance is going to be Israel. Then He assigns members of this Divine Council, these divine beings, to the nations but they abuse that. They don't bring them back to God. Doesn't mean God is through with them - the covenant with Abraham - IN THEE SHALL ALL THE NATIONS OF THE WORLD BE BLESSED. He does this with Israel, not just for Israel's sake but because He Loves the rest of the world as well. There's another way He is going to fix that. BTW, the word of the Lord is going to go forth from Jerusalem, it is going to go out to those nations. All that is true but something had to happen in order to kind of change that. God will strip away the power of these spirit beings have over the nations at the Resurrection. Have the Redeemer aspect taking place on the Cross. But something is happening at the Resurrection which now qualifies the Redeemer. May sound wild thinking that God has to qualify for anything but God is playing by the rules, He is not just violating everything to do whatever it is He wants to do. If you are going to be saved, you really are going to have to believe the gospel. God's not making exceptions. If Jesus is really going to be who He is supposed to be, then He is going to have to qualify for that in a legitimate way and by His Resurrection. Remember what He declares afterward - ALL POWER IS GIVEN UNTO ME IN HEAVEN AND IN EARTH. This is not the final judgment on them but that's when the power of the nations is stripped away from them. This is going to set the stage for their final judgment.
Commentary	Bare Bones : Divine Council : Reference Books	BOOK: The Two Gods in Israel: You say that's polytheism - MM says we know there's just one God, but you have THE LORD SAID UNTO MY LORD, SIT DOWN AT MY RIGHT HAND TILL U MAKE THINE ENEMIES THY FOOTSTOOL. Then you have the ANGEL OF THE LORD issue where that is the appearance of the Son and then a verse later it's talking about it like it's the Father. The Jewish people never thought of that as 2 Gods but the guy that wrote this book is a Jewish rabbi and he goes we have always understood this in Israel and this has always been a bit of a conundrum. Until you understand the Son and the Father you won't ever get this straight. So it's monotheism but those Three are One, right? But you have both acting and doing different things. BOOK: Two Marvelous/Fantasic Beasts: Talking about Leviathan and Behemoth and the Biblical writers and non-Biblical writers and how they were all talking about the same thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Divine Council : Wrap Up	MM says he hopes 2 things have happened with this teaching: 1. You have seen your future role in a light that you might not have looked at it before, that you understand I am really going to be involved in this. MM doesn't think we will get up in the morning (don't over-literalize sleep, just using the vernacular of our day to communicate a point; like Gog & Magog passage and fighting with pre-modern weapons? God doesn't say, hold on, I need to teach you 21st century culture so that you will know what an M1A1 tank is or what an F-22 is; the real focus of this is not the human combatants, there are going to be human participants but the real point of Gog & Magog is the spiritual batter that is going to go on at that time where a supernatural being that the Bible is calling Gog is going to stage this battle against Yahweh and he is going to lose and his spirit being army is going to be destroyed; the 7 years burying the dead and you've got guys going, OK, you have 10 guys with backhoes...you are over-literalizing things-no Israelite was thinking that; MM says he is a literalist but sometimes we get an earthbound hermenutic when the real focus is a spiritual hermenutic of what is going on in the background; in this case, the humans are the pawns and very disposable, the real focus is the spiritual battle where someone is going to die like men) and say I can't wait for the Council meeting. This is what you were created to do, to work in a partnership with your heavenly Father.
Commentary	Bare Bones : Divine Council : Wrap Up	2. We are not after everybody, we're not trying to develop a message that everybody will flock to. Here's who we are after. There's 3-4 people in every church that knows there's something more, they just don't know what it is. They know they are not getting it because when those people hear the message, MM gets these emails that they have been looking for this the past 15 years. They didn't know this was it.
Commentary	Bare Bones : Theodicy	**Theodicy (thê-òd´î-sê), a vindication of God's goodness and justice in the face of the existence of evil**. Theodicy - Combination of 2 words - God's Justness. Composed of two Greek words combined to mean God's Justice - defending God with Evil in the world. Likely will hear some things you have not heard before - Judgement Seat of Christ, life in the heavenly places, another aspect of our education that every member of the Body of Christ is going to have to complete before we get installed in our positions on the creature. **Theodicy: Demonstrating that God is perfectly good, ominpotent/all powerful, and at the same time, He is allowing evil and suffering in the world**. - This is not a violation of His Righteousness or His Justness. - Will show you precisely why God is not intervening to stop evil in this world. - Will talk about those who wish there was more proof around the existence of God. May seem odd in a theodicy but it is not. - The way He reveals Himself is necessary because of our free will.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Commentary	Bare Bones : Theodicy	- When we get into the heavenly places we will still have free will, but not one member of the Body of Christ will ever disobey our Father's Will. Never one time will they balk at carrying out an assignment and never will they consider sin to be an option. - Satan has managed to pull the curtain so we don't see it but we are going to pull that curtain down and show it to you. - The reason that God is not intervening to stop evil or reverse/intervening to assuage suffering has to do with us not committing sin with our libertarian free will perfectly in tact. Verses provide what opponents call the Christianity Achelles' Heel. Accusation made against God -> conclude they are atheist/agnostic - How can a perfect, loving, omnipotent, omniscient God allow evil and suffering in the world?
Commentary	Bare Bones : Theodicy : Points	**POINT: By allowing the full consequences of sin, through the whole range of sufferings which people see and experience, God is doing something eternal, beneficial and necessary; He is educating the saints on how to live throughout eternity, with our free will still intact, (and here comes the part God was after) without sinning!** POINT: In eternity, God is not interfering with our free will, or limiting our freedom, or manipulating our minds, or anything else to make sure we don't sin again. There is no magic wand, no mind-wipe, no lobotomy. God is not going to chaperone any of us throughout eternity, so we don't do anything we aren't supposed to. Once again He is not going to deal with you out of His omnipotence. Your eternity will not be one of God looking over your shoulder. - God won't be using the dog collar or the shock strategy. If you don't have enough freedom to sin, you also don't have enough freedom to bring glory to God. The eternal referee objection means you don't have enough freedom to disappoint God, but you don't have enough to please Him either. Treating us like young children who cannot be trusted on our own, but must have constant correction and supervision, is exactly the opposite of what God is planning for us, and it is not the kind of life you would find attractive for very long. Your life in the heavenly places is going to be the greatest life imaginable, with the most freedom you have ever known. If we don't have free will, then we are no longer in His image; we are nothing more than a train which can only run on tracks which limit where we can go. We are not sons and daughters with any real liberty if we cannot be trusted on our own to do the right thing. And none of that is God's plan for you. By allowing evil and suffering, God is educating us on how to freely choose righteousness and lose our longings for the pleasures of sin so that, in eternity, we will never again consider sin to be an option. And this part of our education will constitute a big part of our being conformed to the image of God's Son, which, by the way, God says is going to happen for everyone – whether it takes place here or not, is up to us individually, but it will take place (it must take place!).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Points	Point: God is just far enough away so that men can freely choose on their own. He didn't give us more evidence so you can do what you want to do and not override your free will. Point: You will never have so much liberty and freedom as when you get into the creature and God will trust you to have that. It glorifies God to be that way because it will come from your heart. If the end result of our education isn't good enough for God to turn us loose in the creature, why in the world are we involved in it in the first place? MM doesn't believes God will still need to manipulate things at the end. Thinks the process is genuine, that it works, and thinks it is effectual, which means it can't be improved upon. Point: Learn the lesson that sin is terrible. It has consequences beyond what we think. Sin is dangerous, sin is destructive, and it will never work for our good. It delivers its pleasures at an extremely high price. POINTS: - God allows suffering in order to bring about a greater good, namely, an education which allows us to be free moral agents in eternity, yet without sin. - God doesn't give a lot of evidence of His existance because He want you to make up your own mind. It is our free will and our choices out of it that make us all who we are. And God is going to allow us to freely choose. - God wants people to be converted, just not against their will. He doesn't want to force that. Point: MM doesn't think people will accidently wind up in hell. They will end up there because they have chosen what they have chosen. Every family has an uncle Joe who they give the gospel to, etc. But there's a reason good old uncle Joe is not going to get saved. Because he doesn't want to.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Points	Points: - God wasn't bad by allowing these things, but He was making something better possible. All of that will be for nothing if we don't learn the lesson. - Self-interest cannot be the determining factor for us because that is not God working in our inner man. - And the evil and suffering that you see around you or read about or hear about in the news, all of that is supposed to be telling all of us something that is supposed to greatly impact us in the ages to come; sin is incredibly reckless, irresponsible and unwise. - When A&E sinned in the garden, they forced all of their descendants into a life long education of good & evil. While their exposure to evil was a punishment of consequence, it was not a consequence without a purpose. It has a necessary and an eternal purpose behind it. - (JSoC) Just because our sins are forgiven, does not mean there is no reckoning for them, no accounting. Evidently, there is a consequence for the “wrong” which we do. That does not mean we will lose our salvation, but there is the possibility of loss of reward. - Godliness is applicable to every area of our life, not just church. That means that God is meant to be a vital part of every part of our life. His life in us is not just for Sunday. The problem is, most people compartmentalize him away from most areas of their life because they don’t know how to integrate God into their whole life. - The concept of eternal life in the N.T. is not about living forever in heaven. but it is about having a new kind of life right now. A life of flourishing, living the way we were intended to live, a life of real function and purpose, a life of virtue, character, well-being, and happiness. That's the life your Father wants you to have. That comes in the package of His Son. Eternal life doesn't just start after your body dies.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Points	If our thinking is unrighteous, it is sinful thinking. If our actions are unrighteous, they are sin. If our motives are unrighteous, our motives are sinful. If you disagree with the PREMISE that we will be sinless or that we will have free will, then okay. This theodicy is based on those two issues being true. It is not about establishing those things as true. So, that would be a whole different discussion. If you disagree with the PURPOSE, fair enough, but if God is not allowing evil and suffering in order to educate us, with a view toward our edification resulting in a sinless eternity by an honest expression of our free will, then why is He allowing it? What is His purpose? What greater good is He producing? If you disagree with the PROCESS, you think we will have free will, and we will be sinless in eternity, but you do not think God is going to accomplish this edificationally. Again, fair enough, but how then do you expect He will accomplish it? If there was a way to give you free will with the guarantee of sinlessness, God would have done it to start with. The alternatives are: 1) no people, or 2) no free will. We are organically connected to A&E.
Supplemental	Bare Bones : Theodicy : Why did Adam sin?	Why did Adam sin? Calvinists would argue that Adam had a leaning or tendency towards sin that is morally flawed, either in his makeup OR the situation that he was placed in. If you are created without sin or put in a situation without sin, then there is no reason to sin. MM says if you have a free will, there is always the ability to commit unrighteousness. Calvinst would say this problem is beyond free will. Goes back to why did God create Adam in a flawed way. MM disagrees with that. Doesn't believe Adam was created with an innate tendency to sin nor does he think there was some moral flaw in his makeup nor was it in his situation either. Free will is how Adam could have sinned. If good and evil exist, then any creature with a free will, which is not God, can choose to do evil. God is not responsible for Adam's sin because he sort of tilted him in that direction. Adam was not predispositioned to sin. Begs the question - How could have Adam sinned? - C.S. Lewis explained it this way, “The moment you have a self at all, there is the possibility of putting yourself first – wanting to be the center – wanting to be God.” I would say it this way: Free will is how Adam could have sinned. If good and evil exist, then any creature with a free will, which is not God, can choose to do evil. Man with a free will can do something that God with a free will cannot do. Man can choose: - to do moral evil - sin - commit unrighteousness Because of who God is by His nature, He cannot sin. Because of who He is, in and of Himself, he cannot commit unrighteousness. The virtue of perfect goodness belongs to God alone. Even though God has what we could call free will, He cannot chose to do wrong / do unrighteousness / choose sin / commit moral evil.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Genius of God Dealing with Adam & Eve	Genius of God in dealing with A&E: God did not kill A&E on the spot although MM thinks the angels, who had already experienced rebellion in their own ranks, said amongst themselves that God is going to need to kill them before they reproduce. Because if they reproduce in this condition, this will be a catastrophe. But God does not kill them before they reproduce, He makes sure they reproduce before they die. May seem odd but it's the genius of what God is doing. If God had wiped them out before they had kids, you wouldn't be here. If He had a do over, it would have been same song, second verse. Also, the earth still belongs to the adversary. Can't redo everything because He gave Adam dominion. That got adjacated when he fell. Would violate another principle of God - God doesn't cast things away. He redeems them and makes them new. When you got saved, you became a new creature in Christ. But your body didn't get redeemed. You will get a new body. When God redoes the earth, there's going to be a new earth. There's also going to be a new heaven. The Lord is going to reclaim the old bodies that have gone to dust at the Blessed Hope, and raise those up and make a new body out of that. He is redeeming the old. God is not interceding to prevent, to mitigate (to make less), or to suspend natural evil in the world OR He is not working to interrupt, to lessen, or to suspend moral evil in the world. REASON: He is not doing that so He can provide an education whereby one day in eternity, God will be able to turn every member of the body of Christ loose in the creature with an absolute free will in a glorified body and never have to worry about sin again. Ties to point #10. God is allowing us to see evil and see suffering and experience it so that we might understand how terrible it really is. Example: MM has free will to take a pen and shove it in his eye ball. He won't do because he'll suffer the consequences - blindness in one eye, lose depth perception, etc. No one need to call MM in the morning and say please don't jab a pen in your eye today. MM realizes that would be a very stupid thing to do. He has a free will, he could do it, but he understands what that would mean, so you don't have to tell him please don't do it, you can't talk him into doing it. When the light comes on for you, you will see sin as worse than jabbing your eye out with a pen. Not only will you not want to do it no one will talk you into doing it. The reason we don't think that now is we don't see it for what it is. If you don't learn this lesson here, you will learn it at the Judgment Seat of Christ. We have a life time of hearing preachers beat the tar out of you for sin and then in the same breath, tell you living without it is impossible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Genius of God Dealing with Adam & Eve	The genius of what God did and did not do, in light of A&Es rebellion. • God did not kill Adam and Eve on the spot – although the angels may have wondered why not, because if these two reproduce, that is going to be catastrophic. • God did let them live long enough to reproduce and that was actually the point. If God had just wiped A&E out and started over: o Would it have been any different? o It violates the principle of God making the old new/ reconciling things back to Himself? (You are a new creature in Christ, you get a new body, God makes a new heaven and earth, etc.) • God is not interceding to prevent, mitigate or suspend Natural Evil or Moral Evil for anyone (even fully-educated sons and daughters) Why? (This is one of the questions of Theodicy) • God is providing a critical education by allowing evil By God allowing them to reproduce children with a sin nature, and by allowing sin to produce its full consequences of suffering, God is doing two things: 1) For everyone: He is providing a context which allows men to fairly and freely, of their own will, without God putting his finger on the scale, decide if they want to spend eternity with Him or without Him (more about that later), and 2) God is teaching His saints a lesson upon which their/our eternity rests, how to live without sin without being forced to and without intimidation or manipulation.
Supplemental	Bare Bones : Theodicy : Natural Evil vs. Moral Evil	Natural evil: - tornados, earthquakes, COVID, disease, - Result of the fall in the Garden - from Adam - came from a man Moral evil: - murder, theft, lie/slander, abused mentally/physically, kidnapping/abduction/molestation - from people - a sin that some person is perpetrating - comes from all sorts of people
Supplemental	Bare Bones : Theodicy : Laws vs. Penalties	Laws vs. Penalties: - Laws are made to control the population and tamp down violence, and penalties for breaking the law are meant to be a deterrent, first of all. Secondly, they are meant to provide just recompense. Laws & Penalties: - Because people are motivated from self-interest. I don't want to lose my job. I don't want to go to jail. - It's not that they love the company that they are not stealing. Consequences are the magic word.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Could Jesus Have Sinned?	Could Jesus have sinned? Because the nature of the perfect goodness of the Godhead, they could not sin. The Bible said they can't even be tempted with evil. Prior to taking on human flesh, neither the Father or Son or Spirit could be tempted to sin (James 1:13). But when Jesus took on flesh, MM believes He could have sinned (Hebrews 4:15). If He could be tempted, He could have chosen to do it. He did not, and the YET is important GH: to show He didn't go there. This issue of saying YES or NO to sin is is something Jesus not only modeled in His earthly ministry, in which He was sinless. He will forever be the model to have a free will and be able to choose yet to always choose righteousness. This is what you are going to be able to do in eternity. You are going to be a free moral agent, up there in the heavenly places, GH: and choose righteousness. You could get lifted up with pride like Lucifer. POINT: Once He took on flesh, there are that survived the transformation of His Resurrected Body, think about the scars in His Hands. He will never be 'only deity'. He will always be God-Man and it is that Man part that that will always have that free will. Yet because of something that the Lord Jesus understands, He will never even entertain the notion to disobey His Father or to commit moral evil or commit sin. There was only 1 prohibition is all of the garden. God didn't say don't blaspeme Me, don't murfder anybody, don't get lifted up with pride, didn't say don't be envious, don't mistreat each other, He just said 1 thing - don't eat of the tree of the knowledge of good and evil. That one thing, even though it may look to people on the outside like it's a small thing, it was actually a very big thing, a huge thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones :	Nice vs. Good
	Theodicy :	Men is worse than we think they are. 'Good' people do bad things and 'bad' people do good things.
	Nice vs. Good	People provide good customer service out of self-interest.
		MM wants to redefine some terms for us. Find out there is not as many good people as you think there are - THERE IS NONE GOOD BUT ONE, THAT IS, GOD-Mark 10:18.
		This is the hardest and most difiicult one to hear but you need to hear it because it is part of an education that is going to allow you to live with a free will in eternity and be yet without sin.
		Nice is not the same thing as good. A receptionist can smile and say good morning. She is being nice but it doesn't mean that she is a good person. EXs holding the door for you, guy yields to you on the crowded interstate,
		Good is more akin to godly. People who have not been transformed by the doctrine may be “nice,” but they are not “good.”
		Until people do two things, they are NOT good:
		(1) trust Jesus Christ as their all-sufficient Savior, and
		Need to be saved so that you have spiritual fitness.
		(2) respond to Paul’s doctrine in a way which allows the word to effectually work in them and produce the very life of Jesus Christ in their soul, they are not a good person/so the Life of Christ is being lived IN them.
Supplemental	Bare Bones :	Need to be edified so that can be a present reality.
	Theodicy :	MM disagrees with most theologians that say that faith IN Christ alone is what makes you a good person. MM says there are plenty of people
	Nice vs. Good	who have trusted Christ who live pretty terrible lives.
		Ties to MM's contention there is no goodness apart from God - Mark 10:18. Saved and edified people are good only because they have been fundamentally transformed functionally from the inside out. They truly are a new creature in Christ, not just in their standing before God, but in the practical reality of their everyday lives (and that is the two ways to understand goodness: standing and practice.) Until you are godly, you are not good. Saved people commit the same sins, the same atrocities as lost people. Goodness is a sanctification issue, not a justification issue. What makes a person good is the life of Christ being lived in them and through them. Christ’s life is what makes us “good.” And nothing else. Unsaved people can be nice people but not good people. An evil man can care deeply for this family - MM says not a conundrum or a riddle. When MM talks about GOOD, it is not so much about what a person does, although it does include that. In the right circumstance, good people will do terrible things. People who have NOT been transformed by the doctrine may be nice, but they are not good. People don't sin to avoid the consequences. If they could avoid the consequences, GH: there would be a lot more sin. GH: Most good things are done and most bad things are done out of self-interest. The point here is: Doing good things out of self-interest is not really a good deed, it is a selfish, self-promoting deed. (But it makes the flesh feel really good.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Connection Between Sin and Suffering	Connection between sin and suffering: There is always a connection between sin and suffering. When you see suffering, you should trace that back to sin somewhere somehow. Take an earthquake back to the sin of Adam in the garden. As the federal head over all the earth, who had dominion over the earth and subdued everything, everything fell when he did. It was all linked him and his headship. See natural evil and have to remember that is sin at the origin. The sooner you make that connection, the sooner you see this the way your Heavenly Father sees this. There is no such thing as a little rebellion against God. Adam didn't kill Eve, didn't shake his fist and blaspheme God, he just ate from the tree that God said don't eat. You can undersell that, but when you understand what sin is, when you understand what rebellion against God is, then you understand there is no such thing as a little one (GH: sin). Don't need to do an atrocity like we covered last week, all you need to do is to tell Him no. When you have done this you have done exactly what Satan did. The heart of every rebellion - something is being kept from me that I deserve. So, I'm not going to do what God said, I'm going to do what I want. Exactly the sin of Satan. There is no little rebellion.
Supplemental	Bare Bones : Theodicy : Why expose man to evil and Suffering	Now that we are fallen, it is only be exposing us to the consequences of sin (evil & suffering), that God can give us the kind of eternal life that would be acceptable to Him and desirable to/by us. But couldn't have God chosen to do it differently? MM says yes, He could have decided not to create angels or man. There would be no suffering. Or make you an organic robot that always does the right thing (takes away your free will). We would not choose to spend eternity without a free will. If you didn't have free will in eternity: - MM doesn't think you would want to live forever - we could not experience the eternal life that God intends to give us - will see that the glory waiting for us - much of it depends on you having free will. If you don't have free will, you could not have a genuine relationship with God. If you were forced to be righteous and love God, how genuine would that be? If you don't have free will, you cannot experience His Grace. Everything will be forced upon you. If you don't have free will, you couldn't glorify God. Programmed robots are not glorifying. What is glorifying is when you are not forced to do that and you freely choose to do it.

Supplemental	Bare Bones : Gratuitous Suffering	Gratuitous Suffering: Suffering that an omnipotent God could have prevented without losing whatever greater good He was trying to accomplish by allowing the suffering in the first place. MM doesn't think gratuitous suffering exists. If God intervenes, it changes who you are. EX children suffering MM giving stats on the things that kill children - Deaths, accidents, kidnaps, molestations, etc. Would be asking God to do hundreds of thousands of miraclous interventions all around the world. Making them indestructible. This would violate a number of things - here are 5: • It would make God's presence unmistakable, causing people to worship God with feigned loyalty(GH: false disciples), not truly out of their free will (This is one of the things which I hope you have learned from this theodicy; the balance of God's presence). God is just far enough away that he looks like he is hidden. Why so many people do the things they do. If God made His presence unmistakeable, they wouldn't do it but not based on what their free will was choosing. If you make God's presence so unmistakable, then either your free will isn't going to really operate or your going to fake it because it is God. • It would create a world where reality does not work in regular ways – kids would be playing marbles on the interstate. The laws of how the world works are no longer in place.
Supplemental	Bare Bones : Gratuitous Suffering	• Children could not learn morality because their choices would lack moral compass for their actions • It would require God to constantly interfere with adult free will. When you put 'em on the planet with free will, you kinda have to let the free will play out or what was the use of giving it to them in the first place? If you are limiting the choices, you didn't give them free will. • It would require God to interfere with natural laws - kids would never learn from experience and would live in a dream world. Point: Sin hurts everyone, even the innocent. If it upsets you that children like Edie die of cancer, then get mad at the sin that caused the Natural Evil of cancer. If it angers you that children are kidnapped and trafficked, get mad at the sin of Moral Evil. Put the blame where it belongs. The first step is to connect every suffering back to sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Session 1: *Purpose of the study: - To demonstrate that salvation from the debt & penalty of sin/JUEL in Israel's program is by faith and not by works. And no one, once justified in that program, can lose their salvation. Once justified, they can't lose their salvation. - To educate us in exactly how God was dealing with the nation of Israel in time past and how he'll deal with them in the time to come. Now to do this we need to do two things: 1) we need to establish a timeline and (see 'Timeline : 5 CoP' below) 2) we need to set a frame of reference for our study. (see 'Time Frame of Reference' below) Principles: * A Jew was justified unto eternal life by faith alone, but justification alone will not allow entrance to the kingdom. * A justified Jew has a sanctification salvation, which allows him two things: 1) to escape alive, the events of the Tribulation, and 2) entrance to the kingdom and the reward of ruling with Christ.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Session 2: MM says the reason that you have to know this stuff is that you have a role to play in the eternal purpose of God. Why do you think He chose to catch you out and move you off the earth before He changes back and resumes His Program with Israel? Can't say He couldn't restart the program with us here, because there were members of the little flock at the beginning of the DOGG. Why won't He diminish us like He did the believing remnant at the beginning of the DOGG? He has obviously chosen NOT to. Because He means for you to be somewhere different, to do something in connection with His eternal purpose., which He purposed in Christ Jesus before the foundation of the world. And you are going to have to know about things in order to participate in that. The eternal purpose is that HE MIGHT GATHER INTO ONE ALL THINGS IN CHRIST, BOTH WHICH ARE IN HEAVEN, AND WHICH ARE IN EARTH, EVEN IN HIM-Ephesians 1:10. He is going to gather into one. MM also points to us being involved in both realms-1 Corinthians 6:2-3. When things are out here happening in Israel's program and we are up in the heavenly places, we are going to be doing something in the day of Christ that is in connection with THE FELLOWSHIP OF THE MYSTERY-Ephesians 3:9 and the eternal purpose of God from the foundation of the world. If you are going to be equipped to do that, you are going to have to know some things.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Session 6: MM says too many preachers, because they don't understand what Matthew 24 and James are talking about, teach Israel had to have faith and works to be saved and we only need faith. Our apostle taught justification by faith was the basis of how Israel got it (Romans 3:28-4:9). Paul doesn't think Israel got saved by faith and works. Point: Paul thinks that everyone from Abraham onward through Israel's program is justified by faith without works. Based on this alone, when you read James, you come to one of two conclusions: 1. One of them has to be wrong 2. They are both right but you just misunderstood what one of them was saying. MM says this is the answer and we misunderstand James. James thinks Abraham got saved the same way Paul thinks Abraham got saved. James is actually talking about a different justification. MM says knowing RDW is important but knowing RDW alone is not going to solve this for you. You have to know something about Israel's program. James is going to talk about an event in Abraham's life that happened over 30 years after Abraham got saved and he is going to say Abraham performed some works and that produced a second justification.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Since that time, God has not asked anyone else to do that until you get to the end of the 4th installment (last 4 years = 0.5 years Joh the Baptist + 3.5 years Jesus' earthly ministry) (GH: 5 years with EoM?) and the 5th installment (GH: or just 2nd EoM?). Then, all of a sudden, God is saying to the believing remnant, now I AM asking you guts to do something like Abraham did that is going to produce a second justification for you. God did not ask this of anybody else all through the timeline of Israel's program. James talks about Abraham and Justification #2 because it is important for the remnant to have it. During the time when the program resumes, the antichrist comes on the scene, they're going to be in a situation that Abraham found himself in and God wants to do something with them. He wants to make something manifest to the world of men, just like He did something with Abraham to make something known about God to the world. They are in a very similar situation. So for the first time since Abraham, when you get to the last 4 years of the 4th installment, you have members of the little flock or believing remnant, and then that program gets interrupted, and then started up, God is going to say you guys have something to put on display just like Abraham did.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Point: James 2 is not a contradiction of being justified by faith along to get eternal life. James isn't contradicting that at all. He is talking about an entirely different kind of justification that actually only takes place since Abraham in the final stage of Israel's program. Justification #2 in the eyes of men to be A FRIEND OF GOD involves some specific works. The works are supposed to make them stand out in stark contrast to Israel's VRS. So when the believing remnant do these works, they are justifying themselves in the eyes of men as a FRIEND OF GOD and the whole issue in James 2:14-26 is driving home the point that trusting Jesus as your Messiah gets you JUEL, but it won't give you entrance into the kingdom and reward. And it won't get you protected during the rest of the tribulation. If you want that, you are going to have to do this. And this is a second justification. When Abraham is JUEL, he is reconciled to God. But his friendship with God, indicated there was nothing that Abraham would withhold from God if he is willing to sacrifice his only son. Remember Isaac was a kid that Abraham had to wait for until he was way beyond the ability to bear children. So Isaac is a bit of a miracle for both Abraham and his wife. And now God is going to ask him to sacrifice. And because of the believing remnant being a kind of firstfruits, the have the privilege now of putting this on display.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Next week answer the question of what happens if a member of the believing remnant takes the mark of the beast? Scriptures seem to indicate that everyone who takes the mark is going to be condemned. Do they lose their salvation? Session 7: When the temple gets rebuilt, Israel's VRS will resume the sacrifices. This is the second step of separation. The first step is to withdraw from those folks - don't have fellowship with them, don't go back into the synagogue, don't try and argue with them about Jesus being the Christ. Now, they are supposed to put something on display and now comes the second ramp up that happens in the middle of the first half of Daniel's 70th week. As the first half of the Week progresses, the antichrist will finish the temple and allow the sacrifices to be carried out. This marks the next separation for the BR and phase 2 of Satan's PoE. The opposition to the believing remnant is increasing and so is the manner of their separation from apostate Israel. When the VRS goes into the Temple to do those sacrifices, the Lord says to the believing remnant you are going to separate yourselves again. MM says the Cross is outside of the city of Jerusalem. There's a reason for that.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	It had to do with sacrifice and what was happening without the camp and all of that. The believing remnant are told DO NOT GO back into that Temple and DO NOT PARTICPATE in those animal sacrifices. When the VRS does that, the believing remnant is supposed to leave the city itself and go out to where Christ was crucified and identify yourselves with Him outside the city. When they see someone doing that, they are going to reproach them and hate them more. He is saying I want you guys to bear the reproach of Christ (Hebrews 13:13). This is a secondary separation (first from the synagogues, second from the rebuilt temple). Only a remnant of the remnant will get reward in the kingdom.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Session 8: MM says the believing remnant out in the 5th installment are able to have something enable them to get through this that no one in the prophetic programs from Abraham onward have ever had because they are a kind of firstfruits of His creatures. There is something about the kingdom and how God is going to deal with them. Will get the New Covenant in the 5 days after the Armageddon campaign. The New Covenant covenants for a perfect justification and a perfect sanctification. They are going to get that while on the earth right here (MM points to Daniel's 70th week on the board). God is going to give them the New Covenant. They need this because if God doesn't give them a perfect justification and a perfect sanctification, they cannot be in the kingdom. They cannot be what He called them to be - A HOLY NATION-1 Peter 2:9 and a KINGDOM OF PRIESTS-Exodus 19:6. If they would have had this when they got out of Egypt and entered into the promised land, they would have set up the kingdom immediately back then.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	But they weren't spiritually fit to be that HOLY NATION and KINGDOM OF PRIESTS because they put themselves under the law and tried to produce all of that in their own power. And God gave them the law to show them, you can't do it for yourself, let Me give it to you as a free gift of grace. You will never deserve it or earn it. Here in the DOGG, we're not under a covenant, but here's what God said. I CAN give you the benefits of that covenant to anybody I want to. He didn't say us because nobody knew about us back then. But they can't get the New Covenant until after they are resurrected during the 5 days after the Armageddon campaign. We got a perfect justification and a perfect sanctification simply when you trusted Christ as your all-sufficient Savior. That is what makes you spiritually fit to be sons and daughters who will labor with Him in the heavenly places.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	QUESTION: What happens to the believing remnant if they take the mark?: MM says his understanding, and he doesn't have 100% confidence. That being said, most everybody thinks if the believing remnant recants and takes the mark or worships the beast or throws in the towel and goes back to the VRS, they'll be forgiven. He can't find that anywhere in his Bible. This is so commonly said that he has to find it. Not saying it is not there. Scoured every resource he had that teaches this for the verse. Nobody has the verse. They assume if they take the mark, they can come back in. MM doesn't find that. He finds that during the first half of Daniel's 70th week, you have the persecution ramp-up - mental -> physical -> kill order. Satan is not interested in them coming back, he is just interested in getting rid of them. All of this gets talked about like they who recanted or caved are lumped in with the extermination policy of apostate Israel in the second half. MM doesn't think you get a second chance. Once the kill order goes out for the believing remnant, if they catch you, they are not asking you to recant, they're cutting your head off.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	Once the mid-point takes place and you're part of unbelieving Israel, they're not asking you to join up either. They already thought that was their messiah, they were already on board. But in the second half of the week, now they're being exterminated. Until MM can find it, he is not going to tell it to you. MM believes the believing remnant can't take the mark. Before, he would have said if the believing remnant took the mark, they would have lost reward but not their justification. Because every other thing he sees in his Bible says this. Is there much difference between taking the mark and worshipping the beast and back in the O.T. worshipping Molech and making your children pass through the fire? MM thinks everybody that takes the mark or number is already unsaved. MM thinks the mark is for Gentiles but admits he could be wrong. But he doesn't see anybody over in Israel taking this because once they see who he is and he is saying, hey, guess what, I appreciate you all betraying your family members, those people who believed on Jesus, appreciate you doing that.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	And as a reward, now we're going to kill you. At that point, you are not interested in bringing them in, he is just exterminating. If he can exterminate Israel off of the earth, he can retain possession of the earth. By this point, he has already lost the heavenly places. At the mid-point, he has been booted out. We are already up there. The only thing he has left is to hang onto the earth. He just see Gentiles taking all of this. MM says there are a lot of parallels between when they went away captive to Babylon in the 1st installment and the 5th installment. - Nebuchadnezzar, the king of Babylon, took them away captive, He set up an image of gold and commands that everybody bow down and worship the image or be cast into the furnace. In the 30 days before the mid-point, GH: you have the image of the beast. MM says people say Nebuchadnezzar gave people 30 days but he can't see that. Maybe he did. SUMMARY: MM says hopefully you have seen enough verses to understand that no one in Israel is JUEL by works and no one is losing their salvation. This is all mis-interpretation of scriptures that are talking about rewards.
Supplemental	Bare Bones : SIIP (Salvation in Israel's Program)	7 Major Doctrinal Issues which all of the OT prophets (Isaiah to Malachi) speak of. Those issues are: 1. The 1st installment of the 5th course of punishment (CoP) 2. God’s Jehovahness and Grace put into effect for Israel’s salvation 3. The New Covenant 4. The Lord’s Day of Wrath (2nd half of Daniel’s 70th Week) 5. Israel’s Prescription for Cleansing (Doctrine of the Remnant) This terminology comes out of Ezekiel 36. This describes what God does to produce a remnant who will become a holy nation and kingdom of priests. 6. The time schedule of the 5th CoP 7. The Kingdom (Fulfillment of the Abrahamic Covenant)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	**Please see 'Definition : Suffering' in the Commentary.** **Please see 'Definition : Doctrine : Sonship Suffering' in the Commentary**. Session 1: MM says he is skipping us to the end of the doctrine and then cover in detail as the subject of the MBI Homecoming in Monahans in 2026. Principle #1: Suffering has a purpose (MM wants us to profit from the things that we go through) * We can choose what we do with our suffering. Knowing the purposes of sufferings helps us to respond to it properly. * Suffering Strengthens us spiritually, not the sufferings themselves but the opportunities to be strengthened as we respond to these sufferings in a godly manner/properly, in the way that God has provided us to respond to them. A proper response strengthens us in two particular ways: o Way 1: To become impervious or to withstand the effects of suffering in our inner man 'our defensive strategy' * To be able to withstand the affects of the suffering
Supplemental	Bare Bones : Sonship Suffering '25	- Doctrine is not working to alleviate physical suffering, it's not an aspirin. It's working in your inner man to help you withstand the effects of the suffering. The doctrine will not make all the physical pain go away and if all the physical pain went away, you wouldn't be suffering. - MM originally thought to use the armor analogy but the armor is separate from you. MM says if you are a Marvel person, not Captain America, but Hulk. Point: The doctrine is not working separate from you, it is actually working in your inner man to transform you so that you in and of yourself are able to deal with sufferings and not feel the full effects of them. Results in the ever increasing ability to withstand the effects of the suffering. The things at, at the beginning would affect you very much, now do not affect you as much as they did. - This is not a light switch. Takes time and effort to do this. It is a process that is working in you to transform you so you don't feel the full effects of the suffering; get an ever increasing ability to withstand the affects of the suffering. We don't get interested in this until we are talking about big sufferings but you should be interested in applying this principle to all sufferings, even the little ones. Because you are engaged in a process whereby you are lessening the effects. Take advantage of the little ones because they are not so catastrophic and you can gain from them. The more times you do this, you are creating a spiritual muscle memory.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	Two things happen when you do this: 1) Takes less time to recover as the effects of the suffering diminish - Things don't wound us like they did and our ability to recover from it will be quicker. The more you respond properly to sufferings, their effects will begin to diminish and diminish. 2) Less impact from the sufferings (increases our ability to take a hit) - Till you get to the point that some sufferings just don't affect us anymore. MM says he has heard testimonies of this from many different people over the years. o Way 2: Being strengthened in our inner man to be more than a conqueror-Romans 8:37 (not the ability to take a hit but the ability to give a hit, not against the other person, but against the evil of the suffering itself) 'our offensive strategy' * Sufferings or the attacks being used to defeat us are actually being used for our good (take the things that would normally destroy/discourage us and take them strengthen/encourage us)
Supplemental	Bare Bones : Sonship Suffering '25	1) We learn to love God for allowing for the sufferings that come into our lives (can only do when we look at suffering from God's perspective, have to have His perspective about - advanced doctrine - have to see the bigger picture so this becomes a reality for you; when you can do this then things start happening in you that can change you; sometimes there is nothing you can do about the sufferings) - When you see what He is doing with the sufferings, you love Him for it. If you are not to the point of being able to love God for the sufferings, start by thanking Him for the sufferings. But when you can love Him for allowing it to happen, it is really hard for the sufferings to beat you down. But you have to know about it. 2) We will begin to experience the truth of Romans 8:28 (can choose to believe or to not believe this; if you believe, need to put it into practice) - We love God for not only the good things but that bad things, knowing that even when God allows the bad things to happen, He can work that for good, which means you can love Him for that as well. But if you are not responding to those sufferings properly, you are blocking that good from happening in that. We spend our whole lives trying to avoid sufferings.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	MM not saying we should rush out and look for sufferings. But when we do nothing but focus on avoiding the sufferings and not allowing the sufferings to do anything in us, then there's things that could be working in us that can't be produced any other way. And those things are vital for us to become who we have been designed to be as God's sons and daughters. When we learn to love God for allowing this thing, because we see the good that is being produced, we also experience the truth of Romans 8:28. MM says this is advanced Sonship, this is not the way we automatically feel about sufferings. If we don't think about it the way He thinks about it, we'll never be able to respond to it in a way that actually works for our good. It is not natural to love God for allowing the sufferings in your life. MM is not asking you to pretend to, he is trying to set that stage for how that actually becomes a reality for you. It is not natural to respond to sufferings like they all work together for good. But the Bible says that's the way it's supposed to be. Can believe it or not believe it. And that's a decision you have chosen because of the trustworthiness of God to believe that is true. Now that you believe that, you have to take the rest of the doctrine that goes along with that and put that into my every day life and put it into practice. - GOOD: Edificational benefit
Supplemental	Bare Bones : Sonship Suffering '25	3) We become sensitive to the experience of others' sufferings (not in a judgmental way, in a compassionate way) - because we see what this is about, we really understand something now about why God has allowed it to happen the way that it is happening. This gives us greater sensitivity to the sufferings of other people. - When the doctrine is working in us properly, we get involved in helping them physically or spiritually, depending on the kind of help they need. Think about office of mercy, rejoicing and weeping-Romans 12:15, etc. - When you begin to respond to sufferings properly, you really gain the perspective now that when you see other people going through things, you will become sensitive to that, you will understand your part in helping this process of edification. Doesn't mean helping them suffering, talking about comforting them in the middle of the suffering and encouraging them. - When people are going through some kind of suffering you will know where they are in this process and you can help them since you can see where they are. Not a judgmental thing.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	4) Our sufferings have eternal ramifications (even the little sufferings, even the big sufferings, they all have eternal ramifications) - This is shaping you and is going to be impacting your eternity. * We use sufferings to accomplish God's Will - you can use sufferings to carry out God's Will - EX The Cross/in Redemption - every single thing Jesus suffered during His life was necessary. MM researched scholars on why God did redemption the way that He did it. First, because He is God and He cannot be unrighteous and He cannot be unjust. Because of who He is at His nature. Things have to be done with these attributes in mind. God can't sweep sin under the rug because of this. He is Just and cannot oppose His own Justice. The big question is was there another way for God to deal with sin and redeem people other than sending His Son to the Cross? Some say, yes, and they have different ways or reasons, He just chose this one and different reasons why. Then you have another group that says there's no other way for this to be done. If God is actually going to deal with sin and evil and unrighteousness and He is going to do it in a perfectly just way that is true to who He is as God, then these are the things that must be done in order to accomplish that.
Supplemental	Bare Bones : Sonship Suffering '25	MM thinks this is the way it had to happen because of all the other arguments, none look plausible. He understands how this one works and why, without the shedding of blood, there is no remission. He understands why Jesus needed to die in a way where His Blood was shed. But none of the other scenarios make sense to him. Maybe we will get up there and the Lord will say, MM was wrong about this, I could have done this 15 different ways. Point: Suffering accomplishes God's Will in Redemption, but suffering accomplishes His Will in something else too, because Jesus didn't just suffer on the Cross. MM will show later in the study. MM will show you the things Jesus suffered in His Life during His ministry and why every single one of those things was necessary. Because on the Cross, He is not just paying for sins, He is also making a provision for us to be able to share in His Victory over every bad thing that can happen to you. And in order for that to happen, those bad things had to happen to Him. And then He had to make an Atonement on the Cross so that we could take His Victory and it could be given to us to live in our every day life now. So just like positionally as far as your authority in Christ, you are seated with Him in heavenly places, far above all principality and power and might and dominion and every name that is named.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	You got that because of what He accomplished and the because His Death on the Cross was vicarious, meaning He could take what He did and now apply it to others, you get to share in that, that He was victorious to accomplish. So all of those sufferings that were going on in His Life beforehand and right up to the Cross itself, but not including the Cross, He endured all of those because He is providing a victory over every bit of that for us as we live in this life now, 2,000 years after the Cross. That's what makes you more than a conqueror. He provided that. If you don't want to live out of that, OK. But here's the thing, His suffering accomplished God's Will in redemption, but it also accomplished God's Will for you to live victoriously in your life every day. That's the mystery component of all of this. * Suffering is connected to the spiritual: Suffering is never just about our physical bodies, but it always has a spiritual dimension to it. Sometimes it is easy to make the connection between the spiritual aspect and some kind of physical suffering. EX martyrs burned at the stake because they wouldn't renounce their faith in Christ, persecuted for our faith, refuse to do evil. Easy to see the physical suffering connected to this spiritual issue. Easy to make a spiritual to physical connection. Every kind of suffering has a spiritual component to it.
Supplemental	Bare Bones : Sonship Suffering '25	- Every suffering has a spiritual dimension, even when your car breaks down or have a migraine headache. Easy to see some but not easy to see others. This is true for every kind of suffering. Doesn't matter how small or how big it is or where the source of it comes from. Does it come from the adversary? Does it come from this fallen world? Does it come because of something you did in ignorance It doesn't matter. But if we respond to sufferings properly, it does have an impact on us spiritually. * The experience of suffering prepares of for eternity - the experience of suffering prepares us for the time when we leave this earth and inhabit the heavenly places where we will labor with our heavenly Father together as THE ONE NEW MAN-Ephesians 2:15, as the body of Christ. Ways our suffering prepares us for eternity: o Way 1: By transforming us (suffering is part of a spiritual process to conform us to the image of His Son) - the most important reason to endure our sufferings with patience and faith although they are all important - Your Father means for you to look at every suffering, no matter its severity or its type, and use it to be conformed to the image of His Son.
Supplemental	Bare Bones : Sonship Suffering '25	o Way 2: By giving us a joint-heir inheritance: We learn to share in His victory over the sufferings by allowing His life to be lived in us, and as a result we share in His exaltation; we are “joint heirs with Christ.” - MM references Romans 8:17. * Suffering is never for nothing (No suffering for a believer in Jesus Christ is meaningless) - helps answer the question of 'Why?' Some reasons are true for the lost & saved and then others are true just for the saved. o Sufferings have meanings in that: * Sufferings temper our actions. God allows sufferings because actions are meant to have consequences. Whether we didn't realize it would happen, we did it by accident, or we did it on purpose.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	o Consequences of suffering tempers our actions. When actions have consequences, it makes a difference in how people behave. Consequences are meant to temper our actions. If you know when cooking with an iron skillet that the handle gets as hot as the rest of the pain, you will remember to put on an oven mitt to insulate your hand so you can pick that thing up off of the stove. Because sufferings have consequences and as a result, they temper our actions, they change the way we behave. * Satan is clever in what he has done because people who don't understand what we are talking about think this way - why did God allow this suffering? Because actions have consequences and those consequences are meant to impact your behavior, those suffering consequences so you won't do that anymore. The reason that we experience a lot of the sufferings we have is because the consequences of people who are making those kinds of choices. We want to do whatever we want to do and God will magically erase any of the consequences. Thinking that God should override the consequences of our actions to alleviate suffering would be like living in a cartoon world, where nothing really matters. A cartoon world is I can do anything I want to do, how dare God allow something bad to happen? A world without consequences would be impossible to navigate in reality. You would have no way to navigate that kind of life. We need our actions to have consequences because we are creatures with a free will. That is part of what it means to be made in the image of God.
Supplemental	Bare Bones : Sonship Suffering '25	* Whenever you give people free will, you are taking the risk that they will exercise their will in ways that cause others to suffer because without free will, nothing has meaning. o Sufferings educate us about sin: God allows suffering so we might see the results of our sin and it might motivate us to holiness. Our sins, even what we may consider to be “little sins” all have a cumulative effect to produce this present evil world. The world didn't become evil because of something someone did 10 minutes ago. The world's become evil because of what it's been becoming all along by so many people contributing to that. When we look around the world and see the suffering and we don't like the suffering, and the tragedies, and the evil that men do, God means for us to see what sinners have made of this world. This is what happens when we abandon God and go our own way. This is what that produces. Satan has turned the narrative to look how God as allowed suffering. God didn't do the suffering. Men did that when a guy kidnapped a kid and abuses them, God didn't do that. The wickedness of a man did that, put it where it belongs.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	God allowed him to do that because everyone is given a free will, not a robot. When you are not God and given a free will, now you are giving people the ability to do evil. The only one with free will who cannot do evil is God because of who He is. It's not that He can't do it because He doesn't have the power, it's that He can't do it because of who He is, but we're not God. We have the ability to exercise our free will. Don't say it would be better off if man didn't have free will. If you didn't have free will, life would have no meaning. But free will means people do bad stuff. So God, to try and mitigate that, actions, good or bad, have consequences. o Sufferings perfects/completes us: It is not the sufferings themselves, but the spiritual work that is done in our inner man as we respond properly to our sufferings, that is what completes us/perfects us. Because you are suffering, it doesn't automatically mean you are being perfected. There are some things which cannot be done in us apart from suffering. MM does not believe that God is ordaining, calling for, and actively putting the specific sufferings into you life that you are going through. Have a car accident on the way home? God is not ordaining that. God is not using disasters or sufferings to punish us. We live in the DOGG. That means we are not under a performance contract. And God is not imputing men's sins unto them, actively in this lifetime-2 Corinthians 5:19
Supplemental	Bare Bones : Sonship Suffering '25	o God does something amazing with our sufferings. He is able to do this because of the sufferings that Jesus went through and because of Christ's righteous response to all His sufferings, and through His atoning work on the Cross and His Victory over all those things, God can now redeem suffering. God took the evil of suffering which is designed to destroy and do bad thing , and He redeemed it, so now that same event can be used to accomplish His purposes instead.
Supplemental	Bare Bones : Sonship Suffering '25	Session 2: Title: The sufferings we choose to endure, or choose not to endure - These have an obvious purpose. For the most part, these are the sufferings we choose to endure, or choose not to endure. Our sufferings work to perfect us. The ways we get perfected by our sufferings: 1. To conform us to the image of God's Son (we underestimate this, understand what a big deal this is to God, what He wants more than anything else - sufferings are a big part of making this happen, a big piece of the puzzle) - It's not that God designed everything that we could suffer. But in His omniscience, He knew before the foundation of the world everything that we would go through. And because He knew that He made a provision for us with regard to suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	- When sin comes into the Garden, everything got derailed/off track. Now, we are living in a sin cursed, fallen world. It's not God's perfect plan where we are but He knew that so He plans the redemption of mankind ever before men are ever created. Point: None of this is taking God by surprise. And He doesn't expect us to deal with sufferings on our own, He made a provision for that and MM says he is really glad for that. Men who don't know have created whole philosophies to try to deal with sufferings that come into their lives. Four Worldviews/Philosophies that men have put together on Sufferings and Dealing with the hardships that just living in this world can bring about: 1. Stoicism: Been around a long time. Today, it is still around but it is encapsulated in little phrases. EX 'Grin and bear it', 'have a stiff upper lip', 'tough it out'. This is something that you would try and do on your own. But what happens when something comes up that's too much for you tough it out yourself? And there's not much comfort in that. 2. 3. 4.
Supplemental	Bare Bones : Sonship Suffering '25	- If you don't respond correctly to the sufferings, there's no conformity going on. 2. By Christ being formed in us. Sufferings alone will not work for our spiritual benefit, but we must respond properly to our sufferings. The sufferings are the opportunity for work to be done in us which cannot be done any other way. But the truth is, many believers are not perfected by their sufferings; their wrong response to their suffering prevents them from obtaining the good which God intends to produce in them. They do not patiently endure their sufferings; they are not perfected by them, and God's strength is not being made perfect in their weakness. Important truth - God has "redeemed" our suffering means: * within the whole multi faceted package of redemption, God has specifically accounted for the sufferings that come our way. He has redeemed our sufferings by changing the natural, evil effects of sufferings to produce something good which He wants to accomplish.
Supplemental	Bare Bones : Sonship Suffering '25	* the redemption which Jesus provided includes a "salvation" from suffering. That does not mean that we will be delivered from experiencing sufferings, but that is a shorthand way of saying that He saves us from the debilitative effects of our sufferings. * through His life and work on the Cross, the Lord Jesus made it possible for pain and suffering to be used to benefit us and accomplish God's purposes in us. He can take a bad temporary thing (like our suffering), and turn it into a good eternal thing, (like our glory). It means God can use it to accomplish His will. When we understand what our suffering is for, then we can endure it in a godly way: with patience and faith. Let's take the case of the Lord Jesus Himself and the suffering He was to endure both in His life and on the Cross of Calvary.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	Sufferings basically come in two big groups: * SOPT: GH: Don't know why they are happening other than we live in a sin cursed world full of natural evil and moral evil. Tougher to go through when you don't know why it's happening to you. * SoC: Know why these are happening to us and see the reason for going through it. If you know the why, it's easier to see the purpose of it. Know why the suffering is happening to you that are for a purpose, it is easier to endure these. You have to learn to respond to sufferings in a godly fashion because if you don't, all the good things that are supposed to happen, you're going to miss. EX conforming us to the image of Christ. But if you don't respond properly/correctly, there won't be much conforming going on. None. MM says a lot of people just say by the grace of God I made it. But they really just toughed it out. And didn't get the benefit. If you ask most believers in what way is grace sufficient for you when you go through suffering they would have no idea. If you don't know how that works then it's going to be pretty hard to implement that into your life.
Supplemental	Bare Bones : Sonship Suffering '25	God made a provision through His Son on the Cross that when Jesus died, in the redemption package, there are multiple things. MM draws a box on the board. The one that everyone knows about is when you trusted Jesus as your Savior, you received a salvation from sin. Everybody knows about that one. It's the heart of the gospel. But if you look in the box, you also got a salvation from suffering. When saved from sin, doesn't mean sin disappears and you are no longer tempted with sin and it disappears. Get saved from the punishment/penalty of sin. That's an affect, saved from the effect. What you are really saved from is not from never having to see that anymore, but from the effects of it. Salvation from suffering is short hand for saved from the effects of suffering. Not from never ever seeing the sufferings, but saved from the effects of it - pain, depression, frustration, anger, make you quit. These are the effects and suffering can be debilitating. Doesn't have to be a big thing, can be little things over a continued course of time. MM thinks about Chinese water torture. May not get you in the moment but may get you eventually if it continues to happen. Show you how to pull this out of your redemption package and put it to work in your life.
Supplemental	Bare Bones : Sonship Suffering '25	*In this world, we know that there's going to be suffering. And if we are going to handle it in a godly way, we're going to have to make a distinction and the sufferings we are discussing today are the SoC. In a way, these are easier to deal with than the SOPT because we know why we are suffering these things. It's those others we go, why in the world is this happening? In that sense, we can see the purpose a little better. The sufferings for 'Christ's Sake' or SUFFERINGS OF CHRIST-2 Corinthians 1:5 are sufferings that we choose to suffer because we are suffering 'for' something. We see the purpose behind our suffering. When we suffer for Christ's sake, then we know what we are suffering for, and we should, like Christ, suffer willingly. 1. We may suffer persecution for your belief or faith in Christ (trusting Him as your Savior). The world is increasingly opposed to God, and our suffering may increase accordingly. - Sufferings for Christ's sake means you may suffer for your belief in Christ. There's been a time in this world that simply being a Christian may have cost you your life. Today, in the USA in 2025, you're not being put to death because you are a Christian.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	There are not a lot of coliseums where you are hacked to pieces by gladiators or fed to the lions. But there have been times like that in times past. But even today, there are areas of the world that are dangerous to be a Christian. 2. We may suffer for refusing to do evil. The world does not like righteousness, it will even have a little name. It will call you 'a do gooder', a way of kind of barbing you and you may suffer for it. The world always wants a companion in evil, and if we are unwilling to participate, we may suffer. - MM tells about pressure in high school to do bad things. You refusing to do evil may cost you something. Some people, it may have cost them their job because they are asked to do something that was absolutely wrong. When we refuse to do evil, there may be consequences for that. 3. We may suffer for righteousness or godliness sake. The world doesn't like righteousness. You may not only suffer for not doing evil (#2), you may suffer for doing the right thing.
Supplemental	Bare Bones : Sonship Suffering '25	2 Timothy 3:12 - In this country, you are not going to get thrown to the lions. But you may get a range from just being ostracized or slandered or having some kind of impact in the job market you are in. 4. We may suffer for the faith, for espousing a certain set of doctrines that we live by everyday. These are the very important ones that Satan absolutely hates. a. Right Division/RDW. This is how you understand the Bible. The more people know about this, the more things they can get right in their Bible, and the more they can actually live for God. b. The dispensational change. Don't know/understand there's been a dispensational change, you will think you are part of Israel's program, you will think you are under the law and get confused about what things belong to you and what things don't belong to you. You won't understand how God is dealing with you today, you won't understand that properly. c. Grace and not the law. Satan hates this because if he can get you to live under the law, he'll put your spiritual life to death. - He doesn't want you to understand grace or live out of grace, he just wanted you to be a rule follower. That way, we'll be doing it out of the energy of our flesh.
Supplemental	Bare Bones : Sonship Suffering '25	d. Your identity in Christ/Who we are in Christ. If understand who you are, he doesn't have near as much ability now to make you miserable and to afflict you and to deal with you, because you are not as easy a target for the adversary. e. Who you are as part/a member of the body of Christ. - If you understand this, you understand your future is very different from that of Israel's, that's going to be in the heavenly places as part of THE ONE NEW MAN-Ephesians 2:15. We are not part of Israel in any way. f. Making known the mystery of Christ. - That which was kept hidden from the foundation of the world, but is now revealed by the apostle Paul. We have 13 epistles that are explaining all that things that go into that, they mystery of Christ. Satan would love to shut down that preaching and that teaching and that kind of communication among the saints.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	g. Defending the divine institutions. - These are things that God has put in motion on this earth for very, very important reasons. 5.We may suffer for opposing the adversary/For casting of the WORKS OF DARKNESS-Romans 13:12 or spiritual warfare. We realize that we are soldiers in a battle. We are not just bystanders or onlookers. - ENSURE HARDNESS, AS A GOOD SOLDIER OF JESUS CHRIST-1 Timothy 2:3; WITHSTAND IN THE EVIL DAY-Ephesians 6:13; CAST OFF THE WORKS OF DARKNESS-Romans 13:12 When we suffer in these ways, we should let the same mind be in us that was in Christ-Philippians 2:5; that we suffer willingly and rejoice that we are counted worthy to suffer for His name's sake. Our proper response to these sufferings is to endure them patiently, becoming obedient no matter the extent of our suffering. MM says easy to say but difficult to do. A proper response to our suffering means we do not bemoan our situation, but take on the servanthood and the suffering of the Lord Jesus Christ. Suffering is easier when we know what our suffering is for. Jesus knew what He was suffering for: the redemption of mankind.
Supplemental	Bare Bones : Sonship Suffering '25	Session 3: Knowing why you are suffering helps you to deal with it because if you think there's something about your suffering that makes it worth it, then you're able to endure that suffering more easily. Today in this country, we don't pay a price for being believers in Jesus that other people pay around the work or have certainly paid in the past. No matter where the suffering is on that spectrum, to be able to know that Christ is our Savior, we are not ashamed of that, we know what that's for. Another example may be making known the mystery of Christ, we willingly endure that suffering because we're standing for the truth. The ones that are hard are the ones where we're tempted to think that we're suffering for no apparent reason or there's not a good purpose behind that suffering. For a believer is Jesus Christ, suffering is never for nothing. Just because we don't see why something is happening to us, doesn't mean that it still can't work for our spiritual good. Because all of those sufferings work to conform us to the image of Christ if we respond to them properly. Suffering sometimes seems to come out of nowhere, out of the blue. But that's never really the case. Sufferings always come from somewhere. Our suffering always comes from something. Point: Suffering is always caused: - May suffer from our own doing, or it may be someone else's. Sometimes something we do, sometimes because of something someone else does.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	- May be accidental or not planned, but they happen, or it may have been done on purpose. - May suffer from something outside of ourselves, like an act of nature (EX home destroyed by tornado or fire or hurricane), which is beyond our control, or we may suffer from the attack of the Adversary. - The effects of our suffering may be temporary or, they may last the rest of our lives. - May be as mild as an inconvenience or irritation (EX mosquito bite), or it may be so severe as to be life altering (EX Paul's stoning at Lystra - MM says a brutal way to die. MM thinks the physical damage that was done often hindered him. Reasons why Paul often had a scribe. Many scholars believe that Paul had poor eyesight, damaged eyesight, from the stoning [GH: or the Damascus Road?]. And Paul was putting up with some things for the rest of his life.). Sufferings very in their effects and in their severity. - May be direct (specifically happening to us), or it may be indirect (we suffer because someone else is suffering that you care about very much). - Sometimes we can trace our suffering back to its immediate cause. Other times, we cannot.
Supplemental	Bare Bones : Sonship Suffering '25	- Some of the things which we suffer are avoidable (EX Decide NOT to rob a bank. Consequences: lose freedom, lost position as Pastor, lose his ability to minister like he does today, will follow and haunt you for the rest of your life - every day people make poor life choices), while other things which we suffer are not. If there are ways to avoid suffering by making wise, godly decisions instead of making terrible or foolish life choices, we should endeavor to eliminate these sufferings. Why pile those on? Separate our sufferings like we separate our laundry. - Sufferings to eliminate (ones we caused, ones we have control over, & are not necessary - one where we made really bad choices) - would not include SoC Otherwise, you are thinking, I'm going to go make opportunities for me to suffer. MM doesn't think that is what God is after, doesn't believe Paul is teaching that at all. There are plenty of sufferings that are going around that you don't need to go look for them.
Supplemental	Bare Bones : Sonship Suffering '25	- Sufferings to respond to (there's a godly way to respond to these sufferings) The proper response to sufferings: Most people have never been taught how to endure sufferings so that two things happen: 1. So that they are not overwhelmed with their circumstances. 2. So that they now respond properly to their sufferings that they may now benefit for having gone through them. These are two things MM really wants us to learn because we live in a world where everyone suffers. Doesn't matter who you are, how old you are, what generation you're part of, where you live in the world, things are going to happen because we live in a fallen world and you cannot avoid that. MM would like us to learn how to change our perspective on suffering and then how to respond to them properly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	This will serve you for the rest of your life once you learn this principle. And just like the apostle Paul, you can have joy in a prison cell just like you have here when you're in the palace. When Paul talks about the things that are happening to him, he's not griping and whining and complaining because bad stuff is happening to him because he is no longer looking at it the way the whole world looks at it. He's now looking at it from the viewpoint of his heavenly Father. And he has learned some spiritual truths that has changed his perspective on suffering. The difference between misery and joy are those two things, our perception of suffering and our response to it. And if you can start looking at it differently, you can truly have joy in the midst of your sufferings. Learning to respond properly to the sufferings of life: - Help us in our spiritual growth - Help conforming us to the image of God's Son Will be invaluable to us.
Supplemental	Bare Bones : Sonship Suffering '25	*Benefits of Suffering/5 things God is doing in the midst of your sufferings/Enduring our sufferings with patience and faith: Benefit 1. To be conformed to the Image of Christ - most important & really does happen - this is the Father's number one goal for each of us/every believer & therefore, this needs to be our number one goal. This is so much His Goal that He has predestinated that this is going to happen to everybody, starting either here or in the AGES TO COME. We understand that our sufferings are directly related to our conformity to Christ. This is tied to what God wants to do for you and that's tied to His glory. So it is not a selfish thing to want to be conformed to the image of God's Son, because this is how His Life gets made manifest in these mortal bodies. Should want more than anything. - MM thinks this is a continual process in eternity.
Supplemental	Bare Bones : Sonship Suffering '25	Benefit 2. To teach others how to endure their sufferings without being destroyed by them: Once you have understand how to go through the sufferings so that they're not destroying you and they're not discouraging you and you don't get into despair, you know have the ability to show someone else how to get the same benefit through their sufferings. MM points to the list of stuff that is happening to Paul. You read that and think, oh my goodness. And if you ever think about how the effects of those things are being carried with him...how many times did Paul receive 40 stripes save 1? Five times beaten with rods? What do you reckon his back looked like? Point: There are lingering effects sometimes from sufferings and Paul understood here is the way to deal with that. He said this, these things are happening to me so that I can show you how to go through them and not be destroyed by them, but to actually benefit from them. To turn that completely around. You call that redeeming our sufferings. It's taking this thing suffering and trading it in for something else. And Paul learned out to do that. MM jokes that Paul asked the Lord, 'isn't there another way for them to learn?' But there's not. So Paul goes through it for us. And when we go through it, we might was well go through it right, so we can help others to go through it as well. Like Paul did for us, we can show others what sufferings are meant to produce.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	Benefit 3. To learn how to get comfort ourselves, and by which we comfort others. - This is not just God throwing you in a painful situation and He just wants you to grit your teeth and tough it out, and now good stuff is going to happen. There is a comfort that is available in the midst of that. It doesn't mean that God is going to stop something from happening, but you will be comforted in the midst of it. And that is an important benefit of suffering. Benefit 4. We can redeem our sufferings, which are directly tied to our JHI which we will receive at the JSoC. They contribute to the reward of the inheritance if we respond properly to the sufferings. - Point: You are going to redeem your suffering for a glory - MM tying to Romans 8:17-18. Things to understand: * No matter how bad your suffering is, the glory is going to be much greater - Romans 8:18
Supplemental	Bare Bones : Sonship Suffering '25	Benefit 5. It increases our capacity to glorify God - Tied to Benefit 4. When we respond to our sufferings properly, with patience and faith, then we are suffering WITH CHRIST because we are allowing Christ to live His life in us to respond to those suffering, and that is THE HOPE OF GLORY. The more we respond to our sufferings out of the doctrine, the more glory will be ours. Because you are going to be conformed to the image of God's Son and because He is infinite in who He is as God the Son, MM thinks eternity will see us continuing to be conformed to the image of His Son. He doesn't think we'll ever get to the place where we say 'I'm completely like Him now, I've got every facet, I've got it all'. We sell it way short because He is infinite in His character and in His goodness and in His righteousness. MM thinks eternity is nothing but an ongoing process for us to continue to be conformed to His image.
Supplemental	Bare Bones : Sonship Suffering '25	Session 4: We live in a fallen, sin cursed world, everyone around the world suffers of some type to some degree at some time. But God, in His wisdom, has given us the ability to endure those sufferings, and to even profit from them both now, as we are going through them, and also in eternity. MM reminds of the 5 ways that suffering works for our good. To obtain these benefits, we must change our perspective on sufferings, and instead of looking at them like, 'oh no, oh brother', we now begin to look at them differently and we respond to them out of the doctrine given to us by our apostle, Paul, and not out of our flesh. If suffering is unavoidable (it is), and it can actually work for our good (Romans 8:28) if we respond to it properly, then it makes sense for us to take full advantage of every opportunity of suffering that comes our way. So don't waste your sufferings. We waste our sufferings if: we fail to see the hope connected to them.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	(At least) 10 Ways to Waste Your Suffering (2026 Reunion - Theme will be Sonship Suffering - Book connected with it) - We waste our suffering if: 1. If we fail to see the HOPE that is connected with that/our suffering. - Every suffering has a hope attached to it. Three examples: EX Get older and don't recover as fast as we used to, and we age. HOPE: Get our new body, our glorified body. EX As we suffer with Christ. HOPE: JHI EX As we suffer in the faith or for our faith. HOPE: The glory that shall be revealed in us that will make our suffering pale to nothing in comparison. - Even though we may suffer death, we have hope of eternal life. Just because your body is going to die doesn't mean the end of it.
Supplemental	Bare Bones : Sonship Suffering '25	- When we fail to see the hope: - you will miss the comfort you will get in the midst of the suffering - you're going to miss the opportunity now for the glory in the future - you're going to run the risk of having your suffering be more than you can handle - Need to have the thinking of the Father and Son about sufferings - TRAVAIL OF HIS SOUL-Isaiah 53:11 - He would see all the things that would be produced as a result of His sufferings and He would say that was worth it. MM also tying TRAVAIL to the labor pains a woman endures because she knows something good is coming. Also, the reason that it pleased the Father to bruise His Son for our iniquities is because He saw something good was going to be produced by those sufferings. This is the same thinking that we're supposed to have in our mind.
Supplemental	Bare Bones : Sonship Suffering '25	- Whenever we experience suffering, we should immediately think: something good is coming! Put this into practice, at every occasion of suffering in our everyday lives. Get used to saying 'on no, not this', say 'something good is coming'. Because this gets your thinking now toward the doctrine. That's what it is designed to do. EX Plumbing problem - instead of getting frustrated, remind yourself of the doctrine by saying 'something good is coming!' (and MM doesn't mean the plumber is coming, talking about spiritual benefit in your inner man) and think about what that good is and how it will be achieved. Because here's an opportunity to be conformed to the image of God's Son. Think about the good and how that's going to be achieved. GH: Memorize the 5 benefits of suffering. Decision: I can be irritated because this is not how I wanted to spend my time, or I can realize that earthly things don't last forever and joyfully engage in repairing the water line, doing it as unto the Lord. This is not an inconvenient thing I need to go do, but now this is an opportunity for me to serve the Lord, even thought He didn't cause the leak.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	This is the attitude able to do that and now be able to respond to that in a way that is different from the way that you would have responded before because of the doctrine. - The little sufferings are not just practice, they are part of the game of life. And the more we respond to that, the more and more we train ourselves to look to the doctrine in all the things that are happening. So, don't waste your suffering by dealing with it out of your flesh. Because when you deal with it out of your flesh, you're not looking at the hope, you're just looking at your circumstance. You're just looking at your suffering. You have to see beyond the suffering to what was being accomplished. Christ saw beyond the suffering and what was being accomplished. The Father sees beyond what is happening to His Son, to what is being accomplished. The more times that we can think about it this way and respond to it, the more we are being conformed to the image of God's Son. The little things are going to pile up and make a big difference. But the converse of this is, the less that we think about the doctrine when we encounter sufferings, the less we are being like Christ.
Supplemental	Bare Bones : Sonship Suffering '25	- To have the mind of Christ, to have the character of Christ in us, that means to do the things we ought to do in connection with it. To manifest His Life in us, is going to take time and effort, because this is not the natural way to view our sufferings, even the little ones. And it is not going to happen by itself. So it is easier to develop that proper response to our suffering if we start off working on the little things. - Knowledge and wisdom, we can develop on our own by studying and reflecting on the doctrine and we can learn. But developing the character of Christ can only really be developed in our everyday lives as we're living out of the details of that, the sum total of our everyday decisions. And as we are making decisions about what we are going to do, how we are going to respond temptations, what we are going to do, what actions we are going to take, this is where the character of Christ really comes into play.
Supplemental	Bare Bones : Sonship Suffering '25	That's not something you could just go on your own. You can think about it and that's great, but it's really got to happen as you're living your life. So it's only when we're under pressure and we're forced to choose one way or another that we'll either live consistently with the doctrine or we'll live in the energy of our flesh. And whatever we choose exposes which character we have. Here we demonstrate our true character; is it me, or Christ in me? The edificational payoff for learning to live the doctrine in the details of our lives is tremendous. Developing the character of Christ in us is the highest achievement we will attain to in this life. The degree to which the life of Christ is being lived in us is the sum total of all the decisions we have made up to this point. The more times we have deferred to the doctrine, the more the life of God's Son is manifest in us. The more times we simply live without thinking about how the doctrine might impact what we are doing, especially in the area of sufferings, the less like Christ we become.
Supplemental	Bare Bones : Sonship Suffering '25	To possess the mind of Christ, to have the character of Christ, to manifest the life of Christ in us requires time and effort; it will not happen by itself. It is easier to develop the proper mindset toward our sufferings if we start off by working on the little sufferings of everyday life. NOTE: It's not only NOT griping but understanding WHY you are not griping. You can not gripe in the flesh. The GOOD that is produced in the midst of our suffering is the HOPE that enables us to endure those sufferings with PATIENCE and FAITH. And if we fail to see the HOPE of our sufferings, then we're going to struggle endure the suffering to our benefit and to God's glory. And we'll miss the comfort that is ours in the midst of our suffering.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	Sonship Suffering Principles: - Principle 1: Sufferings are limited, they can only do so much, you can only suffer so much; there is a limit to what sufferings can do (Under grace, there is a limit to what the sufferings can do to us-2 Corinthians 4). They can only do so much. There is a limit to what sufferings can do to you. Can cause you discomfort, can cause you pain. Things they can't do if you are responding to them properly/correctly. Think of it as a line. Now that you are a believer in Jesus Christ, there's doctrine that is like God drawing a line and saying, OK, your suffering can take you right up to this line. And they don't all take you to that line. They can't go beyond that. - Principle 2: The sufferings and the consolation/comfort happen at the same time. Seems weird because people look at these as mutually exclusive. I'm either suffering or I'm not suffering.
Supplemental	Bare Bones : Sonship Suffering '25	I'm either sad or happy. I'm either suffering or rejoicing. The fact is you can rejoice in the midst of your suffering circumstances and those can happen at the same time. And that is part of the reason that there is a line that sufferings cannot go past when you employ the doctrine. And MM thinks that is really important. When we suffer, we can also be comforted at the same time. May seem weird, people think these are exclusive. You can rejoice in the midst of our sufferings. We cannot be comforted unless we are suffering. If you are not suffering, there is nothing to be comforted from. Verses: 2 Corinthians 4:16; 2 Corinthians 6:10. MM says it is possible for a Christian to be overwhelmed with their sufferings, it happens all the time. It is possible for a Christian to give up hope. That's why you need the doctrine. MM tying to 2 Corinthians 4:8. This is why MM makes a big deal about this. It's not just about you suffering and God sees it and don't worry, there's a reward for that. He actually means for you to endure sufferings as a CONQUEROR-Romans 8:37, and certainly not be overwhelmed by them.
Supplemental	Bare Bones : Sonship Suffering '25	We must distinguish between the event of our suffering, and the effects of that event. We are not delivered from the events of suffering, but we can be delivered from the adverse effects they have on our soul; specifically our hearts and minds. The doctrine does not provide escape from physical effects such as pain or infirmity. The event may be something physical, such as an injury or sickness of some kind. That may have some physical effects, which may, or may not, be reversible. - EX Out of work due to a car wreck accident: The doctrine can keep him from being over wrought as he recovers: Philippians 4:11-13 would be perfect for this situation. - EX Lose legs/permanent disability: The doctrine will not give him his legs back, but it will keep him from being so discouraged that he gives up on life. It will allow him to endure that disability to God’s glory as he uses it to be conformed to the image of God’s Son.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Sonship Suffering '25	The two above mentioned principles are connected in that, the sooner we engage with the doctrine, the sooner we are comforted; the sooner we stop the inward man effects of the suffering. The sooner we change our perspective on suffering, the sooner we see the good which is working for us in the midst of our suffering. The sooner we look to the “hope” of our suffering, the sooner we can experience patience and consolation. The doctrine does not remove the suffering, but it equips us to patiently endure it to our spiritual benefit and comfort; and by responding to the suffering in such a way, we bring glory to God. He is glorified: * as we respond to the suffering with patience and faith * as we rejoice in the good that suffering works in our inner man * as we allow the life of His Son to be lived in us as we endure it with patience and faith * as we prove that God's grace is enough or us to endure and rejoice and live for Him.
Supplemental	Bare Bones : Sonship Suffering '25	Clarification: The hope is commensurately, abundantly greater than the suffering. The longer our suffering lasts, or the greater it is in severity, the greater is the gap between our suffering and the glory; the more the glory outweighs the suffering. MM tying this to Romans 8:17-18 and 2 Corinthians 4:17. The greater our suffering, the more abundantly greater is the grace we are given to endure it; the more abundantly greater is the hope of that good which is being produced in us as we are being conformed to the image of God’s Son, and the more abundantly greater is the glory which shall be revealed in us, which is directly related to the glory of our heavenly Father. The worse our circumstances of suffering, the greater is the gap between the suffering and the glory. It may just be an irritation, but when we stop responding out of our flesh, it counts for a measure of glory. It may be a big suffering that we cannot avoid, but when we respond in godliness, it counts much more because the glory is so much greater than the sufferings. Easier to respond to sufferings by acknowledging the little things.
Supplemental	Bare Bones : Sonship Suffering '25	MM talks about Sonship decisions (Where to live, where to go to school, who to marry, who to work for) vs. situations where God does tell us what to do. For example: * When someone persecutes us we suffer it, 1 Corinthians 4:12 * When we give — we do it with no strings attached, Romans 8:8 * When someone renders evil unto us — we do not reciprocate, Romans 8:17 * When our enemy is hungry — we feed him, Romans 8:20 * When we are reviled — we bless, 1 Corinthians 4:12 * When we suffer tribulations — we do so with patience, Romans 8:12

Supplemental	Bare Bones : Theodicy : Sinless Perfection	Sinless Perfection: Why is there no such thing as 'sinless perfection'? MM says people think it is impossible because they look to do it out of their flesh. MM says if you are looking to do it out of your flesh, you are right, it's impossible. When Paul writes don't let sin have dominion over you, MM says he didn't write at the end of the verse 'occasionally' because no body can be godly everytime you have a decision to make. MM begs to differ. Everytime you make a decision to be righteous or unrighteous, no one is forcing you to be unrighteous. Have just as much freedom to be righteous as unrighteous. You were made DEAD TO SIN and ALIVE UNTO GOD so that could become a reality. If that is not a reality, then why in the world did He do it? If getting it right wasn't possible then why make us DEAD TO SIN and ALIVE UNTO GOD because evidently that doesn't work. Why did He say YIELD YOUR MEMBERS AS RIGHTEOUSNESS UNTO GOD and don't YIELD THEM AS UNRIGHTEOUSNESS UNTO SIN? Why ask to do that unless that was possible? We find comfort in saying well, nobodies perfect. MM doesn't think he is perfect but he is working on it. This group all fights the same sort of battles - not talking to a bunch of serial killers. Your sins are the same as MMs, they are in those little decisions through the course of the day, choosing to be righteous or follow our flesh and just do what it wants to do, which is unrighteous. ALL UNRIGHTEOUSNESS IS SIN and when you begin to see sin for what it really is, it's worse than jabbing your eye out. Need to see sin the way your Heavenly Father sees sin. You have the MYSTERY OF GODLINESS - God living His Life IN you and through you. This is something Israel didn't experience. You have the ability to be godly at every decision that you make in every day that you live. You have the free will to get it right or get it wrong and you don't have to get it wrong because you got set free from sin. You are training yourself now for a time coming in the heavenly places. This is just one aspect of 8 but this is an important one because if you don't get this done here, it will get done at the JSoC.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Sinless Perfection	There is a particular way that God will do that and Paul refers to it as THE TERROR OF THE LORD-2 Corinthians 5:11. Satan has sold us a bill of goods that your sins are not that bad, they are not that big of a deal, you can't be perfect, don't worry about it, etc. MM thinks that is ungodly thinking. He doesn't find any scriptures that teach him that. He does find scriptures where is admonishing him to be righteous and godly and to put it on display and not make up excuses as to why he is not. MM knows this is radical. MM loves his brethren but if they got him on the JHI this will be like open season. Need to work on it so the way you think about sin in your mind is the way your Father thinks about it in His Mind. Have to think about that and work on that and talk to Him about that. MM's life has changed again. Things that were difficult before, are no longer difficult for him. Just saying this is not theoretical thing he conjured up. Working in his life in measurable ways. It's a process, not a light switch. It happens pretty quickly but it is daily. Our knowledge of the consequences have not sufficiently impacted us. Either we underestimate the future consequences or we are willing to suffer the consequences. There is a well-known TV preacher who has claimed to achieve 'sinless perfection'. Then talks about that is what allows him to be able to view pornography for research purposes. MM says if you have allowed yourself to do that, you have not yet reached 'sinless perfection' because that is not a righteous act. Not how MM is defining 'sinless perfection'. PERFECT: MM taught that when the Bible talks about perfection, it is not talking about (GH: sinless perfection), it is talking about maturity or completion. But as he studied the verses, Paul is going to talk about maturity and completion as two separate issues. How mature can you become if you don't deal with the sin issue? Can you compartimentalize that? Doesn't it make sense that your ability to deal with sin is hand-in-hand with your increasing maturity IN Christ? We can all look back and say we've done better today than we have before because we have matured. MM doesn't believe you can compartimentize them.
Supplemental	Bare Bones : Theodicy : Sinless Perfection	Sinless Perfection: Term doesn't sit well with us. MM thinks there are several reasons for that: 1. Because of the things we have been taught - that no one can be sinlessly perfect/no one in this life/while here on this earth but will be without sin but we'd all be perfect when we get to heaven. What they didn't explain is WHY? (1) Why is it we can't be sinlessly perfect here and (2) How all of a sudden will we be sinlessly perfect in eternity? Wrong answers: a. People think we will be sinless in eternity because industry of sin will not be there in the heavenly places. EX No porn nor businesses to publish it. That is true but when Satan rebelled that industry didn't exist there either but that didn't stop him from rebelling against God. b. Once we get our glorified body, it will be impossible to sin. MM says this is a wrong assertion again. You realize that even though you are living in a fleshly unredeemed body with sin in it's members, we ultimately do not sin because we are in that body. MM knows plenty of preachers are going to disagree with him on this. We do what we do because of us, not because of the fact that we're in that body. Remember when you trusted Christ, you were freed from sin's mastery. You were made DEAD TO SIN and ALIVE UNTO GOD. When we sin, it's not because our body is making us do that, it's because that's what was in our spirit to do. The body may have carried it out, but it was in us to do that. When MM first came to grips with this, it was a little bit frightening, because that was a commentary on him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Sinless Perfection	MM says we don't need a glorified body to stop sinning. If you have the Life of Christ manifested IN you, you are doing/producing righteousness - the only thing that the Life of Jesus will produce. It's our spirit that needs to be reformed, not just get a new body. A new body won't do it any more than putting on new tires makes a car run better. If your spirit can be formed, it also can be transformed and that is what the Sonship doctrine is designed to do (GH: Romans 12:2). This is God changing people from the inside. There was no sin in Lucifier's or Adam's bodies when they sinned.4 c. People think that somehow God is going to remove any desire for sin. MM asks how is He going to do that? What are you expecting Him to do? MM asks is forced compliance really obedience? If God removes any way for you to choose what is contrary to Him, do you still have free will? Like you can do option A. That's not a choice. MM believes we will have free will in eternity which means He will not be some means override our free will or restrict our free will in eternity. This would mean God's Grace was insufficient to do 2 things: 1. Desire to stop sinning/for righteousness - if God has to do something to override GH: then His Grace is not sufficient 2. Power to do it. MM believes grace can produce this in us and it is supposed to be part of our edification and edification is going on right here and right now.
Supplemental	Bare Bones : Theodicy : Sinless Perfection	MM believes that same grace produces the desire to choose righteousness over sin but it also gives us the power to do it. One of the definitions of grace is the desire and the power to do the will of God. What does it say at the end of the DOGG that His Grace does not produce a desire in one single person to stop sinning and choose righteousness? And if it did produce that desire, evidently it is unable to have the power to follow through? MM says if you don't know what is a possiblity, I don't think you will ever achieve that. MM sees God talking to us like who we have been made to be IN Christ. If you are planning to do any of this in the power of your flesh you will fail and for most people that is the only way they know how to serve God. For most, it would end in frustration and failure and would make you say there has to be something that brings that to pass. MM says to be conformed to the Image of God's Son, letting Him live His Life in you, because when He lives His Life IN you, He is producing the righteousness of God. Not going to get that any other way. You have already been made the righteousness of God IN Christ. If that wasn't going to do us any good, why do that? If God still has to do some trick, means the Life of Christ IN you was incapible of stopping sin and producing righteousness. Available to every member of the body of Christ.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Sinless Perfection	The only alternative is to says it's our conformity to Christ that will make us sinless in the AGES TO COME. It is that process that will accomplish that for us in eternity. The conformity that is taking place now allows us to refuse sin and choose righteousness. There's not a conflicting verse. d. God is going to conform us to Christ by magic. MM doesn't find this one either. Believes it is the process of edification. Doesn't see anything in his Bible that says it's going to happen in a different way. Old days, MM thought you couldn't be sinless here, you have to be sinless there, and God is just going to do something to make this happen. 2. We have heard from from time to time someone who claimed to be sinlessly perfect when it was pretty evident from their life that they were not. There have been people in trying to exalt themselves and confered on themselves of being perfectly sinless. That hypocrisy is bothersome to us and we certainly don't want to put ourselves in that category. When we see that false claim of perfection, the hypocrisy of that really turns us off and bolsters that idea
Supplemental	Bare Bones : Theodicy : Sinless Perfection	that we are really not supposed to be sinless here although we believe we are supposed to quit sinning. A dilemma. We realize that there have always been pretenders - people who are claiming something that really wasn't true. EX People faking spiritual gifts to elevate themselves in the assembly. Just because there were fakers doesn't mean the real spiritual gifts didn't have real meaning. EX Acts 4-5 and the church of the believing remnant, people in Jerusalem were selling their possessions and laying the proceeds at the feet of the apostles for the support of the ministry there. Couple - Ananias and Sapphira - had a piece of land and sold the land. They laid a portion of the money at the feet of the apostles but claimed it was all the money. Wasn't a good ending for them. MM says this wasn't because they didn't give it all, it's because that CLAIMED to give it all and they did not. MM doesn't think Ananias and Sapphira were part of the believing remnant. He believes they were part of the POE that had infiltrated that church of the remnant. They were pretenders but doesn't mean their pretense negated the sacrifice of others in that assembly. POINT: We cannot allow pretenders to dissuade us from being genuine and true and leaving a bad taste in your mouth with the doctrine.

Supplemental	Bare Bones : Theodicy : Sinless Perfection	Sinless Perfection - Objections: - - Why did God put the tree of knowledge there in the first place? Couldn't He have put it out of reach somewhere? Or put an angel to guard it, so they couldn't eat of it? Or, just not had the tree in the garden at all? - Why didn't God deal with A&E before they had kids and passed down their sin nature to them? He had time, it isn't like Eve was about to deliver the day they ate the forbidden fruit. MM said he wouldn't claim sinless perfection and to keep that to yourself because: 1. It doesn't sound very humble and like you are bragging. 2. Makes you look like you are exalting yourself over everybody else. Not especially sinless. But if someone would ask a question on that, what would be a good answer? - First, that is not your business where others are in their Sonship education and doesn't really benefit you. Just worry about what is going on with you. - MM wouldn't ask people where they are at on 'sinless perfection'. - ANSWER: I am rejoicing in every opportunity to refuse sin by putting God's righteousness on display and hope to continue to do so.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Free Will & Sin Scenarios	2x2 Free Will x Sin - MM believes we will have free will and we will not sin - only choice that would glorify Him. Other 3 combinations don't fit at all. When it comes to free will, the choices are: o We will not have free will in eternity and we will still sin - makes no sense at all - opposes itself o We will not have free will in eternity and we will not sin - While this one would solve the sin issue, it would derail everything that God has planned for us in eternity. o We will have free will in eternity and we will still sin - This is not compatible with all we understand about eternity. No more pain, no more sorrow, no more sickness, no more death, the satanic policy of evil destroyed, and the return of righteousness to the heavenly places all indicate that sin will not be an issue in eternity. o We will have free will in eternity, but we will not sin - MM believes the last one is the truth of how things will be. The one the Bible paints. MM believes the reason God is allowing evil and suffering in this world is so that #4 can become a reality for us. He is educating us on the seriousness of sin so we will finally look at it the way He looks at it. We'll make decisions in eternity like He would make but not because He forces us but because we choose to do that. MM believes we will freely choose to refuse sin in eternity. If you disagree, MM has 2 questions: 1. What is God doing by allowing the sin and the suffering? It has to be something He can't accomplish any other way and it has to outweigh the suffering. 2. If you believe one of the top 3, you did the anti-Theodicy. How do you think God will bring that to pass? Through an education that will produce an edification in your soul. If this takes place any way other than the education, He has violated the free will that He gave you. If God is doing this any other way other than edified unto godliness, then he should have done it all that way.
Supplemental	Bare Bones : Theodicy : Blaming God for Outward Circumstances	Blaming God for Outward Circumstances: When people don't like their circumstances, there automatic default is let's blame God. Men blame God for things that are actually their fault-Proverbs 19:3. People who don't understand what God is doing by allowing suffering and evil in the world and ask questions like: - Instead of allowing evil and suffering, couldn't have God done this in a different way? - Where people wouldn't be suffering? MM asks what would he have done differently? Three answers: 1. Could have stopped A&E from eating of the TKGE by walking up and saying hey, what are you doing? 'Dog Collar objection'. He knew what they were about to do. He knew what the serpent was doing but He allowed it. Why didn't A&E get a dog collar and when they were about to do something that wasn't right, got that little reminder. How would you like to live this life or in eternity like that? How would you like someone correcting you everytime you were thinking or acting the wrong way?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Blaming God for Outward Circumstances	No one wants to live like that because you are no longer a free moral agent when that happens. One thing MM knows about me - we don't like others telling us what to do. Objection is absurd - asking God to do the one thing they wouldn't tolerate. People have this impression that we are going to be under oppressive scrutiny when we get to heaven but you are not. MM says you don't get a handbook about what you can and can't do at the Judgment Seat. Because you will have been conformed to the Image of God's Son, your desire will never be to do those things that would be in the handbook. God can feel completely at ease putting every member of the Body of Christ throughout the creature and know that is not going to get ruined like this earth. You don't have that type of freedom here. 2. Why did God put the TKGE in the first place? Why not out of reach or the put the angel with the flaming sword in front of it? Understand you are asking a different question with the same principle. Again, asking why didn't God limit my free will? If God did that, people would be up in arms yelling God is not fair!
Supplemental	Bare Bones : Theodicy : Blaming God for Outward Circumstances	3. Why didn't God deal with Adam & Eve before they had kids and pass down their sin nature to them? By God allowing them to reproduce children with a sin nature, and by allowing sin to produce its full consequences of suffering, God is doing two things: 1) For everyone: He is providing a context which allows men to fairly and freely, of their own will, without God putting his finger on the scale, decide if they want to spend eternity with Him or without Him (more about that later), and MM will explain the details of this in point #4. MM doesn't think people are going to hell accidently. 2) For the saints: God is teaching His saints a lesson upon which their/our eternity rests, how to live without sin without being forced to and without intimidation or manipulation. God is providing a context by which people in this world will genuinely decide do I want to spend eternity with the God of the Bible or not? God allowed them to reproduce knowing that there was going to be sin and suffering, knowing they were going to commit moral evil on each other, knowing that they would commit atrocities, because until we see those things, we don't understand Point 3: Understand the depths of sin. Because once you do, no one will have to tell you about it again.
Supplemental	Bare Bones : Theodicy : Blaming God for Outward Circumstances	By allowing us to experience sin and evil, God is educating us on how to freely choose righteousness and how to loose that longing for the pleasures of sin so that in eternity, that will never again be an option for us. This part of the education is a big part of being conformed to the Image of God's Son. This knowledge and this understanding allowed Him to live a life in human flesh and be without sin. If you say the only reason Jesus was without sin was because He was God in the flesh, then we don't stand a chance. But JESUS INCREASED IN WISDOM AND STATURE-Luke 2:52. He is an example of what can happen to a human but only after they have been justified unto eternal life. Because until then, they don't have the capacity to do this. Because if you are going to overcome the power of sin with your flesh it is not going to work. The eternal referee objection means you don’t have enough freedom to disappoint God, but you don’t have enough to please Him either.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	**Understanding the depths and horror of sin**: 1. shows us that the problem of evil is not with God, it is with people: God is not the one responsible for this. God is not the one who created evil and foisted it on the world. Adam did that in the garden. Then, men have done it ever since. It is people who do evil. The question is not "Why does God allow evil" but it should be "Why does God allow people/humans?" They are the ones that do the evil. 2. drives us to the doctrine: The suffering of others ought to/should make us think of sin as the culprit. Our own suffering is the result of sin. It may be Adam's sin (Natural Evil) or it may be someone else's sin, (Moral Evil) but every suffering can be traced back to sin. And that knowledge should drive us to the doctrine. It should produce a hatred for sin because we see what it is producing in the world. When we understand what sin is to God, we will abhor it, just like He does.
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	3. demonstrates there is no little rebellion against God: We underestimate how bad sin is. Little rebellion reveals that we will choose when to obey God, as though it must our kingdom, not His. MM says this is not a little issue. Evil is born when a creature decides it knows better than the Creator, there is no exception to that. This lesson is so much more important than most people think. Until we are convinced of the truth of this point, we are not ready for the ages to come. All rebellion is sinful to God and God hates all sin. The degree is not the issue, the rebellion is the issue. 4. justifies God's judgment - God is just for judging sin because of what it really is: God judged Israel according to the Law – this is one part of our bi-dispensational theodicy; the evil of judgments was part and parcel of God's dealings with Israel, the covenanted blessings and curses (defeat, famine, plague, sickness, etc.)
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	God is not unjust for punishing them. He told them exactly what the punishments would be and gave them time to repent every time. They are the one that said 3x let's make a deal. People mistakenly look back at that angry God of the O.T. and want to condemn Him. That is the agreement that Israel entered into because they thought that they could supply their own justification. We are not being judged in that way today – the longsuffering of God is the second part of this bi-dispensational theodicy. God is using His goodness in not judging men for their sin during this DoGG. This leads some to think of the "angry" OT God, vs. the more merciful NT God. Those sufferings were part of the "contract" with Israel. Just because God isn't judging the world for its sins today does not mean He is okay with it. He is not. 5. shows us that human evil has its own consequences - two ways: A. We don't ask why bad people suffer, only good. Because we think bad people deserve it, but we don't realize everybody is bad. But there are "none good, no not one"-Romans 3:10 according to Paul. By thinking that way, we are: a. losing sight of the point, everyone suffers (good and bad) because 1) we live in a fallen world, and 2) sin has its own consequences. These are not being orchestrated by God any more than He is directing the hurricane or the murderer or guiding us to an accident.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	b. Asking the wrong question. We are assuming that God should be shielding some people from suffering because they don't deserve it. We are then asking Him to stop real consequences and every wrong action has a consequence. Would be like living in a cartoon world. How could you live in a world with no consequenes? Again, it misses the point that natural evil and moral evil all have their own consequences. B. To ask God to mitigate the consequences of sin is tantamount to asking God to enable our sinning. You don't realize it yet but a very big part of your eternity is dependent upon God NOT mitigating the consequences of sin. Even so, God has intervened by the death of His Son, not to do away with the effects of evil in this present world, but to provide for two more important things: 1) the opportunity to avoid the penalty of sin by giving us, among other things, eternal life, and 2) the ability to "suffer with Him" as we experience those consequences has good eternal consequences. Don't think of the sufferings as just the big stuff or the PoE stuff that comes from Satan. It can be little things like irritations, inconveniences, disappointments, etc
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	Those sufferings are opportunities: • [GH: No. 7?] to be conformed to the image of Christ – this is what transforms us whereby we are "good" • to grow in grace – every suffering is a chance to mature, to gain experience in handling sufferings in a godly fashion and receive the "joint-heir" portion of our inheritance. And how do we do that? By: o not dwelling on the suffering or the circumstance: use the 5-second countdown to change thinking o by seeing this as an opportunity for godliness: ▪ in us, working to transform us ▪ on display, for men and angels to see (more about this one later) o by ministering to our offender (if there is one): bless them which persecute you/feed your enemy/ all with the motive of salvation or edification o by living out of the doctrine: no evil for evil/leave vengeance with God/overcome evil with good
Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	Our sufferings being opportunities to: • to put the life of Christ on display • to impact Satan's realm • to glorify your Father • and to become more than a conqueror 6. shows just how lost people are: The depravity of man shows atheism to be intellectually dishonest as it lays the consequences of human behavior at God's doorstep, the One they do not believe exists. Knowing just how bad people really are (in both their conduct and their heart) shows just how lost they are, how much they need to be saved.

Supplemental	Bare Bones : Theodicy : Understanding the Depths & Horrors of Sin	7. Demonstrates that no human government will ever achieve utopia; will never complete justice; all will disappoint you: Bothers MM when people think if we can just get this person in office, he'll be the Messiah for the country. That's never going to happen. That does not negate our responsibilities to it as a divine institution. 8. Allows the Cross to reveal the depth of human evil/sin, while human evil requires the greatness of the Cross - the extreme consequences of sin could only be rectified by God sacrificing Himself to pay the debt. The greatest possible payment, the greatest sacrifice which could be made, was necessary to pay the debt of sin. 9. Human Evil has Divine Consequences: God cannot look the other way, if good and evil exists, and they do, there must be an accounting. If sin is as bad as God says it is, then God cannot enable sinners by just ignoring it. He has to do something. All we have to do is look at what God allowed His own Son to go through to start realizing the depth of what we have done. I am not saying that bad things are God's punishment for present evils done, I am saying that after our lives on earth are over, there will be a judgment for those who have rejected God's offer of eternal life and the consequences they incur will be just.1
Supplemental	Bare Bones : Theodicy : Why God is allowing evil & suffering in this world	Why God is allowing evil and suffering: STORY: About 10 years ago, MM heard William Lane Craig says something that he didn't think much about at the time. "I don't think God could create a world without suffering unless it had an antecedent world (a world that came before) where suffering existed." He is saying we had learned the lesson. Maybe Craig was right. Maybe you can't create a world without suffering without an antecedent world. Then everybody sees it for what it is and then they know the cause and say we have to stay away from that. The only people that can learn that are ones that have trusted Jesus Christ as their Savior because until then, they are so much under sin that MM is not sure they can really get this lesson. MM thinks that you have to have spiritual fitness to be able to have that. Also requires edification but MM doesn't think lost people can understand this. This is that antecedent world. In other words, by allowing the full consequences of sin, through the whole range of sufferings which people see and experience, God is doing something eternal, beneficial and necessary; Why God is allowing evil and suffering: - He is educating the/His saints - on how to live throughout eternity, - with our free will still intact, (and here comes the part God was after) - without sinning! (You may not understand that yet, but hang on, you will before we are done.)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Why God is allowing evil & suffering in this world	If you begin to look at things this way, things will begin to make sense. Seems to say what MM is saying - that the suffering in this world is supposed to impact us sufficiently to make it possible to be another time in which we could be without suffering. Because God is allowing the full consequences of sin and the full range of suffering, God is doing something that is eternal, beneficial, and necessary. MM saying that everytime you have a decision to be righteous or unrighteous, you have the ability to be righteous (GH: on 'sinless perfection'). If we are not it is because we have chosen to not be. But to get there, the way you understand sin needs to change. GH: Why God is allowing evil in this world: 1. Necessary/Vital Good that He is accomplishing by allowing 2. Good is actually produced 3. He has the moral right to allow suffering 4. The good outweighs the suffering
Supplemental	Bare Bones : Theodicy : Correcting our ungodly thinking	If our thinking is unrighteous, it is sinful thinking. If our actions are unrighteous, they are sin. If our motives are unrighteous, our motives are sinful. Our problem is not going to be the terrible crimes against humanity, but how we allow ourselves to think and act. • Will we please our Father, or will we tell Him “No.” • Will we allow the life of His Son to be lived in us, or not? • Will we allow lust to be entertained in our minds or will we think godly thoughts? • Will we criticize and discredit one another or will we build each other up in the faith? • Will we respond to irritations and inconveniences with frustration and short-tempered display, or will we love our offender and seek to minister grace to them? • Will we be righteous, or will we refuse? These are all the “little rebellions” that we have to see are, at their core, doing exactly what Lucifer did; rebelling against God’s will.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Correcting our ungodly thinking	Our problems are not going to be horrible crimes against humanity, it's how we allow ourselves to THINK and ACT. Are we going to please our Father or are we going to tell Him no? Are we going to allow the Life of His Son to be lived IN us or are we going to say I'm not going to allow that? Are we going to allow lust to be entertained in our minds are we going to replace that with godly thoughts? Are we going to criticize and discredit one another or will we build each other up in the faith? Will we be righteous or will we refuse to be righteous? These are all little rebellions that take place on a daily basis that at their core, they are exactly what Lucifer did. There is a supernatural element that takes place when we change our attitude about suffering that take place in your inner man, not your body. Our right response to the SoC are essential to 2 things: 1. To our Sonship Life on this earth 2. To our ability to reign in eternity While the POE is designed to make us suffer. That is part of this contention between God and Satan on who is the rightful possessor of heaven & earth. God is not going to use His omnipotence to keep us from the SoC anymore than He is going to use His ominpotence to stop the suffering of children. We are supposed to joyfully endure those to His glory.
Supplemental	Bare Bones : Theodicy : Correcting our ungodly thinking	When we are tempted to sin, we should stop and think about it: • What are the earthly consequences of my actions? • What are the heavenly consequences of my actions? • How does this reflect on my Savior? • How does this reflect on my loved ones? • Is this an expression of godly love? What is this an expression of? What becomes sin for you is going to get changed. The bar is going to get raised. We can pretty much handle the commonly accepted forms of sin. The problem is, the more you learn, the more you are educated, the more responsible you are going to be for obedience. The more you grow in grace, the more you mature, the more you are conformed to the Image of Christ, the more you more you are edified, the more responsibility you have to obey the doctrine. If you learn things that other folks don't know, you will be accountable where they will not. It's about knowledge. Put the blame where it belongs (GH: Don't blame God). The first step is to connect every suffering back to sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Godly purpose for suffering	See godly purpose in the suffering - see our patient endurance of the suffering as an opportunity to: • Put the power of God's grace on display to the glory of God; we are demonstrating its sufficiency, just like our apostle. This glorifies Him because it demonstrates that His Grace is sufficient • Become more than a conqueror, as we defeat Satan in his realm by not succumbing to our suffering – this is real victory that has meaning! No small thing, big deal. How Ephesians 6:12 gets done. • Encourages other believers by modeling patient endurance of our suffering - has an impact on them. This is a benefit to our Savior - it is His body - of course it benefits Him • Develop our relationship with God by employing the doctrine we know, spending time in prayer with God about our situation, and gleaning additional insights from His word regarding our situation of suffering • Gain practical experience which equips us to endure greater sufferings in the future All because we are doing this in the NAME OF THE LORD-Colossians 3:17.
Supplemental	Bare Bones : Theodicy : Spiritual Discipline	Spiritual Discipline: a repeated bodily practice, which enables us to get good at certain things in life which we cannot learn to do by direct effort. Two types of Spiritual Disciplines - another big piece of the puzzle of the things you need to do in this life so that sin is no longer attractive to you - when sin is no longer alluring and attractive and shiny, look at and go why would that have ever been an issue for me?:
Supplemental	Bare Bones : Theodicy : Spiritual Discipline : Disciplines of Abstinence	Disciplines of Abstinence: where we "detatch, unhook, and abstain for a period of time, to varying degrees from the satisfaction of the normal, appropriate desires such as food, sleep, companionship, sex, music, comfort, finance, recognition, etc. – all things which are normally part of our lives. Meant to establish things in your body that actually come out of your spirit. - Solitude: the ability to just be alone - Silence: MM appreciates background noise but there is something to be gained from the spiritual discipline of silence - Fasting: the development of the ability to have joy when/while you are not getting what you want (very important). Jesus on fasting: Wash your face and look happy instead of moppy and undone making people ask what's wrong? and you sigh 'I'm fasting'. Can be with things besides food.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Spiritual Discipline : Disciplines of Abstinence	Fasting Benefits: - We are teaching our belly that it is not our God. - We are taking that time to focus more on disciplines of engagment. - We are developing the ability to have true happiness and contentment as our body makes us acutely aware that we are not getting what we want – in other words, this is a way we can practice rejoicing while suffering - Can you fast and smile? Fast and have joy? Fast and have peace? - We are demonstrating there is more to life than how we feel - We are practicing self-denial – keeping our body under subjection, like Paul - Frugality: doing it on purpose - Chastity - Secrecy: keeping things to yourself, learning how to wisely decide what should be said and what should not be said - Sacrifice: the ability to sacrifice without having to tell everybody about it or looking like you are just miserable
Supplemental	Bare Bones : Theodicy : Spiritual Discipline : Disciplines of Engagement	Disciplines of Engagement - Study - **Worship: True worship takes place at a personal level, not in a corporate setting (that is an idea of a preversion of what church is supposed to be like today)** - Celebration: Celebrate in a godly fashion those things that are worthy of it - Service - Prayer - Fellowship - Submission
Supplemental	Bare Bones : Theodicy : God's Provision	God provided us 2 things: 1. He provided a status IN CHRIST that makes living sinlessly possible. - He gave us this righteous status in Jesus Christ. He made us DEAD TO SIN and ALIVE UNTO GOD. Put us IN Christ. This had to be done FIRST because if you don't have that, you don't have any prayer of being righteous without that. 2. He provided a way for us to produce a righteouness that matches His, that is equivalent to His Righteousness. - How can a fleshly unredeemed body with sin in its members produce a righteousness that is on par with God's Righteousness? Because that righteousness is on par with His because it is His righteousness. It's not us producing something, it's Him producing His righteousness IN us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : God's Provision	Edified unto godliness process: 1) His word (which is meant to effectually work in us), 2) His Spirit (which He gave us when we trusted Christ) and 3) our proper response to His word, which all work together to produce the resurrection life of His Son (which is the means of our "walking in newness of life" not us "turning over a new leaf") in us. This is the mystery of godliness. When He sees His Son formed in our inner man, He calls that good. - Have to have trusted Christ as your Savior and received spiritual fitness. - Have to be edified by godliness so Christ is living His Life IN you. None of us are good unless it is God IN us.
Supplemental	Bare Bones : Theodicy : The Sins of a Son or Daughter	The kinds of sins MM is committing are probably the same type we are committing. Not a room full of serial killers and murderers. What do we do that is so bad? MM says it is worse than we think. Invent a scenario - a fellow Grace preacher is critical of MM and trying to discredit him so people won't listen. MM's flesh reaction is let him tell you about the things the Grace preacher doesn't have right - discredit him a bit. But if godly love and charity are really working in MM, Group suggested the 5-second count down. MM is not supposed to go down this road of retaliating, that would be rendering EVIL FOR EVIL. All MM is doing is making up an excuse to disobey what His Father is asking him to do. If He showed up in Person and asked you to do it, is MM really doing it? The real test is when MM doesn't have that sense that He is right there in Person asking him and then looking at him to see his answer. Test on where MM is at - is the doctrine in and of itself sufficient to respond in a righteous response to his critic? Now MM has a decision to make and what he chooses will tell him what he thinks about His Father's instructions but it will also tell him how much he thinks unrighteousness is really affecting this world. Because if he does it and think it is not really hurting anybody (GH: you are incorrect). Your Father is omniscient. He not only knows what will happen but what would have happened had you done something differently. It never happened but God knew what would happen - it was a possible future. MM think God knows all the possible futures.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : How to look at evil and suffering	Every sufffering in this world is a result of sin somewhere, sometime. God is good and just in allowing this so you can have a free will in eternity and experience the type of life of a free moral agent, not a creature that God is limiting and you just don't know that you are being limited. If we love Him because we have no choice, is that really loving Him? If we don't look at sin like our Father looks at sin it means those things have not sufficiently impacted us. 1. We haven't thought about evil and suffering in this way, that it was supposed to be teaching us a lesson that would keep us from sin and turn us to righteousness. Cancer is part of the natural evil that came from sin in the garden. A murder victim is a result of sin and moral evil. 2. We believe that some sins are not that bad and that most people are basically good. Means we don't see sin like God does and we just keep sinning. Find comfort in that phrase nobodies perfect. When you do this, you make other people the standard. The Standard of Righteousness is the Lord Jesus Christ and His Righteousness. You don't get to lower the bar. Nobodies perfect means no one cares enough to get over the bar. GH: We need to develop a godly hatred for sin so we stop engaging in it. MM says he is going to take his chances with seeing this education as keeping him from sin. We re say nobodies perfect, basically saying it is not our fault. MM is not saying he's perfect but he's further down the road than he was. Ever wonder WHY nobody is perfect?
Supplemental	Bare Bones : Theodicy : Contemporary Happiness vs. Conventional Happiness	We change things based on how the culture sees it. Classical happiness (the way we have forever understood what happiness was) and what the world now understands to be happiness. True happiness never comes from instant gratification. The things that bring true happiness are worth living our life/focusing our life for. ***** Contemporary Happiness ***** ***** Classical Happiness ***** Pleasurable Satisfaction (why kids are bored) Virtue & Well-Being - Now have a whole society looking for pleasure instead of happiness An intense feeling Pleasure in contentment Dependent upon external circumstances Springs from within/Comes from inside

Bk-Ch-Vs	Bible Margin	Verses / Commentary	
Supplemental	Bare Bones : Theodicy : Contemporary Happiness vs. Conventional Happiness	Transitory & Fleeting (Six Flags ride) Addictive & enslaving (got to be exciting all the time) Split off from the rest of life - EX Watching ballgame - nothing translates into being a better dad, husband, Christian, employee, neighbor Doesn't color rest of life/Creates false & empty self Strategy: Achieved by self-Absorbed narcissism - entertain me, make me happy, I'm bored Outcome: Success produces a celebrity Life without God	More permanent & stable Empowering & liberating Integrated w/ whole personality, colors everything else, creates true self Strategy: Achieved by self denying Sonship Outcome: Success produces a godly son (hero) Life with God
Supplemental	Bare Bones : Theodicy : Worldview No. 1 : Scientific Naturalism	Scientific Naturalism (secular): Biggest one - basically says the physical world is all there is, the only legitimate forms of knowledge are the hard sciences, and we can only know what is true by that which we can tested by science in the laboratory and observed through our five senses. The only thing that is real or knowable is the phyiscal. They see a table and say yeah that's real. If it is not physical, it is not real, not a real area of knowledge. They would deny things that are not physically testable in the laboratory or observable by your 5 senses. If you talk to them about the heavenly places, they would say never seen that, not testable, doesn't exist. To the naturalist, he does not believe that knowledge about God is a legitimate area that you can know about. They only believe in the hard sciences - geology, chemistry, etc. Think every other area of knowledge is a waste of time. To them, thinking you are going to go somewhere in an after life is absolutely foolish. If you can't prove it in the laboratory, it is just your opinion. Reason they think it is foolish because you don't have any evidence in the existance of God or believing in the existance of an after life.	
Supplemental	Bare Bones : Theodicy : Worldview No. 1 : Scientific Naturalism	You just take it by faith and don't dare let anyone ask questions. MM wants to go on record stating there are better evidences on believing on the existance of God than there are evidences to say there is no God. This is why God is just close enough in the world that if you freely choose to believe in Him, you can. But He is just far enough away, if a man chooses not to believe in Him, he can. This way, everybody is choosing what they want to choose and God means for it to be that way. If God stationed angels with flaming swords around the globe, how many converts would there be? Get cut down or join, people are going to join. But how many in their heart are doing it? They are just doing it to keep from getting cut down. This is what Islam does - convert or we kill you. Do they really convert? See God is not forcing that kind of thing on people. By that standard, eternity in the heavenly places is not real because it cannot be tested with the five senses or in the lab. To the naturalist, theology is not a legitimate area of knowledge because he thinks everything (like the existence of God) is only believed on the basis of faith, even though that is not true. Also, to these folks, the idea of life in eternity is foolish.	

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Worldview No. 2 : Postmodern Relativism	Postmodern Relativism (secular): Ascribes to only the physical world is what is real. This one says there are no moral absolutes and no such thing as a morality that is true for everyone. That is, good and bad are basically up to the individual or dictated by the norms of a society. The end result being that what is right for you, may not necessarily be right for me, and what is wrong for you, is not necessarily wrong for me. There are no moral absolutes. Every society gets to decide what is right or wrong. It also agrees that the phyiscal is the only thing that really exists. If it is not physical, it is not real. But they go a step further and say there are no moral or ethical absolutes. A relativist would say, if you think that is wrong, that's fine for you, but it may not be wrong for me. Or what's right for me, may not be right for you. It's all relative. I get to choose what is right or wrong and you get to choose what is right or wrong. There are things terribly wrong with this. MM believes there are moral absolutes that are right and wrong for everyone. EX It is morally and ethically wrong to torture and kill babies. If you don't believe in God like these first two, you have no moral absolutes. You are just an accident, there is no purpose, evolution just happened to line up through time and chance and produce life.
Supplemental	Bare Bones : Theodicy : Worldview No. 2 : Postmodern Relativism	There is no purpose behind it, there's no after life, there are no moral absolutes, and the phyiscal is the only thing that really exists. But everyone knows there are moral absolutes, even when they say there is not. EX Kindness is a virtue and not a vice and we should treat people with kindness. These examples are self-evident. It's built into every human. You automatically know that. There is no advancement of knowledge that will make it OK to torture and kill babies for the fun of it. The phyiscal world that we can see (MM gives the story of atoms, neutrons, electrons and how it is not true what we were taught in school) keeps changing, but the part connected to God that you can't see, doesn't change. Tells MM that ethics and morality are more permanently knowable than what science tells me. They agree with the scientific relativists that the idea of eternity, life after death or place called heaven is nothing more than the foolish thinking of people of faith. If you get in a 'morals are the same for everybody' debate, make them assume the burden of proof. I do not have to prove that torturing and killing babies is morally wrong, everyone already knows it is wrong because it is self-evident. Everyone knows that kindness is a virtue and not a vice, and that we should treat other people with kindness. Denying moral absolutes is an excuse to live an immoral lifestyle while trying to avoid the stigma of bad behavior.
Supplemental	Bare Bones : Theodicy : Worldview No. 3 : Ethical Mono-theism	Ethical Mono-theism (non-secular): There is a transcendent, immaterial God, who made us in His image, and has given us a moral law through both creation and His scripture, and we owe our allegiance to that God. This is not the primary world view in the western world but it is one of the 3 that do hold sway in the world. Can believe in the after life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Questions	Why God created all the animals and put them in place. He has purpose for everything. People ask if our pets will experience any sort of Resurrection? MM says don't dismiss. What is the deal with talking animals like the serpent or Baalam's donkey and will it be restored to some species in the kingdom? MM says don't dismiss. MM says he is not going to make a rock solid statement about either but they deserve some consideration because before you can answer, have to know what their role in creation was. It's not until you understand that you understand what God is going to do with them and how they will behave differently once the curse is lifted. QUESTIONS: - Why do good people suffer? is not only asking the wrong question, but we assume people are good when they are not. We think, if a guy does good things, he must be good. We want to know why good people suffer. Well, people aren't as good as we make them out to be. - Why do bad people do good things? Why do dishonest people stop at red lights? Why do blasphemers of God compliment other people? Why do serial killers mow their neighbor's lawn? It is all self-interest. They don't do these things out of moral goodness. They stop at red lights out of self-interest. They do not want to be T-boned by a tractor-trailer rig. Profane people speak politely out of self-interest; they want to be perceived a certain way that is advantageous for them. They are acting out of some form of self-interest. Serial killers do kind deeds for reason of self-interest (so they are not discovered), but it is not out of godly love for people.
Supplemental	Bare Bones : Theodicy : Questions	**POINT: Doing good things out of self-interest is not really a good deed, it is a selfish, self-promoting deed. (But it makes the flesh feel really good.)** The Bible says that motive is important and not just the deed. In fact, the right deed for the wrong motive, God rejects. The reason people don't do the bad things which are in their heart is because they are not willing to pay the price for their behavior. A man won't kill his enemy, not because he loves him, but because he doesn't want to go to prison. Another guy won't commit the adultery he fantasizes about because he doesn't want to lose his family. Many, if not most, decisions are not out of godliness, they are out of self-interest. But everyone looking at the people around them think they are "good" people when really, they are not. Our Father doesn't. He is looking at the heart. When He sees His Son formed in our inner man, He calls that good. As we are edified, the line of what we are willing to do is moving in one direction while the line for what we are not willing to do is moving in the opposite direction. It is a process that happens in connection with our edification. When God sees us with our self-interest controlling our sin and bad behavior, He knows how hollow that is. And that will not work for us in eternity. Unfortunately, self-interest is the determining factor for what most Christians do or don't do. It is not the word of God working in their inner man that guides them. And the evil and suffering that you see around you or read about or hear about in the news, all of that is supposed to be telling all of us something that is supposed to greatly impact us in the ages to come.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Two Main Views of Eternity	There are two main views of what eternity will be like: Theocentric Kingdom-centric All about God alone God and God's People (Kingdom about God and God's people) Glory of God God's perfect society - MM thinks both are in play Mode of life: worship Worship and fellowship - People who think eternity is nothing but one big praise and worship service Atmosphere: holiness Justice and peace Gathered for worship Social engagement
Supplemental	Bare Bones : Theodicy : Two Main Views of Eternity	Family eliminated Family perfected - MM believes 'Family eliminated' is wrong altogether because God is depicted as your Heavenly Father and you sons and daughters; thinks 'Family perfected' is correct Fellowship diminished Fellowship emphasized Location: 3rd heaven New heavens, new earth - MM says won't be in the 3rd heaven, be in the heavenly places or the created heaven or the universe Spiritual existence Embodied existence - You are going to get a new body. Your soul is not going to just float around on its own, get a resurrected body like the Resurrected body of His Son 'Eternal Sunday Service' 'Parade & BBQ every day' 'Loving God' 'Loving others' A.W. Tozer Martin Luther MM thinks there are elements of truth in both of these but the reality of what the Bible presents is actually a combination of them. Both of these views have a long list of defenders and detractors. MM believes the truth lies somewhere in the middle and I think we can find that balance in our Bible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Questions	Questions: - When we are tempted, is it possible for us to choose righteousness instead of sin? YES - ANSWER: Because we choose not to be. It is not a question of ability, it is a question of desire. And those things are an aspect of grace, as grace (in one definition) is the desire and the power to do the will of God. - Can we yield our members as instruments of righteousness unto holiness? YES - ANSWER: Because they are attempting to accomplish perfection by the efforts of their flesh. And because that is the only way most people know how to live for God, they keep failing. - Is Romans 6:13 possible for us to do, even one time? YES - If it is possible to do it one time, you can do it twice. If you can do it twice, you can do it a third time. If you can do it 3 times, you can do it all day. QUESTION: If no one is living sinlessly perfect and it is possible, then why? ANSWER1: Because people just choose not to be. Doens't think it is a question of ability, thinks it is a question of desire. People do what they want to do. GH: Not a can't issue it's a want issue. ANSWER2: Because people are trying to accomplish sinless perfection in the efforts of their flesh. It's the only way most people know how to serve God. You are supposed to be doing it for something different. What is it that you are seeking for in life, besides paying the bills and making a living? Will tell you a lot about who you are. Tells you exactly how your human spirit has been formed and the kind of person you have become. We have gotten God out of all areas of our lives except 'church'. Not in our business anymore. Not in our education anymore. We think we can do all of it apart from Him. We have become a secularized society where nothing really has to do with Him. Where the whole point of being saved is so He can live His Life IN us and give us the best life we would ever have.
Supplemental	Bare Bones : Theodicy : 10 Points	Ten Points: 1) The fall profoundly affects everyone/everybody 2) The various effects of the fall - what happened 3) Understand the depths of sin 4) How Can Eternal Punishment be Fair? How is God eternally punishing men fair for those who reject Christ? 5) Free Will – Is it Worth it? Free will is the reason we are in the predicament that we are in. Need the answer to No. 4. 6) Moral evil's origin - Understand where moral evil originated

Supplemental	Bare Bones : Theodicy : 10 Points	7) Why God allows suffering - the heart of theodicy - multiple reasons 8) The Judgment Seat of Christ - has a huge bearing on the liberty and freedom you will be able to enjoy in eternity - big one 9) The glory of what is waiting for us - what eternity will be like for us - another big one - understanding what life will be like in eternity - will live everyday with eternity in mind, color everything you do 10) How we can have free will in eternity and not sin against God? How can we not sin in eternity and still have free wiil? 8 reasons, only 1 applies in your fleshly body - Turned loose in the creature in a glorified body with the ability to move at the speed of thought with free will and your Heavenly Father will be able to trust you not to ruin it with sin. Goals: 1) make the connection between sin and suffering, and 2) convince us that there is no such thing as a little rebellion against God.
Supplemental	Bare Bones : Theodicy : Point 1	10 Major Points 1) The Fall Profoundly Affects Everyone/The Affects of the Fall a. A&E are our first parents – the whole thing started with A&E and we are way more connected than you might think NOTE: Angels are NOT organically connected. Every angel is a separate creation. i. Explain the splendor of life in the garden and the environment of the garden that God provided for them A lot of different things - FROM EVERY TREE OF THE GARDEN YOU MAY FREELY EAT - GH: choices - except 1 prohibition ii. Explain A&E were given libertarian free will In this perfect environment, this wonderful paradise, and God has given them libertarian free will **If He doesn't create man with free will** **a. He cannot be made in the Image of God** **b. He cannot have a genuine relationship with God - nothing more than a programmed robot and God is not going to get glory from that**
Supplemental	Bare Bones : Theodicy : Point 1	iii. Explain there was only 1 prohibition (TKGE: Tree of Knowledge of Good & Evil) Creates A&E with free will and then gives them that single prohibition about the TKGE iv. Explain the prospect of eternal life – they were going to live forever (tree of life) Even the prospect of eternal life because when they eat of the Tree of Life, they are going to live forever b. We get important things from A&E Here's A&E in this perfect environment and there are some things we get from them - still talking about our connection to A&E i. We get the image of God from A&E - it got handed down ii. We get our soul from A&E

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 1	1. Talk a bit about the soul and its mind as opposed to the brain – after death, people still think, communicate, reason and that is not with their physical brain – this is as a man thinketh in his heart – this is the soul's brain; the mind. c. We get our consciousness from A&E (part of our soul) d. We are organically connected to them By that, we get from them, things that were not part of the original equipment so to speak, we get our sin nature from them e. We get our sin nature from them i. It is not a matter of fair or not, it is just the way it is ii. There is no way for parents to: 1. reproduce part without the whole of who they are, without passing on ALL that is in them
Supplemental	Bare Bones : Theodicy : Point 1	You cannot choose life and then pick and choose what you will give them. You can't say, I want to give my kids life but I don't want to give them the image of God or consciousness or sin nature. That's not a choice. That is part and parcel of being a human. Some you want and some you don't. 2. to give their children life without transferring the sin nature We inherited that sin nature from our parents and they got it all the way back to Adam. And when you have kids, you will pass all of this to them. There is no option. It's not a cafeteria buffet line. Have to take all of that. (Romans 5:12) The point of #1 is that we inherited our sin nature from our parents, but ultimately, from Adam and Eve. The statement isn't it isn't fair for God to do that, that is just built in the process of reproduction. The only option is to have never been given life. If you live to 100 and your life was one suffering after another until your final suffering killed you, when you get out into eternity, you will look back and realize it is better to have had life with suffering than not to have had life at all. Learn to look at sin like a rattlesnake that you wouldn't dare pick up. Learn this like you would never gouge your eye out. Realize you don't have any little stuff. Your little stuff would send you to hell along with the guy who committed genocide. Not trying to make you feel gulity of every sin.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 2	2) We need to understand The effects of the fall/what Adam did in the Garden a. Our nature is affected i. We are, by nature, sinful, unrighteous, enemies of God and we got this from A&E thru our parents (Ephesians 2:1, 2:3; Romans 5:19; Romans 1:18) b. Death is certain - everybody got the death sentence because of that. We not only understand how depraved our nature is, but now understand that the result of that sin in the garden means that death is certain for every person. Two kinds of death: i. Physical death for our body - your body is not going to live forever ii. Spiritual death for our soul and spirit These are a result of Adam's sin in the garden. We get a sin nature and we are condemned to die phyiscally and we are condemned to die spiritually. c. The fall gave birth to natural evil (acts of nature, cancer, Kamala :-)) - it came into the world: the curse came upon the command concerning the filling and subduing of the earth. Natural evil is the curse that works against both of those things. **Natural evil takes you back to Adam. Natural evil is a result of 1 rebellion against God. No such thing as a little rebellion against God.** **Moral evil comes from people - rob, kill, steal, falsely accuse. Can't pin on A&E**.
Supplemental	Bare Bones : Theodicy : Point 2	i. Labor is affected/evils to just making a living - ADAM: work will change/work is going to be hard - earn your living by the SWEAT OF THY FACE - Genesis 3:19 Will be difficult, will need to overcome some obstacles, it's not always going to go your way, most often they will not - things working against you, hurdles to overcome, and you may fail, you may actually not get it done. **When work gets hard, men develop character traits that they were never supposed to have** **1. Sloth/laziness - cut corners, short cut, don't do a good job** **2. Evil labor (curious arts) were introduced by the fallen angels** Made it easy for Satan to come in and rouse men's curiousity up in ways to produce evil in this world. ii. Childbirth is affected/evils to just having children - EVE: childbirth will change/MM jokes he thinks this meant that everything about children would be painful (pain in childbearing is a synecdoche for the larger role of mother and wife) - God told Eve she would have pain in childbirth-Genesis 3:16. The childbirth curse includes everything accompanying childbirth, such as:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 2	1. Morning sickness - all the types of sicknesses, the change is the taste or appetite for certain foods 2. Premature/breech births - premature requiring specialized care or breech that is not the natural way for the baby to be birthed and you need pre-cautions for the mother and baby that the child is delivered safely 3. Complications of pregnancy/delivery: During pregancy: MM says he hear ladies talk and use acronyms for certain things - have to go in, get checked, do sonograms, etc. to find out things going on with the baby that need to be headed off before the delivery During the delivery itself: can be harmful to both the baby and the mother 4. Infant death syndrome: something you can't anticipate, no one can see it coming, yet infants sometimes die for no apparent reason after birth 5. Deformities/abnormalities: MM was born with a split in his lip and the doctor that delivered him, he sewed that up but he was inebreated when he did it. Had to come back two days later, cut it back open and straighten it up the best he could and it left a scar. Fortunately, it wasn't life threatening but it was something that needed to be attended to or it would have effected his speech.
Supplemental	Bare Bones : Theodicy : Point 2	iii. Animal kingdom is affected (dangerous; hunter/prey set-up) MM believes the animal kingdom was drastically affected by the fall - is a kingdom of violence. Don't want to swim with sharks or pet a grizzly bear. Watching NatGeo as a kid bothered MM - why didn't the cameraman save that impala from the pride of lions? Wanted to ship steaks over there. And where are you getting steaks from BTW? MM says it was not like that in the pre-fall garden and believes that they were just like they will be in the kingdom where it says lion will dwell with the lamb-Isaiah 11:6 and the lion will eat straw like the ox.. After the fall, the animal kingdom all got affected. MM came across animal theodicy and the research into that. Why did God create these other creatures and put them in the world knowing that He was going to create man on the sixth day? It's noteworthy that when the serpent was talking to Eve in the garden, her first words were not 'the snake was talking!'
Supplemental	Bare Bones : Theodicy : Point 2	What are these animals for? Because God has purpose behind everything. We know our purpose but the world is full of animals, full of birds, full of fish. What was God's purpose and why all the different kinds of animals? God created these creatures and they have a role in His creation. Animals were here before A&E. There are animals in heaven. The Bible actually talks about some of those. Bob Summers: Animals are caretakers of the planet - the ecology. God put all the things He had in the third Heaven on this earth because there is going to come a day when He is going to come here and dwell in the midst of His creation and He is surrounding Himself with what He wanted up there and down here. In the kingdom, there are some species of animals that will get their voice back. MM doesn't think roaches are going to be talking.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 2	This theodicy deals with issues of evil and suffering, took him into the realm of animal pain and suffering which naturally led MM to a couple of corollary issues: 1) the issue of animal resurrection, and 2) the issue of talking animals, especially in the ages to come. (You may notice that Eve is not alarmed at a talking serpent, nor Baalam at his donkey.) Why would God give that donkey his voice back (GH: in the kingdom-Theodicy)? MM says some of this is conjecture and you don't build doctrine on conjecture. What if certain types of animals all talked prior to the fall then after the fall they lost that? It would not be absurd for God to give a donkey a voice if he was supposed to have it prior to the fall.
Supplemental	Bare Bones : Theodicy : Point 2	Why God created these creatures in the first place and the role they were meant to play in His original creation before the fall and their role in His future kingdom? We know “the lion and the lamb” will be there. Suffering in the animal world and was quite affected by man’s fall. iv. The earth itself is affected – Natural Evil Results (the synecdoche of cursing the ground does not limit the curse to agriculture.) 1. Nature is no longer clean or safe like it was in the Garden When He cursed the ground, it wasn't just limiting the farmer's ability to grow crops, but it certainly included that. a. Waters can be polluted/can carry bacteria (at one time, many children died of water-born diseases and we didn't know about bacteria) Doctors would work on cadavers, wouldn't wash their hands and do surgeries, have most of the patients die, and couldn't figure out why?
Supplemental	Bare Bones : Theodicy : Point 2	Germs and bacteria are a result of the fall. Travel to a different country - don't drink the water. b. Plants can be poisonous / can't just eat anything c. Sanitation/preservation problems (foods can spoil) - need refrigeration d. Bugs/insects infest/destroy crops at every stage of development / will attack crops all the way through Let a storm of locusts come through STORY: MM is Israel in 2004 - saw a swarm of locusts. It literally darkened the sky. e. Bacteria/infections/viruses/etc. (i.e., valley fever, mold that is in the dirt - dogs can get it, get the same medicine you do - it can kill you)

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 2	2. Temperature extremes by location and season Seasons with big temperature changes. Was 115 in Imperial recently. Areas of the world where you would freeze to death. Areas that are arid and no water. Areas where it is a constant flood plain. Get big temperature swings by season, by geographic location 3. Weather patterns that produce drought/flood, hurricane/tsunami, desert/ice A whole city can be wiped out by an earthquake. A hurricane can come through and put a devastating path of death through the place. The point of #2: Natural Evil is not the result of God's creating evil, it is the result of man's rebellion to God's instruction/against God. Therefore, God cannot be held responsible for Natural Evil. If God didn't bring it into the world, why doesn't He intervene to stop it? OR Why do bad things happen to good people? MM says people aren't a good as you think they are. - Notice no one ever asks the question why do bad things happen to bad people? Because it goes along with what we would like to believe. We think if they are a bad person, they kind of deserve it. **All sin is abominable to God**.
Supplemental	Bare Bones : Theodicy : Point 3	3) Understand the depths of sin MM says this is WAY more important than you might realize. You will, before you get in the creature, be educated to do #3 so that it will never be an issue for you again. This has to do with WHY God is not intervening to stop evil and suffering in this world. It is part of your education to understand this so you can maintain a free will yet not mess it up like we have messed up this world. Reasons for God allowing evil and suffering in this world, and one of them has to do with a VERY important part of our education as His sons and daughters: 1. Our education in understanding the depths of sin 2. GH: The horror of sin **We need to understand** **(1) just how sinful we are and** **(2) just how destructive sin is, because we underestimate both**.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	a. We tend to downplay the seriousness of sin because they may be little and the horror of rebellion against God – we forget that all suffering and evil is the result of sin. One sin, eating from the wrong tree, managed to: God does not look at it this way at all and you are going to have to stop looking at it this way. You will one day. MM PRO TIP: You want to do this now while you are still on this earth, not at the Judgment Seat. Believe him when he says this. **We downplay:** **(1) the seriousness of sin** **(2) the horror of rebellion** **We tend to forget that all the suffering in the world - doesn't matter whether it is natural evil or moral evil, it is all because of sin**.
Supplemental	Bare Bones : Theodicy : Point 3	Not just from Adam, but from people. Understand men are constantly inventing ways to produce evil in the world. Doesn't matter how good a thing is, evil can be the vehicle for it. EX Idea to take pictures/photos, which is wonderful. Guys came along with laciviousness in their heart, produced pictures that no one should ever see. Then made an industry out of it - we call it the pornograghy industry. Same thing with videos. Man preverted the video. Then came up with the Internet and live streamed it. Point: It's not all on Adam. Adam may be responsible for natural evil, but there is a whole bunch of moral evil going on in the world that lies at the door steps of people. **Look at what 1 sin did. It wasn't blaspheming God, wasn't murder, it was eating from the wrong tree. Ate a piece of fruit off the wrong tree that you weren't supposed to - that was the sin**. Here's what happened: i. pass a death sentence on every person / death passed upon every man
Supplemental	Bare Bones : Theodicy : Point 3	ii. condemn every human to hell iii. wrecking the world iv. turning the animal kingdom into a kingdom of violence in a world of kill or be killed - you could even die in that animal kingdom under the right circumstances v. affecting the climate of the earth to produce extremes of temperatures / climate fluctuations that people die of exposure vi. producing events of nature that can destroy cities and kill populations (earthquakes, hurricanes, viruses, etc.). AND THAT WAS JUST ONE SIN! All of this came from 1 sin! Eating a piece of fruit. vii. And that is the way we should look at sin and its ability to strip us of everything we hold dear – including our relationship with God! I mean, what did Adam do that resulted in all the natural evil that is in the world? He ate from the wrong tree. Was it disobedience? Yes. But would most people see that as worthy to produce all that resulted from that? They would say "No." And they would say that because they do not understand what sin really is and what it does. They think: "What Adam did was not "so bad." It isn't like He killed someone or blasphemed God."

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	People would look at and say, 'what's the big deal about that?' That's the point MMs trying to make. We do not understand: 1. what our sins really are – we do not see them as a cancer, but as benign, without effect. All human rebellion is akin to Satan's rebellion against God, and we drastically underestimate the horror of sin 2. what our sins do/produce – they produce every bit of suffering in this world, no matter if it is natural evil or moral evil. No matter what the suffering is, trace it back to its root and you will find sin as its cause By doing them you do not what you are allowing them to say. Every one of us will learn this. If you don't, you will never treat sin like a hot coal with your bare hand. You've gotta get this lesson. Should look at sin like a cancer, but we think of it as benign. We didn't do what God wanted us to do but it really isn't that big a deal. Every human rebellion is exactly like Satan's rebellion. At it's heart, there is no difference. Sins produce all the suffering and (GH: moral?) evil in this world. Realize sin birthed every bit of that.
Supplemental	Bare Bones : Theodicy : Point 3	3. the effect sin has in this world a. We act like we aren't contributing to the evil in this world when we sin b. It's as though after Adam sinned, everything is on him, and our sin hasn't really changed anything in the world, so we can "sin" and it really doesn't matter in its consequences, only in the sense that we disobeyed God. There's no suffering in the world that didn't find its origination in sin. There's no evil that didn't start in sin. Get this lesson in our head and it will go along ways to understanding the depths of sin. We look at it like, well, if I don't obey God, is it really that big of a deal? It is a bigger deal than you think. 4. what our sinful actions say about us; our disobedience says: a. I know better than God

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	b. I dislike God's instructions c. God is short-changing me d. God is unfair e. I deserve better We are saying all of that. When we say no to Him, when we disobey Him, when we violate His Standard for us - that's what we are saying to Him. What Lucifer said to Him. 5. what our sins are saying about how we think about God – Jesus told the little flock, "If you love me you will keep my commandments" Our disobedience to God demonstrates we love this world, we love sin, we love our flesh, we love the Adversary (whatever), more than God. Showing where our heart is. b. We look at people/view humans as less sinful than they really are because: - we don't see what is in their hearts and minds, or (just see what they are putting on outwardly) - because we want to believe the best about them, or (give them the benefit of the doubt)
Supplemental	Bare Bones : Theodicy : Point 3	- because we haven't witnessed their bad behavior. Take them out of a civil society and then you will see their potential as monsters, to varying degrees. Act one way at home and a totally different persona in the business world. c. Atrocities are committed by normal, ordinary people, not by psychopaths (This is a very important point, as this is part of the education we are supposed to be getting as we observe moral evil and suffering in the world) Define: moral evil: sin, rebellion, an action by a free moral agent We don't like to believe this. MM will prove it to you. Important to understand because it's part of this education that we have to get. Moral evil is talking about sin and rebellion and any action by a free moral agent. d. List the atrocities with a few examples - It's what people have done all through time. i. Germany in WWII murdered 6 million Jews. But did you know an equal number of Poles, Ukarnians, Russians, Gypsies and handicapped people were also killed? Not counting those who died in combat or in cities from bombings. It was people who informed, people who were rounded up and arrested, people who tortured and people who killed all these. Just middle-aged ordinary people that would be your next door neighbor, kid's school teacher, dentist, veternarian, etc.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	ii. Millions were arrested and forced into railcars by police and Gestapo agents to go to concentration camps. They were packed in these railcars so tightly, no one could sit down. They traveled for days in these hot or freezing rail cars with the doors shut without food, water, sufficient oxygen/hard to breathe, no stops. They urinated, deficated, vomited standing up for days. Thousands died. For example, in 1944, 2,521 prisoners were taken from France to Dachau, where 984 died enroute on the 3-day trip. It was people who rounded them up, people who forced them into the cars, people who packed them in tightly, and people who closed the doors on them were ordinary everday middle-class people in a civil society would have held the door open for you. MM says you need to understand the depths of sin. This is why godliness is the only thing that works. iii. Thousands, often entire families were stripped naken, lined up in front of ditches and shot with machine guns, all day/rinse & repeat until the dark halted the shootings.
Supplemental	Bare Bones : Theodicy : Point 3	Not sociciopaths, not deranged maniacs, but everyday people. iv. Gas chambers holding 2,000 people at a time were killed by Zyklon-B gas. Somebody made that gas. The guards said they knew when everyone was dead when the screaming stopped. They incinerated the bodies at Auschwitz at a rate of 4,756 people a day. v. The horror of this is that Hitler's hatred and intentions were not hidden. It was not a secret. He wrote of gassing the Jews in both volumes of Mein Kampt (My Struggle) in 1925 (vol. 1) and 1926 (vol. 2). Still, it was a nation of people who did Hitler's bidding in carrying out all the atrocities. Talked about Jews not being human and needed to be exterminated. vi. By 1996, researchers had identified positively, 10,005 death camps and when they counted the subcamps, the total went to 42,000. It was people who rounded these people up and shipped them to the camps. It was people who ran the camps. How many people do you think ran the 42,000 camps? Were they all sociopaths? These were ordinary people. vii. Soviet Union: From 1917 to 1989, over 26 million were killed or died in death camps. It was people who did the killing and people who ran the camps where they died were ordinary people.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	viii. 1932-1933 saw Soviet quelling of Ukranian nationalism by starving to death 7 million Ukranians. They used dogs to sniff out the food and took it all. All seeds were seized and blockades prevented importation of food. Anyone perceived as a threat to communism was killed. It was people who thought of these inventive ways of putting down the Ukraine nationalists. It was people who picked up the food, it was people who ransacked houses and businesses, it was people who raided the stores and carried off all food stuffs. ix. China, Chinese communists imprisoned and killed 26-30 million of their own people. In 1958, the communists buried alive 46,000 professors/intellectuals/scholars, the Chinese preferred method of execution. The average time it takes to suffocate from being buried alive is 1-2 hours. It is painful as the weight of the dirt crushes down on the chest. It is people who do did this to other people. Got 5 hours in an air-tight casket. x. Japan, WWII and the rape of Nanking was front-page news around the world as millions were killed in ways that MM cannot talk about publicly. Netflix video on this - The Rape of Nanking. Army made up of everyday guys who were conscripted into service. They carried out those order and became very gun-ho about it. Told they would be able to conquer China in 3 months and it took them 3 months to conquer the first city. They were infuriated and they wanted to make such a point that the atrocities they did to these people was to so discourage the rest of the nation they would give up without a fight.
Supplemental	Bare Bones : Theodicy : Point 3	xi. In Rwanda, 800,000 Tutsis were killed by machete in 100 days (doesn't count the ones injured). Think about the numbers that participated in this - not 2 deranged guys. Like completely wiping out the city of San Francisso or Seattle or Denver or OKC with guys with machetes in 100 days. Rwanda, at the time, was a highly Christianized country. Imagine! This does not include people who survived, minus a hand or limb or lived to bear great scars or injuries. This is people, taking machetes and hacking other people to death at the rate of 8,000 per day. This is people hunting other people, people who are running from them, trying to escape and begging for their lives. This many people would completely wipe out the population any of the following cities, San Francisco, Seattle, Denver, Oklahoma City, Nashville, El Paso, Boston, Las Vegas, Portland, Baltimore, Milwaukee or Detroit. Think how many people it would take to hack to death by machete, the entire population of any of these cities and to do it in 100 days. xii. 1915-1923, Turks killed 1.2 million Armenians. It was from this atrocity we coined the term “crimes against humanity.”

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 3	xiii. 1975-1979, 2.2 million Cambodians were killed by Pol Pot's Khmer Rouge (the armed communist movement) in an attempt to dissuade intellectuals and return the country to an agrarian culture so they would all be easy to control.. xiv. MM has stats but won't give them on these countries: Guatemala, South Africa, Pakistan, Uganda, Iraq, Argentina, Romania, Spain, France, Croatia, Bosnia, Herzegovenia, Brazil, Ethopia, Sierra Leone, Sudan and Darfur. xv. But not us, we are civilized. We only killed 60 million babies here in the U.S. since 1960. xvi. 1960-1963, psychologist Stanley Milgram's Obedience study at Yale University – to understand how so many ordinary people could participate in the torture and execution of so many in the Holocaust. In response to News article, two people come to the lab – after a coin flip, one was "teacher" and the other "learner." To impress the teacher with the significance of their actions, at the start of the experiment, the teacher received a 45-volt shock. The learner strapped to a chair in a different room. Was told to learn a list of word pairs.
Supplemental	Bare Bones : Theodicy : Point 3	When the learner made a mistake, the instructor told the teacher to administer a shock in every-increasing doses from 15 – 450 volts in 15v increments. The switches were labeled "Slight Shock" to "Danger – Severe Shock" and under the 450 volt was a label with XXX. AT 150v, the learner cried out in pain and ask to be released from the study. Crying and yelling continued to the 330v level. After that, he would stop responding. In spite of screaming and begging the volts increased. Actually, the learner was a paid actor who received no shock at all. The experiment was really on the teacher, to see how many would give dangerous levels of shock on the word of the instructor. The result: 65% gave all shocks instructed including the lethal doses, with no difference between men and women. This study shocked the psychology world. xvii. Others replicated the study, only with higher compliance numbers. In Munich, West Germany, 25 years after WW II, 85% administered the maximum shock. e. All who study genocide and survivors testify that it was carried out by ordinary people. They wouldn't stand up to that because you will join them. f. Show the book, Ordinary Men.
Supplemental	Bare Bones : Theodicy : Point 3	The point of #3: We are much more sinful than we realize, sin is more destructive and dangerous than we imagined, AND we are more capable of horrible behaviors than we think. - What humans do. This is what is in us. Overestimate the goodness of people and underestimate the badness of sin. - MM says lost people need saving really badly. - If you can make the connection between these atrocities and sin, it will help you hate sin. - Next step is the sin of killing people is not far from I'm not going to live out of the doctrine - it's still telling God no. We cannot afford to do that. - How knowing the depths of sin helps us.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 4	4) How Can Eternal Punishment be Fair? Is God just in allowing eternal punishment of sinners? POINTS: - It is eternal and it is fair, but don't think of in terms of a physical body. - MM doesn't think this is the only type of suffering going on here. - We have this tendency of downplaying the seriousness of human sin and we also see people less sinful than they really are. These 2 thoughts fuel this question. - All human rebellion is akin to Lucifer's rebellion. - What if hell's occupants are unrepentant? Eternal separation from God and eternal punishment make a lot more sense if the people in hell are unrepentant and do not want to spend eternity with God. - Men are lost by a conscious rejection of God, not by lack of information. Hardness of heart is the problem. And we have no reason to believe that will change at the judgment, as what they want is separation from God.
Supplemental	Bare Bones : Theodicy : Point 4	a. In the past, hell was expressed in unbiblical terms that exaggerated and even mischaracterized it (embellished). And example of this would be Dante's Inferno where naked sinners are being stung all over by wasps, others gagging in a river of blood, and other torments MM cannot describe in a public setting. And that is not the only example of embellishing the torments of hell; there have been many through the centuries. It serves no one to seek to portray hell as worse than it is, but at the same time, we can't portray hell as anything less than the horrible thing it is. So, while this is not a study on hell, although MM thinks a proper study on hell is important, it is enough of a study for us to see God's justness in sending people to a place of eternal separation from Him and eternal torment. MM says it doesn't serve anyone to make hell worse than it actually is. It's bad enough if we portray hell as the Bible does. Also doesn't serve anyone to try and diminish the horror of hell and the punishment of eternity. b. We must do this without inventing doctrines which seem to let God off the hook (so to speak). Unbiblical Doctrines of: (1) annihilationism: Annihilationism says that after a sinner has been sufficiently punished, God mercifully just takes him out of existence.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 4	(2) universal salvation: Universal salvation basically says that a sinner will suffer in hell until he repents, at which point, God will stop his torment and bring him into heaven. That means that some will suffer longer, but how long they suffer is up to them, not God. MM believes the Bible teaches neither of those, and while they may make people feel better about hell, our goal here is not to invent doctrines for the sake of justifying God's actions. Goal is not to make you feel better about something by inventing an error or falsehood about it. MM would rather you see eternal punishment for what it is so you can truly see the justness of it c. The difference between hell and the lake of fire When an unsaved person dies on this earth, their soul and spirit will go to hell. But that is not the final resting place. Later there is going to be a judgment and the books are opened and the dead are judged out of those things written in those books, the Bible says they will then be cast into the lake of fire. So hell and the lake of fire are two different places. EX Man is arrested and goes to jail (hell). He has a court date (the Great White Throne Judgment) where he is found guilty and put into prison (lake of fire).
Supplemental	Bare Bones : Theodicy : Point 4	i. Hell was created for the devil and his angels Angelic realm was here before the human realm. God created the angels, there was a rebellion. The original one was Lucifer who trafficed his iniquity among the other angels, and there was a rebellion among them. At some point, after that rebellion started, God created hell and when He did, the angelic rebellion stopped. Hell was sort of a de-motivator for following Lucifer. Prior to the Cross, unsaved people who died went to a compartment in hell. Will be called up later at the Great White Throne Judgment, will be cast into the lake of fire and that is where they will spend eternity. Prior to the Cross, justified people went to a compartment called Abraham's bosom. After the Cross, justified people were given access to the third heaven. ABSENT FROM THE BODY, AND TO BE PRESENT WITH THE LORD-2 Corinthians 5:8. At the Blessed Hope, everyone will be caught up, we'll go to the JSoC, then presented to the Father as perfect and holy after that judgment, then we'll be placed in the heavenly places. ii. Timeline:

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 4	d. Details of Luke 16: i. Luke 16 is not a parable (has names) but an actual event 1. People are never named in parables; without exception. In this scripture however, three people are named, Lazarus (v20, 23) , Abraham (v23, 24), and Moses (v29, 31), of which Moses and Abraham are definite historical figures who are mentioned many times elsewhere in the scriptures. Parables, on the other hand, refer to people as “a sower” (Mt. 13:3), “a man” (Mt. 13:31), a certain king (Mt. 22:2), "the master of the house" (Matthew 24:42-44), "that evil servant" (Matthew 24:48-51), "a man taking a far journey" (Mark 13:34-37), "a judge" (Luke 18:2), "a widow" (Luke 18:3), "a certain man" (Luke 13:6), "a certain rich man" (Luke 12:16), a steward (Luke 16:1), a certain householder (Mt. 21:33), an “husbandman” (Mt. 21:35), “servants” (Mt. 21:34) and so on; but none named. 2. Every parable has an earthly setting, which the people hearing could relate to, but never a heavenly or spiritual one. In this scripture however, the rich man is in hell (v23), and Lazarus is in 'Abraham's bosom' (v22), are not earthly settings people come into contact every day, showing that this is not a parable. 2.5. Parables themselves do not directly reference: 1) spiritual beings, or 2) otherworldly places or events (hell, heaven, etc.).
Supplemental	Bare Bones : Theodicy : Point 4	That does not mean that the interpretation/explanation of the parable cannot refer to spiritual beings, for some of them do. For example 'the reapers' in the parable of the wheat and tares, are 'angels' in the explanation, and “the enemy” in the parable is “the Devil.” (Matthew 13:39). So, if spiritual beings, such as angels, only appear in the explanation, but never in a parable, then this scripture about the rich man in hell cannot be a parable, because angels are also directly mentioned (v22). Secondly, “hell” is definitely not part of normal earthly living, which violates the second tenant of how parables are constructed. And Luke 16 references the underworld of both “hell” and “Abraham’s Bosom.” The conclusion to be drawn is that Jesus was relating a true story; the rich man and Lazarus were people who actually lived and died. Luke 16 is not an interpretation of a parable, it is an event. 3. Parables never contradict doctrinal truth. The reason some want to make this a parable is because Jesus directly contradicts the idea of soul-sleep. Therefore, it would not matter if this was a parable, the truth of it still stands. However, Luke 16 is not a parable. People who have a doctrinal agenda don't like Luke 16 and that is why they must refer to it as a parable because if they can get it to be a parable they can dismiss some things and promote a doctrine that the Bible doesn't teach. Doctrine of soul-sleep. Soul-sleep issue: Bible talks about the conscious awareness of the souls of those whose body has died. Here is Luke 16 is an example of the consciousness of the rich man (his soul).

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 4	ii. The rich man is not screaming hysterically because he is burning iii. The rich man is not incoherent with pain iv. He reasons, makes requests (vs. 24), converses, argues, and rebuts (vs. 30) v. Unless we think Jesus is passing along inaccurate information about the afterlife, Luke 16 can be instructional vi. The fire of hell is not a material phenonmena, just as the soul in hell is not physical – There have always been preachers who have seen the descriptions of hell as metaphors for the suffering in hell. When we think of the fires of hell, 1) we think of a physical fire, and 2) we think in terms of our physical bodies. So let's talk about these. It was not the rich man's physical body which was being tormented. How do we know?
Supplemental	Bare Bones : Theodicy : Point 4	vii. The Bible describes hell as: weeping (Matt 8:12), wailing (Matt 13:42), gnashing of teeth (Matt 13:50), darkness (Matt 25:30), flames (Luke 16:24), burning (Isa 33:14), torments (Luke 16:23) everlasting fire, (Mt. 25:46) everlasting punishment, (2 Th. 1:9) everlasting destruction, (Is. 66:24) endless corruption (their worm shall not die), (Dan. 12:2) shame and everlasting contempt. e. Hell's Justification i. We downplay the seriousness of human sin and view people as less sinful than they are ii. All human rebellion against God is akin to Lucifer's rebellion 1. Lucifer's rebellion resulted, directly or indirectly, in every bad thing that ever happened on the planet 2. Lucifer's rebellion will result in a war in heaven iii. We drastically underestimate the full horror of sin and rebellion against God
Supplemental	Bare Bones : Theodicy : Point 4	iv. Are Hell's Occupants Unrepentant? Eternal separation from God makes sense if the occupants of hell remain eternally unrepentant. And while most folk who reject God are not so openly defiant, they are just as defiant in their heart. f. Hell as a Deterrent – for many, hell led them to Christ g. Can We Ever Feel Good About Hell? I don't think we are supposed to feel good about it-it's a place of torment, but we should always remember that the same God who created hell, also allowed His Son to suffer the torturous death on the Cross to pay for our sins so we would not have to go there. MM also doesn't think you can force people to GH: love God, accept Jesus, want to go to Heaven against their will. As free moral agents, it is their choice. MM talks about Romans 1:20-32 and God giving them up/giving them over. What if God is giving them what they want? What if eternity, for people who don't want God, is a world of their own making. Where they are going to get their own consequences for the kind of world that they really want to live in. They don't want God, they don't want righteousness, they want to do what their flesh loves to do, their soul has now been formed to that bent or fashion, that's what the want. What if part of the torment of hell is just giving them what they want?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 5	5) Free Will – Is it Worth it (the evil that we have to endure)? MM says yes. a. Free will is the ability to do differently than you have done (If you chose to have a hamburger for lunch, you could have chosen to not have a hamburger) b. (because we are not perfectly good like God) Free Will eliminates the guarantee we will always choose good and therefore, if God created us with free will, then He must allow us to do evil or good. That is as logical as it gets. God is not at fault for allowing us to do evil. If God would disallow the ability to do evil, we wouldn't have a free will and God would have opposed the creative act of giving us a free will. c. Without free will, we are only robots (less than animals) d. Free will is not negated/canceled by human depravity – what MM means is that the lost are under sin's mastery, but that does mean they must choose to do every sin that comes into their minds. Their nature is inclined to sin, but a lost man can choose not to steal, for example. They still make real choices and are genuinely accountable for those choices. Lost men choose to do certain things because they have a free will.
Supplemental	Bare Bones : Theodicy : Point 5	e. God does not give us free will and then interude upon it. The real (not feigned/not fake) exercise of free will demands that God's existence not be too obvious. As believers, we wish that God would make His presence more apparent, then people would know for sure. But if God wants us to truly be free moral agents, He cannot make His presence too apparent. If God's existence was absolutely unmistakeable every moment, people would abstain from desires they would otherwise indulge, violating their true free will. But it would not make them better people! It would just limit their true choices. God created man to have genuine freedom and we will enjoy that freedom throughout eternity. But if God was looking at us every moment, much of the time that loyalty would be feigned. During His earthly ministry, the Lord Jesus gave enough evidence of who He was for those who freely chose to believe in Him could, and those who freely chose to reject could. The same is true of God's existence and presence. It would be easy for God to station angels with large, flaming swords all over the world to cut down anyone who rebelled against God, but how many of them would be true believers/worshippers of God? True worship must be uncoerced. God has kept just enough distance to provide for evidence of Him for those of their free will would choose to believe yet just far enough away that a man also of his free willl can choose NOT to believe. During the earthly ministry, the Lord Jesus gave enough evidence of who He was so those who would freely choose to believe on Him would do so. But those that chose to reject Him, could freely choose to do that as well.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 5	Same is true with God's existence and His presence today. f. God desires real relationship – if He limits our free will or simply "makes" us do the right thing, that is not a real relationship. g. Natural laws have to work in regular ways: Because we live in a world where natural laws work in regular ways, we can fall off a ladder or have an auto accident. So when someone says, Why did God let me break my foot, or let that car run into me, or fall off the ladder?... we have to understand that the natural law of gravity has to work in a regular way or we will not know what we can or can't do with respect to it. We have to know that a guy can steer his car into ours, either on purpose or in carelessness, but the actions have to work consistently or we should never get into a car. If natural laws don't work in natural ways: - How will you ever learn from experience? - How will you ever know how anything is going to turn out?
Supplemental	Bare Bones : Theodicy : Point 5	Oxford philosopher Richard Swinburne says it this way: "If God is to allow us to acquire knowledge by learning from experience and above all to allow us to chose whether to acquire knowledge at all or even to allow us to have a very well-adjusted knowledge of the consequences of our actions – knowledge which we need if we are to have a free and efficacious choice between good and bad – he needs to provide natural evils occurring in regular ways in consequence of natural processes. Or, rather, He needs to do this if he is not to give us too evident an awareness of His presence." So much of what we know about life, of what we experience in life, of what makes life wonderful – pleasure, relationships, joy, fellowship, community, happiness, family, friendship, brotherhood, camaraderie, fulfillment, love, responsibility, righteousness, integrity, godliness – is dependent upon our being free moral agents. GH: Everything good in life comes from your free will.
Supplemental	Bare Bones : Theodicy : Point 6	6) Understand where moral evil originated - The first moral evil was perpetrated by Lucifer. Lucifer is directly responsible for moral evil in heaven. He is directly responsible for the angelic rebellion. Through his deception of Eve in the garden, he is indirectly responsible for Natural Evil which is a direct result of Adam's sin, and he indirectly responsible for the Moral Evil which results from the sin of Adam's descendants. Satan's fingerprints of sin are everywhere in heaven and earth. Lucifer had free will when He was in a perfect heaven. He was perfect in the day He was created, the Bible says. Which brings up two points: 1) This serves as a precedent that we will continue to have free will in heaven, for why would God give free will to angels and to fallen men, and not to His redeemed sons and daughters? 2) It is possible to sin in a perfect heaven. Lucifer managed to do that. All you had to be is NOT God and have a free will. The explanation of the origins of evil come from understanding a few Biblical concepts. • The was a spirit (angelic) realm before there was a human realm. MM prefers to say spirit realm instead of angelic realm because not every spirit creature is an angel. Those spirit creatures have libertarian free will at every decision point, just as men do today.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 6	Spirit creatures MM is referring to real beings which do not naturally possess a corporeal body. (The Hebrew word, Elohim.) One of the spirit creatures was a being called Lucifer; light bearer. He was the anointed cherub that covered the throne of God, a very high position among the spirit creatures. At some point in time, Lucifer rebelled. And because Lucifer possesses libertarian free will, he can choose to rebel if he wants to. Although God, in His omniscience knew Lucifer would rebel, Lucifer was not predestined to rebel, he freely chose to do so. Lucifer rebelled for the same reason that everyone rebels; they think they deserve better than they are getting. This is an issue of pride and covetousness. (Ezekiel 28:15, 17). Lucifer thought he deserved more than he was getting from God. There are a couple of other ways to say this same thing: 1) God is holding me back from something that would benefit me 2) God is not acting my best interest
Supplemental	Bare Bones : Theodicy : Point 6	What was he not getting? He was not getting control of heaven and earth. He was not going to rule the creation. He was not going to be worshipped as the one who possesses the creation. We know this because he wants to be like the most High, which as we know, is a title that means possessor of heaven and earth (Isaiah 14:14; Genesis 14:19, 22). Once Lucifer makes a decision to rebel against God, his next step is to traffic his iniquity to the other spirit beings, especially those who are in the positions of authority (Ezkiel 28:18).. Lucifer also makes a decision to traffic his iniquity on the earth, with men. (Ephesians 6:12) Our godly response to the things which happen to us create a testimony of the manifold wisdom of God which is put on display to Satan's realm. (Ephesians 3:10) Not all of the princes of heaven joined Satan in his rebellion. There is one principality that remained faithful to God. (Daniel 10:13, 21) Satan does not possess it all, but as the prince of the power of the air, he has de facto control over almost all of the principalities in the heavenly places.
Supplemental	Bare Bones : Theodicy : Point 7	7) Why God allows suffering? - Preview In eternity, all that He will have provided for you will dwarf these years of existance into nothingness, all the suffering that you ever had into obscurity. Here are our choices for why God allows suffering: • There is no God, therefore, suffering has no meaning - no • God allows evil because He is not perfectly good - no • God allows evil because He lacks the power to stop it - no • God orchestrates everything (evil included) simply because He can - Calvinist - no • God allows evil and suffering in order to accomplish a necessary good which far outweighs the suffering - the only good choice The "good" is an education about sin and suffering which will result in the retention of our free will in eternity – the retention of which is vital to the kind of life we are going to have.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 7	7) Why does God allow suffering? a. The problem of God disallowing suffering i. It prevents or overturns free will - God is not interesting in giving us free will only to intrude upon it. ii. It creates a cartoon world that does not exist in reality - would have to violate natural laws left and right iii. It makes His presence too obvious 1948 BBC radio debate - Frederick Copleston (Jesuit priest) and Bertrand Russell (atheist) on the Existence of God. Asked atheist what will you do when you stand before God? What will you say? Answer: Why didn't You give me more evidence? God's reply: Because I wanted you to make up your own mind, to do what you wanted to do, because that is what makes you who you are."
Supplemental	Bare Bones : Theodicy : Point 7	It is our free will and our choices out of it that make us all who we are. And God is going to allow us to freely choose. b. For advanced saints, there is an individualized attack of the PoE that is designed to make you quit your Sonship life. It is designed to make us suffer. In this contention of who will be the rightful possessor of H&E – God will not stop those attacks by use of His omnipotence, but rather He equips us to joyfully endure them to His glory, putting the power of His grace on display. God isn't going to omnipotent His way out of this predicament as it only proves Satan's point. I actually think these begin when you have the doctrine working in you up to and including the second section of godly judgment. The are progressive in nature and these attacks will not exceed our advancement in the doctrine. c. Another "greater good" is accomplished in suffering i. Our joint-heir inheritance (reward for suffering) 1. Future reward of glory – our position in the HP ii. It builds our inner man so that:
Supplemental	Bare Bones : Theodicy : Point 7	1. We are more than conquerors (MTC) Rm. 8:37 a. We defeat Satan (overcome his attempts to affect us thru sufferings, even the ones he does not initiate) b. We demonstrate God is the most High c. We get a present and future reward of glory (conformed to Christ now/future exaltation in the creature) While there is an inheritance (and a subsequent exaltation in connection with it) awaiting every saint in the ages to come simply because they are in Christ, it is the extent to which we are conformed that determines our "joint-heir" inheritance and its attendant exaltation in eternity. d. Responding properly to sufferings is what makes us MTCs, which is not only a measure of the formation of Christ in our souls, but at the same time, we display the power of God's grace thru our patient endurance which results in God's glory iii. By allowing suffering, God is educating us as to: 1. the consequences of rebellion a. Consequences of sin & rebellion are being put on display everyday

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 7	b. We should be looking for this part of our education by constantly reminding ourselves that suffering is the consequence of sin. Even if you don't see how a certain sin affects anything, you should make this connection until you do figure it out. A way to do this is to perform some kind of exercise that will allow you to consciously make the connection between sin and suffering, until this idea is firmly rooted in your mind. Just to recommend something, when 2. the depths of how sinful we really are 3. the only recourse is salvation plus edification a. salvation alone runs off the flesh b. godliness is the only remedy; only godliness can change us, transform us d. It moves us to be God's agents of mercy and help as we see others suffering – and this is the life we are called to. Two statements: 1) the concept of eternal life in the NT is not confined to living forever in heaven, but of having a new kind of life right now. This is a life of flourishing, lived the way we were intended to live, a life of real function; a life of virtue, character and well-being lived by and for the Lord Jesus. 2) There is a big difference between classical happiness and what the world now understands to be happiness.
Supplemental	Bare Bones : Theodicy : Point 7	e. In Israel's program i. Punishment for sin (sins of Amorites not yet full) ii. Judgment for Israel for breaking the Law iii. Moral and Natural Evils are already in place iv. The remedy of repentance v. The role of prayer - repentance vi. The benefit of obtaining the blessings f. In the DoGG i. Moral and Natural evils are already in place ii. The remedy of godliness iii. The role of prayer – relationship g. God also allows suffering so that He might prepare us for reigning with Him.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 7	We live in a world with evil and suffering in it and that doesn't conflict with God being perfectly good or omnipotent. Conditions for the allowance of evil: Is it ever alright to allow evil and suffering? It is, if the following four conditions are met: 1. If allowing the suffering is the only means to the procurement of a good If suffering is the only means to the procurement of a necessary good A necessary good is one that you absolutely have to have and there is a reason that you have to have it. EX necessary good: Is your abilty to maintain your free will in eternity while not sinning. The allowance of suffering is for the accomplishment of a much greater good, a very necessary good which will not be fully realized until we get into the heavenly places; the retention of our free will. 2. That the good is actually produced If the good is actually produced
Supplemental	Bare Bones : Theodicy : Point 7	Can't just try to do it 3. That the one allowing the suffering has the right to allow it If the one allowing the suffering has the right to allow it God has the moral right, He is the Creator 4. That the good produced outweighs the suffering allowed If the good produced outweighs the suffering allowed Need all 4 components - just 1 or 2 will not suffice. MM maintains that God meets all 4 of these requirements. STORY: Child skateboarding accident - trip to the dentist and pain. Is it OK for MM to allow the MMJr suffering: 1. The necessary good is getting teeth fixed 2. The good did get produced 3. It's morally proper for a parent to take their child to the dentist 4. Yes it does - could have complications down the road if not fixed, kids are conscious on how they look

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 7	Why does God allow suffering: - The SoC are essential to your Sonship life on earth and to your ability to reign in eternity. - To provide for our exaltation (because of their connection to the JHI - a future reward of glory in connection with our position in the heavenly places) - Builds our inner man Makes us MORE THAN CONQUERORS-Romans 8:37 - When you make a decision on how to go through some type of suffering, when you do that properly, you are actually defeating Satan and his realm in a very significant way. - Because you can't see him with your eyes and you can't visibly look at the conflict and you don't always understand what is being done there. - Responding properly to suffering makes us MORE THAN CONQUERORS. You can learn to respond properly to sufferings and when you do, you are MORE THAN a CONQUEROR. It's not, let me become MORE THAN a CONQUEROR so that you can respond properly to sufferings. That's the cart before the horse. We demonstrate God to be THE MOST HIGH - He is the rightful possessor of heaven and earth A present reward of glory (Christ IN you) - There is a glory of Christ living His Life IN you when you are being conformed to the Image of Christ here and now. Paul talks about REIGNING IN LIFE-Romans 5:17. If you can reign in your own life well, you can see how that will qualify you to reign when you get into the heavenly places.
Supplemental	Bare Bones : Theodicy : Point 7	A future reward of glory (joint-heirs) - your exaltation in the creature - Educating us on the consequences of rebellion When you see evil or suffering in the world, say to yourself, 'sin did that or sin is behind that'. EX car wreck or ambulance go by (don't need to know why - beat up, heart attack) MM tried this and it was remarkable how many times he was talking during a TV program or movie saying 'sin did that'. People act like theirs no sin in the world anymore and then we have all of those consequences and the reaction is let's blame God! Need to understand the depths or how sinful we really are. The only recourse we have is a SALVATION that results in an EDIFICATION. If you are saved with no edification, you are just living your life out of your flesh. That won't work. Only godliness will transform us. - God allows suffering because it allows/moves us to be His agents of mercy and help to those who are suffering. This is the life we are called to. - We should view all occasions in our life to draw near to God, as opportunities to become like Christ and then we can be the kind of people that make the other people around us better at living their lives too. The long-term focus is to give ourselves away.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	8) JSoC (Judgment Seat of Christ): MM understands that this is done publically. Why wait if they are done one-on-one. All judgments in the Bible are public. At the JSoC, if I don't learn this lesson here, play your life story and show all of your unrighteousness. At the JSoC, one of the things MM thinks our Father will show us is how our unrighteousness has affected this world by showing us what would have changed had we been righteous. When we see the difference and we realize we are personally responsible, we will begin to understand the depths of those 'little' rebellions against God. That they weren't little at all and that they had impact in this world. Not this stuff we can blame A&E for. It's solely on us. MM says it will be a sobering day when we come face to face with our contribution to evil in this world and that is going to happen. UNLESS...you can judge yourself. And MM says this isn't the worst part. God would not be doing this to humiliate you or embarass you, although it would be very embarassing. He would be doing that to educate you about what sin really does do so you will now see it the way He sees it because you now understand the consequences of your own sin in this world. What are you really doing when you choose to do this other thing that is not the doctrine? The Bible says if it is not righteous, it is SIN. What you are saying is, 'I don't care what my Father says, this is what I'm deciding to do'. MM says you don't understand what you are saying to the whole creation by your refusal. Obeying God is not a big deal. I can pick and choose when I'll obey Him and when it suits me, I will and when it doesn't, I won't. You are going to get this education one way or another and MM is begging you to get this now. Have come to the place where you understand that when you tell God no (GH: on a 'little' sin), that is just as terrible in His Eyes as the mass murderer at a school. The murderer was probably not saved, what else could he do other than what his flesh told him to do. We are supposed to know better. You are not conformed by a magic act but by showing you what you are responsible for. Will be a wakeup call because there won't be any more 'well, my stuff isn't that bad'. You will finally see it for what it is and sin will become EXCEEDING SINFUL. MM begs us to settle this before we get there and start moving on in our Sonship Life.
Supplemental	Bare Bones : Theodicy : Point 8	JSoC: Related to the Theocdicy we are involved in. MM says don't see point 8 on the JSoC as a study, see it in the framework of Theodicy. JSoC: - Review - Right after the Blessed Hope, takes place in connection with the Blessed Hope. Different than the Great White Throne Judgment. Happen at different times and judging different people and accomplishing different purposes. - Loving His Appearing is more than just the transformation/glorified bodies, it is looking forward to the JSoC. - If we are living the type of life we are supposed to be living here and now and we are maturing and growing in grace and all of those things are happening, the JSoC is something you should be looking forward to and anticipating. After this lesson you will look forward to the JSoC because you will count everything that needs to be working in you (GH: and make that happen). Don't think of the JSoC as a punitive act of God to humiliate you or embarrass you. - The JSoC takes place immediately in connection with the Blessed Hope. - The JSoC involves only believers/saved members of the body of Christ, and only believers who are part of the body of Christ, and as such, is not about determining salvation. If you get there, you were saved. You cannot unjustify yourself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	From Paul and people saved by his gospel to the Blessed Hope. - The JSoC will take place in the heavenly places. Different judgments take place in different places but this one in the heavenly places. - The JSoC is an individualized judgment, not a corporate one. God is not going to take the entire body of Christ and deal with as a unit. (Romans 14:10-13) - The JSoC is not a punishment for sin, nor is it about imputing sin to us. - The JSoC does take reward or loss of reward into account. - The JSoC may involve uncomfortable issues, as it requires us to give an account (Romans 14) and "receive the things done in our body, whether it be good or bad." (2 Corinthians 5:10). There's this idea that when Jesus died on the Cross, there's this idea that they are under the blood and we will never have to face them again. We are free from that and we don't have to worry about it. MM says this is true as far as the debt and penalty and power of sin. But if you think you will never be held accountable for things done in your body, you are mistaken. (2 Corinthians 5:10). There will have to be an accounting, a reckoning of the things done in these bodies. - The JSoC will deal with the wrong or bad things which we have done. (2 Cor. 5:10, Col. 3:25) The bad things we have done are not "works." - The JSoC will deal with the good things (the works) which we have done. Not all "good works" are created equal, and God is going to test our works to see of what sort they are. Wood, hay and stubble are works which will not stand the test in that they are either the product of our flesh, or they were done for the wrong motive. No reward for self-righteousness. - The JSoC will determine reward, or loss of reward. This will include our position in the body of Christ out in the creature and our placement in the heavenly places.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	- What is God doing by doing all of this (GH: JSoC?)? He is cleaning us up and making us “presentable” for the Father. He is dealing with all of these imperfections at the JSoC so they have been dealt with once and for all and can be put away from us so that the only thing left is that which is holy and without blemish. We are, by going through the judgment, unblameable and unreprovable, as there is nothing left to deal with that hasn’t already been dealt with. We are being cleaned up so that each one of us is “presentable.” - The JSoC will educate us. Everything God will do at the JSoC is for the purpose of continuing our education; actually, as far as the sin issue goes, the judgment will need to complete our education, for that needs to be a settled issue when we are presented to the Father and placed in our position in the creature. One of the reasons God is allowing for evil and suffering in this world is so you can be absolutely persuaded of the consequences of any kind of rebellion against God. Of its terribleness and how it's much worse than we think. MM says would be fair to say there will be people at the JSoC who have not been paying attention and don't have the capacity to have a free will and to not engage in sin. MM believes there are a ton of folks that show up at the JSoC in that condition. It's at the JSoC that that education is going to get completed. He will show us exactly what our sin produced in this world. There will be no guesswork about it anymore. No misunderstanding. No loop hole. No cavaet. Will see exactly what our disobedience resulted in. MM thinks we are going to be horrified by it. - The JSoC is a very important part of our education. But MM says if you will work on that now, GH: you can learn to judge yourself.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	- MM believes we will give an accounting of ourselves in front of the entire body of Christ. Not for the sake of humiliation, but for a couple principles: - That's the point of waiting till the whole body was there. Scripture gives the principle where a wise man sees what happens with someone else and he learns from that. But the fool never learns, he has to get it wrong on his own before he figures out what he should or shouldn't have done. - This is an education. Once you see this and this and this and now you have seen it and are aware of it, what will happen before the JSoC is over, when you see something that someone refused to do, you will say I already know how this ends. It is educating you on things that haven't sufficienctly made its way into your thinking yet. Once you see it and seen its consequence and see it repeated and repeated and repeated, after a while you kind of get the message. - Any sin we do not have victory over in our life, we will give an account for at the judgment, because if the knowledge of that sin has no sufficiently impacted us to our forsaking of it, then our education is not over. - Depth/Numbers at the JSoC: The calculation from crucifixion to 2020: births – 76 billion/ 5% of which is the body of Christ – 3.2 billion/ times 30 minutes per person (MM jokes He can't cover all of his stuff in 30 minutes) = 1.6 billion hours = 182,648 years/ The point: We will learn an awful lot about sin and its consequences after that much judgment. There won't be anyone who is unclear about what all that meant. Once this is done, our education will be completed and we will operate out of our free will responsibly because we will understand the consequences if we don't.
Supplemental	Bare Bones : Theodicy : Point 8	JSoC Addendum: - Need to adjust our attitude on how we look at the JSoC and that judgment is based on the following premise: - God is allowing evil and suffering to take place in this world in order that we might be educated on how terrible sin is and rebellion against God (what terrible consequences that has) for the purpose that we would judge sin and unrighteousness in our own lives. If we are willing to do that, it means that our eternity is going to be affected, we are going to continue to have free will in eternity, but we are going to refuse sin. Until this gets done (we begin to look at those things the right way), GH: will have to face this at the JSoC. God will not turn us loose in the heavenly places until we can be trusted. You are going to have a free will and you will have to freely choose not to choose sin and rebellion once you get into the heavenly places. The only thing that can make that kind of impact once this life is over is the JSoC. - The normal reaction to the JSoC is 1 of 2 different ways: 1. By denial: Because Jesus paid for our sins on the Cross (MM: yes) and because they are forgiven (MM: yes) and because we are not going to suffer from the debt and penalty of our sins (MM: true), think there is not going to be any accounting for those sins (MM: not true). Don't think because your sins are under the blood there won't be an accounting for that. No, you won't lose your salvation. Yes, you are still forgiven. 1 Corinthians 5:10-GOOD OR BAD and Colossians 3:24-25 2. Fear: Pendulum swing in the other direction.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	Six points: 1. The JSoC is not punitive in any way. It is not meant to be a punishment. It's the final stop to educating you in such a way that you get so impacted by the terrible nature of sin that you would no more rebel against God there than you would take a pen and gouge it in your eye. You would never do this because you realize how terrible that would be. Why you don't give babies pens because they don't know any better. We have to learn to know better. When you see all the evil and suffering in the world, know it is part of either natural evil that happened when Adam fell or part of the moral evil that takes place in this world because people sin. When the Bible says we will give an account of the things we have done, whether good or bad, this is for the purpose of educating us, not punishing us or humiliating us. It's the last thing that will happen before you get turned loose in the heavens with a free will and you understand that you are still going to have free will when you get into the heavenly places. Something has to happen to ensure that when we get up there, we will NEVER choose to rebel against God or to sin and God is not going to overpower your will to make that happen. Why? Because if God overpowers your will to make you do the right thing, then none of your actions are really glorifying to Him. Because you are nothing more than a robot - programmed to do it. When people love us, we want people to freely choose to love us, not because we have forced them to love us. God is glorified when you freely choose to refuse sin and choose righteousness for His sake. If you don't have free will in eternity, you can't love Him. Who you are is vested in your free will. MM also says the JSoC is a wonderful opportunity to make things right between the fellow members of the body of Christ. MM says think about that. 2. If the JSoC is the final installment of our education in the sin issue, then we would want to get educated there if we don't get educated here. You don't want to go into eternity with a free will yet not be convinced in the terribleness of sin. You want to make sure you look at sin just like your Heavenly Father looks at it and you see it for the unrighteousness that it is. Say, I would be so embarrassed to show that at the JSoC...God is not trying to embarrass you, He is trying to do something for you. This is our opportunity for what didn't take place during this lifetime to make an impact on us before we are turned loose in the heavenly places. Therefore, we should welcome it.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	3. We need to see the JSoC as a necessary step. Because we want all members with free will to not exercise sin. That's a necessary step because He loves us and He wants us to benefit from the fullness of what it's going to be like up there. If we ruin that, it won't be any different than what is going on here. 4. As the JSoC makes the impact that it is designed to make, our focus on others will not be to condemn them or to judge them. That is not going to be our focus. We aren't going to judge them because we know that we weren't perfect either. That's one pendulum swing - but it also won't be to excuse ourselves either, the other pendulum swing. We don't let them off the hook because we want that education impacting them too. Our attitude will be of encouraging each other and building each other up. So that this judgment makes the type of impact on us by which we all benefit. At the JSoC, the body of Christ is rooting for every member. It's every member of the body being in favor of this judgment doing what it is supposed to do. 5. We have to start looking at the JSoC as our opportunity to wipe our whole slate clean and go into eternity with a clear conscience. MM asks how valuable will that be? Nothing will be hanging over your head. Let the JSoC clear all of that up. Paul's verses on being presented to the Father - WITHOUT BLEMISH, UNBLAMEABLE - there will be nothing after this judgment that anyone will be able to point at you and say 'hey, but what about this?' It's all going to be handled. The slate is going to be wiped completely clean. That's a valuable thing to have. 6. We have to see that the JSoC is the culmination of our education to settle once and for all the question of sin so that we will freely choose righteousness in eternity. MM says people think you won't be able to sin in heaven but Lucifer managed to, so don't say that. You will still have a free will because that is what makes you you. Not some automoton or robot.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 8	MM's ask: Start looking at the JSoC, not with dread or fear, and start looking at it as the best opportunity to get every member of the body of Christ in a position to have absolute free will in eternity and to know that we are not going to ruin it. That we will see sin like our Father does. MM says this is very exciting, but has to be done. God is not going to wave a magic wand or give you the red pill or do a heavenly labotomy. You are going to have to learn this like you have learned everything else. Because if God does this any other way, then there's no sense in giving you free will to start with if all it was going to exit out when it didn't do. - MM says all through your Bible is the illustration of how God is not going to come in and intrude on the free will of people. EX in the Garden when Eve was about to eat of the TKGE, all God would have had to have done to stop that was to show up and say to Eve 'what are you doing?'. That would have stopped that. God knew the serpent was talking to her and He allowed her to do what she did. Because He created you in His Image and part of that image is your ability to freely choose to do good or evil. The question is not 'why does God let so much evil in the world?', the question is, 'why does God let people in the world?', because that is where the evil comes from, not from Him. - Look at the JSoC as this necessary opportunity, to wipe the slate clean, to impact us sufficiently so that sin will never be an option for us even though we still have free will. If we do that, we will stop worrying about, 'oh I'm going to be so embarrassed,' and will start focusing on this the way that God intends us to and this is just part of the education that we have to have.
Supplemental	Bare Bones : Theodicy : Point 9	9) What is eternity going to be like? If not the most important point, it is one of the top 2. - What is waiting for us? MM says there are a lot of erroneous ideas about what it's going to be like in eternity. MM would like to clear the decks and read some verses: - Erroneous ideas: - Sitting on clouds struming harps - Casting crowns at Jesus' Feet - Non-stop praise and worship service - A sterile, boring existence with nothing to do No wonder people don't long for eternity. No wonder they love the world and this life. No wonder larger and larger numbers don't want to go to heaven. Think it is going to be boring, they are not going to enjoy it. - In the western world, it is so hard to get a fix on this. Because not only do we not know what is waiting for us up there, but in our own culture we have ideas, philosophies, world views that are opposed to even believing there is an after life. Because people don't really understand the terms being used in the Bible and what they mean, MM wants to give us some of these terms.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	9) What Eternity is Like - continued 1) The glory of what is waiting for us a. Most people have no concept of eternal glory i. 2 Timothy 2:10 - v10: ETERNAL GLORY & v12: REIGN WITH HIM ii. The glory that awaits us in eternity is more wonderous and marvelous and exciting that most people ever imagine. It is your Heavenly Father who has designed for you to have that glory as part of the salvation package. iii. It contains events, places and experiences that will bring your life in eternity to its very zenith of what it means to be in the heavenly places; it will be the epitome of purpose of life The things that are going to be happening to us, the things that we are going to engage in and participate in, the things you will see, the things you will hear, the things you will do, the people you will be with, the experiences you have, all of that is going to make the fact that God gave you life and allowed you to have those things in eternity, it is going to bring you to the very pinnacle of what it means to be His son or daughter. The fulness of what it means. There is nothing that you have ever done in this life that will bring you more joy than the things that are waiting for you up there. There is nothing that you have ever done here that will be more exciting than the things that are yet waiting for you up there. God is not wiping out your personality, your personality is a reflection of your free will. You will have an eternal life that is beyond measure of anything you will have had here.
Supplemental	Bare Bones : Theodicy : Point 9	b. For most people, eternity is the P.S. of the Christian life. It's the after thought, it's the post-script. i. While we talk about “eternal life,” sermons are mostly about the things of this life (how to raise our kids, better marriages, how to communicate better, etc.), while we hear almost nothing about life in the ages to come; the main point of the Cross is found in our eternity, not in our life on this earth – eternity is the end game, not our life here and now. By in large, most churches don't talk about it much. Don't hear much about what's going to be happening in eternity, what we are going to be doing, and what our life is going to be like. c. People think heaven is going to be boring or tedious or doing stuff they really don't want to do, and as such, they really don’t want to go; as a result, they would love to just live their life here in this present world. They really don't want to go to heaven and much of the reason why is because they do not know what is waiting on them there. d. What is it going to be like in eternity? In order to know what it will be like in eternity, we need to know something about the kind of being we are, and to do that we have to talk about the soul. i. Our soul is who we are; your soul is the real you - it's the eternal part of you. A soul is made up of three parts: mind, will and emotion - all 3 are immaterial, not physical. The real you is an immaterial you. Therefore, our soul, the real us, is immaterial. We are, at our essence, a non-physical beings.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	But God did not mean for us to live in that condition, which is why He put our soul into a physical body the moment we are born. Why? A body allows us to interact with the physical world in a way that we absolutely could not do without a body. Our soul does not need a body to survive, even in the heavenly places, but it is our body that allows our soul to interact with the physical world in real, physical ways; ways which a soul, by itself, could not experience. Our soul is what animates our body. Scientific Naturalists and Postmodern Relativist think that your brain and the CNS is the real you. When you are dead, the brain decays away and you are gone. MM says but that is not the real you. In your soul, you have mind, will, and emotion. Your mind interfaces with the physical world through your brain. Your soul can think and remember and hear and articulate but if it doesn't have a body, it can't do that in this physical world.
Supplemental	Bare Bones : Theodicy : Point 9	ii. God giving us a physical body tells us some things: The fact that we are given a glorified body in eternity tells MM there are things that God wants us to do and be involved in, and experience that we would not be able to do without a body. The body tells you something important. 1. Our physical, glorified body tells us to get ready for a physical life in eternity! It tells us that God means for us to be experiencing life in a physical realm. God intends for us to live in a physical “world” (if you get my meaning of “world”). In eternity, we will be able to experience the fullfillment of every one of those, not the diminishing. MM doesn't believe he will be married to Billie in eternity but he absolutely believes that he will love her more there than he was able to love her here. MM absolutely believes that the relationship there was closer than it ever was here. If you think this is good, just wait till the first of the AGES TO COME. With every age, there are new things you have never seen before, experienced before, heard before, been thrilled about before. It will not be boring or tedious or a drudgery. You will come to MM's house in eternity and say you, know, you were right, this is way better than anything we had before. MM will reply, wait till the next age because you will say that same thing again.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	When the Bible talks about the AGES TO COME, and God begins to unveil His Plan for humanity through eternity, with every successive age being more greater and more grand and more marvelous than the previous, He is bringing you to the fulness of what it means to be one of His creatures. MM says it in unbelievable. When you get into the heavenly places, you will have a chance to live out of a physical body in a way that you have never had a chance before. Why give us a physical body unless God intends for us to interact, in all the ways we are already used to, in a physical creation? Why give us the feelings that a physical body enjoys in the first place? It is God who built in all those senses that produce more than just data of the sense itself, but it includes a range of emotions and feelings which are all produced in a moment of time, He did that for our pleasure. When God created our physical bodies, it was for our enjoyment of the physical world. But when sin came into the world, unfortunately, those same bodies would feel the physical, mental and emotional pains and sufferings too. But God is going to fix that. In eternity, our bodies will never have a single day of aches and pains, never experience heartbreak and sadness, never be sick, never feel depression or anxiety, never grow old and never die. We only get the good stuff! Point: The ability to experience life in a body all comes from God and His desire to give us the best life possible in every area of life. This body is going to get old, sick, tired, stressed, injured, killed. God is going to give you a glorified body in eternity and cannot have any of those things happen to it so it matches your soul.
Supplemental	Bare Bones : Theodicy : Point 9	2. Having a physical body tells us that we are going to do more than rule and reign (GH: Work/Labor with Him); that work will only be a part of our life. We know work will be our godly labor, and that we will engage in work, but we can deduce that there will more to our lives than just reigning with Christ because we do not need a body to make godly judgments; to work. Our soul is perfectly capable of reasoning, remembering our education, and making godly decisions. We know that we will have godly labor and labor with Him in the things He is doing. We will engage in work. Will be more to your life than sitting on a throne. You are not going to just sit on your throne and rule 24x7x365. You could do that as a soul, you don't need a body. Your life will consist of more than just work. We get the idea we are just floating around doing nothing. No one will have to convince you to work, it will be one of the great pleasures of your life.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	Don't think of work as the drudgery we think of it in this world. It's going to be fantastic. But God intends us to do more than work. God created everything in 6 days and then He rested on the 7th. It wasn't because he was wore out. The rest just means He stopped His creative work. There's a principle that not everything is work. Sabbath day, sabbaitical year (don't plant any crops - let that land rest) God intends for you to do more than work, more than sitting on a throne. He intends for you to also have a life for the purpose of enjoying the things of physical activity and physical life. MM's deductions: 1) the work that we are going to be engaged in may require a physical body, or 2) God intends for us to do more than just work. In MMs mind, both of these may be true. You will work, but you will also have a life.
Supplemental	Bare Bones : Theodicy : Point 9	3. If we have a body, it is for the purpose of enjoying bodily pleasures and experiencing physical activities. The body you are going to get is BOTH physical and spiritual. The fact that body has physicality to it tells us some things. It tells us something about your life in eternity - it's going to be interacting with the physical world. It means that God wants us to experience life in the physical realm. Because if He didn't, He didn't need to give you a body. MM implies he doesn't have a verse but thinks this is self-evident. When God gives you a physical body, because you are very much alive without it, then He means for you to interact with the physical creation. The feelings of comfort or well-being (little kid crawling up in your lap, warm soup on a hot day, certain smell in a room that brought back a whole memory of someone or some event, Billie reaching out and touching MM's neck, sunset that took your breath away come from having a physical body. God built that into us. He didn't go, oh, look what accidently happened?
Supplemental	Bare Bones : Theodicy : Point 9	Every good pleasure of this life is a shadow of that is waiting for you in eternity. EX Sonogram (here and now) vs. the day a baby comes into this world (eternity-get to see it face to face). iii. But what else does having a body imply? It implies that you will have a place to live; a domicile, a home. When Jesus was on earth, where did He spend the night? I am talking about when He began His public ministry, where did Jesus reside? MM thinks somethings that are important to us on earth may not be so important in heaven and somethings may be more important to us. Point: Because you have a body, you are going to have a domocile or home. God that Father is going to have a House and He is a Spirit. Will need a glorified body to carry out some of the things you will carry out.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	MM has a porch at his home in Imperial. Spend more time on the porch than any area of the house if the weather permits. Countless Bible questions asked and answered and fellowship on that porch. In eternity, MM is going to have a house and if he wants a porch on it, he will have/put a porch on it. We'll sit on his porch and it will be a place of true fellowship. Will have real meaning and purpose instead of just jabbering. Will be community and family and fellowship in eternity. These will not only be important but they will be perfected and achieve exactly what they were meant to achieve on this earth. In eternity, fellowship is going to have godly purpose behind it that not only beneficial to us but to everyone that is there and will be glorifying to our Savior. It will be part of the creative aspect that we will employ in eternity, both in our lives and in our work. No, we will never be like God is the Creator, but He does mean for His sons and daughters to use their faculties to bring about useful and inventive ideas, processes, and inventions.
Supplemental	Bare Bones : Theodicy : Point 9	Because we are made in His Image we have this creative urge to bring processes and things into existence. Just look around the world at the advancements made. MM suggests when you get into eternity, that is not going to stop. When you get into eternity and the ages to come, you are going to need to be continue to be creative and you will be in ways that you haven't even thought about. Every successive age will require it. It is part of who you have been made to be when you were made in the image of God. Think about a project that the Lord Jesus has put into your hands to get done, He wants you to head up that project. You will be able to pick your Team. What a privilege to take part in the AGES TO COME. Not just busy work. It will be a glorious task and you will be equipped to do these types of things. When the next age rolls around, part of the glory you and your Team will get recognition for that project.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	How much purpose is in that knowing that the whole body of Christ is going to benefit from this type of thing you are in involved in? You won't just get called up to the Big House. Can you imagine sitting with Paul and hearing him talk about things that are yet ahead for the ages to come? And what if he is asking you to assist him on his team – how great that would be! A person without purpose is miserable and in eternity (GH: so you will have purpose), there will be no lack of purpose for any of us, and because MM believes the home (family and fellowship) are going to be perfected, there will be no lack of purpose for any member of the body of Christ. We will not be overwhelmed by our purposes, but we will never be without purpose either. MM absolutely believes we will be inspired to do them. A house may be a shelter, but a home is something more. It is a place: 1. of community (where we learn to recognize our part within the function of the whole), 2. of love (not just for our family but for those outside our family), as we find creative ways to communicate our love to them 3. of ministry (to the community at large), and in eternity to the body of Christ and also to those who are living on the earth Don't think you will get to the place where you have learned everything about God and His Glory and there is nothing else to know. You have vastly underestimated how infinite He is. You will be constantly increasing in this. 4. of preparation (for work or school or go out in the world, for example),
Supplemental	Bare Bones : Theodicy : Point 9	5. of respite or rest (from the official work we do; the purposeful stepping away from work for two reasons: 1. the purpose of attending to other matters - other important things are going on too and you don't want to neglect them and 2. sharpening ourselves for return to work - renew your perspective about the work and reengage and do so better than you have done before. MM says could argue that our glorified bodies won't need rest. 6. of learning (education, how to work as a unit), and 7. of hospitality (opportunities of ministry) When you leave someone's home in eternity, you will say man that was great. Not just because it was enjoyable and pleasureable but because of the type of things you are talking about there. The kind of life that is waiting for you in eternity is the kind of life that life was originally meant to be. Not trying to live a life but actually being or having that life. There is nothing to compare with it. By the time you get through with this (GH: study), you will be looking forward to going more than ever before. People who didn't want to go before now realize that God is not shortchanging them. He is actually opening up so they can have a life like they have never had.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	What eternity is like: - We know some things because they are plainly stated in the scripture. We know eternity will consist of various AGES TO COME- Ephesians 2:7. In eternity, we don't anticipate a continous age we know there are going to be some differences. - Other things are not stated as plainly. If you are going to know anything about them, they are going to have to be deduced from the things which are said. We believe the AGES TO COME are all going to be in an order. That each one will be come out of and be built on the previous ages. There will be new aspects of each successive age that were not present in the previous one. MM thinks this for a couple reasons: 1. Because of certain characteristics of God. God is a God of order and not randomness. He doesn't do things willy-nilly. It makes logical sense to MM that there would be order and purpose to it. 2. We have seen God do this before. Take our own Sonship education for example. Like any education, it runs from milk to meat or from the simple to the more complex. 3. In order to bring out details from the principles, MM is going to create fictional scenarios that will bring out the heart of the principle that we are looking at. Called speculation. The details that MM is speculating may not turn out to be exact in eternity but he is trying to reveal the heart of the principle.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	4. There is so little detail about our lives in eternity that almost everything we will discover about our after life is going to be made by deducing it from things which we see written in the scripture. They are not going to be outright statements. MM is giving you outright statements and then show the principles from which he got that. When you use deduction, there is always the chance that you have a part wrong so MM reserves the right to be wrong but he is trying hard not to be wrong. Make up your own mind with your Heavenly Father in prayer as you talk to Him about this things and also as you talk about them with your brothers and sisters IN Christ. Some things are admittedly outside the box but will give details why he thinks they are worth are time and effort and thought. We should never base our doctrine or practice on speculation. The word of God is the source of Truth and everything that we believe has to be rooted in that. Makes sense that the AGES TO COME will unfold in a very similar manner even though there are no verses that explicitly say that. Two basic views of eternity: 1. Heaven is already perfect and in place. You show up and participate but nothing for you to really do. Not anything extra happening with that. - MM doesn't think Heaven is this village that is already set up and you just kind of show up and wonder through. Thinks there is more direction and order and purpose behind that. 2. You are going to be living a life up there that will continue to unfold forever. Things that you don't know when you get there that you will come to know. There will be experiences that you have never had before that you will now have that are new and kind of like an adventure. MM says based on what is happening in the heavenly places, he thinks the second view is closer.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	What Eternity is Like i. You will fellowship. Why does MM say we will fellowship? The Bible does not outright declare that we will do this, that you are going to fellowship. Fellowship will be perfected in eternity. MM does not think that fellowship will be dissolved at the Blessed Hope, but rather it will be perfected. The fact that we are members of the same body in eternity implies a fellowship which will continue. Israel program implies that our fellowship may include meals, even though it may not have to. In eternity, our fellowship will have godly purpose which will make it more fulfilling and beneficial for us, and for those we fellowship with than it ever was on earth. In the body of Christ, I believe fellowship will be perfected, so we can finally experience it the way God designed it to be experienced. We will fellowship about the things we have in common. That is what fellowship is. We will fellowship about what has been and is happening to us. Because our fellow members are not omniscient and communication is essential. We will fellowship about the greatness of God's grace which made all this possible, and about the greatness of the Lord Jesus Christ. We will fellowship about the work we are doing. We will fellowship about the things we are discovering and learning. We will fellowship about the things we have seen as we work throughout the creation.
Supplemental	Bare Bones : Theodicy : Point 9	MM doesn't think we will get up in the creature and know everything you will ever know. This will be ever learning, ever unfolding in understanding truths. We will fellowship about the things we have seen throughout the creation. Because your family and friends do not have omniscience. Jesus ate with His Resurrection Body. We have this idea that we won't need to eat, but we can eat if we want to. Implies that are fellowship could meals in eternity. MM doesn't think fellowship has to revolve around a meal but it could. Real issue: Because MM believes fellowship will be perfected in eternity and we have been called into to the FELLOWSHIP OF THE LORD JESUS-1 Corinthians 1:9, MM believes we will experience true fellowship in the form that God originally designed it to take. In eternity, our fellowship is going to take on godly purpose, which is going to make it more fulfilling for us, but it will be way more beneficial to you and the people you fellowship with because of its purpose. Will be a lasting, beneficial, pleasurable result from fellowshipping in eternity. The greatest time of our living will be when we get into eternity. This is a life that will continue to unfold all throughout eternity. POINT: Fellowship has a godly purpose which will be fulfilled in eternity. It is designed to increase the bond between you and the other members of the body of Christ so your love for them will deepen and abound. Your appreciation for their labor will grow. You will see them as more and more important and integral part of the body and what it is doing and you will rejoice in their doing their job well.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	ii. You will make new friends. MM does not think we will automatically know every member of the body of Christ. Having the mind of Christ is not the equivalence of omniscience. Scriptures that describe the afterlife indicate, we will retain our memories from our life on earth, therefore we will recall our friends and family. Our friendships will be perfected, not done away with. Our work in the body with other members necessitates that we have knowledge of each other. We do not just focus on ourselves, we but we learn the value of every other member. Our "value and esteeming" of the other members is not made up; it not just something we say. It needs to be a living reality with us; it needs to come out of knowledge of our fellow members so that it is genuine. We will come to information they way we do right now. It's not going to be implanted into your brain. To get to know people, you have to spend time with them and talk with them. Remember MMs JSoC calculation. May be billions and you won't know most of them. Going to have to spend time with other members of the body of Christ and get to know them for who they are and they will get to know you too. Have to have time to be able to do that. Different aspects of your life on earth - family, work, community. MM believes what you do in eternity will mirror that.
Supplemental	Bare Bones : Theodicy : Point 9	You are going to work and going to love it but there will be more things to do. When the scriptures talk about the after life for those that have gone on before, they retain their memory, still know who their family is, they still know about their friends, etc. MM says when we get into eternity, we will remember as well. When we get up there, we won't love them because they are our brother or sister or parent or kid or whatever, we will add another dimension to that because they are members of the same body and we are working together up there. Our relationships will be perfected up there. Not done away with and our love for them will increase. Our work in the body with other members, MM thinks it necessitates the fact that we know each other. That we find out who these people are that we are working with. We will truly learn that value of every other member. Won't be the V&E mantra that we say when we absolutely know nothing about them. Friendship will be cultivated in such as way that it becomes a living reality. Working with fellow members of the body that you don't know. Everyone would introduce yourself and find out about who each other are and what time they lived in the DOGG. MM thinks it won't be taboo to speak with people on the earth either but he doesn't have a verse for that. Will make friends with people you didn't know on earth, maybe didn't even live the same time as them. Friendships will take on the role that God intended them to take and we will constantly be developing those relationships we have with our fellow members.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	iii. What will we do about the people we knew on earth that we did not get along with? The people you loved the most, you will continue to love in eternity as it starts. Family and friends will continue to be among the people you love the most as eternity starts. But what about people we did not like or get along with? First of all, a lot of that is going to be taken care of at the JSoC. There is going to be some apologizing and making things right – a lot of it. Go into eternity with a clear conscience. Would not surprise MM at the JSoC that it was found that MM offended someone and never thought about it again that he is going to go make his apology and clear that off the books. MM knows that God isn't sweeping it under the run and ignoring it. These things are under the blood but we are still giving an account of the things done in the body whether they be good or bad-2 Corinthians 5:10. Cannot walk away from that. But after the JSoC, you are going to engage in an education whereby the people you had the most trouble with, will be viewed by you as important fellow members of the body. Will V&E them as fellow members of the body. Welcome them into the body and will feel about them like we are told to feel about others right now. Does not mean that you will love everyone the exact same or to the same exact degree. You won't. MM is not saying that you will love everyone the same. Nothing in the scripture says that. God doesn't level off our love for everyone. Your love for everyone will increase throughout the ages to come. MM believes this is all progressive. It is all revealing what God's purpose is in eternity. Old animosities will be done away with and you will no longer feel about these people the way you used to feel because all of that is going to change.
Supplemental	Bare Bones : Theodicy : Point 9	iv. You will see whatever you would like to see and go wherever you would like to go. The freedom and liberty you will enjoy in eternity will be unmatched by anything you ever had before. Why? MM deductions: 1. Based on our Sonship status, we are already being treated like adult sons and daughters, not children who need to have limited freedoms and limited decision making. I cannot imagine that we will have less liberty in eternity than we have now. Cavaet: In eternity, our liberties will continue to be tempered by the godly love that we have for others and the proper discharge of our responsibilities. Won't run wild like animals but your desire to do and to go GH: will be with godly purpose. Not desire to go in a frivilous way. Things that we thought were a big deal here may not be such a big deal there. But he thinks other aspects will remain the same, like curiosity. There will be things we know are coming and we will have a sincere desire to know them. Keeps eternity from getting old and stale. MM recognizes what he is saying is at odds with what a lot of recognized scholars in times past have said. EX Thomas Acquinas, who taught that "Heaven is a place of motionless absorption with an intellectual contemplation of God." MM sees eternity differently. Not just because he wants to but sees the scriptures differently. MM does want to see it different. If that is what God has planned, MM will do what He has planned because he knows that it will be great.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	2. The heavenly places is our domain; it is the main sphere of our operation. It makes sense that our liberty would be greatest in the area of our function. EX The the earthly ministry of Lord Jesus. MM believes He was here, not on vacation, but on an express mission for His Father, redemption. MM thinks all of His actions were weighed and careful and not frivolous. Wasn't here to have a little fun along the way. Everything the Lord did had direction to it. Yet, in His life, He worked in a carpenter shop, walked the countryside, fished, sailed, met people, talked, taught, ate – all in connection with His life's work. MM thinks this is a perfect picture of what our lives will be like in eternity (not walking the country side or working in a carpenter shop). Even after His Resurrection, He moved from place to place, continuing with His disciples all the way to His Ascension. MM can see us working in the heavenly places doing a lot of different things, experiencing a lot of life and all of it for the glory of God and the furtherance of our Father's purposes. This is what the Lord was doing while He was here.
Supplemental	Bare Bones : Theodicy : Point 9	The things MM is talking about in eternity are not anti-thetical to godliness or serving the Lord. They are not contrary to being a member of the body of Christ. We can not only journey to the ends of the creation, MM thinks we will. It won't just be for entertainment purposes because you are really bored and need a break. MM thinks heaven will be anything but boring. Does not mean we will not enjoy our liberty. The things we do in eternity will be extremely enjoyable and extremely interesting to us, and sometimes even awe-inspiring. MM admits Bible doesn't necessarily say this but thinks there are principals as the various ages unfold - the things we experience, the things we see, the things we hear, he believes they will continue to astound us. Remember Paul in the third heaven saying I SAW THINGS NOT LAWFUL FOR A MAN TO UTTER-2 Corinthians 12:4. Thinks these principals will be in place throughout all of the AGES TO COME. The use of our liberty will be for personal pleasure but it won't be performed for personal pleasure. It will be for others and the glory of our heavenly Father and for the accomplishment of His eternal purpose. The creature is waiting to be delivered into our liberty. It is going to benefit from our liberty. Our liberty will not be inappropriate in eternity but will learn to use it just as we are learning it here.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	MM showing that if there was godly purpose to our liberty here, MM believes that godly purpose will continue there. Won't be the same aspect because we won't have that flesh to contend with. POINT: Why go to the trouble to learn to exercise liberty here IN Christ if in eternity God is just going to wave a wand and make it happen? Doesn't make sense to MM. MM thinks whereever we are in our Sonship life that's where we start when we get into eternity. A final assertion on the presence of God: People think He will be everywhere to everyone over time. MM thinks we will experience different levels and degrees of God's presence all throughout eternity. Illustrating that...The manifest presence of God in eternity will be in the New Jerusalem on the earth. He is still omnipresent but it's not like you have this feeling that you are always standing in His manifest presence. MM believes you will see different facets of God's omnipresence. Sometimes, you will be in the very presence of God Himself. And times, like right here, right now where He is not so overwhelmingly omnipresent where we fill like we are right in front of Him. Not saying you have to book an appointment but MM believes there will be times where you can see Him and you will see Him.
Supplemental	Bare Bones : Theodicy : Point 9	What eternity is like? (cont'd) v. If you have an interest, MM believes you will be able to indulge that interest throughout eternity. But once you see what all is up there and what we can spend our time doing, things like bass fishing are going to lose their appeal. Fishing for the sake of fishing, or fishing for the sake of diversion, or fishing for sport/hobby or for the biggest fish, is going to be a poor way of achieving what we would really be doing if we were fishing. MM is not saying that no one can fish, but if you do, it will be for different purposes than before/the ones just listed. MM believes there will be other areas of interest that you can pursue in eternity and they will have genuine meaning and purpose behind them. Speculation/Conjecture: Sarita and her love for horses. In eternity, Sarita may have an opportunity, if she is still interested to be around and work with horses. MM knows this may sound strange. What may initially draw her to this is her earthly rememberance of horses. But in eternity, her reasons and purposes for her involvement will go beyond merely liking horses or enjoying riding. Principles that MM is basing this: There are horses in heaven and horses on the earth and there will be horses in eternity.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	Because of their nature and purposes, certain animals, not only carrying a profound purpose as part of God's creation, but were also very valuable to man and therefore they became man's responsibility to care for, to protect, and to train. This is all part of the dominion concept that man has over the earth and over the creatures in the earth-Genesis 1:27-28. This includes horses. - Man has some responsibilities toward that over which he has dominion. This is not a stretch, this is a direct statement in the scripture. If he is told to "dress and keep-Genesis 2:15" the garden over which he has dominion, then it stands to reason that man has similar responsibilities toward the animals over which he is given dominion. Man's mankind has a degree of responsibility towards horses. - Told in the Book of Romans (1:19-20) there are two ways in which God's glory is made known to men. 1. The creation declares the glory of God directly, and it declares His righteousness which indirectly manifest His glory. In both ways, directly and indirectly, the creation reveals God's glory. 2. From the scriptures - may be more detailed and explicit on how they reveal God's glory it remains that the creation reveals the glory of God. The creation declares the glory of God both directly (Psalm 19:1) and indirectly (Psalm 97:6). In both ways, the creation reveals the glory of God. Take these principles, put them together, and extrapolate something from them.
Supplemental	Bare Bones : Theodicy : Point 9	• If the heavens now declare God's glory, MM believes the new heavens, containing a functioning/functional creature, will reveal even more of God's glory/will reveal the glory of God as well. If the creation does reveal the glory of God, then God would want it to be made manifest/seen/understood. Why do it if no one's going to know about it? MM believes the new heavens will reveal more of His glory because it will not contain Satan, his minions, and a non-functional creature. • The creatures of God's creation, including horses, will continue in the new heaven and the new earth in eternity. • Therefore, in eternity, man will continue to have a responsibility toward certain of God's creatures (such as horses) which means someone will have to care for them, train them, etc. • Sarita may well be one who will take up this task of caring for horses. Because MM believes any task in eternity will go beyond the initial we like it or we take some pleasure from it, then someone like Sarita, as eternity moves on, doesn't think you will know all there is to know. Will continue to unfold throughout the AGES TO COME, she will continue to learn because her education is going to now allow her to to see aspects of God's glory in the creation that were not previously understood.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	What if our continued education as sons and daughters is meant to equip us to be able to finally discover aspects of God's glory in all the areas of creation which we did not previously know? Maybe we couldn't have known till we got that far. We are being equipped to be able to see the glory of God that means Sarita would be able to take her education and apply that to a particular area that she's involved in. That means that now she might be able to understand aspects of the glory of God in the creation of the horse. A horse has a very unique shape to it and you look at it and think what is the glory of God in the shape of that animal? What is the glory of God in the strength, speed, in its different gaits, in its mane or tail? MM thinks we see very little of the glory of God in the aspects of the creation around us. If God wants to put His glory in the creation and He intends for that glory to be seen, then MM thinks He also intends for us to see it and to discover it. And once we discover it, all of a sudden now, it will give us another level of how we think about God because we've discovered another aspect of His glory. Something that we did not see before. This is something that is not just thrilling to our souls but MM thinks that this is glorious to be able to understand and to behold. Sarita will share things with others and they will be amazed. Not far-fetched. If there is glory in that He wants it made manifest.4
Supplemental	Bare Bones : Theodicy : Point 9	Here's the far-fetched part, Gloria says to Sarita, you should write that down in a book so everybody can see it. Her education will have informed her of things that have not yet been discovered and if she wrote a book she might call it 'The Glory of God Revealed in the Horse'. Book of men's works is already being written in heaven. MM talks about the printing press and the first book the Gutenberg Bible and asks if we think that was a happy accident or design behind that? (GH:from language to alphabet to stone to paper to mass production?) If God's glory is going to be revealed, why wouldn't it be written down so every member of the body of Christ could read that and be edified by realizing the glory that is that part of the creation? 1,000s and 1,000s of other aspects of the creation that would also reveal the glory of God. MM thinks like the education, they start with the simple and move to the more complex. MM is not speculating about: - God vesting His glory in the creation - horses being in eternity - the fact that mankind has a responsibility over that which he has dominion

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	MM is speculating about the book and maybe about Sarita. Remember the Bible is not a Book written to tell you all about what you will be doing or things you might discover in the AGES TO COME. Paul's letters refer to other writings that didn't make it into the canon of scripture, they were not inspired. Paul wrote other letters. Don't you think those letters were meant to be helpful and beneficial and edifying to folks that we not necessarily part of the canon of scripture but were very helpful and beneficial to them. MM said their may have been some hellos and greetings but believes there was real godly purpose in them as well. If Sarita writes this book, it would allow the saints of the body of Christ to gain the same insights. Suppose God didn't design the horse, it was random. Supposed He did design the horse but there's no glory to be seen in it. Suppose parts of the creation reveal His glory, but not the horse. Suppose MM is carrying the gloty of God too far. MM doesn't believe any of these.
Supplemental	Bare Bones : Theodicy : Point 9	Maybe Sarita will travel and lecture to inform the body of Christ on this part of the creation. Maybe this would spur someone else to look at the things they are in to see/surface aspects of God's glory in it. Maybe her book would be published on earth so the people would not just look at horses but as the magnificent representation of the glory of God. MM says he can't imagine God would be upset at that. If you could say it, why couldn't you write it? MM challenging the little restrictive beliefs we have about what life is going to be like in eternity because we know almost nothing and we are determined to continue to do so. Challenging this and getting us to aling with some principles in the Bible. If books are rightly written in eternity, MM believes they are for more than just entertainment. Books will no longer need to be about a fictional utopia because folks will be in the real one and it will be better than the fiction. Books that will be written will continue educate us, edify us, instruct us, inform us by revealing greater and more grand aspects of God's glory than we have ever come to know and understand.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	This is part of the creativity built into us as we were made in the image of God. As far as literature goes, the best works are yet to be written. MM believes most of the books written in the world are flawed because most of them omit God and His connection to that particular subject, which means that their knowledge is incomplete. Men have worked hard to write books and leave God out of them, especially the sciences. But they all have their roots in God. He is the One who created those things. A proper study should not separate the science from our theological understanding of how those sciences find their identities in God and how they reveal God's glory. EX Write a book showing Physics is a creation of God and has its very identity in Him and actually reveals His glory. You can't go to a university in this country and get that education. MM doesn't believe the final books have been written, he wants the final books to redound to the glory of God. The One who put it all together and formulated it is the One who is now left out of this. MM may be wrong about the books but if God's glory is manifested in every aspect of His creation, MM believes there will be an order around how we will learn about His glory. MM believes God wants His glory to be known and He will either make it known by the natural process of what our education will produce in us as we deal with the various aspects of the creation or He'll have to open up or head and pour it all in. He doesn't believe the latter.
Supplemental	Bare Bones : Theodicy : Point 9	When the Bible says THE HEAVENS DECLARE THE GLORY OF GOD, MM believes right now our understanding of that is pretty shallow. We look at the universe and say that's God's glory. We know the story of the constellations and say that's God's glory. Those are part of it but they are not even the hem of the garment of what the glory of God is up there that is waiting to be revealed. Believes we don't yet have a proper foundation to be able to identify it up there. MM believes in eternity, He will constantly be revealing more and more of His glory and every age is going to reveal a brand new level of that. You will be ever learning, ever growing, ever deepening, becoming more and more who you were designed to be. Don't think you will ever exhaust the glory of God, that you will ever know all there is about God their is to know. Because God is infinite, so is His glory. It's inexhaustible, just like He is. We have to stop looking at the Cross as the end and look at it as the means to an eternity without end. Jesus was great in His redemptive work on the Cross, but He was already great in eternity past before the Cross ever took place. He was able to do the great work on the Cross because He was already great before the Cross. He wasn't less before, the Cross just revealed who He was all along. In the AGES TO COME, as those things continue to unfold, MM believes we will see a never ending manifestation of His Greatness so we can love Him and adore Him more than ever in every age because His glory is inexhaustible.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	vi. Let me sum it up: In eternity, you will have a real life, not a make-believe/a made up/scripted life. It will be freer than this life could ever be. It will be life the way God intended; full of pleasure and goodness as we experience the fullness of every good emotion, every right feeling, the fullness of wonder and awe, the fulfillment of having purpose, the sense of belonging, the true knowledge of your worth, the full expression of every feeling that God intends for our glorified body to experience. MM says this is a mouthful and each one deserves about 15 minutes. We won't work 24/7, but everything we do will contribute toward that work if that makes sense. Issue of sleep: Some argue that we will not sleep because we will have perfect bodies, but define what that means. The same argument could apply to eating, but we know we can do that. Do you think Adam and Eve slept? Generally, most people think A&E slept. If they did before the fall, then sleep cannot be viewed as an imperfection. Sleep would have been a matter of God's design for the rhythm of life. You don't have daytime 24 hours a day but you have a day time and a night time. You have seasons where things bud and grow out then die off and grow back. It's certainly part of life on earth. MM says maybe you won't sleep in eternity but maybe you will. You just think you won't. There's not a verse either way. MM is not talking about oh, I'm so fatigued, I need to go to sleep. If we will/are going to eat, walk, serve, work, laugh, travel and all the other things, then don't be too quick to say we won't sleep as part of a rythmn of life that God has designed for us. MM says we are conjecturing either way.
Supplemental	Bare Bones : Theodicy : Point 9	MM knows that we will work: - Our work will be marvelous. No one is going to have to talk us into working, no one is going to have to force is, it wll be our pleasure to do it. Why? Like our fellowship, our friendships, and our liberty, our work will also be perfected in the heavenly places. - We will finally have purpose. We are going to understand what we are doing and how it fits in with what is going on and will understand our part in it and the importance of it. It's not we are blindly doing stuff and we have no idea why. That's what happens with children but not with adults. We will understand that work and the meaning that we have behind it. When the Bible says IF WE SUFFER WITH HIM, WE SHALL ALSO REIGN WITH HIM=2 Timothy 12:2, we get a one-dimensional idea of what that is about. EX Sarita working with horses, sees the glory oF God in them, and makes that known to everyone. That is an area of the creation that she is REIGNING and RULING. It's not just bossing everybody around, it's the responsible dominion over part of the creation.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	Spend some time talking to your Father about these and considering what these will make life like for you in eternity. Talk about these things with Him and think to yourself what I understand about God's word so this makes it a plausible explanation about this is what it will be like for you in eternity, MM thinks that it will revolutionize what we think is waiting for us and our attitude will be more like our apostles. • You will personally know (really know) the Lord Jesus. • You will make new friends and deepen the relationships you already have • You will have adventures • You will explore the creation from one end to the other • You will see things and you won't be confined to just things on the earth • You will keep your free will • You will keep your personality
Supplemental	Bare Bones : Theodicy : Point 9	• You will learn – and you will love it (too many people say 'I hate school' but MM says you are not going to hate this because everything you learn will have real value) • You will create • You will discover • You will be thrilled (MM admits not a verse here) • You will be happy (versus fun which is temporary and fleeting; happiness is more self-satisfying and lingering) • You will be fulfilled
Supplemental	Bare Bones : Theodicy : Point 9	• You will be important (because of who you are - you are part of the body of Christ) • You will be engaged in something bigger than you, which means you will have purpose • You will have true friends • You will be loved – increasingly so forever (by the other members of the body of Christ) All of this will be yours without the pain, suffering and evil that was so prevalent in this world. No pride, no facade, no pretense, no ulterior motives. For MM, the more people I lose on this side makes me long for the other side.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	Our view of what is waiting for us has dimmed and as a result, not a lot of folks are interested in going to heaven. Our soul should ache to get there but we put our roots down in this present world. And as a result, many Christians don't want to go to heaven, they want to stay here for as long as they can. Short-sighted, to say the least. b. Talk about the celebration that awaits a son or daughter who has been godly, what is waiting for them when they go home to be with the Lord before the Blessed Hope – because there is an education going on right now for those who are already with the Lord, they are learning what to look for as far as godliness is concerned/really about. For some of them, it's the first time they would have ever heard it. Why? Because the creature has an earnest expectation of us as sons of God. It is waiting for our manifestation as sons and daughters of God. The creature knows that we are coming and it is looking forward to that because we are going to deliver it from the bondage of corruption. Extrapolate that if the creature knows, then so do the other members of the body of Christ. They both have a vested interest in us becoming edified, godly saints. The creatures interest is it is counting on us to deliver it. The rest of the body of Christ's interest want us to succeed because they all benefit by that. God is glorified by that. Nobody is hoping you fail (GH: except the fallen angels). We are made a spectacle (we are put on display-1 Corinthians 4:9) to the world, men and angels. That means that not only God's angels see us when the life of Christ is lived in us, but so does Satan's angels. So does the creature. And MM believes, so does the body of Christ. When the power of God's grace is being made evident in your life, the angels both good and bad, all see that.
Supplemental	Bare Bones : Theodicy : Point 9	When someone gets it right, when we live out of the doctrine instead of our flesh, when we put the power of God's grace on display in the midst of our suffering, it is a very, very big deal. Those who have gone before us are cheering us on to get it right – encouraging us to godliness, to the patient endurance of our sufferings, to overcome evil with good, to defeat the Adversary, to stand fast in the faith, and to be more than conquerors. They want us to succeed. We don't see it or hear it but MM wishes we could in some ways but because the Lord made it this way, this is the way it is supposed to be. If you could just get a peak at that, just for a moment realize that are encouraging us to godliness. After a lifetime of fighting the good fight of faith, what is waiting for you is a celebration of a hero's welcome home. If you have been godly, if the doctrine is working in you, if you have done this thing, if the Life of Christ has been made manifest IN you, MM thinks everyone knows who you are. Because it has all been put on display. If you think that is far-fetched, here's an example of what Jesus did on the Cross and God made an open parade show out of it-Colossians 2:15. Our homegoing is meant to be glorious, and that openly glorious too/at the same time. If you are godly, the host of heaven will know who you are – just like Satan's realm will know who you are-Acts 19.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	If Satan's realm knows you, MM believes that God's realm knows. The deduction that he is making from that. If you live this life, if how grace is how you live everyday, if it is His Life IN you, if you can get this done, when you get there, MM believes that you have no idea of the celebration that is waiting for you by the other members of the body of Christ. Don't have to use our/MBI terminology to make this happen for you. People talk about discipleship, spiritual formation, or some other way to describe the process of being conformed to the Image of God's Son. Being conformed is being conformed, no matter what word you use to describe it. Growing in grace is growing in grace, no matter what your terminology is. We don't have a corner on this market. MM is not saying that so that you can be proud and astenacious. MM is saying heaven is not cheering for the big sports play. It is cheering for godliness.That is what is on their minds. God means for His sons and daughters to be resplendent with glory.
Supplemental	Bare Bones : Theodicy : Point 9	Talk about being a spectacle to the world, to men and to angels – the unseen realm is watching – they know who you are. The body of Christ is cheering for something more than a touchdown catch or a home run or a buzzer-beating basket, they are cheering for God's heroes, His sons and daughters who will be resplendent with glory. MM thinks the heavenly places will be different for some than it will be for others in the kind of work that we will perform. The decision to train & to labor with your Father, I believe is a choice that is separate from the decision to trust Christ as Savior. (the cry of Abba, Father) This is free will choice that every saint will make, or not, during their lifetime. You may be thinking, what if someone does not know about the cry of Abba, Father? While I think it is very helpful to have it stated plainly, a person does not have to use our vocabulary to get the same result. Growing in grace is growing in grace, no matter what you call it. In other words, any saint who has the desire to discipleship, to spiritual formation, to Christ-likeness, etc. can have the very life of God being lived in them. The decision to accept Christ as your all-sufficient Savior is a different decision than the cry of ABBA FATHER that says I want to prepare and be educated by my Father to train me for the work that I will do on His behalf in the heavenly places. MM thinks those are 2 different decisions. Means that we all won't be doing the exact same kind of work.
Supplemental	Bare Bones : Theodicy : Point 9	As members of the body of Christ, the central sphere of our existence will be, not in the 3rd heaven (which is where most people think of spending eternity), and not on the earth (which is what you get when you misapply Israel's prophetic program to the body of Christ), but the main sphere of our activities will be in the 2nd heaven. Idea of when people talk about going to heaven. When your soul leaves your body, it goes to the third heaven, but where you are going to spend eternity is not in the third heaven but the second heaven in what the Bible refers to as the heavenly places. Two wrong ideas: 1. You are spending eternity in the third heaven - you are not 2. You are going to come back to the earth and spend eternity here - you are not

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9	Self-evident statements: 1. The more you love God, the more you will enjoy and appreciate eternity in the heavenly places. Therefore, you should go to work on loving God will all your heart, soul, mind and strength. The more you know about God, and the more you get to know Him personally, the more like Him you become, the greater will be our love for Him. In eternity, I believe we will become absorbed with the depth of who God is and I believe that will further transform us and that depth of transformation will continue throughout eternity. 2. The more you love the Lord Jesus, the more you will enjoy eternity, but do not worry about this one, it is going to happen. 3. Eternity will be a time of perfect Happiness & Joy. The Declaration of Independence called the pursuit of happiness one of our "unalienable" rights. MM doesn't believe his third point just because we have a founding document that refers to it. But he does know that God has wired us in such a way that happiness (real joy) motivates just about everything we do. If you have found pleasures and delights in this life, then consider this, God has designed them all to point us toward our place in eternity.
Supplemental	Bare Bones : Theodicy : Point 9	They are a foretaste of what is waiting. The thrill of close relationships, the fulfilling joy of a marriage partner, the satisfaction of wonderful friends, the delight of beautiful music, the rich aroma of a rose, the smell of freshly cut grass, the wonder of a sunset, the satisfaction of really good food and fellowship, and even the victories of our sports teams – all of this and more are meant to point us toward our life in the New Heavens, where all of this will unfold in ever-increasing levels of joy and wonder. Eternity will be a forever of the pleasure of participating in God's own pleasure! God wants us to be ecstatically happy! Tthe last line of C.S. Lewis' book, The Last Battle, with a slight change for our context here, "All our time in this world and all our adventures in life have only been the cover and the title page: in eternity, we will at last, begin chapter one of the Great Story, which no one on earth has read: which goes on forever: in which every chapter is better than the one before." MM agrees with him. 4. God has designed eternity for those who long for the completion to God's grand story, where we get to be the imagers of God that we were designed to be. In eternity, we will get to live out the divine desire for us to finally be the fulness of who we were designed to be. We are not just saved from something, we are saved to something. 5. Eternity will be a universal fellowship – but it will be a fellowship of differents. Each will have a story to tell and we will want to hear them all. It is together that we find such pleasure in loving others. 6. Eternity will be a Beloved Community - Eternity cannot get going until evil is done away with and all injustices are dealt with. And those will be handled at the JSoC. Once that is done, now the body of Christ can enjoy community the way God intended.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 9 : Glorified Bodies	While our soul is perfectly capable of seeing, hearing, thinking and remembering, God has chosen to give us a glorified body like the resurrection body of His Son. The main reason to have a body is so that we can interact with the physical world. The fact that your soul can do all of these things on its own (EX Abraham's bosom), if God is going to give you a body to put that soul in, it is because He wants you to interact with the physical universe in some very particular ways. Because if He didn't, you wouldn't need the body. You could still do the things intellectually that you could have done before. Do not think about your new body as non-physical; it is precisely physical and spiritual at the same time. For example, after His resurrection, many touched the body of Jesus and felt it. They saw the scars in his hands from the Cross. And yet, that body was able to walk through walls as it was not limited like the bodies we have now.
Supplemental	Bare Bones : Theodicy : Point 9 : Glorified Bodies	For those of us who are older and there body is not what it used to be, the prospect of getting a new body sounds pretty good. Your new body will function perfectly in environments that this body cannot. Won't need an oxygen tank. Our new bodies will function perfectly in environments that would kill this body. Outer space, under water/depths of the ocean, extremes of heat and cold will have no effect on our new bodies. Our new bodies will move faster than anything you can imagine, faster than light. Our new bodies will not: get sick, grow old, experience pain, contract disease or be injured. Our new bodies will move at terrific speeds - MM gives the sun, alpha centauri (star nearest to sun 4.3 light years), universe example. Estimate 100 billion galaxies but know they haven't seen them all. GH: MM trying to prove how big the creation is. - Will see the glory of God's handiwork from one end of the creation to another. - Moving at the speed of light is too slow. Bible says your glorified body will be like the resurrection body of Jesus Christ.
Supplemental	Bare Bones : Theodicy : Point 10	10) How we can we have free will in eternity and yet not sin against God? - Most people think that we won't sin in eternity because of lack of opportunity. Sin will be done away with. MM believes that is incorrect. Today, there are whole industries of sin, see the promotion of sin in the culture more and more in songs, movies, TV programs, see more and more sin in the public display of real life events. Then, we see the norms of society change over time. Once those changes take place, there is pressure on everyone to conform to these new norms. MM is grateful to say these won't be part of our eternity, but that is not the big reason on why we will refuse sin in eternity. GH: MM thinks the remaining potential sins would make us grieved in our spirit and we would be repulsed by them. MM doesn't think the reason we won't sin in eternity is that God is making it impossible to do it, as though He is somehow limiting your free will.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 10	MM doesn't believe in eternity there will be these specific temptations to lie, but because of the work that will be done in our inner man, not only now, but at the JSoC, he doesn't think it is impossible for untrue words to come out of your mouth but he doesn't think that you will choose to do that because of things covered in this study, not the least of which we will be conformed to the Image of God's Son. Sin is not a realy entity, it is not a monster that you can cage somewhere or exterminate. Sin is the absense of righteousness, it is the corruption of our human passions or inclinations or the desires of our mind. It is the result of choosing to do other than righteousness. So when we choose to think and act righteously, there is no sin to deal with. Three examples of sins MM is talking about - attitudes of the heart/mind - murder and stealing won't be the issues in eternity: 1. Selfishness: Thinking about yourself more than you are thinking about others - 1 Corinthians 8:9-12 Ties to the beginning of the education and Romans 12:3-selflessness.
Supplemental	Bare Bones : Theodicy : Point 10	2. Law: It's by the law we know what sin is - Romans 3:20 3. Obedience to the doctrine - Romans 6:16-17 The kind of sins that we will be refusing in eternity is not just the heinous things like murder and stealing, but pride, selfishness(1 Corinthians 8:9-12), envy, and obedience to what we have learned(Romans 6:16-17). Those are the things we will have refused. When you are in eternity and some other member of the body of Christ is exalted in a certain way, if on this earth, there would be some people who would be envious of that or jealous of that. MM believes in eternity, we won't be because of the reasons below. If we did live that way, would be contrary to the way we understand eternity is going to be. We will choose not to think like that because we will have Christ formed IN us to the degree that we see those things the same way our Father does. We will not live selfishly in eternity but it will not be out of force, but out of our transformed will which has been conformed to the will of our Father.
Supplemental	Bare Bones : Theodicy : Point 10	Why? Because there is a three-phased education that we are going through: 1) going on right now - our ongoing education about sin here and now on this earth teaches us of sins consequences - make us think about sin they way our Father does, 2) the finality of that education at the JSoC, and 3) our ongoing education in/throughout eternity whereby we are constantly and continually being conformed to the image of God’s Son. There are sins which we will not be able to commit in eternity (like murder) because it will be impossible to do that on our fellow saints with glorified bodies. But there are other sins that depend upon our edification to avoid them. That is what makes all phases of our education so important. So, if God is not magically making it impossible to sin, what is going on in eternity?

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 10	Eight reasons sin will not be an issue in eternity / why we won't sin in eternity - Seven of them cannot be realized until after our life on earth is over. But one of them can certainly be done right now, and it is important to work on it now. 1. The realm of our existence will be different. For us members of the body of Christ, there will be a new heaven/heavenly places i. When we take the place of Satan's minions in the HP, we will tear down those strongholds of evil that have been built up there and replace them with the righteousness of our Savior, Jesus Christ. As His body fills the universe, we will be creating a different kind of environment that exists on this earth today. The removal of easy access to sin is not the main reason we will refuse sin. The reason we will refuse sin is because we will abhor it. Don't need much access to become envious or prideful. We will refuse those sins because we will see them for what they are and we will abhor them. Our human spirit (the sum total of your character [who you have become]) will be changed into Christlikeness. Because of that, for the AGES TO COME, we will be continually involved an education that is going to make us more and more and more and more like Christ. Not a one and done thing, God is not tapping us on the head with His magic wand and now we are totally conformed.
Supplemental	Bare Bones : Theodicy : Point 10	As we are continually conformed to the image of God's Son throughout the ages to come, (and I think that is an everlasting, ongoing process as opposed to a "one and done" event), we will increasingly admire the Lord Jesus, love our Father, value one another, be conformed to Christ's image and be equipped to work in the next age to come. ii. For those who are on the earth, it will be very different as well in that the world and its lusts will pass away iii. One day, the lusts of the flesh, the lusts of the eyes and everything associated with the pride of life will pass away. 2. Satan and his minions will be gone to the lake of fire along with the CoTW/PoE i. The source of much temptation will be eliminated along with the allurement of the deception & how Satan deceives people 3. We get a new body - big one

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 10	i. When we trusted Christ and were given a new identity IN Him, we were truly set free from sin. Our soul and spirit were redeemed but not our body. Even though we are dead to sin, we still have the habits of sin in various members of our body which we have to contend with. ii. As Christ is formed in us, we are being changed. We are actually transforming who we are in our human spirit so that our spirit is being conformed to Christ's image/becoming on the inside more and more like Jesus Christ. iii. When we get our glorified body, it is not a holdover of the old, but it is a new body. There are no habits of sin in its members. This is a big reason why no more sin for us. The old habits and the old allurements of sin are all gone. That was the last connection to sin, and in our new body that connection will be severed forever. This is often not a quick transformation and can be hard to undo. Years of bad habits are not always overturned immediately or in just a day. As we get conformed to the Image of God's Son, no matter what it is in our life, doesn't matter what it is, we want to take the sin that is in our members and replace it with the righteousness of Jesus Christ. This is what will happen to us so that we can go into eternity and not sin against God.
Supplemental	Bare Bones : Theodicy : Point 10	4. Phase 1 of the 3 step education: Our firsthand experience (the here and now, Sonship curriculum and the suffering) and education of what sin produces. Sin is behind every bit of this, either natural evil or moral evil. They all go back to sin. 5. Phase 2 of the 3 step education: The JSoC that completes our knowledge of evil 6. Phase 3 of the 3 step education: We will not allow the glory of our life in the ages to come to be ruined i. We will have a glorious work ii. We will have an exciting life/it will not be boring iii. When we realize what sin would do up their to our eternal life and we would no more jeopardize that than we would poke our eye out with scissors. Something that we will instinctively know it would not be beneficial for us and that there would be terrible consquences and every member of the body of Christ will feel the same way about that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 10	7. The personal relationship we will have with Jesus (another big one) i. Jesus will be our closest friend in eternity - the closest, most intimate friend you will have ever had in your entire existance. Same for every member of the body of Christ. ii. I also think He will be Billie's closest friend iii. He will also be your closest friend iv. He will intimately know every single member of His body, not out of His omniscience, but out of real, developed relationship. He will know us intimately, not out of His omniscience, but out of a real developed relationship. MM says he says this based on a principle we are taught on who we are. EX Gloria and how well she knows her own hands. Could pick her hands out from a series of hands pictures. No one knows your hands better than you do. If you have an ache or pain, does someone have to tell you. We are the members of the body of Christ. If it is His body, how will do you think He is going to have to know it? MM thinks He will know His body better than we know our body. Will have to spend time with Him. EX Sitting on MM's heavenly porch and we are fellowshiping and different conversations are going on and the Lord Jesus comes in and pulls up a chair. MM thinks everybody just stops. MM believes He will look at each one of us and tell us what it means to Him for us to be a part of His body. Say something how important we are to Him and He is going to say something that will show His commitment to us. MM has reasons for this. And it won't just be in a group. May show up at your place. But Brother Mike you are speculating again - where are you getting this:
Supplemental	Bare Bones : Theodicy : Point 10	1. We are part of His body and just as we are familar with the parts of our body because we work with it and are aware of it, and take care of it, the same thing is true for His body but He will do it perfectly. 2. What is it that the Father wants to accomplish in eternity? The exaltation of His Son. That's what God the Father is about. The exaltation of His Son. There's a goal the Son is after too and it is not self-exaltation. Has something to do with His Father. But for the Father, He wants to exalt His Son. There are a couple ways to do that. God knows if you knew the Lord Jesus the way He does, if you really got to know Him, no one would have to say worship Him, love Him, respect Him, you would out of your own free will and own heart, you would. Because there never ever has been a being in the universe like Him. He wasn't just great because of the Cross. He was great before He ever went to the Cross. That's the reason that He could do the Cross. If you really knew Him, the Father's purpose, the exaltation of His Son, is going to be automatically carried out. When Paul uses the words WE ADMIRE THE LORD JESUS-verse?, you will find your fellowship will be about GH: talking about the Lord Jesus. The more you get to know about Him, the more you get to appreciate about Him that you didn't see before. Because He is the Head of the body, He is going to take the initiative to develop this relationship with the members of His body.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : Theodicy : Point 10	MM says there are some Biblical folks he has a real love and appreciation for that he's never met. Sure once he does meet them, that relationship will grow throughout eternity. But the one he is really looking forward to is his relationship with the Lord Jesus. You will realize in eternity if you were to sin against God, you would be betraying the most precious relationship you have in forever. MM doesn't think that thought will last for a moment in your mind. Look at and say, not going to happen. You would never ever betray that relationship. 8. The testimony reminder of the lake of fire MM doesn't think this one alone is enough to keep anyone from sinning. People today know about hell and the lake of fire and that doesn't keep people from doing things that are wrong that they know are wrong. Learn to blame what is really at fault - sin and rebellion against God. Know that God was not the one responsible for this. Romans 8, the sufferings are not worthy to be compared with the glory! • It is true in the outworking of time. The time aspect is just another layer of the doctrine in which this is true, as our suffering will be dwarfed by the eons of glory and goodness we will experience in eternity.
Supplemental	Bare Bones : Theodicy : Point 10	• It is true in this present life. The fact that Christ is produced in us now, not only enables us to patiently endure our sufferings to His glory. It makes us more than conquerors so that we bring glory to God and dishonor to Satan and his realm. • It is true in eternity. The glory (what our suffering produces in us in eternity) will outweigh all the suffering. What is being produced in eternity? The glory that is greater than our sufferings includes the promise of a joint-heir inheritance and of reigning with Christ, and those are more valuable than avoiding sufferings. Romans 8, being more than a conqueror: • When we suffer on this earth properly, (patient endurance) we are defeating the Adversary in his realm. • The precedent was set by the Lord Jesus:
Supplemental	Bare Bones : Theodicy : Point 10	Any time we undergo suffering of any kind and we do so in accordance with Paul’s doctrine (we suffer with Him), we are: • Defeating Satan in his realm • Discouraging his angels • Demonstrating the Lord God to be the rightful possessor of heaven and earth • Putting the power of His grace on display • Being more than a conqueror (it does not look that way to the onlooker, it looks like we got clocked, but when it doesn’t overcome us, but we are And now we have a better idea of what eternity is going to be like so we actually look forward to going because it is going to be better, in every way, than we ever had in this world.

Supplemental	Bare Bones : How to Study the Bible	Definition of Terms: Hermeneutics: the science and art of interpretation of writing 'theory' - not confined to the Bible alone Exegesis: is basically the application of the principles and rules of Hermeneutics 'application or practice - how to employ the rules or principles' - EX=out of - getting interpretation OUT of the text itself - Is a good thing! Eisegesis: when someone reads their own meaning into the text. - EI=in - reading our meaning into the text - MM doesn't have to tell you this is bad - People ask what does this mean to you? Leave the study because you are wasting your time
Supplemental	Bare Bones : How to Study the Bible	Homiletics: the art of conversation; preaching in the Biblical sense Two Aspects of Biblical Hermeneutics 1. General Hermeneutics. This is the study of the rules governing interpretation of the entire biblical text, which includes 1. historical, 2. cultural, 3. contextual, 4. grammar/grammatical and 5. theological analyses.
Supplemental	Bare Bones : How to Study the Bible	2. Special Hermeneutics. This is the study of the rules that apply to specific genres in the Bible, such as epistles (letter), parables, allegories, songs, types, poems, metaphors, doctrine and prophecy. Three principles of Hermeneutics: 1. the questions At the heart of good, biblical hermeneutics, there are two fundamental questions which must be answered. QUESTION 1: What does the text likely mean to the authors? 1. The human author (Paul) 2. The Divine author (God) QUESTION 2: What does the text likely mean to the original audience? In order to answer this question, we will likely need to know some things such as, how was their culture different from ours today? When it was written and under what circumstances, etc. We will cover these in more detail shortly.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : How to Study the Bible	2. the big picture first and Proper hermeneutic always begins by looking at the big picture. GH: Versus a 'worm's eye view' which is no good. Study from the big picture and then down to the details. - People used to do word studies versus understanding the context of the verse. This type of approach caused people to jump to an application (albeit, a false one) before they ever discerned what the original intent of the scriptures were. - Actually works for At/one/ment = the status of being at-one with someone else; which is part of our atonement whereby we are no longer enemies of God, but we have peace with God, so this one works. In fact, “at one” is the number one definition of the word atonement, so for this word, it actually works. - But not pine/apple or under/stand or con/tent (camping gear for prisoners) 3. the top-down method: start with a macro, or birds-eye view of the passage first.
Supplemental	Bare Bones : How to Study the Bible	The 3-Step Process of Exegesis Step #1: We start by reading. We read the passage we are studying over and over and over. - In your first readings, do not try to pick up the details. - Do not work at organizing the material. - Don’t look for the pattern of the doctrine. - Don’t try to understand words of phrases if you are unfamiliar with them. - We are doing a couple of things: 1) we are getting familiar enough with the passage that we can ask some intelligent questions about it, and 2) as our familiarity with the passage grows, things begin happening in our subconscious minds, which we will draw on later in the process.
Supplemental	Bare Bones : How to Study the Bible	Step #2: Ask big picture questions. o Who is writing? o What is being said about this person who is writing? o Who is being written to? o What is being said about them? o What is the problem being addressed? o What is the proposed solution? o What kind of literature is this? Here we are speaking about genre: poem, song, narrative, prophecy, epistle (letter), history, doctrine, etc. o What ideas or concepts are talked about repeatedly? o Where does the discourse shift from one theme to another? Paul will change subjects. Or a different time element.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : How to Study the Bible	Step #3: Write a single sentence describing the main idea of the passage. This single sentence should encapsulate the Big Picture of the entire passage. Again, we are not yet down into the details, we are looking at the overall theme of the passage. - If you cannot write this sentence, then back up in the process and read it some more. - Do it with the Book you are in, the Chapter you are in, the passage you are in, and the verse you are in. 1 Corinthians: Notice repeated words and phrases - EX OF THIS WORLD: o Disputer of this world – 1:20 o Wisdom of this world – 1:20
Supplemental	Bare Bones : How to Study the Bible	o Princes of this world – 2:6 o Fornicators of this world – 5:10 o Fashion of this world – 7:31 How to Read: o Read imaginatively – Put yourself in the biblical story - Think about what is happening as though it is you. Do things make sense? o Read repeatedly – The more you read, the more you will see (notice repeated words and phrases) Example – 1 Cor. “of this world” o Read thoughtfully – what kind of literature or passage am I reading? EX Prophecy is different from an epistle/letter. The latter are pretty straightforward. o Read telescopically/periscopically [CONTEXT] – Always read the context around the passage you are studying
Supplemental	Bare Bones : How to Study the Bible	Have some context for what you are reading. - This would start for **WHERE in the Bible you are reading. MM says nobody taught this in Bible college because they didn't RDW. - The next context is knowing WHAT BOOK** you are in and what that book has as its purpose. Come up with a one-sentence description of the Book. First, establish a quick timeline to provide for an overall context for each of the books. Secondly, be aware that the order of the books as arranged in your Bible matches the unfolding of history: generally, time past (prophetic program)… - The second context issue is to know where you are in the book BY CHAPTER**. After you have gotten a context for the chapter, get more specific and get a context for the *IMMEDIATE TOPIC*. The more context you know, the easier your study will be.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones : How to Study the Bible	- Context our in our Bible is: 1) Context is a unit of thought (which may run for chapters) 2) Paragraph (as marked in your Bible) Never study a verse outside its unit of thought, never study a single verse without first getting a context. - How do find the context? 1) Look for the Heading (Phil 4:13) v13 is in the middle of the paragraph, so you would look to see the nearest heading preceding it, in this case, v10. 2) It may have a paragraph mark (in SwordSearcher, instead of a paragraph mark, there is a space between paragraphs.)
Supplemental	Bare Bones : How to Study the Bible	- The second issue concerns the *PARTICULAR PASSAGE* you are studying. You will need to identify the verses that make up the passage. Find pattern - THINKING, LIVING, LABOR for Romans; REPROOF, CORRECTION, and INSTRUCTION IN RIGHTEOUSNESS in 1 Corinthians (from 4 or 5 to 40 verses). Once you have identified the *VERSES* in the passage, read it over and over and over again. Get familiar with it so you can quote it without reading it. Get the words working in your mind. - A third issue to help in your study; use resource and reference materials. Even if you are not teaching, use resources for word definitions (for example, the OED, Smith's Synonym's Discriminated, Crabb's Synonyms), for companion passage use Bible Search Software or a concordance, use resources for maps/charts (Atlas, Bible Dictionary) resources for history and background and other materials. And don't forget about archaeology, chronology and geography. - Floyd Jones - The Chronology of the Old Testament - Tindale Book of Maps and Charts - The Bible Almanac

Supplemental	Bare Bones : How to Study the Bible	These first three come from the text itself. • Dispensational • Literary • Grammatical These last two are going to come from your research. • Historical • Cultural (hardest) When it comes to culture, we need to understand six basic ingredients: 1. kinship,
Supplemental	Bare Bones : How to Study the Bible	2. patronage, 3. brokerage, 4. honor, 5. shame and 6. boundaries. When we talk about the western culture today, we are generally talking about an individualistic society, whereas Eastern, African, Middle Eastern and South American societies are generally collective. In a culture, the most important things often go without being said. There are unspoken foundational social structures used in the biblical world which operate in the background and as such, they are not outright stated in the Scripture. Yet, those things were obvious to the original audiences, but not always to us.
Supplemental	Bare Bones : How to Study the Bible	How to Study the Bible (from notes only): 1. The first issue is context. The more context you know, the easier your study will be. A. Have some context for what you are reading. Know something about the book you are in. - The book of Acts is the historical record, written to the nation of Israel concerning their stumbling, fall and subsequent diminishing. - Romans is an establishment epistle for members of the body of Christ. - 1 Corinthians is corrective doctrine for a carnal, fleshly assembly operating in this DoGG. - Galatians is corrective doctrine written to an assembly in this DoGG who has left grace to put themselves back under the Law of Moses.

Chapters 9-11 are about the Dispensational Change and chapters 12-15 are about the Education proper for a son or daughter. 2. Concerns the particular passage you are studying. You will need to identify the verses that make up the passage. A. We know the pattern for the doctrine in Romans is godly thinking, godly living and godly labor. B. Start out with something everyone is very familar with. God's dealing with Israel under a performance contract. How most believers today think God is dealing with them. But they are learning things they didn't get like the CoP/timeline.
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 1; Block 4: Justification / Sanctification - Justification: Romans 1-5 - Sanctification: Romans 6:1-8:13 Row 1; Block 5: SO / SE / D.C. - Sonship Orientation: Romans 8:14-15 - the third component of your sanctified status IN Christ - Sonship Establishment: Romans 8:16-39 - Dispensational Change: Romans 9-11 Row 1; Block 6: Sonship Prayer (Edification Prayer) - MM is including in this the Romans Education Checkpoint (Romans 12:1-2) - checkpoint that tells you if you are ready to move into the Romans Education. You have to have a way to assess whether you are able to do that.

Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 2 - Level 1/Phase 2: GH: the next layer. MM is after the 5 core features of godly love that generate godly love and charity IN you. Building this on top of your love for God and now it's going to be a love for people that are in the world. MM believes until you really love God you won't really love people the way you are supposed to. Row 2; Block 1: Godly Wisdom - Core feature of Godly love=Selflessness - Romans 12:3-8 - Creates that spirit of cooperation where you understand that you are part of a body and you have a responsibility to the whole body. Row 2; Block 2: Godly Wisdom - Core feature of Godly love=Lovingkindness - Romans 12:9-10 Row 2; Block 3: Godly Wisdom - Core feature of Godly love=Tenderheartedness - Romans 12:13-15 - These first 3 blocks are in Godly Wisdom and they are producing some things in you, they are producing character traits not listed. Row 2; Block 4: Godly Justice - Core feature of Godly love=Meekness - Romans 12:17-21
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 2; Block 5: Godly Justice - Core feature of Godly love=Benevolence - Romans 13:1-7, Judgment, Equity - Added Judgment and Equity. Both valuable but there are no core features in these 2. Bookending the 5 core features of godly love you have the 2 non-core features of godly love: - Sacrificial Love - Romans 15-16 - Purposed Subordination - Romans 15:1-3 These 5 core features of godly love are supposed to be in every decision you are making, they are supposed to be guiding your actions. In your everyday decisions, these are the filters through that decision passes. When you are planning on doing something, you have to ask these things and how it affects the other members of the assembly. These 5 are there all the time. You will never get rid of these, you will never outgrow these. Non-core skills will only be employed occasionally and you will have to have some discernment about when to do those. You don't live out of these everyday because the situations aren't always there for that. That completes Row 1 and Row 2, which catches us up to where this group is.
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 3: Is what we are about to start (March 2023). Will build SUBTILTY and KNOWLEDGE & DISCRETION in your inner man. Row 3; Blocks 1-2 - Level 2/Phase 1: Theme - SUBTITLY Row 3; Block 1: Books that talk about the 3 phases of the attack of the POE - 1 Corinthians - Phase 1 - Attack the message Corinthians has gotten off track due to the success of the Phase 1 attack of the POE to corrupt the message. Take the pattern for edification (thinking, living, labor) and GH: correct them. - 2 Corinthians - Phase 2 - Attack the messenger MM says this is really valuable because some of the attacks come from outside the assembly and Paul gives the doctrinal remedy for every single one of those attacks. - Galatians - Phase 3 - Discredit the messenger

Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 3; Block 2: Ephesians (Advanced Tactics/Phase 1 of POE - same phases repeat) - Satan has an advanced attack for each of these areas. Row 3; Blocks 3-4 - Level 2/Phase 2: Theme - KNOWLEDGE & DISCRETION Row 3; Block 3: Philippians (Advanced Tactics/Phase 2 of POE) - 8 advanced categories of attack the messenger. Row 3; Block 4: Colossians (Advanced Tactics/Phase 3 of POE) Row 4: Thessalonians
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 4; Block 1 - Level 3/Phase 1: 1 Thessalonians - WISE COUNSELS / HEAR AND INCREASE LEARNING 'Learn them' - Has a series of FORMS of DOCTRINES in which you are learning WISE COUNSELS. MM references the DIVINE COUNSELS teaching In 1 Thessalonians you get a big piece of GH: what you need to contribute to thoughts around carrying out your Father's Will. - Things you got in the Book of Romans will be applied in more advanced ways in the education. Ways that weren't readily available to you when you were first learning the doctrine. You will learn to do something and say you know what, I can take that and use that over here. Row 4; Block 2 - Level 3/Phase 2: 2 Thessalonians - The Privileged Calling / ATTAIN UNTO WISE COUNSELS 'Have them working in you' That covers the regular Sonship education but we still have the Pastoral epistles. Don't think these don't pertain to you because you are not a Pastor, because they do. This is because a guy who is a Pastor or Bishop is a Bishop of a local assembly. If you are part of a local assembly, you are going to want to know what's in there.
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	Row 5: Pastoral Epistles: Godly Edification for Bishops Row 5; Block 1: 1 Timothy - Phase 1 attack on the local church - Attacks don't come against you individually but against the body that you are a part of. MM says if you are in ministry, it is not only an attack on the local church, but also an attack on the Pastor/Bishop. Row 5; Block 2: 2 Timothy - Phase 2 attack on the local church Row 5; Block 4: Titus - Phase 3A attack on the local church / Philemon - Phase 3B attack on the local church MM says there are only 3 phases but Satan has been pretty successful with that.

Bk-Ch-Vs	Bible Margin	Verses / Commentary
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	MM says you can read the Bible through and you may get something out of it but once you understand the way the doctrine is being presented to you you begin to understand that until a son or daughter has made the cry of ABBA FATHER and has begun to get engaged in the education, everything written by Paul is really just for those people. MM is not saying others shouldn't read it and they can't get good ideas out of it, but this is designed for a son or daughter who hasn't quit. It's telling you the things that are going to go against you to try and make you throw in the towel and here's the doctrinal remedy for each one of these things. MM says he is looking at a group of people that has a chance to put something on display that your heavenly Father has been waiting for since the foundation of the world. To be and to do what He created us to be and to do from the beginning. MM says he has been in church all of his life and has never seen a church attain unto that. He's glad to say he knows of churches that are working toward this but he's never seen one approach the scripture this way and equip its people and see them edified so now not only individually are they being conformed to the image of God's Son but the assembly as a whole is taking on the character of Christ and now there's something happening in the heavenly places that they can't see with their eyes that is a result of what is going on in them and in the assembly.
Supplemental	Bare Bones Studies : Sonship Chart for Educational Progress	This is what GH: we were made to be. Once this begins to happen to a significant degree that you can see it and observe it, no one will ever have to motivate you about that again. You will realize this is what you were created for. This is the area that you will find the greatest fulfillment that you will ever find and this is something that we are going to live out of from here on out. Once you get the first 2 rows, have to understand that you will have an enemy but God is going to give you the doctrinal remedy for each attack. It's like PG's testimony yesterday, if you just don't quit, you will make it. It is not about your IQ, it's just about responding to the doctrine and don't stop. MM says that it doesn't happen at the same rate for everybody. Going through all of this will enable you, when you get up there, to participate in that divine counsel and labor with Him in ways that bring Him glory because all of that will be because of what He has done for us and put that wisdom in us. You will find more fulfillment with this than anything this world would have ever offered you.
